

1. The Lily

The secret of spiritual protection is revealed through a richly metaphorical discourse given by Rabbi Chizkiyah. The Rabbi explains that the spiritual forces that protect and watch over us are called the 13 Attributes of Mercy. They are transmitted into our physical world through the first 13 words of the Torah. When judgments are decreed against us, these 13 forces can safeguard us from their influence. We begin drawing this Light of protection to ourselves at the very moment we begin to browse and behold the mystical shapes and sequences of the Aramaic text, and to learn the spiritual insights presented there.

1. Rabbi Chizkiyah opened the discussion with the verse, "As the lily amongst the thorns" (Shir Hashirim 2:2). HE ASKS: What is the lily? AND HE REPLIES: It is the Community of Yisrael (Israel), WHICH IS MALCHUT. Because there is a lily; and there is a lily. Just as the lily among the thorns is tinged with red and white, so is the Community of Yisrael affected by the qualities of judgment and mercy. Just as the lily has thirteen petals, so the Community of Yisrael is surrounded by the thirteen attributes of Mercy. Thus, between the first mention of the name Elohim, WHICH APPEARS IN THE PASSAGE, "IN THE BEGINNING ELOHIM CREATED" (BERESHEET 1:1) TO THE SECOND MENTION OF ELOHIM, THERE ARE THIRTEEN WORDS IN THE VERSE, WHICH TRANSLATE AS "THE, HEAVEN, AND THE, EARTH, AND THE EARTH, WAS, WITHOUT FORM, AND VOID, AND DARKNESS, WAS UPON, THE FACE, OF THE DEEP, AND THE SPIRIT" (IBID. 2). These words surround and guard the Community of Yisrael.

2. After this, THE NAME ELOHIM is mentioned another time in the passage "ELOHIM MOVED UPON" (BERESHEET 1:2). And why is it mentioned again? In order to bring out the five rigid leaves that surround the lily. And these five LEAVES represent the five gates of salvation. And this secret is written about in the verse, "I will raise the cup of salvation" (Tehilim 116:13). This is the 'cup of benediction' that is raised after the meal. The cup of benediction must rest on five fingers, and no more, just as the lily rests on five rigid leaves that represent the five fingers. And this lily is the cup of benediction. FROM THE second to the third mention of the NAME Elohim, there are five words, WHICH TRANSLATE AS "MOVED, OVER, THE SURFACE, OF THE WATERS, AND SAID." AND THESE WORDS PARALLEL THE FIVE LEAVES. From this point, THE VERSE CONTINUES, "ELOHIM SAID...LET THERE BE LIGHT" (Beresheet 1:3). After this light was created, it was concealed and enclosed within that Brit (covenant) that entered the lily and fructified it. This is referred to as "a tree bearing fruit whose seed is within it" (Ibid. 11) and this seed is the Brit.

3. And just as the Brit is sown by forty-two matings from that same seed, so the engraved and holy name is sown by the forty-two letters that describe the act of creation.

2. The Blossoms / [Flower] Buds

Many spiritual secrets are contained in this next section. The budding and blossoming of a flower reflects the process of creation that unfolds in the Upper World as well as the in Lower World, which is our physical universe. As a seed contains the entire flower, the original thought of creation contains the creation as a whole, including its final and complete perfection. The actual Hebrew letters that speak of these secrets give us the power to perceive the future consequences that are already included in our present actions, just as a flower is already included in a seed. The Zohar speaks of the great Patriarchs who were also included within the original thought and seed of creation. These spiritual leaders would become the universal conduits by which humanity could connect to the Light of the Creator. The appearance of these great men in the Aramaic text of the Zohar helps to strengthen our connection to the Creator and to our own spiritual roots.

1. רבי חזקיה פתח, כתיב כשושנה בין החוחים. מאן שושנה, דא כנסת ישראל. בגין דאית שושנה ואית שושנה, מה שושנה דאיהי בין החוחים אית בה סומק וחור, אוף כנסת ישראל אית בה דין ורחמי. מה שושנה אית בה תליסר עלין, אוף כנסת ישראל אית בה תליסר מכילין דרחמי דסחרין לה מכל סטרהא. אוף אלהים דהכא משעתא דאדבר אפיק תליסר תיבין לסחרא לכנסת ישראל ולנטרא לה.

2. ולבתר אדבר זמנא אחרא, אמאי אדבר זמנא אחרא, בגין לאפקא חמש עלין תקיפין דסחרין לשושנה. ואינון חמש, אקרון ישועות. ואינון חמש תרעין. ועל רזא דא כתיב, כוס ישועות אשא, דא כוס של ברכה. כוס של ברכה אצטריך למהוי על חמש אצבען ולא יתיר, בגוונא דשושנה דיתבא על חמש עלין תקיפין דוגמא דחמש אצבען. ושושנה, דא איהי כוס של ברכה, מאלהים תנינא עד אלהים תליתאה חמש תיבין. מכאן ולהלאה, אור דאתברי ואתגניז, ואתכליל בברית, ההוא דעאל בשושנה ואפיק בה זרעא. ודא אקרי עץ עושה פרי אשר זרעו בו. וההוא זרע, קיימא באות ברית ממש.

3. וכמה דדיוקנא דברית אודרע בארבעין ותריין זוגין דההוא זרעא, כך אודרע שמא גליפא מפרש, בארבעין ותריין אתון דעובדא דבראשית.

4. "IN THE BEGINNING," Rabbi Shimon quoted the verse, "the flower buds appeared on the earth" (Shir Hashirim 2:12). "The flower buds" refer to the act of creation; "appeared on the earth." When? On the third day, as it is written, "And the earth brought forth" (Beresheet 1:12). Since then, they have been seen on the earth. "The time of pruning has come" alludes to the fourth day, when the "pruning of the tyrants" (negative forces) took place. THEREFORE OF THIS DAY, IT IS WRITTEN, "LET THERE BE LIGHTS" (Beresheet 1:14), with the letter Vav missing from the word lights. (The Hebrew word 'lights' when written without a vav, can be read as a curse). "And the voice of the turtle dove" (Shir Hashirim 2:12) refers to the fifth day, about which it is written, "Let the waters swarm" (Beresheet 1:20), so they can produce living creatures. "Is heard" (mentioned in Shir Hashirim) refers to the sixth day, on which it says, "Let us make man" (Beresheet 1:26), who shall put action before listening. Because it says here, "Let us make man," while there on Mount Sinai, when Hashem asked the Yisrael about the Torah, they said "we will do, and we will hear (we will try to understand)" (Shemot 24:7). "In our land" (Shir Hashirim 2:12) refers to the day of Shabbat, which represents the Land of Life, which is THE WORLD TO COME.

5. Another explanation is that these blossoms are the Patriarchs who entered the thought of the Creator and went into the future world, NAMELY BINAH, where they were hidden. They emerged from there secretly and hid themselves in the true prophets. Yosef was born and they hid in him. When Yosef entered the Holy Land, he revealed their presence and then "they appeared on the earth" and were seen there. And when are they seen? When the rainbow is seen in the sky. Because when the rainbow is seen, then they appear. And at that moment, "the time of pruning has come." This means that this is the period to annihilate the wicked from the world. But why were the wicked saved? Because the Flower Buds appeared on the earth. If they had not ALREADY appeared SO LONG AGO, (THE WICKED) would not have remained on earth, and the world would have been destroyed.

6. And who sustains the world and causes the Fathers (patriarchs) to appear? It is the voices of the children who study the Torah. And the world is saved (from destruction) for the sake of these children. In deference to them, it is written, "We will make you ornaments of gold" (Shir Hashirim 1:11). This refers to the children, boys and young men, as is written, "And you shall make two cherubim of gold" (Shemot 25:18).

3. "Who has created these?"

The Zohar discusses the intricacies of the spiritual process of Creation, and explores mysteries associated with the upper spiritual worlds, the Hebrew letters, and the Patriarchs. The text explains how the incomprehensible and infinite Creator restricted and diminished a portion of His Light in order to manifest It in a magnitude that mortal man could receive. As we peruse the Hebrew letters and understand these spiritual explanations, we draw a measure of spiritual Light into our own lives equal to our capacity to receive and use It.

7. In the beginning: Beresheet. Rabbi Elazar began the discussion by quoting, "Lift up your eyes on high and see. Who has created these things?" (Yeshayah 40:26). HE ASKS: "Lift up your eyes on high," to what place? And HE REPLIES: To that place to which all eyes are turned. And who is He that created these things? He is the opening of the eyes, which is the MALCHUT OF THE HEAD OF ARICH-ANPIN. And you should know that there, in the Concealed Atika (Ancient One) lies the question: Who has created these? And who is He? IT IS HE WHO IS CALLED Mi (lit. 'who' which is formed from the two Hebrew letters: Mem and Yud that appear in the name Elohim), WHO IS THE LOWER SEVEN SFIROT OF BINAH; He is the (celestial one), who is called from the extremity of heaven on high, as everything is in His domain. The question arises because of Him, and He is concealed. He is called Mi, WHICH IS THE EXPRESSION OF A QUESTION, because beyond him there lies no question. Thus, the extremity of heaven is called Mi, WHICH IS THE SIGN OF A QUESTION, because beyond Him there lies no question. So this extremity of heaven, WHERE THE QUESTION LIES, is called 'Mi'.

8. There is another extremity down below called Mah (lit. 'what', a combination of the two letters Mem and Hei). And what is the difference between Mi and Mah? HE REPLIES: The first one is concealed and is called Mi. Therein lies a question: Man has searched and inquired in order to understand and climb from one level to another, until he reached the highest level of all, WHICH IS MALCHUT. After he had arrived there, he was asked: What? THIS MEANS, what have you learned? What have you seen? What have you investigated, since everything is still concealed and hidden as before! As it is written: "What their Fathers have explored, for everything is concealed as before" (Iyov 8:8).

9. And on this secret subject it is written, "What (Mah) shall I take to witness to you? What (Mah) shall I liken to you?" (Eicha 2:13). Because when the Holy Temple was destroyed, a voice came forth and said, "What (Mah) shall I take to witness for you, and what shall I liken to you?" This means that the word 'what' (which is a combination of the letters Mem and Hei) shall witness to you each and every day since the ancient days. As it is written: "I call heaven and earth to witness this day" (Devarim 30:19). "What shall I liken to you?" In the same manner of importance, IN WHICH "WHAT" SERVES AS THE ETERNAL WITNESS, I crowned you with holy crowns and made you ruler over the earth. As is written: "Is this the city that men call the perfection of beauty?" (Eicha 2:15). In addition, I have called you, "Jerusalem, a city united by a compact" (Tehilim 122:3). "What shall I make equal to you?" (Eicha 2:13). Just as your situation is here (in this mundane world), so it is seemingly above! REFERRING TO THE JERUSALEM ON HIGH (in the eternal world). Just as now the holy nation does not enter below to perform the sacred arrays, so I swear that I will not enter above until your throngs come to you down below. This is your consolation - that I equate you with this level, WITH JERUSALEM ON HIGH, WHICH IS MALCHUT, in its entirety. And now you are here, "For your breach is great, like the sea" (Ibid. 13). If you claim that you have no existence or remedy, then who (Mi) shall heal you? Namely, that same concealed supernal level, WHICH IS CALLED Mi, upon which everything exists, WHICH IS BINAH, shall heal and uphold you.

10. Mi MEANS the extremity of heaven above, WHICH IS YISRAEL - SABA AND TEVUNAH; Mah MEANS the extremity of heaven below, WHICH IS MALCHUT. And this is what Ya'akov, WHO IS ZEIR-ANPIN, inherited, as he was "the bolt that passes from extremity to extremity" (Shemot 26:28). From the extremity above, which is Mi, down to the extremity below, which is Mah. Because he stands in the middle, BETWEEN YISRAEL - SABA AND TEVUNAH, TO MALCHUT. And because of this, Mi created these! BECAUSE YISRAEL - SABA AND TEVUNAH who are called Mi, CREATED ZEIR-ANPIN AND NUKVA WHO ARE CALLED ALEPH, LAMED, AND HEI.

4. "Who has created these" of Eliyahu

Rabbi Shimon bar Yochai describes to his son, Rabbi Elazar, his mystical encounter with Elijah the Prophet (Eliyahu). It was then that the supernal secrets of Creation concealed within the previous section were revealed to the holy Master. The words and sentences of this story imbue us with the power to achieve an even stronger connection to the Light.

11. Rabbi Shimon said, Elazar, my son, stop talking and let the supernal hidden secret, which humans know nothing about, be revealed. Rabbi Elazar stopped talking and was silent. Rabbi Shimon wept and stood still for a moment. Rabbi Shimon then said, Elazar, what is Eleh (lit. 'these', which is spelled ALEPH, LAMED, HEI)? If you say that they are the planets and the signs of the zodiac, have they not always been seen? And were they not created by Mah (which is formed from the two Hebrew letters, Mem and Hei) WHICH IS MALCHUT? As it is written, "By the word of Hashem were the heavens made" (Tehilim 33:6), WHICH REFERS TO MALCHUT THAT IS CALLED THE "WORD OF HASHEM" WERE THE HEAVENS MADE. And if THE TERM ELEH (WHICH IS CREATED BY COMBINING THE HEBREW LETTERS, ALEPH, LAMED, HEI) was said about the hidden things, then there is no NEED to write ELEH, because they, THE PLANETS AND THEIR SIGNS, are visible.

12. This secret was never before revealed, until one day when I was on the seashore, Eliyahu came and asked me: Master do you know what Mi (Who) has created Eleh (these) means? I answered 'these' are the heavens and their hosts, the works of the Holy One, blessed be He. And man should look at them and bless Him, as is written, "When I behold your heavens, the work of your fingers...Our Master, how glorious is your name in all the earth!" (Tehilim 8:4-10).

13. He told me, Master, the Holy One, blessed be He, had a great secret, which He revealed to the celestial Academy (Yeshiva on high). The secret is that when the most hidden and concealed One (the secret of all secrets) desired to reveal Himself, He first made one single Point, WHICH IS MALCHUT, and this point ascended and became a Thought, WHICH IS BINAH. THIS MEANS THAT MALCHUT ROSE UP AND WAS INCLUDED WITHIN BINAH. He shaped in her all the images and engraved all the designs.

14. And He engraved inside, the sacred and hidden candlelight, WHICH IS MALCHUT THAT IS INCLUDED WITHIN BINAH, an engraving of a mystical and holy design. It is a very profound structure that emerges from the depth of the thought, WHICH IS THE SECRET OF THE UPPER THREE SFIROT, and is called Mi, which is the inception of this edifice. And it is erected and not erected; it is hidden deep inside the name ELOHIM. FURTHERMORE, it is called only Mi (from only two of the letters in the name ELOHIM: MEM AND YUD). THIS MEANS THAT IT LACKS THE LETTERS ALEPH, LAMED, AND HEI FROM THE NAME ELOHIM. He desired to reveal Himself and to be called ELOHIM, so He dressed Himself up in a precious garment that shines and enlightens the surroundings, WHICH IS THE LIGHT OF CHASSADIM, and created Eleh (from the letters Aleph, Lamed, and Hei). And these letters, Aleph, Lamed, and Hei, after being joined together ascended to the name ELOHIM, MEANING THAT THE LETTERS Mem and Yud, combined with Aleph, Lamed, and Hei, complete the name Elohim. Furthermore, as long as He did not create the letters Aleph, Lamed, and Hei, they did not rise up to form the name Elohim. Those who sinned in worshipping the Golden Calf used this secret by saying, "Eleh (these are) your Deities, Yisrael" (Shemot 32:4).

11. אָמַר רַבִּי שִׁמּוֹן, אֶלְעָזָר בְּנֵי פֶסוּק מִיֶּלֶךְ, וַיִּתְגַּלֵּי סְתִימָא דְרִזָּא עֲלָאָה דְבְנֵי עֲלָמָא לָא יָדְעִין. שְׁתִּיק ר' אֶלְעָזָר. בְּכַה ר"ש, וְקָאִים רְגַעָא חֲדָא. אָמַר רַבִּי שִׁמּוֹן, אֶלְעָזָר, מַאי אֱלֹהִים. אִי תִימָא כִכְבֵּיָא וּמוֹזְלֵי, הָא אֲתַחֲזֵן תַּמָּן תְּדִיר. וּבַמ"ה אִיתְבְּרִיאָו, כַּד"א בְּדַבְרֵי ה' שָׁמַיִם נַעֲשׂוּ. אִי עַל מַלְיָן סְתִימִין, לָא לְכַתּוּב אֱלֹהִים, דְּהָא אִיתְגַּלְיָא אִידֵּוּ.

13. אָמַרְלוּ, רַבִּי: מַלְאָה סְתִימָא הוּא קְמִי קְדוּשׁ בְּרוּךְ הוּא, וְגַלְיָ בְּמַתִּיבְתָא עֲלָאָה, וְדָא הוּא. בְּשַׁעֲתָא דְסְתִימָא דְכָל סְתִימִין בַּעַל לְאַתְגְּלִיא, עֲבַד בְּרִישָׁא נְקוּדָה חֲדָא, וְדָא סְלִיק לְמַהוּי מַחֲשָׁבָה. צִיּוּר בְּהַ כָּל צִיּוּרֵין חֲקַק בְּהַ כָּל גְּלִיפִין.

14. וְאֲגַלְיָ גּוּ בּוֹצִינָא קְדִישָׁא סְתִימָא גְּלִיפּוּ דְחַד צִיּוּרָא סְתִימָאָה קְדִישׁ קְדִישׁוֹן בְּנִינָא עֲמִיקָא דְנִמְיָק מְגוּ מַחֲשָׁבָה, וְאֲקָרִי מִי שִׁירוּתָא לְבִנְיָנָא קְוִימָא וְלָא קְוִימָא, עֲמִיק וְסְתִימָא בְּשִׁמָּא. לָא אֲקָרִי אֱלָא מִי. בַּעַל לְאַתְגְּלִיָּא וְלְאַתְקָרִי בְּשִׁמָּא דָא, וְאַתְלַבֵּשׁ בְּלְבוּשׁ יָקָר דְנִהִיר, וּבְרָא אֱלֹהִים, וְסְלִיק אֱלֹהִים בְּשִׁמָּא. אֲתַחֲבְרוּן אֲתוּון אֲלִין בְּאֲלִין וְאַשְׁתַּלִּים בְּשִׁמָּא אֱלֹהִים. וְעַד לָא בְּרָא אֱלֹהִים לָא סְלִיק בְּשִׁמָּא אֱלֹהִים. וְאִינוּן דְחָבוּ בַּעֲגָלָא. עַל רִזָּא דְנָא אָמְרוּ אֱלֹהִים אֱלֹהֵיךָ יִשְׂרָאֵל.

15. Just as the letters Mi joined the letters Aleph, Lamed, and Hei, AND FORMED THE NAME ELOHIM, USING THE PRECIOUS GARMENT THAT SHINES, WHICH IS THE LIGHT OF CHASSADIM, so the name has remained forever combined. And the continued existence of the world is based on this secret, WHICH IS THE SECRET OF THE VERSE, "THE WORLD SHALL BE ESTABLISHED UPON MERCY" (Tehilim 89:3). Eliyahu then flew away, and I could not see him anymore. And it is from him that I received this knowledge and was able to grasp this hidden secret. Rabbi Elazar came with all the other friends and bowed down before him. They wept and then said if we had not come into this world but only to hear this secret, it would have been enough for us.

15. וְכִמָּה דִּאֲשַׁתְּתָם מִי בְּאֵלֶּה, הֵכִי הוּא שְׁמָא דִּאֲשַׁתְּתָם תְּדִיר, וּבְרוּזָא דָא אֲתַקְיִים עֲלֵמָא. וּפְרַח אֲלוֹהוּ וְלֹא חֲמִינָא לִיה. וּמְנִיָּה יִדְעָנָא מְלֵה דְאֻקְיָמָנָא עַל רְזָא וְסִתְרָא דִּילָהּ. אֲתָא ר' אֶלְעָזָר וְכֻלְהוּ חֲבֵרֵיָא וְאֲשַׁתְּחֻוּ קַמֵּיהּ, בְּכוּ וְאָמְרוּ, אֲלֵמָלָא לֹא אֲתִינָא לְעֲלָמָא אֲלֵא לְמִשְׁמַע דָּא דִּי.

5. The Mother (Ima) lent Her clothes to Her daughter

The Zohar explains that, during the process of Creation, the Sfirah [level] of Malchut had to borrow vessels from the Upper Level, a realm known as Binah, in order to facilitate the creation of our physical realm. Malchut alone lacked the ability to arouse and draw the Light necessary to construct our physical dimension. When our own vessels are not worthy or capable of generating Light on their own, the spiritual forces transmitted through the letters of this story give us the ability to actually draw down vessels from the Upper Worlds.

16. Rabbi Shimon said, so accordingly, the heavens and their hosts were created by Mah, WHICH REFERS TO MALCHUT. As it is written: "When I Behold your heavens, the work of your fingers (Tehilim 8:4). BUT BEFORE THIS, it is written, "How (Mah) glorious is your name in all the earth, who has set your majesty above the heavens" (Tehilim 8:2). THE HEAVENS WERE CREATED BY THE NAME MAH, WHICH IS MALCHUT. HOWEVER, THE PHRASE "above the heavens" REFERS TO BINAH, WHICH IS CALLED MI, AND IS ABOVE ZEIR-ANPIN, WHICH IS CALLED THE HEAVENS. THE MEANING OF THIS IS that it ascended to the name of ELOHIM. To clarify, THE NAME OF MAH, WHICH IS MALCHUT, ROSE UP AND WAS INCLUDED WITHIN BINAH, WHICH IS ELOHIM. It created a light for Its light. THIS MEANS THAT IT CREATED THE LIGHT OF CHASSADIM AS A PRECIOUS GARMENT FOR THE LIGHT OF CHOCHMAH, THAT IS IN THE NAME OF MI WITHIN WHICH they encloded each other. Then MALCHUT rose and entered in the Supernal Name ELOHIM, WHICH IS THE NAME OF BINAH. That is why the phrase, "In the beginning, Elohim created," (Bereshheet 1:1) REFERS TO the upper Elohim, WHICH IS BINAH AND NOT MALCHUT. Mah, WHICH IS MALCHUT, is not there and is not constructed, according to the secret of Mi and Eleh that we have mentioned previously.

16. אָמַר רַבִּי שִׁמְעוֹן, עַל דָּא, שְׁמִיָּא וְחִילִיָּהוּן בְּמִ"ה אֲתַבְּרִיָּאוּ, דְּכִתִּיב כִּי אֶרְאֶה שְׁמִיךְ מַעֲשֵׂה אֲצַבְעוֹתֶיךָ וְגו' וְכִתִּיב מִ"ה אֲדִיר שְׁמֶךָ בְּכָל הָאָרֶץ אֲשֶׁר תִּנְּה הוֹדֶךָ עַל הַשָּׁמַיִם, עַל הַשָּׁמַיִם אֵינְהוּ לְסֻלְקָא בְּשִׁמָּא. בְּגִין דְּבִרָא נְהוּרָא לְנְהוּרִיָּה, וְאֲתַלְבֵּשׁ דָּא בְּרָא וְסֻלִיק בְּשִׁמָּא עֲלָהּ. וְעַל דָּא בְּרָאשִׁית בְּרָא אֱלֹהִים. דָּא אֱלֹהִים עֲלָהּ, דְּהָא מִ"ה לֹא הָוֵי הֵכִי וְלֹא אֲתַבְּנִי.

17. When the letters, Aleph, Lamed, and Hei are drawn down from above, FROM BINAH, downward TO MALCHUT, it is as if a Mother (Ima) lent Her clothes to Her daughter and adorned her with Her own adornments. THE NAME OF ELOHIM IS THUS DRAWN DOWN FROM BINAH, WHO IS THE MOTHER (IMA), TO THE DAUGHTER, WHO IS MALCHUT. And when does She properly adorn Her? When all the males appear before Her. AND THEN, It is written CONCERNING HER that "all you males shall appear before the Sovereign, Hashem (Shemot 34:23). Because MALCHUT is called "Sovereign" IN THE MALE GENDER. As it is written: "Behold the Ark of the Covenant of the Sovereign (Adon) of all the earth" (Yehoshua 3:11). HERE THE VERSE DESCRIBES MALCHUT, WHICH IS THE "ARK OF THE COVENANT" BY USING THE NAME OF THE SOVEREIGN (ADON) OF ALL THE EARTH, WHICH IS A MASCULINE NAME. THIS IS SO, BECAUSE SHE HAS RECEIVED THE VESSELS, WHICH ARE CALLED 'CLOTHES' AND THE SPIRITUAL ENERGY, WHICH IS CALLED ADORNMENTS, FROM HER MOTHER WHO IS BINAH. Then the letter Hei leaves the name Mah, AND IS REPLACED BY the letter Yud. NOW MALCHUT IS called Mi, JUST LIKE BINAH. Then She dresses up in male clothes, NAMELY THE CLOTHES OF BINAH, to face all the males of Yisrael.

17. אֲלֵא בְּשַׁעֲתָא דִּאֲתַמְשְׁכָן אֲתוּון אֲלִין אֵל"ה מְלַעֲיָלָא לְתַתָּא, וְאֵמָא אוּזִיַּפְתָּ לְבִרְתָּא מְאֲנָהָא, וְקִשְׁיָטָא לָהּ בְּקִישׁוּטָהָא. וְאֵימְתִי קִשְׁיָטָא לָהּ בְּקִישׁוּטָהָא כְּדָקָא חֲזִי. בְּשַׁעֲתָא דִּאֲתַחֲזוּן קַמָּהּ כָּל דְּכוּרָא, דְּכִתִּיב אֵל פְּנֵי הָאָדוֹן ה', וְדָא אֶקְרִי אָדוֹן, כְּד"א הִנֵּה אָרוֹן הַבְּרִית אָדוֹן כָּל הָאָרֶץ. כְּדִין נִפְקַת ה' וְאֵעִילַת י', וְאֲתַקְשִׁיטַת בְּמַאנֵי דְּכוּרָא לְקַבְּלִיָּהוּן דְּכָל דְּכֹר בְּיִשְׂרָאֵל.

21. "Of the greatness of His might" (Yeshayah 40:26). HE ASKS: What is the meaning of "of the greatness of His might?" AND HE REPLIES: This is the supreme grade where all desires rise up in Him. And they ascend through a hidden and secret path...because He is strong in power. This is the secret of the supernal world called Mi that rose up into the name Elohim. As we have stated, the phrase "no one is missing" REFERS to the 600,000 stars that He brought forth by the power of this name. And because "no one is missing" FROM THE NUMBER 600,000, it follows that in every place that Yisrael died and were punished for their sins, they were AFTERWARD numbered. And no one was ever missing from the 600,000, to keep the similarity, BETWEEN THE UPPER AND THE LOWER WORLDS. Just as no one was missing FROM THE NUMBER 600,000 above, no one was missing FROM THIS NUMBER below.

21. מְרוֹב אֹנִים, מֵאֵי מְרוֹב אֹנִים, דָּא רִישׁ דְּרִגִין, דְּסֻלְיָקוּ בִיהַ כָּל רְעוּתִין וְאִסְתַּלְקוּ בִיהַ בְּאַרְחַ סְתִים. וְאִמְיָן כַּח, דָּא רְזָא דְעֵלְמָא עֲלָאָה, דְּאִסְתַּלַּק בְּשֵׁם אֱלֹהִים בְּדִקְאֻמְרָן. אִישׁ לֹא נְעֵדָר, מֵאִינוּן שְׁתִין רְבּוּא דְאִמְיָן בְּחִילָא דְשָׁמַא, וּבְגִין דְאִישׁ לֹא נְעֵדָר, בְּכָל אַתְר דְּמִיתוּ יִשְׂרָאֵל וְאִתְעַנְשׂוּ בְּחֻבְיֵיהוּ, אִתְמַנּוּן וְלֹא אַעֲדָר מֵאִינוּן שְׁתִין רְבּוּא אִמְלוּ חַד, בְּגִין לְמַהוּי בְּלֹא דְיוֹקְנָא חֲדָא: בְּמַה דְאִישׁ לֹא נְעֵדָר לְעִילָא, אוּף הָכִי לֹא נְעֵדָר לְתַתָּא.

6. The letters by Rav Hamnuna Saba

Individual energy forces, which express themselves as Hebrew letters, came before the Creator requesting that they be the instruments by which the world is created. The Creator eventually agrees to utilize the letter Beit ?, as this particular letter begins the Hebrew word Brachah [Blessing]. The Zohar then depicts the unique attributes of each of the twenty-two letters and the spiritual energy they emit. All these forces and their power of blessing are transferred to us when we visually scan the Aramaic text and learn the lessons it holds.

22. Beresheet (In the beginning): Rabbi Hamnuna Saba, (the elder), said that we have found IN THE WORDS: "BERESHEET BARA ELOHIM (In the beginning, Elohim created the...)" (Beresheet 1:1), THAT THE ORDER of the letters IN THIS PHRASE is arranged in reverse. At the beginning, the Hebrew letter Bet is immediately followed by another Bet, that is, BERESHEET BARA. Subsequently, IT IS WRITTEN at the beginning with an ALEPH and then another ALEPH, referring in Hebrew to Elohim Et. AND HE EXPLAINS THAT when the Holy One, blessed be He, was about to create the world, all of the letters WERE STILL hidden. For two thousand years before the creation of the world, the Holy One, blessed be He, watched the letters and amused Himself with them.
(A) The letter Tav

22. בְּרֵאשִׁית רַב הַמְּנוּנָא סָבָא אָמַר, אֲשַׁכְּחֵן אֲתוּן בְּהַפּוּכָא, בֵּית בְּקִדְמִיתָא וּלְבַתֵּר ב', הֵינּוּ בְּרֵאשִׁית בְּרָא, לְבַתֵּר א' בְּקִדְמִיתָא וּלְבַתֵּר א', הֵינּוּ אֱלֹהִים אֵת. אֵלָא כַּד בְּעָא קְדוּשׁ בְּרוּךְ הוּא לְמַעַבְד עֲלְמָא כָּל אֲתוּן הוּוּ סְתִימִין, וְתִרִין אֲלִפִין שְׁנִין עַד דְּלֹא בְּרָא עֲלְמָא, הוּוּ מְסַתְבֵּל קְדוּשׁ בְּרוּךְ הוּא וְאִשְׁתַּעֲשַׂע בְּהוּ.

23. When He desired to create the world, all the letters of the Hebrew alphabet came before Him in sequence from last to first. The letter Tav saw itself fit to come forth first. It said, Master of the World, may it please you to create the world with me because I am the seal of your ring, which is Emet (truth), MEANING THAT I AM THE LAST LETTER IN THE WORD EMET. And as You are called BY THIS NAME of TRUTH, so it would be most appropriate for the King to begin with the letter Tav, and create the world by me. The Holy One, blessed be He, said to it, you are worthy and deserving, but you are not suitable for the world to be created by you. You are destined to serve as a mark on the foreheads of the faithful one, who have kept the Law of the Torah from Aleph to Tav, but when you appear they shall die (Tract. Shabbat 55, col. A). Not only that, but you are the seal of the word Death, MEANING THAT TAV IS THE LAST LETTER TO APPEAR IN THE WORD MAVET (DEATH). And because of this, you are not suitable for Me to create the world with you. It then immediately left.
(B) The letter Shin

23. כַּד בְּעָא לְמַבְרֵי עֲלְמָא, אֲתוּ כָּל אֲתוּן קַמֵּיהַ מְסוּפָא אֲרִישִׁיָּהוּ. שְׂרִיאת אֵת ת לְמִיעַל בְּרִישָׁא, אֲמַרְהַ, רְבוּן עֲלְמִין: נִיחָא קַמְךָ לְמַבְרֵי בִי עֲלְמָא, דְּאֵנָא חוֹתְמָא דְּגוּשְׁפִּנְקָא דִּילְךָ, אֲמַת, וְאֵת אֲתַקְרִיאת אֲמַת, יְאוּת לְמַלְכָּא לְמַשְׂרֵי בְּאוּת אֲמַת, וּלְמַבְרֵי בִי עֲלְמָא. אָמַר לֵה קְדוּשׁ בְּרוּךְ הוּא יְאוּת אֲנֵת וְזַכָּאָה אֲנֵת, אֵלָא לִית אֲנֵת כְּדָאֵי לְמַבְרֵי בְּךָ עֲלְמָא. הוּאִיל וְאֲנֵת זְמִינָא לְמַהוּי רְשִׁים עַל מְצַחִין דְּגוּבְרִין מְהִימְנִין, דְּקִיּוּמוּ אוּרִייתָא מֵא' וְעַד ת', וּבְרִשִׁימוּ דִּילְךָ יְמוּתוּן. וְעוּד, דְּאֲנֵת חוֹתְמָא דְּמוּת, הוּאִיל וְאֲנֵת כְּךָ, לִית אֲנֵת כְּדָאֵי לְמַבְרֵי בְּךָ עֲלְמָא. מִיַּד נִפְקַת.

1

24. The letter Shin then entered and stood before Him. It said, Master of the World, may it please You to create the world with me, as I am called in Your own name Shadai. And it would be most proper to create the world by a holy name. He replied: You are worthy, you are good, and you are truthful. But because you are included among the letters that form the word Sheker (falsehood), I do not wish to create the world with you. Sheker would not have prevailed had you not been attached to the letters Resh and Kuf.

25. From this WE LEARN THAT whoever wants to tell a lie, should add that lie to a base that is truthful. Because the letter Shin is a letter (i.e. a sign) of truth, meaning a letter of Truth by which the Patriarchs reached unison. NOTE THAT THE THREE LINES IN THE LETTER SHIN REFER TO THE THREE PATRIARCHS, WHO ARE CALLED CHESD, GVURAH, AND TIFERET. And the letters Kuf and Resh appear on the evil side, because THE OTHER SIDE IS KAR (COLD), WITHOUT ANY OF THE WARMTH THAT GIVES LIFE. THE OTHER SIDE DRAWS ITS SUSTENANCE FROM THE MALCHUT WHEN IT IS AT THE STAGE OF THE FROZEN OCEAN. In order for the Other Side to continue to exist, it pulls the letter Shin into its realm, creating the combination Keshet, WHICH MEANS 'STRENGTHENING THE TIES' AND 'SURVIVING'. When the Shin realized this, it left.

(C) The letter Tzadik

26. The letter Tzadik then entered, stood before Him, and said, Master of the World, may it please You to create the world with me, since the Tzadikim (righteous) are 'sealed' by my name. And YOU, who are called Tzadik, are also written by my name, as it is written, "For Hashem is righteous, He loves righteousness" (Tehilim 11:7). Therefore, it would be suitable to create the world with me! He replied: Tzadik, Tzadik you are truly righteous, but you should remain concealed and not be revealed too much; AS WOULD BE DONE IF THE WORLD WERE CREATED BY YOU, so that humans will not have an excuse for their sins. And what is the reason FOR IT REMAINING CONCEALED? IT IS THE INCLUSION OF the letter Nun and the adjoining letter Yud from the Tetragrammaton, which is also the Holy Brit, which came and mounted on the letter Nun, thereby CREATING the letter Tzadik.

(D) The letter Pei [also alluded to, the letter Ayin]

24. עֲאֵלֶת אֶת קַמִּיָּה, אֲמַרָה קַמִּיָּה: רְבוֹן עֲלֵמִין, נִיחָא קַמֶךָ לְמַבְרִי בִּי עֲלֵמָא, דְּבִי אֲתִקְרִי שְׁמֶךָ שְׁדִי, וַיֵּאוֹת לְמַבְרִי עֲלֵמָא בְּשֵׁמָא קְדִישָׁא. אֲמַר לָהּ: יֵאוֹת אַנְתְּ וְטַב אַנְתְּ וְקִשׁוּט אַנְתְּ, אֲבַל הוּאִיל וְאַתּוּן דְּזִיוָפָא נְטִלִין לָךְ לְמַהוּי עֲמַהוּן לֹא בְּעִינָא לְמַבְרִי בְּךָ עֲלֵמָא, דְּבִגִּין דְּלֹא יִתְקִיִּים שְׁקָרָא אֲלֵא אִי וְטִלוּן לָךְ.

27. The letter Pei was the next to enter. It stood before Him and said, Master of the World, may it please You to create the world with me, because the Redemption that You shall bring onto the world is described by my name, Pedut (Redemption or Salvation). THIS MEANS THAT SALVATION IS TO BE REDEEMED FROM OUR TROUBLES, AND THIS WORD IN HEBREW STARTS WITH THE LETTER PEI. THIS IS WHY the world should be created by me.

He replied: You are indeed praiseworthy, but because of you, there will be inscribed (for posterity) the maxim 'to commit a crime in secret' - a crime akin to that of the snake that strikes, brings back its head, and then hides it within its body. Because whoever sins bends his head, MEANING THAT HE HIDES HIMSELF FROM THE 'OBSERVING EYE,' then stretches his hands out to sin. THIS REFERS TO THE SHAPE OF THE LETTER PEI THAT HAS A HEAD BENT DOWN INTO ITS BODY. And so it was similarly said of the letter Ayin, which describes the term Avon (crime, sin). Although it claimed, I have anavah (humility) in me, and the Holy One, blessed be He, replied to it saying: I shall not create the world by you. Ayin then took its leave!

(E) The letter Samech

28. The letter Samech (Heb. Support) entered, stood before Him and said, Master of the world may it please You to create the world with me, because I am able to support those who falls. As it is written, "Hashem upholds all that fall" (Tehilim 145:14). He said to it, This is exactly why you should stay in your place and not move from it. If you leave your place IN THE WORD SOMECH, what will then happen to all those who fell and are being supported by you? The letter Samech then left immediately!

(F) The letter Nun

29. The letter Nun entered and stood before Him saying, Master of the World, may it please You to create the world with me, because the phrase, "fearful in praises," (Heb. Norah Tehilot) (Shemot 15:11) starts with me. AND ALSO in the praising of the righteous, IT IS WRITTEN, "praise is comely" (Tehilim 147:1). He told it, Nun, go back to your place. It is because of you that the letter Samech returned to its place. And you should depend on it for support. THIS MEANS THAT THE LETTER NUN IS INSCRIBED AT THE BEGINNING OF THE WORD FALLING (HEB. NEFILAH) AND THE LETTER SAMECH, WHICH IS THE SECRET OF "HASHEM UPHOLDS ALL THAT FALL." THUS, NUN RETURNED TO ITS PLACE TO SUPPORT THOSE WHO FALL, AS EXPLAINED IN THE PREVIOUS PARAGRAPH.

(G) The letters Mem and Lamed

30. The letter Mem entered and said to Him, Master of the World, may it please You to create the world by me, because with me you are called Melech (King). He told it, yes, it is indeed so, but I shall not create the world with you, because the world needs a Melech (King)! Go back to your place, you and the letters Lamed and Kuf, as it is not proper for the world to be without a King.

(H) The letter Caf

27. עֲאֵלֶת אֶת אִמְרָה קְמִיָּה: רְבוֹן עֲלֵמִין, נִיחָא קִמְךָ לְמַבְרִי בִּי עֲלֵמָא, דְּהָא פּוֹרְקָנָא דְּאַנְתָּ זְמִין לְמַעְבְּד בְּעֲלֵמָא, בִּי רְשִׁים, וְדָא הוּא פְרוּת, וּבִי יְאוּת לְמַבְרִי עֲלֵמָא. אֲמַר לָהּ: יְאוּת אַנְתָּ, אֲבַל בְּךָ אֶתְרִשִׁים פֶּשַׁע בְּטַמִּירוֹ, כְּגוּוֹנָא דְּחִיּוּיָא דְּמַחִי, וְאֵעִיל רִישִׁיָּה בִּין גּוּפִיָּה, הֵכִי, מֵאֵן דְּחָב, כְּפִיָּךְ רִישִׁיָּה וְאֶפִּיק יְדוּי. וְכֵן עֲוֹן, אֶף עַל גְּבֻדָּאִמְרָה, דְּאִית בִּי עֲנוּה, אֲמַר לָהּ קְדוּשׁ בְּרוּךְ הוּא לֹא אֲבִרִי בְּךָ עֲלֵמָא. נִפְקַת מִקְמִיָּה.

28. עֲאֵלֶת אֶת אִמְרָה קְמִיָּה: רְבוֹן עֲלֵמִין, נִיחָא קִמְךָ לְמַבְרִי בִּי עֲלֵמָא, דְּאִית בִּי סְמִיכָא לְנַפְלִין, דְּכִתְיִב סוּמְךָ ה' לְכֹל הַנוֹפְלִים. אֲמַר לָהּ: עַל דָּא אַנְתָּ צְרִיךְ לְאַתְרֵךְ, וְלֹא תּוּזוּ מְנִיָּה, אִי אַתָּ נִפִּיק מֵאַתְרֵךְ, מַה תְּהֵא עֲלֵיָּהּ דְּאִינּוֹן נַפְלִין, הוּאִיל וְאִינּוֹן סְמִיכִין עֲלֵךְ. מִיָּד נִפְקַת מִקְמִיָּה.

29. עֲאֵלֶת אֶת אִמְרָה קְמִיָּה רְבוֹן עֲלֵמָא, נִיחָא קִמְךָ לְמַבְרִי בִּי עֲלֵמָא, דְּבִי כְתִיב נּוֹרָא תְהִלוֹת, וְתַהֲלָה דְּצִדִּיקִים נֶאֱוָה תְהִלָּה. אֲמַר לָהּ: נוּן, תּוּב לְאַתְרֵךְ דְּהָא בְּגִינְךָ תִּבֵּת סִמְ"ךָ לְאַתְרָה, וְהוּי סְמִיךְ עֲלָהּ. מִיָּד תִּבֵּת לְאַתְרָה וְנִפְקַת מִקְמִיָּה.

30. עֲאֵלֶת אֶת אִמְרָה קְמִיָּה: רְבוֹן עֲלֵמָא, נִיחָא קִמְךָ לְמַבְרִי בִּי עֲלֵמָא, דְּבִי אֶתְקִרִיָּאת מֶלֶךְ. אֲמַר לָהּ: הֵכִי הוּא וְדָאִי, אֲבַל לֹא אֲבִרִי בְּךָ עֲלֵמָא, בְּגִין דְּעֲלֵמָא אֶצְטְרִיךְ לְמֶלֶךְ, תּוּב לְאַתְרֵךְ, אַנְתָּ וְ ל' וְךָ, דְּהָא לֹא יְאוּת לְעֲלֵמָא לְמִיָּקָם בְּלֵא מֶלֶךְ.

31. At that certain hour, the letter Caf descended from the "Throne of His Glory." Shaking and trembling, it stood before Him and said, Master of the World, may it please You to create the world with me, because I am Your Glory. When the letter Caf descended from the "Throne of His Glory," 200,000 Worlds were shaken and the Throne trembled. And all the Worlds were about to collapse. The Holy One, blessed be He, told it, Caf, what are you doing here?! I shall indeed not create the world with you. Go back to your place, because the Hebrew word Cliya (Total destruction) starts with you. AND BECAUSE OF YOU "...TOTAL DESTRUCTION IS DETERMINED AND DECREED" (YESHAYAH 10:23). SO RETURN TO YOUR THRONE AND STAY THERE. At that same moment it took leave and returned to its place.

(I) The letter Yud

32. The letter Yud entered, stood before Him, and said, Master of the World, may it please You to create the world with me, because I am the first letter of the Holy Name Yud, Hei, Vav, and Hei. Thus, it should be proper for you to create the world with me. He replied: It should suffice you to be engraved upon My Name and appear in Me. You embrace all My desires. Rise up, it would not be proper for you to be removed from My Name!

(J) The letter Tet

33. The letter Tet entered, stood before Him and said, Master of the World may it please You to create the world with me, as by me You are called Tov Veyashar (Good and Honest). He replied: I will not create the world with you, because your goodness is concealed within you. Therefore it is written: "O how abundant is Thy goodness which You have concealed for them that fear You" (Tehilim 31:20). So because Your GOODNESS is concealed within You, it cannot take any part in this world that I want to create. It only applies to the world to come. Furthermore, because your goodness is concealed and treasured within yourself, the gates of the Holy Temple shall be 'sunk.' As it is written: "Her gates are sunk into the ground" (Eicha 2:9). And to add to all this, the letter Chet stands before you, together you become Chet (SIN). This is why these two letters do not appear in the names of the twelve tribes.

Tet immediately then took its leave and went away from Him.

(K) THE LETTER ZAYIN

34. The letter Zayin entered and said to Him, Master of the World, may it please You to create the world with me. Because with my help, Your children shall preserve the Shabbat, as it is written, "Remember (Zachor) the Shabbat day, to keep it holy" (Shemot 20:8). He replied: I will not create the world with you, because you represent war, THAT IS, a sharp pointed sword and a spear WITH WHICH PEOPLE make war. AND THEY ARE CALLED TOOLS of destruction, which in Hebrew is PRONOUNCED ZAYIN! And you are like the letter Nun, WHICH THE WORLD WAS NOT CREATED BY, BECAUSE IT IS AT THE BEGINNING OF THE WORD NEFILAH (FALLING).

(L) The letters Vav and Hei

35. The letter Vav entered, and pleaded before Him, Master of the World, may it please You to create the world with me because I am in myself one of the letters of Your Name HA-VA-YAH!" He replied: Vav, you and the letter Hei should both be satisfied with being written in My Name HA-VA-YAH. Because you appear in My Name and are engraved in It, I shall therefore not create the world with you.

(M) The letters Dalet and Gimel

36. The letters Dalet and Gimel entered. THEY both also claimed the same thing. He told them also be satisfied with being with each other, because there will always be poor men on earth, and they should be given a benefactor. The letter Dalet is poor, BECAUSE IT IS CALLED DALET, FROM THE EXPRESSION DALUT, WHICH SIGNIFIES POVERTY, and the Gimel reciprocates as a benefactor TO DALET. THEREFORE do not leave each other, and it should suffice you that you sustain one another!

(N) The letter Bet

37. The letter Bet entered and said to Him, Master of the World, may it please You to create the world with me, because by me You are blessed in the upper and lower worlds. THIS IS BECAUSE THE LETTER BET IS THE FIRST LETTER OF THE WORD BRACHAH (BLESSING). The Holy One, blessed be He, replied: But, of course, I shall certainly create the world with you. And you shall appear in the beginning of the creation (Beresheet).

(O) The letter Aleph

38. The letter ALEPH stood outside and did not enter. The Holy One, blessed be He, said to it, ALEPH, ALEPH, why do you not enter and stand before me like the other letters? It replied: Master of the World, because I saw that all the letters left You without benefaction. So what shall I do there myself? Not only that, but You have already presented the letter Bet with this greatest gift of all. And it would not be proper for the Supernal King to take back the gift, which He presented to His servant, and give it to another! The Holy One, blessed be He, said, ALEPH, ALEPH, even though the world is created with the letter Bet, you shall be the first (lit. 'head') of all the letters. My attachments shall be expressed only by you and all calculations and actions of the people shall commence with you. Therefore, all unity shall be expressed by the letter Aleph!

39. The Holy One, blessed be He, formed large upper letters, WHICH ALLUDE TO THE SFIRAH OF BINAH and smaller lower letters, WHICH ALLUDE TO THE SFIRAH OF MALCHUT. And this is why IT IS WRITTEN, Bet, Bet, WHICH REFERS TO Beresheet Bara. And ALEPH, ALEPH, WHICH REFERS TO Elohim Et. SO THE FIRST SET OF ALEPH AND BET LETTERS are letters from above, FROM BINAH, WHEREAS THE SECOND SET OF ALEPH AND BET are letters from below, FROM MALCHUT. And they are all united - the ones from the world above, FROM BINAH, with the ones from the world below, WHICH IS MALCHUT - SO THAT THEY CAN INFLUENCE EACH OTHER.

7. The wisdom upon which the world is established

The Zohar teaches all Creation occurred through the power of great wisdom. This secret is found in Beresheet, the Hebrew word for Creation. We can now open ourselves to receive true spiritual wisdom in our own lives.

36. עֲלֵת אֵת וְאֵת אָמְרוּ אוֹף הִכִּי, אָמַר אוֹף לוֹן, דִּי לְכוֹן לְמַהוּי דָּא עִם דָּא, דְּהָא מְסַכְנִין לָא יִתְבַּטְלוֹן מִן עֲלָמָא, וְצָרִיכִין לְגַמּוּל עֲמַהוּן טִיבוּ. דְּלָ"ת אִיהוּ מְסַכְנָא, גִּימָ"ל גַּמּוּל לָהּ טִיבוּ, לָא תִתְפָּרְשׁוּן דָּא מִן דָּא וְדִי לְכוֹן לְמִיזַן דָּא לְדִין.

39. וְעֵבֵד קְדוֹשׁ בְּרוּךְ הוּא אֲתוּוֹן עֲלָאִין רַבְרַבִּין וְאֲתוּוֹן תַּתָּאִין זְעִירִין, וּבְגִין כֵּךְ בִּי"ת בִּי"ת, בְּרֵאשִׁית בְּרָא. אֶל"ף אֶל"ף, אֱלֹהִים אֵת. אֲתוּוֹן מְלַעֲיָלָא וְאֲתוּוֹן מְתַתָּא, וְכִלְהוּ בְּחָדָא הוּוּ, מְעֲלָמָא עֲלָאָה וּמְעֲלָמָא תַּתָּאָה.

40. In the Beginning: Beresheet. Rabbi Yudai asked, What is Beresheet? It means 'with Wisdom'. And this is the Wisdom upon which the world, WHICH IS THE SECRET OF ZEIR ANPIN, is established and allowed to enter the deep and secretive mysteries, NAMELY THE LIGHTS OF BINAH. Here the six supernal points are engraved, WHICH ARE THE SIX ASPECTS OF BINAH, from which everything emerges. From them were formed the six sources of rivers, WHICH ARE THE SIX ASPECTS OF ZEIR ANPIN that flow into the Great Sea, WHICH IS MALCHUT. THEREFORE, Bara Sheet (the suffix in Aramaic means six) SUGGESTS THE SIX [HEBRAIC] LETTERS OF BERESHEET, FOR THE [LOWER] SIX ASPECTS were created here. And who created them? He who is not mentioned; He who is concealed and unknown, WHO IS CALLED ARICH ANPIN.

40. בְּרֵאשִׁית, רַבִּי יוֹדָאֵי אָמַר, מֵאֵי בְּרֵאשִׁית, בְּחֻכְמָהּ, דָּא חֻכְמָה דְּעֵלְמָא קְיִימָא עֲלֵהּ לְעֵאלָא גּוֹ רְזִי סְתִימִין עֲלָאִין. וְהִכָּא אֲגֻלְמוּ שֵׁית סְטְרִין רַבְרְבִין עֲלָאִין, דְּמִנְהוּן נְפִיק כְּלָא, דְּמִנְהוּן אֲתַעְבִּידוּ שֵׁית מְקוּרִין וְנַחְלִין לְעֵאלָא גּוֹ יִמָּא רַבָּא. וְהֵינּוּ בְּרָא שֵׁית, מֵהִכָּא אֲתַבְּרִיא. מֵאֵן בְּרָא לֹוּן הֵהוּא דְּלָא אֲדַבֵּר, הֵהוּא סְתִים דְּלָא יָדִיעַ.

8. The locked and the unlocked

During the process of creation, spiritual forces were unlocked in order to ignite and propel the birth of the universe and the divine worlds. As the Zohar describes the procedure by which these forces were unleashed, we acquire the same power to unlock spiritual forces within ourselves. This paragraph also reveals another secret concerning the word Beresheet .????? When the word is broken down, two words are revealed: "Bere" and "Sheet," which means "created six." This refers to the spiritual realm of Zeir Anpin, which contains six Sfirot [dimensions]. All six dimensions [Chesed, Gvurah, Tiferet, Netzach, Hod and Yesod] are compressed and locked into the one realm called Zeir Anpin. With the emergence of superstring theory, modern physics has revealed a model of reality that resembles the Zohar's. Both the Kabbalist and the proponents of superstring theory agree that ten dimensions comprise reality, and that six of these dimensions were compacted into one at the moment of creation, or Beresheet.

41. Rabbi Chiya and Rabbi Yosi were walking along. As they reached a certain field, Rabbi Chiya said to Rabbi Yosi, what you have said that Bara Sheet (created six) IS ALLUDED TO IN THE WORD BERESHEET is certainly so. Because the supernal six days, THAT IS TO SAY, ONLY THE SIX ASPECTS OF BINAH HAVE A BEARING ON THE TORAH, WHICH IS ZEIR ANPIN, and no more. While the others, NAMELY THE UPPER THREE SFIROT OF BINAH are concealed.

41. בְּרֵאשִׁית 41. רַבִּי חֵיָא וְרַבִּי יוֹסִי הָווּ אֲזֵלִי בְּאַרְחָא, כַּד מְטוּ לְחַד בֵּי חֻקְלָא, אָמַר לֵיהּ רַבִּי חֵיָא לְרַבִּי יוֹסִי, הָא דְאֲמַרְתוּ בְּרָא שֵׁית, וְדָאֵי הִכֵּי הוּא, בְּגִין דְּשֵׁית יוֹמִין עֲלָאִין גְּבִי אֲוִרְיָתָא וְלָא יִתִּיר, אַחֲרָנִין סְתִימִין אִינוּן.

42. But we have already seen in the hidden mysteries of Beresheet where He says that He who is Holy and Concealed engraved a certain form in His bowels. THIS IS THE SECRET OF BINAH, of the Secret One, WHICH IS THE SECRET OF THE NUKVA OF ATIK, who is designated by a thrusting point. THIS IS THE SECRET OF THE POINT OF MALCHUT OF THE FIRST RESTRICTION, WHICH ROSE UP TO BINAH AND ENGRAVED THE EAR, NOSE, AND MOUTH OF ARICH ANPIN ON HIS HEAD. This engraving, WHICH WAS MOLDED IN BINAH was incised and hidden in Her, as someone who hides everything, locks it up, and puts the key away. This key is kept hidden in a certain Temple and although everything is hidden in that Temple, the most important thing is that key, which locks and unlocks everything!

42. אָבֵל חֲמִינָן גּוֹ סְתְרֵי בְּרֵאשִׁית דְּאָמַר הִכֵּי. גְּלִימֵי אֲגֻלְיָהּ הֵהוּא סְתִימָאָה קְדִישָׁא גּוֹ מְעוּי דְּחַד טְמִירוּ, דְּנֻקְדִי בְּנֻקְדָּה דְּנַעֲץ. הֵהוּא גְּלִימֵי אֲגֻלְיָהּ וְטְמִיר בֵּיהּ, כְּמֵאן דְּגִנִּיז כְּלָא תְּחוּת מִפְתָּחָא חֲדָא, וְהֵהוּא מִפְתָּחָא גִנִּיז כְּלָא בְּהִיכְלָא חֲדָא, וְאֵע"ג דְּכְלָא גִנִּיז בְּהֵהוּא הִיכְלָא, עֲקָרָא דְּכְלָא בְּהֵהוּא מִפְתָּחָא הָוִי, הֵהוּא מִפְתָּחָא סְגִיר וּפְתַח.

43. That Temple has a lot of hidden treasures one upon the other. In that Temple there are 50 gates, which are supposed to be closed, MEANING THAT THEY BLOCK THE FLOW OF LIGHTS. There are 49 gates engraved upon the 'four winds' of the world. One gate has no direction (side); it is not known whether it faces up or down. This is how this gate REMAINS closed.

43. בְּהֵהוּא הִיכְלָא, אֵית בֵּיהּ גִּנִּיזִין סְתִימִין סְגִיאִין אֵלִין עַל אֵלִין. בְּהֵהוּא הִיכְלָא, אֵית תְּרַעִין עוֹבְדֵי סְתִימוּ, וְאִינוּן חֲמִשִּׁין. אֲגֻלְמוּ לְאַרְבַּע סְטְרִין וְהוּוּ אַרְבַּעִין וְתִשְׁעֵי. חַד תְּרַעָא לִית לֵיהּ סְטְרָא, לָא יָדִיעַ אִי הוּא לְעֵילָא אִי הוּא לְתַתָּא, וּבְגִין כֵּךְ הֵהוּא תְּרַעָא סְתִים.

44. Inside the gates is a lock with a tiny and narrow keyhole. This lock is marked AND KNOWN only by the impression of the key. And no one is to know about THIS NARROW KEYHOLE without having the key. And upon this secret IS BASED THE VERSE, "In the beginning (Beresheet) Elohim created (Bara)" (Beresheet 1:1). Beresheet is the key by which everything is hidden, as it locks and unlocks. With this key six gates are locked and unlocked. So when it locks those gates and includes them within itself, then it is for sure Beresheet: a revealed word that includes within it a concealed word. Bara, wherever it appears, is a word that hides and guards a secret, IMPLYING THAT THE KEY locks it up and does not unlock it.

44. גו אינון תרעין אית מנעולא חדא, וחד אתר דקיק לעאלא ההוא מפתחא ביה ולא אתרשים אלא ברשימו דמפתחא, לא ירעין ביה אלא ההוא מפתחא בלחודוי. ועל רזא דנא, בראשית ברא אלהים. בראשית, דא מפתחא דכלא סתים ביה, והוא סגיר ופתח, ושית תרעין כלילין ביה בההוא מפתחא דסגיר ופתח, כד סגיר אינון תרעין וכליל לון בגויה, כדן ודאי כתיב, בראשית, מלה גליא בכלל מלה סתימאה. ובכל אתר, בר"א, מלא סתימאה איהו, סגיר ולא פתח.

9. [An Anagram]: B'hibar'am, B'Avraham (When they were created, with Avraham)

The chaotic world became complete and ordered upon the arrival of Avraham (Abraham) for he symbolizes and reveals the Light of Mercy [Chesed]. The Zohar explains that the Light of Mercy personifies sharing, and that it embodies the positive energy within our world. Meditatively browsing the Aramaic wording awakens our desire to share. In turn, we arouse the spiritual Light that removes chaos from our lives.

45. Rabbi Yosi said it is certainly so! I heard the same from the Holy Light, who is RABBI SHIMON, that the word Bara is concealed to show THAT THE KEY locks up the secret and does not unlock it. As long as THE KEY locked up the word Bara, the world could not exist and would not have lasted at all! Complete chaos would have prevailed, covering the entire existence. And when this chaos prevailed there would not have been a world; it would have never lasted!

45. אמר רבי יוסי, ודאי הכי הוא, ושמענא לבוצינא קדישא דאמר הכי, דמלה סתימאה איהו ברא, סגיר ולא פתח. ובעוד דהוה סגיר במלה דברא, עלמא לא הוי ולא אתקיים, והוה חמי על כלא תה"ו, וכד שלטא האי תה"ו עלמא לא הוה, ולא אתקיים.

46. When did this key unlock the gates, and serve and produce offspring? When Avraham appeared, AS HE IS THE SECRET OF CHESED. As it is written: "These are the generations of the heavens and of the earth when they were created" (B'hibar'am, an anagram of Be'avraham) (Beresheet 2:4). And we have already learned, DO NOT SAY B'HIBAR'AM BUT Be'avraham. Then, the letters (WHICH ARE THE VESSELS) that were entirely concealed in the word Bara WERE OPENED. And the Pillar of Procreation, the Sacred Limb of Yesod, upon which the world is established was revealed. BECAUSE THE WORD BARA (MEANING CREATED) IS FORMED BY THE LETTERS, BET, RESH, AND ALEPH. THUS, IT CONSISTS OF THE SAME LETTERS AS EVER (THE LIMB IN HEBREW, WHICH IS FORMED BY THE LETTERS, ALEPH, BET, AND RESH).

46. אימתי ההוא מפתחא פתח תרעין ואודמן לשמושא ולמעבד תולדין, כד אתא אברהם. דכתיב אלה תולדות השמים והארץ בהבראם, ותנינון באברהם, ומה דהוה כלא סתים במלת ברא, אתהדרו אתון לשמושא, ונפק עמודא דעבד תולדין, אב"ר יסודא קדישא, דעלמא קיימא עליה.

47. When the letters Aleph, Bet, and Resh (Ever = Limb) left their impression on the word Bara (Bet, Resh, and Aleph, defined as created), then the Supernal and Concealed One formed a different designation for the impression of His Name and Glory. And these are the letters Mem and Yud. He also created Aleph, Lamed, and Hei. So was the Sacred and Blessed Name, which is Mah (formed by Mem and Hei), formed as a mark. It brought forth the creation of Bara (Bet, Resh, and Aleph) from Ever (Aleph, Bet, and Resh). And this word has the imprint of Aleph, Lamed, and Hei from one side, and Aleph, Bet, and Resh from the other side. Therefore to the Sacred Concealed One, Aleph, Lamed, and Hei exist, as do Aleph, Bet, and Resh. And when one of them reaches perfection, so does the other. Thus, it engraved upon Aleph, Bet, and Resh the letter Hei, and it engraved upon the Aleph, Lamed, and Hei, the letter Yud!

47. כד האי אבר אתרשים במלת ברא, כדן רשים סתימאה עילאה רשימו אחרא לשמיה וליקרניה, ודא איהו מ"י, וברא אלה. וגם בן שמא קדישא דאתברכא, דאיהו מ"ה, אתרשים ואפיק מן בר"א אב"ר. והוא רשים באלה מסטרא דא, ואב"ר מסטרא דא. סתימאה קדישא אל"ה קיימא, אב"ר קיימא. כד אשתלים דא אשתלים דא, גלויף להאי אב"ר ה', גלויף להאי אל"ה י'.

48. And he explained that whenever Hei and the letters Eleh were awakened (aroused, stimulated) to complete both sides, He then brought forth the final letter Mem. He took one final Mem to the end of the letters - that is, Aleph, Lamed, Hei, Yud, and one final Mem - to take to the other side. That is to the end of the letters (forming the word) Aleph, Bet, Resh, and Hei, thus completing the sacred holy name by combining the letters to form Elohim. In the same manner, the name Avraham was completed. And this is what we meant when we had stated, 'WHEN ONE OF THEM REACHES PERFECTION, SO DOES THE OTHER.' And there are those who say that the Holy One, blessed be He, took THE LETTERS Mem and Hei and put them together with Ever, and it became THE COMBINATION Avraham. And the word Mi alludes to the fifty gates of wisdom, and in the word Mi there is a Yud, which is the first letter of the holy name. And the word Ma alludes to the numerical value of the holy name, and it has within it the second letter of the holy name, WHICH IS HEI. As it is written, "worthy is the nation for whom this is so..." (Tehilim 144:15), "THAT HASHEM IS THEIR GOD" (IBID.) And it is written: "He suspends the world on Bli-Ma (nothingness)" (Iyov 26:7). THE WORD MA IN THIS VERSE ALLUDES TO THE NUMERICAL VALUE OF THE TETRAGRAMMATON WHEN SPELLED OUT WITH ALEPHS. And then both worlds were upheld, the coming world with the letter Yud and this world with Hei. And then it created offspring and the name was complete. As it is written: "These are the products of the heaven and the earth Bhibaram (when they were created)" (Bereshheet 2:4). THE WORD BHIBARAM HAS THE SAME LETTERS AS B'AVRAHAM, BECAUSE ALL THE PRODUCTS were suspended, incomplete, until the name of Avraham was created. When the name of Avraham was completed, so was the holy name completed. And this is what is written, "on the day HASHEM ELOHIM created heaven and earth" (Ibid.). THE WORDS "ON THE DAY...CREATED" MEAN WHEN THEY WERE COMPLETED, THROUGH THE NAME AVRAHAM, AND ONLY THEN IS HASHEM FIRST MENTIONED IN THE TORAH.

10. The vision of Rabbi Chiya

Rabbi Chiya is worthy of elevation to the highest spiritual worlds, and to meet with the holy Kabbalist, Rabbi Shimon bar Yochai, and his son Rabbi Elazar. Rabbi Chiya spends time studying with his great Master in the supernal Academy, where Rabbi Shimon teaches the greatest of souls. The Messiah himself comes to spend time with Rabbi Shimon. These spiritual words of wisdom instill in us the ability to connect ourselves to the supernal Worlds above.

49. Rabbi Chiya prostrated himself on the earth, kissed the dust and cried out, Dust, dust how stiff-necked (stubborn) you are; how shameless you are that all the delights of the eye perish within you! You consume all the beacons of light in the world and grind them into nothing. How impertinent you are. The Sacred Light that illuminated the world; the great leader who governs the entire world and whose merit sustains the world is consumed by you! Rabbi Shimon, the Light of the Illumination, the Light of the Worlds! You perish in the dust while you sustain and govern the world! He then fell into a reverie for a moment and said, Dust, dust, be not proud! Because the pillars of the world will not be delivered into your hands; and Rabbi Shimon shall not be consumed by you!

50. Rabbi Chiya stood up and walked along weeping, accompanied by Rabbi Yosi. He fasted from that day on for forty days so that he might meet with Rabbi Shimon. They told him, you are not fit to see him. He then wept and fasted for another forty days. They showed him Rabbi Shimon and Rabbi Elazar his son, in a vision. They were discussing the interpretation of that certain word, which Rabbi Yosi mentioned IN THE NAME OF RABBI SHIMON (PAR. 45). And many thousands were listening to his words.

51. Meanwhile, he saw many great celestial wings. Rabbi Shimon and his son Rabbi Elazar mounted on them and were borne aloft to the heavenly Academy (Yeshiva). And all those wings were waiting for them. He then saw THAT RABBI SHIMON AND RABBI ELAZAR were renewed constantly by their own splendor and shone more than the sun.

52. Rabbi Shimon opened the discussion by saying, let Rabbi Chiya enter and see how much the Holy One, blessed be He, shall restore the faces of the righteous in the world to come. How happy is he who comes here without shame, and how happy is he who stands erect in this world as a strong pillar that bears all! RABBI CHIYA saw HIMSELF entering, and Rabbi Elazar stood up. So did all of the other pillars OF THE WORLD, which had previously been sitting there. THEY ALL STOOD UP FOR THE SAKE OF RABBI CHIYA. And he, RABBI CHIYA was embarrassed. As he entered, he detached himself (from the pillars of the world) and sat at the feet of Rabbi Shimon.

53. A voice came forth, saying: Lower your eyes, do not raise your head up, and do not look! He lowered his eyes and saw a Light that shone from afar. The voice returned and said: You hidden and unseen Celestials on high, you who are clever and wander throughout the world, Behold and see! Earthly beings that are sunk in deep slumber, THE LIGHT OF YOUR EYES is concealed in the darkness of YOUR EYES, wake up!

54. Who, among you has DURING HIS LIFETIME IN THIS WORLD transformed darkness into Light and the taste of bitter into sweet before he came here? Who, among you has awaited eagerly every day the Light that shines when the King calls upon the Gazelle? As then, the Honor OF THE KING IS GLORIFIED, and He is called the King of all the other kings of the world. Because he who does not await eagerly for this every day, AS HE LIVES in that world - MEANING THIS WORLD - has no role here.

55. Meanwhile, he saw many of his friends gathering around the standing Pillars, and he saw how they elevated them to the heavenly Academy. Some were ascending while others were descending. And high above them all, he saw the owner of the wings, WHO IS MATATRON, approach him.

56. The angel Matatron swore that he heard from behind the Curtain how the King attends the Gazelle every day and remembers how She lies in the soil of the earth. At that time, He kicks 390 heavens, which all quake and tremble with fear because of Him. And He, THE KING, sheds tears because of this, THAT THE SHECHINAH LIES IN THE SOIL OF THE EARTH. And the tears, that are hot as fire, fall down into the Great Sea. By the power of these tears, the governor who rules the sea, AND IS CALLED RAHAV, is sustained and stays alive. And he sanctifies the name of the Holy King by taking it upon himself to swallow all the waters of the days of creation. He gathers them all within himself so that on that day when all the nations assemble against the Holy Nation, the waters may dry up while they cross over on dry land.

57. Meanwhile, he heard a voice call out: Move aside, make room. King Mashiach is coming to the Academy of Rabbi Shimon, because all the righteous people there are the heads of the Academies, which are known up there. And all the disciples of each Academy ascend from this Academy here to the heavenly Academy. And Mashiach visits all these Academies and signs the Torah with the seal of the teachings that come from the mouths of the learned Rabbis. At that time, King Mashiach came TO THE ACADEMY OF RABBI SHIMON crowned by heavenly diadems that He had received from the heads of the Academies.

58. At the same time, all the colleagues and Rabbi Shimon, as well, stood up. Rabbi Shimon's light reached up to the empyrean. MASHIACH said to him: Rabbi, how blessed you are, that your Torah (teachings) has been elevated by the Illumination of 370 Lights. And every single Light has been explained in 613 ways. Then they rise up and bathe themselves in the rivers of pure Persimmon (balm). And the Holy One, blessed be He, approves the Torah study of your Academy, of the Academy of Chizkiyah, the King of the Judean Kingdom and of the Academy of Achiya Ha-Shiloni.

59. I have come to approve the Torah of your Academy only because the One with Wings (Matatron) is on his way here, and I know that He shall not enter any other Academy (Yeshivah) - only yours. Meanwhile, he told Rabbi Shimon about the oath taken by the One with the Wings. Then Mashiach trembled and raised up his voice. The heavens also trembled, as did the Great Sea and the Whale. The world was about to collapse. Also at this time, he noticed Rabbi Chiya sitting at the feet of Rabbi Shimon. He asked: Who allowed a human being, wearing the cloaks of that world, THAT IS, THE PHYSICAL BODY OF THE MUNDANE WORLD, here? Rabbi Shimon answered: This is Rabbi Chiya the Shining Light of the Torah. He said: Let he and his sons be gathered, MEANING, LET THEM PASS AWAY FROM THE MUNDANE WORLD, and join your Academy! Rabbi Shimon said, let him be given time! And time was given to him.

60. He, MASHIACH, left there trembling all over, his eyes brimming with tears. Rabbi Chiya was deeply shaken and wept. Then he said, how happy are the righteous with their role in the world to come, and how happy is Rabbi Shimon bar Yochai, who has this distinction. He is described by the verse, "I will cause those who love me to inherit a lasting possession and I will fill their treasures" (Mishlei 8:21).

11. You are My partner

From this section of the Zohar we learn that our primary purpose in life is to complete and perfect creation through our own spiritual transformation and growth. In addition, Rabbi Shimon implores his students not to share or speak of spiritual wisdom that is not derived directly from the mouth of their teacher. Doing so, he warns, can cause death and bring destruction to our physical world. The strength to make our own spiritual corrections in life and to complete the thought of creation is given to us the moment we scan this section. We acquire the discipline to always remain on the true path of wisdom, and we gain the strength to avoid temptation by easier but less powerful teachings.

61. In the Beginning: Beresheet. Rabbi Shimon opened the discussion with the verse, "And I have put My words in thy mouth" (Yeshayah 51:16), meaning how important it is for a person to study laboriously the Torah day and night. Very important, because the Holy One, blessed be He, listens attentively to the voices of those who occupy themselves with the study of the Torah. And every word that receives a new interpretation by a person who delves into the study of the Torah creates a new heaven.

61. בְּרֵאשִׁית. ר' שְׁמַעוֹן פִּתַּח, וְאָשִׁים דְּבַרֵּי בְּפִיךְ.
בְּמָה אֵית לִיה לְבַר נֶשׁ לְאִשְׁתְּדֵלָא בְּאוּרִייתָא יִמְמָא
וְלִילִיא, בְּגִין דְּקְדוּשׁ בְּרוּךְ הוּא צִיית לְקִלְהוּן דְּאִינוּן
דְּמַתְעַסְקֵי בְּאוּרִייתָא, וּבְכָל מְלָה דְּאִתְחַדַּשׁ
בְּאוּרִייתָא, עַל יוֹדָא דְּהוּא דְּאִשְׁתְּדֵל בְּאוּרִייתָא,
עֲבִיד רְקִיעָא חָדָא.

62. We have already learned that at the moment when a new phrase or a new way of understanding is instructed by any person, that phrase ascends and is assembled in front of the Holy One, blessed be He. And the Holy One, blessed be He, receives this new phrase and accepts it. He also adorns it with 70 crowns of graven and inscribed letters. And this new Phrase of Wisdom that is revealed is then set upon the head of the Eternal Tzadik. Then it flies off and floats through 70,000 worlds until it reaches Atik-Yomin, WHICH IS THE SFIRAH OF KETER. And all the words of Atik-Yomin are Phrases of Wisdom comprising sublime and hidden mysteries.

62. תֵּנִן בְּהֵיא שַׁעְתָּא דְּמְלָה דְּאוּרִייתָא אִתְחַדַּשׁת
מִפּוּמִיָּה דְּבַר נֶשׁ, הֵהִיא מְלָה סְלֵקָא, וְאִתְעַתְרַת
קְמִיָּה דְּקְדוּשׁ בְּרוּךְ הוּא. וְקְדוּשׁ בְּרוּךְ הוּא אֲנִטִּיל
לְהֵיא מְלָה, וְנָשִׁיק לָהּ, וְעֵטֵר לָהּ בְּשַׁבְעִין עֵטְרִין
גְּלִיפִין וּמְחַקְקִין. וּמְלָה דְּחֻכְמַתָּא דְּאִתְחַדַּשׁא, סְלֵקָא
וְיִתְבָּא עַל רִישָׁא דְּצִדִּיק חַי עַלְמִין. וְטָסָא מִתַּמָּן,
וְשָׂטָא בְּשַׁבְעִין אֲלֶף עַלְמִין, וְסִלִּיקַת לְגַבֵּי עֵתִיק
יוֹמִין וְכָל מַלְיָן דְּעֵתִיק יוֹמִין, מַלְיָן דְּחֻכְמַתָּא אִינוּן
בְּרִזִּין סְתִימִין עַלְאִין.

63. When this Phrase of Wisdom is revealed here IN THIS WORLD as it ascends, it joins the words of Atik-Yomin and goes up and down together with them. Then it enters 18 hidden worlds that "neither has the eye seen, Elohim, beside you" (Yeshayah 64:4). Afterward, they leave there to float around before they are presented in full perfection to Atik-Yomin. At this stage, Atik-Yomin smells the odor of the phrase, and He finds it most desirable - MORE DESIRABLE, IN FACT, THAN ANYTHING ELSE. He then takes it and crowns it with 370,000 crowns. And the phrase, WHICH REVEALS A NEW IDEA OF THE TORAH, flies on high - going up and down before landing. Thus, a heaven is made OUT OF IT.

63. וְהֵיא מְלָה סְתִימָא דְּחֻכְמַתָּא דְּאִתְחַדַּשׁת הָכָא,
כְּד סְלֵקָא אִתְחַבְרַת בְּאִינוּן מַלְיָן דְּעֵתִיק יוֹמִין,
וְסְלֵקָא וְנַחְתָּא בְּהַדִּייהוּ, וְעָאלַת בְּתַמְנִיסַר עַלְמִין
גְּנִיזִין דְּעִין לֹא רָאתָה אֱלֹהִים זֹולְתָךְ, נְפִקֵי מִתַּמָּן,
וְשָׂטָן וְאִתִּין מַלְיָאן וְשַׁלְמִין, וְאִתְעַתְדוּ קְמִי עֵתִיק
יוֹמִין. בְּהֵיא שַׁעְתָּא אֲרַח עֵתִיק יוֹמִין בְּהֵיא מְלָה
וְנִיחָא קְמִיָּה, מְכֵלָא. נְטִיל לְהֵיא מְלָה, וְאִעֵטֵר לָהּ
בְּתַלַּת מָאָה וְשַׁבְעִין אֲלֶף עֵטְרִין. הֵהִיא מְלָה טָסַת
וְסְלֵקָא וְנַחְתָּא וְאִתְעַבִּידָא רְקִיעָא חָדָא.

64. And from every Word and Phrase of Wisdom many heavens are made. They stand in full perfection in front of Atik-Yomin, who calls them 'New Heavens'. IN OTHER WORDS, 'Renewed Heavens' BECAUSE THEY ARE concealed by the hidden secrets of the Sublime Wisdom. While all the other phrases and sayings of the Torah that are newly revealed THAT DO NOT BELONG TO THIS ASPECT OF SUBLIME WISDOM stand before the Holy One, blessed be He, these Words and Phrases of Wisdom ascend and become the Lands of the Living. They then descend and are put as a crown upon a certain land. Thus, all is renewed and it becomes a 'New Land' BY THE POWER of that phrase of the Torah that was freshly discovered.

65. On this subject, it is written, "For as the new heavens and the new earth (land), which I will make, shall remain before me, says Hashem, so shall your seed and your name remain" (Yeshayah 66:22). He does not say 'I have made,' but rather "I will make," IN THE PRESENT TENSE, BECAUSE, He constantly makes NEW HEAVENS AND EARTH from the secrets and the new teachings of the Torah. And on this subject, it is written, "And I have put my words in your mouth, and I have covered you in the shadow of my hand, that I may plant heavens, and lay the foundations of earth, and say to Zion, 'You are my people'" (Yeshayah 51:16). He does not say 'the heavens,' but rather "heavens," WITHOUT THE DEFINITE ARTICLE. THIS MEANS THAT HE IS NOT ENCOMPASSING THE ACTUAL HEAVENS, BUT THE HEAVENS THAT ARE MADE ANEW FROM THE TEACHINGS AND THE UTTERANCES OF THE TORAH.

66. Rabbi Elazar then asked, what is the meaning of "I have covered you in the shadow of my hand?" (Yeshayah 51:16). He told him, when the Torah was given to Moshe, many 'tens of thousands' of angels on high were about to burn him with the flames of their mouths, but the Holy One, blessed be He, protected him. So now, when the new explanation on the Torah is uttered, the saying rises up, is crowned, and then stands before the Holy One, blessed be He. And He guards that saying and shelters the person who said it so that they may be known only to Him and to stop the angels from envying him until a New Heaven and Earth are made from that saying. So he says, "I have covered you in the shadow of my hand, that I may plant heavens, and lay the foundations of earth." And from this we learn that everything which is 'hidden from the eye' has a supernal advantage, as expressed in "I have covered you in the shadow of my hand." But why should it be covered and hidden 'out of sight'? So that it may receive the supernal advantage. As he says, "that I may plant heavens and lay the foundations of earth," as we have learned. IN OTHER WORDS, TO MAKE NEW HEAVENS AND EARTH OUT OF IT.

67. "And say to Zion, You are my people" (Yeshayah 51:16). The phrase "and say to Zion," MEANS TO SAY TO those new lands and those holy sayings that are marked and set one upon the other, REFERRING TO THE NEW TEACHINGS OF THE TORAH, You are my people. Do not say Ami (my people) Ata (You are), but rather Imi (with me) Ata (You are). Do not say Ami Ata, WITH THE VOWEL PATACH, but rather Imi Ata, WITH THE VOWEL CHIRIK, WHICH MEANS, 'be my partner.' Just as I have made the heavens and the earth with My words, as is written, "By the word of Hashem the heavens were made" (Tehilim 33:6), so shall you BY YOUR WORDS OF WISDOM MAKE NEW HEAVENS AND EARTH. How lucky and meritorious are those who occupy themselves in the labor of learning and teaching the Torah.

64. וְכֵן כָּל מְלָה וּמְלָה דְחֻכְמַתָּא, אֲתַעְבְּדִין רְקִיעֵין קְיָיִמִין בְּקִיּוּמָא שְׁלִים קָמִי עֲתִיק יוֹמִין, וְהוּא קְרִי לִוְן שְׁמַיִם חֲדָשִׁים: שְׁמַיִם מְחֻדָּשִׁים, סְתִימִין דְּרִזִּין דְּחֻכְמַתָּא עֲלָאָה. וְכָל אִינוּן שְׁאָר מְלִין דְּאוּרִייתָא דְּמִתְחַדָּשִׁין, קְיָיִמִין קָמִי קְדָשָׁא בְּרִיךְ הוּא, וְסִלְקִין וְאֲתַעְבְּדוּ אַרְצוֹת הַחַיִּים. וְנַחְתִּין, וּמִתְעַטְרִין לְגַבֵּי אֶרֶץ חַד, וְאֲתַחְדָּשׁ וְאֲתַעְבִּיד כְּלָא אֶרֶץ חֲדָשָׁה, מִהֵימָּא מְלָה דְּאֲתַחְדָּשׁ בְּאוּרִייתָא.

68. And so, you may say that the words OF A NEW EXPLANATION by any person, EVEN one who does not know WHAT HE IS SAYING, have the same effect. Come and see, however, what happens when a person who is not familiar with the secrets of the Torah brings forth a new explanation of which he does not know the exact origin, as he should. Under those circumstances, that word OF THE NEW EXPLANATION rises upward, and the Perverse One, the Demon of the False Tongue, goes forth to grab it. He emerges from the cavern of the great abyss, makes a leap of 500 parasangs to receive that word, then grabs it, returns with it to His Female Partner, and makes a False Heaven out of it, which is called Tohu (Chaos).

69. The Perverse One then flies in that FALSE Heaven, traversing 6,000 parasangs in one bound. And as soon as this False Heaven is formed, a Harlot emerges, seizes onto this False Heaven, and participates in its flight. From there, She leaves to slay by the thousands and tens of thousands. Because as long as She appends herself to this Heaven, She has the authority and the ability to fly and traverse the whole world, from one end to the other, in an instant.

70. And on this subject, it is written, "Woe to them that draw iniquity with cords of vanity" (Yeshayah 5:18). "Iniquity" is related to the Male - "and sin as it were with a cart rope" (Ibid.). What is sin? This is the Female, namely the Harlots. The gender is implied in the phrase, "and sin as it were with a cart rope." He, WHO SINS, draws iniquity, NAMELY THE MALE OF THE KLIPAH, with these cords of vanity. And afterwards: "draws sin as it were with a cart rope." SO HE DRAWS UPON HIMSELF that Female, who is called "sin," as she grows strong and flies off to slay human beings. Therefore, "she has cast down many deadly wounded" (Mishlei 7:26). Who "has cast down?" That sin that slays human beings. And who caused all this? That disciple (Torah student) who did not earn the right to teach, but does so. So may the Merciful One save us!

71. Rabbi Shimon said to all the friends of the group, I beg of you all not to utter any words of the Torah which you did not hear from a 'great tree' (a learned scholar) and did not learn properly. So that you may not be the cause of that Harlot (that sin) slaying multitudes of human beings without reason! They all answered: May the Merciful One save us all!

72. Come and see, the Holy One, blessed be He, created the world using the Torah. And this has been explained in the verse, "Then I was by him as an apprentice, and I was daily all his delight" (Mishlei 8:30). THIS APPLIES TO THE TORAH, WITH WHICH THE HOLY ONE, BLESSED BE HE, AMUSED HIMSELF FOR 2,000 YEARS BEFORE THE CREATION OF THE WORLD (PAR. 22). He looked at the Torah once, twice, and thrice. The fourth time He addressed them. Eventually, He used the Torah to teach the sons of Man how not to be misled and how to study the Torah properly. As it is written, "Then he saw and declared it; he established it and searched it out. And he said to man..." (Iyov 28:27-28). "THEN HE SAW," THIS IS ONCE; "DECLARED IT," THIS IS TWICE; "HE ESTABLISHED IT," THIS IS THRICE; AND "SEARCHED IT OUT," THIS IS THE FOURTH. THEN HE TOLD THEM, as it is written, "And He said to Man..."

68. ואי תימא דמלה דכל ב"נ דלא ידע עביד דא. תא חזי, יהוא דלא אורייה ברזין דאורייתא, וחדש מלין דלא ידע על בורייהון בדקא יאות ההיא מלה סלקא, ונפיק לגבי ההיא מלה איש תהפוכות לשון שקר, מגו נוקבא דתהומא רבא, ודלג חמש מאה פרסי לקבלא לההיא מלה, ונטיל לה ואזיל בההיא מלה לגו נוקביה, ועביד בה רקיעא דשוא, דאקרי תהו.

69. וטס בההוא רקיעא, ההוא איש תהפוכות, שיתא אלפי פרסי בזמנא חדא, כיון דהאי רקיעא דשוא קאים, נפקת מיד אשת זנונים, ואתקיף בההוא רקיעא דשוא, ואשתתפת ביה. ומתמן, נפקת וקטלת כמה אלפין ורבון, בגין דכד קיימת בההוא רקיעא, אית לה רשו ויכלתא למהוי טס כל עלמא ברגעא חדא.

70. ועל דא בתיב, הוי מושכי העון בחבלי השוא. העון, דא דכורא. וכעבות העגלה חטאה. מאן חטאה, דא נוקבא דאקרי חטאה. איהו משיך, ההוא דאקרי עון, באינון חבלי השוא, ולבתר, כעבות העגלה חטאה, לההיא נוקבא דאקרי חטאה, דתמן אתתקפת למהוי טס לקטלא בני נשא, ועל דא כי רבים חללים הפילה, מאן הפילה, דא ההיא חטאה דקטלת בני נשא. מאן גרים דא, תלמיד חכם דלא מטי להוראה ומורה, רחמנא לשזבן.

71. אמר רבי שמעון לחברייא במטותא מנויכו, דלא תפקון מפומייכו מלה דאורייתא דלא ידעתון ולא שמעתון מאילנא רברבא בדקא יאות, בגין דלא תהוון גרמין לההוא חטאה לקטלא אכלוסין דב"נ למגנא. פתחו כלהון ואמרו, רחמנא לשזבן, רחמנא לשזבן.

72. תא חזי, באורייתא ברא קדוש ברוך הוא עלמא, והא אוקמוה, דכתיב ואהיה אצלו אמון, ואהיה שעשועים יום יום. ואיהו אסתכל בה זמנא, ותרין ותלתא וארבע זמנין, ולבתר אמר לון, ולבתר עביד בה עבידתא. לאולפא לבני נשא דלא ייתון למטעי בה. כד"א אז ראה ויספרה הכינה וגם חקרה ויאמר לאדם.

73. So according to these four times (or steps), expressed as, "Then he saw it and declared it; he established it and searched it out" (Iyov 28:27-28), The Holy One created what He had created. And He did not accomplish His mission until He brought forth four words. Therefore it is written, "Bereshheet (In the beginning) Bara (created) Elohim Et (the)..." (Bereshheet 1:1) which contains four words. After that, THE NEXT WORD WRITTEN IS "heavens." So these are the four times that the Holy One, blessed be He, looked into the Torah before He brought his works into actuality.

73. וְלִקְבִיל אַרְבַּע זְמַנִּין אֵינוֹן, דְּכִתְיב, אֹז רָאָה, וַיִּסְפְּרָהּ, הִכְיִנָּהּ, וְגַם חִקְרָהּ, בְּרָא קוֹדֶשׁא בְרוּךְ הוּא מַה דְּבְרָא. וְעַד לֹא אִפִּיק עֲבִידְתֵּיהּ, אֲעִיל אַרְבַּע תְּבִין בְּקִדְמֵיתָא, דְּכִתְיב, בְּרֵאשִׁית בְּרָא אֱלֹהִים אֵת, הָא אַרְבַּע. וּלְבַתֵּר הַשְּׁמַיִם. אֵינוֹן לִקְבִיל אַרְבַּע זְמַנִּין דְּאִסְתַּכַּל קְדוּשׁ בְרוּךְ הוּא בְּאוֹרֵייתָא עַד לֹא יִמִּיק עֲבִידְתֵּיהּ לְאוּמְנוּתֵיהּ.

12. The donkey driver

Rabbi Elazar, the son of Rabbi Shimon, is traveling by donkey with Rabbi Abba, one of the great students of Rabbi Shimon. A lowly donkey driver pushes their donkey from behind in order to help the two Rabbis along in their journey. The donkey driver strikes up a conversation with the two sages and begins revealing spiritual secrets. Rabbi Elazar is surprised and bit skeptical at first, but soon realizes that this simple man is speaking great wisdom. As the donkey driver continues with a lengthy discourse on many supernal mysteries. Rabbi Elazar and Rabbi Abba begin to realize the greatness and eminence of the person in their midst. At the end of the discourse, they recognize the donkey driver: they are face to face with Rabbi Hamnuna Saba, the great sage who had left the physical world some time ago. Upon their recognition, Rabbi Hamnuna Saba disappears and returns to the Upper Worlds.

In speaking about the travels and journeys of the sages, the Zohar is also referring to the spiritual paths that all of us must eventually follow. In reality, Rabbi Elazar and Rabbi Abba were on a spiritual journey. They received the help and support of the great sage Rabbi Hamnuna Saba, who assisted them in their ascent to a higher level of being.

Each of us requires the assistance of righteous souls as we evolve along our own spiritual paths. As our eyes observe the Hebrew letters and our minds absorb the meaning of this story, we draw down a righteous soul who will assist us in taking the next step forward in our spiritual development.

74. Rabbi Elazar was on his way to visit his father-in-law, Rabbi Yosi, the son of Rabbi Shimon, who was the son of Lakunya, accompanied by Rabbi Aba. Another man was leading their donkeys and walking behind them. Rabbi Aba said, let us start a discussion on the Torah, as the time and place are propitious and can help us complete our journey.

74. רַבִּי אֶלְעָזָר הוּוּ אָזִיל לְמַחְמֵי לְרַבִּי יוֹסִי בְּרַבִּי שְׁמַעוֹן בֶּן לְקוֹנִיָּא חַמּוּי, וְרַבִּי אַבָּא בְּהַדְיָה, וְהוּוּ טַעִין חַד גְּבֵרָא אֲבַתְרֵייהוּ. אָמַר רַבִּי אַבָּא נִפְתַּח פְּתִיחִין דְּאוֹרֵייתָא, דְּהָא שַׁעְתָּא וְעַדְנָא הוּא לְאַתְתַּקְנָא בְּאַרְחֵן.

75. Rabbi Elazar opened the discussion with the phrase, "You shall keep my Shabbatot (plural form of Shabbat)" (Vayikra 19:30). Come and see: the Holy One, blessed be He, created the world in six days. And on each day He revealed His actions and gave that day His strength. But when did He actually reveal His actions and give His strength? This happened on the fourth day! Because the first three days were all undisclosed and nothing appeared. But as soon as the fourth day arrived, He revealed His action and shared His strength with all!

75. פְּתַח רַבִּי אֶלְעָזָר וְאָמַר אֶת שַׁבְּתוֹתַי תִּשְׁמֹרוּ. תָּא חַיִּי, בְּשִׁית יוֹמִין בְּרָא קְדוּשׁ בְרוּךְ הוּא עֲלֵמָא. וְכָל יוֹמָא וְיוֹמָא גְּלִי עֲבִידְתֵּיהּ, וְיֵהֵב חֵילֵיהּ בְּהֵוּא יוֹמָא. אֵימַתִּי גְּלִי עֲבִידְתֵּיהּ וְיֵהֵב חֵילֵיהּ. בְּיוֹמָא רְבִיעָאָה, בְּגִין דְּאֵינוֹן תְּלַת יוֹמִין קְדַמְאִין כְּלָהוּ הוּוּ סְתִימִין וְלֹא אֲתַגְלוּ, בְּיוֹן דְּאֵתָא יוֹמָא רְבִיעָאָה, אִפִּיק עֲבִידְתָּא וְחֵילָא דְכְּלָהוּ.

76. So Fire, Water and Air, WHICH ARE CHESED, GVURAH, AND TIFERET - THE SECRET OF THE THREE FIRST DAYS - which are the supernal elements, NAMELY THE THREE SFIROT - CHESED, GVURAH, AND TIFERET - were kept in suspense and the full action of creation was not revealed until the earth, WHICH IS THE SECRET OF MALCHUT, disclosed them. Only then was the creation of each one of them perceptible and known to all ON THE FOURTH DAY.

76. דְּהָא אֲשָׁא וּמִיָּא וְרוּחָא, אִף עַל גְּבַדְאֵינוֹן תְּלַת יְסוּדִין עֲלָאִין, כְּלָהוּ תְּלִינִין וְלֹא אֲתַגְלִי עֲבִידְתָּא דְלָהוֹן עַד דְּאַרְעָא גְּלִי לוֹן, בְּדִין אֲתִידַע אוּמְנוּתָא דְכָל חַד מְנִייהוּ.

77. You may say that this was on the third day, as it is written, "Let the earth bring forth grass...And the earth brought forth grass" (Bereshheet 1:11-12). HERE YOU MAY SAY IS THE REVELATION OF THE CREATION OF THE EARTH, WHICH IS MALCHUT, OCCURRING ON THE THIRD DAY! AND HE REPLIES: Although it is written that this occurred on the third day, WHICH IS THE SECRET OF TIFERET, it actually was on the fourth day, WHICH IS THE SECRET OF MALCHUT. The third and fourth days, TIFERET AND MALCHUT, were combined without any separation between them. But afterward, on the fourth day, He revealed actions; He revealed His craftsmanship and workmanship in each and every one of the first three days, which are CHESED, GVURAH, AND TIFERET. The fourth day is the "fourth leg" of the supernal chair (or throne), WHICH IS BINAH, WHOSE FOUR LEGS ARE CHESED, GVURAH, TIFERET, AND MALCHUT.

78. So all the actions, whether it be those of the first THREE days, WHICH ARE CHESED, GVURAH, AND TIFERET, or the last THREE days, WHICH ARE NETZACH, HOD, AND YESOD, were dependent on the day of the Shabbat (Sabbath), WHICH IS MALCHUT, FROM THE PERSPECTIVE OF THE UPPER THREE SFIROT, WHEN ITS STATE OF PERFECTION APPEARED. Therefore, it is written, "And on the seventh day Elohim ended (or completed) His work which He had made" (Bereshheet 2:2). This refers to the Shabbat and the fourth leg of the chair. THAT IS TO SAY, THE SHABBAT AND THE FOURTH DAY ARE BOTH ASPECTS OF MALCHUT. NEVERTHELESS, THE FOURTH DAY IS MALCHUT, WHICH IS INCLUDED WITH ZEIR ANPIN AT THE LEVEL OF HIS TIFERET FROM HIS CHEST UPWARD. AND THE DAY OF THE SHABBAT IS THE SECRET OF MALCHUT AT THE STAGE OF MATING FACE TO FACE WITH ZEIR ANPIN.

79. And if you say, If it is so, THAT THE SHABBAT IS MALCHUT, then why does it say, "You shall keep my Shabbatot" in the plural?" AND HE REPLIES, The Shabbat of the Evening of the Shabbat, WHICH IS MALCHUT, and the Shabbat of the actual Day of Shabbat, WHICH IS ZEIR ANPIN WHO SHINES UPON THE SHABBAT, WHICH IS MALCHUT, are in unison as one. THERE IS NO SEPARATION BECAUSE THEY ARE MATED FACE TO FACE AND CALLED TWO SHABBATOT!

80. The one who was driving THE DONKEYS and following behind asked: And what is the meaning of "And you shall revere My sanctuary?" (Vayikra 19:30). Rabbi Aba replied: This applies to the sanctity of the Shabbat. Then he asked: And what is the sanctity of the Shabbat? He said to him: This is the sanctity that is drawn down from above, FROM ABA AND IMA. He said to him, If that is so, then you have made the Shabbat without any sanctity OF ITS OWN! FOR sanctity prevails only when it comes from above, FROM ABA AND IMA. Rabbi Aba answered: It is indeed so, as it is written, "And call the Shabbat a delight, the holy day of Hashem's holiness, honorable" (Yeshayah 58:13). So the Shabbat is mentioned separately, as is the holiness of Hashem. He then asked him: What then is the "holiness of Hashem?" Rabbi Aba replied: This is the sanctity or the holiness that descends from above, FROM ABA AND IMA, and rests upon it, UPON THE SHABBAT. He said, If the holiness, which descends from above, is called "honorable," it may seem as though the Shabbat itself is not "honorable." Yet it is written, "and you shall honor it," SO THE SHABBAT IN ITSELF IS HONORABLE! Rabbi Elazar said to Rabbi Aba, Leave this man alone, because he has something wise to say, something of which we know nothing. They said to him, Say what you want to say!

77. וְאִי תִימָא הָא בְיוֹמָא תְלִיתָאָה הוּא, דְכָתִיב תְרַשָׁא הָאָרֶץ דְשָׂא, וְכָתִיב וַתּוֹצֵא הָאָרֶץ. אֲלֵא הָאִי אָף עַל גְּבֻרַתִּיב בְיוֹמָא תְלִיתָאָה, רְבִיעָאָה הוּא, וְאַתְבָּלִיל בְיוֹמָא תְלִיתָאָה לְמַהוּי חַד בְּלֵא פְרוּדָא. וְלְבָתֵר יוֹמָא רְבִיעָאָה אֲתַגְלִי עֲבִידְתִּיהָ לְאַפְקָא אוֹמְנָא לְאוֹמְנוּתִיהָ דְכָל חַד וְחַד. בְּגִין דְיוֹמָא רְבִיעָאָה אִיהוּ רְגְלָא רְבִיעָאָה דְכְרִסְיָא עֲלָאָה.

81. The man began with the verse, "My Shabbatot" (Vayikra 19:30). The particle Et IS MENTIONED HERE to include the borders of the Shabbat, which are 2,000 cubits in every direction. For this reason, the verse added THE PARTICLE Aleph Tav (Et). "My Shabbatot" IN THE PLURAL FORM refers to both the higher Shabbat and the lower Shabbat, which are joined as one, and are both concealed.

82. Another Shabbat, however, remained unmentioned and felt humiliated. She came forward and said, Master of the Universe from the day You created me until now I am called 'the Shabbat,' and there is no day without a night! He told her: My daughter, you are the Shabbath and I have called you 'the Shabbat,' but now I am adorning you with a more glorious crown. He then sent forth a proclamation stating, "And you shall fear My sanctuary" (Vayikra 19:30). And this is the Shabbat of the eve of Shabbat, where fear and awe prevail. But who is this Shabbat? HE REPLIES: This is the one that the Holy One, blessed be He, included TOGETHER WITH HER, saying: "I am Hashem" (Ibid.). "I" IS THE SECRET OF MALCHUT, WHICH IS THE SECRET OF THE EVE OF SHABBAT, HASHEM IS THE SECRET OF ZEIR-ANPIN. AND BY THE WORDS, "I am Hashem," THEY WERE COMBINED TOGETHER. And I (the donkey-driver) heard this from my father, who emphasized THAT THE WORD Et symbolizes the borders of the Shabbat. My Shabbatot, IN THE PLURAL, denotes the circle and the square within, which are two, MEANING THERE ARE TWO SHABBATOT. According to these two, there are two hallowed prayers that we should recite. One starts with "Vayichulu" (Beresheet 2:1-3), and the other is the Kiddush. The passage of "Vayichulu" consists of 35 words, and in the Kiddush that we perform there are also 35 words. COLLECTIVELY, they add up to seventy names, with which the Holy One, blessed be He, and the Community of Yisrael adorn themselves.

83. And because this circle and this square are My Shabbatot, they are both included in the word Preserve (Keep) (Heb. Shamor), as it is written, "You shall keep my Shabbatot." But the upper Shabbat is not included in Shamor, but only in Zachor. Remember that the supernal King, WHO IS BINAH, is completed by Zachor. And this is why it, BINAH, is called the "King to whom Peace belongs." As His Peace, Shalom, is Zachor. And so there is no controversy above in the supernal realm.

84. There are two kinds of peace down below: One is Ya'akov, WHO IS TIFERET; the other is Yosef, WHO IS YESOD. And because of this, Peace is written twice in "Peace, Peace to him that is far off, and to him that is near" (Yeshayah 57:19). "To him that is far" refers to Ya'akov; "to him that is near" refers to Yosef. So "to him that is far" means, as you say, "Hashem has appeared to me from afar" (Yirmeyah 31:2), and also, "And his sister stood afar off" (Shemot 2:4). And "to him that is near" means, as you say, "to new gods that came from nearby" (Devarim 32:17).

81. פתח ואמר, את שבתותי. את, לאסגאה תחום שבת, דאיהו תרין אלפין אמין לכל סטרא, ובגין כך אסגי את שבתותי, דא שבת עלאה ושבת תתאה, דאינון תרין כלילן בחדא, וסתימין בחדא.

85. "From afar" (Yirmeyah 31:2), refers to the Upper Point in His Palace. And the verse refers to it with the words, "You shall keep (Heb. Tishmoru)" (Vayikra 19:30), where it is included within Shamor. "And My sanctuary you shall fear" (Ibid.), refers to the Point in the center that should be most greatly feared, as the penalty for transgression is death. As it is written, "Everyone who profanes it shall surely be put to death" (Shemot 31:14). And who "profanes it?" Those who penetrate into the (empty) space of the circle and the square - into the spot where that Point is situated - and damage it. They "shall surely be put to death!" This is why it is written, "You shall fear," and this Point is called "I." Where the Most High and Concealed One, namely the Tetragrammaton (Ha-Va-Yah) prevails. Thus, "I AM HASHEM" (VAYIKRA 19:30), and all is One.

86. They said to him: Who has put you here to be a donkey driver? He replied: The letter Yud waged war against the two letters, Caf and Samech, TO COME and join me. The letter Caf did not want to leave ITS PLACE and join me because it can only be at rest in THE CHAIR, OR [VGC1]"THRONE" (PAR. 31). And the Samech did not want to leave ITS PLACE, because it has to support those who fall (PAR. 28). And without the Samech, they cannot survive!

87. He continued: The letter Yud alone came over to me, kissed me, embraced me, and wept together with me. It said to me, My son, what shall I do with you? I am leaving you to load myself with a plenitude of good things and of precious, sublime and secretive letters. And then I shall return to you and help you. I shall bring you the possessions of two letters that are much higher than those that have left you. These are the letters Yud and Shin, the superior Yud together with the superior Shin. AND THEY shall become your treasure, full of all riches. So for this purpose, my son, go and drive the donkeys. And this is why I am still doing so!

88. Rabbi Elazar and Rabbi Aba rejoiced. They also wept and said to him, Come, you shall ride on the donkey and we shall walk along behind you. IN OTHER WORDS, HE SHOULD RIDE ON THE DONKEY, AND THEY SHOULD DRIVE IT. He said to them, have I not told you that his is the command of the King, until the donkey driver appears! THIS REFERS TO KING MASHIACH, WHO IS DESCRIBED BY THE WORDS, "POOR AND RIDING ON A DONKEY." They said to him, Until now you have not given us your name. And where do you live? He told them, Where I live is a good place and very precious to me. It is a tower - a very highly exalted tower - that 'floats on air.' And those who live in this tower are the Holy One, blessed be He, and one poor man! But I have been exiled from there, and came to drive the donkeys. Rabbi Aba and Rabbi Elazar looked at him, and his words tasted as sweet as the manna and honey to them. They said to him, If you tell us the name of your father, we will kiss the earth under your feet! He responded, Why? What for? It is not my habit to take pride in the study of the Torah.

89. He continued, but the place where my father lives is in the Great Ocean. And he was a fish that swam from one end of the Great Ocean to the other. And he was mighty and noble, a venerable figure who became wise 'with the years,' and was able to swallow up all the other fish in the sea. Then later he released them full of life and all the good of the world. And with his might, he was able to cross over the entire Ocean in an instant. And he released me, like an arrow in the hand of a valiant man, and hid me in that place that I told you about - NAMELY THE TOWER THAT FLOATS ON AIR - while he returned to his home and disappeared in the Ocean.

90. Rabbi Elazar examined his words and then said to him: You are the son of the sacred Light! You are the son of Rabbi Hamnuna Saba the venerable! You are the son of the Light of the Torah! And you drive our donkeys for us! They both wept and kissed him, then continued their journey. AND AGAIN they asked him: May it please our Master to tell us his name?

90. אֲשַׁחַּח ר' אֶלְעָזָר בְּמְלוּי. אָמַר לֵיהּ אַנְתָּ הוּא בְּרִיָּה דְּבוּצִינָא קְדִישָׁא, אַנְתָּ הוּא בְּרִיָּה דְּרַב הַמְּנוּנָא סָבָא, אַנְתָּ הוּא בְּרִיָּה דְּנְהִירוּ דְּאוּרֵייתָא, וְאַנְתָּ טַעִין אַבְתְּרָן. בְּכוּ כְּחָדָא וְנַשְׁקוּהוּ וְאֶזְלוּ אָמְרוּ לֵיהּ אִי נִיחָא קַמִּי מֵאַרְנָא לְאוּדְעָא לָן שְׂמִיָּה.

91. He began with the verse, "And Benayahu Ben (the son of) Yehoyada" (II Shmuel 23:20). This verse has been explained, and explained well! But it came to show us the sublime secrets of the Torah. SO THE NAME Benayahu Ben Yehoyada has been mentioned AS REFERRING TO the secret of Wisdom. It is a clue to something deep and concealed, and the name caused it. "Ben Ish Chai (the son of a living man)" applies to the Eternal Tzaddik. "Mighty of deeds" (Ibid.) means that he is the Master of all actions and of all the hosts on high, because they all come from him. He IS CALLED "Hashem of Hosts" BECAUSE HE IS the symbol (lit. 'the letter or sign') of all His hosts and is distinguished as he stands high above them all.

91. פִּתַּח וְאָמַר, וּבְנֵיהוּ בֶן יְהוֹיָדָע, הָאִי קָרָא אוּקְמוּהוּ, וְשִׁפִּיר אִיהוּ. אָבָל הָאִי קָרָא לְאַחְזָאָה רְזִין עֲלָאִין דְּאוּרֵייתָא הוּא דְּאֲתָא. וּבְנֵיהוּ בֶן יְהוֹיָדָע, עַל רְזָא דְּחֻכְמָתָא קָא אֲתָא, מְלָה סְתִימָא אִיהוּ, וְשְׂמָא גְרִים. בֶּן אִישׁ חַי, דָּא צְדִיק חַי עֲלָמִין. רַב פְּעֵלִים, מְאִרִי דְּכָל עוֹבְדִין וְכָל חִילִין עֲלָאִין, בְּגִין דְּכָלְהוּ נְפָקִין מִנֵּיהּ. ה' צְבָאוֹת אִיהוּ, אוֹת הוּא בְּכָל חִילִין דִּידיָה, רְשִׁים הוּא וְרַב מְכַלָּא.

92. "Mighty of deeds" is Mekabez-EI (II Shmuel 23:20). So where did this great and precious tree, which is greater than all, come from? From which grade? The verse repeatedly states, "Mekabetz-EI," which is a high and concealed grade that "the eye has not seen;" it includes everything. And it gathers everything it receives from the Supernal Light, and from it everything goes forth.

93. And this is the Sacred Concealed Temple, into which all the grades are gathered and concealed. The space (the body) of this Temple is where all the worlds are gathered and all the Holy Hosts sustain and replenish their existence.

94. "He slew two Generals of Moab" (II Shmuel 23:20). Two Holy Temples existed and were sustained on his account: The first Holy Temple and the second. However, as he disappeared, the flow of energy from above stopped. SO, SEEMINGLY, it is as if he "slew," destroyed, and ended them.

95. And the Holy Throne (CHAIR), WHICH IS MALCHUT, collapsed. As it is written, "As I was in exile" (Yechezkel 1:1). THIS MEANS that a certain grade, which is called I (Ani, which is formed by the letters Aleph, Nun, and Yud), WHICH IS MALCHUT, was in exile. Where? "By the river of Cvar" (Yechezkel 1:1). THIS MEANS by the river that had sprouted and flowed from Cvar (already), or in other words, by the river that had already sprouted and flowed, BUT NOW, BECAUSE all its waters and fountains have dried up, does not flow as before. Therefore it is written, "and the river is destroyed and dries up" (Iyov 14:11). It "was destroyed" at the first Holy Temple and "dries up" at the second. For this reason, IT IS WRITTEN: "He slew two Generals of Moab." Moab IS FORMED BY THE WORDS Mo (From) and Ab (Father), or from our Father in Heaven. And both Temples were destroyed because of Him, as all the Lights that shone upon Yisrael were now darkened.

96. Further, "He went down and slew a lion" (II Shmuel 23:20). In early days, when this river's waters flowed downward, the Israelites were in a state of "Perfection," because they offered their offerings and sacrifices to atone for their sins and purify their souls. Then, from above, the image of a lion descended. They saw it on the altar, as it crouched on its prey, consuming it like a brave and mighty man. And all the dogs, THAT IS THE PROSECUTORS, hid from it and did not come out TO ACCUSE!

92. רב פעלים איהו מקבצאל, האי אילנא רב ויקרא, רב מכלא, מאן אתר נפק, מאן דרגא אתא, אהדר קרא ואמר מקבצאל, דרגא עלאה סתימאה דעין לא ראתה וגו', דרגא דכולא ביה, וכניש בגייה מגו נהורא עלאה, ומניה נפיק כללא.

93. ואיהו היכלא קדישא סתימא, דכל דרגין בנישין וסתימין בגייה. ובגופא דהאי היכלא קיימין כל עלמין, וכל חילין קדישין מגיה אתונו וקיימי על קיומיהון.

94. הוא הבה את שני אריאל מואב, תרין מקדשין קיימין בגיניה, ואתונו מגיה, מקדש ראשון ומקדש שני, כיון דאיהו אסתלק נגידו דהוה נגיד מלעילא אתמנע, בבכחל הוא הבה לון וחרוב לון, ושצי לון.

95. וברסייא קדישא נפלת, הה"ד ואני בתוך הגולה. ההוא דרגא דאקרי אני, הוא בתוך הגולה. אמאי, על נהר כבר, על נהר דנגיד ונפיק דפסיק מימיו ומבועו, ולא אנגיד כד בקדמיתא. הה"ד ונהר יחרב ויבש, יחרב בבית ראשון, ויבש בבית שני. ובגין פרהוא הבה את שני אריאל מואב. מואב: דהו מואב דבשמיא, ואתחרבו ואשתציאו בגיניה, וכל נהורין דהו נהירין לישראל כלהו אתחשכו.

96. ותו הוא ירד והבה את הארי. בזמנין קדמאין, כד האי נהר הוה משיך מימיו לתתא, הוה קיימין ישראל בשלימו, דרבחין דרבחין, וקרנן לכפרא על נפשיהו, וכדין, הוה נחית מלעילא דיוקנא דחד אריה, והו חמאן ליה ע"ג מדבחא, רביץ על טרפיה, אכיל קרבנין כגבר תקיף. וכל כלבין הו מתטמין מקמיה, ולא נפקי לבר.

97. The sins caused him to go down to the lower levels and slay the lion. BECAUSE the lion refused to give up its prey as before! THIS IS AS THOUGH he killed it! THEREFORE, assuredly, "He slew the lion." "In the midst of a pit" (II Shmuel 23:20) in front of the eyes of the Other Evil Side. And because the Other Side saw this, it gained courage and sent a dog to eat the offerings, ABOVE THE ALTAR, INSTEAD OF THE LION. And what is the name of that lion? Oriël, IS ITS NAME, as he had the face of a lion. And what is the name of that dog? Baladan is its name, BECAUSE BALADAN IS FORMED BY THE SAME LETTERS AS THE WORDS BAL (NOT) AND ADAM (MAN), WITH THE FINAL MEM EXCHANGED FOR A NUN. And He is not a human being, but a dog with the face of a dog.

98. "In a day of snow" (II Shmuel 23:20) DESCRIBES the day when the sins caused the sentence (judgment) to be pronounced by the Court (Bet Din) on high. Therefore, it is written, "She is not afraid of the snow" (Mishlei 31:21), which symbolizes the judgment on high, WHICH IS CALLED THE SNOW. Why IS SHE NOT AFRAID? Because all Her household are clothed with scarlet (Ibid.). THIS IS HOW She can endure the strong fire. Up to this point, the secret of the verse is not revealed.

99. What is written next? "And he slew the Egyptian, a man of good appearance" (II Shmuel 23:21). Here the secret of the verse is revealed to let us know that every time Yisrael sinned, He went away and prevented them from receiving all the blessings and all the Lights that shone upon them. He slew the Egyptian. This is the Light, THAT IS, the same Light that shone upon Yisrael. And who is he? HE IS Moshe. As he is described in the verse, "And they said a Egypt man delivered us" (Shemot 2:19). Because he was born and grew up IN EGYPT until he rose to reach the Supernal Light.

100. "A man of good appearance" (II Shmuel 23:21). This is, as it is written, "clearly and not in riddles" (Bemidbar 12:8). "A man" (Heb. Ish), is, as it is written, "the man (Ish) of Elohim" (Devarim 33:1). This is the husband of that "appearance" that reveals the glory of Hashem AND REFERS TO MALCHUT. Because he earned the right to lead this grade over the land, as he wished, a feat that no other man had achieved.

101. "And the Egyptian had a spear in his hand" (II Shmuel 23:21). This refers to the rod of Elohim that was delivered into his hand. As it is written, "With the rod of Hashem in my hand" (Shemot 17:9). And this is the same rod that was created at the twilight of the Shabbat eve and was engraved with the Holy Name by a Divine Shaping. And with this ROD Moshe committed the sin of smiting the rock, as is written, "And he smote the rock with his rod twice" (Bemidbar 20:11). The Holy One, blessed be He, said to him: "Moshe, I have not given you My rod for this purpose; by thy life, from henceforward, it will not be in thy hands any more."

102. Immediately, "he went down to him with a staff" (II Shmuel 23:21), SIGNIFYING the harsh judgment (Heb. Din), "and plucked the spear out of the hand of the Egyptian" (Ibid.). From that moment onward, he lost THE ROD, WHICH IS THE SPEAR, and could never regain it. "And slew him with his own spear" (Ibid.) MEANS THAT because of the sin of smiting THE ROCK with the rod, he died and did not enter the Holy Land, thereby causing this Light to be withheld from Yisrael.

103. "He was more honorable than the thirty" (II Shmuel 23:23) refers to the thirty celestial years that he took from above and brought down below. And from them he took and became closer, "but he attained not to the first three" (Ibid.). They came over to him and offered themselves to him with a gracious heart, but he did not go over to them.

104. Even though he did not join them and was not included in the count, "David set him over his guard" (II Shmuel 23:23) and was never separated from the tablets on his heart, because they can never be separated. David gave his heart to him, but he did not GIVE HIS HEART to David. Because by the hymns and praises together with the grace that the moon shows for the sun, She (the moon) draws HIM (the sun) to reside with Her. This is what the verse, "And David set him over his guard," means.

105. Rabbi Elazar and Rabbi Aba fell down ON THEIR FACES in front of him. And as they fell, he disappeared. Then they rose and looked all around but could not see him. So they sat down, began to weep, and could not speak to each other. After a while, Rabbi Aba said, This must be related to what we have learned. When righteous people go on a journey and occupy themselves in the study of the Torah, they are visited by righteous souls from that other world, WHO REVEAL TO THEM NEW EXPLANATIONS OF THE TORAH. So this surely must BE THE REASON WHY Rabbi Hamnuna Saba came to us from that world - to reveal these teachings to us. And before we were able to recognize who he was, he went off and disappeared. They stood up and tried to lead their donkeys on, but the donkeys did not move. AGAIN they tried to lead them on, but still they did not move. Fear struck them both, and they left the donkeys in their place. And even now, that site is called the "place of the donkeys."

106. Rabbi Elazar said, "Oh, how great is Your goodness, which You have laid up for those who fear You" (Tehilim 31:20). How great is the heavenly abundance that the Holy One, blessed be He, shall bestow on human beings; to those sin-fearing, divine, and righteous men who learn the Torah as they arrive at the world to come. It is not only written, "Your goodness," but also "how great is Your goodness." And who is He? THIS REFERS TO "the memory of Your goodness" (Tehilim 145:7), which is the pleasure of life that is drawn from the world to come down to the "Livelihood of the Worlds." This IS CALLED "the memory of Thy goodness," which is certainly "the great goodness toward the house of Yisrael" (Yeshayah 63:7).

107. Further "How (Heb. Mah) great is Your goodness" (Tehilim 31:20) SHOULD BE FURTHER EXPLAINED. In these words, the secret of Wisdom is engraved. It is the place where all the secrets are included, BECAUSE the word how (Mah) MEANS according to what we have learned (Par. 19). "Great" refers to a great and strong tree, WHICH IS ZEIR-ANPIN. Because there is another tree, which is smaller than this one (REFERRING TO MALCHUT), this one, ZEIR-ANPIN, is referred to as great and rises up to the highest of the heavens.

108. "Goodness" (Tehilim 31:20) is the Light that was created on the first day OF THE ACT OF CREATION, "which You have laid up for those who fear You" (Ibid.). BECAUSE He hid it as a treasure for the righteous in the world to come, "which You have created," this alludes to the upper Garden of Eden (Paradise), as it is written, "In the place, Hashem, which You have created for Yourself to dwell in" (Shemot 15:17). This is what the words "which You have created" signify.

109. "In the presence of the Sons of Men (human beings)" (Tehilim 31:20). This is the lower Garden of Eden, where all the righteous stand with the Spirit (Heb. Ruach), which is clothed in a precious garment, IN THE SAME way and form that they appeared in this world. Thus, the phrase "in the presence of the Sons of Men" means in the same form as human beings that live in this world. And they stand there and then rise up in the air, ascending to the Celestial Academy in the upper Garden of Eden. They float around THERE and bathe in the dew of the rivers of pure balsam. Then they come down and dwell below IN THE LOWER GARDEN OF EDEN.

110. And sometimes THESE RIGHTEOUS SOULS appear "in the presence of the Sons of Man" (Tehilim 31:20) to perform miracles for them, just as the angels of above do. And this is exactly like the Light of the Supernal Shining Light that we have just seen. But we did not have the merit of seeing deeper into the secrets of Wisdom and attaining greater knowledge.

111. Rabbi Aba opened the discussion, saying: "And Manoach said to his wife, We shall surely die, because we have seen Elohim" (Shoftim 13:22). Even though Manoach was not aware of his actions, AS IT IS WRITTEN, "FOR MANOACH KNEW NOT THAT HE WAS THE ANGEL OF ELOHIM" (SHOFTIM 12:16), he still said, as it is written, "For man shall not see Me and live" (Shemot 33:20). We have certainly seen Him, and therefore we shall certainly die. Yet, we who have seen and have had the privilege of seeing that Light that accompanied us shall NEVERTHELESS stay alive, because the Holy One, blessed be He, sent him to us, to teach us the secrets of the Wisdom that he chose to reveal. How happy is our lot!

112. They went along and reached a mountain just as the sun was about to set. The branches of the trees on the mountain started to rustle and sing. While they were still walking they heard a strong voice calling out, Holy sons of Elohim, you who are scattered among those who live in this world, those Shining Lights who are the Yeshiva Scholars, gather around and come to your places so that you may enjoy yourselves with your Master in the study of the Torah. They were frightened AND REMAINED standing in their places. Then they sat down.

113. In the meantime, a voice came forth as before, and said, O, mighty rocks, exalted hammers, here comes the Master of colors, embroidered with paintings, standing upon a pillar. Enter and be assembled. At this moment, they heard the great and mighty "voice" of the tree branches, which were saying, "The voice of Hashem breaks the cedars" (Tehilim 29:5). Both Rabbi Elazar and Rabbi Aba fell down on their faces, and a great fear overcame them. They rose hastily and went away, after which they ceased to hear anything. They left (lit. 'came out of') the mountain and kept on going.

114. As they reached the house of Rabbi Yosi, the son of Rabbi Shimon, who was the son of Lakunya, they met Rabbi Shimon bar Yochai. He was glad and said to them, you have certainly journeyed through a path of heavenly miracles and wonders. Because as I was sleeping, I saw you together with Benayahu Ben Yehoyada, who sent to you in the hands of an old man two crowns with which to adorn yourselves. So certainly, the Holy One, blessed be He, was on this path. Furthermore, I see that your faces have changed. Rabbi Yosi said, You have said well, that a Wise Man (sage) is preferable to a prophet. Rabbi Elazar came and bowed before Rabbi Shimon and told him the story.

115. Rabbi Shimon felt fear coming over him and wept. Then he said, "Hashem, I have heard a report of You, and I am afraid" (Chavakuk 3:2). Chavakuk had said this phrase when he saw his death and his resurrection by Elisha approaching. Why was he called Chavakuk? Because, as it is written, "About this time in the coming year you shall embrace (Heb. Chovek-et) a son" (II Melachim 4:16). So Chavakuk was the son of the Shunammite. And there were two embracings: one from his mother and one from Elisha, as it is written, "and he put his mouth upon his mouth" (II Melachim 4:34).

116. I have found in the book of King Solomon that the engraved Name that consists of 72 names was engraved on CHAVAKUK BY ELISHA. AND EACH WORD CONSISTS OF THREE LETTERS (AS EXPLAINED IN ZOHAR, BESHALACH, PAR. 173). Because the letters of the alphabet that his father engraved on him from the beginning flew away as he died. And now, when Elisha embraced him, he engraved on him all these letters of the 72 names. Therefore the engraved letters of the 72 names, EACH OF WHICH HAS THREE LETTERS, comprises a total of 216 letters.

113. אֲדַהְכִי נִפְיֵךְ קָלָא בְּמַלְקָדְמִינָן, וְאָמַר טַנְרִין תְּקִיפִין פְּטִישִׁין רְמָאִין, הָא מְאָרִי דְגּוֹנִין מְרַקְמָא בְּצִיּוּרִין קָאִים עַל אֶצְטוּנָא, עוּלוּ וְאַתְכַּנְשׁוּ. בְּהֵיא שְׁעָתָא שְׁמַעוּ קַל עֲנַפֵי דְאֵילָנִין רַב וְתַקִּיף, וְהוּ אָמַרִי קוּל ה' שׁוֹבֵר אֲרָזִים. נִפְלוּ עַל אֲנַפְיֵיהוּ רַבֵי אֶלְעָזָר וְרַבֵי אָבָא, וּדְחִילוּ סְגִיא נִפְל עֲלֵיהוּ, קָאמוּ בְּבֵהִילוּ וְאָזְלוּ וְלֹא שְׁמַעוּ מִיְדֵי. נִפְקוּ מִן טוּרָא וְאִזְלוּ.

117. And all of these 216 letters that form the 72 names were engraved by Elisha in the spirit OF CHAVAKUK to bring him back to life. And he called him CHAVAKUK, A name that completes AND SIGNIFIES all the sides (directions), because it completes AND SIGNIFIES two embracings, as mentioned previously. It also completes AND SIGNIFIES the secret of the 216 letters of the Holy Name. BECAUSE THE NUMERICAL VALUE OF CHAVAKUK IN HEBREW ADDS UP TO 216, FROM WHICH THE 72 NAMES WERE CREATED. SO BY THE 72 compartments (names) he revived him and brought his spirit back. AND BY THE 216 letters, he revived his body and bodily functions. This is why he is called Chavakuk.

118. And he said, "Hashem, I have heard a report of You, and I am afraid" (Chavakuk 3:2). WHICH MEANS THAT I have heard or I have received a report of what I went through and have therefore had a taste of what that other world is like, and "I am afraid." THIS REFERS TO THE TIME BETWEEN HIS DEATH AND HIS RESURRECTION BY ELISHA. He started to ask for mercy on his soul by saying, "Hashem, revive your work" (this is a reference to his soul) "that You have performed for me in the midst of the years" (Ibid.). THIS MEANS 'MAY THIS BE MY LIFE,' BECAUSE THE TERM "revive" IS CONNECTED to his life. And whoever is connected to those primordial years, WHICH ARE THE SFIROT OF ATIK-YOMIN, has life connected to him. The phrase, "in the midst of the years make known," means to bestow life upon that grade that has no life at all of its own, WHICH IS MALCHUT OF MALCHUT.

119. Rabbi Shimon wept as he said: Even I have feared the Holy One, blessed be He, from what I have heard. He raised his hands to his head and said, You had the privilege of seeing Rabbi Hamnuna Saba, the Shining Light of the Torah, face to face, while I have not. He then fell face downward and saw him uprooting mountains and lighting candles in the temple of King Mashiach. He said to him, My Master in that world you shall both be neighbors of the heads of the Yeshivot (Academies), before the Holy One, blessed be He. From that day ONWARD, he called Rabbi Elazar his son, and Rabbi Aba "Pni-el." As it is written: "For I have seen Elohim face to face" (Beresheet 32:31).

13. The two points

The Zohar explains the concept of the Tree of Knowledge of Good and Evil. Within everything in our world, there exist positive and negative aspects. Reading this section gives us the ability to connect to the positive side of existence, while at the same time it shields us from negative elements.

120. In the beginning: Beresheet. Rabbi Chiya opened the discussion with the verse, "The beginning of Wisdom is the Fear of Hashem, good understanding to all who do His commandments, His praise endures forever" (Tehilim 111:10). Of the phrase, "the beginning of Wisdom," HE ASKS: SHOULD this verse have read 'the end of Wisdom is the Fear of Hashem,' because the fear of Hashem IS THE SECRET OF MALCHUT, which is at the end of Chochmah! AND HE REPLIES: She, the MALCHUT, is the beginning or the first stage that opens the entrance to the level of the Supernal Chochmah (Wisdom). So it is written, "Open to me the gates of righteousness" (Ibid. 118:19-20). REFERRING TO THE GATES OF MALCHUT THAT ARE CALLED RIGHTEOUSNESS (JUSTICE), "this is the gate to Hashem" (Ibid.). Assuredly, if he does not enter this gate, he shall never reach the Supernal King, because He is exalted, hidden, and concealed, and has made gates for Himself, one behind the other.

121. At the end of all those gates, He set up a gate with many locks, many openings, and many chambers (lit. 'Temples') one on top of the other. He said, "Whoever wants to reach Me must first pass through this gate. Whoever enters THROUGH this gate, may enter!" The same applies here, as the first gate to Supernal Wisdom is the "Fear of Hashem," (Tehilim 111:10) WHICH IS MALCHUT. This is why IT IS CALLED 'The Beginning.'

122. The letter Bet IN THE WORD BERESHEET INDICATES two points that are joined together in MALCHUT. And of these two Points, one is concealed and treasured, while the other is revealed and out in the open. But because they are not separated, they are called 'The Beginning' (Heb. Resheet), WHICH MEANS ONLY one and not two. Whoever takes one, takes the other as well, and all is One; because "He and His Name are One," as it is written, "that men may know that You are by Yourself alone whose name is Hashem." (Tehilim 83:19).

123. Why is MALCHUT called the "Fear of Hashem?" (Tehilim 111:10). Because THE MALCHUT is the 'Tree of Good and Bad': If a person is deserving, then it is good; but if he is not deserving, then it is bad. This is why fear abides in that place. And She is the gate through which all goodness of the world passes. Because 'all goodness' is related to those two gates, NAMELY TO THOSE TWO POINTS, which are as one. Rabbi Yosi said, 'All goodness' refers to the Tree of Life, which is entirely good; it has no bad at all. And because no evil prevails there, it is all good with no bad!

124. "All they who do His commandments" (Tehilim 111:10). These are "the sure kindnesses promised to David" (Yeshayah 55:3), the supporters of the Torah. And those who support the Torah are those who seemingly make it. So all those who occupy themselves with the Torah need not work, as they delve into its study, while those who support it have to work. And because of this, the verse "His praise endures forever" (Tehilim 111:10) Becomes TRUE TO LIFE, and the Throne is properly established.

14. The night of the bride

The Zohar examines the holiday of Shavout, when the presence of the Creator enjoins Itself completely to our physical world. Shavout connects us to the original revelation of Light that occurred on Mount Sinai. The union between the presence of God [The Light or Shechinah] and the physical world produced total perfection. The Light on Sinai radiated with such intensity that it banished the dark forces of death and decay, and the Israelites experienced true immortality. Likewise, the forces transmitted through the Aramaic text of the Zohar arouse the spiritual energy of immortality, and remove the power of death from our lives. The Kabbalists reveal a secret concerning the force called Death: it not only strikes and affects the physical body, but it is also the unseen motivating force responsible for the demise of relationships, prosperity, and happiness in any form.

125. Rabbi Shimon was sitting and studying the Torah on the night when the Bride, WHO IS MALCHUT, was to be joined with Her husband! For we have learned that all the friends who are the attendants of the bridal chamber should remain with the Bride all that night. On the morrow, WHICH IS THE FEAST OF SHAVUOT (PENTECOST), the Bride to be is prepared for the matrimonial service and to be wed to Her husband. During this night, the attendants rejoice with Her as she prepares her adornments (Heb. Tikunim). THIS REFERS TO the study of the Torah, and from the study of the Torah to the Prophets, and from the Prophets to the Holy Writings (Hagiographa), and then to the expositions of the scriptures and to the inner secrets of Wisdom. Because these are Her preparations and Her adornments. And She, THE BRIDE, approaches her bridesmaids and sets Herself over their heads. She is prepared (attended to) by them and rejoices with them all night. The day after, IN THE MORNING OF SHAVUOT, she does not enter under the canopy without them. So THOSE FRIENDS, WHO STUDIED THE TORAH ALL NIGHT LONG, are called the "canopy attendants" (lit. 'sons of the canopy'). As she approaches the canopy, the Holy One, blessed be He, inquires after them, blesses them, and crowns them with the Bridal Crowns. How happy is their role!

126. And Rabbi Shimon and all the friends were chanting the songs of the Torah. Every one of them brought forth a new discovery about the Torah, and Rabbi Shimon was rejoicing together with all his friends. Rabbi Shimon said to them, My sons, how happy is your lot, because tomorrow, the Bride shall not approach the bridal canopy without you. Because all those who prepare the adornments of the Bride during this night and rejoice with Her shall all be written and registered in the Book of Remembrance. And the Holy One, blessed be He, blesses them with 70 blessings and crowns from the upper world.

127. Rabbi Shimon opened the discussion by saying, "The heavens declare the glory of El" (Tehilim 19:2). I have already explained this verse, but will again. When the Bride awakens on the morning of the following day to enter under the bridal canopy, she appears, shining with all Her ornaments, together with the friends (attendants) who rejoiced with Her the previous night. She, in turn, rejoices with them now.

128. On the following day, how many crowds, hosts, and camps gather around her. While she and all the others; ALL THESE HOSTS AND CAMPS wait for each and every one of those who prepared her, BY STUDYING THE TORAH during the night. Upon seeing them - ZEIR-ANPIN AND MALCHUT - joined together, and watching her, THE MALCHUT, see her husband, ZEIR-ANPIN, the scriptures say, "The heavens declare the glory of El" (Tehilim 19:2). "The heavens" refers to the Bridegroom who enters under the bridal canopy, WHO IS ZEIR-ANPIN AND IS CALLED THE HEAVENS; "declare" (Heb. Meh-sah-preem) means that they shine like the radiance of a sapphire (Heb. Sah-peer), which sparkles and radiates from one end of the universe to the other.

125. רבי שמעון הוה יתיב ולעי באורייתא, בליליא דכלה אתחברת בבעלה, דתנינן כל אינון חבריא דבני היכלא דכלה, אצטריכו בההיא ליליא, דכלה אודמנת למהוי ליומא אחרא גו חופה בבעלה, למהוי עמה כל ההוא ליליא, ולמחדי עמה בתקונהא דאיהי אתתקנת, למלעי באורייתא, מתורה לנביאים, ומנביאים לכתובים, ובמדרשות דקראי, וברזי דחכמתא. בגין דאלין אינון תיקונין דילה ותבשיטהא. ואיהי ועולמתהא עאלת וקיימת על רישיהון, ואתתקנת בהו וחדת בהו כל ההוא ליליא. וליומא אחרא לא עאלת לחופה אלא בהדיהו, ואלין אקרון בני חופתא. וכיון דעאלת לחופתא, קדוש ברוך הוא שאיל עליהו ומברך לון, ומעטר לון בעטרהא דכלה, זכאה חולקהון.

127. פתח רבי שמעון ואמר השמים מספרים כבוד אל וגו', קרא דא הא אוקימנא ליה. אבל בזמנא דא, דכלה אתערא למיעל לחופה ביומא דמחר, אתתקנת ואתנהירת בקישוטהא, בהדי חבריא דחדאן עמה כל ההיא ליליא, ואיהי חדאת עמהון.

128. וביומא דמחר כמה אוכלוסין חיוילין ומשריין מתכנשין בהדה, ואיהי וכלהו, מחכאן לכל חד וחד דתקיננו לה בהאי ליליא, כיון דמתחברן כחדא ואיהי חמאת לבעלה, מה כתיב, השמים מספרים כבוד אל. השמים, דא חתן דעאל לחופה. מספרים, מנהרין כזוהרא דספיר, דנהיר וזהיר מסיימי עלמא ועד סיימי עלמא.

129. "The glory of El" (Tehilim 19:2) is the Bride, I.E., MALCHUT, which is called El. As it is written, "and El who has indignation (righteous anger) every day" (Tehilim 7:12). During all the days of the year, She is called El, but now, IN THE FEAST OF PENTECOST (SHAVUOT), after entering under the Bridal Canopy, She is called "glory" and El, WHICH MEANS glory upon glory, splendor upon splendor, and dominion upon dominion.

130. And then, the instant the heavens, WHO ARE ZEIR-ANPIN, enter under the bridal canopy and begin to shine upon Her, all those friends who prepared Her, BY STUDYING THE TORAH ALL NIGHT, are recognized and known by their names. As it is written, "and the firmament proclaims his handiwork" (Tehilim 19:2). "His handiwork" refers to those who own the sign (letter) of the covenant, who are called his handiwork. As it is written, "and established the work of our hands upon us" (Tehilim 90:17), which is the sign of the covenant marked on man's flesh (the circumcision).

131. Rabbi Hamnuna Saba then quoted, "Do not let your mouth cause your flesh to sin" (Kohelet 5:5). THIS MEANS THAT a person should not allow his mouth to be the cause of bringing upon himself evil thoughts, thereby bringing sin to the sacred flesh where the Holy Covenant (circumcision) is marked. Because if he does so he shall be dragged into perdition. He who is in charge of this Netherworld is called Dumah. And together with many tens of thousands of Destructive Angels, they all stand at the opening (gates) of this inferno. But he has no permission to touch all those who have preserved (took care of) the Holy Covenant in this world.

132. King David, after what happened to him with Batsheva, was very fearful. Because at that time, Dumah ascended to the Holy One, blessed be He, stood before Him, and said, O Master of the universe, in the Torah it says of "the man that commits adultery with another man's wife [that]... the adulterer and the adulteress shall surely be put to death" (Vayikra 20:10). Furthermore, it is written, "Moreover, you shall not lie carnally with your neighbor's wife to defile yourself with her" (Ibid.18:20). So what is to become of David, who has profaned the Holy Covenant by desecrating his Brit (genital organ) by committing incest? The Holy One, blessed be He, said to him, "David is righteous! And the Holy Covenant remains intact, because it is known to Me that Bat-Sheva was assigned to him since the day the world was created.

133. DUMAH said to Him (Hashem), If this is known to you, it is not known to him (David). He, THE HOLY ONE, BLESSED BE HE, SAID TO HIM, 'Not only that, but all that happened was permitted and done lawfully. Because every person that went to war did not leave until he had given a bill of divorce to his wife!' He said to Him, If this is so, he should then have waited for three months, which he did not! He replied: When is this applied? Only in cases where we suspect that she might be pregnant! And it is known to me for certain that Uriyah never touched her. Because My name is sealed in him as a witness. For it is written 'Uriyah,' WHICH CONSISTS OF THE LETTERS Uri and Yah. And it can also be written Uriyahu (pron. Uree-Yahu), WHICH IS FORMED BY THE LETTERS UR, YUD, HEI AND VAV 'To show that he is sealed by My Name AS A WITNESS (who testifies) that he never had intercourse with her.'

134. Dumah said to Him, Master of the universe, this is exactly what I have said! If it is known to You that Uriyah never slept with her, it is not known to him. Therefore, he should have waited for three months. And furthermore, IF YOU CLAIM THAT DAVID knew that he had never slept with her, then why did he send Uriyah home and command him to have intercourse with his wife? Since it is written: "Go down to your house and wash your feet!" (II Shmuel 11:8).

135. He said to Dumah, 'He certainly did not know.' So he waited more than three months, as four months had passed.' Because we have learned that on the twenty-fifth day of Nissan, David sent an announcement for all arms to be gathered TO GO OUT TO WAR. And they were with Yoav on the SEVENTH day of Sivan, as they went and destroyed the land of the Sons of Amon. There they remained during the months of Sivan, Tammuz, Av, and Elul. And on the twenty-fourth day of Elul the event with Batsheva occurred. Then on Yom Kipur, the Day of Atonement, the Holy One, blessed be He, forgave him for that sin. And there are those who claim that on the seventh day of Adar the announcement was sent, and all arms were gathered on the fifteenth day of Iyar. So what happened with Batsheva occurred on the fifteenth day of Elul. While on Yom Kipur, he received the message "Hashem also has put away your sin; you shall not die" (II Shmuel 12:13). What is the meaning of "you shall not die?" It means that he shall not die at the hand of Dumah.

136. Dumah said, Master of the Universe, I have one thing against him! He opened his mouth and said, "as Hashem lives, the man that has done this deserves to die" (II Shmuel 12:5). So he has condemned himself to death, and therefore I have the power over him TO BRING DEATH UPON HIM. He said to Dumah, You have no permission TO BRING DEATH UPON HIM, because he has already confessed in front of Me saying, 'I have sinned against Hashem-' even though he did not sin. Although his sin against Uriyah was IN KILLING HIM, I have written his punishment and he has accepted it! Immediately Dumah returned to his place, disappointed and with a broken spirit!

137. Concerning to this David said, "Unless Hashem had been my help, my soul had almost dwelt in silence (Dumah)" (Tehilim 94:17). "Unless Hashem had been my help" MEANS that had HE not become David's supervisor and guarded him FROM THE ANGEL DUMAH, David's "soul had almost dwelt in silence" (in the hands of Dumah). Why does he say "had almost?" Because only the smallest distance, as narrow as a thin thread separated him from the Other Side. So "almost dwelt in silence" was the distance of a thin thread, THE DISTANCE REMAINING FOR DUMAH TO DRAG HIM DOWN TO PERDITION!

138. Therefore, every person should be careful not to say what King David said, because he will not be able to say to the ANGEL Dumah, "it was an error" (Kohelet 5:6), as it was with King David. Because in David's case, the Holy One, blessed be He, defeated (Dumah) justifiably. "Wherefore should Elohim be angry at your voice" (Ibid.) refers to the voice that said, "and destroy the work of your hands" (Ibid.). This is the sacred flesh, WHICH IS the Holy Brit that he damaged and corrupted, and because of which he is to be dragged down to Gehenom by the angel Dumah.

134. אָמַר לִיָּה מְאִרִי דְעֵלְמָא, הָא מָה דְאִמְרִית, אִי קִמְךָ גְלִי דְלֹא שְׁכִיב בְּהֵדָה אֹרְיָה, קִמְיָה מִי גְלִי, הִוָּה לִיָּה לְאֹרְכָא לָה תִלַּת יָרְחֵי, וְתוּ אִי יָדַע דְלֹא שְׁכִיב בְּהֵדָה לְעֵלְמִין, אִמְאִי שְׁדֵר לָה דְוֹד וּפְקִיד עֲלֵיָה לְשִׁמְשָׁא בְּאַנְתְּתֵיָה, דְכְתִיב רַד לְבֵיתְךָ וּרְחַץ רַגְלֵיךָ.

139. And because of this, "the firmament proclaims his handiwork" (Tehilim 19:2). These are the friends who have joined the Bride, WHICH IS MALCHUT, BY STUDYING THE TORAH DURING THE NIGHT OF SHAVUOT (Par. 130), together with those who are the custodians of the sign of Her Covenant, AND WHO ARE CALLED "HIS HANDIWORK." The firmament shows and registers each and every one of them (as explained there). What is the firmament? It is where the sun, moon, stars and constellations are located, and IT IS CALLED the Book of Remembrance. It announces, registers, and inscribes them, so that they can be the sons (residence) of His own palace (also: 'temple'), and He can always fulfill their desires.

140. "Day to day utters speech" (Tehilim 19:3) is an allusion to the sacred day that belongs to those supernal days of the King, REFERRING TO THE SFIROT OF ZEIR-ANPIN THAT ARE CALLED "DAYS," that praise the friends, WHO DELVED INTO THE STUDY OF THE TORAH DURING THE NIGHT OF SHAVUOT. And they say to each other the same words that are written, "Day to day utters" that same "speech," thereby praising Him. The words "and night to night" refer to the levels that govern the night, WHICH ARE THE SFIROT OF MALCHUT. They praise one another with the knowledge that each RECEIVES from his friends. And by this state of harmony and perfection, they become their friends and beloved ones.

141. "There is no speech nor language" (Tehilim 19:4). THIS REFERS TO the speech and language that belong to worldly matters that are neither heard nor uttered before the Holy King, Who is not interested in hearing them. But the words, "Their line is gone out through all the earth," (Ibid. 5) MEAN that these words draw a line between the inhabitants of above and the inhabitants of below. From THESE WORDS, the heavens are formed, and from THESE WORDS and from that praise, the earth is molded. And if you should say that these words wander around the world in one place, THE VERSE STATES, "and their words to the end of the world" (Ibid.).

142. Because the heavens are formed by them, who resides there? He repeated, "In them He set a tent for the sun" (Tehilim 19:5). That sacred and holy sun, WHICH IS ZEIR-ANPIN, has made His habitation in them and crowned Himself with them.

143. Because Zeir ANPIN resides among those heavens, and crowns Himself with them, He "is as a bridegroom coming out of his chamber (bridal canopy)" (Tehilim 19:6). He is happy and runs along these heavens. Then, He leaves them and enters into another tower at a different place; this tower comes from the "end of the heavens" (Ibid. 7). It certainly comes from the supernal world, which is the "extremity of the heavens" above, namely BINAH, "and His circuit." What is His circuit? It is the "extremity of the heavens" down below, NAMELY MALCHUT. THIS is the circuit of the year that revolves around all the "ends." It is attached to the heavens and extends from there to this firmament.

144. "And there is nothing hid from His heat" (Tehilim 19:7) to interpret. There is nothing hid from His heat from that circuit, WHICH IS THE CIRCUIT OF THE YEAR (AS MENTIONED PREVIOUSLY), or from the circuit of the sun that revolves in all directions. "And there is nothing hidden from His heat" means that there is no one from all the supernal levels who can hide from Him; everything revolves and comes to Him - each and everything. Nothing can be hidden from Him. "From His heat" can be interpreted as 'He heats up (gets angry) and returns to the companions the instant they have reached full repentance.' All this praise and all this gratification is the result of their study of the Torah, as it is written, "The Torah of Hashem is perfect" (Ibid. 8).

145. Hashem is mentioned here six times; there are also six verses from "The heavens declare" until "The Torah of Hashem is perfect" (Tehilim 19:2-8). And this is the secret of the verse, "In the beginning." The Hebrew word (Beresheet) has six letters and the words "Elohim created the heavens and the earth" contains six words when written in Hebrew ("Bara Elohim Et Hashamayim Ve-et Ha-aretz"). The other verses (Tehilim 19:8-11), beginning with "THE TORAH OF HASHEM IS PERFECT" AND ENDING WITH "MORE TO BE DESIRED ARE THEY THAN GOLD" are notable only for the six times that Hashem APPEARS IN THEM; THE SIX VERSES THEMSELVES ARE NOT EXPOUNDED UPON. HOWEVER, the six verses (Tehilim 19:2-8) from "THE HEAVENS DECLARE" TO "THE TORAH OF HASHEM IS PERFECT" are equated with the six letters in the WORD BERESHEET, while the six Names are equated with the six words, WHICH ARE "BARA ELOHIM ET HASHAMAYIM VE-ET HA-ARETZ" ("ELOHIM CREATED THE HEAVEN AND THE EARTH").

146. As they were sitting, his son, Rabbi Elazar, and Rabbi Aba entered. He said to them, Certainly the face of the Shechinah has come, and this is why I have called YOU PANI-EL (FACE OF EL) (SEE PAR. 119). You have seen the 'face' of the Shechinah 'face to face.' Now, because you received the Knowledge that was revealed to you concerning the scripture about Benayahu-Ben-Yehoyada, it is certainly a matter that belongs to Atika Kadisha (The Holy Ancient), WHICH IS THE SECRET OF KETER AND the scripture after it, which reads, "AND HE SLEW AN EGYPTIAN" (I Divrei Hayamim 11:23). And he who is the most concealed, WHO IS ATIKA KADISHA (THE HOLY ANCIENT), said this.

147. This verse, "AND HE SLEW AN EGYPTIAN" (I Divrei Hayamim 11:23.) IS EXPLAINED in another place AT A DIFFERENT LEVEL in this way. He opened the discussion by saying, "And he slew an Egyptian, a man of good stature, five cubits high" (I Divrei Hayamim 11:23), and all are related to the same secret. This "Egyptian" is that one who is known and IS DESCRIBED BY THE VERSE, "very great in the land of Egypt in the eyes of the servants" (Shemot 11:3), as he is great and honored. This is how the old man described him (Par. 99).

148. This scripture was studied in the Celestial Academy. "A man of good stature" (I Divrei Hayamim 11:23). All is one, as "a goodly man" and "a man of good stature" are both the same, because they represent the measurement and the bounds (dimensions) of the SHABBAT. As it is written, "And you shall measure from outside the city" (Bemidbar 35:5). It is also written, "You shall do no unrighteousness in judgment, in length, in weight, or in measure" (Vayikra 19:35). Therefore, this is a man of good stature (Heb. Middah, which can also be translated as measurement, dimension, or attribute) who stretches out from one end of the world to the other. And so was Adam (the first Man). And if you say, But it is written, "five cubits?" (I Divrei Hayamim 11:23), remember that these five cubits extended from one end of the world to the other!

149. "And in the Egyptian's hand was a spear, like a weaver's beam" (I Divrei Hayamim 11:23). It is, as the Scriptures say, "a weaver's beam," referring to the divine rod (the rod of Hashem), which was in his hand and upon which the divine ineffable Name was engraved by Betzal-el and his Academy by the radiance of the letter combinations. And this is called "weaving," as is written, "Them has He filled with wisdom of heart...of the craftsman and of the embroiderer...and of the weaver" (Shemot 35:35). And the engraved Name shone from within this rod in all directions by the illumination of the wise men that engraved the ineffable Name in forty-two ways. The rest of the passage from here onward IS similar to what HE, the old (also: 'wise') man, has already explained. How happy is his lot!

150. Be seated, my dear ones. Be seated and let us renew the preparations of the Bride for this night. Because whoever joins her, on this night, shall be guarded above and below for all of the coming year and will complete his year in peace. This is described in the verse, "The angel of Hashem encamps round about them that fear Him, and He delivers them. O taste and see that Hashem is good" (Tehilim 34:8-9).

151. Rabbi Shimon opened the discussion by saying, "In the beginning Elohim created" ("Bereshheet Bara Elohim") (Bereshheet 1:1). This verse has to be examined carefully, because whoever claims that there is another Divinity shall be wiped from the face of the world. As it is already written, "Thus shall you say to them: The Deities who have not made the heavens and the earth, they shall perish from the earth and from under these heavens" (Yirmeyah 10:11), because there is no other Creator besides the Holy One, blessed be He, Himself!

152. This verse (Yirmeyah 10:11) is written in Aramaic, with the exception of the word Elo(him), which appears at the end of the verse. If you suggest that it is because the Holy Angels do not listen or pay attention to the translated form, REFERRING TO THE ARAMAIC LANGUAGE, and are not familiar with it, THEN ON THE CONTRARY, this verse would have been said in the holy language (Hebrew) so that the Holy Angels should hear and pay attention IN ORDER that they approve of it. AND HE REPLIES: This is certainly the reason why it is written in the translated form (Aramaic), as the Holy Angels do not pay attention nor listen to it. Thus they do not envy man nor do him evil. Because in this verse EVEN the Holy Angels are included, as they are called Elohim AS WELL, and are included in the term Elohim, and they have not created the heavens and earth!

15. The heavens and earth

The Zohar discusses particular forces and beings of darkness that dwell in lower worlds, and that often move within our midst. Much of the turbulence and turmoil of life originates from these entities. The Zohar empowers us to banish not only darkness, but also the negative forces that give rise to it.

153. HE SAYS: THE VERSE READS, "and Arka," when it should have read, 'and Arah?' AND HE EXPLAINS: Because "Arka" is one of the seven territories down below. And in that place, the descendants of Kayin live. BECAUSE after he had been banished from the face of the earth, he went down there and begot children. And there he became confused and lost all knowledge. And it is a double land that consists of darkness and light.

154. And there are two ruling commissioners there, one that governs over the darkness and one over the light. And they are hostile to each another. When Kayin went down there, they joined one another and made peace. And all realized that they were the descendants of Kayin. Therefore, they have two heads, just like two snakes, except when the COMMISSIONER who rules over the light rules over his, namely over the light, and over the other, NAMELY THE COMMISSIONER OF THE DARKNESS. Accordingly, those that belong to the darkness became included within THOSE of the light; thus, they became as one.

155. These two commissioners are CALLED Afrira and Kestimon, and their images are like the images of the Holy Angels with six wings. One has the image of an ox, and the other the image of an eagle. And only when they become united do they assume the image of man.

156. When they are enveloped with darkness, they change their forms into a snake with two heads and move like a snake. They fly around in the abyss and bathe in the Great Sea. And when they reach the chains of Uzza and Aza-el, they irritate and arouse them. Then they leap into the "mountains of darkness," thinking that the Holy One, blessed be He, wishes to call upon them for judgment.

157. And these two commissioners swim in the Great Sea and fly off from there. They then go at night to Na'amah, the mother of the demons, by whom the first "Sons of Elohim" were misled (Bereshheet 6:2). Although they wish to go near her, she leaps away 6,000 parasangs. Then she turns, CHANGING HER FORM into many different shapes in the eyes of human beings, so that they may be led astray after her.

158. And these two commissioners fly off and wander around the entire world. Then they return to their places. And they arouse the descendants of Kayin, with a spirit of evil inclinations, to beget children.

159. The heavens that govern there are not like OUR HEAVENS, and the land bears neither seed nor fruit by their labor, AS DOES OURS. And the SEEDS will not GROW again until many years and cycles have passed. And these are DESCRIBED by THE WORDS, "The Divinities that have not made the heavens and the earth, these shall perish from the earth" (Yirmeyah 10:11) referring to the upper earth, which is called 'Tevel', so that they may not rule over it and not wander about in it, nor cause human beings to be defiled by nocturnal emission. Therefore, "these shall perish from the earth and from under these heavens" that were created by the Name "Eloha" (SEE PAR. 14), as we have already learned.

160. Thus, this verse is written in the translated (Aramaic) form in order not to let the Holy Angels think that it is said about them - so that they will not be hostile to us. Therefore, the secret of the WORD "Elohim (these)," is as we have already stated. It is a holy word (a sacred Name) that is not to be translated into Aramaic.

16. "As among all the wise men of the nations, there is none like you"

The mighty spiritual powers of the Creator are often entrusted to the righteous. Thus, Elijah the Prophet and Elisha were given the power to resurrect the dead. Elijah was given the power to stop and start the rain at will. Joshua was able to stop the sun. The secret revealed by the Zohar pertains to the will of the Creator, and to His intention that we ourselves should have the power to generate miracles. The Kabbalists teach us that God does not perform miracles, only man does. It is only our lack of spiritual knowledge of the supernal secrets that prevents us from performing miraculous deeds each day of our lives. Perhaps the most powerful secret for overcoming the limits of nature involves our transformation beyond the tendencies of human nature. When we bring about a miracle -- that is, a dramatic spiritual change -- within our inner character, the Upper Worlds mirror our actions. They direct supernal forces into our mundane world, and wondrous acts are accomplished. Through the knowledge we are now acquiring by thoughtful meditation upon the Zohar, we draw the strength to transform the fundamental nature of our being.

161. Rabbi Elazar said to him, There is a verse that reads, "Who would not fear You, O King of the nations? For to You it is fitting" (Yirmeyah 10:7). What sort of praise is this? He, RABBI SHIMON, replies: Elazar my son this verse has been said in many places. And certainly it is not so; ITS MEANING IS NOT A SIMPLE EXPLANATION, because it is written, "For among all the wise men of the nations, and in all their kingdoms, there is none like You" (Ibid.). And this is written as an excuse for the sinners, FOR THOSE who think that the Holy One, blessed be He, is not aware of their doubts and their thoughts. And because of this, their folly should be announced in the open. Because once a philosopher of a remote nation approached me, and said, You claim that your Deity governs the entire heights of the heavens, and all the heavenly hosts and legions are not able to approach Him, nor do they know His place. But here, this verse does not add a lot to His honor. As it is written, "as among all the wise men of the nations...there is none like You." What kind of a comparison is this, to be compared with human beings who do not have eternal existence?

159. שְׁמַיָּא דְּשִׁלְטִין תַּמָּן לֹא בְּהַנִּי. וְלֹא אוֹלִיכְתָּ דְּאֶרְעָא בְּחִילָא דְּלֵהוֹן זְרוּעָא וְחֻצְרָא בְּהַנִּי, וְלֹא אֶהְדְּרָן אֱלֹא בְּכַמָּה שָׁנִין וְחֻמְנִין. וְאִינוּן אֱלֹהָא דִּי שְׁמַיָּא וְאֶרְקָא לֹא עֲבָדוּ, יֵאבְדוּ מֵאֶרְעָא עַלְמָא דְּתִבְלָא, דְּלֹא יִשְׁלֹטוּן בְּהָ, וְלֹא יִשְׁטַטוּן בְּהָ, וְלֹא יֵהוּן גְּרַמִּין לְבַנֵּי נֶשָׂא לְאַסְתָּאבָא מִמְקָרָה לִילִיָּא. וְעַל דָּא יֵאבְדוּ מֵאֶרְעָא וּמִן תַּחוּת שְׁמַיָּא דְּאֶתְעִבְדוּ בְּשִׁמָּא דְּאֱלֹהִיָּהּ, כְּמָה דְּאֶתְמַר.

162. And furthermore, since you commented ON THE VERSE, "And there arose not a prophet since in Yisrael like Moshe" (Devarim 34:10), that only in Yisrael has there not arisen, as among the other nations of the world, one like him. So I claim the same, that among all the wise men of the nations...there is none like to him! But among the wise men of Yisrael there is! And therefore, a Creator who has an equal among the wise men of Yisrael is not an all-powerful Deity. Look closely into the verse, and you shall see that I am precisely correct!

163. I said to him, what you have said is definitely correct, THAT AMONG THE WISE MEN OF YISRAEL THERE IS AN EQUAL TO HIM, because who raises the dead and brings them back to life? It is the Holy One, blessed be He, alone! Yet Eliyahu and Elisha came and raised the dead back to life. Who causes rain to fall? It is the Holy One, blessed be He, alone! Yet Eliyahu came and prevented rain, then caused it to fall through his prayer. Who made the heavens and the earth? It was the Holy One, blessed be He, alone! Yet Avraham came and the heavens and the earth were properly established, for his sake.

164. Who governs the sun? It is the Holy One, blessed be He, alone! Yet Yehoshua came and silenced it, commanding it to stand still in its place - and it stood still in silence. As it is written, "And the sun stood still and the moon stayed" (Yehoshua 10:13). The Holy One, blessed be He, issues decrees, yet Moshe as well issued a decree, and it was fulfilled. Furthermore, the Holy One, blessed be He, issues decrees (and passes sentences), while the righteous of Yisrael cancel them. As it is written: "The Righteous rule over the fear of Elohim" (II Shmuel 23:3). Even more so, He, THE HOLY ONE, BLESSED BE HE, has commanded them to walk along (literally) 'in His steps' and to be like Him in every way! The philosopher then went to Kfar Shachalayim and became a proselyte. And they called him Yosi Ha-Katan ('Humble Yosi'). He studied much and joined the wise and pious men of that place.

165. We should have a closer look at this verse, now. It is written: "All the nations are as nothing before Him" (Yeshayah 40:17). What is so special about this? Rather, "Who would not fear You, O King of nations?" (Yirmeyah 10:7) is He the King of the other nations, and not the King of Yisrael?! The Holy One, blessed be He, wishes to be glorified by Yisrael and be proud with them. Therefore, He is always called in relation to the name of Yisrael, as is written, "Hashem of Yisrael," "Hashem of the Hebrews" (Shemot 5:1-3). Also it is written: "Thus says Hashem, the King of Yisrael" (Yeshayah 44:6) - the King of Yisrael explicitly! The other nations of the world said, We have a different Guardian up in the heavens, because your King governs over you alone, and not over us.

162. ותו, דאתון אמרין, ולא קם נביא עוד בישראל כמשה. בישראל לא קם, אבל באומות העולם קם. אוף הכי, אנא אימא, בכל חכמי הגוים אין כמוהו, אבל בחכמי ישראל אית. אי הכי, אלהא דאית בחכמי ישראל בוותיה, לאו איהו עלאה שליטא. אסתכל בקרא, ותשבח דדייקנא בדקא יאות.

163. אמינא ליה, ודאי שפיר קא אמרת. מאן מחיה מתים, אלא קדוש ברון הואבלחודוי, אתא אליהו ואלישע, ואחיו מתייא. מאן מוריד גשמים אלא קדוש ברון הואבלחודוי, אתא אליהו, ומנע לון ונחית לון בצלותיה. מאן עבד שמיא וארעא, אלא קדוש ברון הואבלחודוי, אתא אברהם, ואתקימו בקיומוהי בגיניה.

164. מאן מנהיג שמשא אלא קדוש ברון הוא, אתא יהושע, ושכיך ליה ופקיד ליה דיקום על קיומיה ואשתכך, דכתיב וידום השמש וירח עמד. קדוש ברון הואגוזר גזר דין, אוף הכי משה גזיר גזר דין, ואתקימו. ותו, דקדוש ברון הואגוזר גזרין, וצדיקיא דישראל מבטלין לו, דכתיב צדיק מושל יראת אלהים. ותו דאיהו פקיד לון למהך באורחוי ממש, לאתדמא ליה בכלא. אזל הוא פילוסופא ואתגייר בכפר שחלים, וקרן ליה יוסי קטינאה. ואוליף אורייתא סגיא, ואיהו בין חכימין וזכאין דהוא אתר.

165. השתא אית לאסתכלא בקרא, והא כתיב כל הגוים כאין נגדו. מאי רבויא הכא. אלא מי לא יראך מלך הגוים, וכי מלך הגוים איהו ולא מלך ישראל. אלא בכל אתר, קדוש ברון הואבעא לאשתבחא בישראל, ולא אתקרי אלא על ישראל בלחודוי, דכתיב אלהי ישראל, אלהי העברים. וכתיב כה אמר יי מלך ישראל, מלך ישראל ודאי. אמרו אומות העולם, פטרון אחרן אית לן בשמיא, דהא מלכיכון לא שליט אלא עליוכו בלחודיכון, ועלנא לא שליט.

166. Thus, this verse that reads: "Who would not fear You, O King of Nations" (Yirmeyah 10:7), which means that He is a Supernal King, OVER THEM, has dominion over them, punishes them and controls them, as He wishes to "...for to you it is fitting to fear you above and below" (Yirmeyah 10:7) "For among all the wise men of the nations" (Ibid.) refers to the governors and rulers UP ABOVE who govern them. "And in all their kingdoms" (Ibid.) refers to the kingdom above. There are four ruling kingdoms above, and they govern all the other nations according to the desire of the HOLY ONE, BLESSED BE HE. And even with all this, they are not able to accomplish even the tiniest deed without Him commanding them. As it is written, "and He does according to His will in the host of heaven, and among the inhabitants of the earth" (Daniel 4:32). The "wise men of the nations" are the governors and rulers of above, from whom the Wisdom of the OTHER NATIONS is derived. "And in all their kingdoms" refers to the aforementioned kingdom that rules OVER THEM. And this is the explicit meaning of the verse.

167. But: "for among all the wise men of the nations, and in all their kingdoms" (Yirmeyah 10:7). These words I found in the books of the Ancients, so that even though they, the hosts and legions UP ABOVE, were put in charge of worldly affairs and He ordered each one to fulfill his mission, who can do it like You? Not one of them! Because You excel over them all in Your ability and in Your deeds. And this is the meaning of "There is none like You, Hashem" (Ibid.), who is the Holy Unknown, above and below. Who can do what You do, or be what You are, in all the doings of the Holy King up in the heavens, or down on earth?! So they "are all of them vain, and the things they delight in do not help" (Yeshayah 44:9). While of the Holy One, blessed be He, it is written, "In the beginning Elohim created," (Bereshheet 1:1-2) and about their kingdom, it is written, "and the earth was without form and void" (Ibid).

168. Rabbi Shimon addressed his companions, saying, Members of this wedding, let each of you adorn the bride with a certain decoration of his." He said to Rabbi Elazar his son: Elazar present the bride with a gift! So that on the following day, when He, ZEIR-ANPIN, enters under the bridal canopy followed by the songs and praises that the members of the Bridal Chamber offered her, you may stand before Him.

17. Who is this?

During the night, as we sleep, negative forces attach themselves to our hands. Like magnets, our hands that attract these forces because they carry out negative actions during our waking hours. They manifest the negative thoughts that reside in our hearts and minds. For this reason, one must never recite prayers or blessings without first washing the hands. This section arouses positive, purifying energy, and enables us to use our hands genuine sharing and other worthy deeds.

169. Rabbi Elazar opened the discussion by quoting, "Who is this coming up out of the wilderness?" (Shir Hashirim 3:6). "Who is this" is the joining of two systems of holiness, of the two worlds of BINAH AND MALCHUT, into one firm bond. "Coming up out of the wilderness," means that it actually "comes up" to become the Holy of Holies. Because "Who," WHICH IS BINAH, is the Holy of Holies and has joined "this," WHICH IS MALCHUT, so that it, THE MALCHUT, becomes as a column of smoke "coming up" to the Holy of Holies. "Out of the wilderness," means that She inherits THIS [system] from out of the wilderness in order to become a bride and enter the bridal canopy.

170. Furthermore she came out of the wilderness as it is written, "And your speech (Heb. Midbarech) is comely" (Shir Hashirim 4:3), referring to that utterance (Heb. Midbar) of the lips that "come up" (Heb. Olah) (Shir Hashirim 3:6). BECAUSE THE (HEBREW) WORD MIDBAR IS DERIVED FROM THE HEBREW WORD DIBUR (which refers to 'articulation'). And we have learned why it is written in scripture, "these mighty Deities; these are the Deities that smote the Egyptians with all manner of plagues in the wilderness" (I Shmuel 4:8). But is it possible that all the Holy One, blessed be He, brought about occurred only "in the wilderness?" Was it not (also) in the place of habitation? But the phrase "in the wilderness" (Heb. Bamidbar) IS TO BE INTERPRETED by the power of the spoken word (Heb. Be-Di-bur). As it is written, "and your speech is comely." It is also written, "nor from the desert (Midbar) peaks (Tehilim 75:7). Similarly (the verse) "coming up out of the wilderness" (derived from the equivalent Hebrew word meaning "to speak") (Shir Hashirim 3:6) means "from the word that is uttered by the mouth," WHICH IS MALCHUT. She rises and enters between the wings of the Mother, WHICH IS BINAH. Afterwards, by articulation, she, THE MALCHUT, descends and rests upon the heads of the leaders of the holy nation.

171. HE ASKS: How does She, MALCHUT, rise up by the uttered word? AND HE REPLIES: Because when a person awakens in the morning - at the time that he opens his eyes - he should at first praise and bless his Master. How is he to make the blessing? This is what the pious ones did: They prepared beside them a vessel of water, and when they awoke at night, they washed their hands, rose up, and studied the Torah. And they blessed on their Torah recitation as well! WHEN the cock crows and it is exactly midnight, then the Holy One, blessed be He, joins the Righteous in the Garden of Eden. It is forbidden to utter any blessing IN THE MORNING with unclean hands, as it is at any time of the day.

172. Because when a person falls asleep, his spirit departs from him. And when the spirit departs from him, the spirit of impurity comes forth, SETTLES ON HIS HANDS, and defiles them. So it is forbidden to utter any blessing without first washing one's HANDS. And if you might say, If it is so, then on a day when a person does not go to sleep and his spirit does not depart from him, the spirit of impurity does not defile his hands; NEVERTHELESS, when he enters the lavatory, he should not utter any blessing nor read the Torah - not even one word - until he washes his hands. And although you might say that it is because they are sullied, this is not so! Because how did they become soiled?

169. פתח רבי אלעזר ואמר מי זאת עולה מן המדבר וגומר, מי זאת כללא דתרין קדושין, דתרין עלמין בחבורא חדא וקשורא חדא, עולה, ממש למהוי קדש קדשין, דהא קדש קדשין מ"י, ואתחברא בזאת, בגין למהוי עולה דאיהי קדש קדשים. "מן המדבר", דהא מן המדבר ירתא למהוי כלה ולמיעל לחופה.

170. תו, מן המדבר איהי עולה, כד"א ומדברך נאווה. בההוא מדבר דלחישו בשפון, איהי עולה. ותנינן, מאי דכתיב האלהים האדירים האלה, אלה הם האלהים המכים את מצרים, בכל מכה במדבר וכי כל דעבד לון קדוש ברוך הוא במדבר הוה, והא בישובא הוה, אלא במדבר, בדבורא, כד"א ומדברך נאווה וכתיב ממדבר הרים, אוף הכי עולה מן המדבר, מן המדבר ודאי, בההיא מלה דפומא איהי סלקא, ועאלת בין גרפי דאמא, ולבתר בדבורא, נחתא ושריא על רישיהו דעמא קדישא.

171. היך סלקא בדבורא, דהא בשירותא, כד ב"נ קאים בצפרא, אית ליה לברכא למאריה, בשעתא דפקח עינוי, היך מברך, הכי הוו עבדי חסידי קדמאי, נטלא דמייא הוו יהבי קמייהו, ובזמנא דאתערו בליליא, אסחן ידיהו, וקוימי ולעאן באורייתא, ומברכי על קריאתה. תרנגולא קרי, וכדין פלגות ליליא ממש, וכדין קדוש ברוך הוא אשתכח עם צדיקיא בגנתא דערן, ואסיר לברכא בדין מסואבות ומזוהמות וכן כל שעתא.

172. בגין דבשעתא דבר נש נאים, רוחיה פרחא מניה, ובשעתא דרוחיה פרחא מניה, רוחא מסאבא זמין, ושריא על ידוי, ומסאב לון, ואסיר לברכא בהו בלא נטילה. ואי תימא אי הכי, הא ביממא דלא נאים ולא פרח רוחיה מניה, ולא שריא עליה רוחא מסאבא, וכד עאל לבית הכסא, לא יברך ולא יקרא בתורה אפילו מלה חדא, עד דיסחי ידוי. ואי תימא, בגין דמלוכלכים אינון, לאו הכי הוא, במה אתלכלכו.

173. Woe to those human beings who are not aware of their Master's honor and do not pay heed to His Majesty, and do not know the purpose of this world. Because there is a certain spirit that dwells in every privy in the world, a spirit that enjoys tarnishing and pollution, and immediately settles on the fingers that belong to the hands of human beings.

173. אֵלָא ווּי לְבַנֵי עֲלָמָא, דְלֵא מְשַׁגְיָחִין וְלֵא יַדְעִין בְּיַקְרָא דְמֵאֲרִיָהוֹן, וְלֵא יַדְעִי עַל מַה קְיוּמָא עֲלָמָא. רוּחָא חָדָא אֵית בְּכָל בֵּית הַבְּסָא דְעֲלָמָא, דְשְׂרִיא תַמָּן, וְאֲתֵהֵי מֵהוּוּא לְכַלּוּכָא וְטַנּוּפָא, וּמִיד שְׂרִי עַל אֵינוֹן אֶצְבָּעֵן דִּידוּי דְבַר נֶשׁ.

18. He who rejoices on festivals but does not share with the poor

If a person is joyous over his own lot in life but does not share any portion of it, great judgment can befall him. Moreover, sharing for purposes of recognition and honor is worthless in the Upper Worlds. Genuine sharing involves self-sacrifice and giving of oneself beyond that which is comfortable. True generosity occurs when the benefactor does not know to whom he gave, and the recipient does not know who has given unto him. Understanding this precept can greatly enrich our appreciation for the importance of sharing, which is the most effective way to remove any judgments that hang over us.

174. Rabbi Shimon opened the discussion by saying that he who rejoices on festivals, but does not give his portion to the Holy One, blessed be He, then that Evil Eye - Satan - shall hate and persecute him, and shall take him out of this world. And he will bring many miseries upon miseries.

174. פִּתַּח רַבִּי שְׁמַעוֹן וְאָמַר, כָּל מֵאֵן דְּחָדִי בְּאֵינוֹן מוּעֲדָיָא, וְלֵא יְהִיב חוּלְקִיָּה לְקַדְשָׁא בְּרִיךְ הוּא, הֵוּא רַע עֵין שְׁטָן שׁוּנָא אוֹתוֹ וְקָא מְקַטְרַג לֵיהּ, וְסָלִיק לֵיהּ מֵעֲלָמָא, וְכַמְהָ עָקוּ עַל עָקוּ מְסַבֵּב לֵיהּ.

175. The role of the Holy One, blessed be He, is to make the poor happy, according to his ability. Because on these days, DURING FESTIVALS, the Holy One, blessed be He, comes to see all His broken vessels. He comes to see them, but then realizes that they have nothing TO BE happy about. And He weeps over them, before ascending back above, intending to destroy the world.

175. חוּלְקִיָּה דְקַדוּשׁ בְּרוּךְ הוּא, לְמַחְדֵי לְמַסְכְּנֵי כְּפּוּם מַה דִּיכּוּל לְמַעַבְד. בְּגִין דְקַדוּשׁ בְּרוּךְ הוּא בְּיוֹמֵינֵי אֵלִין, אֲתֵי לְמַחְמֵי לְאֵינוֹן מֵאֵינוֹן תְּבִירִין דִּילֵיהּ, וְעָאֵל עֲלֵיהּ, וְחַמֵי דְלֵא אֵית לְהוֹן לְמַחְדֵי, וּבְבִי עֲלֵיהּ. סָלִיק לְעֵילָא לְחַרְבָּא עֲלָמָא.

176. The members of the Academy (Yeshivah) then stand before Him, saying, Master of the Universe, You are called gracious and merciful. So, apply Your mercy on Your children! He said to them: 'Have I not created the world based upon love?' As it is written, "For I have said, the world is built by Love" (Tehilim 89:3). So the whole universe is established upon it. But if they do not LOVE THE POOR, THEN 'I SHALL DESTROY THE WORLD.' The heavenly angels then say to Him, Master of the universe, there is a certain person who has eaten and drunk to his fill and could have been kind to the poor, but did not share with them anything! Then the "Adversary" (Satan) comes and obtains permission to persecute that person.

176. אֲתָאֵן בְּנֵי מַתִּיבְתָא קַמֵּיהּ, וְאָמְרֵי רַבּוֹן עֲלָמָא רַחוּם וְחַנוּן אֲתַקְרִיאֲתָ. יִתְגַּלְגֵּלּוֹן רַחֲמֵךְ עַל בְּנֵךְ. אָמַר לוֹן: וְכִי עֲלָמָא לֹא עֵבִידַת לֵיהּ אֵלָא עַל חַסְדֵי, דְכִתִּיב אֲמַרְתֵּי עוֹלָם חַסֵּד יִפְנֶה, וְעֲלָמָא עַל דָּא קְיוּמָא. אָמְרֵי קַמֵּיהּ מְלָאכֵי עֲלָנֵי, רַבּוֹן עֲלָמָא, הָא פְּלַגְנָא דְאֵכּוּל וְרוּי, וְיִכּוּל לְמַעַבְד טִיבוּ עִם מַסְכְּנֵי וְלֵא יְהִיב לוֹן מִיָּדֵי. אֲתֵי הֵוּא מְקַטְרַגָּא וְתַבַּע רְשׁוֹ, וְרַדְף אֲבַתְרִיָּה דְהֵוּא בַר נֶשׁ.

177. Whom do we have in the world greater than Avraham, who had mercy on all living beings? Of the day that he prepared a feast, what is written? "And the child grew, and was weaned. And Avraham made a great feast on the day that Yitzchak was weaned" (Bereshheet 21:8). So Avraham prepared a feast and invited all the leaders and important people of that generation to that feast. And we have learned that at every banquet, the 'Adversary' wanders about, observing if each person first dispenses charity to the poor. If there are any poor people in his house, then he (the "Adversary") leaves that house and does not enter. But if not, the 'ADVERSARY' enters that house. If he sees the merrymaking without the poor and without having first dispensed charity to the poor, he ascends above and brings accusations against him.

177. מֵאֵן לָן בְּעֲלָמָא גְדוּל מֵאַבְרָהָם, דְּעֵבַד טִיבוּ לְכָל בְּרִיין. בְּיוֹמָא דְעֵבַד מְשַׁתֵּינָא, מַה כְּתִיב, וַיִּגְדַּל הַיֶּלֶד וַיִּגְמַל וַיַּעַשׂ אַבְרָהָם מִשְׁתֵּה גְדוּל בְּיוֹם הַגְּמֹל אֶת יִצְחָק. עֵבַד אַבְרָהָם מְשַׁתֵּינָא, וְקָרָא לְכָל רַבְרָבֵי דְרָא לְהֵיָא סְעוּדָתָא. וְתַנִּינָן, בְּכָל סְעוּדָתָא דְחַדוּהָ, הֵוּא מְקַטְרַגָּא אֲזִיל וְחַמֵי, אִי הֵוּא בִּינֵי אַקְדֵיִם טִיבוּ לְמַסְכְּנֵי, וּמַסְכְּנֵי בְּבֵיתָא, הֵוּא מְקַטְרַגָּא אֲתַמְרֵשׁ מֵהֵוּא בֵּיתָא וְלֵא עָאֵל תַּמָּן, וְאִי לֹא, עָאֵל תַּמָּן, וְחַמֵי עַרְבוּבֵיָא דְחַדוּהָ בְּלֵא מַסְכְּנֵי, וּבְלֵא טִיבוּ דְאַקְדֵיִם לְמַסְכְּנֵי, סָלִיק לְעֵילָא וּמְקַטְרַגָּא עֲלֵיהּ.

178. Because Avraham convened (summoned) all the great leaders of that generation, the 'Adversary' descended from the heavens and stood at the door disguised as a poor man. And nobody paid any attention to him. Avraham was attending the kings and the noble men. Sarah suckled all their sons because they did not believe that she had born a child, but rather claimed that YITZCHAK was a foundling whom they picked up from the marketplace. This is why they brought their sons with them, so that Sarah could take them and nurse them in front of their parents. As it is written: "Who would have said to Avraham that Sarah would nurse children?" (Bereshheet 21:7). It should have been written, 'WOULD NURSE A CHILD?' Nevertheless, there is no doubt that it should be 'children,' REFERRING TO THE CHILDREN OF ALL THE GUESTS. And that 'Adversary' was STANDING at the door. Sarah said: "Elohim has made banter of me!" (Bereshheet 21:6). So immediately the 'Adversary' went up and stood before the Holy One, blessed be He, and said to Him, "O Master of the Universe, You have said, 'Avraham is the one who loves Me,' and here he prepared a feast but did not give anything to You or to the poor. He did not sacrifice even one pigeon for Your sake. And furthermore, Sarah claims that You have mocked her!"

179. The Holy One, blessed be He, replied: 'Who in the world can be compared to Avraham?' But the 'Adversary' did not leave the place until he had spoiled the entire feast. So the Holy One, blessed be He, decreed that Yitzchak should be given as an offering, and Sarah was destined to die from anguish because of her son. All of this distress was caused because he did not offer anything to the poor!

19. Torah and prayer

The Zohar reveals that the study of Torah connects us to the Tree of Life reality, a realm of pure fulfillment and infinite spiritual Light. This Tree of Life connection, which is achieved by learning Torah, radiates a powerful protective Light. This Light is instantly drawn into our lives at the moment we gaze upon the Aramaic verses.

180. Rabbi Shimon opened the discussion by quoting, in accordance with what is written: "Then Chizkiyahu turned his face to the wall, and prayed to Hashem" (Yeshayah 38:2). Come and see how powerful is the might of the Torah, and how high it rises above all! Because whoever conducts his life according to the Torah has no fear of those above or below, and mishaps or illnesses of this world do not concern him. Through the Torah, he is attached to the Tree of Life and learns from it every day.

181. The Torah teaches every person how to walk a straight path. It gives advice how to repent and return to one's Master to cancel the decree against him. Because even though a decree has been given not to cancel the decree against him, it shall nevertheless be canceled and not be applied to him anymore in this world. So for this purpose, man should occupy himself in the study of the Torah day and night, and it should always be in his mind. As it is written, "you shall meditate therein day and night" (Yehoshua 1:8). So if his mind drifts away from the Torah - or he abandons it - it is as though he abandons the Tree of Life.

178. אַבְרָהָם, בֵּינוֹן הַזְמִין לְרַבְרְבֵי דְרָא, נַחַת מְקַטְרָגָא וְקָם עַל פְּתַחַא בְּגוּוּנָא דְמַסְכְּנָא, וְלֹא הוּהּ מֵאֵן דְאַשְׁגַּח בֵּיהּ. אַבְרָהָם הוּהּ מִשְׁמֵשׁ לְאִינוּן מַלְכִין וְרַבְרְבִין. שְׂרָה אוֹנִיקַת בְּנִין לְכֻלְהוּ דְלֹא הוּוּ מֵהִמְנִין כִּד אִיהִי אוֹלִידַת. אֶלֶּא אֲמַרוּ אֲסוּפֵי הוּא וּמִן שׁוּקָא אִיתִיאוּ לֵיהּ, בְּגִין כִּךְ אֲתִיִּין בְּנִיֵּיהּוּ בְּהַדְרִיֵּיהּ, וְנִטְלַת לֹון שְׂרָה וְאוֹנִיקַת לֹון קִמְיֵיהּ. הַה"ד מִי מִלַּל לְאַבְרָהָם הַנִּיקָה בְּנִים שְׂרָה, בְּנִים וְדָאִי. וְהוּא מְקַטְרָגָא עַל פְּתַחַא. אֲמַרְהָ צְחוּק עֲשֵׂה לִי אֱלֹהִים. מִיִּד סָלִיק הַהוּא מְקַטְרָגָא קִמִּי קְדוּשׁ בְּרוּךְ הוּא, וְאֲמַר לֵיהּ רַבּוֹן עֲלֵמָא, אֵת אֲמַרְתְּ אַבְרָהָם אוֹהֵבִי, עֲבַד סְעוּדַתָּא וְלֹא יֵהֵב לְךָ מִיַּדִּי, וְלֹא לְמַסְכְּנִי, וְלֹא קְרִיב קְדַמְךָ אֲפִילוּ יוֹנָה חַד. וְתוּ, אֲמַרְתְּ שְׂרָה דְחִיִּיכַת בָּהּ.

182. Come and see: Good advice for all people. When a person lies on his bed at night and goes to sleep, he should wholeheartedly take upon himself the yoke of complete subordination to the heavenly Kingdom, and he should quickly prepare to return his entrusted soul to Him. Then he shall be immediately spared from all bad diseases and evil spirits, and they shall have no power over him.

183. And in the morning, as he rises from his bed, he should then praise his Master, enter into His house, and bow in front of His sanctuary in great awe. And afterward, he should recite his prayers. For he should take advice from the holy Patriarchs, as it is written, "But as for me, I will come into Your house in the multitude of Your love; and in the fear of You, I will bow down toward Your holy temple" (Tehilim 5:8).

184. This verse has been explained as follows. A person should not enter the synagogue unless he first consulted, I.E., RECEIVED PERMISSION FROM, Avraham, Yitzchak, and Yaakov. Because they have prepared and instituted the prayer to the Holy One, blessed be He. As it is written, "I will come into Your house in the multitude of Your love" (Tehilim 5:8) refers to Avraham, WHO IS CHESED; "I will bow down towards Your holy temple" refers to Yitzchak; because from Yitzchak MALCHUT IS CALLED A TEMPLE; "in the fear of You" refers to Ya'akov, WHO IS THE SECRET OF TIFERET THAT IS ALSO CALLED FEARSOME. Therefore, he should include himself with them and then enter the synagogue and recite his prayers. Then the scripture reads, "And He said to me, you are My servant, Yisrael, in whom I will be glorified" (Yeshayah 49:3).

20. Rabbi Shimon's departure from the cave

The Zohar recounts the final day that Rabbi Shimon and his son Rabbi Elazar spent in the cave where Rabbi Shimon had buried himself neck deep in the ground for 13 years, during his learning of the Zohar. Rabbi Shimon at last emerges from the cave, battered and decomposed. He credits his total disregard for the comforts and desires of his body as the secret behind the revelation of the wisdom of the Zohar. By relating this passage to our own lives, we too can arouse the will and self-control for overcoming destructive tendencies, which are rooted in the Desire to receive for the self alone.

185. Rabbi Pinchas frequently visited Rabbi Rachumai, who lived at the shore of Lake Kinneret. He was a great man who was full of years and had lost his eyesight. He said to Rabbi Pinchas, I have heard that our friend Yochai has a jewel, a precious stone, NAMELY A SON. And I have observed the light that shines from that jewel; and it shines like the radiance of the sun as it emerges out from its sheath and illuminates the whole world.

186. And that light extends from the heavens down to the earth, where it brightens the whole world until the Ancient of Days (Atik-Yomin), WHO IS KETER, appears and is properly seated upon the chair (or throne), THIS REFERS TO THE END OF THE TIKUNE PROCESS. And this radiance is contained entirely in your household, THAT IS IN YOUR DAUGHTER, BECAUSE THE DAUGHTER OF RABBI PINCHAS WAS THE WIFE OF RABBI SHIMON, THE SON OF YOCHAI. And from this effulgence that is contained in your household, a tiny ray of light, THAT IS THE SON OF HIS DAUGHTER, WHO IS RABBI ELAZAR, comes forth and brightens up the whole world. How happy is your lot. Go my son, go! Go after that jewel that shines and lights up all the world, as the hour is propitious for you.

187. He took his leave from him and was about to enter a boat, accompanied by two people. He saw two birds flying toward him over the lake. He raised up his voice and said, Birds, O birds - you who fly over the waters - have you seen the place, where the son of Yochai is? He waited awhile and then said, Birds, O birds - Go and bring me back an answer! They flew away; they flew away into the middle of the sea and disappeared.

188. Before he went ON BOARD THE SHIP and departed, the two birds appeared again. In the mouth of one of them was a letter informing him that RABBI SHIMON, the son of Yochai, had left the cave together with his son, Rabbi Elazar. RABBI PINCHAS went to meet him. He saw that he had completely changed, and his body was full of scars and sores FROM STAYING SO LONG IN THE CAVE. He wept together WITH HIM and said, Woe, that I have seen you so! RABBI SHIMON REPLIED: O how happy is my lot, that you have seen me so. Because had you not seen me so "scarred," I would not have been so, THAT IS BEEN WHAT I AM! Rabbi Shimon opened the discussion on the precepts of the Torah by saying, The precepts of the Torah that were given to Yisrael by the Holy One, blessed be He, are all written in the Torah in general.

21. The precepts of the Torah

The Zohar embarks on a discussion that pertains to fourteen significant spiritual precepts:

(A) The first precept: To be in awe of the Creator

This is the first step in developing a true connection and attachment to the Light of the Creator. To violate this particular precept is to transgress all the precepts of the Torah.

189. "In the beginning, Hashem created" ("Bereshet Bara Elohim"). This is the first and foremost precept of all. And this precept is called "the fear of the Hashem," which is called the "beginning." As it is written, "The Fear of Hashem is the beginning of wisdom" (Tehilim 111:10); "The fear of Hashem is the beginning of knowledge" (Mishlei 1:7). Because this fear (or awe) is called the beginning. And it is the gateway through which one enters the world of faith. So based on this precept, the whole world is able to exist.

190. The fear is divided into three types. Two have no fundamental sources and one is the actual source of fear. There is a person who fears and respects the Holy One, blessed be He, so that his sons will live and not die, or because he is afraid to be punished through his body or his wealth. This person, therefore, is always afraid of Him. But we can see that the fear he has of the Holy One, blessed be He, has no actual source, THAT IS, IS NOT FUNDAMENTALLY GENUINE, BECAUSE HIS OWN BENEFIT IS THE ROOT CAUSE (THE SOURCE OF HIS FEAR), WHILE THE FEAR IS ONLY THE RESULT OF HIS CARING FOR HIS OWN BENEFIT! And there is a person who fears the Holy One, blessed be He, because he is afraid of the punishment that awaits him in the other world, and the tortures of Gehenom. These two KINDS of fear, NAMELY THE FEAR OF PUNISHMENT A PERSON RECEIVES IN THIS WORLD AND THE FEAR OF THE PUNISHMENT IN THE WORLD TO COME, are not the fundamentals of (actual) fear nor its genuine source!

191. The fear that is (fundamentally) genuine occurs when a person fears his Master because he is almighty and governs all; because He is the main source and essence of all worlds. And everything that exists is as nothing compared to Him. As it is written, "and all the inhabitants of the earth are reputed as nothing" (Daniel 4:32) and a person should concentrate his desires to that place which is called "fear!"

192. Rabbi Shimon began to weep and said, woe if I say and woe if I do not say. If I say, then the evil ones shall know how to serve (worship) their Master. And if I do not say, the friends shall lose it. Because at the location where the 'sacred fear' is to be found, OPPOSING it and down below, there is an 'evil fear' that smites and scourges and then prosecutes. This is a lash used for the whipping of the wicked. THIS MEANS TO PUNISH THEM FOR THEIR SINS. THIS IS WHY HE WAS AFRAID TO REVEAL (WHAT HE HAD IN MIND), BECAUSE HE DID NOT WANT THE WICKED TO KNOW HOW TO AVOID PUNISHMENT, AS THEIR PUNISHMENT IS THEIR PURIFICATION!

193. So, he who fears because of the punishment of being tortured and prosecuted, as is already stated, does not have that "fear of Hashem" that is called "the fear of Hashem" (Tehilim 111:10) that leads to life. Then what fear is such a person endowed with? It is the 'evil fear.' And so he is ruled by that whipping lash, the 'evil fear,' and not the "fear of Hashem."

194. And because of this, the place that is named the "fear of Hashem" (Tehilim 111:10) is called the "beginning of knowledge" (Mishlei 1:7). And this precept is included here. This is the source and the main principle of all the other precepts of the Torah. Whoever observes the precept of "fear" observes all the others. AND HE who does not observe the precept of "fear" does not observe any of the precepts of the Torah. Because this FEAR [OF HASHEM] is the gateway to everything!

195. Because of this, it is written, "Beresheet (In the Beginning)," which is "fear," as "Elohim created the heavens and the earth." Because, whoever transgresses this, transgresses ALL OF THE precepts of the Torah. And the punishment for he who transgresses IS this cruel and evil lash, NAMELY THIS 'EVIL FEAR,' WHICH shall whip him. Therefore "and the earth was without form and void, and darkness was upon the face of the deep; and the 'spirit' of Elohim" are the four punishments for the wicked.

196. "Without form" (Beresheet 1:2) means strangulation, as it is written, "a line of confusion" (Yeshayah 34:11) that is "a measuring line" (Zechariah 2:5). "Void" means stoning and refers to the stones that are sunk in the great deep for the purpose of punishing the wicked. And "darkness" means burning. As it is written, "And it came to pass, when you heard the voice out of the midst of the darkness, while the mountain did burn with fire" (Devarim 5:20). And this fierce fire "shall fall upon the head of the wicked" (Yirmeyah 23:19) to burn them.

197. And the "spirit" means slaughtering by the sword. Because the tempest storm is a flaming, whetted (sharp) sword. As it is written, "and the bright blade of a revolving sword" (Bereshheet 3:24). And this is also called the spirit. So this is the punishment for whoever transgresses the precepts of the Torah. Because it appears after the "fear" that is CALLED the Beginning (Heb. Resheet) and includes everything. BECAUSE AFTER THE TERM "BEGINNING," WHICH MEANS "FEAR," IT IS WRITTEN, "WITHOUT FORM AND VOID AND DARKNESS...AND THE SPIRIT" (BERESHEET 1:1-2). THESE ARE THE FOUR PENALTIES OF DEATH. From here onward, come the rest of the precepts of the Torah.

(B) The second precept: Loving the Creator

As defined by the Zohar, genuine love for the Creator is unconditional. It is not dependent on what we receive or don't receive in return. Reading the verses associated with these ideas kindles our awe and love for the Creator.

198. The second precept is that the precept of 'fear' is strongly attached to and never disconnected from the precept of 'love.' A person should love his Master truly and perfectly. And what is 'perfect love?' It is 'great love,' as it is written, "walk before Me and be perfect" (Bereshheet 17:1). The word "PERFECT" MEANS to be perfect and whole with love. Thus it is written, "And Elohim said, let there be Light" (Bereshheet 1:3). This 'perfect love' is called the "great love." And here it appears as a precept, so that a person should love his Master properly.

199. Rabbi Elazar said: My father, I have heard that meaning of 'perfect love' and its INTERPRETATION. He said to him: Say it, my son, in front of Rabbi Pinchas, as he truly exists on that level and lives accordingly. Rabbi Elazar said: Great love means perfect love, WHICH IS perfected from both sides - kindness and judgment. And if it does not include both, then it is not a proper 'perfect love'!

200. This is why we have learned that the love of the Holy One, blessed be He, is explained in two ways. There is he who loves Him because he is rich, has length of life, his children are around him, he rules his enemies, and he succeeds in his ventures. Because of all these, he loves Him. But if it were the opposite, if the Holy One, blessed be He, were to turn the wheel of fortune against him and replace this with harsh judgment, he would then hate and completely dislike Him. Therefore, this love is not a love that has a base.

201. The love that is called 'perfect love' IS that LOVE that is included from both sides, from both harsh judgment and kindness and success. He should love the Holy One, blessed be He, as we have learned; even if He was to take away your soul. This is the 'perfect love' that includes both aspects, KINDNESS AND JUDGMENT. And because of this, the light of the Action of Creation was revealed and then hidden and treasured. When it was hidden, harsh judgment came forth and both aspects - KINDNESS AND JUDGMENT - became united and reached perfection. This is true and proper love.

202. Rabbi Shimon hugged and kissed him. Then Rabbi Pinchas came and kissed and blessed him. He then said: Certainly, the Holy One, blessed be He, has sent me here. This is that tiny ray of light that I was told shines in my house, and later on shall lighten up the entire world" (Par. 186). Rabbi Elazar said: Certainly, 'fear' should not be omitted from the precepts, especially from this one, OF 'LOVE'. So 'fear' should be attached to it. How is it attached? BY the love that brings good from one side. As it is explained: when the Holy One, blessed be He, gives a person riches and all goodness, length of life, children, and sustenance, then that person should arouse in himself the 'fear.' And he should be afraid of what the sin might bring upon him, CAUSING THE TURNING OF THE WHEEL OF FORTUNE! Of this it is written, "Happy is the man that fears always" (Mishlei 28:14), because "fear" is now included with "love."

203. This is how 'fear' should be aroused - from the perspective of harsh judgment. Because once a person realizes that harsh judgment prevails upon him, he shall arouse the "fear" in himself and be afraid of his Master. Thus, he will not "harden his heart." This is what is meant by the verse, "he that hardens his heart shall fall into evil" (Mishlei 28:14), which refers to the 'Other Side' that is called 'evil'. Thus, 'fear' is attached to GOODNESS AND LOVE, AS WELL AS TO HARSH JUDGMENT. IT includes them both. AND IF 'FEAR' INCLUDES GOODNESS AND LOVE, then it is the true and proper perfect love.

(C) The third precept: Constant Awareness of the Creator
The Zohar explains the means by which we develop and evolve constant awareness of God, including recitation of the prayer, Shma Yisrael.

204. The third precept is: (1) to know that there is an almighty Hashem who governs the world; (2) to proclaim His unity properly every day, using the supernal six points - CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD OF ZEIR-ANPIN; (3) to unify them (the six points) into one whole by the six (Hebrew) words of Shema Yisrael; and (4) to orient our desire with them spiritually. Therefore, we should prolong the pronunciation of the WORD ECHAD (One) TO THE LENGTH OF TIME IT TAKES TO pronounce the other sacred six words.

205. This is the reason why it is written, "Let the waters under the heavens be gathered together to one place" (Beresheet 1:9). This MEANS: let all the grades (of water) that are below the heavens be gathered into one place, and become perfect and whole by properly including all six points. Nevertheless, even with all these joined together, during the proclamation of His unity, 'fear' should be attached to the RECITING OF SHEMA YISRAEL. So one should prolong the pronunciation of the letter Dalet (in the word Echad). THIS IS THE REASON why the letter Dalet is larger than the other letters. Thus it is written, "and let the dry land appear"(Beresheet 1:9), which means let the letter Dalet, which is the "dry land," be seen and attached to the proclamation of His unity.

206. And after She, THE MALCHUT, is attached above on high TO THE SIX POINTS OF ZEIR-ANPIN, She should then be attached down below in all of Her aspects, REFERRING TO the other six points which are down below IN MALCHUT. THIS ALLUDES to the verse, "Blessed be the name of the Glory of His Kingdom for ever and ever," which is the litany that follows the Shema, and which in Hebrew contains six additional words expressive of this unity. And then what was dry land becomes fertile soil that can produce fruits and flowers, and in which trees can be planted.

202. נְטִלְיָה רַבִּי שִׁמְעוֹן וּנְשָׁקִיָּה. אַתָּא רַבִּי פִּינְחָס וּנְשָׁקִיָּה וּבִרְכִיָּה, וְאָמַר, בּוֹדְאֵי קְדוּשׁ בְּרוּךְ הוּא שְׂדֵרְנֵי הַכָּא, דָּא הוּא נִהִירוּ דְקִיק, דְאָמְרוּ לִי דְאִתְבְּלִיל בְּבֵיתָאֵי וּלְבַתֵּר נִהִיר כָּל עֲלָמָא. אֲרִי אֲלַעְזֹר, וְדָאֵי לֹא אֲצִטְרִיךְ לְאַתְנָשִׁי יִרְאָה בְּכָל פְּקוּדִין, כִּ"שׁ בְּפִקּוּדָא דָּא, אֲצִטְרִיךְ יִרְאָה לְאַתְדַּבְּקָא בְּהָאֵי הֵיךְ אִתְדַּבְּקַת אֲהֵבָה, אִיהִי בְּסִטְרָא חַד טַב, כְּמָה דְאִתְמַר, דִּיהֵב עוֹתְרָא וְטַב, אֹרְכָא דְחַיִּי, בְּנֵי מְזוּנֵי, בְּדִין אֲצִטְרִיךְ לְאַתְעֵרָא יִרְאָה, וּלְמַדְחַל דְּלֹא יִגְרוּם חוּבָא. וְעַל דָּא כְּתִיב אֲשֵׁרִי אָדָם מִפְּחַד תָּמִיד, בְּגִין דְּהָא כְּלִיל יִרְאָה בְּאֵהָבָה.

207. This is implied in the verse, "And Hashem called the dry land earth" (Bereshheet 1:10). This was accomplished when unity was achieved below by the words, "BLESSED BE THE NAME OF THE GLORY OF HIS KINGDOM FOR EVER AND EVER," which translate into the six Hebrew words, Baruch Shem Kevod Malchuto Leolam Vaed, as dry land becomes earth, WHICH IS a properly complete and whole desire. BECAUSE THE TERM 'EARTH' MEANS 'DESIRE.' And this is why the expression "that it was good" appears twice; once for the upper and once for the lower unity. So the MALCHUT has been united and attached to both aspects - THE ASPECT OF THE SIX POINTS OF ZEIR-ANPIN AND HER OWN SIX POINTS. Hence, it is written, "Let the earth bring forth bring forth grass" (Bereshheet 1:10), because by now She has been prepared to produce fruit and flowers properly!

(D) The fourth precept: Knowing that all is Unified

The Zohar reveals that perceptions of separation and disunity are illusions caused by the limitations of human consciousness. Belief in the reality of separation and fragmentation is the most potent weapon of the primeval snake, and this belief is the foundation our evil urges and self-centeredness.

208. The fourth precept IS to know that Hashem is the Elohim. As it is written in the scriptures, "Know this day, and lay it to your heart that the Hashem is the Elohim" (Devarim 4:39). THIS MEANS that the name Elohim is included in the name of the Hashem and acknowledged as one without separation.

209. And this is the secret of the verse, "And let them be for lights in the firmament of the heaven to give light upon the earth" (Bereshheet 1:15), WHICH MEANS that both names - HA-VA-YAH and ELOHIM - should be as one without separation. It means that the Hebrew word for lights, written without a Vav TO INDICATE THAT MALCHUT IS CALLED ELOHIM, should be included within the term heaven, WHICH IS ZEIR-ANPIN THAT IS CALLED HA-VA-YAH, because they are as one without separation. Black light, SIGNIFYING MALCHUT, is encompassed within white light, SIGNIFYING ZEIR-ANPIN. Both are as one without separation. And this is the 'white cloud' by day and the 'cloud of fire' by night, which alludes to the aspect of day, WHICH IS ZEIR-ANPIN, and the aspect of night, WHICH IS MALCHUT, as they should be regulated (and combined) together in ONE UNIFIED WHOLE, to illuminate the earth. As it is written, "to give light upon the earth."

210. This is the sin of the primeval snake, who unites down below but separates above. Because of this, he caused what he caused to the world. Because what is below should be separated, and what is above should be united. So the black light, WHICH IS MALCHUT, should be united above with ZEIR-ANPIN into one unified whole. And then they should become united together with Her own legions and be separated from the 'Evil Side'.

211. Nevertheless, it is necessary to know that Elohim and Ha-Va-Yah (Tetragrammaton) are one without separation. Ha-Va-Yah is Elohim. So when a person acknowledges that both are one and does not cause any separation between them, THEN even the 'Other Side' will disappear from the world and not be drawn down below.

207. והיינו דכתיב, ויקרא אלהים ליבשה ארץ. בִּהְיוֹת יְחֻדָּא דְלִתְתָּא, אֲרַעָא רַעֵוָא שְׁלִים כְּדָקָא יְאוּת. וע"ד כִּי טוֹב כִּי טוֹב תְּרִי זְמַנִּי, חַד יְחֻדָּא עֲלָאָה, וְחַד יְחֻדָּא תִתָּאָה. בֵּינָן דְאַתְאַחִיד בְּתִרְיִן סְטְרִין, מִכָּאן וְלַהֲלָאָה תְדַשָּׂא הָאֲרֵץ דְשָׂא. אֲתַתְקַנַּת לְמַעַבְד פִּירִין וְאִיבִין כְּדָקָא יְאוּת.

209. והיינו רְזָא דכתיב, יהי מארת ברקיע השמים להאיר על הארץ, למהוי תרין שמהן חַד, בְּלָא פְרוּדָא כְּלָל, לְאֲתַכְלֵלָא מְאֲרַת חֶסֶר בְּשְׁמָא דְשְׁמַיִם, דְאִינוּן חַד, וְלִית בְּהוּ פְרוּדָא. נְהוּרָא אוּכְמָא בְּנְהוּרָא חִיוּרָא לִית בְּהוּ פְרוּדָא וְכֵלָא חַד, וְדָא הוּא עֲנָנָא חִיוּרָא דִימְמָא, וְעֲנָנָא דְאֲשַׁתָּא בְּלִילִיָא מְדַת יוֹם וּמְדַת לַיְלָה, וְלֹאֲתַתְקַן דָּא בְּדָא לְאַנְהָרָא, כְּמָה דְאַתְמֹר לְהַאִיר עַל הָאֲרֵץ.

210. וְדָא חוּבָא דְהוּא נְחַשׁ קְדַמָּאָה, חֶבֶר לְתַתָּא וְאַתְפְּרֵשׁ לְעִילָא, וּבְגִין כְּרַגְרָם מַה דְגָרָם לְעֵלְמָא. בְּגִין דְאַצְטְרִיךְ לְאַפְרָשָׁא לְתַתָּא וְלַחֲבָרָא לְעִילָא, וְנְהוּרָא אוּכְמָא אֲצְטְרִיךְ לְאַתְאַחֲדָא לְעִילָא בְּחַבּוּרָא חַדָּא, וְלֹאֲתַתְאַחֲדָא לְבַתֵּר בְּאַכְלוּסָהָא בִּיחּוּדָהָא, וְלְאַפְרָשָׁא לָהּ מְסַטְרָא בִישָׂא.

211. ועם כל דָּא, אֲצְטְרִיךְ לְמַנְדַּע דְאֱלֹהִים הוִי"ה בְּלָא חַד בְּלָא פְרוּדָא, הוִי"ה הוּא הָאֱלֹהִים. וְכֵד יַנְדַּע בְּרַ נֶשׁ דְכֵלָא חַד, וְלֹא יִשְׁוִי פְרוּדָא, אֲמִילוּ הוּא סְטְרָא אַחֲרָא יִסְתַּלַּק מֵעַל עֵלְמָא, וְלֹא אֲתַמְשֵׁךְ לְתַתָּא.

212. This is the secret behind the words, "And let them be for lights (Me-erot)" (Beresheet 1:14), WHICH IS FORMED FROM THE TWO WORDS OR (LIGHT) AND MAVET (DEATH) because the Klipah follows the Brain and the Brain is the light; the 'Other Side' is death. In the word Me-erot, the letters forming the word Or are kept together, while the letters forming the word MAVET are separated from one another. The light should be removed from there so that the separated letters of death will join one another. THIS MEANS THAT IF WE REMOVE THE LETTERS OF OR FROM WITHIN THE WORD Me-erot, THE LETTERS WILL JOIN EACH OTHER AND THE WORD WILL APPEAR AS MAVET.

213. Chavah meddled with these letters and brought evil to the world. As it, Me-erot, is written, "And when the woman saw that...was good" (Heb. Va-tere) (Beresheet 3:6), she turned the letters of Me-erot backwards, THAT IS SHE REMOVED THE LETTERS VATERE FROM THERE, leaving only the letters Mem and Vav. And they went along and took the letter Tav with them, THUS CREATING THE WORD MAVET, which means death. This is how she brought death upon the world, as the scriptures inform us.

214. "Va-tere..." (Beresheet 3:6). Rabbi Elazar said: My father, I have learned that AFTER CHAVA HAD REMOVED THE LETTERS VATERE FROM THE WORD ME-OROT, THE LETTERS MEM AND VAV DID NOT REMAIN. Only the letter Mem remained, BECAUSE the letter Vav, which is always the LETTER OF life, turned into MAVET, WHICH MEANS DEATH. This happened as described. Chava took WITH HER the letter Tav to join it, as it is written, 'she took (Heb. Va-ti-kach)...and gave (Heb. Va-ti-tane),' so the word MAVET was completed, as its letters joined one another. He said to him: Blessed are you my son, as we have now clarified this subject.

(E) The fifth precept: The Study of the Torah

The Zohar expounds on the supreme importance of Torah study. Learning brings about profound spiritual purification, and draws spiritual Light and blessing into our lives.

215. The fifth precept is found in the verse, "Let the waters bring forth abundantly the moving (crawling) creatures that have life" (Beresheet 1:20). This verse contains three precepts. The first is to study the Torah; the second is to beget children; and the third is to circumcise a male child on the eighth day of life and remove the foreskin. It is necessary to study the Torah with great effort at all times, in order to amend one's spirit and soul.

216. As a person labors in the study of the Torah, he is endowed with an additional holy soul, as it is written, "the moving creature that has life" (Beresheet 1:20). THIS REFERS to the living creature that is derived from that holy life, which is MALCHUT. If a person does not delve in the study of the Torah, he does not receive this holy soul, and the holiness of above does not rest upon him. However, when he does study the Torah, he merits that Living Spirit (Heb. Nefesh Chayah) by his mouthing the words of the Torah. Thus he becomes like the angels of above.

212. וְהִינּוּ רֵזָא דְכְתִיב, וְהִיוּ לְמְאוֹרוֹת. הָא קְלִיפָה בְּתַר מוֹחָא סְלֵקָא, מוֹחָא אֹר, סְטְרָא אַחְרָא מוֹת. אֹר בְּחַבּוּר דְאַתּוּן, מוֹת בְּמְרוּדָא. וְכַד הָאִי אֹר אֶסְתַּלַּק מִתַּמְנָן, מִתְחַבְּרָא אַתּוּן דְּמְרוּדָא מוֹת.

213. מְאִלִּין אַתּוּן שְׂרִיאת חוּה, וְגֵרַמַת בִּישָׂא עַל עֲלָמָא. כְּמָה דְכְתִיב, וְתָרָא הָאִשָּׁה כִּי טוֹב. אֶהְדַּרַת אַתּוּן לְמַפְרַע, אֶשְׁתָּאֵר מִי, וְאִינּוֹן אֶזְלוּ וְנִטְלוּ אוֹת תִּי"ו בְּהַדְיִיחָה, וְגֵרַמַת מוֹתָא עַל עֲלָמָא, כְּמָה דְכְתִיב וְתָרָא.

214. אָמַר רַבִּי אֶלְעָזָר, אָבָא הָא אֹלִיפְנָא מִ"ם אֶשְׁתָּאֵרַת יְחִידָאָה, וְאִי"ו דְּאִיְהוּ חִינּוּ תְדִיר, אֶתְהַפְּכַת וְאֶזְלַת וְנִטְלַת תִּי"ו, דְּכְתִיב וְתִקַּח וְתַתֵּן, וְאֶשְׁתַּלִּים תִּיבָה דָא וְאֶתְחַבְּרוּ אַתּוּן. אָמַר לִיה בְּרִיךְ אַנְתָּ בְּרִי, וְהָא אֹקִימְנָא מְלָה דָא.

215. פְּקוּדָא חֲמִישָׁאָה, כְּתִיב יִשְׂרְצוּ הַמַּיִם שְׂרָץ נֶפֶשׁ חַיָּה. בְּהָאִי קָרָא אֵית תַּלְת פְּקוּדִין: חַד לְמַלְעֵי בְּאוּרֵייתָא, וְחַד לְאַתְעֶסְקָא בְּפִרְיָה וּרְבִיָּה, וְחַד לְמַגְזֵר לְתַמְנִיָּא יוֹמִין וְלֹא עֵבְרָא מִתַּמְנָן עֲרַלְתָּא. לְמַלְעֵי בְּאוּרֵייתָא וְלֹא שְׁתַּדְלָא בְּה, וְלֹא פֶשָׂא לָהּ בְּכָל יוֹמָא, לְתַקְנָא נַפְשִׁיהּ וְרוּחִיהּ.

216. דְּכִיּוֹן דְּבַר נֶשׂ אֶתְעֶסַק בְּאוּרֵייתָא, אֶתְתַּקֵּן בְּנִשְׁמָתָא אַחְרָא קְדִישָׁא, דְּכְתִיב שְׂרָץ נֶפֶשׁ חַיָּה, נֶפֶשׁ דְּהֵיָא חַיָּה קְדִישָׁא, דְּכַד בַּר נֶשׂ לֹא אֶתְעֶסַק בְּאוּרֵייתָא, לִית לִיה נֶפֶשׂא קְדִישָׁא, קְדוּשָׁא דְלַעִוְלָא לֹא שְׂרִיא עֲלוּי. וְכַד אֶשְׁתַּדַּל בְּאוּרֵייתָא, בְּהֵוָא רְחִישׁוּ דְרְחִישׁ בְּה, זְכִי לְהֵיָא נֶפֶשׁ חַיָּה, וְלִמְהַדַּר כְּמַלְאכִין קְדִישִׁין.

217. As it is written, "Bless Hashem, you angels of His" (Tehilim 103:20). This refers to those who study the Torah and are called "His angels" on earth. And it is also written, "and let birds fly above the earth" (Bereshheet 1:20). This refers to this world, but as far as the other world is concerned, we have learned that the Holy One, blessed be He, will provide them with wings like those of the eagles to allow them to meander around in all the worlds. As is written, "But they that wait upon Hashem shall renew their strength, they shall mount up with wings as eagles" (Yeshayah 40:31).

218. Thus it is written, "and let birds fly above the earth" (Bereshheet 1:20), because the Torah that is called "the waters" (Ibid.) abounds, bringing forth expressions (feelings) of the Living Spirit, that is aroused from its place (of that certain spirit), WHICH IS MALCHUT, to be drawn down below, as we have learned. And this is what King David referred to, when he said, "Create in me a clean heart, O Elohim" (to study and learn the Torah), and then "renew a steadfast spirit within me" (Tehilim 51:12). (F) The sixth precept: To Procreate
The act of procreation literally opens floodgates of spiritual Light in the Upper Worlds. Through this act, we acquire the ability to bring down righteous children. It also arouses tremendous positive energy in our physical world.

219. The sixth precept is to procreate. Because he who procreates and begets children causes that stream - THE YESOD OF ZEIR-ANPIN - to flow continuously. Its waters shall never fail and the sea, that is MALCHUT, shall be filled from all directions. New souls are renewed and shall come forth from that tree, and the hosts of heaven will multiply together with those souls TO GUARD THEM. This is why it is written, "Let the waters bring forth abundantly the moving creatures that have life" (Bereshheet 1:20). This refers to the sign of the holy Covenant, the river (stream) that is drawn and comes forth, as its waters swell and its rapids create feelings (whispers of prayers) and innumerable souls for that living created being!

220. Together with those souls that enter into that Light, WHICH IS MALCHUT, many birds, CORRESPONDING TO ANGELS, come forth. They fly around and roam the entire world, so that when a soul comes forth and is on its way down to this world, the bird that flew off and left with that soul from the same tree accompanies it! How many ANGELS leave together with each soul? Two! One on the right and one on the left. If he is worthy, they guard him. As it is written, "For he will give his angels charge over you" (Tehilim 91:11). But if he is not worthy, then they prosecute him. Rabbi Pinchas said: There are three ANGELS that are found to be guardians over a person, if he is worthy. As it is written, "If there be an angel over him, a defender, one among a thousand to declare to man what is right" (Iyov 33:23); "if there be an angel," this is one; "a defender," this is two; "one among a thousand," this is three!

217. דְּכַתִּיב בְּרָכוּ ה' מְלַאכָיו, אֲלֵין אֵינוּן דְּמַתְעַסְקִין בְּאוּרֵייתָא דְאֶקְרוּן מְלַאכָיו בְּאַרְעָא. וְדָא הוּא דְכַתִּיב, וְעוֹף יְעוֹפֵף עַל הָאָרֶץ, הָאֵי בְהָאֵי עֲלָמָא, בְּהוּא עֲלָמָא תְנִינָן, דְזִמִּין קְדוּשׁ בְּרוּךְ הוּא לְמַעַבְד לֹון גְּדַפִּין בְּנִשְׂרִין, וְלֹאֲשַׁטָּא בְכָל עֲלָמָא, דְכַתִּיב וְקוּי ה' יַחֲלִיפוּ כַח יְעוֹלוּ אֶבְר בְּנִשְׂרִים.

220. וּבְאֵינוּן נִשְׁמַתִּין דְּעֵאלִין בְּהֵהוּא חַיָּה, נִפְקִי כַּמָּה עוֹפֵי דְפִרְחוּן וְטֹאסֵן כָּל עֲלָמָא, וְכַד נִשְׁמַתָּא נִפְקָא לְהָאֵי עֲלָמָא, הֵהוּא עוֹפָא, דְפִרְח וְנִפְק בְּהַדִּי הָאֵי נִשְׁמַתָּא מֵהֵהוּא אֵילָנָא, נִפְק עֲמִיָּה. כַּמָּה נִפְקִין בְּכָל נִשְׁמַתָּא וְנִשְׁמַתָּא, תְּרִין: חַד מִימִינָא וְחַד מִשְׂמָאלָא. אֵי זְכוּ אֵינוּן נְטְרִין לִיָּה, דְכַתִּיב כִּי מְלַאכָיו יַצִּוּה לָךְ. וְאֵי לֹא, אֵינוּן מְקַטְרְגִי עֲלִיָּה. אֲמַר רַבִּי פִּינְחָס, תִּלְתָּא אֵינוּן דְקִיּוּמֵי אֶפּוּטְרוּפְסִין עֲלִיָּה דְבַר נֶשׁ כַּד זְכוּ. דְכַתִּיב אִם יֵשׁ עֲלִיו מְלַאךְ מְלִיץ אֶחָד מְנִי אֶלְף לְהַגִּיד לְאַדָּם יִשְׂרָו: אִם יֵשׁ עֲלִיו מְלַאךְ, הָא חַד. מְלִיץ, תְּרִי. אֶחָד מְנִי אֶלְף לְהַגִּיד לְאַדָּם יִשְׂרָו. הָא תִּלְת.

221. Rabbi Shimon replied: There are five ANGELS. Because the verse continues, "Then he is gracious to him and says..." (Iyov 33:24). "He is gracious," this is one angel, and "and says," this is (a second angel), SO THERE ARE FIVE. Rabbi Pinchas said: This is not so! "He is gracious to him," refers to the Holy One, blessed be He, by Himself AND NOT AN ANGEL. Because nobody else is permitted to be GRACIOUS TO HIM, only the Holy One, blessed be He, HIMSELF. Rabbi Shimon replied: You have said well!

222. And he who abstains from procreating belittles, so to speak, the form that includes all forms, WHICH IS THE FORM OF MAN. And he blocks the flow of the waters of that river, THE YESOD OF ZEIR-ANPIN, as he impairs (renders defective) the sign of the holy Covenant from all sides. Of such a person, it is written, "And they shall go forth and look upon the carcasses of the men that have rebelled against Me" (Yeshayah 66:24). "Against me" for sure! And this is said about the body, as the soul shall never enter beyond the curtain. THIS MEANS THAT IT SHALL NEVER BE CLOSE TO THE HOLY ONE, BLESSED BE HE, and it shall be banished from that world.

(G) The seventh precept: To Perform Circumcision on the Eighth Day
The words of this precept help us remove negative forces from our lives.

223. The seventh precept is to perform circumcision on the eighth day of life and remove the defilement of the foreskin. Because that animal, WHICH IS MALCHUT, is the eighth grade, compared to the other grades, BEGINNING WITH BINAH. And that soul that flies away and emerges from it must appear before it on the eighth day, as it in itself is the eighth grade.

224. And then it is made clear that it is a living created being. OR IN OTHER WORDS, a Soul that belongs to that Holy Light, WHICH IS MALCHUT, and not to the 'Other Side'. And this is alluded to by the words, "Let the waters bring forth abundantly" (Bereshheet 1:20). This has been explained in the book of Chanoch as, "Let the waters of the holy seed be stamped by the impression of the Living Spirit. And this alludes to the impression that the Hebrew letter Yud marked upon the holy flesh, MORE THAN any other mark that exists in the world.

225. "And let birds fly above the earth" (Bereshheet 1:20). This refers to Eliyahu, who flies over the entire world in four flights IN ORDER to be present at every place where the sacred circumcision is performed. So a chair should be prepared for him, and it should be said out loud, This is the chair of Eliyahu. If this is not done, he will not appear!

226. "And Elohim created great whales" (Bereshheet 1:21). The use of the plural in "WHALES" means that they are two, and these two include the removal of the foreskin and the uncovering of the corona during the act of circumcision. And these two are male and female: "and every living creature that moves" (Ibid). This refers to the mark of the sign of the holy Covenant, which is the Holy Living Created being, as we have previously stated. "...which the waters brought forth abundantly" these are the supernal waters that are drawn down into this mark of the sign of the Covenant.

221. אָמַר רַבִּי שִׁמּוֹן, חֲמֵשׁ, דְּכֵתִיב יִתִּיר וַיְחַנְנוּ וַיֹּאמֶר, וַיְחַנְנוּ חֵד, וַיֹּאמֶר תְּרִין. אָמַר לוֹ לֹא הָבִי, אֲלֵא וַיְחַנְנוּ, דָּא קְדוּשׁ בְּרוּךְ הוּא בְּלַחְדוּי, דְּהָא לִית רְשׁוֹ לְאַחְרָא אֲלֵא לִיה. אָמַר לִיה שְׁפִיר קָא אָמַרְתָּ.

225. וְעוֹף יַעֲוֹפֵף עַל הָאָרֶץ. דָּא אֲלִיָּהוּ דְּטָאס כָּל עֲלֵמָא בְּד' טָאסִין, לְמַהוּי תַּמְן בְּהָהוּא גְזִירוּ דְּקִיּוּמָא קְדִישָׁא. וְאַצְטְרִיךְ לְתַקְנָא לִיָּה בּוֹרְסִיָּא, וְלֵאדְכַּרָא בְּפוּמִיָּה, דָּא כְּרְסִיָּא דְּאֲלִיָּהּ יו. וְאִי לֹא, לֹא שְׂאֵרֵי תַּמְן.

226. וַיִּבְרָא אֱלֹהִים אֶת הַתַּיִנִּים הַגְּדוֹלִים. תְּרִין, אֲלִין עַרְלָה וּפְרִיעָה, גְזִירוּ דְּעַרְלָה, וּפְרִיעָה לְבַתָּר. וְאִינוּן דְּכַר וְנוֹקְבָא. וְאֵת כָּל נֶפֶשׁ הַחַיָּה הַרוּמְשָׁת, דָּא רְשִׁימוּ דְּא"ת קִיּוּמָא קְדִישָׁא, דְּאִיהִי נֶפֶשׁ חַיָּה קְדִישָׁא, כְּדַקְאֲמַרְן. אֲשֶׁר שְׂרָעוּ הַמִּים, מִיּוֹן עֲלֵאִין, דְּאַתְמִשְׁכוּ לְגַבְהָ דְּאֵת רְשִׁימוּ דָּא.

227. This is the reason why Yisrael down below are marked by the Holy and pure impressions, similar to the holy impressions FROM ABOVE. This distinguishes the Holy side from the 'Other Side'. Thus are they marked, to distinguish the holiness of YISRAEL from the impure idol worshipping nations that originate from the 'Other Side,' as we have learned. Just as He marked YISRAEL, so did He mark their cattle and their fowl - TO DISTINGUISH THEM FROM the cattle and fowl of the idol worshipping nations. How happy is the role of Yisrael!

(H) The eighth precept: To Love the Convert who comes to be circumcised and desires to enter under the wings of God's Presence The Zohar is also referring to those who embrace spiritual growth and true transformation. Understanding this precept gives us the ability to assist others in their work of true spiritual transformation.

228. The eighth precept is to love the convert who comes to be circumcised and desires to enter under the "wings of the Shechinah." And She, the MALCHUT, takes under Her wings those who separate themselves from the defiled 'Other Side,' and come near to Her. As it is written: "Let the earth bring forth the living creature after their kind" (Bereshheet 1:24).

229. And in case you might say that his Living Creature (or created being), which includes Yisrael, is assigned to all nations, He repeats, "after their kind" (Bereshheet 1:24) WHICH MEANS TO YISRAEL (ONLY) AND NOT TO THE CONVERTS. O how many corridors and compartments, one inside the other, does the land WHICH IS CALLED CHAYAH have under its wings!

230. The right wing of MALCHUT has two chambers, and from this wing, two nations come forth. They are close to the Unity (Monotheistic belief) of Yisrael and are able to enter into these chambers. And under the left wing there are two additional chambers that are divided between two other nations, which are Ammon and Moav. And they are all called 'Living Creatures.'

231. And how many other closed compartments and chambers are there in each and every wing. From these chambers souls go forth and are divided among those proselytes who are converted, and these are called Living Creatures. But "after their (his) kind," (Bereshheet 1:24) they all enter under the "wings of the Shechinah," but do not go beyond.

232. But the soul of Yisrael comes from the body of that tree, WHICH IS ZEIR-ANPIN. And from there, the souls fly off down into this land, WHICH IS MALCHUT; down deep inside its 'bowels!' And the secret behind this is as written: "For you shall be a Land of delight" (Malachi 3:12). Therefore, Yisrael is the darling son for whom She yearns from the bottom of Her heart. And Yisrael are called "those who are born from the womb" and not from the wings that are on the outside OF THE BODY. Furthermore, the proselytes have no part in the upper tree, which is ZEIR-ANPIN, especially not in its body (trunk). So their place is in the wings OF MALCHUT, and not beyond. Therefore, the convert's place is under the "wings of the Shechinah," and not higher. And the 'true proselytes' are those who reside there - and not inside - and cling on to the wings, as it is written. This is why it is WRITTEN: "Let the earth bring forth the living creatures after their kind." And to whom? "Cattle, and creeping thing, and beast of the earth after their kind" (Bereshheet 1:24). All draw (derive) their spirit from within that living creature, but each one according to its kind, as

(I) The ninth precept: To Show Mercy to the Needy and Supply Them with Food

The Zohar discusses the spiritual importance of genuine sharing with others. It is the giver who is the true receiver, and the receiver who is the genuine giver. Both the text itself and the ideas it conveys serve to awaken our desire to share. We come to understand that our sharing actually benefits ourselves even more than the person with whom we share.

233. The ninth precept is to show mercy to the needy and supply them with food. As it is written: "Let us make man in our image, in our likeness" (Beresheet 1:26). "Let us make man" is used in the compound sense, indicating that it includes Male and Female. "In Our image" refers to the rich; "after Our likeness" refers to the poor.

234. Because from the aspect of the Male, they are rich; from the aspect of the Female, they are poor. But as they are united as one, show compassion to each other, share with each other, and are benefactors to each other, so should man below behave. The rich and the poor should be united together as one, and should share with each other and be benefactors to each other.

235. We have seen this secret in the Book of King Solomon, where it says that if a person has pity on the poor from all his heart, his image shall not be changed and shall remain forever as that of Adam (the first Man). As a result of being created in the image of Adam, he therefore shall rule over all creatures on earth by that image. As it is written, "And the fear of you and the dread of you shall be upon every beast" (Beresheet 9:2). All have fear of that image and dread it, BECAUSE THIS PRECEPT - TO SHOW MERCY TO THE POOR AND BE KIND WITH THEM - IS THE MOST PRAISED precept. It is above all the others, because by this precept, the Son of Man is able to elevate himself and achieve the image of ADAM (THE FIRST MAN).

232. אָבֵל נִשְׁמָתָא דִּישְׂרָאֵל, נִפְקָא מִגּוּ גּוֹפָא דֵההוּא אֵילָנָא, וּמִתְמַן פְּרָחִין נִשְׁמָתִין לָגוּ הָאֵי אֶרֶץ, גּוּ מְעָהָ לָגוּ לָגוּ, וּרְזָא כִּי תְהִיּוּ אַתֶּם אֶרֶץ חֶפֶץ. וְעַל דָּא, יִשְׂרָאֵל, בֶּן יִקִּיר דֵּהמוּ מְעָהָ עֲלֵיהּ, וְאֶקְרוּן הָעֲמוּסִים מִנֵּי בְטָן. וְלֹא מִגְדָּפִין לְבַר. וְתוּ, גִּיּוּרִין לִית לֹון חוּלְקָא בְּאֵילָנָא עֲלָאָה, כ"ש בְּגוֹפָא דִּילִיָּה. אָבֵל חוּלְקָא דֵלְהוּן בְּגְדָפִין אִיהוּ וְלֹא יִתִּיר, וְגִיּוּרָא תַחֲתוּ גְדָפֵי שְׂכִינְתָא וְלֹא יִתִּיר, גִּיּוּרֵי הַצֶּדֶק אֵינֻן דִּתְמַן שְׂרָאן וְאִתְאַחְדֵּן, וְלֹא לָגוּ, כִּמְה דֵאִתְמַר. וּבְגִין כֶּךָ תּוֹצֵא אֶרֶץ נֶפֶשׁ חַיָּה לְמִינָהּ. וְלִמְאֵן בְּהֵמָה וּרְמֵשׁ וְחַיִּתּוּ אֶרֶץ לְמִינָהּ, כִּלְהוּ שְׂאֵבִין נֶפֶשׁ מֵהָיָא חַיָּה, אָבֵל כָּל חַד לְמִינָהּ בְּדַקָּא חֲזִי לָהּ.

236. How do we know this? From Nevuchadnetzar! Because even though he dreamt that dream, as long as he had mercy upon the poor, the dream did not come true. But because he treated the poor selfishly (with an evil eye), what does the verse say? It reads, "While the word was in the King's mouth" (Daniel 4:28), his image immediately changed and became different from that of men. This is why it is WRITTEN, "Let us make man" (Bereshheet 1:26). Here the term "to make" is used. So in the verse it is written, "The man's name where I worked today is Boaz" (Rut 2:19). BECAUSE THE TERM "TO MAKE" THERE MEANS 'CHARITY,' HERE IT MEANS 'CHARITY' AS WELL.

(J) The tenth precept: To Put On Tefillin and to Complete Oneself according to the Supernal Image
Binding the left arm with Tefillin helps nullify the selfish Desire to receive. The human anatomy is like a tuning device that receives spiritual signals from the Upper Worlds. The left side, especially the arm, is the antenna for the spiritual energy that motivates human desire. If unchecked, our desires can expand unceasingly, and become the root of immoral and intolerant behavior.

Another secret of Tefillin concerns our emulation of the Creator in our daily lives. By mirroring the Creator, we draw closer to Him and His Light. The Tefillin are tools with the power to complete our essence so that we resemble the Creator's own Essence. By virtue of our similarity and spiritual closeness, His Light will then begin to resonate in our own lives. We can begin to create an affinity with God by gazing and reflecting upon these passages.

237. The tenth precept is to put on Tefillin, and to complete himself according to the supernal image. As it is written, "And Hashem created man in His own image" (Bereshheet 1:27). He opened the discussion by saying: "Your head upon you is like the Carmel" (Shir Hashirim 7:7) has already been explained and clarified. Nevertheless, "Your head upon you is like the Carmel" applies to the supernal head - the Tefillin worn on the head of the Sacred Supernal King Ha-Va-Yah (the Tetragrammaton) that appears in the written letters: Each letter of the HOLY NAME HA-VA-YAH is equivalent to one paragraph in THE TEFILIN. AND IN THIS MANNER, the Holy Name is engraved upon the PARCHMENTS OF THE TEFILIN, according to the proper order of the letters. And we have learned that the verse "that you are called by the name of Hashem, and they shall be afraid of you" (Devarim 28:10) refers to the Tefillin of the head, which represent the Holy Name, according to the order of the letters.

238. The first words that appear IN THE TEFILIN read, "Sanctify to Me all the first born" (Shemot 3:2). This corresponds to the Hebrew letter Yud of the TETRAGRAMMATON, which is to sanctify - NAMELY CHOCHMAH - which is the first born of all the supernal sanctities. THESE ARE "whatever opens the womb" (Shemot 3:2) by that narrow pathway (line) that descends from the Hebrew letter Yud, which opens the womb to bring forth proper fruit and seeds. This is the supernal sanctity.

239. The second paragraph reads, "And it shall be when Hashem shall bring you" (Shemot 13:5). This is the Hebrew letter Hei of HA-VA-YAH (OF THE TETRAGRAMMATON), WHICH IS BINAH. This is the temple whose womb is opened by the letter Yud through fifty openings, corridors, and rooms that are concealed within it. The letter Yud made an opening in that Temple so that the sound of the Shofar (a trumpet made out of a ram's horn), WHICH IS BINAH, can be heard through it. Because the Shofar is blocked on all sides, the Hebrew letter Yud came and opened it so that the sound could be heard. As it opened the Temple, the Shofar was blown and sound was emitted. The emission of this sound was to free the slaves.

240. So by blowing of the Shofar, Yisrael was delivered from Egypt. And SO SHALL HE BLOW THE SHOFAR another time in the future, at the End of Days. Every deliverance originates from this Shofar, WHICH IS BINAH. And this is why the deliverance from Egypt is written in this paragraph. Because it is a result of this Shofar - by the force of the letter Yud - that the womb was opened, enabling it to bring forth its sound to redeem the slaves. This is the letter Hei, the second letter of the Holy Name.

241. The third paragraph is the secret of the Unity, as proclaimed by Shema Yisrael (Hear O Yisrael) (Devarim 6:4). This corresponds to the letter Vav in HA-VA-YAH, WHICH IS ZEIR-ANPIN, and combines all within Itself - the Unity of all, where all are united and combined together. And it gathers all, as well! The fourth paragraph reads, "And it shall come to pass, if you shall hearken" (Devarim 11:13-21). This includes two aspects - CHESED AND GVURAH - combined together because Knesset Yisrael (the Congregation of Yisrael), which is the lower Gvurah, - MALCHUT, is united with them. And this is the last (second) Hei of HA-VA-YAH, which gathers all the others together and includes them all.

242. The Tfilin are actually the letters of the Holy Name. Therefore, "Your head upon you is like the Carmel" (Shir Hashirim 7:7) REFERS to the Tfilin of the head. "And the hair (lit. 'Dalet' which means poverty) of your head" (Shir Hashirim 7:7) refers to the Tfilin of the hand, WHICH IS MALCHUT, as She is poor, in comparison to above, TO ZEIR-ANPIN. Thus, She achieves perfection as above!

243. "The King is held bound in the tresses" (Shir Hashirim 7:6) MEANS that he is tied down and tightly held in those compartments OF THE TFILIN for the purpose of being properly united with that Holy Name. Therefore, whoever puts them on receives the image of Elohim. Because just as Elohim is united with the Holy Name, so does the person who puts them on become united with the Holy Name accordingly. "Male and female he created them," (Beresheet 1:27) REFERS TO the Tfilin of the head and the Tfilin of the hand - and all is one (the same)!

(K) The eleventh precept: To Give Tithing

The Kabbalists teach us that only through tithing and sharing a portion of our own lot in life can we truly protect and deserve all that we possess, now or in the future. Through the Light emanating from the letters, words and sentences of this section of the Zohar, we can awaken true desire to give of ourselves.

244. The eleventh precept IS to give a tithe of the land's product. Here we have two precepts. One is to give a tithe of the land's product, and the other is TO BRING the first fruits of the trees. As it is written, "Behold, I have given you every herb yielding seed, which is upon the face of all the earth" (Beresheet 1:29). Here it is written, "I have given you;" elsewhere it is written, "And to the children of Levi, behold, I have given all the tithe in Yisrael" (Bemidbar 18:21). In a third place, it is further written, "And all the tithe of the land, whether of the seed of the land, or of the fruit of the tree, is to Hashem" (Vayikra 27:30).

(L) The twelfth precept: To Bring the First of the Fruits of the Trees

In all areas of life, giving away "the first portion" draws the Light of true blessing to all that remains. It is fitting, therefore, that our first act upon waking each morning should be a positive connection to God, for this moment is the seed of the entire day. The remainder of the day will blossom with the radiance of the Creator if He is included within its seed. These words help us to remember to offer the first portion of the day to the Creator of the Universe.

245. The twelfth precept IS to bring the first fruits of the trees as an offering. As it is written, "and every tree in which is the fruit of a tree yielding seed" (Beresheet 1:29). Whatever I deserve to receive shall not be eaten by man. He permitted them (to eat) and gave them all His tithe and first fruits of the trees. AS IT IS WRITTEN, "I have given to you" - "to you," and not to the generations after you.

(M) The thirteenth precept: To Perform the Redemption Ritual for His Son and Connect to the Power of Life

The Zohar imparts a secret concerning a firstborn son. When the child undergoes a ritual to separate the child from the force of death, the child is then connected to the Tree of Life reality, a realm of infinite delight and goodness. Because the first born son is the seed of any and all children to come, this ceremony protects all future children born into the household, Gazing upon this passage helps separate us from the forces of death, while connecting us to the reality of the Tree of Life.

246. The thirteenth precept IS to perform the redemption ritual for his son and connect him to (the power of) life. There are two appointees in charge - one over life and one over death - and they both stand beside man. Thus, when a person redeems his son, he redeems him from that APPOINTEE over death and takes him out of his control. This is the secret of the words, "And Elohim saw everything that he had made" (Beresheet 1:31). THIS IS in general. "And, behold it was...good" alludes to the angel of life, while the word "very" (Heb. Me'od) alludes to the Angel of Death. Therefore, by this act of redemption, the ANGEL of life is strengthened and the ANGEL OF DEATH is weakened. By this redemption, he purchases life for himself, as has been mentioned, so that the evil side leaves him alone and does not cling to him any more.

(N) The fourteenth precept: To Observe the Shabbat

Here the Zohar presents two ideas. The first pertains to the power of the 7th day of the week, which is identified as the ultimate source of all the Light and blessings for the other six days. The second point refers to the Shabbat's power to remove all the negative angels and judgments that hang over the world. Shabbat allows us to begin the week anew in a pure and unblemished state. When the Light of Shabbat has departed, it is our own insensitive and impure actions that give birth to a new generation of negative angels who wreak havoc in the world.

Reading and meditating upon this section with a pure heart and open mind helps us connect to the energy source of Shabbat. It is also a powerful means for removing negative angels and judgments from our lives.

247. The fourteenth precept IS to observe the Shabbat (sabbath), which is a day of rest from all the action of Creation. There are two precepts included here. One is to observe the day of the Shabbat, and one is to attach this day to its holiness. NAMELY, TO DRAW DOWN THE SPIRITUAL ENERGY OF CHOCHMAH THAT IS CALLED 'HOLINESS.' So "to observe the day of the Shabbat" is, as I have mentioned and explained, that it is a day of rest to all the worlds. And all actions are within that day and were already performed even before that day was sanctified.

248. Because that day was sanctified, the creation of the bodies for certain spirits was not completed. SO HE ASKS: Was not the Holy One, blessed be He, aware of that, so that He could delay the sanctification of that day until the bodies for those spirits were created? AND HE ANSWERS: The Tree of Knowledge - Good and Bad - aroused the Evil Side, who wanted to rule over the world. So a lot of spirits were dispersed and WENT FORTH with much weaponry to achieve strength and to FLING THEMSELVES into the bodies of this world.

249. As the Holy One, blessed be He, saw this, He aroused a tempest from within the Tree of Life, WHICH IS ZEIR-ANPIN, and struck upon the other Tree, WHICH IS MALCHUT, causing the arousal of the other good side. Consequently, the day was sanctified. Because the creation of the bodies and the arousal of the spirits, on that night OF SHABBAT, comes from the Good Side and not from the 'Other Side.'

250. Had the Other (evil) Side come during that night before the Good Side, then the world would not have been able to exist for even one moment. So the Holy One, blessed be He, provided the remedy in advance. The 'sanctification of the day' jumped up and stood before Him. Thus, the Good Side appeared before the Other Side appeared, and the world was established and was able to exist. So instead of the Other Side becoming strong and establishing itself in the world, as It planned, the Good Side was established at that night by the construction of holy bodies and the forming of holy spirits from that Side. Therefore, the sages who know this perform their conjugal rights weekly, from Shabbat to Shabbat.

251. Because when the Other Side saw this - that just as he planned on doing, the Side of Holiness preceded it (by these actions), then the Other Side went along to wander about, together with all its hosts and legions to watch over those who perform their conjugal rights naked and by the light of the candle. AS A RESULT OF THIS, all their children born from that intercourse are born epileptic, because they are possessed by spirits that come from the Other (evil) Side. And these are the 'naked spirits' of the wicked that are called 'evil spirits'. These are pursued and killed by Lilith (female demon).

252. So, because the day was sanctified, and holiness ruled over the world, the Other Side makes itself small and hides during every Shabbat Eve and during every Shabbat Day. Only Asimon and His group do not hide, but go around floating above the candlelight secretly in order to observe the indecent intercourse. And after that they go and hide inside the cave of the great abyss. As soon as Shabbat is over, many hosts and legions roam about in the world. This is why the hymn against calamities, YOSHEV BE-SETER (TEHILIM 91), was written and is recited - to prevent them from ruling over the Holy Nation.

253. Where do they roam to on that night, WHEN SHABBAT IS OVER? When they (the other side) come out in haste and think that they are about to rule over the world and overcome the Holy Nation, they (instantly) see them (the good side) standing upright reciting this hymn (Tehilim 91), NAMELY YOSHEV BE-SETER ELYON (SITTING IN THE SUPERNAL HIDING PLACE), saying the Havdalah (the prayer that is said at the end of Shabbat) DURING the prayers AND THEN performing the Havdalah with the cup (of wine). Then the other side flee from there and go roaming until they reach the desert. May the Merciful One save us and guard over us, from the other side - the Evil Side.

254. There are three kinds of people who bring bad things on themselves. The first is he who curses himself; the second is he who throws away bread or bread crumbs as big as an olive (or bigger); and the third is he who lights the candle when the Shabbat is over before all the Congregation (of Yisrael) has reached the recital of 'Sanctification,' that is IN THE PRAYER OF VE-ATA KADOSH. Because with that fire, he lights the flames of Gehenom before its time.

255. There is a special place in Gehenom for those who profane the Shabbat. Those who are punished in this inferno curse the person who lit the candle before its time, and they say to him, "Behold: Hashem will thrust you about with a mighty throw, and He will seize you firmly. He will violently roll and toss you like a ball into a large country" (Yeshayah 22:17-18).

256. It is not proper for him to light the candle, as Shabbat is not over before the Congregation of Yisrael recites the prayer of Havdalah and says the benediction over the cup (of wine). For until that time, it is still Shabbat, and the sanctity of the Shabbat still rests upon us. So after the benediction over the cup is performed, all those hosts and legions that govern the weekdays return to their positions, each one according to the appointed service for which he is responsible.

257. Because as soon as the Shabbat begins and the day is sanctified, Holiness is aroused and governs the world; worldliness is removed from its rule. Only when Shabbat is over do they regain their position again. But although Shabbat is over, they do not regain their positions until that moment when the Congregation of Yisrael says, "Blessed are You, Hashem, who separates the holy from the profane." Then the Holiness is removed, and all the hosts that govern the weekdays are aroused and return to their positions, each one according to its post for which it is responsible.

258. Nevertheless, they do not receive control until the flames of the candle are lit. All these flames are called the 'Lights of Fire' because they all come from the secret behind the 'column of fire' and the element of fire, and they take charge over the lower world. All this happens if a person lights the candle before the Congregation of Yisrael has finished the recital of the 'Sanctification.'

259. And if he waits until they complete the 'Sanctification,' all those wicked people who are in Gehenom acknowledge the justice brought upon them by the Holy One, blessed be He. And they confirm the blessings that are recited by the Congregation, and bring them upon him. THIS REFERS TO THE WORDS, "therefore Hashem gives you of the dew of heaven" (Beresheet 27:28), and "Blessed shall you be in the field" (Devarim 28:3).

260. "Blessed is he who considers the poor; Hashem will deliver him in the day of evil" [fem. adj.] (Tehilim 41:2). He asks: As it should have been written 'in the day of evil' [masc. adj.], so why does it say, "in the day of evil" [fem. adj.]? AND HE REPLIES: This refers to the day when that Evil [fem. adj.] is in power and wants to take his soul away from him. "Blessed is he who considers the poor." The words, "the poor" allude to a 'poor and sick' person; "THAT CONSIDERS" alludes to how to cure him from his sins as he stands before the Holy One, blessed be He. Another meaning is that this is the day when Judgment prevails and is about to dominate the world, and he "considers" how to save himself from it. As it has been written: "Hashem will deliver him in the day of evil -" so THIS REFERS to the day when Judgment is passed over to the Evil powers in order to control the world by it. Then "HASHEM WILL DELIVER HIM."

1. Making an engraving upon the supernal light

The Zohar discusses the primordial phase that ignited the process of creation. This phase produced a vacated space, a void into which our physical universe would eventually be born. By this act of creation, the infinite gave birth to the finite. Just as a seed contains all the stages that will produce a full grown tree, including the final fruit, the seed of our cosmos contains all the souls of mankind, including our complete and final fulfillment. Recognizing this motivates us to complete our own spiritual work. It accelerates our spiritual transformation by revealing our connection with the seed, which is the cause of all causes.

1. With the beginning of the manifestation of the King's will, THAT IS, WHEN THE KING DESIRED TO CREATE THE WORLD, a hard spark made an engraving upon the supernal light. THIS HARD SPARK, WHICH emanated from the most concealed of all concealed things--from the secret of ein-sof (endlessness)-and took a shapeless form. THE SPARK was then inserted into THE CENTER OF a circle that was neither white nor black nor red nor green, nor any color at all. When He began its measurements, He created bright colors that shone into THE EMPTY SPACE AND THE ENGRAVING. From within the spark - THIS HARD SPARK - a fountain spouted, from which the shades down below received their colors.

2. From the most concealed of all concealed things, the secret of ein-sof (endlessness), EMANATED TWO FACES: ONE cleaved and THE OTHER DID not cleave. Its atmosphere was unknown until forceful blows split ATIK, and a concealed supernal point shone. Beyond this point, nothing is knowable and, because of this, He is called by the name Beginning, WHICH MEANS the First of the Sayings.

2. "The brightness of the firmament"

When God created the world, He knew that we, the vessels, could not receive His awesome, blazing Light in Its totality. This Kabbalistic notion can be likened to a tripped circuit breaker caused by an overload of electric current. It can also be compared to the light of sun, which would incinerate the entire earth if it were to ever approach too close. The Creator, in His infinite wisdom, therefore concealed the greater portion of His Light so as not to overwhelm that which He created. The Zohar recounts the process of how this hidden Light began to be revealed.

As we correct and transform our crude, immoral nature, we reveal a measure of hidden Light in direct proportion to the degree of inner change we've undergone. It is this spiritual change that expands our internal vessel, allowing us to receive a greater portion of hidden Light. The Hebrew letters emanate this hidden Light into our day to day existence.

3. "And they who are wise shall shine like the brightness of the firmament, and they who turn many to Righteousness like the stars for ever and ever" (Daniel 12:3). "And they who are wise" ALLUDES TO THE SOULS OF THE RIGHTEOUS, "the brightness of the firmament", TO THE ILLUMINATION OF THE UPPER THREE SFIROT, WHICH ARE REVEALED WHEN COMBINED WITH THE ATTRIBUTE OF MERCY. The aura of the brightness that is most concealed of all concealed things united with this point and shone into it. Then this Beginning--WHICH IS ARICH ANPIN--expanded INTO A HEAD AND BODY, and made a temple for its honor and glory. There, INSIDE THE TEMPLE, ARICH ANPIN planted a holy seed to bring forth SOULS for the benefit of the world. This is the secret of, "So the holy seed is its immovable stump" (Yeshayah 6:13).

4. The brightness that He sowed for His honor is similar to the purple seed of the silkworm, for the worm encases itself within its own silk, within its own creation. AND FROM THAT SEED, He prepares for Himself a temple for his own glory and for the benefit of all. With this Beginning, the Concealed unknown One created the temple, and this temple is called BY THE NAME 'Elohim.'

הַיִּכְלָא דָא אֲקִרִי אֱלֹהִים.

5. This is the secret of the words: "In the beginning Elohim created..." (Beresheet 1:1). THIS TEMPLE IS the brightness from which all TEN sayings were created, according to the secret meaning of the expansion of the point from that hidden brightness. Thus, if the word "created" applies to it, no wonder it is written, "And Elohim created man in His own image" (Beresheet 1:27).

5. וְרִזָּא דָא, בְּרֵאשִׁית בְּרָא אֱלֹהִים. זֹהַר, דְּמַנִּיהַּ

6. The brightness, WHICH IS ARICH ANPIN, is the secret of The Beginning, BECAUSE its name is the first of all. The holy name Eheyeh is engraved upon the sides OF ARICH ANPIN. The name Elohim is engraved on the crown. AND THIS IS THE SECRET OF Asher, WHICH IS a concealed temple, and is the beginning of the revelation of the secret of The Beginning. The word Asher CONSISTS OF THE SAME LETTERS AS Rosh (head) BUT IN REVERSE ORDER, AS THE LETTER RESH--WHICH IS THE FIRST LETTER IN ROSH--IS THE LAST LETTER IN ASHER. THIS SHOWS THAT IT IS THE Rosh that came out of resheet (beginning), WHICH IS ARICH ANPIN. THEREFORE, IT EMERGED FROM THE ASPECT OF THE HEAD AND WAS FORMED AS A HEADLESS BODY.

7. After the point and the temple were established as one, Beresheet--WHICH IS ARICH ANPIN--includes a lofty beginning to the light of Chochmah. Later, the image of the temple changed and it was called a house (Heb. bayit) and the supernal point was called the head (Heb. rosh). They were included in each other through the secret of The Beginning, BECAUSE COMBINING THE WORDS BAYIT AND ROSH FORMS THE TERM BERESHEET. This was so as long as BAYIT AND ROSH were as one, as long as there was no MANNER OF habitation in the house; AS LONG AS CHOCHMAH WAS NOT CLOTHED WITH CHASSADIM, WHICH REVEALS THE FOUR COLORS OF THE HOUSE. But it was sown for the purpose of habitation and, once it was inhabited, it was called BY THE NAME 'Elohim', hidden and concealed.

8. The brightness is concealed and hidden until the children of Yisrael came inside it in order to beget and the house stood expanded to contain what was established through the holy seed. As long as She had not conceived, the expansion of the house to make it habitable had not occurred, nor was it yet called BY THE NAME 'Elohim'. Rather, they both are still part of Beresheet ("In the beginning"). IN OTHER WORDS, BEFORE THE EXPANSION OF THE FOUR AMENDMENTS MENTIONED EARLIER, IT IS NOT YET CALLED BY THE NAME "ELOHIM", BECAUSE IT DOES NOT YET SHINE IN FULL. THEREFORE, EVERYTHING IS CONSIDERED AS IF IT IS INCLUDED WITHIN ARICH ANPIN; THAT IS, THE BEGINNING. After it became known by the name 'Elohim,' AFTER THE FOUR AMENDMENTS WERE COMPLETED, it gave birth to the first of those generations that came from the seed sown within it. HE ASKED: What is that seed? HE REPLIED: The seed is the engraved letters, WHICH ARE the secret of the Torah, REFERRING TO ZEIR ANPIN, which emanates from that point--WHICH IS ARICH ANPIN.

9. That supernal point, WHICH IS ARICH ANPIN, sowed inside the temple--WHICH IS YISRAEL - SABA AND TEVUNAH-- the secret of the three points (vowels): Cholam, Shuruk and Chirik. So they are combined into one secret, a Voice that emerges from the joining of the three points. When THE VOICE came forth, its female counterpart came with it. She included all the letters as it is written: "The heavens..." (Bereshet 1:1); that is, the voice and its feminine principle. This voice, which is THE SECRET OF the heavens, is the last NAME OF Eheyeh, which is the brightness that contains all the letters and colors in this manner.

10. Until this point, this is the secret of "Hashem our Elohim, Hashem." These three grades correspond to the supernal secret in the verse: "In the beginning Elohim created..." AND SO THE TERM Beresheet is an ancient secret, NAMELY CHOCHMAH THAT IS CALLED BEGINNING. THE TERM bara (created) alludes to a concealed secret, from which everything else expands. Elohim's secret meaning is sustaining everything that exists below. The term "the heavens" alludes to the union of the male and female, and it is forbidden to separate them, BUT RATHER COMBINE THEM, FOR THEY ARE THE SECRET OF THE VOICE AND THE UTTERANCE--YUD-HEI-VAV-HEI-ADONAI, WHICH ARE UNITED INTO ONE.

11. The particle Et (the) is created by combining the letters Aleph and Tav, which are the first and last letters of the alphabet. Thus, Et includes all the letters from beginning to end. Afterwards, the letter Hei was added to Et, so all the letters would be united with Hei. This formed the word Atah (you), which consists of the letters Aleph-Tav-Hei. Thus, the verse reads: "And you do preserve them all" (Nechemyah 9:6). Et is the secret of Adonai and is so called. Heaven is Yud-Hei-Vav-Hei, which is superior TO THE NAME ADONAI, FOR ZEIR ANPIN, CALLED "THE HEAVENS" AND ALSO CALLED "VOICE", IS THE SECRET OF THE NAME OF YUD-HEI-VAV-HEI. AND HIS FEMININE PRINCIPLE, CALLED 'ET' AND 'SPEECH,' IS THE SECRET OF THE NAME ADONAI.

12. THE WORD Ve-Et (and the) alludes to the establishment of male and female. Ve-Et is the secret of Vav-Yud-Hei-Vav-Hei, and both are as one. The earth is the name Elohim, equivalent to the supernal, which is fit to issue fruit and offspring. This name is included in three places and defined in many ways. Up until now, it is the secret of the most secret of mysteries, which was engraved, built, and established in a concealed manner according to the hidden meaning of one single verse.

13. Beresheet IS FORMED OF THE SEGMENTS Bara-Sheet (he created six), because from one end of the heavens to the other, there are six branches that extend from the secret of the sublime with the expansion of Bara (created). Bara expanded from within the first point, WHICH IS ARICH ANPIN. And here, ON THIS FIRST POINT, the secret of the name with the 42 letters was engraved.

3. Intonations, vowels (points), and letters

The relationship between the Hebrew letters, vowels and intonations are explained in terms of their spiritual significance. The Zohar tells us that the letters, vowels and intonations are not merely the building the blocks of language. They are the building blocks of the entire cosmos. They are the sounds of creation, the forces by which stars and planets are constructed, and by which physical and metaphysical worlds are erected. Just as a human voice in song can shatter glass and evoke tears, the Hebrew alphabet affects both physical and spiritual realities. We can set these forces in motion by meditatively scanning the very letters that speak of the secrets of the letters themselves. By so doing, we can draw spiritual sustenance and Light into our daily lives.

14. "And they who are wise shall shine," (Daniel 12:3) like the notes and cantillation marks given to the letters and the vowels (points). They move along like soldiers following their king. The letters are the body and the vowels are THE ASPECT OF their spirit, and they all follow their intonations and attain their existence. When the tune of the cantillation marks travels along, the letters and vowels (points) march in step with it. When THE TUNE stops, they stop as well.

15. The words "And they who are wise shall shine" ALLUDE TO the letters and the vowels (points) THAT SHINE, and "the brightness" ALLUDES TO the tune of the cantillation marks. "The firmament" ALLUDES TO the expansion of the tune, namely all those INTONATIONS that flow and expand along as the tune flows. "And they who turn many to righteousness" ALLUDES TO the music of the cantillation marks that bring the journeying to a pause and enable the meaning of the words to be heard clearly. The words "shall shine" ALLUDE TO the letters and the vowels (points) that shine as one along the journeys through concealed paths. Everything expands from this. "And they who are wise (Heb. maskilim) shall shine like the brightness of the firmament" upon the pillars and sockets of that palanquin. "And they who are wise" are themselves the supernal pillars and sockets, who observe intelligently to bestow on that palanquin and its sockets all that is needed to sustain it. THE PILLARS ARE CHESED, GVURAH AND TIFERET; THE SOCKETS ARE NETZACH, HOD AND YESOD. This secret IS HIDDEN, as it is written: "Blessed is he that considers the poor (Heb. maskil)" (Tehilim 41:2); MASKIL IS ZEIR ANPIN AND THE

POOR IS HIS FEMININE PRINCIPLE. AND HE RECEIVES THE BRIGHTNESS FOR THE SAKE OF THE POOR WHO NEED IT. THE SUPERNAL SIX EXTREMITIES OF ZEIR ANPIN shall shine, for if they do not shine or illuminate, they will not be able to study the palanquin and determine what is necessary for its restoration. WERE IT NOT FOR THE NEED OF ESTABLISHING THAT PALANQUIN, THEY WOULD NOT HAVE RECEIVED ANY OF THAT LIGHT OF BRIGHTNESS.

16. AND THEY SHINE "like the brightness of the firmament" that rests upon they who are wise, of whom it is written: "And over the heads of the living creature was the likeness of a firmament, like the color of the terrible ice..." (Yechezkel 1:22). This is the brightness of the firmament, which shines upon THE ENTIRE ZEIR ANPIN, WHICH IS CALLED the Torah. The brightness shines upon the heads of that living creature THAT IS CALLED THE PALANQUIN. These heads, WHICH ARE THE PILLARS AND SOCKETS OF ZEIR ANPIN, who are wise shine constantly and look on that firmament to receive the light that emanates from there. This also is the light OF ZEIR ANPIN IN ITS ENTIRETY, WHICH IS CALLED Torah. It shines forever and never stops. IN OTHER WORDS, ZEIR ANPIN IN ITS ENTIRETY DOES NOT RECEIVE THE ASPECT OF THE BRIGHTNESS FOR ITSELF, BUT FOR THIS LIGHT THAT CONSTANTLY SHINES, ALONE.

4. "And the earth was without form"

The Creation process, the Zohar explains, began in a state of utter chaos. Out of this chaos emerged the concept of order. The Zohar reveals the process by which order emerges form chaos. The more furious and frenzied the initial chaos, the greater the order and the perfection that will eventually emerge. We can attain the ability to remove chaos from our lives. We can begin to grasp the hidden spiritual truth that chaos is really opportunity for bringing order and fulfillment.

17. "And the earth was without form and void..." (Beresheet 1:2) THE TERM "was" is exact IN THAT IT IMPLIES the earth's previous state, during which snow was mixed inside water. The act of the snow forming inside the water resulted in a foul substance. And AFTERWARD, a mighty fire beat upon it and refuse was formed inside it. It then conceived and became without form. The place where at first there was only filth, has become now a nest of refuse that is described as Tohu (without form). IT WENT THROUGH FOUR STAGES UNTIL IT BECAME TOHU: (1) LIGHT TURNED INTO WATER; (2) WATER TURNED INTO SNOW; (3) SNOW TURNED INTO REFUSE WITH THE INFLECTION OF THE FIRE; AND (4) THE REFUSE, OVER TIME, BECAME SUFFICIENTLY DISTINGUISHABLE TO BE CALLED TOHU. THE WORDS "and void" REFER TO the refined matter that emerged from the refuse and was set there. Darkness is the secret of the powerful fire and this darkness hovers above the Tohu, over that refuse, and is based upon it. IN OTHER WORDS, DARKNESS DOES NOT MEAN ONLY THE ABSENCE OF LIGHT--THAT IS, EMPTINESS--BUT RATHER THE ASPECT THAT PRODUCES EMPTINESS, LIKE A STRONG FIRE THAT BURNS AND CONSUMES EVERYTHING IT TOUCHES AND LEAVES EMPTINESS IN ITS PLACE. THE REASON WHY IT IS CALLED DARKNESS AND NOT FIRE IS THAT THE BURNING FORCE IS NOT FROM THE FIRE ITSELF, BUT FROM THE REFUSE OVER WHICH IT HOVERS. THEREFORE, THIS DARKNESS IS BASED UPON THE TOHU, FROM WHICH IT RECEIVES.

17. והארץ היתה תהו ובהו וגו', היתה דייקא. מקדמת דנא תלגא גו מייא, נפקא מנה זיהמא בההוא חילא דתלגא במייא, ואקיש בה אשא תקיפא, והוה בה פסולת, ואתעדיאת ואתעבדת תה"ו. ומאתר דזיהמא, קינא דפסולת. ובה"ו, ברירו דאתבריר מגו פסולת, ואתישוב בה. חשך, רזא דאשא תקיפא. וההוא חשך חפי ע"ג ההוא תה"ו על גבי ההוא פסולת, ואתתקנת מיניה.

18. "And the wind (also: 'spirit') of Elohim" (Ibid.) ALLUDES TO the Holy Spirit (Ruach) that proceeded from living Elohim and "moved over the surface of the waters." THIS MEANS THAT after this wind blew, a thin layer from the refuse was refined, just as the filth flies off and away. In this manner, it was refined, covered and purified over and over again until the foulness was left without any filth.

19. When this Tohu was refined and purified, "a great and strong wind rent the mountains, and broke the rocks..." (I Melachim 19:11) Then it emerged like the wind that Eliyahu saw. The Bohu was refined and purified and noise came from it, as it is written: "And after the wind an earthquake (also: 'noise')" (Ibid.). When the darkness was refined, fire was then included in its secret, as it is written: "And after the earthquake a fire" (Ibid. 12). The wind was refined and a "still small voice" was included within it.

20. Tohu has neither color nor form and is not included within the secret of form at all. Although it may appear to have form, when we look closely it loses all form. Everything has a garment to wear except TOHU.

21. Bohu ALREADY has an image and a form, the stones immersed inside the engraving of Tohu. When the stones emerge from within the engraving in which they were immersed, they draw down goodness into this world in the form of a garment. They draw goodness down to the world--THAT IS, STRAIGHT LIGHT--and force THE RETURNING LIGHT up, SO THAT THE STRAIGHT LIGHT IS ENCLOSED. THIS IS KNOWN AS FORMING.

22. These STONES are hollow and viscous because they are suspended in the air. At times, they are suspended in the air because they rise up and out of there, FROM WITHIN THE ENGRAVING OF TOHU. At other times, such as cloudy days, they hide and raise water from the abyss to replenish Tohu. This is when there is joy and folly, because Tohu has expanded all over the world.

23. Darkness is a black fire that is strong in color, BECAUSE NO OTHER COLOR CAN CHANGE BLACK. There is a red fire that is strong in its appearance, AS RED IS THE MOST NOTICEABLE COLOR. There is a green fire, which is solid in form, AS ALL FORMS REACH PERFECTION BY THE GREEN COLOR. And there is a white fire, WHICH IS THE BASIS OF ALL OTHER COLORS. Darkness is strong, because it contains all kinds of fires and it attacks the Tohu. Darkness is a fire THAT CONSISTS OF FOUR COLORS, and it is usually not a dark fire except when it attacks the Tohu. This is the secret of the verse: "his eyes were dim, so that he could not see, he called Esav..." (Beresheet 27:1). The face of evil is darkness, so Yitzchak, who was kind to evil--TO ESAV--was then called 'darkness,' as it rested upon him so that it may strengthen him.

24. The wind THAT IS MENTIONED IN THE VERSE: "AND A WIND FROM ELOHIM," is a voice that rests upon Bohu and guides it in all where it is needed. This is the secret of the verses: "The voice of Hashem is upon the waters" (Tehilim 29:3) and "And a wind from Elohim moved over the surface of the waters." The stones are immersed deep inside the abyss from which waters flow. This is why they are called "the surface of the waters." The wind guided and strengthened the faces, called the surface of the deep, each according to its requirements.

25. The name Shadai dwells upon Tohu, the name Tzeva'ot dwells upon Bohu and the name Elohim dwells upon darkness, BECAUSE DARKNESS IS A RESULT OF MALCHUT RISING UP TO BINAH, which is called Elohim. The name "wind" dwells upon Yud-Hei-Vav-Hei.

26. "And a great and strong wind rent the mountains...but Hashem was not in the wind..." (I Melachim 19:11). The name YUD-HEI-VAV-HEI was not in the wind BECAUSE THIS STRONG WIND COMES FROM Tohu, upon which the name Shadai rests. HENCE IT READS, "BUT HASHEM WAS NOT IN THE WIND." AND IT EXPLAINS THAT THE EARTHQUAKE CAME FROM BOHU, AS THE VERSE CONTINUES: "And after the wind an earthquake; but Hashem was not in the earthquake", because only the name Tzeva'ot rests upon it in the secret of Bohu. Hence, it is called Bohu. AS FOR THE FIRE THAT COMES OUT OF DARKNESS, THE SCRIPTURE READS, "And after the earthquake a fire; but Hashem was not in the fire" (I Melachim 19:12), because the name Elohim rests upon it from the aspect of darkness. "And after the fire a still small voice", WHICH COMES FROM THE ASPECT OF THE WIND OF ELOHIM, UPON WHICH THE NAME YUD-HEI-VAV-HEI RESTS. THE VERSE READS: "AND WHEN ELIJAHU HEARD IT...AND WENT OUT, AND STOOD IN THE ENTRANCE OF THE CAVE. AND, BEHOLD, THERE CAME A VOICE TO HIM, AND SAID, 'WHAT ARE YOU DOING HERE, ELIJAHU?'" (I MELACHIM 19:13). HE DID NOT LEAVE THE CAVE AT THE FIRST THREE ASPECTS, ONLY WHEN HE HEARD A STILL SMALL VOICE, because the name Yud-Hei-Vav-Hei was there. AND HE KNEW THAT YUD- HEI-VAV-HEI WAS TALKING TO HIM.

27. THE NAME YUD-HEI-VAV-HEI has four segments, NAMELY FOUR LETTERS, that signify the parts of the human body and certain members--namely, the limbs which are four that can become twelve. Here is THE SECRET OF the name that consists of twelve letters, which was given to Eliyahu while inside the cave. THIS ALLUDES TO THE THREE NAMES OF YUD-HEI-VAV-HEI. EACH CONSISTS OF FOUR LETTERS, WHICH TOGETHER ADD UP TO TWELVE. AND THIS NAME, WITH ITS TWELVE LETTERS, APPEARS IN THE HUMAN BODY. THE FIRST APPEARS IN THE HEAD: CHOCHMAH, BINAH AND DA'AT; THE SECOND IN THE BODY FROM THE TOP TO THE NAVEL: CHESED, GVURAH AND TIFERET; THE THIRD FROM THE NAVEL DOWNWARD: NETZACH, HOD AND YESOD. EACH PART OF THE BODY IS DIVIDED INTO FOUR OTHER PARTS, WHICH ADD UP TO TWELVE.

5. "And there was light"

The Zohar reveals the elaborate process by which the Light of the Creator was first revealed to the world. This section helps awaken our own desire to reveal the Light, above and beyond our own personal needs.

28. "And Elohim said, 'Let there be light,' and there was light" (Beresheet 1:3). From here, FROM THIS SAYING, we can begin to learn in detail the secrets of how the world was created in details, because until now, the Creation was discussed only generally, IN THE VERSE "IN THE BEGINNING ELOHIM CREATED..." (IBID. 1) After this, the description returns to the general, then the particular, and then the general again.

29. Until now, everything was suspended in the air that was bestowed from the secret of ein-sof (endlessness). As soon as the force expanded inside the supernal temple, which is the secret of Elohim, the word 'saying' is applied to it, as it is written: "And Elohim said." Before that, the word "said" is not written, because "said" means it is in detail. Although the word, "In the beginning" is also a saying, which expresses the 'injunctions' of the Creation to ten sayings, "And Elohim said" is not written in it, AS IT IS DESCRIBED IN A GENERAL MANNER. THE USE OF THE WORD "SAID" MEANS A DETAILED DESCRIPTION. THEREFORE, THE VERSE, "AND ELOHIM SAID, LET THERE BE LIGHT" IS THE FIRST OF THE DETAILS OF THE CREATION OF THE WORLD.

25. תה"ו, עליה שריא שם שד"י. בה"ו, עליה שריא שם צבאות. חשך עליה שריא שם אלהים. רוח, עליה שריא שם ידו"ד.

26. רוח חזק מפרק הרים לא ברוח ה' וגו', שמא דא לא הוי ביה, דהא שד"י שלטא עליה ברזא דתהו. ואחר הרוח רעש לא ברעש ה', דהא שם צבאות שלטא ביה, ברזא דבהו. ועל דא אקרי בהו. רעש, דלאו איהו בלא רעש.

27. ואחר הרעש אש לא באש ה', דהא שמא דאלהים שלטא ביה מסטרא דחשך. ואחר האש קול דממה דקה, הכא אשתכח שם ידו"ד. ארבע פרקין הכא, דאינון פרקי גופא ואברין ידיען, דאינון ארבעה, ואינון תריסר. והכא שמא גליפא דתריסר אתוון. דאתמסר לאליהו במערה.

29. עד הכא הוה כלל תלויא באוירא מרזא דאין סוף, בין דאתפשט חילא בהיכלא עלאה רזא דאלהים, כתיב ביה אמירה, ויאמר אלהים. דהא לעילא לא כתיב ביה אמירה בפרט, ואף על גב דבראשית מאמר הוא, אבל לא כתיב ביה ויאמר.

30. The words: "And...said" should be studied and questioned. The term "And...said" (Heb. Vayomer) consists of the Hebrew letters Mi (who) and Or (light), which is an inquiry. "And...said" alludes to a raised force, and the raising is done in silence. A LIGHT IS DRAWN from the secret of Ein-Sof; from the beginning of thought. "And Elohim said" MEANS THAT now the temple gave birth to the holy seed, with which it was pregnant, in secret. And he who was born, NAMELY ZEIR ANPIN AND ITS FEMININE PRINCIPLE, was heard without. Whoever gave birth to him, TO ZEIR ANPIN AND HIS FEMININE PRINCIPLE, did it secretly and was not heard at all. THIS REFERS TO GIVING BIRTH TO THE MOCHIN OF ZEIR ANPIN AND HIS FEMININE PRINCIPLE WHILE STILL IN BINAH. But as soon as it emerged from there, FROM BINAH, a sound was heard without.

31. "Let there be (Heb. Yehi) light," means that everything that comes forth AND EMANATES IN THE WORLD proceeds according to the secret OF THE WORDS: "LET THERE BE LIGHT." Yehi ALLUDES TO the secret of ABA and IMA, which are Yud-Hei OF YEHI (YUD-HEI-YUD). THE LETTER YUD ALLUDES TO ABA AND THE HEI TO IMA. Afterward, THE LETTERS YUD-HEI return to the first point BY ADDING ANOTHER POINT, NAMELY YUD, JUST LIKE THE FIRST ONE--AS IT IS WRITTEN: YEHI (YUD-HEI-YUD)--to institute a beginning for an expansion of something else.

32. The terms "light" and "Let there be light," DO NOT REFER TO THE RENEWAL OF THE "LIGHT", BUT RATHER TO THE RETURNING OF the light that ABA AND IMA already had. THE EXPANSION OF this light THAT APPEARS IN THE VERSE: "LET THERE BE LIGHT (OR, ALEPH-VAV-RESH)" is a most hidden secret, because it was the expansion that split according to the secret of the concealment of the supernal and concealed air (Heb. avir). The word Avir consists of the letters Aleph-Yav-Yud-Resh AND IS ARICH ANPIN. IT WAS SPLIT IN SUCH A WAY THAT THERE IS NOTHING REALLY RENEWED IN THE NAME YUD-HEI-VAV-HEI. RATHER, THE PERFECTION THAT WAS THERE BEFORE THE SPLITTING IS NOW REVEALED. It first split and produced one concealed point (vowel) from within its own mystery. It revealed the point (vowel) Yud. As a result of this removal of the Yud FROM AVIR, what is left OF THE ORIGINAL WORD AVIR is Or, which is from the secret of the concealed air.

33. When the first point (or 'vowel'), WHICH IS Yud, proceeded FROM ARICH ANPIN, its light shone upon it according to the sense of 'reaching yet not reaching'. Once THE POINT expanded, THE LIGHT was revealed, and this is THE SECRET OF the Or (light) that has remained from Avir (air). This refers to the light that has existed AT FIRST IN BINAH, WHEN IT WAS IN THE HEAD OF ARICH ANPIN. IT THEN DISAPPEARED WHEN IT CAME OUT OF THE HEAD. NOW IT HAS RETURNED TO IT and remains there. The light has gone; it has disappeared and is now hidden. And one point remains IN BINAH, where THE LIGHT OF CHOCHMAH always reaches INTO THEIR VESSELS in a hidden manner. The "reaching yet not reaching", WHICH MEANS THAT IT REACHES WITH THE LIGHT OF CHASSADIM, BUT NOT WITH THE LIGHT OF CHOCHMAH, shines in the manner of the first point that has emerged from it. As a result, they are all linked to one another and illuminate one another.

34. When it ascends TO THE HEAD OF ARICH ANPIN, they all rise up and cling to it. THEN it is as if "reaching", WHICH IS THE UPPER THREE SFIROT. It is treasured in the place of the endless, WHICH IS ARICH ANPIN, and all becomes one. The point that was in the light, AND TRANSFORMED IT INTO AIR, is now COMPLETELY light, AS IT TURNED INTO THE UPPER THREE SFIROT BY THE UNION. And THE LIGHT OF CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT OF ABA AND IMA expanded. From this expansion illuminated the seven letters of the alphabet, which were not yet solid but were still moist. Later darkness came forth and seven other letters of the Alphabet came out. The firmament then came forth and stopped the dispute between the two sides. In it there issued eight other letters, which added up to 22 in all. Seven letters from the RIGHT side and seven letters from the LEFT side jumped on the firmament and were all engraved on it, where they remained moist. As the firmament congealed, so did the letters. They were engraved and assumed their intended shapes. And there the Torah was

inscribed, REFERRING TO ZEIR ANPIN WHICH IS CALLED THE TORAH, to shine outward ON THE LOWER BEINGS.

35. THE PHRASE: "Let there be light" ALLUDES TO THE NAME Great El, according to the secret of He who issues from the primal Air. HENCE, IT IS WRITTEN: "LET THERE BE (HEB. YEHI)", IMPLYING THE SFIRAH OF CHESED OF ZEIR ANPIN CALLED 'GREAT EL.' THE PHRASE: "And there was (Heb. Vayehi)" refers to the secret of the darkness that is called 'Elohim.' AND IT IS CALLED 'light' AFTER the left was combined with the right because the name Elohim extends from the secret of the name El, WHICH IS CHESED. THUS, THE NAME ELOHIM IS THE ASPECT OF CHESED AS WELL. And the right was included within the left, and the left within the right.

36. THE VERSE: "And Elohim saw the light, that it was good" (Beresheet 1:4) implies the Central Column OF ZEIR ANPIN, WHICH IS THE SFIRAH OF TIFERET IN IT. THE PHRASE: "That it was good" SAID ABOUT TIFERET MEANS THAT it shone up and down in all directions, NAMELY TO ALL THE SFIROT: NETZACH, HOD, YESOD AND MALCHUT. TIFERET OF ZEIR ANPIN is the secret of the name Yud-Hei-Vav-Hei, which includes all direction, RIGHT AND LEFT, FRONT AND BACK, UP AND DOWN. THE WORDS, "And Elohim divided the light" MEAN THAT HE prevented the dispute BETWEEN RIGHT AND LEFT, so that everything may be perfect.

37. "And Elohim called..." (Beresheet 1:5). HE ASKED: What is THE MEANING OF "AND ELOHIM called THE LIGHT DAY"? HE REPLIED, THIS MEANS THAT He called and invited it to bring forth from within that perfect light that stands in the middle, REFERRING TO TIFERET, one light. AND THIS LIGHT is the foundation of the world, upon which all worlds are erected AND FROM WHERE ALL THE SOULS ARE BORN. From this perfected "light" emerges the Central Column, the foundation of the life of the worlds, this being the day from the right side. THE WORDS: "And the darkness he called Night" MEAN THAT He called and invited it, bringing forth one female from within the left side, the secret of darkness. THIS FEMININE PRINCIPLE IS THE SECRET OF the moon that governs the night. FOR THIS REASON, it is called night. AND THIS IS the secret of THE NAME 'Adonai' and THE 'NAME Master of all Earth.'

38. The right enters into that perfected pillar in the middle, where it is included with the secret of the left; NAMELY, CHESED OF ZEIR ANPIN, WHICH ALSO INCLUDES ITS GVURAH AND ENTERS ITS CENTRAL COLUMN, WHICH IS TIFERET. Then ZEIR ANPIN rises up to the primal point, WHICH IS ARICH ANPIN, and takes and possesses there, IN ARICH ANPIN, MOCHIN, WHICH IS a thing according to THE SECRET OF the three Points--Cholam, Shuruk and Chirik--which are called holy seed. FOR THROUGH THE THREE SOWINGS--CALLED CHOLAM, CHIRIK AND SHURUK--THE MOCHIN OF CHOCHMAH ARE REVEALED, WHICH ARE CALLED HOLINESS. THE THREE POINTS ARE THEREFORE CALLED HOLY SEED. For no seed can be sown FOR THE PURPOSE OF THE MOCHIN except according to this secret, NAMELY THE SECRET OF THE THREE SOWINGS OF CHOLAM, SHURUK AND CHIRIK. All, REFERRING TO THE ILLUMINATION OF THE THREE POINTS, were united in the Central Column, WHICH IS TIFERET, and it emanated the foundation (Yesod) of the world. Because of this, YESOD is called all, because it holds on to all, NAMELY THE ILLUMINATION OF ALL THREE

COLUMNS by the light of passion. IN OTHER WORDS, BECAUSE OF THE DESIRE OF THE LEFT FOR THE LIGHT OF THE RIGHT, YESOD RECONCILES THE LEFT WITH THE RIGHT AND UNITES THEM. AND BECAUSE THE CENTRAL COLUMN ACQUIRES THEM, THAT COLUMN ATTAINS BOTH OF THEM AND BESTOWS THEM BOTH ON YESOD.

39. The left is set ablaze by the force of might and smells. It exudes the odor throughout the grades, and from the glow of this fire it emanates the feminine principle called moon. This blazing IS CONSIDERED TO BE darkness, because it extends from darkness. And these two sides, THE RIGHT AND THE LEFT, produce these two grades, one male and one female, BECAUSE YESOD, WHICH IS MALE, EMANATED FROM THE RULE OF THE RIGHT OF ZEIR ANPIN. THE FEMININE PRINCIPLE EMANATES FROM THE LEFT COLUMN OF ZEIR ANPIN.

40. Yesod holds on to the Central Pillar AND RECEIVES the additional light that was in it. THIS REFERS TO THE LIGHT OF CHOCHMAH, WHICH IS AN ADDITIONAL LIGHT FOR ZEIR ANPIN. The Central Column, ZEIR ANPIN, is entirely complete BY CHOCHMAH AND BY CHASSADIM, because of the peace he brought to all sides. Thus, It has received additional light--MOCHIN--from above, NAMELY FROM ARICH ANPIN WHICH IS CHOCHMAH, and from all sides, NAMELY FROM THE RIGHT AND LEFT. FROM ITS OWN CENTRAL COLUMN, IT HAS ACHIEVED CHASSADIM AND GVUROT, and the joy of all THE WORLDS is in It. THIS IS THE SECRET OF THE ILLUMINATION OF CHOCHMAH THAT ELIMINATES ALL THE KLIPOT. And from this adding of gaiety, the foundation (Yesod) of the world issued and is called additional (Heb. Musaf). From here, YESOD, all the lower powers, spirits and holy souls OF THE RIGHTEOUS, are emanated according to the secret of THE SACRED NAMES--Yud-Hei-Vav-Hei-Tzeva'ot--WHICH MEANS THAT HE IS A LETTER (ALSO: 'A SIGN') THAT APPEARS IN ALL HIS HOSTS. HE IS ALSO CALLED EI the Elohim of the Spirits, FROM WHOM ALL THE SPIRITS AND SOULS OF THE RIGHTEOUS EMANATE.

41. The night, Master of all Earth, is the feminine principle. She emanated from the left side, from that darkness. Because the entire desire of that darkness was to be included within the Right Column AND RECEIVE THE LIGHT, its power was weakened. When night began to expand FROM THE LEFT before ITS STRUCTURE was completed, the darkness--NAMELY THE LEFT COLUMN--entered and merged with the Right Column, and the right held on to it. Night then was left lacking AT ITS END, BECAUSE ITS SOURCE, WHICH IS THE LEFT COLUMN, DISAPPEARED IN THE RIGHT COLUMN AND DID NOT HELP IT REACH COMPLETION. SO NOW THERE ARE TWO THINGS LACKING IN THE FEMININE PRINCIPLE: (1) THE ASPECT OF THE NIGHT, MEANING DARKNESS INSTEAD OF LIGHT, AND (2) HER STRUCTURE WAS NOT COMPLETED BY THE LEFT.

42. Just as darkness, WHICH IS THE LEFT, desires to be included within the light OF THE RIGHT COLUMN, so THE FEMININE PRINCIPLE, WHICH IS night, desires to be included within day. Darkness, WHICH IS THE LEFT COLUMN, abated its light BECAUSE IT HAD NOT YET COMPLETED THE STRUCTURE OF THE FEMININE PRINCIPLE. Because of this, it produced the grade OF THE FEMALE WITH AN incomplete STRUCTURE and without light, NAMELY WITH THE TWO AFOREMENTIONED DEFECTS. THEREFORE, THE FEMININE PRINCIPLE REQUIRED TWO REFORMS: (1) TO BRING HER LIGHT AND FREE HER FROM HER DARKNESS AND (2) TO COMPLETE HER STRUCTURE. Darkness, THE LEFT COLUMN, cannot illuminate unless it merges with the light of the right. And the same applies to the night, which is constructed in the left and emerges from it. It does not show any light unless it merges with the day, YESOD. The defect OF THE STRUCTURE of the night is not completed until the Musaf (additional prayer), WHICH IS THE ADDITIONAL LIGHT THAT YESOD HAS RECEIVED FROM THE CENTRAL COLUMN--NAMELY, THE EXCESSIVE ILLUMINATION OF CHOCHMAH IN ZEIR ANPIN. AND THIS ADDITIONAL LIGHT COMPLETES THE STRUCTURE OF THE FEMININE PRINCIPLE. So what was added to one place is diminished in another. THIS MEANS THAT WHAT WAS ADDED TO THE SFIRAH OF YESOD OF ZEIR ANPIN BY THE CENTRAL COLUMN, THE LEFT COLUMN OF ZEIR

ANPIN, HAS CAUSED A DIMINUTION AND LACK IN THE FEMININE PRINCIPLE. BUT YESOD FILLS UP THIS LACK WITH ITS ADDITIONAL LIGHT.

43. The Musaf, WHICH IS YESOD OF ZEIR ANPIN, contains the secret of the supernal point, WHICH IS ARICH ANPIN, and the secret of the Central Column, WHICH IS TIFERET OF ZEIR ANPIN THAT RECONCILES all sides. Because of this, two letters were added to YESOD, WHICH ARE VAV AND YUD, IN THE PHRASE: "AND ELOHIM CALLED (HEB. VAYIKRA) THE LIGHT DAY" (BERESHEET 1:5), IN WHICH THE LETTER VAV ALLUDES TO THE LIGHT OF CHASSADIM THAT IT RECEIVED FROM THE CENTRAL COLUMN AND THE YUD TO THE LIGHT OF CHOCHMAH THAT IT RECEIVED FROM ARICH ANPIN. IN THE EMANATION ON THE FEMININE PRINCIPLE, WHICH IS night, these two letters were missing. So OF HER IT IS WRITTEN kara, without the Vav and Yud. OF THE DAY, WHICH IS YESOD, it is written vayikra. He subtracted, IN THE FEMININE PRINCIPLE, THE LETTERS Vav and Yud from vayikra, and so it is written OF HER only "he called (kara) night." Here lies the secret of the name with the 72 letters that are inscribed in the supernal crown - REFERRING TO THE SECRET OF THE LETTERS VAV AND YUD.

6. "Let there be a firmament"

Three distinct spiritual energy forces permeate all existence. Using the language of metaphor, the Zohar identifies these three forces as Right, Left and Central Columns. Right correlates to the positive [+] force, which manifests physically as the proton. Left signifies the negative charge [-], manifesting as the electron. Central is expressed through the neutron, the force that bridges the positive and negative poles. Just as the filament in a light bulb creates the resistance that generates light, the Central column corresponds to the cosmic force of resistance—the Firmament whose resistance produces illumination. Even sunlight striking a physical object requires reflection in order generate luminous energy. This model for arousing both spiritual and physical Light is mirrored within ourselves. Our left side corresponds to the negative pole [-], and to our Desire to receive. The right side signifies the positive pole [+], the will to share that resides in our soul. Our hearts and minds correspond to the central aspect. This is our free will, whereby we can choose to resist the Desire to receive and nurture the desire to share. This is the choice that arouses spiritual Light.

This section of the Zohar fills us with the power to resist our selfish desires. It strengthens our central column, which is our own free will.

We are blessed with the ability to create unity between opposite forces in our lives. We can become a bridge between opposing sides, and by so doing we can help to resolve conflict and confrontation. Kabbalah teaches that disunity among people is the source of all hatred and violence, regardless of who is right or wrong.

44. "And Elohim said, Let there be a firmament in the midst of the waters" (Bereshheet 1:6). THIS PHRASE alludes to a detailed reform of the separation of the upper from the lower waters according to the secret of the left. Here, the dispute according to the secret of the left occurred. Until this point, REFERRING TO THE FIRST DAY, reference is made to the right. But ON THE SECOND DAY, REFERENCE is to the secret of THE GOVERNING OF the left. Because of this, a great dispute broke out ON THE SECOND DAY between the two sides. THE LEFT WANTED TO CANCEL THE GOVERNING POWER OF THE RIGHT ENTIRELY, WHILE THE RIGHT WANTED TO CANCEL THE GOVERNING POWER OF THE LEFT ENTIRELY. The right, WHICH IS THE SECRET OF CHESED AND THE FIRST DAY, is the perfection of all. Because of this, everything was written in the right ON THE FIRST DAY. THIS MEANS THAT ALL THE SEVEN DAYS, WHICH ARE THE SEVEN SFIROT, ARE EMERGED IN IT AND ARE ALLUDED TO IN IT, BECAUSE EVERY PERFECTION DEPENDS ON THE RIGHT SIDE.

When the rule of the left was aroused, its dispute with the right began and the fire of anger in that dispute became fierce. From this dispute, Gehenom was created. So Gehenom was awakened, and created by the left, and cleaved to it, WHICH MEANS THAT WHOEVER WANTS TO STRENGTHEN THE LEFT SHALL FALL INTO GEHENOM, WHICH ORIGINATES FROM IT.

44. וַיֹּאמֶר אֱלֹהִים יְהִי רְקִיעַ בְּתוֹךְ הַמַּיִם וְגו' הֵכָא בְּפִרְט רִזָּא לְאִפְרָשָׁא בֵּין מִיּוֹן עֲלָאִין לְתַתָּאִין, בְּרִזָּא דְשְׂמָאֲלָא הֵכָא מַחְלֻקַת בְּרִזָּא דְשְׂמָאֲלָא, דְעַד הֵכָא רִזָּא דְיִמִּינָא הוּא, וְהֵכָא הוּא רִזָּא דְשְׂמָאֲלָא. וּבְגִין כֵּךְ אֲסֻגִּיאוּ מַחְלֻקַת בֵּין דָּא לְיִמִּינָא. יִמִּינָא אִיהוּ שְׁלִימָא דְכָלָא, וּבְגִין כֵּךְ בְּיִמִּינָא כְּתִיב כָּלָא, דְהָא בֵּיהּ תְלִינָא כָּל שְׁלִימוֹ. כִּד אֲתַעַר שְׂמָאֲלָא אֲתַעַר מַחְלֻקַת, וּבְהוּא מַחְלֻקַת אֲתַתְקַף אֲשָׁא דְרוּגְזָא, וְנִפְיָק מִנִּיהּ מַהֵהִיא מַחְלֻקַת גִּיהֵנָם, וְגִיהֵנָם בְּשְׂמָאֲלָאֲתַעַר וְאֲתַדְבֵּק.

45. In his wisdom, Moshe looked into this and learned about the work of Creation. In the work of Creation, there was a dispute between the left and the right. And in that dispute, which the left provoked, Gehenom was created and Gehenom held on to the left. The central pillar, WHICH IS TIFERET, entered between them on the third day, ending the dispute and bringing the two sides to an agreement. So Gehenom REMOVED ITSELF FROM THE LEFT AND descended below. The left joined the right, and there was peace everywhere.

46. A similar dispute occurred between Korach and Aharon, the left against the right. Moshe studied the Creation and said, 'I am one able to eliminate the dispute between right and left.' MOSHE tried his best to reconcile them, but the left did not want to be reconciled. So Korach become stronger AND OVERCAME AHARON.

47. MOSHE said, assuredly, because of the power of the disagreement of the left, Gehenom should cling to it, JUST AS IT WAS IN THE WORKS OF CREATION. KORACH did not wish to be attached above, NAMELY TO THE AMENDMENT OF HOLINESS, and join the right, LIKE THE LEFT ON HIGH. So assuredly, he shall descend below, DOWN INTO GEHENOM, because of the fierceness of his anger. AS HAPPENED IN THE WORKS OF CREATION, GEHENOM CAME OUT AND CLEAVED TO THE LEFT. MOSHE KNEW THAT WITH THE STRENGTH OF KORACH'S ANGER, KORACH WOULD DESCEND TO GEHENOM AND BE ATTACHED TO IT.

48. Because of this, Korach did not want Moshe to settle this dispute. It was not for heaven's sake (with pure intentions). He had no respect for the above glory, WHICH IS THE SHECHINAH, and refused to acknowledge the work of Creation. THIS MEANS THAT HE DENIED THE AMENDMENT OF THE CENTRAL COLUMN, SETTLING THE DISPUTE BETWEEN THE RIGHT AND LEFT, IN THE WORK OF CREATION. HE WANTED ONLY THE LEFT TO GOVERN. As soon as Moshe realized that he was denying the work of Creation and being rejected out OF HOLINESS, "Moshe was much angered" (Bemidbar 16:15).

49. "And Moshe was much angered," BECAUSE KORACH AND HIS COMPANY refused to acknowledge him and did not allow him to settle the dispute. IT IS WRITTEN "much", because they denied the acknowledgment of the work of Creation. So Korach denied everything above IN ZEIR ANPIN and below IN THE SOULS, as it is written: "When they strove against Hashem" (Bemidbar 26:9)-- WHICH IS THE SECRET OF ZEIR ANPIN, FOR THE DAMAGE THAT HE DID REACHED BOTH above TO ZEIR ANPIN and down TO MOSHE. Therefore, KORACH cleaved on to what he deserved; HE REACHED GEHENOM, AS WRITTEN, "THEY...WENT DOWN ALIVE INTO SH'OL" (BEMIDBAR 16:33).

45. חֲכֵמָתָא דְּמֹשֶׁה בְּהָא אֶסְתַּבֵּל, וּבְעוֹבְדָא דְּבְרָאשִׁית אֲשֶׁגַח. בְּעוֹבְדָא דְּבְרָאשִׁית הָיָה מַחְלֹקֶת שְׂמָאלָא בְּיַמִּינָא, וּבְהָוָא מַחְלֹקֶת דְּאִתְעַר בֵּיהּ שְׂמָאלָא, נִפְקַ בֵּיהּ גִּיהֵנָם וְאִתְדַבֵּק בֵּיהּ. עֲמַדָא דְּאִמְצָעִיתָא דְּאִיהוּ יוֹם תְּלִיתָאי עָל בִּינְיָהוּ, וְאִמְרִישׁ מַחְלֹקֶת וְאִסְכֵּימ לְתֵרִין סְטֵרִין, וְגִיהֵנָם נְחִית לְתַתָּא, וְשְׂמָאלָא אֶתְכַלִּיל בְּיַמִּינָא וְהָוָה שְׁלָמָא בְּכָלָא.

46. בְּגוֹוְנָא דָּא, מַחְלֹקֶת קֶרַח בְּאֶהְרִן, שְׂמָאלָא בְּיַמִּינָא. אֶסְתַּבֵּל מֹשֶׁה בְּעוֹבְדָא דְּבְרָאשִׁית, אָמַר: לִי אִתְחַזִּי לְאִמְרָשָׁא מַחְלֹקֶת בֵּין יַמִּינָא לְשְׂמָאלָא אֲשֶׁתְּדַל לְאִסְכְּמָא בִּינְיָהוּ, וְלֹא בְּעֵי שְׂמָאלָא. וְאִתְקַף קֶרַח בְּתוֹקְפִיהּ.

47. אָמַר: וְהָיִי גִיהֵנָם, בְּתוֹקְפָא דְּמַחְלֹקֶת שְׂמָאלָא, אֲצֵטְרִיךְ לְאִתְדַבְּקָא, הוּא לֹא בְּעֵי לְאִתְדַבְּקָא לְעִילָא וְלֹא תִכְלָלָא בְּיַמִּינָא, וְהָיִי יְחוּת לְתַתָּא בְּתוֹקְפָא דְּרוּגְזָא דִּילִיָּהּ.

48. וְעַל דָּא לֹא בְּעֵי קֶרַח לְאִסְכְּמָא הָיִי מַחְלֹקֶת בְּיַדָּא דְּמֹשֶׁה, בְּגִין דְּלֹא הָוָה לְשֵׁם שְׁמַיִם, וְלֹא חֵיִישׁ לִיקְרָא דְּלְעִילָא, וְאִכְחִישׁ עוֹבְדָא דְּבְרָאשִׁית, בִּיּוֹן דְּחָמָא מֹשֶׁה דְּהָוָה מְכַחִישׁ עוֹבְדָא דְּבְרָאשִׁית וְאִתְדַחָא אִיהוּ לְבַר, כְּדִין וַיַּחַר לְמֹשֶׁה מְאֹד.

49. וַיַּחַר לְמֹשֶׁה, עַל דְּאִכְחִישׁוּ לִיָּהּ, דְּלֹא אִסְכֵּימ הָוָא מַחְלֹקֶת. מְאֹד, עַל דְּאִכְחִישׁוּ עוֹבְדָא דְּבְרָאשִׁית. וּבְכָלָא אִכְחִישׁ קֶרַח, בְּעִילָא וּבְתַתָּא. דְּכְתִיב בְּהַצּוֹתָם עַל ה', הָא תַתָּא, וְעִילָא. וְעַל דָּא אִתְדַבֵּק בְּמָה דְּאִתְחַזִּי לִיָּהּ.

50. Another dispute was settled according to above. A dispute that rose and did not come down and was based on decency was that between Shammai and Hillel. SHAMMAI WAS THE ASPECT OF THE LEFT ON HIGH, WHILE HILLEL WAS THE ASPECT OF THE SUPERNAL RIGHT. And the Holy One, blessed be He, intervened between them and approved of them. THIS MEANS THAT THE DIFFERENCES AND ARGUMENTS BETWEEN SHAMMAI AND HILLEL REACHED THEM FROM THE CENTRAL COLUMN OF ABOVE, WHICH IS THE SECRET OF THE HOLY ONE, BLESSED BE HE. This was a dispute for the sake (name) of heaven, and the heavens, and ZEIR ANPIN, reconciled this dispute TO ESTABLISH BOTH. Because of this, THEIR ILLUMINATIONS CONTINUE to exist. This DISPUTE is like the work of Creation. IT IS SIMILAR TO WHAT THE CENTRAL COLUMN ACHIEVED FOR THE SAKE OF ESTABLISHING THE WORK OF CREATION. But Korach denied the establishing of the work of Creation and the dispute was toward the heavens, NAMELY ZEIR ANPIN, THAT IS, THE RECONCILING COLUMN. And he wanted to deny the principles of the Torah, WHICH IS ZEIR ANPIN. Assuredly this DISPUTE AND DENIAL was the result of the efforts of Gehenom, and its power of judgment cleaved to KORACH and he to it. **THUS, HE FELL INTO GEHENOM.**

51. This secret appears in the Book of Adam. When darkness was aroused to take control, it emerged in all its might and created Gehenom, and GEHENOM cleaved to it in its dispute. As the anger and the might OF THE GVUROT were calmed down, the dispute was aroused in a different manner, as a dispute of love.

52. There were two kinds of disputes: One at the beginning and one at the end. This is the path of the righteous, which is hard in the beginning, because it is full of suffering, but ends in peace. Korach, BEING THE LEFT, was the beginning of the dispute BETWEEN THE RIGHT AND THE LEFT, which was full of anger and fierceness. EACH WANTED TO DIMINISH THE ILLUMINATION OF HIS NEIGHBOR. FROM THIS, GEHENOM EMERGED and Korach cleaved to Gehenom. Shammai was ALSO THE ASPECT OF THE LEFT, but at the end of the dispute BETWEEN THE RIGHT AND THE LEFT, when anger was forgotten and the dispute of love was set in motion SO AS TO RECEIVE APPROVAL FROM THE HEAVENS, WHICH IS THE COLUMN THAT SETTLES THE DISPUTE.

53. This is the secret of the verse: "Let there be a firmament in the midst of the waters, and let it divide..." (Bereshheet 1:6) This is the first dispute, aroused by anger and force, in which each wanted to overcome and annul his neighbor. THE HOLY ONE, BLESSED BE HE, wished to nullify the dispute and Gehenom was aroused until the anger and aggressiveness cooled down. Then it IS WRITTEN: "And Elohim made the firmament AND DIVIDED..." (BERESHEET 1:7). THIS DIVISION IS the dispute, carried with love and friendship, which supports the world. According to this secret, (NAMELY THROUGH THE DISPUTE OF LOVE) is carried the dispute between Shamaï and Hillel--NAMELY THE DIVIDING OF "AND ELOHIM MADE THE FIRMAMENT..." AT THE END OF THE DISPUTE. ON THE OTHER HAND, THE DISPUTE OF KORACH WAS ONE OF ANGER--WHICH IS THE DIVIDING OF "LET THERE BE A FIRMAMENT IN THE MIDST OF THE WATERS..." AT THE BEGINNING OF THE DISPUTE. SO THE DISPUTE OF SHAMMAI AND HILLEL WAS FOR THE SAKE OF THE HEAVENS, in which the oral Torah, WHICH IS THE SECRET OF THE FEMININE PRINCIPLE, entered with love into the written Torah, WHICH IS ZEIR ANPIN AND CALLED HEAVENS. And they were in perfect union.

54. Division applies to the left alone, as is written IN RELATION TO THE SECOND DAY: "And let it divide." (Ibid. 6) WHILE OF KORACH, it is written: "Is it but a small thing to you, that the Elohim of Yisrael has separated you" (Bemidbar 16:9). It is also written: "At that time Hashem separated the tribe of Levi" (Devarim 10:8). So, assuredly the separation appears only in the second day in the place of the left.

50. מַחְלוֹקֶת דִּאֲתַתְקַן כְּגִוּוֹנָא דְלַעִילָא, וְסִלִּיק וְלֵא נְחִית, וְאַתְקִיִּים בְּאַרְחַ מִיִּשְׂרָאֵל, דָּא מַחְלוֹקֶת דְּשִׁמְאִי וְהִלֵּל. וְקְדוּשׁ בְּרוּךְ הוּא אֶפְרִישׁ בִּינֵיהוּ, וְאַסְכִּים לֹוֹן. וְדָא הוּא מַחְלוֹקֶת לְשֵׁם שְׁמַיִם, וְשְׁמַיִם אֶפְרִישׁ מַחְלוֹקֶת, וְעַד אֲתַקִּיִּים וְדָא הוּא כְּגִוּוֹנָא דְעֹבְדָא דְבְּרֵאשִׁית. וְקִרַח, בְּעֹבְדָא דְבְּרֵאשִׁית אֶכְחִישׁ בְּכֻלָּא וּפְלוּגְתָא דְשְׁמַיִם הוּא, וּבְעָא לְאַכְחָשָׁא מְלִי דְאוֹרִיִּיתָא, וְדָאִי בְּאַתְדַּבְּקוּתָא דְגִיְהוֹנָם הוּא, וְעַל דָּא אֲתַדְּבַק בְּהַרְדִּיהָ.

55. You may ask: If division occurs definitely on the second day, why then is the separation MENTIONED about Levi, who is the third SON OF YA'AKOV? It should have been associated with Shimon, who is the second SON OF YA'AKOV. THE ANSWER IS that although Levi is the third son according to Ya'akov's mind, he is the second, BECAUSE REUVEN IS NOT CONSIDERED THE FIRST SON OF LEAH, AS AT THE TIME YA'AKOV THOUGHT SHE WAS RACHEL. So the separation is forever in the second, BECAUSE AFTER THE DIVISION HAS OCCURRED IN THE SECOND, everything goes smoothly along the straight path in a perfect way, as it should be. THIS IS BECAUSE BY THE SEPARATION, THE LIGHTS ENCLOSE EACH OTHER AND ARE COMPLETED BY EACH OTHER.

56. The Havdalah (prayer of separation) THAT IS PERFORMED at the end of Shabbat IS FOR THE PURPOSE OF SEPARATING those POWERS that are dominant during the days of the week from THE HOLINESS THAT IS DOMINANT DURING Shabbat. With the ending of Shabbat, one aspect of Gehenom appears. It is the evil eye that desires to govern THE WORLD, just as the children of Yisrael recite, "O Prosper it, the work of our hands" (Tehilim 90:17). It emerges from that grade OF THE OTHER SIDE, which is called the left, and wishes to mingle with the seed of Yisrael BY TAKING CONTROL OVER THE HOLY COVENANT and having power TO PUNISH Yisrael.

57. While the children of Yisrael performed an action, A PRECEPT, using the myrtle (Heb. Hadas) and the wine and recite the Havdalah (prayer of separation), THE OTHER SIDE departs from them. That side is lowered and enters into its place in Sh'ol, in the place where Korach and his company are, as it is written: "They, and all that appertained to them, went down alive into Sh'ol" (Bemidbar 16:33). So KORACH AND HIS COMPANY did not go down TO GEHENOM until Yisrael separated from them, as it is written: "Separate yourselves from among this congregation" (Bemidbar 16:21). HERE AS WELL, THE OTHER SIDE DOES NOT GO TO GEHENOM AT THE ENDING OF SHABBAT BEFORE YISRAEL PERFORMS THE HAVDALAH.

58. So the Havdalah (separation) is always done on the second day, which is the Left Column. THIS REFERS TO WHAT HAS ALREADY BEEN EXPLAINED, THAT EVEN THE HAVDALAH AT THE ENDING OF SHABBAT IS INTENDED TO SEPARATE THE OTHER SIDE THAT EXTENDS FROM THE LEFT COLUMN. It was at the beginning of the dispute, which was aroused by the aggressiveness and anger of the left before it was calmed down and quieted, that Gehenom was created. Then were created all these angels that denounce before THE HOLY ONE, BLESSED BE HE, their Master, above, THE SECRET OF THE CENTRAL COLUMN. THEY DISAGREE WITH HIS RECONCILIATION AND DEVIATE TO THE LEFT. Therefore, fire burns them up and they are consumed. And the other ANGELS, all those who are annulled and have no support, are burned in the fire. ALL THESE HAVE COME FROM THE POWER OF THE FIRE OF THE DISPUTE IN THE BEGINNING, ON THE SECOND DAY. Similarly, Korach FELL down INTO GEHENOM AND BURNED, JUST LIKE THOSE ANGELS WHO BURNED IN THE FIRE OF THE RIVER OF FIRE. And everything follows the same manner, EXTENDING FROM THE BEGINNING OF THIS DISPUTE WITH THE FIRE OF ANGER.

59. "Let there be a firmament..." TELLS US THAT an expansion has occurred between the two. THE LOWER WATERS EXPANDED AND WERE SEPARATED FROM THE UPPER WATERS, AND THE UPPER WATERS EXPANDED AND WERE SEPARATED FROM THE LOWER WATERS BY THE FIRMAMENT. THE LETTERS EI (Aleph Lamed) IN THE NAME ELOHIM (ALEPH-LAMED-HEI-YUD-MEM) FROM THE FIRMAMENT UP are of the right part. IN OTHER WORDS, EL ALWAYS ALLUDES TO THE NAME OF CHESED, WHICH IS THE RIGHT SIDE. THE NAME Great EI has expanded from within the waters OF BINAH AND IS SEPARATED FROM THEM. THIS MEANS THAT BECAUSE OF THE FIRMAMENT, THE NAME GREAT EL HAS SPREAD UPWARD AND HAS SEPARATED ITSELF FROM THE OTHER WATERS, NAMELY THE THREE LETTERS--HEI-YUD-MEM. This was to complete the name EI and to include THE UPPER AND LOWER WATERS within each other THROUGH THAT EXPANSION. And THE NAME EI of Elohim expanded, LEAVING ONLY THE THREE LETTERS--Hei-Yud-Mem. Hei-Yud-Mem then expanded DOWN BELOW THE FIRMAMENT and became the lower waters, Yud-Mem-

55. ואי תימא הבדלה בשני איהו ודאי, אמאי הבדלה בלוי דאיהו תליתאה, הבדלה בשמעון אצטרין דאיהו שני. אלא אף על גבדלוי איהו תליתאה. לדעתא דיעקב שני הוה, ולעולם בשני הוה, וכלא בארץ מישר, בארץ שלים בדקא יאות.

57. וישראל עברי עובדא בהרס וביון, ואמרי הבדלה, ואתפרש מנייהו, ומאיך ההוא סטרא ועאל לדוכתיה בשאול, אתר דקרח וסיעתיה תמן, דכתיב וירדו הם וכל אשר להם חיים שאולה, ואינון לא נחתו תמן עד דעברי ישראל הבדלה מנהון, דכתיב הבדלו מתוך העדה וגו'.

58. ולעולם הבדלה בשני איהו שמאלא. בשירותא ותוקפא ורוגזא, דאתער שמאלא במחלוקת, עד לא שכיך בנייחא, ואתברי ביה גיהנם, כדן אתבריאו כל אינון מלאכים דקטרגי למריהון לעילא ואכיל לון נורא ואתוקרו. וכן כל שאר אינון דמתבטלי, ולית לון קיומא ואתאכלו בנורא, כגוונא דא קרח לתתא, וכלא כגוונא דא.

59. יהי רקיע, אתפשט פשיטו דא מן דא: א"ל, קטפא וימנא, א"ל גדול אתפשט פשיטו מן גו מויא, לאשתלמא שמא דא א"ל, ולא תכללא בההוא פשיטו דא בדא, ואתפשט מאל אלקים, הי"ם אליון אתפשטו, ואתהפכו למהוי מיון תתאין, ימ"ה, ההוא פשיטו דאתפשט בשני מיון עלאין הי"ם זה הי"ם גדול, הי"ם, מיון עלאין, הפוכא דאליון אתוון, ימ"ה, מיון תתאין. כיון דאתתקנו אתעבידו כללא כללא חדא. ואתפשט שמא דא בכמה דוכתי.

Hei. This is the expansion into the second one, THAT IS, HEI-YUD-MEM INTO YUD-MEM-HEI, the upper waters are Hei-Yud-Mem, as written, "So is this great and wide sea (Hayam, Hei Yud Mem)" (Tehilim 104:25). THUS, Hei Yud Mem is the upper waters. If the letters HEI-YUD-MEM are in reversed order, THAT IS, Yud-Mem-Hei, this indicates they are lower waters. Once THE LETTERS YUD-MEM-HEI were restored, THEY ASCENDED AND ROSE ABOVE THE FIRMAMENT AND JOINED THE NAME GREAT EL AND RETURNED TO THE COMBINATION OF THE GREAT SEA (HEB. HAYAM), WHICH WAS HEI-YUD-MEM. Then everyone, EL AND HEI-YUD-MEM were united as one, RESULTING IN ONE NAME--ELOHIM. And this name ELOHIM reached into many places.

60. The upper waters are males; the lower waters are females. At first, BEFORE THEY WERE FIRMLY ESTABLISHED, they were mixed, but were later separated to distinguish the upper waters from the lower waters. AND TO DIFFERENTIATE THEM, one is called Elohim, WHICH IS BINAH, and the other is called Adonai, WHICH IS MALCHUT. One is the upper Hei OF THE NAME YUD-HEI-VAV-HEI, WHICH IS BINAH, and the other is the lower Hei OF THE NAME YUD-HEI-VAV-HEI, WHICH IS MALCHUT as it is written: "And Elohim made the firmament" (Bereshheet 1:7). This expansion assumed the name ELOHIM, FOR THE VERSE: "AND ELOHIM MADE" INDICATES THAT THE EXPANSION OF HEI-YUD-MEM RETURNED BACK TO EL AND MERGED INTO THE NAME ELOHIM AND THE UPPER WATERS. FOR THE NAME Elohim is the upper waters and the name Adonai, THE FEMININE PRINCIPLE OF ZEIR ANPIN, is the female waters. Nevertheless, since the male waters, OR THE LETTERS HEI-YUD-MEM, were completed only by the female waters--NAMELY, THE FEMININE PRINCIPLE OF ZEIR ANPIN--the name Elohim expanded everywhere, INCLUDING THE FEMALE WATERS.

61. Although ON THE SECOND DAY, the upper and lower waters were divided, the dispute BETWEEN THE RIGHT AND THE LEFT, WHICH ARE THE LETTERS ALEPH-LAMED AND HEI-YUD-MEM, did not cease until the third day, WHICH IS TIFERET. THE THIRD DAY settled the dispute BETWEEN THE RIGHT AND THE LEFT, AS THE TWO COLUMNS--ALEPH-LAMED AND HEI-YUD-MEM--ENCLOTHED EACH OTHER, and both were established properly in their places. Because of this dispute, even though the world exists upon it, it is not written: "it was good" about the second day, because the work was not yet completed ON THAT DAY. So the upper and lower waters were MINGLED TOGETHER as one, and there was no offspring in the world until they were divided IN TWO and distinguished as separate from each other. Only then did they bring forth offspring.

62. Although the separation OF THE LOWER WATERS FROM THE UPPER WATERS occurred on the second day, the dispute BETWEEN EL, WHICH IS THE RIGHT, AND HEI-YUD-MEM, WHICH IS THE LEFT, was unresolved. ONLY the third day reconciled between them. Both became one AND JOINED THEM INTO THE ONE NAME ELOHIM. THE THIRD DAY, WHICH IS ZEIR ANPIN, IS the name, upon which is engraved Hei-Vav-Hei, to make the upper waters, BINAH, equal to the lower waters, MALCHUT. BECAUSE THE LETTERS HEI-VAV-HEI ARE THE SECRET OF THE TWO HEIS WITH VAV BETWEEN THEM: the upper Hei IS BINAH, and the lower Hei IS MALCHUT. The Vav in between IS ZEIR ANPIN AND it completes AND ILLUMINATES both sides, ABOVE IN BINAH AND BELOW IN MALCHUT. This was signified by THE SPLITTING OF the waters of the Yarden (the Jordan River), where the upper waters rose in a heap AND DID NOT DESCEND INTO THE DEAD SEA. THIS IS THE SECRET OF THE UPPER HEI OF THE NAME YUD-HEI-VAV-HEI, NAMELY BINAH. ON THE OTHER HAND, the lower waters--WHICH ARE THE SECRET OF THE LOWER HEI, MALCHUT--flowed down into the DEAD Sea--WHICH IS THE SECRET OF THE LOWER HEI, MALCHUT. And Yisrael, THE SECRET OF THE LETTER VAV, went in the middle BETWEEN THE UPPER WATERS AND THE LOWER WATERS OF THE YARDEN. THUS YISRAEL, THE SECRET OF THE VAV OF YUD-HEI-VAV-HEI, RECEIVED THE ABUNDANCE FROM THE UPPER HEI AND BESTOWED IT UPON THE LOWER HEI.

63. Firmament is mentioned five times ON THE SECOND DAY, and the life of the worlds, WHICH IS YESOD OF ZEIR ANPIN, passes through them and guides the worlds through them. They all are comprised of each other. Had the Central Column not settled the dispute, neither would have included the other nor be harmonized. THESE FIVE FIRMAMENTS ARE EQUIVALENT TO the 500 years to which the Tree of Life, WHICH IS ZEIR ANPIN, is attached to produce offspring and fruits in the world. All the waters of Beresheet, NAMELY THE KINDS OF MOCHIN that flow out from Beresheet, WHICH IS ARICH ANPIN, are divided under it and through it INTO THE UPPER WATERS AND THE LOWER WATERS. King David, WHO IS THE SECRET OF THE FEMININE PRINCIPLE, receives everything FROM ZEIR ANPIN. He then distributes it DOWN TO THE LOWER WORLDS OF BRIYAH, YETZIRAH AND ASIYAH, as it is written: "And he distributed among all the people, among the whole multitude" (II Shmuel 6:19). It is also written: "You give it to them; they gather it" (Tehilim 104:28) and "She rises also while it is yet night, and gives food" (Mishlei 31:15).

64. When disagreement was aroused through the fierceness of the left, the mist of fire increased and became overpowering. The spirits produced from within THAT MIST immediately congealed; they became dry and without any moisture. These spirits, which were male and female, produced a multitude of evil spirits. From this, all the might of the impure spirit appeared in all those strong spirits. This is the secret of the Klipah of the foreskin. These spirits were strengthened in impurity through the violent demons. One is called a viper and the other a Serpent, and these two kinds became one. The viper bears offspring every 70 years, while the Serpent only every seven years. But as they are joined together, everything returned to the seven years of the Serpent. THEREFORE, THE VIPER BEGETS EVERY SEVEN YEARS LIKE THE SERPENT, AND THEY BECOME AS IF ONE SPECIES.

65. From herein lies the secret of Gehenom, which has seven names and the Evil Inclination, which also has seven names. From here, impurity expands and spreads out in many grades into the world. And everything comes from the secret of the left, which contains good and evil and thereby, makes the world habitable. From here IS THE SECRET OF the HOLY name that is engraved by eighteen letters and is responsible for the bountiful rains THAT FEED THE EARTH, FOR HUMAN charity, for all our blessings, and for the general inhabitation of this world.

7. "Let the waters...be gathered"

Here the Zohar speaks about the dimension, or Sfirah, called Yesod. This is an immense reservoir that resides just above our physical dimension. All the Upper Worlds, or Sfirot, fill Yesod with their unique spiritual forces, where they are blended and prepared for transfer. Like a cosmic pipeline Yesod then funnels all this Light into our world, which is called Malchut. We can arouse great Lights in the Upper Worlds through our actions, but unless the floodgates of Yesod are opened, the Light can never reach our realm.

The Aramaic passages that illustrate this procedure strengthen our personal connection to Yesod. They help us to open the pipeline from the Upper Worlds.

66. "And Elohim said, Let the waters...be gathered" (Beresheet 1:9). THE WORDS "BE GATHERED (HEB. YIKAVU)" MEAN THAT THE MOCHIN CALLED THE WATERS will travel in a straight line (Heb. kav) on one level, WITHOUT SPREADING TO THE RIGHT OR LEFT. Everything flows mysteriously from the secret of that primal point, WHICH IS ARICH ANPIN, until THE LIGHT reaches and is gathered in the supernal temple. From there--REFERRING TO YISRAEL - SABA AND TEVUNAH--IT THEN flows in a straight line to the other grades, NAMELY TO ZEIR ANPIN, until it reaches that one place where everything is gathered ACCORDING TO THE SECRET OF male and female. HE ASKED: And what is that place? HE REPLIED: THIS IS the Life of the Worlds--NAMELY YESOD OF ZEIR ANPIN, WHICH IS THE MALE WHO IS UNITED WITH MALCHUT, WHICH IS THE FEMININE PRINCIPLE. THUS, IT COMPRISES MALE AND FEMALE TOGETHER.

63. חֲמֵשׁ רְקִיעֵינָם כְּתִיבֵי הָבָא, וְחַי הָעוֹלָמִים אֵיזֵל בְּהוֹ וְאִנְהִיג בְּהוֹ, וְכִלְהוּ בְּלִילָן דָּא בְּדָא, וְאַלְמָלָא הָאֵי מַחְלֻקְתָּ דְּאַסְתָּבְּסָ עֵי דְּאַמְצְעִיתָא, לָא אֲתַבְּלִילוּ וְלָא אֲתִישְׁרוּ דָּא בְּדָא. חֲמֵשׁ מְאָה שְׁנֵי אִינוּן, דְּאִילְנָא דְּחַיֵּי דְּבִיבָא בְּהוֹ לְמִיעֵבַד אִיבִין וְתוֹלְדִין לְעֵלְמָא, וְכֹל מִימּוֹי דְּבְרָאשִׁית, דְּנִגְדִין וְאַתְמַשְׁכֵּן מְבְרָאשִׁית, אֲתַפְּלִגוּ תַּחְתּוּי עַל יְדִיהָ. וְדוֹר מְלַכָּא נְקִיט בְּלָא, וְאִיהוּ פְּלִיג לְבַתְרָא. דְּכְתִיב וְיַחֲלַק לְכָל הָעָם לְכָל הַמּוֹן וְגו'. וְכְתִיב תַּתָּן לְהֵם יִלְקוּטוּן. וְכְתִיב וְתַקֵּם בְּעוֹד לַיְלָה וְתַתָּן טַרְף וְגו'.

67. The waters MENTIONED IN THE VERSE flow from above, from the upper Hei OF THE YUD-HEI-VAV-HEI, WHICH IS YISRAEL - SABA AND TEVUNAH. THE WORDS "under the heaven" ALLUDE TO small Vav, WHICH IS YESOD OF ZEIR ANPIN. ZEIR ANPIN IS CALLED GREAT VAV, WHILE HIS YESOD IS CALLED SMALL VAV. Therefore, WHEN the letter Vav IS PRONOUNCED, TWO VAVS ARE HEARD. The first one is heaven, NAMELY ZEIR ANPIN, and the second one is under the heaven, NAMELY YESOD OF ZEIR ANPIN. AFTER THE MOCHIN ARE DRAWN FROM THE UPPER HEI--WHICH IS BINAH--DOWN UNDER HEAVEN--WHICH IS YESOD OF ZEIR ANPIN--IT IS WRITTEN: "And let the dry land appear" (Bereshheet 1:9). This is the lower Hei--NAMELY MALCHUT, THE FEMININE PRINCIPLE OF ZEIR ANPIN--BECAUSE ONLY SHE WAS REVEALED AS DRY LAND, WHILE ALL THE OTHER GRADES WERE HIDDEN. From within that last GRADE, REFERRING TO THE LOWER HEI, MALCHUT, THAT LIGHT that was concealed was heard AND REVEALED.

68. The phrase "to one place" IS CALLED YESOD because there is a connection to the upper world through YESOD. THE VERSE: "Hashem shall be one, and his name one" (Zecharyah 14:9) hints at two unions. One is the upper world that is unified in its own grades, WHICH IS THE SECRET OF: "HASHEM IS ONE" and THE SECOND is the lower world that is unified in its own grades, ACCORDING TO THE SECRET: "AND HIS NAME ONE." The unification of the upper world BY THE SECRET OF "HASHEM IS ONE" is up TO YESOD. The life of the worlds, WHICH IS YESOD, is sweetened IN BINAH, and the upper world is connected to its unification. Because of this, it is called: "to one place", as all the grades and all the parts, THE SFIROT OF THE PARTZUF OF ZEIR ANPIN, gather there. And they become as one in it, without any separation at all. No grade unites there wholly save this grade, in which all the lights are mysteriously covered in one desire. Up to this point, REFERRING TO THE WORDS: "AND LET THE DRY LAND APPEAR", the revealed world--WHICH IS THE SECRET OF RACHEL--is unified with the concealed world--WHICH IS LEAH.

69. The revealed world, WHICH IS RACHEL, THE FEMININE PRINCIPLE OF ZEIR ANPIN WHO IS LOCATED FROM HIS CHEST DOWNWARD, is similarly unified below. The revealed world is the lower world, AS CAN BE PROVEN BY READING THE SCRIPTURES, WHERE IT IS DESCRIBED IN THE TERMS OF SEEING: "I saw Hashem" (Yeshayah 6:1), "and they saw the Elohim of Yisrael" (Shemot 24:10), "and the glory of Hashem appeared (lit. 'was seen')" (Bemidbar 14:10) and "As the appearance of the rainbow...so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of Hashem" (Yechezkel 1:28). AND IT IS KNOWN THAT THE LOWER FEMININE PRINCIPLE, WHO IS CALLED RACHEL, IS DESCRIBED BY THE WORDS: "GLORY OF HASHEM" AND BY THE TERM ET (THE). This is the secret of the verse: "Let the dry land appear (lit. 'be seen')", BECAUSE "SEEING" APPLIES ONLY TO THE REVEALED WORLD AND NOT TO THE UPPER WORLD.

70. THE VERSE: "As the appearance of the rainbow" (Ibid), WHICH IS WRITTEN ABOUT THE DIVINE CHARIOT OF YECHEZKEL, alludes to the life of the worlds, NAMELY YESOD OF ZEIR ANPIN. Therefore, it is WRITTEN IN THE PORTION OF NOACH: "I have set my rainbow in the cloud" (Bereshheet 9:13), WHICH ALSO ALLUDES TO YESOD OF ZEIR ANPIN, WHO IS CALLED THE LIFE OF THE WORLDS. THE PHRASE "IN THE CLOUD" refers to Malchut; NAMELY, THE LOWER FEMININE PRINCIPLE OF ZEIR ANPIN, THE REVEALED WORLD OF RACHEL. THE WORDS "I have set" MEAN THAT HE HAS SET HIS RAINBOW IN THE CLOUD ever since the day of Creation. That cloudy day, WHICH IS DESCRIBED IN THE VERSE: "AND IT SHALL COME TO PASS, WHEN I BRING A CLOUD" (BERESHEET 9:14) INDICATES THAT ONLY THEN shall the rainbow be seen ACCORDING TO THE SECRET OF "the appearance of the likeness of the Glory of Hashem", AND NOT AT ANY OTHER TIME. WHY IS THIS SO? As the left is aroused, Rachel emerges TO HER OWN ASPECT "and she had hard labor" (Bereshheet 35:16). THEREFORE IT IS SAID THAT THREE ANGELS STAY BY HER SIDE: Michael at one side, THE RIGHT SIDE; Refael at one side, IN THE MIDDLE; and Gavriel at one side, THE LEFT SIDE. AND FROM THEM SHE RECEIVES HER STRENGTH TO GIVE BIRTH. These three ASPECTS are the colors seen in the form OF THE RAINBOW: white, red and green.

71. THE PHRASE "so was the appearance of the brightness round about" ALLUDES TO the illumination that was concealed AND HAS DISAPPEARED within the pupil of the eye. SO THE PHRASE: "This was the appearance of the likeness of the glory of Hashem" APPLIES TO the colors IN THE "APPEARANCE OF THE RAINBOW" AND NOT TO "THE APPEARANCE OF THE BRIGHTNESS." THIS IS BECAUSE the lower union OF THE THREE COLORS OF THE RAINBOW corresponds with the upper union.

72. THE THREE NAMES Hashem our Elohim Hashem, WHICH APPEAR IN THE VERSE: "HEAR, O YISRAEL" (DEVARIM 6:4) ALLUDE TO THE THREE colors, WHITE, RED, AND GREEN WHEN they are concealed, invisible, and attached to one place. THIS IS THE SECRET OF the first union in the upper WORLD THAT IS CALLED ONE PLACE. AND THE colors united in the rainbow below--which are white, red and green--correspond to the THREE concealed colors OF THE UPPER UNION: HASHEM OUR ELOHIM HASHEM. These COLORS OF THE RAINBOW belong to another union, WHICH IS the secret of the verse: "And His Name One", THE LOWER UNION. IT IS THE SECRET OF THE VERSE: 'Blessed be the Name of the Glory of His Kingdom for ever and ever,' THAT WE RESPOND AFTER "HEAR, O YISRAEL", WHICH IS the lower union. The upper union indicated by the verse: "Hear, O Yisrael, Hashem our Elohim; Hashem is One" corresponds TO THE LOWER UNION: 'BLESSED BE THE NAME OF THE GLORY OF HIS KINGDOM FOREVER AND EVER.' Each verse contains six words.

73. THE WORDS "be gathered" SUGGEST measurement by the line and the measuring; measuring is from the hard spark THAT IS IN BINAH, as it is written: "Who has measured the waters in the hollow of his hand" (Yeshayah 40:12). IN THIS VERSE, "WHO" ALLUDES TO BINAH. This IS WHAT IS MEANT BY: "Let the waters...be gathered." Here IN THE VERSE: "LET THE WATERS...BE GATHERED" is the extent OF THE ENTIRE MOCHIN of He who forms the worlds, NAMELY ZEIR ANPIN, AND WHICH IS HINTED AT IN THE NAME YUD-HEI-VAV-HEI, FULLY SPELLED WITH ALEPHS, as Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph.

74. "Holy, holy, holy" (Yeshayah 6:3) is THE SECRET OF THE MOCHIN OF BINAH, WHICH IS ALSO THE SECRET OF THE VERSE: "Let the waters...be gathered." THE PHRASE "Hashem Tzeva'ot" (Ibid.) is THE SECRET OF THE VERSE: "to one place", YESOD OF ZEIR ANPIN THAT IS CALLED THE LIFE OF THE WORLDS, TO WHICH THE MOCHIN FROM BINAH IS DRAWN ACCORDING TO THE SECRET OF THE PHRASE: "TO ONE PLACE." THE PHRASE: "The whole earth is full of his glory" (Ibid.) is THE SECRET OF THE VERSE: "and let the dry land appear." THIS VERSE IS THE SECRET OF THE LOWER HEI, CALLED THE REVEALED WORLD WHEN COMPRISED WITHIN THE UNION OF THE UPPER WORLD. THE WORDS "AND LET THE DRY LAND APPEAR" is the secret of the engraved name of the union of Kaf-Vav-Zayin-Vav, Bet-Mem-Vav-Kaf-Samech-Zayin and Kaf-Vav-Zayin-Vav, BECAUSE THE DRY LAND--WHICH IS THE REVEALED WORLD--IS INCLUDED IN THE UNION OF THE SUPERNAL WORLD--WHICH IS THE SECRET OF "HASHEM OUR ELOHIM HASHEM."

8. "Let the earth bring forth grass"

The verse "Let the Earth Bring Forth Grass" is a code which signifies the bringing down of souls into our physical world. The Zohar discusses a vast system of angels which form a communication network through which positive and negative influences travel. This network acts as an interface between the physical world and the Upper Worlds. Everything in the physical world is governed by angels, including every blade of grass, every creature in the sea, and mankind as well. Because our powers of perception are severely limited, the power of the angels is as invisible as the force of gravity. The influence of both, however is quite real. Everything positive that occur in our lives is a direct result of positive angels. Likewise, all blockages, turmoil, difficulties, and distress are the result of the influence of negative angels. Our own behavior determines which angelic influences are aroused in the world. By reading this section we are given access to the metaphysical network of angels. We gain the ability to remove negative angels, and to bring positive angels into our lives.

75. THE VERSE: "Let the earth bring forth grass" (Beresheet 1:11) IS THE SECRET OF THE LOWER UNION, AS it is now revealing its powers in these waters that have been gathered in one place. THE MOCHIN ARE drawn down into it in a concealed and a hidden manner. And from within it come forth supernal and concealed SOULS and holy hosts. These are formed and drawn, using the edifices of faith, by THE RIGHTEOUS, the men of faith--NAMELY THE FEMALE WATERS--by worshipping their Master.

76. This is the secret of the verse: "Who causes the grass to grow for the cattle" (Tehilim 104:14). This is the beast that crouches on a thousand mountains and for whom grass is grown every day. This grass refers to those angels who govern only for a specific time, BUT THEN MUST VANISH IMMEDIATELY; because they were created on the second day, THEIR DOMINION DRAWS UPON THE LEFT COLUMN THAT WAS CREATED ON THE SECOND DAY. IN THEIR DOMINION THEY WISH TO ANNUL THE RIGHT. They are destined to be food for this beast, WHICH MEANS THAT NOTHING OF THEIR ILLUMINATION IS DRAWN DOWN TO THE LOWER BEINGS. ONLY THE FEMININE PRINCIPLE ENJOYS IT, AND THEN SHE BURNS AND ANNULS THEM WITH IT--as there is fire that consumes fire, WHICH IS THE DOMINION OF THE LEFT, CALLED 'FIRE.'

77. In the verse: "And plants for the service of man" (Tehilim 104:14), the word "plants" refers to wheels, holy beasts and Cherubim. THE WHEELS (HEB. OFANIM) ARE THE ANGELS OF ASYAH, THE HOLY BEASTS ARE THE ANGELS OF YETZIRAH AND THE CHERUBIM ARE THE ANGELS OF BRIYAH. All of these are firmly prepared and properly set BY THE CREATOR HIMSELF. However, they are constantly renewed when human beings worship their Master with sacrifices and prayer. This is what is meant by "the service of man." The plants were predestined and prepared for "the service of man" and will be further perfected by that service, as it should be.

78. When they are prepared by "the service of man", sustenance and food come from them to the world, as it is written: "That he may bring forth food out of the earth" (Tehilim 104:14.) This is also WRITTEN: "herb yielding seed" (Beresheet 1:12), WHICH IS THE SECRET OF THE MOCHIN. The grass (hay) does not yield any seed, but is intended to be consumed by the sacred fire OF THE FEMININE PRINCIPLE, AS EXPLAINED ABOVE, whereas the herb, WHICH YIELDS SEED, is intended for the improvement of the world.

79. All this is to "bring forth food out of the earth" (Tehilim 104:14), because all the improvements given to people are only for the purpose of providing this herb out of the earth, WHICH IS THE FEMININE PRINCIPLE. Thus, people's service to their Master is designed to supply sustenance and food from out of the earth to this world, so that people will be blessed from above.

80. THE VERSE: "AND FRUIT TREE YIELDING FRUIT" (BERESHEET 1:11) ALLUDES TO TWO GRADES: one grade above another, WHICH REPRESENT male and female. THIS MEANS THAT THE FRUIT TREE IS THE FEMININE PRINCIPLE OF ZEIR ANPIN; "YIELDING FRUIT" ALLUDES TO YESOD OF ZEIR ANPIN, WHICH IS MALE. IT IS SAID TO BE "YIELDING FRUIT" BECAUSE ALL THE FRUIT THAT THE FEMALE YIELDS REACHES HER FROM THE MALE. Just as the "fruit tree", WHICH IS THE FEMININE PRINCIPLE, reveals the potential power that it received from the "fruit tree yielding fruit", WHICH IS THE MALE, so it reveals HER OWN POTENTIAL AS WELL. HE ASKED: What is REVEALED FROM THE POTENTIAL OF THE FEMININE PRINCIPLE HERSELF? HE REPLIED, The cherubim and pillars ARE REVEALED FROM HER OWN ASPECT. AND HE FURTHER ASKED: What are these Pillars? AND HE REPLIED, They are those that rise up in the smoke of the sacrifice and are become stronger because of the offering. They are called "columns of smoke." THIS IS THE SECRET OF THE VERSE: "WHO IS THIS COMING OUT OF THE WILDERNESS LIKE COLUMNS OF SMOKE" (SHIR HASHIRIM 3:6). SO THE CHERUBIM ARE THE

SECRET OF THE "HERB" THAT SHE RECEIVES FROM THE MALE AND THE "COLUMNS OF SMOKE" ARE THE "GRASS." THE CHERUBIM AND PILLARS exist for "the service of men", but not the "grass", which is destined to be eaten, as it is written: "Behold now behemot (animals), which I made with you; he eats grass like an ox" (Iyov 40:15).

81. "And the fruit tree yielding fruit" ALLUDES TO the forms of the male and female, and the image of their faces is the face of man. THE "FRUIT TREE" IS THE FEMININE PRINCIPLE OF ZEIR ANPIN AND "YIELDING FRUIT" IS YESOD OF ZEIR ANPIN, THE MALE THAT PUTS THE FRUIT INSIDE HER. THE MALE AND FEMALE are not like the Cherubim, WHICH ARE HINTED AT IN THE PHRASE: "HERB YIELDING SEED." THE MALE AND FEMALE have large faces with beards, whereas the Cherubim have small faces like those of babies. The face of man contains all the images, including THE LION, THE OX AND THE EAGLE, since they have large faces. The engraved images are imprinted on this large face just as the engravings of the holy name are imprinted in the four directions of the world: east, west, north and south.

82. Michael made a mark on the south side. And all THREE OTHER faces gaze toward the face of man - the face of the lion, the face of the ox and the face of the eagle. MICHAEL IS ONE OF THE FOUR ANGELS WHO SERVE THE FEMALE OF ZEIR ANPIN. THEREFORE, HE PREPARES THE PLACE FOR THE MATING. BECAUSE SINCE HE IS THE ANGEL OF MERCY (CHESED), HE SKETCHES THE IMPRINT TO THE SOUTH, WHICH IS TO THE RIGHT. Man is male and female, and he is not called man (Adam) unless both are included. THIS MEANS THAT MALCHUT ON HER OWN, WHEN SHE IS NOT MATING WITH ZEIR ANPIN, IS NOT CALLED MAN (ADAM); ONLY WHEN THEY ARE UNITED ARE THEY CALLED MAN (ADAM). THIS IS THE SECRET OF THE VERSE: "MALE AND FEMALE HE CREATED THEM; AND BLESSED THEM, AND CALLED THEIR NAME MAN" (BERESHEET 5:2). SO ACCORDINGLY, THEY WERE TOGETHER CALLED MAN (ADAM), BUT EACH ONE ALONE IS ONLY HALF A BODY AND CANNOT BE CALLED MAN. The figures of the Chariot of Elohim are formed according to his image, NAMELY FROM THE FACE OF MAN, UNITED ON THE SOUTH SIDE, as it is written: "The Chariots of Elohim are twice ten thousand, thousand upon thousands (Heb. shin'an)" (Tehilim 68:18). THIS IS THE SECRET OF THE LOWER CHARIOT THAT IS CALLED THE CHARIOT OF ELOHIM.

83. The word "shin'an" consists of the letters Shin-Nun-Aleph-Nun. WRITTEN IN THE SCRIPTURAL VERSE, it includes all the images-- ALL THE LIVING CREATURES, which include the ox (Heb. Shor), the eagle (Heb. Neshar) and the lion (Heb. Aryeh). FOR THE INITIALS OF THESE WORDS FORM THE SHIN-NUN-ALEPH OF SHIN'AN, and the final Nun IN THE WORD SHINA'N alludes to the face of the man THAT IS INCLUDED WITH THEM. THIS FINAL NUN IS THE SECRET OF the expansion of male and female that united as one. Everyone IN THE WORLDS OF BRIYAH, YETZIRAH AND ASIYAH, emerges from these LIVING CREATURES, which are the secret of Shin'an. From them, the forms OF BRIYAH, YETZIRAH AND ASIYAH are BORN AND separated, each befitting its aspect.

84. These LIVING CREATURES are joined one to the other, so that each includes all the others. The ox, eagle, lion and man are directed by the secret of the four engraved names, WHICH ARE "A GREAT EL, A MIGHTY, AND A TERRIBLE" (DEVARIM 10:17), to which they ascend to study them.

85. The ox ascended to be guided and gaze on the face of man. With the ox rose one name that was crowned and engraved by the secret of the two colors, which represent THE NAME EL. AFTER THE OX WAS INCLUDED IN THE NAME EL, it turned back and the throne, WHICH IS THE FEMININE PRINCIPLE OF ZEIR ANPIN, inscribed it, engraved it and received its imprint, so that it may be guided by the secret of the name EL. ALTHOUGH THE OX IS OF THE LEFT, IT WAS NEVERTHELESS MARKED TO BE GUIDED BY THE ASPECT OF CHASSADIM IN THE NAME EL.

81. עץ פרי עושה פרי. היוקנא דכר ונוקבא, ודמות פניהם פני אדם. אליו לאו אנון כאנון ברובים, אליו אפי רברבן בדיקנא חתימא, ברובים אפי זוטרי כרביין. פני אדם, כל היוקנין כלילין בהו, בגין דאינון אפין רברבין, ומצטיירין בהו ציורין גלימין כגלומי שמא מפרש, בארבע סטרי דעלמא מזרח מערב צפון ודרום.

82. מיכאל רשים רשימו לצד דרום, וכל אנפין מסתכלין לגבי פני אדם: פני אריה, פני שור, פני נשר. אדם איהו דכר ונוקבא, ולא אקרי אדם בר הני, ומניה אצטיירין ציורין, דרכב אלקים רבותים, דכתיב רכב אלקים רבותים אלפי שנאן.

83. שנאן, כללא דכלהו ציורין: שור, נשר, אריה. דא איהו אדם פשיטו דאתכליל כחרא ברזא דכר ונוקבא, וכלהו אלפין ורובין. כלהו נפקי מהני, רזא שנאן. ומהני היוקנין מתפרשין כל חד וחד בסטרייהו כמה דאתחזי לון.

84. ואלין אינון דקא משלבן חד בחד, וכליל חד בחד למהוי כל חד וחד כלילין בחבריה שור נשר אריה אדם. אתנהגן ברזא דארבע שמען גליפאן, סלקין לאתנהגא ולאסתכלא.

86. The eagle ascended to be guided and gaze on the face of man. Another name rose up with it to be crowned and engraved according to the secret of the two faces, THE FACE OF MAN AND THE FACE OF THE EAGLE, and the two colors--THE COLOR OF THE RIGHT, WHICH IS WHITE, AND THE COLOR OF THE EAGLE, WHICH IS GREEN--so as to be guided and gaze on the crown above. The name of it is 'Great.' AFTER THIS, THE EAGLE returned and the throne, WHICH IS THE FEMININE PRINCIPLE, engraved and etched it. AND THE EAGLE was imprinted to be guided by the secret of this name; THAT IS, FOR THE ATTRIBUTES OF THE EAGLE ARE SIMILAR TO THOSE OF THE NAME GREAT.

87. The lion ascended to be guided and gaze on the face of man ABOVE. Another name rose up with it to be crowned and engraved by the secret of the two faces and the two colors, and to be strengthened and attached TO GVURAH. This is THE NAME 'Mighty.' Then it returned and the throne, WHICH IS THE SECRET OF THE FEMININE PRINCIPLE OF ZEIR ANPIN, engraved and etched it and it was imprinted so as to be guided by the secret of this name MIGHTY. SO THAT THE ATTRIBUTES OF THE LION, WHICH IS TO THE RIGHT, BE LIKE THE ATTRIBUTES OF THE NAME MIGHTY AND THE LION WILL BE GUIDED BY THE ATTRIBUTE OF GVURAH.

88. THE FACE OF man gazed on all of them, ON ALL THE FACES OF THE LIVING CREATURES, and they all rose up and gazed on it. ALL HAVE RISEN TO THE FACE OF MAN ABOVE IN THE SUPERNAL CHARIOT, BECAUSE IT DOES NOT EXIST BELOW. Then they were all drawn together in an engraving according to this drawing by the secret of a certain name, which is Terrible. It is written about THE LIVING CREATURES: "As for the likeness of their faces, they had the face of a man" (Yechezkel 1:10), because they were all included within this image OF MAN, and this image included them.

89. According to this secret, the Holy One, blessed be He, is called "a great El, mighty and terrible." These names are engraved above by the secret of the upper Chariot, which comprises four letters OF THE NAME Yud-Hei-Vav-Hei, which is a name that includes all THE OTHER NAMES. THE COMBINING OF THE LOWER OX WITHIN THE UPPER LION IS EQUIVALENT TO THE LETTER YUD OF YUD-HEI-VAV-HEI, AND IS THE SECRET OF THE NAME EL. THE COMBINING OF THE LOWER LION WITHIN THE UPPER OX IS EQUIVALENT TO THE LETTER HEI AND IS THE SECRET OF THE NAME MIGHTY. THE COMBINING OF THE LOWER EAGLE WITHIN THE UPPER LION IS EQUIVALENT TO THE LETTER VAV AND IS THE SECRET OF THE NAME GREAT. AND THE FACE OF MAN OF ABOVE, WHICH INCLUDES ALL THE LIVING CREATURES FROM BELOW THAT HAVE ASCENDED TO IT, IS EQUIVALENT TO THE LOWER HEI OF YUD-HEI-VAV-HEI AND IS THE SECRET OF THE NAME TERRIBLE. These images (Heb. shin'an) are engraved and carved on the throne, WHICH IS THE FEMININE PRINCIPLE OF ZEIR ANPIN, and the throne is carved and decorated by them. AND THESE LIKENESSES WERE EMBROIDERED ON THE THRONE: one on the right, one on the left, one on the front and one on the back, thus corresponding to the four directions of the world. THE FACE OF THE LION IS IMPRINTED ON THE RIGHT, WHICH IS THE SOUTH WIND; THE FACE OF THE OX ON THE LEFT, WHICH IS THE NORTH WIND; THE FACE OF THE EAGLE ON THE FRONT, WHICH IS THE EAST WIND; AND THE FACE OF A MAN ON THE BACK, WHICH IS THE WEST WIND. THIS IS THE SECRET OF THE FOUR LETTERS OF YUD-HEI-VAV-HEI.

90. When the throne, WHICH IS THE FEMININE PRINCIPLE OF ZEIR ANPIN, ascends TO UNITE WITH ZEIR ANPIN, it is imprinted with these four images (Heb. shin'an). These four supernal names carry the throne up TO UNITE WITH ZEIR ANPIN. And the throne, NAMELY THE FEMININE PRINCIPLE, becomes included within them DURING THE UNION. THIS MEANS THAT SHE IS COMPLETED BY AND WITH THESE NAMES. THE THRONE collects and gleans, BY ITS UNION WITH ZEIR ANPIN, souls and delightful pleasures. When it has collected and gleaned these delights and pleasures, it descends full, like a tree with branches on all sides and laden with fruit.

91. As THE THRONE descends FROM THE PLACE OF UNION TO ITS OWN PLACE, the images OF THE FOUR LIVING CREATURES come forth, each shaped in its own form and engraving, illuminating, shining and radiating. They scatter seed over the world. Thus they are called the "herb yielding seed" and "herb" ALLUDES TO THE LIVING CREATURES that sow the world with seed.

92. When the image of man, which includes all the other images, issues forth, it is described as "fruit tree yielding fruit after its kind" (Beresheet 1:11). BECAUSE MAN IS BOTH MALE AND FEMALE, "THE FRUIT TREE" IS THE FEMALE AND "YIELDING FRUIT" APPLIES TO THE MALE. THE PHRASE: "Whose seed is in itself, upon the earth" (Ibid.) TEACHES US THAT he emitted his seed for the benefit of the earth alone. So THE PHRASE: "Whose seed is in itself" is purposely said TO TEACH US THAT man should not emit his seed in vain.

93. The "herb" WHICH APPEARS IN THE VERSE: "LET THE EARTH BRING FORTH GRASS, HERB YIELDING SEED" does not yield seed. Because of this, it has no permanency and does not last like the others. This is because it has no image to be shaped and engraved into any sort of likeness or form. Instead, they are seen and not seen. All those that have not been shaped into a form or an image have no permanency. They ARE CREATED AND last only for a certain time and are immediately consumed by the fire that devours fire, as already explained. Then they are again created and are immediately consumed by the fire that consumes fire. THIS IS REPEATED AGAIN AND AGAIN everyday.

94. A human being below, IN THIS WORLD has an image and a form, but he does not last forever, as do those of THE ANGELS above. The form and image OF THE ANGELS above are created in their shape without any other covering. Because of this, they are everlasting. The image of man IN THIS WORLD below--REFERRING TO THE NEFESH, RUACH AND NESHAMAH--is shaped into its form only by a covering. Because of this, man lasts only for a certain, LIMITED, period.

95. Every night WHEN A MAN SLEEPS, his spirit removes the covering and ascends. This fire that consumes fire, NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN, consumes AND BURNS this SPIRIT. Later, THE SPIRITS are resurrected and reshaped in their coverings as before. Because of this, THE SPIRITS have no permanent existence, as do the images above, WHICH IS A REFERENCE TO THE ANGELS OF THE "HERB", BUT ARE BURNED AND THEN RENEWED AS BEFORE. About this, it is written: "They are new every morning" (Eichah 3:23), WHICH REFERS TO THE SPIRITS OF human beings, which are renewed daily. What is the purpose of this renewal? THE VERSE CONCLUDES: "Great is your faithfulness" (Ibid.), SO IT IS GREAT and not small.

96. The phrase: "Great is your faithfulness" means that it is for certain THAT THE FAITHFULNESS OR FAITH, WHICH IS THE FEMININE PRINCIPLE, is great. She is able to receive all the souls of the world and include them, the upper and the lower SOULS, in herself. THE FEMININE PRINCIPLE IS a great and large space that includes everything and is never full. This is the secret of the verse: "All the rivers run into the sea; yet the sea is not full" (Kohelet 1:7). THE FEMININE PRINCIPLE IS CALLED THE "SEA" AND THE "RIVERS" ARE THE SOULS. SO THE VERSE ACTUALLY MEANS THAT ALL THE SOULS FLOW INTO THE FEMININE PRINCIPLE, YET SHE IS NOT FULL. AND THE REASON SHE IS NOT YET FULL IS BECAUSE THE SOULS run into the sea, which receives them and burns them inside it. BECAUSE OF THIS, the sea is not yet full. Afterward, THE SEA restores THE SOULS to their former state and they COME INTO THIS WORLD. This is why THE VERSE READS: "Great is your faithfulness."

97. On this day, THE THIRD DAY, it is written twice, "that it was good" (Bereshheet 1:10-12). This day is associated with two sides, THE RIGHT COLUMN AND THE LEFT COLUMN. It told each side "that it was good", thereby reconciling the discord between them. This is why THE PHRASE: "And...said" appears twice in it. Herein lies the secret of the name that is formed with the four letters, YUD-HEI-VAV-HEI inscribed and engraved. These can add up to twelve letters that represent the four images on all four sides of the holy throne, WHICH IS THE FEMININE PRINCIPLE OF ZEIR ANPIN.

9. "Let there be lights"

According to the Zohar, it is at this point in the process of Creation that the children's disease called croup was brought forth into existence. This disease is governed by Lilit, a particular negative female angel whose name we do not pronounce. She has the ability to remove children--Heaven Forbid--from our physical realm if there is an opportunity to do so. Through the Hebrew letters, we draw the power of protection for our children.

98. "And Elohim said, Let there be lights (Heb. Me'orot)" (Bereshheet 1:14). THE WORD Me'orot IS WRITTEN HERE with defective spelling, WITHOUT THE LETTER VAV. THIS MEANS that the children's disease, croup (diphtheria), was created. BECAUSE WITHOUT VAV, ME'OROT MEANS CURSES, AS IN THE VERSE: "THE CURSE (HEB. ME'ERAT) OF HASHEM IS IN THE HOUSE OF THE WICKED" (MISHLEI 3:33). For after the illumination of the primordial light was concealed, the skull (Heb. Klipah) of the brain was created. This Klipah expanded and brought forth another Klipah. As soon as THE KLIPAH went forth, it ascended and descended until it reached the small face. It wanted to cleave to it and become part of its form--it refused COMPLETELY to be separated from it. When the Holy One, blessed be He, created Adam, He separated it from there and the Klipah descended below TO THE LEVEL OF MALCHUT ONLY, in order to amend it in this world, ON THE LEVEL OF MALCHUT ALONE AND NOT ABOVE IT.

98. וְיֹאמְר אֱלֹקִים יְהִי מְאֵרֵת וְגו', מְאֵרֵת חָסֵר, דְּאֲתַבְרִי אֶסְבְּרָה לְרַבִּינִי. דְּבַתָּר דְּאֲתַגְּנִין נְהִירוֹ אֹר קְדָמָא, אֲתַבְרִי קְלִיפָה לְמוֹחָא, וְהָיָא קְלִיפָה אֲתַפְשֵׁט וְאֶפִּיק קְלִיפָה אַחְרָא. בִּין דְּנִפְקַת, סְלִקָא וְנַחְתָּא, מִטַּת לְגַבִּי אֲנָפִי זוּטְרִי, בְּעָאֵת לְאֲתַדְבָּקָא בְּהוּ, וְלֹאֲצִטְיִירָא בְּגוּוֹיָהּ, וְלֹא בְּעָאֵת לְאֶפְרָשָׁא מְנִיָּהּ, אֶפְרָשׁ לָהּ קְדוּשׁ בְּרוּךְ הוּאֲמַתְמֵן, וְנַחֲתִית לָהּ לְתַתָּא, כַּד בְּרָא אָדָם, בְּגִין לְאֲתַקְנָא הָאִי, בְּהָאִי עֲלָמָא.

99. When THE KLIPAH saw Chavah clinging to the side of Adam, who represented the beauty of above, and saw in them the complete form, it flew up from its place AT THE LEVEL OF MALCHUT and wanted to cling to the small faces OF ADAM AND CHAVAH as before. However, the guards at the gates did not allow THE KLIPAH TO CLING TO THEM. The Holy One, blessed be He, scolded it and cast it into the depths of the sea.

99. בִּין דְּחִמַּת לְחוּהָ דְקָא מִתְדַבְּקָא בְּסְטְרוֹי דְאָדָם, דְּשִׁפְרוֹ דְלַעִילָא, וְחִמַּת דְּיוֹקְנָא שְׁלִים, פְּרָחָא מִתְמָן, וּבְעָאֵת כְּמַלְקְדָמִין לְאֲתַדְבָּקָא בְּאֲנָפִי זוּטְרִי, אִינוּן נְטְרִי תְרַעִין דְלַעִיל, לֹא שְׁבָקוּ לָהּ, נְזַף קְדוּשׁ בְּרוּךְ הוּאֲבָהּ, וְאֶטִּיל לָהּ בְּשִׁפּוּלֵי יַמָּא.

100. THE Klipah sat there IN THE DEPTH OF THE SEA until Adam and his wife sinned. Then the Holy One, blessed be He, took the Klipah out from the depths of the sea. It took control over all those babies, WHO ARE the small faces of people, who deserve punishment for the sins of their fathers. It wandered around the world, approached the gates of the terrestrial Garden of Eden, saw the Cherubim guarding the gates of the garden and sat down near the blade of the sword from which it had originally emerged.

100. וַיִּתְבַּת תְּמָן, עַד דְּחָטָא אָדָם וְאִנְתֵּיתָהּ, כְּדִין אֶפִּיק לָהּ קְדוּשׁ בְּרוּךְ הוּאֲמַשְׁפּוּלֵי יַמָּא, וְשִׁלְטָא עַל כָּל אִינוּן רַבִּינִי אֶפִּי זוּטְרָא, דְּבַנֵּי נְשָׂא, דְּאֲתַחְזוּן לְאֲתַעֲנֵשָׂא בְּחוּבֵי דְאֲבוּהוּן. וְאִיהִי אֲזֵלָא מִשְׁטָטָא בְּעֲלָמָא, קְרִיבַת לְתַרְעֵי ג' דְאַרְעָא, וְחִמַּת בְּרוּבִים נְטְרִי תְרַעִי דְג' ע', וַיִּתְבָּא תְמָן לְגַבִּי הוּאֲ הוּאֲ לְהַט הַחֶרֶב, בְּגִין דְּהִיא נִפְקַת מִסְטְרָא דְהוּאֲ לְהַט.

101. When the bright blade OF THE REVOLVING SWORD changed TO JUDGMENT, THE KLIPAH fled and wandered around the world and found babies due to be punished. IT IS CALLED THE BRIGHT BLADE OF A REVOLVING SWORD, BECAUSE IT REVOLVES AND CHANGES BACK AND FORTH BETWEEN MERCY AND JUDGMENT. The Klipah laughed with the babies and then killed them. It did this during the waning of the moon, as its light diminished. This is WHY "Me'orot (lights)" IS WRITTEN WITHOUT THE LETTER VAV, WHICH MEANS "CURSES." When KAYIN was born, THE KLIPAH was unable to cling to him, but later it approached him, CLEAVED TO HIM and manifested to him earthbound spirits and flying spirits.

101. בְּשַׁעֲתָא דְהוּאֲ לְהַט אֲתַהֲפֵךְ, עֲרַקַת וּמִשְׁטָטָת בְּעֲלָמָא, וְאֲשַׁתְּפַחַת רַבִּינִי דְאֲתַחְזוּן לְאֲתַעֲנֵשָׂא. וְחַיִּיבַת בְּהוּ, וְקִטְלִית לֹון, וְדָא אִיהוּ בְּגַרְיַעוּ דְסִיְהֵרָא, דְאֲזַעֲרַת נְהוּרָא, וְדָא מְאֵרֵת, כַּד אֲתִילִיד קִין לֹא יִכְלָא לְאֲתַדְבָּקָא בֵּיהּ, לְבַתָּר אֲתַקְרִיבַת בְּהַדְרִיָּה וְאוּלִיבַת רוּחִין וְטִיסִין.

102. Adam had intercourse with the female spirits for 130 years until Naamah came. Because of her beauty, she led the sons of Elohim, Aza and Azael astray. She bore them ALL SORTS OF NEW KINDS OF KLIPAH. Evil spirits and demons spread out from her into the world. They wander around the world during the night, deriding human beings and causing nocturnal pollution. Wherever they find men sleeping alone in their own homes, they hover over them and cling to them, arousing lustful desires and having offspring by them.

102. אָדָם, מָאָה וּתְלָתִין שָׁנִין שָׁמַשׁ בְּרוּחִין נוֹקְבִין, עַד דְּאֵתַת נְעֻמָּה, וּמִגּוֹ שְׁפִירוֹ דִּילְהָ, טְעוּ בְּנֵי הָאֱלֹהִים בְּתַרְהָ. עַזְ"א וְעַזְ"ל. וְאוֹלִידַת, מְנִייהוּ וּמְנָה אֲתַפְּשׁוּ רוּחִין בִּישׁוּן, וְשָׂרִין בְּעֵלְמָא, דְּאִינוּן אֲזֵלִין וּמְשׁוּטְטִין בְּלִילְיָא, וְאֲזֵלִין בְּעֵלְמָא, וְחִינְכִין בְּבְנֵי נָשָׂא, וְעַבְרֵי לֹון דְּאוּשְׁדִין קְרִי, וּבְכָל אֶתְר דְּאֲשַׁכְּחִין בְּנֵי נָשָׂא נִימִין יַחֲדָאִין בְּבֵיתָא, שָׂרְן עֲלֵיהוּ, וְאֲחִידִין לֹון, וּמִתְדַבְּקִין בְּהוּ, וְנָטְלֵי מְנִייהוּ תְּאוּבְתָא, וְאוֹלִידִין מְנִייהוּ, וְתוּ פִּגְעִין בֵּיהּ בְּמַרְעִין, וְלֹא יָדַע, וְכָל דָּא בְּגִרְעוּ דְסִהְרָא.

103. WHEN THE MOON IS RESTORED, the letters Mem-Aleph-Resh-Tav IN THE WORD Me'erot (CURSES) are turned into Aleph-Mem-Resh-Tav-Imrat. THIS IS ACCORDING TO THE SECRET OF THE VERSE: "The word of (Imrat) Hashem is tried: he is a shield to all those who trust in him" (Tehilim 18:31). He is a shield for all those who hold fast to their faith in the Holy One, blessed be He, against all those evil spirits and prosecutors who wander through the world at the time the light of the moon is diminishing.

103. מְאֵרַת, כִּד אֲתַתְּקַנַּת סִהְרָא, אֲתַתְּפְכִין אֲתוּן אֲמַרַת ה' צְרוּפָה, מִגֵּן הוּא לְכָל הַחוֹסִים בּוֹ, מִגֵּן הוּא, עַל כָּל אֲנוּן רוּחִין בִּישׁוּן, וְקַסְטִירִין, דְּמְשׁוּטְטֵי בְּעֵלְמָא בְּגִרְעוּ דִּילְהָ, לְכָל אֲנוּן דְּאֲחִידִין בֵּיהּ בְּהִימְנוּתִיהּ דְּקְדוּשׁ בְּרוּךְ הוּא.

104. King Solomon penetrated the depth OF THE SECRET of the nut, as it is written: "I went down into the garden of nuts" (Shir Hashirim 6:11). He took hold of the shell (Klipah) of the nut and looked at all its layers. He came to realize that the main pleasure of the spirits in the shell of the nut was just to cling to human beings and defile them, as it is written: "And the delights of the sons of men, women very many (Heb. shidot) (Kohelet 2:8). THIS MEANS THAT THE DEMONS (HEB. SHEDIM) TAKE PLEASURE ONLY IN HUMAN BEINGS.

104. שְׁלֹמֹה מְלָכָא, כִּד נָחִית לְעֵמְקָא דְּאֲגוּזָא, דְּכִתִּיב אַל גָּנַת אֲגוּז יִרְדְּתִי, נָטַל קְלִיפָה דְּאֲגוּזָא, וְאֲסַתְּבַל בְּכָל אֲנוּן קְלִיפִין, וְיָדַע דְּכָל אֲנוּן עֲנוּגִין, דְּהִנְהוּ רוּחִין קְלִיפִין דְּאֲגוּזָא, לֹאוּ אִיהוּ, אֲלֹא לְאִתְדַבְּקָא בְּבְנֵי נָשָׂא, וְלֹאֲסַתְּבַל לֹון, דְּכִתִּיב וְתַעֲנוּגוֹת בְּנֵי אָדָם שָׂדֵה וּשְׂדוֹת.

105. THIS VERSE also MEANS that male and female demons are born from the pleasure human beings enjoy during their sleep at night. It was necessary for the Holy One, blessed be He, to create and supply the world with everything, INCLUDING THE KLIPOT, so everything CAN BE COMPARED TO THE NUT. Just as the inner part of the nut is surrounded by many layers of shells, THE INNER PARTS OF all the worlds are similarly SURROUNDED BY MANY LAYERS above and below IN THE SUPERNAL WORLDS AND IN THIS WORLD, AS WILL BE EXPLAINED.

105. תּוּ, תַּעֲנוּגֵי בְּנֵי אָדָם, דְּמִתְעַנְגִי בְּשִׁינְתָא דְּלִילְיָא, נִמְקָא מְנִייהוּ שְׂדֵה וּשְׂדוֹת, וְכֹלָא אֲצַטְרִיךְ קְדוּשׁ בְּרוּךְ הוּא לְמַבְרֵי בְּעֵלְמָא, וְלֹאֲתַקְנָא עֲלְמָא בְּהוּ, וְכֹלָא מוּחָא לְגוּ, וְכַמְּהָ קְלִיפִין חִפְיָא לְמוּחָא וְכָל עֲלְמָא כְּהָאִי גּוּזָא, עִילָא וְתַתָּא.

106. From the beginning of the secret of the supernal point--WHICH IS ARICH ANPIN--to the end of all grades, they are all intertwined, so each and everyone is a Klipah to the other. A KLIPAH IS LIKE A COVERING OR AN OUTER LAYER, JUST AS A SHELL IS A COVERING FOR A FRUIT.

106. מִרִּישׁ רְזָא דְּנִקּוּדָה עֲלָאָה, עַד סוּפָא דְּכָל דְּרָגִין, כְּלֵהוּ אִיהוּ, דָּא לְגוּ מִן דָּא, וְדָא לְגוּ מִן דָּא, עַד דְּאֲשַׁתְּכַח דְּהָאִי קְלִיפָה לְהָאִי, וְהָאִי לְהָאִי.

107. The primal point--WHICH IS ARICH ANPIN--is the internal light, whose purity, translucency and cleanness are beyond comprehension. When the expansion spreads BEYOND ARICH ANPIN, WHICH IS THE POINT, this expansion of that point becomes a temple for the purpose of covering that point. The light of that point is incomprehensible because of its great purity.

107. נִקּוּדָה קְדָמָאָה, הוּא נְהִירוֹ פְּנִימָאָה, דְּלִית לֵיהּ שְׁעוּרָא, לְמַנְדַּע זְכִיכוּ וְדְקִיקוּ וְנִקְיוּ דִּילְיָהּ, עַד דְּאֲתַפְּשֵׁט פְּשִׁטוּ, וְהוּא פְּשִׁטוּ דְּהֵיאִי נִקּוּדָה, אֲתַעֲבִיד חֹד הֵיכְלָא לְאֲתַלְבָּשָׂא הֵיאִי נִקּוּדָה, נְהִירוֹ דְּלָא יָדִיעַ לְסַגִּיאֹ זְכוּבָא דִּילְיָהּ.

108. The temple--NAMELY, ABA AND IMA--which covers the concealed point, WHICH IS ARICH ANPIN, is a light that has no limits. THIS MEANS THAT THE LIGHT OF THE TEMPLE IS ALSO UNKNOWN AND INCONCEIVABLE. Nevertheless, it is not as pure and subtle as the light of the primal point, ARICH ANPIN, which is hidden and concealed. This temple issues forth an expansion of the primal light, AS IT IS WRITTEN: "AND ELOHIM SAID, LET THERE BE LIGHT: AND THERE WAS LIGHT" (BERESHEET 1:3). This expansion, YISRAEL - SABA AND TEVUNAH, is a covering for that pure and subtle temple--NAMELY, ABA AND IMA--which is more internal THAN YISRAEL - SABA AND TEVUNAH.

109. From here YISRAEL - SABA AND TEVUNAH on, each one expanded within the other and became encloded by one another until ALL THE GRADES encloded one another. One was the inner part and the other the outer layer. Though one is a garment IN RELATION TO WHAT IS ABOVE IT, it has also become the inner aspect of another grade - A GRADE THAT IS BELOW IT. SO ABA AND IMA, WHICH ARE CONSIDERED A GARMENT FOR ARICH ANPIN, BECAME THE INNER PART AND INTERNAL ASPECT OF YISRAEL - SABA AND TEVUNAH. THUS, YISRAEL - SABA AND TEVUNAH, WHICH FORM A GARMENT FOR ABA AND IMA, BECAME THE INNER PART FOR ZEIR ANPIN. THUS, ZEIR ANPIN--WHICH IS A GARMENT FOR YISRAEL - SABA AND TEVUNAH--BECAME THE INNER PART FOR HIS FEMININE PRINCIPLE. The same thing occurred below IN THE LOWER WORLDS OF BRIYAH, YETZIRAH AND ASIYAH. THE FEMININE PRINCIPLE OF ATZILUT IS ENCLOSED WITHIN BRIYAH, AND BRIYAH WITHIN YETZIRAH AND YETZIRAH WITHIN ASIYAH. ACCORDINGLY, THE NESHAMAH IN A MAN IS ENCLOSED WITHIN THE RUACH AND THE RUACH WITHIN THE NEFESH AND THE PHYSICAL BODY. In this image, the human being exists in this world with an inner part and an outer shell, which corresponds to a spirit and a body. All this is for the perfection of the world.

110. When the moon was united with the sun, the moon had its own light. But after the moon was separated from the sun, IT DESCENDED TO THE WORLD OF BRIYAH and was placed in charge of the hosts OF BRIYAH, it belittled itself and diminished its own light. So Klipot upon Klipot were created, ONE ABOVE THE OTHER, to conceal the inner part. All this OCCURRED to complete THE LIGHT OF the inner part, BECAUSE WITHOUT A SHELL NO FRUIT CAN BE HAD. This is the reason WHY IT IS WRITTEN: "Let there be lights (Me'orot)", without Vav, WHICH MEANS A CURSE, BECAUSE OF THE KLIPOT THAT EMERGE DUE TO THE DIMINUTION OF THE LIGHT OF THE MOON. All this was done for the perfection of the world. Therefore, it is written: "To give light upon the earth" (Beresheet 1:15), AS THESE KLIPOT EMERGED IN THE SECRET OF THE SHELL THAT PRECEDES THE FRUIT.

108. הַיְכָלָא, דְּאִיהוּ לְבוּשָׁא לְהֵהוּא נְקוּדָה סְתִימָא, אִיהוּ נְהִירוֹ דְּלִית לֵיהּ שְׁעוּרָא, וְעַם כֹּל דָּא, לָא דְּקִיק וְזָכִיךְ אִיהוּ, כְּהֵינֵי נְקוּדָה קְדָמָא טְמִיר וְגַנְיִז, הֵהוּא הַיְכָלָא אֲתַפְּשֵׁט פְּשִׁיטוֹ אֹר קְדָמָא, וְהֵהוּא פְּשִׁיטוֹ אִיהוּ לְבוּשָׁא לְהֵהוּא הַיְכָלָא דְּקִיק וְזָכִיךְ פְּנִימָא יִתִיר.

109. מִכָּאן וְלֵהֲלָא אֲתַפְּשֵׁט דָּא בְּדָא, וְאֲתַלְבֵּשׁ דָּא בְּדָא, עַד דְּאֲשַׁתְּכַח, דָּא לְבוּשָׁא לְדָא, וְדָא לְדָא, דָּא מוּחָא וְדָא קְלִיפָה, וְאִף עַל גְּבֻדָּא לְבוּשָׁא, אֲתַעֲבִיד אִיהוּ מוּחָא, לְדְרָגָא אַחְרָא, וְכֹלָא כְּגוּוּנָא דָּא, אֲתַעֲבִיד הַכִּי לְתַתָּא, עַד כִּי בְּצַלְמֵם דָּא, אִיהוּ בְּרַ נֶשׁ בְּהַאי עֲלָמָא, מוּחָא וְקְלִיפָה, רוּחָא וְגוּפָא, וְכֹלָא אִיהוּ תְּקוּנָא דְּעֲלָמָא.

110. כִּד הָוֵה סִיְהֵרָא בְּשִׁמְשָׁא בְּדְבֻקוּתָא חָדָא, הָוֵה סִיְהֵרָא בְּנִהִירוֹ. בֵּינָן דְּאֲתַפְּרָשָׁא מִן שְׁמֵשָׁא, וְאֲתַפְּקֵת עַל חִילָהָא, אֲזַעֲיֵרַת גְּרָמָה אֲזַעֲיֵרַת נְהוּרָא, וְאֲתַבְּרוּן קְלִיפִין עַל קְלִיפִין. לְגַנְיִזוֹ דְּמוּחָא, וְכֹלָא תְּקוּנָא דְּמוּחָא, וְעַד, יְהִי מְאֵרַת חֶסֶר. וְכֹל דָּא לְתַקוּנָא דְּעֲלָמָא, וְדָא הוּא דְּכַתִּיב לְהַאִיר עַל הָאָרֶץ.

10. "The two great lights"

The Zohar discusses the creation of the sun and the moon, which originally were of equal size and importance. But the moon was not content, and she cast a jealous eye on her cosmic neighbor. As a result of her envy of the sun's illumination, the moon was eventually reduced in both size and significance. Henceforth, the moon would have no light of her own. Instead, she must reflect the light of the sun.

Here the Zohar reveals a profound secret of human nature. This is origin of the trait known as Hatred For No Reason. Sometimes we are envious of our neighbors' possessions even if we possess exactly the same things. Instead of appreciating our lot in life, we begrudge the lot of others, even though it in no way diminishes our own.

In Kabbalah, the reduction of the moon symbolizes the separation between the male and female aspects of the Creator. This manifests as the separation of the spiritual dimension Zeir Anpin, or The Upper World, and the physical realm of Malchut, or the Lower World. Just as the moon's light is derived from the sun, Malchut's Light is drawn from the world of Zeir Anpin. Through positive deeds and actions and the removal of our jealous nature, we can unify these two dimensions and create a flow of Light into our lives. Reading this section gives us the ability to bring about this unity when we recite our prayers and perform the necessary spiritual actions.

111. "And Elohim made the two great lights" (Beresheet 1:16). "And... made" SIGNIFIES the greatness and the full establishment of everything, as it should be. The phrase: "The two great lights" INDICATES that THE TWO GREAT LIGHTS, WHICH ARE ZEIR ANPIN AND HIS FEMININE PRINCIPLE, were united at first. THAT IS, THEY WERE ON THE SAME LEVEL AND EQUAL TO EACH OTHER. AS A RESULT, THEY DID NOT NEED EACH OTHER. This is the secret of the full name Yud-Hei-Vav-Hei-Elohim, which although not openly revealed can be surmised. SO THE "TWO GREAT LIGHTS" APPEAR IN A FULL NAME, EVEN THOUGH THE NAME ELOHIM SHINES ONLY IN A CONCEALED WAY.

112. THE WORD "great" MEANS THAT ZEIR ANPIN AND HIS FEMININE PRINCIPLE grew in greatness by this name AS EQUALS, so much so that they were called by the name THAT UNITES everything TOGETHER, WHICH IS Mem-Tzadik-Pe-Tzadik Mem-Tzadik-Pe-Tzadik. ZEIR ANPIN RECEIVED HIS GREATNESS FROM THE RIGHT ONE, HIS FEMININE PRINCIPLE FROM THE LEFT ONE. IN SUCH A WAY, THEY ARE REFERRED TO AS "THE TWO GREAT LIGHTS." These are the most supernal names of the thirteen attributes of mercy. THE NAMES MEM-TZADIK-PE-TZADIK MEM-TZADIK-PE-TZADIK ARE CALLED "great", BECAUSE they became great and ascended. They are supernal and DERIVE from the secret of above. They benefit the world, as the world's existence depends on them. Similarly, the two lights THAT APPEAR IN THE VERSE, WHICH ARE ZEIR ANPIN AND HIS FEMININE PRINCIPLE, both rose as one, to greatness.

113. The moon was not at ease with the sun because it felt embarrassed before it. The moon said TO THE SUN: "Where do you feed your flock? Why do you make your flock to rest at noon?" (Shir Hashirim 1:7). THIS IS AS IF TO SAY: How can a tiny candle shine in the middle of the day? "Why should I be like one who cloaks himself?" (Ibid.) That is: how can I remain in shame? Then it lowered itself to be head of the lower beings, as it is written: "Go your way forth by the footsteps of the flock" (Ibid. 8). Thus, the Holy One, blessed be He, said to it, 'Go forth and subjugate yourself.'

114. From then on, it had no light of its own. It had only the light it received from the sun. At first, they were united as one on the same level, but it later lowered itself from all of its grades. THIS MEANS THAT IT LOST ALL ITS GRADES AND EMERGED FROM THE WORLD OF ATZILUT. Although it is the head of the LOWER WORLDS OF BRIYAH, YETZIRAH AND ASIYAH, IT IS NEVERTHELESS CONSIDERED TO HAVE LOST ALL ITS GRADES, as in principle a woman has no significance unless she is together with her husband. IN OTHER WORDS, BECAUSE THE FEMININE PRINCIPLE IS SEPARATED FROM ZEIR ANPIN, HER HUSBAND, AND HAS LEFT THE WORLD OF ATZILUT TO GO TO THAT OF BRIYAH, SHE HAS BROUGHT ABOUT THE LOSS OF ALL HER GRADES. EVEN THOUGH SHE HAS BECOME HEAD IN THE WORLD OF BRIYAH, SHE DOES NOT CONSIDER THIS TO BE SIGNIFICANT BECAUSE SHE IS SEPARATED FROM HER HUSBAND, WHO IS IN THE WORLD OF ATZILUT. The phrase: "The greater light" (Beresheet 1:16) ALLUDES TO ZEIR ANPIN, WHO IS CALLED BY THE NAME Yud-Hei-Vav-Hei. "The lesser light" (Ibid.) ALLUDES TO THE FEMININE PRINCIPLE, WHO IS CALLED BY THE NAME Elohim, THE LAST OF the grades and an end to Thought--NAMELY, AN END TO THE WORLD OF ATZILUT THAT IS CALLED THE THOUGHT. At first, THE FEMININE PRINCIPLE was inscribed above IN ZEIR ANPIN in the fourth letter of the holy name Yud-Hei-Vav-Hei, BECAUSE THE FEMALE IS THE LOWER HEI. IN OTHER WORDS, WHEN SHE WAS ON THE SAME LEVEL WITH ZEIR ANPIN, SHE WAS THE LOWER HEI OF THE NAME YUD-HEI-VAV-HEI. But afterward, it lowered itself to be called by the name Elohim.

111. וַיַּעַשׂ אֱלֹהִים אֶת שְׁנֵי הַמְּאוֹרוֹת הַגְּדוֹלִים, וַיַּעַשׂ רְבוּיָא וְתַקּוּנָא דְכָלְא בְדָקָא יָאוּת. אֶת שְׁנֵי הַמְּאוֹרוֹת הַגְּדוֹלִים. בְּקִדְמִיתָא בְּחִבּוּרָא חֲדָא, רְזָא דָא שְׂמָא שְׁלִים כְּחֲדָא, יְרוּדֵי אֱלֹהִים, אִף עַל גְּבֻדְלָא אִיהוּ בְּאַתְגְּלִיָּא אֲלָא בְּאַרְחַ סְתִים.

114. וּמִתַּמֵּן לִית לָהּ נְהוּרָא, בְּרַ מְשִׁמְשָׁא, דְּבְקִדְמִיתָא הוּוּי יַתְבֵּי כְּחֲדָא בְּשִׁקּוּלָא, לְבַתְרָ, אֲזַעִירַת גְּרָמָה, בְּכָל אֲנּוּן דְּרַגִּין דִּילָהּ, אַע"ג דְּאִיהֵי רִישָׁא עַלְיֵהוּ, דְּהָא לִית אַתְתָּא בְּרַבּוּיָא, בְּרַ בְּבַעֲלָהּ כְּחֲדָא, אֶת הַמְּאוֹר, הַגְּדוֹל יְרוּדֵי, וְאֶת הַמְּאוֹר הַקָּטָן, אֱלֹהִים, סוּף כָּל דְּרַגִּין, סוּפָא, דְּמַחְשְׁבָהּ. בְּקִדְמִיתָא אַתְרִשִׁים אִיהוּ לְעִילָא, בְּאַתּוּן דְּשְׂמָא קְדִישָׁא, אֶת רְבִיעָאָה דִּילָהּ, וּלְבַתְרָ אֲזַעִירַת גְּרָמָה, לְאַתְקְרִי בְּשְׂמָא דְאֱלֹהִים.

115. In spite of all this, THE FEMININE PRINCIPLE ascended on all sides and SHONE IN ALL DIRECTIONS from above; THAT IS, BEFORE SHE LOWERED HERSELF and when she was THE LOWER Hei in the assembling of the letters of the holy name, Yud-Hei-Vav-Hei. Later, WHEN SHE BELITTLED HERSELF, the grades expanded out from all sides, WHICH MEANS THAT SHE SHONE FROM THE ASPECT OF BEING BEFORE THE LOWER HEI OF YUD-HEI-VAV-HEI AND ALSO FROM THE ASPECT OF BEING NOW THE NAME ELOHIM. The grades that expanded from the aspect of her being above, FROM THE LOWER HEI OF YUD-HEI-VAV-HEI, are called the 'rule (of) the day.' The grades that expanded from the aspect of her being below, FROM THE NAME ELOHIM, are called the "rule (of) the night."

116. The words "the stars" (Bereshet 1:16) ALLUDE TO countless hosts and groups of angels, who are all suspended in that "firmament of heaven" THAT IS YESOD OF ZEIR ANPIN AND IS CALLED life of the worlds, as it is written: "And Elohim set them in the firmament of heaven to give light upon the earth" (Bereshet 1:17).

117. The kingdom of THE HOUSE OF David was established on this day, THE FOURTH DAY, which is the fourth leg that supports the throne. IT HAPPENED ON THE FOURTH DAY BECAUSE the letters were completed and fixed in their places PROPERLY. In spite of all this, Malchut (kingdom) was not fixed properly in its place before the sixth day, because only then was the image of man completed and properly established. ON THE SIXTH DAY, the upper throne and the lower throne were established and all the worlds settled in their places. All the letters were set in their spheres after untying and releasing the complicated tie THAT EXISTED AMONG THE LETTERS.

118. The fourth day, WHICH IS THE KINGDOM OF DAVID, was rejected by the builders, as it is written: "The stone which the builders rejected..." (Tehilim 118:22) and also "my mother's children were angry with me" (Shir Hashirim 1:6). For this light, REFERRING TO MALCHUT, lowered itself and diminished its own radiance while the Klipot were established in their places. THIS GAVE PLACE TO THE EMERGING OF THE KLIPOT AND THEIR RULE. THUS SHE SEEMED LOATHSOME IN THE EYES OF THE RIGHTEOUS THAT BUILD IT. ONLY LATER, WHEN SHE WAS COMPLETED AND READY FOR UNION WITH ZEIR ANPIN, WAS IT SAID SHE "HAS BECOME THE HEAD STONE OF THE CORNER." All those lights that shone DURING THE 6,000 YEARS PERIOD were suspended in this firmament of heaven to establish with them the throne of David-- NAMELY, THE KINGDOM (MALCHUT) OF DAVID.

119. These lights OF THE KINGDOM OF DAVID shape the form below in order to prepare the form of all those that pertain to the inner form of THE FACE OF man, because every inner form is so called-- NAMELY, THE FACE OF MAN. From this, YOU SHOULD REALIZE THAT every shape included in this expansion OF THE LETTER FINAL NUN is called man, EVEN THOUGH THEY DO NOT ACTUALLY HAVE THE FACE OF MAN. Hence, it is written: "But you...are men" (Yechezkel 34:31). You are called men, but not the rest of the idolatrous nations.

120. Every spirit is called man, WHICH MEANS THAT ONLY THE ASPECT OF THE LIGHT OF THE SPIRIT THAT IS ENCLOSED WITHIN THE BODY IS CALLED MAN. So the body of the spirit of the Holy Side is only a covering; IN OTHER WORDS, THE SPIRIT IS THE ACTUAL ESSENCE OF MAN AND THE BODY IS ONLY ITS COVERING. BUT ON THE OTHER SIDE, THE OPPOSITE APPLIES. This is why it is written: "You have clothed me with skin and flesh..." (lyov 10:11). The flesh of man is only a garment COVERING THE ESSENCE OF MAN, WHICH IS THE SPIRIT. Everywhere it is written the flesh of man, IT HINTS THAT the essence of man is inside. The flesh is only a vestment for man, a body for him, BUT THE ESSENCE OF MAN IS THE ASPECT OF HIS SPIRIT.

121. For the lower aspects were melted with the melting of this spirit OF THE FACE OF MAN, AND other forms were fashioned, encloded in a different kind of garment--NOT BY THAT OF MAN, BUT OF KOSHER ANIMALS. THESE INCLUDE: ox, sheep, goats, kids of the goats, rams, deer, fallow-deer and so on. They would have preferred to be included in the vestment of THE FACE OF man, BUT WERE NOT. THEY BECAME VESTMENTS FOR OTHERS; NAMELY, GARMENTS FOR THE FACE OF AN OX, THE FACE OF AN EAGLE AND THE FACE OF A LION. The inner spirit OF THE OX, SHEEP AND GOAT, is called by the same name as the body of that spirit, BECAUSE THE BODY IS a vestment for that name BUT DOES NOT OWN IT. THE BODY IS the flesh of the ox and the ox is the inner SPIRIT of that body; namely, its flesh is its garment. So it is with all ANIMALS; THEIR BODIES ARE NAMED AFTER THE INNER SPIRIT THAT IS ENCLOSED WITHIN THEM.

122. It is similar with the Other Side, which is not holy. The spirit that spreads within the idolatrous nations issues from the side that is not holy AND is not the ASPECT OF man. Therefore, it is not called by this name, AS HAS BEEN WRITTEN: "BUT YOU...ARE MEN." The name of this spirit is defiled. It is not called man and has no share in him BECAUSE IT EXTENDS FROM THE WICKED MAN (LIT. 'MAN WITHOUT ELEVATION'), WHO DOES NOT WANT TO ASCEND TO THE FACE OF MAN ABOVE. So his body, the vestment of his spirit, is impure and his flesh is defiled. The impure PART, WHICH IS THE SPIRIT, is on the inside and the flesh is his vestment. As long as the spirit dwells within that body, it is called impure. As the spirit leaves that vestment, NAMELY THE BODY, neither the body nor the vestment is called impure any longer, AS THE IMPURE ONE, THAT IS THE SPIRIT, HAS DEPARTED FROM IT.

123. From the lower aspects--REFERRING TO ANIMALS, BEASTS AND BIRDS that were molded into shape by that impure spirit--forms, NAMELY PRIVATE SPIRITS, were drawn out. These were encloded by other vestments, such as the forms of the impure animals, and the Torah said of them, "These shall be unclean to you" (Vayikra 11:29). These forms include pigs and the birds and animals that belong to the OTHER Side. The spirit is called by that name--THAT IS, IMPURE--and the body is its vestment. The body is called the flesh of the pig, because it is a pig in its inner being, IN ITS SPIRIT, while the flesh is a garment COVERING THAT SPIRIT. Therefore, both aspects, those included within the secret of man and those included with the secret of the impure, are separated from and oppose each other. ON THE SIDE OF HOLINESS ARE THE SPIRIT OF MAN IN GENERAL, AND THE SPIRITS OF PURE ANIMALS, BEASTS AND FOWL, WHICH ARE THE PARTICULAR. FROM THE SIDE OF WICKED MAN IS THE IMPURE WICKED MAN, WHICH ARE THE GENERAL ASPECTS, AND THE SPIRITS OF IMPURE ANIMALS, BEASTS AND FOWL, THAT ARE THE PARTICULARS. THEY OPPOSE EACH OTHER. Every kind of animal stays with its own kind AND DOES NOT MIX WITH THE OPPOSITE KIND. EVEN IF IT DOES, it eventually returns to its own kind.

124. All the upper shining lights shine within that firmament of heaven, so that proper forms may be drawn down below, as it is written: "And Elohim set them in the firmament of heaven...to rule over the day and over the night" (Beresheet 1:17). For the dominion of the two lights is a noble dominion.

125. The phrase: "the greater light", NAMELY ZEIR ANPIN, rules the day and the "lesser light", WHICH IS HIS FEMININE PRINCIPLE, rules the night. The secret LEARNED from here is that the male rules by day and fills up the house with all that is needed, such as food and sustenance. As soon as night falls and the female takes command, everything in the house falls under her control, because then it is time for her dominion. As it is written: "She rises also while it is yet night and gives food to her household" (Mishlei 31:15); "she" and not "he." SO THE FEMININE PRINCIPLE, NOT ZEIR ANPIN, GIVES AT NIGHT, as the dominion over the day belongs to the male and the dominion over the night belongs to the female.

126. The "greater light" is the sun, which has twelve openings and twelve hours, as the sun rules over the day. The "lesser light" is the moon, which also has twelve openings, the moon rules over the night, which has twelve hours. For this reason, IT IS WRITTEN: "On that day Hashem shall be one, and his name One" (Zecharyah 14:9). "ONE" IS MENTIONED TWICE: ONCE FOR YUD-HEI-VAV-HEI, WHO IS ZEIR ANPIN, THE "GREATER LIGHT", AND ONCE OF HIS NAME, WHICH IS THE FEMALE, THE "LESSER LIGHT." The sun together with its twelve openings becomes the thirteen attributes of mercy. The moon together with its twelve openings also adds up to thirteen. SO THE SUN BECOMES ONE AND THE MOON BECOMES ONE; THEN IT SAYS, "HASHEM SHALL BE ONE, AND HIS NAME ONE", BECAUSE THE NUMERICAL VALUE OF ECHAD (ONE) ADDS UP TO THIRTEEN. Thus, the sun and the moon become one and the day and night also become one. This is why it is written: "And there was evening and there was morning, one day." The secret OF THIS UNION is ONLY applicable on high.

127. THE VERSE: "And the stars" MEANS THAT after the female has attained order in her house and retired with her husband, the maidens are left in charge of the house. THE MAIDENS WHO SERVE THE FEMALE ARE CALLED THE STARS. AND THE SECRET OF THE PHRASE "AND THE STARS" IS THAT THE FEMALE TURNS CONTROL OF THE HOUSE OVER TO THEM to deal with all the requirements of the house. THAT IS, TO PREPARE HER FOR MATING WITH THE SUN AND TO BESTOW THE ABUNDANCE OF THE DAY. THIS IS DURING THE DARKNESS BEFORE DAWN, WHEN THE MAIDENS - THE STARS - RULE, WHICH IS AN INFERIOR RULE. THEN DARKNESS IS DOUBLED IN THE WORLD. THIS IS THE SECRET MEANING OF, "A PORTION TO HER MAIDENS" (MISHLEI 31:15). Afterward, THAT IS, AFTER THE MATING OF THE DARKNESS OF THE MORNING (BEFORE DAWN BREAKS), the household returns to the dominion of the male and everything is set properly in place. THIS MEANS THAT THE FEMALE IS INCLUDED WITHIN THE MALE, ACCORDING TO THE SECRET OF THE MATING AND IS UNDER HIS CONTROL. SHE REVEALS THE LIGHT OF THE MORNING TO THE WORLD, AS IT SHOULD BE.

11. The luminaries of the light, and the luminaries of the fire

On the Sabbath, an immense amount of spiritual Light is revealed into the cosmos, while during the week the Light is extremely diminished. The Zohar explains how we can create a continuous connection to the Shabbath through the closing rituals of the Sabbath itself, such as reflecting candle light off the enamel of the finger nails. If we should ever fall into negativity--Heaven Forbid --no matter how deep that descent might be, reading this section can establish a life-line to the Light of the Creator.

128. "And Elohim made the two great lights" (Beresheet 1:16). The sun is one and the moon is the other. Because of this, the lights that ascend are called the luminaries of the light whereas those that descend are called luminaries of the fire. These LUMINARIES OF THE FIRE are the lower grades and rule over all the weekdays. Because of this, a blessing is recited over the candle when Shabbat ends because, at that point, THE LUMINARIES OF THE FIRE are given permission to rule again.

129. The fingers of man represent the most hidden of all grades and secrets of the supernal world, and are divided into front and back. The back of the fingers represents the external part, an allusion to the fingernails. As such, man may look at his fingernails by candlelight as Shabbat ends. As they shine by the candlelight and are bright from that fire, that rules OVER THE DAYS OF THE WEEK.

130. THE FINGERNAILS are visible, but it is not permissible to see the inner aspect of the fingers by this candlelight, because they shine only from above. And THE INNER PART OF THE FINGERS is called the inner face. This is the secret of the verse: "And you shall see my back; but my face shall not be seen" (Shemot 33:23), which means that a person should not look at the inside of his fingers at the end of Shabbat, as he recites the blessing: 'Creator of the luminaries of the fire (Bore Me'orei Ha'esh)'. The phrase: "And you shall see my back" refers to the external part OF THE FINGERS, which is hinted at in the fingernails AND SHINES AS SHABBAT ENDS. "But my face shall not be seen" refers to the inside of the fingers, WHICH CANNOT RECEIVE FROM THE LUMINARIES OF THE FIRE. THE INTERNAL PART OF THE FINGERS rules on Shabbat. THE EXTERNAL PART OF THE FINGERS rules during the weekdays.

131. On Shabbat day, the Holy One, blessed be He, rules alone over this inner face, sitting upon His throne of glory. All are included within Him, and the dominion is His. This is why THE HOLY ONE, BLESSED BE HE, transmits calmness to all the worlds and the holy nation, which is called the one nation on earth, receives the inheritance of this day. The luminaries of the light ORIGINATE FROM the side of the right, which is the primal light that was on the first day OF THE SEVEN DAYS OF CREATION. THIS ALLUDES TO THE LIGHT THAT IS MENTIONED IN THE VERSE: "LET THERE BE LIGHT." On the day of the Shabbat, the luminaries of the light shine alone and govern, illuminating all THE WORLDS BELOW ATZILUT.

132. When Shabbat is over, the luminaries of the light are hidden and the luminaries of the fire govern THE WORLDS, WITH each and everyone in its place, THAT IS, THE LUMINARIES OF LIGHT RULE DURING SHABBAT AND THE LUMINARIES OF FIRE DURING WEEKDAYS. HE ASKED: When do they rule? HE REPLIED, From the end of Shabbat until Shabbat eve. Thus, it is necessary TO RECEIVE light from that candle, as Shabbat ends.

133. The verse: "And the living creatures ran and returned" (Yechezkel 1:4) MEANS THAT the eye is not able to observe the unconcealed living creatures as they run to and from. THIS REFERS TO THE LOWER LIVING CREATURES, OF WHICH IT IS WRITTEN: "AND YOU SHALL SEE MY BACK." ALTHOUGH THEY ARE REVEALED, THEY ARE RUNNING TO AND FRO. This is because of the wheel (Heb. ofan) that is stationed in their midst is Matatron, who is far greater and more important than the rest of THE LIVING CREATURES. HE IS higher than they by 500 parasangs.

134. The concealed living creatures are hidden beneath the upper concealed letters, Yud-Hei OF THE NAME YUD-HEI-VAV-HEI, which govern Vav-Hei OF THE NAME YUD-HEI-VAV-HEI. The ones are a Chariot for the others; THAT IS, THE LETTERS VAV-HEI ARE A CHARIOT FOR THE LETTERS YUD-HEI. THIS MEANS THAT THEY REVEAL THEIR ILLUMINATION AS A RIDER IS SEEN IN HIS CHARIOT. AS A RESULT, BY REVEALING THEIR ILLUMINATION, THE LOWER LIVING CREATURES ARE A CHARIOT FOR THE UPPER LIVING CREATURES. And that which is most concealed, which is completely unknown, IS THE SECRET OF EIN-SOF (ENDLESSNESS), WHICH IS HINTED AT BY THE TIP OF THE LETTER YUD OF THE NAME YUD-HEI-VAV-HEI. It controls everything and rides upon them all, WHICH MEANS THAT ALL THE GRADES MANIFEST ITS DOMINION OVER THE WORLDS. The living creatures, which are revealed, are down below the upper and concealed living creatures. Their illumination comes from them, and they travel according to them. IN OTHER WORDS, THE LOWER LIVING CREATURES HAVE NO MOTIVATION OF THEIR OWN, EXCEPT FOR WHAT THEY RECEIVE FROM THE UPPER LIVING CREATURES.

135. The upper living creatures, WHO ARE CONCEALED, are all included in the "firmament of heaven" as it is written of them: "Let there be lights in the firmament of heaven" (Bereshheet 1:15). The verse: "And let there be lights in the firmament of heaven" INFORMS US that all THE LIGHTS are suspended from that "firmament of heaven." That is the firmament above the living creatures, about which it is written: "And over the heads of the living creatures there was the likeness of a firmament, as the color of the terrible ice" (Yechezkel 1:22). This is the primal FIRMAMENT.

136. From this point upward, HIGH ABOVE THE PRIMAL FIRMAMENT, no person can comprehend or grasp any thoughts because they are concealed ACCORDING TO THE SECRET OF THE Thought. The thought of the Holy One, blessed be He, is hidden and concealed above; nobody can conceive and understand man's thought. Even more true is that nobody can understand anything originating in supernal thought. The actual (Divine) Thought itself is all the more BEYOND ANY PERSON'S ABILITY TO GRASP. More inner than thought--WHICH IS BINAH--who may form any idea OF SUCH A CONCEPT? There is no understanding at all; not enough to even ask a question, not to mention comprehending the answer.

12. The three lights

The complete and all-embracing Light proceeds into our world through three stages. These three stages comprise the Right, Left, and Central Columns of spiritual energy. [See "Let there be a Firmament" page 253. The three stages express themselves through the spiritual vessels of Abraham, Isaac and Jacob. In the first phase, the Light is unknowable and too unimaginably luminous for any single vessel to contain. The second phase produces a diminishing of the Light, and the third phase brings a final diminution, achieving a suitable level of Light for all vessels to safely receive. The Hebrew letters composing this section bring the appropriate measure of Light to the areas of our lives where it is most needed.

137. The endless cannot be known, or be subject to any question or mental formulation. From within this most concealed of all concealed things, with the beginning of the descent of the endless for the purpose of being seen, a thin, almost imperceptible light shone. It was concealed by a fragile imprint, as delicate as a needlepoint. THUS, ALTHOUGH A TINY SLIT WAS OPENED, IT WAS INSUFFICIENT FOR THE LIGHT TO BE GRASPED. This is the secret of the concealed thought. It remained unknown until an illumination extended from it to the place on which the letters imprinted. Everything emerges from there.

134. חיות דמטמרן, אגון תחות תרין אתון עלאין דאתבסין, י"ה, אתון שליטין על ו"ה, אלן רתיבא לאלין, והוא טמירא לכל טמירין דלא אתיידע כלל, שליט על בלא, ורכיב על בלא, חיות דאתגליין אגון לתתא, תחות אלין עלאין דמטמרן, ואתנהרן מנייהו, ונטלין בגינייהו.

138. In the beginning, THE LETTER Aleph, which is the beginning (lit. 'head') and end of all the grades, WAS INSCRIBED. Although it is the imprint on which the upper and lower worlds were imprinted, it is still referred to in the singular as Echad (one), WHICH MEANS THAT THE ALEPH IS ONE IN NUMERICAL VALUE. IT TEACHES US THAT, although it contains many forms AND INCLUDES ALL THE GRADES, it remains only one. THUS, ALL THE GRADES ARE AS ONE IN IT. Assuredly, THE LETTER Aleph is the letter upon which the upper and the lower beings depend.

139. The upper tip (head) of the letter Aleph, REFERRING TO THE SHAPE OF THE UPPER YUD, represents the secret of the supernal thought. The expansion of the upper firmament IS STILL entirely concealed within the upper tip OF THE LETTER ALEPH IN ITS UPPER YUD. So when the SHAPE OF THE LETTER Aleph emerges from that firmament, it will be in the image of the secret of the beginning (head) of thought. Within that Central Column of THE LETTER Aleph, there are six grades--NAMELY, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. These contain the secret of all the supernal and concealed living creatures that are connected to the inside of thought, WHICH IS BINAH.

140. One luminary that shone and was concealed is the light of the letter Bet of Beresheet. THIS IS HINTED AT IN THE VERSE: "The heat of the day" (Bereshet 18:1), as Avraham was sitting "in the tent door IN THE HEAT OF THE DAY." This door leads from below to above AND THOSE DOWN BELOW ASCEND THROUGH IT. "The heat of the day" shines through that door FROM BELOW UPWARD. From there, it also shines DOWNWARD.

141. The second LIGHT is the light that gradually fades away before nightfall. THIS IS the secret of the prayer of Yitzchak, to properly amend and establish this grade, as it is written: "And Yitzchak went out to mediate in the field at eventide" (Bereshet 24:63). The vision at "eventide" and all sorts of darkness are related to him, ACCORDING TO THE SECRET OF THE AFTERNOON PRAYER (HEB. MINCHAH). At this eventide, Ya'akov looked at the minister of Esav, ABOUT WHOM IT IS WRITTEN: "AND THERE WRESTLED A MAN WITH HIM" (BERESHEET 32:25).

142. The third LIGHT is the light that combines these two lights, WHICH REPRESENT THE RIGHT AND LEFT COLUMNS. IT IS THE LIGHT that shines for healing. The secret of that which is written about Ya'akov: "And the sun rose upon him" (Bereshet 32:32) IS RELATED TO THIS THIRD LIGHT. AND THE VERSE IS TALKING assuredly after YA'AKOV became included within that eventide, NAMELY THE DARKNESS OF THE LEFT COLUMN, AND WAS IN NEED OF HEALING. THEREFORE, IT IS WRITTEN: "AND THE SUN ROSE UPON HIM" TO HEAL HIM FROM THE DARKNESS OF THE LEFT. From here onward--THAT IS, AFTER YA'AKOV DREW DOWN THE LIGHT OF THE CENTRAL COLUMN--THE VERSE CONTINUES, "And he limped upon his thigh." "HIS THIGH" IS AN ALLUSION TO THE SFIRAH OF Netzach OF ZEIR ANPIN, WHICH IS CALLED Yisrael, BECAUSE THE TWO SFIROT--NETZACH AND HOD--ARE CALLED THE TWO THIGHS.

143. Note that it is written "upon his thigh" and not 'upon his thighs'. THIS MEANS THAT this is the fourth grade, NAMELY NETZACH, from where no prophecies were issued until Shmuel arrived. About it, it is written: "And also the Eternal One (Netzach) of Yisrael" (I Shmuel 15:29). NETZACH, which had been weak ever since Ya'akov the patriarch was endangered by the minister of Esav, was thus firmly reestablished.

144. HE EXPLAINED MORE FULLY THE VERSE: "He touched the hollow of his thigh" (Bereshheet 32:26). When the minister of Esav came upon Ya'akov, YA'AKOV derived strength from that eventide by the power of judgment. Thus, Ya'akov became included within it--THAT IS, THE LEFT COLUMN--AND he was not able to overcome him. "And when he saw that he prevailed not against him, he touched the hollow of his thigh": hence, YA'AKOV attained strength from there. HE EXPLAINED THE REASON FOR THIS. Because the thigh is an extremity located away from the torso and because Ya'akov IS THE SFIRAH OF TIFERET THAT IS CALLED the torso, his body comprises the secret of two grades, MALE AND FEMALE, according to the secret being called man. As soon as YA'AKOV derived power, WHICH IS LOCATED outside of his body, the minister of Esav struck "and the hollow of Ya'akov's thigh was out of joint."

145. No man prophesied from there until Shmuel, WHO FIRMLY ESTABLISHED THE SFIRAH OF NETZACH. Therefore, it is written: "And also the Eternal One of Yisrael...for he is not a man." Yehoshua received his prophecy from THE SFIRAH OF Hod of Moshe, as it is written: "And you shall put some of your honor (Heb. Hod) upon him" (Bemidbar 27:20). AS YEHOSHUA PRECEDED SHMUEL THE PROPHET, HE COULD NOT RECEIVE HIS PROPHECY FROM NETZACH BECAUSE OF THE WEAKNESS CAUSED BY THE TOUCH OF ESAV'S MINISTERING ANGEL. THIS IS THE REASON WHY HE RECEIVED HIS PROPHECY FROM HOD, which is the fifth grade. Netzach is the left thigh of Ya'akov. David came forth and combined it with the right, as it is written: "At your right hand are pleasures for evermore (Heb. Netzach)" (Tehilim 16:11). It is not written: 'your right,' but rather "at your right", WHICH MEANS THAT BEFORE THE TIME OF DAVID, NETZACH WAS NOT "AT THE RIGHT." DAVID BROUGHT THE NETZACH BACK TO THE ASPECT OF THE RIGHT, FOR FROM THE TIME OF YA'AKOV UNTIL SHMUEL AND DAVID, NETZACH WAS CONSIDERED THE ASPECT OF THE LEFT.

146. HE ASKED: What weakened Ya'akov's thigh? HE REPLIED: The side of impurity approached him and derived strength from him, REVEALING THE DEFECT OF THE LACK OF THE FACE OF MAN. THUS, THE OTHER SIDE CLINGS TO EVERY PLACE WHERE A LACK APPEARS IN HOLINESS. So THE AMENDING was delayed until Shmuel appeared. That is why SHMUEL came, to remind us that this is the thigh of Yisrael, as it is written: "And also the Eternal One (Heb. Netzach) of Yisrael." (I Shmuel 15:29). This is also the reason why all SHMUEL'S words were according to judgment, both in the beginning and in the end.

147. Furthermore, the Holy One, blessed be He, included him with THE SFIRAH of Hod. HE ASKED: When WAS THAT? HE REPLIED, After he had anointed the kings, SHAUL AND DAVID. For this, Shmuel is ranked as Moshe and Aharon. Just as Moshe and Aharon were SEPARATED on two sides above, THE RIGHT AND THE LEFT, so was SHMUEL down below DIVIDED in the two aspects, RIGHT AND LEFT. What are those TWO ASPECTS? THEY ARE Netzach and Hod, the same as Moshe and Aharon on high. All the grades were included within one another BY SHMUEL AND THIS IS HOW HE BECAME RANKED AS MOSHE AND AHARON TOGETHER, as is written: "Moshe and Aharon among his priests, and Shmuel among them that call upon his name" (Tehilim 99:6). Thus, six aspects, THE SIX SFIROT--CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD--were included within one another and combined.

13. Moshe and Ya'akov

Moses possessed masterful control over the supernal worlds, far greater than the patriarch Jacob had achieved. For this reason, Moses became the leader of the generation of the desert, and it is said that there will never be a generation as great as the generation of Moses. The Kabbalists teach that in the End of Days--which is the current era--the generation of Moses will return, to finish the work of revealing the totality of Light that emanates from the Creator. In fact, we are that generation. Though the memories of the scorching heat of the desert and the radiant Light of Sinai may be lost to our conscious minds, it is vital for all of us to recognize who we really are. Therein lies power and truth of the Zohar's words. Each letter fills us with strength to accept our responsibility, and to fulfill it through spiritual work and self-transformation.

148. In the same manner that THE RIGHT AND THE LEFT ABOVE--WHICH ARE Moshe and Aharon--are connected TO THE RIGHT AND THE LEFT BELOW--NAMES Shmuel--so is THE CENTRAL COLUMN ABOVE--WHICH IS TIFERET--AND THE ASPECT OF Ya'akov and Moshe connected to THE CENTRAL COLUMN BELOW--WHICH IS YESOD AND THE ASPECT OF Yosef. Ya'akov was the owner of the house. When Ya'akov passed away, Moshe gained control over the house during his lifetime. Yosef was righteous because of Ya'akov and Moshe.

149. THE PROOF THAT Ya'akov took over the house, WHICH IS THE FEMININE PRINCIPLE OF ZEIR ANPIN, through Yosef is in the verse: "These are the generations of Ya'akov Yosef." (Bereshheet 37:2). THIS SHOWS THAT THEY WERE ATTACHED TO EACH OTHER. Moshe did not mate with her, WITH THE FEMALE, until he attained THE CONNECTION WITH Yosef. When the Shechinah returned from the exile IN EGYPT, MOSHE--WHO IS THE INTERNAL ASPECT OF ZEIR ANPIN--was able to mate with THE SHECHINAH only through Yosef, as it is written: "And Moshe took the bones of Yosef with him" (Shemot 13:19). Why is it written: "with him"? Because THE ASPECT OF the body is not FIT for mating with the female unless it FIRST unites with the covenant, WHICH IS YESOD. This is why Moshe took Yosef with him. Because, since YOSEF was CONNECTED with Him, ZEIR ANPIN could mate with this feminine principle in the proper manner. Thus, IT IS CONSIDERED THAT Ya'akov, Moshe and Yosef go together as one, AS BOTH YA'AKOV AND MOSHE HAVE TO JOIN YOSEF.

150. When Ya'akov died, his body was buried in the Holy Land but when Yosef died, only his bones were buried in the Holy Land. For Moshe, no part of his body was buried in the Holy Land, AS HIS BODY, EVEN HIS BONES, WAS BURIED OUTSIDE THE HOLY LAND. SO HE ASKED: Why DID THESE DIFFERENCES EXIST? Because Ya'akov was the first husband of the Queen, but after Ya'akov died, THE FEMININE PRINCIPLE mated with THE INTERNAL ASPECT OF ZEIR ANPIN, WHICH IS CALLED Moshe. As long as Moshe was ENCLOSED IN A BODY in this world, he visited her, as was proper. BECAUSE HE HAD AN AFFINITY OF FORM WITH HER, he became the second husband OF THE FEMALE.

151. ACCORDING TO THIS, they carried Ya'akov to the Holy Land in his entire body, because he is the body. But for Yosef, only his bones WERE TAKEN TO THE HOLY LAND and not his body. Why? Because the bones are the hosts and legions of above and they all emerge from that Righteous. YOSEF the Righteous was called by the name 'hosts.' Why? Because all the hosts and legions above emerge from him. Because of this, the bones OF YOSEF, which are the ASPECT OF THE hosts, were taken to the Holy Land.

152. Moshe remained outside THE HOLY LAND. Neither his body nor his bones entered THE HOLY LAND. Instead, the Shechinah entered the Holy Land after Moshe had died and she returned to her first husband, who was Ya'akov. From this, WE LEARN THAT IF a woman is married to two men IN THIS WORLD, she shall return, after her demise, to her first husband in the world to come. THUS, because Ya'akov, her first husband, was in the Holy Land AND THE WOMAN BELONGS ONLY TO HER FIRST HUSBAND, Moshe was BURIED outside THE HOLY LAND.

153. Moshe merited during this lifetime what Ya'akov did not merit DURING HIS LIFETIME, BECAUSE Ya'akov mated--THAT IS, BROUGHT ON THE MATING OF ZEIR ANPIN AND HIS FEMININE PRINCIPLE--in the other SUPERNAL world ONLY AFTER HIS DEATH. ON THE OTHER HAND, Moshe CAUSED THIS MATING TO OCCUR WHILE HE WAS STILL ALIVE in this world, BUT NOT AFTER HIS DEATH. You might say that NOT BRINGING ON THE MATING AFTER HIS DEATH was a disadvantage for Moshe, but that is not so. Why? Because when the children of Yisrael left Egypt, their redemption came from the aspect of Yovel (the Jubilee), WHICH IS BINAH. All the 600,000 people OF THE GENERATION OF THE WILDERNESS came from the supernal world, BINAH. In that image OF BINAH, they traveled through the wilderness and none of them entered the Holy Land. Only the children borne TO THE GENERATION OF THE WILDERNESS ENTERED THE HOLY LAND, as it should be, because they BELONGED TO the completion of the moon, WHICH IS THE FEMININE PRINCIPLE. THEY ENTERED THE LAND AND ATE OF ITS FRUIT. Hence, all the workers of the land, ALL WHO FARMED AND CULTIVATED THE LAND, PERTAIN TO the building of the moon.

154. Moshe mated with the moon. THAT IS, MOSHE CAUSED THE MATING OF ZEIR ANPIN WITH THE MOON while he was still enclothed in a body IN THIS WORLD. He had full control over her, AS HE WAS CONSIDERED THE HUSBAND OF THE QUEEN. When he passed from this world, his sacred spirit ascended high and the spirit returned to the supernal Yovel, NAMELY BINAH. There, IN THE WORLD OF BINAH, MOSHE cleaved to 600,000 SOULS OF THE GENERATION OF THE WILDERNESS, which belonged to him--THAT IS, TO HIS OWN ASPECT. This is something that did not happen to Ya'akov, BECAUSE HE DID NOT ASCEND TO BINAH AFTER HIS DEATH, AS MOSHE DID AFTER HIS. INSTEAD, his spirit returned to the Shmitah; NAMELY, THE FEMININE PRINCIPLE OF ZEIR ANPIN AS BINAH IS CALLED YOVEL AND THE FEMININE PRINCIPLE IS SHMITAH. This did not happen as long as he was alive, because in his lifetime he had a different house, MEANING A DIFFERENT FEMININE PRINCIPLE. IN OTHER WORDS, BECAUSE HE HAD A WIFE DURING HIS LIFETIME IN THIS WORLD, HE COULD NOT CLEAVE ENTIRELY TO THE FEMININE PRINCIPLE OF ZEIR ANPIN AS HE COULD AFTER HIS DEATH.

155. The lowest grade in the Holy Land is completed by the power of the upper FEMININE PRINCIPLE. THE UPPER FEMALE DWELLS ON THE HOLY LAND - THE LOWER FEMALE, DUE TO THE WORK OF THE RIGHTEOUS PEOPLE BELOW. Because of this, it is impossible for them all to be together. THUS, THE ASPECT OF MOSHE AND THE GENERATION OF THE WILDERNESS CANNOT BE TOGETHER WITH THE ASPECT OF YA'AKOV AND THE DWELLERS OF THE HOLY LAND. WHY? Because those WHO EXTEND from the supernal world, WHICH IS BINAH, all comprise the aspect of the spirit alone. And those WHO EXTEND from the lower world, WHICH IS THE FEMININE PRINCIPLE OF ZEIR ANPIN, are the aspect of the body ALONE. It is not proper for all of these to be combined within the moon, WHICH IS THE FEMININE PRINCIPLE. So the former should be inside the moon and the latter outside OF IT, SO THAT each receives illumination from the other. THIS MEANS THAT THOSE WHO COME FROM THE FEMININE PRINCIPLE ARE SUPPOSED TO RECEIVE THEIR ILLUMINATION FROM THOSE WHO EXTEND FROM BINAH, LIKE A BODY THAT REQUIRES THE ILLUMINATION OF THE SPIRIT. ACCORDINGLY, THOSE WHO EXTEND FROM THE FEMININE PRINCIPLE--REFERRING TO YA'AKOV AND THE DWELLERS OF THE HOLY LAND--ARE WITHIN THE FEMININE PRINCIPLE, WHICH IS THE HOLY LAND, WHEREAS THOSE WHO EXTEND FROM BINAH--REFERRING TO MOSHE AND THE GENERATION OF THE WILDERNESS--ARE OUTSIDE THE HOLY LAND. SO THE LATTER SHINE AND ILLUMINATE THE SOULS WITHIN THE HOLY LAND.

156. All those who entered the HOLY Land had only the image of the first ones FROM THE GENERATION OF THE WILDERNESS, but they did not reach that supernal level as the first ones did. Why? Because there will be no generation and there never was A GENERATION such as those first ones OF THE GENERATION OF THE WILDERNESS, TO whom the brilliance of the glory of their Master was revealed face to face.

153. מֹשֶׁה זָכָה בְּחַיָּו, מֵה דֵּלָא זָכָה בֵּיה וְעָקֵב, יַעֲקֹב שָׁמַשׁ בֵּה בְּהָהוּא עֲלָמָא, מֹשֶׁה בְּהָאֵי עֲלָמָא, וְאִי תִימָא דְגָרִיעוּ דְּמֹשֶׁה הָוֵה, לֹא הָבִי, אֲלֵא כִּד נִמְקִי יִשְׂרָאֵל מִמְצָרִים, מִסְטָרָא דְיוֹבֵלָא הָוֵה, וְכֹל אֲנֹן שְׁתִּין רַבְבִּין מִעֲלָמָא עֲלָאָה הָוֵה, וּבְהָהוּא דְיוֹקְנָא אֲלוֹ בְּמִדְבָּרָא, וְחַד מְנַהוֹן לֹא עֲאֵלוּ בְּאַרְעָא, אֲלֵא בְּנִיהוֹן תּוֹלְדִין דְּלֵהוֹן, בְּדָקָא חֲזִי, דְּאֲנֹן תְּקוּנָא דְּסִיְהָרָא, וְכֹל עוֹבְדֵי אֲרַעָא תְּקוּנָא דְּסִיְהָרָא הָוֵה.

156. וְכֹלְהוּ דְּעֲאֵלוּ בְּאַרְעָא, דְּיוֹקְנָא דְּקַדְמָאֵי הָוֵה, וְלֹא הָוֵה בְּסִלְקוֹ עֲלָאָה בְּוֹתִיָּיהוּ, בְּגִין דֵּלָא יְהָא דְרָא, וְלֹא הָוֵה מְקַדְמַת דְּנָא, כְּאֲנֹן קַדְמָאֵי, דְּאֲתַחְזִיא לְהוֹן, זִיו יִקְרָא דְּמֵאֲרִיהוֹן אֲפִין בְּאֲפִין.

157. Ya'akov mated with his wives in his lifetime with his body. After HIS DEATH, his spirit ASCENDED AND cleaved to the spirit OF THE FEMININE PRINCIPLE. However, Moshe separated himself from his wife TZIPORAH WHILE STILL IN THIS WORLD and cleaved to the Holy Spirit, NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN, while he was still en clothed in his body. After HIS DEATH, his spirit cleaved to the concealed and supernal spirit, NAMELY BINAH, and all the grades were united and shone as one. THAT IS, THOSE FROM BINAH THAT ARE CONSIDERED OF THE SPIRIT AND THOSE FROM THE FEMININE PRINCIPLE CONSIDERED OF THE BODY. The Spirit of Moshe came from the Yovel, BINAH, and his body came from the Shmitah, FEMALE. The Spirit of Ya'akov cleaved to the Shmitah, THE FEMININE PRINCIPLE OF ZEIR ANPIN, while his body belonged to his wives in this world. THEREFORE, DURING HIS LIFETIME, HE COULD NOT CLEAVE TO THE FEMININE PRINCIPLE OF ZEIR ANPIN; HE COULD ONLY DO SO AFTER HIS DEATH. MOSHE WAS THE OPPOSITE, BECAUSE HIS BODY HAD THE AFFINITY OF FORM WITH THE FEMININE PRINCIPLE OF ZEIR ANPIN AND HE CLEAVED TO IT DURING HIS LIFETIME, BUT NOT AFTER HIS DEATH. WHY? BECAUSE HIS SPIRIT CLEAVED TO BINAH AND HAD NOT AFFINITY OF FORM WITH THE FEMININE PRINCIPLE OF ZEIR ANPIN.

158. All those Supernal Lights exist in their images below on earth. They are all suspended from the firmament of heaven TO SHINE ON THE EARTH BELOW, AS IT IS WRITTEN: "AND ELOHIM SET THEM IN THE FIRMAMENT OF HEAVEN TO GIVE LIGHT UPON THE EARTH" (BERESHEET 1:17). THE WORDS: "THE GREAT LIGHTS" contain the secret of the two names combined as one. After a third name is added, they become one again, one opposite the other. It is an inscribed and engraved name, in which they are included according to the secret of the faith.

14. "Let us make man" (Part One)

When Rabbi Shimon hears a voice calling "Shimon, Shimon," he realizes that it is the voice of God, because no mortal would dare omit the designation of "Rabbi" when speaking his name. This is not, Heaven Forbid, a suggestion by the Zohar that Rabbi Shimon was prideful.

Rather, it gives evidence of the profound greatness of this sage and mystic, who was recognized by all creation as the true Light of the world.

A subsequent discussion concerns the origin of man and the great spiritual powers that were imbued into his essence by the Creator.

From these passages we come to recognize the eminence and holiness of Rabbi Shimon. Without this recognition, we cannot truly connect to the Light of the Zohar. We also gain recognition of our own spiritual worth. This is crucially important, because a lack of spiritual self-worth is our greatest hindrance in achieving lasting fulfillment and well-being.

Failing to recognize the true spiritual essence of our being is to neglect all spiritual truths, including the laws of cause and effect.

When such a failure occurs, we become blind to the consequences of our intolerant and self-involved behavior.

159. IN THE VERSE: "And Elohim said, 'Let us make man' (Beresheet 1:26), THERE LIES A SECRET AS DESCRIBED IN THE VERSE: "The secret of Hashem is with them that fear him" (Tehilim 25:14). The most venerated Elder opened the discussion saying, Shimon, Shimon, who is he who said, "Let us make man" and OF WHOM IT IS WRITTEN: "And Elohim said," Who is this NAME OF Elohim? In the meantime, that most respected of Elders flew and he could not see him. When Rabbi Shimon heard that he called him Shimon and not Rabbi Shimon, he said to his friends: This is indeed the Holy One, blessed be He, of whom it is said "and an ancient of days (Heb. Atik Yomin) did sit" (Daniel 7:9). Now is the time to reveal this secret, which was previously forbidden to be revealed. However, permission has now been granted to reveal it. THE QUESTION IS, WHO SAID, LET US MAKE MAN'? WAS IT ELOHIM OF BINAH OR ELOHIM OF MALCHUT?

160. RABBI SHIMON started by saying: This is like a king who had many buildings to build and he had a craftsman. That craftsman (Heb. uman) did not do anything without the permission of the king, as it is written: "Then I was by him, as a nursling (Heb. amon)" (Mishlei 8:30). The king is most certainly the supernal wisdom above, WHICH IS ABA, and the Central Column is the king down below, NAMELY ZEIR ANPIN. Elohim, the craftsman above, is the supernal Ima and Elohim, the craftsman below, is the Shechinah below.

161. A wife is not permitted to do anything without the permission of her husband. Of all the buildings that were in the way of Atzilut--THAT IS, IN THE WORLD OF ATZILUT--Aba would say to Ima, Let it be so and so. And it was immediately done BY IMA. It is written: "And Elohim said, Let there be light, and there was light." "And... said" alludes to the owner of the building, ABA, who said to Elohim, "Let there be light." So ABA uttered the words and the craftsman, IMA, completed the task immediately. And this was the same in every edifice--NAMELY THE GRADES, THAT CAME INTO BEING BY WAY OF ATZILUT--where ABA would say, "Let there be a firmament," or "Let there be lights," and Ima would complete everything in an instant.

162. When he reached THE GRADES OF the world of separation, which is the world of those divided--THAT IS, TO CREATE THE SOUL OF MAN IN THE WORLD OF BRIYAH--the craftsman then said to the owner of the building, "Let us make man in our image, after our likeness." (Bereshheet 1:26) THIS MEANS DIFFERENT FROM THE WHOLE WORK OF CREATION UNTIL THE CREATION OF MAN, WHEN THE OWNER OF THE BUILDING UTTERED THESE WORDS. HERE THE CRAFTSMAN UTTERED THE WORDS. The owner of the building said, It is indeed good that man is made, but he shall sin before you, because he is foolish, as it is written: "A wise son makes a glad father, but a foolish son is the grief of his mother" (Mishlei 10:1). THIS MEANS THAT ABA ANNOUNCED THAT THE SIN OF MAN WOULD NOT AFFECT HIM. IT WOULD AFFECT ONLY IMA, FOR A FOOLISH SON IS THE GRIEF OF HIS MOTHER.

163. IMA said: Because his sins are related to Ima and not Aba, I wish to create him in my own image, as it is written: "So Elohim created man in his own image" (Bereshheet 1:27). NOTE THAT IT IS NOT WRITTEN: 'IN OUR OWN IMAGE,' because she did not want Aba to have any share IN HIS CREATION.

164. When ADAM sinned, it was written: "And for your transgressions was your mother put away" (Yeshayah 50:1). The King, WHO IS ABA, said to Ima the mother: Did I not tell you that he was going to sin? WHY DID YOU CREATE HIM? In that instance, he exiled him and his Mother. Therefore, it is written: "A wise son makes a glad father: but a foolish son is the grief of his mother." "A wise son" alludes to man in THE WORLD OF Atzilut, NAMELY ZEIR ANPIN, and "a foolish son" alludes to man in THE WORLD OF Briyah, NAMELY ADAM, WHOSE SOUL COMES FROM THE WORLD OF BRIYAH.

160. פתח ואמר, למלכא, דהוה ליה כמה בניינין למבני, והוה ליה אומנא וההוא אומנא, לא הוה עבד מדעם, אלא מרשו דמלכא, כד"א ואהיה אצלו אמון. מלכא ודאי איהו חכמה עלאה, לעילא, ועמודא דאמצעותא, מלכא לתתא. אלקים אומנא לעילא, ודא אימא עלאה, אלקים אומנא לתתא, ודא שכינתא דלתתא.

161. ואתתא לית לה רשו למעבד מדעם, בלא רשות בעלה, וכל בניינין דהוה בארץ אצילותא, הוה אמר אב"א באמירה, לגבי אמ"א, יהא בדין וכדין, ומיד הוה, כד"א, ויאמר אלקים יהי אור ויהי אור, ויאמר הוה אמר לאלקים, יהי אור, מארי דבניינא איהו אומר, ואומנא עביד מיד, והכי כל בניינין בארץ אצילותא, הוה אמר, יהי רקיע, יהי מארת וכלא אתעביד מיד.

162. כד מטא לעלמא דפרודא, דאיהו עולם הנבדלים, אמר אומנא, למארי בניינא נעשה אדם בצלמנו כדמותנו, אמר מארי בניינא, ודאי טב הוא למעבד ליה, אבל עתיד הוא למחטי קמך, בגין דאיהו כסיל, הה"ד בן חכם ישמח אב ובן כסיל תוגת אמו.

163. איהו אמרה, בתר דחוביה תליא באמ"א ולא באב"א אנא בעינא למברי ליה בדיוקנא דילי, הדא הוא דכתיב, ויברא אלקים את האדם בצלמו. ולא בעא לאשתתמא ביה אב"א.

164. בזמנא דחב מה כתיב, ובפשעכם שלחה אמכם, אמר מלכא לאמ"א, ולא אמרית לך דעתיד הוא למחטי. בהווא זמנא, תריך ליה, ותריך אמא עמיה, ובגין דא כתיב בן חכם ישמח אב ובן כסיל תוגת אמו, בן חכם, דא אדם, דאיהו בארץ אצילות, ובן כסיל, דא אדם דבריאה.

165. All the friends rose and said TO RABBI SHIMON IN ASTONISHMENT, Rabbi, Rabbi, could there be such separation between Aba and Ima, so much so that what EMANATED from the aspect of Aba shall be formed in the way of MAN OF Atzilut and that which emanated from the aspect of Ima shall be FORMED IN THE WAY OF MAN OF Briyah? ARE NOT ABA AND IMA BOTH OF THE GRADE OF BINAH OF ATZILUT? RABBI SHIMON said to them, Friends, friends, this is not so, because man of Atzilut is male and female, MALE from the side of Aba and FEMALE from Ima. This is why it says, "And Elohim said, Let there be light, and there was light." "Let there be light" is from the aspect of Aba and "and there was light" is from the aspect of Ima. So MAN EMANATED doubled faces.

166. But that MAN OF BRIYAH has neither the image nor likeness OF ABA AND IMA. The supernal mother had one appellation, "light and darkness" that adds to 86, which is the number for Elohim. So this appellation, NAMELY, WITHIN THE FEMININE PRINCIPLE, combines light and darkness. Because of the darkness in that appellation, Aba said that man of Briyah is destined to sin. Because he, MAN OF BRIYAH, represents the light of the supernal garment--THAT IS, THE LIGHT OF THIS MAN IS A SUPERIOR GARMENT, BEING THE FEMININE PRINCIPLE-AND BECAUSE SHE COMBINES LIGHT AND DARKNESS, HE WAS DESTINED TO SIN.

167. That light, WHICH MAN RECEIVES FROM THE UPPER GARMENT, is the light that the Holy One, blessed be He, created on the first day OF CREATION. ADAM WAS ABLE TO SEE THROUGH IT FROM ONE END OF THE UNIVERSE TO THE OTHER; BUT LATER HE concealed it for the righteous alone. ABOUT THIS LIGHT, IT IS WRITTEN: "LET THERE BE LIGHT." That darkness, WHICH DISAPPEARED WITHIN THE FEMININE PRINCIPLE, was created on the first day for the wicked. ABOUT THIS DARKNESS, it is written: "And the wicked shall be silent in darkness" (I Shmuel 2:9). On account of that darkness, which was destined to result in sin by that light IN THE SOUL OF MAN, Aba did not wish to partake in his creation. THIS IS A REFERENCE TO THE TIME WHEN IMA SAID TO HIM, "LET US MAKE MAN." Therefore, IMA said, "Let us make man in our image, after our likeness." The words "in our image" MEAN in that light OF OURS; "after our likeness" MEANS in that darkness OF OURS, which is a garment for the light. THIS DARKNESS IS DIFFERENT FROM THE DARKNESS THAT WAS CREATED ON THE FIRST DAY OF CREATION, ABOUT WHICH IS WRITTEN: "AND THE WICKED SHALL BE SILENT IN DARKNESS," SINCE THIS DARKNESS IS NOT A GARMENT FOR THE LIGHT. INSTEAD, IT CAUSED ADAM TO SIN. BUT THE DARKNESS OF IMA IS A GARMENT FOR THE LIGHT, just as the body is a garment for the soul, as it is written: "You have clothed me with skin and flesh" (Iyov 10:11). They all rejoiced and said: How happy is our lot that we had the privilege to hear words that were not to be heard until now. SO THE ANSWER TO THE QUESTION, WHO SAID, "LET US MAKE MAN" IS IMA, WHO SAID TO ABA, "LET US MAKE MAN." ELSEWHERE IN THE WORKS OF CREATION, EVERY PHRASE: "AND...SAID" APPLIES TO ABA.

15. "I, even I am he"

A discussion between Rabbi Shimon and his students reveals the subtle and profound unity of the Creator. Amid all the dimensions of reality, the Upper and Lower Worlds, the Ten Sfirot, the vast spiritual network of angels, and the diversity of physical and spiritual matter found everywhere, there is one supreme Source who wills all of creation into existence.

Our civilization includes many branches of knowledge. Though they appear to be separate and distinct areas of study, we must never forget the penetrating unity of the Creator, for He is the root, seed, and source of all understanding. Without this realization, a connection to the Light of the Creator is impossible, no matter how many systems of knowledge we master. Scanning this section opens up our souls to this truth,

168. Rabbi Shimon opened the discussion saying, "See now that I, even I am he, and there is no Elohim with me" (Devarim 32:39). He said: Friends, listen to ancient words that I wish to reveal after permission from above has been granted for them to be said. HE ASKED: Who is he who said, "See now that I, even I, am he?" HE REPLIED: The cause high above all causes, the one that is called the 'Cause of causes,' IS NOT HIGH ABOVE ALL THE SUPERNAL BEINGS, BUT INSTEAD is a Cause among all the rest of the causes. So every single one of these causes shall not do anything unless it receives permission from the cause above it, as I have stated above in, "Let us make man." IMA COULD NOT DO ANYTHING WITHOUT THE CONSENT OF ABA.

169. IN THE PHRASE: "Let us make man..." (Beresheet 1:26), the use of "us" assuredly alludes to two grades, as each LOWER GRADE said to the one above it, "Let us make MAN." THE LOWER GRADE cannot do anything without permission from the one above it and the one above this one cannot do anything without permission from its higher neighbor. But the one that is called the Cause above all causes has no equal above nor below, as it is written: "'To whom then will you liken me, that I should be his equal,' says the Holy One" (Yeshayah 40:25). He said, "See now that I, I am He--and there is no Elohim with Me..." (Devarim 32:39) from whom to take counsel--which is not like that about which it is written: "And Elohim said, Let us make man..."-WHERE EVERY LOWER GRADE SPOKE TO AN UPPER GRADE.

170. All the friends stood up and said TO RABBI SHIMON, Rabbi, grant us permission to speak. Did you not state above that the Cause of causes said to Keter, "Let us make man." RABBI SHIMON replied: May your ears listen to what your mouths say. Did I not just now say that there is one who is called the Causes of causes and that it is not the one that is called the Cause high above all causes, because the Cause high above all causes has no equal from whom to take advice. It is unique, prior to all, and cannot be joined with another.

171. Because of this, it said, "See now that I, even I am he, and there is no Elohim with me" from whom to take counsel because it has no equal or partner or number. However, there is one that designates a combination; for example, a combination of male and female, about whom it is written: "For he was but one when I called him" (Yeshayah 51:2). But it is one without number and without combination. Therefore, it said, "And there is no Elohim with me." They all rose, bowed before him and said, Happy is the man whose Master gives him consent to reveal hidden secrets that were not even revealed to the holy angels.

172. He said to them, Friends, we should complete this verse because it contains many secrets. "I kill, and make alive" (Devarim 32:39) MEANS THAT "I kill and I make alive." By the Sfirot, "I make alive." From the right side, life ENSUES and from the left side, death ENSUES. But if both do not agree by mediation of the Central Column--unless all three settle together--judgment cannot be carried out.

168. פתח עוד ר' שמעון ואמר ראו עתה כי אני אני הוא ואין אלקים עמדי וגו', אמר, חבריאי, שמעו מלין עתיקין, דבעינא לגלאה, בתר דאתיהיב רשו עלאה למימר, מאי ניהו דאמר ראו עתה כי אני אני הוא אלא, דא הוא, עלת על כל עלאין, ההוא דאתקרי עלת העלות, עלת מאלין עלות, דלא יעביד חד מאלין עלות שום עובדא, עד דנטיל רשות מההוא דעליה, כמה דאוקימנא לעילא בנעשה אדם.

169. נעשה, ודאי על תרין אתמר, דאמר דא לההוא דלעילא מניה נעשה, ולא עביד מדעם, אלא, ברשו, ואמירה, מההוא דלעילא מניה, וההוא דלעילא מניה, לא עביד מדעם, עד דנטיל עצה מחבריה. אבל ההוא דאתקרי עלת על כל עלות, דלית לעילא מניה, ולא לתתא שוה ליה, כד"א ואל מי תדמיוני ואשוה ואמר קדוש, אמר ראו עתה כי אני אני הוא ואין אלקים עמדי, דנטיל עצה מניה, בגוונא דההוא דאמר, ויאמר אלקים נעשה אדם.

170. קמו כלהו חבריאי, ואמרו רבי, הב לנא רשו, למללא בהאי אתר, אמרו, והא לא אוקמת לעילא דעלת העלות אמר לכת"ר נעשה אדם, אמר לון הוו שמעין אודנייכו, מה דפומכון ממללן, והא לא אמרית לכו השתא, דאית דאתקרי עלת העלות, ולא איהו ההוא דאתקרי, עלת על כל עלות, דלעלת על כל עלות לית ליה תניינא, דנטיל עצה מניה, דאיהו יחיד קדם כלא, ולית ליה שותפו.

171. ובגין דא אמר, ראו עתה כי אני אני הוא ואין אלקים עמדי, דנטיל עצה מניה, דלא אית ליה תניינא, ולא שותפא, ולא חושבנא, דאית אחר בשתוף, כגון דכר ונוקבא, ואתמר בהון כי אחר קראתיו, אבל איהו, חד, בלא חושבן ולא שתוף, ובגין דא אמר ואין אלקים עמדי. קמו כלהו, ואשתטחו קמיה, ואמרו זבאה בר נש דמאריה אסתבם עמיה, לגלאה רזין טמירין, דלא הוו מתגליין למלאכיא קדישייא.

172. אמר לון חבריאי, אית לן לאשלמא קרא, דכמה רזין טמירין, אית בהאי קרא אני אמית ואחיה וגו', אני אמית ואחיה, בספירן אחיה, מסטרא דימינא חיי, ומסטרא דשמאלא מותא, ואי לא אסתבמן תרויהו בעמודא דאמצעיתא, לא אתקיים דינא, דאנון במותב תלתא כחדא.

173. At times, all three agree to execute judgment. Then an outstretched hand appears to accept those who repent. THAT HAND (HEB. YAD) IS EQUIVALENT TO FOURTEEN LETTERS: THE FOUR IN THE SIMPLE FORM OF THE Yud-Hei-Vav-Hei AND TEN IN THE FULLY SPELLED NAME, Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph. THE FOUR LETTERS ALLUDE TO THE SFIRAH OF KETER; THE OTHER TEN TO THE SFIRAH OF CHOCHMAH. This is the Shechinah, which is the right hand from the aspect of Chesed and the left hand from the aspect of judgment. IT IS ALSO CALLED THE hand of Yud-Hei-Vav-Hei from the aspect of the Central Column, THE ASPECT OF MERCY. THEREFORE, when a person repents, these fourteen letters save him from judgment. But when the cause high above all causes passes judgment, THE HAND IS NOT OUTSTRETCHED TO ACCEPT THE REPENTANT. ON THE CONTRARY, "neither is there any that can deliver out of my hand" (Devarim 32:39).

174. Furthermore, three times it has been said: "I" (Heb. Ani), spelled with the letters Aleph-Nun-Yud. "I's" in this verse have three times Aleph IN THEIR BEGINNING AND three times Yud IN THEIR ENDING. THE THREE YUDS are hinted at in THE COMBINATION OF THE NAME, WHICH ADDS UP TO 63: Yud-Vav-Dalet, Hei-Yud, Vav-Aleph-Vav, Hei-Yud. THE THREE ALEPHS ARE HINTED AT IN YUD-HEI-VAV-HEI, WHICH ADDS UP TO 45: Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph. The verse contains three Vavs ('and') IN "and I make alive..." "and I heal..." and "...and neither is..." THIS is also hinted by these TWO names.

175. Even with all THE MAJESTY in the verse, the friends have explained it concerning other Elohim, as it is written: "See now that I, even I, am he" applies to the Holy One, blessed be He, and His Shechinah, NAMELY ZEIR ANPIN AND HIS FEMININE PRINCIPLE. Of his feminine principle, it is said, "I am (Aleph-Nun-Yud)", NAMELY THE SHECHINAH; he, NAMELY THE HOLY ONE, BLESSED BE HE, called Vav-Hei-Vav. The phrase: "And there is no Elohim with me" ALLUDES TO Samael and the Serpent; THAT IS, OTHER ELOHIM. THEN IT WOULD BE KNOWN THAT SAMAEL AND THE SERPENT NEVER CAME BETWEEN THE HOLY ONE, BLESSED BE HE, AND HIS SHECHINAH. "I kill, and I make alive" MEANS THAT THEN IT SHALL BE KNOWN THAT I kill with my Shechinah whoever is guilty and "I make alive" with her whoever is innocent. The verse: "Neither is there any that can deliver out of my hand..." (Devarim 32:39). refers to the hand (Heb. yad), of Yud-Hei-Vav-Hei, which has a numerical value of fourteen; THE FOUR LETTERS OF Yud-Hei-Vav-Hei SIMPLY SPELLED AND THE TEN LETTERS OF THE FULLY SPELLED NAME WITH ALEPHS, AS Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph; and it is also THE FOURTEEN LETTERS IN THE NAMES Kaf-Vav-Zayin-Vav, Bet-Mem-Vav-Kaf-Samech-Zayin, Kaf-Vav-Zayin-Vav. All the explanations are true: THE FIRST EXPLANATION, THE SECOND ONE, AND THE ONE THAT THE FRIENDS OFFERED ABOUT THE VERSE. But what is said before is that it is the Cause of causes--which is the Cause high above all other-- WHO SAID, "I, I AM HE"? (DEVARIM 32:39) This secret was not even revealed to all the sages and prophets. IT WAS REVEALED ONLY TO THE CHOSEN FEW AMONG THEM.

176. Come and behold how many causes, NAMELY GRADES, are concealed AND NOT KNOWN. They are en clothed and enveloped by the Sfirot, which are Chariots to them. JUST AS A CHARIOT MANIFESTS THE EXISTENCE OF ITS DRIVER, SO THE SFIROT MAKE VISIBLE THE GRADES THAT ARE EN CLOTHED WITH THEM. These causes are hidden from the thoughts of man. Of them, it is written: "For there is a high one that watches over him that is high" (Kohelet 5:7). The lights become brighter AS EACH HIGHER LIGHT IS BRIGHTER THAN ITS NEIGHBOR. So the recipients are dimmer than those above them are because they are the recipients, AND THAT WHICH IS LOWER THAN ITS NEIGHBOR IS DIMMER THAN ITS NEIGHBOR. No light can bear the presence of the Cause of causes, because all lights are darkened AND ARE DIMINISHED before it.

bring man into being, when it is already known that he will sin? Rabbi Shimon explains that when The Creator foresaw the sins of man, He in His infinite wisdom provided man with the power of repentance. But the students then ask their teacher the next logical question: Why did the Creator go to the bother to create evil and repentance? Why not just eliminate evil altogether? Rabbi Shimon explains that we were created with the ability to perfect ourselves through free will, choosing not to respond to our evil urges.

This the only true way to fully evolve the God-like nature within our soul. We must be responsible for our own elevation and growth. During those times when we fail to use our free will and succumb to evil tendencies, repentance allows us to restore the Light we've lost.

This passage itself provides an opportunity to repent and change our ways. These sacred Hebrew letters, together with a genuine desire to change, can cleanse us of all negative tendencies. The only requirement is complete trust in the power of the holy Zohar.

177. Another explanation of THE VERSE, "Let us make man in our image, after our likeness..." (Bereshheet 1:26) was given by the friends as referring to the ministering angels who spoke this phrase TO THE HOLY ONE, BLESSED BE HE. RABBI SHIMON said to them: Since the angels already know the present and the future, they already knew that man was destined to sin. Why then did they want to make man?

178. Not only that, but THE ANGELS Aza and Azael also opposed the creation of man. When the Shechinah said to the Holy One, blessed be He, "Let us make man", they responded, "What is man that you take knowledge of him?" (Tehilim 144:3). Why do You wish to create man when You know that he shall definitely sin before you, with his wife, who represents darkness, because the light is the male and darkness is the feminine principle. SHE IS the Left COLUMN, WHICH IS CONSIDERED the darkness of creation. At that moment, the Shechinah said to them: You are destined to fall by the same reasoning that you denounce, as it is written: "That the sons of Elohim saw that the daughters of man were fair" (Bereshheet 6:2), so they went astray after them. And the Shechinah took away them from their holy state.

179. The friends said, Rabbi, Rabbi, Aza and Azael did not lie, AND THE SHECHINAH SHOULD HAVE ANSWERED THEIR ARGUMENTS, because man (Adam) definitely was destined to sin by his feminine principle AS AZA AND AZAEL SAID, AS WRITTEN "THE WOMAN WHOM YOU DID GIVE TO BE WITH ME, SHE GAVE ME OF THE TREE, AND I DID EAT" (BERESHEET 3:12). He replied: This is what the Shechinah said, You, AZA AND AZAEL, have laid accusations before me that go beyond those of all the hosts above. If you were better than man in your actions, you would have had a right to accuse him, but man is destined to sin only with one woman while you are destined to sin with many women. Therefore, your sins are greater than those of human beings, as it is written: "The sons of Elohim saw the daughters of man." It is not written: 'the daughter of man,' but rather "the daughters of man", WHICH MEANS THAT THERE WERE MANY WOMEN. As man sinned, I prepared atonement for him to amend his sin, AS REPENTANCE TAKES PRECEDENCE IN THE WORLD. BUT FOR THE ANGELS, ATONEMENT HAS NO EFFECT AT ALL.

180. The friends asked, if so, why all this? IN OTHER WORDS, IF THE REASON FOR CREATING MAN WAS TO ENABLE HIM TO REPENT AND ATONE FOR HIS SIN, THEN WHY ALL THIS? IT WOULD HAVE BEEN BETTER HAD DARKNESS NOT BEEN CREATED IN THE FEMININE PRINCIPLE AND MAN NOT SINNED AT ALL. Rabbi Shimon replied: If the Holy One, blessed be He, had not created the evil and good inclinations, which are light and darkness, there would not have been any precepts or transgressions for the man of Briyah. So man was created with both LIGHT AND DARKNESS, as it is written: "See, I have set before you this day life and good, and death and evil" (Devarim 30:15). THIS IS WHY PRECEPTS AND TRANSGRESSIONS APPLY TO MEN AND WHY MEN ARE PRESENTED WITH THE CHOICE BETWEEN GOOD AND EVIL. They asked: why all this? Better had He not created darkness. Then man would have no reward or punishment AS OPPOSED TO BEING CREATED AND HAVING TO SIN, THEREBY CAUSING MUCH DAMAGE AND DESTRUCTION.

181. He answered: It was right to create him thus WITH LIGHT AND DARKNESS, because the Torah was created for the sake OF MAN, for it contains punishments for the sinful and rewards for righteous. Thus, there can be no reward for the righteous or punishment for the sinful without the man of Briyah, WHO CONSISTS OF LIGHT AND DARKNESS. IT IS WRITTEN: "He did not create it a wasteland (lit. 'formless'), he created it to be inhabited" (Yeshayah 45:18). THE WORLD WAS NOT CREATED TO BE FORMLESS, TO BE IN DARKNESS BECAUSE OF THE SINFUL, BUT "TO BE INHABITED", WHICH MEANS FOR THE SAKE OF REWARDING THE RIGHTEOUS. THIS REWARD IS THE CONCEPTION OF THE TORAH, AS IT IS WRITTEN: "FOR THE EARTH SHALL BE FULL OF THE KNOWLEDGE OF HASHEM" (YESHAYAH 11:9), FOR THE TORAH AND THE HOLY ONE, BLESSED BE HE, ARE ONE AND THE SAME. HAD MAN NOT BEEN CREATED BY LIGHT AND DARKNESS, WHICH ENABLE HIM TO CHOOSE BETWEEN GOOD AND EVIL AND REWARD AND PUNISHMENT, THEN THERE WOULD HAVE BEEN NO WAY TO REVEAL THIS REWARD FOR THE RIGHTEOUS. THIS REWARD REFERS TO WHAT IS ATTAINED FROM THE TORAH THAT WAS CREATED FOR HIS SAKE. THE FRIENDS said, Indeed, we have certainly now heard what we had never heard before. It is now clear that the Holy One, blessed be He, did not create anything that He did not require.

182. Furthermore, the Torah of Briyah, WHICH CONSISTS OF LIGHT AND DARKNESS AND REWARD AND PUNISHMENT, is the clothing of the Shechinah. If man had not been created, the Shechinah would have remained without clothing, like a pauper WHO HAS NO CLOTHES. Therefore, whoever sins acts as if he is stripping the Shechinah of her garments. This is the punishment for the man WHO SINS.

183. Whoever performs the precepts of the Torah acts as if he is dressing the Shechinah in her garments. According to this, THE VERSE about the garment of the Tzitzit reads, "For that is his only covering, it is his raiment for his skin: in what shall he sleep?" (Shemot 22:26). THIS APPLIES DURING THE PERIOD in exile, BECAUSE THEN THE SHECHINAH, DUE TO THE SINS OF YISRAEL, LOST HER GARMENTS. Come and behold: Darkness is THE SECRET OF black in the Torah (THE BLACK INK WITH WHICH THE LETTERS ARE WRITTEN). Light is the white in the Torah, REFERRING TO THE PARCHMENTS ON WHICH THE LETTERS ARE WRITTEN.

17. "A prayer of the poor"

The most important benefit of prayer is its ability to remove all negative and egocentric attributes from human nature. This power of a prayer is activated when our consciousness is imbued with humility and a sense of spiritual poverty. We can attain these qualities by perusing this section with an open heart.

184. If the prayer is not complete, many angles of destruction pursue it, as it is written: "All her prosecutors overtook her within the straits" (Eichah 1:3). This is why people pray, "But he was full of compassion, forgiving iniquity..." (Tehilim 78:38) AGAINST THE FOUR KLIPOT. "INIQUITY" REFERS TO Samael, who is the Serpent; "and he did not destroy" alludes to the destroyer; "often he turned away his anger" refers to THE KLIPAH CALLED anger; and "not stirring up all his wrath" refers to THE KLIPAH CALLED wrath. AND WE PRAY that these FOUR KLIPOT do not pursue the prayer, as many angels of destruction are attached to these KLIPOT. There are seven ministers, who have 70 more attached to them. Those 70 bring allegations in each and every firmament through which the prayer passes and 700 million angels of destruction are attached to them.

185. If the prayer ascends in perfection, with the precept of covering of TALIT AND Tfilin of the head and of the arm, it is said of them: "All the peoples of the earth shall see that you are called by the name of Hashem; and they shall be afraid of you" (Devarim 28:10). The phrase: "The name of Hashem" has already been explained as the Tfilin of the head. Whoever sees the name Yud-Hei-Vav-Hei over the head in the prayer, which is the NAME Adonai, shall immediately flee, as it is written: "A thousand shall fall at your side" (Tehilim 91:7).

186. Because Ya'akov saw through the Holy Spirit the oppression of the last exile, in the end of days, it is said of him, "Ya'akov was greatly afraid and distressed" (Beresheet 32:8). As a result, he divided the holy nation in exile into three parts, as it is written: "And he put the handmaids and their children foremost" (Beresheet 33:2). THIS MEANS at first in the exile of Edom, "and Leah and her children after, and Rachel and Yosef last of all." Because he saw their eventual poverty and suffering, HE PRAYED FOR THEM: "So that I come back to my father's house in peace" (Beresheet 28:21), SO THAT THEY MAY HAVE THE MERIT TO BE REDEEMED AND RETURN TO THE TEMPLE. He said IN PRAYER: "And will give me bread to eat, and clothing to wear" (Ibid.), THAT THE KLIPOT WILL NOT OVERCOME THEM TO STOP THEIR ABUNDANCE.

187. Because of this exile, David described THE SHECHINAH AS "hungry, and weary, and thirsty, in the wilderness" (II Shmuel 17:29), because he saw the Shechinah desolate and withering and then joined in her sorrow. After he saw that the children of Yisrael repented with joy, he composed ten types of psalms. At the end of them all, he said, it is written: "A prayer of the afflicted (lit. 'poor'), when he faints..." (Tehilim 102:1). This prayer encompasses all other prayers AND ASCENDS BEFORE ALL OTHER PRAYERS. THE OTHER PRAYERS, SUNG WITH A MELODY, ARE DELAYED IN BEING PRESENTED BEFORE THE KING, AND DID NOT ENTER, UNTIL THE PRAYER OF THE POOR DOES. This is why THE PRAYER OF the poor comes before all the others.

188. HE ASKED: Which is the prayer of the poor? HE ANSWERED: It is the evening prayer, WHICH IS THE FEMININE PRINCIPLE WHEN SHE IS ON HER OWN WITHOUT HER HUSBAND. Since she is without her husband, she is poor and withered, LACKING ALL ABUNDANCE, and may be taken freely by anyone, MEANING THAT ANYONE MAY ENSLAVE HER FOR HIS OWN PURPOSES. The Righteous is withered and poor. This refers to the seed of Ya'akov, which is under the rule of all nations of the world; THAT IS, ALL NATIONS ENSLAVE THEM AND RULE OVER THEM. This is similar to the evening prayer, because it is the aspect of night in the exile. JUST AS THE FEMININE PRINCIPLE IN THE ASPECT OF THE EVENING PRAYER IS FREE FOR THE TAKING BY ALL, THE DESCENDANTS OF YA'AKOV IN EXILE ARE UNDER THE RULE OF THE NATIONS OF THE WORLD.

189. The prayer of Shabbat is a charity given to the poor as the sages of the Mishnah explained that the sun during Shabbat is charity given to the poor. Therefore, on all weekdays, a person should make himself a pauper at the gate of the King during the prayer of Amidah for the sake of the Shechinah, WHICH MEANS THAT HE SHOULD PARTICIPATE IN THE SORROW OF THE SHECHINAH AS DID DAVID. He should cover himself with the proper vestments, NAMELY TALIT WITH TZITZIT, as a poor man stands at the gate to the temple OF THE KING, who is Adonai, because THE NUMERICAL VALUE OF 'ADONAI' adds up to that of 'temple' (Heb. heichal). This is WHY IT IS SAID, "Adonai, open my lips..." (Tehilim 51:17).

185. וְאֵי צְלוֹתָא סְלֵקָא שְׁלִימָא, בְּעֵטוּפָא דְמִצְוָה וְתַמְלִיךְ עַל רִישָׁא וְדַרְוּעָא, אֲתַמַּר בְּהוּ וְרָאוּ כָל עַמֵּי הָאָרֶץ כִּי שֵׁם הוּי"ה נִקְרָא עֲלֵיךְ וַיִּרְאוּ מִמֶּךָ. שֵׁם ה' אֹקְמוּהָ דְאִיהִי תַמְלִיךְ דְרִישָׁא, וּמֵאֵן דְחִזֵּי שֵׁם הוּי"ה עַל רִישָׁא בְּצְלוֹתָא, דְאִיהִי אֲדַנִּי, מִיַּד כְּלָהוֹן בְּרַחֵן הַה"ד יַפּוּל מִצְדָּךְ אֶלְף וְגו'.

190. When a person opens his lips DURING THE WEEKDAYS at the evening prayer, an eagle descends to carry the prayer of the night upon its wings. THIS EAGLE IS CALLED Nuriel. It is called Uriel from the aspect of Chesed and Nuriel from the aspect of Gvurah, which is a burning fire about which it is written: "A fiery stream issued and came forth" (Daniel 7:10).

191. During the morning prayer, the lion descends to receive the prayer with its four arms and wings - as every living creature has four wings. This is THE ANGEL Michael. During the afternoon prayer, the ox descends to receive the prayer with its horns and wings, and this is THE ANGEL Gavriel.

192. On Shabbat, the Holy One, blessed be He--ZEIR ANPIN--descends with the three Patriarchs--CHESED, GVURAH, AND TIFERET--to receive his only daughter through them, REFERRING TO THE PRAYER WHICH IS THE FEMININE PRINCIPLE. This is the secret of the Shabbat WHICH CONSISTS OF Shin and Bat (daughter). THE THREE LINES OF THE LETTER SHIN REFER TO THE THREE PATRIARCHS. THROUGH THEM, THE HOLY ONE, BLESSED BE HE, RECEIVES THE PRAYER, SHABBAT, HIS ONLY DAUGHTER. At that time, the celestial living creatures that are called by the name Yud-Hei-Vav-Hei say, as it is written: "Lift up your heads, O you gates; and lift them up, you everlasting doors; that the King of glory may come in" (Tehilim 24:9).

193. At this time, seven chambers are opened. The first chamber is the chamber of love, the second is the chamber of awe, the third is the chamber of mercy, the fourth is the chamber of prophecy FROM THE ASPECT of the shining mirror, the fifth is the chamber of prophecy FROM THE ASPECT of the opaque mirror, the sixth is the chamber of justice and the seventh chamber is in the chamber of judgment. THESE CHAMBERS CORRESPOND TO THE SEVEN SFIROT. THE CHAMBER OF LOVE IS CHESED, AWE IS GVURAH, MERCY IS TIFERET, THE SHINING MIRROR IS NETZACH, THE OPAQUE MIRROR IS HOD, JUSTICE IS YESOD AND JUDGMENT IS MALCHUT.

194. About them, it is written: "Beresheet" which consists of Bara Sheet (lit. 'created six'), ALLUDING TO THE CREATION OF THE SIX CHAMBERS; and Elohim is in the seventh chamber. There are seven chambers below, and seven chambers above. The seven voices that correspond to them APPEAR IN THE PSALM, "Ascribe to Hashem" (Tehilim 29:1), which includes eighteen mentions OF THE NAME YUD-HEI-VAV-HEI. By these mentions, the Holy One, blessed be He, glides through eighteen worlds ACCORDING TO THE SECRET OF THE VERSE: "The chariots of Elohim are twice ten thousand, thousands upon thousands..." (Tehilim 68:18) and there are 180,000 worlds. Many guardians of the gates stand before the chambers to receive the prayers and no prayer enters without being measured and weighed.

195. No one can stand before the gate of prayers AND PREVENT ANY PRAYER FROM ENTERING. Of such a one it is written: "They shall not be put to shame, but they shall speak with the enemies in the gate" (Tehilim 127:5). This is the gate of the King, NAMELY THE GATE OF THE CHAMBER. Since the prayer is a precept and is the Shechinah, NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN, and the Torah is the Holy One, blessed be He, NAMELY ZEIR ANPIN, they must not be separated. The Torah and the precept should be elevated through love and awe. All the precepts, positive and negative, derive from the name Yud-Hei-Vav-Hei as this secret has been explained. The letters in "my name (Heb. Shmi)" together with the letters Yud-Hei ADD UP TO 365 negative precepts, and "my memorial (Heb. Zichri)" (Shemot 3:15) together with the letters Yud-Hei ADD UP TO 248 positive precepts. So here IN THE NAME YUD-HEI-VAV-HEI, there are 365 NEGATIVE PRECEPTS and 248 POSITIVE PRECEPTS, NAMELY 365 FROM THE LETTERS YUD-HEI AND 248 FROM THE LETTERS VAV-HEI. HENCE, ALL 613 PRECEPTS EXTEND FROM THE NAME YUD-HEI-VAV-HEI.

196. There are the 248 words in Kriat Shma that were given in love and awe, and that are contained in the letter Hei OF THE NAME YUD-HEI-VAV-HEI. Therefore, THE BLESSING: 'He who chooses his nation Yisrael with love,' is RECITED BEFORE THE SHMA PRAYER TO INDICATE THAT WE DRAW SOLELY THE ASPECT OF LOVE, WHICH IS THE SECRET OF THE 248 POSITIVE PRECEPTS. These 248 POSITIVE PRECEPTS are included within Avraham, BECAUSE THE NUMERICAL VALUE OF AVRAHAM EQUALS 248 AND HE IS THE ASPECT OF LOVE. It is written of him: "The seed of Avraham my friend" (Yeshayah 41:8).

197. NOTE: THIS PARAGRAPH STARTS IN THE MIDDLE OF THE ISSUE. Tfilin symbolize strength, as they were given from the aspect of awe, which is the left. This is THE NAME the fear of Yitzchak, because all the prosecutors ascend to demand all the judgments THROUGHOUT THE WORLDS. Thus, it is written: "And by the arm of his strength" (Yeshayah 62:8), which refers to the Tfilin BECAUSE Yud-Hei is the aspect of awe and Vav-Hei is the aspect of love. This is why it is written: "Love Hashem, all his pious ones" (Tehilim 31:24). BUT Tiferet of Yud-Hei-Vav-Hei comprises all, AS IT IS THE CENTRAL COLUMN, WHICH INCLUDES THE OTHER TWO COLUMNS, AVRAHAM WHO IS VAV-HEI AND YITZCHAK WHO IS YUD-HEI. Hence it says of Ya'akov, "And, behold, Hashem stood above it" (Beresheet 28:13). THIS WAS NOT MENTIONED IN RELATION TO AVRAHAM OR YITZCHAK, BECAUSE YA'AKOV IS THE ASPECT OF TIFERET, WHICH IS ALL - INCLUSIVE, SINCE IT IS THE CENTRAL COLUMN. WHEN CALLED BY THE NAME YA'AKOV, HE INCLUDES THE ATTRIBUTE OF AVRAHAM, VAV-HEI, AND THE 248 POSITIVE PRECEPTS. Later, when he was called Yisrael, he was elevated through Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph. The secret of YUD-HEI-VAV-HEI, FULLY SPELLED WITH ALEPH, APPEARS IN THE EXPRESSION THAT Yisrael was thought of to be created because thought (Heb. machshavah) consists of the letters Chashav-Mah (he thought of Mem-Hei). MEM-HEI REFERS TO YUD-HEI-VAV-HEI, FULLY SPELLED WITH ALEPH in which the holy name lies. Because of Ya'akov, who is called Yisrael, it is written: "So Elohim created man in his own image" (Beresheet 1:27) after the likeness of his Master.

198. Children, longevity and sustenance are DRAWN DOWN TO THE LOWER BEINGS ONLY through the aspect of the Central Column, about which it is written: "Yisrael is my son, my firstborn" (Shemot 4:22). This is the Tree of Life, AS IT IS WRITTEN: It is a tree "with food for all" (Daniel 4:9). And for the Shechinah, WHICH DWELLS AMONG THE LOWER BEINGS ONLY, the children of Yisrael below are considered her life, the Torah her sustenance, and prayer an offering--WHICH OFFERS THE SHECHINAH FOR A UNION WITH ZEIR ANPIN. During the exile, it is said THAT THE SHECHINAH SAID TO HER HUSBAND, ZEIR ANPIN, "Give me children, or else I die" (Beresheet 30:1).

199. The Shechinah is an offering for the Holy One, blessed be He, which he receives with both the right and the left arm, and with the body. HIS MATING WITH HER IS ACCOMPLISHED BY THE RIGHTEOUS, WHO IS YESOD THAT IS CALLED THE SIGN. THIS IS THE SIGN OF THE TFILIN, OF SHABBAT AND OF THE HOLIDAYS. So when PRAYER, WHICH IS THE SHECHINAH, ascends to ZEIR ANPIN, she should be joined with him with all ten Sfirot, because there can be no holiness with fewer than ten, which is his own holiness--HIS BLESSING AND UNITY. Therefore, when a person wishes his prayer to ascend, he should raise it with all the vowels, NAMELY THE VOWELS OF THE CANTILLATION MARKS AND THE DOTS--BECAUSE THE LETTERS ARE THE HORSES, THE VOWELS THE HORSEMEN, AND THE CANTILLATION MARKS THE WEAPONS. If the Serpent plans on disrupting the prayer, one should prepare a slingshot against it, and the secret behind its issue lies in Search, Maker, Shofar Holech, Segolta IN THE FOLLOWING ARTICLE.

18. The slingshot

The higher spiritual atmospheres are teeming with negative angels and other entities. These create obstructions to prevent our prayers from reaching their intended destinations. As a result, our prayers may go unanswered. The Zohar reveals a complex process that propels our prayers onto their designated target. Simply by scanning these verses, we can provide our prayers with the necessary assistance to penetrate all the upper worlds and to reach our Creator, the true source of all blessings.

200. Rabbi Shimon opened the discussion saying: Listen, all you celestial beings. Gather, all you earthly beings, the masters of the Yeshivah above and below. Eliyahu, upon an oath, ask permission from the Holy One, blessed be He, to come down here because a great battle awaits you. Come down, Chanoch Matatron, you and all the masters of the Yeshivot under your supervision. I did not do this for my glory, but for the glory of the Shechinah.

200. פֶּתַח רַבִּי שְׁמַעוֹן וְאָמַר, עֲלֵינִי שְׁמַעוּ, תְּתַאֲוִן אֶתְכַנְשׁוּ, אֵלֶינִי מֵאֵרֵי מִתִּיבְתָא דְלַעִילָא וְתַתָּא. אֵלֵיהּ בְּאוּמָאָה עֲלֵךְ, טוֹל רֶשׁוּ וְנַחִית הֵכָא, דְּהָא קָרְבָא סְגִיָּאָה אֲזִדְמֵן. חָנוּךְ מִמְנָא נַחִית הֵכָא, אַנְתָּ, וְכָל מֵאֵרֵי מִתִּיבְתָא דְתַחוּת יַדְךָ, דְּלָא לִיקְרָא דִּילֵי עֲבִידנָא, אֶלָּא לִיקְרָא דְשְׁכִינְתָּא.

201. RABBI SHIMON began again EXPLAINING ZARKA, MAKAF, AND SO ON, saying: Assuredly by the cantillation mark, Zarka, the prayer should be elevated to that known place, just as one aims the stone in a slingshot. Just as one aims the stone carefully, so as not to miss the target, so should thought be elevated with devotional prayer TO THAT CROWN, which is the crowned and all-inclusive stone. Of this, THE FEMININE PRINCIPLE, it is said that whoever stands upright should stand upright with the mention of the Name. THIS MEANS THAT THE FEMININE PRINCIPLE SHOULD BE ELEVATED TO THAT PLACE FROM WHICH SHE WAS TAKEN.

201. פֶּתַח בְּמִלְקַדְמִין, וְאָמַר, זֶרְקָא, וְדַאי בְּמִיתָךְ לְסַלְקָא צְלוֹתָא לְהוּוּא אַתְרֵי יָדִיעַ, כְּמָה דְּהֵוּוּא אֲבָנָא דְקִירִטָא, דְּאֲזַדְרִיקַת לְאַתְרֵי יָדִיעַ, הֵכִי צְרִיךְ לְסַלְקָא מִחֻשְׁבְּתֵיהּ, בְּצְלוֹתֵיהּ בְּהֵיָא תְּגָא אֲבָן מוּכְלָלַת וּמַעוּטְרַת, דְּאֲתַמַּר בָּהּ כָּל הַזּוֹקֵף זּוֹקֵף בְּשֵׁם, דְּצְרִיךְ לְסַלְקָא לָהּ תַּמָּן.

202. In that place, where he elevates her to her husband, REFERRING TO THE LEVEL EQUAL TO THE CROWN OF HER HUSBAND, one should not stop praying, even though a snake is wound around his feet and even though it is written: "And you shall bruise his heel" (Bereshheet 3:15). Nevertheless, the stone is hinted at by the letter Yud in Ya'akov, WHICH IS COMPOSED OF YUD AND AKEV (HEEL), as it is written: "From thence from the shepherd, the stone of Yisrael" (Bereshheet 49:24). One should not stop ELEVATING HER to that place from where she was taken. One should elevate her from the Central Column to the Endless. When he brings her down FROM THE ENDLESS, it is said of him: Whoever kneels, kneels with the mention of 'Baruch' (May he be blessed), because he should bring her up to the Infinite endlessly, and not cause any separation between her AND ZEIR ANPIN above or below.

202. וּבְהוּוּוּוּ אַתְרֵי דְסַלִּיק לָהּ לְגַבֵּי בַעֲלָהּ, אֲמִילוּ נַחֵשׁ כְּרוּךְ עַל עַקְבוֹ לֹא יַפְסִיק, אִף עַל גֵּב דְּאֲתַמַּר בֵּיהּ וְאֵתָהּ תְּשׁוּפְנוּ עֵקֵב, הֵיָא אֲבָן, דְּאֵיָהּ י' דִּיעֵקֵב, דְּאֲתַמַּר בָּהּ מִשֵּׁם רוּעָה אֲבָן יִשְׂרָאֵל, לֹא יַפְסִיק, וְצְרִיךְ לְסַלְקָא עַד אֵין סוּף, וְכַד נַחִית לָהּ אֲתַמַּר בֵּיהּ, כָּל הַכּוֹרֵעַ, כּוֹרֵעַ בְּכּוֹרֵעַ, דְּצְרִיךְ לְנַחֲתָא עַד אֵין תְּכַלִּית, וְלֹא יַפְסִיק מִנֵּיהּ, לֹא לְעֵילָא וְלֹא לְתַתָּא.

203. Sometimes he is her husband ACCORDING TO THE SECRET OF the letter Vav THAT ALLUDES TO YESOD, the Righteous who includes six parts of the two legs, NETZACH AND HOD. Then she, THE FEMININE PRINCIPLE, descends toward him FOR THE PURPOSE OF MATING ACCORDING TO THE SECRET of the two legs, NETZACH AND HOD. But at other times, he is her husband ACCORDING TO THE SECRET OF the letter Vav THAT ALLUDES TO TIFERET, which includes six parts of the two arms--THE BEGINNING, MIDDLE AND END OF CHESED AND GVURAH. Then THE FEMININE PRINCIPLE GROWS AND ascends through the two arms. At other times, ZEIR ANPIN is her husband AND STANDS between Aba and Ima. THIS IS WHEN HE IS CALLED the son of Yud-Hei, and THE FEMININE PRINCIPLE should be elevated there to him FOR MATING. At other times, HER HUSBAND IS KETER WITH the letter Vav inserted between the two letters Yud, like this: Aleph. Then THE FEMININE PRINCIPLE should be elevated to him, AS SHE GROWS WITH HIM AND REACHES EXACTLY THE SAME LEVEL AS HE DOES, NAMELY THE LEVEL OF KETER. When THE FEMININE PRINCIPLE ascends TO KETER, it is written of her, "The stone which the builders rejected has become the head stone of the corner" (Tehilim 118:22).

203. לְזַמְנִין אֵיהּ בַעֲלָהּ ו' בְּצַדִּיק, בְּשִׁית פְּרָקִין דְּתַרִּין שׁוֹקִין, נַחַת לְגַבֵּהּ בְּתַרִּין שׁוֹקִין. לְזַמְנָא אֵיהּ בַעֲלָהּ ו' בְּתַרִּין, שִׁית פְּרָקִין דְּסַלִּיקַת לְגַבֵּיהּ בְּתַרִּין דְּרוּעִין, לְזַמְנִין אֵיהּ בֵּן אָבָא וְאֵמָא, בֵּן י"ה, צְרִיךְ לְסַלְקָא לְעֵילָא לָהּ, וְכַד סַלְקַת תַּמָּן, לְזַמְנִין אֵיהּ בְּהַפּוּכָא ו' וּבֵין י' ו' כְּגוּוּנָא דָא א' צְרִיךְ לְסַלְקָא לְגַבֵּי דְאֲתַמַּר בָּהּ אֲבָן מֵאִסּוֹ הַבּוֹנִים הֵיָתָה לְרֵאשׁ פְּנֵה.

204. When she rises up to the Head of all Heads--NAMELY THE UNKNOWN HEAD, THE SECRET OF THE ENDLESS--the angels ask, 'Where is the place of His Glory to admire Him?' And when THE FEMININE PRINCIPLE rises TO ZEIR ANPIN, WHEN SHE IS in the form of Aleph, she becomes Keter, a crown on the head of the Aleph. When she descends FROM WHEREVER SHE WAS, NAMELY IN THE ALEPH, SHE BECOMES a point underneath THE LETTER VAV WITHIN THE ALEPH. So when THE FEMININE PRINCIPLE rises, she is called a crown according to the secret of the intonations, and when she descends, she is called a point. When she mates with ZEIR ANPIN, it is in the form of the vowel Shuruk. When she is a crown on the head OF ZEIR ANPIN, she is named after the letter Zayin, AS THE FORM OF VAV IS ZEIR ANPIN AND THE FEMININE PRINCIPLE IN THE CROWN ON HIS HEAD IS ZAYIN. The sign of the covenant, WHICH IS YESOD OF ZEIR ANPIN, consists of this LETTER ZAYIN, because it is the seventh letter in all.

205. Indeed, this stone--NAMELY MALCHUT, WHICH IS THE SECRET OF THE FEMININE PRINCIPLE--is the construction for all the worlds. Because of this, IT IS WRITTEN OF HER, "But you shall have a perfect and just weight (lit. 'stone')..." (Devarim 25:15). She is a measurement between each and every Sfirah, and every Sfirah amounts with her to ten SFIROT. Her size is the letter Vav. Through her, every cubit between each and every Sfirah becomes ten cubits. This is the secret of the verse: "Ten cubits shall be the length of a board" (Shemot 26:16) and between them all, she ADDS UP TO 100 SFIROT. She is ten between every Sfirah and ten multiplied by ten totals one hundred, and when THE WORD Me'ah ('one hundred') is reversed, IT BECOMES amah (one cubit).

206. Each and every measurement THAT MALCHUT MEASURES is called a World; THAT IS, A GRADE OF ITS OWN. Every one is a Yud and a Vav THAT SHOW a size and a measurement. The Vav is the weight OF THE LIGHT and the Yud is the measurement of it. The size of the measurement is five cubits long and five cubits wide. This corresponds to the size of every firmament, which is 500 parasangs long and five hundred parasangs wide. This is THE SECRET OF the two Heis IN THE NAME YUD-HEI-VAV-HEI; THE FIRST HEI ALLUDES TO WIDTH AND THE LOWER HEI TO LENGTH, AS EXPLAINED ELSEWHERE.

207. So here you have the stature of Zeir Anpin in the letters Yud-Hei-Vav-Hei, because the letter Vav ALLUDES TO Tiferet of the heavens, NAMELY TIFERET OF ZEIR ANPIN. Its five firmaments--NAMELY, THE LAST HEI OF YUD-HEI-VAV-HEI, WHICH HAS A NUMERICAL VALUE OF FIVE--are called "the (Heb. Hei) heavens." THIS IS THE ADDITIONAL HEI THAT INDICATES the five firmaments included in 'the heavens.' The upper five FIRMAMENTS are CALLED the 'heavens of the heavens.' These are Hei-Hei OF YUD-HEI-VAV-HEI, BECAUSE THE FIRST HEI ALLUDES TO THE UPPER FIRMAMENTS AND THE SECOND HEI ALLUDES TO THE LOWER FIRMAMENTS. The letter Vav is their sixth FIRMAMENT. VAV OF YUD-HEI-VAV-HEI IS TIFERET, WHICH INCLUDES THE FIVE FIRMAMENTS. IT ITSELF IS CONSIDERED THE SIXTH FIRMAMENT. Yud OF YUD-HEI-VAV-HEI IS THE SECRET OF MALCHUT, WHICH BECOMES the seventh FIRMAMENT, and seven plus seven total fourteen. Here are those lands, seven upon seven lands that cover each other like rings of an onion, WHICH SURROUND EACH OTHER ON ALL SIDES. And the two eyes are their hints, BECAUSE THE THREE COLORS--WHITE, RED AND GREEN--ARE EQUIVALENT TO CHESED, GVURAH AND TIFERET. ITS WHITE COLOR IS CHESED, ITS RED STREAKS ARE GVURAH AND ITS GREEN HUE IS TIFERET. THE TWO EYELIDS ARE NETZACH AND HOD, THE EYE ITSELF IS YESOD AND THE BLACK DOT IS MALCHUT.

208. The Yud IN THE NAME YUD-HEI-VAV-HEI is called a small, or short, world. The Vav IN YUD-HEI-VAV-HEI, WHICH IS TIFERET, is the long world. Whomever wishes that his desires be fulfilled by the long world should pray at length, and whoever prays to the short world should pray quickly. Therefore, it has been explained that in a place where they are told to make it short, REFERRING TO THE LETTER YUD, a person should not pray at length. To pray quickly IS LIKE THE PRAYER OF MOSHE, WHO RECITED THE FOLLOWING SHORT PRAYER, "Heal her now, El, I pray you" (Bemidbar 12:13), AS HE ADDRESSED the letter Yud, WHICH IS THE SMALL, OR SHORT, WORLD.

209. THE PLACE WHERE IT WAS RECOMMENDED that one should pray at length--DURING TIMES WHEN ONE IS NOT ALLOWED TO CURTAIL THE PRAYER--STEMS FROM AN ASPECT OF THE LETTER VAV, as in 'to fall down,' AS MOSHE DID. THE VERSE: "And I fell down (Va'etnapal) before Hashem, as at the first..." (Devarim 9:18) IS RELATED TO THE LETTER PE, BECAUSE "40 days and 40 nights" ADD UP TO 80, WHICH IS THE NUMERICAL VALUE OF PE. SO ALL THIS RELATES TO THE SECRET OF THE LETTERS PE AND VAV, WHICH APPEAR IN THE HEBREW WORD 'VA'ETNAPAL'. Everything APPEARS IN THE TWO MemS, ONE OPEN MEM AND ONE CLOSED MEM, WITH THE Yud as a point in the middle, which forms the word Mayim (water). From the aspect of Chesed, one should pray at length.

210. In the holy name, Yud-Hei-Vav-Hei ascends to the fourth TUNE OF THE INTONATIONS. And one should prolong this intonation, WHICH IS THE FOURTH ONE OVER THE NAME OF YUD-HEI-VAV-HEI, which is the secret of the Teki'ah (long blowing of the Shofar). THE PLACE to make it short is at the aspect OF GVURAH, AT THE INTONATIONS of Shevarim (short blowings of the Shofar). THIS IS CALLED THE TEVIR (ARAM. BREAK) OF THE INTONATIONS. The middle, which is neither prolonged nor shortened, is THE SECRET OF Teru'ah (a succession of tremulous notes of the Shofar). This is the Central Column and IS THE SECRET OF THE INTONATION CALLED Shalsholet (lit. 'chain'), which chains both THE RIGHT AND LEFT COLUMNS, AS IT INTERTWINES THEM ACCORDING TO THE SECRET OF the holy Shekel.

211. Corresponding to the fourth INTONATION, which ascends BY THE INTONATION, there is the Cholam AMONG THE POINTS (VOWELS), WHICH IS ALSO RELATED TO CHESED. The Shevarim, OR THE TEVIR OF THE INTONATION, is equivalent to the POINT OF Sheva. In PRONOUNCING this, THE FOURTH TUNE, one should raise his voice and in PRONOUNCING the other, REFERRING TO THE TEVIR, WHICH IS GVURAH, one should lower his voice. Because of this, it is CALLED Shevarim (DERIVED FROM THE HEB. FOR 'BREAK') AS THE VOICE SHOULD BE LOWERED (LIT. 'BROKEN'). This is done in secret, as it is written of the lower Shechinah: "But her voice was not heard" (I Shmuel 1:13). Teru'ah is THE SECRET OF THE CENTRAL COLUMN, WHICH IS CALLED Shalsholet. This is ALSO THE SECRET OF the Yud, LOCATED BETWEEN THE TWO MEMS OF "40 DAYS AND 40 NIGHTS." This is THE SECRET OF Segolta AMONG THE INTONATIONS

212. RABBI SHIMON said: Zarka, Makaf, Shofar Holech, Segolta. The Point of the right, WHICH IS THE SECRET OF THE POINT OF CHOLAM AND CHESED, is 'Hashem reigns.' The point of the left, WHICH IS THE SECRET OF THE SHURUK OR SHEVA AND GVURAH, is 'Hashem reigned.' The point of the middle, WHICH IS THE SECRET OF THE POINT OF CHIRIK, TIFERET, is 'Hashem shall reign.' Rabbi Acha said: 'Hashem reigns' is the supernal world, 'Hashem reigned' is Tiferet and 'Hashem shall reign' is the Ark of the Covenant.

213. The Revi'i (fourth) OF THE CANTILLATION MARKS is for raising the voice, the Tevir of the cantillation marks is for lowering the pitch. Shalshelet holds to the two columns like a chain AND JOINS THEM TO EACH OTHER. It is like the Revi'i, with which one prolongs the word WITH MELODY. It is a point like the Cholam. There is no point AMONG THE POINTS that does not have a corresponding cantillation mark. For example, the vowel Segol corresponds to the Segolta intonation, the vowel Sheva corresponds to the intonation Zakef gadol. There is always a vowel corresponding to a cantillation mark for all those who know the hidden secrets.

19. He creates worlds and destroys them

The students ask Rabbi Shimon why God created so many thousands of worlds only to destroy them all. The Master explains that "worlds" is a code word that refers to all the souls of creation. "Destroying the worlds" refers to those souls who fail to walk a spiritual path and instead choose evil. These souls are the "worlds" who are eventually destroyed by their own impure actions.

Though many worthy spiritual paths have existed throughout history, they will eventually converge into the single path presented to humanity during the revelation on Mount Sinai. This realization is awakened in us by the spiritual truth that emanates from these passages.

214. "These are the generations of the heavens and the earth" (Beresheet 2:4). It has been established that wherever it is written: "These (Heb. Eleh)", it cancels everything that was mentioned before. So the use of the word "These" CONCEALS the generations of Tohu (without form), WHICH ALLUDES TO MALCHUT OF THE ASPECT OF JUDGMENT, hinted at in the verse: "And the earth was without form" (Beresheet 1:2). In reference to those GENERATIONS OF TOHU, it is said that the Holy One, blessed be He, created worlds and destroyed them, MEANING THAT IT WAS WITHOUT FORM BECAUSE HE DESTROYED THEM. Thus, it is written: "The earth was without form and void." BUT THE GENERATIONS OF "THESE", WHICH IS THE SECRET OF MALCHUT SWEETENED BY MERCY, SURVIVED.

214. אֵלֶּה תּוֹלְדוֹת הַשָּׁמַיִם וְהָאָרֶץ, הָא אֻקְמוּהָ, כֹּל

וּבּוֹהָה.

215. HE ASKED: Why did the Holy One, blessed be He, create the worlds IN THE FIRST PLACE, if He intended to destroy them? It would have been better had He not created them at all. But there certainly must be a secret here. What is the meaning of, 'He destroyed them'? It cannot be that the Holy One, blessed be He, destroyed the makings of His own hands. Furthermore, these are the heavens about which it is said, "For the heavens shall vanish away like smoke..." (Yeshayah 51:6). If it is so, then the Holy One, blessed be He, first created and then destroyed WHAT HE HAD CREATED, WHICH IS POSSIBLE FOR HUMAN BEINGS, BUT NOT FOR THE HOLY ONE, BLESSED BE HE.

215. אֵיךְ בְּרָא קְדוּשׁ בְּרוּךְ הוּא עֲלָמִין לְחֻרְבָּא לֹון,

216. The secret is that the Holy One, blessed be He, created the world by the Torah, as it is written: "In the beginning" (Beresheet 1:1), WHICH IS THE TORAH, about which is written: "Hashem created me as the beginning of his way..." (Mishlei 8:22). SO THE TORAH CALLS ITSELF BEGINNING. And by this beginning, NAMELY THE TORAH, He created the heavens and the earth, REFERRING TO THE SUPERNAL HEAVENS AND EARTH, WHICH ARE THE UPPER SIX SFIROT OF BINAH, WHICH ARE HINTED AT IN THE PHRASE BARA SHEET (HE CREATED SIX). He supported them by THE TORAH, for the Covenant is included in "Beresheet (In the beginning)." AS BERESHEET IS COMPOSED OF COVENANT OF FIRE (HEB. BRIT ESH), as it is written: "If my covenant were not day and night, it is as if I have not established the ordinances of heaven and earth" (Yirmeyah 33:25). ACCORDINGLY, THE HEAVENS AND THE EARTH ARE SUPPORTED BY THE TORAH, AND THEIR EXISTENCE DEPENDS ON THE PRESERVATION OF THE COVENANT OF BERESHEET, WHICH IS THE TORAH. These HEAVENS THAT WERE CREATED AND ARE SUPPORTED BY THE TORAH are described IN THE VERSE: "The heavens are the heavens of Hashem" (Tehilim 115:16). And THE EARTH THAT WAS CREATED AND SUPPORTED BY THE TORAH IS CALLED the land of the living. It comprises seven lands, about which King David said, "I will walk before Hashem in the lands of the living" (Tehilim 116:9). THEY ARE CALLED "THE LANDS OF THE LIVING", TO INDICATE THAT THEY ARE RELATED TO BINAH, WHICH IS CALLED LIVING ELOHIM, AS THESE HEAVENS AND EARTH ORIGINATE IN BINAH.

216. אֵלָא רְזָא דְּמִלָּה בְּרִין הוּא, דְּקְדוּשׁ בְּרוּךְ הוּא

217. AFTER THEM, He created the heavens and the earth upon form, without any foundation (Yesod)--which is the Covenant--to support them. THIS REFERS TO THE LOWER HEAVENS AND THE EARTH, WHICH SYMBOLIZE THE MALE AND THE FEMALE, BEFORE MALCHUT WAS SWEETENED WITH BINAH, AS IT IS WRITTEN: "AND THE EARTH WAS WITHOUT FORM." Because of this situation, the Holy One, blessed be He, wanted to give the Torah, which represents the covenant of circumcision, to the nations of the world, BECAUSE ADHERENCE TO THE COVENANT OF CIRCUMCISION WOULD HAVE SWEETENED MALCHUT BY BINAH. SO THE MOCHIN, WHICH IS CALLED THE TORAH, WOULD HAVE BEEN REVEALED UPON THEM, but because they did not want to receive it, the land remained parched and dry.

218. This is why IT IS WRITTEN: "Let the waters under the heaven be gathered together to one place, and let the dry land appear" (Bereshheet 1:9). "...the waters" ALLUDES TO the Torah, "to one place" means Yisrael, because the souls of Yisrael come from that place, about which it is written: "Blessed be the glory of Hashem from his place" (Yechezkel 3:12). "The glory of Hashem" IS the lower Shechinah, NAMELY, MALCHUT, AND "from his place" IS the upper Shechinah, NAMELY BINAH. ACCORDINGLY, BINAH IS CALLED 'PLACE'. And since their souls come from there, FROM BINAH, then certainly THE NAME Yud Hei-Vav-Hei rests on them. It is written about them: "For Hashem's portion is his people" (Devarim 32:9). This is THE MEANING OF THE VERSE: "Let the waters be gathered together to one place." WATER REFERS TO THE TORAH, AND "ONE PLACE" TO YISRAEL, THE RECIPIENTS OF THE TORAH, AS DESCRIBED ABOVE. THIS EXCLUDES THOSE NATIONS IN THE WORLD THAT DID NOT WISH TO RECEIVE THE TORAH, BECAUSE OF WHOM THE LAND REMAINED DESOLATE AND DRY.

219. The Torah symbolizes the settling of the world, BECAUSE THE WORLD WAS CREATED BY IT AND EXISTS UPON IT. The nations of the world who did not accept it have remained wasted and destroyed. This is THE MEANING OF THE PHRASE that the Holy One, blessed be He, created worlds and destroyed them. IT REFERS TO those who did not maintain the precepts of the Torah AND DID NOT ELEVATE MALCHUT TO BINAH TO BE SWEETENED BY THE ATTRIBUTE OF MERCY. SO THE WORLD IS DESOLATE FOR THEM. It does not mean that He destroyed and shattered His own makings, REFERRING TO THE HEAVENS AND THE EARTH AND ALL THAT THERE IS, as people may presume IN EXPLAINING THIS PHRASE. Why should He destroy His own children, YISRAEL, about whom it is written: "Behibar'am" (when they were created) (Bereshheet 2:4). Behibar'am MEANS THAT they were created by the letter Hei (Be Hei Bera'am), BY MALCHUT THAT WAS SWEETENED BY THE ATTRIBUTE OF MERCY IN BINAH. ONCE THEY ARE PERFECTED BY BINAH, THEY ARE SUITED TO THE DESIRE OF THE HOLY ONE, BLESSED BE HE. THEREFORE, WHY SHOULD HE DESTROY THEM?

220. Because of those among the nations of the world who converted to Judaism, the small letter Hei (= five) of Avraham fell down during the fifth millennium, which is Hei. This FIFTH MILLENNIUM is wasted and dried up, AS DESCRIBED IN THE VERSE: "AND THE RIVER SHALL BE WASTED AND DRIED UP" (YESHAYAH 19:5). "Wasted" REFERS TO the first Temple and "and dried up" to the second Temple.

221. Moshe wanted to bring the proselytes under the wings of the Shechinah and presumed that they also were drawn down from MALCHUT THAT IS SWEETENED BY THE ATTRIBUTE OF MERCY, WHICH IS THE SMALL Hei. Thus, he drew down THE MOCHIN OF this SMALL Hei of Avraham. THE PROSELYTES brought upon him descent, as it is written: "Go, get you down, for your people...have become corrupt" (Shemot 32:7), WHICH MEANS THAT THEY CAUSED THE NATION OF YISRAEL TO SIN WITH THE GOLDEN CALF. They did not receive THE MOCHIN OF the small Hei, in awe of the letter Yud OF YUD-HEI-VAV-HEI and with love of the letter Hei. So he descended from his grade, which is the letter Vav.

222. So the letter Vav OF YUD-HEI-VAV-HEI came down together with MOSHE TO GUARD HIM so he does not perish among them, because according to the secret of reincarnation, he was destined to mingle among the mixed multitude in exile, whose souls originated from the aspect of those of whom it is written: "For the heavens shall vanish away like smoke" (Yeshayah 51:6). These are the ones for whom Noach did not plea for mercy. About them, it is written: "They were destroyed from the earth" (Beresheet 7:23), because they came from those of whom it is said, "You shall blot out the remembrance of Amalek" (Devarim 25:19). Moshe did not protect himself from them and dropped the SMALL Hei among them. For this reason, he shall not enter the land of Yisrael until he brings the Hei back to its place. This is also why he fell from his grade, and the letter Vav OF YUD-HEI-VAV-HEI descended with him. Because of this, the letter Hei fell down and the letter Vav of Moshe shall raise it up.

223. It was through this small Hei, the Hei of Avraham, which is the letter Hei in Behibar'am that Moshe received assistance, and it is written of him: "That caused his glorious arm to go at the right hand of Moshe" (Yeshayah 63:12). He took it from there, FROM AMONG THE KLIPOT, by the power of the letter Vav and brought it with him. Immediately, the letters Yud-Hei rested on it, ON THE LOWER HEI, and the vow was fulfilled, ACCORDING TO THE SECRET OF THE VERSE: "For Yah has sworn by his throne (Heb. kes, Kaf-Samech) that Hashem will have war" (Shemot 17:16). UNTIL THIS HAPPENED, THE NAME WAS INCOMPLETE, LACKING THE VAV-HEI AND THE THRONE - KISE (KAF-SAMECH-ALEPH) WAS INCOMPLETE BECAUSE IT LACKED THE LETTER ALEPH. BUT NOW, THE NAME HAS ACHIEVED PERFECTION AND IS COMPLETED BY THE LETTERS VAV-HEI, AND THE THRONE IS ALSO COMPLETED WITH THE LETTER ALEPH. HE ASKED: What is THE MEANING OF: "From generation to generation" IN THE VERSE: "HASHEM WILL HAVE WAR WITH AMALEK FROM GENERATION TO GENERATION"? HE REPLIED, This is Moshe, about whom it is written: "One generation passes away, and another generation comes..." (Kohelet 1:4). It has already been explained that one generation contains no fewer than 600,000. It is said that one woman gave birth in Egypt (Egypt) to 600,000 in one belly. THIS MEANS MOSHE, FOR MOSHE IS EQUATED WITH 600,000 SOULS.

20. The five types of the mixed multitude

The Zohar describes five different types of negative people whose sole purpose is to prevent the dissemination of spiritual wisdom to others.

The Zohar states: "These people build synagogues and schools of religious study that house the scroll of the Torah, complete with a crown upon its top. They do it for their own sake and for the love of themselves, not for the sake and love of the Creator."

Scanning this section reinforces our strength of character and spiritual integrity. It enables us to stand strong against those who oppose the betterment of mankind through the dissemination of Kabbalah, which is the soul of the Torah.

224. There are five races of mixed multitude. These are the Nefilim (fallen), the Gaborim (mighty), the Anakim (giants), the Refaim (shades) and the Amalekim. Because of them, the small Hei fell from its place, NAMELY FROM BINAH. Bilaam and Balak come from the side of Amalek, because if you remove the letters Am from Bilaam and the letters Lamed-Kof from Balak (Bet-Lamed-Kof), you are left with Bavel (Bet-Bet-Lamed), which is Babylon. "Therefore is the name of it called Bavel; because Hashem did there confound the language of all the earth" (Beresheet 11:9).

225. These are the ones who remained of those of whom it was said at the time of the flood, "And he destroyed every living substance" (Beresheet 7:23) Those who survived, THE KLIPAH OF AMALEK, from the time of the fourth exile--NAMELY THE EXILE OF EDOM--became the leaders (lit. heads) of the world, men of great power. THIS IS BECAUSE THIS KLIPAH IS CONSIDERED THE HEAD AND KETER OF THE KLIPOT. They became a means of violence toward the children of Yisrael and of them, it is written at the time of the flood, "For the earth is filled with violence through them" (Beresheet 6:13). These are the Amalekim.

222. וְאֵת ו' נְחַתְתָּ עִמָּיה בְּגִין דְּלֹא יִתְאַבֵּיד בִּינֵייהוּ, דְּעֵתִיד אִיהוּ בְּרָזָא דְּגִלְגּוּלָא לְאַתְעֲרָבָא בִּינֵייהוּ בְּגִלּוּתָא, בִּין עֲרַב רַב, דְּאִינוּן נִשְׁמַתֵּיהוּ, מִסְטֵרָא דְּאֵלִין דְּאַתְמַר בְּהוּן כִּי שְׁמִים כְּעֶשֶׂן נִמְלָחוּ וְגו'. וְאֵלִין אִינוּן דְּלֹא בְּעָא נַח רַחֲמֵי עֲלֵיהוּ, וְאַתְמַר בְּהוּן, וַיִּמְחוּ מִן הָאָרֶץ, בְּגִין דְּהוּוּ מֵאֵלִין דְּאַתְמַר בְּהוּן תִּמְחָה אֶת זֵכֶר עַמְלֶק. וּמֹשֶׁה לֹא אִסְתַּמַּר מִנֵּייהוּ, וְאִפִּיל ה' בִּינֵייהוּ. וּבְגִין דָּא, אִיהוּ לֹא יַעוּל לְאַרְעָא דִּישְׂרָאֵל עַד דִּיתוּב ה' לְאַתְרָהּ, וּבְגִין דָּא נְחַת אִיהוּ מִדְּרַגְיָה, וְנַחֲתַת בֵּיהּ ו', וּבְגִין דָּא ה' נִפְלַת ו' יוֹקִים לָהּ, ו' דְּמֹשֶׁה.

226. About the Nefilim (the fallen ones), it is written: "That the sons of the Elohim saw that the daughters of men were fair" (Bereshheet 6:2). These are the second group OF THE MIXED MULTITUDE, WHICH IS EQUIVALENT TO THE CHOCHMAH OF THE KLIPOT. THEY COME from the fallen ones from above, FROM AZA AND AZAEL, WHO WERE ANGELS ABOVE. AND THE HOLY ONE, BLESSED BE HE, DROPPED THEM OUT OF THE HEAVENS. When the Holy One, blessed be He, desired to create man, He said TO THE ANGELS, "Let us make man in our image..." (Bereshheet 1:26). He wanted to make him a leader over all the ANGELS above, so that he might govern all THE ANGELS and they would be under his rule, as is written about Yosef: "And let him appoint officers over the land" (Bereshheet 41:34).

227. THIS IS WHY those ANGELS wanted to denounce him. They asked THE HOLY ONE, BLESSED BE HE, "What is man, that you are mindful of him" (Tehilim 8:5), for he is bound to sin before you? WHY, THEREFORE, DO YOU WANT US TO BE UNDER HIM? The Holy One, blessed be He, replied, If you were down below ON EARTH like he, you would sin more than he does. Immediately, "The sons of the Elohim saw the daughters of man..." They were filled with passion for them, so the Holy One, blessed be He, dropped them down in chains.

228. These SONS OF ELOHIM are Aza and Azael, from whom descended the souls of THE SECOND GROUP IN the mixed multitude, which are the Nefilim. They made themselves fall FROM THEIR HOLINESS, and they fornicated with women who were fair. Because of this, the Holy One, blessed be He, also eliminated them from the world to come, so that they may not have a portion there. And He gave them their reward in this world, as it is written: "...and repays them that hate him to their face, to destroy them" (Devarim 7:10). THE SECOND GROUP IN THE MIXED MULTITUDE IS EQUIVALENT TO CHOCHMAH OF THE KLIPAH.

229. Of the Gaborim, (mighty ones), the third group OF THE MIXED MULTITUDE THAT WAS MIXED WITH YISRAEL, it is written: "The same were mighty men of old, men of renown (lit. 'men with a name')" (Bereshheet 6:4). These descend from the side of those, about whom it is written: "Let us build us a city and a tower...and let us make us a name..." (Bereshheet 11:4), THAT IS, THE GENERATION OF SEPARATION. They build synagogues and yeshivas, putting the scroll of the Torah and a crown upon its top, AS DESCRIBED IN THE VERSE: "LET US BUILD US A CITY AND A TOWER, WHOSE TOP MAY REACH TO HEAVEN." BUT IT IS not DONE in the name of Hashem. Instead, it is done to make themselves a name, as it is written: "And let us make us a name." From the Other Side, they overcame Yisrael, who are BLESSED TO BE like the dust of the earth. They rob them, shattering and wasting their work, THE SYNAGOGUES AND YESHIVAS THAT THEY HAD BUILT. Of them, it is written: "And the waters prevailed exceedingly upon the earth" (Bereshheet 7:19), WHICH MEANS THAT THE KLIPOT AND THE OTHER SIDE, WHICH ARE CALLED WATERS, DESTROYED THE EARTH AS THEY EXPANDED. THIS THIRD GROUP IN THE MIXED MULTITUDE IS EQUIVALENT TO THE SFIRAH OF BINAH OF THE KLIPAH.

230. The Refaim (shades) are the fourth group OF THE MIXED MULTITUDE THAT MIXED WITH YISRAEL. If they notice a time of distress coming upon the children of Yisrael, they abandon them. Even if they have the power to save them, they do not want to do so. They abandon the Torah and AVOID those who study it. Instead, they do favors to those who worship idols. Of them, it is written: "The shades of the dead (Heb. refaim) shall not rise" (Yeshayah 26:14), MEANING THAT THEY SHALL NOT RISE AT THE RESURRECTION OF THE DEAD. When the children of Yisrael are visited TO BE REDEEMED FROM THEIR DISTRESS, it is written about them: "And made all their memory to perish" (Yeshayah 26:14). BECAUSE THEY ARE THE OFFSPRING OF DARKNESS, THEY SHALL PERISH AS THE LIGHT REACHES YISRAEL. THIS FOURTH GROUP IS EQUIVALENT TO ZEIR ANPIN OF THE KLIPAH.

226. נְפִילִים עָלֵיהוּ אֶתְמַר וַיֵּרְאוּ בְנֵי הָאֱלֹהִים אֶת בְּנוֹת הָאָדָם כִּי טוֹבוֹת הָנָה, וְאֵלִין אֲנוּן מִינָא תְנַיִנָא, מֵאֵלִין נְפִילִים מְלַעִילָא, דְּכַד בְּעָא קְדוּשׁ בְּרוּךְ הוּא לְמַעְבַּד אָדָם, דְּאִמַר נַעֲשֵׂה אָדָם בְּצַלְמֵנוּ וּגו', בְּעָא לְמַעְבַּד לִיה רִישָׁא עַל עֲלָאִין, לְמַהוּי אִיהוּ פְקִיד עַל כְּלָהוּ וּלְמַהוּי אֲנוּן פְקִידִין עַל יְדוּי, כְּגוּנָא דְיוֹסֶף דְּאֶתְמַר בֵּיה וַיִּפְקַד פְקִידִים עַל הָאָרֶץ.

231. Anakim (giants) ARE the fifth group OF THE MIXED MULTITUDE. They belittle the value of those, about whom it is written: "And chains (Heb. anakim) about your neck" (Mishlei 1:9), ALLUDING TO YISRAEL WHO OBSERVE THE TORAH. About them, it is written: "Who also were considered Refaim as the Anakim" (Devarim 2:11), so they are on a level with each other. These are the ones who bring the world back to a condition of "without form and void." The secret of this matter is the destruction of the Temple, which is described by the words: "And the earth was without form and void", because THE TEMPLE is the essence of the world and the settling thereof. SO THE TWO GROUPS IN THE MIXED MULTITUDE THAT MIXED WITH YISRAEL CAUSED THE DESTRUCTION OF THE TEMPLE. As quickly as the light, which is the Holy One, blessed be He, appears TO YISRAEL, they shall be wiped out of the world and destroyed. Nevertheless, the redemption OF YISRAEL does not depend on the destruction OF THE REFAIM, but on THE DESTRUCTION OF Amalek, that is, until he who was referred to in the oath is destroyed, AS IT IS WRITTEN: "BECAUSE YAH HAS SWORN BY HIS THRONE THAT HASHEM WILL HAVE WAR WITH AMALEK...", which has already been explained.

231. עֲנָקִים, מִינָא חֲמִישָׁאָה, דְּאֲנֹן מְזֻלְזִין לְאַלִּין דְּאֲתָמַר בְּהוֹן וְעֲנָקִים לְגִרְגְרוֹתֵיךְ, וְעַלִּייהוּ אֲתָמַר רַפְאִים יַחֲשָׁבוּ אִף הֵם בְּעֲנָקִים, שְׁקִילִין דָּא לְדָא. אֲלִין אֲנֹן דְּאֲהֲדֵרוּ עֲלֵמָא לְתֵהוּ וּבֵהוּ, וְרִזָּא דְּמִלְּהָ חֲרַב בֵּי מְקַדְשָׁא, וְהָאֲרֵץ הִיתָה תְּהוּ וּבֵהוּ, דְּאִיהִי עֲקָרָא וַיִּשׁוּבָא דְּעֲלֵמָא, מִיַּד דִּיִּיתִי אֹר דְּאִיהוּ קִדְשָׁא בְּרִיךְ הוּא, יִתְמַחֹן מִן עֲלֵמָא וַיִּתְאַבְּרוּן, אֲבָל פּוֹרְקָנָא לָאו אִיהִי תְּלִיא אֲלָא בְּעַמְלֵק עַד דִּיתְמַחוּ דְּבִיהַ אֹמָמָה, וְהָא אֹקְמוּהָ.

21. Moshe and the two Messiahs

Rabbi Shimon describes the return of Moses at the End of Days, which is our current era. Alongside Moses are two Messiahs: Messiah who is the son of Joseph and Messiah who is the son of David. The Kabbalists teach that the Messiah is not someone whom we passively await. Rather, the word Messiah refers to our own individual spiritual actions that will hasten his arrival. Through spiritual growth, we must achieve aspects of the Messiah within ourselves in order to accelerate the arrival of the global Messiah. Recognition of this truth--together with love for others and a strong visual connection to Aramaic words of the Zohar --will hasten the arrival of the Messiah, universal peace, and immortality.

232. Another explanation for THE VERSE: "These are the generations of the heaven..." (Beresheet 2:4), IN WHICH THE WORD "THESE" CANCELS WHAT WAS MENTIONED PREVIOUSLY, IS THAT THE WORD "These" refers to those, about whom it is written: "These are your Elohim, O Yisrael" (Shemot 32:4) AT THE SIN OF THE GOLDEN CALF. Thus, on the day when THE HOLY ONE, BLESSED BE HE, shall exterminate these, REFERRING TO THE SIN OF THE CALF, it will be as if on the day the Holy One, blessed be He, created the heaven and the earth. As it is written: "In the day that Hashem Elohim made the earth and the heavens" (Beresheet 2:4). At that time, the Holy One, blessed be He, will be together with His Shechinah and the world will be renewed, as it is written: "For as the new heavens and the new earth, which I will make..." (Yeshayah 66:22). This is THE MEANING OF, "In the day...made" IN THE DAY WHEN THE WORLD SHALL BE RENEWED.

232. ד"א, אֵלֶּה תּוֹלְדוֹת הַשָּׁמַיִם וְגו'. אֲלִין אֲנֹן, דְּאֲתָמַר בְּהוֹן, אֵלֶּה אֱלֹהֵיךְ יִשְׂרָאֵל, בְּיוֹמָא דִּיתְמַחוּן אֲלִין, כְּאֵלוּ הָהוּא יוֹמָא עֵבִיד קְדוּשׁ בְּרוּךְ הוּא שְׁמַיָּא וְאַרְעָא, הַה"ד בְּיוֹם עֲשׂוֹת ה' אֱלֹקִים אֶרֶץ וְשָׁמַיִם, בְּהָהוּא זְמַנָּא יְהִי קְדוּשׁ בְּרוּךְ הוּא עִם שְׁכִינְתֵיהּ, וַיִּתְחַדֵּשׁ עֲלֵמָא, הַה"ד כִּי כַּאֲשֶׁר הַשָּׁמַיִם הַחֲדָשִׁים, וְהָאֲרֵץ הַחֲדָשָׁה וְגו', דָּא אִיהוּ בְּיוֹם עֲשׂוֹת.

233. At that time, "out of the ground Hashem Elohim made to grow every tree that is pleasant to the sight" (Beresheet 2:9). However, before that time and not until THE SIN OF THE GOLDEN CALF is erased, the rain of the Torah, WHICH IS ZEIR ANPIN, does not come down TO WATER THE SEEDS OF THE SOULS OF YISRAEL. Therefore, the children of Yisrael, who are similar to the herbs and trees, are not able to grow. The secret of this matter is as written: "And no plant of the field was yet in the earth, and no herb of the field had yet grown...and there was not a man to till the ground" (Beresheet 2:5). "A man" alludes to Yisrael, "the ground" is the Temple and "to till" is to offer sacrifices.

233. בְּהָהוּא זְמַנָּא, וַיִּצְמַח הוּי"ה אֱלֹקִים מִן הָאֲדָמָה כֹּל עֵץ נְחֻמָּד וְגו', אֲבָל בְּקִדְמִיתָא, עַד דִּיתְמַחוּן אֲלִין, לֹא נְחִית מְטָרָא דְּאוֹרֵייתָא, וַיִּשְׂרָאֵל דְּדַמְיִין לְעֵשְׂבִים וְלֹאִילָנִין לֹא יִצְמַחוּן, וְרִזָּא דְּמִלְּהָ וְכֹל שִׁיחַ הַשָּׂדֶה טָרַם יְהִיָּה בְּאֶרֶץ, וְכֹל עֵשֶׂב הַשָּׂדֶה וְגו', בְּגִין דְּאֲדָם אִין, דְּאֲנֹן יִשְׂרָאֵל בְּבֵי מְקַדְשָׁא, לְעִבּוּד אֶת הָאֲדָמָה בְּקִרְבָּנִין.

234. Another explanation of the phrase: "plant of the field" is THAT IT ALLUDES TO the first Mashiach, MASHIACH BEN (THE SON OF) DAVID, who was not yet on earth, whereas "herb of the field" is the second Mashiach, MASHIACH BEN YOSEF. HE ASKED: Why WERE THEY NOT "IN THE EARTH"? HE REPLIED, Because Moshe was not there with them to serve the Shechinah. Of him, it is written: "And there was not a man to till the ground." The secret is given in the verse: "The staff shall not depart from Yehuda..." (Beresheet 49:10), which refers to Mashiach Ben David, "nor the scepter from between his feet", which refers to Mashiach Ben Yosef. "Until Shiloh come" is an allusion to Moshe, as the numerical value of MOSHE is the same as that OF SHILOH. "And the obedience of the people be his (Heb. velo yik'hat)" is a phrase whose letters also form the Hebrew words, Levi Kehat, WHICH MEANS THAT THE CORRECTION SHALL REACH FROM MOSHE, TO KEHAT AND FROM LEVI, HIS ANCESTORS.

234. דְּבַר אַחַר, וְכֹל שִׁיחַ הַשָּׂדֶה, דָּא מְשִׁיחַ רֵאשׁוֹן, טָרַם יְהִיָּה בְּאַרְעָא, וְכֹל עֵשֶׂב הַשָּׂדֶה טָרַם יִצְמַח, דָּא מְשִׁיחַ שֵׁנִי, וְלִמָּה, בְּגִין דְּלִית תְּמֹן מְשָׁה, לְמַמְלַח לְשְׁכִינְתָּא, דְּעִלְיָה אֲתָמַר, וְאֲדָם אִין לְעִבּוּד אֶת הָאֲדָמָה, וְרִזָּא דְּמִלְּהָ לֹא יִסּוּר שְׁבֵט מִיְהוּדָה, דָּא מְשִׁיחַ בֶּן דָּוִד, וּמְחֻקֵּק מִבֵּין רִגְלָיו, דָּא מְשִׁיחַ בֶּן יוֹסֵף, עַד כִּי יְבוֹא שִׁילֹה דָּא מְשָׁה, חֲשַׁבֵּן דָּא כְּדָא, וְלֹ"ו יְקַה"ת עֲמִים, אֲתוּן וְלֹ"ו יְקַה"ת.

235. Another explanation OF THE VERSE: "plant (Heb. siach) of the field" IS THAT IT REFERS TO the souls of the righteous, who come from YESOD OF ZEIR ANPIN, WHICH IS CALLED the Righteous, the life of the worlds. Because Siach (Sin-Yud-Chet) CONSISTS OF THE LETTERS Chai (Chet-Yud) and Shin. Shin BY ITSELF ALLUDES TO the three branches of the tree, which symbolize the three Patriarchs--CHESD, GVURAH AND TIFERET OF ZEIR ANPIN, WHO IS CALLED TREE. THE LETTER SIN IN SIACH IS NOT DERIVED DIRECTLY FROM ZEIR ANPIN, BUT from the life (Chai) of the worlds, WHICH IS YESOD OF ZEIR ANPIN.

236. Another explanation ABOUT THE SOULS OF THE RIGHTEOUS APPEARS IN THE VERSE: "And no herb (Heb. esev) of the field", IN WHICH ESEV CONSISTS OF THE LETTERS Ayin-Bet and Shin. THE LETTER SHIN IS AN ALLUSION TO the three leaves, WHICH ARE Yud-Aleph-Hei-Daled-Vav-Nun-Hei-Yud--NAMELY THE COMBINING OF YUD-HEI-VAV-HEI, WHICH IS ZEIR ANPIN, AND ADONAI, WHICH IS HIS FEMININE PRINCIPLE, they have a numerical value of Ayin-Bet (72). THAT IS YUD-HEI-VAV-HEI, WHEN FULLY SPELLED OUT WITH YUDS, AMOUNTS TO 72. The branches--NAMELY CHESD, GVURAH AND TIFERET, are THE THREE LEAVES from which NETZACH, HOD AND YESOD are suspended. They all add up to 72, AS EACH ONE OF THE THREE BRANCHES EQUALS 72. They do not reach the place, which is the Shechinah, until the appearance of he who is called man, who is YUD-HEI-VAV-HEI, FULLY SPELLED WITH ALEPHS AS Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph. THIS ALLUDES TO MOSHE and this is WHY IT IS WRITTEN: "And there was not a man to till the ground", ALLUDING TO MOSHE WHO HAD NOT YET CORRECTED THE SHECHINAH PROPERLY.

237. For this reason, it is written OF MOSHE: "And no herb of the field had yet grown." This means that the righteous, MOSHE, was not yet grown --Moshe, who validates THE VERSE, "Truth shall spring (grow) out of the earth" (Tehilim 85:12). As THE TRUTH is described IN THE VERSE: "And it cast down the truth to the ground" (Daniel 8:12), IT REFERS TO the students of the Torah, who are like the plants THAT GROW AND SPRING OUT OF THE EARTH. But they do not grow OR SPRING FORTH FROM THE SHECHINAH in exile until THE TIME WHEN THE WORDS: "Truth shall spring out of the earth," ARE FULFILLED. This TRUTH is Moshe, about whom it is written: "The law of truth was in his mouth" (Malachi 2:6), because no man relates to the Shechinah as well as he. This is WHY THE SCRIPTURE SAYS ABOUT HIM, "And there is not a man to till the ground", WHERE THE GROUND ALLUDES TO THE SHECHINAH. BEFORE MOSHE, THERE WAS NO ONE TO CORRECT THE SHECHINAH.

238. As soon as MOSHE appears, THE WORDS: "But there went up a mist (Aleph-Dalet) from the earth" (Bereshheet 2:6) WERE REALIZED. THIS REFERS TO THE LETTERS Aleph- Daled in the name Adonai. The letter Vav ascends to it and becomes through it the Master (Heb. Adon) of the entire earth. Immediately, it "watered the whole face of the ground" (Ibid.). THIS MEANS THAT Yisrael below will be watered. AS A RESULT, THEY SHALL RECEIVE THE MOCHIN, WHICH IS CALLED the 70 aspects of the Torah, FROM THE SHECHINAH.

239. Another explanation OF THE VERSE: "But there went up a mist from the earth." The Aramaic translation says, "But there went up a cloud from the earth." THIS REFERS TO THE SHECHINAH, of which it is written: "For the cloud of Hashem was upon the tabernacle" (Shemot 40:38). BECAUSE AT THE END OF TIMES WHEN MOSHE WILL APPEAR, THE SHECHINAH WILL RISE UP. And the students of the Torah on earth will be watered by her AND RECEIVE FROM HER MOCHIN.

235. דָּבַר אַחֵר, וְכֹל שִׂיחַ הַשָּׂדֶה, אֲלֵיךְ צְדִיקוּיָא, הָאֲנוּן מְסֻטְרָא דְצְדִיק חַי עֲלָמִין. שִׂיחַ ש' ח"י. ש תֵּלֶת עֲנַמִּין דְאֵילָנָא, וְאֲנוּן ג' אֲבָהּן, וּמִן ח"י עֲלָמִין.

239. דָּבַר אַחֵר, וְאֵד יַעֲלֶה מִן הָאֲרֵץ, תְּרַגּוּמוֹ, וְעֵנָא יִסְתַּלַּק מִן אֲרֵעָא, הֵוָא דְאֶתְמַר בַּה כִּי עֲנִן ה' עַל הַמִּשְׁכָּן וְגו', וּבֵיהּ מִתְשַׁקִּיין תִּלְמִידֵי חֻכְמַיִם בְּאֲרֵעָא.

240. At that time, IT IS SAID, "And Hashem Elohim formed man..." (Beresheet 2:7), WHICH REFERS TO the children of Yisrael, whom the Holy One, blessed be He, formed in the images of this world and of the world to come. The word "formed (Heb. vayyitzer)" IS SPELLED WITH TWO YUDS, WHICH MEANS THAT at that time, the Holy One, blessed be He, shall put them-YISRAEL--into His name by putting the letter Vav in between the two Yuds. Together, they have the same numerical value as Yud-Hei-Vav-Hei, NAMELY 26. The two Yuds will be formed on His face and on the faces OF YISRAEL, UPON THEIR CHEEKBONES and the letter Vav is their nose.

241. For this reason, it is written: "For from the top of the rocks (Heb. tzurim) I see him..." (Bemidbar 23:9). THE WORD TZURIM IMPLIES these Tziyurim (forms) of the holy name. These shall appear as drawings upon their faces, which are formed according to the secret of the two precious tablets, which are Yud and Yud, and the letter Vav is inscribed on them.

242. Furthermore, He drew the images of all the generations by His supernal spouse, who is Yud-Hei. They were symbolized by the letter Vav, which unites them both. And He formed them AND Poured BOUNTY UPON THEM with those images of above. THE SECRET OF ZEIR ANPIN, which is CALLED Yisrael, is the Central Column that comprises the upper and lower Shechinah. These are the reciting of Shma in the evening prayer and the recital of Shma in the morning prayer. Of them, it is written: "This is now bone of my bones, and flesh of my flesh" (Beresheet 2:23).

243. As soon as MOSHE APPEARS AT THE END OF TIMES, He will plant the children of Yisrael in the holy Garden of Eden, as it is written: "And Hashem Elohim", Aba and Ima, "planted a garden", the lower Shechinah, "in Eden", the supernal Ima. "And there he put the man", the Central Column, YISRAEL. Then THE SHECHINAH will become His planting, His female counterpart and shall never leave his side. She will be his delight FOREVER. And the Holy One, blessed be He, planted Yisrael at that time to be a sacred plant in the world. THIS MEANS THAT WHEN YISRAEL RECEIVE THEIR MOCHIN, THEY SHALL BECOME A SACRED PLANT IN THE WORLD, as it is written: "The branch of my planting, the work of my hands, that I may be glorified" (Yeshayah 60:21).

244. OF THAT TIME IT SAYS, "And out of the ground Hashem Elohim made to grow" ALLUDES TO Aba and Ima. "Every tree that is pleasant to the sight" alludes to the Righteous, THE SECRET OF YESOD OF ZEIR ANPIN CALLED "TREE" and "And good for food" alludes to the Central Column, where "food" is available to all, MEANING THAT IT BESTOWS MOCHIN TO ALL LOWER BEINGS. Everything exists IN ZEIR ANPIN. And the Righteous, YESOD OF ZEIR ANPIN, is nourished only by ZEIR ANPIN. The Shechinah is nourished by THE RIGHTEOUS, so they are not in need of the lower beings TO ELEVATE FEMALE WATERS. Instead, the lower beings are nourished BY YESOD AND THE SHECHINAH, WITHOUT THE NEED TO ELEVATE FEMALE WATERS. In exile, there is no food for the Shechinah and the life of the worlds, NAMELY YESOD OF ZEIR ANPIN WHO NOURISHES THE SHECHINAH, except BY ELEVATING FEMALE WATERS through the eighteen blessings of the Amidah prayer. But at that time, YESOD WILL GIVE sustenance to all, TO THE SHECHINAH AND TO THE LOWER BEINGS, WITHOUT NEEDING ANY AWAKENING FROM BELOW.

245. The Tree of Life, WHICH IS ZEIR ANPIN THAT IS CALLED "THE TREE OF LIFE", will be planted in the midst of the garden, WHICH IS THE SHECHINAH. It is written of it: "And take also of the Tree of Life, and eat, and live forever" (Beresheet 3:22). The Shechinah will not be governed by the tree of the Other Side, which is the mixed multitude who are called "The tree of knowledge of good and evil" (Beresheet 2:9) and she will no longer accept the impure. SHE WILL NOT NOURISH IMPURITY ANYMORE. THUS, IMPURITY WILL BE ANNULLED FROM THE WORLD, as it is written CONCERNING THOSE TIMES: "So Hashem alone did lead him, and there was no strange El with him" (Devarim 32:12), AS ALL EVIL AND IMPURITY WILL BE WIPED OFF OF THE FACE OF EARTH. For this reason, no proselytes will be accepted during the epoch of Mashiach and the Shechinah will be like a vine that accepts no grafting of any other kind, AS ANY KIND OF EVIL AND IMPURITY WILL BE WIPED FROM THE WORLD.

246. The children of Yisrael will be AS IT IS WRITTEN: "Every tree that is pleasant to the sight." They will again reach that beauty (Heb. Tiferet), WHICH THEY LOST AT THE DESTRUCTION OF THE TEMPLE, about which it is written: "He cast from heaven to earth the beauty of Yisrael" (Eichah 2:1). The tree of knowledge of good and evil shall be thrust out from among YISRAEL, and they will neither cleave to nor mix with it. Therefore, it is written of Yisrael: "But of the Tree of knowledge of good and evil, you shall not eat of it" (Beresheet 2:17), because this is the mixed multitude. And the Holy One, blessed be He, shall then reveal TO YISRAEL that on the day they ate from the Tree of knowledge, they caused two losses, THE DESTRUCTION of the first and the second Temples. This is WHY IT IS WRITTEN: "For in that day that you eat of it you shall surely (lit. 'dying') die" (Ibid.), in which death is mentioned twice. THIS REVELATION THAT HE SHALL REVEAL TO YISRAEL IS EQUIVALENT TO HIS TELLING THEM NOT TO EAT FROM THE TREE OF KNOWLEDGE, THE SAME WARNING HE GAVE TO ADAM. As a result of this, they caused, THROUGH THE TREE OF KNOWLEDGE, the Righteous, WHO BRINGS ABUNDANCE UPON THE SHECHINAH, to be left "wasted and dried up" at the first Temple, which is the upper Shechinah, and at the second Temple, which is the lower Shechinah. Thus, it is written: "And the river shall be wasted and dried up" (Yeshayah 19:5). And the river, Vav, NAMELY ZEIR ANPIN, shall "be wasted" in the lower Hei, REFERRING TO HIS OWN FEMININE PRINCIPLE, because the fountain of Yud, WHICH FLOWS INTO THE UPPER HEI, has risen up to Ein Sof (the Endless world).

247. Immediately after the children of Yisrael shall come out of exile as a holy nation on its own, AFTER THE MIXED MULTITUDE HAS BEEN SEPARATED FROM THEM, the river that "wasted and dried up" DURING EXILE will become "A river flowing out of Eden", which is the Vav OF YUD-HEI-VAV-HEI, "to water the garden", WHICH IS THE LOWER HEI. This river, the Central Column, NAMELY ZEIR ANPIN, "went out of Eden", which is the supernal Ima CALLED EDEN FROM WHOM ZEIR ANPIN RECEIVES PLENTY, "to water the garden" IS TO BRING FORTH THE ABUNDANCE TO the lower Shechinah, WHICH IS CALLED A GARDEN.

248. At that time, it is written of Moshe and of Yisrael: "Then shall you delight yourself in Hashem" (Yeshayah 58:14). "Delight" in Hebrew is Oneg, WHICH IS ALSO THE INITIALS OF Ayin of Eden, Nun of Nahar (river) and Gimel of Gan (garden). Then the phrase: "Then sang Moshe" (Shemot 15:1) will be fulfilled. It does not say 'sang,' but literally "shall sing" IN THE FUTURE TENSE. THIS ALLUDES TO THE TIME WHEN YISRAEL WILL COME OUT OF EXILE, THE TIME WHEN MOSHE WILL SING A NEW SONG. Then the Oneg will change into infliction (Heb. Nega) for the mixed multitude and all the idol-worshipping nations, just as a pox was inflicted on Paro and the Egypt (Egyptians), who broke out in blisters. But Oneg, THE MOCHIN OF EDEN, NAHAR AND GAN, SHALL BRING DELIGHT to the children of Yisrael WHO WILL INFLICT GREAT PLAGUES ON THE MIXED MULTITUDE AND THE IDOL-WORSHIPPING NATIONS.

245. ועץ החיים, שהוא אילנא רחיי יהא נטוע בגו גנתא, דאתמר ביה ולקח גם מעץ החיים ואכל וחי לעולם. ושכינתא, לא שלטא עליה, אילנא דסטרא אחרא, דאנון ערב רב, דאנון עץ הדעת טוב ורע, ולא תקבל בה עוד טמא, הה"ד ה' בדר ינחנו ואין עמו אל נכר. ובגין דא לא מקבלין גרים לימות המשיח. ותהא שכינתא, כגפנא, דלא מקבלא נטעא ממינא אחרא.

249. This is THE MEANING OF THE VERSE: "And a river went out of Eden to water the garden; and from thence it was parted, and branched into four streams" (Beresheet 2:10). THE STREAMS CORRESPOND TO THE FOUR SFIROT--CHESED, GVURAH, NETZACH AND HOD--THAT CORRESPOND TO THE FOUR BANNERS OF THE TRIBES. Chesed is the right arm. At that time, 'He who seeks wisdom should turn south.' WHOEVER SEEKS WISDOM SHOULD MEDITATE IN HIS PRAYERS TOWARD THE SFIRAH OF CHESED, WHICH IS TO THE SOUTH, AND DRAW THE SFIRAH OF CHOCHMAH TOWARD HIMSELF. The camp of THE ANGEL Michael will be watered by it AND SHALL RECEIVE ITS ABUNDANCE FROM CHESED, together with the camp of Yehuda and two tribes. Gvurah is the left arm. And it is written of that time: 'He who seeks riches should turn north.' WHOEVER SEEKS TO BECOME RICH SHOULD MEDITATE IN HIS PRAYERS TO THE SFIRAH OF GVURAH, WHICH IS TO THE NORTH. And the camp of THE ANGEL Gavriel is watered by it, together with the camp of Dan and two tribes. Netzach is the right leg and the camp of Nuriel is watered by it, together with the camp of Reuven and two tribes with it. Hod is the left leg, of which it is said in reference to Ya'akov: "And he limped upon his thigh" (Beresheet 32:32). The camp of Refael, who is responsible for the healing during exile, is watered by it, together with the camp of Efraim and two tribes.

250. Another explanation OF THE VERSE: "And from thence it was parted, and branched into four streams" IS THAT IT IS THE SECRET OF THE SAGES: BEN AZAI, BEN ZOMA, THE OTHER ONE AND RABBI AKIVA, who entered the pardes (orchard). THE HEBREW WORD PARDES CONSISTS OF THE INITIALS OF THE WORDS PESHAT (THE LITERAL MEANING OF THE TORAH), REMEZ (HINTS AND ALLUSIONS), DRASH (THE HOMILETICAL INTERPRETATION) AND SOD (SECRET). One OF THE FOUR SAGES entered THE RIVER OF Pishon, WHICH ALLUDES TO THE PESHAT (LITERAL MEANING) OF THE TORAH THAT SHINES IN THE ORCHARD, as Pishon is composed of Pi-Shoneh- (lit. 'My mouth repeats') Halachah, which is the literal meaning. The second entered THE RIVER OF Gichon, where is buried the one of which it is written: "Whatever goes on the belly" (Heb. gachon) (Vayikra 11:42). THIS REFERS TO MOSHE, WHO IS THE SECRET OF THE LETTER VAV OF GACHON, WHICH IS BIG AND IS THE LETTER IN THE MIDDLE OF THE TORAH. THIS IS ALSO THE ASPECT OF Gavriel THAT CONSISTS OF THE LETTERS Gavar EI, THE GVURAH OF EL. Of him it is written: "To a man (Heb. geveir) whose way is hidden, and from whom Eloha has screened himself" (Iyov 3:23), MEANING THAT THE REASON FOR HIM HIDING HIS WAYS AND NOT REVEALING HIMSELF IN FULL IS BECAUSE "ELOHA HAS SCREENED HIMSELF" AND NOT BECAUSE OF MOSHE'S DEFICIENCY. THIS IS WHY no man knew the place of his burial - nor will until the very day when he will be revealed there. THIS IS BECAUSE THE PLACE OF THE DEFECT IS THE PLACE OF BURIAL AND, BECAUSE THERE WAS NO DEFECT IN HIM, NOBODY KNEW WHERE HE WAS BURIED. ONLY AT THE END OF CORRECTION, AFTER MOSHE'S PREFECTION IS REVEALED, WILL THE DEFICIENCY BE DISTINGUISHED BY THE PERFECTION THAT WILL BE REVEALED. THIS IS THE SECRET OF THE PLACE OF HIS BURIAL. This is the part of remez (hints) OF THE TORAH, and wise men ARE INFORMED by hints.

251. The third OF THE FOUR SAGES entered the Chiddekel, WHICH CONSISTS OF THE LETTERS Chet-Dalet Kof-Lamed, which ALLUDES TO a sharp (Heb. chad), FAULTLESS tongue that is quick (Heb. kal) in giving homiletical explanations. The fourth OF THE FOUR SAGES entered the Prat (Euphrates), which is the innermost stream, where procreation (Heb. Priyah) occurs, AS THE SEED IS DRAWN OUT OF THE INNERMOST (BRAIN). So Ben Zoma and Ben Azai, who entered the shells of the Torah, were affected by them, but Rabbi Akiva, who entered the inner part OF THE TORAH, is said to have entered and come out in peace.

22. The Pure Marble Stones

This is one of the most profound sections of the Zohar. Rabbi Elazar asks his father Rabbi Shimon to explain a statement made by the great sage Rabbi Akiva. The actual statement reads: "When you reach the pure marble stones, do not say 'water, water', or you may endanger yourselves." Couched in metaphor and concealed in cryptic language, this statement delves into many complex spiritual truths. The most important of these is the fact that all the evil we witness with our own eyes is really an illusion. If we accept and believe in this illusion, it becomes part of our reality. Hidden within these ideas are mysteries so deep and

great that only a few righteous souls in every generation can truly grasp them. In our everyday lives, these concepts help us differentiate reality from illusion.

252. Rabbi Elazar said: Father, one day when we were in the Torah academy, the friends asked why Rabbi Akiva said to his disciples. When you reach the Pure Marble Stones, do not say 'water, water,' or you may endanger yourselves, as it is written: "He that tells lies shall not remain in my sight" (Tehilim 101:7). In the meantime, the most ancient among the old came down. CHOCHMAH AND BINAH ARE CALLED 'ANCIENT' AND KETER, WHICH IS ABOVE CHOCHMAH AND BINAH, IS CALLED 'MOST ANCIENT AMONG THE ANCIENT'. AND THIS IS THE SECRET OF THE SOUL OF YECHIDAH THAT SHALL BE REVEALED IN THE WORLD AT THE END OF CORRECTION. He asked them: Sirs, what issues are you studying? They replied: Indeed WE ARE DISCUSSING what Rabbi Akiva said to his disciples about the pure marble stones. He said to them: Most certainly, here is a sublime secret, for it has been explained in the celestial Yeshiva. In order for you not to misunderstand THIS SECRET, I have come down TO CLARIFY IT. The reason is that this secret, which is concealed from the people of your generation, is already known to you. IN OTHER WORDS, BECAUSE THIS SECRET HAS BEEN REVEALED TO YOU THAT IS HIDDEN FROM THE OTHER PEOPLE OF YOUR GENERATION, IT IS NOW POSSIBLE TO EXPLAIN IT TO YOU IN FULL.

253. These are surely the pure marble stones from which pure water flows. They are alluded to BY THE TWO YUDS THAT APPEAR at the top and bottom of the letter Aleph. The letter Vav, which is placed in a diagonal between THE TWO YUDS, is the tree of Life. Whomever eats from the tree shall live forever. These two Yuds in the Aleph are hinted at in "Vayyitzer (And formed)" (Bereshheet 2:7), WHICH IS SPELLED WITH TWO YUDS. The two forming, one of the upper beings and the other of the lower beings, ARE SYMBOLIZED BY THE TWO YUDS THAT APPEAR AT THE BEGINNING AND END OF THE NAME--YUD-ALEPH-HEI-DALET-VAV-NUN-HEI-YUD-and represent Chochmah at the beginning and Chochmah at the end of the name. THEY ARE CALLED the mysteries of wisdom, because they are concealed from the supernal Chochmah, which is below the Supernal Keter.

254. These are comparable to the two eyes from which two teardrops fell into the great sea. CHOCHMAH IS CALLED EYES, AND THE RIGHT EYE IS THE UPPER CHOCHMAH AND THE LEFT EYE IS THE LOWER CHOCHMAH. Why did the teardrops fall? Because from these two tablets, Moshe gave the Torah to Yisrael, NAMELY BINAH AND MALCHUT. THE RIGHT TABLET IS BINAH, AND THE LEFT IS MALCHUT, CORRESPONDING TO THE TWO EYES. Because the children of Yisrael were not worthy of receiving them, they broke and fell AT THE SIN OF THE CALF, AS IT IS WRITTEN: "AND BROKE THEM AT THE FOOT OF THE MOUNTAIN" (SHEMOT 32:19). This caused the destruction of the first and second Temples, AS THEY ARE ALSO RELATED TO THE TWO TABLETS. THE FIRST TEMPLE IS DERIVED FROM THE RIGHT TABLET, WHICH IS THE SECRET OF THE UPPER CHOCHMAH, BINAH. AND THE SECOND TEMPLE IS DERIVED FROM THE LEFT TABLET, WHICH IS THE SECRET OF THE LOWER CHOCHMAH--MALCHUT. AND THIS IS WHY TWO TEARDROPS FELL INTO THE GREAT SEA. Why did they fall AND BREAK? Because the letter Vav flew out of them, which is the Vav of Vayyitzer. He gave them two other TABLETS from the tree of knowledge of good and evil. From there, the Torah was given in a manner of permitting and forbidding. From THE ASPECT of the right, IT GIVES life but from the left, it gives death.

252. אֲלֶעָזֶר, אָבִא, יוֹמָא חַד הוּינָא בְּבֵי מְדֻרְשָׁא, וְשָׂאִילוּ חֲבֵרָיִיא, מַאי נִיהוּ דִּיאָר עֲקִיבָא לְתַלְמִידוּי כְּשִׁתְּגִיעוּ לְאַבְנֵי שֵׁשׁ טְהוֹר, אֶל תֹּאמְרוּ מִים מִים, שְׂמָא תְּסַתְּכְנוּן גְּרַמְיִיכוּ, דְּכִתִּיב דּוּבַר שְׁקָרִים לֹא יִכּוֹן לְנַגְדַּי עֵינַי. אֲדַהֲכִי, הָא סְבָא דְסָבִין קָא נְחִית, אָמַר לוֹן, רַבְּנָן בְּמַאי קָא תְּשַׁתְּדְלוּן. אָמְרוּ לֵיהּ, וְדַאי, בְּהָא דִיאָר עֲקִיבָא לְתַלְמִידוּי כְּשִׁתְּגִיעוּ לְאַבְנֵי שֵׁשׁ וְכוּ'. אָמַר לוֹן, וְדַאי רְזָא עֲלָאָה אֵית הַכָּא, וְהָא אֹקְמוּהָ בְּמִתְיבְתָא עֲלָאָה, וּבְגִין דְּלֹא תְּטַעוּן נְחִיתְנָא לְכוּ, וּבְגִין דְּאֲתַגְלִיא רְזָא דָא בִּינְיִיכוּ דִּיאֵיהּ רְזָא עֲלָאָה, טְמִירָא מִבְּנֵי דְרָא.

253. בּוֹדַאי אַבְנֵי שֵׁשׁ טְהוֹר, אֲנוּן דְּמִנְהוּן מִיּוּן דְּכֵיּוּן נְמָקִין, וְאֵינּוּן רְמִיזוּן בְּאֵת א רִישָׁא וְסוּפָא, ו' דִּיאֵיהּ נְטוּי בִּינְיִיחָה, אֵיהּ עֵץ הַחַיִּים, מֵאן דְּאָכִיל מִנֶּיהּ, וְחֵי לְעַלְמ, וְאֵלִין ב' יוּדִין, אֵינּוּן רְמִיזוּן בּוּיַצֵּר, וְאֵינּוּן תְּרִין יְצִירוֹת, יְצִירָה דְּעֲלָאִין, וְיְצִירָה דְּתַתָּאִין, וְאֵנּוּן חֲכֵמָה בְּרֵאשׁ, וְחֲכֵמָה בְּסוּף, תְּעֻלּוּמוֹת חֲכֵמָה, וְדַאי אֲנוּן תְּעֻלּוּמוֹת מְחֲכֵמָה עֲלָאָה דְּתַחֲתוֹת כְּתֵר עֲלָאָה.

254. וְאֲנוּן לְקַבֵּל ב' עֵינַיִן, דְּבַהוּן תְּרִין דְּמַעֲיָן נְחִתוּ בְּיַמָּא רַבָּא, וְאֵמַאי נְחִתוּ, בְּגִין דְּאוּרִייתָא מִתְרִין לּוּחִין אֵלִין, הוּהּ מֹשֶׁה נְחִית לְיִשְׂרָאֵל, וְלֹא זָכוּ בְּהוּן, וְאֲתַבְּרוּ וּנְפְלוּ, וְדָא גְרִים אַבּוּדָא דְּבֵית רֵאשׁוֹן וְשֵׁנִי, וְאֵמַאי נְפְלוּ, בְּגִין דְּפִרַח ו' מְנִיּוּהוּ, דִּיאֵיהּ ו' דּוּיַצֵּר, וְיֵהִיב לוֹן אַחֲרֵינִין מְסֻטְרָא דְּעֵץ הַדַּעַת טו"ר. דְּמִתְמָן אֲתִיּוּהִיבַת אוּרִייתָא בְּאַסּוּר וְהִתֵּר מִימִינָא חַיִּי, וּמִשְׂמָאלָא מוֹתָא.

255. Because of this, Rabbi Akiva said to his disciples, "When you reach the pure marble stones, do not say, "Water, water." THIS MEANS THAT you should not compare the pure marble stones to the other stones that represent life and death, because it is written: "A wise man's heart inclines him to his right hand: but a fool's heart is to his left" (Kohelet 10:2). Not only that, but you may endanger yourselves, because these STONES of the Tree of knowledge of good and evil are in a state of separation, while the pure marble stones are in a state of unity without any separation. You may say, that when the Tree of Life departed from them AT THE SIN OF THE CALF, they fell AND broke, and therefore they were separated from each other. BUT THEN, "he that tells lies shall not remain in my sight," because there is no separation between them above. For those that broke were of those FROM THE PURE MARBLE STONES. THEREFORE, THERE IS NO SEPARATION BETWEEN THEM, JUST AS WITH THE PURE MARBLE STONES. IT IS AS IF THEY NEVER WERE BROKEN.

255. ובג"ד אמר רבי עקיבא לתלמידיו, כשתגיעו לאבני שיש טהור, אל תאמרו מים מים, לא תהוהו שקילין אבני שיש טהור לאבנין אחרנין, דאנן חיי ומותא, דמתמן לב חכם לימינו ולב כסיל לשמאלו. ולא עוד אלא אתון תסתכנון גרמיכו, בגין דאלין דעץ הדעת טור אנן בפרודא, ואבני שיש טהור אינן ביחדא בלא פרודא כלל. ואי תימרון דהא אסתלק עץ החיים מנייהו ונפלו, ואית פרודא בינייהו, דובר שקרים לא יכון לנגד עיני, דהא לית תמן פרודא לעילא דאלין דאתברו מאנן הוו. אתו לנשקא ליה, פרח ואסתלק מנייהו.

23. "And a river went out of Eden"

Within the lower spiritual realms many negative forces influence and encumber our lives. Upper Worlds, in contrast, are free of these evil entities. Meditating upon these verses connects us directly to the Upper Worlds, where we are above the influence of harmful forces.

256. Another explanation OF THE VERSE: "And a river went out of Eden" (Beresheet 2:10) is that there are no strange Klipot in the Tree of Life above, NAMELY ZEIR ANPIN OF ATZILUT, as it is written: "Nor shall evil dwell with you" (Tehilim 5:5). WHY? BECAUSE THE KLIPOT FIRST APPEAR IN THE WORLD OF BRIYAH, BELOW THE WORLD OF ATZILUT, but in the tree below IN THE WORLD OF BRIYAH does indeed have strange Klipot. THIS TREE is planted in the Garden of Eden of THE LOWER Zeir Anpin; NAMELY ZEIR ANPIN OF BRIYAH. And this TREE is CALLED Chanoch or Matatron, because in the upper Garden of Eden of the Holy One, blessed be He--NAMELY IN THE GARDEN OF EDEN OF ATZILUT--there are no devious or stubborn Klipot. For this reason, IT IS WRITTEN: "And a river went out of Eden..." The "river" - Matatron - "went out of Eden" MEANING THAT it left its pleasures (Heb. Eden), WHICH CONSISTED OF THE MOCHIN OF IMA, AS BINAH IS CALLED EDEN, AND "to water the garden" means his garden, OF MATATRON. IT IS his orchard, NAMELY MALCHUT OF THE WORLD OF BRIYAH, into which Ben Azai, Ben Zoma and Elisha entered. MATATRON'S Klipot are good from one side and evil from the other. This is WHY THE TORAH lists the permissible and the prohibited, because there are both kosher and unfit, impure and pure.

256. דבר אחר, ונהר יוצא מערן, בודאי לעילא בעץ חיים, תמן לית קליפין נוכראין הה"ד לא יגורך רע, אבל בעץ דלתתא אית קליפין נוכראין, ודאי, ואיהו נטוע בגנתא דערן דזעיר אפין, דאיהו חנוך מטטרו"ן, דג"ע דלעילא דקדוש ברוך הוא לית תמן ערטומא, למהוי תמן נפתל ועקש. ובגין דא, ונהר יוצא וגו', ויכילנא למימר במטטרו"ן, יוצא מערן מעדון דיליה, להשקות את הגן, גן דיליה, פריס דיליה, דתמן עאלו, בן עזאי ובן זומא ואלישע וקליפין דיליה, מסטרא דא טוב, ומסטרא דא רע ודא אסור והתר, כשר ופסול, טומאה וטהרה.

257. An old man stood up and said TO RABBI SHIMON: Rabbi, Rabbi, it is indeed so. THERE ARE NO KLIPOT IN ATZILUT, BUT ONLY IN BRIYAH. But MATATRON is not called the Tree of Life. THE OLD MAN WONDERS. IF RABBI SHIMON INTERPRETS THE VERSE AS APPLYING TO THE GARDEN OF EDEN IN BRIYAH, THEN HOW COULD HE INTERPRET THE VERSE: "THE TREE OF LIFE ALSO IN THE MIDST OF THE GARDEN." FOR THERE IS NO TREE OF LIFE IN THE GARDEN OF BRIYAH AND MATATRON IS NOT THE TREE OF LIFE, BECAUSE THERE IS GOOD AND EVIL IN HIM. The secret of the matter is that Vayyitzer (And...formed), WHICH IS SPELLED WITH TWO YUDS, ALLUDES TO THE TWO ACTS OF FORMING: One is the forming of good and the other is the forming of evil. This is the Tree of knowledge of good and evil, WHICH INCLUDES THESE TWO FORMS. The Tree of knowledge is the small man from which derive death and life, which represent the forbidden and the permissible. IN OTHER WORDS, THE FORBIDDEN IS DEATH AND THE PERMISSIBLE LIFE. Of such a man it is written: "And Hashem Elohim formed man of the dust of the ground" (Beresheet 2:7).

257. קם חד סבא ואמר, ר' ר', הכי הוא ודאי, אבל עץ חיים לא אתקרי איהו, אלא הכא הוא רזא דמלה וייצר: חד יצירה דטוב, וחד יצירה דרע, דא איהו עץ הדעת טוב ורע, עץ דא אדם זעירא מסטרא דחיים מניה, ומסטרא דמותא מניה, תמן ב' יצירות דיליה, דאנן אסור והתר, ועליה אתמר וייצר ה' אלקים את האדם עפר מן הארמה.

258. The verse continues: "And breathed into his nostrils the breath of life" (Ibid.). This is FROM the upper Shechinah, WHICH IS CALLED Eden AND repentance. Of him, it is written: "The Tree of Life also in the midst of the garden," which is the lower Shechinah. And there were three bonds CONNECTED TO HIM, Neshamah, Ruach and Nefesh. NESHAMAH EXTENDED TO HIM FROM THE UPPER SHECHINAH, RUACH EXTENDED TO HIM FROM ZEIR ANPIN OF ATZILUT AND NEFESH EXTENDED FROM THE GARDEN, WHICH IS THE LOWER SHECHINAH, ALSO CALLED MALCHUT. With them, NESHAMAH, RUACH AND NEFESH, "man became a living soul (Heb. Nefesh)." It was from His mouth indeed that he was named after the Shechinah, which is the "breath (Heb. Neshamah) of life." IT IS AS IF HE BREATHED WITH HIS OWN MOUTH INTO THE MOUTH OF ADAM, FOR THE BREATH OF LIFE IS THE LIGHT OF THE SUPERNAL SHECHINAH. Immediately after completing these words, he rose and disappeared. Rabbi Shimon said: My friends, he surely must have been an angel. In any case, we surely have confirmations.

24. "And Hashem Elohim...put him into the Garden of Eden"

This section uses a story to expand upon the previous section. God elevates Adam from the lower worlds, with their evil and negativity, to Upper Worlds, where Adam is placed in the Garden of Eden. This story mirrors our own spiritual work. The spiritual forces of the Zohar give us the strength to draw the Light of the Creator to assist us in our elevation above the negative influences of our physical existence. Through the power of this section, we gain a deeper connection to the Upper Worlds

259. AFTER THE OLD MAN FINISHED SPEAKING, RABBI SHIMON EXPLAINED THE VERSE: "And Hashem Elohim took the man, and put him into the Garden of Eden" (Beresheet 2:15). HE ASKED: From where did He take him? WHERE WAS HE BEFORE THE GARDEN OF EDEN? HE REPLIED: He took him from the four elements OF SEPARATION, as it is written: "And from thence it was parted, and branched into four streams" (Ibid. 10), WHICH IS AN ALLUSION TO THE FOUR ELEMENTS. SO THE HOLY ONE, BLESSED BE HE, detached ADAM from THE FOUR ELEMENTS and "put him into the Garden of Eden" IN ATZILUT.

260. JUST AS THE HOLY ONE, BLESSED BE HE, ELEVATED ADAM FROM THE WORLDS OF BRIYAH, YETZIRAH AND ASIYAH OF SEPARATION TO THE GARDEN OF EDEN, so the Holy One, blessed be He, shall do to a man created from these four elements when he repents and studies the Torah. THEN the Holy One, blessed be He, shall take THE REPENTANT from BRIYAH, YETZIRAH AND ASIYAH OF SEPARATION. About THE ELEMENTS OF SEPARATION, it is written: "And from thence it was parted", as He detached him from their lusts and put him in His own garden, which is the Shechinah, NAMELY MALCHUT, "to till it", TO SERVE THE SHECHINAH, by means of the positive precepts and "to keep it" (Beresheet 2:16) by means of negative precepts. If A PERSON has the merit "to keep" the Shechinah, he shall become master of the four elements OF HIS BODY. And he becomes a river from which they are watered, and not watered by any other; REFERRING TO THE OTHER SIDE. And they recognize him as their master and ruler.

261. If he transgresses THE PRECEPTS OF the Torah, THE FOUR ELEMENTS OF HIS BODY shall be watered by the bitterness of the Tree of Evil, which is the evil inclination. It is written about all the parts of the body that are made of the four elements in him, "And they made their lives bitter with hard bondage..." (Shemot 1:14). They made them bitter by the bitterness of the gallbladder (Heb. marah). Of the sacred parts of the body, which are from the side of good, it is written: "And when they came to Marah (lit. 'bitter'), they could not drink of the waters of Marah, for they were bitter..." (Shemot 15:23). Similarly, the sages of the Mishnah said that the verse, "And they made their lives bitter in hard bondage..." refers to hard questions, "in mortar" (Heb. chomr), and "in brick" (levenah) in clarifying (libun), the Halachah, 'And in all manner of bondage in the field', allude to the Barayta, 'All their bondage'-- namely the Mishnah. BECAUSE OF THEIR SINS AND TRANSGRESSION, THE OTHER SIDE CLEAVED TO ALL THE PARTS OF THEIR STUDY OF THE TORAH. AS OUR SAGES OF BLESSED MEMORY SAID, IF A MAN IS NOT WORTHY, THE TORAH BECOMES TO HIM A DEADLY POISON.

262. If they repent, it is said of them: "And Hashem showed him a tree" (Ibid. 25), the Tree of Life by which "the waters were made sweet." AS THE BITTERNESS AND THE DEADLY POISON WERE REMOVED FROM THE TORAH, THE SWEETNESS OF IT, WHICH IS THE ELIXIR OF LIFE, WAS REVEALED TO THEM. And this TREE OF LIFE is Moshe the Mashiach (Messiah). THE SOUL OF MOSHE SHALL BE REVEALED AT THE COMING OF MASHIACH, as it is written of him BEFORE THE COMING OF MASHIACH: "The rod of the Elohim is in my hand" (Shemot 17:9); "the rod of the Elohim" is Matatron, who has life on one side and death on the other, AS HE CHANGES FROM A SERPENT TO A ROD AND FROM A ROD TO A SERPENT. When he changed into a rod, he was helpful TO MOSHE from the side of good, AND LIFE ISSUED FROM IT. But when he changed into a serpent, he worked against him, BECAUSE DEATH WAS ON HIS SIDE. So immediately, "Moshe fled from it" (Shemot 4:3).

263. The Holy One, blessed be He, delivered Matatron into the hands of Moshe, SO THAT HE MIGHT USE HIM BY THE SECRET OF THE "ROD OF THE ELOHIM." AS LONG AS IT IS IN THE HANDS OF MOSHE, IT BECOMES A ROD AND NOT A SERPENT. MATATRON is the secret of the Oral Torah, which prescribes what is forbidden and what is permitted, NAMELY THE SIDES OF GOOD AND EVIL. THIS IS SIMILAR TO MATATRON, WHO IS THE SECRET OF THE TORAH OF BRIYAH. BUT IN ATZILUT, IT IS WRITTEN: "NOR SHALL EVIL DWELL WITH YOU" (TEHILIM 5:5). AND THE ENTIRE TORAH CONSISTS OF THE HOLY NAMES OF THE HOLY ONE, BLESSED BE HE. As soon as Moshe smote the rock with the rod, the Holy One, blessed be He, removed it from Moshe's hand, as it is written: "Went down to him with a staff" (II Shmuel 23:21) to smite him with it. The staff is the evil inclination, the serpent, and everything; ALL THE TROUBLES in exile are because of THE SERPENT. IN OTHER WORDS, THE SERPENT IS THE CAUSE OF ALL THE SUFFERING AND PUNISHMENTS OF EXILE.

264. More MAY BE SAID ABOUT THE VERSE: "And from thence it was parted." Happy is the man who is occupied in the study of the Torah. When the Holy One, blessed be He, takes him away from this body--from its four elements OF SEPARATION--he is detached from them and becomes head of the four living creatures OF THE CHARIOT. It is written about them: "They shall bear you up in their hands" (Tehilim 91:12). BY DELVING INTO THE STUDY OF THE TORAH, INSTEAD OF BEING RULED OVER BY THE FOUR ELEMENTS OF SEPARATION, THE HOLY ONE, BLESSED BE HE, DETACHES HIM FROM THE LUSTS OF THE ELEMENTS OF THE BODY AND ELEVATES HIM TO BECOME HEAD OF THE FOUR HOLY LIVING CREATURES OF THE CHARIOT. AND THEY SHALL BEAR HIM UP AND CARRY HIM IN ACCORDANCE WITH THE SECRET OF THE VERSE: "THEY SHALL BEAR YOU UP IN THEIR HANDS, LEST YOU DASH YOUR FOOT AGAINST A STONE."

25. Idolatry - bloodshed - incest

These three negative actions are the primary cause of all the world's negativity. In a lengthy discussion, the Zohar expounds upon their metaphysical source. The Kabbalists teach us that idolatry does not only pertain to man-made statues and icons. An idol is defined as any material possession or external situation that controls our emotions, our behavior, or our motivation. When any such circumstance determines or influences our experience of life, we have surrendered control and severed our connection to the Light, which is the true source of fulfillment.

Often, our negative tendencies lead us to become worshippers of wealth or disciples of our own ego.

The sin of bloodshed does not refer exclusively to cold-blooded killing.

Bloodshed occurs when we publicly or privately disgrace or humiliate others, causing the blood to rush to their face out of embarrassment.

This includes, for example, character assassination caused by an evil tongue.

The Hebrew word and connotation for incest is not limited to sexual relations between direct family members. It also includes adulterous relations between a married woman and another man; a man that marries two sisters; relations between a step brother and step sister. Even though the step brother and sister are not connected by blood, a spiritual bond is created when their respective parents join together in marriage. In Kabbalah, spiritual connections are far more significant than blood relations. The spiritual forces released by the letters of this section protect and purify us from these negative actions.

265. "And Hashem Elohim commanded..." (Beresheet 2:16). THIS VERSE ALLUDES TO THE PROHIBITION OF IDOL-WORSHIPPING, WHICH IS INCLUDED WITHIN THE TREE OF KNOWLEDGE, as it has been said that the word "To command (Heb. Tzav)" is but idolatry, from where, REFERRING TO THE TREE OF KNOWLEDGE, other Elohim originate. And this, NAMELY THE KLIPAH OF IDOLATRY, DWELLS in the liver (Heb. kaved; lit. 'heavy'). THERE ARE THREE TRANSGRESSIONS PERTAINING TO THE TREE OF KNOWLEDGE, WHICH ARE IDOL WORSHIPPING, INCEST AND BLOODSHED. And this, NAMELY THE KLIPAH OF IDOLATRY, DWELLS in the liver (Heb. kaved; lit. 'heavy'). As a result, their work became heavy such is idol worship. Because OF IDOLATRY, the liver becomes angry. BY BECOMING ANGRY, THE LIVER IS PASSED ON AS A DWELLING FOR THE KLIPAH OF IDOL WORSHIPPING. It has been said that 'Whoever is angry acts as if he worships idols,' and IT IS WRITTEN: "And...command" TO TEACH US ABOUT THE TRANSGRESSION OF IDOL WORSHIPPING, WHICH IS INCLUDED WITHIN THE TREE OF KNOWLEDGE.

266. THE PHRASE, "the man" alludes to the prohibition of bloodshed, WHICH IS INCLUDED WITH THE TREE OF KNOWLEDGE, as it is written: "Who so sheds man's blood, by man shall his blood be shed" (Beresheet 9:6). FROM HERE, WE NEED TO DRAW AN ANALOGY. HERE IT SAYS, "THE MAN" AND THERE MAN IS MENTIONED IN CONNECTION WITH BLOODSHED. JUST AS THERE THE WORD MAN IS CONNECTED WITH BLOODSHED, SO HERE (BERESHEET 2:16), MAN IS CONNECTED WITH BLOODSHED. THEREFORE, BOTH ISSUES DEAL WITH BLOODSHED. THE KLIPAH OF BLOODSHED RESIDES WITHIN the gall (Heb. marah); it is the sword of the Angel of Death BY WHICH HE KILLS HUMAN BEINGS, AS IT SAYS THAT A DROP OF BITTERNESS (HEB. MARAH) HANGS FROM THE SWORD OF THE ANGEL OF DEATH, BY WHICH ONE DIES. The verse also says, "But her end is bitter as wormwood, sharp as a two-edged sword" (Mishlei 5:4). THE WORD "saying" (Beresheet 2:16) IN THIS VERSE alludes to THE PROHIBITION OF incest, WHICH IS PART OF "THE TREE OF KNOWLEDGE." THE KLIPAH OF INCEST RESIDES IN the spleen, about which it is written: "She eats, and wipes her mouth..." (Mishlei 30:20), because the spleen has neither mouth nor arteries THROUGH WHICH IT CAN SUCK BLOOD. Therefore, it sucks black blood from the liver, even though it has no mouth. This IS WHY IT IS WRITTEN: "She eats, and wipes her mouth." All those who shed blood come from THE KLIPAH THAT RESIDES IN the gall, so the arteries in the heart avoid the bile and IMMEDIATELY flee from it.

267. Those who commit incest hide in the dark, AS IT IS WRITTEN: "THE EYE ALSO OF THE ADULTERER WAITS FOR THE TWILIGHT, SAYING, NO EYE SHALL SEE ME..." (IYOV 24:15). THIS IS AN ALLUSION TO the black blood of the spleen, WHERE THE KLIPAH OF INCEST RESIDES, AS BLACK BLOOD IS SIMILAR TO DARKNESS. The soul of whoever commits bloodshed, idolatry or incest shall be reincarnated inside THE THREE FORMS OF KLIPAH: the liver, the gall and the spleen. And it is sentenced in Gehenom by three evil rulers CALLED the destroyer, anger and wrath.

268. There are fifteen forms of incest (sexual misconduct), which are equivalent to the numerical value of Yud-Hei OF THE NAME YUD-HEI-VAV-HEI, and the other six are equivalent to the Vav OF THE NAME YUD-HEI-VAV-HEI. EVEN before the children of Yisrael were exiled and the Shechinah was still with them, the Holy One, blessed be He, commanded Yisrael, "The nakedness of your mother, shall you not uncover" (Vayikra 18:7). THEY SHOULD NOT HARM THE SHECHINAH, WHICH IS THE MOTHER OF YISRAEL. So this exile is CONSIDERED the uncovering of the nakedness of the Shechinah, as it is written: "For your transgressions was your mother put away" (Yeshayah 50:1). Therefore, because OF THE TRANSGRESSIONS OF incest, the children of Yisrael were banished and the Shechinah was condemned to exile. This is the uncovering of the nakedness of the Shechinah, BECAUSE THE GOING OF THE SHECHINAH INTO EXILE IS CONSIDERED TO BE HER NAKEDNESS, AS IT IS WRITTEN: "ALL THAT HONORED HER DESPISE HER, BECAUSE THEY HAVE SEEN HER NAKEDNESS" (EICHAH 1:8). The nakedness OF THE SHECHINAH is Lilit, the Mother of the mixed multitude. IT IS CONSIDERED NAKEDNESS BECAUSE THE RULE OF THE SHECHINAH, THE MOTHER OF YISRAEL, AND HER BOUNTY

PASSED TO LILIT, THE MOTHER OF THE MIXED MULTITUDE. The mixed multitude, WHICH HAS CONTROL OVER YISRAEL IN EXILE, REPRESENTS the nakedness OF THE SHECHINAH and the nakedness of supernal Yisrael, WHO IS ZEIR ANPIN, THE HUSBAND OF THE SHECHINAH. And of this SUPERNAL YISRAEL, it is written: "The nakedness of your father shall you not uncover" (Vayikra 18:7). BECAUSE WHEN THE SHECHINAH IS IN EXILE, LILIT AND THE MIXED MULTITUDE RECEIVE HIS ABUNDANCE, WHICH WAS SUPPOSED TO BE GIVEN TO THE SHECHINAH. FOR THIS REASON, THE EXILE IS CONSIDERED THE NAKEDNESS OF SUPERNAL YISRAEL.

269. Those WHO COMMIT INCEST separate the UPPER Hei OF YUD-HEI-VAV-HEI from the LOWER Hei OF YUD-HEI-VAV-HEI, so that the Vav OF YUD-HEI-VAV-HEI may not come between them, as it is written: "You shall not uncover the nakedness of a woman and her daughter" (Ibid. 17). THE UPPER HEI IS THE MOTHER AND THE LOWER HEI IS HER DAUGHTER. BECAUSE THE VAV CANNOT COME BETWEEN THEM AND ALLOW THE ABUNDANCE FROM THE MOTHER TO REACH THE DAUGHTER, THEY ARE BOTH HARMED AND DEJECTED, BECAUSE THE ACTS OF BLOCKING AND PREVENTING THIS ABUNDANCE FROM REACHING THE LOWER HEI IS CONSIDERED TO BE HER NAKEDNESS AS WELL. And THE MOTHER AND THE DAUGHTER are the upper Shechinah, NAMELY MOTHER, and the lower Shechinah, NAMELY HER DAUGHTER. DURING EXILE, THE REASON WHY THE VAV CANNOT COME BETWEEN THE UPPER AND LOWER HEI IS THAT the mixed multitude--which are the Nefilim, the Giborim, the Amalekim, the Refaim and the Anakim (WHOSE INITIALS SPELL NEGA RA, WHICH MEANS EVIL INFLICTION)--MIGHT COME FORTH AND RECEIVE THE ABUNDANCE FROM THAT VAV. THUS, the Holy One, blessed be He, WHO IS THE VAV, is not permitted to come between them. The secret of this issue LIES IN THE VERSE: "And the river shall be wasted and dried up" (Yeshayah 19:5). The abundance of the upper Hei, WHICH IS CALLED THE RIVER, shall be wasted and the lower Hei, WHICH DOES NOT RECEIVE THE ABUNDANCE, shall dry up. And ALL THIS IS for the purpose of not allowing the mixed multitude to nourish themselves from the Vav, which is the Tree of Life. Therefore, the Vav is not permitted between the UPPER Hei and the LOWER Hei at the time when the mixed multitude is between them, DURING EXILE, AT TIME OF EXILE WHEN THEY MIGHT COME AND DRAW SUSTENANCE FROM THEM.

270. There is no permission for the letter Yud OF THE NAME OF YUD-HEI-VAV-HEI to approach the lower Hei, BECAUSE THEN THE MIXED MULTITUDE MIGHT DRAW ITS SUSTENANCE FROM IT. SO it is written: "You shall not uncover the nakedness of your daughter in law" (Vayikra 18:15)--AS THE LOWER HEI IS CONSIDERED TO BE THE DAUGHTER-IN-LAW OF YUD; FOR YUD IS THE FATHER, HEI THE MOTHER AND VAV IS THE SON OF YUD AND THE HUSBAND OF LOWER HEI. THUS, LOWER HEI IS A DAUGHTER TO THE UPPER HEI AND IS THE DAUGHTER-IN-LAW TO YUD, BEING VAV'S WIFE, YUD'S SON. IF YUD WILL POUR ITS ABUNDANCE TO THE DAUGHTER-IN-LAW WHEN LOWER HEI IS IN EXILE, THE MIXED MULTITUDES WILL RECEIVE THE ABUNDANCE AND THE NAKEDNESS OF THE DAUGHTER-IN-LAW IS REVEALED. They separate the Vav and the upper Hei, as it is written: "The nakedness of your father's wife shall you not uncover" (Ibid. 8), because the Yud is the father, the Hei is the mother, the Vav is the son and the LOWER Hei is the daughter. For this reason, He commanded him in regard to the upper Hei: "The nakedness of your father's wife shall you not uncover", AS THE UPPER HEI IS HIS FATHER'S WIFE. THUS, IF VAV APPROACHED HEI IN EXILE, THE MIXED MULTITUDE WOULD REPLENISH ITSELF FROM THE ABUNDANCE, CAUSING THE NAKEDNESS OF THE FATHER'S WIFE TO BE REVEALED, AS THIS ABUNDANCE IS HERS. "The nakedness of your sister, the daughter of your father" (Ibid. 9) is the lower Hei, about which it is written: "Neither shall you take her son's daughter, or her daughter's daughter, to uncover her nakedness" (Ibid. 17). These are the two fully spelled letters Hei-Aleph, Hei-Aleph, which are the offspring of the LOWER Hei. "You shall not uncover the nakedness of your father's brother" (Ibid. 14) is the outstretched form of the letter Yud, as in Yud-Vav-Dalet, which is the offspring of the letter Yud OF YUD-HEI-VAV-HEI, and so the brother of Vav.

269. וְאֵנוּן אֶפְרַיִשׁוּן בֵּין ה' ה', דְּלֹא אֶתְקַרְיֵב ו' בִּינְיָהוּ, הֵה"ד עֲרוֹת אִשָּׁה וּבִתָּהּ לֹא תִגְלֶה, וְאֵנוּן שְׂכִינְתָא עֲלָאָה וְתַתָּאָה, דְּבִזְמַנָּא דְּעֵרֵב רַב דְּאֵנוּן נְפִילִים, גִּבּוֹרִים, עֲמֻלְקִים, רַפְאִים, עֲנָקִים, בֵּין ה' ה' לִית רִשׁוֹ לְקָרוֹשׁ בְּרוּךְ הוּא לְקָרְבָא בִּינְיָהוּ, וְרִזָּא דְּמִלָּה וְנִהַר יַחֲרֵב וְיִבֵּשׁ, יַחֲרֵב בְּה' עֲלָאָה, וְיִבֵּשׁ בְּה' תַּתָּאָה, בְּגִין דְּלֹא יִתְפַּרְנְסוּן עֵרֵב רַב מִן ו', דְּאִיהוּ עַץ הַחַיִּים וּבְגִין דָּא לִית קְרִיבוֹ לִו' בֵּין ה' ה', בְּזַמְנָא דְּעֵרֵב רַב בִּינְיָהוּ.

270. וְלִית רִשׁוֹ, לֹאֵת י' לְקָרְבָא בְּה' תַּנְיִנָּא, הֵה"ד עֲרוֹת כְּלַתְךָ לֹא תִגְלֶה. וְאֵנוּן אֶפְרַיִשׁוֹ בֵּין ו' לָה' עֲלָאָה, הֵה"ד עֲרוֹת אִשְׁתְּ אַבִּיךָ לֹא תִגְלֶה דִּי אִיהוּ אָב, ה' אָם, ו' בֶּן, ה' בַּת. וּבְגִין דָּא מִנִּי לְגַבִּיּהּ ה' עֲלָאָה, עֲרוֹת אִשְׁתְּ אַבִּיךָ לֹא תִגְלֶה. עֲרוֹת אַחוֹתֶךָ בַּת אַבִּיךָ, דָּא ה' תַּתָּאָה. אֵת בַּת בְּנָהּ וְאֵת בַּת בִּתָּהּ, אֵנוּן ה"א ה"א דְּאֵנוּן תּוֹלְדִין דְּה'. עֲרוֹת אַחֵי אַבִּיךָ דָּא יו"ד דְּאִיהוּ תּוֹלְדָה דְּאֵת י', וְאִיהוּ אַח לֹא יו"ד.

271. Consequently, as long as the mixed multitude is mixed among Yisrael, there can be no unity among the members and no adjoining of the letters of the name Yud-Hei-Vav-Hei. As soon as the mixed multitude is annihilated from the world, it is said of the letters of the Name of the Holy One, blessed be He, that "on that day Hashem shall be one, and his name 'One'" (Zecharyah 14:9). Therefore, WHEN THE MIXED MULTITUDE IS NOT MIXED AMONG YISRAEL, men--that is, Yisrael--shall be one with the Torah, about which it is said: "She is a Tree of Life to those who lay on her" (Mishlei 3:18). And she, THE TORAH, IS THE ASPECT OF the Queen, Malchut, from whose aspect the children of Yisrael are called the kings' children. THAT IS, THEY ARE CALLED THE TORAH OF ATZILUT, WHICH IS COMPOSED ENTIRELY OF THE NAMES OF THE HOLY ONE, BLESSED BE HE.

272. For this reason, the Holy One, blessed be He, said, "It is not good that the man should be alone; I will make him a help to match him." (Beresheet 2:18). The phrase: "A HELP TO MATCH HIM" IS a deputy (Mishneh) TO THE QUEEN, the wife of that youth, NAMELY MATATRON. IN OTHER WORDS, THIS MEANS IT IS NOT GOOD FOR MAN TO BE ALONE IN THE TORAH OF ATZILUT. SO I WILL MAKE HIM A HELP TO MATCH HIM BY THE TORAH OF BRIYAH, WHO IS THE WIFE OF MATATRON AND IS NOT THE ASPECT OF MALCHUT, THE QUEEN. BUT INDEED, SHE IS CALLED MISHNEH TORAH, BEING SECOND TO THE TORAH OF ATZILUT, WHICH IS THE QUEEN. She is the maidservant of the Shechinah, BECAUSE SOMETIMES SHE HELPS THE SHECHINAH AND OTHER TIMES, SHE IS MATCHED AGAINST HER. If the children of Yisrael are meritorious, then she helps them while in exile from the aspect of the permissible, the pure and the fit IN THE TORAH. But if they are not, she is a match against THE SHECHINAH from the aspect of the impure, the unfit and the forbidden IN THE TORAH. THE SECTIONS OF THE TORAH THAT DEAL WITH WHAT IS pure, permitted and kosher are RELATED TO the good inclination, WHILE THE SECTIONS OF THE TORAH THAT DEAL WITH WHAT IS unfit, impure and forbidden are RELATED TO the evil inclination. SO HAD THERE NOT BEEN AN EVIL INCLINATION IN THE WORLD, THESE SECTIONS WOULD NOT HAVE APPEARED IN THE TORAH.

273. The woman who has both pure blood and the impure blood of menstruation comes from the aspect of the deputy (Mishneh), which is imposed upon Him. Thus, she is not the spouse, His union, because there can be no union before the mixed multitude is eliminated from the face of the world. Because of THE MIXED MULTITUDE, Moshe was buried outside of the Holy Land. His burial was at the hands of the deputy (Mishneh), and no one knows the location of his grave to this day. BURIAL MEANS CONCEALMENT, WHEREAS THE RESURRECTION OF THE DEAD IS REVELATION. SO MOSHE WAS CONCEALED AND BURIED OUTSIDE THE HOLY LAND BECAUSE OF THE DOMINION OF THE DEPUTY IN THE WORLD. THIS IS WHY NO ONE CAN KNOW HIS BURIAL SITE UNTIL THE DAY OF THE END OF CORRECTION. AT THE RESURRECTION OF THE DEAD, MOSHE WILL BE REVEALED TOGETHER WITH THE TWO MESSIAHS. His being buried, THE CONCEALING OF THE SOUL OF MOSHE, COMES FROM THE POWER OF the deputy, which rules over the Queen, who is CALLED the Kabbalah (lit. receiving) of Moshe. And so the Queen departs from her husband. This is why THE SCRIPTURE SAYS: "For three things the earth is disquieted" (Mishlei 30:21), ALLUDING TO MALCHUT, THE FEMINE PRINCIPLE OF ZEIR ANPIN CALLED THE EARTH. THE PHRASE: "For a slave when he becomes king" (Ibid. 22) alludes to the specific servant, WHO IS MATATRON. "And a handmaid THAT IS HEIR TO HER MISTRESS" (Ibid. 23) ALLUDES TO the deputy, MATATRON'S WIFE and "a fool when he is filled with meat" is the mixed multitude WHOSE MEMBERS ARE CALLED "foolish people and unwise" (Devarim 32:6).

271. סוף סוף, בזמנא דערב רב מעורבין בישראל, לית קריבו ויחודא באתון שם הוי"ה, ומיד דיתמחון מעלמא אתמר באתון דקב"ה, ביום שהוא יהיה הוי"ה אחד ושמו אחד. ובג"ד אדם, האנון ישראל, אית לון יחודא באורייתא, דאתמר בה עץ חיים היא למחזיקים בה, ואיהי מטרוניתא מלכות, דמסטרעה אתקריאו ישראל בני מלכים.

26. "And out of the ground Hashem Elohim formed every beast of the field"

Here Rabbi Shimon lashes out at all those whose hearts and minds remain closed to the spiritual secrets and the soul of the Torah, which is the Kabbalah. The Zohar then proceeds to explain that Moses never died. To this very day he is among us, trying to bring about the final redemption. The purpose of humanity--and especially of our generation--is to assist Moses in this critical spiritual mission. Those who remain ignorant of this purpose deny the essential meaning of their existence.

An inner awakening to our purpose in life is being aroused. This purpose should not be forgotten the moment we step back into the "real world". Through these

passages, we draw a Light that reminds us of our purpose, and inspires us to awaken it in the rest of the world.

274. RABBI SHIMON continued the discussion saying, "And out of the ground Hashem Elohim formed every beast of the field, and every bird of the air" (Bereshheet 2:19). Woe to THE PEOPLE OF the world whose hearts are closed, whose eyes are shut and who do not look into the secrets of the Torah and perceive that the "living creatures of the field" and the "bird of the air" allude to the ignorant. Even those who have ACHIEVED a living Nefesh, BUT HAVE NOT YET REACHED THE LEVEL OF LIVING RUACH, are of no service to the Shechinah in exile or to Moshe who is with her. For all the time that the Shechinah is in exile, Moshe did not move away from her.

275. Rabbi Elazar asked: Who has connected the doings of Adam to the activities of Yisrael and Moshe? IN OTHER WORDS, HE QUESTIONED THE INTERPRETATION OF HIS FATHER BY ASKING, IF THE SCRIPTURES ARE TALKING ABOUT ADAM, HOW CAN YOU APPLY THOSE FACTS TO MOSHE AND YISRAEL? RABBI SHIMON replied: My son, how can you ask such a thing? Have you not learned THE MEANING OF THE PHRASE: "Declaring the end from the beginning..." (Yeshayah 46:10)--THAT IN THE BEGINNING OF CREATION THE END OF DAYS--REFERRING TO THE END OF CORRECTION--WAS IMPLICIT. RABBI ELAZAR said to him, It is indeed so--ACKNOWLEDGING HIS FATHER.

276. RABBI SHIMON CONTINUED: Accordingly, Moshe did not die, AS HE WAS ALWAYS WITH THE SHECHINAH IN EXILE. And so he is called Adam. Of him, it is written in the final exile: "But for the man (Heb., Adam) there was not found a help" (Bereshheet 2:20), as all were matched against him. So, THIS VERSE: "But for the man there was not found a help TO MATCH HIM" was said about the Central Column, WHICH IS ZEIR ANPIN, AS THERE WAS NOBODY TO HELP MOSHE to bring the Shechinah out of exile. This is why it is written: "And he looked this way and that, and (when) he saw that there was no man (Heb., Adam)..." (Shemot 2:12). As Moshe is actually of his own aspect, LIKE THE CENTRAL COLUMN, it is said of him: "But for the man there was not found a help to match him." THE SAME WAS SAID OF THE CENTRAL COLUMN, AS WILL BE EXPLAINED SHORTLY.

277. At the time THAT "THERE WAS NOT FOUND A HELP", "Hashem Elohim caused a deep sleep to fall upon Adam" (Shemot 2:21). Yud-Hei-Vav-Hei Elohim alludes to Aba and Ima and "a deep sleep" is the exile, as it is written OF THE EXILE: "A deep sleep fell upon Avram..." (Bereshheet 15:12). HERE TOO, DEEP SLEEP ALLUDES TO EXILE. He caused a deep sleep to fall upon Moshe, and he slept, and sleep is an allusion to exile. In the phrase: "And he took one of his sides", from whose ribs did he take? HE REPLIED: Aba and Ima took one out of one of the maidens of the Queen. She is the aspect of white AND IS DESCRIBED AS "fair as the moon." "And closed up the flesh in its place" (Bereshheet 2:21) refers to the flesh OF MOSHE, about whom it is said: "For that he also (Heb. Beshagam) is flesh" (Bereshheet 6:3), BECAUSE THE NUMERICAL VALUE OF BESHAGAM IS EQUIVALENT TO THAT OF MOSHE. THEREFORE, IN THIS CONTEXT, THE TERM FLESH ALLUDES TO MOSHE'S FLESH. The flesh of Moshe is red, and it is said of him: The face of Moshe is as the face of the sun. THIS MEANS THAT JUST AS THE COLOR OF THE SUN IS REDDISH, SO IS THE COLOR OF THE FLESH OF MOSHE, AND IT IS THE ASPECT OF THE UPPER GVURAH OF IMA. This is the reason why THE VERSE IS WRITTEN: "Fair as the moon, clear as the sun" (Shir Hashirim 6:10). THE RIGHT COLUMN, WHICH IS FROM THE ASPECT OF THE MAIDEN, IS CONSIDERED THE WHITE ASPECT, AND "CLEAR AS THE SUN" IS FROM THE ASPECT OF THE LEFT COLUMN AND IS CONSIDERED THE FLESH OF MOSHE.

274. עור פתח ואמר, ויצר ה' אלקים מן האדמה, כל חית השדה, וכל עוף השמים, ווי לעלמא, האנון אטימין לבא, וסתימין עיינון, דלא מסתכלין ברזי דאורייתא, ולא ידעין דודאי חית השדה ועוף השמים, אינון עמי הארץ. ואפילו באלין האנון נפש חיה, לא אשתבח בהון עור לשכינתא בגלותא, ולא למשה דאיהו עמה, דבכל זמנא דגלת שכינתא, לא זז מנה.

275. אמר רבי אלעזר, והא מאן יהב עובדא דאדם, בישראל ובמשה. אמר ליה רבי, ואנת אמרת הכי, וכי לא אוליפת מגיד מראשית אחרית, אמר ליה, הכי הוא ודאי.

276. ובגין דא משה לא מית, ואדם אתקרי איהו, ובגין דא אתמר בגלותא בתראה, ולאדם לא מצא עזר, אלא בלהו כנגדו. וכן עמודא דאמצעיתא אתמר ביה, ולאדם לא מצא עזר, דאפיק שכינתיה מן גלותא, הה"ד ויפן כה וכה וירא כי אין איש, ומשה איהו בדיוקניה ממש, דאתמר ביה לא מצא עזר כנגדו.

277. בהוא זמנא, ויפל ה' אלהים תרדמה על האדם, ה' אלהים אבא ואמא, תרדמה דא גלותא, דאתמר ביה ותרדמה נפלה על אברם. ארמי ליה על משה, ווישן, לית שינה אלא גלותא. ויקח אחת מצלעותיו, מצלעותיו דמאן, אלא מאלין עולמין דמטרוניתא, נטלו אבא ואמא חד מנייהו, ואיהו סטרא חוורא, יפה כלבנה. ויסגור בשר תחתנה, דא בשר דאתמר ביה בשגם הוא בשר, בשר דמשה סומק, ועליה אתמר פני משה כפני חמה, ובגין דא יפה כלבנה ברה כחמה.

278. Another explanation OF THE VERSE: "And closed up the flesh" (Bereshheet 2:21) is that they wanted to protect her FROM THE EXTERNAL FORCES, AS "CLOSE UP" MEANS TO PROTECT. It is written: "And Hashem shut him in (lit. 'closed up after him')" (Bereshheet 7:16), BECAUSE BY THE HOLY GVURAH OF THE RED FLESH OF MOSHE, THE EXTERNAL FORCES ARE MADE TO FLEE. Another explanation of the phrase: "And closed up" is THAT IT MEANS TO ACTUALLY CLOSE AND PUT WITHIN A LIMIT, AS IT IS WRITTEN: "Over against the border..." (Shemot 25:27). So a frame is established BY THE RED FLESH OF MOSHE, wherein the Queen--NAMESLY MALCHUT--"shall be shut for six working days" (Yechezkel 46:1), TO BE OPEN ON SHABBAT ALONE.

278. דְּבַר אַחַר וַיִּסְגַּר בָּשָׂר, בְּעֵאָן לֹאֲנָא בַּה עֲלִיָּה, הַה"ד וַיִּסְגַּר ה' בְּעַדּוֹ. דְּבַר אַחַר, וַיִּסְגַּר, כַּד"א לְעוֹמַת הַמַּסְגֵּרַת, מַסְגֵּרַת מִתְקַיֵּימַת, דְּבַה מְטְרוֹנִיתָא יְהִיָּה סְגוּר שֵׁשֶׁת יָמֵי הַמַּעֲשֶׂה.

27. "And of the side...made a woman"

The first soul mate union occurred between Adam and Eve. Soul mates are, in effect, two halves of one soul who have separated upon entering the physical realm. Eventually, all people will be worthy to discover their true soulmate. Learning from this section helps to accelerate the process.

279. The phrase: "And of the side, which Hashem Elohim had taken from man, he made a woman" (Bereshheet 2:22) hints at the secret of levirate marriage. It is said of the deceased husband's brother that once he did not build, he shall never build again, as it is written: "That will not build up his brother's house" (Devarim 25:9). In reference to the Holy One, blessed be He, though, it is written: "Hashem Elohim...built." EVEN THOUGH HE DID NOT BUILD THE SHECHINAH WHILE IN EXILE, HE IS STILL ABLE TO REDEEM HER, BECAUSE HASHEM ELOHIM--NAMESLY ABA AND IMA--BUILT HER FOR HIM. SINCE HE DID NOT BUILD HER, THE VERSE: "ONCE HE DID NOT BUILD, HE SHALL NEVER BUILD AGAIN" DOES NOT APPLY TO HIM. Thus, it is written: "Hashem builds Jerusalem" (Tehilim 147:2). "JERUSALEM," BEING THE SHECHINAH, IS BUILT USING THE FOUR LETTERS OF YUD-HEI-VAV-HEI. The letter Vav, WHICH ALLUDES TO ZEIR ANPIN, is the son of Yud-Hei OF YUD-HEI-VAV-HEI, WHICH ALLUDES TO ABA and IMA. About them, it is written: "And of the side, which Hashem Elohim had taken from man", from the Central Column. "And brought her to the man" MEANS THAT He brought him to the rib, which he had taken from the LOWER Hei OF YUD-HEI-VAV-HEI, which is His maiden, WHO IS MALCHUT OF ZEIR ANPIN HIMSELF, NOT MALCHUT OF MALCHUT.

279. וַיִּבֶן ה' אֱלֹהִים אֶת הַצֶּלַע, הִכָּא אֶתְרַמְיֹז רִזָּא, דִּיבּוּם, דְּאָמְרוּ בֵּיה בֵּינָן שְׁלֵא בְּנָה שׁוּב לֹא יִבְנָה, הַה"ד אֲשֶׁר לֹא יִבְנָה אֶת בַּיִת אָחִיו. אָבֵל לְגַבְיֵי קְדוּשׁ בְּרוּךְ הוּא אֶתְמַר בֵּיה, וַיִּבֶן ה' אֱלֹהִים אָבָא וְאִמָּא, בְּנֵי לָה לְגַבְיָהּ, הַה"ד בּוֹנֵה יְרוּשָׁלַם ה'. ו' דְּאִיהוּ בֶן י"ה אָבָא וְאִמָּא, עֲלִיָּהוּ אֶתְמַר וַיִּבֶן ה' אֱלֹהִים אֶת הַצֶּלַע אֲשֶׁר לָקַח מִן הָאָדָם, דָּא עִמְדָא דְאִמְצָעִיתָא. וַיְבִיֵאָה אֶל הָאָדָם, אִיִּיתֵי לִיה לְגַבְיֵי צֶלַע, דְּנִטִּיל מִן ה', עוֹלִימָא דִּילָהּ.

280. And of MALCHUT OF MALCHUT, it is written: "For I, says Hashem, will be to her a wall of fire round about" (Zecharyah 2:9). SO IT IS SAID OF HER: "FOR I...WILL BE TO HER A WALL OF FIRE", MEANING THAT SHE HAS BECOME A WALL OF FIRE AROUND JERUSALEM TO PROTECT IT FROM THE MIXED MULTITUDE. AT THE END OF THE CORRECTION, THE HOLY ONE, BLESSED BE HE, SHALL BRING HER DOWN FROM ABOVE, BUILT ACCORDING TO THE SECRET OF THE PHRASE: "O JERUSALEM, BUILT" (TEHILIM 122:3). Therefore, on this mountain--MALCHUT OF MALCHUT--the Temple shall be built by the Holy One, blessed be He, and shall exist for generation after generation ETERNALLY. Of it, it is written: "The glory of this latter house shall be greater than that of the former" (Chagai 2:9), because the first TEMPLE was built by man, REFERRING TO KING SOLOMON, whereas the LATTER shall be built by the Holy One, blessed be He. Thus, it is written: "Unless Hashem builds the house, they who build it labor in vain" (Tehilim 127:1), BECAUSE THE FIRST AND SECOND TEMPLES, WHICH WERE NOT BUILT BY THE HOLY ONE, BLESSED BE HE, HAD NO ETERNAL EXISTENCE. AND "THEY WHO BUILD IT LABOR IN VAIN."

280. וְעֵלָה אֶתְמַר וְאִנִּי אֶהְיֶה לָּהּ נֶאֱמַר ה' חוֹמַת אֲשֶׁר סָבִיב, וּבְגִין דָּא בְּטוּרָא דָּא אֶתְבְּנִי בֵּי מְקַדְשָׁא עַל יְדָא דְקְדוּשׁ בְּרוּךְ הוּא יְהִי קִיּוּמָא לְדַרְי דְרִין. וְעֲלִיָּה אֶתְמַר גְּדוּל יְהִיָּה כְבוֹד הַבַּיִת הַזֶּה הָאֲחֵרוֹן מִן הָרִאשׁוֹן, דְּקַדְמָאָה אֶתְבְּנִי עַל יְדָא דְבַר נֶשׁ וְהִיא עַל יְדָא דְקַדְשָׁא בְרוּךְ הוּא, וּבְגִין דָּא אִם ה' לֹא יִבְנֶה בַּיִת שׁוּא עִמְלוּ בּוֹנֵיו בּוּ.

281. Thus, it is said of THE FUTURE CORRECTION BY Moshe AND THE TWO MASHICHIM (MESSIAHS): "And of the side, which Hashem Elohim had taken from man, he made..."; WHICH IS comparable to: "And for the second side of the tabernacle..." (Shemot 26:20). The side comes from the aspect of Chesed, WHICH IS THE ASPECT OF white. Because of this, it is called the moon (lit. 'white') AFTER THE LIGHT OF CHESED, WHICH IS WHITE. The phrase: "And closed up the flesh in its place" refers to the flesh that is red and comes from the aspect of Gvurah, FOR THE SUPERNAL GVURAH OF BINAH IS CONSIDERED RED. THE FEMININE PRINCIPLE consists of both of them, OF BOTH RED AND WHITE, WHICH ARE ALSO CHESED AND GVURAH. At that time, IT IS WRITTEN OF MALCHUT: "His left hand is under my head, and his right hand embraces me" (Shir Hashirim 2:6). THE "LEFT HAND" ALLUDES TO THE RED FLESH-GVURAH--AND "HIS RIGHT HAND" TO THE LIGHT OF CHESED--WHICH IS WHITE AND CALLED SIDE.

282. "This is now bone of my bones, and flesh of my flesh..." (Bereshheet 2:23). This is SAID OF the Shechinah, the betrothed maiden, to the Central Column, WHICH IS ZEIR ANPIN. It is said of her: "This is now...". IN OTHER WORDS, I know that she is a "bone of my bones, and flesh of my flesh." AND SO, "she shall be called Woman." Indeed, AS SHE IS BUILT by the aspect of the High One--that is Ima, THE UPPER HEI OF YUD-HEI-VAV-HEI--"because she was taken out of man", that is, from the aspect of Aba--which is the letter Yud OF YUD-HEI-VAV-HEI. And so THE PHRASES CONCERNING Moshe ARE CLARIFIED, as he is in the image of THE CENTRAL COLUMN FROM THE ASPECT OF THE SOULS below IN BRIYAH, YETZIRAH AND ASIYAH.

283. At that time, the children of Yisrael shall each merit to receive his soulmate. Thus, it is written: "A new heart also will I give you, and a new spirit will I put within you..." (Yechezkel 36:26). It is written "your sons and your daughters shall prophesy..." (Yoel 3:1). These are the new souls that shall appear among Yisrael in the future, as is stated: MASHIACH son of David shall not come until all the souls of the body are exhausted, REFERRING TO THE OLD SOULS. Only then shall the new SOULS come.

284. At that time, the mixed multitude shall be eliminated from the world. And it shall be said of Yisrael and of Moshe, each with his spouse: "And they were both naked, the man and his wife, and they felt no shame" (Bereshheet 2:25). THEY WILL NOT REQUIRE ANY CLOTHING TO COVER THEIR NAKEDNESS, because the nakedness--REFERRING TO THE MIXED MULTITUDE, who brought exile into the world--shall be removed from the world.

281. וְכֵן אֶתְמַר בְּמֹשֶׁה, וַיִּבֶן ה' אֱלֹקִים אֶת הַצֶּלַע, כַּד"א וּלְצֶלַע הַמִּשְׁכָּן הַשֵּׁנִית, צֶלַע וְדָאֵי מִסְטָרָא דְחֶסֶד חוּר, מִתְמַן אֶתְקֵרִיאת סִיְהָרָא. וַיִּסְגַּר בְּשָׂר תַּחְתְּנָה, בְּשָׂר דְּאִיהוּ סוּמְק מִסְטָרָא דְגְבוּרָה, וְאֶתְכֵלִיל בְּתֵרוּוּיָהּ. בְּהוּא זְמַנָּא, שְׂמָלוּ תַּחַת לְרֵאשֵׁי וַיְמִינוּ תַּחְבְּקֵי.

28. Hevel-Moshe

The Zohar reveals a secret pertaining to Cain and Abel. Moses is the reincarnated soul of Abel, and Jethro, Moses' father-in-law, is the reincarnation of Cain. Metempsychosis--reincarnation--is an integral part of Kabbalah, and is secretly interwoven through all the stories of the Torah. In this connection, Kabbalah teaches that many of the crises that confront us in life are spiritual baggage from misdeeds in previous incarnations. Spiritual corrections not achieved in one life are carried over into the next. This process is called Tikune, or correction. As we make our visual connections to the ancient text of the Zohar, we can connect to our previous incarnations and make some spiritual corrections simply by meditating with that intention.

285. Of THE MIXED MULTITUDE it is written: "Now the serpent was craftier than any beast of the field" (Beresheet 3:1). Here, "craftier" means to do evil more than all the other animals, which are the other idolatrous nations of the world. THE MEMBERS OF THE MIXED MULTITUDE are the children of the primordial Serpent that seduced Chavah BY THE TREE OF KNOWLEDGE, so the mixed multitude is indeed the impurity that the Serpent injected into Chavah. From this impurity, WHICH IS CONSIDERED THE MIXED MULTITUDE, KAYIN came forth and slew Hevel the shepherd, of whom it is written: "For that he also is (Heb. Beshagam) flesh" (Beresheet 6:3). Beshagam is Hevel and is definitely Moshe, BECAUSE THEIR NUMERICAL VALUES ARE EQUAL TO EACH OTHER AND, AS IS KNOWN, MOSHE IS THE REINCARNATED SOUL OF HEVEL. And he was the first-born of Adam.

286. In spite of all this, because Moshe wanted to cover the nakedness of his father, he took the daughter of Yitro TO BE HIS WIFE. Of YITRO, it is written: "And the children of the Keni, Moshe's father-in-law...(Shoftim 1:16). This has already been explained. Why was he called Keni? Because he detached himself from Kayin, as it is written: "Now Chever the Keni...had severed himself from Kayin..." (Shoftim 4:11). After HE SEPARATED THE MIXED MULTITUDE FROM THE SOUL OF KAYIN, he sought to bring them to repent to cover the nakedness of his father, WHO IS ADAM. Because the Holy One, blessed be He, attached a good thought to an action, the Holy One, blessed be He, said to Moshe: "Beware of them, of that evil stock. BUT ALL THE SAME I SHALL COUPLE YOUR GOOD THOUGHT--OF WANTING TO CAUSE THEM TO REPENT--WITH ACTION." The MIXED MULTITUDE IS THE FORCE OF SEPARATION LYING IN THE TREE OF KNOWLEDGE OF GOOD AND EVIL, WHICH BROUGHT the sin upon Adam. And of the multitude, it is said to him: "But of the Tree of knowledge of good and evil, you shall not eat of it" (Beresheet 2:17). These also brought the sin upon Moshe and Yisrael.

287. Because OF THE MIXED MULTITUDE, the children of Yisrael were driven from their land and sent into exile, as it is written: "So he drove out the man (Adam)" (Beresheet 3:24), in which the man is certainly AN ALLUSION TO Yisrael. Moshe was also driven from his place. WHY? BECAUSE HE DID NOT PROTECT HIMSELF FROM THEM AS THE HOLY ONE, BLESSED BE HE, WARNED HIM. INSTEAD, HE TRIED TO BRING THEM CLOSE TO THE HOLINESS. He therefore was not worthy of entering the Holy Land: he was buried outside of it. Because of them, he disobeyed the command of the Holy One, blessed be He, and sinned in striking the rock. Even though He told him: "And speak to the rock" (Bemidbar 20:8), MOSHE STRUCK IT INSTEAD. This was brought about BY THE MIXED MULTITUDE. In spite of all this, the Holy One, blessed be He, attaches a good thought to an action and knew that Moshe would not have welcomed THE MIXED MULTITUDE TO offer them the sign of the Covenant, but solely to cover the nakedness of his father. Thus, the Holy One, blessed be He, said to him, "And will make of you a greater nation and mightier than they" (Bemidbar 14:12). As for THE MIXED MULTITUDE, He said, "Whosoever has sinned against me, him will I blot out of my book" (Shemot 32:33). They are the seed of Amalek, of whom it is written: "You shall blot out the remembrance of Amalek" (Devarim 25:19). And they ALSO BROUGHT THE SIN OF THE CALF UPON YISRAEL, causing two tablets of the Torah to shatter.

285. ועלייהו אתמר, והנחש היו ערום מכל חית השדה וגו', ערום לרע מכל חיוון האומין דעלמא עעכו"ם, ואנון בנוי דנחש הקדמוני, דפתי לחוה, וערב רב ודאי אינון הוּוּ זוהמא דאטיל נחש בחוה, ומההיא זוהמא נפק קין, וקטל להבל רועה צאן דאתמר ביה בשגם הוא בשר, בשגם זה הבל. בשגם ודאי איהו משה וקטיל ליה, ואיהו הוה ברא בוכרא דאדם.

288. Immediately, it is written: "And the eyes of them both were opened, and they knew that they were naked" (Bereshheet 3:7), as Yisrael knew in the exile of Egypt (Egypt) THAT THEY WERE NAKED without the Torah. It is written of them at the last exile: "Yet you were naked and bare" (Yechezkel 16:7), BECAUSE YISRAEL RECEIVED GARMENTS FOR THEIR SOULS FROM THE TORAH AND ITS PRECEPTS. THEREFORE, WHILE THEY WERE IN EXILE IN EGYPT (EGYPT), AND DURING THE LAST EXILE, THEIR SOULS WERE PERFORCE NAKED WITHOUT THE TORAH. Because of this, Iyov said twice, OF THE TWO EXILES, "Naked came I out of my mother's womb, and naked shall I return there" (Iyov 1:21). THE FIRST TIME HE SAID "NAKED" ALLUDED TO THE EXILE IN EGYPT (EGYPT), WHEREAS THE SECOND TIME ALLUDED TO THE LAST EXILE. So the name Moshe changed for the mixed multitude into desolation (Heb. Shamah) and an object of scorn. AND THIS IS RELATED TO WHAT IYOV SAID, "And naked shall I return there (Heb. Shamah)", alluding to the fact that he, MOSHE, shall change INTO SHAMAH among THE MIXED MULTITUDE in the last exile. And he shall walk among them and "return there (Heb. Shamah)". This is why IYOV said, "Hashem gave, and Hashem has take away; blessed be the name of Hashem" (Ibid.), MEANING, "HASHEM GAVE" THE TORAH AND HE "HAS TAKEN IT AWAY" IN THE LAST EXILE FROM YISRAEL. "BLESSED BE THE NAME OF HASHEM."

289. When the two tablets of the Torah were broken and the Oral Torah WAS CONCEALED, it was written OF YISRAEL: "And they sewed fig leaves together" (Bereshheet 3:7), MEANING THAT they were covered by many layers of Klipot of the mixed multitude. This was because they were naked WITHOUT THE TORAH. THEREFORE, THEY WERE COVERED in order not to reveal their nakedness, WHICH IS THE PLACE ONTO WHICH THE KLIPOT CLING. Their covering is the fringes of the Tzitzit and the straps of the Tfilin, about which it is said, "did Hashem make coats of skins, and clothed them" (Bereshheet 3:21). But of the Tzitzit, IT IS WRITTEN: "And they sewed fig leaves together, and made themselves loincloths." THE PHRASE: "And made themselves loincloths" is comparable to "Gird your sword upon your thigh, O mighty warrior" (Tehilim 45:4), WHICH IS AN ALLUSION TO the recital of the Shma, BECAUSE THIS PRAYER IS LIKE A SWORD AGAINST THE KLIPOT, WHICH IS GIRDED AT THE HIP. Of the recital of the Shma, it is written: "The high praises of El are in their mouth, and a two-edged sword in their hand" (Tehilim 149:6). Therefore, it is said OF THIS PRAYER, "And made themselves loincloths."

29. Evil admixtures

Many types of negative forces are discussed in this section of the Zohar. These include the nation of Amalek, which is identified as the snake and the evil angel Samael, a name we do not utter. All these negative forces, including the force of death, will be removed from the face of the earth at the end of time--and this section helps us remove the force of death and evil from our own lives.

290. "And they heard the voice of Hashem Elohim..." (Bereshheet 3:8). THIS ALLUDES TO THE TIME when THE CHILDREN OF YISRAEL approached Mount Sinai TO RECEIVE THE TORAH, as it is written: "Did ever people hear the voice of Elohim speaking out of the midst of the fire, as you have heard, and live?" (Devarim 4:33). WE HAVE LEARNED THAT THERE IS A SIMILARITY IN THE VERSE DERIVED FROM THE USE OF THE WORD "HEAR." While the mixed multitude, WHICH COULD NOT BEAR TO HEAR THE VOICE OF ELOHIM, perished, those FROM AMONG THE MIXED MULTITUDE WHO REMAINED ALIVE said AFTERWARDS to Moshe, "But let not Elohim speak with us, lest we die" (Shemot 20:16). They then caused the Torah to be forgotten BY BRINGING THE SIN OF THE GOLDEN CALF UPON YISRAEL. THE MIXED MULTITUDE consists of ignorant people, about whom it is written: "Cursed be he that lies with any manner of beast" (Devarim 27:21), because they come from the side of that Serpent, of which it is written: "You are cursed above all cattle, and above every beast of the field" (Bereshheet 3:14).

288. ומיד, ותפקחנה עיני שניהם וידעו ישראל כי ערומים הם, בטונא דמצרים, יהו בלא אורייתא, ואתמר בהו ואת ערום ועריה. ואיוב בגין דא אמר ב' זמני ערום יצאתי מבטן אמי וערום אשוב שמה מה דהו משה, אתהפך לערב רב לשמה ולשנינה, אשוב שמה הכא רמיז דעתיד לאתחזרא בינייהו בגלותא בתראה, ואזיל בינייהו לשמה, ואיהו אמר ה' נתן ויה' לקח, יהי שם ה' מבורך.

289. ובזמנא דאתברו תרין לחין דאורייתא, ואורייתא דעל פה, אתמר בהון, ויתפרו עלה תאנה, אתבסו בכמה קליפין, מערב רב, בגין כי ערומים הם, דלא יתגלו עריתיהו וכסויא דילהון בנפי ציצית. ורצועין דתמילין, עלייהו אתמר ויעש ה' אלקים לאדם ולאשתו כתנות עור וילבישם. אבל לגבי ציציות, ויתפרו עלי תאנה, ויעשו להם חגורות, דא איהו חגור חרבך על ירך גבור. ודא ק"ש דאתמר ביה רוממות אל בגרונם וגו' דא הוא ויעשו להם חגורות.

290. וישמעו את קול ה' אלקים וגו', כד קריבו לטורא דסיני. הה"ד השמע עם קול אלקים מדבר מתוך האש וגו', וערב רב מיתו ואנון הו דאמרו למשה ואל ידבר עמנו אלקים פן נמות ואשכחו אורייתא, ואלין אנון עמי הארץ, דאתמר בהון ארו שוכב עם כל בהמה. בגין דאנון מסטרא דהוא חויה, דאתמר ביה, ארו אתה מכל הבהמה.

291. There are many evil kinds AMONG YISRAEL THAT ARE CALLED cattle and beasts. One is from the side of the Serpent and another from the side of the idolatrous nations, who are like the animals and wild beasts. There is also mixed multitude from the side of the evil spirits, which are the souls of the wicked. These are the actual evildoers in the world and there is a mixture of demons, spirits and nightspirits as well. These are all mixed among Yisrael, but none of them is cursed as Amalek, who is the evil Serpent, a Strange El: The one who uncovers all nakedness in the world. THIS MEANS THAT IT IS THE ROOT OF THE KLIPAH, WHICH CAUSES INCEST IN THE WORLD. It is the murderer. FROM IT, ALL MURDERS IN THE WORLD ORIGINATE, and its spouse is the potion of death of idol-worship. SO THE THREE TRANSGRESSIONS OF IDOL-WORSHIP, INCEST AND BLOODSHED DERIVE FROM THE KLIPAH OF AMALEK, WHO IS THE SERPENT AND ANOTHER EL. They are all RELATED TO THE ASPECT OF Samael, who has many different aspects, but they are not the same. SAMAEL, who is from the side of the Serpent, is the most cursed of them all.

292. "And Hashem Elohim called to Adam, and said to him, 'Where are you? (Heb. Ayecah)" (Bereshheet 3:9). THE HOLY ONE, BLESSED BE HE, hinted to ADAM here that the Temple would be destroyed in the future, and people shall wail in lamentation for it AND CRY: 'Ayecha' (where are you)--which is spelled Aleph-Yud-Caf-Hei. It is written: "How (Eichah) does the city sit solitary..." (Eichah 1:1), WHICH CONTAINS Ei (Aleph-Yud, meaning 'where is') and Coh (Caf-Hei), THE NAME OF THE SHECHINAH THAT RESIDES WITHIN THE TEMPLE. In the future, the Holy One, blessed be He, shall eliminate all kinds of evil from the world, as it is written: "He will destroy death forever" (Yeshayah 25:8), BECAUSE DEATH IS THE SOURCE OF ALL EVIL. Then everything shall return to its place, AS IT WAS BEFORE THE SIN OF ADAM FROM WHICH DEATH AND ALL SORTS OF EVIL DEVELOPED, as it is written: "On that day Hashem shall be one, and his name One" (Zecharyah 14:9).

30. The correction of the lower world through the upper world

The formation of spiritual worlds through the instruments of the Hebrew letters is being discussed in great detail. All these worlds were set up in a specific manner, in order that we could eventually correct, elevate, and perfect our physical world. We can gain the ability to access these spiritual worlds, and we can use the powers associated with the Hebrew Letters for assistance in our spiritual elevation.

293. We have learned that every time Solomon is mentioned in Shir Hashirim, IT IS AN ALLUSION TO the king to whom shalom (peace) belongs, NAMELY ZEIR ANPIN. IF ONLY THE GENERAL TERM 'king' IS USED, AS OPPOSED TO KING SOLOMON, THEN IT ALLUDES TO the feminine principle OF ZEIR ANPIN, WHICH IS MALCHUT. The lower king is INCLUDED within the upper KING and the secret is that the lower inherits from the upper, and they become as one. Then is THE FEMININE PRINCIPLE CALLED a house, as it is written: "Through wisdom a house is built" (Mishlei 24:3), WHICH MEANS THAT THE FEMININE PRINCIPLE IS NOT CALLED A HOUSE WITHOUT RECEIVING CHOCHMAH. It is also written: "King Solomon made himself a palanquin of the timbers of Levanon" (Shir Hashirim 3:9). The palanquin is the improvement of the lower world, WHICH IS THE FEMININE PRINCIPLE, by the upper world, WHICH IS BINAH.

291. וְהָא כְּמַה עֲרֻבֻבִין אֲנוּן בְּיִשְׂרָאֵל וְחִיוּן. אֲבָל אֵיךְ עֲרֻבֻבִיא מִסְטָרָא דְנִחָשׁ, וְאֵיךְ עֲרֻבֻבִיא מִסְטָרָא דְאֻמֵּי עֵבֹרִים, דְּדָמוּ לְחִיוּן וּבְעִירָן דְּחִיּוּבִיא. וְאֵיךְ עֲרֻבֻבִיא מִסְטָרָא דְּמִזִּיקִין דְּנִשְׁמַתָּן דְּחִיּוּבִיא, אֲנוּן מִזִּיקִין דְּעֵלְמָא מִמֶּשׁ. וְאֵיךְ עֲרֻבֻבִיא דְּשָׂדִים וְרוּחִין וְלִילִין וְכֹלָא מְעוֹרְבִין בְּיִשְׂרָאֵל. וְלֹא אֵיךְ בְּכֹלָהוּ לְטִיבָא כְּעַמְלָק, דְּאֵיךְ חִיוּא בְּיִשְׂרָאֵל, אֶל אַחֲרָא, אֵיךְ גְּלוּי לְכָל עֲרִיין דְּעֵלְמָא. רוּצַח אֵיךְ וּבֵת זֹגִיָּה סָם מוֹת, ע"ז. וְכֹלָא סְמָא"ל וְאֵיךְ סְמָא"ל וְאֵיךְ סְמָא"ל, וְלֹא כֹלָהוּ שׁוּיין, אֲבָל הוּא סְטָרָא דְּחִיוּא אֵיךְ לְטִיבָא עַל כֹּלָא.

292. וְיִקְרָא ה' אֱלֹקִים אֶל הָאָדָם וַיֹּאמֶר לוֹ אֵיכָה. הֲכָא רְמִיז לֵיהּ, דְּעֵתִיד לְחַרְבָּא בֵּי מְקֻדְשָׁא, וְלִמְבַבֵּי בַּה אֵיכָה, הַה"ד אֵיכָה יִשְׁבֵּה בְּדָד, א"י כ"ה. וְלִזְמַנָּא דְּאֵתִי עֵתִיד קְדוּשׁ בְּרוּךְ הוּא לְבַעֲרָא כָּל זִינִין בְּיִשְׂרָאֵל מִעֵלְמָא, בְּדַכְתִּיב בְּלַע הַמּוֹת לְנִצְחָא. כְּדִין תָּב כֹּלָא לְאַתְרֵיהּ. בְּדַכְתִּיב בְּיוֹם הַהוּא יִהְיֶה ה' אֶחָד וְשִׁמּוֹ אֶחָד.

293. תְּנִינָן כָּל שְׁלֹמָה דְּאִתְמַר בְּשִׁיר הַשִּׁירִים בְּמַלְכָא דְּשְׁלֹמָא דִּילֵיהּ בְּמַלְךְ סָתָם, בְּנוֹקְבָא. מַלְךְ תַּתָּא בְּעֵלְאָה, וְרוּצַח דְּמִלְכָה, דִּירְתָא תַּתָּא לְעֵלְאָה, תְּרוּוּיָהּ כַּחַד, וְהֵינֵנוּ בֵּית, דְּכַתִּיב בְּחֻכְמָה יִבְנֶה בֵּית, וְכַתִּיב אֶפְרַיִם עָשָׂה לוֹ הַמֶּלֶךְ שְׁלֹמָה מִעֲצֵי הַלְּבָנוֹן, אֶפְרַיִם דָּא תְּקוּנָא דְּעֵלְמָא תַּתָּא, מִעֵלְמָא עֵלְאָה.

294. Before the Holy One, blessed be He, created the world, His name remained concealed within Himself; so He and His name concealed within Himself were one. HIS NAME INCLUDED TO MALCHUT, WHICH WAS INCLUDED BEFORE THE CREATION WITHIN EIN SOF (THE ENDLESS WORLD) AND CONCEALED THERE WITHOUT BEING REVEALED OR RECOGNIZED. Nothing was revealed until His desire was aroused to create the world. So He formed and built THE WORLDS, but they did not last until THE HOLY ONE, BLESSED BE HE, WHO IS BINAH, wrapped himself up with a covering of radiance and created the world.

295. He produced imposing and great cedars from that supernal covered radiance and He laid His Chariot upon the 22 engraved letters, WHICH ARE MALE AND FEMALE. They were carved into ten sayings and firmly established. This is why it is written: "of the timbers (wood) of Levanon." It is also written: "The cedars of Levanon, which he has planted" (Tehilim 104:16).

296. In "King Solomon made himself..." 'himself' IS REDUNDANT AND IS EXPLAINED AS 'for himself'--for his own sake--WHICH MEANS THAT KING SOLOMON, WHO IS ZEIR ANPIN, BUILT WITH THE MOCHIN OF BINAH THE PALANQUIN FOR HIMSELF, for his own advantage. HE FIRST PERFECTED HIMSELF WITH THE PALANQUIN: 'Himself - that is, to show His Supernal Glory--SO THAT HE MAY BESTOW HIS MOCHIN FROM THE SUPERNAL GLORY (BINAH) UPON THE PALANQUIN (MALCHUT) for Himself. [The action was] to proclaim that He is One and His Name One, TO HASTEN THE END OF THE CORRECTION--as it is written: "Hashem shall be one and his name One." It is also written: "That men may know that You alone, whose Name is Hashem..." (Tehilim 83:19).

297. Upon mating by striking--REACHING MALCHUT OF BINAH--the chambers (THAT IS, MOCHIN) are conceived in thought. It drips upwards, to the right, to the left and goes downwards and extends MOCHIN to the four corners. His kingdom--MALCHUT OF BINAH--spreads out above and below into the four corners to become one supernal river.

298. ZEIR ANPIN, WHO IS THE SECRET OF THE SUPERNAL RIVER, comes down AND BESTOWS THE MOCHIN UPON MALCHUT, and turns her into a great sea, as it is written: "All the rivers run into the sea; yet the sea is not full" (Kohelet 1:7). She, MALCHUT, gathers everything and absorbs it inside herself, as it is written: "I am the tulip of the Sharon; the lily of the valleys" (Shir Hashirim 2:1). Only the place close by the great sea is called Sharon, as it absorbs all the waters of the world, which discharges and absorbs THEM. And one shines by the other in well-known ways. It is then written of them: "Through wisdom is a house (Heb. bayit) built." Thus, the derivation of the letter Bet in Beresheet. Nevertheless, the great upper house is the habitation of the world. Both the supernal house, Binah, and the lower house, which is Malchut, were built through Chochmah. The unattributed 'king' alludes to MALCHUT, the lower house.

294. דַּעַד לֹא בְרָא קְרוֹשׁ בְּרוּךְ הוּא עֲלֵמָא, הוּוּה סְתִימִים שְׁמִיָּה בִּיָּה, וְהוּוה הוּא וְשְׁמִיָּה סְתִימִים בְּגִיָּה חַד, וְלֹא קִיּוּמָא מְלָה, עַד דְּסָלִיק בְּרַעוּתָא לְמַבְרִי עֲלֵמָא, וְהוּוה רְשִׁים וּבְנִי. וְלֹא קִיּוּמָא עַד דְּאִתְעַטָּף, בְּעֵטוּפָא חַד דְּזִיָּהָרָא, וּבְרָא עֲלֵמָא.

298. נַחִית לְתַתָּא, וְעָבִיד לִיָּה יִמָּא רַבָּא, כְּמָה דְאִתָּא אָמַר כָּל הַנְּחָלִים הוֹלְכִים אֶל הַיָּם וְהַיָּם אֵינְנוּ מְלָא, דְּהָא הוּא כְּנִישׁ כְּלָא, וְשְׂאִיב לִיָּה בְּגִיָּה. כַּד"א אָנִי חַבְצֵלַת הַשְּׂרוּן שׁוֹשַׁנַּת הָעֵמְקִים, וְאִין שְׂרוּן אֲלָא אֲתֵר יִמָּא רַבָּא, דְּשְׂאִיב כָּל מִימִין דְּעֲלֵמָא, דְּאִפִּיק וְשְׂאִיב, וְנִהִיר דָּא בְּדָא, בְּאוֹרְחִין יִדְיָעָן. וּכְדִין עֲלִיָּהוּ כְתִיב בְּחֻכְמָה יִבְנֶה בֵּית, וְע"ד בֵּית בְּרַאשִׁית . אֲבָל בֵּיתָא עֲלֵאָה רַבְרַבָּא, יִשׁוּבָא דְּעֲלֵמָא, מֶלֶךְ סְתִימִים, בֵּיתָא תַתָּאָה.

299. "But the king"---WHO IS MALCHUT---"shall rejoice in Elohim" (Tehilim 63:12), the upper ELOHIM WHO IS BINAH, by embracing him below his head and drawing him closer in joy so that they become one. "But the king shall rejoice in Elohim" by THE GLADNESS OF the light that He brought forth. AND THIS CAUSED GLADNESS, because it, NAMELY MALCHUT, came forth through a hidden and concealed path and introduced in it--NAMELY BINAH--two PATHS that are one. So was the world, NAMELY MALCHUT, firmly established WITH WHOLE MOCHIN in its existence.

300. "But the king shall rejoice in Elohim..." means that the lower world shall rejoice in the concealed upper world, that world which gives life to all AND which is called the 'Life of the King,' NAMELY THE MOCHIN OF CHOCHMAH. This is the mainstay of the house. This house builds the house of the world, REFERRING TO MALE AND FEMALE, and builds the world AS THE MOCHIN ARE COMPLETED AS FULLY REQUIRED. This IS THE MEANING OF: "In the beginning (Beresheet) Elohim created" (Beresheet 1:1), WHERE BERESHEET IS COMPOSED OF Bet-Resheet. Resheet (beginning) is Chochmah, ALLUDING TO THE TIME WHEN MALCHUT gathers ALL THE MOCHIN into Herself and becomes the great sea in order to absorb ALL THE MOCHIN.

301. The waters of the frozen sea, NAMELY MALCHUT, absorb the water of all the seas of the world, and it gathers them all into it. The waters go forth, moving back and forth INSIDE IT and are absorbed into it. This issues from above, FROM BINAH, AND SETTLES IN MALCHUT. The proof of this secret is in the verse: "Out of whose (Heb. mi) womb came the ice?" (Iyov 38:29), WHICH ALLUDES TO BINAH THAT IS CALLED MI (WHO) AND IS WHERE THE ICE THAT REACHED MALCHUT ORIGINATED. IT TURNED INTO A FROZEN SEA, whose waters are frozen so that it can absorb other waters. THIS MEANS THAT THE FROZEN WATERS, WHICH ARE ICE, HAVE BECOME FULL OF EMPTY HOLES. IF WATER IS POURED ON THEM, THE ICE ABSORBS IT. BY THE WATERS TURNING INTO ICE, THEY HAVE BECOME A VESSEL TO RECEIVE ADDITIONAL WATERS.

302. The waters of this ice THAT BELONGS TO the frozen sea shall only flow when the mighty force of the South, WHICH IS THE RIGHT, reaches it and draws it to itself. The waters that were frozen by the aspect of the North, WHICH IS THE LEFT, then melt and flow by the aspect of the South AND ARE BESTOWED ON THE LOWER BEINGS to water all the animals of the field. THIS IS A REFERENCE TO THE GRADES THAT ARE OUTSIDE OF ATZILUT AND ARE IN BRIYAH, YETZIRAH AND ASIYAH, as it is written: "They give drink to every wild beast" (Tehilim 104:11). These GRADES are called 'mountains of separation'--AS IT IS WRITTEN OF BRIYAH, YETZIRAH AND ASIYAH, "AND FROM THENCE IT WAS PARTED" (BERESHEET 2:10). These are all watered when the aspect of the South starts to approach it and then the waters are drawn. Because of this supernal force, WHICH ORIGINATES IN THE SOUTH, all shall be in

splendor and joy.

303. When the thought rises and desire emerges from within the most concealed of all, NAMELY ARICH ANPIN, a certain river originates from within THAT THOUGHT. When they approach each other through a certain path, which is not known above nor below, it becomes the beginning of everything. BERESHEET IS COMPOSED OF THE LETTER BET AND RESHEET (BEGINNING). The letter Bet alludes to the general WORD king, WHICH REFERS TO MALCHUT, as was completed and firmly established by this Beginning, WHICH IS BINAH AND IS CALLED THOUGHT. MALCHUT AND BINAH resemble each other. THIS IS WHY THEY BOTH APPEAR IN THE WORD BERESHEET, AS THE LETTER BET IS MALCHUT AND RESHEET IS BINAH.

304. "Elohim created the heaven," MEANS THAT he produced a sound from within himself. IN OTHER WORDS, ELOHIM--WHICH IS BINAH--EMANATED AND PRODUCED THE HEAVEN--WHICH IS ZEIR ANPIN AND IS CALLED A SOUND. This is CALLED the sound of the Shofar, or in other words: "Elohim created the heaven," WHICH IS ZEIR ANPIN that is called the sound of the Shofar. The heaven, WHICH IS ZEIR ANPIN, governs THE EARTH BY THE POWER OF THE MOCHIN CALLED the life of the supernal King upon the earth. The proof IS IN THE VERSE THAT READS: "For as long as the son of Yishai lives on the ground..." (I Shmuel 20:31). THE ILLUMINATION OF CHOCHMAH THAT IS CALLED LIFE derives from the son of Yishai, NAMELY MALCHUT (KINGDOM) OF DAVID, through which he ruled over all. And the earth, WHICH IS MALCHUT, receives everything from heaven. Thus, it is written "and the earth..." The Vav (and) is added TO THE WORD 'THE' IN "AND THE EARTH", for the purpose of ruling and bestowing sustenance on the earth.

305. The term Et (the) IS MENTIONED before IN: "AND THE HEAVEN." It is the power of the entire 22 letters, WHICH ARE HINTED AT IN Et (Aleph-Tav), which is the Aleph to Tav, which Elohim-BINAH--has issued and passed on to the heaven, ZEIR ANPIN. It is written: "With the crown with which his mother crowned him on the day of his wedding..." (Shir Hashirim 3:11), BECAUSE THIS FEMININE PRINCIPLE IS THE SECRET OF THE CROWN WITH WHICH HIS MOTHER, WHO IS BINAH, "CROWNED HIM." Thus, IT IS WRITTEN: "The heaven", ALLUDING TO THE MALE AND FEMALE, to unite one with the other so that they may exist together and be sustained by THIS MOCHIN THAT ARE CALLED the life of the king. 'The king,' unqualified, WHO IS MALCHUT, is nourished from heaven, WHICH IS ZEIR ANPIN. THE PHRASE: "And the earth" REFERS TO the union of the Male and Female, on whom were engraved imprinted letters. The life of the king, THE MOCHIN OF THE ILLUMINATION OF CHOCHMAH, drawn from heaven, ZEIR ANPIN, draws solely to sustain the earth and its multitudes.

306. The secret of the supernal Elohim, NAMELY BINAH, made the heaven and earth by THE MOCHIN of existence, WHICH IS THE LIFE OF THE KING. He brought them forth as one by the sublime power OF THE UPPER THREE SFIROT OF BINAH, WHICH ARE THE SUPERNAL ABA AND IMA, AND ARE REFERRED TO AS The Beginning of everything. In this manner, the secret of the Supernal One, NAMELY BINAH, descended TO THE ASPECT OF THE LOWER SEVEN SFIROT, which then made the lower heaven and earth.

307. The secret of all this lies in the letter Bet OF THE WORD BERESHEET, WHICH ALLUDES TO BINAH. IT IS CALLED BET, WHICH HAS A NUMERICAL VALUE OF TWO, BECAUSE there are two worlds IN BINAH-ABA AND IMA, CALLED THE UPPER WORLD AND YISRAEL - SABA AND TEVUNAH, CALLED THE LOWER WORLD. They created two worlds, THE UPPER WORLD OF BINAH-- WHICH created the upper world OF ZEIR ANPIN AND HIS FEMININE PRINCIPLE--and THE LOWER WORLD OF BINAH, WHICH created the lower world. One corresponds to the other. One created heaven and earth, and one created heaven and earth. This is why the letter Bet signifies that there are two worlds IN BINAH. The one produced two worlds, and the other produced two worlds. They all CAME FORTH by the power of the supernal Beginning, WHICH IS BINAH, RETURNED TO THE HEAD OF ARICH ANPIN, WHICH IS CALLED THE SUPERNAL BEGINNING.

308. AT THIS POINT, THE ZOHAR EXPLAINS THE DIFFERENCE BETWEEN THE UNION OF THE UPPER WORLD AND THAT OF THE LOWER WORLD OF BINAH. AND SO HE SAYS: The upper WORLD descends to the lower WORLD, which is filled BY THE UNION WITH THE SUPERNAL LIGHT THAT FLOWS through a pathway (Heb. shvil) of a certain grade that rests upon it. This is similar to the concealed or hidden path above. Only one OF THEM is a narrow path, THE other one is a path (Heb. orach). The one below is orach, as it is written: "But the path of just men is like the gleam of sunlight..." (Mishlei 4:18). And the other one above is a nativ, as it is written: "There is a path (Heb. nativ) which no bird of prey knows" (Iyov 28:7). The secret of all this APPEARS IN THE VERSE: "Who make a way (Heb. derech) in the sea, and a path (Heb. nativ) in the mighty waters" (Yeshayah 43:16) and it is written: "Your way was in the sea, and your path in the great waters..." (Tehilim 77:20). The upper world OF BINAH, CALLED SHVIL OR NATIV--became filled BY THE SECRET OF THE UNION OF THE SUPERNAL LIGHT WITH THEIR MALCHUT and pregnant FROM THE LIGHT, as a female becomes pregnant from a male. Then THEY brought forth two children as one, a male and a female. These are the heaven and the earth, similar to the upper WORLD OF BINAH.

309. The earth is nourished by the waters of the heaven, as its waters are poured down into it, MEANING THAT THE WATERS ARE THE FOOD THAT SUSTAIN THE EARTH, WHICH IS THE FEMALE. THEY ARE MALE WATERS THAT BRING FORTH SOULS, AS THEY ARE SHOT ACCORDING TO THE SECRET OF THE SPERM, SHOT LIKE A PROCREATING ARROW. The upper WATERS THAT EARTH RECEIVED FROM HEAVEN, WHICH IS ZEIR ANPIN, are male while the lower waters, WHICH ARE IN THE EARTH ITSELF, are female. The lower WATERS are fed by the male WATERS--REFERRING TO THE UPPER WATERS THAT EARTH RECEIVES FROM THE HEAVEN. These lower waters IN THE EARTH call to the upper WATERS IN HEAVEN TO FULFILL THEIR NEED, just like a female who is open to receive from a male. She pours out LOWER waters to receive the UPPER waters of the male to procreate SOULS. The female is fed by the male, BECAUSE SHE HAS NOTHING OF HER OWN. Thus, it is written: "And (Vav) the earth", with the addition of the letter Vav, as has been explained.

310. It is written: "Lift up your eyes on high, and behold who has created these things..." (Yeshayah 40:26). These letters were inscribed throughout the entire works OF THE CREATION--the work of the upper, WHICH IS BINAH, and the work of the lower, WHICH IS MALCHUT. The letters were later impressed AND THEIR FORM COMPLETED. Then they were engraved in the phrase: "In the beginning (Beresheet) Elohim created (bara)" by the TWO INITIALS OF THE LETTER Bet, WHICH ALLUDE TO THE ENGRAVING MADE IN BINAH. "Elohim...the (Et)" by the TWO INITIALS OF THE LETTER Aleph, WHICH IS THE ASPECT OF THE IMPRESSION AND THE COMPLETION OF THE LETTERS. The Bet of Beresheet certainly created through supernal power. THE LETTER Bet is female AND THE LETTER Aleph is male. Just as THE LETTER Bet OF BERESHEET created by the power above, NAMELY BINAH, so THE LETTER Aleph OF THE WORD ELOHIM brought forth AND EMANATED letters, REFERRING TO THE ET, including the 22 letters FROM ALEPH TO TAV IN THE GRADE OF BINAH. IN THE PHRASE: "The (Hei) heaven", THE LETTER Hei, WHICH IS THE COMPLETED BINAH, emanated ZEIR ANPIN, WHICH IS CALLED heaven, to give him life and allow him to establish himself by growing roots.

311. In the phrase: "And (Vav) the earth", the Vav, ZEIR ANPIN, brought forth the earth, WHICH IS THE FEMININE PRINCIPLE, to give her food, establish her and to supply all her needs. The phrase, "And the earth", indicates that Vav, ZEIR ANPIN, took THE WORD Et (the), WHICH INCLUDES all 22 letters FROM ALEPH TO TAV, and poured them onto the earth, WHICH IS THE FEMININE PRINCIPLE. So the earth, THE FEMALE, gathered them into itself, as it is written: "All the rivers run into the sea..." (Kohelet 1:7). This refers to the secret of, "And the earth", because THE EARTH gathered everything into it and received them. "AND THE (VE-ET) EARTH" MEANS THAT the earth took THE MOCHIN THAT IS HINTED AT IN THE PARTICLE Ve-Et, WHICH ALLUDES TO the heaven and the earth together. ALSO, "the heaven", ALLUDES TO

the heaven and the earth together.

312. SO THE EARTH received THE VE-ET in order to feed on them. THEREFORE, IT MUST CERTAINLY COMPRISE MALE AND FEMALE, AS THE LETTER VAV IS THE MALE, because the reception of anything is the result of striking THE MALE. There is a fortress of smoke upon the earth, WHICH IS THE FEMININE PRINCIPLE. When the burning fire is drawn and aroused from the left, it clings TO THE FEMININE PRINCIPLE and she fumes, as it is written: "And Mount Sinai smoked in every part, because Hashem descended upon it in fire" (Shemot 19:18). There is fire and there is smoke. IF IT DESCENDS FROM ABOVE, IT IS A FIRE AND THE LOWER GRADE THAT RECEIVES IT BECOMES SMOKE. It is also written: "And the mountain smoking" (Shemot 20:15), because when the fire descends, the smoke and fire cling to each other. Everything is then under the rule of the left, according to the secret of THE VERSE: "My hand also," (Yeshayah 48:13) THE LEFT HAND, WHICH IS THE SECRET OF FIRE AND SMOKE, "has laid the foundation of the earth," (Ibid.) WHICH IS THE FEMININE PRINCIPLE, "and my right hand," WHICH IS THE LIGHT OF CHASSADIM, "has spanned the heavens", NAMELY ZEIR ANPIN, by the power of the right above, THAT IS, BY THE POWER OF THE RIGHT OF BINAH. FOR ZEIR ANPIN, WHO IS CALLED 'THE HEAVENS,' RECEIVES CHASSADIM FROM BINAH. In this manner, "the heavens," which are the male--NAMELY ZEIR ANPIN--were made. The male comes from the right side OF BINAH and the feminine principle from the left.

313. The phrase: "Lift up your eyes on high, and behold who has created these things" (Yeshayah 40:26) ALLUDES TO BINAH CALLED "ON HIGH." BECAUSE until now, UP TO BINAH, the words ascended up in such a manner that no further question was necessary. BY 'QUESTION,' IT REFERS TO ELEVATING FEMALE WATERS FOR THE PURPOSE OF UNITING--JUST LIKE THE PHRASE 'TO ASK FOR RAIN'. THIS STARTS WITH BINAH, AS IT IS THE ASPECT OF THE KNOWABLE. BUT BEYOND IT, IN CHOCHMAH, IT IS NOT KNOWABLE, because Chochmah was produced from nothingness (Heb. Ayin), or Keter, and LIKE THESE, IT is not subject to any question. Being concealed--deeply hidden--nobody is able to conceive of it. When the deeply hidden light, REFERRING TO BINAH, is expanded BY THE SECRET OF THE VERSE: "AND EXCEEDINGLY DEEP, WHO (HEB. MI) CAN FIND IT OUT?" (KOHELET 7:24), its light can be subject to questioning, AS IT BECAME KNOWABLE. Although it remained more concealed than everyone below, NAMELY THE LOWER BEINGS BELOW IT, it is named after the interrogative ACCORDING TO THE PHRASE: "Who has created these?"

314. This is a reference to the secret we have mentioned in the verse: "Out of whose (Heb. Mi) womb came the ice?" (Iyov 38:29). It is certainly from the womb of Mi, WHICH IS BINAH. IN OTHER WORDS, that which is subjected to questioning. But one should not ask what is above or below. One can only ask about that starting place in order to know. It may not be known, because this is impossible. It may be inquired of, but not known.

315. Beresheet: This is analyzed as Bet-Resheet. So he inquired about the conclusion that Beresheet is one of the sayings of Creation and asked, does this mean that Resheet is a saying of Creation without the letter Bet, or is Beresheet together with the letter Bet a saying of Creation? He replied: Before she, Malchut, emerged from Binah and Her powers were expanded, everything was hidden and concealed inside Her. It is Beresheet and this is one of the sayings. When Malchut emerged from Binah and the powers of Binah were expanded, then Binah was called Resheet, which is saying without Bet, which is Malchut. SO NOW, IT IS CALLED Mi, which subjects the one who created these things to questioning. Afterward, WHEN BINAH expanded and was established, it turned into a sea. THEN BINAH, created below IN THE FEMININE PRINCIPLE, made everything IN HER exactly as in the manner above, one as against the other and one as the other. These both APPEAR in the letter Bet OF BERESHEET.

316. It is written: "While the king sits at his table" (Shir Hashirim 1:12). In this phrase, "sits at his table" MEANS he sits at the lower kingdom AND BESTOWS ON it the secret of that special union and conviviality of the upper Eden, WHICH IS THE SUPERNAL ABA AND IMA. SO IT RECEIVES FROM THE SUPERNAL ABA AND IMA through that concealed and hidden path THAT IS unknowable. It is filled by it AND THE ABUNDANCE flows out through certain rivers. The phrase: "My nard sent forth its fragrance" (Ibid.) refers to the lower Malchut, for he created the world below--NAMESLY MALCHUT--in the same manner as the world above--WHICH IS THE WORLD OF BINAH--WITH WHAT THEY RECEIVED FROM THE UPPER GARDEN OF EDEN. Thus, the fragrance ascends upward FROM THE LOWER WORLD to govern and take action, AND MALCHUT may govern as it shines by the supernal light.

317. The world was created in two aspects, WHICH ARE MALE AND FEMALE, namely with the right and the left of the six supernal days--WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF IMA. So these six days were made so as to shine ON MALE AND FEMALE FROM THE ASPECT OF THEIR RIGHT SIDE, as it is written: "For in six days Hashem made heaven and earth" (Shemot 31:17), meaning that in six days--CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF IMA--Hashem made heaven and earth, WHICH ARE MALE AND FEMALE. BY THIS, MALE AND FEMALE RECEIVED THE RIGHT SIDE. These SIX SUPERNAL DAYS dug up paths and made sixty holes in the great abyss, WHICH IS YESOD OF IMA, AND THE

ASPECT OF THE LEFT OF THE SIX DAYS, WHERE EACH ONE COMPRISES ANOTHER TEN. So these 60 holes were to conduct the waters of the streams into the abyss, INTO YESOD OF THE FEMININE PRINCIPLE OF ZEIR ANPIN THAT IS CALLED AN ABYSS PLAINLY. Thus, it is said that these 60 HOLES IN THE ABYSS were created by the six days of Creation - THE SIX SUPERNAL DAYS OF IMA - and became the peace of the world.

31. "And the earth was without form"
 The Zohar speaks of 42 unique letter sequences that were created to aid in the revelation of Light in all the worlds. These 42 Letters are one of the most powerful Names of God in existence. The Kabbalists revealed these sequences through Ana B'koach, a simple prayer recited daily that conveys enormous blessing, prosperity, healing, and well-being. This text on the power of the Ana B'koach helps amplify the effect of the 42 letters in our lives.

318. "And the earth was without form and void" (Beresheet 1:2), BECAUSE the bitterness of the secretion of THE FRUIT, WHICH DID NOT RIPEN IN THE TREE, REMAINED WITHIN the fruit except when absorbed by the earth. Because THE EARTH already existed, but had not yet been settled, IT WAS WITHOUT FORM AND VOID. THIS IS WHY IT IS WRITTEN: "AND THE EARTH WAS" IN THE PAST TENSE, to indicate that it already existed. Later, MALCHUT, WHICH IS THE WORLD, was established; the world came into being, when it was inscribed by 42 letters, which were intended to crown the holy name.

318. וְהָאָרֶץ הִיְתָה תְהוֹ וְבָהּ סוּסְפִיתָא דְקַמְרֵי גּוּ
 קוֹלְטוּי, דְּהוּהּ בְּקַדְמִיתָא וְלֹא אֲתַקְיִימַת, הִיְתָה כְּבַר.
 וּלְבַתָּר, אֲתַקְיִימַת, בְּאַרְבַּעִין וַתְרִין אֲתוּוֹן, אֲתַגְלִיף
 עֲלֵמָא, וְאֲתַקְיִימַת, וּכְלָהּ עֲטוּרָא דְשִׂמָּא קְדִישָׁא.

319. When THE 42 LETTERS, WHICH WERE INSCRIBED INSIDE MALCHUT, are combined AND FORM NAMES, THEN the letters ascend INTO THE 42-LETTERED NAME OF BINAH, AND descend TO THE FEMININE PRINCIPLE, WHICH IS CALLED 'THE WORLD.' They are crowned in all four parts of the world, WHICH ARE REPRESENTED BY CHOCHMAH, BINAH, TIFERET AND MALCHUT WITHIN MALCHUT. Then THE FEMININE PRINCIPLE, WHO IS CALLED 'The World,' is able to exist. In turn, THE MOCHIN THAT MALCHUT RECEIVES are sustained in her by the GOOD actions OF PEOPLE in the world. The form in which MALCHUT received these MOCHIN are like the seal of a ring. As each letter OF THE 42 LETTERS entered and came out, the world was created. THE LETTERS entered into the seal, WHICH IS BINAH, and joined together FORMING THE HOLY NAMES. THIS MEANS THAT AFTER THEY RECEIVED THE MOCHIN, MALCHUT RECEIVED THEM and the world was established.

320. THESE LETTERS struck the rod of the great Serpent and traveled 1,500 cubits inside the chasms of the dust, WHICH IS THE ASPECT OF THE FEMININE PRINCIPLE. Afterward, the great deep arose in darkness. Darkness covered everything until light emerged to break through the darkness and shine IN ALL ITS PERFECTION, as it is written: "He uncovers deep things out of darkness, and brings out to light the shadow of death" (Iyov 12:22).

321. BECAUSE OF THIS, the waters--THE MOCHIN--were put on the scales and they weighed 1,500. With the fingers, three drops were put on the scales, half for preservation and half entered below. The first rose up while the latter descended. As they rose up by the raising of the hand, the scales stood evenly. This is according to what is written: "Who has measured the waters in the hollow of his hand" (Yeshayah 40:12).

322. Everything was concealed in the earth and nothing was revealed in it. Its force and might, together with its LIGHTS THAT ARE CALLED waters, were frozen inside it. They did not flow or expand until the light from above, NAMELY BINAH, shone upon it. This light struck its receptor and all its powers were released, as it is written: "And Elohim said, Let there be light,' and there was light" (Bereshheet 1:3). THE PHRASE: "LET THERE BE..." MEANS THAT the supernal primordial light, REFERRING TO THE LIGHT OF CHOCHMAH that already existed IN IT before--BEFORE BEING FROZEN AND ENCLOSED--RETURNED TO SHINE. AND THE LIGHT DOES NOT FREEZE IT, BECAUSE IT IS NOW ENCLOSED IN CHASSADIM.

323. From here, FROM THIS SHINING LIGHT, the entire force and strength OF MALCHUT came forth. The earth, NAMELY MALCHUT, was made sweet and then ON THE THIRD DAY, all its powers were brought forth. Because this LIGHT shone ON MALCHUT as it descended AND SHONE ON THE WORLD, its radiance spread from one end of the world to the other. But when THE HOLY ONE, BLESSED BE HE, saw the sinners of the world, THOSE WHO WERE ABOUT TO SIN USING THIS LIGHT, He concealed the light and it only came forth through secret paths that are not revealed.

32. The three letters of Tov (good)

The three letters composing the word Tov [Good] were not arbitrarily chosen. Each letter is a spiritual component that comprises the force called good. In contrast, the word good in English is built of four letters [g.o.o.d.]. By itself, the letter "g" conveys no meaning or energy associated with the concept of good. In Hebrew, however, each letter is a direct spiritual element that produces the force that it describes. Therefore, we can bring goodness into our lives merely by speaking a word, or by seeing it printed on a page.

324. "And Elohim saw the light that it was good" (Beresheet 1:4). We have learned that every dream that is interpreted according to, "That is good," PRESAGES peace above and below FOR HIM. THIS PERSON IS FREE OF ANY ACCUSATION ABOVE AND BELOW, BECAUSE each single person sees letters IN HIS DREAM according to the merit of his conduct AND DEEDS. If he sees THE LETTER Tet IN HIS DREAM, it is good for him and for his dream for the Torah mentions THE LETTER TET for the first time in the phrase: "That is good (tov, spelled Tet Vav Bet)." BEFORE THIS, THERE IS NO MENTION OF THE LETTER TET, WHICH ALLUDES TO THE LIGHT that shone from one end of the world to the other. Therefore, THE LETTER Tet SIGNIFIES Tov, and good MEANS an illumination shining in complete perfection.

325. THE LETTER Tet is the ninth--NAMELY YESOD--WHICH IS THE NINTH OF THE TEN SFIROT. It is the letter that shines from the supernal BEING THAT IS CALLED beginning, NAMELY ARICH ANPIN, and is included with it. And by THE POWER OF concealment THAT LIES WITHIN the point (vowel), the secret of the letter Yud is formed, which is one point. The letter Vav, NAMELY ZEIR ANPIN, comes forth by the power OF THE LETTER TET, AND SO the heaven, ZEIR ANPIN, is formed by it. When it was completed, it was formed by a point, which was then hidden inside it. AFTERWARD, the second point, WHICH EXTENDS FROM THE LETTER TET, shone within it. TWO FEMALES, an upper one and a lower one, emerged from it, FROM ZEIR ANPIN. The upper one is concealed and the lower one is revealed by the secret of the two POINTS, BUT STILL exists only due to the power of the upper POINT.

326. And this is Tov (good). The three letters--Tet, Vav and Bet--are later included within the Righteous, the everlasting foundation, who combines everything from above and below in himself, as it is written: "Say to the righteous, that it shall be well (good) with him..." (Yeshayah 3:10). Because THE THREE ASPECTS OF the supernal light, WHICH ARE HINTED AT IN THE LETTERS--TET, VAV, AND BET--are included with him, as it is written: "Hashem is good to all: and his tender mercies are over all his works" (Tehilim 145:9). It is written: "To all" WITHOUT SPECIFYING TO WHOM HE IS GOOD, so as to shine upon a particular day that will illuminate all others. THIS IS A REFERENCE TO YESOD, WHICH IS THE SIXTH DAY AND INCLUDES THE PREVIOUS FIVE DAYS. THEREFORE, YESOD IS CALLED ALL, AND IT IS WRITTEN: "HASHEM IS GOOD TO ALL", MEANING THAT THE GOODNESS SHINES INTO YESOD. Up to here, the words are general. FURTHER ON, THEY SHALL BE EXPLAINED IN DETAIL.

33. The face to face correction of the Male and Female

The Zohar begins a discussion concerning the secrets of generating Light through unification of the spiritual realms of Zeir Anpin and Malchut, which is our world.

As the white light of the sun contains the seven colors of the rainbow, the Light of the Creator contains various grades or frequencies of spiritual Light. These produce different forces, and different degrees of fulfillment. The Zohar describes the grades of Light that Malchut must arouse and Zeir Anpin must impart during the process of unification. At their creation, the realms of Zeir Anpin and Malchut joined back-to-back. Through what is best described as spiritual surgery, they separated and revolved 180 degrees, until they were reunited face-to-face. This complex metaphysical procedure is mirrored in our day-to-day existence through the relationships between man and woman. Therefore, the Kabbalists teach us that all relationships between man and woman must be built upon the same spiritual principles. If they are to remain passionate and fulfilling, a motivation to draw Light into our lives through spiritual pursuits must be the foundation of these relationships. Relationships that remain ignorant and devoid of these principles will eventually lose their fire. We are given the Light to maintain and enrich our relationships through the spiritual influences arising from this passage.

327. "In the beginning (Beresheet) Elohim created..." is the secret of: "You shall offer up a cake of the first (Heb. resheet) of your dough" (Bemidbar 15:20). This is the supernal Chochmah that is CALLED Resheet. THERE IS AN ANALOGY BETWEEN THE TWO VERSES. JUST AS 'RESHEET' IN THE SECOND VERSE ALLUDES TO SUPERNAL CHOCHMAH, SO IT DOES IN THE FIRST. The letter Bet OF BERESHEET, which is derived from the Hebrew word for house, is AN ALLUSION TO the house of the world--NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN--WHEN SHE RECEIVES THE MOCHIN OF CHOCHMAH AND BECOMES A HOUSE FOR THE HABITATION OF THE WORLD. She is irrigated WHEN SHE RECEIVES THE MOCHIN from that river which flows into it, as it is written: "And a river went out of Eden to water the garden..." (Beresheet 2:10). "And a river" that gathers everything from the supernal source, whose waters never cease to flow, waters the garden.

328. This supernal source was the first house, WHICH IS ABA AND IMA, as the letters, WHICH ARE THE VESSELS, were completed through a narrow path hidden inside it (THEM). From this deep source, two forces emerged, as it is written: "The heaven AND THE EARTH." It is not written 'heaven,' but rather "The (Hei) heaven", WITH HEI. THIS MEANS THAT "THE HEAVEN" COMES OUT from within that deep source, which is the most hidden of all, REFERRING TO THE ASPECT OF THE NARROW PATH IN ABA AND IMA. THE PHRASE "and the earth" MEANS THAT this river--NAMELY YISRAEL - SABA AND TEVUNAH--produced this earth.

329. But AT FIRST, THE EARTH was included within heaven. And HEAVEN AND EARTH, NAMELY ZEIR ANPIN AND HIS FEMININE PRINCIPLE, emerged as one, clinging to each other from their rear. When the overall beginning shone--WHEN THE FEMININE PRINCIPLE RECEIVED THE MOCHIN OF CHOCHMAH THAT IS CALLED OVERALL BEGINNING--Heaven, NAMELY ZEIR ANPIN, took THE FEMININE PRINCIPLE and made her settle down in her place, BECAUSE NOW SHE WAS SEPARATED FROM HIM. SO ZEIR ANPIN GAVE HER A PLACE OF HER OWN, as it is written: "And the (Ve-Et) earth", in which Ve-Et ALLUDES TO the entire 22 letters FROM ALEPH TO TAV that are THE INITIALS OF Et.

330. When the earth settled in its place and was separated from the far side of the heaven, NAMELY ZEIR ANPIN, THE EARTH was without form and void. It wanted to continue cleaving to the heaven and become one, as before, because THE EARTH saw the heaven shining while it (SHE) became dark. THIS DARKNESS SURROUNDED THE FEMININE PRINCIPLE until the supernal light came AND EXPANDED TOWARD HER and shone upon her. And SHE was settled in her place to look upon the heaven, ZEIR ANPIN, face to face. Then the earth was established, and flourished. THE FEMININE PRINCIPLE WAS SWEETENED FROM ALL HER HARSH JUDGMENT.

331. AT THIS POINT, THE ZOHAR EXPLAINS HOW THE FEMALE RECEIVED THIS SUPERNAL LIGHT. IT SAYS THAT the light emerged from the right side BECAUSE IT IS RECEIVED BY ZEIR ANPIN, WHO IS THE SECRET OF THE RIGHT, while darkness REMAINED on the left side, WHICH IS THE FEMININE PRINCIPLE. Afterward, ZEIR ANPIN separated THE LIGHT FROM THE DARKNESS so they may be included within each other. BECAUSE OF THIS SEPARATION, THE FEMALE RECEIVES THE LIGHT FROM ZEIR ANPIN, as it is written: "And Elohim divided the light from the darkness..." (Beresheet 1:4). BY THIS ACT OF DIVIDING, ELOHIM "CALLED THE LIGHT DAY, AND THE DARKNESS HE CALLED NIGHT", DAY AND NIGHT JOINED TO BECOME ONE DAY. You may say that THE PHRASE: "AND ELOHIM DIVIDED" means an actual division, AN ACTUAL SEPARATION BETWEEN LIGHT AND DARKNESS. HE SAID: This is not so. THE MEANING IS THAT the day comes from the side of the light, which is the right, and the night COMES from the side of darkness, which is the left. When they emerged together AND GOVERNED AS ONE, He separated them. Dividing came from his side, FROM THE SIDE OF ZEIR ANPIN, so they could look upon each other face to face, cleave to each other and become one.

332. And he, ZEIR ANPIN, is called day. THEREFORE, IT SAYS, HE "CALLED THE LIGHT DAY." And She, THE FEMININE PRINCIPLE, is called night, as it is written: "And Elohim called the light day, and the darkness he called night" (Beresheet 1:5). HE ASKED: What is "the darkness" in this verse? HE REPLIED: This is the darkness that clings to the night, because it has no light of its own at all. THIS MEANS THAT THE NIGHT, WHICH IS THE FEMININE PRINCIPLE, HAS NOTHING OF ITS OWN AND EVEN THE DARKNESS THAT CLINGS ON TO IT DOES NOT BELONG TO IT, BECAUSE IT ORIGINATES IN IMA. Thus, although DARKNESS comes from the side of fire, which is dark, IT STILL DOES NOT BELONG TO THE FEMININE PRINCIPLE, AS SHE HAS NOTHING OF HER OWN. Darkness prevails until it is illumined under THE INFLUENCE OF the day, UNTIL IT RECEIVES THE CHASSADIM FROM ZEIR ANPIN, WHO IS CALLED DAY. AND THEN THE LIGHT OF CHOCHMAH IS ENCLOSED BY THE LIGHT OF CHASSADIM. SO WE LEARN THAT THIS ASPECT, day--WHICH IS ZEIR ANPIN--shines upon the night--WHICH IS THE FEMININE PRINCIPLE. But night does not shine UNDER THE INFLUENCE OF DAY until the time OF THE END OF CORRECTION, of which is written: "but the night shines as the day, the darkness and the light are both alike to you" (Tehilim 139:12).

332. ואֵיהוּ אֶקְרִי יוֹם, וְקָרִי לִיהַ יוֹם. וְאֵיהִי קָרִי לַיְלָה כַּד"א וַיִּקְרָא אֱלֹקִים לְאוֹר יוֹם וְגו'. מֵהוּ וְלַחֲשֶׁךְ, דָּא חֲשֶׁךְ דְּאֶחִיד לַלַּיְלָה, דְּלִית לָהּ נְהוּרָא מְגַרְמָה, וְאִף עַל גְּבֻדָּתָא מְסֻטְרָא דְאֵשָׁא דְאֵיהִי חֲשֶׁךְ, אֲבָל חֲשֶׁךְ, עַד דְּאֶתְנַהֵיר מְסֻטְרָא דְיוֹם, יוֹם נְהִיר לַלַּיְלָה, וְלַיְלָה לֹא נְהִיר עַד זְמַנָּא דְכֻתְיִב וְלַיְלָה כְּיוֹם יֵאִיר כְּחֻשְׁכָּה כְּאוֹרָה.

34. "The voice of Hashem is upon the waters"

The voice of Hashem is a supernal secret. It refers to the process by which the Creator sends forth His Energy and Light into our physical universe. The word water is a code referring to the Light itself. These paragraphs fortify our connection to the Light of the Creator.

333. Rabbi Elazar rose to the front and explained THE VERSE: "The voice of Hashem is upon the waters: the El of glory thunders: Hashem is upon many waters" (Tehilim 29:3). "The voice of Hashem" is the supernal voice that is appointed over the waters. THESE WATERS ARE THE MOCHIN THAT flow from grade to grade, FROM THE GRADE OF BINAH TO THAT OF ZEIR ANPIN AND FROM THE GRADE OF CHESED, GVURAH AND TIFERET OF ZEIR ANPIN TO THE GRADE OF NETZACH, HOD AND YESOD. Until they gather in one place, WHICH IS THE SECRET OF HIS YESOD, in one assembly, BECAUSE YESOD INCLUDES ALL THE GRADES WITHIN ITSELF, AND IS THUS CALLED 'ALL'. This supernal voice sends these waters on their way, TO EVERY SFIRAH AND SFIRAH, each according to its course. Just as that gardener who guides the DITCH OF water and sends THE STREAM OF WATER to each and every spot as is required, "the voice of Hashem" governs the waters, WHICH ARE THE MOCHIN, in the same manner.

333. רַבִּי אֶלְעָזָר קָמַץ בְּקִדְמִיתָא, וְדַרְשׁ קוֹל ה' עַל הַמַּיִם אֵל הַכְּבוֹד הַרְעִים ה' עַל מַיִם רַבִּים, קוֹל ה', דָּא קוֹל עֲלָאָה, דְּמִמְנָא עַל הַמַּיִם, דְּנִגְדִין מְדֻרְגָּא לְדֻרְגָּא, עַד דְּמִתְכַּנְשֵׁי לְאַתְרָא חַד, בְּכַנּוּפְיָא חַדָּא. הַהוּא קוֹל עֲלָאָה מְשַׁדֵּר לְאִינוּן מֵיִין בְּאַרְחֻיָּהוּ, כֹּל חַד וְחַד כְּפֻס אֶרְחִיָּה, כְּהָאֵי גִנָּא דְּמִמְנָא עַל מַיָּא, לְשַׁדֵּר לוֹן, לְכָל אֶתְרָא וְאַתְרָא, בְּרַחֲוֵי לֵיהּ. כִּן קוֹל ה' מִמְנָא עַל מַיָּא.

334. The phrase: "The El of glory thunders" WAS HARD FOR HIM TO UNDERSTAND, BECAUSE THE TERM EL ALLUDES TO CHESED, WHILE THUNDER IS AN ACTION OF GVURAH. HE SAID THAT this is according to what is written: "But the thunder of his power who can understand?" (Iyov 26:14). This aspect is revealed by gazing on the thunder of Gvurah, and originates in it. IN OTHER WORDS, THE PHRASE, "THE EL OF GLORY," IS THE SECRET OF THE CHESED THAT IS REVEALED, BECAUSE OF THE GVURAH, AS LIGHT'S SUPERIORITY OVER DARKNESS. THEREFORE IT IS WRITTEN: "THE EL OF GLORY THUNDERS," BECAUSE IT WAS REVEALED BY GVURAH THROUGH THUNDER. Another explanation OF THE PHRASE: "The El of glory thunders," is that it is THE SECRET OF the right--WHICH IS CHESED--from which the left-GVURAH--comes forth, AS THE SFIROT ISSUE AND EMANATE FROM ONE ANOTHER, AS IS KNOWN. ACCORDING TO THIS, "THE EL OF GLORY," WHICH IS CHESED, THUNDERS--EMANATES GVURAH--WHICH IS THE SECRET OF THUNDER. "Hashem is upon many waters," means that Hashem is THE REVELATION OF supernal Chochmah, which is called Yud - NAMELY THAT THE MOCHIN OF THE SUPERNAL ABA AND IMA is "upon many waters." IT IS REVEALED over that hidden source from which it emerged, as it is written: "And your path in the great waters" (Tehilim 77:20).

334. אֵל הַכְּבוֹד הַרְעִים, כַּד"א וְרַעַם גְּבוּרוֹתָיו מִי יִתְבּוֹנֵן, דָּא סְטְרָא דְּאֶתְיָא מִן גְּבוּרָה וְנִפְקָא מִנִּיהּ. דְּבַר אַחַר, א"ל הַכְּבוֹד הַרְעִים, דָּא יְמִינָא, דְּנִפְקָא מִנִּיהּ שְׂמַאלָא, ה' עַל מַיִם רַבִּים, ה' דָּא חֻכְמָה עֲלָאָה דְּאֶקְרִי יו"ד. עַל מַיִם רַבִּים, עַל הַהוּא עוֹמְקָא סְתִימָאָה דְּנִפְקָא מִנִּיהּ. כַּד"א וְשְׂבִילָךְ בְּמַיִם רַבִּים.

35. "Over against the border"

The Zohar describes the way in which water, fire, and wind can become unified in our physical existence. Water is the physical expression of the Right Column, the positive energy force of sharing. This male principle [+] corresponds to the proton in an atom. Fire corresponds to the Left Column, the negative energy force of receiving. This female principle [-] is expressed as the electron. Wind is the personification of the Central Column, the neutral energy which corresponds to the neutron in an atom. Just as an atom unites these three forces into the building blocks of our physical universe, we, through our actions, can unite them as

the building blocks of our spiritual universe. The positive force relates to the soul and our will to share. The negative force concerns the ego and its bottomless desire to receive and consume.

The neutral force corresponds to the free will of man. Each of us possesses the power to unify these 3 columns by learning to receive for the sake of sharing, rather than receiving for gratification of the ego.

335. Rabbi Shimon explained the controversy, EXPLAINING THE INCLUSION OF THE LEFT AND RIGHT COLUMNS, WHICH HAD PREVIOUSLY BEEN IN DISCORD. He opened the scriptures and began with the verse: "Over against the border shall the rings be for places of the poles to bear the table" (Shemot 25:27). HE ASKED: What is this border? HE REPLIED: This is a closed place. The only access is through a narrow path that is hidden within it. Through its power, it is filled WITH LIGHT and marked gates, so as to light the lamps. BECAUSE it is a concealed and hidden place, it is called a border, or a frame. This is the world to come, which is called 'frame.'

335. רַבִּי שִׁמְעוֹן פָּרִישׁ פְּלוּגְתָא, וְאָמַר, פֶּתַח קָרָא וְאָמַר, כְּתִיב לְעַמַּת הַמְּסָגֶרֶת תְּהִינָה הַטְּבָעוֹת בְּתֵימִים לְבַדִּים, מָאן הָהוּא מְסָגֶרֶת, דָּא הוּא אֲתֵר סְגִיר דְּלֵא לְתִיחָא, בַּר בְּשִׁבִיל חֹד דְּקִיק, דְּאֲתִינְדַע בְּגִיזוֹ לְגַבִּיה, וּבְגִינִיה אֲתַמְלִי וְרָשִׁים תְּרַעִין, לְאֲדִלְקָא בּוֹצִינִין. וּבְגִין דְּאִיהוּ אֲתֵר גְּנִיזוֹ וְסִתִּים, אֲקָרִי מְסָגֶרֶת, וְדָא הוּא עֲלְמָא דְּאֲתֵי, וְהָהוּא עֲלְמָא דְּאֲתֵי אֲתִקְרִי מְסָגֶרֶת.

336. The phrase: "shall the rings be" refers to the upper rings--MEANING CHESED, GVURAH AND TIFERET--WHICH ARE ABOVE THE CHEST OF ZEIR ANPIN and cling to one another. WATER, FIRE AND WIND CORRESPOND TO CHESED, GVURAH AND TIFERET OF ZEIR ANPIN. WHEN THEY RECEIVE THE MOCHIN, THEY ARE COMBINED ONE WITH THE OTHER. Water--WHICH IS CHESED--is included with wind--WHICH IS TIFERET--wind with fire, WHICH IS GVURAH, and fire with water. They combine together, and issue the one from the other like rings. All the rings reach that border (closure), WHICH IS THE SECRET OF YISRAEL - SABA AND TEVUNAH, where they reach for the supernal river that waters them. THAT IS THE SECRET OF THE RIVER THAT COMES OUT OF EDEN, WHICH IS THE SECRET OF YISRAEL - SABA AND TEVUNAH. And they cling to it.

336. תְּהִינָה הַטְּבָעוֹת, אֵלֶיךָ עֲזָקָן עֲלֵאִין, דְּאֲתִתְחַדְּן דָּא בְּדָא, מִיָּא מְרוּחָא, וְרוּחָא מֵאֲשָׁא, וְאֲשָׁא מִמֵּיָא, כְּלֵהוּן אֲתִתְחַדְּן דָּא בְּדָא, וְנִפְקֵן דָּא מִן דָּא בְּהִנֵּי עֲזָקָן, וְכֵלְהוּן מִסְתַּכְּלֵן לְגַבִּי הָהוּא מְסָגֶרֶת, דְּבִיה מִתְּאֲחֹד, לְהָהוּא נְהָרָא עֲלֵאֵה, לְאֲשָׁקֵה לֵוֶן, וְאֲתִתְחַדְּן בֵּיה.

337. THE VERSE CONTINUES: "for places of the poles", BECAUSE the upper rings, WHICH ARE ABOVE THE CHEST OF ZEIR ANPIN, have AT THIS STAGE become houses and places for the poles--WHICH ARE NETZACH, HOD AND YESOD BELOW THE CHEST OF ZEIR ANPIN. These POLES are the lower Chariot, AS THEY ORIGINATE FROM THE UPPER CHARIOT--WHICH IS CHESED, GVURAH AND TIFERET--WHICH CORRESPOND TO WATER, FIRE AND WIND. THUS, THE LEFT COLUMN OF THE POLES, WHICH IS CALLED HOD, originates from the aspect of fire OF THE UPPER CHARIOT, WHICH IS CALLED GVURAH. THE RIGHT COLUMN OF THE POLES, WHICH IS CALLED NETZACH, originates from the aspect of water OF THE UPPER CHARIOT, WHICH IS CALLED CHESED. AND THE CENTRAL COLUMN OF THE POLES, WHICH IS CALLED YESOD, originates from the aspect of wind of THE UPPER CHARIOT, WHICH IS CALLED TIFERET. This continues so everything THAT EXISTS IN THE UPPER CHARIOT IS DRAWN DOWN TO THE LOWER CHARIOT, so that THE POLES can be formed into a Chariot for the Ark OF THE TESTIMONY, WHERE THE SHECHINAH RESTS. Therefore, all who approach shall approach these poles--WHICH ARE THE ASPECT OF NETZACH, HOD AND YESOD, WHICH ARE FROM THE CHEST DOWNWARD-but not go inside them. NO ONE IS TO APPROACH AND DRAW THE MOCHIN FROM CHESED, GVURAH AND TIFERET, WHICH ARE ABOVE THE CHEST OF ZEIR ANPIN. Get away, they say to the hermit (Heb. Nazir). Go around. To the vineyard, you shall not approach. Only those who are worthy of serving within - REFERRING TO THOSE PEOPLE WHOSE SOULS COME FROM THE CHEST UPWARD OF ZEIR ANPIN - are given permission to enter, serve and come near. This is why it is written: "And the stranger that comes near shall be put to death" (Bemidbar 1:51).

37. The hidden light

Profound secrets pertaining to The Hidden Light, The World to Come, and Shabbat are revealed here. The Zohar explains that our Creator foresaw the sins of man, and all the evil ones who would walk this earth. The Creator therefore hid the vast portion of His great Light so that man could not misuse this raw naked

energy. In the same way, a parent naturally forbids a child to approach a broken high voltage wire. Though the energy carried by the cable is a positive force that lights an entire city, touching the power line could bring immediate destruction to the unaware child.

This Hidden Light of the Creator was stored in the upper dimension called Binah one of the Ten Sfirot, where it was set aside for the righteous of this world. This is the secret of the term World To Come.

The World to Come does not refer to a realm that we reach at death, or at any point in the future. And the righteous of this world are only the great sages. The World to Come occurs in the present, at the precise moment we transform our nature and create a new world for ourselves and of ourselves. We are included among the righteous whenever we make these spiritual corrections.

The Zohar further explains that the Shabbat is the time when a great portion of this hidden Light is revealed, so that we may use it to purify our souls and enrich our lives. Learning from this section of the Zohar connects us to this great Hidden Light.

348. "And Elohim said, Let there be light, and there was light" (Beresheet 1:3). This is the light that the Holy One, blessed be He, created at first, and this is the light of the eye (lit. sight). This is the light that the Holy One, blessed be He, showed Adam and through it, Adam saw from one end of the world to the other. And this is the light that the Holy One, blessed be He, showed David, who said in praise, "Oh how great is your goodness, which you laid up for those who fear you..." (Tehilim 31:20). This is the light that the Holy One, blessed be He, used to show Moshe, who saw in it THE ENTIRE LAND OF YISRAEL, from Gilad to Dan.

349. When the Holy One, blessed be He, had foreseen three sinful generations--namely, the generation of Enosh, the generation of the Flood and the generation of the Tower of Bavel (Babylon)--He hid THIS LIGHT to prevent them from using it. The Holy One, blessed be He, gave it to Moshe, who used it during the three months left to complete his period of pregnancy, AS HE WAS BORN AFTER SIX MONTHS AND ONE DAY. This is why it is written: "She hid him three months" (Shemot 2:2).

350. After three months, AFTER THE PREGNANCY WITH MOSHE WAS OVER, he entered before Paro. IN OTHER WORDS, THE DAUGHTER OF PARO FOUND HIM AT THE RIVERBANK OF THE NILE AND BROUGHT HIM TO PARO. The Holy One, blessed be He, took THIS LIGHT away from him until Moshe stood at Mount Sinai to receive the Torah. Then He gave THIS LIGHT back to him and Moshe used this LIGHT all his life. And the children of Yisrael were not able to approach him until he put a veil over his face, as it is written: "And they were afraid to come near him" (Shemot 34:30). He covered himself WITH THIS LIGHT like a Talit, as it is written: "Who covers himself with light as with a garment..." (Tehilim 104:2).

351. "Let there be light, and there was light." Everything that begins with "let there be" (Heb. Vayehi) applies to this world and the world to come, WHICH ARE MALCHUT AND BINAH. Rabbi Yitzchak said, The light that the Holy One, blessed be He, created during the Creation shone from one end of the world to the other. Then, it was hidden.

352. HE ASKED: What is the reason for hiding it? HE REPLIED: So that the sinful people of the world may have no pleasure in it. Thus, the worlds have no pleasure IN THIS LIGHT, because of the wicked. It is hidden for the righteous and only for the righteous, as it is written: "Light is sown for the righteous, and gladness for the upright in heart" (Tehilim 97:11). Then the worlds shall find pleasure IN THE REVEALING OF THIS LIGHT, and they shall all be as one. Until that day WHEN BINAH, WHICH IS the world to come, WILL BE REVEALED, ITS LIGHT will remain hidden and treasured.

348. וַיֹּאמֶר אֱלֹהִים יְהִי אוֹר וַיְהִי אוֹר, וְדָא אִיהוּ נְהוּרָא, דְּבְרָא קְדוֹשׁ בְּרוּךְ הוּא בְּקַדְמֵי תַא, וְהוּא נְהוּרָא דְעֵינָא, וְהוּא נְהוּרָא דְאַחְזֵי קְדוֹשׁ בְּרוּךְ הוּא לְאָדָם קְדַמָּא. וְהוּי חֲזֵי בֵיה, מְסִיפֵי עֲלֵמָא וְעַד סִיפֵי עֲלֵמָא, וְהוּא נְהוּרָא דְאַחְזֵי קְדוֹשׁ בְּרוּךְ הוּא לְדוֹד, וְהוּא מְשַׁבַּח וְאָמַר מַה רַב טוֹבָךְ אֲשֶׁר צָפַנְתָּ לִירְאִיךָ, וְהוּא נְהוּרָא דְאַחְזֵי קְדוֹשׁ בְּרוּךְ הוּא לְמֹשֶׁה, וְחֲמָא בֵיה, מְגַלְעָד וְעַד דִּן.

353. This light THAT COMES FORTH FROM THE WORLD TO COME emerges from the darkness that is engraved on the most concealed engravings of all, UPON THE ENGRAVINGS OF BINAH, THE SECRET OF THE WORLD TO COME. IT REMAINS THERE until a hidden path is hewn FROM THAT HIDDEN LIGHT to the darkness below. Then the light resides and rests in it, MEANING THAT IT IS REVEALED THROUGHOUT THE WORLDS. What is this darkness below? This is THE DARKNESS that is called night, NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN, as it is written: "And the darkness he called night."

354. Therefore, we have learned about the verse: "He uncovers deep things out of darkness" (Iyov 12:22). Rabbi Yosi said, You may say ABOUT THE MEANING OF THE VERSE that out of the concealed darkness, OUT OF THE DARKNESS OF BINAH, deep things are revealed, yet all of the supernal crowns OF BINAH are hidden. Therefore, they are called "deep things" IN THE SCRIPTURAL VERSE. What is MEANT BY THE VERSE: "He uncovers DEEP THINGS", SINCE THEY ARE NOT REVEALED AT ALL? RABBI YOSI REPLIED: All these supernal deep things are only revealed from within that darkness, which is the secret of the Night, WHICH IS THE FEMININE PRINCIPLE. Come and behold: All these hidden deep things that emerge from Thought - BINAH--which the voice--ZEIR ANPIN - takes up, are not exposed until the word manifests them. HE ASKED: What is the word? HE REPLIED: It is speech, NAMELY MALCHUT, BECAUSE ZEIR ANPIN WITH THE MOCHIN OF GREATNESS IS CALLED 'THE VOICE' AND MALCHUT IS THEN CALLED 'THE SPEECH.'

355. This speech, OR RATHER THE COMBINATION OF THOUGHT, VOICE AND SPEECH, is called Shabbat. SHABBAT, WHICH IS THE FEMININE PRINCIPLE WITH THE MOCHIN OF GREATNESS, CONSISTS OF THE SHIN AND BAT (DAUGHTER). SHIN ALLUDES TO THE UPPER THREE SFIROT AND DAUGHTER ALLUDES TO THE FEMININE PRINCIPLE. Because Shabbat is called speech, common speech is forbidden on Shabbat, BECAUSE IT DISRUPTS THE GREAT UNION OF THE VOICE AND SPEECH. And the speech OF SHABBAT should prevail IN THE WORLD, and not the speech OF THE WEEKDAYS, WHICH IS THE ASPECT OF THE SMALLNESS OF THE FEMININE PRINCIPLE. This speech, which comes from the aspect of darkness, reveals 'deep things' from within it. The meaning of the phrase: 'out of darkness' is that which emerges from the aspect of darkness. It is precisely written: 'out of darkness.'

356. Rabbi Yitzchak said: IF THE DARKNESS IS SO GREAT IN VALUE, why is it written, "And Elohim divided the light from the darkness", WHICH MEANS HE DISTINGUISHED BETWEEN THE LEVEL OF THE LIGHT AND THE LESSER VALUE OF DARKNESS? He replied: AT FIRST, the light produced the quality of day and darkness produced the quality of night. THEN IT IS WRITTEN: "AND ELOHIM DIVIDED," MEANING THAT HE SEPARATED THE GREATER VALUE OF THE DAY FROM THE LESSER VALUE OF THE NIGHT. Later, He united day and night, REFERRING TO MALE AND FEMALE. And they became one, as it is written: "And there was evening and there was morning, one day" (Beresheet 1:5), because night and day were called one. AT THIS STAGE, IT IS WRITTEN: "HE UNCOVERS DEEP THINGS OUT OF DARKNESS", AS THE VALUE OF DARKNESS INCREASED GREATLY. The verse: "And Elohim divided the light from the darkness" refers to the duration of the exile when they were separated FROM EACH OTHER.

353. ההוא נהורא נפק מגו חשוכא, דאתגלפא בקלמוי דטמירא דכלא, עד דמההוא נהורא דאתגניז, אתגליף בשביל חד טמירא, לחשוכא דלתתא, ונהורא שארי ביה. מאן חשוכא דלתתא. ההוא דאקרי לילה, דכתיב ביה ולחשך קרא לילה.

354. וע"ד תנינן מאי דכתיב מגלה עמוקות מני חשך, ר' יוסי אומר אי תימא מחשך סתים אתגליין, הא חזינן דטמירין אנון, כל אנון כתרין עלאין, וקרינן עמוקות, מהו מגלה, אלא, כל אנון טמירין עלאין לא אתגליין, אלא מגו ההוא חשוכא, דאיהו ברזא דליליא. ת"ח, כל אנון עמיקין סתימין דנפקי מגו מחשבה, וקלא נטיל לון, לא אתגליין, עד דמלה מגלה לון, מאן מלה היינו דבור.

356. אמר רבי יצחק, אי הכי, מאי דכתיב ויבדל אלקים בין האור ובין החשך, אמרלאור אפיק יום, וחשך אפיק לילה, לבתר חבר לון כחדא, והוה חד, דכתיב ויהי ערב ויהי בקר יום אחר, דלילה ויום אקרון חד, והאי דכתיב ויבדל אלקים בין האור ובין החשך, דא בזמנא דגלותא דאשתכח פרודא.

357. Rabbi Yitzchak said: Until this point, UP TO THE STAGE OF MATING, the male was the light and the female darkness. Afterward, THE MALE AND FEMALE are united as one, to be one. SO HE ASKED: Why are they divided THAT THE VERSE SAYS OF THEM, "AND ELOHIM DIVIDED THE LIGHT FROM THE DARKNESS"? HE REPLIED: To distinguish the light from the darkness, the grades are FIRST separated FROM EACH OTHER. THEN THE ADVANTAGES AND DISADVANTAGES OF THE LIGHT ON ITS OWN AND THE DARKNESS ON ITS OWN BECOME EVIDENT. THEN THEY MATE AND become one AND THEY NEED EACH OTHER, because light requires darkness. THE LIGHT OF ZEIR ANPIN IS NOT COMPLETE BY THE LIGHT OF CHOCHMAH UNLESS IT IS COMBINED WITH THE DARKNESS OF THE FEMININE PRINCIPLE. And darkness requires light, BECAUSE THE DARKNESS OF THE FEMININE PRINCIPLE IS NOT COMPLETE UNTIL IT IS UNITED WITH THE LIGHT. Even though they are different in their aspects, they have become one, as it is written: "one day."

357. אָמַר רַבִּי יִצְחָק, עַד הֵכָא דְכוּרָא בְּאוּר, וְנוֹקְבָא בְּחֻשׁוֹבָא, לְבַתֵּר מִתְחַבְרֵן כְּחֵדָא לְמַהוּי חַד. בְּמַאי אֲתַפְרֵשָׁן לְאַשְׁתְּמוּדְעָא, בֵּין נְהוּרָא וּבֵין חֻשׁוֹבָא, מִתְפָּרְשֵׁן דְרֵגִין, וְתִירוּוִייהוּ כְּחַד הוּוּ, דְהָא לִית נְהוּרָא אֲלָא בְּחֻשׁוֹבָא, וְלִית חֻשׁוֹבָא אֲלָא בְּנְהוּרָא, וְאִף עַל גְּבַדְאֲנֹן חַד, אֲתַפְרֵשָׁן בְּגוּוּנִין וְעַם כָּל דָּא אֲנֹן חַד. דְכֵתִיב יוֹם אֶחָד.

38. "If my covenant be not day and night"

Here Rabbi Shimon reveals secrets concerning the ritual of circumcision and its link to the Sfirah of Yesod. Yesod is like a reservoir into which all the upper Sfirot pour their energy forces. Yesod gathers all these elements, blends them, and transfers this great Light into our physical universe. For this reason Yesod resides just above Malchut, our world, within the structure of the Ten Sfirot. Yesod acts as the portal through which the awesome forces Light enter our realm. As the building blocks of all creation, the Ten Sfirot reflect themselves in our world. Thus, we have ten fingers and ten toes, and our numerical system functions on base ten.

Each of the Ten Sfirot are also expressed within the human body.

Yesod correlates to the sexual organ, where the greatest expression of Light manifests. This great Light is responsible for the miracle of procreation and the pleasure derived from it.

The negative forces in our midst automatically attach themselves to any gateway where the greatest Light can shine. For this reason, these negative entities are found in the realm of Yesod.

In our realm, they naturally manifest within the human sexual organ. The purpose of the covenant of circumcision is to remove this negative influence from our lives as well as from the worlds above. Circumcision, performed properly with Kabbalistic mediation, removes all negativity from both the child and the world. This is the secret of the Covenant between God and Man. The Covenant should not be perceived as a rule to be blindly followed, but as a revelation of a universal law of the cosmos that is followed for its own sake and wisdom. Similarly, a rational man will not step off the ledge of a building for fear of violating the universal law of gravity. He does not require strict laws to prevent him from committing such perilous acts. The act of circumcision is rooted in the spiritual benefits brought to the child, including boosting his immune system. Though small in size, the foreskin contains powerful negative forces, as if it were a nuclear warhead at the tip of a ballistic missile.

Throughout life, with respect to Yesod and also to sexual relations, it benefits man to sustain the purity and cleanliness that is achieved during circumcision. The Kabbalist however, does not consider vague concepts of morals and ethics as motivation for maintaining sexual relations within the spiritual confines of marriage. Rather, it is our own spiritual understanding of the metaphysical forces at work that provides the impetus. Religious authority must be removed from the equation, and individuals must be empowered by knowledge to assist them in their own free choices.

These specific Aramaic texts emanate spiritual influences that help cleanse the realm of Yesod, including any negative sexual thoughts or desires.

358. Rabbi Shimon said: The world was created and is sustained by the covenant, as it is written, "If my covenant be not day and night, it were as if I had not appointed the ordinances of heaven and earth" (Yirmeyah 33:25). HE ASKED: Who is the covenant? HE ANSWERED: He is the Righteous, the everlasting (lit. 'of the world') foundation, the secret of 'Remember'. Therefore, the world, WHICH IS THE FEMININE PRINCIPLE, is established on the covenant THAT UNITES day and night, WHICH ARE MALE AND FEMALE, as one. It is written: "If my covenant be not day and night, it were as if I had not appointed the ordinances of heaven and earth;" and "the ordinances of heaven" ALLUDES TO THE MOCHIN, which flows from the upper Eden.

358. רַבִּי שִׁמְעוֹן אָמַר, עַל בְּרִית עֲלְמָא אֲתַבְרִי, וְאַתְקִינִים, דְכֵתִיב אִם לֹא בְרִיתִי יוֹמִם וְלַיְלָה חֻקֹּת שָׁמַיִם וְאַרְצָא לֹא שְׁמַתִּי. מֵאַן בְּרִית דָּא צְדִיק, יְסוּדָא דְעֲלְמָא, דְאִיהוּ רִזָּא דְזְכוּר, וְעִד עֲלְמָא קְיוּמָא בְּבְרִית, יוֹמִם וְלַיְלָה כְּחֵדָא, דְכֵתִיב, אִם לֹא בְרִיתִי יוֹמִם וְלַיְלָה, חֻקֹּת שָׁמַיִם וְאַרְצָא לֹא שְׁמַתִּי, חֻקֹּת שָׁמַיִם דְנִגְדִין וְנִמְקִין מֵעַדֵן עֲלָאָה.

359. RABBI SHIMON began THE DISCOURSE ON THE VERSE: "Louder than the voice of the archers; in the places of drawing water, there let them recite the righteous acts of Hashem..." (Shoftim 5:11). He said, "The voice of archers" is the voice of Ya'akov, because "archers" means as it is written: "And there went out a champion..." (I Shmuel 17:4). "In the place of drawing water," means that Ya'akov, TIFERET, dwells among those who draw water on high. He, REFERRING TO ZEIR ANPIN, travels along the two sides, RIGHT AND LEFT, AND combines them within himself, THEREBY REVEALING THEIR PERFECTION.

359. פִּתַּח וְאָמַר מִקּוּל מְחַצְצִים בֵּין מְשֹׁאֲבִים שֶׁ יִתְנוּ צְדָקוֹת ה' וְגו'. מִקּוּל מְחַצְצִים, דָּא קוּל יַעֲקֹב, מְחַצְצִים כּד"א אִישׁ הַבַּיִנִים. בֵּין מְשֹׁאֲבִים, דְאִיהוּ יְתִיב בֵּין אֲנֹן דְשֹׁאֲבִין מִיָּא מְלַעֲיָלָא, וְהוּא נְטִיל בְּתֵרִין סְטְרִין, וְכִלִּיל לְהוֹן בְּגוּיָהּ.

360. In the verse: "There let them recite the righteous acts of Hashem," "there" is the place of faith, WHICH IS THE QUEEN--NAMES THE FEMININE PRINCIPLE ABOVE THE CHEST OF ZEIR ANPIN--to cleave to. "There let them recite the righteous acts of Hashem," MEANS THAT they absorb the righteous acts of Hashem from there. THE PHRASE: "The righteous acts towards the inhabitants of his villages," WHICH IS THE CONTINUATION OF THE VERSE, "LOUDER THAN THE VOICE OF THE ARCHERS," alludes to the Righteous of the world, NAMELY YESOD OF ZEIR ANPIN, who is the covenant and is holy. He draws and takes everything and discharges into the great sea, NAMELY THE FEMININE PRINCIPLE, these supernal waters, NAMELY HIS MOCHIN THAT ARE DRAWN FROM IMA, THE SUPERNAL WATERS. THE PHRASE, "in Yisrael," WHICH ENDS THE VERSE, MEANS that Yisrael shall inherit this covenant and the Holy One, blessed be He, gave this to them as an everlasting inheritance.

361. The children of Yisrael abandoned THE COVENANT when they performed circumcision, but neglected the uncovering of the corona. Therefore, it is written OF THEM: "When the people of Hashem went down to the gates," (Shoftim 5:11), MEANING WENT DOWN to the gates of righteousness, as they sat at the gates but did not pass through them. It is written of that time: "And they forsook Hashem" (Shoftim 2:12). Dvorah then came and donated this to them. SHE DREW DOWN AND REVEALED THE SUPERNAL MOCHIN TO THEM, as it is written: "In time of tumultuous strife (Heb. pera'ot) in Yisrael" (Shoftim 5:2). PERA'OT MEANS REVEALING, AS IN "AND LOOSEN (HEB. PARA) THE HAIR OF THE WOMAN'S HEAD" (BEMIDBAR 5:18), WHICH IS AN ALLUSION TO THE REVELATION OF THE MOCHIN THAT DVORAH RETURNED TO YISRAEL.

362. Thus, it is written OF YISRAEL: "The inhabitants of the villages ceased, they ceased in Yisrael" (Shoftim 5:7) refers to the inhabitants of his villages, as has already been explained, AS THE ABUNDANCE OF MOCHIN OF GREATNESS FROM YESOD TO THE GREAT SEA. SINCE THEY LEFT THE COVENANT, THE MOCHIN CEASED TO FLOW UPON THEM. "The inhabitants of the villages" --- MOCHIN - "ceased" from the holy covenant because they circumcised but did not uncover the corona (Heb., Periah). Thus, it is written: "Until Dvorah arose, I arose a mother in Yisrael." HE ASKED: Why DOES SHE CALL HERSELF "a mother?" SHE REPLIED Because I have drawn down supernal waters from above, REFERRING TO THE MOCHIN OF THE UPPER THREE SFIROT THAT COME FROM IMA, to sustain the worlds. AND SHE CALLED HERSELF A MOTHER BECAUSE SHE REVEALED THE MOCHIN FROM IMA. "In Yisrael" is a general term INDICATING THAT SHE HAS BECOME A MOTHER TO BOTH YISRAEL above, WHICH IS ZEIR ANPIN, and TO YISRAEL below, WHICH SIGNIFIES THE CHILDREN OF YISRAEL. IN OTHER WORDS, SHE DREW DOWN THE MOCHIN TO BOTH ZEIR ANPIN AND YISRAEL to show that the world exists only by this covenant. And the secret of all this is found in the phrase: "But the righteous is an everlasting foundation (or: foundation of the world)" (Mishlei 10:25), WHO IS THE FOUNDATION (YESOD) UPON WHICH THE WORLD IS ESTABLISHED.

363. Three emerge from One; One exists within three. It enters between the two, the two feed the One and the One feeds many aspects. Then they all become One, as it is written: "And there was evening and there was morning, one day" (Beresheet 1:5), as THE EVENING AND THE MORNING were united as one. This is the secret of THE VERSE, "if my covenant be not day and night", because within it, YESOD--ZEIR ANPIN--AND HIS FEMININE PRINCIPLE, are one, WHICH ARE DAY AND NIGHT. THE COVENANT, WHICH IS YESOD, UNITES DAY AND NIGHT INTO ONE. Tosefta (addendum)

364. We have learned that he who performs circumcision, but does not uncover the corona by splitting the skin, acts as if he does not perform circumcision at all. Why? Because circumcision and the uncovering of the corona are two different grades that correspond to 'Remember' and 'Keep,' the Righteous and righteousness, male and female. CIRCUMCISION IS the sign of the covenant corresponding to Yosef, NAMELY YESOD, AND THE SPLITTING OF THE SKIN IS the covenant that corresponds to Rachel, NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN. They should be united together, YESOD AND THE FEMININE PRINCIPLE. When does one unite them? When he circumcises THE FORESKIN and uncovers the corona. He who circumcises without uncovering the corona acts as if he has created a separation BETWEEN ZEIR ANPIN AND HIS FEMININE PRINCIPLE. End of Tosefta

39. The firmament that divides and unites

All the worlds were created with boundaries, and these boundaries are reflected within the human body. Thus, reasoning takes place only within the boundaries of the head. Each of the Ten Sfirot represent domains of particular spiritual forces. Human behavior should also reflect and respect this idea. The ego's natural tendency is to penetrate another person's boundary. The effect is a volatile combination of spiritual energies, which is the source of conflict. The benefit derived from this section of Zohar awakens our tolerance and respect for others, and an awareness of the need to remain within our own boundaries.

365. "And Elohim said, Let there be a firmament in the midst of the waters, and let it divide water from water" (Beresheet 1:6). Rabbi Yehuda said: There are seven celestial firmaments and they all exist in the supernal holiness OF ARICH ANPIN. And the holy name, ELOHIM, is completed by them. This firmament, WHICH IS MENTIONED IN THE VERSE ABOVE, is in the midst of the waters.

365. וַיֹּאמֶר אֱלֹהִים יְהִי רְקִיעַ בְּתוֹךְ הַמַּיִם וְיִהְיֶה מַבְדִּיל בֵּין מַיִם לְמַיִם, ר' יְהוּדָה אָמַר, שִׁבְעָה רְקִיעִים אֲנֹן לְעֵילָא, וְכֻלְהוּ קְיֻמָּא בְּקְדוּשָׁתָא עֲלָא, וְשִׁמָּא קְדִישָׁא בְּהוּ אֲשֶׁתְּכֻלָּל, וְדָא רְקִיעָא הוּא בְּאַמְצָעוֹת מֵיָא.

366. This firmament rests on other living creatures and it divides the upper and lower waters. The lower waters cry to the upper waters TO RAISE THEM TO THEM, and they drink from the firmament that separates between them, because all waters, NAMELY ALL THE GRADES, are included in this SUPERNAL FIRMAMENT. Thus, after TRANSMITTING THE MOCHIN TO THE SUPERNAL LIVING CREATURES--WHICH ARE CHESED, GVURAH AND TIFERET--it brings it down to the SMALL living creatures FROM THE CHEST DOWNWARD, who draw from there THE MOCHIN OF CHOCHMAH.

366. דָּא רְקִיעַ קְיֻמָּא עַל גְּבֵי חַיּוֹתָא אַחֲרֵינָן, וְאֵיהוּ אֲפְרִישׁ בֵּין מַיִן עֲלָאִין לְמַיִן תַּתְּאִין, וּמַיִן תַּתְּאִין קְרָאִין לְעֵלָאִין, וּמֵהָאִי רְקִיעַ שְׁתָּאן לֹון, דָּא הוּא דְּמַפְרִישׁ בִּינֵיהוּ, בְּגִין דְּכֻלְהוּ מֵיָא בֵּיהּ כְּלִילָן, וְלְבַתֵּר נַחִית לֹון לְהַנִּי חַיּוֹתָא, וְשִׁאֲבִין מִתַּמָּן.

367. It is written: "A garden enclosed is my sister, my bride; a spring shut up, a fountain sealed" (Shir Hashirim 4:12). THE FEMININE PRINCIPLE IS CALLED "a garden enclosed" when all THE LIGHTS are enclosed and included within her. AND SHE IS CALLED "a spring shut up" when that river that flows OUT OF EDEN enters THE FEMININE PRINCIPLE to water her FROM EDEN. So it comprises THE ENTIRE MOCHIN, but does not bring forth their illumination, because the waters--WHICH SIGNIFY THE MOCHIN--are frozen and stand stiff in it. What is the reason FOR THEM FREEZING? HE REPLIED: Because the Northern Wind blows into these waters. They freeze into ice and cannot flow out. Had it not been for the Southern aspect, NAMELY THE RIGHT COLUMN, that shattered the power of this ice, the waters would have never flowed out.

367. בְּתִיב גַל נְעוּל אַחוּתִי כֻלָּה, גַל נְעוּל מַעֲיָן חֲתוּם. גַן נְעוּל, דְּכֻלָּא אֲסֻתִּים בֵּיהּ, דְּכֻלָּא אֲתְּכִיל בֵּיהּ. גַל נְעוּל דִּהוּא נְהַר נְגִיד וְנִפְיָק, וְעֵיל בֵּיהּ, וְכִיל, וְלֹא אֲפִיק, וְקָרְשִׁי מֵיָא בֵּיהּ, וְקְיֻמִּי מ"ט בְּגִין דְּרוּחַ צְפוֹן נָשִׁיב בְּאַנּוֹן מֵיָא, וְאַתְּקְרִישׁוּ וְלֹא נִפְקִי לְבַר, עַד דְּאַתְּעֵבִיד קְרַח, וְאַלְמֵלָא סְטְרָא דְּרָרוּם, דְּאַקִּישׁ תְּקֻפִיה דִּהָאִי קְרַח, לֹא נִפְקִי מִגְּנִיה מֵיָא לְעֵלְמִין.

368. The appearance of that upper firmament is similar to the appearance of the frozen ice, which collects within it all the waters THAT ARE Poured ON IT. In this manner, the upper FIRMAMENT gathers upon it all these waters and separates the upper waters from the lower waters. The verse, "Let there be a firmament in the midst of the waters," REFERS TO THE FIRMAMENT in the midst of the waters. THUS, WE MIGHT THINK THAT THE FIRST FIRMAMENT IS THE MIDDLE ONE. YET HE SAID: It is not so, because "Let there be" precedes THIS FIRMAMENT, WHICH MEANS THAT the FIRMAMENT that was formed by this FIRST FIRMAMENT is in the "midst of the waters." But the one above it, REFERRING TO THE FIRST FIRMAMENT, rests on the heads of the living creatures--OVER CHESED, GVURAH AND TIFERET OF ARICH ANPIN--AND NOT IN THE "MIDST OF THE WATERS" BETWEEN CHESED, GVURAH AND TIFERET, AND NETZACH, HOD AND YESOD.

368. וְחִיזוּ דִּהוּא רְקִיעָא עֲלָא, כְּחִיזוּ דִּהָאִי קְרַח דְּמַתְּקְרָשָׁא וּמְכַנֵּס בְּגוּיָה כֻלָּא אֲנֹן מַיִן, כִּךְ הוּא עֲלָא, דְּעֵלִיהּ כְּנִישׁ כֻלָּא אֲנֹן, מַיִן, וְאַפְרִישׁ בֵּין מַיִן עֲלָאִין לְמַיִן תַּתְּאִין, וְהָאִי דְּאַמְרָן יְהִי רְקִיעַ בְּתוֹךְ הַמַּיִם, בְּמַצִּיעוֹת, לֹא הִכִּי, אֲלֵא יְהִי כְּתִיב, הוּא דִּהוּי מְנִיָּה בְּמַצִּיעוֹת מֵיָא הוּי, וְאֵיהוּ לְעֵיל, דְּקְיֻמָּא עַל רִישָׁא דְּחַיּוֹתָא.

369. Rabbi Yitzchak said: There is a membrane in the middle of a man's abdominal organs that separates them from the upper organs, THEREBY SEPARATING THE ABDOMINAL ORGANS--WHICH ARE THE FOOD ORGANS--AND THE HEART AND LUNGS--WHICH ARE THE ORGANS OF LIFE. THIS MEMBRANE BEGINS IN THE NAVEL AND STRETCHES UP TO THE CHEST IN A DIAGONAL LINE. It absorbs THE FORCE OF LIFE from the ORGANS OF LIFE above THE CHEST and distributes IT TO THE ORGANS OF FOOD below THE CHEST. The firmament is similar TO THIS MEMBRANE. IT IS THE BODY OF ARICH ANPIN THAT ALSO EXTENDS FROM THE NAVEL TO HIS CHEST and rests above the lower living creatures, THAT IS, ABOVE THE SFIROT OF NETZACH, HOD, YESOD AND MALCHUT, CALLED THE LOWER LIVING CREATURES. It separates the upper waters--WHICH ARE HIS CHESED, GVURAH AND TIFERET--from the lower WATERS--WHICH ARE HIS NETZACH, HOD AND YESOD.

369. אָמַר רַבִּי יִצְחָק אֵיךְ קְרוּמָא, בְּמִצִּיעוֹת מַעוֹי דְּבַר נֶשׁ, דְּאִיהוּ פְּסִיק מִתְתָּא לְעֵילָא, וְשָׂאִיב מֵעֵילָא, וְיִהִיב לְתַתָּא, כִּךְ גּוּוּנָא דָא, רְקִיעַ אִיהוּ בְּאִמְצָעִיתָא, וְקִימָא עַל אֲנוּן חַיּוּתָא דְלְתַתָּא, וְאִיהוּ פְּרִישׁ בֵּין מִיּוֹן עֲלָאִין לְתַתָּאִין. תָּא חוּזִי, אֲנוּן מִן אַעֲרוּ וְאוּלִירוּ חֲשׂוּכָא, וְעַל רְזָא דָא כְּתִיב וְהִבְדִּילָהּ הַפְּרוּכַת לָכֶם בֵּין הַקֹּדֶשׁ וּבֵין קֹדֶשׁ הַקֹּדֶשִׁים.

40. The waters conceived and gave birth to darkness

Rabbi Yehuda offers additional insights into the concept of boundaries. Though we must respect and consider the boundaries of all people, this does not preclude the exchange of ideas and debate between parties, provided it is for the sake of Heaven and not for ego gratification. A spiritual debate between two distinct points of view can enhance both parties, as expressed by the adage, The whole is greater than the sum of its parts. This occurs when dialogue takes place with sharing and mutual respect.

It is incumbent upon us not to argue for the purpose of unduly influencing others toward our own position. By all means, we must respect their differences while trying to enhance their lives within the context of their own boundaries.

Come and behold: these waters conceived and gave birth to darkness. Based on this secret, it is written: "And the veil shall be for you as a division between the holy place and the Most Holy (lit. 'the Holy of Holies')" (Shemot 26:33).

370. Rabbi ABA opened THE DISCOURSE WITH AN EXPLANATION OF THE VERSE: "Who lays the beams of his chambers in the waters..." (Tehilim 104:3). "...the waters" refers to waters above all, NAMELY ABA AND IMA, with which he established the house THAT IS THE FEMININE PRINCIPLE OF ZEIR ANPIN. About this, it is written: "Through wisdom a house is built; and by understanding it is established" (Mishlei 24:3).

370. רַבִּי אַבָּא פִּתַח הַמְקָרָה בְּמִים עֲלוּתֵינוּ וְגו', בְּמִים, אֵלִין מִיּוֹן עֲלָאִין דְּכֻלָּא, דְּבַהוּ תְקִין בֵּיתָא, כַּד"א בְּחֻכְמָה יִבְנֶה בֵּית, וּבְתַבּוּנָה יִתְכוּנֵן.

371. "Who makes the clouds (Heb. avim) his chariot" (Tehilim 104:3). Rabbi Yehuda divides avim INTO Av and Yam. THIS MEANS THAT Av (cloud), which is darkness FROM THE LEFT, rests on this Yam (sea). In the phrase: "Who walks upon the wings of the wind" (Ibid.), the wind (or spirit) belongs to the supernal Temple. This is the secret of the verse: "And you shall make two cherubim of gold" (Shemot 25:18). It is written: "And he rode upon a cherub, and did fly; yea, he soared on the wings of the wind" (Tehilim 18:11). AT FIRST, "and he rode upon a cherub" REFERS TO THE FEMALE CHERUB, but later he was revealed on the wings of the wind," THE SECRET REFERS TO THE MALE CHERUB. Until one is stimulated, it is not revealed within the other.

371. הַשֵּׁם עָבִים רְכוּבוֹ ר' יִיסָא סַבָּא, פְּלִיג, עָבִים ע"ב ו"ם, עַב דְּאִיהוּ חֲשָׁךְ, שְׂמָאֵלָא, דְּקִיּוּמָא עַל יָם דָּא. הַמְהַלֵּךְ עַל כְּנָפֵי רוּחַ, דָּא רוּחָא דְּמִקְדָּשָׁא עֲלָאָה, וְרְזָא דָא שְׁנַיִם כְּרוּבִים זָהָב, כְּתִיב וַיִּרְכַּב עַל כְּרוּב וַיַּעֲוֹף וַיֵּרֵד עַל כְּנָפֵי רוּחַ, וַיִּרְכַּב עַל כְּרוּב חֵד, לְבַתַּר אֵיגְלִי עַל כְּנָפֵי רוּחַ וְעַד דְּהָאִי אֲתַעֲר לָא אֲתַגְלִי בְּהָאִי.

372. Rabbi Yosi said: It is written: "And he weighs the waters by measure" (Iyov 28:25). THIS MEANS that by actual measure did he weigh and establish their existence, as THE WATERS flowed into the measure. They are meant for the improvement of the world when they reach the measure from the side of Gvurah. Rabbi ABA said: The sages of old used to say that when the wise reached this place, REFERRING TO THE SECRET OF THE MEASURE THAT IMPROVES THE WATER, their lips moved but they uttered no sound because they WERE AFRAID THEY might be punished.

372. רַבִּי יוֹסִי אָמַר כְּתִיב וּמִים תִּכֵּן בְּמִדָּה, בְּמִדָּה מִמַּשׁ אֲתַקִּין לְהוּ, כַּד מְטוֹן לְגוּוּהַ, וְאִינּוֹן תְּקוּנָא דְּעֲלָמָא, כַּד מְטוֹ מַסְטְרָא דְּגְבוּרָה. אָמַר רַבִּי אַבָּא כִּךְ הוּוּ קְדָמָאִי אֲמַרִי, כַּד הוּוּ מְטָאן לְהָאִי אֲתַר, מְרַחֲשֵׁן שְׁפוּן דְּחַכְמִיּוֹן, וְלֹא אֲמַרִין מְדִי בְּגִין דְּלֹא יִתְעַנְשׂוּן.

373. Rabbi Elazar continued: The first letter, which was floating over the pure knot, was crowned from below and above. It goes up and comes down, SO THAT NOW THE RIGHT IS STRONGER, AND NOW THE LEFT COLUMN. After the waters, WHICH ARE THE MOCHIN, are engraved into their shapes and THE MOCHIN settle in place, THE TWO COLUMNS are included one within the other, AND THIS IS THE SECRET OF THE CENTRAL COLUMN. So all the letters ROSE UP TO ABA AND IMA, AND FIRST RECEIVED THE MOCHIN OF THE RIGHT AND LEFT COLUMNS. THEN, THEY RECEIVED THE MOCHIN OF THE CENTRAL COLUMN, were combined with one another, and crowned by one another until a building OF THE PARTZUF OF ZEIR ANPIN AND HIS FEMININE PRINCIPLE and its Yesod was built upon them.

373. רַבִּי אֱלֶעָזָר אָמַר, אֵת קְדָמָאָה דְּאֲתוּוֹן הוּוּ שְׂטוּא עַל אֲנַפּוּי דְּקִיטְרָא דְּכִינָא, וְאֲתַעֲטַר מְלַרַע מְלַעֲיָלָא, וְסָלִיק וְנַחִית, וּמִיָּא מִתְגַּלְפִי בְּגִלּוּמֵיהוּ, וּמִתְיַשְׁבֵּן בְּדוּכְתֵייהוּ, וְאֲתַכְּלִילוּ חֵד בְּחֵד. וְכֵן אֲתוּוֹן כְּלָהוּ, כְּלִילֵן דָּא בְּדָא, וּמִתְעַטְרֵן דָּא בְּדָא, עַד דְּאֲתַבְּנִי עֲלֵיהוּ בְּנִיּוּנָא וְיִסוּדָא.

374. When all THE LETTERS were constructed and crowned WITH THE MOCHIN OF THE UPPER THREE SFIROT BY THEIR INCLUSION IN ABA AND IMA, the upper waters mixed with the lower waters and produced the house of the world. THE FEMALE IS CALLED THE HOUSE (HEB. BAYIT) OF THE WORLD WHEN SHE RECEIVES THE MOCHIN OF CHOCHMAH. And so the letter Bet, WHICH ALLUDES TO THE FEMINE PRINCIPLE, was first seen as the waters ascended and descended in her, until this firmament was formed and separated them. The dispute BETWEEN THE TWO COLUMNS occurred on the second day OF CREATION, the day on which Gehenom was created, which is a burning fire, BECAUSE OF THE DISCORD, as it is written: "For Hashem your Elohim is a consuming fire" (Devarim 4:24). And it will rest on the heads of the wicked.

375. Rabbi Yehuda said: From this WE LEARN THAT every disagreement for the sake of heaven is destined to last. Here was a disagreement for the sake of heaven, FOR THE SAKE OF ZEIR ANPIN WHO IS CALLED HEAVEN, and heaven was established. After this DISAGREEMENT, ON THE THIRD DAY, it is written: "And Elohim called the firmament Heaven" (Beresheet 1:8). HERE, 'CALLED' MEANS 'TO SUMMON.' The construction of THE HOUSE AND the attic, by means of the beams connecting them, is firm. THE BEAMS SERVE AS A FLOOR FOR THE ATTIC AND A CEILING FOR THE HOUSE. THUS, THE ENTIRE HOUSE AND ATTIC EXIST THROUGH THE BEAMS BUT DID NOT EXIST BEFORE THEY WERE PUT IN PLACE. WITHOUT BEAMS, THERE SHALL BE NO HOUSE AND ATTIC. We have learned that the verse: "And the veil shall be for you as a division between the holy place and the most holy (Holy of Holies)" (Shemot 26:33) is precise. THE HOLY AND THE HOLY OF HOLIES WERE FORMED BY THE VEIL AND ARE PRESERVED BY IT, because THE VEIL is the firmament that divides it within, in the middle, BETWEEN THE UPPER AND LOWER WATERS.

376. Come and behold: It is written afterward "Let the waters under the heaven be gathered together to one place" (Beresheet 1:9). Note that it reads precisely "under the heaven." "...to one place," MEANS to the place that is called one, which is the lower sea, NAMELY THE FEMINE PRINCIPLE as she completes THE NAME one. Without her, ZEIR ANPIN is not called 'One.' Accordingly, we learn THAT THE VERSE: "Let the waters...be gathered together" implies that all the waters be gathered IN THE FEMINE PRINCIPLE, as is written: "All the rivers run into the sea..." (Kohelet 1:7), WHICH IS THE FEMINE PRINCIPLE.

377. Rabbi Yesa said, THE VERSE: "To one place" refers to the place about which it is written: "Neither shall the covenant of my peace be removed" (Yeshayah 54:10). IT ALLUDES TO YESOD OF ZEIR ANPIN THAT IS CALLED THE COVENANT OF PEACE AND NOT, AS RABBI YEHUDA SAID, TO THE FEMINE PRINCIPLE. For YESOD takes all THE LIGHTS, AS IT IS WRITTEN: "LET THE WATERS...BE GATHERED" and casts them into the sea, WHICH IS THE FEMINE PRINCIPLE WHEN SHE HAS THE MOCHIN OF CHOCHMAH. Through it, the earth is established, WHICH IS THE FEMINE PRINCIPLE WHEN SHE HAS THE COMPLETE MOCHIN--WHICH CONSIST OF THE LIGHT OF CHOCHMAH TOGETHER WITH THE LIGHT OF CHASSADIM--as it is written: "And let the dry land appear" (Beresheet 1:9). This is the earth according to the verse: "And Elohim called the dry land Earth" (Ibid. 10).

374. וכד אתבניאו בלהו ואתעטרו, הוּו מיון עלאין מתערבין במיון תתאין, ואפיקו ביתא דעלמא, ועל דא ב' אתחזי ברישא, ומיון סלקין ונחתין, עד דהאי רקיע הוה, ואפריש לון, ומחלוקת הוה בשני, דביה אתברי גיהנם, דאיהו נורא דדליק, כד"א אש אוכלה הוא, וזמין לאשראה על רישיהו דחייבנא.

375. אמר רבי יהודה, מהכא כל מחלוקת דאיהו לשם שמים, סופה להתקיים, דהא הכא מחלוקת דאיהו לשם שמים הוה, ושמים בהאי אתקיים, לבתר דא, דכתיב ויקרא אלקים לרקיע שמים וגו'. בקטפירא דעוליתא בקסטוייהו שכוחי ואתקוימו, דהא תנינן כתיב והבדילה הפרוכת לכם, בין הקדש ובין קדש הקדשים, דייקא, דהא איהו רקיע דמפרש בגו באמצעיתא.

376. תא חזי, כתיב לבתר, יקוו המים מתחת השמים אל מקום אחד, מתחת השמים ממש. אל מקום אחד, לאתר דאקרי אחד ואיהו ים תתאה, דהא איהו אשלים לאחד, וכלא איהו לא אקרי אחד, ומשמע דכתיב יקוו, דביה מתכנסין בלהו מיא כד"א כל הנחלים הולכים אל הים וגו'.

377. ר' ייסא אמר, אל מקום אחד, דא איהו אתר דכתיב ביה וברית שלומי לא תמוט, דהא איהו נטיל בלא, ושדי בנימא, וביה אתתקנת ארעא, דכתיב ותראה היבשה, דא הוא ארץ, כד"א ויקרא אלקים ליבשה ארץ.

378. HE ASKED: Why is the feminine principle called "dry land"? Rabbi Yitzchak replied: This is one of which it is written, "The bread of affliction (lit. 'poverty')" (Devarim 16:3). It is written: "oni (poverty)" WITHOUT THE LETTER VAV, THEREBY ALLUDING TO THE FEMININE PRINCIPLE WHEN SHE HAS CHOCHMAH WITHOUT CHASSADIM. AT THAT TIME, SHE IS CALLED "THE BREAD OF POVERTY," BECAUSE SHE CANNOT SHINE. Because she is CONSIDERED THEN TO HAVE THE NAME, "The bread of affliction," she is also called "dry land" AS WELL, WITHOUT THE WATERS THAT ARE THE MOCHIN. THEREFORE, THE FEMININE PRINCIPLE absorbs into herself all the waters of the world, NAMELY THE LIGHT OF CHOCHMAH THAT INCLUDES THE ENTIRE MOCHIN OF THE UPPER THREE SFIROT. NEVERTHELESS, she remains dry until this place, NAMELY YESOD THAT IS CALLED "ONE PLACE", fills her up WITH THE LIGHT OF CHASSADIM. The waters then flow throughout the sources OF ABUNDANCE FROM YESOD THROUGH THE ENCLOTHING OF CHOCHMAH WITH CHASSADIM.

379. THE VERSE: "And the gathering together of the waters he called seas" (Beresheet 1:10) refers to the reservoir (lit. 'the house of gathering') of above IN BINAH. All the waters gather there, and flow and go forth. Rabbi Chiya said, The "gathering together" (Heb. mikveh) of the waters" is AN ALLUSION TO the Righteous--NAMELY YESOD OF ZEIR ANPIN--because when YESOD reaches the gathering, it is written: "And Elohim saw that it was good" (Beresheet 1:10). It is also written: "Say of the righteous, that is shall be well (that it is good) with him..." (Yeshayah 3:10). Rabbi Yosi said: Yisrael--WHO IS ZEIR ANPIN--is CALLED 'the gathering together' (Heb. mikveh) of the waters, as it is written: "O Hashem, the hope (Heb. mikveh) of Yisrael" (Yirmeyah 17:13).

380. ACCORDING TO Rabbi Chiya, THE GATHERING TOGETHER OF THE WATERS is the Righteous, NAMELY YESOD OF ZEIR ANPIN, as it is written: "And the gathering together of the waters he called seas," WHICH IS THE NAME OF THE MOCHIN OF CHOCHMAH. The streams, the springs and the rivers--WHICH ARE ALL DIFFERENT ASPECTS OF THE MOCHIN OF CHOCHMAH--are all taken by YESOD, who is the source of all of them, THROUGH ITS RECONCILIATION. THIS IS WHY it receives them all and it is called the seas. Based on this, AS A RESULT OF YESOD AMENDING THESE MOCHIN OF CHOCHMAH, THE VERSE READS, "And Elohim saw that it was good."

381. Because it is so marked - MEANING THAT IT INCLUDED WITHIN ITSELF THE ENTIRE MOCHIN BOTH OF CHOCHMAH AND CHASSADIM --it represents the division between the first and third day. It is not said "good" in between, REFERRING TO THE MOCHIN OF THE SECOND DAY. On the third day, the earth--NAMELY THE FEMININE PRINCIPLE--produced fruit from the power of this Righteous--NAMELY YESOD--as it is written: "And Elohim said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit" (Beresheet 1:11). HE ASKED: What is the "fruit tree?" HE REPLIED: This is the Tree of knowledge of good and evil, ALLUDING TO THE FEMININE PRINCIPLE OF ZEIR ANPIN. "Yielding fruit" means the Righteous, the fountain (Yesod) of the world THAT PRODUCES ALL THE FRUIT AND BESTOWS THEM UPON THE FEMININE PRINCIPLE. AS A RESULT OF THE GREATER VALUE OF YESOD, THE SECOND DAY SEEMS TO BE OF COMPARABLY LITTLE VALUE, SO IT IS NOT SAID ON IT, "THAT IT WAS GOOD."

378. אַמַּאי אַקְרִי יבֹּשָׁה, אָמַר רַבִּי יִצְחָק, הַיּוֹנוּ דְכִתִּיב לַחֵם עֹנִי, לַחֵם עֲנִי כְּתִיב וּבִגְנִין דְּאִיהוּ לַחֵם עֲנִי אַקְרִי יבֹּשָׁה, וְשָׂאִיב בְּגוֹוָה כָּל מִימִין דְּעֵלְמָא, וְאִיהִי יבֹּשָׁה הוּי, עַד דְּאֶתֶר דָּא אֲמַלִּי לָהּ, וּכְדִין נְגַדִין מֵיָא, אֹרַח דְּאֲנָן מְקוֹרוֹת.

382. THE PHRASE "yielding fruit after its kind" IN THE VERSE, "AND THE FRUIT TREE YIELDING FRUIT AFTER ITS KIND" MEANS THAT YESOD leaves an imprint on every human being who has a spirit of holiness and who is a fruit of that tree--NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN--"after its kind." Just as YESOD OF ZEIR ANPIN is a holy covenant and a covenant of peace, so are the people of faith "after its kind", THOSE WHO HAVE MERITED THE SPIRIT OF HOLINESS FROM THE FEMININE PRINCIPLE. THIS MEANS THAT THEY ALSO ATTAIN THE GRADES OF THE HOLY COVENANT AND THE COVENANT OF PEACE. They enter into its kind, THEY CLEAVE TO IT, and they never separate themselves from it. The Righteous, NAMELY YESOD, yields fruit, THAT IS, BRINGS FORTH THE SPIRITS AND SOULS OF HUMAN BEINGS. That tree, NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN, becomes pregnant WITH THE FRUIT THAT SHE RECEIVES FROM YESOD, WHICH ARE THE SPIRITS AND SOULS, and produces that fruit after its kind, after the kind of it, which yields the fruit, NAMELY YESOD. WHOEVER RECEIVES ITS FRUIT becomes like it. THEN THE FEMININE PRINCIPLE GIVES THEM TO THE HUMAN BEINGS, WHICH RESEMBLE IT WHICH YIELDS THE FRUIT.

383. Happy is the lot of he who resembles his father and mother, WHO ARE MALE AND FEMALE. Therefore, the sacred imprint--THE CUTTING OF THE FORESKIN on the eighth day--is for the purpose of making him resemble his mother, WHO IS THE FEMININE PRINCIPLE OF ZEIR ANPIN. Thus, the splitting of the membrane and exposure of the sacred imprint is done to make him resemble his father, WHO IS ZEIR ANPIN. FOR BY THE PRECEPT OF THE CIRCUMCISION, HE MERITS THE MOCHIN OF THE FEMININE PRINCIPLE AND BY THE SPLITTING OF THE MEMBRANE, HE RECEIVES THE MOCHIN OF ZEIR ANPIN. This is why the "fruit tree" is one's mother, THE FEMININE PRINCIPLE OF ZEIR ANPIN, and "yielding fruit" in the holy Covenant, WHICH IS YESOD OF ZEIR ANPIN, is one's father. It is "after its kind" so that he may resemble his father, and be imprinted by him TO RECEIVE ALL HIS VIRTUES.

384. IT IS WRITTEN: "Whose seed is in itself, upon the earth" (Bereshheet 1:11). HE ASKED: WHY IS IT WRITTEN, "Whose seed (Heb. zar'o) is in itself," when it should have been written 'a seed' WITHOUT THE LETTER VAV? HE REPLIED: Because the seed of Vav, WHO IS ZEIR ANPIN, is in it. IT IS WRITTEN "upon the earth." This is certainly so, because this seed has been cast BY ZEIR ANPIN upon the earth, WHICH IS THE FEMININE PRINCIPLE. Happy is the lot of Yisrael, who are holy and resemble holy beings, MEANING THAT THEY RECEIVE THE MOCHIN FROM MALE AND FEMALE AND RESEMBLE THEM. Because of this, it is written: "And your people shall also be all righteous" (Yeshayah 60:21). They are certainly all righteous because their souls come forth through the Righteous, WHICH ARE THE SPIRITS OF YESOD OF THE MALE AND FEMALE. This is why they resemble them. They are blessed in this world and in the world to come.

385. Rabbi Chiya said: It is written, "He has made the earth by his power" (Yirmeyah 10:12). SO HE ASKED: What is THE MEANING OF, "He has made the earth?" HE REPLIED: This is the Holy One, blessed be He, above, and "by his power" is the Righteous, NAMELY YESOD OF ZEIR ANPIN. IN THE VERSE, "He has established the world by his wisdom" (Ibid.), "the world" ALLUDES to the earth below and "his wisdom" MEANS righteousness, as it is written: "And he will judge the world in righteousness" (Tehilim 9:9). "He has made the earth" refers to the Holy One, blessed be He, who fully establishes the earth and mends its ways. By what DOES HE FULLY ESTABLISH IT? "By his power," as we have stated.

386. Rabbi Yehuda said: In THE BOOK, 'the engraved letters' of Rabbi Elazar, there are knots by which all 22 LETTERS are bound together as one. THERE ARE two letters THAT BIND THE 22 LETTERS AS ONE, one ascends and the other descends. That which ascends descends, and that which descends ascends, as is noted in the verse: "Surely (lit. 'but') El is in you" (Yeshayah 45:14).

387. Rabbi Yosi said: The tip of the scales stands in the middle. Its portent may be found in the verse, "In weight, or in measure" (Vayikra 19:35), in which "in weight (Heb. mishkal)" MEANS THAT the tongue of the scales is in the middle, BECAUSE THE SCALES ARE JUST. This is the secret of WHAT IS WRITTEN: "After the shekel of the sanctuary..." (Shemot 30:13); and the scales that weigh THE MOCHIN are set upon THE POINT IN THE MIDDLE. HE ASKED: What are the scales BY WHICH, AS YOU SAY, THE MOCHIN are WEIGHED? HE ANSWERED, This is according to what is written: "Just balances" (Vayikra 19:36), MEANING THAT JUSTICE IS WEIGHED BY THEM. And all MOCHIN are established by this weight "after the shekel of the sanctuary." Rabbi Yehuda said that the phrase: "After the shekel of the sanctuary (lit. 'holy shekel') is an allusion to the Holy Spirit.

388. Rabbi Yitzchak said: It is written, "By the word of Hashem were the heavens made; and all the host of them by the breath of his mouth" (Tehilim 33:6). "By the word of Hashem were the heavens made" refers to the lower heavens, which were made by the word of the upper heavens. They were made "By the breath" that produces a voice until it reaches the river that ebbs and flows, and whose waters never cease. AND THE PHRASE, "And all the host of them by the breath of his mouth" APPLIES TO all lower beings, who exist ONLY by THE LIGHT OF the breath, which is the male.

389. In discussing the verse, "He waters the hills from his upper chambers; the earth is satisfied with the fruit of your works" (Tehilim 104:13), HE ASKED: What are "his upper chambers?" HE ANSWERED: This is consistent with "who lays the beams of his upper chambers" (Ibid.). "The earth is satisfied with the fruit of your works" is the secret of the river that ebbs and flows downward. THEREFORE, IT IS WRITTEN, "THE EARTH" -- NAMELY THE FEMININE PRINCIPLE - "IS SATISFIED", AS SHE RECEIVES THIS LIGHT OF CHOCHMAH. Thus, it is written: "And the fruit tree yielding fruit after its kind, whose seed is in itself", as has already been explained.

41. "Let there be lights"

Here discussion turns to the two great Lights in the sky, the sun and moon. The Zohar explains that when the moon was diminished in size, this also diminished the spiritual Light in our physical world of Malchut -- and the resulting darkness created an opening for curses. Interestingly, the Hebrew word for "curses" is Me'erot. The Hebrew word for Lights is Me'orot. The singular difference between the two is that the word for curses lacks the Hebrew letter Vav. The usual reading translation for this word as it appears in the Torah is Lights, which is how the word has been read in synagogues all over the world throughout history. Nevertheless, the actual written word in the Torah is curses minus the letter Vov.

The secret meaning of this passage remains hidden without the light of the Zohar to reveal it. According to Kabbalah, we pronounce the word as Lights because, when spoken, the word reveals the very Light it describes. This action replenishes the spiritual Light of the moon, removing darkness and eradicating curses from the face of the earth.

Another secret pertains to the creation of the negative and evil female angel Lilit, whose name we do not pronounce. She came into existence at the moment the moon was diminished. The concept of curses and the childhood disease known as croup were also created in this stage. Protection from curses, croup, and other negative forces is bestowed when we scan and learn this section of the Zohar.

390. "And Elohim said, Let there be light in the firmament of heaven... to give light upon the earth..." (Beresheet 1:14-15). IT IS WRITTEN, "Let there be lights" with a defective spelling, WITHOUT THE LETTER VAV. Rabbi Chizkiyah said, These are the lights where harsh Judgment lies and is absorbed. Rabbi Yosi said: THE REASON WHY "Let there be lights" IS SPELLED WITHOUT THE VAV, AND CAN BE READ AS ME'EROT (CURSES), IS BECAUSE it refers to the moon, NAMELY MALCHUT, which is the cause of croup in infants of the LOWER world. 'Curse' is derived from her, because she is the lesser luminary of all the lights; THAT IS, THE LAST ONE. At times, she is darkened and receives no light. AS A RESULT, CROUP AND CURSES ARE DRAWN DOWN FROM IT.

387. רבי יוסי אמר טיפסא דשיקלא באמצעותא קיימא, וסימן במדה במשקל וגו'. משקל לישן דקיימא באמצעותא, ורזא דא שקל הקדש כתיב, ומאזנים ביה קיימן ואתקלו, מאן מאזנים, כד"א מאזני צדק, וכלהו קיימן במשקל, בשקל הקדש. רבי יהודה אמר בשקל הקדש, דא רוח הקדש.

388. אמר רבי יצחק, כתיב בדבר ה' שמים נעשו, וברוח פיו כל צבאם, בדבר ה' שמים נעשו, אליו שמיא דלתתא, דאתעבידו בדבר שמים דלעילא, ברוח דאפיק קלא, עד דמטו לההוא נהר דנגיד ונפיק, ולא פסקין מימיו לעלמין. וברוח פיו כל צבאם, כלהו תתאי קיימן ברוח דאיהו דבר.

389. משקה הרים מעליותיו מפרי מעשיך תשבע הארץ, משקה הרים מעליותיו, מאן עליותיו כדקאמרן, דכתיב המקרה במים עליותיו. מפרי מעשיך תשבע הארץ, רזא דההוא נהר דנגיד ונפיק לתתא, הדא הוא דכתיב עושה פרי אשר זרעו בו וגו' והא אתמר.

מארת מאורותו.

390. יהי מארת ברקיע השמים להאיר על הארץ. יהי מארת חסר, רבי חזקיה אומר, מאורת דשריא ביה תוקפא דדינא, קילטא דדינא. רבי יוסי אמר, יהי מארת לתתא, איהו סיהרא, דבה תליא אסברה לרביי עלמא, ובה תליא מארת, בגין דאיהו נהורא זוטרא מכל נהורין, חמנין דאתחשכא ולא מקבלא נהורא.

391. The phrase, "in the firmament of heaven..." (Beresheet 1:14) refers to the firmament that includes all others, because it receives all the lights and also shines upon the Light that does not shine.

392. Rabbi Yitzchak said: It brought forth this firmament that does not shine, which is called 'the Kingdom of Heaven,' 'the land of Yisrael' and 'the land of life.' ALL OF THESE ARE NAMES OF MALCHUT. The heaven, WHICH APPEARS IN THE VERSE, SHINES UPON this firmament. ZEIR ANPIN, WHO IS CALLED 'THE HEAVEN,' SHINES UPON MALCHUT, WHICH IS THE FIRMAMENT THAT DOES NOT SHINE. This is why IT IS WRITTEN: "Let there be lights (me'erot)" without the letter Vav. THIS MEANS THAT SHE RECEIVES NO ILLUMINATION FROM THE HEAVEN THAT IS CALLED VAV. What is the reason for this? Because she brings death over the world, when she is without the letter Vav. IT IS WRITTEN AFTERWARD: "IN THE FIRMAMENT OF HEAVEN TO GIVE LIGHT UPON THE EARTH", SO HEAVEN--WHICH IS THE SECRET OF THE LETTER VAV--AND ZEIR ANPIN SHINE UPON THE EARTH, WHICH IS THE FEMININE PRINCIPLE.

393. "Let there be lights (me'erot)," IS WRITTEN WITHOUT THE LETTER VAV BECAUSE everything derives from it. THUS THIS PHRASE, "LET THERE BE LIGHTS (ME'OROT)," WHICH MEANS CURSES, also includes the creation of Lilit in the world. It is written: "The small and great are there" (Iyov 3:19). It is also written: "But there Hashem in majesty will be for us" (Yeshayah 33:21), REFERRING TO THE MOCHIN OF GREATNESS IN HER. Of this, it is written: "Lilit shall rest there, and find for herself a place of rest" (Yeshayah 34:14). SHE SHALL REST IN MALCHUT AS WELL, BECAUSE EVERYTHING FINDS A PLACE THERE, EVEN THE KLIPAH OF LILIT.

394. Rabbi Elazar said: THE VERSE, "Let there be lights (me'erot)," WITHOUT THE VAV REFERS TO MALCHUT FROM THE ASPECT OF a mirror that does not shine by itself, but by the reflection of the upper lights, just as THE GLASS WALLS OF the lantern reflect the light of the candle inside. IN THE SAME MANNER, THE FEMININE PRINCIPLE TAKES THE LIGHTS FROM THE UPPER GRADES AND BESTOWS THEM ON THE LOWER BEINGS, THOUGH IT HAS NO LIGHT OF ITS OWN. It is written: "Behold, the ark of the covenant of the master of all the earth" (Yehoshua 3:11). "Behold, the ark," refers to the opaque mirror--MALCHUT, THE FEMININE PRINCIPLE OF ZEIR ANPIN. "The covenant," is the shining mirror. "Behold, the ark," refers to me'erot WITHOUT THE LETTER VAV, WHICH MEANS THE FEMININE PRINCIPLE BEFORE ZEIR ANPIN THAT IS CALLED THE WRITTEN TORAH JOINS HER. The ark is a chest in which the Written Torah, WHICH IS ZEIR ANPIN, is laid. The covenant is the sun, NAMELY ZEIR ANPIN, which shines on THE FEMININE PRINCIPLE. She is ALSO CALLED 'the covenant,' AS HE IS, WHEN SHE IS UNITED WITH HIM. THIS IS WHY SHE IS DESCRIBED IN THE VERSE AS "THE ARK OF THE COVENANT." SO SHE IS indeed "the ark of the covenant (of) the Master of all the Earth," BECAUSE ONLY WHEN SHE IS UNITED WITH ZEIR ANPIN, WHO IS CALLED THE COVENANT, IS SHE CALLED "THE MASTER OF ALL THE EARTH," LIKE HER HUSBAND, ZEIR ANPIN. WHY? BECAUSE the covenant, WHICH IS ZEIR ANPIN, is CALLED "The master of all the earth."

391. בְּרָקִיעַ הַשָּׁמַיִם, דָּא הוּא רְקִיעָא דְאִיהוּ בְּלָלָא דְכָלְהוּ, בְּגִין דְנָטִיל כָּל נְהוּרִין, וְהוּא נְהִיר לְהָאֵי נְהוּרָא, דְלֹא נְהָרָא. וְהִיא תְלִינָא בֵּיהּ בְּגִין דְאִתְדַבֵּק בָּהּ הֵהוּא מְאָרָה, וּבֵיהּ תְלִינָא לְתַתָּא כָּל אִינוּן זֵינִין אַחֲרָנִין בְּגִין זְעִירוּ דְנְהוּרָא.

395. This ark is the master, since the sun that shines on her and the whole world is called so. From it, THE FEMININE PRINCIPLE attains the name "MASTER", and this ark is called 'master' (Heb. adon), according to the secret of THE NAME 'Adonai.' As we have already stated, 'Righteous' SIGNIFIES THE MALE and 'Righteousness,' THE FEMALE. ACCORDINGLY, 'Adon' IS THE NAME OF THE MALE and 'Adonai' THE NAME OF THE FEMALE. BECAUSE JUST AS THE NAME 'RIGHTEOUSNESS' OF THE FEMALE IS DERIVED FROM THE NAME 'RIGHTEOUS' OF THE MALE, SO IS THE NAME 'ADONAI' DERIVED FROM 'ADON.' WHEN THE FEMALE IS CALLED AFTER HER HUSBAND BY THE NAME "THE ARK OF THE COVENANT", SHE IS THEN CALLED BY THE NAME OF THE MALE 'ADON.' They are both interrelated.

396. Come and behold: The planets and the constellations exist because of this covenant, which is the sun--NAMELY ZEIR ANPIN--as we have already stated. This is the firmament of heaven THAT APPEARS IN THE VERSE. "LET THERE BE LIGHTS," REFERS TO THE FEMALE, AND "THE FIRMAMENT OF HEAVEN" REFERS TO ZEIR ANPIN, WHICH SHINES UPON HER, THE PLANETS, THE CONSTELLATIONS AND THE WHOLE WORLD. In THIS FIRMAMENT, the planets and the constellations are engraved and inscribed, and they depend on the firmament to shine ON EARTH. HE EXPLAINS THAT THE PHRASE, "LET THERE BE LIGHTS" IS THE FEMALE, AND "IN THE FIRMAMENT OF HEAVENS" IS ZEIR ANPIN. Rabbi Yesa Saba (the elder) said: THE EMANATOR SAID, "Let there be lights," suspended from the firmament of heaven, MEANING THAT ALL THE MEASURES OF ILLUMINATION DERIVE FROM THE FIRMAMENT OF HEAVEN. SO THE LIGHT that is the moon derives in every way from THE FIRMAMENT. Since it is written: "And let them be for lights in the firmament of heaven", the sun IS ALSO DEPENDANT ON THE FIRMAMENT. BECAUSE IT IS ALSO WRITTEN: "And let them be for signs and seasons, and so on", THE ENTIRE STRUCTURE OF dates, feasts, holy days of lunar months and the Shabbat is derived from AND IS FORMED BY THE FIRMAMENT, BECAUSE IT MEASURES EACH AND EVERY GRADE.

397. All this, THE STATURES THAT THE FIRMAMENT MEASURES, IS DONE by the function of the first upper firmament, where the holy name achieves unity. And it is everything. There are seven planets corresponding to the seven firmaments. They all are the governors of the world, and the supernal world is above them. There are two similar worlds, the upper world--BINAH--and the lower world, MALCHUT. ALL THAT IS ESTABLISHED IN THE UPPER WORLD ALSO COMES INTO BEING IN THE LOWER WORLD. THUS, THE LOWER WORLD IS ALSO GOVERNED BY THE PLANETS, AS IS THE UPPER WORLD. It is written: "For ever and ever (lit. 'from the world to the world')" (I Divrei Hayamim 16:36), WHICH MEANS THAT WHATEVER EXISTS IN THE UPPER WORLD REACHES DOWN TO THE LOWER. THE UPPER WORLD IS the upper king, NAMELY BINAH, AND THE LOWER WORLD IS the lower king, NAMELY MALCHUT.

398. It is written: 'Hashem reigns, Hashem has reigned, Hashem will reign for evermore'. THIS MEANS THAT Hashem reigns above, Hashem has reigned in the middle and Hashem will reign for evermore down below. Rabbi Acha said: "Hashem has reigned," IN THE PAST TENSE, means the upper world, WHICH IS THE WORLD TO COME, NAMELY BINAH. "Hashem reigns," IN THE PRESENT TENSE, is Tiferet of Yisrael, NAMELY ZEIR ANPIN. "Hashem will reign," IN THE FUTURE TENSE, is "the ark of the covenant," NAMELY THE LOWER WORLD, MALCHUT.

395. וּבִגְיִן דְּהָאֵי, אַרוֹן אֵיהּ אַרוֹן, בְּגִין שְׁמֵשׁ אֵי וְנִהִיר לָהּ, וְנִהִיר לְכָל עֲלָמָא, הִכִּי אֲתַקְרִי וּמְנִיָּה נִקְטָא שְׁמָא, וְאֲתַקְרִי הָאֵי אַרוֹן, אַרוֹן, בְּרָזָא דְּאֵלִ"ף דְּלִ"ת נוֹ"ן יוֹ"ד. כְּמָה דְּאֲמַרִּינָן, צְדִיק וְצַדִּיק, כֵּן אַרוֹן אֲדַנִּי דָּא בְּרָא תְּלִינָן.

399. David came in another period and reversed their order from down below upward, and said, "Hashem is king forever and ever" (Tehilim 10:16). "Hashem is king" MEANS down below IN THE LOWER WORLD OF MALCHUT, "forever" MEANS in the middle--NAMES IN ZEIR ANPIN-- "and ever" MEANS above IN BINAH, where there is meeting, NAMELY UNITY, AND MOCHIN and completion of all THE GRADES. THIS IS WHY THE upper WORLD IS DESCRIBED AS "reigns". ITS SOVEREIGNTY IS COMPLETED IN ALL ITS PERFECTION, WHEREAS "will reign" MEANS THAT THE WORLD below--NAMELY MALCHUT--SHALL REACH PERFECTION AND FULL SOVEREIGNTY IN THE FUTURE, AS IT IS NOT YET COMPLETED.

400. Rabbi Acha said: All the lights are connected to the firmament of heaven, AS IT IS WRITTEN, "AND ELOHIM SET THEM IN THE FIRMAMENT OF HEAVEN to give light upon the earth." HE ASKED: What is this heaven that gives light upon the earth? HE REPLIED: This is the river that flows out to Eden, as it is written, "And a river went out of Eden to water the garden" (Bereshheet 2:10).

401. Come and behold: Because the moon governs and shines by the power of that river that flows out OF EDEN, WHICH IS BINAH, light is added to all the heavens below UNDER ATZILUT IN BRIYAH, YETZIRAH, ASIYAH OF SEPARATION, and their hosts. Thus, the planets rule the world and cause plants and trees to grow, and everything in the world grows and multiplies. Even the water and the fish in the sea increase in numbers. Many emissaries of Judgment roam the world, because everything is full of joy and energy. IN OTHER WORDS, THESE EMISSARIES ARE STRONGER BECAUSE OF THE STRENGTH OF MALCHUT. AS A RESULT, ONE MUST BE CAREFUL THAT THEY DO NOT BRING GREATER HARM THAN BEFORE. When there is joy in the house of the king, even the guards of the gates and the roads are happy and roam about in the world. Therefore, the young children should be well guarded FROM DEMONS.

402. Rabbi Acha quoted the verse: "And Elohim set them in the firmament of heaven." When all of them are there--WHEN THE SUN AND THE MOON ARE BOTH IN THE FIRMAMENT OF HEAVEN, WHICH IS BINAH--they rejoice with each other. The moon then diminishes its light before the sun. From then onward, all the light that the sun, ZEIR ANPIN, receives, is for the purpose of shining on THE FEMININE PRINCIPLE AND NOT ON HIMSELF, as it is written: "To give light upon the earth."

403. Rabbi Yitzchak said: it is written, "Moreover the light of the moon shall be as the light of the sun, and the light of the sun shall be sevenfold, as the light of seven days" (Yeshayah 30:26). HE ASKED: What are these seven days? HE ANSWERED: These are the seven days of Creation--NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT OF ZEIR ANPIN. IN THE FUTURE, THE SUN AND THE MOON SHALL SHINE EQUALLY. Rabbi Yehuda said: "THE LIGHT OF THE SEVEN DAYS" ALLUDES TO the seven days of the consecration (Heb. milu'im) of the Tabernacle--NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT OF THE FEMININE PRINCIPLE, AFTER BECOMING FULL (HEB. MELE'IM) OF LIGHT IN THE FUTURE.

399. אַתָּא זְמַנָּא אַחְרָא דְּדוּד, וְאַהֲדַר לֹון מִתְתָּא לְעֵילָא, וְאָמַר ה' מֶלֶךְ עוֹלָם וְעַד, ה' מֶלֶךְ לְתַתָּא, עוֹלָם בְּאַמְצְעֵיתָא, וְעַד לְעֵילָא. דְּתַמְנָן וְיַעוּדָא וְקִיּוּמָא, וְאַשְׁלִימוּתָא דְּכָלָא. מֶלֶךְ לְעֵילָא, יִמְלוֹךְ לְתַתָּא.

404. THE SFIROT OF THE FEMININE PRINCIPLE definitely represent the days of consecration. At that time when the world will be sweetened and restored to its perfection, the light of the moon will not be defective because of the evil Serpent, of whom it is written, "AND A WHISPERER SEPARATES CLOSE FRIENDS" (Mishley 16:28), AS THE SERPENT SEPARATES ZEIR ANPIN FROM HIS FEMININE PRINCIPLE. FOR THIS REASON HER SFIROT ARE CALLED BY THE NAME 'DAYS OF CONSECRATION' (OR: 'FILLING'). HE ASKED: When shall this be? IN OTHER WORDS, WHEN WILL THE FEMININE PRINCIPLE BE COMPLETED WITHOUT ANY LIMITATION? HE ANSWERED: This shall be in the time about which it is written, "He will swallow up death forever" (Yeshayah 25:8), WHEN THE OTHER SIDE AND DEATH WILL BE ANNULLED. Then it is written: "On that day Hashem shall be one, and his name One" (Zecharyah 14:9).

404. מְלוֹאִים וְדָאֵי, בְּגִין דְּהוּא זְמַנָּא, אֲתַבְּסֵם

וְאִימַתִּי יְהֵא דָא, בְּזְמַנָּא דְּכְתִיב בְּלַע הַמּוֹת לְנִצְחָה.
וְכִדְרִין כְּתִיב בַּיּוֹם הַהוּא יְהִיָּה ה' אֶחָד וְשִׁמּוֹ אֶחָד.

42. "Let the waters swarm abundantly"

The Zohar explores the concept of angels, explaining how they enter and influence this world. Some angels appear in human form while others remain as unseen spiritual entities. Their function is to assist us in our spiritual growth. We arouse and draw positive angels into our lives through the influence of the letters composing this section.

405. "Let the waters swarm abundantly with moving creatures that have life..." (Bereshheet 1:20). Rabbi Elazar said: These are the lower waters that produce living creatures (HEB. NEFESH), which correspond to those created by the upper WATERS. IN OTHER WORDS, JUST AS THE UPPER WATERS--BRING FORTH THE SOULS OF MALE AND FEMALE, SO THE LOWER WATERS OF MALE AND FEMALE BRING FORTH THE SOULS OF THE RIGHTEOUS. These UPPER WATERS BRING FORTH supernal SOULS, MALE AND FEMALE, and these LOWER WATERS BRING FORTH SOULS OF the lower beings, THE SOULS OF THE RIGHTEOUS. Rabbi Chiya said: The upper brought forth the "moving creatures (lit. Nefesh) that have life." What is this? This is the Nefesh of the first man, as it is written: "And man became a living soul (Heb. Nefesh)" (Bereshheet 2:7).

405. יִשְׂרְצוּ הַמַּיִם שְׂרָץ נֶפֶשׁ חַיָּה לְמִינָהּ. אָמַר רַבִּי
אֶלְעָזָר אֵלֶיךָ מִיּוֹן תַּתְּאִין, דְּרַחֲשִׁין זְוִינִין, כְּגוּוֹנָא
דְּלַעֲיֵלָא, אִינוּן עֲלָאֵי, וְאִינוּן תַּתְּאִין. רַבִּי חֵיָא אָמַר,
עֲלָאֵי אֶפִיקוּ נֶפֶשׁ חַיָּה, וּמֵאֵי נִיהוּ, דָּא נֶפֶשׁ דְּאָדָם
קְדָמָא, כְּמָה דָּאֵת אָמַר, וְיְהִי הָאָדָם לְנֶפֶשׁ חַיָּה.

406. "And let birds fly above the earth..." (Bereshheet 1:20) refers to the emissaries from above, THE ANGELS, who appear before human beings in the image of human beings. This is understood from the phrase, "Fly above the earth", WHICH MEANS THAT THEIR SHAPE IS SIMILAR TO THAT OF THE PEOPLE OF EARTH. There are other ANGELS who appear in spirit only, according to an awareness that human beings have acquired. THUS, THE PHRASE: "ABOVE THE EARTH" INDICATES THAT THESE EMISSARIES ARE CONCEIVED IN THE IMAGE OF MAN. THEY ARE DESCRIBED AS "BIRDS FLY ABOVE THE EARTH", SINCE THE EARTH IS THE SECRET OF MALCHUT.

406. וְעוֹף יַעֲוֹפֵף עַל הָאָרֶץ, אֵלֶיךָ שְׁלִיחֵי עֲלָאֵי
דְּאֲתַחֲזוּן לְבִנֵי נֶשָׂא, בְּחִיזוּ דְּבֵר נֶשׂ, מִשְׁמַע דְּכְתִיב
יַעֲוֹפֵף עַל הָאָרֶץ, בְּגִין דָּאֵת אַחֲרָנִין, דְּלֹא אֲתַחֲזוּן,
אֶלָּא בְּרוּחָא מִמֶּשׁ, לְפִיּוֹם סְכֻלְתָּנוּ דְּבִנֵי נֶשָׂא.

407. Because of that, THEIR ABILITY TO CHANGE THEIR FORM INTO THE IMAGE OF MAN, it is not written of them, "After its kind," as it is of the other ANGELS FROM ZEIR ANPIN. Of these others, it is written, "And every winged bird after its kind" (Ibid. 21). Those WHICH COME FROM ZEIR ANPIN never change from their "kind" INTO THE SHAPE OF A HUMAN BODY as do the other ANGELS, of whom it is not written, "After its kind," AND OF WHOM IT DOES SAY, "AND LET BIRDS FLY ABOVE THE EARTH." You might say that ANGELS assume different forms among themselves, and it is indeed so. There are among them those who are different from the others. THERE ARE MANY DIFFERENT LEVELS AMONG THEM. This is why it is written, "And from thence it was parted" (Bereshheet 2:10), ALLUDING TO THE WORLDS--BRIYAH, YETZIRAH AND ASIYAH OF SEPARATION--WHERE THE ANGELS ARE.

407. בְּגִינֵי כֵךְ לֹא כְתִיב בְּאֵלֶיךָ לְמִינָהּ, כְּאִינוּן
אַחֲרָנִין דְּכְתִיב בְּהוּ, וְאֵת כָּל עוֹף בְּנֶף לְמִינָהּ, בְּגִין
דְּאֵלֶיךָ לֹא מְשַׁנֵּין מִמִּינֵיהוּ לְעֲלָמִין, כְּהֵנִי אַחֲרָנִין
דְּלֹא כְתִיב בְּהוּ לְמִינָהּ וְאִי תִימָא, אֵיִת בְּהוּ
דְּמְשַׁנֵּין דָּא מִן דָּא, הֵכִי הוּא וְדָאֵי, דְּהָא אֵיִת בְּהוּ
דְּמְשַׁנֵּין אֵלֶיךָ מֵאֵלֶיךָ, בְּגִינֵי כֵךְ כְּתִיב וּמִשָּׁם יִפְרֵד.

43. "And Elohim created the great crocodiles"

This section is couched in metaphor and is highly esoteric. When the Messiah comes, the righteous will merit the meal of the Leviathan. The Leviathan symbolizes the revelation of a great Light. Reading this section helps us to merit the opportunity to be included in that spiritual feast.

408. "And Elohim created the great crocodiles" (Beresheet 1:21), refers to the Leviathan and its mate. THE VERSE CONTINUES "And every living creature (Heb. Nefesh) that creeps", which refers to the Nefesh of that living creature that moves to all four corners of the world. HE ASKED: Who is this living creature who creeps? HE REPLIED: It is Lilit.

409. The next phrase: "Which the waters brought forth abundantly, after their kind" means as the waters make them grow, THE LEVIATHAN AND ITS MATE, because the waters are unfrozen and flow in all directions when the Southern wind comes. And the ships of the seas can now pass, as it is written: "There go the ships; there is that Leviatan, whom you have made to play therein" (Tehilim 104:26).

410. The verse then reads: "And every winged bird after its kind", as it is written ABOUT THOSE ANGELS, "for a bird of the sky shall carry the sound, and a winged beast shall betray the matter" (Kohelet 10:20). THESE ARE THE ASPECTS OF THE ANGELS THAT COME FROM ZEIR ANPIN, WHO IS CALLED 'SOUND.' Rabbi Yosi said: They all have six wings and they never change. THEY HAVE SIX WINGS, BECAUSE THEY COME FROM ZEIR ANPIN, WHO HAS SIX SFIROT, AND THEY NEVER CHANGE THEIR IMAGE SO THEY CAN ENTER THE BODY. Thus, it is written: "After its kind." HE ASKED: What is THE MEANING OF, "After its kind"? HE ANSWERED: "After its kind" from above. THIS IS WHY THEY DO NOT CHANGE AND ENTER BODIES. They fly around and roam over the world with six flaps of their wings, WHICH CORRESPONDS TO THE SIX SFIROT OF ZEIR ANPIN. They carry their observations of human behavior up TO THE CELESTIAL COURT, and it is thus written, "Do not curse the king, no, not even in your thought," (Ibid.) REFERRING TO THE KING OF THE UNIVERSE. BECAUSE THE "BIRD OF THE SKY" --- NAMELY THE ANGELS - "SHALL CARRY THE VOICE" UP TO THE HEAVENS.

411. Rabbi Chizkiyah said: It is written, "That creeps," ALTHOUGH it should have been WRITTEN, 'That swarm,' JUST AS IT IS WRITTEN, "LET THE WATERS SWARM." HE SAID: This resembles the expression 'night creeps'; THAT IS, IT GETS DARK. So, during THE NIGHT, WHICH IS MALCHUT, "all the beasts of the forest do creep forth" (Tehilim 104:20). IN OTHER WORDS, ALL THE FORCES OF DARKNESS--WHICH ARE THE "BEASTS OF THE FOREST"--ARE DOMINANT AT NIGHT. They govern during the time when THE NIGHT, WHICH IS THE FEMININE PRINCIPLE, rules, BECAUSE MALCHUT INCLUDES ALL THAT EXISTS UNDER HER, EVEN THE KLIPOT. THE ANGELS chant without rest during the three shifts of the night, as it is written: "You that make mention of Hashem, take no rest" (Yeshayah 62:6).

44. "Let us make man"

Rabbi Shimon offers a discourse concerning the creation of man. When the Creator was planning to make man, the heavens and earth trembled and shook, for they knew man would control all reality. Prior to the appearance of man, they knew all the worlds were securely in the hands of God. But with man's creation, the reins were literally handed over. In the process of forming man, the four corners of the earth--north, south, east, and west--gave a part of themselves to man, imbuing him with their essence. Man would now truly control the world, for the world is man. This segment of the Zohar awakens a sense of responsibility within us to care for the world, our neighbors, and the entire cosmos.

412. Rabbi Shimon stood up and said, I observed that when the Holy One, blessed be He, planned to create man, the upper and lower worlds trembled. WHY? BECAUSE THEY ALL DEPEND ON HIS ACTIONS FOR GOOD OR FOR EVIL. THEREFORE, THE CREATION OF MAN CONCERNED THEM GREATLY AND THEY WERE AFRAID THAT HE MIGHT SIN. The sixth day rose up through its grades until it reached the supernal will and illuminated the beginning of all lights.

408. וַיִּבְרָא אֱלֹהִים אֶת הַתַּנִּינִים הַגְּדֹלִים, אֵלֶיךָ לְוִיתָן וְבַת זֹוגוֹ, וְאֵת כָּל נֶפֶשׁ הַחַיָּה הַרוֹמֶשֶׁת, הָאֵשׁ נֶפֶשׁ דֵּהֵיָא חַיָּה, דֵּאִיהִי רוֹמֶשֶׁת לְד' סְטְרֵי עֲלְמָא, וּמָאן אִיהִי חַיָּה דֵּאִיהִי רוֹמֶשֶׁת, הִוֵּי אִימָא דָּא לִילִית.

413. It opened the gate of the east, from which the light emerged to shine throughout the world. And the South, WHICH IS THE SECRET OF THE RIGHT AND CHESED, revealed the force of the illumination it had inherited at the head, THAT IS, YISRAEL - SABA AND TEVUNAH, and was strengthened by the East. The East, WHICH IS ZEIR ANPIN, overtook the North and IT REVEALED IN ITSELF THE ILLUMINATION OF THE LEFT THAT IT DREW FROM YISRAEL - SABA AND TEVUNAH. The North was thus aroused, expanded WITHIN ZEIR ANPIN, and called to the West, WHICH IS THE FEMININE PRINCIPLE OF ZEIR ANPIN, with much force to come closer and join it. Then the West, WHICH IS THE FEMININE PRINCIPLE, rose up and united with the North. Afterward, the South--WHICH IS THE RIGHT AND CHESED--held onto the west, THE FEMININE PRINCIPLE. And the South and the North became the fences that surrounded the garden. Then the East, ZEIR ANPIN, mated with the West, THE FEMININE PRINCIPLE, and the West rejoiced and asked everybody, and said "Let us make man in our image, after our likeness." Let him comprise the four winds--SOUTH, NORTH, EAST AND WEST--above and below, NAMELY THE SIX EXTREMITIES. Then the East, ZEIR ANPIN, cleaved to the West, THE FEMININE PRINCIPLE, and produced THE SOUL OF ADAM. This is what we have learned. The first man came out from the soil of the Temple, NAMELY FROM THE FEMININE PRINCIPLE OF ZEIR ANPIN, WHICH IS CALLED 'THE TEMPLE.'

414. Furthermore, THE VERSE, "Let us make man" CAN BE EXPLAINED AS FOLLOWS. The Holy One, blessed be He, uttered-- THAT IS, DREW DOWN to the lower beings that come from the aspect of the upper beings--the secret of the name that is numerically equal to Adam. THIS IS A REFERENCE TO THE NAME THAT ADDS UP TO 45, AS DOES ADAM. Adam comes from the secret of the upper world, COMPRISING THE CELESTIAL RIGHT AND LEFT COLUMNS, WHICH WERE BLOCKED BEFORE THE RECONCILING OF THE THIRD COLUMN, and Adam is the secret of the letters. HE INCLUDES THE CENTRAL COLUMN, WHICH IS THE ASPECT OF THE LOWER BEINGS THAT ARE CALLED LETTERS. THE UPPER ONES ARE THE CANTILLATION MARKS AND DOTS (VOWELS), AND THE LOWER ONES ARE LETTERS. So Adam accordingly includes within himself all that is above and all that is below. The name Adam CONSISTS OF THREE LETTERS: THE Aleph OF ADAM ALLUDES TO the supernal world WHENCE THE RIGHT COLUMN ORIGINATES. The closed (final) Mem is the letter that appears in the phrase, "Of the increase (Heb. Lemarbeh) of his realm" (Yeshayah 9:6). ALTHOUGH IT APPEARS IN THE MIDDLE OF THE WORD, IT IS WRITTEN TRADITIONALLY AS FINAL MEM, IN ITS CLOSED FORM. FROM IT, THE LEFT COLUMN IS EXTENDED. The lower Dalet is concealed in the west, and this is the entire MOCHIN of above and below. AFTER this had been established above, IN ZEIR ANPIN AND HIS FEMININE PRINCIPLE, it was established below AS WELL, IN ADAM HIMSELF.

415. These letters, ALEPH-DALET-MEM, descended AND ENTERED THE SOUL OF ADAM all together as one. THAT IS, ACCORDING TO THE SECRET OF THE RECONCILING OF THE CENTRAL COLUMN, THEY WERE INCLUDED ONE WITHIN THE OTHER. THUS, ADAM was comprised of both male and female. The female clung to his side until sleep fell upon him and he lay in the terrestrial Temple.

416. The Holy One, blessed be He, sawed him through, MEANING THAT HE SEPARATED THE FEMALE FROM THE MALE, and prepared her, just like a bride is prepared. Then he brought her to him, as it is written: "And he took one of his sides, and closed up the flesh in its place" (Beresheet 2:21). "And he took one" MEANS precisely one. ADAM HAD TWO RIBS AND HE TOOK ONLY ONE OF THEM. HE CONTINUES: I have learned from the books of the ancient sages THAT THE RIB THAT WAS NOT TAKEN symbolized Lilit, who was with him and who conceived from him, AS SHE WAS THE FIRST WIFE OF ADAM AND WAS TAKEN AWAY FROM HIM.

417. LILIT was not "a help to match him", as it is written, "but for the man there was not found a help to match him" (Ibid. 18). What does this mean? IT MEANS SHE WAS AN EVIL KLIPAH AND HE COULD NOT TRUST HER. SHE STAYED WITH HIM until that time, of which it is written: "It is not good that the man should be alone; I will make him a help to match him" (Ibid.). FOR THEN SHE WAS TAKEN AWAY FROM HIM. Come and behold: Adam was the last BEING TO BE CREATED. Therefore, he had to come into the world as a complete being. THIS IS WHY LILIT HAD TO BE TAKEN AWAY FROM HIM AND CHAVAH GIVEN TO HIM INSTEAD.

417. וְלֹא הָיָה לְקִיבְלִיהָ עֶזְרָה, כְּמָה דְכָתִיב, וְלֹא אָדָם לֹא מֵצָא עֶזְרָה כְּנֹגְדוֹ, מֵאִי עֶזְרָה, סִמָּךְ, עַד הַהוּא שְׁעֵתָא דְכָתִיב לֹא טוֹב הָיִיתָ הָאָדָם לְבִדּוֹ אֶעֱשֶׂה לוֹ עֶזְרָה כְּנֹגְדוֹ. תָּא חֲזִי, אָדָם בְּתֵרָאָה דְכָלֵּא הוּוּ, הֲכִי אֲתַחֲזִי לְמִיתִי עַל עֲלָמָא שְׁלִים.

45. "For Hashem Elohim had not caused it to rain"

Rabbi Shimon explains that our world was not created complete, for it would be man's merit and responsibility to perfect creation through his actions and spiritual development. The word rain is a metaphor for the Light of the Creator. When the Torah says God Had Not Caused it to Rain, this indicates man's capacity and accountability for generating Light. Rabbi Shimon adds that, for man to accomplish this task, he must first complete himself by finding and bonding with his soulmate in marriage.

The power to find our soulmates and to strengthen and complete our vessel radiates from the words of this text.

418. Rabbi Shimon said: It is written, "And no plant of the field was yet in the earth, and no herb of the field had yet grown: for Hashem Elohim had not caused it to rain upon the earth" (Beresheet 2:5). "And no plant of the field" refers to big trees--but just after they are planted, when they are still small. THIS IS WHY THE VERSE STATES, "AND NO PLANT OF THE FIELD WAS YET."

418. תוּ, אָמַר רַבִּי שְׁמַעוֹן, כְּתִיב וְכֹל שִׁיחַ הַשָּׂדֶה טָרַם יִהְיֶה בְּאֶרֶץ, וְכֹל עֵשֶׂב הַשָּׂדֶה טָרַם יִצְמַח כִּי לֹא הִמְטִיר ה' אֱלֹהִים עַל הָאָרֶץ וּגְו', וְכֹל שִׁיחַ הַשָּׂדֶה אֵלֶּיךָ אֵלֶּיךָ רַבְרַבִּין לְנִטְעוֹ לְבַתֵּר, וְהוּוּ זְהִירִין.

419. Come and behold that Adam and Chavah were created side by side. HE ASKED: Why were they not created face to face? HE ANSWERED: Because it is written, "Hashem Elohim had not caused it to rain." THAT IS, THE MATING OF MALE AND FEMALE WAS NOT YET PROPERLY ESTABLISHED. So, when ADAM AND CHAVAH were completed down below and turned face to face, the same then happened above.

419. תָּא חֲזִי, אָדָם וְחַוָּה, דָּא בְּסִטְרָא דְדָא אֲתַבְרִיאוּ, מ"ט לֹא אֲתַבְרִיאוּ אֲנָפִין בְּאֲנָפִין, בְּגִין דְכָתִיב כִּי לֹא הִמְטִיר ה' אֱלֹהִים עַל הָאָרֶץ, וְזוּגָא לֹא אֲשַׁתְּכַח בְּתַקּוּנָהּ, כְּדָא יָאוּת. וְכֹד אֲתַתְּקִנוּ הָאִי דְלִתְתָא, וְאֲתַהֲדְרוּ אֲנָפִין בְּאֲנָפִין, כְּדִין אֲשַׁתְּכַח לְעִילָא.

420. How do we know this? THIS IS LEARNED from the Tabernacle, as it is written: "The tabernacle was erected" (Shemot 40:17). THIS MEANS that another Tabernacle was erected together with THE TABERNACLE ABOVE, WHICH IS THE FEMININE PRINCIPLE. And THE TABERNACLE above was erected only after THE TABERNACLE below was completed. Thus, when it was erected below--WHEN ADAM AND CHAVAH CAME FACE TO FACE--it was erected above--MALE AND FEMALE ALSO CAME FACE TO FACE. Since this was not completed above-- MALE AND FEMALE HAD NOT YET COME FACE TO FACE--ADAM AND CHAVAH were not created face to face. The verse proves THAT MALE AND FEMALE WERE NOT YET FACE TO FACE, as it is written: "For Hashem Elohim had not caused it to rain upon the earth", BECAUSE HASHEM ELOHIM IS ZEIR ANPIN AND THE EARTH IS FEMALE. This is why THE VERSE CONCLUDES WITH "and there was not a man," MEANING that he was not yet properly established, BECAUSE HE AND CHAVAH HAD NOT YET COME FACE TO FACE.

420. מְנַלְן מִן הַמִּשְׁכָּן, דְכָתִיב הוּקַם הַמִּשְׁכָּן, בְּגִין דְמִשְׁכַּן אַחֲרָא אֲתַקַּם עִמֶיהָ, וְעַד לֹא אֲתַקַּם לְתַתָּא, לֹא אֲתַקַּם לְעִילָא, אִף הֵכָא כֹּד אֲתַתְּקַם לְתַתָּא, אֲתַתְּקַם לְעִילָא, וּבְגִין דְעַד כְּעַן לֹא אֲתַתְּקַם לְעִילָא, לֹא אֲתַבְרִיאוּ אֲנָפִין בְּאֲנָפִין, וְקָרָא אוֹכַח דְכָתִיב כִּי לֹא הִמְטִיר ה' אֱלֹהִים עַל הָאָרֶץ. וּבְגִינֵי כֵן, וְאָדָם אֵין, דְלֹא הוּוּ בְתַקּוּנָהּ.

421. When Chavah was completed, AFTER SHE WAS SAWED FROM HIM AND THEY CAME FACE TO FACE, Adam also reached completion. Before that, the man was not complete. This is the secret of why the letter Samech has not yet appeared in this section, AS THE SAMECH ALLUDES TO THE FEMALE. However, the friends argued THAT, BECAUSE ADAM HAD A FEMALE COUNTERPART CALLED LILIT, THERE WAS A SAMECH (DER. "SUPPORT") BEFORE CHAVAH WAS PREPARED, CALLED LILIT. HE EXPLAINED, But Samech means the support of MALE AND FEMALE above, after they were again face to face, because ONLY THEN are Male and Female supported by one another. IN OTHER WORDS, THEY GIVE STRENGTH TO EACH OTHER. Indeed, it is written: "They stand fast forever and ever, done in truth and uprightness" (Tehilim 111:8). "They stand fast" MEANS THAT the Male and Female stand together, FACE TO FACE, as one.

421. וְכֹד אֲשַׁתְּלִימַת חוּוָה, אֲשַׁתְּלִים אָדָם, וְקָדָם לְכֹן לֹא אֲשַׁתְּלִים, וְרִזָּא דָא, דְעַד כְּעַן לֹא אֵית אֵת סִמָּךְ בְּפִרְשָׁתָא, וְאִף עַל גְּבֻדְחַבְרִיָא אֲמַרוּ, אֲבַל סִמָּךְ דָּא עֶזְרָה, וְדָא עֶזְרָה דְלְעִילָא, דְאֲתַהֲדְרִי לְעִילָא אֲנָפִין בְּאֲנָפִין, דְכֹר וְנוֹקְבָא אֲסַתְּמַךְ דָּא לְקַבֵּל דָּא, וְדָאִי, סְמוּכִים לְעַד לְעוֹלָם עֲשׂוּיִים בְּאֵמַת וְיִשְׁרָ, סְמוּכִים, דָּא דְכֹר וְנוֹקְבָא, דְאֵינֹן סְמוּכִים כְּחֻדָּא.

422. The verse, "For Hashem Elohim had not caused it to rain upon the earth," MEANS THAT MALE AND FEMALE WERE NOT YET FACE TO FACE supporting each other. IN OTHER WORDS, MALE AND FEMALE, WHILE FACE TO FACE, SUPPORT ADAM AND CHAVAH--IN ORDER THAT THEY TOO CAN FACE EACH OTHER. The lower world REFERS TO ADAM AND CHAVAH, WHO WERE THE CHILDREN OF THIS WORLD. When it was established, when ADAM AND CHAVAH turned face to face and achieved completion, there was support above AS MALE AND FEMALE ALSO TURNED FACE TO FACE. Before this, the action below, THE POSITIONING OF ADAM AND CHAVAH FACE TO FACE, was incomplete because "Hashem Elohim had not caused it to rain upon the earth." And one depends on the other.

423. It is then written: "But there went up a mist from the earth" (Bereshheet 2:6), which is the perfection below OF ADAM BEFORE MALE AND FEMALE WERE TURNED FACE TO FACE. The verse continues: "And watered the whole face of the ground" (Ibid.), MEANING THAT THE MALE AND FEMALE WERE TURNED FACE TO FACE AND ZEIR ANPIN WATERED MALCHUT, WHICH IS CALLED 'GROUND.' "There went up a mist from the earth" ALLUDES TO the passion of the female THAT ASCENDS toward the male. THE PASSION OF THE FEMALE RISES UP TO THE MALE, FOR RAISING FEMALE WATERS IS CONSIDERED TO BE THE DESIRE OF THE FEMALE FOR THE MALE, FOR EVERYTHING LOWER AND UPPER IS CONSIDERED MALE AND FEMALE. THE LOWER IS ALWAYS CONSIDERED FEMALE IN RELATION TO THAT WHICH IS HIGHER. RAISING FEMALE WATERS IS EQUATED WITH DESIRE, BECAUSE IT ONLY ASCENDS BY FORCE OF DESIRE. Another explanation OF THE VERSE, "BUT THERE WENT UP A MIST FROM THE EARTH" IS FOUND IN THE MEANING OF THE VERSE, "AND HASHEM ELOHIM HAD NOT CAUSED IT TO RAIN." What is the reason that He "had not caused it to rain", WHICH MEANS THAT MALE AND FEMALE WERE NOT FACE TO FACE? The reason is that the forming of "a mist from the earth" had not yet been completed. THIS MEANS THAT MAN HAD NOT YET ELEVATED FEMALE WATERS TO MALE AND FEMALE. WITHOUT FEMALE WATERS FROM MAN, THE MOCHIN OF FACE TO FACE OF MALE AND FEMALE WOULD NOT EMERGE. Therefore, lower earth--ADAM AND CHAVAH--aroused the actions of the upper world--OF MALE AND FEMALE.

424. Come and behold that mist rises at first from the earth and the cloud is aroused. Then they are both united. Similarly, the smoke of the sacrifice, WHICH IS BURNT UPON THE ALTAR, is aroused below AND RISES UP, AS FEMALE WATERS, FROM BELOW UPWARDS BY MALE AND FEMALE. So it brings perfection above, and they become united and reach completion. In the same manner, it occurs above, AMONG THE SUPERNAL BEINGS. Awakening always moves from the lower TO THE HIGHER, and eventually they all reach perfection. Unless the congregation of Yisrael, NAMELY THE FEMININE PRINCIPLE, has begun the act of arousing, then the passion above, OF ZEIR ANPIN, would not have been aroused towards her. So through the passion aroused below, the upper reached completion.

425. Rabbi Aba asked: Why is it written, "The Tree of Life also in the midst of the garden, and the Tree of knowledge of good and evil" (Bereshheet 2:9), AS THE TREE OF KNOWLEDGE IS NOT IN THE MIDST OF THE GARDEN? The Tree of Life, as we have already learned, extends for a journey of 500 years and all the waters of Creation part underneath it. The Tree of Life is exactly in the middle of the garden; IT IS THE CENTRAL COLUMN and receives all the waters of Creation, which separate underneath it.

422. כִּי לֹא הִמְטִיר ה' אֱלֹקִים עַל הָאָרֶץ, דִּהָא דָּא בְּדָא סְמִיךְ, עוֹלָם דָּא תִּתְּאָה כַּד אֲתַתְּקֵן, וְאֲתַהֲדִרוּ אֲנַפִּין בְּאַנְפִּין, וְאֲתַתְּקֵנוּ, אֲשַׁתְּכַח סַמְךָ לְעֵילָא, דִּהָא מְקַדְמַת דְּנָא לֹא הוּוּ עוֹבְדָא בְּתַקּוּנָא, בְּגִין דְּלֹא הִמְטִיר ה' אֱלֹקִים עַל הָאָרֶץ, וְדָא בְּדָא תְּלִימָא.

425. רַבִּי אַבָּא אָמַר, אֲמַאי כְּתִיב וְעַץ הַחַיִּים בְּתוֹךְ הַגֶּן וְעַץ הַדַּעַת טוֹב וְרַע, עַץ הַחַיִּים, הָא תְּנִינָן, דְּמַהֲלַךְ חֲמֵשׁ מֵאָה שָׁנִין הוּוּ, וְכֹל מִיּוּמֵי דְּבְרָאשִׁית מִתְּפַלְגִין תַּחֲתוּי, עַץ הַחַיִּים, בְּמִצִּיעוֹת דְּגִנְתָּא מִמֶּשׁ, וְהוּוּ נְטִיל כָּל מִיּוּמֵי דְּבְרָאשִׁית, וּמִתְּפַלְגִין תַּחֲתוּי.

426. WHY DO ALL THE WATERS OF CREATION SEPARATE UNDERNEATH IT? The river that flows out of Eden, NAMELY BINAH, rests on the garden, and enters into it, NAMELY THE MOCHIN OF THE TREE OF LIFE THAT SHINES ON THE GARDEN ARE FROM THE RIVER, WHICH IS BINAH. From there, FROM BINAH, the waters divide and flow in many directions. This garden received all THREE ASPECTS OF THE MOCHIN. Afterward, they flow from it and are separated into many streams below, as it is written: "They give drink to every beast of the field" (Tehilim 104:11). THIS MEANS THAT EACH OF THE LOWER BEINGS RECEIVES NOURISHMENT FROM ITS CORRESPONDING ASPECT IN THE MOCHIN OF THE FEMININE PRINCIPLE. HE ELABORATED FURTHER BY SAYING, Just as THE MOCHIN come from the supernal world, NAMELY BINAH, AND BINAH waters the supernal mountains of pure balsam--WHICH ARE CHESD, GVURAH AND TIFERET OF BINAH--so when THE MOCHIN later reach the Tree of Life, WHICH IS ZEIR ANPIN, they also separate in all directions, according to their individual path--RIGHT, LEFT AND CENTRAL. THUS THEY ALSO PART IN THE GARDEN, WHICH RECEIVES FROM THE TREE OF LIFE.

427. "And the Tree of knowledge of good and evil," (Beresheet 2:9) MEANS THAT IT LOCATED IN THE MIDDLE BETWEEN GOOD, WHICH IS THE RIGHT, AND EVIL, WHICH IS THE LEFT. HE ASKED: Why is it called so, as the tree is not in the middle, BUT RATHER MORE TOWARD THE LEFT THAN THE RIGHT? HE EXPLAINED: What is the Tree of knowledge of good and of evil? WHY IS IT CALLED THUS? Because it draws from both THE RIGHT AND FROM THE LEFT sides and knows them, CLINGS TO THEM, as one who sucks the sweet and the bitter. As a result of sucking from and knowing both sides, THAT IS, CLEAVING TO THEM, and residing among them, it is called "good and evil."

428. The plants, NAMELY THE SFIROT OF MALCHUT, rest on THE TWO POINTS OF GOOD AND EVIL, BECAUSE THESE TWO POINTS ARE THE ASPECT OF YESOD OF THE FEMININE PRINCIPLE, WHICH LIES UNDERNEATH ALL THE SFIROT. And other supernal plants, REFERRING TO CHESD, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN are attached to it. These are called the "cedars of Levanon" (Tehilim 104:16). HE ASKED: What are these "cedars of Levanon?" HE REPLIED: These are the six supernal days, the six days of Creation, as we have already stated. IT IS WRITTEN: "The cedars of Levanon, which he has planted." THE SCRIPTURES DESCRIBE THEM AS PLANTS, BECAUSE they are indeed plants that survived after THEY WERE UPROOTED FROM THEIR PLACE AND PLANTED IN A DIFFERENT ONE.

429. From here on, Samech APPEARS IN THIS SECTION. HE ASKED: What is this REFERENCE TO SAMECH? HE ANSWERED: THIS IS THE SAMECH THAT APPEARS IN THE PHRASE, "And closed up (Heb. Vayisgor, spelled with a Samech) the flesh in its place" (Beresheet 2:21). THIS MEANS THAT CHAVAH BECAME THE ASPECT OF SAMECH (LIT. 'A SUPPORT') FROM HERE ON. AT FIRST, CHAVAH WAS ATTACHED TO HIS SIDE and they were side by side. Then the Holy One, blessed be He, tore them apart, AS IT IS WRITTEN: "AND HE TOOK ONE OF HIS SIDES," and planted them in a different place. ADAM AND CHAVAH BECAME facing one another. This is how their existence was completed.

430. Rabbi Aba asked: Why do we conclude that Adam and Chavah were CALLED plants? Because it is written: "The branch of my planting, the work of my hands, that I may be glorified" (Yeshayah 60:21). It is indeed the "work of my hands" THAT ALLUDES TO ADAM AND CHAVAH, WHO OF ALL THE CREATURES WERE THE "WORK" OF THE HOLY ONE, BLESSED BE HE, ALONE. THE VERSE DESCRIBES THEM AS "THE BRANCH OF MY PLANTING." HENCE THEY ARE DESCRIBED AS THE "PLANTING." It is written: "Though in the day of your planting you make it grow" (Yeshayah 17:11), WHICH MEANS THAT ON THAT SAME DAY they were planted in the world, they sinned. SO THE VERSE ACTUALLY SPEAKS OF ADAM AND CHAVAH AND DESCRIBES THEM AS "PLANTS."

426. דְּהָא הֵוּא נְהַר דְּנִגְיָד וְנִמְיָק, הוּא שְׂרִיָא עַל הַהוּא גְּנָתָא, וְעֵינִיל בִּיָּה, וּמִתְמָן מִתְפַּלְגִין מִיָּא לְכַמָּה סְטְרִין, וְנִטִּיל כְּלָא הֵוּא גְּנָתָא, וּלְבַתָּר נִמְקִי מְנָה, וּמִתְפַּלְגִין לְכַמָּה נְחָלִין לְתַתָּא, כְּדָא יִשְׁקוּ כָּל חַיְתוֹ שְׂרִי, כְּמָה דְנִמְקִין מֵהוּא עֲלֵמָא עֲלָאָה, וְאַשְׁקִי לְאַנּוֹן טוֹרִין עֲלָאִין דְּאַפְרִסְמוֹנָא דְכִיָּא, לְבַתָּר כְּד מִטְּאֵן לְעַץ הַחַיִּים, מִתְפַּלְגִין תְּחוּתוֹי בְּכָל סְטְר כְּפּוּם אֲרַחוּי.

431. We have learned that the plants, THAT WERE MALE AND FEMALE, were as tiny as the antennae of grasshoppers. Their light was feeble, and they did not shine. As soon as they were planted IN A DIFFERENT PLACE, and were improved, their lights became stronger and they were called "the cedars of Levanon." Similarly, Adam and Chavah did not increase their light or emit A GOOD odor before they were planted IN A DIFFERENT PLACE, NAMELY IN ZEIR ANPIN AND HIS FEMININE PRINCIPLE. But when they were uprooted FROM THEIR PLACE and planted again ON HIGH, IN MALE AND FEMALE, THEIR existence was firmly established.

431. תָּנַן הַנְּטִיעוֹת בְּקֶרְנֵי חֲגָבִים הוּוּ, וּנְהוּרָא דְלֵהוֹן דְּקִיק, וְלֹא הוּוּ נְהִרִין, בֵּינָן דְּאִתְּנַטְעוּ וְאִתְּתַקְּנוּ, אִתְּרַבִּיאוּ בְּנְהוּרָא, וְאִקְרוּן אֲרִזֵי לְבָנוֹן. וְאִדָּם וְחַוָּה, עַד דְּאִתְּנַטְעוּ, לֹא אִתְּרַבִּיאוּ, בְּנְהוּרָא, וְלֹא סְלִיקוּ רִיחָא, וְדֵאִי אִתְּעַקְרוּ וְאִשְׁתִּילוּ וְאִתְּתַקְּנוּ בְּדָקָא יְאוּת.

46. "And Hashem Elohim commanded Adam"

God commands Adam not to eat from the Tree of Knowledge of Good and Evil, for if he does so, Adam will surely die. Upon eating from the Tree of Knowledge, Adam brought the force of death into existence. A profound secret is revealed in this passage: God did not command Adam not to eat from the Tree of Knowledge. Moreover, God did not punish Adam for disregarding His warning. God was merely revealing the universal laws at work within the various spiritual worlds. Tree of Knowledge is a realm of chaos, death, and decay. The significance of this passage can be likened to a father telling his son about the danger of placing his finger in a fire. If the child proceeds to do it anyway, it is incorrect to say that the father punished the child. An awareness of the laws of cause and effect are awakened within us when we browse and learn the secrets of this passage.

432. "And Hashem Elohim commanded..." (Beresheet 2:16). We have learned that "commanded" is idolatry. THEREFORE, EVERY PLACE THE WORD COMMAND IS WRITTEN IS AN ALLUSION TO THE PROHIBITION OF IDOLATRY. THUS, THE VERSE RELATES TO THE SEVEN PRECEPTS THAT WERE GIVEN TO ADAM. "COMMANDED" APPLIES TO IDOLATRY, "Hashem" to blasphemy, "Elohim" to the judges WHO SHOULD STRIVE TO MAINTAIN JUSTICE, "Adam" to the prohibition against shedding another's blood, "saying" to the prohibition of incest, "of every tree of the garden" to thievery, and "you may freely eat" to the eating of flesh from a living animal. This EXPLANATION is accepted, ALTHOUGH IT MAY BE ADDED THAT "of every tree of the garden you may freely eat" MEANS that He permitted him TO EAT OF all, INCLUDING THE TREE OF KNOWLEDGE, but he was supposed to eat of them together, MEANING THAT THE TREE OF KNOWLEDGE HAD TO BE IN HARMONY WITH THE OTHER TREES IN THE GARDEN OF EDEN.

432. וַיִּצַו ה' אֱלֹהִים, הָא תְּנִינָן, לִית צוּ, אֶלָּא ע"ז. ה', זו בְּרֵכַת הַשֵּׁם. אֱלֹהִים, אֱלוֹ הַדֵּיּוּנִין. עַל הָאָדָם, זו שְׁפִיכַת דָּמִים, לֵאמֹר, זו ג"ע. מִכָּל עֵץ הָגֶן וְלֹא גֹזַל. אֲכַל תֹּאכַל, וְלֹא אֲבַר מִן הַחַי, וְשִׁמִּיר.

433. We know that Avraham ate FROM THE TREE OF KNOWLEDGE, as did Yitzchak and Ya'akov and all the prophets. NEVERTHELESS, they remained alive. WHY? BECAUSE this tree, THE TREE OF KNOWLEDGE, is the tree of death. Whoever ate of it by itself died, because he has taken the potion of death. Thus, IT IS WRITTEN: "For in the day that you eat of it you shall surely die" (Ibid. 17), REFERRING TO THE TREE BY ITSELF. In doing so, one separates the plants AND CUTS THE ROOTS, MEANING THAT HE SEPARATES THE HOLY ONE, BLESSED BE HE, FROM HIS SHECHINAH. THEREFORE, HE IS SENTENCED TO DEATH.

433. מִכָּל עֵץ הָגֶן אֲכַל תֹּאכַל, דְּשִׁרְיָא לִיה בְּלֹא, הַלִּיכְלִינְהוּ בִּיְחוּדָא, דְּהָא חֲזִינָן אֲבִרְהָם אֲכַל, וַיִּצְחַק וַיַּעֲקֹב וְכָל הַנְּבִיָּאִים אֲכָלוּ וְחִיוּ, אֲבַל אִילְנָא דָּא אִילְנָא דְּמוֹתָא אִיהוּ, מֵאֵן דְּנִטִּיל לִיה בְּלַחְדוּי מֵיית, דְּהָא סְמָא דְּמוֹתָא נְטִיל, וְעַל דָּא כִּי בְּיוֹם אֲכַלְךָ מִמֶּנּוּ מוֹת תָּמוּת, בְּגִין דְּקָא פְּרִישׁ נְטִיעִין.

434. Rabbi Yehuda asked Rabbi Shimon: We have learned that Adam pulled at his foreskin. What is the meaning of this? He replied: He separated the Holy Covenant, NAMELY YESOD OF ZEIR ANPIN, from its place, NAMELY THE SHECHINAH, hence he pulled at his foreskin when he abandoned the Holy Covenant, NAMELY, THE UNITY OF THE HOLY ONE, BLESSED BE HE, WITH HIS SHECHINAH, cleaved to the foreskin--THE KLIPAH THAT SEPARATES THE HOLY ONE, BLESSED BE HE, FROM HIS SHECHINAH--and was seduced by the Serpent's words.

434. רַבִּי יְהוּדָה שְׁאִיל לְר' שִׁמְעוֹן, הָא דִּתְנִינָן, אָדָם הִרְאִשׁוֹן מוֹשֵׁךְ בְּעַרְלָתוֹ הוּוּ, מֵאִי הוּוּ, אֲמַרְלוּ דְּפְרִישׁ בְּרִית קֹדֶשׁ מֵאִתְּרִיָּה. וּמַחֲלָקִיָּה, וְדֵאִי מוֹשֵׁךְ בְּעַרְלָה הוּוּ, וְשִׁבַּק בְּרִית קֹדֶשׁ, וְדָבַק בְּעַרְלָה, וְאִתְּפַתָּה בְּמַלְא דְּנַחֲשׁ.

435. "The fruit of the tree" (Beresheet 3:3) refers to the woman, NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN. AND IT IS WRITTEN: "You shall not eat of it..." because of the verse: "Her feet go down to death, her steps take hold of Sh'ol" (Mishlei 5:5). THIS MEANS THAT IF HE DRAWS SUSTENANCE FROM THE FEMALE WHEN SHE IS UNACCOMPANIED BY HER HUSBAND, THE FEET OF THE FEMALE DESCEND TO THE KLIPOT, WHERE DEATH IS. BUT WE SHOULD NOT CONCLUDE THAT THE TREE OF KNOWLEDGE IS THE OTHER SIDE AND IS NOT THE FEMININE PRINCIPLE OF HOLINESS, BECAUSE there is fruit IN THE FEMININE PRINCIPLE OF ZEIR ANPIN. THEREFORE, IT IS WRITTEN: "BUT OF THE FRUIT OF THE TREE." In the Other SIDE, there is no fruit, BECAUSE ANOTHER EL IS STERILE AND PRODUCES NO FRUIT. IT IS WRITTEN OF IT: "For in the day that you eat thereof you shall surely die" (Beresheet 2:17). It is called the tree of death, EVEN THOUGH SHE IS THE FEMALE OF HOLINESS, of whom it is written: "her feet go down to death." NEVERTHELESS IN HERSELF, SHE IS FULL OF LIFE AND HOLINESS.

436. Rabbi Yosi said: This tree that we have mentioned, REFERRING TO THE TREE OF KNOWLEDGE, was watered from above, grew and was happy, as it is written, "And a river went out of Eden to water the garden" (Ibid. 10). The garden is the feminine principle OF ZEIR ANPIN and the river, NAMELY BINAH, enters THE FEMININE PRINCIPLE and waters her, BESTOWS ON HER THE MOCHIN OF GREATNESS, and they all become as one. THIS MEANS THAT BECAUSE OF THESE MOCHIN, ZEIR ANPIN AND HIS FEMININE PRINCIPLE ARE UNITED AS ONE, because from there downward, BELOW THE FEMININE PRINCIPLE OF ZEIR ANPIN, everything is then separated. FROM THERE, THEY WOULD NOT HAVE BEEN ABLE TO RECEIVE THESE MOCHIN, as it is written: "And from thence it was parted."

47. "Now the Serpent was craftier"

Rabbi Yitzhak and Rabbi Yehuda came to their master and teacher, Rabbi Shimon, with an intriguing disagreement. The two students were at odds concerning the underlying cause of Eve's sin in eating from the Tree of Knowledge. Rabbi Yitzhak felt it was the evil inclination implanted in Eve that caused her to succumb to temptation. But Rabbi Yehuda believed it was the snake's cunning that beguiled her into eating from the Tree.

Rabbi Shimon said that both of his students were correct. The Zohar's explanation is as follows: The negative part of our intelligence--the part that motivates us to sin--is the same negative intelligence that serves as our prosecutor in the heavenly court, and this same evil intelligence executes any judgements decreed against us. As a final irony, this intelligence is also none other than the Angel of Death, who ultimately consumes us after years of living out this evil cycle of sin. If only we could recognize the voice inside us that says, "Do it!" even when we know we shouldn't, we would shudder in terror at the prospect of succumbing to these negative urges.

The Zohar then discusses the verse, "And the Eyes of them [Adam and Eve] both were open."

Rabbi Chiya explains that at the moment Adam and Eve saw evil, they fell into that reality. The mystery of this explanation concerns the power of consciousness, and the nature of reality and illusion. If we look for evil in others, our consciousness literally creates that reality. The Zohar is telling us that evil is an illusion, but we give it reality when we see it and believe it. For this reason alone, we should turn all our efforts toward finding the good in people instead of always looking for what's wrong. This portion of the Zohar awakens us to these spiritual truths by helping us to distinguish between the reality of good, and the self-confirming nature of evil.

437. "Now the Serpent WAS CRAFTIER..." (Beresheet 3:1). Rabbi Yitzhak said: The Serpent is the evil inclination, WHICH INCITES ONE TO SIN. Rabbi Yehuda said, It is a real Serpent. They approached Rabbi Shimon, who said: Both interpretations are correct. It was Samael and he was seen RIDING on the Serpent. The image of the Serpent is Satan, NAMELY THE EVIL INCLINATION THAT INCITES HUMANS TO SIN AND THEN ASCENDS TO DEMAND PUNISHMENT ABOVE. They are both the same. YOU CAN SAY THAT THE SERPENT IS THE EVIL INCLINATION AND IS A REAL SERPENT.

438. We have learned that Samael, THE ANGEL, descended from heaven riding on this Serpent at that time. All the creatures saw his image and fled from him. Then SAMAEL AND THE SERPENT approached the woman with words, and brought death upon the world. So Samael cleverly brought curses upon the world, MEANING THAT HE INCITED THEM TO SIN WITH CUNNING and brought damage to the first tree, NAMELY THE FIRST MAN, which the Holy One, blessed be He, created in the world.

435. ומפרי העץ דא אתתא, לא תאכל ממנו, בגין דכתיב רגליה יורדות מות, שאול צעדיה יתמוכו, ובהאי הוי פרי, דהא באחרא לא הוי פרי, כי ביום אכלך ממנו מות תמות, בגין דא אילנא דמותא הוי, בדקאמרן דכתיב רגליה יורדות מות.

436. ר' יוסי אמר, האי אילנא דקא אמרן הוה מתשקי מלעילא ואתרבי, והוה חרי, כד"א, ונהר יוצא מערן להשקות את הגן, הגן דא אתתא, ונהר דא הוה עייל ביה, ואשקי ליה והוה כלא חר, דהא מתמן ולתתא, איהו פרוצא, דכתיב ומשם יפרד.

437. והנחש, ר' יצחק אמר דא יצר הרע, רבי יהודה אמר, נחש ממש, אתו לקמיה דר' שמעון, אמר לון, ודאי כלא חר, וסמא"ל הוה, ואתחזי על נחש, וצולמיה דנחש, דא איהו שטן. וכלא חר.

438. תנינא, בההיא שעתא נחת סמא"ל מן שמיא רביב על נחש דא, וצולמיה הוה חמאן כל ברין וערקן מגיה, ומטו לגבי אתתא במליון, וגרימו מותא לעלמא, ודאי בחכמה אייתי סמא"ל לווטין על עלמא, וחבל אילנא קדמאה, דברא קודשא בריך הוא בעלמא.

439. This sin rested with Samael, WHO IS DESCRIBED AS STEALING THE BLESSINGS AND THE MOCHIN FROM ADAM BY CUNNINGLY INCITING ADAM TO SIN AND EAT OF THE TREE OF KNOWLEDGE, until another holy tree appeared, who is Ya'akov, and took back the blessings from SAMAEL to prevent Samael, WHO IS THE MINISTER OF ESAV, from being blessed above and Esav FROM BEING BLESSED below. Ya'akov resembled Adam and his beauty was like that of Adam. So, just as Samael prevented the blessings from reaching the first tree--WHO IS ADAM--so Ya'akov, who is a tree that resembled Adam, prevented the blessings from reaching Samael above and ESAV below. Everything Ya'akov took belonged to him, REFERRING TO EVERYTHING SAMAEL ROBBED FROM ADAM. Therefore, it is written: "And there wrestled a man with him" (Beresheet 32:25), ALLUDING TO SAMAEL.

440. "Now the Serpent was craftier." THE SERPENT is the evil inclination, the Angel of Death. As a result, the Serpent brought death upon the whole world BY TEMPTING CHAVAH TO SIN IN THE TREE OF KNOWLEDGE. This is the secret of the verse: "The end of all flesh is come before me" (Beresheet 6:13), WHICH ALLUDES TO THE ANGEL OF DEATH, WHICH PUTS an end to all flesh by taking the soul away from all the flesh. It is thus called "THE END OF ALL FLESH."

441. "And he said to the woman, 'Is it true (Heb. Af)?" (Beresheet 3:1). Rabbi Yosi said, THE SERPENT started with wrath (Heb. Af) WHEN IT SAID, "IS IT TRUE (HEB. AF), HAS ELOHIM SAID...?" Thus, he brought wrath (Af) and anger upon the world. He said to the woman, 'By this tree, the Holy One, blessed be He, created the world,' BECAUSE THE WORLD WAS CREATED BY THE FEMALE. Therefore, eat of it "and you shall be as Elohim, knowing good and evil" (Ibid. 5), WHICH MEANS THAT YOU SHALL ALSO BE ABLE TO CREATE WORLDS WITH THE FEMININE PRINCIPLE, because he--NAMELY ZEIR ANPIN--is indeed Elohim. His name, 'THE FEMALE,' is the Tree of knowledge of good and evil. Therefore, IF YOU EAT FROM THE TREE OF KNOWLEDGE, WHICH IS HIS NAME, IF YOU CLEAVE TO THE FEMALE AND DRAW UPON HER ABUNDANCE, "you shall be as Elohim, knowing..." - YOU SHALL BE AS ZEIR ANPIN, AND WILL BE ABLE TO CREATE WORLDS AS HE DOES.

442. Rabbi Yehuda said: THE SERPENT did not say this because had he said, 'By this tree, the Holy One, blessed be He, created the world,' it would have been good. For this tree is like an ax in the hand of he who hews with it. But THE SERPENT did not say so. Instead, he said that from this tree, the Holy One, blessed be He, ate, MEANING THAT ZEIR ANPIN RECEIVED ABUNDANCE FROM THE FEMININE PRINCIPLE and then created the world. And every craftsman hates his fellow craftsman. So eat from it, and you shall also create worlds. THIS IS A COMPLETE LIE, BECAUSE THE FEMININE PRINCIPLE RECEIVES EVERYTHING FROM ZEIR ANPIN. This is why HE SAID, "For Elohim knows that in the day you eat of it" (Ibid. 5), WHICH MEANS THAT because He knows THAT YOU SHALL BE AS ELOHIM AND BE ABLE TO CREATE WORLDS AS HE DOES, He commanded you not to eat from it.

443. Rabbi Yitzchak said, All his words were lies, even what he said at first was a lie, as it is written: "Is it true (Heb. Af), has Elohim said, 'You shall not eat of every tree of the garden'" This was not so, because it is also written: "Of every tree of the garden, you may freely eat." So he was permitted to eat of them all.

439. וּמִלֵּה דָא הוּוּ תְּלִי עַל סַמְאֵל, עַד דְּאִתָּא אִילְנָא אַחְרָא קְדִישָׁא, דְּאִיהוּ יַעֲקֹב, וְנִטְל מְנִיָּה בְּרַכָּאן, דְּלֵא יִתְבַּרַךְ סַמְאֵל לְעִילָא, וְעָשׂוּ לְתַתָּא. דְּהָא יַעֲקֹב דּוּגְמָא דְּאָדָם הָרְאִישׁוֹן הוּוּ דִּיעֲקֹב שׁוּפְרִיָּה דְּאָדָם הָרְאִישׁוֹן הוּוּ. וְעַל דָּא כְּמָה דְּמִנְע סַמְאֵל לְבְּרַכָּאן, מֵאִילְנָא קְדִמָּא, הִכִּי נִמְי מִנְע יַעֲקֹב, דְּאִיהוּ אִילְנָא דּוּגְמָא דְּאָדָם, מִסַּמְאֵל לְבְּרַכָּאן מְלַעִילָא, וּמִתַּתָּא, וְיַעֲקֹב דִּידִיָּה נְטִיל בְּכֵלָא, וְעַל דָּא וַיִּאָּבֵק אִישׁ עִמּוֹ, כְּתִיב.

444. Rabbi Yosi said: We have learned that the Holy One, blessed be He, commanded him against idolatry, as it is written, "And... commanded"; in "Hashem" against blaspheming the name; in "Elohim" for keeping laws; "Adam" the prohibition against shedding blood; and in "saying" against incest. HE ASKED: How many people were there in the world that He had to WARN HIM AGAINST DOING SO. HE REPLIED: All seven precepts were definitely related only to this tree, TO THE TREE OF KNOWLEDGE, BECAUSE ALL THESE PRECEPTS ARE CONNECTED TO IT.

445. Because all these precepts are connected to it, whoever takes THE TREE OF KNOWLEDGE--NAMELY THE FEMININE PRINCIPLE--on its own and WITHOUT HER HUSBAND ZEIR ANPIN, causes a separation BETWEEN ZEIR ANPIN AND HIS FEMININE PRINCIPLE. Thus, he takes her down TO BESTOW PLENTY to the masses below IN THE WORLDS OF BRIYAH, YETZIRAH AND ASIYAH OF SEPARATION, WHERE THE KLIPOT ARE. And they cleave TO THE TREE OF KNOWLEDGE. So he takes upon himself the sins of idolatry, bloodshed and incest. HE IS GUILTY OF IDOLATRY, BECAUSE HE DREW THE ABUNDANCE OF THE TREE OF KNOWLEDGE DOWN to those ministers. IN DOING SO, HE WORSHIPPED THEM, WHICH IS IDOLATRY. HE COMMITTED bloodshed BECAUSE THE POWERS OF SHEDDING BLOOD ARE related to this tree, as it is the side of Gvurah, WHICH IS THE LEFT SIDE. Samael, WHO IS THE MINISTER OF ESAV, is appointed over this. HE IS GUILTY OF incest, because THE TREE OF KNOWLEDGE is a woman and she is called the wife, NAMELY THE FEMININE PRINCIPLE OF ZEIR ANPIN. A man is not permitted to invite a wife on her own. She must be accompanied by her husband so there can be no suspicion of adultery. AND THE SIN OF THE TREE OF KNOWLEDGE IS THAT HE INVITED THE FEMALE ALONE, WITHOUT HER HUSBAND. Because of this, all SEVEN PRECEPTS relate to this tree and, because Adam ate from it, he transgressed them all and they all cleave to him.

446. Rabbi Yehuda said: This issue, REFERRING TO PROHIBITION OF THE TREE OF KNOWLEDGE, is indeed true, because nobody is allowed to enjoy alone the company of a married woman, unless her husband is with her. So what did that evil one, NAMELY SAMAEL, do? He said: Behold I have touched this tree, yet I have not died. You too can come closer and touch it with your hand --- and you shall not die. He added this on his own, BECAUSE THE PROHIBITION WAS NOT ON TOUCHING, BUT ON EATING.

447. Immediately AFTER SHE HAD TOUCHED THE TREE, "the woman saw that the tree was good..." (Beresheet 3:6). What did she see? Rabbi Yitzchak said: A tree that emits a pleasant odor, as it is written, "As the smell of a field, which the Hashem has blessed" (Beresheet 27:27). Because of that pleasant odor, her desire to eat from it was aroused. Rabbi Yosi said: Her seeing, AND NOT THE ODOR, AROUSED HER DESIRE TO EAT FROM THE TREE OF KNOWLEDGE, AS IT IS WRITTEN: "AND WHEN THE WOMAN SAW..." Rabbi Yehuda said to him: But AFTER THE SIN, it is written: "And the eyes of them both were opened....," WHICH MEANS THAT THE SEEING WAS ACHIEVED ONLY AFTER EATING. SO BEFORE THE EATING, THE PLEASANT ODOR TEMPTED HER. RABBI YOSI replied: This seeing BEFORE EATING that was related to the size of the tree, WHICH IS THE ASPECT OF THE LIGHT OF THE FEMININE PRINCIPLE, AND THIS SEEING brought THE DESIRE UPON HER. THE SEEING AFTER THE EATING WAS GREATER THAN THE SIZE OF THE TREE, AND OF THIS, IT IS WRITTEN: "AND THE EYES... WERE OPENED." Therefore, it is written, "And when the woman saw," stressing THE WORD 'WOMAN' TO INDICATE THAT THE SEEING WAS THE LIGHT OF THE ASPECT OF THE FEMININE PRINCIPLE.

444. אָמַר רַבִּי יוֹסֵי, הָא תְּנִינָן, דְּמַקִּיד לִיה קְרוֹשׁ בְּרוּךְ הוּא עַל ע"ז, דְּכָתִיב וַיִּצְו. ה' עַל בְּרֵכַת הַשֵּׁם. אֱלֹקִים, עַל הַדִּינִין. עַל הָאָדָם, עַל שְׁמִיכַת דְּמַיִם. לְאֹמֵר, עַל גְּלוּי עֲרִיּוֹת, וְכִי בְּמָה אֲנָשִׁי הוּוּ בְּעֵלְמָא, דְּאִיהוּ אֲצַטְרִיךְ דָּא, אֶלָּא וְדָאִי כֹלָא עַל הָאִי אֵילְנָא הוּוּ.

448. "And when the woman saw that the tree was good..." She saw yet did not see that the tree was good. She "saw that the tree was good", but could not decide. It is then written, "She took of the fruit thereof" and not 'she took of it'. WHY? BECAUSE HER MIND WAS NOT SET THAT THE "TREE WAS GOOD." BY TAKING OF ITS FRUIT AND NOT FROM THE TREE ITSELF, she became attached to the place of death, brought death upon the world and separated life from death. And this sin caused a separation between the wife, THE FEMININE PRINCIPLE, and her husband, ZEIR ANPIN, because the voice--ZEIR ANPIN--is never separated from the utterance, THE FEMININE PRINCIPLE. Whoever separates the voice from the utterance, NAMELY ZEIR ANPIN FROM HIS FEMININE PRINCIPLE, becomes dumb and loses the ability to speak. As a result of losing the ability to speak, he is given to the dust. THIS IS WHY IT IS WRITTEN, "AND TO DUST SHALL YOU RETURN" (BERESHEET 3:19).

449. Rabbi Shimon said: It is written, "I was dumb with silence, I held my peace (even from good), had no comfort, and my pain was stirred up" (Tehilim 39:3). "I was dumb with silence" WAS EXPRESSED BY the congregation of Yisrael, WHICH IS THE FEMININE PRINCIPLE OF ZEIR ANPIN, at the time of the exile. Why? Because the voice, ZEIR ANPIN, conducts the utterance, THE FEMALE. Since she is in exile, the voice is separated from it and the utterance, THE FEMALE, is not heard. Because of this, THE FEMALE SAID, "I was dumb with silence." Why WAS SHE DUMB? Because "I held my peace, even from good", WHICH IS ZEIR ANPIN THAT IS CALLED GOOD AND IS THE VOICE. THEREFORE, the voice does not accompany it. The children of Yisrael THEN said, "Praise waits for you (in silence), Elohim" (Tehilim 65:2). What does "in silence" mean? This is when the praise of David, ALLUDING TO THE FEMININE PRINCIPLE, WHICH IS CALLED PRAISE DURING GREATNESS, is silent during the exile and becomes dumb, without a voice. Rabbi Yitzchak asked: What is the meaning of "for you" IN THE VERSE, "PRAISE WAITS FOR YOU?" HE ANSWERED: YISRAEL CRY OUT TO ZEIR ANPIN SAYING, 'It is because of you that she is dumb and in silence,' since the voice--NAMELY ZEIR ANPIN--has abandoned her.

450. "She took of its fruit" (Beresheet 3:6). We have learned that CHAVAH pressed grapes and gave them to ADAM. AND BY THEIR EATING, they brought death upon the whole world, for death resides within this Tree of KNOWLEDGE, which is the tree that rules at night--NAMELY THE FEMININE PRINCIPLE. THIS IS THE SECRET OF THE VERSE: "AND THE LESSER LIGHT TO RULE THE NIGHT." (BERESHEET 1:16) OF HER, IT IS ALSO WRITTEN: "SHE RISES ALSO WHILE IT IS YET NIGHT" (MISHLEI 31:15). When she rules AT NIGHT, all human beings taste death, BECAUSE SLEEP IS ONE SIXTIETH PART OF DEATH, but the faithful make haste to put their Nefesh in her hands as a deposit. BEFORE THEY FALL ASLEEP, THEY RECITE THE VERSE: "INTO YOUR HANDS I COMMIT MY SPIRIT: YOU HAVE REDEEMED ME, HASHEM EL OF TRUTH" (TEHILIM 31:6). Because they, THE NEFASHOT, are entrusted TO THE HANDS OF THE FEMININE PRINCIPLE DURING THE TIME WHEN DEATH GOVERNS, THEY ARE NOT HURT AND return to their places--TO THEIR BODIES--IN THE MORNING. This is why IT IS WRITTEN: "And your faithfulness every night" (Tehilim 92:3).

451. "And the eyes of them both were opened..." (Beresheet 3:7). Rabbi Chiya said that they were now opened to know the evils of the world, which they were not aware of up to then. As a result of opening their eyes to evil, they learned that they were naked. Once they knew, and their eyes opened, they realized their nakedness, since they lost the sublime luster that enveloped them; it was gone from them and they were left naked of it.

452. The phrase: "And they sewed fig leaves together" (Ibid.) MEANS THAT they cleaved to the shadows of that tree from which they ate to cover themselves, as the so-called "leaves of the tree" GIVE SHADE TO THOSE UNDERNEATH THEM. THE VERSE CONTINUES: "And made themselves loincloths." Rabbi Yosi said: Because they acquired knowledge of this world and became attached to it, they saw that this world was governed by these leaves of the tree. Thus, they made themselves a stronghold to strengthen themselves with these leaves in this world. They became acquainted with all sorts of sorcery and wanted to protect themselves with weapons made from the leaves of the tree.

453. Rabbi Yehuda said: Then the three--REFERRING TO THE SERPENT, ADAM AND CHAVAH--entered to be judged and were sentenced. Thus, the lower world was cursed. It did not return to its previous state due to the defilement of the Serpent until the children of Yisrael stood before Mount Sinai and ONLY THEN DID THE DEFILEMENT CEASE.

454. After THE SIN, the Holy One, blessed be He, clothed them in garments comfortable to the skin, BUT NOT THE NEFESH, as it is written: "Coats of skin (Heb. Or, spelled Ayin-Resh)" (Beresheet 3:21). Before they had coats of light (Heb. Or, spelled Aleph-Resh), which served the beings above. The supernal angels used to come TO ADAM and enjoy themselves with that light, as it is written: "Yet you have made him a little lower than the angels, and have crowned him with glory and honor" (Tehilim 8:6). But now that they have sinned, they were given coats of skin, comfortable to the skin, NAMELY THE BODY, and not the Nefesh.

455. After this, they gave birth to the first son. He was the son of THE SERPENT'S defilement, because two had intercourse with Chavah, ADAM AND THE SERPENT, and she conceived from both and gave birth to two--KAYIN AND HEVEL. Each resembled his own father and their spirits were separated, one to the side OF IMPURITY and one to the side OF HOLINESS. Each was in the appearance of his own aspect, THE ASPECT FROM WHICH HE HAD COME.

456. From the side of Kayin came all the evil species, spirits, demons and sorcerers. From the side of Hevel came something more merciful, but still not perfect. IT IS LIKE good wine mixed with bad. So THE WORLD was not fully established by Hevel. This was left to Shet, the ancestor of all the righteous generations in the world, from whom the generations of the world issued. But from Kayin issued all the ruthless people, all the sinners and wicked people of the world.

457. Rabbi Elazar said: When Kayin sinned, he was in fear, because he saw all sorts of armed hosts coming to kill him. When he repented, he said, "Behold, you have driven me out this day from the face of the earth; and from your face I shall be hid... and it shall come to pass, that anyone that finds me shall slay me" (Beresheet 4:14). What is THE MEANING OF: "From your face I shall be hid"? It means that he shall be hidden AND BANNED from his own building. BECAUSE KAYIN WAS A FARMER AND BECAUSE HE WAS DRIVEN OFF THE FACE OF THE EARTH, HIS ENTIRE ESTABLISHMENT WAS DESTROYED AND NOTHING REMAINED FOR HIM IN THE WORLD. Rabbi Aba said: This is as is written, "Nor had he hid his face from him" (Tehilim 22:25) and "And Moshe hid his face" (Shemot 3:6). This is why KAYIN SAID, "From your face I shall be hid", AS IF TO SAY that I will be hidden from your face and not be protected. Therefore, "anyone who finds me shall slay me."

48. "And Hashem set a mark upon Kayin"

God inscribed the Hebrew Letter Vov ? onto the forehead of Cain. The letter Vov connects to the Sfirot of Yesod, which signifies the Covenant between God and the Israelites. When Cain sincerely repented for the murder of his brother Abel, the letter Vov protected him from the murderous hands of people which were aroused against him by the spiritual law of cause and effect. Provided we fully repent, meditating upon the letter Vov offers us protection from any decrees of judgment

458. "And Hashem set a mark upon Kayin lest anyone finding him should smite him" (Beresheet 4:15). This is one of the 22 letters of the Torah, WHICH IS THE LETTER VAV that He placed upon him for his protection. THE LETTER VAV IS RELATED TO YESOD, WHICH IS RELATED TO THE SIGN OF THE COVENANT. THIS HE MERITED WHEN HE REPENTED AND AGREED TO KEEP THE COVENANT. Rabbi Yehuda asked: Why is it written, "And it came to pass, when they were in the field"? HE ANSWERED: A field signifies a woman. Thus, BECAUSE OF A WOMAN, he rose and killed HEVEL. For it is from the side of woman, WHO IS THE LEFT SIDE, that he inherited his murderous tendency, which is the aspect of Samael that brought death to the whole world WHEN HE SEDUCED ADAM AND CHAVAH WITH THE TREE OF KNOWLEDGE. Similarly, Kayin was jealous of Hevel because of his wife, AS HEVEL HAD A SECOND WIFE. Rabbi Chiya RAISED AN OBJECTION BEFORE RABBI YEHUDA. HE said: The reason KAYIN KILLED HEVEL was as it is written that "Kayin was very angry, and his face fell" (Ibid. 5). It was because his offering was not accepted AND NOT BECAUSE OF A WOMAN. RABBI YEHUDA answered THAT KAYIN WAS ANGRY THAT HIS OFFERING WAS NOT ACCEPTED, and all the reasons were before him WHEN HE KILLED HEVEL, INCLUDING JEALOUSY BECAUSE OF THE EXTRA WOMAN.

458. וַיִּשֶׂם ה' לְקַיִן אוֹת לְבִלְתִּי וְגו', מֵאֵי אוֹת, אוֹת א, מַעֲשֵׂרִין וְתָרִין אֲתוֹן דְּאוֹרֵייתָא, יְהֵב עֲלֵיהּ לְאַגְנָא עֲלֵיהּ. אָמַר ר' יְהוּדָה, מֵאֵי דְכָתִיב וַיְהִי בְהִיוֹתָם בְּשָׂדֵה, מֵאֵי בְּשָׂדֵה דָּא אֲתַתָּא, וְעַל דָּא קָם וּקְטִיל לֵיהּ, דְּהָא מַסְטָרָא דָּא יָרִית לְקַטְלָא, מַסְטָרָא דְּסַמָּא"ל דְּהָגְרִים מוֹתָא לְכָל עֲלָמָא. וְקַיִן קִין לְהַבֵּל עַל נֹקְבִיָּה. ר' חִיָּיא אָמַר, הָא חֲזִינָן דְּכָתִיב וַיַּחַר לְקַיִן מְאֹד וַיַּפְלֹו פָּנָיו, עַל דְּלֹא אֲתַקְבִּיל קַרְבְּנֵיהּ. אָמַר לֵיהּ הַכִּי הוּא, וְכֹלָא הוּוּה לְקַבְּלֵיהּ.

49. "Sin crouches at the door"

A verse in the Torah states that negativity and evil forces hover by doorways, openings, and beginnings of all kinds. This idea is related to the secret and power of a seed. If one plants a defective apple seed, it will yield a defective apple tree. Doorways and beginnings represent the seed level. The door to the home is the seed of the entire house. Negative forces attack at the seed level so as to influence all the future stages and developments. They cling to all entranceways to infect the seed with negativity. The Mezuzah, or door post ornament, not only cancels this negative force, but also transforms negative energy into positive energy. The Mezuzah contains a piece of parchment bearing the Hebrew letters Shin, Dalet, and Yud ????. This is a powerful Name of God that brings us protection.

These passages bring protection to all the starts or beginnings in our lives, including marriage, business ventures, or any other area of activity.

459. Rabbi Yehuda continued with the next verse: "If you do well, shall you not be accepted (Heb. Set)? And if you do not well, sin crouches at the door" (Beresheet 4:7). HE SAID THAT this is what THE HOLY ONE, BLESSED BE HE, said to him, If you improve your behavior then there shall be an acceptance. What is Set? It is synonymous WITH WHAT WAS SAID ABOUT REUVEN: "The excellency of dignity" (Beresheet 49:3), because the firstborn has an added virtue and advantage in everything, and it depends upon his actions. Hence, THE HOLY ONE, BLESSED BE HE, SAID, "If you do well, shall you not be accepted? And if you do not well, sin crouches at the door."

459. וְאָמַר רַבִּי יְהוּדָה, מֵאֵי דְכָתִיב הֲלֹא אִם תִּיטִיב שְׂאֵת וְאִם לֹא תִיטִיב לַפֶּתַח חֲטָאת רֹבֵץ. אֲלֹא הַכִּי קָאָמַר, הֲלֹא אִם תִּיטִיב עוֹבְדֵךְ שְׂאֵת, מֵאֵי שְׂאֵת, כְּדָכָתִיב יִתֵּר שְׂאֵת, דְּהָא בּוֹכְרָא שְׁבַחָא אִית לֵיהּ בְּכֹלָא תְּהִיר. וְתִלְוִיא בְּעוֹבְדוּהִי, וְעַל דָּא אִם תִּיטִיב שְׂאֵת, וְאִם לֹא תִיטִיב לַפֶּתַח חֲטָאת רֹבֵץ.

460. HE ASKED: Which doorway DOES THE TEXT REFER TO WHEN IT READS, "SIN CROUCHES AT THE DOOR?" HE ANSWERED: This is the upper doorway through which judgments come because of the evil deeds of humans. This door is also referred to in the verse: "Open to me the gates of righteousness" (Tehilim 118:19). IT IS THE GATE OF MALCHUT CALLED 'RIGHTEOUSNESS.' Sin crouches at that gate OF MALCHUT and this is the Angel of Death who exacts payment from you.

460. מֵאֵי לַפֶּתַח, דָּא פֶּתַח דְּלַעִילָא, דְּמַנְיָה נְפֻקִין דִּינִין עַל עוֹבְדֵין בִּישׁוֹן דְּעֲלָמָא. פֶּתַח, כְּד"א פֶּתַחוּ לִי שַׁעֲרֵי צְדָק, וְלַהוּוּא פֶּתַח, חֲטָאת רֹבֵץ, דָּא מְלַאךְ הַמּוֹת, וְהוּא זְמוּין לְאַתְפָּרְעָא מִינְךָ.

461. Come and behold: Adam was born on the day of Rosh Hashanah (New Year). Rosh Hashanah is the secret of the upper and lower, REFERRING TO MALE AND FEMALE, WHO ARE CALLED THE SUPERNAL MAN, AND THE LOWER MAN. There is a Rosh Hashanah above, WHICH IS ZEIR ANPIN AND HIS FEMININE PRINCIPLE WHEN THEY ARE IN A STATE OF JUDGMENT, and there is a Rosh Hashanah below, IN THE FRAME OF TIME, WHICH IS THE SIXTH DAY OF CREATION, THE DAY WHEN LOWER MAN WAS CREATED. THIS TEACHES US THAT MAN WAS CREATED BY THE SECRET OF JUDGMENT, FOR HE WAS CREATED ON LOWER ROSH HASHANAH. THIS IS CONNECTED TO THE ASPECT OF ABOVE, UPPER ROSH HASHANAH, WHICH IS ZEIR ANPIN AND HIS FEMININE PRINCIPLE IN A STATE OF JUDGMENT. On Rosh Hashanah, the barren women are visited. How do we know this happens on Rosh Hashanah? Because it is written: "And Hashem visited Sarah" (Bereshheet 21:1). The reference to the term "And (Vav) Hashem" is precise TO INDICATE THAT it was on Rosh Hashanah THAT SHE WAS VISITED. WHENEVER THE SCRIPTURE USES THE TERM 'AND (VAV) HASHEM,' IT ALLUDES TO ZEIR ANPIN AND HIS COURTHOUSE--WHICH INDICATES JUDGMENT, WHICH IS THE UPPER ROSH HASHANAH. Because Adam was born on Rosh Hashanah, he was born under the influence of Judgment that then prevailed in the world. Thus, it is precisely so that "sin crouches at the door", ALLUDING TO THE ANGEL OF DEATH, to exact payment from you. And the verse: "And to you shall be his desire" (Bereshheet 4:7) OF THE ANGEL OF DEATH, to punish you until he destroys you.

462. "Yet you may rule over him" (Ibid.) is a hidden reference to the verse: "And you do preserve them all" (Nechemyah 9:6), WHICH ALLUDES TO MALCHUT, CALLED 'YOU' WHO IS REFERRED TO HERE AS GIVING LIFE TO ALL--EVEN THE KLIPOT. Consequently, it is said that the Holy One, blessed be He, does not rule, MEANING THAT HIS CONTROL IS NOT EVIDENT except when all the wicked people are destroyed. Thus, when the Angel of Death has destroyed them, the Holy One, blessed be He, will control him and prevent him from causing harm to the world. This is as is written: "Yet you"-- WHICH IS MALCHUT--"may rule over him." THIS MEANS THAT MALCHUT WILL CONTROL THE ANGEL OF DEATH AFTER HE HAS ADMINISTERED JUDGMENT TO THE WICKED AND WILL NO LONGER ALLOW HIM TO DAMAGE THE WORLD OR ITS INHABITANTS. Hence, the term "you" is precise, BECAUSE IT IS THE NAME OF MALCHUT.

463. Rabbi Yitzchak said: The government is joined together in debate TO JUDGE THEM AND EXECUTE JUSTICE. THIS EXPLAINS THE PHRASE: "YET YOU MAY RULE OVER HIM", WHICH INDICATES THAT MALCHUT REVEALS HER CONTROL THROUGH THE AGENCY OF THE ANGEL OF DEATH, BECAUSE HE IS THE ONE WHO PUNISHES THE TRANSGRESSORS. Rabbi Yehuda said: "Yet you may rule over him" through repentance. IF ONE REPENTS, THEN HE RULES OVER THE ANGEL OF DEATH AND THE EVIL INCLINATION.

50. Aza and Azael

Aza and Azael are the two angels who argue with God against the creation of man. These negative angels were subsequently banished to the Mountains of Darkness. Bila'am, a powerful and evil sorcerer who is spoken of in the Torah, lived during the time of Moses. Bila'am would travel to these mountains to draw all of his strength from the negative forces dwelling there.

The Zohar offers us protection against any negative people or forces that might try to harm us.

464. Rabbi Yosi said that when Kayin's descendants walked the earth, they smoothed the face of the land and resembled both the celestial angels above and the humans below. THIS IS BECAUSE KAYIN DESCENDED BOTH FROM THE FILTH OF SAMAEL, WHO MATED WITH CHAVAH AND WAS AN ANGEL, AND FROM THE SEEDS OF ADAM. Rabbi Yitzchak said: When Aza and Azael fell from the place of their sanctity above, they saw the daughters of men, sinned with them and begot children. These were the Nefilim, about whom it is written: "There were Nefilim on the earth..." (Bereshheet 6:4).

461. תָּא חֲזִי, בְּרֹאשׁ הַשָּׁנָה אֲתִילִיד אָדָם, בְּרֹאשׁ הַשָּׁנָה, וְדָאֵי רְזָא לְעִילָא וְתַתָּא ר"ה לְעִילָא, ר"ה לְתַתָּא. בְּרֹאשׁ הַשָּׁנָה עֲקָרוֹת נִמְקְרוֹת, מְנַלְן דְּבְרֹאשׁ הַשָּׁנָה הוּוּ, דְּכְתִיב וְה' פָּקַד אֶת שָׂרָה, וְה' דִּיִּיקָא, דָּא רֵאשׁ הַשָּׁנָה, וּבְגִין דְּנִמְיָק אָדָם מְרֹאשׁ הַשָּׁנָה נִמְיָק בְּדִינָא, וְעִלְמָא קִיּוּמָא בְּדִינָא, וּבְגִינֵי כֵן לְפַתַּח וְדָאֵי. חֲטָאת רֹבֵץ בְּגִין לְאַתְפָּרְעָא מִינָךְ, וְאַלִיךְ תְּשׁוּקָתוֹ, עַד דְּתִשְׁתַּצִּי.

465. Rabbi Chiya said that the descendants of Kayin were the sons of the Elohim, because when Samael injected his filth into Chavah, she conceived and gave birth to Kayin. Consequently, his appearance was not similar to that of the rest of humanity FOR HE WAS CONCEIVED THROUGH AN ANGEL. All those who descended from Kayin were called the sons of the Elohim, BECAUSE THEIR APPEARANCE WAS THAT OF ANGELS CALLED 'ELOHIM.'

466. Rabbi Yehuda said: Even those Nefilim, who are the children of Aza, Azazel and Naamah are called THE SONS OF THE ELOHIM. The words: "The same were mighty men" (Ibid.) INDICATE THAT ONLY THEY WERE THE MIGHTY MEN AND NOT THE ORIGINAL NEFILIM. There were only 60 of them by supernal reckoning, AS COMPARED WITH THE SIX DIRECTIONS--NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN. WE CAN DRAW ANALOGY FROM THE VERSES. Here in the scripture, it is written: "The same were mighty men" and there--IN RELATION TO KING SOLOMON, WHO IS ZEIR ANPIN--it is written, "Sixty valiant men are about it" (Shir Hashirim 3:7). JUST AS THEY ARE 60 THERE, SO HERE THEY ARE 60, YET THE FIRST ONES ARE DRAWN FROM ABOVE, FROM SIX SIDES OF ZEIR ANPIN. Rabbi Yosi continued by saying: "The same were the mighty men of old (lit. 'from the world')" and this is written precisely TO DIFFERENTIATE THEM FROM THE FIRST NEFILIM, AZA AND AZAZEL, WHO ORIGINATED IN THE WORLD ABOVE. THE WORLD IS THE FEMININE PRINCIPLE OF ZEIR ANPIN AND THE TEXT TEACHES US THAT THOSE MIGHTY MEN WERE INTENDED TO BECOME A CHARIOT FOR MALE AND FEMALE, AND THUS A PART OF THE FEMALE CALLED THE WORLD. HE ASKED: To which name does the text refer when it is written: "Men of renown (lit. 'name')"? (Bereshheet 6:4). This is the world we have mentioned, WHICH IS THE FEMININE PRINCIPLE. The phrase "men of name" is precise. IT TEACHES US THROUGH AN ANALOGY BY STATING THAT it is written here: "men of name" and in another place: "when he blasphemes the name" (Vayikra 24:16). It is written: "And the son of the Yisraelite woman blasphemed the name" (Ibid. 11), JUST AS NAME IMPLIES THE FEMININE PRINCIPLE IN THE PREVIOUS VERSE, SO IT IMPLIES THE FEMININE PRINCIPLE IN THIS VERSE.

467. Rabbi Chiya said that they were from a real world, BECAUSE THEY WERE INTENDED TO BE A CHARIOT OF THE FEMALE, AS RABBI YOSI HAS ALREADY SAID. And from the lower world, the Holy One, blessed be He, took them. WHEN THEY FELL TO THIS WORLD, THEY WERE REFINED AND THE REFINED PARTICLES WERE LINKED TOGETHER TO BECOME A CHARIOT OF THE FEMALE. ON THE OTHER HAND, THE ORIGINAL NEFILIM HAD NOTHING OF THIS WORLD BECAUSE THEY WERE HEAVENLY ANGELS. Thus, it was written: "Remember, Hashem, your tender mercies and your truth (chassadim); for they have been from of old (lit. 'from the world')" (Tehilim 25:6). They are assuredly from the world, because the Holy One, blessed be He, took them from this lower world, NAMELY HIS MERCY AND CHASSADIM, to become a supernal Chariot above. These are the early patriarchs. MERCY IS RELATED TO YA'AKOV AND CHASSADIM TO AVRAHAM, WHO ELEVATED FROM THE LOWER WORLD TO BECOME A CHARIOT OF ZEIR ANPIN AND HIS FEMININE PRINCIPLE. HENCE THE SAYING 'IT IS THE FATHERS THAT ARE THE CHARIOT'. Similarly, "the same were mighty men from the world," AS THEY HAVE ALSO BEEN ELEVATED FROM THE LOWER WORLD TO UNITE ABOVE WITH THE CHARIOT OF ZEIR ANPIN AND HIS FEMALE. Rabbi Yitzchak said that the phrase: "From the world," IN THE PASSAGE BEFORE US, refers to King Solomon's bed, WHICH IS ALSO THE FEMININE PRINCIPLE, BUT FROM THE ASPECT OF GVURAH, as it is written: "Behold it is his litter, that of Solomon. Sixty valiant men are round about it." Rabbi Acha said that the sixty valiant men who surrounded the bed of Solomon are also called 'the sons of Elohim.'

468. Our sages of blessed memory have said that when the Holy One, blessed be He, created man, He created him in the Garden of Eden and commanded him to observe seven commandments. When he sinned AT THE TREE OF KNOWLEDGE, and was driven out of the Garden of Eden, those two celestial angels, Aza and Azael, said to the Holy One, blessed be He, 'If it would have been us on earth, like man, we would have been virtuous.' The Holy One, blessed be He, then asked them, 'Would you be able to overcome the evil inclination THAT IS IN CONTROL ON EARTH?' They said, 'We can.' The Holy One, blessed be He, immediately dropped them from heaven to earth and the scripture reads: "There were Nefilim in the earth" (Bereshheet 6:7) and also: "mighty men." As soon as they descended to earth, the evil inclination seized them, as it is written: "And they took them wives of all whom they chose" (Ibid. 2). They sinned and were deposited from their sanctity.

469. Come and behold: All the plants, WHICH ARE THE SFIROT OF ZEIR ANPIN AND HIS FEMININE PRINCIPLE, were concealed and impressed with faint marks upon one place, THE PLACE OF MALCHUT. The Holy One, blessed be He, uprooted them from that place and sent them elsewhere, NAMELY TO BINAH, where they flourished AND GAINED THEIR MOCHIN.

51. This is the book of the generations of Adam

The Zohar reveals a secret that pertains to a powerful combination of letters encoded into a verse inside the Torah - The Name of God is a Strong Tower and the Righteous run into it and is Safe. Since doing so can be spiritually harmful, we do not pronounce this combination of letters aloud. Instead, we gaze and pass our eyes over the letters. Rabbi Abba reveals that Adam was given a book of secrets. This secret book was passed down from one generation of sages to another. The book was brought to our physical realm by the angel Raziel. When Adam left the Garden of Eden, the book flew away. Adam prayed for God to return it, and God agreed. Enoch possessed another book of cosmic knowledge, which contained the inner secrets of all wisdom. The books of Adam and Enoch are the foundation and underlying principles of the wisdom of Kabbalah.

These passages connect us to the original seed of Kabbalah, thereby strengthening our connection to this Zohar and all the blessings we receive from it.

470. Rabbi Yesa asked: What does the verse allude to when it reads, "This is the book of the generations of Adam. On the day Elohim created man, in the likeness of Elohim he made him; male and female he created them; and He blessed them" (Bereshheet 5:1). Rabbi Aba answered: This is a supernal mystery. We have learned that three books are opened on Rosh Hashanah (New Year), THAT IS, THE FEMALE. One book is of the truly righteous, THE SECOND IS OF THE THOROUGHLY WICKED, AND THE THIRD IS OF THE MEDIOCRE; AND HERE THE ZOHAR DISCUSSES ONLY THE FIRST. There is one supernal book IN THE FEMININE PRINCIPLE, WHICH IS BINAH, from which everything--including the written word--originates. There is a middle book IN THE FEMININE PRINCIPLE, which includes the upper and lower--NAMELY ZEIR ANPIN, WHICH COMBINES BINAH AND MALCHUT. This book is called the written Torah and is the first man of ALL FOUR ASPECTS OF ADAM IN ATZILUT, BRIYAH, YETZIRAH AND ASIYAH, NAMELY ADAM OF ATZILUT. A third book exists IN THE FEMININE PRINCIPLE called 'the generations of Adam'; NAMELY, THE GENERATIONS OF ZEIR ANPIN CALLED 'ADAM.' This is the book of the thoroughly righteous. Hence the verse: "This is the book of the generations of Adam" certainly refers to the Righteous, WHO IS YESOD OF ZEIR ANPIN, who brings forth generations. "In the day Elohim created man, in the likeness of Elohim": AFTER THE REVELATION OF THE BOOK OF THE GENERATIONS OF ADAM, all was completed in the upper and lower worlds and they were both preserved by the same order. The phrase: "Male and female he created them" is vague, BECAUSE THE TEXT SHOULD HAVE READ: 'MAN AND WOMAN HE CREATED THEM'. THIS IS BECAUSE one was included within the other, NAMELY THAT THE FEMALE WAS INCLUDED IN THE MALE UPON THEIR CREATION. THIS IS BECAUSE THEY WERE DOUBLE-FACED AND HE SAWED THEM.

471. In the Mishnah it is written: "The name of Hashem is a strong tower: The righteous runs into it, and is safe" (Mishlei 18:10). THE RIGHTEOUS MENTIONED HERE is the book of the generations of Adam that runs into that tower. HE ASKED: What kind of a tower does the verse refer to? This is the tower of David, NAMELY MALCHUT, which is, "The name of Hashem is a strong tower," and all refer to it this way, BECAUSE TOWER IS A NAME OF MALCHUT AT THE TIME OF HER GREATNESS. MIGDAL (TOWER) IS DERIVED FROM THE HEBREW WORD GREATNESS, GADLUT. Here is a hidden secret known only to the faithful, AS THE SEQUENCE OF NAMES EVOLVING FROM THE VERSE: "THE NAME OF HASHEM IS A STRONG TOWER..." Hence, this most certainly is the book of generations, BECAUSE YESOD, THE RIGHTEOUS, BRING FORTH OFFSPRING BY THE TOWER. IN THE DIAGRAM, WE FIND TWELVE SEQUENCES OF THREE LETTERED STRUCTURES ADDING UP TO THE 36 LETTERS OF THE VERSE ABOVE.

472. Rabbi Aba said: A book was indeed sent down to Adam through which he discerned and comprehended the supernal wisdom. HENCE, THE VERSE REFERS TO IT AS "THE BOOK OF GENERATIONS OF ADAM." This book later came into the hands of the "sons of Elohim", the sages of their generation, who were privileged to learn from it and to glean the supernal wisdom. They grasped it and comprehended it. This book was brought down by the guardian of the secrets--WHO IS THE ANGEL RAZIEL--AND WAS GIVEN TO ADAM IN THE GARDEN OF EDEN. Three guardian angels went before him and guarded the book, SO THAT THE EXTERNAL FORCES WOULD NOT HAVE ACCESS TO IT.

473. When Adam left the Garden of Eden, he still held to the book. Yet as he stepped out, the book flew away from him. He prayed and cried out to his Master, and the book was returned to him as before, so that this wisdom would not be forgotten and people would endeavor to attain knowledge of their Master.

474. We have also been told that Chanoch had a book, which originated from the same place as that of the generations of Adam. And this book contains the inner secrets of wisdom. He was taken from this earth to become a heavenly angel. Thus, it is written: "And he was not; for Elohim took him" (Beresheet 5:24). He is the youth, THAT IS, HE IS ALWAYS CALLED A YOUTH, as the verse states: "Train up (Heb. chanoch) a child in the way he should go" (Mishlei 22:6), INDICATING THAT CHANOCH IS THE YOUTH BECAUSE HE BECAME MINISTERING LAD TO THE SHECHINAH.

475. All the supernal secrets were delivered into his hands and he, in turn, delivered them to those who merited them. Thus, he performed the mission THAT THE HOLY ONE, BLESSED BE HE, ASSIGNED TO HIM. One thousand keys were delivered into his hands and he takes one hundred blessings every day and creates unifications for his Master. The Holy One, blessed be He, took him from this world so that he would serve him above. The text refers to this when it reads: "And he was not; for Elohim took him."

476. Since it was given to him, it is called the book of Chanoch.

When the Holy One, blessed be He, took him, He showed him all the supernal mysteries, including the mystery of the Tree of Life, with its leaves and branches in the middle of the garden. We find all those secrets in his book, ALL THAT ELOHIM SHOWED HIM WHEN HE TOOK HIM TO HEAVEN. Happy are those of exalted piety to whom the supernal wisdom has been revealed and from whom it will never be forgotten, as it is written: "The secret of Hashem is with them that fear him; and he will reveal to them his covenant" (Tehilim 25:14).

52. "My spirit shall not always strive on account of man"

The Zohar speaks about the immortality that was achieved on Mount Sinai during the great revelation of Light. The Zohar reveals that Moses never really died. Rabbi Elazar, the son of Rabbi Shimon, quotes a verse from the Book of Isaiah that discusses the reality of immortality at the End of Days, and how man will eventually live forever. The End of Days refers to our current period of time. We arouse the force of immortality through the spiritual influence of the words that compose this passage. When we scan these letters with certainty of mind and a trusting heart, we merit the removal of the force of death from our lives.

477. "And Hashem said: 'My spirit shall not always strive on account of man, for that he also is flesh'" (Beresheet 6:3). Rabbi Acha said: At that time, BEFORE THE FLOOD, this river, which originates and flows out of Eden--WHICH IS BINAH--produced a supernal spirit from the Tree of Life. This is ZEIR ANPIN. It poured this into the tree, WHICH IS THE FEMININE PRINCIPLE, and from it flowed spirits of life into the bodies of people, WHO LIVED a very long time until their sins reached the supernal world and stood by the door AT WHICH SIN CROUCHES. The supernal spirit FROM BINAH departed from the tree--WHICH IS THE FEMININE PRINCIPLE, at the instant when souls soared into people. Hence, it was written: "my spirit"--FROM BINAH - "will not strive with man forever (lit. 'for the world')", to give MY SPIRIT to the world when souls fly FROM THE MALE AND FEMALE to people.

477. וַיֹּאמֶר ה' לֹא יִדּוֹן רוּחִי בְּאָדָם לְעוֹלָם בְּשִׁגְם הוּא בָּשָׂר וּגו' רַבִּי אַחָא אָמַר, בְּהֵוּא זְמַנָּא, הוּוּהּ הָהוּא נִהְרָא דְנִגְיָד וְנַפְיָק, אֲפִיָּק רוּחָא עֲלָאָה מֵאֵילָנָא דְחַיִּי, וְאֲרִיָּק בְּאֵילָנָא דְשְׂרִינָא בֵּיהּ מוֹתָא, וְאֲתַמְשְׁכֵן רוּחִין בְּגוּוֹיֵיהוּ דְבְנֵי נְשָׂא, יוֹמִין סְגִיאִין, עַד דְּסַלְקוּ בִישׁוּן, וְאֲתַעֲתְדוּ לְפִתְחָא. בְּדִין אֲסַתְלַק רוּחָא עֲלָאָה, מֵהֵוּא אֵילָנָא, בְּשַׁעֲתָא דְפִרְחָא נְשַׁמְתִּין בְּבְנֵי נְשָׂא, הַה"ד לֹא יִדּוֹן רוּחִי בְּאָדָם לְעוֹלָם, לְמִיָּהֵב לְעוֹלָם בְּשַׁעֲתָא דְפִרְחוּ נְשַׁמְתִּין בְּבְנֵי נְשָׂא.

478. In the verse: "For that (Heb. beshagam) he also is flesh," Rabbi Elazar claims that Beshagam refers to Moshe, BECAUSE BESHAGAN HAS THE SAME NUMERICAL VALUE AS MOSHE, who shines on the moon. Because of that force, people can live in this world a long time. The phrase: "And his days shall be 120 years" (Beresheet 6:3) alludes to Moshe, WHO LIVED FOR 120 YEARS. Through him, the Torah was given. AT THE TIME THE TORAH WAS GIVEN, he bestowed life upon people from the Tree of Life, AND HE LEFT THE GARDEN OF EDEN CLOTHED IN THAT TREE OF LIFE THAT IS BINAH. Had the children of Yisrael not sinned, this situation would have continued. THEY WOULD HAVE RECEIVED LIFE FROM THE TREE OF LIFE AND WOULD NOT HAVE HAD TO DIE. Thus, the text says, "Engraved (Heb. charut) upon the tablets" (Shemot 32:16), WHICH MEANS freedom (Heb. cherut) from the Angel of Death, because the Tree of Life was drawn down. AND THROUGH IT COMES ETERNAL LIFE.

478. בְּשִׁגְם הוּא בָּשָׂר, רַבִּי אֶלְעָזָר אָמַר, בְּשִׁגְם, דָּא מוֹשֶׁה, דְּאֵיִהוּ נִהִיר לְסִיְהֵרָא, וּמַחִילָא דָּא, קֵיִימִין בְּנֵי נְשָׂא בְּעֲלָמָא יוֹמִין סְגִיאִין. וְהִיּוּ יָמֵיו מֵאָה וְעֶשְׂרִים שָׁנָה, רַמְזוּ לְמוֹשֶׁה דְּעַל יְדֵיהּ תּוֹרָה אֲתִיְהִיבַת, וּכְדִין יִרְיָק חַיִּין לְבְנֵי נְשָׂא מֵהֵוּא אֵילָנָא דְחַיִּי וְכֵן הוּוּהּ, אֲלִמְלָא דְחָבּוּ יִשְׂרָאֵל, הַה"ד חֲרוֹת עַל הַלְחוֹת חֲרוֹת מִמְלַאךְ הַמּוֹת. דְּהָא אֵילָנָא דְחַיִּי הוּוּהּ מְשִׁיךְ לְתַתָּא.

479. Hence, THE TEXT READS "For that (Heb. beshagam) he also is flesh" because beshagam is flesh--NAMELY MOSHE, WHO IS CLOTHED IN THE FLESH OF THE BODY, because upon him rests the inflow of eternal life. Beshagam, WHO IS MOSHE, is connected to the upper and lower worlds. THE UPPER ZEIR ANPIN IS ALSO CALLED 'MOSHE.' THEREFORE, THE PHRASE IS SPECIFIC: "FOR THAT (BESHAGAM) HE ALSO IS FLESH." IT INDICATES THAT IT REFERS TO MOSHE OF THE LOWER WORLD, WHO IS CLOTHED IN FLESH AND THROUGH WHOM THE GIVING OF THE TORAH BESTOWS FREEDOM FROM THE ANGEL OF DEATH. Hence, we learn that Moshe did not die. He was taken from this world TO THE UPPER WORLD OF ZEIR ANPIN, from where he shines upon the moon, WHICH IS THE FEMININE PRINCIPLE. Even though it disappears from the world, the sun does not die AND IS NOT CANCELED. Instead, it now shines upon the moon. Similarly, Moshe LEFT THE LOWER WORLD AND NOW SHINES UPON THE MOON IN THE UPPER WORLD.

479. וְעַל דָּא, בְּשִׁגְם דְּאֵיִהוּ בָּשָׂר, קֵיִימָא מְלָה לְאֶרְקָא רוּחָא דְחַיִּי, בְּשִׁגְם אֶחִיד לְתַתָּא, אֶחִיד לְעוֹלָא, וְעַל דָּא תְנִינָן, מוֹשֶׁה לֹא מִית אֲלֵא אֲתַבְנִישׁ מְעֲלָמָא, וְהוּוּהּ נִהִיר לְסִיְהֵרָא, דְּהָא שְׁמַשׁ אָף עַל גְּבַדְאֲתַבְנִישׁ מְעֲלָמָא, לֹא מִית אֲלֵא עָאֵל וְאֲנֵהִיר לְסִיְהֵרָא, כֵּן מוֹשֶׁה.

480. Another explanation of THE VERSE: "For that he also is flesh" maintains that when the spirit of life resides within the body of people for a long time, this spirit becomes like flesh, LIKE THE BODY, to be drawn after THE PLEASURES OF the body and be involved only with worldly affairs.

481. Rabbi Yitzchak said that all those generations, which originated with and came from Shet, were pious and righteous. Subsequently, as they spread and multiplied, they learned earthly skills of destruction with swords and spears, THAT IS, THEY LIVED UPON THEIR SWORD. This went on until Noach came. He improved the world for them and taught them to cultivate the land. When Noach first came, they did not sow and reap. THEY LIVED BY THEIR SWORDS and later, they depended on AGRICULTURE. This is what is meant by the verse: "While the earth remains..." (Bereshheet 8:22), BECAUSE THEN THE ART OF SOWING AND HARVESTING WAS PRACTICED.

482. Rabbi Elazar said that in the future, the Holy One, blessed be He, will correct the world and transform the spirit of life in people so that they live forever. About this, it is written: "For as the days of a tree shall the days of my people be" (Yeshayah 65:22), and "He will destroy death forever; and Hashem Elohim will wipe away tears from off all faces; and the insult of His people shall He take away from off all the earth: for Hashem has spoken it" (Yeshayah 25:8).

1. The Seven Chambers of the Garden of Eden

The following sections of the holy Zohar explore the metaphysical structure of all reality.

The Zohar is not just another book that provides information. As we scan these Aramaic words and sentences, they convey mystical knowledge, profound spiritual influence, and positive energy into all areas of our lives. The Zohar is a life-enriching instrument that conveys the very same spiritual Light that it describes in its pages. The act of looking at and learning from the Zohar allows us to assimilate the energy that is present in each and every letter. Quite simply, the words on these pages bring Light to places of darkness.

There are seven chambers in the Garden of Eden--that is, seven levels or frequencies of spiritual energy. These seven chambers correspond to seven Sfirot, or dimensions.

Though there are ten Sfirot in all, and these comprise all reality, they are divided into two groups - the Upper Three [Keter, Chochmah and Binah] and the Lower Seven [Chesed, Gevurah, Netzach, Hod, Yesod and Malchut].

Generally, the Upper Three have no real influence or sway over our physical world. They are above and beyond the boundaries of our cosmic neighborhood.

The Lower Seven, however, directly affect our world. More than that, they are like a holographic projector that projects the Light of the Creator into a 3 dimensional hologram that we perceive as our universe.

Because there are seven Light sources, it's not surprising that the number seven appears again and again:

7 notes of music.

7 colors of the spectrum.

7 seas.

7 continents.

1. Rabbi Shimon said: As we have already learned, when the Holy One, blessed be He, created the world, He established the laws of the secret of faith, NAMELY OF MALCHUT, within the lights of the higher secrets, THAT IS, HE ELEVATED MALCHUT TO BINAH. HENCE HE IMPRINTED THE SAME LAWS GOVERNING MALCHUT ON THE HIGHER SFIROT OF BINAH. THIS IS THE SECRET OF COMBINING THE QUALITIES OF THE MERCY OF BINAH AND THE JUDGMENT OF MALCHUT SHAPED BY THE ONE WHO EMANATED THEM FOR THE PURPOSE OF STRUCTURING THE WORLD. He established laws above, IN BINAH, and He established laws below, IN MALCHUT. He established all of this at the same time, MEANING THAT BOTH LAWS HAVE THE SAME FORM, THAT OF BINAH. And He made the lower world, MALCHUT, in the likeness of the upper world, BINAH. And He made one the exact reflection of the other, so that they can be elevated and thus united as one. That is why the Holy One, blessed be He, established the laws of the upper and lower letters of the alphabet, with which he created the worlds.

2. Come and see, that in the same manner, the Holy One, blessed be He, created the world, WHICH IS TO SAY BY INCLUDING THE QUALITY OF THE MERCY OF BINAH, AS EXPLAINED ABOVE, He also included in THE SOUL OF the first man, ADAM, THE SAME QUALITY OF MERCY WITH WHICH THE WORLD, MALCHUT, WAS CREATED. SUBSEQUENTLY, HE WAS ALSO ABLE TO ATTAIN THE LEVEL OF THE UPPER EMANATIONS OF BINAH AS WELL AS MALCHUT, AS THE ZOHAR EXPLAINS TO US. He opened up the discussion and said, "they are like man, who has transgressed the covenant" (Hoshea 6:7), because the Holy One, blessed be He, crowned Adam with the supernal crowns OF THE MOCHIN OF THE FIRST THREE SFIROT. He also created him with the six extremities of the world, NAMELY WITH THE MOCHIN OF THE SIX LOWER SFIROT, so that he would be complete in everything. And all THE CREATURES trembled before Adam and feared him because when he was created it was in the supernal form. All the creatures looked at that form and were reverent and fearful of him.

3. Subsequently, the Holy One, blessed be He, brought Adam into the Garden of Eden to enjoy its supernal delights. He was encircled by holy angels, who served him and informed him of the secrets of their Master. Come and behold: When the Holy One, blessed be He, brought Adam into the Garden of Eden, Adam saw and observed all the higher secrets and wisdom, so that he was able to observe and understand the splendors of his Master. ADAM HAD ACCESS TO ALL THAT, BECAUSE HE WAS CREATED IN THE SUPERNAL FORM OF BINAH.

4. There are seven sacred chambers and seven levels above, which are the secrets of supernal faith, NAMELY BINAH. And there are seven chambers below, IN MALCHUT, similar to those above, IN BINAH. Six of these chambers are just as they are above, CORRESPONDING TO THE SIX SFIROT OF ZEIR ANPIN, but one CHAMBER, CORRESPONDING TO BINAH, IS hidden and concealed. And all THE CHAMBERS OF MALCHUT, AND EVEN THE LOWER SIX, are part of the holy secret, AND THUS THEY ARE IN THE SHAPE OF BINAH. This is because each of the chambers has some of the likeness of above and some of the likeness of below, so that it is included in the form of the supernal secret OF BINAH as well as in the form of the lower secret OF MALCHUT. Adam resides in these chambers.

5. And after the expulsion OF ADAM from the Garden of Eden, the Holy One, blessed be He, prepared THE CHAMBERS for the souls of the righteous, to reward them with the blissful splendors of His divine light. And each one OF THOSE CHAMBERS was prepared in the semblance of the supernal shape OF BINAH and the lower shape OF MALCHUT, as we have already explained.

2. First Chamber: Yesod

The Zohar explains that, in the first chamber, the souls of the converts enter and stand to behold the Divine Splendor. Three times a day they are illuminated by Divine Light.

6. The first chamber below was created in the likeness of that which is above, THAT IS THE SFIRAH OF YESOD WITHIN MALCHUT--SET IN ITS PLACE BELOW TO CORRESPOND TO BINAH. It has already been explained that a law of the Garden of Eden states that ALL ITS ASPECTS ARE EXACTLY THE SAME as those in the divine secret OF BINAH, ALTHOUGH THE ASPECT OF THE MALCHUT OF THE ATTRIBUTE OF JUDGMENT IS NOT NOTICEABLE THERE. It is not visible to the eye, BECAUSE THE ESSENCE OF MALCHUT IS STORED DEEP WITHIN, AND THUS CANNOT BE SEEN. THE ATTRIBUTE OF MERCY CAN BE SEEN, but only by the souls of the righteous. Such souls exist in harmony with both the upper and lower laws. REACHING COMPLETION FROM BOTH BINAH AND MALCHUT, THEY ARE ABLE TO ATTAIN THE ESSENCE OF MALCHUT. FURTHERMORE, THROUGH MALCHUT, they are able to see the secret of their Master and to enjoy divine bliss.

7. Those WHO REACH MALCHUT WITHIN THE CHAMBERS are the righteous ones, who have not betrayed their Master for other gods. THEY ATTAIN MALCHUT AS IS IMPLIED BY THE PHRASE THAT SAYS THE SECRET OF "a virtuous woman is the crown of her husband" (Mishlei 12:4). The secret of faith NAMELY MALCHUT is that whoever attains it should cleave to his Master, always be in awe of Him, and never stray to the left or to the right. As we have explained, one must not follow other deities--which are termed 'a sinful woman'. This is the reason for the verse, "That they may shield you from a foreign woman, from the stranger who flatters with her words" (Mishlei 7:5). AND NO ONE MERITS ANY OF THIS EXCEPT THROUGH MALCHUT. HENCE THE STATURE OF THOSE RIGHTEOUS ONES WHO DO MERIT IT IS VERY HIGH. AND YOU SHOULD KNOW THAT THE ONLY ATTAINABLE CHAMBERS ARE THE SIX OF ZEIR ANPIN; THE SEVENTH IS UNATTAINABLE. THE CHAMBERS, TOGETHER WITH ZEIR ANPIN, ARE CONSIDERED THE TEN SFIROT. REMEMBER THAT THE FIRST CHAMBER OF YESOD ALSO INCLUDES MALCHUT, AND THE LAST CHAMBER OF BINAH ALSO INCLUDES THE THREE TOP SFIROT: KETER, CHOCHMAH, AND BINAH.

8. This chamber is fixed in the secret of the divine form, WHICH IS BINAH, because when the souls of the righteous leave this world, WHEN THEY DEPART TO THEIR OWN WORLD, they enter those chambers of the lower Garden of Eden. And each one remains there for as long as it is necessary for the soul to be there.

9. In each and every chamber OF THE LOWER GARDEN OF EDEN there are figures in the supernal form OF BINAH, and there are figures in the lower form OF MALCHUT. CONSEQUENTLY, EVEN IF THE SOUL IS NOT ENTIRELY PURIFIED OF BODILY QUALITIES, IT CAN ENTER AND BE THERE IN THE SHAPE OF MALCHUT, WHICH IS CONNECTED WITH THE PHYSICAL NATURE. THE SOUL, WHICH IS THE ASPECT OF BINAH, CAN ALSO ENTER AND, AS EXPLAINED, BE CONNECTED TO BINAH.

And therein, IN THE GARDEN OF EDEN OF BELOW, the soul is clothed with garments similar to those worn in the physical world, and it enjoys all the time it needs there. IT ENJOYS THE BLISS OF DIVINE LIGHT, IN ORDER TO BE ENTIRELY CLEANSED OF ITS OLD PHYSICAL NATURE, until such a time as it can be elevated to its divine home. THIS MEANS THAT UNTIL ALL THE IMPRINTS OF THE PHYSICAL BODY THAT WERE ATTACHED TO THE SOUL IN THIS WORLD DISSIPATE, IT CANNOT BE ELEVATED TO ITS PLACE IN THE SUPERNAL GARDEN OF EDEN, AS IT NEEDS TO BE--FOR EACH SOUL IS FROM BINAH AND MUST RETURN TO ITS SOURCE, WHICH IS THE UPPER GARDEN OF EDEN. And with the new form or clothing that THE SOUL NOW WEARS, it is able to see divine entities FROM BINAH, and can thus glimpse the glory of its Master. THIS CLOTHING IS SIMILAR TO WORLDLY GARMENTS, BUT IT ALSO CONTAINS SUPERNAL FORMS FROM BINAH, AND THEREFORE, THROUGH ITS FORM, THE SOUL CAN STRIVE TO SEE THE DIVINE LIGHTS OF BINAH, AND BEHOLD THE GLORY OF ITS MASTER.

10. This chamber has visible supernal lights, and the souls of the converts enter and stand there to behold the divine splendor. Here they are clad in one luminous garment, that shines and yet also shines not. WITH THE LIGHTS IN THIS CHAMBER, THE RIGHTEOUS ARE ABLE TO SEE AND ENDOW THE SOULS OF THE CONVERTS, ENABLING THEM TO ENTER INSIDE AND RECEIVE THE DIVINE SPLENDOR--AFTER THEY HAVE BEEN DRESSED IN A LUMINOUS GARMENT, THAT BOTH SHINES AND DOES NOT SHINE. THE LIGHTS HAVE TWO FUNCTIONS, WHICH ARE AS ONE: TO SHINE UPON THE WORTHY, AND NOT TO SHINE UPON--IN OTHER WORDS, TO LEAVE IN DARKNESS--THE UNWORTHY. THE CLOTHING BRINGS THEM JOY, BECAUSE THEY MERIT IT AND ARE FIT TO RECEIVE IT. This chamber is lined with precious stones and gold.

11. There is an opening that leads down to the gates of Gehenom (Hell). From there, THE CONVERTS look at all the evil ones, THE IDOL WORSHIPERS, THOSE WHO HAVE NOT CONVERTED AND THUS have not entered the holy covenant. They are chased away by the angels of destruction with fire, and the converts see this, rejoicing that they have converted AND ARE THUS SPARED SUCH A HARSH JUDGMENT.

8. היכלא דא, קאים בדיוקנא דרזא עלאה, בגין דכד נשמתינ דצדיקיא נפקי מהאי עלמא, עאלין גו אלין היכלין, די בגנתא דערן דלתתא, ותמן יתבין כל חד וחד, כל ההוא זמנא דאצטריכא נשמתא למיתב תמן.

10. בהאי היכלא, אית נהורין עלאין, לאסתכלא, ונשמתהון דאינון גיורין דאתגיירו, קיימין תמן, ועאלין תמן, לאסתכלא ביקרא עלאה, ומתלבשין תמן בלבושא חדא דנהורא, דנהיר ולא נהיר. וההוא היכלא מקמא מאבן טבא ודהבא.

12. And three times a day they are illuminated by divine light, blessed by LIGHTS OF THE THREE TOP SFIROT, WHICH ARE DRAWN INTO THIS CHAMBER. Above them reside Ovadyah the convert and Onkelus the convert, and the other SIMILARLY IMPORTANT converts. And, as has been explained REGARDING THIS CHAMBER IN THE LOWER GARDEN OF EDEN, SO TOO IN THE LOWER CHAMBER OF THE UPPER GARDEN OF EDEN, the souls ascend and are adorned, AFTER RESIDING FOR A SUFFICIENT TIME IN THE LOWER GARDEN OF EDEN.

12. ותלת זמנין ביומא, נהרין מגו נהירו עלאה, ומשתעשען תמן, ועילא מנהון, עובדיה ואונקלוס גיורא, ושאר גיורין דאתגיירו, בגוונא דא לעילא, בד זכאן לסלקא נשמתהון לאתעטרא תמן.

3. Second Chamber: Hod

The second chamber is located within the first. The opening to this chamber can be found in our world, deep within the caves of the Patriarchs in Machpelah, Hebron, in the Land of Israel. In this chamber reside the souls who met with adversity and endured hardship in the physical world. Throughout their ordeals, they retained their certainty and faith in the Creator. These souls understood the purpose of human existence as achieving spiritual growth, and therefore they thanked the Ancient and Holy One for sending them genuine opportunities for attaining that purpose.

13. The second chamber is within the first. The opening of this chamber is from within the cave of the Patriarchs, and it is lit by the first chamber. All manner of precious stones surround it.

13. היכלא תניינא, היכלא דא, קיימא לגו מהאי היכלא קדמאה והאי פתחא איהו סמיך לגו מערתא דאבהן, והאי היכלא נהיר מקדמאה, הכא אית כל אבנין יקירין דמקמן ליה.

14. Within this chamber, there is one light that includes all the colors, THAT IS, THE FOUR COLORS OF CHOCHMAH, BINAH, TIFERET, AND MALCHUT, which shine downward from above. In this chamber are found all those who, so as to be made whole BY PERFECT REPENTANCE, suffered illnesses and misfortunes in this world, and who thanked and praised their Master every day, and never once stopped their prayers. THEREFORE THEY ATTAINED ADMITTANCE TO THE CHAMBER OF HOD IN THE GARDEN OF EDEN.

14. בגו דהאי היכלא, אית נהירו חר, כליל מכל גוונין, ואיהו נהיר מעילא לתתא. בהאי היכלא קיימין אינון, דסבלו יסורין ומרעין בהאי עלמא, בגין לאתתקנא, והוּו מודן ומשבחן למריהון כל יומא, ולא הוּו מבטלין צלותיהו לעלמין.

15. And within this chamber reside all the righteous people who sanctify with all their might the name of their Master, and answer, with all their might, "Amen, may the great name be blessed." THIS THIRD ASPECT OF THE CHAMBER CONTAINS THE THREE TOP SFIROT, TO WHICH THE ABOVE MENTIONED RIGHTEOUS MERIT ADMISSION. They reside in the innermost recesses of the chamber. CHESED, GVURAH, AND TIFERET OF THIS CHAMBER EXIST WITHIN NETZACH, HOD, AND YESOD OF THIS CHAMBER, AND THE THREE TOP SFIROT EXIST WITHIN CHESED, GVURAH, AND TIFERET. And the light THAT RESIDES WITHIN CHESED, GVURAH, AND TIFERET OF THIS CHAMBER includes all of the colors, CHOCHMAH, BINAH, TIFERET, AND MALCHUT. THIS LIGHT shines on them THAT IS, ON THE RIGHTEOUS IN THE TOP THREE SFIROT OF THE CHAMBER. And by the strength of this light THAT THEY RECEIVE FROM CHESED, GVURAH, AND TIFERET OF THE CHAMBER, they can stand and see other lights--BUT THE MAGNITUDE OF THESE OTHER LIGHTS DOES NOT ALLOW THEM TO BE SEEN FULLY. IT IS AS IF THEY CONNECT, YET ALSO DO NOT CONNECT WITH THE LIGHTS. Above THE RIGHTEOUS, stands Mashiach, who enters, walks among them, and draws down that light SO THAT THEY CAN ATTAIN IT FULLY.

15. לגו מהאי היכלא, קיימין כל אינון, דמקדשין בכל חילא שמא דמריהון, ואתיבו אמן יהא שמייה רבא מברך בכל חילא, ואלין אינון קיימין לגו, בגו האי היכלא, וההוא נהורא דכליל כל גוונין נהיר לון. מההוא נהירו קיימין וחמאן נהורין אחרנין, דאתאחדן ולא אתאחדן בגווייהו. ועילא מנהון משיח, דאיהו עאל וקאים בינייהו, ונחית לון.

4. Third Chamber: Netzach

This chamber receives all those souls who have suffered more severe misfortunes and tragedies than the souls who reside in the Second Chamber. A second kind of soul dwelling in this chamber are the children whose lives were cut short. These young souls died before their time and therefore did not sin. The third type of soul who merits a place in this Chamber are those who constantly felt pain and cried over the destruction of the Holy Temples. These souls endured the suffering of the entire world during their existence.

16. MASHIACH leaves the SECOND chamber and enters the third. Here are found all those who suffered, FOR THE PURPOSE OF BEING MADE WHOLE, more severe illnesses and greater misfortunes THAN THOSE IN THE SECOND CHAMBER. THIS IS WHY THEY HAVE MERITED A PLACE IN THE THIRD CHAMBER. AND THIS IS THE FIRST TYPE OF SOUL FOUND IN THE CHAMBER. THE SECOND TYPE OF SOUL IN THIS CHAMBER IS THAT OF children who did not live their full lives, WHO DIED BEFORE THEIR TIME, AND THUS DID NOT SIN. SUCH PURE SOULS ASCEND TO MAYIN NUKVIN (FEMALE WATERS), AND ATTRACT THE LIGHTS OF THE SECOND CHAMBER. THE THIRD TYPE OF SOUL IN THE CHAMBER IS THAT OF those who mourn the destruction of the holy temple and who shed tears, THEREBY DRAWING DOWN THE LIGHTS OF THE TOP THREE SFROT INTO THIS CHAMBER. All THREE TYPES OF RIGHTEOUS SOULS reside in this chamber AND MASHIACH consoles them, WHICH MEANS THAT HE BESTOWS ON THEM THEIR LIGHTS.

5. Fourth Chamber: Tiferet

In this chamber are found the mourners of Zion and Jerusalem. Just as a child can feel the pain of parents who suffer over their children's misdeeds, these souls feel the pain of the Creator. Souls who were slain and executed for their unwavering belief in God are also among this group. The Messiah, the Zohar reveals, wears a garment upon which are inscribed the names of all martyrs.

17. He leaves the third and enters the fourth chamber, BECAUSE AFTER BEING COMPLETED WITH ALL THE LIGHTS OF THE THIRD CHAMBER, HE CAN NOW ENTER THE CHAMBER OF TIFERET. In this chamber are all of the mourners of Tzion (Zion) and Jerusalem and all of those murdered by idolatrous nations. And WHEN MASHIACH SEES THEM he breaks down in tears and cries. Then all the princes descended from David hold him and comfort him.

18. MASHIACH starts crying again till a supernal voice emerges and mixes with the Voice OF MASHIACH and HIS VOICE rises up. And it is delayed there until the beginning of the month, when it descends FROM BINAH. THEN it brings down many lights and emanations that shine upon all the chambers. It also brings remedy and light to those killed BY THE IDOLATROUS NATIONS OF THE WORLD and those ailing and with pains who suffer with Mashiach SO AS TO BRING FORTH THE REDEMPTION.

19. Then MASHIACH puts on the purple garment OF ROYALTY (called Purfira), on which the names of all those killed by the idolatrous nations of the world are inscribed and listed. This purple garment OF MASHIACH ascends TO BINAH and is engraved upon the supernal royal garment of the King, WHICH IS ZEIR ANPIN THAT CLOTHES BINAH. THERE, THOSE KILLED BY OTHER NATIONS AND LISTED ON MASHIACH'S GARMENT ARE INSCRIBED ONTO THE SUPERNAL GARMENT, ALONG WITH ALL OTHERS LISTED ABOVE, AND DIVINE LIGHT IS DRAWN BY THEM TO THIS CHAMBER. The Holy One, blessed be He, will one day clothe himself with this royal garment OF MASHIACH and judge the nations of the world, as it is written: "He shall judge the heathen and he shall fill the places with dead bodies" (Tehilim 110:6). BEFORE THIS COMES ABOUT AT THE END, THE ROYAL GARMENT OF MASHIACH IS SWEETENED BY CONNECTING IT WITH THE ROYAL GARMENT OF THE HOLY ONE, BLESSED BE HE. THEN THEY BOTH ASCEND TOGETHER TO THE PLACE KNOWN AS FEMALE WATERS (MAYIN NUKVIN). THEY UNITE IN THE UPPER WORLDS AND DRAW THEIR LIGHTS THEREOF, until MASHIACH descends and returns FROM THE PLACE OF UNION, bringing lights and bliss down with him for the pleasure and consolation of the souls. And many angels and Chariots DESCEND WITH MASHIACH, each carrying a garment for the souls of those killed by THE IDOLATROUS nations of the world.

There these souls experience divine bliss while Mashiach ascends and descends.

20. On a spiritual level inside this chamber, DEEP IN THE HEART OF CHESED, GVURAH, AND TIFERET, stand the ten appointed ministers, who are Rabbi Akiva and his comrades. They all go up through the holy mirror--WHICH IS THE SECRET OF THE LUMINOUS MIRROR-- and shine with supernal, glorious splendor. Of them it is written: "Neither has the eye seen, Elohim beside you" (Yeshayah 64:4).

20. לְגוֹ מֵהָאֵי הַיְכָלָא, קַיִמָא גּוּ דְרַגָא עֲלָא, אִינוּן עֲשָׂרָה רַבְרַבִּין מִמְנוּן, רַבִּי עֲקִיבָא וְחַבְרוּי, וְכֵלְהוּ סִלְקֵי בְּסִלְקוֹ, גּוּ אֶסְפֵּקְלִרְיָאָה דְלְעִילָא, וְנִהְרִין בְּזוּי יִקְרָא עֲלָא, עֲלִייהוּ כְּתִיב עֵין לֹא רָאתָה אֲלֵקִים זּוֹלַתְךָ יַעֲשֶׂה לְמַחְבֵּה לּוּ.

6. Fifth Chamber: Gvurah

The souls who have made complete repentance reside in the Fifth Chamber. At its entrance stands King Menasheh, the King of Judah, who committed terrible sins throughout his life. Nevertheless, the King atoned for his wrongdoings and his repentance was accepted by the Creator.

21. Within the fifth chamber reside all those whose repentance is complete those who have repudiated their wrong deeds and have been consoled for them. THIS MEANS THAT THEY HAVE REPENTED THROUGH LOVE. THEN THEIR WICKEDNESS IS TRANSFORMED INTO VIRTUE AND THEY ARE CONSOLED FOR ALL THEIR SINS BECAUSE THEY HAVE RECEIVED MERIT FOR REPENTING THEM. Their souls leave them purified. In this chamber also RESIDE those who have sanctified their Master's name and have taken upon themselves self-sacrifice FOR HIS HONOR, BLESSED BE HE. And at the entrance to the chamber stands Menasheh, the King of Yehuda, who has entirely repented his sins and whose repentance the Holy One, blessed be He, accepted. The Holy One, blessed be He, created a recess for his sake UNDERNEATH THE THRONE OF GLORY, to receive him. THAT IS, HE CONCEALED HIM AS IF UNDERGROUND FROM THE EYES OF THE PROSECUTORS SO THAT THEY WOULD NOT ASK FOR JUDGMENT OF HIM.

21. בְּהַיְכָלָא חֲמִישָׁאָה, קַיִמִין כָּל אִינוּן מְאִרְיָהוּן דְּתִיּוּבְתָא שְׁלִימְתָא, דְּתַבּוּ מַחְטְאִיהוּן וְאִתְנַחְמוּ בְּהוּ, וְנִפְקַת נִשְׁמַתִּיהוּ בְּדַכּוּ, וְכָל אִינוּן דְּקִדְּשׁוּ שְׁמָא דְּמִרְיָהוּן, וְקַבִּילוּ עֲלִיהוּ מוֹתָא, וּבְתַרְעָא דְּהָאֵי הַיְכָלָא, קָאִים מְנַשֶּׁה מֶלֶךְ יְהוּדָה, דְּקַבִּיל לִיהַּ קִדְּשָׁא בְּרִיךְ הוּא בְּתִיּוּבְתָא שְׁלִימְתָא, וְחִתֵּר לִיהַּ חֲתִירָא לְקַבְּלָא לִיהַּ.

22. And within NETZACH, HOD, AND YESOD OF this chamber reside all those, whose repentance is immense, who GAINED SO MUCH POWER THROUGH THEIR REPENTANCE OF MISDEEDS IN LIFE that their souls left through disgust at their own evil actions. They delight in the supernal Eden each and every day. Three times a day the light enters this chamber in which the souls experience bliss, each to the extent that it deserves. THESE THREE TIMES CORRESPOND TO THE THREE COLUMNS TO WHICH THE LIGHTS OF THE THREE TOP SFIROT ARE DRAWN. And each is burned by the light of the Chupah (canopy) of his neighbor, be it in the upper CHAMBERS or the lower. THIS MEANS THAT THE LEVELS OF THE RIGHTEOUS ARE UNEVEN NEITHER IN THE UPPER CHAMBERS NOR THE LOWER. EACH HAS A CANOPY OF HIS OWN THAT NO OTHER CAN TOUCH WITHOUT BEING BURNED.

22. וְלְגוֹ מֵהָאֵי הַיְכָלָא, קַיִמִין, כָּל אִינוּן מְאִרְיָהוּן דְּתִיּוּבְתָא תְּקִיפָא, דְּנִשְׁמַתְהוּן נִפְקַת, בְּשַׁעֲתָא דְּאִתְמַרְמְרוּ עַל עוֹבְדִיהוּן, וְאֵלִין מִתְעַדְנִין בְּעַדוֹנָא עֲלָא, בְּכָל יוֹמָא וְיוֹמָא. וְתַלְתָּ זְמַנִּין בְּיוֹמָא, נִהִירוּ עָאֵל בְּהוּא הַיְכָלָא, דְּמִתְעַדְנִין בֵּיהַּ כָּל חַד וְחַד בְּדַקָּא חֲזִי לִיהַּ. וְכָל חַד נִכְוָה, מְנַהִירוּ דְּחוּפָה דְּחַבְרִיָּה, בֵּין לְתַתָּא בֵּין לְעִילָא.

23. This chamber stands above all the lower chambers, and even the truly righteous in the lower chambers cannot enter or reach it. This CHAMBER, WHICH IS GVURAH, is at a higher level than all other CHAMBERS. Only the level of the righteous, WHO RESIDE IN THE CHAMBER OF CHESED, is a higher level than all the rest, EVEN HIGHER THAN THE CHAMBER OF GVURAH.

23. הָאֵי הַיְכָלָא קַיִמָא, עַל אִינוּן הַיְכָלֵי תַתָּאִין, וְאֶפְלוּ צְדִיקִים גְּמוּרִין לֹא יִכְלִין לְאַעֲלָאָה בְּגוֹ הָאֵי הַיְכָלָא, וְלִמִּיקָם בֵּיהַּ, וְהָאֵי אִיהוּ דְּרַגָא עֲלָאָה עַל כָּלָא, בְּרַ דְּרַגָא דְּחִסְדֵי דְּאִיהוּ דְּרַגָא עֲלָאָה עַל כָּלָא.

7. Sixth Chamber: Chesed

This is the Chamber of the Righteous who say, What is mine is yours and what is yours is yours. The truly righteous share everything they possess, desiring and keeping nothing for themselves. This sixth Chamber is loftier than all the rest and governs over all others.

24. The sixth chamber is the chamber of the righteous. IT IS FOR THOSE WHOSE CHARACTER IS TO SAY, "WHAT IS MINE IS YOURS AND WHAT IS YOURS IS MINE." THIS MEANS THAT THEY SHARE, BUT DO NOT RECEIVE ANYTHING FOR THEMSELVES. This is a loftier chamber than the rest, and governs them all. THUS, ONE CANNOT REACH THIS CHAMBER IF ONE HAS NOT PASSED THROUGH ALL OF THE LOWER LEVELS. It is a right-hand chamber BECAUSE THE LEVEL OF CHESED IS CONSIDERED TO BE THE RIGHT COLUMN, and it cannot be attained BY ANYONE except the holy righteous souls and all those who greatly love their Master. At the entrance of this chamber are those who proclaim their Master's unity each day. THESE ARE THE ONES WHO DRAW DOWN THE REVELATION OF HIS UNITY, BLESSED BE HE, FROM THE BLESSED EIN SOF (THE ENDLESS WORLD) TO THE SFIROT AND ALL THE WORLDS. And they are the first to ascend from there to higher chambers, MEANING they are the first OF THE RIGHTEOUS IN THAT CHAMBER to ascend.

24. האי היכלא שתינתא: היכלא דא היכלא דחסידי, היכלא דא, היכלא עלאה על בלא, והאי הוא היכלא דקיימא על בלא. היכלא דימינא, לית מאן דיקים ביה, אלא אינון חסידים קדישין, וכל אינון דמרחמי למריהון ברחימו סגי. ולפתחא דהאי היכלא, קיימא כל אינון דמיחדי יחודא דמריהון בכל יומא ואלין עאלין בהאי היכלא, וזמינין לסלקא בקרמיתא.

25. Above this entrance, WHERE THE LIGHTS OF NETZACH, HOD, AND YESOD ARE, stands Avraham to the right of the Holy One, blessed be He. THAT IS, he stands on the side of CHESED. And at another entrance is Yitzchak, who was bound upon the altar and was an unblemished sacrifice before the Holy One, blessed be He, AND REPRESENTS GVURAH. And at another entrance stands Ya'akov, a perfect man, surrounded by twelve tribal heads who have the Shechinah (female presence of God) over their heads. THEY CORRESPOND TO THE LIGHTS OF CHESED, GVURAH, AND TIFERET OF THIS CHAMBER, AS AVRAHAM, YITZCHAK, AND YA'AKOV ARE THE EMBODIMENTS OF CHESED, GVURAH, AND TIFERET, AS WE KNOW.

25. ועילא מהאי פתחא אברהם, וימינא דקדשא בריך הוא, ולפתחא אחרא קיימא יצחק, דאתעקד על גבי מדבחא, והוה קרבנא שלים קמיה דקדשא בריך הוא. ולפתחא אחרא לגו, קיימא יעקב שלימא, ותריסר שבטין סחרגיה, ושכינתא על רישיהו.

26. And when the children of Yisrael are in a time of trouble, these three Patriarchs awaken and arouse the Shechinah to protect Yisrael. Consequently, THE SHECHINAH ascends and after being crowned-- RECEIVING THE THREE TOP SFIROT, CALLED crowns-- protects Yisrael. BUT SHE CANNOT PROTECT YISRAEL UNTIL THE PATRIARCHS ARE AWAKENED AND SHE RECEIVES THE CROWNS OF THE TOP THREE SFIROT. Just as chambers are found in the lower GARDEN OF Eden, corrected chambers can be found in the supernal Garden of EDEN. These corrected chambers contain the secret of faith, NAMELY MALCHUT. FOR MALCHUT, UPON ITS COMPLETION, IS CALLED 'FAITH' AND EACH CHAMBER IS AN ASPECT OF MALCHUT.

26. וכד ישראל בעקו אתערו תלת אבהן, ומתערי לה לשכינתא לאגנא עליהו, וכדין איהי סלקא ואתעטרא לעילא, ואגנא עליהו דישראל. וכמה דאית היכלין לתתא בגנתא דערן, הכי נמי לעילא אית היכלין מתקנן, דאינון רזא דמהימנותא.

8. Seventh Chamber: Binah

This is the most hidden of all the Chambers. All the others are connected to and crowned by this one. It is not a dwelling of souls, but a Chamber to which they ascend on the way to their respective places.

Most of the turbulence and turmoil of life occurs within the darkness that is created from an absence of spiritual Light. As we scan the letters that tell the secrets of the Seven Chambers, the verses bring the all-embracing Light of the Creator into our lives.

27. And all those chambers are connected to and crowned by one chamber, which is the seventh chamber. This chamber is more hidden and vaguer than all the others. In the middle of this chamber stands a column of the colors green, white, red, and black. And when the souls NEED TO ascend TO A HIGHER LEVEL, they enter THE COLUMN THAT STANDS WITHIN this chamber. And whoever is suitable for one color OF THE COLUMN rises through it, and whoever is suitable for another color rises through it. Each and every SOUL ascends through the color most suitable to it.

27. וכל הני היכלין, בלהו מתקשרן ומתעטרן בחד היכלא דאיהו היכלא שביעאה, והאי היכלא איהו גניז וסתים מכל שאר היכלין. באמצעיתא דהאי היכלא קאים חד עמודא, דאיהו בגוונין סגיאין: ירוק, חוור, סומק, אוכם. וכד נשמתיין סלקין, אינון עאלין גו האי היכלא, מאן דאתחזי להאי גוון סליק ביה, ומאן דאתחזי להאי גוון סליק ביה. כל חד וחד בדקא חזי ליה.

28. The first six chambers are the dwellings OF THE SOULS, as we have said. This seventh CHAMBER, however, is not a dwelling place OF THE SOULS; IT IS ONLY A PLACE WHERE THE SOULS ASCEND THROUGH THE COLUMNS CONTAINED THEREIN. And all six CHAMBERS are in the secret of six. And the fact that it is written: "Bara Sheet" (Bereshheet [Genesis]), WHICH IS A COMBINATION OF THE WORDS BARA (ARAM., CREATED) AND SHEET (ARAM., SIX), TEACHES US THAT THERE ARE six levels above WITHIN BINAH ITSELF, and six levels below. THESE ARE CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD OF ZEIR ANPIN AND NUKVA. THESE LEVELS ARE CALLED THE SIX DAYS OF THE WEEK, and all are part of the same secret. THIS MEANS THAT WE CAN ONLY COMPREHEND THE SIX SFIROT OF THE LOWER LEVELS AND NOT THOSE OF THE TOP THREE SFIROT.

28. וְאֵלֵּין שֵׁית הַיְכָלִין אֵינּוֹן לְמִדּוֹרָא בְּדַאמְרָן, וְשְׁבִיעָאָה לָאוּ אִיהוּ לְמִדּוֹרָא. וְשֵׁית, כֹּלָא בְּרָזָא דְשֵׁית, וְעַל דָּא בְּתִיב בְּרָא שֵׁית. שֵׁית דְּרִגְיִן לְעִילָא, שֵׁית דְּרִגְיִן לְתַתָּא, וְכֹלָא רְזָא חֲדָא.

9. Beresheet, Bara Sheet

The Zohar speaks about the relationship between the Sfirot Binah and Malchut, or our world. That relationship is the key to the mystery of the word Beresheet, meaning In the Beginning. The first part of the word Beresheet is Bara, which pertains to the Sfirot of Binah, the Repository of all spiritual Energy. The second part of the word Beresheet is sheet, which is Malchut, our physical reality. Malchut is the portal through which we, as individuals, receive our Light from Binah. Bara and Sheet are called the two Heys ? These two Heys are part of the Tetragrammaton, the Name of God that is spelled out as Yud, Key, Vav, Key ??????. Please note that when the letters of the Tetragrammaton are presented in sequence like this, Hey is transposed to Key ?. The Names of God are powerful energy forces, and the Tetragrammaton ????? is one of the strongest Names of God in existence. The First Hey in the Tetragrammaton pertains to the Sfirah of Binah, the Repository of Light. The Vov embodies the realm of Zeir Anpin, which enfolds and includes six Sfirot within it. The Vov is the conduit through which the Light stored in Binah flows into our physical world. Our world, Malchut, is signified by the lower Hey. Rabbi Abba reveals a secret concealed inside the word Beresheet, which means, In the Beginning. Within the word we can find two words, Bara and Sheet, which mean, He created six. The six refers to the 6 Sfirot, or dimensions, compacted within Zeir Anpin.

29. Come and behold: Beresheet (in the beginning), Rabbi Yehuda said, there were two temples, the first and the second. The first was supernal, CORRESPONDING TO BINAH, and the second was lower, CORRESPONDING TO MALCHUT. There are also two Heis IN THE NAME YUD-HEI-VAV-HEI, a supernal HEI, RELATING TO BINAH and a lower HEI, RELATING TO MALCHUT, and all is one. THIS MEANS THAT THE FIRST AND SECOND TEMPLES ARE ONE WITH THE UPPER HEI AND LOWER HEI, WHICH ARE BINAH AND MALCHUT. The supernal Bet OF BERESHEET IS THE FIRST TEMPLE, WHICH IS BINAH. IT opens the gates to all directions, because they are truly included within one another. THIS MEANS THAT MALCHUT, WHICH IS THE SECOND TEMPLE, IS MIXED WITH BINAH, WHICH IS THE FIRST TEMPLE. CONSEQUENTLY, BINAH OPENS THE GATES TO ALL DIRECTIONSHER OWN SIX SIDES AND THE SIX SIDES OF MALCHUTTHUS ENABLING THE LATTER TO RECEIVE THE MOCHIN AS HERSELF. The word "Beginning (Beresheet)" INDICATES THAT BINAH is the first to be counted as part of the structure, COMPOSED OF ZEIR ANPIN AND NUKVA, THAT IS CALLED THE STRUCTURE OF THE WORLD. THIS MEANS THAT BINAH IS CONSIDERED THE FIRST TO DRAW THE MOCHIN TO ZEIR ANPIN AND NUKVA AND TO THE WORLDS BRIYAH, YETZIRAH, AND ASIYAH. THIS ALLUDES TO THE WORDS "IN THE BEGINNING (BERESHEET)" OF TORAH. BET (HEB., IN) REFERS TO THE UPPER TEMPLE, BINAH. "THE BEGINNING (BERESHEET)" INDICATES THAT IT WAS FIRST TO DRAW THE MOCHIN TO THE WORLDS. Rabbi Yitzchak says THAT BINAH COMES FIRST in the counting.

29. תָּא חֲזִי, בְּרֵאשִׁית, רַבִּי יְהוּדָה אָמַר, תְּרִין בְּתִין הוּוּ, בֵּית רֵאשׁוֹן וּבֵית שְׁנִי, דָּא עֲלָאָה וְדָא תַתָּאָה, תְּרִין הֵהִי"ן אֵינּוֹן, דָּא עֲלָאָה וְדָא תַתָּאָה, וְכֹלָהוּ חָד, ב' עֲלָאָה פְּתַחא תְּרַעִין לְכֹל סְטָרָא, דְּהִכִּי הוּא דְכִלִּיל דָּא בְּדָא. רֵאשִׁית, כְּדִין הוּא רֵאשִׁית לְאֲעִילָא בְּחוּשְׁבָנָא דְּבִנְיָנָא, רַבִּי יִצְחָק אָמַר לְמַנְיָנָא.

30. Rabbi Elazar says THE WORD Beresheet IN TORAH is a collective word. THIS MEANS THAT MALCHUT, WHICH IS THE SECRET OF "THE FACE OF MAN," embraces all forms of REALITY. This is the secret of the verse, "This was the appearance of the likeness of the glory of Hashem" (Yechezkel 1:28). In this appearance, six other LEVELS are discernible. BECAUSE THROUGH MALCHUT THE SPIRITUAL LIGHTS OF CHOCHMAH ARE ATTRACTED TO THE SIX DIRECTIONS OF BINAH, AS SIGHT AND APPEARANCE ARE CHARACTERISTIC OF CHOCHMAH. THUS, Beresheet is derived from "Bara Sheet," BECAUSE THROUGH THE ASCENSION OF MALCHUT TO BINAH, SIX DIRECTIONS ARE FORMED IN BINAH.

Come and see: When the six directions OF BINAH enter this MALCHUT, she makes herself ready to reflect them. SHE DRAWS the spiritual lights OF CHOCHMAH FOR THE SAKE OF THEIR REVELATION. Through them, through the spiritual lights of CHOCHMAH, she engages in all the worldly workmanship. AND THIS WORKMANSHIP IS THE SPIRITUAL LIGHT OF THE ILLUMINATION OF CHOCHMAH, FROM WHICH SPRANG THE REALITY OF THE SIX WEEKDAYS. RABBI ELAZAR REVEALS TO US THAT ALTHOUGH ALL SPIRITUAL LIGHT COMES FROM BINAH, IT COMES MAINLY THROUGH MALCHUT'S ELEVATION TO BINAH. It is because the workmanship of the world, NAMELY THE SPIRITUAL LIGHT OF CHOCHMAH, comes from the level OF MALCHUT, that it is written "Bara Sheet" (he created six). THIS SIGNIFIES THAT credit for the workmanship is attributed to the six ASPECTS OF BINAH, as they perform their craftsmanship in the level OF MALCHUT.

31. Rabbi Yosi quotes, "The flowers appear on the earth, the time of song has come and the voice of the turtle dove is heard in our land" (Shir Hashirim 11:12). "The flowers" allude to the six levels: CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD. In the phrase, they "appear on the earth," earth ALLUDES TO MALCHUT. The "flowers" are forms that are not revealed at any level other THAN MALCHUT. "The time of singing has come" SIGNIFIES THAT WHEN THE SHECHINAH, CALLED SONG, IS INSPIRED WITH THE SPIRITUAL LIGHT OF CHOCHMAH, then is the time for praise and glorification, as is written: "So that he may sing your praise and not be silent" (Tehilim 30:13). MALCHUT is therefore called 'song,' as we have learned from the words, "a song for David" (Tehilim 3:1) AND NOT "DAVID'S SONG" (TEHILIM 24:1). THIS INDICATES that first David was inspired by the Shechinah. This is WHY IT IS SAID THAT "the time of singing has come." FIRST THE SHECHINAH (CALLED "SONG") REACHED HIM; ONLY THEN DID HE START SINGING AND PRAISING. Rabbi Chiya said THAT THE TIME OF SONG HAS COME; THIS should be understood literally as "the time of praise has come," MEANING THAT AFTER RECEIVING THE SPIRITUAL LIGHT, IT IS TIME FOR PRAISE. HE DISAGREED THAT THE SHECHINAH OF HASHEM IS CALLED "SONG."

32. Rabbi Aba says that the upper world, BINAH, is shrouded in mystery, as are all of its attributes, because it exists in the divine secret, THE THREE TOP SFIROT OF BINAH, which is a day THAT EMBRACES all days. And when ARICH ANPIN created and produced BINAH WITH A THOUGHT, He produced it on THE LOWER six OF BINAH AND NOT THE UPPER THREE. And because ARICH ANPIN is mysterious and His actions are incomprehensible, it is written in THE SCRIPTURE, "Bereshheet," MEANING "He created six (Bara Sheet)." THIS HINTS AT THOSE SIX supernal days, but does not specify who created them. THE SIX DAYS ALLUDED TO IN BERESHEET belong to an incomprehensible and vague world.

30. אָמַר רַבִּי אֶלְעָזָר, בְּרֵאשִׁית דָּא כְּלָלָא, דְּיוֹקְנָא דְכָל דְּיוֹקְנֵי כְּלִילֵן בֵּיהּ, דָּא רְזָא דְכְּתִיב הוּא מְרָאָה דְּמֹות כְּבוֹד ה', חִיזוּ דְאַתְחֻזּוּן בֵּיהּ שֵׁית אַחֲרֵינֵי, וְדָא הוּא בְּרֵאשִׁית בְּרָא שֵׁית.

תָּא חִיזוּ, כַּד עָאלין בְּהַאי חִיזוּ שֵׁית גּוּוּנֵי, הִיא אַתְקִינַת גְּרָמָא לְאַחֻזָּא לֹון וְלִמְפַעַל בְּהוּ אוּמְנוּתָא דְעֵלְמָא, וְאִי תִימָא דְהַאי אוּמְנוּתָא דְעֵלְמָא, מְדַרְגָּא דָּא הוּא, כְּתִיב בְּרָא שֵׁית, שְׁבַחָא דְשֵׁית אִיהוּ, דְעַבְרֵי אוּמְנוּתָא בְּהַאי.

31. רַבִּי יוֹסִי פְתַח הַנְּצָנִים נִרְאוּ בְּאַרְץ, עֵת הַזְּמִיר הִגִּיעַ, וְקוֹל הַתּוֹר נִשְׁמַע בְּאַרְצֵנוּ, הַנְּצָנִים: דָּא הוּא רְזָא דְשֵׁית דְרֵגִין. נִרְאוּ בְּאַרְץ בְּגִין דְּאִינֵן דְּיוֹקְנֵי לְאַתְחֻזָּא בְּהַאי דְרֵגָא. עֵת הַזְּמִיר הִגִּיעַ: דְּהָא כְּדִין מְשַׁבַּח וּמְהַדֵּר, כְּמָה דָּאֵת אָמַר לְמַעַן יִזְמַרְךָ כְּבוֹד וְלֹא יְדוּם, וּבְגִין כֶּךָ אֶקְרִי מְזֻמּוֹר, כְּמָה דְתַנִּין דְכְּתִיב מְזֻמּוֹר לְדוֹד, דְשָׁאֲרַת עָלֵיהּ שְׁכִינְתָא בְּרִישָׁא, וְדָא הוּא עֵת הַזְּמִיר הִגִּיעַ. רַבִּי חִיָּיא אָמַר, דְּהָא כְּדִין מְטָא זְמַנָּא לְשַׁבַּחָא.

32. רַבִּי אַבָּא אָמַר, עֵלְמָא עֲלָאָה סְתִימָא, וְכָל מְלוּי סְתִימִין, בְּגִין דְקִיּוּמָא בְּרְזָא עֲלָאָה, יוּמָא דְכָל יוּמִין, וְכַד בְּרָא וְאֶפִיק, אֶפִיק אֵלִין שֵׁית, וּבְגִין דְּאִיהוּ סְתִימָא, דְכָל מְלוּי סְתִימִין, אָמַר בְּרֵאשִׁית, בְּרָא שֵׁית יוּמִין עֲלָאִין, וְלֹא אָמַר מֵאן בְּרָא לְהוּן, בְּגִין דְּאִיהוּ עֵלְמָא עֲלָאָה סְתִימָא.

33. Later, he revealed the creator of the lower world OF ASIYAH, NAMELY ZEIR ANPIN AND NUKVA, because it is a world that stands revealed. He said, "Elohim created the heavens and the earth" (Bereshheet 1:1), ALLUDING TO ZEIR ANPIN AND NUKVA. Consequently it is not written vaguely, WITHOUT REFERENCE TO THE CREATOR, that is just "created the heavens AND THE EARTH," because it is a world of revelation. Thus, it says, "Elohim created." Elohim DID certainly CREATE THEM, AS IT IS a revealed name, BECAUSE ELOHIM ENSURES THE COMPLETION OF THE SPIRITUAL LIGHT OF THE ILLUMINATION OF CHOCHMAH. The first WORLD, BINAH, is concealed, because it is the divine WORLD. The lower WORLD OF ZEIR ANPIN AND NUKVA is revealed, because the workings of the Holy One, blessed be He, are always both concealed and revealed. So is the secret of the holy name concealed and revealed. THE YUD-HEI OF THE NAME YUD-HEI-VAV-HEI ARE CONCEALED, BECAUSE WE HAVE NO COMPREHENSION OF THE THREE TOP SFIROT; VAV-HEI ARE REVEALED BECAUSE THEY ALLUDE TO ZEIR ANPIN AND NUKVA, WHICH ARE COMPREHENSIBLE.

34. THE PARTICLE Et (Heb. 'the') WHEN PLACED BEFORE THE WORD "heavens" IN THE SCRIPTURE, includes the lower heavens below; when placed BEFORE THE WORD "earth," however, it also includes in it the earth below, adding the idea that everything done IN THE LOWER EARTH is similar to the divine pattern above.

10. Seven Dwellings of the Upper and Lower Earth

The spiritual and physical worlds are each divided into seven. These are a reflection of the 7 Sfirot, or dimensions.

35. THE WORDS, "the earth was formless and void" have already been explained. MOREOVER, the earth is the upper earth, NUKVA OF ZEIR ANPIN, which has no light of its own. "Was" INDICATES that it was originally in its ordered state, but now it has become formless, void, and dark. THE SCRIPTURE EMPLOYS the word "was" precisely TO DRAW OUR ATTENTION TO THE FACT THAT IT WAS COMPLETE. Later, it diminished itself and its light, AND IN IT THERE CAME ABOUT formlessness, emptiness, darkness, and spirit--these being the four worldly elements that were built into the EARTH.

11. Seven Dwellings of the Lower Earth

The physical realm includes seven compartments, or worlds. These are called, Eretz, Adamah, Gey, Nesheyah, Tziyah, Arka, Tevel. Our physical earth corresponds to Tevel. When Rabbi Yossi inquires as to the nature of world called Tziyah, Rabbi Abba replies that this realm is the location of Hell.

The world of Nesheyah, the Zohar explains, is called oblivion. It is totally forgotten, for it is without any form.

36. Another explanation of "and the earth" is that the words include the lower earth, which was made of compartments as was the upper EARTH. And this is WHAT IS MEANT BY, "The earth was formless and void; and darkness and the spirit..." And the compartments of the earth are called Eretz (earth), Adamah (soil), Gey (valley), Neshiyah (oblivion), Tziyah (dryness), Arka (ground), and Tevel (world). The major level of earth is Tevel, about which it is written: "And he will judge the Tevel (world) in righteousness" (Tehilim 9:8). THIS IS NOT SAID ABOUT ANY OTHER LEVEL OF EARTH, AND THUS WE INFER THAT IT IS THE MOST IMPORTANT.

33. ולבֹּתֵר גְּלִי וְאָמַר עֲבִידֶתָּא תִּתְּאָה, וְאָמַר מֵאֵן בְּרָא לִיה, בְּגִין דְּאִיהוּ עֲלְמָא דְּקוּימָא בְּאַתְגְּלוּיָא, וְאָמַר בְּרָא אֱלֹקִים אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ, וְלֹא כְּתִיב בְּרָא סְתִימ, בְּרָא אֶת הַשָּׁמַיִם, בְּגִין דְּאִיהוּ עֲלְמָא בְּאַתְגְּלוּיָא, וְאָמַר בְּרָא אֱלֹקִים, אֱלֹקִים וְדְאִי שְׂמָא בְּאַתְגְּלוּיָא, קְדַמָּא בְּסִתְימָא דְּאִיהוּ עֲלָאָה, תִּתְּאָה בְּאַתְגְּלוּיָא. לְמַהוּי תְּדִיר עוּבְדָּא דְּקוּדְשָׁא בְּרִיךְ הוּא סְתִימ וּגְלוּיָא. וְרוּז דְּשְׂמָא קְדִישָׁא הֵי הוּא סְתִימ וּגְלוּיָא.

34. אֶת הַשָּׁמַיִם, לְאַסְגָּאָה שְׁמַיִם תִּתְּאִי לְתִתָּא, וְאֶת הָאָרֶץ לְאַכְלָלָא אֶרֶץ דְּלִתְתָּא, וְלְאַסְגָּאָה כָּל עוּבְדָּהָא כְּגוּוּנָא דְּלְעִילָא.

35. וְהָאָרֶץ הִיְתָה תְּהוּ וְבָהוּ: בְּדְקָאֲמֵרְן, וְהָאָרֶץ דְּאֶרֶץ עֲלָאָה, דְּלִית לָהּ נְהוּרָא מְגֵרְמָה. הִיְתָה: בְּקְדַמִּיתָא כְּבֹר הוּת, בְּדְקָא יָאוּת, וְהִשְׁתָּא תְּהוּ, וְבָהוּ, וְחִשְׁךְ. הִיְתָה דִּיִּקָּא, לְבִתֵּר אֲזַעִירַת גְּרַמָּה וְאֲזַעִירַת נְהוּרָא. תְּהוּ, וְבָהוּ, וְחִשְׁךְ, וְרוּחַ: אֲרַבַּע יְסוּדֵי עֲלְמָא דְּאַשְׁתְּכַלְלוּ בָּהּ.

36. דְּבֵר אַחֵר, וְאֶת הָאָרֶץ בְּדְקָאֲמֵרְן, לְאַסְגָּאָה אֲרַעָא דְּלִתְתָּא, דְּאִיהוּ אֲתַעֲבִידַת בְּכַמָּה מְדוּרִין, כְּלָא כְּגוּוּנָא עֲלָאָה, וְדָא הוּא, וְהָאָרֶץ הִיְתָה תְּהוּ וְבָהוּ, וְחִשְׁךְ וְרוּחַ. אֵלִין אֵינּוּן מְדוּרֵי אֲרַעָא: אֶרֶץ, אֲדָמָה, גֵּי, נִשְׂיָה, צִיָּה, אֲרָקָא, תֵּבֵל, וְגִדּוּל שְׂפִכּוּלָם תֵּבֵל, דְּכְתִיב וְהוּא יִשְׁפּוּט תֵּבֵל בְּצִדְקָא.

37. Rabbi Yosi asked: What is THE NATURE OF THIS EARTH THAT IS CALLED Tziyah? RABBI ABA said to him: This is the location of Gehenom, as is said "the land of Tziyah" and "the shadow of death" (Yirmeyah 2:6). AND AS "THE SHADOW OF DEATH" IS THE PLACE OF GEHENOM, SO IS TZIYAH. This is the secret of the words "and darkness on the face of the abyss" (Bereshheet 1:2), alluding to the place of Gehenom. This is the wilderness, the place of the Angel of Death, of whom it says, "he darkens the faces of all creatures." This is also the place of the upper darkness REFERRED TO IN THE WORDS "AND THE EARTH..."

38. "Formlessness" is the earth called Neshiyah (oblivion). IT IS SO CALLED, BECAUSE it has no appearance until it is completely forgotten. It is therefore called oblivion. "Void" is Arka (ground), a place that cannot be forgotten. Rabbi Chiya DISAGREES AND says, "this earth called Gey (valley) IS VOID, NOT ARKA (GROUND)." And the words, "the spirit of Elohim hovers," allude to the EARTH CALLED Tevel (world), which feeds from the spirit of Elohim, NAMELY FROM THE SPIRIT OF BINAH CALLED ELOHIM. They are all parts of the same level.

12. Seven Dwellings of the Upper Earth

Just as there are seven compartments in the lower earth, there are also compartments in the supernal realms. They are arranged on top of one another in parallel dimensions, beyond the range of human perception.

39. Similarly, there are seven compartments in the supernal earth. THE MALCHUT OF THE WORLD OF ATZILUT IS THE ASPECT OF THE EARTH IN THE MALCHUT OF THE WORLD OF ATZILUT, SIMILAR TO THAT OF THE LOWER EARTH, DISCUSSED ABOVE AS MALCHUT OF ASIYAH. There are seven compartments above, IN MALCHUT, arranged one level on top of another. And in all those compartments reside holy angels, one above the other, ACCORDING TO THEIR STATURE. Similarly, there are angels below IN THE SEVEN LEVELS OF THE EARTH OF ASIYAH, and they all cling to one another so that they can be one. There are seven compartments above, IN THE WORLD OF ATZILUT, and the supernal earth, MALCHUT, includes them, and they reside in her. And they encompass the praise of the Holy One, blessed be He. NEVERTHELESS, the levels and their locations differ from one another.

13. First Lower Compartment: Yesod

Yesod is a realm of darkness where evil and negative entities reside. By our own wrongful actions, we create the evil entities who wreak havoc and cause suffering in our lives.

40. The first compartment below, THE LOWER COMPARTMENT OF YESOD, WHICH IS SEQUENTIALLY THE FIRST FROM BELOW, is a place of darkness and does not illuminate anything. It is constructed for the dwellings of spirits, administrators of judgment, and forceful, stormy spirits. THESE KLIPOT (SHELLS WITH NEGATIVE SPIRITUAL POWERS) are invisible and have no light or darkness, or any shape at all. EACH IS STRONGER THAN THE OTHER, BEGINNING WITH THE FIRST OF THE FOUR KLIPOT. IN THAT PLACE, they are not evident, because they have no shape at all. THIS COMPARTMENT CORRESPONDS TO "FORMLESSNESS," AS NO ONE KNOWS OF THE EXISTENCE OF THOSE KLIPOT (SHELLS).

41. This place has a governing angel named Tahariel, who is accompanied by seventy flying ministers. They are overcome by the blasts of lapping flames above them. SOME are destroyed AND SOME SURVIVE--but these are not seen. SOME ARE VISIBLE, BUT UPON CLOSER EXAMINATION are not really there. When morning comes they are all restored. Yet they are not sustained in existence, because when they reach this place they are dissipated and cannot be found, because they go into a hole in the abyss and disappear. When nighttime comes, they are again wiped out by the flames of fire until morning comes.

14. The Second Compartment: Hod

This realm contains more Light than the other realms discussed thus far. The angels who interact with people by virtue of our actions reside in this compartment. These angels serve to connect our actions and the Upper Worlds. When we perform positive actions, the Upper Worlds reflect positive influences back to us through the medium of the angels. The same process occurs with all our negative actions.

42. The second compartment is a place of greater enlightenment. It still is dark, but not as dark as the first. It is reserved as the domain of the upper angels. THERE ARE NO KLIPOT (SHELLS) HERE. THESE ANGELS are responsible for the actions of people. THEY HELP THEM ACCOMPLISH GOOD DEEDS and also lead them astray into the evil path they tread. THAT IS, THEY GIVE STRENGTH ALSO TO THOSE WHO WALK ON EVIL PATHS. NEVERTHELESS, THEY ARE HOLY ANGELS AND NOT, HEAVEN FORBID, KLIPOT (NEGATIVE SPIRITUAL FORCES). This place is more evident than the first COMPARTMENT, BECAUSE THE FORMER PLACE IS, IN EFFECT, FORMLESS. THE SECOND, ON THE OTHER HAND, IS REGARDED AS VOID, AS IT IS WRITTEN IN THE SCRIPTURES, AND IS MORE VISIBLE. These angels are more closely related to humans, MEANING THAT THEY APPEAR TO PEOPLE IN THEIR OWN SHAPE. They are nourished by the subtle odors and perfumes that humans emanate from below, and because of the opportunities they receive they are able to ascend in order to receive-- and therefore give--more light.

42. מדורא תניינא: הוא אתר דנהיר יתיר, ואיהו

43. They are governed by one minister named Kedumiel, WHO IS FROM THE SIDE OF CHESED, HENCE 'EL,' AND HIS FUNCTION IS TO PROTECT THEM FROM THE FORCES OF JUDGMENT IN THE THIRD COMPARTMENT. These ANGELS UNDER TAHRIEL start singing, then are quieted and driven away--BECAUSE SONG STRENGTHENS THE FORCE OF THE LEFT COLUMN. THIS AWAKENS THE FORCES OF JUDGMENT IN THE THIRD CHAMBER. AFTER THEIR SONG IS INTERRUPTED AND THEY ARE DRIVEN AWAY, they do not appear again until the nation of Yisrael below IN THIS WORLD starts singing. Then they return to their places, RESUME THEIR SONG, and are seen glowing brighter. Three times a day they sing with holiness. And when the people of Yisrael are busy with Torah, all THE ANGELS OF THIS COMPARTMENT take wing and give testimony above; and the Holy One, blessed be He, has compassion for them.

43. ועליהו חד ממנא קדומיא"ל שמייה, ואלין

15. The Third Compartment: Netzach

The energy and intelligence of Judgment dwell in the Third Compartment. Negative angels of destruction who reside here are the conduits by which judgments befall us.

44. The third compartment OF THE SEVEN IN THE UPPER EARTH is a place of tongues of fire and rising smoke. There, the streams of the Nahar Dinur (river of fire) gush forth, BECAUSE THIS IS THE SOURCE OF THE RIVER OF FIRE. It is a crematorium for evil souls, the place where fire comes down upon the heads of the wicked--THOSE WHO DWELL UNDERNEATH, IN GEHENOM. And there reside also the angels of destruction, whose task it is to crush the souls that dwell IN GEHENOM.

44. מְדוּרָא תְּלִיתָא: הוּא אֲתֵר דְּשִׁבְיָבִין וְקִטּוּרִין, וְתַמְן נְגִידוּ דְּנַהַר דִּינּוּר, דְּנִגִּיד וְנִמִּיק, וְאִיהוּ בֵּי מוֹקְדָא דְּנִמְשִׁיָּהוּ דְּרִשְׁוֵיעִיָּא, דְּמִתְמָן נַחִית אֲשָׁא עַל רִישֵׁיהוּ דְּרִשְׁוֵיעִיָּא, וְתַמְן מְלָאכֵי חֲבֵלָה דְּטְרֵי לָהּ.

45. There can be found sometimes slanderers, who speak evil of Yisrael and who lead people away FROM THE PATH OF GOOD, BUT THEY CAN DO YISRAEL NO HARM if Yisrael takes precautions to keep them away. They are governed by one minister from the left side. All THE ANGELS THERE are from the side of darkness, as it says, "and darkness on the face of the abyss." And the evil angel Samael resides in this compartment.

45. וְתַמְן אֲשֶׁתְּבַח דְּלִטּוּרִיָּא עַלֵּיהוּ דִּישְׂרָאֵל לְזַמְנִין, וְלֹא־סִטָּאָה לּוֹן. בַּר בּוּזְמָנָא דְּנִסְבֵּי אֲסוּתָא לְדַחֵיָּא לֵיהּ, וְחַד מִמְּנָא עַלֵּיהוּ מִסְטָרָא דְּשִׁמְאֵלָא. כְּלָהוּ מִסְטָרָא דְּחֻשְׁךָ, כְּמָה דָּאֵת אִמְר וְחֻשְׁךָ עַל פְּנֵי תְּהוּם, וְסַמְאָל חַיִּיבָא אֲשֶׁתְּבַח תַּמְן.

16. The Fourth Compartment: Tiferet

The Fourth Compartment is a place of positive energy and Light. The angels who inhabit this realm are responsible for the acts of mercy that appear in our lives. These angels also bring about the salvation that is merited when people repent and transform.

46. The fourth compartment, TIFERET, is a place from which light emanates to the supernal angels of the right. They start singing, and then abruptly end their song. However, they are not destroyed for their singing, as are those in the first COMPARTMENT--who start singing and then are scorched by being sucked down into burning fire, only to be restored again in the morning, as before. The ANGELS IN HERE are preserved and are not destroyed--they are the angels of mercy, who never change. BECAUSE THEY ARE OF THE ASPECT OF MERCY, WHICH DRAWS FROM THE SIDE OF CHESED, THEY ARE UNAFFECTED BY THE JUDGMENT DRAWN DOWN BY SINGING--AND THUS THEY CAN FINISH THEIR SONG.

46. מְדוּרָא רְבִיעָא: הוּא אֲתֵר דְּנַהִיר, וְתַמְן הוּא נַהִירוּ לְמְלָאכֵי עֲלָיִי, דִּי בְּסִטְר יְמִינָא. וּפְתַחוּ שִׁירְתָא וְסִימִי, וְלֹא אֲזִלִּין לְאֶעְבְּרָא כְּהִנֵּי קְדָמָי, דְּפְתַחִין שִׁירְתָא וּמִתּוֹקְדָן וּמִתְעַבְּרָן בְּנּוּר דְּלִיק, וְתַבִּין וּמִתְחַדְשִׁין כְּמִלְקָדְמִין, וְהִנֵּי קִיּוּמִין בְּדוּכְתֵּיהוּ וְלֹא מִתְעַבְּרָן. וְהִנֵּי מְלָאכֵי דְּרַחֲמֵי דְּלֹא מִשְׁנִיין לְעֵלְמִין.

47. About THOSE ANGELS it is said, "He makes his angels as spirits" (Tehilim 104:4). They perform their mission in the world without being seen by humans, and can only be seen through visions and by other means, such as intense meditations. One angel governs them and his name is Padael. THIS NAME IS A COMBINATION OF THE WORDS "PADA EL," MEANING 'EL HAS REDEEMED.' ALL THOSE WHO ELEVATE MAYIN NUKVIN (FEMALE WATERS) TO THIS COMPARTMENT THROUGH THEIR GOOD DEEDS RECEIVE THE ILLUMINATION OF CHASSADIM FROM THIS ANGEL, AND EVEN IF THEY HAVE BEEN SENTENCED TO DEATH, THEY ARE REDEEMED AND DO NOT DIE. HENCE THE ANGEL IS NAMED PADAEL. In this CHAMBER, the keys to the gates of mercy are accessible to those who have repented and have returned to their Master. These keys open the gates through which their prayers enter--AND ARE THUS ANSWERED.

47. וְעַלֵּיהוּ כְּתִיב עוֹשֶׂה מְלָאכֵיו רִחוּת וּגו'. וְאֵלִין עַבְדִּין שְׁלִיחוּתֵיהוּ בְּעֵלְמָא, וְלֹא אֲתַחֲזוּן לְבִנֵּי נֶשָׂא בַר בַּחֲזוּוּא, אִוּ בְּסִטְרָא אַחְרָא בְּסַכְלַתְנוּ סִגִּי. וְחַד מְלָאכָא מִמְּנָא עַלֵּיהוּ פְּדָא לְ שְׁמִיהּ. וּבִיהּ פְּתִיחִין מִפְּתַח דְּרַחֲמֵי, לְאִינוּן דְּתִיבִין לְגַבִּיהּ דְּמַאֲרִיהוּן, וּפְתַחִין תְּרַעִין לְאֶעְבְּרָא צְלוּתְהוּן וּבְעוּתְהוּן.

17. Fifth Compartment: Gvurah

This Compartment embodies more Light than the Fourth Compartment. Angels of both mercy and judgment reside here. These Angels are likened to Generals of the Upper Worlds, while the angels in the prior compartments are compared to foot soldiers. This realm is primarily one of Judgment. But if our actions in the physical warrant it, we can sweeten judgment through the Angels of mercy who dwell here. The concept of sweetening judgment can be understood this way: A child misbehaves and the parent reacts with great anger. The parent then spans the child and harshly scolds him. According to Kabbalah, there is no aspect of mercy included in the actions of the parent. The punishment is pure judgment, rooted in the anger of the parent. But the parent could also restrain himself at the moment anger erupts. He could shut down his reactive nature and release all his negative feelings. Yet the parent still realizes, out of love and concern for the child, that a punishment is called for. Therefore with pure love in his heart, and in complete control of his actions, he reprimands the child. This is still judgment, but it is judgment sweetened with mercy.

48. The fifth compartment is the one in which light shines more brightly than it does in any of the preceding ones. In it are angels, some--ONES WHO REPRESENT JUDGMENT--are fiery angels. Others--ONES REPRESENTING MERCY--are watery angels. Sometimes mercy is prominent, WHEN THE WATERY ANGELS ARE DOMINANT, and sometimes judgment is prominent, WHEN THE FIERY ANGELS ARE DOMINANT. Those OF WATER are on the RIGHT side, and those OF FIRE are on the LEFT side. Occasionally, some of these angels glow, while the others are in darkness. Both groups of angels oversee the chanting to their Master, some--ANGELS OF JUDGMENT--at midnight, and others--ANGELS OF MERCY--at dawn. And one minister governs them both; he is called Kadshiel. HIS DUTY IS TO DRAW DOWN KDUSHAH (HOLINESS) TO THE LOWER WORLDS.

49. At midnight, the northern wind arises, and the Holy One, blessed be He, comes to the Garden of Eden to rejoice with the righteous. And this northern wind OF BINAH knocks and reaches those ministers in charge of chanting at midnight. They all sing and begin to chant, THUS ENABLING THE LOWER LEVELS TO SING. When the deep darkness JUST BEFORE DAWN joins with the light of the morning, all the other angels--THE WATER ANGELS ON THE RIGHT--sing. And all the stars in the firmament help them, along with the angels OF FIRE FROM THE LEFT SIDE. BECAUSE SINGING IS OF THE LEFT ASPECT, THEY NEED THE HELP OF THE LEFT COLUMN ANGELS IN ORDER TO SING, as is written: "The morning stars sang together and the sons of Elohim shouted for joy." (Iyov 38:7) BECAUSE ALL THE ANGELS SING IN THE MORNING, Until Yisrael below opens with singing and praises after them. BECAUSE THOSE ANGELS ARE MORE IMPORTANT THAN YISRAEL, YISRAEL RECEIVES STRENGTH FROM THEM TO SING.

18. Sixth Compartment: Chesed

While Gvurah, the Compartment directly below, personifies Judgment, Chesed is a realm of pure Mercy. The angels residing here are responsible for delivering spiritual influences of mercy into our lives. We bring these angels into motion whenever we show mercy toward others. Everyday acts of sharing and kindness, without any expectations in return, are examples of mercy in this sense.

50. The sixth compartment is very close to the kingdom of the heavens, THAT IS, THE INNER MALCHUT. In it are ships and rivers and streams that branch off and leave the sea, WHICH IS MALCHUT. Many are the fish--ALLUDING TO THE ANGELS--that, governed by their ministers, swarm IN THE RIVERS AND STREAMS to the four winds of the world. One minister, called Uriel, is in charge of all the lower ANGELS IN THIS COMPARTMENT. HE IS RESPONSIBLE FOR ALL THE ANGELS FROM THE WESTERN SIDE.

51. At those hours and moments when the ships sail, ALL THESE ANGELS TRAVEL WITH THEM in one direction and another--IN THOSE DIRECTIONS TOWARD WHICH THE SHIPS SAIL. When the ships sail southward, the minister governing them is Michael, who is drawn from the right COLUMN, WHICH IS CHESED. And when the ships sail northward, the minister governing them is Gavriel, who is drawn from the left side WHICH IS GVURAH. THE FOUR DIRECTIONS, SOUTH, NORTH, EAST, AND WEST ARE CHOCHMAH, BINAH, TIFERET, AND MALCHUT. AND FROM THE PERSPECTIVE OF THE SIX LOWER SFIROT, THEY ARE CHESED, GVURAH, TIFERET, AND MALCHUT. And when the ships are eastbound, the minister governing them on that side is Refael, who is to the right, THAT IS ON THE SIDE OF THE CHASSADIM. And when the ships are westbound, the minister governing them is Uriel, who is the last, WEST BEING THE LAST OF ALL FOUR DIRECTIONS.

19. Seventh Compartment: Binah

The Seventh Compartment corresponds to Binah, the repository and source of all Light. This realm radiates the brightest Light and fulfillment.

52. The seventh compartment is the highest, and there, only the souls of the righteous can be found. There, the souls rejoice, nourished by divine bliss and splendor. And there, none are to be found, except the righteous. THIS MEANS THAT NO ANGELS RESIDE THERE. There can be found treasures of peace, blessings, and charity. And everything there is in the manner of the divine aspect, NAMELY BINAH, as the friends have explained.

52. מְדוֹרָא שְׁבִיעָא: הוּא מְדוֹרָא עֲלָאָה עַל כֻּלָּא. וְתַמְן לֹא אֲשַׁתְּכְחוּ בַר נִשְׁמַתְהוֹן דְּצַדִּיקֵינָא דְתַמְן מִתְעַדְנִין בְּהוּא זִיְהֵרָא עֲלָאָה, וּמִתְעַדְנִין בְּעַדוֹנִין וְתַפְנוּקִין עֲלָיִן, וְתַמְן לֹא אֲשַׁתְּכְחוּ בַר אֵינּוֹן זְכָאִין, וְגַנְזֵי שְׁלוֹם בְּרַכָּה וְנִדְבָה, כֻּלָּא הוּא כְּגוֹנוֹנָא עֲלָאָה, וְהָא אָמְרוּ חֲבַרְיָא.

53. The same can be found in the seven compartments of the lower land, which are all similar to the SEVEN COMPARTMENTS of the world above. THUS, THE SEVEN COMPARTMENTS OF ASIYAH BELOW ARE EQUAL IN ALL RESPECTS TO THE SEVEN COMPARTMENTS OF MALCHUT OF THE SPIRITUAL WORLD OF ATZILUT ABOVE. And in all OF THE SEVEN COMPARTMENTS BELOW, there are ANGELS in the shape of humans, CLAD LIKE PEOPLE IN THE CLOTHING OF THE PHYSICAL WORLD. THE DIFFERENCE BETWEEN ABOVE AND BELOW IS THAT ABOVE ONLY IN THE SECOND COMPARTMENT CAN THERE BE FOUND ANGELS WHO ARE RELATED TO HUMANS. BUT FROM THE FOURTH COMPARTMENT UPWARD THERE CANNOT BE FOUND ANY RELATION BETWEEN THE ANGELS AND HUMANS, SAVE THAT ACHIEVED THROUGH VISIONS AND INTENSE MEDITATION. IN THE LOWER WORLDS, HOWEVER, EVEN THOSE COMPARTMENTS FROM THE CHEST UP ARE ALLOWING THE ANGELS TO APPEAR IN THE FORM OF HUMANS. They all are grateful and praise the Holy One, blessed be He. Yet none can perceive His glory, BLESSED BE HE, as can those in the supernal realms. They behold His glory most appropriately, so as to worship, praise, and acknowledge His greatness.

53. בְּדִין הוּא לְאָרֶץ דְּלִתְתָא, בְּשִׁבְעָה מְדוֹרִין, וְכֻלְהוּ כְּגוֹנוֹנָא דְלַעִילָא. וּבְכֻלְהוּ אֵית זִינִין כְּחִיזוּ בְּנֵי נִשָּׂא, וְכֻלְהוּמוֹדֵן וּמִשְׁבַּחֵן לְקִדְשָׁא בְּרִיךְ הוּא, וְלִית מָאן דִּידַע יְקָרִיָּה, כְּאֵינּוֹן דְּאֵינּוֹן בְּמְדוֹרָא עֲלָאָה, וְאֵלִין חֲזָאן יְקָרִיָּה כְּדַקָּא יְאוּת, לְמַפְלַח לִיָּה, וְלִשְׁבַּחָא לִיָּה, וְלֹאֲשַׁתְּמוּדַע יְקָרִיָּה.

54. This supernal world, called Tevel, exists only for the sake of the righteous, who are holy bodies, WHO ARE FOUND IN THIS WORLD. FOR THEM, THIS WORLD (TEVEL) WAS CREATED, AND FOR THEIR SAKE IT CONTINUES TO EXIST. Similar to the upper COMPARTMENTS OF THE SUPERNAL WORLD, this seventh compartment below exists only for the souls of the righteous. Also IN THE COMPARTMENTS OF THE LOWER EARTH, the lower seventh compartment, TEVEL, exists only for the bodies of the righteous. One WORLD is similar to the other--much like a reflection of the other. THE SEVEN COMPARTMENTS OF THE LOWER WORLDS ARE A REFLECTION OF, AND ARE DRAWN THROUGH, THE SEVEN SUPERNAL COMPARTMENTS. EVERY ASPECT ABOVE HAS ITS COUNTERPART BELOW. AS THE SOULS OF PEOPLE ALONE CAN BE FOUND IN THE SUPERNAL SEVENTH COMPARTMENT, SO IN THE LOWER SEVENTH, CALLED TEVEL ONE OF THE SEVEN PHYSICAL WORLDS CAN BE FOUND ONLY THE BODIES OF THE RIGHTEOUS PEOPLE. ALTHOUGH ALL THE OTHER KINDS OF CREATURES AND WICKED PEOPLE CAN ALSO BE FOUND THERE, THEY ARE THERE ONLY TO SERVE THE BODIES OF THE RIGHTEOUS, BECAUSE THE WORLD WAS CREATED AND IS MAINTAINED FOR THE SAKE OF THE RIGHTEOUS. AS IS WRITTEN: "THEY HAVE BEEN CREATED TO SERVE ME AND I TO SERVE THE ONE WHO OWNS ME."

54. וְעֲלֵמָא דָּא עֲלָאָה, דְּאִיהוּ תַבֵּל, לֹא קִיּוּמָא בְּקִיּוּמֵיהּ, אֲלֵא בְּגִיּוּמֵיהּ דְּצַדִּיקֵינָא, דְּאֵינּוֹן גּוּפִין קְדִישִׁין. כְּגוֹנוֹנָא דְלַעִילָא לֹא קִיּוּמָא הוּא מְדוֹרָא שְׁבִיעָאָה, אֲלֵא לְנִשְׁמַתְהוֹן דְּצַדִּיקֵינָא, הַכִּי נִמְי הָאֵי מְדוֹרָא שְׁבִיעָאָה לְתַתָּא, לֹא קִיּוּמָא אֲלֵא לְגוּפֵיהוֹן דְּצַדִּיקֵינָא, לְמַהוּי כֻּלָּא חֵד דָּא כְּגוֹנוֹנָא דְרָא.

20. The Seven Chambers of the Upper Worlds

The Zohar explains that the preceding Seven Compartments are the building blocks and foundation for another, still higher level of Chambers.

First Chamber: Yesod

This realm is the domain of the angel who dispenses great mercy to all those souls who convert and follow the true path of the Creator.

55. Rabbi Shimon said, Come and behold: These seven compartments OF THE UPPER WORLDS, about which we have spoken, contain seven chambers based on the perceived secrets of faith, WHICH IS MALCHUT OF THE SPIRITUAL WORLD OF ATZILUT. These correspond to the seven divine firmaments. In each and every chamber there are supernal spirits, WHO ARE THE ANGELS RESPONSIBLE FOR THOSE CHAMBERS. The first chamber, WHEN COUNTING FROM BELOW, IS CALLED YESOD AND has a spirit who is in charge of the souls of the converted. His name is Rachmiel, BECAUSE HE EXTENDS RACHAMIM (MERCY) TO THOSE SOULS. Through him, they delight in the radiance of divine glory.

55. תָּא חֲזִי אָמַר רַבִּי שְׁמַעוֹן ז' מְדוּרֵין אֵינּוֹן דְּקַאֲמָרָן, וּבְגוֹ אֵינּוֹן אֵית ז' הַיְכָלִין, מֵאֵינּוֹן רַחֵי מְהֵימְנוּתָא, לְקַבֵּל ז' רְקִיעֵין עֲלָיִן, וּבְכָל הַיְכָלָא וְהַיְכָלָא אֵית רוּחִין עֲלָיִן. הַיְכָלָא קְדָמָא: הַכָּא אֵית רוּחָא, דְּאֲתַמְנוּ עַל נְשַׁמְתְּהוֹן דְּגֵרִין דְּאֲתַגְיִירוּ, וְרַחֲמִיא"ל שְׁמִיָּה, וְאִיהוּ נָטִיל לֹון וְאֲתַהֲנוֹן מִזִּי וְקָרָא דְלַעִילָא.

21. The Second Chamber: Hod

This realm is the domain of the angel Ahinael, who teaches uneducated children the spiritual wisdom of the Torah.

56. The second chamber, CALLED HOD, has one spirit named Ahinael. He is in charge of the souls of children who did not merit learning Torah in their lives IN THIS WORLD. He is in charge of them and teaches them TORAH.

56. הַיְכָלָא תְּנִינָא: אֵית רוּחָא חָדָא אֶהֱינָא"ל שְׁמִיָּה, וְדָא קֵימָא עַל כָּל אֵינּוֹן נְשַׁמְתִּין דְּרַבִּינֵי, דְּלֹא זָכוּ בְּהַאי עֲלֵמָא לְמַלְעֵי בְּאוּרִינָתָא, וְאִיהוּ קֵימָא עֲלֵייהוּ וְאוּלִיף לֹון.

22. The Third Chamber: Netzach

The Angel called Adrahinael occupies this Chamber. Adrahinael helps purify all those people who desired to repent for their wrongdoings, but died before they could complete their full repentance.

57. The third chamber, CALLED NETZACH, has one spirit named Adrahinael. He is in charge of the souls of those who INTENDED repentance, but who have not REPENTED, because they died before they could repent THEIR ACTIONS. THUS, THEIR MINISTERING ANGEL IS CALLED ADRAHINAE, FROM THE ARAMAIC WORD HADRINA, MEANING 'CONTRITION' OR 'REPENTANCE.' These souls are punished in Gehenom, and are then delivered to this spirit, who is in charge, and he receives them. They desire to enjoy their Master's precious glory, but cannot, EXCEPT ON SHABBAT AND THE NEW MOON. Those SOULS are called 'offspring of flesh', as is written: "And it shall come to pass, that on every new moon, and every Shabbat, all flesh shall come to worship before me, said Hashem" (Yeshayah 66:23). THE REASON THESE SOULS ARE CALLED THE OFFSPRING OF FLESH IS THAT THE TEN SFIROT HAVE MANY NAMES, OF WHICH CHESED, GVURAH, AND TIFERET ARE CALLED 'BRAIN, BONE, AND SINEW,' AND NETZACH AND HOD ARE CALLED 'FLESH AND SKIN.' THUS THE SOULS OF THE THIRD CHAMBER OF NETZACH ARE CALLED ALL FLESH, AS NETZACH IS FLESH.

57. הַיְכָלָא תְּלִיתָא: בְּהַאי אֵית רוּחָא חָדָא אֶדְרַהֲינָא"ל שְׁמִיָּה, וְאִיהוּ קֵימָא עַל נְשַׁמְתְּהוֹן דְּאֵינּוֹן דְּאֶהְדְּרוּ בְּתִיבְתָא, וְלֹא אֶהְדְּרוּ בְּגוֹן דְּחֻשְׁבּוֹ וְעַד לֹא אֶהְדְּרוּ בְּהוּ מֵיתוּ אֵלִין טְרַדִּין לֹון בְּגִיָּהֲנָם וְלְבַתֵּר עֲאֵלִין לֹון לְהַאי רוּחָא מְמַנָּא, וְנָטִיל לֹון, וְחַמְדֵּן לְאֲתַהֲנָא מִזִּי וְקָרָא דְּמֵאֲרִיָּהוֹן, וְלֹא אֲתַהֲנוֹן. וְאֵלִין אֶקְרוּן בְּנֵי בָּשָׂר, וְעֲלֵייהוּ כְּתִיב וְהָיָה מִדֵּי חֲדָשׁ בְּחֻדְשׁוֹ וּמִדֵּי שַׁבַּת בְּשַׁבְּתוֹ יָבֹא כָּל בָּשָׂר לְהִשְׁתַּחֲוֹת לְפָנַי אָמַר ה'.

23. The Fourth Chamber: Tiferet

The Angel Gadrihael inhabits this Fourth Chamber. Gadrihael assists souls who were murdered during physical existence in their transition to a place near the Creator. He also assists in executing judgment upon those who commit the act of murder.

58. The fourth chamber IS TIFERET. In charge stands the spirit of Gadrihael. THIS ANGEL IS in charge of preparing the souls of those killed by the nations of the world for IMPRINTING ON the King's royal garment. They stay imprinted there until the day when the Holy One, blessed be He, avenges them, as it is written: "He shall make judgment upon the nations and shall fill them with dead bodies and shall crush heads upon the whole world" (Tehilim 110-6). BECAUSE THE HOLY ONE, BLESSED BE HE, RESIDES AMONG THE SOULS OF THE MURDERED.

58. הַיְכָלָא רְבִיעָאָה: הֵבָא קַיִמָא חַד רוּחָא גַדְרִיהָא לְ שָׁמַיָה, דָּא קַיִמָא עַל כָּל אִינוּן נִשְׁמַתִּין דְקָטוּלֵי דְשָׂאָר עֲמִין לְעָלָא לֹון, גּוּ פּוּרְפְּרָא דְמַלְכָא, וְאַתְרִשִּׁימוּ תַמָּן, עַד יוּמָא דִּינְקוּם לֹון קְדָשָׁא בְרִיךְ הוּא דְכָתִיב יָדִין בְּגוֹיִם מְלֵא גּוֹיֹת מַחַץ רֵאשׁ עַל אַרְץ רַבָּה.

24. The Fifth Chamber : Gvurah

All those souls who emanate from the spiritual lineage of the Left Column -- with its energy of judgment, anger, and volatility -- are ruled over by the Angel Adiriel, who inhabits the Fifth Chamber of Gvurah.

59. The fifth chamber IS CALLED GVURAH. In charge is a spirit named Adiriel. He stands in charge of the souls who are accomplished from the aspect of the LEFT side. THE NAME ADIRIEL IS FORMED FROM THE WORDS ADIR AND EL. ADIR MEANS MIGHTY, AS HE IS IN CHARGE OVER THE CHAMBER OF GVURAH (MIGHT).

59. הַיְכָלָא חֲמִישָׁאָה: הֵבָא קַיִמָא חַד רוּחָא, דְאֶקְרִי אֲדִירִיא לְ וְדָא קַיִמָא עַל כָּל אֵלִין נִשְׁמַתִּין, דְאֶתְקַיִמוּ בְהָהוּא סְטָרָא. וְאֵלִין אִינוּן לְעֵילָא מִכְּלָהוּ, דִּי בְמִדּוּרָא דָא, עֲלָאָה עַל כָּלָא וּמִיכָאֵל רַב מִמֶּנָּא עַל כְּלָהוּ קַיִמָא בֵּיהּ, וּכְמָה אֶלְף וּרְבָבָן, כְּלָהוּ קַיִמִין תַּחוּתֶיהָ בְהָהוּא סְטָרָא, וְתַמָּן מִתְעַדְגִּין אִינוּן נִשְׁמַתִּין דְחִסִּידֵי, בְהָהוּא נְהוּרָא עֲלָאָה דְנִגְרָא מֵעֲלָמָא דְאֶתִּי.

25. The Sixth Chamber: Chesed

The greatest of souls are worthy to reside in this, the Sixth Chamber of Chesed.

The loftiest of all SOULS are found in this loftiest compartment of all. The archangel OF ALL ANGELS, Michael, rules over this CHAMBER, NAMELY THE CHAMBER OF CHESED. Thousands and tens of thousands OF ANGELS reside under his rule on the side OF CHESED. There the souls of the righteous delight by the supernal light that is drawn therein from the world to come. THE LIGHT IS DRAWN FROM BINAH, AS BINAH IS CALLED, "THE WORLD TO COME." BUT SINCE THE SEVENTH CHAMBER OF BINAH HAS NO GOVERNING ANGELS, IT IS NOT DISCUSSED AT ALL.

26. The Seven Chambers of Aba (Father) and Ima (Mother) of Briyah

All prayers must travel within a specific spiritual network in order to reach their intended destination. The Zohar outlines this metaphysical structure so that we may access this realm simply by learning this section. The descriptions and explanations that follow provide the reader with an opportunity to access the spiritual network in such a way that prayers will be answered.

The Chambers of Abba [Father] and Ima [Mother] pertain to the principles of male and female energy that are built into the fabric of our physical universe. The proton and electron--the minus and plus charges in electricity, as well as in man and woman--are all branches extending out from this singular spiritual seed.

60. Rabbi Shimon said, Come and behold: Who knows how to arrange a prayer to his Master, as did Moshe, who knew how to lengthen and shorten his prayer as necessary. Rabbi Shimon said: I found written in ancient books the order of connecting THE WORLDSthe inner secretsinto one unit, SO THAT THEY, UNITED, WILL PROJECT LIGHT TO THE LOWER WORLDS. Sometimes it is required to arrange a prayer as to entice and soothe the Master to make the proper unifications, penetrate firmaments, and open gates and passages. One must arrange his prayers so that no one will stop him, NAMELY, THAT THE PROSECUTORS CANNOT DISTURB HIM.

60. תָּא חֲזִי אָמַר רַבִּי שְׁמַעוֹן מֵאֵן הוּא דִידַע לְסַדְרָא צְלוּתָא דְמַרְיָה כְּמִשָּׁה, בְּשַׁעֲתָא דְאֶצְטְרִיךְ לִיהּ, לְסַדְרָא צְלוּתֶיהָ בְּאַרְיִכוֹת סְדֵר, וּבְשַׁעֲתָא דְאֶצְטְרִיךְ לִיהּ לְקַצְרָא הֵבִי נְמִי. אָמַר רַבִּי שְׁמַעוֹן הָא אֲשַׁכְּחָנָא בְּסַפְרֵי קְדָמָי, סְדוּרָא דְרַזִּי דְרִזִּין, בְּקַשׁוּרָא חֲדָא, זְמַנִּין דְאֶצְטְרִיךְ לְסַדְרָא צְלוּתֶיהָ כְּדָקָא יְאוּת, וּלְקַשְׁרָא קְשָׁרִין, לְבַסּוּמֵי לְמַאֲרִיָּה כְּדָקָא יְאוּת, וּלְמַנְדַּע לִיחַדָּא יַחוּדָא שְׁלִימָתָא, לְמַקְרַע רְקִיעִין, וּלְאַפְתָּחָא תְרַעִין וּפְתַחִין דְלָא יְהֵא מֵאֵן דִּימְחִי בִּידֵיהּ.

61. Blessed are the righteous who know how to appease their Master, cancel decrees, and cause the Shechinah to rest upon the world. They know how to draw down blessings and prevent the administrators of judgment from prevailing in the world. Rabbi Shimon rose and said: "Who can utter the mighty acts of Hashem?" (Tehilim 106:2). Who can remove the dust from your eyes, Abraham, the devout, the right hand of the Holy One, blessed be He? He revealed to you the ultimate of secrets and the beginning of prayer in the world (AS AVRAHAM INSTITUTED THE MORNING PRAYER), AS WELL AS the chambers of the divine King.

61. זָכַאִין אֵינּוֹן צְדִיקָא, דְּאֵנּוֹן יַדְעֵי לְמַפְתֵּי לְמַאֲרִיהוֹן, וּלְבִטּוּלֵי גְזֵרִין, וּלְאֲשְׁרָאָה שְׂכִינְתָּא בְּעֵלְמָא, וּלְנַחְתָּא בְּרַכָּאן, וּלְמַעְרֵי מַאֲרִיהוֹן דְּרִינִין דְּלֹא יִשְׁלֹטוֹן בְּעֵלְמָא. קָם רַבִּי שְׁמַעוֹן וְאָמַר, מִי יִמְלֵל גְּבוּרוֹת ה' וְגו', מָאן יִגְלִי עַפְרָא מֵעֵינַךְ אַבְרָהָם חֲסִידָא, יְמִינָא דְקִדְשָׁא בְרִיךְ הוּא, דְּגִלִּי לְךָ רְזָא דְרִזְיוֹן, וְשְׂרִיאת צְלוֹתִין בְּעֵלְמָא, וְאַתְגַּלִּינִין לְךָ הֵיכְלֵי דְמַלְכָּא עֲלָאָה.

62. There are seven holy chambers and they have well guarded gates, MEANING THAT ALL THE ADMINISTRATORS OF JUDGMENT HAVE BEEN REMOVED FROM THEM AND THEY OPEN ONLY TO THOSE WORTHY OF ENTERING. And into each and every CHAMBER the prayers of unity enter. For he who knows how to appease and soothe his Master, make complete unification, make his way into those chambers, and connect THE CHAMBERS among themselves spirit with spirit, LOWER SPIRIT WITH A HIGHER SPIRIT-- it is said, "Hashem, in trouble have they visited you, they poured out a prayer when the chastening was upon them" (Yeshayah 26:16). IN THIS PASSAGE ARE IMPLIED ALL THE ELEVATIONS OF THE SFIROT AND ALL THEIR CONNECTIONS.

62. שְׁבַעָה הֵיכְלִין קְדִישִׁין אֵינּוֹן, וְאֵינּוֹן קַיִימִין בְּתַרְעִין בְּקִיּוּמָא, וּבְכָל חַד וְחַד עָאֵל צְלוֹתָא דִּיחֻדָּא, דְּמָאן הִידַע לְבִסּוּמֵי לְמַאֲרִיָּה, וּלְיַחְדָּא יַחֻדָּא בְּשְׁלִימוֹ, הִידַע לְאֲעֵלָא בְּכָלְהוּ, וּלְקִשְׁרָא קְשָׁרִין אֵלִין בְּאֵלִין, רוּחָא בְּרוּחָא, רוּחָא תַתָּאָה בְּרוּחָא עֲלָאָה, כְּתִיב ה' בְּצַר פְּקֻדֵיךְ צָקוֹן לְחַשׁ מוֹסְרֵךְ לְמוֹ.

27. The First Chamber of Yesod and Malchut: Livnat Hasapir (Sapphire Bricks)

This chamber is our connection with the Upper Worlds, from which we draw spiritual Light through our prayers. Without the connection known as the First Chamber, we cannot access the Upper Realms.

The term Sapphire refers to a spirit called Sapir.

The word Bricks refers to the moon. The mystery of this connection is found within the Hebrew word for Bricks, which is Livnat ????.

Livnat is rooted in the Hebrew word for moon, or Levannah ????. Kabbalah teaches that the moon has no Light of its own. Therefore it represents the physical world, which is signified by the brick.

The Sapphire gemstone glitters and reflects Light, which is illustrative of the Upper Worlds that emanate the Light of the Creator. The Brick and the Sapphire are the physical expressions of these two worlds. The First Chamber is the portal and interface by which we join our world--the brick--to the upper world--the Sapphire - where the spirit Sapir dwells. In this way, the spiritual Light is able to enter our lives.

63. The first chamber, CALLED THE CHAMBER OF YESOD AND MALCHUT, IS THE FIRST FROM BELOW. ABOUT it is written: "and under his feet was the likeness of sapphire bricks and it was the embodiment of the heaven in purity" (Shemot 24:10). Here is the secret of secrets: in this chamber, there is a spirit called Sapir (sapphire), who shines as does the precious stone called sapphire. He glitters in two directions, NAMELY CHESED AND GVURAH. One light, THE LIGHT OF CHESED, goes up AS OR CHOZER (RETURNING LIGHT) and goes down AS OR YASHAR (DIRECT LIGHT). This light is white, shining in every direction, upward, downward, and to all four directions of the world, ALL SIX DIRECTIONS OF ZEIR ANPIN. Its light is suspended sometimes, hidden and revealed. THAT IS, IT IS SOMETIMES SUSPENDED WITHOUT REVEALING THE DEFINITE DIRECTION OF THE SOURCE OF ITS SHINING.

63. הֵיכְלָא קְדָמָאָה: כְּתִיב וְתַחַת רַגְלָיו כְּמַעֲשֵׂה לְבַנַּת הַסַּפִּיר, וּכְעֵצַם הַשָּׁמַיִם לְטֹהַר. רְזָא דְרִזְיוֹן, רוּחַ דְּאִקְרִי סַפִּירָא כְּסַפִּירוֹ דְּאֵבָן טָבָא, נְצִיץ לְתַרִּין סְטָרִין, נְהוּרָא חַד סְלִיק וְנַחֲת, וְהוּא נְהוּרָא חוּזָר, נְצִיץ לְכָל סְטָר: עֵילָא וְתַתָּא וּלְאַרְבַּע סְטָרֵי עֵלְמָא, נְהוּרִיָּה תְלִינִין סְתִימִין וְגִלְוִיָּא.

64. From the light OF CHESED, four lights branch out to four sides. THE SECOND LIGHT IS THE LIGHT OF GVURAH OF THE SPIRIT SAPIR. THE FIRST LIGHT, CHESED, SHINES IN SIX DIRECTIONS AND THE SECOND, GVURAH, IN FOUR. THIS IS BECAUSE THE TWO LIGHTS ARE THE MALE AND THE FEMALE ASPECTS OF THE SPIRIT SAPIR; THE FIRST LIGHT REPRESENTS CHOCHMAH, BINAH, DAAT, CHESED, GVURAH, AND TIFERET, WHILE THE SECOND REPRESENTS NETZACH, HOD, YESOD, AND MALCHUT. All these lights are as one, as the light of a candle that glitters to the eyes of onlookers. The light rays of the candle go up and down, leave and return from the fire of the burning candle. And all are one light. So are the four lights. They glitter like the red color of burnished brass, as it is written: "And they sparkled like the color of burnished brass" (Yechezkel 1:7). All this is to the right, BECAUSE, IN SPITE OF THE FACT THAT THE RED LIGHT OF THE LIGHTS OF SAPIR ILLUMINES TO THE LEFT SIDE, IT NEVERTHELESS STANDS TO THE RIGHT OF THE CHAMBER.

65. To the left OF THE CHAMBER, there is a spirit named Levana (Moon), which is included in and mingles with the first spirit, CALLED SAPIR. The light FROM THIS SPIRIT is simultaneously red and white because it originates from these TWO first lights OF THE SPIRIT SAPIR, WHICH ARE ALSO RED AND WHITE YET HERE THEY ARE ONE. And when the lights OF THE SPIRIT LEVANA reach the first lights OF SPIRIT SAPIR and intermingle with them and become one, only the first lights become evident. The other lights OF THE SPIRIT CALLED LEVANA, are not revealed and are indistinguishable when they enter, as it is written: "and it could not be known that they had entered there" (Beresheet 41:21). This is the intermingling of spirit with spirit to be one and of lights with lights to become one. In this CHAMBER, two lower firmaments shine, and they are called the heaven of heavens.

66. From the emanation of those two spirits, the holy Ofanim (angels) were created. They are judged as are the Chayot (animals), as it is written: "The appearance of the Ofanim (wheels) and their work" (Yechezkel 1:16). This is AS MENTIONED IN THE QUOTATION, "WHEN THOSE MOVED, THESE MOVED; AND WHEN THOSE STOOD STILL, THESE STOOD STILL; AND WHEN THOSE WERE LIFTED UP FROM THE EARTH, THE OFANIM (WHEELS) WERE LIFTED UP ALONG WITH THEM." And of the Ofanim (wheels) it is written: "As for the likeness of the Chayot (animals) and their appearance, it was like burning coals of fire, which burn like torches. She walked amongst the Chayot" (Yechezkel 1:13). EVEN THOUGH THEY ARE CALLED CHAYOT, THEY ARE NEVERTHELESS OFANIM THAT ARE CALLED CHAYOT BECAUSE THEY ARE JUDGED AS CHAYOT. HE ASKS: To whom DOES THE SCRIPTURE REFER TO AS she IN THE VERSE, "SHE WALKED AMONGST THE CHAYOT?" AND HE ANSWERS: THE REFERENCE IS MADE TO the holy spirit LEVANA, which is where they originated. And it shines upon them, as the scriptures continue: "And the fire was bright and out of the fire came out lightning." (Beresheet 41:13). THE HOLY SPIRIT, LEVANA, IS MALCHUT, CALLED BRIGHTNESS, OF WHICH THE SCRIPTURE SAYS, "AND THE FIRE WAS BRIGHT AND OUT OF THE FIRE CAME LIGHTNING." IT IS THEREFORE SAID OF HER THAT SINCE SHE WALKS AMONG THE CHAYOT, "THEIR APPEARANCE WAS LIKE BURNING COALS OF FIRE." SHE IS THE ASPECT OF BRIGHTNESS FROM WHICH FIRE AND LIGHTNING ARE DRAWN.

64. מְנִהוּרָא דָא מְתַפְרָשִׁין ד' נְהוּרִין, לְד' סְטְרִין, וְכִלְהוּ נְהוּרִין חַד נְהוּרָא, כְּבוּצִינָא דְשֶׁרְגָא דְדְלִיק, וְנִצִּיץ נְהוּרִין לְחִיזוּ דְעֵינִין דְבְנֵי נֶשָׂא, וְאִינוּן נְהוּרִין דְשֶׁרְגָא, סְלִקִין וְנַחְתִין אֶזְלִין וְתִיבִין, מְגוּ הֵוּא אֶשָׁא דְנְהוּרָא דְשֶׁרְגָא דְדְלִיק, וְכִלְהוּ חַד נְהוּרָא, הֵכִי נְמִי אֶלִין. וְנִצִּיץ כִּלְהוּ נְהוּרִין, כְּחִיזוּ דְנַחֲשָׂא בְטִישָׂא בְסוּמְקָא, כְּמָה דְאֶתְמַר, וְנוֹצִצִים כְּעִין נַחֲשֵׁת קִלְל. דָא הוּא לְיֻמִינָא.

67. And when one spirit is included in the other that is THE SPIRIT SAPIR IN THE SPIRIT LEVANA the light of one Chayah comes out of them and spreads over four angels. The shape of this Chayah is that of a lion, NAMELY OF CHESED, WHICH IS WHITE. This Chayah rules over thirteen million other ofanim. The wings of this CHAYAH are those of an eagle. THE NUMBER OF ANGELS IS THIRTEEN MILLION because each of the four ANGELS travels on four wheels, each of which has three supports. In all, there are twelve supports for the four wheels ON WHICH EACH ANGEL TRAVELS. The spirit SAPIR controls them all because they originate from him. This spirit sustains them all, NAMELY THOSE WHEELS AND SUPPORTS, and through him they receive nourishment. HENCE HE IS COUNTED WITH THEM AS A THIRTEENTH. AND BECAUSE THEY ORIGINATE FROM BINAH, WHICH IS COUNTED IN HUNDREDS, THEY ARE THIRTEEN HUNDREDS. AND ALSO BEING FROM ARICH ANPIN, WHICH IS COUNTED BY THE TEN THOUSANDS, THEY ARE NUMBERED THIRTEEN MILLION.

68. Those four Ofanim have four faces each, and all four face toward the four sides of the Chayah set over them. And when the four angels travel under that Chayah, they penetrate and cling to one another, ARE INCLUDED EACH WITHIN THE OTHER, AND RECEIVE SUPPORT FROM EACH OTHER. This is alluded to by: "The loops may correspond one to the other" (Shemot 26:5). Each is within the other and each interpenetrates the others. When the wheels travel, a tender sound is heard in all the lower hosts. THAT IS, THEIR PLEASANT SUSTENANCE REACHES ALL THE LOWER HOSTS.

69. Below this chamber, the hosts spread out to radiate in many directions in the lower firmaments, THROUGH WHICH THE RULING OF THE LOWER WORLD CHANGES. This continues until a planet called Shabtai (Saturn) is reached IN THE SECOND FIRMAMENT OF THE WORLD OF ASIAH. ALL SEVEN PLANETS ARE LOCATED IN THE WORLD OF ASIAH, AND THEY ARE CALLED SHABTAI (SATURN), TZEDEK (JUPITER), MAADIM (MARS), NOGA (VENUS), COHAV (MERCURY), AND LEVANA (MOON). THROUGH THESE PLANETS, ALL CHANGE COMES TO THE WORLD. THE FIRST PLANET, SHABTAI, FEEDS FROM THE LOWEST OF THE SEVEN CHAMBERS OF THE WORLD OF BRIYAH, AND THE REST OF THE PLANETS FROM THE OTHER CHAMBERS. ALL THE LOWER WORLDS look toward this chamber FOR THEIR SUSTENANCE. From this chamber all those present are fed and look forward TO RECEIVING SUSTENANCE AND STRENGTH FROM THE SPIRIT OF SAPIR, as it is written: "where the spirit was to go they went; they turned not when they went" (Yechezkel 1:12). This chamber is called Livnat Hasapir BECAUSE OF THE TWO SPIRITS CONTAINED THEREIN, SAPIR AND LEVANA.

70. The spirit SAPIR includes the spirit LEVANA within him and has light that goes up and comes down. His light never stops shining, as the light of the sun within the water. And nothing other than the desire of a righteous man through his prayer that goes into that chamber can attain THAT SPIRIT. That prayer elevates so as to connect perfectly THAT IS, MAKE UNIFICATIONS under the influence of this spiritas is appropriate. Then THE SPIRIT is enveloped with light and is happy with THE PRAYER, and goes up with it to the second chamber to connect with its unity. This spirit, WHICH INCLUDES WITHIN IT THE SPIRIT LEVANA, can now mix with a higher spirit IN THE SECOND CHAMBER.

71. This HIGHER spirit, WHICH NOW INCLUDES THE SECOND SPIRIT THAT WENT UP TO THE SECOND CHAMBER AS IT TRAVELS UPWARD, ALSO includes within it all the Chayot, Ofanim, and wheels. They grasp onto it, as does water to fire and fire to water AND AS THE FOUR WINDS GRASP ONTO EACH OTHER, south onto north, north onto south, east onto west, and west onto east. They all link with each other and hold onto each other CHAYOT, ANGELS, OFANIM, AND TWO SPIRITS WITH THE SPIRIT OF THE SECOND CHAMBER.

This spirit goes up to connect WITH THE SPIRIT OF THE SECOND CHAMBER, and the Chayah, INCLUDED IN THE SPIRIT, also looks up toward the second chamber TO RECEIVE ITS SUSTENANCE. They look toward each other AND THE SECOND CHAMBER, AND ALL THEREIN LOOK TOWARD THOSE OF THE LOWER CHAMBER, THAT HAVE COME UP TO IT, SO IT MAY BE COMPLETED BY THEM.

72. In the center of this chamber stands a pillar that reaches the middle of a higher chamber. It pierces THE ROOFS OF ALL THE SEVEN CHAMBERS AND STANDS ERECT WITHIN THEM from bottom to top. This enables the spirits to bond to each other and to elevate FROM ALL THESE CHAMBERS, SO THAT THEY NOW UNITE and become one spirit, as it is written: "They all have one spirit" (Kohelet 3:19).

28. The Second Chamber: Hod

This chamber is filled with pure white Light which remains in a state of potential until the interface of the First Chamber acts upon it through our positive actions and prayers. This white Light then shines through the First Chamber. As it fulfills all our desires, the one Light suddenly becomes many. A wonderful illustration of this process is visible in nature, when a ray of sunlight strikes a gemstone and refracts into the seven colors of the rainbow.

73. It is said that the second chamber is "the embodiment of heavens in purity" (Shemot 24:10). Here can be found a spirit named Zohar (Splendor), which is always in white, THE COLOR OF THE ILLUMINATION OF CHASSADIM, CALLED WHITE. It cannot mix with any other color. This is called Etzem (embodiment) and never changes. The shining of this SPIRIT is not so revealed as that of the others. It is harder to distinguish, BECAUSE ALL ITS COLORS ARE INCLUDED IN THE WHITE. This is similar to the hidden part of the eye, THE BLACK PART, WHEREIN LIES THE ABILITY TO SEE. When it rolls, it glitters and glows, MEANING THAT WHEN A PERSON WANTS TO SEE HE ROLLS ALL FOUR COLORS TO A PARTICULAR DIRECTION AND THERE IS NO OTHER WAY TO SEE. The same applies TO THIS SPIRIT: IT CANNOT SHINE UNLESS IT ROLLS AND IT DOES NOT LINGER UPON ANY ONE OF ITS SIDES. THE SPIRIT ROLLS THEM ALL AND THEY GLITTER UNTIL IT REACHES THE WHITE THEREIN. IT STANDS THERE, HAVING EXPOSED IN THE MEANWHILE ITS FOUR SIDES. For when the first spirit, LIVNAT HASAPIR elevates TO THIS SPIRIT, it revolves it so as to reveal ITS FULL EMANATIONS, and it THUS RECEIVES ALL ITS FOUR ASPECTS. THE FIRST SPIRIT connects with the SECOND as through the white in the eye, MEANING THAT AFTER RECEIVING ITS FOUR COLORS IT IS ATTACHED SOLELY TO THE WHITE. This is done through a much fainter color that is shed upon this spirit, THROUGH THE EMANATION OF THE SPIRIT IN THE THIRD CHAMBER OF NETZACH THAT SHINES WITH WHITE LIGHT FROM THE SPIRIT OF THE SECOND CHAMBER. IT IS SO FAINT THAT NO COLOR IS DISTINGUISHABLE IN IT.

74. This spirit is empowered to rotate when the lower spirit OF LIVNAT HASAPIR RISES TO IT. Because the lower light rotates the light of this spirit, and then it shines. This SPIRIT cannot shine until the lower SPIRIT connects with it. Then it shines, connected with the light of the lower SPIRIT that it now contains. ALL ITS ILLUMINATION IS ATTACHED TO THE LOWER SPIRIT AND NOT TO ITSELF. THIS IS because it does not change AND ITS EMANATION REMAINS WHITE, but reveals itself through that rotation only for the sake of THE LOWER SPIRIT.

75. When this light revolves, another light travels to the left, revolving and circling with it. This is the inner meaning of writing: "the joints of your thighs are like jewels, the handiwork of a crowning craftsman" (Shir Hashirim 7:2). NETZACH AND HOD ARE CALLED THIGHS AND THEIR LIGHTS ARE DIFFICULT TO REVEAL, THEY ARE ALWAYS HIDDEN, EXCEPT WHEN THE LOWER SPIRIT ASCENDS THAT ROLLS IT. THUS, THEY ARE CALLED THE JOINTS OF THIGHS THAT ARE ALWAYS CONCEALED. Happy is he who knows how to reveal the lights OF THIS CHAMBER AND ELEVATE THE SPIRIT OF THE LOWER CHAMBER THAT ROLLS AND REVEALS THE LIGHTS THEREIN.

76. Another spirit is contained within it, revolving and shining around it in blue and white. AS THERE ARE TWO SPIRITS IN THE FIRST CHAMBER, SAPIR AND LEVANA, MALE AND FEMALE, SO THERE ARE TWO SPIRITS IN THE SECOND CHAMBER. THE MALE IS NAMED ZOHAR AND THE FEMALE IS CALLED ETZEM. The white OF THE SPIRIT joins with the white of ETZEM, and the blue OF THE SPIRIT joins with the red OF LEVANA, located to the left side OF THE FIRST CHAMBER. They embrace each other, become one, and are thus called Etzem Hashamayim (the embodiment of heaven). All that exists below THIS CHAMBER, IN BRIYAH, YETZIRAH, AND ASIYAH, along with all that exists in the lower chamber YESOD, is contained within the CHAMBER CALLED HOD. And because they are all contained IN THIS CHAMBER, it is called the embodiment of heaven. It EMBODIES THE WHOLE EXISTENCE.

77. From the totality of those lights, THROUGH THEIR MATING, the Seraphim were created. Each has six wings, as is written: "Above it stood the Seraphim, each one had six wings" (Yeshayah 6:2). They all have six WINGS, because they originated from THIS CHAMBER CALLED Etzem Hashamayim (the embodiment of heaven). These burn all those who do not revere their Master's glory THIS MEANS THAT HE DEALS WITH THE THREE TOP SFIROT, and it is said that whoever uses a crown is wiped out, BECAUSE THE SERAPHIM BURN HIM. And whoever reads and learns the Six Orders of the Mishnah knows how to arrange and connect with his Master's unity, as is fitting. It is he who knows how to sanctify his Master's holy name each day always.

78. And when those lights revolve, they emit the light of one Chayah AND THAT CHAYAH IS BORN AND stands spanning four Chayot. Those latter control the former, NAMELY THE SERAPHIM, because they contain the Seraphim within them. BECAUSE THE CHAYOT ARE EXTRUDED FROM THE REVOLVING LIGHT, THEY ARE VERY WELL-BALANCED AND CAN CONTROL THE SERAPHIM AND SWEETEN THE JUDGMENT AND FIRE IN THEM. When the Chayot travel, BY FORCE OF THE REVELATION OF THE REVOLVING LIGHT, the lower Seraphim are vanquished AND RENDERED HARMLESS. Those are the serpents that evolve from and are born of the Seraph serpent that caused death to all people of the world, THE ORIGINAL SERPENT.

79. Those Chayot are from the face of an eagle and look upon this higher Chayah above them, which is the supernal eagle, TO RECEIVE THEIR SUSTENANCE. It is written: "the way of an eagle in the Shamayim (heavens)" (Mishlei 30:19). THIS ALLUDES TO THE CHAYAH, CALLED EAGLE, WHICH RESIDES IN THE CHAMBER OF ETZEM HASHAMAYIM. This spirit NAMED SHAMAYIM (HEAVENS) controls all, AT THE TIME OF THE REVOLVING OF LIGHT. BUT IF THE SPIRIT OF ETZEM WAS IN CONTROL, THEN THE FACE OF THE CHAYAH WOULD BE THAT OF A LION, AS IS THE CHAYAH IN THE FIRST CHAMBER, WHICH IS WHITE, HAVING THE LIGHT OF CHASSADIM. BUT BECAUSE THE PREDOMINANT SPIRIT IS THAT OF SHAMAYIM WHO IS WHITE AND BLUE, CHESED AND GVURAH, THE CHAYAH IS IN THE FACE OF AN EAGLE, AN ADMIXTURE OF CHESED AND GVURAH. FOR THE IMAGE OF CHESED IS A LION, AND THE IMAGE OF GVURAH IS A BULL.

The Chayah that spans over the four Chayot looks upward TOWARDS THE SPIRIT NAMED SHAMAYIM and the Chayot look upon that SUPERNAL CHAYAH FOR THEIR SUSTENANCE.

80. When those CHAYOT travel, AS WHEN THE REVOLVING LIGHT SHINES IN THEM, many hosts are shaken. Some shine because of them, and some are broken loose from where they stand. The radiance OF THE CHAYOT burns them with fire and later they are restored. All THE LOWER HOSTS slide under this supernal Chayah and find refuge under its wings so as to be included in it above.

81. These four Chayot rise when the spirit ETZEM HASHAMAYIM shines within the SUPERNAL Chayah. Each and every Chayah has four wheels. One wheel points east and three pedestals support it; all face THE CHAYAH THAT IS IN the center OF THE FOUR WHEELS. One faces west and also has three pedestals that face TOWARD THE CHAYAH IN the center, and the same is true for the wheels of the south and north. The movement of all twelve pedestals OF EACH CHAYAH is controlled by THE CHAYAH IN the middle OF THEIR WHEELS AND NOT TO ANY OF THE SIDES OF THE WHEELS THEY SUPPORT. The CHAYAH in the middle closes up and opens, CREATING AND CONTROLLING ALL OF THE EMANATIONS OF LIGHT. While traveling, each wheel can be clearly heard throughout the firmaments.

82. The four Chayot interlink, and the Ofanim below IN THE FIRST CHAMBER penetrate the Chayot of THE SECOND CHAMBER above, which are included within one another. This spirit, which is included within the spirits BELOW IN THE FIRST CHAMBER, glows and ascends to THE THIRD CHAMBER above. There it connects with the desire of a righteous man while reciting his prayer. When a prayer goes up and enters the SECOND chamber, it elevates all IN EXISTENCE IN BOTH THE FIRST AND SECOND CHAMBERS with it and all intermix until they are included in this spirit. This spirit now travels, empowered by the desire of the unifications of the prayer. The prayer unifies all until they reach the third chamber and mix with it as the first ones. They mix as fire with water and water with fire, air with earth, earth with air, east with west, west with east, north with south, and south with north. Similarly those here intermingle and intertwine. And many hosts and camps descend, mix, and shine upon those lower ANGELS until they glow upon a Planet called Tzedek (Jupiter). On Jupiter, many of the governing ministers of the world stand, WHO RECEIVE THIS RADIANCE, AND SUSTAIN THE WORLD.

83. And when this spirit, containing and contained by all THOSE LOWER THAN IT rises, enters the third chamber and connects with the spirit inside the pillar that stands erect in the middle OF THE CHAMBER, then all is complete as it should be until this point. All become as if one spirit that contains all and is complemented by all as was stated before "and they all have one spirit" (Kohelet 3:19). Here is the secret of 'bowing in order to reach full cleavage with his Master.'

83. וְכַד רוּחָא דָּא דְּאִתְכְּלִיל מְכֻלָּהוּ, וְכִלְהוּ כְּלִילִין בֵּיהּ, סִילִיק וְאִתְאַחְד וְעָאֵל בְּגוּ הֵיכְלָא תְּלִיתָא, עַד דְּאִתְאַחְד בְּרוּחָא דְּתַמָּן, בְּגוּ הֵיכָא עִמּוּדָא דְּקָאִים בְּאִמְצַעִיתָא, וְכִדִּין כְּלָא אִשְׁתַּלִּים עַד הֵכָא, כְּדָא יָאוּת. וְכִלְהוּ רוּחָא חָדָא, כְּלִיל מְכֻלָּא, וְשְׁלִים מְכֻלָּא, כְּדָא וְרוּחָא אֶחָד לְכָל, הֵכָא הִכְרַעָה לְאִתְדַבְּקָא בְּמֵאֲרִיָּה.

29. The Third Chamber: Netzach

This chamber holds Light in its purest form--Light that is unseen and not yet manifest. Sunlight in the vacuum of space is the clearest illustration of this Kabbalistic truth. Because they lack a physical object to reflect and reveal the Light, the photons of sunlight remain imperceptible to the naked eye. This is why darkness surrounds the earth even though the sun's rays are continually streaming. Sunlight only illuminates when it strikes the physical atmosphere.

84. The third chamber contains the spirit called Noga (Venus or brightness), the purest and cleanest of all THE LOWER SPIRITS. No color is distinguishable therein, neither white nor green nor black nor red. Thus, it is called Tohar (purity), being purer and cleaner than all those lower than it. But although it is purer than all the others, ITS EMANATION is not visible until the lower SPIRITS OF THE SECOND CHAMBER rotate WITH THE LIGHT, cling to it, and penetrate it. After the lower ones enter it, it shows its light and does not retain any of the colors OF THE LOWER SPIRITS THAT HAVE ENTERED IT.

84. הֵיכְלָא תְּלִיתָא: הֵיכְלָא דָּא, אֵיחָד הֵיכְלָא, דְּהֵיכָא רוּחָא דְּאֶקְרִי נְגָה, רוּחָא דָּא, אֵיחָד דְּכִינָא, בְּרִיר מְכֻלָּהוּ, לִית לֵיהּ גּוּוֹן דְּאִתְחַזִּי בֵּיהּ, לָאוּ חוּר, וְלָאוּ יְרוּק, וְלָאוּ אוּכְם, וְלָאוּ סוּמְק. וּבְגִין כֵּן אֶקְרִי טוּהַר, דְּכִינָא, בְּרִירָא מְכֻלָּא אֵלִין תַּתָּאִין, וְאִף עַל גַּב דְּאֵיחָד דְּכִינָא מְכֻלָּא, לָא אִתְחַזִּי, עַד דְּאֵלִין תַּתָּאִין מִתְגַּלְגְּלִין וְאִחֻדִּין בֵּיהּ, וְעָאֵלִין בְּגוּיָהּ. כִּינּוּן דְּעָאֵלִין בְּגוּיָהּ, כְּדִין אִחֻזִּי נְהוּרִיָּה, וְלָא גּוּוֹן חָד מְכֻלָּהוּ.

85. When this spirit is completed by the lower ones THAT HAVE GONE UP TO IT, it emanates from within it one light composed of three lights, THOSE OF THE CHAMBERS, NETZACH, HOD, AND YESOD. Two of those lights, THOSE OF THE LOWER CHAMBERS HOD AND YESOD, go up, come down, and glitter, BUT THE HIGHER LIGHT OF NETZACH GOES UP AND DOES NOT COME DOWN. And within this glitter there can be seen 22 different lights that become one light. THE LIGHTS THAT HAVE BECOME ONE go up and enter the SUPERNAL light OF THE CHAMBER OF NETZACH and that light contains them.

86. THE SPIRIT IN THIS CHAMBER does not shine except when the lower lights OF THE LOWER CHAMBERS elevate to it and the desire in the prayer OF THE RIGHTEOUS supports them all. Then the light MENTIONED EARLIER is born from within the spirit, and from it emanate two glittering lights, which appear in the manner of the 22 letters of Torah. These lights then reunite with the light THAT BROUGHT THEM FORTH.

87. These lower lights are all included in the 22 emanations, as well as in the one light THAT GAVE BIRTH TO THOSE 22 LIGHTS. This light is included in this spirit TO WHICH THEY GAVE BIRTH. This spirit stands in this third chamber. And it does not rest until it reaches the fourth chamber, TIFERET, unto which it desires to ascend.

88. The lights that emanate from that spirit join together as one when they glitter. When the TWO LIGHTS OF THE CHAMBERS OF HOD AND YESOD extend from the one light OF NETZACH, they press UPON THE VEIL, WHICH IS THE SECRET OF "BINDING BY STRIKING." They do this, so as to glow, REFLECT THE RETURNING LIGHT, AND ENCASE THE DIRECT LIGHT BEING DRAWN DOWN. From those two lights a holy and great Chayah is born. The figure of this Chayah is similar to that of the rest of the Chayot FROM THE FIRST AND SECOND CHAMBERS, FROM WHICH CAME THE TWO LIGHTS THAT GAVE BIRTH TO THIS CHAYAH. THIS CHAYAH HAS the face of a lion FROM THE FIRST CHAMBER and the face of an eagle FROM THE SECOND. These faces are combined and formed into one shape. THIS MEANS THAT BOTH THE FACE OF THE LION AND THE FACE OF THE EAGLE COMBINE TOGETHER TO FORM THE FACE OF THIS ONE CHAYAH. THERE IS NO DEFINITE FACE EVIDENT IN THE CHAYAH TO REMIND US OF THE CHAMBER OF NETZACH, BECAUSE THERE IS NO DEFINITE COLOR WITHIN THIS SPIRIT. NO SHAPE CAN BE DISTINGUISHED IN IT, BECAUSE THE LIGHT OF NETZACH DOES NOT HAVE TO TRAVEL WITH THE TWO LIGHTS IN ORDER TO SHINE.

89. Beneath this Chayah, there are four supernal Ofanim, having the appearance of chrysolite, embroidered with four colors: RED, WHITE, GREEN, AND BLACK. They include six billion lights. Each of the four Ofanim has eight wings and the aspects of these Ofanim emanate from the light of the Chayah that controls them FROM ABOVE. And when the light OF THE CHAYAH shines, THAT IS, WHEN THE REVOLVING LIGHT SHINES IN THEM, all these hosts come out.

85. כִּד אֲשַׁתְּלֵם הָאֵי רוּחָא, מְכַלְהוּ תַתְּאֵי, אִפְיָא מְנִיָּה נְהוּרָא, דְּכֻלִּיל בְּתַלְתָּ נְהוּרִין. אֵינּוּן תְּרִין נְהוּרִין, סְלָקִין וְנַחְתִּין וְנִצְצִין. בְּהוּא נִצְוָצָא אֲתַחְזוּן עֶשְׂרִין וְתֵרִין נְהוּרִין, מְשַׁנְיִין דָּא מִן דָּא, וְכֻלְהוּ חַד נְהוּרָא, וְעֵאלִין בְּגוּ הוּא חַד נְהוּרָא, וְהוּא נְהוּרָא כְּלִיל לֻן.

90. And these four OFANIM underneath THE CHAYAH face the four winds of the world EAST, WEST, NORTH, AND SOUTH. Each one has four faces. With two faces they look toward the Chayah ABOVE THEM. They conceal the other two faces with their wings to protect them from the brightness of the lights shining upon them which they cannot withstand.

91. And whenever these OFANIM travel, it is as the first ones travel. Each travels on four wheels and twelve supports, SIMILAR TO THE MANNER OF THOSE OF THE CHAMBER OF YESOD. WHENEVER THE REVOLVING LIGHT SHINES WITHIN THEM, many hosts and camps are made from their sweat. They all sing songs of praise and never stop doing so. These hosts are innumerable.

92. There are four portals to this chamber, and they face the four winds of the world. There are ten ministers in charge of each portal. And because of the desire of pure prayer, those who are present in the lower chambers, YESOD AND HOD, and the chambers themselves elevate TO THIS CHAMBER, and all THE MINISTERS create openings IN THIS CHAMBER for them. One becomes included in the other, and one is entangled in the other, AND ALL CONGREGATE EACH WITHIN THE OTHER. Ministers congregate within each other, hosts within each other, Ofanim congregate within Chayot, and Chayot congregate within Ofanim, and in those Ofanim, lights mix with other lights THAT IS, REVEALED FACES MIX WITH CONCEALED FACES, and spirit mixes with spirit until all are included within the spirit OF THIS CHAMBER.

93. In this chamber there is a place which looks like glittering gold. THIS IS THE PLACE WHERE ALL THE SWEETENED JUDGMENTS CALLED 'GOLD' COLLECT, AND THE RADIANCE OF THEIR REFLECTED LIGHT IS CALLED 'GLITTER.' In this chamber, many hosts and armies of angels are kept. These angels do not ascend. They are not adorned IN THE UPPER CHAMBERS, WHERE THEY COULD RECEIVE THE LIGHT OF THE TOP THREE SFIROT CALLED 'CROWNS' OR 'ADORNMENTS.' THESE ANGELS ALWAYS STAY IN THEIR PLACES IN THIS CHAMBER until all the levels interconnect THAT IS, UNTIL THEY ARE INCLUDED WITHIN AND UNITE WITH ONE ANOTHER. Then this chamber, NETZACH, moves to be adorned BY THE TOP THREE SFIROT. Then THE ANGELS leave their places, filled with judgment TOWARD THE PROSECUTORS OF YISRAEL. HENCE YISRAEL CAN RECEIVE THE SUSTENANCE OF THE TOP THREE SFIROT WITHOUT FEAR OF INTERVENTION FROM OUTSIDERS. THOSE ANGELS are called protectors, BECAUSE THEY PROTECT YISRAEL. They are emissaries to the administrators of justice who reside in the fourth chamber. THEY ARE COMMISSIONED TO JUDGE THE ACTIONS OF THE LOWER LEVELS ON THE SIDE OF EITHER MERIT OR DEMERIT. AND AFTER YISRAEL IS ACQUITTED BY THE COURT, IT IS PASSED ON TO THESE EMISSARIES FOR PROTECTION. Suspended from the four sides of this place are six billion guardians of the gold in every direction. Below them are sixty GUARDIANS OF GOLD, surrounding them in rows.

94. Those guardians do battle with the emissaries of judgment in the world outside THE CHAMBER using swords and spears, AND BURNING THEM. THEY BURN THEM UNTIL THE LIGHT OF all levels, in the lower levels, reaches the planet Maadim (Mars), FROM WHERE THE ACTIONS REACH THIS WORLD. And then the chamber elevates TO THE FOURTH CHAMBER, where it is adorned by the spirit and the hosts therein. This place, TOGETHER WITH ITS PROTECTORS AND ITS GUARDIANS OF GOLD, remains in its place, AND DOES NOT ELEVATE WITH THE CHAMBER. This place is called the couriers' compartment, because the emissaries therein run to finalize the judgments and punishments TO THE ENEMIES OF YISRAEL in every direction on earth. THEY RUN AND MAKE HASTE TO FULFILL THEIR ERRANDS, BECAUSE THEY MAY ONLY DESTROY THE TORMENTORS AND PROTECT YISRAEL WHILE THE CHAMBER IS ELEVATING TO THE HIGHER CHAMBER. AT OTHER TIMES, THEY ARE LOCKED IN AND CANNOT LEAVE.

95. With the ascension of prayer, all the lights and hosts travel, connect, and intertwine to form a unity until the spirit OF THE LOWER CHAMBER adheres to the spirit OF THE HIGHER CHAMBER, and they become one. They enter the CENTRAL pillar OF THE CHAMBER and elevate through it to be included in the spirit of the fourth chamber ABOVE THEM. Joyful is he who knows the secret of his Master and raises his banner where he ought to.

96. Come and behold: ALL THE LEVELS must complement each other and be lit one by the other, until they all elevate to that place that needs perfection. They elevate first from below TO COMPLEMENT THIS SUPERNAL PLACE and then descend TO COMPLEMENT THE LOWER LEVELS. Hence, perfection prevails in all directions, and all are made whole as it should be.

97. He who knows these secrets and brings about such perfection, adheres to his Master and cancels all terrible decrees. He crowns his Master, BY DRAWING LIGHT FROM THE TOP THREE SFIROT DOWN TO ZEIR ANPIN and brings blessings to the world. Such a man is called 'righteous, pillar of the world,' BECAUSE THE WHOLE WORLD IS PRESERVED AND SUSTAINED FOR HIS SAKE. His prayer is never returned unanswered. His rightful place is in the world to come, and he is counted among the faithful IN THE WORLD.

98. Come and behold: These chambers. Chayot, hosts, lights, and spirits all need each other so that THE UPPER LEVELS can be completed BY THE ELEVATION OF MAYIN NUKVIN (FEMALE WATERS), and so that, consequently, THE LOWER WORLDS can be completed BY DRAWING MAYIN DUCHRIN (MALE WATERS) from above. These chambers cling to one another.

94. וְכֹל הַנִּי מְגִינִים, כְּלֵהוּ מִגִּיחִין קְרָבִין סִיפִין וְרוּמְחִין לְבָר, בְּכֹל אֵינוֹן שְׁלִיחֵי דִינִין דְּעֵלְמָא, עַד דְּמִטּוּ דְּרִגִין בְּדִרְגִין לְכַכְבָּא דְּמֵאֲדִים, וּכְדִין הֵיכְלָא סְלָקָא וְאַתְעֵטְרַת בְּהוּא רֹחָא בְּכֹל אֵינוֹן חִיּוּלִין, וְאַשְׁתָּאֵר הֵהוּא דּוּכְתָא בְּאַתְרֵיהּ, וְהֵהוּא דּוּכְתָא אֶקְרִי תָא הֲרָצִים, אֵינוֹן שְׁלִיחִין מְרַהֲטֵי לְאַשְׁלָמָא דִּינִין וּמְרַעְנִין בְּכֹל סְטְרֵי עֵלְמָא.

99. They all cling to one another like the colors of the eye. And all that is included within them is like the sight seen through the hidden part OF THE EYE, when the eye rolls FROM ONE SIDE TO THE OTHER. Then can be seen the glittering splendor, which cannot be detected during this rolling of the spirit that governs all THAT IS IN THIS CHAMBER. That is why they stand, one level upon the other THAT IS, EACH LEVEL DEPENDS ON THE OTHER until all are adorned appropriately.

100. Come and behold: If it were not for those colors in the eye, as seen when the eye is shut and rolling, those shining colors would not be seen. And if it were not for these SHINING colors, the hidden part OF THE EYE that governs all would not be functional for sight. Everything depends upon everything else and connects with everything else.

101. When they are all contained as one in the third chamber, and the desire of prayer elevates them to be crowned in the fourth chamber, then all become oneone desire and one connection. This is the aspect of bowing down, of finding favor with one's Master.

30. The Fourth Chamber: Gvurah

This Chamber represents the intelligence and will that directs and determines where Light will manifest in our physical world.

102. The Fourth Chamber: This chamber is different from all other chambers. It contains four chambers one within the other, yet all are one chamber.

The spirit who inhabits this chamber is named Zechut (merit), because here all the liabilities of the inhabitants of the world are transformed into merits. Zechut takes all, AND HE WHO ATTAINS IT CAN FIND GOOD FAVOR FOR HIMSELF AND THE WHOLE WORLD.

103. From this spirit, ZECHUT, seventy lights radiate. They all glitter simultaneously, shining in circles, not spreading out TO SHINE DOWNWARD like other LIGHTS. THOSE LIGHTS cling to one another and shine within each other BECAUSE THEY HAVE FAMILIARITY OF FORM. THEY SHINE WITHIN EACH OTHER BECAUSE THEY MINGLE TO SHINE AS ONE. THEY CLING TO EACH OTHER BECAUSE THEY NEED EACH OTHER TO SHINE. IF ONE IS MISSING, NONE CAN SHINE. All the merits of the world are before those lights. THIS MEANS THAT THROUGH THEIR LIGHT, IT IS SEEN HOW THE FAULTS OF THE WORLD ARE TURNED INTO MERITS. From the totality OF THOSE SEVENTY LIGHTS, two lights emanate, are counted as one, and stand before them always.

99. וְכִלְהוּ בְּגוּוֹיָא דְעִינָא מִתְדַבְּקִין דָּא עִם דָּא, כֹּל מַה דִּי בְּגוּוֹיָהּ, אֵינֹן בְּהוּא חִיזוּ דְמִתְחַזְיָא בְּסִתְיֵמוּ, כֹּד מִתְגַּלְגַּלָּא עֵינָא, וְאִתְחַזֵּי הוּא זְהֵרָא נְצִיץ. וְהוּא מַה דְלָא אִתְחַזֵּי בְּהוּא גְלָגּוּלָא, אִיהוּ הוּא רוּחָא דְשִׁלְטָא עַל כֹּלָא. וּבְגִין כֵּךְ קְיֵימָא דָּא בְּדָא, דְרִגִּין עַל דְרִגִּין עַד דְאַתְעֵטֵר כֹּלָא בְּדָקָא יְאוּת.

104. Opposed to those SEVENTY LIGHTS, there are seventy ADMINISTRATORS OF JUDGMENT IN THE WORLD. THEY encircle these four chambers FROM THE OUTSIDE, but those seventy lights and those two lights that stand before them are innermost. This is the inner meaning of, "your belly is a heap of wheat surrounded by lilies" (Shir Hashirim 7:3). "YOUR BELLY" ALLUDES TO THE INNERMOST, BECAUSE THE BOWELS ARE INSIDE THE BODY. CHITIM (WHEAT) ALLUDES TO CHATAIM (SINS), NAMELY THE FAULTS THAT ARE TURNED INTO MERITS IN THE SECRETS OF THE SAID SEVENTY-TWO LIGHTS, WHICH ARE IN THE INNERMOST PART OF THE FOUR CHAMBERS. IT THEREFORE SAYS OF THEM "YOUR BELLY IS A HEAP OF WHEAT." THESE ARE SURROUNDED BY LILIES, WHICH ALLUDE TO THE JUDGES WHO ARE THE APPOINTED MINISTERS, RESPONSIBLE FOR ALL THE JUDGMENTS IN THE WORLD. THE SEVENTY MINISTERS STAND IN OPPOSITION TO THE SEVENTY-TWO LIGHTS. THIS IS BECAUSE ALL PUNISHMENT COMES FROM THE SEVENTY MINISTERS, BUT THEY ARE NOT FREE TO PUNISH, EXCEPT SO AS TO SERVE THE SEVENTY LIGHTS IN THEIR PREPARATION OF THE LOWER LEVELS FOR RECEIVING THEIR MAJESTIC REVELATION.

105. Before the SEVENTY lights stand all the merits and actions of the people to be judged. THE SEVENTY LIGHTS ARE THE SECRET OF THE SUPERNAL COURTHOUSE, WHICH JUDGES PEOPLE. The two lights STANDING BEFORE THEM give evidence OF PEOPLE'S ACTIONS. Because, as is written: "Those seven are the eyes of Hashem; they roam around the earth" (Zecharyah 4:10). 'EYES' ALLUDE TO SUPERVISION. THERE ARE SEVEN ATTRIBUTES OF CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT TO MAKE PEOPLE BEFITTING TO RECEIVE THE SUPERNAL PLEASURE AND DELIGHT. Therefore, the image of all that transpires in the world (GOOD OR BAD) is imprinted by the very deed and the very merit, and they are preserved and upheld FOR ETERNITY. THIS MEANS THAT NO DEED IS LOST IN THE WORLD, BE IT GOOD OR EVIL. EACH ACTION IS RECORDED IN ITS MANNER, AS IS QUOTED, "THE SEVEN EYES OF HASHEM." The two lights watch and see each action and give evidence before the seventy lights, WHICH ARE THE UPPER COURTHOUSE. AFTER HEARING THEM OUT, the seventy LIGHTS pass judgment and issue decrees for good or for bad. This chamber is a place of merit. The judgment mentioned above is not revealed here, but in the abundance that flows from the 70 lights that are received below. There is revealed the bad, but here, in this chamber, there is only merit.

106. IN THIS CHAMBER, the spirit ZECHUT has imprinted the three letters Yud-Hei-Vav. When the letters YUD-HEI-VAV cling to the place, THE MALCHUT REFERRED TO AS PLACE AND DESIGNATED BY THE LOWER HEI as the mating of male and female, THEN THE LETTERS are imprinted on THE SPIRIT and do not depart from there. Then another ray of light extends and radiates in four directions. This light also extends three other LIGHTS, NAMELY CHOCHMAH, BINAH, AND TIFERET, which are the three courthouses where judgements are passed in world affairs AND NONCRIMINAL TRANSGRESSIONS. Here, judgments are passed regarding richness and poverty, illnesses and health, and other worldly affairs. One chamber is set aside for the first seventy LIGHTS and is the innermost OF THE FOUR CHAMBERS OF THE FOURTH CHAMBER. There are three OUTER CHAMBERS for the three other COURT ASSEMBLIES.

104. לְקַבֵּל אֱלֹיִן, אֵינּוֹן שְׁבַעִין רְבָרְבָן מִמֶּנּוּ לְבַר, דְּסֻחְרִין כָּל אַרְבַּע הַיְכָלִין. שְׁבַעִין נְהוּרִין אֱלֹיִן, וְתָרֵי נְהוּרִין דְּקִיּוּמִין קְמִיּוּהוּ, כְּלֵהוּ פְּנִימָאִין, גּוֹ לְגוֹ, וְרָזָא דָא דְכָתִיב בְּטַנְךָ עֲרַמַת חֲטִיִּים סוּגָה בְּשׁוֹשְׁנִים.

107. Zechut elevates and, containing all the lower LIGHTS AND THE OTHER THREE LIGHTS, produces one fiery holy Chayah. It has eyes, similar to those of humans, to supervise the thousands upon thousands and tens of thousands armies of administrators of justice. The latter take the verdicts FROM THE COURT and by opening or closing CHANNELS OF SUSTENANCE carry out sentences to the world.

108. Below this Chayah four Seraphim glow as buds on flowers, and sparks of fire erupt from them. Each has seventy-two wheels that are burning with fire. When they travel, they leave behind a river of fire. Thousands upon thousands OF ANGELS serve that fire, and from these THOUSANDS OF THOUSANDS many armies emerge. When the wheels travel, myriads upon myriads are born and stand in the fire. Below the second chamber, angels sing, try to come close, and are burned.

109. The ministers who are charged with managing the world receive their appointment from here. THE APPOINTMENT COMES from the spirit ZECHUT, who has been branded with the letters YUD-HEI-VAV. From here they are removed from the world and sentenced by this fire that extends FROM THE NAHAR DINUR (RIVER OF FIRE). Sentencing is delivered from this chamber because it has been branded with the three letters YUD-HEI-VAV, within which the spirit is enclosed. This Chayah brings forth innumerable armies and hosts.

110. All the judgments of the world, whether good or bad, come from this chamber, except for those three pertaining to children, longevity, and sustenance. No permission is given to judge these here. They depend on that supernal River CALLED DIKNA (BEARD) OF ARICH ANPIN, OR SUPERNAL MAZAL (DESTINY), from which the lights OF CHILDREN, LONGEVITY, AND SUSTENANCE extend. And everything depends on it alone. From the middle of this chamber there is one specific location where the supernal spirit OF THE FIFTH CHAMBER is received by the spirit. This location ascends through them.

111. This chamber has twelve portals. At each portal can be found those officials and ministers who notify below of the judgments that are to be brought down. As is written: "He cried aloud and said cut down the tree and cut off its branches" (Daniel 4:11). ALL THE ANNOUNCEMENTS COME FROM HERE.

112. And those announcements OF THE OFFICIALS AND MINISTERS are received by the winged ones until the firmament of Chama (sun) is notified. And when the sun shines UPON THE EARTH, the announcements are released from the sun, and roam the world until they reach the serpent of the firmament. All the planets of the firmament are frozen within the sun, which stands in the middle of the firmament.

107. סֶלְקָא הַאי רוּחָא, וְכִלִּיל כָּל אֵינּוֹן דְּלִתְתָא, וְאַפִּיק חַד חַיּוּתָא קְדִישָׁא מִתְּלֵהָטָא, וְעֵינִינִן לָהּ, כְּעֵינֵי אִינְשָׁא, לְאַשְׁגַּחָא בְּאַלְף אֲלָפִין וּרְבּוּא רְבּוּן חַיִּילִין, מְאַרְיֵהוּן דְּדִינָא, כְּלֵהוּ נְטִלִין פְּתִקִין, וּפְתַחִין וְסַגְרִין בְּעֵלְמָא, וְאַשְׁלִימוּ דִינָא.

113. The officials below and those in charge over the serpent hear that, and from them it is spread throughout the world. COME AND SEE: IN THE MIDDLE OF THE FIRMAMENT THERE IS ASSEMBLED A BRIGHT TRAIL, WHICH IS THE SERPENT OF THE FIRMAMENT. ALL THE HARDLY NOTICEABLE STARS ARE HEAPED TOGETHER IN IT. IT IS CALLED THE MILKY WAY BY ASTRONOMERS BECAUSE THE CONCENTRATION OF STARS LOOKS LIKE MILK. THOSE STARS ARE IN CHARGE OF THE SECRETIVE ACTIONS OF THE INHABITANTS OF THE WORLD. THE SERPENT IN THE FIRMAMENT IN WHICH ALL THE STARS ARE FROZEN REFERS TO THE MILKY WAY, IN WHICH ALL THE STARS ARE FROZEN AND DO NOT MOVE.

From the serpent in the firmament AN ANNOUNCEMENT IS MADE AND spread in the world. Even spirits, demons, and birds of the sky relay those announcements to the world. WHEN THE VERDICTS HAVE BEEN CARRIED OUT, the ministers close the portals. The spirit here does not go up to the SUPERNAL spirit OF THE FIFTH CHAMBER UNTIL all the spirits in the lower CHAMBERS become one with this spirit here. All THE SPIRITS are embraced within each other until they become one. THEN THE SPIRIT HERE RISES UP WITH THEM TO THE FIFTH CHAMBER AND IS EMBRACED BY THE SPIRIT THEREIN.

114. When a man lies in his sickbed, he is sentenced either to life or to death. Life depends UPON THE SUPERNAL RIVER above and not upon THE CHAMBER ZECHUT. Indeed, if one is sentenced to life, one is given life from the upper RIVER CALLED MAZAL; if MAZAL does not grant one life, one does not live. Joyful is the state of he who adheres to his Master and can enter and leave THIS CHAMBER AS HE WISHES. Here, IN THIS CHAMBER, a prostration is practiced where his face touches the ground so as to subdue the judgment. Of this chamber it is written: "El of truth and without iniquity" (Devarim 32:4).

31. The Fifth Chamber: Chesed

This is the highest chamber, for it is composed of pure love. Whenever Love is generated and made manifest in our physical world, it becomes a vessel. This vessel then awakens the Light of this Chamber. It begins flowing through the entire system and into our own realm.

115. The fifth chamber is the chamber illuminated by lightning. A spirit NAMED BARAK (LIGHTNING) dwells here, shining and illuminating the lower ones. Barak comprehends, opens and closes, and shines in every direction. From this shining extends a ray of light with a purple appearance, but it actually contains the colors, white, black, red and green. The colors mix with each other the white is embroidered with the red, the black with the green, and the white with the black. From them a Chayah is embroidered containing ALL THE COLORS, BUT MAINLY green and red. It has the face of a human and includes all shapes.

113. וְשִׁמְעִין מִלֵּה, וְנִקְטִין לָהּ אֵינֹן סֶרְכִין דְּתַחוּת, וְאֵינֹן דְּמִמֶּנּוּן עַל הֵהוּא חַיּוּתָא, וּמִתְמַן אֲתַפְּשֵׁט לְעֵלְמָא, וְאִמְלוּ רוּחִין וְשִׂרִין, וְאִמְלוּ עוֹמֵי שְׁמַיָא, מוֹדְעֵי לִיָּה בְּעֵלְמָא כְּרוּזִין. תְּבִין וְסִתְמִין פְּתַחִין. לֹא סֶלְקָא רוּחָא בְּרוּחָא, עַד דְּכֻלְהוּ רוּחִין תְּתַאי בְּלֵהוּ חַד, בְּהַדֵּי הַאי רוּחָא, וְכֻלְהוּ אֲתַכְלִילִן וְעֹאֲלִין דָּא בְּדָא, עַד דְּאֲתַעְבִּיד כֻּלָּא חַד.

115. הֵיכְלָא חֲמוּשָׂאָה, הֵיכְלָא דָא, הֵיכְלָא דְּבַרְקָא זְהִיר, דְּאֵיהוּ רוּחָא דְּמִזְהִיר נְהִיר לְאֵינֹן תְּתַאי, רוּחָא דָא אֵיהוּ כְּלִיל, וּפְתַח וְסִגִּיר, נְהִיר וְנִצִּיץ לְכָל סִטְרִין. מְנַצִּיצוּ דָא, נְהִיר חַד נְהוּרָא כְּעִין אֲרַגְוֹנָא, נְהוּרָא דָא, כְּלִיל כָּל גּוּוּנִין דְּנְהִרִין נְהוּרָא חוּר, וְאוּכְם, סוּמְקָא, וְיִרוּקָא. אֲתַכְלִילִן אֲלִין בְּאֲלִין, אֲתַרְקִים חוּר בְּסוּמְקָא, אוּכְם בְּיִרוּקָא, לְבַתַּר חוּר בְּאוּכְם, וְאֲתַעְבִּיד חַד חַיּוּתָא מְרַקְמָא, וְאֲתַכְלִיל בְּהָ, יִרוּקָא וְסוּמְקָא, דִּיּוּקְנָהָא כְּדִיּוּקְנָא דְּבֵר נֶשׁ, דְּכֻלְהוּ כָּל דִּיּוּקְנִין.

116. From this CHAYAH, four pedestals are produced which are larger Chayot than those below. One is called Ofan, WHICH IS THE MALCHUT ALONE, and is two. THEY CLING TO EACH OTHER, because when one is observed, the other shines within it. They adhere to and penetrate one another. ONE GOES INSIDE THE FIRST, and they are perceived as the four heads of the four winds of the world. Yet all four are one body as is written: "ofan (a wheel) in the middle of an ofan" (Yechezkel 1:16). All FOUR DIRECTIONS are connected with each other, as is the case with the upper Chayot OF THIS CHAYAH, they never separate. The four colors embroidered IN THE CHAYAH embrace each other and are drawn toward the four directions. Because of this, it appears that when the Chayah travels, it travels to two directions, BINAH AND MALCHUT, THE EMBODIMENTS OF THE FOUR DIRECTIONS.

117. The spirit of Barak is composed of two spirits. First, the spirit of lightning, which produces the Chayah DESCRIBED ABOVE, WHICH CONTAINS all those mentioned lights. A second spirit, called the blazing spirit, extends from Barak and shines.

118. From this BLAZING SPIRIT extend two lights that are really four DIRECTIONS, AS DISCUSSED ABOVE. These lights, which are constantly changing their appearance, are called: "the bright blade of a revolving sword" (Beresheet 3:24). These lights change and turn into the edge of a sword. These LIGHTS stand above THE LIGHTS IN the lower chamber, CALLED THE CHAMBER OF MERIT (ZECHUT). The blade of the sword is situated above the seventy lights of the court assembly IN THE CHAMBER OF MERIT. From this we learn that a sword is hung above the heads of the judges.

119. The bright blade of the sword, which is the lights of the left side, produces another Chayah that stands above four OFANIM who are unstable. THEY CANNOT RADIATE OUTWARD, BUT JUST TWINKLE, BECAUSE they are two to the right and two to the left. And when the spirit of this Chayah enters the FOUR UNSTABLE ONES, WHEN IT TRAVELS ON HER FOUR OFANIM, two blazing sparks come out of them. The sparks leave this chamber and constantly change. They are sometimes female and sometimes male. Sometimes they are spirits and sometimes they are holy angels.

120. Why? Because when this Chayah was embraced by the first Chayah, WHICH CAME OUT OF BARAK, the strength of the entwinement created an eternal spark that never extinguishes. This SPARK roams after the two sparks described above.

116. מינה נפקו ד' סמכין דאינון חיוון רברבן, על אלון דלתתא, חד אקרי אופן, דאיהו תרין, בגין דכד אתחזי האי, אתנהיר אחרא בגויה, דביק דא בדא, עאל דא בדא, לבתר עאל אחרא דא בדא, ואתחזון ד' רישין, לד' סטרין דעלמא, וכלהו חד גופא, ואלין אינון דכתיב בהו פאשר יהיה האופן בתוך האופן, וכלהו אלין קשורין דא בדא, כחיוזו דחיוון עלאין, דלא מתפרשין לעלמין, האי חיותא. דארבע גוונין מרקמן, אחידן אלין באלין לד' סטרין. מהכא, כד נטלא חיותא דא, נטלא לתרין סטרין.

121. Now they are males, and they perform their mission in the world, but are extinguished before they are finished. Then the spark strikes them, shines upon them, and renews them as before. Now, they are females, BECAUSE THEY RECEIVE FROM THE SPARK THE EMANATION OF MALCHUT, WHICH IS CONSIDERED FEMALE, and they go out and float around. Before they end their mission, they are extinguished. WHEN THEY RADIATE FROM THE RIGHT, THEY ARE CALLED SPIRITS AND THEY ROAM. BUT WHEN THEY TOUCH UPON THE LEFT, THEY ARE CALLED ANGELS AND ARE EXTINGUISHED. But the spark then strikes and shines upon them AGAIN, and they are renewed as before. AND SO IT IS EVERY TIME THEY ARE EXTINGUISHED. For this spark comprises THEM all, and consists of the four appearances. Thus, those TWO SPARKS THAT RECEIVE FROM HIM change continuously into the four appearances, MALES, FEMALES, SPIRITS, AND ANGELS.

122. This LOWER spirit is included in the other SUPERNAL spirit, as we said, and both appear as one. Unlike the first ones, which when included, one with the other, appear as one, these are distinguishable. They coexist in love and are composed of all the lower CHAMBERS.

Although they appear as two SPIRITS, they are one. And when one spirit expands within the other, they lovingly include all the lower SPIRITS, as it is written: "Your two breasts are like two young roes who are twins and feed among the lilies" (Shir Hashirim 4:5).

123. When those two spirits expand and lovingly fill each other, this chamber again becomes the chamber of Ahava (Love). The chamber of love is always stable and hidden from all within the innermost secrets, except those who seek to cling to it. This is as written: "there I will give you my love" (Shir Hashirim 7:12).

124. Later, when the two spirits that are one shine, innumerable thousands and tens of thousands of different hosts emerge from them. Some are called mandrakes, ACCORDING TO THE SECRET MEANING OF "THE MANDRAKES GIVE A FRAGRANCE" (SHIR HASHIRIM 7:14); some are called vines, ACCORDING TO THE SECRET MEANING OF "LET US SEE IF THE VINE HAS FLOWERED" (SHIR HASHIRIM 7:13); and others are called pomegranates, AS IS THE SECRET OF "AND THE POMEGRANATES BUD FORTH." The hosts come forth from the spirits, until some of the hosts outside THE CHAMBER reach the planet Noga (Venus). AND FROM THIS PLANET, THE LOWER PLANETS DRAW DOWN SUSTENANCE. AFTER THE INTERMIXING OF THOSE SPIRITS, they are bound by love and never separate. This is as it is written: "If a man would give all the substance of his house for love, it would be utterly ridiculed." (Shir Hashirim 8:7). Here, one bows one's head and spreads one's hands to cleave to his Master's love.

121. והשתא אינון גוברין, ועבדין שליחותא בעלמא, ועד לא מסיימי מתדעבי, והוא ניצוצא בטש בהו, ונהיר לון, ואתחדשון במלקדמין, ואינון נוקבי, ואזלי ושאטן, ועד לא מסיימי מתדעבי, והאי ניצוצא בטש בהו, ונהיר לון, ואתהדרן במלקדמין, בגין דהוא ניצוצא כליל מכלא, כליל מד' גוונין, ובגין דא אינון מתהפכין לכל הני גוונין.

32. The Sixth Chamber: Tiferet

Herein lies the source of all desires. Desire is the vital component and engine which draws the Light. Without desire, the Light remains in a state of potential. Actions alone are not enough to arouse and draw in Light. According to Kabbalah, every action must be coupled with an active desire to receive the Light. Desires can be either positive or negative. A negative desire for Light arouses the energy, but it will be utilized for evil purposes. Just as electrical current can be applied for both positive and destructive means, our intent and desire determines how Light will be revealed in our world.

1
125. The sixth chamber is called the chamber of Ratzon (desire). Here dwells the spirit called Chut Hashani (thread of scarlet), about which it is written: "your lips are like a thread of scarlet" (Shir Hashirim 4:3). All the lower spirits chase Ratzon in an effort to catch him and cleave to him with a loving kiss.

126. This spirit consists of six, and is sustained by six. It comprises the six chambers below it and is sustained by six above it. This spirit, therefore, produces twelve lights. EACH LIGHT includes all the upper and the lower six. These twelve lights are happy to elevate higher, as well as to receive the lower ones.

127. This is the chamber of Ratzon, being the overall desire. And he who forms connections, THAT IS, UNIFIES and elevates THE LOWER CHAMBERS up to this chamber, draws good will (desire) from Hashem, with love. Into this chamber, Moshe was gathered TO HIS PEOPLE with love. He was kissed with the kiss of love, AS IS WRITTEN: "AND MOSHE, THE SERVANT OF HASHEM, DIED HERE IN THE LAND OF MOAV, ACCORDING TO THE MOUTH (WORD) OF HASHEM" (DEVARIM 34:5). THIS IS THE SECRET MEANING OF THE KISS OF LOVE. This is called the chamber of Moshe. This spirit is the spirit of love, the spirit of unison. It draws love to every part, AND THE TWELVE LIGHTS WITHIN THE SPIRIT RISE AND GLOW.

128. And the twelve lights OF THE SPIRIT rise and glow. From their shining, four holy Chayot are produced. These Chayot, which are the true manifestations of love, are called the "great Chayot." They embrace the smaller Chayot and contain them, as is said: "both small and great Chayot" (Tehilim 104:25).

129. The GREAT CHAYOT contain one another in all four directions, just as the four segments of a walnut are included IN THE FRUIT ITSELF. THIS MEANS THAT EACH OF THE FOUR HAS FOUR PARTS IN IT. THAT IS, THEY ARE FROM THE POSITION OF CHEST UPWARD, WHERE THE MATING TAKES PLACE AND THE FACE OF MAN IS IN EFFECT. Hence, this chamber is called the garden of walnuts, as it is written: "I went down into the garden of walnuts" (Shir Hashirim 6:11). What is the garden of walnuts? THE REFERENCE IS TO THAT "for the sake of the garden of walnuts I went down" (Shir Hashirim 6:11) to the chamber of Ahava, to cleave into one the male and the female.

125. הִיכְלָא שְׁתִּיתָאָה: הָכָא הוּא רוּחָא דְאֶקְרִי חוּט

130. Those four GREAT CHAYOT are divided into twelve, three for each side OF THE FOUR SIDES (DIRECTIONS), and all of the lower CHAMBERS are contained within them. THE TWELVE LIGHTS INCLUDE SIX FROM THE CHAMBER ITSELF AND SIX FROM THE LOWER VESSELS, WHICH HAVE ELEVATED TO BE INCLUDED IN IT. THE SAME EFFECT IS PRODUCED IN THE CHAYOT: THE SIX LIGHTS OF THE CHAMBER PRODUCE FOUR GREAT CHAYOT, NAMELY CHOCHMAH, BINAH, TIFERET, AND MALCHUT. EACH ONE OF THE FOUR GREAT CHAYOT HAS FOUR SIDES. HENCE, THERE ARE SIXTEEN LIGHTS. AND THE SIX LIGHTS EMANATING FROM THE LOWER CHAMBERS PRODUCE THE TWELVE SMALL CHAYOT. EACH OF THESE CHAYOT CONTAINS ONLY THREE ASPECTS, BEING FROM THE POSITION OF THE CHEST DOWNWARD. And within THESE SMALL CHAYOT, spirits are contained in spirits and lights within lights. All are contained within the other, until they become one. And then, AFTER ALL THE LOWER ONES UNITE, the spirit includes them all. It thus ENCOMPASSES THE TWELVE LIGHTS, WHICH IN TURN ARE INCLUDED WITHIN THE FOUR GREAT AND TWELVE SMALL CHAYOT, AND THE TWELVE SMALL CHAYOT INCLUDE ALL THE LOWER ONES, AS PREVIOUSLY EXPLAINED. THE SPIRIT rises WITH THEM to be adorned by the supernal spirit called Shamayim (heaven), WHICH IS THE SECRET OF ZEIR ANPIN OF ATZILUT, AS ZEIR ANPIN IS THE SECRET OF THE RUACH OF ATZILUT AND IS CALLED 'HEAVEN.' It invites him to be united with him. And when all those from below are attached to him, it says, "Let him kiss me with the kisses of his mouth" (Shir Hashirim 1:1). Then there is the joy of uniting a spirit with a spirit. THAT IS, THE SPIRIT OF DESIRE, WHICH INCLUDES ALL THE LOWER ONES, JOINS WITH THE SPIRIT OF ATZILUT, WHICH IS THE SECRET OF ZEIR ANPIN CALLED 'HEAVEN,' to complement each other. This union results in perfection. BY UNITING ALL OF THE LOWER CHAMBERS, THE SPIRIT BECOMES WHOLE, BOTH WITH CHASSADIM AND CHOCHMAH.

131. The spirit OF RATZON connects with THE SPIRIT OF ATZILUT, CALLED SHAMAYIN, and each complements the other WITH THE EMANATIONS OF CHOCHMAH. They are lit by each other THROUGH THE LIGHT OF CHASSADIM, and perfection ensues. All of this happens when the desire of a righteous man reciting his prayers elevates all OF THE CHAMBERS OF BRIYAH to this place IN THE WORLD OF ATZILUT, for the sake of lovingly joining them together. Then each of the spirits, all of the chambers that are contained within the SPIRIT CALLED RATZON (DESIRE), and each and every spirit or chamber contained in ZEIR ANPIN OF ATZILUT, CALLED Shamayim, picks the chamber and spirit most suitable for it to connect with and to be complemented by. Through this unification, the sixth spirit, called Ratzon, elevates all OF THE LIGHTS AND SPIRITS IN THE CHAMBERS OF BRIYAH TO THE LIGHTS AND SPIRITS IN ZEIR ANPIN OF ATZILUT.

132. Thus connect EVERY ASPECT OF ZEIR ANPIN WITH EVERY CORRESPONDING ASPECT OF THE CHAMBERS. Shamayim, NAMELY ZEIR ANPIN, or the supernal holy spirit therein, receives the UPPER chamber and the upper spirit called Ratzon, so that they can kiss, connect with, and complement each other. This is the concealed meaning of "and Ya'akov kissed Rachel" (Bereshheet 29:11). YA'AKOV IS THE SECRET OF ZEIR ANPIN, AND RACHEL IS THE NUKVA CONTAINING ALL OF THE CHAMBERS THAT ELEVATED TO ATZILUT.

130. אֵלֶּיךָ אֲרַבְעָה, מִתְפַּרְשֵׁן לְתַרְסֵר, תֵּלֶת תֵּלֶת לְכָל סֵטֶר, כֹּל אֵינֹן תִּתָּאֵי כְּלִילָן בְּהוּ, וּבְהוּ קִיּוּמִין רוּחִין בְּרוּחִין, נְהוּרִין בְּנְהוּרִין, כְּלֵהוּ אֵלֶיךָ בְּאֵלֶיךָ, עַד דְּאֶתְעַבְדוּ חַד, וּכְדִין הָאֵי רוּחָא דְכָלִּיל מְכֻלְהוּ, סְלֵקָא לְאֶתְעַטְרָא בְּרוּחָא דְלַעִילָא, הֵהוּא דְאֶקְרִי שְׁמַיִם, וּזְמִין לֵיהּ, לְאֶתְחַבְרָא בְּהַדִּיהּ, בִּיּוֹן דְּאֶתְקַשְׁרוּ כְּלֵהוּ דְלִתְמָא בְּהַדִּיהּ, אָמַר יִשְׁקֵנִי מִנְשִׁיקוֹת פִּיּוּהוּ, וּכְדִין אִיהוּ חֲדוּהָ לְאֶתְקַשְׁרָא רוּחָא בְּרוּחָא, וּלְאֶשְׁתַּלְמָא דָּא בְּדָא, כְּדִין אִיהוּ שְׁלִימוֹן בְּחִבּוּרָא חָדָא.

131. בִּיּוֹן דְּהָאֵי רוּחָא אֶתְחַבְרָא בְּהַדִּיהּ, וְאֶשְׁתַּלְמִים דָּא בְּדָא, וְאֶתְנַהֲרוּ דָּא בְּדָא בְּכָל שְׁלִימוֹ, כְּדָקָא חֲזִי, בְּהָאֵי רַעוּתָא דְצִלּוֹ בִּנְיָ זַכָּאָה, דְסֵלִיק בּוּלָא כְּדָקָא חֲזִי, עַד הֵהוּא אֶתְרַ לְחַבְרָא רְחִימוֹ דָּא בְּדָא, כְּדִין כֹּל אֵינֹן הֵיכְלִין, וּכְלֵ אֵינֹן רוּחִין דְאֶתְכַלְלוּ בְּהָאֵי, כֹּל חַד וְחַד מֵאֵינֹן רוּחִין וְהֵיכְלִין, דְאֵינֹן בְּכָלִּילָא דְשְׁמַיִם, כֹּל חַד וְחַד נְטִיל הֵהוּא הֵיכְלָא, וְהֵהוּא רוּחָא דְאֶתְחַזִּי לֵיהּ, לְאֶתְחַבְרָא בְּהַדִּיהּ, וּלְאֶשְׁתַּלְמָא בְּהַדִּיהּ, כְּדָקָא יָאוּת. בְּגִין דְּהֵהוּא רוּחָא שְׁתִּיתָּאָה דְאֶקְרִי רְצוֹן, סֵלִיק לּוֹן לְגַבִּיּוּהוּ, בְּהֵהוּא יְחוּדָא.

132. וְהֵכִי אֶתְחַבְרָן: שְׁמַיִם דְאִיהִי רוּחָא קְדִישָׁא לַעִילָא, נְטִיל הֵיכְלָא דָּא, רוּחָא דָּא דְאֶקְרִי רְצוֹן, לְאֶתְנַשְׁקָא דָּא בְּדָא, לְאֶתְחַבְרָא דָּא בְּדָא, לְאֶשְׁתַּלְמָא דָּא בְּדָא, וְרָזָא דָּא וַיִּשַׁק יַעֲקֹב לְרַחֵל וְגו'.

133. Hence, Avraham, who is the Right COLUMN OF ZEIR ANPIN, CALLED CHESED, takes this spirit, called Ahava (love), and causes them to connect and embrace each other. This is evident in the words, "I know that you are a beautiful woman" (Beresheet 12:11). And the beauty of a woman lies in her breasts, NAMELY IN THE FIFTH CHAMBER SIGNIFYING BREASTS.

134. Yitzchak, who is the Left COLUMN OF ZEIR ANPIN, CALLED GVURAH, takes the chamber of courthouses, WHICH IS THE FOURTH CHAMBER, from where comes all the judgments, and joins it with Zechut. They connect with and complete each other, and they are one, as should be.

The other prophets BESIDE MOSHE, NAMELY NETZACH AND HOD OF ZEIR ANPIN, connect the two chambers containing the two spirits of Noga (brightness) and Zohar (splendor), as it is written: "the joints of your thighs are like jewels" (Shir Hashirim 7:1), BECAUSE THE TWO CHAMBERS ARE CONTAINED IN NETZACH AND HOD OF THE NUKVA AND ARE LIKE THIGHS, WHICH connect with each other to be one.

135. Yosef the righteous, the pillar of the world, NAMELY YESOD OF ZEIR ANPIN, takes the chamber of Sapir and the spirit called Livnat Hasapir. Because it is written: "And beneath his feet as if it were a paved work of sapphire (Livnat Hasapir)" (Shemot 24:10), ONE MIGHT THINK THAT LIVNAT HASAPIR IS BENEATH YESOD OF ZEIR ANPIN, BEYOND HIS GRADE. Nevertheless, "BENEATH HIS FEET" was said for the honor of the King, but it certainly is YESOD OF ZEIR ANPIN THAT TAKES THE CHAMBER OF LIVNAT HASAPIR. Furthermore, this pillar, NAMELY YESOD OF ZEIR ANPIN, takes more. This is a highly secret matter TO EXPOUND ON, because HE TAKES in the seventh chamber. Now the levels OF ZEIR ANPIN are linked WITH THE LEVELS OF THE CHAMBERS, and the two complete one another. All is as should be, and hence "Hashem is Elohim" (I Melachim 18:39). THAT IS, ZEIR ANPIN, WHICH IS CALLED YUD-HEI-VAV-HEI, BECOMES ONE WITH THE NUKVA, CALLED ELOHIM, IN SUCH A WAY THAT YUD-HEI-VAV-HEI IS ELOHIM. Joyous is the portion in this world and the next of he who knows how to link them and cleave to his Master.

136. Here, IN THE CHAMBER OF RATZON, the bowing, prostration, spreading of open hands, and genuflection ARE PRACTICED. WHAT IS PRACTICED IN THE LOWER CHAMBERS IS PRACTICED HERE, BUT THE LOWERING OF THE FACE IS ADDED HERE. THE LOWERING OF THE FACE IS PRACTICED ONLY IN THIS CHAMBER, BECAUSE ALL OF THE LOWER CHAMBERS ARE CONTAINED HERE. IT IS NECESSARY to draw on the good will of the supernal spirit, NAMELY THE TOP THREE SFIROT OF ZEIR ANPIN. The soul of all souls, suspended above IN THE SUPERNAL ABA AND IMA all the way up to Ein Sof (the Endless World), DRAWS ON IT BY THE MATING OF A KISS. From the EIN SOF above come lights and blessings to complement all appropriately. THIS IS THE SECRET OF THE LIGHT OF THE CHASSADIM OF THE SUPERNAL SIX OF ABA AND IMA. THIS IS THE NECESSARY means through which all can be completed from above BY THE LIGHT OF CHASSADIM and from below BY THE LIGHT OF CHOCHMAH. After this completion, all the faces, MEANING ALL OF THE FEATURES OF THE THREE TOP SFIROT, NAMELY THE THREE TOP OF CHASSADIM AND THE THREE OF CHOCHMAH, shine suitably. AND BECAUSE OF THE LIGHT OF CHOCHMAH, all judgments are annulled. And BECAUSE OF THE LIGHT OF CHASSADIM, good will fills above and below. Hence, it is written: "And He said to me, you are my servant, O Yisrael, in whom I will be glorified" (Yeshayah 49:3) and "Happy is that people that this is their lot, Happy is that person that Hashem is his Elohim" (Tehilim 144:15).

This realm is defined as the source of all sources. We must enter into this highest realm in order to ignite and activate all the complex processes that occur in the previous Chambers. This realm is symbolized by the ancient Holy Temple of Jerusalem, and specifically in the chamber known as the Holy of Holies. Though the physical Temple no longer stands, our daily prayers are metaphysically structured to lead us into the spiritual essence of the Holy of Holies.

These seven chambers complete the structure and framework that form the Upper Worlds.

137. The seventh chamber has no real shape. Everything in it is concealed, deep within the innermost of mysteries of the closed parochet (curtain). Here, all of the chambers exist, so as to conceal two cherubim, A MALE AND A FEMALE.

ALL THE LOWER CHAMBERS ARE ELEVATED TO BE CONTAINED IN THIS CURTAIN, SO THAT THEY COVER THE MALE AND THE FEMALE WHILE THEY MATE; HENCE THE CHAMBERS ARE ABLE TO ASCEND. THIS CURTAIN SEPARATES THE SIX CHAMBERS WHICH ARE HOLY AND THE SEVENTH CHAMBER, KODESH KODASHIM (THE HOLY OF HOLIES).

Beyond THE CURTAIN can be found the Caporet (cover of the ark), which is the image of the Holy of all Holies, BECAUSE THIS CHAMBER IS THE PLACE OF UNION. Therefore, it is called the Holy of Holies, a place designated to receive the supernal soul, which is the totality of all the worlds. This is the world to come of the supernal ones.

138. When all the spirits OF THE CHAMBERS have joined with and completed each other, a supernal spirit, the soul of all, rises toward the supernal who is the most concealed, NAMELY ARICH ANPIN, to bring sustenance down to all, to shine on them from above WITH THE LIGHT OF THE RIGHT COLUMN, and to complete them and light the candles WITH THE LIGHT OF THE LEFT COLUMN.

139. When all are completed by the light THAT SHINES on all, and the supernal light descends, the seventh chamber, which is concealed with utmost concealment, receives the Holy of Holies, which is the descending supernal light. The light fills the seventh chamber, as a woman who conceives from a male is filled BY HIM. The chamber is designed for concealment from all, so that it may receive the supernal light. NAMELY IF THE CONCEALMENT WAS NOT SET THERE, IT WOULD NOT HAVE BEEN ABLE TO RECEIVE THE SUPERNAL LIGHT. This is the secret of the seventh chamber, which is the place of the connection made during union. The union links the seventh with the seventh, so that all is one unity, as is appropriate.

140. Joyful is the portion of he who knows to connect with this unification. He is beloved above and below. The Holy One, blessed be He, decrees and he (that man) nullifies. HE ASKS: How is it conceivable that A RIGHTEOUS MAN criticizes his Master's will? HOW IS IT POSSIBLE THAT HE CANCELS OUT THE DESIRE OF THE HOLY ONE, BLESSED BE HE? AND HE ANSWERS: This is only possible when A RIGHTEOUS MAN forms links and knows how to make unifications, so that all faces shine, all is complete, and everything is wholly blessed. Then all judgments are abolished and none can be found in this world. Joyful is such a man's lot in this world and the next.

All that has been said about THE RIGHTEOUS MAN REFERS TO HIS ACTIONS below, IN THIS WORLD. Hence it is written of him: "the righteous is the world's foundation" (Mishlei 10:25), as he is the subsistence of the world. And each day a declaration is made about him: "And you shall rejoice in Hashem and shall glory in the Holy One, of Yisrael" (Yeshayah 41:16).

137. הִיכָלָא שְׁבִיעָאָה: הִיכָלָא דָא, לָאו בֵּיה דְיוֹקְנָא מְמַשׁ, כִּלְאֵי אִיהוּ בְּסִתְיֵמוּ. גּוּ רְזָא דְרִזּוּן, פְּרוּכְתָא דְפְרוּסָא. קְיִימִין כְּלָהוּ הִיכָלִין, דְלֵא לְאַתְחַזָּא תְרִין כְּרוּבִים. לְגוּ מִן דָא קְיִימָא כְּפֻרְתָא, דְיוֹקְנָא דְקֹדֶשׁ קוֹדֶשִׁין, בְּגִין כִּךְ הִיכָלָא דָא אֶקְרִי קֹדֶשׁ הַקְּדוּשִׁים. הַאי קֹדֶשׁ הַקְּדוּשִׁים, אֶתְרַ מִתְתַּקְנָא, לְהֵוּא נִשְׁמַתָּא עֲלָאָה, כִּלְלָא דְכִלְלָא, עֲלֵמָא דְאֶתִי לְגַבֵּי הַאי עֲלָאֵי.

141. Sacrifices achieve an effect similar TO THAT OF A RIGHTEOUS MAN'S PRAYER. The smoke OF THE SACRIFICE goes up and provides to each and every CHAMBER what is needed, as is becoming.

The priests, by their desire TO BRING GRATIFICATION TO THE SUPERNAL, and the Levites, by their chanting DURING THE OFFERING OF SACRIFICES, become unified with each other. THE LEVITES ARE UNIFIED WITH THE PRIESTS AND THE PRIESTS WITH THE LEVITES. THIS IS BECAUSE THE PRIESTS CHANNEL THE RIGHT COLUMN AND THE LEVITES CHANNEL THE LEFT. COMPLETION CANNOT OCCUR WHEN ONE IS WITHOUT THE OTHER. One chamber penetrates the other, and one spirit the other, until they all rest in their proper places, as is suitable. One organ is within the other and one complements the other. The elements merge, until they become one BY THE MATING OF THIS KISS and shine within each other BY EMBRACING.

142. Consequently, this most supernal soul descends and shines on them, and all the candles, OR SFIROT, are becomingly lit in all their perfection, until this supernal light is aroused and all the chambers enter the Holy of Holies, WHICH IS THE SEVENTH CHAMBER. THIS IS WHAT IS INDICATED BY THE INNER MEANING OF 'THE MATING OF SEVENTH WITH SEVENTH.' THE SEVENTH CHAMBER is blessed and filled like a well of spring water that never ceases to flow, and all the upper and lower CHAMBERS are blessed.

143. The innermost of secrets is THE LIGHT that cannot be conceived and is taken account of IN THE TEN SFIROT. It is a desire that can never be grasped. THIS LIGHT REFERS TO THE LIGHT OF YECHIDA, BECAUSE THE TEN SFIROT BEGIN FROM CHOCHMAH, BINAH, DAAT, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT. The light of Yechida is sweetened deep within the Sfirot, and its desire cannot be conceived, NOT EVEN BY THOUGHT directed at knowing him. Thus, all THE LEVELS up to Ein Sof (The Endless World), BLESSED BE HE, unite into one, and everything is perfected from above, below, and within.

144. This desire, THE LIGHT OF YECHIDA, is not encased IN THE INNER PART OF THE LEVELS. Nevertheless, it stays within them unobserved, until they reach completion and radiate with every aspect, BOTH THE LIGHT OF CHOCHMAH AND THE LIGHT OF CHASSADIM, AS BEFORE. Hence, this desire that can not be grasped, is sweetened, and is ENCASED AND concealed deep within the inner parts. At that time, joyful is the portion of he who can cleave to his Master. He is complete above and below. Of him it is written: "Your father and mother will be glad and she who gave birth to you shall rejoice" (Mishlei 23:25).

145. Come and behold: Because they have been completed by each other and bind each other in oneness, and because the supernal soul, NAMELY BINAH, shines on them from above, all the lights become one perfect candle. Then, this light that cannot be grasped or observed, is grasped by a desire of the mind. Yet, this DESIRE OF THE MIND, CALLED THE LIGHT OF CHAYAH, THAT ENCASES THE LIGHT OF YECHIDA, still does not know what it has grasped. THIS IS BECAUSE THE LIGHT RADIATES WITHIN IT IN A CONCEALED MANNER. Still, the mind shines because of, and is sweetened by it, as it contains it.

All THE LEVELS are filled WITH HIS LIGHT. All reach completion and all shine because of him and are suitably sweetened. Hence, it is written "Happy are the people that this is their lot." (Tehilim 144:15).

146. And he who is attached to his Master in this manner inherits all the worlds. He is beloved above and below. His prayer never returns unanswered. He purifies himself before his Master as a son who satisfies all of his father's desires, giving him all that he requires. The fear of him is upon all creation and whatever he decrees, the Holy One, blessed be He, fulfills. Of him it is written: "You shall decree and it shall be established unto you, and the light shall shine upon your ways" (Iyov 22:28).

34. "Let there be light"

An unprepared Vessel can be spiritually dangerous and destructive. Similarly, if acid is poured into a paper cup, the cup is not designed to receive the acid and it dissolves. Preparing the vessel of your being is the first step that must be taken before you even activate your desire to draw in spiritual Light.

Perusing the Hebrew letters from this segment of the Zohar prepares our Vessel so that we can receive and safely contain the awesome Light of the Creator.

147. "And Elohim said, let there be light, and there was light" (Beresheet 1:3). Rabbi Yitzchak said that we learn from these words that the Holy One, blessed be He, uprooted these plants and replanted them elsewhere. Hence the expression, "there was." Rabbi Yehuda said, that this implies that light had already existed. This is indicated in, "there was." It was not written, "there became light," but "there was light."

And when the Holy One, blessed be He, viewed the generations of the wicked, WHO ARE NOT WORTHY OF THE LIGHT, He stored it for the righteous. This is mentioned in the verse "light is sown for the righteous and gladness for those upright in their hearts" (Tehilim 97:11). Thus it was written: "And Elohim said, let there be light," as is written: "Who arose righteousness from the east" (Yeshayah 41:2).

147. וַיֹּאמֶר אֱלֹקִים יְהִי אֹר וַיְהִי אֹר. אָמַר רַבִּי יִצְחָק מִכָּאֵן דְּעַקְרֵן קֹדֶשׁא בְּרִיךְ הוּא לְהַנִּי גְטִיעֵן, וְשִׁתִּיל לֹן, מִשְׁמַע דְּכְתִיב יְהִי. ר' יְהוּדָה אֹמֵר, אֹר שְׁכַבְר הִיָּה, תֵּנֵן מִשְׁמַע דְּכְתִיב וַיְהִי אֹר, וְהִיָּה לָא כְּתִיב, אֵלָא וַיְהִי. וְכֹד אֶסְתַּבֵּל קֹדֶשׁא בְּרִיךְ הוּא בְּאִינֹן דְּרִין דְּרִשְׁוֵיעִינָא. גְּנִיז לִיה לְצַדִּיקוּנָא, הַה"ד אֹר זְרֹעַ לְצַדִּיק וְלִישְׂרֵי לֵב שְׁמֹחָה, וְהָא אֶתְמַר וַיֹּאמֶר אֱלֹקִים יְהִי אֹר הַה"ד מִי הָעִיר מִמְזֻרְחָ וְגו'.

148. "And Elohim saw the light, that it was good" (Beresheet 1:4). What did He see? Rabbi Chiya said that this implies that He foresaw the actions of the wicked and stored the light, as we said before. Rabbi Aba DISAGREES, AND says, "And Elohim saw the light, that it was good," to store it away. THAT IS, HE DID NOT LOOK AT THE ACTIONS OF THE WICKED, BUT SAW THE MAGNIFICENCE OF THE LIGHT ITSELF, AND DECIDED THAT IT WAS GOOD FOR IT TO BE CONCEALED AND NOT REVEALED TO THE WORLD. "And Elohim saw the light." He saw its radiance beaming from one end of the world to the other, and He saw that it was better to store it, so that sinners might not benefit from it.

148. וַיִּרְא אֱלֹהִים אֶת הָאֹר כִּי טוֹב, מֵאִי רָאָה אָמַר רַבִּי חֵיָּא כִּדְקָאֲמַרְן, חָמָא בְּעוֹבְדֵיהוּ דְּרִשְׁוֵיעִינָא וְגִנִּיז לִיה. ר' אָבָא אָמַר וַיִּרְא אֱלֹקִים אֶת הָאֹר כִּי טוֹב לְגִנּוּז אוֹתוֹ. וַיִּרְא אֱלֹקִים אֶת הָאֹר, דְּסָלִיק נְהוּרִיָּה מִסִּיפֵי עֲלְמָא עַד סִיפֵי עֲלְמָא, וְכִי טוֹב הוּא לְאַגְנָזָא לִיה דְּלָא יְהֵנֵן מְנִיָּה חַיִּיבֵי עֲלְמָא.

149. Rabbi Shimon said "And Elohim saw the light that it was good"- This MEANS THAT HE DECIDED THAT no anger or judgment would be found in it. Similarly, it was said IN CONNECTION TO BILA'AM, "That it was good in the eyes of Hashem to Bless Yisrael" (Bemidbar 24:1), SO THAT A CURSE WILL NOT BEFALL YISRAEL. This is proven by the end of the verse, "And Elohim separated the light from the darkness," to prevent wrath AND JUDGMENT. And even though the Holy One, blessed be He, afterward united LIGHT AND DARKNESS as one, NEVERTHELESS THERE WAS NO FURTHER CONFLICT AND ANGER.

149. אָמַר רַבִּי שִׁמְעוֹן, וַיִּרְא אֱלֹקִים אֶת הָאֹר כִּי טוֹב, דְּלָא יִשְׁתַּכַּח בֵּיה רַתְּחָא, כְּתִיב הֲכָא כִּי טוֹב, וְכְתִיב הָתָם כִּי טוֹב בְּעֵינֵי ה' לְבָרַךְ אֶת יִשְׂרָאֵל, וְסוּפָא דְקָרָא וַיִּבְדֵּל אֱלֹקִים בֵּין הָאֹר וּבֵין הַחֹשֶׁךְ, וּבְגִין כֵּךְ לָא אֶשְׁתַּכַּח בֵּיה רַתְּחָא, וְאַף עַל גַּב דְּשִׁתְּף לֹן קוֹדֶשׁא בְּרִיךְ הוּא כְּחָדָא.

150. Come and behold: The supernal radiance, BINAH, should continue to radiate, and through its radiance, it should bring gladness to all. This is THE POSITION OF the right, which was crowned with the right to regulate laws OF THE LEFT. It is written: "How great is your goodness, which you have laid upon those who fear you and which you have wrought for they who trust in you" (Tehilim 31:20). "How great is your goodness" alludes to the primordial light that the Holy One, blessed be He, stored away. "They who fear you" alludes to the righteous who fear sins, and as we said, ONLY THEY SHOULD ENJOY THE LIGHT.

150. תָּא חֲזִי, נְהִירוּ עֲלֶיךָ, לְמַהוּי נְהִיר הָאֵי אֹר, וּמַהוּא נְהִירוֹ, חֲדוּ לְכֹלָא בֵּיה, וְהוּא יְמִינָא לְאַתְעֵטְרָא גּוּלְפוּי גְלוּפִין בְּהַרְיָה, וְהָא אֲתַמַּר כְּתִיב מָה רַב טוּבְךָ אֲשֶׁר צִפְנַתָּ לִירְאִיךָ פְּעֵלַת לְחוּסִים בְּךָ, מָה רַב טוּבְךָ, דָּא אֹר קְדָמָא דְגִנְיֹז קוּדְשָׁא בְּרִיךְ הוּא לִירְאִיךָ, לְצַדִּיקִים, לְאַנּוּן דְּחֵלִי חֲסָא בְּדַקָּא מְרַן.

35. "And there was evening and there was morning"

True spiritual power is achieved through the existence of both Light and Darkness. Spiritual transformation requires darkness so that there is something tangible transform, and Light is actually generated during this stage of transformation.

A simple candle can provide us with analogies to help enrich our understanding of the need for darkness. A tiny candle has no significance or worth when flickering against the backdrop of a brilliant sunlit day. But even a massive darkened arena responds to the lighting of one candle. In that setting, the candlelight assumes great importance and value. Moreover, it is the dark burning wick that gives rise to the candle's bright flickering flame. It is for reasons like these that darkness came into existence. Intently browsing the text of Hebrew letters, together with the knowledge gained by reading this section, delivers streams of shining Light into areas of darkness that may be present in our lives.

151. "And there was evening and there was morning, one day." "And there was evening," WAS DRAWN from the side of darkness, NAMELY THE NUKVA. "And there was morning," WAS DRAWN from the side of light, NAMELY ZEIR ANPIN. And since ZEIR ANPIN AND NUKVA join together as one, it is written of them, "one day." THIS INDICATES THAT EVENING AND MORNING ARE LIKE ONE BODY, AND BOTH MAKE THE DAY.

Rabbi Yehuda asked: IF THE THE SCRIPTURE HAS ALREADY STATED THAT "THERE WAS EVENING AND THERE WAS MORNING" MEANS THE MATING OF ZEIR ANPIN AND NUKVA, why then are the words "and there was evening and there was morning" repeated each day? HE ANSWERS THAT it is to acknowledge that there cannot be day without night, nor night without day, and that they are inseparable.

151. וַיְהִי עֶרֶב וַיְהִי בֹקֶר יוֹם אֶחָד, וַיְהִי עֶרֶב מִסְטָרָא דְחֻשְׁךָ, וַיְהִי בֹקֶר, מִסְטָרָא דְאֹר, וּמִגּוּ דְאַנּוּן מִשְׁתַּתְּמִי בְּחָדָא, כְּתִיב יוֹם אֶחָד, רַבִּי יְהוּדָה אָמַר, מֵאֵי טַעְמָא, בְּכֹל יוֹמָא וַיּוֹמָא כְּתִיב, וַיְהִי עֶרֶב וַיְהִי בֹקֶר. לְמַנְדַּע, דְּהָא לִית יוֹם, בְּלֹא לַיְלָה, וְלִית לַיְלָה בְּלֹא יוֹם, וְלֹא אֲבַעוֹן לְאַתְפָּרְשָׁא.

152. Rabbi Yosi said that the day from which the primal light emerged extended into all the other days OF CREATION, as the word "day" is repeated in them all. Rabbi Elazar said that we learn this FROM THE FACT that the name morning was used in them all, because morning only relates to the primal light. THAT IS, MORNING MEANS THE FIRST REVELATION OF LIGHT.

Rabbi Shimon said that the first day accompanies all THE OTHERS, and that all are contained in THE FIRST. This shows that there is no fragmentation between them, and that all are one.

152. אָמַר רַבִּי יוֹסִי, הֵהוּא יוֹם דְּנִפְק אֹר קְדָמָא, אֲתַפְּשֵׁט בְּכֹלְהוּ יוֹמֵי, דְּכְתִיב בְּכֹלְהוּ יוֹם. אָמַר רַבִּי אֶלְעָזָר, מִשְׁמַע דְּכְתִיב בְּכֹלְהוּ בֹקֶר, וְלֹא בֹקֶר אֶלָּא מִסְטָרָא דְאֹר קְדָמָא. רַבִּי שְׁמַעוֹן אָמַר, יוֹמָא קְדָמָא, אֲזִיל עִם כְּלָהוּ, וְכֹלְהוּ בֵּיה, בְּגִין לְאַחְזָא דְּלֹא בְּהוּ פְּרוּדָא, וְכֹלָא חָד.

36. "Let there be light"

The power of these verses from the Zohar literally makes the Light manifest in our lives.

153. "And Elohim said, let there be light," ALLUDES TO the spreading of light downward. These are the angels that were created on the first day, and who subsist on the right side, BECAUSE THE FIRST DAY, CHESED, IS CONSIDERED TO PERTAIN TO THE RIGHT SIDE. HENCE, THE ANGELS DRAWN FROM IT PERTAIN TO THE RIGHT. In the quotation, "And Elohim saw the light that it was good," the particle Et (the) joins the opaque mirror THAT IS MALCHUT, with the shining mirror THAT IS ZEIR ANPIN. This is the union that was pronounced, "good."

Rabbi Elazar said that the particle Et (the) includes all the angels who come from the side of the light OF CHESED, and that they all shine as wholly as the first LIGHT, AS IT IS SAID OF THEM, "AND IT WAS GOOD."

37. "Let there be a firmament"

The light of sun requires reflection off a physical object in order to illuminate. This is the secret of the word Firmament. To create resistance and a circuit of energy, a burning light bulb requires a filament. Man requires a metaphysical filament--the firmament-- to create resistance against the Left Column energy of our desire to receive, which is our evil inclination. This firmament or filament is our free will to resist the negative urges and desires of the ego. When we apply this resistance, we create a metaphysical circuit that generates spiritual Light.

154. "Let there be a firmament amidst the water" (Bereshheet 1:6). Rabbi Yehuda said that these words indicate that the upper water was separated from the lower water and that a "firmament" means the spreading of water. Hence, he continues, the words "and let it divide water from water," mean let there be a division between the upper and lower waters.

155. "And Elohim made the firmament" (Bereshheet 1:7). THE WORDS "AND ELOHIM MADE" INDICATE THAT He acted by supernal greatness. It was not said 'there was a firmament,' but that He "made the firmament," indicating that He invested it with greatness.

156. Rabbi Yitzchak said that in the second DAY Gehenom was created for the wicked of the world. On the second DAY, conflict was created. The work was not finished on the second DAY, BUT ON THE THIRD. Thus the words "and it was good" were not used in conjunction with the second day. They were used only when the third day came, and the work was accomplished. Hence, "and it was good" was said twice, once for finishing the work started on the second day and once in reference to the third day's work. On the third day, the second day was corrected, and the conflict was settled FOR THE SAKE OF REVEALING THE RADIANCE OF BOTH. On the third day, mercy was extended TO EXEMPT all of the sinners in Gehenom FROM JUDGMENT. On the third day, the flames of Gehenom were moderated, OR COOLED, SO THAT THEY DID NOT SCORCH ANYMORE. Hence the second day was included in the third and completed by it.

153. וַיֹּאמֶר אֱלֹהִים יְהִי אוֹר, יְהִי, אֶת־מִשְׁטוֹתָ דְהָאֵי אוֹר לְתַתָּא, וְאֵלֶּיךָ אֵינוֹן מִלְּאֲכִיךָ דְאַתְּבְּרִיאוּ בְיוֹמָא קְדָמָא, אֵית לֹון קְיוּמָא, לְאַתְקִיּוּמָא לְסִטְרָא יְמִינָא. וַיִּרְא אֱלֹהִים אֶת הָאוֹר כִּי טוֹב, אֶת לְאַתְכַּלְלָא אֶסְפַּקְלְרִיָּא דְלֹא נִהְרָא עִם אֶסְפַּקְלְרִיָּא דְנִהְרָא דְאַתְמֵר כִּי טוֹב, אָמַר רַבִּי אֲלֵעֶזֶר, אֶת לְאַתְכַּלְלָא וְלֹא־סָגָא דְכֹהּוּ מִלְּאֲכִיךָ דְאַתְיִין מִסִּטְרָא דְאוֹר דְא, וְכִלְהוֹן נִהְרִין בְּקְדָמִיתָא בְּקְיוּמָא שְׁלִים.

154. יְהִי רְקִיעַ בְּתוֹךְ הַמַּיִם, אָמַר רַבִּי יְהוּדָה בְּהָאֵי אֶתְפָּרְשׁוּ, מֵיין עֲלָאִין מִמִּיין תְּתַאֲיוּן. רְקִיעַ: פְּשִׁיטוֹתָא דְמֵיין, וְהָא אֶתְמֵר, וַיְהִי מִבְּדִיל, בֵּין מֵיין עֲלָאִין לְתַתָּאִין.

155. וַיַּעַשׂ אֱלֹהִים אֶת הַרְקִיעַ, דְעֵבִיד בֵּיה עֵבִידתָא, בְּסָגִיאוּ עֲלָא, וַיְהִי רְקִיעַ לֹא כְתִיב, אֶלֹא וַיַּעַשׂ, דְאַסְגִּי לֵיה, בְּרַבּוּ סָגִיא.

156. אָמַר רַבִּי יִצְחָק, בְּשְׁנֵי אֶתְבְּרִי גֵיהֶנּוּם, לְחִיבֵי עֲלָמָא, בְּשְׁנֵי אֶתְבְּרִי מַחְלוּקַת, בְּשְׁנֵי לֹא אֶשְׁתַּלִּים בֵּיה עֵבִידתָא, וּבְגִין כֶּךָ לֹא כְתִיב בֵּיה כִּי טוֹב, עַד דְאַתָּא יוֹם תְּלִיתָא, וְאֶשְׁתַּלִּים בֵּיה עֵבִידתָא, בְּגִין כֶּךָ כִּי טוֹב תְּרִי זְמַנִּי, חַד עַל אֶשְׁלָמוֹת עֵבִידתָא דְיוֹם שְׁנִי, וְחַד לְגַרְמִיָּה. בְּיוֹם תְּלִיתָאֵי אֶתְתַּקֵּן יוֹם שְׁנִי, וְאַתְפָּרֵשׁ בֵּיה מַחְלוּקַת, וּבֵיה אֶשְׁתַּלִּמוּ רַחֲמֵי עַל חִיבֵי גֵיהֶנּוּם, בְּיוֹמָא תְּלִיתָא מִשְׁתַּכְּחִין שְׁבִיבִין דְגֵיהֶנּוּם, בְּגִינֵי כֶּךָ אֶתְכַלִּיל בֵּיה יוֹם שְׁנִי, וְאֶשְׁתַּלִּים בֵּיה.

157. Rabbi Chiya, who was sitting in front of Rabbi Shimon, asked him why if the light emerged on the first day and if darkness, the separation of waters, and discord occurred on the second, was all not resolved by THE ILLUMINATION OF the first day, when the right embraced the left? BECAUSE THE LIGHT OF THE RIGHT, CONSIDERED THE ROOT OF THE SECOND DAY, HAD ALREADY EMERGED ON THE FIRST DAY, WHY WAS THE SECOND DAY MADE IN NEED OF THE THIRD DAY'S CORRECTION? RABBI CHIYA FURTHER POINTED OUT THAT THROUGH THE SECOND DAY'S CORRECTION BY THE THIRD DAY, ITS OWN RADIANCE WAS REDUCED, SUCH THAT IT COULD NOT SHINE DOWNWARD. IF THE SECOND DAY HAD BEEN CORRECTED BY THE FIRST DAY, THEN IT WOULD HAVE MAINTAINED ITS ESSENCE, AND NOT HAVE REDUCED ITSELF.

RABBI SHIMON said that this was the reason for the conflict. Actually, THE FIRST DAY WANTED TO CORRECT THE DEFICIENCY OF THE SECOND, AS THE ROOT WANTS TO CORRECT THE BRANCH. BUT THE SECOND DAY WOULD NOT ACCEPT ANY CONTROL BY THE FIRST DAY AND DISSENTED. Hence, it was necessary for the third day to intervene, settle the conflict between them, and restore peace.

38. "Let the earth bring forth grass"

The Zohar explains that the first Five Days of Creation do not deal with real time, but rather with spiritual phases. During these Five Days all the forces and entities of creation were maintained in a state of potential. The Sixth day of Creation refers to their physical manifestation, and the start of their physical existence.

Here, through the spiritual influences that emanate from each and every letter, the Zohar provides us with an opportunity to manifest and express the potential Light in our lives.

158. "Let the earth bring forth grass," (Bereshheet 1:11) indicates the union of the upper waters with the lower waters to bear fruit. The upper produce fruit and the lower call upon the upper TO RECEIVE FROM THEM THE FRUIT THEY ARE TO BEAR IN THE WORLD. This is as the female calls upon the male TO CONCEIVE FROM HIM AND BRING FORTH OFFSPRING TO THE WORLD. This is because the upper waters are male, and the lower WATERS are female.

159. Rabbi Shimon explains FURTHER that what is true for above is true for below. ABOVE IS THE SECRET OF ZEIR ANPIN AND LEAH, IN ZEIR ANPIN IS UPPER WATERS, AND LEAH IS LOWER WATERS. BELOW IS THE SECRET OF YAAKOV AND RACHEL, WHERE YAAKOV IS UPPER WATERS AND RACHEL IS LOWER WATERS. Rabbi Yosi said that if this be so, then what does "Elohim" mean IN THE PASSAGE, "AND ELOHIM SAID, LET THE EARTH PUT FORTH GRASS." What is THE NAME "Elohim" in the verse? It is the living Elohim above, NAMELY BINAH, AS REFERRED TO BY ALL 32 MENTIONS OF THE NAME ELOHIM IN THE WORKS OF CREATION. Are we to accept that THE NAME ELOHIM below is a plain Elohim? THIS, HE SAID, IS CONTRARY TO WHAT WAS EXPLAINED EARLIER (THAT IS, THAT ALL 32 ELOHIMS WITHIN THE 42 ARE THE NAMES OF BINAH, WHICH IS A LIVING ELOHIM).

RABBI YOSI REPLIED: Not so, the offspring are below. He quotes: "These are the generations of the heavens and earth when they were created (behibaram)" (Bereshheet 2:4). As has already been explained, they were created by the letter Hei (Heb., behei braam), WHICH IS THE NUKVA FROM THE CHEST DOWNWARD OF ZEIR ANPIN, RACHEL WHO IS THE LAST HEI OF YUD-HEI-VAV-HEI, FROM WHERE COME ALL THE OFFSPRING. THE OFFSPRING DO NOT COME FROM THE NUKVA ABOVE THE CHEST. The One above is the Father of all LEVELS, NAMELY THE THREE SFIROT CHESED, GVURAH, AND TIFERET. ALL THAT COMES DOWN TO THE WORLDS COMES FROM THEM. AND SHE, THEIR NUKVA, COMPLETES THE FUNCTION OF GENERATION, BUT DOES NOT BEAR FRUIT. Consequently, the earth bears fruit by being made pregnant as a female by a male. THUS, "LET THE EARTH BRING FORTH GRASS" (BERESHEET 1:11) ALLUDES TO THE MATING OF THE UPPER AND LOWER WATERS, FROM THE CHEST UP. BUT

157. ר' חייא הוה יתיב קמיה דרבי שמעון, אמר לו האי אור ביום ראשון, וחשך ביום שני, ואתפרשו מיא, ומחלוקת הוה ביה, אמאי לא אשתלים ביום ראשון, דהאי ימינא כליל לשמאלא, אמר לו על דא הוה מחלוקת, ותליתאה בעי למיעל בינייהו, לאכרעא ולאסגאה בהו שלם.

158. תדשא הארץ דשא אתחברותא דמיין עלאין בתתאין, למעבר פריין, מיין עלאין, ועברי איבין, ותתאי קראן לון לעלאין, בנוקבא לגבי דכורא, בגין דמיין עלאין דכורין, ותתאי נוקבין.

159. רבי שמעון אמר, כל דא הוא לעילא, והוא לתתא, אמר רבי יוסי אי הכי אלקים דקא אמרן מאי אלקים, אלקים חיים לעילא, ואי תימא לתתא אלקים סתם. אלא לתתא איהו תולדות כמה דאת אמר, אלה תולדות השמים והארץ בהבראם, ואמרינן בה' בראם, והוא לעילא, אבהן דכלא הוא, איהי עבידתא, ועל דא ארעא עבדת תולדות, דהא היא מתעברא בנוקבא מן דכורא.

1
"THE EARTH BROUGHT FORTH GRASS" (BERESHEET 1:12)
ALLUDES TO COMPLETION OF THE MATING OF UPPER AND
LOWER WATERS, FROM THE CHEST DOWNWARD.

160. Rabbi Elazar then said that all the forces were latent in the earth, WHICH IS THE MALCHUT, and she did not fulfill her potential for bringing forth offspring, until the sixth day. This is as it is written: "let the earth bring forth living creatures" (Beresheet 1:24). Where it is written: "the earth brought forth grass," DOES NOT MEAN THAT THE GRASS EMERGED IN ACTUALITY. IT MEANS ONLY THAT it did not activate its forces UNTIL THE SIXTH DAY. All remained stored until the time came TO RELEASE THE FORCES, NAMELY ON THE SIXTH DAY. For at first it is written: "IT WAS FORMLESS AND VOID," MEANING desolate and empty in the Aramaic translation. THAT IS, IT WAS A DESERT. Then, ON THE THIRD DAY, it was suitably furnished with seeds, grass, plants, and trees. Finally, it put them forth ON THE SIXTH DAY. Similarly, the luminary bodies did not emit their light until it was needed.

160. ר' אלעזר אמר, כל חילין הוו בארעא, ולא אפיקת חילהא, ואינן תולדותיה, עד יום הששי, דכתיב תוצא הארץ נפש חיה, ואי תימא והא כתיב ותוצא הארץ דשא, אלא אפיקת תקון חילהא לאתוישבא בדקא יאות, וכלא הוה גניז בה עד דאצטריך, דהא בקדמיתא כתיב צדייא וריקניא כתרגומו, ולבתר אתתקנת, ואתוישבת וקבילת זרעא, ודשאין ועשבין ואילנין בדקא יאות, ואפיקת לון לבתר. ומאורות הכי נמי לא שמשו נהורא דלהון עד דאצטריך.

39. "Luminous bodies of the firmament"

In these verses, we are given the ability to remove curses, all forms of negativity, and all forms of deprivation from our lives.

161. THE WORDS, "Let there be luminous bodies in the firmament of the Heaven" (Beresheet 1:14) are for the inclusion of the evil serpent, who befouled and caused the separation between the sun and the moon. As a result, they are not able to mate. The word meorot (LUMINOUS BODIES) IS THEREFORE SPELLED WITHOUT A VAV so that it means 'curses.' The adjustment to the spelling is BECAUSE THE SERPENT caused the earth to be cursed, as is written: "cursed is the ground for your sake" (Beresheet 3:17). THAT IS, THE SERPENT WAS THE CAUSE OF THE SIN OF THE TREE OF KNOWLEDGE, A CONSEQUENCE OF WHICH WAS THAT THE EARTH WAS CURSED. Hence it is written "meorot" WITHOUT A VAV, WHICH MEANS CURSES.

161. יהי מארת ברקיע השמים, לאכללא חויא בישא, דאטיל זוהמא, ועבד פרודא, דלא משמש שמשא בסיהרא. מארת לווטין, ועל דא גרים דאתלטויא ארעא, דכתיב ארוהה האדמה, ובגין כך מארת כתיב.

162. "Let there be luminous bodies" refers to one LUMINARY, AS IT IS SPELLED WITHOUT THE VAV (CONNOTING SINGULAR LUMINARY), is the moon. And THE WORDS, "the firmament of heaven," refer to the sun. THUS, THE ENTIRE EXPRESSION, "LET THERE BE LUMINOUS BODIES IN THE FIRMAMENT OF THE HEAVEN," INDICATES THAT both THE SUN AND MOON were coupled to illuminate the worlds BOTH above THE CHEST OF ZEIR ANPIN and below. It is written "on the earth," and not "in the earth," to indicate RADIANCE above and below, AND TO TEACH US THAT all calculations are done according to the moon.

162. חד, יהי מארת דא סיהרא, רקיע השמים דא שמשא, ותרווייהו בכללא חדא, לאזרווגא לאנהרא עלמין, לעילא ותתא, משמע דכתיב על הארץ, ולא כתיב בארץ, דמשמע לעילא ותתא, חושבן דכלא בסיהרא הוא.

163. Rabbi Shimon said that numerical measurements, determination of periods, and intercalary calculations are all made according to the moon, because above THE MOON, THIS MATING cannot be found TO RADIATE THE MOCHIN (ARAM. 'SPIRITUAL LIGHT') OF NUMERICAL CALCULATIONS. Rabbi Elazar said to him, however, this is not so, AS THERE ARE THE MOCHIN OF CALCULATIONS AND MEASUREMENT ABOVE THE MOON, for many calculations and measurements are made by our colleagues. But RABBI SHIMON explained that this is not what he meant. The MOCHIN OF calculation are made in the moon AND NOT IN ANY OTHER LEVEL, yet from this BASIS a man may proceed further and grasp CALCULATIONS IN higher LEVELS. INDEED, FROM THERE A MAN MAY ALSO PROCEED TO ATTAIN THE MOCHIN OF CALCULATIONS FROM LEVELS BEYOND THE MOON. RABBI ELAZAR said to him: Yet it is written: "Let them be as signs for seasons and days and years" (Beresheet 1:14). THIS USE OF THE PLURAL INDICATES THAT THE MOCHIN OF CALCULATION IS REVEALED BOTH IN THE

163. רבי שמעון אמר, גימטריאות וחשבון תקופות ועבורין, כלא הוא בסיהרא, דהא לעילא לאו איהו. אמר לו ר' אלעזר, ולא, והא כמה חושבנין ושיעורין קעבדי חברינא. אמר לו, לאו הכי, אלא חושבנא קיימא בסיהרא, ומתמן יעול בר נש למנדע לעילא, אמר לו והא כתיב והיו לאותות ולמועדים. אמר לו, לאתת כתיב, חסר. אמר לו הא כתיב והיו. אמר לו הויין כלהון דיהוון ביה באסקופא דא, דאתמליא מכלא, אבל חושבנא דכלא בסיהרא הוא.

MOON AND EVEN IN THE SUN, WHICH IS ZEIR ANPIN.

RABBI SHIMON said to him: Signs is spelled without Vav, INDICATING THE SINGULARITY OF THE MOON AND EXCLUDING THE SUN. RABBI ELAZAR said: It is written: "Let them be," INDICATING PLURALITY, THUS INCLUDING THE SUN. RABBI SHIMON said: THIS IS NOT SAID ABOUT THE SUN AND MOON, BUT ABOUT THE PHASES OF THE MOCHIN. They were all within the MOON, WHICH IS LIKE a boat, filled with everything, but calculating them all is done only according to the moon, NOT THE SUN.

164. Come and see: There is one point, which is the beginning of reckoning and account. THAT IS, ARICH ANPIN, CALLED BEGINNING. That which is within and BEYOND ARICH ANPIN is completely unknowable.

There is one point above, where all is hidden, unrevealed, and unknown. IT IS BINAH OF ARICH ANPIN. From there starts the reckoning AND THE REVELATION of all that is hidden and deep, NAMELY THE SEVEN LOWER SFIROT OF BINAH OF ARICH ANPIN. There is also a point below, NAMELY NUKVA OF ZEIR ANPIN, which is the starting point OF THE REVELATION of all calculations and numbers. Consequently, it is the place from where THE MOCHIN RADIATE UPON all numerical measurements, determinations of seasons, intercalary days, festivals, holy days, and Shabbats. And the children of Yisrael who cleave to the Holy One, blessed be He, reckon by the moon, AS THE SAGES HAVE SAID "YISRAEL RECKON BY THE MOON AND THE NATIONS OF THE WORLD BY THE SUN." They cleave to it and ascend it TO CLOTHE THE SUPERNAL BINAH, as it is written: "And you who cleave to Hashem, to your Elohim, are all alive today" (Devarim 4:4).

164. תָּא חֲזִי, נְקוּדָה חֵד אֵיט, וּמִתְמַן שִׁירוּתָא לְמַמְנִי, דְּהָא מַה דְּלָגוּ דְּהֵיִיא נְקוּדָה, לֹא אֲתִידַע, וְלֹא אֲתִיֵּיב לְמַמְנִי, וְאֵיט נְקוּדָה לְעִילָא סְתִים, דְּלֹא אֲתַגְלִיא כְּלָל, וְלֹא אֲתִידַע, וּמִתְמַן שִׁירוּתָא לְמַמְנִי, כָּל סְתִים וְעוּמְקָא, הֲכִי נְמִי אֵיט נְקוּדָה לְתַתָּא דְּאֲתַגְלִיא, וּמִתְמַן הוּא שִׁירוּתָא לְכָל חוֹשְׁבָנָא, וְלְכָל מְנִין, וְעַל דָּא, הֲכֹא הוּא אֲתֵר לְכָל תְּקוּפוֹת, וְגִימְטְרִיאוֹת, וְעִבּוּרִין, וְזִמְנִין, וְחֻגִי, וְשַׁבְתֵּי. וְיִשְׂרָאֵל דְּרַבְּקֵי בְּקִדְשָׁא בְּרִין הוּא עֲבָדֵי חוֹשְׁבֵן לְסִיֵּהָרָא, וְאַנּוּן דְּבָקִין בֵּיהּ, וְסַלְקִין לֵיהּ לְעִילָא, דְּכִתִּיב וְאַתֶּם הַדְּבָקִים בְּה' אֱלֹקֵיכֶם וְגו'.

40. "Let the water teem with swarms"

The Swarms refer to the numerous angels that continually interact with humanity. The power to remove negative angels and their influences from our lives derives from the sacred letters. At the same time, we gain the power to connect ourselves to the positive influences of the good angels that populate the upper spiritual atmospheres.

165. "Let the water teem with swarms of living creatures" (Beresheet 1:20). Rabbi Elazar said: We have already explained that the LOWER waters teemed and gave birth like the upper WATERS, MEANING THAT THE LOWER WATERS GAVE BIRTH TO WHAT THEY RECEIVED FROM ABOVE.

It is said, "birds to fly over the earth." Why, he then inquired, use the word yeofef (to fly), instead of the simple yauf?

165. וְיִשְׂרָצוּ הַמַּיִם שְׂרָץ נֶפֶשׁ חַיָּה, אָמַר רַבִּי אֶלְעָזָר, הָא אֻקְמוּהָ, דְּאִינּוּן מֵיִן רַחִישׁוּ וְאוּלִידוּ כְּגוּוּנָא דְּלְעִילָא, וְהָא אֲתַמַּר. וְעוֹף יַעֲוֹפֵף עַל הָאָרֶץ, יַעֲוֹף מִבְּעֵי לֵיהּ, מַהוּ יַעֲוֹפֵף.

166. Rabbi Shimon said: This is a secret, BECAUSE IT ALLUDES TO THE CREATION OF ANGELS. 'Bird' refers to Michael, of whom it is written: "And one of the seraphim flew to me" (Yeshayah 6:6), "ONE OF THE SERAPHIM" REFERS TO MICHAEL. To fly (yeofef) is said about Gavriel, as it is written: "even the man Gavriel whom I had seen in the vision, at the beginning, being set aflight to fly swiftly" (Daniel 9:21). It is Eliyahu who is continuously upon the earth. ELIYAHU is not connected to the side of Aba and Ima because he FLIES with four wings as it is written: "And the spirit of Hashem shall carry you where I know not" (I Melachim 18:12). The "spirit of Hashem" indicates one wing, and "carry you" the second WING. "Where" the third, and "I know not the fourth. THUS, HE FLIES WITH FOUR WINGS.

166. אָמַר רַבִּי שִׁמְעוֹן רְזָא הוּא, וְעוֹף דָּא מִיכָאֵל, דְּכִתִּיב וַיַּעַף אֵלַי אֶחָד מִן הַשְּׂרָפִים. יַעֲוֹפֵף דָּא גְּבַרְיָאֵל, דְּכִתִּיב וְהָאִישׁ גְּבַרְיָאֵל אֲשֶׁר רָאִיתִי בַּחֲזוֹן בְּתַחֲלָה מֵעַף בֵּיעַף. עַל הָאָרֶץ, דָּא אֵלֵיהּ, דְּאֲשַׁתְּכַח תְּדִיר בְּאַרְעָא, וְלֹא מִסְטְרָא דְּאַבָּא וְאַמָּא אֲשַׁתְּכַח, דְּאִיהוּ בְּד' טַאסִין, דְּכִתִּיב וְרוּחַ ה' יִשְׁאֲךְ עַל אֲשֶׁר לֹא אֲדַע, וְרוּחַ ה' חֵד, יִשְׁאֲךְ תְּרִין, עַל אֲשֶׁר תֵּלַת, לֹא אֲדַע אַרְבַּע.

167. The words "upon the face" allude to THE CREATION OF the Angel of Death, because he darkens the face of the earth. It is as written: "and darkness upon the face of the deep" (Beresheet 1:1). The words, "the firmament of heaven," mean, as was written, that THE ANGEL OF DEATH goes up to heaven and accuses. He IS THE SATAN, HE IS THE EVIL INCLINATION, HE IS THE ANGEL OF DEATH. HE IS CALLED THE ANGEL OF DEATH, BECAUSE AFTER HE ACCUSES, HE TAKES THE ACCUSED'S SOUL. IT IS THEREFORE WRITTEN OF HIM, "UPON THE FACE OF THE FIRMAMENT OF HEAVEN," BECAUSE IT IS HIS FACE TO ACCUSE IN THE FIRMAMENT OF HEAVEN. Rabbi Aba said: But the Angel of Death was created on the second day! HOW CAN YOU SAY THAT "UPON THE FIRMAMENT OF HEAVEN" IS CONNECTED TO HIS CREATION WHEN, AS WAS STATED, IT IS CONNECTED TO THE FIFTH DAY? But "Upon the earth" refers to the Angel Refael, who is in charge of healing the earth. Through Refael, the earth is healed and becomes inhabitable for man. He is the healer to the powers OF THE EARTH. AND BECAUSE THE HEALING OF THE EARTH COMES FROM HIM, HIS CREATION IS INDICATED IN THE WORDS "UPON THE EARTH," WHILE the words "upon the face of the firmament of the heaven" refer to THE CREATION OF THE ANGEL Uriel. And all THE FOUR ANGELS, THE CARRIERS OF THE CHARIOT, are ALLUDED TO in this verse.

168. The text proceeds, "And Elohim created the great sea creatures" (Beresheet 1:21). Rabbi Elazar said: Those are the seventy ministers of the upper worlds, in charge of the seventy nations, created for the purpose of controlling the earth. THUS THEY ARE CALLED "THE GREAT," INSTEAD OF "THAT MOVED," TO TEACH US THAT THEY WERE CREATED TO BE IN CHARGE.

169. The words: "And every living creature (Heb., nefesh chayah) that moves" (Beresheet 1:21) refer to THE CREATION OF THE NEFESH OF Yisrael, who are surely the Nefesh of Chayah, WHICH IS THE NUKVA OF ZEIR ANPIN. THIS IS CERTAIN, BECAUSE THE ENTIRETY OF THE WORLD OF ATZILUT IS CONSIDERED THE LIGHT OF CHAYAH. They are therefore called "one nation in the earth" (II Shmuel 7:23). THE WORDS: "which the waters brought forth abundantly after their kind" (Beresheet 1:21) REFER TO those who occupy themselves with Torah. 'WATER' ALWAYS ALLUDES TO TORAH, AND WHOEVER OCCUPIES HIMSELF WITH HER MERITS THE NEFESH OF CHAYAH. AND HE WHO DOES NOT OCCUPY HIMSELF ALWAYS WITH TORAH DOES NOT HAVE A HOLY NEFESH. THE WORDS: "And every winged fowl after its kind" (Beresheet 1:21) ALLUDE TO the righteous among them, AMONG THOSE WHO OCCUPY THEMSELVES WITH TORAH, and for this reason, FOR BEING RIGHTEOUS, they merit the Nefesh of Chayah. According to another interpretation, the words, "every winged fowl," refer to the angels, worldly messengers, of whom we have already spoken.

170. Rabbi Aba said that the words, "living creatures" refer to Yisrael, because they are children of the Holy One, blessed be He, from whom their holy souls originate. HE ASKED: From where do the souls of idolatrous nations originate? Rabbi Elazar said: Their souls come from the forces of the left, who defile them. Therefore, they are all impure and convey impurity to those who come close to them.

167. על פני, דא מלאך המות, דהוא אחשיך פני עלמא, וכתיב ביה וחשך על פני תהום, רקיע השמים, בדאמרן, עולה ומסטין וכו'. אמר רבי אבא, והא מלאך המות בשני אתברי, אלא, על הארץ, דא רפאל, דאיהו ממנא לאסוותא דארעא, דבגנייה אתרפיאת ארעא, וקיים בר נש עלה, ורפי לכל חיליה, על פני רקיע השמים דא אוריאל. וכלא הוא בקרא.

168. ובגין כך, כתיב בתריה, ויברא אלקים את התנינים הגדולים, אמר רבי אלעזר אלין אינון שבעין ממנן רברבן, על שבעין עמין, ובגין כך אתבריואו בלהו, למהוי שליטאן על ארעא.

169. ואת כל נפש החיה הרומשת, אלין אינון ישראל, דאינון נפש ודאי דההוא חיה, ואקרון גוי אחד בארץ. אשר שרצו המים למיניהם, דאינון משתדלין באורייתא. ואת כל עוף כנף למיניהו, אלין צדיקייא דבהון, ובגין כך אינון נפש חיה. ד"א ואת כל עוף כנף בדקא אתמר, אלין אינון שלחוי עלמא.

170. אמר רבי אבא, נפש חיה אינון ישראל, בגין דאינון בני דקדשא ברין הוא ונשמתיהון קדישין מניה אתיין. נפשאן דשאר עמין עעכו"ם מאן אתר הוא, אמר רבי אלעזר, מאינון סטרי שמאלא, דמסאבי לון, אית לון נשמתי, ובגין כך בלהו מסאבין, ומסאבין למאן דקרב בהדייהו.

171. "And Elohim said, 'let the earth bring forth living creatures...'" (Bereshheet 1:24). These words refer to the rest of Chayot, APART FROM YISRAEL, each and every one receives according to its kind. Rabbi Elazar added, This supports our statement that "living soul" refers to Yisrael, who are holy supernal living souls. The words "Cattle and creeping things and Chayot of the earth" (Bereshheet 1:24) refer to the Idolatrous nations, which are not living souls. Rather, they are, as we have said, DRAWN FROM THE FORCES OF THE LEFT, WHICH DEFILE THEM.

171. וַיֹּאמֶר אֱלֹהִים תּוֹצֵא הָאָרֶץ נֶפֶשׁ חַיָּה וְגו', בְּלִהּוֹן שְׂאֵר חַיּוֹן אַחֲרָיִן כָּל חַד וְחַד בְּכּוּם זַיְנִיה, וַאֲמַר רַבִּי אֶלְעָזָר, הָאִי מְסִייעַ לְמַה דְאִמְרָן, נֶפֶשׁ חַיָּה אֵלִין יִשְׂרָאֵל, דְאִינוּן נֶפֶשׁ חַיָּה קְדִישָׁא עֲלָאָה. בְּהֵמָה וְרִמְשׁ וְחִיתוּ אֶרֶץ, אֵלִין שְׂאֵר עֲמִין עֵעְבוּ"ם, דְּלָאוּ אִינוּן נֶפֶשׁ חַיָּה, אֶלָּא בְּדִקְאֻמְרָן.

41. "Let us make man"

The body of man is a reflection of Upper World forces. Every act we perform in our lower world initiates a corresponding spiritual action in the Upper Worlds. The magnitude of each action, however, is concealed from us. The simple physical hand movement of reaching into one's pocket to draw a few coins for charity arouses little effect in our physical environment. In the realm of the spirit, however, this act moves mountains. Scanning through the Aramaic text is another such action. It generates unimaginable positive energy for the reader, and for the world.

172. The words "Let us make man in our image and in our likeness" indicate that MAN was made of the six directions that comprise all, THAT IS, CHOCHMAH AND CHASSADIM, after the supernal image. Limbs are structured according to secret wisdom, according to the supernal structure. The words, "Let us make man," refer to the secret of male and female, made according to the holy supernal wisdom. ALL WAS DONE SO THAT MAN COULD RECEIVE SUPERNAL AND HOLY WISDOM. AND SINCE WISDOM CAN ONLY BE DRAWN THROUGH THE NUKVA, MAN WAS CREATED MALE AND FEMALE. IN THE VERSE, "In our image and in our likeness," IN WHICH IMAGE IS THE MOCHIM OF MALE AND LIKENESS IS THE MOCHIM OF FEMALE, they will construct each other, making MAN unique and fit to rule the world .

172. "נַעֲשֶׂה אָדָם בְּצַלְמֵנוּ בְּדְמוּתֵנוּ", דְאִתְבְּלִיל בְּשֵׁית סְטְרִין, כְּלִיל מְכַלָּא, בְּגוּוּנָא דְלַעִילָא, בְּשֵׁיפִי מְתַקְנָן, בְּרִזָּא דְחֻכְמָתָא, בְּדִקְא יָאוּת, כְּלָא תְקוּנָא עֲלָאָה. נַעֲשֶׂה אָדָם, רִזָּא דְכֵר וְנוֹקְבָא, כְּלָא בְּחֻכְמָתָא קְדִישָׁא עֲלָאָה. בְּצַלְמֵנוּ בְּדְמוּתֵנוּ, לְאִשְׁתְּכַלְלָא דָא בְּדָא, לְמַהוּי הוּא יְחִידָאֵי בְּעֲלָמָא, שְׁלִיט עַל כְּלָא.

42. "And Elohim saw all that He made"

When God created us, He saw the final outcome of His intention to bestow infinite fulfillment upon the Vessel for all eternity. The Creator actually saw the result even in the original thought, because He is above any concept of time. He perceives the end in the beginning. We, however, who are under the influence of time, find ourselves in a process of transformation that eventually paves the way for infinite fulfillment. This section of the Zohar connects us to the Creator's original thought of creation. We can accelerate the process of change and connect ourselves to Light that is destined to be ours when we achieve our final correction.

173. "And Elohim saw all that He had made and behold, it was very good." These words correct the omission of the words, "it was good," in the second day. These words were omitted on the second day, because on it, death was created. Now, the words, "it was very good" are used. The colleagues have explained that "it was very good" refers to death. BECAUSE THIS IS SO, IT WAS FITTING TO USE "IT WAS GOOD" ON THE SECOND DAY, THE DAY ON WHICH DEATH WAS CREATED. BUT THE WORDS WERE NOT USED UNTIL THE SIXTH DAY, WHEN IT WAS REVEALED THAT DEATH IS VERY GOOD.

173. וַיִּרְא אֱלֹהִים אֵת כָּל אֲשֶׁר עָשָׂה, וְהִנֵּה טוֹב מְאֹד, הִכָּא אִתְתַּקֵּן, מַה דְּלָא אִתְמַר כִּי טוֹב בְּשֵׁנִי, בְּגִין דְאִתְבְּרִי בֵּיה מוֹתָא, וְהִכָּא אִתְמַר וְהִנֵּה טוֹב מְאֹד. וְאִזְלָא כְּמַה דְאִמְרֵי חֲבֵרְיָא, וְהִנֵּה טוֹב מְאֹד זֶה מוֹת.

174. "And Elohim saw all that He made and behold, it was very good." HE ASKS: Did he not see that before? THE WORDS "AND ELOHIM SAW" GIVE THE IMPRESSION THAT HE ONLY SAW AFTER HE HAD CREATED. HE EXPLAINS: The Holy One, blessed be He, saw all THE THINGS THAT HAD BEEN MADE AND THOSE YET TO BE MADE. And, these are those who commented that the particle Et before the word "all" indicates that He saw all the generations to be and all that was to happen in the world in each generation, before those generations even came to existence. THE WORDS, "which he had made," ALLUDE TO all the works of creation RECOUNTED IN BERESHEET. There, the foundation and root of all that was to be and will subsequently come to pass in the world, was established. Hence, the Holy One, blessed be He, foresaw all and placed all in the works of Creation.

175. The unique aspect of the words, "the sixth day," is the letter Hei (Heb. 'the'). The Hei was used in reference to no day EXCEPT THE SIXTH. FOR THE FORMULA IS NOT "THE FIRST DAY, THE SECOND DAY, AND SO ON," BUT RATHER "ONE DAY, A SECOND DAY, AND SO ON." This is because now the world was finished. WHICH IS ZEIR ANPIN AND NUKVA, WHO WERE COMBINED AT THE END OF THE WORKS OF CREATION, as the female was united with the male into one unit, Hei, with "sixth," to be completely one. "Thus the heavens and earth were finished" indicates that the unification OF THE MALE AND FEMALE was complete in every detail. THE WORKS OF CREATION were completed in every way and were fully equipped with everything.

43. "The heavens and earth were finished"

The spiritual intention of this passage is to help us recognize that the Torah is not a book about morals, values, and ethics. The Torah is the actual channel and portal by which we connect to the Light of the Creator. This awareness gives us the ability to activate the Torah's spiritual powers. When we study the Torah, it becomes a vehicle by which we literally elevate into the Upper Worlds.

176. "The heavens and earth were finished along with all their hosts" (Beresheet 2:1). Rabbi Elazar quoted, "How great is your goodness which you have laid out for those who fear you. You have wrought for them who put their trust in you, before the sons of men" (Tehilim 31:20). Come and behold: The Holy One, blessed be He, placed man in the world. He gave him the abilities to perfect himself in His service and to correct his ways so as to merit the supernal light that the Holy One, blessed be He, saved for the righteous. This is, as it is written: "No eye has seen Elohim" (Yeshayah 64:3) ALLUDING TO THE STORED LIGHT. The words, "you will do for those who await you," REFER TO THE RIGHTEOUS.

177. And how can one merit this STORED light? THE ANSWER IS, only through CONSTANT OCCUPATION with Torah. He who occupies himself with Torah every day merits a place in the afterworld, and it is considered as if he had built the world. Through Torah, the world was built and completed. Thus, the words, "Hashem founded the earth with wisdom, He established the heavens with understanding" (Mishlei 3:19), REFER TO THE WISDOM AND UNDERSTANDING FOUND IN TORAH. And it is also written, "And I will be a nursing child (Heb., amon) with him, and I will be his delight every day" (Mishlei 8:30), WHICH MEANS THAT TORAH WAS HIS CRAFTSMANSHIP (HEB. UMANUT) IN CREATING THE WORLD. Thus, whoever embraces TORAH completes and preserves the worlds. Come and behold: The Holy One, blessed be He, made the world by a breath and by a breath it is preserved. IT IS PRESERVED BY the breath of the mouths of those who study Torah. It is preserved even more by the breath of the children in the houses of learning, BECAUSE THE WORLD IS PRESERVED FOR THEM.

174. וַיִּרְא אֱלֹהִים אֶת כָּל אֲשֶׁר עָשָׂה, וְהִנֵּה טוֹב מְאֹד, וְכִי לֹא חָמָא לִיה קוּדֵם, אֲלֵא כֹּלָּא חָמָא לִיה קִדְשָׁא בְּרִיךְ הוּא, וּמֵאֵן דְּאָמַר אֶת כָּל, לְאַסְגָּאָה כָּל דְּרִין דִּיִּיתוּן לְבַתֵּר בֵּן, וְכֵן כָּל מַה דִּיִּתְחַדֵּשׁ בְּעֵלְמָא, בְּכָל דְּרָא וְדָרָא, עַד לֹא יִיתוּן לְעֵלְמָא. אֲשֶׁר עָשָׂה דָּא כָּל עוֹבְדֵין דְּבְרָאשִׁית, דִּתְמֵן אֲתַבְרִי יְסוּדָא וְעִקְרָא לְכָל מַה דִּיִּיתִי וְיִתְחַדֵּשׁ בְּעֵלְמָא לְבַתֵּר בֵּן. וּבְגִין כֵּן חָמָא לִיה קִדְשָׁא בְּרִיךְ הוּא, עַד לֹא הוּהוּ, וְשׂוּי כֹּלָּא בְּעוֹבְדָא דְּבְרָאשִׁית.

178. FURTHERMORE, "How great is your goodness" refers to the hidden good, OR THE STORED LIGHT. "Those who fear you" relates to those who fear wrongdoing THOSE WHO OCCUPY THEMSELVES CONSTANTLY WITH TORAH FOR WHOM THE LIGHT WAS STORED. "You have wrought for them who trust in you." HE ASKS: What is the meaning of "wrought," AND HE RESPONDS THAT it refers to the works of Creation. THE WHOLE OF CREATION DID NOT COME ABOUT, AND COULD NOT BE MAINTAINED, IF NOT FOR THOSE WHO STUDY TORAH, THOSE WHO CAN DRAW, THROUGH THEIR LEARNING, UPON THE STORED LIGHT. Rabbi Aba said: THE WORD "WROUGHT" refers to the Garden of Eden, which the Holy One, blessed be He, crafted on earth in the image of the Supernal shape for the righteous to reinforce themselves. The words are "wrought for them who put their trust in you, which you had laid out for those who fear you before the sons of men," because THE LOWER GARDEN OF EDEN is for humans and the other one THE SUPERNAL GARDEN OF EDEN is only for the supernal holy beings NOT FOR PEOPLE. Rabbi Shimon said: THE WORD "WROUGHT" REFERS TO the supernal Garden of Eden, but even so, it is for the "sons of men." For there gather the righteous, who do the will of their Master. ALTHOUGH THE UPPER GARDEN OF EDEN IS NOT FOR HUMANS, THE RIGHTEOUS IN THE LOWER GARDEN OF EDEN RISE THROUGH THE AIR INTO THE UPPER GARDEN OF EDEN. EVEN THOUGH THE RIGHTEOUS MUST DESCEND AND RETURN TO THEIR PLACES, THE UPPER GARDEN IS STILL CONSIDERED FOR PEOPLE.

179. "And they were finished" indicates that all the work that was to be done, both above and below, was finished, for the "heavens and the earth" represent above and below. THE WORD "HEAVENS" ALLUDES TO THE SUPERNAL ABOVE, AND EARTH ALLUDES TO THE BELOW. Rabbi Shimon said: THE WORD "HEAVENS" ALLUDES TO THE COMPLETION OF the works and craftsmanship of the written Torah, THAT IS, THE STRUCTURE OF ZEIR ANPIN, WHICH IS CALLED THE "WRITTEN TORAH." And THE WORD "EARTH" REFERS TO THE COMPLETION OF the works and craftsmanship of the Oral Torah, THAT IS, THE STRUCTURE OF THE NUKVA CALLED "ORAL TORAH." THE WORD "WORKS" REFERS TO THE SIX ASPECTS OF ZEIR ANPIN AND "CRAFTS" REFERS TO THE TOP THREE SFIROT.

"All their hosts" refers to the details of Torah, the seventy alternative aspects of Torah, WHICH ARE THE DETAILS OF THE STRUCTURE OF ZEIR ANPIN, CALLED "TORAH." "AND THE HEAVENS AND EARTH were finished" MEANS that both ZEIR ANPIN AND THE NUKVA, CALLED HEAVEN AND EARTH, can coexist and complement each other. The Heavens and the earth are particular and general. "And all their hosts" are the inner meanings, CALLED 'SECRETS,' of Torah and the rules of Cleanliness and Uncleanliness in Torah.

44. "And Elohim finished on the seventh day"

The Power of Blessing is the final necessary stage for any endeavor. Blessing assures that positive energy remains constant and consistent. Focused visual connection with the Zohar's text arouses and imbues the Power of Blessing into our lives, especially in the areas of greatest need.

180. "And Elohim finished on the seventh day," (Beresheet 2:2) alludes to the Oral Law, NAMELY MALCHUT, the seventh day. ZEIR ANPIN CONTAINS SIX DAYS AND THE NUKVA, WHICH IS MALCHUT, IS THE SEVENTH. On the seventh day, the world was completed, and all was preserved. It is written: "His work which he had made," and not 'all his work,' because the written Torah, WHICH IS ZEIR ANPIN, created the world through the power of written words, which are MOCHIN extended from Chochmah. HENCE, THE WORK WAS FINISHED ON THE SEVENTH DAY, WHICH IS MALCHUT, THE NUKVA OF ZEIR ANPIN.

178. מֵה רַב טוֹבָךְ, דָּא טוֹבָא דַּאֲתַגְנִיז. לִירְאִיךְ, לְאִינּוֹן דְּחִלִּי חֲטָאָה. פְּעֵלַת לְחוּסִים בְּךָ, מְאִי פְּעֵלַת, דָּא עוֹבְדָא דְּבְרָא שִׁית. רַבִּי אָבָא אָמַר, דָּא גֵן עֵדֶן, דְּהָא בְּאוּמְנוּתָא עֲבִיד לִיה קְדָשָׁא בְּרִיךְ הוּא בְּאַרְעָא, כְּגוֹנָא דְּלַעִילָא. לְאַתְתַּקְפָּא בֵּיה צְדִיקָיָא, הֵה"ד פְּעֵלַת לְחוּסִים בְּךָ נִגְד בְּנֵי אָדָם, דְּהָא הוּא נִגְד אָדָם וְאַחֲרָא נִגְד עֲלָאִין קְדִישִׁין. אָמַר רַבִּי שְׁמַעוֹן גֵּן עֵדֶן לַעִילָא וְנִגְד בְּנֵי אָדָם הוּי, לְאַתְכַּנְשָׁא בֵּיה צְדִיקָיָא דְּעַבְדֵי רַעוּתָא דְּמֵאֲרִיהוּן.

179. וַיְכַלּוּ, וַיְכַלּוּ עוֹבְדֵי דְּלַעִילָא וְעוֹבְדֵי דְּלַתְתָּא, הַשָּׁמַיִם וְהָאָרֶץ, לַעִילָא וְתָתָא. רַבִּי שְׁמַעוֹן אָמַר עוֹבְדָא וְאוּמְנוּתָא דְּאוּרִייתָא שְׁבַכְתְּב, וְעוֹבְדָא וְאוּמְנוּתָא דְּתוֹרָה שְׁבַעֲל פָּה. וְכָל צְבָאָם, אֵלִין פְּרִטֵי דְּאוּרִייתָא, אִפִּין דְּאוּרִייתָא, שְׁבַעֲל פָּנִים לְתוֹרָה. וַיְכַלּוּ, דְּאַתְקִימוּ וְאַשְׁתַּכְּלִלוּ דָּא בְּדָא, שָׁמַיִם וְאַרְץ פְּרִט וְכַלֵּל, וְכָל צְבָאָם רְזִי דְּאוּרִייתָא, דְּכִיָּאֵן דְּאוּרִייתָא מְסַבֵּן דְּאוּרִייתָא.

180. וַיְכַל אֱלֹהִים בַּיּוֹם הַשְּׁבִיעִי, דָּא תוֹרָה שְׁבַעֲל פָּה, דְּאִיהוּ יוֹם שְׁבִיעִי, וּבִיה אֲשְׁתַּכְּלִל עֲלֵמָא, דְּאִיהוּ קִיּוּמָא דְּכֵלָא. מְלֵאכְתּוֹ אֲשֶׁר עָשָׂה, וְלֹא כָּל מְלֵאכְתּוֹ, דְּהָא תוֹרָה שְׁבַכְתְּב, אִפִּיק כֵּלָא, בְּתוֹקְפָא דְּכֵתֵב דְּנִמְק מְחַכְמָתָא.

181. The seventh day was mentioned three times in the text, "And Elohim finished on the seventh day... and He rested on the seventh day... and Elohim blessed the seventh day." "And Elohim finished on the seventh day" refers to the Oral Torah, WHICH IS MALCHUT, THE NUKVA OF ZEIR ANPIN. For by means of the seventh day, the world was finished and completed, as we have said.

182. "And He rested on the seventh day" refers to the foundation of the world. In the book of Rabbi Yeba Saba, it is written THAT "HE RESTED..." refers to the Yovel (Jubilee), NAMELY THE ILLUMINATION OF THE LEFT SIDE OF BINAH. Hence, it is written: "from all of His work," because all originates from this. And we say that "AND HE RESTED" alludes to Yesod, not to the Jubilee, because rest dominates everything else. THAT IS, REST IN THE ILLUMINATION OF YESOD IS MORE REVEALED THAN THE REST IN THE ILLUMINATION OF THE JUBILEE.

183. "And Elohim blessed the seventh day" refers to the High Priest, who blesses all and takes the first share. As we have learned, the Priest takes the first share OF ALL FEASTS, and he is blessed. Hence, he can bless OTHERS, and is called the seventh. Rabbi Yesa Saba said that "AND... FINISHED" refers to the Yesod (Foundation) of the world, AND "BLESSED" to the central column, WHICH IS TIFERET.

184. RABBI SHIMON SAID THAT "and he sanctified it" also REFERS TO YESOD, BECAUSE IT SAYS "AND HE SANCTIFIED IT" WITHOUT SAYING what HE SANCTIFIED. THIS PHRASE IS UNLIKE THE PREVIOUS PASSAGES "AND HE BLESSED, AND HE RESTED," because it refers to the place where the sign of the covenant is fixed, NAMELY YESOD. THE WORD OTO (IT) CAN BE INTERPRETED AS THE PLACE OF THE SIGN OF THE COVENANT, NAMELY YESOD, because it is written: "and he shows me both it (oto) and his habitation" (II Shmuel 15:25). "IT" REFERS TO YESOD, AND "HIS HABITATION" REFERS TO MALCHUT. This place, YESOD, is the dwelling of all supernal sanctities, the place from which the Nukva descends upon the congregation of Yisrael to bestow upon her luxuries and the bread of joy. This is in accordance with the verse, "From Asher his bread shall be fat, and he shall field the dainties of the king" (Bereshheet 49:20). "From Asher" alludes to the perfect covenant. "His bread shall be fat," indicates that BEFORE THE CORRECTION OF THE YESOD, bread was a shame, but now, AFTER THE CORRECTION, it has become the bread of joy. In the words, "And he shall field the dainties of the king," "the king" refers to the congregation of Yisrael, WHICH IS THE NUKVA OF ZEIR ANPIN, to whom THE YESOD gives all the luxuries of the world. And all the sanctities that emerge from above originate from this place. Hence, "He sanctified it" the very sign of the covenant, THE YESOD.

45. "Which Elohim created to make"

When the Sabbath was brought forth into Creation, it greatly diminished the influence of the created negative forces. In our world, this same power is given to us through the Sabbath. Learning this section helps us weaken the negative forces in our daily existence.

185. "For on it He rested" indicates that in it, NAMELY WITHIN YESOD, can be found rest for all, the upper and lower. In it is the Shabbat, for rest. "Which Elohim created" indicates that from the "remembering," "keeping" had come forth, to finalize the manufacturing of the world. "To make" is the craftsmanship of the world; "to make" alludes to the completed work, A DOING THAT PERFECTS EVERYTHING.

181. תֵּלֶת זְמַנֵּי הַכָּא בַּיּוֹם הַשְּׁבִיעִי, וַיְכַל אֱלֹקִים בַּיּוֹם הַשְּׁבִיעִי, וַיִּשְׁבּוֹת בַּיּוֹם הַשְּׁבִיעִי וַיְבָרֶךְ אֱלֹקִים אֶת יוֹם הַשְּׁבִיעִי, הֵא תֵּלֶת, וַיְכַל אֱלֹקִים בַּיּוֹם הַשְּׁבִיעִי, דָּא תוֹרָה שְׁבַעַל פֶּה, דְּעַם יוֹם הַשְּׁבִיעִי דָּא, אֲשֶׁתְּכַלֵּל עֲלֵמָא בְּדָקָא אַמְרֵן.

186. Rabbi Shimon further elucidated THE SENTENCE, "WHICH ELOHIM CREATED TO MAKE," WITH THE WORDS, "who keeps the covenant and the Chesed (kindness)" (Devarim 7:9). He explained that "who keeps" refers to the congregation of Yisrael, WHICH IS MALCHUT. "The covenant" is the foundation of the world, WHICH IS YESOD OF ZEIR ANPIN, and Chesed is Avraham, WHO IS CHESED OF ZEIR ANPIN. Because the congregation of Yisrael, MALCHUT, is the keeper of the covenant and Chesed, MEANING IT IS THE KEEPER OF CHESED AND OF THE YESOD OF ZEIR ANPIN. MALCHUT is called the Protector of Yisrael, BECAUSE ZEIR ANPIN IS CALLED YISRAEL AND MALCHUT PROTECTS HIS SFIROT. It protects the gateway to all THE SFIROT OF ZEIR ANPIN, YESOD BEING ITS LOWEST SFIRAH AND CHESED ITS UPPERMOST. AND BECAUSE MALCHUT PROTECTS THEM, IT IS VIEWED AS THE PROTECTOR OF ALL HIS SFIROT, FROM YESOD UP TO CHESED. Upon it depends the functioning of the world, BECAUSE IT PROTECTS ZEIR ANPIN FROM ANY INTERFERENCE FROM OUTSIDE FORCES BY MEANS OF THE PROHIBITORY PRECEPTS. SIMILARLY, ALL CORRECTIONS AND DEEDS DEPEND ON IT, BY MEANS OF THE POSITIVE PRECEPTS. Hence, "that Elohim created to make," corrects and finalizes each and every day OF THE SIX DAYS OF CREATION, WHICH ARE THE SIX SFIROT OF ZEIR ANPIN. These words give birth to Holy spirits and souls; even evil spirits and demons ARE INCLUDED IN THE PHRASE, "WHICH ELOHIM CREATED TO MAKE."

187. And it is not true that EVIL SPIRITS AND DEMONS play no role in correcting the world. Even they were created for the correction of the world to slap the hands of the wicked of the world and admonish them, so they will follow correct paths. Whoever veers to the left side will find himself adhering to THE DEMONS AND EVIL SPIRITS OF the left side, who will punish him. In this way, THE DEMONS AND EVIL SPIRITS help correct THE WORLD. Come and see what was written about Solomon: "I will chasten him with the rod of men and with the plagues of the children of men" (II Shmuel 7:14). Those "plagues of the children of men" are the harmful pests WHO ARE THE DEMONS AND EVIL SPIRITS. BECAUSE THEY WERE CREATED TO PUNISH TRANSGRESSORS, PEOPLE FEAR THEM AND KEEP AWAY FROM SINS.

188. Come and behold: At the time THE DEMONS AND EVIL SPIRITS were being created, the day, SHABBAT, was being sanctified. The demons and evil spirits were left without bodies, BECAUSE HE DID NOT HAVE THE TIME TO MAKE THEM BODIES. They are creatures who were not finalized, come from the left, and are considered the refuse of gold. Thus, because they were not finished and remained defective, the Holy Name cannot rest upon them, and they cannot cleave to it. They are terrified of the Holy Name and sweat with fear upon its mention. THEREFORE, THEY CANNOT CLEAVE TO IT. Furthermore, the Holy Name cannot prevail in an imperfect place.

189. Come and behold: A man who is imperfect because he does not leave a son behind him when he DEPARTS FROM this world cannot cleave to the Holy Name and will not be allowed beyond the curtain OF THE HOLY ONE, BLESSED BE HE, because he is defective and was not completed. And a tree that was uprooted, THAT IS, A MAN WHO DIES WITHOUT A SON, has to be replanted, BY BEING REINCARNATED INTO THIS WORLD a second time, because the Holy Name is perfect in all aspects. The defective man cannot therefore cleave to Him, BECAUSE SPIRITUAL CLEAVING IS A MATTER OF SIMILARITY OF FORM, AND THE DEFECTIVE ARE AS FAR AS EAST IS TO WEST FROM THE PERFECT.

186. תג, פריש ר' שמעון מלה ואמר, כתיב שומר הברית והחסד, שומר, דא כנסת ישראל, הברית, דא יסודא דעלמא, והחסד דא אברהם, הכנסת ישראל היא שומר הברית והחסד, ואקרי שומר ישראל, דא הוא נטיר פתחא דכלא, ביה תליין כל עבירן דעלמא ודאי. אשר ברא אלקים לעשות, לשכללא לאתקנא בלא, כל יומא ויומא, ולאפקא רוחין ונשמתין ואפלו רוחין ושדין.

187. ואי תימא דלאו אינון תקונא דעלמא, לאו הכי, דהא אינון לתקונא דעלמא הוו, ולא לקאה בהו לחיבי עלמא, דאנון אזלין לקבלייהו לאוכחא להו, ומאי דאזיל לשמאלא, אתאחיד בסטרא שמאלא לקבלייהו, בגיני כך לתקונא הוו. תא חזי מה כתיב בשלמה והוכחתיו בשבט אנשים ובנגעי בני אדם מאן נגעי בני אדם אלין אינון מזיקין.

189. ותא חזי, האי ב"נ דאתפגים דלא שבק בר בהאי עלמא, כד נפק מניה, לא אתדבק בשמא קדישא, ולא עאלין ליה בפרגודא, בגין דאיהו פגים ולא אשתלים, ואילנא דאתער, בעיא נטיעא זמנא אחרא, בגין דשמא קדישא אשתלים בכל סטרין, ופגימו לא אתדבק ביה לעלמין.

190. Come and behold: Those creatures, NAMELY THE DEMONS AND EVIL SPIRITS, are defective above and below. Thus, they cannot join the upper, ON THE SIDE OF BINAH, or the lower, ON THE SIDE OF MALCHUT. Of them, it was written, "that Elohim created to make," WHICH MEANS HE CREATED CREATURES THAT NEED CORRECTING AND FINISHING. These creatures were not completed above or below, NEITHER FROM THE SIDE OF BINAH NOR FROM THE SIDE OF MALCHUT. And if they are BODILESS spirits, why are they not completed above FROM THE SIDE OF BINAH? Because THE SPIRITS were not perfected below on earth, BY RECEIVING A BODY, they cannot be completed from above, IN THE LIGHTS. BECAUSE THEY CAME FROM THE ASPECT OF MALCHUT, THEY NEED TO BE CLOTHED IN BODIES. AND SINCE THEY HAVE NO BODIES, THEIR SPIRITS ARE DEFECTIVE AS WELL, AND THEY CANNOT BE CORRECTED FROM ABOVE, IN BINAH.

They all come from the left side and are invisible to the human eye. They stand in opposition to people so that they can harm them. They have three of the characteristics of the ministering angels and three features in common with people. As has been explained, THEY HAVE WINGS, FLY FROM ONE END OF THE WORLD TO THE OTHER, AND FORETELL THE FUTURE AS DO THE MINISTERING ANGELS. THEY EAT, DRINK, PROCREATE, AND DIE LIKE PEOPLE.

191. After their creation, these spirits are left behind the millstones of the chasm of the great abyss. When the sanctity of the Shabbat day has passed AFTER THE SHABBAT these incomplete SPIRITS come into the world and fly around in all directions. People should beware of them. Then, once again, the entire left side reawakens and the flames of Gehenom blaze. All WHO COME from the left side float around the world; they want to clothe themselves with bodies, but they are unable to do so. At this time, people must protect themselves against them. Thus, the Sages prescribed the saying of the "Hymn for afflictions" (Tehilim 91), whenever one fears them in the world.

46. The Tabernacle of Peace

A protective shield of Light surrounds our world during the Sabbath. We can awaken this protective field of energy and draw it into our lives during all seven days of the week.

192. Come and behold: When the day is sanctified on the evening of Shabbat, a tabernacle of peace descends and settles on the world. HE ASKS: What is this tabernacle of peace? AND HE ANSWERS: It is the Shabbat. On Shabbat, all the evil spirits, stormy spirits, demons, and the defiled hide behind the millstone of the chasm of the great abyss. For when the Sanctity spreads over the world, the spirit of defilement does not waken; one runs from the other. HOLINESS SHUNS THE UNCLEAR, AND THE UNCLEAR SHUNS HOLINESS.

190. וְתָא חֲזִי, הַנִּי בְרִיּוֹן, פְּגִימוֹן אֵינּוֹן, מַעֲוִלָּא וּמַתָּא, וּבְגִינֵי כֶךְ לֹא מַתְדַּבְּקֵן לְעִילָא, וְלֹא מַתְדַּבְּקֵן לְתַתָּא, וְאֵלִין דְּכַתִּיב בְּהוּ אֲשֶׁר בְּרָא אֱלֹקִים לַעֲשׂוֹת, דְּלֹא אֲשַׁתְּלִימוּ עִילָא וְתַתָּא. וְאִי תִימָא הָא רוּחִין אֵינּוֹן, אִמְאִי לֹאוּ אֲשַׁתְּלִימוּ לְעִילָא, אֲלֵא בִּיּוֹן דְּלֹא אֲשַׁתְּלִימוּ לְתַתָּא בְּאַרְעָא, לֹא אֲשַׁתְּלִימוּ לְעִילָא, וְכִלְהוּ מַסְטֵר שְׂמַאלָא קַא אֲתִיּוֹן, וּמַתְבַּסִּיין מַעֲינָא דְּבַנֵּי נִשְׂא, וְקִיּוּמֵי לְקַבְּלִיהוּ לְאַבְאָשָׁא לֹוֹן. תְּלַת לֹוֹן בְּמַלְאֲכֵי הַשְּׂרָת, וְתַלַּת לֹוֹן כְּבַנֵּי נִשְׂא, וְהָא אוֹקְמוּהָ.

191. בְּתַר דְּאַתְבְּרִיאוּ רוּחִין, אֲשַׁתְּאָרוּ אֵינּוֹן רוּחִין, בְּתַר רַחֲוִיָּא דְּנוֹקְבָא דְּתַהוּמָא רַבָּא, לִילִיָּא דְּשַׁבְּתָא וְיוֹמָא דְּשַׁבְּתָא, בִּיּוֹן דְּנַפְקֵ קְדוּשַׁתָּא דְּיוֹמָא, וְלֹא אֲשַׁתְּלִימוּ, נַפְקוּ לְעֵלְמָא, וְשַׁטְאן לְכָל סְטְרִין, וּבַעֲוִיָּא עֵלְמָא לְאַתְנַטְרָא מְנִייהוּ. דְּהָא כְּדִין כָּל סְטְרֵי שְׂמַאלָא אֲתַעֵר, וְאַשָׁא דְּגִיְהוֹנָם מְלַהֲטָא, וְכָל אֵינּוֹן דְּבַסְטֵר שְׂמַאלָא, אֲזִלִּין וְשַׁטְאן בְּעֵלְמָא, וּבַעֲוִיָּא לְאַתְלַבְּשָׁא בְּגוּפָא, וְלֹא יְכַלִּין, כְּדִין בְּעֵינָא לְאַסְתַּמְרָא מְנִייהוּ וְאַתְקִינוּ שִׁיר דְּפִגְעִים, בְּכָל שַׁעְתָּא דְּרַחֲלוֹ דְּלַהוֹן שְׂרִיָּא בְּעֵלְמָא.

192. תָּא חֲזִי כִּד אֲתַקְדַּשׁ יוֹמָא בְּמַעֲלֵי שַׁבְּתָא, סוּכַת שְׁלוֹם שְׂרִיָּא, וְאַתְפְּרִיסַת בְּעֵלְמָא, מֵאֵן סוּכַת שְׁלוֹם, דָּא שַׁבְּתָא, וְכָל רוּחִין וְעֲלֵעוּלוֹין וְשַׁדִּין, וְכָל סְטְרָא דְּמַסְאֲבֵי כְּלָהוּ טְמִירִין, וְעֵאלִין בְּעֵינָא דְּרִיחֲוִיָּא דְּנוֹקְבָא דְּתַהוּמָא רַבָּא, דְּהָא בִּיּוֹן דְּאַתְעֵר קְדוּשַׁתָּא עַל עֵלְמָא, רוּחַ מַסְאֲבָא לֹא אֲתַעֵר בְּהַדְרִיָּה, וְדָא עָרִיק מְקַמִּיָּה דְּרָא.

193. Thus, ON SHABBAT, the world is under supernal protection. As a result, there is no need to pray for protection, as when one says, "who protects his people, Yisrael, forever, Amen." This blessing was prescribed for weekdays, when the world needs protection, but on Shabbat, a tabernacle of peace is spread over the world and protects it from all directions. Even the sinners of Gehenom are preserved, and all remain in peace, both the upper and lower. Hence, upon sanctifying the day, we say, "He who spreads the tabernacle of peace over us and over all His people Yisrael and over Jerusalem," INSTEAD OF "HE WHO PROTECTS HIS PEOPLE YISRAEL," AS ON WEEKDAYS.

194. YET, HE ASKS: Why over Jerusalem? AND HE ANSWERS: Because it is the abode of this tabernacle. It behooves one TO PRAY AND summon the Tabernacle OF PEACE, so that it will be spread upon us, dwell with us, and be to us like a mother protecting her children. One, therefore, fears nothing ON SHABBAT from any side OF THE WORLD. Therefore, one says, "who spreads the tabernacle of peace over us," AND THERE IS NO NEED TO SAY "WHO PROTECTS HIS PEOPLE, YISRAEL, FOREVER, AMEN."

195. Come and behold: When Yisrael bless and call the Tabernacle of Peace, the 'Holy Guest' WHICH ONLY APPEARS ON SHABBAT AND IS AN INFREQUENT GUEST they say, "He who spreads the Tabernacle of Peace." Then the supernal sanctity comes down, spreads its wings over Yisrael, and covers them as a mother covers her children. And all evil leaves the world, and the people of Yisrael remain under the Holiness of their Master. Consequently, this Tabernacle of Peace gives new Neshamot (souls) to her children. HE ASKS: what is the reason IT GIVES NEW SOULS TO YISRAEL? AND HE ANSWERS that souls dwell in and issue from her, BECAUSE SHE IS BINAH. And because THIS TABERNACLE OF PEACE dwells upon and spreads her wings over her children, she sheds new souls upon each and every one of them.

196. Rabbi Shimon says further that this is the reason why we have learned that Shabbat is similar to the world to come, and this is true. Just as Shmitah (the Sabbatical Year) and Yovel (Jubilee) are equal to one another, so are Shabbat and the world to come. LIKE SHMITAH, SHABBAT IS MALCHUT; LIKE YOVEL, THE WORLD TO COME IS BINAH. AND SINCE WE LEARNED THAT SHABBAT AND THE WORLD TO COME ARE EQUAL TO EACH OTHER, THEN SHMITAH AND THE YOVEL ARE EQUAL TO ONE ANOTHER. The extra soul THAT THE TABERNACLE OF PEACE BESTOWS UPON HER CHILDREN comes from the secret of remembering, ZEIR ANPIN, to the Tabernacle of Peace that extends from the world to come. THE TABERNACLE OF PEACE RECEIVES the additional NESHAMOT FROM ZEIR ANPIN and gives them to the Holy Nation. The people are elated with the addition, and all worldly matters, sorrows, and evil are forgotten. Thus, it is written: "On the day that Hashem shall give you rest from sorrow and from your troubles" (Yeshayah 14:3) INDICATING THE TIME WHEN THE ADDITIONAL NESHAMOT ARE RECEIVED FROM THE TABERNACLE OF PEACE.

193. וְכִדִּין עֲלֵמָא בְּנִטְרוּ עֲלָאָה. וְלֹא בְּעִינָן לְצַלָּאָה

197. On the evening of Shabbat, one should taste of all THE FOOD HE HAS, to show that this Tabernacle of Peace embraces all THREE COLUMNS OF BINAH. This is as long as nothing is lacking from the Shabbat day meal, BECAUSE THE HONOR OF THE DAY IS GREATER THAN THE NIGHT. Others say further that ONE SHOULD BEWARE THAT NOTHING IS LACKING from the two meals of the day, and it is well TO BE VERY CAREFUL WITH THAT. And it is needless to say that if one has more than two MEALS on SHABBAT day, he can still taste of all the foods ON THE EVE OF SHABBAT, as long as two dishes remain for the day of Shabbat. This was fully expounded upon.

198. The Shabbat candles were given to the wives of the Holy people to light, and the friends have given a reason for that. They explained that when Chavah extinguished the candle of the world BY CAUSING ADAM TO EAT OF THE FRUIT OF THE TREE OF KNOWLEDGE, she BROUGHT DEATH AND darkness to the world. THUS, BY LIGHTING THE SHABBAT CANDLES, WOMEN CORRECT THAT WHICH CHAVAH, THE FIRST WOMAN, DID, and this is good. Nevertheless, a deeper interpretation is that the Tabernacle of Peace THAT SHINES ON SHABBAT is the Mother of the world, and the souls, which are Supernal candles, reside within her. Thus, a mother, OR A WOMAN, should light the candles. By doing so, she stands in the stead OF THE SUPERNAL MOTHER OF CHILDREN, THE TABERNACLE OF PEACE. BECAUSE she does so, THE UPPER MOTHER OF CHILDREN BESTOWS HOLY SOULS UPON HER CHILDREN, WHICH IS THE SECRET OF THE SUPERNAL SPIRITUAL CANDLES.

199. FOR THIS REASON, a woman should light the candles of Shabbat with a joyful heart and great concentration, because the supernal Glory is hers. It is a great merit to herself to beget, IN LIGHTING THE CANDLES, holy sons who are the shining candles of Torah and Piety, and who will bring peace to the world. By lighting the candles, she also gives her husband long life. Hence, she should be very careful with THE LIGHTING OF THE CANDLES, AND SHOULD DO SO WITH GREAT CONCENTRATION.

200. Come and behold: The evening and day of Shabbat combine "Remember" and "Keep." IN THE FIRST TABLETS, it was written, "Remember the Shabbat" (Shemot 20:8) and IN THE SECOND TABLETS, it was written, "Keep the Shabbat" (Devarim 5:12). BECAUSE "Remember" is the male PRESENCE OF ZEIR ANPIN and "Keep" is the female PRESENCE, OR THE NUKVA, OF ZEIR ANPIN, when "Remember" joins "Keep," all is one. Joyful are the people of Yisrael, who are the lot of the Holy One, blessed be He, His destiny and His inheritance. Of them, it is written: "Happy is the nation that this is their lot. Happy is that Nation that has Hashem as its Elohim" (Tehilim 144:15).

47. "And Hashem Elohim built the rib"

This section helps every human being attract their true soulmates. Moreover, the letters and words of the Zohar help existing marriages rekindle the flames of passion and spiritual enlightenment.

201. "And Hashem Elohim built the tzela (rib) which he had taken from man" (Beresheet 2:22). Rabbi Shimon says: It is written, "Elohim understood her ways and He knew her place" (Iyov 28:23). There are many ways of looking at it, but what is the principal way of interpreting "Elohim understood (Heb., hevin) her ways?" It is similar to "and Elohim built (Heb. vayiven) the rib," even though RIB means the Oral Torah, WHICH IS MALCHUT, in which there is a path, as it is written, that "makes a way in the sea" (Yeshayah 43:16). THE SEA IS MALCHUT, AND IN IT HE MADE A PATH. Hence "And Elohim understood her ways."

202. "And He knew her place." HE ASKS: What is "her place?" AND HE ANSWERS: It is the Written Torah, NAMELY ZEIR ANPIN. The Written Torah, WHICH IS THE SECRET OF THE UPPER ZEIR ANPIN AND OF THE NUKVA FROM THE CHEST UPWARD, has knowledge. Hashem Elohim is a complete name to correct the MALCHUT in everything. Hence, THE MOCHIN OF THE NUKVA, OR MALCHUT, are called Chochmah and Binah, because they are created, with full perfection, from the two names of Yud-Hei-Vav-Hei and Elohim, WITH YUD-HEI-VAV-HEI CORRESPONDING TO CHOCHMAH AND ELOHIM TO BINAH. HENCE "ELOHIM UNDERSTOOD HER WAYS" RELATES TO THE EMANATION OF CHOCHMAH THAT COMES THROUGH BINAH, AND THIS EMANATION IS CALLED ELOHIM. "AND HE KNEW HER PLACE" IS DAAT, THE LIGHT OF CHASSADIM AND THE SECRET OF YUD-HEI-VAV-HEI, DRAWN FROM ABA THROUGH ZEIR ANPIN.

203. "The rib" is the mirror that does not shine MALCHUT. As it is written: "In tzali (my adversity) they rejoiced and gathered" (Tehilim 35:15). THE WORD INDICATES OPAQUE GLASS, WHICH NEEDS CORRECTING. THE WORDS, "THE RIB that He took from man," MEAN THAT HE TOOK MALCHUT OUT OF THE WRITTEN TORAH, WHICH IS ZEIR ANPIN. Because woman originates in THE MALCHUT OF the written Torah, "to the woman" indicates her connection with the flames of the left side. Torah, NAMELY ZEIR ANPIN, was given from the side of Gvurah, WHICH IS RELATED TO THE NUKVA. The word for woman (ISHAH) IS DERIVED FROM esh, meaning fire OR THE SIDE OF GVURAH, and Hei, INDICATING THE NUKVA TO WHICH THE FIRE OF GVURAH IS CONNECTED. And they are burned as one.

204. "And he brought her to Adam" because it is not fitting FOR THE NUKVA to exist alone; she is included within and cleaves to the written Torah, ZEIR ANPIN. And when THE NUKVA has united WITH ZEIR ANPIN, he feeds and prepares for her and bestows upon her all that she needs. Hence, it is written "And the earth" (Beresheet 1:1), IN WHICH THE VAV (AND) IN "AND THE EARTH" ALLUDES TO ZEIR ANPIN, WHICH BESTOWS AN ABUNDANCE UPON HER, CALLED "FOOD," as we have already explained.

205. Here we learn that the mother and father must supply all the needs of a daughter before she is wed. After she has been joined with her husband, it is for him to feed and give her what she requires. Come and behold: It is first written, "and Hashem Elohim built the rib," that is, that mother and father have prepared for her. Then, it is written: "He brought her to Adam," so they could join together and cleave to one another. Then, it is for HER HUSBAND to give her what she requires.

201. וַיִּבֶן ה' אֱלֹהִים אֶת הַצֶּלַע אֲשֶׁר לָקַח מִן הָאָדָם וְגו', אָמַר רַבִּי שִׁמְעוֹן כְּתִיב אֱלֹהִים הִבִּין דְּרֵבָה וְהוּא יָדַע אֶת מְקוֹמָהּ. הָאִי קָרָא גּוֹוִינִן סְגִיִּין אֵיִת בֵּיהּ, אֲלֵא מְהוּ אֱלֹהִים הִבִּין דְּרֵבָה, כַּד"א וַיִּבֶן ה' אֱלֹהִים אֶת הַצֶּלַע, דָּא תוֹרָה שְׁבַע"פ, דָּאִית בַּה דְּרַךְ, כַּד"א הַנּוֹתָן בֵּיִם דְּרַךְ, בְּגִינֵי כִךְ אֱלֹהִים הִבִּין דְּרֵבָה.

205. מִכָּאֵן אוֹלִימְנָא, מֵאֵן דְּאַנְסִיב בְּרִתִּיהָ, עַד לָא תִיעוּל לְבַעֲלָהּ, אָבוּהּ וְאִמָּהּ מִתְקַנִּין לָהּ, וַיְהִינּוּ לָהּ כָּל מַה דְּאַצְטְרִיךְ, בִּיּוֹן דְּאַתְחַבְרַת בְּבַעֲלָהּ, הוּא יְזוּן לָהּ, וְהוּא יִתֵּן לָהּ מַה דְּבַעֲנָא. תָּא חֲזִי, בְּקַדְמִיתָא כְּתִיב, וַיִּבֶן ה' אֱלֹהִים אֶת הַצֶּלַע, דְּאַבָּא וְאִמָּא אֲתַקִּינוּ לָהּ, וּלְבַתּוֹ, וַיָּבֵאָה אֶל הָאָדָם, לְאַתְקֻשְׂרָא כָּלָא כְּחָדָא, וּלְאַתְחַבְרָא חַד בְּחַד, וְהוּא יְהִיב לָהּ מַה דְּאַצְטְרִיךְ.

206. Another interpretation of the verse, "Elohim understood her ways," is that when the daughter is in her mother's home, her mother cares for all her needs every day. Hence, Elohim, THE MOTHER, understood the ways OF THE NUKVA. When her husband marries her, he gives her what she wants and satisfies her needs. Thus, it was said that He, NAMELY THE HUSBAND, "knew her place," MEANING THAT THE HUSBAND CARES FOR THE WIFE ONCE SHE IS MARRIED TO HIM.

206. דָּבַר אַחֲרַי, אֱלֹקִים הֵבִין דְּרֻכָּהּ, כִּד בְּרַתָּא בְּבִי אִמָּא, הִיא אֶסְתַּבְּלָא בְּכָל יוּמָא, בְּכָל מַה דְּבַעֲיָא בְּרַתָּהּ, דְּכַתִּיב אֱלֹקִים הֵבִין דְּרֻכָּהּ, בֵּינָן דְּחֻבְרַת לָהּ בְּבַעֲלָהּ הוּא יְהִיב לָהּ כָּל מַה דְּבַעֲיָא, וְיִתְקַן עוֹבְדָהָא, הָדָא הוּא דְּכַתִּיב, וְהוּא יִדַע אֶת מְקוּמָהּ.

48. "And Hashem Elohim formed the man"

Man is born into this world with an evil inclination built into his nature. True transformation of character occurs through the assistance and spiritual power of a soulmate. This relationship gives us inner strength and willpower to complete our transformation.

207. It is written: "Hashem Elohim, Vayitzer (formed) the man" (Beresheet 2:7). VAYITZER IS SPELLED WITH TWO YUDS TO HINT THAT here man was completely formed, with both right and left. As we have explained, he was created with only the good inclination, NOT WITH THE EVIL INCLINATION. But LATER with "And Hashem Elohim formed," THE EVIL INCLINATION IS ALSO INCLUDED IN HIM. THIS IS THE HIDDEN REASON FOR THE TWO YUDS ONE ALLUDES TO the good inclination, the other to the evil inclination. HE ASKS: WHY WAS HE GIVEN TWO INCLINATIONS? AND HE RESPONDS: The reason is that he was given the good for himself and the bad to awaken his desire for the female. The secret meaning of this is that the North, WHICH IS THE LEFT SIDE, always wakes toward the female and cleaves to her. Hence, she is called Ishah, WHICH IS ANALYZED AS THE FIRE OF HEI, WHICH IS FEMALE. FOR THE NUKVA IS BUILT BY, AND EMERGES FROM THE LEFT SIDE.

207. כְּתִיב וַיִּיצֶר ה' אֱלֹקִים אֶת הָאָדָם. הֵכָא אֶשְׁתַּבְּלַל בְּכֹלָא, בְּיַמִּינָא וּבְשְׂמָאלָא, וְהָא אֹקִימָנָא דְאֶתְבְּלִיל בְּיַצֵּר הַטּוֹב, אֲבָל וַיִּיצֶר ה' אֱלֹקִים, בְּיַצֵּר טוֹב וּבְיַצֵּר רָע, אִמָּאִי, אֵלָא יַצֵּר טוֹב לִיָּה לְגַרְמִיָּה, יַצֵּר הָרַע, לְאֶתְעָרָא לְגַבֵּי נֹקְבִי. רָזָא דְמַלְהָ, מִכְּאֵן אֹלִימָנָא דְצַמּוֹן אֶתְעָר תְּדִיר לְגַבֵּי נֹקְבָא, וְאֶתְקַשְׁר בְּהָדָה, וּבְגִין כֵּן אֶתְקַרִּיאַת אִשָּׁה.

208. Come and behold: The good and bad inclinations WERE GIVEN TO MAN because the female was placed between the two inclinations, connected to both. Yet, she cannot be placed between them until the evil inclination awakens within her and the two inclinations connect. After they are connected, the good inclination, which is joy, rouses itself and draws THE NUKVA to itself.

208. וְתָא חֲזִי יַצֵּר טוֹב וַיִּיצֶר הָרַע, בְּגִין דְאֶתְיַהֲבַת נֹקְבָא בִּינֵינְיָהּ וְאֶתְקַשְׁרָא בְּהַדְוִיָּהּ, וְלֹא מִתְקַשְׁרָא עַד דְיַצֵּר הָרַע אֶתְעָר לְגַבְהָ. וּמִתְקַשְׁרָן דָּא בְּדָא, וְכִיּוֹן דְמִתְקַשְׁרָן דָּא בְּדָא, כְּדִין אֶתְעָר יַצֵּר טוֹב, דְאִיְהוּ חֲדוּהּ, וְאִיְתִי לָהּ לְגַבֵּיָהּ.

209. We have already explained "the man," yet MAN WAS ALSO COMPRISED of both male and female aspects, unable to separate and face each other. The words "dust from the earth" indicate that now he is about to be made ready, THAT IS, NOW THE TWO ASPECTS WILL SEPARATE AND FACE EACH OTHER. Come and behold: When a woman is wed to her husband, she is called by her husband's name, man, womanrighteous, righteousness, He is a young ofer (deer), she is afar (dust); he is called 'a deer,' and she 'a gazelle.'

209. אֶת הָאָדָם, הָא אֹקִימָנָא. אֲבָל דְכֹר וְנֹקְבָא כְּחֻדָּא, מִתְפָּרְשָׁן לְמַהוּי אַפִּין בְּאַפִּין. מַה כְּתִיב עֵמֶר מִן הָאֲדָמָה. הִשְׁתָּא קְיִימָא לְאֶתְקַנָּא. תָּא חֲזִי, אֶתְתָּא כִּד אֶתְחַבְּרַת בְּבַעֲלָהּ, אֶתְקַרִּיאַת עַל שְׁם בְּעֵלָהּ, אִישׁ אִשָּׁה, צְדִיק צְדָק, אִיְהוּ עוֹמֵר, וְאִיְהוּ עֵמֶר, אִיְהוּ צְבִי וְאִיְהוּ צְבִיָּהּ, צְבִי הִיא לְכָל הָאֲרָצוֹת.

49. "Baal and Asherah"

These two words refer to two aspects of idol worship. Idol Worshipping refers not only to bowing down before statues and icons. Idol worshipping includes any material possession or external situation that controls our emotions and behavior or that motivates us in any way. When any of these influences determine our degree of contentment and joy in life, then we have surrendered control and severed our connection to the Light, the true source of all fulfillment. Often, our negative tendencies lead us to become worshippers of wealth, or disciples of our own egos. We can remove the power and allure of the "idols" that control us by meditating upon the Hebrew passages.

210. It is written: "You shall not plant an asherah (grove; also, the name of a goddess) of any kind of tree at the altar of Hashem your Elohim which (Heb., asher) you shall make" (Devarim 16:21). ARE WE TO UNDERSTAND FROM THE WORDS "at the altar" THAT ONLY BESIDE AN ALTAR IT IS NOT PERMITTED TO PLANT A GROVE? If so, then who permitted planting a grove anywhere else, or above an altar? But, as we have explained, Asher is the name of the husband and his wife is called after him, Asherah. Thus, the words "all the vessels made for the Baal and Asherah" (II Melachim 23:4) INDICATE THE SIDE OPPOSING ZEIR ANPIN AND THE NUKVA OF THE HOLINESS; THE SIDE WHERE BAAL (LIT. HUSBAND) IS AGAINST ZEIR ANPIN, AND ASHERAH IS AGAINST THE NUKVA. Hence, WE UNDERSTAND THE QUESTION OF WHY it says, "You shall not plant an Asherah at the altar of Hashem your Elohim." IN THE WORDS, "AT THE ALTAR," "AT" IS SYNONYMOUS WITH "INSTEAD OF." THE VERSE MEANS "YOU SHALL NOT PLANT AN ASHERAH" OF IDOLATRY in the place of Hashem your Elohim because the altar of Hashem is situated upon it, THAT IS, ABOUT TO ANNUL THE KLIPAH OF ASHERAH, AS WAS SAID BEFORE. Thus, do not plant an other Asherah OF IDOLATRY against the Altar.

211. Come and behold: All those who worship the sun are always referred to as the worshippers of Baal, and those who worship the moon are called worshippers of Asherah. Hence, the above passage "for the Baal and Asherah" REFERS TO BAAL, WHO IS THE SUN AND IS MALE, AND THE ASHERAH, WHO IS THE MOON AND IS FEMALE. She is called Asherah after her husband Asher. But, if she is called ASHERAH AFTER HER HUSBAND Asher, why is THE NUKVA not called ASHERAH anymore? ALTHOUGH THE NUKVA OF PURITY IS NO LONGER CALLED SO, she was called Asherah in the past after the passage: "Happy (oshri) am I, for the girls will call me blessed" (Beresheet 30:13). SHE WAS CALLED SO BY THOSE WHO PRAISED AND AKNOWLEDGED HER. AND, IT IS WRITTEN OF HER: "BEAUTIFUL OF ALL SITES, THE JOY OF THE WHOLE EARTH" (TEHILIM 48:3). But the other nations did not acknowledge her, erected an ASHERAH OF IDOL WORSHIP in her stead, and moreover BELITTLED HER, as it is written: "All that Honored her yet despised her" (Eichah 1:8). And hence, the name Asherah was taken away from her BECAUSE THEY STOPPED ACKNOWLEDGING HER. And to prevent the other Idolatrous nations from gaining strength, she is called an altar, which is made of earth. This is as written: "An altar of earth YOU SHALL MAKE FOR ME" (Shemot 20:24). Hence, it was said OF ADAM: "AND HASHEM ELOHIM MADE ADAM FROM the dust of the earth," WHERE DUST IS MALCHUT AND EARTH IS BINAH. THUS, THROUGH THIS SWEETENING OF DUST WITH EARTH, HE MERITED RECEIVING THE MOCHIN OF NESHAMAH OF LIFE.

212. AFTER THE DUST WAS SWEETENED WITH EARTH, IT IS WRITTEN: "And he breathed in his nostrils the soul of Life" (Beresheet 2:7). As the soul of life was breathed into the dust, THE BODY OF ADAM WAS SWEETENED, like a female conceiving from a male. Through this process, SOUL AND BODY become joined. BECAUSE THE LIGHT OF BINAH IS CALLED NESHAMAH AND BECAUSE THE BODY IS SWEETENED TO BECOME AN ADEQUATE VESSEL FOR BINAH, LIGHT AND VESSEL EMBRACE EACH OTHER. This dust, WHICH IS THE BODY, becomes filled with EMANATIONS OF LIGHT. HE ASKS: What are THOSE LIGHTS? AND HE SAYS: THEY ARE the Ruach and Neshamah. It is written that then "man became a living soul (nefesh)," WHICH MEANS THAT he was now complete IN BODY AND SOUL and could now correct and sustain the living soul THAT WAS HIS FEMALE.

213. "And Hashem Elohim built." Here also, IN BUILDING OF THE RIB, the full name is used, AS IT WAS USED IN "AND HASHEM ELOHIM MADE MAN." Because her father and mother corrected her before the woman came to her husband's home, ZEIR ANPIN, HENCE A FULL NAME IS MENTIONED, AS HASHEM IS ABA AND ELOHIM IS IMA.

"The rib" is described in the verse, "I am Black and Comely, daughters of Jerusalem" (Shir Hashirim 1:5), MEANING IT WAS FASHIONED AFTER THE SECRET OF the mirror that does not shine. Later, her father and mother correct her, so as to bring peace between husband and wife. THIS IS WHAT IS MEANT BY, "HE BROUGHT HER TO ADAM."

213. וַיִּבֶן ה' אֱלֹהִים, אוֹף הָכִי נָמִי בְשֵׁם מְלֵא, דְּהָא אָבָא וְאִמָּא אֲתָקִינוּ לָהּ, עַד לֹא אָתַת לְבַעְלָהּ. אֲת הִצְלַע, כַּד"א שְׁחוּרָה אָנִי וְנֹאוּה בְּנוֹת יְרוּשָׁלַם, אֲסַפְקֵלְרִיָא דְלֵא נְהָרָא, אָבַל אָבָא וְאִמָּא אֲתָקִינוּ לָהּ, לְאֲתַפְיִסָא בַּעְלָהּ בְּהָרָה.

50. Soothing and asking permission

The Zohar discloses the importance of treating one's wife with the utmost love, honor, and respect. A man must make every attempt towards elevating his wife to the highest level. Here the Zohar is not simply emphasizing the need for moral and ethical behavior between a man and wife. Rather, the Zohar is revealing supernal secrets. The woman corresponds to the Sfirot of Malchut. She is the vessel, and is therefore responsible for manifesting Light for the entire family. Accordingly, the male must prepare and build the vessel if he hopes to maximize the spiritual Light to be received. The husband's actions arouse the Light in the Upper Worlds, while the wife manifests the Light in our world. In pursuing their own religious goals, some men relegate their wives to a secondary position. Herein lies the difference between a religious mindset and a genuinely spiritual one. Spiritually, a man can never grow and develop without elevating his wife to her rightful place. From these passages, we draw the consciousness and inspiration to strive for this kind of marriage.

214. "And He brought her to Adam" (Beresheet 2:22). From this we learn that it is incumbent on the father and mother of the bride to transfer her to the charge of her bridegroom, as we read: "My daughter I have given to this man" (Devarim 22:16). Henceforward, the husband is to come to the wife, because the house is hers and not his. IT BEHOOVES HIM, THEREFORE, TO COME TO HER, as it is written: "And he went in to her" (Beresheet 29:23) and "And he went in also to Rachel" (Beresheet 29:30). In the beginning, it is written "and He brought her to Adam" because not until the mother and father prepare her TO RECEIVE THE LIGHT OF CHASSADIM FROM ZEIR ANPIN will ZEIR ANPIN come to her. All the whole house is THE FEMALE'S. And he has to have her permission BEFORE MATING.

214. וַיְבִיֵאֵה אֶל הָאָדָם, מֵהָכָא אוֹלִיפְנָא דְבַעְאן אָבָא וְאִמָּא דְכָלָהּ, לְאֲעֵלָה בְּרִשׁוּתֵיהּ דְּחָתָן, כַּד"א אֲת בְּתִי נָתַתִּי לְאִישׁ הַזֶּה וְגו', מִכָּאן וְאִילָךְ בַּעְלָה וַיֵּיתִי לְגַבְהָ, דְּהָא בֵּיתָא דִּילָהּ הוּא, דְּכַתִּיב וַיָּבֵא אֵלֶיהָ, וַיָּבֵא גַם אֶל רָחֵל, בְּקַדְמֵיתָא וַיְבִיֵאֵה אֶל הָאָדָם, דְּעַד הָכָא אֵית לְאָבָא וְלְאִמָּא לְמַעְבַּד, לְבַתֵּר אִיהוּ וַיֵּיתִי לְגַבְהָ, וְכֹל בֵּיתָא דִּילָהּ הוּא, וַיְטוּל רִשׁוּת מִיָּנָה.

215. And upon this we commented, "and he came onto the place and he slept there" (Beresheet 28:11), meaning that he asked permission first. From this we learn that he who wants to mate with his wife must soothe her first and soften her with sweet talk. Failing to do so, he shall not sleep with her, because their desire must be mutual and without coercion.

215. וְעַל דָּא אֲתַעֲרֵנָא, דְּכַתִּיב וַיִּפְגַּע בְּמָקוֹם וַיִּלֵּן שָׁם, דְּנִטִּיל רִשׁוּ בְּקַדְמֵיתָא, מִכָּאן אוֹלִיפְנָא, דְּמָאן דְּמִתְחַבֵּר בְּאַנְתֵּתִיָהּ, בְּעֵי לְמַסְגַּע לָהּ, וְלִבְסָמָא לָהּ בְּמַלְיָן, וְאִי לֹא לֹא יָבִית לְגַבְהָ בְּגִין דִּיהָא רַעוּתָא דְלֵהוֹן כְּחָדָא בְּדֵלָא אָנִיסוּ.

216. "And he slept there, because the sun was setting" comes to teach that sexual intercourse is forbidden during the day. "And he took of the stones of the place" (Beresheet 28:11). We have learned that even if a King has beds of gold and glorious bed gowns to sleep in, and the matron prepared for him a bed of stones, he should leave his own and use what she has prepared. As it is written: "And he lied down in this place," NAMELY ON THAT BED OF STONES.

216. וַיִּלֵּן שָׁם כִּי בָא הַשֶּׁמֶשׁ, לְאַחֲזָאָה, דְּאִסוּר לִיָּה לְבַר נֶשׁ, לְשִׁמְשָׁא עֵרְסִיָה בִּימָמָא. וַיִּקַּח מֵאֲבָנֵי הַמָּקוֹם וַיִּשָּׁם מֵרֵאשׁוּתָיו, הָכָא אוֹלִיפְנָא, דְּאִפְלוּ וַיְהוֹן לְמַלְכָא עֵרְסִי דְדֵהָבָא, וְלִבּוּשֵׁי יָקָר לְמִיבַת בְּהוּ, וּמִטְרוּנֵיתָא תְּתַקִּין לִיָּה עֵרְסָא, מִתְתַקֵּן בְּאֲבָנִין, וַיִּשְׂבֹּק דִּילֵיהָ, וַיְבִית בְּמָה דְאִיְהוּ תְּתַקִּין, דְּכַתִּיב וַיִּשְׁכַּב בְּמָקוֹם הַהוּא.

217. Come and behold: It is written: "And the man said, This time" (Beresheet 2:23). These are loving words, spoken to win a woman's affections, draw her closer to him, and arouse love within her. See how tender and how love enticing are the words, "A bone of my bones and flesh of my flesh." They show her that the two are one and inseparable.

218. And then he should praise her saying, "This one shall be called woman," WHICH MEANS she is peerless and the pride of the house. Other women, compared to her, are as apes before men. "This one shall be called woman," perfect in every regard, she and no other. All those are loving words, similar to those in the verse, "Many girls have done great things, but you have excelled them all" (Mishlei 31:29).

219. "Hence a man shall leave his father and mother and cleave onto his wife, and they become one flesh" (Beresheet 2:24). This is to draw her to him with affection and cause him to cleave to her. Because he was aroused toward her with those words, it is written: "And the serpent was cunning" (Beresheet 3:1). The evil inclination was awakened to embrace her, connect her with physical desires, and arouse her to other things in which the evil inclination delights.

220. THEN, "the woman saw that the tree was good to eat and was delightful to behold, and she took the fruit thereof and ate" (Beresheet 3:6). She received THE EVIL INCLINATION willingly AND LUSTFULLY. "And she gave also to her husband," because she was lustfully aroused and wanted to win her husband's love and affection.

These passages explain the process to human beings, as it occurs above BETWEEN THE UPPER MALE AND FEMALE. ALTHOUGH THE SCRIPTURE TALKS OF ADAM AND CHAVAH BELOW, IT NEVERTHELESS ALLUDES PRINCIPALLY TO THE SUPERNAL MALE AND FEMALE. AND PEOPLE SHOULD ATTUNE THEIR ACTIONS TO THEIRS.

221. Rabbi Elazar said: If it be so, THAT THE SCRIPTURE TALKS OF THE SUPERNAL MALE AND FEMALE, how do we account for the evil inclination overtaking the female, BECAUSE IT IS INCONCEIVABLE THAT THE EVIL INCLINATION CAN AFFECT THE SUPERNAL NUKVA.

He said to him: I HAVE ALREADY EXPLAINED, some things pertain to the upper realms and others to the lower, MEANING THOSE HAPPENINGS IN THE UPPER ARE DIRECTED TOWARD THE LOWER, WHICH ARE THEIR BRANCHES. EVERYTHING IN THE LOWER HAS A ROOT IN THE UPPER, FROM WHENCE IT IS DRAWN AND GROWS. HENCE the good and bad inclinations ARE DRAWN FROM THEIR UPPER ROOTS, the good from the right and the bad from the left. The supernal left, THE UPPER LEFT COLUMN FROM WHICH THE BAD INCLINATION IS DRAWN, embraces the body, or the female, to join with it as one. As it is written: "His left under my head" (Shir Hashirim 2:6). Hence, the scripture was explained both in terms of the upper MALE AND FEMALE, and of the lower, ADAM AND EVE. From this point on, the account is smeared slightly with tar, WHICH MEANS THAT IT IS EASY TO UNDERSTAND HOW THE

LOWER RELATES TO THE UPPER, and even the smallest child can elucidate on this matter. And the friends have discussed it.

51. He who goes on a journey

No matter how high we climb spiritually, we are always beholden to our wives, for it is through their essence that we receive all our Light. The woman is the direct manifestation of God's presence, or Shechina, in our world.

Rabbi Akiva, the great and holy master of the eminent sage Rabbi Shimon, once told his students "All that is yours and all that is mine is hers." He was indicating the indispensable role a woman plays in a man's spiritual work.

222. Rabbi Shimon was going to Tveriah (Tiberias), accompanied by Rabbi Yosi, Rabbi Yehuda, and Rabbi Chiya. On the way, they saw Rabbi Pinchas coming toward them. When they met, they dismounted FROM THEIR DONKEYS and sat under one of the trees on the mountain. Rabbi Pinchas said: Now that we are seated, MEANING NOW THAT WE ARE PREPARED TO LEARN TORAH, I would like to hear of the good teachings you expound every day.

222. רַבִּי שִׁמְעוֹן הָיָה אֵוִיל לְטַבְרִיָּה, וְהוּוּ עִמָּיהָ ר' יוֹסִי וְרַבִּי יְהוּדָה וְר' חִיָּיא, אֲדֹהֲבֵי חֲמוֹ לִיָּה לְרַבִּי פִּנְחָס דְּהוּוּ אֲתִי, בֵּינָן דְּאֲתַחְבְּרוּ בַּחֲדָא, נַחְתּוּ וַיִּתְּבוּ תַּחֲתֵי אֵילָנָא חַד, מֵאֵילָנֵי טוּרָא, אָמַר רַבִּי פִּנְחָס, הָא יְתִיבְנָא, מֵאֵלִין מְלִי מַעְלִייתָא דְּאֵתָא אָמַר בְּכָל יוֹמָא בְּעִינָא לְמִשְׁמַע.

223. Rabbi Shimon then opened a discourse by saying, "And he went on his journeys from the Negev" (Beresheet 13:3). It says "journeys" IN THE PLURAL, where it should have said "journey," IN THE SINGULAR. Why did the scripture say "journeys" IN THE PLURAL? Because there were two journeys, one his own, and the second that of the Shechinah. The dual journey indicates that everyone should be male and female, so that his faith may be strong and the Shechinah may never depart from him.

223. פִּתַּח רַבִּי שִׁמְעוֹן וְאָמַר, וַיֵּלֶךְ לְמַסְעָיו מִנֶּגֶב וְעַד בֵּית אֵל עַד הַמְּקוֹם אֲשֶׁר הָיָה שֵׁם אֶהְלָה בְּתַחֲלָה בֵּין בֵּית אֵל וּבֵין הָעֵי. וַיֵּלֶךְ לְמַסְעָיו, לְמַסְעוֹ מִבְּעֵי לִיָּה, מֵאֵי לְמַסְעָיו, אֲלֵא תְרִין מְטַלְנִין אֵינוֹן, חַד דִּינִדְיָה, וְחַד דְּשְׁכִינְתָא, דְּהָא כָּל בַּר נֶשׁ בְּעֵי לְאַשְׁתַּבְּחָא דְּכַר וְנוֹקְבָא, בְּגִין לְאַתְקַפָּא מֵהֵימְנוּתָא, וְכַדִּין שְׁכִינְתָא לֹא אֲתַפְרָשָׁא מִגְּוִיָּה לְעַלְמִין.

224. And you may ask if the sojourner is not both male and female, will the Shechinah then leave him?

Come and behold: He who goes on a journey should pray to the Holy One, blessed be He, BEFORE HE LEAVES, so as to draw upon himself his Master's Shechinah, when still at home and still both male and female. And when he prayed and praised, and the Shechinah rests upon him, then he can go on his way. Now that the Shechinah is with him, he can be male and female in the city, THAT IS, AT HOME and in the field, ON HIS JOURNEY. BECAUSE THE SHECHINAH IS JOINED TO HIM, it is written: "Righteousness shall go before him," with RIGHTEOUSNESS REPRESENTING THE SHECHINAH, "and then he shall place his footsteps on the way" (Tehilim 85:14).

224. וְאֵי תִימָא, מָאן דְּנִפְיֵק לְאוּרְחָא, דִּלָּא אֲשַׁתְּבַּח דְּכַר וְנוֹקְבָא, שְׁכִינְתָא אֲתַפְרָשָׁא מִגְּוִיָּה, תָּא חֲזִי, הָאֵי מָאן דְּנִפְיֵק לְאוּרְחָא, יִסְדֵּר צְלוֹתָא קַמֵּי קֹדֶשׁא בְּרִין הוּא, בְּגִין לְאַמְשַׁכָּא עֲלֵיהּ שְׁכִינְתָא דְּמַרְיָה עַד לֹא יְפּוֹק לְאוּרְחָא, בְּזִמְנָא דְּאֲשַׁתְּבַּח דְּכַר וְנוֹקְבָא. בֵּינָן דְּסִדֵּר צְלוֹתֵיהּ וְשַׁבְּחֵיהּ, וְשְׁכִינְתָא שְׂרִינָא עֲלֵיהּ, יְפּוֹק, דְּהָא שְׁכִינְתָא אֲזַדְוּגַת בְּהַרְיָה, בְּגִין דִּישַׁתְּבַּח דְּכַר וְנוֹקְבָא, דְּכַר וְנוֹקְבָא בְּמַתָּא, דְּכַר וְנוֹקְבָא בַּחֲקֵלָא, הֵ"ד צַדֵּק לִפְנֵי וְיֵהֱלֵךְ וַיִּשֶׂם לְדַרְךָ פְּעָמָיו.

225. Come and behold: As long as a man is traveling, he should beware of sinning, so that the supernal mate, NAMELY THE SHECHINAH, will not desert him, causing him to become defective, that is, not composed of male and female. Just as he guards his actions in the city, when his wife is with him, he should do so all the more on the road, when the supernal mate, NAMELY THE SHECHINAH, is attached to him.

Furthermore, because the supernal mate, NAMELY THE SHECHINAH protects him on the road and does not depart from him until he returns to his home, HE SHOULD, THEREFORE, WATCH HIS ACTIONS AT HOME TOO, SO THAT THE SHECHINAH DOES NOT DESERT HIM.

225. תָּא חֲזִי, כָּל זְמַנָּא דְּכַר נֶשׁ אֲתַעֲכַב בְּאוּרְחָא, בְּעֵי לְנִטְרָא עוֹבְדוֹי, בְּגִין דְּזוּוּגָא עֲלָאָה לֹא יִתְפָּרֵשׁ מִגְּוִיָּה, וַיִּשְׁתַּבַּח פְּגִים בְּלֹא דְּכַר וְנוֹקְבָא, בְּמַתָּא אֲצַטְרִיךְ כַּד נּוֹקְבִיָּה עִמָּיהּ, ב"ש הֵכָא דְּזוּוּגָא עֲלָאָה אֲתַקְּשַׁרְתָּ בִּיָּה, וְלֹא עוֹד, אֲלֵא דְּהָא זּוּוּגָא עֲלָאָה נְטִיר לִיָּה בְּאוּרְחָא, וְלֹא מִתְפָּרֵשָׁא מִגְּוִיָּה, עַד דִּיתוּב לְבֵיתֵיהּ.

226. When he returns home, he should please his wife, because it is she who procured the supernal mate for him. BY RECITING A PRAYER FOR THE JOURNEY WHILE STILL AT HOME WITH HIS WIFE, HE MERITED THE SUPERNAL MATING ON THE JOURNEY. THUS HIS WIFE BROUGHT ABOUT HIS SUPERNAL MATING ON THE WAY, NAMELY THE INSPIRATION OF THE SHECHINAH. And when he comes to her, he should please her for two reasons. First, because of the joy of mating, as this mating is the joy of a precept, and because rejoicing in a precept is the joy of the Shechinah.

227. Furthermore, he increases peace at home, as it is written: "You shall know that your tent is at peace and you shall visit your habitation and not sin" (Iyov 5:24). HE ASKS: If he does not mate with his wife, is that a sin? ACCORDING TO THE WORDS, "AND YOU SHALL VISIT YOUR HABITATION AND NOT SIN?" AND HE SAYS: Evidently so, HE HAS SINNED. He has diminished the glory of the supernal mating, NAMELY THE SHECHINAH, who has mated with him on the way because of the actions of his wife. AND IF HE IS UNGRATEFUL TO HER, HE THUS REVEALS HIS OPINION THAT THE SUPERNAL COMPANION WAS NOT SO IMPORTANT TO HIM AND HENCE DEROGATES HER HONOR.

228. The second REASON WHY HE SHOULD GLADDEN HIS WIFE is that if HIS WIFE conceives in consequence of this mating, the supernal mating endows her with a holy soul. For this covenant OF THE SUPERNAL MATE THAT ENDOWS THE HOLY SOUL is the covenant of the Holy One, blessed be He. BY THIS MATING WITH HIS WIFE, HE CAUSES THE MATING OF THE HOLY ONE, BLESSED BE HE, WITH THE SHECHINAH. It behooves one, then, to concentrate on that joy, as one should concentrate on mating on Shabbat, which is the sages' mating, THAT IS, THE HOLINESS OF THE MATING WHEN ONE RETURNS FROM A JOURNEY EQUALS THE HOLINESS OF THE MATING ON SHABBAT EVE.

Hence, the quotation, "you shall know that your tent is at peace" indicates that you will know the Shechinah is with you and has settled on your home. Hence, "...and you shall visit your habitation and not sin," means that you should not sin by refraining from intercourse before the Shechinah, which is the joy in a precept, NAMELY ONE MUST NOT PREVENT THE UNION OF THE HOLY ONE, BLESSED BE HE, WITH THE SHECHINAH, THROUGH WHICH A SOUL CAN BE ENDOWED. THIS IS A GREAT SIN.

229. Similarly, the great scholars abstain from their wives all weekdays, so as not to be distracted from their full occupation with Torah. The supernal mate consorts with them, and THE SHECHINAH does not leave them, so that they remain male and female. And when Shabbat comes, these scholars have to please their wives for the honor of the supernal mate, as we have explained, CAUSING THE SUPERNAL MATE TO ENDOW THEM WITH HOLY SOULS. They should direct their hearts for their Master's desire.

230. Similarly, the supernal mate joins with a man whose wife is on her unclean days and dutifully abides by the laws of family purity all those days, so that he remains male and female. And when his wife is purified, he is obligated to rejoice with her, with the joy in a precept, the joy of the supernal. All the reasons we have discussed reach the same conclusion: the main objective is that the faithful must direct their hearts and desires to this.

231. One may say that a man is more praiseworthy while journeying than when he is at home, because the supernal mate embraces him WHILE HE IS ON HIS WAY.

Come and behold: When a man is at home, the foundation of the house is the wife, because of whom the Shechinah does not leave the house. As we have learned, it is written that when "He brought her to the tent of his mother Sarah" (Beresheet 24:67), the candle was rekindled, AS IT WAS WHEN SARAH, HIS MOTHER, WAS ALIVE. That is because the Shechinah came to the house FOR HIS WIFE'S MERIT. THE SHECHINAH, THEREFORE, DWELLS IN THE HOUSE BECAUSE OF THE WIFE'S MERIT.

232. The concealed reason behind this is that the supernal Ima, BINAH, does not coexist with the male, NAMELY ZEIR ANPIN, until the house has been prepared and both male and female NAMELY ZEIR ANPIN AND NUKVA have been joined. Then the supernal Ima brings blessings upon them both.

Similarly, the lower Ima NAMELY THE SHECHINAH cannot be found with the male NAMELY MAN BELOW except when the house has been corrected, the male comes unto the female, and they join together as one. Consequently, the lower Ima, THE SHECHINAH, brings upon them a wealth of blessings.

233. Hence, a man is crowned with two females in his home similar to the supernal ZEIR ANPIN, as the secret of the words: "Ad (until) the desire of the everlasting hills" (Beresheet 44:26). "Ad" IN THE VERSE "UNTIL THE DESIRE," IS THE MOCHIN OF THE SUPERNAL GARDEN OF EDEN. In it are the desires of the everlasting hills, WHICH ARE THE TWO NUKVAS. The supernal female, BINAH, desires to correct and crown THE MALE, WITH THE MOCHIN OF THE THREE SFIROT and to bless him WITH CHASSADIM. The lower female DESIRES to embrace THE MALE and to be fed by him WITH THE MOCHIN OF "AD," BECAUSE OF WHICH THE SUPERNAL MOTHER, BINAH, DESIRES TO ENDOW HIM WITH THESE MOCHIN. HENCE THE MALE IS CROWNED BY THE TWO NUKVAS. FOR WERE IT NOT FOR THE LOWER NUKVA'S NEED FOR THE MOCHIN OF AD, THE SUPERNAL MOTHER WOULD NOT HAVE ENDOWED THE MALE WITH THEM, BECAUSE THE MALE DOES NOT NEED THEM. HE NEEDS CONCEALED CHASSADIM.

234. That WHICH HAS BEEN EXPLAINED ABOUT THE UPPER MALE, ALSO applies to the lower male, THAT IS MAN IN THIS WORLD. When he marries a woman, he receives the desires of the everlasting hills. He is crowned by two females, CALLED THE EVERLASTING HILLS. One is supernal, NAMELY THE SHECHINAH, and one lower, NAMELY HIS WIFE. The supernal is to pour blessings upon him, and the lower, his wife, should be fed by him and joined with him.

235. But when he journeys, it is not so, THAT IS, HE IS NOT CROWNED BY THE TWO FEMALES, but solely by the supernal Ima, NAMELY THE SHECHINAH, who cleaves to him upon his sojourning. The lower, HIS WIFE, stays AT HOME. And when he returns home, he crowns himself again with two females, as we have said. HENCE, HE WHO STAYS AT HOME IS MORE DIGNIFIED THAN HE WHO TRAVELS.

Rabbi Pinchas said to Rabbi Shimon: Even in SIMPLE MATTERS OF the scales and fins of a fish, no one will open his mouth to brag before you. THAT IS, RABBI PINCHAS WAS SO AMAZED AT THE DEPTH OF RABBI SHIMON'S INTERPRETATION THAT HE SAID, EVEN ON SIMPLE MATTERS OF DECIDING WHETHER A FISH IS FIT FOR EATING OR NOT, NO ONE WILL DARE TO EXPOUND BEFORE YOU.

52. Voice and Speech

A deeply hidden secret pertains to the spiritual powers of the mouth. As letters and words arouse the very forces that they describe, the mouth animates the spiritual forces that it speaks. Positive words generate positive angels, while negative speech produces negative angels. The good and bad events in our lives are merely the net effect of the angelic influences created through the power of speech. The evil inclination works to blind us from this spiritual truth. Having succumbed to the uncertainty and doubt implanted within us by our negative tendencies, most of us disregard the words that come out of our mouths. Yet Kabbalah teaches that it is far more important to consider what comes out of the mouth than what goes into it. It is fitting that, through the power of the Zohar's words, we can draw Light to help us use our speech in a positive manner.

236. Rabbi Shimon said: similarly, Torah, THAT IS, ZEIR ANPIN, is situated between two houses BETWEEN TWO NUKVAS. FOR IMA IS CALLED "HOUSE," as in "For both houses of Yisrael" (Yeshayah 8:14). One is upper and sealed THE SUPERNAL IMA, BINAH; the other is more revealed. The supernal, SEALED one is the great voice referred to in: "A great voice which was not heard again" (Devarim 5:19).

237. This is an inner voice that cannot be heard or revealed. IT IS NOT HEARD IN THE FORM OF A VOICE AND NOT REVEALED IN SPEECH. It is produced when the palate is connected to the larynx to produce Hei in a SOUNDLESS whisper. This is perpetually produced; it never ceases. It is a very thin inner voice that can never be heard.

238. From this voice, FROM ABA AND IMA, THE GREAT VOICE, Torah, called "the voice of Ya'akov," NAMELY ZEIR ANPIN, originates. This audible VOICE comes from THE VOICE THAT IS NOT HEARD, NAMELY ABA AND IMA. Subsequently, speech is linked to the inner voice. Speech comes AND IS HEARD through the strength and initiative OF YA'AKOV'S VOICE. The voice of Ya'akov, called Torah, THAT IS, ZEIR ANPIN, is embraced between two females. It is then linked to the inaudible inner VOICE, NAMELY IMA, and to the audible external one, NAMELY THE NUKVA.

239. There are two inaudible VOICES, CALLED CONCEALED CHASSADIM, and two other VOICES that are audible EXTERNALLY. IN THEM IN THE CHASSADIM THESE VOICES ARE REVEALED BY THE RADIANCE OF CHOCHMAH. HE EXPLAINS, the two inaudible voices are the supernal and concealed Chochmah, NAMELY ARICH ANPIN, CLOTHED by thought, AND THE SUPERNAL FATHER, heard neither in SPEECH NOR IN THE ASPECT OF THE VOICE. First, it is revealed slightly by an inaudible whisper, AS IN THE ISSUING OF THE LETTER HEI, called the great voice. The great voice is a faint sound emitted secretly, AND IT IS THE SUPERNAL MOTHER. THOSE ARE THE TWO INAUDIBLE VOICES, ABA AND IMA.

240. The two audible voices are emitted from here, PRODUCED BY THE TWO INAUDIBLE ONES. THOSE ARE the voice of Ya'akov, NAMELY ZEIR ANPIN, and the speech that cleaves to it, WHICH IS THE NUKVA OF ZEIR ANPIN. The great voice, BINAH, is whispered and not heard. It is a house (Heb. Bayit) for the supernal Chochmah, WHICH IS ABA. Because each female is called "House (Bayit)", BINAH IS CALLED "HOUSE (BAYIT)." Speech, WHICH IS THE NUKVA OF ZEIR ANPIN, is the house (Bayit) for the Voice of Ya'akov, which is Torah, OR ZEIR ANPIN. Hence Torah starts with the letter Bet or Beresheet (in Hebrew, both Bayit [house] and the letter Bet are spelled in the same way).

241. RABBI SHIMON said that the words "In the beginning Elohim created" correspond to "And Hashem Elohim built the rib." THE STRUCTURING OF THE NUKVA BY ABA AND IMA is insinuated here. The words "the heavens" CORRESPOND TO THE SECRET OF THE GREAT MALE AND FEMALE IN the words, "and he brought her to the man." Likewise, "and the earth" corresponds to "bone of my bones," THE SECRET OF THE SMALLER MALE AND FEMALE. THE SMALL NUKVA, ALLUDED TO IN "AND THE EARTH" is called "the land of the living."

53. "Hashem said to my master"

The Zohar describes the metaphysical process by which the negative desire to receive for the self alone is transformed into the desire to receive for the sake of sharing. This transformation opens the way to the final redemption, which will be achieved by the 7th millennium. We can hasten this process through our efforts in reading this section.

242. Rabbi Shimon further said, "Hashem said to my master, Sit at my right hand till I have made your enemies as your footstools" (Tehilim 110:1). "Hashem said to my master," this MEANS THAT the upper level, ZEIR ANPIN, says to the lower level, THE NUKVA, "Sit at my right," so as to link west, THE NUKVA, with the south, CHESED OF ZEIR ANPIN, and the left, THE NUKVA with the right, ZEIR ANPIN. These linkages break the power of the idolatrous nations. THE QUOTATION CONTINUES, "TILL I HAVE MADE YOUR ENEMIES AS YOUR FOOTSTOOLS" BECAUSE "Hashem said" is Ya'akov, ZEIR ANPIN, AND "to my master," is "the ark of the covenant of the Master of all the earth" (Yehoshua 3:11), NAMELY THE NUKVA.

243. An alternative explanation is that "Hashem says" is the Yovel (Jubilee), WHICH IS BINAH, and "to my master" is Shmitah (the Sabbatical Year), THE NUKVA, of whom it was said, "I love my Master" (Shemot 21:5). YOVEL SAYS TO SHMITAH, "Sit at my right," because the right, WHICH IS CHASSADIM, exists in Yovel, NAMELY BINAH and Shmitah, WHICH IS THE NUKVA, must link with the right, AS WE HAVE EXPLAINED.

244. Come and behold: The Sabbatical Year, NAMELY THE NUKVA, was not thoroughly connected to right and left from the day of its conception. And when THE NUKVA wants to link WITH THE RIGHT AND THE LEFT, ZEIR ANPIN spreads out His left arm toward her and creates this world. THAT IS, THE NUKVA, IN ITS ROLE AS THE LEFT IN HER, IS CALLED "THIS WORLD." And since He now has only the aspect of the left, she has no existence, THAT IS, NO COMPLETE MOCHIN. THIS WAS THE STATE OF AFFAIRS FOR THE SIX THOUSAND YEARS BEFORE the seventh millennium. At the inception of the seventh millennium and only on that day THE NUKVA links with the right, NAMELY CHASSADIM. Then THE NUKVA is embraced completely between right and left, THAT IS, WITH FULL MOCHIN, and a new Heaven and earth will come into being. She will never be removed from there, BECAUSE SHE WILL BE BALANCED BETWEEN RIGHT AND LEFT FOREVER.

245. If what you say is correct, AND ONLY IN THE SEVENTH MILLENNIUM WILL THE NUKVA LINK WITH THE RIGHT, how do we explain that "Sit at my right" WHICH MEANS DURING THE SIX THOUSAND YEARS AND NOT NECESSARILY AT THE ADVENT OF THE SEVENTH MILLENNIUM. AND HE EXPLAINS, THE VERSE "SIT AT MY RIGHT" applies to a specified time period. It says "till I make your enemies to be your footstools," which is not forever. But at that time, IN THE SEVENTH MILLENNIUM, she will never be removed, as it is written of her "You shall spread to the right and to the left" (Yeshayah 54:3). That is, SHE WILL COMPRISE IN HERSELF THE RIGHT COLUMN AND THE LEFT COLUMN, and all will be one WITHIN HER.

241. פתח ואמר, בראשית ברא אלקים, היינו דכתיב ויבן ה' אלקים את הצלע. את השמים, היינו דכתיב ויביאה אל האדם. ואת הארץ, כד"א ועצם מעצמי, ודאי האי איהו ארץ החיים.

242. תו, פתח ר' שמעון ואמר נאם ה' לאדוני שב לימיני עד אשית אויביך הדום לרגליך. נאם ה' לאדוני, דרגא עלאה, לדרגא תתאה קאמר, שב לימיני, לאתקשרא מערבית בדרומית, שמאלא בימינא, בגין לתברא חיליהון, דשאר עמין עעכו"ם. נאם ה' לאדוני, נאם ה', דא יעקב. לאדוני, דא ארון הברית ארון כל הארץ.

243. דבר אחרנאם ה', דא יובלא. לאדוני, דא שמיטה. דכתיב בה אהבתי את אדוני. שב לימיני, דהא ימינא ביובלא שריא, ושמיטה בעי לאתקשרא בימינא.

244. תא חזי, שמיטה דא, לא אתקשר בקיומא שלים, בימינא ובשמאלא, מיומא דאשתכחת, בד בעיא לאתקשרא, אושיט דרועא שמאלא לקבלה, וברא עלמא דין, ובגין דהוא מסטרא דשמאלא, לית ביה קיומא, עד זמנא דאלף שביעאה, דבההוא יומא לחוד, אתקשר כדין בימינא, וכדין תהוי בין ימינא ושמאלא, בקיומא שלים, וישתכחון שמים חדשים, וארץ חדשה, וכדין לא תעדי מתמן לעלמין.

245. אי הכי במאי נוקים שב לימיני, אלא עד זמנא ידיעא, דכתיב עד אשית אויביך הדום לרגליך, ולא תדיר. אבל בההוא זמנא, לא תעדי מתמן לעלמין, דכתיב כי ימין ושמאל תפרוצי, למהוי כלא חד.

246. Come and behold: The words "the heavens" allude to the upper Shechinah, NAMELY THE NUKVA FROM THE CHEST UPWARD, and the words "and the earth" allude to the lower Shechinah, THE NUKVA FROM THE CHEST DOWNWARD OF ZEIR ANPIN. They are joined together as male and female. THIS MEANS THAT THE UPPER NUKVA IS CONNECTED TO THE MALE, WHO IS THE GREAT ZEIR ANPIN, AND THE LOWER NUKVA IS LINKED TO THE MINOR ZEIR ANPIN. All this has been explained by the colleagues.

246. תָּא חֲזִי, אֶת הַשָּׁמַיִם, דָּא שְׂכִינְתָּא עֲלָאָה. וְאֶת הָאָרֶץ, דָּא שְׂכִינְתָּא דְלִתְתָּא, בְּאַתְחַבְרוּתָא דְדִבְרֵי וְנוֹקְבָא בְּחֻדָּא. וְהָא אֲתָמַר כְּמָה דְאַתְעֵרוּ בֵּיהּ חֲבֵרִינֵי עַד כְּעַן.

54. The Rising Flame

A glowing ember or lit candle holds many supernal secrets concerning the revelation of spiritual Light. By learning this section, we awaken these wondrous forces of Light in our own lives.

247. When they rose to leave, Rabbi Shimon said: We have something with us, MEANING THAT HE HAD ONE MORE THING TO TELL THEM. Rabbi Shimon then said: Two passages are written. One says, "Because Hashem your Elohim is a consuming fire" (Devarim 4:24), SIGNIFYING THAT IT IS IMPOSSIBLE TO CLEAVE TO HIM, AS IT IS IMPOSSIBLE TO CLEAVE TO FIRE. The other says, "You who cleave onto Hashem your Elohim are all alive today" (Devarim 4:4), SIGNIFYING THAT IT IS POSSIBLE TO CLEAVE TO HIM. These SEEMINGLY CONFLICTING passages have been explained repeatedly by those who have tackled them. But come and behold: the verse, "Because Hashem your Elohim is a consuming fire." The colleagues have discussed that there is a fire that consumes and destroys even fire. Thus, there is a fire that is stronger than NORMAL fire, and that has been explained.

247. בְּעוּ לְמִיזֵל, קְמוּ, אֲמַר רַבִּי שְׁמַעוֹן, מְלַה הֶכָּא גַבְוֹן, פְּתַח רַבִּי שְׁמַעוֹן וְאָמַר, תְּרִי קְרָאִי בְתִיבֵי, בִּי ה' אֶלְקִיךָ אֵשׁ אוֹכְלָהּ הוּא. וְכִתִּיב הֵתָם וְאַתֶּם הַדְּבָקִים בָּהּ, אֶלְקִיכֶם חַיִּים כְּלַכֶּם הַיּוֹם. הֲנִי קְרָאִי אוֹקִימָנָא לְהוּ, בְּכַמָּה אֲתֵר, וְאַתְעֵרוּ בְהוּ חֲבֵרִינֵי. תָּא חֲזִי, בִּי ה' אֶלְקִיךָ אֵשׁ אוֹכְלָהּ הוּא, הָא אֲתָמַר, מְלַה דָּא, בְּגוּ חֲבֵרִינֵי, דְאִית אֲשָׁא אֲכֵלָא אֲשָׁא, וְאֲכִיל לָהּ וְשַׁצִּי לָהּ, בְּגִין דְאִית אֲשָׁא תְקִיפָא מֵאֲשָׁא, וְאוֹקְמוּהָ.

248. But, come and behold: one who wants to learn the wisdom of Holy unification must examine the flames arising from a glowing ember or lit candle, because the flames only rise if coming from a coarse object.

248. אֲבָל תָּא חֲזִי, מֵאַן דְּבַעֵי לְמַנְדַּע חֲכַמְתָּא דִּיחֻדָּא קְדִישָׁא, יִסְתַּבֵּל בְּשִׁלְהוּבָא דְסֻלְקָא מְגוּ גַחְלִתָּא, אוּ מְגוּ בּוּצִינָא דְדְלִיק, דְהָא שִׁלְהוּבָא לָא סֻלְקָא אֵלָא כִּד אֲתֵאחִיד בְּמֵלַה גְסָה.

249. Come and see: In the rising flame there are two lights. One is a white and luminous light; the other is a blue or black light to which the white light is linked. The white shining light is higher and direct. Underneath it is the blue or black light, which serves as a pedestal for the white.

249. תָּא חֲזִי, בְּשִׁלְהוּבָא דְסֻלְקָא, אִית תְּרִין נְהוּרִין, חֵד נְהוּרָא חוּרָא, דְנְהִיר, וְחֵד נְהוּרָא דְאַתְאֲחִיד בָּהּ, אוֹכְמָא אוּ תְכֵלָא. הֵהוּא נְהוּרָא חוּרָא אִיהוּ לְעֵילָא, וְסֻלְקָא בְּאוּרַח מִישׁוּר. וְתַחֲתֵיהּ, הֵהוּא נְהוּרָא תְכֵלָא אוּ אוֹכְמָא, דְאִיהוּ כְרִסְיָא לְהֵהוּא חוּרָא.

250. This shining white light spreads over THE BLUE, and the two lights unite to become one. And this black light, or the blue tint underneath it, serves as a throne of Glory for the white light. Hence, its appearance is the secret of Blue. IT IS THE ASPECT OF THE THRONE OF GLORY, WHICH RESEMBLES BLUE, AS IS GENERALLY KNOWN.

250. וְהֵהוּא נְהוּרָא חוּרָא, שְׂאֲרֵי עֲלוּיָהּ, וְאַתְאֲחִידוּ דָּא בְּדָא, לְמַהוּי כְּלָא חֵד, וְהֵהוּא נְהוּרָא אוֹכְמָא, אוּ גְוּוֹן תְכֵלָא, דְאִיהוּ לְתַתָּא, הוּא כְרִסְיָא דִיקְר, לְהֵהוּא חוּרָא. וְעַל דָּא רְזָא דְתְכֵלְתָּא.

251. This throne of black or bluish light links to something underneath it, so it has something on which to burn. This thing compels it to cling to the white light.

251. וְהֵאִי כְרִסְיָא תְכֵלָא אוֹכְמָא, אֲתֵאֲחֵד בְּמֵלַה אַחֲרָא לְאַתְדִּלְקָא, דְהוּא מִתְתָּא, וְהֵהוּא אֲתַעֵר לֵיהּ, לְאַתְאֲחֵדָא בְּנְהוּרָא חוּרָא.

1
252. The black and blue LIGHT sometimes turns red again. Yet the white light above it never changes; it is always white. But the blue changes. It is sometimes blue or black, sometimes red.

253. This BLUE LIGHT links in two directions. It connects to the white light above it and to the COARSE object underneath it, NAMELY THE WICK. The wick is designated as the place to which the light may connect and from which it radiates. THE WICK SERVES AS THE POINT AT WHICH THE BLUE LIGHT CONNECTS WITH THE SHINING WHITE LIGHT.

254. The BLUE LIGHT OF THE CANDLE always consumes and destroys the COARSE object, NAMELY THE WICK, because the blue light consumes and burns all that it comes into contact with underneath it. And because its nature is to consume and scorch, it is the source of the destruction and death of all. THE BLUE LIGHT IS THE SECRET OF THE NUKVA, OR THE TREE OF KNOWLEDGE, FROM WHICH DEATH AND DESTRUCTION ORIGINATE. It therefore consumes whatever it links to below.

255. The white light that prevails on THE BLUE LIGHT never consumes or destroys, and it never changes COLOR. IT IS THE LIGHT OF CHASSADIM, WHICH NEVER CHANGES OR BECOMES COARSE AND WHICH IS FREE FROM JUDGMENT. THEREFORE, IT DOES NOT DESTROY OR CHANGE. That is why Moshe said, "For Hashem your Elohim is a consuming fire." It is because fire consumes and destroys all that is underneath it that MOSHE said, "your Elohim" and not "our Elohim." Moshe was A CHARIOT FOR the supernal white light that neither burns nor destroys, and WHICH CANNOT BE TOUCHED BY JUDGMENTS.

256. Come and see: This blue light cannot awaken, kindle, or link to the white light without Yisrael connecting to it from underneath. THIS IS THE SAME AS THE LINKING OF THE WICK TO THE BLUE LIGHT.

257. Come and behold: Although it is the nature of this blue(black light to destroy all that contacts it from beneath, Yisrael still cleaves to it from beneath and survives. This is written: "You who cleave onto Hashem your Elohim are all alive today." It is written: "to Hashem your Elohim," WHICH IS THE NUKVA, and not, "our Elohim," WHICH WOULD ALLUDE TO ZEIR ANPIN, FOR WHOM MOSHE WAS A CHARIOT. HE SAID TO THEM, YOU CLEAVE to the blue and black light that burns and destroys all, but nevertheless you survive, as it is written: "You are all alive today", BECAUSE THIS BLUE LIGHT DID NOT BURN YOU.

258. A concealed light envelops this white light. It is a supernal secret THAT THIS LIGHT REFERS TO THE SUPERNAL LIGHT THAT CLOTHES ZEIR ANPIN, WHICH IS THE WHITE LIGHT. THIS LIGHT CANNOT BE CONCEIVED OR UNDERSTOOD. Everything, INCLUDING THE BLUE, WHITE, AND CONCEALED, SURROUNDING LIGHT, can be found in the rising flame of a candle. And all great wisdoms are insinuated therein. Rabbi Pinchas approached and kissed him saying: Blessed be the merciful, who led me to meet you here. They accompanied Rabbi Pinchas for three miles.

259. When Rabbi Shimon and the friends returned, AFTER ESCORTING RABBI PINCHAS, Rabbi Shimon said: What we said is the secret wisdom of sacred unification. Consequently, the last Hei of the holy name, THE NUKVA, is the blue and black light that links to THE LETTERS Yud-Hei-Vav, NAMELY ZEIR ANPIN, the bright white light.

260. Come and behold: sometimes the blue light is the letter Dalet and sometimes Hei. When Yisrael does not connect to it from below, so as to kindle it and connect it to the white light, it is Dalet. And when Yisrael awakens her, BY ELEVATING THE MAYIN NUKVIN (FEMALE WATERS), to connect her with the white light, then it is called Hei.

261. Whence do we know this? From the words, "If a girl (na'arah) is a virgin" (Devarim 22:23), "na'arah" is written without a letter Hei (i. e., na'ar). What is the reason for this? It is because she has not been linked to a male. And wherever male and female are separate, the letter Hei cannot be found. NAARAH IS THEREFORE SPELLED WITHOUT THE HEI, and THE HEI ascends, while THE NUKVA stays WITH THE LETTER Dalet, WHICH ALLUDES TO POVERTY.

262. Because whenever the blue and black light connect to this bright white light, it is called Hei, indicating unity. THE NUKVA cleaves to the white light, and Yisrael clings to her and stands underneath her to kindle her. THROUGH THE FEMALE WATER (MAYIN NUKVIN), THEY RISE TO HER, and unity is found. YISRAEL, BY BRINGING UP THE FEMALE WATER TO HER, KINDLES THE NUKVA AND CAUSES HER TO CLEAVE TO AND JOIN ZEIR ANPIN. WERE IT NOT FOR THE FEMALE WATER, THE NUKVA WOULD NOT HAVE JOINED ZEIR ANPIN. THUS, THEY TOO ARE ATTACHED TO ZEIR ANPIN. THIS IS BECAUSE WHATEVER ONE EFFECTS IN THE UPPER REALMS, HE ALSO MERITS BELOW. HENCE, THE HOLY ONE, THE SHECHINAH, AND YISRAEL BECOME ONE.

263. This is the inner purpose of the sacrifice. The smoke rises and kindles the blue light. When it is lit, it links to the white light and then to the candle, MEANING THAT THE SHECHINAH alights in unity. AND WHEN SHE CLEAVES TO THE WHITE LIGHT AND THE SMOKE, THE THREE BECOME ONE.

258. ועל נהורא חוורא, שרניא לעילא נהורא סתימא דאקיף ליה. ורזא עלאה הכא. וכלא תשבח בשלהובא דסליק, וחכמתין דעליונין ביה. אתא רבי פנחס ונשקיה, אמר בריך רחמנא דאיערענא הכא, אזלו עמיה דרבי פנחס תלת מילין.

260. תא חזי, לזמנין האי נהורא תכלא ד', ולזמנין ה', אלא בזמנא דלא מתדבקן ביה ישראל לתתא, לאדלקא ליה, לאתאחדא בנהורא חוורא, איהו ד'. ולזמנא דמתערי ליה, לאתחברא עם נהורא חוורא, כדין אקרי ה'.

261. מנלן, דכתיב כי יהיה נערה בתולה, נער כתיב, בלא ה', מ"ט בגין דלא אתחברת בדכורא, ובכל אתר דלא אשתבחו דכר ונוקבא, ה"א לא אשתבח, וסלקא מתמן, ואשתאר ד'.

262. דהא איהי כל זמנא דאתחבר בנהורא חוורא דנהיר, אקרי ה'. דהא כדין כלא אתחבר כחדא, איהי אתדבקת בנהורא חוורא, וישראל מתדבקן בה, וקיימא תחותה, לאדלקא לה, וכדין כלא חד.

263. ודא הוא רזא דקרבנא, דתננא דסליק, אתער ליה, להאי נהורא תכלא לאדלקא, וכד אתדלק, אתחבר בנהורא חוורא, ושרגא דליק ביחודא חד.

264. The nature of the blue light is to burn and consume all that it contacts from below. When THE SACRIFICE is pleasing and the candle burns in unity, it is written "the fire of Hashem falls and consumes the offering" (I Melachim 18:38). WHEN ALL HAS BEEN BURNED COMPLETELY, it is known that the candle, WHICH IS THE SHECHINAH, is burning in complete unity, and the blue light, WHICH IS THE NUKVA, has united with the white light, WHICH IS ZEIR ANPIN, and THE TWO have become one. FURTHERMORE, THE BLUE LIGHT BURNS AND consumes the fats and burnt offerings, meaning that it does not burn and consume from beneath, except when it is elevating FOR THE WHITE LIGHT. THIS INDICATES THAT all, INCLUDING THE SMOKE AND THE BLUE LIGHT, link to the white light. Hence, peace is made in all the worlds and all is embraced in unity.

265. And when this blue light is through burning and consuming all that is underneath, all the priests and Levites and Yisrael come and cleave onto it. THE LEVITES cleave with the joy of singing; THE PRIESTS with the meditation of their hearts; and THE YISRAEL with prayer. And the candle, NAMELY THE SHECHINAH, burns and shines upon them. All the lights unify, the worlds glow, and all above and below are blessed.

266. Hence the words, "And you who cleave onto Hashem your Elohim are all alive today" (Devarim 4:4), APPLY TO YISRAEL. HE ASKS: THE PASSAGE SAYS, "And you," with the addition of the letter Vav (which carries the meaning of the English word "and"). Should it not be just "you?" HE ANSWERS, Vav shows Yisrael's virtue over that of the offerings and fat, because when the offerings and fat connect to THE BLUE LIGHT, they are consumed and burned. But if you cleave to this blue(black light that burns and consumes, all remains alive. THIS VIRTUE IS ALLUDED TO BY THE VAV IN "And you are all alive today."

267. In a dream, all colors, except for blue, are a good sign. Blue always destroys and consumes. It is the tree where death is found. IT IS THE NUKVA, WHICH IS CALLED THE TREE OF KNOWLEDGE. It reigns over the lower world, WHICH IS THIS WORLD, and it consumes and destroys everything that exists underneath it.

268. THE NUKVA OF ZEIR ANPIN is found in the upper heavens, NAMELY THE WORLD OF ATZILUT, and there are many upper hosts IN THE WORLDS OF BRIYAH, YETZIRAH, AND ASIYAH. Yet they live and subsist. SO HOW IS IT, ONE MIGHT ASK, THAT YOU SAY THAT THE BLUE LIGHT, WHICH IS THE NUKVA OF ZEIR ANPIN, CONSUMES ALL THAT IS UNDERNEATH? Come and behold: all the upper HOSTS IN THE WORLDS OF BRIYAH, YETZIRA, AND ASIYAH, WHICH ARE HIGHER WORLDS THAN THIS, are included in the blue light itself NOT UNDERNEATH IT. Yet the lower beings OF THIS WORLD are not INCLUDED IN THE BLUE LIGHT ITSELF, because they are the coarse objects by which the world is supported. THE WORLD LINKS TO THE LOWER BEINGS AND SUBSISTS ON THEM, JUST AS THE WICK OF A CANDLE. WITHOUT ZEIR ANPIN, THE WORLD WOULD NOT EXIST. Hence, the blue light consumes and destroys them and there can be nothing down here in this world that is not destroyed, because the blue light destroys all that is underneath it.

55. "By forty-five colors of light"

As white sunlight refracts into the seven colors of the spectrum, the Light of the Creator also refracts into colors that produce the diversity of

Creation. The Zohar describes the refraction of the supernal Light, and the birth of the countless colors that we experience as joy, bliss, and happiness upon performing a positive spiritual action. Through these passages, we gain a profound connection to all the colors of Light. Our reading literally ignites the extraordinary eruption of color in the Upper Worlds so that all the grades of Light begin to radiate in our souls.

269. The world, THE NUKVA OF ZEIR ANPIN, is differentiated by forty-five colors and types of lights. Seven SFIROT divide into seven chasms, each plumbing its own abyss, NAMELY MALCHUT. And stones turn within the abyss, MEANING THAT THEY OVERTURN SO AS TO SHINE DOWNWARD. And the light penetrates and pierces the stones, creating holes through which water flows and is poured into and covers both sides of OF ITS ABYSS.

270. As the water exists through the holes IN THE STONES, SUPERNAL light OF THE ENDLESS WORLD shines through them and strikes the four sides of the abyss. Each light OF THE FOUR SIDES includes all others AT THE TIME OF STRIKING. They join as one, and the water FROM ZEIR ANPIN splits WITHIN HER.

271. The seven SFIROT OF ZEIR ANPIN cling to their seven chasms, OR MALCHUTS, BECAUSE THE SFIRAH CONTAINS SEVEN CHASMS, EACH OF WHICH IS CONSIDERED THE LEFT COLUMN OF ZEIR ANPIN. They dig in that dark abyss, where darkneses mix with ALL THE SFIROT OF THE NUKVA, And water rises UPWARD FROM BELOW. THAT IS, THE LIGHT OF CHASSADIM, CALLED 'WATER,' WHICH IS THE SECRET OF THE RIGHT COLUMN, FIRST SHINES UPWARD FROM BELOW. And then CHASSADIM falls back down TO THE LEFT COLUMN and links with the lights OF THE LEFT, BECAUSE THE LIGHT OF CHOCHMAH IS DARKNESS WITHOUT CONTAINMENT, WITHIN THE LIGHTS OF CHASSADIM. And they all mix together lights, darkneses, and water and from them are made invisible lights that are dark.

272. When each OF THE SEVEN CHASMS OF ZEIR ANPIN has struck its companion, ITS OPPOSING ASPECT IN THE ABYSS OF THE NUKVA, they split into 75 channels of the abyss, through which water--MEANING LIGHTS--is channeled. Each pipe raises its voice and the chasms OF THE RECEPTOR are shaken. When the voices are heard, each abyss calls to its companion, "split your waters so, that I can enter within you." As is written: "Abyss calls to abyss, at the voice of your channels all your waves and billows have gone over me" (Tehilim 42:8).

273. Beneath the 75 CHANNELS extend 365 sinews. Some are white, some are black, and some are red. They mix with each other, become included within each other, and turn into one color. The 365 sinews are enmeshed in 17 nets, each of which is called a network of sinews. Enmeshed within each other, they descend to the end of the abyss BECAUSE THEY TOOK ON THE ASPECT OF YESOD, WHICH TERMINATES THE STRUCTURE OF THE LEVEL. Underneath the 17 NETS ARE 4 MORE. Two nets resemble iron, and two resemble copper.

274. Two pedestals stand OVER ALL THESE ASPECTS, one to the right and one to the left. And the nets join to be one, and the water, WHICH FORMS THE LIGHTS, flows down the channels and enters the nets. The CHANNELS, THE NETS, AND ALL THEIR LIGHTS ARE INCLUDED WITHIN these two pedestals. One pedestal is made of the black firmament; the other is made of a firmament that is the color of a badger, WHICH IS REDDISH.

275. When THE LIGHTS OF THE LEVEL OF MATING rise, THAT IS, WHEN THEY RADIATE UPWARD, they elevate through the pedestal of the black firmament, WHICH IS THE PEDESTAL OF NETZACH WHO SHINES UPWARD. And when they descend, they do so through the firmament of the badger color, WHICH IS THE PEDESTAL OF HOD WHO SHINES DOWNWARD.

276. One of the pedestals is to the right; the other is to the left. The right pedestal is on the black firmament; the left one on the firmament of the badger color. And when THE LIGHTS go up through the pedestal of the black firmament, the pedestal of the left firmament goes down against it, AND THE LIGHTS go down through it.

277. Each pedestal is embraced within the other. Within them, they contain all the nets, and they lure the lights to the very end of the lower abyss. One pedestal rises and elevates above all the chasms. The second remains at the bottom of the chasms. Between them, the chasms revolve and become perfected. As the chasms revolve, the channels are inserted between the pedestals.

278. There is a total of 75 pipes, YET of them, THE SEVEN ABYSSES OF ZEIR ANPIN are more supernal. They are above the others, which cling to them. The 75 PIPES are inserted in the wheels of the pedestal of the RIGHT and LEFT sides.

279. Through the SEVEN CHASMS OF ZEIR ANPIN, WHICH ARE THE MOST SUPERNAL CHASMS, water, ALLUDING TO LIGHTS, flows up and down. Those that flow down--THE SUPERNAL LIGHTS FLOWING DOWN TO THE VEILS OF ALL THE MALCHUTS--dig into the chasms and pierce them. These rising lights enter the holes that are pierced in the stones, rise, and then fill up the seven seas. Thus, WE HAVE EXPLAINED the seven kinds of lights THAT EMANATE from the supernal secret.

280. Seven other lights divide into seven seas, and one sea includes them all. This one sea is the supernal sea that includes all the other seven seas.

281. The seven lights go into the sea--REFERRING TO THIS ONE SUPERNAL LIGHT THAT INCLUDES SEVEN--and strike it. As a result, THIS SEA has seven sides. Each side splits into seven streams, as it is written: "And he shall smite it into seven streams" (Yeshayah 11:15). Each stream then splits into seven rivers, each river splits into seven routes, and each route into seven lanes. And all the waters of the seas flow through them.

275. אֵלֵין תְּרִין כְּרִסּוֹן, כִּד אֵינּוֹן סֶלְקִין, סֶלְקִין בְּהוּא כְּרִסְיָא דְרִקְיָעָא אוּכְמָא, וְכִד נְחֻתִין, נְחֻתִין בְּהוּא כְּרִסְיָא דְרִקְיָעָא סִסְגוֹנָא.

282. Seven lights ascend and descend in seven directions. Seven supernal lights enter the LOWER sea OF THE SEVEN UPPER SEAS. Nevertheless, they are only six, INSTEAD OF SEVEN, and originate from the supernal one. TOGETHER, THEY ARE CONSIDERED AS SEVEN. And in the same manner that the sea receives, it divides its waters into the other seas and waters.

283. There is a serpent, from the left side, that swims in all the rivers. It comes to the side THE LEFT SIDE, BECAUSE IT CAN ONLY DRAW SUSTENANCE FROM THE LEFT SIDE OF THE RIVERS. Its scales are strong like iron, REFERRING TO ITS JUDGMENTS, WHICH ARE VERY STRONG. It draws sustenance FROM THE SINS OF LOWER BEINGS and invades the place OF THE MISSING MALCHUT. All lights in the rivers are thus darkened before the serpent, BECAUSE MATING CEASES AS SOON AS IT TOUCHES THE PLACE OF THE MISSING MALCHUT. Its mouth and tongue are blazing fires, its tongue as sharp and tough as a sword--MEANING THAT HIS JUDGMENTS ARE VERY SEVERE, AND THERE IS NO SALVATION FROM HIM.

284. When THE SERPENT enters the Temple in the sea, WHICH IS MALCHUT, the temple is defiled, and its lights are extinguished. Thus, the supernal lights, THE LIGHTS OF THE TOP THREE SFIROT, leave the sea. Then, the waters of the sea split and go to the left side. The sea then freezes, and its waters do not flow.

285. This explains the hidden meaning of: "and the serpent was more crafty than any Chayah" (Beresheet 3:1). The secret is that the wicked serpent descends from the upper to the lower. IT DRAWS THE LIGHTS OF THE LEFT DOWNWARD, and it swims upon the bitter water. Thus, it went down to ensnare CHAVAH INTO EATING FRUIT FROM THE TREE OF KNOWLEDGE. IT DRAWS THE LIGHTS OF THE LEFT DOWN and ensnares them in his net.

286. This serpent is death in the world, BECAUSE IT ENTICED CHAVAH WITH THE TREE OF KNOWLEDGE AND THUS BROUGHT DEATH TO THE WORLD. It penetrates the closed intestine of man the appendix, which is to the left FROM WHICH IT DRAWS SUSTENANCE. Another serpent, which brings life, is located in the right side, WHICH IS THE GOOD INCLINATION THE ONE THAT BRINGS LIFE TO MAN. Both sides THE GOOD AND BAD INCLINATIONS accompany man, as has already been explained.

287a. "... then all the animals of the field." WE LEARN FROM THESE WORDS THAT OF ALL THE ANIMALS OF THE FIELD, THE KLIPOT, there is none that causes harm as the serpent does, because he is the dross of gold. Woe to him, ALLUDING TO ADAM, who was seduced by the serpent. He brought death upon himself and all who came after him. All of this has been explained already.

287b. Adam was drawn downward after THE SERPENT. He went down to learn of all that is below, MEANING THAT HE WENT DOWN TO DRAW THE LIGHT OF CHOCHMAH TO THE LOWER MALCHUT THAT IS MISSING LIKE THE SERPENT. As he went down FOR THE PURPOSE OF DRAWING LIGHT FROM ABOVE TO BELOW, his desires and his ways were drawn after THE KLIPOT. THIS DRAWING DOWNWARD OF THE LIGHT OF UNION IS THE SECRET OF 'PROHIBITION OF THE TREE OF KNOWLEDGE.' SINCE HE INTENDED TO DRAW THE LIGHT DOWNWARD, HE CLEAVED IMMEDIATELY TO THE KLIPOT, EVEN THOUGH HE HAD NOT YET ACTUALLY DRAWN ANY LIGHT. They went down to the serpent and saw the desire of the world. And his ways were swayed to this place OF MALCHUT, WHICH IS THE SECRET OF EATING OF THE TREE OF KNOWLEDGE. Then THE SERPENT was drawn after Adam and his wife. It cleaved onto them WITH ITS FILTH, bringing death to them and all subsequent generations. Its venom did not cease to exist in the world, until Yisrael stood at Mount Sinai. This has already been stated.

287 (ב). אדם, אתמשיך אבתריה לתתא, ונחית למנדע, בכל מה דלתתא, במה דנחית הכי אתמשיך רעותיה, וארחוי אבתריהו, עד דמטין להאי חוּיָא, וחמו תיאובתיה דעלמא, ושטו אורחוי באַתַר דא. כַּדִּין קם ואתמשיך איהו אבתריהו דאדם ואתתיה, ואתדבק בהו, וגרים להו מותא, ובכל דרי דאתו אבתריה. עד דמטו ישראל, לטורא דסיני, לא פסק זוהמא דיליה מעלמא, והא אתמר.

56. "They heard... walking in the garden"

When Adam and Eve sinned, they disconnected themselves from the Creator. The secret to reestablishing our own connection can be found in the spiritual concepts of close and distance. Closeness refers to two entities that possess similarity of form and resemblance of nature. It is our difference of nature-our negative aspect of receiving in contrast to the Creator's positive aspect of sharing-that causes the separation. The rays of Light that resonate from the mystic shapes of the Hebrew letters awaken the sharing nature in our souls. We achieve greater similarity of form with the Creator, which in turns generates greater unity.

288. And because they sinned and attached themselves to the tree where death dwells below, it is written: "And they heard the voice of Hashem Elohim walking (Heb. mit'halech) in the garden." Note that the word is not mehalech (walking), WHICH WOULD INDICATE THE MALE GENDER, but mit'halech, WHICH INDICATES THE FEMININE GENDER. FOR THE ADDITIONAL LETTER TET INDICATES THE FEMININE GENDER. Come and behold: Before he sinned, Adam was continually ascending TO HIGHER LEVELS, had access to divine wisdom, and was never disconnected from the Tree of Life. But he was drawn after the lights and parted from the Tree of Life, descending AND DRAWING DOWN LIGHT FROM ABOVE because of his increasing desire for knowledge. He discovered evil and left good. Thus, it is written: "For you are not El that has pleasure in wickedness, neither shall evil dwell with you" (Tehilim 5:5), because he who is drawn after evil has no dwelling with the Tree of Life.

288. בִּיּוֹן דְּחֵטוֹ, וְאִתְדַבְּקוּ בְּאֵילָנָא דְּשֵׁרִיָּא בֵּיהּ מוֹתָא לְתַתָּא. מַה בְּתִיב, וַיִּשְׁמְעוּ אֶת קוֹל ה' אֱלֹקִים מִתְהַלֵּךְ בְּגֵן. מִהֲלֵךְ אִין כְּתִיב כְּאֵן, אֶלָּא מִתְהַלֵּךְ תָּא חֲזִי, עַד לֹא חָטָא אָדָם, הוּהוּ סְלִיק וְקָאִים בְּחֻכְמָה דְּנִהִירוֹ עֲלָאָה. וְלֹא הוּהוּ מִתְפָּרֵשׁ מֵאֵילָנָא דְּחַיִּי. בִּיּוֹן דְּאֶסְגִּי תִּיאוּבָתָא לְמַנְדַּע, וְלִנְחָתָא לְתַתָּא, אֶתְמַשֵּׁךְ אֶבְתְּרִיָּהוּ, עַד דְּאֶתְפָּרֵשׁ מֵאֵילָנָא דְּחַיִּי, וַיִּדַּע רַע וְשָׂבַק טוֹב, וְעַל דָּא כְּתִיב כִּי לֹא אֵל חָפֵץ רַשַׁע אֲתָה לֹא יִגְוֹרֵךְ רַע. מֵאֵן דְּאֶתְמַשֵּׁךְ בְּתַר רַע, לִית לִיהּ דִּירָה, עִם אֵילָנָא דְּחַיִּי.

289. And as long as they did not sin, they could hear the divine voice, partake of supernal wisdom, exist within THE MOCHIN OF the holy radiance, and have no fear. But, once they sinned, they could no longer withstand it.

289. וְעַד לֹא חָטָאוּ, הוּוּ שְׁמַעִין קְלָא מְלַעִילָא, וְהוּוּ יַדְעִי חֻכְמָתָא עֲלָאָה, וְקִיּוּמִי בְּקִיּוּמָא דְּזִיְהִרָא עֲלָאָה, וְלֹא דְּחַלִּי. בִּיּוֹן דְּחָטָאוּ, אֶפְּלוּ קְלָא דְּלְתַתָּא, לֹא הוּוּ יְכַלִּין לְמִיקָם בֵּיהּ.

290. Similarly, as long as Yisrael did not sin, from the time they stood at Mount Sinai, the filth of this serpent was removed from them. There was a total annulment of the evil inclination in the world when Yisrael rejected the serpent. They clung to the Tree of Life, elevated, and did not go down. THIS MEANING THAT THEY ELEVATED THE LIGHT OF THE LEFT FROM BELOW AND DID NOT DRAW ANY LIGHT DOWNWARD. THIS IS THE ASPECT OF THE TREE OF LIFE.

290. בְּגוּוֹנָא דָּא, עַד לֹא חָבוּ יִשְׂרָאֵל, בְּשַׁעְתָּא דְּקִיּוּמוֹ יִשְׂרָאֵל עַל טוּרָא דְּסִינִי, אֶתְעֵבֵר מְנִיָּהוּ זוּהֵמָא, דְּהָאִי חֲיוּיָא, דְּהָא כְּדִין בְּטוּל יִצְרַר הָרַע הוּוּ מְעַלְמָא, וְדָחוּ לִיהּ מְנִיָּהוּ. וְכַדִּין אֶתְאַחִידוּ בְּאֵילָנָא דְּחַיִּי, וְסָלְקוּ לְעִילָא, וְלֹא נָחְתוּ לְתַתָּא.

291. Then they knew and saw the holy mirrors. Their eyes were lit and they were happy to know and to hear. Hence, the Holy One, blessed be He, wrapped them with cords made of letters from His Holy Name, so that the serpent could not control them and would not defile them, as before. THIS IS THE SECRET OF THE ORNAMENTS THAT THEY RECEIVED ON MOUNT CHOREV.

292. And because they sinned with the Calf, all those supernal levels and lights were taken away from them. And all the armed cords, ornamented by the holy name, were retrieved. They drew upon them the evil serpent as before and caused death to all the world.

293. Subsequently, it was written: "And when Aharon and all the children of Yisrael saw Moshe, and beheld that the skin of his face shone, they were afraid to come close to him" (Shemot 34:30). Come and behold: it was written before, "And Yisrael saw the great Hand" (Shemot 14:31). Before, they all saw the divine lights and were enlightened by the shining mirror, WHICH IS ZEIR ANPIN. As it is written: "And all the people saw the voices" (Shemot 20:18). And also upon the sea they saw and were not afraid, as indicated by the words: "He is my El and I shall prepare him a habitation" (Shemot 15:2). But, after they sinned, they could not withstand the sight of even the mediator, MOSHE, as it was written "and they feared to come close to him."

57. "And they stripped...their ornaments from Mount Chorev"

The Revelation of Light on Mount Sinai was so great that it extinguished all darkness, including death. When the Israelites sinned by building the Golden Calf, they mirrored Adam's original sin and disconnected from the Light. Death was reborn. Reading this section helps replenish the original volume of Light that existed on Sinai, and arouses the forces of immortality.

294. Come and behold: it is written of YISRAEL, "And the Children of Yisrael stripped themselves of their ornaments from Mount Chorev" (Shemot 33:5). They were stripped of the ornaments that they received at Mount Sinai, the ornaments intended to prevent the wicked serpent from controlling them. When their ornaments were taken away, it is written: "And Moshe took the tabernacle, and pitched it outside the camp, afar off from the camp" (Shemot 33:7).

295. Rabbi Elazar asked: What connection is there between this verse and THE STRIPPING OF THE ORNAMENTS? AND HE ANSWERED: Because Moshe knew that supernal protection was stripped from them, WHEN THEY TOOK OFF THEIR ORNAMENTS, it was clear that from now on the wicked serpent would reside among them. If the temple was erected there, it would be defiled. Immediately then, "Moshe took the tabernacle, and pitched it outside the camp, afar off from the camp," because he saw that the wicked serpent would control them.

296. "And he called it the Tabernacle of Appointment (Heb. moed)" (Shemot 33:7). HE ASKS: Was it not called the Tabernacle of Appointment before? AND HE ANSWERS: Before then, it was called only a Tent, but now it was called it the Tabernacle of Appointment (moed). What is the meaning of moed (appointment)? Rabbi Elazar said: For MERIT AND good. Rabbi Aba said: For DISCREDIT AND evil. Rabbi Elazar explains that it was for good, because moed means a festive day, which is the happiness of the moon, WHICH IS THE SHECHINAH. Because of the Shechinah's added sanctity, no defects mar her ON THAT DAY. Hence, he called THE SHECHINAH by the name MOED, to show that the Tabernacle, WHICH ALLUDES TO THE SHECHINAH, had alienated Herself from them at the time OF THE SIN OF THE CALF, and thus was not made defective. Hence it was written: "...and He called it the Tabernacle of Appointment."

297. Rabbi Aba said: IT WAS CALLED MOED SO AS to show unworthiness. AFTER THE GIVING OF TORAH, THE SHECHINAH was a mere Tent, as it is written: "A Tabernacle that shall not be taken down, not one of the stakes thereof shall ever be removed" (Yeshayah 33:20), AND IT WAS CONTINUOUSLY ILLUMINATED. But now, AFTER THE SIN OF THE CALF, it was called the Tabernacle of Appointment, BECAUSE IT WAS ONLY ILLUMINATED PERIODICALLY. Before, it gave long life to the world, and death was powerless. AFTER THE GIVING OF TORAH, THERE WAS FREEDOM FROM THE ANGEL OF DEATH. But, after THE SIN OF THE CALF, THE SHECHINAH became the Tabernacle of Periodic Congregation, as it is written: "the house of appointment to all the living" (Iyov 30:33). Now it is governed by time, and life is limited in the world. Earlier, BEFORE THE SIN OF THE CALF, THE TENT was not faulty, but now it was rendered defective BY THE SIN OF THE CALF. Before, that mating between the sun and the moon BETWEEN MALE AND FEMALE was continuous. Now it is the Tabernacle of Periodic Congregation, because their mating is only periodic, BECAUSE THEIR MATING CEASES WHEN THE SERPENT COMES CLOSE. Hence, it was now called the Tabernacle of Periodic Appointment, WHICH MEANS THAT UNION OCCURRED ONLY PERIODICALLY.

298. Rabbi Shimon stayed up one night and was busy with Torah. Before him sat Rabbi Yehuda, Rabbi Yitzchak, and Rabbi Yosi. Rabbi Yehuda said: It is written: "And the Children of Yisrael stripped off their ornaments from Mount Chorev" and we explained, that in so doing, they brought death upon themselves and all future generations. And the serpent governed them, although they had earlier removed him from their midst, AS IT WAS SAID THAT THEY HAD FREEDOM FROM THE ANGEL OF DEATH. HE THEN ASKED: This applies to Yisrael, because they sinned, but what about Yehoshua who did not sin? HE ASKS: Did he also separate from that supernal ornamentation that he had received with Yisrael on Mount Sinai, or not?

299. If it was not taken away from him, then why did he die like any other man? And if it was taken away from him, then why? He did not sin, having been with Moshe at the time that Yisrael sinned. And if you say that YEHOSHUA was not crowned at Mount Sinai with the rest of Yisrael, then why? WHY WAS YEHOSHUA DIFFERENT FROM THE REST OF YISRAEL.

296. וְקָרָא לוֹ אֶהֱל מוֹעֵד, וְכִי לֹא הָיָה בְּקִדְמִיתָא אֶהֱל מוֹעֵד. אֲלָא, בְּקִדְמִיתָא אֶהֱל סִתְּמָ, הַשְׁתָּא אֶהֱל מוֹעֵד. מַאי מוֹעֵד, ר' אֲלֵעָזָר אָמַר לְטַב וּרְבִי אָבָא אָמַר לְבִישׁ. ר' אֲלֵעָזָר אָמַר לְטַב: מַה מוֹעֵד דְּאִיהוּ יוֹם חֲדוּהָ, דְּסִיְהֵרָא דְּאֶתְּוֹסְפָא בֵּיהּ קְדוּשָׁה, לֹא שְׁלֵטָא בֵּיהּ פְּגִימוֹתָא. אוּף הֵכָא, קָרָא לָהּ, בְּשֵׁמָא דָא, לְאַחְזָא דְּהָא אֶתְרַחֵיק אֶהֱל מִבִּינֵיהוּ, וְלֹא אֶתְפְּגִים. וְעַל דָּא וְקָרָא לוֹ אֶהֱל מוֹעֵד כְּתִיב.

300. He said, "For Hashem is righteous and loves righteousness, and the upright behold his face" (Tehilim 11:7). And the colleagues have commented on this verse that Hashem, NAMELY ZEIR ANPIN, is righteous, and His name, NAMELY THE NUKVA OF ZEIR ANPIN, is righteous. Because He loves righteousness, HE LOVES THE UNION OF RIGHTEOUS AND RIGHTEOUSNESS (HEB. TZEDEK) AND CHARITY (HEB. TZEDAKA).

301. He is also upright as is said, "righteous and upright." Thus, all the people of the world "behold His face," BLESSED BE HE, correcting their ways and following the right path. FOR EVENTUALLY ALL THE WORLD WILL FOLLOW THAT PATH ANYWAY. Come and see: ACCORDING TO THIS, when the Holy One, blessed be He, judges the world, he does so according to the majority of men.

302. Come and behold: When Adam sinned by eating of the tree, he brought death to the whole world. He caused a defect that separated a woman from her husband, NAMELY THE NUKVA FROM ZEIR ANPIN. This sin, or defect, was imprinted upon the moon, WHICH IS THE NUKVA, until the time when Yisrael stood at Mount Sinai. When they were at Mount Sinai, the defect was wiped out from the moon, which was enabled to shine forever. THAT IS, AFTER THE DEFECT OF THE SIN OF THE TREE OF KNOWLEDGE WAS REMOVED, SHE RETURNED TO MATE WITH ZEIR ANPIN IN A NEVERENDING UNION. THUS, SHE FOREVER SHINES WITHOUT DIMINUTION AND THEY OBTAINED THE SECRET OF FREEDOM FROM THE ANGEL OF DEATH AT THAT TIME.

303. When Yisrael sinned with the calf, the moon became defective as it was before THE GIVING OF TORAH. The evil serpent regained control of her, held her, and drew her to him. When Moshe realized that Yisrael had sinned and that the holy supernal ornaments had been taken away from them, he knew with certainty that the serpent had control of the moon, WHICH IS THE NUKVA. He knew that it was drawing her to it and that she was becoming defective. That is when he isolated her. THAT IS WHAT IS MEANT BY, "AND MOSHE TOOK THE TENT AND PITCHED IT OUTSIDE THE CAMP." THE TENT IS THE SHECHINAH, AS MENTIONED ABOVE.

304. It was blemished and defective, having reverted to her state, as after the sin of Adam. Therefore, although Yehoshua was still adorned and crowned with ornaments, no man can live forever anymore. The only exception to this rule was Moshe, who had control over her, and whose supernal death WAS CALLED THE KISS OF DEATH OF ZEIR ANPIN. THIS IS AS WRITTEN, "SO MOSHE, THE SERVANT OF HASHEM DIED ACCORDING TO THE WORD OF HASHEM" (DEVARIM 34:5), BECAUSE MOSHE WAS THE SUSTAINER OF THE NUKVA, AND NOT ITS RECIPIENT, AS WERE THE REST OF THE PEOPLE. HENCE THE FAULT IN THE NUKVA HAD NO EFFECT ON HIM. THE NUKVA did not have permission to keep Yehoshua, nor anyone else, alive forever. Hence, it was called the Tabernacle of Appointment, NAMELY A TENT that has a time limitation for the world, MEANING THAT EVERYONE HAD TO DIE.

305. The inner meaning of all this is that there is right above as there is right below. There ALSO is left above and below. HE CONTINUES BY SAYING that there is a right in the supernal Holiness NAMELY MALE AND FEMALE. And there is a right below on the Other side NAMELY THE KLIPOT.

300. פָּתַח וְאָמַר, כִּי צְדִיק ה' צְדָקוֹת אֱהָב יִשְׂרָאֵל וַיַּחֲזֹק פְּנֵימוֹ. הָאֵל קָרָא אֲמָרוּ בֵּיהּ חֲבֵרִינֵי מֵאֵי דְקָאֲמְרוּ. אֲבָל כִּי צְדִיק ה', צְדִיק הוּא, וְשָׁמִיָּה צְדִיק וּבְגִינֵי כֶּן, צְדָקוֹת אֱהָב.

305. וְעַל דָּא רְזָא דְּמַלְהָ, אֵינִי יְמִינָא לְעִילָא, וְאֵינִי יְמִינָא לְתַתָּא. אֵינִי שְׂמַאלָא לְעִילָא, וְאֵינִי שְׂמַאלָא לְתַתָּא. אֵינִי יְמִינָא לְעִילָא, בְּקְדוּשָׁה עֲלָאָה. וְאֵינִי יְמִינָא לְתַתָּא, דְּאֵיחָדוֹ בְּסֵטְרָא אַחְרָא.

306. There is a left above in supernal Holiness that arouses love, so that the moon can connect to a Holy place above, and shine FROM THERE. BECAUSE WHEN ZEIR ANPIN IS CHANNELING THE LIGHT OF THE LEFT TO THE NUKVA, SHE IS CONSOLED BY HIM AND PERMITS HIM TO MATE AND GIVE HER LIGHT. There is a left SIDE below, ON THE OTHER SIDE. It disrupts the supernal love, blocking the moon, WHICH IS THE NUKVA, from shining by the sun, WHICH IS ZEIR ANPIN, and from coming close to him AND MATING WITH HIM. This is the aspect of the evil serpent.

307. And when this lower left, THE SERPENT, is aroused, he draws the moon, THE NUKVA OF ZEIR ANPIN, TOWARD HIM and separates her from above, FROM ZEIR ANPIN. Her radiance darkens, and she cleaves to the evil serpent and draws death to the whole world. For she links with the serpent and alienates herself from the Tree of Life, THAT IS ZEIR ANPIN. HENCE, HER CONNECTION WITH THE TREE OF LIFE IS NOT CONTINUOUS, BUT PERIODIC, AND THE LIFE SHE GETS FROM HIM IS ALSO PERIODIC.

308. When the Temple, WHICH IS THE NUKVA, was defiled, death was caused to the world for the period of time until the moon, WHICH IS THE NUKVA, is corrected and resumes her radiance. She is now called the Tabernacle of Periodic Congregation, WHICH MEANS THAT SHE WILL ONLY BE CALLED SO FOR A LIMITED PERIOD OF TIME, BECAUSE HER UNION WAS DISRUPTED BY THE PROXIMITY OF THE SERPENT. Hence, Yehoshua died only because of the serpent, which came close to and caused the Tabernacle, THE NUKVA, to be blemished, as in the beginning--AS BEFORE THE GIVING OF TORAH.

309. This is the inner meaning of, "but his servant Yehoshua, the son of Nun, was a young man, he did not leave the Tabernacle" (Shemot 23:11). Even though he was a young man below, he received light FROM THE NUKVA BECAUSE HIS CAPACITY WAS AUGMENTED BY THE ANGEL MATATRON. MATARON IS CALLED A YOUNG MAN BELOW, IN ATZILUT. Nevertheless, "he did not leave the Tabernacle" (Shemot 23:11.), WHICH ALSO MEANS THAT HE WAS NO BETTER THAN THE TABERNACLE ITSELF, THE NUKVA, WHICH CONTAINED HIM. As THE TABERNACLE was deformed, so was YEHOSHUA. And although he still had the holy ornaments, when the moon became defective Yehoshua could not escape alone from that very defect. THIS MEANS THAT THE SAME DEFECT, WHICH WAS CAUSED BY THE SIN OF YISRAEL, AFFECTED BOTH THE MOON AND YEHOSHUA.

310. Come and behold: Similarly, when Adam sinned WITH THE TREE OF KNOWLEDGE, the Holy One, blessed be He, took away his ornaments the luminous and sacred letters with which He had crowned him, NAMELY THE LETTERS THAT FORM THE HOLY NAME. Hence, they saw and knew the meaning of removing their ornaments, as it is written: "They knew that they were bare" (Beresheet 3:7). Beforehand, they were clothed with precious, armed crowns, which gave them freedom from all. After sinning, those PRECIOUS CROWNS were taken from them. They knew then that death called for them, that they were stripped of that freedom from all, and that they had brought death upon themselves and the world.

306. אֵיךְ שֶׁמֵאֵלָה לְעֵילָא, בְּקִדּוּשָׁה עֲלָאָה, לְאַתְעָרָא רְחִימוּתָא, לְאַתְקַשְׂרָא סִיְהָרָא בְּאַתְרֵי קְדִישָׁא לְעֵילָא לְאַתְנַהֲרָא. וְאֵיךְ שֶׁמֵאֵלָה לְתַתָּא, דְּאַמְרִישׁ רְחִימוּתָא דְלְעֵילָא, וְאַמְרִישׁ לָהּ מֵלֵאנְהֵרָא בְּשִׁמְשָׁא, וְלְאַתְקַרְבָּא בְּהַדְיָה. וְדָא הוּא סֵטְרָא דְחֻוּיָא בִּישָׁא.

58. "And they sewed fig leaves together"

Here the totality of spiritual wisdom is conveyed through the metaphor of a seed. The unfolding of this wisdom is personified through the metaphor of a grown Tree--that is, the Tree of Life and Tree of Knowledge. The evil intention to utilize this wisdom for negative purposes is conveyed through

the symbol of the fig leaf. Adam and Eve wearing fig leaves denotes their dabbling in the dark side of wisdom. These verses can help prevent ourselves from falling into the negativity.

311. "And they sewed fig leaves together" (Beresheet 3:7). From these words, we learn that they learned all types of magical spells and sorcery and that they cleaved onto the lower one, WHICH IS THE OTHER SIDE, as was explained.

Consequently, the height of Adam was reduced to 100 cubits, and a separation BETWEEN ZEIR ANPIN AND THE NUKVA was effected. Now, Adam existed in judgment, and the earth was cursed, as has been explained.

311. וַיִּתְּפוּ עָלֶיהָ תְּאֵנָה. הָא אֹקִימָנָא, דְּאוֹלִיפּוּ כָּל זַיִינֵי חֲרָשִׁין וְקוֹסְמִין, וְאַחִידוּ בְּהָאֵי דְלִתְתָא. כְּמָה דְאַתְמָר. וְהָיָא שְׁעָתָא אֲתַגְרַע זְקִיפּוּ וְקוּמָה דְאַרְם מְאָה אַמִּין. וְכַדִּין אֲתַעְבִּיד פְּרוּדָא, וְקָאִים אַרְם בְּדִינָא, וְאַתְלִטִּיא אַרְעָא. וְהָא אֹקִימָנָא.

59. "And He expelled the man"

Our lives are the sum of our decisions and the paths we've chosen to walk. The moment we choose a path, we immediately invite the totality of spiritual forces associated with that path into our life. We are thrust into a whole new world.

According to the Kabbalist, all possible paths exist in parallel universes. We switch universes at the moment we choose a path, as if we'd walked out of one movie to enter another movie that's far more enjoyable. The power to choose which "movie" of life we experience resides in our choices and spiritual actions.

We are now receiving the spiritual enlightenment to always know the right path. By so doing, we envelope ourselves in all things positive.

312. "And He expelled the man" (Beresheet 3:24). Rabbi Elazar asked: Who drove whom out? Could it have been the Holy One, blessed be He, who expelled Adam? BECAUSE IT WAS NOT WRITTEN THAT HASHEM DROVE MAN OUT, JUST "HE DROVE OUT THE MAN." The particle ET ('THE') BEFORE "THE MAN" is reversed. IT SHOULD HAVE BEEN, 'man drove out Et.' IN THE WORDS "DROVE OUT ET," THE PARTICLE ET CLEARLY INDICATES THE SHECHINAH. Adam certainly did drive out Et, but THE WORDS ARE REVERSED.

312. וַיִּגְרֶשׂ אֶת הָאָדָם, אָמַר רַבִּי אֶלְעָזָר לָא יִדְעָנָא מָאן עֵבִיד תְּרוּכִין לְמָאן, אִי קְדָשָׁא בְּרִיךְ הוּא עֵבֵד תְּרוּכִין לְאָדָם, אִי לָא. אֲבָל מְלָה אֲתַהֲפִיךְ, וַיִּגְרֶשׂ אֶת, אֶת דְּיִיקָא. וּמָאן גְּרֶשׂ אֶת, הָאָדָם. הָאָדָם וְדָאֵי גְרֶשׂ אֶת.

313. Hence, it was written before: "and Hashem sent him away from the Garden of Eden" (Beresheet 3:23). Why was it written that He sent him away? Because Adam expelled Et, WHICH IS THE SHECHINAH, as we have said. THEREFORE "HASHEM SENT HIM AWAY FROM THE GARDEN OF EDEN." IT IS THEN WRITTEN, JUST "And he placed" (Beresheet 3:24), instead of, 'and Hashem placed.' This is because it was Adam who placed THE CRUVIM (CHERUBS), at this place he has brought about, blocking the SUPERNAL paths and ways. SUSTENANCE WAS WITHHELD, judgment was brought upon the world, and curses have been upon the world ever since.

313. וּבִגִּין דָּא כְּתִיב, וַיִּשְׁלַחְהוּ ה' אֱלֹהִים מִגֵּן עֵדֶן, אֲמַאי וַיִּשְׁלַחְהוּ, בִּגִּין דְּגְרֶשׂ אַדָם אֶת, כְּדַקְאֲמַרְן. וַיִּשְׁכֹּן: אִיהוּ אֲשֵׁרֵי לֹון בְּאַתֵּר דָּא, דְּאִיהוּ גְרִים, וְסִתִּים אֹרְחִין וְשְׁבִילִין, וְאֲשֵׁרֵי דִינִין עַל עֲלְמָא, וְאַמְשִׁיךְ לְוֹוֹטִין, מֵהֵוּא יוּמָא וְלַעִילָא.

314. "And the flames of the ever-turning sword" (Beresheet 3:24) refer to those who effect judgment in the world. THEY KEEP LEAPING FROM ONE SHAPE TO ANOTHER AND FROM ONE MANIFESTATION TO ANOTHER. They keep changing into many shapes, so as to make the world pay its dues. Sometimes they manifest as men; other times as women. At times they are scorching fires, and at times they are spirits. And no one can control them. They preserve the way of the Tree of Life as it was in the beginning, and prevent them from doing more damage.

314. וְאֵת לֵהַט הַחֶרֶב הַמִּתְהַפֶּכֶת. כָּל אֵינֹן דְּשִׁרְיִין בְּקוּזְפֵי דִינִין עַל עֲלְמָא, דְּמִתְהַפְּכִין לְגוּוֹנִין סְגִיאִין, בִּגִּין לְאַתְפְּרַעָא מֵעֲלְמָא. לְזַמְנִין גּוֹבְרִין, לְזַמְנִין נְשִׁין, לְזַמְנִין אֲשָׁא מְלַהֲטָא, וְלְזַמְנִין רוּחִין, דְּלִית מָאן דְּקָאִים בְּהוּ. וְכָל דָּא, לְשִׁמּוֹר אֶת דְּרִךְ עַץ הַחַיִּים, דְּלָא יוֹסִיפוּן לְאַבְאָשָׁא בְּקַדְמִיתָא.

315. "The flames of the sword" are all those who blaze fire and severe punishment upon the heads of the wicked and the sinners. The shapes change themselves into several kinds of judgments, according to the actions of the humans. They are CALLED flames, as it is written: "And He burned them in the next day" (Malachi 3:19).

315. לֵהַט הַחֶרֶב. אֵינֹן דְּמְלַהֲטָאן אֲשָׁא וְקוֹסְטִירֵי עַל רְאִשֵׁיהוֹן דְּרִשִׁיעֵינָא וְחַיִּיבֵינָא, וּמִתְהַפְּכִין גּוּוֹנִין לְכְמָה זַיִינִין, לְפֹום אֲרַחֲוִיהוּ דְּבִנֵי נֶשָׁא. וְעַל דָּא לֵהַט, כְּמָא דְּאֵת אָמַר וְלֵהַט אוֹתָם הַיּוֹם הַבֵּא וְגו'. וְהָא אֲתַמָּר.

1

316. They are called "swords," as it is written: "The sword of Hashem is filled with blood" (Yeshayah 34:6). Rabbi Yehuda said that the flames of the sword are the avengers below, IN THIS WORLD, who change from one shape to another. They are given charge of harming and accusing the wicked, who transgress their Master's commands.

317. Come and see: Once man sinned, he drew upon himself a number of evil and punitive spirits and judges and judgments of which he was terrified and could not subdue. Solomon was versed in supernal wisdom and the Holy One, blessed be He, crowned him with royalty. Hence, all the people of the world feared him. And when he sinned, he drew upon himself many harmful and punitive agents and weavers of judgments, NAMELY JUDGMENT MONGERS, and he feared them all. They were able to harm him, and all that he had they took away from him.

318. Hence, by his actions, and according to the path he chooses, man draws upon himself emissaries which he must face. Adam, BY HIS SIN, drew upon himself another defiled force and that force defiled him and all mankind after him.

319. Come and behold: When Adam sinned, he drew upon himself the force of defilement, and he defiled himself and the world. This is the evil serpent who is unclean and defiled the world. As we have learned, when THE ANGEL OF DEATH removes the soul of a person, what is left is an unclean body that defiles the house and all those who approach it. Hence, "He that touches the dead body..." (Bemidbar 19:11), BECAUSE DEATH COMES FROM THE DEFILED EVIL SERPENT.

320. For this reason, when THE ANGEL OF DEATH has taken the soul and has defiled the body, permission is granted for all sorts of defilement to settle on that body. The body has been defiled by the side of the evil serpent that has taken possession of it, BECAUSE DEATH COMES FROM HIM. Hence, wherever that evil serpent dwells is made unclean.

321. Come and behold: When people sleep on their beds at night, and when night spreads its wings upon the world, they taste the taste of death. Because they do, the spirit of defilement roams around the world and defiles it. It settles upon a man's head, and he is made unclean.

316. הַחֶרֶב: דָּא חֶרֶב לֵה. כַּד־א חֶרֶב לֵה מְלָאָה דָּם וּגּוּ. אָמַר רַבִּי יְהוּדָה, לֵהֵט הַחֶרֶב, כֹּל אֵינּוֹן קְסָטְרִין דְּלִתְתָא, דְּמִתְהַפְּכִין מְדִיוּקְנָא לְדִיוּקְנָא, כְּלֵהוֹן מִמֶּנּוּ עַל עֲלָמָא לְאַבְאָשָׁא, וְלֹאֲסֻטָּא לּוֹן לְחַיִּיבֵי עֲלָמָא, דְּעֵבְרִין עַל פְּקוּדֵי דְּמֵאֲרִיְהוֹן.

320. וְעַל דָּא, בֵּינּוֹן דְּאִיהוּ נְטִיל גְּשֻׁמְתָא, וְסָאִיב גּוּפָא, כְּדִין אֲתִיְיָהִיב רִשׁוּ, לְכֹל אֵינּוֹן סְטְרֵי מְסָאבָן לְשָׂרְיָא עֲלוּי. דְּהָא הוּוּ גּוּפָא אֲסֻתָּאב, מְסָטְרָא דְּהוּוּ חוּנָא בִּישָׁא, דְּשָׂרְיָא עֲלוּי. וְעַל דָּא, בְּכֹל אֲתַר דְּהוּוּ חוּנָא בִּישָׁא שָׂרְיָא מְסָאב לִיהּ, וְאֲסֻתָּאב.

321. וְתָא חֲזִי, כֹּל בְּנֵי עֲלָמָא בְּשַׁעֲתָא דְּנִיּוּמֵי עַל עֲרְסוּיְהוּ בְּלִילֵיָא, וְלִילֵיָא פְּרִישׁ גְּדַפְהָא עַל כֹּל בְּנֵי עֲלָמָא, טְעָמֵי טְעָמָא דְּמוּתָא, וּמַגּוּ דְּטְעָמֵי טְעָמָא דְּמוּתָא, הֵאִי רוּחָא מְסָאבָא שְׁטִיָא עַל עֲלָמָא, וְסָאִיב עֲלָמָא וְשָׂרְיָא עַל יְדוּי דְּבַר נֶשׁ וְאֲסֻתָּאב.

322. And when he wakes from his sleep, and his soul is returned to him, all that he touches with his hands is made unclean, because the spirit of uncleanness is upon those. Hence, one should not receive his clothes from the hands of another who has not washed his hands, because in so doing, he will draw upon himself the spirit of defilement and become unclean. This spirit of defilement then receives permission to dwell anywhere that his mark can be found.

322. וְכִד אֲתַעַר, וְאֲתַהַדֵּר לִיה נִשְׁמַתִּיה, בְּכֹל מַה דִּיקָרֵב בִּידוּי, כְּלֵהוּ מִסְאָבִי, בְּגִין דְּשֵׁרִיא עֲלִיּוּהוּ רוּחַ מִסְאָבָא, וְעַל דָּא לֹא יִסַּב בִּי מְנוּי לְאַלְבִּישָׁא, מִמָּאן דְּלֹא נָטִיל יְדוּי, דְּהָא אֲמַשִּׁיךְ עֲלִיהּ הֵהוּא רוּחַ מִסְאָבָא, וְאִסְתָּאב, וְאִית לִיה רִשׁוּ, לְהָאִי רוּחַ מִסְאָבָא, לְשֵׁרִיא בְּכֹל אֲתַר, דְּאִשְׁתַּכַּח רְשִׁימוּ מִסְטָרִיה.

323. Hence, one should not receive the vessel for washing his hands from another who has not washed his hands already, and has drawn upon himself the spirit of uncleanness. And the spirit of defilement has permission to settle upon he who receives water from such a person. Hence, one should be very careful in whichever way he turns and beware of the side of the evil serpent, so that it does not gain control of him. In the future, the Holy One, blessed be He, will remove the spirit of uncleanness from this world and the world to come. Hence it is written: "I will cause the spirit of uncleanness to pass out of the earth" (Zechariah 13:2), and it is also written, "And death will be abolished forever" (Yeshayah 25:8).

323. וְעַל דָּא, לֹא יִטּוּל יְדוּי, בִּי, מִמָּאן דְּלֹא נָטִיל יְדוּי. בְּגִין דְּאֲמַשִּׁיךְ עֲלִיהּ הֵהוּא רוּחַ מִסְאָבָא, וְקָבִיל לִיה הָאִי הַנְטִל מִיָּא מְנִיָּה. וְאִית לִיה רִשׁוּ לְשֵׁרִיא עֲלוּי דְּבַר נֶשׁ. בְּגִין כֶּן בְּעֵי בַר נֶשׁ לְאַסְתַּמְרָא בְּכֹל סְטָרוּי, מִסְטָרָא דְּהָאִי חוּיָא בִּישָׁא, דְּלֹא יִשְׁלוּט עֲלוּי. וְזִמִּין קִדְשָׁא בְּרִיךְ הוּא לְעֲלֵמָא דְּאֲתִי לְאַעְבְּרָא לִיה מִעֲלָמָא, הַה"ד וְאֵת רוּחַ הַטּוּמְאָה אַעְבִּיר מִן הָאָרֶץ. וְכֹתִיב בְּלַע הַמּוֹת לְנֶצַח וְגו'.

60. "And man knew"

The path we choose for ourselves is the path that is automatically laid out for our children. This secret is found within the story of Cain murdering his brother Abel. Cain's father, Adam, chose the spiritual path of good and evil. Cain followed in his father's footsteps, becoming vulnerable to the evil inclinations that are inherent in this reality. By scanning these passages, we become always mindful of our children when making choices in life, and we draw positive spiritual influences into the lives of our children.

324. "And Adam knew Chavah his wife" (Bereshheet 4:1). Rabbi Aba opened his discourse and asked, "Who knows of the spirit of man, if it goes upward and if the spirit of the Chayah goes down to the earth?" (Kohelet 3:21). This verse has many interpretations, and so it is with the words of Torah. Each and every word has many interpretations, and all are true.

324. וְהָאָדָם יָדַע אֵת חַוָּה אִשְׁתּוֹ וְגו'. רַבִּי אַבָּא פָתַח מִי יוֹדַע רוּחַ בְּנֵי הָאָדָם הָעוֹלָה הִיא לְמַעְלָה וְרוּחַ הַבְּהֵמָה הַיּוֹרֶדֶת הִיא לְמַטָּה לְאָרֶץ. הָאִי קָרָא, כַּמָּה גּוֹוִנִין אֵית בֵּיה, וְהִכִּי הוּא כָּל מְלוּי דְּאוֹרֵייתָא, כַּמָּה גּוֹוִנִין בְּכֹל חֵד וְחֵד, וְכֹלְהוּ יָאוּת.

325. The entire Torah can be interpreted in 70 different ways, corresponding to the 70 sides and 70 aspects OF ZEIR ANPIN. THE SEVEN SIDES (LOWER SFIROT) OF ZEIR ANPIN HAVE 10 SFIROT EACH, ADDING UP TO 70 SIDES AND 70 ASPECTS, CORRESPONDING TO THE SEVEN SFIROT IN THE HEAD OF ZEIR ANPIN, WHICH EACH HAVE TEN (SFIROT). So, each topic in Torah, and whatever is derived from each topic, has many interpretations, explained in all directions.

325. וְהִכִּי אֵינּוֹן, וְכֹל אוֹרֵייתָא מִתְפָּרֶשָׁא בְּשַׁבְּעִין אֲנָפִין, לְקָבִיל שַׁבְּעִין סְטָרִין, וְשַׁבְּעִין אֲנָפִין, וְהִכִּי הוּא בְּכֹל מְלָה וּמְלָה דְּאוֹרֵייתָא, וְכֹל מְאִי דְּנִפְיָק מְכֹל מְלָה וּמְלָה, כַּמָּה גּוֹוִנִין אֲתַפְרֶשֶׁן מְנִיָּה לְכֹל סְטָרִין.

326. Come and behold: When a man follows the path of truth, he keeps to the right and only attracts to himself a holy spirit from above. This spirit serves him as a holy desire to unite with the upper and to cleave onto the supernal sanctity, so that it will never leave him.

326. תָּא חֲזִי כִּד בִּי"נ אֲזִיל בְּאַרְחָ קְשׁוּט, הוּא אֲזִיל לְיִמִּינָא, וְאֲמַשִּׁיךְ עֲלִיהּ, רוּחָא קְדִישָׁא עֲלָאָה מְעִילָא. וְהָאִי רוּחַ סְלוּק בְּרַעוּתָא קְדִישָׁא, לְאַתְאחְרָא לְעִילָא, וְלֹאֲתַדְבַּקָא בְּקְדוּשָׁה עֲלָאָה, דְּלֹא אֲתַעְדֵּי מְנִיָּה.

327. However, when man walks on a path of evil and veers off the RIGHT path, he draws upon himself from the left side a spirit of uncleanness. This spirit defiles him, and he becomes unclean because of it. Hence, it is written: "And you shall not make yourselves unclean with them nor be defiled by them" (Vayikra 11:43), because he who defiles himself is led further into defilement.

328. Furthermore, come and behold: When a man walks along the path of truth and attracts a spirit of Holiness from above to himself and cleaves to it, he also draws a spirit of Holiness from above to the son that is born to him. He will be sanctified with His Master's Holiness, as it is written: "and you will sanctify yourselves and be Holy" (Vayikra 11: 44).

329. And when a man follows the path of evil and veers off the path of truth, he draws upon himself a spirit of defilement from the left, which defiles and makes him unclean. He draws that spirit of uncleanness to his son, and his son is defiled by that side.

330. This is what was meant by the verse: "who knows the spirit of the sons of man." For when a MAN cleaves to the right, THE LIGHT HE DRAWS FROM BELOW ascends UPWARD. And when a man is bound to the left THE LEFT SIDE which is the spirit of defilement, he descends AND DRAWS LIGHT downward from above. It resides with that man and never leaves him. The child born to him, while he is so defiled, is considered the child of the unclean spirit.

331. Adam clove to the unclean spirit, THE SERPENT, and his wife, CHAVAH, clung to it first and took and received defilement from it. He begot a son; that son was the son of the impure spirit. Thus, there were two sons: one from the unclean spirit, WHO IS KAYIN, and another who was born after Adam had repented, WHO IS HEVEL. Hence, one was born of the side of impurity, NAMELY KAYIN, and one of the side of purity, NAMELY HEVEL.

332. Rabbi Elazar said: When the serpent injected his impurity into Chavah, she absorbed it, MEANING THAT SHE WAS MADE PREGNANT BY IT. And when Adam had intercourse with her, she gave birth to two sons, one from the impure side, AND THAT WAS KAYIN, and the other from the side of Adam, AND THAT WAS HEVEL. Hevel resembled the Upper image and Kayin the Lower. Consequently, their paths parted.

327. וכד בר נש אזיל באורח ביש, וסטי אורחוי, הוא אמשיך עליה רוח מסאבא דלסטר שמאלא, וסאיב ליה, ואסתאב ביה, כד"א ולא תטמאו בהם ונטמתם בהם. אתא לאסתאבא מסאבין ליה.

328. ותא חזי, בשעתא דבר נש אזיל בארץ קשוט, ואמשיך עליה רוחא קדישא עלאה ואתרביק ביה, ברך דיוליד ויפוק מניה לעלמא, הוא משיך עליה קדושה עלאה, ויהא קדיש בקדושה דמאריה, כמה דכתיב והתקדשתם והייתם קדושים וגו'.

329. וכד איהו אזיל בסטר שמאלא, ואמשיך עליה רוח מסאבא, ואתרביק ביה, ברך דיופוק מניה לעלמא, הוא אמשיך עליה רוח מסאבו, ויסתאב במסאבו דההוא סטרא.

333. It was evident that Kayin was the son of the impure spirit, which is the evil serpent. Because he originated from the side of the Angel of Death, he killed his brother. THEREFORE, THE MURDER OF HEVEL IS IDENTICAL TO THE SIN OF EATING FROM THE TREE OF KNOWLEDGE, AND BOTH WERE INCITED BY THE SERPENT. AND, AS IN THE AFFAIR OF THE TREE OF KNOWLEDGE, IN WHICH THE ANGEL OF DEATH GAINED CONTROL OF THE WORLD, HERE TOO HE GAINED CONTROL TAKING OVER THE SOUL OF HEVEL. KAYIN comes from the side of the Angel of Death, and all the evil habitations, demons, and harmful spirits come to the world from him.

334. Rabbi Yosi said: THE NAME Kayin indicates a nest (Heb. Ken) of the evil habitations that come to the world from the impure side. Afterward, they brought sacrifices, each from his own side. So it is written: "And it came to pass, at the end of days, that Kayin brought of the fruit of the earth" (Beresheet 4:3). Rabbi Shimon said: it is written, "at the end of days." What is "the end of days?" It is the end of all flesh. What is THE END OF ALL FLESH? It is the Angel of Death, INDICATING THAT THE SACRIFICE KAYIN BROUGHT WAS FROM THE SIDE OF IMPURITY.

335. Kayin brought his offering from this "end of days." To be exact, the text uses the word Yamim (Days) and not Yamin (Right). Hence, it is written of Daniel, "And you go your way till the end and rest, and hence stand at your destiny" (Daniel 12:13). DANIEL asked THE HOLY ONE, BLESSED BE HE, "the end of Yamim or Yamin?" For YAMIM IS AN EVIL KLIPAH. And He replied: "at the end of days (Yamin)." But Kayin brought his offering from the end of Yamim, WHICH IS THE SIDE OF THE ANGEL OF DEATH, BECAUSE HE BROUGHT HIS OFFERING FROM HIS SIDE.

336. "Kayin brought of the fruit of the earth." These words are parallel to "the fruit of the Tree" (Beresheet 3:3). AS THE TREE OF KNOWLEDGE IS A REPRESENTATION OF THE EVIL SERPENT, SO HERE HE BROUGHT HIS OFFERING FROM THE EVIL SERPENT. Rabbi Elazar said, "the fruit of the earth" is similar to "woe to the wicked, it shall be bad with them, for according to the deserving (fruit) of his hands shall be done to him" (Yeshayah 3:11). For "the deserving (fruit) of his hands" refers to the Angel of Death, WHO IS THE DESERVING (FRUIT) OF THE HANDS OF THE WICKED. BECAUSE IF IT WAS NOT FOR THE SIN, HE WOULD NOT HAVE COME TO THE WORLD. "Shall be done to him" means that he is drawn to and cleaves to them, killing and defiling them. Hence, THE WORDS "THE FRUIT OF THE EARTH" INDICATE that Kayin's offering came from his side, WHICH MEANT IT CAME FROM THE SERPENT AND THE ANGEL OF DEATH.

337. "And Hevel also brought of the firstlings" (Beresheet 4:4). THE FUNCTION OF THE WORD "ALSO" IS to strengthen the upper side, THE PART FROM THE CHEST UPWARD, that is the holy side. That is why "Hashem turned to Hevel and his offering," BECAUSE IT WAS FROM THE SIDE OF HOLINESS, "but to Kayin and his offering, He did not turn" (Beresheet 4:6). The Holy One, blessed be He, did not accept KAYIN'S SACRIFICE BECAUSE IT WAS FROM THE UNCLEAN SIDE. Hence, "Kayin was very angry and his countenance fell," because his countenance, meaning that the offering from his side, was not accepted, but Hevel's offering was.

333. וְדָאֵי קַיִן, בְּרָא דְרוּחַ מְסֻבָּא הוּא, דְּאִיהוּ חוּיָא בִּישָׁא הוּא. וּבְגִין דְּקַיִן אָתָּא מְסֻטְרָא דְּמִלְאךְ הַמּוֹת, קְטִיל לֵיהּ לְאַחוּי. וְהוּא בְּסֻטְרָא דִּילֵיהּ, וּמְנִיחָה בְּל מְדוּרֵין בִּישׁוּן, וּמְזִיקֵין וְשִׁדִּין וְרוּחֵין אֲתִיב לְעֵלְמָא.

334. אָמַר רַבִּי יוֹסֵי, קַיִן קִינָא דְּמְדוּרֵין בִּישׁוּן, דְּאִתּוּ מְסֻטְרָא דְּמְסֻבָּא לְעֵלְמָא. וּלְבַתַּר אִיִּתִּיאוּ קְרִבָּנָא. דָּא אֶקְרִיב מְסֻטְרָא דִּילֵיהּ, וְדָא אֶקְרִיב מְסֻטְרָא דִּילֵיהּ. הַה"ד וַיְהִי מִקֵּץ יָמִים וַיָּבֵא קַיִן מִפְּרֵי הָאָדָמָה וּגו'. ר' שְׁמַעוֹן אָמַר, וַיְהִי מִקֵּץ יָמִים, מֵאֵי מִקֵּץ יָמִים, דָּא הוּא קֵץ כָּל בְּשָׂר. וּמֵאַן אִיהוּ דָּא מִלְּאךְ הַמּוֹת.

335. וְקַיִן מֵהוּא קֵץ יָמִים אִיִּתִּי קְרִבָּנָא, דִּיּוֹקָא דְּקֶאֱמַר מִקֵּץ יָמִים, וְלֹא אָמַר מִקֵּץ יָמִין. וּבְגִין כֵּן כְּתוּב בְּדִנְיָאֵל וְאַתָּה לָךְ לִקְץ וְתִנּוּחַ וְתַעֲמוּד לְגוּרְלָךְ. אָמַר לוֹ לִקְץ הַיָּמִים אִו לִקְץ הַיָּמִין. אָמַר לוֹ לִקְץ הַיָּמִין. וְקַיִן מִקֵּץ הַיָּמִים אִיִּתִּי.

336. וַיָּבֵא קַיִן מִפְּרֵי הָאָדָמָה. כְּד"א וּמִפְּרֵי הָעֵץ. אָמַר ר' אֶלְעָזָר, מִפְּרֵי הָאָדָמָה, כְּד"א אִוִּי לְרִשְׁעָ רַע בִּי גָמוּל יָדִיו וּגו'. גָּמוּל יָדִיו. דָּא מִלְּאךְ הַמּוֹת. יַעֲשֶׂה לוֹ, דְּאֲתַמְשַׁךְ עֲלֵיהּ, וַיִּתְדַבֵּק בְּהוּ לְקַטְלָא לֹון וּלְסֻבָּא לֹון. וְעַל דָּא קַיִן אֶקְרִיב מְסֻטְרָא דִּילֵיהּ.

337. וְהֵבֵל הֵבִיא גַם הוּא מִבְּכוֹרוֹת. לְאַסְגָּאָה סֻטְרָא עֲלָאָה, דְּאֲתִיָּא מְסֻטְרָא קְדוּשָׁתָא. וּבְגִינֵי כֵּן, וַיִּשַׁע ה' אֶל הֵבֵל וְאֶל מִנְחָתוֹ וְאֶל קַיִן וְאֶל מִנְחָתוֹ לֹא שָׁעָה. לֹא קָבִיל לֵיהּ קְדָשָׁא בְּרִיךְ הוּא. וְעַל דָּא וַיַּחַר לְקַיִן מְאֹד וַיִּפְּלוּ פָּנָיו. דְּהָא לֹא אֲתַקְבִּילוּ אֲנָפוּי, אִינוּן אֲנָפוּי דְּסֻטְרוֹי, וְקָבִיל לֵיהּ לְהֵבֵל.

338. Hence, it is written: "And it came to pass when they were in the field" (Beresheet 4:8). The word, "field," here refers to a woman, as it was in, "For he found her in the field" (Devarim 22:27), IN WHICH "FIELD" ALSO REFERRED TO A WOMAN. THE "FIELD" IN THE FORMER VERSE ALSO ALLUDES TO A WOMEN. Kayin was jealous of the additional twin female born with Hevel, as it is written: "And she continued to give birth to his brother (et) to Hevel" (Beresheet 4:2). THIS DOUBLE USE OF THE PARTICLE ET BEFORE "TO HEVEL" IS A REFERENCE TO THE TWO FEMALES BORN WITH HEVEL.

338. ובגינוי כן כתוב, ויהי בהיותם בשדה. בשדה דא אתתא, כד"א כי בשדה מצאה, וקין קני על נוקבא יתירה, דאתילידת עם הבל. דכתוב, ותוסף ללדת והא אתמר.

61. "If you do well, there shall be an uplifting"

If a person does not constantly elevate himself during his spiritual journey, he actually begins regressing. As if we were standing still on a downward escalator, making no effort forward allows us to be carried backwards. In these passages we receive the Light that will help us always strive for greater heights.

339. "If you do well, there shall be an uplifting" (Beresheet 4:7). These words have already been explained. The word "uplifting" means, as Rabbi Aba explained, that you will ascend toward the upper rather than descend. THIS MEANS THAT YOU SHOULD RETURN THE LIGHTS FROM BELOW UPWARD AND STOP DRAWING THEM DOWNWARD FROM ABOVE, AS THIS WAS THE CAUSE OF HEVEL'S DEATH.

Rabbi Yosi said that this explanation, which had just been put forward, WAS NOVEL, but good. But, I have heard that "uplifting" MEANS, "REMOVAL" AND "PARDON," AS THE HOLY ONE, BLESSED BE HE, SAID TO HIM, "IF YOU DO WELL, that cleavage to the unclean spirit will be undone, and you shall be forgiven."

339. הלא אם תיטיב שאת, כמה דאתמר. אבל שאת, כדאמר רבי אבא, שאת: תסתלק לעילא, ולא תיחות לתתא. אמר רבי יוסי האי מלה השתא אתמר, ויאות הוא. אבל הכי שמענא, שאת: יסלק מינך, וישבוק לך, אתדבקותא דא, דרוח מסאבא.

340. Rabbi Yosi quoted, "If you should do not well, the sin crouches at the door" (Beresheet 4:7). AND HE THEN ASKED: "which door?" It is the upper judgment, THE JUDGMENT OF MALCHUT, which is the doorway open to all, as it is written: "open to me the gates of justice" (Tehilim 118:19).

According to the Aramaic translation, the words "the sin crouches" MEAN THAT THE HOLY ONE, BLESSED BE HE, SAID TO ADAM, that the side to which you clung and which you have drawn upon yourself lies in wait for you and will exact punishment from you.

340. ואי לא, לפתח חטאת רובץ. מאי לפתח, דא דינא עלאה, דאיהו פתחא דכלא. כד"א פתחו לי שערי צדק. חטאת רובץ. ההוא סטרא דאתדבקת ביה, ואתמשכת עלך, יהא נטיר לך, לאתפרעא מנך, כתרגומא.

62. "Kayin killed Hevel"

The Power of Repentance is manifested in the cosmos through the story of Cain's repentance for the murder of his brother. Adam is truly amazed at this unique force and phenomenon when he sees God accept Cain's repentance. The spiritual forces associated with the Hebrew letters that compose this story are the actual instruments by which repentance became a force that we can apply in our world. Our understanding of the importance of repentance is the power by which we activate it in our own lives. Reading these words awakens our desire to repent for our negative actions.

341. Rabbi Yitzchak said, Come and behold: when Kayin killed Hevel, he did not know how his soul could leave him, THAT IS, THAT BY HIS ACTIONS HE COULD, IN EFFECT, EXTRACT THE SOUL FROM HEVEL AND KILL HIM. And he was biting him with his teeth, as a serpent.

At that instant, the Holy One, blessed be He, cursed Kayin. He wandered in every direction, but no place accepted him until he hit himself upon the head and repented before his Master. Then the earth received him in one of the lower level compartments, BECAUSE HIS REPENTANCE WAS NOT COMPLETE AND THEREFORE NOT ACCEPTED IN THIS WORLD.

341. אמר רבי יצחק, תא חזי, בשעתא דקטיל קין להבל, לא הוה ידע היך יפיק נשמתיה מניה, והוה נשיך ליה בשניניה כחזיא. והא אוקמוה חבריא. ביה שעתא לויט ליה קדשא בריך הוא, והוה אזיל לכל סטרי עלמא, ולא הוה אתר דמקבל ליה, עד דאטפח על רישיה ותב קמי מאריה. וקבילת ליה ארעא, במדורא לתתא.

342. Rabbi Yosi said that the earth herself accepted him so that he could walk upon her, as it is written: "Hashem set a sign upon Kayin" (Beresheet 4:15). THIS INTERPRETATION IS THAT THE HOLY ONE, BLESSED BE HE, ACCEPTED KAYIN'S REPENTANCE, AND THUS GAVE HIM PERMISSION TO REMAIN UPON THE EARTH. According to Rabbi Yitzchak, however, the earth only accepted Kayin to a level beneath her, as it is written: "You have driven me, this day, from the face of the earth" (Beresheet 4:14). He was driven from the face of the earth, but not from underneath it. HE WAS TAKEN IN BY THE LOWER COMPARTMENT UNDERNEATH. THUS, RABBI YITZCHAK DISAGREED WITH RABBI YOSI'S INTERPRETATION. RABBI YITZCHAK'S POSITION WAS THAT KAYIN WAS ADMITTED TO THE LOWER LEVEL ONLY. WHY? BECAUSE HIS REPENTANCE WAS INCOMPLETE.

343. HE ASKS, "And into which place was he taken?" AND HE SAYS, into Arka, WHICH IS ONE OF THE SEVEN PHYSICAL LEVELS OF EARTH. OF ALL who reside there, it is written: "these shall perish from the earth and from beneath the heavens" (Yirmeyah 10:11). There, he established his place of living. This place is referred to in the words: "And he dwelt in the land of Nod east of Eden" (Beresheet 4:16). THIS ALLUDES TO THE LOWER COMPARTMENT CALLED 'ARKA.' THIS COMPARTMENT IS ALSO CALLED "NOD (SWAY)," BECAUSE THE RESIDENTS HAVE TWO HEADS AND SWAY FROM ONE SIDE OF DARKNESS TO THE OTHER SIDE OF LIGHT.
Tosefta (Addendum)

344. Kayin said, "My punishment is greater than I can bear" (Beresheet 4:13), MEANING THAT AFTER HE CONFESSED AND REPENTED, the Holy One, blessed be He, withdrew one half of his punishment. In the original punishment, He stated: "you shall be a fugitive (na) and a vagabond (nad) on the earth" (Beresheet 4:12), but now he was permitted to stay in Nod. And so it is written: "And Kayin left the presence of Hashem and dwelt in the land of Nod" (Beresheet 4:16), meaning that he left the presence of Hashem to be a vagabond, but not a fugitive, on the earth, BECAUSE HALF HIS PUNISHMENT HAD BEEN WITHDRAWN.

345. TheyTHE RABBISfurther said that when Kayin left the presence of Hashem, Adam asked him, "my son what was done with your sentence?" Kayin replied, 'Father, I was already given the good news that the Holy One, blessed be He, has forgiven me and that I can reside in Nod alone.' Adam then asked him, 'How did you merit that?' and Kayin answered, 'Because I repented and confessed before Him.' Adam said, 'The strength of repentance is so great and powerful, and I did not know that.' He began to say praises to his Master and to confess before him. He started reciting "A song for the day of Shabbat. It is good to thank Hashem" (Tehilim 92:1). For it is good to praise, repent, and confess before the Holy One, blessed be He.
End of Tosefta (Addendum)

346. Rabbi Yitzchak said that from the time that Kayin killed Hevel, Adam separated from his wife. Two female spirits used to come and mate with him. And he bore from them spirits and demons that roam around the world. THE REASON THERE WERE TWO SPIRITS IS BECAUSE PROSTITUTION IS A KLIPAH OF THE RIGHT, ON WHICH SIDE THEY LAUGH AND ARE JOYFUL. YET, EVENTUALLY THE SPIRITS PUNISH PEOPLE AND MAKE THEM SUFFER, WHICH IS THE JURISDICTION OF THE LEFT. HENCE, THERE WERE TWO SPIRITSONE WAS A KLIPAH (SHELL) OF THE RIGHT, AND THE OTHER A KLIPAH (SHELL) OF THE LEFT.

342. ר' יוסי אמר, ארעא קבילת ליה, למיהך בה. דכתיב, וישם ה' לקין אות. ר' יצחק אמר, לאו הכי, אלא, לתתא קבילת ליה ארעא, במדורא חדא דתחותה. דכתיב, הן גרשת אותי היום מעל פני האדמה. מעל פני האדמה גורש, אבל לתתא לא גורש.

343. ובאן אתר קבילת ליה ארעא, בארקא. וכל אינון דדיירי תמן. עליהון כתיב יאבדו מארעא ומתחות שמיא אלה. ותמן שוי מדוריה, והיינו דכתיב, וישב בארץ נוד קדמת ערן.

344. תוספתא בין דאמר קין, גדול עוני מנשא. מחל ליה קדשא בריך הוא, פלגו מעונשיה. בגין דגזר עליה בקדמיתא, ואמר ליה, נע ונד תהיה בארץ. והשתא, אשתאר בנוד בלחודוי. הה"ד ויצא קין מלפני ה' וגו'. כלומר, דכד נפק מן קדם ה' הוה, בגין למהוי נד בארעא, ולא נע.

345. ועוד אמרו, כד נפק קין, מן קדם ה', אמר לו אדם, ברי, מה אתעביד על דינך. אמר לו קין, אבא, כבר אתבשרית, דמחל לי קדשא בריך הוא, בנוד בלחודוי. אמר לו, היאך הוא. אמר לו, בגין דתבית, ואודית קמיה. אמר אדם, וכי דין הוא רב ותקיף חילא דתשובה, ואנא לא ידיעת. שרא לשבחא למריה, ולאודאה ליה, פתח ואמר, מזמור שיר ליום השבת טוב להודות לה'. כלומר, טוב לשבחא ולאנתבא ולאודאה קמיה קדשא בריך הוא (ע"כ תוספתא).

346. ואמר רבי יצחק, מדהיא שעתא דקטיל קין להבל, אתפרש אדם מאתתיה. תרין רוחין נוקבין, הוו אתין ומזדווגן עמיה, ואוליד רוחין ושרין דשאטן בעלמא.

347. This need not be difficult to accept, because even when a man is dreaming, female spirits often come, seduce him, conceive from him, and eventually give birth. THESE OFFSPRING are called the plagues of mankind and take only the shape of humans. They have no hair on their heads, BECAUSE THESE OFFSPRING COME FROM THE KLIPAH OF THE RIGHT, AND HAIR IS CONNECTED TO THE LEFT. And of these Solomon said, "And I shall chastise them with the whip of men and with the plagues of the sons of men" (II Shmuel 7:4). Similarly, there are male spirits that visit women, IN THEIR DREAMS. Those WOMEN conceive from them, give birth to spirits, and all are called 'the plagues of mankind'.

348. After 130 years, Adam felt jealousy for his wife, had intercourse with her, and begot a son whom he called Shet. This is the secret of the ordering of the last TWO LETTERS within the 22 letters of the Hebrew alphabet. THIS IS UNIQUE AND DIFFERENT FROM ALL OTHER ORDERINGS OF THE ALPHABET, WHICH DO NOT END WITH THESE SAME TWO LETTERS, NAMELY SHIN AND TAV. Rabbi Yehuda said that THE NAME SHET SYMBOLIZES the secret of the lost spirit, NAMELY THAT OF HEVEL, which was clothed in the earthly body OF SHET. Hence, it is written: "Elohim has replaced (shat) for me another seed instead of Hevel" (Beresheet 4:25).

349. Rabbi Yehuda continued by saying, "And he begot in his own likeness after his own image" (Beresheet 5:3). This indicates that his other sons, KAYIN AND HEVEL, were not after his likeness, but Shet was in his own likeness and after his image, both physically and spiritually. As Rabbi Shimon said, in the name of Rabbi Yeba Saba (the elder), Adam's other sons had been produced in defilement, through attachment to the serpent and its rider, who is Samael. Hence, they bore no resemblance to Adam. Even though Hevel, unlike Kayin, was from the side OF PURITY AND NOT FROM THE SIDE OF THE SERPENT, neither had the form of the image of Adam. THEY BOTH LACKED THE CENTRAL COLUMN, WHICH IS THE FORM OF MAN. HEVEL WAS FROM THE RIGHT SIDE AND KAYIN FROM THE LEFT. HENCE, THEY WERE NOT CREATED IN THE LIKENESS OF ADAM.

350. Rabbi Yosi BRINGS FURTHER PROOF TO STRENGTHEN THE CASE THAT HEVEL WAS NOT COMPLETE. HE says: It is written: "Adam knew his wife, Chavah, and she conceived and gave birth to Kayin" (Beresheet 4:1), but it is not written that Adam begot Kayin. This was not written of Hevel either. Instead, it is written: "and she further gave birth to his brother, Hevel" (Beresheet 4:2). And here lies the concealed truth, THAT EVEN HEVEL WAS NOT IN THE IMAGE OR LIKENESS OF ADAM. But of Shet it is written: "And he begot in his own likeness, after his image." Thus, HE IS RELATED TO ADAM.

351. Rabbi Shimon said that for a hundred and thirty years Adam refrained from his wife, and during that time he begot in the world spirits and demons from the force of impurity that was sucked from him. And when that impurity was exhausted, he turned and became jealous of his wife and begot a son. It then is written: "...and he begot in his likeness, after his own image."

352. Come and behold: when a man veers to the left and defiles his ways, he draws upon himself all kinds of impure spirits. And the spirit of defilement clings to him and does not leave him. This spirit only links to the man who drew it and not to another. Hence, they only cleave to those who cleave to them. Happy are the righteous, who walk in the straight path and who are the truly righteous. Their sons are righteous in the world. Of them it is written: "For the upright shall dwell in the earth" (Mishlei 2:21).

353. Rabbi Chiya quotes, "And the sister of Tuval Kayin was Naamah" (Bereshheet 4:22). Why do the scriptures mention her name, Naamah (tender)? It is because people were seduced by her **OVERWHELMING BEAUTY AND TENDERNESS**, and spirits and demons **LUSTED AFTER HER**.

Rabbi Yitzchak said that the sons of Elohim, Aza, and Azazel were seduced by her. **BECAUSE OF THOSE SEDUCTIONS, SHE WAS NAMED NAAMAH**.

354. Rabbi Shimon said that she was the mother of demons, being of the side of Kayin, and that along with Lilit, she is responsible for the epileptic death of babies. Rabbi Aba said to him: But sir, **RABBI SHIMON, NAAMAH** was charged with seducing men **IN THEIR SLEEP WHILE THEY DREAM, PLACING HER TO THE RIGHT OF THE KLIPOT. KILLING CHILDREN, HOWEVER, IS FROM THE LEFT ASPECT**.

HE RESPONDED THAT this is precisely correct, because she seduced men and bore spirits into the world. She still persists in her seductive work in the world. **BUT RABBI SHIMON SAID: SHE COOPERATES WITH LILIT, AND THE DEATH COMES FROM THE SIDE OF LILIT, NOT THAT OF NAAMAH**.

355. Rabbi Aba asked him: But since those demons die like human beings, how can you say that **NAAMAH** has survived to this day? He said to him that this is true, **THAT DEMONS DIE AS HUMANS DO**. Yet Lilit and Naamah and Iggeret, the daughter of Machalat, who originated from their side, will continue to live until the Holy One, blessed be He, burns the spirit of uncleanness from earth. This is as it is written: "I will cause the unclean spirit to pass out of the land" (Zechariah 13:2).

356. Rabbi Shimon said: Woe to the sons of man, for they are not aware and do not take heed nor search for knowledge. They are all blindfolded and do not know how full the world is with strange and invisible creatures and things. If permission were to be given to the eye to see, people would wonder greatly as to how is it possible to survive in this world.

357. Come and behold: this Naamah is the mother of demons. From her side originate all those demons who sexually arouse men, absorb the spirit of lust from them, seduce them, and eventually cause them to release semen in vain. And since this wastage of semen comes from the side of the spirit of defilement, one has to wash and to purify himself. This the friends have already explained.

63. "This is the book of the generations of Adam"

The power of self-sacrifice and true sharing is awakened in the cosmos through a thoughtful action of sharing by Adam. Reading this story empowers us to put others before ourselves. The Kabbalists believe that the motivation for sharing should never be based upon moral and ethical principles. Instead, the age-old What's in it for me? attitude is a far better motivator. The more we give of ourselves, the more the Light the Creator bestows upon us. This is a simple principle to understand, but one that requires extraordinary character to apply.

358. In the words, "this is the Book of the generations of Adam" (Bereshheet 5:1), "generations" refers to images of the souls, BECAUSE ALL THE SOULS WHO ORIGINATED FROM ADAM ARE LISTED IN THE BOOK.

Rabbi Yosi said: The Holy One, blessed be He, revealed to Adam the images OF THE SOULS of all the generations destined to come into the world and of all the Sages and Kings of the world destined to rule over Yisrael. When he saw David, King of Yisrael, who was born and then died BECAUSE HE HAD NO DAYS IN HIS LIFE, he said TO THE HOLY ONE, BLESSED BE HE, 'I will give him 70 years of my life expectancy.' Hence 70 years were taken from Adam and the Holy One, blessed be He, gave them to David.

358. זֶה סֵפֶר תּוֹלְדוֹת אָדָם: לְדִיוּקְנֵי. אָמַר רַבִּי
יִצְחָק, אַחְמֵי קֹדֶשׁא בְּרִיךְ הוּא לְאָדָם, דִּיוּקְנֵי דְכָל

וּמַלְכֵי עֻלְמָא, דְּזַמִּינִין לְקִיּוּמָא עֲלִייהוּ דִּישְׂרָאֵל.
מְטָא לְמַחְמֵי, דּוֹד מַלְכָּא דִּישְׂרָאֵל. דְּאֲתִיּוּלִיד וּמִית.
אָמַר לוֹ, מְשַׁנִּין דִּילִי, אֹזִיף לִיָּה ע' שָׁנִין. וּגְרַעו
מֵאָדָם ע' שָׁנִין, וְסֻלִיק לוֹן קוֹדֶשׁא בְּרִיךְ הוּא לְדוֹד.

359. It was for this that David said the praise, "For you have made me glad, Hashem, by your actions. I will be joyous in the work of your hands" (Tehilim 92:5). Who caused me to be happy and live in the world? It was Adam WHO CAUSED ME TO BE HAPPY. He was the handiwork of the Holy One, blessed be He, and not of flesh and blood. HE WAS NOT BORN TO ANY MAN, BECAUSE HE WAS MADE BY THE HOLY ONE, BLESSED BE HE. THUS, those 70 years were deducted from Adam's thousand-year life expectancy.

359. וְעַל דָּא שִׁבַּח דּוֹד וְאָמַר, כִּי שִׂמְחַתְנִי ה'
בְּפַעֲלֶךָ בְּמַעֲשֵׂי יְדֶיךָ אֲרִנָּן. מֵאֵן גְּרַם לִי חֵדוּה

גְּרַעו אֵינּוֹן שְׁבַעִין שָׁנִין מֵאָדָם, מֵאַלְף שָׁנִין דְּהָוָה
לִיָּה לְאַתְקִיּוּמָא בְּהוּ.

360. The Holy One, blessed be He, showed him all the sages of each and every generation until he reached the generation of Rabbi Akiva. He saw his Torah and was happy; he saw his death BY THE HANDS OF EVIL and was saddened. ADAM said: "How precious in my eyes are your companions, El, How mighty are their chiefs" (Tehilim 139:17).

360. וְאַחְמֵי לִיָּה קֹדֶשׁא בְּרִיךְ הוּא, כּל חֲבִימֵי דְרָא

361. IT IS WRITTEN: "This is the Book OF THE GENERATIONS OF ADAM," and there literally is a book. We have already explained that when Adam was in the Garden of Eden, the Holy One, blessed be He, sent a book down to him with Raziel, the holy angel who is in charge of the supernal sacred secrets. In THE BOOK were supernal inscriptions, REFERRING TO THE RULES GOVERNING THE ELEVATION OF MALCHUT TO BINAH, and 72 branches of sacred wisdom, WHICH IS REVEALED AT THE TIME OF MATURITY. THIS IS A CONCEALED REFERENCE TO 72 AVENUES OF WISDOM, ALLUDING ONLY TO BINAH, WHO HAS REVERTED TO BEING CHOCHMAH, BUT NOT TO CHOCHMAH ITSELF. SHE IS TRANSFORMED into 670 inscriptions of the supernal secrets OF ZEIR ANPIN AND THE NUKVA. ZEIR ANPIN, WHICH IS THE SECRET OF CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT, RECEIVES 600 FROM CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD OF BINAH, WHICH IS NUMBERED BY THE HUNDREDS. INTO HER 7 SFIROT, THE NUKVA RECEIVES CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT. SHE RECEIVES ONLY 70, BECAUSE EVERY SFIRA IS COUNTED IN TENS, BEING RECEIVED FROM ZEIR ANPIN, WHO IS NUMBERED IN TENS.

362. In the middle of the book, there is an engraving of wisdom, WHICH IS THE HIDDEN MEANING OF THE CENTRAL POINT, THE FULL STRUCTURE OF WHICH IS NOT ACHIEVED UNTIL THE FINAL CORRECTION. It is prepared to receive, at THE TIME OF FINAL CORRECTION, the 1,500 keys that were not delivered to the supernal Holy Ones, FOR THE LAST 6,000 YEARS. All those SECRETS were concealed in the book before it came to the hands of Adam. And when he received it, holy angels used to congregate around him, so as to know and hear of them. They used to say: "Be exalted, Elohim, above the heavens. Let your glory be above the earth" (Tehilim 57:12).

363. At that point, the holy angel Hadarniel hinted to him and said, "Adam, Adam conceal the glory of your Master, AND DO NOT REVEAL IT TO THE ANGELS, for permission was given you alone, AND NOT EVEN TO THE SUPERNAL ANGELS, to know the glory of your Master." Therefore, he concealed it with him until he left the Garden of Eden.

364. In the beginning, he used to study and use the secrets of his Master daily. Supernal secrets that none of the Supernal Angels knew were revealed to him. When, however, he transgressed the commands of his Master BY EATING OF THE TREE OF KNOWLEDGE, the book flew away from him. Adam used to beat upon his head and weep. He went into the waters of the River Gichon up to his neck, BECAUSE HE REPENTED AND MORTIFIED HIMSELF, UNTIL his body became wrinkled and porous and his radiance changed.

365. At that point, the Holy One, blessed be He, signaled to the Angel Refael to return the book TO ADAM. Adam occupied himself with it. He left it to his son Shet and to all the generations after him until Avraham came along. Avraham knew how to use the book to examine his Master's Glory. This has already been explained. This book was also given to Chanoch, and through it, he perceived the Supernal Glory.

64. "Male and female he created them"

Lack of fulfillment and joy in the world is rooted in the disunity between the supernal male and female forces that permeate existence. This is exemplified in the separation between man and woman. Through relations between husband and wife, we can influence and ignite a bonding in the Upper Worlds, provided this is our spiritual intent. Each time this occurs, we remove an aspect of evil from our midst. Relationships that lack this spiritual foundation cannot affect any positive change on either a supernal or a physical level.

The Kabbalists teach us that this lack of spiritual understanding is the primary source for the darkness that governs our world. We can become aware that the quality of a marriage affects the universe, and that there is spiritual meaning and purpose in every union.

366. "Male and female he created them" (Beresheet 1:28). Rabbi Shimon said that supernal secrets have been revealed by the two verses, "THIS IS THE BOOK" AND "male and female he created them." THE LATTER VERSE COMES to teach US the supernal glory of the secret of faith, by which secret man was created. THIS IS THE SECRET OF SUPERNAL ZEIR ANPIN AND THE NUKVA CALLED 'HEAVENS AND EARTH'.

367. In the same concealed manner in which the heavens and earth were created, SIGNIFYING THE SUPERNAL MALE AND FEMALE, so man was created. Of the heavens and the earth it is written: "Those are the generations of the heavens and earth" (Beresheet 2:4); of man, "This is the book of the generations of Adam;" of THE HEAVENS, "when they were created;" and of Adam, "in the day when he was created" (Beresheet 5:2). THE TWO ARE EQUAL AS THEY WERE CREATED BY THE SAME SECRET.

368. From the words "male and female he created them" we learn that any figure not comprised of both male and female is not a supernal figure. We have explained this with the secrets of Mishnah.

369. Come and behold: the Holy One, blessed be He, cannot reside in a place where male and female are not found together. Blessings can be found only in a place where male and female are together. As it is written: "And he blessed them and called their name Adam (man), on the day they were created" (Beresheet 5:2). It was not said that He blessed him and called him Adam (man). THIS TEACHES US that he was not called BY THE NAME OF Adam (man), except as a male and female combined.

370. Rabbi Yehuda said that ever since the destruction of the Temple, blessings cannot be found on earth and are lost every day. As it is written: "The righteous have perished" (Yeshayah 57:1). What is the meaning of "perished?" It is that the blessings that used to dwell in the righteous perished, as in the words, "Blessings on the head of the righteous" (Mishlei 10:6). It also says, "Truth has perished" (Yirmeyah 7:28), MEANING THE NUKVA, WHICH RECEIVED THE YESOD OF ZEIR ANPIN FROM THE RIGHTEOUS, WHICH IS THE SECRET OF THE MALE.

Similarly, AT THE TIME OF COMPLETION, it is written: "And Elohim blessed them AND CALLED THEM ADAM," BECAUSE THEY WERE WHOLE.

371. It is to Shet that all the generations of earth and all the truly righteous of the world trace their descent. Rabbi Yosi said that those two final letters of Torah, SHIN AND TAV, were left intact even after Adam had transgressed against all the letters of Torah, BECAUSE THE SIN OF THE TREE OF KNOWLEDGE AFFECTED THE WHOLE TORAH. And when he repented before his Master, he cleaved to those two LETTERS, SHIN AND TAV, WHICH HAD REMAINED WHOLE, and, at that point, the original letters returned in the reverse order of Tav, Shin, Resh, Kof, and so on.

366. זְכַר וּנְקֵבָה בְּרָאָם. רַבִּי שִׁמְעוֹן אָמַר, רִזִּין עֲלָיִן, אֲתַגְלִיִּין בְּהַנִּי תְּרִי קְרָאִי. זְכַר וּנְקֵבָה בְּרָאָם, לְמַנְדַּע יִקְרָא עֲלֵאָה, רְזָא דְמַהִימְנוּתָא, דִּמְגוּ רְזָא דִּנְא אֲתַבְרִי אָדָם.

372. He then called the son he begot in his own form and image, Shet, a name composed of the last two letters of the aleph-bet and the only two letters with which he was left. The order of the letters was not fully corrected, THAT IS, PROPERLY ORDERED, UNTIL Yisrael stood at Mount Sinai. Then the letters returned to their correct form the form they had when the heavens and earth were created--THE ORDER IN WHICH THEY APPEARED BEFORE THE SIN OF EATING OF THE TREE OF KNOWLEDGE Then, the world was sweetened and more securely established.

373. Rabbi Aba said that on the day that Adam transgressed his Master's commands, the heavens and earth requested to be uprooted from their places. Why? Because they can only exist upon the covenant, as it is written: "If my covenant be not day and night, it were as if I had not appointed the ordinances of heaven and earth" (Yirmeyah 33:25). Adam broke the covenant, as it is written: "They are like Adam (man). They transgressed the Covenant" (Hoshea 6:7). HENCE, THEY LOST THEIR FOUNDATION AND ASKED TO BE UPROOTED.

374. Were it not for the fact that it was clear to the Holy One, blessed be He, that Yisrael would stand at Mount Sinai to keep the Covenant, the world would not have survived THE SIN OF EATING OF THE TREE OF KNOWLEDGE. Rabbi Chizkiyah said that The Holy One, blessed be He, forgives and pardons the iniquities of he who confesses his sins. HENCE, CONTRARY TO WHAT RABBI ABA SAID, IT IS BECAUSE ADAM CONFESSED HIS SINS AND REPENTED THAT THE WORLD SURVIVED AND HE DOES NOT WANT TO SAY THAT THE REASON IS, THAT IT WAS CLEAR TO THE HOLY ONE, BLESSED BE HE, THAT YISRAEL WOULD STAND AT MOUNT SINAI.

375. Come and behold: when the Holy One, blessed be He, created the world, WHICH IS THE SECRET OF THE NUKVA, he made the covenant, WHICH IS YESOD OF ZEIR ANPIN. He established the world upon it, AS THE NUKVA RECEIVES HER SUSTENANCE FROM ZEIR ANPIN. FROM WHERE DO WE KNOW THAT? From the word 'BERESHEET,' WHICH IS A COMBINATION OF Bara (created) and Sheet (six). SHEET IS the covenant upon which the world rests. This Sheet, WHICH STANDS FOR YESOD, is the place from where all blessings are drawn into the world, and by it the world was created. Adam, BY HIS SIN OF EATING OF THE TREE OF KNOWLEDGE, broke that covenant and removed it from its place. HENCE, THE HEAVENS AND EARTH ASKED TO BE UPROOTED AND RELOCATED.

376. This covenant is symbolized by the smallest letter, which is Yud, which is the embodiment and the foundation of the world. BASED ON IT, THE WORLD WAS STRUCTURED. And when ADAM bore a son, he repented his sin, called him Shet, and did not include the letter Yud in his name. If his name had included the Yud, it would have been Sheet. Because Adam broke THE COVENANT, AS WAS SAID EARLIER, "THEY ARE LIKE ADAM, THEY TRANSGRESSED THE COVENANT," HE NAMED HIS SON SHET, SPELLED WITHOUT THE YUD, THEREBY CONFESSING TO HIS SIN. Because HE CONFESSED HIS SIN, the Holy One, blessed be He, populated the world from him, and he was made forefather to all the generations of righteous in the world. THUS, BECAUSE OF HIS CONFESSION OF HIS SIN, THE HOLY ONE, BLESSED BE HE, FORGAVE HIM AND THE WORLD SURVIVED.

372. וּבְגִין כֵּן, קָרָא לְהוּא בְּרָא דְאִתְלִיד לִיה, דְּאִיהוּ בְּדַמּוּתוֹ בְּצַלְמוֹ, שֶׁת. דְּאִינוּן סִיּוּמָא דְאַתּוּן, וְלֹא אֶתְתַּקְּנוּ אֶתּוּן, עַד דְּקִיּוּמוֹ יִשְׂרָאֵל עַל טוּרָא דְסִינַי, וּכְדִין אֶהְדְּרוּ אֶתּוּן עַל תְּקוּנָתָהּ, בְּיוּמָא דְאַתְּבְּרִיאוּ שְׁמַיִם וְאָרֶץ. וְאַתְּבַסְס עֲלֵמָא, וְקִיּוּמָא עַל קִיּוּמָהּ.

377. Come and behold: when Yisrael stood before Mount Sinai, a letter was inserted between the letters SHIN AND TAV. This was the letter Bet, which is the secret of the Covenant. THIS IS THE BET OF BERESHEET. It was inserted between the two letters that remained AFTER THE SIN OF THE EATING OF THE TREE OF KNOWLEDGE, NAMELY BETWEEN SHIN AND TAV (creating the word Shabbat), and the Shabbat was given to Yisrael. And when the letter Bet, which is the secret of the covenant, was inserted between the two letters Shin and Tav, they became Shabbat, as it is written: "And hence the children of Yisrael should keep the Shabbat, to make of the Shabbat for all their generations an eternal covenant" (Shemot 31:16), FOR THEY DESERVED TO RECEIVE THE SHABBAT PERPETUALLY FOR ALL THEIR GENERATIONS. AS in the beginning of the world, the lineage of all future generations was determined by those two letters. So, BY THE INSERTION OF THE LETTER BET, THOSE TWO LETTERS PERPETUALLY ENLIGHTEN THE GENERATIONS. Shin and Tav were in suspension until the world was adequately completed. THEN, WITH THE GIVING OF TORAH, the world was fully completed. Then, the Holy covenant came in between the letters, and they became Shabbat.

378. Rabbi Yosi said that because those two letters were fully completed by the letter Bet, THEY ARE NOW ENABLED TO RECEIVE DIRECT LIGHT AT THE GIVING OF TORAH. THOSE letters began falling into their proper order on the day that Shet was born NOT TO RECEIVE LIGHT FROM ABOVE DOWNWARD, BUT TO DRAW ONLY FROM BELOW UPWARD. THIS HAS REMAINED THE CASE in each and every generation, WHICH IS THE LIGHT OF NEFESH, until Yisrael reached Mount Sinai. Then, the letters fully corrected, BECAUSE THE LETTER BET ILLUMINATED THEM FROM ABOVE DOWNWARD, AND THEY BECAME THE SHABBAT.

379. Rabbi Yehuda said: They started TO RADIATE again FROM ABOVE downward, WHICH IS THE LIGHT OF RUACH. THUS, HE DISAGREED WITH RABBI YOSI, WHO MAINTAINED THAT THEY ONLY SHONE FROM BELOW UPWARD, WHICH IS THE LIGHT OF NEFESH, BEFORE TORAH WAS GIVEN. And in each and every generation BEFORE THE GIVING OF TORAH, the world was manipulating those two letters, and they could not settle in their appropriate place. Only when Torah was given to Yisrael was everything corrected.

Rabbi Elazar said that at the time of Enosh, people were skilled in magic and divination and in the wisdom of controlling the heavenly forces, SO THAT THESE FORCES SHOULD NOT HAVE AFFECTED THE WORLD. When Adam left the Garden of Eden and brought out with him the wisdom of the fig leaves (which is witchcraft), there was no one to use this knowledge, because Adam, his wife, and all those born from them, until Enosh came, stayed clear of this KNOWLEDGE AND DID NOT USE IT.

380. And when Enosh came, he saw those FIG LEAVES and how advantageous they could be in altering the heavenly course OF HOLINESS. Then, people once again practiced magic and sorcery, and they shared their knowledge WITH OTHERS. This wisdom spread widely in the generation of the flood, when magic and sorcery were practiced for evil purposes.

381. The people defied Noach with this wisdom WHEN HE WARNED THEM OF THE IMPENDING FLOOD. They said that no judgment could ever be executed upon them, because they could avoid, by use of this knowledge, any execution of judgment. From the time of Enosh onward, everyone began practicing these skills. Thus, it was written: "Then was the name of Hashem called upon profanely" (Bereshheet 4:26). THE WORD "PROFANELY" MEANS THAT THEY MADE THE USE OF THE NAME OF HASHEM A PROFANATION, THROUGH THE WISDOM OF SORCERY THEY EMPLOYED.

382. Rabbi Yitzchak said that all those righteous people who lived after that generation OF ENOSH, such as Yered, Methushelach, and Chanoch, tried hard to rebuke them, but were unsuccessful. The world became full of sinners who rebelled against their Master saying, "What is Hashem that we should worship him?" (Iyov 19:15).

383. HE ASKS: How could they have been so foolish as to say, "WHO IS HASHEM THAT WE SHOULD SERVE HIM?" HE ANSWERED THAT THIS WAS because they had vast wisdom and knew and had faith in the ministers in charge of ruling the world. THEY HAD FAITH IN THEIR WISDOM AND BELIEVED THAT BY MEANS OF OATHS THEY COULD BIND THOSE MINISTERS AND PROTECT THEMSELVES SO THAT NO HARM COULD BEFALL THEM. Then, the Holy One, Blessed be He, restored the world to its original state, THROUGH THE FLOOD OF WATER. IN ITS ORIGINAL STATE, AS ON THE SECOND DAY OF CREATION, the world was water upon water; THIS WAS BEFORE THE DRY LAND WAS CREATED. After THE FLOOD, He restored the world to its previous state and not all was destroyed BY THE FLOOD, because He treated them with mercy as indicated by the fact that it is written: "Hashem sat at the flood" (Tehilim 29:10). The word "Hashem" SIGNIFIES THE VIRTUE OF MERCY, whereas the word "Elohim" WOULD HAVE SIGNIFIED JUDGMENT. BECAUSE HE JUDGED THEM WITH MERCY, NOT ALL WAS DESTROYED BY THE FLOOD.

384. In the days of Enosh, even children were acquainted with this supernal wisdom, which they learned and OBSERVED. Rabbi Yesa said that if this is so, they were stupid, because they did not know that the Holy One, blessed be He, was bound to bring the waters of the flood upon them, and they would die.

385. Rabbi Yitzchak said that although they knew, foolishness grabbed hold of their hearts. They thought that by knowing the name of the angel in charge of fire and the angel in charge of the waters, they could prevent them from executing judgment upon them. HENCE, THEY HAD NO FEAR OF PUNISHMENT. But what they did not know was that the Holy One, blessed be He, controlled the earth, and from therein judgment would come upon the world.

386. They only saw that the world was entrusted to those ministers and that all worldly matters depended upon them. Thus, they took no notice of the Holy One, blessed be He, nor did they observe his works until the earth was demolished. And the Holy spirit proclaimed upon them every day, "let sinners be wiped out of the earth and let the wicked be no more" (Tehilim 104:35).

386. אֵלָא הוּוּ חֲמָאן, דְּעֵלְמָא אֲתַפְקֵד בִּידָא דְאִינוּן מְמַנְן, וּבְהוּ כָל מְלֵי עֵלְמָא. וּבְגִינֵי כֶךְ, לָא הוּוּ מְסַתְבְּלָן בֵּיהּ בְּקִדְשָׁא בְרִיךְ הוּא, וְלֹא מְשִׁיחִין בְּעִבְדֵיהִי, עַד דְּאַרְעָא אֲתַחְבְּלַת. וְרוּחַ קוּדְשָׁא אֲכַרִּיז בְּכָל יוּמָא, וְאִמְר יִתְמוּ חַטָּאִים מִן הָאָרֶץ וְרַשְׁעִים עוֹד אִינָם.

387. And the Holy One, blessed be He, waited for them while those righteous men, like Yered, Metushelach, and Chonach lived. And when they passed from the world, the Holy One, blessed be He, then released judgment upon the wicked, and they perished, as it is said: "They were blotted out from the earth" (Beresheet 7:23).

65. "And Chanoch walked with Elohim"

The following section has the power to instill fear at the sudden prospect of falling into negativity. We become aware of the evil forces that stand ready to sabotage our spiritual efforts at the first sign of an opening.

388. "And Chanoch walked with Elohim, and he was not, for Elohim took him" (Beresheet 5:24). Rabbi Yosi said: "While the king was still feasting, my spikenard sent forth its fragrance" (Shir Hashirim 1:12). This verse has been expounded on, yet come and behold: it is the way of the Holy One, blessed be He, that when a man cleaves to Him, He in turn sets his Shechinah upon the man. And when He knows that this man will sin, He acts preemptively, plucks away his good fragrance, and removes him from the world.

388. וַיִּתְהַלֵּךְ חֲנוֹךְ אֶת הָאֱלֹקִים וַאֲיַנְנוּ כִּי לֶקַח אוֹתוֹ אֱלֹקִים. ר' יוֹסִי פִתַח עַד שְׁהַמְלֵךְ בְּמַסְבוֹ נְרִדֵי נִתְן רִיחוֹ. הָאִי קְרָא אֲתַמְר. אֲבָל תָּא חֲזִי, כֶךְ אֲרַחוּי דְקִדְשָׁא בְרִיךְ הוּא, בְּשַׁעֲתָא דְבַר נֶשׁ אֲתַדְבַק בֵּיהּ, וְהוּא אֲשֵׁרֵי דִיּוּרִיָּה עֲלֵיהּ, וַיִּדַע דְּלִבְתַר יוּמִין יִסְרַח, אֲקָדִים וְלָקִיט רִיחִיהּ טַב מְנִיָּה, וְסָלִיק לִיהּ מֵעֵלְמָא.

389. "The King" mentioned above is the Holy One, blessed be He. His feasting is the man who cleaves to Him, and follows in His path. The spikenard that gives fragrance consists of all the man's good deeds, in honor of which he is taken away from this world prematurely. THIS PREVENTS HIM FROM CORRUPTING HIS DEEDS.

389. הַה"ד עַד שְׁהַמְלֵךְ בְּמַסְבוֹ נְרִדֵי נִתְן רִיחוֹ. עַד שְׁהַמְלֵךְ: דָּא קִדְשָׁא בְרִיךְ הוּא. בְּמַסְבוֹ: דָּא הַהוּא בַר נֶשׁ דְּאַתְדְבַק בֵּיהּ, וְאֲזִיל בְּאַרְחוּי. נְרִדֵי נִתְן רִיחוֹ: אִינוּן עוֹבְדִין טְבִין דְּבֵיהּ, דְּבְגִינְהוּן יִסְתַּלַּק מֵעֵלְמָא, עַד דְּלֹא מְטָא זְמָנִיָּה.

390. King Solomon said of this, "There is strangeness upon the earth, because there are righteous men who receive judgment like the wicked" (Kohelet 8:14). There are righteous people who are rewarded as if they were wicked, as we have explained. For because of their good deeds the Holy One, blessed be He, removes them from the world prematurely and inflicts judgment upon them, SO THEY WILL NOT CORRUPT THEIR WAYS. And there are wicked people who receive benefits as if they were righteous, for the Holy One, blessed be He, gives them a respite and is patient with them, AS IN THE DAYS OF THE FLOOD. And all this is, as we have explained, so that they should not sin AND CORRUPT THEIR WAYS. HENCE, THEY RECEIVE JUDGMENT AS IF THEY WERE WICKED. Hashem waits for others and treats them as righteous, so that they may repent or because good children are expected to come from them. Therefore He waits for them and holds back His anger; hence they receive a reward as if they were righteous.

390. וְעַל דָּא הוּוּ שְׁלֵמָה מְלָכָא אִמְר, יֵשׁ הַבֵּל אֲשֵׁר נַעֲשָׂה עַל הָאָרֶץ אֲשֵׁר יֵשׁ צְדִיקִים וְגו'. יֵשׁ צְדִיקִים אֲשֵׁר מְגִיעַ אֲלֵיהֶם כְּמַעֲשֵׂה הַרְשָׁעִים, כְּמָה דְּאוֹקִימָנָא, דְּבְגִין דְּעוֹבְדִיהוּן טְבִין, קִדְשָׁא בְרִיךְ הוּא סָלִיק לֹון מֵעֵלְמָא, עַד לָא מְטָא זְמָנִיָּהוּ, וְעִבִיד בְּהוּן דִּינִין. וַיֵּשׁ רַשְׁעִים אֲשֵׁר מְגִיעַ אֲלֵיהֶם כְּמַעֲשֵׂה הַצְּדִיקִים, דְּקִדְשָׁא בְרִיךְ הוּא אוּרִיךְ לֹון יוּמִין, וְאוּרִיךְ רוּגְזִיָּה בְּהוּ. וְכָל דָּא, כְּמָה דְּאַתְמַר, אֲלִין בְּגִין דְּלֹא יִסְרַחוּ, וְאֲלִין בְּגִין דְּלֵהֲדַרוּ לְגַבִּיָּה, אוּ בְּגִין דִּיפּוֹק מְנִיָּהוּ בְּנִין דִּמְעֵלִי.

391. Come and see: Chanoch was a righteous man. The Holy One, blessed be He, saw that he was eventually bound to degenerate and took him before he sinned. This is what is meant by the "Gathering of Lilies" (Shir Hashirim 6:2). THIS MEANS THAT because of their good scent, the Holy One, blessed be He, gathers them before they become corrupt. Similar is the verse: "and he was not, for Elohim took him." "And he was not" means that he was not to live a long life, as did his contemporaries, because the Holy One, blessed be He, took him away before his time.

392. Rabbi Elazar said that the Holy One, blessed be He, removed Chanoch from the earth, elevated him to the highest heavens, and handed him all supernal treasures as well as 45 keys to the concealed engravings used by supernal angels. They were all delivered to him. This has been already explained.

66. "And Hashem saw... the wickedness of man"

When a man wastes the life-force and seed used for procreation, negative forces immediately attach themselves to him. He has destroyed the unborn souls that exist in a state of potential within the seed. Meditating upon these verses removes negative sexual thoughts. Our intense sexual desires are positively channeled towards our spouse, bringing a renewed sense of passion and fire to our relations.

393. "And Hashem saw that the wickedness of man was very great upon the earth, and the thought in man's heart was continuously only evil" (Bereshheet 6:5). Of the verse, "For you are not El who pleasures in wickedness. Evil will not sojourn with you" (Tehilim 5:5), Rabbi Yehuda said: This verse has been discussed and explained, yet come and behold: he who cleaves to and is led by the evil inclination is defiled and will be led further into defilement, as we have learned.

394. "The wickedness of man was very great," because men committed all sorts of sins and their guilt was not complete until they spilled blood in vain upon the ground. This refers to those who pollute their ways upon the earth, THAT IS, THEY SPILL THEIR SPERM IN VAIN. Thus, it was written: "Only evil (ra) all day." In another place it is written: "And Er, the son of Yehuda, was evil (ra) in the eyes of Hashem" (Bereshheet 38:7), BECAUSE HE SPILLED HIS SEED UPON THE EARTH. THIS INDICATES THAT THE WORD RA REFERS TO THE WANTON WASTE OF SEED.

395. Rabbi Yosi then asked, "Is not evil (ra) the same as wicked (rasha)?" SO THAT YOU COULD NOT DETERMINE THAT RA IS USED SOLELY TO INDICATE THOSE WHO WASTE THEIR SEED. Rabbi Yehuda answered: No. Even he who lifts his hand against his friend is called wicked, even if he causes his friend no harm. It is written: "And He said to the wicked, why do you smite your friend?" (Shemot 2:13), and not 'Why did you smite your friend?' THE LATTER WOULD HAVE INDICATED THAT HE HAD ALREADY DONE SO. THUS, EVEN THOUGH HE HAD NOT YET HIT HIM, THE SCRIPTURE CALLS HIM WICKED.

391. תָּא חֲזִי, חֲנוּךְ זָכָא הוּא, וְקָדְשָׁא בְּרִיךְ הוּא חָמָא לִיה דִּי־סִרְחָ לְבַתְּרָ, וְלָקִיט לִיה עַד לָא יִסְרַח, הַה"ד וְלָלָקִיט שׁוֹשְׁנִים. בְּגִין דִּיהִבִּי רִיחָא טַב, לָקִיט לִין קָדְשָׁא בְּרִיךְ הוּא עַד לָא יִסְרַחוּ. וְאִינְנוּ בִּי לָקַח אֹתוֹ אֱלֹקִים. וְאִינְנוּ: לְאַרְכָּא יוֹמִין בְּשָׂאֵר בְּנֵי נְשָׂא, דִּהוּ אֹרְכֵי יוֹמִין. מ"ט, בְּגִין דִּלְקַח לִיה קָדְשָׁא בְּרִיךְ הוּא, עַד לָא מְטִי זְמַנִּיה.

392. רַבִּי אֶלְעָזָר אָמַר, חֲנוּךְ נָטִיל לִיה קָדְשָׁא בְּרִיךְ הוּא מֵאַרְעָא, וְאַסְקִיה לְשָׁמַי מְרוֹמִים וְאַמְסַר בִּידֵיה בַּל גְּנֹזֵי עֲלָאִין. וּמ"ה מִפְּתַחֲן סִתְרֵי גְלִיפִין, דְּבַהוּ מְשַׁתְּמְשֵׁי מִלְּאֲכֵי עֲלָאִין. וְכִלְהוּ אֶתְמַסְרוּ בִּידֵיה. וְהָא אֹקִימָנָא.

393. וַיִּרְא ה' בִּי רַבָּה רַעַת הָאָדָם בְּאַרְץ וְכָל יֶצֶר מִחֲשָׁבוֹת לְבוֹ, רַבִּי יְהוּדָה פָּתַח, בִּי לֹא אֵל חַפֵּץ רָשָׁע אֶתָּה לֹא יְגוֹרֵךְ רַע. הָאִי קָרָא אֶתְמַר וְאֹקִימוּהוּ. אָבֵל תָּא חֲזִי, מֵאֵן דְּאֶתְדַּבֵּק בִּיצֵר הָרַע וְאֶתְמַשְׁיךְ אֶבְתְּרִיה, וַיִּסְתָּאֵב הוּא, וַיִּסְאָבוּן לִיה, כְּמָה דְּאֶתְמַר.

394. בִּי רַבָּה רַעַת הָאָדָם. כָּל בִּישׁוּן הוּוּ עֲבָדֵי, וְלֹא אֶשְׁתַּלִּים חוֹבֵי־הוּוּ, עַד דִּהוּוּ אוֹשְׁדִין דְּמִין לְמַגְנָא עַל אַרְעָא. וּמֵאֵן אִינּוּן. דִּהוּוּ מִחְבְּלִין אֶרְחִי־הוּוּ עַל אַרְעָא. הַה"ד רַק רַע כָּל הַיּוֹם. כְּתִיב הֲכֵא רַק רַע, וְכְתִיב הֲתָם וַיְהִי עַר בְּכוֹר יְהוּדָה רַע בְּעֵינֵי ה'.

395. אָמַר רַבִּי יוֹסִי, וְכִי רַע לָאו אִיהוּ רָשָׁע. אָמַר לוֹ לָא. רָשָׁע: אֶפִּילוּ אָרִים יִדִּיה לְגַבֵּי חֲבֵרִיה. אִף עַל גַּב דִּלָּא עָבִיד לִיה מִיְדֵי, אִקְרִי רָשָׁע. כְּמָה דְּכְתִיב וַיֹּאמֶר לְרָשָׁע לְמָה תִּבָּה רַעְךָ. הַבִּית לָא כְּתִיב, אֶלָּא תִּבָּה.

396. Yet, only he who corrupts his ways, thereby defiling himself and the earth, gives strength and power to the spirit of defilement called Ra. As it is written: "Only evil all day." Such a person will not enter the palace OF HASHEM, nor gaze upon the Shechinah, because this sin causes the Shechinah to depart from the world.

397. From where DO WE KNOW THAT THE SHECHINAH LEAVES BECAUSE OF THIS SIN? From Ya'akov. For when the Shechinah left him, he concluded that there was a defect in his sons AS A RESULT OF THEIR INDULGENCE IN THE ABOVE MENTIONED SIN. Because of this sin, he concluded, the spirit of defilement was strengthened in the world and the light of the moon, WHICH IS THE NUKVA OF ZEIR ANPIN, was impaired and rendered defective. FOR THIS REASON, THE SHECHINAH WAS GONE FROM HIM. One might wonder why HE THOUGHT SO. It is because this SIN defiled the temple, and hence the Shechinah left Ya'akov, EVEN THOUGH HE HIMSELF DID NOT SIN. One who actually defiles his ways and himself gives all the more strength to the unclean spirit. Consequently, when he is defiled, he is called ra (evil).

398. Come and behold: when a man is defiled, BY THE ABOVE MENTIONED SIN, he is not remembered by the Holy One, for merit, and he is constantly remembered by the SPIRIT OF DEFILEMENT, called 'evil', for evil. HENCE, THE SHECHINAH LEAVES HIM AS SOON AS HE IS VISITED BY THE SPIRIT OF DEFILEMENT. Thus, it is said, "He who sleeps sated will not be visited by evil" (Mishlei 14:23), MEANING THAT he who follows the right path AND DOES NOT FALL PREY TO THE ABOVE MENTIONED SIN will not be visited by evil. Thus, it is written: "Only evil all day" and also, "evil shall not sojourn with you" (Tehilim 5:5), and they are called 'evil' and not 'wicked.' Also, it is written: "even though I walk through the valley of the shadow of death, I shall not fear evil, for You are with me" (Tehilim 23:4). THIS IS BECAUSE IT ALSO WORKS THE OTHER WAY: IF THE SHECHINAH IS ACCOMPANYING A MAN, HE NEED NOT FEAR THE SPIRIT OF DEFILEMENT, AS IT IS WRITTEN: "I SHALL NOT FEAR EVIL, FOR YOU ARE WITH ME." JUST AS THE SHECHINAH FLEES DEFILEMENT, SO DEFILEMENT FLEES FROM THE SHECHINAH.

67. "It grieved Him to His heart"

Evil forces lull us into a blinding complacency as they strategically maneuver their way into our consciousness. The Zohar gives us the power to perceive these forces. By removing destructive influences, complacency is replaced by inspiration toward change and spiritual development.

399. "And Hashem regretted that He made man on the earth, and it grieved Him to His heart" (Beresheet 6:6). Rabbi Yosi said upon this verse, "Woe unto them who draw iniquity with the worthless cords, and sin as it were with cart rope" (Yeshayah 5:18). Those who draw iniquity are the men who sin every day before the Holy One, blessed be He, and they regard their sins as worthless cord because they think that the actions they engage in and their iniquities are of no consequence and that the Holy One, blessed be He, does not watch them. They thus transform all of their sins into one big, powerful sinas the cart rope which is strong and thick and cannot be destroyed.

396. אָבֵל רַע לֹא אֶקְרִי אֶלָּא מֵאֵן דְּמַחְבֵּל אֶרְחִיָּה, וְסָאִיב גְּרַמְיָה, וְסָאִיב אֶרְעָא, וְיִהְיִב חֵילָא וְתוֹקְפָא לְרוּחַ מְסָאָבָא דְאֶקְרִי רַע. דְּכַתִּיב, רַק רַע כָּל הַיּוֹם. וְלֹא עָל בְּפִלְטְרִין, וְלֹא חָמִי אִפִּי שְׂכִינְתָא. בְּגִין דְּבַהֲאֵי אֶסְתַּלַּק שְׂכִינְתָא מֵעֲלָמָא.

1
400. Come and behold: when the Holy One, blessed be He, executes judgment upon the wicked of the world, even though they transgress before Him and anger Him all day, He still has no desire to destroy them. And when He reviews their deeds, he is consoled by the fact that they are his handiwork and He has patience with them in this world.

401. And because they are the work of His hands, He is consoled, gives them respite, and has mercy on them. And when He wants to execute judgment, He is saddened, as it were, because they are the work of His Hands and He is grieved by them, as it is written: "And neither was a table brought to him" (Daniel 6:19).

402. It is written: "Honor and Majesty are before Him, strength and joy in His place" (Tehilim 96:6). Rabbi Yosi said, come and behold: it is written: "And it grieved Him to his Heart," INDICATING THAT He was saddened to His heart, and not to another place. The words, "His heart" function here in the same manner as in the verse, "according to that which is in my heart and in my desire" (I Shmuel 2:35).

Rabbi Yitzchak said that the words "Hashem regretted" are similar to "And Hashem regretted the evil which He had said He would do to His people" (Shemot 32:14). THUS THE VERSE "AND HASHEM REGRETTED HAVING MADE MAN" TEACHES US THAT HE DID NOT WANT TO PUNISH THEM, AND WHEN THE TIME CAME TO EXECUTE JUDGMENT, HE WAS SADDENED TO HIS HEART.

403. Rabbi Yesa said, OF THE PASSAGE, "AND HE REGRETTED..." THAT IT WAS SAID for good, but Rabbi Chizkiyah said that it was said for bad.

Rabbi Yesa EXPLAINED FURTHER BY saying that it is for good because the Holy One, blessed be He, regretted that those were the work of His hands, and pitied them. THE WORDS "AND HE REGRETTED" TEACH US THAT THE HOLY ONE, BLESSED BE HE, HAD PITY ON MAN BECAUSE HE MADE HIM, AND HE IS HIS HANDIWORK. "And it grieved Him" means that it saddened him that they had sinned before Him.

404. Rabbi Chizkiyah said: It was all said for lack of merit, because when the Holy One, blessed be He, wants to destroy the wicked people of the world, He is consoled for their loss, like a person who resigns himself to the loss of something. And once He is resigned, judgment takes its course and repentance is of no avail.

405. So, when is repentance effective? Only up to the point when He becomes resigned. AND ONCE HE HAS BECOME RESIGNED, repentance is of no avail and judgment is carried out. THE HOLY ONE, BLESSED BE HE, adds judgment upon judgment and He gives strength to the place of judgment, so it will carry out the verdict. THE NUKVA CARRIES OUT THE VERDICT, and the sinners are completely destroyed. All this WE SEE in the passages "Hashem regretted" and "He was grieved to his heart." He gave strength to the place of judgment, so that it could carry out the verdict. THE SECRET OF THE NUKVA IS HIS HEART, WHICH IS THE PLACE OF JUDGMENT. BY "GRIEVED," IT IS MEANT THAT HE GAVE THE NUKVA EXTRA STRENGTH.

400. וְתָא חַזִּי, כִּד עֲבִיד קִדְשָׁא בְּרִיךְ הוּא דִּינָא בְּחַיִּיבֵי עֲלָמָא, אִף עַל גַּב דְּאִינּוֹן חֲטָאן קָמֵי קִדְשָׁא בְּרִיךְ הוּא, וְאַרְגִּזִין לִיה כּל יוֹמָא, לֹא בְּעֵי לְאוּבְדָא לְהוּ מִעֲלָמָא. וְכִד אֲשַׁגַּח בְּעוֹבְדֵיהוֹן, אֲתַנַּחַם עֲלֵיהוּ, עַל דְּאִינּוֹן עוֹבְדֵי יְדוּי, וְאוּרִיךְ לֹון בְּעֲלָמָא.

406. Rabbi Chiya said that the verse says "And Hashem regretted (also, 'consoled') that He had made man," because He received consolation and joy. When the Holy One, blessed be He, created man upon the earth, he was in the supernal image. The angels of heaven praised the Holy One, blessed be He, and when they saw his supernal shape, they said: "you have made him slightly lower than Elohim and have crowned him with glory and honor" (Tehilim 8:6).

407. Later, when Adam sinned, the Holy One, blessed be He, was saddened, because Adam had now justified what the ministering angels asked Him when He wanted to create man: "What is this man that you are mindful of him and the son of man that you visit him" (Tehilim 8:5). HENCE, THE VERSE "AND HASHEM REGRETTED..." MEANS THAT HE WAS COMFORTED BY THE ANGELS, REJOICED BEFORE THE SIN, AND "GRIEVED" AFTER THE SIN.

408. Rabbi Yehuda said that He "was grieved to his heart" because He had to execute judgment upon them, as it is written: "as they went out before the army, Praise Hashem for his mercy is everlasting" (II Divrei Hayamim 20:21). Rabbi Yitzchak asked why it was not written, GIVE PRAISE TO HASHEM for He is good? He answered: Because He was destroying the work of His hands for the sake of Yisrael.

409. Similarly, on the night when Yisrael crossed the sea, the supernal angels came along to sing before the Holy One, blessed be He. He said to them, "behold, the work of My hands are drowning, and you are singing!" Thus, it is written: "And one did not come near the other all night" (Shemot 14:20). The same applies here, for whenever the wicked are taken out of this world, He is greatly saddened.

410. Rabbi Aba said that The Holy One, blessed be He, was grieved when Adam sinned before Him and transgressed His commands. He said to him, "Adam, woe to you that you have weakened the heavenly power." At that moment the light OF THE NUKVA was extinguished, and forthwith He banished him from the Garden of Eden.

411. He said to him, "I placed you in the Garden of Eden to offer sacrifices"--BY UNIFYING THE HOLY ONE, BLESSED BE HE, AND HIS SHECHINAH--and you have impaired the altar, WHICH IS THE NUKVA, so much that offerings cannot be brought to it anymore. Henceforth, GO AWAY and work the land. And He sentenced him to death. Taking pity on him, however, the Holy One, blessed be He, buried him, when he died, close to the garden, IN THE CAVE OF MACHPELA, WHERE THE ENTRANCE TO THE GARDEN OF EDEN IS LOCATED.

406. רבי חייא אמר, וינחם ה' כי עשה את האדם בארץ. נטל תנחומין וחרוה, כד עבד קדשא בריך הוא לאדם בארעא, דאיהו כגוונא עלאה, וכל מלאכי עלאי, משבחין ליה לקדשא בריך הוא, כד חמי ליה, בדיוקנא עלאה. ואמרו ותחסרהו מעט מאלקים וכבוד והדר תעטרהו.

407. לבתר, כד חטא אדם, אתעצב קדשא בריך הוא על החטא, דיהב פתחון פה, למלאכי השרת, דאמרו קמיה בקדמיתא, כד בעא למברי ליה. מה אנוש כי תזכרנו וכן אדם כי תפקדנו.

408. אמר רבי יהודה, ויתעצב אל לבו. בגין דבעי למעבד בהו דינא, שנאמר בצאת לפני החלוצים ואומרים הודו לה' כי לעולם חסדו. ואמר רבי יצחק, אמאי לא כתיב הכא כי טוב, אלא, בגין דאוביד עובדי ידוי, קמיהו דישראל.

409. כגוונא דא, כד הוו ישראל עברין ימא. אתו מלאכי עלאי למימר שירה קמיה קדשא בריך הוא, בההוא ליליא. אמר לו קדשא בריך הוא, ומה עובדי ידוי טבעין בימא, ואתון אמרין שירה. כדין ולא קרב זה אל זה כל הלילה. אוף הכא, בכל זמנין, דאיבוד רשיעיא איהו מעלמא, כדין עציבו אשתכח עלייהו.

410. רבי אבא אמר, בשעתא דחב קמי קדשא בריך הוא אדם, ועבר על פקודיו, כדין אשתכח עציבו קמיה. אמר ליה קדשא בריך הוא, אדם, ווי דחלשת חילא עלאה. בהאי שעתא אתחשכת נהורא חד. מיד תריך ליה מגנתא דערן.

411. אמר ליה, אנא אעלית לך לגנתא דערן, לקרבא קרבנא, ואת פגימת מדבחא, דלא אתקרב קרבנא. מכאן ולהלאה, לעבוד את הארמה. וגזר עליה מיתה. וחס עליה קדשא בריך הוא, וגניז ליה בשעתא דמית סמיך לגנתא.

412. Adam made a cave, THE CAVE OF MACHPELA, and both he and his wife hid in it. How did he know TO CHOOSE THIS PLACE? Because he saw a faint ray of light emanating from the Garden of Eden that reached to the cave. His desire was awakened to be buried there, close to the entrance to the Garden of Eden.

413. Come and behold: no one leaves this world without seeing Adam. Adam asks him for what reason he left this world and how HIS SOUL departed. Each person replies, "Woe to you that because of you I had to die," BECAUSE IT WAS AS A CONSEQUENCE OF THE SIN OF THE TREE OF KNOWLEDGE THAT DEATH WAS DECREED UPON THE WORLD.

ADAM then replies, "My son, I have transgressed one commandment, and have been punished because of it. Yet look at yourself. How many sins and how many transgressions on the precepts of your Master have you committed?"

414. Rabbi Chiya said that until this very day, Adam continues to face the forefathers and confess his sins twice a day. He shows them the very location IN THE GARDEN OF EDEN, where he resided in Supernal glory BEFORE HE SINNED. He also goes and looks at all the Pious and Righteous people among his descendants, who have inherited the supernal Glory HE HAD in the Garden of Eden BEFORE HE SINNED. The Patriarchs praise and say, "How precious is your kindness, Hashem. The children of man (Adam) take refuge under the shadow of your wings" (Tehilim 36:8).

415. Rabbi Yesa said: THE REASON Adam appears to each person at the moment of their departure from this world is to testify that this person is dying on account of his own sins and not because of those of Adam. As we have learned, there is not death without sin.

416. The only exceptions are the three who had to leave this world because of the prompting of the primal Serpent, WHO CONVINCED CHAVAH TO EAT OF THE TREE OF KNOWLEDGE. THEY DID NOT LEAVE BECAUSE OF THEIR OWN SINS. Those three are Amram, Levi, and Binyamin. Some colleagues also include Yishai among them. None of them ever sinned and no blemish could be found to explain their deaths except for the prompting of the serpent, as we have said.

417. Come and behold: all the generations contemporary to Noach committed their sins openly, for all to see. Rabbi Shimon was strolling one day near the gates of Tveria (Tiberias), where he saw some men DRAWING ARROWS tightly into their bows and shooting them at earthenware pots. THIS MEANS THAT THEY WERE WASTING THEIR SEED IN VAIN AND IN THE OPEN. He said, 'Why are they committing this sin openly, if not to provoke their Master's anger?' He stared at them and they were thrown into the sea and drowned.

412. מֵהָ עֶבֶד אָדָם, עֶבֶד מְעֵרְתָּא חָדָא, וְאַתְּטַמְרַן בָּהּ, הוּא וְאַתְתִּיבָהּ. מִנָּא יָדַע. אֲלֵא, חָמָא חַד נְהוּרָא דְקִיק, עָיִל בְּהוּא אֲתֵר, דְנִפְיָק מִגְּנֵתָא דְעָדָן, וְתָאָב תִּיאוּבְתִיָּה לְקַבְרִיָּה. וְתִמְן הוּא אֲתֵר, סְמוּךְ לְתַרְע דְגִנְתָּא דְעָדָן.

418. Come and behold: any sin that is committed publicly repels the Shechinah from the earth and causes her to remove her residence from the world. Those IN THE GENERATION OF THE FLOOD walked defiantly with their heads high, WITHOUT SHAME. They sinned openly and repelled the Shechinah from the world until the Holy One, blessed be He, was repelled by them and removed them from HIS PRESENCE. As it is written: "Take away the impurity from the silver and there shall come forth a vessel for the smith. Take away the wicked from the presence of the king and his throne shall be established in righteousness" (Mishlei 25:4-5).

418. תָּא חֲזִי, כָּל חוּבָא דְאַתְעֵבִיד בְּאַתְגְּלִיָּא, דְּחִי לָהּ לְשְׁכִינְתָא מֵאַרְעָא, וְסְלִיקַת דִּיּוֹרָה מֵעֲלָמָא. אֲלִין הוּוּ אֲזִלִין בְּרִישָׁא זְקִיף, וְעֵבְרִי חוּבִיָּהוּ בְּאַתְגְּלִיָּא, וְדָחוּ לָהּ לְשְׁכִינְתָא מֵעֲלָמָא, עַד דְּקִדְשָׁא בְּרִיךְ הוּא דְחָא לֹון, וְאַעֲבִיר לֹון מְנִיָּה. וְעַל דָּא כְּתִיב הִגּוּ רְשָׁע לְפָנֵי מֶלֶךְ וּגּוֹ. הִגּוּ סְגִים מִכְּסָף וּגּוֹ.

68. "My spirit shall not strive with man"

Our world mirrors the Upper World. Actions performed in this physical realm ignite spiritual forces in the worlds above. Reading this section gives us the ability to positively influence and affect the Upper World in ways that benefit our lives.

419. "And Hashem said, My spirit shall not strive with man forever, for he is also flesh" (Bereshheet 6:3). Rabbi Elazar said, Come and behold: when the Holy One, blessed be He, created the world, He made the world, WHICH IS MALCHUT, to be used as the Supernal WORLD, WHICH IS BINAH. THIS MEANS THAT ALL THE LIGHTS SHINING IN BINAH SHOULD ALSO SHINE IN MALCHUT, THE SECRET OF THIS WORLD. Now, when people are righteous and follow the correct path, the Holy One, blessed be He, reveals the spirit of life, WHICH ARE THE MOCHIN of above FROM BINAH, until this life reaches the place where Ya'akov abides, NAMELY ZEIR ANPIN, BECAUSE FROM BINAH THE MOCHIN FLOW THROUGH ZEIR ANPIN.

419. וַיֹּאמֶר ה' לֹא יִדּוֹן רַחֲמֵי בְּאַרְם לְעוֹלָם בְּשָׁגִם הוּא בְּשָׂר וּגּוֹ. אָמַר רַבִּי אֶלְעָזָר תָּא חֲזִי, כִּד בְּרָא קִדְשָׁא בְּרִיךְ הוּא עֲלָמָא, עֵבֵד לְהַאי עֲלָמָא, לְאַשְׁתַּמְשָׂא כְּגוּוֹנָא דְלַעִילָא. וְכִד בְּנֵי עֲלָמָא אֵינּוּן זְכָאִין, דְּאֲזִלִי בְּאַרְח מִיִּשְׂרָאֵל, קִדְשָׁא בְּרִיךְ הוּא אֲתַעֲר רַחֲמֵי דְחַיֵּי דְלַעִילָא עַד דְּמָטוּ, אֵינּוּן חַיִּין, לְאַתֵּר דִּיעֻקֵּב שְׂרִיא בֵּיהּ.

420. From there, life flows until the spirit OF LIFE reaches this world, THE NUKVA, the place where King David resides. Hence, all the blessings flow to all the lower world inhabitants IN BRIYAH, YETZIRAH, AND ASIYAH. This Supernal spirit spreads downward, enabling the lower worlds to maintain their existence.

420. וּמִתְמַן נִגְדֵי אֵינּוּן חַיִּין, עַד דְּאַתְמַשִּׁיךְ הַהוּא רַחֲמֵי, לְהַאי עוֹלָם, דְּדוֹד מְלָכָא שְׂרִיא בֵּיהּ. וּמִתְמַן נִגְדֵי בְּרַכָּאן לְכֻלְהוּ אֵינּוּן תְּתַאֲי. וְהַהוּא רַחֲמֵי עֲלָא, אֲתַנְגִּיד וְאַתְמַשִּׁיךְ לְתַתָּא. וַיִּכְלִין לְאַתְקִימָא בְּעֲלָמָא.

421. Hence, IT IS WRITTEN: "His kindness (Heb. chasdo) is everlasting." CHASDO IS SPELLED WITH A VAV. The world of King David, NAMELY THE NUKVA, IS NURTURED BY THE VAV, WHICH DRAWS LIFE TO IT. Hence, it is written: "MY SPIRIT SHALL NOT STRIVE WITH MAN forever (Heb, le'olam)" without the Vav, because when that spirit is drawn into the world, blessings and life are released from it to sustain all. Yet now IN THE GENERATION OF THE FLOOD, when people sinned BY DRAWING LIGHT FROM ABOVE TO BELOW, DISRUPTING THE CENTRAL COLUMN AND ATTACHING THEMSELVES TO THE LEFT COLUMN, everything left THIS WORLD. Thus, the spirit of life ceased flowing into this world for the pleasure and sustenance of the lower. HENCE, 'FOREVER' WAS WRITTEN WITHOUT A VAV, WHICH IS THE CENTRAL COLUMN AND THE SPIRIT OF LIFE, BECAUSE THEY DEFILED IT AND ATTACHED THEMSELVES TO THE LEFT.

421. וּבְגִינֵי כֶךְ, לְעוֹלָם חֲסֵדוֹ. דָּא הוּא עוֹלָם, דְּדוֹד מְלָכָא. וּבְגִין כֶךְ כְּתִיב לְעֵלָם בְּלָא וְאִ"ו. דְּהָא כִּד הַהוּא רַחֲמֵי אֲתַנְגִּיד לְהַהוּא עוֹלָם. מִתְמַן נִפְקֵי בְּרַכָּאן וְחַיִּין לְכֻלָּא, לְאַתְקִימָא. הִשְׁתָּא דְחָבוּ בְּנֵי נִשְׂאָ, אֲסִתְלַק בְּלָא. בְּגִין דְּלֹא יִמְטֵי הַהוּא רַחֲמֵי דְחַיֵּי לְהַאי עוֹלָם, לְאַתְהַנְאָה מְנִיָּה תְּתַאֲי, וְלְאַתְקִימָא בֵּיהּ.

422. "For he is also flesh." Therefore the spirit OF LIFE will not be drawn into the world. The reason is to prevent the serpent, CALLED 'FLESH,' the lowest of all levels, from increasing in power through the spirit of holiness. It is also to assure that THE HOLY SPIRIT will not have to mix with the spirit of defilement OF THE SERPENT. The verse, "...for he is also flesh," teaches us that the primeval serpent IS ALSO FLESH, and might also be blessed BY THE SPIRIT OF LIFE. Hence, THE SERPENT is called 'flesh', as it is written: "The end of all flesh came before me" (Bereshheet 6:13). Rabbi Shimon said that THE PRIMAL SERPENT, CALLED FLESH, is the Angel of Death. The words, "His days will be 120 years," means the gift of an attached tower.

422. בְּשָׂגָם הוּא בָּשָׂר. בְּגִין דְּלֹא יִתְרַק הָאִי רוּחָא לְהָאִי עוֹלָם. מ"ט, דְּלֹא לְאַסְגָּאָה נְחֹשׁ, תִּתְתָּא דְרִיגִין, דִּיתְתַּקֵּף בִּיהּ רוּחָא דְקְרוּשָׁא דְלֹא יִתְעַרְבַּ בְּרוּחַ מְסָאָב. בְּשָׂגָם הוּא בָּשָׂר, דָּא נְחֹשׁ קְדָמָאָה דִּיתְתַּרְךָ. בְּגִין כִּךְ הוּא בָּשָׂר: כַּד"א קִץ כָּל בָּשָׂר בָּא לְפָנֵי, וְאָמַר רַבִּי שְׂמֵעוֹן, דָּא מְלֹאֲךָ הַמּוֹת. וְהֵינּוּ יָמֵי מָאָה וְעֶשְׂרִים שָׁנָה. אֹרִיכוּ דְקוֹסְטִירָא דְקִיטְרָא.

69. "The Nefilim were on the earth"

Many negative angels enter our realm and take on Human form. We can protect ourselves from these negative angels, as well as from people who connect themselves to the dark forces.

423. "The Nefilim were on the earth..." (Bereshheet 6:4). Rabbi Yosi taught that those CALLED NEFILIM were Aza and Azael and as we have learned, they were so called because the Holy One, blessed be He, dropped (Heb. hepil) them from the upper sanctity. How, you may well ask, can they subsist in this world? Rabbi Chiya said that they are among those referred to as "Birds which fly upon the earth" (Bereshheet 1:20). And these, as we have discussed, appear to men in the form OF HUMAN BEINGS. And how, you may ask, do they transform themselves FROM THE SHAPE OF AN ANGEL TO THAT OF HUMAN BEINGS? As we have learned, they can transform themselves into all kinds OF SHAPES, and when they come down INTO THIS WORLD, they clothe themselves with the garments of earth's atmosphere and take on human form.

423. הַנְּפוֹלִים הָיוּ בְּאַרְץ. תְּנִי רַבִּי יוֹסִי, אֵלֶּיךָ עֲזָא וְעֲזָאֵל. כִּמְהָ דְאִתְתַּמַּר, דְּאִפִּיק לֹוֹן קְדָשָׁא בְּרִיךְ הוּא מְקְדוּשְׁתָּא דְלַעִילָא. וְאִי תִימָא וְהִיךְ יִכְלוּ לְאִתְקִימָא בְּהָאִי עֲלָמָא. אָמַר רַבִּי חִיָּיא, אֵלֶּיךָ הוּוּ מְאִינֹון דְכְתִיב וְעוֹף יְעוֹפֵף עַל הָאָרֶץ. וְהָאִי אִתְתַּמַּר, דְּאֵלֶּיךָ אִתְחַזּוּ לְבַנֵּי נְשָׂא, כְּחַזּוּ דְלֵהוֹן. וְאִי תִימָא, הִיךְ יִכְלוּ לְאִתְהַפְּכָא. הָאִי אִתְתַּמַּר דְּאִתְהַפְּכֵן לְכִמְהָ גּוֹוִינִי. וּבְשַׁעְתָּא דְנַחְתֵּי אַגְלִימוּ בְּאוּרָא דְעֲלָמָא, וְאִתְחַזּוּן כְּבַנֵּי נְשָׂא.

424. Aza and Azael, who rebelled above, and whom the Holy One, blessed be He, caused to fall from heaven, were forced to put on and to live with the garments of the earth. They could not divest themselves of these garments AND COULD NOT RETURN TO THEIR FORMER RESIDENCE WITH THE REST OF THE ANGELS. THEY REMAINED FOREVER ON EARTH. Subsequently, they were seduced by earthly women. They exist to this day, teaching sorcery to people. They begot sons, whom they called 'mighty' and 'giants'. The Nefilim are referred to as "sons of Elohim," as has already been explained.

424. וְהֵינּוּ, עֲזָא וְעֲזָאֵל, דְּמַרְדּוּ לְעִילָא, וְאִפִּיל לֹוֹן קְדָשָׁא בְּרִיךְ הוּא, וְאַגְלִימוּ בְּאַרְעָא, וְאִתְקִימוּ בִּיהּ, וְלֹא יִכְלוּ לְאִתְפַּשְׁטָא מִגִּיהָ. וּלְבַתֵּר טְעוּ בְּתַר נְשֵׁי עֲלָמָא. וְעַד כְּעַן יוֹמָא דָּא, אִינֹון קִיּוּמֵי וְאוֹלְפֵי חֲרָשִׁין לְבַנֵּי נְשָׂא. וְאוֹלִידוּ בְּנִין, וְקָרוּ לְהוּ עַנְקִים, גְּבַרִין. וְאִינֹון נְפוֹלִים, אִקְרוּן בְּנֵי אֱלֹהִים. וְהָאִי אִתְתַּמַּר.

70. "I shall wipe out man"

God always gives ample warning before great judgments and catastrophes brought on by the negative actions of man. Sadly, in most cases we fail to heed the warnings. The Zohar empowers us to see the signs of warning when they appear.

425. "And Hashem said, 'I shall wipe out man, whom I have created from the face of the earth'" (Bereshheet 6:7). Rabbi Yosi quotes, "For my thoughts are not your thoughts" (Yeshayah 55:8). Come and behold: when a man wants to take vengeance on another, he keeps quiet and tells him nothing. Because if he discloses HIS INTENTIONS, his opponent will be on guard and hard to overpower.

425. וַיֹּאמֶר ה' אֲמַחָה אֶת הָאָדָם אֲשֶׁר בְּרָאתִי מֵעַל פְּנֵי הָאָרֶץ. רַבִּי יוֹסִי פִתַּח, כִּי לֹא מַחְשְׁבוֹתַי מַחְשְׁבוֹתֵיכֶם. תָּא חֲזִי כַּד בַּר נֶשׁ בְּעֵי לְנַקְמָא מֵאַחְרָא, שְׂתִיק וְלֹא אָמַר מִיָּדֵי, דְּאִילוּ אֹודְעִיהָ, יִסְתַּמַּר, וְלֹא יִכּוּל לֵיהּ.

426. Yet the Holy One, blessed be He, does not act in this manner. He does not execute judgment on the world before He declares and informs it OF HIS INTENTIONS once, twice, and three times. Then, no one may reproach Him and ask, 'What are you doing?' Nor can one guard against Him or stand up to Him.

427. "And Hashem said, 'I shall wipe out man, whom I have created from the face of the earth'." He announced these words through Noah, and He warned them several times, but they did not listen. Eventually, he executed judgment and exterminated them.

428. Come and behold what was said of Noah: "And He called his name Noah saying He shall comfort us (yenachamenu) from our work" (Bereshheet 5:29). How did He know THAT HE WOULD COMFORT HIM AS SOON AS HE WAS BORN? It says that when the Holy One, blessed be He, cursed the world, saying, "The land will be cursed because of you," Adam said to Him, "Sovereign of the Universe, until when will the world be subject to this curse?" The Holy One, blessed be He, replied, "Until you beget a son who is born circumcised like yourself."

429. And they waited until Noah was born. And when he was born, Adam saw that he was circumcised and transcribed with a sacred sign. And when He saw that the Shechinah embraced the baby, IT THEN BECAME CLEAR TO HIM THAT THE CURSE WOULD BE CANCELED DURING HIS LIFETIME, and so He named him in anticipation of what would transpire.

430. In the beginning, they did not know how to sow, reap, or plow, and they worked the earth with their hands. But Noah came along and manufactured tools needed for working the ground, so that it would bear fruit. Thus, it was written: "this one will comfort us from our work and from the toil of our hands that Hashem has cursed." Noah liberated the earth from its curse. Before he came, the people used to sow wheat and reap thorns and thistles. Hence, he was called "a man of the ground" (Bereshheet 9:20).

431. Rabbi Yehuda said "a man of the ground" often means that he was considered the "husband of the ground," as it says, "Naomi's man" (Rut 1:3). This is because he was called righteous, and nullified the earth's curse by means of the sacrifices he offered. Hence, it is written: "I will not again curse the ground because of man" (Bereshheet 8:21). For this reason Noah was called "a man of the ground." And hence he was called NOACH (comfort), because of what would one day occur.

426. אָבֵל קִדְּשָׁא בְּרִיךְ הוּא לֹא הֵכִי עֲבִיד. לֹא עֲבִיד דִּינָא בְּעֵלְמָא, עַד דְּאֶכְרִיז וְאוֹדַע לְהוּ, זְמַנָּא, תְּרִין וּתְלָתָא. בְּגִין, דְּלֹא אֵיתָאֵי דִּימְחֵי בִּידֵיהּ, דִּינָמָא לִיהּ מַה עֲבַדְתָּ, וְלֹא יִסְתַּמֵּר מִנִּיהּ, וְלֹא יִכֹּל לְקַיְימָא קַמִּיהּ.

A person's name establishes a profound link to his soul and essence. The letters that compose a name instill a particular set of attributes that comprise a person's nature. This section of the Zohar helps us strengthen the bond to our name so that we can awaken its positive influences within our soul.

432. Rabbi Yehuda expounded upon the verse: "Go, behold the works of Hashem, who had made desolation (Heb. shamot) on the earth" (Tehilim 46:9). He said that this text has been explained, but if the world would have been created by Yud-Hei-Vav-Hei, A NAME INDICATIVE OF MERCY, then it would have given earth a firm structure. But since it was created by the works of Elohim, WHICH IS JUDGMENT, a desolation, A WASTELAND, was made of earth.

433. Rabbi Chiya said to him: Although you believe THAT DESOLATION (HEB. SHAMOT) SIGNIFIES A WASTELAND, I see it differently, because both the names YUD-HEI-VAV-HEI AND ELOHIM indicate benevolence. I tend to agree with the friends in saying that he had placed "shemot (Eng. 'holy names') on the earth." SHAMOT ALLUDES TO ACTUAL HOLY NAMES ON THE EARTH.

434. Rabbi Yitzchak said that both interpretations are true, and even the one put forward by Rabbi Yehuda is good. For if the world WAS CREATED IN THE name of mercy, then the world would have been resilient. Yet because the world was created by judgment and is founded upon judgment, He put Holy names in the world TO PROTECT IT, and this is very true, because had he not done so, the world would not have been able to survive the consequences of people's sins.

435. Come and behold: when Noach was born, he was given that name, because it connoted consolation (Heb. nechama), indicating that he would bring consolation. Yet, the Holy One, blessed be He, did not agree WITH THEM. HE BROUGHT THE FLOOD UPON THEM, BECAUSE HE WANTED THEM TO CORRECT THEIR WAYS AND REPENT. The letters of Noach's name (Nun and Chet), when written in reverse order, form the word chen, which means favor. This is as it was written: "Noach found favor in the eyes of Hashem." Rabbi Yosi said that Chen is Noach FOR THEY ARE SPELLED WITH THE SAME LETTERS. The names of the righteous IN ANY SEQUENCE cause beneficence. The names of the wicked IN ANY SEQUENCE cause them harm. Of Noach it was said, "Noach found favor (Heb. chen) in the eyes of Hashem," BECAUSE THE LETTERS WERE REVERSED FOR good. But of Er, the son of Yehuda, the letters were reversed for lack of merit and harm, as it is written: "And Er (Ayin Resh) was evil (ra, Resh Ayin) in the eyes of Hashem" (Beresheet 38:7).

436. Come and behold: when Noach was born, he saw that people were sinning before the Holy One, blessed be He. He used to hide himself so as not to be drawn to their ways and occupied himself with serving his Master. You may well ask, with what did he occupy himself? HE STUDIED the books of Adam and Chanoch, and he struggled TO LEARN from those books how to worship his Master.

432. רַבִּי יְהוּדָה פָּתַח, לְכוּ חֲזוּ מַמְעָלוֹת אֱלֹקִים אֲשֶׁר שָׁם שְׁמוֹת בְּאָרֶץ. הָאִי קָרָא אוֹקְמוּהָ וְאִתְמַר. אֲבָל, לְכוּ חֲזוּ וּגּוֹ. דְּאֵלוּ הוּוּ מַמְעָלוֹת יוֹד הָא וְאוּ הָא, שָׁם קוּיִם בְּאָרֶץ, אֲבָל בְּגִין דְּהוּוּ מַמְעָלוֹת שְׁמָא דְּאֱלֹקִים, שָׁם שְׁמוֹת בְּאָרֶץ.

437. Come and behold: he indeed STUDIED THE BOOKS OF ADAM AND CHANUCH because otherwise, how would Noah have known how to offer sacrifices to his Master? He found wisdom relating to the maintenance of the world IN THE BOOKS OF ADAM AND CHANUCH. AND FROM THESE BOOKS, he learned that the world exists for the sake of sacrifices. Were it not for the sacrifices, neither the upper nor lower would have existed. HENCE, HE OFFERED A SACRIFICE.

438. Rabbi Shimon was on his way, accompanied by Rabbi Elazar, his son, Rabbi Yosi, and Rabbi Chiya. As they were going, Rabbi Elazar said to his father, "the road is clear before us, and we would like to hear words of Torah."

439. Rabbi Shimon began to speak of the words, "Even when a fool walks on his way, his heart is lacking" (Kohelet 10:3). When a man wants to make his ways agreeable to the Holy One, blessed be He, he should, before he proceeds, consult Him and pray to Him, so that He should ensure his journey. This is as we have learned regarding the verse, "Righteousness goes before him then he shall set his feet on his way" (Tehilim 135:14), meaning that HE SHOULD PRAY THAT the Shechinah, CALLED 'RIGHTEOUSNESS,' should not part from him. ONLY AFTER HE HAS PRAYED SHOULD HE GO ON HIS WAY.

440. Of he who has no faith in his master, it is written: "Even when a fool walks on his way, his heart is lacking." Rabbi Shimon ASKED: What is "his heart?" AND HE REPLIED: IT is the Holy One, blessed be He, WHOSE SHECHINAH WHO RESTS IN THE HEART OF THE RIGHTEOUS, THAT does not accompany him on his way. THUS "HIS HEART IS LACKING" THE INSPIRATION OF THE SHECHINAH and lacking His aid along the way. This is all because this man, who does not trust in his Master, WHO IS CALLED "A FOOL," BECAUSE ONE DOES NOT SIN UNLESS THE SPIRIT OF FOOLISHNESS ATTACHES ITSELF TO HIM, does not seek help from his Master before he starts his journey.

441. And even when he is on his way, he is not occupied with the study of Torah, and thus "his heart is lacking." Because he does not follow his Master, His Master is not found on his way. THE VERSE CONTINUES, "And he proclaims to all that he is foolish" (Kohelet 10:3), meaning that even when he hears a word of true faith in his Master, he says that it is foolish to pay attention to it.

442. Similarly, there was a man who asked about the sign of the Holy Covenant imprinted upon the human flesh, and he said that it was not an article of faith. Rabbi Yeba Saba (the elder) heard, looked upon him and transformed him into a pile of bones. And we ARE upon this path with the help of the Holy One, blessed be He. Hence, we should recite words of Torah.

437. תָּא חֲזִי, דְּהָכִי הוּא, דְּהָא נַח, מִנָּא הוּה יָדַע, לְקָרְב קִרְבָּנָא לְמַרְיָה. אֲלָא, בְּגִין דְּאִשְׁכַּח חֲכָמְתָא, עַל מַה מִתְקַיִים עֲלֵמָא, וְיָדַע דְּעַל קִרְבָּנָא מִתְקַיִים. וְאֵלְמָלָא קִרְבָּנָא, לֹא הוּוּ קִיּוּמֵי עֲלָאי וְתַתְּאֵי.

443. He started a discourse by commenting on the verse: "Teach me, Hashem, your ways, I will walk in your truth, unite my heart to fear your name" (Tehilim 136:2). This is a difficult verse, because we learned that everything except becoming a righteous person or becoming wicked is in the hands of the Holy One, blessed be He. AS IT IS WRITTEN: "ALL IS IN THE HANDS OF THE HEAVENS EXCEPT FOR THE FEAR OF THE HEAVENS." WHY then did David ask the Holy One, blessed be He, to be given that?"

444. David said, "Teach me your ways." He asked the Holy One, blessed be He, to open his eyes and show him the right path. Then, he would "...walk in your Truth." He himself would walk the right path and not waver to the right or the left. He also said: "Unite my heart." "Heart," as in "the strength of my heart and my lot" (Tehilim 123:26), MEANING THE SHECHINAH, CLOTHED BY THE HEART, AND CALLED STRENGTH OF HEART. FOR THIS IS WHAT HE CRAVED. "All this I entreat," DAVID SAID, "in order to fear your name and keep to the right path." "To fear your name" refers to David's lot, NAMELY MALCHUT, DAVID'S PORTION, in which fear of Him dwells. FOR MALCHUT IS THE SECRET OF FEAR, AND IS CALLED 'FEAR,' AS IS KNOWN.

445. Come and behold: faith dwells with he who fears the Holy One, blessed be He, for he is wholeheartedly in his Master's service. Yet, faith is not with he who is not constantly in fear of his Master, and he does not deserve to have a part of the world to come.

446. He then opened a discourse on the verse: "The path of the righteous is as the shining light that shines more and more unto the perfect day" (Mishlei 4:18). Happy are the righteous in this world and in the world to come, because the Holy One, blessed be He, desires their glory. Come and behold: it is written that "The path of the righteous is as the shining light." What is the shining light? It is like the illuminating light that the Holy One, blessed be He, made during the works of creation. This is THE LIGHT that He stored away for the righteous in the world to come. The words, "...that shines more and more," indicate that the righteous person's light is ever increasing and never lacking.

447. Yet, of the wicked it is written: "The way of the wicked is as darkness, they do not know on what they stumble" (Mishlei 4:19). How is it they do not know what MAKES THEM STUMBLE? The wicked follow a crooked path in this world. They do not want to see that the Holy One, blessed be He, will judge them in the world OF TRUTH and bring them to be judged in Gehenom. IN GEHENOM, they shout, "Woe to us that we did not listen to His commandments while we were in the world," and they repeat this lament each and every day.

443. פֶּתַח וְאָמַר, הוֹרֵנִי ה' דְּרֶכֶךְ אֱהַלְךָ בְּאֲמַתְךָ יַחַד לִבִּי לִירְאָה שְׁמֶךָ. הָאִי קָרָא קִשְׁיָא, דְּהָא תְּנִינָן, כְּלָא הִיא בִּידָא דְקִדְשָׁא בְּרִיךְ הוּא, בַּר לְמַדְוֵי זְכָאָה, אִו חַיִּיבָא. וְדוּד הֵיךְ תִּבְעֵ דָא מַעַם קוּדְשָׁא בְּרִיךְ הוּא.

448. Come and behold: the Holy One, blessed be He, will shine upon the righteous in the world to come and will give them their destined reward in a place that no eye has ever beheld. It is, as it is written: "No eye has seen apart from You, Elohim, what shall be performed for those who wait for You" (Yeshayah 64:3); and also: "...and they shall go forth and look upon the carcasses of the men who have transgressed against Me" (Yeshayah 66:24); and also: "And You shall tread down the wicked for they shall be ashes under the soles of Your feet" (Malachi 3:21). Joyful are the righteous in this world and the world to come. Of them it is written: "The Righteous shall forever inherit the earth" (Yeshayah 110:21) and: "Verily, the righteous shall praise Your name, the upright shall dwell in Your presence" (Tehilim 140:14). Blessed be Hashem forever. Amen and Amen.

1. Noach and the ark

The Zohar reveals secrets within the literal story of Noah and the Ark. Noah embodies the Sfirot of Yesod. The Ark is a metaphor for our world of Malchut. The sins of this generation literally separated the Malchut from Yesod, which was its source of Light. This is the mystery behind the flood's destruction. Any disconnection from Light produces darkness, and from within this darkness chaos and destruction emerge. Reading this section helps bond Malchut with Yesod. It is comparable to the simple action of throwing a light switch and banishing the darkness in a room. Moreover, by reading these passages we arouse spiritual forces of Light to combat and eradicate the present day negative actions of society that once again are beginning to sever the link between the Malchut and Yesod.

1. "These are the generations of Noach..." (Beresheet 6:9). Rabbi Chiya opened the discussion with the verses: "NOACH WAS A RIGHTEOUS MAN...", AND, "Your people also shall be all righteous: they shall inherit the land forever" (Yeshayah 60:21). IT WAS DIFFICULT FOR HIM TO UNDERSTAND THE CONNECTION BETWEEN THE TWO PARTS OF THE FIRST VERSE, BECAUSE AFTER THE STATEMENT, "THESE ARE THE GENERATIONS OF NOACH," THE TEXT SHOULD HAVE CONTINUED, 'SHEM, CHAM, AND YEFET.' IT SHOULD NOT HAVE ENDED WITH "NOACH WAS A RIGHTEOUS MAN." HE FURTHER STATED: Happy are the people of Yisrael, who occupy themselves with the Torah and are familiar with its paths, through which they will merit the world to come.

2. Rabbi Chiya continued: Come and behold! All Yisrael have a portion in the world to come. Why is this so? Because they observe the covenant on which the world is established. This is as it is written in the verse: "If my covenant be not day and night, it were as if I had not appointed the ordinance of heaven and earth" (Yirmeyah 33:25), MEANING THAT YISRAEL KEEP IN HOLINESS OF THE COVENANT OF CIRCUMCISION BY NEVER DESECRATING IT WITH SPILLING OF SEMEN IN VAIN, OR BY INCEST. Therefore, Yisrael, who has accepted the covenant and observes it, has a portion in the world to come.

3. Furthermore, as a result, they are called 'righteous.' We deduce from this that whoever observes the covenant upon which the world is established is called 'righteous.' How do we know this? We know this from Yosef, who observed the "covenant of the world," BY NOT MATING WITH HIS MASTER'S WIFE, and was therefore called 'righteous.' And this is why it is written: "Your people also shall be all righteous: they shall inherit the land forever." RABBI CHIYA THUS EXPLAINED THE VERSE, "NOACH WAS A RIGHTEOUS MAN," AS MEANING THAT NOACH OBSERVED THE COVENANT. FOR THIS REASON, HIS OFFSPRING HAVE CONTINUITY. THE VERSE THUS STATES: "THESE ARE THE GENERATIONS OF NOACH, NOACH WAS A RIGHTEOUS MAN," BECAUSE HIS RIGHTEOUSNESS AND THE CONTINUITY OF HIS CHILDREN ARE CONNECTED.

4. Rabbi Elazar said that we have learned that whenever the term "These (Heb. eleh)" appears, it always annuls something previously mentioned. Now, it is written in Beresheet, "A river comes out of Eden to water the garden and from thence it was parted" (Beresheet 2:10). THIS MEANS THAT this river, WHICH IS YESOD, is drawn and comes out OF EDEN, WHICH IS CHOCHMAH, and enters the garden, WHICH IS MALCHUT, to water it from the supernal waters and bring it pleasure, making it produce fruit and seed. This gives delight to everyone. The garden is pleased with its fruit, which brings pleasure to the river, because it made the fruit. As it is written: "Because in it he has rested" (Ibid. 3), MEANING "IN THE RIVER," WHICH IS YESOD. And it is also written: "And He rested on the seventh day," MEANING IN THE GARDEN WHICH IS MALCHUT. AS RABBI ELAZAR EXPLAINED, THE WORD "RESTED" IS DERIVED FROM 'REST' AND 'PLEASURE'. This is the secret of the matter of the river that comes out of Eden-MEANING YESOD, for it produces offspring, and no other SFIRAH CAN PRODUCE ANY FRUIT.

5. Come and behold: so it was with Noach below. Noach was the sacred covenant below, as YESOD, OR THE RIVER THAT COMES OUT OF EDEN, was above. And he is called "Man of the Earth," BECAUSE THE EARTH REFERS TO MALCHUT AND YESOD IS MALCHUT'S MAN. So now we have learned a secret, that Noach needed the ark, WHICH ALLUDES TO MALCHUT, so he could unite with it and preserve the seed of the whole world. As it is written: "To preserve seed."

1. רבי חייא פתח, ועמך כלם צדיקים לעולם יירשו ארץ נצר מטעי מעשה ידי להתפאר, זכאין אינון ישראל, המשתדלי באורייתא, וידעי ארחין דאורייתא, דבגינה יזכון לעלמא דאתי.

2. תא חזי, כל ישראל אית לון חולקא לעלמא דאתי, מאי טעמא, בגין דנטרין ברית דעלמא אתקיים עליה, כד"א אם לא בריתי וזמם ולילה חקות שמים וארץ לא שמתני. ועל דא, ישראל דנטרין ברית, וקבילו ליה, אית לון חולקא בעלמא דאתי.

3. ולא עוד, אלא בגין כך אקרון צדיקים, מכאן אוליפנא, כל מאן דנטרין האי ברית, דעלמא אתקיים עליה, אקרי צדיק. מנא לן מיוסף, בגין דנטר ליה לברית עלמא, זכה דאקרי צדיק, ועל כך, ועמך כלם צדיקים לעולם יירשו ארץ.

4. רבי אלעזר אמר, אלה בכל אתר פסל את הראשונים תנינן וכו', מה כתיב לעילא בפרשתא דבראשית, ונהר יוצא מעדן להשקות את הגן ומשם יפרד וגו'. ההוא נהר דנגיד ונמיק, ועייל לגנתא, ואשקי ליה משקיו דלעילא, ועביד ליה נייחא, ועביד איבון, ורבי זרעין, והוא כדן נייחא לכלא, ודא נייחא ליה לגנתא, ודא עביד נייחא ביה, כד"א כי בו שבת, וכתיב וישבות ביום השביעי, ודא רזא דמלה, דא עביד תולדות ולא אחרא.

5. תא חזי, כגוונא דא, נח לתתא, קיימא קדישא הוה, דוגמא דלעילא, וע"ד אקרי איש האדמה, ודא אוליפנא, דהא נח אצטריך לתיבה, לאתחברא בה, ולקיימא זרעא דכולא, דכתיב לחיות זרע.

6. RABBI ELAZAR ASKED: What is the ark? AND HE ANSWERED: It is the ark, WHICH IS MALCHUT, of the Covenant AFTER IT RECEIVES YESOD, WHICH IS CALLED THE COVENANT. And Noach and the ark below were like YESOD AND MALCHUT above, BECAUSE the covenant is mentioned in relation to Noach, as it is written: "And I will establish my covenant with you." As long as the covenant was not established in Noach, he did not enter the ark, as it is written: "And I will establish my covenant with you and you shall come onto the ark." Only then does the ark become the ark of the Covenant, MEANING THAT AFTER THE ARK RECEIVED AND ACCEPTED NOACH THE RIGHTEOUS, WHO IS THE COVENANT, IT BECAME THE ARK OF THE COVENANT.

7. So the ark and Noach are joined below, as are MALCHUT AND THE COVENANT above. And because the covenant above brings forth offspring, so Noach below bore generations. That is why IT IS WRITTEN: "These are the generations of Noach." THIS IS TO TEACH US THAT LIKE THE COVENANT ABOVE, WHICH IS YESOD OF ATZILUT, NOACH BORE EVERLASTING GENERATIONS. BECAUSE HE MERITED THE HOLY COVENANT, YESOD OF ATZILUT, WHICH IS CALLED THE COVENANT, RESTS UPON HIM.

8. "Noach was a righteous man." This is assuredly so, for his righteousness corresponds to YESOD above. That is why it is written: "the righteous are the foundation (Yesod) of the world" (Mishlei 10:25), and the earth, WHICH IS MALCHUT, is established upon him. He is the pillar that upholds the world, WHICH IS MALCHUT. That is why he is called the foundation of the world. And what is THIS YESOD? It is the righteous. Thus, Noach is the righteous below, AMONG THE SOULS. AND HENCE IT IS WRITTEN: "NOACH WAS A RIGHTEOUS MAN"-TO TEACH US THAT THE WORLD IS BASED ON HIM.

9. And the secret of all this is revealed in the words, "Noach walked with Elohim," which mean to teach us that he never separated himself from Him, FROM MALCHUT. And he merited being called a righteous man on earth, as did the supernal Yesod, the Foundation of the World.' He is the covenant of peace and the peace of the world. Thus, he is called "Man of the Earth," MEANING THE 'HUSBAND' OF THE EARTH. And that is why the verse is written: "Noach found favor in the eyes of Hashem."

10. RABBI ELAZAR ASKED: What is the meaning of "his generations" IN THE VERSE "perfect in his generations?" AND HE REPLIED THAT they are his descendants, who issued from him, all of whom he perfected THROUGH HIS RIGHTEOUSNESS and by whom he was also perfected. IN OTHER WORDS, THE VERSE "PERFECT IN HIS GENERATIONS" HAS TWO MEANINGS: (A) HIS RIGHTEOUSNESS PERFECTED ALL THE GENERATIONS THAT DESCENDED FROM HIM, AND (B) HE WAS PERFECTED BY THE GENERATIONS THAT DESCENDED FROM HIM. ANOTHER EXPLANATION IS THAT Perfect MEANS that he was born circumcised. As it is written: "Walk before me and be perfect," (Bereshheet 17:1) MEANING CIRCUMCISED. "In his generations" includes only Noach's descendants and not the generations in the world in general. IN OTHER WORDS, EVEN THOUGH THE VERSE MEANS THAT HE WAS PERFECT IN ALL THE GENERATIONS OF THE WORLD, IT SAYS "HIS GENERATIONS" TO INDICATE THAT ALL THE GENERATIONS OF THE WORLD ARE HIS, AS THEY ALL DESCEND FROM HIM.

6. מאן תיבה, דא ארון הברית, ונח ותיבה לתתא, הכי הו, בדוגמא דלעילא. נח בתיב ביה ברית, דכתיב והקימותי את בריתי אתך וגו', ועד דאתקיים ביה ברית, לא עייל לתיבותא, דכתיב והקימותי את בריתי אתך ובאת אל התיבה, וכדין הוה תיבה ארון הברית.

7. תיבה ונח, בלא כגוונא דלעילא, ובגין דהאי ברית לעילא הוא עביד תולדות, כגוונא דא נח, איהו עביד תולדות. בגיני כך אלה תולדות נח.

8. נח איש צדיק, הכי הוא ודאי, כגוונא דלעילא, ועל דא וצדיק יסוד עולם בתיב, וארעא על דא אתקיימת, דהא איהו, עמודא דעלמא קיימא עליה. ומאן איהו, דא צדיק, ונח אקרי צדיק לתתא.

9. ורזא דכלא, את האלהים התהלך נח דייקא, דלא אתפרש מניה לעלמין, ולמהווי הוא בארעא, כגוונא דלעילא, איש צדיק, יסודא דעלמא, ברית שלום שלמא דעלמא, איש האדמה ודאי, ועל דא, ונח מצא חן בעיני ה'.

10. תמים היה בדורותיו, מאי בדורותיו, אליו אינון דנפקו מניה, הוא אשלים לכלהו, והוא הוה שלום מכלהו, תמים היה דאתייליד מהול, דכתיב התהלך לפני והיה תמים. בדורותיו, ולא בדרין דעלמא, דהא מניה נפקו תולדות בעלמא.

11. Come and behold: from the day the world was created, Noah was destined to be joined in union with and to enter the ark. And until they were joined as one, the world had not reached a fully stable condition. And as soon as this occurred, it is written: "From these was the whole earth overspread" (Beresheet 9:19). What is meant by "overspread?" These words are analogous to the verse: "And from thence the river parted" (Beresheet 2:10), MEANING THAT SPREADING OUT IS SIMILAR TO THE SUPERNAL ARK, WHICH IS THE SECRET OF THE GARDEN. For from that point in the text onward, we find the separation and diffusion of progeny into all quarters of the world. THIS MEANS THAT AFTER THEY WERE PERFECTED IN THE ARK, THEY WERE ABLE TO COME FORTH AND EXIST IN THE WORLD OF SEPARATION WITHOUT BEING ANNIHILATED, AS WAS THE GENERATION OF THE GREAT FLOOD.

12. And all is one and one is like the other, BECAUSE THE BRANCHES BELOW ARE SIMILAR TO THEIR ROOTS ABOVE. So THE VERSE STATES, "These are the generations of Noah." "These" INDICATES THAT THE OTHER GENERATIONS ARE NO LONGER OF ANY CONSEQUENCE, BECAUSE THEY WERE NOT EVERLASTING IN THE WORLD. Only Yesod (the foundation of the world,) WHICH IS NOACH, produced the fruit that still exists in the world. Rabbi Aba approached and kissed RABBI ELAZAR saying, 'The lion in his might has pierced through the rock and broke it asunder,' MEANING THAT IT WAS HARD AS A ROCK FOR HIM TO UNDERSTAND THE INNER MEANING OF THESE VERSES, BUT RABBI ELAZAR REMOVED ALL THE DIFFICULTIES HE HAD IN COMPREHENDING THE TEXT. All this is certainly true, BECAUSE ALL THAT HAS BEEN SAID ABOUT NOACH AND THE ARK BELOW CORRESPONDS TO THEIR SUPERNAL ROOTS IN THE WORLD OF ATZILUT ABOVE. Even the measurements of the ark correspond to their roots above. Tosefta (addendum)

13. RABBI ELAZAR ASKED: Why is the name of Noah written twice? AND HE ANSWERED: Each and every righteous person in the world has two spirits. One stays in this world, while the other is in the world to come. And so we find that the Holy One, blessed be He, named all the righteous twice: "Moshe, Moshe" (Shemot 3:4), "Ya'akov, Ya'akov" (Beresheet 46:2), "Avraham, Avraham" (I Shmuel 3:10), "Shmuel, Shmuel"--with the exception of Yitzchak. He is not named twice because when he approached the altar to be sacrificed, the soul that was within him in this world left him. And because it is said of Avraham, "blessed are you who resurrects the dead"--THAT IS, "LAY NOT YOUR HAND UPON THE LAD," AFTER HE HAD LIFTED HIS HAND, INTENDING TO SLAY HIS CHILD, so only the soul of the world to come was returned to him. AND THAT IS WHY HE IS NOT NAMED TWICE, YITZCHAK, YITZCHAK. And that is why you shall find that the name of the Holy One, blessed be He, was not unified UPON ANY OTHER RIGHTEOUS PERSON DURING HIS LIFETIME. It was unified only on Yitzchak, because he was already considered as dead. FOR HE HAD NO SOUL OF THIS WORLD, ONLY THAT OF THE WORLD TO COME. HE WAS LIKE THOSE WHO PASS AWAY FROM THIS WORLD. The verse states: "Even in His holy ones He has no trust" (Iyov 15:15) BECAUSE HE DOES NOT UNIFY HIS NAME ON THE RIGHTEOUS DURING THEIR LIFETIMES.

14. A different explanation given OF THE WORDS "NOACH NOACH" (Beresheet 6:9) is that because he was righteous, He praised him twice BY CALLING HIM "NOACH, NOACH." THAT IS, "perfect he was in his generation," but if he had lived in any other generation, such as that of Avraham or Moshe or King David, then he would not have been considered at all. Still another explanation is that if this is what he was able to perform in a generation in which all were wicked, how much more he could have done in a generation in which all were righteous. (end of the Tosefta)

2. "Come, behold the works"

Noah was given his name because it was a direct reflection of his spiritual character. Noah is derived from the Hebrew word Nechamah, ??? which means to console. Noah's spiritual work and destiny was to console the earth in the aftermath of the flood and the destruction of the world. This great spiritual mission, expressed through his name, was Noah's connection to the Light of the Creator. Our name, too, is our bridge and link to the Creator. The name is like a strand of spiritual DNA that motivates and gives rise to our personal attributes, our inner character, and our mission in life. This section of the Zohar strengthens our name's spiritual function of connecting us to the Light.

15. Rabbi Elazar opened his discourse WITH THE VERSES: "THESE ARE THE GENERATIONS OF NOACH" AND "Come, behold the works of Hashem, who has made desolations in the earth" (Tehilim 46:8). AND HE ASKED, "Come behold": what is the meaning of "behold?" AND HE ANSWERED: It is related to the verse, a grievous vision has been declared to me (Yeshayah 21:2). Because by His deeds, the Holy One, blessed be He, reveals his prophecy to Man. AND WHEN A PROPHECY OF GRIEVOUS DEEDS IS REVEALED BEFOREHAND, IT IS CALLED 'A GRIEVOUS VISION.' "Who has made desolations (Heb. shamot)" assuredly alludes to the word shemot, for a name is the cause of everything that happens. THIS MEANS THAT WE SHOULD CONSIDER THE NAME OF WHATEVER HAPPENS. FOR THE HOLY ONE, BLESSED BE HE, PUTS THE NAME IN THE MOUTH OF MAN SO HE CAN NAME WHATEVER DWELLS OR OCCURS ON EARTH. SO THE VERSE IS ACTUALLY CALLING US TO GO AND OBSERVE THE WORKS OF HASHEM THROUGH THE NAMES BY WHICH THEY ARE CALLED ON EARTH. BECAUSE THE HOLY ONE, BLESSED BE HE, ACTS BEFOREHAND, PUTTING NAMES IN THE MOUTH OF MAN AS PROPHECY.

16. THE VERSE STATES: "And He called his name Noach, saying: This..." (Bereshheet 5:29). RABBI ELAZAR ASKED: Why does the verse read, "saying: This?" And he answered: The word "saying" refers to the Female Principle, WHICH IS MALCHUT, while "This" refers to the 'Righteous,' WHO IS NOACH. AND THE PROOF is that it is written here and elsewhere, "This shall comfort us." "This is Hashem; we have hoped for Him" (Yeshayah 25:9). AND WE LEARN THROUGH ANALOGOUS MEANING: THE WORD "THIS" REFERS HERE TO HASHEM, WHO IS CALLED RIGHTEOUS, AND THEREFORE THE MEANING OF "THIS" IN ANY OTHER VERSE MEANS RIGHTEOUS AS WELL. HERE, IT REFERS TO NOACH, WHO IS RIGHTEOUS, LIKE HASHEM. LIKEWISE, THE VERSE THAT STATES, "AND HE CALLED HIS NAME NOACH," REFERS TO THE SUPERNAL FEMALE PRINCIPLE OR MALCHUT, WHO CALLED HIM NOACH, FOR THE FEMALE WAS "SAYING" "THIS," THAT IS, NOACH "SHALL CONSOLE US". Blessed are the righteous who are marked with the imprints of the ring of the King, THE HOLY ONE, BLESSED BE HE, for they are marked with His name. And He has put "names" on earth, meaning in Man's mouth, so that everything can be called by its name correctly.

17. The verse states: "And He called the (Heb. et) his name Noach" (Bereshheet 5:29), and it is also written: "And He called his name Ya'akov" (Bereshheet 25:26). Why does it not say "the" IN REGARD TO YA'AKOV, AS WITH NOACH? Because each one refers to a different level. As it is written in the verse: "I saw (Et) Hashem" (Yeshayah 6:1). It does not say 'I saw Hashem,' but "Et Hashem." THIS INDICATES THAT THE PARTICLE "ET (THE)" HAS A SPECIFIC MEANING. Here too, it is written of Noach: "And he called (Et) his name Noach." As for, "And he called his name Ya'akov," in reality his level is that of the Holy One, blessed be He, and this is why the word "the" is not mentioned there. But with Noach, the particle "Et (the)" is mentioned so as to connect him with the Shechinah, WHICH IS THE FEMALE PRINCIPLE. BECAUSE THE SHECHINAH IS CALLED "ET," THE PARTICLE "ET" DOES NOT APPEAR IN YA'AKOV'S NAME. FOR HIS LEVEL IS THAT OF A CHARIOT FOR THE HOLY ONE, BLESSED BE HE, WHILE NOACH, WHO IS THE SECRET OF THE RIGHTEOUS AND IS ALWAYS CONNECTED WITH THE SHECHINAH, HAS THE WORD "THE" PRECEDING HIS NAME.

3. "A good man lends with a good grace"

We are given the opportunity to enhance our connection to the spiritual dimension of Yesod.

18. "These are the generations of Noach." Rabbi Yehuda began his discourse on the verse: "A good man lends with a good grace, he conducts his affairs justly" (Tehilim 112:5). He said that "a good man" refers to the Holy One, blessed be He, who is called 'good'. As it is written: "Hashem is good to all" (Tehilim 145:9). And it is also stated that "Hashem is a man of war" (Shemot 15:3). He is gracious and lends YESOD to "all." BECAUSE Yud Hei Vav Hei, WHO IS ZEIR ANPIN, BESTOWS AND LENDS HIS ABUNDANCE OF MOCHIN UPON YESOD to the place that has nothing of its OWN, WHICH IS FEMALE. That place, THE FEMALE PRINCIPLE, is nourished by it, YESOD. The words, "he conducts his affairs justly" refer to the fact that THE FEMALE PRINCIPLE is nourished only according to His Judgment, WHICH IS THE MOCHIN OF THE LIGHT OF CHOCHMAH. As it is written: "Justice and Judgment are the habitation of your throne" (Tehilim 85:14). SO JUSTICE, WHICH IS THE FEMALE PRINCIPLE, IS NOURISHED BY JUDGMENT. AND THE SECRET OF THE AFOREMENTIONED LOAN IS THAT IT IS THE SUPERNAL MOTHER. THE FEMALE PRINCIPLE HAS NOTHING OF HER OWN WITH WHICH TO RECEIVE THE MOCHIN. SHE HAS ONLY THAT WHICH SHE BORROWS FROM THE SUPERNAL MOTHER AND RECEIVES THROUGH ZEIR ANPIN, AS IS ALREADY KNOWN. SO THE MEANING OF THE VERSE, "A GOOD MAN," WHO IS THE HOLY ONE, BLESSED BE HE, IS THAT HE "LENDS WITH A GOOD GRACE" ABUNDANCE TO YESOD AND THE FEMALE PRINCIPLE. AND IN SO DOING, "HE ORDERS HIS AFFAIRS, WHICH IS THE FEMALE PRINCIPLE, ACCORDING TO HIS JUDGMENT, THE GREAT MOCHIN CALLED JUDGMENT.

19. A different meaning is that "a good man" signifies the righteous. As it is written: "Say to the righteous that it shall be well with him (or: that he is good), for they shall eat the fruit of their doings" (Yeshayah 3:10). SO THE RIGHTEOUS ARE CALLED GOOD. Rabbi Yosi said that "a good man" alludes to Noach, as it is written: "Noach was a righteous man." Rabbi Yitzchak said that "a good man" alludes to the glory of the Shabbat, REFERRING TO THE MOCHIN OF THE DAY OF SHABBAT, because the text begins with the words: "It is a good thing to give thanks to Hashem" (Tehilim 92:2).

20. Rabbi Chiya said: It all amounts to the same thing, and they all said one thing, that THE RIGHTEOUS produces offspring in the world. HE ALSO ASKED: Who are the offspring of the world? AND HE ANSWERED: They are the souls of the righteous, as they are the fruit of the handiwork of the Holy One, blessed be He.

21. Rabbi Shimon said: When the Holy One, blessed be He, puts on His diadems, He crowns himself from above and from below: above, by the region of absolute depth, WHICH IS ABA AND IMA, and below by the souls of the Righteous. The result is that an increment of life from above and below embraces the place of sanctuary on all sides, causing the cistern to become full and the sea to be replenished, thereby providing life to all.

4. "Drink water out of your own cistern"

Our realm of Malchut cannot draw in the Light without first arousing desire, and desire is aroused through the building of one's Vessel. According to the Zohar, righteous souls build Vessels through their positive actions and spiritual deeds. This secret is concealed within the story of Noah. The Ark signifies the realm of Malchut. Noah represents the righteous souls. We learn that after Noah built and entered the Ark he was then able to beget offspring to populate the world. Building and entering the Ark is the mystery concerning the awakening of desire in Malchut, and the offspring of Noah pertain to the Light of the Creator that is revealed in our physical realm. We become righteous souls who awaken the desire of Malchut each time we recognize, admit, and thus uproot our own negative traits, transforming them into positive attributes. From this section we receive the ability to act with righteousness, thus arousing the desires of Malchut.

22. It is written: "Drink water out of your own cistern, and running water out of your own well" (Mishlei 5:15). SO RABBI SHIMON ASKED: Why does it say "your own cistern" first and then "your own well," since a cistern is an empty place without water, while a well is a fountain of running water? THEY ARE COMPLETELY DIFFERENT FROM EACH OTHER. HE ANSWERED: Both are the same, MEANING THAT BOTH REFER TO THE FEMALE PRINCIPLE. But when the poor are attached to that region, MEANING WHEN THE FEMALE PRINCIPLE IS NOT CONNECTED WITH ZEIR ANPIN, WHO IS HER HUSBAND, SHE IS CONSIDERED TO BE POOR AND is called 'a cistern', with nothing of its own except what is put inside it. This region is called Dalet, THE FOURTH LETTER OF THE ALPHABET, OR THE FEMALE PRINCIPLE WHEN SHE IS NOT CONNECTED WITH ZEIR ANPIN.

23. And later, WHEN SHE MATES WITH ZEIR ANPIN, She becomes a well filled from all sides. THIS MEANS THAT SHE IS FILLED FROM THE RIGHT COLUMN OF ZEIR ANPIN AND FROM THE CENTRAL COLUMN OF THE SOULS OF THE RIGHTEOUS. And what do these signify? It is the letter Hei, OR THE FEMALE PRINCIPLE WHEN SHE IS MATING WITH ZEIR ANPIN. SHE IS CALLED HEI, when She is being filled from above FROM ZEIR ANPIN and flowing from below from the souls of the righteous.

24. A different explanation for the verse, "Drink water out of your own cistern," is that it refers to King David, who wrote: "Who shall be the one to give me water to drink of the cistern of Bet lechem" (II Shmuel 23:15). Here, the words, "running waters," refer to Avraham, and "out of the midst" refers to Ya'akov, who is the center. "OUT OF THE MIDDLE" MEANS OUT OF THE CENTER. "Your own well" signifies Yitzchak, who is called "well of living waters." Thus, in this verse, we find a reference to both the Sacred Chariot of the Fathers and of King David.

25. The passion of the female toward the male is only aroused when he puts the spirit into her. And the flow of Mayin Nukvin (Female Waters) ascends to meet the Mayin Duchrin (Male Waters) above. And the congregation of Yisrael, OR MALCHUT, conceives a longing for the Holy One, blessed be He, only when the spirits of the righteous enter her, IN THE SECRET OF THE FEMALE WATERS. And then do waters flow from within her, THAT ILLUMINATE IN HER BY THE POWER OF THE SOULS OF THE RIGHTEOUS, toward the Male Waters, WHICH ARE THE LIGHTS OF THE RIGHT COLUMN. And so, all OF THESE THREE ASPECTS become one passion, one union, and one tie, and this appeases everyone. And it is then that the Holy One, blessed be He, walks among the righteous. SO NOW WE SEE FIVE ASPECTS OF THE MOCHIN: NEFESH, RUACH, NESHAMAH, CHAYAH, AND YECHIDAH.

26. Come and behold: all the offspring-THE SOULS-from Gan Eden, WHICH IS THE FEMALE PRINCIPLE OF ZEIR ANPIN THAT ENCLOSES THE SUPERNAL MOTHER, DO not issue from the Righteous, YESOD OF ZEIR ANPIN, until he enters the ark and becomes one with it. And all THE SOULS THAT IT RECEIVES FROM THE RIGHTEOUS are hidden there FOR A CERTAIN TIME after which they are born and leave it. The same applies here. Noach the righteous man did not beget any offspring to populate the world until he entered the ark and all gathered and were concealed on it WITHIN A CERTAIN PERIOD OF TIME, after which, they were born. They emerged from the ark to multiply in the world and to survive on earth. Had they not come through the ark, they would not have endured in the world.

27. All this was DONE according to the divine pattern. For, just as they left the ark, OR THE FEMALE PRINCIPLE above, so they left the ark OF NOACH below. Only now was the world able to exist permanently. That is why the words, "And running waters out of the midst of your well" are related to, "And Noach begot three sons."

5. "And the earth was corrupted"

The spiritual lesson revealed through these verses concerns the residue of negativity created by our immoral actions. The forces of negativity, aroused when we sin, remain with us and within the world indefinitely until true repentance is achieved by the wrong doer. This lingering negativity that hovers in our spiritual atmosphere can also influence others if their spiritual intentions are balanced on the narrow edge between good and evil. Should the remnants of a person's negative actions tip another person to the evil side, the original wrong doer must assume a measure of responsibility for the second sinner's actions.

28. "And the earth was corrupted before Elohim" (Beresheet 6:11). Rabbi Yehuda asked: If it says "And the earth was corrupted," why "before Elohim"? IS IT NOT OBVIOUS? AND HE REPLIED: It is because they performed their sins openly, in front of everyone's eyes. And that is why the verse states, "before Elohim."

28. וַתִּשְׁחַת הָאָרֶץ לִפְנֵי הָאֱלֹקִים, אָמַר רַבִּי יְהוּדָה, בֵּינָן דְּכָתִיב וַתִּשְׁחַת הָאָרֶץ, אִמְּאֵי לִפְנֵי הָאֱלֹקִים, אֲלָא בֵּינָן דְּעֵבְדוּ חוֹבִיּהוֹן בְּאַתְגְּלוּיָא, לְעֵינֵיהוֹן דְּכֻלָּא, בְּדִין לִפְנֵי הָאֱלֹקִים כְּתִיב.

29. Rabbi Yosi said: I believe the opposite. "And the earth was corrupted before Elohim" means that they did not sin openly. They sinned only before Elohim and not before Man. But eventually, they also sinned openly. As it is written: "And the earth was filled with violence" (Beresheet 6:11), which indicates that there was not a place on earth that did not witness their sins. Therefore, the verse declares that they sinned in two ways, THAT IS, IN HIDING AND IN THE OPEN.

29. רַבִּי יוֹסִי אָמַר, אֲנָא אִפְכָּא אִמְרִית, וַתִּשְׁחַת הָאָרֶץ לִפְנֵי הָאֱלֹקִים, בְּקַדְמֵיתָא לִפְנֵי הָאֱלֹקִים, דְּלֹא הוּוּ עֵבְדֵי בְּאַתְגְּלוּיָא, לִפְנֵי הָאֱלֹקִים עֵבְדוּ, וְלֹא לִפְנֵי בְּנֵי נָשָׂא, וְלִבְסוּף עֵבְדוּ בְּאַתְגְּלוּיָא, הַהִ"ד וַתִּמְלֵא הָאָרֶץ חֲמָס, דְּלֹא הוּוּ אֲתֵר בְּכָל אַרְעָא, דְּלֹא הוּוּ בְּאַתְגְּלוּיָא, וּבְגִין כֵּךְ, בְּתֵרֵי גוּוּנֵי אָמַר קִרָּא.

30. "These are the generations of Noach." Rabbi Aba said, From the day that Adam transgressed his Master's command, all succeeding generations were called "sons of Adam." But it was not said to praise him, as much as to say, 'These are the sons of the man who transgressed his Master's command.'

30. אֵלֶּה תּוֹלְדוֹת נֹחַ, רַבִּי אַבָּא אָמַר, מִיּוֹמָא דְּעֵבַר אָדָם עַל פְּקוּדָא דְּמַרְיָה, כָּל בְּנֵי עֵלְמָא דְּאַתְוִלִּידוּ לְבֵתֵר, אֲקִרוּן בְּנֵי הָאָדָם, וְלֹא לְשִׁבְחָא אֲקִרוּן הֵכִי, אֲלָא כְּמָאן דְּאָמַר, בְּנוֹי דְּהֵהוּא דְּעֵבַר עַל פְּקוּדָא דְּמַרְיָה.

31. But after Noach had appeared, all the descendants of Mankind are called after his name, "the generations of Noach." And this describes Noach's descendants in an honorable sense, because he secured for us permanent existence in the world, in contrast with "the generations of Adam," which describes us in a dishonorable sense, as he caused us to be driven out of this world by bringing death to all.

31. בֵּינָן דְּאַתָּא נֹחַ, אֲקִרוּן בְּנֵי עֵלְמָא עַל שְׁמֵיהּ דְּנֹחַ, תּוֹלְדוֹת נֹחַ, לְשִׁבְחָא. דְּקָאִים לוֹן בְּעֵלְמָא, וְלֹא תּוֹלְדוֹת דְּאָדָם, דְּאֵעֵבַר לוֹן מֵעֵלְמָא, וְגַרִּים מוֹתָא לְכֻלְהוּ.

32. Rabbi Yosi said to him: If it is really so, we nevertheless see that in a later passage it is written: "Hashem came down to see the city and the tower that the children of Adam had built" (Beresheet 11:5). The verse clearly states "the children of Adam" and not "the children of Noach," EVEN THOUGH THEY WERE DESCENDED FROM NOACH. Rabbi Aba replied that because Adam sinned before his Master, THE VERSE INVOKES HIS NAME. And it would have been better for him not to have been created than to be mentioned in the Torah in such a manner.

32. אָמַר לִיָּה רַבִּי יוֹסִי, אִי הֵכִי, הָא כְּתִיב לְבֵתֵר וַיֵּרַד ה' לִרְאוֹת אֶת הָעִיר וְאֶת הַמִּגְדָּל אֲשֶׁר בָּנוּ בְּנֵי הָאָדָם, בְּנֵי הָאָדָם כְּתִיב, וְלֹא כְּתִיב בְּנֵי נֹחַ, אָמַר לִיָּה, בְּגִין דְּאָדָם חָטָא קַמֵּי מַרְיָה, טַב לִיָּה דְּלֹא אֲבֵרֵי, וְלֹא יִכְתּוּב עֲלֵיהּ הָאִי קִרָּא.

33. Come and behold: it is written: "A wise son makes a glad father" (Mishlei 10:1). When a son is good, then all the people will mention his father's name with praise. But if a son is bad, they will mention his father with reproach. Now because Adam sinned and transgressed his Master's command, when THE TOWER BUILDERS came and rebelled against their Master, what was written about them? "That the children of Adam had built"! These are the children of Adam, the first man who had rebelled against his Master and transgressed His command.

33. אֲלָא תָא חֲזִי, כְּתִיב בֶּן חָכֵם יִשְׂמַח אָבִי, כִּד בְּרָא טַב, כָּל בְּנֵי עֵלְמָא דְּכָרִין לִיָּה לְאַבּוּי לְטַב, וְכִד אִיְהוּ בִּישׁ, כָּלֹא דְכָרִין לִיָּה לְאַבּוּי לְבִישׁ. אָדָם בְּגִין דְּחָטָא וְעֵבַר עַל פְּקוּדָא דְּמַרְיָה, כִּד אֲתוּ אִינוּן דְּמַרְדּוּ בְּמַרְיָהוֹן, מַה כְּתִיב, אֲשֶׁר בָּנוּ בְּנֵי הָאָדָם, בְּנוֹי דְּאָדָם קַדְמָאָה, דְּמַרְדּוּ בְּמַרְיָה, וְעֵבַר עַל פְּקוּדֵיהּ.

34. That is why the verse states that "These are the generations of Noach." These GENERATIONS ARE CONSIDERED TO BE THE DESCENDANTS and not the former ones. Those who came out of the ark and emerged from it ARE THE GENERATIONS. The generations of Adam which did not come out of Gan Eden WERE NOT DESTINED TO EXIST.

34. ובגינו כן, אלה תולדות נח, אלה ולא קדמאי, אלה הנפקו ועאלו גו תיבה ואפיקו תולדין לעלמין, ולא תולדות אדם הנפק מגנתא דערן, ולא אפיק לון מתמן.

6. If Adam had not sinned, he would not have begot any offspring

From the time of Adam's sin, the children born into our world retain an aspect of the evil inclination within their essence. This section helps prevent this evil presence from occurring in new children. Moreover, these words weaken and remove this negative influence from our children as we meditate upon the pages.

35. Come and behold: if Adam had brought generations with him from Gan Eden, they would have lived for generations. And the light of the moon, WHICH REFERS TO THE LIGHT OF MALCHUT, would have never been darkened. And all would have lived forever; and not even the angels above could have stood before them and borne their light brilliance and wisdom. As it is written: "In the image of Elohim did He create him" (Beresheet 1:27). But because he was the cause of the sin, he had to leave Gan Eden and bear children outside. So his generations did not last because they were not fit.

35. תא חזי, אלו אפיק אדם תולדות, מגנתא דערן, לא ישתצון לדרי דרין, ולא אתחשך נהורא דסיהרא לעלמין, וכלהו הו קיימין לעלמין, ואפילו מלאכי עלאי, לא קיימי קמיהו, בנהורא חיוא וחכמתא, כמא דאת אמר בצלם אלקים ברא אותו, אבל ביון דגרים חטאה, ונפק איהו מגנתא דערן, ועבד תולדות לבר, לא אתקיימו.

36. Rabbi Chizkiyah then asked: How could they have begotten offspring there-IN GAN EDEN? Had the evil inclination not been drawn down on him and enticed him to sin, he would have dwelled alone in the world and would have not begotten any offspring! The same applies to the nation of Yisrael; had they not sinned by the golden calf and drawn upon themselves the evil inclination AFTER ACCEPTING THE TORAH, they also would have never borne any offspring, and no new generations would have come into the world. THE MAIN POINT IS THAT THE POWER OF MATING DERIVES MAINLY FROM THE EVIL INCLINATION. SO WITHOUT THE EVIL INCLINATION THERE CAN BE NO OFFSPRING.

36. אמר רבי חזקיה, וכי היך יכלין למעבד תולדות תמן, דהא אלמלא לא אתמשיך עליה יצר הרע וחטא, אתקיים איהו בעלמא בלחודו, ולא יעביר תולדות. כגוונא דא, אלמלא דחבו ישראל בעגלא, ואמשיכו עליהו יצר הרע, לא עבדו תולדות לעלמין, ולא ייתון דרין אחרנין לעלמא.

37. HE ANSWERED: Had Adam not sinned, he would not have borne offspring from the side of the evil inclination, but he would have borne them from the side of the Holy Spirit. But because he produced offspring only from the side of the evil inclination, all the offspring of mankind who are the 'sons of Adam' are born from the side of the evil inclination. They have no existence and no permanence, because the Other Side has been mixed with them.

37. אמר ליה אלמלא לא חטא אדם, לא עביר תולדות כגוונא דא מסטרא דיצר הרע, אבל עביר תולדות מסטרא דרוחא קדישא, דהשתא לא עביר תולדות אלא מסטרא דיצר הרע, ובגין דכל תולדות הבני נשא, כלהו מסטרא דיצר הרע, בגין כך לית לון קיום, ואי אפשר לון לאתקיימא, דסטרא אחרא אתערב בהו.

38. But if Adam had not sinned and had not been driven out of Gan Eden, he would have begot offspring from the side of the Holy Spirit. And they would have been as holy as the supreme angels, and lived generations upon generations as angels do above. THIS MEANS THAT THERE ARE TWO KINDS OF MATING: ONE IS THE SPIRITUAL MATING OF THE ANGELS; THE SECOND IS THE MATING OF YESOD FOR THE SOULS. THAT NEED FOR THE EVIL INCLINATION RELATES ONLY TO THE MATING OF YESOD AND NOT TO THE SPIRITUAL MATING THAT COMES FROM THE SIDE OF THE HOLY SPIRIT. But because he sinned and begot children outside Gan Eden and he did not merit to begot them in Gan Eden, therefore they did not survive even only to take root in this world until Noach came and went into the ark. And from the ark all descending generations of mankind emerged and spread to all four corners of the earth.

38. אבל אלמלא לא חטא אדם, ולא אתתרך מגנתא דערן, הוה עביר תולדות מסטרא דרוח קודשא דקדישין, כמלאכי עלאין קיימין לדרי דרין כגוונא דלעילא, ביון דחטא ואוליד בנין לבר מגנתא דערן, ולא זכה לאפקא לון מגנתא, לא אתקיימו, אפילו לאשתרשא בעלמא דא, עד דאתא נח דאיהו צדיק, ועאל בתיבה, ומן תיבה נפקו כל דרין דעלמא, ומתמן אתבדרו לכל ארבע רוחי עלמא.

7. "And Elohim saw the earth"

Reading these paragraphs helps purify the earth, which is constantly being corrupted and defiled through both small and large actions of negativity.

39. "And Elohim saw the earth and behold, it was corrupt" (Bereshheet 6:12). Why was the earth corrupt? CAN IT BE THAT IT DESERVED TO BE PUNISHED? AND HE ANSWERS: YES, because all flesh had corrupted its ways, as has already been explained. Rabbi Chiya opened the discussion, saying, "And Elohim saw from their deeds that they had repented from their evil way" (Yonah 3:10). Come and behold: when the people are righteous and observe the commandments of the Torah, the earth is invigorated and full of joy. And why is that? Because the Shechinah dwells upon the earth and everyone-both above and below-is joyous.

40. But when Mankind corrupts its ways, does not observe the commandments of the Torah, and sins before its Master, then it is as if Mankind drives the Shechinah out of the world. Then the earth is left corrupt, for the Shechinah is repelled by it and does not dwell on it. Then, the earth is corrupt. And why should the earth be corrupt? Because a different spirit rests upon it, causing the corruption.

41. Can the same be applied to the land of Yisrael as well, THAT IS ANOTHER SPIRIT COULD BE DWELLING THERE. But we have learned that no other spirit rests upon the Land of Yisrael, and there is no other appointed angel beside the Holy One, blessed be He himself. IF SO, THEN WHY WAS THE LAND OF YISRAEL CORRUPTED? AND HE REPLIED: Come and behold: it is true that no other appointee or messenger dwells in the land of Yisrael, beside the Holy One, blessed be He, Himself, but there is one time that the evil spirit may govern the land in order to destroy people. How do we know about that? From King David, as it is written: "And he saw the angel of Hashem standing between the earth and the heavens, with a drawn sword in his hand stretched out over Jerusalem" (I Divrei Hayamim 21:16) and then the land was destroyed.

42. Rabbi Elazar said: Even in that time, WHEN HE SAW THE ANGEL OF HASHEM STANDING, it was the Holy One, blessed be He. Because what is written here, "the angel of Hashem," is analogous to "The angel who redeemed me" (Bereshheet 45:16) and also to "the angel of the Elohim" (Shemot 15:19). AND AS THESE VERSES REFER TO THE HOLY ONE, BLESSED BE HE, SO DOES THIS ONE. Be it for the best or the worst, the Holy One, blessed be He, shall always govern this land. For the best-because the land of Yisrael was never passed on to any other supernal governor, and THE HOLY ONE, BLESSED BE HE, ALONE CAN DO IT GOOD. And all the other inhabitants of the world should be ashamed of their deeds, BECAUSE THEY ARE UNDER MINISTERS. For the worst MEANS THAT ONLY THE HOLY ONE, BLESSED BE HE, RULES OVER THIS LAND to prevent the other ministers from delighting in ruling over it.

39. וַיִּרְא אֱלֹהִים אֶת הָאָרֶץ וְהִנֵּה נִשְׁחָתָה. אָמַי נִשְׁחָתָה, בְּגִין כִּי הִשְׁחִית כָּל בָּשָׂר אֶת דְּרָכּוֹ, כַּמָּה דִּאֲתָמַר. רַבִּי חִיָּיא פִּתַּח קָרָא וְאָמַר, וַיִּרְא אֱלֹהִים אֶת מַעֲשֵׂיהֶם כִּי שָׁבוּ מִדְּרָכֵם הִרְעָה, תָּא חֲזִי, בְּשַׁעְתָּא דְּבִנֵי נֶשָׂא זָכָאן, וְנִטְרֵי פְקוּדֵי דְאֹרִייתָא, כַּדִּין אַרְעָא אֲתַתְּקַפַּת, וְכָל חִידּוֹ אֲשַׁתְּבַּחַת בֵּהּ, מֵאֵי טַעְמָא בְּגִין דְּשְׂכִינְתָא שְׂרִיא עַל אַרְעָא, וְכַדִּין כְּלָא עֲלָא וְתַתָּאֵי בַחְדוּהּ.

43. And if you will ask is it not written: "For she has seen that the heathens entered into her sanctuary" (Eichah 1:10) and have destroyed the Temple, WHICH IMPLIES THAT if really no other ministers ruled, then the Temple would not have been destroyed! Come and behold: it is stated, "For you have done" (Ibid. 21) and "Hashem has done what he has devised" (Eichah 2:17). SO YOU CAN SEE THAT IT WAS DONE BY THE HOLY ONE, HIMSELF, BLESSED BE HE, AND NOT BY MINISTERS.

44. Come and behold: it is written: "And Elohim saw the earth and behold, it was corrupt" (Beresheet 1:12). It was surely corrupt. And furthermore, it is also stated: "And Elohim saw from their deeds that they had repented from their evil ways" (Yonah 3:10). Because then the earth calls out to the heavens above, TO ZEIR ANPIN, and is raised to the upper grade; it beautified its face, as though it were a female beautifying herself for the male. In the same manner, the earth tried to please the "King," WHO IS ZEIR ANPIN, for she raised righteous children for Him.

45. While here, what is written about the generation of the Flood that did not repent? "And Elohim saw the earth, and behold it was corrupt," like a wife who committed adultery and hides her face from her husband. When the sins of Mankind multiply and become overwhelming, the earth sins openly and becomes brazen like a woman who has no shame. As it is written: "And the earth was defiled under its inhabitants" (Yeshayah 24:5). And so it is said, "And He saw that the earth was assuredly corrupt." You may ask, why? Because "all flesh had corrupted their ways upon the earth."

8. "Hashem has done that which he devised"

As a parent feels the pain of a child whose iniquities have caused the child great suffering, the Creator feels the pain of all the souls who walk this earth. We should attempt to understand the Creator's love for us, and become inspired to relieve His pain by transforming ourselves. And in the process of doing so, we will relieve our own pain as well.

46. Rabbi Elazar went over to Rabbi Yosi, the son of Rabbi Shimon, son of Lakunya, his father-in-law. As soon as he saw him, he spread carpets over planks of wood and prepared a canopy under which they both sat. His father-in-law asked him if, by any chance, he had learned from his father the meaning of the verse: "Hashem has done that which He devised, He has performed his word that He commanded in the days of old" (Eichah 2:17).

47. He answered: Our friends have already explained it. "He has performed His word" means that He ripped His precious cloak; "that He commanded in the days of old" means that this cloak He commanded from the supernal days of old-MEANING FROM THE SFIROT OF THE PARTZUF OF ATIK, CALLED "DAYS OF OLD." On the day the Temple was destroyed, He ripped His cloak, for it is His Honor and perfection, NAMELY MALCHUT, WHICH IS CALLED THE HONOR OF HASHEM, AND IT IS HIS PERFECTION BECAUSE THROUGH IT, HE PERFECTS HIMSELF WITH THE MOCHIN OF THE LIGHT OF CHOCHMAH. "And He ripped it" MEANS THAT THE FIRST NINE SFIROT LEFT IT AND ONLY THE TENTH REMAINED.

43. וְאִי תִימָא וְהָא כְּתִיב כִּי רָאָתָה גּוֹיִם בְּאוּ מִקְדָּשָׁה, וְחָרִיבוּ בֵּיתָא, וְאִי לֹא שְׁלֵטִין אֵינוֹן מִמֶּנּוּ, לֹא אֶתְחַרֵּב מִקְדָּשָׁא, תָּא חֲזִי כְּתִיב כִּי אֲתָה עֲשִׂית, וְכְתִיב עֲשָׂה ה' אֵת אֲשֶׁר זָמַם.

48. He asked, "Hashem has done that which He devised:" Is this the way of a king to devise evil against his sons even before they have sinned? And he answered: It is like a king who had a precious vessel and was constantly afraid that it might one day break. So he used to watch it by keeping it under his eye. One day his son came along and made the king angry. So the king took his precious vessel and smashed it. That is why it says "that which He has devised."

49. Come and behold: from the day the Temple was built, the Holy One, blessed be He, used to watch it, because it was very precious to Him. And He used to worry that Yisrael might sin and cause the Temple to be destroyed. So every time He came to the Temple, He wore a precious mantle, MEANING THAT HE MATED WITH MALCHUT. But when Yisrael sinned and made the King furious, the Temple was destroyed and He tore His cloak apart. That is the meaning of "Hashem has done that which He has devised..."--HE HAS PERFORMED.

50. "His word (Heb. imratto)" as mentioned here, REFERS TO MALCHUT, which was sitting in the beginning on the top of the tree (Heb. amir). And the King crowned Himself with it and he had before him a "beautiful tree;" THE TREE OF THE SOULS BEFORE THEY COME INTO THIS WORLD in front of His eyes. BUT NOW, AFTER THE DESTRUCTION OF THE TEMPLE, HE RIPPED HIS CLOAK, MEANING THAT THE UPPER NINE SFIROT LEFT MALCHUT AND ONLY THE LIGHT OF NEFESH REMAINED THERE. So now, AFTER THE DESTRUCTION, there is sadness before Him all over in the external houses, BUT NOT IN THE INTERNAL ONES. As the verse reads: "Behold, the valiant ones shall cry without" (Yeshayah 33:7), THAT IS, ONLY EXTERNAL ONES.

51. "And on that day Hashem Tzeva'ot called to weeping, to mourning, to baldness, and to girding with sackcloth" (Yeshayah 22:12). This means that only on that day, when the Temple was destroyed, DID HE CALL FOR WEeping AND MOURNING. But aside from that day, there is no greater joy for the Holy One blessed be He, than when the wicked of the world, who provoke Him, are removed from this world. As it is written: "And when the wicked perish there is joy" (Mishlei 11:10). So in each generation, when Judgment is executed on the wicked of the world, there is joy and songs before the Holy one, blessed be He.

52. And if you claim that we learned that there is no joy before the Holy One, blessed be He, when He passes His Judgment on the sinners, come and behold: when Judgment is delivered on the wicked, there is joy and exultation before Him, because they are removed from this world. But, when is there joy? When the time that He has waited for them TO REPENT is over, and they have not returned to Him from sinning. But if Judgment is delivered on them before their time has come, and the measure of their sins has not yet been completed, it is, as it is written: "the iniquity of the Emori is not yet full" (Bereshheet 15:16). THIS MEANS THAT THERE STILL IS A CHANCE THAT THEY MAY REPENT; thus, there is no joy. And there is grief before Him because of their destruction.

48. אָמַר לִיה עֲשֵׂה ה' אֲשֶׁר זָמַם, וְכִי מַלְכָּא חָשִׁיב לְאַבְאָשָׁא לְבָנוּי, עַד לֹא יִיתָן לְמַחְטִי. אָמַר לִיה, לְמַלְכָּא דְהוּה לִיה, מֵאן יִקְר, וּבְכָל יוֹמָא הוּה דְחִיל עֲלֵיה, דְלֹא יִתְבַר, וְהוּה מְסַתְבֵּל בֵּיה, וְתִקִּין בְּעֵינָיו, לְיוֹמִין אֲתָא בְרִיה, וְאַרְגִּיז לִיה לְמַלְכָּא, נָטַל מַלְכָּא הֵוּא מֵאן יִקְר, וְתִבַר לִיה, הֲדָא הוּא דְכְתִיב עֲשֵׂה ה' אֲשֶׁר זָמַם.

52. וְאִי תִימָא, הָא תְנִינָן, דְלִית חֲדוּה קַמֵּי קְדָשָׁא בְרִיךְ הוּא, כִּד אִיהוּ עֵבִיד דִּינָא בְּחִיבֵינָא. אֶלָּא תָּא חֲזִי, בְּשַׁעֲתָא דְאַתְעִבִיד דִּינָא בְּחִיבֵינָא, חֲדוּן וְתוֹשְׁבַחָן קַמֵּיה, עַל דְאַתְאָבִידוּ מְעֵלְמָא, וְהֵי מִיּוֹלֵי כִּד מְטָא הֵוּא זְמַנָּא, דְאִוְרִיךְ לוֹן, וְלֹא תֵאבֹן לְגַבֵּיה מְחוּבֵייהוּ, אֲבָל אִי אֲתַעֲבִיד בְּהוּ דִינָא, עַד לֹא מְטָא זְמַנֵּיהוּ, דְלֹא אֲשַׁתְּלִים חוּבֵייהוּ, כִּד"א כִּי לֹא שְׁלָם עוֹן הָאִמּוּרֵי עַד הֵנָּה, כַּדִּין לִית חֲדוּה קַמֵּיה, וּבְאִישׁ קַמֵּיה עַל דְאַתְאָבִידוּ.

53. But, you might ask: If their time has not come yet, then why should Judgment be delivered on them? Because it is they who inflict the punishment on themselves, as the Holy One, blessed be He, would never punish them before their time has come. Because they associate with Yisrael in an effort to harm them, He passes His Judgment on them and entirely removes them from the world before their time is up. And now there is grief before Him, FOR HE DESTROYED THEM BEFORE THEIR TIME. This is also the reason why He drowned the Egyptians in the sea and destroyed the enemies of Yisrael in the days of Yehoshafat. They were all destroyed before their time because they wanted to harm the nation of Yisrael.

54. So only when the time that He waits for them is completed, and they do not mend their ways, is their destruction a cause for joy and exaltation before Him. The only exception was the time when the Temple was destroyed, because even though their time for angering Him had expired, there was no joy before Him. From that time onward, there has been happiness neither above nor below.

9. "For yet seven days"

Learning the words that compose these powerful verses help us understand the spiritual dangers associated with the wasting of one's sperm. The negative forces in our midst automatically attach themselves to any gateway where the greatest Light can shine. This is Yesod in the Upper World, and the sexual organ in the physical world.

The Kabbalist, however, does not consider the vague concepts of morality and codes of right and wrong as motivation for maintaining sexual relations within the spiritual confines of marriage. Rather, it is our own spiritual understanding of the metaphysical forces at work, including the laws of cause and effect, that will provide the impetus. Historically, religious and moral authorities, according to the Kabbalist, have not been granted great influence in regulating sexual relations. Instead, individual people must be empowered with knowledge that can assist them in understanding the consequences of their actions. If they are to be truly motivated, people must recognize the benefits to themselves derived from any particular spiritual action

55. "For yet seven days, and I will cause it to rain upon the earth forty days and forty nights" (Bereshheet 7:4). Rabbi Yehuda said: What is the meaning of these forty days and forty nights? These forty days are to strike the wicked of the world, as is written: "forty strikes he may hit him and not exceed" (Devarim 25:3), corresponding to the "four winds of the world," WHICH ARE THE SECRET OF CHOCHMAH, BINAH, TIFERET, AND MALCHUT. As each one has ten, THERE ARE ALTOGETHER FORTY. For Man was created from the four winds of the world. So, the verse continues: "And every living substance that I have made will I destroy from the face of the earth." Forty strikes are needed to destroy the world.

56. Rabbi Yitzchak was visiting Rabbi Shimon, and he asked him about the verse that states: "And the earth was corrupt before the Elohim." Now, if it was man who sinned and was corrupt, what was the earth's sin? Rabbi Shimon answered, as it is written: "for all flesh had corrupted his way upon earth" and, also, "And the land was defiled, therefore I did visit the iniquity thereof upon it" (Vayikra 8:25). So it is mankind that sins. But if you ask what is the sin of the earth, you should know that mankind constitutes the essence of the earth. If mankind corrupts it, it has become corrupted. This is proven by the verse: "And Elohim saw the earth and beheld it was corrupt, for all flesh had corrupted their way upon the earth."

57. Come and behold: all of Man's sins and corruption can be atoned for by repentance. But by the sin of spilling his seed on the earth, Man corrupts himself and the earth as well. And of such a person, it is written: "The stain of your iniquity remains before me," (Yirmeyah 2:22) and "For you are not an El that has pleasure in wickedness, evil shall not sojourn with you" (Tehilim 5:5). THIS MEANS THAT A PERSON WHO WASTES HIS SEMEN ON THE EARTH IS CALLED EVIL (BAD), AND HE SHALL NOT SOJOURN ANYMORE WITH THE HOLY ONE, BLESSED BE HE. IN OTHER WORDS, HE SHALL NOT ACCEPT HIS REPENTANCE, except after great penitence. It is also written that "Er, Yehuda's firstborn, was wicked in the eyes of Hashem; and Hashem slew him" (Beresheet 38:7), as already explained elsewhere.

58. Rabbi Yehuda asked: Why did the Holy One, blessed be He, bring his Judgment on the world--NAMELY, THE GENERATION OF THE FLOOD--punishing them with water and not with fire or something else? Rabbi Shimon replied that there is a secret behind this. As they corrupted their ways, the upper waters and the lower waters were unable to join as the male and the female ought. Anyone who corrupts his ways also corrupts the male and female waters. THIS MEANS THAT HE CAUSES A DEFECT IN THE MALE AND FEMALE WATERS, PREVENTING THEM FROM BEING CONNECTED WITH EACH OTHER. So, they were punished by water, just as they had sinned.

59. These waters were boiling and they skinned them alive, just like they corrupted their ways in boiling water. "One Judgment against another" MEANS THAT HE PUNISHED THEM MEASURE FOR MEASURE. "All the fountains of the great deep broke open," (Beresheet 7:11) refers to the lower waters, while "and the windows of heaven were opened" refers to the upper waters. THUS THEY WERE PUNISHED BY both-upper and lower waters.

60. Rabbi Chiya and Rabbi Yosi were walking on their way. Reaching some great mountains, they found human bones that belonged to the generation of the Flood. They walked alongside one of these bones, which measured three hundred steps. Astonished, they said to each other: This clarifies what our friends have said, that they did not fear the Judgment of the Holy One, blessed be He, as is written: "They said to El, depart from us, for we do not desire the knowledge of your ways" (Iyov 21:14). So what did they do? They clogged the fountains of the deep with their feet. But the waters were too hot, and when they could no longer bear it, they slipped, fell on the ground, and eventually died.

10. "And Noach begot three sons"

We receive assistance in purifying our souls from the Hand of the Creator Himself, who literally removes the soul, cleanses it, renews it from one of the Three Upper Worlds discussed here, and then gently returns it to our being. This process, which occurs as we meditate upon the Zohar, is subtle and unobserved by the human senses.

61. "And Noach begot three sons" (Beresheet 5:32): Rabbi Chiya said to Rabbi Yosi: Come and let me tell you what I have heard about this. It resembles a situation in which a man mates with his wife once, and then two or three children are born. Each one is different from the other in his ways and character: one is virtuous, one is wicked, and one is average. So there are three strands of the spirit that stretch out, fly, and are included within three worlds: BRIYAH, YETZIRAH, AND ASIYAH.

57. תָּא חֲזִי, כָּל חַטָּאוֹי דְּבַר נֶשׁ, כְּלֵהוּ חַבְלוֹתָא דִּילֵיהּ, תְּלִינן בְּתַשׁוּבָה, וְחַטָּאָה דְּאוֹשִׁיד זְרַעָא עַל אַרְעָא, וּמְחַבְלָא אַרְחִיָּה, וְאַפִּיק זְרַעָא עַל אַרְעָא, מְחַבֵּיל לֵיהּ, וּמְחַבֵּיל אַרְעָא. וְעֵלִיָּה כְּתִיב נִכְתָּם עֲוֹנָךְ לִפְנֵי, וְכְתִיב בֵּיהּ כִּי לֹא אֵל חִפֵּץ רָשַׁע אֶתָּה לֹא יִגְוֹרֵךְ רַע, בַּר בְּתַשׁוּבָה סָגִי. וְכְתִיב וַיְהִי עַר בְּכוֹר יְהוּדָה רַע בְּעֵינֵי ה' וַיִּמִּיתֵהוּ ה', וְהָא אֶתְמַר.

62. Come and behold: the Neshamah emerges FROM MALE AND FEMALE OF ATZILUT, and it passes through mountains of separation INTO THE WORLDS OF BRIYAH, YETZIRAH, AND ASIYAH. There, the Ruach connects to the Neshamah. The Neshamah descends down toward the Nefesh, joins the Ruach, and they all connect with each other. Rabbi Yehuda said: The Nefesh and the Ruach are included one with the other WHEN A PERSON IS BORN IN THE WORLD. AND THERE CAN NEVER BE A NEFESH WITHOUT A RUACH. The Neshamah resides in a man's character and ways, WHICH MEANS THAT THE NESHAMAH IS NOT BORN WITH THE NEFESH AND RUACH. THEREFORE, HE SHOULD DRAW HIS NESHAMAH DOWN TO HIM BY WALKING A STRAIGHT AND GOOD PATH. The Neshamah resides in a secret compartment, whose location is unknown. IT IS BORN WITH THE SIX ENDS, WHICH ARE NEFESH, RUACH, AND THE UPPER THREE SFIROT. THESE REMAIN IN THE FEMALE PRINCIPLE OF ATZILUT, HIDDEN FROM THE RESIDENTS OF BRIYAH, YETZIRAH, AND ASIYAH.

63. A person who comes to purify himself is aided with a holy Neshamah. He is then purified, sanctified, and called holy. But if he does not merit and does not come to purify himself, then only two grades-Nefesh and Ruach-are open to him; for him, there is no holy Neshamah. Not only that, but if a person comes to defile himself, then he is defiled and loses heavenly support. Therefore, each person is judged according to his ways. THAT IS WHY IF A PERSON REPENTS AND COMES TO PURIFY HIMSELF, HE WILL GET THE SUPPORT AGAIN. BUT, YOU MAY POINT OUT, WHEN A PERSON IS BORN HE RECEIVES ONLY THE NEFESH OF THE "CLEAN CATTLE." STILL, THE RUACH IS ALWAYS INCLUDED WITH THE NEFESH, AS ALREADY EXPLAINED. THUS, HE HAS THE NEFESH AND THE RUACH AS SOON AS HE IS BORN, BUT THE NESHAMAH FROM THE SIDE OF THE "PURE CATTLE" IS RECEIVED ACCORDING TO HIS DEEDS. AND THIS APPLIES TO EVERY GRADE OR LEVEL.
Tosefta (addendum)

64. We are the high ties of the greatest of fortresses. THE TERM 'TIES' REFERS TO THE NEFESH, RUACH, AND NESHAMAH, WHICH ARE CALLED 'THREE TIES.' IN OTHER WORDS, OUR NEFESH, RUACH, AND NESHAMAH ARE TIED TOGETHER IN THE CENTRAL COLUMN, WHICH IS THE STRONGEST OF ALL THE FORTRESSES. IT IS CAPABLE OF STANDING UP TO THE 'OTHER SIDE.' Therefore, the eyes and the ears are open, MEANING CHOCHMAH AND BINAH, WHO ARE CALLED 'EYES AND EARS.' A voice from the voices descends from above and smashes mountains and rocks, MEANING THAT THE CENTRAL COLUMN, WHICH IS CALLED THE 'VOICE' AND IS DA'AT, INCLUDES THE THREE VOICES OF CHOCHMAH, BINAH, AND DA'AT OF DA'AT. BUT ONLY ONE VOICE DESCENDS AND ILLUMINATES FROM ABOVE DOWNWARD AND SMASHES ALL THE STRONG KLIPOT THAT ARE CALLED 'MOUNTAINS AND ROCKS'. BUT THE TWO UPPER VOICES, WHICH ARE CHOCHMAH AND BINAH OF DA'AT, ARE NOT DRAWN DOWN. Those who see, but do not see, and who have become hard of hearing and have difficulty seeing; who do not see, do not hear, and do not know how to understand between the one located and included between the two--they are pushed out.

65. They cling to these two-MEANING TO THE TWO COLUMNS OF RIGHT AND LEFT WHICH ARE CHOCHMAH AND BINAH. While the one-the best of craftsmen, WHICH IS THE CENTRAL COLUMN AND THE MASTER CRAFTSMAN, ON WHOM ALL THE MOCHIN DEPENDS does not reside among them. THEREFORE they do not enter among the holy books. Because all those who do not have the craftsman, OR THE CENTRAL COLUMN residing among them are not written in the 'Book of Memories.' THIS MEANS THAT THEY RECEIVE NEITHER THE GREAT MOCHIN OF BINAH, WHICH IS CALLED THE 'BOOK OF MEMORIES', NOR THE 'BOOK OF LIFE.' Therefore, they are erased from the 'Book of Life' and have no share in it. As it is written: "Let them be blotted out of the book of the living, and not be written with the righteous" (Tehilim 69:28).

66. Woe to those who leave this world ERASED FROM THE 'BOOK OF LIFE.' Who shall ask about them and plead for them when they are turned over to hands of THE ANGEL Dumah, and are in the burning fire, which they can leave only on the first day of the month and on the days of Shabbat? As it is written: "And it shall come to pass, that from one new moon to another and from one Shabbat to another, shall all flesh come to worship before Me, says Hashem" (Yeshayah 66:23). When THE SHABBAT AND THE BEGINNING OF THE MONTH are over, an announcer from the north says, "The wicked shall be turned back to Sh'ol" (Tehilim 9:18). Angels of destruction then gather and attack them with four burning winds of fire in the valley of Ben Hinnom. THEY DO SO TO PUNISH THE WICKED WHO SPOILED THE FOUR ASPECTS OF CHOCHMAH, BINAH, TIFERET, AND MALCHUT.

67. They are visited three times a day DURING THE THREE PERIODS OF MATING BETWEEN ZEIR ANPIN AND THE FEMALE PRINCIPLE. THESE VISITS OCCUR DURING THE THREE PRAYERS OF EACH DAY TO EASE THEIR PUNISHMENT. Not only that, but when Yisrael says aloud, 'Amen, may the great name of Hashem be praised,' during the Kadish, THEN THERE IS MATING IN THE UPPER WORLDS, and the Holy One, blessed be He, is filled with compassion and mercy and forgives all. Then He signals to the angel appointed over the gates of Gehenom, whose name is Samariel and who has three keys with which he opens the three gates to the side of the desert. And then they see the light of this world, AND IMMEDIATELY as a fiery smoke comes and conceals the ways OF LIGHT AND IT BECOMES DARK.

68. Then the three in charge, who have trowels in their hands, use them to fan the smoke and blow it back to its place. Then, they are at ease for an hour and a half, after which they return to the fire. They are also at ease three times a day, as well as each and every time Yisrael answer 'Amen, may the great name of Hashem be praised.' Happy are the righteous whose paths and ways illuminate and shine to all directions in the world to come. As it is written: "But the path of just men is like the gleam of sunlight that shines ever more brightly until the height of noonday" (Mishlei 4:18).

11. The punishment in Gehenom

A positive and healthy fear of sin can inspire us to pursue spiritual development, thereby avoiding the negative repercussions inherent in our world of cause and effect.

69. Rabbi Aba said that in Gehenom, there are compartments upon compartments, seconds, thirds, and so on until seven—our friends have already explained this issue. Happy are the righteous who guard themselves from the sins of the wicked and do not follow in their paths nor defile themselves. For when a person who has become impure dies, he passes onto the World of Truth and goes down into Gehenom. There he descends, until he reaches the lowest compartment.

70. And there are two compartments close to each other that are called Sh'ol and Avadon. Whoever reaches Sh'ol is judged and punished there and is then raised to a different, but higher, compartment. This continues until he is released from there. But those who go down and reach Avadon are never raised from there again. That is why it is called Avadon (lost), because they are lost there forever.

66. וי לון כד יפקון מהאי עלמא, ווי לון, מאן יתבע לון, כד יתמסרון בידא דדומה, ויתוקרון בנורא דדליק ולא יפקון מניה, בר בריש ירחי ושבתי, כד"א והיה מדי חדש בחדשו ומדי שבת בשבתו יבא כל בשר להשתחוות לפני אמר ה'. לבתר כרוזא דבסטר צפון אכריז עליהו ואמר ישובו רשעים לשאלה וגו'. כמה חבילי טריקין אתכנשו עליהו, בארבע סטרין אשא מלהטא בגי בן הנם.

(עד כאן לשון התוספתא).

69. רבי אבא אמר בגיהנם אית מדורין על מדורין, תניינין תליתאין עד שבע, והא אוקמוה חבריא. וזכאין אינון צדיקיא, דאינון מסתמרין מחובי חייביא, ולא אזלי בארחהו, ולא מסתאבי בהו, וכל מאן דאסתאב, כד אזיל לההוא עלמא, נחית לגיהנם, ונחית עד מדורא תתאה.

71. Come and behold: Noach the righteous warned the people of his generation, but they did not heed him until the Holy One, blessed be He, brought the punishment of Gehenom upon them. What is the punishment Gehenom? It is fire and snow, water and fire; the first is cold, the other boiling. And all of that generation were sentenced to punishment in Gehenom and lost from the world.

71. תָּא חֲזִי, נַח זָכָא, הוּא אֲתָרִי בְּנֵי דְרִיָּה, וְלֹא הוּוּ שְׁמַעֵי לֵיהּ, עַד דְּקִדְשָׁא בְּרִיךְ הוּא אֵינִיתִי עַלְיֵיהּ דִּינָא דְגֵיהֶנֶם. מַאי דִּינָא דְגֵיהֶנֶם, אֲשָׁא וְתִלְגָּא, מֵיָא וְאֲשָׁא, דָּא צְנִינָא וְדָא רְתִיחָא. וְכִלְהוּ בְּדִינָא דְגֵיהֶנֶם אֲתֵדְנוּ, וְאֲתֵאבִידוּ מֵעֲלָמָא.

72. After that punishment, the world was able to exist and function correctly. Noach entered the ark and brought into it all the species of living creatures of the world. So, of course, Noach was a tree that begot fruit, MEANING THAT HE WAS YESOD WHO IS CALLED RIGHTEOUS. And then all the species of the world emerged from the ark just as it happened above--MEANING JUST AS YESOD AND MALCHUT ABOVE.

72. וּלְבַתֵּר, אֲתִקְיִים עֲלָמָא כְּדָקָא חֲזִי לֵיהּ, וְעָאֵל נַח בְּתִיבָה, וְאֵעִיל בַּהּ כָּל זֵינָא וְזֵינָא דְעֲלָמָא. וְדָאי נַח עֵץ עוֹשֶׂה פְרִי הוּוּ, וְנִמְקוּ מִן תִּיבָה כָּל זֵינֵי עֲלָמָא, כְּגוּוּנָא דְלַעֲיָלָא.

73. Come and behold: when the tree that begets fruit, YESOD OF ZEIR ANPIN, is joined with the Fruit Tree, WHICH IS MALCHUT, then all the species of above-big and small animals and all their varieties-come forward, each with other members of its species. As it is written: "both small and great beasts" (Tehilim 104:25). So was the case with Noach and the ark. They all emerged from the ark, MEANING THEY ALL WERE CORRECTED WHILE THEY WERE IN THE ARK. IT IS THE SAME WITH THE OFFSPRING ABOVE, WHO RECEIVE THEIR CORRECTION FROM MALCHUT. And the world exists just as IT DOES above. And this is why Noach is called the Man of the Earth and "a just man," MEANING THAT THE RIGHTEOUS IS JUST AS IS YESOD ABOVE, as has been previously explained.

73. תָּא חֲזִי, כִּד הָאֵי עֵץ עוֹשֶׂה פְרִי אֲתַחֲבַר בְּעֵץ פְּרִי, כָּל אֵינּוֹן זֵינִין דְלַעֲיָלָא, חִיוּן רַבְרַבָּן וְזַעֲרִין, וְכַמָּה זֵינִין, וְכָל חַד לְזֵינִיָּה, כְּדָא חֵיות קִטְנוֹת עִם גְּדוּלוֹת. כְּגוּוּנָא דָּא נַח בְּתִיבָה, וְכִלְהוּ נִמְקוּ מִן תִּיבּוֹתָא, וְאֲתִקְיִים עֲלָמָא כְּגוּוּנָא דְלַעֲיָלָא. וּבְגִינֵי כֵךְ נַח אִישׁ הָאֲדָמָה אֲקָרִי. נַח אִישׁ צְדִיק אֲקָרִי, וְהָא אֲוִקְמוּהּ.

74. Rabbi Chiya said: For 300 years before the Great Flood, Noach warned them to change their ways but they did not listen to him until the time when the Holy One, blessed be He, had finished waiting for them to repent. THIS IS AS WRITTEN: "YET HIS DAYS SHALL BE A HUNDRED AND TWENTY YEARS." Then they were lost from the world. Come and behold: IN THE PREVIOUS PORTION OF THE WEEK, it is written: "And it came to pass, when men began to multiply on the face of the earth, and daughters were born to them" (Bereshheet 6:1). And they went naked in front of all. And then, what is written? "And the sons of Elohim saw the daughters of men (Bereshheet 6:2). This was the main cause THAT BROUGHT THEM to continue sinning until it finally caused them to be destroyed. And because of that they followed the evil inclination, held fast to its trunk and roots, rejected the Holy faith among themselves, and became defiled. So it is written: "The end of all flesh has come before me" (Bereshheet 6:13), to teach that they were enticed.

74. רַבִּי חִיָּיא אָמַר, תִּלְתַּת מָאָה שָׁנִין, עַד לֹא אֲתִי טוֹפְנָא, הוּוּ נַח אֲתָרִי בַּהּ, עַל עוֹבְדֵיהוֹן, וְלֹא הוּוּ שְׁמַעֵין לֵיהּ, עַד דְּקִדְשָׁא בְּרִיךְ הוּא אֲשֵׁלִים זְמָנָא דְאֲוִרִיךְ לוֹן, וְאֲתֵאבִידוּ מֵעֲלָמָא. תָּא חֲזִי, מַה בְּתִיב לַעֲיָלָא וְיָהִי כִי הֵחַל הָאָדָם לָרוֹב עַל פְּנֵי הָאֲדָמָה, וּבְנוֹת יוֹלְדוּ לָהֶם, וְהוּוּ אֲזֵלִין עֲרִטִילָאִין לַעֲיָנִיהוֹן דְּכָלָא, מַה בְּתִיב וַיִּרְאוּ בְנֵי הָאֱלֹקִים אֶת בְּנוֹת הָאָדָם וְגו', וְדָא הוּוּ יְסוּדָא וְעַקְרָא לְמִיגְדָא בְּחוֹבֵיהוֹן, עַד דְּגָרִים לוֹן לְאֲשִׁתְצָאָה מֵעֲלָמָא. וּבְגִין כֵּךְ אֲתַמְשַׁכָּאן בְּתַר יְצַר הָרַע, וּבְגִזְעוּי וְשִׁרְשׁוּי, וְדָחוּ מִהֵימְנוּתָא קְדִישָׁא מִבִּינֵיהוּ, וְאֲסַתְּאֲבוּ, כְּמַה דְאֲתַמְר. בְּגִין כֵּךְ קַץ כָּל בָּשָׂר בָּא לְפָנֵי לְאַלְפָא קְטִיגוֹרִיָּא עַלְיֵיהּ.

12. "The end of all flesh"

When the Angel of Death is given free rein as a result of the accumulated negative actions of mankind, his power becomes vastly enlarged. Even innocent souls who inadvertently cross his path fall victim to his powers of death and destruction. Nevertheless, Noah was able to find refuge within the Ark. The Zohar reveals that the Zohar itself is an embodiment of the Ark, and can therefore provide protection in times of chaos and destruction.

75. Elohim said to Noach, "The end of all flesh has come before me" (Bereshheet 6:13). Rabbi Yehuda related this verse to the one reading, "Hashem, make me know my end and the measure of my days what it is; Let me know how short lived I am" (Tehilim 9:5). King David said to the Holy One, blessed be He,; There are two 'ends,' one on the right and one on the left. And they are two paths for man to walk to the World of Truth. THERE is an end to the right, because it is written: "at the end of the days (also: 'right')" (Daniel 12:13). And THERE ALSO IS an "end of the left," as is written: "He sets an end to darkness, and the ending of all things does he investigate; the stones of darkness and the shadow of death" (Iyov 28:30). Who is the investigator? He is none other than the end who is to the left; HE IS THE INVESTIGATOR who brings darkness upon the faces of the creatures.

76. 'The end of the right' is, as we have previously said, 'to the end of the right.' As the Holy One, blessed be He, said to Daniel: "But go your way till the end be; for you shall rest" (Daniel 12:13). Daniel asked Him: "in this world or in the World of Truth?" He answered him, In the World of truth! As it is written: "They shall rest in their resting places (Yeshayah 57:2). He asked him, At the time when they shall rise from the earth--MEANING AT THE TIME OF THE RESURRECTION OF THE DEAD - "shall I rise and be among them or not?" He answered him: "And stand." Daniel continued, "I know that at the time of the resurrection they shall rise in groups. Some of them shall be the righteous, while the others shall be the wicked of the world. But I do not know with whom shall I rise!" He answered him, "for your allotted portion," MEANING 'AMONG THE RIGHTEOUS'. He continued, But you said 'go your way till the end be.' But there is the 'end of the right' and the 'end of the left,' and I do not know to which one I will go He answered him, 'To the end of the right.'

77. Similarly, David said to the Holy One, blessed be He : "Hashem, make me know my end. What is the portion of my lot?" (Tehilim 39:5) THAT IS, HE WANTED TO KNOW HIS FATE. And he had no rest until he was told, "Sit at my right hand" (Tehilim 110:1). Come and behold: the Holy one, blessed be He, told Noach as well: "The end of all flesh has come before me." Noach asked, "which 'end'?" THE 'END OF THE RIGHT' OR THE 'END OF THE LEFT'?" AND HE ANSWERED, it is the 'end' that brought darkness upon the faces of the creatures and caused the 'end' of all flesh, WHICH MEANS IT IS THE END OF THE LEFT, WHICH IS THE ANGEL OF DEATH.

78. From the words "has come before me" we learn that the wicked people of the world go out of their way to attract the Angel of Death upon themselves in order to bring darkness upon themselves. Therefore, because they give him permission, he grabs the soul. But he never takes the soul without permission. That is why THE VERSE READS, "has come before me." THIS MEANS THAT HE COMES BEFORE ME to get permission to bring darkness upon the faces of people of the world. And that is why it is written: "I will destroy them with the earth." Because I GAVE HIM PERMISSION: "make an ark of Gopher wood," on which to save yourself so that he should have no power over you.

79. Come and behold: We have learned that when there is a plague in a city or in the world, a person should not show himself in the marketplace, because the Angel of Destruction has received permission to destroy everything. This is why the Holy one, blessed be He, told Noach, "It behooves you to take heed and not show yourself before the Angel of Destruction, so that he may not have power to rule over you.'

80. But, you might say, who mentioned an Angel of Destruction here? It was only the onrush of the waters that BECAME A FLOOD. Now come and behold: Whether the world is stricken, or even when the world is only given over for judgment, the Angel of Destruction is in the middle of all punishment done in the world. Now, here as well, there was a Flood. The Angel of Destruction walked within the Flood, and, as a result, he was called 'THE FLOOD.' Thus, he was included within it. So the Holy One, blessed be He, told Noah to hide himself INSIDE THE ARK and not to show himself to the world.

81. And you may wonder how the ark survived, even though it was seen in the world through which the Angel of Destruction walked? But, as long as the face of the person is not seen by the Angel of Destruction, he cannot rule over him. And how do we know this? From Egypt. Because the verse reads: "as none of you shall go out of the door of his house until the morning" (Shemot 12: 22). The reason is that the Angel of Destruction was present OUTSIDE and could destroy anyone, and none should be seen before him. This is why Noah and all those who joined him hid within the ark. There, the Angel of Destruction had no power over them.

82. Rabbi Chiya and Rabbi Yosi were on their way, when they came upon the mountains of Ararat, where they observed some deep ravines which had been left from the days of the Great Flood. Rabbi Chiya told Rabbi Yosi: These ravines are from the days of the Great Flood, and the Holy One, blessed be He, has left them to stay on throughout all the generations to come, so that the sins of the wicked would not be erased before him.

83. Because it is the way of the Holy One blessed be He. He desires that the righteous who fulfill His will be remembered above as well as below. He desires that their memories not be forgotten through the generations. Likewise, He also desires that the wicked who do not fulfill His will BE REMEMBERED. HE DESIRES that their sins never be forgotten and their punishments and their wicked ways always remembered, as it is written: "The stain of your iniquity remains before me" (Yirmeyah 2:22).

13. "Cry you with a shrill voice... poor Anatot!"

Whereas Moses was able to help generate the revelation of Light on Mount Sinai, including the state of immortality, Noah was unable to accomplish the same feat in his time. The Zohar explains that Noah was a force of one, while Moses achieved a critical mass of people through the six hundred thousand souls who stood on Sinai. Awareness and inner motivation to bring about the total removal of evil and chaos from this earth is imbued to the reader through these passages. They awaken a desire to transform our own negative nature, and to share the Light of the Zohar. According to all Kabbalists, the Zohar is the most effective of all instruments for removing the negative inclinations born into the hearts of mankind. When a critical mass of people have embraced its wisdom, we will permanently eradicate all of humanity's pain and suffering.

84. Rabbi Yosi quoted: "Cry you with a shrill voice, oh daughter of Gallim! Hark, oh Laisha! Oh you, poor Anatot!" (Yeshayah 10:30). Our companions have already explained this verse, which refers to the 'Congregation of Yisrael,' WHICH IS MALCHUT. So "cry with a shrill voice, O daughter of Gallim" refers to the daughter of Avraham the Patriarch IN THE SECRET OF 'THE FATHER ESTABLISHES THE DAUGHTER.' AND HE IS CHESED THAT ASCENDED TO CHOCHMAH. AND WHEN THE DAUGHTER HAS THE MOCHIN OF ABA, SHE IS THEN CALLED BAT GALLIM (lit. 'the daughter of springs'), as it is written: "A spring (Heb. gal), which is closed" (Shir Hashirim 4:12), MEANING THAT MALCHUT IS CALLED 'GAL' OR 'SPRING' WHEN SHE RECEIVES THE MOCHIN OF 'THE FATHER,' ABA. THEREFORE, HERE SHE IS ALSO CALLED 'GALLIM' OR 'SPRINGS,' BECAUSE 'springs' refer to the UPPER Lights that gather, enter MALCHUT, and fill her. THE GATHERING OF THESE LIGHTS IS THE SECRET OF THE THREE 'VOWELS' - CHOLAM, SHURUK, AND CHIRIK. As has already been quoted: "Your shoots are a garden of pomegranates" (Shir Hashirim 4:13). SO, THE 'SHOOTS' REFER ALSO TO THE UPPER LIGHTS THAT GATHER AND ARE DRAWN INTO MALCHUT, LIKE STREAMS AND RIVERS.

85. "Listen Laisha:" The word 'laisha' also appears in the verse, "The lion (Heb. laish) perishes for lack of prey" (Iyov 4:11). THIS MEANS IT IS THE OPPOSITE OF THE NAME 'GALLIM,' AS IT REFERS TO THE TIME WHEN MALCHUT, LACKING ABUNDANCE, HAS NO IMPORTANCE. 'Laish' is the masculine term; 'Laisha' is the feminine. SO WHEN THE TERM 'LAISHA' APPEARS, IT REFERS TO MALCHUT, WHICH IS THE FEMALE PRINCIPLE. AND HE ASKS, "Why is She called BY THE NAME 'Laish'? Is it because it is written: 'lion which is strongest among beasts?' (Mishlei 30:30). DOES THIS SIGNIFY THE LION'S MIGHT, or is it written to remind us that the lion perishes for lack of prey--WHICH IS BECAUSE OF LACK OF ABUNDANCE? AND HE ANSWERED: All that is said refers to 'Laish.' THE TERM 'LAISH' REFERS TO THE TIME WHEN MALCHUT IS AT THE POINT OF SHURUK, WHEN BOTH THE ASPECTS OF GVURAH AND THE LACK OF ABUNDANCE CONVERGE AND APPEAR IN HER. AT THIS STAGE, MALCHUT IS CALLED the lower Gvurah, as She is drawn down from the upper Gvurah, MEANING FROM THE GVURAH OF BINAH. AND THAT IS WHY SHE IS DESCRIBED AS THE LION, WHICH IS STRONGEST OF ALL BEASTS. But also, She is 'the lion perishes for lack of prey.' When these streams, WHICH ARE THE SUPERNAL LIGHTS, depart and do not enter her, then She is called the 'Laisha' (Lioness), which perishes for lack of prey. As is written: "The Lion perishes for lack of prey, and the lion's whelps are scattered abroad." (Iyov 4:11).

86. And when the verses mention 'Laisha' or 'poor Anatot,' meaning the poorest of the poor, the meaning is the same as in, "of the priests that were in Anatot" (Yirmeyah 1:1), and "Anatot, get on your fields" (I Melachim 2:26). THESE TERMS OF 'ANATOT' ALWAYS INDICATE POVERTY. HE FURTHER ASKED: What does SOLOMON want to teach us BY THE TERM 'ANATOT?' And he answered: As long as King David was alive, Evyatar became wealthy and prosperous. But after that, WHEN KING DAVID DIED, EVYATAR BECAME POOR. THEN King Solomon told him, Anatot, get on your fields.

87. HE ASKED: What is the true reason that Solomon called him BY THE NAME ANATOT? WHY SHOULD HE CALL HIM WITH A NAME OF DISGRACE? AND HE ANSWERED: He wanted to tell him that during your days, my father lived in poverty, but now THAT I AM RICH, get on your fields. FOR A PERSON WHO SERVED DURING THE DAYS OF POVERTY IS NOT FIT TO SERVE DURING THE DAYS OF PROSPERITY. HE FURTHER STATED that we should now explain why Evyatar was called Anatot. Should one assume that it was because he was from Anatot? We have already learned from the verse: "And one of the sons of Achimelech, the son of Achitov, named Evyatar, escaped" (I Shmuel 22:20). And he came from Nov, the city of the priests. We have learned that Nov is also called Anatot and why is it called Anatot--because of the poverty and destitution to which it had been reduced by King Shaul through the slaughter of all its priestly inhabitants. Nevertheless, THIS IS NOT THE TRUE REASON FOR THE NAME, BECAUSE Anatot was the name of a village that is not Nov. Rather, King Solomon called Evyatar Anatot, "because you were afflicted (Heb. hit'anita) in all that my father was

84. פתח רבי יוסי ואמר, צהלי קולך בת גלים הקשיבי לישה עניה ענתות. האי קרא אוקמוה חבריא, אבל האי קרא על כנסת ישראל אתמר. צהלי קולך בת גלים, ברתייה דאברהם אבינו. הכי אוקמוה, בת גלים כדכתיב גל נעול. גלים אינון נהורין דמתכנשי ואזלי ועאלין לגוה, ומליין לה כדכתיב שלחך פרדס רמונים.

afflicted" (I Melachim 2:26)--and because he also came from the city of Nov. So the true reason is that because King David lived in poverty in his days, he called him thus, ANATOT.

88. Rabbi Chiya said that the world was in a state of poverty from the time that Adam transgressed the command of the Holy One, blessed be He, until the time when Noach came forward and offered his sacrifice, thereby settling the world. Rabbi Yosi said that the world was not settled and the land was not pure from the pollution of the serpent until Yisrael stood at Mount Sinai and held onto the Tree of Life. Only then did the world settle properly.

89. And had the children of Yisrael not sinned before the Holy One, blessed be He, they would have never died, for the pollution of the serpent had been purged from them. But because of their sin, the first tablets, which brought freedom from all sins, freedom from the serpent--who is the "end of all flesh," THIS IS THE ANGEL OF DEATH--were broken.

90. And when the Levites rose up to slay the guilty, THAT IS WHEN MOSHE TOLD THEM, "PUT EVERY MAN HIS SWORD BY HIS SIDE... AND SLAY EVERY MAN HIS BROTHER (Shemot 32:27), then the Evil Serpent rose up in front of them. Nevertheless, he could not dominate them because all Yisrael was girt with a special armor that protected them against his attacks. THIS SPECIAL ARMOR IS THE ORNAMENTATION THAT THEY RECEIVED AT MOUNT CHOREV. Thus, the serpent could not have prevailed against them. However, when He said to Moshe, "Therefore, now put your ornaments off from yourself" (Shemot 33:5), the permission to rule over Yisrael was given to the serpent.

91. Come and behold: it is written: "And the children of Yisrael were stripped of their ornaments from the mount of Chorev" (Shemot 33:6). SO HE ASKED: "Were stripped?" It should have been written 'stripped themselves!' AND HE ANSWERED THAT the words "were stripped" SHOW US that they were actually stripped by another POWER, as permission was given to the serpent to rule over them. "The ornaments they received from the mount Chorev," REFERS TO THE TIME when the Torah was given to Yisrael.

92. Rabbi Chiya asked: why, if Noach was a righteous man, did he not cancel death over the world, JUST AS IT WAS CANCELED AT THE TIME OF THE GIVING OF THE TORAH? AND HE ANSWERED: Because the pollution of the serpent had not yet been removed from the world and because the people of the world had no faith in the Holy One, blessed be He. As a result, they clung to the 'leaves of the lower Tree,' THE FORCES OF EXTERNAL POWERS, and covered themselves with the spirit of defilement.

93. Not only that, but WHEN THEY LEFT THE ARK, they continued to sin and follow the Evil Inclination, as they had before. Also the Holy Torah, which is the Tree of Life, had not yet been brought down for the world by the Holy One, blessed be He. In addition to all this, Noah himself brought death upon the world. As it is written: "And he drank of the wine and was drunk, and was uncovered within his tent" (Beresheet 9:21). This has already been explained.

14. The Jew

The following section reveals the hidden secrets and mysteries concerning the holidays of Rosh Hashana, Yom Kippur, Sukkot, and the First Day of each new month. The Zohar reveals the process by which we utilize these spiritual tools to cleanse our world, and our souls, of the negative residues from our egotistic behavior. We can help facilitate all these processes as we meditate and intently browse through the ancient text.

94. As they were walking along, they saw a Jew coming toward them. Rabbi Yosi said that this person is a Jew, because he looks like a Jew. When he reached them, they asked him WHO HE WAS. He told them that he was on a religious errand, as he lived in the village of Dramin and the time of the holiday (Heb. Succot) having arrived, they needed the palm branch (Heb. Lula) and the other three components (this is citron, myrtle, and willow). He was on his way to cut them down for the purpose of the commandment. They walked together.

94. עד דהוו אזלי, חמו חד יודאי דהוה אתי, אמר רבי יוסי, האי בר נש יודאי איהו, ואתחזי. כד מטא גביהו, שאילו ליה, אמר לון, שליחא דמצוה אנא, דהא אנן היירי בכפר דראמין, ומטי זמנא דחג, ואנן צריכין לולב, וזיגין דעמיה, ואנא אזיל לקטעא לון למצוה, אזלו כחדא.

95. The Jew spoke to them and asked: Have you heard why we need these 'four kinds' with the palm branch to appease the world during this holiday, BUT NOT AT ANY OTHER TIME? They told him: Our colleagues have already explained this subject BY TELLING THE REASON, but if you have a new explanation, then say it.

95. אמר להו ההוא יודאי, הני ארבע מינין דלולב, דבכלהו אתאן לרצווי עלמא, שמעתון אמאי אנן צריכין לון בחג. א"ל כבר אתערו בהו חברייא, אבל אי מלה חדתא איהו תחות ירך אימא לה.

96. He said: the place where we live is indeed a small one, but all indulge in the study of the Torah. We have a rabbi, who is well known among the Rabbis, whose name is Rabbi Yitzchak and who is the son of Rabbi Yosi from Mechoza'a. He teaches us new explanations of the Torah each and every day. And he said that during this holiday, it is the time of the domination of Yisrael, WHEN YISRAEL OBTAINS DOMINATION OVER THE MINISTERS OF THE 70 NATIONS. So it is written: "then the malicious waters would have gone over our soul, Blessed be Hashem, who has not given us as a prey to their teeth" (Tehilim 124:5-6). AND HE ASKED, "Does water have teeth?" AND HE REPLIED THAT they-THE MALICIOUS WATERS-refer to the other nations, AND THE "TEETH" REFER TO the supernal ministers of these nations, who are worshippers of the planets and constellations. They are blessed through Yisrael, and they are called malicious waters, as it says "the malicious waters."

96. אמר לון, ודאי ההוא אתר דאנן היירי ביה, הוא זעיר, וכלהו עסקי באורייתא. ואית עלן צורבא מרבנן, רבי יצחק בר יוסי מחוזאה שמייה, ובכל יומא ויומא אמר לן מלין חדתין באורייתא. ואמר, דהא בחג זמנא הוא, לשלטאה. אזי עבר על נפשנו המים הזירונים, ברוך ה' שלא נתננו טרף לשניהם, וכי אית שינים למים. אלא אינון שאר עמין. אינון רברבין ממנן על שאר עמין עכו"ם ומתברכאן מסטרייהו דישראל, וקרינן לון מים הזירונים, כמא דאת אמר המים הזירונים.

97. To dominate THE MINISTERS OF THE NATIONS, we come with the Holy Name that is represented by those "four kinds" with the palm branch: THE MYRTLE IS THE SECRET OF CHESED, GVURAH, AND TIFERET, FROM THE LETTER YUD OF THE HOLY NAME; THE WILLOW BRANCHES ARE THE SECRET OF NETZACH AND HOD, FROM THE FIRST LETTER HEI OF THE HOLY NAME; THE PALM BRANCH IS THE SECRET OF YESOD, FROM THE LETTER VAV OF THE HOLY NAME; AND THE CITRON (HEB. ETROG) IS THE SECRET OF MALCHUT OF THE LOWER HEI OF THE HOLY NAME. Together they appease the Holy One, blessed be He, and rule over the malicious waters with the secret of the Holy Name. They bring and arouse upon us the holy waters, NAMELY THE ABUNDANCE OF THE UPPER WATERS, for the water libation ceremony at the altar, WHICH IS MALCHUT. AND THESE UPPER WATERS OVERCOME THE MALICIOUS WATERS.

97. ובגין לשלטאה עלייהו אתינא ברזא דשמא קדישא, באינון ארבע מינין שפלולב, לרצווי ליה לקדשא בריך הוא, ולשלטאה עלייהו ברזא דשמא קדישא, ולא תערא עלן מיון קדישיון, לנסכא על גבי מדבחא.

98. And he went on to say that on Rosh Hashanah, (the New Year) the first awakening, WHICH IS THE FEMALE PRINCIPLE, reoccurs and appears in the world. THIS MEANS THAT THE FEMALE PRINCIPLE RETURNS TO ITS PREVIOUS STATUS ON THE FOURTH DAY OF THE CREATION. AND HE ASKED: What is this first awakening? AND HE ANSWERED: That it is the lower courthouse that is aroused in order to judge the world. It is when the Holy One, blessed be He, sits on the throne of Judgment and judges the world.

99. This house of Judgment rules and judges the world until Yom Hakippurim (the Day of Atonement), when the face of the Female Principle 'lights up.' THIS MEANS THAT THE FEMALE PRINCIPLE RECEIVES THE UPPER THREE SFIROT-KETER, CHOCHMAH, AND BINAH- CALLED THE 'FACE.' At this time, the slanderous serpent leaves the world alone, because he is busy with the scapegoat which has been offered to him. This offering is from the side of the spirit of defilement, WHICH IS APPROPRIATE FOR THE SLANDEROUS SERPENT, WHO IS THE PROSECUTOR. So while he is occupied with his scapegoat, he does not approach the Holy Temple, OR THE FEMALE PRINCIPLE. THAT IS, HE DOES NOT APPROACH THE CHILDREN OF YISRAEL IN ORDER TO PROSECUTE THEM ANYMORE, AND DOES NOT SEPARATE THE MATING OF ZEIR ANPIN AND THE FEMALE PRINCIPLE.

100. This scapegoat is like the sin offering of the he-goat on the first day of the month. BECAUSE HE IS OCCUPIED WITH IT, the face OF THE HOLY TEMPLE, WHICH IS THE FEMALE PRINCIPLE, lights up. And this is how all Yisrael find mercy in the eyes of the Holy One, blessed be He, and how the sins of Yisrael are removed. But there is one secret, he told them, that may not be revealed, except to exceedingly wise, saintly, and pious men. Rabbi Yosi asked him: And what is that secret? So he answered: I have not yet checked you out, so I cannot tell whether you are fit to hear this secret.

101. They proceeded on their way, and after a while he said: When the moon, WHICH IS THE FEMALE PRINCIPLE, approaches the sun, WHICH IS ZEIR ANPIN, then the Holy One, blessed be He, stirs up the northern side, WHICH IS THE LEFT COLUMN THAT IS DRAWN FROM THE POINT OF SHURUK, and He grasps her lovingly and draws her toward Himself. THIS IS THE SECRET OF ASKING PERMISSION THROUGH APPEASEMENT. And then the southern side, WHICH IS THE RIGHT COLUMN, is aroused from the other side, NAMELY FROM THE SIDE OF THE POINT OF CHIRIK. And eventually the moon, WHICH IS THE FEMALE PRINCIPLE, rises and joins the east, WHICH IS ZEIR ANPIN. Thus, She draws sustenance from both sides, FROM THE SOUTH AND FROM THE NORTH, and receives the blessing OR THE ABUNDANCE OF THE MATING, in silence. 'IN SILENCE' MEANS THAT SHE IS IN THE STAGE OF THE SIX ENDS AND UNDER THE INFLUENCE OF THE POINT OF CHIRIK, WHICH IS THE SECRET OF THE VERSE, "BUT HER VOICE WAS NOT HEARD" (I SHMUEL 1:13). FOR THE WORDS 'VOICE' AND 'SPEAKING' SIGNIFY THE UPPER THREE SFIROT. And now the moon is blessed and filled WITH THE ABUNDANCE, as a woman approaches her husband. THIS MEANS THAT A COMPLETE MATING HAS OCCURRED, IN WHICH THE ENTIRE MOCHIN ARE REVEALED TO THE WORLD.

102. Just as there are secrets pertaining to the body of Man and its correspondence to the ZEIR ANPIN, so too there are secrets pertaining to the body of the Female Principle OF ZEIR ANPIN. And the only difference between them is their color: THE COLOR GREEN IS THE SECRET OF ZEIR ANPIN, WHILE RED IS THE SECRET OF THE FEMALE PRINCIPLE. NEVERTHELESS, THE SHAPES OF THEIR PARTS ARE SIMILAR. And as there is that above which joins her and rises to receive her with love, so below ATZILUT, beneath the moon, of the 'other side,' lies the secret of the lower Man. HE also has the same parts of the body, NAMELY THE LEFT AND RIGHT AND SO ON. WHAT WE LEARN FROM THIS IS THAT ALL THE LEVELS ARE MODELED AFTER ONE ANOTHER, SUCH THAT THE SHAPES OF THE UPPER LEVELS CARRY DOWN TO THE LOWER ONES. AND THE AROUSAL OF ANY ONE OF THESE ASPECTS, AROUSES AN OPPOSITE ASPECT IN THE OTHER LEVELS, AS SHALL FURTHER BE EXPLAINED.

98. תו אמר לון, בר"ה אתערותא קדמא איהו בעלמא. מאי אתערותא קדמא, דא בי דינא דלתתא, דאתער למידן עלמא, וקדשא בריך הוא יתיב על עלמא בדינא, ודאין עלמא.

99. ושלטא האי בי דינא, למידן עלמא, עד יומא דכפורי, דנהרין אנפאה, ולא אשתכח חויה דלטורא בעלמא, דאיהו אתעסק במה דאתנין ליה ההוא שעיר, דאיהו מסטרא דרוח מסאבא, כדקא חזי ליה. ובגין דאתעסק בההוא שעיר, לא קריב למקדשא.

100. ושעיר דא בההוא שעיר דר"ח דאתעסק ביה, ואנהירו אנפאה דמקדשא. ועל דא ישראל כלהו, משבחין רחמי קמי קדשא בריך הוא, ואתעבר חובייהו. ורזא חרא, אמר לון, ולא אתייהיב רשו לגלאה, בר לחסידו קדישין עליונין חבימינן. אמר רבי יוסי מאן איהו, אמר לון, עד לא בדיקנא בכו.

101. אזלו, לבתר אמר לון, כד סיהרא אתקריבת בשמשא, אתער קדשא בריך הוא סטרא דצמון, ואחיד בה ברחימו, ומשיך לה לגביה, ודרום אתער מסטרא אחרא, וסיהרא סלקא ומתחברא במזרח, וכדין ינקא מתרין סטרין, ונטיל ברכאן בחשאי, וכדין אתברכא סיהרא, ואתמליא. והכא אתקריבת אתתא בבבלה.

102. כמה דאית רזא דיוקנא שוימי דאדם, ותיקונוי. הכי נמי אית רזא דדיוקני דשוימי נוקבא, ותיקוני דנוקבא. וכלא פריש בגוון. הכי נמי אית לעילא, אחיד בה, ואתער לקבל ברחימו, ה"נ אית לתתא, רזא ותיקונא דאדם תתאה אחרא, תחות סיהרא.

103. Above, the left arm OF ZEIR ANPIN holds THE FEMALE PRINCIPLE and rises lovingly toward her. But below, the Serpent, which is the left arm of the spirit of defilement, rides upon THE FEMALE PRINCIPLE OF DEFILEMENT, and he who rides upon THE SERPENT, WHO IS THE MALE OF THE DEFILEMENT, AND MATES WITH HIM, grasps him. By this he approaches the moon, WHICH IS THE FEMALE PRINCIPLE, and draws her toward him, MEANING THAT HE SUCKS FROM HER from between the clinging--MEANING THE PLACE OF THE MATING--and thus, She becomes defiled.

104. Then, Yisrael below offer the scapegoat. ON THE FIRST DAY OF THE LUNAR MONTH, THE SERPENT IS DRAWN TO IT FOR HIS ENTIRE CRAVING IS FOR THE ILLUMINATION OF THE LEFT. THROUGH THE SCAPEGOAT, YISRAEL DRAWS THE SWEETENING OF MALCHUT IN BINAH AND THE ILLUMINATION OF THE LEFT FROM BELOW UPWARD. Then the moon is purified AND BECOMES FIT TO RECEIVE THE ABUNDANCE FROM HER HUSBAND, ZEIR ANPIN. She then climbs up and clings above TO ZEIR ANPIN in order to be blessed. While before, when She was below AND HAD NOT YET MATED WITH ZEIR ANPIN, She was dark, now her face lights up. SO NOW WE HAVE EXPLAINED THE ISSUE OF THE SCAPEGOAT ON THE FIRST DAY OF THE LUNAR MONTH, WHOSE PURPOSE IS TO PURIFY THE FEMALE PRINCIPLE. IT DRAWS THE MERCY OF BINAH AND THE ILLUMINATION OF THE LEFT TO THE FEMALE PRINCIPLE, RETURNING HER TO PURE STATE. ALTHOUGH THE SERPENT CAN STILL AROUSE THE JUDGMENT AFTER SHE HAS BEEN REVEALED TO HIM, HE DOES NOT DO SO, BECAUSE HIS WHOLE DESIRE IS FOR THE LEFT COLUMN, WHOSE ILLUMINATION HE DOES NOT WANT TO SPOIL. NOW, IN EFFECT, THE PROSECUTOR BECOMES THE COUNSEL FOR THE DEFENSE.

105. The same is true of Yom Kippur, another day on which the evil serpent is kept busy with the scapegoat, WHICH IS THE ILLUMINATION OF THE LEFT. JUST AS ON THE FIRST DAY OF THE LUNAR MONTH, WHEN THE SERPENT IS BUSY WITH THE SCAPEGOAT, the moon is freed from him and may busy herself in protecting Yisrael as a mother protects her children. Then the Holy One, blessed be He, blesses Yisrael from above and forgives the people for their sins.

106. Later in the year, when Yisrael reach SUKOT (THE FEAST OF TABERNACLE), the Right Column of above is aroused, as alluded to in THE VERSE, "AND HIS RIGHT ARM EMBRACES ME." This allows the moon, WHO IS THE FEMALE PRINCIPLE, to attach herself to him, NAMELY TO THE RIGHT, and then her face is fittingly illuminated. Then She shares her blessings with all the ministers below, NAMELY THE 70 MINISTERS OF THE NATIONS. By keeping them occupied with their blessings, they are distracted from approaching and sucking from Yisrael's portion. AS IS DESCRIBED WITH THE SERPENT AND THE FEMALE PRINCIPLE, HIS OCCUPATION WITH THE SCAPEGOAT DEFLECTS HIS PROSECUTION OF THE FEMALE PRINCIPLE.

107. The same applies below IN THIS WORLD. When all the other nations are blessed, they all become occupied with themselves and do not meddle with Yisrael or covet its portion. JUST AS WE DESCRIBED PREVIOUSLY--THE SERPENT WITH THE FEMALE PRINCIPLE AND THE 70 SUPERNAL MINISTERS WITH YISRAEL--SO IS THE CASE WITH THE 70 NATIONS AND YISRAEL BELOW. This is why DURING SUKOT, WHEN THEY OFFER THE 70 BULLS AS A SACRIFICE, Yisrael draw blessings down to all the supernal ministers OF THE 70 NATIONS, so they will be occupied with their blessings and not meddle with Yisrael.

103. כְּמֵה דְרוּעָא שְׂמַאלָא לְעֵילָא אַחִיד בְּהַ, וְאַתְעַר לְקַבְלָהּ בְּרַחֲמוֹ, הֵכִי נָמִי אֵית לְתַתָּא, הָאִי נַחֲשׁ, אִיהוּ דְרוּעָא שְׂמַאלָא דְרוּחַ מְסַאבָּא, וְאַחִיד בֵּיהּ מֵאֵן דְרַכִּיב בֵּיהּ, וְקַרְבָּא לְגַבֵּי דְסִיְהָרָא, וּמְשִׁיךְ לָהּ בִּינְיֵיהּ דְקוּטְפָא וְאַסְתָּאבַת.

106. לְבַתֵּר, יִשְׂרָאֵל כְּדִ מְטוֹ לַחֲגַ, מִתְעַרֵי סְטְרָא דְיוֹמִינָא לְעֵילָא, בְּגִין דִּיתְקַשֵׁר בֵּיהּ סִיְהָרָא, וְיִתְנַהֲיִרוּ אֲנַפְהָא בְּדַקָּא חוּיָא. וּכְדִין פְּלַגַת חוּלְקָא דְבְּרַכָּאן, לְכָל אֵינּוֹן מְמַנָּן דְלְתַתָּא, דִּיתְעַסְקוֹן בְּחוּלְקָהוֹן, וְלֹא יִיתוֹן לִינְקָא וְלַקְרָבָא בְּסְטְרָא דְחוּלְקָהוֹן דִּישְׂרָאֵל.

107. כְּגוֹנוֹנָא דָא לְתַתָּא, כְּדִ שְׂאָר עַמִּין אֲתַבְּרָכוֹן, כְּלֵהוֹן אֵינּוֹן מִתְעַסְקִין בְּאַחְסַנַת חוּלְקָהוֹן, וְלֹא הוּוּ אֲתִינָן לְאַתְעַרְבָּא בְּהַדְיֵיהּ דִּישְׂרָאֵל, וְלַחְמַדָּא חוּלְקָא אֲחַסְנַתְהוֹן, וּבְגִין כֵּךְ יִשְׂרָאֵל, אֵינּוֹן מְשַׁכִּין בְּרַכָּאן לְכָל אֵינּוֹן מְמַנָּן, בְּגִין דִּיתְעַסְקוֹן בְּחוּלְקָהוֹן, וְלֹא יִתְעַרְבוֹן בְּהַדְיֵיהּ.

108. When the moon is full of blessings from above, the children of Yisrael come and draw sustenance from her for themselves alone. That is why it is written: "On the eighth day there shall be a solemn assembly (Heb. Atzeret) for you" (Bemidbar 24:35). What is this assembly? It indicates the assembling of the blessings from above, from which only Yisrael may draw sustenance. And that is why it is written: "There shall be a solemn assembly for you," REFERRING SPECIFICALLY to 'you' and not to the other nations; to you and not to the other supernal ministers.

109. This is the reason why YISRAEL appeases THE HOLY ONE, BLESSED BE HE, with water libations UPON THE ALTAR. THIS gives the supernal ministers OF THE NATIONS part of the blessing, so that they are occupied with it and do not meddle with Yisrael when they come to draw the blessings from above later during their festivity. And of this day, it is written: "My beloved is mine and I am his" (Shir Hashirim 2:16), MEANING that there is no stranger among us.

110. This day is like the day on which a king invites a close friend to a special feast, prepared on a special day, so that his friend will know his deep love. The king thinks to himself: Now I wish to feast and be merry with my beloved alone, but I fear that during my feast all the other ministers will come and join us at our table to be together and take part in the festive meal that I have prepared for my beloved and myself. So what does the king do? He first regales his governors and ministers with dishes of vegetables and beef. Only after they are satisfied can he sit in peace with his friend and enjoy the supernal banquet with the world's finest delicacies spread before them. And while alone with the king, his friend puts before him all his petitions and requests, which the king grants. So just as the king enjoys the company of his beloved alone, with no stranger disturbing them, the Holy One, blessed be He, enjoys Yisrael. Hence it is written: "On the eighth day there shall be a solemn assembly for you."

111. Rabbi Yosi and Rabbi Chiya said: The Holy One, blessed be He, established the right way for us; happy are those who delve into the Torah. They approached THE JEW and kissed him. Rabbi Yosi applied to him the verse: "And all your children shall be taught of Hashem and great shall be the peace of your children" (Yeshayah 54:13). When they reached a field, they all sat down. That man asked what changed when the verse says, "And Hashem rained upon Sdom and upon Amorah," (Bereshheet 19:24) AND DID NOT USE THE TERM 'ELOHIM'? And what changed during the Great Flood, when the term 'Elohim' comes into frequent usage, while the term Hashem, AS MENTIONED IN THE OVERTHROWING OF THE CITIES OF SDOM AND AMORAH, IS NOT USED AT ALL?

108. וכד סיהרא אתמלי ברכאן לעילא, בדקא יאות, ישראל אתיין וינקין מנה בלחודיהו. ועל דא כתיב ביום השמיני עצרת תהיה לכם, מאי עצרת, בתרגומו, בנישו. כל מה דכנישו, מאינן ברכאן עלאין, לא ינקין מניה עמין אחרנין, בר ישראל בלחודיהו, ובגין כך כתיב, עצרת תהיה לכם, לכם ולא לשאר עמין, לכם ולא לשאר ממנן.

109. ועל דא אינון מרצין על המים, למיהב לון חולק ברכאן, דיתעסקון ביה, ולא יתערבון לבתר, בחדותא ד'ישראל, בר ינקין ברכאן עלאין. ועל הוא יומא כתיב, דודי לי ואני לו, דלא אתערב אחרא בהדן.

110. למלכא דזמן רחימוי בסעודתא עלאה, דעביד ליה ליומא רשימא. הא רחימוי דמלכא ידע, דמלכא אתרעי ביה. אמר מלכא השתא אנא בעי למחדי עם רחימאי, ורחילנא דכד אנא בסעודתא, עם רחימאי, יעלון כל אינון קסטורי ממנן, ויתיבון עמנא לפתורא, למסער סעודתא רחודה, עם רחימאי. מה עבד, אקדים ההוא רחימוי קוסטורין דירוקי, ובשרא דתורי, ואקריב קמיהו, דאינון קסטורי ממנן למיכל. לבתר יתיב מלכא עם רחימוי, להיא סעודתא עלאה, מכל עדונין דעלמא. ובעוד דאיהו בלחודוי, עם מלכא, שאיל ליה כל צרכוי, ויהיב ליה. ואחדי מלכא עם רחימוי, בלחודוהי, ולא אתערבין אחרנין ביניהו. כך ישראל, עם קדשא בריך הוא, בגין כך כתיב ביום השמיני עצרת תהיה לכם.

111. אמרו רבי יוסי ור' חייא, קדשא בריך הוא אתקין אורחא קמן. זכאין אינון דמשתדלי באורייתא. אתי נשקוהו. קרא עליה ר' יוסי וכל בגין למודי ה' ורב שלום בגין. כד מטו בי חקל, יתיבו. אמר ההוא בר נש, מאי שנא דכתיב וה' המטיר על סדום ועל עמורה וגו'. ומאי שנא בטופנא, דכתיב אלקים אלקים בכל אתר, ולא כתיב וה'.

112. We have learned that everywhere the term "and Hashem" is mentioned, IT INDICATES Him and His Court of Judgment, NAMELY ZEIR ANPIN, WHICH IS MERCY, AS WELL AS HIS FEMALE PRINCIPLE, WHICH IS JUDGMENT. But when the term Elohim is mentioned alone, this indicates only the Court of Judgment, NAMELY THE FEMALE PRINCIPLE WITHOUT ZEIR ANPIN. In the case of Sdom, Judgment was passed not to destroy the world, and thus, ZEIR ANPIN was involved in carrying out Judgment. THAT IS WHY HASHEM IS WRITTEN YUD-HEI-VAV-HEI, INDICATING THE ATTRIBUTE OF MERCY. AND HE WORKED WITH HIS COURT OF JUSTICE, WHICH IS HIS FEMALE PRINCIPLE, FOR THE LETTER VAV, WHICH CARRIES THE MEANING OF THE ENGLISH WORD AND, IS JOINED WITH YUD-HEI-VAV-HEI, INDICATING THE FEMALE PRINCIPLE. But in the case of the Great Flood, the whole world and all of its inhabitants were destroyed. THAT IS WHY THE EVENT IS DESCRIBED WITH THE TERM 'ELOHIM,' INDICATING THE ATTRIBUTE OF JUDGMENT ALONE, UNTEMPERED BY MERCY.

113. And although you may say that Noah and all who were with him WERE SAVED AND NOT ALL WERE DESTROYED, IT IS ONLY BECAUSE THEY were "hidden from sight" and unseen BY THE ANGEL OF DESTRUCTION. Thus, IT IS CONSIDERED THAT everything, NAMELY, EVERYTHING THAT WAS SEEN BY THE EYES OF THE ANGEL OF DESTRUCTION, that existed in the world was destroyed. That is why the term "And Hashem," indicates that he does not destroy all that is revealed to the eye, AS IN THE CASE OF THE DESTRUCTION OF SDOM. However, the term Elohim indicates that all should be carefully concealed, because He destroys everything, NAMELY ALL THAT IS "REVEALED TO THE EYE." That is why the term Elohim REFERS TO THE FEMALE PRINCIPLE alone, DISTINCT FROM ZEIR ANPIN, WHO IS MERCY.

114. And this is the secret of the verse, "Hashem sat at the Flood" (Tehilim 29:10). SO HE ASKED, What is THE MEANING OF THE TERM "sat?" AND HE ANSWERED THAT if it had not been written in the scriptures, we could not have said it, BECAUSE THE TERM "SAT" INDICATES that He sat alone, by Himself and was distinct from the Judgment THAT WAS PASSED AT THE GREAT FLOOD. THIS IS BASED ON THE ANALOGY THAT here it is written: HASHEM sat, while in another place it is written: He shall sit alone (Vayikra 13:46), OUTSIDE THE CAMP. THE MEANING, IN BOTH CASES, IS THAT HE WAS ALONE, by himself. ALL THIS LEADS TO THE FACT THAT AT THE SENTENCE OF THE FLOOD, YUD-HEI-VAV-HEI SAT ALONE; HE DID NOT JOIN IN THAT JUDGMENT. AND THAT IS WHY THE SENTENCE WAS IMPOSED AS JUDGMENT WITHOUT MERCY.

115. Now because Noah was out of sight after the sentence was passed, the world was destroyed, and His temper was quiet, it is written: "And Elohim remembered Noah." For UNTIL NOW when He was destroying the world, Noah was not remembered, because he was 'out of sight.'

116. I have learned a secret that the Holy One, blessed be He, is revealed and concealed. He is revealed when presiding over the lower Court of Judgment, WHICH IS THE FEMALE PRINCIPLE CALLED RACHEL WHO STANDS FROM THE CHEST OF ZEIR ANPIN DOWNWARD, and He is concealed when he is AT the place from where comes all the blessings, WHICH IS THE STATE IN [mb1] WHICH ZEIR ANPIN MATES WITH LEAH. LEAH STANDS FROM THE CHEST OF ZEIR ANPIN UPWARD, AND FROM THIS MATING ALL BLESSINGS COME FORTH. This is why all the words of Man that are hidden from sight are blessed from above, while all those exposed to view are under the influence of the Court of Judgment, NAMELY THE FEMALE PRINCIPLE WHO IS FROM THE CHEST OF ZEIR ANPIN DOWNWARD, because this is the place that is revealed, NAMELY THE REVEALED WORLD. IN OTHER WORDS, THE LIGHT OF CHASSADIM IS REVEALED IN HER ILLUMINATION BY CHOCHMAH. The one who is called the 'Evil Eye' rules over her, MEANING THAT ALL JUDGMENT AND KLIPOT CLING TO THE PLACE WHERE THE ILLUMINATION OF CHOCHMAH IS REVEALED. Thus, all is according to the supernal secrets of above.

117. Rabbi Yosi wept and said: Happy is the generation who has Rabbi Shimon among it. His merit has brought us to these mountains, so that we could hear such supreme discoveries. He continued: This man has come for the SOLE purpose of revealing these discoveries to us. The Holy One, blessed be He, sent him to us. 15. The secrets of the sacrifices

Here the Zohar discusses the mysteries that surround the ritual of sacrifice. We connect to the Light through the sacrifices that were made during the time of the Holy Temple. The secret of this ritual concerns the sacrifice that must occur within the self. We must become the sacrifice, spiritually speaking, by giving up our own ego and evil inclination. This section gives us the strength of character to approach the people in our lives with honesty, and to sacrifice our own egos by admitting any jealousies and insecurities in our relationships with them.

118. Rabbi Elazar was sitting one day before his father, Rabbi Shimon, and he asked him, if the 'End of all Flesh,' WHICH IS THE OTHER SIDE, enjoys himself with those sacrifices that Yisrael offered upon the altar? He answered that all derived their nourishment and were pleased, both above and below.

118. רַבִּי אֶלְעָזָר, הוּוּה יְתִיב יוֹמָא חַד קָמִיהּ דְר' שְׁ אָבוּי. אָמְרֵלוּ הָאִי קֶץ כָּל בְּשָׂר, אֲתַהֲנִי מְאִינֹן קִרְבָּנִין דְּהוּוּ יִשְׂרָאֵל מִקְרָבִין עַל גְּבֵי מִדְּבַחָא אוּ לָא. אָמַר לֵיהּ כֵּלָא הוּוּ מִסְתַּפְקֵי בְּחָדָא, לְעִילָא וְתַתָּא.

119. Come and behold: the Priests, the Levites, and the children of Yisrael are THE SECRET OF THE THREE COLUMNS-RIGHT, LEFT, AND CENTRAL-AND ARE called 'Adam' (Man), through the union of the holy desires that rise from them, AS MAYIN NUKVIN (FEMALE WATERS). DESIRE RISES FROM THE PRIESTS BY THEIR WORK; FROM THE LEVITES BY THEIR SINGING; AND FROM YISRAEL BY THEIR ATTENDANCE AT THE TIME OF THE OFFERINGS OF THE SACRIFICE. And when a sheep, or a deer or any other animal is brought to be sacrificed, all sins and evil desires and intentions must be confessed over them. Then the sacrifice is called 'a beast,' as it is now burdened with all the sins and evil intentions THAT WERE CONFESSED OVER IT.

119. וְתָא חַזִּי, בְּהֲנִי וְלִיּוֹאֵי וְיִשְׂרָאֵל, אֵינֹן אֶקְרוּן אָדָם, בְּחַבּוּרָא דְאֵינֹן רְעוּתִין קְדִישִׁין דְּסִלְקִין מְגוּוּיָהוּ. הֵוּוּא כְּשָׂבָא אוּ אָמְרָא, אוּ הֵוּוּא בְּהֵמָה דְקָרְבִין, אֶצְטְרִיךְ עַד לָא יִתְקָרִיב עַל גְּבֵי מִדְּבַחָא, לְפָרְשָׁא עֲלֵהּ כָּל חֲטָאִין וְכָל רְעוּתִין בִּישׁוּן, לְאֲתוּדָהָ עֲלֵהּ. וְכִדִּין הֵוּוּא אֲתַקְרִי בְּהֵמָה בְּכֵלָא, בְּגוּ אֵינֹן חֲטָאִין וּבִישׁוּן וְהִרְהוּרִין.

120. This is similar to the sacrifice of the scapegoat, of which it is written: "and he shall confess over him all the iniquities of the children of Yisrael" (Vayikra 16:21). So here as well, OVER EVERY SACRIFICE, THERE SHOULD BE A CONFESSION OF THE SINS. Because when the sacrifice is raised upon the altar AND IS NOT SENT TO THE DESERT, it bears a twofold burden, each of which is raised to its own place. The first is in the secret of Adam (Man), which is also the secret of the three Columns; the latter is in the secret of the beast, WHICH IS THE SECRET OF THE ILLUMINATION OF THE LEFT COLUMN ONLY, as it is written: "Man and beast You do save, Hashem." (Tehilim 36:7).

120. בְּגוּוּנָא דְקָרְבָּנָא דְעֻזְאזֹל, דְכִתִּיב וְהִתוּדָה עֲלֵיו אֵת כָּל עוֹנוֹת בְּנֵי יִשְׂרָאֵל וּגו'. הֵכִי נִמֵּי הֵכָא, וְכִד סִלְקָא עַל גְּבֵי מִדְּבַחָא, מְטוּ לֵה עַל חַד תְּרִין, וּבְגִין כֵּן, דָּא סִלְקָא לְאֲתַרְיָה, וְדָא סִלְקָא לְאֲתַרְיָה, דָּא בְרוּזָא דְאָדָם, וְדָא בְרוּזָא דְבְּהֵמָה, כְּמָה דָּאֵת אָמַר אָדָם וּבְהֵמָה תּוֹשִׁיעַ ה'.

121. Fried meal offerings and all other meal offerings arouse the Holy Spirit, NAMELY THE ASPECT OF MAN, through the desire of the Priests, the singing of the Levites and the prayer of Yisrael, WHO COLLECTIVELY ARE THE SECRET OF THE THREE COLUMNS. And from the smoke that the oil and the flour raises UPON THE ALTAR, all the prosecutors replenish themselves, and are appeased. Once appeased, they become powerless to pursue the indictment that has been delivered into their hands, AND THEY ARE CONSIDERED TO BE THE ASPECT OF THE BEAST. SO THE MEAL OFFERINGS PERTAIN TO MAN AND BEAST ALIKE, and both are drawn at the same time. IN OTHER WORDS, BOTH MAN AND BEAST ARE DRAWN AT THE TIME OF THE SACRIFICIAL OFFERING. Come and behold: everything is arranged in accordance with the secret of faith-- both sides are replenished and sent above endlessly.

121. חֲבִיתִין, וְכָל שָׂאָר מִנְחוֹת, לְאֲתַעְרָא רֻחָא קְדִישָׁא, בְּרַעוּתָא דְכְּהֲנֵי וְשִׁירְתָא דְלִיּוֹאֵי, וּבְצִלּוֹתָא דְיִשְׂרָאֵל. וּבְהֵוּוּא תְּנַנָּא וְשִׁמְנָא וְקִמְחָא דְסִלְקִין מִתְרוּוֹן וּמִסְתַּפְקִין כָּל שָׂאָר מְאִרֵי דְדִינִין, הֵלָא וְכֵלִין לְשִׁלְטָהָ בְּהֵוּוּא דִינָא דְאֲתַמְסֵר לוֹן וְכֵלָא בְּזַמְנָא חָדָא. תָּא חַזִּי, כֵּלָא אֲתַעְבִּיד בְּרוּזָא דְמַהִימְנוּתָא לְאֲסַתְפָּקָא דָּא בְדָא, וְלְאֲסַתְלַקָּא לְעִילָא, מְאֵן דְאֶצְטְרִיךְ, עַד אֵין סוּף.

16. Raising the hands during prayer

The essence of this passage from the Zohar concerns the hands, and their inherent nature of constantly attracting negative forces. Since the hands are the tools by which we carry out most of our actions in life, the forces of darkness latch onto them in order to influence our deeds. We can infuse our hands with the positive energy that dwells in the Upper Worlds so that they bring blessing and good fortune to all endeavors.

122. Rabbi Shimon said: "I raise my hands on high to pray," AS HE BEGAN TO REVEAL THE ORDER OF THE EMANATIONS OF THE UPPER THREE SFIROT OF ARICH ANPIN, WHICH ARE CALLED KETER, THE 'MIND (HEB. MOACH) OF AIR,' AND THE 'CONCEALED MIND (MOACH).' HE BEGAN, TOO, TO REVEAL HOW TO RISE UP TO THE 'UNREVEALED HEAD,' WHICH IS THE SECRET OF THE ENDLESS WORLD (HEB. EIN-SOF), BLESSED BE HE. BECAUSE THIS ISSUE IS AN EXALTED AND VERY SECRET MATTER, HE PRAYED SO THAT THE REVELATION OF THESE SECRETS WOULD BE ACCEPTED BEFORE HASHEM, BLESSED BE HE. When the supernal desire at the highest point above, WHICH IS THE SECRET OF KETER OF ARICH ANPIN, is established upon the forever unknown and ungraspable desire, WHICH IS THE SECRET OF THE HEAD OF ATIK CALLED THE 'UNKNOWN HEAD,' THE KETER OF ARICH ANPIN becomes the most concealed Head above. And that Head emanates all that He emanates and all that is unknown, WHICH IS THE MIND (MOACH) OF AIR OF ARICH ANPIN. And He illuminates all that he illuminates in a concealed manner, WHICH IS THE CONCEALED MIND (MOACH) OF ARICH ANPIN, AS SHALL BE FURTHER EXPLAINED.

123. The desire of the supernal thought, which is the KETER OF ARICH ANPIN, IS CALLED THE SUPERNAL WILL. AFTER IT HAS BEEN ESTABLISHED AS THE HEAD, IT IS CALLED the "supernal Thought." But as the supernal Thought runs after THE LIGHT OF THE UNKNOWN HEAD, a veil spreads BETWEEN THE UNKNOWN HEAD AND THE KETER, allowing it to reach-and to not reach-the light. THE VEIL HINDERS IT FROM REACHING THERE. The Light shines upward toward the veil, BUT NOT FROM THERE DOWNWARD. Therefore the supernal Thought shines with Unrevealed Illumination TO THE CONCEALED MIND (MOACH), and with Light unknown to the "Mind (Moach) of air." And the Thought itself, WHICH IS KETER, is considered unknown.

124. Then, the illumination of the Unknown Thought hits upon the illumination of the veil that stands and shines UPON THE THREE LESSER DEGREES, MENTIONED ABOVE. THESE CONSIST OF what is unknown BY THE 'MIND (MOACH) OF AIR,' what is not known, BY KETER, and what is unrevealed IN THE 'CONCEALED MIND.' Thus, the illumination of the Thought that is not known, WHICH IS THE UNKNOWN HEAD, hits upon the veil's illumination, and they shine together. And from them, nine Chambers are made IN THE UNKNOWN HEAD.

125. These Chambers are not Lights, AS ARE THE NINE LIGHTS OF ARICH ANPIN in their original location. And they are neither Ruchot nor Neshamot, and nobody can understand what they are. BECAUSE THE LIGHT OF THE EIN SOF, BLESSED BE HE, SHINES UPON THE UNKNOWN HEAD, THE NINE PALACES THEREIN ARE AS THE EIN SOF, WHICH NO MIND CAN GRASP, AS SHALL BE EXPLAINED. The desire of all nine Lights OF THE THREE HEADS OF ARICH ANPIN are standing in the Thought, NAMELY IN THEIR LOCATION IN ARICH ANPIN, WHICH IS CALLED THE THOUGHT and is also considered one of them. THE THOUGHT OF ARICH ANPIN IS COUNTED AS ONE OF THESE NINE LIGHTS, AND ALTHOUGH THE LIGHTS ARE LOCATED IN THE UNKNOWN HEAD, THE UNKNOWN HEAD IS NOT OF THEIR ASPECT AT ALL. THE DESIRE OF ALL IS to pursue THE NINE CHAMBERS IN WHICH THEY ARE LOCATED WITHIN THE UNKNOWN HEAD, while THE NINE LIGHTS are located in the Thought, WHICH IS ARICH ANPIN. Nevertheless, THE CHAMBERS are not attained and not known TO THE NINE LIGHTS because they are NOT established as either AN ASPECT OF desire or as AN ASPECT OF supernal Thought, WHICH IS ARICH ANPIN. They grasp and do not grasp that all the secrets of Faith are based upon THESE NINE CHAMBERS. And all of these Lights come from the secret of the supernal Thought, WHICH IS ARICH ANPIN, and all OF THE NINE CHAMBERS ORIGINATE FROM IT and all are called the Ein Sof. Because the Lights reach and do not reach, there is no desire nor thought at this point.

122. אָמַר רַבִּי שִׁמּוֹן שֶׁמֶעוֹן אֲרִימַת יָדָאֵי בְּצִלוֹתֵין לְעִילָא, דְּכַד רְעוּתָא עֲלָא, לְעִילָא לְעִילָא, קְיִימָא עַל הָהוּא רְעוּתָא, דְּלֹא אֲתִידַע, וְלֹא אֲתַפְּס בְּלָל לְעִלְמוֹן, רִישָׁא דְּסִתִּים יִתִּיר לְעִילָא, וְהָהוּא רִישָׁא אֲפִיק מֵאֵי דְּאֲפִיק, וְלֹא יָדִיעַ, וְנִהִיר מֵאֵי דְּנִהִיר, כֹּלָא בְּסִתִּימוּ.

125. וְהֵיכְלִין, לֹא אִינְוֹן נִהִרִין, וְלֹא אִינְוֹן רֻחוּן, וְלֹא אִינְוֹן נְשַׁמּוֹתֵין, וְלֹא אִית מֵאֵן דְּקִיּוּמָא בְּהוּ. רְעוּתָא, דְּכֹל תַּשַּׁע נִהִרִין, דְּקִיּוּמֵי כְּלָהוּ בְּמַחְשְׁבָה, דְּאִיְהוּ חַד מְנִיָהוּ בְּחוּשְׁבָנָא, כְּלָהוּ לְמַרְדָּף בְּתִרְיָהוּ, בְּשַׁעֲתָא דְּקִיּוּמֵי בְּמַחְשְׁבָה וְלֹא מִתְדַבְּקִין וְלֹא אֲתִידַעוּ, וְאֵלִין לֹא קְיִימֵי לֹא בְּרְעוּתָא, וְלֹא בְּמַחְשְׁבָה עֲלָא תַּפְּסִין בְּהוּ, וְלֹא תַּפְּסִין. בְּאֵלִין קְיִימֵי כֹל רְזִי דְּמַהִימְנוּתָא, וְכֹל אִינְוֹן נִהִרִין מְרִזָּא דְּמַחְשְׁבָה עֲלָא כְּלָהוּ אֲקִרוּן אִין סוּף. עַד הֵכָא מְטוּ נִהִרִין וְלֹא מְטוּן, וְלֹא אֲתִידַעוּ, לֹא הֵכָא רְעוּתָא, וְלֹא מַחְשְׁבָה.

126. When Unknown Thought shines from its source, NAMELY FROM THE MIND (MOACH) OF AIR, IT IS ENCLOTHED AND COVERED BY BINAH. It shines upon whom She shines, and they enter each other until they are as one.

127. Returning to the secret of the sacrifice: when it is raised ON THE ALTAR, UNIFICATIONS, SUCH AS THOSE OF THE THREE HEADS OF ARICH ANPIN IN THE UNKNOWN HEAD AND BINAH IN THE HEAD OF ARICH ANPIN, ARE DONE AS HAS BEEN PREVIOUSLY EXPLAINED. All are enmeshed within one another and shine one upon the other. Now all the stages are in the secret of the 'Ascending' and, when it ascends to the Unknown Head, Thought, WHICH IS ARICH ANPIN, is crowned by the Ein Sof. THAT IS, THE LIGHT OF EIN SOF SHINES UPON THE ILLUMINATION OF THE NINE CHAMBERS OF THE UNKNOWN HEAD. AS IT IS SAID, THE ILLUMINATION OF THE SUPERNAL THOUGHT, WHICH IS ARICH ANPIN, SHINES FROM THE NINE CHAMBERS AND IS CALLED EIN SOF. And FROM EIN SOF comes ARICH ANPIN. It is established and shines upon whom It shines. All is based upon this, ON THE DRAWING OF THE LIGHT OF EIN SOF BY ARICH ANPIN TO THE WORLDS, AS HAS BEEN EXPLAINED. Happy are the righteous who raise up the 'Female Waters' and unify the aforementioned exalted combinations in this world and the world to come, as they inherit both worlds.

128. Come and behold: this 'End of all Flesh,' means that the attachment takes place in joy above IN BINAH AND IN ARICH ANPIN. The same applies below TO ZEIR ANPIN, THE FEMALE PRINCIPLE, AND THE LOWER WORLDS. AND THE ATTACHMENT OF EVERY LOWER STAGE TO EVERY UPPER ONE OCCURS in happiness and in a desire to share fulfillment with all above and below, EVEN TO THE 'END OF ALL FLESH' and Ima, WHICH IS THE SHECHINAH, dwells properly upon Yisrael.

129. Come and behold: every first day of the month, when the Moon renews herself, OR, IN OTHER WORDS, THE FEMALE PRINCIPLE RENEWS HERSELF BY MATING WITH ZEIR ANPIN. Then, the 'End of all Flesh' is given an extra portion, WHICH IS THE SCAPEGOAT OF THE NEW MOON, which is added to the REGULAR sacrifices. Thus, he is occupied by it and uses his portion. SO, THE NEW MOON'S SCAPEGOAT RENEWS THE ILLUMINATION OF THE LEFT SIDE, FROM WHICH THE 'END OF ALL FLESH' IS REPLENISHED. Hence, the RIGHT side of Yisrael remains for them alone so that it can unify with its King. This is why THEY OFFER THE SCAPEGOAT, ALSO CALLED 'Hairy' (Heb. Se'ir), because it belongs to the part of Esav, who is described as being hairy, as it is written: "Esav my brother is a hairy man" (Beresheet 27:11). Thus, THE 'END OF ALL FLESH' replenishes from his part OF ESAV, WHICH IS THE LEFT SIDE, while Yisrael replenishes from its side, WHICH IS THE RIGHT. Thus, it is written: "For Yah has chosen Ya'akov to Himself, and Yisrael for His treasure" (Tehilim 135:4).

130. Come and behold: the sole desire of this 'End of all Flesh' is flesh alone. All that is done with the flesh in any instance is only for his sake. That is why he is called the 'End of all Flesh.' And when he rules, he rules over the body, WHICH IS THE FLESH, but not over the soul. The soul returns to its place, WHILE THE BODY, NAMELY the flesh, is given over to this place, NAMELY THE 'END OF ALL FLESH.' It is the same with the offering, as the desire goes to one place and the flesh to another.

126. כִּד נִהַר מְחַשְׁבָּה, וְלֹא אֶתְיִידַע מִמֶּאֵן דְּנִהַר, בְּדִין אֶתְלַבֵּשׁ וְאֶסְתִּים גּוּ בִּינָה, וְנִהַר, לְמֵאן דְּנִהַר וְאֶעִיל דָּא בְּדָא, עַד דְּאֶתְכַלִּילוּ כְּלֵהוּ בְּחֻדָּא.

131. A person who is righteous is HIMSELF a sacrifice given for atonement, BECAUSE HE SACRIFICES HIS OWN DESIRE, OVERCOMING HIS WILL. But a person, who is not righteous, is not accepted as a sacrifice because he is blemished. As it is written: "They shall not be accepted for you" (Vayikra 22:25). So the righteous alone atone for the world and are accepted as sacrifices in this world. Come and behold: "And Hashem said to Noach, the End of all Flesh is come before me," NAMELY, THE OTHER SIDE. And it came to receive permission to darken the faces of humankind. So that is why "I will destroy them with the earth."

132. Come and behold: it is written: "And Noach was 600 years old" (Bereshheet 7:6). AND HE ASKED: Why does the verse count THE YEARS OF NOACH? AND HE ANSWERED: If Noach was not 600 years old, he would not have entered the ark and become united with it. Because he became completed in 600 years, he became united with the ark.

133. From the day that the sins of the people were completed, FROM THE TIME THEY WERE DESERVING OF RECEIVING THEIR PUNISHMENT, the Holy One, blessed be He, still waited for them. He waited until Noach completed his 600 years and perfected himself as a righteous man. Only then did Noach enter the ark. And everything below is as above. IN OTHER WORDS, EVERYTHING WAS DONE BY DIVINE INSPIRATION FROM THE UPPER YESOD AND MALCHUT. THAT IS WHY IT IS WRITTEN: "And Noach was 600 years old," and not 'approximately 600.' For, as we have said, he had to be exactly 600 years old TO COMPLETE THE SFIRAH OF YESOD.

17. "And I... do bring the Flood of waters"

No matter how far one may fall spiritually, the Light of the Creator is always present the moment we decide to rise above our negativity. This awareness, together with the positive influences radiating from the text, is the way we can begin our ascent.

134. And he continued, quoting the verse: "And I shall Myself bring the Flood of waters" (Bereshheet 6:17). HE ASKED: Why DOES THE VERSE SAY "Myself" after already saying "And I?" AND HE ANSWERED: The words "I" and "Myself" are the same. But, come and behold: wherever it is written "I," a body has been made for the soul. THIS MEANS THAT "I" IS THE FEMALE PRINCIPLE, WHICH IS THE ASPECT OF THE BODY FOR ZEIR ANPIN. CONVERSELY, ZEIR ANPIN IS CONSIDERED TO BE HER SOUL. And it certainly does receive from above FROM ZEIR ANPIN. That is why THE WORD "I" is hinted with the sign of the Covenant (the circumcision) WITH THE LETTER VAV (LIT. 'AND'), WHICH IS YESOD OF ZEIR ANPIN. As it is written: "I... My covenant is with you" (Bereshheet 17:4), FOR THE FEMALE PRINCIPLE RECEIVES FROM THE COVENANT OF ZEIR ANPIN. "I" means that it is ready to be revealed and is achievable; "I" means that it is a throne of what is above; "I" means that I am the one who shall seek revenge for generations upon generations. But the words "and I" (Heb. Ve-Ani), APPEARING IN THIS PASSAGE, INCLUDE THE LETTER VAV, and refer to the union of the Male and Female. THE VAV OF VE-ANI REFERS TO THE MALE, WHO IS ZEIR ANPIN. Then, THE FEMALE PRINCIPLE is mentioned alone, WITHOUT ZEIR ANPIN, at the time when She is ready to pass Judgment, as it is written: "Myself shall bring the Flood of waters upon the land."

135. HE ASKED IF it has been already stated, "shall bring the Flood," do we not understand that He refers to water? IF SO, WHY IS IT THEN NECESSARY TO MENTION "FLOOD OF WATERS?" AND HE ANSWERED: Flood implies the presence of the Angel of Death, even though it was only water. The Angel of Destruction went in the world to destroy it with this water.

131. וב"נ דאיהו זכאה, איהו קרבנא ממש לכפרה, ואחרא דלאו איהו זכאה, לאו איהו קרבנא, בגין דביה מומא, דכתיב כי לא לרצון וגו'. ועל דא צדיקיא כפרה אינון דעלמא, וקרנא אינון בעלמא. תא חזי, ויאמר אלקים לנח, קץ כל בשר בא לפני, למיטל רשו לאחשכא אפיהו דבני עלמא, ובגיני כך הנני משחיתם את הארץ.

132. תא חזי, מה כתיב ונח בן שש מאות שנה וגו', וכי אמאי אתא חושבנא דא לממני, אלא אילו לא הוה נח בן שש מאות שנה, לא ייעול לתיבותא, ולא יתחבר בהדה, ביון דאשתלים בשש מאות שנה, כדין אתחבר בהדה.

133. ועל דא, מן יומא דאשתלים חובייהו דבני עלמא, אוריך לון קדשא בריך הוא, עד דאשתלים נח, בשש מאות שנה, ואשתלים דרגיה כדקא יאות, והוה צדיק שלים וכדון עאל לתיבותא, וכלא כגוונא דלעילא. ונח בן שש מאות שנה. במה דאמרן. ובגיני כך לא אתמר כבן שש מאות שנה.

134. תו פתח ואמר, ואני הנני מביא את המבול מים. מ"ט הנני, ביון דאמר ואני, אלא אני הנני, כלא מלה חדא היא. תא חזי בכל אתר אני, אתעביד גופא לנשמתא, ודאי, דמקבלא ממה דלעילא, ובגין כך, אתרמיז באת קיימא, דכתיב אני הנה בריתי אתך, אני דקיימא באתגלויא, מזומנת למנדע. אני, כרסויא למה דלעילא. אני, דעבידנא נוקמין לדרי דרין. ואני, כליל דכר ונוקבא כחדא, לבתר אתרשים בלחודוי, דאזרמן למעבר דינא. הנני מביא את המבול מים.

135. ביון דאמר, מביא את המבול, לא ידענא דאיהו מים, אלא את המבול, לאסגאה מלאך המות, דאף על גבדמויא הו, מחבלא אזיל בעלמא, לשיצאה באינון מין.

136. HE CONTINUED BY SAYING: We have learned that the words, "I am Hashem" shows that 'I am faithful to the recompense of the righteous and the punishment of the wicked.' So, here, in this verse, "I" means to promise to reward and repay the righteous well in the world to come. Likewise, it describes the threat to the wicked, who will be punished in the world to come, with the term "I".

136. אָנִי ה'. הָכִי תִנְיִן, נֶאֱמַן אָנָּא, לְשַׁלְמָא אָגֵר טוֹב לְצַדִּיקָיָא, וְלֹא־תַפְרַע מִרְשִׁיעֵיָא, וּבְגִין כֶּךָ, אֲבִטַח לֹוֹן קְרָא לְצַדִּיקָיָא, בְּאֲנִי, לְשַׁלְמָא אָגֵר טוֹב הַלְהוֹן, לְעַלְמָא דְאַתִּי. וְאֲגִזִּים לְרְשִׁיעֵיָא, לְאַתְפְּרַע מִנִּיְהוּ לְעַלְמָא דְאַתִּי, בְּאֲנִי.

137. As we previously explained, the words "To destroy all flesh" refer to the Angel of Destruction. This is why it is also written: "And He will not allow the Angel of Destruction to come into your house to smite you" (Shemot 12:23). THIS MEANS THAT HE DOES NOT GIVE HIM PERMISSION TO DESTROY. To "destroy all flesh" that alludes to THE ANGEL OF DESTRUCTION. AS IS HINTED IN THE VERSE, "The end of all flesh is come before me," MEANING THAT IT CAME BEFORE HIM TO ASK PERMISSION TO DESTROY. The time the Holy One, blessed be He, had waited for them to repent had passed. That is, Noach had reached 600 years of age, AND IT WAS POSSIBLE TO REWARD HIM, AS THE VERSE PROMISES, "TO REWARD THE RIGHTEOUS." THE TIME HAD ALSO ARRIVED FOR THE PUNISHMENT OF THE WICKED. THAT IS WHY HASHEM GAVE PERMISSION TO THE ANGEL OF DESTRUCTION "to destroy all flesh." He said: This is what we learned in the name of Rabbi Yitzchak, who told us all this.

137. לְשַׁחַת כָּל בָּשָׂר, כְּמָה דְאַוּקִימָנָא, דְדָא הוּא מִחְבֵּלָא דְעַלְמָא. וְעַל דָּא כְּתִיב וְלֹא יִתֵּן הַמְּשַׁחֵת לְבָא אֶל בְּתִיכֶם לְנִגּוֹף. וְדָא הוּא לְשַׁחַת כָּל בָּשָׂר, מְסַטְרָא דְקֶץ כָּל בָּשָׂר בְּאֵ לְפָנָי. דְהָא בִּיּוֹן דְמִטָּא זְמָנָא, דְאֲוִרִיךְ לֹוֹן קְדָשָׁא בְּרִיךְ הוּא, עַד דְאַשְׁלִים נַח לְשֵׁשׁ מֵאוֹת שָׁנָה, בְּדִין לְשַׁחַת כָּל בָּשָׂר. אָמַר הָכִי אוֹלִיפְנָא מְשֻׁמִּיהַ דְרַבִּי יִצְחָק דְאָמַר לָן.

18. "I said, I shall not see Yah"

Many dark forces attempt to sway us from our spiritual path, tempting our eyes with the illusions of physical reality. But we can draw the Light to assist us in seeing through these illusions. In this way, we can follow the path that leads to the Light of the Creator, rather than the path that leads to punishment.

138. He began by saying, "I had said, I shall not see Yah, Yah is in the land of the living; I shall behold man no more with the inhabitants of cessation" (Yeshayah 38:11). How obtuse, he said, are the people who do not know or pay heed to the words of the Torah, but look only upon worldly matters. The spirit of wisdom is forgotten from them.

138. פִּתַּח וְאָמַר, אָמַרְתִּי לֹא אֶרְאֶה יְהוָה בְּאַרְצֵי הַחַיִּים לֹא אֲבִיט אָדָם עוֹד עִם יוֹשְׁבֵי חַדְלָא. אָמַרְתִּי לֹא אֶרְאֶה יְהוָה, כְּמָה אֶטִּימִין אֵינוֹן בְּנֵי נְשָׂא, דְלֹא יִדְעִין וְלֹא מְשַׁגְּיחוּן בְּמַלְי דְאֲוִרֵיָתָא, אֲלֵא מְסַתְבְּלֵי בְּמַלְוֵי דְעַלְמָא, וְאַתְנַשְׁוּ מִנִּיְהוּ רַחֲמָא דְחַכְמָתָא.

139. When a person departs this world, that person gives an account to his Master of all his worldly actions. He does this while his body and soul are still joined together and he can see all that he sees until he reaches the World of Truth, where he meets Adam, the first man, sitting at the gate of the Garden of Eden, waiting to see and rejoice with all who have observed the commandments of their Master.

139. דְכַד בְּרַ נֶשׂ אֶסְתַּלַּק מֵהָאֵי עַלְמָא, וְיַהִיב חוּשְׁבָנָא לְמַאֲרִיָּה, מְכַל מַה דְעֵבַד בְּהָאֵי עַלְמָא, בְּעוֹד דְאֵיְהוּ קְאִים רוּחָא וְגוֹפָא כְּחַדָּא, וְחַמֵּי מַה דְחַמֵּי, עַד דְאֵזִיל לְהוּא עַלְמָא, וּפְגַע לֵיהּ לְאָדָם הַרְאִשׁוֹן, יְתִיב לְתַרְעָא דְגַנְתָּא דְעַדָּן, לְמַחְמֵי כָּל אֵינוֹן, דְנִטְרוּ פְקוּדֵי דְמַאֲרִיָּהוֹן, וְחַדֵּי בְהוּ.

140. And many are the righteous around Adam, who instead of walking along the path that leads to Gehenom, followed the path to the Garden of Eden. These are the ones who are called "Residents of the world" (lit. chadel, which means "cessation") (Yeshayah 38:11) AND HE ASKED: Why is it not written: "Inhabitants of the world" (Heb. cheled)? HE ANSWERED: Because they are not like the mole (Heb. chulda), a creature who endures life blindly, laboriously storing and hiding provisions, knowing not for whom. They are the Residents of cessation, as in "Cease (Heb. chidlu) from man whose breath is in his nostrils" (Yeshayah 2:22). BECAUSE THE HEBREW WORD CHADEL MEANS TO AVOID, THEY ARE CALLED THE RESIDENTS OF CESSATION. They avoided walking the path of Gehenom and disciplined themselves to walk along the path leading to the Garden of Eden.

140. וְכְמָה צַדִּיקָיָא סַחְרֵנִיהַ דְאָדָם, אֵינוֹן דְאַתְמַנְעוּ מֵאַרְחָא דְגִיְהֵנָם, וְסֵטוּ לְגַבֵּי אַרְחָא דְגֵן עַדָּן. וְאֵילוּן אַקְרוּן יוֹשְׁבֵי חַדְלָא. וְלֹא כְתִיב יוֹשְׁבֵי חַדְלָא, בְּגִין דְלֹא הוּוּ כְמוֹ חוּלְדָה דְגִרְרָא, וּמִנְחָא, וְלֹא יִדְעָא לְמַאן שְׂבָקָא, אֲלֵא יוֹשְׁבֵי חַדְלָא. כַּד־אֵ חַדְלוּ לְכֶם מִן הָאָדָם וְגו'. דְאַתְמַנְעוּ לֹוֹן מֵאַרְחָא דְגִיְהֵנָם וְאַתְקִיפוּ בְּהוּ לְאַעְלָא לְהוּ בְּגַנְתָּא דְעַדָּן.

141. Another explanation is that residents of cessation REFERS TO all those who repented and ceased performing the sins of the wicked. Because Adam repented before his Master, he sits among others who also repented, ceased sinning, and are called "Residents of Cessation." As it is written: "I will know how frail (Heb. chadel) I am" (Tehilim 39:5). And therefore, Adam sits at the gate of the Garden of Eden, and he is happy with the righteous who walk along the path and arrive at the Garden of Eden.

142. Come and behold: it is written: "I said I shall not see Yah." SO HE ASKED: Who can ever see Yah now? AND HE REPLIED: THAT the end of the verse reveals the intention of the words, as it is written: "Yah in the land of Life." Come and behold: when the souls ascend and reach the place of the Bundle of Life, they enjoy the illumination of the Radiant Mirror, which shines and brings forth Light from the most elevated place of all. A soul not encloded in this radiance could neither approach nor get close enough to see that Light.

143. And the secret of the matter is that as the soul is given garments to don so it can exist in this world, WHICH IS THE BODY, so it is also given garments of supernal radiance. These allow it to exist in the world to come and to see into the Radiant Mirror, WHICH IS ZEIR ANPIN, from that Land of Life, THE FEMALE PRINCIPLE OF ZEIR ANPIN. THUS THE PROBLEM THAT AROSE IN THE VERSE, "I SAID, I SHALL NOT SEE YAH," IS SOLVED. THE INTENTION IS THAT BY THESE TWO AMENDMENTS-(1) BY THE GARMENT OF THE SUPERNAL RADIANCE AND (2) BY THE FEMALE PRINCIPLE OF ZEIR ANPIN, CALLED THE LAND OF LIFE-THE RIGHTEOUS PEOPLE DESERVE TO SEE INTO THE RADIANT MIRROR, WHICH IS THE SECRET OF YAH (YUD-HEI) IN THE LAND OF LIFE.

144. Come and behold: Moshe would not have been able to approach what he was looking at had he not been dressed in another covering. As it is written: "And Moshe entered into the midst of the cloud, and went up the mountain" (Shemot 24:18). And he covered himself with the cloud as a person wears a garment. And then, it is written: "Moshe came to the cloud where Elohim was" (Shemot 24:18), and "Moshe was on the mountain forty days and forty nights" (Shemot 24:18) and was able to see what he saw.

145. In the same way, the souls of the righteous in the World of Truth dress themselves in garments and act in accordance with that world. So dressed, they are prepared to gaze into the Light that shines in the Land of Life, MEANING THAT THEY COVER THEMSELVES WITH THE LIGHT OF THE FEMALE PRINCIPLE, FROM WHICH THEY ARE ABLE TO GAZE INTO THE LIGHT OF THE RADIANT MIRROR. WHEN CHIZKIYAHU CALLED, "Yah, Yah, in the Land of Life" (Yeshayah 38:11), he was afraid that he might no longer be worthy of gazing on that Light and meriting that vision. THE STREAM THAT FLOWS FROM GAN EDEN blocked his vision, and he did not beget any children. AND WHOEVER DOES NOT INDULGE IN THE ACT OF PROCREATION, BLEMISHES THE RIVER THAT FLOWS FROM GAN EDEN, WHICH IS YESOD OF ZEIR ANPIN. THIS IS INDICATED IN THE VERSE: "I shall behold Adam no more" (Yeshayah 38:11). This refers to the first man, as has already been explained. ADAM SITS WITHIN THE GATES OF GAN EDEN AND RECEIVES THE SOULS OF THE RIGHTEOUS WHO ARRIVE THERE. CHIZKIYAUH FEARED THAT HE WAS NOT WORTHY OF SEEING ADAM AT THOSE GATES.

141. דְּבַר אַחֲרֵי־שָׁבִי חָדַל אֵינּוֹן מְרִיחוֹן דְּתִשׁוּבָה, דְּמִנְעוּ גְרַמִּייהוּ מֵאֵינּוֹן חוֹבִין דְּחַיִּיבִינָא, וּבְגִין דְּאִדָּם הִרְאִשׁוּ, תָּב בְּתִיבְתָא קָמִי מֵאֲרִיָּה, יְתִיב עַל אֵינּוֹן דְּאִתְמַנְעוּ מִחוּבִיָּהוֹן, וְאֵינּוֹן בְּנֵי חָדַל, כִּד"א אֲרַעָה מַה חָדַל אָנִי. וּבְגִין כִּךְ אִיהוּ יְתִיב לְתַרְעָא דְּגִנְתָּא דְּעַרְן, וְחָדִי בְּהוּ בְּצַדִּיקִינָא, דְּאִתִּין בְּהוּא אֹרְחָא דְּגִנְתָּא דְּעַרְן.

146. And what was the reason for all this, NAMELY WHY DID CHIZKIYAHU FEAR THIS? Because the prophet had told him, "for you shall die" in this world "and not live" (Yeshayah 38:11) in the World of Truth. For, upon death, he who has not begotten any children in this world is expelled from all that is mentioned above and cannot stay to gaze upon that shining light. If this was the case with Chizkiyahu, who was a pure, righteous man, so much more for those who do not have ancestral merit to support them and have even sinned before their Master.

147. This garment, previously mentioned, has already been discussed by our friends. There is a "robe of the Sages" that they wear in the World of Truth. Happy are the righteous with their inheritance, as the Holy One, blessed be He, has put aside many blessings and delights for them in the World of Truth. It has been written of them: "Eye has not seen besides you, Elohim, what you shall do for him that waits for you" (Yeshayah 64:3).

19. "And I... a Flood of waters"

The spiritual insight conveyed here by the Zohar concerns an individual who commits a terrible deed, but still retains a spark of shame, a degree of embarrassment, or a slight awareness of the wrongfulness of his actions. There is still hope for this person and the path of repentance remains open to him. But those who commit wanton acts of evil, without any remorse for their actions, are considered to be past the point of no return. This section helps us maintain awareness of what constitutes positive and negative spiritual actions.

148. "And I, Myself shall bring a Flood of waters upon the earth." Rabbi Yehuda opened the discussion with the verse: "These are the waters of strife, wherein the children of Yisrael strove with Hashem and He was sanctified in them" (Bemidbar 20:13). AND HE ASKED: This is not the only place where the children of Yisrael strove with Hashem. Why does the text say "waters of strife" here, but not at any other place? AND HE REPLIED: These waters in particular are the waters of strife, for they gave strength and bravery to the Prosecutor. There are sweet and bitter waters, WHICH ARE THE SECRETS OF HOLINESS AND ITS OPPOSITE-OF THE RIGHT COLUMN. And there are pure and mucky waters, WHICH ARE THE SECRETS OF HOLINESS AND ITS OPPOSITE-OF THE LEFT COLUMN. And there are waters of peace and of strife, WHICH ARE THE SECRETS OF THE HOLINESS AND ITS OPPOSITE-OF THE CENTRAL COLUMN. That is why IT IS WRITTEN: "These are the waters of strife, wherein the children of Yisrael strove with Hashem," THIS SHOWS THAT THE WATERS REFERS TO THE OPPOSITE SIDE OF THE CENTRAL COLUMN. As they drew upon themselves that which they should not have DRAWN, NAMELY THE OPPOSITE SIDE, CALLED THE WATERS OF STRIFE and they were defiled by them. And this is why it is written: "and He was sanctified in them."

149. Rabbi Chizkiyah asked: If it is so, then why is it written: "and He was sanctified,"? It should have been written: 'and they were sanctified' IN THE PLURAL, REFERRING TO THE CHILDREN OF YISRAEL. AND HE REPLIED THAT there is a hidden meaning to the words "He was sanctified." THEY INDICATE THAT something that should not be damaged is damaged. It is as if the moon, WHICH IS THE FEMALE PRINCIPLE, has been damaged. So the word "sanctified" is not mentioned here for praise, WHICH ACCOUNTS FOR THE DISCRETION EXPRESSED IN THE SCRIPTURES. AND RABBI YEHUDA CONCLUDED THAT "And I, Myself, shall bring a flood of waters" means that He shall send the Angel of Destruction upon them, just as they defiled themselves with him, as we have stated previously.

150. Rabbi Yosi said: Woe to the wicked who do not want to repent of their sins before the Holy One blessed be He, while they are still in this world, because when a person repents and feels sorry for his sins, then the Holy One, blessed be He, forgives him. But those who cling to their sins and refuse to repent will eventually fall into Gehenom and never be brought up again.

150. אָמַר רַבִּי יוֹסִי, וְוִי לֹון לְרַשָׁעִימָא, דְּלֵא בְּעָא לְאַתְבָּא, קָמִי קְדָשָׁא בְּרִיךְ הוּא עַל חוֹבִימָהוֹן בְּעוֹד דְּאִינֹון בְּהָאִי עֲלֵמָא, דְּכַד ב"נ אֲתִיב, וְאַתְנַחֵם עַל חוֹבוֹי, קְדָשָׁא בְּרִיךְ הוּא מַחִיל לֵיהּ. וְכַל אִינֹון דְּמִתְקַפִּין בְּחוֹבֵיהוֹ, וְלֵא בְּעֵי לְאַתְבָּא קָמִי קְדָשָׁא בְּרִיךְ הוּא עַל חוֹבִימָהוֹן, לְבַתֵּר יִנְפְּלוּ לְגִימָהוֹן וְלֵא יִסְקוֹן לֵיהּ מִתְמָן לְעֵלְמִין.

151. Come and behold: Because the generation of Noach was stubborn and bold enough to sin openly, the Holy One, blessed be He, brought Judgment upon them. Rabbi Yitzchak said that if a person sins, and he does so secretly, then the Holy One, blessed be He, is merciful. If he repents, he is pardoned and forgiven. But if he does not repent his sins, He reveals them for all to see. How do we know this? We learn this from the way in which the faithless wife WHO SINS SECRETLY IS TREATED AND FROM HOW THE HOLY ONE, BLESSED BE HE, REVEALS HER SIN OUT IN THE OPEN WITH THE 'CURSING WATERS.'

151. תָּא חֲזִי, בְּגִין דְּאַתְקִיפוּ לְבִימָהוֹ, כַּל אִינֹון דְּרָא דְנַח, וּבְעוּ לְאַחְזָא חוֹבֵיהוֹ בְּאַתְגְּלִיא, קְדָשָׁא בְּרִיךְ הוּא אִימְתִי דִּינָא עֲלֵיהוֹ, בְּהוּא גּוֹנָא. אָמַר רַבִּי יִצְחָק, וְאַפִּילוּ כַד חֲטִי ב"נ בְּאַתְבָּסִיא, קְדָשָׁא בְּרִיךְ הוּא רַחֲמָן, וְאִי תָב ב"נ לְגַבִּיהּ, חֲפִי עֲלֵיהּ, וּמַחִיל לֵיהּ וְשׁוֹבִיק לֵיהּ, וְאִי לֵא, גְּלִי לֵיהּ לְעֵינֵי כְּלָא, מְנָלָן, מְסוּטָה.

152. In the same manner, the wicked, NAMELY THE GENERATION OF THE DELUGE, were openly destroyed and wiped from the face of the earth. And how were they wiped out? The scalding waters spurted up from the abyss, skinning them alive. As skin was torn from flesh, they were left only with their bones-and then the bones came asunder. As it is written: "And they were wiped from the face of the earth" (Beresheet 7:23). Rabbi Yitzchak said: "And they were wiped out." What is meant by the expression "wiped out?" It is similar to, "Let them be blotted out from the book of living" (Tehilim 69:29). We learn from this that they shall not participate in the resurrection and will not rise in the Day of Judgment.

152. וְהִכִּי נָמִי אֲתַמְחוּן אֲלִין חַיִּיבִיא מְאַרְעָא בְּאַתְגְּלִיא, וְהִיךְ אֲתַמְחוּן. אֲלֵא דְהוּ דְהוּ נִפְקִי מִיֵּיא, וְהוּ רְתִיחָן, מִן תְּהוּמָא, וְסִלְקִי וְאַעֲבַר מְנִימָהוֹ מְשַׁכָּא, וְכִיּוֹן דְּאַעֲבַר מְנִימָהוֹ מְשַׁכָּא, הִכִּי נָמִי בְּשַׂרָא, וְלֵא אֲשַׁתְּאֵרוּ אֲלֵא בְּגַרְמִימָהוֹ לְחוּד, לְקִימָא דְכְּתִיב וְיִמְחוּ מִן הָאָרֶץ. וְכַל אִינֹון גְּרַמִּי, אֲתַפְּרִדֵּן דָּא מִן דָּא, וְלֵא אֲשַׁתְּאֵרוּ כְּחָדָא, וּמַכְּלָא אֲתַעֲבַרוּ מְעֵלְמָא. רַבִּי יִצְחָק אָמַר, וְיִמְחוּ מִן הָאָרֶץ, מֵאִי וְיִמְחוּ, כַּד"א יִמְחוּ מְסַפֵּר חַיִּים, מְכָאן אֲוִלִיפְנָא דְלִית לֹון תְּחִיָּה לְעֵלְמִין, וְלֵא יְקוּמוּן בְּדִינָא.

20. "And I will establish my covenant"

The vital importance of the Covenant between man and God can remain in our consciousness through the spiritual forces released by the letters of this section. This Covenant is founded primarily upon the greatest power that humanity was given for revealing spiritual Light into this world and into our own lives -- that is, sexual relations between husband and wife. The Kabbalists teach us that because this action has the most potential and influence for revealing Light, it is given the most attention by the evil inclination and the negative forces that dwell in our midst.

153. "But with you will I establish my covenant" (Beresheet 6:18). Rabbi Elazar said that from this we learn that the establishment of the Covenant above is equivalent to the establishment of that below. This is concluded from the term, "with you." Rabbi Elazar continued to say that from this we learn that when there are righteous in the world, the worlds above and below are firmly established.

153. וְהִקִּימוֹתִי אֶת בְּרִיתִי אִתְךָ, אָמַר ר' אֶלְעָזָר, מְהֵכָא קִיּוּמָא דְּבְרִית לְעִילָא, בְּקִיּוּמָא דְּבְרִית לְתַתָּא, מְשַׁמַּע דְּכְּתִיב אִתְךָ. וְאַמַּר רַבִּי אֶלְעָזָר, מְכָאן אֲוִלִיפְנָא, דְּכַד זְכָאִין אִינֹון בְּעֵלְמָא, אֲתַקְּיִים עֲלֵמָא לְעִילָא וְתַתָּא.

154. Rabbi Shimon said that this is a hidden matter, because the arousal of the male to the female happens when he feels jealousy toward her. Come and behold: When there is a righteous person in the world, the Shechinah immediately attaches Herself to him and never leaves him. And she therefore desires him. The upper desire is then aroused toward her with love that is similar to the desire of the male for the female when he feels jealousy toward her. That is why it is written: "But with you will I establish my covenant." THIS MEANS THAT my desire is aroused because of you. The verse, "My Covenant will I establish with Yitzchak," has a similar meaning that it is because of Yitzchak, as by Noach.

155. "But with you will I establish my covenant," MEANS THAT you shall be My Covenant in the world. And after that, "and you shall come into the ark." Because had he not been righteous, he would not have entered the ark, as only a righteous man may be connected with the ark. That is why it is written: "you shall come into the ark," AFTER IT HAS BEEN STATED THAT "BUT WITH YOU WILL I ESTABLISH MY COVENANT."

156. Rabbi Elazar said that as long as the people hold on to the Covenant, no nation nor tongue in the world can harm them. And because Noach kept and protected the Covenant, the Holy One, blessed be He, protected him. But the rest of his generation did not observe the Covenant, so the Holy One, blessed be He, removed them from the world. And it has been said that in the same way that they sinned, they were also erased from the world.

21. "And he repaired the altar of Hashem that was ruined"

The Covenant between mankind and God connects to the Sfirah of Yesod, which correlates to the reproductive organs of man. There is also a vital spiritual link to the circumcision of a newborn male child.

The underlying lesson of this section is the Kabbalistic doctrine that all war, natural disasters, famine, slaughter, and massacre can be traced to destructive spiritual forces arising from humanity's negative sexual acts. Negative sexual acts are defined as those that are not for the purpose of procreation or for the bringing of Light to the world.

Sexual relations between man and wife mirror the metaphysical forces at work in the Upper Worlds. The male corresponds to the realm of Yesod, and the woman to the world of Malchut. Whenever any kind of positive Light and fulfillment reaches our lives, it is a direct result of the enjoining of Yesod and Malchut.

Sexual relations accomplish this mating of the two Upper Worlds. However, negative forces constantly try to sever this connection. These negative forces are so cunning and clever, they have deceived us into believing they do not even exist.

Through our own meditation and desire to share, the power of these words of the Zohar can awaken a genuine understanding of the role sexual relations play in the revelation of Light into the world.

157. Rabbi Yehuda was sitting before Rabbi Shimon, and both were studying the text, in which it is written: "And he repaired the altar of Hashem that was broken down" (I Melachim 18:30). What is the meaning of the term 'repaired' in this verse? Come and behold: "In the days of Eliyahu, all Yisrael left the Holy One, blessed be He, and in so doing, left their Holy Covenant. And when Eliyahu came and saw that the sons of Yisrael had left the Holy Covenant and therefore it had been taken away from them, HE AMENDED IT AND BROUGHT IT BACK TO ITS PLACE. THAT IS, HE AMENDED YESOD, MAKING IT WORTHY OF MATING WITH MALCHUT. AND THIS IS CONSIDERED TO BE THE REPAIR OF THE ALTAR, WHICH IS MALCHUT, AS SHALL BE FURTHER EXPLAINED.

157. רַבִּי יְהוּדָה הָוָה שְׂכִיחַ קַמִּיָּה דְר"ש, וְהוּוּ עֵסְקִי בְּהָאֵי קְרָא דְכְתִיב וַיְרַפָּא אֶת מִזְבֵּחַ ה' הַהֵרוּס. מֵאֵי וַיְרַפָּא, תָּא חֲזִי, בֵּימֵי אֱלִיָּהוּ, יִשְׂרָאֵל כְּלָהוּ שְׂבָקוּ לִיָּה לְקִדְשָׁא בְרִיךְ הוּא, וְשְׂבָקוּ בְרִית קִיּוּמָא דְלַהוּן, כִּד אֲתָא אֱלִיָּהוּ וְחָמָא דְקָא שְׂבָקוּ בְּנֵי יִשְׂרָאֵל הָאֵי בְרִית קִיּוּמָא, וְאֶעְבְּרוּ מְנִיָּיָהוּ הָאֵי בְרִית.

158. Because he brought it back to its place, NAMELY BECAUSE HE REPAIRED YESOD AND BROUGHT IT BACK TO MALCHUT, all was healed! This is why it is written: "And he repaired the altar of Hashem that was broken..."--a reference to the Covenant that had been forsaken. It is therefore written: "And Eliyahu took twelve stones, according to the number of the tribes of the sons of Ya'akov" (I Melachim 18:31), which alludes to the repair of the altar of Hashem, THE AMENDMENT OF THE DAMAGE AND THE 'HEALING' OF THE ALTAR.

159. "To which the word of Hashem came and said, Yisrael shall be your name" (I Melachim 18:31). HE ASKED: What is the reason for mentioning the name 'Yisrael' upon the altar? And he answered: Assuredly, "Yisrael shall be your name..." signifies THE AMENDMENT to raise her up, NAMELY TO RAISE MALCHUT TO THE SUPERNAL ABA AND IMA, and to return the Holy Covenant to its place. IT SIGNIFIES THAT YESOD OF ZEIR ANPIN COULD UNITE AGAIN WITH MALCHUT, FOR THERE CAN BE NO UNION BETWEEN ZEIR ANPIN AND MALCHUT UNLESS THEY RETURN TO THEIR PLACES BETWEEN ABA AND IMA. That is why it is written: "For the children of Yisrael have forsaken your Covenant" and have therefore "ruined your altars" (I Melachim 19:10), WHICH IS MALCHUT. AND BY THE SECRET OF THE AMENDMENT OF THE COVENANT, SHE SHALL BE REBUILT AGAIN.

160. Come and behold: As long as Yisrael respects the Holy Covenant, the worlds above and below are permitted to exist. But when they disregard the Covenant, the worlds above and below cannot exist. As it is written: "If My Covenant be not day and night, it were as if I had not appointed the ordinances of heaven and earth" (Yirmeyah 33:25). This is why it is written: "And he repaired the altar of Hashem that was broken down." He asked if this is considered to be "healing?" AND HE ANSWERED: Yes, most certainly! Because he maintains the place upon which faith is dependent. IN OTHER WORDS, HE OBSERVES THE COVENANT, WHICH IS YESOD, AND MAINTAINS THE PLACE ON WHICH MALCHUT THAT IS CALLED "FAITH" DEPENDS.

161. Come and behold: The same applies to Pinchas, who was zealous because of what Zimri had done. By his action, he reinstated the Covenant and returned it to its proper place. That is why it is written: "Behold, I give to him my covenant of peace" (Bemidbar 25:12). Can one really accept the idea that Pinchas was the reason for the peace? And upon what is this controversy between Pinchas and the covenant based? That here, IN THE WORD PEACE, everything was connected to its right place, meaning "Behold, I give to him my covenant of peace." But what is it that is given? WHAT IS THE COVENANT? "Peace," WHICH MEANS SUPERNAL MATING, IS GIVEN, so that the Covenant can be connected to its proper place, WHICH IS MALCHUT. That is why it is written: "I give to him my covenant of peace." And what is "peace?" It is the place with which to connect; it is THE MATING WITH MALCHUT REFERRED TO BY THE TERM 'PEACE.' MALCHUT THAT was disconnected from 'Him' FROM YESOD, as a result of the sins OF YISRAEL was attached to it by PINCHAS. He was the person who returned the Covenant to its place for all time. "And he shall have it, and the Covenant of an everlasting priesthood shall belong to his seed after him, because he was zealous for his Elohim" (Bemidbar 25:12).

158. בֵּינוֹן דְּחֻמָּא אֱלִיָּהוּ כֶּךָ, אֲתָא לְאַתְרֵיךָ מְלָה לְדוּכְתִּיָּהּ, בֵּינוֹן דְּקָרִיב מְלָה לְדוּכְתִּיָּהּ, אֲתָסִי בְּלָא, הַה"ד וִירְפָא אֶת מִזְבַּח ה' הַהָרוּס, דָּא בְרִית קְיִימָא, דְּהוּה שְׂבִיק מְעֵלְמָא. וּכְתִיב וַיִּקַּח אֱלִיָּהוּ שְׁתֵּים עָשָׂר אֲבָנִים לְמַסְפָּר שְׁבַטֵי בְנֵי יִשְׂרָאֵל, דָּא הוּא תְּקוּנָא דְּמִזְבַּח ה'.

162. Rabbi Shimon said that there is nothing in the world which so provokes the jealousy of the Holy One, blessed be He, as the sin of disregarding the Covenant. As it is written: "A sword that shall execute the vengeance of the covenant" (Vayikra 26:25). Come and behold: The sin of the generation of the Flood was not completed until they sinned by "corrupting their ways on earth." And even though they were violent with each other-as it is written: "And the earth was filled with violence" (Beresheet 4:11) and "for the earth is filled with violence through them" (Beresheet 4:13)-"I shall destroy them" was because of the sin of letting semen spill in vain. THAT IS, THEIR SENTENCE WAS NOT COMPLETED UNTIL THE COVENANT WAS BLEMISHED. "The earth was also corrupt before the Elohim" and "I shall destroy them" was measure for measure.

163. And there are those who say that their measure of guilt was not completed when they sinned with violence and were cruel with each other. FOR BY THIS they were wicked toward heaven and to other people. Come and behold: There are many ministers above, who are appointed to the voices of those who declare the sentences of their friends TO THE HEAVENS for what has been done to them. And for this sin, it is written: "The earth is filled with violence through them." This means that each and every one passed judgment on his friend before the heavens. That is why it is said: "I will destroy them with the earth."

22. "Come you and all your house"

The home is a magnet for both positive and negative spiritual forces. Negative people who visit our homes can instill harmful energy, and this section gives us the protection against any such forces.

164. "And Hashem said to Noach, Come you and all your house." Rabbi Shimon asked: Why does the term "Elohim" appear in all the verses of the text, while here the name Hashem, YUD-HEI-VAV-HEI, is mentioned? What is different here that Yud-Hei-Vav-Hei, which is the supernal name of Mercy was mentioned? This hints at the secret we have already learned, that it is not proper for a woman to invite a guest into her house without the permission of her husband.

165. It was the same when Noach was asked to enter the ark, WHICH IS MALCHUT, and to unite with Her. It was not yet proper for him to enter until the 'husband' of the ark gave him permission to do so. As it is written: "Come you and all your house into the ark." And this is why the name Yud-Hei-Vav-Hei, who is the husband of the ark, is mentioned there, FOR YUD-HEI-VAV-HEI IS ZEIR ANPIN AND THE ARK IS MALCHUT. Only after the husband gave permission did Noach enter and unite with the ark. Thus, we have learned that a guest does not have permission to enter a house without the consent of the husband, the owner of the house. This is why after the mention of Yud-Hei-Vav-Hei, it is written: "And Noach went in."

166. Come and behold: What is written? "For you I have seen righteous before Me, in this generation" (Beresheet 7:1). From this we learn that a person should never accept a guest into his house if he suspects that he might be wicked. And he should accept him only if he considers him to be righteous and is not at all suspicious of him. That is why it is written: "Come you and all your house into the ark." Why? Because "you I have seen righteous before Me in this generation."

162. אָמַר רַבִּי שִׁמְעוֹן, לִית לָךְ מְלָה בְעֵלְמָא, דְּקִדְשָׁא בְרִיךְ הוּא קִנִּי לָהּ, כְּמוֹ חוּבָא דְבְרִית, כְּד"א חָרַב נּוֹקְמַת נְקָם בְּרִית. וְתָא חֲזִי לָא אֲשֵׁתִּילִים חוּבָא דְרָא דְטוֹפְנָא אֲלָא בְּגִין דְּחָבוּ בְּחַבִּילוֹ דְאַרְחִייהוּ עַל אַרְעָא. וְאִף עַל גְּבֻדְהוֹ מְקַפְחִי דָא לְדָא, כְּדִכְתִּיב וְתִמְלֵא הָאָרֶץ חֲמָס, וְכִתִּיב כִּי מְלֵאָה הָאָרֶץ חֲמָס מִפְּנֵיהֶם, מִכָּל מְקוֹם, וְתִשְׁחַת הָאָרֶץ לִפְנֵי הָאֱלֹקִים, וְהִנְנִי מִשְׁחִיתֶם, מִדָּה בְּנֹגַד מִדָּה, הִנְנִי מִשְׁחִיתֶם בְּחוּבָא דְחַבְלוּתָא.

166. תָּא חֲזִי, מַה כְּתִיב כִּי אוֹתְךָ רְאִיתִי צְדִיק לִפְנֵי בְּדוּר הַזֶּה. מִכָּאן אוּלִּיפְנָא, דְּלֵא יְקַבֵּל ב"נ אוֹשְׁפִיזָא בְּבֵיתִיהּ, אִי אִיהוּ חֲשִׁיד בִּיה דְּאִיהוּ חֲשִׁיבָא, אֲלָא אִי קָאִים בְּעִינוֹ לְזַכָּאָה, דְּלֵא חֲשִׁיד בְּעִינוֹ בְּלָל, הִה"ד בֹּא אִתָּךְ וְכָל בֵּיתְךָ אֶל הַתְּבָה, מַאי טַעְמָא בְּגִין כִּי אוֹתְךָ רְאִיתִי צְדִיק לִפְנֵי בְּדוּר הַזֶּה.

167. And we have also learned that if the husband gives permission to the guest alone, but not to his companions, the guest should not bring them into the house. In the verse, "Come you and all your house into the ark," permission was given to all of Noah's companions to enter the ark, and from this passage we learn a secret concerning proper manners and ways of conduct.

167. וְאוֹלִיפְנָא, דְּאִי יְהִיב לֵיהּ רְשׁוּ בְּלַחְדוּי, וְלֹא יְהִיב רְשׁוּ לְכָל אִינּוּן דְּאִתְיִין עִמֵּיהּ, לֹא יִיעוֹל לִוְן לְבֵיתָא, הֵה"ד בָּא אֲתָהּ וְכָל בֵּיתְךָ אֶל הַתְּבָה, לְכָלֵּא יְהִיב רְשׁוֹתָא לְמִיעֵל. וּמְקָרָא דָּא אוֹלִיפְנָא, רְזָא דְּאוֹרְחוּי דְּאַרְעָא.

23. "The earth and the fullness thereof is Hashem's"

Sexual relations that are not founded upon spiritual principles cause a drying up of the connection between Malchut and Yesod, like a river whose waters have ceased to flow. This withdrawal of Light manifests as all forms of natural and man-made turmoil.

168. Rabbi Yehuda quoted: "For David, a psalm. The earth and the fullness thereof is Hashem's; the world, and they that dwell in it" (Tehilim 24:1). We have learned that wherever it is written: "For David a psalm," it means that he chanted a song and afterward the Holy Spirit rested upon him. But where it is written: "A psalm of David," it means that the Holy Spirit rested upon him and then he chanted the song.

168. רַבִּי יְהוּדָה פִּתַּח, לְדוֹד מְזֻמּוֹר לֵה' הָאָרֶץ וּמְלוֹאָה תִּבֵּל וַיּוֹשְׁבֵי בָהּ. הָא תְּנִינָן, לְדוֹד מְזֻמּוֹר, דְּאָמַר שִׁירְתָּא, וְלִבְתֵּר שְׁאֲרֵת עֲלֵיהּ רוּחַ קְדִישָׁא, מְזֻמּוֹר לְדוֹד, דְּשְׁאֲרֵת עֲלֵיהּ רוּחַ קְדִישָׁא, וְלִבְתֵּר אָמַר שִׁירְתָּא.

169. "The earth is Hashem's." This verse refers to the Land of Yisrael, which is the Holy Land, while "the fullness thereof" refers to the Shechinah. As it is written: "For the glory of Hashem was full in His house of Hashem" (II Divrei Hayamim 5:14) and, also, "and the glory of Hashem filled up the Tabernacle" (Shemot 40:35). SO THE WORDS "FILLED UP" AND "ITS FULLNESS" REFER TO THE SHECHINAH. But, why IS IT WRITTEN "full" and not "filled?" Because, assuredly, She is full of goodness; meaning that She is filled by the Sun. The moon, WHICH IS THE SHECHINAH, is filled and completed by the righteous; She is filled with all the goodness from above, like a treasure box filled with the riches of the world. That is to what the verse, "The earth and the fullness thereof is Hashem's," refers. But the words, "the world and they that dwell in it" were said in reference to countries OTHER THAN THE LAND OF YISRAEL.

169. לֵה' הָאָרֶץ וּמְלוֹאָה, הָאִי קְרָא עַל אֲרֵעָא דְּיִשְׂרָאֵל אֲתָמַר, דְּאִיְהִי אֲרֵעָא קְדִישָׁא. וּמְלוֹאָה, דָּא שְׂכִינְתָּא, כּד"א כִּי מְלֵא כְבוֹד ה' אֶת בַּיִת ה', וּכְתִיב וּכְבוֹד ה' מְלֵא אֶת הַמִּשְׁכָּן. מֵהוּ מְלֵא וְלֹא מִלְּא. אֲלֵא מְלֵא וְדָאִי, דְּאֲתַמְלִיא מִכְּלָא, דְּאֲתַמְלִיא מִן שְׂמֵשָׁא, סִיְהֵרָא שְׁלִים בְּכָל סְטְרִין. מְלֵא, מִכָּל טוּבָא דְּלַעֲיָלָא, בְּאֶסְקוּפָא דָּא, דְּאֲתַמְלִיא מִכָּל טוּבָא דְּעֵלְמָא, וְעַל דָּא כְּתִיב לֵה' הָאָרֶץ וּמְלוֹאָה. תִּבֵּל וַיּוֹשְׁבֵי בָהּ, דָּא שְׂאֵר אֲרֵעָאֵן.

170. Another explanation of the verse, "The earth and the fullness thereof is Hashem's" is that these words refer to the upper Holy Land, NAMELY THE FEMALE PRINCIPLE, that the Holy One, blessed be He, desires. And the term 'fullness' refers to the souls of the righteous, which fill THE FEMALE PRINCIPLE with the power of the pillar THAT IS YESOD OF ZEIR ANPIN, upon which the whole world stands. IN OTHER WORDS, ALL THAT EXISTS IN THE WORLD, WHICH IS THE FEMALE PRINCIPLE, IS RECEIVED FROM YESOD OF ZEIR ANPIN. AND THIS IS WHY THE WORLD IS CONSIDERED TO STAND UPON IT.

170. דְּבַר אַחֲרָלָהּ הָאָרֶץ וּמְלוֹאָה. דָּא אֲרֵעָא קְדִישָׁא עֲלָא, דְּקְדִישָׁא בְּרִיךְ הוּא אֲתַרְעֵי בָהּ. וּמְלוֹאָה, אֲלִין נִשְׁמַתְהוֹן דְּצִדִּיקֵינָא, אֲתַמְלִיא מְנִיְהוּ, מַחֲיֵלָא דְּעֵמּוּדָא חָד, דְּעֵלְמָא קִיּוּמָא עֲלֵיהּ.

171. If you wonder, Does THE WORLD stand upon one PILLAR? Come and behold: In the verse: "For He has founded it upon the seas" (Tehilim 24:2), the words "For He" refer to the Holy One, blessed be He. The meaning of this is similar to that of the words: "It is He who made us" (Tehilim 100:3) and that of, "For He looks to the end of the earth" (Iyov 28:24).

171. וְאִי תִימָא עַל חָד קִיּוּמָא, הָא חֲזִי מַה כְּתִיב כִּי הוּא עַל יַמִּים יְסֻדָּה. כִּי הוּא, מֵאֵן הוּא, דָּא קְדִישָׁא בְּרִיךְ הוּא, כּד"א הוּא עֲשֻׂנוּ. וּכְתִיב כִּי הוּא לִקְצוֹת הָאָרֶץ יִבִּיט.

172. The words, "For He has founded it upon the seas and established it upon the Floods" refer to the seven pillars upon which THE FEMALE PRINCIPLE is founded and by which She is filled. THESE ARE THE SEVEN SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT OF ZEIR ANPIN. SO RABBI YEHUDA ASKED: How is She filled by them? AND HE ANSWERED: When the righteous multiply in the world, the Land, WHICH IS THE FEMALE PRINCIPLE, produces fruit and is filled with all.

172. עַל יַמִּים יְסֻדָּה וְעַל נְהָרוֹת יְכוּנְנָה, אֲלִין שְׂבַע עֵמּוּדִים דְּקִיּוּמָא עֲלֵיהּ, וּמְלִינָן לָהּ. הוּא אֲתַמְלִיא מְנִיְהוּ, הִיךְ אֲתַמְלִיא מְנִיְהוּ, בְּשַׁעֲתָא דְּאֶסְגִּיאוּ וּבְאִין בְּעֵלְמָא, בְּדִין אֲרֵעָא דָּא עֲבַדְתָּ פִּירִין, וְאֲתַמְלִיא מִכְּלָא.

173. But the verse says that when the wicked multiply in the world, "the waters cease from the sea, and the river is drained dry" (Iyov 14:11). The place where "The waters cease from the sea" is the Holy Land, as previously mentioned. AND THE FEMALE PRINCIPLE is watered by the supernal stream. "THE WATERS CEASE," while "the river is drained dry" refers to the pillar upon which She is founded, NAMELY YESOD, WHICH IS NOW ARID-DRAINED DRY. "The river is drained dry" IS THE EQUIVALENT OF "The righteous perish," THE RIGHTEOUS BEING YESOD, WHICH IS CALLED 'RIGHTEOUS.'

173. ובשעתא דאסגיא חייבין בעלמא, כדין כתיב אלו מים מני ים ונהר יחרב ויבש. אלו מים מני ים, דא ארעא קדישא, דאמרן דאשתקא משקיו עלאה, ונהר יחרב ויבש, ההוא עמודא חד, דקאים עלה, לאתנהרא מניה, ונהר יחרב ויבש, כמא דאת אמר הצדיק אבד.

24. The sinners are destroyed from the world

When negative forces are abundant as a result of the collective sins of mankind, they have the power to harm even innocent people who unwittingly cross their paths. The Zohar provides us with protection as we meditate upon its words. Our intent to share this protection with others brightens the Light for entire world.

174. Rabbi Yehuda continued: At the time that the wicked are destroyed from the world, the Holy One, blessed be He, watches the world but cannot find anyone to protect them. And you might ask, If Noach was there to protect his generation DURING THE GREAT FLOOD and was able to bring forth offspring, WHY DID HE NOT PROTECT HIS GENERATION? The verse reads: "For you have I seen righteous before Me in this generation." "In this generation" is a precise term, FROM WHICH WE MAY LEARN THAT IN ANOTHER GENERATION HE WOULD NOT HAVE BEEN CONSIDERED RIGHTEOUS. AND FOR THIS REASON, HIS MERIT WAS NOT ENOUGH TO PROTECT THE GENERATION OF THE FLOOD.

174. ואמר רבי יהודה, בההוא זמנא דאתאבדו, אינון חייבין מעלמא, קדשא בריך הוא אסתכל על עלמא, ולא חמא מאן דאגין עליה. ואי תימא הא נח, דהוה ליה לאגנא על דריה, ולאפקא מניה תולדין לעלמא, הה"ד כי אותך ראיתי צדיק לפני בדור הזה. בדור הזה דייקא.

175. Rabbi Yosi said that the words "In this generation" are a tribute to Noach, who lived in such a wicked generation and nevertheless remained a righteous and just man. NOT ONLY IN HIS GENERATION IS HE CONSIDERED RIGHTEOUS, BUT even in the generation of Moshe WOULD HE HAVE BEEN SO CONSIDERED. But he was not able to protect the world, because there were not even ten RIGHTEOUS PEOPLE in it. This was the case as described IN THE DESTRUCTION OF SDOM: "perhaps ten shall be found there" (Beresheet 18:32). As not even ten were found, SDOM WAS DESTROYED. The same happened here. Ten RIGHTEOUS people were not to be found; only Noach, his three sons and their wives. Because they did not add up to ten, THEY COULD NOT PROTECT THEIR GENERATION.

175. רבי יוסי אמר, בדור הזה, דא שבחא דיליה, דהוה בההוא דרא חייבא, ואשתכח כולי האי איש צדיק תמים, ואמילו בדרא דמשה, אבל לא הוה יכול לאגנא על עלמא, בגין דלא אשתכחו עשרה בעלמא, כד"א אולי ימצאון שם עשרה, ולא אשתכחו תמן. אוף הכא, לא אשתכחו עשרה, אלא הוא, ותלת בנוי, ונוקבייהו, ולא הוו עשרה.

176. Rabbi Elazar asked his father, Rabbi Shimon: We have learned that when the world is full of the sins of mankind and Judgment is pronounced, woe to the righteous one who is found in the world. For he is the first to be punished for the sins of the wicked. How did Noach escape the Flood without being punished for the sins OF HIS GENERATION. And RABBI SHIMON answered: It is said that because the Holy One, blessed be He, wanted to bring from Noach offspring into the world, HE SPARED HIM. Not only that, but Judgment could not be applied to him, because he was covered in the ark and hidden from view.

176. רבי אלעזר שאיל ליה לרבי שמעון אבוי, הא תנינן, בשעתא דעלמא אתמליא חובי בני נשא, ודינא נפק, ווי לההוא זכאה דאשתכח בעלמא, דאיהו אתפס בחובי דחייבא בקדמיתא. נח איך אשתזיב, דלא אתפס בחובייהו. אמרלוהא אתמר, דקדשא בריך הוא בעא לאפקא מניה תולדין לעלמא מגו תיבותא. ותו דהא דינא לא יכלא לשלטאה עלוי, בגין דהוה טמיר וגניזו בתיבה, ואתכסיא מעינא.

177. Come and behold: It is written: "Seek righteousness, seek humility; maybe you shall be hidden on the day of Hashem's anger" (Tzefanyah 2:3). Noach did seek righteousness. He entered the ark and was hidden there on the day of Hashem's anger." And that is why Judgment could neither be applied to nor hurt him.

177. ותא חזי כתיב בקשו צדק בקשו ענוה אולי תסתרו ביום אף ה'. ונח בקש צדק, ועאל בגווה דתיבותא, ואסתתר ביום אף ה'. ועל דא, דינא לא יכלא לשלטאה, ולקטרנא ליה.

178. Here, we find a hint of the secret of the holy supernal letters, reserved for the holy supernal men to learn and know: The reverse order of the 22 Hebrew letters can bring the destruction of the wicked, and this is why it is written: "they were erased from the earth" (Beresheet 7:23), and "Come you and all your house into the ark."

178. הָבָא אֶתְרַמְיֹז לְאִינוֹן קְדִישִׁי עֲלִיוֹנִין, לְמַנְרַע
בְּרָזָא דְאַתּוֹן קְדִישִׁין עֲלֵאִין, הַפּוֹכָא דְאַתּוֹן כ"ב
לְאַתְמַחֵי לְאִינוֹן חַיִּיבֵינָא. וְעַל דָּא, וַיִּמְחוּ מִן הָאָרֶץ.
וּכְתִיב, בֹּא אִתָּה וְכָל בֵּיתְךָ.

25. The difference between Moshe and other people in the world

Placing others ahead of ourselves is counter to the foundations of human nature. Even a righteous soul such as Noah did not possess a complete and selfless love for all mankind. The only person willing to sacrifice himself for all humanity was Moses. Though Noah did all that God asked of him pertaining to the building of the Ark, Noah did not argue with God on behalf of the people of his generation who were destined to perish in the flood. The people of Moses' generation were a stiff-necked and unappreciative lot, who knew no boundaries when it came to brazen, intolerant and negative behavior. But Moses still fought with God to spare his fellow man. Moses offered his own life in place of theirs, despite their constant betrayal and insurgency. We must begin the near impossible task of truly considering others before ourselves. The spiritual attributes that Moses possessed are available through the influences of the Hebrew letters that spell out this story.

179. Rabbi Yitzchak analyzed the words: "He who caused His glorious arm to go at the right hand of Moshe, that divided the water before them to make himself an everlasting name" (Yeshayah 63:12). He said that "His glorious arm" is the merit of Avraham, WHO IS THE EMBODIMENT OF CHESED and who is to the right side of the Tiferet of Moshe. IN OTHER WORDS, MOSHE IS THE SECRET OF TIFERET, AND CHESED IS TO HIS RIGHT. SO THE TERM "ARM" INDICATES THE RIGHT ARM OF THE TIFERET OF MOSHE. And, therefore, "that divided the water before them" indicates that the merit of Avraham, WHO IS CHESED, divides the water. And for what reason? To make himself an everlasting name.

179. רַבִּי יִצְחָק פָּתַח, מוֹלִיךְ לַיְמִין מֹשֶׁה זְרוּעַ
תַּמְאָרְתּוֹ, בּוֹקֵעַ מַיִם מִפְּנֵיהֶם לַעֲשׂוֹת לוֹ שֵׁם עוֹלָם.
דָּא זְכוּתָא דְאַבְרָהָם, דְּאִיהוּ יְמִינָא, מִמֹּשֶׁה, תַּמְאָרְת
דְּמֹשֶׁה. וּבְגִין כְּרַבּוּקַע מַיִם מִפְּנֵיהֶם. דְּהָא זְכוּתָא
דְּאַבְרָהָם בּוֹקֵעַ מַיִם אִיהוּ. וְכָל דָּא לְמָה, לַעֲשׂוֹת לוֹ
שֵׁם עוֹלָם.

180. Come and behold: What is the difference between Moshe and other human beings? When the holy One, blessed be He, said to Moshe, "Now therefore let me alone... and I will make you a great nation" (Shemot 32:10), Moshe immediately asked, "Shall I abandon Yisrael, forget their punishment, and not plea for mercy for them, because of my welfare? The world now shall say that I have killed the nation of Yisrael, and that I did the same as Noach had done before me."

180. תָּא חַזִּי, מַה בֵּין מֹשֶׁה לְשָׂאֵר בְּנֵי עֲלָמָא,
בְּשַׁעְתָּא דְּא"ל קְדָשָׁא בְּרִיךְ הוּא לְמֹשֶׁה וְעָתָה
הַנִּיחָה לִי וּגּוֹ' וְאַעֲשֶׂה אוֹתְךָ לְגוֹי גְּדוֹל וּגּוֹ'. מִיָּד
אָמַר מֹשֶׁה, וְכִי אֲשַׁבּוֹק דִּינְהוֹן דִּישְׂרָאֵל בְּגִינִי.
הַשְׁתָּא וַיִּמְרוּן כָּל אִינוֹן בְּנֵי עֲלָמָא, דְּאָנָּא קְטָלִית
לוֹן לְיִשְׂרָאֵל, כְּמַה דְּעֵבֵד נַח.

181. Noach did not plea for mercy on behalf of the world, and they all perished, because the Holy One, blessed be He, had told him that he and his children would be saved by the ark-as the verses state: "and I, Myself shall bring the Flood water..." and "I shall destroy all existence that I have made from upon the face of the ground (Beresheet 7:4) and "As for me behold, I establish my covenant..." and "Come you... into the ark." Because Noach did not plea for them, the Flood waters are named after him, as it is written: "for this is as the waters of Noach to me" (Yeshayah 54:9).

181. דְּכִינּוֹן דְּאָמַר לִיהּ קְדָשָׁא בְּרִיךְ הוּא, דִּישׁוּב
לִיהּ בְּתִיבּוּתָא, דְּכְתִיב וְאֲנִי הֲנֵנִי מְבִיא אֶת הַמַּבּוּל
מִיָּם וּגּוֹ'. וּכְתִיב וּמַחִיתִי אֶת כָּל הַיְקוּם אֲשֶׁר עָשִׂיתִי
מֵעַל פְּנֵי הָאָדָמָה. וְאֲנִי הֲנֵנִי מְקִים אֶת בְּרִיתִי וּגּוֹ'.
וּבָאת אַל הַתְּבָה. בֵּינוֹן דְּאָמַר לִיהּ דִּישְׁתַּזִּיב הוּא
וּבְנוֹי, לֹא בְּעָא רַחְמִין עַל עֲלָמָא, וְאַתְּאֲבִידוּ. וּבְגִין
כְּךָ אֶקְרוּן מִי הַמַּבּוּל עַל שְׁמִיהּ. כְּד"א כִּי מִי נַח זֹאת
לִי אֲשֶׁר נִשְׁבַּעְתִּי מֵעַבּוּר מִי נַח.

182. Moshe said: Now all the people shall say that I have killed them, because Hashem has told me that He shall make me a great nation. Now it is best for me to die and not have the nation of Yisrael destroyed. Then immediately, "Moshe besought Hashem his Elohim and said, Hashem, why does your wrath burn against your people?" (Shemot 32:11). He prayed for mercy, and indeed mercy for the world was aroused.

182. אָמַר מֹשֶׁה, הַשְׁתָּא וַיִּמְרוּן בְּנֵי עֲלָמָא, דְּאָנָּא
קְטָלִית לוֹן, בְּגִין דְּאָמַר לִי, וְאַעֲשֶׂה אוֹתְךָ לְגוֹי גְּדוֹל.
הַשְׁתָּא טַב לִי דְּאִימּוֹת, וְלֹא יִשְׁתַּצֵּן יִשְׂרָאֵל, מִיָּד
וַיַּחַל מֹשֶׁה אֶת פְּנֵי ה' אֱלֹקָיו. בְּעָא רַחְמִין עֲלֵיהוֹן,
וְאַתְּעַר רַחְמֵי עַל עֲלָמָא.

183. Rabbi Yitzchak continued: At first, when he pleaded for mercy for them, what did he say? He said, "Hashem, why does your wrath burn against your people?" (Ibid.). AND HE ASKED: Why did Moshe ask why? They sinned by idol worshipping-for it is written: "...they have made them a molten calf and have worshipped it" (Ibid. 8)-nevertheless Moshe asked why! AND HE ANSWERED THAT we have already learned that when a person is trying to appease a friend who has been offended by another, he should not magnify, but should rather minimize, the offense in the eyes of the offended. Later, he should maximize it in the eyes of the OFFENDER. SO THIS IS WHY MOSHE ASKED BEFORE THE HOLY ONE, BLESSED BE HE: "WHY DOES YOUR WRATH BURN AGAINST YOUR PEOPLE?" HE MINIMIZED THE SIN, BUT AFTERWARD MAGNIFIED IT TO THE PEOPLE OF YISRAEL, saying: "You have sinned a great sin!" (Ibid. 30).

184. He did not relent, but kept pleading with the Holy One, blessed be He, for mercy, to the point of offering his own life FOR THE SAKE OF THE PEOPLE OF YISRAEL. As it is written: "and if not, blot me, I pray you, out of your book which you have written" (Ibid. 32). And then the Holy One, blessed be He, forgave them, as it is written: "and Hashem relented of the evil . . ." (Ibid. 14). But Noach did not act AS DID MOSHE, he only pleaded to be saved and left the world to its fate.

185. So whenever Judgment is upon the world, the Holy Spirit says, "Alas! There is no one to be found like Moshe." As it is written: "Then he remembered the days of Moshe... Where is he who brought them up out of the sea...?" (Yeshayah 63:11). The verse tells us, "Hashem said to Moshe, 'why do you cry to me?'" (Shemot 14:15), showing that he himself brought them up out of the sea through prayer and because he prayed for Yisrael upon the sea, he was called "he who brought them up out of the sea," as he did bring them out from the sea.

186. "Where is he that put His holy spirit within them?" (Yeshayah 63:11) refers to Moshe; to he who caused the Shechinah to reside among the people of Yisrael and led them through the depths on dry land when the waters were cleft, as if frozen. And all this happened because he was willing to offer his life to save the people of Yisrael.

187. Rabbi Yehuda said that even though Noach was righteous, it was still not worthwhile for the holy One, blessed be He, to protect the world because of him. Come and behold: Moshe did not ask anything on the basis of his own merit. He depended on the merit of the Patriarchs. But Noach, unlike Moshe, had no other person on whose merit he could depend.

188. Rabbi Yitzchak said that even though this was the case, when the Holy One, blessed be He, said to him "and I will establish my covenant with you," he should have asked for mercy for them as well. And he should have sacrificed the offering he sacrificed AFTER THE FLOOD, before it happened. Maybe that would have calmed the Judgment of wrath that hung over the world.

183. ואמר רבי יצחק, שירותא דבעא רחמי עליהו, מאי קאמר, למה ה' יחרה אפך בעמך. וכי מלה דא איך אמר לה משה למה, והא עבדו כו"מ, כד"א עשו להם עגל מסכה, וישתחוו לו ויאמרו אלה וגו'. ומשה אמר למה. אלא הכי אוליפנא, מאן דמרצה לאחרא, לא בעי למעבד ההוא חובא רב, אלא יזעיר ליה קמיה. ולבתר יסגי ליה קמיה אחרא, דכתיב אתם חטאתם חטאה גדלה.

184. ולא שביק ליה לקדשא ברין הוא, עד דמסר גרמיה למותא. דכתיב ועתה אם תשא חטאתם ואם אין מחני נא מספרך אשר כתבת. וקדשא ברין הוא מחיל לון דכתיב וינחם ה' על הרעה וגו'. ונח לא עבד כן, אלא בעא לאשתזבא ושביק כל עלמא.

185. ובכל זמנא דדינא שריא על עלמא, רוח קודשא אמר ווי, דלא אשתכח כמשה. דכתיב ויזכור וגו', איה המעלים מיס וגו'. דכתיב ויאמר ה' אל משה מה תצעק אלי. דהא איהו בצלותא, סליק לון מן ימא. ובגין דשוי גרמיה, בצלותא עליהו דישראל בימא, אקרי המעלים מיס, דאיהו אסיק לון מן ימא.

186. איה השם בקרב את רוח קדשו. דא איהו משה, דאשרי שכינתא ביניהו דישראל. מוליכם בתהמות. כד אתבקעו מיא, ואזלו בגו תהומי ביבשתא, דגלדו מיא, בגין דאמסר גרמיה על ישראל.

187. אמר רבי יהודה, אף על גב דזכאה הוה נח, לא איהו כדאי דקדשא ברין הוא יגין על עלמא, בגיגיה. תא חזי, משה לא תלה מלה בזכותיה, אלא בזכות אבהן קדמאי, אבל נח לא הוה ליה, במאן דיתלי בזכותא, כמשה.

188. אמר רבי יצחק, ועם כל דא, כיון דאמר ליה, קדשא ברין הוא, והקמתי את בריתי אתך. הוה ליה למבעי רחמי עליהו, וקרבנא דאקריב לבתר, דיקריב ליה מן קדמת דנא, דלמא ישכך רוגזא מעלמא.

189. Rabbi Yehuda asked: What should NOACH have done? For the wicked of the world provoked the Holy One, blessed be He! Should he have offered a sacrifice on their behalf? He was certainly afraid for himself, that he should not be entangled with them in death. He had seen their wicked deeds and how they had provoked the Holy One, blessed be He, day in and day out.

190. Rabbi Yitzchak said: As long as the wicked multiply in the world, when a righteous person is found among them, he is punished first. As it is written: "and from my sanctuary you should commence," (Yechezkel 19:6) and we have learned to read this not as Mimikdashi ('from my sanctuary'), but rather as Mimkudashai ('from my holy ones'). AND THIS BEING THE CASE, how did the Holy One, blessed be He, save Noach who was righteous among the wicked? AND HE ANSWERED: He was saved so that he could bring further generations into the world. For he was truly righteous and fit to beget proper children.

191. Not only that, but he warned them every day, but they did not pay heed. And the verse: "yet if you warn the wicked... you have delivered your soul" (Yechezkel 3:19), is applied to him. From this we learn that whoever warns the wicked-even if the wicked do not heed him-that person saves himself, while the wicked are punished according to their sins. HE ASKED: How far should he go in warning them? And he answered: Until he hits them. This issue has already been explained by our friends.

192. Rabbi Yosi was staying with Rabbi Shimon. One day he asked him: What was the motive of the Holy One, blessed be He, in extirpating all the animals of the field and the birds of the air along with the wicked? Men sinned, but what wrong had the animals, birds, and other creatures committed? Rabbi Shimon answered: The reason is given in the words, "For all flesh had corrupted their way upon the earth" (Bereshheet 6:12). This means that all living creatures corrupted their way, THAT IS, they mated with other species.

193. Come and behold: The wicked of the world caused all the creatures to mate with species not their own. They thereby sought to destroy the work of Creation BY MIXING AND ALTERING SPECIES. They caused all the creatures to pervert their ways on earth, as they themselves had done. The Holy One, blessed be He, said to them, 'As you seek to destroy my work of creation, I shall fully grant your wish. And every living substance that I have made, I will remove from the face of the earth. I shall bring the world back to water, as in the beginning, cover it with water, and then make other living beings who are fit to exist in the world.'

189. אָמַר רַבִּי יְהוּדָה, מֵאֵי הוּא לִיָּה לְמַעַבְד, דְּהָא חַיִּיבֵי עֲלֵמָא, הוּוּ מְרַגְזִין קַמֵּי קִדְשָׁא בְּרִיךְ הוּא, וְאִיהוּ יִקְרִיב קְרַבְנָא. אֲלֵא וְדַאי נַח, דְּחִיל עַל גְּרַמְיָה הוּוּ, בְּגִין דְּלֵא יַעֲרַע בֵּיה מוֹתָא, בְּגוּ חַיִּיבֵי עֲלֵמָא, דְּהוּוּ חַמֵּי עוֹבְדֵיהוֹן בִּישָׁא כָּל יוֹמָא, וְהִיךְ מְרַגְזִין קַמֵּי קִדְשָׁא בְּרִיךְ הוּא כָּל יוֹמָא.

26. "And Noach went... into the ark"

Here the Zohar reveals the concept of Evil Eye. Evil eye pertains to the negative glances and resentful looks that we receive from those who may harbor envious feelings. The Kabbalist attributes the majority of common ailments and misfortunes to evil eye. When we cast the evil eye towards others, we create an opening within ourselves that attracts even more negative glances. We ourselves become more vulnerable to its effects, and a vicious circle is created. This action brings equal harm to both the bearer of Evil Eye and to the recipient.

194. "And Noach went in, and his sons and his wife and his son's wives with him" (Beresheet 7:7). Rabbi Chiya opened the discussion with the verse, "Can anyone hide himself in secret places that I shall not see him? says Hashem!" (Yirmeyah 23:24) He said: How blind and obtuse are the people who neither seek nor know the honor of their Master, of whom it is written: "Do not I fill heaven and earth?" (Yirmeyah 23:24). How do the people expect to hide from their sins. They ask, "Who sees us? And who knows us?" (Yeshayah 24:15). And also, "They toil in the dark" (Yeshayah 24:15). Where can they hide from Him?

195. This is similar to the story in which a king builds a palace with hidden fortified, subterranean caves. And it came to pass that the inhabitants of the palace revolted against the king. So he surrounded them with his troops. And what did they do? They hid themselves inside the fortified hiding places. The king asked: As I made these caves, how can you expect to hide from me in them? This is why it says, "Can anyone hide himself in secret places that I shall not see him? says Hashem" (Yirmeyah 23:24). It was I who made these fortified caves. It was I who made light and darkness. How can you hide from Me?

196. Come and behold: When a person sins before his Master and sins further by hiding himself AND MAKING HIMSELF BELIEVE THAT NOBODY IS WATCHING HIM, then the Holy One, blessed be He, punishes him openly. But when that person purifies himself AND REPENTS, then the Holy One, blessed be He, seeks to hide him so that he should not be seen on the day of the wrath of Hashem. For, certainly, every person should hide himself so as not to be seen by the Angel of Destruction, when the latter dwells in the world. He should not see him, as he is authorized to destroy all those whom he sees.

197. Rabbi Shimon said that every person who has the evil eye of jealousy has upon him the Angel of Destruction, who is called the 'Destroyer of the world.' Therefore, all should beware of such a person and not come close to him. By avoiding him, one shall be protected. It is forbidden to openly approach such a person, EXPOSING OURSELVES TO HIS EVIL EYE. If we must beware a person with the evil eye, so much more must we beware the Angel of Death AND HIDE OURSELVES ON THE DAY OF THE WRATH OF HASHEM.

198. Of Bila'am, it is written: "So says the man whose eye is closed" (Bemidbar 24:3), meaning that he had an evil eye, and wherever he looked, he drew the spirit of destruction on it. That is why he wanted to gaze on Yisrael, so that he could destroy all that his eye could see. Thus, it is written: "And Bila'am lifted up his eyes" (Ibid. 2), meaning he raised one eye and lowered the other, attempting to gaze on Yisrael with the evil eye.

199. Come and behold: It is written: "and he saw Yisrael dwelling tribe by tribe" (Ibid.), and he also saw that the Shechinah hovered and brooded over them. Because she was made whole by the twelve tribes beneath Her, the eye of Bila'am could not have power over them. He said: How can I overcome them, as the supernal Holy Spirit, NAMELY BINAH is hovering over them and protecting them with her wings? As it is written: "He lay down like a lion, who shall rouse him up?" (Ibid. 9) THAT IS, who shall raise Him, THE SUPERNAL HOLY SPIRIT, THAT IT SHOULD STOP PROTECTING THEM, so that they might be revealed to the eye, which would then rule them?

200. Therefore, the Holy One, blessed be He, wanted to protect Noah by hiding him out of sight, so that the impure Spirit could not rule him and destroy him, as has already been explained. The words, "And Noah went in" apply to what has previously been said-that he entered the ark to be hidden from sight. The words, "because of the waters of the Flood" indicate that the waters actually pushed him INTO THE ARK, meaning that he saw the waters of the Flood and was afraid. As a result, he "went... into the ark." Rabbi Yosi added that Noah saw the Angel of Death arrive WITH THE WATERS OF THE FLOOD and that is why he entered the ark.

201. And he protected himself BY STAYING IN THE ARK for 12 months. Why 12 months? On this point, Rabbi Yitzchak and Rabbi Yehuda have different opinions. One says that the 12 months are the period of the sentence of the wicked IN GEHENOM; the other says that the purpose of the 12 months was to enable NOACH the righteous to complete 12 stages of purification, so that he and all the others could emerge from the ark. BECAUSE EACH STAGE REQUIRES ONE MONTH FOR COMPLETION, THEY WERE DELAYED FOR 12 months.

202. Rabbi Yehuda said: IN GEHENOM, THE WICKED ARE PUNISHED with water for six months and with fire for six months. So why DURING THE FLOOD WERE THEY PUNISHED only by water for 12 months? SIX MONTHS SHOULD HAVE BEEN ENOUGH. Rabbi Yosi told him that they were sentenced to both punishments of Gehenom: water and fire. THEY WERE PUNISHED by water, and the water that fell upon them from above was cold as snow. And THEY WERE ALSO PUNISHED by fire, because the water that sprouted from the deep was scalding. Thus, they were punished for 12 months, receiving the full sentence of Gehenom-six by water and six by fire. This continued until they were completely removed from the face of the world. During this time, Noah was hidden in the ark. As a result, the Angel of Destruction did not approach him, and the ark roamed upon the waters, as it is written: "And they bore up the ark, and it was lifted above the earth" (Beresheet 7:17).

203. They were smitten for forty days. As it is written: "And the Flood was forty days upon the earth" (Beresheet 7:17). For the duration of the 12 months, they were being erased, as it is written: "And they were blotted out from the earth." Woe to those wicked people, because they shall not rise from the dead and appear in the world on the Day of Judgment, for they were blotted out from the earth as is described in the verse: "You have blotted out their name for ever and ever" (Tehilim 9:16). So they shall not even be allowed to stand on the Day of Judgment, WHICH MEANS THAT THEY SHALL NOT EVEN BE AMONG THOSE WHO SHALL RISE AND STAND IN FULL DISGRACE AS IS WRITTEN IN DANIEL (12:2).

28. "And He destroyed every living substance"

Destruction caused by our own negative actions not only affects our world, but also harms the angels who watch over us in the Upper Worlds. By directing the spiritual influences of the Zohar in their direction, we can fortify these angelic forces.

211. "And He destroyed every living substance that was upon the face of the ground." Rabbi Aba said that THE VERSE INDICATES THAT the ministers who rule and govern upon the earth, NAMELY THE ANGELS WHO GOVERN THE PEOPLES OF THE WORLD, WERE ALSO DESTROYED. This is the meaning of, "every living substance which was upon the face of the ground." For when the Holy One, blessed be He, executes His Judgment and punishes the people of the earth, He starts with the supernal ministers who rule them and, after they are destroyed, continues with the people who abided beneath the shelter of their wings. As it is written: "Hashem will punish the host of the heavens on high," and then, "the kings of the earth upon the earth" (Yeshayah 24:21).

211. וַיִּמַּח אֶת כָּל הַיְקוּם אֲשֶׁר עַל פְּנֵי הָאֲדָמָה. ר' אַבָּא אָמַר, לְאַכְלֵלָא כָּל אִינוּן שְׁלִיטִין דְּשְׁלִטִין, מִמְּנָן עַל אֲרַעָא, וְדָא הוּא, הַיְקוּם אֲשֶׁר עַל פְּנֵי הָאֲדָמָה. דְּכַד עָבִיד קִדְשָׁא בְּרִיךְ הוּא דִּינָא בְּבְנֵי עֲלָמָא, אֲעֵבֵר לְאִינוּן שְׁלִיטִין, דְּמִמְּנָן עֲלִייהוּ בְּקִדְמִיתָא, וּלְבַתֵּר לְאִינוּן דִּיתְבִּי תַּחוּת גְּדַפְיֵיהוּ, דְּכִתְיב, וַיִּמְחוּ מִן הַשָּׁמַיִם אֶת צְבָא הַמְרוֹם בְּמִרוֹם. וּלְבַתֵּר עַל מַלְכֵי הָאֲדָמָה עַל הָאֲדָמָה.

212. But how were these ministers removed? IT WAS HARD FOR HIM TO UNDERSTAND THIS POINT. BECAUSE THE POWER OF DEATH HAS NO CONTROL OVER THEM, HOW SHALL HE REMOVE THEM? AND HE REPLIED: "He drove them through burning fire," as it is written: "for Hashem your Elohim is a devouring fire, a zealous El" (Devarim 4:24). Thus, the 'living substance' of above, WHICH INCLUDES THE SUPERNAL MINISTERS, was driven through fire, while those who were governed by them AND RESIDED BELOW THEM, NAMELY THE PEOPLE OF THE WORLD, were erased by water. This is why the verse begins, "And He erased all living substance," and then continues, "man, cattle and creeping things, and the birds of the heaven; they were destroyed from the earth". In, "Only Noach was left," the word "only" signifies that nothing and nobody remained in the world-except Noach and whoever was with him in the ark. Rabbi Yosi said that THE WORD "ONLY" INDICATES THAT NOT EVEN NOACH'S BODY WAS SPARED, for he was smitten by a lion and became limp, as was previously explained.

212. וְהִיךְ מִתְעֵבְרֵן קַמִּיהָ, אֶלְא אֲעֵבֵר לֹחַן בְּנוּרָא דְרָלִיק, הַה"ד בִּי ה' אֶלְקִיךָ אֵשׁ אוֹכֵלָה הוּא אֵל קָנָא. אֲשָׁא דְאָכִיל אֲשָׁא, הַהוּא יְקוּם דְּעֲלִייהוּ בְּאֲשָׁא. וְאִינוּן דִּיתְבִּי תַּחוּתֵיהוּ בְּמִיָּא. וּבְגִינֵי כֶךְ, וַיִּמַּח אֶת כָּל הַיְקוּם אֲשֶׁר עַל פְּנֵי הָאֲדָמָה. וּלְבַתֵּר מֵאָדָם וְעַד בְּהֵמָה עַד רֶמֶשׂ וְעַד עוֹף הַשָּׁמַיִם וַיִּמְחוּ מִן הָאָרֶץ. כָּל אֵלִין דִּלְתַתָּא. וַיִּשְׁאָר אֶךְ נָח. אֶךְ לְמַעוּטֵי, דְּלָא אֲשַׁתְּאָרוּ בְּעֲלָמָא, בְּרַ נָח וְדַעַמִּיהָ בְּתִיבוּתָא. רַבִּי יוֹסִי אוֹמֵר, חֲגִיר הוּא, דְּאִכְּשֵׁי לֵיהָ אֲרִיא. וְהָא אוּקְמוּהָ.

29. "And Elohim remembered Noach"

The Zohar discloses a secret concerning the word remembered, and its connection to having our prayers answered. Prayer alone will not yield a response if,

metaphorically speaking, the Creator cannot see the alarm lights flashing. The coverings that block our alarm signals are negative entities called Klippot, which are brought into existence through our own negative deeds. These coverings become more dense with each new negative action. The words that tell of these spiritual secrets help our prayers pierce through all the dense layers of Klippot, so that our cries are heard above. This is the mystery behind the word remembered.

213. "And Elohim remembered Noah and every living thing and all the cattle that were with him in the ark" (Beresheet 6:1). Rabbi Chiya quoted the verse, "A prudent man foresees evil and hides himself" (Mishlei 22:3), saying that this verse refers to Noah who entered the ark and hid himself in it. And he entered the ark only when the waters forced him to do so. As was previously explained, before he went into the ark, he saw the Angel of Death walking among the people and encircling them. Because Noah saw the Angel of Death, he entered the ark and hid. Thus, it is written: "A prudent man sees evil and hides himself." "Foresees evil" refers to the Angel of Death from whom he hid, as it is written: "from the waters of the Flood." OR IN OTHER WORDS, FROM THE ANGEL OF DEATH WHOM HE SAW ON THE WATERS OF THE FLOOD.

214. Rabbi Yosi said that the verse "A prudent man foresees evil and hides himself" means, as has been stated, that when death rages throughout the world, a wise man will hide and not appear in the open. This prevents the Angel of Destruction from seeing him, because when THE ANGEL OF DESTRUCTION gets permission to destroy, he destroys everything in front of him and everyone who openly passes before him. An allusion to this appears at the end of the verse that reads, "but the simple pass on and are punished" (Mishlei 22:3), referring to those who pass in front of him, are seen by him, and therefore punished. Another explanation is that "pass on" means that those who transgress the commandments of their Master are therefore punished. Thus, a "prudent man foresees evil and hides himself" refers to Noah, while "the simple pass on and are punished" refers to the people of his generation.

215. He hid himself IN THE ARK, and remained inside IT all this time. What does it say afterward? It says, "And Elohim remembered Noah." So Rabbi Shimon said: Come and behold: While Judgment is executed, there is no remembrance. But after the Judgment has been executed and the wicked have been removed from the world, then the word "remember" is mentioned. THIS IS because when Judgment prevails in the world, there is no SUPERNAL Mating above and the Angel of Destruction rages throughout the world. THUS THERE IS NO POSITIVE REMEMBRANCE, AS REMEMBRANCE MEANS MATING.

216. But after Judgment is executed and completed, and the wrath is appeased, everything returns to its proper order, NAMELY THE SUPERNAL MATING COMMENCES AND MERCY IS REVEALED IN THE WORLD. This is why the text reads, "And Elohim remembered Noah." Because the term "remembrance," WHICH MEANS "MATING," applies to Noah, as indicated by the words, "Noah was a righteous man." AND HE IS A THRONE FOR THE SUPERNAL MATING, SO THAT WHEN THE MATING COMMENCED, ELOHIM REMEMBERED NOACH.

217. It is written: "You rule the proud swelling of the sea; when the waves arise, you still them." (Tehilim 89:10). When the sea is stormy, the waves mount on high and the waters of the deep go up and down, the Holy One, blessed be He, sends forth a thread OF CHESED from the right side, pulls back His wheels, and appeases its rage; but there is nobody who can grasp Him.

213. וַיִּזְכֹּר אֱלֹהִים אֶת נֹחַ וְאֶת כָּל הַחַיָּה וְאֶת כָּל הַבְּהֵמָה אֲשֶׁר אִתּוֹ בַּתְּבֵה. רַבִּי חֵיָּא פָּתַח עָרוֹם רָאָה רָעָה וְנִסְתֵּר. הָאִי קָרָא, אֲתָמֵר עַל נֹחַ, דְּעָאֵל לְתִיבּוֹתָא, וְאִסְתֵּתֵר בֵּיהּ. וְעָאֵל לָגוּ תִיבּוֹתָא, בְּזִמְנָא דְּמֵיָּא דְּחָקוּ לֵיהּ. וְהָא אֲתָמֵר, דְּעַד לֹא עָאֵל לְתִיבּוֹתָא, חָמָא לֵיהּ לְמַלְאָךְ הַמּוֹת, דְּאִזִּיל בִּינְיֵיהּ, וְאִסְחָר לֹוֹן. כִּיּוֹן דְּחָמָא לֵיהּ, עָאֵל לְתִיבָהּ, וְאִסְתֵּתֵר בְּגוּהַ, הַה"ד עָרוֹם רָאָה רָעָה וְנִסְתֵּר. רָאָה רָעָה, דָּא מַלְאָךְ הַמּוֹת, וְנִסְתֵּר מִקְמֵיהּ, הַה"ד מִפְּנֵי מֵי הַמַּבּוּל.

218. Yonah fell into the sea and the fish swallowed him. SO HE ASKED: Why did his soul not leave him at once? AND HE ANSWERED: Because the Holy One, blessed be He, controls the swelling of the sea.

219. The 'swelling of the sea,' is the thread from the left, which causes the sea to rise and become elevated. But had the other 'Thread OF MERCY,' CHESED, not arrived from the right, it would have never been elevated. For when that Thread FROM THE LEFT goes down to the sea and is held by the sea, the waves 'awaken' and begin to 'roar' for prey. FOR THE LACK OF CHASSADIM, THEY ARE NOT ABLE TO RECEIVE THE ABUNDANCE OF CHOCHMAH AND NOURISH THEMSELVES. THEREFORE, THEY REMAIN 'HUNGRY' AND 'ROAR' FOR PREY, until the Holy One, blessed be He, restrains the waves, holds them back, and returns them to their place. IN OTHER WORDS, HE DRAWS THE THREAD OF MERCY AND ENCLOSES THE CHOCHMAH WITH CHASSIDIM, AND IN SO DOING HE RESTRAINS THE WAVES AND PULLS THEM BACK TO THEIR PLACE. THE CHOCHMAH IS THUS AMENDED AND CAN SHINE IN FULLNESS, BECAUSE THE SEA CANNOT RISE BY THE LIGHT OF CHOCHMAH FROM THE LEFT COLUMN BEFORE THE THREAD OF CHESED IS DRAWN AND ENCLOSES IT.

220. As it is written: "You rule the raging of the sea: when their waves arise; you still (lit. 'praise') them." ONE INTERPRETATION IS THAT HE DOES THIS by breaking and pulling them back to their place WITH THE THREAD OF CHESED. A different interpretation is that the meaning is literally 'you praise them.' That is, the fact that the waves rise with the desire to see is praiseworthy. From this we can learn that whoever seeks and longs for knowledge, even if he is incapable of attaining it, is praised for his effort.

221. Rabbi Yehuda said that when Noach was in the ark, he was afraid that the Holy One, blessed be He, might never remember him. But after the Judgment was executed and the evil of the world were removed, what does the scripture say? It says, "And Elohim remembered Noach." AND THE REASON FOR THIS SHALL BE EXPLAINED PRESENTLY BY RABBI ELAZAR.

222. Rabbi Elazar says: Come and behold: When the power of Judgment prevails in the world, it is inappropriate for a person's name to be mentioned above, because if his name is mentioned, his sins will be remembered and they will come to judge him.

223. From where do we know this? From the story of the Woman of Shunam. On the Holy Day of Rosh Hashanah (New Year), the Holy One, blessed be He, was judging the world. Elisha the prophet asked the woman, "Would you be spoken for to the king?" (II Melachim 4:13). The "King" here refers to the Holy One, blessed be He, who is called on that day "the King," "the Holy King," and "the King of Judgment." She replied: "I dwell Among my own people" (Ibid.), MEANING, 'I do not want to be scrutinized on my own. Therefore I dwell among my own people!' He who puts himself in the middle of his own people does not draw attention to himself and is not judged for his wrongdoings. She thus said, "among my own people."

218. יוֹנָה נָחַת לַיָּמָא, וְאַדְמֵן לִיהּ הָהוּא נוֹנָא, וּבִלְשׁ לִיהּ, הֵיךְ לֹא נִמְקַת נִשְׁמַתִּיהּ מִנִּיהּ, וְלֹא פִרְחָא מִיָּד. אֲלֵא, בְּגִין דְּקִדְשָׁא בְּרִיךְ הוּא שְׁלִיטָא בְּהָהוּא גְּאוּתָא דִּימָא.

220. הַה"ד בְּשׂוּא גְלוּי אֲתָה תְּשַׁבְּחָם. תְּשַׁבְּחָם, לְאַיְנוֹן גְּלוּי יָמָא, תְּשַׁבְּחָם: תְּתַבֵּר לֹון, לְאַתְבָּא לְאַתְרֵיהּ. דְּבַר אַחַר, תְּשַׁבְּחָם מִמֶּשׁ, שְׁבַחָא הוּא לֹון, בְּגִין דְּסִלְקִין בְּתִיאֻבְתָּא לְמַחְמִי. מִכָּאן כָּל מָאן דְּכָסִיף לְאַסְתַּבְּלָא וּלְמַנְדַּע, אִף עַל גַּב דְּלֵא יָכִיל, שְׁבַחָא אִיהוּ דִּילִיָּהּ, וְכֹלָא מִשְׁבַּחֵן לִיהּ.

222. רַבִּי אֶלְעָזָר אָמַר, תָּא חֲזִי בְּשַׁעֲתָא דְּדִינָא שְׂרִיא בְּעֵלְמָא, לֹא לִיבְעִי, לִיהּ לְאַיְנֵשׁ דִּיִּדְבַר שְׁמִיָּה לְעֵילָא, דְּהָא אִי אֲדַבַּר שְׁמִיָּה, יִדְבְּרוּן חוּבוּי, וְיִיתוּן לְאַשְׁחָא בִיָּה.

224. Come and behold: During the time when the wrath OF JUDGMENT was raging throughout the world, Noah was not mentioned. But after the Judgment was completed, what does the scripture say? It says, "And Elohim remembered Noah." Now was his name mentioned. A different explanation of "And Elohim remembered Noah" is that it is similar to "And I remembered My Covenant" (Shemot 6:5), WHICH MEANS THAT HE CAUSED THE SUPERNAL MATING!

224. תָּא חַוִּי, נֹחַ, בְּשַׁעֲתָא דְרוּגְזָא שְׂרִיָא בְּעֵלְמָא, לֹא אֲדַבֵּר, בֵּינוֹן דְּרִינָא אֲתַעְבֵּר, מַה כְּתִיב, וַיִּזְכֹּר אֱלֹהִים אֶת נֹחַ. הַשְּׁתָא אֲדַבֵּר שְׁמִיָּהּ. דְּבַר אַחֲרוּיִזְכֹּר אֱלֹהִים אֶת נֹחַ. כְּמַה דָּאֵת אֲמַר וְאִזְכֹּר אֶת בְּרִיתִי.

30. "And Noah built an altar"

After the great flood, the metaphysical lines of communication between the Upper and Lower worlds were destroyed, and the flow of Light into our world was cut off. In order to reestablish a link, Noah rebuilt the metaphysical cables that run throughout the worlds. This concept is the mystery behind the Alter that Noah built.

225. Rabbi Chizkiyah was on his way from Kapotkia to Lod, when Rabbi Yesa ran into him. He addressed him saying: You surprise me! Why are you walking alone, since we have learned that a person should not go on a journey alone! Rabbi Chizkiyah replied: There is a young boy following and accompanying me. Rabbi Yesa said to him: This is what surprises me! Why are you accompanied by someone with whom you are not able to discuss the Torah? We have learned that whoever goes on a journey and does not delve into the matters of the Torah, endangers his life! Rabbi Chizkiyah replied: It is certainly so!

225. רַבִּי חִזְקִיָּהּ, הוּוּה אָזִיל מִקְפוּטְקִיָּא לְלוּד, פִּגְעַ בֵּיה רַבִּי יֵיסָא, אֲמַרְלוּתוּוּהִנָּא עֲלֵךְ, דָּאֵת בְּלַחֲוֹדְךָ. דְּהָא תְּנִינָן, דְּלֹא יִפּוֹק בַּר נֶשׁ יַחֲדָיָא בְּאוּרְחָא. אֲמַרְלוּרְבִּינָא חֵד אָזִיל בְּהַדָּאִי, וְאִיהוּ אֲתִי אֲבַתְרָאִי. אֲמַרְלוּוְעַל דָּא תוּוּהִנָּא, אִינְךְ אָזִיל בְּהַדְרָךְ, מֵאֵן דְּלֹא תִשְׁתַּעֲנִי בֵּיה מְלִי דְאוּרִייתָא, דְּהָא תְּנִינָן, כֹּל מֵאֵן דְּאָזִיל בְּאַרְחָא, וְלֹא עֲמִיָּה מְלִי דְאוּרִייתָא, אֲסַתְּפֵן בְּנַפְשִׁיָּהּ. אֲמַרְלוּהִכִּי הוּוּא וְדָאִי.

226. In the meantime, the young boy caught up with them. Rabbi Yesa asked him: My son, from where do you come? The boy answered: From the city of Lod. I heard that this learned man was heading toward there, so I offered to work for him-TO SERVE HIM AND to walk with him.

226. אֲדַהֲבִי מָטָא הֵהוּא רַבִּינָא, אֲמַרְלוּרְבִּי יֵיסָא, בְּרִי, מֵאֵן אֲתֵר אַנְתָּ, אֲמַרְלוּמְקַרְתָּא דְלוּד, וְשִׁמְעֵנָא דְהָאִי בִּנְיָ חַכִּים, אָזִיל תְּמֵן, וְזִמְנָא גְרַמָּאִי, לְפֻלְחָנִיָּהּ, וְלִמְיָהֵךְ בְּהַדְרִיָּהּ.

227. Rabbi Yesa then asked him: My son, are you familiar with matters of the Torah? And he answered: Yes, I am. My father used to teach me the section of the sacrifices, and I also used to listen to what he taught my elder brother. Rabbi Yesa then said to him: My son, speak to me!

227. אֲמַרְלוּבְרִי יִדְעַת מְלִי דְאוּרִייתָא, אֲמַרְלוּיִדְעֵנָא, דְּהָא אָבָא הוּוּה אוּלִיף לִי בְּפַרְשַׁת קְרָבָנוֹת, וְאֲרַכִּינָא אוּדְנָאִי לְמָאִי דְהוּוּה אֲמַר, עִם אַחִי, דְּאִיהוּ קְשִׁישָׁא מְנָאִי, אֲמַר לִיָּה רַבִּי יֵיסָא, בְּרִי, אִימָא לִי.

228. The young boy started with the verse: "And Noah built an altar to Hashem and took of every clean beast and of every clean fowl, and offered burnt offerings on the altar" (Bereshheet 8:20). He said, "And Noah built an altar" indicates the altar on which Adam offered his sacrifice. THEN HE ASKED: Why did Noah offer a burnt offering, as a burnt offering is only offered TO ATONE for wrongful thoughts of the heart? What was Noah's sin? AND HE REPLIED: Noah thought to himself, The Holy One, blessed be He, judged the world and sentenced it to destruction. Perhaps in being spared, I used up all the merit that I have and am now left with none. So immediately, "Noah built an altar to Hashem."

228. פִּתַּח וְאָמַר, וַיִּבֶן נֹחַ מִזְבֵּחַ לַה' וַיִּקַּח מִכָּל הַבְּהֵמָה הַטְּהוֹרָה וּמִכָּל הָעוֹף הַטְּהוֹר וַיַּעַל עֹלוֹת בְּמִזְבֵּחַ. וַיִּבֶן נֹחַ מִזְבֵּחַ, דָּא אִיהוּ מִזְבֵּחַ דְּאֲקָרִיב בֵּיה אֲדָם קְרַמָּאָה. נֹחַ אֲמָאִי קְרִיב עוֹלָה, דְּהָא עוֹלָה לֹא סִלְקָא, אֲלֵא בְּגִין הִרְהוּרָא דְלִבָּא, וְנֹחַ, בְּמַה חָב. אֲלֵא נֹחַ הִרְהוּר וְאָמַר, הָא קְדָשָׁא בְּרִינְךְ הוּוּא גְזוּר דִּינָא עַל עֵלְמָא דִּיתְחַרְב, דִּילְמָא בְּגִין דְּשָׂזִיב לִי, כֹּל זְכוּתָא פִּקַּע לִי, וְלֹא יִשְׁתָּאֵר לִי זְכוּ בְּעֵלְמָא. מִיַּד וַיִּבֶן נֹחַ מִזְבֵּחַ לַה'.

229. This was the altar on which Adam offered his sacrifices. SO THE BOY ASKED: If it is so, then why does it say that he "built it?" IT WAS ADAM WHO BUILT IT. AND HE REPLIED: It says this, because the wicked of the world had caused the altar not to stand in its place, THE PLACE WHERE IT CAN TRANSFER ABUNDANCE TO THE HOLY SIDE. When Noah came TO OFFER HIS SACRIFICE ON IT, the verse stated, "And Noah built it" BECAUSE HE BROUGHT IT BACK TO THE PLACE WHERE ABUNDANCE IS DIRECTED TOWARD THE HOLY SIDE.

229. הֵהוּא מִזְבֵּחַ דְּאֲקָרִיב בֵּיה אֲדָם הָרָאשׁוֹן הוּוּה. אִי הִכִּי, אֲמָאִי וַיִּבֶן. אֲלֵא, בְּגִין דְּחַיִּיבֵי עֵלְמָא, גְרַמּוּ דְלֹא קִיּוּמָא בְּדוּכְתִיָּהּ, בֵּינוֹן דָּאֵתָא נֹחַ כְּתִיב בֵּיה וַיִּבֶן.

230. "And offered burnt offerings." Olot (burnt-offerings) has a defective spelling, WITHOUT THE LETTER VAV, WHICH WOULD HAVE INDICATED THE PLURAL FORM, BECAUSE HE OFFERED ONLY one BURNT OFFERING. It is written: "It is a burnt offering, a fire offering for sweet savor to Hashem (Vayikra 1:17). THE BOY SAID: The burnt offering is a male and not a female, as it is written: "He shall offer it a male, without blemish" (Vayikra 1:3). THEREFORE, why is the term isheh (fire offering) spelled WITH A FINAL HEI, INDICATING THE FEMININE FORM OF THE WORD? Esh (fire), WITHOUT HEI, should have been used instead, AS THIS IS THE MASCULINE FORM.

231. AND HE EXPLAINED THAT even though the burnt offering is male and is sacrificed and offered to its place, NAMELY to Zeir Anpin WHO IS THE MALE ASPECT, the Female Principle should not be separated from ZEIR ANPIN AS A RESULT OF THE OFFERING. Thus, it is offered to THE FEMALE PRINCIPLE, uniting ZEIR ANPIN AND HIS FEMALE PRINCIPLE. THROUGH THE OFFERING, the Female Principle rises up to ZEIR ANPIN and unites with him. Even though we find the explanation that the fire offering is for the Ishim, THE MASCULINE PLURAL FORM AND NOT FOR THE RAKINGS, WE LEARN FROM THE ALLUSION TO THE FEMALE PRINCIPLE.

232. Noach should have sacrificed a burnt offering. For the Holy One, blessed be He, had established him in the place of the male, so that he could enter the ark, THE SECRET OF THE FEMALE PRINCIPLE, and be united with it. He offered a burnt offering, AND NOT ANY OTHER KIND OF SACRIFICE, BECAUSE HE DID NOT REALLY SIN. HE ONLY THOUGHT THAT HE HAD NO MERIT LEFT. He sacrificed a burnt offering, a fire offering (isheh), meaning the fire of Hei (esh Hei). This indicates that the left OF ZEIR ANPIN, WHICH IS CALLED 'FIRE,' joined with the Female Principle, CALLED HEI. The Female Principle comes from the left side, WHICH IS CALLED FIRE, AND when THE FEMALE PRINCIPLE and THE FIRE are joined, She is called Isheh. THE WORD Isheh INDICATES the bond of love, which is to the left, WHERE THE FIRE, THE SECRET OF THE HEI, holds Her. The fire raises her TO ZEIR ANPIN, binding them together as one. This is why the verse reads, "It is a burnt offering, a fire offering," INDICATING the bond of a male and female with each other.

31. "And Hashem smelled the savor of appeasement"

This complex section concerns the power of aroma to awaken and arouse great Lights. The various processes and conduits that spiritual currents must travel are revealed here by the Zohar. A contemporary example can shed some light on the ideas that are being presented. A computer contains a processor, which must make billions of computations per second in order to accomplish a task. In essence, the Zohar is describing the metaphysical computations taking place within the Ten Sfirot whenever the aroma of incense arouses the spiritual forces of Light. Perusing the Aramaic words connects us to these forces.

233. "And Hashem smelled the savor of appeasement" (Beresheet 8:21). It is also written: "A fire offering, a savor of appeasement" (Vayikra 1:13). I have heard that TERM "fire offering" REFERS TO AN OFFERING in which smoke and fire are conjoined, since there is no smoke without fire. This is similar to the verse: "Now Mount Sinai was altogether smoke, because Hashem descended upon it in fire" (Shemot 19:18).

234. Come and behold: Fire comes from inside and is tenuous. It must attach itself to something on the outside that is not so tenuous. When fire and matter hold on to each other, smoke rises. Why? Because fire affects whatever reacts to it. An example is the nose, which reacts to the "smoke" that issues from the fire.

230. וַיַּעַל עֹלוֹת. עֹלֹת כְּתִיב, חֲדָא. כְּתִיב עֹלָה הוּא אִשָּׁה רִיחַ נִיחַח לָהּ. עֹלָה סֶלְקָא דְכֹר, וְלֹא סֶלְקָא נֹקְבָא, דְכְתִיב זְכָר תָּמִים וְקָרִיבָנוּ. אִמָּאי כְּתִיב אִשָּׁה, דְהָא אִשׁ בְּעֵי לְאַשְׁתַּבְּחָא תַּמָּן.

231. אֵלָא, אֵף עַל גְּבֻדְעוּלָה אֲתַקְרִיב דְכֹר, וְלֹאֲתַרְיָה אֲתַקְרִיב, נֹקְבָא לֹא בְעֵינָא לְאַתְפְּרָשָׁא מְנִיָּה, אֵלָא בְּהָ אֲתַקְרִיב, בְּגִין לְחַבְרָא דָּא בְּדָא. דְסֶלְקָא נֹקְבָא לְגַבֵּי דְכוּרָא, לְאַתְחַבְרָא בְּחֲדָא. וְאֵף עַל גַּב דְאִשָּׁה לְשׁוּם אִישִׁים.

232. נַח אֲצַטְרִיךְ לִיָּה, לְמַקְרַב עֹלָה, דְאִיְהוּ בְּאַתְרֵי דְכוּרָא עֲבַד לִיָּה קִדְשָׁא בְרִיךְ הוּא, לְאַתְחַבְרָא וְלֹאֲעֲלָא בְּתִיבָה. וְעַל דָּא, אֲקָרִיב עֹלָה. עֹלָה הוּא אִשָּׁה. אִשׁ ה', דְאֲתַחְבֵּר שְׂמָאלָא בְּנֹקְבָא, דְהָא נֹקְבָא מְסֻטָּרָא דְשְׂמָאלָא, קָא אֲתִיָּא, דְאֲתַדְבֵּק דָּא בְּדָא, וּבְגִין כֵּן אֲקָרִי נֹקְבָא אִשָּׁה. אִשָּׁה קְטִירוּ דְרַחֲמִימוּ, דְאֲחִיד בְּהָ שְׂמָאלָא, לְסֶלְקָא לָהּ לְעִילָא, וְלֹאֲתַקְשְׂרָא בְּחֲדָא. וּבְגִין כֵּן, עֹלָה הוּא אִשָּׁה, קְשִׁירוּ דְדְכֹר וְנֹקְבָא, דָּא בְּדָא.

233. וַיִּרַח ה' אֶת רִיחַ הַנִּיחַח. וְכְתִיב, אִשָּׁה רִיחַ נִיחֹחַ. אִשָּׁה, הֵכִי שְׂמַעְנָא תִנְנָא וְאִשָּׁא מְחַבְרִין בְּחֲדָא, דְהָא לִית תִּנְנָא, בְּלֹא אִשָּׁא, כְּמָה דְכְתִיב וְהָרַסְנִי עֵשֶׂן כֹּלֹ מִפְּנֵי אִשֶׁר יֵרֵד עָלָיו ה' בְּאִשׁ.

234. תָּא חֲזִי, אִשׁ נְפִיק מִלְּגִיָּו, וְאִיְהוּ דֵּק, וְאֲחִיד בְּמֵלָה אַחֲרָא לְכֹר, דְלֹאֹ אִיְהוּ דֵּק הֵכִי. וְאֲתַאֲחֲדֵן דָּא בְּדָא, וְכִדִּין תִּנְנָא סֶלְקָא, מָאי טַעְמָא, בְּגִין דְאֲתַאֲחִיד אִשָּׁא, בְּמֵלָה דְרַגִּישׁ. וְסִימְנָךְ, חוּטְמָא דְנְפִיק בֵּיהּ תִּנְנָא, מְגוּ אִשָּׁא.

235. Hence it is written: "They shall put incense in your nose" (Devarim 33:10), MEANING THAT THE JUDGMENTS WHICH ARE THE FIRE AND SMOKE ISSUING FROM THE NOSE ARE SWEETENED BY INCENSE. It sends the fire FROM THE NOSE to its place, NAMELY TO YISRAEL - SABA AND TEVUNAH, BECAUSE THAT IS ITS POINT OF ORIGIN. Because of the smell of the incense, the nose contracts and reaches its innermost levels, until all are united. THEN EVERYTHING returns to its point of origin and they all come closer to the Thought, WHICH IS ARICH ANPIN. Then they are combined into one whole desire, which is the "savor of appeasement," which appeases anger and restores peace.

236. When the smoke is gathered, it enters and folds itself onto the fire, and the fire catches on to the smoke. Together, they enter the innermost levels, until the Angel is appeased. After they are united and anger is appeased, A NEW MATING OCCURS. When the Angel is satisfied and all THREE COLUMNS are bonded together, it is called "appeasement." THIS REFERS TO THE SECOND ACTION, MENTIONED IN THE PREVIOUS PARAGRAPH, WHICH INCLUDES APPEASEMENT and satisfaction. IT COMBINES THE CHASSADIM and universal rejoicing, CAUSED BY THE CHOCHMAH, as one. IT DOES SO, BECAUSE THE CHASSADIM ARE COMPLETED BY THE LIGHT OF CHOCHMAH, AND CHOCHMAH ENCLOSES THE CHASSADIM. They are the radiance of the candles FROM THE LEFT SIDE and the brightness of the faces FROM THE RIGHT. Thus, it is written: "And Hashem smelt the savor of appeasement," as one who smells and gathers all the sweetness to itself.

237. Rabbi Yesa then approached THE YOUNG BOY and kissed him, saying that he did not realize that the boy possessed all these precious goods, and added that he would change his route in order to accompany the boy. So they all proceeded together. Rabbi Chizkiyah said: We are walking along this route accompanied by the Shechinah, so it is corrected for us! He then took hold of the young boy's hand and walked on. Then both rabbis requested that he tell them one of the scriptural expositions that his father has told him.

238. The young boy started with the verse, "Let him kiss me with the kisses of His mouth" (Shir Hashirim 1:2). This, he continued, is the supernal Passion. Because when the fire was issued, the desire came from the mouth and not from the nose. Because when one mouth is connected TO SOMEONE ELSE'S for the purpose of a kiss, fire emerges in the form of desire, brightness of face, the rejoicing of all, and the union of delight.

239. This is also why IT IS WRITTEN: "For your love is better than wine" (Ibid.). It is better than wine, meaning it is better than the wine that brightens the face and causes the eyes to laugh, bringing affection and brotherhood. It is not from the wine that leads to drunkenness and that brings anger and rage, causing darkening of the face and burning of the eyes.

240. Therefore, because this wine is good, it brightens the face, makes the eyes merry, and arouses the passion for love. Thus, it is offered daily as a sacrifice on the altar in a specific amount that makes whoever drinks it merry and satisfied. As it is written: "And the wine offering thereof shall be a fourth part of a hin" (this is a unit of measurement) (Bemidbar 28:7), THIS INDICATES THAT HE IS CAREFUL TO DRAW IT UP FROM BELOW. This is the reason IT HAS BEEN SAID, "your love is better than wine," for wine induces love and passion.

235. וע"ד כתיב, ושימו קטורה באפך. בגין דאהדר אשא לאתריה, וחוטמא אתכניש, בהוא ריחא לגו לגו, עד דאתאחיד כלא, ותב לאתריה, ואתקריב כלא לגו מחשבה, ואתעביד רעותא חדא. וכדין ריח ניחח דנח רוגזא ואתעביד ניחחא.

236. דהא תננא אתכניש, ועייל וקמיט באשא, ואשא אחיד בתננא, ועיילי תרווייהו לגו לגו, עד דנח רוגזא. וכד אתאחיד כלא דא בדא, ונח רוגזא, כדין הוא ניחחא, וקשירו חד, ואתקרו ניחחא. ניחחא דרוחא. חדוותא דכלא כחדא. נהירו דבוצינין. נהירו דאנפין. ובגין ככתיב, וירח ה' את ריח הניחח. כמאן דארח וכניש כלא, לגו אתריה.

240. ועל דא, בגין דחמר דא טב, נהיר אנפין, וחדוי עיינין, ועביד תיאובתא דרחימו, מקריבין ליה כל יומא, על גבי מדבחא. שעורא דמאן דשתי ליה, חדי ליה, ועביד ליה ניחחא, דכתיב ונסכו רביעות ההין. ובגין כך, כי טובים דודיך מיין. מההוא יין, דאתער רחימותא ותיאובתא.

241. And all, as it occurs below arouses love above. For there are two candles, and when the light of the one on high is extinguished by rising smoke from the one below, the upper one is lit. Rabbi Chizkiyah then said that it is clearly true that the upper world, WHICH IS BINAH, depends on the lower world, WHICH IS THE FEMALE PRINCIPLE. FOR, AS PREVIOUSLY EXPLAINED, THE FEMALE PRINCIPLE REKINDLES THE EXTINGUISHED BINAH. The lower world, THE FEMALE PRINCIPLE, depends on the upper world, BINAH, BECAUSE THE LIGHT THAT THE FEMALE PRINCIPLE MADE SHINE IN BINAH IS MERITED BY THE FEMALE PRINCIPLE AS WELL. The fact that since the destruction of the Holy Temple, there are no more blessings above IN BINAH or below IN THE FEMALE PRINCIPLE, shows that the two depend on each other.

242. And Rabbi Yosi said that blessings cannot be found, but curses do exist, because sustenance is drawn from that side, NAMELY, FROM LIGHTING THE UPPER CANDLE WITH THE SMOKE THAT RISES FROM THE LOWER ONE. Why? Because the nation of Yisrael does not reside in the Land of Yisrael and does not worship properly. To worship properly is to light the candles, TO LIGHT THE UPPER CANDLE WITH THE LOWER ONE, and to draw down the blessings TO BE PASSED ONTO THE WORLDS. This is why there are no blessings above or below. Therefore the world does not exist as it should.

243. Then Rabbi Chizkiyah asked: What is the meaning of the verse that reads: "I will not continue to curse again the ground any more, for Man's sake" (Beresheet 8:21)? COULD IT BE THAT THE HOLY ONE, BLESSED BE HE, FEELS REGRET? Rabbi Yosa answered that he had heard it was so from Rabbi Shimon, who said that as long as the fire of above, OF BINAH, spreads, THEN the smoke, which is the Judgment of below, OF THE FEMALE PRINCIPLE, intensifies the anger and destroys all. For when the fire FROM BINAH comes forth, it does not stop until the punishment OF THE FEMALE PRINCIPLE, WHICH IS SMOKE, is completed. So when the Judgment from below, THE SMOKE, ceases to spread because of the Judgment from above, FROM THE FORCE OF THE FIRE, then the Judgment is done and stopped, and is not executed until destruction. That is why it is written: "I will not continue," MEANING I WILL NOT CONTINUE TO ADD TO THE FIRE in order to intensify the Judgment down below, which is the smoke.

244. The young boy said: I heard that the words, "Cursed is the land for your sake" (Beresheet 3:17), indicate that the land has been cursed because of the sin of Adam, when the Evil Serpent received permission to rule over it. And as he is the destructive force in the world, THROUGH WHOM EVIL WAS SLOWLY REVEALED UNTIL IT BROUGHT THE FLOOD UPON THE EARTH and destroyed all the people of the world. IN OTHER WORDS, THE FLOOD REVEALED EVIL AND MADE IT POSSIBLE TO SEPARATE THE BAD FROM THE GOOD. But from the day when the Holy One, blessed be He, smelled Noach's sacrifice, HE SEPARATED THE BAD FROM THE GOOD, and granted permission to the land to leave the dominion of the Serpent and depart from the defiled side. FOR EVIL WAS SEPARATED FROM THE LAND. Therefore, the children of Yisrael offered sacrifices to the Holy One, blessed be He, to brighten the face of the earth, WHICH IS MALCHUT. THAT IS, BECAUSE NOACH HAD NOT YET COMPLETED THE CORRECTION, YISRAEL STILL NEEDED TO OFFER SACRIFICES. Rabbi Chizkiyah said that this is indeed so, because THAT CORRECTION did not occur until Yisrael stood at Mount Sinai. THEN THE EVIL COMPLETELY SEPARATED FROM THE EARTH, THE POLLUTION CEASED, AND THERE WAS FREEDOM FROM THE ANGEL OF DEATH, AS IS KNOWN.

245. Rabbi Yesa said that the Holy One, blessed be He, diminished the moon, WHICH WAS THE FEMALE PRINCIPLE, EVEN BEFORE ADAM SINNED and the Serpent took over. But because of Adam's sin, both the moon and the world THAT RECEIVES LIGHT FROM IT were cursed. On the day THAT NOACH OFFERED HIS SACRIFICE, only the land, WHICH IS THE FEMALE PRINCIPLE was freed from the curse, but the moon's light was still diminished. Only when there is an offering in the world and the nation of Yisrael lives in its land will moon's deficiency be corrected. THIS REFERS TO THE TIME OF KING SOLOMON, AND CONTRADICTS THE WORDS OF THE YOUNG BOY, WHO SAID THAT NOACH'S OFFERING RESULTED IN PERMISSION FOR THE EARTH TO LEAVE THE DOMINION OF THE SERPENT. HE CLAIMED THAT THE CURSE HAD BEEN CANCELED, BUT THE DOMINION OF THE SERPENT STILL PREVAILED. THAT IS WHY THE OFFERINGS OF YISRAEL ARE REQUIRED IN THE HOLY TEMPLE. Rabbi

Yesa then asked the young boy for his name. He replied: Aba (which means father). Rabbi Yesa continued, "You shall be a father in all things; you shall be A FATHER in wisdom and in years." And he applied to him the verse: "Your father and your mother will be glad and she that bore you shall rejoice" (Mishlei 23:25).

246. Rabbi Chizkiyah said that the Holy One, blessed be He, shall remove the spirit of uncleanness from the world, as it is written: "And the spirit of uncleanness I will cause to pass out of the land" (Zechariah 13:2) and also, "He will swallow up death forever, and Hashem Elohim will wipe off the tears from all faces and remove the disgrace of His people from all the earth, for Hashem spoke" (Yeshayah 25:8).

247. And the Holy One, blessed be He, shall restore the moon to its full brightness and remove it from the darkness into which the Evil Serpent caused it to fall. As it is written: "And the light of the moon shall be as the light of the sun, and the light of the sun shall be sevenfold, as the light of the seven days" (Yeshayah 30:26). So HE ASKED: What is the Light OF THE SEVEN DAYS? AND HE ANSWERED: IT is the Light that the Holy One, blessed be He, hid away in the seven days of creation!

32. "And Elohim blessed Noach"

The Zohar offers us the opportunity to draw in and manifest all the blessings that are generated though this passage.

248. "And Elohim blessed Noach and his sons, and said to them, 'Be fruitful, and multiply, and replenish the earth.'" Rabbi Aba started the discussion by saying: "The blessing of Hashem, it makes rich, and no pain shall be added thereto" (Mishlei 10:22). So "the blessing of Hashem" is the Shechinah, who is in charge of the blessings of the world and from whom come all blessings.

249. Come and behold: What is written before THE VERSE THAT READS ELOHIM BLESSED NOACH? IT IS WRITTEN: "And Hashem said to Noach: Come you and all your house in the ark." WHEN THEY ENTERED THE ARK THEY WERE ADDRESSED BY YUD-HEI-VAV-HEI WHO IS ZEIR ANPIN, BUT WHEN THEY LEFT THE ARK THEY WERE ADDRESSED BY ELOHIM, WHO IS THE FEMALE PRINCIPLE OF ZEIR ANPIN. As has already been stated, the "Landlord," WHO IS ZEIR ANPIN, gave NOACH permission to enter. Afterward, the Lady of the House, WHO IS THE FEMALE PRINCIPLE OF ZEIR ANPIN, allowed him to leave. SO HE ENTERED WITH THE PERMISSION OF THE HUSBAND, ZEIR ANPIN, AND LEFT BY PERMISSION FROM THE WIFE, WHO IS THE FEMALE PRINCIPLE OF ZEIR ANPIN. From this we learn that the Landlord should welcome THE VISITOR INTO THE HOUSE and the wife should escort him out. As it is written: "And Elohim spoke to Noach saying; go forth out of the ark" (Bereshheet 8:15-16). Permission to leave is granted by the wife; permission to enter is not.

245. אָמַר ר' יִיסָא, קִדְשָׁא בְרִיךְ הוּא אֲזַעִיר לָהּ לְסִיְהָרָא, וְשִׁלְטָא הֵהוּא נַחֲשׁ, אֲבָל בְּגִין חוּבָא דְאָדָם, אֲתִלְטְוִיָא, בְּגִין לְמִילַט עֲלֵמָא. בְּהֵהוּא יוֹמָא, נִפְקַת אֶרְעָא מֵהֵהִיא קְלָלָה, וְקוּימָא סִיְהָרָא בְּהֵהִיא גְרִיעוּתָא, בַּר בְּשַׁעְתָּא דְקוּרְבְּנָא אֲשַׁתְּכַחוּ בְעֲלֵמָא, וְיִשְׂרָאֵל יִתְבִּין עַל אֶרְעוֹן. אָמַר רַבִּי יִיסָא לְהֵהוּא יִנּוּקָא, מַה שְׁמֵךְ, אֲמַרְלוּאֲבָא. אֲמַרְלוּאֲבָא תְּהֵא בְכֻלָּא, בְּחֻכְמָה וּבְשִׁנִּין. קָרָא עֲלֵיהּ יִשְׁמַח אֲבִיךָ וְאִמְךָ וְתַגַּל יוֹלְדֶתְךָ.

249. תָּא חֲזִי מַה כְּתִיב בְּקִדְמִיתָא, וַיֹּאמֶר ה' לְנֹחַ בֵּא אַתָּה וְכָל בֵּיתְךָ אֶל הַתֶּבֶה וּגו'. כְּמַה דְאָתְמַר, דְּמֵאֲרִיָּה דְבֵיתָא יְהִי רִשׁוֹ לְמִיעָאֵל. לְבַתֵּר אֲתַתָּא אֲמַרְהָ לֵיהּ לְנִפְקָא. בְּקִדְמִיתָא עָאֵל בְּרִשׁוּתָא דְבַעֲלָה, לְסוּף נִפְקַת בְּרִשׁוֹ דְאֲתַתָּא. מְכָאן אֹלִיפְנָא, מֵאֲרִיָּה דְבֵיתָא יְעִיל, וְאֲתַתָּא תְּפִיק, הַה"ד וַיִּדְבֵר אֱלֹקִים אֶל נֹחַ לֵאמֹר צֵא מִן הַתֶּבֶה. דְרִשׁוּ הוּא בִידְהָא, לְאַפְקָא לֵיהּ לְאוֹשְׁפִיזָא, וְלֹא לְאַעֲלָא לֵיהּ.

250. Because he left THE ARK, he presented her with gifts, NAMELY THE OFFERING OF A SACRIFICE. For She is in the "House," and it was in Her hands. IN OTHER WORDS, THE MOCHIN OF THE HOUSE ARE IN THE HANDS OF THE FEMALE PRINCIPLE ALONE. He offered her gifts to make her more lovable to Her husband. From this we can learn how a guest should behave. HE SHOULD PRESENT THE LADY OF THE HOUSE WITH DEPARTING GIFTS. After he gives her the presents, her husband will become fonder of her and she will bless him. As it is written: "And Elohim blessed Noach and his sons, and said to them, Be fruitful, and multiply," and also, "The blessing of Hashem it makes rich" (Mishlei 10:22), which definitely indicates THAT THE SHECHINAH, WHO IS RESPONSIBLE FOR THE BLESSINGS OF THE WORLD, IS HASHEM'S BLESSING.

251. "And he adds no sorrow with Her." (Ibid.). This is the secret of the verse, "In sorrow shall you eat of it" (Beresheet 3:17). The word "sorrow" indicates sadness and anger, it means without a bright face. When the moon grows darker the blessings disappear. "In sorrow" refers to the spirit of the Other Side, OR THE KLIPOT, which prevent blessings from reaching our world BY CAUSING PEOPLE TO SIN. The words, "And he adds no sorrow with Her" hint at the secret of the verse: "I will not again curse the earth anymore" (Beresheet 8:21). FOR "SORROW" MEANS THAT THE OTHER SIDE IS IN POWER, BRINGING CURSES UPON THE WORLD. THEREFORE, WHEN HE DOES NOT ADD ANY SORROW WITH HER, HE ALSO DOES NOT "AGAIN CURSE." BECAUSE BOTH ARE ONE AND THE SAME.

33. "And the fear of you and the dread of you"

Man has two bodies, one composed of Light -- Tzelem Elokim, or Image of God -- and the other composed of physical matter. The Light body is our protective shield that shines and projects outward from our physical selves. The Zohar explains that even deadly animals fear us when this force radiates at maximum power. Negative actions gradually weaken and dim this protective Light. This arouses fears within us, which in turn create vulnerabilities to destructive external forces.

This secret is concealed in the Torah story of God blessing Noah and his children so that all the animals shall fear them. Knowing this secret rekindles the Light aspect of our body.

252. "And the fear of you and the dread of you shall be" (Beresheet 9:2) MEANS THAT from now on, you shall take the form of human beings, FROM WHICH THE BEASTS OF THE EARTH FEAR. FROM THE TIME OF ADAM'S SIN UNTIL THIS POINT, they did not take the form of human beings. Now come and behold: In the beginning it is written: THE BEASTS OF THE EARTH WERE AFRAID OF MAN "for in the image of Elohim made He Man," (Beresheet 9:6) and also, "in the likeness of Elohim made He him" (Beresheet 5:1). But as people sinned, they no longer maintained the supernal image, and they became afraid of the beasts of the field.

253. Formerly, the creatures of the world looked upon Man and saw the holy supernal image and trembled with fear. But as people sinned, their image was transformed in the eyes of the beasts. This is why human beings now tremble with fear of other creatures.

250. כִּיּוֹן דְּנִפְקָ, יֵהֵב מִתְּנֵן לָהּ, בְּגִין דְּאִיְהִי בְּבֵיתָא, וּבֵיתָא בִּידְהָא. וְאִינוּן מִתְּנֵן דִּיהֵב לָהּ, בְּגִין לְאַסְגָּאָה לָהּ רְחִימוּתָא בְּבַעְלָהּ. מִכָּאן אוֹלִיפְנָא אוֹרְחָ אֶרְעָא לְאוֹשְׁמִיזָא. וְעַל דְּאִלְבָּתֵר דִּיהֵב לָהּ מִתְּנֵן, לְאַסְגָּאָה לָהּ רְחִימוּתָא בְּבַעְלָהּ, בְּרַכָּא לִיְהִי, דְּכֹתִיב וַיְבָרֶךְ אֱלֹקִים אֶת נֹחַ וְאֶת בְּנָיו וַיֹּאמֶר לָהֶם פְּרוּ וּרְבוּ וּגּו'. וּבְגִין כְּרַכְתִּיב בְּרַכַּת ה' הִיא תַעֲשִׂיר. וְדִאי כְּמָה דְאַתְמֵר.

252. וּמוֹרָאכֶם וְחַתְכֶם יִהְיֶה. מִכָּאן וּלְהֵלָאָה, יֵהֵא לְכוּן דִּיּוֹקְנִין דְּבְנֵי נְשָׂא, דְּהֵא בְּקַדְמֵיתָא לֹא הוּוּ דִּיּוֹקְנִין דְּבְנֵי נְשָׂא. תֵּא חֲזִי, בְּקַדְמֵיתָא כְּתִיב בְּצִלְם אֱלֹקִים עָשָׂה אֶת הָאָדָם. וּכְתִיב בְּדַמוֹת אֱלֹקִים עָשָׂה אוֹתוֹ. כִּיּוֹן דְּחָטוּ אֲשַׁתְּנוּ דִּיּוֹקְנֵיהוּ, מֵהֵוּא דִּיּוֹקְנָא עֲלָאָה, וְאַתְהֶפְכוּ אִינוּן לְמַדְחַל מִקְמֵי חִיוּן בְּרָא.

253. בְּקַדְמֵיתָא, כֹּל בְּרִיין דְּעֲלָמָא, זְקַפְן עֵינִין, וְחָמָאן דִּיּוֹקְנָא, קְדִישָׁא עֲלָאָה, וְחָעָאן וְדַחְלִין מִקְמֵיהּ. כִּיּוֹן דְּחָטוּ אֶתְהֶפֶךְ דִּיּוֹקְנֵיהוּ, מֵעֵינֵיהוּ, לְדִיּוֹקְנָא אַחְרָא. וְאַתְהֶפֶךְ דְּבְנֵי נְשָׂא זְעִין וְדַחְלִין מִקְמֵי שְׂאָר בְּרִיין.

254. Come and behold: All the people who do not sin before their Master and do not transgress against the precepts of the Torah, retain the divine splendor of the image OF ELOHIM. Therefore all the creatures of the world tremble with fear of them. But when the people transgress against the precepts of the Torah, their shape changes and they tremble and fear other creatures, because the supernal shape has left them. Because the beasts cannot see the supernal form in them anymore, they are ruled by the beasts of the field.

255. When THEY LEFT THE ARK AND the world was renewed, Hashem blessed them by granting them dominion over all THE CREATURES, even over the fish in the sea. As it is written: "And upon all the fishes of the sea; into your hand they are delivered" (Bereshheet 9:2). Rabbi Chiya said that into your hand they are delivered, indicating that when the Holy One, blessed be He, created the world, He delivered everything into the hands of Man. As it is written: "and have dominion over the fish of the sea, and over the fowl of the air..." (Bereshheet 1:28). THAT IS TO SAY, THEY WERE SUBJUGATED TO PEOPLE ON THE DAY THAT MAN WAS CREATED.

256. "And Elohim blessed Noah." Rabbi Chizkiyah opened his discourse on the verse, "Of David, Maskil. Happy is he whose transgression is forgiven, whose sin is covered (Tehilim 32:1). He said that although this passage has been explained, it contains deep secrets of wisdom. We have learned that King David praised the Holy One, blessed be He, with ten levels of praises, WHICH ARE: CONDUCTING; PLAYING MELODY; MASKIL; EPIGRAMS (MIGHTAM); PSALMS; SONG; BLESSING; PRAYER; THANKSGIVING, AND HALLELUYAH. THROUGH THESE PRAISES, KING DAVID PERFECTED THE BOOK OF TEHILIM. Maskil is the level THAT REFERS TO THE SECRET OF CHOCHMAH, and David perfected himself before attaining this level.

257. "Blessed is he whose transgression is forgiven." THIS MEANS THAT when the Holy One, blessed be He, weighs the sins and the merits of men, transgression is forgiven when the merits overcome the sins and draw them downward on the scale. This means that he has more merits than sins. When this happens, his "transgression is forgiven."

258. The verse, "Whose sin is covered," means that when Judgment prevails in the world, sin should be covered so that the Angel of Destruction does not take control of it. This is what happened with Noah DURING THE FLOOD, when the Holy One, blessed be He, shielded him from Adam's sin OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL, that Adam brought down upon the world. BECAUSE THE ANGEL OF DESTRUCTION DID NOT SEE NOACH, HE WAS UNABLE TO CLING TO HIM AND PUNISH HIM. But because Adam brought sin upon the world, WE FIND THAT the other living creatures were given control, the human being is afraid of them, and the world has not reached perfection. So when Noah left the ark, the Holy One, blessed be He, blessed him. As it is written: "And Elohim blessed Noah and his sons..." . AND, ALSO, "THE FEAR OF YOU AND THE DREAD OF YOU SHALL BE UPON EVERY BEAST OF THE FIELD..." WHICH MEANS THAT HIS FORM BECAME LIKE THAT OF ADAM BEFORE THE SIN OF THE TREE OF KNOWLEDGE, WHEN ALL THE LIVING CREATURES FEARED HIM.

259. "And you, be fruitful and multiply" (Beresheet 9:7). HE RAISED THE ISSUE THAT females do not seem to be included in these blessings, as the verse mentions only Noach and his sons, but not the females. Rabbi Shimon said that the term "and you" WITH AN ADDED VAV, WHICH MEANS 'AND,' indicates that the males and the females were both included. THE LETTER VAV THAT APPEARS HERE INDICATES THE FEMALE PRINCIPLE. Not only that, but in the verse, "And Elohim blessed Noach," THE WORD ET IS ADDED TO SUGGEST THE NAME OF THE FEMALE PRINCIPLE. AND IT IS ALSO MENTIONED HERE to include NOACH'S wife. And in the line, "And (Et) his sons," THE PARTICLE ET IS USED to indicate that their wives are included.

260. Because it is written: "be fruitful and multiply," propagate your kind, WE KNOW THAT FEMALES WERE ALSO BLESSED. And from here onward, "brings abundantly in the earth," in which the Holy One, blessed be He, handed over to them-to all of them who followed after-seven precepts of the Torah. When Yisrael stood on Mount Sinai, they were all given the precepts of the Torah together.

34. "I have set My rainbow in the cloud"

The Zohar explains that the rainbow is a sign indicating that a great destruction was forthcoming, but it has been prevented by the hand of God. Reading this section infuses us with the same Light of protection expressed by the sign of the rainbow.

261. "And Elohim said to Noach... this is the sign of the covenant which I make between me and you... I have set My rainbow in the cloud" (Beresheet 9:8, 12-13). The words, "I have set," SHOW THAT He had already set the rainbow. Rabbi Shimon commented on the verse: "And above the firmament that was over their heads was the likeness of a throne, with the appearance of a sapphire stone" (Yechezkel 1:26). Before this, it is written: "And when they went out I heard the noise (voice) of their wings, like the noise of great waters, as the voice of Shadai" (Yechezkel 1:24). These words refer to the four sacred and mighty supreme animals upon whom the firmament rests. Their wings are joined together to cover their bodies.

262. When they spread their wings, the singing voice of all their wings is heard, and the words, "As the voice of Shadai," indicate that this voice is never silent. As it is also written: "praise to you and never be silent" (Tehilim 30:13). HE THEN ASKED: What do they say? AND HE ANSWERED: They say: Hashem has made known His salvation, His righteousness He has openly showed in the sight of the heathens" (Tehilim 98:2).

263. The words: "The noise of commotion, as the noise of a host" (Yechezkel 1:24), signify the noise of the Holy Camp, with its supernal armies assembled on high. HE ASKED: "And what do they say?" AND HE ANSWERED: THEY SAY "Holy, holy, holy is Hashem of Hosts, the whole earth is full of His glory" (Yeshayah 6:3). They face south and say "Holy," then they face north and say "Holy," then they face east and say "Holy," and then they face west and say "blessed."

264. And that firmament rests on top of their heads, so wherever the ANIMAL moves, it turns its head and faces all four faces gathered within. It also turns its head and faces all four corners of the world, ALL FOUR DIRECTIONS OF THE WINDS, and they are all brought back and spread downward.

259. וְאַתֶּם פְּרוּ וּרְבוּ. בְּהֵי בְרַכָּאן, לֹא אֲשַׁתְּכְחוּ וְנוֹקְבֵי, אֲלֵא אֵת נַח וְאֵת בְּנָיו, אֲבָל נֹקְבֵי לֹא אָמַר קָרָא. אָמַר רַבִּי שְׁמַעוֹן, וְאַתֶּם כָּלֵלֵא דְדְכוּרֵי וְנוֹקְבֵי כַחֲדָא. וְתוּ, אֵת נַח, לְאַסְגָּאָה נֹקְבֵיהּ. וְאֵת בְּנָיו, לְאַסְגָּאָה נֹקְבֵי דְלֵהוֹן.

264. וְהֵאֵין רַקִּיעַ קָאִים עַל רִישֵׁיהוֹן. וּבְכָל אֵתָר דְּאִיְהוּ אֲזֵלָא, אֲסַחְרוּ אִפִּין לְהֵיא סְטְרָא, דְּאֵתְכִלְלוּ אֲנַפִּין בֵּיהּ. אֲסַחְרוּ אֲנַפִּין לְאַרְבַּע זְווִיין, וְכִלְהוּ מִסְתַּחְרִין לְתַתָּא.

265. The four faces of these Animals are imprinted on all four sides of the firmament, WHICH ARE THE "FOUR WINDS" OF HEAVEN-SOUTH, NORTH, EAST, AND WEST. The face of a lion is imprinted TO THE SOUTH; the face of a bull TO THE NORTH; the face of an eagle TO THE EAST; and the face of a man TO THE WEST. All of the faces are also imprinted with THE FACE OF MAN: THE FACE OF LION IS IMPRINTED WITH THE FACE OF MAN, THE FACE OF EAGLE WITH THE FACE OF MAN, AND THE FACE OF BULL WITH THE FACE OF MAN. ALL FACES ARE INCLUDED IN THE FACE OF MAN, AND this is why it is written: "As for the likeness of their faces, they each had the likeness of Man (Yechezkel 1:10). THIS MEANS THAT ALL FOUR HAVE THE FACE OF MAN.

266. Now the firmament is a square THAT POINTS IN FOUR DIRECTIONS AND contains all of the colors, four of which-WHITE, RED, GREEN AND BLACK-are seen. EACH OF THESE COLORS IS imprinted with all four colors, SO WE HAVE SIXTEEN COLORS ALTOGETHER. The upper ones, THE ANIMAL OF CHESED, GVURAH, AND TIFERET are engraved. The same applies to the lower ones, THE ANIMAL OF NETZACH, HOD, YESOD, AND MALCHUT. So when these four colors, THE COLORS OF THE ANIMALS OF NETZACH, HOD, YESOD, AND MALCHUT, spread out, they become twelve, AND NOT SIXTEEN LIKE THE ANIMAL OF CHESED, GVURAH, AND TIFERET. THE COLORS ARE green, red, white, and sapphire, which is a combination of the first three. IN OTHER WORDS, THE COLOR SAPPHIRE, WHICH IS MALCHUT, IS NOT REALLY A COLOR BY ITSELF, BUT A COMBINATION OF THE THREE OTHER COLORS. SO WE HAVE THREE COLORS MULTIPLIED BY FOUR, which adds up to 12. This is why it is written: "As the appearance of the rainbow that is in the cloud in the day of rain... so was the appearance of the brightness round about. This was the appearance of the likeness of the glory of Hashem" (Yechezkel 1:28). THIS APPEARANCE AND LIKENESS, MALCHUT, contains all three colors, MEANING THAT MALCHUT HAS NO COLOR OF ITS OWN, BUT CONTAINS THE OTHER THREE COLORS. That is why it is written: "the appearance of the rainbow... in the cloud."

267. HE ASKED: What is meant by "My rainbow"? AND HE REPLIED: 'It is similar to what has been said about Yosef, "But his bow (rainbow) abode firm" (Beresheet 43:24). THE RAINBOW SUGGESTS MALCHUT, AND since Yosef is called righteous, WHICH IS THE ATTRIBUTE OF YESOD, "his rainbow" refers to the "Covenant of the rainbow," YESOD OF MALCHUT. THE COVENANT IS YESOD AND THE RAINBOW MALCHUT. The rainbow is considered righteous because the covenant, YESOD united with it. And because Noach was righteous, HIS COVENANT was established AND INCLUDED IN THE SECRET OF the rainbow.

268. "Were made strong" (Beresheet 49:24). HE ASKED, what is the meaning of "vayaphozu (lit. 'to make strong')?" AND HE REPLIED THAT HIS HANDS were shining from the light that is AS PURE GOLD (PAZ) and desired by all. This relates to the verse, "More to be desired are they than gold, than much fine gold (paz) and sweet..." (Tehilim 19:11). This means that HIS HANDS shone with the supernal Light because he observed the covenant. This is why WHEN HE MERITED THE COVENANT, he was called "Yosef the Righteous." The rainbow was also called the Covenant, because he and the rainbow are combined and included within each other, AS PREVIOUSLY EXPLAINED.

265. בְּרִבּוּעַ דִּילִיָּה, אֲתַגְּלִיֶּמֶת בְּאַרְבַּע אַנְפִּין, אֲנַפִּי אַרְיָה. אֲנַפִּי נִשְׂרָא. אֲנַפִּי שׁוּר. אֲנַפִּי אָדָם. גְּלִיף בְּכִלְהוֹ, אָדָם. אֲנַפִּי אַרְיָה, אָדָם. אֲנַפִּי נִשְׂרָא, אָדָם. אֲנַפִּי שׁוּר, אָדָם. כִּלְהוֹ כְּלִילֵן בֵּיהּ. וּבִגִּין כֶּךָ כְּתִיב, דְּמוֹת פְּנֵיהֶם פְּנֵי אָדָם.

269. And THE RAINBOW is the splendor of the Glory on High, the sight beyond all sights. MALCHUT, CALLED THE GLORY ON HIGH, CONTAINS ALL THE SIGHTS. It is also the sight of the hidden LIGHTS, WHICH ARE the hidden and unrevealed colors. THE THREE COLORS, WHITE, RED, AND GREEN, WHICH ARE CHESED, GVURAH, AND TIFERET. THESE LIGHTS ARE COVERED AND HIDDEN ABOVE THE CHEST, AND THEY ARE REVEALED IN THE RAINBOW. The eye is not permitted to look at the rainbow when it appears in the world. For the rainbow exposes fault in the Shechinah. Furthermore, the colors of the rainbow are connected with the "appearance of the mist and the cloud," WHICH MEAN THAT THEY ARE COVERED UP. Like the appearance of the Glory on High, it should not be gazed upon. THAT THE COLORS OF THE RAINBOW ARE CONNECTED TO THE SIGHT OF THE MIST AND THE CLOUD INDICATES THAT THEY ARE COVERED, LIKE THE SIGHT OF THE SUPERNAL GLORY, WHICH MUST NOT BE SEEN.

270. But because the earth looks at the rainbow, MALCHUT, CALLED THE EARTH, IS COMPLETED BY THE RAINBOW AND then the sacred COVENANT is properly established. Therefore, "it shall be for a sign of a covenant between Elohim... " (Bereshheet 9:13). What we previously stated, that these are three colors-WHITE, RED, AND GREEN-and one OTHER COLOR that is comprised of the other three, all form one secret. THIS MEANS THAT THE RAINBOW IS FORMED BY THESE THREE COLORS AND A FOURTH THAT IS A COMBINATION OF THEM. And THE RAINBOW climbs to the clouds to show itself, BECAUSE IT CAN ONLY BE SEEN FROM WITHIN A CLOUD.

271. "And above the firmament that was over their heads was the likeness of a throne, as the appearance of a sapphire stone" (Yechezkel 1:26). This "SAPPHIRE STONE" is the "Foundation Stone," which is one point upon which the whole world stands. Upon it, the Holy of the Holies is established. What is this POINT? It is the "supernal sacred throne," which controls the four COLORS. It bears a resemblance to a throne and its four supports, WHICH ARE THE FOUR COLORS, WHITE, RED, GREEN AND SAPPHIRE. This THRONE is the Unwritten Law, MALCHUT.

272. "And upon the likeness of a throne was the likeness as the appearance of a man upon it above" (Yechezkel 1:26). This refers to the Written Law, NAMELY ZEIR ANPIN. From this we learn that the Written Law should be placed above the Unwritten Law, because the one is a "throne" for the other. "As the appearance of a man" refers to the image of Ya'akov, WHO IS ZEIR ANPIN, because he sits upon this throne.

35. "And this stone which I have set for a pillar"

Within this discussion, the Zohar stresses the importance of properly preparing oneself-mind, body and soul-before entering the gates of Torah study. The reason given by the Zohar concerns the supernal forces and the souls of the righteous, who traverse many worlds to join us whenever we learn. True spiritual study does not pertain to the acquisition of external knowledge. Learning and studying the secrets of the Torah is the sum and substance of Light Itself. Specifically, study and Light are one and the same. Therefore, when we study, we are, in reality, bringing the spiritual forces of Light into full manifestation. This understanding helps us prepare our entire being, so that we may become worthy vessels for the Light of the Creator to fill.

273. Rabbi Yehuda woke up one night to study Torah. It was midnight in a guest house in the town of Mata-Mechesya. There was a Jew staying there, who had arrived with two sacks of clothes TO SELL. Rabbi Yehuda opened the discussion, saying, "And this stone which I have set for a pillar shall be the house of Elohim" (Bereshheet 28:22). That STONE, he continued, is the Foundation Stone, on which the world was planted. And on that stone the Holy Temple was built!

269. וְדָא זְהֵרָא יִקְרָא עֲלָאָה, חִיזוּ דְכָל חִיזוּ. חִיזוּ בְּחִיזוּ טְמִירִין, גּוּוּנִין טְמִירִין. גּוּוּנִין דְּלֵא אֲתַגְלִינִין. וְלִית רְשׁוּ לְאַסְתַּבְּלָא בְּעִינָא בְּקִשְׁתָּ, כַּד אֲתַחֲזִי בְּעֲלָמָא, דְּלֵא יִתְחַזִּי קְלָנָא בְּשְׂכִינְתָּא. וְכֵן גּוּוּנִין דְּקִשְׁתָּ הוּא חִיזוּ סוּסְטִיפָא קְטִירָא, בְּחִיזוּ יִקְרָא עֲלָאָה, דְּלֵא לְאַסְתַּבְּלָא.

270. וְכִינּוּן דְּאֶרְעָא חֲמַת לְהַאי קִשְׁתָּ, קְוִימָא קְדִישָׁא, אֲתַקְוִימַת בְּקְוִימָא. וְעַל דָּא, וְהִיתָה לְאוֹת בְּרִית בֵּין אֱלֹקִים וְגו'. הַאי דְּאִמְרִין, דְּאֵלִין תִּלְתָּ גּוּוּנִין, וְחַד דְּאֲתַבְּלִיל בִּינֵיהוּ, כְּלֵהוּ רְזָא חֲדָא. וּבְגוּ עֲנָא סְלֵקָא לְאַתְחַזְזָא.

273. רַבִּי יְהוּדָה, קָם לִילֵיא חַד לְמַלְעֵי בְּאוּרִינְתָּא, בְּמַלְגוּ לִילֵיא, בְּבֵי אוּשְׁפִיזָא, בְּמִתָּא מַחְסִיָּא. וְהוּהוּ תַמְן בְּבֵיתָא, חַד יוּדָאי, דְּאֲתָא בְּתֵרֵי קְסִירָא דְּקְטִמִּירָא. פִּתַּח רַבִּי יְהוּדָה וְאָמַר, וְהָאֲבָן הַזֹּאת אֲשֶׁר שִׁמְתִי מִצְבָּה יְהִיָּה בֵּית אֱלֹקִים. דָּא הוּא אֲבָן שְׁתִּיָּה, דְּמִתַּמְן אֲשֶׁתִּיל עֲלָמָא, וְעֲלֵהּ אֲתַבְּנֵי בֵּי מְקַדְשָׁא.

274. The Jew raised his head up and said: How can this be possible? As the Foundation Stone existed before the world was created and from it the world was planted. You claim that "this stone which I have set for a pillar" means that until Ya'akov set it AS A PILLAR, IT WAS NOT PROPERLY SET AND DID NOT STAND IN ITS PLACE. As it is written: "And he took the stone he had put under his head" (Bereshheet 22:11). BUT THE FOUNDATION STONE WAS ESTABLISHED AND STOOD IN ITS PLACE BEFORE THE CREATION OF THE WORLD. And furthermore, Ya'akov was in Bet-El, while the FOUNDATION Stone was in Jeruslaem, where IT STANDS IN THE PLACE OF THE HOLY TEMPLE.

275. Rabbi Yehuda, without turning his face toward him, quoted the verse, "Prepare to meet your Elohim, O Yisrael" (Amos 4:12). He continued, as it is written: "Take heed and hear O Yisrael (Devarim 27:3). This means that the words of Torah require full attention and that it should be approached with the body and soul properly focused. The Jew rose, dressed, sat by Rabbi Yehuda's side, and said: Happy are you righteous who study the Torah day and night!

276. Rabbi Yehuda said to him: Now that you have properly prepared yourself, we shall join one another and you can say what you want to say. For before discussing Torah, a person has to properly prepare his body and heart. If this were not so, I would lay in bed and think of these things in my heart. But we have learned that even one person, sitting and studying Torah, is accompanied by the Shechinah. And if the Shechinah is already here, how can I lay in bed? Also, IN ORDER TO DELVE INTO TORAH, a person requires a clear mind. AND HE WHO LIES IN HIS BED DOES NOT HAVE A CLEAR MIND.

277. Furthermore, when a person gets up to study Torah in the middle of the night, when the northern wind awakes, the Holy One, blessed be He, enters Gan Eden and enjoys Himself with the righteous. And He, together with the righteous in the Garden, listen to the words that come from such a person's mouth. So if the Holy One, blessed be He, and the righteous delight in hearing the words of Torah at this hour, how can I lay in my bed? Now, RABBI YEHUDA said to THE JEW: Say what you have to say.

278. He told RABBI YEHUDA that he had a question about the statement regarding the verse, "And this stone which I have set for a pillar shall be the house of Elohim." You said it refers to the Foundation Stone: How can that be? The Foundation Stone existed even before the creation of the world. From this Stone the world was planted. And you say that "which I have set" means that Ya'akov has just set it, and it is written: "And he took the stone that he had put under his head."

279. Also, Ya'akov was in Bet-El, while the stone was in Jeruslaem. Rabbi Yehuda answered that Ya'akov folded up the Land of Yisrael and placed it under his head, EVEN THOUGH HE WAS IN BET-EL. The Jew continued: It is written: "he took the stone that he had put" and, also, "And this stone which I have set for a pillar," MEANING THAT YA'AKOV ESTABLISHED IT NOW. SO HOW CAN IT BE THE SAME STONE WHICH HAD EXISTED BEFORE THE WORLD WAS CREATED? Rabbi Yehuda said: If you know anything, say it!

274. זָקַף יִשְׁוִיָּהּ, הוּא יוֹדְאֵי וְאִמְרֵלוֹהֵאֵי מְלֵה אֵינְךָ אִפְשֵׁר, וְהָא אָבֵן שְׁתִּיָּה עַד לֹא אֲתַבְרִי עֲלֵמָא הוּת, וּמִינָה אֲשֵׁתִיל עֲלֵמָא, וְאֵת אֲמַרְתָּ וְהָאָבֵן הַזֹּאת אֲשֶׁר שְׁמַתִּי מִצְבָּה. דְּמִשְׁמַע דִּיעֻקֵּב שׁוּי לֵה הַשְׁתָּא, דְּכְתִיב וַיִּקַּח אֶת הָאָבֵן אֲשֶׁר שָׁם מִרְאשׁוֹתָיו. וְתוּ, דִּיעֻקֵּב בְּבֵית אֵל הוּהוּ, וְהָאֵי אֲבָנָא הוּהוּ בִירוּשָׁלַם.

280. The Jew then began: It is written: "As for me, I shall behold your face in righteousness, I shall be satisfied when I wake up and see your likeness" (Tehilim 17:15). King David felt great affection for and devotion to this stone. THE STONE IS MALCHUT, AND IT IS CALLED THE "FOUNDATION STONE" AND ALSO "RIGHTEOUSNESS." Therefore, David said of it: "The stone which the builders rejected has become the cornerstone" (Tehilim 118:22), and when he wanted to look at the reflection of his Master's glory, he would simply take the stone into his hands and enter.

281. Whoever wants to appear before his Master can enter only by that stone, as it is written: "Thus (Heb. bezot), WITH MALCHUT THAT IS CALLED THIS (HEB. ZOT) shall Aharon come into the holy place" (Vayikra 16:3). King David was glorifying Himself, saying, "As for me, I shall behold your face in righteousness," WHICH IS MALCHUT. His main intention was to show himself and appear with the stone turned heavenward.

282. Come and behold: Avraham instituted the morning prayer, WHICH CORRESPONDS TO THE SFIRAH OF CHESED OF ZEIR ANPIN, and in so doing, he made known the essence of his Master in the world, and he fixed the time of the morning, as it should properly be, as it is written "And Avraham rose up early in the morning" (Beresheet 22:3). THIS MEANS THAT HE FIXED THE ATTRIBUTE OF CHESED, THAT PREVAILS IN THE MORNING. Yitzchak instituted the afternoon prayer, WHICH CORRESPONDS TO THE SFIRAH OF GVURAH OF ZEIR ANPIN, and made the world know that there is Judgment and a Judge who can save the world and judge it. THIS MEANS THAT HE FIXED THE ATTRIBUTE OF GVURAH.

283. Ya'akov instituted the evening prayer, WHICH CORRESPONDS TO MALCHUT, OF THE FEMALE PRINCIPLE OF ZEIR ANPIN. Through this prayer, he established what no man had before, and he therefore praised himself, saying, "And this stone WHICH IS MALCHUT, I had put for a pillar." HE FIXED HER PROPERLY, because until that time, nobody had established it as he had!

284. This is why he "took the stone that he had put under his head, and set it up for a pillar" Beresheet 28:18), but what is the meaning of "a pillar?" It means that MALCHUT had fallen and he "set Her up." "And he poured oil on the top of it" (Beresheet 28:18) means that her positioning depended on Ya'akov more than on any other person in the world. FOR YA'AKOV IS HER HUSBAND, THE CHARIOT OF TIFERET. THEREFORE ALL AMENDMENTS MADE TO MALCHUT, WHO IS HIS FEMALE PRINCIPLE, ARE DEPENDENT ON HIM.

285. Rabbi Yehuda then came, kissed THE JEW, and said to him, You know all this and still you deal in commerce and neglect eternal life? The Jew answered: Times are pressing, and I have two sons studying daily in a house of Torah. I have to care for their expenses and pay their teacher's fees so that they can continue to study.

286. He continued, quoting the verse: "And Solomon sat upon the throne of David, his father. And his kingdom was established firmly" (I Melachim 2:12). AND HE ASKED, what is the reason for SOLOMON'S praise? HE REPLIED THAT he established the Foundation Stone and set over it the Holy of Holies, thereby firmly establishing his kingdom.

280. פתח ואמר, אני בצדק אחזה פניך אשבעה בהקיץ תמונתך. דוד מלכא, חביבותא ודבקותא דיליה, בהאי אבן הוה. ועלה אמר אבן מאסו הבונים היתה לראש פנה. וכד בעא לאסתכלא, בחיזו יקרא דמריה, נטל להאי אבן בידיה, בקדמיתא, ולבתר עייל.

287. It is written: "And I will look upon it, that I may remember the everlasting covenant" (Bereshheet 9:16), meaning that the Holy One, blessed be He, always desires Her, MALCHUT. Whoever is not seen with Her does not enter before his Master. That is why it is written: "And I will look upon it, that I may remember the everlasting covenant," BECAUSE THE SEEING IS ONLY FOR HER.

288. HE ASKS: What is meant by "And I will look upon it"? AND HE ANSWERED THAT it is a secret relating to the words, "and set a mark upon the foreheads..." (Yechezkel 9:4). THIS MARK IS THE LETTER TAV THAT SHALL BE 'SEEN' ON THEIR FOREHEADS. But there are those who say that the 'seeing' is related to the impression of His holy sign in the flesh (the circumcision).

289. Rabbi Yehuda said: Certainly BOTH THE ASPECT OF THE LETTER Tav AND THE DIADEM ARE IMPLIED IN THE EXPRESSION "LOOK UPON IT." Nevertheless, the rainbow that is seen in the world is based on a supernal secret, and when the nation of Yisrael goes forth from exile, this rainbow will be adorned with color like a bride who adorns herself for her husband.

290. The Jew then told him: This is what my father said to me while he was departing from this world: Do not expect the coming of Mashiach until this rainbow is seen in the world, adorning itself in shining colors and shining to all the world. Only then expect Mashiach.

291. From where do we know this? From the verse that says, "And I will look upon it, that I may remember the everlasting covenant." Because now, DURING THE EXILE, when the rainbow is seen with darkened colors, it is a reminder to prevent the Flood from returning to the world. But, WHEN MASHIACH APPEARS, it shall shine brightly and be ornamented, like a bride who adorns herself for her husband. And what is predicted in the verse: "to remember the everlasting covenant," SHALL COME TO PASS. Then the Holy One, blessed be He, will remember that covenant and raise Her from the dust, as it is written: "And they will seek Hashem their Elohim and David their King" (Hoshea 3:5). "DAVID THEIR KING" REFERS TO MALCHUT THAT IS THE SECRET OF THE RAINBOW. It is also written: "But they shall serve Hashem their Elohim and David their king, whom I will raise for them" (Yirmeyah 30:9), MEANING, "whom I will raise" from the dust. As you say, "I will raise up the tabernacle of David that is fallen" (Amos 9:11), it is therefore said at that time "I will look upon it, that I may remember the everlasting covenant" and raise Her from the dust.

292. My father said that the reason the redemption of Yisrael and the remembrance OF MALCHUT are mentioned in the Torah IS THAT "REMEMBER THE EVERLASTING COVENANT" REFERS TO THE REDEMPTION OF YISRAEL AND THE COMPLETION OF MALCHUT. That is why, IN REFERENCE TO THE TIME OF REDEMPTION, it is written: "For as I have sworn that the waters of Noach should no more go over the earth, so have I sworn that I would not be angry with you, nor rebuke you" (Yeshayah 54:9).

36. "And the sons of Noach that went forth from the ark"

Rabbi Shimon discloses a secret to explain this verse. It concerns a process of revelation of great Light. When we scan this portion, may we all merit the Light that shines from these secrets.

293. "And the sons of Noach that went forth from the ark..." (Bereshheet 9:18). Rabbi Elazar said: it is written, "the sons of Noach that went forth from the ark." Could it be that there were others who did not emerge from the ark?"

287. וְכָתִיב, וּרְאִיתִיהָ לְזִכֹּר בְּרִית עוֹלָם. דְּהָא קִדְשָׁא בְּרִיךְ הוּא, תִּיאוּבְתָא דִּילִיהּ בְּהַ תְּדִיר, וּמֵאן דִּלָּא אֲתַחְזִי בְּהַ, לֹא אַעִיל קִמֵּי מֵאֲרִיָּהּ. וְעַד כְּתִיב, וּרְאִיתִיהָ לְזִכֹּר בְּרִית עוֹלָם.

294. Rabbi Aba answered: Yes. His sons bore other children afterward, as it is written: "These are the generations of Shem..." (Beresheet 11:10). They did not go forth from the ark, and it is therefore written: "that went forth from the ark were Shem, Cham and Yafet."

295. Rabbi Shimon said: Had I been alive, when the Holy One, blessed be He, gave Humankind the Books of Chanoch and Adam, I would have tried my best to prevent them from circulating among the people. For at that time, wise men were not afraid to look into them and pervert their MEANING. THEY twisted the books' ideas and took them from the supernal dominion of the Holiness to another dominion, WHICH IS NOT HOLY. Now, however, the wise of the world know things but conceal them, THAT IS, THEY DO NOT REVEAL THE SECRETS and they strengthen themselves in serving their Master. THAT IS WHY NOW IT IS ALLOWED TO DELVE INTO THE SECRETS OF THE TORAH.

296. I found this passage about THE SONS OF NOACH WHO WENT FORTH FROM THE ARK hidden among the secrets of the secrets. When the hidden and unknown bliss that is above all bliss, WHICH IS BINAH WHEN SHE ASCENDED TO THE HEAD OF ARICH ANPIN, is aroused, the cause of all causes, WHICH IS ARICH ANPIN, produces from within Himself a thin Light. BINAH, FOR LACK OF CHASSADIM, CAN RECEIVE ONLY A THIN LIGHT FROM ARICH ANPIN. THIS IS WHY BINAH IS HIDDEN AND INCONCEIVABLE. THEREFORE, BINAH IS AROUSED AND RECEIVES WITHIN HERSELF THE ILLUMINATIONS OF THE THREE COLUMNS. THIS MEANS THAT, using the supernal anointing oil, THE ILLUMINATION OF CHASSADIM, WHICH IS THE SECRET OF CHOLAM, the bliss above all bliss shines its light on the Right COLUMN. And it shines its light on the Left COLUMN with the gaiety of good wine, THAT IS, ILLUMINATIONS OF CHOCHMAH, WHICH IS THE SECRET OF SHURUK. And it shines its light on the Central COLUMN with the gaiety of both THE RIGHT AND THE LEFT Columns, WHICH IS THE SECRET OF CHIRIK. For the spirit, WHICH IS ZEIR ANPIN, has been aroused AND HAS JOINED THE CENTRAL COLUMN OF BINAH, FROM WHICH EMANATES THE NEKUDAT HACHIRIK (LIT. 'THE VOWEL OF CHIRIK'), WHILE THE SPIRIT OF THE LEFT COLUMN HAS ASCENDED and been placed in the spirit OF THE RIGHT COLUMN. THEN ALL THREE COLUMNS OF BINAH ARE JOINED TOGETHER AND INCLUDED IN EACH OTHER.

297. They cling to each other. ZEIR ANPIN CLINGS TO BINAH, and then all three enter into the other three--THE THREE COLUMNS OF BINAH ENTER AND BECOME THE THREE COLUMNS OF ZEIR ANPIN. From the three COLUMNS OF ZEIR ANPIN, one goes forth. THIS ONE IS the Covenant, YESOD, and THE FEMALE PRINCIPLE is attached to the Covenant. AFTERWARD, the rising spirit, WHICH IS THE SPIRIT OF THE LEFT COLUMN, leaves Him and THE FEMALE PRINCIPLE is impregnated by him. THIS MEANS THAT THE LEFT COLUMN LEAVES ZEIR ANPIN AND IS PASSED ONTO THE FEMALE PRINCIPLE. Afterward, when THE FEMALE PRINCIPLE receives the two Columns OF ZEIR ANPIN, WHEN SHE RECEIVES THE CHASSADIM OF THE RIGHT and she and Zeir Anpin are attached spirit to spirit, THE FEMALE PRINCIPLE becomes pregnant with three sons. Then from Noach and the ark, three SONS emerged. These sons who emerged from the ark, Shem, Cham, and Yafet, were similar to the supernal three COLUMNS. Shem was the Right one, Cham the Left one, and Yafet the Central one--whose color is purple and which includes the other two.

294. אָמַר לִיה רַבִּי אָבָא, אִין. דְּהָא לְבַתָּר, אוֹלִידוּ בְּנוֹי בְּנִין. דְּכֹתִיב, וְאֵלֶּה תּוֹלְדוֹת שֵׁם וְגו'. וְאִינוּן לָא נִמְקִי מִגּוֹ תִּיבּוֹתָא. וּבְגִין כְּרַכְתִּיב, הַיּוֹצֵאִים מִן הַתְּבָה שֵׁם חָם וְיֶפֶת.

297. דְּבִקֵּן דָּא בְּדָא. תְּלַת עֲאֵלִין בְּתַלְתָּ. מִגּוֹ תְּלַת, נִמְקָא חַד בְּרִית, וְדִבְקָא בְּבְרִית. אֲתַעְבְּרַת רוּחַ דְּסֵלְקָא, מִתַּעְבְּרַת מְנִיָּה. כִּד אֲתִיָּהִיבַת בְּתֵרִין סְטֵרִין, אֲתַדְּבִקוּ רוּחָא בְּרוּחָא, וּמִתַּעְבְּרָאן מִתְּלַת בְּנִין. וְנַח וְתִיבָה, נִמְקוּ מְנִיָּהוּ תְּלַתָּ, כְּגוּוּנָא דְתְּלַתָּא עֲלָאִין, וְאֵלִין אִינוּן דְּנִמְקוּ מִגּוֹ תִּיבּוֹתָא: שֵׁם וְחָם וְיֶפֶת. שֵׁם: דְּבִסְטֵר יְמִינָא, חָם: דְּבִסְטֵר שְׂמַאלָא. יֶפֶת: אֲרִגּוּנָא דְכֻלִּיל לוֹן.

298. "And Cham is the father of Cnaan" (Beresheet 3:18). CNAAN is the filth under the refuse of the Gold, NAMELY THAT WHICH SETTLES AT THE BOTTOM OF THE POT DURING THE MELTING OF THE GOLD. And he is also the arousal of the ancient Serpent's spirit of impurity. CHAM IS THE LEFT COLUMN, WHICH IS THE SECRET OF GOLD, AND CNAAN, WHO REPRESENTS THE ANCIENT SERPENT, IS HIS REFUSE. This is why the verse specifically reads, "And Cham is the father of Cnaan," THE SAME CNAAN who brought curses on the world, the same Cnaan who was himself cursed and who darkened the faces of the creatures. IN OTHER WORDS, HE IS THE SERPENT WHO SEDUCED CHAVAH AND BROUGHT CURSES ON THE WORLD, AND WHO WAS CURSED HIMSELF AND DARKENED THE FACES OF THE CREATURES BY BRINGING DEATH UPON THEM.

299. Only Cham was separated from the rest, because, as is written: "And Cham is the father of Cnaan." THIS REFERS TO the one who brought darkness upon the world: THE SERPENT. Nobody else is described in this fashion. It does not say, 'Shem is the father of so and so, or Yafet is the father of so and so.' The Scriptures say immediately, "And Cham is the father of Cnaan."

300. Hence, what does it say about Avraham? It says, "and Avram passed through the land... And the Cnaanite was then in the land" (Beresheet 12:6). The Patriarchies, THE MOCHIN THAT WERE DRAWN DOWN FOR THE FEMALE PRINCIPLE, CALLED 'THE LAND,' were not yet established, and the seed of Yisrael had not yet appeared in the world. The name OF CNAAN therefore could not yet be removed FROM THE LAND and replaced with the sacred supernal name OF YISRAEL. But when Yisrael was righteous AND DREW DOWN THE THREE COLUMNS OF ZEIR ANPIN, CALLED 'YISRAEL,' TO MATE WITH THE FEMALE PRINCIPLE, the land came to be called by the name, 'Land of Yisrael.' IT WAS NAMED FOR THE LOWER YISRAEL, WHO COMPLETED THE FEMALE PRINCIPLE, AND HER HUSBAND, ZEIR ANPIN. But when they were not worthy AND THE FEMALE PRINCIPLE WAS LEFT WITH THE LEFT COLUMN, WITH THE GOLD'S REFUSE, CALLED 'CNAAN,' it was called by a different name, 'the Land of Cnaan.'

301. Therefore, it is written: "And he said: Cursed be Cnaan, a slave of slaves he shall be to his brothers" (Beresheet 9:25), for he brought curses upon the world, and HE REPRESENTS THE ANCIENT SERPENT. And what is said of the Serpent? "Cursed are you of all cattle" (Beresheet 3:14). HE WAS CURSED AS WELL IN THE PASSAGE, "CURSED BE CNAAN... a slave of slaves SHALL HE BE TO HIS BROTHERS." BECAUSE CATTLE ARE SLAVES TO HUMAN BEINGS AND BECAUSE HE IS WORSE THAN THE CATTLE AND THE MOST CURSED, HE IS THE SLAVE OF SLAVES. This is why it is written that Shem, Cham, and Yafet are the three sons of Noach who emerged from the ark, as has previously been explained. THEY ARE THE SECRET OF THE THREE COLUMNS: THE FEMALE PRINCIPLE, THAT IS CALLED 'THE ARK,' RECEIVED THEM FROM ZEIR ANPIN, BECAME PREGNANT BY THEM, AND BROUGHT THEM FORTH INTO THE WORLD.

37. "These three sons of Noach"

Three unique energy forces permeate all existence. The Zohar explains that this supernal secret is denoted by the Three sons of Noah. These 3 spiritual forces are known as Right Column, Left Column and Central Column. That is, the positive desire to share, the negative desire to receive and the free will to balance these desires into receiving for the sake of sharing. In our physical world they also manifest as the proton, electron, and neutron. The Zohar further reveals that Noah's three sons are the source of all the souls who have come to this world.

298. וְחָם הוּא אָבִי כְנַעַן. זוֹהֵמָא דְרַהֲבָא, תַּחֲוֹת קְסָטִיפִין. אֶתְעֲרוּתָא דְרוּחָא מְסַאֲבָא, דִּנְחָשׁ קְדַמָּא. וּבְגִין כֵּךְ, רְשִׁים וְאָמַר, וְחָם הוּא אָבִי כְנַעַן. דְּאִיִּיתִי לוֹוֹטִין עַל עֲלָמָא. הֵהוּא כְנַעַן, דְּאֶתְלַטְיָא. הֵהוּא כְנַעַן, דְּאֶחְשִׁיךְ אֲנָפִי בְרִיין.

302. "These three are the sons of Noah" (Beresheet 9:19). They "are the existence of the entire world. THE WORD 'EXISTENCE' INDICATES THE MOCHIN OF THE FEMALE PRINCIPLE, WHICH IS CALLED 'THE WORLD.' THEY ARE the existence of the supernal secret, THE MOCHIN OF BINAH. THE WORDS, "and of them was the whole earth over spread," MEANS THAT ALL HUMAN SOULS ARE DESCENDED FROM THEM. THEY ARE the secret of the three supernal colors OF BINAH, WHICH ARE THE THREE COLUMNS. When the river that comes out FROM EDEN AND WHICH IS ZEIR ANPIN watered the Garden, WHICH IS THE FEMALE PRINCIPLE, it watered it by the power of the three supernal COLUMNS, BY THE POWER OF THE SUPERNAL BINAH. Then, the lower colors, WHITE, RED, AND BLACK, WHICH ARE THE SECRET OF THE LOWER THREE COLUMNS OF THE FEMALE PRINCIPLE, expanded. Each of these colors is included in the other, to show that the glory of the Holy One, blessed be He, extends up TO BINAH and down TO MALCHUT, and is one, above and below.

303. Rabbi Elazar said that these three colors exist in all OF THE MOCHIN that originate from the Holy Side. Their 'Appearance,' WHICH IS MALCHUT, INCLUDES all three colors, which expand into the colors coming from the Other Spirit. And when you look into the secret of the levels, you will find that the colors spread out in all directions: RIGHT, LEFT AND CENTER, until they enter below INTO MALCHUT. This is the secret of the 27 channels of doors that cover the deep.

304. All this is known to our exalted sages. Worthy are the righteous with their lot that The Holy One, blessed be He, wants to glorify them and reveal to them the supernal secrets of Wisdom. Of them, it is written: "The secret of Hashem is to those who fear him, and to let them know His covenant" (Tehilim 25:14).

305. Rabbi Elazar said: "Hashem you are my Elohim, I will exalt you, I will praise your name, for you have done wonderful things, even counsels of old, in faithfulness and truth" (Yeshayah 25:1). How important it is for people to pay attention to the honor of the Holy One, blessed be He, and praise Him. For the desires of he who knows how to praise his Master as He deserves will be fulfilled. Not only that, but He also causes an increase of blessings above and below!

306. So whoever is able to praise his Master and proclaim His unity is held in affection on high and is beloved below. And the Holy One, blessed be He, is proud of him. Such a person is described by the verse: "And He said to me you my servant, Yisrael, in whom I will be glorified" (Yeshayah 43:3).

38. "And Noah, man of the earth, began and planted a vineyard"

The Zohar explains that both Noah and Adam sinned under the influence of wine. Kabbalah teaches that wine is a powerful tool for drawing in Light, as the grape is a potent conduit of spiritual energy. Wine is therefore used as a tool in blessings to reveal God's Light into our physical world. When, through the absence of a blessing, we do not prepare a large enough Vessel, or if we consume wine for reasons not related to spirituality, the torrent of Light aroused becomes uncontrollable. This is the mystery that explains wine's ability to induce intoxicated behavior.

307. "And Noach, a man of the earth, began and planted a vineyard" (Beresheet 9:20). Rabbi Yehuda disagreed with Rabbi Yosi's interpretation of this verse. One said the vine was thrown out of Gan Eden, and that Noach planted it IN THE GROUND. The other said, IT IS WRITTEN: "AND HE PLANTED," BECAUSE the vine had already been in the ground and Noach plucked it out FROM ITS PLACE and replanted it ELSEWHERE. It blossomed and gave fruit on the same day, and he squeezed the grapes, drank their wine, and got drunk.

308. Rabbi Shimon said that there is a sublime secret hidden in this passage. Noach had come to reexamine Adam's sin OF THE TREE OF KNOWLEDGE, so that he could refrain from repeating it and could make reparations in the world. But he was unable TO ACCOMPLISH THIS, HOWEVER, because after squeezing the grapes, so that he could examine them, he got drunk, was uncovered, and had no strength to get up. This is why THE VERSE SAYS, "and was uncovered," MEANING THAT he 'uncovered' a Gap in the World, which had been covered until that time. "Within his tent (Heb. ohaloh)" is spelled with a final Hei. It is not spelled OHALO WITH A VAV. Therefore, it is written: "and do not come near the door of her house" (Mishlei 5: 9), "his tent"-- indicating the vineyard AND NOT HIS OWN TENT. FOR THIS REASON, IT IS WRITTEN WITH A HEI AND NOT WITH A VAV.

309. The same thing happened with the sons of Aharon, who, as we have learned, were drunk. AND HE ASKED: Who gave them wine to drink in such a place? Could you ever think that they were so impertinent as to get drunk! No, this cannot be so, but indeed they did drink from that certain type of wine and became drunk, as is it is written: "and they offered strange fire before Hashem" (Vayikra 10:1). It says here "a strange fire (Heb. esh)" and elsewhere "That they may keep you from the strange woman (Heb. isha)" (Mishlei 8:5), and both verses apply to the same thing. Everything amounts to the same explanation.

310. We find the same meaning in the words: "And he drank of the wine and was drunk, and he was uncovered" (Beresheet 9:21). This aroused Cham, the father of Cnaan, BECAUSE OF WHOM THE POINT OF JUDGMENT, WHICH IS THE SECRET OF "nakedness OF HIS FATHER," BECAME UNCOVERED. And we have learned that Cnaan was given a place to rule. And he castrated NOACH, thereby removing the secret of the Covenant, which had made him a righteous man. As we have learned that he removed the covenant (the male organ) from him, MEANING THAT HE REMOVED THE MOCHIN OF BEGETTING, WHICH IS GIVEN ONLY BY THE POWER OF THE HOLY COVENANT. THIS REMOVAL IS CONSIDERED CASTRATION.

311. This is why NOACH said, "Cursed be Cnaan," because curses were initially brought upon the world by him. FOR HE IS THE SECRET OF THE SERPENT, AS IT IS WRITTEN: "A slave of slaves he shall be," and, also, "Cursed are you of all cattle" (Beresheet 3:14). Everything shall be corrected in the future except for CNAAN. All THE SLAVES EXCEPT CNAAN shall be freed from their slavery. And this is the secret known to those who are familiar with the ways and the paths of the Torah.

39. Bat-Sheva and Uriyah

Through a story pertaining to King David and Bat-sheva, the Zohar reveals that a person's negative action brings about the creation of an actual negative entity. These negative influences are not presented as metaphors. They are actual forces that directly affect the activities of mankind, individually and collectively. They are as real as an unseen atom, and as influential in our lives as the invisible force of gravity. The Kabbalists reject entirely the concept of a Creator who administers punishments and rewards. By way of illustration, electrical energy benefits our society in countless ways. If a person inadvertently placed his finger in a light socket and was electrocuted, it would be senseless to suggest that the electricity punished the individual. The Zohar is offering us a lesson on accountability. This, along with repentance, is the only way we can eradicate all negative forces.

312. He opened the discussion by quoting: "For I know my transgressions, and my sin is ever before me always" (Tehilim 51:5). People should be staunchly on guard against sinning before the Holy One, blessed be He, because after a person has sinned, his sin is recorded in the upper world and may only be blotted out through the power of great repentance. This is as it is written: "For though you wash yourself with nitre, and take yourself much soap, yet your iniquity has become a stain before me" (Yirmeyah 2:22).

313. Come and behold: The first time a person sins before the Holy One, blessed be He, he leaves a stain. If he sins a second time, the stain is darkened. If he sins a third time, the stain spreads to all sides. This is suggested by the words: "your iniquity has become a stain before me" (Yirmeyah 2:22).

314. Come and behold: When King David sinned with Bat-Sheva before the Holy One, blessed be He, King David thought that the stain of this sin would last forever. But what is written? "Hashem also has put away your sin, you shall not die" (II Shmuel 12:13), MEANING that the stain was blotted out.

315. Rabbi Aba then asked him: If Bat-Sheva belonged to King David from the day the world was created, why did the Holy One, blessed be He, give her first to Uriyah the Chitite?

316. Rabbi Shimon told him that these are the ways of the Holy One, blessed be He. Although a woman may be destined to become a certain man's wife, another man may marry her first. But as soon as the time has come for the destined man to marry her, the latter is removed from this world, because of the other that comes after him. And it is very hard and painful for the Holy One, blessed be He, to remove that person from the world before his time has come.

317. The secret of why Bat-Sheva was given first to Uriyah the Chitite lies in the answer to the question of why the Holy Land was given first to Cnaan, before the nation of Yisrael existed. From this, you shall understand WHY BAT-SHEVA WAS GIVEN FIRST TO URIYAH. Both questions are connected to one secret and one matter.

318. Come and behold: Even though David confessed his sins and repented, he was not able to completely forget and extirpate them from his heart, especially the sin related to Bat-Sheva. Because he always feared that one of his sins might reappear and persecute him in time of danger, he never forgot them or blotted them out of his memory. HE SAID, "FOR I KNOW MY TRANSGRESSION, AND MY SIN IS BEFORE ME ALWAYS."

312. פֶּתַח וְאָמַר, כִּי מַשְׁעֵי אָנִי אֶדַע וְחַטָּאתַי נִגְדִי תָמִיד. כִּמָּה אֵיךְ לֹוֹן לְבַנִּי נִשְׂא, לְאַסְתַּמְרָא מִחֻבֵּייהוּ, מִקְמֵי קִדְשָׁא בְרִיךְ הוּא. דִּהָא לְבַתֵּר דְּחַטָּא בַר נֶשׁ, רְשִׁים הוּא, חֻבִּיָּה לְעֵילָא, וְלֹא אֲתַמְחֵק, בַּר בְּתוֹקְמָא דְתִיּוֹבְתָא סָגִיא. כְּדִ"א כִּי אִם תִּכְבְּסֵי בְּנִתֵּר וְתִרְבִּי לֶךְ בּוֹרִית נִכְתָּם עֹנֵךְ לְפָנֵי.

319. Another interpretation of the verse, "For I know my transgression" is, 'I am familiar with all the levels connected to the sins of humankind.' IN OTHER WORDS, HE HAD ALREADY CORRECTED THEM. On the other hand, "my sin is before me always" refers to the defect of the moon, WHICH HE DID NOT CORRECT. The moon's defect was not corrected until Solomon appeared. AT THAT POINT, IT SHONE FLAWLESS AND FULL. Then, the world was joyful (lit. 'perfumed') and Yisrael dwelled in security. As it is written: "And Yehuda and Yisrael dwelled safely, every man under his vine and under his fig tree" (I Melachim 5:5). "My sin is before me always" SIGNIFIES THAT EVEN IN THE DAYS OF KING SOLOMON, THE MOON'S DEFECT WAS NOT COMPLETELY CORRECTED. FOR THE HOLY TEMPLE WAS DESTROYED TWICE, AND THE MOON, WHICH IS THE FEMALE PRINCIPLE, RETURNED TO ITS UNCORRECTED STATE. THIS DEFECT shall not be removed from the world until the King Mashiach appears, as is described in the verse: "And the spirit of uncleanness I will cause to pass out from the earth" (Zechariah 13:2).

319. דְּבַר אַחַר, כִּי פָשְׁעֵי אֲנִי אֶדַע. כִּלְהוֹ דְּרַגְיִן, דְּתַלְיִין בְּהוּ חוּבֵי בְּנֵי נֶשֶׁא, אֲנִי אֶדַע. וְחַטָּאתִי נִגְדִי תָמִיד. דָּא פְּגִימוֹ דְּסִיְהָרָא, דְּלֹא נִמְקָא מִסְּאוּבְתָא, עַד דְּאֵתָא שְׁלֵמָה, וְאִתְנַהֲרִית בְּאַשְׁלֻמוּתָא. וּכְדִין אִתְבְּסָם עֲלֵמָא, וְיִתְיַבּוּ יִשְׂרָאֵל לְרַחֲצֵן. דְּכִתְיַבּ וְיִשְׁבּ יְהוּדָה וְיִשְׂרָאֵל לְבִטַח אִישׁ תַּחַת גַּמְנוּ וְתַחַת תְּאַנְתּוּ. וְעַם כָּל דָּא, וְחַטָּאתִי נִגְדִי תָמִיד. וְלֹא אִתְפַּסֵּק מִעֲלֵמָא. עַד דְּיִיְתִי מַלְכָא מְשִׁיחָא, לְזֻמְנָא דְּאֵתִי. כְּמָה דְּאִתְמַר וְאֵת רוּחַ הַטּוּמְאָה אֶעֱבִיר מִן הָאָרֶץ.

40. "He was a mighty hunter"

According to the Zohar, Nimrod used the clothes of Adam to gain strength. Clothes is a code word that alludes to the physicality that conceals the Light, as garments conceal the body. Nimrod, we are told, connected only to the material world, without any regard or consideration for the spiritual essence of reality. This is considered to be a form of idol worshipping. It is falling under the delusion and control of the physical world. A deeper awareness for the spiritual essence of life is awakened within us by these passages, so that we are not controlled by illusion.

320. "He was a mighty hunter before Hashem; therefore, it is said, 'even as Nimrod the mighty hunter before Hashem'" (Beresheet 10:9). Come and behold: Nimrod was a brave man, who wore the garments of Adam and knew how to hunt. ALL LIVING BEINGS SURRENDERED TO HIM BECAUSE OF THOSE GARMENTS, THOSE "COATS OF SKIN," AS THE VERSE READS: "TO ADAM ALSO AND TO HIS WIFE DID HASHEM ELOHIM MAKE COATS OF SKIN, AND CLOTHED THEM" (Beresheet 3:21).

320. הוּא הָיָה גְבוּר צֹדֵד לִפְנֵי ה' עַל כֵּן יֹאמֵר כְּנִמְרוֹד גְבוּר צֹדֵד לִפְנֵי ה'. תָּא חֲזִי, הוּא הוּא גְבוּר תְּקִיף. לְבוּשׁוֹי דְּאָדָם הָרָאשׁוֹן הוּא לְבִישׁ. וְהוּא יָדַע לְמַיְצֵד צִידָה דְּבְרִייתָא בְּהוּ.

321. Rabbi Elazar said that Nimrod used to entice people into idol worshipping. He used the power of those garments to rule all other human beings. He proclaimed himself Elohim, the Ruler of the World, so all other human beings had to serve him. But why was he called Nimrod? Because he rebelled (Heb. marad) against the High King of above, against the power of THE SUPERNAL HOLY ONE, and also against the lower forces, THE HUMAN BEINGS OF THIS WORLD.

321. אָמַר רַבִּי אֶלְעָזָר, נִמְרוֹד הוּא מִפְתֵּי לְבְרִייתָא, לְמִיְהָךְ בְּתַר פּוֹלְחָן דְּע"ז. וְהוּא שְׁלִיט בְּאִינוּן לְבוּשִׁין, וְנִצַּח בְּנֵי עֲלֵמָא. וְהוּא אָמַר דְּאִיהוּ שְׁלִיטָא בְּעֲלֵמָא, וּפְלַחִין לֵיהּ בְּנֵי נֶשֶׁא. וְאִמְרֵי אֶקְרִי שְׁמִיהּ נִמְרוֹד. דְּמַרְדַּ בְּמַלְכָא עֲלָאָה. דְּלַעֲוִילָא. דְּמַרְדַּ בְּעֲלָי, וּמַרְדַּ בְּתַתָּאִי.

322. By the power of these garments, he was able to rule over all Mankind. He rebelled against THEM AND his Master by saying that he was the ruler of the world, THAT IS, HE DECLARED HIMSELF ELOHIM. He seduced people into following him, leaving the service of the Almighty, and serving him instead. Rabbi Shimon said that our friends knew a great secret about these garments.

322. בְּאִינוּן לְבוּשִׁין, שְׁלִיט עַל כָּל בְּנֵי עֲלֵמָא, וּמַלְךְ בְּהוּ. וּמַרְדַּ בְּמֵאֲרִיָּה. וְאָמַר, דְּאִיהוּ שְׁלִיטָא דְּעֲלֵמָא, וְהוּא מִפְתֵּי לְבְרִייתָא אֲבַתְרִיָּה, עַד דְּמִשַׁךְ בְּנֵי נֶשֶׁא, לְמִיפְק מִבְּתַר פּוֹלְחָנָא דְּמֵאֲרֵי עֲלֵמָא. אָמַר רַבִּי שְׁמַעוֹן בְּאִילִין לְבוּשִׁין, יָדְעֵי בְּהוּ חֲבְרִיָּא רְזָא עֲלָאָה.

41. "And the house in its being built"

If we make a complete connection to the Light of God, we need only begin a new endeavor and the Light finishes the work on our behalf. This unusual concept is further understood through the example of planting a seed. Once the seed is planted, the forces of nature take over, eventually giving birth to a full grown tree. When our connections to the Light are secure and complete, we can plant seeds of positive energy in all areas of our lives. We gain this ability through the metaphysical powers that are emitted through the medium of the letters.

323. "And the whole earth was of one language and of one speech" (Bereshheet 11:1). Rabbi Shimon began by quoting: "And the house in its being built, was built of stone made ready before it was brought there: so that there was neither hammer nor ax nor any tool of iron heard in the house in its being built" (I Melachim 6:7). HE ASKED IF THE WORDS, "And the house in its being built," MEAN THAT THE HOUSE BUILT ITSELF. Could it be that Solomon and all his artisans did not build it? Why does it read, "in its being built?"

324. We read: "And you shall make a candelabra. In one piece of pure gold shall the candelabra be made" (Shemot 25:31). Now a candelabra is to be made of beaten work, MEANING IF THE ARTISANS ARE TO BEAT THE BAR OF METAL WITH A SLEDGEHAMMER, why does the verse continue, "shall the candelabra be made?" THAT IS TO SAY, SHALL IT BE MADE BY ITSELF! But, of course, IN THE HOLY TEMPLE everything happened, and all objects made themselves, by miracles and signs. As soon as the artisans began to work, the art crafted itself, showing them how to work in ways they had not known before THEY STARTED.

325. Why was that so? Because the blessings of the Holy One, blessed be He, were upon their hands. Therefore, it says, "in its being built," to indicate that it was built by itself. The building taught the artisans how to start their work by guiding their hands with signs. The artisans did not turn their eyes away from the vision of the form until the house was completely built.

326. The words "ready-made (Heb. Shlema; lit. 'whole') stone before it was brought there (Heb., masa; lit. 'travel');" shlema is spelled without a Yud. As a result, it can be also pronounced Solomon, and not just Shlema. THAT MEANS THAT THE FEMALE PRINCIPLE, CALLED THE STONE OF THE KING OF PEACE (HEB. SHALOM). SOLOMON LITERALLY MEANS 'HIS PEACE.' Now the word masa indicates that A WHOLE STONE, THE FEMALE PRINCIPLE, TRAVELED FROM ABOVE AND came to dwell upon them and accomplish the work. ANOTHER INTERPRETATION IS THAT THE STONE made the hands "travel" or work involuntarily. For here, it is written: masa, just as it appears in the verse, "and for the journeying (masa) of the camps" (Bemidbar 10:2), BECAUSE THE WORD IN THE LATTER VERSE REFERS TO AN ACTION, WE MAY CONCLUDE THAT IN THE FIRST ONE IT ALSO DESCRIBES AN ACTION.

327. "There was neither hammer nor ax nor any tool of iron heard in the house," because a CERTAIN WORM CALLED shamir (LIT. 'EMERY') split everything noiselessly, and thus, they did not require other tools. Everything occurred by a miracle.

328. How pleasant it is to hear the words of the Torah; how good is the lot of he who delves in them and knows how to walk the Path of Truth, said Rabbi Shimon. So, "the house in its being built" MEANS THAT the desire of the Holy One, blessed be He, to be glorified arose from within the Thought and spread forth. IN OTHER WORDS, BINAH, WHICH IS CALLED 'DESIRE,' CAME FROM THE HEAD OF ARICH ANPIN, WHICH IS CALLED 'THE THOUGHT,' and spread forth from the place that is called 'the Concealed Thought.' THAT IS, IT SPREAD FORTH FROM THE 'CONCEALED CHOCHMAH' OF ARICH ANPIN, which is a mystery. BECAUSE THE CHOCHMAH OF ARICH ANPIN IS CONCEALED AND UNREVEALED TO THE LEVELS OF ATZILUT UNTIL EVERYTHING IS CORRECTED. THIS BINAH THAT CAME FROM THE HEAD OF ARICH ANPIN IS USED FOR THE PURPOSE OF BRINGING FORTH CHOCHMAH, AND NOT THE CONCEALED CHOCHMAH, OF ARICH ANPIN.

329. BINAH spread forth until it lodged inside the 'throat' OF ARICH ANPIN, from where it constantly flows by the secret of the 'Spirit of Life.' Afterward, when the Thought, CHOCHMAH OF ARICH ANPIN, had expanded and settled in that place, BINAH RETURNED AND RECEIVED THE UPPER THREE SFIROT FROM CHOCHMAH OF ARICH ANPIN AND ONCE AGAIN BECAME THE REPRESENTATION OF THOUGHT. Thus, the Thought is called the 'Living Elohim', as is written: "he is the living Elohim" (Yirmeyah 10:10).

330. THE EMANATOR wanted to continue expanding and revealing Himself, so He caused THE SECRET OF THE THREE COLUMNS, fire, wind, and water, to come forth. Thus, Ya'akov, the perfect man, WHO IS ZEIR ANPIN, came forth. And his was the one voice that came through and was heard. From this, we learn that the Thought that was secretly hidden--BINAH--was revealed and made audible BY YA'AKOV, WHO IS ZEIR ANPIN.

331. This thought kept expanding so that it could be revealed, and this voice struck upon the lips and speech came out, completing and revealing everything. We learn from this that everything is the thought that was concealed internally, and therefore all are one.

332. Speech was an extension OF BINAH, MEANING THAT BINAH WAS DRAWN TO THE FEMALE PRINCIPLE by the power of the voice. THE VOICE IS ZEIR ANPIN, WHO RECEIVES FROM BINAH AND PASSES ON TO THE FEMALE PRINCIPLE. The words, "And the house in its being built," REFER TO THE FACT THAT IT BUILT ITSELF BY SIGNS AND MIRACLES. The verse reads, "in its being built" and not "when it was built." IF THE PHRASE WAS MEANT TO INDICATE THAT THE HOUSE BUILT ITSELF, IT WOULD HAVE READ, 'AND THE HOUSE WHEN IT WAS BUILT,' WHY DOES IT READ, "IN ITS BEING BUILT?" AND HE EXPLAINED THAT THIS IS TO TEACH US THAT it is so at all times. "Ready-made stone" is the "stone of Solomon." It is also written: "with the diadem with which his mother crowned him" (Shir Hashirim 3:11), REFERRING TO BINAH, WHICH IS CALLED IMA (MOTHER). THUS, WHEN THE FEMALE PRINCIPLE RECEIVES THESE DIADEMS, SHE IS CALLED THE "STONE OF SOLOMON."

333. "It was brought there," INDICATES THAT THE ILLUMINATION OF THE MOCHIN as it emerged from the internal aspect OF BINAH. THAT IS, ALL THE WORK WAS COMPLETED and came FROM BINAH. It then remained outside IN ZEIR ANPIN, emerging from the upper level-BINAH-and traveling down to THE FEMALE PRINCIPLE. The "hammers and ax and all other tools of iron" are the lower levels that depend on THE FEMALE PRINCIPLE. They were neither heard nor received by the internal aspect WHEN THE FEMALE PRINCIPLE ascended to unite with the it, ENCLOSE ABA AND IMA, and suck from there. BECAUSE THEY USED THE SHAMIR INSTEAD OF OTHER TOOLS, THEY WERE NOT HEARD. This is why the verse uses the phrase "in its being built" TO INDICATE THAT IT WAS BUILT WITHOUT ANY OF THE HANDIWORK OF THE LOWER BEINGS.

334. When THE FEMALE PRINCIPLE nourishes itself FROM ABA AND IMA, all the worlds are happy, they nourish themselves FROM THE FEMALE PRINCIPLE, and are filled with blessings. They are united by one secret, one unity, and there is no separation in the worlds. After all THE WORLDS, each and every one, have taken their share FROM THE FEMALE PRINCIPLE, they expand and return to the purposes for which they were created.

42. "A city and a tower"

Kabbalah differs from other spiritual teachings in that we are not called upon to separate ourselves from the physical world of chaos. Instead, we embrace chaos to eradicate our negative traits and to nurture transformation. Throughout history, this has been a difficult endeavor. The peoples of the past, such as the Tower of Babel generation, chose the easy path to spiritual Light, with dire consequences. We must be careful not to fall into that same trap. In the biblical story, a group of evil people seek to build a tower that will reach Heaven. They intend to challenge God and seek world domination.

The Zohar quotes the verse from the Torah: And they said, come, let us build us a city and a tower, whose top may reach to heaven: and let us make ourselves a name.

The Zohar reveals that the terms City and Tower allude to the highest levels of the dark spiritual forces. The word name refers to the Names of God, or the power of the Hebrew letters. It is the letters that will allow the evil ones to access negative spiritual forces. God then confuses their language, creating seventy other tongues so that the power of the Hebrew letters can never be used for destructive purposes.

This section helps us to remain true to our spiritual path, and stops us from falling to the temptations of paths that always appear easier.

335. Come and behold: Observe WHAT HAS BEEN WRITTEN: "And the whole world was of one language and one speech" (Beresheet 11:1). What is written next? "And it came to pass, as they journeyed from the east (also, 'yore')" (Beresheet 11:1). FOR THEY TRAVELED AWAY from the One who is 'before' all. IN OTHER WORDS, THEY DREW DOWN THE ILLUMINATION OF THE LEFT, WHICH THE ONE WHO IS BEFORE ALL HAD FORBIDDEN THEM TO DO. THEREFORE, THE PASSAGE CONTINUES, "they found a plain in the land of Shinar" from where JUDGMENTS spread out in all directions. This is the beginning of Malchut's separation from THE HOLINESS. IT IS DESCRIBED BY THE PHRASE, "YOU ARE THIS HEAD OF GOLD" (DANIEL 2:38), BECAUSE "ELOHIM HAS MADE THE ONE AS WELL AS THE OTHER" (KOHOLET 7:14). IN THE KLIPOT, THERE ARE ALSO FOUR ASPECTS: CHOCHMAH, BINAH TIFERET, AND MALCHUT. AND THE KLIPAH OF BABYLON IS CHOCHMAH OF THE KLIPAH. HENCE, IT IS THE HEAD OF ALL OF THE KLIPOT.

335. תָּא חֲזִי, וַיְהִי כֹל הָאָרֶץ שְׂפָה אַחַת וּגּוֹי. לְבַתֵּר מֵהַ כְּתִיב, וַיְהִי בְּנִסְעָם מִקְדָּם. מֵהָהוּא קְדַמָּא דְעֵלְמָא. וַיִּמְצְאוּ בְקַעָה בְּאֶרֶץ שֹׁנַעַר. דְּהָא מִתְמַן, מִתְפָּרְשֵׁן לְכָל אֵינוֹן סְטָרִין, וַאֲיֵהוּ רִישׁ מַלְכוּ לְאַתְבָּרָא.

336. You might ask: Since it has already been written: "And a river went out of Eden to water the garden, and from hence it was parted" (Beresheet 2:10), how CAN WE SAY THAT THE PLAIN (LIT. 'PARTITION') IN THE LAND OF SHINAR WAS THE BEGINNING OF THE SEPARATION? AND HE REPLIED: It is certain THAT THE SEPARATION STARTS AFTER OR BEYOND MALCHUT OF ATZILUT, WHICH IS THE SECRET OF THE GARDEN. When they journeyed from THE GARDEN, THEY FOUND THE PLAIN IN THE LAND OF SHINAR, and the separation was complete. If they gathered IN THE GARDEN to suck, BUT DO NOT DRAW THE ILLUMINATION OF THE LEFT, then there was no separation. THAT IS WHY THE VERSE STATES THAT FROM THE GARDEN "IT WAS PARTED." Only when they journeyed away FROM THE GARDEN did the separation occur, as it is written: "as they journeyed from the east," OR FROM THE GARDEN, they "found a plain," as previously explained. HAD THEY NOT LEFT THE GARDEN, THEY WOULD NOT HAVE FOUND A PLAIN IN THE LAND OF SHINAR AND THEY WOULD NOT HAVE BEEN SEPARATED FROM HOLINESS. THIS IS WHY THE PLAIN IN THE LAND OF SHINAR IS CONSIDERED TO BE THE BEGINNING OF THE SEPARATION.

336. וְאִי תִימָא, הָא כְּתִיב וְנָהַר יוֹצֵא מֵעַדֵן לְהַשְׁקוֹת אֶת הַגֶּן וּמִשָּׁם יִפְרָד. וְדָאֵי הֲכִי הוּא, דְכִיּוֹן דְנִטְלֵי מִתְמַן, הוּי פְרוּדָא, וְכַד אֵינוֹן כְּנִישִׁין תְּמַן לִינְקָאָה לָא הוּי פְרוּדָא. וְכַד נִטְלִין הוּי פְרוּדָא, דְכְּתִיב וַיְהִי בְּנִסְעָם מִקְדָּם, וַיִּמְצְאוּ בְקַעָה. כְּמָה דְאַתְמַר.

337. "And the whole world was of one language and one speech," because it had one basic and essential foundation, MERCY. All peoples had faith in the Holy One AND WOULD NOT SIN BEFORE HIM. But what does it say? It says, "And it came to pass, as they journeyed from the east" --MEANING THAT THEY "DRIFTED AWAY" from the First and Foremost of the world and from the universal faith, and "they found a plain." They did indeed find something, something that would cause them to leave the supernal faith, AS SHALL BE EXPLAINED.

337. וַיְהִי כֹל הָאָרֶץ שְׂפָה אַחַת וּדְבָרִים אַחָדִים. דְּהָא כְּדִין עֵלְמָא, בִּיסוּדָא וְעִקְרָא וְשִׁרְשָׁא חָדָא, וּמְהִימְנוּתָא חָדָא, בִּיהַ בְּקַדְשָׁא בְרִין הוּא. מֵהַ כְּתִיב, וַיְהִי בְּנִסְעָם מִקְדָּם. מִקְדַּמָּא עִקְרָא דְעֵלְמָא, מְהִימְנוּתָא דְכָלָא. וַיִּמְצְאוּ בְקַעָה. מְצִיָּאָה אֲשַׁבְּחוּ, וְנִמְקוּ בָּהּ מִתְחוּת מְהִימְנוּתָא עֲלָאָה.

338. Come and behold: What is said of Nimrod? It is said: "And the beginning of his Kingdom was Bavel (Babylon)" (Beresheet 10:10). For he drew POWER from Bavel (Babylon) that helped him to cling on to the dominion of the Other SIDE. IT ALSO READS, "they found a plain in the land of Shinar," MEANING they filled their hearts WITH DESIRE derived from Shinar, to leave the upper dominion and join a different power. For THE LAND OF SHINAR, WHICH IS BAVEL, IS THE HEAD AND ROOT OF SEVERENCE FROM THE HOLY ONE, BLESSED BE HE.

338. תָּא חֲזִי, נִמְרוֹד מֵהַ כְּתִיב בִּיהַ, וְתֵהִי רֵאשִׁית מַמְלַכְתּוֹ בְּבָל. דְּהָא מִתְמַן נִטְל לְאַתְאֲחָדָא בְּרִשׁוֹ אַחָרָא. וְהֲכָא, וַיִּמְצְאוּ בְקַעָה בְּאֶרֶץ שֹׁנַעַר. מִתְמַן נִטְלוּ בְּלִבְיָהוּ, לְאַפְקָא מִרְשׁוּתָא עֲלָאָה, לְרִשׁוֹ אַחָרָא.

339. "And they said, come, let us build us a city and a tower, whose top may reach to heaven; and let us make ourselves a name." Rabbi Chiya quoted the verse: "And the wicked are like the driven sea" (Yeshayah 75:20). HE ASKED: Is there a "driven sea?" AND HE REPLIED: Yes, indeed, because when the sea leaves the bed, in which it belongs and starts to sway uncontrollably, ATTEMPTING TO OVERCOME THE BOUNDARIES OF THE SAND THAT HOLDS IT IN PLACE AND POUR OVER THE LAND, it is driven from its place. It is like a drunkard who cannot sit steadily in his place and sways up and down. Why is that? Because "it cannot rest and its waters cast up mire and dirt" (Yeshayah 75:20), from its floor up to its shore.

340. Similarly, the wicked GENERATION OF THE TOWER OF BAVEL CALLED DOR HAPELAGA (LIT. "THE GENERATION OF SEPARATION"), who left the right and proper way, AND THE FIRST AND FOREMOST OF THE WORLD, and were as directionless and purposeless as drunken men. THEY ATTACHED THEMSELVES TO BINAH OF THE KLIPAH, straying from the straight path and taking a crooked one. THE CROOKED PATH WAS THE PLAIN OF THE LAND OF SHINAR AND THE FLAW THAT THEY FOUND THERE. Why did this happen? Because "it cannot rest." The crookedness of their way, WHICH IS THE FLAW THAT THEY FOUND IN HER, caused them to be purposeless and restless, UNTIL THEY SAID, "LET US BUILD OURSELVES A CITY AND A TOWER..."--THAT IS THEY BUILT CHOCHMAH AND BINAH OF THE KLIPOT.

341. Not only that, but they were full of anger when they uttered these words. THAT IS, WHEN THEY SAID, "LET US BUILD OURSELVES A CITY AND A TOWER," THEY INTENDED TO FULFILL THEIR LUST, SINCE A GLUTTON IS ALWAYS IRATE. Their words were "mire and dirt," AND THE VERSE DESCRIBES THEIR ACTION AS, "ITS WATERS CAST UP MIRE AND DIRT," WHICH IS A REFERENCE TO THE ASPECTS OF THE KLIPAH CALLED "MIRE AND DIRT." They brought up filth and abomination from their mouths. THEY BROUGHT ON THE DEFILEMENT OF THE SERPENT, WITH THE WORDS, "LET US BUILD OURSELVES..." until they were themselves defiled by the Serpent.

342. Come and behold: "And they said, come, let us build ourselves a city and a tower whose top may reach to heaven." The word "come" is an invitation. The words, "let us build ourselves a city and a tower whose top may reach to heaven," WERE UNACCOMPANIED BY ACTIONS. THE UTTERANCE OF THE WORDS ALONE CAUSED THE BUILDING OF THE CITY AND TOWER IN THE UPPER WORLDS. The people took bad advice, following the stupidity and vanity of their hearts, and going against the Holy One, blessed be He.

343. Rabbi Aba then said that they followed the stupidity of their hearts, but they used the Chochmah of the Klipah to leave the upper dominion OF HOLINESS and enter the dominion OF THE KLIPOT, exchanging His glory, blessed be He, with that of a strange El. In this, there is a secret of supreme wisdom.

344. "Let us build ourselves a city and a tower whose top may reach to heaven." Come and behold: When they reached the plain that was the foreign dominion, THE PLACE WHERE THE FLAW OF BINAH OF THE KLIPAH HAD SETTLED, it was revealed to them that the place was "stuck among the fishes of the sea." IN OTHER WORDS, THE COMPLETE VESSELS OF BINAH WERE REVEALED TO THEM, AND IT WAS PROPER FOR HUMAN DWELLING AND FOR THE RECEPTION OF CHOCHMAH. THE "SEA" REFERS TO CHOCHMAH, AND THE "FISHES OF THE SEA" ARE THE LEVELS OF CHOCHMAH. They said, "This is the place to settle and strengthen our hearts, and let the lower beings enjoy themselves, AND DRAW THE LIGHT DOWNWARD FROM THE 'PLACE' OF THE KLIPOT." Having found the place, they immediately said, "let us build us a city" and establish a city and a tower for ourselves.

339. וַיֹּאמְרוּ הִבֵּה נִבְנֶה לָנוּ עִיר וּמִגְדָּל וְרֹאשׁ בְּשָׁמַיִם וְנַעֲשֶׂה לָנוּ שֵׁם. ר' חִיָּיא פִתַּח, וְהִרְשָׁעִים כִּיִּם נִגְרַשׁ וְגו'. וְכִי אֵית יָם נִגְרַשׁ. אֵינן. דְּכַד יִמָּא נִפְקָא מִתְקוּנָיָה, וְאִזִּיל בְּלֵא חֲבֵלָא, כְּדִי נִגְרַשׁ וְאִתְתַּרְךְ מֵאֲתָרֵיהּ, כְּמֵאן דְּרֵוּי חֲמָרָא, וְלֹא יִתִּיב עַל בּוּרְיָיָהּ, וְסִלְקָא וְנַחֲתָא. מ"ט בְּגִין, כִּי הִשְׁקֵט לֹא יוּכַל וְיִגְרָשׁוּ מִימֵי רַפְשׁ וְטִיט. דְּמִפְקוּ מִימּוֹ, כֹּל הֵהוּא טִינָא דִּימָא, וְכֹל טְנוּפָא לְשִׁמּוּתֵיהּ.

345. "And let us make us a name"-this place of Klipot shall be Elohim for us. REFERRING TO THE PLACE OF THE KLIPOT, and not any other. The words, "build a city and tower," indicate THAT THEY PLANNED TO DRAW DOWN THE LIGHT OF CHOCHMAH AND BINAH OF THE KLIPOT, WHICH ARE CALLED A CITY AND A TOWER. Why should we climb up AND DRAW THE LIGHT FROM HERE UPWARD, when we are unable to enjoy anything that is above. Here, we have found a vantage point from which TO DRAW LIGHT DOWNWARD. And we shall "make us a name," AN Elohim to worship here, "lest we be scattered abroad" to the other levels and to all FOUR corners of the world.

Sitrei Torah - Concealed Torah

346. The builders of the city and the tower spoke only the holy language (Hebrew) known to the serving angels. That is why it is written: "and now nothing will be restrained from them..." (Bereshheet 11:6). Had they spoken a different language, one unknown to the supernal angels, they would not have succeeded. For the actions of demons do not last for long, only long enough for human beings to see and not longer.

347. "And of one speech," indicates that to varying degrees, they were familiar with the levels on high. They confused no level with another. It says, "and of one speech," BECAUSE THE LEVELS WERE AS CLEAR TO THEM AS "ONE SPEECH." THEY HAD NO PROBLEM IN KNOWING THEM. But they took bad advice, the advice of Chochmah. Therefore, it is written: "come, let us build a city and a tower," REFERRING TO THE CHOCHMAH OF THE KLIPAH.

348. All was according to the secret of wisdom. They planned to strengthen the power of the Other Side in the world and worship it because they knew that all evil Judgment descends from there to the worlds. In so doing, they hoped to drive away the level of Holiness.

349. "A city and a tower" relates to the supernal Chochmah. They knew that the Holy Name, MALCHUT, is only strengthened on earth by a city and a tower. A city is required, as it says: "the city of David which is Tzion" (I Melachim 8:1), and a tower, as it says: "Your neck is like the tower of David" (Shir Hashirim 4:4). THAT IS, THE HOLY NAME, WHICH IS MALCHUT OF DAVID, IS ALSO CALLED A CITY AND A TOWER. THESE NAMES SUGGEST MALCHUT DRAWING DOWN THE CHOCHMAH. They also acted upon the wisdom OF THE OTHER SIDE, in order to establish its dominion on earth. THE OTHER SIDE IS THE OPPOSING POWER OF MALCHUT. They wanted it to drive MALCHUT--CALLED the 'Master of the Entire World'--from its place.

350. "And let us make us a name" like that of the other, HOLY SIDE in the upper worlds. We will strengthen it, so that it will stay with us and we will have a name in the land. AS THE HOLY SIDE SHINES FROM BELOW UPWARD, WE WILL DRAW THE LIGHT FROM ABOVE DOWN TO EARTH. "Lest we be scattered abroad" : they knew that they were about to be scattered all over the face of the earth, and therefore joined together to accomplish their goal and build THE CITY AND THE TOWER with Chochmah.

345. וְנַעֲשֶׂה לָנוּ שֵׁם. אֶתֶר דָּא יְהֵא לָן לְדַחְלָא, וְלֹא אַחְרָא, וְנִבְנֶה לְאֶתֶר דָּא, עִיר וּמְגִדָּל. לְמַה לָּן לְסַלְקָא לְעֵילָא, דְּלֹא נִיכּוּל לְאַתְהֵנָּא מִנָּה. הָא הֵכָא אֶתֶר מִתְקַנָּא. וְנַעֲשֶׂה לָנוּ שֵׁם. דְּחָלָא לְמַמְלַח תַּמּוּן. פֶּן נִפּוּץ: לְדִרְגִין אַחְרָנִין, וְנִתְבַּדֵּר לְסִטְרֵי עֲלֵמָא.

351. The Other Side includes male and female, and they are the strength of the filth of harsh Judgment. When Adam sinned BY EATING OF THE TREE OF KNOWLEDGE, THE MALE AND FEMALE OF THE OTHER SIDE WERE STRENGTHENED IN THE WORLD. Adam and Eve did, in fact, cause THE OTHER SIDE to be strengthened. As it is written: "which the children of man built," referring to Adam's children, who brought the dominion of the Other Side, which is the Side of Evil, upon the world. Like the Holy Side, the Other Side has no power to rule in the world without a city and a tower. Therefore, they built a city and a tower to give it dominion in this world.

352. "And Hashem came down to see" (Beresheet 11:5). The Holy Name came down to observe their deeds, the building they built, and how they spoke the Holy Language and successfully communicated and adjured with all the holy levels. When the Holiness came down, the levels became confused, the upper ones descending and the lower ones rising. Because the levels were no longer properly placed AND BECAUSE THEIR NAMES HAD BEEN CHANGED, THEY COULD NO LONGER COMMAND THEM. He confused their language, dividing it into 70 languages, and scattered them to all FOUR corners of the world.

353. There is one governor in heaven who holds all the keys to the happenings of the world. He stands waiting FOR THOSE WHO SEEK HIM, but he is only available at certain known hours and times of the day. They were familiar with the secret of the Wisdom and they knew all the secrets of this governor. They used utterances to open and close THE GATES OF THE HIDDEN MYSTERIES. USING WORDS, THEY COMMANDED THIS SUPERNAL GOVERNOR, THE GREATEST GOVERNOR AND THE LEADER OF THE WORLD, IN BUILDING THE CITY AND THE TOWER. When their language became confused, everything became impossible, THEY WERE NO LONGER ABLE TO BIND THIS GOVERNOR WITH OATHS.

354. In that plain, they found ready a place for strengthening the Evil side, but were still unable to fortify it. So, the power of the Other Side remained latent in that plain until the armies and camps of those who built the city and the tower, NAMELY THE SONS OF EFRAIM, traveled and reached it. AS HE CONCLUDES, there they came under the influence of that Side and were killed.

355. Those who did not wish to leave under the influence of the End of the Right, THE SONS OF EFRAIM WHO LEFT EGYPT BEFORE THE END OF THE TIME OF EXILE, panicked. They fell under the influence of the End of Days, on this plain, the strength of which had been weakened AT THE TIME OF THE GENERATION OF THE TOWER OF BAVEL (BABYLON). NOW, BECAUSE OF THEIR MISDOINGS, THE OTHER SIDE RETURNED TO POWER AND KILLED THEM ALL. This is why the verse says: "the valley which was full of bones" (Yechezkel 37:1).

356. THE OTHER SIDE was strengthened by the idol that Nevuchadnetzar built, and then it was weakened by the bones OF THE SONS OF EFRAIM, WHICH YEHEZKEL BROUGHT BACK TO LIFE. Therefore, the idol THAT NEVUCHADNETZAR ESTABLISHED was shattered by the image, DRAWN FROM THE HOLY SIDE, of the forefathers who were brought back to life and rose and stood on their feet.

357. Then all the peoples of the world realized that there is no Supreme Deity besides the Holy One, blessed be He. Not only that, but His Name was sanctified by Chananya, Mishael, and Azarya, BECAUSE OF WHOM THE POWER OF THE OTHER SIDE WAS BROKEN. And all THESE EVENTS occurred in one day. Therefore it says: "they shall sanctify My name, and sanctify the Holy One of Ya'akov" (Yeshayah 29:24). BECAUSE THESE THREE EVENTS-THE RESURRECTION OF THE DEAD THAT YEchezkel PERFORMED, THE SANCTIFICATION OF THE HOLY NAME BY CHANNANYA, MISHAEL, AND AZARYA, AND THE SHATTERING OF THE IDOL OF NEVUCHADNETZAR-ALL OCCURRED IN ONE SINGLE DAY, (AS IT SAYS IN SANHEDRIN 92B), SIX MIRACLES OCCURRED IN THAT ONE DAY.

(End of Sitrei Torah)

358. "And Hashem came down to see the city and the tower." This was one of the ten times that the Shechinah came down to earth. HE ASKED: What did He see that He did not know beforehand? AND HE ANSWERED: To see means to observe with Judgment. As it is written: "May Hashem see and judge" (Shemot 5:21).

359. "The city and the tower:" We should note what is written here, because it does not say 'to see the people,' but rather, "to see the city and the tower." Why? Because when the Holy One, blessed be He, observes in order to make His Judgment, He first observes the upper levels, WHICH ARE THE ROOTS, and then the lower ones, WHICH ARE THE BRANCHES. The matter OF THE CITY AND TOWER reached high above TO THE WORLDS ABOVE and therefore the observance was first on high. As it is written: "to see the city and the tower," INDICATES THE CITY AND TOWER OF THE WORLDS ABOVE.

360. "Which the children of Man (Adam) built." HE ASKED: Why does it say the "children of Adam?" AND HE ANSWERED THAT THE VERSE IMPLIES THAT THEY ARE the sons of Adam, who rebelled against His Master and brought death upon the world. THAT IS, THEY FOLLOWED IN HIS FOOTSTEPS. The words, "which the children of Adam (Man) built," indicate that they actually built it. EVEN THOUGH THEIR WORDS, "GO, LET US BUILD OURSELVES . . ." WERE MERE WORDS, as soon as they uttered them, they caused it to be built in the upper worlds. THEY SAID OATHS WITH THEIR MOUTH AND WITH THEM THE CITY AND TOWER WERE BUILT.

43. "The gate of the inner court"

As the spiritual energy center of the earth, Israel cannot be overtaken by any negative forces. Though evil nations throughout history have conquered Israel, they eventually lost all their power after occupying the land. When we attach ourselves to Israel's power through these words, we receive the supernal Light of protection.

361. Rabbi Shimon started by quoting: "Thus says the Hashem Elohim. The gate of the inner courtyard that faces the east shall be shut the six days of work; but on the Shabbat day it shall be opened, and on the day of the new moon it shall be opened" (Yechezkel 46:1). He said that we should closely examine this verse, because there is a secret here. It says, "shall be shut the six days of work;" but why SHOULD IT BE SHUT?

357. וְכָרִין יָרְעוּ כָּל עַמּוּן דְּעֵלְמָא, דְּלִית אֱלוֹהַּ בְּרַ קְדָשָׁא בְּרִיךְ הוּא בְּלַחְדוּוֹי. וְתוּ דְאַתְקַדְשׁ שְׁמִיהּ, עַל יְדָא דְחַנְנִיָּה מִישָׁאֵל וְעִזְרִיָּה. וְכֹלָא בְּחַד יוּמָא, וְעַד כְּתִיב וְהִקְדִּישׁוּ אֶת קְדוּשָׁתָא וְעַקֵּב וְגו' (עַד כָּאן סִתְרֵי תוֹרָה).

361. רַבִּי שִׁמְעוֹן פִּתַּח כֹּה אָמַר ה' אֱלֹקִים שְׁעַר הַחֲצַר הַפְּנִימִית הַפּוֹנֶה קְדָיִם יִהְיֶה סָגוּר שֵׁשֶׁת יָמֵי הַמַּעֲשֶׂה וּבַיּוֹם הַשְּׁבִיעִי יִפְתָּח. הָאֵי קְרָא אִית לְאַסְתַּבְּלָא בֵּיה, וְאִיהוּ רְזָא, כְּמָה דְּאַתְמָר, יִהְיֶה סָגוּר שֵׁשֶׁת יָמֵי הַמַּעֲשֶׂה. אֲמַאי.

362. Because the six days are the secular days, and the gate should be shut so that the secular does not make use of the sacred. "But on the Shabbat day it shall be opened, and on the day of the new moon it shall be opened," because at those times, the sacred makes use of the sacred, and the moon, WHICH IS THE FEMALE PRINCIPLE, shines in order to unite with the sun, WHICH IS ZEIR ANPIN.

363. Come and behold: This gate is not opened during the six secular days because during these days, the lower world, WHERE THE KLIPOT AND THE EXTERNAL POWERS RESIDE AND PREVAIL, is nourished. These secular days, WHICH ARE THE OTHER SIDE, rule over all the world except the Land of Yisrael.

364. And these SECULAR DAYS that rule OUTSIDE OF YISRAEL have no rule over the Holy Land, because of the closed gate. But on Shabbat and the New Moon, THE KLIPOT are removed FROM THIS WORLD and do not rule it. When the gate is opened, the world is happy and receives nourishment from it, and the world is not under the influence of the Other Side.

365. If you claim that these six days can rule alone, come and behold: the words, "that which faces the east (lit. 'before')" REFER TO THE GATE THAT FACES (STANDS BEFORE) BEFORE the time when THE KLIPOT took over. It used to perpetually look at the world, EVEN DURING THE SIX DAYS OF THE WEEK. But now THE GATE is only open to allow for the world's nourishment from Holiness on Shabbat and the New Moon. THEREFORE, all the days, NAMELY ALL THE SIX DAYS OF WORK, cling onto the day of Shabbat and are replenished by it. On that day, all the gates are opened and all, the upper and the lower beings, are pleased. THE SIX DAYS WOULD NOT BE ABLE TO SHINE IF THEY WERE NOT ATTACHED TO THE DAY OF SHABBAT, BECAUSE THEY WOULD BE MALNOURISHED. Come and behold: "And Hashem came down to see." He came down from the Holy to the secular to see what they had built, TO SEE THE CITY AND THE TOWER, WHICH ARE CHOCHMAH AND BINAH OF THE KLIPAH, THAT THEY HAD ERECTED for the world to worship.

366. Rabbi Yitzchak was sitting in front of Rabbi Shimon, and asked him: What did these people see that caused them to do such a foolish thing as to unite to rebel against the Holy One, blessed be He? Rabbi Shimon answered that we have already learned from the words, "and it came to pass, as they journeyed from the east," that they traveled from above downward, from the Land of Yisrael, and went down into Bavel (Babylon). There they said, "This is the place in which to settle."

367. "And let us make ourselves a name..." And the help from below shall be connected to this place, OUTSIDE OF THE LAND OF YISRAEL. For when Judgment comes to abide in the world, this place will be in opposition to it. From this place, the world will gain its sustenance and joy, because from above, FROM THE LIGHTS THAT ARE DRAWN FROM BELOW UPWARD, the world has scarce nourishment. And not only that, but we shall ascend and rise up to the heavens and declare war on Him, so that He shall not bring a Great Flood on earth as He did before.

44. "And Hashem said, Behold: They are one people"

The biblical story of the Tower of Babel holds within it secrets concerning the power of unity. After the great Flood, the people of the world spoke a single language, which was Hebrew. A group of people living in the city of Babylon were using mystical black arts in an attempt to control and dominate the world.

These black arts were empowered by spiritual forces transmitted via the Hebrew letters. The Zohar states that even the Creator could not stop these evil magicians as long as they were unified by speaking the same language. The Creator therefore caused a fragmenting of their language, severing their lines of communication, and this shattered their unity. Unified evil will always have the capability to defeat and conquer good if disunity exists among the righteous. The only way to defeat unified evil is through total unity among the good. This portion of the Zohar helps inspire us to seek unity in all our relationships. We begin to recognize that the cause of any disunity is our own ego

368. "And Hashem said, Behold: They are one people, and they have all one language" (Bereshheet 11:6). Because their unity had enabled them to succeed, all the levels and all the nations below, THE BRANCHES OF THOSE LEVELS, were scattered. And what is written? "So Hashem scattered them abroad from there" (Bereshheet 11:6). THIS MEANS THAT THE HOLY ONE, BLESSED BE HE, PASSED JUDGMENT AND BROUGHT JUDGMENT UPON THE UPPER ROOTS, BECAUSE THE BRANCHES ARE AFFECTED BY THEIR ROOTS.

369. And if you ask: Then why was their language confounded? The answer is, because they all spoke the holy language, they were able TO COMMAND THE SUPERNAL ENTITIES WITH OATHS. Achieving the right intention of the heart depends on actions and words. By THE POWER OF THEIR INTENTIONS, they strengthened and aided the establishment of the place.

370. For that reason, their language was confounded, and they were no longer able to strengthen their intentions using the Holy Language. The supernal powers and entities know only the Holy Language, AND when their language was confounded, their strength flagged and their power was broken. THE CONFUSION OF THEIR LANGUAGE weakened their strength BELOW AND BROKE THEIR CONCENTRATION. THUS, their power was broken ABOVE.

371. Come and behold: The ability of the lower beings to BIND BY OATH and words of the Holy Language is known and accepted by all the Hosts of Heaven. They are strengthened by AND RECEIVE EXTRA POWER from it. They neither understand nor accept any language other than the Holy Language. Because the language of the people was confounded, "they ceased to build the city." Their power was broken and they could do nothing more with their intentions.

372. "Blessed be the name of the Holy One, blessed be He, from everlasting to everlasting; for wisdom and might are His" (Daniel 2:20). Because the Holy One, blessed be He, brought the secrets of supernal wisdom down to earth, the people became corrupt and wanted to provoke Him.

373. He passed the supernal Wisdom onto Adam, and through this wisdom, Adam knew the upper entities. Adam stuck to the evil inclination until the sources of Knowledge left him. Then he returned to his Master and part of this wisdom came back to him, but not as it had been before. And after that, through the book THE ANGEL RAZIEL GAVE HIM, he was able to achieve wisdom again. Later, the people sinned, BY MISUSING THIS WISDOM before THE HOLY ONE, BLESSED BE HE.

368. וַיֹּאמֶר ה' הֵן עַם אֶחָד וְשֵׁמָּה אַחַת לְכָלֶם. בְּגִין דְּכֻלְּהוּ בְּחֶדָּא, בְּיַחְוָדָא דְכֻלְּהוּן יַעֲבֹדוּן וַיִּצְלַחוּן בְּעֹבְדֵיהוּ. יַתְבַּדְרוּן דְּרִגְיוֹן, כָּל חַד לְסִטְרֵיהּ. וּבְגִין כֵּן, יַתְבַּדְרוּן כָּל הַגֵּי דְלִתְתָּא. מַה כְּתִיב וַיִּפֶץ ה' אוֹתָם מִשָּׁם.

374. Adam passed this wisdom to Noach, who used it to serve the Holy One, blessed be He. But what is written next? "And he drank of the wine and was drunken, and he was uncovered." He then passed it onto Avraham, who also used it to serve the Holy One, blessed be He. But then Yishmael, who was descended from him, angered the Holy One, blessed be He. From Yitzchak, came Esav. Ya'akov married two sisters.

375. He passed the wisdom to Moshe, of whom it was said: "He is trusted in all my house" (Bemidbar 12:17). There was no one like Moshe, who was faithful in all of the levels and whose heart was seduced by none, and who stood firmly in his supernal faith.

376. He passed the supernal wisdom on to King Solomon. And what is written about Solomon? "The man spoke to Itiel, even to Itiel and I will be able" (Mishlei 30:1). King Solomon said: "Itiel," meaning El, is with me (Heb. iti), and since wisdom belongs to Him, I shall succeed and be able to do what I want without fail. THAT IS, EVEN THOUGH THE TORAH SAYS THAT A KING SHOULD NOT TAKE MANY WIVES SO THAT HIS HEART WILL NOT BE SEDUCED, KING SOLOMON SAID: 'I SHALL MARRY MANY WOMEN AND MY HEART WILL NOT BE SEDUCED. FOR ITI-EL, EL IS WITH ME, AND HAS GIVEN ME HIS WISDOM.' BUT after that, IT IS WRITTEN: "Hashem raised up an adversary (the Satan) for Solomon" (I Melachim 11:14), ALLUDING TO THE FACT THAT IN HIS OLD AGE, HIS WIVES DID SEDUCE HIS HEART AND HE WAS PUNISHED.

377. Come and behold: Because of part of the wisdom that the generation of the Tower of Bavel (Babylon) received from their forefathers, they provoked the Holy One, blessed be He, and built the tower. They persisted until they were scattered all over the face of the earth, lost all their wisdom, and could accomplish nothing.

378. But in the future, the Holy One, blessed be He, shall arouse this wisdom in the world and all shall serve Him with it. As it is written: "And I will set my spirit within you, and cause you..." (Yechezkel 36:27). I will not cause you as I caused the first ones to corrupt the world by using it, BUT I WILL "cause you to walk in my statutes, and you shall keep my ordinances and do them."

379. Rabbi Yosi and Rabbi Chiya were walking together. Rabbi Yosi addressed Rabbi Chiya, saying: Let us discuss Torah. So Rabbi Yosi began by quoting: "For Hashem your Elohim walks in the midst of your camp, to deliver you, and to give you your enemies before you; therefore your camp shall be Holy, that He does not see an unseemly thing in you and turn away from you" (Devarim 23:15). SO HE ASKED: Why does it say, "For Hashem your Elohim walks," using the word mit'halech and not the term mehalech? AND HE REPLIED THAT this is similar to "walking (Heb. mit'halech) in the garden in the breeze of the day" (Beresheet 3:8). This HAS BEEN SAID of the Tree OF KNOWLEDGE from which Adam ate, which is THE FEMALE PRINCIPLE. So the word mit'halech refers to the Female Principle, while mehalech refers to the male aspect.

380. And it was He, THE NUKVA PRINCIPLE, who went in front of the sons of Yisrael as they walked in the desert, as it is written: "And Hashem went before them by day" (Shemot 13:21). THE PHRASE "AND HASHEM" REFERS TO HIM AND HIS HOUSE OF JUDGMENT, WHICH IS THE FEMALE PRINCIPLE. AND THE SAME THING APPLIES TO he who walks in front of another person, while going on his way. Because the verse reads, "Righteousness shall go before him, and walk in the way of his steps" (Tehilim 85:14), RIGHTEOUSNESS REFERS TO THE FEMALE PRINCIPLE. And it is that which walks in front of a person, when he is worthy of it. But why DOES HE WALK IN FRONT? As it is written: "to deliver you and to give you your enemies before you" (Devarim 23:15), or to guard a person while he is walking on his way and save him from being overcome by the Other Side.

381. That is why a person should be careful, guard himself from his own sins, and purify himself. SO HE ASKED: What is it to purify? AND HE REPLIED THAT as it is written: "therefore your camp shall be holy." Why does it say holy in the singular when it should have said holy in the plural? Because "your camp shall be holy" implies the members from which the body is assembled and completed. So it says OF THE BODY, "your camp shall be holy, that He does not see an unseemly thing in you."

382. AND HE ASKED: What is the meaning of "unseemly thing"? AND HE REPLIED: it means incest, which is the thing that the Holy One, blessed be He, despises most of all. AND HE ASKED why the verse reads, "that He does not see an unseemly thing" (using the unnecessary word *davar* [lit. 'thing'])? AND HE ANSWERS THAT this refers to wicked people in the world, who defile and befoul themselves with the things they say BY CURSING AND USING FOUL LANGUAGE. This is the meaning of "unseemly thing." NOW THE ZOHAR HAS COMPLETED THE EXPLANATION OF THE WORD 'PURIFY', ABOUT WHICH IT HAD PREVIOUSLY ASKED. 'PURIFY' INDICATES THAT A PERSON SHOULD GUARD AGAINST BEING EXPOSED TO INDECENCY AND SHOULD GUARD HIS MOUTH FROM SAYING FOUL THINGS.

383. SO HE ASKED: Why is the Torah so strict about this matter? AND HE ANSWERED, because He, THE SHECHINAH, walks in front of you. And if you say foul things, then, it will "turn away from (lit. 'behind') you." That is, He will no longer walk along side you, but go behind your back. AND RABBI YOSI CONCLUDED THAT As for us, we go on our way walking before Him, BEFORE THE SHECHINAH. We should delve into the Torah, because the person WHO OCCUPIES HIMSELF WITH IT is crowned and perpetually accompanied by the Shechinah.

384. Rabbi Chiya then quoted: "And Hashem said, Behold: They are one people, and they have all one language..." Come and behold: What is written? It says, "And it came to pass, as they journeyed from the east (also, 'yore')". But what is the meaning of 'yore'? It refers to the First and Foremost of the Universe. SO HE ASKS: WHY DOES IT SAY, "And they found," WHEN IT SHOULD HAVE SAID, 'And they saw?' What did they find? AND HE ANSWERED: They found part of the secrets of Wisdom of their forefathers, THE GENERATION OF THE FLOOD, which was shaken off at SHINAR (LIT. 'THE PLACE OF SHAKING OFF'). And with the wisdom that they found, they strove to rebel against the Holy One, blessed be He. They uttered OATHS TO BIND THE UPPER MINISTERS and TO BUILD THE CITY AND THE TOWER.

385. Come and Behold: It is written that "they are one people and they have all one language." Because they are of one heart and one desire to speak the Holy Language, THEREFORE, "now nothing which they have planned to do will be withheld from them." Nobody could prevent their acts, BUT THE HOLY ONE, BLESSED BE HE, SAID, 'What shall I do? I shall confound the celestial entities above and their language below, and then their work will be restrained.'

386. And if they, because they were of one heart and one desire, all spoke the Holy Language, it is written: "nothing that they have planned to do, will be withheld from them," and they will not be subject to the supernal Judgment. For us, and the friends who occupy themselves with the Torah and are of one heart and one desire, this will be all the more true, for NOTHING THAT WE WANT TO DO WILL BE WITHHELD FROM US

387. Rabbi Yosi said that from this we learn that people who are quarrelsome do not survive. As long as people are of one heart and one desire, even though they might rebel against the Holy One, blessed be He, the supernal Judgment is powerless against them. As soon as THE GENERATION OF THE TOWER differed with each other, Hashem "scattered them abroad from there..." SO WE LEARN THAT QUARRELSOME PEOPLE DO NOT SURVIVE LONG.

388. Rabbi Chiya then concluded that everything therefore depends upon the utterings of the mouth. As soon as THEIR LANGUAGE was confounded, "Hashem scattered them abroad..." But what does it say of the future? It says: "For then I will direct the peoples [to use] a pure language, that they may all call upon the name of Hashem, to serve him with one consent," (Tzefanyah 3:9) and, also, "and Hashem shall be King over all the earth; in that day shall Hashem be one, and His name one" (Zecharyah 14:9). Blessed be Hashem forever. Amen and Amen!

1. "Hearken to me, you stout-hearted"

There are people in our world who are hardhearted, stubborn, and set in their evil and selfish ways. The Zohar describes these people as refusing to change the negative aspects of their natures. They seek not to embrace the path of spiritual transformation and the Light of the Creator. All of us, to a certain degree, possess an aspect of these negative traits.

The Relevance of this Passage

The power available to us through these verses cleanses away negative qualities from our essence and being. The Light flowing through this portion helps to soften our resolve in situations where our stubbornness and ego prevents us from embracing spiritual change. The verses arouse a desire to seek a true connection to the Light of the Creator.

1. "Get you, out of your country..." (Beresheet 12:1). Rabbi Aba opened the discussion with THIS VERSE AND TO EXPLAIN THE REASON WHY AVRAHAM MERITED THAT THE HOLY ONE, BLESSED BE HE, WOULD SAY THIS TO HIM RATHER THAN TO ANY OTHER PERSON OF HIS TIME. "Hearken to me, you stout-hearted, that are far from righteousness" (Yeshayah 46:12), MEANS how hard are the hearts of the wicked, who see the paths and the ways of Torah, yet do not observe them. THE PATHS ARE THE INTERNAL ASPECTS; THE WAYS ARE THE EXTERNAL ASPECTS. And the hearts of the wicked are stout, as they do not repent and turn back to their Master. THIS IS THE REASON WHY they are called stout-hearted. The verse, "that are far from righteousness," MEANS THAT they keep themselves far from Torah; THIS IS WHY THEY REMAIN "FAR FROM RIGHTEOUSNESS."

2. Rabbi Chizkiyah commented ON THE AFOREMENTIONED VERSE: "Since they draw themselves away from the Holy One, blessed be He, therefore they remain far away from Him. And because of this, BECAUSE THEY KEEP FAR AWAY FROM THE HOLY ONE, BLESSED BE HE, they are called stout-hearted. AND THE VERSE TEACHES US THAT they "are far from righteousness." FOR WHAT REASON? BECAUSE they do not wish to come closer to the Holy One, blessed be He, AS THEY ARE STOUT-HEARTED. And because of this, they "are far from righteousness." Because they are far from righteousness, they are also far from peace-they can have no peace. As it is written: "There is no peace, says Hashem, to the wicked" (Yeshayah 48:22). And why is that so? Because they "are far from righteousness," THEY HAVE NO PEACE!

3. Come and behold: Avraham indeed succeeded in his desire to get closer to the Holy One, blessed be He. As it is written: "You love righteousness and hate wickedness" (Tehilim 45:8). Because he loved righteousness and hated wickedness, he therefore came closer to righteousness. Therefore, it is written: "Avraham my beloved" (Yeshayah 41:8). Why IS HE "my beloved?" Because it has been said about him, "You love righteousness." This is the love toward the Holy One, blessed be He, whom Avraham loved more than anyone else of his generation, who were "stout-hearted" and "far from righteousness," as has already been explained.

2. Upon what the world exists

The Zohar discusses our ignorance concerning the pillars that sustain our world, the unseen spiritual forces that give rise to all existence. The Zohar then focuses on another concept concerning the power of midnight. Great importance is attached to spiritual study and work during the hours from midnight to sunrise, when the Light of the Creator is intensified in our physical realm.

The Relevance of this Passage

The increased spiritual power released into the cosmos during the intervening hours of midnight and morning, is made available to us by the words and wisdom that comprise this portion.

1. לך לך מארצך וגו'. ר' אבא פתח ואמר, שמעו אלי אבירי לב הרחוקים מצדקה. שמעו אלי אבירי לב: כמה תקיפין לבייהו דחייביא, דחמאן שבילי ואורחי דאורייתא, ולא מסתכלן בהו, ולבייהו תקיפין, דלא מהדרין בתשובתא, לגבי מריהון, ואקרון אבירי לב. הרחוקים מצדקה: דמתרחקי מאורייתא.

2. רבי חזקיה אמר, דמתרחקי מקודשא בריך הוא, ואינן רחיקין מניה, ובגין כך, אקרון אבירי לב. הרחוקים מצדקה. דלא בעאן לקרבא לגבי קודשא בריך הוא. בגין כך, אינן רחוקים מצדקה. בין דאינן רחוקים מצדקה, רחוקים אינן משלום. דלית לון שלום. דכתיב אין שלום אמר ה' לרשעים. מ"ט בגין דאינן רחוקים מצדקה.

3. תא חזי, אברהם בעי לקרבא לקודשא בריך הוא, ואתקרב. הה"ד אהבת צדק ותשנא רשע. בגין דאהב צדק, ושנא רשע, אתקרב לצדקה, ועל דא כתיב, אברהם אוהבי. מ"ט אוהבי, בגין דכתיב, אהבת צדק. רחימותא דקודשא בריך הוא, דרחים ליה אברהם, מפל בני דריה, דהוו אבירי לב, ואינן רחוקים מצדקה, כמה דאתמר.

4. Rabbi Yosi opened the discussion by saying: "How lovely are Your dwelling places, Hashem Tzva'ot" (Tehilim 84:2)1. How important it is for people to observe the works of the Holy One, blessed be He! All people do not observe and are not aware of what keeps the world in existence. Nor are they aware of what keeps them in existence! THESE TWO SUBJECTS ARE EXPLAINED HERE TO US. When the Holy One, blessed be He, created the world, He made the heaven from fire and water. At first, these elements mingled together without freezing. Only later, by means of the Supernal Spirit, did they freeze and solidify. Then, THE HEAVENS, WHICH ARE ZEIR ANPIN, planted the world, THE NUKVA, to be established upon supports, THE THREE COLUMNS OF THE NUKVA. And the supports stand only by the help of the Spirit, WHICH IS THE CENTRAL COLUMN BETWEEN THEM. When that Spirit is gone, the supports are loosened and they quake, and the world is shaken. This is the meaning of, "Who shakes the earth out of its place, and its pillars tremble" (Iyov 9:6). And everything is established upon Torah, for when Yisrael are busy with Torah, THEY ELEVATE MAYIN NUKVIN (LIT. 'FEMALE WATERS') TO ZEIR ANPIN AND NUKVA, AND DRAW THE CENTRAL COLUMN, WHICH IS TORAH. Then the world is established, and the pillars, THE THREE COLUMNS OF ZEIR ANPIN, and the supports, THE THREE COLUMNS OF THE NUKVA, are perfectly situated in their places.

5. Come and behold: When midnight is aroused, and the Holy One, blessed be He, enters the Garden of Eden to enjoy the company of the righteous, all the trees in the Garden of Eden sing and praise Him, as it is written: "Then shall the trees of the forest sing for joy at the presence of Hashem" (I Divrei Hayamim 16:33).

6. A crier comes forth and forcefully calls, "You, mighty, holy men! To him among you who has allowed the spirit to enter, and his ears to hear, who has eyes open to see and who has a heart that is open to know! BY THIS CRIER, THE RIGHTEOUS AWAKEN FROM THEIR SLEEP, DELVE TO THE STUDY OF TORAH, AND DRAW THE CENTRAL COLUMN. When the spirit, which is the source of all spirits, arouses the sweetness of the soul, a voice comes from there, which is the source of all voices, and disperses all forces to the four corners of the world.

7. One goes up to one side, TO THE RIGHT OF ZEIR ANPIN, THE SECRET OF THE SOUTH. THE SECOND one descends to the other side, TO THE LEFT SIDE OF ZEIR ANPIN, THE NORTH. Another enters in between the two, BECOMES THE CENTRAL COLUMN OF ZEIR ANPIN, THE SECRET OF THE EAST. IN OTHER WORDS, ZEIR ANPIN IS PLACED BETWEEN THE TWO COLUMNS OF BINAH. AND THESE THREE DIRECTIONS, SOUTH, NORTH, AND EAST, ARE THE SECRET OF CHESED, GVURAH, AND TIFERET OF ZEIR ANPIN. Two are crowned AND SHINE by BECOMING three, CHESED, GVURAH, TIFERET BY THE THIRD, WHICH IS THE CENTRAL COLUMN THAT RECONCILES THEM. And three enter the one, BECAUSE THE CENTRAL COLUMN, WHICH IS THE SECRET OF TIFERET, RECEIVES AND EXPANDS BY ITSELF TO THREE OTHER COLUMNS, NETZACH, HOD AND YESOD. One, WHICH RECONCILES, NAMELY TIFERET OF ZEIR ANPIN, produced colors. IN OTHER WORDS, FROM HIM EMANATED THE SFIROT OF THE NUKVA THAT ARE CALLED 'COLORS'. Six of them-CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, descended to one side, NAMELY TO THE RIGHT, and another six-CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, descended to the other side, NAMELY TO THE LEFT. SO all six-CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD-become twelve SFIROT. IN OTHER WORDS, THE SIX SFIROT OF ZEIR ANPIN EXPANDED TO THE NUKVA AND BECAME TWELVE SFIROT, WITH SIX TO HER RIGHT AND SIX TO HER LEFT. The twelve SFIROT EXPAND AND become twenty-two

4. ר' יוסי פתח, מה ידירות משכנותיך ה' צבאות. כמה אית לון לבני נשא, לאסתכלא בפולחנא דקודשא בריך הוא. דהא כל בני נשא, לא ידעי ולא מסתכלי על מה קאים עלמא. ואינון על מה קיימין. דכד ברא קודשא בריך הוא עלמא, עבד שמיא, מאש וממים מתערבין כחדא, ולא הוו גלדי. ולבתר אנלירו, וקיימו ברוחא עלאה. ומתמן שתיל עלמא, לקיימא על סמכין. ואינון סמכין, לא קיימין, אלא בההוא רוחא. ובשעתא דההוא רוחא אסתלק, כלהו מרפסין וזעין, ועלמא ארתת. הה"ד המרגיז ארץ ממקומה ועמודיה יתפלצון. וכלא קאים על אורייתא, דכד ישראל משתדלי באורייתא, מתקיים עלמא, ואינון קיימין, וסמכין קיימין באתרייהו, בקיומא שלים.

5. תא חזי בשעתא דאתער פלגות ליליא, וקודשא בריך הוא עאל לגנתא דערן, לאשתעשעא עם צדיקיא. כלהו אילנין דבגנתא דערן, מזמרן ומשבחן קמיה. דכתיב, אז ירננו עצי היער מלפני ה' וגו'.

6. וכרוזא קארי בחיל, ואמר, לכון אמרין קדישין עליונין, מאן מנכון, דעויל רוחא באודנו, למשמע. ועינוי פקחין למחמי. ולביה פתוח למנדע. בשעתא, דרוחא דכל רוחין, ארים בסימו דנשמתא, ומתמן, נמיק קלא דקליא, חילין אתבדר לארבע סטרי עלמא.

7. חד סליק, לסטר חד. חד נחית לההוא סטר. חד עויל, בין תרין. תרין מתערטן בתלת. תלת עוילי בחד. חד אפיק גוונין. שית מנהון, לסטר חד. ושית מנהון, נחתי לההוא סטר. שית עוילי בתריסר. תריסר מתערין בעשרין ותריין. שית, כלילן בעשרה. עשרה קאים בחד.

SFIROT. THE six OF ZEIR ANPIN DO NOT BECOME TWELVE HERE, BUT are RATHER included within the ten. THIS IS BECAUSE the ten exist as one.

8. Woe to those who slumber as sleep covers their eyes sockets- THOSE WHO DO NOT AWAKE FROM THEIR SLEEP TO STUDY TORAH AND DRAW THE CENTRAL COLUMN. THE ILLUMINATION OF THE LEFT COLUMN BLOCKS OFF THE LIGHT NECESSARY FOR THEIR EYESIGHT AND MAKES THEM DROWSY. AS A RESULT, THEY HAVE NO EYES, THAT IS, MOCHIN. THERE IS SLEEP IN THEIR EYE SOCKETS. They do not know and are unable to observe how and in what condition they shall awaken on the Day of Judgment, when they shall be visited upon to settle the account-when the body is defiled and the soul floats on the afternoon air, going up and down, but the gates do not open for it. They are thrown around like the pebbles in the hollow of a sling. Woe to them. Who shall ask about them when they shall not arise to this place of pleasure? In the place where the righteous have pleasure, they shall be missing. They shall be passed on to the angel Dumah, go down TO GEHENOM and not rise. They are described by the words, "As the cloud is consumed and vanishes away, so he who goes down to Sh'ol shall come up no more." (Iyov 7:9)

9. At that hour, THAT IS, MIDNIGHT, a flame is awakened from the North strikes the four corners of the world, SINCE THE ILLUMINATION OF THE LEFT COLUMN, WHICH IS JUDGMENT, EXPANDS THROUGHOUT THE WORLD. It descends and touches the cock between its wings, WHICH IS THE SECRET OF GAVRIEL. As the flame awakens it, it crows. THIS IS THE SECRET OF THE CRIER MENTIONED BEFORE WITH THE WORDS, "A CRIER COMES FORTH AND FORCEFULLY ANNOUNCES..." But the only ones who awaken to the calling of the cock are the truly righteous, who delve to the study of Torah, DRAWING THE CENTRAL COLUMN. Then the Holy One, blessed be He, together with all the righteous in the Garden of Eden, listen attentively to their voice. As it is written: "You who dwell in the gardens, the companions hearken to your voice: cause me to hear it" (Shir Hashirim 8:13).

3. "Now Hashem said to Avram"

There is a unique process of preparation that a soul undergoes prior to entering our physical realm. This process consists of promises and commitments made by the soul to the Creator. The soul pledges to embrace the spiritual path of change through Torah and Kabbalah during its lifetime. The specific Torah portion that relates to this passage of Zohar is Lech Lecha, which translates into Go You, Out of Your Country. The verse concerns God's call to Avraham to leave and go out from his homeland and enter into the Land of Israel. The story is a code and a metaphor concerning the journey of the soul as it leaves the Upper World on its sojourn into our earthly realm.

The Relevance of this Passage

The perpetual pull and tug of the material world is of such magnitude, we forget our true purpose in life as we succumb to the illusions of physical existence. Hence, we need the Light of this portion to reawaken our desire to remain true to our own soul's original commitment to pursue the spiritual path.

Sitrei Torah (Concealed Torah)

10. We have learned that because of the strong desire of the King, WHO IS BINAH, a great and strong tree, WHICH IS ZEIR ANPIN, was planted. GREAT IS THE SECRET OF THE MOCHIN OF CHOCHMAH, AND STRONG IS THE SECRET OF THE MOCHIN OF CHASSADIM. Among the supernal plants, WHICH ARE THE SFIROT OF BINAH, this tree, WHICH IS ZEIR ANPIN, is planted. It turns between twelve borders, and its leg expands to the four winds of the world.

11. Its journeys were measured at five hundred Persian miles. The desires of these Persian miles, REFERRING TO THEIR WAYS OF BESTOWING ABUNDANCE, come on Him, ON ZEIR ANPIN. So when He awakens, all awaken with Him, and no one is capable of diverting His will. After that, all are united and join His will.

8. ווי לאיננו דניימי שינתא בחוריהון, לא ירעי ולא מסתבלאן איך יקומו בדינא, דחושבן אתפקד, בד אסתאב גופא, ונשמתא שטיא, על אנפי דאורא דטיהרא, וסלקא ונחתא, ותרעין לא מתפתחן, מתגלגלן כאבנין בגו קוספיתא. ווי לון, מאן יתבע לון, דלא יקומו בעדונא דא, בגו דוכתי דענוגי דצדיקיא, אתפקדון דוכתייהו. אתמסרון בידא דדומה, נחתי ולא סלקי. עלייהו בתיב, כלה ענן וילך בן יורד שאול לא יעלה.

סְתְרֵי תוֹרָה

10. תאנא. בתוקפא דהרמנו דמלכא, אנציב חר אילנא רבא ותקיף. גו נטיען עלאין, נטיע אילנא דא. בתריסר תחומין, אסתחר. בארבע סטרין דעלמא, פרישא רגליה.

11. ת"ק פרסי מטלנוי, כל רעותין, דאינון פרסין, ביה תליין. בד אתער האי, כלהו מתערין בהדיה, לית מאן דנפיק מרעותיה. לבתר, כלהו ברעותא חרא בהדיה.

12. He, ZEIRANPIN, arises from above, AFTER HE HAS RECEIVED MOCHIN FROM BINAH, and descends throughout His journeys to the sea, WHICH IS THE NUKVA. SO, HE GIVES HIS ABUNDANCE TO THE NUKVA. He fills the sea, as He is the source of all the lights that spring IN THE SEA. Underneath Him, all the waters of the Beginning of the Creation are divided. The watering of the Garden, WHICH IS MALCHUT, depends on Him, WHO IS ZEIR ANPIN.

13. All souls of the world come forth from Him, FROM ZEIR ANPIN. These souls enter the Garden, THE NUKVA, and descend into this world IN ORDER TO BE ENCLOTHED IN A BODY. When a soul leaves THERE AND IS ON ITS WAY DOWN TO THIS WORLD, it receives seven blessings so that it may be a father to the body being rightly elevated. Thus, it is written: "Now Hashem said to Avram" (Beresheet 12:1). This is the divine supernal soul, WHICH IS CALLED AVRAM. IT CONSISTS OF TWO WORDS, AV (lit. 'FATHER') AND RAM (lit. 'SUPERNAL'). It is considered the father of the body and elevates to the level of the divine image, BY THE CHASSIDIM THAT ARE DRAWN AS IT ELEVATES AND REACHES ABA AND IMA.

14. When the soul is ready to descend to this world, the Holy One, blessed be He, makes it swear to perform the precepts of Torah and do His bidding. And He gives each soul one hundred keys of blessings for each and every day, so that it may complete the supernal grades, which reach the numerical value of Lech Lecha (lit. 'Get you out'), WHICH EQUALS ONE HUNDRED. All of them are given to it, TO THE SOUL, so that it may cultivate the Garden, WHICH IS THE NUKVA, to till it and to keep it. "Your country" is the Garden of Eden.

15. The verse, "and from your kindred" MEANS from the body, WHICH IS ZEIR ANPIN, that is called 'the Tree of Life'. And it includes the twelve supernal tribes, WHICH ARE THE SECRET OF THE TWELVE BORDERS. THIS PASSAGE INFORMS US THAT THE SOUL IS AN OFFSPRING OF ZEIR ANPIN AND COMES FORTH FROM HIM. THE VERSE "and from your father's house" refers to the Shechinah, WHICH IS CALLED THE HOUSE. "Your father" means the Holy One, blessed be He, WHO IS ZEIR ANPIN. As it is written: "He who steals from his father or his mother, and says it is no transgression..." (Mishlei 28:24). "His father" is none other than the Holy One, blessed be He, and "his mother" is none other than the Congregation of Yisrael, WHICH IS THE NUKVA. The words, "to the land that I will show you," refer to this world, TO WHICH THE SOUL IS SENT.
(End of Sitrei Torah).

16. What is written before the verse, "Hashem said to Avram..."? The words: "And Haran died before his father Terach" (Beresheet 11:28). AND HE ASKS: Of what does he want to inform us BY SAYING "BEFORE" HIS FATHER, TERACH? IF YOU CLAIM THAT "BEFORE" MEANS DURING HIS FATHER'S LIFETIME, this cannot be, for had no other person until that day died during his father's lifetime beside Haran? NEVERTHELESS, IN ALL OTHER INCIDENTS, THE WORD "BEFORE" IS NOT USED. FOR EXAMPLE, WHEN HEVEL DIED DURING THE LIFETIME OF ADAM, HIS FATHER, AND WHEN CHANOCH, WHO WAS TAKEN BY ELOHIM DURING THE LIFETIME OF YERED, HIS FATHER. AND HE EXPLAINS THAT When Avraham was thrown to the fire, Charan was killed. Because of this, they left UR CASDIM.

12. קם מלעילא, נחית במטלנוי לגו ימא. מניה ימא אתמליא. איהו מקורא דכל מיון דנבעין. תחותיה מתפלגין כל מימיו דבראשית. שקיו דגנתא, ביה תליין.

13. כל נשמתין דעלמא, מניה פרחין. נשמתין אלין עאלין בגנתא, לנחתא להאי עלמא. נשמתא בד נפקא, אתברכא בשבע ברכאן, למהוי אבא לגופא, בסליקו עלאה. הה"ד ויאמר ה' אל אברם. הא נשמתא עלאה אבא לגופא בסליקו דדיוקנא עלאה.

4. "...and they left with them from Ur Casdim"

The Zohar examines a flickering flame wedded to the wick of a lit candle. Interestingly, a simple wick is able to generate a dazzling flame. Likewise, a simple action on the part of mankind, a single desire to change our ways is all that is required to set aflame the Light of the Creator within our soul. When this Light burns brightly in our life, we draw the strength and power to thoroughly transform our nature.
The Relevance of this Passage

The wonderful analogy concerning the wick and a candle flame is presented by the Zohar to help us arouse the Light of the Creator, giving us the strength to make the necessary spiritual changes in our own life. "One simple action" includes reading these very words, along with the Aramaic text, which ignites resplendent flames of spiritual Light.

17. Come and behold, It is written: "And Terach took Avram, his son, and Lot, the son of Haran...and they left with them from Ur Casdim" (Beresheet 11:31). HE ASKS: WHY IS IT WRITTEN: "And they left with them," when it should have been written: "with him," NAMELY WITH TERACH? If, as it is written: "And Terach took..." why IS IT THEN WRITTEN: "with them?" BECAUSE Terach and Lot left with Avraham and Sarah, who really wanted to depart from among the wicked. Only after Terach saw that Avraham his son was saved from the fire did he return to follow Avraham's wishes. As a result, Terach and Lot "left with them."

18. And when they left "to go to the land of Cna'an" it was because they desired to go there. From this we learn that whoever asks to be purified will be helped. Come and behold that this is so! Because the words, "to go to the land of Cna'an," are immediately followed by the words, "Now Hashem said to Avram, 'Get you out'." So before his desire TO GO TO THE LAND OF CNA'AN was awakened, it was not yet written: "Get you out." THEREFORE, HE WHO ASKS AND WAKES ON HIS OWN FROM BELOW IS HELPED FROM ABOVE, BECAUSE WITHOUT AWAKENING FROM BELOW THERE IS NO AWAKENING FROM ABOVE.

19. Come and see: Nothing is aroused above before it is first aroused below, so that what is aroused above rests upon it. The secret is that the black flame OF THE CANDLE, WHICH IS THE SECRET OF THE NUKVA, does not hold on to the white flame OF THE CANDLE, WHICH IS THE SECRET OF ZEIR ANPIN, before it is aroused. As soon as it is aroused first, the white flame immediately rests upon it. THIS IS SO BECAUSE THE LOWER ONE HAS TO BE AROUSED FIRST.

20. Therefore it is written: "Do not keep silent, Elohim; do not hold your peace, and be still, El" (Tehilim 83:2), so that the white flame will never cease to exist in the world. BECAUSE ELOHIM IS THE SECRET OF THE NUKVA, WHICH IS THE SECRET OF THE BLACK FLAME. SO IF IT DOES NOT HOLD ITS PEACE AND BE STILL AND IF IT NEVER CEASES TO BE AWAKENED FROM BELOW, THEN THE WHITE FLAME, WHICH IS THE SECRET OF ZEIR ANPIN, SHALL ALWAYS REST UPON IT FROM ABOVE. "You who make mention of Hashem, take no rest" (Yeshayah 62:6) so that there will always be awakening from below on which that from above should come and rest upon it. Therefore, when a person first arouses the awakening from below, the awakening from above is aroused. Come and behold, It is written: "and they went out with them from Ur Casdim." Immediately, "Hashem said to Avram..." THIS MEANS THAT HE RECEIVED HELP FROM ABOVE. THE REASON IS THAT THE LIGHT NEEDS SOMETHING CRUDE FROM BELOW TO CLING ONTO AND THIS CRUDE OBJECT OR ACTION IS ENTIRELY IN THE HANDS OF THE LOWER WORLD.

5. "Get you out," for your sake

All the supernal forces that govern the various countries and cities of our world are brought to light by the Zohar. Avraham masters the knowledge concerning all these diverse metaphysical intelligences that rule and administer over the cosmos. However, the Creator tells him not to direct his mind towards these supernal matters. Rather, Avraham should focus upon his spiritual work in this physical realm, placing his trust in the Creator regarding the workings of the metaphysical dimension.

The Relevance of this Passage

The ability to trust the Creator above the level of our rational mind and logic, radiates throughout this passage. Often, we mistake the pursuance of otherworldly mystical knowledge for the real spiritual work in this mundane world. This truth is understood through a story concerning the great sage Hillel, who was asked to reveal all the supernal mysteries and secrets of the Torah in the short time that he can remain balanced on one leg.

17. תָּא חֲזִי, מַה בְּתִיב, וַיִּקַּח תְּרַח אֶת אַבְרָם בְּנוֹ וְאֶת לוֹט בֶּן הָרָן וְגו'. וַיֵּצְאוּ אִתָּם מֵאוּר כַּשְׁדִּים. וַיֵּצְאוּ אִתָּם. אֲתוּ מִבְּעֵי לֵיהּ. דְּהָא כְּתִיב וַיִּקַּח תְּרַח וְגו'. מֵאִי, וַיֵּצְאוּ אִתָּם. אֶלְא, תְּרַח וְלוֹט, עִם אַבְרָהָם וְשָׂרָה נִפְקוּ, דְּאִינוּן הוּוּ עֲקָרָא לְמִיפְק מִגּוֹ אִינוּן חֲזִיבֵינָא. דְּכִיוּן דְּחָמָא תְּרַח, דְּאַבְרָהָם בְּרִיהּ, אֲשֶׁתְּזִיב מִגּוֹ נוֹרָא, אֲתַהֲדֵר לְמַעְבַּד רְעוּתֵיהּ דְּאַבְרָהָם, וּבְגִין כֵּךְ וַיֵּצְאוּ אִתָּם תְּרַח וְלוֹט.

"Love thy neighbor as thyself. All the rest is commentary. Now and go and learn," the sage replied.

21. "Now Hashem said to Avram, Get you out (lit. 'go for you')..." According to Rabbi Elazar, the phrase "Go for you," means "for yourself." IN OTHER WORDS, go out for yourself, to fulfill yourself and complete your grade. "Get you out," for you must not stay here among the wicked.

22. The secret BEHIND THE WORDS "Get you out" is that the Holy One, blessed be He, inspired Avraham with the spirit of wisdom. He knew how to judge the spirits (also winds) of the civilized world. He observed them, weighed them in the scales, and knew how to connect them to the powers entrusted to govern the inhabited places on earth.

23. When he reached the middle point of civilization, he weighed it in the scales, but could not reach any conclusion. THIS MEANS THAT HE ELEVATED MAYIN NUKVIN (FEMALE WATERS) IN ORDER TO DRAW DOWN THE SPIRIT OF WISDOM TO THAT PLACE, BUT DID NOT SUCCEED. He tried to see and to know what sort of power governed that place, but could not conceive it.

24. He weighed a few more times before realizing that the whole world sprouts from that place and is established upon it. He observed carefully, and measured, so as to understand the subject, and concluded that the supernal force above it could not be measured, that it is deep and hidden, and that it does not resemble the different parts of the inhabited land.

25. He watched attentively, weighed, and realized that the middle point of the inhabited world is the point from which the whole world moves out to all its corners, WHICH MEANS THAT THE POINT GOVERNS ALL THE SFIROT OF ZEIR ANPIN AND ALL THE SFIROT OF NUKVA, WHICH ARE NAMED THE CORNERS OF THE WORLD, SINCE THE POINT IS PLACED ABOVE THEM. Similarly, he knew the power that now prevails over the point. AS A RESULT, all other powers that govern the corners of the world originate from that point and all THE SFIROT hold to it. Then "they went out with them from Ur Casdim, to go to the land of Cna'an."

26. He continued to observe, weigh, and examine in an effort to determine the nature of that place, but he was unable to understand it so as to cleave to it. He saw the strength of that place and realized that he could not understand it, and therefore immediately, "they came to Charan, and dwelt there." (Bereshheet 11:31).

27. HE ASKS: Why did Avraham DELAY IN CHARAN AND NOT LEAVE THERE IMMEDIATELY, "TO GO TO THE LAND OF CNA'AN," AS IT IS WRITTEN: "AND THEY DWELT THERE"? AND HE ANSWERS: Avraham knew and checked all the governors and rulers of the world that had dominion over the entire civilized world. And he was examining all those who govern and rule over the directions of the world's inhabited land, all those that have dominion over the stars and the constellations. He learned how they exercise their power over one another. In considering all the inhabited places in the world, he did well. But when he reached that place, THE POINT OF MALCHUT, he saw the force of the depths. And he could not withstand it.

21. וַיֹּאמֶר ה' אֶל אַבְרָם לֵךְ לְךָ. אָמַר ר' אֶלְעָזָר, לֵךְ לְךָ: לְגַרְמְךָ, לְאַתְקֵנָא גְרַמְךָ. לְאַתְקֵנָא דְרַגְא דִּילְךָ. לֵךְ לְךָ. לִית אַנְתָּ בְדָאי לְמִיקָם הָכָא, בֵּין חַיִּיבִין אֵלִין.

1

28. As soon as the Holy One, blessed be He, noticed his awakening and his passion, He immediately revealed Himself to Avraham and said: "Get you out" in order to learn about and perfect yourself.

28. בֵּינּוֹן דְּחֵמָא קוּדְשָׁא בְּרִיךְ הוּא, אֲתַעְרוּתָא דִּילִיָּה, וְתִיאוּבְתָא דִּילִיָּה, מִיַּד אֲתַגְלִי עֲלֵיהּ, וְאִמַר לֵיהּ, לָךְ לָךְ. לְמַנְדַע לָךְ, וְלֹאֲתַקְנָא גְרַמְךָ.

29. The words "Your country," AS USED WHEN HE SAID TO HIM, "GET YOU OUT," referred to that side of the inhabited world to which he was attached. THIS IS THE RIGHT SIDE ONLY; THE LEFT SIDE IS NOT INCLUDED. THE WORDS "and from your kindred," MEAN THAT HE TOLD HIM, "GET YOU OUT" from that Wisdom with which you study your horoscope, determined by watching and examining the moment, hour, and time of your birth, and the planet and the sign under which you were born. ALL OF THIS IS RELATED TO THE ILLUMINATION OF THE LEFT SIDE AND IS NOT INCLUDED WITHIN THE RIGHT.

29. מְאָרְצְךָ. מֵהָהוּא סְטְרָא דִּישׁוּבָא דְהוּיָת מִתְדַבֵּק בֵּיהּ. וּמְמוֹלְדֶתְךָ מֵהָהוּא חֲכָמָה, דְּאֵת מִשְׁגַּח, וְתַקִּיל תּוֹלְדֶתָא דִּילְךָ, וְרַגְעָא וְשַׁעֲתָא וְזִמְנָא, דְּאֲתִיּוּלִידֶת בֵּיהּ, וּבִהָהוּא כּוֹכְבָא, וּבִהָהוּא מְזֻלָּא.

30. The verse, "And from your father's house," MEANS THAT HE TOLD HIM "GET YOU OUT" and never look upon your father's house again, REFERRING TO CHARAN, AND NEVER SEEK TO DISCOVER if the root of your success in the world is from your father's house. Therefore, "Get you out" of this wisdom and this observance.

30. וּמִבֵּית אָבִיךָ. דְּלֹא תִשְׁגַּח בְּבֵיתָא דְאַבּוּךָ. וְאִי אֵית לָךְ שְׂרָשָׁא לְאַצְלַחָא בְּעֵלְמָא, מִבֵּיתָא דְאַבּוּךָ, בְּגִין כֵּן לָךְ לָךְ, מִחֲכָמָה דָּא וּמֵאַשְׁגַּחוּתָא דָּא.

31. Come and behold: It is indeed so! Because they had already left Ur Casdim and were in Charan, why should He say to him, "Get you out of your country, and from your kindred?" FOR HE HAS ALREADY LEFT UR CASDIM, WHICH IS HIS COUNTRY AND FAMILY. Therefore, the main point has to be, as previously stated, THAT THE MEANING OF "YOUR COUNTRY" IS THE ILLUMINATION OF THE RIGHT WITHOUT THE LEFT, AND "YOUR KINDRED" IS THE ILLUMINATION OF THE LEFT WITHOUT THE RIGHT. "To the land that I will show you" MEANS THAT "I will show you" what you were not able to conceive--BECAUSE OF THE JUDGMENTS OF THE ILLUMINATION OF THE LEFT--and were not able to know about the power of that land, NAMELY MALCHUT, which is deep and hidden.

31. תָּא חֲזִי. דְהִכִּי הוּא, דְהָא נִפְקוּ מֵאוּר כַּשְׂדִּים, וְהוּוּ בַחֲרֹן, אֲמַאי יִימָא לֵיהּ לָךְ לָךְ מְאָרְצְךָ וּמְמוֹלְדֶתְךָ. אֶלָּא עֲקָרָא דְמַלְתָּא, כְּמָה דְאַתְמַר. אֶל הָאָרֶץ אֲשֶׁר אֲרָאךָ. אֲרָאךָ, מָה דְלֹא יָכִילַת לְמִיקָם עֲלֵיהּ, וְלֹא יָכִילַת לְמַנְדַע חִילָא דְהָהוּא אֲרַעָא, דְּאִיהוּ עֵמִיק וְסֻתִּים.

6. "And I will make of you a great nation" (A)

All the blessings that Avraham received are explained in the following section of the Zohar. Avraham received these blessings because he let go of his own ego and completely surrendered to the Creator.

The Relevance of this Passage

The intelligence of the body creates an illusion that we are in control of our lives. Nevertheless, anxiety, fear, emotional turmoil, and external chaos continue to be an affliction. When we let go of this illusion and relinquish control, we create a space for the Light of the Creator to enter our existence, removing all darkness. We acquire the power from the blessings that Avraham received, instilling us with the courage to entrust the Creator with control over our life.

32. "And I will make of you a great nation..." (Beresheet 12:2). "And I will make of you" is related to the verse, "Get you out." "And I will bless you" is related to the verse, "from your country." "And make your name great" is related to the verse, "and from your kindred." "And you shall be a blessing" is related to the verse, "and from your father's house."

32. וְאַעֲשֶׂךָ לְגוֹי גָדוֹל וְגוֹי. וְאַעֲשֶׂךָ, בְּגִין דְכִתְיב, לָךְ לָךְ. וְאַבְרַכְךָ, בְּגִין דְכִתְיב, מְאָרְצְךָ. וְאַגְדִּלְהָ שְׁמֶךָ, בְּגִין דְכִתְיב, וּמְמוֹלְדֶתְךָ. וְהִיָּה בְרָכָה, בְּגִין דְכִתְיב, וּמִבֵּית אָבִיךָ.

33. Rabbi Shimon DISAGREES, AND says that the verse, "And I will make of you a great nation," is THE ILLUMINATION OF the right side; that "and I will bless you" is THE ILLUMINATION OF the left side; that "and I will make your name great" is THE ILLUMINATION OF the Central Column; and that "and you shall be a blessing" is from the side of the Land of Yisrael, FROM THE SIDE OF THE NUKVA, WHICH IS CALLED THE LAND OF YISRAEL. So here is a throne that has four legs, all of which were included in Avraham. THE THREE COLUMNS-CHESED, GVURAH, AND TIFERET-ARE THREE LEGS, THE NUKVA IS THE FOURTH LEG. THESE ARE THE FOUR LEGS OF THE UPPER THRONE, WHICH IS BINAH. From here onward, the blessings are for the others who are replenished from here. THIS REFERS TO OTHERS WHO ARE BLESSED FOR HIS SAKE, as it is written: "And I will bless them that bless you and curse them that curse you, and in you shall all families of the earth be blessed."

33. רבי שמעון אומר, ואעשך לגוי גדול, מסטרא דימינא. ואברכך, מסטרא דשמאלא. ואגדלה שמך, מסטרא דאמצעיתא. והיה ברכה, מסטרא דארעא דישראל. הא הכא ברסייא, דארבע סמכין, דכלהו כלילין ביה באברהם. מכאן ולהלאה, ברכאן לאחריני, דמתזני מהכא, דכתיב, ואברכה מברכין ומקללך אאור ונברכו בך כל משפחות האדמה.

7. "And from the wicked their light is withheld"

When one behaves in a negative manner, he immediately disconnects himself from the Light of the Creator. Moreover, negative deeds also block and prevent an individual from receiving any spiritual Light from the righteous souls who are in this world to share their Light with all mankind. The Relevance of this Passage

Every act of negative behavior can be likened to draping a layer of cloth over a lamp. Life grows progressively darker. We remove these veils from ourselves through the letters and lessons of this section so that we may receive all the Light that is ever-present from the devout souls who dwell among us in our generation.

34. Rabbi Elazar was sitting before his father, Rabbi Shimon, together with Rabbi Yehuda, Rabbi Yitzchak, and Rabbi Chizkiyah. Rabbi Elazar asked Rabbi Shimon why is it written: "Get you out of your country, and from your kindred" in the singular? Since they all left UR CASDIM to go to THE LAND OF CNA'AN, why was Avraham not told that they all should go?

34. ר' אלעזר, הוה יתיב קמיה דרבי שמעון אבוי, והוי עמיה, ר' יהודה, ורבי יצחק, ורבי חזקיה. אמר לור' אלעזר לרבי שמעון אבוי, האי דכתיב, לך מארצך וממולדתך. כיון דכלהו נפקו למהך, אמאי לא אתמר ליה דכלהו יפקו.

35. Terach was an idol worshipper, but since his desire to leave with Avraham was truly aroused, and, as we have seen, the Holy One, blessed be He, desires that the wicked repent, as Terach started to leave with Avraham, why does it not say, "Go for yourself" in plural? Why does it say "Go for yourself" to Avraham alone?

35. דהא אף על גב דתרח הוה פלח לע"ז, כיון דאתער באתערותא טב למיפק בהדיה דאברהם, וחימין קדשא בריך הוא אתרעי בתשובתא דחייביןא, ושרא למיפק, אמאי לא כתיב לכו לכם. אמאי לאברהם בלחודוי לך לך.

36. Rabbi Shimon replied that Terach did not leave Ur Casdim because he wanted to repent and mend his ways, but only to save himself from all the people of his land, who wanted to kill him. Particularly after they saw that Avraham was saved FROM THE FURNACE OF FIRE, they said to Terach, 'You were the one who misled us with these idols,' AND WANTED TO KILL HIM. Because he feared them, Terach left. THEREFORE, when he reached Charan, he stayed, as it is written: "So Avram departed, as Hashem had spoken to him, and Lot went with him" (Beresheet 12:4). Terach is not mentioned in the verse!

36. אמר לרבי שמעון, אי תימא, דתרח כד נפק, מאור כשדים, בגין לאהדרא בתשובה הוה, לאו הכי, אלא כד נפק, לאשתזבא נפק, דהוה כלהו בני ארעיה, בעאן למקטליה. כיון דחזו, דאשתזיב אברהם, הוה אמרי ליה לתרח, אנת הוא דהוית מטעי לך, באלין פסילין, ומגו דחלא דלהון, נפק תרח, כיון דמטא לחרן, לא נפק מתמן לבתר, דכתיב וילך אברם כאשר דבר אליו ה' וילך אתו לוט. ואילו תרח לא כתיב.

37. He opened the discussion by saying: "And from the wicked their light is withheld, and the high arm shall be broken" (Iyov 38:16). This passage has already been explained. Nevertheless, "And from the wicked their light is withheld" applies to Nimrod and the people of his generation, whom Avraham left, since he was "their light"; "the high arm shall be broken" alludes to Nimrod.

38. Another explanation of the verse, "And from the wicked their light is withheld," is that it applies to Terach and his household, and "their light" is Avraham. The verse does not say 'the light,' but "their light," that was among them. THIS REFERS TO AVRAHAM WHO WAS AMONG THEM AND THEN LEFT. "And the high arm shall be broken" applies to Nimrod, who misled the whole world to following him. And this is why it is written: "Get you out," so that the light may shine for you and for all who will descend from now and henceforth.

39. Furthermore, RABBI SHIMON then discussed the verse, "And now men see not the bright light which is in the clouds; but the wind passes, and cleanses them" (Iyov 37:21). "And now men see not the bright light": when DID THAT HAPPEN? At the time when the Holy One, blessed be He, said to Avraham, "Get you out of your country, and from your kindred, and from your father's house." BECAUSE AFTER AVRAHAM HAD LEFT THEM, THEY WERE NOT ABLE TO SEE THE LIGHT ANYMORE. "The bright light which is in the clouds" ALLUDES TO AVRAHAM, because the Holy One, blessed be He, wished to attach Avraham to the supernal Light and have him shine there.

40. "And the wind passes, and cleanses them" refers to Terach and all the people of his town, all of whom afterwards repented. As it is written: "and the souls that they had made in Charan" (Beresheet 12:5), MEANING THAT THE PEOPLE OF CHARAN REPENTED. The verse, "And you shall come to your fathers in peace" (Beresheet 15:15), INDICATES THAT Terach HAD REPENTED, FOR THE HOLY ONE, BLESSED BE HE, WOULD NOT HAVE SAID THIS TO AVRAHAM OTHERWISE.

8. "And I will make of you a great nation" (B)

At every beginning, at every opening, within every seed-level moment, there are dark forces present whose sole objective is to taint, negatively influence, and curse all that will come after. The Zohar reveals the process by which we can break these curses and remove any negative factors. The Relevance of this Passage

New projects and new beginnings in our life start out with bountiful optimism and hope. Be that as it may, unseen negative forces often infect the seed level leading to broken dreams and unrealized goals. We receive the power to break our own negative nature and the negative forces around us that try to curse new beginnings in our life.

Sitrei Torah (Concealed Torah)

41. THERE ARE SEVEN BLESSINGS THAT APPEAR IN THIS PASSAGE. One: "And I will make of you a great nation"; two: "and I will bless you"; three: "and make your name great"; four: "and you shall be a blessing"; five: "And I will bless them that bless you"; six: "and curse him that curses you"; and seven: "and in you shall all families of the earth be blessed." And after he received these seven blessings, it is written: "So Avram departed, as Hashem had spoken to him." THIS MEANS THAT HE WENT down to the world, as he was commanded to do.

37. פֶּתַח וְאָמַר, וַיִּמְנַע מִרְשָׁעִים אוֹרָם וַזְרוּעַ רָמָה תִּשְׁפֹּר. הָאֵי קָרָא אוֹקְמוּהָ, אֲבָל, וַיִּמְנַע מִרְשָׁעִים אוֹרָם, דָּא נִמְרוּד וּבְנֵי דְרִיָּה, דְּנִפְקָ אַבְרָהָם מִנִּיְהוּ דְהוּהוּ אוֹרָם. וַזְרוּעַ רָמָה תִּשְׁפֹּר, דָּא נִמְרוּד.

42. Immediately, "Lot went with him." This is the serpent that was cursed and caused the world to be cursed. THE SCRIPTURES CALL THE SERPENT BY THE NAME LOT, BECAUSE LOT MEANS 'A CURSE' IN ARAMAIC. THE SERPENT WAS CURSED AND BROUGHT CURSES ON THE WORLD. SO HE ACCOMPANIES THE SOUL DURING ITS STAY IN THIS WORLD. And the serpent stands at the opening, in order to mislead the body, AS IT IS WRITTEN: "SIN CROUCHES AT THE DOOR" (BERESHEET 4:7). And this is why the soul will not start fulfilling the mission it was commanded to perform until it has completed thirteen years in this world. Because from the twelfth year onward, the soul is aroused to fulfill its task. Therefore, it is written: "and Avram was seventy five years old" (Bereshheet 12:4)-SEVENTY IN REDUCED NUMERICAL VALUE EQUALS SEVEN, and seven and five equals twelve. THEN THE SOUL LEAVES CHARAN, WHICH IS THE KLIPOT, AND IS AROUSED TO SERVE HASHEM AND FULFILL ITS ALLOTTED TASK.

43. And then AFTER TWELVE YEARS, the soul can be seen in this world, because it comes from the "five years," which are the five hundred parasangs of the Tree of Life. IT IS THEN ACKNOWLEDGED AS AN OFFSPRING OF ZEIR ANPIN, WHICH IS CALLED THE TREE OF LIFE, WHICH IS FIVE HUNDRED PARASANGS WALK. "And seventy years" refers to the same tree, which is the seventh among the grades, NAMELY, THE NUKVA, WHICH IS THE SEVENTH SFIRAH AMONG THE SEVEN SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT. AND THEN THE SOUL IS ACKNOWLEDGED AS THE OFFSPRING OF ZEIR ANPIN AND THE NUKVA.

44. Then the soul departs from the filth of the serpent and enters to the holy work. And so it is written: "when he departed out of Charan," from the wrath and aggression of the Satan, who until now had ruled over the body by deceiving it.

45. The Orlah (lit. 'foreskin') rules over the tree for three years, WHICH ARE CALLED THE "ORLAH YEARS." In the human being, the first thirteen years are called the "Orlah years." After the body has lived these years, the soul is aroused to fulfill its holy task. It then receives full control over the body and inspires the goodwill necessary to overcome the serpent. And then the serpent will not be able to control the body as it did before.

46. As it is written: "And Avram took Sarai his wife..." (Bereshheet 12:5). "SARAI HIS WIFE" refers to the body, which in comparison to the soul is like the female toward the male. "And Lot his brother's son" refers to the serpent that does not completely leave the body EVEN AFTER THIRTEEN YEARS, because the clinging of the body is not entirely gone from it. Nevertheless, the arousal of the soul strikes it always, warns and reproves it, and forces it to obey so that it cannot take control any more.

42. מִיַּד וַיֵּלֶךְ אִתּוֹ לוֹט. דָּא אִיהוּ נַחֲשׁ דְּאַתְלֵטָא, וְאַתְלֵטָא עֲלֵמָא בְּגִינֵיהּ, דְּאִיהוּ קָאִים לְפִתְחָא, לְאַסְטָאָה לְגוּפָא, וְלֹא תַפְעוּל נְשִׁמְתָא, פּוֹלְחָנָא דְאַתְפַּקְדָּת, עַד דִּיעֲבִרוּן עָלֶה בְּהַאי עֲלֵמָא, וְיִגְשִׁינֵי, דְּהָא מִתְרִיסַר שְׁנִין וְלַעִילָא, נְשִׁמְתָא אֲתַעֲרַת, לְמַפְלַח פּוֹלְחָנָא דְאַתְפַּקְדָּת, הַה"ד וְאַבְרָם בֶּן חֲמִשׁ שָׁנִים וְשִׁבְעִים שָׁנָה. שְׁבַע וְחֲמִשׁ תְּרִיסַר אֵינּוּן.

43. וְכַדִּין אֲתַחֲזִיאת נְשִׁמְתָא בְּהַאי עֲלֵמָא. דְּאִיהוּ אֲתִיא מִחֲמִשׁ שָׁנִים, דְּאֵינּוּן ת"ק פְּרָסֵי דְאֵילָנָא דְחַיִּי. וְשִׁבְעִים שָׁנָה, דָּא אִיהוּ הָהוּא אֵילָנָא מִמֶּשׁ, דְּאִיהוּ שְׁבִיעָאָה לְדַרְגִּין, וְשִׁבְעִין שָׁנָה אֲתַקְרִי.

45. בְּאֵילָנָא, שְׁלְטָא עָרְלָה תְּלַת שְׁנִין. בְּבַר נֶשׁ, תְּלַת סְרֵי שְׁנִין, דְּאֶקְרוּן שְׁנֵי עָרְלָה, בֵּין דְּאֶעְבְּרוּ עַל גּוּפָא אֵינּוּן שְׁנִין, וְאַתְעֲבֵרַת נְשִׁמְתָא, לְמַפְלַח פּוֹלְחָנָא קְדִישָׁא, פְּקִידַת לְגוּפָא, לְרַעוּתָא טְבָא, לְכַפּוּף לְהָהוּא נַחֲשׁ, דְּהָא לֹא יָכִיל לְשִׁלְטָאָה כְּמָה דְּהוּי.

46. דְּכִתְיִב, וַיִּקַּח אֲבְרָם אֶת שְׂרַי אִשְׁתּוֹ וְגו', דָּא גּוּפָא, דְּאִיהוּ לְגַבֵּי נְשִׁמְתָא, כְּנוֹקְבָא לְגַבֵּי דְכוּרָא. וְאֵת לוֹט בֶּן אַחִיו, דָּא נַחֲשׁ, דְּלֹא אֶעְדִּי כָּל כֶּךָ מִן גּוּפָא, בְּגִין דְּדַבְּקוּתָא דְּגוּפָא, לֹא אֶעְדִּיו כָּל כֶּךָ מִנֵּיהּ, אֲבָל אֲתַעֲרוּתָא דְּנְשִׁמְתָא אֶלְקִי לִיהּ תְּדִיר, וְאַתְרֵי בֵּיהּ, וְאוֹכַח לִיהּ, וְכַפִּיף לִיהּ, עַל כְּרַחֲמֵיהּ, וְלֹא יָכִיל לְשִׁלְטָאָה.

47. "And all their substance that they had gathered..." refers to the good deeds that a person performs in this world because of the awakening of the soul. "And the souls (Nefesh) that they had made in Charan..." REFERS TO that Nefesh, which at first was attached to the foreskin of the body and clung to it and which later was amended BY THE NESHAMAH. IT IS DESCRIBED BY THE WORDS, "AND THE NEFESH THAT THEY HAD MADE IN CHARAN," WHICH REFER TO THE CRAVING NEFESH, WHICH FEELS GREAT ATTACHMENT TO THE LUST OF THE BODY AND THE KLIPOT. So after thirteen years, when the Neshamah is aroused to amend the body, both THE NESHAMAH AND THE BODY amend that Nefesh that participated in the harsh JUDGMENTS of the serpent and its evil desires. As it is written: "and the Nefesh that they had made in Charan..." THE REASON WHY "THEY HAD MADE" IS WRITTEN IN THE PLURAL IS BECAUSE IT REFERS TO THE NESHAMAH AND THE BODY, WHICH TOGETHER AMEND THE NEFESH-THE NESHAMAH BY AWAKENING THE BODY, AND THE BODY BY ITS GOOD DEEDS.

48. With all of this, the Neshamah continues to attack the serpent in order to break it, so that it will surrender and be enslaved under the influence of repentance. Therefore, it is written: "And Avram passed through the land to the place of Shchem" (Beresheet 12:6), BECAUSE SHCHEM IS THE DWELLING PLACE OF THE SHECHINAH. AND THAT IS BECAUSE THE POWER OF THE SERPENT HAS ALREADY BEEN COMPLETELY BROKEN BY THE NESHAMAH. (End of Sitrei Torah)

9. "So Avram departed, as Hashem had spoken to him..."

It's explained that every man has angels who accompany him everywhere, recording every single action and deed, large and small. The Final Day of Judgment is then spelled out by the Zohar: The angels come forth during this time and present a list of all our actions, positive and negative, so that we can acknowledge them. The Zohar goes on to declare that no matter how negative a person's actions might become, we should never cast them aside and disregard them.

The Relevance of this Passage

Mankind's nature is to disregard or justify its insensitive and intolerant behavior. Regardless, we are eventually held accountable for all of our actions. An awareness of the gravity and severity of our negative behavior, even the most minute behavioral actions, is imbued into our consciousness by virtue of this passage. This will inspire us to treat others with the same compassion and tolerance that we desire.

49. Rabbi Elazar said, Come and behold, It is not written: "So Avram left, as Hashem had spoken to him," but rather that Avram "departed (lit. 'went') (Heb. vayelech)," as it is written: "Get you out" (Heb. lech lecha). This is so written because they had already left, as it is written: "and they went out with them from Ur Casdim to go to the land of Cna'an." Therefore, it is written: "departed" rather than "left."

50. "As Hashem had spoken to him..." THIS MEANS according to all the promises He gave him. The words, "and Lot went with him," mean that Lot accompanied Avraham to learn from his behavior. Even so, Lot did not learn much. Rabbi Elazar said: Happy are the righteous who study the ways of the Holy One, blessed be He, in order to follow them and be in awe of Him-in awe of that day of judgment when man will have to account for his deeds before the Holy one, blessed be He.

47. וְאֵת כָּל רְכוּשָׁם אֲשֶׁר רָכְשׁוּ, אֵלֶיךָ עֹבְדִין טְבִין דְּעֵבִיד בְּרַ נֶשׁ, בְּהַאי עֲלָמָא, בְּאַתְעָרוּתָא דְנִשְׁמָתָא. וְאֵת הַנֶּפֶשׁ אֲשֶׁר עָשׂוּ בַחֲרָן. הֵהוּא נֶפֶשׁ, דְּהוּת בְּקַדְמִיתָא בְּדַבְּקוּתָא בַחֲבֵרוּתָא דְהֵיָא עֲרָלָה, בְּהַדִּי גּוּפָא, וְאַתְקִין לָהּ לְבַתֵּר, דְּהָא לְבַתֵּר דְתִלְיִסֵּר שְׁנִין וְלַעֲיִלָא, דְנִשְׁמָתָא אֲתַעֲרַת, לְאַתְקֵנָא לְגּוּפָא, תְּרוּוּיָהּ מִתְקַנֵּין לְהֵהוּא נֶפֶשׁ, דְמִשְׁתַּתְּמָא בְתוּקְפָא דְנַחֲשׁ, וְתַאוּבְתִּיהָ בְיֹשָׁא, הַה"ד וְאֵת הַנֶּפֶשׁ אֲשֶׁר עָשׂוּ בַחֲרָן.

51. He opened the discussion, saying: "He seals up the hand of every man; that all men whom He has made may know His work." (Iyov 37:7). This passage has already been explained. But come and behold: When the days of man are over and he is about to leave this world, on that day when the body is broken and the soul has to leave it, then that person is permitted to see what he has not been able to see when the body was in control, and he understands things completely.

52. Three messengers stand over him and take an account of his days and his sins and all that he has done in this world. And he openly admits everything, and after that he signs it, THE ACCOUNT, with his hand. As it is written: "He seals up the hand of every man..."

53. And all DEEDS AND SINS are signed with his hand, so a man can be judged for all of his actions in this world, the early and the recent, the old and the new-not even one of them is forgotten. Therefore, it is written: "that all men whom He has made may know His work." JUST AS all of the actions he committed in this world WERE together in body and in spirit, so he must account FOR THEM WHILE HE IS STILL together in body and spirit, before he leaves this world.

54. Come and behold: Just as the sinners are stiff-necked in this world, so are they stiff-necked when they are about to leave this world. Therefore, blessed is that person who studies the ways of the Holy One, blessed be He, while in this world, so that he may follow them. But the wicked person, even though he sees these righteous people, stiffens his neck and refuses to learn from them.

55. This is why the righteous man must hold on to him and not let go, even though the wicked person "stiffens his neck." The righteous man should hold him tight by the hand and not leave him alone, because if he lets him go, the wicked person will go and destroy the world.

56. Come and behold: We see examples in the case of Elisha who thrust away Gehazi, and in the case of Avraham and Lot. As long as Lot was with Avraham, Lot did not associate with the wicked. But as soon as he left him, it is written: "Then Lot chose him all the plain of Yarden (Jordan)...and pitched his tent toward Sdom" (Bereshheet 13:11-12), followed by "And the men of Sdom were wicked and sinners before Hashem exceedingly" (Ibid. 13). SO WE SEE THAT HE DID JOIN THE WICKED!

57. Rabbi Aba said TO RABBI ELAZAR: You noted that it is written: "Avram went," rather than 'Avram left,' BECAUSE THEY HAD ALREADY LEFT. This is well but at the end of the verse, it is written: "when he departed out of Charan..." SO THE VERSE DOES MENTION LEAVING--EVEN THOUGH HE HAD ALREADY LEFT. Rabbi Elazar responded that it is written "out of Charan," but the main departure was that from the land of his birthplace, which had already occurred. THIS IS NOT THE SAME AS THE DEPARTURE FROM CHARAN THAT IS MENTIONED TOGETHER WITH "GET YOU OUT." SO WE MAY SAY HERE "WHEN HE LEFT CHARAN."

57. אָמַר רַבִּי אֲבָא, הָאִי דְאָמַרְתָּ וַיֵּלֶךְ אַבְרָם, וְלֹא כְתִיב וַיֵּצֵא אַבְרָם, שְׁפִיר הוּא. אָבֵל, סוּפָא דְקָרָא, מַה כְּתִיב, בְּצֵאתוֹ מִחָרָן. אָמַר רַבִּי אֲלֶעָזָר, מִחָרָן כְּתִיב, וְהָיָא יֵצִיאָה מֵאֶרֶץ מוֹלַדְתּוֹ הוּת בְּקַדְמִיתָא.

10. "And Avram took Sarai his wife..."

When a person influences another individual in a positive way, that measure of positive influence is credited for all eternity. Moreover, when the second individual utilizes that same positive influence to then affect others, the positive energy generated is also accrued to the original person. This same principle holds true with all of our negative actions.

The Relevance of this Passage

Our inability to perceive the far-reaching implications of our actions, allows us to behave wantonly and with disregard for others. These verses give us the understanding and enlightenment to foresee all the repercussions associated with our behavior, motivating us to constantly improve our ways through continued spiritual development.

58. "And Avraham took Sarai his wife" (Beresheet 12:5). IN THIS VERSE, THE WORD "took" means that Avraham persuaded her to come with soft words, because a man cannot take his wife to another country without her agreement. Similarly, it is written: "Take Aharon" (Bemidbar 20:25) and "Take the Levites" (Bemidbar 3:45). This is why "And Avram took" MEANS THAT he persuaded her with words, telling her how evil were the ways of their generation. Therefore it is written: "And Avram took Sarai his wife."

58. וַיִּקַּח אַבְרָם אֶת שְׂרַי אִשְׁתּוֹ. מִהוּ וַיִּקַּח, אֵלָא, אֲמַשִּׁיךְ לָהּ בְּמַלְי מַעֲלִייתָא, בְּגִין דְּלִית לִיהּ רְשׁוּ לְב"נ לְאַפְקָא אֶתְתִּיהּ, לְמִיָּהֵךְ בְּאַרְעָא אַחְרָא בְּלֹא רְעוּתָא דִּילָהּ. וְכֵן הוּא אוֹמֵר קַח אֶת אֶהְרֹן. קַח אֶת הַלְוִיִּם. וּבְגִין כְּרוּיִקַּח אַבְרָם. מְשִׁיךְ לָהּ בְּמַלְיָן, וְאוֹדַע לָהּ אֶרְחִיהוּן דְּאִינוּן בְּנֵי דְרָא, כְּמַה בִּישְׁיָן. וּבְגִין כֵּן וַיִּקַּח אַבְרָם אֶת שְׂרַי אִשְׁתּוֹ.

59. Of the verse, "And Lot his brother's son," HE ASKS: What did Avraham see that made him take Lot with him? AND HE REPLIES: He foresaw through the Holy Spirit that David shall issue from him in the future. The words, "and the souls that they had made in Charan," refer to the male and female converts whose souls they amended. Avraham converted the men, while Sarah converted the women. FOR THIS REASON, the verse is written as if they had "made" them.

59. וְאֵת לוֹט בֶּן אַחִיו. מַה חָמָא אַבְרָהָם לְדַבְקָא עִמָּיהּ לוֹט. אֵלָא בְּגִין דְּצַפָּה בְּרוּחַ הַקֹּדֶשׁ, דְּזָמִין לְמִיפְקַ מְנִיָּה דְּדוּד. וְאֵת הַנְּפֹשׁ אֲשֶׁר עָשׂוּ בְּחָרָן. אֵלִין גְּרִים וְגִיּוּרֹת דְּאֶתְקִינוּ נַפְשֵׁיהוּ, אַבְרָהָם מְגִייר גּוֹבְרִין, וְשָׂרָה מְגִיירַת נְשִׁין. וּמַעֲלָה עֲלִיהוּן כְּאִלוּ עָבְדוּ לְהוּן.

60. Rabbi Aba said: If so, then there were a lot of people-- REFERRING TO THE CONVERTS. HOW can we say that they all left with him? Rabbi Elazar responded: Indeed so! And because of this, all the people who went with him are called "the people of the Elohim of Avraham" (Tehilim 47:10). And he traveled through the country with no fear, as it is written: "And Avram passed through the land."

60. אָמַר רַבִּי אֲבָא אִי הָכִי, כְּמַה בְּנֵי נְשָׂא הוּוּ, אִי תִימָא דְּכָלְהוּ אָזְלוּ עִמָּיהּ. אָמַר רַבִּי אֲלֶעָזָר אִין. וּבְגִין כֵּן כָּלְהוּ בְּנֵי נְשָׂא, דְּהוּוּ אָזְלִין עִמָּיהּ, כָּלְהוּ אֶקְרוּן עִם אֱלֹקֵי אַבְרָהָם. וְהוּוּ מַעְבֵּר בְּאַרְעָא, וְלֹא הוּוּ דְּחִיל. דְּכְתִיב וַיַּעֲבֵר אַבְרָם בְּאֶרֶץ.

61. Rabbi Aba said to him: If it had been written, 'and souls that they had made in Charan,' then he would have agreed THAT BECAUSE OF THEIR GREAT NUMBERS AVRAHAM HAD NO FEAR WHEN PASSING THROUGH THE LAND. But, he said, it is written: "and the (Heb. et) souls", in which the particle Et serves as an addition to the merits of those souls that went along with him. IT IS FOR THIS REASON THAT AVRAHAM WAS ABLE TO PASS THROUGH THE LAND WITH NO FEAR. Because he who leads his friend to meritorious conduct benefits always from that conduct and the benefit never leaves him. How do we know this? Because it is written: "And the souls that they had made in Charan." The merit of these souls accompanied Avraham.

61. אָמַר לְרַבִּי אֲבָא, אִי הוּוּ כְּתִיב, וְהַנְּפֹשׁ אֲשֶׁר עָשׂוּ בְּחָרָן. הוּוּ אִימִנָא הָכִי, אֵלָא, וְאֵת הַנְּפֹשׁ כְּתִיב, אֵת לְאַסְגָּאָה, זְכוּתָא דְּכָלְהוּ נַפְשָׁאן, דְּהוּוּ אָזְלִין עִמָּיהּ, דְּכָל מֵאן דְּמִזְכֵּה לְאַחְרָא, הוּוּא זְכוּתָא תְּלִיָא בֵּיהּ, וְלֹא אַעֲרִי מְנִיָּה. מְנָלָן, דְּכְתִיב, וְאֵת הַנְּפֹשׁ אֲשֶׁר עָשׂוּ בְּחָרָן. זְכוּתָא דְּאִינוּן נַפְשָׁן הוּוּ אָזְלִין עִמָּיהּ דְּאַבְרָהָם.

62. Of the words "Get you out," Rabbi Shimon asked, when the Holy One, blessed be He, first revealed himself to Avraham, why did He start with 'Get you out'? Until that time, the Holy One, blessed be He, had not spoken with Avraham. Therefore, why did He start with "Go for yourself"? Because the Hebrew words for "Go for yourself," which are lech lecha, have a numerical value of 100. By using these words, the Holy One, blessed by He, gave Avraham a hint that he would have a son in his hundredth year.

63. But come and behold: All that the Holy One, blessed be He, performs on earth is done according to Wisdom. Because Avraham was not yet attached to the Holy One, blessed be He, properly, He said to him "Go for yourself." This is a hint for that place and position that Avraham was expected to reach and that would bring him closer to the Holy One, blessed be He. This is why it is written: "Go for yourself." And that is the first grade that Avraham was to attain in coming to the Holy One, blessed be He.

64. But Avraham could not reach that grade and hold on to it until he entered the land of Yisrael, because that is where this level is achieved. It was similar with David, about whom it is written: "David inquired of Hashem, saying: Shall I go up to any of the cities of Yehuda? And Hashem said to him, 'Go up.' And David said: Where shall I go up? And Hashem said: 'to Chevron'" (II Shmuel 2:1). Since Shaul had died, and David was fit to receive the kingship, why then did he not receive the kingship over Yisrael immediately? WHY DID HE HAVE TO EXERCISE HIS RULERSHIP FOR SEVEN YEARS IN CHEVRON?

65. Everything, however, occurs by the secret of Wisdom. David was not ready to receive the kingship until he had connected himself to the Patriarchs buried in Chevron, through whom he was to receive the kingship. Therefore, he remained IN CHEVRON for seven years, until he was fit to receive the kingship properly. Thus, everything occurred by the secret of Wisdom so that his kingship would be properly established! The same applies to Avraham; he did not achieve complete fulfillment with the Holy One, blessed be He, until he entered the land of Yisrael.

66. See, it is written: "And Avram passed through the land." HE ASKS: WHY DOES THE VERSE READ "passed through (Heb. vaya'avor)" instead of 'went'? This is an allusion to the Holy Name--by which the world is sealed--that contains 72 engraved letters, all of which are within that name. VAYA'AVOR (VAV-YUD-AYIN-BET-VAV-RESH) CONSISTS OF TWO PARTS-RESH-YUD-VAV (NUMERICALLY=216) AND AYIN-BET (=72)-THAT REFER TO THE 216 LETTERS AND 72 NAMES. Thus, it is written in one place, "And... passed through," while it is written in another, "And Hashem passed by (Heb. vaya'avor) before him and proclaimed..." (Shemot 34:6) -- JUST AS THERE IT IS SPEAKING OF THE HOLY NAME OF AYIN-BET (72), SO TOO VAYA'AVOR HERE IS A REFERENCE TO THE HOLY NAME OF AYIN-BET (72).

62. לָךְ לָךְ. אָמַר רַבִּי שִׁמְעוֹן, מֵאֵי טַעְמָא דְגִלּוּיָא קְדָמָא, דְּאִתְגַּלִּי קְדָשָׁא בְּרִיךְ הוּא עֲלֵיהּ דְּאַבְרָהָם, פְּתַח בְּלָךְ לָךְ, דְּהָא עַד הֵכָא, לֹא מְלִיל עֲמִיּוּהַ קְדָשָׁא בְּרִיךְ הוּא, מ"ט פְּתַח לָךְ לָךְ. אֱלֹא, הָא קְאָמְרוּ, דְּרַמְזוּ בְּחוּשְׁבָנִיהּ מָאָה, דְּהָא לְמָאָה שְׁנִינן אֲתִיּוּלִיד לִיהּ בֵּר.

11. "And Avram passed through the land..."

The Zohar reveals a hidden mystery concerning all the travels of Avraham that are recorded in the Torah. The journeys are not concerned with geographical locations on Earth, but rather with the numerous spiritual levels to which our souls can ascend through personal transformation. The

many difficulties associated with battling the angel Satan and the dark side of our nature, are discussed by the Zohar-all of life's processes up to the point of death.

The Relevance of this Passage

Throughout the journey of life, we often veer off the positive track into negativity as we submit to the self-indulgent whims of the physical body and the dark side of our nature. The power of this passage lies in its ability to put us back on a spiritual path, connecting us to the will of our soul.

67. In the book of Rabbi Yesa Saba (the elder), it states: It is written, "And Avram passed through the land," while elsewhere it is written: "I will make all My goodness pass before you" (Shemot 33:19). JUST AS THERE IT IMPLIES THE ENTIRE GOODNESS OF THE SUPERNAL PLACE, WHICH IS BINAH, SO THE IMPLICATION IS THE SAME HERE- it gives a hint about the holiness of the land, which emanates from a supernal place in all its proper GOODNESS. THIS REFERS TO MALCHUT THAT ENCLOSES BINAH PROPERLY AND RECEIVES ITS LIGHTS.

68. "To the place of Shchem to the plain of Moreh" MEANS from one side to the other side, as was befitting. "And the Can'ani were then in the land," WHICH IS THE SECRET OF THE EVIL SERPENT. It has been explained that at that time the curse of the evil serpent dominated the land, and the world was cursed. As it is written: "Cursed be Cna'an; a servant of servants shall he be to his brethren" (Bereshheet 9:25), and also "you are cursed above all cattle" (Bereshheet 3:14). When Avraham came close to the Holy One, blessed be He, it is written: "And Hashem appeared to Avram" (Bereshheet 12:7). Now was revealed to him that which he did not know, because of the profound force that governed the land. Thus appeared to him what had been concealed from him, and he was able to understand it.

69. Then "he built an altar to Hashem, who had appeared to him." Why were the words "who had appeared to him" added? Because here the grade, which was in dominion over the land, appeared to him. He entered it, rose through it, and was established in it.

70. "And he moved from there to the mountain" (Bereshheet 12:8), where he recognized the mountain of Hashem and all the grades planted on that place. "And pitched his tent," (Heb. ohaloh) WHICH ALLUDES TO THE NUKVA, AS 'OHALOH' IS NOT SPELLED WITH A VAV BUT WITH A HEI. Thus he spread a curtain and received the kingdom of heaven, along with all the grades that come from it. He then knew that the Holy One, blessed be He, rules over all, and he built an altar.

71. There were actually two altars, because here the Holy One, blessed be He, appeared to him as the ruler over all. He now acquired knowledge of the supernal wisdom, which he had not previously attained. He therefore built two altars-one for the grade that appeared WORLD, and one ALTAR to the grade still hidden. Come and behold: It is written first, "and there he built an altar to Hashem, who had appeared to him", and later just "and there he built an altar to Hashem," without adding "who appeared to him." And all this is according to the secret of Wisdom.

67. בְּסִפְרָא דְר' יֵיסָא סָבָא, כְּתִיב הִכָּא וַיַּעֲבֵר אַבְרָם בְּאַרְץ. וְכְתִיב הֵתֵם אֲנִי אֶעֱבִיר כָּל טוֹבִי. וְהוּא רְמֵז לְקְרוּשָׁה דְאַרְעָא, דְאַתִּי מֵאַתֵּר עֲלָאָה, בְּדָקָא חֲזִי.

72. Avraham was then crowned from grade to grade, until he ascended to his own grade. This is the meaning of "And Avram journeyed, going on still toward the Negev." This is the south, BECAUSE HE WANTED TO ATTAIN THE GRADE OF CHESED OF ZEIR ANPIN CALLED SOUTH, Avraham's portion. THIS MEANS HE WAS DESTINED TO BECOME A CHARIOT TO THE SFIRAH OF CHESED OF ZEIR ANPIN, AND HENCE HE IS "going on still," grade after grade, until he reached the south, where he was properly attached, NAMELY, HE FIXED HIMSELF, SO HE COULD HOLD TO THE GRADE OF CHESED PERMANENTLY. HE THEN ascended to the south's grade, THAT IS, HE DESERVED TO BE A CHARIOT OF CHESED OF ZEIR ANPIN CALLED 'SOUTH.'

73. After Avraham was crowned with his grades in the Holy Land-- THE SECRET OF THE MOCHIN FROM THE REVEALED WORLD, RACHEL, CALLED 'THE HOLY LAND'--and entered the holy grade-- THAT IS, THE GRADE OF CHESED, AND THE ASPECT OF THE HIDDEN WORLD, LEAH-- then it is written: "And there was famine in the land" (Beresheet 12:10), WHICH MEANS THAT they were not sure how to approach the Holy One, blessed be He, AS IN THE SECRET OF THE VERSE "NOT A FAMINE FOR BREAD, NOR A THIRST FOR WATER, BUT FOR HEARING THE WORDS OF HASHEM" (AMOS 8:11).

74. "And there was famine in the land" because until then the power ruling over the land did not supply the land with strength and nourishment. This occurred because THE NUKVA was not completely built and not PROPERLY established. When Avraham saw that the power appointed over the land did not supply it with might and holy strength as it merited, then "Avram went down to Egypt to sojourn there" (Beresheet 12:10).

75. IT IS ASKED: How did Avraham know THAT THE LAND, THE NUKVA, WAS STILL LACKING CORRECTION? From the verse, "To your seed I will give this land." IT DID NOT SAY, 'TO YOU AND YOUR SEED WILL I GIVE THIS LAND.' Avraham then knew that the only way to amend the land was through the holy grades of his descendants. THEREFORE, IT IS WRITTEN: "TO YOUR SEED I WILL GIVE THIS LAND," AND NOT TO HIMSELF. Avraham then understood the secret of Wisdom, WHEREFORE the land will not be properly mended in holiness, except as we have said. HE THEREFORE WENT DOWN TO EGYPT, FROM THERE TO CORRECT THAT WHICH WAS LACKING.
Gilayon (Interpolation)

76. The Holy One, blessed be He, alluded to the supernal Wisdom through Avraham and Yitzchak; Avraham is the Neshamah of Neshamah, NAMELY THE LIGHT OF CHAYAH. Sarah is the Neshamah, and Lot is the serpent, the spouse of Samael. The holy Ruach is Yitzchak; the Holy Nefesh is Rivkah. The Evil Inclination is the bestial Nefesh. And concerning this King Solomon said in his wisdom, "Who knows whether the spirit of man goes upwards, and the spirit of the beast goes downwards" (Kohelet 3:21). The bestial Nefesh is the Nefesh that comes from the side of the Evil Inclination.

72. וכדין אתעטר אברהם מדרגא לדרגא, עד הסליק לדרגיה, הה"ד ויסע אברם הלוך ונסוע הנגבה. דא דרום, דהוא חולקיה דאברהם. הלוך ונסוע. דרגא בתר דרגא עד הסליק לדרום, ותמן אתקשר בדקא יאות, וסליק לדרגיה לדרום.

75. מנא ידע אברהם. דכתיב לזרעך נתתי את הארץ הזאת. כדין ידע אברהם, דהא ארעא לא אתתקנא בתקנא קדישא, אלא בדרגין קדישין, דיפקון מניה. וכדין ידע אברהם, דזא דחכמתא, דארעא לא תתקן בקדושה, אלא בדאמרן.

76. קדשא ברין הוארמיז חכמתא עלאה, באברהם וביצחק. אברהם דא נשמטא לנשמטא, ואיהי נשמה דא היא שרה. לוט דא הוא נחש, ובת זוגיה דההוא סמא"ל. רוח קדישא דא יצחק. נפש קדישא דא רבקה. יצר הרע, דא רוח הבהמה, ועל דאמר שלמה בחכמתיה, מי יודע רוח בני האדם העולה היא וגו'. נפש הבהמית, דא נפש מסטרא דיצר הרע.

77. And this is what they meant by saying that the Neshamah of Neshamah rests upon a person who feels awe and has Wisdom, MEANING THAT IT IS RECEIVED FROM THE SFIRAH OF CHOCHMAH WITH WISDOM AND AWE. The Neshamah reaches a person in Binah, as it is written: "And to man He said: Behold the fear of Hashem, that is wisdom (Heb. Chochmah)" (Iyov 28:28). THEREFORE THE NESHAMAH OF NESHAMAH COMES TO A PERSON ONLY THROUGH AWE AND WISDOM. The Neshamah comes to a person through repentance, which is called 'Binah' and 'Sarah'. The Ruach is called 'the voice', and is also called 'Da'at.' And this is drawn down to a person who raises his voice in Torah. THE RUACH IS also called the written Torah, and all the positive deeds come from the mental Nefesh.

78. In a similar way, the Holy One, blessed be He, created the body from the four elements--namely, Fire, Air, Earth and Water, which correspond to the Neshamah of Neshamah, the Neshamah, the Ruach, and the Nefesh. SO THE NESHAMAH OF NESHAMAH IS THE SECRET OF WATER; THE NESHAMAH IS THE SECRET OF FIRE; THE RUACH IS THE SECRET OF AIR; AND THE NEFESH IS THE SECRET OF EARTH. Water- which is the aspect of the male-REFERS TO THE NESHAMAH OF NESHAMAH THAT COMES FROM CHOCHMAH AND refers to the sweet waters of holiness. The contrasting bitter waters represent the Evil Inclination, WHICH IS THE SECRET OF SAMAEL. The holy fire-which is the aspect of the female-REFERS TO THE NESHAMAH THAT COMES FROM BINAH. IN CONTRAST, there is the foreign fire, to which the words "that he come not at all times to the holy place" (Vayikra 16:2) apply. And this is the female of the Evil Inclination, NAMELY THE SERPENT, WHICH IS THE NUKVA OF SAMAEL. The holy Ruach is the aspect of the Male-SIMILAR TO THE RUACH THAT COMES FROM THE SFIRAH OF DA'AT. IT CONTRASTS WITH the unholy Ruach, which is the Evil Inclination. As it is written: "for out of the serpent's root shall come forth a viper" (Yeshayah 14:29). THIS REFERS TO THE BESTIAL RUACH, WHICH IS CALLED A 'VIPER', AND IS AN OFFSPRING OF THE SERPENT OF THE UNHOLY SIDE, NAMELY BINAH OF THE UNHOLINESS. THIS IS WHY THE VERSE SAYS: "OUT OF THE SERPENT'S ROOT SHALL COME FORTH A VIPER." There is holy Earth, SIMILAR TO THE NEFESH THAT COMES FROM THE LEFT SIDE OF DA'AT. AND IN CONTRAST, there is an Unholy Earth, NAMELY THE BESTIAL NEFESH, WHICH COMES FROM THE EVIL INCLINATION.

79. Therefore, the Neshamah, which is repentance-NAMELY BINAH-attacks and overcomes the serpent by the power of enslavement that belongs to repentance. And it drags the serpent to the synagogue and the learning academies. And the four elements THAT ARE THE FOUR ASPECTS OF CHOCHMAH, BINAH, TIFERET AND MALCHUT, expand to 22 letters, THAT COME FROM THE FIVE POINTS OF ARTICULATION OF THE MOUTH Aleph-Chet-Hei-Ayin FROM THE THROAT; Bet-Vav-Mem-Pe FROM THE LIPS; Gimel-Yud-Caf-Kuf FROM THE PALATE; Dalet-Tet-Lamed-Nun-Tav FROM THE TONGUE; AND Zayin-Samech-Shin-Resh-Tzadik FROM THE TEETH. THESE FIVE POINTS OF ARTICULATION OF THE MOUTH ARE EQUIVALENT TO KETER, CHOCHMAH, BINAH, TIFERET, AND MALCHUT, WHICH ARE THE FOUR ELEMENTS OF WATER FIRE, AIR, AND EARTH. THIS IS WHY HE SAYS THAT THE FOUR ELEMENTS, WHICH ARE THE SECRET OF THE FIVE POINTS OF ARTICULATION OF THE MOUTH, EXPAND TO 22 LETTERS.

80. The verse, "And Avram passed through the land to the place of Shchem," alludes to the synagogue, the place where the Shechinah resides. As it is written: "Moreover I have given to you one portion (Heb. shchem)" (Bereshheet 48:22), SO SHCHEM is the Shechinah, which is fit for YOSEF, as he is called 'righteous.' Because righteousness, WHICH IS THE SHECHINAH, does not reside anywhere else but in the righteous, WHO IS YOSEF. This is the meaning of "to the place of Shchem," REFERRING THE PLACE OF THE SHECHINAH-TO THE SYNAGOGUE. "To the plain of Moreh" alludes to Torah-learning academies, where they teach and instruct Torah to the public.

81. "And the Cna'ani was then in the land" means that the Evil Inclination was sweetened and amended in spite of itself, in the body WHICH IS CALLED THE LAND. DO NOT BE SURPRISED THAT THE EVIL INCLINATION IS CALLED 'CNA'ANI', because it has many names. "Was then in the land" is certainly against its will, AS IT IS STILL IN THE BODY, WHEN THE SOUL, WHICH IS THE SECRET OF AVRAM, SHINES THROUGH IT. The serpent is not yet completely removed from the body. Therefore, because the body is still attached TO THE SERPENT, the "Cna'ani was then in the land." Why is it called the "Cna'ani?" Because it surrounds (Aramaic aschar) the body with evil judgments. AS THE WORD CNA'ANI MEANS A MERCHANT (HEB. SOCHER), AS IT IS WRITTEN: "HIS TRUTH SHALL BE YOUR SHIELD AND BUCKLER (HEB. SOCHERAH)" (TEHILIM 91:4).

82. The soul is properly established in this world, so that we can merit receiving it after it leaves the world. If a soul has merit, it returns to the place from whence it came. As it is written: "To the place of the altar, which he had made there in the beginning" (Bereshheet 13:4), and "to the place where his tent (Heb. ohaloh) had been at the beginning..." (Ibid. 3). Ohaloh is spelled with an additional Hei, WHICH REPRESENTS THE SHECHINAH.

83. Now, IN THIS WORLD, it is LOCATED IN THE MIDDLE-between rising upward TO THE PLACE FROM WHENCE IT CAME, and descending downward TO THE PLACE OF PUNISHMENTS. IN OTHER WORDS, between Bet-EI, WHICH IS UP, and Ay, WHICH IS DOWN AT THE PLACE OF PUNISHMENTS. If it has merit, it will rise up "to the place of the altar, which he had made..." SO ACCORDING TO THIS, HE ASKS: Who is 'he' who 'had made,' and what is 'the altar'? AND HE REPLIES: "...he had made there" applies to the Holy One, blessed be He, who had made that altar, WHICH IS THE SHECHINAH, and established it upon twelve stones, "according to the number of the tribes of the sons of Ya'akov, to whom the word of Hashem came, saying, Yisrael shall be your name" (I Melachim 18:31), for sure.

84. And this altar, WHICH IS THE SHECHINAH, "he had made there at first," when the upper world, which is concealed from all other worlds, was created. And Michael-THE ANGEL, the High Priest-stands high and sacrifices upon it the offerings of the souls OF THE RIGHTEOUS. And since the soul ascends there and rises up AS AN OFFERING, it is written: "and there Avram called in the name of Hashem" (Bereshheet 13:4). The soul calls there IN THE NAME OF HASHEM and is attached to the bundle of life.

85. All this happens if THE SOUL merited to amend the body in this world and overcome the power of that cursed being, NAMELY THE EVIL INCLINATION THAT IS CALLED LOT, until it is separated from it. As it is written: "And there was strife between the herdsmen of Avram's cattle (WHICH IS THE SOUL) and the herdsmen of Lot's cattle, (WHICH IS THE EVIL INCLINATION)" (Beresheet 13:7). Because in this world, on each and every day, those camps and rulers from the side of the soul are in strife with the camps and rulers from the side of the body, and they fight with each other-- while all the parts of the body are trapped in agony between them, between the soul and the serpent, between those forces that fight each other every day.

86. Thus it is written: "And Avram said to Lot" (Beresheet 13:8) that the soul answered the Evil Inclination, "Let there be no strife, I pray you, between me and you, and between my herdsmen and your herdsmen." IN OTHER WORDS, between my camps and your camps "for we are brethren"; because the Good Inclination and the Evil Inclination are close to each other, the one to man's right and the other to his left. THE EVIL INCLINATION IS TO HIS LEFT AND THE GOOD INCLINATION TO HIS RIGHT.

87. "Is not the whole land before you? Separate yourself, pray you, from me..." (Ibid. 9). There are a lot of wicked men in the world; go and chase after them and leave me alone. "If you will go to the left, then I will go to the right..."; it reproves and annoys it with many fights and arguments every day, until, as it is written: "and they separated themselves the one from the other" (Ibid. 11).

88. Since they have separated themselves from each other, it is written: "Avram dwelt in the land of Cna'an" (Beresheet 13:12), WHICH MEANS THAT the soul has settled among the righteous in a good and peaceful settlement. "And Lot dwelt in the cities of the plain" MEANS THAT the cursed adversary went to prosecute and join the wicked in their dwellings. As it is written: "and pitched his tent toward Sdom," followed by: "And the men of Sdom were wicked and were sinners before Hashem exceedingly" (Beresheet 13:13). There he dwelt and set his residence among them; he joined them, so that he could deceive them and destroy them by evil deeds.

89. As the adversary leaves the soul and the body is purified from that defilement, the Holy One, blessed be He, immediately takes up residence beside him, and he inherits the upper and lower portion and is delighted among the righteous. While that cursed one-- REFERRING TO LOT--is among the wicked and they sin together with him until finally they cannot be redeemed from their sins.

85. וְכֹל דָּא אֵי זָכָא בְּהַאי עֲלָמָא, לְאַתְקָנָא גּוּפָא בְּדָקָא יָאוּת, וְלֹאכְפִּיָּא תּוּקְפָא דְּהֵהוּא לְטִיבָא, עַד דְּאַתְפְּרִישָׁא מְנִיָּה. מַה כְּתִיב, וַיְהִי רִיב בֵּין רוּעֵי מְקַנְהַ אַבְרָם וּבֵין רוּעֵי מְקַנְהַ לוֹט. דְּבִכְל יוּמָא וַיּוּמָא, בְּהַאי עֲלָמָא, אֵינּוּן סִיעֵן וּמְנַהֲיָגִין דְּנִשְׁמַתָּא, וְאֵינּוּן סִיעֵן וּמְנַהֲיָגִין דִּיצַר הָרַע, אֵינּוּן בְּקִטְרָגָא, מְקִטְרָגִין אֵלִין בְּאֵלִין, וְכֹל שְׂיִיפִין דְּגּוּפָא בְּצַעְרָא בִּינִיָּהוּ, בֵּין נִשְׁמַתָּא, וְהֵהוּא נַחֵשׁ, דְּקָא מְגִיחִין קִרְבָּא בְּכָל יוּמָא.

90. It is then written: "And when Avram heard that his brother was taken captive..." (Beresheet 14:14). "And when Avram heard" refers to the soul which remained purified in the body. "That his brother was taken captive" refers to the Evil Inclination, which was taken captive among the wicked by their innumerable sins. "And he armed his trained servants, born in his own house," means the righteous men who learn Torah and are the limbs of the body. THE LIMBS OF THE BODY ARE LIKENED TO RIGHTEOUS MEN WHO LEARN THE TORAH, armed to join him. They number three hundred and eighteen-248 limbs of the body and 70 that belong to the secret of the soul. THESE CORRESPOND TO THE SEVEN SFIROT OF ZEIR ANPIN, IN WHICH EACH ONE IS THE NUMBER TEN. The soul comes from THE SEVEN SFIROT OF ZEIR ANPIN. SO 248 PLUS SEVENTY EQUALS THREE HUNDRED AND EIGHTEEN. He was armed with all these to confront those sinners-to make them repent and atone for their sins.

91. Then, it is written: "and pursued them to Dan (also, judge)." This means he pursued them and told them about the judgment of the World of Truth and the punishment of Gehenom. And he did not allow his eyes to sleep, neither during the day nor at night, until he reproved the sinners and brought them to atone and ask for forgiveness from the Holy One, blessed be He. It is written: "And he brought back all the goods..." (Beresheet 13:16), because he brought them to atone completely for their sins!

92. The words "And also brought again his brother Lot" mean that he even attacked that Evil Inclination, WHICH IS CALLED LOT, until he overcame it by force against its will and weakened it, as should be. He brought them all to wholeheartedly atone for their sins, as should properly be. He reproved and reprimanded them day and night for every single sin they performed, until they repented completely.

93. Let us return to the first subject of this passage, where it is written: "The watchmen that go about the city found me..." (Shir Hashirim 5:7). We have learned that the Holy One, blessed be He, constructed the celestial Jerusalem, NAMELY BINAH, TO BE just like the terrestrial Jerusalem; NAMELY MALCHUT, with walls, towers, and open gates. And those walls there-THE WALLS IN BINAH AND MALCHUT-have guards stationed upon them. As it is written: "I have set watchmen upon your walls, Jerusalem..." (Yeshayah 62:6). And Michael, the High Priest, is the highest of the gate watchmen.

94. When the soul leaves this world, MEANING AS A PERSON DIES, if that person has merit, the soul enters the earthly Garden of Eden, which the Holy One, blessed be He, planted for the spirits of the righteous MEN OF EARTH, WHICH IS MALCHUT. Similarly, He created the Garden of Eden on high, WHICH IS BINAH, where all the righteous people of the world dwell.

95. So when the soul leaves this world, it FIRST enters the cave of Machpelah, where the opening leading to the Garden of Eden is located. Then it meets Adam and the Patriarchs who are there. If the soul is meritorious, they rejoice with it and open all the openings so the soul can enter them. If not, it is pushed outside. If it has merit it enters the Garden and sits there, it clothes itself with a garment in the image of this world and enjoys itself.

95. וְכִד נִשְׁמַתָּא נִפְקַת מֵהַאי עֲלָמָא, עֲאֵלְתָּ בְּמַעְרְתָּא דְכַפְלָתָא, דְתַמְנָן אִיהִי פְתִיחָא דְגֵן עֲרֵן. פְּגִיעַת בְּאָדָם הִרְאִישׁוֹן, וּבְאִינוֹן אֲבָהֵן דְתַמְנָן, אִי זְכָאת אִיהִי, חֲדָאן בָּהּ, וּפְתִיחִין לָהּ פְתִיחִין, וְעֲאֵלְתָּ. וְאִי לֹא, דְחִינִין לָהּ לִבְרֵי. וְאִי זְכָאת, עֵיילַת לְגַנְתָּא דְעֲרֵן, כִּינֵן דְעֵיילַת, יִתְבָּא תַמְנָן בְּגַנְתָּא, וְאִתְלַבְּשַׁת תַמְנָן, בְּלְבוּשָׁא דְרִיוּקְנָא דְהַאי עֲלָמָא, וְאִתְעַדְנַת תַמְנָן.

12. The three levels: Nefesh, Ruach, and Neshamah

There are three levels of soul that we can learn to achieve throughout life. We are born into this world with the lowest level of soul. The next two higher levels are attained by way of spiritual accomplishments that we achieve in the course of life.

The Relevance of this Passage

Left to his own devices, man would remain enslaved to the primal urges and impulses of the body, the lowest level of soul. Therefore, the energy of this passage infuses us with the strength to help us climb towards the next level of soul.

96. The secret of all secrets is passed on to those who are wise in their hearts. There are three levels that are attached to each other, and they are Nefesh, Ruach, and Neshamah. Nefesh is the force from which the body is built. When a man is aroused in this world to mate with his wife, all parts of the body agree on this and are prepared to receive enjoyment from it. Then the Nefesh and the desire of the person indulge willingly in that act. The Nefesh is drawn down and enters the sperm that comes forth.

96. סְתָרָא דְסִתְרִין, לְחַכְיָמֵי לְבָא אֲתַמְסֵר, תְּלַת דְרִגִין אִינוֹן, דְאֲחִיזִין דָּא בְדָא, וְאֵלִין אִינוֹן: נֶפֶשׁ, רוּחַ, וְנִשְׁמָה. נֶפֶשׁ, אִיהוּ חֵילָא, דְגּוּפָא אֲתַבְּנֵי מְנִיָּה. דְכִד בְּרֵי נֶשׁ אֲתַעַר בְּהַאי עֲלָמָא, לְאִזְדוּגָא בְּנוֹקְבִיָּה, כָּל שְׂוִיפֵי מְסַתְבְּמֵי וּמַתְתַּקְנֵי לְאִתְהַנְּאָה תַמְנָן, וְהֵוּא נֶפֶשׁ וְרַעוּתָא דִּילֵיהּ, אֲסַתְבֵּם בֵּיהּ בְּהֵוּא עוּבְדָא, וּמְשִׁיךְ לֵיהּ לְהֵוּא נֶפֶשׁ, וְאֵעִיל לֵיהּ תַמְנָן בְּהֵוּא זְרַעָא דְאוּשִׁיד.

97. From the combination of that desire and the Nefesh, another power is drawn from the levels of the angels, who are called Ishim (people). They all enter as the sperm flows, and the body is then built and constructed of them. This is the first and lowest power of the three levels.

97. וּמְגוּ רַעוּתָא וּמְשִׁיכוּ דְנֶפֶשָׁא, דְמְשִׁיךְ תַמְנָן, אֲתַמְשֵׁךְ חֵילָא אוּחְרָא תַמְנָן, מֵאִינוֹן דְרִגִין דְאִתְקְרוּן אִישִׁים. וְעֵאל כְּלָא בְּמְשִׁיכוּ דְהֵוּא זְרַעָא, וְאִתְבְּנֵי מְנִיָּה גּוּפָא. וְדָא אִיהוּ חֵילָא קְדַמָּא תַתָּא, דְאִינוֹן תְּלַת.

98. And because the Nefesh offers a sacrifice by attaching itself to the foundation of the body, which is offered as a sacrifice to atone for the Neshamah, then part of it is offered to those grades that are considered as Ishim. Because part of the Nefesh, THE RUACH OF THE NEFESH, is drawn down from them. As it is written: "My offering and my bread for my fire (Heb. ishai)..." (Bemidbar 28:2), WHICH MEANS TO THE ISHIM. So, because it is an offering THAT COMES FROM THE POWER of the Nefesh, the Ishim take their part as well. THEIR SHARE IS DETERMINED BY THE AMOUNT ENCLOSED IN THE NEFESH THAT OFFERS THE SACRIFICE. And when one leaves this world, that Nefesh never leaves the grave. And because of the power OF THIS NEFESH THAT REMAINS IN THE GRAVE, the dead know and talk with each other.

98. וּבְגִין דְהַאי נֶפֶשׁ אֲקָרִיב, בְּדְבִקוּתָא וְיִסוּדָא דְגּוּפָא, קְרַבְנָא, דְאִתְקָרִיב לְכַפְרָא עַל נִשְׁמַתָּא, אֲתִיְהִיבַת חוּלְקָא לְאִינוֹן דְרִגִין דְאִישִׁים. וּבְגִין דְמְשִׁיכוּ דְחוּלְקָא דְהֵוּא נֶפֶשׁ אֲתִי מְנִיָּיהוּ. וְהֵינּוּ דְכְתִיב אֵת קְרַבְנֵי לְחַמֵי לְאִשֵׁי. בְּגִין דְהֵוּא כְפָרָה דְנֶפֶשׁ, נְטִילֵי חוּלְקֵיהוֹן. וְכִד מִית בְּרֵי נֶשׁ בְּהַאי עֲלָמָא, הֵוּא נֶפֶשׁ לֹא אֲתַעַדֵי מִן קְבָרָא לְעֲלָמִין. וּבְחֵילָא דָּא, יִדְעֵי מִתְיָא וּמְשַׁתְּעוּ דָּא עִם דָּא.

99. Ruach gives existence to the Nefesh in this world, AS IT DRAWS DOWN THE ABUNDANCE OF LIFE AND PASSES IT ON TO THE NEFESH. THIS IS THE MIDDLE LEVEL OF THE THREE. It is drawn by the arousal of the Nukva OF ATZILUT toward the male OF ATZILUT, when they are in a state of united passion, NAMELY, DURING THE ACT OF MATING. The female is aroused toward the male because of her passion to receive from him the LIGHT OF Ruach, just like a woman in this world who is inseminated by the power of her passion to RECEIVE FROM the man. And this is the secret of the words, "and the spirit (Ruach) shall return to the Elohim who gave it" (Kohelet 12:7). THIS MEANS THAT IT RETURNS TO THE NUKVA, WHICH IS CALLED BY THE NAME OF ELOHIM. AND EVEN THOUGH THE RUACH IS DRAWN FROM ZEIR ANPIN, WHICH IS CALLED YUD-HEI-VAV-HEI, NEVERTHELESS, BECAUSE IT IS THE RESULT OF THE AROUSAL OF THE FEMALE, SHE IS THEN CONSIDERED TO BE THE ROOT CAUSE OF IT. SO AFTER DEATH AND DEPARTURE FROM THE BODY, IT RETURNS TO HER.

100. And this Ruach, AFTER A PERSON'S DEATH, leaves this world and is separated from the Nefesh, WHICH REMAINS HOVERING OVER THE GRAVE, and it enters the Garden of Eden of this world. There, it clothes itself with the air of the Garden of Eden, just as the supernal angels do when they come down to this world. Then, they clothe and cover themselves with the air of this world, because they were created from that spirit (Ruach), as it is written: "Who makes the winds (also: spirits) his angels" (Tehilim 104:4).

101. And in the midst of the Garden, there stands a pillar embroidered with many colors. And when that Ruach wishes to rise up TO THE WORLD OF ATZILUT, it disrobes from that clothing, FROM THE AIR OF THE GARDEN OF EDEN, enters to the pillar, and ascends until it reaches the place from where it came, NAMELY THE NUKVA OF ATZILUT. As it is written: "and the spirit (Ruach) shall return TO THE ELOHIM, WHO GAVE IT."

102. And then, Michael, the High Priest, takes THE RUACH and offers it as a sacrifice of sweet savor to the Holy One, blessed be He, NAMELY ZEIR ANPIN. And it remains there, IN ZEIR ANPIN OF ATZILUT, and enjoys the delicacies of the bundle of Life, WHICH IS DESCRIBED BY THE VERSE, "no eye had ever seen an Elohim, beside You..." (Yeshayah 64:3). Afterwards, it goes down from there and returns to the earthly Garden of Eden. There, it enjoys all the delicacies, clothes itself again with that same clothing, THAT IS, WITH THE AIR OF THE GARDEN OF EDEN, and dwells there crowned with a crown twice as big as the one that it had possessed before IT ROSE UP TO MALE AND FEMALE OF ATZILUT.

103. The Neshamah is a supernal power high above the other two, NAMELY, THE NEFESH AND THE RUACH. It originates from the power of the male, which is the Tree of Life. THAT IS, ZEIR ANPIN, CALLED 'THE TREE OF LIFE,' DRAWS IT FROM BINAH OF ATZILUT, AND BECAUSE HE DOES SO, HE IS CONSIDERED TO BE ITS ROOT. THIS IS JUST LIKE THE RUACH, WHICH THE NUKVA DRAWS FROM ZEIR ANPIN, AND IS THUS CONSIDERED ITS ROOT. INDEED, THE LIGHT OF ZEIR ANPIN IS CALLED RUACH AND THE LIGHT OF BINAH IS CALLED NESHAMAH. THE NESHAMAH, AFTER MAN'S DEMISE, ascends immediately. IT DOES NOT COME FIRST TO THE EARTHLY GARDEN OF EDEN, AS DOES THE RUACH. RATHER, IT ASCENDS TO ITS ROOT IMMEDIATELY, NAMELY, TO ZEIR ANPIN, WHICH IS ITS ROOT WITH NO REGARD TO ITS DRAWING IT. And these three levels-NEFESH, RUACH, AND NESHAMAH-are attached to one another. When they leave THE BODY, they all rise up and return to the places from which they came.

104. When the Ruach leaves this world and enters the cave of Adam and the Patriarchs, they give it a letter as a sign. Then it goes to the Garden of Eden. When it arrives there, it meets the cherubs and the flame of the revolving sword. If it is meritorious, then they see the letter, which is the sign, and open the gate for it to enter. If they do not see the letter, they reject it and do not allow it to enter.

And on the first day of the month and on Shabbat, when it wants to rise TO THE UPPER GARDEN OF EDEN, the righteous men who are in the Garden of Eden give it a letter as a sign. And it ascends through that same pillar, WHICH IS IN THE MIDDLE OF THE LOWER GARDEN OF EDEN, where it meets the watchmen of the walls of Jerusalem. If it is meritorious, they open the gate and it enters. If not, they take the letter away and throw it out. As it is written: "The watchmen that go about the city found me... the keepers of the walls took away my veil from me" (Shir Hashirim 5:7). THE VEIL is the letter given as a sign, which has been taken away from it, by the watchmen of the walls of Jerusalem.

13. "And Avram went down to Egypt"

The Torah presents a story that concerns the patriarch Avraham entering into the land of Egypt. The Zohar reveals that Egypt is a code word pertaining to the depths of man's own negativity into which divine sparks of Light have fallen. The great spiritual leaders of history often descended into these negative regions to retrieve and elevate the sparks trapped within the dark recesses of our being.

The Relevance of this Passage

It goes against the grain of man's nature to look inward and reflect upon one's own amoral attributes. Our five senses are steadfastly tuned towards the external environment around us. The introspection and self-scrutiny performed by the sages, serves as a timeless repository of energy available to us through the letters and lessons contained herein. We acquire the inner strength to go deep into one's self and expel the hardhearted qualities from our character.

106. "And Avram went down to Egypt to sojourn there" (Beresheet 12:10). Why did he go down to Egypt? Because it looked like the garden of Hashem, NAMELY THE GARDEN OF EDEN. As it is written: "like the garden of Hashem, like the land of Egypt..." (Beresheet 13:10). Because a river flows down on the right, as it is written: "The name of the first is Pishon; that is it which encompasses the whole land of Chavilah, where there is gold" (Beresheet 2:11).

106. וַיֵּרֶד אַבְרָם מִצְרַיִםהָ לְגוּר שָׁם. מִט לְמִצְרַיִם.

107. So Avraham achieved knowledge and complete faith, WHICH REFERS TO THE NUKVA OF ZEIR ANPIN, WHICH IS CALLED FAITH. IT WAS CALLED COMPLETE FAITH AFTER IT HAD BEEN COMPLETED BY THE ILLUMINATION OF CHOCHMAH, FROM THE ASPECT OF BINAH THAT RETURNED TO CHOCHMAH. Avraham then wanted to become familiar with all the grades that are attached below. THIS IS A REFERENCE TO THOSE WHO CAN PASS ON THE ABUNDANCE FROM ABOVE DOWNWARDS, WHICH IS THE SECRET OF CHOCHMAH OF THE RIGHT COLUMN. And Egypt came from the right; FROM THE ASPECT OF THE RIVER OF PISHON, WHICH IS THE SECRET OF CHOCHMAH OF THE RIGHT COLUMN. Because of this, he went down to Egypt TO COLLECT ALL THE HOLY SPARKS, FROM THE ASPECT OF CHOCHMAH OF THE RIGHT COLUMN AND GET THEM OUT OF THERE. AFTER ACCOMPLISHING THIS, HE RETURNED TO THE LAND OF YISRAEL. THUS HE WAS FULL AND COMPLETED BY THE MOCHIN OF CHOCHMAH. Come and behold: famine only comes to the land when Mercy leaves Judgment. THIS

MEANS WHEN ZEIR ANPIN, WHO IS THE SECRET OF MERCY, DEPARTS FROM THE NUKVA, WHICH IS THE SECRET OF JUDGMENT. BECAUSE THEN THE MATING OF THE MALE AND FEMALE IS DISTURBED, AND FAMINE IS FELT IN THE NUKVA, WHICH IS CALLED THE LAND.

108. "And it came to pass, when he came (lit. 'caused to come') near to enter to Egypt..." (Bereshheet 12:11). Rabbi Elazar said that THE VERSE STATES, "when he caused to come near," whereas it should have stated, 'When he came near.' Why does it say, "when he caused to come near?" This is similar to the verse, "And Pharaoh caused to come close..." (Shemot 14:10), WHICH MEANS that he brought Yisrael to come near to repentance. The same applies here, so "caused to come near" MEANS THAT he brought himself to come near to the Holy One, blessed be He, as should properly be. "To enter to Egypt," MEANS to observe those grades, LOCATED IN EGYPT, and keep his distance from them, as well as to keep his distance from the worshippers of Egypt.

109. Rabbi Yehuda said, Come and behold: Since he went down to Egypt without consent, his offspring were enslaved in Egypt for four hundred years. As it is written: "and Avram went down to Egypt." It does not say THAT THE HOLY ONE, BLESSED BE HE, TOLD HIM, 'Go down to Egypt!' THEREFORE, he was in misery all that night because of Sarah.

110. "And he said to Sarah his wife: 'Behold now, I know that you are a fair woman to look upon'" (Bereshheet 12:11). AND HE ASKS: Could it be that until then Avraham did not know that she was a "fair woman to look upon"? AND HE REPLIES: This has already been explained-that until then he did not look upon the image of Sarah, because of their excessive modesty with each other. But when he "came near to enter to Egypt," she revealed herself, and he saw her.

111. Another explanation for why he knew ONLY THEN THAT SHE WAS A FAIR WOMAN TO LOOK UPON is that most people are affected by the hardship of the journey, but Sarah remained beautiful and her appearance did not change. THIS IS HOW HE KNEW MORE THAN EVER THAT SHE IS A FAIR WOMAN TO LOOK UPON. Another explanation of the words, "Behold, now I know..." is that Avraham saw the Shechinah accompanying Sarah, WHICH MEANS THAT HE HAD THE MERIT OF THE REVELATION OF THE SHECHINAH. For this reason, Avraham felt confident and said: "She is my sister."

112. The phrase, "MY SISTER," has two meanings. The first is literal- NAMELY, THAT YOU ARE MY SISTER. The second is figurative, as in the verse, "Say to wisdom; You are my sister." (Mishlei 7:4). It also is written: "Say, I pray you, you are my sister" (Bereshheet 12:13). THE WORD 'YOU' ALLUDES TO THE SHECHINAH. And it is also written: "speak you to us" (Devarim 5:24), WHICH ALSO ALLUDES TO THE SHECHINAH. In addressing the Shechinah, he said: "That it may be well with me for your sake," WHICH MEANS FOR THE SAKE OF THE SHECHINAH, and also "my soul shall live because of you," because, as a result of this, REFERRING TO THE MOCHIN OF CHOCHMAH, a person is elevated up to the path of life, SINCE THE LIGHT OF CHOCHMAH IS CALLED THE LIGHT OF CHAYAH, AS IS ALREADY KNOWN!

108. וַיְהִי כַאֲשֶׁר הִקְרִיב לְבֵא מִצְרַיִם. אָמַר ר"א, כַּאֲשֶׁר הִקְרִיב, כַּאֲשֶׁר קָרַב, מִבְּעֵי לֵיָהּ, מֵאִי כַּאֲשֶׁר הִקְרִיב. אֲלֵא כְּדַכְתִּיב, וּפְרַעַה הִקְרִיב, דַּאִיְהוּ אִקְרִיב לְהוּ לְיִשְׂרָאֵל, לְתִיּוֹבְתָא. אוֹף הִכָּא הִקְרִיב, דַּאִקְרִיב גְּרַמִּיָּה לְקַדְשָׁא בְּרִיךְ הוּא, כְּדַקָּא יָאוּת. לְבֵא מִצְרַיִם. לְאַשְׁחָא בְּאִינוֹן דְּרַגִּין, וְלֹא תִרְחַק אֶמְנִיָּהוּ, וְלֹא תִרְחַק מֵעוֹבְדֵי מִצְרַיִם.

113. "Say, I pray you, you are my sister..." Rabbi Yesa said: Avraham knew that all the Egyptians are lecherous. Since he knew this, how come he was not afraid for his wife and did not return back from this journey and refrain from entering there? AND HE REPLIES: Because he saw that she was accompanied by the Shechinah; THEREFORE HE HAD CONFIDENCE IN HER AND HAD NO FEAR!

113. אַמְרֵי נָא אַחֹותֵי וּגו'. ר' יִיסָא אָמַר, יָדַע הוּהוּ אַבְרָהָם דְּכָלְהוּ מִצְרָאֵי שְׁטִיפִין אִינוּן בְּזִמְהָ, וּכְיוּן דְּכָל הָאֵי יָדַע, אַמְאֵי לֹא דְחִיל עַל אַתְתָּיהָ, דְּלֹא אַהֲדַר מֵאַרְחָא, וְלֹא יִיעוּל לְתַמְן. אֲלֵא בְּגִין דְּחֻמְא שְׂכִינְתָא עִמָּה.

14. "And it came to pass, when Avram came to Egypt"

The Zohar explores the Biblical story in which Sarah, the wife of the patriarch Avraham, is abducted by the King of Egypt. Avraham and Sarah are able to take control over the King, utilizing the tools of the Torah. This event held cosmic significance for future generations. This action of gaining control over the King of Egypt and the negative cosmic forces that he represents, created the means that would be utilized again, five generations later, when the Israelites were freed from bondage in Egypt. The Zohar is demonstrating how man often fails to perceive all the influences and effects that unfold as a result every action we perform.

The Relevance of this Passage

In reality, hardships in life are merely minor interference patterns in comparison to the eternal fulfillment and reality that is ours after we complete our spiritual transformation. We gain the ability to perceive the larger picture when obstacles and difficulties arise in our life. An appreciation for the inevitable consequences that are attached to all of our actions is stimulated within our consciousness.

114. "And it came to pass, when Avram came to Egypt, the Egyptians beheld the woman that she was very fair" (Bereshheet 12:14). Rabbi Yehuda said: He brought her to Egypt in a closed carriage. And the Egyptians opened the carriage to collect taxes from it. But as the carriage was opened, there was light resembling the light of the sun. THIS MEANS THAT THE LIGHT OF SARAH, WHICH IS THE SECRET OF THE MOON, WAS AS STRONG AS THE LIGHT OF THE SUN, ACCORDING TO THE SECRET OF THE "TWO GREAT LIGHTS!" And this is why it is written: "that she was very fair."

114. וַיְהִי כְּבֹא אַבְרָם מִצְרַיִמָּה וַיִּרְאוּ הַמִּצְרַיִם אֶת הָאִשָּׁה כִּי יָפָה הִיא מְאֹד. אָמַר רַבִּי יְהוּדָה, בְּתִיבָה אֲעִיל לָהּ, וּפְתַחוּ לָהּ, לְמִיסַב מְנָה קוֹסְטוֹנָא. כְּיוּן דְּאִתְפְּתַח, הוּהוּ נְהוּרָא, כְּנְהוּרָא דְשִׁמְשָׁא, הַה"ד כִּי יָפָה הִיא מְאֹד.

115. AND HE ASKS: What DOES THE VERSE ALLUDE TO BY USING THE WORD 'very'? AND HE REPLIES THAT THE EGYPTIANS saw in the carriage a different light. They took her out OF THE CARRIAGE, and they saw that she remained as fair as before, AS FAIR AS SHE WAS IN THE CARRIAGE. THIS MEANS THAT THE ACTION OF THE EGYPTIANS DID NOT DO HER ANY DAMAGE. HER BEAUTY WAS NOT CORRUPTED; IT REMAINED AS BEFORE, AS WHEN SHE WAS IN THE CARRIAGE. Therefore it is written: "The ministers of Pharaoh saw her." AND SO HE ASKS: Since it is written that 'the Egyptians beheld the woman,' why do I read, 'The ministers of Pharaoh saw her,' AS THEY TOO WERE EGYPTIANS? AND HE REPLIES: Because they took her out OF THE CARRIAGE; and saw that she remained AS FAIR as before-THAT IS, AS SHE WAS IN THE CARRIAGE. And then they "commended her before Pharaoh, and the woman was taken to Pharaoh's house."

115. מַאי מְאֹד. אֲלֵא, דְּחֻמוּ בְּתִיבָה נְהוּרָא אַחֲרָא, אֲפִיקוּ לָהּ וְחֻמוּ לָהּ, כְּמַלְקַדְמִין, הַה"ד וַיִּרְאוּ אוֹתָהּ שְׂרֵי פְרַעָה, כְּיוּן דְּכִתִּיב, וַיִּרְאוּ הַמִּצְרַיִם אֶת הָאִשָּׁה. מַאי וַיִּרְאוּ אוֹתָהּ שְׂרֵי פְרַעָה. אֲלֵא דְאֲפִיקוּ לָהּ, וְחֻמוּ לָהּ, כְּמַלְקַדְמִין. וּכְדִין וַיְהִלְלוּ אוֹתָהּ אֶל פְּרַעָה וּגו'.

116. Rabbi Yitzchak said: Woe to those wicked people of the world, as they do not know and do not observe IN ORDER TO UNDERSTAND that everything that exists in the world comes from the Holy One, blessed be He. THIS MEANS THAT HE ALONE HAS DONE, CONTINUES DOING, AND SHALL DO ALL THE ACTIONS IN THE WORLD. And that He knew from the beginning what the end shall be, as it is written: "Declaring the end from the beginning..." (Yeshayah 46:10). And He watches and performs the actions from the beginning, so that they can later be repeated TO COMPLETION.

116. אָמַר רַבִּי יִצְחָק. וּוֵי לְאִינוּן חַיִּיבֵינָא דְעֵלְמָא, דְּלֹא יָדְעִין וְלֹא מְשַׁגְּיחִין בְּעִבְדִּיתָּיהָ דְקַדְשָׁא בְּרִיךְ הוּא, וְאִנוּן לֹא מְסַתְּפְלִי דְכָל מַה דְּהוּי בְּעֵלְמָא, מִעַם קַדְשָׁא בְּרִיךְ הוּא אֵיהוּ, דְאֵיהוּ יָדַע בְּקַדְמִיתָא, מַה דְּלְהוּי בְּסוּפָא, דְכִתִּיב מְגִיד מִרְאשֵׁית אַחֲרִית. וְאֵיהוּ אֲסַתְּכִי וְעִבִיד וְעִבִיד עִבְדִּין בְּקַדְמִיתָא, בְּגִין לְסַלְקָא לֹון, לְבַתַּר יוֹמִין.

117. Come and behold: Had Sarah not been taken to Pharaoh, he would not have been plagued. And the result of Pharaoh's plague was another plague, so the Egyptians suffered great plagues AS YISRAEL LEFT EGYPT. As it is written: "great plagues" in this passage, and, AS YISRAEL LEFT EGYPT, it is written: "And Hashem showed signs and wonders, great and sore, upon Egypt" (Devarim 6:22). HE MAKES AN ANALOGY BETWEEN THE TWO TIMES WHEN THE WORD "GREAT" IS USED. Because there were ten plagues, PHARAOH ALSO SUFFERED ten plagues here. And just as the Holy One, blessed be He, performed miracles and showed His great might during the night, so here as well, the Holy One, blessed be He, performed miracles and mighty deeds at night. SO, AS HE WAS INFLICTING THE PLAGUES UPON PHARAOH, FOR THE SAKE OF SARAH, HE WAS WATCHING AND OBSERVING THE WAY HE WAS GOING TO REPEAT THEM TO PERFECTION DURING THE EXODUS OF YISRAEL FROM EGYPT.

118. Rabbi Yosi opened the discussion by saying: "But you, Hashem, are a shield for me; my glory, and the lifter up of my head" (Tehilim 3:4). David said: Even if all the people of the world come and make war with me, THEY WILL NOT BE ABLE TO OVERCOME ME, BECAUSE "You, Hashem, are a shield for me." Come and behold: It is written: "a shield for me." David said to the Holy One, blessed be He, Master of the Universe, why is there no blessing that ends with my name, as there is for Avraham, of whom it is written: "I am your shield" (Beresheet 15:1) and therefore it is said: 'the shield of Avraham.' SO WHY DO THEY NOT CONCLUDE A BLESSING WITH MY NAME, 'THE PROTECTOR OF DAVID'?

119. So the Holy One, blessed be He, answered David, "As for Avraham, I have already tried and tested him, and he resisted THE TEST and was found before me to be wholly steadfast." David said to Him, "Examine me, Hashem, and prove me, purify my kidneys and my heart!" (Tehilim 26:2). But when he became involved in the matter of Bat-Sheva, David remembered what he had said to the Holy One, blessed be He, and said: "You have proved my heart, You have visited it in the night. You have tried me, but You did find nothing; Let no presumptuous thought pass my lips" (Tehilim 17:3).

120. He said: I said, "Examine me, Hashem, and prove me," and 'You have examined my heart' BY BAT-SHEVA; I said, 'purify my kidneys' and "You have tried me, but You did find nothing." "Let no presumptuous thought pass my lips"; How I wish that the thoughts of my mind would not have been uttered with my mouth AND I WOULD NOT HAVE PROCLAIMED, "EXAMINE ME, HASHEM, AND PROVE ME."

121. But nevertheless, there is a blessing that concludes with the words, "the Shield of David." For this reason, David said: "But you, Hashem, are a shield for me, my glory, and the lifter of my head." THIS MEANS THAT HE SAID, "This grade OF 'SHIELD' is certainly 'my glory' by which I am crowned."

122. "And Pharaoh commanded his men concerning him; and they sent him away..." (Beresheet 21:20). Come and behold: The Holy One, blessed be He, is the protector of the righteous, who shields them from being ruled by other people. So the Holy One, blessed be He, protected Avraham, so no one could harm him or his wife.

123. Come and behold: The Shechinah did not leave Sarah at all during that night. When Pharaoh approached her, an angel came and hit him. And whenever Sarah said, "Hit," he hit. All the while Avraham was begging his Master through his prayers, not to allow anyone to harm her. Therefore it is written: "but the righteous are bold (trusting) as a lion" (Mishlei 28:1). Here was a trial by which Hashem tested Avraham, but Avraham had no doubts about the Holy One, blessed be He.

124. Rabbi Yitzchak said, Come and behold: It is because of this that the Holy One, blessed be He, did not command him to go to Egypt. But he went on his own initiative, so that the people of the world would have no reason to say that THE HOLY ONE, BLESSED BE HE, told him to go down to Egypt, and then he was pained for his wife.

125. Rabbi Yitzchak opened the discussion by saying, "The righteous shall flourish like the palm tree, he shall grow like the cedar in Levanon" (Tehilim 92:13). AND HE ASKS: Why are the righteous compared to a palm tree? AND HE ANSWERS: Just as a palm tree, if it is cut down, needs a long time to grow again--AS LONG AS SEVENTY YEARS--So if the world loses a righteous man, it will take a very long time until another takes his place--AGAIN AS LONG AS SEVENTY YEARS. THESE SEVENTY YEARS ARE THE SECRET OF CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT, EACH OF WHICH EQUALS TEN.

126. The words "shall flourish like the palm tree" TEACH US THAT just as a palm tree does not grow unless except as male and female, neither does the righteous person. He does not flourish except as male and female. The male is righteous and the female is righteous, just as Avraham and Sarah were. THEREFORE HE IS COMPLETED AND REACHES PERFECTION ONLY AFTER SEVENTY YEARS HAVE ELAPSED.

127. "...he shall grow like the cedar in Levanon" means that just as a cedar rises high above all the other trees, so the righteous man is above all others, who are situated under him--IN OTHER WORDS, THEY EXIST BECAUSE OF HIM. And the world, WHICH IS THE SECRET OF THE NUKVA, is supported upon one righteous man, as it is written: "the righteous is the foundation of the world" (Mishlei 10:25). So the world, WHICH IS THE NUKVA, rests and is supported by him and is planted on him; BECAUSE OF HIM IT IS WELL SUPPORTED. THIS MEANS THAT HE BESTOWS HIS THREE COLUMNS UPON IT. 'RESTS' IS THE SECRET OF THE RIGHT COLUMN; 'SUPPORTED' IS THE SECRET OF THE LEFT COLUMN; AND 'PLANTED' IS THE SECRET OF THE CENTRAL COLUMN.

128. Rabbi Yehuda said: But we have already learned that the world stands upon seven pillars; WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT, AND NOT UPON ONE RIGHTEOUS ALONE, AS RABBI YITZCHAK HAS STATED. As it is written: "she has hewn out her seven pillars" (Mishlei 9:1). Rabbi Yosi told him, It is certainly so! But all the other pillars stand erect because of the seventh pillar, which supports the whole world, and he is CALLED 'the righteous,' NAMELY YESOD OF ZEIR ANPIN. And he refreshes and replenishes the world, WHICH IS THE NUKVA, and nourishes all THE WORLDS. And he is described by the verse, "Say you to the righteous, that it shall be well (also: 'that he is good') with him: for they shall eat the fruit of their doings" (Yeshayah 3:10). And, it is also written: "Hashem is good to all; and his tender mercies are over all his works" (Tehilim 145:9).

123. תָּא חֲזִי, שְׁכִינְתָּא לֹא אֶתְעֵדִי מִינְהּ דְּשָׂרָה, כֹּל הָהוּא לִילּוּא, אֶתָּא פְּרַעָה לְמִקְרַב בְּהֵרָה, אֶתָּא מִלְּאַךְ וְאַלְקֵי לֵיהּ, כֹּל אֵימַת דְּאַמְרָה שָׂרָה אֶלְקֵי, הוּא מִלְּקֵי, וְאַבְרָהָם הוּוּ מִתְקִיף בְּמֵאֲרִיָּה, דְּהָא שָׂרָה לֹא יְכַלִּין לְשַׁלְטָאָה עֲלֵהּ, הַהִ"ד וְצַדִּיקִים כְּכַפִּיר יִבְטַח. וְהֵכָא נְסִיוְנָא הוּא, דְּלֹא הִרְהִר אֶבְתְּרִיהּ דְּקוּדְשָׁא בְּרִיךְ הוּא.

129. Rabbi Yitzchak said: But it is written: "and a river went out of Eden to water the garden," (Bereshheet 2:10) WHICH REFERS TO YESOD OF ZEIR ANPIN, WHICH COMES FORTH FROM BINAH THAT RETURNED TO CHOCHMAH, WHICH IS CALLED EDEN. And this is the pillar upon which the world rests; it is the one that waters the garden, WHICH IS THE NUKVA. And the garden is irrigated by it and bears fruits, WHICH ARE THE SOULS OF HUMAN BEINGS. And all the fruits blossom in this world, WHICH IS THE NUKVA, and they maintain of the world and maintain the Torah. AND HE ASKS: Who are THESE FRUITS? AND HE SAYS: They are the souls of the righteous, who are the fruit of the handiwork of the Holy One, blessed be He.

129. אָמַר ר' יִצְחָק, הָא כְּתִיב וְנָהַר יוֹצֵא מֵעֵדֶן לְהַשְׁקוֹת אֶת הַגֶּן. דָּא הוּא סְמִכָא דְעֵלְמָא קְאִים עֲלֵיהּ, וְאִיהוּ אֲשֵׁקִי לְגַנְתָּא, וְגַנְתָּא אֲשֵׁתְקִי מִנְיָה, וּמְנִיָּה עֲבִידָא פִירִין. וְכִלְהוּ פִירִין פְּרָחִין בְּעֵלְמָא, וְאִינוּן קִיּוּמָא דְעֵלְמָא, קִיּוּמָא דְאוּרִייתָא, וּמֵאן נִינְהוּ, נִשְׁמַתְהוּן דְצִדִיקוּיָא, דְאִינוּן פְּרֵי עוֹבְדוּי דְקוּדְשָׁא בְרִיךְ הוּא.

15. The Holy One, blessed be He, delights Himself with the souls of the righteous

The power of Midnight gives the souls of the living the ability to connect to the righteous souls who have departed our realm and who now dwell in the Garden of Eden. The Creator comes to be with both groups during these mystical hours of the night.

The Relevance of this Passage

Whereas the Torah is an instrument designed for our physical world, the Zohar is a product of the spiritual realm, above the physical elements of time, space, and motion. Accordingly, we can always access the energy aroused during midnight through the sacred words that tell of these mystical secrets.

130. Because of this, BECAUSE THE SOULS ARE THE FRUIT OF THE HANDIWORK OF THE HOLY ONE, BLESSED BE HE, on each and every night, the souls of the righteous rise up TO THE GARDEN OF EDEN. And at midnight, the Holy one, blessed be He, comes to the Garden of Eden to delight Himself with them. With whom DOES HE DELIGHT HIMSELF? IS IT WITH THE SOULS OF THE LIVING OR THE DECEASED? Rabbi Yosi answers: With them all! With those who dwell in that World OF TRUTH, and with those who dwell in this world. Together, with them all, the Holy One, blessed be He, finds delight at midnight in the Garden of Eden.

130. וּבְגִין כֵּן בְּכָל לַיְלָא וּלְיָלָא, נִשְׁמַתְהוּן דְצִדִיקוּיָא סְלֶקְן, וְכֵד אֲתַפְּלַג לַיְלָא, קִדְשָׁא בְרִיךְ הוּא אֲתֵי לְגַנְתָּא דְעֵדֶן לְאֲשֵׁתַעֲשָׂא בְהוּ. בְּמֵאן. אָמַר רַבִּי יוֹסִי בְכִלְהוּ. בֵּין אִינוּן דְמִדּוּרֵיהוּן בְּהוּא עֵלְמָא, בֵּין אִינוּן דִּיתְבִּי בְּמִדּוּרֵיהוּן בְּהוּא עֵלְמָא, בְּכִלְהוּ מִשְׁתַּעֲשַׂע בְּהוּ קוּדְשָׁא בְרִיךְ הוּא, בְּפִלְגוֹת לַיְלָא.

131. Come and see: The upper world needs to be aroused by the lower world. When the souls of the righteous leave this world and rise up TO THE GARDEN OF EDEN, they are all clothed by the Supernal Light-by a splendid figure. And the Holy One, blessed be He, delights Himself with them and longs for them because they are the fruit of His handiwork. Therefore Yisrael are called "children to the Holy One, blessed be He," because they have acquired holy souls. As it is written: "You are the children of Hashem your Elohim" (Devarim 14:1). Because THE SOULS are definitely the "children"-the fruit-of His Handiwork.

131. תָּא חֲזִי, עֵלְמָא דְלַעֲיֵלָא, אֲצֵטְרִיךְ לְאַתְעֵרוֹתָא דְעֵלְמָא תַּתָּא, וְכֵד נִשְׁמַתְהוּן דְצִדִיקוּיָא נִפְקִי מֵהוּא עֵלְמָא, וְסִלְקִי לַעֲיֵלָא, כְּלָהוּ מִתְלַבְּשֵׁי בְנְהוּרָא דְלַעֲיֵלָא, בְּדִיוּקְנָא יָקָר, וּבְהוּ קִדְשָׁא בְרִיךְ הוּא מִשְׁתַּעֲשַׂע, וְתַאֲיֵב לֹון, דְאָנְהוּ פְּרֵי עוֹבְדוּי. וְעַל דְאֲקָרוּן יִשְׂרָאֵל, דְאֵית לֹון נִשְׁמַתִּין קְדִישִׁין, בְּנִין לְקִדְשָׁא בְרִיךְ הוּא, כְּד"א בְּנִים אַתֶּם לֵה' אֱלֹקֵיכֶם, בְּנִים וְדֵאִי, אִיבָא דְעוֹבְדוּי.

132. Rabbi Yesa said: YOU SAY THAT HE even delights himself with those SOULS of this world. How can that be? He replied, Because at midnight, all the truly righteous people awaken to study Torah and recite all the praises of Torah. And we have learned that the Holy One, blessed be He, together with all the righteous who are in the Garden of Eden, all listen attentively to their voices. And during the day, a thread of grace is woven around them. As it is written: "Yet Hashem will command his loving kindness in the daytime, and in the night, His song shall be with me..." (Tehilim 42:9). BECAUSE OF THE SONG AT NIGHT, THEY MERIT HIS LOVING KINDNESS DURING THE DAY.

132. אָמַר ר' יֵיסָא, וְאִפִּילוּ אִינוּן דְבְּהוּא עֵלְמָא. הָאִיךְ אָמְרוּ, בְּגִין דְּבִפְלַגוֹת לַיְלָא, כָּל אִינוּן זְכָאֵי קְשׁוּט, כְּלָהוּ מִתְעַרְי לְמַקְרֵי בְּאוּרִייתָא, וְלִמְשַׁמַּע תּוֹשְׁבְחֵן דְאוּרִייתָא, וְהָא אֲתַמַּר, דְקִדְשָׁא בְרִיךְ הוּא וְכָל אִינוּן צִדִיקָא דְבְּגוּ גַנְתָּא דְעֵדֶן, כְּלָהוּ צִיִּיתִין לְקַלְיָהוּן, וְחוּטָא דְחֶסֶד אֲתַמְשַׁךְ עֲלֵיהוּ בְּיַמְמָא, דְכְּתִיב יוֹמָם יִצְוֶה ה' חֶסְדוֹ וּבַלַּיְלָה שִׁירָה עִמִּי.

133. Therefore, the praises that rise up before the Holy One, blessed be He, at night, are the most complete. Come and behold: When Yisrael were shut in their houses, while the Holy One, blessed be He, was slaying the first borns of the Egyptians, they were reciting these praises and psalms before the Holy One, blessed be He.

134. Come and behold: King David used to wake up at midnight. And if you might say that he sat or lay down on his bed while reciting these songs and praises, it is not so! Rather, it is as written: "At midnight I will rise to give thanks to You" (Tehilim 119:62). "I will rise" definitely means he stood upright as he was occupied with the songs and praises of Torah.

135. And because of to this, BECAUSE HE DELVED TO THE SONGS AND PRAISES OF TORAH, King David lives on forever. Even during the Days of King Mashiach, he still remains the king. For we have learned that if Mashiach shall be from among the living, David will be his name. And if he shall be from among THE RESURRECTED SOULS OF the deceased, David shall be his name. And he shall arouse the dawn before he arrives. It is written: "Awake, my glory; awake the harp and the lyre; I will awake the dawn" (Tehilim 57:9), BECAUSE HE ALWAYS AROSE TO STUDY TORAH BEFORE THE BREAK OF DAWN!

16. "And Hashem plagued Pharaoh"

As the Zohar recounts the story of the King of Egypt's abduction and attempted violation of Sarah, we learn that the angels protected her from his amoral advances. Moreover, it is revealed that the Torah story of Avraham's journey into the land of Egypt is a metaphor for battling the highest degrees of negativity and the strongest selfish desires inherent in our nature. Unlike Adam and Noah, who were enticed by the serpent and succumbed to temptation, Avraham faced and overcame the greatest tests of human nature.

The Relevance of this Passage

Avraham's positive action and spiritual strength opened a cosmic window for all mankind. These words open that window in our own lives, allowing Avraham's power and energy to enter.

136. Come and behold: Throughout the night that Sarah was with Pharaoh, the supernal angels came to chant songs and praises before the Holy One, blessed be He. The Holy One, blessed be He, said to them, Go all of you and inflict great plagues upon Egypt, so that these plagues will be a sign and an omen of what I will do in the future. As it is written: "And Hashem plagued Pharaoh and his house with great plagues" (Beresheet 12:17).

137. Come and behold, It is written: "And Pharaoh called Avram" (Beresheet 12:18). HE ASKS: How did he know THAT SARAH IS AVRAM'S WIFE; it is not written here as it is about Avimelech, "Now therefore restore the man's wife, for he is a prophet" (Beresheet 20:7). Here, THE HOLY ONE, BLESSED BE HE, said nothing to Pharaoh!

133. ועל דא תושבֿחן דסלקין בליליא קמיה, דא תושבֿחַתא שלים. תא חזי, בשעתא דישראל הוּו סגירין בבתיהון, כד קטל קדשא ברין הוא בכוריהון דמצראי, הוּו אמרי הלילא ותשבֿחן קמיה.

134. תא חזי דדוד מלכא, הוּו קם בפלגות ליליא, דאי תימא דהוּו יתיב או שכיב בערסיה, והוּו אמר שירין ותושבֿחן, לא, אלא כמה דכתיב חצות לילה אקום להודות לך. אקום: ודאי בעמידה, לאתעסקא בשירין ותושבֿחן דאורייתא.

135. ובגין כך, דוד מלכא, חי לעלמין, ואפילו ביומי מלכא משיחא, איהו מלכא. דהא תנן מלכא משיחא, אי מן חניא הוא, דוד שמייה, ואי מן מתניא הוא, דוד שמייה, ואיהו הוּו אתער בצפרא עד לא ויתי, דכתיב עורה כבודי עורה הנבל וכנור אעירה שחר.

136. תא חזי, כל ההוא ליליא, דשרה הוּו לגביה דפרעה, אתו מלאכי עלאי, לזמרא ליה לקדשא ברין הוא, בשירין ותושבֿחן, אמרלוקדשא ברין הוא, פלכו זילו ועבידו מכתשין רברבין במצרים, רשימו למאן דאנא זמין למעבד לבתר. מה כתיב וינגע ה' את פרעה נגעים גדולים וגו'.

137. תא חזי, מה כתיב, ויקרא פרעה לאברם וגו'. מנא הוּו ידע, דהא לא כתיב הכא, כמה דאתמר באבימלך, דכתיב, ועתה השב אשת האיש כי נביא הוא וגו', והכא לא אמר ליה מדי.

138. Rabbi Yitzchak said: But it is written, "because of Sarai, Avram's wife." For so THE ANGELS said 'because of Sarai, Avram's wife.' Because THE HOLY ONE, BLESSED BE HE, did not speak with him as he did with Avimelech. So only these words were said and no more: This plague is "because of Sarai, Avram's wife." And even this was not said by THE HOLY ONE, BLESSED BE HE, BUT BY THE ANGELS WHO SMOTE HIM. And then he knew that she was Avraham's wife, so it is written: "And Pharaoh called Avram."

139. "And Pharaoh commanded his men concerning him." HE ASKS: Why did he do so? AND HE SAYS: So that nobody would come near them and harm them. "And they sent him away" means that they prepared an escort, to accompany him through Egypt. The Holy One, blessed be He, said TO PHARAOH, This is what you shall do in the future to his children; you shall escort them out of your land. As it is written: "And it came to pass, when Pharaoh let the people go" (Shemot 13:17)-meaning that he escorted them throughout his entire country."

140. Rabbi Aba asked, Why did this happen to Avraham? For what reason did he have to go through it all? AND HE SAID: "So that Avraham and Sarah would achieve great fame in the eyes of the world. So that even in Egypt, which has the greatest magicians from whom nobody can be saved, Avraham was still able to rise high and be elevated. Therefore, it is written: "And Avram went up out of Egypt" (Beresheet 13:1). Where to? "To the Negev," THAT IS, TO HIS PREVIOUS LEVEL.

141. Rabbi Shimon said, Come and behold: Everything is in accordance with the secret of Wisdom. The verse here alludes to Chochmah (Wisdom) and grades below--REFERRING TO THE GRADES OF THE EGYPTIANS, WHO DRAW DOWN CHOCHMAH. And Avraham went down to these great depths and knew them all, but did not attach himself to them. Rather, he returned to his Master.

142. And he was not enticed by them, as was Adam, who, when he reached that same level, was enticed by the serpent and brought death upon the whole world. And Avraham was not enticed as was Noach, of whom, when he went down to that grade, it is written: "And he drank of the wine and was drunken, and he was uncovered within his tent (Heb. ohaloh)" (Beresheet 9:21). Ohaloh is spelled with an additional Hei, WHICH IS THE SECRET OF 'A STRANGE WOMAN.'

143. But what is written about Avraham? "And Avram went up out of Egypt." That he went up-not down-and returned to his place, to the supernal grade to which he was previously attached. This action came to reveal Wisdom; he deserved to reach full perfection because he was not enticed BY THE EGYPTIANS; rather he remained entirely steadfast and returned to his place. "The Negev" means the south, CHESED OF ZEIR ANPIN. THIS IS the supernal grade to which he first cleaved. As it is written: "And Avram journeyed, going on still toward the Negev" (Beresheet 12:9). So here as well, "to the Negev" MEANS to the grade to which he had previously cleaved.

138. אָמַר רַבִּי יִצְחָק, הָא כְּתִיב עַל דְּבַר שְׂרַי אִשְׁתְּ אַבְרָם. דְּהִכִּי הוּוּ אָמְרִי לִיהּ, עַל דְּבַר שְׂרַי אִשְׁתְּ אַבְרָם. דְּהָא לֹא הוּוּ מַמְלִיל עִמֵּיהּ, כְּמָה דְּמַמְלִיל בְּאַבְימֶלֶךְ, אֲלֵא בְּמֶלֶךְ דָּא אֲתָמַר, וְלֹא יִתִּיר, מִכְּתָשָׁא דָּא, עַל דְּבַר שְׂרַי אִשְׁתְּ אַבְרָם אִיהִי, וְלֹא הוּוּ מְלִיל עִמֵּיהּ, כְּדִין יָדַע דְּהָא אֲתַתִּיהּ דְּאַבְרָהָם אִיהִי, מִיָּד וַיִּקְרָא פֶּרַעַה לְאַבְרָם וַיֹּאמֶר וְגו'.

140. אָמַר רַבִּי אַבָּא, כָּל כֶּךָ לְמָה אוֹדְמָן לִיהּ לְאַבְרָהָם, וְלִמְאֵי אֲצִטְרוּיָן. אֲלֵא, בְּגִין לְגַדְלָא שְׁמִיהּ דְּאַבְרָהָם וְשָׂרָה בְּעֵלְמָא, דְּאַפִּילוּ בְּמִצְרַיִם, דְּאִינוּן חֲרָשֵׁי עֵלְמָא, וְלֹא הוּוּ יָכִיל בַּר נֶשׁ לְאַשְׁתְּזִיב מְנִיָּהּ, אֲתַגְדַּל אַבְרָהָם, וְאַסְתְּלִיק לְעִילָא, דְּהָא הוּא דְּכְתִיב וַיַּעַל אַבְרָם מִמִּצְרַיִם, לְאַן אֲתַר, הַנְּגַבָּה.

141. אָמַר רַבִּי שְׁמַעוֹן, תָּא חֲזִי, כְּלָא רְזָא דְּחֻכְמָתָא אִיהוּ, וְקָא רְמִזוּ הֵכָא בְּחֻכְמָתָא, וְדִרְגִין דְּלִתְתָא, דְּקָא נַחִית אַבְרָהָם לְעוֹמְקֵיָא דְּלַהוּן, וַיִּדַע לֹן, וְלֹא אֲתַדְבֵּק בְּהוּ, וְתַב לְקַמֵּי מְרִיָּהּ.

142. וְלֹא אֲתַפְתָּא בְּהוּ, כְּאַדָּם, דְּכַד מְטָא לְהוּוּא דְּרַגָּא, אֲתַפְתָּא בְּנַחֶשׁ, וְגַרִים מוֹתָא לְעֵלְמָא. וְלֹא אֲתַפְתָּא כְּנֹחַ, דְּכַד נַחַת וּמְטָא לְהוּוּא דְּרַגָּא, מַה כְּתִיב, וַיִּשֶׁת מִן הַיַּיִן וַיִּשְׁכַּר וַיִּתְגַּל בְּתוֹךְ אֹהֶלֶה. אֹהֶלֶה כְּתִיב בְּה"א.

143. אַבְל בְּאַבְרָהָם מַה כְּתִיב, וַיַּעַל אַבְרָם מִמִּצְרַיִם. דְּסָלִיק וְלֹא נַחִית, וְתַב לְאַתְרֵיהּ, לְדִרְגָּא עֲלָאָה, דְּאַתְדְּבֵק בֵּיהּ בְּקַדְמִיתָא. וְעוֹבְדָא דָּא הוּוּ, בְּגִין, לְאַחְזָא חֻכְמָתָא, דְּאַתְקִיִים בְּקִיּוּמָא שְׁלִים, כְּדָקָא חֲזִי לִיהּ, וְלֹא אֲתַפְתָּא, וְקַם בְּקִיּוּמָא וְתַב לְאַתְרֵיהּ. הַנְּגַבָּה: דָּא דְרוּם, דְּרַגָּא עֲלָאָה, דְּאַתְאַחִיד בֵּיהּ בְּקַדְמִיתָא, דְּכְתִיב הַלֹּךְ וְנָסוּעַ הַנְּגַבָּה. אוּף הֵכָא הַנְּגַבָּה, אֲתַר דְּאַתְדְּבֵק בֵּיהּ בְּקַדְמִיתָא.

144. Come and behold the secret of this matter: Had Avram not gone down to Egypt and been purified, his destiny would not have been attached to the Holy One, blessed be He. And the same thing happened to his children, when the Holy One, blessed be He, wanted to join them to one nation-one perfect and complete nation-and bring them near to Him. Had they not gone to Egypt first and been purified, they would not have become His one nation.

144. תָּא חֲזִי, רְזָא דְמַלְהָ, אִי אַבְרָם לָא יִיחֹת לְמִצְרַיִם, וְלֹא יִצְטַרֵּף תַּמָּן בְּקַדְמֵי תָא. לָא יְהֵא חוּלְק עַדְבֵּיהּ בְּקַדְשָׁא בְּרִיךְ הוּא. כְּגוּוּנָא דָא לְבַנּוּי, כַּד בְּעָא קַדְשָׁא בְּרִיךְ הוּא לְמַעְבַּד לִיה עִמָּא חָדָא, עִמָּא שְׁלִימ, וְלִקְרַבָּא לֹון לְגַבֵּיהּ, אִי לָא נַחְתּוּ בְּקַדְמֵי תָא לְמִצְרַיִם, וְלֹא יִצְטַרְפּוּן תַּמָּן, לֵאחֹוּ עִמָּא יַחֲדָא דִּילֵיהּ.

145. In the same manner, had the Holy Land not been given at first to the Cna'anites and had they not ruled over it, then this land would not have been destined to become the portion and lot of the Holy One, blessed be He; it is all the same secret.

145. כְּגוּוּנָא דָא, אִי לָא אֲתִיְהִיבַת אֶרְעָא קַדִּישָׁא לְכַנְעַן בְּקַדְמֵי תָא, וְיִשְׁלוּט בָהּ, לָא הוּת אֶרְעָא חוּלְקִיהּ וְעַדְבֵּיהּ, דְּקַדְשָׁא בְּרִיךְ הוּא. וְכֻלָּא רְזָא חָדָא.

17. "With my soul have I desired you in the night"

Ancient mysteries pertaining to the soul's activities during the night are unveiled by the Zohar. During sleep, people who have made a sincere attempt at spiritual growth and positive change during the day will see their souls elevate to the highest of heights in the spiritual atmosphere during the night. These souls are given a window through which they can perceive the future. Conversely, those who remain spiritually complacent, who have no regard or care for positive deeds and spiritual growth, their souls elevate, but are immediately engulfed by negative forces.

The Relevance of this Passage

When we awaken in the morning, if our soul ascended to great heights during the night, our sense of intuitiveness and foresight is acutely enhanced. We make the right decisions as we are guided by our intuition. If however, our souls are enveloped by negative forces, these entities whisper lies and speak falsehoods to our soul. These words of deception distort a person's reality during the day, so that life appears even more confusing, more chaotic. We find ourselves at the wrong place at the wrong time. Our thoughts, ideas, and decisions lead us down the wrong path. The verses of the Zohar can help us apply our sleep as a powerful tool that can help our soul elevate to great heights during the night.

146. Rabbi Shimon was walking along the way, accompanied by his son, Rabbi Elazar, Rabbi Aba, and Rabbi Yehuda. As they were walking, Rabbi Shimon said: I am amazed that the people of this world do not pay attention to the words of Torah or to understanding the reason for their own existence in the world! He opened the discussion by saying: With my soul (Heb. Nefesh) have I desired you in the night; with my spirit (Heb. Ruach) within me will I seek you early" (Yeshayah 26:9). This verse has already been explained. But come and behold: When a person goes to bed, his Nefesh leaves and mounts on high. And if you say that they all mount on high-REFERRING TO THE OTHER GRADES, RUACH AND NESHAMAH-it is not so! Because not every one sees the face of the King. Only the Nefesh rises up, leaving an impression, in the form of minimum life for the heart, with the body.

146. רַבִּי שִׁמְעוֹן הָוָה אֲזִיל בְּאַרְחָא, וְהוּה עֵמִיהּ רִ' אֶלְעָזָר בְּרִיהּ, וְרַבִּי אַבָּא וְרַבִּי יְהוּדָה. עַד דְּהוּוּ אֲזִלִּי, אָמַר רַבִּי שִׁמְעוֹן, תְּוֹהֵנָא, הֵיךְ בְּנֵי עֲלָמָא לָא מְשַׁגְּחִין, לְמַנְדַּע מְלִי דְאֹרִייתָא, וְעַל מַה קְיִימִי. פְּתַח וְאָמַר, נַפְשֵׁי אֹנְתִיךְ בְּלִילָהּ אַף רַחוּי בְּקַרְבֵּי אֲשַׁחְרֶךְ. הָאִי קָרָא אֹקְמוּהָ, וְאֹקְמִנָא לִיה, אַבְל תָּא חֲזִי, נַפְשָׁא דְבַר נֶשׁ, כַּד סָלִיק לְעַרְסִיהּ, נַפְקַת מִנְיָה, וְסֻלְקָא לְעִילָא. וְאִי תִימָא, דְּכֻלָּהּ סֻלְקָאן. לָאו כָּל חַד וְחַד חָמִי אִפִּי מְלַבָּא, אֶלָּא נַפְשָׁא סֻלְקָא, וְלֹא אֲשַׁתָּאר בָּהּ בְּהַרְגֵי גּוּפָא, בַּר חַד רְשִׁימוּ דְקִסְטָא דְחִיּוּתָא דְלִבָּא.

147. As the Nefesh leaves THE BODY and wishes to climb. There are many grades to climb. It wanders about and meets with Klipot of the lights of impurity. If the Nefesh is pure and has not been defiled WITH THE BODY during the day, then it rises upward. But if it is impure then it is defiled among THE KLIPOT cleaves onto them, and climbs no further.

147. וְנַפְשָׁא אֲזִלָּא וּבְעֵינָא לְסֻלְקָא. וְכַמָּה דְרַגְיִן לְדְרַגְיִן לְסֻלְקָא, שְׁטָאָת, וְהִיא אֲתַעְרַעַת בְּהַנִּי קוּמְרִין טְהוּרִין דְּמִסְאַבוּתָא, אִי הִיא דְכִיּוּתָא, דְּלָא אֲסַתָּאבַת בִּימְמָא, סֻלְקָא לְעִילָא. וְאִי לָאו דְכִיּוּתָא, אֲסַתָּאבַת בִּינִיּוּהּ, וְאֲתַדְבַּקַת בָּהּ, וְלֹא סֻלְקָא יַתִּיר.

148. And there, AMONG THE KLIPOT, they inform the Nefesh about future events, and THE NEFESH cleaves on to them. Sometimes, they scoff with the Nefesh and tell it lies. Thus, in such a manner, it wanders all night until the person wakes up. Then the Nefesh returns to its place IN THE BODY. Happy are the righteous that the Holy One, blessed be He, reveals His secrets to them in their dreams, so that they may protect themselves from judgment. Woe to those wicked people who defile themselves and their Nefesh.

148. וְתַמְנֵן מוֹדְעֵי לֵה מְלִין, וְאִיהוּ אֲתַדְבֵּקֵת מְאִינוֹן מְלִין, דְּזַמֵּן קָרִיב. וְלִזְמַנֵּין דְּחַוִּיכִין בֵּהּ, וּמוֹדְעִין לֵה מְלִין בְּדִיבִין. וּכְדִין אֲזֵלָא בְּהַאי גְּוֹנָא כָּל לִילְיָא, עַד דִּיתְעַר בַּר נֶשׁ, וְתַאבַּת לְאַתְרָהּ. זְכָאִין אִינוֹן צְהִיקוּיָא, דְּגָלִי לֹון קִדְשָׁא בְּרִיךְ הוּא, רְזִין דִּילִיָּה בְּחֵלְמָא, בְּגִין דִּיסְתַּמְרוֹן מִן דִּינָא. וְוִי לְאִינוֹן חִיבֵי עֲלָמָא, דְּמִסְאָבִין גְּרַמִּיָּהוּ וְנִפְשִׁיָּהוּ.

149. Come and behold: As for those who have not defiled themselves DURING THE DAY, when they go to bed to sleep the Nefesh rises. At first, it enters among all the grades OF THE KLIPOT, BUT then it rises above them and does not cleave to them. It continues to wander and climb, until it reaches its proper grade.

149. תָּא חֲזִי, אִינוֹן דְּלֵא אִסְתְּאָבוּ, בְּדִ סְלָקִי בְּעַרְסִיָּהוּ, נִפְשָׁא סְלָקָא וְעָאלַת בֵּין כָּל הַנִּי דְּרִגִין בְּקִדְמִיתָא, וְסְלָקָא וְלֵא אֲתַדְבֵּקֵת בְּהוּ. וְלִבְתַּר אֲזֵלָא וְשָׁטָא, וְסְלָקָא כְּמוֹם אֹרְחָהּ.

150. The Nefesh that deserves to climb high appears before the King and clings passionately to the desire to be seen and to see the pleasantness of the King and visit His palace. Such person shall always have a share in the world to come.

150. הֵהוּא נִפְשָׁא דְּזִכַּת לְסְלָקָא, אֲתַחֲזִיאת קַמִּיָּה דְּסַבְרָ אִמֵּי יוֹמִין, וְאַתְדְּבֵקֵת בְּרַעוּתָא לְאַתְחֲזָאָה בְּתִיאֹוֹבְתָא עֲלָאָה, לְמַחְמֵי בְּנוּעָם מְלָכָא, וְלִבְקָרָא בְּהִיכְלִיָּה. וְדָא הוּא בַר נֶשׁ דְּאִית לִיָּה חוֹלְקָא תְּדִיר בְּעֲלָמָא דְּאַתִּי.

151. This is the Nefesh, who yearns to reach the Holy One, blessed be He, and does not cleave to other kinds of Lights. It follows its own holy kind and seeks the place from which it came-THE SECRET OF THE NUKVA, FROM WHERE IT IS DRAWN OUT AND COMES FORTH. Therefore it is written: "With my soul (Nefesh) have I desired you in the night," so that I may pursue You, CLEAVE TO YOU, and not be tempted by the other idolatrous kinds.

151. וְדָא הִיא נִפְשָׁא, דְּכָסִיפָא דִּילָּהּ, בְּדִ סְלָקָא, בְּקִדְשָׁא בְּרִיךְ הוּא, וְלֵא אֲתַדְבֵּקֵת בְּהַנִּי זִינִין טְהִירִין אַחֲרָנִין, וְהִיא אֲזֵלַת בְּתַר זִינָא קְדִישָׁא, בְּאַתְרָא דְּנִפְקַת מִתַּמָּן. וּבְגִין כְּרַכְתִּיב נִפְשֵׁי אֹוִיתִיךְ בְּלִילָּהּ. בְּגִין לְמַרְדָּף בְּתַרְךְ וְלֵא לְאַתְפַּתָּאָה בְּתַר זִינָא אַחֲרָא נּוֹכְרָאָה.

18. Nefesh, Ruach, and Neshamah

There are three levels to the human soul: Nefesh [lowest level], Ruach [Middle level], and Neshamah [Highest level of the three]. There is a process that a human being should undergo throughout the day in order to elevate from the lowest to the highest level. This process begins with positive spiritual deeds. According to the Zohar, spiritual deeds are actions that help bring about a dramatic change in our character. When we align ourselves with negative people and chaotic situations in life, we ignite self-centered reactions within ourselves. A spiritual deed is when we rise above this power of impulse and alter our emotional and behavioral responses.

The Relevance of this Passage

Attaining higher levels of growth and evolving our own soul is our ultimate purpose in life, and the strength and inspiration to strive for these higher levels comes to us through the letters that compose this passage.

152. Come and behold: "My soul (Nefesh)"-this is the one that dominates at night and pursues its own grade, WHICH IS THE NUKVA OF ZEIR ANPIN, IN ORDER TO CLEAVE ON TO IT. "My spirit (Ruach)" governs during the day. As it is written: "With my soul (Nefesh) have I desired you in the night," this is the Nefesh that rules at night, BECAUSE AT THAT TIME IT RISES ON HIGH AND IS PRESENTED BEFORE THE KING. "With my spirit (Ruach) within me will I seek you early" refers to the Ruach, which governs during the day.

152. תָּא חֲזִי, נִפְשֵׁי: דָּא נִפְשָׁא דְּאִיהוּ שְׁלֵטָא בְּלִילָּהּ, וְלְמַרְדָּף בְּתַר דְּרָגָא. רוּחַ בְּיוֹם, דְּכַתִּיב נִפְשֵׁי אֹוִיתִיךְ בְּלִילָּהּ, דָּא נִפְשָׁא דְּאִיהוּ שְׁלֵטָא בְּלִילָּהּ, אִף רַחֲוִי בְּקִרְבִּי אֲשַׁחֲרֶךְ. דָּא רוּחַ דְּאִיהוּ שְׁלֵטָא בְּיוֹמָא.

153. And if you say THAT NEFESH AND RUACH are two different grades, separate from each other, it is not so! They are two combined as one grade. And there is a higher grade that governs them both; it cleaves to them and they to it-and it is called Neshamah.

154. All these grades rise in accordance with the secret of the inner Wisdom, because when the grades look at each other, man is able to look upon the Supernal Wisdom and the Neshamah can enter to them-TO THE NEFESH AND THE RUACH, and they cling to it. So when THE NESHAMAH governs, then man is called holy, perfected in all ways and is entirely devoted to the Holy One, blessed be He.

155. The Nefesh rouses from below, WHICH MEANS THAT IT IS LOWEST OF THE LIGHTS NEFESH, RUACH, AND NESHAMAH. Because it is closest to the body and nourishes it, the body clings to it and it to the body. Afterward, THE NEFESH is amended BY THE GOOD DEEDS A PERSON PERFORMS and becomes a throne on which the Ruach dwells. This is because of the awakening of the Nefesh, which is attached to the body. As it is written: "Until the spirit (Ruach) be poured upon us from on high..." (Yeshayah 32:15).

156. After both THE NEFESH AND THE RUACH are amended, they are ready to receive the Neshamah, because the Ruach becomes a throne on which the Neshamah rests. And this Neshamah is high above all and remains concealed, unattainable, and most hidden!

157. So there is a throne for the throne, BECAUSE THE NEFESH IS A THRONE FOR THE RUACH, WHICH IS ALSO A THRONE, and a throne for the highest level, BECAUSE THE RUACH IS A THRONE FOR THE NESHAMAH, WHICH IS HIGH ABOVE THEM BOTH. And when you study these grades, you find in this subject the secret of Wisdom. IN OTHER WORDS, YOU LEARN HOW THE LIGHT OF CHOCHMAH IS DRAWN BY THE NEFESH, RUACH, AND NESHAMAH. And everything is in accordance with the higher Wisdom, in order to achieve certain mysteries.

158. Come and behold: The Nefesh is the awakening factor from below that cleaves to the body. Just like the light of a candle, in which the lowest light, which is black, clings to the wick and exists only through it. So, when THE BLACK LIGHT is improved through AND CLINGS TO the wick, it becomes a throne for the white light above it, BECAUSE THE WHITE LIGHT rests upon the black light. THIS WHITE LIGHT IS EQUIVALENT TO THE LIGHT OF RUACH.

153. ואי תימא, דתרין דרגין אינון בפרודא. לא הכי, דהא דרגא חד אינון, ואינון תרין, בחבורא חד. וחד עלאה, דשלטא עליהו, ואתדבק בהו, ואינון ביה, ואתקריאת נשמה.

154. וכלהו דרגין סלקאן ברזא דחכמתא, דכד מסתכלן אליון דרגין, יסתכל בר נש, בחכמה עלאה, והאי נשמה עייל בהו, ומתדבקן בה, וכד האי שלטא, כדין ההוא בר נש, אקרי קדוש, שלום מכלא, רעותא חדא לגבי קדשא בריך הוא.

155. נפש: איהו אתערותא תתאה, ודא סמיכא בגופא, וזנת ליה, וגופא אחיד בה, והיא אתאחדת בגופא. לבתר אתתקנת, ואתעבדת כרסויא לאשראה עלה רוח, באתערותא דהאי נפש. דאתאחידת בגופא, כמה דכתיב עד יערה עליונו רוח ממרום.

156. לבתר דמתקני תרווייהו, זמינין לקבלא נשמה, דהא רוח אתעביד כרסויא לגבי נשמה, לאשראה עליה, והאי נשמה, איהו סתימא, עלאה על כלא, טמירא דכל טמירין.

157. אשתכח, דאית כרסויא לכרסויא, וכרסויא לגבי עלאה עליהו. וכד תסתכל בדרגין, תשבח רזא דחכמתא בהאי מלה. וכלא הוא חכמתא לאתדבקא בהאי גוונא מלין סתימין.

158. תא חזי, נפש איהו אתערותא תתאה, דאתדבקא ביה בגופא. כגוונא דנהורא דבוצינא, דנהורא תתאה, דאיהו אוכמא אתדבקת בפתילה, ולא אתפרש מנה, ולא אתתקנת אלא בה. וכד אתתקנת בפתילה, אתעבדת כרסויא לנהורא עלאה חוורא, דשריית על ההוא נהורא אוכמא.

159. After they are fixed, THE BLACK LIGHT WITH THE WHITE LIGHT OVER IT, the white light becomes a throne for a concealed light. What rests on the white light, which is neither seen nor known, IS EQUIVALENT TO THE LIGHT OF NESHAMAH. The light is now complete IN SUCH A MANNER THAT THE CANDLE HAS THREE LIGHTS-ONE ON TOP OF THE OTHER. FIRST, A BLACK LIGHT, WHICH IS THE LOWEST OF THEM ALL AND IS ATTACHED TO THE WICK OF THE CANDLE; SECOND, A WHITE LIGHT THAT RESTS ON THE BLACK LIGHT; AND FINALLY, A HIDDEN LIGHT THAT RESTS ON THE WHITE LIGHT. And so a person who reaches perfection in everything ALSO ATTAINS THESE THREE LIGHTS, ONE OVER THE OTHER, AS IS EXPLAINED BY THE LIGHTS OF THE CANDLE, WHICH CORRESPOND TO THE NEFESH, THE RUACH, AND THE NESHAMAH. Then that person is called 'holy,' as it is written: "for holy people who are in the earth..." (Tehilim 16:3).

160. This appears in the same manner, according to the sublime secret, IN THE VERSES BEFORE US. Come and behold: At the time when Avraham came to the land of Yisrael, the Holy One, blessed be He, appeared before him. As we have already stated and as it is written: "to Hashem, who appeared to him" (Bereshheet 12:7). There he attained the LIGHT OF Nefesh, and he built an altar for that grade. After this, "he journeyed on still toward the Negev," where he attained the LIGHT OF Ruach. And after that, when he rose to cleave to the LIGHT OF Neshamah, WHICH IS THE SECRET OF BINAH THAT IS CALLED THE "CONCEALED WORLD," IT IS WRITTEN THAT HE simply "built there an altar to Hashem" (Bereshheet 13:18). AS IT IS NOT WRITTEN 'TO HASHEM WHO APPEARED TO HIM.' This refers to the Neshamah, which is the most hidden of all. THEREFORE, IT IS NOT WRITTEN: 'TO HASHEM WHO APPEARED TO HIM' IN RELATION TO THE NESHAMAH, AS IS WRITTEN FOR THE LIGHT OF NEFESH.

161. After this, Avraham knew that he should undergo purification and be crowned with more grades. So immediately, "Avram went down to Egypt," where he was saved by not being enticed by the bright lights. As a result, he was purified, and returned to his place. Since he went down to Egypt and he was purified, immediately it says "Avram went up out of Egypt." He assuredly "went up," WHICH MEANS THAT HE ROSE A GRADE, AS HE NOW MERITED THE LIGHT OF CHAYAH, WHICH IS THE SECRET OF CHOCHMAH OF THE RIGHT SIDE, and returned to his place, TO THE LAND OF YISRAEL. And he cleaved to the Supernal Faith, as it is written: "to the Negev," WHICH ALLUDES TO THE CHOCHMAH OF THE RIGHT, NAMELY CHESED THAT RISES UP DURING MATURITY AND BECOMES CHOCHMAH. THERE ARE FIVE GRADES IN THIS GRADE-NEFESH, RUACH, NESHAMAH, CHAYAH, AND YECHIDAH--AND AVRAHAM NOW MERITED ITS FIRST GRADES.

162. From here onward, Avraham acquired the Supernal Wisdom, cleaved to the Holy One, blessed be He, and became the right of the world. As it is then written: "And Avram was very rich in cattle, in silver and in gold" (Bereshheet 13:2). "Very rich" from the direction of the east, WHICH IS TIFERET; "in cattle" from the west, WHICH IS MALCHUT; "in silver" from the south, WHICH IS CHOCHMAH, and "in gold" from the north, WHICH IS BINAH.

163. Rabbi Elazar, Rabbi Aba, and their companions came and kissed the hands of Rabbi Shimon. Rabbi Aba wept and said: Woe for the time when you shall leave this world. Who shall then light up the light of Torah? Happy is the fate of the companions who have heard these interpretations of Torah coming from your mouth!

19. "And he went on his journeys"

Avraham the Patriarch attained the highest level of wisdom that a man can achieve. The spiritual process that he endured to acquire this great wisdom is recounted in the following section.

The Relevance of this Passage

According to the Zohar, the wisdom of Kabbalah is not merely information and knowledge that one acquires as an external asset. On the contrary, Kabbalistic wisdom is the very substance of Light, the essence and core of that which it describes. To acquire spiritual wisdom is to, therefore, infuse one's self with spiritual energy. This great Light nurtures and fills our soul through the wisdom and words of this profound portion.

164. Rabbi Shimon said, Come and behold: The verse, "And he went on his journeys... (Heb. lemasa'av)" (Beresheet 13:3) MEANS that he went to visit his place and his grade. In this verse, lemasa'av IS SPELLED WITHOUT THE LETTER YUD, INDICATING THE SINGULAR FORM. SO HE ASKS: Which journey? AND HE ANSWERS: This is the first grade that was revealed to him. Here, it is written: "masa'av (his journey)"; and in another place thither (Heb. masa): "was built of stone made ready before it was brought" (I Melachim 6:7). As we have already explained, assuredly it was "stone made ready (Heb. shlemah)" WHICH MEANS THAT THE STONE, WHICH IS MALCHUT, BELONGS TO THE KING TO WHOM THE PEACE (HEB. SHALOM) BELONGS. AND KING SOLOMON (HEB. SHLOMO) ALLUDES TO THE KING TO WHOM PEACE BELONGS, NAMELY ZEIR ANPIN. SO BY ANALOGY, IN THE FORMER VERSE AS WELL IT REFERS TO THE NUKVA OF ZEIR ANPIN. "Masa" has already been explained.

165. The words, "on his journeys," MEANS THAT HE MOVED ALONG all of these grades, one after the other, as explained, "from the Negev even to Bet El," to firmly establish his place, WHICH IS CHESED, and to unite it WITH BET EL WHICH IS THE NUKVA. Because the secret of Wisdom lies "from the Negev even to Bet El."

166. In the verse, "to the place where his tent (Heb. ohaloh) had been at the beginning" (Beresheet 13:3), the word ohaloh is spelled with a letter Hei (at the end) INSTEAD OF WITH A LETTER VAV. THIS IMPLIES THAT ohaloh is Bet El, WHICH IS CALLED a "stone made ready," as we have stated, NAMELY THE NUKVA OF ZEIR ANPIN. Furthermore, he states THAT HE REFERS TO THE NUKVA, and says: "To the place of the altar, which he had made there at first..." Of this it says: "to Hashem, who appeared to him," WHICH ALLUDES TO THE SECRET OF THE NUKVA. And then it is written: "And there Avram called in the name of Hashem." Because then he cleaved to the complete faith.

167. Come and behold: At first, he rose THROUGH THE GRADES from lower to higher, as it is written: "And Hashem appeared to Avram," and "to Hashem who appeared to him." This is the first grade, as we have stated, WHICH IS THE SECRET OF a "stone made ready," NAMELY, THE GRADE OF NUKVA WHERE 'SEEING' LIES. AND FROM HERE HE ATTAINED THE NEFESH. After this it is written: "going on still toward the south," MEANING THAT HE ROSE grade after grade until he was crowned in the south, WHICH IS CHESED OF ZEIR ANPIN; THIS IS his share and destiny. AND FROM HERE HE REACHED RUACH. After this, as he rose higher, the matter is concealed, and it simply says, "to Hashem," RATHER THAN, "TO HASHEM WHO APPEARED TO HIM." This is the upper world, NAMELY BINAH. AND FROM HERE HE MERITED THE NESHAMAH. He went through further grades, WHICH MEANS THAT HE WENT DOWN TO EGYPT AND WENT UP FROM THERE. THROUGH THIS, HE ACHIEVED THE GRADE OF CHOCHMAH FROM THE RIGHT SIDE, AS CHESED BECAME CHOCHMAH. Afterward he descended from above downward, AS IS EXPLAINED IN THE VERSE, "AND HE WENT ON HIS JOURNEYS..." and everything was properly attached to its place!

164. אָמַר רַבִּי שִׁמּוֹן, תָּא חֲזִי, מַה בְּתִיב, וַיֵּלֶךְ לְמַסְעָיו. לְמַמְקַד אֶתְרִיָּה וְדַרְגּוּי. לְמַסְעָיו, לְמַסְעוֹ בְּתִיב, מֵאֵן מַסְעוֹ. דָּא דַּרְגָּא קַדְמָאָה, דְּאִתְחַזֵּי לֵיהּ בְּקַדְמִיתָא, בְּתִיב הָכָא מַסְעוֹ, וּכְתִיב הָתָּם אֲבָן שְׁלֵמָה מִסַּע נְבִנָּה. וְהָא אוֹקִימָנָא, אֲבָן שְׁלֵמָה וְדַאי מִסַּע כְּמַה דְּאִתְמַר.

168. Here, as you observe the grades THAT APPEAR IN THE SCRIPTURE, you shall find the secret of the supernal Wisdom (Chochmah)-NAMELY CHOCHMAH OF THE RIGHT SIDE. As it is written: "And he went on his journeys from the Negev." THIS MEANS from the right side, WHICH IS THE SOUTH AND the beginning of the Supernal, NAMELY BINAH, concealed and unfathomed deep, reaching up to the Endless World (Heb. Ein Sof). And from there he descended, grade after grade, "from the Negev even to Bet El" (Bereshheet 18:8), WHICH IS THE NUKVA.

169. And it is written: "and there Avram called in the name of Hashem," MEANING THAT he attached Unity in its proper place. As it is written: "To the place of the altar, which he had made there at first." What is THE MEANING OF "which he made there?" IT MEANS THAT FIRST he elevated THE NUKVA from below to the upper grades and now he brought her down through the grades, so that she remains attached to those supernal grades and they remain attached to her, and all become united in one as should be!

170. Then Avraham was crowned and his destiny surly became connected with the Holy One, blessed be He. Happy are the righteous, who are crowned by the Holy One, blessed be He, and He, in turn, is crowned by them. They are happy in this world, as well as in the world to come. Of them it is written: "Your people also shall be all righteous: they shall inherit the land for ever" (Yeshayah 60:21), and "But the path of the just is like the gleam of sunlight, that shines ever more brightly until the height of noonday" (Mishlei 4:18).

171. They went along until they reached a field in which they sat down. Rabbi Shimon opened the discussion by saying: "Turn to me and have mercy upon me..." (Tehilim 86:16). This verse should be studied. Even though we have explained it in many places, there is hidden meaning in its passages. HE ASKS: How could it be that David, WHO WAS HUMBLE, should say: "Turn to me and have mercy upon me?"

172. AND HE REPLIES: He was referring to his grade, by which he is crowned. IN OTHER WORDS, HE PRAYED FOR THE SAKE OF THE NUKVA OF ZEIR ANPIN. In the verse, "give Your strength to your servant," the words "give Your strength" refer to the supernal strength, WHICH IS CHOCHMAH. As it is written: "and he shall give strength to his king" (I Shmuel 2:10). Who is his king? His king, without any specific reference, is clearly to King Mashiach, NAMELY MALCHUT, WHICH IS THE NUKVA OF ZEIR ANPIN. In this passage, the words "your servant" also refer to Mashiach. As we have stated, the king is mentioned without any reference; THEREFORE IT ALLUDES TO THE NUKVA.

168. וְהָכָא כִּד תַּסְתַּבֵּל בְּדַרְגֵינָן, תִּשְׁכַּח רְזָא דְחֻכְמַתָּא עֲלָאָה, מִה כְּתִיב, וַיֵּלֶךְ לְמִסְעוֹ מִנֶּגֶב, מִסְטָרָא דִימִינָא, שִׁירוּתָא דְעֵלְמָא עֲלָאָה, סְתִימָא עֲמִיקָא לְעֵילָא, עַד אֵין סוּף, וְנַחֲתִית דְרָגָא בְּתֵר דְרָגָא, מִנֶּגֶב וְעַד בֵּית אֵל מְעִילָא לְתַתָּא.

169. וּכְתִיב, וַיִּקְרָא שֵׁם אֲבָרָם בְּשֵׁם ה' . אֲדַבֵּק יְחוּדָא בְּאַתְרֵיהּ, כְּדָקָא יְאוּת, דְכְתִיב, אֵל מְקוּם הַמִּזְבֵּחַ אֲשֶׁר עָשָׂה שֵׁם בְּרֵאשׁוֹנָה, מֵאִי אֲשֶׁר עָשָׂה שֵׁם. דְסֵלִיק לָהּ מִתַּתָּא לְעֵילָא. וְהִשְׁתָּא נַחֲתִית בְּדַרְגֵינָן מְעִילָא לְתַתָּא, בְּגִין דְהוּא לָא תַעֲרִי מְאִינֻן דְרָגִין עֲלָאִין, וְאִינֻן לָא יַעֲרוֹן מִנָּה, וַיִּתְיַחַד כָּלָא בִּיְחוּדָא חֲדָא כְּדָקָא יְאוּת.

171. אֲזֵלוּ, כִּד מְטוּ בְּחַד בֵּי חֻקְלָא, יִתְבוּ. פְּתַח ר' שְׁמַעוֹן וְאָמַר, פְּנֵה אֵלַי וְחַנּוּנִי וְגו'. הָאִי קָרָא אִית לְאַסְתַּבְּלָא בֵיהּ, וְהָא אֻקְיַמְנָא לֵיהּ, בְּכַמָּה אַתְר. אֲבָל בְּהָאִי קָרָא, מְלִין סְתִימִין אִית בֵּיהּ, פְּנֵה אֵלַי. וְכִי דוֹד אָמַר פְּנֵה אֵלַי וְחַנּוּנִי.

172. אֲלָא, בְּגִין דְרָגָא דִילֵיהּ, דְאִיהוּ אֲתַעֲטֵר בֵּיהּ קָאֵמַר, תְּנֵה עֲזָךְ לְעַבְדְךָ. תְּנֵה עֲזָךְ, דָּא עֲזָא עֲלָאָה, כְּדְכְתִיב וַיִּתֵּן עֲזוֹ לְמַלְכוֹ. מֵאֵן מַלְכוֹ. דָּא מְלַךְ סְתָם, מְלַכָּא מְשִׁיחָא. אוּף הָכָא לְעַבְדְךָ, דָּא מְלַכָּא מְשִׁיחָא, כְּדָאֵמְרֵן מְלַךְ סְתָם.

173. About the verse, "And save the son of Your handmaid" (Tehilim 86:16), HE ASKS: Was he not the son of Yishai? If so, then why did he refer to himself as the son of his mother and not of his father? AND HE REPLIES: We have already explained that when a person comes forward to receive something lofty, he should refer only to things that are absolutely true. Therefore he mentioned his mother, WHEN HE SAID, "AND SAVE THE SON OF YOUR HANDMAID," and not his father. And furthermore, we have already learned that this refers to an unspecified king, as we said. THIS MEANS THAT HE DID NOT PRAY FOR HIMSELF, BUT FOR THE SAKE OF THE NUKVA WHICH IS CALLED 'KING' WITH NO FURTHER QUALIFICATIONS. THIS IS WHY HE MENTIONED HIS MOTHER'S NAME, WHO PERTAINS TO THE NUKVA, AND NOT HIS FATHER'S NAME!

173. וְהוֹשִׁיעָה לְבֶן אִמְתְּךָ. וְכִי לֹא הוּא בְרִיָּה דְיִשַׁי אִיהוּ, עַד דְּאִיהוּ אָמַר בְּשֵׁמֵא דְאִמִּיהּ, וְלֹא בְשֵׁמֵא דְאָבוּי. אֲלֵא, הָא אֹקִימָנָא, דְּכַד יִיתִי בְּרַ נְשַׁלְקְבֵּל מְלָה עֲלָאָה לְאַדְכְּרָא, בְּעֵי לְמַהֲךָ בְּמִלְהַ דְּאִיהוּ וְדָאִי. וְעַל דָּא, אֲדַכְּרָא לְאִמִּיהּ, וְלֹא לְאָבוּי. וְתוּ, הָא תְּנִינָן דְּדָא מֶלֶךְ כְּדִקְאֻמְרָן.

20. "And there was a strife between the herdsmen of Avram's cattle"

When Avraham discovered that Lot, his nephew, was engaged in Idol Worshipping, Avraham knew immediately that he had to disconnect himself completely from Lot. The spiritual principle of this story concerns the influence that our immediate environment exerts upon us. It is incumbent upon all of us to associate with people who are sincere in their desire for spiritual growth. Although our own intentions may be pure, the influences that surround us inevitably affect our way of life.

The Relevance of this Passage

The Kabbalistic definition of Idol Worshipping includes much more than simply praying to statues or other false gods. Whenever we allow an external object or situation to control our behavior, our thoughts, or our emotions, we are worshipping an idol. Many people, for example, worship the idol of money. They are disciples and servants to their own businesses. Others are ruled by appearances and the perceptions of those around them. The moment we allow the external world to control our hearts and minds, we are committing the sin of Idol Worshipping. In this portion, freedom from external negative forces and influences is bestowed upon the reader.

174. Rabbi Shimon said, Come and behold, It is written: "And there was strife (Heb. riv) between the herdsmen of Avram's cattle." The word riv is spelled Resh Bet without the letter Yud, which means that Lot wanted to return to idol worshipping, which was the custom of the natives. Thus, at the end of the verse, it is written: "and the Cnaani and the Perizi dwelt then in the land." THIS TEACHES US THAT LOT WANTED TO WORSHIP IDOLS AS THEY DID. AND THE REASON WHY IT GIVES RIV WITHOUT A YUD IS TO POINT TOWARD IDOL WORSHIP. IT FOLLOWS THE SECRET FOUND IN THE VERSE, "AND THE ELDER (HEB. RAV) SHALL SERVE THE YOUNGER" (BERESHEET 25:23). ESAV SAID TO YA'AKOV, "I HAVE ENOUGH (HEB. RAV - RESH BET)" (BERESHEET 33:9), BUT YA'AKOV SAID TO HIM, "AND BECAUSE I HAVE ALL (HEB. KOL)" (BERESHEET 25:11). THIS IS ALSO THE SECRET OF THE VERSE, "AND A MIXED MULTITUDE (HEB. EREV RAV) WENT UP ALSO WITH THEM" (SHEMOT 12:38).

174. אָמַר ר' שִׁמְעוֹן, הָא חֲזִי, מַה בְּתִיב, וַיְהִי רִיב בֵּין רְעֵי מִקְנֵה אַבְרָם, רַב בְּתִיב, חֶסֶר יוֹד, דְּבַעַא לֹט לְמַהֲדַר לְפֻלְחָנָא נּוֹכְרָאָה, דְּפִלְחִי יְתִבִי אַרְעָא, וְסוּפִיָּה דְקָרָא אוֹכַח, דְּכְתִיב וְהַכְּנַעֲנִי וְהַפְּרִיזוּ אֶז יוֹשֵׁב בְּאַרְץ.

175. How do we know that Lot reverted to his evil ways of idolatry? We know is from the verse: "and Lot journeyed from the east (i.e. from yore)" (Beresheet 13:11). And what is the meaning of "yore?" It means from Him-He who is more ancient than the world. And thus it is written: "and Lot journeyed from the east," and "it came to pass, as they journeyed from the east" (Beresheet 11:1). So, because there they journeyed away from Him-He who is more ancient than the world, it means the same thing here!

175. וּמְנַלְן דְּלֹט אֶהְדַּר לְסַרְחַנְיָה, לְפֻלְחָנָא נּוֹכְרָאָה, דְּכְתִיב, וַיֵּסַע לֹט מִמְקָדָם. מֵאֵי מִקְדָּם, מִקְדָּמוֹנוּ שְׁל עוֹלָם. בְּתִיב הָכָא, וַיֵּסַע לֹט מִמְקָדָם, וְכְתִיב וַיְהִי בְּנִסְעָם מִמְקָדָם, מַה לְהֵלֶן נְטִילוּ מִקְדָּמוֹנוּ שְׁל עוֹלָם אוּף הָכָא כֵּן.

176. As soon as Avraham realized that Lot reverted TO IDOLATRY, he spoke to him: "And Avram said to Lot, separate yourself, I pray you, from me" (Beresheet 13:8-9)--you are not worthy of associating with me. So Avraham separated from him and did not want to travel with or deal him any more, because whoever accompanies a wicked person shall eventually follow in his steps and be punished because of him.

176. בֵּינָן הִידַע אַבְרָהָם, דְּלֹט לְהִכִּי נְטִי לְבִיָּהּ. מִידַ וַיֹּאמֶר אַבְרָם אֶל לֹט וּגוּי הַפְּרַד נָא מֵעֲלִי. לֵית אַנְתָּה כְּדָאִי לְאַתְחַבְּרָא בְּהִדָאִי. כְּדִין אַתְפַּרְשׁ אַבְרָהָם מִנְיָה, וְלֹא בַעַא לְמִיָּהֲךָ וְלֹאֲתַחַבְּרָא עִמִּיָּהּ, דְּכָל מֵאן דִּיתְחַבֵּר לְחַיִּיבָא, סוּפִיָּה לְמִיָּהֲךָ אַבְתְּרִיָּהּ, וְלֹאֲתַעֲנֵשׁ בְּגִינְיָהּ.

177. How do we know this? We know this from Yehoshafat, who associated with Achav. And had it not been for the merit of his ancestors, Yehoshafat would have been punished because of Achav. As it is written: "but Yehoshafat cried out..." (II Divrei Hayamim 18:31). Then he was saved, as it is written: "and Elohim moved them to depart from him" (Ibid.)

178. Although Avraham did not want to travel with Lot, Lot still did not want to return from his evil way. As it is written: "Then Lot chose him all the plain of the Yarden; and Lot journeyed from the east" (Bereshheet 13:11), WHICH MEANS THAT he "journeyed away" from Him-He who is more ancient than the world, and refused to adhere to the True Complete Faith, as did Avraham.

179. THE LAND OF CNA'AN IS THE SECRET OF THE NUKVA, AND, AND IT IS WRITTEN: "Avram dwelt in the land of Cna'an" IN ORDER to cleave to the place of the Faith, WHICH IS THE SECRET OF THE NUKVA, and to attain knowledge about the Wisdom of his Master. Lot, however, "dwelt in the cities of the plain, and pitched his tent toward Sdom," WHICH MEANS THAT he became associated with the wicked of the world, who departed from the Faith. They are described by the verse, "But the men of Sdom were wicked and sinners before Hashem exceedingly." Each one departed and went his own way: AVRAHAM TO THE PATH OF HOLINESS, AND LOT TO THE WICKED. Because of this, happy are those freinds, who study Torah day and night, as they cleave to the Holy One, blessed be He. THEY DO AS AVRAHAM DID, AND NOT AS LOT. Of them it is written: "But you that did cleave to Hashem your Elohim are alive every one of you this day" (Devarim 4:4).

21. "And Hashem said to Avram after Lot was separated from him"

Progressing from the previous section, the Zohar reveals how Avraham the Patriarch prepared and readied himself to receive the Light of the Creator after disconnecting himself from the negative influences of his nephew Lot.

The Relevance of this Passage

This portion illustrates the importance of preparing ourselves, both spiritually and physically, for the Light of Creator to rest upon us. This preparation process is referred to as "building one's Vessel." Without a Vessel, the Light of the Creator cannot be revealed. This important Kabbalistic principle is clarified by an analogy: The sun requires a physical object, a vessel to reflect, and thus, reveal its light. In like manner, the Light of the Creator requires a Vessel in order to illuminate our physical world. These sacred verses assist us in the building of our own Vessel so that spiritual light can illuminate the dark areas of our life.

180. "And Hashem said to Avram, after Lot was separated from him..." (Bereshheet 13:14). Rabbi Aba opened the discussion by saying: "And Yonah rose up to flee to Tarshish from the presence of Hashem" (Yonah 1:3). Woe to those who hide from the presence of the Holy One, blessed be He, of whom it is written: "I fill the heaven and earth, says Hashem" (Yirmeyah 23:24). AND HE WONDERS, why did Yonah want to flee from the presence OF THE HOLY ONE, BLESSED BE HE?

181. AND HE REPLIES: In the verse, "My dove (Heb. yonati), who are in the clefts of the rock, in the secret places of the cliff" (Shir Hashirim 2:14), "my dove" refers to the Congregation of Yisrael, NAMELY THE SHECHINAH; "in the clefts of the rock" means Jerusalem, that is, the highest place in the world. Just as the rock is more eminent and stronger than everything, so is Jerusalem more eminent and stronger than all. The words, "in the secret places of the cliff" refer to the place that is called the place of the holy of holies, which is the heart of the entire world.

177. מְנַלְן, מִיְהוֹשָׁפֶט, דְּאִתְחַבַּר עִם אַחָב, וְאַלְמָלָא זָכוּ דְאַבְהוֹן, אִתְעֵנַשׁ תַּמָּן, דְּכְתִיב וַיִּזְעַק יְהוֹשָׁפֶט. וְכִדִּין אֲשֶׁתְּיֹזֵב, דְּכְתִיב וַיִּסִּיתֶם אֱלֹקִים מִמֶּנּוּ.

178. וְע"ד לָא בְעָא אַבְרָם לְמִיָּהֲךָ בְּהַרְיָה דְלוֹט. וְעַם כָּל דָּא, לָא בְעָא לוֹט, לְמַהֲדַר מְסוּרְחָנִיָּה, אֶלָּא וַיִּבְחַר לוֹ לוֹט אֶת כָּל כְּפַר הַיַּרְדֵּן. וַיִּסַּע לוֹט מִקְדָּם. אֲתַנְטִיל מִן קְדַמָּא דְעֵלְמָא, וְלֹא בְעָא לְאַתְדַּבְקָא בְּמַהֲיִמְנוּתָא שְׁלִימָתָא, כְּאַבְרָהָם.

179. אַבְרָם יוֹשֵׁב בְּאַרְץ כְּנָעַן. לְאַתְדַּבְקָא בְּאַתְרָא דְמַהֲיִמְנוּתָא, וְלִמְנַדַּע חֲכַמְתָּא, לְאַתְדַּבְקָא בְּמַאֲרִיָּה. וְלוֹט יוֹשֵׁב בְּעָרֵי הַכְּפָר וַיֵּאֱהָל עַד סְדוֹם, עִם אִינוֹן חַיִּיבִין דְעֵלְמָא, דְנִפְקוּ מִגּוּ מַהֲיִמְנוּתָא, דְכְתִיב, וְאֲנָשֵׁי סְדוֹם רְעִים וְחָטְאִים לֵה' מְאֹד. כָּל חַד אֲתַפְרַשׁ לְאַרְחִיָּה, כְּדָקָא יֵאוּת. בְּגִין כְּרֻזְבָּאִין אִינוֹן חַבְרִיָּיא, דְמִשְׁתַּדְּלִי בְּאוּרִייתָא יִמְמָא וְלִילִיא, וְחַבְרוּתָא דְלֵהוֹן בְּקַדְשָׁא בְּרִיךְ הוּא. וְעַלְיֵהוּ כְתִיב וְאַתֶּם הַדְּבָקִים בְּה' אֱלֹקֵיכֶם חַיִּים כְּלַכֶּם הַיּוֹם.

180. וְה' אָמַר אֶל אַבְרָם אַחֲרֵי הַפָּרֵד לוֹט מֵעִמּוֹ וְגו'. ר' אַבָּא פָתַח וַיִּקָּם יוֹנָה לְבְרוּחַ תַּרְשִׁישָׁה מִלְפָּנֵי ה' וְגו', וְוִי לְמַאֲן דְאַסְתַּתֵּר מִקְמִי קְדָשָׁא בְרִיךְ הוּא, דְכְתִיב בֵּיהּ הֲלֵא אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ אֲנִי מִלֵּא נְאֻם ה'. וְהוּא אָתִי לְמַעַרְק מִקְמִיָּה.

181. אֶלָּא, כְּתִיב יוֹנָתִי בְּחַגְוֵי הַסֵּלַע בְּסִתְרַי הַמְּדַרְגָּה. יוֹנָתִי דָא כְּנִסְתַּי יִשְׂרָאֵל. בְּחַגְוֵי הַסֵּלַע: דָּא יְרוּשָׁלַם, דְּאִיְהִי סֵלְקָא עַל כָּל עֵלְמָא. מַה סֵּלַע, אִיְהִי עֵלְאָה וְתַקִּיפָא עַל כָּלָא, אוּף יְרוּשָׁלַם אִיְהִי עֵלְאָה וְתַקִּיפָא עַל כָּלָא. בְּסִתְרַי הַמְּדַרְגָּה: דָּא אֲתֵר דְאַקְרֵי בֵּית קֹדֶשׁ הַקְּדוּשִׁים, לְבַא דְכָל עֵלְמָא.

182. It is written: "in the secret places of the cliff" OF THE HOLY OF HOLIES because the Shechinah used to hide Herself there, as does a modest wife, who does not show herself out of her house. Just as it is written: "Your wife shall be as a fruitful vine by the sides of your house" (Tehilim 128:3), so the Congregation of Yisrael does not dwell out of its own place, WHICH IS the "secret places of the cliff," except at times of exile. And since it is in exile, then the other nations of the world enjoy greater prosperity and peace THAN YISRAEL.

183. Come and behold: When the nation of Yisrael dwells in the Holy Land, everything is in its place, and the throne, WHICH IS THE NUKVA, is firmly established over them. They worshipped Hashem, WHICH MEANS THAT THEY ELEVATED MAYIN NUKVIN (FEMALE WATERS), and transcended the layers of air of the world. Their service ascended on high to its place TO THE MALE AND THE FEMALE, CAUSING THEM TO MATE WITH EACH OTHER. Because Yisrael alone is suited for the service, other nations were kept afar from the land. They did not rule as they do now. The other nations were nourished only from the residue. IN OTHER WORDS, THE ABUNDANCE THAT YISRAEL DREW DOWN BY THEIR SERVICE WAS ENOUGH TO ALSO NOURISH THE OTHER NATIONS OF THE WORLD. BUT THE MAJORITY OF THE ABUNDANCE WENT TO YISRAEL; THE OTHER NATIONS OF THE WORLD RECEIVED ONLY A RESIDUE OF THIS ABUNDANCE. THIS IS WHY DOMINION WAS GIVEN TO YISRAEL.

184. You may say, 'But we can see that many foreign kings ruled, even when the Temple was still in the world.' Come and behold: During the first Temple, Yisrael had not yet defiled the land. As a result, the other nations did not yet rule completely. Rather, they were nourished from the residue. And because their dominion was nourished by this residue, their rule was not very powerful. But as Yisrael sinned and defiled the land, it was as if they drove the Shechinah from her place to another place. And then, the other nations took control and were allowed to rule.

185. Come and behold: No other Governor rules over the land of Yisrael but the Holy One, blessed be He, alone. So when Yisrael sinned and burned incense to other deities in the land, it is as if the Shechinah was driven from her place. Because the incense attracted other deities, these deities became associates with Yisrael and dominion was handed over to them. Because the incense makes connections, THEY DREW THEIR POWER FROM THE SHECHINAH AND ATTAINED THEIR DOMINION THROUGH HER. Then the other nations ruled, the prophets were no more, and all the supernal grades ceased to rule over the land.

182. ובגין כַּכְּתִיב בְּסֵתֶר הַמְּדֻרָּגָה, בְּגִין דְּתַמְן הוּת שְׁכִינְתָּא מְסֻתְתָּרָא, כְּאַתְתָּא דְּאִיהִי צְנוּעָה לְבַעֲלָהּ, וְלֹא נִפְקָא מִבֵּיתָא לְבַר. כְּמָה דְּאַתְּ אָמַר, אֲשֶׁתְּךָ כְּגִפְן פֹּרִיָּה בִּירְכֵתִי בֵּיתְךָ וְגו'. כִּךְ כְּנִסְתּוֹ יִשְׂרָאֵל לֹא שְׂרִיָּא לְבַר מְאַתְרָהּ, בְּסִתְרֵי דְּרִוּגָא, אֲלֵא בְּזִמְנָא דְּגִלּוּתָא, דְּאִיהוּ בְּגוֹ גִּלּוּתָא, וּבְגִין דְּאִיהִי בְּגִלּוּתָא, שְׂאָר עַמִּין אֵית לֹן טִיבוּ וְשְׁלוּה וְיִתִּיר.

185. תָּא חֲזִי, אֶרְעָא דִּישְׂרָאֵל, לֹא שְׁלִיט עֲלֵהּ מִמְנָא אַחְרָא, בְּרֵ קְדָשָׁא בְּרִיךְ הוּא בְּלַחֲרֵיהּ. וּבְשַׁעֲתָא דְּחָאבוּ יִשְׂרָאֵל, וְהוּוּ מְקַטְרִין לְטַעוֹן אַחְרָנִין, בְּגוֹ אֶרְעָא, כְּבִיכּוֹל אֲדַחֲוִיא שְׁכִינְתָּא מְאַתְרָהּ, וּמְשַׁכֵּי וּמְקַטְרֵי לְאַתְקַשְׂרָא טַעוֹן אַחְרָן גּוֹ שְׁכִינְתָּא, וְכְדִין אֲתִיְהִיב לֹן שְׁלִטוֹתָא, בְּגִין דְּקַטְרַת קְטָרָא הוּא לְאַתְקַטְרָא. וְכְדִין, שְׁלִטוֹ שְׂאָר עַמִּין, וּבְטִלוּ נְבִיאִים, וְכֻל אִינוֹן דְּרִגִין עֲלֵאִין לֹא שְׁלִטוּ בְּאַרְעָא.

186. And the dominion was not taken away from the other nations, because they drew THE ABUNDANCE OF the Shechinah to themselves. Therefore, during the second Temple, the dominion of the other nations was not withdrawn from them. Even more so at the time of exile, when the Shechinah resided among other nations where other Governors had control. Thus they all draw their power from the Shechinah, who is drawn to them.

187. Accordingly, when Yisrael dwelt in the land and performed the services for the Holy One, blessed be He, the Shechinah was hidden modestly among them and did not leave Her home nor appear in public. Because of this, all the prophets that existed during that time, NAMELY THE TIME WHEN THE TEMPLE STOOD, did not receive their prophecy from outside of Her place, OUTSIDE OF THE LAND OF YISRAEL, as we have stated. Because of this, Yonah fled from the Holy Land. He did not want the prophecy revealed to him, so that he would not be obliged to complete the mission of the Holy One, blessed be He.

188. You might say, 'But the Shechinah revealed Herself to Yechezkel in Babylon, which is outside of the land of Yisrael!' However, as we have explained, these words, "the word came (Heb. hayoh hayah)" (Yechezkel 1:3), refer to an event that never happened before nor since the construction of the Temple. That prophecy was for that time only, TO BRING CONSOLATION TO YISRAEL.

189. And as it is written: "by the river Kevar," WHICH MEANS the river had already (Heb. kevar) been there since the creation of the world, and the Shechinah had always appeared there, EVEN BEFORE THE TEMPLE WAS CONSTRUCTED. As it is written: "And a river went out of Eden to water the garden; and from thence it was parted, and branched to four streams" (Beresheet 2:10). The river Kevar is one of these four STREAMS.

190. So the Shechinah was revealed there temporarily because of Yisrael's need to be consoled for the misery CAUSED BY THE DESTRUCTION OF THE TEMPLE. But, at other times, the Shechinah did not appear OUTSIDE THE LAND OF YISRAEL. Therefore, Yonah fled, so that the Shechinah would not rest upon or appear before him. He left the Holy Land and fled. This is why it is written: "from the presence of Hashem," and "that the men knew that he fled from the presence of Hashem" (Yonah 1:10).

191. Come and behold; Just as the Shechinah does not reveal Herself in an inappropriate place, so She does not reveal herself to anyone who is unworthy of Her. So from the time that Lot planned on returning to his evil ways, the Holy Spirit departed from Avraham. And when Lot separated from him, the Holy Spirit came back to rest in its place-NAMELY UPON AVRAHAM. This is why it is written: "And Hashem said to Avram, after Lot was separated from him..."

186. וְלֹא אֶעֱדִיו שְׁלֹטוֹתַא דְּשָׂאָר עַמִּין, בְּגִין דְּאִינוּן מְשֻׁכוֹ לְשְׁכִינְתָא לְגַבְיָהּ. וְעַל דְּאִבְבִּית שְׁנִי, הָא שׁוֹלְטוֹתַא מְשָׂאָר עַמִּין, לֹא אֶעֱדִיו, וְכִ"ש בְּגִלוֹתַא, דְּשְׁכִינְתָא בְּשָׂאָר עַמִּין, אֲתֵר דְּשָׂאָר מִמֶּנָּן שְׁלֹטִין, וּבְגִין כֶּן כְּלָהוּ יִנְקִין מִן שְׁכִינְתָא, דְּאֲתִקְרִיבַת גַּבְיָהּ.

190. וְתַמְן אֲתַגְלִיָּא שְׁכִינְתָא, לְפֻּם שַׁעֲתָא דְּאֶצְטְרִיכוּ לָהּ יִשְׂרָאֵל, לְפֻּם צַעֲרֵיהּ. אֲבַל בְּזִמְנָא אַחְרָא לֹא אֲתַגְלִיָּא, וּבְגִין כְּרִיּוֹנָה, בְּגִין דְּלֹא תִשְׂרִי עֲלוּי שְׁכִינְתָא, וְלֹא תִתְגַּלֵּי עֲלֵיהּ, אֲזַל מְאֶרְעָא קְדִישָׁא, וְעֵרַק. הָא דְּמִלְפְּנֵי ה'. וְכְתִיב בֵּי יַדְעוּ הָאֲנָשִׁים בֵּי מִלְפְּנֵי ה' הוּא בּוֹרַח.

191. תָּא חֲזוּי כְּמַה דְּשְׁכִינְתָא לֹא אֲתַגְלִיָּא, אֲלֵא בְּאֲתֵרָא דְּאֲתַחְזוּי לָהּ, אוֹף הִכִּי לֹא אֲתַחְזוּי וְלֹא אֲתַגְלִיָּא, אֲלֵא בְּבַר נֶשׁ דְּאֲתַחְזוּי לָהּ. דְּהָא מִן יוֹמָא דְּסִלִּיק עַל רְעוּתֵיהּ דְּלוּט, לְאֲתַהֲפֵכָא בְּסַרְחָנֵיהּ, אֲסַתְלַקַת רוּחָא קְדִישָׁא מֵאֲבְרָהָם. וְכַד אֲסַתְלַק לוּט מִנֵּיהּ, מִיַּד שְׂרָא רוּחַ קוּדְשָׁא בְּדוּכְתֵיהּ. הָדָא הוּא דְּכְתִיב, וְה' אָמַר אֶל אַבְרָם אַחֲרַי הִפְרֵד לוּט מֵעִמּוֹ וְגו'.

192. Come and behold: Avraham saw that Lot returned to his evil habits and was afraid. He said: 'Could it be, heaven forbid, that because I associate with him, I have lost the holy portion that the Holy One, blessed be He, adorned me with!' But as soon as Lot left him, the Holy One, blessed be He, said to him, "Now lift up your eyes, and look from the place where you are."

193. AND HE ASKS: What is the meaning of the words, "from the place where you are?" AND HE ANSWERS: They mean from the place to which you have cleaved from the beginning and in which you were adorned by the complete Faith. "Northward, southward, eastward, and westward" are the directions of his first journeys, as it is written: "And he went on his journeys." THIS IS THE SECRET OF NEFESH, RUACH, NESHAMAH, AND CHAYAH. THUS, NORTHWARD IS THE SECRET OF BINAH AND NESHAMAH; SOUTHWARD IS THE SECRET OF CHOCHMAH AND CHAYAH; EASTWARD IS THE SECRET OF TIFERET AND RUACH; WESTWARD IS THE SECRET OF MALCHUT AND NEFESH. And it is written: "going on still toward the Negev"; these are the supernal grades with which he was adorned with the Complete Faith, as at first.

194. And then he received the good news that they would not depart from him or from his children forever. As it is written: "For all the land which you see, TO YOU WILL I GIVE IT, AND TO YOUR SEED FOR EVER" (Beresheet 13:15). AND HE ASKS: What is the meaning of 'which you see'? AND HE REPLIES: This is the first grade that appeared to him, WHICH IS THE GRADE OF NEFESH. As it is written: 'to Hashem, who appeared to him.' As a result, it is written: 'which you see,' because this first grade, WHICH IS THE NUKVA, includes other grades, and all of the grades appear in it. This is why IT IS WRITTEN: "For all the land which you see ..."

22. "As the apple tree among the trees of the forest"

The Zohar tells us that Rabbi Elazar and Rabbi Chizkiyah were lodging at an inexpensive inn located in the city of Lod. Kabbalistically, these two great sages are actually occupying a specific spiritual dimension as they discuss the many layers of meaning in Biblical scripture. Specifically, these two spiritual giants are discussing a verse in the Torah that tells of an apple tree in the midst of a forest.

The Relevance of this Passage

As the two mystics explore the various Lights and spiritual forces concealed within the text of the Torah, the letters that form this Kabbalistic story arouses our appreciation for the depth, richness, and spiritual Light contained in each word and verse of the Torah.

195. Rabbi Elazar came to an inn in Lod together with Rabbi Chizkiyah. Rabbi Elazar got up during the night to study Torah. Rabbi Chizkiyah stood by him, BECAUSE THE PLACE WAS SMALL. Rabbi Elazar said: The friends always meet in a narrow place. HE MEANT THAT BECAUSE THE FRIENDS STUDY TORAH MUCH OF THE TIME AND WORK ONLY A LITTLE, THEY MEET IN SMALL AND NARROW INNS; THEY HAVE NO MONEY TO RENT LARGE ROOMS.

196. Rabbi Elazar opened the discussion by saying, "As the apple tree among the trees of the forest..." (Shir Hashirim 2:3). "The apple tree" refers to the Holy One, blessed be He, who is precious and decorated by His colors. HIS COLORS-WHITE, RED, AND GREEN-ARE THE SECRET OF THE THREE COLUMNS OF CHESED, GVURAH, AND TIFERET. His tree has no equal among all the other trees, WHICH REPRESENT THE SEVENTY GOVERNORS WHO IMITATE THE HOLINESS, AS AN APE DOES A MAN. He is distinguished from them all, and there is no one like Him.

182. תָּא חֲזִי, בֵּינּוֹן דְּחֵמָא אַבְרָהָם, דְּלוֹט הוּהּ תָּב לְסִרְחָנִיָּה, הוּהּ דְּחִיל אַבְרָהָם, אָמַר דִּילְמָא ח"ו, בְּגִין חֲבֵרוֹתָא דְרָא, אַבִּידְנָא בְּגִינִיָּה חוֹלְקָא קְדִישָׁא, דְּאֶעֱטַר לִי קְדָשָׁא בְּרִיךְ הוּא. בֵּינּוֹן דְּאֶתְפָּרֵשׁ מִנִּיָּה, אָמַר לוֹשָׁא נָא עֵינֶיךָ וְרָאָה מִן הַמְּקוֹם אֲשֶׁר אֶתָּה שָׁם.

193. מַאי מִן הַמְּקוֹם אֲשֶׁר אֶתָּה שָׁם. דְּאֶתְדַבַּקְתָּ בֵּיהּ בְּקַדְמִיתָא, וְאֶתְעַטַּרְתָּ בְּהִימְנוּתָא שְׁלִימָתָא. צְפוּנָה, וְנִגְבָּה, וְקַדְמָה, וְיָמָה. אֵלֵין אִינוּן מִסְעֵיו, דְּהוּוּ בְּקַדְמִיתָא, דְּכֹתִיב וְיִלְךְ לְמִסְעֵיו. וְכֹתִיב הַלּוֹךְ וְנִסּוֹעַ הַנִּגְבָּה. אֵלֵין דְּרִגִין עֲלֵאִין, דְּאֶתְעַטַּר בְּמַהִימְנוּתָא שְׁלִימָתָא בְּקַדְמִיתָא.

184. וְכִדִּין אֶתְבַּשֵׁר, דְּלָא יַעֲדִי מִנִּיָּה וּמִן בְּנוֹי לְעַלְמִין, דְּכֹתִיב כִּי אֶת כָּל הָאָרֶץ אֲשֶׁר אֶתָּה רוֹאָה. מַאי אֲשֶׁר אֶתָּה רוֹאָה. דָּא דְרָגָא קַדְמָאָה דְּאֶתְגַּלְיָא לִיָּה, כְּד"א לָהּ הַנְּרָאָה אֵלֵינוּ. וּבְגִין כְּרָאָשׁר אֶתָּה רוֹאָה, בְּגִין דְּרָגָא דָּא קַדְמָאָה, אֶתְכַלִּיל מִכְּלָהוּ דְּרִגִין, וְכָלְהוּ אֶתְחַזֵּן בֵּיהּ, וּבְגִין כֶּךָ, כִּי אֶת כָּל הָאָרֶץ אֲשֶׁר אֶתָּה רוֹאָה וְגו'.

195. ר' אֶלְעָזָר אֶעֱרַע בְּבֵי אוֹשְׁמִיזָא בְּלוֹד, וְהוּהּ עֵמִיָּה רַבִּי חֲזִקְיָה. קָם בְּלִילִיא לְמַלְעֵי בְּאוּרִייתָא, קָם רַבִּי חֲזִקְיָה גְבִיָּה, אָמַר לוֹר' אֶלְעָזָר, בְּקִיסְטָרָא דְּקוֹסְטָא, חֲבַרְיָא שְׂכִיחִי.

196. פִּתַּח ר' אֶלְעָזָר וְאָמַר, כְּתַפּוּחַ בְּעֵצֵי הַיַּעַר וְגו' . כְּתַפּוּחַ, דָּא קְדָשָׁא בְּרִיךְ הוּא דְּאֶתְפָּרֵשׁ מִנִּיָּה, וְאֶתְעַטַּר בְּגוֹוֹנוֹי, מִכָּל שְׂאָר אֵילָנִין, דְּלָא אִית דְּדַמִּי לִיָּה. רְשִׁים אִיהוּ מִכָּלָא, רְשִׁים הוּא, דְּלִית אַחֲרָא כְּוֹתִיָּה.

197. Because of this, "I sat down under his shadow with great delight." (Ibid.) The verse reads, "under his shadow," and not under any anyone else's, BECAUSE BEFORE SHE WAS PROPERLY ESTABLISHED AND WELL AMENDED, THE SHECHINAH LAY UNDER THE SHADOW OF THE LEAVES OF THE FIG TREE. SO "UNDER HIS SHADOW" AND NOT UNDER ANY OTHER'S ALLUDES TO THE OTHER SEVENTY GOVERNORS. "With great delight," HE ASKS: Since when? WE CANNOT SAY THAT SHE HAS ALWAYS EXPERIENCED GREAT DELIGHT, PARTICULARLY AFTER THE SIN WHEN SHE WAS UNDER THE INFLUENCE OF THE SEVENTY GOVERNORS!" AND HE SAYS: This is from the day when Avraham came to this world, who loved the Holy One, blessed be He. It is written: "Avraham my beloved" (Yeshayah 41:8), BECAUSE HE FULLY AMENDED THE SHECHINAH AND SHE WAS UNITED AGAIN WITH ZEIR ANPIN." "His fruit was sweet to my taste" refers to Yitzchak, who is the holy fruit OF AVRAHAM.

198. Another explanation of the verse, "I sat down under his shadow with great delight," is that it refers to Ya'akov, WHO IS THE SECRET OF THE CENTRAL COLUMN. "And his fruit was sweet to my taste" refers to Yosef the righteous, WHO IS THE SECRET OF YESOD, who brought forth holy fruits to the world, NAMELY SOULS. Therefore, it is written: "These are the generations of Ya'akov: Yosef" (Beresheet 37:2), which shows that all the generations of Ya'akov are established by Yosef the righteous, WHO IS THE ASPECT OF THE YESOD OF YA'AKOV. And because of this Yisrael is called by the name of Ephraim, as it is written: "Ephraim my dear son" (Yirmeyah 31:19).

199. There is another explanation of the verse "as the apple tree among the trees of the forest" is that the words refer to Avraham, who was like a fragrant apple tree and was distinguished from others of his generation by his complete faith. And he became distinguished as one both above and below. As is written: "Avraham was one" (Yechezkel 33:24).

200. HE ASKS: Why was he 'one'?" AND HE SAYS: Because there was no other then in the world, who had elevated himself by the faith in the Holy One, blessed be He, besides him. Rabbi Chizkiyah said to him: But it is written: "and the souls that they had made in Charan," WHICH MEANS THAT AVRAHAM BROUGHT MEN AND SARAH BROUGHT WOMEN TO BE CONVERTED. SO THERE WERE PEOPLE WITH FAITH IN THE HOLY ONE, BLESSED BE HE, BESIDES HIM! He told him, Nevertheless, they did not reach the supernal grades with which Avraham was adorned!

201. Later, he said to him: I have also heard that Avraham was not referred to as one, until he became united with Yitzchak and Ya'akov. Only after he became associated with Yitzchak and Ya'akov and the three were the fathers of the world was Avraham named "one." THIS MEANS THAT ONLY AFTER HE COMBINED ALL THREE COLUMNS TO ONE WAS HE NAMED "ONE"; then he was CALLED the apple tree of the world, WHICH WAS DISTINGUISHED BY ITS THREE COLORS, WHITE, RED, AND GREEN, WHICH ALLUDE TO THE THREE COLUMNS. "Thus, he was distinguished and different from all the people of his generation. He said to him: Well said!

197. בגיני כך, בצלו חמדתי. בצלו: ולא בצל אחר. בצלו: ולא בצל דשאר ממנו. חמדתי, אימתי, מן יומא דהוה אברהם בעלמא, דאיהו חמיר ורחים ליה לקדשא בריך הואבאהבה. כד"א אברהם אוהבי. ופריו מתוק לחכי, דא הוא יצחק, דאיהו איבא קדישא.

198. דבר אחר, בצלו חמדתי וישבתי, דא יעקב. ופריו מתוק לחכי, דא יוסף הצדיק, דעבר פירין קדישין בעלמא. וע"ד כתיב אלה תולדות יעקב יוסף. דכל אינון תולדות דיעקב ביוסף הצדיק קיימי, דעביד תולדות. ובגין כך, אקרון ישראל, על שמה דאפרים, דכתיב הבן יקיר לי אפרים וגו'.

202. A different explanation of the verse, "As the apple tree among the trees of the forest," is that it refers to the Holy One, blessed be He, THE RIGHT COLUMN; "so is my beloved" refers to the Holy One, blessed be He, THE LEFT COLUMN; AND "under his shadow" refers to the Holy One, blessed be He, THE CENTRAL COLUMN. "I sat down...with great delight" refers to the day on which the Holy One, blessed be He, appeared on Mount Sinai, and Yisrael received Torah and said:, "will we do, and obey" (Shemot 24:7). THEN, THE SHECHINAH SAID: "I SAT DOWN...WITH GREAT DELIGHT."

203. "And his fruit was sweet to my taste" refers to the words of Torah, which are described as "sweeter than honey and the honeycomb" (Tehilim 19:11). According to another explanation, "And his fruit was sweet to my taste" refers to the souls of the righteous, who are all the fruit of the handiwork of the Holy One, blessed be He, and abide with Him above.

204. Come and behold: All the souls in the world, who are the fruit of the handiwork of the Holy One, blessed be He, are one in the same secret. IN THE UPPER WORLD, THEY ARE NOT YET DISTINGUISHED AS MALE AND FEMALE. Only when they descend to the world are their souls separated to male and female. And every soul has a male and female part, united together as one.

205. Come and behold: The passion of the female to the male brings forth a Nefesh. And the passion of the male towards the female, and his clinging to her, also brings forth a Nefesh, which includes THE NEFESH FROM the passion of the female. Thus the passion of the lower, THE FEMALE, is united with the passion of the upper, THE MALE, and BOTH NEFASHOT become one desire without any separation.

206. Then the female includes everything within herself BY TAKING BOTH NEFASHOT and becoming pregnant by the male with them. And the passion of both of them conjoins them as one. Therefore, each is included within the other. And when the souls come out, male and female are within them together, as one.

207. Later, when they descend TO THIS WORLD, they are separated from each other, THE MALE FROM THE FEMALE. Each one turns his way. And the Holy One, blessed be He, mates them again. The key to mating them is given only to the Holy One, blessed be He. Only He knows the proper mate for each to properly reunite them, SO THE MALE AND FEMALE WILL BE OF THE SAME SOUL.

202. דָּבַר אַחַר, כְּתוּב בְּעֵצֵי הַיַּעַר, דָּא קִדְשָׁא בְּרִיךְ הוּא. בֵּן דּוּרֵי, דָּא קִדְשָׁא בְּרִיךְ הוּא. בְּצִלוֹ, דָּא קִדְשָׁא בְּרִיךְ הוּא. חֲמֵדְתִּי וַיִּשְׁבַּתִּי, בְּיוֹמָא דְאַתְגְּלִי קִדְשָׁא בְּרִיךְ הוּא, עַל טוֹרָא דְסִינַי, וְקִבְּלוּ יִשְׂרָאֵל אוֹרֵייתָא, וְאָמְרוּ נַעֲשֶׂה וְנִשְׁמָע.

208. Happy is the person who is meritorious in his deeds and walks the Path of Truth, so they will unite one Nefesh with the other, THE MALE WITH THE FEMALE, as they were before THEY CAME TO THIS WORLD. For if he is worthy in deeds, he is a complete man. BUT IF HE IS NOT MERITORIOUS, THAN HE SHALL NOT BE GIVEN HIS SOULMATE. This is why it is written about him, "And his fruit is sweet to my taste." Because this man is blessed with reunion OF MALE AND FEMALE, AS IT SHOULD PROPERLY BE. And the world is blessed by him THROUGH HIS SWEET FRUIT, NAMELY GOODLY CHILDREN, because everything depends on whether a person's actions have been meritorious or not.

209. Rabbi Chizkiyah said: I have heard of the verse, "From me is your fruit found" (Hoshea 14:9). The Holy One, blessed be He, said to the Congregation of Yisrael, WHICH IS THE SHECHINAH, assuredly, "From me assuredly is your fruit found." It is "your fruit," rather than "my fruit," TO TEACH US that the passion of the female forms the Nefesh, which combines with the might of the male, so that the Nefesh OF THE FEMALE is conjoined with the Nefesh OF THE MALE, and they become one, each including the other, as we have already explained. Later, they are separated to two in this world. We see clearly that through the power of the male results the fruit of the female in this world.

210. Another explanation OF THE VERSE, "FROM ME IS YOUR FRUIT FOUND" is that the passion of the female, WHENCE THE FEMALE ASPECT OF THE NEFESH COMES, is the source of the fruit of the male, because without the passion of the female to the male, there would not have been any fruit in the world. IN OTHER WORDS, THERE WOULD NOT HAVE BEEN ANY OFFSPRING. Therefore, it is written: "From me is your fruit found!"

23. "And it came to pass in the days of Amrafel"

Avraham's recognition of the all-encompassing reality of the Creator, is recounted by the Zohar. The Patriarch's step-by-step spiritual process is depicted, beginning with his perception of the rising morning sun. Avraham's soul was profoundly stirred by the underlying cosmic order of our world. This stirring awakened a deep desire to know the ultimate truth, to grasp the supreme Force underlying the physical and metaphysical laws of nature. When Avraham's desire to know the Creator is ignited, only then does the Creator reveal Himself.

The Relevance of this Passage

The act of seeking, in and of itself, is not enough to gain an awareness of the supreme Creator. We must begin to recognize and acknowledge His oneness and direct our efforts along the correct spiritual path. Moreover, our spiritual effort should not be rooted in blind faith; rather, it should take the form of a logical progression of questions and answers, efforts and results, that culminates in a delicate balance of certainty and faith. Through this portion, the power of certainty and the desire to seek the ultimate truth are awakened within our soul.

211. Rabbi Yosi opened the discussion of the verse, "And it came to pass in the days of Amrafel, king of Shin'ar..." (Bereshheet 14:1), with the text, "Who raised up one from the east, whom righteousness met wherever he set his foot..." (Yeshayah 41:2). Although this passage has already been explained, it has another explanation in accordance with the secret of Wisdom. We have learned that the Holy One, blessed be He, created seven firmaments on high, WHICH ARE THE LOWER SEVEN SFIROT OF ATZILUT-CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT. The purpose of them all is to acknowledge the glory of the Holy One, blessed be He, and they exist to proclaim the secret of the Supernal Faith.

208. זָכָאָה הוּא בַר נֶשׁ, דְּזָכִי בְעוֹבְדוּי וְאִזִּיל בְּאוֹרְחָ קְשׁוּט. בְּגִין דְּאִתְחַבַּר נַפְשׁ בְּנַפְשׁ, כְּמַה דְּהוּא מְעִיקְרָא. דְּהָא אִי זָכִי בְעוֹבְדוּי, דָּא הוּא בַר נֶשׁ שְׁלִים בְּדָקָא יָאוּת, וּבְגִין כְּרַבְתִּיב, וּפְרִיו מְתוּק לְחֵבִי. דְּהוּא בְתַקוּנָא מְבַרְךְ, לְאִתְבְּרָכָא מִנִּיה עֲלָמָא, בְּגִין דְּכֻלָּא בְעוֹבְדִין דְּבַר נֶשׁ תְּלִיא, אִי זָכִי אִי לָא זָכִי.

212. Come and behold: There is a sublime firmament, high above these seven FIRMAMENTS, WHICH IS THE SECRET OF BINAH OF ATZILUT. This firmament guides and illumines all of them. And it is unknowable; THIS REFERS TO ITS UPPER THREE SFIROT, WHICH IS THE SECRET OF ABA AND IMA. It is stated as a question, because it is unknown; THIS REFERS TO ITS LOWER SEVEN SFIROT, WHICH IS THE SECRET OF YISRAEL-SABA AND TEVUNAH. Because it is concealed and so deep, everyone wonders about it. This is why it is called Mi (lit. 'who'), REFERRING TO ITS LOWER SEVEN SFIROT, as has been explained. As it is written: "From the womb of whom (Heb. mi) came forth the ice" (Iyov 38:29), which was explained. And this is the supernal firmament that stands high above the other seven.

213. And there is also a firmament down below, NAMELY MALCHUT, which is the lowest of them all, and it does not shine. Since it is the lowest and has no light, the supernal firmament above them, WHICH IS BINAH THAT IS CALLED MI, joins with it. THIS MEANS THAT THE SUPERNAL FIRMAMENT, WHICH IS THE SECRET OF MI (MEM-YUD) DOES NOT ILLUMINATE THE CHOCHMAH TO ANY OF THE LOWER SEVEN FIRMAMENTS, BUT ONLY TO THE LOWEST OF THEM ALL, WHICH IS MALCHUT. And these two letters, MEM-YUD, WHICH BELONG TO THE SUPERNAL FIRMAMENT, WHICH IS CALLED MI, are included in itself to form a sea (Heb. yam, Yud-Mem), of the supernal firmament, which is called Mi, A COMMOINATION OF THE LETTERS MEM AND YUD.

214. Because all of the other firmaments, WHICH ARE ABOVE THE LOWEST FIRMAMENT AND ARE CALLED CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD act as streams and flow to the lowest firmament, it then becomes a supernal sea that produces fruits and fishes in all varieties. THESE ARE THE MOCHIN THAT IT GIVES DOWN TO BRIYAH, YETZIRAH, AND ASIYAH. David described it with the words, "This great and wide sea wherein there are innumerable creeping things, both small and great beasts" (Tehilim 104:25).

215. On this subject it is written: "Who (Mi) raised up one from the east, whom righteousness met wherever he set his foot..." (Yeshayah 41:2). "Who raised up one from the east" refers to Avraham. AVRAHAM ROUSED UP THE SUPERNAL FIRMAMENT, WHICH IS CALLED MI, TO BRING THE CHOCHMAH DOWN TO THE LOWEST FIRMAMENT, WHICH IS CALLED YAM (YUD-MEM). "whom righteousness met wherever he set his foot" refers to the lowest of all SEVEN firmaments, which has become a sea. Of the verse, "gave the nations before him," HE ASKS: "What is meant by 'before him'?" AND HE SAYS: This is the lowest firmament, as we have said, that takes revenge and overthrows the enemies. David was proud of this and praised it by saying, "You have also given me the necks of my enemies, that I might destroy them that hate me" (Tehilim 18:40).

216. "...gave the nations before him"-these are the nations that Avraham put to flight and the Holy One, blessed be He, put to death. "and made him rule over kings"-these are the angels that govern them from above. Because when the Holy One, blessed be He, executes Judgment on the world, He brings it upon all-high above and down below. THIS MEANS; UPON THE NATIONS BELOW AND UPON THEIR GOVERNORS HIGH ABOVE IN THE HEAVENS.

212. תָּא חֲזוּאִית רְקִיעָא עֲלָאָה סְתִים, לְעִילָא מְנִיָּהוּ, דְּאִינוּן שְׁבַעָה, וְדָא הוּא רְקִיעָא דְּרַבְר לֹון וְנְהִיר לֹון לְכֻלְהוּ, וְדָא לֹא אֲתִידַע, וְקִימָא בְּשִׁאלְתָא, דְּלֹא יָדִיעָא, בְּגִין דְּאִיהוּ סְתִים וְעָמוּק, וְכֻלָּא תְּוֹהִין עֲלֵיהּ, וּבְגִין כְּרִאקְרִי מִי, כְּמָה דְּאוּקְמוּהּ דְּכְתִיב מִבְּטֶן מִי יֵצֵא הַקֶּרֶחַ, וְאֲתַמֵּר. וְהֵאִי הוּא רְקִיעָא עֲלָאָה, דְּקִימָא עַל כָּל אִינוּן שְׁבַעָה.

217. The text continues, "He pursued them, and passed on safely." "He pursued them" refers to Avraham. Because Avraham pursued them, and the Holy One, blessed be He, went in front of him and killed them off. As it is written: "and passed on safely (Heb. shalom)." This is the Holy One, blessed be He, who is called shalom!

218. Of the words, "even by the way that he had not gone with his feet," HE ASKS: Could you ever imagine that Avraham walked through clouds, or mounted upon horses and carriages? BECAUSE IT IS WRITTEN: "BY THE WAY THAT HE HAD NOT GONE WITH HIS FEET!" AND HE REPLIES: "even by the way that he had not gone with his feet" MEANS that neither an angel nor a messenger preceded Avraham, only the Holy One, blessed be He, Himself. It is written: "with his feet." AND HE ASKS: What are 'his feet'? AND HE REPLIES: These are the angels who are beneath the Holy One, blessed be He. As it is written: "And His feet shall stand on that day..." (Zecharyah 14:4), WHICH REFERS TO THE ANGLES THAT ARE CALLED "HIS FEET." SO IN THE VERSE, "HIS FEET" REFER TO THE ANGELS; "HAD NOT GONE" MEANS EVEN BY THE WAY OF AVRAHAM. ONLY THE HOLY ONE, BLESSED BE HE, ACCOMPANIES HIM ON HIS WAY!

219. There is another explanation of the verse, "Who raised up one from the east." Come and behold: When the Holy One, blessed be He, aroused the world, WHICH IS MALCHUT, to bring Avraham closer to Him, this awakening occurred FOR THE SAKE OF YA'AKOV, WHO IS THE SECRET OF THE EAST. Because Ya'akov was destined to come from Avraham and to bring forth the twelve tribes, which were all righteous before the Holy One, blessed be He.

220. The verse continues, "whom righteousness met wherever he set his foot." The Holy One, blessed be He, called him, REFERRING TO YA'AKOV, always, since the world was created, as the verse says: "calling the generations from the beginning" (Yeshayah 41:4). Therefore, "righteousness," THAT IS MALCHUT, "called," him assuredly! "his foot" MEANS THAT he joined Him in His worship and became closer to Him. As it is written: "and all the people that follow You (lit. 'that are at your feet')" (Shemot 11:8), WHICH MEANS THE PEOPLE WHO CLEAVE ON TO YOU. SO HERE AS WELL, "HIS FOOT" MEANS TO CLEAVE ON TO HIM.

221. An alternative explanation of "Who raised up one from the east" is that the light begins to shine from the east. For all the power of the light in the south, WHICH IS CHESED, comes from the east, WHICH IS TIFERET. Therefore, THE VERSE READS, "Who raised up" the light of the south, WHICH IS CHESED, "from the east." THE EAST, BEING TIFERET, RAISED THE LIGHT. Because it, TIFERET, takes and is nourished first, AND AFTERWARD GIVES LIGHT TO THE SIX EXTREMITIES THAT ARE INCLUDED WITHIN TIFERET. AMONG THEM IS THE SOUTH, WHICH IS CHESED. And the desire of the supernal firmament, WHICH IS BINAH, is to give abundance to the east, WHICH IS TIFERET.

222. The verse "whom righteousness met wherever he set his foot" refers to the west, WHICH IS MALCHUT. It calls on the east, WHICH IS TIFERET, always and does not quiet down. As it is written: "Keep not Your silence, Elohim: do not hold Your peace, and be still, El" (Tehilim 83:2). Because the west, WHICH IS MALCHUT AND IS CALLED ELOHIM, is constantly aroused to Him. "Gave the nations before him and made him rule over kings," because it is from it-FROM THE EAST-that it receives the power to overcome all the nations of the world.

217. יִרְדָּפֵם יַעֲבֹר שְׁלוֹם אַרְח בְּרַגְלָיו לֹא יָבוֹא. יִרְדָּפֵם, דָּא אַבְרָהָם. דְּאִבְרָהָם הוּא רְדִיף לֹן וְקִדְשָׁא בְּרִיךְ הוּא הוֹאֵהוּ עֲבַר קַמֵּיהּ, וְקָטִיל לֹן. דְּכַתִּיב לֹן יַעֲבֹר שְׁלוֹם, דָּא קוּדְשָׁא בְּרִיךְ הוּא דְאִקְרִי שְׁלוֹם.

223. Rabbi Yehuda said: "Who raised up one from the east?" This is Avraham, who received his awakening to the Holy One, blessed be He, from the east alone. When he saw that the sun rose in the morning from the east, he was awakened to think it is the Holy One, blessed be He. Avraham said OF THE SUN: 'This is the king who created me.' And he worshipped the sun all that day. As evening came, he saw that the sun went down and the moon shone. He said ABOUT THE MOON, 'This must be the one that rules over the worship that he had performed during the day FOR THE SUN. Since the sun has been darkened and shines no more before the moon!' And he worshipped the moon all that night.

224. In the morning, he saw that the moon became dark. As the east lit up, he said: 'There must be a king and ruler over all these, who governs them.' So when the Holy One, blessed be He, saw that Avraham's desire was directed towards Him, He revealed Himself to Avraham and spoke with him. As it is written: "whom righteousness met wherever he set his foot." "RIGHTEOUSNESS" REFERS TO THE HOLY ONE, BLESSED BE HE, WHO CALLED HIM, spoke with him, and revealed Himself to him.

225. Rabbi Yitzchak opened the discussion by saying: "I speak righteousness, I declare things that are right" (Yeshayah 45:19). All that the Holy One, blessed be He, says is true; all of His actions are just. HE ASKS: How does He act justly? AND HE SAYS: When the Holy One, blessed be He created the world, it wavered from side to side, unable to stand. The Holy One, blessed be He, said to the world, 'Why are you collapsing?' It answered, 'Master of the Universe, I am unable to stand because I have no foundation to stand upon!'

226. THE HOLY ONE, BLESSED BE HE said to the world, 'But I am about to raise within you a righteous man, who is Avraham, who shall love Me!' Immediately, the world stood up and was firmly established. As it is written: "These are the generations of the heavens and of the earth when they were created (Heb. behibar'am)" (Bereshheet 2:4). Do not read behibar'am, but rather, BeAvraham (with Avraham) because by Avraham was the world established.

227. Rabbi Chiya said: "...I declare things that are right" MEANS that the world answered the Holy One, blessed be He, by saying, 'From this same Avraham, children will come forth who shall destroy the Temple and shall burn the Torah!' THE HOLY ONE, BLESSED BE HE, said to it: 'One man is destined to come from him, who is Ya'akov. And from him twelve tribes shall come forth, all of them righteous. Immediately the world was established for his sake.' Therefore, it is written: "I declare things that are right," WHICH IS THE SECRET OF YA'AKOV, WHO IS TIFERET.

223. רבי יהודה אמר מי העיר ממזרח, דא אברהם. דלא נטיל אתערותא לגבי קדשא בריך הואאלא ממזרח, בגין דחמא שמשא דנפיק בצפרא, מסטרא דמזרח, נטיל אתערותא לנפשיה דאיהו קדשא בריך הוא, אמר דא הוא מלכא דברא יתי, פלח ליה כל ההוא יומא. לרמשא, חמא שמשא דאתכניש, וסיהרא נהרא. אמר דא הוא ודאי, דשליט על ההוא פולחנא דפלחית כל האי יומא, דהא אתחשך קמיה ולא נהיר. פלח ליה כל ההוא ליליא.

224. לצפרא, חמא דאזלא חשוכא, ואתנהיר סטרא דמזרח, אמר ודאי כל אלין, מלכא אית עליהו, ושלטי דאנהיג לון. כיון דחמא קדשא בריך הוא, תיאובתא דאברהם לגביה, כדון אתגלי עלוי, ומליל עמיה, דכתיב צדק יקראהו לרגלו. דמליל עמיה, ואתגלי עליה.

225. רבי יצחק פתח דובר צדק מגיד מישרים. קדשא בריך הוא, כל מלוי אינון בקושטא, ועביד מישרים, במה עביד מישרים. בגין, דכד ברא קדשא בריך הואעלמא, לא הוה קאים, והוה מתמוטט להכא ולהכא. אמרלוקדשא בריך הואעלמא, מה לך דאת מתמוטט. אמרלורבונו של עולם, לא וכולנא למיקם, דלית בי יסודא, על מה דאתקיים.

226. אמרלוהא אנא זמין למיקם בך חד צדיק, דאיהו אברהם, די ירחים לי. מיד קאים עלמא בקיומיה, הה"ד אלה תולדות השמים והארץ בהבראם; אל תקרא בהבראם אלא באברהם. באברהם מתקיים עלמא.

227. אמר רבי חייא, מגיד מישרים. דהא אתיב ליה עלמא לקדשא בריך הוא, ההוא אברהם זמין הוא דיפקון מניה בגין דיחריבו מקדשא, ויוקידו אורייתא. אמר ליה, זמין חד בר נש למיפק מניה, דאיהו יעקב, ויפקון מניה תריסר שבטין, כלהו זכאין. מיד אתקיים עלמא בגיניה הה"ד מגיד מישרים.

228. Rabbi Elazar said that we have noted here that each one of the terms-"to speak," "to declare," and "to say"-has a meaning of its own. "To speak" means openly, WHICH IS THE SECRET OF MALCHUT AND IS CALLED THE REVEALED WORLD. This is an external, not an internal, grade, as the grades that are higher THAN IT. And this also applies to "speak righteousness," WHICH REFERS TO MALCHUT WHICH IS THE ASPECT OF "SPEAKING."

229. "To declare" alludes to the internal and supernal grade, which governs speech THAT IS MALCHUT and this applies also to "declare...right." Who is "right?" This is the supernal grade, where Ya'akov dwells, NAMELY TIFERET. Hence "You founded things that are right" (Tehilim 99:4). And this is why it says here "declare," rather than "speak." IT SHOWS US THAT THE INTENTION HERE APPLIES TO TIFERET AND NOT TO MALCHUT. AND RABBI ELAZAR HEREBY OFFERS A PROOF FOR WHAT RABBI CHIYA SAID!

230. Rabbi Yitzchak said that it is written: "And He declared to you His covenant" (Devarim 4:13). ACCORDINGLY, IF THE TERM "DECLARE" IS USED WITH THE COVENANT, THEN IT CAN ALSO BE USED WITH RIGHTEOUSNESS! He said to him, "It is surely so" THAT THE TERM "DECLARE" CAN BE USED WITH THE COVENANT, NAMELY WITH YESOD, BECAUSE TIFERET AND THE COVENANT ARE ONE. NEVERTHELESS, YESOD is a grade that is dominant over the lower grade, which is "speak righteousness," SO HERE WE CAN USE THE TERM "DECLARE" AS WELL. And all this should be well examined. Come and behold: Even though we said that the term "speak" is the lowest of them all, do not conclude from this that it is not a high and important GRADE! The term "speak" includes within it all the other GRADES, and is a high grade. And the proof of this appears in the verse, "For it is not a vain thing (speech)" (Devarim 32:47).

231. Rabbi Elazar was on his way to his father-in-law, accompanied by Rabbi Chiya, Rabbi Yosi, and Rabbi Chizkiyah. Rabbi Elazar said: I see that the awakening from above occurs as a response to awakening from below, because the upper is aroused by the passion and desire of the lower, and depends on it.

24. "Keep not your silence, Elohim"

The establishment leaders who lived during the time of Avraham want to slay him because he has enlightened the people and led them away from the futility of Idol Worshipping. People like Avraham, who dare to initiate positive change and help others in their spiritual awakening, always encounter opposition from forces who seek to propagate chaos and ignorance for their own personal gain.

The Relevance of this Passage

Throughout human history, any major advancement in civilization was first met with opposition, defiance, and scorn from those who would not benefit by the betterment of the human condition. This spiritual principle holds true in our own personal life. As opportunities for spiritual advancement present themselves to us, there will be obstacles and opposition. This passage gives us protection from the forces that attempt to impede our spiritual progress.

232. He opened the discussion with the verse, "Keep not Your silence, Elohim: do not hold Your peace, and be still, El" (Tehilim 83:2). This represents the awakening from below; FROM THE NUKVA, to take control. David responded, "Keep not Your silence, Elohim"; from arousing Your desire to the upper, ZEIR ANPIN, and to cling on to the Right, TO HIS CHESED.

228. רבי אלעזר אמר, הא אתערנא, וידבר, ויגד, ויאמר, בלהו לטעמיהו מתפרשן, וידבר: איהו באתגליא, דרגא לבר, דלא איהו דרגא פנימאה, באינון דרגין עלאין, ודא איהו דובר צדק.

229. ויגד: איהו רמו לדרגא פנימאה עלאה, דשלטאה על דבור, ודא הוא מגיד מישרים, מאן מישרים, דא דרגא עלאה דיעקב שרייא ביה. הדא הוא דכתיב אתה כוננת מישרים, ובגין כך מגיד כתיב, ולא כתיב דובר.

230. אמר רבי יצחק, והא כתיב, ויגד לכם את בריתו. אמרלוהכי הוא ודאי איהו דרגא דשלטא על תתאה, דאיהו דובר צדק. וכלא איהו לאסתכלא הכא. תא חזי, דאף על גב דדבור איהו תתאה, לא תימא, דלא עלאה איהו, אלא ודאי דבור מלויא איהו מכלא, ודרגא עלאה איהו. וסימניך בי לא דבר רק הוא מכם.

231. רבי אלעזר, הוה אזיל לבי חמוי, והוּו עמיה רבי חייא, ורבי יוסי, ורבי חזקיה. אמר רבי אלעזר, הא חמינא דאתערותא דלעילא לאו איהו, אלא בד אתער לתתא, דהא אתערותא דלעילא, בתיאובתא דלתתא תלויא.

232. פתח ואמר, אלקים אל דמי לך אל תחרש ואל תשקוט אל. דא הוא אתערותא דלתתא. בגין לשלטאה. אמר דוד, אלקים אל דמי לך, לאתערא לגבי עלאה, ולא תחברא גבי ומינא.

233. For what reason? Because "For, lo, Your enemies make a tumult.... For they have consulted together with one consent: they make a covenant against You:" (Tehilim 3:6). THE NUKVA IS THE ASPECT OF THE LEFT, WHICH IS THE SECRET OF CHOCHMAH WITHOUT CHASSADIM, AND CHOCHMAH CANNOT SHINE WITHOUT CHASSADIM. THEREFORE ALL THE KLIPOT AND THE ENEMIES OF THE HOLINESS RAISE UP THEIR HEADS. Hence, "Keep not Your silence, Elohim" from awakening toward the upper, ZEIR ANPIN. Because then the right OF ZEIR ANPIN is aroused and attaches Her to itself. WHEN SHE IS ATTACHED TO THE RIGHT--NAMELY WHEN THE CHOCHMAH IN HER IS ENCLOSED BY THE CHASSADIM OF THE RIGHT--then the enemies are defeated. BECAUSE THE ILLUMINATION OF CHOCHMAH DESTROYS ALL THE ENEMIES OF THE HOLINESS. As it written: "Your right hand, Hashem, has become glorious in power: Your right hand, Hashem, has dashed the enemy in pieces" (Shemot 15:6).

234. So come and behold: When all those kings joined to make war against Avraham, they consulted one another about how to destroy him. But as soon as they took control over Lot, Avraham's nephew, they immediately left. As it is written: "And they took Lot, Avram's brother's son, and his possessions and departed" (Beresheet 14:12). What was the reason? Lot's image was similar to that of Avraham. As a result, they "departed," AS THEY BELIEVED THEY HAD CAPTURED AVRAHAM, which was the purpose of the war.

235. AND HE ASKS: Why DID THEY WANT TO KILL AVRAHAM? AND HE ANSWERS: Because Avraham took people of this world away from idolatry and brought them to worship the Holy One, blessed be He. THIS IS WHY THEY WANTED TO KILL HIM. In addition, it was the Holy One, blessed be He, who incited them TO FIGHT AVRAHAM, so that Avraham would be brought closer to His way of worship and the name of Avraham would become glorified throughout the world.

236. And the secret behind this is that when, Avraham pursued them, then IT IS WRITTEN: "Keep not Your silence, Elohim," AS THE NUKVA WAS AROUSED TOWARD ZEIR ANPIN AND ELEVATED MAYIN NUKVIN (FEMALE WATERS) UP TO HIM TO DRAW CHESED, WHICH IS THE SECRET OF THE RIGHT, until all was attached to Avraham, WHO IS THE SECRET OF CHESED OF ZEIR ANPIN. THIS MEANS THAT HER CHOCHMAH WAS CLOTHED BY CHASSADIM AND HER ILLUMINATION WAS COMPLETED. And when all this was attached to Avraham, then all the kings were defeated before him. As we have previously stated; it is then written: "Your right hand Hashem, has dashed the enemy in pieces."

25. Malki-Tzedek

Avraham, King David, and the other great spiritual giants of history, devoted their lives to easing the pain of the Shechinah, the collective universal soul that protects and assist us in the physical world. The Shechinah, possessing its own consciousness, experiences the collective pain of humanity when negativity and suffering abound in the world. Similarly, our consciousness and intent to ease the pain of the Shechinah serves to ease the pain of all mankind. Spiritual work cannot be ego-based. We must learn to feel the pain of others and dedicate ourselves to ending their suffering, as well as our own.

The Relevance of this Passage

Many spiritual lessons and benefits radiate throughout these verses. We gain awareness of the global purpose of our existence, which is to diminish and remove our intemperate character traits that separate us from the Light of the Creator. A recognition of the impact that our actions have on both on ourselves and on all mankind, is instilled within our consciousness.

237. "And Malki Tzedek king of Shalem brought forth bread and wine..." (Beresheet 14:18). Rabbi Shimon opened the discourse, saying, "In Shalem also is set his tabernacle" (Tehilim 76:3). Come and behold: When the Holy One, blessed be He, WHO IS THE SECRET OF BINAH, decided to create the world, WHICH IS THE SECRET OF ZEIR ANPIN THAT IS CALLED THE 'WORLD,' He produced a flame from the Holy illumination. As wind blew wind, THE FLAME darkened and began to burn. And He took out from within an abyss a particular drop, which He joined with the flame. With them, He created the world, WHICH IS ZEIR ANPIN.
