172. The Corrections of Zeir Anpin were established through the Corrections of Arich Anpin, and His Corrections unfurled from this side and this side, MEANING FROM RIGHT, LEFT AND CENTER, like the countenance of man. MAN IS INDICATIVE OF THE CENTRAL COLUMN THAT INCLUDES ALL THREE COLUMNS in order that the spirit of the concealed of all concealed, THAT IS ARICH ANPIN, will reign in him. So he will sit on the throne, WHICH IS MALCHUT, since it is written: "And upon the likeness of the throne was the likeness as the appearance of a man above upon it" (Yechezkel 1:26). "The appearance of a man," MEANING LIKE THE FACE OF A MAN, that comprises all aspects, SINCE THE THREE FACES, LION, OX, EAGLE, ARE CONTAINED IN MAN'S COUNTENANCE. THAT IS FROM THE ASPECT OF MALCHUT WITHIN HIM, SINCE MAN ENCOMPASSES Zeir Anpin AND MALCHUT. IT IS ALSO "the appearance of a man," as it includes all the names, BECAUSE ZEIR ANPIN IS CALLED YUD HEI VAV HEI THAT INCLUDES ALL THE NAMES. "The appearance of a man" in which are sealed all the worlds above and below, SINCE IT IS THE SECRET MEANING OF THE CENTRAL COLUMN THAT SEALS ALL THE REALMS IN THE ASPECT OF THE FIRST THREE SFIROT OF MALCHUT BY DIMINISHING THE LEFT COLUMN. SO IT SHOULD NOT ILLUMINATE EXCEPT FROM BELOW UPWARDS. ALSO, "the appearance of a man" that he includes the secrets that were expressed and established prior to the world's creation, MEANING IN THE SEVEN KINGS IN THE FORMLESS WORLD, even though THEY WERE DESTROYED AND did not endure.

173. We have learned in the hidden book that the most Ancient of ancients, WHICH IS THE NUMERICAL VALUE OF 63 OF THE PRIMORDIAL MAN, raised kings IN THE WORLD OF DOTS, MEANING THAT HE ERECTED THEM IN AN ASPECT OF THE SECOND RESTRICTION, WHICH IS THE SECRET OF THE VEIL. He designed kings, MEANING THE ASPECT OF THEIR SMALLNESS, and measured the size of kings, THAT IS THE STATURE OF THEIR GREATNESS, but they did not endure. He rejected them and stored them in hiding for a later period. This is the meaning of what is written: "And these are kings that reigned in the land of Edom" (Bereshheet 36:31). "In the land of Edom" MEANS the place where all judgments exist; THAT IS, IN THE WORLD OF THE DOTS. None of them endured, SINCE IT SAYS BY EACH ONE: "AND... REIGNED...AND...DIED" (IBID.).

174. Until the white head, THAT IS THE SKULL OF ARICH ANPIN, the most Ancient among the ancient was formed. When it was formed, it prepared all the corrections above and below. From here we learn that unless a ruler of a nation was corrected first, his nation could not be corrected. When he gets corrected, everyone gets corrected. If he doesn't correct himself first, the people in his nation are unable to be corrected.

175. Where DO WE HAVE THIS? From Atik Yomin. As long as He did not get repaired, then all those that need to be restored are not restored, and all the worlds were destroyed. THAT IS THE SEVEN KINGS OF THE DOTS. This is what is written: "And Bela the son of Be'or reigned in Edom" (Bereshheet 36:32). "Reigned in Edom" is a precious secret. It is a place to which all judgments connect and from which all judgments impend.

176. "Bela the son of Be'or": We have learned that he is the source of the heaviest judicial decree through whom are enjoined and linked thousands of thousands of those who wail and lament "and the name of his city was Dinhabah" (Ibid.). What is the meaning of the name of his city was Dinhabah? It means literally: Give justice, as he says, "The leech has two daughters, crying, 'Give (Heb. hav), give'" (Mishlei 30:15).

177. As soon as he rose to take his seat ON HIS LEVEL, he could not keep the position and was unable to withstand it, SINCE IT WAS DRAWN FROM ABOVE TO BELOW AND PASSED TO BRIYAH, YETZIRAH AND ASIYAH OF SEPARATION. What is the reason that all the worlds were destroyed? It is because the man was not established, MEANING THE FIXING OF THE COLUMNS IN THE SEVEN LOWER SFIROT, AND MALE AND FEMALE. The establishing of man in his form includes everything, and everything can settle in it AND ENDURE.

178. Since this correction of man did not exist IN THEM, THE SEVEN KINGS were unable to rise and take their place, so they ceased to exist. HE ASKS: Could you imagine that they completely ceased to exist? Weren't all of them LATER included IN THE WORLD OF CORRECTION in man, in Zeir Anpin? HE REPLIES: It simply means that they ceased and were severed from that correction THAT THEY HAD IN DOTS, until the arrival of man's correction IN THE WORLD OF CORRECTION. When the countenance of that man arrived, they were all engraved IN HIS FORM and returned to a different existence. Some of them became fragrant and some never became fragrant at all.

179. You might say that it is written: "And...died...and...died," WHICH INDICATES that they completely ceased to exist. HE REPLIES: It is not so. Anyone that descends from a higher level in which he existed at first is considered as if he died, as it is written: "The king of Egypt died" (Shemot 2:23), MEANING that he was lowered from the previous level in which he was standing, MEANING HE BECAME LEPROUS. HERE TOO, AS SOON AS THEY DESCENDED FROM THE WORLD OF ATZILUT TO THE LEVEL OF BRIYAH, YETZIRAH AND ASIYAH, IT WAS CONSIDERED AS IF THEY HAD DIED. As soon as THE LIKENESS OF a man, OF THE THREE COLUMNS, was installed IN THEM they were called by other names. They became fragrant through him in endurance and they endured in their position.

180. All were called different names than they had at first, except the one of whom it is written: "And his wife's name was Mehitavel, daughter of Matred, daughter of Mi-zahav" (Beresheet 36:39). THAT IS THE SECRET OF THE NAME OF NUMERICAL VALUE OF 45 THAT RENEWS THE MALE AND FEMALE REFERRED TO BY HADAR AND MEHITAVEL. Why WAS HE NOT CALLED BY A DIFFERENT NAME? Because these, HADAR AND MEHITAVEL, were not voided like the rest OF THE SEVEN KINGS, because they were male and female. This is similar to the palm tree that does not bear fruit unless you have planted a male and female stock. Therefore, now that we found them to be male and female, the term death was not mentioned in relation to them as with the rest. They lived, but they were not COMPLETELY secure until they acquired the likeness of a man. When they were finally established with a human countenance, they returned to exist in an alternate state and were established.

25. The skull of Zeir Anpin

Rabbi Shimon explains the process whereby Arich Anpin sent the spark and the fine pure air that spread to create the skull of Zeir Anpin. Thousands of worlds reside in this skull, and dew drips into it from the white head; from that dew which he shakes off his head the dead will be restored to life. Those who awake to everlasting life will merit the white dew, and those who awake to shame and everlasting contempt will merit the dew that has a red hue in it. We read about the illumination of this skull to both sides and how it spreads to His face. When Zeir Anpin observes the face of Arich Anpin and has compassion on the world His face becomes long like that of Arich Anpin. The illumination that spreads from Zeir Anpin to those below requires that those below give dues to Atik Yomin when they are counted in the census.

181. We have learned that when it was the wish of the white head, THE SKULL OF ARICH ANPIN, to give glory to His honor, He restored and prepared and produced from the hard candle a spark which went up and spread into 370 directions. That spark is constant and pure air begins to be discharged and roll forth. It blew at it, so it was restored. A strong skull was released and spread to four directions.

182. Within fine pure air, THIS IS IN THE SKULL, WHICH IS THE SECRET OF THE RIGHT COLUMN, the spark was sucked, WHICH IS THE LEFT COLUMN, and became part of it, IN THE RIGHT COLUMN. HE ASKS: Could you imagine that it became part of it? DON'T BOTH HAVE A NEED TO REMAIN? HE REPLIES: It only means THAT THE LEFT COLUMN was hidden in it, MEANING THAT THE LEFT COLUMN'S DOMINATION WAS HIDDEN, WHICH IS THE SECRET OF THE ILLUMINATION OF CHOCHMAH. IT HAS NO ACTIVE INFLUENCE AND JUST THE RIGHT COLUMN HAS EXCLUSIVE DOMINATION; THAT IS, THE PURE AIR, CHASSADIM. Therefore, this skull OF ZEIR ANPIN was spread to its sides and this air WITHIN IT, MEANING THE RIGHT COLUMN, is the hidden of the concealed from Atik Yomin, with the spirit that it was stored, MEANING THE YUD THAT IT HID IN THE AIR.

179. ואני תימא והא כתיב וימת, וימת. דאתבטלו לגמרי. לאו הכי, אלא כל מאן דנחית מדרגא קדמאה דהוה ביה, קארי ביה מיתה. כד"א, וימת מלך מצרים, דנחת מדרגא קדמאה דהוה קם ביה. וכיון דאתתקן אדם, אתקרון בשמהן אחרנין, ואתבסמו בקיומא ביה, וקיימין בדוכתייהו.

180. וכלהו אתקרון בשמהן אחרנין מן קדמאין, בר ההוא דכתיב ביה, ושם אשתו מהיטבאל בת מטרד בת מי זהב. מ"ט. משום דהני לא אתבטלו בשאר אחרנין. משום דהוה דכר ונוקבא. כהאי תמרא, דלא סלקא אלא דכר ונוקבא. ובג"כ השתא דאשתכחו דכר ונוקבא, לא כתיב בהו מיתה באחרנין, ואתקיימו. אבל לא אתישבו, עד דאתתקן דיוקנא דאדם, וכיון דאתתקן דיוקנא דאדם, אתחזרו ואתקיימו בקיומא אחרא, ואתישבו.

181. תאנא, כד סליק ברעותא דרישא חוורא, למעבד יקרא ליקריה, תקין וזמין ואפיק מבוצינא דקרדינותא, חד ניצוצא, וסליק ואתפשט לתלת מאה ושבעין עיבר. וניצוצא קאים, ושארין נפיק אוירא דכיא ומתגלגלא, נשב ביה אתתקן. ונפיק חד גולגלתא תקיפא, ואתפשט לארבע סטרין.

182. ובהאי אוירא דכיא, אשתאיב ניצוצא ואתאחד, ואתכליל ביה. ביה ס"ד. אלא אתטמר ביה. ובגין כך, האי גולגלתא אתפשט בסטרוי, והאי אוירא הוא טמיר דטמירין דעתיק יומין, ברוחא דגניז.

183. In the skull OF ZEIR ANPIN fire unfurled from one direction and air from the other. Pure air is prevalent above it from one side and pure fire is prevalent upon it from the other side, FOR CHOCHMAH AND BINAH ARE CALLED 'PURE AIR' AND 'PURE FIRE', AND RIGHT OF DA'AT IS CALLED SIMPLY 'AIR'. LEFT OF DA'AT IS CALLED SIMPLY 'FIRE'. HE ASKS: What is the fire here? AREN'T THESE FOUR ASPECTS OF ABA AND IMA, THAT HAVE NO JUDGMENTS THERE, AND ALL ARE MERELY CHASSADIM? HE REPLIES: It is not really composed of fire, but this spark, WHICH IS THE LEFT COLUMN, that is comprised in the refined air, AS MENTIONED BEFORE, illuminates to the 270 worlds, and judgment emerges from its side. Therefore, this skull is referred to as the hard skull.

184. In this skull, nine thousand ten thousands worlds reside which ride on it and depend on it. Into this skull drips dew from the white head, MEANING FROM THE SKULL OF ARICH ANPIN, that is always filled from it. From this dew, which he shakes off from his head, the dead will be restored to life.

185. That dew is included in two aspects from the direction of the white head, THAT IS ARICH ANPIN. FIRSTLY, it is in essence white. SECONDLY, it comprises all whites. However, when THIS DEW resides on this head in Zeir Anpin, some redness is apparent, like the crystal, which is in essence white but where the red hue appears in the white color.

186. Therefore, it is written: "And many of those who sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt" (Daniel 12:2). "To everlasting life": These are the ones that merit this white DEW, which comes from the direction of Atik Yomin, Arich Anpin. "Some to shame and everlasting contempt" are those that deserve that red hue IN THE DEW of Zeir Anpin. All is included in that dew, as is written: "For Your dew is as the dew on herbs (also: 'of lights')" (Yeshayah 26:19). Lights MEANING two, since that dew drips every day to the field of apple trees, WHICH IS MALCHUT, AND CONTAINS WITHIN IT TWO LIGHTS similar to white and red.

187. This skull, OF ZEIR ANPIN, THE SECRET OF ENCIRCLING LIGHT, illuminates on both sides to this direction and to this direction, WHICH IS REFINED AIR AND REFINED FIRE. From this refined air, it spreads from HIS skull to His face 150 ten thousands realms. Therefore, it is called Zeir Anpin, WHICH MEANS A SMALL FACE. When the need arises, MEANING WHEN THE LOWER GRADES ARE WORTHY, His face expands and becomes long during that period, SIMILAR TO ARICH ANPIN (LIT. 'LONG FACE') THAT IS 370 TEN THOUSAND ILLUMINATIONS. This is because he sees the face of the most ancient of the ancient and He has compassion on the world. THAT IS THE SECRET OF HIS ENCIRCLING LIGHT.

188. From this skull IN ZEIR ANPIN, a path goes out, WHICH IS ONE WHITE THAT RECEIVES FROM THE WHITE OF ARICH ANPIN, THE ILLUMINATION OF THE FIRST THREE SFIROT, to all those below. They give dues, THAT IS THE DUE OF THE FIRST THREE SFIROT to Atik Yomin, when they are numbered under the wand. Corresponding to this is the "beka for every man" (Shemot 38:26) THAT IS GIVEN below when census is taken. This "beka" is the due compensation OF THE FIRST THREE SFIROT, which is given to Atik Yomin.

183. בהאי גולגלתא אתפשטו אשא מסטר חד, ואוירא מסטר חד. ואוירא דכיא קאים עליה מהאי סטר. ואשא דכיא קאים מהאי סטר. מאי אשא הכא. אלא לאו הוא אשא, אבל דא ניצוצא דאתכליל באוירא דכיא, נהיר למאתן ושבעין עלמין, ודינא מסטרוי אשתכח, ובג"ד, האי גולגלתא, אתקרי גולגלתא תקיפא.

26. The three brains of Zeir Anpin

Rabbi Shimon describes the three chambers of the skull of Zeir Anpin, and the 32 paths of wisdom and the fifty gates of Binah that emanate and open from it. The central chamber is that wherein Da'at resides, and thus knowledge fills the other chambers. The three chambers permeate the entire body.

189. Three spaces exist in the inner space of the skull in which the brain resides, and a thin membrane covers them. It is not a heavy and thick membrane as by Atik Yomin. Therefore, this brain permeates and illuminates to 32 pathways OF CHOCHMAH, as written: "And a river went out of Eden" (Beresheet 2:10).

189. בחלליה דגולגלתא, ג' חללין אשתכחו, דשרייה מוחא בהו, וקרומא דקיק חפייא עלייהו. אבל לא קרומא קשישא סתימא בעתיק יומין. ובגין דא, האי מוחא אתפשט ונהיר לתלתין ותרין שבילין. הה"ד ונהר יוצא מעדן.

190. We have further learned that in the three spaces of the skull resides the brain OF ZEIR ANPIN, and from a spatial cavern a spring gushes forth to four directions. From that particular brain that resides in this space, 32 pathways of the spirit of wisdom emanate.

190. ותאנא, בתלת חללין דגולגלתא מוחא שרייא מחללא חד מתבקע ומתפשט חד מבועא לד' סטרין, ונפיק מדהוא מוחא דשרייה בהאי חללא, תלתין ותרין שבילין רוחין דחכמתא.

191. From the second space, another spring bubbles up and spreads, WHICH IS THE SECRET OF THE LEFT COLUMN CALLED BINAH, and fifty gates open up. From these fifty gates are united the fifty days of the Torah, MEANING ON THE FIFTIETH DAY OF THE COUNT OF THE OMER IN WHICH THE TORAH WAS GIVEN, the fifty years of the Jubilee, 50,000 generations that the Holy One, blessed be He, is destined to refresh His spirit in them and dwell in.

191. מחללא תנוינא, מתבקע ומתפשט חד מבועא אחרא. ומתפתחין ו' תרעין. מאלין ו' תרעין, אתאחדן ו' יומין דאורייתא. ו' שגין דיובלא. ו' אלף דרין, דזמין קודשא ברין הוא לאתבא רוחיה ליה, ולשרייה ביה.

192. From the third space, thousand of thousand chambers and foyers emanate within which Da'at rests and resides. This space is situated between the other two spaces, MEANING IT IS THE CENTRAL SPACE BETWEEN THE RIGHT AND LEFT CAVERN SPACES. All these chambers get replenished from both directions, FROM RIGHT AND LEFT, as is written: "And by knowledge (Da'at) are the chambers filled" (Mishlei 24:4). These three SPACES, WHICH ARE CHOCHMAH, BINAH AND DA'AT, permeate the whole body to this direction and to that direction. The entire body is linked to them and the body is in all aspects part of them. And they permeate and exist throughout the entire body.

192. מחללא תליתאה, נפקין אלף אלפין אדרין ואכסדראין, דדעתא שרייא עלייהו, ודרי בהו. והאי חללא שרי מדוריה בין האי חללא ובין האי חללא, ואתמליין מתרין סטרין. כל אינון אדרין. הה"ד ובדעת חדרים ומלאו. ואלין ג' מתפשטין בכל גופא, להאי סטרא ולהאי סטרא. ובאינון אחיד כל גופא ואחיד בהו גופא מכל סטרו. ובכל גופא אתפשטן ואשתכחו.

27. The hair of the head of Zeir Anpin

We learn about the thousands of locks of black hair on the head of Zeir Anpin, that are entangled together and are strong, some soft and some hard. They hang in curls because they flow from great springs of the three divisions of the brains. Right and left, light and darkness, mercy and judgment all depend on these curls. Where the hairs part, 613 paths separate and divide into the ways of the Torah commandments.

193. We have learned that in the skull of the head OF ZEIR ANPIN, thousands of thousands of ten thousands and ten thousands of ten thousands locks of black hair are suspended and are entangled one in the other. They blend into one another and there is no accounting of these strands that are attached to each individual lock OF HAIR, BECAUSE THEY ARE pure and defiled. From here are attached reasons and explanations of the Torah relating to defilement and purity, in all these aspects that are clean and all the aspects that are unclean.

193. תאנא, בגולגלתא דרישא, תליין אלף אלפי רבוא ורבוא רבבן קוצי דשערי אוכמן, ומסתבכין דא בדא, ומתערבין דא בדא. ולית חושבנא לגימין דכל קוצא וקוצא, דאחידן ביה דכין ומסאבן. ומכאן אתאחדן טעמי אורייתא, בדכיא במסאבא. בכל אינון סטרין דאינון דכין, בכל אינון סטרין דאינון מסאבן.

194. The HAIR locks are situated ON THE SKULL OF ZEIR ANPIN, are entangled ONE IN THE OTHER and ARE strong. Some are soft and some are hard. In each individual lock are situated wavy strands OF HAIR, glowing and suspended like a brave hero victorious in battles, with a properly nice setting and in a beautiful courageous setting. They are great and strong, as is written: "Excellent as the cedars" (Shir Hashirim 5:15).

195. The hair locks are shaped and hang in wavy curls from one side to the other side of the skull. This is what is written: "His locks are wavy" (Ibid. 11). We have learned that they are situated hanging in curls, because they flow forth from great springs of the three divisions of the brains. From the spring of the first space in the skull, THAT IS, CHOCHMAH OF ZEIR ANPIN, hairs are going forth continuously and are formed in curls suspended from several sources that flow forth from this space. From the second space, WHICH IS BINAH OF ZEIR ANPIN, fifty sources spring forth, and the hairs carry on continuously from these sources and form waves that hang and blend in other locks. From the third space go forth thousands of thousands of rooms and chambers, and the hairs flow forth continuously from all. Therefore, these locks are curls upon curls.

196. All the transmissions that issue forth from these three spaces in the brain of the skull, and all these threads OF HAIR and all these locks hang over and cover the sides of the ears. Therefore, it is written: "O my Elohim, incline Your ear, and hear" (Daniel 9:18). In these curls depend right and left, light and darkness, mercy and judgment. All ASPECTS OF right and left depend on it IN Zeir Anpin, but not in the Atik THAT IS ARICH ANPIN.

197. When the hairs part TO RIGHT AND LEFT, a narrow path is apparent IN THE MIDDLE that grasps from this path of Atik Yomin, WHICH IS THE ASPECT OF THE CENTRAL COLUMN IN THE HAIR THAT IS COMPRISED OF THE RIGHT AND LEFT AND DOES NOT TURN, NEITHER TO THE RIGHT NOR TO THE LEFT. From this path IN ZEIR ANPIN, 613 paths separate that divide into the ways of the Torah commandments. THAT IS TO SAY THAT EACH INDIVIDUAL COMMANDMENT OF THE 613 PRECEPTS IN THE TORAH IS FLOWING FORTH FROM THAT CENTRAL COLUMN, WHICH IS AMONG THE HAIRS IN ZEIR ANPIN, as is written: "All the paths of Hashem are mercy and truth to such as keep His covenant and His testimonies" (Tehilim 25:10).

198. We have learned that in every individual hair lock are grasped thousands of thousands of those who wail and lament and hang on to each lock of harsh HAIRS. From those soft hairs flow forth the balancing ones - THAT IS, THEY FOLLOW THE CENTRAL COLUMN. Therefore, there exists right and left IN THE HAIR.

28. The forehead of Zeir Anpin

Rabbi Shimon says that the forehead of the skull is the supervision of providence, and that it is not revealed except when it is necessary to

scrutinize the deeds of the wicked; then the world at large is given to trial except when Atik Yomin wishes to have compassion on Yisrael because their prayers ascend to Him. When God is aroused to delight in the righteous, the face of Atik Yomin shines in the face of Zeir Anpin; the forehead of Arich Anpin is revealed and shines upon the forehead of Zeir Anpin - this is referred to as a period of grace, when judgment is silenced and not executed. In the countenance of man there are correspondences to the brow of Zeir Anpin, wherein the six Sfirot are revealed. When the forehead of Zeir Anpin is revealed, all is in judgment because the brow of Adam is also revealed.

199. The forehead of the skull is the supervision of providence. It is not revealed except for the period during which the wicked must be accounted AND IT IS NECESSARY to scrutinize their deeds. We have learned that when the forehead OF ZEIR ANPIN is revealed, all the plaintiffs are aroused and the world at large is given to trial, except for that particular period when the prayers of Yisrael ascend before Atik Yomin and He wishes to have compassion on His children. He reveals HIS forehead THAT IS REFERRED TO AS the Will of all Will and illuminates with the FOREHEAD of Zeir Anpin, and the judgment is soothed.

200. In that forehead emerges one hair that spreads on it from the brain that produced fifty gates, WHICH IS THE BRAIN WITHIN THE SECOND SPACE IN THE SKULL IN ZEIR ANPIN, WHICH IS BINAH. When THAT HAIR expands OVER THE FOREHEAD OF ZEIR ANPIN, it becomes the supervising forehead to the wicked of the world, SINCE THE SOURCE OF TRIALS THAT IS IN THE FIRST THREE SFIROT OF CHOCHMAH EXISTS IN THE LEFT SPACE OF ZEIR ANPIN. THAT HAIR EXPANDS FROM THERE AND PULLS THE JUDGMENTS TO THE FOREHEAD TO PUNISH THE WICKED WHO WANT TO FEED FROM HIS FIRST THREE SFIROT. Of those who are not ashamed of their deeds, it is written: "And you did have a harlot's forehead, you did refuse to be ashamed" (Yirmeyah 3:3).

201. We have learned that hairs have no standing in that specific place in the brow, because THE FOREHEAD gets revealed to those who sin with impudence. During the period that the Holy One, blessed be He, is aroused to delight in the righteous, the face of Atik Yomin shines in the face of Zeir Anpin. The forehead OF ARICH ANPIN is revealed and shines upon the forehead OF ZEIR ANPIN and it is referred to as a period of grace. During each individual period that judgment hangs and the forehead of Zeir Anpin is revealed, the forehead of the most ancient of all ancient ones is revealed, and judgment is silenced and not executed.

202. We have learned that this brow expands in 200,000 red ones that are attached to it and are comprised within. When the forehead of Zeir Anpin is revealed, there is permission for all to destroy; THAT IS, TO DO DESTRUCTION. When the forehead of the will of all wills is revealed and shines on to this forehead, all become silenced.

203. We have learned that 24 courts of judgment exist in this brow and all are referred to as Netzach. With the adjoining letters, MEANING THE TRANSPOSITION OF THE ADJACENT LETTERS, it becomes Metzach (lit. 'forehead'), SINCE THE NUN OF NETZACH EXCHANGES WITH THE MEM there is a Netzach which is Netzachim, or as we have learned Netzach Netzachim. They exist in the forehead and expand from there into the body in certain places.

204. We have learned that it is written: "And also the Eternal One (Netzach) of Yisrael will not lie nor change His mind: for He is not a man, that He should change His mind" (I Shmuel 15:29). We have explained this secret meaning: All the Netzach that spreads in the body, THAT IS, IN THE SIX ENDS, sometimes makes judgment impend on the world to be judged by trial, and then changes His mind and does not execute judgment if they repent. What is the reason? Because He exists in a place referred to as Adam and is able to change His mind. However, if it is in a place referred to as head, MEANING THE FIRST THREE SFIROT, then that Netzach is revealed. It is not the time and place to be repentant. What is the reason? It is because He is not in the place called Adam, WHICH IS THE SIX ENDS, SINCE the countenance OF THE FACE and nose, WHICH ARE SIX ENDS CALLED ADAM, were not revealed, just the brow itself is revealed, THAT IS THE FIRST THREE SFIROT, SINCE THE FOREHEAD AND THE FACE ARE THE FIRST THREE SFIROT AND THE SIX ENDS. In the place that no countenance OF THE FACE exists, WHICH IS SIX ENDS THAT ARE IN THE FOREHEAD, it is not considered Adam. Therefore, "for He is not a man (Adam), that He should change His mind," as is the Netzach in other bodily Corrections, MEANING THE NETZACH IN THE SIX ENDS THAT MAKE UP THE HUMAN.

29. The eyes of Zeir Anpin

Rabbi Shimon describes the eyes of Zeir Anpin, and the black eyebrows to which are attached 700,000 observing supervisors. He describes the eyelids, and how when His eyes are opened they see the watchful open eye of Arich Anpin. He describes the red, black and green hues in the eyes, and how seven types of supervision emanate from those hues. We hear the meaning of the different colors and how He watches Yisrael and the heathen nations. During the opening of Zeir Anpin's eyes there is an opening for goodness and an opening for evil, but the eye of Atik Yomin is totally tranquil and serene since there exists no judgment in it; it is an eye of compassion. Rabbi Shimon says that when the Holy of Holies wants to have mercy on Yisrael He sheds two tears to perfume the great ocean of the uppermost Chochmah, so that the children of Yisrael can bathe in the spring that emanates from great wisdom.

205. The eyes of the head IN ZEIR ANPIN are different than other eyes, MEANING THAN THE EYES OF ARICH ANPIN. The color in the eyebrows above the eyelids are colored in black HUE and waves upon waves of hair hang. They are in a set above the eyes at the top of the forehead and 700,000 observing supervisors are attached from THE TWO EYEBROWS.

205. עֵינוּי דְרִישָׁא, מִשְׁתַּנִּין מִשְׂאָר עֵינוּי, שְׂרָקוּתָא דְבְּגִבְתָּא, דְעַל רִיסֵי עֵינוּי, מִכְּחֻלָן בְּאוּכְמַתָּא, תְּלִיין תְּלִין עַל תְּלִין דְשַׁעְרֵי, וְאִינוּן תְּקוּנָא דְעַל עֵינוּי, בְּרִישָׁא דְמִצְחָא, וּמִתְאַחֲדָן מִתְרוּוִייהוּ שְׁבַע מָאָה אֲלֵפֵי מָאֵרֵי דְאַשְׁגָּחוּתָא.

206. In the cover over the eyes, THAT IS THE EYELIDS, glow 4,001,000 of those who unite in the eyelids, which are a cover. The watchful supervision of Atik Yomin is upon them. When the cover ABOVE OVER THE EYES is removed, it seems as if He is waking up from His sleep. His eyes are opened; they see a watchful open eye OF ARICH ANPIN, and they bathe in one whiteness of THAT good eye. This is what is written: "Washed with milk" (Shir Hashirim 5:12). What is the meaning of: "with milk"? It is in the whiteness of the above, the original, IN THE WHITENESS OF THE EYE IN ARICH ANPIN. During that period the providence of compassion prevails.

206. בְּכִסוּתָא דְעֵינוּי, לְהַטִּין אֶלְף וְאַרְבַּע מָאָה רְבּוּא, דְמִתְאַחֲדָן בְּגִבְיִין דְאִינְהוּ כְּסוּתָא. וְאַשְׁגָּחוּתָא דְעֵינָא דְעֵתִיק יוֹמִין עָלִייהוּ. וּבְשַׁעְתָּא דְסִלְקִין אִינוּן כְּסוּתָא, אֲתַחְזִי כְּמָאן דְאַתְעֵר מִשְׁנֵתִיהּ, וְאַתְפַּקְחָן עֵינוּי, וְחִמָּאן לְעֵינָא פְּקִיחָא, וְאַתְסַחָן בְּחַד חוּרָא דְעֵינָא טְבָא, הַה"ד, רוּחְצוּת בְּחֵלֵב. מֵאֵי בְּחֵלֵב. בְּחוּרָא דְלַעִילָא קְדָמָה. וּבְהֵיא שַׁעְתָּא אֲשַׁתְּכַח אֲשְׁגָּחוּתָא דְרַחֲמֵי.

207. About this David prayed, "Awake, why sleep You, Hashem? arise" (Tehilim 44:24), MEANING that He should open His eyes and bathe them in that whiteness THAT IS DRAWN FROM THE EYE IN ARICH ANPIN. During the entire period that His eyes do not open up, all the plaintiffs pressure Yisrael and the rest of the nations dominate over them. During the period that He will open His eyes, they will get bathed in the WHITENESS OF THE beneficial eye and compassion is over Yisrael, as the eye travels around and does its revenge among the rest of the nations. This is what is written: "Rouse Yourself, and awake" (Tehilim 35:23). "Rouse Yourself," MEANING to bathe in that whiteness, and "awake," MEANING to do vengeance to those who pressure YISRAEL.

208. When the eyes OF ZEIR ANPIN open up, they look pretty like doves, in hues of red, black and green. White does not show, except during a period when He looks with a beneficial eye OF ARICH ANPIN and all these hues bathe in the whiteness OF THE EYE IN ARICH ANPIN.

209. From those hues that are apparent IN THE EYE emanate seven eyes of supervision. They emerge from the black in the eye. This is what is written: "Upon one stone are seven facets (lit. 'eyes')" (Zacharia 3:9). What is the meaning of "one stone"? It is the blackness in the eye.

210. From the red IN THE EYE emerge seven runners that support the left side and glow in the fire of the north side. They are attached TO THE RED HUE in order to expand in the world to reveal the ways of the wicked. This is what is written: "Those seven...the eyes of Hashem, they rove to and fro through the whole earth" (Ibid. 4:10).

211. From the green OF THE EYE emerge seven lights that circle to the south side. They attach themselves IN THE GREEN HUE to spread in the world and discover the ways and deeds of the people either good or bad, as written: "For His eyes are upon the ways of man" (Iyov 34:21).

212. When they bathe in the whiteness, all exist to be watchful over all the truthful people to benefit the world for their sake. All the supervision of that whiteness is to benefit Yisrael. He supervises with the redness IN THE EYE TO REVENGE those who besiege YISRAEL. This is what is written: "And I have surely seen (lit. 'saw')" (Shemot 3:7): "Saw" in order to benefit Yisrael; "have...seen" in order to revenge for their sake those who besiege YISRAEL. Therefore, it is written: "Awake, why sleep You, Hashem? Arise, cast us not off for ever." "Awake" and "arise" are two supervisions, two openings OF THE EYES, two KINDS OF benefits, compassion and vengeance.

213. The first hue OF THE EYE is red within red that comprises and covers all reds, SINCE ALL REDS do not appear RED in His presence. One black thread circles around this red and surrounds it.

207. וע"ד צלי דוד, עורה למה תישן יי' הקיצה. דיפקח עינוי, ויתסחן בהוא חוורא. וכל זימנא דעינוי לאו מתפקחן, כל מאריהון דריגין, בפנין להו לישראל, ושאר עמין שלטין עלייהו. ובזמנא דיפקח עינוי, יתסחן בעינא טבא, ורחמי על ישראל. ואסתחר עינא, ועביד נוקמין בשאר עמין. הה"ד, העירה והקיצה. העירה: לאתסחא בהיא חוורא. הקיצה: למעבד נוקמין לאיגון דכפין לון.

212. וכד אסתחן בחוורא, משתבחין בלהו לאשגחא לכל מארי קשוט, לאוטבא עלמא בגינהון. וכל אשגחותא דהוא חוורא, הוי לטב על ישראל. ואשגח בסומקא למאן דעאקין להו. הה"ד ראה ראיתי. ראה: לאוטבא לון. ראיתי: לנקמא לון, מדעקין לון, ובגין כך כתיב, עורה למה תישן יי' הקיצה אל תזנח לנצח. עורה, והקיצה, תרי אשגחותא. תרי פקיחין. תרי טבן. רחמי ונוקמין.

213. גוונא קדמאה, סומקא בגו סומקא כליל וסתים כל סומקין, מקמיה לא אתחזן. סוחרניה דהוא סומקא, אסחר חד חוטא אוכמא, ואקיף ליה.

214. The second hue IN THE EYE is black, similar to the one stone that emerges from the depths in the great ocean once in a thousand years. When this stone emerges FROM THE DEPTHS, it is accompanied by thunderous noise and anger over the ocean. The noise of the ocean and its waves go forth and are heard by the great fish called Leviatan, and he emerges from the depths. This stone rolls in the angry sea and is expelled outwards. It is so black, that all black are obscured by comparison, MEANING THAT THEY ARE NOT RECOGNIZED AS BLACK IN COMPARISON TO IT. So is the black in the eye, for it is a black that includes and conceals all the blacks, MEANING THAT THEY ARE NOT RECOGNIZABLY BLACK IN COMPARISON TO IT. A red thread circles around that black and surrounds it.

215. The third hue IN THE EYE is the greenest of greens that comprises and conceals all the greens. Around that green, two threads encircle a red thread to one side and a black thread to the other side, and they surround that green.

216. When the white IN THE EYE is revealed and the eye is rolled AND COMES UNDER THE DOMINATION OF THE WHITE, all these OTHER hues do not exist AT THAT MOMENT. They descend downward and nothing is visible IN THE EYES besides that white hue that shines from THE EYES OF Atik Yomin TO THE EYES OF ZEIR ANPIN. And all THE GRADES below get illuminated from it.

217. There is not another hue visible except for that white alone. Therefore, those of the red and the black, which are twins, have disappeared. THAT IS TO SAY, THEY LOOK SIMILAR TO EACH OTHER AND THERE IS NOT THE DISTINCTION THAT THE BLACK IS A DIFFERENT ASPECT FROM THE RED, SINCE THE BLACK COLOR DOES NOT INDICATE ABOUT ITSELF, EXCEPT THAT IT HAS A DOUBLE BLEMISH, BUT NOT ABOUT IT BEING AN ASPECT OF MALCHUT RATHER THAN BINAH. This is what is written: "Your teeth are like a flock of shorn ewes, which came up from the washing; all of which bear twins" (Shir Hashirim 4:2). What is the meaning of: "from the washing"? This is from the bath of the uppermost holy eye, OF ARICH ANPIN, THAT THROUGH THIS THE WHITE ALONE WILL BE DOMINANT. "All of which bear twins": They blend with each other and adhere to each other UNTIL THEY LOOK LIKE TWINS WITH NO APPARENT DIFFERENTIATION BETWEEN THEM. It is written: "Your teeth are like a flock of shorn ewes (Heb. ketzuvot)." THAT SEEMS TO INDICATE THAT THERE IS A MEASURE (HEB. KITZBAH) AND INDIVIDUAL DISTINCTION TO EACH ONE OF THEM. Yet you say, "All of which bear twins," WHICH INDICATES THAT THERE IS NO DISTINCTION. THE EXPLANATION IS THAT THE VERSE COMES to tell us that the whiteness IN THE TEETH is like the whiteness in the eyes during the period when they get bathed in the whiteness of the supernal eye, WHICH IS THEN REFERRED TO AS "A FLOCK OF SHORN EWES." IT DOES NOT MEAN THAT THERE IS A MEASURE AND DISTINCTION BETWEEN EACH HUE.

218. The righteous are destined to know and perceive THIS LIGHT, THE WHITE IN THE EYE in the spirit of wisdom, as it says, "For they shall see eye to eye" (Yeshayah 52:8), NAMELY THE ILLUMINATION OF THE WHITE OF THE EYE OF ARICH ANPIN IN THE EYE OF ZEIR ANPIN. When will this happen? When "Hashem returning to Zion" (Ibid.). It is written: "That You Hashem are seen eye to eye" (Bemidbar 14:14). This is when the opening of the eyes is for the good.

214. גוֹוֹנָא תְּנִינָא, אוֹכְמָא. כְּאֲבָנָא חַד דְּנָפִיק מִתְּהוּמָא, חַד זְמַן לְאֵלֶף שָׁנִים, בְּיַמָּא רַבָּא. וְכַד נָפִיק הָאִי אֲבָנָא, אֲתִי רַגְשָׁא וְתַקְפָּא עַל יַמָּא. וְקִלְיָה דִּימָא, וְגַלְגְלוּהִי אֲזֵלִין, וְאַשְׁתַּמְעוּ לְנוּנָא רַבָּא, דְּאֶקְרִי לוּיְתָן. וְנָפִיק מִתְּהוּמָא. וְהָאִי אֲבָנָא מִתְּגַלְגְּלָא בְּתוֹקְפָא דִּימָא, וְנָפִיק לְבַר. וְהָאִי אוֹכְמָא, דְּכָל אוֹכְמִין סְתִימִין קְמִיָּה. וְכֵךְ הִיא אוֹכְמוּתָא דְּעֵינָא, אוֹכְמָא, דְּכֻלִּיל וְסְתִים כָּל שְׂאֵר אוֹכְמִין. וְסוּחְרַנְיָה דִּיהוּא אוֹכְמָא, אֶסְחַר חַד חוּטָא סוּמְקָא, וְאֶקִּיף לֵהוּא אוֹכְמָא.

219. There is an opening of eyes for the good and an opening of eyes for the bad, MEANING TO SAY THAT DURING THE OPENING OF THE EYES IN ZEIR ANPIN, THERE IS AN OPENING ON ONE SIDE FOR GOODNESS AND AN OPENING ON ONE SIDE FOR EVIL. It is written: "Open Your eyes, and see our desolations..." (Daniel 9:18), so we find EXISTING here AN OPENING OF EYES. This is for the good and for the bad. It is written: "Your eyes shall see Jerusalem, a quiet habitation, a tent that shall never be taken down; its pegs shall not be removed" (Yeshayah 33:20). We find here AN OPENING OF EYES for good and for bad, because they do not happen one without the other.

220. We have learned this in the hidden book. What is the meaning of: "Your eyes shall see Jerusalem, a quiet habitation"? Is then Jerusalem a quiet habitation? Isn't it written that "righteousness lodged in it" (Yeshayah 1:21), THAT IS THE JUDGMENTS THAT ARE REFERRED TO AS RIGHTEOUSNESS, and a place where righteousness is residing is neither tranquil nor quiet. HE REPLIES: Just as "your eyes shall see Jerusalem, a quiet habitation," HERE "a quiet habitation" refers to Atik Yomin. The eye OF ATIK YOMIN THAT IS TOTALLY WHITE is tranquil and serene, SINCE THERE EXISTS NO JUDGMENT AT ALL FROM THERE, because it is an eye of compassion, an eye that does not move from this Providence OF COMPASSION to another Providence OF JUDGMENT. Therefore, it is written: "Your eyes (Heb. einecha) shall see," missing a Yud (plural) and is not written: 'eineicha', SINCE THE TWO EYES OF ARICH ANPIN ARE CONSIDERED ONE AND THE MEANING IN THE VERSE IS THAT THE EYE OF ARICH ANPIN, WHICH IS A QUIET HABITATION, SHALL POUR FORTH BOUNTY AND BEHOLD JERUSALEM, WHICH IS MALCHUT. Its saying "Jerusalem" rather than 'Zion', IN NOT SAYING, 'YOUR EYES SHALL SEE ZION' is as it should be, in order to suppress the judgment that exists in her and have mercy on her.

221. We have further learned that it is written: "For the eyes of Hashem your Elohim, are always upon it, from the beginning of the year to the end of the year" (Devarim 11:12). THAT IS THE EYES OF Zeir Anpin THAT HAVE IN THEM A PROVIDENCE FOR GOOD AND A PROVIDENCE FOR BAD, WHICH IS THE SECRET OF THE TWO EYES, ONE FOR COMPASSION AND ONE FOR JUDGMENT. In the World to Come, you will find in her, MALCHUT, one eye of compassion AND NOT THE PROVIDENCE OF JUDGMENT, which is the eye of the most Ancient among ancient, MEANING ARICH ANPIN. This is what is written: "But with great mercy will I gather you" (Yeshayah 54:7). HE ASKS: Since He said mercy, why does it say great? HE ANSWERS: There is compassion and there is compassion. THERE EXISTS compassion of the most Ancient among ancient and it is referred to as great compassion, AND THERE EXISTS compassion in Zeir Anpin; they are referred to simply as compassion. Therefore, THE VERSE SAYS, "But with great mercy will I gather you," MEANING THE COMPASSION of Atik Yomin.

222. We have learned that within the eyes OF ZEIR ANPIN, the two hues in them, the red and black, reside two tears. When the Holy of Holies wishes to have mercy upon Yisrael, He drops two tears to perfume the great ocean. What is this great ocean? It is the ocean of the uppermost Chochmah, WHICH IS THE SECRET OF BINAH THAT RETURNS BACK TO CHOCHMAH AND THE TWO TEARS THAT HE DROPS THERE, meaning to say in order that they should bathe in the whiteness, in the spring that emanates from great wisdom and has compassion on Yisrael.

30. The nose of Zeir Anpin

Rabbi Shimon explains the smoke that went out of the nostrils of Zeir Anpin, saying that the smoke included fire and coals of fire. The black and red smoke corresponds to anger and hot displeasure and the destroyer. We learn about the many powers existent in Zeir Anpin and how they spread in His body; they all begin to emerge from the nose until all the Gvurot are heated and wander around until they descend to the bright blade of the

revolving sword. As a result of the sins of the wicked, compassion is overturned to justice, in that Atik Yomin does not appear on Zeir Anpin so Zeir Anpin activates justice. Rabbi Shimon says that the separating note between Abraham, Abraham and Jacob, Jacob indicate that the first name is incomplete and the second is complete. In Hashem, Hashem the first Yud Hei Vav Hei is whole, but the second Yud Hei Vav Hei is complete in its entirety, being Zeir Anpin during the period it receives from the thirteen Corrections of the beard in Arich Anpin. Moses brought down the thirteen measures of compassion from the Holy Atika below. Rabbi Shimon describes the two openings of the nose, the first of which emanates smoke and the second of which emanates a consuming fire. The nose must smell the sweet savor of the smoke and fire that ascend from the offering in order that it will sweeten the judgments.

223. The nose OF ZEIR ANPIN: We have learned in the hidden book about the nose of Zeir Anpin. Through the nose, the facial countenance is apparent. In this nose, the subject matter of this verse is explained: "There went up a smoke out of His nostrils, AND FIRE OUT OF HIS MOUTH DEVoured: COALS WERE KINDLED BY IT" (II Shmuel 22:9). "There went up a smoke out of His nostrils": In this smoke were included fire and coals of fire, since there is no smoke without fire and there is no fire without smoke. All rise and emerge from the nose.

224. We have learned that when these three joined, the ones included in the smoke that emerges from the nose, the nose gets wrinkled AND BECOMES SHORTER. THIS IMPLIES THAT CHOCHMAH, WHICH IS THE SECRET OF LENGTH, DOES NOT SHINE WITHIN AND THEREFORE IT IS SHORT. It exhales, and smoke that is black and red emerges, as does anything that is in between these hues. They are called anger, hot displeasure and destroyer. If you say that anger and wrath are mentioned: "For I was afraid of the anger and hot displeasure" (Devarim 9:19), which are the black and red smoke, where do we find that destroyer? HE REPLIES: It is written, "Before Hashem destroyed S'dom and Amorah" (Bereshheet 13:10), for the destroyer destroyed S'DOM AND AMORAH in a bonfire of consuming fire.

225. We have learned that five Gvurot (lit. 'powers') exist in Zeir Anpin. They amount to 1,400 Gvurot and they spread in the nose, in the mouth, in the arms, in the hands and in the fingers. Therefore, it is written: "Who can utter the mighty acts of Hashem" (Tehilim 106:2). It is spelled Gvurot WITHOUT VAV, WHICH INDICATES THE PLURAL, and it is written there: "Yours, Hashem, is the greatness, and the power (Gvurah)" (I Divrei Hayamim 29:11). THAT IS ALSO WRITTEN IN SINGULAR FORM, AND YOU SAY THAT THERE ARE 1,400 GVUROT. HE REPLIES: This is how we have learned it: when all the Gvurot join together, they are referred to as one Gvurah. THEREFORE, IT SAYS GVURAH IN SINGULAR FORM.

226. All the Gvurot begin to emerge from the nose, where there are suspended 4,001,000 to each one OF THE FIVE GVUROT IN THE NOSE. In the smoke that emerges from the nose are suspended 1,400 of this side of Gvurah. All the Gvurot are dependent on this nose, as is written: "One generation shall praise Your works to another, and shall declare Your mighty acts" (Tehilim 145:4). When Gvurah resides IN THIS NOSE, all the Gvurot are heated and wander around until they descend to the bright blade of the revolving sword.

227. It is written: "For we will destroy this place" (Beresheet 19:13), MEANING THE ANGELS OF THE MEASURE OF JUDGMENT, and it is written: "Before Hashem destroyed S'dom and Amorah" SINCE IT IS SAYING YUD HEI VAV HEI, WHICH IS THE ATTRIBUTE OF MERCY. It is further written: "And Hashem rained upon S'dom and upon Amorah" (Ibid. 19:24), WHICH IS THE SECRET OF ZEIR ANPIN AND HIS COURT OF JUDGMENT THAT ARE REFERRED TO AS "AND HASHEM" (VAV YUD HEI VAV HEI). WHY DOES IT SAY ONCE A SENSE OF A MEASURE OF JUDGMENT AND ONCE A MEASURE OF MERCY? HE REPLIES: It is only because we have learned that it is not sufficient to the wicked, but also they reverse the measure of judgment to a measure of compassion, SINCE THE MEASURE OF MERCY ACTIVATES WITHIN THEM THE JUDGMENTS.

228. HE ASKS: How do they reverse THE MEASURE OF JUDGMENT TO A MEASURE OF MERCY, since it is written: "For I am Hashem, I do not change" (Malachi 3:6)? HE REPLIES: It is only because there exists great mercy in everything as long as the Atik of Atikin, the white head THAT IS THE SECRET OF THE CROWN OF ARICH ANPIN, the will of wills, THIS IS THE SECRET OF THE BROW OF ARICH ANPIN, are revealed. During the times they do not get revealed, all the judgments of Zeir Anpin are ready and ZEIR ANPIN, WHO IS compassion, the Ancient of all, executes judgment.

229. We have learned that when the Atik of Atikin gets revealed, the will of all wills, all the candles referred to by the name OF THE ATIK illuminate, and compassion exists all over. During the time that the hidden of hidens does not reveal Himself and the candles, HIS SFIROT, are not illuminating, judgments get awakened and justice is done. Who caused this justice? The will of all wills that did not reveal Himself; therefore, the wicked overturn the compassion to justice. AS A RESULT OF THEIR SINS, ATIK YOMIN DOES NOT MANIFEST AS ZEIR ANPIN AND CONSEQUENTLY ZEIR ANPIN THAT IS CALLED YUD HEI VAV HEI ACTIVATES JUSTICE. It is written: "AND HASHEM RAINED UPON S'DOM... from Hashem out of heaven," which refers to Zeir Anpin. That is the meaning, since it says, "Out of heaven (Heb. shamayim)," WHICH IS ZEIR ANPIN REFERRED TO BY SHAMAYIM. SHAMAYIM CONTAINS THE LETTERS OF fire (Heb. esh) and water (Heb. mayim) THAT INDICATE compassion and justice, to exclude whoever does not contain any kind of justice, THAT DOES NOT REVERT TO JUDGMENT.

230. We have learned that the nose IN ZEIR ANPIN is short. When the smoke starts to emerge, it leaves in a hurry and justice is done. Who delays the nose so justice will not emerge? It is the nose of the holy Atik, who is referred to as longsuffering (lit. 'long-nosed') to everyone, BOTH TO THE RIGHTEOUS AND WICKED ONES.

231. That is the secret that we have learned. "Hashem, Hashem" (Shemot 34:6): There is a separating musical note between them. THAT IS, THERE IS A DIVIDING LINE SEPARATING BETWEEN THE FIRST HASHEM AND THE SECOND HASHEM. The same applies all over where you have a name mentioned twice. A note separates between them, as we find in: "Abraham, Abraham" (Beresheet 22:11); "Jacob, Jacob" (Ibid. 46:2) and "Samuel, Samuel" (I Shmuel 3:10). In all, there is a separating note BETWEEN THE FIRST AND SECOND NAME except by "Moses Moses" (Shemot 3:4). There is no separating note between THE FIRST MOSES AND SECOND MOSES. What is the reason? It is since "Abraham, Abraham" THAT IS MENTIONED TWICE INDICATES that the second ABRAHAM is complete AND AVRAM, the first, is not complete, since it is only now that he is completed with the ten trials. Therefore, the note separates between them TO INDICATE that now he is not like he was before.

227. כתיב, כי משחיתים אנחנו את המקום הזה. וכתיב לפני שחת יי את סדום את עמורה. וכתיב, ויני המטיר על סדום ועל עמורה. אלא הכי תאנא, לא דיין לרשעים וכו', אלא דמהפכי מ"ר למ"ה.

228. והאיך מהפכי, והא כתיב אני יי לא שניתי. אלא בכל זמנא דעתיק דעתיקי, רישא חורא, רעוא דרעוין, אתגליין, רחמין רברבין אשתכחו בכלא. ובשעתא דלא אתגלייא, כל דינן דזעיר אפין זמינין, וכביכול רחמי, עביד דינא, ההוא עתיקא דכלא.

229. דתניא, כד אתגלייא עתיקא דעתיקין, רעוא דרעוין, כלהו בוציני דאתקרון בשמא דא, נהירין. ורחמי אשתכחו בכלא. ובשעתא דלא אתגליי טמירא דטמירין, ולא אתנהרן אלין בוציני. מתערין דינין, ואתעביד דינא. מאן גרים להאי דינא. רעוא דרעוין דלא אתגלי, ובג"כ מהפכין חיבייא רחמי לדינא. ומה דאמר הכא, מאת יי מן השמים. בזעיר אפין אתמר. ומשמע דכתיב מן השמים, אש ומים. רחמי ודינא. לאפקא מאן דלית ביה דינא כלל.

230. תאנא, האי חוטמא זעיר. וכד שארי תננא לאפקא, נפיק בבהילו, ואתעביד דינא. ומאן מעבב להאי חוטמא דלא יפיק תננא, חוטמא דעתיקא קדישא, דהוא אקרי ארך אפים מכלא.

231. והיינו רזא דתנינן, יי יי פסיק טעמא בגווייהו. בכלהו אתר דשמא אדכר תרי זמני, פסיק טעמא בגווייהו, כגון אברהם אברהם. יעקב יעקב. שמואל שמואל. כלהו פסיק טעמא בגווייהו. חוץ ממשא משה, דלא פסיק טעמא בגווייהו. מ"ט. אברהם אברהם, בתראה שלים, קדמאה לא שלים, דהשתא שלים בעשר נסיוני, ובגין כך פסיק טעמא בגווייהו, דהשתא לא הוה איהו כדקדמיתא.

232. The same applies for "Jacob, Jacob." It indicates THAT the second JACOB is whole and the first is not complete. It is only now that he has been told the news that Joseph IS ALIVE and the Shechinah is upon him, WHICH WAS NOT THE CASE WHEN HE WAS MOURNING FOR JOSEPH AND THE SHECHINAH WAS GONE FROM HIM. Moreover, the holy tree was now perfected in the land, WHICH IS JACOB, in the likeness of above, LIKE ZEIR ANPIN THAT CONTAINS twelve boundaries, THAT IS THE TWELVE PERMUTATIONS OF YUD HEI VAV HEI, and the seventy branches, SINCE TWELVE PERMUTATIONS SHINE IN ALL ITS SIX ENDS, AMOUNTING TO 72, THAT IS THE SECRET OF THE SEVENTY MEMBERS OF THE SANHEDRIN AND TWO WITNESSES. THE SEVENTY MEMBERS OF THE SANHEDRIN ARE REFERRED TO AS SEVENTY BRANCHES. THE HOLY TREE IN THE LAND, THE SECRET OF JACOB, ALREADY BEGAT TWELVE TRIBES THAT EXPANDED TO SEVENTY SOULS which did not exist prior to that. Therefore, the second JACOB is complete and the first JACOB is not complete and the note separates them. The same applies for "Samuel, Samuel" that the note separates them. What is the reason? It is because the second SAMUEL is complete. The first SAMUEL is not complete. Now he is a prophet, but prior to that he was not a prophet. However by "Moses Moses," there is no separating note, since he was complete the day he was born, as it is written: "And when she saw that he was a goodly child" (Shemot 2:2). MEANING THAT IMMEDIATELY WHEN HE WAS BORN, THE SHECHINAH DWELT UPON HIM, ABOUT WHICH IS SAID, "THAT IT WAS GOOD" (BERESHEET 1:10).

233. Here too, "Hashem, Hashem." There is a note separating between them, since the first YUD HEI VAV HEI is whole but the second YUD HEI VAV HEI is complete in its entirety. THE SECOND YUD HEI VAV HEI IS ZEIR ANPIN DURING THE PERIOD IT RECEIVES FROM THE THIRTEEN CORRECTIONS OF THE BEARD IN ARICH ANPIN, AND ALSO CONTAINS THE THIRTEEN CORRECTIONS OF THE BEARD LIKE HIM. Moses, in place of justice, WHICH IS ZEIR ANPIN, wanted to bring down THE THIRTEEN MEASURES from the holy Atik, which is compassion, to Zeir Anpin. Since this is what we have learned, how wonderful is the power of Moses that he brought down the THIRTEEN measures of compassion FROM ATIKA KADISHA below. When the holy Atika was revealed in Zeir Anpin, all appear in compassion. The nose (Heb. chotem) gets calmed, and fire and smoke do not emerge, as it is written: "And for My praise I will refrain (Heb. echetom: lit. 'nose') for you" (Yeshayah 48:9), WHICH INDICATES THE TIME WHEN THE NOSE OF ZEIR ANPIN IS IN COMPASSION.

234. We have learned of the two openings of the nose. In one opening, the smoke emerges glowing hot and settles in the crevice of the great depths. From one opening emerges a consuming fire burning with flames and sparking in 1,400 worlds on the left side, THAT IS IN A COLUMN AND A HALF OF THE FIRST THREE SFIROT OF THE LEFT, WHICH ARE 1,400. Whoever manages to get near this is referred to as the fire of Hashem, who is a consuming fire burning all other fires. This fire is not firmly established except through the fire of the altar. The smoke that emerges from the other opening OF THE NOSE is not firmly established except with the smoke of the offering.

235a. All THE SWEETENING OF THE JUDGMENTS depend on the nose, and therefore it is written: "And Hashem smelled the sweet savor" (Beresheet 8:21). Everything is dependent on the nose, which should smell the smoke and the red fire THAT ASCENDS FROM THE OFFERING. Therefore, THE OFFERING is received favorably. This is what is written: "And the anger (lit. 'nose') of Hashem was inflamed" (Bemidbar 12:9), "and then Hashem's anger (nose) be inflamed" (Devarim 11:17), "and my anger (nose) shall be inflamed" (Shemot 22:23) and "lest the anger (nose) of Hashem your Elohim be inflamed" (Devarim 6:15). All this is said of Zeir Anpin and not of the Atik THAT IS ARICH ANPIN.

235(1). וְכֹלֵא תִלְוִיָא בְּחוּטְמָא, בְּגִין כִּךְ כְּתִיב, וַיִּרְחַ יְיָ אֶת רִיחַ הַנִּיחֹחַ. דְּכֹלֵא בְּחוּטְמָא תִלְוִיָן, לְאַרְחָא הָאִי חוּטְמָא, בְּתַנְנָא, וְאַשָּׁא סוּמְקָא. וּבְגִין כִּךְ אֶתְקַבַּל בְּרַעוּא. וְהָאִי דְכְתִיב, וַיִּחַר אֶף יְיָ. וַחֲרָה אֶף יְיָ. וַחֲרָה אֶפְיָן אֶתְמַר, וְלֹא בְעֵתִיקָא.

31. The ears of Zeir Anpin

We read a description of the ears of Zeir Anpin, that hear both good and bad and distinguish between them. The voice that enters the ears causes the brain to awaken and to bring mercy to the righteous and vengeance to the wicked. Rabbi Shimon says to hear means to understand. He explains the meaning of the full name Yud Hei Vav Hei Elohim, that is comprised of both mercy and judgment.

235b. We have learned that it is written: "O my Elohim, incline Your ear, and hear" (Daniel 9:18). That is the ear that was produced under the hair and the hairs hang over it. The ear was produced with impressions of impressions in its innermost interior, as if someone had produced a slanted step. What is the reason that it is slanted? It is in order to hear good and bad. We have learned that from this slope within the ears, all the winged ones are suspended, about whom it is written: "For a bird of the sky shall carry the sound, and that which has wings shall tell the matter" (Kohelet 10:20).

235(2). תַּאנָּא, כְּתִיב הִטָּה אֱלֹהֵי אֲזַנְךָ וּשְׁמַע הָאִי אִיהוּ אֹדְנָא דְאַתְעָבִיד תַּחוּת שְׁעָרֵי. וּשְׁעָרֵי תִלְוִיָן עֲלִיהָ. וְאֹדְנָא אֶתְעָבִיד בְּרִשׁוּמֵי רְשִׁימִין לְגַא. כְּמָה דְעָבִיד דְרָגָא בְּעִקְיָמָא, מִטְּ בְּעִקְיָמָא. בְּגִין לְמִשְׁמַע טַב וּבִישׁ וְתַאנָּא, מֵהָאִי עִקְיָמָא דְבָגוּ אֹדְנִין, תִּלְוִיָן כֹּל אִינוּן מֵאִרֵי דְגַדְפִּין, דְכְתִיב בְּהוּ, כִּי עוֹף הַשָּׁמַיִם יוֹלִיךְ אֶת הַקּוֹל וּבַעַל כַּנְּפַיִם יִגִּיד דְבָר.

236. Within the ear, it flows from the three spaces of the brain OF ZEIR ANPIN, WHICH ARE CHOCHMAH, BINAH AND DA'AT, into this opening in the ears. From these drops, the voice enters into that slope and combines with those drops either for good or for bad. Good, as it is written: "For Hashem hears the poor" (Tehilim 69:34) and bad, as it is written: "And Hashem heard it; and His anger was kindled; and the fire of Hashem burned among them" (Bemidbar 11:1).

236. בָּגוּ אֹדְנָא, נְטִיף מִג' חֲלָלֵי דְמוּחָא, לְהָאִי נֹקְבָא דְאֹדְנִין. וּמֵהָהוּא נְטִיפָא, עֵייל קְלָא בְּהָהוּא עִקְיָמָא, וְאַתְצְרִיף בְּהָהוּא נְטִיפָא, בֵּין טַב וּבֵין בִּישׁ. טַב, דְכְתִיב כִּי שׁוֹמֵעַ אֶל אַבְיוֹנִים יְיָ. בִּישׁ, דְכְתִיב וַיִּשְׁמַע יְיָ וַיִּחַר אַפּוֹ וַתִּבְעַר בָּם אֵשׁ יְיָ.

237. This ear is sealed from the exterior and that slope enters inside to the opening in the ear, which contains the flow from the brain, in order to carry the voice inwards so it will not slip out, so it would be kept guarded and sealed from all sides. Therefore, it is a secret. Woe to the one who reveals the secrets, since it is as if he diminishes the uppermost structure that was prepared in order to gather the secrets WITHIN, so they do not escape to the outside.

237. וְהָאִי אֹדְנָא סְתִים לְבָר. וְעִקְיָמָא עֵייל לְגוּ, לְהָהוּא נֹקְבָא דְנְטִיפָא מִן מוּחָא, בְּגִין לְמַכְנַשׁ קְלָא לְגַא, דְלֹא יִפּוֹק לְבָר, וַיְהִי נְטִיר וְסְתִים מְכַל סְטְרוּי. בְּג"כ הוּא רְזָא. וְוִי לְהָהוּא דְמַגְלֵי רְזִין, דְמֵאֵן דְמַגְלֵי רְזִין כְּאִילוּ אַכְחִישׁ תְּקוּנָא דְלַעִילָא. דְאַתְתְּקִין לְמַכְנַשׁ רְזִין, וְלֹא יִפְקִין לְבָר.

238. We have learned that when Yisrael scream from their woes, and the hairs are unveiled from over the ears, the voice enters in the ears in that opening which gets the flow from the brain. It gathers FROM the brain and emerges through the openings of the nose, and the nose becomes shorter and warmer. Fire and smoke exit from these nose openings, and all Gvurot are roused and do vengeance.

238. תַּנְיָא, בְּשַׁעְתָּא דְצוּוחִין וְיִשְׂרָאֵל בְּעִיקָא, וּשְׁעָרֵי מִתְגַּלְוִין מֵעַל אֹדְנִין, כְּדִין עֵייל קְלָא בְּאֹדְנִין, בְּהָהוּא נֹקְבָא דְנְטִיף מִמוּחָא, וּכְנַשׁ בְּמוּחָא. וְנִפְיָק בְּנֹקְבֵי דְחוּטְמָא. וְאַתְזַעַר חוּטְמָא, וְאַתְחַמֵּם, וְנִפְיָק אֲשָׁא וְתַנְנָא מֵאִינוּן נֹקְבִין, וּמִתְעָרִין כֹּל גְּבוּרָאן, וְעָבִיד נֹקְמִין.

239. Prior to the emergence of the fire and cloud from these NOSE openings, that voice ascends above and pounds the fragrance of the brain. Two tears flow down from the eyes and cause smoke and fire to escape from His nostrils through that noise that he carries out to the exterior.

240. In that voice that enters the ears, all those MENTIONED ABOVE are drawn and awakened. Therefore, it is written: "And Hashem heard it; and His anger was kindled; and the fire of Hashem burned among them." With that listening of the voice THAT ENTERED THE EARS, the brain gets awakened, BECAUSE FROM THERE THE VOICE DRAWS MERCY TO THE RIGHTEOUS AND VENGEANCE TO THE WICKED. We have learned that it is written: "O my Elohim, incline Your ear, AND HEAR," meaning to say lower down. THAT IS, HE SHOULD DROP AND LOWER THE SLOPE IN THE EAR TO THE PLACE OF THE VOICE AND UPLIFT THE VOICE OF PRAYER TO THE INNER PART OF THE EAR WHERE THE BRAINS ARE. There are six hundred thousand ten thousand winged ones that hang on these ears and all are referred to as the ears of Hashem. In the words: "Hashem, incline Your ear," the ear refers to Zeir Anpin, SINCE THE ACTIONS OF THE LOWER GRADES ARRIVE THUS TO ZEIR ANPIN.

241. From one side of the brain space IN ZEIR ANPIN - THAT IS, THE LEFT SIDE - the ears are suspended. From the fifty gates that emerge from that hollow, there is one gate that continues to emerge and open up within the ear opening, as is written: "For the ear tries words" (Iyov 34:3). It is also written: "Tries the hearts and reins" (Tehilim 7:10). From the aspect of the expansion OF THE BRAIN in the cavern in the fifty gates that spread through the body, BEHOLD in the place where the heart resides, THE BRAIN STARTS to expand in that cavern of the fifty gates. THEREFORE, in relation to the ear, the word "tries" is used and "tries" is also used in relation to the heart, because they expand from the same place.

242. We have learned in the hidden book that this ear distinguishes between good and bad, so it is applicable to everything, MEANING TO ALL THE SFIROT OF ZEIR ANPIN. In Zeir Anpin, there is a good side and a bad side, WHICH ARE right and left, compassion and justice. This ear is included in the brain. Because it is included in the brain and in one cavern, it is included in the voice that enters in it, which is considered hearing once it is in the ear. Binah is included in the hearing. Hear means understand, WHICH IS BINAH, UNDERSTANDING. All this amounts to is that everything has equal import. Those matters were given to those who are seated on the benches of justice, to hear, observe and know.

243. Come and see that it is written: "Hashem, I have heard the report of You, and I was afraid" (Chavakuk 3:2). This verse is well known. When the holy prophet heard and observed and knew and understood about these structures IN THE EAR, WHICH IS: "I HAVE HEARD THE REPORT OF YOU," it is written: "I was afraid," since it is proper to fear and break before Him. That is said about THE EARS of Zeir Anpin AS A RESULT OF THE REVELATION OF THE LEFT COLUMN WITHIN WHICH THAT CARRIES ON, AS MENTIONED ABOVE.

239. ועד לא נפקין מאינון נוקבין אשא ותנא, סליק ההוא קלא לעילא, ובטש בריחא דמוחא, ונגדין תרין דמעין מעיינין, ונפק מנחירו תנא ואשא, בההוא קלא דנגיד לון לבר.

244. After he saw and knew, it is written: "Hashem, revive Your work in the midst of the years" (Ibid.). This is said of Atik Yomin, since wherever Yud Hei Vav Hei is found, Yud Hei Vav Hei, twice with Yud-Hei, or ONE with Aleph-Dalet and ONE with Yud-Hei, one NAME IS for Zeir Anpin and one NAME for the Atik Atikin, even though ZEIR ANPIN AND ATIKA are all the same and are called by the same name.

245. We have learned the full name is read when it is written Yud Hei Vav Hei Elohim, because this is the full name of the most Ancient of all and of Zeir Anpin, SINCE YUD HEI VAV HEI IS THE SECRET OF THE ATIK AND ELOHIM IS ZEIR ANPIN. All of it is referred to as the full name, but the other NAMES are not considered a full name, as we have explained: "And Hashem Elohim planted" (Beresheet 2:8). That is the full name that PLANTED among the plantings of the Garden. Yud Hei Vav Hei Elohim is always considered the full name. TWICE Yud Hei Vav Hei, Yud Hei Vav Hei is all inclusive, THAT IS ZEIR ANPIN AND ATIKA, AS MENTIONED ABOVE, BUT IS NOT YET REFERRED TO AS A FULL NAME, SINCE compassion gets awakened in everyone during that period. IT IS NOT INCLUDED IN JUDGMENT. HOWEVER, YUD HEI VAV HEI ELOHIM IS COMPRISED FROM MERCY AND JUDGMENT, SINCE ELOHIM POINTS TO JUDGMENT. THEREFORE, IT IS A FULL NAME.

246. THE VERSE: "Hashem, revive Your work in the midst of the years" is said to Atik Yomin. HE ASKS: What is "Your work"? HE REPLIES: It is Zeir Anpin THAT EMANATES FROM ATIK YOMIN. "In the midst of the years": These are the primordial years referred to as the days of old and not everlasting years, since the years of old are the days of old, THAT IS THE SFIROT OF ATIK YOMIN. Everlasting years (lit. 'the years of the world') are the days of the world WHICH ARE THE SFIROT OF ZEIR ANPIN. It is written: "In the midst of the years." Which years are they? The primordial years OF ATIK YOMIN. "Revive": revive whom? "Revive" Zeir Anpin, that all its light survives thanks to these primordial years OF ATIK YOMIN. Therefore, it says "revive." "In wrath remember mercy" (Chavakuk 3:2), MEANING REMEMBER the supernal Chesed of the Atik of Atikim, in whom compassion is awakened for whoever requires mercy and whoever deserves mercy.

32. The nine Corrections of the beard of Zeir Anpin

Rabbi Shimon says that the beard is not mentioned in scripture because the most precious and concealed of all things are not revealed. The beard is the most valuable part of the entire countenance, its perfection and beauty. When the holy anointing oil drips from the beard of the holy Atika it drips upon the beard of Zeir Anpin, which gets established in nine Corrections, and from which the 22 letters of the Torah emerge. Rabbi Shimon describes all nine Corrections of the black hair of the beard.

247. We have learned that Rabbi Shimon said: I invoke the witness of the sky above and all those who are standing above us, MEANING ALL THE CHARIOTS AND ENCAMPMENTS OF THE ANGELS, that these matters are rejoiced upon in all the worlds. These matters are rejoicing in my heart and are hiding and ascending in the uppermost curtain that is extended over us. The Ancient of all, who is concealed and sealed of all, hides them. When I began to speak, the friends did not know that all these holy matters are inspired here. Praised is the lot of the friends that are here. Praised is my lot with you in this world and the World to Come.

244. כִּד אֶסְתַּכֵּל וַיֵּדַע מַה בְּתוּב. יי' פִּעֲלֶךָ בְּקֶרֶב שָׁנִים חַיִּיהוּ. הַאִי לְעֵתִיק יוֹמִין אֲתָמֵר. וּבְכָל אֶתֶר דִּישְׁתַּכַּח, יי' יי', בְּיוֹד הֵ"א תְרֵי זְמוּנֵי, אוּ בְאַלְף דְּלִ"ת, וַיּוֹד הֵ"א, חֵד לְזַעִיר אֶפִּינ, וְחֵד לְעֵתִיקָא דְעֵתִיקִין. וְאַף עַל גַּב דְּכֻלְהוּ חֵד, וְחֵד שְׁמָא אֶקְרוּ.

248. Rabbi Shimon opened the discussion with the verse: "But you that did cleave to Hashem your Elohim..." (Devarim 4:4). Who is a holy nation like Yisrael, that it is written of them: "Happy are you, O Yisrael: who is like to you" (Ibid. 33:29)? It is written: "Who is like You, Hashem, among the Elim" (Shemot 15:11), since their adherence is to the Holy Name on this world, and in the World to Come even more than here IN THIS WORLD, since there they do not get separated from the bond into which the righteous are tied, MEANING THE BOND OF LIFE, WHICH IS THE SECRET OF MALCHUT THAT IS BOUND IN THE TREE OF LIFE THAT IS ZEIR ANPIN. This is what is written: "But you that did cleave to Hashem" and it is not written: 'did cleave towards Hashem', but actually "to Hashem."

249. We have learned that when the holy anointing oil descends upon the beard of Zeir Anpin from the dear beard of the uppermost of the holy Atika, who is hidden and concealed from everyone, the beard of Zeir Anpin gets established in nine Corrections. During the time that the dear beard of the Atik of Atikim illuminates within this beard of Zeir Anpin, thirteen springs flow from the uppermost oil into the beard OF ZEIR ANPIN, and 22 Corrections prevail in it. From Him flow the 22 letters of the Torah.

250. You might say that the beard does not get mentioned anywhere and Solomon mentioned only "His cheeks" (Shir Hashirim 5:13), BUT DOES NOT SAY BEARD. HE REPLIES: So we have learned in the hidden book that everything that is hidden and concealed is neither mentioned nor revealed. This thing, THE BEARD, is uppermost and most precious of all. It is hidden and concealed since the beard is the praise and the most valued feature of the entire countenance; therefore, the scripture concealed it and did not reveal it. We have learned that this beard, which is the perfection of the countenance and the beauty of Zeir Anpin, starts out from His ears and drops and ascends and covers with an offering of fragrance. What is this offering of fragrance? It is as it says: "His cheeks are like a bed of spices" (Ibid.). With nine Corrections, this beard of Zeir Anpin was established with black hair all established in a beautiful arrangement like a valiant, beautiful and mighty man, as is written: "Excellent as the cedars" (Ibid. 15).

251. The first Correction: The hairs are arranged from above, FROM THE SIDES OF THE HEAD. That spark goes out, that strong spark, emanates from the pure air and pounds from underneath the head hair, under the HAIR locks above the ears. It descends hair after hair in front of the ear opening to the beginning of the mouth.

252. The second Correction: The hairs exit and ascend from the start of the mouth, WHICH IS THE UPPER LIP, to the other end of the mouth opening. They ALSO come down underneath the mouth FROM ONE END to the other end OF THE LOWER LIP, hair by hair, in a beautiful arrangement.

248. פתח ר"ש ואמר, ואתם הדבקים ביי' אלהיכם וגו'. מאן עמא קדישא כישראל, דכתיב בהו אשריך ישראל מי כמוך, דכתיב מי כמה באלם יי' משום דאתדבקותא דלהון הוא בשמא קדישא בעלמא דין. ובעלמא דאתי יתיר מהכא. דהתם לא מתפרשן מניה, מההוא צורא דצירין ביה צדיקא, הה"ד ואתם הדבקים ביי', ולא כתיב הדבקים ליי', אלא ביי' ממש.

253. The third Correction: Under the nose, in the center, under the two nostrils of the nose one path goes out that is FREE OF HAIR, BUT tiny tough hairs fill that path. The rest of the hairs occupy both sides surrounding that path. On the bottom, THE LOWER LIP, there is no path visible at all. THAT SHOULD BE CLEAR OF HAIR, EXCEPT THAT the path above IS VISIBLE, OVER THE UPPER LIP, that descends downwards to the beginning where the lips are JOINED. There, the path is submerged. IT DOES NOT CONTINUE UNDER THE LOWER LIP AS BY ARICH ANPIN.

254. The fourth Correction: Hairs sprout out and are arranged to ascend and cover his cheeks like a fragrant offering. THAT IS THE SECRET MEANING OF: "HIS CHEEKS ARE LIKE A BED OF SPICES." The fifth Correction: The hairs stop GROWING. The two apples OF THE FACE become visible, CLEAR OF HAIR, on both sides. They are red like a red rose and glow in 270 worlds that glow from there. The sixth Correction: The hairs sprout out like one string around the beard and hang to the top of his belly, MEANING TO HIS CHEST, and do not descend to the navel. The seventh Correction: The hair does not hang over the mouth and the mouth is free OF HAIR all around. The hairs are set in an arrangement around it.

255. The eighth Correction: The hairs descend under the beard and cover the back of the neck so it is not seen. All the hairs are thin. Tiny strands upon strands fill every direction. The ninth Correction: The hairs join, altogether evenly, with those hairs that are hanging, all evenly and beautifully like a mighty man who wins battles.

256. With these nine Corrections nine springs of the anointing oil of the above flow and spring forth. From that anointing oil, there is a flow to all those below. These nine Corrections reside in the beard OF ZEIR ANPIN and with the perfection of the arrangement of the beard. He is considered such a mighty man, that whoever observes this beard prevails, and mighty strength is connected to him. Up until here is the description of the supernal beard in Zeir Anpin.

33. First Correction of the nine Corrections of the beard

Rabbi Elazar tells us that King David needed these nine Corrections in order to conquer the other kings and nations; he called upon God, who answered him with liberation and took his part. Rabbi Elazar talks about the form of man, including the forms of Lion, Ox and Eagle, and how man is mentioned in the quoted scriptures only in conjunction with the Holy Name. He says that Zeir Anpin will do all that one desires for whoever holds on to the holy beard and honors Him. The essential message of this section is: If God takes my part, I will not fear, for what can man possibly do to me?

257. Rabbi Shimon said to his son Rabbi Elazar: Get up my son and curl the structure of the holy beard through these Corrections. Rabbi Elazar stood up and said, "Out of my distress I called upon Yah: Yah answered me with liberation...than to trust in princes" (Tehilim 118:5-9). We have learned here, IN THIS VERSE, the nine forms that exist in this beard, IN ZEIR ANPIN. King David needed these Corrections in order to conquer the other kings and nations.

258. Come and see that as soon as he said those nine Corrections, he concluded with the verse: "All nations compassed me about: but in the name of Hashem I cut them off" (Ibid. 10). He said: All these Corrections that I mentioned, what purpose do they serve me? It is because all nations compassed me about. In the setting of this beard are nine Corrections, which are the name of Hashem, AND THROUGH THEM, I will abolish them from the world. This is what is written: "In the name of Hashem I cut them off."

259. We have learned in the hidden book that King David has mentioned here nine Corrections IN THE VERSES OF: "OUT OF MY DISTRESS..." Six are in the Holy Name, in that there are IN THESE VERSES six names, and three times Adam (lit. 'man'). If you say we only find "MAN" twice, IT IS NOT SO, BUT RATHER there are three, since "princes" are also included in "man." WE CONSIDER THE WORD "PRINCES" AS IF "MAN" IS SAID, SO WE HAVE "MAN" THREE TIMES, AS IS FURTHER EXPLAINED.

260. We have learned that there are six names, as is written: 1) "Out of my distress I called upon Yah"; 2) "Yah answered me with liberation"; 3) "Hashem is on my side; I will not fear"; 4) "Hashem takes my part"; 5) "It is better to take refuge in Hashem" and 6) "It is better to take refuge in Hashem," WHICH IS IN THE SECOND VERSE. THUS WE HAVE HERE SIX NAMES. "Man" is there three times, as is written: 1) "Hashem is on my side; I will not fear: what can a man do to me?"; 2) "It is better to take refuge in Hashem than to put confidence in man," and 3) "It is better to take refuge in Hashem than to trust in princes." PRINCES ARE MAN, AS MENTIONED ABOVE, SO WE HAVE "MAN" THREE TIMES.

261. Come and see the secret of the matter. Everywhere that man is mentioned here, it is mentioned only together with the Holy Name, THAT IS TO SAY, IN THE SAME VERSE MAN IS MENTIONED, HASHEM IS ALSO MENTIONED. This is as it should be, as man is only referred to with that which he deserves. What is THE NAME "MAN" deserving? It is the Holy Name YUD HEI VAV HEI, MEANING TO SAY THAT PRIOR TO THE PERFECTION OF THE HOLY NAME, YUD HEI VAV HEI, THE MOCHIN THAT ARE REFERRED TO AS "MAN" ARE NOT COATED WITH IT, as is written: "Hashem Elohim formed man" (Beresheet 2:7), YUD HEI VAV HEI ELOHIM BEING THE SECRET OF CHOCHMAH AND BINAH, 'THE MAN', MEANING THE MOCHIN IN THE IMAGE OF ZEIR ANPIN, THAT ARE REFERRED TO AS "MAN," THAT IS, with a full name which is Yud Hei Vav Hei Elohim, as is befitting it, THE NAME MAN (HEB. ADAM). Therefore, man is not mentioned except TOGETHER with the Holy Name.

262. We have learned that it is written: "Out of my distress I called upon Yah: Yah answered me with liberation"; that is twice Yud-Hei. That is for the two cheeks to which the hairs are attached. When DAVID saw that the hairs flow and hang, he opened the discussion saying, "Hashem is on my side; I will not fear... Hashem takes my part," MEANING WITH THE COMPLETE NAME OF YUD HEI VAV HEI, with a name that is not missing in it VAV-HEI, a name that is holy. Man is mentioned with this FULL name, SINCE THE MOCHIN DO NOT RESIDE EXCEPT WITH THE FULL NAME, AS MENTIONED.

263. He said, "What can a man do to me?" WHICH IS THE DESCRIPTIVE NAME OF THE EXPANSION OF THE MOCHIN, AS MENTIONED ABOVE, so this is ITS MEANING. We have learned that all these holy Sfirot of the King that were established with shapes, THAT IS, THAT THE MOCHIN FLOW THROUGH THEM, are referred to as man, who is the general form including all FORMS. THE THREE FORMS - LION, OX, EAGLE - ARE COMPRISED IN THE FORM OF MAN. THAT IS THE SECRET OF MALCHUT THAT COMPRISES IN IT ALL THE THREE COLUMNS. CONSEQUENTLY, THE UNION OF THE THREE MOCHIN - CHOCHMAH, BINAH AND DA'AT, WHICH CORRESPOND TO LION, OX, EAGLE - ARE ONLY IN THE FORM OF MAN. THEREFORE, IT IS CONSIDERED AS THE SIX ENDS IN THE MOCHIN OF CHOCHMAH, BINAH AND DA'AT, SINCE THE MALCHUT IS THE FEMALE LIGHT THAT ILLUMINATES ONLY FROM BELOW UPWARDS. THAT IS THE SECRET OF THE SIX ENDS OF THE MOCHIN. What emanates FROM THE MOCHIN, THAT IS, WHAT IS CONCEIVABLE TO THE LOWER ONES, is referred to as the Holy Name, SINCE NAME IS EXPLAINED AS CONCEPTION. The sheath, THAT IS THE SECRET OF MALCHUT REFERRED TO AS SHEATH, and what it contains, WHICH ARE THE MOCHIN, are called Yud Hei Vav Hei and are called man. That is the whole of the sheath together with its content.

264. Those nine Corrections that David said here were in order to subdue his enemies. Whoever holds on to the beard of the King and honors Him with the utmost honor, the King will oblige and do for him all that he desires from the King. HE ASKS: What is the reason THAT THERE IS A NEED TO HOLD on to the beard and not to his body? HE REPLIES: It is because the body follows after the beard, SINCE ALL THE LIGHTS OF THE BODY GET DRAWN FROM THE BEARD, BUT the beard does not follow the body. CONSEQUENTLY, WHEN YOU ARE ATTACHED TO THE BEARD YOU ARE ALSO ATTACHED TO THE BODY, BUT WHEN ONE IS ATTACHED TO THE BODY HE IS NOT YET ATTACHED TO THE BEARD.

265. There are two ways to count THE NINE CORRECTIONS OF THE BEARD IN THE VERSES OF: "OUT OF MY DISTRESS." The first is as we already said, THAT "OUT OF MY DISTRESS I CALLED UPON YAH" IS THE FIRST DESCRIPTION AND "YAH ANSWERED ME WITH LIBERATION" IS THE FOURTH DESCRIPTION THAT IS REFERRED TO IN OUR PRESENT ACCOUNT AS: "WHAT CAN A MAN DO TO ME?" The second IS THE ACCOUNT BEFORE US, OF WHICH "out of my distress I called upon Yah," is the first CORRECTION. The second is: "Yah answered me with liberation"; the third is: "Hashem is on my side; I will not fear" and the fourth is: "What can man do to me?" The fifth is "Hashem takes my part"; the sixth is: "Therefore I shall gaze upon those who hate me"; the seventh is: "It is better to take refuge in Hashem"; the eighth is: "Than to put confidence in man" and the ninth is: "It is better to take refuge in Hashem than to trust in princes."

262. וְתָנָא, כְּתִיב מִן הַמִּצַּר קִרְאתִי יְהוָה עֲנֵנִי בְּמִרְחָב יְהוָה, תְּרִי זְמַנִּי יְהוָה יְהוָה, לְקַבֵּל תְּרִי עֲלֵעוּי, דְּשַׁעְרֵי אֲתֵאֲחָדֵן בְּהוּ. וּמִדְּחָמָא דְּשַׁעְרֵי אֲתַמְשַׁכְּאֵן וְתַלְיִין, שְׂאֵרֵי וְאָמַר יְיָ לִי לֹא אִירָא. יְיָ לִי בְּעוֹזְרֵי. בְּשִׁמְא דְּלֹא חֶסֶד. בְּשִׁמְא דְּהוּא קְדִישָׁא. וּבְשִׁמְא דְּא, אֲדַבְּר אָדָם.

265. וּבְתָרֵי גּוּוּנֵי אֲתֵי הָאֵי חוּשְׁבָּנָא, חַד כְּדַקְאֲמַרְן. תְּרִין: מִן הַמִּצַּר קִרְאתִי יְהוָה, חַד. עֲנֵנִי בְּמִרְחָב יְהוָה, תְּרִי. ה' לִי לֹא אִירָא, תֵּלַת. מַה יַעֲשֶׂה לִי אָדָם, אַרְבַּע. ה' לִי בְּעוֹזְרֵי, חֲמִשׁ. וְאֵנִי אֲרָאָה בְּשׁוֹנְאֵי, שִׁיתָא טוֹב לְחִסוֹת בְּה', שְׁבַעָה. מִבְּטוּחַ בְּאָדָם, תְּמַנְיָא. טוֹב לְחִסוֹת בֵּינִי מִבְּטוּחַ בְּנַדְיָבִים תְּשַׁעָּה.

266. HE ASKS: THE FIRST SHAPE THAT IS REFERRED TO, "Out of my distress I called upon Yah," what does it say, WHY IS IT CALLED THAT? HE REPLIES: All that David said here, MEANING THE REST OF THE EIGHT BEARD CORRECTIONS, he said about this Correction of the beard, THE FIRST ONE, "Out of my distress (lit. 'straight') I called upon Yah," that is, from the place where the beard begins to spread out, which is a narrow area above and in front of the ear openings below the hair of the head. THIS MEANS THAT AT THESE POINTS, THE HAIRS ARE SHORT AND THE AREA IS NARROW THAT POINTS OUT THE ASPECT OF JUDGMENT THAT EXISTS IN THE BEARD, WHICH IS THEREFORE REFERRED TO AS: "THE STRAIGHT." This is why he says Yud-Hei Yud-Hei twice, MEANING IN THE FIRST CORRECTION AND THE SECOND, BEFORE THE BEARD STARTS TO WIDEN, SINCE YUD-HEI POINTS OUT THAT THE NAME IS DEVOID OF VAV-HEI. However, in the area where the beard spreads out, where it drops from the ears and begins to widen, MEANING IN THE THIRD CORRECTION, he says, "Hashem is on my side; I will not fear." THAT IS THE COMPLETE NAME - YUD HEI VAV HEI - because that is an area that is not narrow. CONSEQUENTLY, ALL THE CORRECTIONS FOLLOW TO SWEETEN THE JUDGMENT IN THE FIRST CORRECTION, IN WHICH THE NAME IS NOT COMPLETE. David required all these CORRECTIONS in order to subdue kings and nations beneath him, through the glory of this beard.

267. We have learned in the hidden book that whoever sees in his dream his hand holding on to the beard of an important person, or extending his hand TO HOLD ON to it, he should be aware that he is in union with the ones above. He will throw under him all those who distress him, SINCE THE BEARD INDICATES THE SUBDUING OF ENEMIES AND WHOLENESS, AS MENTIONED ABOVE. We have learned that the supernal beard gets established with nine Corrections, which is the beard in Zeir Anpin that gets established in nine Corrections SINCE THE BEARD IN ARICH ANPIN GETS RESTORED IN THIRTEEN CORRECTIONS.

268. The first Correction: The hair is shaped from above and grows out in front of the ear openings underneath the locks OF HEAD HAIR that hang over the ears. The hair descends strand by strand to the top of the mouth. We have learned that all these hairs in the beard are harder than all the strands in the locks of head hair. The head hairs are long, while those IN THE BEARD are not long. In head hairs, there are some that are smooth and some that are rough.

269. When the white hairs of Atik Yomin are drawn to the hair of Zeir Anpin, it is written: "Wisdoms cry aloud in the street (lit. 'outside')" (Mishlei 1:20). What is the meaning of: "outside"? That is in Zeir Anpin, WHICH VESTS THE NETZACH, HOD AND YESOD IN ARICH ANPIN THAT IS CONSIDERED THE OUTWARD ASPECT, SINCE ALL NETZACH, HOD AND YESOD ARE OUTWARD OF THIS BODY, to which two brains join, THE BRAIN OF ARICH ANPIN IN THE BRAINS OF ZEIR ANPIN OUTWARD OF ARICH ANPIN, ABOUT WHICH IS SAID "WISDOMS CRY ALOUD OUTSIDE."

270. HE ASKS: Two brains, how could you imagine this, SINCE IN ZEIR ANPIN ALONE THERE ARE THREE BRAINS? HE REPLIES: Therefore, just say four brains. Three brains are in Zeir Anpin existing in the three spherical cavities in the skull and one brain OF ARICH ANPIN rests in its station that includes WITHIN IT all three brains. From it there is a flow FROM ARICH ANPIN, balanced perfectly, continuously, into the white hair IN ARICH ANPIN to the three brains within Zeir Anpin.

266. מן המצר קראתי י"ה, מאי קא מיירי אלא דוד, כל מה דאמר הכא, על תקונא דדיקנא דא קאמר. מן המצר קראתי יה, מאתר דשאר דיקנא לאתפשטא, דהוא אתר דחיק, מקמי פתחא דאודנין מעילא, תחות שערי דרישא. ובג"כ אמר י"ה י"ה תרי זמני. ובאתר דאתפשט דיקנא, ונחית מאודנוי, ושאר דאתפשטא, אמר יי' לי לא אירא, דהוא אתר דלא דחיק וכל האי אצטריך וכו', דוד לאכנע תחותיה מלכין ועמין, בגין יקרא דדיקנא דא.

267. ותאנא בצנועותא דספרא, כל מאן דחמי בחלמיה דדיקנא דבר נש עלאה אחיד בידיה, או דאושט ידיה ליה. ינדע דשלים הוא עם עלאי, וארמיה תחותיה אינון דמצערין ליה. תנא, מתתקן דיקנא עלאה בתשעה תקונין, והוא דיקנא דזעיר אפין, בט' תקונין מתתקן.

271. Four brains exist in Zeir Anpin, WHICH ARE CHOCHMAH AND BINAH, THE RIGHT OF DA'AT AND THE LEFT OF DA'AT. AS A RESULT OF THE BRAIN ILLUMINATION IN ARICH ANPIN TO HIS THREE BRAINS, HIS THREE BRAINS DIVIDE UP TO FOUR. As a result of these, the four portions, written in Tefilin, are completed, SINCE THE FOUR CHAPTERS IN THE TEFILIN ARE THE SECRET OF THE SURROUNDING LIGHT OF THE THREE BRAINS - CHOCHMAH, BINAH AND DA'AT - IN ZEIR ANPIN. DUE TO THE INCLUSION OF THE BRAIN OF ARICH ANPIN WITHIN THEM, THE BRAIN OF DA'AT IN ZEIR ANPIN IS SPLIT INTO TWO BRAINS, TO THE RIGHT AND TO THE LEFT, AND THAT COMPLETES THE FOUR CHAPTERS - THAT IS, FOUR BRAINS, since the Holy Name of Atik Yomin is included in them, Atik of Atikin, WHICH IS THE FIRST BRAIN THAT IS ARICH ANPIN, and that of Zeir Anpin, WHICH CONTAINS THREE BRAINS. This is the perfection of the Holy Name, as is written: "And all people of the earth shall see that You are called by the name of Hashem; and they shall be afraid of You" (Devarim 28:10). The name of Hashem is truly the name of Hashem, which are the boxes of the Tefilin, SINCE THE MOCHIN (LIT. 'BRAINS') IS THE SECRET OF YUD HEI VAV HEI AND THE COMPARTMENTS OF THE BRAINS IS THE SECRET OF MALCHUT, REFERRED TO AS THE NAME OF HASHEM.

272. Therefore, SCRIPTURE SAYS: "Wisdoms cry aloud outside," WHICH ARE THE CHOCHMAH OF ZEIR ANPIN AND THAT OF ARICH ANPIN. They exist here IN ZEIR ANPIN, WHICH IS OUTSIDE OF ARICH ANPIN. The wisdom of Atik of Atiks, the most concealed of all concealed, is not available and is not prepared TO BE DISCOVERED, since it is wisdom concealed from all and is not describable. Since the four brains joined in Zeir Anpin, four springs flow forth from it to every direction, WHICH ARE FOUR BRAINS - CHOCHMAH, BINAH, THE RIGHT OF DA'AT AND THE LEFT OF DA'AT. THESE FOUR are separated by one spring that emanates to them all, THAT IS THE BRAIN OF CHOCHMAH, WHICH GOES OUT AND SPLITS INTO FOUR BRAINS, WHICH IS THE SECRET OF THE 32 PATHS OF WISDOM THAT ARE REVEALED TO THE LOWER GRADES. Therefore, there are four BRAINS IN CHOCHMAH OF ZEIR ANPIN DUE TO THE REASON THAT CHOCHMAH OF ARICH ANPIN IS INCLUDED IN THEM, SO THAT THEY WILL BE BESTOWED BY HIM UPON THE LOWER GRADES SINCE IN THE CONCEALED BRAIN, FROM ITS LOCATION, NOTHING AT ALL IS REVEALED. THEREFORE, THE VERSE SAYS: "WISDOMS CRY ALOUD OUTSIDE," SINCE ONLY ON THE OUTSIDE IN THE PLACE OF ZEIR ANPIN WILL THEY SING JOYOUSLY - THAT IS, BE REVEALED.

273. We have learned this Chochmah that is a combination of four, MEANING THE BRAIN OF CHOCHMAH IN ZEIR ANPIN, is drawn through the hairs OF ZEIR ANPIN that hang wave upon wave. All are rough and coarse and are drawn and go forth, each to its own direction. A thousand of thousands and ten thousand of tens of thousands are hanging, some of them without number. This is what it says, "His locks are wavy" (Shir Hashirim 5:11), wave upon wave. All are too heavy and coarse to join, similar to a hard flint, and like that stone that is strong and sturdy until holes and streams under the hair are caused, and strong currents continue forth in each side and every direction. Since these hairs are black and dark, it is written about them: "He uncovers deep things out of darkness, and brings out to light the shadow of death" (Iyov 12:22).

274. We have learned that the hairs in the beard are rougher than the head hair because the BEARD HAIRS alone are available and explainable. CONSEQUENTLY, they are harsher in their ways.

271. ומשתכחן ארבע מוחי בהאי זעיר אפין. בגין כך אשתלימו ארבע פרשיות דכתיבין בתפילין, דאתכליל בהו שמא קדישא דעתיק יומין, עתיקא דעתיקין, וזעיר אפין. דהאי הוא שלימותא דשמא קדישא. דכתיב, וראו כל עמי הארץ כי שם יי' נקרא עליך ויראו ממך. שם יי'. שם יי' ממש, דאינון ארבע רהיטי בתי דתפילין.

275. HE ASKS: Why are they harsh? If you will say because all pertain to judgment, it is not so, for mercy ALSO exists in these forms. When the thirteen springs of oil come down, THAT IS THIRTEEN BEARD CORRECTIONS OF ARICH ANPIN THAT DESCEND DOWN TO THE BEARD in Zeir Anpin, they all pertain to mercy. IF SO, WHY ARE THEY HARSH?

276. HE REPLIES: We have learned that all the beard hairs are rough. What is the explanation? It is because all these of mercy - THAT IS, THE ONES THAT DRAW FROM THE CENTRAL COLUMN, WHICH IS COMPASSION - must be harsh in order to subdue THE LEFT COLUMN, WHICH IS judgment, AND TO JOIN HIM IN THE RIGHT. All these which pertain to judgment, MEANING THE ONES DRAWN FROM THE LEFT COLUMN, WHICH ARE HARSH JUDGMENTS, are ESSENTIALLY harsh. They need to be harsh from the two directions, BOTH FROM THE COMPASSIONATE SIDE AND FROM THE JUDGMENTAL SIDE. When the world requires mercy, THOSE HAIRS OF compassion FROM THE CENTRAL COLUMN are strong and overcome judgments, BECAUSE THEY UNITE THE LEFT WITH THE RIGHT COLUMN, WHICH IS CHASSADIM, AND THE BRAINS THAT ARE COMPASSIONATE GET REVEALED. When the world requires judgment, DURING THE ILLUMINATION OF CHOCHMAH THAT DOES NOT ILLUMINATE EXCEPT WITH THE EXPOSITION OF JUDGMENT, the judgment is then strong and overcomes compassion. Therefore, they need to be harsh on both sides. When compassion is required, the hairs that are mercy stand up and the beard is seen in these hairs. THE OTHERS ARE NOT VISIBLE and everything happens according to compassion. When justice is needed, the beard is seen ONLY in these hairs OF JUSTICE AND THE OTHERS ARE NOT VISIBLE. And everything, EITHER MERCY OR JUSTICE, prevails through the beard.

277. When the holy white beard OF ARICH ANPIN gets revealed, all these and all these shine and bathe IN THE CHASSADIM OF THE BEARD IN ARICH ANPIN. This is similar to someone who bathes from the deep river from THE MURKINESS that was in it, MEANING FROM THE JUDGMENTS. Everything exists with compassion and the judgment does not exist. When all these nine BEARD CORRECTIONS illuminate together, they all bathe in mercy.

278. Therefore, Moses repeated for a second time THE ATTRIBUTES: "Hashem is longsuffering, and great in love" (Bemidbar 14:18), THAT IS IN THE PORTION OF SHELACH. However 'truth' is not said THERE, AS HE SAYS IN THE THIRTEEN ATTRIBUTES IN THE PORTION OF KI TISA. THAT IS because the secret of the matter is those nine Attributes, MEANING THE NINE CORRECTIONS OF THE BEARD IN ZEIR ANPIN. They illuminate from Atik Yomin to Zeir Anpin. When Moses said THE ATTRIBUTES the second time, IN THE PORTION OF SHELACH, he said nine Corrections, which are the Corrections of the beard that exist in Zeir Anpin, and descend from Atik Yomin and illuminate within him. Therefore, HE DID NOT MENTION IN THEM 'AND TRUTH', SINCE truth depends upon the Atika Kadisha, WHO IS THE SECRET OF THE SEVENTH OF THE THIRTEEN CORRECTIONS OF THE BEARD IN ARICH ANPIN, WHICH IS THE SECRET OF THE BRIGHTENING OF THE FACE IN ARICH ANPIN. WHEN HE ONLY RECEIVED NINE CORRECTIONS FROM THE ATIK, Moses did not say, 'and truth', SINCE THIS CORRECTION OF THE ATIK IS NOT SHINING WITHIN HIM AT PRESENT.

275. אָמאי תְּקִיפִין. אי תִּימָא, מְשׁוּם דְּכָלְהוּ דִּינָא, לָאוּ דְּכִי, דְּהָא בְּתַקּוּנִין אֲלִין אֲשַׁתְּכּוּ רַחְמִי. וּבְשַׁעְתָּא דְּנַחְתִּין תְּלִיסַר מְבוּעֵי נְהָרֵי דְּמִשְׁחָא, אֲלִין כְּלָהוּ רַחְמִי.

279. We have learned that the hairs of Zeir Anpin are all rough, wave upon wave, and are not smooth AS THE HAIR OF ARICH ANPIN. I see that three brains exist there in the three spaces and illuminate from the concealed brain IN ARICH ANPIN. The brain of Atik Yomin, THAT IS THE CONCEALED BRAIN, is quiet and resting like fine wine upon its sediments. AS THOSE SEDIMENTS DO NOT SPOIL THE WINE, BUT QUITE THE OPPOSITE, THEY FORTIFY IT, SO TOO THE JUDGMENTS IN THE CONCEALED BRAIN ARE NOT JUDGMENTS THAT WOULD EVEN SLIGHTLY DIMINISH THE CONCEALED BRAIN IN ITS OWN ESSENCE, TO THE CONTRARY, THEY STRENGTHEN IT. THEREFORE, the hairs OF ARICH ANPIN are all smooth and polished in fine oil and it is written: "And the hair of whose head was like the pure wool" (Daniel 17:9).

280. Those of Zeir Anpin are rough yet not so hard, since all are hanging up and not twisted. Therefore, the wisdom continues to flow THROUGH THEM. THIS IS THE ILLUMINATION OF CHOCHMAH FROM BINAH THAT RETURNS TO CHOCHMAH, WHICH IS THE SECRET OF THE 32 PATHS OF CHOCHMAH THAT IS THE SECRET OF THE BINAH OF CHOCHMAH. FOR THIS CHOCHMAH DOES NOT FLOW EXCEPT THROUGH JUDGMENTS; THEREFORE, THE HAIRS NEED TO BE ROUGH. But this is not so for Chochmah of Chochmah, THAT IS, CHOCHMAH OF OR YASHAR (LIT. 'DIRECT LIGHT') IN ITS OWN ESSENCE, which is silent and quiet, IN THE CONCEALED BRAIN OF ARICH ANPIN. We have learned that there is nobody who could fathom the brain of Atik Yomin, except Himself, and it is written: "Elohim understands its way, and He knows its place" (Iyov 28:23). This is said only OF CHOCHMAH of Zeir Anpin THAT IS REVEALED, AND NOT OF CHOCHMAH OF ARICH ANPIN THAT IS CONCEALED AND IS NOT REVEALED AT ALL. Rabbi Shimon said: Blessed is my son to the Holy One, blessed be He, in this world and in the World to Come.

34. The second and third of the nine Corrections of Zeir Anpin

Rabbi Aba describes the second Correction as meaning several things: it is like a dominating, great, beautiful and mighty man; it is mercy; it is truth. He talks a good deal about Chesed in various contexts; we learn that the third Correction is "and abundant in Chesed."

281. The second Correction: The hairs leave and ascend from the beginning of the mouth to the other side of the mouth opening, THAT IS, FROM ONE END TO THE OTHER END ABOVE THE UPPER LIP. They descend under the mouth, BELOW THE LOWER LIP, FROM THE BEGINNING to the other end, AND strands upon strands descend in a beautiful shape.

282. RABBI SHIMON SAID TO RABBI ABA: Rise Rabbi Aba. Rabbi Aba stood up, opened by saying: When this Correction is established with the Correction of the King, IT IS like a ruling, great, handsome and mighty man. This is what is written: "Great is our Master, and of great power" (Tehilim 147:5). When He was established with the formation of the precious holy beard OF ARICH ANPIN and looks at it, THIS CORRECTION is called by His light: "El, merciful..." (Shemot 34:6). THAT IS WHEN THE THIRTEEN BEARD CORRECTIONS IN ARICH ANPIN SHINE UPON THE NINE BEARD CORRECTIONS IN ZEIR ANPIN. THEN HIS SECOND CORRECTION IS CALLED BY THE NAME MERCIFUL. This second Correction is established by another of the Corrections OF THE BEARD OF ZEIR ANPIN and it is called: "and truth" (Shemot 34:6), WHICH IS THE SEVENTH CORRECTION OF THESE BEARD CORRECTIONS IN ZEIR ANPIN. His face shines, MEANING THAT IT THEN CONTAINS THE FIRST THREE SFIROT, WHICH ARE THE SECRET OF: "A MAN'S WISDOM MAKES HIS FACE TO SHINE" (KOHELET 8:1).

279. תָּנָא, שְׁעָרֵי דְרִישָׁא דְזַעִיר אֲפִין, בְּלֵהוּ קְשִׁישִׁין, תְּלִין עַל תְּלִין. וְלֹא שְׁעִיעִין. דְּהָא חֲמִינָא דְתַלְתָּ מוּחֵי בְתַלְתָּ חֲלָלִי מִשְׁתַּבְּחִין בֵּיהּ, וְנִהְרִין מִמוּחָא סְתִימָא. וּמְשׁוּם דְמוּחָא דְעֵתִיק יוֹמִין, שְׁקִיט וְשָׂכִיךְ בְּחֶמֶר טַב עַל דּוֹרְדֵייהּ, שְׁעָרוֹ בְּלֵהוּ שְׁעִיעִין, וּמְשִׁיחִין בְּמִשְׁחָא טַב. וּבג"כ בְּתֵיב, רֵאשֵׁה כְּעֶמֶר נְקָא.

282. קוּם רַבִּי אַבָּא. קָם ר' אַבָּא, פְּתַח וְאָמַר, בַּד תְּקוּנָא דְרִיקְנָא דָּא מִתְתַּקֵּן בְּתְּקוּנָא דְמַלְכָּא, כְּגַבְרַת תְּקִיף שְׁפִיר לְמַחְזִי, רַב וְשְׁלִיט, הֵה"ד גְּדוּל אַדוּנִינּוּ וְרַב כַּח. וְכַד אֲתַבְּסֵם בְּתְּקוּנָא דִיקְנָא וְיִקְרָא קְדִישָׁא, וְיִשְׁגַּח בֵּיהּ, אֲקָרִי בְנֵהִירוֹ דִּילֵיהּ, אֵל רַחוּם וְגו'. וְהָאֵי תְּקוּנָא תְּנִינָא אֲתַתְּקֵן, כַּד נִהִיר בְּנֵהִירוֹ דְעֵתִיק יוֹמִין, אֲקָרִי רַב חֶסֶד. וְכַד מִסְתַּבְּלִי דָּא בְּרָא, אֲתַקְרִי בְּתְּקוּנָא אַחְרָא וְאַמֶּת. דְּהָא נִהִירוֹ אֲנַפִּיהּ.

283. We have learned that this Correction should have been called "pardons iniquity" (Michah 7:18), similar to THE SECOND CORRECTION OF the Atika Kadisha, WHICH MEANS THAT BINAH FORGIVES THE INIQUITY OF MALCHUT, SINCE IT WAS DIMINISHED THROUGH IT FROM THE FIRST THREE SFIROT IN ORDER TO FORGIVE THE TRANSGRESSION, IN THE THIRD CORRECTION, MEANING TO SWEETEN THE JUSTICE OF MALCHUT REFERRED TO AS TRANSGRESSION. However, due to the path that departs HERE in the third Correction, under the two nose openings where tiny rough hairs fill in this path, AND IS NOT CLEAR OF HAIR, LIKE THE THIRD CORRECTION IN ARICH ANPIN, THEREFORE, it is not called here "pardons iniquity, and forgives the transgression" (Ibid.). It prevails somewhere else; THAT IS, IN THE FOURTH CORRECTION.

284. We have learned that Shin-Ayin-Hei (=375) Chassadim are included in the Chesed of Atik Yomin, WHICH IS THE MEANING OF: "BUT TO CAIN AND HIS OFFERING HE HAD NO RESPECT (HEB. SHA'AH - SHIN AYIN HEI)" (BERESHEET 4:5). FOR HE DID NOT DESERVE THESE CHASSADIM OF ATIK YOMIN and all are referred to as Chassadim of old, as is written: "Where are your former oaths of steadfast love (Heb. Chassadim)" (Tehilim 89:50). All are comprised in Chesed of the Atika Kadisha, who is concealed from all. And the Chesed of Zeir Anpin is referred to as Chesed of the world (everlasting Chesed).

285. In the hidden book, he calls the Chesed of old of Atik Yomin: "And abundant in love (Heb. Chesed)" (Shemot 34:6). In Zeir Anpin, CHASSADIM ARE simply REFERRED TO AS Chesed. Thus, it is written here IN THE THIRD CORRECTION OF ZEIR ANPIN: "And abundant in Chesed," SINCE THE FIRST CORRECTION IS "LONG" AND THE SECOND CORRECTION IS "SUFFERING." THE THIRD CORRECTION IS: "AND ABUNDANT IN CHESED" AS MENTIONED, SINCE HE RECEIVES HERE FROM THE ORIGINAL CHASSADIM OF ARICH ANPIN AND IS ALSO REFERRED TO AS ABUNDANT IN CHESED. It is written: "Keeping troth to thousands" (Ibid.) simply AND IT IS NOT WRITTEN: 'AND ABUNDANT IN CHESED', SINCE HE SPEAKS THERE OF CHESED OF ZEIR ANPIN HIMSELF, WHICH IS REFERRED TO AS SIMPLY CHESED. We have explained that "abundant in Chesed" OF ARICH ANPIN leans towards Chesed OF ZEIR ANPIN, to illuminate to Him and light the candles, MEANING THE SFIROT OF ZEIR ANPIN.

286. We have learned about this path that descends under the two nose openings OF ZEIR ANPIN. Narrow hair occupies that path, which is not referred to as "forgives (lit. 'passes over') the transgression," since there is no room to pass over THE TRANSGRESSION. This is due to two reasons: Because of the hair that occupy that path, it is a difficult passage for the passing OF CHOCHMAH THERE and because the passage of that path goes down only to the beginning of the mouth and no further.

287. Therefore, it is written: "His lips like roses" (Shir Hashirim 5:13), which is red like roses, "dropping flowing myrrh" (Ibid.), which is deep red, WHICH IS JUSTICE. This path here, ABOVE THE LIPS, did not get firmly established in two manners, AS MENTIONED. THEREFORE, JUDGMENT IS APPARENT ON THE LIPS, THE MEANING OF THE RED HUE. From here, whoever wishes to frighten HIS FRIEND IN AN EXTRAORDINARY MANNER strikes twice with his hand on that path.

283. וְתַנְיָא, נוֹשָׂא עוֹן אֶתְקָרִי דְּאֵתְקוֹנָא תְּנִינָא, כְּגוּוֹנָא דְּעֵתִיקָא קְדִישָׁא. אֲבָל מְשׁוּם הֵהוּא אֹרְחָא דְּנִפְיָק, בְּתַקוֹנָא תְּלִיתָא תַּחַת תְּרִין נֹקְבִין דְּחוֹטְמָא, וְשַׁעְרֵין תְּקִיפִין זְעִירִין מְלִינִין לְהֵהוּא אֹרְחָא. לֹא אֶתְקָרוּן הֵכָא נוֹשָׂא עוֹן וְעוֹבֵר עַל פְּשַׁע, וְאֶתְקִימוּ בְּאֶתֶר אַחֲרָא.

284. וְתַנְיָא, תְּלַת מָאָה וּשְׁבַעִין וְחֲמֵשׁ חֲסָדִים, כְּלִילָן בְּחֶסֶד דְּעֵתִיק יוֹמִין, וּכְלָהוּ אֶקְרוּן חֲסָדֵי קְדָמָי. דְּכִתִּיב, אֵיךְ חֲסָדֵיךְ הָרָאשׁוֹנִים. וּכְלָהוּ כְּלִילָן בְּחֶסֶד דְּעֵתִיקָא קְדִישָׁא, סְתִימָא דְּכָלְא. וְחֶסֶד דְּזַעִיר אֶפִּין אֶקְרִי חֶסֶד עוֹלָם.

35. The fourth of the nine Corrections of Zeir Anpin

Rabbi Aba says that this Correction is splendor and glory, and from it are suspended the vestments in which Zeir Anpin gets dressed, as He is

clothed in glory and majesty. These are the Corrections in which He was dressed and was established in the form of man.

288. The fourth Correction: The hairs grow and take form, rising and covering over his cheeks with firmly established offerings. This Correction is beautiful to behold. It is splendor and glory. We have learned the highest glory (Hod) goes out and is decorated and continues to take hold of his cheeks. It is referred to as the glory of the beard. From this glory and splendor are suspended the vestments in which ZEIR ANPIN gets dressed, which are the splendid vestments of the King, as is written: "You are clothed in glory and majesty" (Tehilim 104:1). These are the Corrections in which he was dressed and was established in the form of man, more than in any other form.

288. תְּקוּנָא רְבִיעָא נְמִיק שְׁעָרָא, וְאַתְתַּקֵּן, וְסָלִיק וְחָפִי בְעַלְעוּי, בְּתַקְרוּבְתָא דְבוֹסְמָא. הָאִי תְּקוּנָא יָאָה וְשִׁפּוּרָא, לְאַתְחֻזָּא הוּד וְהֶדֶר הוּא. וְתַנּוּא, הוּד עֲלָאָה, נְמִיק וְאַתְעֵטֵר וְנָגִיד לְאַתְאַחְדָּא בְעַלְעוּי, וְאַתְקֵרִי הוּד זְקָן. וּמַהֲאִי הוּד וְהֶדֶר, תְּלִיזִין אֲלִינן לְבוּשֵׁי, דְאַתְלַבֵּשׁ בְּהוּ, וְאַיְנוּן פּוּרְפּוּרָא יִקְרָא דְמַלְכָא. דְכַתִּיב הוּד וְהֶדֶר לְבִשְׁתָּ, תְּקוּנִין דְאַתְלַבֵּשׁ בְּהוּ, וְאַתְתַּקֵּן בְּהָאִי דְיוֹקְנָא דְאָדָם, יְתִיר מִכָּל דְיוֹקְנִין.

289. We have learned the glory OF THIS BEARD when it shone in the light of the upper beard OF ARICH ANPIN. It spread in the rest of the shining Corrections, MEANING ALSO IN THE FIFTH CORRECTION, which is: "pardons iniquity" (Michah 7:18) on this side and "forgives the transgression" (Ibid.) from that side. Therefore, it is written: "his cheeks" (Shir Hashirim 5:13). THAT INCLUDES BOTH THE HAIR ON THE CHEEKS, WHICH ARE THE FOURTH CORRECTION, AND BOTH APPLES THAT ARE CLEAR OF HAIR, WHICH ARE THE FIFTH CORRECTION. In the hidden book, this FOURTH CORRECTION is referred to as Hod, Hadar (lit. 'majesty') and Tiferet. Tiferet "forgives the transgression," as it says: "And it is his glory (Heb. Tiferet) to pass over a transgression" (Mishlei 19:11). However, we did not explain this Tiferet until the ninth Correction, as it says, "The glory (Tiferet) of young men is their strength" (Ibid. 20:29). IN THE NINTH CORRECTION, it is called Tiferet. Upon weighing, they are BOTH equal in weight. Rabbi Shimon said: You are worthy, Rabbi Aba, to be blessed by the Atika Kadisha, from whom all blessings emanate.

36. The fifth Correction of the nine Corrections of Zeir Anpin

We learn that all the lights that illuminate from Arich Anpin are referred to as the original Chassadim, and due to these, all the everlasting Chassadim shine that are the Chassadim in Zeir Anpin. Thus His countenance shines upon the world and blesses it.

290. The fifth Correction: The hairs stop and two apples are visible, CLEAR OF HAIR, on either side, red like a red rose. They glow in 270 worlds. When these two apples shine the light of the two uppermost holy apples of the Atika, WHO IS ARICH ANPIN AND THAT ARE HIS SEVENTH CORRECTION, the red hue disappears and the white color appears. About this, it is written: "Hashem make His face shine upon you, and be gracious to you" (Bemidbar 6:25). When they are shining, the world gets blessed. When it gets red, it is written: "Hashem lift up His countenance to you" (Ibid. 26), meaning to say that HIS FACE will be gone and there will not be anger in the world. We have learned that all the lights that illuminate from the Atika Kadisha, MEANING FROM ARICH ANPIN, are referred to as the original Chassadim. Due to these FIRST CHASSADIM, all these everlasting Chassadim shine, WHICH ARE THE CHASSADIM IN ZEIR ANPIN.

290. תְּקוּנָא חֲמִישָׁאָה. פְּסִיק שְׁעָרָא, וְאַתְחֻזֵּן תְּרִין תַּפּוּחִין מִכָּאן וּמִכָּאן, סוּמְקָן בְּהָאִי וְרָדָא סוּמְקָא. וּמַתְלֵהֲטֵן בְּמַאתָן וְשִׁבְעִין עֲלָמִין, הֲגִי תְּרֵי תַפּוּחִין, כִּד נְהִרִין מְנִהִירוֹ דְתְּרִין תַּפּוּחִין קְדִישִׁין עֲלָיִן דְעֵתִיקָא, אַתְמַשְׁךְ סוּמְקָא, וְאַתִּי חִיּוּרָא. בְּהָאִי כְּתִיב, יְאֵר יי' פָּנָיו אֵלֶיךָ וַיְחַנֵּךְ. דְכִד נְהִרִין מַתְבָּרַךְ עֲלָמָא. וּבְשַׁעֲתָא דְאַתְעֵבְדוּ סוּמְקָא, כְּתִיב יֵשָׂא יי' פָּנָיו אֵלֶיךָ, כְּלוּמַר יִסְתַּלֵּק. וְלֹא יִשְׁתַּכַּח רוּגְזָא בְעֲלָמָא. תַּנּוּא, כְּלָהוֹן נְהוּרִין דְאַתְנַהֲרֵן מַעֲתִיקָא קְדִישָׁא, אַתְקֵרוּן חֲסָדֵי קְדָמָאִי. וּבְגִין אִיְנוּן, נְהִרִין כָּל אִיְנוּן חֲסָדֵי עוֹלָם.

37. The sixth Correction of Zeir Anpin

This is called one of the five edges of the beard, that depends on Chesed, and one must not destroy this Chesed by cutting it.

1

291. The sixth Correction: The hairs go out like one string of hair around the beard, MEANING THE UPPERMOST AREA OF THE BEARD THAT CONTINUES TO THE CHEST, SIMILAR TO THE EIGHTH CORRECTION OF ARICH ANPIN. That is called one of the five edges of the beard, which depends on Chesed, and one must not destroy this Chesed, as we have learned. Therefore, it is written: "Neither shall you mar the corner of your beard" (Vayikra 19:27).

291. תְּקוּנַת שְׁתִּיתָאָה. נְפִיק שְׁעָרָא, כְּחַד חוּטָא, דְּשַׁעְרֵי בְּסַחְרֵינִיָּה דְּדִיקְנָא. פְּאֵת הַזֶּקֶן וְאִיהוּ חַד מִחַמְשׁ פְּאִין, דְּתַלְיִין בְּחֶסֶד, וְלֹא אֲבַעֵי לְחַבְלָא הַאי חֶסֶד, כְּמָה דְּאֶתְמַר. וּבְגִינֵי כֵךְ, לֹא תִשְׁחִית אֶת פְּאֵת זְקֵנְךָ כְּתִיב.

38. The seventh Correction of Zeir Anpin

Here we learn that the mouth is clear because the hairs do not hang over it. Rabbi Yehuda says that the hosts or watchers are invested from the breath that leaves the mouth. Also when the breath spreads out of the mouth many faithful prophets get invested with the breath, and all are called the mouth of Hashem. This Correction dominates over all the six that precede it.

292. The seventh Correction: The hairs do not hang over the mouth and the mouth is clear all around its sides. The hairs are situated in a proper setting surrounding it. Rise, Rabbi Yehuda. Rabbi Yehuda rose. He opened the discussion saying, "This matter is by the decree of the watchers" (Daniel 4:14). How many thousands of ten thousands get settled and exist through this mouth and depend upon it, and all are called mouth. This is what is written: "And all the hosts of them by the breath of His mouth" (Tehilim 33:6). From that breath that leaves the mouth they get invested.

292. תְּקוּנַת שְׁבִיעָאָה. דְּלֹא תַלְיִין שְׁעָרָא עַל פּוּמָא, וּפּוּמָא אֶתְפְּנֵי מְכַל סְטְרוּי, וְיִתְבִּין שְׁעָרִין בְּתַקְוָנָא סָחוּר סָחוּר לִיָּה. קוּם רַבִּי יְהוּדָה. קוּם רַבִּי יְהוּדָה, פְּתַח וְאָמַר, בְּגִזִּירַת עִירִין פְּתַגְמָא. כְּמָה אֶלְף רַבְּבָן מְתִישְׁבָן וּמְתַקְיָמָן בְּהַאי פּוּמָא, וְתַלְיִין מְנִיָּה, וְכִלְהוֹן אֶקְרוּן פֶּה. הַה"ד וּבְרוּחַ פִּי כָּל צַבָּאָם. וּמַהְוָא רוּחָא דְּנְפִיק מִפּוּמָא, מִתְלַבְּשָׁן.

293. All those that are outside are dependents of this mouth. Many faithful prophets get invested with the breath when it spreads out of this mouth, and all of them are called the mouth of Hashem. On the place where the breath exits, THAT IS THE MOUTH, nothing else gets blended with it there. All wait to get invested with that breath that leaves THE MOUTH. This Correction dominates over all the six CORRECTIONS THAT PRECEDE IT, since all prevail here and take hold. Therefore, the hairs are even around the mouth and the mouth itself is cleared FROM HAIR from all its sides. Rabbi Shimon said: Blessed are you to the Atika Kadisha.

293. כָּל אֵינוֹן דְּלִבְר, תַלְיִין מֵהַאי פּוּמָא. וּמַהְוָא פּוּמָא כַּד אֶתְפָּשֵׁת הַאי רוּחָא, מִתְלַבְּשָׁן בֵּיה כְּמָה נְבִיאֵי מְהִימְנָא, וְכִלְהוּ פֶּה יִי אֶתְקְרוּן. וּבְאֶתְרֵי דְּרוּחָא נְפִיק, לֹא אֶתְעַרְבָּא מְלָה אַחְרָא וְכִלְהוּ מְחַכְּאָן לְאֶתְלַבְּשָׁא בְּהַוָּא רוּחָא דְּנְפִיק. וְהַאי תְּקוּנָא שְׁלִיטָא עַל כְּלָהוּ שִׁיתָא. מְשׁוּם דְּהִכָּא מְתַקְיָמָן כְּלָהוּ וּמִתְאַחְדָּן. וּבְגִינֵי כֵךְ שְׁעָרוּהֵי שְׁקִילִין סוּחְרֵינִיָּה דְּפּוּמָא. וְאֶתְפְּנֵי מְכַל סְטְרוּי, וְהַאי תְּקוּנָא שְׁלִיטָא עַל כְּלָהוּ מְשׁוּם דְּהִכָּא מְתַקְיָמָן כְּלָהוּ וּמִתְאַחְדָּן. אָמַר ר"ש, בְּרִיךְ אַנְתָּ לְעֵתִיקָא קְדִישָׁא.

39. The eighth Correction of Zeir Anpin

This Correction refers to the back of the neck, and Rabbi Yehuda says that when Zeir Anpin engages in war the back of the neck is visible to show strength. He talks about the shields of the mighty.

294. The eighth Correction: The hairs go lower below the beard and cover the back of the neck, so it would not be visible. We have learned that above there is no back of the neck and no fatigue. During the time that He engages in war, THE BACK OF THE NECK is visible to show strength, since we have learned that a thousand worlds are attached to it. This is what is written: "On which there hang a thousand bucklers, all shields of mighty men" (Shir Hashirim 4:4). "A thousand bucklers" is a secret. WE FIND in the hidden book all the shields of the mighty, MEANING those who come from the side of one Gvurah of those Gvurot.

294. תְּקוּנָא תְּמִינָא דְנַחְתִּין שְׁעָרֵי בְּתַחוֹת דִּיקְנָא, מִחֲפִיין קְדָלָא דִּלָּא אֲתַחְזִי. דְּתַנְיָא, אֵין לְמַעְלָה לָא עֶרְף וְלָא עֶפּוּי, וּבְזַמְנָא דְאַגַּח קְרִבֵי אֲתַחְזִי. מְשׁוּם לְאַחְזָא גְבוּרָתָא. דְּהָא תְּנִינָן, אֶלְף עֲלִמִין אֲתַאחְדִּין מְנִיָּה, הֵה"ד, אֶלְף הַמְּגִן תְּלוּי עֲלִיו כֹּל שְׁלִטֵי הַגְּבוּרִים. וְאֶלְף הַמְּגִן רְזָא הוּא. בְּצַנִּיעוּתָא דְסַפְרָא, כֹּל שְׁלִטֵי הַגְּבוּרִים דְּאֲתוּ מִסְטֵר גְּבוּרָה חַד, מְאִינוּן גְּבוּרָאן.

40. The ninth Correction of Zeir Anpin

We hear that this Correction relates to strength and balance, like a brave man who does mighty deeds. That is Tiferet - power, might, and compassion.

295. The ninth Correction: The hairs get joined in full weight with those hanging hairs and all are nicely balanced like a valiant mighty man who wins battles. Since all the hairs follow after those that hang, they are all generally included in those that hang, and all continue TO THE CHEST. Therefore, it is written: "The glory (Tiferet) of young men is their strength" (Mishlei 20:29). It is also written: "excellent as the cedars" (Shir Hashirim 5:15), meaning like a brave man who does mighty deeds. That is Tiferet, WHICH COMPRISES power, might and compassion.

295. תְּקוּנָא תְּשִׁיעָא. דְּמִתְחַבְּרָן שְׁעָרֵי בְּשְׂקוּלָא מְלִיא, עִם אִינוּן שְׁעָרֵי דְתַלְיִין, כְּלֵהוּ בְּשְׂקוּלָא שְׁפִיר, בְּחַד גִּיבַר תְּקִיף, מְאִרֵי נִצְחָן קְרִבֵיָּא. מְשׁוּם דְּכֵלְהוּ שְׁעָרֵי אֲתַמְשְׁכֵן בְּתֵר אִינוּן דְּתַלְיִין. וְכֵלְלָא דְכֵלְהוּ בְּאִינוּן דְּתַלְיִין. וְכֵלְלָא אֲתַמְשְׁךְ, וְעַל דָּא כְּתִיב, תְּפָאֶרֶת בַּחוּרִים כְּחֵם. כְּתִיב בְּחֹר בְּאֶרְזִים, כְּגִיבַר עֵבִיד גְּבוּרָאן, וְדָא הוּא תְּפָאֶרֶת, חִילָא וּגְבוּרָתָא וְרַחֲמֵי.

296. We have learned that Rabbi Shimon said: All these Corrections and all these matters I wish to reveal to those who were balanced in weight, MEANING TO THOSE WHO ADHERE TO THE CENTRAL COLUMN WHERE THE SECRET OF THE WEIGHT IS, not to those who entered TO THE ORCHARD OF WISDOM and did not exit FROM IT IN PEACE, but rather to those that entered and left IT IN PEACE, since whoever entered and did not leave, it would have better for him not to have been born.

296. תְּנָא, אַר"ש כֹּל הַיְי תְּקוּנִין, וְכֹל הַיְי מְלִין, בְּעִינָא לְגַלְאָה לְמֵאֲרִיהוּן דְּאֲתַקְלוּ בְּמִתְקָלָא, וְלָא לְאִינוּן דְּעָאֵלוּ, וְלָא נִמְקוּ אֶלָּא לְאֵלִין דְּעָאֵלוּ וְנִמְקוּ, דְּכֹל מֵאֵן דְּעִייל וְלָא נִמְיָק, טַב לִיָּה דִּלָּא אֲבִרֵי.

41. The form of Man

Rabbi Shimon begins by saying that the Atik of Atikin and Zeir Anpin are really all one; time has no meaning in this context. Really there is no change from compassion to justice, for example, it is just that it was established with these Corrections for the sake of the lower ones. The Atika Kadisha established His own Corrections and the Corrections of Zeir Anpin in the image and structure of the form of man. Rabbi Shimon says that when Hashem Elohim formed man he made a form within a form, meaning the highest form called man that is comprised of both male and female. He talks about the breath of life and how the man became a living soul.

297. The generality of all these matters is that the Atik of Atikin and Zeir Anpin are all one, IN THE ASPECT OF THEM, ALL IS BEYOND TIME FROM THE ASPECT OF THEIR ESSENCE, AS 'WAS', 'IS', AND 'WILL BE' ARE THE SAME TO THEM. Everything is in the present and everything is in the past and everything is in the future, SINCE THERE DOES NOT EXIST IN DIVINITY A SENSE OF BEFORE AND AFTER. SIMILARLY, THERE DOES NOT EXIST AT ALL ANY CHANGE OF ACTION FROM THEIR ESSENTIAL ASPECT; FOR EXAMPLE, FROM COMPASSION TO JUSTICE AND THE LIKE. Since there will be no change IN THE FUTURE and there was no change IN THE PAST, there is no change AT PRESENT. IT IS JUST that it was established with these Corrections FOR THE SAKE OF THE LOWER GRADES. The final form, encompassing all the forms, was perfected, THAT IS, ZEIR ANPIN, WHICH IS THE SECRET OF THE HUMAN FORM THAT INCLUDES MALE AND FEMALE. It is the form that includes all the names, SINCE ZEIR ANPIN IS CALLED YUD HEI VAV HEI, WHICH IS A NAME THAT IS COMPRISED OF ALL NAMES, the form in which all forms are seen, but not the ACTUAL form, only something similar to this form.

298. When the decorations and crowns OF ZEIR ANPIN are joined, THAT IS THE MOCHIN OF THE FIRST THREE SFIROT, it is the perfection of everything, OF ALL THE UPPER GRADES AND THE LOWER GRADES, since the form of man is a form in which the upper grades and lower grades are all inclusive. This form comprises the supernal ones and the lower ones; the Atika Kadisha established His own Corrections and the Corrections of Zeir Anpin in this image and structure.

299. You may wonder what is the difference BETWEEN THE Atika and Zeir Anpin. HE REPLIES: It all has the same measure. However, from here on, FROM THE ATIKA, His paths divide up. From here, FROM ZEIR ANPIN, judgment prevails, AND ONLY from our own perspective are they different from one another. These secrets are not passed on except to the reapers of the holy field, MEANING THOSE THAT DESERVED TO RESTORE MALCHUT THAT IS CALLED THE FIELD AND ARE ALREADY REAPING ITS HARVEST. It is written: "The counsel (lit. 'secret') of Hashem is with them that fear Him" (Tehilim 25:14).

300. It is written: "And Hashem Elohim formed (Heb. vayyitzer) the man" (Beresheet 2:7) with two Yuds. He perfected and completed one correction within another, that is the seal of the ring, and that is "vayyitzer" WITH TWO YUDS. HE EXPLAINS HIMSELF: Why two Yuds? Because they denote the secret of the Atika Kadisha and the secret of Zeir Anpin. "Formed": what did he form? HE REPLIES: He formed a form within a form. HE ASKS: What is a form within a form? HE REPLIES: These are two names that are referred to as a full name, which are Yud Hei Vav Hei Elohim. That is the secret of the two Yuds in "vayyitzer," indicating that He formed a form within a form, which is the correction of the full name Yud Hei Vav Hei Elohim.

301. HE ASKS: In what were they included, THESE TWO FORMS OF CHOCHMAH MENTIONED ABOVE WHERE HE CREATED A FORM WITHIN A FORM? HE REPLIES: In this highest form called man that is comprised of male and female, WHICH IS ZEIR ANPIN THAT ENCOMPASSES ZEIR ANPIN AND MALCHUT. Therefore, it is written: "the man," which includes male and female. Et (lit. 'the') AS IN "THE" MAN is meant to include the kind that is produced from him, MEANING MALCHUT, WHICH IS THE FEMALE OF ZEIR ANPIN AND IS DERIVED FROM HIM, SINCE IN MALCHUT ARE VESTED TWO FORMS, AS MENTIONED, A FORM WITHIN A FORM, THE SECRET OF THE TWO YUDS IN "FORMED." THAT IS THE MYSTERY OF SUPERNAL CHOCHMAH OF ARICH ANPIN WITHIN THE LOWER CHOCHMAH OF MALCHUT. THAT IS THE SECRET OF THE CHOCHMAH OF THE 32 PATHS THAT EMERGE FROM ZEIR ANPIN. ITS REVELATION TAKES PLACE ONLY IN MALCHUT, THAT IS, THE FEMALE OF ZEIR ANPIN. THEREFORE, IT IS REFERRED TO AS LOWER CHOCHMAH, CORRESPONDS TO CHOCHMAH OF ARICH ANPIN, WHOSE ILLUMINATION IS VESTED WITHIN IT.

302. "Dust of the ground" (Ibid.): That is a form within a form. "And breathed into his nostrils the breath of life" (Ibid.), NAMELY the seal of the ring in the most inner parts. Why is this? In order to produce and bring within it the concealed one of supernal concealment, WHICH IS THE CONCEALED CHOCHMAH OF ARICH ANPIN, to the end of all the concealed ones, CHOCHMAH OF THE 32 PATHS, IN ZEIR ANPIN, WHICH IS THE FINAL PART OF THE HIDING. AFTER CHOCHMAH OF THE 32 PATHS REACHES FROM ZEIR ANPIN TO THE FEMALE OF ZEIR ANPIN, IT GETS REVEALED AND IS NO LONGER CONCEALED. Therefore, Zeir Anpin is considered as the ending of all concealment. And every life above and below, THAT IS, THE MOCHIN OF ZEIR ANPIN AND OF THE FEMALE THAT COMPRISES THE LOWER GRADES, depends upon and thrives through this soul.

303. "And the man became a living soul" (Ibid.): The corrections OF THE SEAL OF THE RING are bestowed upon the soul of man, and the soul is taken from the higher levels downward to the last level, THAT IS FROM THE CONCEALED CHOCHMAH OF ARICH ANPIN, TO MALCHUT, WHICH IS THE LAST OF THE LEVELS, so that the soul will be present in all LEVELS and will spread in all. And all shall be in a single union. Whoever interrupts this union from the world, MEANING THAT HE SEPARATES MALCHUT FROM THE UNION OF THE THREE COLUMNS, it is as if he severs this soul. THAT IS LIKE SOMEONE THAT VIOLATES THE MOCHIN OF ZEIR ANPIN and indicates that another soul exists besides this one, WHICH MEANS THAT HE ADHERES TO THE OTHER SIDE. As a result, he and his memory will disappear from this world for generations upon generations.

42. The order of Atzilut of the female

This section tells of the creation of the female from Tiferet of Zeir Anpin; this Tiferet is encompassed in mercy and judgment. Rabbi Shimon lists the five types of impropriety revealed in the female from the side of the five judgments.

1

304. In the image of man, the wholeness of male and female began to be prepared, THAT IS ZEIR ANPIN THAT INCLUDES MALE AND FEMALE. AFTERWARDS, when the form OF MAN was prepared in His Corrections, ZEIR ANPIN began TO SPREAD from his chest, between his two arms, in the area where his beard hairs hang, SINCE THIS AREA is referred to as Tiferet. This Tiferet spread and prepared two chests, and then took to the back and made the skull of the female, WHICH IS MALCHUT. She is totally concealed from all sides, the hair and the facial countenance of the head. These MALE AND FEMALE as one were made by Tiferet, and male and female are referred to as man, as is written: "According to the beauty (Heb. Tiferet) of a man; that it may remain in a house" (Yeshayah 44:13).

304. בְּהַאי דְיוֹקְנָא דְאָדָם, שְׁאֵרֵי וְתִקִּין כְּלָלָא דְכָר וְנוֹקְבָא. כִּד אֶתְתַּקֵּן הָאֵי דְיוֹקְנָא בְּתַקּוּנֵי, שְׁאֵרֵי מַחְדוּי, מִבֵּין תְּרִין דְרוּעִין. בְּאַתֵּר דְתַלְוִין שְׁעָרֵי דְדִיקְנָא, דְאֶתְקְרִי תַפְאֶרֶת. וְאֶתְפָּשֵׁט הָאֵי תַפְאֶרֶת, וְתִקִּין תְּרִין חֲדָיִן, וְאֶשְׁתַּלִּיף לְאַחֲרוּי, וְעַבְד גּוֹלְגֶלְתָּא דְנוֹקְבָא. כִּלְאָּ סְתִימָא מִכָּל סְטְרוּי. בְּשַׁעְרָא בְּפִרְצוּפָא דְרִישָׁא. וּבְכָלְלָא חֲדָא אֶתְעַבִּידוּ בְּהַאי תַפְאֶרֶת, וְאֶקְרִי אָדָם דְכָר וְנוֹקְבָא. הַה"ד כְּתַפְאֶרֶת אָדָם לְשֶׁבֶת בֵּית.

305. When the facial countenance of the female head was created, a lock of hair hung in the back of Zeir Anpin and hung until the head of the female and her head hairs were roused, all red consisting of all hues. This is what is written: "And the hair of your head like purple" (Shir Hashirim 7:6). What is "purple"? It is hues blended inclusively within hues.

305. כִּד אֶתְבָּרֵי פְרִצוּפָא דְרִישָׁא דְנוֹקְבָא, תַלְוִיָּא חֲדָא קוּצָא דְשַׁעְרֵי מְאַחֲרוּי דְזַעִיר אֶפְיִן, וְתַלְוִי עַד רִישָׁא דְנוֹקְבָא. וְאֶתְעָרוּ שְׁעָרֵי בְרִישָׁהָ, כִּלְהוּ סוּמְקֵי דְכָלְלָן בְּגוּ גּוּוּנֵי, הַה"ד, וְדַלַת רֵאשֶׁן כְּאַרְגָּמָן. מַהוּ אַרְגָּמָן. גּוּוּנֵי דְכָלִילָן בְּגוּ גּוּוּנֵי.

306. We have learned that Tiferet spreads from the center of the heart, FROM THE CAVITY IN THE CHEST, permeates and crosses to the other side, MEANING THE BACK, and fixes the countenance of the female to the center. She starts at the center and ends at the center.

306. תָּאנָא, אֶתְפָּשֵׁט הָאֵי תַפְאֶרֶת מִטְבוּרָא דְלְבָא, וְנָקִיב וְאֶתְעַבֵּר בְּגִיסָא אַחְרָא, וְתִקִּין פְרִצוּפָא דְנוֹקְבָא עַד טְבוּרָא. וּמִטְבוּרָא שְׁאֵרֵי, וּבְטְבוּרָא שְׁלִים.

307. Tiferet further expanded and the intestines of the male were prepared. He put into that area all the mercy and every facet of compassion. We have learned that six hundred times thousand ten thousand creatures of compassion are attached in these intestines, and they are referred to as creatures of intestines, as is written: "Therefore My inward parts are moved for him; I will surely have mercy on him", says Hashem." (Yirmeyah 31:19).

307. תּוּ אֶתְפָּשֵׁט הָאֵי תַפְאֶרֶת, וְאֶתְקֵן מְעוּי דְכּוֹרָא, וְעֵייל בְּהַאי אֶתֵּר כָּל רַחֲמִין, וְכָל סְטְרָא דְרַחֲמֵי. וְתָאנָא, בְּהַנִּי מֵיעֵיין אֶתְאַחֲדֵן, שִׁית מְאָה אֶלְף רְבּוּא מְאֵרֵי דְרַחֲמֵי. וְאֶתְקֵרֵן בְּעַלְוֵי מֵיעֵיין. דְכְּתִיב, עַל כֵּן הָמוּ מְעוּי לּוֹ רַחֵם אֶרְחַמְנוּ נְאֻם יי'.

308. We have learned that Tiferet is encompassed in mercy and encompassed in judgment. The compassion permeates in THE BRAINS OF the male, THAT IS ZEIR ANPIN AS MENTIONED ABOVE, and crosses and illuminates the other side, MEANING THE BACK OF ZEIR ANPIN. It prepares the intestines of the female, MEANING HER MOCHIN, and her intestines were established by the side of judgment.

308. תָּאנָא, הָאֵי תַפְאֶרֶת, כְּלִיל בְּרַחֲמֵי, וְכָלִיל בְּדִינָא, וְאֶתְפָּשֵׁט רַחֲמֵי בְּכּוֹרָא, וְאֶתְעַבֵּר וְנִהִיר לְסֵטֶר אַחְרָא, וְתִקִּין מֵיעוּי דְנוֹקְבָא, וְאֶתְתַּקְּנוּ מְעָהָ בְּסֵטֶרָא דְדִינָא.

309. We have learned that the male, WHICH IS ZEIR ANPIN, was prepared on his side, WHICH IS THE RIGHT, in the 248 Corrections that are included in him. Some of them are in the innermost OF ZEIR ANPIN and some on his externals. Some of them are compassionate and some of them judgmental. All of those that are judgmental were attached in the judgments in the back OF ZEIR ANPIN where the female expands, and they joined together and spread on her side.

309. תָּאנָא, אֶתְתַּקֵּן דְכּוֹרָא בְּסֵטֶרִיהָ, בְּמֵאתָן וְתַמְנִיָּא וְאַרְבַּעִין תַּקּוּנֵין דְכָלִילָן בֵּיהּ, וּמְנַהוּן לְגוּ, וּמְנַהוּן לְבַר. מְנַהוּן רַחֲמֵי. וּמְנַהוּן דִּינָא. כִּלְהוּ דְדִינָא, אֶתְאַחֲדוּ בְּדִינָא דְאַחֲרוּי, דְנוֹקְבָא אֶתְפָּשֵׁט תַּמָּן. וְאֶתְאַחֲדוּ וְאֶתְפָּשֵׁטוּ בְּסֵטֶרֶהָ.

310. We have learned that five types of impropriety were revealed in her from the side of the five judgments, WHICH ARE CHESD, GVURAH, TIFERET, NETZACH, HOD OF THE LEFT COLUMN THAT WERE ATTACHED TO THE FEMALE. Five judgments were dispersed in 248 paths, as we have learned. Hearing a woman's voice is an impropriety, the sight of the hair of a woman is an impropriety, the sight of the thigh of a woman is an impropriety, the sight of the hand of a woman is an impropriety and the sight of the foot of a woman is an impropriety. These two, HAND AND FOOT, our friends did not preach about; HOWEVER, these two are even more than an impropriety.

310. וְתֵאֵנָה, חֲמִשָּׁה עֲרִיבוֹתָא אֲתִגְלִיין בְּהַ, בְּסִטְרָא דְדִינֵין חֲמִשָּׁה. וְדִינֵין ה' אֲתַפְּשֻׁן, בְּמֵאתָן וָאַרְבַּעֵין וְתִמְנִיא אֲרַחֵין. וְהָכִי תֵאֵנָה, קוֹל בְּאִשָּׁה עֲרוּהָ. שְׁעַר בְּאִשָּׁה עֲרוּהָ. שׁוֹק בְּאִשָּׁה עֲרוּהָ. יָד בְּאִשָּׁה עֲרוּהָ. רֶגֶל בְּאִשָּׁה עֲרוּהָ. דֹּאע"ג דְּתֵרִין אֵלִין לֹא שְׁנוּיָה חֲבֵרְנָא, וְתֵרִין אֵלִין יִתִיר מֵעֲרוּהָ אֵינּוּן.

43. A pure covering

We read about the cubit called Chesed. Rabbi Shimon considers and explains the perfection of Abraham and how it came about. He says that man includes both Chesed and Gvurah, and therefore in all the Sfirot there exist a right and a left, judgment and mercy.

311. We have learned in the hidden book that the male spread and was established in his own formations. The shape of a clean covering was prepared and it became a clear cubit. The length of that cubit is 248 worlds. Everything depends on that opening of the cubit called Yud. As soon as that Yud, which is the opening of the cubit, is revealed, the uppermost Chesed becomes apparent. This cubit is called Chesed and is dependent on the opening of the cubit, but it is not considered Chesed until the Yud of the mouth of the cubit becomes uncovered.

311. וְתֵאֵנָה בְּצַנִּיעוּתָא דְסִפְרָא, אֲתַפְּשֵׁט דְכוּרָא וְאֲתַתְּקֵן בְּתַקּוּנָוִי. אֲתַתְּקֵן תְּקוּנָא דְכִסּוּתָא דְכִיָּא. וְהָאִי הוּיָא אִמָּה דְכִיָּא. אֲרַכִּיָּה דְהָהוּא אִמָּה, מֵאֲתָן וָאַרְבַּעֵין וְתִמְנִיָּה עֲלָמִין. וְכִלְהוּ תִלְיִין בְּפּוּמָא דְאִמָּה, דְאֲתַקְרִי יו"ד. וְכִיּוֹן דְאֲתִגְלִיָּא יו"ד פּוּמִיָּה דְאִמָּה, אֲתִגְלִי חֶסֶד עֲלָאָה. וְהָאִי אִמָּה חֶסֶד הוּא דְאֲתַקְרִי, וְתִלִּי בְהָאִי פּוּם אִמָּה. וְלֹא אֲקָרִי חֶסֶד, עַד דְאֲתִגְלִיָּא יו"ד דְפּוּם אִמָּה.

312. Come and see that Abraham was not considered perfect in this Chesed up until the Yud of the cubit was revealed, THAT IS THE CROWN OF YESOD. As soon as it was uncovered, he was considered perfect. This is what is written: "Walk before Me, and be perfect" (Bereshheet 17:1), actually perfect. It is also written: "I was also upright before Him, and have kept myself from my iniquity" (II Shmuel 22:24). HE ASKS: What does it mean, THE RELATIONSHIP OF the beginning of the verse to the conclusion of the verse? HE REPLIES: It is telling about whoever uncovers that Yud, MEANING HE REVEALS THE CHOCHMAH IN THE CROWN OF YESOD, and who is carefully guarding himself so as not to give the Yud to another's jurisdiction, OF THE OTHER SIDE. He will be perfect for the World to Come, and he will be bound in the bundle of life, MEANING THAT HIS SOUL WILL BE INCLUDED IN MALCHUT THAT IS REFERRED TO AS THE BUNDLE OF LIFE, SINCE THE THREE COLUMNS GET TIED INTO ONE BUNDLE. What is the other's jurisdiction? It refers to what is written: "And has married the daughter of a strange El" (Malachi 2:11). THAT MEANS MALCHUT OF THE OTHER SIDE, WHICH DRAWS CHOCHMAH FROM ABOVE DOWNWARDS. Therefore, it is written: "I was also upright before Him," since he is perfect when revealing the Yud, MEANING IN THE ASPECT OF THE CROWN OF YESOD THAT ILLUMINATES FROM BELOW UPWARDS. THEN, "and have kept myself from my iniquity," NOT TO ADHERE TO DAUGHTERS OF A STRANGE EL, AS MENTIONED ABOVE.

312. וְת"ח, דְלֹא אֲתַקְרִי אַבְרָהָם שְׁלִים בְּהָאִי חֶסֶד, עַד דְאֲתִגְלִיָּא יו"ד דְאִמָּה. וְכִיּוֹן דְאֲתִגְלִי אֲקָרִי שְׁלִים, הָה"ד הִתְהַלַּךְ לְפָנַי וְהָיָה תָמִים, תָּמִים מִמֶּשֶׁ. וְכִתִּיב וְאֵהִיָּה תָמִים לוֹ וְאֲשַׁתְּמֶרָה מֵעוֹנֵי. מֵאִי קָא מִיּוֹרֵי, רִישָׁא וְסִיפָא. אֲלֵא כָל דְגִלִּי הָאִי יו"ד, וְאֲשַׁתְּמַר דְלֹא עֵיילִיָּה לְיו"ד בְּרִשּׁוּתָא אַחֲרָא. לִיהוּי שְׁלִים לְעֵלְמָא דְאֲתִי, וְלִהוּי צְרִיר בְּצִרּוּרָא דְחַיִּי. מֵאִי בְרִשּׁוּתָא אַחֲרָא. דְכִתִּיב וּבָעַל בַּת אֵל נָכַר. וּבְגִין כֵּן כְּתִיב, וְאֵהִיָּה תָמִים לוֹ, דְכִיּוֹן דְהוּא תָמִים בְּגִלּוּיָא דְיו"ד, וְאֲשַׁתְּמֶרָה מֵעוֹנֵי.

313. When this cubit gets extended, the side of Gvurah is extended from the Gvurot of the left of the female, WHICH ARE THE FIVE GVUROT, CHESED, GVURAH, TIFERET, NETZACH AND HOD OF THE LEFT. It gets submerged in a specific area in the female and the whole covering of the female body is marked by nakedness. In this place, it is considered the overall nakedness, which is the area in which to conceal this cubit referred to as Chesed in order to sweeten the Gvurah that is comprised of five Gvurot with the Chesed that comprises five Chassadim. Chesed is right and Gvurah is left. One gets firmly established in the other and is called man, which is inclusive of both sides. Therefore in all the Sfirot, there exists a right and a left, judgment and mercy.

313. וכיון דאתפשט אמה דא, אתפשט סטר גבורה מאינון גבוראן בשמאלא בנוקבא, ואשתקע בנוקבא באתר חד, וארשם בערייתא, כסותה דכל גומא דנוקבא. ובהוא אתר אקרי ערוה דכלא. אתר לאצנעא להווא אמה, דאקרי חסד. בגין לאתבסמא גבורה דא דכליל חמש גבוראן, בהאי חסד דכליל בחמש חסדין. חסד ימינא, גבורא שמאלא. אתבסם דא בדא, ואקרי אדם, כליל מתרין סטרין. ובגין כך, בכלהו כתרין אית ימינא ושמאלא, דינא ורחמי.

44. The seven kings of the female who died

Rabbi Shimon goes back to the issue of the kings of Edom who perished, and he says that prior to the time the corrections of the king were prepared, Atika of Atikin was constructing worlds and working out corrections for existence. The female did not endure until the uppermost Chesed descended and caused them to endure. The kings of Edom did not endure because they consisted of judgment in judgment without Chesed.

314. We have learned that prior to the time the corrections of the king were prepared, the Atika of Atikin, THAT IS THE SUPREME EMANATOR, WAS constructing worlds and working out corrections for existence. The female was not firmly established and did not endure until the uppermost Chesed descended and caused them to endure, DUE TO HER BEING CHOCHMAH OF THE LEFT THAT HAS NO LASTING ENDURANCE EXCEPT BY VESTING WITH THE CHESED OF THE RIGHT, AS MENTIONED ABOVE. The constructions of the female were firmly established with Yesod that is considered Chesed. This is what is written: "And these are the kings that reigned in the land of Edom, before there reigned any King... (Bereshheet 36:31), meaning the area where all judgments exist, SINCE EDOM IS INDICATIVE OF JUDGMENTS. They were not firmly established until everything was restored. Chesed emerged and was situated at the mouth of Yesod, WHICH IS THE CROWN OF YESOD WHERE CHOCHMAH IS REVEALED. This is what is written: "And... died... and... died" (Bereshheet 36:32-39), since they did not last and were not firmly established, BECAUSE THEY CONSISTED OF judgment in judgment DEVOID OF CHESED.

314. תאנא, עד לא זמין תקונוי דמלכא, עתיקא דעתיקין, בנה עלמין, ואתקין תקונון לאתקיימא. ההוא נוקבא לא אתבסמא, ולא אתקיימו, עד דנחית חסד עלאה ואתקיימו, ואתבסמו תקונוי נוקבא, בהאי אמה דאקרי חסד. הה"ד ואלה המלכים אשר מלכו בארץ אדום, אתר דכל דינון משתבחין תמן ולא אתבסמו, עד דאתקן כלא, ונפיק האי חסד, ואתישב בפומא דאמה. הה"ד, וימת וימת, דלא אתקיימו, ולא אתבסמו, דינא בדינא.

315. If you will wonder that all are judgments, why is it written: "And Saul of Rehoboth by the river reigned in his place" (Ibid. 37). It does not seem THAT THERE WILL BE judgment, since we have learned that Rehoboth by the river means Binah, from whose source are opened fifty gates of lights and candles to the six corners of the world. THAT IS ZEIR ANPIN REFERRED TO AS WORLD AND, THEREFORE, IT WAS CALLED REHOBOTH, SO WE SEE THAT SAUL OF REHOBOTH BY THE RIVER IS NOT OF JUDGMENT. HE REPLIES: We have learned that they all are judgments except for one, the last KING that lasted, THAT IS HADAR. This Saul from Rehoboth by the river is only one side, THE LEFT SIDE, that spread and emerged from Rehoboth by the river. THEREFORE, HE TOO IS OF JUDGMENT.

315. ואי תימא אי הכי דינא בלהו, והא כתיב וימלוך תחתיו שאול מרחובות הנהר, והא לא אתחזי דינא. דתנינן, רחובות הנהר איהו בינה, דמינה מתפתחין חמשין תרעין דנהורין ובוצינין, לשית סטרי עלמא. תאנא, בלהו דינא, בר מחד דאתקיים בתראה, והאי שאול מרחובות הנהר, דא הוא חד סטרא, דאתפשט ונפיק מרחובות הנהר.

316. None of them endured, and yet do not say they were voided. It is simply that they did not endure in that kingdom OF JUDGMENT until this last one of all was roused and awakened and spread out, as is written: "And Hadar reigned in his place" (Ibid. 39). Who is Hadar? It is the uppermost Chesed. "And the name of his city was Pa'u" (Ibid.). What is Pa'u? It is that through him a man cries (Heb. po'e), who merits the holy spirit. "iro (lit. 'his city')" IS DERIVED FROM HIT'ORERUT (LIT. 'REVIVAL'). "And the name of his wife was Mehetabel" (Ibid.): at this point, they became firmly established from each other. MALCHUT is called his wife, something that is not written by them all - "THE NAME OF HIS WIFE."

317. Mehitavel INDICATES perfuming one in the other, OF MALE AND FEMALE. ZEIR ANPIN IS THE SECRET OF YUD HEI VAV HEI FULLY SPELLED WITH ALEPHS WHICH NUMERICALLY AMOUNT TO 45 AND THE FEMALE, THE SECRET OF YUD HEI VAV HEI, FULLY SPELLED WITH HEI, WHICH IS NUMERICALLY 52. AND MEHITAVEL NUMERICALLY AMOUNTS TO 45 PLUS 52. "Daughter of Matred" (Ibid.), MEANING THAT DUE TO THE constructions WITHIN HER from the side of Gvurah, MATRED IS DERIVED FROM TIRDUT (LIT. 'INCONVENIENCE'). "DAUGHTER OF Mei zahav" (lit. 'golden waters') (Ibid.), meaning that golden waters were firmly established and involved one in the other, mercy and judgment. SINCE GOLD INDICATES JUDGMENT, THAT IS THE ILLUMINATION OF CHOCHMAH. WATERS IS THE SECRET OF CHASSADIM. THEY ARE INCLUDED TOGETHER. Here were joined the woman to the male, Mehitavel with Hadar.

45. The arms of the male

Rabbi Shimon describes the arms and legs and the joints tied in the arms. He says that the entire body is connected to all three brains - Chochmah, Binah and Da'at - and they connect to the right arm. This has application to David because he was connected with the patriarchs on the right. He talks about the right hand of God and about the left hand, and about when judgments are tempered with compassion and when they are not.

318. On the sides, he separates into arms and legs. In the arms of the male, one is right and one is left. Three joints were tied in the one arm, THE RIGHT ONE, and were included in the two arms. HE ASKS: Could you imagine that they were included? IT SHOULD HAVE SAID THAT THEY ARE IN BOTH ARMS. HE REPLIES: It is only that there are three joints in the right ARM and three joints in the left, and the three joints of the right were included in the three joints of the left. This is why it is only written 'one arm'. THIS IS THE LEFT. By the right, it is not written arm but it is merely called "Your right (hand), Hashem" (Shemot 15:6) - "The right (hand) of Hashem" (Tehilim 118:16) WHEN IT CONTAINS the three joints of the patriarchs, that were given them as their portion.

319. You might ask, Aren't they located in the three cavities of the brain in the skull and not in the body, SINCE THERE IS NO CHOCHMAH, BINAH, DA'AT EXCEPT IN THE HEAD? HE REPLIES: We have learned that all THREE BRAINS - CHOCHMAH, BINAH AND DA'AT - permeate and are connected to the whole body. The entire body is connected to these three, and they connect to the right arm. That is why David was desirous and said, "Sit you at my right hand" (Ibid. 110:1), because he was connected with the patriarchs, CHESD, GVURAH AND TIFERET, THAT WERE TRANSFORMED TO CHOCHMAH, BINAH, DA'AT, AND WERE CONNECTED TO THE RIGHT, AS MENTIONED ABOVE. DAVID will return there to a perfected throne; THAT IS TO SAY, DAVID IS THE SECRET OF MALCHUT, WHICH IS A LEG OF THE THRONE, SINCE CHESD, GVURAH AND TIFERET IS THE SECRET OF THE THREE LEGS OF THE THRONE. HE IS THE FOURTH, AND COMPLETES THE THRONE. Therefore, it is written: "The stone which the builders rejected has become the head stone of the corner" (Ibid. 118:22), WHICH WAS SAID ABOUT MALCHUT CALLED DAVID, because he sat at the right. This is what is written: "For you shall rest, and stand up for your

allotted portion at the end of the days (also: 'right')" (Daniel 12:13). HE REMINDED HIM OF THE RIGHT END; that is to say HE INFORMED HIM THAT HE was like one that gained the King's favor, IN WHICH CASE THE KING RECEIVES HIM TO THE RIGHT. Praised is the lot of the one to whom the King extends his right to receive him under his right. When this right sits, its three knots permeate AND ILLUMINATE TO THE LOWER ONES.

320. The arm does not extend its hand with the three joints that we mentioned, MEANING WITH THE MOCHIN OF CHOCHMAH, BINAH, DA'AT WHERE THE DOMINATION OF THE RIGHT IS. THEREFORE, IT IS REFERRED TO AS "THE RIGHT OF HASHEM," AS MENTIONED ABOVE. When the wicked are wakened and increase in the world, the other three JOINTS get reawakened, which are of harsh judgment, and extend the arm. When He extends the arm, it is the right hand, yet it is called, "O arm of Hashem" (Yeshayah 51:9) and "Your stretched out arm" (Devarim 9:29). During the period that these three joints of the right are in the three other joints, WHICH ARE HARSH JUDGMENT, all are referred to as the right, and He executes judgment with compassion. This is what is written: "Your right hand, Hashem, is glorious in power: Your right hand, Hashem, dashed the enemy in pieces" (Shemot 15:6), since compassion gets awakened IN THE JUDGMENTS.

321. We have learned that, with this right, are attached 3,700,000,000 of those who are called right, WHICH ARE THE NUMBER OF THE ENTIRETY OF MOCHIN, and 1,850,000,000 from the arm that is called "the arm of Hashem." THAT IS THE MYSTERY OF THE GELLING OF THE LIGHTS IN THE LEFT COLUMN FOR THE WICKED, WHICH IS THE RIGHT CALLED "THE ARM OF HASHEM," AS MENTIONED PREVIOUSLY. THAT IS THE MYSTERY OF RIGHT AND LEFT THAT ARE BOTH OF THE RIGHT. The arm is suspended from the one and the other, FOR THE ARM IS ALSO COMPRISED OF THE RIGHT AND THE LEFT. The one and the other are called Tiferet, SINCE THE TIFERET IS ALSO COMPOSED OF RIGHT AND LEFT. It is written: "At the right hand of Moses" (Yeshayah 63:12), which is here the right. Arm is the left, as is written: "His glorious arm" (Ibid.). SO WE SEE THAT THEY ARE INCLUDED this with that.

322. We have learned that in the left hand are attached 450 shielded ones that hang on to each and every finger. On each and every finger exist ten thousand shielded ones. Go figure out how many there are in the entire hand. The right is called 'holy help' that emerges from the three joints in the right arm, as is written: "And, behold, my hand shall be with you" (II Shmuel 3:12). Attached from this are 41,000 and 580,000 helpers in the whole world. They are called the uppermost hand of Hashem and the lower hand of Hashem. Although the hand of Hashem is always the left one, IF they are worthy, it is the right of Hashem, as the hand is included in the arm and becomes a help and is referred to as right. If not, then it is the lower hand of Hashem, WHICH IS LEFT. We have learned that when harsh judgments get awakened to descend upon the world, it is written here: "The counsel (lit. 'secret') of Hashem is with them that fear Him" (Tehilim 25:14).

46. The sawing

We learn how Atika of Atikin let sleep fall upon Zeir Anpin and separated the female from Him. Rabbi Shimon talks about the judgments that are from the male and those that are from the female. He tells how the male and female are joined to be perfumed together, and how the upper and lower grades are thus corrected.

323. We have learned in the hidden book that all the judgments that are from the male, ZEIR ANPIN, are rough in the beginning and soft at the end. All the judgments that exist from the female are soft in the beginning and rough at the end. Had they not joined to a single union, the world could not have endured until the Atik of Atikin, the most concealed of all, separated them one from each other, AND THEREAFTER joined them to be firmly established together.

323. וְתֵאנָא בְּצִנְיֵעוּתָא דְסַפְרָא, דְכָל דִּינִין דְּמִשְׁתַּכְּחִין מִדְּכוּרָא, תְּקִיפִין בְּרִישָׁא, וְנִיחִין בְּסוּפָא. וְכָל דִּינִין דְּמִשְׁתַּכְּחִין מִנּוּקְבָא, נִיחִין בְּרִישָׁא, וְתְקִיפִין בְּסוּפָא. וְאַלְמָלָא דְאַתְעֵבִידוּ בְּחָדָא, לֹא יִכְלִין עֲלָמָא לְמַסְבֵּל. עַד דְּעֵתִיק דְּעֵתִיקִי סְתִימָא דְכָלָא, פְּרִישׁ דָּא מִן דָּא, וְחֵבֵר לִוְן לְאַתְבַּסְמָא בְּחָדָא.

324. When he separated them, he let the sleep fall upon Zeir Anpin and separated the female from the back of his sides. He prepared her with all her adornments and saved her for His day, FOR SHABBAT, to bring her to the male, TO ZEIR ANPIN. This is what is written: "And Hashem Elohim caused a deep sleep to fall upon the man, and he slept" (Bereshheet 2:21). What is meant by: "And he slept." This is what it is written: "Awake, why sleep You, Hashem?" (Tehilim 44:24) and "he took one of his sides" (Bereshheet 2:21). What is meant by "one"? That is meant to indicate the female, as it says: "My dove, my undefiled is but one" (Shir Hashirim 6:9). She ascended TO ABA AND IMA and was restored. In her area are imbedded compassion and Chesed. This is what is written: "And closed up the flesh in its place" (Bereshheet 2:21). It is also written: "And I will take away the heart of stone out of your flesh, and I will give you a heart of flesh" (Yechezkel 36:26).

324. וְכֵד פְּרִישׁ לִוְן, אָפִיל דּוּרְמִיטָא לְזַעִיר אָפִין, וּפְרִישׁ לְנוּקְבָא מֵאַחֲרוּי דְּסִטְרוּי, וְאַתְקִין לָהּ כָּל תְּקוּנָהָא, וְאַצְנַעָא לְיוֹמָא דִּילִיָּהּ, לְמִיתְהָא לְדְּכוּרָא. הֵה"ד וַיִּפֹּל יי' אֱלֹהִים תְּרַדְמָה עַל הָאָדָם וַיִּישָׁן. מֵהוּ וַיִּישָׁן. הָאִי הוּא דְכֵתִיב, עוֹרָה לְמָה תִּישָׁן יי'. וַיִּקַּח אַחַת מִצְּלֵעוֹתָיו, מֵאִי אַחַת. דָּא הִיא נּוּקְבָא. כְּד"א, אַחַת הִיא יוֹנְתִי תַמְתִּי, וְסִלְקָא, וְאַתְתַּקְנָא. וּבְאַתְרָהָא שְׁקִיעַ רַחֲמֵי וְחֻסְדֵּי הֵה"ד וַיִּסְגֹּר בָּשָׂר תַּחְתָּנָה. וְכֵתִיב וְהִסִּירוֹתִי אֶת לֵב הָאֲבָן מִבְּשָׂרְכֶם וְנָתַתִּי לָכֶם לֵב בָּשָׂר.

325. When the Shabbat wished to enter, THAT IS THE PERIOD BETWEEN SUNDOWN AND NIGHT FALL, He was creating spirits, ghosts, and storms, WHICH ARE HARMFUL SPIRITS OF THE WORLD. Before he finished them, the Queen came WITH ALL her adornments FROM THE SHABBAT, and sat down before Him. IN THIS DAY, SHE ACHIEVES THE FIRST THREE SFIROT OF CHAYAH THAT SUBDUE AND MAKE VOID ALL THE HARMFUL ONES AND THE OTHER SIDE, SINCE THEN THERE EXISTS NO DOMINION IN THE WORLD BESIDES HER. During the time she sat in His presence, He put down these creatures and they were not completed, because the Queen sat with the King and they were joined face to face. Who would enter between them and who would dare get close to them? When they joined, they were firmly established from each other, SINCE THE SHABBAT IS a day in which everything becomes fragrant. Therefore, the judgments got firmly established in each other, SINCE THE JUDGMENTS OF THE MALE THAT ARE STRONG AT THE BEGINNING BECOME FIRMLY ESTABLISHED AT THE TOP OF THE FEMALE, FOR THE JUDGMENTS THERE ARE SOFT. THE JUDGMENTS OF THE FEMALE THAT ARE ROUGH AT THE END GET FIRMLY ESTABLISHED IN THE END OF THE MALE, WHERE THE JUDGMENTS ARE SOFT and the upper grades and lower grades are corrected.

325. וּבְשַׁעְתָּא דְּבַעָא לְמִיעַל שַׁבְּתָא הוּהּ בְּרִי רוּחִין וְשִׂדִין וְעֲלֵעוּלִין, וְעַד לֹא סִיִּים לִוְן, אַתְתּ מְטְרוּנִיתָא בְּתַקּוּנָהָא, וְיִתִּיבַת קַמִּיהּ. בְּשַׁעְתָּא דִּיתִיבַת קַמִּיהּ, אֲנַח לִוְן לְאַיְנוּן בְּרִיָּאן, וְלֹא אֲשַׁתְּלִימוּ. בִּיּוֹן דְּמִטְרוּנִיתָא יִתְבַּת עִם מְלַכָּא, וְאַתְחַבְרוּ אָפִין בְּאַפִּין, מֵאֵן יִיעוּל בִּינִיָּיהוּ, מֵאֵן הוּא דִּיקְרַב בְּהִדְיָהּ. וְכֵד אַתְחַבְרוּ, אַתְבַּסְמוּ דָּא בְּדָא. יוֹמָא דְכָלָא אַתְבַּסְסַם בִּיהּ. וּבג"כ, אַתְבַּסְמוּ דִּינִין דָּא בְּדָא, וְאַתְתַּקְנוּ עֲלָאִין וְתַתְּאִין.

47. Cain and Abel

Rabbi Shimon tells us how the hidden book says that Atika of Atikin wished to see if the judgments were perfumed; when Adam and Eve joined together a harsh judgment emerged from her, and the world could not tolerate it since the snake instilled the impurity of harsh judgment in her so she could not be perfumed. Even though after Cain's birth she was weakened and became perfumed and gave birth to a sweeter soul, Abel, Cain rose above him because he was stronger, having all the judgments adhering to him. God submerged Cain in the hole of the great abyss together with his brother; they formed one body, from which descend the souls of all sinful people who are strong in spirit.

326. We have learned this in the hidden book. The holy Atika wished to see if the judgments were firmly established. ADAM AND EVE were joined to each other, and a harsh judgment emerged from the female side, as is written: "And Adam knew Eve his wife; and she conceived, and bore Cain, saying, I have acquired..." (Beresheet 4:1). The world could not tolerate it, since EVE was not yet firmly established and the harsh snake instilled the impurity of harsh judgment in her, so that she could not be firmly established. Therefore, when Cain emerged from the side of the female he exited rough and hard, harsh in judgment and heavy in judgment. As soon AS CAIN emerged FROM HER, she was weakened and became firmly established. Following that, she gave birth to another soul that was more sweetened, but the first, CAIN, rose ABOVE HIM, being stronger, in that all the judgments adhered to him.

327. Come and see what is written: "And it came to pass, when they were in the field" (Ibid. 8). That is the known field of above, in the field that is called a field of apple trees, MEANING MALCHUT, FROM WHERE THEY WERE BORN. The judgment of Cain overcame his brother, because he was harsher than him and he subdued him and hid him beneath until the Holy One, blessed be He, was roused by it and removed CAIN from His presence. He submerged him in the hole of the great abyss and he included his brother in that depression of the great ocean that firmly establishes the uppermost tears, from them descend the souls to the world to each man according to his way.

328. HE RETURNS TO THE TIME PRIOR TO WHEN THEY WERE JOINED ONE WITH THE OTHER, WHEN THEY WERE COVERED, SINCE CAIN BOUND AND HID ABEL BEFORE HIM. CAIN WAS ALSO HIDING, AS IT SAYS: "AND FROM YOUR FACE I SHALL BE HID" (IBID. 14). He says: Although they were hidden, they prevailed and extended one to the other and formed one body, NAMELY UNDER THE DOMINATION OF CAIN. From that body descend the souls of the wicked, sinful and strong in spirit, BEING UNDER THE DOMINATION OF CAIN. HE ASKS: Is it then from both together THAT THE SOULS DESCEND? ARE THEY NOT TWO OPPOSITES? HE REPLIES: Only the one to his side and the other to his side, MEANING TO SAY THAT FROM CAIN ARE DRAWN THE SOULS OF THE WICKED THAT ADHERE TO THE REFUSE OF THE LEFT AND FROM ABEL ARE DRAWN THE SOULS OF THE WICKED THAT ADHERE TO THE REFUSE OF THE RIGHT. ALL THIS IS PRIOR TO WHEN THEY WERE COMBINED WITH EACH OTHER IN THE DEPRESSION OF THE GREAT OCEAN THAT FIRMLY ESTABLISHES THE UPPER TEARS OF ABOVE. HOWEVER, AFTER THEY WERE SWEETENED, THE SOULS OF THE RIGHTEOUS ARE DRAWN FROM THEM THAT ARE NOT SO RIGHTEOUS. Praised are those righteous whose souls are drawn from this holy body called Adam, which includes everyone and is a place that the crowns, THE SECRET OF THE FIRST THREE SFIROT, and the holy Sfirot get joined together in the bundle of the cluster, MEANING TO SAY THAT ALL THE SFIROT OF THE FIRST THREE SFIROT AND THE SIX ENDS, THE RIGHT AND THE LEFT, ARE INCLUDED IN IT TOGETHER.

Praised ARE you and capable of judging, MEANING THOSE WHO CAN SIT IN A COURT OF JUDGES, the reapers of the field, that you will be aware of these things and you will pay attention to them. You shall know your Lord face to face, eye to eye. With these matters, you will merit the World to Come. This is what it says: "Know therefore this day, and consider it in your heart, that Hashem (who is Atik Yomin), He is Elohim" (Devarim 4:39) (WHICH IS ZEIR ANPIN). All is One. Blessed is His Name forever and forever more.

48. The upper grades below and the lower grades above

Rabbi Shimon says that the shape of man is the uppermost correction that comprises everything, and that the righteous man is an everlasting foundation.

330. Rabbi Shimon said: I see the upper ones below and the lower ones above. The upper grades below AND THE LOWER GRADES ABOVE: that is the shape of man, who is the uppermost correction that comprises everything.

330. אָמַר ר"ש, חֲמִינָא עֲלָאִין לְתַתָּא, וְתַתָּאִין לְעִילָא. עֲלָאִין לְתַתָּא, דְּיוֹקְנָא דְּאָדָם, דְּהוּא תְּקוּנַי עֲלָא, בְּלָלָא דְּכֹלָהוּ.

331. We have learned that it is written: "But the righteous is an everlasting foundation" (Mishlei 10:25), as he includes six (Heb. shesh) in one source. This is what is written: "His legs are pillars of marble (Heb. shesh)" (Shir Hashirim 5:15).

331. תָּאנָא, בְּתִיב וְצְדִיק יִסוֹד עוֹלָם, דְּכֹלִיל שֵׁית בְּקִרְטוּפָא בְּחַדָּא. וְהָאִי הוּא דְּכְתִיב שׁוֹקֵינוּ עֲמוּדֵי שׁשׁ.

49. General and particular, particular and general

The hidden book says that the highest Sfirot in general and in particular, and the lowest Sfirot in particular and in general, were included in man. Rabbi Shimon explains the meaning of this. Finally he says that the masters of judgment from below get attached in the lowest Sfirot.

332. We have learned in the hidden book that in man were included the uppermost Sfirot, FROM THE CHEST UPWARDS, in general and in particular, and in man were included the lowest Sfirot, THAT IS FROM THE CHEST DOWNWARDS, in particular and in general. HE EXPLAINS: The uppermost Sfirot are in general, as we have learned, within the form of all the forms, THAT IS THE FORM OF MAN. In particular, that is in the fingers of the hand, WHICH ARE five corresponding to five. The lowest Sfirot in the toes of the feet are particular and general, since the body, THAT IS TIFERET, is not seen with them, since they are outside the torso. That is why they are not part of the body, since the body was removed from them.

332. וְתָאנָא בְּצִנְיַעוּתָא דְּסַפְרָא, בְּאָדָם אִתְכַּלְלוּ כְּתָרִין עֲלָאִין, בְּכָלֵל וּבְפִרְט. וּבְאָדָם אִתְכַּלְלוּ כְּתָרִין תַּתָּאִין, בְּפִרְט וּכְלָל. כְּתָרִין עֲלָאִין בְּכָלֵל, כְּמָה דְּאִתְמַר בְּדִיוֹקְנָא דְּכָל הַגֵּי דְּיוֹקְנִין. בְּפִרְט: בְּאֶצְבָּעַן דִּידָן, חֲמִשׁ בְּנֶגְדַ חֲמִשׁ. כְּתָרִין תַּתָּאִין, בְּאֶצְבָּעֵין דְּרַגְלִין דְּאִינוֹן פִּרְט וּכְלָל. דְּהָא גּוּפָא לָא אִתְחַזֵּי בְּהַדְיָהוּ. דְּאִינוֹן לְבַר מְגוּפָא. וּבְג"כ לָא הוּוּ בְּגוּפָא. דְּגוּפָא אֲעֲדִיו מְנִיָהוּ.

333. HE ASKS: If so, what is the meaning of: "And his feet shall stand in that day" (Zacharia 14:4). IT SEEMS THAT THEY ARE NOT OUTSIDE OF THE BODY THAT IS ZEIR ANPIN, SINCE IT IS ASCRIBED TO HIM. HE ANSWERS: It is the legs of the body, MEANING the masters of judgment, to do revenge ON THE WICKED. They are referred to as those who have legs, since from them are the harsh JUDGMENTS. The masters of judgment from below get attached in the lowest Sfirot THAT ARE CALLED LEGS, AND ABOUT THIS IS WRITTEN: "AND HIS FEET (LIT. 'LEGS') SHALL STAND..."

333. אִי הָכִי, מָאי וְעֲמַדוּ רַגְלֵיו בְּיוֹם הַהוּא. אֲלָא רַגְלֵיו דְּגוּפָא, מְאָרִיהוֹן דְּדִינִין לְמַעַבְדַּ נּוֹקְמִין וְאִקְרוּן בְּעֵלֵי רַגְלִים. וּמְנַהוֹן תְּקִיפִין. וּמִתְאַחֲדִין מְאָרִיהוֹן דְּדִינִין דִּי לְתַתָּא, בְּכְתָרִין תַּתָּאִין.

50. The generality of Man

Rabbi Shimon tells how all the formations of above that are in the holy body, the wholeness of man, irrigate and illuminate one another until they enlighten all the world. He talks about the desire of the Klipot for the students of the Torah, since they wish to nourish from the holy body. We learn that even angels are not outside of the generality of the holy body. Rabbi Shimon describes those spirits who left the general holy body and are from the left side, and tells what their actions are. He tells us that the hidden book says that when Seth was born the worlds above and below were perfumed and perfected; this was male and female from the aspect of the holy body, and the worlds were bound together and became one body. Thus as the spirit was drawn and entered that body, everything throughout the universe is seen to be one. Whoever excludes himself from general humanity does not enter into the realm of man when he leaves this world. Within the generality of man there is all the perfection of faith. The hidden book says that whoever keeps a holy body overnight when the spirit has left it makes a flaw in the body of the worlds, so it must not stay overnight. Rabbi Shimon talks about the Nefilim or fallen ones who mated with the daughters of men; the fallen ones are of the aspect of spirits of the left, that do not bond to the body (Zeir Anpin) at all but rather to Malchut referred to as earth. We hear how God repented that He had ever made man on the earth, and how He decided to destroy man below; all the same since one cannot differentiate between man above and man below, the destruction of man below flaws the man above. If the wisdom of Arich Anpin would have illuminated Malchut there would not have been a flood, for wisdom includes everything; this is concealed Chochmah, with which man's correction was established and strengthened. With this, Rabbi Shimon calls upon the most Ancient of all ancient ones to witness that he has not revealed these secrets for his own honor, but only so that the friends should not err in His ways.

334. We have learned that all these formations of above that are in the holy body, which is the wholeness of man, are derived one from the other and are attached to each other. They irrigate each other like the blood that runs with the flow of the veins to this direction and that direction, from this area to that area, and they irrigate the body. HERE TOO, they irrigate each other and illuminate each other until they enlighten all the worlds, and are blessed for their sake.

335. We have learned that these Sfirot which were not included in the body, WHICH IS THE CENTRAL COLUMN, BUT ARE DRAWN FROM THE LEFT COLUMN, are all abominable and unclean, and defile everyone that gets near to them, in order to find out things from them.

336. We have learned what the desire OF THESE KLIPOT is for the students of the Torah. HE REPLIES: This is since they observe in them a holy body and they wish to be included, MEANING TO NOURISH from that body. You might say, Yet there are angels, not included in the body. HE ANSWERS: No. If they were, heaven forbid, outside of the generality of the holy body, THAT IS THE SECRET OF THE CENTRAL COLUMN, they would not have been holy and they could not have endured, since it is written: "His body also was like the beryl" (Daniel 10:6). It is also written: "And their rims were full of eyes" (Yechezkel 1:18:) and "the man Gavriel" (Daniel 9:21). SO YOU SEE that all are incorporated in the generality of man, IN THE CENTRAL COLUMN, except those that are not in the body, BUT ARE FROM THE LEFT COLUMN, who are unclean and defile all those that will get near to them.

337. We have learned all these are from the spirit of the left side that was not sweetened in man, THAT IS THE CENTRAL COLUMN, ZEIR ANPIN. They left the general holy body and did not adhere to it. Therefore, they are all unclean. They go wandering in the world and reach the depression of the great abyss, WHERE CAIN WAS SUBMERGED, to adhere in the first judgment that is called Cain that was expelled from the general body below SINCE IT WAS OF THE LEFT WITHOUT A RIGHT. They flutter and wander throughout the world, and fly and do not get attached to the wholeness of the body, THAT IS THE CENTRAL COLUMN. Therefore, they are outside of all the camps above and below and are defiled. About them, it is written: "Outside of the camp shall his habitation be" (Vayikra 13:46).

334. תָּאנָא, כָּל אֵינוֹן תְּקוּנֵי דְלַעִילָא, דְּבְגוּפָא קְדִישָׁא, כְּלָלָא דְאָרְם, אֲתַמְשִׁין דָּא מִן דָּא, וּמִתְאַחֲדִין דָּא בְּדָא, וְאֲשְׁקוֹן דָּא לְדָא. כְּמָה דְאֲתַמְשֵׁן דְמָא בְּקִטְפִין דְּוִרִידִין לְדָא וּלְדָא, לְהֵכָא וּלְהֵכָא, מֵאַתֵּר דָּא לְאַתֵּר אַחְרָא, וְאֵינוֹן מְשָׁקִין דְּגוּפָא. אֲשְׁקִיין דָּא לְדָא, מְנַהֲרִין דָּא לְדָא. עַד דְּאֲנַהֲרוּ כְּלָהוּ עֲלָמִין, וּמִתְבְּרַכָּאן בְּגִיגִיהוֹן.

338. With the spirit that is called Abel. This is more fragrant in the generality of the holy body. Other SPIRITS emanate that are more firmly established and they adhere, yet do not adhere to the body. All are suspended in the air and they emanate from the corpus of defiled spirits, as mentioned above. They hear whatever they hear above and from them it gets known TO THE SPIRITS below, because they divulge everything to them.

339. We have learned in the hidden book that, as soon as the whole of man, the holy body, was firmly established above, which is composed of male and female, MEANING ZEIR ANPIN AND ITS FEMALE, they were joined for a third time. Overall perfume emerged, THAT IS SHET, and the worlds above and below were firmly established. From here on, the world of above and below was perfected. THIS WAS MALE AND FEMALE from the aspect of the holy body, WHICH IS THE CENTRAL COLUMN, and the worlds were bound and got attached to each other and become one body, WHICH IS SHET. The spirit got drawn and entered that body; throughout the worlds, only one is seen. "Holy, holy, holy, is Hashem, Lord of Hosts: the whole earth is full of His glory" (Yeshayah 6:3), since all is one body, SINCE THREE TIMES HOLY IS THE SECRET OF THE THREE COLUMNS THAT INCORPORATED INTO ONE.

340. We have learned that, as soon as ZEIR ANPIN AND HIS FEMALE became firmly established one in the other, judgment was connected with compassion and the female was firmly established by the male, THAT IS ZEIR ANPIN. Therefore, they could not ascend one without the other. This is similar to the palm tree that does not ascend AND PRODUCE FRUITS one without the other, FEMALE TREE WITHOUT THE MALE TREE. About this, we have learned that whoever excludes himself in this world from general humanity, THAT IS THE CENTRAL COLUMN, thereafter, when he exits from this world, he does not enter into the realm of man. This is referred to as the holy body, WHICH IS ZEIR ANPIN AND BRIYAH YETZIRAH ASIYAH OF HOLINESS. Rather he enters in these that are not called man, THAT IS, BRIYAH YETZIRAH ASIYAH OF DEFILEMENT, which were expelled from the inclusiveness of the body, THAT IS THE CENTRAL COLUMN.

341. We have learned: "We will make you necklets of gold studded with silver" (Shir Hashirim 1:11), meaning that the judgment, THE ONE CALLED GOLD, WHICH IS THE ILLUMINATION OF CHOCHMAH OF THE LEFT, was spiced with mercy, THAT IS CALLED STUDS OF SILVER, MEANING CHOCHMAH WAS COATED WITH CHASSADIM, so there is no judgment that has no mercy in it, SINCE THEY ARE INCLUDED IN ONE ANOTHER. About this, it is written: "Your cheeks would be comely with rows of jewels, your neck with strings of beads" (Ibid. 10). "Rows of jewels" HAS THE SAME MEANING AS in the verse: "necklets of gold," WHICH ARE FROM THE LEFT. "Strings of beads" HAS THE SAME MEANING AS in the verse: "studded with silver," MEANING RIGHT, CHESED. "Your neck" is in the realm of the female, which is the Matron, WHICH IS MALCHUT, since THE NECK contains the temple of above, WHICH IS YESOD OF MALCHUT. The terrestrial Jerusalem and the temple IN IT ARE ALSO CALLED THE NECK. All this takes place after THE FEMALE gets firmly established by the male and the wholeness of man is formed. This is the inclusiveness of faith. Why faith? It is because within it, IN THE GENERALITY OF MAN, there is all the perfection of faith.

342. We have learned that when the soul of whoever is called man left him, and he died, it is not permitted to have him stay in the house and rest overnight on the ground, so as not to put the honor of that body to shame, BEING A BODY WITHOUT A SOUL. It is written: "Nevertheless man abides not in honor" (Tehilim 49:13). Man who is the most honored "abides not" AFTER DEATH. What is the reason? It is because if they do that, "he is like the beasts that perish" (Ibid.). THAT IS, AFTER DEATH HE IS LIKE THE BEASTS. Just like animals were never part of humans, WHICH IS WHY no holy spirit is apparent upon them, here too A DEAD MAN is just like an animal, a body without a spirit. Therefore, this body that is most precious of all should not be put to shame.

343. We have learned in the hidden book that whoever keeps this holy body overnight, when it is devoid of spirit, makes a flaw in the body of the worlds, THAT IS THE UPPERMOST MAN. It is therefore not permitted to have it stay overnight in a holy place, in the land where justice resides, THAT IS THE LAND OF YISRAEL WHERE IT IS WRITTEN: "HIS BODY SHALL NOT REMAIN ALL NIGHT... THAT YOUR LAND BE NOT DEFILED" (DEVARIM 21:23:). This precious body is referred to as the image of the King. If one let it stay overnight, it WOULD APPEAR TO BE like one of the animals, THAT IS, WITHOUT SPIRIT LIKE A BEAST, AS MENTIONED ABOVE.

344. We have learned: "The sons of Elohim saw that the daughters of men were fair" (Beresheet 6:2). These are the ones that were hidden, MEANING THEY WERE DISTANCED FROM HOLINESS, and fell into the crevice of the great abyss, THAT IS AS MENTIONED ABOVE. 'The daughters of man', that certain man. THIS IS ZEIR ANPIN, THEY BEING AN ASPECT OF ABEL; HE SAYS ABOUT THEM ABOVE THAT THEY GET MORE FIRMLY ESTABLISHED IN THE GENERALITY OF THE HOLY BODY, WHICH IS ZEIR ANPIN. It is written: "And they bore children to them; the same were mighty men of old (lit. 'the world')" (Ibid. 4), MEANING TO SAY THAT THEY ARE from the one that was called "the world" as we have learned concerning the days of the world, ZEIR ANPIN, EXCEPT THAT THEY ARE FROM THE OTHER SIDE, THAT SOMETIMES THEY BOND TO ZEIR ANPIN AND SOMETIMES NOT. THEY ADHERE TO THE BODY AND THEY DO NOT ADHERE. ALL ARE SUSPENDED IN THE AIR. "Men of renown (lit. 'name')" (Beresheet 6:4), MEANING OF MALCHUT, IS REFERRED TO AS NAME, AND THEY ARE NOT FROM ZEIR ANPIN REFERRED TO AS WORLD. THESE ARE THE SPIRITS OF THE LEFT THAT WERE NOT FIRMLY ESTABLISHED WITH MAN. THEREFORE, spirits and demons get out into the world from them, to adhere to the wicked.

345. "There were Nefilim (lit. 'fallen ones') in the earth" (Ibid.). This excludes the other ones that were not on the earth at that time, THAT ARE NOT OF THE ASPECT OF MALCHUT REFERRED TO AS EARTH. The fallen ones are Aza and Aza'el, who were on the earth. THEY ARE OF THE ASPECT OF SPIRITS OF THE LEFT, WHICH DO NOT BOND TO THE BODY AT ALL, WHICH IS ZEIR ANPIN BUT TO MALCHUT REFERRED TO AS EARTH, WHICH IS THE LEFT. The sons of Elohim were not on the earth, WHICH IS MALCHUT, BUT THEY WERE ATTACHED, YET NOT ATTACHED, TO THE HOLY BODY THAT IS ZEIR ANPIN, AS MENTIONED ABOVE. This is a secret that we have learned.

346. It is written: "And Hashem repented that He made man on the earth" (Ibid. 6). HE excludes the man above that was not on earth, MEANING THAT HE IS NOT FROM THE ASPECT OF MALCHUT CALLED EARTH. THE ENTIRE PUNISHMENT OF THE FLOOD WAS ONLY FROM THE ASPECT OF MALCHUT, WHICH IS THE SECRET OF EARTH, BUT NOT ANYTHING ABOVE IT. "And Hashem repented": That is said of Zeir Anpin. "And it grieved Him at His heart" (Ibid.): It does not say that He was grieved, but rather "it grieved Him," since it grieved only Him, as this is dependent upon Him. THAT IS TO SAY, THE DEEDS OF THE LOWER ONES REACH ZEIR ANPIN, to exclude those who are not grieved, THE DEEDS OF THE LOWER ONES, SINCE THE LOWER ONES DO NOT HARM THEM. THAT REFERS TO ABOVE OF ZEIR ANPIN. "At His heart": It does not say, 'In His heart', but rather "At His heart," as someone that is grieved for his lord. This alludes to the heart of all hearts, WHICH IS ARICH ANPIN THAT IS VESTED IN THE INNERMOST OF ZEIR ANPIN.

347. "And Hashem said, 'I will destroy man whom I have created from the face of the earth...'" (Ibid. 7). "From the face of the earth" comes to exclude man from above MALCHUT THAT IS CALLED EARTH. You might say only man below exclusively, AND THE MAN ABOVE WAS NOT FLAWED AT ALL AS A RESULT OF THIS, but you cannot exclude OR DIFFERENTIATE BETWEEN ONE AND THE OTHER at all, since one cannot exist without the other. WHEN THE MAN BELOW IS OBLITERATED, THE MAN ABOVE IS ALSO FLAWED.

348. If wisdom had sealed from all, THAT IS IF THE CHOCHMAH OF ARICH ANPIN WOULD HAVE ILLUMINATED TO MALCHUT, everything would have been fixed to its original form, AND THERE WOULD NOT HAVE BEEN A FLOOD. It is written: "I, wisdom, dwell with prudence" (Mishlei 8:12). Do not read it as "dwell with," but rather 'cause to dwell'.

349. If not for the correction of man, the world would not have existed. This is what is written: "Hashem by wisdom founded the earth" (Ibid. 3:19). It is also written: "But Noah found favor in the eyes of Hashem" (Beresheet 6:8).

350. We have learned that all the brains depend on that brain, THAT IS IN CONCEALED CHOCHMAH. Chochmah is inclusive of everything. This is concealed Chochmah, with which man's correction was established and strengthened, so that everything should be settled in an orderly way, each one in its place. This is what is written: "Wisdom strengthens the wise more than ten rulers" (Kohelet 7:19). THAT IS THE TEN SFIROT that are the perfect establishment of man. The man is their inmost formation, SINCE THE BRAINS THAT ARE IN THE INMOST PART ARE REFERRED TO AS MAN, with which the spirit exists.

346. כְּתִיב וַיִּנְחַם יי' כִּי עָשָׂה אֶת הָאָדָם בְּאָרֶץ, לְאַפְקַא אָדָם דְּלַעִילָא, דְּלֹא הוּי בְּאָרֶץ. וַיִּנְחַם יי' הָאִי בּוֹזְעִיר אַפִּין אַתְמֹר. וַיִּתְעַצֵּב אֶל לְבוֹ, וַיַּעֲצֵב לֹא נְאֻמָּה. אֶלֹא וַיִּתְעַצֵּב, אִיהוּ אֶתְעַצֵּב, דְּבִיָּה תְלִינָא מְלִתָּא. לְאַפּוּקִי מִמָּאן דְּלֹא אֶתְעַצֵּב. אֶל לְבוֹ, בְּלְבוֹ לֹא כְתִיב, אֶלֹא אֶל לְבוֹ. כְּמָאן דְּאֶתְעַצֵּב לְמֵאֲרִיָּה, דְּאֶחָזִי הָאִי לְלֵבָא דְּכָל לְבִין.

351. All the perfect faith of the one who stands on the throne is apparent with this correction of man, as is written: "The likeness as the appearance of a man above upon it" (Yechezkel 1:26) and "One like a Son of man came with the clouds of heaven, and came to the Ancient of Days, and they brought him near before Him" (Daniel 7:13). Until here, the matters are vague and the reasons are obvious. Praised is the lot of the one who is aware and observes to understand them, and does not err in them. These matters were not given except to those who sat on the seat of justice and the reapers of the field that entered and were able to leave, as is written: "For the ways of Hashem are right, and the just do walk in them: but the transgressors shall stumble in them" (Hoshea 14:10).

352. We have learned that Rabbi Shimon cried and raised his voice and said: If only with our words that were revealed here, our friends would have been hidden in the chamber of the World to Come, and would have passed away from this world, it would have been proper and good, since they would not have been revealed to any one on this world. He then repented and said: I regret what I said, BUT RATHER THEY SHOULD DESERVE TO EXIST LONGER IN THIS WORLD. It is apparent to the most Ancient of all the ancient ones, the most concealed of all concealed, that not for my honor I have done this and not for the honor of my family and not for the honor of these friends. It is only that they should not err in His ways and should not enter with shame into His palace, so they will not be prevented FROM ENTERING. Praised is my lot with them in the World to Come.

51. The passing of the three friends

We learn that before they could leave the chamber, Rabbi Yosi, Rabbi Chizkiyah and Rabbi Yesa died, and the other friends saw holy angels carrying them away. Rabbi Shimon is beside himself with fear that his revelations have caused this event, until a voice tells him that he deserves praise. The voice says that the souls of the friends passed away through perfection and that they joined with great passionate will and valor at the time of their deaths. The uppermost angels took their souls and raised them above. All the faces of the rabbis were shining brightly. Rabbi Aba was sad for some days until he and Rabbi Shimon saw the angels showing their dead friends the treasures and chambers prepared for their honor, and then he was comforted. From that day on the friends did not leave Rabbi Shimon's house, and no one else was ever present when he revealed secrets to them. He called them 'the seven eyes of Hashem', and Rabbi Yehuda referred to him as Shabbat, from which all six days get their blessing.

353. We have learned prior to the exit of these friends from that chamber that Rabbi Yosi, son of Rabbi Ya'akov, Rabbi Chizkiyah, and Rabbi Yesa died. The friends saw that holy angels carried them in that veil. Rabbi Shimon said something and THE FRIENDS became calmed. He cried out and said: Perhaps, heaven forbid, a writ was decreed for us to get punished, since it was revealed through us what has not been revealed since the day Moses stood on Mount Sinai. It is written: "And he was there with Hashem forty days and forty nights..." (Shemot 34:28). Why am I here if this is the reason for their punishment?

351. וְבֵהָי תְּקוּנָא דְאָדָם, אֲתַחְזִי שְׁלִימוֹתָא מְהִימְנוֹתָא דְכֻלָּא, דְקָאִים עַל כּוֹרְסֵינָא. דְכִתְיִב, וְדִמּוֹת כְּמִרְאָה אָדָם עָלָיו מִלְמַעְלָה. וְכִתְיִב וְאָרוּ עִם עֲנְיֵי שְׁמִיָּא כְּבֵר אָנֹשׁ אֲתָה הוּא וְעַד עֵתִיק יוֹמִיָּא מָטָה וְקִדְמוּהֵי הִקְרְבוּהֵי. עַד כָּאן סְתִימָאן מְלִין. וְבִרְיָן טַעְמִין. זְכָאָה חוֹלְקִיָּה דְמָאן דִּידַע וְיִשְׁגַּח בְּהוּן. וְלֹא יִטְעִי בְּהוּן. דְמְלִין אֲלִין לֹא אֲתִיְהִיבוּ, אֲלֹא לְמֵאֲרֵי מְדִין וּמְחֻצְדֵי חֻקְלָא, דְעָאלוּ וְנִמְקּוּ. דְכִתְיִב כִּי יִשְׂרִים דְרָבִי יוֹי וְצִדִיקִים יִלְכוּ בֵם וּבוֹשְׁעִים יִכְשְׁלוּ בֵם.

354. He heard a voice say: Rabbi Shimon, you deserve praise. Praised is your lot and the lot of your friends that live with you, since it was revealed to you what has not been revealed to all the legions above. However, come and see that it is written: "He shall lay its foundation with his firstborn, and with his youngest son shall he set up the gates of it" (Yehoshua 6:26). Certainly, the souls OF THE FRIENDS joined with great passionate will and valor at the time they were taken BY THE ANGELS. Praised is their lot that, through perfection, they passed away.

355. We have learned that while these matters were revealed, roused and declared in 250 worlds, ancient matters were revealed below. While they were still spicing or perfuming their souls with these matters, their soul left with a kiss and was connected in that veiled curtain, and the uppermost angels took them and raised them above.

356. Rabbi Shimon said: How happy is the lot of these three, and praised is our lot in the World to Come for this. A second voice sounded and said, "But you that did cleave to Hashem your Elohim are alive every one of you this day" (Devarim 4:4). They got up and left. Everywhere they looked, fragrances were ascending. Rabbi Shimon said: It seems from this that the world is getting blessed because of us. All their faces were shining bright and the people of the world could not look at them.

357. We have learned that ten entered the circled veil and seven left it. Rabbi Shimon was rejoicing but Rabbi Aba was saddened. One day, Rabbi Shimon was sitting with Rabbi Aba. Rabbi Shimon said something. They saw the three FRIENDS, whom upper angels were bringing and showing them the treasures and chambers above for their honor. They were introducing them into the mountains of refined balsam. Rabbi Aba's mind was calmed and at peace.

358. We have learned that from that day on, the friends did not leave the residence of Rabbi Shimon. When Rabbi Shimon was revealing secrets, nobody was present except for them. Rabbi Shimon referred to them as 'We are the seven eyes of Hashem' as is written: "Those seven...the eyes of Hashem" (Zacharia 4:10), which is applicable to us. Rabbi Aba said: We are six candles illuminating from the seventh, WHICH IS THE SECRET OF BINAH. You are the seventh of each one, because the six cannot endure, WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, save from the seventh, WHICH IS BINAH, since everything is dependent on the seventh. Rabbi Yehuda used to refer to him as Shabbat, from which all six days get their blessing, as is written: "Shabbat to Hashem" (Shemot 20:10) or holy to Hashem. Just as Shabbat is holy to Hashem, so is Rabbi Shimon holy Shabbat to Hashem.

52. Elijah

Rabbi Shimon is wondering why Elijah was not present in the chamber when the holy matters were revealed. Elijah arrives with three drops of light, and Rabbi Shimon asks him why he was not available during the feast that they had prepared. Elijah explains that he had wanted to be there, but God had sent him on a mission to do miracles for Rabbi Hamnuna Saba (the elder) and his friends. When he returned he found the angels carrying the three friends. He and Rabbi Shimon talk about the crowns that are given to the righteous during the new moon, holidays and Shabbat. Elijah tells him that he will be decorated and sanctified more than all the others, and that Rabbi Shimon bar Yochai is the holy one of Hashem, who is called honorable in this world and in the World to Come.

359. Rabbi Shimon said: I wonder about the hairy one girdled around his waist, THAT IS ELIJAH. Why was he not in our chamber during the time these holy matters were revealed? While he wondered, Elijah arrived with three drops of light, brightening his countenance. Rabbi Shimon said to him: What is the reason that my lord was not available during the wine feast that was being enacted AND PREPARED for his Master on this joyous day?

359. אר"ש, תוהנא על ההוא חגיר חרצן, מאריה דשערי, אמאי לא אשתכח בבי אדרא דילן, בזמנא דאתגליין מלין אלין קדישין. אדהכי, אתא אליהו, ותלת קטורי נהירין באנפוי. א"ל ר"ש, מ"ט לא שכיח מר בקרדוטא גלימא דמאריה, ביומא דהלולא.

360. He, ELIJAH, said to him: On your life, Rabbi, seven days prior to your entering your chamber, all those that were to come in and be with you IN THE CHAMBER were being chosen in the presence of the Holy One, blessed be He. I was there and wanted to be in his presence IN THE CHAMBER. They had me yoked, and I was not able TO GO since, on that particular day, the Holy One, blessed be He, sent me on a mission to do miracles for Rabbi Hamnuna Saba (the elder) and his friends, who had been compromised by an informer to the king's palace. I caused a miracle to happen. For their sake, I collapsed the wall in the king's temple, so that 45 ministers got entangled in the construction of the wall, AND FELL WITH IT, and died. I removed Rabbi Hamnuna Saba and his friends and threw them to the valley of Ono, and they were saved. I prepared for them bread and water, because they hadn't eaten for three days. All that day, THAT YOU WERE IN THAT CHAMBER, I did not leave them

360. א"ל, חייך רבי שבע יומין אתברירו קמיה קודשא בריך הוא, כל אינון דיייתון וישתכחן עמיה, על לא עיילתון בבי אדרא דלכון ואנא הוה זמין תמן, ובעינא קמיה לאשתכחא, וכדין קטיר בכתפוי ולא יכילנא, דההוא יומא שדרני קודשא בריך הוא, למעבד נסין לרב המנונא סבא וחברוי, דאתמסרו בארמונא דמלכא, וארחישנא להו בנסא, דרמינא להו בותלא דהיכלא דמלכא, ואתקטרו בקטרוי, דמיתו ארבעים וחמשה פרדשכי. ואפיקנא לרב המנונא וחברוי ורמינא לון לבקעת אונו, ואשתזיבו. וזמיננא קמיהו נהמא ומינא, דלא אכלו תלתא יומין. וכל ההוא יומא לא בדילנא מנייהו.

361. When I returned, I found that the three friends were on the spread curtain that these pillars, THAT IS, THE ANGELS, were carrying. I asked THE ANGELS and they told me that this was the portion of the Holy One, blessed be He from Rabbi Shimon's and his friends' festivity. Praised are you, Rabbi Shimon, and praised is your lot and the lot of the friends that reside with you. How many levels were prepared for you in the World to Come and how many bright lights are destined to illuminate for you.

361. וכד תבנא, אשכחנא פרסא דנטלו כל אינון סמכין, ותלת מן חבריאי עליה, ושאיילנא לון. ואמרו חולקא דקודשא בריך הוא, מהלולא דר"ש וחברוי. זכאה אנת ר"ש, וזכאה חולקך, וחולקא דאינון חבריאי דיתבין קמן. כמה דרגין אתתקנו לכון לעלמא דאתי. כמה בוצינין דנהורין זמינין לנהרא לכו.

362. Come and see this day, which they decorated for your sake, fifty crowns for Rabbi Pinchas ben Yair, your father-in-law. I accompanied him in all these rivers of the mountains of pure balsam trees. He picked his place and was restored. RABBI SHIMON said to him: The righteous are connected to the source of the crowns during the new moon, holidays and Shabbat, more than during other days.

362. ות"ח, יומא דין בגינך אתעטרו חמשין בתרין לרבי פנחס בן יאיר חמוך. ואנא אזילנא עמיה בכל אינון נהרי דטורי דאפרסמונא דכנא, והוא בריר דוכתיה, ואתתקן. א"ל, קטורין צדיקניא בקרטופא דעטרין, בריש ירחי ובזמני ושבת, יתיר מכל שאר יומין.

363. ELIJAH told him: Also all those that are outside, THEY ASCEND AS WELL, as is written: "And it shall come to pass, that every new moon, and every Shabbat, shall all flesh come..." (Yeshayah 66:23). THAT IS REFERRING TO THOSE ON THE OUTSIDE, WHO ARE NOT RIGHTEOUS. THEREFORE THE SCRIPTURE REFERS TO THEM AS ALL FLESH. If those come, then most certainly the righteous will come. Why "Every new moon"? Because it is then that the patriarchs, who are the holy Chariots, are decorated. THEN THE CHESD, GVURAH AND TIFERET OF ZEIR ANPIN, REFERRED TO AS PATRIARCHS, ARE ELEVATED AND BECOME CHOCHMAH, BINAH AND DA'AT. "And every Shabbat": Then, the seventh of the six days gets decorated, BECAUSE THEN MALCHUT ACQUIRES THE FIRST THREE SFIROT, as is written: "And Elohim blessed the seventh day" (Beresheet 2:3).

364. You are Rabbi Shimon, the seventh of the six, and you will be decorated and sanctified more than all the others. These righteous friends are destined to delight in three delights, THAT IS, THE THREE MEALS, that are relevant to the seventh, in the World to Come because of you. It is written: "And call the Shabbat a delight, the holy day of Hashem honorable" (Yeshayah 58:13). Who is the holy one of Hashem? That is Rabbi Shimon bar Yochai, who is called honorable in this world and the World to Come. The end of the Holy Idra Raba

363. א"ל, ואף כל אינון דלבר, דכתיב והיה מדי חדש בחדשו ומדי שבת בשבתו וגו'. אי אלין אתיין, כ"ש צדיקניא. מדי חדש בחדשו, למה. משום דמתעטרי אבהתא רתיכא קדישא. ומדי שבת בשבתו, דמתעטר שביעאה דכל אינון שיתא יומין, דכתיב ויברך אלהים את יום השביעי וגו'.

364. ואנת הוא ר"ש, שביעאה דשיתא, תהא מתעטר ומתקדש יתיר מכלא. ותלת עדונין דמשתכחין בשביעאה, זמינן חברניא אלין צדיקניא לאתעדנא בגינך לעלמא דאתי. וכתיב וקראת לשבת ענג לקדוש יי' מכובר. מאן הוא קדוש יי'. דא ר' שמעון בן יוחאי, דאקרי מכובר בעלמא דין, ובעלמא דאתי. עד כאן האדרא קדישא רבא

13. Continuation of Naso: Fear, humility and piety

Rabbi Yitzchak says that whoever fears sin has awe and humility and piety because all of these are included in the fear of heaven. Rabbi Yehuda talks about the angel Michael who is a priest above and about the priest below who called is an angel since he comes from the aspect of Mercy. He says that the priest merited Mercy because of his fear of God. We learn from Rabbi Yehuda that whoever was joined male and female was called Adam; Adam fears heaven so that humility and piety and mercy are with him as well. The world cannot be built without the presence of male and female.

135. "Speak to Aaron and to his sons, saying, 'In this way you shall bless'" (Bemidbar 6:22). Rabbi Yitzchak opened the discussion saying, "But the steadfast love of Hashem is from everlasting to everlasting upon those who fear Him, and His righteousness to children's children" (Tehilim 103:17). How great is awe in the presence of the Holy One, blessed be He; that awe includes humility and humility includes piety. Thus whoever has fear of sin has them all. Whoever does not fear heaven has neither humility nor piety.

135. דבר אל אהרן ואל בניו לאמר כה תברכו וגו'. רבי יצחק פתח ואמר, וחסד יי' מעולם ועד עולם על יראיו וצדקתו לבני בנים. כמה גדולה היראה לפני הקודשא בריך הוא, שבכלל היראה ענוה, ובכלל הענוה חסידות. נמצא שכל מי שיש בו יראת חטא, ישנו בכלן ומי שאינו ירא שמים, אין בו לא ענוה ולא חסידות.

136. We have learned that whoever left the realm of awe but acquired humility, humility is better, and he has them all, as it is written: "The reward of humility and (is) the fear of Hashem" (Mishlei 22:4). All of them who have fear of heaven acquire humility, and everyone who has humility acquires piety. Everyone that has fear of heaven acquires all: humility, as is written: "The reward of humility is the fear of Hashem," and piety (Chesed), as is written: "But the steadfast love (Chesed) of Hashem is from everlasting to everlasting upon those who fear Him."

136. תאנא, מי שיצא מן היראה, ונתלבש בענוה, ענוה עדיף, ונכלל בכלהו. הה"ד, עקב ענוה יראת יי'. כל מי שיש בו יראת שמים, זוכה לענוה. כל מי שיש בו ענוה, זוכה לחסידות. וכל מי שיש בו יראת שמים, זוכה לכלם. לענוה, דכתיב עקב ענוה יראת יי'. לחסידות, דכתיב וחסד יי' מעולם ועד עולם על יראיו.

137. We learned that every man who has piety is referred to as the angel of Hashem, Hashem Tzevaot. This is what is meant by: "For the priest's lips should keep knowledge, and they should seek Torah at his mouth: for he is a messenger (angel) of Hashem Tzevaot" (Malachi 2:7). Rabbi Yehuda asked: Why did the priest merit to be referred to as the angel of Hashem Tzevaot? Just like the angel of Hashem Tzevaot is a priest above, IN HEAVEN, so too is a priest an angel of Hashem Tzevaot below.

138. Who is the angel of Hashem Tzevaot above? That is Michael, the great minister who emanates from Chesed above and is the high priest of the above. The high priest below is called an angel of Hashem Tzevaot, since he is come from the aspect of Chesed. What is Chesed? Mercy within mercy. Therefore, there is no priest coming from the aspect of Judgment. What is the reason that a priest merited Chesed? Because of awe. This is what is meant by: "But the steadfast love (Chesed) of Hashem is from everlasting (lit. 'world') to everlasting (world) upon those who fear Him."

139. HE ASKS: Why is it that he says "world" twice IN "FROM WORLD TO WORLD"? Rabbi Yitzchak said: It is like it was established in the holy gathering that "world" is one AND "TO world" is the second. THESE ARE THE TWO WORLDS, ZEIR ANPIN AND MALCHUT. Rabbi Chiya said: If so, it should have said, 'From the world to the world' WITH THE DEFINITE ARTICLE. He said to him: These are two worlds that returned to be one WORLD, MEANING TO SAY THAT THEY UNITE WITH EACH OTHER. THEREFORE, THERE IS NO DEFINITE ARTICLE TO EACH ONE. Rabbi Elazar said to Rabbi Yitzchak: How long will you keep your words so veiled? "From the world to the world" MEANS the inclusion of the uppermost secret, which is man above, WHO IS ZEIR ANPIN, and man below, WHO IS MALCHUT. This is WHAT IS MEANT BY: "world" and "world." It is written: "The days of old (lit. 'world')" (Yeshayah 63:9) and: 'Years of old (world)' It was already explained in the most holy gathering, THAT THEY REFER TO ZEIR ANPIN THAT IS CALLED WORLD.

140. THAT IS WHAT IS MEANT BY, "BUT THE STEADFAST LOVE OF HASHEM IS FROM WORLD TO WORLD upon those who fear Him." It is to teach that whoever is sin-fearing is called Adam. TWO WORLDS THAT ARE CALLED MAN DWELL ON HIM. When does this happen? Rabbi Elazar said: If he has awe, humility and piety, SINCE AWE is all-inclusive.

141. Rabbi Yehuda said, We learned here that Adam (man) comprises of male and female. He said to him: Certainly it is so, that he was included in Adam, since whoever was joined male and female was called man, and then he is heaven-fearing. Not only that, but humility dwells upon him and piety prevails upon him also. Whoever is not male and female, has no fear, no humility, no piety. Therefore, Adam is considered all-comprehensive. Since he is called man, Chesed prevails, as is written: "For I have said, 'The world is built by love (Chesed)...'" (Tehilim 89:3). THE WORLD cannot be built without the presence of male and female.

142. It is written: "But the steadfast love of Hashem is from world to world upon those who fear Him" since those who fear Him are the wholeness of man, MEANING BOTH MALE AND FEMALE, BECAUSE IF NOT SO, ONE IS NOT FEARFUL. Another explanation for, "But the steadfast love (Chesed) of Hashem from world to world": These are the priests that come from the side of Chesed. They inherit this portion emanating from the upper world, THAT IS ZEIR ANPIN, to the lower world, WHICH IS MALCHUT. "those who fear Him," are the priests below THAT ARE INCLUSIVE OF MALE AND FEMALE, as is written: "And make atonement for himself, and for his house" (Vayikra 16:6), WHICH IS THE FEMALE, in order to be included in the secret of man, WHO IS BOTH MALE AND FEMALE. "And His righteousness to children's children," because he merited to have grandchildren. Rabbi Yehuda said: If so, what is "His righteousness"? It needed to say 'His Chesed', SINCE THROUGH CHESED HE MERITED TO HAVE GRANDCHILDREN.

142. וכתוב וחסד יי' מעולם ועד עולם על יראיו. יראיו כללל אדם. ד"א וחסד יי' מעולם ועד עולם, אליו אינו כהני דאתו מסטרא דחסד, ואחסינו אחסנא דא דנחית מעולם דלעילא לעולם דלתתא. על יראיו, כהני דלתתא, דכתיב וכפר בעדו ובעד ביתו לאתכללל בכללל אדם. וצדקתו לבני בניו, משום דזכה לבני בניו. אמר רבי יהודה, אי הכי, מהו וצדקתו, וחסדו מבעי ליה.

14. An unmarried priest is not allowed to serve

We are told that a priest who does not have a wife is not permitted to carry out his duties because the Shechinah does not dwell in someone unmarried, and it is imperative for a priest to have the Shechinah dwell in him.

143. Rabbi Elazar said: This is the secret that we learned of "this (Heb. zot)," WHICH REFERS TO MALCHUT, "because she (zot) was taken out of man" (Bereshheet 2:23). It is also written: "She (zot) shall be called woman" (Ibid.) and zot is included in man, WHO IS ZEIR ANPIN, which is Chesed, and zot is female. Chesed is male. Therefore, the male that comes from the white side, WHICH IS CHESED, is called Chesed and "zot" is referred to as righteousness, since she comes from the side of red, THAT IS LEFT AND JUDGMENT. That is why she is called "woman (Heb. ishah)," WHICH IS DERIVED FROM FIRE (HEB. ESH) AND RIGHTEOUSNESS. That is the reason it is written: "And His righteousness TO CHILDREN'S CHILDREN" (Tehilim 103:17). IT IS NOT WRITTEN: 'AND HIS CHESED'. What is the meaning of "His righteousness"? This is the righteousness of Chesed, its spouse, for they sweeten one another, SINCE HIS RIGHTEOUSNESS INCLUDES ALSO THE MALE THAT IS CHESED. THAT IS WHY IT IS WRITTEN: "HIS RIGHTEOUSNESS." Therefore we have learned that any priest that does not have a wife is not permitted to carry out his duties, since it is written: "and make atonement for himself, and for his house" (Vayikra 16:17).

143. אמר רבי אלעזר, היינו רוא דתנינן בזאת, כי מאיש לקחה זאת. וכתוב לזאת יקרא אשה, וזאת אתכלילת באיש, דהיינו חסד, וזאת נוקבא. חסד דכר. ובגין כך דכר דאתי מסטרא דחורא דא, אקרי חסד. וזאת אתקרי צדק, דאתיא מסטר סומקא. ובגין כך אקרי אשה. והיינו דכתיב וצדקתו, מאי וצדקתו. צדקתו דחסד, בת זוגו, דאתבסמא דא בדא. ובגין כך תנינן, כל כהן שאין לו בת זוג, אסור בעבודה, דכתיב וכפר בעדו ובעד ביתו.

144. Rabbi Yitzchak said: THEREFORE, A PRIEST IS NOT PERMITTED TO DO HIS DUTIES IF HE HAS NO WIFE, since the Shechinah does not dwell in someone who is not married. It is more imperative for the priests to have the Shechinah dwelling among them than the rest of the nation. When the Shechinah rests on them, Chesed resides among them and they are considered pious men (Heb. Chassidim). They are required to bless the nation and this is what is meant by: "And Your pious ones shall bless You" (Tehilim 145:10). It is also written: "Let Your Tummin and Your Urim be with Your pious one" (Devarim 33:8). Since the priest is considered pious, he needs to bless, which is why it is written, "Speak to Aaron and to his sons, saying, In this way you shall bless" (Bemidbar 6:23). The reason is that they are considered pious and it is written, "And Your pious ones shall bless You."

144. אמר ר' יצחק, משום דלית שכינתא שריא, במאן דלא אנסיב, וכהני בעיין יתיר מכל שאר עמא, לאשרויא בהו שכינתא. וכיון דשרת בהו שכינתא, שריא בהו חסד, ואקרון חסידים. ובעיין לברכא עמא, הה"ד וחסידיך יברכוכה. וכתוב, תמיך ואוריך לאיש חסידך. ומשום דכהנא אקרי חסיד, בעי לברכא. ובגין כך כתיב, דבר אל אהרן ואל בניו לאמר כה תברכו. מאי טעמא. משום דאקרון חסידים, וכתוב וחסידיך יברכוכה.

15. "In this way you shall bless"

Rabbi Yitzchak says that the one who gives the blessing must do so with fear, with humility and with holiness. He talks about righteousness and "a great plague" that awakens judgments. The priest should give his blessings on Malchut with mercy and he should perfume her for the sake of the children of Yisrael so that no judgments will exist in her. Rabbi Yitzchak says that Daniel when he saw the vision was not afraid and he was not a prophet, and yet he was holier than the prophets. We hear Rabbi Yehuda's teaching about what happens when the priest stands up and spreads his hands for the blessing. We are told that every priest who raises his palms needs to become holier through one who is sanctified, the Levite, in order to add holiness to holiness, and that the Levite must first sanctify himself. Everyone should seek knowledge from the priest, who must know the

Torah and who is a messenger from God.

145. "In this way you shall bless the children of Yisrael, saying to them" (Bemidbar 6:23). "In this way you shall bless," namely in the holy tongue. "In this way you shall bless," NAMELY with awe. "In this way (Heb. coh) you shall bless," NAMELY with humility, SINCE MALCHUT IS CALLED "COH," WHEREIN ARE HOLINESS, AWE AND HUMILITY. Rabbi Aba said: "In this way you shall bless." We learned that this righteousness, WHICH IS MALCHUT, is called coh, since all the judgments come from coh, SINCE COH IS DERIVED FROM KEHEH (LIT. 'DARK'), NAMELY WHEN MALCHUT IS IN THE LEFT ASPECT, WHEN IT IS DIM AND DOESN'T SHINE AND ALL THE JUDGMENTS FLOW FROM HER. That is what Rabbi Elazar said - the meaning of "a great plague (Heb. makah)" (Bemidbar 11:33), is a plague of coh, as it is written: "till now (Heb. coh) you would not hear" (Shemot 7:16), as Moses threatened Pharaoh WITH THE NAME COH. In accordance with this, it is written: "In this (Heb. zot) you shall know that I am Hashem" (Ibid. 17). THAT IS, HE WAS THREATENING WITH THE NAME OF "ZOT" and all is one, SINCE MALCHUT IS CALLED BOTH "COH" AND "ZOT." It is also written: "Neither did he set his heart even to this (zot)" (Ibid. 23), which is ready to destroy his country.

146. From that coh, WHICH IS MALCHUT, Judgments are aroused. When Chesed joins with her, she is mitigated. Therefore, it is given to a priest who comes from Chesed so that this coh will be blessed and perfumed. Hence, it is written: "In this way (coh) you shall bless the children of Yisrael." THE MEANING IS that you should bless coh with this Chesed and perfume her for the sake of Yisrael, so that there will be no Judgments in her.

147. Hence, it is written: "In this way you shall bless the children of Yisrael, saying to them." "Saying" is not written in plural form, but in singular. This is for reasons of excluding. When transgressors of laws have increased it is not publicized, since they were not commanded to make known the name of "coh." That is derived from the words: "Saying (sing.) to them," "saying" in singular INSTEAD OF 'SAYING TO THEM' IN PLURAL. Another explanation for "saying (sing.)": Since it is written: "You (pl.) shall bless," why is it not also written: 'saying (pl.) TO THEM'? But Rabbi Yehuda taught, "saying to them": If they are worthy, it is "to them"; THAT IS, THE BLESSINGS REACH YISRAEL. If they are not worthy, it is simply "saying."

148. Rabbi Yitzchak opened the discussion with the verse: "And I Daniel alone saw the vision: for the men who were with me did not see the vision..." (Daniel 10:7). HE ASKS: "And I Daniel alone saw," for here we learned that he was not a prophet but there were prophets there - and who are they? They are Chagai, Zechariah and Malachi. If so, the holy become secular and here it is written: "did not see." Why should they fear then? About Daniel, it is written: "And I Daniel alone saw." Yet he is not fearful though he is not a prophet. Here the secular is holy, MEANING TO SAY THAT HE WHO IS NOT A PROPHET IS HOLIER THAN A PROPHET.

145. כֹּה תְבָרְכוּ אֶת בְּנֵי יִשְׂרָאֵל אָמֹר לָהֶם, כֹּה תְבָרְכוּ בְלִשׁוֹן הַקֹּדֶשׁ. כֹּה תְבָרְכוּ, בִּירְאָה. כֹּה תְבָרְכוּ, בְּעִנּוּה. אָמֹר ר' אַבָּא, כֹּה תְבָרְכוּ, תָּאנָא, הָאֵי צַד"ק אֶתְקָרִי כ"ה, דְּכָל דִּינִין מִתְעָרִין מִכ"ה, וְהֵינּוּ דְאָמֵר ר' אֶלְעָזָר, מֵהוּ מִכָּה רַבָּה. בְּלוֹמֵר, מִכָּה מִן כֹּה. וְכָתִיב וְהָיָה לֹא שְׁמַעְתָּ עַד כ"ה, כְּמָה דְאֶגְזִים מֹשֶׁה. וְכָתִיב בְּזֹאת תִּדְעַ כִּי אֲנִי יי, וְכָלֹא חָד, וְכָתִיב וְלֹא שָׁת לְבוֹ גַם לְזֹאת, דְּזִמְינָא לְחֻרְבָּא אֶרְעִיָה.

148. ר' יִצְחָק פִּתַּח, וְרָאִיתִי אֲנִי דְנִיָּאֵל לְבִדִּי אֶת הַמְּרָאָה וְהָאֲנָשִׁים אֲשֶׁר הָיוּ עִמִּי לֹא רָאוּ אֶת הַמְּרָאָה וְגו'. וְרָאִיתִי אֲנִי דְנִיָּאֵל לְבִדִּי. וְהָא תִנִּינָן, אִינְהוּ נְבִיאֵי, וְאִיהוּ לֹא נְבִיא, וּמֵאֵן נִינְהוּ. חֲגִי זְכָרִיָּה וּמְלָאכִי. אֵי הָכִי, אֶתְעֵבִיד קֹדֶשׁ חוּל, וְהָא כָתִיב לֹא רָאוּ, אָמְאֵי דְחִילוּ. וּבְדִנְיָאֵל כָּתִיב וְרָאִיתִי אֲנִי, וְלֹא דְחִיל. וְאִיהוּ לֹא נְבִיא, הָא חוּל קֹדֶשׁ.

149. We learned that it is written: "Though a host should camp against me, my heart shall not fear: though war should rise against me, even then I will be confident (lit. 'trust in zot')" (Tehilim 27:3) Here "zot" is precisely what we said, THAT IT IS MALCHUT. "Zot" was his portion and his lot, to become stronger and do vengeance. We learned that the Holy One, blessed be He, made David into a holy Chariot with the Patriarchs, AND HE RECEIVED the uppermost of all holy crowns that the patriarchs bequeathed to him. We have further learned that that kingdom was inherited by David and his sons thereafter. In the place of the uppermost Malchut, he was strengthened. He and his sons inherited this kingdom, from which their dominion was not removed for many generations.

150. We have learned that when the Sfirah of Malchut was roused for the sons of David, no one was able to oppose them. THAT IS WHAT IS MEANT BY: "And I Daniel alone saw the vision," WHICH IS MALCHUT REFERRED TO BY "THE VISION," since he was from the offspring of David, as is written: "Now, among these were the children of Judah: Daniel, Hananiah..." (Daniel 1:6). THEREFORE, he saw and rejoiced in it, since it pertained to the lot and inheritance of his ancestor, DAVID. Since it was his, he was able to bear IT AND WAS NOT FEARFUL, while the others could not endure AND WERE AFRAID. EVEN IF THEY DID NOT SEE, THEY DID PERCEIVE THEIR FORTUNE, as Rabbi Shimon said: During the period that "coh" is roused along with her Judgments, the inhabitants of the world could not resist it.

151. BUT when the priests spread their hands that stem from Chesed, upper Chesed awakens and bonds with this coh, which is perfumed and blessed with the shining faces of the children of Yisrael. The Judgments are removed from them, as is written: "In this way you shall bless the children of Yisrael" and not the rest of the nations.

152. It is therefore a priest THAT GIVES THE BLESSINGS and nobody else. It is the priest in order to awaken through him his own Sfirah of Chesed, because he is called pious (Heb. chasid), as is written: "with Your pious one" (Devarim 33:8) and he comes from the side of Chesed. It is written: "And Your pious ones shall bless You (Heb. yevarchuchah)" (Tehilim 145:10). Do not pronounce it "shall bless you," but rather "shall bless (Heb. yevarchu) coh" with the ineffable Name. 'Thus (coh) you shall bless', in the holy tongue.

153. We learned that Rabbi Yehuda said: During the time the priest below rises and spreads his hands, all the holy Sfirot above are awakening. They are getting ready to be blessed and illuminate from the depth of the well THAT IS BINAH, which flows to them from that depth that flows continuously. The blessings that flow do not cease; they BECOME springs to all the worlds, which are blessed and watered from them all.

154. We also learned that during that time, WHEN THE PRIESTS RAISE THEIR HANDS, secrecy and silence prevail in all the worlds, SIMILAR to a king that wishes to be engaged to his queen and approaches her secretly. All his servants awaken excitedly during that time and whisper to each other: Behold the king comes to join with the queen. Who is that queen? That is the Congregation of Yisrael. Who is the Congregation of Yisrael? It is a Congregation of Yisrael; THAT IS, MALCHUT.

155. We learned that Rabbi Yitzchak said: The priest is required to raise his right HAND over the left, as is written: "And Aaron lifted up his hands (Heb. yadav) toward the people, and blessed them" (Vayikra 9:22). "Yadav" is spelled without Yud, the mark of plural. That is due to the preference of the right HAND over the left. Rabbi Elazar said: That is a secret, since it is written: "And he shall rule over you" (Beresheet 3:16). THE MALE, WHICH IS RIGHT, SHALL DOMINATE OVER THE FEMALE, WHICH IS THE LEFT.

156. We learned that a priest who wishes to raise his palms, holiness should be added to his holiness, THAT IS, he should sanctify his hands by a holy hand. What is the holy hand? It is the Levite that the priest need to accept holiness of water from his hands, as is written that you shall sanctify the Levites. It is written of the Levites: "And your brethren also of the tribe of Levi, THE TRIBE OF YOUR FATHER..." (Bemidbar 18:2), SO THAT THEY ARE included in the tribe of your father. From here we understand that every priest who raises his palms requires to be sanctified through one who is already sanctified, in order to add holiness upon his holiness. Therefore, he must not receive the sanctity of water from another person who is not holy.

157. We learned in 'Safra Det'zniuta (the Concealed Book) - that the Levite, through whom the priest is sanctified, must first sanctify himself. HE ASKS: Why through a Levite, instead of through another priest, AND HE REPLIES: Another priest has no such need TO SANCTIFY HIS FELLOW PRIEST, SINCE HE COULD BE an imperfect priest himself WHO IS NOT PERMITTED TO PERFORM PRIESTLY DUTIES. A perfect priest has no need to be flawed by a flawed priest who is imperfect. However, a Levite who is perfect, and is worthy to ascend the platform and do the duties of the Tent of Meeting, is considered perfect and is referred to as holy, as is written that you shall sanctify the Levites. Rabbi Tanchum said: He is also called pure, as is written: "And cleanse them" (Bemidbar 8:6). Therefore, a priest needs to add holiness upon his holiness BY BEING INCLUDED OF A LEVITE ALSO, SINCE THE ASPECT OF PURIFICATION APPLIES ONLY TO THE LEVITE.

158. We learned that the priest who raises his palms needs to avoid having his fingers touching one another, so the holy Sfirot shall be blessed individually, as is proper for it. The Holy Name needs to be defined in letters inscribed so they are not mixed with each other. And he should pay attention to these matters.

159. Rabbi Yitzchak said: The Holy One, blessed be He, wished to have the upper grades blessed so the lower grades be blessed, SINCE AFTER THE UPPER SFIROT ARE FILLED WITH ABUNDANCE OF BLESSINGS, THEY BLESS THE LOWER GRADES. Let the upper grades who are holy with the highest degree of holiness be blessed through the lower grades who are holy with the highest degree of holiness and are holier than any that are holy below, MEANING THE PRIESTS, as it is written: "And Your pious ones shall bless You" (Tehilim 145:10).

160. Rabbi Yehuda said: Every priest that does not know this secret, nor to whom he gives his blessing, nor what the blessing is that he makes, his blessing is not considered a blessing. This is the meaning of: "For the priest's lips should keep knowledge, and they should seek Torah at his mouth: for he is a messenger of Hashem Tzevaot" (Malachi 2:7). What is knowledge? It is simply Da'at (lit. 'knowledge'), MEANING THE SFIRAH OF DA'AT THAT COMBINES CHOCHMAH AND BINAH. "And they should seek Torah at his mouth": The upper beings will seek at his mouth. What will they seek at his mouth? Torah, meaning Torah in general, WHICH IS ZEIR ANPIN THAT THEY WILL INQUIRE OF HIM TO KNOW how the Torah above is unified, which is called Torah in general, since we learned that the written Torah and the oral Torah are the supernal crowns that are so called, MEANING IN ZEIR ANPIN CALLED THE WRITTEN TORAH, AND IN MALCHUT CALLED THE ORAL TORAH. What is the reason THAT HE KNOWS ALL THAT? THE VERSE CONCLUDES: "For he is a messenger of Hashem Tzevaot." We have learned that the priest must meditate on these matters above to unify the Holy Name as is required.

16. "Saying to them"

Rabbi Shimon says that the Hidden Book tells us that the Holy Name is both revealed and concealed. Rabbi Yehuda talks about the secret of the name of 22 letters that is referred to in the priestly benediction. Rabbi Elazar explains to Rabbi Yosi that God called Yisrael man and beast; if they are deserving they are a man in the image of the above, and if they are not deserving they are referred to as beasts, and yet they all get blessed simultaneously. No blessings are available below until they are first available above. Rabbi Aba concludes by saying that the blessings are of mercy contained within mercy, as there is no judgment in the 22 letters of the Holy Name.

161. Rabbi Shimon said: We learned in Safra Det'zniuta (the Concealed Book) that the Holy Name is both revealed and concealed. The revealed one is spelled Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph. The concealed one is spelled by other letters, and that which is concealed is the most hidden. Rabbi Yehuda said: Even the one that is revealed is concealed by other letters, due to the most hidden one inside it.

162. Here the priest is required to permute the Holy Name and bring down mercy, since everything is contained in the articulating of the 22 letters, the crowns of mercy, THE SECRET OF THE NAME OF 22 LETTERS - ALEPH NUN KUF TAV MEM... - THAT IS REFERRED TO IN THE PRIESTLY BENEDICTION. In the letters of this name are concealed the 22 attributes of mercy, WHICH ARE the thirteen CORRECTIONS OF THE BEARD of Atika, the most concealed and hidden, and the nine CORRECTIONS OF THE BEARD that were revealed from Zeir Anpin, AS NINE AND THIRTEEN EQUAL 22. All THE 22 ATTRIBUTES OF MERCY join in one permutation of the Name, on which the priest used to meditate when he raised his hands, with 22 engraved letters - MEANING THE NAME OF 22, ALEPH NUN KUF TAV MEM...

159. א"ר יצחק, בעי קודשא בריך הוא דיתברכו עלאי, בגין דיתברכו תתאי, ויתברכו עלאי דאינון קדישין בקדושה עלאה, על ידא דתתאי, דאינון קדישין בקדושה עלאה, דאינון קדישין מכל קדישין דלתתא, דכתיב וחסידך יברכוכה.

160. א"ר יהודה, כל כהן דלא ידע רזא דא, ולמאן מברך, ומאן היא ברכתא דמברך, לאו ברכתא דיליה ברכתא, והיינו דכתיב, כי שפתי כהן ישמרו דעת ותורה יבקשו מפיהו. מאי דעת. דעת סתם. ותורה יבקשו מפיהו, עלאין, יבקשו מפיהו. ומאי יבקשו מפיהו. תורה. תורה סתם, היך אחידא תורה דלעילא דאקרי תורה סתם. דתניא, תורה שבכתב ותורה שבע"פ באינון כתרין עלאין דאתקרון הכי. מ"ט. כי מלאך יי' צבאות הוא. ותניא, דבעי כהנא לכוונא באינון מלין דלעילא, ליוחדא שמא קדישא כמה דאצטריך.

163. We learned that when modesty prevailed in the world, this name OF 22 LETTERS was revealed to all, but when impudence became more prevalent in the world, it was concealed along with its letters. During the time the name was revealed, the priest meditated and the name became explicit AND REVEALED. What was he meditating on? He was meditating on the concealed, hidden and covered, AND THE NAME would be revealed and become explicit. When impudence flourished in the world, everything was concealed in engraved letters, MEANING IN THE 22 LETTERS.

163. וְתַנְא, כִּד הוּה צְנִיעוּתָא בְעֵלְמָא, הוּה מְתַגְלִיָּיא שְׁמָא דָא לְכֻלָּא. מְדַאֲסֵי חֲצִיפוּתָא בְעֵלְמָא, סְתִים בְּאֲתוּוֹי. דְּכִד הוּה מְתַגְלִיָּיא. כְּהִנָּא מְכוּיָן, וְשְׁמָא מִתְפָּרֵשׁ. בְּמַאי מְכוּיָן. מְכוּיָן בְּסִתְיָמָא דְטָמִיר וְגַנְיָז, וּמְתַגְלִיָּיא וּמִתְפָּרֵשׁ. מְדַאֲסֵי חֲצִיפוּתָא בְעֵלְמָא, סְתִים כֻּלָּא בְּאֲתוּוֹן רְשִׁימִין.

164. Come and see that Moses twice recited all these 22 attributes of mercy. In the first instance, he said the thirteen attributes of the most ancient, who is the most hidden - THAT IS ARICH ANPIN - to lower them to where the Judgment was prevalent - THAT IS ZEIR ANPIN - to subdue the Judgments. THAT IS THE SECRET OF THE THIRTEEN MEASURES OF MERCY THAT HE SAID IN THE PORTION OF KI TISA: "EL, MERCIFUL AND GRACIOUS" (SHEMOT 34:6). The second time, he said the nine attributes of mercy, which ARE INCLUDED IN ZEIR ANPIN AND are illuminating from the most concealed Atika. THEY ARE THE ONES MENTIONED IN THE PORTION OF SHELACH "LONG-SUFFERING, AND GREAT IN LOVE..." (BEMIDBAR 14:18). The priest incorporates all of them when he raises his hands to bless the nation, so that all worlds are blessed by the side of Mercy that flows from the most hidden and concealed Atika. All 22 letters IN THE NAME THAT COMES OUT FROM THE PRIESTLY BENEDICTION - ALEPH NUN KUF TAV MEM... - are hidden attributes, WHICH ARE THE 22 MEASURES OF MERCY.

164. וּת"ח, דְּכֻל הָיִי כ"ב מְכִילָן דְּרַחֲמֵי, מֹשֶׁה אֲמַרְן בְּתַרֵּי זְמַנֵּי. זְמַנָּא קְדָמָאָה אָמַר, י"ג מְכִילָן דְּעֵתִיקָא דְּעֵתִיקִין סְתִימָא דְּכֻלָּא, לְנַחְתָּא אֵלִין לְאַתֵּר דְּדִינָא אֲשֶׁתְּכַח, לְאַכְפִּיא לְהוּ. זְמַנָּא תְּנִינָא, אָמַר ט' מְכִילָן דְּרַחֲמֵי, דְּכֻלִּילָן בְּזַעִיר אַנְפִּין, וְנִהִירִין מֵעֵתִיקָא סְתִימָאָה דְּכֻלָּא. וְכֻלְהוּ כֻלִּיל כְּהִנָּא כִּד פְּרִיס יְרוּי לְבִרְכָא עֲמָא, וּמִשְׁתַּכְּחִין דְּמִתְבָּרְכִין כֻּלְהוּ עֲלֵמִין בְּסִטְרָא דְּרַחֲמֵי, דְּאֲתַמְשְׁכִין מֵעֵתִיקָא טָמִירָא סְתִימָאָה דְּכֻלָּא. וְכֻל הָיִי כ"ב אֲתוּוֹן, מְכִילָן סְתִימָאָן.

165. IN THE THREE WORDS: "Hashem bless you, and keep you" (Bemidbar 6:24), THERE ARE FIFTEEN LETTERS because of these three verses IN THE PRIESTLY BENEDICTION and the three names. AS IN EACH VERSE, THERE IS ONE NAME OF YUD HEI VAV HEI - WHICH ARE twelve letters, SINCE IN EACH NAME ARE FOUR LETTERS AND THREE TIMES FOUR EQUAL TWELVE. WITH THE THREE VERSES, THEY EQUAL FIFTEEN, which are correspondingly comprised IN THE FIFTEEN LETTERS OF: "HASHEM BLESS YOU, AND KEEP YOU." The priest has to meditate on all those, and all the higher and lower beings are perfumed with the 22 letters. THAT IS IN THE NAME OF THE 22 LETTES that are concealed in these three verses OF THE PRIESTLY BENEDICTION, which correspond to the all-inclusive 22 measures of mercy. Therefore, it is written: "saying TO THEM" in singular instead of the plural, as we have explained. "Saying" means that it is required to meditate on all these concealed secrets in all these levels; "saying" refers to the concealed matters of above and "saying" equals the number of 248 body parts in a person minus one, WHOSE SECRET WAS EXPLAINED ABOVE. What is the reason ONE IS MISSING? Because all 248 come out of the one UPPERMOST, WHICH IS ARICH ANPIN. Everything is blessed with this benediction in the three verses, as we have said. IN THE VERSE "SAYING TO THEM," "to them" is in order to include in this benediction the upper and lower beings.

165. יְבָרְכֶךָ יי' וְיִשְׁמְרֶכָּךְ, אֵלִין תְּלַת קְרָאֵי, וְג' שְׁמֵהוּן דְּתַרִּיסָר אֲתוּוֹן כֻּלִּילָן לְקַבְלִיהוּן, וּבְכֻלָּא אֲתַבּוּוֹן כְּהִנָּא. וְכֻל עֲלָאֵי וְתַתָּאֵי מִתְבַּסְמִין בְּכ"ב אֲתוּוֹן, דְּסִתְיָמִין בְּהָיִי ג' קְרָאֵי, לְקַבִּיל כ"ב מְכִילָן דְּרַחֲמֵי דְּכֻלִּיל כֻּלָּא. וּבג"כ כְּתִיב אָמֹר, וְלֹא אָמַרְוּ, כְּמָה דְּאוּקִימָנָא. אָמֹר. דְּבַעֵי לְכוּנָא בְּכֻל הָיִי סְתִימִין, בְּכֻל הָיִי דְּרִגִין. אָמֹר: בְּמֵלִין סְתִימִין דְּלַעִילָא. אָמֹר: חוּשְׁבֵן רמ"ח אַבְרִין דְּבְאָדָם חֶסֶר חַד. מ"ט. דְּבַחַד תְּלִיין כֻּלְהוּ. וְכֻלְהוּ מִתְבָּרְכָן בְּהָאֵי בְּרִכְתָּא, בְּהָיִי תְּלַת קְרָאֵי, כְּדַאֲמַרְן. לְהֵם: לְאַתְכַּלְלָא בְּהָאֵי בְּרִכְתָּא עֲלָאֵין וְתַתָּאֵין.

166. We learned that Rabbi Yosi said: One day I sat before Rabbi Elazar the son of Rabbi Shimon. I asked him, Rabbi, why did David see fit to say: "Hashem, You preserve man and beast" (Tehilim 36:7)? Man befits nicely, but why a beast? He said to me: You asked properly. Everything accords WITH PRESERVATION. If people are worthy, THEY ARE PRESERVED like humans. If they are not worthy, THEY ARE PRESERVED like beasts.

166. תַּנְא, א"ר יוֹסֵי, יוֹמָא חַד יְתִיבְנָא קַמֵּיהּ דְּר"א ב"ר שְׁמַעוֹן, שְׁאִילְנָא לֵיהּ, אֲמִינָא, רַבִּי מַאי קָא חָמָא דוֹד דְּקָאֲמַר אָדָם וּבְהֵמָה תּוֹשִׁיעַ יי', אָדָם תִּינַח, בְּהֵמָה לָמָה. א"ל יוֹת שְׁאֵלְתָּ, כֻּלָּא בְּמַנְיָנָא הוּא, זְכוּ אָדָם, לֹא זְכוּ בְּהֵמָה.

167. I said: My teacher, I wish to know the secret of this matter. He said to me: Everything has been said, BOTH THE ESOTERIC AND THE LITERAL MEANING. Come and see: The Holy One, blessed be He, called Yisrael man, in the likeness of the higher, WHICH IS ZEIR ANPIN, and also called them beast. And it is all in one verse, as is written: "But you, My flock, the flock of My pasture, are men" (Yechezkel 34:31). "But you, My flock, the flock of My pasture": Here HE REFERS TO THEM IN THE NAME OF beast. "Are man": Here HE REFERS TO THEM AS man. For Yisrael is referred to as both man and beast. Therefore, "Hashem, You preserve man and beast." Another secret lies within the matter: if they have merit, they are a man in the image of the above. If they do not have merit, they are referred to as beasts. They are all blessed simultaneously, both man above - THE SECRET OF ZEIR ANPIN, THAT YUD HEI VAV HEI FULLY SPELLED WITH ALEPHS, WHICH NUMERICALLY AMOUNTS TO "MAN" - and the beast below - THE SECRET OF MALCHUT THAT IS YUD HEI VAV HEI, FULLY SPELLED WITH HEI'S AND NUMERICALLY EQUALING TO "BEAST." There is everything among Yisrael, SINCE ALSO AMONG YISRAEL THERE ARE THE TWO LEVELS, MAN AND BEAST, MEANING THE SOULS THAT ARE DRAWN FROM ZEIR ANPIN AND THOSE SOULS THAT ARE DRAWN FROM MALCHUT. This is why it says: "Hashem, You preserve man and beast."

168. Come and see that no blessing is available below until it is available above FIRST. When it is present above, it is also present down below. All this depends upon ABOVE BOTH for good and for bad. For good, as it is written: "I will answer the heavens, and they will answer the earth" (Hoshea 2:23). For bad, as it is written: "That Hashem shall punish the host of the high ones on high, and the kings of the earth upon the earth" (Yeshayah 24:21).

169. Rabbi Yehuda said: Therefore it is simply written: "Saying to them," unspecified, WHICH INDICATES that the upper grades and lower grades should be blessed all together. It is written at first: "In this way you shall bless" (Bemidbar 6:23), and thereafter "the children of Yisrael, saying to them" (Ibid.), in a general way. IT IS NOT SPECIFICALLY WRITTEN: 'SAYING TO YISRAEL', WHICH MEANS that they should be blessed together, BOTH UPPER AND LOWER GRADES. "Hashem bless you" (Ibid. 24) above, and "and keep you" (Ibid.) below, "Hashem make His face shine" (Ibid. 25) above and "and be gracious to you" (Ibid.) below, "Hashem lift up His countenance" (Ibid. 26) above, and "and give you peace" (Ibid.) below.

170. Rabbi Aba said: All are blessed together with 22 engraved letters of the Holy Name that is included and concealed here, IN THE PRIESTSLY BENEDICTION. IN THE NAME OF the 22 letters, everything is blessed. They are of Mercy within Mercy, as there is no Judgment in them. HE ASKS: Yet not so, for it is written: "Hashem lift up His countenance to you" AND "LIFT UP" INDICATES JUDGMENT. Rabbi Aba said: "Lift up" MEANS He shall remove and cause to pass away, so there shall be no Judgment at all.

17. When the priest raises his hands

Rabbi Yosi tells us that people should not look at the hands of the priest when he raises his hands in blessing because, although they can not see the Shechinah that dwells there, they need to be in awe and so they should not be disrespectful of the Shechinah. Compassion prevails in all the worlds during the time of blessing.

171. We learned that Rabbi Yosi said: when the priest raises his hands, the people must not look at him, since the Shechinah rests on his hands. Rabbi Yitzchak said: Even so, if they cannot see, what harm is there for them? It is because it is written: "For no man shall see Me, and live" (Shemot 33:20). It is only during their lifetime that they cannot see. At their death, they do see. He told him: It is because the Holy Name is alluded to in the fingers of their hands, and a person should have awe. Although they cannot see the Shechinah, they should not look at the hands of the priests, so the people should not be impudent towards the Shechinah.

171. תָּאנָא, אָמַר רַבִּי יוֹסִי, בְּשַׁעֲתָא דְכֹהֵנָא פְּרִיס יְדוּי, אָסִיר לִיהּ לְעַמָּא לְאַסְתַּבְּלָא בֵּיהּ, מְשׁוּם דְשְׂכִינְתָא שְׂרִיא בִּידוּי. א"ר יִצְחָק, אִי הָכִי, בֵּינָן דְלֹא חֲמָאן מַה אֲכַפֵּת לְהוּ, דְהָא כְּתִיב כִּי לֹא יִרְאֲנוּ הָאָדָם וְחִי, בַּחַיִּיהוֹן לֹא חֲמָאן, אָבֵל בְּמִיתְתֵּיהוֹן חֲמָאן. א"ל, מְשׁוּם דְשָׂמָא קְדִישָׁא רְמִיזָא בְּאַצְבָּעֵן יְדוּי, וּבְעֵי ב"נ לְדַחֲלָא, אַע"ג דְלֹא חֲמָאן שְׂכִינְתָא, לֹא בְעָאן לְאַסְתַּבְּלָא בִּידֵיהוּ דְכֹהֲנֵי, בְּגִין דְלֹא יִשְׁתַּכְּחוּן עַמָּא חֲצִיפָאן לְגַבֵּי שְׂכִינְתָא.

172. We learned that when the priest raises his palms, the people must sit in awe and fear, and know that at that time a time of goodwill prevails throughout the worlds, the upper and lower beings are blessed and there is no Judgment among them all. That is the time when the concealed most ancient Atik is revealed in Zeir Anpin and peace prevails in all THE WORLDS.

172. תָּאנָא, בְּהֵיא שַׁעֲתָא דְכֹהֵנָא פְּרִיס יְדוּי, צְרִיכִין עַמָּא לְמִיתַב בְּדַחֲלוֹ, בְּאִימְתָא, וְלִינְדַע דְהֵיא שַׁעֲתָא, עֵידָן רַעוּתָא אֲשַׁתְּכַח בְּכֹלְהוּ עֲלָמִין, וּמְתַבְּרָן עֲלָאִין וְתַתְּאִין, וְלִית דִּינָא בְּכֹלְהוּ. וְהוּא שַׁעֲתָא, דְאַתְגְּלִי סְתִימָא עֲתִיקָא דְעֲתִיקִין בְּזַעִיר אַנְפִּין וְאֲשַׁתְּכַח שְׁלָמָא בְּכֹלְא.

173a. Rabbi Shimon said: In the beginning of these three verses, THERE IS Yud, Yud, Yud, meaning the Yud of Yevarechecha (lit. 'bless you'), Yud of Ya'er (lit. 'shine upon') and Yud of Yisa (lit. 'lift up'). They are all SPELLED WITH THIS LETTER to show the perfect Faith, so that whoever needs TO BE BLESSED will be blessed from Atika, WHICH IS THE SECRET OF YUD OF YUD HEI VAV HEI. Yud, Yud, Yud APPEAR THREE TIMES, so that Zeir Anpin shall be blessed from the most Ancient AND THE THREE YUDS CORRESPOND TO THE THREE COLUMNS, AS "BLESS YOU" IS THE RIGHT COLUMN, "SHINE UPON" IS THE LEFT COLUMN AND "LIFT UP" IS THE CENTRAL COLUMN. Therefore, "Hashem bless you" IS ABOVE FOR ZEIR ANPIN, SO IT SHOULD RECEIVE FROM ATIKA, "And keep you" is below FOR YISRAEL, and so on all of them.

173(1). אָמַר רַבִּי שִׁמְעוֹן, בְּהִנֵּי תַלְת קְרָאִי רִישֵׁיהוֹן יו"ד יו"ד יו"ד, וְ"בְרַכְךָ יי" אַר יי" שָׂא. כֹּלְהוּ לְאַחְזָא מְהִימְנוּתָא שְׁלִימָא. וְלְאַתְבְּרָא מַעֲתִיקָא מֵאֵן דְאַצְטְרִיךְ. יו"ד יו"ד יו"ד, לְאַתְבְּרָא זַעִיר אַנְפִּין מַעֲתִיקָא דְכֹלְא. וּבג"כ יְבַרְכְךָ יי" לְעִילָא, וְיִשְׁמַרְךָ הוּא לְתַתָּא, וְכֵן כֹּלְהוּ.

173b. The Tanna learned before Rabbi Shimon that whoever is distressed in his dream shall come when the priests spread out their hands, and say: Master of the universe, I am Yours and my dreams are Yours. What is the reason? It is because compassion prevails in all the worlds at that time. Whoever will put forth his prayers about his distress, Judgment will turn into Mercy for him.

173(2). וְתַאנֵּי תְנָא קַמִּיה דְר"ש, הָאִי מֵאֵן דְמַצְעֵר בְּחֻלְמִיה, לִיתֵי בְשַׁעֲתָא דְכֹהֲנֵי פְּרִסֵי יְדֵיהוּ, וְלִימָא רַבש"ע אָנִי שְׁלָךְ וְחֻלּוּמוֹתֵי שְׁלָךְ וְכו'. אָמַאי. מְשׁוּם דְהֵיא שַׁעֲתָא אֲשַׁתְּכַחוּ רַחֲמֵי בְעֲלָמִין כֹּלְהוּ, וּמֵאֵן דִּיבְעֵי צְלוּתִיה בְּצַעְרִיה, אַתְהַפֵּךְ לִיהּ דִּינָא לְרַחֲמֵי.

18. The priestly benediction

We are told about the inner significance of the spreading of the fingers of the priest during the blessing. The children of Yisrael are blessed from the Holy Name of God.

Ra'aya Meheimna (the Faithful Shepherd)

174. It is a commandment that the priest shall bless the people every day by raised fingers and make a daily benediction, so that blessings will prevail above and below, since these fingers are in the uppermost secret, five within five, five of the right and five of the left. The five of the right have more importance than those of the left, since the right is more important than the left. Therefore, during the benediction with which the priest blesses the people, he needs to raise the right hand higher than the left and observe THE BLESSINGS with a good eye.

175. When the priest spreads his hands, the Shechinah rests on his fingers, since the Holy One, blessed be He, agrees with the priest with these benedictions. Yisrael are blessed from both sides, from above and from below. From above, it is from the Shechinah that rests on his fingers AND FROM BELOW, IT IS from the priest that blesses.

176. Come and see, the things that are done BELOW awaken CORRESPONDING matters above. Similarly, with the spreading of the fingers of the priest below, the Shechinah awakens to come and rest on them. Also there are various things in the world that inspire matters above, since another power is awakened above with the awakening below. We have already explained this in several places. That is the reason of TAKING the Lulav and the reason of BLOWING the Shofar. Just as in this matter there are ten fingers, the Shechinah is inspired to rest on them and another ten levels are inspired above - WHICH ARE THE TEN SFIROT OF ZEIR ANPIN - to illuminate. And all this is simultaneous.

177. Therefore, a person is not permitted to raise his fingers in vain, except during prayer and benedictions and in the name of the Holy One, blessed be He. We have already explained that RAISING THE FINGERS IS arousing the Holy Name and the secret of the Faith. The raising of the fingers appoint by their uprightness ten rulers. SINCE THE FINGERS ALLUDE TO THE REVELATION OF CHOCHMAH, IT IS WRITTEN: "WISDOM STRENGTHENS THE WISE MAN MORE THAN TEN RULERS" (KOHLELET 7:19). We explained this, and the priest is required to give his benediction with a proper attitude, with the acknowledging of the Shechinah, as we learned.

178. When the benediction leaves the mouth of the priest, these sixty letters THAT OCCUR IN THE PRIEST'S BENEDICTION go out and fly in the firmament and appoint sixty ministers over each individual letter. They all acknowledge all these blessings. What is the reason that there are sixty letters in these benedictions? It is because Yisrael are six hundred thousand and, they always live in the world based on the secret of six hundred thousands. Each and every one OF THE LETTERS IN THE BENEDICTIONS is a ten thousand. THEREFORE, THEY CORRESPOND TO THE SIX HUNDRED THOUSANDS OF YISRAEL.

179. The Holy Name that is pronounced BY THE PRIEST'S BENEDECTION rises to that throne above, WHICH IS BINAH, and the lower Shechinah, WHICH IS MALCHUT, acknowledge AND AGREE with the priest on these blessings. And all these sixty ministers IN CHARGE OVER EACH AND EVERY LETTER, AS MENTIONED ABOVE, ARE BLESSED. Therefore, it is written: "And they shall put My name upon the children of Yisrael; and I will bless them" (Bemidbar 6:27). Then the Holy One, blessed be He, blesses Yisrael.

180. The following commandment is the benediction of the priests. "Hashem bless you...Hashem make His face shine... Hashem lift up": The source of these three names is Yud-Vav-Dalet, Hei-Yud, Vav-Aleph-Vav, Hei Yud. Sanctification is Eheyeh, Eheyeh, Eheyeh, whose source is Yud Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph. The connection of both, the uniting of both, is Adonai, which contains Aleph-Yud. A fourth Aleph-Yud is alluded to from the two names that are made explicit in them.
End of Ra'aya Meheimna

19. "And they shall put My name"

Rabbi Yehuda says that any priest who the people do not love should not bless them, for he must love the people and they must love him. The rabbis talk about the evil eye and the good eye, and how important it is to bless with a good eye. Rabbi Yehuda said that God swore He would not enter into celestial Jerusalem until the children of Yisrael entered terrestrial Jerusalem during the redemption.

181. HE ASKS, What is the meaning of: "And they shall put My name" (Bemidbar 6:27)? Rabbi Yehuda said THAT THE EXPLANATION IS to establish it, as is written: "And appoint them every one to his service and to his burden" (Bemidbar 4:19), MEANING THAT THE PRIESTS should appoint with their benediction the Sfirot of the right to the right and the Sfirot of the left to the left, as is proper. They must make no mistakes in them and appoint everything so the upper and lower beings will be blessed.

182. If they do it that way, it is written: "And I will bless them." Whom? MEANING those priests, as it is written: "And blessed be those that bless you" (Beresheet 27:29). It is written: "And I will bless them that bless you" (Beresheet 12:3). They bless the people and I will bless them, WHO BLESS. Therefore, it is written: "And they shall put" instead of: 'They shall say' or 'they shall remember'.

183. We have learned that any priest the people do not love should not raise his palms. There was a story about a priest who did stand up and raise his palms. Before he could finish this, he was turned into a pile of bones. What is the reason? That he did not bless lovingly. Another PRIEST stood up and raised his hands and blessed and corrected that day. Any priest that does not love the people, or whom the people do not love, should not raise his hands to bless the people, since it is written: "He that has a generous eye shall be blessed" (Mishlei 22:9). Do not pronounce it "blessed," but rather 'will bless'.

184. We have learned that Rabbi Yitzchak said: Come and see what is meant by of that wicked Bilaam. When he gave himself to bless the children of Yisrael, he looked with the evil eye so that the blessing would not endure. And he was imbuing his sayings with that evil eye, as is written: "The speech of Bilaam the son of Beor" (Bemidbar 24:3). What is the meaning of "the son of Beor"? It means the one that hated them more than anyone else in the world, SINCE BEOR IS DERIVED FROM HATRED. "And the speech of the man whose eye is open (Heb. stum)" (Ibid.), MEANING that he closed (Heb. satam) his good eye from them, in order that they would not get blessed and the blessing would not endure.

185. Rabbi Yehuda said: It is certainly so that we find the opening of the eye as a prerequisite for giving blessings, as is written: "Open your eyes" (Daniel 9:18), in order to bless. In the blessings of Rabbi Hamnuna Saba (the elder), that is how he used to say: The Holy One, blessed be He, shall open His eyes upon you. About that wicked one, it is written: "Whose eye is open (also: 'closed')." That was in order that they should not get blessed through him. Rabbi Yitzchak said: Therefore, the priest that blesses with a good eye, his blessing endures. Of the one that does not bless with a good eye, it is written: "Do not eat the bread of him who has an evil eye, nor desire his dainties" (Mishlei 23:6), meaning to say, do not wish to have any blessing from him at all.

186. Rabbi Yosi said, Come and see that it is written: "But Hashem your Elohim would not hearken to Bilaam..." (Devarim 23:6). HE ASKS: "Hearken to Bilaam"? It should have said, 'to Balak', since Balak did everything. What then is the meaning of: "to Bilaam"? HE REPLIES: It is only because he was closing his eyes in order that Yisrael should not get the blessings. We learned that Rabbi Yosi said: The Holy One, blessed be He, said to Bilaam, 'Wicked one, you closed your eyes in order that My children should not be blessed. I'll open My eyes and all the things you say, I'll convert to blessings.' This is what is meant by: "But Hashem your Elohim turned the curse into a blessing unto you, because Hashem your Elohim loved you..." (Ibid.).

187. About this, it is written: "He that has a generous eye shall be blessed; for he gives of his bread to the poor" (Mishlei 22:9). What is the meaning of: "of his bread"? It is as we explained that is written: "The bread of his Elohim...of the most holy..." (Vayikra 21:22). It is that the bread of his Elohim emanates from the Holy of Holies "for he gives of his bread to the poor." We learned how beloved Yisrael are before the Holy One, blessed be He, that the ones above only get blessed for the sake of Yisrael.

188. We learned that, in the name of Rabbi Chiya in the name of Rabbi Yosi, Rabbi Yehuda said: The Holy One, blessed be He, swore that He would not enter into celestial Jerusalem, WHICH IS THE SECRET OF THE COMPLETE UNION OF YUD HEI, until Yisrael entered terrestrial Jerusalem. MEANING UNTIL THE COMPLETE REDEMPTION, as it says: "The Holy One in the midst of you: and I will not come as an enemy (also: 'enter the city')" (Hoshea 11:9). As long as the Shechinah was in exile, the name above was not perfected, and it is as though the Holy Name remains wanting for the entire duration that all the corrections have not been carried out, MEANING, PRIOR TO THE END OF CORRECTION.

189. Rabbi Aba was going to Lod. Rabbi Zira, the son of Rav, met him. He said to him, Here I saw the face of the Shechinah, and whoever sees the face of the Shechinah needs to follow and run after her. That is what is meant by: "Let us therefore know, let us follow on to know Hashem" (Hoshea 6:3). It is written: "And many people shall go and say, 'Come, and let us go up to the mountain of Hashem...for out of Zion shall go forth Torah...'" (Yeshayah 2:3). I wish to follow you and learn from these good things that you taste daily from the holy chamber OF RABBI SHIMON BAR YOCHAI.

20. "And he counted it to Him for righteousness"

We learn that God told Abram not to believe in the astrological signs that said he would be childless, for his name would be changed to Abraham and he would produce many offspring; Abram considered Malchut to be of mercy rather than judgment and this allowed him to have children.

190. What is the meaning of the verse: "And he believed in Hashem; and He counted it (her) to Him for righteousness" (Beresheet 15:6). Is the meaning that the Holy One, blessed be He, counted it for Abraham for righteousness? Or Abraham to the Holy One, blessed be He? My mind was not quiet about it. He told him: That is the way we explained it yet it was not so. Come and see: It says "counted her." It is not written: 'counted it', but rather "counted her," WITH A FEMININE SUFFIX, INDICATING that definitely Abraham considered it for the Holy One, blessed be He. Since we have learned that the verse: "And He brought him outside" (Ibid.) was explained that the Holy One, blessed be He, told him, 'Leave your astrology', SINCE ABRAM WAS SEEING THROUGH HIS ASTROLOGICAL OBSERVATIONS, THAT HE WOULD NOT BEGET A CHILD. 'That is not the way to know My name. You see and I see. Abram will not beget BUT Abraham will beget. From here on, you will make an effort in a different way TO KNOW MY NAME,' since "so (Heb. coh) shall your seed be" (Ibid. 5). What is coh? That is the tenth holy Sfirah of the King, to know His name. That is the Sfirah from which judgments spring.

191. We have learned that "so (coh) shall your seed be" actually, THAT HIS CHILDREN WILL BE FROM THE ACTUAL MALCHUT AND IF IT WERE NOT FOR THE SFIRAH OF MALCHUT HE WOULD NOT HAVE CHILDREN. HEREBY, MALCHUT WAS TURNED INTO MERCY FOR HIM. At that moment, Abram was happy to observe and to know His name and adhere to Him, since he learned about coh. Although judgments got awakened from her, Abram considered her to be a Sfirah, as if it was of mercy although she was of judgment - SINCE WITHOUT HER HE WOULD HAVE HAD NO CHILDREN. This is what is meant by: "He counted her" IN FEMININE FORM. What is meant by "he counted her"? It is that Sfirah, MALCHUT, HE COUNTED AS RIGHTEOUSNESS (HEB. TZEDAKAH) which is mercy, SINCE TZEDEK (LIT. 'RIGHTEOUSNESS', MASC.) IS JUDGMENT AND TZEDAKAH IS MERCY. Rabbi Yitzchak said: "Coh" is the last Sfirah, WHICH IS MALCHUT, and is called Tzedek - righteousness - and judgments emanated from her. Though Abraham knew that judgments were inspired from her, from this Tzedek, he considered her as Tzedakah, from which no judgments were inspired, because she was of mercy.

191. וְתֹאנָא, כֹּה יִהְיֶה זְרַעְךָ מִמֶּשׁ. בְּהֵיכָא שְׁעָתָא חֲדַי אַבְרָהָם, לְאַסְתַּבְּלָא וּלְמַנְדַּע שְׁמִיָּה, וּלְאַתְדַּבְּקָא בֵּיהּ, מְשׁוּם דְּאַתְבָּשׁוּר בְּכ"ה, וְאֵע"ג דְּרִינִין מִתְעָרִין מִנָּה, חֲשַׁבָּה אַבְרָהָם לְהוּא כְּתָרָא, אֵע"ג דְּהוּא דִּינָא, כְּאֵלוּ הוּא רַחֲמִי. הַה"ד, וַיַּחֲשַׁבָּהּ. מֵאֵי וַיַּחֲשַׁבָּהּ. לְהוּא כְּתָרָא. צְדָקָה רַחֲמִי. אָמַר רַבִּי יִצְחָק, כ"ה כְּתָרָא עֲשִׂירָאָה הוּא, וְאַתְקָרִי צְדָקָה, דִּינִין מִתְעָרִין מִנָּה, וְאַבְרָהָם אֵע"ג דִּידַע דְּרִינִין מִתְעָרִין מִנָּה מֵהֵאֵי צְדָקָה. הוּא חֲשַׁבָּה צְדָקָה, דְּרִינִין לֹא מִתְעָרִין מִנָּה, בְּגִין דְּהוּא רַחֲמִי.

21. "And Hashem had blessed Abraham in all things"

Rabbi Aba explains the deep meaning of God's blessing of Abraham in all things, blessing him with Yesod. In the future the blessing on earth will prevail at all times because the blessing is first established above.

192. In addition, Rabbi Aba said that it is written: "And Hashem had blessed Abraham in all things (Heb. bacol)" (Bereshheet 24:1). It is written: "For all (Heb. col) that is in heaven and on earth" (I Divrei Hayamim 29:11), MEANING THAT HE BLESSED ABRAHAM WITH THE SFIRAH YESOD CALLED COL, WHICH GIVES TO AND BLESSES THE SFIRAH MALCHUT. IT IS WRITTEN: "FOR ALL (HEB. COL) THAT IS IN HEAVEN AND ON EARTH." THAT "COL" THAT IS YESOD RECEIVES FROM HEAVEN, WHICH IS ZEIR ANPIN, AND SUPPLIES EARTH, WHICH IS MALCHUT. It is also written: "In this way (Heb. coh) you shall bless," (Bemidbar 6:23) OF WHICH THE EXPLANATION IS THAT THE PRIESTS SHALL BLESS MALCHUT THAT IS CALLED COH. For the sake of Yisrael, this coh gets blessed through the priest, in order that Yisrael below shall get blessed and the blessing shall be prevalent in everything. Of the future to come, it is written: "May Hashem bless you out of Zion..." (Tehilim 134:3) and "blessed be Hashem out of Zion, he who dwells in Jerusalem" (Tehilim 135:21), MEANING THAT MALCHUT WILL HAVE NO NEED TO BE BLESSED FIRST. RATHER, THE BLESSING WILL AKWATS BE PRESENT IN HER. ZION IS THE INNER PART AND JERUSALEM IS THE SECRET OF THE OUTER PART OF MALCHUT.

192. תּוֹ אָמַר ר' אַבָּא, מֵאֵי דְכֹתִיב וַיְבָרַךְ אֶת אַבְרָהָם בְּכֹל, כֹּד"א כִּי כֹל בְּשָׁמַיִם וּבְאָרֶץ. וּכְתִיב כֹּה תְבָרְכוּ, דְּבִגְוִינִיָּהּ דְּיִשְׂרָאֵל מִתְבָּרַךְ הוּא כ"ה עַל יְדָא דְכֹהֲנָא, בְּגִין דִּיתְבָּרְכוּן יִשְׂרָאֵל לְתַתָּא, וַיִּשְׁתַּבַּח בְּרַכְתָּא בְּכֹלָא וּלְזִמְנָא דְּאֵתִי כְּתִיב יְבָרְכֵךְ יְי' מִצִּיּוֹן וְגו'. בְּרוּךְ יְי' מִצִּיּוֹן שׁוֹכֵן יְרוּשָׁלַם.

22. "Moses had finished"

Rabbi Yitzchak reminds us that the time sequence is not always preserved in the Torah and that interpretations must be made with this in mind. He talks about Moses entering the tabernacle and about Moses going up on the mountain and separating from his wife, since he had already had his children and it was now time to marry the Shechinah.

193. "And it came to pass on the day that Moses had finished (Heb. kalot)..." (Bemidbar 7:1). Rabbi Yosi learned THAT IT MEANS the day that the bride (Heb. kalah) entered under the bridal canopy, WHO IS THE SHECHINAH. HE ASKS: IF SO, how will we explain "the day that Moses had finished"? IT WOULD HAVE BEEN SUFFICIENT TO SAY, 'THE DAY (HE) FINISHED' HE REPLIES: It is only to teach us that she entered through Moses. Rabbi Yehuda said: Is it that until now THE SHECHINAH was detained and did not take Her place? Why is it written: "And Moses was not able to enter the Tent of Meeting..." (Shemot 40:35)? IT INDICATES THAT THE SHECHINAH WAS ALREADY IN THE TENT OF MEETING PRIOR TO THAT DAY. Rabbi Yitzchak said: Time sequence is not always kept in the Torah, SINCE THE VERSE OF: "AND MOSES WAS NOT ABLE..." WAS ACTUALLY LATER THAN THIS PRESENT VERSE.

194. "And it came to pass on the day that Moses had finished (Heb. kalot)..." MEANING THE SHECHINAH REFERRED TO AS THE BRIDE (HEB. KALAH) OF MOSES, who is definitely the bride of Moses. We have learned that Rabbi Shimon said it is written: "You have ascended on high, You have led captivity captive..." (Tehilim 68:19). When the Holy One, blessed be He, told him, "Remove your shoes from your feet" (Shemot 3:5), the mountain was shaken. Michael, THE ANGEL, said before the Holy One, blessed be He: Master of the universe, do You wish to dismantle THE MAKE OF man? Behold, it says: "Male and female He created them; and blessed them" (Beresheet 5:2). A blessing only applies to whoever is of male and female and You have instructed MOSES to separate from his wife SINCE "REMOVE YOUR SHOES FROM OFF YOUR FEET" MEANS THAT HE SHOULD SEPARATE FROM HIS WIFE, AS THE SCRIPTURE USES A SUBTLE LANGUAGE.

195. THE HOLY ONE, BLESSED BE HE, told him, 'Moses has already met his requirement of being fruitful and multiplying. Now I wish that he should marry the Shechinah, and the Shechinah will descend to reside with him.' This is what is meant by: "You have ascended on high, you have led (into) captivity captive." What is captive? It means the Shechinah that was married to him. "You have received gifts from men (lit. 'the man')" (Tehilim 69:19). It is not written here: 'from man', but rather "the man," WHICH INDICATES that particular man above, WHICH IS ZEIR ANPIN, AND THE GIFT IS THE SHECHINAH THAT ZEIR ANPIN GAVE HIM. The day that the Shechinah came down is the day that She was married to Moses. This is what is meant by: "Moses had finished," speaking about the very bride of Moses.

196. About Joshua, whose face was like the face of the moon, it is written: "Put off your shoes" (Yehoshua 5:15), since he did not separate FROM HIS WIFE except for certain times, FOR THE PURPOSE OF PROPHECY. The Shechinah was not married to him too much and he was not worthy of Her, as is written: "And Joshua fell on his face to the earth" (Ibid. 14). But here, she was certainly the bride of Moses. In "Gifts (Heb. matanot) from men," "matanot" IS SPELLED WITHOUT THE VAV OF THE PLURAL FORM, SINCE IT IS REFERRING TO THE SHECHINAH WHICH IS SINGULAR. Praised is the lot of Moses, whose Master wished his glory over the rest of the world's inhabitants.

23. "Each prince on his day"

Rabbi Yehuda tells us of the offerings of the twelve princes, each on his day, and how this upheld the world. Everything was blessed above and below.

197. "And Hashem said to Moses... 'each prince on his day'" (Bemidbar 7:11). HE ASKS: What is the meaning of "on his day"? Rabbi Yehuda said: These are the days above that were prepared to be blessed, which are the twelve boundaries, MEANING CHESED, GVURAH, TIFERET AND MALCHUT, EACH ONE CONTAINING THREE COLUMNS, WHICH IS THE SECRET OF THE TWELVE BOUNDARIES that separate. Each one is constructed and inaugurated with blessing through these PRINCES below, SINCE EACH PRINCE ESTABLISHED ONE DAY. We have learned that all get blessed for the altar above, WHICH IS BINAH, and even the lower WORLD and even the nations of the world get blessed.

198. We have learned that Rabbi Shimon said: If these twelve princes would not have brought their offerings, the world could not have held before the twelve princes of Ishmael, as is written: "Twelve princes according to their nations" (Beresheet 25:16). When THE TWELVE PRINCES OF YISRAEL had brought their offerings, the dominion was taken away from all of them. Therefore, it is written: "Each prince on his day."

199. Everything that was brought as an offering was offered similar to the above, in order that everything would get blessed. "The rams sixty, the he-goats sixty" (Bemidbar 7:88) resembles the verse: "Sixty valiant men are round about it" (Shir Hashirim 3:7). THAT IS THE SECRET OF CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN from the side of Gvurah. EACH ONE COMPRISES TEN, SO THEY ARE SIXTY. "One spoon of ten shekels of gold..." (Bemidbar 7:14) CORRESPONDS TO MALCHUT, as we have already learned. Blessed is the lot of the righteous that the Holy One, blessed be He, pours blessings upon them and listens to their prayers. About them, it is written: "He heeds the prayer of the destitute, and does not despise their prayer..." (Tehilim 102:18). Blessed be Hashem forever. Amen and Amen. May Hashem reign forever. Amen and Amen.

197. וַיֹּאמֶר יי' אֶל מֹשֶׁה נְשִׂיא אֶחָד לְיוֹם. מֵהוּ לְיוֹם. א"ר יְהוּדָה, יוֹמִין דְּלַעִילָא, דְּאַתְחַנְכוּ לְאַתְבָּרְכָא, בְּאַיְנוֹן תְּרִיסַר תְּחוּמִין, דְּמִתְפָּרְשָׁא, וְכָל חַד אֶתְתַּקֵּן וְאַתְחַנֵּךְ בְּבִרְכָתָא עַל יְדוּי דְּאַלְיִן דְּלַתְתָּא. תָּאנָא, כְּלֵהוּ מִתְבָּרְכֵן בְּגִין מִדְּבָחָא דְּלַעִילָא, וְאַמִּילוּ תְתָאָה וְאַמִּילוּ עֲבוֹם מִתְבָּרְכֵן.

1. "Which is like a bridegroom coming out of his chamber"

Rabbi Yehuda begins by saying that the children of Yisrael are blessed because God granted them the Torah of Truth, a Tree of Life, for all her words are life. He describes how the light of the sun, Zeir Anpin, illuminates and spreads from the top through the trunk, strengthening the right and then the left.

1. "And Hashem spoke to Moses, saying, 'Speak to Aaron, and say to him: When you kindle the lamps...' (Bemidbar 8:1-2). Rabbi Yehuda opened the discussion saying, "which is like a bridegroom coming out of his chamber..." (Tehilim 19:6). Praised is the lot of Yisrael that the Holy One, blessed be He, favored them and granted them the Torah of Truth, a Tree of Life by which a person inherits life for this world and life for the World to Come. Whoever tries to learn Torah and holds to her has life. Whoever leaves the words of the Torah and separates from the Torah is as if he took leave of life, since she is life and all her words are life, as it is written: "for they are life..." (Mishlei 4:22), and: "I shall be health to your navel..." (Ibid. 3:8).

1. וַיִּדְבֹר יְיָ אֶל מֹשֶׁה לֵאמֹר. דְּבַר אֶל אַהֲרֹן וְאָמַרְתָּ אֵלָיו בְּהֵעָלוֹתְךָ אֶת הַנְּרוֹת וְגו', רַבִּי יְהוּדָה פָּתַח, וְהוּא כְּחֹתֵן יוֹצֵא מִחוּפְתּוֹ וְגו'. זְכָאָה חוֹלְקִיהוּן דְּיִשְׂרָאֵל, דְּקוֹדְשָׁא בְּרִיךְ הוּא אֲתְרֵיעֵי בְּהוּן, וְיִהְיֵב לְהוּן אוּרִייתָא דְקִשּׁוּט, אֵילָנָא דְחַיִּי, דְּבִיָּה בַר נֶשׁ יְרִית חַיִּין לְהֵאֵי עֲלָמָא, וְחַיִּין לְעֲלָמָא דְאֲתֵי. דְכָל מָאן דְּאֲשַׁתְּדַל בְּאוּרִייתָא וְאֲחִיד בַּהּ, אֵית לֵיה חַיִּין. וְכָל מָאן דְּשָׁבִיק מְלֵי דְאוּרִייתָא, וְאֲתַפְּרֵשׁ מְאוּרִייתָא, כְּאֵלוּ מִתַּפְּרֵשׁ מִחַיִּין, בְּגִין דְּהִיא חַיִּין, וְכָל מְלוֹי חַיִּין, הֵה"ד בִּי חַיִּים הֵם וְגו'. וְכַתִּיב רַפְאוֹת תְּהִי לְשַׁרְךָ וְגו'.

2. Come and behold: the Tree of Life, WHICH IS ZEIR ANPIN, is attached from above downwards. The light of this sun, WHICH IS ZEIR ANPIN, that shines upon all, begins from the top, THAT IS, CHOCHMAH, BINAH AND DA'AT, and spreads to the trunk of the tree, WHICH IS TIFERET, in a straight path. Two sides are attached to it, one to the north and one to the south, one right, WHICH IS CHESED, and one left, WHICH IS GVURAH. When the sun illuminates from the trunk of the tree, as we have learned, it FIRST strengthens the right arm, WHICH IS CHESED, and shines with force. From that force OF THE RIGHT, the left illuminates, WHICH IS GVURAH, and is included in its light.

2. ת"ח, אֵילָנָא דְחַיִּי, אֲחִיד מְעִילָא לְתַתָּא. וְהֵאֵי שְׁמֵשׁא דְנְהִיר לְכָלָא, נְהוּרָא דִילִיָּה שְׁאֲרֵי מְרִישָׁא, וְאֲתַפְּשֵׁט בְּגוּפָא דְאֵילָנָא בְּאַרְח מִיִּשְׁר, ב' סְטְרִין אֲחִידִין בֵּיה, חַד לְצַפּוֹן, וְחַד לְדְרוֹם. חַד יְמִינָא, וְחַד שְׁמָאלָא. בְּשַׁעֲתָא דְשְׁמֵשׁא נְהִיר כְּמָה דְאֲתַמְר, מִהֵוּא גּוּפָא דְאֵילָנָא, אֲתַקִּיף לְדְרוּעָא דִימִינָא, וְאֲנְהִיר בְּתוֹקְפִיָּה. וּמִתּוֹקְפִיָּה נְהִיר שְׁמָאלָא, וְאֲתַכְּלִיל בְּנְהוּרִיָּה.

3. "which is like a bridegroom coming out of his chamber." HE ASKS: What is his chamber? HE RESPONDS: That is "the crown with which his mother crowned him on the day of his wedding" (Shir Hashirim 3:11). THESE ARE THE MOCHIN - CHOCHMAH, BINAH AND DA'AT - THAT HE RECEIVED FROM HIS MOTHER, WHO IS BINAH. "... coming out of his chamber..." that is the top of all the light, MEANING CHOCHMAH, BINAH AND DA'AT, as you say in the following scripture: "His going forth is from the end of the heaven" (Tehilim 19:7). This is the beginning of everything that is referred to as 'the end of the heaven', MEANING BINAH, FROM WHICH EMERGES AND BEGINS ZEIR ANPIN, REFERRED TO AS 'HEAVENS'. Then he emerges. Like a real bridegroom when he goes out to meet his soul beloved bride, he stretches out his arms, WHICH ARE CHESED AND GVURAH, and receives her.

3. וְהוּא כְּחֹתֵן יוֹצֵא מִחוּפְתּוֹ, מָאן אִיהוּ חֻפְתּוֹ. דָּא אִיהוּ עֵטְרָה שְׁעֵטְרָה לּוֹ אִמּוֹ בְּיוֹם חֻתְנָתּוֹ. יוֹצֵא מִחוּפְתּוֹ, דָּא אִיהוּ רִישָׁא דְכָל נְהוּרָא כַד"א בְּקִרָא דְאַבְתְּרִיָּה, מְקַצֵּה הַשְּׁמַיִם מוֹצְאוֹ, דָּא שִׁירוֹתָא דְכָלָא, דְאֲקִרֵי מְקַצֵּה הַשְּׁמַיִם. וְכַדִּין, נְפִיק כְּחֹתֵן מִמֶּשׁ, כַּד נְפִיק לְאֲעֲרֵעָא לְכַלְתִּיָּה, רְחִימָתָא דִּנְפִשׁוּי, וּפְרִישׁ דְרוּעוּי, וּמְקַבֵּל לָהּ.

4. Similar is the verse, "which is like a bridegroom coming out of his chamber." The sun, ZEIR ANPIN, continues to spread to the west, WHICH IS MALCHUT. As soon as the west gets nearer, the north side is the first to be aroused toward it, THAT IS GVURAH, and approaches to the west. It joins it at that place. As we have learned, THE BEGINNING OF ZEIR ANPIN COUPLING IS ON THE LEFT, WHICH IS GVURAH. THAT IS THE SECRET OF RECONCILIATION AND GETTING PERMISSION, as is written: "His left hand is under my head" (Shir Hashirim 2:6). Following that is the south side, which is right, MEANING CHESED, as is written: "And His right hand embraces me" (Ibid.). Then it "rejoices like a strong man to run a race" (Tehilim 19:6), to illuminate the moon FROM THE CENTRAL COLUMN, THAT IS YESOD. And this has been explained. Come and behold: "when you kindle the lamps"; these are the loftiest candles, WHICH ARE THE SFIROT OF MALCHUT, which all shine brightly in unison from the sun, WHICH IS ZEIR ANPIN.

4. כִּהְיֵא גִּוּוּנָא וְהוּא כְּחֵתָן יוֹצֵא מִחַמְתּוֹ, אֲזֵלָא שְׁמַשׁא וְאֶתְמַשְׁט לְגַבֵּי מַעְרָב, בֵּינָן דְּמַעְרָב אֶתְקָרִיב, סֵטֵר צִמּוֹן אֶתְעַר לְקַבְלֵיהּ בְּקִדְמִיתָא, וְקָרִיב לְמַעְרָב, וְחֻיֵּג לֵיהּ בְּאַתְרֵיהּ, בְּמָה דְּאֶתְמַר דְּכֵתִיב, שְׁמַאלוֹ תַּחַת לְרֵאשֵׁי. וְלִבְתֵּר סֵטֵר דְּרוּם דְּאִיהוּ יְמִינָא, דְּכֵתִיב וַיְמִינֵנוּ תַּחֲבָנֵינוּ. בְּדִין יֵשִׁישׁ בְּגִבּוֹר לְרוּץ אֶרֶץ, לְאַנְהָרָא סִיְהָרָא וְאוֹקְמוּהָ. ת"ח, בְּהַעֲלוֹתָךְ אֶת הַנְּרוֹת, אֵלֶיךָ בּוֹצִינִין עֲלָיִךְ, דְּכִלְהוּ נְהִירִין כְּחֵדָא מִן שְׁמַשׁא.

2. "Happy is the people that know the joyful note"

Rabbi Aba tells how God drew the children of Yisrael near to Him when they left Egypt and how He raised them to unite through His name; only then were they called 'free men'. He killed all the firstborn of those who kept Yisrael in chains, and thus freed them completely, not through an intermediary, but directly. Rabbi Aba gives the reason for marking the blood over the lintel and on both side posts during the killing of the firstborn. He says that on certain occasions offerings are not sufficient; prayers and petitions are also required, and it is necessary to demonstrate deeds with the Shofar as the blowing of the Shofar arouses mercy.

5. Rabbi Aba opened the discussion saying, "happy is the people that know the joyful note: they shall walk, O Hashem, in the light of Your countenance" (Tehilim 89:16). This verse has been explained. However, come and behold: praised are Yisrael, to whom the Holy One, blessed be He, gave the holy Torah and taught His ways, to adhere to Him and keep the commandments of the Torah in order to achieve merit through them in the World to Come. And He drew them near when they came out from Egypt, since He withdrew them from another dominion and raised them to unite with His name. Only then Yisrael were called 'free men' in every respect, in that they no longer sojourned under someone else's authority. He raised them to unite with His Name, which is loftier above all and has dominion over the highest and the lowest.

5. ר' אבא פתח, אֲשֶׁרֵי הָעַם יוֹדְעֵי תְרוּעָה יֵי בְּאוֹר פְּנֵיךְ יִהְלְכוּן. הַאי קְרָא אוֹקְמוּהָ, אֲבָל ת"ח, זְכָאִין אֵינּוּן יִשְׂרָאֵל, דְּקוּדְשָׁא בְּרִיךְ הוּא יְהֵב לֹן אוֹרְיִיתָא קְדִישָׁא, וְאוֹלִיף לֹן אֶרְחוּי, לְאַתְדַּבְּקָא בֵיהּ, וְלִמְיֵטֵר פְּקוּדֵי דְאוֹרְיִיתָא, לְמַזְכֵּי בְהוּ לְעֲלָמָא דְאַתֵּי. וְקָרִיב לְהוּ בְּשַׁעֲתָא דְנִפְקוּ מִמִּצְרַיִם, דְּהָא בְּדִין אֶפִּיק לֹן מִרְשׁוּתָא אַחְרָא, וְסָלִיק לֹן לְאַתְאַחְדָּא בְּשָׁמְיָה, וְכִדִּין אֶקְרוּן בְּנֵי יִשְׂרָאֵל, בְּנֵי חוֹרִין מְכֻלָּא. דְּלֵא יִתְבוּ תַּחוֹת רְשׁוּתָא אַחְרָא, וְסָלִיק לֹן לְאַחְדָּא בְּשָׁמְיָה, דְּסָלִיק עַל כֻּלָּא, דְּשָׁלִיט עַל עֲלָיִן וְתַתָּאִין.

6. In His love for them, He called them: "Yisrael is My son, My firstborn" (Shemot 4:22), similar to the above, LIKE ZEIR ANPIN THAT IS CALLED 'FIRSTBORN'. He killed all the firstborn above and below, FROM THE OTHER SIDE, and He loosened and untied the knots and shackles, WHICH THE EGYPTIANS TIED SO THAT YISRAEL WOULD NOT BE ABLE TO LEAVE EGYPT, in order to take them out. He made them free of everything. Thus, the Holy One, blessed be He, did not wish TO TAKE THEM OUT THROUGH an angel through a seraph, but only through He Himself. Moreover, only He could distinguish BETWEEN A FIRSTBORN AND A NON-FIRSTBORN, and know everything and release the bond. It is not within the authority of any other emissary, but rather in His hand.

6. וּמַגּוֹ רַחֲמֵינָא דְלֵהוּן, קְרָא לֹן בְּנֵי בְכוֹרֵי יִשְׂרָאֵל, כְּגִוּוּנָא עֲלָאָה. וְקֵטֵל כָּל בְּכוֹר דְּלַעֲיֻלָּא וְתַתָּא, וְשָׂרָא קְטִירִין וְאַסִּירִין דְּעֲלָאִין וְתַתָּאִין, בְּגִין לְאַפְקָא לֹן, וְעֵבֵד לֹן בְּנֵי חוֹרִין מְכֻלָּא. וְע"ד לֵא בְּעָא קוּדְשָׁא בְּרִיךְ הוּא, לֵא מְלֶאךְ, וְלֵא שְׂרָף, אֲלֵא אִיהוּ. וְעוֹד, דְּהָא אִיהוּ יָדַע לְאַבְחָנָא וְלִמְנַדַּע כֻּלָּא, וְלִמְשָׂרֵי אֲסִירִין, וְלֵאוּ אֵינּוּן בְּרְשׁוּתָא דְשְׁלִיחָא אַחְרָא אֲלֵא בִידֵיהּ.

7. Come and behold: on the night that the Holy One, blessed be He, wanted to slaughter all these firstborn, as we have learned, the singers came to sing for Him when night fell. THE HOLY ONE, BLESSED BE HE, told them that the time was not opportune TO SING ANY SONG, since the inhabitants of the earth were singing another song. At midnight, the north wind was stirring and the Holy One, blessed be He, was wreaking vengeance FOR YISRAEL. Yisrael were singing their song with loud voices and, at that moment, He made them free from everyone. The supernal angels and all the HIGHEST camps together were listening to the voices of Yisrael after they were circumcised, and marked their houses with that blood and the blood of the Paschal lamb with three marks, "upon the lintel, and on the two side posts" (Shemot 12:23).

8. What is the reason THAT THEY MARKED THE BLOOD OVER THE DOOR LINTEL AND THE TWO SIDE POSTS? It has already been explained. It is because it is a holy mark, and the Angel of Destruction had mercy upon Yisrael when he saw this blood that was marked on the opening. This is what is written: "Hashem will pass over the door..." (Ibid.). We must look closely here. If the Holy One, blessed be He, and no other messenger came and slew in the land of Egypt, what is the purpose of this mark over the door opening, since all is revealed to Him? In addition, what is the meaning of: "and will not allow the Destroyer" (Ibid.), WHICH MEANS IT WAS A MESSENGER? It should have said, 'and will not destroy'.

9. It most certainly is so, as it is written: "And Hashem smote all the firstborn" (Ibid. 29). "And Hashem" INDICATES Him, ZEIR ANPIN, and His courthouse, MALCHUT. That courthouse is present here. THEREFORE, IT SAYS, "THE DESTROYER." It is always imperative to show a deed BELOW in order TO AWAKEN A CORRESPONDING ONE ABOVE to be saved. BECAUSE OF THAT, IT WAS NECESSARY TO PLACE THE BLOOD OVER THE DOOR LINTEL AND THE TWO SIDE POSTS, TO AROUSE MERCY FOR THEM ABOVE. Similar to that are THE OFFERINGS on the altar; this is in order that there the Destroyer shall not come there.

10. This is by means of a deed, MEANING OFFERINGS. When it is not needed, for example, on Rosh Hashanah (the Jewish New Year), which is the Day of Judgment, which those of wicked tongues stand ready to DENOUNCE YISRAEL, IT IS NOT SUFFICIENT TO GIVE MERE OFFERINGS. Speech is required; that is, prayers and petitions. It is necessary to demonstrate deeds, as we have explained. And we learned with what these must be demonstrated. It is with the Shofar, in order to invoke another Shofar, WHICH IS BINAH. We produce through the sound OF THIS SHOFAR Mercy and Judgment together, all as is required. This is just like that highest Shofar, WHICH IS BINAH, that emitted a sound, WHICH IS ZEIR ANPIN, which is the inclusion OF CHESED, JUDGMENT AND MERCY together - SINCE TIFERET, WHICH IS ZEIR ANPIN, IS INCLUSIVE OF CHESED, JUDGMENT AND MERCY. To awaken Mercy, we awaken WITH THE BLOWING OF THE SHOFAR and break down the Prosecutors so that they shall have no dominion on that day. When Mercy is awakened, all the upper luminaries, THE SFIROT, illuminate from this side and from that side, MEANING FROM THE RIGHT AND LEFT. Then, "in the light of the King's countenance is life" (Mishlei 16:15).

11. Come and behold: the priest intended to light the lamps below and brought the offering of spiced incense. During that moment, the upper candles are shining, THAT IS, THE SFIROT, and everything connects together. Happiness and gladness prevail in all the worlds, and it is written: "ointment and perfume rejoice the heart" (Mishlei 27:9). Therefore, IT IS WRITTEN: "when you kindle the lamps" (Bemidbar 8:2).

3. "And the ark rested in the seventh month"

Rabbi Elazar tells Rabbi Yosi and Rabbi Yitzchak that every word of the Torah has secrets; even though it may be telling a simple story, the Torah demonstrates the highest matters and the utmost secrets. He uses the story of the landing of the Ark on Mount Ararat as an example, saying that it is to teach us about a universal truth, (the time of judgment). Rabbi Elazar says that God would not have limited Himself to just writing down what various people like Esau and Hagar and Laban and Bilaam said; if He had it would not be called the Torah of Truth, as it is. Every individual word comes to designate the highest things. We learn that "and the Ark rested" refers to the time when judgment hangs upon the world and judgments prevail, the time when God sits on the Throne of Justice to put the world on trial. That throne is only ready during the seventh month, during which is the Day of Judgment. Rabbi Elazar says that Ararat is derived from the Hebrew word for 'cursed', alluding to the Adversaries of Judgment. On that day the children of Yisrael send up their prayers and blow the shofar so that God reverses justice to mercy; it is therefore required that whoever blows the Shofar should be familiar with the deeper secrets of the matters.

12. Rabbi Elazar and Rabbi Yosi and Rabbi Yitzchak were going along their way. They reached those mountains of darkness while traveling. Rabbi Elazar raised his eyes and saw those lofty mountains, and they were dark and awesome and frightful. Rabbi Elazar said to his friends: If my father was here, I would not be frightened. Yet since we are three and are speaking of Torah among us, no Judgment will prevail here.

12. רַבִּי אֶלְעָזָר וְר' יוֹסִי וְר' יִצְחָק, הָיוּ אֹזְלֵי בְּאוֹרְחָא, פָּגְעוּ בְּאִינוּן טוּרֵי קָרְדוֹ, עַד דְּהָווּ אֹזְלֵי, זְקָף עֵינָיו ר' אֶלְעָזָר, וְחֵמֵי אִינוּן טוּרֵי רְמָאֵי, וְהָווּ חֲשׂוּכִין, וְדַחְלִין בְּדַחֲלֵינָא. א"ר אֶלְעָזָר לְאִינוּן חֲבֵרֵינָא, אֵלוּ אַבָּא הֲכָא, לֹא הוּא דַּחֲלֵנָא, אֲבָל בֵּינָן דְּאִנּוּן תְּלַתָּא, וּמֵלֵי דְאוֹרֵייתָא בֵּינָנָא, דִּינָא הֲכָא לֹא אֲשַׁתְּכַח.

13. Rabbi Elazar opened the discussion with the verse: "and the ark rested in the seventh month...upon the mountains of Ararat ..." (Beresheet 8:4). How beloved are the words of Torah that each and every word has lofty secrets and the entire Torah is considered supernal. We learned IN THE BARAITA of the thirteen qualities of the Torah. Whatever is part of the whole, yet it is an exception, it is so in order to teach a general rule, not teach merely about itself. Since the Torah is the highest generality, even though a simple story is an exception to the rule, its function most certainly is not merely to tell us just that story but rather to demonstrate the highest matters and the utmost secrets. It is not considered as an exception so as to teach about itself, but rather to demonstrate a general rule, since that story of the Torah or that occurrence, although it stands to itself outside the Torah, did not come to show this alone but rather came to demonstrate the general law of the entire Torah.

13. פִּתַּח ר' אֶלְעָזָר וְאָמַר, כְּתִיב וַתֵּנַח הַתִּיבָה בְּחֹדֶשׁ הַשְּׁבִיעִי וְגו', עַל הָרֵי אֲרָרַט וְגו', כַּמָּה חֲבִיבִין מֵלֵי דְאוֹרֵייתָא, דְּבִכַל מְלָה וּמְלָה, אֵית רִזִּין עֲלָיִן, וְאוֹרֵייתָא כֹּלָא, עֲלָאָה אִיקְרִי. וְתַנִּינָן בְּתַלְיִסָּר מְכִילִין דְאוֹרֵייתָא, כֹּל דְּבַר שְׁהִיָּה בְּכֹלֵל, וְיִצָּא מִן הַכֹּלֵל, לְלַמֵּד, לֹא לְלַמֵּד עַל עֲצָמוּ וְיִצָּא, אֶלָּא לְלַמֵּד עַל הַכֹּלֵל כֹּלּוּ וְיִצָּא. דְּהָא אוֹרֵייתָא דְאִיהִי כֹּלֵלָא עֲלָאָה, אַע"ג דְּנִפְקָ מִנָּה, חֵד סְפּוֹר בְּעֵלְמָא. וְדָאֵי לֹא אֲתֵי לְאַחֲזָאָה עַל הַהוּא סְפּוֹר, אֶלָּא לְאַחֲזָאָה מְלִין עֲלָיִן, וְרִזִּין עֲלָיִן. וְלֹא לְלַמֵּד עַל עֲצָמוּ וְיִצָּא, אֶלָּא לְלַמֵּד עַל הַכֹּלֵל כֹּלּוּ וְיִצָּא. בְּגִין דְּהָהוּא סְפּוֹר דְאוֹרֵייתָא, אוּ הַהוּא עוֹבְדָא, אַע"ג דְּהוּא נִפְקָא מְכֹלֵלָא דְאוֹרֵייתָא, לֹא לְאַחֲזָאָה עַל גְּרַמְיָה נִפְקָ בְּלִבְדָּא, אֶלָּא לְאַחֲזָאָה עַל הַהוּא כֹּלֵלָא עֲלָאָה דְאוֹרֵייתָא כֹּלּוּ נִפְקָ.

14. For example, it is written: "and the ark rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat." Most likely, this scriptural verse is an exception to the generality of the Torah and came to relate a simple story. HE ASKS: What do we care if it landed on this mountain or on that mountain? It had to rest somewhere. HE RESPONDS: It is only to instruct us on the general as a whole that it was specified, SINCE IT ALLUDES TO A TIME OF JUDGMENT, AS WE MENTIONED BEFORE. Praised are Yisrael that the loftiest Torah was granted to them, a Torah of truth. Whoever says that this Torah story is mentioned simply to relate only that story alone, may he breathe his last, because then it is not supernal Torah, the Torah of truth. But most certainly, the holy Torah, the loftiest, is a Torah of truth.

15. Come and behold: there is a king of flesh and blood. It is no honor for him to have simple talk and, most certainly, to write these simple things down. Could you imagine if the exalted King, the Holy One, blessed be He, had no holy things to write about with which to produce the Torah, but He merely gathered all the simplest matters, such as: the utterings of Esau; the utterings of Hagar; the utterings of Laban to Jacob; the utterings of the mule; the utterings of Bilaam; the utterings of Balak and the utterings of Zimri. And then He gathered them and all the stories that were written and made a Torah out of them.

16. If so, why is it referred to as "the Torah of Truth" (Malachi 2:6)? "The Torah of Hashem is perfect...the testimony of Hashem is sure... The statutes of Hashem are right...the commandment of Hashem is pure... The fear of Hashem is clean...the Judgments of Hashem are True... More to be desired are they than gold, even much fine gold" (Tehilim 19:8-11); these words refer to Torah matters. Most certainly, the holy loftiest Torah is a Torah of Truth, since "the Torah of Hashem is perfect." Every individual word comes to designate the highest things, since that specific matter which is in a story is not here to teach about itself alone, but rather to imply the overall aspect, as we have explained.

17. Come and behold: "and the ark rested." This verse is true, AS WILL BE EXPLAINED, as are others, most certainly. At the moment that Judgment hangs upon the world and Judgments prevail, the Holy One, blessed be He, sits on the Throne of Judgment to put the world on trial. Through that Throne, how many notes are recorded on it, how many verdicts are stored in it, in the bag of the King? All the open books were stored there and, therefore, nothing was forgotten by the King. That Throne is not ready and is not available save during the seventh month. Then is the Day of Judgment, a day in which all the people in the world are counted and everyone passes before that Throne. Hence, "the ark rested." MALCHUT, THAT IS REFERRED TO AS 'ARK', "rested in the seventh month"; most certainly the seventh month, which is when the Judgment of the world comes.

18. "...upon the mountains of Ararat..." ARARAT IS DERIVED FROM ARUR (ENG. 'CURSED'), INDICATING those Prosecutors, who whine and wail, and all those emissaries THAT ARE PRESENT on that day before the Holy One, blessed be He. How many shielding ones are wakened on that day. And they all stand under that Throne when the world is on trial.

19. And Yisrael put forth their prayers on that day and beg and beseech before Him, and blow the Shofar. The Holy One, blessed be He, has mercy for them and reverses Judgment to Mercy. All the upper and lower beings say, "happy is the people that know the joyful note" (Tehilim 89:16). It is therefore required on that day that whoever blows should be familiar with the main SECRETS OF THE matters; he should concentrate on the blowing and expedite the matters with the HIGHEST wisdom. Therefore, it is written: "Happy is the people that know the joyful note," and not: 'that blow the joyful note'. We have already explained this.

4. "When you light the lamps"

Rabbi Yosi enters a cave where he hears a voice saying what will happen when the seven lamps are lit. When he brings Rabbi Elazar into the cave they encounter two people studying the Torah. The rabbis discuss the kindling of the lamps and the offering of incense. The lighting of the candles is the secret of drawing out the abundance of Chassadim from Chochmah.

20. They went along all that day and, when nightfall came, they went up to a place and found a cave. Rabbi Elazar said: Let one enter into the cave, for perhaps he will find there a place that is better suited. Rabbi Yosi entered and saw another cave within it and the light of a candle shining in it. He heard a voice that said: "When you light the lamps, the seven lamps shall give light towards the body of the candlestick" (Bemidbar 8:2). Here, the Congregation of Yisrael, THAT IS MALCHUT, received light, as supernal Ima, THAT IS BINAH, is adorned, and all the candles, THAT ARE THE SFIROT OF MALCHUT, illuminate within and from her. THEY SAID ABOUT THEMSELVES: Two refined souls soar from her; THAT IS, THEY UPLIFT MAYIN NUKVIN (ENG. 'FEMALE WATERS') WITH THEIR TORAH STUDY. All the best men - MEANING ALL WHO UPLIFT FEMALE WATERS THROUGH THEIR TORAH THAT ARE REFERRED TO AS 'GROOMSMEN' - connect MALCHUT to the upper one, WHICH IS BINAH. From there, THEY DRAW HER LIGHT downwards.

20. אֲזָלוּ כָּל הַהוּא יוֹמָא, בְּדִ רְמֵשׁ לִילִיא, סְלוּקוּ לְחַד אַתְר, וְאֲשַׁכְּחוּ חַד מְעַרְתָּא. אִ"ר אֲלַעְזָר, לִיעוּל חַד גּוּ מְעַרְתָּא, אִי אֲשַׁתְּכַח אַתְר דְּאִיהוּ יְתִיר מִתְתַּקֵּן. עָאֵל ר' יוֹסִי, וְחֲמָא מְעַרְתָּא אַחֲרָא בְּגוּיָה, נְהוּרָא דְשֶׁרְגָא בֵּיה, שְׁמַע חַד קְלָא דְהוּא אִמְר, בְּהַעֲלוּתְךָ אֵת הַנְּרוֹת אֵל מוּל פְּנֵי הַמְּנֹרֶה יֵאִירוּ שְׁבַעַת הַנְּרוֹת. הֵכָא נִטְלָא כְּנֶסֶת יִשְׂרָאֵל נְהוּרָא, וְאִמָּא עֲלָאָה מִתְעַטְרָא, וְכְלָהוּ בּוֹצִיעִינִין מִינָה נְהַרִין. בְּהַ תְּרִין טּוֹפְסִירִין דְקִיקִין פְּרַחִין, שׁוֹשְׁבֵינִין כְּלָהוּ קְטְרִין לְגַבֵּי עֲלָאָה, וּמִתְמָן לְתַתָּא.

21. Rabbi Yosi heard this and was glad. He came to Rabbi Elazar. Rabbi Elazar said to him: Let us enter, since the Holy One, blessed be He, hastened before us on this day to produce miracles for us. They entered. As soon as they entered, they noticed two people who were involved in Torah study. Rabbi Elazar said: "how excellent is Your love, Elohim! Therefore the children of men shelter under the shadow of Your wings" (Tehilim 36:8). They stood up. Then they all sat down and were merry. Rabbi Elazar said: "how excellent is Your love, Elohim!" How excellent that I have found You. The Holy One, blessed be He, has done us grace in this place. Now light the candles - MEANING THAT THEY SHOULD CONVERSE IN MATTERS OF TORAH TO RAISE FEMALE WATERS TO KINDLE THE SFIROT OF MALCHUT FROM IMA, AS WAS SAID ABOVE.

22. Rabbi Yosi opened the discussion saying, "when you kindle the lamps," MEANING when you actually light, that is, while kindling, because two services were done by the priest which are the same connection, and they are oil and incense, THAT IS THE SECRET OF CHOCHMAH AND BINAH, as is written: "ointment and perfume (lit. 'incense') rejoice the heart" (Mishlei 27:9), and: "And Aaron shall burn upon it sweet incense... And when Aaron lights the lamps at evenings, he shall burn incense upon it" (Shemot 7-8). HE ASKS: What is the difference, that here it says, "when he dresses," and there it says, "lights"? Rabbi Yehuda says: DRESSING AND LIGHTING amount to the same thing, SINCE DRESSING IS LIKE LIGHTING.

23. Rabbi Yosi said: "when he readies (lit. 'betters')," is as it is written, "for your love is better than wine" (Shir Hashirim 1:2), since those that are saturated with wine are better, or good, as it is written, "for then we had plenty of bread, and were well (also: 'better') off" (Yirmeyah 44:17). THIS MEANS TO SAY THAT WHOEVER IS SATISFIED WITH WINE OR BREAD, THE SECRET OF THE LIGHTS IN THE FIRST THREE SFIROT, THAT ARE CONSIDERED 'GOOD'. CONSEQUENTLY, "WHEN HE READIES THE LAMPS", MEANS THAT HE WILL DRAW ABUNDANTLY THE LIGHTS THAT ARE REFERRED TO AS 'WINE' AND 'BREAD', WHICH IS THE SECRET OF THE ILLUMINATION OF CHOCHMAH AND CHASSADIM. Rabbi Yehuda says: it is a real improvement. HE DISPUTES WHAT RABBI YOSI SAID, THAT THE BETTERING IS A RESULT OF THE ABUNDANT LIGHTS. RATHER, THE LIGHTS OF THE FEAST, WHICH ARE THE SECRET OF ILLUMINATION OF CHOCHMAH, ARE THEMSELVES CONSIDERED BETTERING, as it is written: "but he that is of a merry (lit. 'good') heart has a continual feast" (Mishlei 15:15). "When... lights", MEANS during the time THAT THE SFIROT ARE filled and saturated from the water of the stream, SINCE THE STREAM IS BINAH AND ITS WATER IS FROM CHOCHMAH. The upper grades are then uplifted and blessings prevail in all, and all are glad. CONSEQUENTLY, MAKING GOOD THE LAMPS IS THE ILLUMINATION OF CHOCHMAH THAT FLOWS FROM BINAH, WHICH IS THE SECRET OF WINE, AND THE LIGHTING OF THE CANDLES IS THE SECRET OF DRAWING OUT THE ABUNDANCE OF CHASSADIM THAT NEVER CEASES FROM THAT CHOCHMAH. Therefore, it is written: "when he kindles."

24. Rabbi Acha said: During the time when the most profound of all - THAT IS, SUPERNAL ABA - shines, it shines upon the stream, THE SUPERNAL IMA ABOVE. The stream flows in a straight way, MEANING THROUGH THE CENTRAL COLUMN, THAT IS ZEIR ANPIN, to irrigate all, MEANING ALL THE GRADES OF MALCHUT. Then it is written: "when lights (lit. 'raises')," since everything exudes from the deepest. "When...raises," MEANS that it comes from the deepest side that is referred to as 'thought', WHICH IS ABA. And all means the same, MEANING THAT IT IS THE SAME AS WHAT RABBI YOSI AND RABBI YEHUDA SAID. Then the Congregation of Yisrael is blessed, and blessings prevail throughout the worlds.

24. רבי אחא אמר, בשעתא דעמיקא דכלא נהיר, נהיר בנחלא. ונחלא, נגיד בארץ מישר לאשקאה כלא. כדין כתיב, בהעלות בגין דהא מעומקא דכלא נפקי, בהעלות דאתי מסטרא עלאה, דעמיקא דכלא, דאקרי מחשבה. וכלא חר מלה, וכדין כנ"י אתברכא, וברכאן אשתכחי בכלהו עלמין.

5. Issachar and Zebulun

Rabbi Yitzchak uses the story of Issachar and Zebulun to illustrate the partnership between those to study the Torah and those who help to support and protect them and learn from them. He and Rabbi Aba talk about the color blue that is judgment.

25. Rabbi Yitzchak opened the discussion with the verse: "I have surely built You a house to dwell in (Heb. zvul), a settled place for You to abide in for ever" (I Melachim 8:13). "...a house to dwell in..." most definitely. When all the stored treasures of the King, THAT IS ZEIR ANPIN, were assigned in the hands OF MALCHUT, and she has authority over them, she is called "a house to dwell in." There is one firmament that is called 'Zvul (Eng. 'temple')', since its function is to receive blessings and put everything in order. That one - MALCHUT, WHEN SHE RULES OVER EVERYTHING - is ALSO called "a house to dwell in."

25. רבי יצחק פתח, כתיב בנה בניתי בית זבול לך מכון לשבתך עולמים. בית זבול, בית זבול ודאי, כד אתפקדו בידהא, כל גנזי מלכא, ושלטא בהו. כדין אקרי בית זבול. ורקיע חר אית דאקרי זבול, דהא דא אשבח לקבלא ברכאן, ולסדרא כלא, והאי אקרי בית זבול.

26. Come and behold: it is written, "and of Zebulun he said, 'Rejoice, Zebulun, in your going out; and Issachar, in your tents'" (Devarim 33:18), to teach us that they participated in a mutual partnership. The one went out and made war and the other sits and is involved in learning Torah. This one gives a part FROM HIS BOUNTY to that one, and that one gives a part OF HIS TORAH STUDY to this one, SINCE ISSACHAR IS THE SECRET OF TIFERET AND ZEBULUN IS THE SECRET OF MALCHUT. In Zebulun's lot was the sea. The Congregation of Yisrael, WHICH IS MALCHUT, is called the 'Sea of Galilee (Heb. Kineret)'. It was worthy TO BE CALLED thus because blue comes from there, SINCE BLUE IS THE SECRET OF MALCHUT, AND THE SEA OF GALILEE IS MALCHUT. They have explained that the lower is similar to the higher. There is a Sea of Galilee above, WHICH IS MALCHUT, and a Sea of Galilee below; blue above, WHICH IS MALCHUT, and blue below. Everything pertains to one area, WHICH IS MALCHUT.

26. ת"ח, כתיב ולזבולן אמר שמח זבולן בצאתך ויששכר באהלך, מלמד דאשתתפו כחדא. דא נפיק ואגח קרבא, ודא יתיב ולעי באורייתא. ודא יהיב חולקא לדא, ודא יהיב חולקא לדא. בחולקיה דזבולון ימא, וכ"י אקרי ים כנרת. והכי אתחזי, בגין דהא תכלת נפיק מתמן, ואוקמוה, דהא לתתא כגוונא דלעילא, ים כנרת לעילא, ים כנרת לתתא. תכלת לעילא, תכלת לתתא, וכלא באתר חד.

27. Because of this, Zebulun's portion was to go out and wage war, SINCE HE WAS AN ASPECT OF MALCHUT. How do we know that it is so? Because it is written: "they shall call the peoples to the mountain; there they shall offer sacrifices of righteousness" (Ibid. 19). "...sacrifices of righteousness..." most certainly, MEANING OF MALCHUT THAT IS CALLED 'RIGHTEOUSNESS'. What is the reason? "...for they shall suck the abundance of the seas..." (Ibid.) MEANING THE ABUNDANCE THAT COMES THROUGH BATTLES. Issachar's lot is in the Torah, and he surely gives to Zebulun his share in the Torah. Therefore, they were together in a partnership, so that Zebulun should receive blessings from Issachar, since the blessing of the Torah is everyone's blessing.

27. וע"ד ירית זבולון, למיפק לאגחא קרבא, ומנלן דהכי הוא. דכתיב עמים הר יקראו שם יזבחו זבחי צדק. זבחי צדק ודאי. מ"ט. כי שמע ימים יינקו. ויששכר חולקיה באורייתא, ויהיב לזבולון חולקא דאורייתא ודאי, וע"ד אשתתפו כחדא, לאתברכא זבולון מיששכר, דברכתא דאורייתא, היא ברכתא דכלא.

28. Rabbi Aba said: The heritage of the Torah is indeed in this way, and this level is the sixth, WHICH IS YESOD, which gives the reward of the Torah and bequeaths it to the Congregation of Yisrael. It bequeaths the white, WHICH IS CHESED, to the blue, WHICH IS JUDGMENT. Thus, we have learned that when one distinguishes between blue and white FOR THE READING OF THE SH'MA, meaning that the hues shall be distinguishable, then it is considered morning. Then the white comes to the world, and the blue, WHICH IS JUDGMENT, disappears FROM THE WORLD. Therefore, all the wars of the King and all the battle gear of the King were assigned to the hands OF MALCHUT WHEN SHE WAS CONSIDERED, "A HOUSE TO DWELL IN (HEB. ZVUL)," AND ALSO ZEBULUN, AS MENTIONED ABOVE. We have already explained it.

28. ר' אבא אמר, אַחְסֵנָהּ דְאֹרִייתָא וְדַאי הָכִי הוּא, וְדִרְגָא דַּא שְׁתִּיתָאָה יְהִיב אָגַר אֹרִייתָא, וְאַחְסִין לָהּ לִכְ"י, אַחְסִין חוּרָא לְתַבְלָתָא. וְע"ד תְּנִינָן, מְשִׁיבֵי בֵין תְּבִלַת לְלָבָן, דִּישְׁתַּמּוּדְעֵן גּוּוּנִי, דְּהָא בְּדִין אַקְרִי בְק"ר, וְחוּרָא אֲתִי לְעֵלְמָא, וְתַבְלָתָא אֲתַעְבֵּר. וְע"ד כָּל קְרָבִין דְּמַלְכָא, וְכָל זֵינֵי מַלְכָא בִידְהָא אֲתַמְנָן, וְהָא אֹקִימְנָא.

6. "The well that the princes dug out"

Rabbi Aba says that the title verse refers to the Congregation of Yisrael, to Aba and Ima and to the Patriarchs. Malchut is called both a 'well' when Isaac goes out with weapons from the side of Ima, and a 'sea' when it illuminates from the uppermost river of Aba. From the day that the Congregation of Yisrael entered exile the waters failed, but the righteous, Yesod, fills Malchut with the supernal flow so that the universe inherits all the blessings.

29. "The well that the princes dug out, that the nobles of the people delved..." (Bemidbar 21:18). The well is the Congregation of Yisrael, WHICH IS MALCHUT; "that the princes dug out," is Aba and Ima, that gave birth TO MALCHUT; "that the nobles of the people delved," are the Patriarchs, WHICH ARE CHESED, GVURAH AND TIFERET OF ZEIR ANPIN. It is written: "the nobles of the peoples are gathered together, the people of the Elohim of Abraham" (Tehilim 47:10). THE ELOHIM OF ABRAHAM IS CHESED OF ZEIR ANPIN, FROM WHICH GVURAH AND TIFERET ARE DRAWN. "...THAT THE NOBLES OF THE PEOPLE DELVED..." MEANS THAT THEY CONSTRUCTED it in order that it would be blessed from them through one level that is the Righteous, WHICH IS YESOD OF ZEIR ANPIN, that stands over it AND POURS UPON IT ALL THAT THERE IS IN CHESED, GVURAH AND TIFERET. Therefore, we have this saying: 'When this well travels, it is with the help of the patriarchs that it travels.'

29. בְּאֵר חֲפְרוּה שְׂרִים כְּרוּה נְדִיבֵי הָעָם, בְּאֵר, דַּא כְּנַסַת יִשְׂרָאֵל. חֲפְרוּה שְׂרִים, דַּא אַבָּא וְאִמָּא, דְּאוּלִּידוּ לָהּ. כְּרוּה נְדִיבֵי הָעָם, אֵלִין אַבְהֵן. הִכְתִּיב נְדִיבֵי עַמִּים נֶאֱסַפוּ עִם אֱלֹהֵי אַבְרָהָם וְגו'. בְּגִין לְאַתְּבָרְכָא מְנַהוּן, ע"י דְּדִרְגָא חַד, וּמְנֹו. צְדִיק דְּקָאִים עָלָה. וְע"ד אֲמִרִינָן, כִּד הָאִי בְּאֵר נְטֻלָּא, בְּסִיוַעָא דְאַבְהֵן נְטֻלָּא.

30. AT TIMES MALCHUT is called a 'well' AND AT TIMES it is called a 'sea'. It is called a 'well' when Isaac, WHO IS GVURAH OF ZEIR ANPIN, goes out with weapons FROM THE LEFT COLUMN from the side of Ima, and comes to draw THE ILLUMINATION OF CHOCHMAH FROM IMA TO MALCHUT and fill her up, IN ACCORDANCE WITH THE SECRET OF THE VERSE: "HIS LEFT HAND IS UNDER MY HEAD" (SHIR HASHIRIM 2:6). Then She is called 'the well of Isaac' OR 'the well of Miriam', as has already been explained. IT IS CALLED 'sea' when it illuminates from the uppermost river of Aba, SINCE SHE THEN RECEIVES CHOCHMAH AND CHASSADIM, since streams run to her, as it is written: "all the rivers run into the sea; yet the sea is not full" (Kohelet 1:7).

30. וְאַקְרִי בְּאֵר, וְאַקְרִי יָם. אַקְרִי בְּאֵר, בְּשַׁעֲתָא דִּיצְחָק נֶמְק מְזִינָא מַסְטְרָא דְאִימָא, וְאֲתִי לְאַמְשַׁכָּא אַבְתְּרָא דְדָא, וּמְלִי לָהּ, בְּדִין אַקְרִי בְּאֵר דִּיצְחָק. בְּאֵר דְּמִרְיָם. וְהָא אֹקִמְוָה. יָם כִּד אֲתַנְהֵרָא מְנַהֵרָא עֲלָאָה דְאַבָּא, בְּדִין אַקְרִי יָם, דִּנְחַלִין אֲזִלִין לְגֹוָה, כִּד"א כָּל הַנְּחָלִים הוֹלְכִים אֶל הַיָּם וְהַיָּם אֵינֶנּוּ מְלֵא.

31. From the day that the Congregation of Yisrael, WHICH IS MALCHUT, went into exile, it is written: "the waters fail from the sea" (Iyov 14:11). That refers to the Congregation of Yisrael THAT IS CALLED 'SEA', while, "the river is parched, and dries up" (Ibid.), is the Righteous, WHO IS YESOD. Hence, it is written: "The righteous perishes" (Yeshayah 57:1), since he was the uppermost and precious river that entered her. He gathered all these rivers and streams that are drawn from the flow of that holy river whose waters never cease, THAT IS BINAH, AND that comes out and emerges from the uppermost Eden. It enters within her and fills up her ponds, MEANING THE SFIROT OF MALCHUT, and from there, the universe inherits all the blessings in all PERFECTION.

31. וּמִיּוֹמָא דְגַלְתָּה כְּנַסַת יִשְׂרָאֵל בְּגִלוּתָא, כְּתִיב אֲזִלוּ מַיִם מִנֵּי יָם, דַּא כְּנ"י. וְנַהַר יַחֲרֵב וַיִּבֶשׁ, דַּא צְדִיק. וְע"ד כְּתִיב, הִצְדִיק אָבַד וְגו'. דְּהוּא הוּוּה נַהַר עֲלָאָה וַיִּקְרָא, דְּעֵייל בְּגֹוָה, וְהוּא כְּנִישׁ כָּל אֵינּוּן נַהֲרִין וְנַחְלִין, דִּנְגַדִין מְנַגִּידוּ דְּהוּוּא נַהַר קְדִישָׁא, דְּלֵא פְּסָקִין מִיּוֹמוּ לְעֵלְמִין, דִּנְגִיד וְנִמְיָק מַעֲרָן עֲלָאָה, וְהוּא עֵייל בְּגֹוָה וּמְלִי אַגְמָהָא, וּמִתְמַן יִרְתִּין עֲלִמִין כְּלָהוּ בְּרַכְּן בְּכֻלָּא.

32. Come and behold: when the Congregation of Yisrael is blessed, all the worlds are blessed, and Yisrael below suckle and are blessed on her account. We explained that MALCHUT protects Yisrael, as we have learned.

32. ת"ח, בְּשַׁעֲתָא דְאַתְבָּרְכָא כְּנֶסֶת יִשְׂרָאֵל, עַלְמִין

7. The Name of Ayin-Bet (72) letters

Rabbi Aba uses three verses beginning with "and the angel of Elohim, who went before the camp of Yisrael, removed..." to show how the 72 letters in each verse allude to the Name of Ayin-Bet, 72. When the letters are in direct order they point to mercy and when they are in reverse order they point to judgment. The Holy Name of 72 is passed on in these verses in which the Patriarchs are included, and we read about the joining of the left, right and Central Columns in the secret of Faith. The task of the construction of the Holy Name is made known through the uniting of the Patriarchs. The ways to judgment, to mercy, to help, to kindness, to awe, to Torah, to life, to death, to good and to bad are found with this Name of 72.

33. It is written: "and the angel of Elohim, who went before the camp of Yisrael, removed..." (Shemot 14:19). The angel of Elohim is the Congregation of Yisrael, who, as we have explained moved with the help of the Patriarchs at that time AS IT SAYS, "AND THE ANGEL... REMOVED," MEANING TO SAY THAT SHE THEN RECEIVED FROM THE THREE COLUMNS - CHESED, GVURAH AND TIFERET - THAT ARE REFERRED TO AS THE 'PATRIARCHS'. When they are by her, everything is, BOTH CHOCHMAH AND CHASSADIM. Due to this, the Holy Name OF 72 is passed on in these verses in which the Patriarchs are incorporated, as we have explained. One verse in forward direction POINTING TO THE RIGHT COLUMN, one verse backward POINTING TO THE LEFT COLUMN, and one verse forward, POINTING TO THE CENTRAL COLUMN.

33. בְּתִיב וַיִּסַּע מִלֶּאךְ הָאֱלֹהִים הַהוֹלֵךְ וְגו'. מִלֶּאךְ
הָאֱלֹהִים דָּא כְּנֶסֶת יִשְׂרָאֵל. וְהָא אֻקְיָמָנָא, דְהִיא

לְגַבְהָ, כְּלָא מִשְׁתַּכְּחִין. וּבג"כ אֲתַמְסֹר בְּאַלְיִן קְרָאִי

דְאַוְקִימָנָא. חַד קְרָא כְּסַדְרָא, וְחַד לְמַפְרַע, וְחַד
כְּסַדְרָא.

34. "And the angel of Elohim, who went before the camp of Yisrael, removed..." This verse is in the regular direction, because Abraham is present here, WHO IS CHESED, THE RIGHT COLUMN, and all those who come from his side. Therefore, THE LETTERS are in this order.

34. וַיִּסַּע מִלֶּאךְ הָאֱלֹהִים הַהוֹלֵךְ וְגו', דָּא כְּסַדְרָא
בְּגִין דְאַבְרָהָם אֲשַׁתְּכַח הֶכָּא, וְכָל אִינוּן דְאַתּוּ
מְסַטְרִיהּ, וְעַל דָּא אִיהוּ כְּסַדְרָא כְּגוּוּנָא דָּא.

35. Abraham, WHO IS CHESED, was adorned with his crowns here, and he crowned the Congregation of Yisrael, WHICH IS MALCHUT, in the right way to go by day, MEANING CHESED, as written: "yet Hashem will command His steadfast love (Chesed) in the daytime, and in the night His song shall be with me" (Tehilim 42:9). Therefore, it is written, "removed." When did they move? By day when the sun shines, WHICH IS ZEIR ANPIN, FOR THEN CHESED RULES. This verse (Shemot 14:19) contains 72 letters.

35. הֶכָּא אֲתַעֲטֹר אַבְרָהָם בְּעֵטְרוּי, וְאַעֲטֹר לָהּ
לְכְנֶסֶת יִשְׂרָאֵל, וְאַלְיִן אֲתוּוּן כְּלָהוּ בְּאַרְחַ מִיִּשְׂרָאֵל,
לְמִיּהָרַךְ בִּימְמָא. דְכְּתִיב יוֹמָם יִצְוֶה יי' חֲסֵדוֹ וּבַלַּיְלָהּ
שִׁירָה עִמּוֹ. וְע"ד בְּתִיב וַיִּסַּע, אִימְתִי נְטֵלִין
בְּמַטְלֵנִיּוּהּ, הוּוּ אִימָא בִּימְמָא, כְּדִן נְהִיר שְׁמָשָׁא.
וְדָא חַד קְרָא דְאִיהוּ בְּשַׁבְעִין וְתַרְיִן אֲתוּוּן.

36. The second verse is of Isaac, WHO IS GVURAH OF ZEIR ANPIN. We find that there are also 72 letters, in which there is Judgment for the Egyptians and Mercy for Yisrael. Therefore, it is written HERE: "and it came between the camp of Egypt and the camp of Yisrael" (Shemot 14:20), that is, toward the ones and toward the others. ISAAC IS THE SECRET OF THE ILLUMINATION OF CHOCHMAH, AND THE ILLUMINATION OF CHOCHMAH FLOWS FORTH ONLY WITH HARSH JUDGMENTS FOR THE WICKED AND GOOD RECOMPENSE FOR THE RIGHTEOUS. THIS IS THE SECRET OF, "AND IT CAME BETWEEN THE CAMP OF EGYPT AND THE CAMP OF YISRAEL." "And it was a cloud and darkness" (Ibid.), since that is the day of Isaac, A DAY THAT IS cloudy, for the cloud and the darkness originate in it. Therefore, the order of the letters is backward and not straightforward, like this one.

36. תְּנִינָא דִּיצְחָק, הֶכִּי נָמִי דְאַשְׁתַּכַּח בְּע"ב אֲתוּוּן,
לְאַשְׁתַּכַּחא בְּדִינָא לְגַבִּי מִצְרָאִי וּלְגַבִּי יִשְׂרָאֵל
בְּרַחֲמֵי. וְע"ד בְּתִיב, וַיָּבֵא בֵּין מַחְנֵה מִצְרַיִם וּבֵין
מַחְנֵה יִשְׂרָאֵל, לְקַבִּיל אֵלִין וּלְקַבִּיל אֵלִין. וְיֵהִי הָעֵנָן
וְהַחֹשֶׁךְ, דְהֶכִּי הוּא יוֹמָא דִּיצְחָק, דְעֵיבָא הוּוּ, עֲנָנָא
וְחֹשׁוֹכָא מְנִיָּה הוּא. וּבְגִין כֵּן סְדוּרָא דְאַתוּוּן
לְמַפְרַע, וְלָא בְּאַרְחַ מִיִּשְׂרָאֵל, כְּגוּוּנָא דָּא.

37. Therefore, the letters are all backward, as is written: "and it was a cloud and darkness," WHICH IS JUDGMENT, AND BACKWARD DIRECTION ALLUDES TO JUDGMENT. As soon as Isaac got involved in its Judgments, "the one came not near the other" (Ibid.). It is written: "the one came not near the other," because those that come from the side of Abraham, MEANING FROM THE LIGHT OF CHESED, do not come near the other - MEANING THAT THE RIGHT COLUMN, WHICH IS CHESED, DID NOT GET NEAR TO BESTOW ABUNDANCE ON THE LEFT COLUMN, WHICH IS GVURAH. CONSEQUENTLY, THE LEFT WAS WITH CHOCHMAH WITHOUT CHASSADIM, WHICH IS A HARSH JUDGMENT AND DARK. AND ZEIR ANPIN, THAT IS CHESED, DID NOT APPROACH THE NUKVA TO PRESENT HER WITH CHASSADIM. THE NUKVA WAS RECEIVING FROM THE LEFT COLUMN CHOCHMAH WITHOUT CHASSADIM, WHICH IS DARKNESS. They were unable TO GET NEAR ONE ANOTHER, since this well, WHICH IS MALCHUT, was attached to Isaac, WHO IS THE LEFT COLUMN. It is written: "but it gave light by night" (Ibid.), MEANING THAT THE LEFT COLUMN ILLUMINATED THE NIGHT, WHICH IS MALCHUT. When it was filled up to join with Isaac, "the one came not near the other," and was unable to get near, SINCE THERE WAS NO UNION BETWEEN ZEIR ANPIN AND MALCHUT FROM THE SIDE OF CHESED. They were separated until Jacob, WHO IS THE CENTRAL COLUMN, came and joined to Abraham, WHO IS CHESED, and took Isaac and placed him in the middle - BETWEEN MERCY, WHICH IS THE CENTRAL COLUMN AND CHESED, WHICH IS THE RIGHT COLUMN. Then the Faith was connected, one with the other, MEANING THAT THE TWO COLUMNS, RIGHT AND LEFT, WERE TIED TOGETHER AND ALSO ZEIR ANPIN AND MALCHUT WERE COUPLED TOGETHER FROM THE SIDE OF CHESED. And Yisrael were saved.

38. We have learned that in the place where the Patriarchs are, other righteous people are with them, MEANING THAT IN A PLACE WHERE THERE ARE CHESED, GVURAH AND TIFERET - WHICH ARE THE PATRIARCHS - THERE ARE ALSO NETZACH, HOD, YESOD AND MALCHUT - WHO ARE CALLED 'MOSES', 'AARON' AND 'JOSEPH'. Therefore, this name OF AYIN-BET (72) is understood and explained in other ways, MEANING THAT THE NAME OF 72 IS EXPLAINED IN THIS MANNER. THE TWELVE BOUNDARIES - WHICH ARE THE SECRET CHOCHMAH AND BINAH, TIFERET AND MALCHUT, IN EACH OF THE THREE COLUMNS, EQUALING TWELVE - ILLUMINATE IN ALL ENDS OF THE SIX ENDS OF ZEIR ANPIN, AND SIX TIMES TWELVE EQUALS 72. AND SIMILARLY, THERE ARE OTHER MANNERS IN THIS LINE, although all EXPLANATIONS result in one direction.

39. When this well, WHICH IS MALCHUT from the side of Isaac, WHO IS THE LEFT COLUMN, lights up and is tied to him, the Great Sea is formed, strong AND RAGING. Strong waves go up and go down powerfully, with anger and rage, as they travel up, ascend, and come down. THIS IS THE SECRET OF WHAT IS WRITTEN: "THEY MOUNT UP TO THE SKY, THEY GO DOWN AGAIN TO THE DEPTHS" (TEHILIM 107:26). Abraham comes towards it, WHO IS THE RIGHT COLUMN, MEANING THAT THE RIGHT COLUMN IS OPPOSITE IT. THEREFORE, THIS QUARREL AND NOISE IS PRODUCED. FOR WHEN THE LEFT GAINS STRENGTH, THEN THE WAVES OF THE OCEAN RISE WITH THEIR PEAK TO THE SKY, AND WHEN THE RIGHT GAINS STRENGTH, WHICH IS ABRAHAM, THEN THE WAVES DESCEND TO THE DEPTHS. Because of this anger and rage and wrath, they did not get near to one another, THE TWO COLUMNS, BUT KEPT BATTLING until Jacob came, WHO IS THE CENTRAL COLUMN, and silenced and subdued the anger, MEANING THAT HE REDUCED THE FIRST THREE SFIROT OF THE LEFT. He broke the waves of the sea. This is what is written: "and Moses stretched out his hand over the sea; and Hashem caused the sea to go back by a strong east wind..." (Shemot 14:21). What is "a strong east wind (also: 'spirit')"? That is Jacob's spirit, WHO IS THE CENTRAL COLUMN, WHICH IS strong and powerful against THE LEFT COLUMN, breaking the anger of this sea. THEN, "He made the sea dry land, and the waters were divided" (Ibid.), by emptying the

sea of the waters of anger. The waters split to the side of Abraham, WHO IS RIGHT, WHICH IS CHESED, and to the side of Jacob, WHO IS THE CENTRAL COLUMN, WHICH IS MERCY. This is what is written: "and the waters were divided," to this side and to that side. Therefore, all the letters IN THIS VERSE OF THE CENTRAL COLUMN are in the right direction.

40. These letters are in forward direction on the side of Jacob, WHO IS THE CENTRAL COLUMN, and so are all those who come from his side. When Jacob arrived, he connected to Abraham, WHO IS THE RIGHT COLUMN, and took Isaac, WHO IS THE LEFT COLUMN, and placed him in the middle, BETWEEN HIM AND THE RIGHT COLUMN. Then the Faith was tied between the one and the other, MEANING THAT THE TWO COLUMNS CONNECTED - THE RIGHT COLUMN AND THE LEFT COLUMN, ONE TO THE OTHER - AND ALL THREE TO MALCHUT, THAT IS CALLED 'FAITH'. Therefore, the task of the construction of the Holy Name is made known through the uniting of the Patriarchs, MEANING THE RIGHT WITH THE LEFT, AND THE LEFT WITH THE RIGHT, AND BOTH WITH THE CENTRAL, which is one knot. ALL THREE COLUMNS BECOME ONE, the knot of Faith, AND ALL THREE COLUMNS ARE CONNECTED IN MALCHUT, THAT IS CALLED 'FAITH', to become a whole Chariot - WHICH ARE THREE COLUMNS AND MALCHUT, THE FOUR LEGS OF THE THRONE, WHICH ARE THE THRONE AND THE CHARIOT TO BINAH. Everything is accomplished with the uniting of the Patriarchs together, AS MENTIONED PREVIOUSLY.

41. The friends know how to proceed in the right way, MEANING IN THE CENTRAL COLUMN, to establish the deeds properly. And with this name OF AYIN-BET (72), that is the knot of the Patriarchs, are found ways to Judgment, to Mercy, to help, to kindness, to awe, to Torah, to life, to death, to good and bad. Praised are those virtuous ones who know the manners of the Torah and know to go in the ways of the Holy King. They are praised in this world and the World to Come.

8. The Name of Ayin-Bet (72) names

We hear about the Patriarchs in their travels, their deeds and their knots or unifications. Wherever the Patriarchs are found, the rest of the Righteous are also found. We are given a detailed description of the seven knots in the 72 names, and are told that during the moment that all the steps of the Name 72 are present, the total Faith is present. The Shechinah always travels with the Patriarchs, and when they travel all other levels travel within them. Finally we hear that while Zebulun inherited the Sea of Kineret that is Malchut, Judah took all Malchut and united it in all its own levels.

42. Behold the Patriarchs in their travels, in deeds TO RAISE FEMALE WATERS, AND in knots, THAT IS, WITH UNIFICATIONS with which they connect that bind one to the other. IN EACH NAME OF THESE 72 NAMES ALL PATRIARCHS ARE BOUND TOGETHER, SINCE THEY ARE THE THREE COLUMNS. When they join together, there is nobody who can stand up to them. We have learned that wherever the Patriarchs are, we also find with them the rest of the righteous, SUCH AS MOSES, AARON AND JOSEPH. Therefore, THIS NAME OF 72 goes in differently explained ways, although all EXPLANATIONS have a similar outcome.

43. There are seven knots IN THE 72 NAMES AND TO EVERY INDIVIDUAL KNOT, the three Patriarchs - THAT ARE CHESED, GVURAH AND TIFERET - are connected along with four others - THAT ARE NETZACH, HOD, YESOD AND MALCHUT. HE GOES ON TO EXPLAIN THAT the head OF THE 72 NAMES, THE THREE SFIROT, CHOCHMAH, BINAH AND DA'AT, THAT ARE REFERRED TO AS 'HEAD'. The center AMONG THEM, WHICH IS MALCHUT, is in one connection, BECAUSE CHOCHMAH AND BINAH are the ones that dug the water well, WHICH IS MALCHUT, AS IT IS WRITTEN: "THE WELL THAT THE PRINCES DUG OUT" (Bemidbar 21:18), WHO ARE CHOCHMAH AND BINAH. THEREFORE, CHOCHMAH, BINAH, DA'AT AND MALCHUT ARE IN ONE KNOT. The second CONNECTION is, "the one...the other" (Shemot 14:20), MEANING THE TWO COLUMNS OF CHESED AND GVURAH, ABOUT WHICH IS SAID, "THE ONE CAME NOT NEAR THE OTHER." They are one knot THAT STARTS with three Yud's.

44. The third KNOT IS TIFERET, WHICH IS THE CENTRAL COLUMN, and that is the total perfection of all Faith, FOR IT BESTOWS UPON MALCHUT, THAT IS REFERRED TO AS 'FAITH', AND COMPLEMENTS IT. The fourth KNOT is two pillars upon which the body stands, WHICH ARE NETZACH AND HOD, AND ARE CONSIDERED AS NETZACH. The fifth KNOT IS HOD, within which there is good and bad, and a river that flows to the Tree of Life and Death, WHICH IS MALCHUT, SINCE HOD BESTOWS UPON MALCHUT. It is the most profound of all, MEANING THAT IT CONTAINS MORE JUDGMENTS THAN ANY OTHER SFIRAH. The sixth KNOT IS YESOD, within whom there is Judgment with Mercy. The seventh KNOT, WHICH IS MALCHUT, was ALREADY mentioned in the beginning, THAT IT IS INCLUDED in that head which we spoke of, since it is the center of everything, AS MENTIONED. Since it is the center of everything, it is called 'Aleph-Nun-Yud', MEANING THAT IN ITS DIVISION, THE NAME OF ALEPH-NUN-YUD EXISTS. That is the support of all the branches that are united around it.

45. These seven steps, THE SEVEN KNOTS MENTIONED ABOVE, are from one level to another level, FROM THE FIRST STEP TO THE LAST STEP. One Chariot is known for all the names that unite in it, and also from one level to another - MEANING THAT SIMILAR TO EACH INDIVIDUAL STEP IS A COMPLETE CHARIOT ON ITS OWN, ALTHOUGH IN EACH STEP THERE ARE THE SAME SEVEN SFIROT - CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT. THE DIFFERENCE BETWEEN THEM IS THAT IN EACH STEP, all follow that step that is assigned to them. We have already explained these matters. FOR EXAMPLE, IN THE STEP OF CHESED, THERE ARE SEVEN SFIROT - CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT - BUT ALL FOLLOW THE DOMINANT SFIRAH OF CHESED. SIMILARLY, GVURAH HAS ALL THE SEVEN SFIROT - CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT - ALL CARRY ON ACCORDING TO THE DOMINANT SFIRAH OF GVURAH. AND IT IS THE SAME WITH EVERY LEVEL.

46. Come and behold: during the moment that all these steps OF THE NAME 72 are present, the total Faith is present, MEANING THE WHOLENESS OF MALCHUT. These SEVEN KNOTS are seven clouds that surrounded Yisrael AND THEY TOTALED TEN, SINCE CHESED IS INCLUDED IN THE FIRST THREE SFIROT, AS KNOWN. Therefore, when the Shechinah travels, it travels with the Patriarchs, THAT ARE CHESED, GVURAH AND TIFERET, WHICH ARE THE SECRET OF THE NAME 72. FOR when they travel, all other levels travel within them, AS MENTIONED, and then the Congregation of Yisrael, WHICH IS MALCHUT, is adorned properly. AND ALL THEIR ILLUMINATION IS PRIMARILY DURING THEIR TRAVELS.

47. Come and behold: Zebulun, as we spoke, inherited the Sea of Kineret, the unspecified Sea of Kineret, WHICH IS MALCHUT, and so it deserves to be. HE ASKS: If so, Judah, OF WHOM IT WAS SAID THAT HE IS ALWAYS MALCHUT, what part has he got in it, IN MALCHUT THAT ZEBULUN HAS ALREADY TAKEN? HE REPLIES: It is just that Judah took all Malchut and united in it all its own levels, BOTH SMALLNESS AND GREATNESS, IN THE SECRET OF DALET-HEI OF JUDAH. DALET INDICATES THE SMALLNESS BEFORE RECEIVING OVER IT THE MALE, AND THE HEI INDICATES THE GREATNESS, WHICH IS NOT THE CASE WITH ZEBULUN. HE SIMPLY TOOK THE ASPECT OF MALCHUT WHEN IT WAS CALLED 'THE SEA OF KINERET', IN THE SECRET OF THE BATTLES IN IT.

47. ת"ח, זְבוּלוֹן דְקָאֲמַרְן יָרִית יָם כְּנֶרֶת. יָם כְּנֶרֶת סָתַם, וְהָכִי אֶתְחַזִּי. אִי הָכִי יְהוּדָה מֵה חוֹלְקָא אֵית בֵּיה, אֶלָּא יְהוּדָה נָטַל מַלְכוּתָא כְּלָא, וְאֶתְאַחֵיד בֵּיה בְּכָל סְטְרִין.

9. The inner altar and the candlestick

Rabbi Shimon says that the candlestick above, Malchut, and all its lamps, the Sfirot, all shine through Aaron, since he readied the candlestick. He compares the twelve princes of the twelve tribes to the twelve permutations of Yud Hei Vav Hei in Zeir Anpin. The candlestick was assigned with the seven lamps corresponding to the seven Sfirot. It stands through a sign and was produced through a miracle. We learn what the inner altar and the outer altar are, and how abundance flows from the inner to the outer. Incense is the connection of everything.

48. Rabbi Elazar says in relation to this portion: All the tasks of the candlestick and all the required preparations of it were already mentioned. Why is it REPEATED here a second time? HE RESPONDS: It is just that once the princes have offered their sacrifices on the altar and the necessary services required for each one, the Scripture comes to relate the story of the candlestick that was readied through Aaron, since the candlestick above, WHICH IS MALCHUT, and all its lamps, THAT ARE THE SFIROT, all shine through Aaron.

48. רַבִּי אֶלְעָזָר אָמַר, הָאִי פְרִשְׁתָּא, הָא אֶתְמַר עוֹבְדָא, דְּמִנְרֵתָא וְתַקּוּנָהָא, וְכָל מַה דְּבַה, אֲמַאי הָכִי זְמַנָּא אַחְרָא. אֶלָּא בֵּינָן דְּנִשְׂיָאִים קָרִיבוּ קוֹרְבָנָא דְּמִדְּבַחָא, וְכָל תַּקּוּנָא דְּאֶתְחַזִּי לֵיה, אֶתְא קָרָא וְאֶשְׁתַּעֵי עוֹבְדָא דְּמִנְרֵתָא, דְּהִיא תַּקּוּנָא עַל יְדָא דְּאֶהָרָן, דְּהָא לְעִילָא מִנְרֵתָא, וְכָל בּוֹצִינִין דִּילָהּ, עַל יְדָא דְּאֶהָרָן נְהָרִין כְּלָא.

49. Come and behold: contemplate the altar. Twelve princes were there to arrange and prepare it, and it was explained that the twelve represent the tribes of the four directions with four standards, SINCE THREE TRIBES WERE ASSIGNED TO EACH STANDARD and all TOGETHER there were twelve. Everything was similar to above. THE ALTAR ABOVE, WHICH IS MALCHUT, RECEIVES FROM THE TWELVE PERMUTATIONS OF YUD HEI VAV HEI IN ZEIR ANPIN, WHICH IS THE SECRET OF CHOCHMAH AND BINAH, TIFERET AND MALCHUT, THAT IS IN EACH OF THE THREE COLUMNS, TOTALING TWELVE. The candlestick was assigned with the seven lamps to be lit by a priest, all similar to above, CORRESPONDING TO ZEIR ANPIN THAT ILLUMINATES TO CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT OF MALCHUT. The candlestick stands through a sign and was produced through a miracle, FOR IT WAS MADE ON ITS OWN. This has been explained in relation to the making of the candlestick.

49. ת"ח, מִדְּבַחָא תְרִיסַר נְשִׂיאִין הָווּ, לְחֻנְכָא לֵיה, וְלֶאֱתַקְנָא לֵיה, וְהָא אוֹקְמוּהָ תְרִיסַר אֵינוֹן שְׁבֻטִין, לְד' סְטְרִין, ד' דְּגָלִים, וְכֵלְהוּ תְרִיסַר. וְכֵלְהוּ כְּגוּוּנָא דְּלְעִילָא. מִנְרֵתָא אֶתְמַנִּי בְּשִׁבְעָה בּוֹצִינִין, לְאֶדְלֶקָא עַל יְדָא דְּכֶהֱנָא, וְכֵלְהוּ כְּגוּוּנָא דְּלְעִילָא. וְמִנְרֵתָא, עַל אֶת קֵימָא, וּבְנִיסָא אֶתְעִבִידָת, וְהָא אוֹקְמוּהָ בְּעוֹבְדָא דְּמִנְרֵתָא.

50. The inner altar and the candlestick are together for everyone's happiness, as is written: "ointment and perfume rejoice the heart" (Mishlei 27:9). OIL IS THE CANDLESTICK THAT IS MALCHUT THAT RECEIVES FROM CHOCHMAH, AND INCENSE IS THE INNER ALTAR. We have explained that there were two altars. One is innermost, AND THAT IS THE ALTAR FOR INCENSE and it is for happiness, AND CORRESPONDS TO BINAH. The outer one, THAT IS THE EXTERIOR ALTAR, is for sacrificial offerings, WHICH CORRESPONDS TO MALCHUT. Abundance flows from the inner altar, WHICH CORRESPONDS TO BINAH, to the one outside, WHICH IS MALCHUT. Whoever gazes and observes, understands and knows the uppermost Wisdom, that the secret of the matter is Adonai Yud Hei Vav Hei, SINCE THE INNER ALTAR IS YUD HEI VAV HEI, BINAH, AND THE OUTER IS ADONAI, MALCHUT. Therefore, incense is offered only when there was oil. THAT IS THE SECRET OF UNIFICATION OF ONE OF CHOCHMAH AND BINAH.

50. וּמִדְּבַח פְּנִימָא, וּמִנְרֵתָא, קֵימִי כְּחֵדָא, לְחֵדוּתָא דְּכְלָא. דְּכֵתִיב שֶׁמֶן וְקֶטֶרֶת יִשְׂמַח לֵב. וְאוֹקִימָנָא דְּתָרֵי מִדְּבַחָן הָווּ, חֵד פְּנִימָא דְּכְלָא, וְהָאִי קֵימָא לְחֵדוּתָא. וְחֵד לְבַר, לְקָרְבָא קָרְבָנִין. וּמֵהָאִי פְּנִימָא נִמְיָק לְהָאִי דְּלְבַר, וּמֵאֵן דְּחָמִי וְיִסְתַּבֵּל, וְנִדְע חֻכְמָתָא עֲלָא, רְזָא דְּמִלָּה אֲדָנִי יְדוּד. וְעַל דָּא לָא אֶתְקָרַב קֶטֶרֶתָא, אֶלָּא בְּשַׁעֲתָא דְּשֶׁמֶן אֶשְׁתַּכַּח.

51. I discovered in the book of King Solomon that the incense is for happiness and to eradicate death. What is the reason? It is because Judgment is prevalent from the outer ALTAR, WHICH IS MALCHUT. The happiness and gladness and the connection of light come from the inner ALTAR where all rejoicing exists, WHICH IS BINAH. When this is roused, THAT IS THE INNER, all Judgment disappears from here, FROM THE OUTER, and no Judgment can be executed. Therefore, the business of incense, WHICH IS THE SECRET OF THE INNER ONE, is to void death - SINCE WHEN THE INNER, WHICH IS THE SECRET OF BINAH, IS AWAKENED BY THE INCENSE, THE OUTER, WHICH IS MALCHUT, IS NOT CAPABLE OF CARRYING OUT JUDGMENT. Therefore, incense is the connection of everything and it is offered in the inner ALTAR, WHERE ALL HAPPINESS EXISTS. Praised are the children of Yisrael in this world and the World to Come. About them, it is written: "and said to me, 'You are My servant, Yisrael, in whom I will be glorified'" (Yeshayah 49:3).

51. אֲשַׁחֲנָא בְּסַמְרָא דְשִׁלְמָה מְלָכָא, קְטֹרֶת הוּא לְחֻדְהָ, וְלִסְלֵקָא מוֹתָנָא. מֵאֵי טַעְמָא. בְּגִין דְּדִינָא מֵהַאי דְּלִבְרָ אֲשַׁתְּבַח, וְחֻדְוֹתָא וְחֻדְוֹתָא וְקִשׁוּרָא דְנִהְיִירוּ, מֵהָהוּא פְּנִימָא, דְּכָל חִידוּ בֵּיהּ קִיּוּמָא. וְכֵד הָאֵי אַתְעַר, כָּל דִּינָא אֲסַתְּלֵק מֵהַאי, וְלֹא יְכִיל לְמַעֲבַד דִּינָא. וּבְגִ"כּ קְטֹרֶת קִיּוּמָא לְבַטְלָא מוֹתָנָא, וְעַל דָּא, קְטֹרֶת קִשׁוּרוֹ הוּא דְכֻלָּא, וְדָא אֲתַקְרִיב בְּהָהוּא פְּנִימָא. זְכָאִין אִינוּן יִשְׂרָאֵל בְּעֵלְמָא דִּין וּבְעֵלְמָא דְאֵתִי, עַלֵּיהּוּ בְּתִיב וַיֹּאמֶר לִי עֲבָדִי אֶתְהָ יִשְׂרָאֵל וְגו'.

10. One who comes from the side of Judgment must not grow hair

We hear that whoever comes from the side of Judgment, like the Levites, must not grow hair since that increases Judgment in the world. All powers and corrections come from the priests, who are from the right side. And the body that is the Central Column is the essence of everything, connecting left and right.

52. "Take the Levites..." (Bemidbar 8:6). It has already been explained that there is a requirement to cleanse them and draw them to connect at their place, IN THE LEFT COLUMN, since they are from the left arm OF GVURAH OF ZEIR ANPIN and the side of Judgment. Whoever comes from the side of Judgment must not grow hair, since it increases Judgment in the world. Consequently, a woman similarly is required to attend to it so that her hair should not be visible outside, and she must cover her head and veil her hair. This has been explained and we have already learned it. All those that come from the side of Judgment are then blessed. Therefore, it is written of the Levites: "and thus shall you do to them, to cleanse them...and let them shave..." (Ibid. 7). We have learned that the Levites cannot ascend to their assigned place until the Priest uplifts them, because the right always leads the left.

52. קַח אֶת הַלְוִיִּים וְגו', הָא אֻקְמוּהָ דְבַעֲי לְדַבְּחָה לֹון, וְלֹא־מִשְׁכָּא לֹון, לְאַתְקִשְׂרָא בְּאַתְרֵיהּוּ, בְּגִין דְּאִינוּן דְּרוּעָא שְׂמָאלָא, וְסִטְרָא דְּדִינָא, וְכָל מֵאן דְּאֵתִי מִסִּטְרָא דְּדִינָא, בַּעֲי דְלָא יִרְבִּי שַׁעְרָא, בְּגִין דְּאִסְגִּי דִּינָא בְּעֵלְמָא. וְעַל דָּא אֲתַתָּא כְּהַאי גְּוֹנָא, דְּלֹא יִתְחַזִּי שַׁעְרָא לְבַר, וּבַעֲיָא לְאַתְחַפִּיָּא רִישָׁהּ, וְלְכַסִּי שַׁעְרָהָא, וְאֻקְיָמְנָא, וְהָא אֲתַמַּר. וְכִדִּין אֲתַבְּרַכֵּן כָּל אִינוּן דְּאֵתִינִין מִסִּטְרָא דְּדִינָא. וְעַל דָּא בְּלִיּוּאֵי בְּתִיב, וְכֵה תַעֲשֶׂה לְהֵם לְטַהֲרֵם וְגו', וְהַעֲבִירוּ תַעַר וְגו'. וְאַתְמַר לִיּוּאֵי לֹא סִלְקִין לְאַתְרֵיהּוּ, עַד דְּיִרְיִם לֹון כְּהֵנָּא, בְּגִין דִּימִינָא מְדַבֵּר תְּדִיר לְשְׂמָאלָא.

53. Rabbi Shimon said: The day that the Levites ascended to their place, THEY OFFERED FOR SACRIFICE two oxen. Why oxen? HE RESPONDS: They are like oxen, MEANING IN THE LEFT COLUMN, IN THE SECRET OF, "THE FACE OF AN OX ON THE LEFT SIDE" (YECHZKEL 1:10). They receive with the left this cow that is called a 'red heifer', MEANING MALCHUT OF THE LEFT SIDE. Every power and every correction depends on the priest, WHO IS THE RIGHT COLUMN, since the total power of the body is in the right arm. Therefore, the priest was the right arm of all Yisrael, by which he was ready to arrange everything and sustain the world. In spite of all this, THE RIGHT COLUMN is not alone, but CONNECTED to the body and to the left, THAT IS, WITH THE TWO COLUMNS - CENTRAL AND LEFT. And the body, THAT IS THE CENTRAL COLUMN, is the essence of everything, SINCE IT UNITES THE TWO COLUMNS AND COMPLETES THEM, AND ALSO INCLUDES THEM.

53. ר"ש אָמַר, בְּיוּמָא דְּסִלְקִין לִיּוּאֵי בְּדוּכְתֵיהּוּ, בְּתֵרִין פְּרִים. מ"ט פְּרִים. אֵלָא אִינְהוּ בְּפְרִים, לְקַבְּלָא בְּשְׂמָאלָא לְהַאי פְּרָה דְּאֶקְרִי פְּרָה אֲדוּמָה. כְּהֵנָּא כָּל חִילָא וְכָל תְּקוּנָא בֵּיהּ תְּלִיָּא, בְּגִין דְּכָל חִילָא דְּגוּפָא בְּדְרוּעָא יְמִינָא קִיּוּמָא. וְעַל דָּא כְּהֵנָּא דְּרוּעָא דִּישְׂרָאֵל כְּלֵהוּ הוּי. וּבֵיהּ קִיּוּמָא לְאַתְקָנָא כָּלָא וְלְאַתְקָנָא עֵלְמָא וְעַם כָּל דָּא, לֹא אֲשַׁתְּבַח בְּלְחֻדְוֵי, אֵלָא בְּגוּפָא וּשְׂמָאלָא, וּגוּפָא עֶקְרָא הוּא דְכֻלָּא.

11. "This is that which belongs to the Levites"

Rabbi Shimon says that the Levite must serve from age 25 to age fifty, after which his strength is declining and his voice is not as strong. The place to which the Levite is assigned is from strong judgment and must not be flawed by any weakness.

54. "This is that which belongs to the Levites" (Bemidbar 8:24). Come and behold: the Levi, who is 25 years old, ascends to his place and is adorned. He will do service work for 25 years until he reaches the grade of fifty. When he reaches the grade of the fiftieth year and higher, he declines from the strength of fire within him. Since the fire and heat get cooler, he causes damage to the place to which he is connected, WHICH IS THE LEFT.

55. In addition, AFTER FIFTY YEARS, the singing voice is no longer that well connected with him, SINCE IT BECOMES A LITTLE WEAKER. It is necessary that this voice should not be flawed, but rather get stronger, since it stands in a place of strong Judgment and not in a weak one. Therefore, it is important not to degrade that place, THAT IS THE LEFT, to which he is assigned, since it is powerful Judgment and not feeble. It is necessary not to show any feebleness in any direction. Praised is the man that toils in the Torah, knows the ways of the Holy One, blessed be He, and does not deviate to the right or the left. It is written: "for the ways of Hashem are right" (Hoshea 14:10), MEANING ONE WHO FOLLOWS STEADILY IN THE CENTRAL COLUMN.

12. The Pesach at its appointed season and second Pesach

Rabbi Shimon explains why God spoke to Moses in the wilderness of Sinai about Pesach since He had already told them about it in Egypt. He says that if the Torah had come simply to relate simple tales we could produce a better Torah today; it is obvious that everything in the Torah contains higher secrets. The stories told therein are merely its garment or dress, the same as the body is the garment for the person who comes to earth. He says that the soul that is the splendor of Yisrael that is Zeir Anpin is the actual soul of the Torah at which the sages look.

56. "And Hashem spoke to Moses in the wilderness of Sinai..." (Bemidbar 9:1). Rabbi Aba said: What is the reason that he exhorted them here about the Pesach? It was already told to them in Egypt. HE RESPONDS: This is because it was the second year and Yisrael thought that it only applied in Egypt. Since they had already performed it in Egypt once, they assumed that it was no longer necessary. The Holy One, blessed be He, came and cautioned them about this, so that they should not think that its time had passed in Egypt and that it was not necessary ANY LONGER. Therefore, HE EXHORTED THEM about it "in the wilderness of Sinai...in...the second year," to institute PESACH (PASSOVER) for the generations to come.

57. ANOTHER EXPLANATION. Although He exhorted them about that in Egypt, He commanded them a second time in the place where all the commandments and laws of the Torah were given. Therefore, "in...the second year..." HE ASKS: What is the meaning of: "in the first month of the second year"? NAMELY, WHAT DOES THIS ALLUDE TO? HE REPLIES: This is a lofty secret. THERE IS that which is referred to as a year, AND THERE IS that which is referred to as a month. What is the difference between this and that? Month is the moon, MEANING MALCHUT, while a year is the sun, ZEIR ANPIN, which illuminates the moon. "IN THE FIRST MONTH OF THE SECOND YEAR," POINTS TO THE COUPLING OF ZEIR ANPIN AND MALCHUT, WHICH ARE CALLED 'YEAR' AND 'MONTH', IN THE PLACE OF THE SINAI DESERT. THAT IS THE SECOND UNION AFTER THE EXODUS OF EGYPT. This was during the time that all the commandments of the Torah were passed on to them, SINCE THROUGH THE COUPLING OF MALE AND FEMALE IN THE DESERT OF SINAI, ALL THE COMMANDMENTS OF THE TORAH WERE GIVEN.

58. Rabbi Shimon says: Woe to the man who says that the Torah came to relate stories, simply and plainly, and simpleton tales ABOUT ESAU AND LABAN AND THE LIKE. If it was so, even at the present day we could produce a Torah from simplistic matters, and perhaps even nicer ones than those. If THE TORAH CAME to exemplify worldly matters, even the rulers of the world have among them things that are superior. If so, let us follow them and produce from them a Torah in the same manner. It must be that all items in the Torah are of a superior nature and are uppermost secrets.

59. Come and behold: the world above and the world below are measured with one scale. The children of Yisrael below CORRESPOND to the lofty angels above. It is written about the lofty angels: "Who makes the winds His messengers" (Tehilim 104:4). When they descend downwards, they are donned with the vestments of this world. If they had not acquired the dress for this world, they would not be able to exist in this world, and the world would not be able to stand them. And if this is so for the angels, how much more so is it for the Torah that created these MESSENGERS and all the worlds, that exist due to her. Once it was brought down to this world, if it had not donned all these covering garments of this world, WHICH ARE THE STORIES AND SIMPLISTIC TALES, the world would not have been able to tolerate it.

60. Therefore, this story of the Torah is the mantle of the Torah. He who thinks that this mantle is the actual essence of the Torah and that nothing else is in there, let his spirit deflate and let him have no part in the World to Come. Therefore, David said, "open my eyes, that I may behold wondrous things out of Your Torah" (Tehilim 119:18); THAT IS, LOOK what lies under that garment of the Torah.

61. Come and behold: There is a dress that is visible to everyone. The simple people, when they see a person dressed beautifully, WHO APPEARS TO THEM DISTINGUISHED BY HIS CLOTHING, do not observe any further. THEY MAKE THEIR JUDGMENTS ABOUT HIM ACCORDING TO HIS DISTINGUISHED APPAREL and they consider the dress as the body OF MAN, and the body OF THE PERSON LIKE his soul.

62. Similar to this is the Torah. It has a body, which is composed of the commandments of the Torah that are called the 'body of the Torah'. This body is clothed with garments, which are stories of this world. The ignorant of the world look only at that dress, which is the story in the Torah, and are not aware of anything more. They do not look at what lies beneath that dress. Those who know more do not look at the dress, but rather at the body beneath that dress. The wise, the sages, the servants of the Loftiest King, those that stood at Mount Sinai, look only at the soul OF THE TORAH, which is the essence of everything, the real Torah. In the destiny to come, they are destined to look at the soul, the soul of the Torah.

58. ר"ש אָמַר, וּוּי לְהוּא ב"נ דְאָמַר, דְהָא אִוְרִייתָא אַתָּא לְאַחֲזָא סְפוּרִין בְּעֵלְמָא, וּמְלִין דְהֶדְיוּטִי. דְאִי הָכִי, אָפִילוּ בְזִמְנָא דָא, אֲנִן יִכְלִין לְמַעְבַּד אִוְרִייתָא, בְּמִלִין דְהֶדְיוּטִי, וּבִשְבַחָא יְתִיר מִכְלָהּ. אִי לְאַחֲזָא מְלָה דְעֵלְמָא, אָפִילוּ אִינוּן קַפְסִירִי דְעֵלְמָא, אִית בִּינְיָהוּ מְלִין עֵלְאִין יְתִיר. אִי הָכִי נְזִיל אֲבַתְרִייהוּ, וְנַעֲבִיד מְנִייהוּ אִוְרִייתָא, כְּהָאִי גּוּוּנָא. אֵלָא כָּל מְלִין דְאִוְרִייתָא, מְלִין עֵלְאִין אִינוּן, וְרִזִין עֵלְאִין.

63. Come and behold: it is also like that above. There exists an apparel, a body, a soul, and a soul for the soul. The heavens and its legions are the apparel, and the Congregation of Yisrael, WHICH IS MALCHUT, is the body that receives the soul, which is the splendor of Yisrael, MEANING ZEIR ANPIN. Therefore, MALCHUT is the body of the soul, SINCE ZEIR ANPIN IS DONNED WITH HER, LIKE THE SOUL IN THE BODY. The soul that we mentioned, which is the splendor of Yisrael, is the actual Torah, MEANING THE SOUL OF THE TORAH AT WHICH THE SAGES LOOK. It is the soul of the soul that is the Ancient Holy One, ON WHOM THEY WILL LOOK IN THE DESTINY TO COME, AS MENTIONED. Everything is held one by the other. THE HOLY ATIKA IS DRESSED IN ZEIR ANPIN, AND ZEIR ANPIN IS DRESSED IN MALCHUT, AND MALCHUT IS DRESSED IN THE WORLDS BRIYAH, YETZIRAH, ASIYAH AND ALL THEIR LEGIONS.

63. ת"ח, הָכִי נִמְי לְעִילָא, אֵית לְבוּשָׁא, וְגוּפָא, וְנִשְׁמָתָא, וְנִשְׁמָתָא לְנִשְׁמָתָא. שְׂמִיָּא וְחִילִיהוּן. אֵלִין אִינוּן לְבוּשָׁא. וְכֹנְסַת יִשְׂרָאֵל, דְּאִי גּוּפָא, דְּמִקְבֵּלָא לְנִשְׁמָתָא, דְּאִיהוּ תְּפָאֶרֶת יִשְׂרָאֵל. וְע"ד אִיהוּ גּוּפָא לְנִשְׁמָתָא. נִשְׁמָתָא דְּאִמְרָן דְּאִי תְּפָאֶרֶת יִשְׂרָאֵל, דְּאִיהוּ אֹרִייתָא מִמֶּשׁ. וְנִשְׁמָתָא לְנִשְׁמָתָא, דְּאִי אִיהוּ עֵתִיקָא קְדִישָׁא. וְכֻלָּא אֲחִיד דְּאִי בְּדָא.

64. Woe to those wicked who say that the Torah is merely a story and nothing more, for they look at the dress and no further. Praised are the righteous, who look properly at the Torah. Wine lasts only if it is in a jug. Similarly, the Torah does not endure, except in this mantle. Therefore, there is no need to look except at what is beneath the mantle. That is why all these matters and all these stories are garments.

64. ווי לְאִינוּן חֲיִיבֵיָא, דְּאִמְרֵי דְּאֹרִייתָא לֹא אִיהוּ אֶלָּא סְפוּרָא בְּעֲלֵמָא, וְאִינוּן מְסַתְּבְּלֵי בְּלְבוּשָׁא דְּאִי וְלֹא יְתִיר. זְכָאִין אִינוּן צְדִיקֵיָא, דְּמְסַתְּבְּלֵי בְּאֹרִייתָא בְּדִקָּא יָאוּת. חֲמָרָא לֹא יְתִיב אֶלָּא בְּקִנְקָן. כִּן אֹרִייתָא לֹא יְתִיב אֶלָּא בְּלְבוּשָׁא דְּאִי. וְע"ד לֹא בְּעֵי לְאַסְתְּבֵּלָא, אֶלָּא בְּמָה דְּאִית תְּחוּת לְבוּשָׁא. וְע"ד כֹּל אִינוּן מְלִין, וְכֹל אִינוּן סְפוּרִין, לְבוּשֵׁין אִינוּן.

13. The second Pesach

We hear about the ordinance to keep Pesach at the correct time and about the inner meaning of what happens if it is kept a month later due to uncleanness or traveling.

65. "Let the children of Yisrael also keep the Pesach at its appointed season" (Bemidbar 9:2). HE ASKS: What is "keep"? IT SHOULD HAVE SAID, 'EAT'. Rabbi Yosi said: Have we not learned that whoever shows a proper worthy action below is as if he made that above. Due to him, this matter is roused ABOVE, and it is as if he actually made it, as we have already learned.

65. וְיַעֲשׂוּ בְּנֵי יִשְׂרָאֵל אֶת הַפֶּסַח בְּמוֹעֵדוֹ מֵאִי וְיַעֲשׂוּ. אָמַר רַבִּי יוֹסִי, הָאִי אֲתָמַר, כֹּל מֵאֵן דְּאֲחֻזִּי עוֹבְדָא לְתַתָּא בְּדִקָּא יָאוּת, כְּאִילוּ עָבִיד לִיהָ לְעִילָא. דְּהָא בְּגִינֵיהָ אֲתַעַר הוּא מְלָה, כְּבִיכּוּל, כְּאִילוּ הוּא עָבִיד לִיהָ, וְהָא אֲתָמַר.

66. "If any man (lit. 'man man') of you or your posterity shall be unclean..." (Ibid. 10). HE ASKS: Why does it say "man" twice? HE ANSWERS: THE EXPLANATION IS that it is a man who is a man and is worthy to receive the lofty soul, yet he flawed himself so the supernal Shechinah does not reside with him. What is the reason? He brought it about by defiling himself. Therefore, IT IS WRITTEN 'man man', WHICH MEANS that he is worthy to be a man, but he caused himself to be defiled so the Holiness from above should not be with him.

67. "...or be on a journey afar off" (Ibid.). This is one of the ten PLACES that have dots in the Torah. All come to demonstrate something. What is "afar off"? THERE IS A POINT ABOVE THE HEI OF 'AFAR' (HEB. RECHOKAH). It is because a person that defiles himself is made unclean above. As soon as they make him unclean above, he is afar off, far from the place and the road on which the children of Yisrael are attached. He is attached to a journey afar off; he removed himself from getting close to you, Yisrael, and to connect with you as you connect. THAT IS WHY IT SAYS, "ON A JOURNEY AFAR OFF," WITH A DOT ON THE HEI OF RECHOKAH, TO INDICATE THAT THE INTENTION IS ON THE OTHER SIDE THAT IS FAR FROM HOLINESS.

68. Rabbi Yitzchak said: Why is it written, "shall be unclean by reason of a dead body, or be on a journey afar off"? That seems to indicate that there are two things here, which is understood from the word "or." AND HOW CAN YOU SAY THAT THEY ARE ONE THING, THAT THE UNCLEANNESS CAUSED HIM TO BE AFAR OFF? Rabbi Yosi said: Here, WHEN IT SAYS "UNCLEAN BY REASON OF A DEAD BODY," IT MEANS prior to having been made unclean FROM ABOVE. Here, WHEN IT SAYS, "ON A JOURNEY AFAR OFF," THE MEANING IS after they made him unclean FROM ABOVE AND HE STUMBLED TO THAT JOURNEY AFAR OFF, WHICH IS THE OTHER SIDE. It seems that neither this one nor that one will have Holiness from above reside with them, and they will not observe the Pesach at the same time that Yisrael observe it.

69. If you wonder whether he observes THE PESACH on the following month, even if he does not amend himself, it is not so. It is only after he has purified and restored himself. He has another month to perform the Paschal lamb. From here, we take it that every person that purifies himself is also purified FROM ABOVE.

70. If you will venture to say that he will find himself on a higher level that second month, it is not so. This is because the children of Yisrael, the holy offspring that prepare the Paschal lamb at its designated time, take the moon and the sun, THAT ARE MALCHUT AND ZEIR ANPIN, together as one. Whoever receives first the foundation receives the building upon it. What is the foundation? Do not say that it is the loftiest foundation of the everlasting Righteous, THAT IS YESOD OF ZEIR ANPIN, but rather the foundation of a precious stone, MALCHUT, as is written: "the stone which the builders have rejected has become the head stone of the corner" (Tehilim 118:22). For this is a stone upon which something lies, THAT IS ZEIR ANPIN.

66. איש איש בני יהיה טמא וגו'. איש איש תרי זמני, אמאי, אלא איש דהוא איש, ויתחזי לקבלא נשמתא עלאה, והוא פגים גרמיה. דלא שרינא עלוי שכינתא עלאה. מ"ט. בגין דאיהו גרים, והוא מסאב ליה לגרמיה. וע"ד איש איש. איש דיתחזי למדוי איש, והוא מסאב גרמיה, דלא ושרי עלוי קדושה דלעילא.

71. Rabbi Yehuda said: Certainly he acquires all, even on the second month. THAT IS, ONE CAN ACQUIRE EVEN IN THE SECOND MONTH MALCHUT AND ZEIR ANPIN TOGETHER, AT ONCE, JUST LIKE IN THE FIRST PASCHAL PREPARATIONS OF THE LAMB. HOWEVER, it is not quite the same as if someone acquires the Paschal lamb on the designated period. What is the reason? It is because the one who acquires the Paschal lamb service on its designated period receives from the bottom upward and does not regress, since we may promote to a higher grade of sanctity but not degrade. The one who acquires the Paschal lamb past the designated time descends from higher to lower. Therefore, even if it is the same in everything, it is not equal, since this one ascends and that one descends, and that one descends and does not ascend. Therefore, whoever brings the Paschal lamb on its designated state is more worthy. Praised are the children of Yisrael who are meritorious in all. They are worthy of the Torah, and whoever is worthy of the Torah merits the Holy Name. Praised are they in this world and the World to Come.

We are told that once the Congregation of Yisrael is adorned with her crowns in the month of Nissan she does not remove the crowns from herself for thirty days, so it is still possible to have a second Passover in the second month. The commandments for the slaughter of the Paschal lamb and the delay of the celebration for those who are unclean or far away to the second date are laid out for us. The first Passover is from the right and the second is in the left. Ra'aya Meheimna (The Faithful Shepherd)

72. It is a commandment to make a second Pesach for those that were unable TO DO THE PASCHAL OFFERING ON ITS DESIGNATED DATE, BECAUSE THEY WERE TOO FAR AWAY or were defiled by any other uncleanness. HE ASKS: If the secret of Pesach, which is the secret of the Faith in which Yisrael entered, dominates in the month of Nissan and then it is the time for rejoicing, how could those who were unable to prepare it on time, or were defiled, make up for it in the second month, seeing that its time had already passed?

73. HE REPLIES: Once the Congregation of Yisrael, WHICH IS MALCHUT, is adorned with its crowns, MEANING THE MOCHIL OF THE FIRST THREE SFIROT, in the month of Nissan, she does not remove these crowns and adornments from herself for thirty days. The Matron sits in her adornments all these thirty days, beginning with the day of the exodus of Yisrael, since the Paschal lamb and all her legions are in a state of happiness. Whoever wishes to see the Matron may look. And the proclamation calls: Whoever did not get a chance to see the Matron should come and look before the gates are locked. When is this proclamation proclaimed? It is on the fourteenth day of the second month, since the gates remain open from then on for seven days following. Following that, they lock the gates. Therefore, THEY BRING the second Pesach.

74. This commandment entails the slaughter of the Paschal lamb at its appointed time. It reveals the first Paschal lamb date and the second Paschal lamb, and cautions us to consume them in accordance with their laws. The unclean should be delayed to the second Paschal lamb date. That is a third commandment. Tanaim and Amoraim: they are persons who are like pure, mundane objects from the side of Michael. And they are those like mundane objects from the sacred, for example holy meat, from the side of Gabriel, SINCE MICHAEL AND GABRIEL ARE the priest and the Levi, WHICH IS CHESED AND GVURAH. They are persons who are like Holy days and they are like the Holy of Holies.

75. The Shechinah is the first Pesach from the right side, SINCE THE FIRST MONTH IS FROM THE RIGHT COLUMN, and the second Pesach from the left, SINCE THE SECOND MONTH IS THE LEFT COLUMN. SINCE NISSAN AND IYAR ARE CHESED AND GVURAH, the first Pesach is from the right where Chochmah prevails, SINCE CHOCHMAH IS IN THE RIGHT COLUMN. The second Pesach is in the left where Binah prevails, SINCE BINAH IS IN THE LEFT COLUMN. In Gvurah, WHICH IS IN THE LEFT COLUMN, all foreign fires are removed, which are like straw and chaff in relation to the fire of Gvurah. THEREFORE, the unclean are delayed until the second Pesach.

75. שְׁכִינָתָא אִיהִי פֶסַח רֵאשׁוֹן, מִיְמִינָא. וּפֶסַח שְׁנִי, מִשְׁמָאלָא. פֶּסַח רֵאשׁוֹן מִיְמִינָא, דְּתַמְנָן חֲכֻמָּה. פֶּסַח שְׁנִי מִשְׁמָאלָא, דְּתַמְנָן בִּינָה. וּבְגִין דְּבִגְבוּרָה מִתְעַבְרִין כָּל אֲשֵׁין נוֹכְרָאִין, דְּאִינוּן כְּקֶשׁ וְתַבָּן לְגַבֵּי אֵשׁ דְּגִבּוּרָה, טְמָאִים נִדְחִים לְפֶסַח שְׁנִי.

14. "Everything that comes into the fire... you shall pass through the fire"

We learn that the soul is the vessel of God, and that God will not dwell in it until it is purged in the fire of Gvurah. Also, people are cleansed by the Written Torah from the right, that is referred to as 'water'. The completely wicked are purified in Gehenom but those who study the Oral Torah and the Written Torah are purified through the Torah.

76. Every uncleanness - such as that of a woman in her menstrual flow, a leper, or a man or a woman who has a discharge and a woman who gives birth - the fire of Gvurah consumes THEM. The soul is the vessel of the Holy One, blessed be He, AND THE HOLY ONE, BLESSED BE HE, does not dwell in it until it is purged in the fire of Gvurah, as is written: "is not My word like a fire?" says Hashem" (Yirmeyah 23:29). In this fire, if THE EVIL INCLINATION is like iron, it explodes; if it is like stone, it melts.

76. וְכָל טוּמְאָה נִדְּחָה, וּמְצוּרַע, וְזָב וְזָבָה וְיוֹלְדֵת, בְּאֵשׁ דְּגִבּוּרָה אִיהוּ שׁוֹרֵף. דְּנִשְׁמָתָא אִיהוּ מְאָנָא דְּקוּדְשָׁא בְּרִיךְ הוּא, וְאִיהוּ לֹא שְׂרִי בָּהּ, עַד דְּאִתְלַבְּנַת בְּאֵשׁ דְּגִבּוּרָה, דְּכֹתִיב הֲלֹא כֹה דְּבָרֵי כָּאֵשׁ נָאִם יי'. וּבִהְיֵי אֵשׁ, אִם בְּרוּל הוּא מִתְפּוֹצֵץ, וְאִם אֶבֶן הוּא נִמּוּחַ.

77. And of the right, the place of the Written Torah, that is REFERRED TO AS 'water', IT SAYS: "and she shall be cleansed from the flow of her blood" (Vayikra 12:7). Through her are cleansed a leper, one who is unclean through contact with a dead body, one who has a discharge and one who is defiled through contact with any kind of insect. It is written: "then will I sprinkle clean water upon you, and you shall be clean" (Yechezkel 36:25).

77. וּבִיְמִינָא דְּתַמְנָן תּוֹרָה שְׁבֻכְתָּב, דְּאִיהִי מִים, וְטְהַרָה מִמְקוֹר דְּמִיָּה, וְאִתְדְּבִי בָּהּ מְצוּרַע, וְטְמֵא מֵת, וְזָב וְטְמֵא בְּכָל מִינֵי שְׂרָץ. הֵה"ד וְזִרְקֵתִי עֲלֵיכֶם מִים טְהוּרִים וְטְהַרְתֶּם וְגו'.

78. In the Central Column, the vessel is united with her husband, THE VESSEL being a woman, MALCHUT. After becoming sanctified in the Left Column and becoming cleansed in the ritual waters in the Right Column, SHE IS UNITED IN THE CENTRAL COLUMN. It is said about Pesach utensils: such utensils that are used for cold things, one dips them ritually in cold and they are cleansed. Since they are the souls that came from the side of Mercy and they are merciful, graceful and kind, they do not require cleansing in lukewarm water like those of average people. Most certainly they are not cleansed in the very hot waters, through which the completely wicked purify themselves, those who heat themselves in the fire of the Evil Inclination. About them, it is written: "everything that comes into the fire...you shall pass through the fire" (Bemidbar 31:23), since the filth on them is great. However, the completely Righteous are cleansed with cold waters, since it was said about them: whoever puts space between the ones that get stuck together - MEANING THAT HE DOES NOT STICK TOGETHER WHILE PRONOUNCING THE LETTERS IN THE RECITAL OF Sh'ma - one to the other, they cool Gehenom for him.

78. בְּעֵמּוּדָא דְּאִמְצָעִיתָא מְאָנָא אִתְיַחַדַת בְּבַעֲלָהּ, דְּאִיהִי אִתְתָּא, בְּתַר דְּאִתְקַדְּשַׁת בְּשְׁמָאלָא, וְאִתְדְּכַאֵת בְּמֵי מְקוּהָ בִיְמִינָא, וְאוּמְרִים עַל מְאֵנֵי דְּפֶסַחָא, כְּלִים שְׁנִשְׁתַּמְשׁוּ בְּהָן בְּצוּנָן, מְטַבִּילָן בְּצוּנָן, וְהָן טְהוּרִים. אִינוּן נִשְׁמָתִין דְּאִינוּן מְסַטְרָא דְּרַחֲמֵי, וְאִינוּן רַחֲמָנִים, מְאֵרֵי חֲנָא וְחֶסֶדָא, לֹא צְרִיכִין לְאִדְכָּאָה בְּמִים פּוֹשְׂרִים כְּבִינוּנָנִים. כ"ש בְּחֲמֵי חֲמִין, דְּבִהוּן מִתְדְּכִין רְשָׁעִים גְּמוּרִים, דְּמִחֲמִין גְּרַמְיִיהוּ בְּאֵשׁ דִּיצְה"ר. וְעַלְיִיהוּ אִתְמַר, כָּל דְּבָר אֲשֵׁר יָבֵא בְּאֵשׁ. בְּגִין דְּזוּהֵמָא דְּלֵהוּן נְפִישָׁא. אֲבָל צְדִיקִים גְּמוּרִים בְּצוּנָן. דְּעַלְיִיהוּ אִתְמַר, כָּל הַמְּשִׁים רִיחַ בֵּין הַדְּבָקִים, מְצַנְנִים לֵיהּ גִּיהֶנֶם.

79. If the souls are materialistic, in that they are like clay utensils, their breakage is their purification. As it is said, if they are broken, they were cleansed. The secret of this is: "the sacrifices of Elohim are a broken spirit" (Tehilim 51:19). However, about those involved in studying Written Torah and Oral Torah, which are fire and water, and those who are striving after the secrets of the Torah, which is light, it is written: "and Torah is light" (Mishlei 6:23). They are purified through the Torah AND DO NOT NEED GEHENOM.

80. Furthermore, we find in the chapter about seeing, 'One who sees dates (Heb. temarim) in his dream, it means his iniquities have ended (Heb. tamu)'. This is what is written: "the punishment of your iniquity is accomplished, O daughter of Zion" (Eichah 4:22), because temarim consists of THE LETTERS of tam (Eng. 'whole'), which is Jacob's level, about whom it is written: "and Jacob was a plain (Heb. tam) man" (Beresheet 25:27). The sins are bitter (Heb. marim) and, therefore, the dates (Heb. temarim) contain THE LETTERS tam and mar. THEREFORE, THAT INDICATES THAT HIS SINS ARE OVER.

15. "The waters were made sweet"

This section talks about the days to come, emphasizing the stress and poverty that will come to the teachers of the Mishnah during the time of testing. The text addresses the Faithful Shepherd, Moses, telling him that through his revelation of the secrets will come the sweetening of the waters. Sufferings are like salt that sweetens the meat.

81. Here, it is hinted that "the waters were made sweet." This is what is written: "and Hashem showed him a tree...the waters were made sweet" (Shemot 15:25). It is apparent from here that for whoever strives in the Torah, which is the Tree of Life, it is said about his sins: "and they made their lives bitter with hard bondage" (Shemot 1-14). The Holy One, blessed be He, forgives them and they BECOME sweet again, MEANING THAT THE INIQUITIES TURN TO BECOME LIKE MERITS.

82. Days will come of which will be fulfilled, like the days that were during their exodus from Egypt, what is written there: "and Joseph died, and all his brethren, and all that generation" (Ibid. 6). In the last exile, death is nothing but poverty, since a poor person is regarded as dead. The verse will be fulfilled of them: "and I will leave in the midst of you a poor and lowly people, and they shall trust in the Name of Hashem" (Tzefanyah 3:12). It will also be fulfilled in relation to them: "and the afflicted people You will save" (II Shmuel 22:28). Those rich that will survive among them, this will be fulfilled about them: "you are idle, you are idle" (Shemot 5:17). They are slack in learning Torah, slow to do kindness toward Torah people, and people of virtue that wander from city to city are not received graciously.

79. וְאִי נִשְׁמָתִין חֲמֻרִים, דְּאִינוּן כְּמֵאֲנֵי חֶרֶס, שְׁבִירְתָן זֶה הוּא טְהִירְתָן. כַּד"א נִשְׁבְּרוּ, נִטְהָרוּ. וְרִזָּא דְּמֵלָה, זִבְחֵי אֱלֹהִים רוּחַ נִשְׁבְּרָה וְגו'. אֲבָל אִינוּן דְּמִשְׁתַּדְּלִין בְּאוֹרֵייתָא דְּבִכְתָּב וּבְאוֹרֵייתָא דְּבַע"פ, דְּאִינוּן אִשׁ וּמֵימ, וְאִינוּן דְּמִשְׁתַּדְּלִין בְּרִזֵי דְּאוֹרֵייתָא, דְּאִיהוּ אוֹר, דְּכִתְיֵב בְּה, וְתוֹרָה אוֹר, בְּאוֹרֵייתָא אִינוּן מִתְדַכֵּין בְּה.

80. וְעוֹד בְּפֶרֶק הַרוּאָה, הַרוּאָה תְּמָרִים בְּחֵלוֹם, תְּמוּ עֲוֹנוֹתָיו. הַה"ד, תָּם עֹנֵךְ בַּת צִיּוֹן. בְּגִין דְּתְּמָרִים, בֵּיה תָּם, דְּרָגָא דִּיעֻקֵּב, דְּאֶתְמַר בֵּיה, וְיַעֲקֹב אִישׁ תָּם. חוֹבִין מְרִים, וְע"ד תְּמָרִים: תְּמָן ת"ם, וְתִמְן מ"ר.

81. הֵבֵא רְמִיז, וְיִמְתְּקוּ הַמַּיִם. הַה"ד, וְיִזְרְהוּ יְיָ עֵץ וְיִמְתְּקוּ הַמַּיִם. מֵהֵבֵא, מֵאֵן דְּאֶשְׁתַּדַּל בְּאוֹרֵייתָא, דְּאִיהוּ עֵץ. חוֹבִין דִּילֵיה, דְּאֶתְמַר בְּהוּן וְיִמְרְרוּ אֵת חַיֵּיהֶם בְּעִבּוּדָה קָשָׁה, קוּדְשָׁא בְּרִיךְ הוּא מְחִיל לֵיה, וְיִתְחַזְרוּן מִתִּיקִין.

82. דִּיּוֹמִין יִיתָן, דִּיתְקִיִים בְּהוּ כְּמִפְקֵנוּ דְּמִצְרַיִם, דְּאֶתְמַר בֵּיה וְיָמַת יוֹסֵף וְכָל אָחָיו וְכָל הַדּוֹר הַהוּא. וּבְגִלוּתָא בְּתְרָאָה, לֵית מִיתָה אֲלָא עֹנֵי דְּעֵנֵי חֲשׁוּב כְּמַת. לְקִיִים בְּהוּן וְהִשְׁאֲרֵתִי בְּךָ עִם עֹנֵי וְדַל וְחֲסוּ בְּשֵׁם יְיָ. לְאֶתְקִימָא בְּהוּן וְאֵת עִם עֹנֵי תוֹשִׁיעַ. וְאֵלִין עֲתִירִים דִּישְׁתַּאֲרוּן בְּהוּן יִתְקִיִים בְּהוּן, נְרַפִים אֲתָם נְרַפִים. נְרַפִים הֵם בְּאוֹרֵייתָא. נְרַפִים הֵם, לְמַעַבְד טִיבוּ עִם מְאִרֵי תוֹרָה. וְאֲנָשֵׁי חֵיל הַמְּסוּבָבִים מְעִיר לְעִיר וְלֹא יִחַוְנָנוּ.

83. They are idle under the heavy burden. You may say that it is because THEY ARE heavily burdened that they do not do kindness. Therefore, "let more work be laid upon the men, that they may labor in it" (Ibid. 9), and cause that the burden will actually be REAL. "And let them not regard vain words" (Ibid.), that they lie and say that the burden is heavy on them, and therefore they refrain from kindness. They TOO are lying by saying that due to the burden that is heavily upon them, "there is no straw given." That is the lie of money, by which they have erred before the Holy One, blessed be He, by paying no attention to Him nor trusting in the Name of Hashem. STRAW, WHICH IS MONEY, is not "given to your servants," AND NOT BECAUSE OF THE HEAVY BURDEN.

84. Those that have straw, hide and store their money in it, which is inside (Heb. tochen), like inside the storage or inside the safety-box. It is applicable to them, "yet shall you deliver the quantity (Heb. tochen) of bricks" (Ibid. 18) which refers to sums of money that are bricks that will exist during that generation.

85. During that period, "there He made for them a statute and an ordinance, and there He tested him" (Shemot 15:25), referring to the teachers of the Mishnah. They too, "came to Mara (Eng. 'bitter')" (Ibid. 23). The Oral Law will again be bitter to them with great stress and poverty, and it will be fulfilled for them: "and they made their lives bitter with hard bondage," which refers to hard questions. "...in mortar (Heb. chomer)..." from minor to major (Heb. chomer), "and in brick (Heb. levenah)." That refers to explaining (Heb. libun) law. "...and in all manner of bondage in the field..." (Shemot 1:14). That refers to the Baraita, SINCE BARAITA MEANS FIELD. "All their bondage, wherein they made them serve, was with rigor" (Ibid.); that is, the unanswered problems and questions.

86. And you, Faithful Shepherd, it will come true there for you: "there He made for them a statute and an ordinance, and there He tested him." With this Tree of Knowledge of Good and Evil - that is, prohibition and permission - and through these secrets that will be revealed through you, "the waters were made sweet." Like salt that sweetens the meat, so will they be sweetened through you by the secrets that will be revealed through you. All these difficulties and disagreements of the bitter waters in the Oral Torah will return to be sweet waters of the Torah. These sufferings that you have will again be sweet to you through the secrets that will be revealed through you, and all your pains will seem to you like passing dreams THAT ARE NO MORE. Dream (Heb. chalam, Chet-Lamed-Mem) is like salt (Heb. melach, Mem Lamed Chet), AND LIKE SALT that sweetens the meat, so too are sufferings, as we have explained.

83. וְנִרְפִּים הֵם בְּכוֹבֵד הַמָּס, דְּאֵי תִימָא כְּבִדִּין אִינוּן בְּכוֹבֵד הַמָּס, וְלֹא עֲבָדִין טִיבוּ, בְּגִין דָּא תְּכַבֵּד הָעֲבוּדָה עַל הָאֲנָשִׁים וַיַּעֲשׂוּ בָהּ, דְּכוֹבֵד הַמָּס עָלֵיהּ, וְאֵל יִשְׁעוּ בְּדַבְרֵי שְׁקֵר, דְּאִינוּן מְשַׁקְרִין וְאִמְרִין דְּכוֹבֵד הַמָּס עָלֵיהּ, וּבְגִין דָּא לֹא יַעֲבִדוּן טִיבוּ. אִינוּן מְשַׁקְרִין בְּמַלּוּלֵיהּ, וְאִמְרִין דְּמַהְכוֹבֵד דְּתְכַבֵּד עָלֵיהּ, תְּבִין אֵין נִתָּן, מְמוֹנָא דְשִׁקְרָא, דְּבִיָּה טוֹעִין לְקוּדְשָׁא בְּרִיךְ הוּא וּבְגִין דְּלֹא יִשְׁעוּן בֵּינָה, וְלֹא חָסוּ בְּשֵׁם יי', אֵין נִתָּן לְעֲבָדִיךָ.

86. וְרַעֲיָא מְהִימְנָא, תַּמָּן אֲתַקִּים בְּךָ, שָׁם שָׁם לֹו חֹק וּמִשְׁפֵּט וְשָׁם נִסְהוּ. וּבְהֵאֵי עַץ הַדַּעַת טוֹב וְרַע, דְּאִיהוּ אִיסוּר וְהִיתֵר. וּבְאִינוּן רְזִין דְּאֲתַגְלִיין עַל יַדְךָ, וַיִּמְתְּקוּ הַמִּים. כְּמַלַּח דְּמַמְתַּקַּת בְּשָׂרָא, הֵכִי יִתְמַתְּקוּן בְּרְזִינָא דְּאֲתַגְלִיין עַל יַדְךָ, כָּל אִינוּן קוֹשִׁיין וּמַחְלוּקוֹת, דְּמִיין מְרִיין דְּאוֹרֵייתָא דְּבַעַל פָּה, אֲתַהֲדֵרוּ מְתִיקָן מִי אוֹרֵייתָא, וַיִּסוּרִין הִילְךָ, בְּרְזִין אֵלִין דְּאֲתַגְלִיין עַל יַדְךָ, יְהוּן לָךְ מְתִיקוּן, וַיִּהְדְּרוּן לָךְ כָּל דְּחַקִּין הִילְךָ, כְּחַלְמִין דְּעֲבָרִין. וְחַל"ם, בְּהִיפּוּךְ אֲתוּון מַל"ח. דְּמַמְתַּקַּת יֵת בְּשָׂרָא. אוֹף יִסוּרִין מְמַתְּקִים. כְּמָה דְּאוּקְמוּהָ.

87. The suffering will again be like salt of Sodom that blinds the eyes to the wicked, to have the verse come true upon them: "but the eyes of the wicked shall fail" (Iyov 11:20). These are the wicked mixed multitudes, upon whom will come true: "many shall purify themselves, and refine themselves, and be tried; but the wicked shall do wickedly" (Daniel 12:10). "...refine themselves..." refers to the students of the Mishnah; "and be refined" (Ibid.), refers to the holy offspring of the rest of the nation, as it says: "and will refine them as the silver is refined" (Zechariah 13:9). "But the wicked shall do wickedly," refers to the mixed multitudes.

87. וְלִרְשָׁעִים מִתְהַדְרֵן יִסּוּרֵין מֶלַח סְדוּמִית, דְּאִיהוּ מִסְמָא אֶת הָעֵינַיִם, לְקַיִמָא בְּהוּ וְעֵינֵי רְשָׁעִים תְּכַלִּינָה. וְאִינוּן עָרְב רַב רְשִׁיעֵינָא, דִּיתְקִיִים בְּהוּ בְּהוּא זְמָנָא, יִתְבַּרְרוּ וְיִתְלַבְּנוּ וְיִצְרְפוּ רַבִּים וְהִרְשִׁיעוּ רְשָׁעִים. יִתְלַבְּנוּ: אִינוּן מְאִרֵי מִשְׁנָה. וְיִצְרְפוּ: אִינוּן זִרְעָא קְדִישָׁא דְשָׂאֵר עִמָּא. הַה"ד וְיִצְרְפוּתִים כְּצִרוּף אֶת הַכֶּסֶף. וְהִרְשִׁיעוּ רְשָׁעִים, אִינוּן עָרְב רַב.

16. The raven and the dove

We hear that those who toil in the splendor called 'The Zohar' will be wise and shine like the brightness of the firmaments. They must teach every secret and teach others how to be receptive to the light of the Torah and to the light of the Zohar. At that time they will be like the dove that was sent from Noah's ark, not like the raven that betrayed his mission. The prophet saw them become connected in three levels - Keter, Tiferet, Yesod - in the center and thus said that they shall prosper, be exalted, be very high, and be connected to two Messiahs.

88. "But the wise shall understand" (Daniel 12:10). These are the scholars of Kabbalah. It says about them: "and they who are wise shall shine like the brightness of the firmaments" (Ibid. 3). This refers to those that place their effort in the splendor called 'The Zohar', that is like Noah's ark, to which are gathered two from a city, seven from the kingdom and, occasionally, one from a city and two from a family, by whom this comes true. "Every son that is born you shall cast into the river" (Shemot 1:22). THE SECRET OF THE TORAH IS CALLED "SON"; "THAT IS BORN," MEANS CONCEIVED; "INTO THE RIVER," IS THE LIGHT OF THE TORAH. "THROW HIM (HEB. TASHLICHUHU)," IS LIKE 'TEACH HIM (HEB. TASKILUHU)' - EVERY INDIVIDUAL SECRET THAT IS BORN TO YOU, TEACH IT. Teach how to be RECEPTIVE TO THE LIGHT OF THE TORAH AND TO ITS SOUL. This is the light of this book OF ZOHAR, and all is due to you.

88. וְהַמְשֻׁבָּלִים יְבִינוּ, אִינוּן מְאִרֵי קְבָלָה, דְּאִתְמַר בְּהוּן וְהַמְשֻׁבָּלִים יִזְהִירוּ בְּזֹהַר הַרְקִיעַ. אֲלֵין אִינוּן דְּקָא מִשְׁתַּדְּלִין בְּזֹהַר דָּא, דְּאִקְרִי סֵפֶר הַזֹּהַר, דְּאִיהוּ כְּתִיבַת נֹחַ, דְּמִתְכַנְשֵׁין בְּהַ שְׁנַיִם מְעִיר, וְשִׁבְעַ מִמְּלָכוֹתָא. וְלִזְמַנֵּין אַחַד מְעִיר, וְשְׁנַיִם מִמְּשַׁפְּחָה. דְּבְהוּן יִתְקִיִים כָּל הַבֵּן הַיְלֹוד הַיְאוּרָה תְּשְׁלִיכוּהוּ. וְדָא אוּרָה דְּסִפְרָא דָּא, וְכֹלָא עַל סִיבָה דִּילָךְ.

89. Who caused all this? The raven, since at that time you will be like a dove. THIS ALLUDES TO THE RAVEN AND THE DOVE THAT NOAH SENT FROM THE ARK AFTER COMPARING THE ZOHAR TO NOAH'S ARK. Another messenger was called in your Name, just like the raven that was originally sent FROM THE ARK and did not return from his mission and made his effort with forbidden abominations, about which it is said that the ignorant are abominable. AND HE SPENT HIS EFFORTS ON THEM, because of their money, and he strove in his mission to return the righteous to repentance. It is as if he has not fulfilled the mission of his Master. RABBI MOSES KORDOVERO OF BLESSED MEMORY WROTE THAT IT REFERS TO JEROBOAM, THE SON OF NEBAT, WHO WAS WORTHY TO BE THE REDEEMER OF YISRAEL. HE FALTERED WITH THE GOLDEN CALVES, SINNED, AND CAUSED MANY OTHERS TO SIN. HE IS COMPARED TO THE RAVEN THAT BETRAYED HIS MISSION.

90. The secret of the dove that entered the depths of the sea shall come true with you, and likewise you will enter the deep chasms of the Torah. This is what is written by the prophet Jonah: "for You did cast me into the deep, into the heart of the seas" (Yonah 2:4), MEANING IN THE SEA OF THE TORAH. THEN there will be Chochmah, Chesed, and Netzach to the right. Of those, David said: "the right hand of Hashem does valiantly. The right hand of Hashem is exalted. The right hand of Hashem does valiantly" (Tehilim 118:15-16). The three LEVELS of the left become connected together - which are Binah, Gvurah, Hod - and the three levels in the center - which are Keter, Tiferet, Yesod - are attached to right and left, SINCE THE CENTRAL COLUMN IS ATTACHED TO RIGHT AND LEFT. IN THIS WAY, THE TEN SFIROT ARE PERFECTED, INCLUDING THE FIRST THREE SFIROT.

91. Since the prophet saw you become connected in these three levels - KETER, TIFERET, YESOD - in the center, he pronounced upon you this verse: "behold, My servant shall prosper," THE SECRET OF YESOD; "he shall be exalted and extolled," THE SECRET OF TIFERET; "and be very high" (Yeshayah 52:13), THE SECRET OF KETER. You will be connected and attached to two Messiahs. David spoke of the three right ones - CHOCHMAH, CHESED, NETZACH - of Messiah, the son of David, and, "the right of Hashem," three times, AS MENTIONED NEARBY. Corresponding to the three left ones - GVURAH, BINAH, HOD - to which is attached Messiah, son of Ephraim, he said from the first left side, Gvurah, "I shall not die," AND FURTHER SAID, "but live" (Tehilim 118:17), from the SECOND side of the left, which is your Hod. About this, it is said that He gave Hod to Moses, MEANING AS IT SAYS: "AND YOU SHALL PUT SOME OF YOUR HONOR (HEB. HOD) UPON HIM" (BEMIDBAR 27:20), MEANING THAT THE HOLY ONE, BLESSED BE HE, GAVE HIM HOD TO BE HIS OWN. It is given to you from the side of Binah, SINCE THE ILLUMINATION OF CHOCHMAH FROM THE LEFT OF BINAH IS REVEALED IN HOD.

92. Thus, IN GVURAH, you would have been arid and dry in everything, due to Messiah, the son of Ephraim; DRY in your Torah and your prophecy and in your body, in which you have suffered too many agonies. So that he should not die, MESSIAH, THE SON OF EPHRAIM, you pleaded for mercy on his behalf. THEREFORE, it says about him, "but live," from the side of Binah, and therefore, "I shall not die," from the side of Gvurah, WHICH CARRIED FROM IT HARSH JUDGMENT, AS MENTIONED ABOVE. "...but live..." is from the side of Binah, MEANING AFTER MOCHIN WERE REVEALED FROM IT, WHICH ARE THE SECRET OF THE Tree of Life, WHICH IS THE CENTRAL COLUMN that overpowers THE LEFT COLUMN, GVURAH, THROUGH the reading of Sh'ma of the morning prayer, WHICH IS THE SECRET OF CHESED. It is connected to it through the knot of the Tefilin to the right of Abraham, which is the morning prayers, NAMELY CHESED.

93. "...and declare the works of Yah..." (Tehilim 118:17) from the side of Hod, SINCE THE ILLUMINATION OF CHOCHMAH THAT IS REVEALED FROM BINAH IS NOT REVEALED, ONLY FROM THE CHEST DOWNWARD THAT IS IN HOD. "Yah has chastised me severely" (Ibid. 18), MEANING WITH Chochmah and Binah, WHICH ARE from right and left, SINCE CHOCHMAH COMPRISES three right ones - CHOCHMAH, CHESED AND NETZACH - AND BINAH COMPRISES three left ones - BINAH, GVURAH AND HOD. PRIOR TO THE INTERVENTION OF THE CENTRAL COLUMN, THE RIGHT AND THE LEFT ARE IN CONFLICT WITH EACH OTHER AND JUDGMENTS ARE DRAWN FROM THEM. THEREFORE, IT SAYS: "YAH HAS CHASTISED ME SEVERELY." "But He has not given me up to death" (Ibid.). This is the Central Column that comprises the three CENTRAL ONES: Keter, the Righteous, NAMELY YESOD, and ITSELF, NAMELY TIFERET, that is the son of Yud-Hei. Immediately, the Vav will then raise Hei to Yud-Hei, AND THE NAME OF YUD HEI VAV HEI WILL BE PERFECTED in the right and the left with Mercy and beseeching with many entreaties TO MALCHUT and her

descendants. This is what is written: "on that day I will raise up the Tabernacle of David that is fallen" (Amos 9:11); THAT IS, MALCHUT. Therefore, the prophet said, "they shall come with weeping, and with supplications will I lead them" (Yirmeyah 31:8).

94. The Faithful Shepherd rose, kissed him, and blessed him. He said: You are most likely the messenger of your Master to us. The Tannaim and Amoraim opened the discussion saying: Faithful Shepherd, you knew all this and through you it was revealed. But in your humility, as was said about you, "now the man Moses was very meek" (Bemidbar 12:3); in these areas that you are shy to take credit for yourself, the Holy One, blessed be He, has nominated us to the holy illumination, MEANING RABBI SHIMON BAR YOCHAI, to act as your hand and your mouthpiece in these areas.

17. "And on the day that the Tabernacle was erected"

Rabbi Shimon tells Rabbi Chiya that anyone who gives freely to the poor becomes worthy to be blessed; he increases in both wealth and life. He elaborates by saying that his charity causes him an increase in life above so that it increases his life below. We hear that in this way the Tree of Life is awakened to add life to the Tree of Death. Through a person's charity he causes Zeir Anpin and Malchut to join together and blessings to pour above and below. He is saved in this world and he shall have life in the World to Come.

95. "And on the day that the Tabernacle was erected..." (Bemidbar 9:15). Rabbi Chiya opened the discussion saying, "He has distributed freely, he has given to the poor; his righteousness endures for ever; his horn shall be exalted with honor" (Tehilim 112:9). "He has distributed freely, he has given to the poor." HE INQUIRES: What is the meaning of, "distributed freely"? HE RESPONDS: It is as you say, "there is one who gives freely, and yet increases" (Mishlei 11:24). We can also say that it is true for everyone who distributed freely. Therefore, he lets us know and hear, "he has distributed freely, he has given to the poor." As soon as he gives freely to the poor, he becomes worthy TO BE BLESSED. What is the meaning of: "and yet increases"? It means in everything. He increases in wealth and increases in life.

95. וביום הקים את המשכן. ר' חייא פתח, פזר נתן לאביונים צדקתו עומדת לעד קרנו תרום בכבוד. פזר לאביונים, מאי פזר. כד"א יש מפזר ונוסף עוד. יכול פזר בעלמא, קמ"ל פזר נתן לאביונים, כיון דיהיב למסכני, האי פזורא נאות. מאי ונוסף עוד. בכלא. ונוסף עוד בעותרא. ונוסף עוד בחיי.

96. HE INQUIRES: This verse should have been read this way, 'There is one who gives freely, and yet it will increase'. What is meant by "increases"? HE RESPONDS: It is this place where death resides, MEANING MALCHUT. It causes him an increase in life above AND DRAWS FROM THERE, and increases his LIFE. Rabbi Yehuda said in the name of Rabbi Chiya: The verse gives evidence that for whoever gives CHARITY to the paupers, the Tree of Life is awakened, THAT IS ZEIR ANPIN, to add life to the Tree of Death, WHICH IS MALCHUT. Then life and happiness exist above, IN MALCHUT, and that Tree of Life stands over the person who caused this, BY HIS GIVING OF CHARITY, in a time of need. That Tree of Death shields him and, therefore, it is proper to say, "yet increases."

96. האי קרא הכי מבעי ליה, יש מפזר ונוסף עוד, מאי ונוסף. אלא ההוא אתר דשרי ביה מיתה, הוא גרים ליה דיתוסף מחיים דלעילא לאוספא ליה. אמר רבי יהודה אמר רבי חייא, קרא אסהיד, דכל מאן דיהיב למסכני, אתער אילנא דחיי, לאוספא לההיא אילנא דמותא, וכדין אשתכח חיים וחדו לעילא. ובר נש דגרים דא, בשעתא דאצטרין ליה, ההוא אילנא דחיי קאים עליה, וההוא אילנא דמותא אגין עלוי. ובגין כך ונוסף עוד.

97. HE ASKS: What is the meaning of, "his righteousness endures for ever"? HE RESPONDS: THAT CHARITY stands for a person to give him his existence and life, in the same manner that this person gives subsistence TO THE POOR. And the SUPERNAL life awakens toward him, NAMELY BECAUSE OF HIM, AS MENTIONED NEARBY. It gives him life. These two trees, ZEIR ANPIN AND MALCHUT, stand by him to save him and increase his life.

97. צדקתו עומדת לעד. מאי עומדת לעד. עומדת עליה דבר נש, לזמנא ליה קיומא וחיים, כמה דאיהו יהיב ליה חיים, ואתער לגבי חיי, ה"נ יהבין ליה. ואינון תרי אילנין קיימין עליה לשיזבא ליה, ולאוספא ליה חיי.

98. "His horn shall be exalted with honor." Come and behold: observe the world we talked about, THAT IS ZEIR ANPIN. IT SAID TO HIM that the horn, WHICH IS MALCHUT, will be exalted. And how? With the honor of the above, WHICH IS BINAH, SINCE MALCHUT IS EXALTED THROUGH THE ILLUMINATION OF BINAH. That person, THROUGH THE CHARITY THAT HE GAVE, caused them to join together, MEANING ZEIR ANPIN AND MALCHUT, and blessings to pour above and below.

99. Rabbi Aba said: During the whole time that the Tabernacle was erected, MEANING WHEN MALCHUT COUPLES WITH ZEIR ANPIN, through the activities of people, then that was a time of rejoicing for all. Holy anointing oil is poured into these candles, THE SFIROT OF MALCHUT, and all give off light. Whoever brings this about, brings himself to be saved in this world, and he shall have life in the World to Come. This is what is written: "but righteousness delivers from death" (Mishlei 11:4), and it also says, "but the path of just men is like the gleam of sunlight, that shines ever more brightly until the height of noonday" (Mishlei 4:18).

18. The standards

Rabbi Shimon elucidates the vision of Ezekiel as found beginning in Yechezkel 1:19. He describes the standard and the army of the lion, with its dominating angel Michael.

100. "Make for yourself two silver trumpets..." (Bemidbar 10:1). Rabbi Shimon opened the discussion saying: "and when the living creatures moved, the wheels went by them. And when the living creatures were lifted up from the earth, the wheels were lifted up" (Yechezkel 1:19). "And when the living creatures moved"; they moved due to influence of the above. One may think that it is higher above. HE RESPONDS: No, down below. Just like this, the one is before the FOUR faces and the other after the FOUR faces.

101. A wind of the four winds IS ROBED in four compartments and four sides in the brilliance that was created that supports the illuminated countenances. Therefore, they are like the appearance of the living creatures, which are the four corners UPON WHICH the standards were unfurled, THAT ARE REFERRED TO AS lion, eagle, ox, man. These comprise the four dominating angels - WHICH ARE MICHAEL, GABRIEL, URIEL, RAPHAEL - and include everything, SINCE THESE FOUR ANGELS COMPRISE ALL THE LEGIONS IN THE HEAVENS.

102. The first standard is an armed camp THAT IS THE SECRET OF THOSE ABLE TO GO TO WAR FROM THE AGE OF TWENTY AND HIGHER. ITS LIVING CREATURE IS a lion. THE ANGEL IS Michael, recorded in the unfurled standard that is spread to the right side, AND ITS WIND IS the east - that is, the sunrise that follows its travels with its own light. Yofiel and Tzadkiel are appointed under him, THAT IS, UNDER MICHAEL, one for Torah and one to go to the marketplace.

103. When they travel, several armed camps move from the right side, and all are one; THAT IS, THEY ARE UNDER THE LEADERSHIP OF THE THREE ANGELS MENTIONED ABOVE. To the left side, the sun advances to shine and crowns them, THE CAMPS. Thousands and ten thousands are appointed under him and all are in awe and fear, trembling and shaking.

104. The lion extends his right hand, gathers all the legions to him, and 370 lions surround that lion. He is in the center among them.

104. אַרְיָה אוֹשִׁיט יְרִיחַ יְמִינָא, בְּנִישׁ לְכָל חֵילוֹי

דְּהוּא אַרְיָה, וְאִיהוּ בִּינְיָהּ בְּאַמְצַעִיתָא.

105. When that lion roars, the firmaments shake and all the legions and camps tremble from the fear of him. From that sound, the river Dinur goes up and descends in the 1,500 steps to Gehenom below. Consequently, all the wicked in Gehenom shake and burn in the fire. About this, it is written: "the lion has roared, who will not fear?" (Amos 3:8).

105. בְּד גְעִי הָאִי אַרְיָה, מְזַדְעָזְעִין רְקִיעֵין, וְכָל

106. He roars a second time and 370,000 lions all roar. THE LION extends his left hand. All the Prosecutors below become fearful and are subdued under that hand. He spreads that hand over them and all are under him, as it says: "your hand shall be on the neck of your enemies" (Beresheet 49:8).

108. Four countenances to each individual one, on four sides. All shine in the whiteness of the sun. One to the east side shines with happiness. The one to the west side gathers its light. The one to the north side is dark, without any light, like the shadow of the sun in relation to the sun. The shadow is dark and the sun is bright, since the sun and the shadow are right and left, and go together. All the darkness goes along with it; all carry weapons of war.

108. אַרְבַּע אַנְפִּין לְכָל חַד וְחַד לְאַרְבַּע סְטְרִין,

109. All from right and left are in three heads, each head containing 74,600. Those legions depart by the right hand that He raised over them, in addition to all those that are appointed below, which are under those rulers - the ones over the others, lower levels with higher ones, which are innumerable.

109. וְכְלָהוּ מִיְמִינָא וּמִשְׂמָאלָא בְּתַלְתּוּ רִישֵׁין. רִישָׁא

110. The count of the second head that goes along with the first head contains 54,400, in addition to all those appointed below to the four sides which have no account. The third head that follows them has 57,400. The left travels in a way similar to how the right travels, and likewise from the front and from the back.

110. רִישָׁא תְּנִינָא, דְּאִזִּיל בְּרִישָׁא קְדָמָא, חוּשְׁבָן דִּילִיָּה חֲמִשִּׁין וְאַרְבַּע אֲלָף, וְאַרְבַּע מֵאָה. בַּר כָּל אֲלִין מִמֶּנּוּ דְתַחוּת לְד' סְטְרִין, דְּלִית לֹון חוּשְׁבָנָא. רִישָׁא תְּלִיתָא, דְּאִזִּיל בְּתַרְיִיהוּ, חֲמִשִּׁין וְשִׁבְעָה אֲלָף, וְאַרְבַּע מֵאָה. בְּגוּוֹנָא דְנָטִיל יְמִינָא, הָכִי נְמִי נָטִיל שְׂמָאלָא, הָכִי נְמִי מְקַמִּיָּהוּ, הָכִי נְמִי מִבְּתַרְיִיהוּ.

111. As soon as this first one moves and the Tabernacle is lowered, all the Levites sing their song and all those who praise are at its side. Then, it is written: "for the spirit of the living creatures was in the wheels" (Yechezkel 1:20).

111. בֵּינָן דְּנָטִיל הָאִי קְדָמָא, וְהוֹרֵר הַמִּשְׁכָּן. וְכִלְהוּ לִיּוּאֵי אֲמַרֵי שִׁירְתָא, מֵאֲרֵי דְתוּשְׁבָחָן כְּלָהוּ מְסֻטְרִיָּה. כְּדִין כִּי רוּחַ הַחַיָּה בְּאוּפְנִים כְּתִיב.

19. The second standard

Here we read of the standard and the army of the eagle, under the dominating angel Uriel.

112. The second standard, WHICH IS THE STANDARD OF THE CAMP OF REUVEN, is an armed camp. That is, MEANING IN THE SECRET OF THOSE ABLE TO GO TO WAR, OF TWENTY YEARS AND UPWARDS, IN THE ASPECT OF an eagle UNDER THE DOMINATION OF THE ANGEL Uriel, WHO RULES FROM THE PERSPECTIVE OF THE CENTRAL COLUMN. THE DIRECTION OF THE STANDARD'S TRAVEL IS TO the south side, WHICH IS THE RIGHT COLUMN AND CHESED. Two appointed are WITH URIEL, WHICH ARE Shamshiel and Chasdiel. This eagle ascends, with all the winged creatures before it. Many camps ascend from all directions, each individual in the strength of the sun.

112. דְּגָלָא תְּנִינָא. מְשַׁרְיָא מְזִינָא, נִשְׂר', אֲוִיָּא"ל, דְּרוּ"ם. תְּרֵי מִמֶּנּוּ עֲמִיָּה, שְׂמִשְׂיָא"ל חֲסַדְיָא"ל. הָאִי נִשְׂר סְלִיק, וְכָל מְאֲרִיָּהוּן דְּגַדְפִּין מְקַמִּיָּה. כְּמָה מְשַׁרְיָין סְלִיקִין בְּכָל סְטְרִין. כָּל חַד וְחַד בְּתוֹקְפָא דְשְׂמִשָּׁא.

113. The spirit of the inner spirit emerges. That spirit reaches the eagle and he raises his wings and covers his body, as it says, "does the hawk fly by your wisdom, and stretch her wings toward the south?" (Iyov 39:26). This eagle quarrels with the dove and the hawk, and all the winged birds are chirping and joyful. One from the front goes from the bottom upwards. Several birds go down and enter, chirping and joyful. They go and wander.

113. רוּחָא דְרוּחָא פְּנִימָא נָפִיק, וְהוּא רוּחָא מְטִי לְהָאִי נִשְׂר, וְסְלִיק אֲבָרוּי וּמְכַסְיָא לְגוּפָא. כְּד"א, הַמְבִינְתָן יֶאֱבֵר נֶץ יִפְרוֹשׁ כַּנְפָיו לְתִימֵן. בְּגוּוֹנָא דְרוּגְמָא כְּעִין כְּנִשְׂר יַעִיר קִנּוּ הָאִי נִשְׂר נֶץ בְּהַדְרִיָּה יוֹנָה, בְּהַדְרִיָּה נֶץ, וְכָל מְאֲרֵי דְגַדְפִּין כְּלָהוּ מְצַפְצָפִין וְחַדָּאן. חַד מְסֻטְרָא קְמִיָּה, סְלִיק מִתְתָּא לְעִילָא. כְּמָה צִיפְרִין נַחְתִּין וְעֵאלִין, מְצַפְצָפִין וְחַדָּאן, אֲזִלִּין וְשֹׁאטִין.

114. When he, THE EAGLE, travels, he extends his right wing and gathers all his legions, those 350,000 winged ones, in two bodies composed of the eagle and the lion together. When he raises a voice, all the others ascend and descend, whistling from their end from several grades.

114. כְּדִ נָטִיל, אֲוִשִׁיט גְדָפָא יְמִינָא, כְּנִישׁ לְכָל חִילוּי, תְּלַת מֵאָה וְחֲמִשִּׁין אֲלָף מְאֲרֵי דְגַדְפִּין, בְּתַרְי גּוּפֵי, נִשְׂר וְאֲרִי"ה בְּחַדָּא. אֲרִים קְלָא, כְּלָהוּ אַחֲרָנִין סְלִיקִין וְנַחְתִּין, מְצַפְצָפִין מְסֻטְרִיָּהוּ, מְכַמָּה דְרָגִין.

115. Three heads are together in these camps, SINCE THREE TRIBES ARE IN THE CAMP OF REUVEN. All are in a special count, and the count of these heads IS AS FOLLOWS. One head is 46,500, THE CENSUS COUNT OF THE TRIBE OF REUVEN. The second head is 59,300, THE CENSUS COUNT OF THE TRIBE OF SHIMON. The third head is 45,650. THAT IS THE CENSUS COUNT OF THE TRIBE OF GAD.

115. ג' רִישִׁין אִינּוּן בְּחַדָּא, בְּמְשַׁרְיָין אֲלִין. וְכִלְהוּ בְּחַד חוּשְׁבָן. וְחוּשְׁבָן דְּאֲלִין רִישִׁין, רִישָׁא חַדָּא, אַרְבַּעִין וְשִׁית אֲלָף וְחֲמִשׁ מֵאָה. רִישָׁא תְּנִינָא חֲמִשִּׁין וְתִשַׁע אֲלָף וְתִלְתַּת מֵאָה. רִישָׁא תְּלִיתָא, אַרְבַּעִין וְחֲמִשׁ אֲלָפִין, וְשִׁית מֵאָה וְחֲמִשִּׁין.

116. From the two sides, WHICH ARE EAGLE AND LION, MENTIONED ABOVE, two proclamations go forth to all the camps. When these two, THE SECRET OF THE TWO TRUMPETS, AS EXPLAINED, make their proclamation, the legions and camps, living creatures, and large and small animals all gather. Who has beheld the traveling of all the firmaments along with the camps before the Tabernacle, WHICH IS MALCHUT!

117. One of them, MEANING the one that comes from the lion's side, spreads his voice, MEANING THAT HE BLOWS WITH THE TRUMPETS A TEKIA, WHICH IS A MONOTONE SOUND - in order not to cause tremors in the sounds, HE BLOWS, BUT RATHER SIMPLE SOUNDS WITHOUT TREMOR. Then all these camps assemble, MEANING IN THE SECRET OF: "AND WHEN THEY SHALL BLOW WITH THEM, ALL THE ASSEMBLY SHALL ASSEMBLE THEMSELVES TO YOU" (BEMIDBAR 10:3). During the time the other calls, MEANING THAT HE BLOWS THE TRUMPETS UNDER THE RULE OF THE ONE COMING FROM THE EAGLE'S SIDE, the sound is broken and not simply elongated, MEANING IT IS THE SOUND OF A TRUAH. AND THEN all these camps of this eagle congregate to travel on their journeys, MEANING WHAT IS WRITTEN: "WHEN YOU BLOW AN ALARM, THEN THE CAMPS...SHALL GO FORWARD" (BEMIDBAR 10:5). Corresponding to these TWO, WHICH ARE LION AND EAGLE, are two trumpets of silver, since as it APPLIES ABOVE, so it is all down below. Come and behold: when these travel, it is written, "and when the living creatures moved, the wheels went by them" (Yechezkel 1:19). This means those LEGIONS that congregate TO THE APPOINTED ARE REFERRED TO AS THE 'WHEELS', and as the head observes, MEANING THE CHIEFTAIN, so do all OBSERVE, NAMELY THE LEGIONS UNDER THEM.

20. The third standard

This section describes the standard of the ox, under the dominating angel Gabriel. From here comes judgment of all the sins of the world. We learn that the supernal Torah is written in black fire on white fire, and are told of the four divisions of fire, water and wind.

118. The third standard, WHICH IS THE STANDARD OF DAN'S CAMP, IS THE FACE OF an ox, OF THE LIVING CREATURES, THAT IS, LEFT. OF THE FOUR ANGELS, THIS IS Gabriel FROM THE LEFT COLUMN, AND IT TRAVELS ON THE NORTH SIDE OF THE TABERNACLE, WHICH IS LEFT. With GABRIEL, there are two appointed chieftains, Kaftziel and Chezkiel, SINCE GABRIEL CORRESPONDS TO DAN AND THE TWO APPOINTED CORRESPOND TO ASHER AND NAFTALI, WHICH ARE CONNECTED TO THE STANDARD OF DAN'S CAMP. This ox is from the left side. His horns ascend from between his two eyes. He observes angrily, and the eyes glow like a burning fire. He rams and tramples with his feet and has no mercy.

119. When this ox bellows, many battalions of damaging demons emerge from the hole of that great deep. All bellow and wander in front of him, and wrath and the bag that contains all the sins hang in front of him, since all the sins of the world are written in the book.

116. מַאֲלִין תְּרֵי סִטְרִין, נְפִיק תְּרִין כְּרוּזִי, דְּאֲזִלִי מִקְמֵי בְּלֵהוּ מִשְׂרִיין. כִּד אֵלִין תְּרֵי מְכַרְיוֹזִי, כֵּל חִילִין, וְכֵל מִשְׂרִיין, חִיוּן זְעִירִין עִם רַבְרָבָן, בְּלֵהוּ מִתְכַּנְשֵׁי. מֵאֵן חֲמֵי נְטִילָא דְבְּלֵהוּ רְקִיעִין, בּוֹלֵהוּ נְטִילִין בְּמִטּוֹלָא בְּמִשְׂרִיין, לְקַמִּיָּה דֵּהוּא מִשְׁכַּנָּא.

117. בְּשַׁעֲתָא דְחַד מְנַיְיָהוּ, הֵוּא דְאֲתֵי מִסִּטְרָא דְאַרְיָה, פְּשִׁיט קְלָא, בְּגִין דְלֵא יִזְדַּעְזַעוּן כֹּל אֵינוֹן קְלִין. כְּדִין מִתְכַּנְשִׁין כֹּל אֵינוֹן מִשְׂרִיין. בְּשַׁעֲתָא דְאַחְרָא קְרִי, מִתְבַּר קְלָא וְלֵא פְּשִׁיט, כֹּל אֵינוֹן מִשְׂרִיין דֵּהֵאֵי נֶשֶׁר, בְּלֵהוּ מִתְכַּנְשׁוּ לְנְטִילָא בְּמִטְלַנְיָהוּ. לְקַבִּיל אֵינוֹן, שְׁתֵּי חֲצוּצְרוֹת כְּסָף, כְּגוֹנָא דָא בְּלֵא לְתַתָּא. ת"ח, כִּד אֵלִין נְטִילִין מַה כְּתִיב, וּבִלְכַת הַחַיִּוֹת יִלְכוּ הָאוֹפָנִים אַעֲלָם, אֵינוֹן דְּמִתְכַּנְשׁוּ לְגַבְיָהוּ, כְּגוֹנָא דְרִישָׁא אִסְתַּבֵּל, הֵכִי נְמִי בְּלֵהוּ.

118. דְּגֵלָא תְּלִיתָאָה. שׁוּר. גְּבַרְיָאֵל. צְפוּן. תְּרִין מְמַנָּן עֲמִיָּה, קַפְצִיא"ל חֲזַקִּיא"ל. הֵאֵי שׁוּר מִסִּטְרָא דְשְׂמָאלָא. קְרַנּוֹי סְלִקִין בֵּין תְּרִין עֵינוֹי. רְגִיז בְּאַסְתַּבְּלוֹתָא, עֵינוֹי מְלַהֲטֵן כְּאַשָׁא דְנֹר דְלִיק. נְגַח וּרְפָסָא בְּרַגְלוֹי וְלֵא חֵיִס.

119. כִּד גְּעִי הֵאֵי שׁוּר, נְפִקִין מְנוֹקְבָא דְתְּהוּמָא רַבָּא, כְּמַה חֲבִילֵי שְׂרִיקִין, בְּלֵהוּ גְעָאן וְשְׂטָאן קַמִּיָּה, חֲחִימָתָא, וְאַחְמָתָא דְכֹל חוּבִין תְּלִיָּא קַמִּיָּה, דֵּהֵא כֹל חוּבֵי עֲלָמָא, בְּלֵהוּ בְּסִפְרָא סְלִיקִין וּכְתִיבִין.

120. Seven fiery rivers are drawn in front of him. When he is thirsty, he goes to the River Dinur (lit. 'of fire') and sucks it up in one draw. The river is refilled AGAIN as originally, and it is not false, MEANING IT IS NOT LIKE A FALSE SPRING WHOSE WATERS STOP. All these legions OF THIS OX, THE SECRET OF GABRIEL, draw up fire that consumes fire. If not for the fact that from the lion's side another river of water emerges, WHICH IS THE SECRET OF LIGHT OF CHASSADIM, which extinguishes their coals, the world would not have been able to endure THEIR JUDGMENTS.

121. The darkness of the sun, MEANING THE SHADOW, exists there IN THE LEFT COLUMN. The light is available and not available. Many Prosecutors wander and loiter in the dark, and that river that is burning ON THE LEFT SIDE is a dark black fire. You may think that here there is not a white fire, a black fire, a red fire, fire COMPOSED from two colors, MEANING GREEN. Do not think SO, since it certainly is like that. THE BURNING RIVER IS BLACK, and high above, IN BINAH, it is also so - THAT THE FIRE IS COMPOSED FROM FOUR FIRES. From there, it flows to these lower grades, BEFORE THE OX IN ZEIR ANPIN AND TO THE ANGEL GABRIEL IN MALCHUT, SINCE IN THEM, THE FIRE OF GVURAH IS COMPOSED OF FOUR FIRES.

122. We learned in what manner the SUPERNAL Torah exists. It is white fire, AND IS WRITTEN in black fire on white fire. The Torah exists in the two fires. Come and behold: there is one fire, MEANING THE LEFT COLUMN THAT IS REFERRED TO AS 'FIRE', and this divides into four FIRES, BEING COMPRISED OF FOUR ASPECTS, AS MENTIONED. ALSO, there is one water, WHICH IS THE RIGHT COLUMN REFERRED TO AS 'WATER', and it divides into four, INCLUDING FOUR ASPECTS. AND ALSO, the wind is one, WHICH IS THE CENTRAL COLUMN, and divides into four, MEANING IT IS COMPOSED OF FOUR ASPECTS, WHICH ARE THE THREE COLUMNS AND MALCHUT THAT CONTAINS THEM.

123. Three heads exist in these camps, CORRESPONDING TO THE THREE TRIBES OF DAN'S CAMP. Their count is one head of 62,700, WHICH IS THE CENSUS OF DAN'S TRIBE, AS MENTIONED IN THE SCRIPTURES. The second head is 41,500, AND THAT IS THE CENSUS OF ASHER'S TRIBE. The third head is 53,400, AND THAT IS THE CENSUS OF NAFTALI'S TRIBE and all the other levels that are spread out on their sides that have no count - MEANING THE WOMEN AND CHILDREN OF THESE THREE TRIBES THAT ARE NOT INCLUDED IN THE MENTIONED CENSUS. All are grades upon grades, except for some Prosecutors THAT ARE DRAWN FROM THE LEFT COLUMN, and which are below IN THE KLIPOT and are impudent like dogs and bite like donkeys - THOSE THAT ARE NOT INCLUDED IN THESE CAMPS OF THE LEFT SIDE. Woe unto those who are with them and whose Judgment is on the fourth side, WHICH IS MALCHUT, MEANING THAT THEY GET THEIR SUSTENANCE FROM MALCHUT.

21. The fourth standard

The fourth standard is the face of man under the domination of the angel Raphael, and it brings healing. We read of two silver trumpets that break the judgments and subdue them.

124. The fourth standard, WHICH IS THE STANDARD OF EPHRAIM'S CAMP FROM THE ASPECT OF THE LIVING CREATURES, IS THE FACE OF man. FROM THE FOUR ANGELS, IT IS Raphael, AND HE TRAVELS ON the west, SINCE ALL THESE ARE ASPECTS OF MALCHUT. With it is healing, SINCE on the side of man, the uppermost Judgment is contained in it and it is healed. He grasps the horns of the ox when that one wishes to bring him to the great depth, and he binds them so they will consume the world by fire. Following this, a thin small voice abides. Here the matter is very quiet, so that no syllable is heard.

124. הַגִּלָּא רְבִיעָא, אֲדָם רַמָּ"ל. מַעֲרָב. בְּהִדְיָה אֲסוּתָא. בְּסִטְרָא דְאֲדָם אֲתְבָלִיל דִּינָא עֲלָאָה עֲלֵיהּ אֲתִסִּי. הָאִי אַחִיד בְּקֶרְנוֹי דְשׁוּר, כַּד מְבַעֵי לְאַעְלָא לֹון לְתִהוּמָא רַבָּא. וְכַפִּית לֹון, דְלָא יוֹקִיד עֲלִמָּא. בְּתַר דָּא שְׂרִיא קוֹל דְמַמָּה דְקָה. הֲכָא מְלָה בְחֻשָּׁאִי, לָא מִשְׁתַּמַּע מְלָה דִּהְבֵּרָה כֻּלָּל.

125. On that side, IN MALCHUT, rests whoever rests, MEANING CHASSADIM OF THE RIGHT COLUMN. And whoever ascends elevates, MEANING THE ILLUMINATION OF CHOCHMAH THAT IS IN THE LEFT COLUMN THAT SHINES IN AN ASCENDING MANNER FROM BELOW UPWARD. The sun, ZEIR ANPIN, is gathered to illuminate this area, WHICH IS MALCHUT. Therefore, IT IS WRITTEN: "When you blow an alarm (Heb. truah)" (Bemidbar 10:5) on the south side, WHICH IS THE RIGHT COLUMN IN THE ILLUMINATION OF THE CENTRAL COLUMN, AS MENTIONED. However, here IN MALCHUT, there is neither this nor that, THERE IS NEITHER TKIAH NOR TRUAH. HE ASKS: Why THE BLOWING OF THE truah? HE RESPONDS: THAT IS THE SECRET OF THE FORCE OF THE CURTAIN IN THE CENTRAL COLUMN that subdues to the north side, WHICH IS THE LEFT COLUMN, IN ORDER TO UNITE WITH THE RIGHT. IT WILL NOT SHINE ANY LONGER, EXCEPT FROM BOTTOM UP, AS MENTIONED PREVIOUSLY. Therefore, the north side is the rear OF ALL THE CAMPS, AS IS WRITTEN: "THE REARWARD OF ALL THE CAMPS" (IBID. 25). THAT IS BECAUSE IT IS ESTABLISHED THROUGH MALCHUT, AS MENTIONED NEARBY. THEREFORE, THE STANDARD OF EPHRAIM, WHICH IS MALCHUT, TRAVELS BEFORE THE LEFT COLUMN, WHICH IS THE CAMP OF DAN. AND THE CAMP OF DAN TRAVELS LAST.

125. בְּסִטְרָא דָּא, שְׂרִיא מֵאֵן דְשְׂרִיא, סְלִיק מֵאֵן דְסְלִיק, שְׂמֵשָׁא אֲתְבַנְיָשׁ לְאַנְהֵרָא לְהָאִי אֲתֵר. בְּגִין כֵּךְ וְתַקְעָתֶם תְּרוּעָה, בְּסִטְר דְרוּם. אֲבָל הֲכָא, לָאו הָאִי וְלָאו הָאִי. אֲמַאי תְּרוּעָה. לְאַכְפִּיָּיא סִטְר צַפּוֹן, וּבְג"כ סִטְר צַפּוֹן לְאַחֹרָא.

126. Come and behold: there are two trumpets, since they are on the two sides we mentioned, from the east, WHICH IS THE CENTRAL COLUMN, and from the south, WHICH IS THE RIGHT COLUMN. They are prepared to break the Judgments and subdue them IN THE SECRET OF THE TRUAH, AS MENTIONED NEARBY. They are from silver, WHICH IS CHESED, and therefore, "also in the day of your gladness, and in your solemn days...you shall blow with the trumpets" (Bemidbar 10:10). This is not specific, which means both above and below IN THIS WORLD. Praised are the children of Yisrael, whom the Holy One, blessed be He, wishes to have honor, and He gave them the highest part above all other nations. The Holy One, blessed be He, praises Himself for them with the praises WITH WHICH THEY PRAISE HIM. This is what is written: "and said to me, 'You are My servant, Yisrael'" (Yeshayah 49:3).

126. ת"ח, שְׁתֵּי חֲצוּצְרוֹת, בְּגִין דְאֵינּוּן מִסְטְרֵי תִרְי דְקְאֲמְרִי, מִמְזַרְח וּמִדְרוּם. אֵינְהוּ זְמִינִין לְתַבְרָא דִינִין, וְלְאַכְפִּיָּיא לֹון. וְע"ד אֵינּוּן מְכַסֶּף. וּבְג"כ וּבִיוֹם שְׂמִחְתְּכֶם וּבְמוֹעֲדֵיכֶם וְגו', וְתַקְעָתֶם בְּחֲצוּצְרוֹת, סִתְּם, בֵּין לְעֵילָא בֵּין לְתַתָּא. זְכָאִין אֵינּוּן יִשְׂרָאֵל, דְקוֹדֶשָׁא בְרִיךְ הוּא בְּעֵי בִיקְרִיהוֹן, וְיִהִיב לֹון חוֹלְקָא עֲלָאָה עַל כָּל שְׂאֵר עַמִּין. וְקוֹדֶשָׁא בְרִיךְ הוּא אֲשֶׁתַּבַּח בְּהוּ בְתוֹשְׁבַתְיָהּ, הַה"ד וַיֹּאמֶר לִי עַבְדִּי אַתָּה יִשְׂרָאֵל וְגו'.

22. The Nuns

Rabbi Elazar talks about the letter Nun that faces backwards in two places in the quoted verses. He says that when the Ark traveled the Shechinah traveled along and did not leave Yisrael; and just as She kept Her face turned back to the children of Yisrael the Nun that traveled with them turned back to them. Rabbi Shimon says that after the Ark came to rest and the people complained they caused Malchut to turn her back on them.

127. "And it came to pass, when the Ark set forward, that Moses said..." (Bemidbar 10:35). Rabbi Elazar said: Here we must observe the letter Nun ? that is inverted, FACING backward here in two places, MEANING THE LETTER NUN THAT STANDS AT THE BEGINNING OF THE VERSE, "AND IT CAME TO PASS, WHEN THE ARK SET FORWARD..." AND AFTER IT. Why? One may think THAT IT ALLUDES to a bent Nun, as it is known that a bent Nun is the female, MEANING MALCHUT, and the straight Nun includes both male and female, WHICH ARE ZEIR ANPIN AND MALCHUT. We explained here THE BENT NUN, ABOUT WHICH IS SAID: "and it came to pass, when the Ark set forward, that Moses said, 'Rise up, Hashem;'" (Bemidbar 10:35); THAT ON THE BENT NUN HE SAID, "RISE." YOU MAY SAY, THEREFORE, THAT BOTH NUN'S WERE WRITTEN INVERTED, but IF SO, WHY WERE THEY turned again, FACING BACKWARD in this manner?

128. Come and behold: no Nun is mentioned in THE ALPHABETICAL PRAISE, "happy are they who dwell in Your house" (Tehilim 84:5) because THE NUN, WHICH IS MALCHUT, is in exile. The friends have explained it, since it is written about her: "the virgin of Yisrael is fallen; she shall no more rise..." (Amos 5:2). However, it is written above: "and the Ark of the Covenant of Hashem went before them in the three days' journey, to search out a resting place for them" (Bemidbar 10:33). As soon as the Ark traveled, the Nun was traveling above it, THAT IS MALCHUT, since the Shechinah was residing on the Ark. Come and behold: observe the love of the Holy One, blessed be He, for the children of Yisrael. Even though they diverged from the straight path, the Holy One, blessed be He, did not wish to forsake them. He always turns His face back to them, for had it not been so, they would never have been able to survive in the world.

129. Come and behold: the Ark was moving in front of them on a three day journey. The Nun, INDICATING THE SHECHINAH, traveled along and did not leave. Due to their love for Yisrael, He turned His face back TO YISRAEL, and She turned HERSELF around from the Ark - similar to a young deer that keeps turning her face back to the place she left when she goes forth. Therefore, when the Ark set forth, the Nun turned her face back towards the children of Yisrael and the shoulders of her body towards the Ark.

130. Therefore, when the Ark traveled, Moses said, "Rise up, Hashem," MEANING: 'Do not forsake us, and turn Your face toward us.' Then the Nun turned its front backward to us like this" , like one who turns his face to someone that loves him. When the Ark began to rest, she turned back her face from Yisrael and turned HER FACE toward the Ark. And she returned them completely.

131. Rabbi Shimon said: Elazar, certainly it is like that, THAT THERE NEED TO BE TWO NUN'S, INVERTED, PRECEDING AND FOLLOWING, AS YOU SAID. However, FOLLOWING THE VERSE: "AND IT CAME TO PASS, WHEN THE ARK SET FORWARD," MALCHUT did not turn her face away from the children of Yisrael, MEANING THAT IT DID NOT CEASE ITS INFLUENCE FROM YISRAEL, AS RABBI ELAZAR SAID. If it had been so, then the Nun THAT IS WRITTEN would have been inverted like another NUN above, WHICH IS THE SECRET OF MALCHUT. This Nun is kept backwards, TOWARD YISRAEL, and that SUPERNAL one, WHICH IS MALCHUT, is in a straight line with the Ark, MEANING THAT IT IS IN UNION WITH ZEIR ANPIN. SINCE IT IS PAIRED WITH ZEIR ANPIN, THEN MOST CERTAINLY HER FACE IS TOWARD YISRAEL AND NOT LIKE RABBI ELAZAR SAID.

132. It is definitely so THAT MALCHUT did not turn her face back FROM YISRAEL. What did it do when the Ark began to rest? Moses then said: "Return, Hashem," MEANING CEASE FROM THE ILLUMINATION OF CHOCHMAH AND RETURN TO THE ILLUMINATION OF CHASSADIM OF ZEIR ANPIN. Then the Ark stayed, MEANING IT RESTED, and the Shechinah stood on the other side, MEANING ON THE RIGHT SIDE, WHICH IS CHASSADIM, RECEIVING THE FIRST THREE SFIROT OF CHASSADIM THAT IS THE SECRET MEANING OF 'FACE' FROM ZEIR ANPIN. She turns THAT face toward Yisrael and to the Ark, MEANING THAT IT FACES THE ARK TO RECEIVE CHASSADIM FROM IT, AND FACES YISRAEL TO BESTOW THEM WITH CHASSADIM THAT IT RECEIVES FROM THE ARK OF THE COVENANT. Everything is contained in Her, both the Ark and Yisrael. Only later, Yisrael caused MALCHUT TO TURN HER BACK ON THEM, as is written: "and when the people complained" (Bemidbar 11:1). THEREFORE, THE NUN IS INVERTED BETWEEN THE VERSES: "AND IT CAME TO PASS, WHEN THE ARK SET FORWARD," AND, "AND WHEN THE PEOPLE COMPLAINED."

133. Rabbi Elazar said: Whatever I said is derived from the book of Rabbi Yeba Saba the elder, who said that THE NUN IS FACING backwards on both sides of the verse. PRECEDING, "AND IT CAME TO PASS, WHEN THE ARK SET FORWARD," THE FACE IS TURNED TO YISRAEL, AND FOLLOWING, "WHEN THE ARK..." IT REVERSES, TURNING ITS FACE TOWARDS THE ARK AND ITS BACK TOWARDS YISRAEL. He said to him that he said it properly, THAT THE WRITING OF THE NUN'S SHOULD BE SO. However, what I said, THAT IT TURNED ITS BACK TO YISRAEL, IS NOT DUE TO THE REASON OF REST BUT RATHER DUE TO THE REASON OF THE FOLLOWING VERSE: "AND WHEN THE PEOPLE COMPLAINED." You will find this in the book of Rabbi Hamnuna Saba the elder, and it is most definitely so.

23. "Now the manna was like coriander seed"

Rabbi Yosi gives two explanations of why the manna was like coriander seed.

134. "Now the manna was like coriander (Heb. gad) seed" (Bemidbar 11:7). Rabbi Yosi said: "GAD SEED" HAS THE SAME MEANING AS, "RAIDERS (HEB. GEDUD)," NAMELY to establish seed and armies in the land, as it is written: "Gad, shall gather a regiment" (Beresheet 49:19). As the seed of Gad took their portion in another land, MEANING ACROSS THE JORDAN RIVER, the manna similarly descended to rest on the children of Yisrael outside the Holy Land, NAMELY IN THE DESERT.

131. אָמַר ר' שְׁמַעוֹן, אֲלֶעָזֶר, בּוֹדְאֵי הָכִי הוּא, אֲבָל הָכָא לֹא אֶהְדֵּר אֲנִפּוּי מִיִּשְׂרָאֵל, דְּאִי הָכִי בְּעֵי נוּן לְאַתְהֶפְכָּא מִגּוּוּנָא דְאַחְרָא עֲלָא, הָאִי מְנוּזָר לְאַחֲרָא, וְהָאִי בְּאַרְחַ מִישֵׁר לְגַבֵּי אַרְוּנָא.

132. אֵלָא וְדָאִי לֹא אֶהְדֵּר אֲנִפּוּי מְנוּיָהּ, וּמָה עָבִיד בְּשַׁעֲתָא דְשָׂאֲרֵי אַרְוּנָא לְמִשְׁרֵי. אָמַר מֹשֶׁה שׁוּבָה יי', בְּדִין שָׂאֲרֵי אַרְוּנָא, וּשְׂכִינְתָא קָאִים בְּסִטְרָא אַחְרָא, וְאֲנִפִּין לְקַבְלֵיהוּ דִּישְׂרָאֵל, וּלְקַבְלֵיהּ דְאַרְוּנָא. וּבְדִין כֹּלָא כֹּלָא לְגִוּוּהָ, לְאַרְוּנָא, וּלְיִשְׂרָאֵל. אֵלָא דִּישְׂרָאֵל גְּרַמּוּ לְבַתֵּר, דְכַתִּיב וַיְהִי הָעַם כְּמַתְאוּנָנִים.

133. אָמַר רַבִּי אֲלֶעָזֶר, אֲנָא דְאָמַרְן מְסַפְרָא דְרַב יִיבָא סָבָא, דְאָמַר דִּבִּין בְּהָאִי גִיסָא, וּבִין בְּהָאִי גִיסָא, אֶתְהַדְרֵי. א"ל, שְׁפִיר קָאֲמַר, אֲבָל דָּא דְאֲמִינָא, הָכִי תִשְׁכַּח בְּסִטְרָא דְרַב הַמְנוּנָא סָבָא, וְהָכִי הוּא וְדָאִי.

134. וְהָמָן כּוֹרַע גַּד הוּא. אָמַר רַבִּי יוֹסִי, לְקִיּוּמָא זִרְעָא וְחִילִין בְּאַרְעָא, כּוֹד"א גַּד גְּדוּד יְגוּדְנּוּ. מָה זִרְעָא דְגַד נְטְלֵי חוּלְקִיהוּן בְּאַרְעָא אַחְרָא, כִּן מִן שְׂרִיָּא עֲלִוּיהוּ דִּישְׂרָאֵל, לְבַר מְאַרְעָא קְדִישָׁא.

135. Another explanation: "like coriander seed," means LIKE A TYPE OF coriander seed that is white and freezes when it comes down through the air, and is absorbed in the body. The friends have already explained this. "And its color was like the color of bdellium" (Bemidbar 11:7), which is like that crystal that is white, similar to the right above, WHICH IS CHESED AND IS REFERRED TO AS 'WHITE'.

135. ד"א כִּזְרַע גֵּד הוּא. כִּזְרַע דְּגַד חוּרָא, וְאַקְפִּי כַּד נַחִית לְאוּרָא, וְאַתְּבַלַּע בְּגוּפָא, וְהָא אוֹקְמוּהָ חֲבַרְיָא. וְעֵינֵינוּ כְּעֵין הַבְּדוּלָח, כִּהְהוּא בְּדוּלְחָא דְאִיהוּ חָוּר, כְּגוּוּנָא דִּימִינָא דְלַעִילָא.

24. "Kill me, I pray You, out of hand"

Rabbi Shimon tells Rabbi Yitzchak that Moses was addressing the place where death prevails; he was speaking to the Tree of Death, thus he used the feminine form of "You". God granted him his wish to die by not letting him enter the Holy Land. It is therefore ill advised for a person to curse himself when he is angry because his curse will come true. Rabbi Shimon points to Moses' total humility, and that he ascended over all the elevated prophets.

136. Rabbi Yitzchak said: What is the difference here, why did Moses speak in the preceding verse, as if talking to a female, as written: "and if You (fem. form) deal thus with me" (Bemidbar 11:15), USING THE FEMININE GENDER? He should have used the masculine term. HE RESPONDS: He was referring to the place where death prevails, and that area is of the female, MEANING MALCHUT. Therefore, he said: "kill me, I pray You, out of hand" (Ibid.) since this is the Tree of Death, and we have already explained that death is not present in the Tree of Life, ZEIR ANPIN. THEREFORE, HE COULD NOT POSSIBLY SAY TO IT, "KILL ME, I PRAY YOU, OUT OF HAND." He consequently turned HIMSELF AWAY FROM THE TREE OF LIFE and spoke to the Tree of Death, MALCHUT, saying, "You (fem.)," and did not use a masculine gender. That was how he was supposed to say it, SINCE MALCHUT IS A FEMALE.

136. אָמַר רַבִּי יִצְחָק, מֵאֵי שְׁנָא דְאָמַר מֹשֶׁה בְּמִלָּה דָּא לַעִילָא כְּנוֹקְבָא, דְכַתִּיב אִם כָּכָה אֶת עוֹשֶׂה לִּי, אֶתְּךָ מִבְּעֵי לִיָּהּ. אֲלֵא לְאַתְרַּךְ דְּמוֹתָא שְׂאֲרֵי בֵיהּ קָאָמַר, וְהָהוּא אֶתְרַּךְ דְּנוֹקְבָא אִיהוּ. בְּגִין כֵּן אָמַר הֲרַגְנִי נָא הַרוּג, וְדָא אֵילְנָא דְּמוֹתָא. וְהָא אוֹקְמוּנָא דְּבְאֵילְנָא דְּחַיִּי לֹא שְׂרִינָא בֵיהּ מוֹתָא. וְע"ד אֶתְהַדְרַר לְגַבֵּי אֵילְנָא דְּמוֹתָא וְאָמַר אֶתְּךָ, וְלֹא אָמַר אֶתְּךָ, וְהָכִי מִבְּעֵי לִיָּהּ.

137. Immediately, "Hashem said to Moses, 'Gather to Me seventy men...'" (Ibid. 16). The Holy One, blessed be He, said to him: 'You ask for death all the time, so here, have it.' "And I will take of the spirit..." (Ibid. 17). Come and behold: here, Moses became aware that he would die and would not be able to enter the Holy Land, since Eldad and Meidad prophesied this.

137. מִיַּד וַיֹּאמֶר יי' אֶל מֹשֶׁה אֶסְפָּה לִּי שִׁבְעִים אִישׁ וְגו'. א"ל קֹדֶשׁא בְּרִיךְ הוּא, אֶת בְּעֵי מוֹתָא בְּכָל זְמָנָא, הָרִי לְךָ, וְאַצְלַתִּי מִן הַרוּחַ וְגו'. ת"ח, דְּהָכָא יַדַּע מֹשֶׁה דְאִיהוּ יָמוּת, וְלֹא יִיעוּל לְאַרְעָא, דְּהָא אֶלְדָּד וּמֵידָד מְלַח דָּא הוּוּ אָמְרִי.

138. Therefore, it is ill advised for a person to curse himself when he is angry, since many ADVERSARIES are standing by to accept such speeches, MEANING THAT HIS CURSE WILL COME TRUE. At another time, WHEN MOSES requested death AT THE EPISODE OF THE GOLDEN CALF, SAYING, "BLOT ME, I PRAY YOU, OUT OF YOUR BOOK WHICH YOU HAVE WRITTEN" (SHEMOT 32:32), they did not accept it from him because it was all for the benefit of the children of Yisrael. This time, he said it out of pressure and anger, and therefore they accepted. Therefore, Eldad and Meidad remained IN THE CAMP and said that Moses would be gathered to his people and Joshua would usher the children of Yisrael into the land.

138. עַל דָּא, לֹא לְבַעֵי לִיָּהּ לְאִינְשׁ, בְּשַׁעֲתָא דְּרוּגָא שְׂאֲרֵי בֵיהּ, לְלַטְוִיא גְרַמִּיָּהּ. דְּהָא כְּמָה קְוִימִי עֲלֵיהּ דְּמִקְבְּלֵי הָהִיא מְלָח. בְּזְמָנָא אוֹחַרְנָא דְּבַעָא מִיָּתָהּ, לֹא קְבִילוּ מְנִיָּהּ. בְּגִין דְּכָלָא לְתוּעֵלְתָא דִּישְׂרָאֵל הָהּ. הִשְׁתָּא לָאו אִיהוּ, אֲלֵא מְגוּ רוּגָא וְדוּחְקָא, וּבְג"כ קְבִילוּ מְנִיָּהּ. וְע"ד אֶשְׁתָּאֲרוּ לְבַתְרַּךְ אֶלְדָּד וּמֵידָד, וְאָמְרוּ דָּא, דְּמֹשֶׁה יִתְכַנְּשׁ, וְיִהוּשֻׁעַ יִיעוּל לִזְרָאֵל לְאַרְעָא.

139. Therefore, Joshua came to Moses and was jealous of Moses, but Moses was not concerned about his own honor. Consequently, JOSHUA said: "my Master, Moses, restrain them" (Bemidbar 11:28). What is meant by, "restrain them"? It means to hold them from such speeches, SO THAT THEY WILL NOT COME TRUE, as it says, "so the people were restrained from bringing" (Shemot 36:6), and, "the rain from heaven was restrained" (Bereshheet 8:2). THE MEANING OF, "WAS RESTRAINED," is actual restraining, but Moses did not wish to. Come and behold: contemplate the humility Moses had. It is written: "envy you for my sake..." (Bemidbar 11:29). Praised is Moses's lot, in that he ascended above all the elevated prophets. Rabbi Yehuda said: All the other prophets in relation to Moses are like the moon in relation to the sun.

139. ובג"כ אתא יהושע לגבי משה, וקני עליה דמשה. ומשה לא אשגח ביקרא דיליה. וע"ד אמר, אדני משה כלום. מאי כלום. מנע מנהון אינון מלין, כד"א ויכלא העם מהביא. ויכלא הגשם מן השמים. מניעותא ממש. ומשה לא בעא. פוק חמי ענותנותיה דמשה, מה כתיב המקנא אתה לי וגו'. זכאה חולקיה דמשה, דאיהו סליק על כלהו נביאי עלאי. אמר רבי יהודה, כל שאר נביאין לגבי משה, כסיהרא לגבי שמשא.

25. "Yet the Elohim does not give him power to eat of it"

The rabbis discuss how hard-hearted people are in that they pay no attention to the matters of the higher world. Rabbi Shimon says that one eats in this world the fruits that he merits, and the capital, his soul, is kept for him in the higher world so that he can gain with it the higher life above. But for whoever contaminates himself and does not deprive his soul or body of anything, the Tree of Life is not available for him to eat from. Rabbi Aba says that when Moses saw that the people complained about the manna he saw that this blemished his own perfection and he could not bear to see his own wretchedness. It was considered that descending from a higher to a lower level was like death.

140. Rabbi Aba was sitting one night studying Torah. Rabbi Yosi and Rabbi Chizkiyah were present with him. Rabbi Yosi said: How hard-hearted are the people that they do not pay attention to that world's matters at all. Rabbi Aba said: It is the evil in the heart which infects all the organs of the body that does this to them. He opened the discussion saying, "there is an evil which I have seen under the sun, and it is heavy upon men" (Kohelet 6:1). "There is an evil which I have seen"; that is the evil force in the heart that wishes to rule this world's matters and does not pay attention at all to the matters of that world.

140. רבי אבא הוה יתיב ליליא חד, ולעי באורייתא. והוה עמיה ר' יוסי ור' חזקיה. א"ר יוסי, כמה אינון בני נשא תקיפו לבא, דלא משגחי במלי דההוא עלמא כלום. א"ר אבא, בשרא דלבא, דאחידא בכל שויפי גופא, קא עביד לון. פתח ואמר, יש רעה אשר ראיתי תחת השמש ורבה היא על האדם. יש רעה: דא איהי תוקפא בישא דלבא, דבעי לשלטאה במלי דהאי עלמא, ולא אשגח במלי דההוא עלמא מדי.

141. HE INQUIRES: Why is the heart evil? HE RESPONDS: The verse following proves this: "a man to whom the Elohim has given riches, wealth..." (Ibid. 2). This verse is difficult, since it says, "so that he lacks nothing for his soul of all that he desires" (Ibid.). Why then does it say, "yet Elohim does not give him power to eat of it" (Ibid.), seeing that he is not lacking for anything himself? HE RESPONDS: It is because it is a secret and all of King Solomon's sayings also have other meanings hidden under their dress. They are like sayings of the Torah that don stories pertaining to THIS world.

141. אמאי איהי רעה. קרא דבתריה אוכח, דכתיב איש אשר יתן לו האלהים עושר ונכסים וגו'. האי קרא קשירא, בין דכתיב ואינון חסר לנמשו מכל אשר יתאוה, אמאי ולא ישליטנו האלהים לאכול ממנו, דהא אינו חסר לנמשו כלום אלא. רזא איהו, וכל מלוי דשלמה מלכא, מתלבשן אינון במלין אחרנין, במלי דאורייתא, דאינון מתלבשן בספורי עלמא.

142. Come and behold: It is necessary to look at the garment, WHICH ARE WORLDLY STORIES, MEANING THAT ALTHOUGH YOU CANNOT UNDERSTAND THE VERSE OUT OF ITS SIMPLE CONTEXT, this verse says this. When a person goes about in this world, the Holy One, blessed be He, gives him riches in order to merit the World to Come, and he will have the capital OF HIS MONEY left over for himself. What is that capital? That MONEY that endures FOREVER. That is a place in which to store the soul. He therefore is required to leave behind him that capital, and this capital will be received by him after departing from this world.

142. ת"ח, אע"ג דבעינן לאסתכלא בלבושא, השתא האי קרא הכי קאמר, דב"נ אזיל בהאי עלמא, ויהיב ליה קודשא בריך הוא עותרא, בגין דיזכי ביה לעלמא דאתי, וישתאר לגביה קרן. מאי קרן. ההוא דאיהו קנים, דאיהו אתר לאתצררא ביה נשמטא. בג"כ בעי לאשאר אבתריה להאי קרן, והאי קרן יקבל ליה, בתר דיפוק מהאי עלמא.

143. This principal capital is the Tree of Life of that world, WHICH IS ZEIR ANPIN, but is not present in this world, except for the fruits that come out of it. Therefore, one eats in this world the fruits that he merits, and the capital is kept for him in that world to gain with it the higher life above.

144. For he who contaminates himself and is carried away after his own GOOD, and does not deprive his soul and body of anything, that tree stays, WHICH IS ZEIR ANPIN. But he does not place it in front of him with awe, so as to receive it above. Then, "yet Elohim does not give him power to eat of it" and will not allow him to gain this wealth. Certainly, "a stranger eats it" (Ibid.), as is written: "he may prepare it, but the just shall put it on" (Iyov 27:16). Therefore, a person needs to merit and gain in that world through that which the Holy One, blessed be He, gives him. Then he eats from it in this world, and the capital remains by him for the other world, so that he will be tied up in the bundle of life. Rabbi Yosi said: Most certainly, IT IS SO.

145. Rabbi Yosi also said that it is written: "and if you deal thus with me, kill me, I pray You, out of hand" (Bemidbar 11:15). HE INQUIRES: Did Moses, who was the most modest in the world, allow himself to get killed just because the children of Yisrael were demanding from him food to eat? Why? Rabbi Aba said: I have learned this matter and it is a great secret. Moses did not get angry for himself and did not ask to be killed on account of Yisrael's demand TO EAT MEAT.

146. Come and behold: Moses was united above and he exceeded in matters while no other prophet was united. When the Holy One, blessed be He, told Moses: "Behold, I will rain bread from the heaven for you" (Shemot 16:4), Moses rejoiced and thought, 'I will now certainly acquire this perfection, since in my merit the manna will be available to the children of Yisrael.' As soon as Moses noticed that they again descended to another level and demanded meat, saying, "and our soul loathes this miserable bread" (Bemidbar 21:5), he thought, 'My level is deteriorated, since for my sake Yisrael ate manna in the desert. Here I am blemished, Aaron is blemished, and Nahshon the son of Amminadab is blemished,' SINCE AARON AND NAHSHON WERE ATTACHED TO THE RIGHT AND LEFT OF MOSES.

143. בגין דהאי קרן, הוא אילנא דחיי דההוא

דנפיק מניה, וע"ד איבא דיליה אכיל ב"ג, דזכי

וכדין אכיל מיניה בהאי עלמא, וישתאר לגביה
ההוא קרן לעלמא אחרא, למהוי צרורא בצרורא
דחיי. אמר רבי יוסי ודאי.

145. תו אמר רבי יוסי, כתיב אם ככה את עושה לי
הרגני נא וגו' וכי משה דאיהו ענו מכל בני עלמא,
בגין דשאלו מניה ישראל למיכל, מסר גרמיה
למיתה, אמאי. א"ר אבא, האי מלה אוליפנא, ורזא

146. ת"ח, משה אתאחד, והוה סליק במה דלא

ונחשון בן עמינדב פגים.

147. Therefore, he said: "'And if you deal thus with me, kill me, I pray You, out of hand," since I have become as a female, WHICH IS MALCHUT, regarding her food, MEANING WITH THE MEAT THAT THEY WERE DEMANDING. I came down from the heaven that is the highest degree, MEANING ZEIR ANPIN, DUE TO THE FACT THAT THEY LOATHED THE BREAD OF HEAVEN, to go down to the level of the female, TO THE CONSUMPTION OF MEAT. YET I am superior to all prophets of the world' - SINCE ALL PROPHETS USED 'COH' IN THEIR PROPHECY, WHICH IS FEMININE, AND MOSES USED THE TERM 'ZEH', WHICH IS ZEIR ANPIN, REFERRED TO AS 'HEAVENS'. Therefore, he said, "and let me not see my own wretchedness" (Bemidbar 11:15). IT WAS surely CONSIDERED like death to descend to the lowest level, SINCE DESCENDING FROM ONE LEVEL TO THE OTHER LEVEL IS CONSIDERED FOR ONE LIKE DYING.

147. אָמַר וְאִם כָּכָה אֶת עוֹשֶׂה לִי הֲרֹגְנִי נָא הַרוּג, דְּחֻשִׁיבָנָא נּוֹקְבָא בְּמִיכְלָא דִּילָהּ, וְאִנָּא נְחִית מִן שְׂמִיּוּא דְּאִיהוּ דְּרָגָא עֲלָא, לְנַחְתָּא לְדְרָגָא דְּנוֹקְבָא, וְאִנָּא עָרִיף מִן שְׂאֵר נְבִיאֵי עֲלֵמָא, וְעַד אָמַר וְאֵל אֲרָאָה בְּרַעְתִּי כְּמַת וְדַאי לְנַחְתָּא לְדְרָגָא תְּתָאָה.

26. "Gather to Me seventy men"

Moses was given the seventy men to assist him so that he should not become blemished and so that they would shine from his illumination. We are told that God loved Moses more than any other prophet in the world since his prophecy came without any intervention.

148. "And Hashem said to Moses, 'Gather to Me seventy men of the elders of Yisrael'" (Bemidbar 11:16). 'They are present here to be given other food,' THAT DOES NOT COME FROM HEAVEN, WHICH WAS THE LEVEL OF MOSES, 'and you will not be blemished in your level.' Therefore, "I will take of the spirit which is upon you, and will put it upon them" (Ibid. 17). What is the reason? Because they became united with the moon, WHICH IS FEMALE, and there was a need for the sun, WHICH IS THE DEGREE OF ZEIR ANPIN AND THE LEVEL OF MOSES, to illuminate upon her. Therefore, I "will put it upon them," so they will shine from the sun, BEING THE LEVEL OF MOSES, like the illumination of the moon THAT COMES FROM THE SUN. Hence, this food, MEAT, did not come through Moses, BUT RATHER THROUGH THE SEVENTY ELDERS, in order that he should not become blemished AND BE REQUIRED TO DECLINE FROM HIS LEVEL, AS MENTIONED.

148. בְּדִין וַיֹּאמֶר ה' אֶל מֹשֶׁה אֲסַפֶּה לִי שִׁבְעִים אִישׁ מִזְקְנֵי יִשְׂרָאֵל. הֵא אֵינּוֹן לְמִיתָן לְהוּ מִיכְלָא אַחֲרָא, וְלֹא תִהְיֶה פְגָמִים בְּדְרָגָא דִּילָךְ. וְעַד וְאַצְלֵתִי מִן הַרוּחַ אֲשֶׁר עָלֶיךָ וְשַׁמְתִּי עֲלֵיהֶם. מ"ט. בְּגִין דְּאֵינּוֹן אֲתֵאָחֲדוּ בְּסִיְהָרָא וּבְעֵי שְׂמֵשָׁא לְאַנְהָרָא לָהּ. וְעַד וְשַׁמְתִּי עֲלֵיהֶם, בְּגִין לְאַנְהָרָא מִן שְׂמֵשָׁא, כְּנִהוּרָא דְּסִיְהָרָא. וּבְגִינֵי הָאֵי מִיכְלָא דָּא, לָא אֲתִיּוּא עַל יְדֵא דְּמֹשֶׁה, בְּגִין דְּלֹא יִתְפָּגִים.

149. Praised is the lot of Moses that the Holy One, blessed be He, wished his honor. About him, it is written: "let your father and your mother be glad..." (Mishlei 23:25). "...your father..." is the Holy One, blessed be He, and, "your mother," is the Congregation of Yisrael, WHICH IS MALCHUT. "And let her who bore you rejoice," refers to Moses' mother below. The Holy One, blessed be He, loved him more than any other prophet in the world, SINCE HIS PROPHECY came without any intervention, as it is written: "with him I speak mouth to mouth" (Bemidbar 12:8). We have explained it in several places.

149. זָכָאָה חוֹלְקָא דְּמֹשֶׁה, דְּקוּדְשָׁא בְּרִיךְ הוּא בְּעֵי בִּיקְרִיָּה, עָלֵיהּ כְּתִיב יִשְׂמַח אָבִיךָ וְאִמְךָ וְגו'. יִשְׂמַח אָבִיךָ: דָּא קוּדְשָׁא בְּרִיךְ הוּא. וְאִמְךָ: דָּא כְּנִסְתַּת יִשְׂרָאֵל. וְתַגַּל יוֹלְדֵתְךָ: דָּא אִימָא דְּמֹשֶׁה דְּלִתְתָּא. קוּדְשָׁא בְּרִיךְ הוּא רַחִים לִיהּ יִתִּיר מִכָּל נְבִיאֵי עֲלֵמָא, בְּלֹא, אֲמַצְעֵי כָּלֵל. דְּכְתִיב פֹּה אֶל פֹּה אֲדַבֵּר בּוּ, וְהָא אֹקִימָנָא בְּכֶמֶה אֲתֵר.

27. The Holy Name of eleven letters

Rabbi Shimon tells us about the eleven letters in the Hebrew sentence, "Heal her now, El, I pray You," and says that Moses prayed such a short prayer so as not to burden God too much with his own family concerns. God wished for the glory of Moses because He always prefers the honor of the Just to His own honor. We are reminded that in the World to Come God will avenge the humiliation that was inflicted on the children of Yisrael, and he will make Yisrael happy with the gladness of Zion.

150. "And Moses cried to Hashem, saying, 'Heal her now, El, I pray You'" (Bemidbar 12:13). This has already been explained. This is the secret meaning of the Holy Name of eleven letters, MEANING THE ELEVEN LETTERS THAT ARE IN THE WORDS: "HEAL HER NOW, EL, I PRAY YOU." Moses did not wish to pray further because he did not wish to encumber the King too much with his own family. That is why the Holy One, blessed be He, wished for the glory of Moses. The Holy One, blessed be He, always prefers the honor of the just to His own. In the World to Come, the Holy One, blessed be He, will avenge the humiliation that the idolatrous nations inflicted on the children of Yisrael, and He will make Yisrael happy with the gladness of Zion, as is written: "therefore they shall come and sing in the height of Zion..." (Yirmeyah 31:11). Then, "to Zion a Redeemer shall come..." (Yeshayah 59:20).

150. וַיִּצְעַק מֹשֶׁה אֶל יְיָ לֵאמֹר אֵל נָא רַפֵּא נָא לָהּ. הָא אֹקְמוּהָ, וְהוּא רִזָּא דְשָׁמַא קְדִישָׁא, מִחַד סְרִי אֲתוּן, וְלֹא בְעָא מֹשֶׁה לְצַלָּאָה יְתִיר, בְּגִין דְעַל דִּידִיָּה לְמַלְכָּא לֹא בְעִי לְאַטְרָחָא יְתִיר. בְּג"כ קוּדְשָׁא בְרִיךְ הוּא בְעָא עַל יְקָרָא דְמֹשֶׁה. וּבְכָל אֲתָר קוּדְשָׁא בְרִיךְ הוּא בְעָא עַל יְקָרִיהוֹן דְצַדִּיקָיָא, יְתִיר עַל דִּילִיָּה. וּלְזַמְנָא דְאֲתִי, עֲתִיד קוּדְשָׁא בְרִיךְ הוּא לְמַתְבַּע עַלְבוּנָא דְיִשְׂרָאֵל מְעַמִּין עֲכו"ם, וּלְמַחְדֵי לִוְן בְּחֻדוֹתָא דְצִיּוֹן. דְכִתְיִב וּבָאוּ וְרִנְנוּ בְמִרוֹם צִיּוֹן וְגו'. וּכְדִין וּבָא לְצִיּוֹן גּוֹאֵל וְגו'.

1. "Send you men"

Rabbi Chiya says that when the sun begins to set, the energy of the sun, Zeir Anpin, is less powerful, and that is when the left dominates and judgments pertain. At that time one must pray.

1. "And Hashem spoke to Moses, saying, 'Send you men, that they may spy out the land of Canaan...'" (Bemidbar 13:1). Rabbi Chiya opened the discussion saying, "Have you commanded the morning since your days began; and caused dayspring to know its place" (Iyov 38:12). It is written "dayspring" WITHOUT THE HEI (DEFINITE ARTICLE). Hei has been far from dawn. What is the reason? Rabbi Chiya said: When the evening shadows lengthen and the sun - THAT IS, ZEIR ANPIN - begins to set, MEANING AFTER MIDDAY, the strength OF THE SUN is less powerful, WHICH IS ZEIR ANPIN. This is when the left rules and Judgments spread over the world. Then a person is required to pray and direct his desire to his Master.

1. וַיְדַבֵּר יי' אֶל מֹשֶׁה לֵאמֹר, שְׁלַח לְךָ אַנְשִׁים וַיְתוּרוּ אֶת אֶרֶץ כְּנָעַן וְגו'. רַבִּי חֵיָא פָתַח, הַמִּימִינְךָ צִוִּיתָ בְּקֹר יְדַעַת הַשָּׁחַר מְקוֹמוֹ. שָׁחַר כְּתִיב, ה"א אֶתְרַחֵקָא מִשָּׁחַר. מ"ט. אֵלֶּא א"ר חֵיָא, בְּשַׁעֲתָא דְנִטְי עֶרֶב, וְשִׁמְשָׁא נָטִי לְמִיעַל, כְּדִין אֶתְחַלֵּשׁ תּוֹקְפִיָּה, כְּדִין שְׁלֵטָא שְׁמַאלָא, וּמִשְׁתַּכַּח דִּינָא בְּעֵלְמָא, וְאַתְפָּשֵׁט. וּכְדִין בְּעֵי ב"נ לְצַלָּאָה, וּלְכַוְנָא רַעוּתָא קַמֵּי מַאֲרִיָּה.

2. The name that rules after midnight

Rabbi Yesa describes what happens when night falls and midnight comes. We read a detailed description of the thirteen carved letters in the Holy Name that dominates from midnight onward.

2. As Rabbi Yesa said, when the sun is about to set, THAT IS ZEIR ANPIN, and is losing its strength, MEANING PAST MIDDAY, an aperture in the sun opens - THE DOOR OF THE DOMINATION OF THE LEFT - AND THE SUN'S power is gathered in, THAT IS ZEIR ANPIN AND THE CENTRAL COLUMN, and the left reigns. Isaac, WHO IS THE LEFT COLUMN, digs the well underneath, WHICH IS MALCHUT THAT SUCKLES FROM THE LEFT, AND THEN HE ESTABLISHES HER.

2. דָּאֲמַר רַבִּי יֵיסָא, כַּד נָטִי שְׁמֵשָׁא, וְאַתְחַלֵּשׁ, כְּדִין אֶתְפָּתַח חַד פְּתִיחוֹ בְּשִׁמְשָׁא, וְאַתְכַּנִּישׁ חֵילִיָּהּ, וְשְׁמַאלָא שְׁלִיט. וַיִּצְחַק כְּרִי בִירָא תַּחֲוֹתֶיהָ.

3. When the night falls, the written edicts are in their pockets. Many harmful demons spread out in the world, which all roam around in confusion. They go about and mock at the souls of the wicked and inform them of various matters, some false and some true. If any PERSON is found among them, they are given permission to do harm. Everyone is sleeping and tasting the taste of death, as we have already explained.

3. בֵּינָן דְּעָאֵל לִילִיָּא, פְּתַקָּא דְּקוּטְפָא בְּאַחֲמַתִּיָּה שְׂכִיחַ. וְכַמְּה חֲבִילִין טְרִיקָן אֶתְפָּשְׁטוּ בְּעֵלְמָא, וְכִלְהוּ שְׁטָאן בְּעַרְבוּבִיָּא, וְאֹזְלִי וְחֵיבְכָאן בְּנַפְשָׁן דְּרִשְׁוִיעִיָּא, וּמוֹדְעִין לֹון מְלִין, מְנַהוּן כְּדִיבָן, וּמְנַהוּן קְשׁוּט, וּמֵאן דְּאַשְׁתַּכַּח בִּינְיֵיהוּ, אֲתִיְהִיב לֹון רְשׁוּ לְחַבְלָא, וְכִלְהוּ בְּנֵי עֵלְמָא נְיִימִין, וְטַעֲמִין טַעֲמָא דְּמוֹתָא, וְהָא אוֹקִימְנָא.

4. Come and see: When the north wind stirs, the Congregation of Yisrael WHICH IS MALCHUT, is received in the left OF ZEIR ANPIN. They join together and she rests in her place in the LEFT arm and the Holy One, blessed be He, comes to delight Himself with the just who are in the Garden of Eden. Whoever is awakened to study the Torah during that period is participating WITH MALCHUT, because she and all her multitudes praise the high King, WHO IS ZEIR ANPIN. All who are present at the praising of the Torah are registered among the inhabitants of the temple, and are proclaimed there by their names. These are recorded during the daytime; THAT IS, THEY ARE REGISTERED TO RECEIVE CHASSADIM, WHICH IS THE MEASURE OF DAY, WHICH IS ZEIR ANPIN.

4. ת"ח, כַּד אֶתְעַר רוּחַ צְפוֹן, כְּדִין אֶתְקַבְּלָא כְּנֶסֶת יִשְׂרָאֵל בְּשְׁמַאלָא, וְאַתְחַבְּרוּ כַּחְדָּא וְשְׂרִיא בְּדְרוּעָא בְּאַתְרֵהָא. וְקוֹדֵשָׁא בְּרִיךְ הוּא אֲתִי לְאַשְׁתַּעֲשַׂע עִם צְדִיקֵיָּא דְּבִגְנַתָּא דְּעָרָן, וּכְדִין כָּל מֵאן דִּיתְעַר לְמַלְעֵי בְּאוֹרֵייתָא בְּהוּא שַׁעֲתָא. הָא אֶשְׁתַּתַּף בְּהֵדָּה, בְּגִין דְּהִיא וְכֹל אַכְלוּסִין דִּילָהּ, מִשְׁבַּחָן לְמַלְכָּא עֵלְאָה, וְכֹל אִינוּן דְּאַשְׁתַּכַּחוּ בְּתוֹשְׁבַּתָּא דְּאוֹרֵייתָא, כִּלְהוּ כְּתִיבִין בְּבִנֵי הַיְכָלָא, וְאַקְרוּן בְּשִׁמְהוּן, וְאַלִּין רְשִׁימִין בִּימְמָא.

5. Come and see that there is a Holy Name of carved letters that rules from midnight onward. It is of these letters: Kuf-Lamed-final Kaf, Samech-Ayin- Pe-Hei, Yud-Aleph-Ayin-Vav-Tzadik-Hei, the final Mem-final Nun of 'final Mem-final Nun-final Tzadik-final Pe-final Kaf' inclusive. Mem was explained in the secret writing of: "For the increase (Heb. Iamarbeh of the realm" (Yeshayah 9:6), WHERE A CLOSED FINAL MEM IS WRITTEN IN THE MIDDLE OF THE WORD, WHICH ALLUDES TO BINAH DURING THE DOMINATION OF THE LEFT WHEN THE LIGHTS ARE ENCLOSED WITHIN HER. Nun was hiding this and this, MEANING THE BENT NUN IN THE SECRET MEANING OF, "THE VIRGIN OF YISRAEL IS FALLEN; SHE SHALL NO MORE RISE" (AMOS 5:2), WHICH CONCEALS BINAH AND MALCHUT. For then the Sfirot were included, MEANING THAT MALCHUT AND BINAH WERE INCLUDED ONE WITHIN THE OTHER, AND BINAH WAS FALLEN LIKE MALCHUT. The Vav of the Holy Name restored MALCHUT, WHICH IS THE SECRET OF NUN, AND DREW THE LEFT COLUMN UPON HER IN THE FORM OF VAV. AT THAT POINT, SHE RISES FROM HER FALL. HOWEVER, he closed up her springs, SINCE, DUE TO THE DOMINATION OF THE LEFT, THE LIGHTS WERE CONGEALED AND FROZEN. THROUGH THIS, BINAH WAS CONCEALED BY THE DOMINATION OF THE LEFT COLUMN. THAT IS WHY BINAH IS THEN CONSIDERED A CLOSED MEM. After BINAH gave birth TO THE VAV OF YUD HEI VAV HEI - WHICH IS ZEIR ANPIN, THAT IS THE SECRET OF THE CENTRAL COLUMN - OR MALCHUT GAVE BIRTH TO THE SOUL, it became open in one end, MEANING THE CLOSED FINAL MEM WAS OPENED ON THE BOTTOM AND BECAME AN OPEN MEM.

6. When the Temple was destroyed, MEANING WHEN THERE WAS NO UNION BETWEEN ZEIR ANPIN AND MALCHUT, WHEN THE TEMPLE WAS DESTROYED, WHICH IS MALCHUT, the springs OF MALCHUT were blocked from all sides. THAT MEANS, IT BECAME A CLOSED MEM IN THAT ALL ITS LIGHTS WERE FROZEN. THE CLOSED MEM is comprised of other letters, which are seven letters FROM THE HOLY NAME MENTIONED ABOVE. Three are from one side, WHICH ARE SAMECH, AYIN AND VAV, and four are from another side, WHICH ARE ALEPH, AYIN, TZADIK, AND HEI. Kaf-Lamed -Final Kaf, Yud-Pe-Hei REMAIN FROM THE HOLY NAME. This is derived from: "You are all fair (Heb. Kulach [Kuf-Lamed-Final Kaf] Yafah [Yud -Pe-Hei]), my love; there is no blemish in you" (Shir Hashirim 4:7). THAT IS THE SECRET OF FINAL NUN ALLUDING TO male and female in one composition. FINAL NUN is composed of three letters from this side, WHICH ARE KAF-LAMED-FINAL KAF, and three from that side, WHICH ARE YUD- PE-HEI, so there are six LETTERS. We have explained that these two letters, final Mem and final Nun, include the thirteen letters OF THE HOLY NAME - KAF-LAMED-FINAL KAF, SAMECH-AYIN-PE-HEI, YUD-ALEPH- AYIN-VAV-TZADIK-HEI, since two ASPECTS result from them, one ASPECT in one letter, WHICH IS FINAL MEM, and one in another letter, WHICH IS FINAL NUN.

7. Kaf-Lamed-final Kaf, Samech-Ayin-Pe-Hei, Yud-Aleph-Ayin-Vav-Tzadik -Hei: Thus were the letters engraved. That is the secret meaning, in the portion of, "When you go forth to war" (Devarim 21:10), of the words, "If a girl (Heb. na'arah) that is a virgin" (Devarim 22:23), which is spelled "naara" WITHOUT HEI. After the night is gone and the morning light shines, the Hei ascends and is included in the letter above. Then IT IS SAID: "And caused dayspring to know its place" (Iyov 38:12). Dawn, WHICH IS ZEIR ANPIN, knows the place of the Hei, and the latter is composed in it.

5. ת"ח שְׁמֵא חָדָא קְדִישָׁא אִית בְּגִלּוּמֵי אֲתוּוֹן, דְּהוּא שְׁלֵטָא מִפְּלִגּוּ לִילּוּא וְאִילָךְ, וְאִינוּן אֲתוּוֹן כִּלְךָ סַעפָּה יֵאֻעֻצָּה מִן דְּמִנְצַפְךָ כְּלִיל לֻוֹן, מֵ אֻקְמוּהָ, לְסַרְבָּה הַמְּשָׁרָה. נ' הוּא אִסְתִּים לְהֵאִי וְלְהֵאִי, בְּדִין כְּתָרִין כְּלִילִן הוּא ו' דְּשְׁמֵא קְדִישָׁא אֲתָקִין לֵיה. וְסִתִּים מְבוּעָהָ. בְּתַר דְּאוּלִּידַת, פְּתִיחָא הוּת בְּחַד רִישָׁא דְּפִתְחָא.

3. The moon shines only when the sun sets

We are told that God told Moses he could not enter the promised land because he was the sun, and the sun and the moon could not stand together since the moon would not shine while the sun was around. God suggested that Moses send men to spy out the land if he wanted to know about it. Moses was shown the land from Mount Avarim and he was also shown all the leaders who would arise in every successive generation. Finally we are told that Moses asked his spies to find out whether there was a tree in the land, and he was looking to see if it contained the Tree of Life.

1

8. Come and see, Moses was THE ASPECT OF the sun, WHICH IS ZEIR ANPIN, and he wished to enter the land of Yisrael. The Holy One, blessed be He, told him, 'Moses, when the sunlight arrives, the moon, WHICH IS MALCHUT, is included in it AND HER QUALITY IS INVISIBLE. Now, you are the sun, AND IF YOU ENTER THE LAND WHICH IS THE SECRET OF THE MOON, MEANING MALCHUT, how can the sun and the moon stand together if the moon shines only when the sun is gathered in? However, now you can not ENTER THE LAND, and if you wish to know about it, "send you men" (Bemidbar 13:1), MEANING for your sake, so that you shall know.'

9. Come and see: If you think Moses did not know at that time that he would not enter the land of Yisrael, it is not so. He most certainly knew and he wished to know about it before he departed; therefore, he sent spies. Since they did not report to him properly, he did not send more until the Holy One, blessed be He, showed IT to him, as it is written: "Go up into this mount Avarim...and behold the land" (Devarim 32:49). It is also written: "And Hashem showed him all the land" (Devarim 34:1). Not only WAS HE SHOWN this, but Moses was shown all those LEADERS who were destined to arise in each successive generation, as we have learned. This was already explained by the friends.

10. As soon as Moses began to send out his spies, what did he say to them? "Whether there is a tree in it" (Bemidbar 13:20). What is the reason that he said this? Do you think that he did not know IF THERE WAS A TREE THERE? However, this is what Moses said: If "there is a tree in it," I know that I will enter the land. What tree? That is the Tree of Life. It was not there, but rather in the terrestrial Garden of Eden. MOSES said to himself: If that tree is in it, I will enter there and if not, I cannot enter.

4. Zelophehad was gathering sticks

Rabbi Chiya and Rabbi Shimon talk about the sin of the man who gathered sticks on the Shabbat. and who died in his own sin. Since he received his punishment of death, his sin was forgiven; this made it difficult for Moses to know what sentence to give his daughters. We learn that a person must never exchange the Tree of Life for the world, and that the Ark, Malchut, and the Torah, Zeir Anpin, exist as one. The Ark is the abode for the Torah. Moses had wanted to find out if the Tree of Life existed in the promised land, but his spies brought him only fruits from regular trees. Rabbi Yitzchak says that faithful messengers refresh the soul of their master.

11. Rabbi Chiya said that it is written: "They found a man gathering sticks (also: 'trees') upon the Shabbat day" (Bemidbar 15:32). What are the trees involved here and who is THAT MAN? HE RESPONDS: That must be Zelophehad, who was particular IN KNOWING exactly about these trees, WHICH ARE ZEIR ANPIN AND MALCHUT, which of them was greater than the other. He did not care for the glory of his Master and exchanged the Shabbat to the other Shabbat. This is what is written: "But he died in his own sin (Heb. chet'o - Chet Tet Aleph Vav)" (Bemidbar 27:3), MEANING in the sin (Chet Tet Aleph) of the Vav, SINCE HE MADE A BLEMISH IN ZEIR ANPIN, WHICH IS REFERRED TO BY THE VAV OF YUD HEI VAV HEI, he died. Therefore, his sentence was left unsaid and not explained as other sentences. HE IS DESCRIBED SIMPLY AS A GATHERER OF STICKS, NOT SPECIFIED, because this matter had to be in secrecy and NEEDED TO BE veiled and not made known. Therefore, it was not mentioned openly and the Holy One, blessed be He, glorified His own glory.

8. ת"ח, משה הוה שמשא, ובעא לאעלאה לארעא. א"ל קודשא בריך הוא, משה, כד אתי נהורא דשמשא, אתכליל סיהרא בגוויה, השתא דאנת שמשא, היך יקומון כחדא שמשא וסיהרא, לא נהיר סיהרא אלא בשעתא דאתכניש שמשא, אבל השתא לית אנת יכול. אי תבעי למנדע מנה שלח לך אנשים, לגרמך, בגין למנדע.

9. ת"ח, משה, אי תימא דהוא לא ידע דלא יועול לארעא בזמנא דא. לאו הכי, אלא ידע, והוה בעי למנדע מנה, עד לא יסתלק, ושלח לאלין מאללי, בין דלא אתיבו מלה כדקא יאות, לא שלח זמנא אחרא, עד דקודשא בריך הוא אחזי ליה, דכתיב עלה אל הר העברים הזה וראה את הארץ. וכתיב ויראהו יי' את כל הארץ. ולא דא בלחודוי, אלא כל אינון דזמינין למיקם בכל דרא ודרא, בלהו אחזי ליה למשה. ואתמר, ואוקמוה חברייא.

10. בין דשארין משה למשלח, מה אמר לון. היש בה עץ. וכי מה הוא דקאמר, ואי תימא דלא ידע. אלא הכי אמר משה, אם יש בה עץ, הא ידענא דאנא איעול לתמן. מאי עץ. דא אילנא דחיי. ותמן לא הוה אלא בג"ע דארעא. אמר אם יש בה עץ דא, אנא איעול לתמן. ואי לא, לאו אנא יכול למיעל.

11. אמר רבי חייא, כתיב וימצאו איש מקושש עצים ביום השבת. מאן עצים הכא. ומאן הוא דא. אלא דא צלפחד, והוה דיוק על אלין אילנין, הי מנייהו רב על אחרא, ולא חשש ליקרא דמאריה, ואחלה שבת לשבת. הה"ד, כי בחטאו מת, בחטאו ו' מת. בגין כך, הוה דיניה סתים, ולא אתפרש דיניה. כדינין אחרנין. בגין דמלה דא בעי בחשאי וסתים ולא גלויא. וע"ד לא אתמר באתגלויא, וקודשא בריך הוא עבד יקר ליקריה.

12. Rabbi Yosi said: He was gathering other trees, INDICATING THE SEVENTY EXTERNAL CHIEFS, together with the Shabbat, AND WAS COMPARING AND MATCHING THE LEVEL OF THE SEVENTY CHIEFS TO THE LEVEL OF THE SHABBAT DAY. He received his timely punishment and his iniquity was forgiven. Therefore, Moses had difficulty in judging the sentence of his daughters, since he was not sure if HIS SIN was forgiven, and if his daughters would take their lot and inheritance IN THE LAND OF YISRAEL or not. As soon as the Holy One, blessed be He, mentioned his name, as is written: "The daughters of Zelophehad speak right" (Ibid.), it became known that his sin was forgiven.

13. Come and see that there are two trees: One above, WHICH IS THE TREE OF LIFE, ZEIR ANPIN, and one below, WHICH IS THE TREE OF KNOWLEDGE OF GOOD AND EVIL, THE FEMALE. In the one there is life and in the other death. Whoever exchanges them - MEANING THAT HE CONSIDERS THE FEMALE WHEN SHE IS SEPARATE MORE THAN ZEIR ANPIN, WHO IS THE TREE OF LIFE - causes himself death in this world, and has no part in the World to Come. About this, Solomon said, "Have you found honey? eat as much as is sufficient for you" (Mishlei 25:16).

14. The Ark and Torah, THAT ARE MALCHUT WHICH IS CALLED ARK AND ZEIR ANPIN THAT IS CALLED TORAH, are as one, MEANING IN UNITY. The Torah THAT IS IN THE ARK is primary and the Ark is the abode FOR THE TORAH. Therefore, the Ark is spelled without Vav wherever it is mentioned; that is, the Ark of the Covenant, the Ark of Testimony, SINCE THE TORAH INSIDE THE ARK IS THE SECRET OF VAV. Aaron is always the right arm, except once where it is written: "All that were numbered of the Levites, whom Moses and Aaron numbered" (Bemidbar 3:39), which has dots above it TO INDICATE THAT HERE HE WAS NOT THE RIGHT ARM, WHICH IS CHESED, BUT RATHER AN ASPECT OF MALCHUT CALLED ARK, AS MENTIONED.

15. Rabbi Yitzchak said: Moses was attached to the Tree of Life and therefore he wanted to find out if he existed in the land or not. Therefore, he said, "Whether there is a tree in it, or not. And be of good courage, and bring of the fruit of the land" (Bemidbar 13:20), since the Tree of Life is pleasant to all. But they brought only grapes, pomegranates and figs, which are attached to another tree, MEANING THE FEMALE, AND NOT IN ZEIR ANPIN, WHICH IS THE TREE OF LIFE.

16. Come and see that in "send you men," "you" MEANS for your sake. Rabbi Yehuda opened the discussion saying, "Like the cold of snow in the time of harvest, so is a faithful messenger to those who send him: for he refreshes the soul of his master" (Mishlei 25:13). "Like the cold of snow in the time of harvest": BECAUSE THEN THE CHILL is good for the body and soul. "A faithful messenger to those who send him": these are Caleb and Pinchas, who were faithful messengers of Joshua AT THE TIME WHEN HE SENT THEM TO SPY ON JERICHO. "For he refreshes the soul of his master": they returned the Shechinah to rest on Yisrael, and She did not part from them.

17. These SPIES, whom Moses sent, caused grief for latter generations, SINCE ON THAT DAY, THE FIRST AND SECOND TEMPLES WERE DESTROYED. This caused thousands and tens of thousands of Yisrael to die and furthermore caused the Shechinah to leave the land of Yisrael. IT SAYS ABOUT those whom Joshua dispatched: "For he refreshes the soul of his master."

12. רבי יוסי אמר, שאר עצים בהרי שבת הוה מקושש, וקביל עונשא למום שעתא, ואתכפר חוביה. וע"ד אתקשי משה בדינא דבנתא, דלא ידע אי אתכפר למהוי לבנתיה חולק ואחסנא אי לאו. כיון דדכר שמייה קודשא בריך הוא, דכתוב כן בנות צלפחד דוברות, אתידע דהא אתכפר חוביה.

13. ת"ח, ב' אילגין אינון, חד לעילא, וחד לתתא, בדא חיון, ובדא מותא. מאן דאחלה לון, גרים ליה מותא בהאי עלמא, ולית ליה חולקא בההוא עלמא. וע"ד אמר שלמה, דבש מצאת אכול דינך וגו'.

14. ארון ותורה בחד קיימי. תורה עקרא, ארון ביתא. וע"ד, ארון חסר בלא וא"ו בכל אתר, ארון הברית, ארון העדות. בכל אתר אהרן דרועא ימינא, בר בחד, דכתוב כל פקודי הלויים אשר פקד משה ואהרן, נקוד לעילא.

15. א"ר יצחק, משה אילנא דחיי נקט, וע"ד בעא למנדע, אי הוה שכיח בארעא, אי לאו, ובג"כ אמר, היש בה עץ אם אין והתחזקתם ולקחתם מפרי הארץ. דהא אילנא דחיי אתחמד לכלא. ואינון לא אייתאו אלא ענבים ורמונים ותאנים, באילנא אחרא תליין ואחידן.

16. ת"ח, שלח לך אנשים: בגינך. רבי יהודה פתח, בצנת שלג ביום קציר ציר נאמן לשולחיו ונפש אדונו ישוב. בצנת שלג ביום קציר, דאהני לגופא ולנפשא. ציר נאמן לשולחיו, אלו כלב ומנחם דהוו שליחי מהימני לגבי יהושע. ונפש אדונו ישוב, דאהדרו שכינתא לדיורא בהו בישראל, ולא אסתלקא מנייהו.

17. ואלין דשרר משה, גרימו בכייה לדרין בתראין, וגרימו לאסתלקא מישראל כמה אלה ורבבן. וגרימו לסלקא שכינתא מארעא מבינייהו דישראל. אינון דשרר יהושע, ונפש אדונו ישוב.

5. "That which befalls the sons of men befalls the beasts"

The rabbis encounter a traveler who they think knows nothing of the Torah, and yet he invites them to place their difficulty before him, which is the verse from Kohelet, "For that which befalls the sons of men befalls the beasts." The traveler tells the rabbis that Solomon was only repeating what the foolish people of the world say, and Solomon was calling those ignorant people beasts. He explains that the following verse tells that the spirit of man goes upwards to a holy place to be sustained by the supernal light, and the spirit of the beast does not go to the place designated for humans. The fools who believe men and beasts go to the same place will remain in Gehenom. The traveler continues talking about the wicked who lack faith, and who will not dwell with God. After the traveler leaves the rabbis discover that he is Rabbi Chagai who has been sent to find out things from Rabbi Shimon and the friends, and Rabbi Chiya says that through his modesty Rabbi Chagai is a faithful messenger. Rabbi Chiya tells about Eliezer who was a faithful messenger to his master Abraham.

18. Rabbi Chizkiyah and Rabbi Yesa were traveling along the road. Rabbi Yesa said to Rabbi Chizkiyah: I see by your face that you are thoughtful. He said: Certainly so, I read this verse, where Solomon said, "For that which befalls the sons of men befalls the beasts; even one thing befalls them both..." (Kohelet 3:19). We have learned that King Solomon's sayings are made unclear with grades of wisdom. If so, we must contemplate it, since we find an opening here for the faithful.

19. He answered him: It is most certainly true THAT THERE EXISTS AN OPENING TO NON-BELIEVERS. It is important to be aware of it and pay attention to it. While talking, they noticed a man who approached them and asked for water, since he was thirsty and tired from the sun's strong heat. They said to him: Who are you? He responded: I am Jewish and I'm tired and thirsty. They asked him: Do you study Torah? He said to them, Before I engage in a conversation with you, let me climb this mountain. There I will take water and drink.

20. Rabbi Yesa took out a skin-hide full of water and presented it to him. After he drank, he said: Let us ascend with you TO THE MOUNTAIN for water. They climbed the mountain and found a narrow stream of water and filled a container. They sat down. That man said to them: Ask now, since I strive in the Torah through one of my sons that I have enrolled in the Rabbi's house, AND HE TAUGHT ME TORAH. For his sake, I have made gains in the Torah. Rabbi Chizkiyah said: If YOU MADE GAINS IN TORAH through your son, it is nice. However, I must elevate what we are discussing at present to another height, MEANING THAT HE IS NOT WISE ENOUGH TO EXPLAIN THEIR QUESTION. That man spoke: Speak up, since sometimes in the grain-receiver of the poor, THAT IS THE VESSEL ON TOP OF THE MILLSTONE, you will find a precious stone.

21. He quoted the verse that Solomon spoke, and related to him THE ENTIRE DILEMMA. He asked him: How are you different from other people who do not know? They replied to him: How DO YOU EXPLAIN THE VERSE? He said to them: Regarding it, Solomon said this verse, but he did not say it FROM HIS OWN IDEAS AS HE SAID the rest; he simply repeated what the fools of the world say. What do they say? That is: "for that which befalls the sons of men befalls the beasts..." The fools who are not aware and do not see things with wisdom say that this world is led by chance. The Holy One, blessed be He, is not paying attention to them, but "that which befalls the sons of men befalls the beasts; even one thing befalls them both..."

22. When Solomon gazed at the fools who said this, he called them beasts, since they made themselves actual beasts by what they said. From where do we derive this? The preceding verse proves it, since it is written: "I said in my heart, after the speech of the sons of men, that the Elohim has chosen them out, but only to see that they themselves are but as beasts" (Kohelet 3:18). "I said in my heart" and I planned to observe. Observe what? "The speech of the sons of men" and the foolish sayings that they utter, THAT THE WORLD CONTINUES BY CHANCE. "That the Elohim has chosen them out," MEANING THAT ELOHIM HAS PICKED THEM OUT to be separated and they should not join with other people that have Faith, "but only to see that they themselves are but as beasts." "TO SEE" MEANING that those who have Faith will see that these are really beasts, and they think like animals. "They themselves" MEANS THAT they are on their own and they shall not bring these foolish ideas to those who are faithful. Therefore, it is "they themselves" and not others. What is their idea? ABOUT THIS, THE VERSE CONCLUDES: "That which befalls the sons of men befalls the beasts; even one thing befalls them both..." Let these beasts die, these foolish ones who lack Faith. Woe to them and woe to their souls. It would have been better to them if they would not have come into this world.

23. And what did Solomon respond to them? This FOLLOWS in the next verse and says: "Who knows whether the spirit of man goes upwards, and the spirit of the beast goes downwards to the earth" (Ibid. 21). "Who knows" these foolish who are not cognizant in the reverence of the uppermost King and do not look into the Torah. "The spirit of man goes upwards," MEANING to a higher place, to a precious place, to a holy place. It goes upward to be sustained by the supernal light, by the light of the Holy King, to be bound in the bundle of life and to be present in the presence of the Holy King as a perfectly pure burnt offering. That is the meaning of "goes upwards."

21. א"ל האי קרא דאמר שלמה, סח ליה. אמר ליה, וכי במה אתון פרישן משאר בני נשא דלא ידעי. אמרו ליה ובמה. אמר לון, על דא אמר שלמה האי קרא, ולא אמר האי מגרמיה, בשאר אינון מלין. אלא אהדר אינון מלין דטפשיאי עלמא דאמרי כן, ומאי אמרי. כי מקרה האדם ומקרה הבהמה וגו', טפשיאי דלא ידעי ולא מסתכלן בחכמתא אמרי דהאי עלמא אזיל במקרה, וקודשא בריך הוא לא אשגח עלייהו, אלא מקרה האדם ומקרה הבהמה מקרה אחד וגו'.

24. "And the spirit of the beast goes downwards to the earth": It is not to the same place designated for all the humans, about whom it is written: "For in the image of Elohim made He man" (Beresheet 9:6). It is further written: "The soul of man is the candle of Hashem" (Mishlei 20:27). How could these fools, those who are not of the Faith, say, "They have all one breath" (Kohelet 3:19) and let their winds be deflated. About them, it is written: "Let them be as chaff before the wind; the angel of Hashem thrusting them" (Tehilim 35:5). They shall remain in Gehenom, in its lower levels, and shall not ascend from there for generations to come. About them, it is written: "They will be consumed out of the earth, and the wicked will be no more. Bless you Hashem, O my soul, Haleluyah" (Tehilim 104:35). Rabbi Chizkiyah and Rabbi Yesa approached and kissed his head. They said: there is so much in you, yet we did not know. Happy is this time that we have met with you.

25. Furthermore, he said: Did Solomon wonder about this alone? We find him saying something similar on another occasion. He opened the discussion with the verse: "This is an evil in all things that are done under the sun" (Kohelet 9:3). "This is an evil": Certainly, what is evil? That is one who spills his seed in vain and destroys his path, since he does not reside with the Holy One, blessed be He, and will not have a part in the World to Come. This is what is written: "For you are not an El that has pleasure in wickedness: nor shall evil dwell with You" (Tehilim 5:5). About this, he said, "This is an evil," for he will have no dwelling above, "that there is one event to all: yea, also the heart of the sons of men is full of evil, and madness is in their heart" (Kohelet 9:3). While they live, foolishness is stuck in their heart. They are lacking Faith and have no part in the Holy One, blessed be He, or in these faithful ones, not in this world and not in the World to Come, as is written: "And after that they go to the dead" (Ibid.).

26. Come and see that the Holy One, blessed be He, warns the inhabitants of the world and says, "Therefore choose life, that both you and your seed may live" (Devarim 30:19). That is the life of that world. And these wicked who lack Faith, what do they say? "For to him that is joined (choose) TO ALL THE LIVING THERE IS HOPE" (Kohelet 9:4). Although the man will choose that world, as he says, it means nothing, as we have this tradition handed to us. "To all the living there is hope," MEANING THE LIFE IN THIS WORLD. They have that tradition handed to them, "for a living dog is better than a dead lion" (Ibid.). How can we have life in that world? Therefore, "this is an evil" and certainly they will not dwell by the King up high and will have no part in Him. And although you could find other supports, NAMELY INTERPRETATIONS, for all these verses, yet most certainly Solomon came to reveal to the wicked lacking Faith that they have no part in the Holy One, blessed be He, not in this world nor in the World to Come.

27. They said to him: Would you like us to join you so that you will go with us? He replied to them: If I do this, the Torah calls me a fool and not only that, I would be risking my life. They asked him why. He replied to them: Since I am a messenger sent on a mission, and King Solomon said, "He that sends a message by the hand of the fool cuts off his own feet, and drinks in damage" (Mishlei 26:6). Come and see: The spies, because they were found to be unfaithful and untrustworthy messengers, risked their lives in this world and the World to Come. He kissed them and left.

28. Rabbi Chizkiyah and Rabbi Yesa continued traveling along. As they went, they met some people. Rabbi Chizkiyah and Rabbi Yesa asked about him. They said: What is the name of that person? They replied: That is Rabbi Chagai and he is a friend among the friends. The friends sent him from Babylon to find out about things from Rabbi Shimon bar Yochai and the rest of the friends. Rabbi Yesa said: That must be the Rabbi Chagai who all his life did not wish to show off what he knows and, therefore, he told us that his son has merited the gain of his Torah knowledge. Since he said: "See you a man wise in his own eyes? There is more hope of a fool than of him" (Mishlei 26:12). He most certainly is a faithful messenger and praised is he who dispatches his matters by the hand of a faithful messenger.

29. Come and see that Eliezer, the servant of Abraham, was from the children of Canaan, as is written: "As for the merchant (Heb. knaan), the balances of deceit are in his hands" (Hoshea 12:8). About Canaan, it is written: "Cursed be Canaan; a servant of servants shall he be to his brethren" (Bereshheet 9:25). Because Eliezer was a faithful messenger, it is written about him: "Come in, you blessed of Hashem" (Bereshheet 24:31), really blessed of Hashem. Therefore, it is written so in the Torah since he has emerged from the curse OF CANAAN, and became blessed. He was not only excluded FROM THE CURSE, but he was also blessed with the name of the Holy One, blessed be He. And I learned that an angel came and inserted this - THAT HE SHOULD CALL HIM "BLESSED OF HASHEM" - into the mouth of Laban.

6. Joshua and Caleb

The rabbis examine the scriptures concerning the behavior of the spies who Moses sent into the Promised Land. We hear how Moses, when he sent him to Yisrael, changed Oshea's name to Joshua to indicate that he was attached to the Shechinah. Rabbi Shimon talks about Moses' need to distinguish if the land was worthy of the Tree, Zeir Anpin, or of Ayin Ayin, Arich Anpin: thus he would know if there was a tree in it, or not (ayin). We are told about Caleb, who went to pray on the graves of the patriarchs in Hebron in order to be rescued from the misguided decisions of the rest of the spies. Rabbi Shimon says that the Shechinah was robed in Caleb to bring tidings to the Patriarchs, and that the three spies were descendants of the Nefilim.

30. "And Moses...sent them...all those men" (Bemidbar 13:3), MEANING THAT all were righteous and chiefs of Yisrael. However, they took bad counsel for themselves. Why did they take this counsel? It was because they thought: if Yisrael entered the land, we would be removed as chiefs and Moses would appoint other chiefs; since we deserved to be chiefs only in the desert, in the land we would not deserve TO BE CHIEFS. Due to having taken bad counsel for themselves, they died, as did all those who accepted their counsel.

31. "These are the names of the men whom Moses sent..." (Bemidbar 13:4). Rabbi Yitzchak said: Moses observed and was aware that they, THAT IS THE SPIES, would not succeed in their mission, and he then prayed about Joshua. Caleb was then in distress. He said: What shall I do, since Joshua goes forth with the utmost help of Moses, that he inspired in him the illumination of the moon, WHICH IS MALCHUT. He shone upon him with his light in his prayer, since he is THE ASPECT OF the sun, WHICH IS ZEIR ANPIN. So what did Caleb do? He dropped back from THE SPIES, and came to the burial place of the patriarchs, and prayed his prayer there.

32. Rabbi Yehuda said: Caleb went a different way and took winding paths, MEANING THAT HE FOLLOWED TWISTED PATHS. He reached the burial plots of the patriarchs and endangered himself, as is written: "Where Ahiman, Sheshai, and Talmi, the children of Anak, were" (Ibid. 22). However, just as someone in distress does not pay attention to anything, so too it was with Caleb. Because he felt distress, he was not observant, and came to pour his prayers upon the burial plots of the patriarchs, in order to be saved from the counsel OF THE SPIES.

33. "And Moses called Hosea son of Nun, Joshua" (Bemidbar 13:16). Rabbi Yitzchak said: Did the scripture ever call him Hosea? Is it not written: "And Moses said to Joshua" (Shemot 17:9) and "Joshua, the son of Nun, a young man" (Shemot 33:11) and "Joshua harried" (Shemot 17:13)? HE RESPONDS: However, Moses told him Yud-Hei will save you (Heb. yoshia) from them, SINCE JOSHUA IS SPELLED WITH THE LETTERS YUD HEI WILL SAVE (HEB. YOSHIA).

34. Rabbi Aba said: As soon AS MOSES sent Joshua to go there, TO THE LAND OF YISRAEL, he needed to be perfect. And in what way? With the Shechinah, SINCE THE LAND OF YISRAEL IS THE SECRET OF THE SHECHINAH. Until that time, he was considered a young man, as we have explained, MEANING THAT HE WAS ATTACHED TO METATRON REFERRED TO AS YOUNG MAN. At that time, Moses tied him to THE SHECHINAH. He was referred to in the scriptures prior to that as Joshua because the scriptures referred to him according to what he was destined to be called. Moses said: Most certainly, it is not proper for him to arrive there except by the Shechinah and that is appropriate. THEREFORE, HE CALLED HIM JOSHUA ADDING THE YUD TO HIS NAME, BECAUSE THAT IS THE SECRET OF THE SHECHINAH.

35. "Whether there is a tree in it, or not..." (Bemidbar 13:20). Rabbi Chiya said: Did Moses not know that there are a variety of trees there, different one from the other? Isn't he the one who praised the land several times WITH ITS OLIVES, GRAPES, POMEGRANATES? Was he doubtful about this? Didn't the Holy One, blessed be He, tell Moses originally that this was a land flowing with milk and honey? Rabbi Yosi said the friends already noted that it is written: "There was a man in the land of Utz, whose name was Job" (Iyov 1:1), MEANING THAT HE WISHED TO INQUIRE OF THEM WHETHER JOB WAS THERE TO PROTECT THEM. AND TREE (HEB. ETZ) IS LIKE UTZ.

36. Rabbi Shimon said: He was alluding to what they asked before, as is written: "Is Hashem among us, or not (Heb. ayin)" (Shemot 17:7) - BEING THE QUESTION OF WHETHER ZEIR ANPIN, REFERRED TO BY YUD HEI VAV HEI, IS STAYING WITH THEM, OR ARICH ANPIN IS AMONG THEM, REFERRED TO BY AYIN (LIT. 'NOT'). He said: There IN THE LAND, you will recognize if it is worthy of this, OF ZEIR ANPIN WHO IS REFERRED TO AS TREE, or of this, OF ARICH ANPIN WHO IS REFERRED TO BY AYIN AYIN (LIT. 'NAUGHT'). He further told them, if you notice that the fruits of the land are similar to those in the other countries in the world, then "there is a tree in it," which is the Tree of Life, MEANING ZEIR ANPIN, but not from a higher place. However, if you notice that the fruits of the land are decidedly different from other fruits in other countries of the world, you will know that the supernal difference flows, that it is drawn from Atika Kadisha and THAT IT CONTAINS from all the places in the world. Through this, you will be able to recognize if there is a tree in it - THAT IS, ZEIR ANPIN - or not (Heb. Ayin), ATIKA KADISHA, THAT IS ARICH ANPIN. That is what you set out to discern in the beginning, as is written: "Is Hashem among us" - and "among us" is specific SINCE THEY INQUIRED IF ZEIR ANPIN RESTS AMONG THEM, or not - Ayin REFERRING TO ARICH ANPIN. Therefore, "And be of good courage, and bring of the fruit of the land" (Bemidbar 13:20), to know the difference in them, MEANING TO BE AWARE IF THERE IS A DIFFERENCE IN THEM OR NOT.

37. "Now the time (days) was the time of the firstripe grapes" (Ibid.). HE INQUIRES: "Now the days": What is it meant to convey, since it would have been sufficient TO SAY, "Now was the time of the firstripe grapes." HE RESPONDS: However, "now the days" are those that were made known, MEANING THE SIX DAYS WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN. All were attached at that time to the tree with which the first man sinned, WHICH IS MALCHUT, and we have learned that it was the grapes (tree). THEREFORE, WE SEE THAT GRAPES IS MALCHUT. As a result, the days that were already known TO BE THE SIX ENDS OF ZEIR ANPIN are the season of firstripe grapes, WHICH IS MALCHUT; THAT IS, THE SIX ENDS IN ZEIR ANPIN GOT JOINED TOGETHER AT THAT TIME IN MALCHUT.

38. "And they ascended into the Negev, and (he) came to Hebron" (Bemidbar 13:22). HE INQUIRES: It should have said, 'And they came' in plural. HE ANSWERS: However, Rabbi Yosi said it refers to Caleb, who came to pray upon the graves of the patriarchs IN HEBRON. Caleb thought to himself: Joshua, indeed! Moses blessed him with the help of the Highest Holiness and he could extricate himself and save himself from them; what shall I do? He took counsel to pray a prayer in the burial place of his patriarchs, in order to be rescued from the misguided decisions of the rest of the spies.

39. Rabbi Yitzchak said, "AND (HE) CAME" MEANS whoever is more important than the rest, it enters into him; THAT IS, THE SHECHINAH ENTERED AND WAS CLOTHED IN CALEB since in it, IN THE SHECHINAH, everything depends. Come and see: Who has the advantage over the rest, to be able to come there, TO HEBRON, since it is written: "And there were Ahiman, Sheshai, and Talmi." As a result of fearing them, who would be able to come EVEN TO HIDE in the cave? But the Shechinah was clothed there in Caleb to bring tidings to the Patriarchs. The time has arrived for their children to enter the land which the Holy One, blessed be He, had sworn to them, and that is why he: "came to Hebron." IT DOESN'T SAY, "AND THEY CAME," SINCE IT ALLUDES TO THE SHECHINAH.

40. From whom were Ahiman, Sheshai and Talmi descended? They were the offspring of the Nefilim (lit. 'fallen ones') that the Holy One, blessed be He, dropped from the HEAVEN to the earth, and they produced offspring from the daughters of the earth. From them emerged the mighty men of old, as is written: "The same were mighty men of old, men of renown" (Beresheet 6:4). "Of old" MEANS they were present from the time the world was created and "men of renown" are Ahiman, Sheshai and Talmi, MEANING THAT THEIR NAMES WERE WELL KNOWN IN THE WORLD.

41. "And they came to the wadi of Eshkol (cluster valley)..." (Bemidbar 13:23). Rabbi Yehuda opened the discussion with the verse: "Thus says the El, Hashem, He that created the heavens, and stretched them..." (Yeshayah 42:5). How much people need to observe the activities of the Holy One, blessed be He. How much need there is to inquire in matters of Torah, for it is as if everyone that studies Torah brings all the offerings in the world to the Holy One, blessed be He. Not only that, but the Holy One, blessed be He, also wipes away all his iniquities, and prepares many thrones for him in the World to Come.

7. Before the world was created, how could it be written: "And... died"

Rabbi Yehuda wonders why God created Adam if He knew that Adam would sin and that He would have to sentence him to death. He wonders why those who study the Torah die in this world just like those who don't. Rabbi Yehuda and Rabbi Aba discuss why they are permitted to seek out the mysteries in the Torah but they have no right to inquire about the ways of God, as for example when it pertains to things like the question above. The conclusion is that there are things that are secret to God and that no one should even ask about them, except for Rabbi Shimon who can explain things to his generation openly.

42. Rabbi Yehuda was walking along the way with Rabbi Aba. He said: I wish to ask you one thing. Since the Holy One, blessed be He, was aware that Adam was going to commit sin in His presence and that He would sentence him to death, why did He create him? Didn't the Torah exist 2,000 years prior to the creation of the world, MEANING BEFORE THE SIN OF ADAM? It is written: "When a man dies in a tent" (Bemidbar 19:14), "if a man die," "and...died" and "such and such lived and died." What did the Holy One, blessed be He, want from man in this world? If man studies Torah day and night he will die, and if he does not study Torah he will die. The same course applies to all, except that THE SINNER gets removed from the World to Come. HOWEVER, IN THIS WORLD ALL ARE EQUAL, as it is written: "As is the good, so is the sinner" (Kohelet 9:2).

39. רבי יצחק אמר, מאן דהוה רשים מכלהו דא עאל בגוויה דביה תליא פלא. ות"ח, מאן הוא משאר אחרי דיכול לאעלא תמן, דהא כתיב ושם אחימן ששי ותלמי, ומדחילו דלהון מאן יכול לאעלאה במערתא. אלא שכינתא עאלת תמן בכלב, לבשרא לאבהן, דהא מטא זמנא לאעלא בנייהו לארעא, דאומי לון קודשא בריך הוא, ודא הוא ויבא עד חברון.

40. תאנא, אחימן ששי ותלמי, ממאן נפקו זרעא הוו מאינון נפילין, דאפיל לון קודשא בריך הוא בארעא, ואולידו מבנת ארעא, ומנייהו נפקו גיברי עלמא, כמה דכתיב, המה הגבורים אשר מעולם אנשי השם. אשר מעולם, מדאתברי עלמא משתכחי. אנשי השם אחימן ששי ותלמי.

41. ויבאו עד נחל אשכול וגו', רבי יהודה פתח, כה אמר האל יי' בורא השמים ונוטיהם וגו'. כמה אית להו לבני נשא לאסתכלא בפולחנא דקודשא בריך הוא, כמה אית להו לאסתכלא במלי דאורייתא, דכל מאן דאשתדל באורייתא, כאילו מקרב כל קורבנן דעלמא לקמי קודשא בריך הוא. ולא עוד אלא דקודשא בריך הוא מכפר ליה על כל חובוי, ומתקנין ליה כמה בורסיין לעלמא דאתי.

42. ר' יהודה הוה אזיל בארחא בהדי ר' אבא, שאל ליה, אמר מלה חד בעינא לשאלא, ביון דידע קודשא בריך הוא דזמין ב"נ למחטי קמיה, ולמגזר עליה מיתה, אמאי ברא ליה. דהא אורייתא הוה תרי אלפין שנין עד לא איברי עלמא. וכתיב בה באורייתא, אדם כי ימות באהל. איש כי ימות. וימת. ויחי פלוני וימת. מאי קבעי קודשא בריך הוא לב"נ בהאי עלמא, דאפילו אי אשתדל באורייתא יממא וליליא ימות, ואי לא אשתדל באורייתא ימות, כלא בחד ארחא, בר פרישותא דהווא עלמא, כד"א בטוב כחוטא.

43. He said to him: Why do you need to toil in the ways of your Master and the edicts of your Master? Ask about that which you have permission to know and gaze at, and about that which you have no permission to know, it is written: "Do not let your mouth cause your flesh to sin" (Kohelet 5:5), since we have no right to inquire about the ways of the Holy One, blessed be He, and His mysteries, the utmost high secrets that He covered and hid. He said to him: If so, the entire Torah is concealed and hidden, since it is the most Holy Name and whoever studies the Torah, it is as if he deals in His Holy Name. If so, we are not permitted to inquire and gaze IN THE TORAH.

44. He said to him: The entire Torah is both concealed and revealed and the Holy Name is both concealed and revealed, as it is written: "The secret things belong to Hashem our Elohim: but those things which are revealed belong to us and to our children" (Devarim 29:28). "But those things which are revealed belong to us," meaning that we have permission to inquire and observe and gaze at them to know them. However, "the secret things belong to Hashem our Elohim": They are His and to Him they are proper, since who could know and comprehend His concealed mind, let alone even ask about it.

45. The people of the world are not permitted to talk about the concealed matters and explain them, besides the holy luminary, Rabbi Shimon, since the Holy One, blessed be He, acceded to him. Since his generation is distinguished above and below, the matters are therefore said through him openly. There will be no other generation like the generation that he resides in, until the coming of King Messiah.

8. The Holy One, blessed be He, has three worlds

We are told the secret that God has three worlds in which He is concealed. The first is the uppermost world of which nothing is known. The second is the world by which God is known. The third is the world below them where division exists, and it consists of Briyah, Yetzirah and Asiyah; this constitutes the world within which the highest angels dwell and where God is sometimes present and sometimes not. We also hear about three realms, the first of which is the realm of division, meaning this world. The second world, the terrestrial Garden of Eden, is the realm that is connected to the highest realm. The third world is the higher world that is hidden and secret. We hear that the children of God merit all three worlds. The Torah warns that people should not mutilate themselves in grief for the dead because the righteous dead are not lost and they exist in high and precious realms in a state of happiness. We hear that because of Adam's sin man does taste the taste of death prior to entering into the other realms. The conclusion is that God tells people that if they follow His paths and do His work He will bring them to good worlds and higher realms.

46. Come and see, it is written: "So Elohim created man in His own image, in the image of Elohim He created him" (Bereshheet 1:27). The secret of the matter is that the Holy One, blessed be He, has three worlds in which He is concealed. The first world is the uppermost world that is concealed from all, at which we should not gaze. Nothing is known of it except that He is concealed in it. THIS IS THE WORLD OF ZEIR ANPIN OF ATZILUT.

43. א"ל, אורחוי דמארך, וגזרי דמארך, מה לך למטרך בהו. מה דאית לך רשו למנדע ולאסתכלא שאיל, ודלית לך רשו למנדע, כתיב אל תתן את פיך לחטיא את בשרך, דאורחוי דקודשא בריך הוא וסתרין, גניזין עלאין, דהוא סתים וגניז לית לן לשאלא. א"ל, אי הכי, הא אורייתא בלא סתים וגניז, דהא היא שמא קדישא עלאה הוי, ומאן דמתעסק באורייתא באלו אתעסק בשמיה קדישא, ואי הכי, לית לן לשאלא ולאסתכלא.

44. א"ל אורייתא בלא סתים וגלויא, ושמיה קדישא סתים וגלויא, וכתיב הנסתרות לה' אלהינו והנגלות לנו ולבנינו, לנו, הנגלות דאית רשו לשאלא, ולעינא ולאסתכלא בהו ולמנדע בהו. אבל הנסתרות לוי' אלהינו, דיליה אינון, וליה אתחזיין, דמאן יכיל למנדע ולאסתכלא דעתוי סתימא, וכ"ש למשא"ל.

47. The second world, which is tied to that WORLD above, is the one by which the Holy One, blessed be He, is known, as it is written: "Open to me the gates of righteousness" (Tehilim 118:19) and "This is the gate of Hashem" (Tehilim 118:20). AND THAT IS THE WORLD OF MALCHUT IN ATZILUT, WHICH IS THE GATE TO ZEIR ANPIN and constitutes the second world.

48. The third world is the world below them, where division exists. THAT IS BRIYAH, YETZIRAH AND ASIYAH, ABOUT WHOM IT IS SAID: "AND FROM THENCE IT WAS PARTED..." (BERESHEET 2:10). It constitutes the world within which the highest angels dwell, and the presence of the Holy One, blessed be He, is apparent and not so apparent in it. Now He seems in it, yet when there is a wish to observe and to know Him, He disappears from them and is not visible until all ask: "Where is the place of His glory." "Blessed be the glory of Hashem from His place" (Yechezkel 3:12), and that is the realm where He is not always.

49. In the same manner: "For in the image of Elohim made He man" (Beresheet 9:6). Then he has the three realms. The first realm is that world that is referred to as the realm of division, MEANING THIS WORLD. The man is existent and not existent in it, since when you wish to look at him, he departs from there and is no longer visible.

50. The second world is the realm that is connected to the highest realm. That is the terrestrial Garden of Eden, which is tied to another higher world, and from that REALM is known the concept of another world.

51. The third world is the higher world that is concealed, hidden and secret. There is nobody that knows it, as is written: "Neither has the eye seen, that Elohim, beside You, should do such a thing for him that waits for Him" (Yeshayah 64:3). All is similar to the above, as is written: "For in the image of Elohim made He man."

52. SINCE THEY MERIT THE THREE WORLDS, about this it is written: "You are children of Hashem your Elohim..." (Devarim 14:1), as we have explained. These are in the image of Elohim and these inherit the highest legacy, similar to His - THAT IS, THREE WORLDS. Therefore, it was warned in the Torah that "you shall not gash yourselves, nor make any baldness between your eyes for the dead" (Ibid.) since one is not lost after his death and he exists in good realms, supernal and precious, and they should be in a state of happiness when a righteous one departs from this world.

53. Come and see: If Adam would not have sinned, he would not have tasted the taste of death in this world during his passing into the other realms. However, due to his sinning, he does taste the taste of death prior to entering into these realms. The spirit gets divested from this body and leaves it in this world. The spirit gets cleansed in the River Dinur to receive its punishment and then enters in to the Garden of Eden on this earth. Another vessel of light that is precisely similar to the form of the body which he previously had on this world is ready for it. It vests and prepares itself in it and there, IN THE GARDEN OF EDEN, is its permanent residence. On the first of each month and Shabbat, the spirit connects to the soul and ascends and crowns itself higher and higher, IN THE MOST HIGH GARDEN OF EDEN. This is what is written: "And it shall come to pass, that every new moon" (Yeshayah 66:23).

54. "That every new moon": HE INQUIRES: Why SPECIFICALLY ON THE FIRST OF THE MONTH? HE RESPONDS: The secret of the matter is due to the renewal of the moon that gets adorned to illuminate from the sun at that time, MEANING THE TIME WHEN THERE IS THAT UPPER MATING OF ZEIR ANPIN AND THE FEMALE CALLED SUN AND MOON. Similarly on "every Shabbat," "every" is the moon, WHICH IS MALCHUT and "Shabbat" is the sun, WHICH IS ZEIR ANPIN, since the light comes to her from Him. Therefore, it is all the same thing, THAT THE FIRST OF THE MONTH AND THE SHABBAT ARE INDICATIVE OF THE SAME, BECAUSE IT IS THE TIME WHEN ZEIR ANPIN AND MALCHUT ARE IN CONJUGATION. HOWEVER, THERE IS A DEGREE OF DIFFERENCE IN THE ELEVATION, THAT ON THE NEW MOON, THEY ARE IN THE LEVEL OF YISRAEL-SABA AND TEVUNAH, AND ON THE SHABBAT IN THE LEVEL OF ABA AND IMA. That is the clear definition of this matter, except for the sinners who are sentenced to death in all the realms, which means being cut off from all the realms and losing all if they have not come to repentance. Rabbi Yehuda said: Blessed is the All Merciful that I asked and gained these, and came to understand THESE MEANINGS.

55. Rabbi Shimon said: From this portion, I have learned the secret meaning of wisdom, from which are derived lofty and precious secrets. Come and see that the Holy One, blessed be He, praises the Torah and says, 'Go in My paths and be labor in My service, and I will bring you to good worlds and higher realms.' To those people who do not know, or have no Faith and do not look, the Holy One, blessed be He, says, 'Go seek out and and look at that better world, that supernal and exquisite realm.' They reply: How could we possibly do that and how could we know all this?

9. "Go up this way by the south"

We learn that God tells people to strive in the Torah and they will then recognize that it is available to support them, and they will be able to see if the just that live in the Garden of Eden got there by having overpowered their inclinations with strong effort, or if they studied the Torah day and night. They will be able to see what type of world it is and whether the Tree of Life is present forever. We hear warnings against those who think they can achieve the Garden of Eden with a lazy attitude and meaningless effort.

1

56. It is written THAT THE HOLY ONE, BLESSED BE HE, TELLS THEM: "Go up this way by the south" (Bemidbar 13:17), MEANING strive in the Torah and you will then recognize that it stands in good stead for you. Through it, you will know that WORLD "and see the country, what it is..." (Ibid. 18), MEANING you will recognize through her that world, which is an inheritance and a legacy, to which I bring you.' "And the people who dwell in it" (Ibid.): these are the righteous in the Garden of Eden, who stand row by row in the highest glory on the highest grades.

57. "Whether they are strong or weak..." (Ibid.) MEANING you will see in her if they gained all these due to having overpowered their inclination WITH STRONG EFFORT and broken it, or whether they did it WEAKLY WITHOUT ANY EFFORT. Or see if they enhanced their strength in Torah by studying it day and night or if they have they loosened their hands of it, AND YET IN SPITE OF THAT they merited all these. "Are they few or are they many" (Ibid.): Are there many who are involved in My service and getting stronger by the Torah, so that they therefore merit all these, or not?

58. "And what the land is, whether fat or lean" (Ibid. 19): through the Torah, you will know what the land is, MEANING what type of world it is - whether there is a great deal of beneficial good from above to its dwellers, or whether it is lacking anything. "Whether there is a tree in it, or not" (Ibid. 20): is the Tree of Life - THAT IS, ZEIR ANPIN - present forever and ever? And does it contain the bundle of life, WHICH IS YESOD, or not?

59. "And they ascended into the Negev, and (he) came to Hebron" (Ibid. 22). "And they ascended into the Negev" MEANS that people elevate themselves within her, THE TORAH, and "into the Negev" means with a lazy heart, as one whose effort is dry and meaningless, because he believes that there is no recompense in that. He sees that he has lost the world's riches due to her and thinks that everything is LOST. "Into the Negev" is as written: "The face of the ground was dry" (Bereshheet 8:13), "dry" being translated into Aramaic as negivu.

60. Following that: "And (he) came to Hebron," MEANING that he has come to adhere to the Torah, and he reads and studies her. "Where Ahiman, Sheshai and Talmai..." (Bemidbar 13:22), MEANING he sees there many divisions: unclean and clean, forbidden and permitted, punishment and recompense. These are the paths of the Torah, the specifics of the Torah. "The children of Anak" (Ibid.): MEANING that they were born from the side of Gvurah.

10. The spies

We are told that Hebron is the Oral Torah because whoever strives in her is referred to as Chaver, or comrade; it emerges from the written Torah, Zeir Anpin. Reference is made to homiletical interpretations and Agadah that surround the Torah like grapes in a cluster. Those who do not study the Torah for its own sake cause a flaw in the faith because they consider the written and oral Torahs to be two rather than one; this leads to the separation of Zeir Anpin and Malchut. People recant from the true path, saying that the world above might indeed be good, as the Torah says, but who could possibly deserve it? It takes too much work. We read of the difficulties of poverty and weakness of body among those who study the Torah, but of the great reward that comes to them and the great connection they make with God. We are told the inner meaning of Joshua and Caleb who carried between them the branch with the cluster of grapes. The rabbis talk about the giants who came against them, and Rabbi Shimon tells of the slanderous spies who told lies about the promised land. It was as if by speaking slanderously about the Holy Land they spoke badly about God, and God later caused the destruction of both temples on the anniversary of that day. Had Moses not prevailed with his prayer the children of Yisrael would have been destroyed from the world.

61. "Now Hebron was built seven years" (Bemidbar 13:22): These are the seventy faces of the Torah. It contains seventy aspects, THE TORAH THAT IS THE SECRET OF ZEIR ANPIN THAT HAS SIX ENDS AND CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT THAT TOTAL SEVEN SFIROT. To each aspect, there is ten, MEANING THAT EACH ONE IS COMPRISED OF TEN SFIROT, TOTALLING SEVENTY. Hebron is the Torah, because whoever strives in her is referred to as Chaver, or friend. "Before Zoan in Egypt" (Ibid.): We learned that there exists Torah corresponding to a Torah and that is the written Torah, WHICH IS ZEIR ANPIN, and oral Torah, WHICH IS MALCHUT. That Hebron, WHICH IS THE ORAL TORAH THAT IS MALCHUT, comes out from the written Torah, ZEIR ANPIN, as it says: "Say to wisdom, 'You are my sister'" (Mishlei 7:4). And it was built seven years, MEANING THE SEVEN SFIROT - CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT. Therefore, it was referred to as Bathsheba, daughter of seven. "Before Zoan in Egypt" as it says: "Solomon's wisdom" - THAT IS MALCHUT - "excelled of all the children of the east country, and all the wisdom of Egypt" (I Melachim 5:10).

62. "And they came to the wadi of Eshkol" (Bemidbar 13:23): these refer to matters of Agadah and homiletical interpretation that are derived from the aspect of Faith, WHICH IS MALCHUT, SINCE HOMILETICAL INTERPRETATIONS AND AGADAH ARE DEPENDENT ON TORAH AND SURROUND HER LIKE GRAPES IN A GRAPE CLUSTER. "And cut down from thence a branch..." (Ibid.): they learned from there the headings of the chapters and the highlights of the matters. The faithful rejoice with these matters, which are blessed within them. They notice that they stem from one source and principal and there is no division that divides them. Those who are not of Faith and do not study the Torah for its own sake cause the Faith, WHICH IS MALCHUT, to be separated FROM ZEIR ANPIN, SINCE THEY CAUSE A FLAW IN THE PAIRING OF ZEIR ANPIN AND MALCHUT - WHICH ARE THE WRITTEN TORAH AND THE ORAL TORAH. THEY DO NOT ACCEPT THE BELIEF THAT THEY ARE ONE ESSENCE AND ONE SOURCE. This is what is written: "And they carried it between two on a pole (Heb. mot)" (Ibid.), WHICH MEANS THEY CAUSED a division BETWEEN THE WRITTEN AND ORAL TORAH AND CONSIDER THEM, HEAVEN FORBID, AS TWO. What is the meaning of "mot"? It is as is written: "He will not suffer your foot to be moved (Heb. lamot)" (Tehilim 121:3) and "of the pomegranates (Heb. rimonim), and the figs (Heb. te'anim)" (Bemidbar 13:23). They have placed these matters entirely into the Other Side, to the side of heretics, and the side of separation, SINCE RIMONIM IS DERIVED FROM MINIM (LIT. 'HERETICS'). AND TE'ENIM IS DERIVED FROM: "BUT ELOHIM ALLOWED IT (HEB. INAH) TO HAPPEN TO HIM" (SHEMOT 21:13), MEANING THAT IT HAPPENED BY CHANCE, AS THEY DO NOT BELIEVE IN PROVIDENCE AND SAY EVERYTHING IS BY CHANCE, AND SEPARATE THE BLESSED NAME FROM THE WORLD.

63. This is what is written: "And they returned from searching the land" (Bemidbar 13:25). "And they returned" means they returned to the Evil Side and recanted from the true path, saying, What result did we get, to this day we have not experienced any worldly benefits for our labor in the Torah. The house was empty and we were settled among the lower class of the people. Who will merit that world and who will reach to enter into it? It might be better for us not to work so hard. "And they told him, and said..." (Ibid. 27), Here we labored and studied in order to know that part of the world, AS YOU ADVISED US: "And indeed it flows with milk and honey" (Ibid.). That world above is indeed good, as we were informed in the Torah, but who could deserve it?

64. "But the people are strong" (Ibid. 28). Powerful is the NATION THAT MERITED THE WORLD ABOVE, which did not value the whole world of making deals and getting great wealth. Who is he THAT COULD ACT THAT WAY to gain merits in the world above? Certainly, "but the people are strong that dwell in this land." Whoever wishes to make gains in her must be wealthy and strong as it says: "But the rich answers with impudence (lit. 'strength')" (Mishlei 18:23). "and the cities are fortified and very great" (Bemidbar 13:28), MEANING nothing will be lacking in homes filled with all goodness. "And moreover we saw the children of Anak there" (Ibid.), meaning it requires a firm body strong as a lion, since the Torah diminishes the strength of a person when he deals in the forbidden and the permissible, the defiled and the cleansed, the fit and the rejected. Who could merit her?

65. Furthermore, "Amalek dwells in the land of the Negev" (Ibid. 29). If a person should think to himself that even with all this, he will deserve TO BE STRENGTHENED, "Amalek dwells in the land of the Negev." Here is the bad inclination that prosecutes upon the person, always present in the body. "And the Hittites...and the Amorites..." (Ibid.). How many prosecutors exist there to prevent a person from ever entering that world at all? Who will have merit for it and who will enter into it? With these words, "they disheartened the children of Yisrael" (Bemidbar 32:9), since they have implicated Yisrael in bad deeds, as it says: "They spread an evil report of the land" (Ibid.).

66. What did these faithful say? "If Hashem delights in us...and give it us" (Bemidbar 14:8), MEANING that if a person strives with a willing heart for the Holy One, blessed be He, HE WILL MERIT HER, since He only wants his heart and they will preserve that Holy Sign. THAT IS THE HOLY COVENANT, as is written: "Your people also shall be righteous: they shall inherit the land for ever" (Yeshayah 60:21), MEANING THOSE WHO PRESERVE THE COVENANT, WHO ARE CALLED THE JUST.

67. However, "only rebel not against Hashem" (Bemidbar 14:9). It is necessary not to rebel against the Torah, since Torah neither requires wealth, nor utensils of silver and gold. "Nor fear the people of the land" (Ibid.), for if a broken body will engage to study the Torah, it will find a remedy in everything. This is what is written: "It shall be a health to your navel, and marrow to your bones" (Mishlei 3:8). and it is also written: "And health to all their flesh" (Mishlei 4:22). All the prosecutions PRESENT UPON THE PERSON BECOME HELPFUL TO HIM. They proclaim and make room for such-and-such, servant of the King, MEANING THAT NO ONE WILL DETER HIM FROM COMING TO THE KING TO SERVE HIM.

68. Therefore, "nor fear the people of the land; for they are bread for us" (Bemidbar 14:9). THE PROSECUTORS themselves prepare food daily for those who study Torah, as it says: "And I have commanded the ravens to feed you there" (I Melachim 17:4). It is further written: "And the ravens brought him bread and meat" (Ibid. 6). ALTHOUGH THE RAVENS ARE UNCLEAN, FROM THE OTHER SIDE, STILL THEY WERE FEEDING HIM. "Their defense (shadow) is departed from them" (Bemidbar 14:9): What is meant by shadow? That is the harshness of heavy judgment IN THEM THAT WAS REMOVED AND VOIDED. What is the reason that it was gone? "And Hashem is with us: fear them not" (Ibid.): All their power was voided as a result of the Torah. Praised is the lot of those who deal with and study Torah for its own sake, because they really get connected to the Holy One, blessed be He. They are considered brethren and friends and this is what is written: "For my brethren and friends' sakes, I will now say, 'Peace be within you'" (Tehilim 122:8).

69. "And they came to the wadi of Eshkol." Rabbi Aba said, They cut off the cluster (Heb. Eshkol) of grapes, which they tried to lift up, and were not able. They tried to move it FROM ITS PLACE and were unable. Joshua and Caleb came, took hold of it, raised it and it was upright through them. This is what is written: "And they carried it between two on a pole" MEANS by the only two WHO DID NOT SIN, WHICH ARE JOSHUA AND CALEB. HE ASKS: What purpose did "a branch" serve? HE RESPONDS: It is only that the cluster was attached hanging to it and, while it is attached on location, it is called a branch. After THEY CUT IT OFF, it is called pole, as is written: "And they carried it...on a pole," MEANING that specific one, the one they severed FROM THE TREE.

70. From this, SEEING THAT THEY ARE ABLE TO TAKE THE CLUSTER AND YET THE OTHERS WERE UNABLE TO DO IT, Joshua and Caleb realized that they deserved to enter the promised land and that they would have a part and an inheritance. While THE SPIES were still traveling, they made a decision in council about them - JOSHUA AND CALEB - SINCE THE OTHERS WERE JEALOUS OF THEM THAT THEY WERE ABLE TO CARRY THAT CLUSTER. AND THEY DECIDED IN COUNCIL TO MURDER THEM. Caleb stood up over the fruit and said, Fruit, fruit, if for your sake we get killed, why are we in your part. Immediately, THE CLUSTER made itself lighter, SO THAT ALL COULD CARRY IT. And they passed it on to them.

71. Rabbi Elazar said, They did not give THE CLUSTER to others, since it is clearly written: "And they carried it between two on a pole," INDICATING THE TWO OUTSTANDING AND SEPARATED FROM THE REST. Among all of them, there were no other two like them. From this, Joshua took a lesson at a later date, TO SEND JUST TWO SPIES, as is written: "And Joshua the son of Nun sent out of Shittim two men to spy secretly" (Yehoshua 2:1). Those two have already been explained by the ancient ones. When JOSHUA AND CALEB reached back to Yisrael and handed to them THE CLUSTER, they remained silent AND SAID NOTHING TO YISRAEL. IT WAS ONLY THE REST OF THE SPIES WHO SAID, "AND THIS IS THE FRUIT OF IT" (BEMIDBAR 13:27) and they pretended themselves to be the least.

72. Rabbi Yitzchak said, When the spies reached those giants, they put in front of them the staff of Moses and were saved. How do we know that he gave them the staff? Since it is written: "And he said to them, 'Go up this way (Heb. zeh) by the south.'" It is written here: "Zeh" or this and it is written there: "This (Heb. hazeh) rod..." (Shemot 4:17). AND WE HAVE LEARNED OF A SIMILAR EQUATION USING SIMILAR LANGUAGE EXPRESSION WITH ZEH - THIS. Due to this staff, they were saved. If you think that those giants simply left them alone, IT WAS NOT SO. The giants in fact came to capture them, but they put the staff in front of the giants and saved themselves. Rabbi Yehuda said, Tradition is that Moses passed on to them the Holy Name. Due to this, they were saved and survived.

73. Rabbi Chiya said, They were referred to by three names - Nefilim (lit. 'fallen ones'), Anakim (lit. 'giants'), Refaim (lit. 'lax ones') - and all of them lived long. First they were called Nefilim, the fallen, AT THE TIME THEY WERE DROPPED DOWN FROM HEAVEN. After they joined up with the females of human kind and had children from them, THE CHILDREN were called Anakim. Following that, when they continued to spread about the world and become lax, and let go of the WORLD above, they were referred to as Refaim.

74. Rabbi Yehuda said, Behold, it is written: "The shades (Heb. refaim). tremble" (Iyov 26:5) and "who also were considered Refaim as the Anakim" (Devarim 2:11). HOW CAN YOU SAY THAT "REFAIM" IS FROM THE LINGUISTIC ROOT OF LAX, WEAK? RABBI CHIYA said to him: The explanation is because those giants were from two sides, MEANING FROM AN ANGELIC SOURCE AND A HUMAN FEMALE SOURCE, AND WERE MADE more hopeless TO EXIST on the earth. Similarly, the Refaim that resulted and were born FROM ANAKIM WERE EVEN MORE DESPAIRING UNTIL THEY RELEASED THEMSELVES ALTOGETHER FROM THE ABOVE and were living long lives. When they became weaker, half their body became weakened AND DIED and half their body remained LIVING - SINCE THEY WERE COMPOSED HALF OF ANGELS THAT DO NOT DETERIORATE AND DIE, AND HALF OF HUMANS THAT DO EVENTUALLY DIE. When half of their body was deceased, they used to pick herbs from the field grasses, MEANING POISONOUS HERBS, swallowed them and died. Because they wished to kill themselves, they were called Refaim, or lax ones, SINCE THEY LET THEMSELVES LOOSE FROM LIFE. Rabbi Yitzchak said, They used to throw themselves into the great sea and drown, and they died. That is what it is written: "The shades (Heb. refaim) tremble; the waters beneath with the inhabitants thereof."

75. Rabbi Shimon said, Had Yisrael entered the promised land under the stigma of THE SPIES' slanderous speech, the world could not have withstood it even for a moment. Who is the artisan of slanderous speech, MEANING ITS SOURCE? The serpent. The secret of the matter is that when the serpent violated Eve, REFERRING TO THE SIN OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL, he inflicted her with impurity, MEANING HIS UNCLEANNES, FROM WHICH COME ALL HUMAN SINS. Rabbi Shimon said about all of them, Forgiveness was granted by the Holy One, blessed be He, except for slanderous speech, since it is written: "Who have said, 'With our tongue we will prevail; our lips are our own: who is lord over us'" (Tehilim 12:5).

72. ר' יצחק אמר, כד הוו מטאן לגבייהו דאינון ענקים, הוו שוויין ההוא חוטרא דמשה קמיייהו, ואשתזיבו. ומנלן דההוא חוטרא יהיב לון. הה"ד, ויאמר אליהם עלו זה בנגב. כתיב הכא עלו זה, וכתיב התם ואת המטה הזה וגו', ובגיניה אשתזיבו. דאי תימא הני ענקיאי שבקי לון. אלא אתו לנסבא לון, והוו שוויין לקמיייהו ההוא חוטרא, ומשתזבי מקמיייהו. רבי יהודה אמר, מסורת שמא קדישא מסר לון משה, ובגיניה אשתזיבו מנייהו.

76. Come and see, the slanderous language OF THE SPIES caused that decree that our ancestors not enter the land. Those who spoke SLANDEROUSLY died, and weeping for generations to come was decreed, SINCE ON THE ANNIVERSARY OF THAT DATE WAS ALSO THE DESTRUCTION OF BOTH TEMPLES. It was as if, by speaking SLANDEROUSLY about the Holy Land, they spoke badly about Him. Therefore, the Holy One, blessed be He, took action on it. And the children of Yisrael were about to be destroyed from the world had not Moses prevailed with his prayer.

77. "And they told to him and said to him...": Rabbi Chiya said, What is the change here THAT IT IS WRITTEN: "And they told"? It is not using the words 'speak' or 'say'? HE RESPONDS: Each one interpreted the matters separately: "And spoke": wherever IT IS WRITTEN "THEY SPOKE" it is alluding to wisdom and we already learned that. "And he said" simply MEANS the thoughts of the heart IN THE SAME LINE OF SPEECH, AS IS WRITTEN: "NOW HAMAN THOUGHT (LIT. 'SAID') IN HIS HEART" (ESTER 6:6). "And they said" MEANS giving an order, as we already defined it in several places. "And they told" always MEANS relating matters, THAT EACH ONE LAID OUT HIS EXPLANATION OF THE MATTERS.

78. "We came to the land": HE ASKS: It should have said, 'We went TO THE LAND'. HE RESPONDS: Yet "we came" MEANS we entered that land that you praised daily, and said that there is nothing like it. "And indeed it flows with milk and honey": Rabbi Yitzchak said, Whoever wants to lie about something starts first with some truthful matters, in order to have them believe his deceptions. THEREFORE, THEY BEGAN FIRST: "AND INDEED IT FLOWS WITH MILK AND HONEY."

79. Rabbi Chiya said, This is what they said: We came to the land which you were praising every day. You said that there is nothing like her "and indeed it flows with milk and honey," and you exaggerated her praise above all THE LANDS. It is not so, since "this is the fruit of it." In fact, they cut down one of the smallest clusters AND SHOWED IT TO THEM. They said, If this is the land that the Holy One, blessed be He, wishes as an inheritance for the children of Yisrael, and for which they suffered all these hardships and troubles, we find in the land of Egypt clusters of fruits that are doubly finer than these.

80. "But the people are strong": THEY SAID, It is the custom of the world that the strong ones, who do battles, stay outside THE CITIES to guard the roads. Here, even the city dwellers are powerful and strong "and the cities are fortified." Even if all the kings of the world gather against them, they will not be able to make a dent in their defenses. Rabbi Yosi said, Everything they said was with evil speech, and the harshest of all is what is written: "Amalek dwells in the land of the Negev." This is like a person who was bitten by a snake. When they wish to threaten him, they say to him, Here comes the snake.

81. Rabbi Aba said, This certainly posed more difficulty than everything else they said, meaning to say THAT THEY SAID that the one who wages battle with everyone lives here. Where? In the land of the Negev, which is an area THROUGH WHICH entrance is gained TO THE LAND. Immediately, "all the congregation lifted up their voice, and cried" (Bemidbar 14:1). They set a weeping pattern for generations to come that night, SINCE IT WAS THE EVENING OF THE NINTH OF AV, AT WHICH DATE BOTH TEMPLES WERE DESTROYED.

82. Rabbi Yosi said, They have conspired among themselves to spread an evil report about everything. What is about everything? Meaning, about the land and the Holy One, blessed be He. Rabbi Yitzchak said, about the land it is correct. About the Holy One, blessed be He, where do we know that from? He told him that is derived from what is written: "But the people are strong," MEANING TO INDICATE there might be no one who could possibly vanquish them. "The people are strong" is exact, MEANING TO SAY THAT EVEN THE HOLY ONE, BLESSED BE HE, COULD NOT GO AGAINST THEM, AND THAT IS SLANDERING THE HOLY ONE, BLESSED BE HE. It is further written: "Amalek dwells in the land of the Negev." They then caused everything, as we learned, and the Holy One, blessed be He, wished to annihilate them from the world. This is what is written: "Therefore He said that He would destroy them, had not Moses His chosen one stood before Him in the breach..." (Tehilim 106:23).

11. A man in the world is similar to above

The rabbis tell us that the world was only created for the sake of the children of Yisrael so that they could study the Torah, since Zeir Anpin and Malchut are united through it. They compare the body of man with its heart and brain to the body of the world.

83. "And now, I pray you, let the power of my lord be great" (Bemidbar 14:17). Rabbi Acha and Rabbi Yosi say, Praised are the children of Yisrael over all the nations in the world that the Holy One, blessed be He, was desirous of them, called them by His name and was glorified by them. The world was only created for the sake of the children of Yisrael, so they could study the Torah, since one and one are united through it, MEANING ZEIR ANPIN AND MALCHUT. The children of Yisrael below in this world are His existence, SINCE THROUGH THEIR GOOD DEEDS THEY ELEVATE MAYIN NUKVIN (LIT. 'FEMALE WATERS') FOR THEIR UNION. They are the cause of endurance of all the nations, MEANING THEY EXIST FOR YISRAEL'S SAKE. When is this? It is when they do the wishes of their Master.

84. Come and see, when the Holy One, blessed be He, created man in the world, He prepared him similarly to the above. He gave him strength and energy in the midst of his body, where the heart lies, which is the energy of the entire body. From there, the entire body gets sustained and the heart gets attached and strengthened in the high area above, which is the brain in the head that rests above. And one is connected to the other.

81. ר' אבא אמר, ודאי דא קשיא מכל מה דאמרי, כלומר, ההוא דאגח קרבא בכלא, הא הכא זמין. ובאן אתר. בארץ הנגב, דהא הוא אתר לאעלאה ביה. מיד ותשא כל העדה ויתנו את קולם. קביעו בכיה לדורות, לעלמין, בההוא ליליא.

82. א"ר יוסי, עיטא נסיבו על כלא, לאפקא שום ביש. מאי על כלא. על ארעא, ועל קודשא בריך הוא. א"ר יצחק, על ארעא תינח. על קודשא בריך הוא מנין. א"ל משמע דכתיב, אפס כי עז העם. מאן יכיל בהו. כי עז העם דייקא. וכתיב עמלק יושב בארץ הנגב, כדין גרמו כל האי, כמה דאתמר. ובעא קודשא בריך הוא לשיצאה לון מן עלמא, הה"ד ויאמר להשמידם לולי משה בחירו עמד בפרץ לפניו וגו'.

83. ועתה יגדל נא כח יי'. ר' אחא ור' יוסי אמרי, זכאי אינון ישראל מעמין עכו"ם דעלמא. דקודשא בריך הוא אתרעי בהו, ואתכני בהו, ואתפאר בהו, דהא עלמא לא אברי אלא בגיניהון דישראל, דישתדלון באורייתא, בגין דחד בחד אתקשרן. וישראל לתתא בהאי עלמא, אינון קיומא דיליה, וקיומא דכל שאר עמין, אימתי בזמן דעבדי רעותא דמאריהון.

84. ת"ח, כד ברא קודשא בריך הוא בר נש בעלמא, אתקין ליה בגוונא עלאה, ויהב ליה חיליה ותוקפיה באמצעיתא דגופא, דתמן שריא לבא. דהוא תוקפא דכל גופא, ומתמן אתון כל גופא. והא לבא אחיד ואתקף באתר עלאה דלעילא. דאיהו מוחא דרישא, דשאריו לעילא, ודא אתקשר בדא.

85. In a similar pattern, the Holy One, blessed be He, has prepared the world. He made it one body and He assembled the body organs around the heart, the heart in the center of the whole body, and all the organs take their nourishment from that heart that provides the energy to all of them. Everything is dependent on it. And that heart is connected and united to the upper brain that rests above, as was explained before.

85. ובגוונא דדא, אתקין קודשא בריך הוא עלמא. ועבר ליה חר גופא, ואתקין שיימי דגופא סחרגיה דלבא, ולבא שארי באמצעיתא דכל גופא. וכל אינון שייפין אתזנו מההוא לבא, דהוא תוקפא דכלא, וכלא ביה תליין. וההוא לבא, אתקשר ואתאחד במוחא עלאה דשריא לעילא.

12. This world is similar to those above

This section tells how the temple courts of Yisrael are inside the temple mount which is inside Jerusalem which is inside the settlement of all seventy nations which is inside the oceanic sea that God created to surround the whole inhabitable planet. The description goes deeper into the Temple treasures and the altar area and the front entrance hall and the temple and the Holy of Holies and eventually the Ark itself; here is the heart of the land and the world - from here all the organs of the body of the world get their nourishment. The heart and the brain unite. All this is parallel to the structure above in the world of Atzilut. The body organs receive from the heart and the heart receives from the brain. Next the Zohar explains the Chariot of Malchut in its three aspects. Rabbi Chiya concludes by saying that with the same measure that a person measures, he gets measured from above.

86. Come and see, when the Holy One, blessed be He, created the world, He installed the ocean that surrounds the whole inhabitable planet, and the settlement of all seventy nations surrounding Jerusalem. Jerusalem is situated in the center of all this settled area and it surrounds the temple mount. The temple mount surrounds all the temple courts of Yisrael, and these Temple courts encircle the Temple treasures for congregational sacrifices, MEANING TO SAY, IN TERMS OF ITS IMPORTANCE, whose compartments also include the seat of the high court of the Sanhedrin. We have learned that there were no seating privileges in these Temple courts, with the exception made to the kings of the house of David. IN SPITE OF ALL THESE, THEY SURROUNDED THE TEMPLE TREASURIES FOR CONGREGATIONAL SACRIFICES, WHERE THE SEAT OF THE SANHEDRIN ABIDES. AND HE TELLS HERE ABOUT SEVEN ASPECTS, ONE MORE IMPORTANT THAN THE ONE BEFORE, IN PARALLEL WITH THE SEVEN SFIROT.

86. ת"ח, כד ברא קודשא בריך הוא עלמא, אשרא לימא דאוקינוס דאסחר כל ישובא דעלמא. וישובא דכל שבעין אומין בלא אסחר לירושלם. וירושלם באמצעיתא דכל ישובא שריא. והיא אסחרא להר הבית. והר הבית אסחר לעזרות דישראל. ואינון עזרות סחרן ללשכת הגזית, דתמן סנהדרי גדולה יתבין. ותניין, לית ישיבה בעזרה, אלא למלכי בית דוד בלחודייהו.

87. The Temple treasures for congregational sacrifices surround the altar, and the altar area surrounds the front entrance hall. That hall surrounds the temple and the temple the Holy of Holies, wherein are found the Shechinah and the ark cover and the Cherubs and the ark. Here is the heart of the land and the world. From here, all the settled inhabitable areas, which are the organs of this body get their nourishment - MEANING OF THE WORLD. This heart, WHICH IS THE SHECHINAH, gets its nourishment from the brain in the head, WHICH IS MALCHUT OF ATZILUT, and they unite with each other. This is what is written: "In the sanctuary, Hashem, which Your hands have established" (Shemot 15:17). It is similar to this high above, IN THE WORLD OF ATZILUT, and THE HEART is in the secret of the supernal King, WHICH IS ZEIR ANPIN, THE BRAIN ABOVE BEING in the secret BRAIN, the precious and concealed, MEANING THE CONCEALED BRAIN OF ARICH ANPIN, FROM WHICH ZEIR ANPIN, THE SECRET OF THE HEART, RECEIVES THROUGH ABA AND IMA.

87. ולשכת הגזית אסחר למזבח. והמזבח אסחר לבית האולם. והאולם להיכל. והיכל לבית קדש הקדשים, דתמן שכינה שריא, וכפרת וכרובים וארון. והכא הוא לבא, דכל ארעא ועלמא. ומהכא אתזנו כל אינון אתרי דישובא, דאינון שיימי דגופא. ולבא דא אתזן ממוחא דרישא, ואתאחיד דא בדא, הה"ד מכוון לשבתך פעלת יי'. כגוונא דא לעילא לעילא, ואיהו ברזא דמלכא עלאה, ברזא יקירא סתימאה.

88. The upper sea, WHICH IS MALCHUT OF ATZILUT, corresponds to that. IT ALSO CONTAINS THE SAME MENTIONED THREE ASPECTS IN ITS CHARIOT, WHICH ARE THE ASPECT OF THE BODY ORGANS, THE HEART IN THEIR CENTER - FROM WHICH THE BODY ORGANS RECEIVE - AND THE BRAIN IN THE HEAD, FROM WHICH THE HEART RECEIVES. There is a sea above the sea OF THIS WORLD - MEANING TO SAY, JUST LIKE THERE IS A SEA IN THIS WORLD, SO THERE IS ABOVE IN ATZILUT A SEA, WHICH IS MALCHUT. There is also a sea from the sea, THERE IS ADDITIONALLY EVEN A HIGHER SEA ABOVE THE HIGH SEA THAT IS MALCHUT, SINCE BINAH IS ALSO CALLED SEA. NOW THE ZOHAR EXPLAINS THE CHARIOT OF MALCHUT IN ITS THREE ASPECTS, EACH ASPECT INCLUDING SEVERAL ASPECTS. AND HE SAYS, Come and see, the river Dinur (lit. 'of fire'). surrounds several camps OF ANGELS. Across from it emerge seventy aspects OF ANGELS, inscribed with seven torches, WHICH ARE SEVEN SFIROT - CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT - OF THE FLAME OF GVURAH, WHERE EACH ONE IS COMPRISED OF TEN THAT GUARD THE SHECHINAH. They encircle those who serve on the interior of them, and they surround the four Chariots, WHICH IS THE SECRET OF THE FOUR ANGELS - MICHAEL, GABRIEL, URIEL, RAPHAEL - WHERE EACH ONE IS COMPRISED OF THREE THAT CARRY MALCHUT. AND UP TO HERE IS THE ASPECT OF THE BODY AND THE EXTERIOR ASPECT OF MALCHUT. They encircle this holy city that reclines over them, WHICH IS MALCHUT OF ATZILUT, THAT IS THE SECRET OF THE HEART IN THEM. EXCEPT THAT SHE TOO SPLITS UP TO SEVERAL ASPECTS, AS HE CONTINUES ON TO SAY.

89. NOW HE EXPLAINS THAT MALCHUT ITSELF IS DIVIDED UP INTO SEVERAL ASPECTS AND JUST THE MOST INTERIOR OF IT, THAT IS THE HEART, RECEIVES FROM THE BRAIN, WHICH IS ZEIR ANPIN. HE SAYS, We learned that there, IN MALCHUT, there is a Temple court within a Temple court, WHICH IS THE SECRET OF THE SEVEN SFIROT BELOW OF MALCHUT. There is no seating in that court, only for the kings of the house of David that reside and sit there, MEANING TO SAY THAT THE KINGS OF THE HOUSE OF DAVID ARE ATTACHED TO IT. The High Court of the Sanhedrin is located in the Treasury Chambers, WHICH IS THE SECRET OF THE SIX ENDS OF THE FIRST THREE SFIROT IN MALCHUT, and the courthouse above them, THE SECRET OF THE FIRST THREE OF THE FIRST THREE SFIROT that serves that place, MEANING TO SAY THAT THEY ARE SERVING EXCLUSIVELY FOR MALCHUT ITSELF AND NOTHING OF THEM IS CARRIED FURTHER DOWN FOR THE LOWER GRADES. Judgment is carried from there to the uppermost holy, MEANING TO SAY THAT THE JUDGMENTS IN THERE THAT FLOW DOWN OVER THE HEADS OF THE WICKED ALONE ARE CONCEIVABLE TO THE MOST HOLY IN THE SECRET MEANING OF WHAT IS WRITTEN: "AND THEY SHALL GO FORTH, AND LOOK UPON THE CARCASSES OF THE MEN..." (YESHAYAH 66:24) until it reaches the area considered Holy of Holies, WHICH IS THE INNERMOST INTERIOR OF MALCHUT; THAT IS, YESOD OF ITS GREATNESS in which everything exists. The heart lies there - that is, the one that gets nourished from the upper brain - WHICH IS ZEIR ANPIN, and they unite with each other.

90. HE RETURNS TO THE MATTERS MENTIONED AND DEFINES THEM MORE THOROUGHLY. It is similar to this up above, IN ATZILUT, and that is, THE HEART, in the secret meaning of the supernal King THAT IS ZEIR ANPIN, AND THE BRAIN in the secret of the precious concealed BRAIN OF ARICH ANPIN FROM WHICH ZEIR ANPIN RECEIVES THROUGH ABA AND IMA. Consequently, the result is that everything is nourished from the higher brain OF ARICH ANPIN, that is hidden from everything. When attention is paid to these matters, IT IS APPARENT that all things are connected to each other.

91. Come and see: When the concealed Atika shines - THAT IS THE CONCEALED BRAIN OF ARICH ANPIN - in the brain - THAT IS ABA - then the brain illuminates the heart - THAT IS ZEIR ANPIN - in the pleasant path of Hashem; THAT IS, THROUGH BINAH CALLED THE PLEASANTNESS OF HASHEM. We have explained that this is "the power of Hashem" (Bemidbar 14:17). meaning that energy flows from Atika Kadisha, who is concealed of all concealed. "Be great" (Ibid.) MEANS that it will grow and increase higher above and flow, and should be carried down. "According as you have spoken" (Ibid.) is as was explained THAT HE IS LONGSUFFERING BOTH TO THE JUST AND THE WICKED. "Saying" (Ibid.), meaning that the following later generations should take lessons from this forever and meaning that they should mention this in times of trouble, and say it in times of abundance. Say what? That is: "Hashem is longsuffering..." (Ibid. 18), and we have already defined these things.

92. Rabbi Yitzchak said, Why is "truth" missing here, MEANING THAT "AND ABUNDANT IN LOVE AND TRUTH" (SHEMOT 34:6), IS NOT MENTIONED HERE AS IT IS MENTIONED AT THE THIRTEEN MEASURES IN THE PORTION OF KI TISA. Rabbi Chiya said, THE SPIES caused it to be removed from here - HASHEM AND TRUTH - since they carried on with deception, and with the same measure that a person measures, he gets measured FROM ABOVE. Likewise, the other measures were gone, so that Moses could not mention them, SINCE WE FIND HERE ONLY NINE MEASURES OF COMPASSION AND NOT THIRTEEN. This was brought about BY THE SPIES. "I have pardoned according to your word" (Bemidbar 14:20). means actually your word. This was already commented on by the friends and we have learned it.

13. The dean of the Yeshivah (Torah academy)

This section records the start of a supernal experience of the rabbis. They hear a mysterious saying that is eventually explained to them. They heard a voice saying that whoever stops shall be stopped, whoever curtails shall be curtailed and whoever curtails shall be prolonged. The rabbis hear many secrets and are then deemed worthy of going to a higher level. They are given a rose and inhale its fragrance, as the illumination of wisdom is called scent. They learn from the Mishnah scholars thirty laws that they hadn't known and other secret meanings in the Torah. They see people digging graves and dying and immediately reincarnating with bright holy bodies. They hear another set of riddles full of hidden meanings. We hear of the heads of the Yeshivot and how they travel with Aaron and fly like eagles to the Yeshivah of light, the Yeshivah of Moses. The face of Moses is radiant so that it cannot be looked upon, and there is a curtain between him and the wise men. Acting as an intermediary, Aaron takes Moses' explanations to the heads of the Yeshivot. We also hear how all the virtuous women of the desert generation came to Miriam to study about God. The generation of the desert is the most blessed because they left the Yeshivah of Moses and flew to the Yeshivah of the firmament, Metatron; those who are worthy take flight to the highest Yeshivah, the Yeshivah of God.

93. THE BEGINNING OF THIS ARTICLE IS MISSING. They spoke with each other what they could not speak before this. They emerged from that opening and sat in the garden underneath the trees. They said to each other, Since we were here and saw all this, if we die here, we will most certainly attain the World to Come. They sat down. A sleep fell upon them. In the meanwhile, the one appointed came and woke them up. He told them to get up and go into the orchard outside, MEANING TO THE EXTERIOR LEVEL. They went out. They noticed the scholars of the scriptures, who talked of this verse: "In this wilderness shall they be consumed" (Bemidbar 14:35), but not in another place, THAT IS THAT THEY WILL MERIT THE WORLD TO COME. "And there they shall die" (Ibid.), but not in another place, MEANING THAT THEY WILL HAVE THE LIFE OF THE WORLD TO COME. That concerns the bodies - THAT EVEN IN THIS WORLD, THEY WILL ONLY DIE FROM THE ASPECT OF THE BODY - but not their souls, WHICH WILL BE similar to the denizens of the Garden, MEANING THE SOULS WILL MERIT THE GARDEN OF EDEN.

91. ת"ח, כד אנהיר עתיקא סתימא במוחא, ומוחא אנהיר ללבא, בדרך נעם יי'. והא אוקימנא, ודא הוא כח יי'. ההוא חילא דאתי מעתיקא קדישא. סתימא דכל סתימון. יגדל נא, דיתרבי ויסגי לעילא לעילא. ויתנגיד ויתמשך לתתא. כאשר דברת, כמה דאוקמוה. לאמר, למילף מהכא כל דרין בתראין, לעלם ולעלמי עלמין. לאמר, למימר לדא בשעתא דעקתא. למימר דא, בשעתא דרווחא. ומאי הוא יי' ארך אפים וגו', והא אוקימנא מלי.

92. אמר ר' יצחק, אמת אמאי סליק מכאן. אמר רבי חייא, אינון גרמו ליה דאסתליק מכאן, דהא בשקרו דברו גרמיהו בההוא מדה דב"נ מורד בה, מודדין ליה. וכן שאר אחרי אסתלקו, דלא יכול משה למימרינהו, בגין דאינון גרמו. סלחתי כדברין, כדברין ממש, והא אתערו חבריאי, והא אתמר.

94. The appointed one told them to leave. They left with him. He asked them, Did you hear something on that level? They said, We heard that a voice was saying that whoever stops shall be stopped, whoever curtails shall be curtailed and whoever curtails shall be prolonged. He said to them, Do you understand what this means? They said no. He said to them, Did you see that great eagle and that child that picks grasses? This was Rabbi Ila'i from Netzivin, he and his son. They arrived here and they saw him and his boy and this cave. As soon as they entered into this darkness, they were not able to stand it and died.

95. That child, his son, stands daily in front of Betzalel, when he descends from his high Yeshivah, and said to him three things, prior to Betzalel's divulgence of the concealed secrets of wisdom. All his sayings are concealed secrets, since "neither has the eye seen, that Elohim, beside You" (Yeshayah 64:3). That is what is said: Whoever stops, shall be stopped means whoever ceases from the sayings of Torah in order to speak of vain matters, his life will be ended from this world. His judgment remains for the World to Come. Whoever curtails shall be curtailed means that whoever cuts short the Amen and does not extend it leisurely, BUT SAYS IT ABRUPTLY, shall have his life shortened in this world. Whoever curtails shall be prolonged means that whoever said Echad (Eng. 'One') must hurry with the Aleph OF ECHAD and shorten its pronunciation, and not dally with this letter at all. Whoever acts this way shall have his life extended.

96. He said more: They are two and one joins them. They become three and when they are three, they are one. He told them, These are the two names, Yud Hei Vav Hei and Yud Hei Vav Hei in Sh'ma Yisrael (the recital of the Sh'ma). "Our Elohim" was united with them and that is the seal of the ring, truth. When they get joined together, they are one in one union.

97. He said more: They are two and to one he returned. When he dominates, he flies on the wings of the wind and loiters and wanders into a group of two hundred thousand ones and hides there. He said to them, These are the two Cherubs upon which the Holy One, blessed be He, was riding. From the day that Joseph was hidden from his brothers, one was stored away and one remained with Benjamin as it is written: "And He rode upon the Cherub, and did fly: He soared on the wings of the wind" (Tehilim 18:11). AND WHAT HE SAID, And was hidden in two hundred thousand and was hidden, that refers to the one who rides on it, THAT IS CONCEALED IN TWO HUNDRED THOUSAND, that those two hundred thousand that are stored away are His, blessed is He.

98. THE APPOINTED ONE told them, Go out from here. You are righteous AND DESERVING A HIGHER LEVEL. They emerged. The appointed one presented them with a rose, WHICH IS THE SECRET OF MALCHUT IN THE ASPECT OF LOWER CHOCHMAH and they left. When they left, the opening of the cave was concealed and was not visible at all. They noticed the eagle, WHICH IS THE SECRET OF THE FACE OF AN EAGLE, which descended from a tree and entered into a different cave. They inhaled the scent of the rose, AS THE ILLUMINATION OF CHOCHMAH IS CALLED SCENT, and entered there. They discovered the eagle on the mouth of the cave. He told them, Enter friends, the truly righteous, since I have not felt the gladness of having company since the day that I have been here, except through you.

99. They entered another orchard, MEANING TO ANOTHER LEVEL, and the eagle was with them, THAT IS THE SECRET OF THE FACE OF AN EAGLE. When they arrived at those scholars of the Mishnah, the eagle converted back to the shape of a man, MEANING TO THE SECRET OF THE FACE OF A MAN with a glowing robe like them, and sat together with them. He said to the MISHNAH SCHOLARS that were seated, Give honor to the Mishnah scholars that arrived here, since their Master shows them great wonders. One of them said to them, Have you a sign THAT YOU ARE WORTHY OF BEING HERE? They replied, Yes. They slipped out two roses and smelled them, THEREBY ALLUDING TO MALCHUT AND BINAH THAT ARE COMBINED TOGETHER IN THE SECRET OF THE TWO ROSES. They said, Be seated, deans of the Yeshivah. Be seated, truly righteous men. They held on to them and they sat. At that time, they learned from them thirty Halachot (lit. 'laws') that they did not know of before, and other secret meanings in the Torah.

100. They then returned to the scriptural scholars, and they found them studying and saying: "I had said, 'You are angels (Heb. Elohim), all of you sons of the most High'" (Tehilim 82:6), MEANING "I had said" during the time when you acted before listening, for "You are Elohim..." However, since you were drawn after your bad inclination, "nevertheless, you shall die like a man..." (Ibid. 7), just like the death of man brings him to dust in order to erase the bad inclination in his corpse. It is that bad inclination that dies and decays within.

101. The older man who led them said, It is also written here: "But as for you, your carcasses (Heb. pigreichem) shall fall in this wilderness" (Bemidbar 14:32). IF IT WAS JUST THE DEMISE OF THE BAD INCLINATION, what is the meaning of "your carcasses" IN PLURAL FORM? IT IS ONE EVIL INCLINATION THAT APPLIES TO ALL OF THEM. HE RESPONDS: That Evil Inclination is combined of male and female, AND "YOUR CARCASSES" MEANS the things lacking in you, since the bad inclination is called lack, as it always descends to an area that is lacking IN THE PERSON and does not ascend. Hence, we always promote things pertaining to holiness, not to decrease. In defilement, there is always a decrease and never an increase. Therefore, THE BAD INCLINATION IS REFERRED TO AS, "your carcasses," MEANING those things lacking within you, as is written: "Who were too weak (Heb. pigru) to go over the wadi" (I Shmuel 30:10). The final sequence of the verse is proof THAT IT REFERS TO THE BAD INCLINATION, since it is written: "(they) shall fall" (Bemidbar 14:39) and IT IS not WRITTEN: '(you) shall fall'. So, too, "in this wilderness they shall be consumed" (Ibid. 35) these carcasses, MEANING, THE BAD INCLINATIONS, "and there they shall die," since it is the wish of the Holy One, blessed be He, to eliminate these carcasses from the world forever.

102. Rabbi Ila'i said to them: truly righteous men, enter and see, since permission is given to you to proceed to the area where the veil is spread. Praised is your lot. They rose and entered a place where there were scholars of Agadah, whose faces were bright as the sunlight. They said: Who are these? He said to them: These are the Agadah scholars, and they properly see the light of the Torah, daily. They remained and listened to several new illuminations in the Torah, but were not given authority to join with them.

103. Rabbi Ila'i told them to enter another area and look around. They entered into another garden and also saw, BESIDES OTHER THINGS, people digging graves. Immediately they die, and immediately reincarnate with bright holy bodies, SINCE THESE WERE THE DECEASED OF THE DESERT. They said to him, What is this? He replied to them, They do this every day and, when they die, the evil filth which they received before immediately decays. They quickly rise up with bright new bodies, with these holy bodies that they had when they stood on Mount Sinai, exactly as you see THEM, since all stood on Mount Sinai with bodies totally free of dirt. As soon as they drew upon themselves the Evil Inclination, they again had other bodies other than the bodies they had prior to that, strange bodies - MEANING THAT THE FILTH OF THE SERPENT WAS AGAIN UPON THEM. About this, it is written: "And the children of Yisrael stripped themselves of their ornaments by the Mount Horeb" (Shemot 33:6).

104. A voice stirred and said, Go and congregate there. Aholiav stands on his spot and there are chairs before him. Suddenly, everything disappeared and they saw nothing. They remained alone under the trees in the garden. They noticed another door. They entered there, saw a chamber and sat down there. There were two youths there. They raised their eyes and saw a dwelling that was embroidered in all the kinds of artistry and colors existing in the world. On it was spread a curtain of sparkling light, at which the eyes were not able to gaze. Beyond that, they saw nothing.

105. They inclined their ears and heard a voice that was saying, Betzalel is the fourth to the supernal lights. Joseph is the fourth in the lights of the Adam. HE IS the elevation above, most beloved of all. About him, the verse is written: "And its drink offering shall be the fourth part of a hin...in the holy place..." (Bemidbar 28:7). Whoever gazes and looks, his eyes will be blinded. Whoever does not gaze will be open-eyed and see. A tree of eighteen, when it bends itself, will return upright and endure. If it does not bend itself, the evil snake will consume it. Whoever enters two Cherubs forward, his wish will be accomplished. Whoever contemplates is far from his will. The offering of a youth is perfect to be accepted. And the voice stopped. ALL THOSE POINTS WILL BE EXPLAINED IN THE ZOHAR FURTHER ON.

106. Those two youths asked, Have you a sign with you? They answered, Yes. They took out the two roses and smelled them. They were told to be seated while they heard two of the ancient secrets from the dean of the Yeshivah, which they shall keep forever secret. They agreed.

107. Rabbi Shimon said, All these points and all that they observed, they wrote down. When they reached here, AS THEY WERE TOLD TO KEEP THESE THINGS SECRET, it was written, MEANING IT WAS WRITTEN ABOUT THEM: "I will take heed to my ways, that I sin not with my tongue" (Tehilim 39:2). I inquired of my father, Father, what was referred to by these two items? He said to me, Your life, my son. These two matters have built worlds and destroyed worlds, for whoever made use of them.

108. As soon as they heard these two items, the youths told them, Leave, leave, for you have no permission to listen to more. One of them then took out an apple, gave it to them and said, Smell this. They smelled it and left. And of all that they saw, they forgot nothing. They left.

109. Another appointed one came and he said to them, Friends, Rabbi Ila'i has sent me to you. Wait for him here at the entrance of the cave and he will come and tell you about supernal matters of which you knew nothing, for he asked permission from the Yeshivah to have authority to reveal the matters to you. They emerged with him and waited at the entrance of the cave and they were repeating the points to each other, of all that they beheld and learned there.

110. In the meantime, Rabbi Ila'i arrived and was shining like the sun. They inquired of him, Have you heard anything new in the Torah? He told them, Certainly. I have been granted permission to relate it to you. They joined together at the cave entrance and sat down. He told them, You are worthy that your Master has revealed to you the likeness of the World to Come, and you have no fear nor awe. They responded, Certainly, we have already forgotten the way of people, and is it any wonder, after all that we observed on this mountain?

111. He said to them, Have you seen all these mountains? All are heads of Yeshivot to this nation OF PEOPLE WHO DIED in the desert. They now achieve what they had not merited while they were alive. And these heads of the Yeshivot all gather on new moons, on Shabbat and holidays, at the mountain of Aaron the priest, get roused to him and enter his Yeshivah. They are renewed there with the purity of the holy dew that flows down on the head of Aaron and the anointing oil that flows down on him. With him, all become renewed with the new interpretations of the Holy King's love, so that it is called here the Yeshivah of love.

112. He, AARON, travels with the entire Yeshivah and secretly and lightly they fly like eagles to the Yeshivah of light, which is the Yeshivah of Moses. Everyone stays outside and does not enter inside, except for Aaron exclusively, EXCEPTING only those that are called by name on specific times, MEANING, ON SHABBAT AND NEW MOON.

113. No one can see Moses, since a veil is drawn over his face and seven clouds of glory surround him. Aaron stands within the surrounding curtain, WHICH IS THE PARTITION, below Moses. That fence is separating and not separating between them, MEANING THAT IT DOES NOT SERVE AS A COMPLETE SEPARATION. All the heads of the Yeshivot are on the outside of that curtain, which is this partition, MEANING THAT IN FACT, IT IS A COMPLETE SEPARATION. And all the rest OF THE WISE MEN are beyond the seven clouds THAT SURROUND HIM. The brightness of these clouds is in accordance with the new Torah illuminations that are revealed.

114. They were refined in the fineness of that light until MOSES' mask was visible to them. From that mask, they were able to see a light that is brighter than any light in the world. And that, THE MASK, IS the face of Moses, since his face is not at all visible. There is nobody who could see it, except for that light that emanates from this mask behind all these clouds.

115. Moses told Aaron the matter simply, WITHOUT EXPLANATIONS, and Aaron then explained it to the heads of the Yeshivot. In what way did he explain THE MATTERS? With all these streams, THAT IS THE LEVELS, that were blocked FROM JOSHUA AND THE REST OF YISRAEL, when Joshua's time came TO LEAD THE GENERATION, MEANING THE THREE HUNDRED LAWS AND EIGHT HUNDRED DOUBTFUL MATTERS THAT HAD BEEN CONCEALED FROM HIM. Now, Moses returned them to them through many wonders and sources, and springs and streams that flow from each and every matter.

116. All the virtuous women of that generation, MEANING THE DESERT GENERATION, also came to Miriam in those times and they all ascended TO HER like smoke columns from the desert. That day is referred to as feast day. In the Shabbat and holiday evenings, all the women came to Miriam and engaged in trying to understand the world's creator. Praised is this generation - THAT IS, THE GENERATION OF THE DESERT - from all the rest of the generations in the world. They left the Yeshivah of Moses and flew to the Yeshivah of the firmament, WHICH IS THE YESHIVAH OF METATRON. Those that are worthy take flight to the highest Yeshivah, WHICH IS THE YESHIVAH OF THE HOLY ONE, BLESSED BE HE. About that generation, it is written: "Happy is that people, that is in such a case: happy is that people whose Elohim is Hashem" (Tehilim 144:15).

14. The difference between Tam and Tamim

Rabbi Ila'i explains why Abraham was referred to as Tamim, perfect, while Jacob was referred to as Tam, perfect, and says that the difference has to do with the fact that Jacob was more perfect, being circumcised. With the wholeness of male and female together, Tam takes the letter aleph to become Emet, truth, as in "You will show truth to Jacob." When Abraham circumcised himself he entered into Tam and also into its levels that are together called Yam, ocean, thus becoming Tamim that combines the letters of both; thus he was connected with the right. Everyone should contain the holy levels and be Tam Yam in order to be able to accept the aleph, the secret of Jacob, to become Emet or truth. Rabbi Ila'i tells us how Malchut is covered on the outside with blue that was taken from the ocean so that those who look at her with the evil eye will draw the blue color that is judgment; internally, however, all the colors sparkle in her and are embroidered with the light of Chochmah. Similarly the man who wears the blue tzitzit becomes Tamim every day. He becomes elevated afterward to higher levels by the wearing of the Tefilin, to the levels of Zeir Anpin. It now appears that seven days have passed since the righteous rabbis began their supernal experience, and Rabbi Ila'i now tells them the explanation of the six sections of the mysterious riddle they heard earlier.

117. Rabbi Ila'i opened the discussion saying, "You shall be perfect (Heb. tamim). with Hashem your Elohim" (Devarim 18:13). HE ASKS: What is the difference between Tam (lit. 'perfect') and Tamim (lit. 'perfect'). HE RESPONDS: By Abraham, it is written: "Walk before me, and be perfect (Heb. tamim)" (Bereshheet 17:1). By Jacob, who was more perfected, it is written: "And Jacob was a plain (perfect - tam) man" (Bereshheet 25:27). Why was he called a perfect man? Since no refuse was left with him, as the uncovering of the membrane at circumcision was performed on him.

117. פֶּתַח ר' אִילָאִי וְאָמַר, תַּמִּים תְּהִיָּה עִם יְיָ
אֱלֹהֶיךָ. מַה בֵּין תָּם לְתַמִּים. בְּאַבְרָהָם כְּתִיב,
הִתְהַלֵּךְ לִפְנֵי וְהִיָּה תַמִּים. וַעֲקֵב דְּאֲשֶׁתְּלִים יִתִּיר,
כְּתִיב בֵּיהּ, וַיַּעֲקֵב אִישׁ תָּם. אֲמַאי אֲקָרִי אִישׁ תָּם.
בְּגִין דְּלֹא אֲשֶׁתָּאֵר בֵּיהּ פְּסוּלַת כָּלֵל, דְּהָא פְּרִיעָה
הָוָה בֵּיהּ.

118. HE INQUIRES: How did he perform that membrane uncovering and become cleansed from that refuse? HE RESPONDS: That area that strengthens the refuse within - THAT EXISTS where the membrane is - is an ox, WHICH IS the left image of His throne. FOR IN THE CHARIOT OF THE THRONE ARE THE IMAGE FACE OF THE LION TO THE RIGHT AND THE IMAGE FACE OF THE OX TO THE LEFT. That ox is referred to as an ox that has not gored (Heb. tam), since there exists an impression of that Covenant in the Chariot of that throne. Therefore, this ox is called an unblemished ox. Jacob is connected with it and with this ox, he has performed the membrane uncovering and has removed the soil of that refuse entirely.

118. בְּמַה אֲתַפְּרַע, וְאֲתַדְּבִי מַהוּא פְּסוּלַת בְּגִין
דְּהוּא אֲתֵר דְּאֲתַקִּיף לְפְסוּלַת, דְּלָגוּ אֲתֵר דְּפְרִיעָה
שְׂאֵרֵי, אִיהוּ שׁוֹר, דְּיוֹקְנָא דְּשִׁמְאֵלָא דְּכַרְסִיא דִּילִיָּה.
וְהוּא שׁוֹר, אֲקָרִי שׁוֹר תָּם. דְּהָא רְתִיכָא דְּכַרְסִיא,
רְשִׁימָא דְּבְרִית אִית בֵּיהּ. וְעַד, הָאִי שׁוֹר אֲקָרִי תָם.
וַיַּעֲקֵב אַחִיד בֵּיהּ בְּגוּוּיָהּ, וּבְהָאִי שׁוֹר עָבִיד פְּרִיעָה,
וְאֲעַבְרַ זְהֵמָא דְּפְסוּלַת כָּלֵא.

119. In the Baraita of Betzalel, it is written: "And Elohim remembered Rachel" (Beresheet 30:22). HE INQUIRES: About Sarah, it is written "visited," as in: "AND HASHEM VISITED SARAH" (BERESHEET 21:1), but about Rachel, it is written "remembered." Why? HE RESPONDS: "Remember," WHICH IS THE SECRET OF YESOD, is impressed on Jacob, who was a complete covenant, when Joseph was born. How WAS THIS PERFECT COVENANT ACHIEVED? It is when he took with him the ox that assails the Other Side, WHICH ASSAILS AND DESTROYS THE SOILED REFUSE OF THE OX THAT GORED THRICE THAT DWELLS WITHIN THAT MEMBRANE TO BE REMOVED, AS MENTIONED NEARBY. Therefore, Joseph is referred to as "the firstling of his herd" (Devarim 33:17), meaning the ox's firstborn that Jacob took and pushed aside that ox OF THE OTHER SIDE, WHICH IS THE OX THAT GORED THRICE.

120. The unblemished (Heb. tam) ox, MEANING "and Jacob was a plain (Heb. tam) man" MEANS a sovereign ruler, the master of the house within which that unblemished ox dwells; THAT IS, MALCHUT FROM WHICH IS DRAWN THE UNBLEMISHED OX, AS MENTIONED NEARBY. Because there exists an ox that has gored thrice on the side of the foreskin and the skin of the uncovered membrane, MEANING THE ENTIRE FORESKIN AND THE REFUSE THAT IS ABSORBED IN THE SKIN OF THE MEMBRANE THAT GETS UNCOVERED, AS MENTIONED, many prosecutors emanate and result from it until the lowest level that is referred to as "Shin Aleph Yud Hei," that HARMFUL DEMON, which fells the houses that are empty of people. All result from that ox who gored thrice when joined with the evil ass. THE ASS IS THE SECRET OF THE HARSH JUDGMENT OF MANULA (ENG. 'THE LOCK') THAT, WHEN JOINED WITH THE OX THAT GORED THRICE, IT SAYS OF IT, "SIN CROUCHES AT THE DOOR" (BERESHEET 4:7). FOR THE JUDGMENT OF THE MANULA, THE SECRET OF THE ASS IS REVEALED. THUS, AN OX AND AN ASS ARE JOINED TOGETHER FOR AN OVERALL DESTRUCTION. Therefore, "you shall not plow with an ox and an ass together" (Devarim 22:10) in order not to incite them.

121. In the Yeshivah of Betzalel and also in the two Yeshivot, MEANING IN THE YESHIVAH OF METATRON AND THE YESHIVAH OF THE HOLY ONE, BLESSED BE HE, THEY SAID THAT "And Jacob was a plain (Heb. tam) man" MEANS the husband of that Tam, WHICH IS MALCHUT. Who is he, THE HUSBAND OF TAM? That is the Aleph, which is in the secret of Vav, FULLY SPELLED VAV-ALEPH-VAV, SINCE JACOB IS THE SECRET OF ALEPH AND MALCHUT IS THE SECRET OF TAM. When they are the wholeness of male and female together, then Jacob takes all these letters - ALEPH, TAM - THE SECRET of Aleph Tav Mem. These are THE LETTERS OF emet (Eng. 'truth') and it is written: "You will show truth to Jacob" (Michah 7:20), SINCE TRUTH combines the male and female together, AND THEN they are in complete perfection.

122. Abraham was not commanded about the uncovering of the membrane. When he entered, MEANING HE CIRCUMCISED HIMSELF, he entered into Tam and into its levels that are called in combination Yam (Eng. 'ocean'). This is Tamim, WHICH CONTAINS THE LETTERS IN TAM YAM. Following this, Abraham was elevated and entered the innermost interior, and was connected with the uppermost right.

123. "You shall be perfect (Heb. tamim) with Hashem your Elohim," certainly. Just like He is tamim in one principle, SINCE YAM WAS INCLUDED IN TAM, AS MENTIONED. You, too, be perfect (Heb. tamim) with Him, with Him certainly. Through what does a person become Tamim? - MEANING that he be Tam Yam IN ONE COMBINATION. All the holy levels OF MALCHUT THAT IS REFERRED TO AS TAM are called Yam and never separate from it. You likewise remove from yourself all the foreign levels, THAT IS THE SECRET OF THE THREE UNCLEAN KLIPOT, and get connected with tamim. So you should contain the holy levels, which are the secret of Yam and the holy level Tam, THAT SHOULD BE READY to accept AFTERWARDS the Aleph, which is the secret of Jacob. AND THE COMBINATION, EMET, WILL BE MADE, AS WE MENTIONED PREVIOUSLY. Every day man must be Tam Yam, in exactly the same way.

124a. Someone explained in the Yeshivah that the holy moon, WHICH IS THE SECRET OF MALCHUT, is white in color, WHICH IS THE SECRET OF THE LIGHT OF CHESED. All the colors sparkle within her and get embroidered, MEANING ALSO THE LIGHT OF CHOCHMAH, and she has the same as that actual beauty and whiteness of the sun, WHICH IS THE SECRET OF ZEIR ANPIN. In that ocean OF MALCHUT within a period of seventy years, a certain fish emerges and takes out from it the color blue, and she takes this dye and prepares it and covers herself from outside with that color.

124b. It is not that the blue color is her dress, since IT IS WRITTEN: "Her clothing is fine linen and purple" (Mishlei 31:22), BUT BLUE IS NOT APPROPRIATE FOR HER DRESS. However, this color IS ONLY an exterior cover OVER MALCHUT. Similar to this, it was at the tabernacle that is entirely of beautiful embroidery internally and after that: "And shall spread over it a cloth wholly of blue" (Bemidbar 4:6) ON THE OUTSIDE. What is the reason? It is because below this ocean, WHICH IS MALCHUT, there are depths of the sea, WHICH ARE KLIPOT that are comprised of male and female. They have an evil eye with which to stare and, when they stare AT MALCHUT - MEANING THAT THEY WISH TO DRAW ILLUMINATION OF CHOCHMAH FROM HER FROM ABOVE TO BELOW IN THE MANNER OF THE KLIPOT - the blue color is ready for their eyes, WHICH IS THE SECRET OF THE JUDGMENTS THAT ARE INCLUDED IN MANULA (ENG. 'THE LOCK'), THROUGH WHOM THE LIGHT OF CHOCHMAH IS REMOVED. Their eyes cannot affect MALCHUT AND THAT IS ONLY EXTERNALLY. HOWEVER, she is fixed internally by all embroidery colors, WHICH IS THE SECRET OF WHITE, RED AND GREEN, as is proper FOR CONTINUATION OF CHOCHMAH. They spread to the four sides of the world, MEANING TO SAY THAT THESE THREE COLORS WHICH ARE THE THREE COLUMNS ARE INCLUDED IN EACH OF CHESED AND GVURAH, TIFERET AND MALCHUT WITHIN HER, THAT ARE THE FOUR CORNERS OF THE WORLD, WHICH ARE TWELVE ASPECTS. AND THE WORD "SPREAD" ALLUDES TO THE TWELVE BORDERS THAT ARE SPREAD IN THE FOUR DIRECTIONS.

123. תָּמִים תְּהִיָּה עִם יְיָ אֱלֹהֶיךָ וְדָאֵי, בְּמָה דְאִיהוּ תָּמִים כְּלָלָא חֲדָא, אוּף אַנְתָּ תְּהָא עֲמִיָּה תָּמִים, עֲמִיָּה וְדָאֵי. בְּמָה אֲתַעְבִּיד בְּרִי נִשְׁ תָּמִים, דִּיהָא ת"ם יָם. תָּם בְּמָה דְאֲתַמַּר. י"ם כָּל אֵינוֹן דְרִגִּין קְדִישִׁין דִּילִיָּה אֲקִרוֹן י"ם, וְלֹא אֲתַפְרִשֵׁן מְנִיָּה לְעֵלְמִין. אוּף אַנְתָּ כְּגוֹוֹנָא דָא, לְאֲעֲדָא מִנָּךְ דְרִגִּין נוֹכְרָאִין, וְלֹא תִקְשְׂרָא בְתָמִים, לְמִדְהוּי בְךָ דְרִגִּין קְדִישִׁין, רְזָא דִים, וְדִרְגָא קְדִישָׁא, ת"ם. לְקַבְלָא א' רְזָא דִיעֻקְב. ב"נ אֲצַטְרִיךְ לְמִדְהוּי בְכָל יוֹמָא, ת"ם י"ם. כְּגוֹוֹנָא דָא מְמַשׁ.

125. Likewise, a man who wears Tzitzit (lit. 'fringed garment') becomes tamim every day. HE RECEIVES THE ASPECT OF Tam OF MALCHUT with the four corners OF THE GARMENT that are properly made. THE ASPECT OF Yam HE RECEIVES FROM MALCHUT with the blue OF THE TZITZIT THAT IS THE SECRET of the fish of seventy levels in the sea, AS MENTIONED, so that the Evil Side will not be able to harm him with the evil eye when it stares at this person, MEANING HE WILL NOT BE ABLE TO DRAW HIM TO THE DOMINION OF THE OX THAT GORED THRICE, AS MENTIONED, SINCE THE BLUE PREVENTS THEM, AS MENTIONED NEARBY. Then he is Tam Yam with Hashem his Elohim in whole correction, SINCE MALCHUT TOO GETS ESTABLISHED AND COVERED EXTERNALLY WITH THE BLUE COLOR, AS MENTIONED - she above and he below.

126. Following this, MALCHUT ascends to higher levels, THAT IS, TO THE LEVELS OF ZEIR ANPIN. So, the person also gets elevated afterward with the Tefilin to higher levels OF ZEIR ANPIN. About this, it is said: "You shall be perfect (Heb. tamim) with Hashem your Elohim," with Him definitely. Certainly at once, at one moment MALCHUT is fixed above - FIRSTLY, BY TAM YAM, AND AFTERWARDS, IN ADHERENCE WITH ZEIR ANPIN. A person is prepared likewise below. FIRSTLY, HE GETS RESTORED BY THE TZITZIT, WHICH IS THE LEVEL OF TAM YAM, AND THEN BY TEFILIN, WHICH IS THE LEVEL OF ZEIR ANPIN.

127. Rabbi Ila'i said, All these over here, MEANING THE GENERATION OF THE WILDERNESS, get restored in a similar way, so each one is Tam Yam with Hashem. About this secret, IT IS SAID, "In this wilderness they shall be consumed (Heb. yitamu)," MEANING THAT THEY WILL RECEIVE THE ASPECT OF TAM. If you shall think that when this was said it was meant for bad, AND NOT TO PRAISE THEM, most certainly this is so. IT IS NO PRAISE TO THEM, since they should have each striven to be Tamim with Hashem in the holy land, in a place where the Holy One, blessed be He, dwells face to face together WITH MALCHUT. And now, there, each one is Tamim in this wilderness outside, a place distant FROM THE HOLY LAND, where MALCHUT does not look face to face to be with Hashem as required. "And there they shall die" means as you saw them doing every day. THAT THEY DIE AND ARE REVIVED.

128. Praised is your lot, holy friends, that you have merited all this. You will not find anyone there in those other two caves of yours, because they are in the Yeshivah of Moses. They sit from afar and, therefore, it says about Moses: "Very meek, more so than all the men" (Bemidbar 12:3), since the greatest prophet saw fit to receive them into his Yeshivah. Behold, from the day THAT THOSE RIGHTEOUS began to see all this to that time, seven days had already passed. They have not looked at this world at all, MEANING TO SAY THAT THEY WERE COMPLETELY REMOVED FROM ALL THAT IS MATERIAL.

129. Rabbi Ila'i said to them: Holy righteous, I will list the things that you have heard, MEANING THOSE WORDS MENTIONED ABOVE. The first thing is when you will understand the measuring of the measure of the inscribed name, which is pronounced YUD HEI VAV HEI. You will understand that Betzalel is the fourth of the above lights, since it is written: "And I have filled him with the spirit of Elohim, in wisdom, and in understanding, and in knowledge" (Shemot 31:3).

130. NOW HE EXPLAINS THE SECOND POINT THAT IS MENTIONED ABOVE, SAYING whoever does not gaze sees, and his eyesight is restored with great clarity. Whoever does not look at these three concealed matters - what is above, what is below, what is before and what is after - IT SEEMS THAT HE COUNTS WHAT WILL BE AND HOW IT WAS AS ONE ITEM - he is destined to regain sight in the Torah and open his eyes through it. THE THIRD ITEM: A tree of eighteen, as it bends, so it will stand upright and endure, MEANING the man's spine, THAT CONSISTS OF EIGHTEEN VERTEBRAE, when he bends it before his Master, MEANING WHEN HE STOOPS IN THE PRAYER OF MODIM (WE GIVE THANKS), he will stand upright and will endure at the revival of the dead. If he does not stoop at Modim, he becomes a snake and has no resurrection in the future to come. THAT IS WHAT IS SAID THERE: 'AND IF HE DOES NOT BEND, AN EVIL SNAKE CONSUMES HIM.'

131. THE FOURTH POINT: Whoever proceeds between the two Cherubs inward MEANS that whoever enters a measure of two doors inside the synagogue is attached to his Master, and his wishes get fulfilled. THE FIFTH POINT: Whoever contemplates his prayer and searches it - THAT IS TO SAY, HE THINKS IN HIS HEART THAT HIS REQUEST MUST BE GRANTED SINCE HE PRAYS WITH INTENTION - is far from being granted his wishful request. THE SIXTH POINT: A child offering is the most perfect to be accepted, MEANING when a person brings his son to school and to circumcision, which is an acceptably perfect offering. From here on, my beloved, you continue.

15. The cave of the Machpelah

Rabbi Elazar is told about how all the patriarchs are buried with their wives in the Cave of Machpelah, and exactly how they were laid out in the cave, women next to women and men next to men. And as these pairs were buried, so they will rise in the exact same manner; then Leah will rejoice with Messiah the son of David, who is her offspring and Rachel will rejoice with Messiah the son of Joseph, who is her offspring.

132. (THE BEGINNING IS MISSING HERE.) Elazar, my son, according to what you have learned, you speak intelligently. However, heaven forbid, even though Rachel was barren during that period, Jacob was wise. And if he would not have known that Leah was his wife, he would not have buried her in the cave OF MACHPELAH to be continuously next to her. Instead, he would have buried her outside of the cave. However, he brought Leah to the land, THAT IS THE CAVE OF MACHPELAH, and Rachel he interred outside OF THE CAVE OF MACHPELAH. When Jacob died, he was buried inside THE CAVE OF MACHPELAH, jointly WITH LEAH.

133. As the rest of the patriarchs did, so did Adam. Eve died first and was buried there, IN THE CAVE OF MACHPELAH, and there Adam became aware that this place was appropriate for him. When Adam died, he was buried there jointly WITH EVE. When Sarah died, she was buried there. Eve saw her and was glad, and she rose and welcomed her. The measured DISTANCE of Eve from Sarah is two cubits and not more. Abraham died and was buried next to Sarah, jointly connected WITH HER. Rivkah died and she was buried there. Sarah saw this, and rose and welcomed her. When Isaac died, he was jointly buried with her in one connection. When Leah died, she was buried there and Rivkah rose and welcomed her. When Jacob died, he connected with her in one joining. And all were male and female together, jointly connected.

130. מאן דלא אסתכל, באינון תלת מלין טמירין, מה לעילא, מה לתתא וכו'. זמין איהו לאתפתחא באורייתא, ולפקחא עיינין בה. אילנא דתמני סרי, שדרתו דב"ג, כד כפוף קמי מאריה, יזקוף ויתקיים לתחיית מתייא. אי לא כפוף במודים, אתעביד חויא, ולית ליה תקומה לההוא זמנא.

131. מאן דעאל בין תרין ברובים לגו. מאן דעאל שיעור תרין פתחין, לגו בי כנשתא, אתדבק במאריה, ורעותיה אתעביד. מאן דמעין בצלותיה, ואסתכל בה, רחיק מרעותיה דשאיל. קרבנא דרבנא, כד קרב ב"ג בריה לבי ספרא, או למילה, דא קרבנא שלים לאתקבלא. מכאן ולהלאה רחימין, זילו.

133. כִּמָּה דַעְבְּדוּ כָּל שְׂאֵר אַבְהֵן, אוֹף הָכִי אָדָם. מִתָּה חוּהָ בְּקִדְמִיתָא, אֲתַקְבְּרַת תַּמְּן. וְתַמְּן יַדַּע אָדָם, דְּהָאֵי דְּוֹכְתָא אֲתַחְזִי לִיה. מִית אָדָם, אֲתַקְבְּרַת בְּגִוּוּהָ בְּחַבּוּרָא חָדָא. מִתָּה שְׂרָה אֲתַקְבְּרַת תַּמְּן, וְחוּהָ חֲמָאֵת, וְחֻדְאֵת לְקַבְּלָהּ, וְקַמַּת וְקַבְּלָהּ לָהּ. שִׁיעוּרָא דְּחַוָּה לְגַבֵּי שְׂרָה, שִׁיעוּרָא דְּתַרִּין אַמִּין, וְלֹא יִתִּיר. מִת אַבְרָהָם, אֲתַקְבְּרַת לְגַבֵּי שְׂרָה, בְּחַבּוּרָא חָדָא. מִתָּה רַבְּקָה, אֲתַקְבְּרַת תַּמְּן, וְשְׂרָה חֲמָאֵת, וְקַמַּת וְקַבְּלָת לָהּ. מִת יִצְחָק, אֲתַקְבְּרַת בְּהַדָּה בְּחַבּוּרָא חָדָא. מִתָּה לֵאָה, אֲתַקְבְּרַת תַּמְּן, וְרַבְּקָה חֲמָאֵת, וְקַמַּת, וְקַבְּלָהּ לָהּ. מִת יַעֲקֹב, אֲתַחְבֵּר בְּהַדָּה בְּחַבּוּרָא חָדָא. וְכֻלְהוּ דְּכֹר וְנוֹקְבָא כְּחָדָא, בְּחַבּוּרָא חָדָא.

134. HE INQUIRES: In what order were they laid out? HE RESPONDS: Women next to women and males next to males. Adam at first and, next to him, Eve. Sarah is next to Eve, Abraham is close to Sarah, Isaac is close to Abraham, Rivkah is close to Isaac, Leah is close to Rivkah and Jacob is close to Leah. The result leaves Adam on this side and Jacob on the other side, one at the beginning and one at the end.

134. סְדוּרָא דְּלֵהוּן הֵינּ שְׂכֵנֵי. נְשִׁין לְגַבֵּי נְשִׁין, וְדְכוּרִין לְגַבֵּי דְכוּרִין. אָדָם בְּרִישָׁא, חוּהָ סְמוּךְ לִיה. שְׂרָה לְגַבֵּי חוּהָ. אַבְרָהָם סְמוּךְ לְשְׂרָה. יִצְחָק סְמוּךְ לְאַבְרָהָם. רַבְּקָה סְמוּךְ לְיִצְחָק. לֵאָה סְמוּךְ לְרַבְּקָה. יַעֲקֹב סְמוּךְ לְלֵאָה. אֲשַׁתְּכַח אָדָם בְּסִטְרָא דָּא, יַעֲקֹב בְּסִטְרָא דָּא, דָּא רִישָׁא, וְדָא סִיפָא.

135. In the book of King Solomon, it is properly set. So it is Adam and Eve at first, Sarah and Abraham nearby, Isaac and Rivkah in the other corner OPPOSITE in a straight line and Jacob and Leah in the middle. They are women next to women and men next to men; that is Adam and Eve, Sarah and Abraham, Jacob and Leah and Rivkah and Isaac. THE RESULT IS that Adam is in one end and Isaac is in the other far end. Jacob is in the middle, for Isaac to be next to his father is not the way of the world. Therefore, it was necessary for Jacob to be in the middle.

135. בְּסִטְרָא דְּשְׁלֵמָה מְלַכָּא אִיהוּ בְּדִקָּא יְאוּת וְהָכִי הוּא, אָדָם וְחוּהָ בְּקִדְמִיתָא. וְשְׂרָה וְאַבְרָהָם סְמוּךְ לוֹן. יִצְחָק וְרַבְּקָה לְזוּיָא אַחְרָא, בְּאַרְח מִישֵׁר בְּשׁוּרָה חָדָא. יַעֲקֹב וְלֵאָה בְּאַמְצְעִיתָא. וְאַיְנוּן נְשִׁין לְגַבֵּי נְשִׁין. וְדְכוּרִין לְגַבֵּי דְכוּרִין. וְאַדָם וְחוּהָ, שְׂרָה וְאַבְרָהָם, יַעֲקֹב וְלֵאָה, רַבְּקָה וְיִצְחָק. אָדָם בְּסִטְרָא דָּא, וְיִצְחָק בְּסִטְרָא דָּא, וְיַעֲקֹב בְּאַמְצְעִיתָא. יִצְחָק לְגַבֵּי אַבּוּהָ לְאוּ אַרְח עֲלֵמָא. וְעַכְ"ד יַעֲקֹב אֲצִטְרִיךְ בְּאַמְצְעִיתָא.

136. And all these pairs, as they were buried, in the same manner they will rise AT THE RESURRECTION OF THE DEAD. And so it will happen. Leah will rejoice with Messiah, the son of David, who is her offspring, inside THE CAVE OF MACHPELAH. Rachel will rejoice with Messiah, the son of Joseph, who is her offspring, outside of Jerusalem - MEANING IN THE AREA SHE WAS BURIED, ON THE WAY TO EFRAT - and each one in his area.

136. וּבְכָל אֵינּוּן זוגִין, כִּמָּה דְּאֲתַקְבְּרוּ, הָכִי יְקוּמוּן, וְהָכִי יִשְׁתַּבְּחוּן. לֵאָה תַּחְדֵּי בְּהַדֵּי מְשִׁיחַ, בְּרִיָּה דְּדָוִד, דְּנִמְסִיק מְנָה לְגוּ. רַחֵל תַּחְדֵּי בְּהַדֵּי מְשִׁיחַ, בְּרִיָּה דְּיוֹסֶף, דְּנִמְסִיק מְנָה לְבֵר מִירוּשָׁלַם. וְכֻלָּא לְדוּכְתֵייהוּ.

16. Reading of the Torah

We hear about a tower of precious stone in the midst of other towers; it rises to the high firmament and is not yet visible. Upon it the head of the Yeshivah inscribed: "The name of Hashem is a strong tower: the righteous runs to it, and is safe." We are given an analogy whereby the tower is the ark in which the Torah scroll is kept. From here it is derived that the cantor of the synagogue must be righteous and of the form of the supernal righteous, Yesod, and that the sixth person called up to read the Torah must be righteous, as the sixth alludes to Yesod. We hear more marvelous details about the tower, and are told that in it there is a light in the form of a Torah scroll that will be read in the future by King Messiah. He will explain all the Torah matters to the students of the Yeshivah, and they will then be elevated to the Yeshivah of Metatron. We are told that no one could withstand seeing that Torah scroll except Messiah, as its letters are sparkling flames of four colors that are from a higher world.

137. (THE BEGINNING OF THE ARTICLE IS MISSING) these here and these there, since all are towers of fine stone. Among the towers, there is a tower of precious stone in its midst. That one reaches to the lofty firmament and is not visible at present, until that time when it will appear. The head of the Yeshivah saw it and inscribed on it above this verse: "The name of Hashem is a strong tower: the righteous runs to it, and is safe" (Mishlei 18:10). This scriptural verse was explained by the head of the Yeshivah this way: "A strong tower" refers to the Congregation of Yisrael, MEANING MALCHUT; "the righteous runs (Heb. yarutz) to it," MEANING THAT the desire of a righteous one, WHICH IS YESOD, is always for it. SINCE YARUTZ IS FROM THE SAME LINGUISTIC ROOT AS RATZON (ENG. 'DESIRE'), therefore, that tower of strength "and is safe," so that it will never AGAIN fall as it did.

138. Rabbi Cruspedai, who delights the heart, explained this scriptural verse prior to his departing and defined it nicely. "A strong tower" is the ark, to insert in it the Torah scroll, which is strong, and to remove it from the chamber, which is the image of the internal chamber. THAT IS THE SECRET OF IMA from which the Torah emanates, WHICH IS ZEIR ANPIN. That tower, WHICH IS THE ARK, is the name of Hashem and His form, MEANING MALCHUT, and it needs to be in six steps, IN ACCORDANCE WITH CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD IN MALCHUT.

139. "The righteous runs to it." HE ASKS: To what WILL HE RUN? To the tower or the Torah scroll? HE RESPONDS: We can only interpret this verse one way or the other, EITHER TO THE TOWER OR TO THE TORAH SCROLL. When you interpret 'to the tower', then the righteous one needs to be the cantor of the synagogue AND HE SHALL BE truly righteous and of the form of the supernal righteous, THAT IS YESOD. When we interpret it to mean 'to the Torah scroll', then whoever rises up to read the Torah should be just and be called righteous. Of all SEVEN THAT ARE CALLED UP TO THE READING OF THE TORAH, who is called righteous? That is the sixth one, which is called up for the reading among those seven, SINCE THE SIXTH READING PORTION ALLUDES TO YESOD THAT IS CALLED RIGHTEOUS. Rabbi Shimon said, Definitely, IT IS SO since RABBI CRUSPEDAI has always been called up to rise only for the sixth READING PORTION throughout his life, among the others who were also called for the reading OF THE TORAH. THAT WAS ALLUDING TO THE RIGHTEOUS YESOD. "The righteous runs to it" MEANS THEN, the words of this righteous will run to the Torah scroll. HE ASKS: "And is safe" from whom? HE ANSWERS: From fearing the Angel of Death, since he shall have an extended life and he will never get hurt.

140. In that tower that rises among the towers stands a light in the form of a Torah scroll. When a bird arrives, it takes the tower from its place and places it to stand in the middle of the court within the wings of the Cherubs. And what was high as the lofty heavens lowered and entered under the Cherubs, and the walls OF THE TOWER stood between the heads of the Cherubs.

141. There are three hundred openings IN THAT TOWER. In the central opening is this light in the form of a Torah scroll standing, in which the king of Yisrael is destined to read in the portion of "Hak'hel (Eng. 'gather')." That will be King Messiah, and no other.

142. With the Torah scroll of this light, MEANING WITH THE ILLUMINATION OF SIX ENDS OF CHOCHMAH IN THAT TORAH SCROLL, THE AUTHOR TURNS TO THE LISTENER AND SAYS, Oh, holy pious one, glad is the one who will hear from the mouth OF MESSIAH. The sweet voice of his discourse is in the concealed matters of the Torah that he will explain. THAT IS, IN THE LIGHT OF THAT TORAH SCROLL, MENTIONED ABOVE, every new moon, Shabbat and holiday and festival. When all the students of the Yeshivah wish to ascend to the lofty heavenly heights of the Yeshivah, THAT IS THE YESHIVAH OF METATRON, all congregate around King Messiah. And He will explain to them the TORAH matters. Through the sweetness of his words and through desire, they get elevated TO THE HEAVENLY YESHIVAH. AND THE AUTHOR OF THIS SAYING TURNS AGAIN TO THE LISTENER AND SAYS TO HIM, All the ten points of the matters, THAT MESSIAH DEFINED, will be stored for you for that day of your requests, MEANING FOR THAT DAY WHEN YOU WILL PRAY FOR IT.

143. When that tower stands in the middle of the court and that door is open, MEANING THE DOOR THAT IS IN THE CENTRAL COLUMN OF THE TOWER, the Cherubs open their mouths, and spread their wings, TO HIDE THE FIRST THREE SFIROT OF CHOCHMAH, AS MENTIONED. They illuminate with the higher light on that opening and that Torah scroll is open, and the Cherubim open up and say: "Oh how great is Your goodness, which You have laid up for those who fear You..." (Tehilim 31:20). FOLLOWING THAT, they close the doors and the Torah scroll is rolled up.

144. Who has witnessed the illuminating light of that Torah scroll? It is a bright light in its entirety, its letters are flames of fire of four colors, which are from a higher world and all are conspicuously sparkling. Nobody could withstand seeing that except Messiah.

145. When that door IN THE TOWER is closed, the Cherubs are still. That tower flies and takes its place among the rest of the towers, MEANING THAT IT RETURNS TO JOIN ITS FIRST THREE SFIROT WITH ZEIR ANPIN. AND THE ATTRIBUTE OF MALCHUT VANISHES AGAIN, AS IT IS COMBINED WITH ZEIR ANPIN.

17. The crown of Messiah

The (unknown) author of this section tells of what will happen when King Messiah receives from a dove His magnificent crown of gold that is hidden in the tower.

146. At that door in the center OF THE TOWER APERTURES, AS MENTIONED ABOVE, there is a most magnificent crown of gold hidden, which is presently invisible, elaborately engraved and embellished with all kinds of precious stones. It is destined to be installed upon the head of King Messiah, when the time comes and he will ascend that tower. And two eagles on each side will take this CROWN in their hands.

142. וְבַהּוּא סִ"ת דִּהְיוּא נְהִירוּ, אִי חֲסִידָא קְדִישָׁא, זְכָאָה אִיהוּ דְּמִפּוּמִּיהּ יִשְׁמְעוּ, קַל נְעִימוּ דְּמַלּוּי מְאִינּוֹן מְלִין סְתִימִין דְּפְרִישׁ בְּאוֹרֵייתָא. בְּכָל רִישׁ יִרְחִי, וְשִׁבְתִּי וּמוֹעֲדֵיִא וְזִמְנֵיִא, כִּד בְּעָאן כָּל בְּנֵי מְתִיבְתֵי לְסַלְקָא לְעִילָא לְגוּ מְתִיבְתָא דְּרִקִיעָא, כְּלֵהוּ מְתַכְנַמֵּי לְגַבֵּי מַלְכָא מְשִׁיחָא, וְאִיהוּ פְרִישׁ מְלִין, וּמְגוּ מְתִיקוּ דְּמַלּוּי בְּתִיאֻבְתָא, סַלְקִין. כְּלֵהוּ עֶשֶׂר מְלִין, גְּנִיזִין לְךָ מְאִינּוֹן מְלִין דְּאִיהוּ פְרִישׁ, לְיוּמָא דְּשְׁאַלְתָּן דִּילְךָ.

147. When King Messiah, ascends THIS TOWER, the eagles will get ready and take this crown. When he begins to read THE TORAH, another aperture will open. From there will emerge the dove that Noah sent in the days of the flood, as is written: "Also he sent forth the dove" (Bereshheet 8:8), the dove WITH THE DEFINITE ARTICLE, meaning the renowned dove that the ancient ones have not discussed and were not aware of. However, it is from here that she goes out on her mission.

148. During the time that it says: "Which returned not again to him any more" (Ibid. 12), no person knew where she went. She returned to her assigned place and was stored in this opening. She will take the crown in her mouth and place it on the head of King Messiah, reaching but not touching. About then, it is written: "You set a crown of pure gold on his head" (Tehilim 21:4).

149. As soon as King Messiah reads in the Torah scroll, the two eagles will rise from each side and the dove will lower HERSELF TO DESCEND. King Messiah will step down with the crown on his head to the last level and two eagles will fly above his head. The dove will return with the crown in her mouth, and the two eagles will welcome her.

150. King David is called a fresh olive in the presence of the Holy One, blessed be He, as is written: "But I am like a green olive tree in the house..." (Tehilim 52:10), a leaf of an olive tree that is King Messiah, son of David. That is what the dove indicated during the time of Noah, as is written: "And, lo, in her mouth was an olive tree plucked off" (Bereshheet 8:11). THE DOVE plucked off that olive leaf, WHICH IS MESSIAH, and grabbed his glory, MEANING THE CROWN. How? With her mouth, SINCE THE CROWN stands on his head and receives glory from the dove. That is why it says, "plucked off" IN MASCULINE FORM and not in feminine form, SINCE IT INDICATES that she is like a male gaining strength and she prevails. In the heavenly Yeshivah, THEY SAID this dove is a male because the NAME Yonah (Eng. 'dove'), by which it is called, is sometimes written female, IN FEMININE FORM AND SOMETIMES as male, IN MASCULINE FORM. When she receives this glory, SHE IS REFERRED TO IN MALE FORM. (THE END IS MISSING HERE).

151. When this tower returned into its place, MEANING AFTER THE TORAH READING WHEN MALCHUT RETURNS TO JOIN WITH THE FIRST THREE SFIROT OF ZEIR ANPIN, SEE THERE, it is bright like the light of the sun - MEANING, LIKE THE LIGHT OF ZEIR ANPIN THAT IS CALLED SUN, WHICH IS COVERED CHASSADIM. It is written: "And his throne shall be like the sun before Me" (Tehilim 89:37). MALCHUT THAT IS REFERRED TO AS THE THRONE IS LIKE THE SUN, AS ZEIR ANPIN although He has another throne also, with great miracles and marvels, MEANING TO SAY THAT ALTHOUGH EVEN PRIOR TO THE RETURN OF THE TOWER TO THE FIRST THREE IN ZEIR ANPIN, IT IS ALSO REFERRED TO AS THE THRONE. IT IS WITH GREAT MARVELS, THAT IS WITH CHOCHMAH, NONETHELESS, IT IS NOT ABOUT THIS THAT IT IS SAID "HIS THRONE SHALL BE LIKE THE SUN"; IT REFERS TO IT ONLY AFTER ITS RETURN TO ZEIR ANPIN. At the top of this tower - THAT IS, WHEN IT IS BELOW, PRIOR TO ITS RETURN TO THE FIRST THREE IN ZEIR ANPIN - there are birds of flame which chirp. When the bird ascends - MEANING DURING THE TIME WHEN CHOCHMAH OF MALCHUT, WHICH IS CALLED BIRD, BECOMES APPARENT - FIERY BIRDS BECOME APPARENT. THAT IS, THEY CONTAIN FIRE THAT IS JUDGMENTS TO DISTANCE THOSE ON THE OUTSIDE, AND CHIRP

with a pleasant sound, for there is no delight and song like this delight.

18. Letters soaring

We hear of the birds that rise and descend, rise and descend, and are told that these are the great and the small letters. When the letters fly, a person sees written in the air temporarily, in great letters, "In the beginning Elohim created...", followed by the other sayings in the acts of creation. The author says that whoever preserves the covenant places himself to follow the Shechinah and is guarded from behind by the supernal righteous, with great love. We hear that when the firmament revolves it performs music from the sound of the waters that flow, but the lower grades are not capable of hearing it. Whoever deserves to receive from those waters stands there in happiness and in awe, since both come from serving God.

152. Above all of them, THAT IS IN BINAH, there are other varieties and other turtledoves that fly in the air IN THE SECRET OF THE ASCENSION OF MALCHUT TO BINAH. THAT IS THE SECRET OF THE YUD THAT ENTERS IN THE LIGHT (HEB. OR - ALEPH VAV RESH) OF BINAH AND THE LIGHT BECOMES AIR (HEB. AVIR - ALEPH VAV YUD RESH). Rising and descending, descending and rising, WHEN THE YUD ENTERS THE AIR THEY DESCEND TO A LOWER LEVEL, AND WHEN THE YUD LEAVES THE AIR AND RETURNS TO THE LIGHT, THEY RISE AGAIN. They never rest quietly AND HE EXPLAINS WHY IT IS SO. IT IS BECAUSE great letters THAT ARE BINAH and small letters THAT ARE MALCHUT fly between them, SINCE SOMETIMES THE SMALL LETTERS RISE IN THE GREAT LETTERS - THAT IS, MALCHUT IN BINAH - AND SOMETIMES THE SMALL LETTERS RETURN AND EMERGE FROM THE GREAT LETTERS. THAT IS, MALCHUT COMES BACK AND EMANATES FROM BINAH, WHICH IS THE SECRET YUD THAT ENTERS THE LIGHT AND LEAVES THE LIGHT, AS MENTIONED ABOVE.

153. Oh, holy pious one. When the letters fly, a person sees written in great letters, WHICH ARE BINAH, in the air temporarily: "In the beginning Elohim created..." (Beresheet 1:1), SINCE THESE WORDS ARE FROM BINAH; THAT IS, THE SECRET OF GREAT LETTERS. THEN the small letters strike them, MEANING MALCHUT RISES AND IMPACTS IN BINAH; THAT IS TO SAY THAT IT REDUCES HER IN THE SECRET OF THE YUD THAT ENTERED THE LIGHT AND FORMED INTO AIR. Then they fly and it is seen written about them: "And Elohim said, 'Let there be light'... And Elohim saw the light..." (Beresheet 1:3-4). Then the small letters again strike the large letters, MEANING THAT AGAIN MALCHUT RISES ON BINAH AND DIMINISHES HER. It is seen through them that it is written: "And Elohim said, 'Let there be a firmament...'" (Ibid. 6) and so on in all of the acts of creation. The acts of these letters are great marvels and gladness to the eyes. Praised is the nation for whom all this awaits.

154. Oh, holy, pious one. Whoever preserves the covenant places himself to follow THE SHECHINAH, AND THE SHECHINAH is in the lead. If you inquire as to who will guard him from behind, HE RESPONDS, There is a higher greater protection that protects him from everything. What is it? It is the supernal Righteous, THAT IS YESOD IN ZEIR ANPIN THAT PROTECTS HIM, with great love. Consequently, he enters between the Righteous, THAT IS YESOD, and righteousness, THAT IS MALCHUT, and is thus protected on all sides - THE YESOD FROM BEHIND AND MALCHUT IN FRONT. Praised is the one who preserves this covenant. Therefore, Yisrael, all the males that uphold this covenant, shall be seen in the presence of the Holy One, blessed be He, AS IS WRITTEN: "THREE TIMES IN THE YEAR ALL YOUR MALES SHALL APPEAR" (SHEMOT 23:17). Who is it that can harm a son whose father is on one side and his mother is on the other side, and he is in the middle between them? That is when he follows Hashem, MEANING ONLY BEHIND MALCHUT, AS MENTIONED ABOVE.

155. Come and see that firmament, WHICH IS ZEIR ANPIN, when it revolves in the circle, MEANING WHEN IT ROTATES ITS THREE COLUMNS IN THREE PLACES, DURING WHICH TIME THE CHOCHMAH BECOMES REVEALED. It performs music, SINCE CHOCHMAH GETS REVEALED IN THE SECRET OF MUSIC, and from the sound of the waters that flow - THAT IS TO SAY FROM THE INCREASE IN ABUNDANCE OF CHASSADIM THAT PREVAILS IN ZEIR ANPIN - that song is not known, MEANING THAT THE LOWER LEVELS ARE INCAPABLE OF RECEIVING FROM IT FOR THE REASON THAT CHOCHMAH DOES NOT GET REVEALED IN PLACE OF ZEIR ANPIN, ONLY IN PLACE OF MALCHUT, WHICH IS THE SECRET OF THE LOWER CHOCHMAH. All of these basins on the four sides OF ZEIR ANPIN, THE FOUR MALCHUTS ON THE FOUR SIDES - CHESED, GVURAH, TIFERET AND MALCHUT OF ZEIR ANPIN REFERRED TO AS BASINS - IN THE SECRET OF WHAT IS WRITTEN: "YOUR NAVEL IS LIKE A ROUND GOBLET" (SHIR HASHIRIM 7:4), are filled from waters that flow. THEY ARE FILLED FROM CHASSADIM THAT RECEIVE FROM THE FOUR SPRINGS OF ZEIR ANPIN AND ARE COVERED FROM CHOCHMAH, SINCE THEY ARE IN A PLACE OF ZEIR ANPIN. Whoever is inside - THAT IS, WHO MERITS TO RECEIVE FROM HIM - stands there in two aspects. One in happiness, since there is no other happiness in the world like fulfilling: "Serve Hashem with gladness" (Tehilim 100:2). And one is with awe, since there no other awe in the world like fulfilling: "Serve Hashem with fear" (Tehilim 2:11).

19. The spring of water

We are told about the spring that was mentioned by Ezekiel. When the waters flow and rise all kinds of gems in the world, the grades referred to as gems, rise. The gems and the colors of a button and blossom that surround the spring are described in glowing terms, and the author says that since one cannot look at the button and blossom the importance of their activities can not be known. Many marvelous things are outlined for our contemplation. We read a description of a branch that emerges at the center of a spring; the branch covers worlds, and it is not possible to know about its fruit. The author concludes by telling us about a firmament from which dew flows to this spring; the dew produces fruit on the branch, and the firmament circles faster than the eye can see.

156. One spring of water flows from the east side, WHICH IS TIFERET - THE CENTRAL COLUMN OF ZEIR ANPIN THAT INCLUDES RIGHT AND LEFT - the one that the prophet Ezekiel mentioned (YEchezkel 41:1). The entire world cannot give enough praise for that spring, SINCE IT COMBINES RIGHT AND LEFT, UNRAVELS ALL THE LIGHTS IN BINAH, CHASSADIM AND CHOCHMAH TOGETHER, AND DRAWS THEM TO THE LOWER LEVELS. At the place where it was born, that is, to the east side, the measure of its depth and height is no more than a span, MEANING THAT THE SOURCE OF THE CENTRAL COLUMN AT ITS BEGINNING OF BIRTH IS ONLY THE POWER OF THE CURTAIN OF CHIRIK IN IT THAT IS REFERRED TO AS A SPAN. WITH IT, IT SUBDUES THE LEFT COLUMN AND UNITES IT WITH THE RIGHT, SINCE ALL THE MOCHIN RESULT FROM THIS UNITY.

157. When the waters flow and rise, all kinds of gems in the world rise. WHEN THE WATERS OF THE SPAN - WHICH IS THE CENTRAL COLUMN OF ZEIR ANPIN - BESTOW THE ILLUMINATION OF CHOCHMAH TO MALCHUT, WHOSE LEVELS ARE REFERRED TO AS GEMS, THEY ASCEND HIGHER. SINCE ITS LIGHTS OF CHOCHMAH ARE ONLY ILLUMINATED FROM BELOW UPWARDS, they do not fall outside; THAT IS TO SAY, THEY DO NOT SHINE FROM ABOVE DOWNWARDS; THEN IT WOULD HAVE BEEN CONSIDERED THAT THEY FELL OUTWARD TO THE KLIPOT. AND THE LIGHT OF CHOCHMAH THAT IS CONTAINED WITHIN THEM ARE IN THREE COLUMNS, ONE AFTER THE OTHER, WHICH ARE THREE HUES - WHITE, RED AND GREEN - AND EACH ONE IS COMPOSED OF ALL THREE. For a while, they appear in one color and temporarily they fall, MEANING THAT THIS COLOR IS TEMPORARILY REMOVED. Then other GEMS ascend of another color AND SIMILARLY in all other colors existing in the world, MEANING ALL COLORS OF MALCHUT REFERRED TO AS THE WORLD, WHOSE ESSENCE IS WHITE, BLACK AND RED. These gems fall outside ONE AFTER THE

OTHER, ONE SINKING AND ONE FLOATING UP, but they do not fall outward, SINCE THEY DO NOT BESTOW FROM ABOVE TO THE LOWER UPON THE EXTERIOR FORCES.

158. Surrounding that spring is a button and blossom, WHICH IS THE SECRET OF THE FIRST THREE SFIROT OF CHOCHMAH THAT CIRCLE AROUND IN THE ENCIRCLING LIGHT AND DO NOT ILLUMINATE THE INSIDE OF THE SPRING. All the inhabitants of the world cannot comprehend the variety of colors that is in them, THEM BEING THE FIRST THREE SFIROT, SINCE all are glowing flames and it is not possible to gaze at them. THEREFORE, the importance of their activities is not known. The petals THAT ARE IN THE FLOWER BLOSSOM sparkle with a variety of colors.

159. Embroidery, which is the artistry of The Creator of the world, covers over the 375 Cherubs below them over other covering tapestry layers that are inside, since these covering tapestry layers surround the inside of the court.

160. Grapevines are spread above THE CHERUBS, since the Cherubs are underneath the grapevines, all spreading out their wings and intertwined one into the other. Here, the head of the Yeshivah said that whoever gazes at these grapevines, his face shines like sunlight.

161. These tapestry grid covers, WHICH ARE THE LIGHTS OF BINAH THAT ARE ROBED IN MALCHUT, are unfurled round about in the courtyard. FROM INSIDE, all are embroidered in strands of lights in multitudes of colors, SINCE THE THREADS OF BINAH AND THREADS OF MALCHUT ARE EMBROIDERED AND INTERWOVEN IN ONE ANOTHER AND SHINE TOGETHER, AND THREADS ARE THE SECRET OF ILLUMINATION OF CHASSADIM. They flame with four kinds of fiery glows of brightness, WHICH IS THE SECRET OF THE ILLUMINATION OF THE LEFT COLUMN - WHICH IS THE SECRET OF THE ILLUMINATIONS OF CHOCHMAH THAT SHINE WITH JUDGMENTS THAT ARE CALLED FIRES. The flames, WHICH ARE THE SECRET OF THE CHOCHMAH ILLUMINATIONS, rise, IN THAT THEY LIGHT FROM THE BOTTOM UP and the hues sparkle. Sometimes, AT THE TIME OF SMALLNESS, the flames are soothed and the lights and colors rise; THAT IS, THEY ILLUMINATE FROM BELOW UPWARDS, FOR AT THE TIME OF SMALLNESS THEY SHINE ONLY FROM BELOW UPWARDS. Then they clash one with the other. THE ILLUMINATIONS OF MALCHUT CLASH WITH THE ILLUMINATIONS OF BINAH AND DIMINISH THEM.

162. And 6,000 basins lie next to these networks, WHICH IS MANY MALCHUTS THAT ACCEPT SIX ENDS OF CHOCHMAH FROM THE NETWORKS - WHICH ARE SIX PARALLELS TO CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD TOTALING A THOUSAND, NAMED AFTER CHOCHMAH THAT IS CALLED THOUSAND. They are four hues to the four sides of the courtyard; THAT IS, CHESED, GVURAH, TIFERET AND MALCHUT. These are large, MEANING THEY ARE IN THE ASPECT OF THE SIX ENDS OF GREATNESS. And a spring of living water is found on each side, THAT IS, CHASSADIM AND CHOCHMAH TOGETHER - WATER AFTER CHASSADIM AND LIFE AFTER CHOCHMAH. They drop into these basins and get absorbed there, MEANING THAT THEY ARE NOT INFLUENCED FROM ABOVE TO BELOW, WHICH IS OUTSIDE THEIR TERRITORY. These waters do not know where they are flowing to, SINCE BEING WITH CHOCHMAH THAT IS NOT BESTOWED FROM ABOVE DOWNWARDS, THEY CONTAIN NO KNOWLEDGE OF WHERE THEY ARE GOING.

163. In the center of the court, WHICH IS IN THE CENTRAL COLUMN OF MALCHUT, all Yisrael will stand and be seen in the presence of the Holy King, FROM WHOM YISRAEL RECEIVES CHOCHMAH THAT IS ALSO CALLED SIGHT. On the South side of the court, WHICH IS THE RIGHT COLUMN OF MALCHUT, AND CHESED a new water spring is born and it seems that the waters will flood the whole world. Whoever enters into them will enter to his knees. If a mighty man enters, he will enter to his knees, and if a baby no older than a day ENTERS THEM, he shall still enter to his knees. Whoever drinks of them shall become filled with wisdom.

164. This spring emerges from one small gem in the South wall. These waters get absorbed in their area and from there, they will continue to flow out of the Temple until they reach up to the spring of Shitim. They will rinse away that obscenity that the waters of the spring of Shitim brought about. Therefore, once the males that came to be seen at the waters in the court drank from them, they had no fear of the females who came to be seen before the Holy King. Moreover, THROUGH THE WATER, they would become more knowledgeable about the concealed matters of the Supernal King. In this temple, all thoughts must be forgotten except for the thought of the Holy King's rejoicing.

165. One branch emerges at the center of that spring. The head of the Yeshivah said, When I approached that branch in the spring, the branch went high above. The closer I approached, THE HIGHER it went. The foundation and the root of that branch are only in the water. This branch covers worlds and all the hues in the world ARE VISIBLE in its leaves. What kind of fruit it bears is unknown, and it is not possible to find out. THE HEAD OF THE YESHIVAH said that he asked Messiah about this fruit and was told that this fruit is stored away for "every man with his staff in his hand for very age" (Zecharyah 8:4). Whoever deserves to experience this will understand.

166. One firmament exists above this CENTRAL branch, FROM THE RIGHT ASPECT that is spread over it from above. From that firmament dew flows to this spring and no further. When a person gazes at this firmament from a distance, it looks similar to blue. When he approaches nearer, it seems reddish and when he approaches even closer, it seems greenish. When he draws even nearer, it seems white and no other white in the world is like it. The dew that flows from it gets drawn into the branch and produces the fruit, and it grows. The firmament circles faster than the eye can see.

20. "All your males shall appear"

We read about the requirement for all circumcised males to appear before God three times a year for the honor of the three patriarchs who accepted the covenant upon themselves. As soon as a man is circumcised and perfected, he is fit to walk behind the Shechinah instead of in front of her.

Because Noah was circumcised and perfect but his membrane was not uncovered, he walked with the Elohim rather than in front of the Shechinah. We read that God traveled before Yisrael in the pillar of cloud and fire until they sinned and weakened, at which time the angel of God moved behind them. This section concludes with an incomplete fragment about the two Messiahs.

167. All those who preserve the holy covenant must show themselves in the presence of the Holy King, since they are not there to be seen except for the purpose of showing that they are members of the holy covenant. Therefore, "all your males shall appear" (Shemot 23:17) who are members of the holy covenant. The head of the session points out that it says "Zchurcha" (Eng. 'your males') and not 'Zichrecha' (Eng. 'your memory'), since the word "zachar" is written, NAMELY MALES, and not 'zachor' or memory, SINCE IT DOES NOT MEAN 'YOUR MEMORY'. Why "your males", - WHY JUST MALES? It is only those who preserve their holy covenant and do not sin with it who are worthy children of the King, who gets praised through them daily and always remembers them. Therefore, THE SCRIPTURE SAYS: "your males," MEANING the King remembers those who have a holy covenant every day, since there is no praise before the sublime King as the one who preserves this covenant.

168. Therefore, there is a requirement to be seen in His presence three times a year. Why exactly three times? It is only for the honor of the three patriarchs that accepted upon themselves this covenant as a first priority to all other commandments in the Torah. Therefore, it is three times a year. Abraham accepted the covenant and Isaac accepted the covenant. Jacob was most perfect of all, SINCE ABRAHAM AND ISAAC CORRESPOND TO THE RIGHT AND LEFT AND JACOB CORRESPONDS TO THE CENTRAL COLUMN THAT IS COMPOSED OF THE OTHER TWO. Therefore it is written by him: "And Jacob was a plain (tam: perfect) man" (Beresheet 25:27), MEANING MORE PERFECT THAN THE OTHERS.

169. Abraham was called Tamim (Eng. 'perfect'), but he was not all that perfect. However, Tam is most perfect. It is written about Noah: "A just man and perfect (Heb. tamim) in his generations" (Beresheet 6:9), for he was impressed with a holy mark among them. The head of the Yeshivah said, Anywhere that is written Tamim, its MEANING IS that he is inscribed with the holy mark of the sign of circumcision. Since he preserved the covenant, he was called Tamim in his generation, while all the others were not so, MEANING THAT THE OTHERS DID NOT KEEP THE COVENANT, as they corrupted their paths.

170. Therefore, it is written: "And Noah walked with the Elohim" (Ibid.). HE ASKS: Who could possibly walk with THE ELOHIM? HE REPLIES: The Shechinah joins anyone that keeps the holy covenant. Therefore, it says, "You shall be perfect (Heb. tamim) with Hashem your Elohim" (Devarim 18:13), WHICH MEANS to first be perfect and then you will be joined "with Hashem your Elohim." If he preserves this covenant, he will be with Hashem and not separate from him.

171. Of Abraham, it says, "Walk before Me, and be perfect (Heb. tamim)" (Beresheet 17:1), MEANING the sign of circumcision THAT IS CALLED TAMIM: "Walk before Me." From here, we take it that a male should not walk behind a woman but rather in front of her, which is the fit way. HE INQUIRES: It is written: "Behold, I send an angel before you" (Shemot 23:20), WHICH MEANS THE SHECHINAH REFERRED TO AS ANGEL and also: "And I will send an angel before you" (Shemot 33:2). HENCE, THE SHECHINAH WAS GOING IN FRONT OF THEM AND THEY BEHIND HER. HE REPLIES: Abraham, who was not circumcised, was pushed in front of her, AND SHE DID NOT ALLOW HIM TO WALK BEHIND HER. Therefore, it is not written: 'Be perfect and walk before Me', but rather "Walk before Me" AS LONG AS YOU HAVEN'T YET BEEN CIRCUMCISED, since you are not worthy yet TO GO BEHIND ME until you will be perfected, MEANING UNTIL YOU GET CIRCUMCISED. It is the same with everybody. As soon as the person is perfected and preserves his perfection, the Shechinah immediately is in front of him and he is behind her, since he is now fit for it.

172. Noah was circumcised and perfect, but his membrane was not uncovered. Because he did not perform this act of uncovering the membrane, it is written: "AND NOAH WALKED with the Elohim" and not behind the Elohim. He wasn't in front of the Shechinah, because he was circumcised and he wasn't behind the Shechinah, because he didn't perform this act of uncovering the membrane. How was it with him? "With the Elohim," meaning close to Him, but who could not observe HIS BACK since he was not that worthy - AND ALL THIS, SINCE HE DIDN'T PERFORM THE ACT OF UNCOVERING THE MEMBRANE (HEB. PRIAH).

173. About Yisrael, it says: "And Hashem went before them by day in a pillar of a cloud...and by night in a pillar of fire..." (Shemot 13:21), MEANING THAT THEY TRAVELED BEHIND HASHEM. As soon as Yisrael said, "Because there were no graves in Egypt...for it had been better for us to serve Egypt" (Shemot 14:11-12), their minds seemingly weakened. THEREFORE, it is written: "And the angel of Elohim who went before the camp of Yisrael, removed and went behind them" (Ibid. 19), MEANING THEY WERE PUSHED IN FRONT OF HASHEM. He "removed" to do vengeance on them. (THE CONTINUATION IS MISSING).

174. (THE BEGINNING IS MISSING) and about this, Messiah was glad and the head of the Yeshivah rejoiced when told of this. The head of the Yeshivah, who was elaborating, inquired of Messiah and said, From where did Daniel know that he said, "Your kingdom is divided and given to Maday and Persia" (Daniel 5:28)? He learned it from these letters of "ufarsin" (Ibid. 25. THAT WAS WRITTEN. Why is this here, MEANING TO SAY WHAT CAN WE LEARN FROM THIS REGARDING MESSIAH? He said to him, Certainly it is so, THAT HE IS ALLUDING HERE TO KING MESSIAH, your (Belshazzar's) evil Kingdom shall be divided through the other Messiah, MEANING MESSIAH OF JOSEPH. Following that, the king of Persia will dominate and conquer many kingdoms and rule the Holy Land for twelve months. And he will rule and kill many, AMONG THEM Messiah, THE SON OF JOSEPH. After that, THE KING OF PERSIA will fall and holy supernal ones will receive the Kingdom. Therefore, here too, the word "ufarsin" indicates the king of Persia.

21. The spring of water

We hear about the trees that grow in the spring of water, all the parts of which are destined for healing; there is no hunger, worry nor sorrow among them. The author tells Rabbi Shimon about the river Jordan that is drawn yearly into the river that emerges from Eden. Then the flow from Eden spreads to the earth of the Temple, and when it withdraws after three days it leaves behind in the earth of the tabernacle all kinds of paintings that God produces in the Garden of Eden.

175. Oh, holy pious one, how much happiness upon happiness is in that spring? In that spring grow all kinds of trees that the Holy One, blessed be He, planted in the Garden of Eden. All are destined for healing, the leaves, the fruits and the branches, and always to the gladness of the heart. There is no hunger, worry nor sorrow among them. Praised is the nation for whom all this awaits and is stored up.

176. Rabbi Shimon said, All these wonders are available in the earth of the Temple. He said to him, Oh, my teacher. Praised is your lot that...(PART IS MISSING HERE)... it is embroidered on that spring, but there is no one that could look at it. Sometimes its light is bright and sometimes it is dim, and sometimes it is in the color purple. It sparkles until the eyes can not look up. The head of the Yeshivah did not define any of that which you asked, holy pious one, about that Temple's earth, since it is stored in the Jordan River, and what I already told is said here. However, this has been asked and you shall know that which you know.

177. The Jordan, WHICH IS THE YESOD OF MALCHUT, enters and gets drawn once a year, MEANING ONE TIME WHICH IS THE SECRET OF ONE COLUMN, FROM THREE TIMES A YEAR, WHICH IS THE SECRET OF THREE COLUMNS AND THAT IS IN THE SECRET OF THE LEFT COLUMN, into that river that emerges from Eden, THAT IS THE YESOD OF ZEIR ANPIN, SINCE THE START OF THE COUPLING IS IN THE ASPECT OF THE LEFT COLUMN, not into the four rivers that spread out from it, but actually in it, INTO THE RIVER THAT EMANATES FROM EDEN ITSELF. As soon as it reaches it, it spreads and expands and enters into the Jordan, FROM THE ASPECT OF THE LEFT COLUMN FIRST, IN THE SECRET OF RECONCILIATION. AS SOON as it reaches the earth of the temple, WHICH IS THE SECRET OF MALCHUT OF MALCHUT, it remains there three days - THAT IS, IN THE SECRET OF THE THREE COLUMNS - and does not spread and extend to another area. The head of the Yeshivah said, When that river, WHICH EMANATES FROM EDEN, returns to its original place, it leaves behind IN THE EARTH OF THE TABERNACLE all kinds of paintings that the Holy One, blessed be He, produces in the Garden of Eden, which are drawings stored underneath their area...(THE END IS MISSING).

22. Pillars and eagles

We are told about the pillars that drip incense into basins, and how the incense will be burned daily in the presence of God in the time to come. We read about the flight of the eagles and the letters that fly from their mouths and the lamps suspended between the pillars; the candles in those lamps burn every day and are put out at night because of the pain of Yisrael. When morning comes they light up spontaneously. Next Rabbi Shimon is told that on the next day he will be granted the revelation of the rest of the secrets, and his teachers fly away.

175. אִי חֲסִידָא קְדִישָׁא, כַּמָּה חֲדוּהַ עַל חֲדוּהַ, בְּהוּא מְעִינָא. בְּהוּא מְעִינָא, מְגִדְלָא כָּל זַיְנֵי אֵילָנִין, דְּנִצִּיב קוּדְשָׁא בְּרִיךְ הוּא בְּג"ע, וְכֻלְהוּ קִיּוּמֵי לְאַסּוּתָא, טְרַפִּין וְאִיבִין וְעַנְפִּין, וְלַחְדוּ לְבָא תְּדִיר. וְלִית בִּינֵיהוּ כְּפָנָא, וְדַאגָּה, וְאַנְחָה, לְעֵלְמִין. זְכָאָה עֵמָּא דְכָל דָּא מְחַכָּאן, וְכָל דָּא גְּנִיז לֹון.

178. (THE BEGINNING IS MISSING) these here and those there, and they ascend and descend as at first. On the south side, WHICH IS THE RIGHT COLUMN THAT IS ALL CHESED, there are 350 pillars of all kinds of gems, and those are the ones that are always bright. They drip spices that are concealed and are never visible. Four basins are inserted in every pillar and when the fragrant droplets flow down from the pillars, they drip INTO THE BASINS. All the basins get filled and the spices do not flow out.

179. In the future to come they will burn incense daily from these spices in the presence of the Holy King. That incense will not be from ingredients crushed by humans. It is not known what the essence of these fragrances is nor what their ingredients are. They are just flowing in from those pillars.

180. Two eagles in every individual pillar sparkle and shine in all hues, so there are altogether seven hundred eagles IN THE 350 PILLARS. They fly in all directions, those here and these there, with the revolutions of the pillars. And when they turn about, the eyes are incapable of watching them.

181. Three letters protrude and fly from the mouth of this one to the mouth of that one, when the pillars and eagles circle. All the letters get embroidered in fire of white and gold and green. There are 2,100 lamps suspended between these pillars and 2,100 candles are in each individual lamp. They burn every day and are put out at night, because of the pain of Yisrael. When morning approaches, they light up spontaneously.

182. While still seated, they mentioned that the night had fallen. He said to Rabbi Shimon, Oh, holy pious one, the light of the world. Take a scroll from this container, THAT IS A VESSEL IN WHICH WRITINGS ARE STORED, and take a candle and write these words. Since our time has arrived, each one should visit his grave until midnight. AND THEN the Holy One, blessed be He, enters the Garden of Eden to make merry with the just, and each one of us flies there. Tomorrow, we will be with you, since permission was granted us to complete the present that was sent to you, MEANING THE COMPLETION OF THE REVELATION OF THE SECRETS. They flew away. Rabbi Shimon cried and wailed.

23. "A loving hind"

All night Rabbi Shimon writes what he has seen in the supernal realms. In the morning he sees the light of the holy Temple in the firmament. Two emissaries come from the head of the Yeshivah to reveal one thing to him.

178. אֵלֶּיךָ הָכָא וְאֵלֶּיךָ הָכָא, וְסִלְקֵי וְנַחְתֵּי בְּדִקְדָּמֵיטָא. בְּהֵוּא סֵטֶר דְּרוּם, אִית תְּלַת מְאָה וְחֻמְשֵׁין עֵמוּדִין, מְכַל זִינֵי מְרַגְלָאן. וְאֵלֶּיךָ אֵינוּן דְּנִהְרִין תְּדִיר, וְנִטְפִין בּוֹסְמִין טְמִירִין, דְּלֹא אֲתַגְלוּ לְעֵלְמִין. אַרְבַּע אַגְנִין בְּכָל עֵמוּדָא וְעֵמוּדָא נְעִיצִין. וְכֵד אֵינוּן בּוֹסְמִין נִטְפִין, מְאִינוּן עֵמוּדִין, נִפְלִי בְּהוּ, וְאֲתַמְלִיזִין כְּלֵהוּ אַגְנוֹת, וְלֹא נִפְקִין בּוֹסְמִין לְבַר.

182. אֲדַהּוּ יִתְבִּי, אֲמַרִי הָא רְמֵשׁ לִילֵיָא. אֲלֵ לְר"ש, אִי חֲסִידָא קְדִישָׁא, נִהִירוּ דְּעֵלְמָא, טוֹל פְּנִקְסָא דְּאֲחֻמְתָא דָּא, וְטוֹל שְׂרָגָא, וְכְתוּב מְלִין אֵלֶּיךָ, דְּהָא מְטָא זְמַנָּא דִּילִין, לְפַקְדָא כָּל חַד וְחַד לְגוּ קְבִרְיָה, עַד פְּלִגּוּ לִילֵיָא, דְּקוּדְשָׁא בְּרִיךְ הוּא עָל גּוּ גִנְתָא לְאַשְׁתַּעֲשַׂעָא בְּהַדִּי צְדִיקֵיָא וְכֵדִין כָּל חַד וְחַד פְּרַח לְתַמָּן. וְלִמְחַר נִהְוֵי גְבַר, הוּאִיל וְיִהְבּוּ לִן רְשׁוּ, לְאַשְׁלָמָא דּוּרוּנָא דְּקָא מְשַׁדְרֵי לָךְ. פְּרַחִי, בְּכַה ר"ש וְגַעָא.

183. He opened the discussion saying, "A loving hind and a pleasant roe; let her breasts satisfy you at all times; and be you ravished always in her love" (Mishlei 5:19). O Torah, Torah, light of all worlds, how many seas and rivers and fountains and springs spread from you to all directions. From you comes everything, upon you stand those above and below. The supernal light emanates from you. Torah, Torah, what shall I tell you? You are a loving hind and a pleasant roe. Those above and below are your admirers who would deserve to properly suckle from you. Torah, Torah, the delight of your Master, who is capable of revealing and speaking of the concealed and stored in you? He cried, placed his head between his knees and kissed the dust.

184. During this, Rabbi Shimon noticed several faces of his friends surrounding him. They told him, Do not fear, son of Yochai, do not be frightened, holy luminary, it is written that you shall rejoice in the happiness of your Master. He wrote all these things that he heard that night and he repeated them and studied them, and forgot nothing. The candle light illuminated for him all that night until the approach of the morning. When morning came, he raised his eyes and noticed a light that was bright in the sky. He lowered his eyes downwards, repeated as before and saw light that was brightening the whole firmament. On that light emerged the form of the house, MEANING THE TEMPLE HOUSE, SHOWING THAT THE UNION WAS ACHIEVED BETWEEN MALCHUT AND ZEIR ANPIN, pictured in several scenarios. Rabbi Shimon rejoiced and instantly the light was hidden away.

185. Meanwhile, two emissaries arrived. They found him with his head between his knees. They told him, Peace be on you, my lord, peace to whom those above and below wish to welcome peacefully. Rise. Rabbi Shimon rose and rejoiced with them. They said to him, Have you not seen the satisfaction that your Master had for you? You have beheld the light of the Temple in the firmament, MEANING THE ILLUMINATION OF THE COUPLING OF MALCHUT IN ZEIR ANPIN THAT IS REFERRED TO AS FIRMAMENT. He told them, I have seen. They said to him, At the same time, the Holy One, blessed be He, removed the abyss, WHICH IS THE CURTAIN of the house of the Temple, WHICH IS MALCHUT, and transferred it through the great ocean, THAT IS BINAH. From its light, MEANING THE SWEETENING LIGHT OF THE CURTAIN OF MALCHUT IN BINAH, there was a shining in the firmament - THE FORM OF THE HOUSE OF THE TEMPLE, WHICH IS THE SECRET OF THE UNION.

186. They said to him, The head of the Yeshivah sends you greetings, since he is aware that we are emissaries to you. Many new items from the Atik were told in the Torah this night. He said to them, I beg you please say something from them. They said to him, We are not allowed TO REVEAL TO YOU by the fact that we came here to you. However, we have one new point for you at present.

183. פתח ואמר, אילת אהבים ויעלת חן דדיה ירווך בכל עת באהבתה תשגה תמיד. אורייתא אורייתא, נהירו דכל עלמין, כמה ימין, ונחלין, ומקורין, ומבועין, מתפשטי מנך לכל סטרין. מנך בלא, עלך קיימי עלאין ותתאין, נהירו עלאה מנך נפקא. אורייתא אורייתא, מה אימא לגבך, אילת אהבים אנה, ויעלת חן עילא ותתא רחומין דילך. מאן יזבי לינקא מנך בדקא יאות. אורייתא אורייתא שעשועים דמארך, מאן יכיל לגלאה, ולמימר סטרין וגניזין דילך. בכה, ואעיל רישיה בין ברכוי, ונשק לעפרא.

185. אדהכי, הא אינון תרין שליחן אתיין. אשכחוהו רישיה בין ברכוי. אמרו ליה שלמא עליה דמר, שלמא למאן דעלאין ותתאין בעאן לאקדמא ליה שלם. קום. קום ר"ש וחדא בהו. אמרו ליה, ולא חמית נייחא דרוחא דעבד לך מארך, חמית נהירו דביתא ברקיעא. אמר לון חמינא, אמרו ליה ביה שעתא, אפיק תהומא בי מקדשא, ואעבריה קודשא בריך הוא בימא רבא, ומנהירו דיליה, הוה נהיר ברקיעא.

186. אמרו ליה, רב מתיבתא בעא בשלמך, והא ידע דאנן שליחן לגבך. וכמה מלין חדתין עתיקין, אתחדש באורייתא בהאי ליליא. אמר לון, במטו מנייכו, אמרו חד מלה מנייהו. אמרו, לא אתייהיב לן רשו למאי דאתינן לגבך, אבל מלה חדתא הוה לגבך השתא.

The emissaries are told things by the head of the Yeshivah that they had not been previously privileged to hear, because they were charged with revealing it to Rabbi Shimon. The topic has to do with God's admonition to Abram to leave his country; the head of the Yeshivah gives them the hidden meaning about the essence of the soul and why it does not shine in this place but is worthy to shine in a different place. He also tells them why levirate marriage allows a man's spirit to be rebuilt after he dies without having children. Rabbi Shimon asks the emissaries to find out if he can know whether women in the higher world get the opportunity to ascend higher.

187. THEY SAID TO HIM, The head of the Yeshivah opened the discussion saying, "Now Hashem said to Abram, 'Get you out of your country...' (Bereshheet 12:1). That is because the light shone to him in this manner, MEANING THAT THE HOLY ONE, BLESSED BE HE, TOLD HIM, "GET YOU OUT..." BECAUSE HE COULD NOT GET THE LIGHT IN ANOTHER MANNER, JUST IN THIS MANNER. Since he has no merit in this place, let him go and take himself to another place, and be worthy there. If a piece of wood is lit and yet the light does not catch on and illuminate in it, let them shake it until the fire catches on and it shines. THE EMISSARIES said, We had been prepared to hear THE CONTINUATION OF THE TEACHINGS FROM THE HEAD OF THE YESHIVAH. However, since we have to come to you, we did not wish to tarry. Rabbi Shimon was glad.

188. They said to him, Oh, holy pious one. All our matters in the Torah are short and to the point, MEANING THEY WERE SAID IN VERY CONCISE FORM. How great and supernal are these succinct teachings, so as to be immeasurable, since we have no doubts but only wish to establish the clarity of the Torah. Now the head of the Yeshivah explained matters that are concealed over this, about the essence of the soul and why it does not shine in this place but is worthy to shine in a different place. Until now, we have not been worthy of it, because WE HAD TO come to you.

189. We deserved to hear another thing from him. A spirit that goes naked in the world without children, his wife becomes a vessel, so he could be built up THROUGH LEVIRATE MARRIAGE. What is the reason for this? It is because his wife is like a candle that is lit from him and both were one candle, the one light coming out from this light. When this one is extinguished, MEANING HE DIED WITHOUT LEAVING ANY CHILDREN, it is lighted from the very light of his WIFE, since they were one light.

190. Now, Rabbi, let's get back to OUR first points. When we return to our area, we will receive permission from the head of the Yeshivah about the information that we received from him, and we will tell you. Praised is your lot that you deserved the concealed lights from all directions, from above and from below, from this world and from another world. Rabbi Shimon said, I wish to find out one thing if you could inform me: if women in that world get the opportunity to ascend higher, or in what state they are there. He said to him, Oh, Rabbi. Oh, Rabbi. We have a precious secret about this. However, we are unable to reveal the hidden things of that place, but let this one go and get permission and we will tell you. Meanwhile, one flew off, disappeared from them and went away.

25. The judgment of one person in the Garden of Eden

The emissary returns with a letter for Rabbi Shimon, which the Rabbi reads all night until the letter flies away in the morning. The emissaries tell him about the judgment of a man standing at the entrance to the Garden of Eden, where the man is sentenced to remain outside in pain for forty days and then be tortured in Gehenom for an hour and a half. These punishments arose since the man put another friend to shame by not assisting him when he was trying to define some points in Torah.

191. Instantly, he returned to them and said to them, I was ready to enter and everyone was in one circle, MEANING THEY WERE SEATED IN A CIRCLE. They were in session judging a person that stood at the entrance to the Garden of Eden. The Cherubs grabbed him and did not allow him to enter there. He was in pain between them and was screaming loudly in the entrance. All the just that were there heard, and now all the members of that Yeshivah gathered to enter to Messiah, to give some thought about the judgment. And I came to inform you. And my associate here needs to go there, since a proclamation was passed among all the members of the Yeshivah that they should gather to welcome Messiah. He took a letter and presented it to Rabbi Shimon. He said, Take it and peruse what is WRITTEN in it, until we come back to you. Both flew away.

192. Rabbi Shimon took the note and saw whatever he saw of the secrets that were in it all day long. At night, he saw a candle, sleepiness overcame him and he fell asleep until morning. When daylight broke, the letter rose and flew away from him. Behold, those two arrived. They told him, Get up, Rabbi. Blessed is your lot, rise. Due to you, we saw and deserved to know several supernal secrets. We were shown so much gladness when they permitted us to reveal to you all that you desire. The head of the highest Yeshivah came out to us and said, Give greetings to the son of Yochai. Bar Yochai's place has been available to him for several days and there is nobody that comes close to him. Happy is he.

193. Rabbi, Rabbi. When we flew away from you, we entered and saw all the members of the Yeshivah gathering to a certain sanctuary where Messiah was present. They were discussing the judgment of that man that stood at the entrance. We have no authority to reveal his name. Rabbi Shimon became sad about it. He told him, Do not feel sad about this, Rabbi, you will get to know all about this, this night in your dreams. However, they passed a judgment about him in accordance with the edict of Messiah, that this person shall remain outside with this pain for forty days. At the end of forty days, he will get tortured with the pain of Gehenom for an hour and a half.

191. וּלְפִי שְׁעֵתָא תָּב לְגַבְיֵיהּ, אָמַר לֹן, זְמִינָא הוּינָא לְמִיעָאֵל, וְהוּוּ כְּלֵהוּ בְּעֵטוּרָא חֲדָא, דְּרִינְי דִּינָא דְחַד בְּרִנְשׁ, דְּקָאִים עַל פְּתַחא דְגֵן עֲדָן, וְאִינוּן כְּרוּבִין אֲחִידוּ בֵּיה, וְלֹא שְׁבָקוּ לֵיה לְמִיעָאֵל תַּמָּן, וְהוּוּ בְּצַעֲרָא בִּינְיֵיהּ, וְצוּחַ צוּחִין עַל גְּבִי פְתַחָא, וְשָׁמְעוּ כּוּלְהוּ צְדִיקֵינָא דְתַמָּן, וְהִשְׁתָּא הוּוּ מִתְכַּנְפִּי כָּל בְּנֵי מְתִיבְתֵי, לְמִיעָאֵל לְגַבֵּי מְלַכָּא מְשִׁיחָא, לְעֵינָא בְּרִינְיָהּ. וְאִתִּינָא לְאוּדְעָא לְכוּ, וְדָא חֲבֵרָאֵי אֲצִטְרִין לְמַהֲךְ תַּמָּן, דְּכְרוּזָא הוּוּ אֲעֵבֵר בְּכָל אִינוּן בְּנֵי מְתִיבְתֵי. דְּלִיהוּוּן כְּנִישִׁין הִשְׁתָּא קָמִי מְשִׁיחַ. נָטַל פְּתַקָּא חֲדָא, וְיָהֵב לִר' שְׁמַעוֹן. אָמַר, טוֹל דָּא, וְעֵינִין בְּמָה דְתַמָּן, עַד דְּנִיתִי גְבַךְ, פִּרְחוּ תְרוּוֹיֵיהּ.

193. רַבִּי רַבִּי, כִּד פִּרְחָנָא מְגַבְךָ, עֲאֻלְנָא וְחֲמִינָא כָּל בְּנֵי מְתִיבְתֵי, דְהָא מִתְכַּנְפִּי לְגוּ הִיכְלָא חֲדָא, דְמְשִׁיחַ תַּמָּן, וְרִינְוֹ דִּינָא דְהַהוּא בְּרִנְשׁ, דְקָאִים עַל פְּתַחָא, שְׁמִיָּה לִית לֹן רְשׁוֹ לְגִלְאָה. אֲצִטְעַר ר' שְׁמַעוֹן עַל דָּא, אָמַר לֵיה, לֹא תְצַטְעַר רַבִּי עַל דָּא, אֲנִתְּ תִרְעַ בְּדָא לִילֵינָא בְּחַלְמֵךְ. אָבַל דִּינָא דִּינְוֹ עֲלֵיהּ, דְגִזְרַ מְשִׁיחַ, דְלֵהוּי הַהוּא בְּרִנְשׁ לְבַר בְּהַהוּא צַעֲרָא אַרְבַּעִין יוֹמִין. לְסוּף אַרְבַּעִין יוֹמִין, יְצַעֲרוּן לֵיה בְּרִינָא, בְּצַעֲרָא דְגִיְהֵנָם, שְׁעֵתָא וּפְלַגָּא.

194. All this is because one day, one of the friends was defining some points in the Torah. When he attempted one item, that person was aware that he would fail in it and told his friends to keep quiet and say nothing. Since the friends kept quiet, he stumbled on it and was put to shame. Due to causing that person shame, he was judged harshly, since the Holy One, blessed be He, does not allow inequities in the Torah, even as a hair's breadth.

194. וְכֹל דָּא, בְּגִין דְּיוֹמָא חָדָא, חָד מִן חֲבֵרֵיִיא הוּהּ פְּרִישׁ מְלִין דְּאוּרֵיִיתָא, כְּד מְטָא לְחַד מְלָה, יַדְעֵה אַי ב"נ דִּיתְבָּשַׁל בֵּיה, וְאָמַר לְחֲבֵרֵיִיא שְׁתּוּקוּ, לֹא תִימְרוּן מְדִי. וּבְגִין דְּשְׁתִּיקוּ חֲבֵרֵיִיא אֲתְבָּשַׁל בְּהוּא מְלָה, וְאֲכַסְיָהּ. וְהוּא כְּסוּפָא. דְּגָרִים אַי בְּר נֶשׁ, דְּיִנְיָן לִיה בְּהַאי דִּינָא קְשִׁיא, בְּגִין דְּלֹא בְּעֵי קוּדְשָׁא בְּרִיךְ הוּא לְשִׁבְקָא חוּבָא דְּאוּרֵיִיתָא, אֲפִילוּ כְּמִלָּא נִימָא.

26. The sanctuaries of the female souls

The emissary tells Rabbi Shimon about the sanctuary where Batyah the daughter of Pharaoh lives, and how she goes out to see Moses' image three times a day. Batyah and the other women are clothed in light bodies and study the Torah. In another sanctuary there is Serach the daughter of Ashur, with many other women who study the Torah; she goes three times a day to see a light in the image of Joseph. In another sanctuary lives Yocheved the mother of Moses with many other women, and three times a day they all thank and praise God, and they sing the song of the sea. The fourth sanctuary of the Matriarchs is that of Deborah the prophetess. The emissary talks about the nightly coupling of the souls - soul to soul, light to light. Those unions produce the souls of those who get converted; this is the secret meaning of "The fruit of the righteous is a Tree of Life."

195. They passed his sentence and all the members of the Yeshivah left. I begged for permission, since the son of Yochai asked this question. Therefore, I was shown what I did not know before. Oh, Rabbi, I was shown six sanctuaries with a variety of delights and pleasures, in the place where the dividing curtain was unfurled in the Garden, since from that curtain and further on, no males can enter at all.

195. דְּיִנְיָנוּ דִּינִיָּה, וְנִמְקוּ כָּל בְּנֵי מְתִיבְתָא. וְאַנָּא שְׁאִילְנָא רְשׁוּ, דְּהָא בְּרִיָּה דִּיּוּחָאִי, שְׁאִיל שְׁאַלְתָּא דָּא. וְעַל דָּא אַחְזִיו לִי, מַה דְּלֹא יַדְעָנָא מְקַדְמַת דִּינָא. אִי רַבִּי, שִׁית הֵיכְלִין אַחְזִיו לִי, בְּכַמָּה עֲנוּגִין וְעֲדוּגִין, בְּאַתְר דְּפְרוּכְתָא פְּרִישָׁא בְּגַנְתָּא. דְּהָא מִהוּא פְּרוּכְתָא וְלֹהֲלָא, לֹא עֲלִין דְּכוּרִין כָּלֵל.

196. In one sanctuary, Batyah the daughter of Pharaoh dwells, and many tens of thousands of virtuous women are with her. Each and every one of them occupies her place of brightness and pleasures very comfortably. Three times daily, they proclaim, Here comes the form of Moses, the faithful prophet. Batyah goes out to her specified partition and observes Moses's image, bows before him and says, Praised is my part that I brought up this light. That is her SPECIFIED pleasure more than all the others.

196. בְּהֵיכְלָא חָדָא, אֵית בְּתִיָּה בַת פְּרַעָה, וְכַמָּה רַבּוּא וְאַלְפֵי נָשִׁין, זְכוּין בְּהֵדָה, וְכֹל חָדָא וְחָדָא מְנִיָּהוּ, דּוּכְתִין דְּנְהוּרִין וְעֲדוּגִין, בְּלֹא דְחָקָא כָּלֵל אֵית לָהּ. תְּלַת זְמָנִין בְּכָל יוֹמָא, כְּרוּזֵי אַכְרִיזוּ, הָא דִּיּוֹקְנָא דְּמֹשֶׁה נְבִיאָה מְהִימְנָא אֲתִי, וּבְתִיָּה נִמְקַת, לְאַתְר דְּפְרוּגוּדָא חָדָא דְּאֵית לָהּ, וְחִמְמַת דִּיּוֹקְנָא דְּמֹשֶׁה, וְסִגִּידַת לְגַבִּיָּה, וְאִמְרָה, זְכָאָה חוּלְקֵי דְּרַבִּיָּתִי נְהִירוּ דָּא. וְדָא אִיהוּ עֲנוּגִין דִּילָהּ, יַתִּיר מְכַלְהוּ.

197. Batyah returns to the women and they deal in the precepts of the Torah. All are in the form they were in this world, in a robe of light similar to the robes of the males, except that they are not quite as bright AS THE ROBES OF THE MALES. They study in that world the precepts of the Torah and their explanations that they did not deserve to fulfill in this world. All those women that dwell IN THE SAME SANCTUARY with Batyah, daughter of Pharaoh, are referred to as serene women, since they were not troubled at all in the pains of Gehenom.

197. אֵהֲדַרַת לְגַבִּי נָשִׁין, וְאַשְׁתַּדְּלָן בְּפַקוּדֵי אוּרֵיִיתָא. כְּלָהוּ בְּאִינוּן דִּיּוֹקְנִין דְּהוּוּ בְּהַאי עֲלָמָא, בְּלְבוּשָׁא דְּנְהוּרָא, כְּלְבוּשָׁא דְּדְכוּרִין, בְּר דְּלֹא נְהִרֵי הָכִי, פְּקוּדִין דְּאוּרֵיִיתָא דְּלֹא זְכוּ לְקִיּוּמָא לֹון בְּהַאי עֲלָמָא, מְשַׁתְּדְּלֵי בְּהוּ, וּבְטַעֲמִיָּהוּ, בְּהוּא עֲלָמָא. וְכֹל הֵנִי נָשִׁין, דִּיתְבִּין בְּהַדִּי בְּתִיָּה בַת פְּרַעָה, אֲקָרוּן נָשִׁים שְׁאַנְנוּת, דְּלֹא אֲצַטְעָרוּ בְּצַעְרָא דִּיגִיהָנָם כָּלֵל.

198. In another sanctuary dwells Serah, the daughter of Ashur, and thousands and thousands of women are with her. Three times daily, they proclaim in her presence, Here comes the form of Joseph the righteous. She is gladdened and goes out to her specific partition, and sees a light in the image of Joseph. And she is glad and bows to him, saying, Praised is that day when I told your news to my grandfather. She then returns to the rest of the women, and they deal in the praises of the world's Master and give thanks to His name. How varied are the areas of happiness that each and every woman has. Then they return to deal with the precepts of the Torah and their reasons.

199. In one sanctuary dwells Jochebed, the mother of Moses, the faithful prophet, and several thousand and ten thousands are with her. In this sanctuary, there are no proclamations at all. However, three times daily, she thanks and praises the Master of the universe, she and all women with her. They also sing the song of the sea daily and she begins, on her own here: "And Miriam the prophetess...took a timbrel in her hand..." (Shemot 15:20). All the righteous in the Garden of Eden listen to her pleasant voice and many holy angels join her to thank and praise the Holy Name.

200. In another sanctuary dwells Deborah, the prophetess. Likewise, all the women with her thank and chant the song that she composed in this world. Oh, Rabbi. Oh Rabbi. Who observed the happiness of the righteous and virtuous women that serve the Holy One, blessed be He? In the inner sanctums of these temples, there exist four concealed sanctuaries of the holy Matriarchs that were not given to be divulged, and nobody ever saw them. Every day, they are themselves separate as I said to you and the men also ARE SEPARATE.

201. Every night they get together, since the time of coupling is at midnight, both in this world and that world. The coupling of that world is accomplished by the adherence of one soul to the other, light with light. The coupling in this world is body to body. Everything is as it should be, one kind with similar kind. A match with its equal, body to body, THAT IS IN THIS WORLD. In the other world, it is light with light. The sanctuaries of the four Matriarchs are referred to as the Sanctuaries of trusting daughters and I did not have enough merit to observe them. Praised is the lot of the righteous, males and females that follow the honest path in this world and merit all the pleasures in the World to Come.

198. בְּהִיכְלָא אַחְרָא, אֵית סֶרַח בַּת אֲשֻׁר, וְכַמָּה נְשִׁין רַבּוֹא וְאַלְמִין בְּהֵדָה. תֵּלַת זְמַנִּין בְּיוֹמָא מְכַרְזִין קָמָה, הָא דְיוֹקְנָא דְיוֹסֵף צְדִיקָא אַתָּא, וְאִיהִי חֲדָתָא, וְנִפְקַת לְגַבֵּי פְרָגוּדָא חֲדָא דְאִית לָהּ, וְחֻמָּתָא נְהִירוּ דְדְיוֹקְנָא דְיוֹסֵף, וְחֲדָתָא, וְסְגִידַת לְגַבֵּיהּ, וְאִמְרַת, זְכָאָה הָאִי יוֹמָא, דְאִתְעָרִית בְּשׁוּרָה דִּילְךָ לְגַבֵּי סְבָאִי. לְבַתֵּר אֶהְדַּרְת לְגַבֵּי שָׂאֵר נְשִׁין, וּמְשַׁתְּדְלִין בְּתוֹשְׁבַחְן דְמֵאֲרֵי עֵלְמָא, וְלֹאֻדָּאָה שְׁמִיָּה. וְכַמָּה דּוֹכְתִין וְחִידוּ, אֵית לְכָל חֲדָא וְחֲדָא. וְלְבַתֵּר אֶהְדַּרְן לְאַשְׁתְּדֵלָא בְּפִקְדֵי אֹרְיִיתָא, וּבְטַעֲמֵייהּ.

199. בְּהִיכְלָא אַחְרָא, אֵית יוֹכְבֵד, אִמְיָה דְמֹשֶׁה נְבִיאָה מְהִימְנָא, וְכַמָּה אַלְמִין וְרַבְבִּין בְּהֵדָה. בְּהִיכְלָא דָא, לֹא מְכַרְזִי כָּלֵל, אֶלָּא ג' זְמַנִּין בְּכָל יוֹמָא וְיוֹמָא, אֹדַת וּמְשַׁבַּחַת לְמֵאֲרֵי עֵלְמָא, אִיהִי וְכָל אֵינּוֹן נְשִׁין דִּי בְּהֵדָה. וְשִׁירְתָא דְיִמָּא מְזַמְרִין בְּכָל יוֹמָא, וְאִיהִי בְּלַחֲוּדָהּ אִמְרַת מְהֵכָא, וְתַקַּח מְרִים הַנְּבִיאָה וְגו', אֵת הַתּוֹף בְּיָדָהּ וְגו'. וְכָל אֵינּוֹן צְדִיקָיָא דִּי בְּגִן עֵדֶן, צְיִיתִין לְקַל גַּעֲיָמוֹ דִּילָהּ. וְכַמָּה מְלַאכִין קְדִישִׁין אֹדְאִין וּמְשַׁבַּחִין עִמָּה לְשִׁמָּא קְדִישָׁא.

200. בְּהִיכְלָא אַחְרָא, אֵית דְּבוּרָה, אֹף הָכִי וְכָל שָׂאֵר נְשִׁין בְּהֵדָה, אֹדְן וּמְזַמְרִין בְּהֵיא שִׁירְתָא דְאִיהִי אִמְרַת בְּהֵיא עֵלְמָא. אִי רַבִּי, אִי רַבִּי, מֵאֵן חֲמֵי חֲדוּה דְצְדִיקָיָא, וְדְנְשִׁין זְכִיִּין דְעֵבְדִין לְגַבֵּי קוּדְשָׁא בְּרִיךְ הוּא. לְגוּ לְגוּ דְאֵינּוֹן הִיכְלִין, אֵית אַרְבַּע הִיכְלִין טְמִירִין, דְאִמְהֵן קְדִישִׁין הֵלָא אֲתַמְסְרִין לְאַתְגְּלָאָה, וְלִית מֵאֵן דְחֲמֵי לֹוֹן. בְּכֹלֵיהּ יוֹמָא אֵינּוֹן בְּלַחֲוּדֵיהוֹן, כְּמָה דְאִמְיָנָא לָךְ, וְגוֹבְרִין אֹף הָכִי.

201. ובכל ליליא אתבלילן בלהו בחדא, בגין דשעתא דזוגא איהו בפלגות ליליא, בין בהאי עלמא, בין בהוא עלמא. זוגא דהוא עלמא, אתדבקתא נשמתא בנשמתא נהורא בנהורא. זוגא דהאי עלמא, גופא בגופא. וכלא כמה דאתחזי, זינא בתר זיניה, זוגא בתר זוגא, גופא בתר גופא זוגא דהוא עלמא, נהורא בתר נהורא. היכלין דארבע אמהן, אקרן היכלין דבנות בוטחות. ולא זכינא בהו למחמי. זכאה חולקהון דצדיקיא, גוברין ונוקבי דאזלי בארח מישר בהאי עלמא, וזכאין לבלהו ענוגין דהוא עלמא.

202. Oh, Rabbi. Oh Rabbi. If you weren't the son of Yochai, it would not have been passed on to divulge this to you. The union in that world produces more fruit than the coupling in this world. When they pair up in the pairing in that world with their combined desire and when the souls cling one to another, they produce results. And lights emerge and candles are produced. These are the souls of those that get converted, and all the SOULS THAT WERE BORN FROM THESE CONNECTIONS enter one sanctuary.

202. אי רבי, אי רבי, אלמלא בר יוחאי אנת, לא אתמסר לגלאה. זוגא דהוא עלמא, אתעביד איבא יתיר, מאיבא דאתעביד בהאי עלמא. בזוגא דלהון, בזוגא דהוא עלמא, בתיאובתא דלהון בחדא, כד מתדבקן נשמתין דא עם דא, עבדי איבין, ונפקי נהורין מנייהו, ואתעבדי שרגין. ואינון נשמתין, לגיורין דמתגירין, וכל הני עיילין להיכלא חדא.

203. When a foreigner gets converted, a soul flies from that sanctuary and enters under the wings of the Shechinah. AND THE SHECHINAH kisses her, since she is the fruit of righteous SOULS, dispatches her into that proselyte and dwells within him. From that time on, he is referred to as a just proselyte. This is the secret meaning of what is written: "The fruit of the righteous is a Tree of Life" (Mishlei 11:30). Just as a Tree of Life, WHICH IS ZEIR ANPIN, produces souls, so too the righteous have similar fruits by producing souls.

203. וכד מתגירא גיורא חדא, פרחא מדהוא היכלא נשמתא, ועאלת רחות גדפהא דשכינתא, ונשקת לה, בגין דאיהו איבא דצדיקיא, ומשדרת לה לגו דהוא גיורא, ושראת ביה. ומהוא זמנא, אקרי גר צדק. והיינו רזא דכתיב, פרי צדיק עץ חיים. מה אילנא דחיי אפיק נשמתין, אוף הכי צדיק, איבא דיליה עביד נשמתין.

204. The head of the Yeshivah said that it is written: "But Sarai was barren; she had no child" (Beresheet 11:30). HE ASKED, From what it says, "But Sarai was barren," we understand that she had no child. Why write "she had no child"? This is what the head of the Yeshivah said, She wasn't giving birth to children. However, she did give birth to souls with the binding desire of these two righteous ones. They were producing souls for the proselytes during all the time that they were in Haran, as the just were producing in the Garden of Eden, as is written: "And the souls that they have acquired (lit. 'made') in Haran" (Beresheet 12:5). They definitely made souls.

204. רב מתיבתא אמר, כתיב ותהי שרי עקרה אין לה ולד. ממאי דאמר ותהי שרי עקרה, לית אנא יודע דלית לה ולד, מאי אין לה ולד. אלא הכי אמר רב מתיבתא, ולד לא הות מולדא, אבל נשמתין הות מולדא כאתדבקתא דתיאובתא דאינון תרין זכאין, הוו מולדי נשמתין לגיורי כל ההוא זמנא דהוו בחרן. כמה דעבדין צדיקיא בגן עדן. כמה דכתיב, ואת הנפש אשר עשו בחרן, נפש עשו ודאי.

205. Rabbi Shimon rejoiced. That man said to him, Oh, Rabbi. What should I say to you? Every new moon, Shabbat, holidays and appointed days, the males go up to be seen in the presence of the Holy King, males and not females, as you indicated: "All your males shall appear" (Shemot 23:17). When they return, they come back with a variety of new topics, and they repeat them to the head of the Yeshivah.

205. חֲדַי ר"ש, א"ל הֵהוּא גְבֵרָא, אִי רַבִּי, מַה אֵימָא לְךָ, בְּכֹל רִישׁ יְרַחֵי וְשַׁבְּתֵי וּמוֹעֲדֵיִיא וְזַמְנֵיִיא, אֵינּוֹן דְּכוּרִין סְלָקִין לְאַתְחַזְּאָה קָמִי מַלְכָא קְדִישָׁא, דְּכוּרִין וְלֹא נֻקְבִין, כְּד"א יֵרָאֶה כּוֹל זְכוּרָךְ. וְכֹד אֶהְדְּרִן מֵהֲדְרִן בְּכַמָּה מְלֵי חֲדָתִין, וְאַהְדְּרִן מְלִין קָמִי רַב מְתִיבְתָא.

27. The sanctuaries of the male souls

We learn why it is possible that 'a wicked man that it is good with him, and a just man that it is bad with him.' Through hardship and punishment the soul is made to illuminate the body; when its light is lit from the soul, the body praises God. It is impossible for the wicked ones to illuminate however much they are hit because they are incapable of illumination. The emissary tells Rabbi Shimon that at night the righteous spirits enter the supernal Yeshivah and are taught secret matters; when they ascend they leave their robes of this world, and when they descend they again dress up in those robes.

206. On these days, new matters were repeated to the head of the Yeshivah about ancient secrets; 'a wicked man thrives, a righteous man suffers.' All the souls ascend into the weighing scale of that tree, WHICH IS MALCHUT, prior to their descent into this world and according to the weight they get in this world. The head of the Yeshivah came down and divulged what he heard above. He revealed one point and nothing else. If wood doesn't kindle, they shake it and strike it and it gives off light. If the light of the soul does not come up in the body, strike it until it will light up with the soul, and unite together THE BODY WITH THE SOUL to give off light.

206. יוֹמָא דַּא אֶהְדְּרִן מְלִין חֲדָתִין קָמִי רַב מְתִיבְתָא, עַל רְזִין עֲתִיקִין, צְדִיק וְטוֹב לוֹ, צְדִיק וְרַע לוֹ. דְּכִלְהוּ סְלָקִין גּוּ מִתְקַלָּא דְּאֵילָנָא, עַד לֹא יִיתּוֹן לְעֵלְמָא, וּכְמוֹם טְקֵלָא דְּמִתְקַלָּא, הָכִי אֵית לֹון בְּהָאֵי עֵלְמָא. רַב מְתִיבְתָא, נַחִית וּגְלִי מִמָּה דְּשָׁמַע לְעֵילָא, מְלָה חֲדָא גְלִי וְלֹא יִתִּיר. אַעָא דְּלֹא סְלִיק נְהוּרִיָּה, יִבְטְשׁוֹן בֵּיהּ וְאַנְהִיר. גּוּפָא דְּלֹא סְלָקָא בֵּיהּ נְהוּרָא דְּנִשְׁמַתָּא, יִבְטְשׁוֹן בֵּיהּ, וְיִסְלַק נְהִירוֹ דְּנִשְׁמַתָּא, וְיִתְאַחֲדוֹן דַּא בְּדָא לְאַנְהִירָא.

207. A body exists but the light of the soul does not illuminate in it until they hit it. Then the light of the soul brightens and gets unified with the body, and the body is unified with her. When its light is lit from the soul, the body glorifies and exults and praises and lays out its prayer and request and blesses his Master. Behold, then everything is bright. AND THEREFORE THERE IS SUCH A THING AS A RIGHTEOUS MAN FOR WHOM THINGS ARE BAD, BECAUSE HIS SOUL IS NOT ILLUMINATED UNTIL HIS BODY IS HIT.

207. בְּגִין דְּאֵית גּוּפָא דְּנְהִירוֹ דְּנִשְׁמַתָּא לֹא נְהִיר בֵּיהּ, עַד דִּיבְטְשׁוֹן בֵּיהּ, כְּדִין נְהִיר נְהִירוֹ דְּנִשְׁמַתָּא, וְאַתְאַחֲדַת בְּגּוּפָא, וּגּוּפָא אֶתְאַחֲד בֵּיהּ. גּוּפָא כְּדִין סְלִיק נְהִירוֹ מִגּוּ נִשְׁמַתָּא, מֵהֲדֵר מְרוּמָם וּמִשְׁבַּח, מְצֵלִי צְלוּתִיהּ וּבְעוּתִיהּ, מְבַרַךְ לְמֵאֲרִיָּה, הָא כְּדִין כֹּלָא נְהִיר. בְּגִין דְּאֵית גּוּפָא, דְּלֹא יְכִילַת נִשְׁמַתָּא לְאַנְהִירָא בֵּיהּ, עַד דִּיבְטְשׁוֹן בֵּיהּ, כְּדִין נְהִיר וְאַתְאַחֲד דַּא בְּדָא. אֵית אַעָא דְּלֹא אֶתְאַחֲד בְּנְהוּרָא, וְלֹא סְלִיק נְהוּרָא בֵּיהּ, עַד דִּיבְטְשׁוֹן בֵּיהּ, וּכְדִין נְהִיר.

208. The other side wishes to do the same thing and hits the wicked ones. As much as he punishes by hitting them, it is written: "But the candle of the wicked shall be put out" (Mishlei 13:9), since he blasphemes and curses all sides and is incapable of illumination at all. It is then written: "For what can the man do who comes after the king?" (Kohelet 2:12), for he wishes to imitate him but is incapable of it. Therefore, "Hashem tries the righteous" (Tehilim 11:5) and hits him. Then he shines and gets strengthened with the light - "tries" is as it says in: "a tried stone" (Yeshayah 25:16). Rabbi Shimon bent over and kissed the dust. He said, Word, word, I have chased you since the day I became A MAN. And now this word is revealed to me from the source and essence of everything.

209. He said to him, Oh Rabbi. Oh Rabbi. When all the spirits, male and female, ascend above, AT NIGHT DURING SLEEP, at that time they hear new and old matters. They descend and enter into the Yeshivah and the matters are repeated to the head of the Yeshivah, and he teaches them every matter well. When they leave, they undress from their robes OF THIS WORLD and ascend. When they descend, THEY AGAIN dress up in the robes of that body.

28. One who is small is great

We hear that the head of the Yeshivah said that God made a person great only if he belittled himself, and that God belittled only those who are haughty. While Rabbi Shimon and the emissary are speaking they hear the song of the Sea in the most exquisite voice that was ever heard since the sweet voice of chanting was created.

210. Oh, Rabbi. Oh, Rabbi. How new are these matters of the head of the Yeshivah. Praised is he who lowers himself in this world. How great and lofty is he in that world. That is how the head of the Yeshivah began: Whoever is small is great. Whoever is great is small. And it is written: "And Sarah was a hundred year and twenty year and seven years old: these were the years of Sarah's life" (Beresheet 23:1). "Hundred," since it is a large number is written with "year," the least number of years, it was diminished to one. "seven," that is a small number, he increased and made it bigger, by writing "seven years," IN PLURAL. Come and see that the Holy One, blessed be He, made one great only if he had belittled himself. And THE HOLY ONE, BLESSED BE HE, belittled only he who is haughty. Praised is the one that humiliates himself in this world. How exultingly great is he in his ascension in that world.

211. While they were talking, they heard the song of the Sea in the most exquisite voice that was ever heard since the sweet voice of chanting was created, as this sweet sound in which it was said. When they finished, "Hashem shall reign for ever and ever" (Shemot 15:18). They noticed four images of men in the heavens and one of them was greater and higher above all of them; that greater and loftier of all raised his voice and said, "Thus says Hashem; I remember in your favor, the devotion of your youth, your love as a bride..." (Yirmeyah 2:2). He flew into the firmament and was hidden. And another one rose after him and said, "And I will bring the blind by a way that they know not; I will lead them in paths that they have not known..." (Yeshayah 42:16). He finished and flew into the firmament and was hidden.

211. אֲדַהְכִי שְׁמֵעוּ שִׁירְתָא דִּימָא, בְּקַל נְעִימוּ דְלָא שְׁמֵעוּ מִיּוֹמָא דְאַתְבְּרִיא, קַל נְעִימוּ דְשִׁירְתָא, כְּהוּא נְעִימוּ דְהוּוּ אִמְרִי. וְכַד סִימוּ יִי' יַמְלוֹךְ לְעוֹלָם וְעַד. חֲמוּ ד' דִּיּוֹקְנֵי בְרַקִּיעַ. וְחַד מִנֵּיהוּ רַב וְעֵלְאָה מִכְּלָהוּ. וְהוּא רַב וְעֵלְאָה מִנֵּיהוּ, אֲתַעַר קְלָא וְאִמְרַ, כֹּה אָמַר יִי' זְכַרְתִּי לְךָ חֶסֶד נְעוּרֶיךָ אֲהַבְתָּ בְּלוֹלוֹתֶיךָ וְגו'. שְׂאֵט בְּרַקִּיעָא וְאַגְנִיז, קָם אַחְרָא אֲבַתְרִיהּ וְאִמְרַ, וְהוֹלַכְתִּי עוֹרִים בְּדַרְךָ לֹא יָדְעוּ בְּנִתְיֹבוֹת לֹא יָדְעוּ וְגו'. סִיִּים וְשְׂאֵט בְּרַקִּיעָא וְאַגְנִיז.

29. The dead of the wilderness

Four images of men in the heavens appear and say various things and fly. In the morning the rabbis hear the sound of legions and encampments praising God. The entire wilderness is covered in clouds of glory shining and sparkling in a multitude of colors. The rabbis say that the wilderness generation will be the first to arise when King Messiah comes in the future.

212. The other one opened the discussion saying, "The wilderness and the arid land shall be glad; and the desert shall rejoice, and blossom like the tulip" (Yeshayah 35:1). He flew into the firmament and was hidden. Another one opened the discussion saying, "But now thus says Hashem that created you, O Jacob" (Yeshayah 43:1). "Thus says Hashem, who makes a way in the sea, and a path in the mighty waters..." (Ibid. 16). "The beast of the field shall honor Me, the jackals and the owls..." (Ibid. 20). He concluded and flew into the firmament and disappeared. Then they were overtaken with an awesome fear.

212. פְּתַח אֵידֶךָ וְאִמְרַ, יִשׁוּשׁוּם מְדַבֵּר וְצִיָּה וְתַגֵּל עַרְבָּה וְתַמְרָח כְּחַבְצֵלַת. וְשְׂאֵט בְּרַקִּיעָא, וְאַגְנִיז. פְּתַח אֵידֶךָ וְאִמְרַ, כֹּה אָמַר יִי' בּוֹרְאֵךְ יַעֲקֹב וְגו', כֹּה אָמַר יִי' הַנּוֹתֵן בַּיָּם דְרַךְ וּבַמַּיִם עֲזִים נְתִיבָה וְגו'. תְּכַבְּדֵנִי חַיִּת הַשְּׂדֵה תַנִּים וּבְנוֹת יַעֲנָה וְגו'. סִיִּים וְשְׂאֵט בְּרַקִּיעָא, וְאַגְנִיז. בְּדִין דְחִילוּ סְגִיא וְאַמְתַּנִּי נִפְל עֲלֵיהוּ.

213. When the daylight broke, a voice arose as before and said, A nation, strong as a lion, powerful as tigers, give honor to your Master, as is written: "Therefore shall the strong people glorify You..." (Yeshayah 25:3). They heard the sound of legions and encampments that said, "Yours, Hashem, is the greatness, and the power, and the glory, and the victory, and the majesty..." (I Divrei Hayamim 29:11) until "which is exalted above all blessing and praise" (Nechemyah 9:5). They were filled with wonder, and left. During this time, the day became bright. They turned their heads and saw the entire wilderness covered in clouds of glory that shine and sparkle in a multitude of colors.

213. כַּד הָוָה נִהִיר יַמְמָא, קְלָא אֲתַעַר כְּמַלְקָדְמִין, וְאִמְרַ, עֲמָא תְקִיפָא כְּאַרְיָה, גְּבַרִין כְּנַמְרִין, הָבוּ יַקֵּר לְמַאֲרִיכוֹן. דְכַתִּיב עַל כֵּן יִכְבְּדוּךָ עִם עוֹ וְגו'. שְׁמֵעוּ קַל. חִילִין וּמִשְׁרִיין דְהוּוּ אִמְרִי, לְךָ יִי' הַגְּדוּלָּה וְהַגְּבוּרָה וְהַתְּפָאֶרֶת וְהַנִּצְחָ וְהַהוֹד וְגו', עַד וּמְרוֹמִים עַל כָּל בְּרַכָּה וְתַהֲלָה. תְּוַהֵוּ וְאַזְלוּ. אֲדַהְכִי נְהַר יַמְמָא, אֲהִדְרוּ רִישָׁא, וְחֲמוּ כָל מְדַבְּרָא חֲפִי בַעֲנֵנֵי יַקֵּר, מִנְהֶרֶן, מִנְצִצָן, בְּגוֹוִינֵי סְגִיאִין.

214. One said to the other, Certainly, the Holy One, blessed be He, wishes to be praised with praises of the generation of the wilderness, since there never existed such a lofty generation as that generation and there will not be until the coming of King Messiah. Certainly, all that we were shown by the Holy One, blessed be He, was only to inform us about their Master's great love for them, to let us know that they have a good portion and merit the World to Come. In the future, when the Holy One, blessed be He, will revive the dead, these, THE WILDERNESS GENERATION, will be destined to rise first, as it says, "The dead men of Your people shall live" (Yeshayah 26:19). That refers to the desert generation.

30. Three sounds that are never lost

Rabbi Shimon wishes to know about the echo, and he is told about three sounds that never get lost besides the sounds of Torah and prayer. These are: 1) the sound of a woman in labor; 2) the sound of the person when the soul escapes its body; and 3) the sound of a snake when it sheds its skin. These sounds, which are all of pain, linger in the air and wander around the world. When a person raises his voice those sounds are awakened, although the voice of the snake can only be aroused when a person beats something. One kind of sound follows its own kind, so on the day of Rosh Hashanah the sound of the Shofar awakens the sound of another Shofar.

215. He said to him, If you know something new that I am in want of knowing, please tell me. He said to him, Speak. He said, I wish to understand the echo. A person sounds his voice in the field or in any other place. Another voice returns AFTER THAT and it is not known WHERE IT COMES FROM. He said to him, Oh, holy devout one. About this matter, many voices were raised and several concepts were placed in front of the head of the Yeshivah. When the head of the Yeshivah descended, he said, This is how they explained it in the heavenly Yeshivah, and it is a precious secret.

216. Come and see: There are three sounds that never get lost; besides the sounds of Torah and prayer that ascend above and split the firmaments, there are these other sounds that do not ascend and yet do not get lost.

217. These are the three sounds: 1) The sound of a woman in labor, when she stands on a footstool, goes about and wanders in the air from one end to the other end of the world; 2) The sound of the person when the soul escapes his body loiters and wanders in the air from one end of the world to the other end, and 3) The sound of the snake when it sheds his skin loiters in the air and wanders around the world from one end to the other.

218. Oh, holy pious one, how great and important is this matter. What is produced by these sounds and whereto do they enter and dwell? These sounds are of pain. They linger and wander in the air and travel from one end of the world to the other, and enter into cracks and tunnels in the dust and lie hidden there. When a person sounds his voice, they are awakened toward that voice. ONLY the voice of the snake is not roused towards the voice of man. How does it awaken then? By beating. That is, when a person beats AT SOMETHING, the sound of the snake that was hidden there, IN AN EMPTY PLACE OR IN THE FIELD, reverberates to the sound of that BEATING, but not towards another HUMAN voice. A sound reverberates to a sound; HOWEVER, a kind goes after its own kind. THIS IS TO SAY THAT THE FIRST TWO SOUNDS WHICH ARE OF HUMANS ARE AWAKENED TOWARDS OTHER HUMAN SOUNDS, AND THE THIRD SOUND, WHICH IS OF THE SNAKE, GETS STIRRED UP TOWARD A BEATING SOUND.

215. א"ל, אי מלה חדתא ידעת, דאנא ערטירא בה. א"ל אימא. אמר קלא דהדרא בעינא למנדע. ב"נ יהיב קלא בחקלא, או באתר אחרא, והדרא קלא אחרא, ולא ידוע. א"ל, אי חסידא קדישא, על מלה דא, במה קלין אתער, וכמה דקדוקין הוו קמי רב מתיבתא, וכד נחת רב מתיבתא, אמר, הכי אוקמוה מלה במתיבתא דרקייעא, ורזא יקירא איהו.

219. Consequently, on the day of Rosh Hashanah (the Jewish New Year), the sound of the Shofar awakens the sound of another Shofar, THE SECRET OF THE SOUND OF BINAH. One sort follows its own sort. The manner of the snake is inclined for evil, to kill and to beat. Thus, in the voice of a real PERSON, no snake sound gets stirred. It only follows its own type and this happens when a person hits the ground with a stick, which is a sound that calls its kind. Then the sound of the snake awakens to answer its own type and this is a hidden secret.

220. Rabbi Shimon said, Certainly this is a hidden matter. I wonder why King Solomon was not aware of this, SINCE HE SAID, "THERE ARE THREE THINGS...THE PATH OF A SNAKE UPON A ROCK" (Mishlei 30:18-19). He said to him, King Solomon knew, but not that much. However, what he did not know was of that sound, what benefit it has and how it is settled.

221. The head of the Yeshivah said it this way. This specific point is what Solomon the king did not know, since that sound is composed of the Ruach, the Nefesh, the breath of the bones and the composition of the flesh. AND THE SOUND hovers in the air and each one OF THOSE THREE separated from each other. WHEN THE SOUND reaches that place where it entered, it sits as if dead. All the wizards and magicians are aware of these areas with their witchcraft; they bend themselves to the ground and hear these sounds, to which the Ruach, Nefesh and breath of the bones connect. They inform them of the matters THAT THEY INQUIRE ABOUT, and it is written: "A medium, out of the ground" (Yeshayah 29:4). That is why Solomon pursued the knowledge of what happens with this sound, and could not find out. Praised is your lot, Rabbi, that you have discerned a clear truth.

222. When a person raises a sound, that sound is instantly awakened, OF THE WOMAN GIVING BIRTH OR OF THE DEPARTURE OF THE SOUL. It is not authorized to be longer, just EQUAL TO the sound that the person aroused and not more. If a person prolongs his voice, it does not extend its sound as much with him, but rather it gets roused at the end of the voice OF THE PERSON, since it is incapable of being prolonged. What is the reason? It is because when it first left him, it was extended from one end of the world to the other end of the world. Now that it has entered there, it cannot extend the sound any more, since there is no more room there to extend it as before.

223. Rabbi Shimon rejoiced and said, If I would have deserved to hear only this, it would have been sufficient to make me happy, since I managed to hear words of truth about that world. He said to him, Oh, holy pious one. If you would have known the rejoicing in these matters about that world in the presence of the head of the Yeshivah, you would have rejoiced even more.

219. ועל דא ביומא דר"ה, קול שופר, אתער קול שופר אחרא, זינא בתר זיניה אזלא. ארחיה דנחש לביש איהו, לקטלא ולמחאה, בההוא קלא ממש, לא אתער קלא דהאי נחש, אלא בתר זיניה. ודא איהו, כד ב"נ מחי בחוטרא בארעא, וקרני ליה לזיניה, כדין אתער ההוא קלא דנחש, לאתבא לזיניה. ורזא דא איהו טמירו.

31. "And Joseph shall put his hand on your eyes"

We learn that we must close the eyes of a dead person because the eyes are the colors of this world, and the appearance and shape of this world is

contained in them, so this world and its appearance must be closed off to him. It was Joseph who closed his father's eyes because he was so beloved, and with this action he was taking his father's sight now that his father's sight from this world is lost. From that point on his father is having a different sight of the other world prepared for him. During the time of the resurrection of the dead, not the tiniest thing will occur of the activities of this world; everything will first be destroyed and the person will be purified, and then his body will be made like a new creation. This is like it is now in the upper world even before the resurrection.

224. He said to him, What new discovery was there now when you came to me? He said, The teacher of the Yeshivah opened the discussion saying, "And Joseph shall put his hand on your eyes" (Beresheet 46:4). THAT IS A TIDING of gladness. HE INQUIRES: Why is it required to close the eyes of a dead one? HE RESPONDS: Since the eyes are the colors of this world and the appearance and shape of this world is contained in them, IT FOLLOWS THAT WITH THE CLOSING OF THE EYES, he closes off to him this world and its appearance. When his eyes are closed, the entire world is dimmed to him AND IF they dim for him the sight of his eyes, he has no sight of this world from there onwards. Rabbi Shimon said, The expositions of those who went before us are beautiful; their wisdom surpasses those of the holy angels.

225. He said to him: Why should it have been Joseph who placed his hand rather than all the other sons? If you think that he told him so as a result of his good tidings, THAT JOSEPH IS STILL ALIVE, then it should have said, 'You shall see Joseph alive'. WHY DID HE SAY: "AND JOSEPH SHALL PUT HIS HAND ON YOUR EYES"? He said to him: "put his hand" is because he was his beloved. Therefore, he closed from him the light of this world and he took it himself. Whoever closes the eyes of his beloved shows by that: Your sight from this world is lost, and I take your sight instead. From now on, they will prepare for you a different sight of that world. THIS IS THE REASON THAT THIS MATTER WAS GIVEN TO JOSEPH, SINCE HE WAS MORE BELOVED TO JACOB THAN ANY OF HIS SONS.

226. Rabbi Shimon asked, What good will this provide to the dead and what benefit is there in it? Whoever will ask about this, IT IS NECESSARY to tell him that there is a need to open the eyes OF THE DEAD in order to show him that he is still ready to return to appearance in this world as before - MEANING, HE WILL BE RESURRECTED WITH THE DEAD TO LIFE.

227. He said to him, Oh, holy pious one. Certainly, if the sight of this world were not closed off to him entirely and he didn't lose it completely, he would have no sight and portion in that next world, for this world has an opposite polarity from the world that we are in. During the time of the resurrection of the dead, even the tiniest thing will not occur of the activities of this world, since everything will first be destroyed by that dew, MEANING THE DEW OF LIFE'S REVIVAL. It will remove from him all the filth and then he will become like dough, and from it the body will be made like a new creation. So it is here, IN THE UPPER WORLD EVEN BEFORE THE RESURRECTION.

32. The garments of that world

Rabbi Shimon knows that those he is speaking with are dressed with the dear robe of a purely holy body and wonders whether anything similar happens in this world. He is answered with the story of Esther who put on her royal apparel and went to see King Ahasuerus; he saw her clothed in

a robe of light and he lost his soul for an instant. Mordechai too was enshrouded in the robes of that world. Rabbi Shimon understands that the just in this world get shrouded with the robe of Malchut. The Satan wants to prevent the righteous from being garbed in the pure and holy garment because as soon as they are so robed all the bad inclinations are removed. The spirits tell Rabbi Shimon why they visit the cemetery at the beginning of every night.

228. Rabbi Shimon said to him, I certainly am aware that you are dressed there with the dear robe of a pure holy body. HE ASKS: Is there something similar in this world? IS THERE a person who appears here in that body, as you stand in that world?

229. He said to him, This matter was asked by two youths, MEANING YOUNG MEN, in the presence of the dean of the Yeshivah. They were clothed among us after suffering pain about a sin that is improper to reveal, and this question was put to the head of the Yeshivah. He replied that something similar happened in this world. How do we know? Since it is written: "Now it came to pass on the third day, that Esther put on her royal apparel" (Ester 5:1), MEANING that she was robed in the fashion of that world, Malchut, WHICH MEANS HERE, the Holy Spirit. For the Kingdom of Heaven, WHICH IS MALCHUT IN ZEIR ANPIN THAT IS CALLED HEAVEN, blows a wind (spirit) from the spirit of the air of that world, and Esther was robed in it.

230. When she entered in the presence of King Ahasuerus and he saw that robe of light, her form seemed to him like an angel of Elohim, and he lost his soul for an instant. Mordechai too WAS ENSHROUDED IN THE ROBES OF THAT WORLD, as is written: "And Mordechai went out from the presence of the king in royal (lit. 'of Malchut') apparel" (Ester 8:15), verily the apparel of Malchut that is the form of that world. Therefore, it is written: "Because the fear of Mordechai had fallen upon them" (Ester 9:3), the fear of Mordechai and not the fear of Ahasuerus, THAT IS, NOT BECAUSE Ahasuerus HAD MADE HIM GREAT, BUT RATHER BECAUSE OF HIS GARMENT OF THAT WORLD. Rabbi Shimon said, How sweet are these matters. Praised is my lot. I am aware that the just in this world get shrouded with that robe that is called the robe of Malchut, and that is definitely so.

231. He said to him, The air of the Garden of Eden is the blowing of the Holy Spirit and the righteous are robed in it similarly to how they existed in this world. Then, the Holy Spirit dwells upon the head of each individual. He gets adorned with it and it becomes a crown to him. The same happened to Mordechai, since it is written: "in apparel" of Malchut, WHICH MEANS in the form of that world. After that, "and with a great crown of gold"; that is, in the crown that rests on the heads of the righteous in that world. When the children of Yisrael accepted the Torah, they also had similar to this, MEANING THE ROBES OF THAT WORLD, until they sinned, as is written: "And the children of Yisrael stripped themselves of their ornaments by the Mount Horeb" (Shemot 33:6).

228. א"ל רבי שמעון, ודאי ידענא דאתון מלובשין תמן, בלבוש יקר, דגופא דכיא קדישא. אי הוה בגוונא דא בהאי עלמא, ב"נ דאתחזי בההוא גופא, כגוונא דאתון קיימין בההוא עלמא.

229. א"ל, מלה דא שאילו קמי רב מתיבתא, תרין עולימין דאתלבשו ביננא, בתר דסבלו צערא על חובא, דלא אתחזי לגלאה, ושאילו דא קמי רב מתיבתא. ואיהו אמר, דהא הוה בהאי עלמא הכי. מנלן. דכתיב ויהי ביום השלישי ותלבש אסתר מלכות, אתלבשת בההוא דיוקנא דההוא עלמא. מלכות: דא רוחא דקודשא, דהא מלכות שמיא, נשיב רוחא, מההוא רוחא דאוירא דההוא עלמא, ואתלבשא ביה אסתר.

230. וכד עאלת קמי מלכא אחשורוש, וחמא הוה לבושא דנהורא, דיוקנאה ארמי למלאך אלהים. פרחא מניה נשמתא לפום שעתא. מרדכי אוף הכי, דכתיב ומרדכי יצא מלפני המלך בלבוש מלכות. לבוש מלכות, ודאי, דיוקנא דההוא עלמא. ועד כתיב, כי נפל פחד מרדכי עליהם. פחד מרדכי, ולא פחד אחשורוש. אמר רבי שמעון, כמה מתיקין אינון מלין, זכאה חולקי, והא ידענא דצדיקניא בהאי עלמא, מתלבשן בלבושא דאקרי לבוש מלכות, והכי הוא ודאי.

231. א"ל, אוירא דג"ע, נשיבו דרוח קודשא אינון, ומתלבשן ביה צדיקניא, כגוונא דהוה בהאי עלמא. ולבתר, רוח קודשא שראת, על רישא דכל חר וחר. ואתער ואתעבידא ליה עטרא. וכך הוה למרדכי, דכתיב בלבוש מלכות, דיוקנא דההוא עלמא. ולבתר ועטרת זהב גדולה, דא עטרת, דשריאת על רישיהון דצדיקניא בההוא עלמא. כד קבילו ישראל אורייתא, כגוונא דא הוה להון. עד דחבו, דכתיב בהו, ויתנצלו בני ישראל את עדים מהר חורב. אתפשטו מההוא לבושא.

232. Similarly, we find written about Joshua, the High Priest, "Take off the filthy garments from him...and clothed him with garments" (Zecharyah 3:4-5). These are the robes of that world. From here, WE DERIVE our earlier words THAT THERE IS A NEED TO FIRST CLOSE THE EYES FROM ALL SIGHTS OF THIS WORLD, WHICH ARE CONSIDERED AS FILTHY GARMENTS. THEN YOU COULD DESERVE TO SEE THE SIGHT OF THAT WORLD, WHICH ARE NEW ROBES, WITH WHICH THEY DRESSED JOSHUA. From here, we learn that during the entire period that the body of this world, WHICH IS REFERRED TO AS "FILTHY GARMENTS," is in existence in the grave, the spirit does not acquire the robe of that world, since it is written first: "Take off the filthy garments from him." Then it is written: "And clothed him with garments." AND IT IS WRITTEN: "And the angel of Hashem stood by" (Ibid. 5). HE INQUIRES: What is the meaning of "stood"? HE RESPONDS: Only that this is the crown, referred to as the angel of Hashem, that stands upon the heads of the righteous, AS MENTIONED BEFORE. That is WHAT IS WRITTEN: "stood," MEANING it stands above the head after they are adorned with this dear garment.

233. Two bodies together cannot exist. As long as the one OF THIS WORLD exists, the spirit cannot accept another ROBE FROM THAT WORLD. When this one, FROM THIS WORLD, gets removed, the other one is instantly ready. Assuredly, this one leaves and that one enters. It is similar to the Good Inclination and bad inclination in this world, both of which the Holy One, blessed be He, does not wish to exist simultaneously in one BODY. IF THE BAD INCLINATION DOMINATES, THE GOOD INCLINATION FLEES AND IF THE GOOD INCLINATION DOMINATES, THE BAD INCLINATION FLEES.

234. He said to him, I wonder about what is written: "And the adversary standing at his right hand to thwart him" (Ibid. 1). If it is this way with Joshua, the son of Josedech, it could most definitely happen to the rest of the people. He said to him, Holy pious one, how hidden and concealed those matters are. Although our friends are familiar with matters of that world, they are unable to comprehend such secrets.

235. He said to him, Since a person is in that world, what benefit is there for the Satan to thwart him? He is not satisfied that he already took his soul and killed him? He said to him, Oh, pious, holy one, praised is your lot. Come and observe. The only desire that the Satan had was to prevent that righteous one, JOSHUA SON OF JOSEDECH, from getting robed in this pure and holy garment. As soon as the Satan realized that his dress, THAT IS, THE SOILED GARMENTS, were pushed aside and were not considered worthy, he then tried to thwart him. What is the reason? Because once he gets robed in that dear garment, instantly that soiled garment and the evil activity of the Satan would be voided and removed from the world. THAT IS WHY the Satan tried to prevent this.

236. In addition, as long as he did not get dressed IN THE SHROUD OF THAT WORLD, the spirit visits that soiled body of his, and the Satan is pleased. However, as soon as he dressed up in that dear shroud OF THAT WORLD, all types of the bad inclinations were voided, his body was removed and there was never any memory of it.

237. If you should ask here, we THE SPIRITS visit the cemetery at the beginning of each night, EVEN IF THE BODY HAS ALREADY BEEN REMOVED FROM THE WORLD. THE QUESTION MUST BE POSED AS TO WHY WE VISIT THE GRAVE. HE RESPONDS: This visit is not about the body, but rather about the Nefesh. As long as the flesh ON THE BODY is still in existence, the Ruach visits the Nefesh and the Nefesh visits the body. However, WHEN THE FLESH OF THE BODY DISAPPEARED FROM THE WORLD, our visiting is to the Nefesh that has quieted down and remained embedded in the bones OF THE BODY, SINCE A CERTAIN BONE WILL ALWAYS REMAIN IN THE GRAVE, FROM WHICH IT IS BUILT AT THE RESURRECTION OF THE DEAD. Therefore, at the beginning of each night, the visiting of the spirit is for the Nefesh and not for the flesh.

237. ואי תימא, דאנן פקדין לבי קברי בריש כל ליליא, לאו על גופא אלא על נפשא. דהא כל זמנא דבשרא קיימא, רוחא פקדא עלה דנפשא, ונפשא פקדא לגופא. אבל השתא, פקדונא דילן איהו לנפשא, דאיהי משתכבא. ואשתארת בשכובי גו גרמי. ובג"כ, בריש כל ליליא, פקדונא דרוחא לנפשא, ולא על בשרא.

33. Building the body of man

Rabbi Shimon is told about the composition of a man's spirit and flesh; when the man dies only the part that was given by the Holy Spirit and its Chariots endures. The Satan stands by to thwart a person as long as his flesh is in existence but once the flesh is consumed he loses his authority to do this.

238. Oh, pious, holy one. Rise and I will divulge to you concealed matters. The composition of a man's spirit is this: HIS spirit is DRAWN FROM the Holy Spirit, WHICH IS MALCHUT. HIS Neshamah IS DRAWN from the Tree of Life. And since the Holy Spirit, WHICH IS MALCHUT, grants of its strength, its Chariots give of their power immediately. Their power is the bones and limbs; all are from the side of MALCHUT'S CHARIOTS, and correct each other, THAT IS, BONE OVER BONE AND LIMB OVER LIMB. The Other Side provides the flesh and from his side, only the flesh is provided and nothing else. His, THE OTHER SIDE'S, Chariots provide all the veins and arteries to carry the blood to the flesh. After these give their energy, the heavens, THAT ARE ZEIR ANPIN, provide their energies. What does this consist of? It is the skin that is spread over all of it, as they are, MEANING LIKE THE HEAVENS THAT SURROUND AND ENCOMPASS EVERYTHING.

238. אי חסידא קדישא, תא ואגלי לך מלה סתימא. בניינא דגופא דבר נש הכי הוא, רוחא מעם רוחא דקודשא. נשמתא מגו אילנא דחיי. כיון דרוחא קדישא, יתב חילא, מיד רתיכין דיליה. יתבין חילייהו. חילא דלהון, גרמי ושייפין. בלהו מסטרא דלהון, ותקונייהו דא על דא. סט"א יתבת בשרא, ומסטרא דילה, אתיא בשרא, ולא מלה אחרא. רתיכין דילה, יתבין כל אינון גידין וערקין, לאמשכא דמא לבשרא. בתר דאלין יתבי חילייהו, שמיא יתבי חילייהו, ומאן אינון. עור דאתמשך על כלא. כגוונא דלהון.

239. Following this, heavens and earth are joined together, THAT IS, ZEIR ANPIN AND MALCHUT, and provide these four foundations: fire, water, air and dust, to protect these and to cover everything. Then, WHEN IT DIES, each one takes back his part that he provided TO THAT BODY, and it becomes void. The part of the Holy Spirit and its Chariots THAT WAS PROVIDED TO THE PERSON endures. The Holy Spirit: Behold, its spirit and the Neshamah exist, and they ascend above. The Chariots of the Holy Spirit, behold their bones endure. Therefore, the importance of the body is the bones and it is written: "And make strong your bones" (Yeshayah 58:11), but flesh is not mentioned this way.

239. לבתר מתחברן שמיא וארעא כחדא, ויהבי ד' יסודי אליון: אשא, ומיא ואוירא, ועפרא. לאגנא על אליון, ולחמיא על כלא. לבתר, כל חד נטיל חולקיה דיהב, ואתבטל. רוחא דקודשא, ורתיכין דיליה, חולקיהו קיימא. רוחא דקודשא, רוחא דילה, קיימא ונשמתא סלקא. רתיכין דרוחא דקודשא, גרמין דלהון קיימין. וע"ד חשיבו דגופא, גרמין הו. ובג"כ כתיב, ועצמותיך יחליץ. ובשרא לא כתיב ביה הכי.

240. As long as the flesh from the Other Side stays in existence, the Satan is standing there to thwart. Once the flesh is consumed, he loses his authority to thwart. Since he has no element of support, HE NO LONGER HAS A PART IN HIM. About this, it is written: "His flesh is consumed away that it cannot be seen; and his bones that were not seen stick out" (Iyov 33:21). "THAT IT CANNOT BE SEEN" MEANS the Satan, who is ready to denounce, but who is unable to see because "his flesh is consumed." "His bones that were not seen stick out" means that they are not seen by the Satan who would get close to him, since he has no part in him once each is detached, MEANING EVERY BONE from its place. He cannot prosecute them and be there to denounce them. After the flesh is consumed, no judgment can be obtained and he is not available to incriminate, since he has no element of support. And he does not mention that person in any way in the world. Rabbi Shimon said, Now I understand these things properly, MEANING WHAT IT IS WRITTEN, "AND THE ADVERSARY STANDING AT HIS RIGHT HAND TO THWART HIM." Certainly, he can incriminate him, AS LONG AS HE HAS NOT YET REMOVED HIS SOILED GARMENTS.

240. וְכֹל זְמַנָּא דְּבִשְׂרָא דְּסִטְרָא אַחֲרָא קַיִימָא בְּקַיִימָא, הֵהוּא שְׁטֵן קַיִימָא לְאַסְטֵנָא אַתְּאֲבִיד בְּשִׂרָא, לִית לִיה רִשׁוּ לְאַסְטֵנָא, דְּהָא לִית לִיה עַל מַה דִּיִּסְתַּמִּיךְ. וְעַד כְּתִיב, וְכֹל בִּשְׂרוֹ מִרְוֵאי וְשִׁפּוֹ עֲצָמוֹתָיו לֹא רָאוּ. מֵהֵהוּא חִיזוּ דְּשְׁטֵן דְּקַיִימָא לְאַסְטֵנָא, דְּלֹא יָכִיל, בֵּינָן דִּיכֹל בִּשְׂרוֹ. וְשִׁפּוֹ עֲצָמוֹתָיו לֹא רָאוּ, לֹא אַתְחִזּוֹן לְקִרְבָּא לְגַבִּיָּה, דְּלִית לִיה בְּהוֹן חוּלְקָא, בֵּינָן דְּשִׁף כָּל חַד וְחַד מִדּוּכְתִּיָּה, לֹא תִבֵּעַ עֲלֵיָּהּ, וְלֹא קָאִים לְאַסְטֵנָא בְּגִינֵיָּהּ. לְבַתֵּר דְּבִשְׂרָא מִתְעַבְלָא, הָא לֹא יִתְבַּע דִּינָא, וְלֹא קָאִים לְאַסְטֵנָא, דְּהָא לִית לִיה עַל מַה דִּיִּסְתַּמִּיךְ, וְלֹא אֲדַכֵּר לְבִי בְּשׁוּם מַלְּהָ דְּעֵלְמָא. אִ"ר שְׁמַעוֹן, הִשְׁתָּא יִדְעָנָא מְלִין עַל תְּקוּנֵיָּהּ, וְדָאי יָאוּת הוּא לִיה לְאַסְטֵנָא.

34. Women are light-minded

Rabbi Shimon is told that his question about the lightness of women's minds is forbidden to ask. However, he can be told about the light cloud upon which Hashem rides, that is called Da'at of that bride, the fear of Hashem, and that is positioned in the center as the uppermost Da'at.

241. He said to him, Rabbi, gird yourself with your weapon and prepare yourself. If you wish to understand the matters which you have started to study, tell me. He said to him, Certainly, I know that my wife is dead, since I know nothing about her. But the friends do know ABOUT HER. What is the reason that women have a light mind (Heb. da'at)?

241. אִ"ל ר', חֲגוּר זֵינְךָ, וְתַקִּין גִּרְמֶךָ, אִי תִבְעִי לְמַנְדַּע מְלִין דְּשִׂאֲרִית. אוֹ אִי תִשְׁאַל בְּהַנִּי מְלִין, אִימָא לִי. אִ"ל וְדָאי, הָא יִדְעָנָא דְּבִיתָאֵי שְׂכִיבַת, דְּלֹא יִדְעָנָא מְנַה כְּלוּם. וְחֲבַרְיָא יִדְעִין. נְשִׁין מִ"ט דְּעַתִּיָּהּ קִלְהָ.

242. He said to him, Da'at OF ZEIR ANPIN comes in six levels and each one takes its part. Whatever remains is light. But the precious one, were it not for the wife of foolishness that joined her... Do not inquire about this, SINCE IT IS FORBIDDEN TO ASK ABOUT THIS. I know, IN RELATION TO WHAT YOU SAID THAT YOUR WIFE IS DEAD, AND THAT YOU KNOW NOTHING WHATSOEVER ABOUT HER, that you did not ask about your wife. However, IT IS PERMITTED TO ASK about the verse: "Behold, Hashem rides upon a swift cloud" (Yeshayah 19:1). That light cloud is called Da'at of that bride, the fear of Hashem, WHICH IS MALCHUT, and she is positioned in the center, as the uppermost Da'at. Yet she is considered light and I know what your question is.

242. אִ"ל דְּעַתָּא אַתְּיָא בְּשִׂית דְּרִגִּין, וְכֹל חַד נְטוּל חוּלְקִיָּה, מַה דְּאִשְׁתָּאֲרָ, קַל אִיהוּ. אֲבַל יִקְרָא דָא, אִי לָאוּ דְּאִשְׁתַּ כְּסִילוֹת אִשְׁתַּתְּךָ בְּהָ. בְּמַלְּהָ דָא לֹא תִשְׁאַל, דְּהָא יִדְעָנָא דְּלָאוּ עַל דְּבִיתְךָ שְׂאֵלְתָּ, אֲלֹא עַל מַה דְּכְתִיב, הִנֵּה יְיָ רוֹכֵב עַל עֵב קַל. וְהֵהוּא עֵב קַל אֲקָרִי דְּעַת, מֵהֵהוּא כְּלָה יִרְאֵת יְיָ, וְאִיהִי קַיִימָא בְּאֲמֻצְעֵיתָא כְּגוּוֹנָא דְּדַעַת עֲלָאָה, אֲבַל אֲקָרִי קַל. וְהָא יִדְעָנָא שְׂאֵלְתָא דִּילְךָ מֵאִי הִיא.

35. Pillars and circles

The spirit tells Rabbi Shimon about the inner hall of the court in the temple house and about its twelve entrances over each of which is marked the name of one of the twelve tribes. Each person must come in at the entrance of his own tribe. We hear about the living pillars and the song of praise that they sing, a new song. The spirit talks of Sarai and Abram and the renewal of their youth in their ability to have children. He tells Rabbi Shimon of great marvels to do with the pillars and the letters that move and roll, and he describes wonderful images of lions and apples and eagles and rings. At the end he says the eagles raise their voice and chant a lovely melody, then hide.

243. However, start to gird your weapon and tie your knot, since it is time to divulge, as you started the matter. Upon the width of the temple house, there is the inner hall of the court. At that court are twelve entrances according to the number of the tribes of Yisrael. On one entrance, it is written Reuben. On the second entrance, it is written Shimon. Similarly, the rest of the tribes of Yisrael are marked on these entrances during the period when they will come up to be seen in the presence of the Master of the world. Whoever enters at the opening that is marked Reuben, the entrances accept him if he is from Reuben's tribe. If not, THE ENTRANCES expel him to the exterior. Similarly with all of them, the entrances do not accept anyone unless they are from the tribe that is marked on them. That way, each one gets investigated and identified.

244a. And 365 pillars of glowing light are on each side of the four sides IN THE COURT. All these pillars are called living pillars, since their light does not remain still in one position, since some of these PILLARS ascend and some descend, and make room for each other. Those ascending strike at each other and sing a tune and so also do those that descend.

244b. Which tune do the ascending PILLARS sing? That is an anonymous tune, NO NAME IS MENTIONED AS TO WHO COMPOSED IT. "A psalm. O sing to Hashem a new song; for He has done marvelous things..." (Tehilim 98:1). HE INQUIRES: "A new song"? Is there such a thing as an old song? It is only that song through which, until the present, the angels have not praised Him yet, since it is new. What is the reason that it is new? It is because it is him that renews his youth, MEANING THE YOUTH METATRON, who praises him and says it. So spoke the head of the Yeshivah. METATRON is considered new and he is new, BECAUSE IT REVITALIZES HIS YOUTH REGULARLY and it is because he is attached to the sun, THAT IS ZEIR ANPIN, and is not separated from it. This excludes the Other Side, which contains nothing new, as is written of it: "And there is nothing new" (Kohelet 1:9) since he is old and wilted and does not refresh.

245. Again, the head of the Yeshivah began. Sarah was rejuvenated with delight, as her level, THAT IS A FEMALE, brought it, as written: "After I am grown old shall I have pleasure (Heb. ednah) (lit. 'pleasure was to me')" (Bereshheet 18:12). What is "ednah"? That is the continuation of the supernal Eden, WHICH IS CHOCHMAH. Since it was drawn upon her from the feminine aspect, it is written with Hei. Therefore, it is written "was," using a feminine and not a masculine suffix.

243. אָבֵל שְׂאֵרֵי וְחִגּוֹר זֵינְךָ, וְקִטֵּיר קִטְרְךָ, דְּהָא עֵידָנָא הוּא לְגִלְגָּא, כְּמָה דְשְׂאֵרֵית עוֹבְדָא. דְּעַל אַנְפֵי רוּחַב בֵּיתָא, אוּלַם דְּעִזְרָה לְגוּ. בְּהַאי עִזְרָה, אֵית תְּרִיסַר פְּתָחִין, לְפִיּוּם חוֹשְׁבֵן שְׁבֻטֵי דִישְׂרָאֵל. בְּפְתָחָא חָדָא, כְּתִיב רְאוּבֵן. וּבְפְתָחָא אַחְרָא, כְּתִיב שְׁמַעוֹן. וְכֵן כָּל שְׁבֻטֵי דִישְׂרָאֵל, רְשִׁימִין עַל אֵינוֹן פְּתָחִין. בְּזִמְנָא דִּיסְלָקוֹן לְאַתְחֻזָּא קָמִי מַאֲרִיָּה דְּעֵלְמָא. מֵאן דְּעִיִּיל בְּפְתָחָא דְרִשִׁים בֵּיה רְאוּבֵן, אִי מְשַׁבְּטָא דְרְאוּבֵן אִיהוּ, מְקַבְּלִין לֵיה פְּתָחִין, וְאִי לֹא פְלִטִין לֵיה לְבַר. וְכֵן בְּכֻלְהוּ, דְּלֹא יְקַבְּלוֹן פְּתָחִין, אֲלֵא לְמֵאן דְּאִיהוּ מְהֵהוּא שְׁבֻטָא דְרִשִׁים בְּהוֹן. וּבְדָא יִתְחַקְּקוֹן וְיִשְׁתַּמּוֹדְעוֹן כָּל חַד וְחַד.

246. "My lord being old also" (Ibid.). HE ASKS: Because he is aged, is he not ready to have children? WE FIND THAT OLD PEOPLE CAN ALSO HAVE CHILDREN. HE REPLIES: However, she said something significant IN SAYING, due to that old one, WHICH IS THE OTHER SIDE, THAT HAS NO REJUVENATION OR FECUNDITY AS MENTIONED. ABRAM is not rejuvenated and producing children, because if THE OTHER SIDE would have produced offspring, he would have made the world blurred. About this, the Holy One, blessed be He, replied, "Why did Sarah laugh..." (Ibid. 13). THAT IS TO SAY, SAYING THAT OLD ONE OF THE OTHER SIDE IS DOMINANT IN ABRAM. HE ASKS: You may wonder that it is written: "And Abram was old, advanced in age (lit. 'coming with days')" (Beresheet 24:1), SO WE SEE THAT EVEN THE SCRIPTURE CONSIDERS ABRAM OLD. HE REPLIES: It is only because THE VERSE READS "coming with days," meaning that he is coming with days, the high days above OF ZEIR ANPIN, that renew their youthfulness like an eagle. Therefore, DUE TO THOSE HIGHER DAYS, this melody OF: "A PSALM. O SING TO HASHEM A NEW SONG" is the tune of that new one, WHICH IS METATRON, WHO IS ATTACHED TO THE HIGHER DAYS OF ZEIR ANPIN. "Have gained Him the victory" (Tehilim 98:1): Have gained who the victory? That is, gain victory to the new one, WHO CONTAINS the right of the King up high, WHICH IS ZEIR ANPIN, and His arm, MEANING, ALSO THE LEFT. THEREFORE, IT IS WRITTEN: "HIS RIGHT HAND, AND HIS HOLY ARM" (IBID.).

247. UNTIL HERE, HE EXPLAINED THE SONG OF THE PILLARS THAT ARE ASCENDING UPWARDS. AND NOW HE EXPLAINS, Those PILLARS that descend FROM ABOVE DOWNWARDS also sing the music and chant another authorless song, MEANING THAT NO NAME IS ASCRIBED TO ITS COMPOSER. What is it? That is "a psalm of thanksgiving" (Tehilim 100:1), which is also authorless.

248. The light OF THE PILLARS appears as one light and when they roll around, five phases of light appear in each pillar. These pillars are all hollowed from the inside and, when they go up and down, flames of fire are spurting out similar to pomegranates and blossoms. Above each individual pillar are situated three apples, to which three colors are attracted - red, green, white. In each individual color glow prominently letters from green flames of fire, which never rest. There is no one that will understand AND HAVE ANY CONCEPTION OF THEM.

249. Four embroidered circles expand and encircle each and every pillar OF THE 365 PILLARS MENTIONED ABOVE THAT ARE ON EACH SIDE OF THE COURT. In these circles, there are great marvels. When they turn, they exude tongues of gold and precious stones and they instantly get gathered back into them. They do not fall to the ground. During the period when these tongues of gold and precious stones are exuding, a sound is heard from within the turning of the circles that says, "This is the heritage of the servants of Hashem and the recompense of their righteousness appointed by Me," says Hashem" (Yeshayah 54:17).

246. וְאֵלֶיךָ זָקֵן. וְכִי אֵעָג דְּאִיהוּ זָקֵן, לֹא אֶתְחַזֵּי לְאוֹלָדָא. אֲלֵא לֹא מִלְתָּא זְעִירָתָא אֲמַרְהָ לְגַבְיָהּ, דְּבִגִּין הֵהוּא זָקֵן, לֹא אֶתְחַדֵּשׁ וְלֹא עֲבִיר תּוֹלְדִין, דְּאֵלְמֵלֵא הוּהּ עֲבִיר תּוֹלְדִין הוּהּ מִטְּשֻׁשָׁא עֲלָמָא. וְעַל דָּא אֲהֵדֵר מִלִּין קוֹדֵשָׁא בְּרִיךְ הוּא, לְמָה זֶה צְחָקָה שְׂרָה וְגו'. וְאִי תִימָא וְהָא כְּתִיב וְאִבְרָהָם זָקֵן בָּא בְּיָמָיִם. אֲלֵא בָּא בְּיָמָיִם, בְּאִינוּן יוֹמִין עֲלָאִין, דְּמִחְדָּשֵׁי עוֹלָמִין בְּנִשְׂרָא. וְעִד נְגוּנָא דָּא נְגוּנָא דְּהֵהוּא חֵדֵּשׁ אִיהוּ. הוֹשִׁיעָה לוֹ, לְמָאן. לְהֵהוּא חֵדֵּשׁ, הוֹשִׁיעָה יְמִינָא דְּמִלְכָּא עֲלָאָה, וְדְרוּעָא דִּילָיָהּ.

250. There are two lions in each individual circle, one lion from one side and one lion from the other side. All are of green fire. THE LIONS embrace each other in the orbit in which the circles turn, and all go in a circle attached one to the other. When the pillars rise, the lions roar at each other and apples fly in the air ascending above and knock each other in the air. Then they return to their spot and from there they drop. The lions extend their paws to receive them AND THE APPLES rise on their own. Oh, pious, holy one, who saw the wisdom of this craftsmanship that the Holy One, blessed be He, fashioned in those pillars!

250. תְּרִין אַרְיִין בְּכָל גִּלְגָּלָא וּגְלִגְלָא, אַרְיָא חֲדָא מְסֻטְרָא חֲדָא, וְאֲרִיָא חֲדָא מְסֻטְרָא חֲדָא, וּבְלֵהוּ מֵאֲשָׁא יְרוּקָא, וּבְגִלְגּוּלָא דְקָא מְסֻתְחָרָן גִּלְגְּלִין, מִתְחַבְּקֵן אֵלִין בְּאֵלִין. וְאֲזֵלֵי בְּלֵהוּ בְּגִלְגּוּלָא מִתְדַבְּקֵן דָּא בְּדָא. כִּד סִלְקִין עֲמוּדִין, מְנַהֲמֵן אַרְיִין אֵלִין בְּאֵלִין, וְתַפּוּחִין פְּרָחִין בְּאֲוִירָא, וְסִלְקִין לְעִילָא, וּבִטְשֵׁי אֵלִין בְּאֵלִין בְּאֲוִירָא. וְתָבוּ לְאַתְרֵיהוּ, וּמִתְמָן נִפְלִי. וְאֲרִיִין פִּשְׁטֵי יְדֵיהוּ לְנִטְלָא לֹון, וְסִלְקִין אֵלִין מִגְרַמֵּיהוּ. אִי חֲסִידָא קְדִישָׁא, מֵאֵן חָמָא חֲכְמָתָא דְאוּמְנֹו, דְצִיִּיר קוּדְשָׁא בְּרִיךְ הוּא בְּעֲמוּדֵין אֵלִין.

251. At midday, two eagles leave in each individual ring. They rest on the heads of the lions. At that point, the pillars and the rings become still and stay in their position. Apples fall onto the eagles' mouths and they accept them, and instantly, THE APPLES fly from mouth to mouth. About an hour and a half later, the eagles raise their voice and chant a lovely melody, then hide.

251. בְּפִלְגּוֹ יוֹמָא נִפְקֵי תְּרִין נְשָׂרִין בְּכָל גִּלְגָּלָא וּגְלִגְלָא, וְלֹא יָדִיעַ אֶתְרֵי דְנִפְקֵי מִתְמָן, וְשָׂרִיִין עַל רִישֵׁיהוּן דְּאֵלִין אַרְיִין. וּכְדִין מְשַׁתְּכְבֵי עֲמוּדִין וּגְלִגְלִין, וְקוּיִמֵי בְּקִיּוּמֵיהוּ. וְתַפּוּחִין נִפְלִי עַל פּוּמֵיהוּ דְנְשָׂרֵי, וּמְקַבְּלֵי לֹון. וּמִיַּד פְּרָחִין מְפּוּמָא לְפּוּמָא, וְאֲזֵלִין וּמְשַׁטְטֵי בִּינֵיהוּ, וְתָבוּ לְאַתְרֵיהוּ, וְלֹא יָדִיעַ מֵאֵן הִיא. לְבַתֵּר שַׁעֲתָא וּפְלַגָּא, נְשָׂרִין אַרְיִמִין קְלָא, וּמְנַגְנִין נְגוּנָא תְּאִיבָא, וְאַתְטַמְרָן, וְלֹא יָדִיעַ בְּהִי אֶתְרֵי.

36. "Half of them towards the eastern sea..."

We hear that the teacher of Yeshivah explained the verse, "And on that day, living water shall go out from Jerusalem; half of them towards the eastern sea, and half toward the western sea," and then that a child's voice was heard questioning his explanation. The child was brought into the Yeshivah and expounded upon the verse, and then said 27 explanations in the Torah. We learn that the child had died because he openly embarrassed his teacher in front of everyone with argumentative questions. Lastly he speaks about two cherubim in the center of the court, underneath which all the children of Yisrael are destined to stand and receive their illumination.

252. Around the pillars, there exist network carpets of embroidery, WHICH IS THE SECRET OF THE ILLUMINATING BINAH THAT IS ENSHROUDED THERE. IT IS ENMESHED, ENTWINED AND KNOTTED TOGETHER WITH MALCHUT AND THEREFORE IT IS CALLED A COVERING OF EMBROIDERY. IT IS KNITTED from red fire, WHICH IS THE ILLUMINATION OF THE LEFT, and from white fire, WHICH IS THE ILLUMINATION OF THE RIGHT, and gold strands, WHICH IS THE LEFT ILLUMINATION IN BINAH CALLED GOLD. It is encircled from all directions by a spring of water, as it says, "And on that day, living water shall go out from Jerusalem; half of them towards the eastern (also: 'primordial') sea, and half toward the western (last) sea" (Zechariah 14:8).

252. סְחַרְנֵיהוּ דְאֵינֹון עֲמוּדִין, אֵית שְׂבָכִין עוֹבְד צִיּוֹר. אֲשָׁא סוּמְקָא, וְגִהוּרָא חוּרָא, וְחוּטִין דְדֵהבָא, סְחֹור סְחֹור, סְחֹרִין לֶכ סֶטֶר. וּמְעֵינָא דְמֵיָא כַד"א וְהִיָּה בְיוֹם הַהוּא יֵצְאוּ מִיָּם חַיִּים מִירוּשָׁלַיִם חֲצִיָּם אֶל הַיָּם הַקְדָּמוֹנִי וְחֲצִיָּם אֶל הַיָּם הָאַחֲרוֹן.

253. The head of the Yeshivah explained this verse inside and his voice was heard on the outside. When he finished explaining this verse, a child's voice was raised outside. THAT WAS the child that left his teaching and learned in the presence of a pillar of the world, the son of Rabbi Yehuda from Ravit Anat, WHICH IS A NAME OF A PLACE. He was being held BY PROSECUTING ANGELS to be judged and his voice was raised on the outside. WHEN HE HEARD of this verse FROM THE MOUTH OF THE TEACHER OF THE YESHIVAH, he said, How could waters that are below IN JERUSALEM rise to a place that is higher from it by several steps, MEANING TO THE PRIMORDIAL SEA, WHICH IS BINAH? FURTHERMORE, what need is there for those waters above, IN BINAH? AND FURTHERMORE, how could a place that all the water springs and rivers leave from, and where there is no discontinuation to THOSE springs and rivers THAT EXIT FROM THERE WHICH IS THE PRIMORDIAL SEA, THAT IS BINAH, be irrigated from a dry place, WHICH IS JERUSALEM? Whoever saw a hole that has been dug giving water to a water spring that flows? Could Jerusalem give water to the primordial sea, which is a location from where all the waters come and flow? Oh, pious, holy one, HE SAID TO RABBI SHIMON, to this voice. Everyone who was there from the members of the Yeshivah became quiet and listened. Therefore, the prosecutors could not get close to him AND JUDGE HIM.

254. Rabbi Shimon cried. He said to him, Do not cry, holy luminary. Praised is your lot that even children speak of you, BECAUSE OF YOUR MERIT IN concealed secrets in the Torah. Come and I will tell you what the Yeshivah members did for the sake of that child's voice. When the voice of the child entered inside piercing like an arrow, everyone paid attention. At that time, the head of the Yeshivah was startled, as were all those that were in his presence, so he said, Who are those that do not allow this one, a son of a living Elohim, to enter? Three pillars, WHICH ARE THE SECRET OF ILLUMINATION IN THE THREE COLUMNS, that were standing in front of the head of the Yeshivah rose and held on to him, and he entered. All the members of the Yeshivah gathered around him. The head of the Yeshivah said, Speak your verse, holy son.

255. THAT CHILD said, Until now I was afraid, since I was from a different Yeshivah. That is what they told me when those prosecutors held on to me. He said to him, Do not fear, holy son. Here you will stay with us seven days and you will wash yourself with the holy dew every day. Then, they will take you up to that Yeshivah of the rest of the children here.

256. That child opened the discussion saying, "And it shall come to pass, on that day" (Zecharyah 14:9). HE ASKS: "That": It is not known which it is. HE REPLIES: It is only wherever "that day" is mentioned, it is the last of days. Why is it called "that (Heb. hahu) day"? It is only because it is a day in which the end is connected to the beginning, WHICH IS BINAH. Its beginning is referred to as "he (Heb. hu)," as it says: "But the Levites shall do the service (lit. 'serve him')" (Bemidbar 18:23), since the performance of the Levite is for the level that is called "he" (Heb. hu) that is concealed and hidden. BECAUSE IT IS HIDDEN, IT IS THEREFORE CALLED "HE" (HEB. HU) IN THE THIRD PERSON. When it is read Hahu WITH THE DEFINITE ARTICLE HEI, WHICH IS MALCHUT, it comes to indicate that the end of all the levels, THAT IS MALCHUT, is the beginning OF THE STEPS, WHICH IS BINAH, since all is one. Since THE WORD HAHU is the end, MEANING MALCHUT, Hei was added to it, MEANING THE HEI THAT IS MALCHUT WAS ADDED TO THE WORD HU, WHICH IS BINAH, WHICH IS ENVELOPED WITHIN MALCHUT WITH THE RESULT THAT THE WORD HAHU IS MALCHUT, BUT ONLY WHEN BINAH IS ENVELOPED WITHIN HER.

257. Jerusalem is destined to produce water and to become a flowing spring. Here it would be possible to say that the end of all steps, REFERRED TO BY HAHU, is not Jerusalem. However, Jerusalem and "that day" are most certainly all one, SINCE BOTH ARE MALCHUT. What is the difference between this and this? It is only that when Jerusalem gets surrounded by all her holy steps she is called Jerusalem. That is the way they appear. There are steps that surround, called the Temple court. These are the inner ones and some SURROUND IT from outside. There are steps FURTHER WITHIN, when they surround, called chambers. There are steps when they surround that are called the temple and the sanctuary. At the innermost of all these steps, there is one point: "The king's daughter is all glorious within" (Tehilim 45:14). THAT IS THE SECRET OF THE POINT OF MANULA (ENG. 'LOCK') THAT IS HIDDEN AND STORED IN MALCHUT WITHIN THE INNERMOST. That point is called "that day." This is derived from "(Heb. Hahu) which was called the land" (Devarim 3:13). THAT IS, MALCHUT IS CALLED LAND, BUT JUST HER HIDDEN POINT.

258. When "that day" will be established, WHICH IS THE POINT OF THE HIDDEN LOCK, THAT IS, AT THE END OF CORRECTION, from the networks in the court, WHICH ARE THE SECRETS OF THE ILLUMINATION OF BINAH THAT IS ENVELOPED IN MALCHUT, a spring of water will rise. That spring will come from the primordial sea THAT IS BINAH, FROM WHICH IT CONTINUES TO MALCHUT, AND IS LIKE a mother that has her son between her arms. Due to the great amount of milk that he suckles, his mouth is filled up and overflowing, UNTIL he returns the milk to his mother's mouth. That is meant by "half of them towards the primordial sea."

259. The head of the Yeshivah took him and kissed him. He said to him, On your life! That is the way they explained it in the Yeshivah of the heavens. And that certainly is so. "The last sea" MEANS her last steps, MEANING THE LOCKING POINT. Oh, pious holy one, SAID THE SOUL TO RABBI SHIMON, how much gladness over happiness was added by that child between the members of the Yeshivah. The child said 27 explanations in the Torah, and seventy crowns were adorned to his father on that day. Praised is the lot of someone who deserved to teach his son. Rabbi Shimon inquired, Did not his father deserve to teach him? He replied that his father died.

260. A hidden secret was with that child, why he departed from the world and why they wished to have him judged, and he was saved from it. That is because he openly embarrassed his teacher in front of everybody with the argumentative questions and difficulties that he posed to him, FOR HE WAS UNABLE TO SETTLE THEM IN RESPONSE. He was not afraid to go to another TEACHER to improve his studies and thereby his teacher's mind was diminished. Consequently, they wished to judge him harshly. Therefore, even though he was saved from the court officials, he was not saved here, as seven days passed by before his image was perfected. When he washed, it was with great pain in front of everyone all these seven days, until his image was completed. Do not ask why he departed from the world. Oh, Rabbi. Oh Rabbi. Praised is your lot.

260. וְרָזָא סְתִימָא הוּהּ בְּהַאי יְנוּקָא, עַל מַה דְּאַסְתְּלַק מֵעֲלָמָא, וְעַל דְּבִעוּ לְמִידָן דִּינִיָּה, וְאַשְׁתִּיב מִנִּיָּה, דָּא הוּהּ בְּאַתְגְּלוּיָא, דְּהוּהּ מְכַסִּיף לְרַבִּיָּה קָמִי כְּלָא, בְּשִׂאלְתִּין וְקוּשְׁיִין דִּילִיָּה, וְלֹא חֵיִישׁ לְמַהֲרָ לְאַחְרָא, לְאַתְקַנָּא תְּלַמּוּדוּי, וְחֵלִישׁ דְּעֵתָא דְרַבִּיָּה. וְע"ד בְּעוּ לְמִידָן לִיהּ בְּדִינָא תְּקִיפָא. וּבג"כ, אִף עַל גַּב דְּאַשְׁתִּיב מִמְּאַרְיָהוֹן דְּדִינָא, לֹא אֲשְׁתִּיב הֵבָא. שְׁבַעָה יוֹמִין הוּוּ דְלֹא אֲשְׁתְּלִים דִּיּוֹקְנִיָּה. וְכֵד הוּהּ אֲסִתְּחִי, בְּכַאֲבָא יִתִּירָא קָמִי כְּלָא כָּל אֵינּוֹן שְׁבַעָה יוֹמִין עַד דְּאַשְׁתְּלִים דִּיּוֹקְנִיָּה. וְעַל דְּאַסְתְּלַק מֵעֲלָמָא לֹא תְּבַעֵי לְמַנְדָּע. אִי רַבִּי, אִי רַבִּי, זְכָאָה חוּלְקָךְ.

261. HE NOW RETURNS TO EXPLAIN IN ANOTHER MANNER AND IN OTHER WORDS, WHAT IT SAYS IN THE VERSE: "HALF OF THEM TOWARDS THE PRIMORDIAL SEA." Come and see, Under the ring of those networks that exist there, IN THE COURTYARD, THAT IS THE SECRET OF THE ILLUMINATION OF BINAH THAT IS IN MALCHUT THAT IS PLEATED WITH HER, AS MENTIONED. In these waters of the flowing spring THAT EXIST THERE, there is one distinct spring that expands and flows out and enters the great sea; THAT IS THE SECRET OF MALCHUT FROM THE ASPECT OF CHOCHMAH. It delineates in it a path to the heart of the sea, WHERE THE DOMINATION OF MALCHUT THAT IS SWEETENED BY BINAH EXISTS; THAT IS THE SECRET OF THE POINT OF MIFTECHA (ENG. 'KEY'). From it, the Leviathan drinks until he is happily satiated, and grows and enlarges greatly. THAT IS THE SECRET OF "HALF OF THEM TOWARDS THE PRIMORDIAL SEA," MEANING TO THE HEART OF THE SEA. When another spring flows out, that spring continues to expand secretly under the depths, MEANING UNDER MALCHUT OF THE KEY REFERRED TO BY DEPTHS, into the last sea, THAT IS MALCHUT OF LOCK THAT IS HIDDEN. All these harsh and maligning waters he pushes and forces down, that they should not be able to harm the inhabitants of the world. This is derived from the verse: "Who makes a way in the sea, and a path in the mighty waters" (Yeshayah 43:16), NAMELY IN THE LAST SEA.

261. ת"ח, תְּחוֹת עֲגוּלָא דְּאֵינּוֹן שְׁבַכִּין, דְּתַמָּן בְּאֵינּוֹן מִיּוֹן דְּהוּא נְבִיעוּ דְּמַעִינָא, אֲתַרְשִׁים נְבִיעוּ חָד, וְאַתְפָּשֵׁט וְנָפִיק לְבַר, וְעַל גּוּ יִמָּא רַבָּא. וְרָשִׁים בֵּיהּ אֲרַחָא בְּלַבָּא דִּימָא, וּמִינִיָּה שְׁתֵּי לוּתָן, וְרוּי, וְחֵדִי, וְאַתְרַבִּי בְּרַבּוּיָא. וְכֵד נָפִיק נְבִיעוּ אַחְרָא, הוּא נְבִיעוּ אֲתַפָּשֵׁט וְאִזִּיל בְּטַמִּירוּ, תְּחוֹת תְּהוּמָא, לְגוּ יִמָּא בְּתַרְאָה. וְכָל אֵינּוֹן מִים זְרוּנִים, וּמִיּוֹן תְּקִיפִין, מְאִיךְ לוֹן, וְכַפִּיף לוֹן, דְּלֹא יִפְקוֹן לְחַבְלָא בְּנֵי עֲלָמָא. וְסִימָן הַנּוֹתָן בֵּינָם דְּרַךְ וּבִמִּים עֲזִים נְתִיבָה.

262. In the center of that court exist two cherubim, a product of craftsmanship by the Holy King. THAT IS THE SECRET OF SMALL FACE. The high ones and the lower grades are unable to stand on top of them, SINCE THEIR FIRST THREE SFIROT ARE COVERED WITH WINGS. But underneath them, THAT IS, IN THE ASPECT OF SIX EXTREMITIES OF THE FIRST THREE IN THEM, all Yisrael are destined to stand, MEANING TO RECEIVE THEIR ILLUMINATION, PROVIDED that they will not leave to go out from under their wings, MEANING THAT THEY WON'T PEEK AT THE FIRST THREE THAT ARE COVERED BY THE WINGS. All those that enter under the wings OF THE CHERUBS will be happy, since thirteen thousand towers of the sun, WHICH IS ZEIR ANPIN, MEANING TWELVE PERMUTATIONS OF YUD HEI VAV HEI AND THAT WHICH CONTAINS THEM, THAT IS THE SECRET OF CHOCHMAH AND BINAH, TIFERET AND MALCHUT, WHICH IS IN EACH OF THE THREE COLUMNS, illuminate upon the figures as required, MEANING THE CHERUBS. FIGURES MEANS MINIATURE FACES, AS IS WRITTEN: "OF FIGURED WORK" (II DIVREI HAYAMIM 3:10). The head of the Yeshivah gained through this, BY ENTERING UNDER THE WINGS OF THE CHERUBIM, to have all that glory.

262. וּבְאַמְצַעִיתָא דְּהֵיא עֲזָרָה, אֵית תְּרִין כְּרוּבִים, עוּבְדָא דְּאוּמָנָא דְּמַלְכָא קְדִישָׁא. וְלֹא יְכַלִּין לְקַיִמָא בְּהוּ, עֲלֵאִין וְתַתֵּאִין. וְתַחוּתֵיהוּ זְמַנִּין כָּל יִשְׂרָאֵל לְקַיִמָא, דְּלֹא יִפְקוֹן מִתְּחוֹת גְּרַפְיָהוּ לְבַר, זְכָאִין לִיהוּוֹן, כָּל דְּעֲאֵלִין תְּחוֹת גְּרַפְיָהוּ. תְּלִיסַר אֲלָפֵי מַגְדָּלִין דְּשִׁמְשָׁא, דְּנִהִיר בְּצַעְצוּעָא, בְּדַקָּא יְאוּת. רַב מְתִיבְתָא בְּג"כ זְכָה לְהוּא יְקָר.

We hear that every Sabbatical year all members of the faith ascend to the Yeshivah above in heaven; Metatron tells them new and old things, and there is great rejoicing.

263. Who could speak of all those things that get newly discovered in the presence of the head of the Yeshivah? Oh, Rabbi. Every time the spirits of males ascend above, precisely then the women leave and gather at the sanctuary of Batyah, THE DAUGHTER OF PHARAOH, and they rejoice there with several ancient matters. From there, they all go out and enter together, AND BATYAH with them, to the sanctuary of Serah, DAUGHTER OF ASHER, to rejoice with several matters, old and new. From there, they leave, AND SERAH is with them, and enter the sanctuary of Jochebed; likewise in all these sanctuaries.

264. Now, Rabbi, I will tell you one secret. Come and see: Each and every Sabbatical year, a proclamation is declared in the Garden of Eden: Gather together, men and women, and all those members of the Faith, and ascend. Then all get undressed and ascend, men, women and babies that stopped suckling, to the Yeshivah above in heaven, WHICH IS THE YESHIVAH OF METATRON, and rejoice about their ascension. And there is happiness upon happiness. The youth, MEANING METATRON, that has the keys of his Master in his hands, rises and tells them new and old things, and they all see gladness. There is no happiness such as that rejoicing.

265. Following that, they all enter inside. Many curtains and chambers are stored there, which illuminate in the pleasantness of Hashem within the chamber of love of the Holy One, blessed be He. This is what it is said: "To behold the beauty of Hashem, and to inquire in His temple" (Tehilim 27:4). Following this, the children WHO FINISHED SUCKLING MILK fly higher, MEANING TO A HIGHER YESHIVAH, and THE MEN AND WOMEN fly lower, SINCE THEIR PLACE IS THERE, to come back to their place IN THE LOWER GARDEN OF EDEN. AND THEY GET DRESSED THERE IN THEIR GARMENT as before. Praised is the nation for whom all the good of that world is waiting.

266. Rabbi Shimon said, How sweet are these things which I have heard. Praised is my lot that I managed to hear all these. Praised is the day that I left to come here. They said to him, Rabbi, we have authorization for three days to come to you. And after one day. Your gladness... (THE CONTINUATION IS MISSING).

38. The cry of the rooster

The author says that after midnight Gabriel calls and then all the roosters of this world call, and we are told what words he calls out at each hour. Gabriel writes down all the activities of the world's inhabitants every day, and at night he reads everything he wrote during the day. We hear about the 365 sanctuaries in the inner part of the courtyard, and it is said that no one knows what is in those sanctuaries. The lights of the sanctuary on the east side are greater than those of the three other directions.

263. מאן יכיל למימר, מאינן מלין דקא מתחדשן בכל יומא, מקמי רב מתיבתא, אי רבי, בכל זמנא דרוחין דבורין סלקין לעילא. נשין בהווא זמנא נפקי בלהו, ומתבנשי לגו היכלא דבתיה תמן, וחדאין תמן, בכמה מלין עתיקין. ומתמן נפקין ועאלין בלהו. והיא עמהון, לגו היכלא דסרח. וחדאין בכמה מלין חרתין ועתיקין, ומתמן נפקין והיא עמהון, ועאלין לגו היכלא דיוכבד. וכן בכל אינן היכלין.

267. (THE BEGINNING IS MISSING) he stretched from his side and was hidden and covered under an area that is called the cell of the runners until midnight. After midnight, a flame emerged from the pillar of Isaac, THAT IS THE LEFT COLUMN, and struck at the rooster called Gever (Eng. 'male/rooster'), WHO IS GABRIEL, similar to another gever higher above him - WHICH IS GVURAH OF ZEIR ANPIN, THE PILLAR OF ISAAC. Once THE FLAME IN THE LEFT COLUMN struck at the male, WHO IS GABRIEL, he called out and gave six sounds, and all were intelligent.

268. At the time he, MEANING GABRIEL, calls, all the roosters of this world call. Another flame emerges from him, FROM GABRIEL, reaches them under their wings and they call. What does he, GABRIEL, call? In the first hour, he calls and says: "The voice of Hashem is powerful; the voice of Hashem is full of majesty" (Tehilim 29:3-9). In the second hour, he calls and says, "The voice of Hashem breaks the cedars." In the third hour, he calls and says: "The voice of Hashem divides the flames of fire." In the fourth hour, he calls and says: "The voice of Hashem shakes the wilderness..." In the fifth hour, he calls and says: "The voice of Hashem is upon the waters..." In the sixth hour, he calls and says: "The voice of Hashem makes the hinds to calve..." Then he says: "A voice says, 'Cry,' and he said, 'what should I cry?'" (Yeshayah 40:6). That one is GABRIEL. He is the rooster that continues calling and does not get quieted. After that, he repeats and calls as before.

269. HE ASKS: What is GABRIEL crying AFTER THAT? HE REPLIES: He calls out all the activities of the people in the world, since he is the keeper of the case, MEANING THAT IN HIS AUSPICES IS THE CONTAINER THAT HOLDS ALL THE SCRIPT LETTERS AND THE FINAL JUDGMENTS AND EDICTS. The inkwell of the writer is at his waist and he writes down all the activities of the world's inhabitants every day. At night, after he finishes reading out all these calls MENTIONED ABOVE, he reads everything he wrote during the day.

270a. If not for the fingers of his feet that contain IN THEM two steps, one IS THE FINGER standing in the middle, which is large AND ONE IS THE FINGER that stands behind, which is small, IF NOT FOR THESE TWO FINGERS that deter him, he would have burned the world with his flames. What is done as soon as the morning light breaks and a thread of grace comes out of the south side? All join, MEANING THE MIDDLE FINGER WITH THE REAR FINGER, and they become two hoofs on EACH OF both legs, like a calf to uphold what is written: "And the sole of their feet was like the sole of a calf's foot" (Yechezkel 1:7). You already know this secret. You asked about the branch of the threshing ground... (THE REST IS MISSING).

270b. In the inner part of this courtyard, WHICH IS THE SECRET OF MALCHUT, there are 365 sanctuaries, as the number of days in the year. At each and every entrance AT EACH SANCTUARY, it is written: "Peace be within your walls, and prosperity within your palaces" (Tehilim 122:7). It is not known what is in those sanctuaries, except that all encircle EACH OTHER in artistic tapestry; seven orders of gems ring within one another, in each and every one, MEANING IN EACH AND EVERY SANCTUARY.

271. Oh, pious, holy one. How much the head of the Yeshivah was praising one sanctuary that was situated at the top of the east side of this court, because there are four ASPECTS in the court, to the four corners of the world - WHICH ARE CHESED AND GVURAH ON THE RIGHT, AND THE LEFT WHICH IS SOUTH AND NORTH, AND TIFERET AND MALCHUT ON THE EAST AND WEST. But the lights of the sanctuary on the east side are greater than all of them.

39. Two tears, one to Sagdon and one to Gilba

We are told about the gem called Sagdon that the Leviathan pulled up from the depths of the great sea; on the day the gem was pulled up the temple house was destroyed. The gem is one of the two tears of God that He sheds when He remembers His children; the other tear is sunk in the depth called Gilba.

272. One day, the Leviathan goes out on the great sea. The entire ocean trembles and all the fish scatter in every direction. When the Leviathan reaches the entrance of the depth, he begins to rejoice that the depths are stilled there...(THE REST IS MISSING)...except for that one, which is similar to a spring. The lights get dimmer and all the lights are not visible, except the light in that sanctuary on the eastern side.

272. יוֹמָא חָד, בְּיָמָא רַבָּא, לוֹיְתָן נָפִיק, וְכָל יָמָא

273. HE ASKS: The gem that the leviathan pulled out from that depth is called Sagdon. What is it made of? HE REPLIES: That day that the Leviathan pulled up THE GEM, and the ocean was shaking, was the day when the temple house was destroyed, the ninth of Av. About that gem, it is when the Holy One, blessed be He, remembers His children and spills two tears into the great ocean. One TEAR falls onto this depth called Sagdon and one TEAR drops into another depth called Gilba.

40. The first destroyer

The author talks about the four sources that do damage to the world. These are the ox, the pit, the consumer and fire. Because some information is missing here from the text, the topic jumps to the observation of a person looking at a sanctuary, where it seems to change size until it has no measurements at all.

1

275. On the bottom, within the wine's sediment, the bad sediments, emerges one who disrupts, the first destroyer IN THE WORLD. He is in the secret of a human image when he approached near to holiness. As soon as he was removed FROM SANCTITY and wished to descend to the bottom, to dress up in a garment to harm the world, he came down with his Chariots. The first garment that he acquired was the likeness of an ox, the image of an ox, and the first of these four SOURCES OF HARM is OX, AS IS MENTIONED AT THE BEGINNING OF BABA KAMA, THE OX, THE PIT, THE CONSUMER AND FIRE. These are four sources to do damage in the world and all the other three sources of damage, besides the ox, also belong TO THAT OX.

276. About this, it is written: "Thus they exchanged their glory for the likeness of an ox that eats grass" (Tehilim 106:20). HE ASKS: What is the meaning of: "That (he) eats grass"? HE REPLIES: We already dealt with it, but the essence of it is that he has no part in the seven types of grains nor the essence of bread, WHICH ARE FROM MALCHUT, and it is improper for him to be there, MEANING TO SAY THAT HE IS NOT WORTHY TO SUCKLE FROM HUMAN FOOD, WHICH IS MALCHUT. AS A RESULT, IT SAYS: "THAT EATS GRASS."

277. (THE BEGINNING OF THE SUBJECT IS MISSING)...from their location. These sit in their location, even before those that leave these are ready. The eyes cannot stand their light and sparkling. They circle around and never have any rest.

278. When a person looks at this sanctuary, at his first observation, it seems to him somewhat small and not so small. He looks a little longer and it seems large. He observes longer and it looks larger. The longer he stares at it, the more it seems to expand and the higher it gets, until his final gaze, AT THAT SANCTUARY, when a hair's breadth seems to him SO LARGE THAT it has no measurements any more.

279. Many works are inside whose craftsmanship is unknown, from which the court and all that is inside shines, besides the Cherubs, whose light rises to the lofty firmament in a variety of colors and sparkling brightness. There are 1,575 grapevines producing fruits in that courtyard. (BECAUSE THE BEGINNING AND END OF SUBJECT IS MISSING, I CAN'T EXPLAIN IT).

41. "Folds his hands together" and "eats his own flesh"

We hear that after a person's death the evil one consumes his flesh but has no control over the Holy Spirit or the sanctified soul. The author says that the angel of death has no joy in killing a person; it's just that he is happy to do the will of God.

וְשִׁבְעִין גּוּפְנִין, עַבְדִּין אִיבִין בַּעֲזָרָה דָּא.

280. (THE BEGINNING OF THE SUBJECT IS MISSING). More. THE FOOL, THAT IS THE OTHER SIDE, "folds his hands together" (Kohelet 4:5) in bitterness and mourning and then in spite of himself "eats his own flesh" (Ibid.), since THE OTHER SIDE has no permission to control anything else BESIDES FLESH. What pleasure he derives from all that he has done and worked for, UNTIL HE KILLED HIM, because after that he has no permission TO ENJOY FROM HIM except what belongs to him, WHICH IS THE FLESH, SINCE THE OTHER SIDE PROVIDES MAN WITH HIS FLESH. He then dances and rejoices like a completely mindless fool. He goes without any purpose and consumes the flesh, and he has no authority over the rest. Bitterness prevails above and below, when the children of Yisrael are in trouble and their enemies consume them, and Yisrael do not give power with their good deeds to extricate themselves FROM THE OTHER SIDE.

281. Even from the flesh of that side, the Holy One, blessed be He, is unhappy TO GIVE TO THE OTHER SIDE, since He is compassionate and merciful. However, as for what is His, OF THE HOLY ONE, BLESSED BE HE, that is the Holy Spirit and the holy soul, the upper and lower grades cannot have any power over it. As a result, at the end the evil one, THE OTHER SIDE, is unable to dominate the Holy Spirit which he meant to do by means of all his libelous plots and false accusations, so he must again "eat his own flesh." What benefit did he get FROM ALL HIS ACCUSATIONS ...(SEVERAL WORDS ARE MISSING HERE). Furthermore, they cover everything like a heavy fog and the upper and lower beings have no rest.

282. Come and I will tell you something. If you say that the Angel of Death feels joy when he kills a person, it is not true. It is only that he sees that this is his Master's wishes, so he seems happy to do the will of the Holy One, blessed be He, as is written: "Stormy wind fulfilling His word" (Tehilim 148:8). Rabbi Shimon said to him, yet he is going merrily along and dancing in front of the women? He said to him: Oh, pious, holy one. It is most certainly so, in order to demonstrate before the King that it gives him pleasure to do the King's bidding. However, his satisfaction is at the women's eulogy, so he dances and listens to the eulogy.

283. They said to him, If so, why does he go to accuse the person up high and mention his sins, IF HE TAKES NO JOY IN KILLING A PERSON? He said to him, Because he is an old fool and plans to control the spirit and dominate it. That is all he lusts after. However, eventually he has power only over what is his own. The flesh is his. Therefore, it is written: "His mischief shall return upon his own head" (Tehilim 7:17), MEANING THAT HE DOES NOT DERIVE ANY PLEASURE FROM HIS LABOR IN DENOUNCING BELOW AND DENOUNCING ABOVE.

280. יתיר חובק את ידיו, במרירו ואנינו דיליה, ולבתר אוכל את בשרו בעל פרוחיה, דלית ליה רשו לשלטאה על מלה אחרא. מה אתהני ליה בכל מה דאסטי ועביד ועמל, דלבתר לית ליה רשו, אלא על דיליה לבתר מרקיד וחדוי, בכסיל בלא דעתא כלל, ואזיל בלא תועלתא, ואכיל לבשרא. ובשאר לית ליה רשו. מרירו דעילא ותתא, כד ישראל בעאקו, ואכלי לון שנאיהון ולא יהבי חילא בעובדין טבין דלהון, לאפקא מניה.

42. Boiling tears

We are told that the two tears that God weeps into the great ocean are boiling hot and that they congeal the water in the sea. The tears cause the waves to roar so loudly that they awaken the ancient patriarchs in the cave of Machpelah.

1
284. (THE BEGINNING IS MISSING) goes and wishes to disturb the world. And the waters rise from other depths and want to flood the world. These tears, MEANING THE TWO TEARS THAT THE HOLY ONE, BLESSED BE HE, DROPS INTO THE GREAT OCEAN, are boiling hotter than any fire in the world. From the energy of their boiling, they congeal the water in the gelled sea, SINCE THE RED TEAR THAT DROPS INTO THE DEPTH CALLED SAGDON CONGEALS THE WATER, AS THEY STIR UP THE DOMINATION OF THE LEFT - AND THE DOMINATION OF THE LEFT WITHOUT THE RIGHT CONGEALS THE SEA. If the Holy One, blessed be He, would not have hinted WHO IS THE CENTRAL COLUMN THROUGH THE CURTAIN OF THE CHIRIK, THUS HINTING at the blowing of a wind from the side of Abraham, WHICH IS CHASSADIM, from his pillar, THAT IS THE RIGHT COLUMN, THAT WOULD COMBINE TO ONE WITH THE LEFT and show HIS ILLUMINATION over the world, the world could not withstand it even for an instant.

285. When these tears drop into the sea, the sound between the waves is heard up to the cave of Machpelah. From the roaring sounds of the waves that is heard there when they enter the sea, the ancient patriarchs are awakened and rise, and think that the Holy One, blessed be He, wishes to turn the world upside down, until the voice comes out and tells them: Do not fear, holy beloved. Due to you, the Holy One, blessed be He, remembers your children and desires to redeem them, and you will see.

43. The Alphabets and the names

We hear of the movement and permutation of the Alphabets as the letters fly in the air; no one can understand them except for Messiah.

286. (THE BEGINNING OF THE SUBJECT IS MISSING) all the permutations of the Alphabets fuse and interlock with each other to form the permutation of the Holy Name. After the appearance of the letters in this combination, these LETTERS are stored away and others emerge AND JOIN TO A DIFFERENT PERMUTATION. And this is how they are; these are hidden and these emerge, and all within the hollowness of these buttons.

287. THE LETTERS also fly three times a day in the air and make their exit, and the name is suspended in four letters in the air for an hour and a half. After that, this NAME gets hidden and immediately the name of twelve letters emerges from the air, from its hollowness. It flies suspended in the air, one hour and not more. Then this NAME gets stored away and immediately, another combination of letters emerges. That is the name of 22 letters. They hang suspended in the air another hour, and become hidden. Immediately, other letters emerge from another empty space, the name of 28 letters. All get adorned with their crowns and stay for an hour and a half, and THIS NAME gets hidden. Immediately the name of 25 letters with their combinations emerges, hanging in the air, and remains an hour and three minutes,...(MISSING HERE)...emerge letters with 42 letters...(THERE IS SOMETHING MISSING HERE)...stays forever...(THE REST IS MISSING).

288. (THE BEGINNING IS MISSING) the names. All these letters never rest. They stand out and sparkle externally, and rise and descend. No one could understand anything about them, except for Messiah with great toil. That NAME gets hidden after staying around for two hours and 22 minutes and that name, which is engraved in 72 letters, emerges. It stays suspended in the air an hour and a half. All these names do not emerge and do not appear except once a day, but the letters of the Alphabet are visible flying in the air and combining LETTERS WITH LETTERS, three times a day.

289. When the letters of the Alphabet fly, some of them fly from here and some FLY from here, and all combine. When the head of the Yeshivah descended there, he said, Messiah saw in the permutations of the letters of the Alphabet, as Daniel saw in them, when he saw the letters, Mem Mem Tav Vav Samech, Nun Nun Kuf Pe Yud, Aleph Aleph Lamed Resh final Nun. HE KNEW TO COMBINE FROM THEM, "MENE MENE TEKEL UFARSIN" (DANIEL 5:25), FOR THE FIRST THREE LETTERS OF THESE THREE COMBINATIONS FORMS MENE. THE SECOND SET OF THREE LETTERS ALSO COMBINE TO MENE, THE THIRD SET COMBINE TO TEKEL, THE FOURTH SET OF THREE LETTERS COMBINE TO UFAR AND THE FIFTH SET COMBINE TO SIN.

44. Souls ascend and descend

We are told about the great joy on each Shabbat eve when the Tree of Life is awakened and produces sanctified souls. When the Shabbat arrives the souls come down to rest on a holy nation and the souls of the righteous ascend to the higher Garden of Eden. When the Shabbat ends those additional souls that dwelt upon the children of Yisrael rise above and the souls of the just descend. The souls that rose stand in the presence of God who queries them about what new things in the Torah they learned in the world. When a soul says a new interpretation God gathers His entourage and tells them about it in both Yeshivot.

290. Each Shabbat eve when the children of Yisrael sanctify the day below, the proclamation goes out to the four corners of the world to assemble holy camps and prepare the thrones. Who saw such joy, WHEN in 390 firmaments many appointed ones and many rulers gather to their stations. As soon as Yisrael below sanctify THE DAY, the Tree of Life, THAT IS ZEIR ANPIN, gets awakened and a wind blows from the World to Come, WHICH IS BINAH, and beats at its leaves. The branches in the tree shake and exude fragrances from the World to Come. TREE IS ZEIR ANPIN, ITS BRANCHES ARE HIS SFIROT, ITS LEAVES ARE THE SOULS THAT IT PRODUCES. THE 390 FIRMAMENTS ARE THE SECRET OF CHOCHMAH AND BINAH, TIFERET AND MALCHUT, OF WHICH EACH IS COMPRISED OF ONE HUNDRED EXCEPT FOR MALCHUT THAT LACKS TEN LAST ONES, THESE BEING FROM MALCHUT OF MALCHUT WHICH ARE FROM THE MEASURE OF JUDGMENT, AND ARE STORED AWAY, AND THEREFORE THEY ARE FOUR HUNDRED MINUS TEN.

291. The Tree of Life awakens and produces sanctified souls, and spreads THEM over the world. With all this, souls come and souls go, MEANING TO SAY THAT SOULS GO OUT TO BE DRESSED IN YISRAEL IN THIS WORLD AND THE SOULS OF THE RIGHTEOUS ASCEND FROM THE LOWER GARDEN OF EDEN AND ENTER ABOVE TO THE GARDEN OF EDEN UP HIGH. Those THAT LEAVE stir those TO ENTER. Therefore, these leave and these ascend and the Tree of Life, THAT IS ZEIR ANPIN, is joyful.

292. Then all of Yisrael are adorned with the crowns of these sanctified souls, THE SECRET OF THE ADDITIONAL SOULS, and all are in happiness and repose. And all of the Shabbat, they enjoy that happiness and satisfaction. All the just that are in the Garden ascend and take pleasure in that uppermost pleasure of the World to Come, IN THE GARDEN OF EDEN, UP HIGH. When Shabbat ends, all the souls fly away FROM YISRAEL and go up ABOVE.

293. Come and see: When the Shabbat arrives, the souls come down, MEANING THE ADDITIONAL SOULS, to rest on a holy nation. And the souls of the righteous, FROM THE LOWER GARDEN OF EDEN, ascend above TO THE HIGHER GARDEN OF EDEN. When the Shabbat ends, those souls that dwelt upon the children of Yisrael rise above, THAT IS THE ADDITIONAL SOULS, and the souls of the just descend, THOSE THAT ROSE TO THE HIGHER GARDEN OF EDEN, AND ARE NOW RETURNING TO THE LOWER GARDEN OF EDEN.

294. As soon as all the souls that dwelt on Yisrael have risen above, they rise and stand, in form, in the presence of the sanctified King. The Holy One, blessed be He, asks all of them, What new things in the Torah have you had in that world? Praised is the one that says in His presence a new illumination in the Torah, as so much joy is produced by the Holy One, blessed be He. He gathers His entourage, MEANING THE HIGHER SOULS AND ANGELS, and says, Hear the new words of Torah, which that soul of so-and-so is recounting. All explain that point in the two Yeshivot, MEANING IN THE YESHIVAH OF THE HOLY ONE, BLESSED BE HE, AND THE YESHIVAH OF METATRON; they below, and the Holy One, blessed be He, above seals that item.

295. Come and see: When some novel interpretation in Torah is discovered and the additional soul that came down in Shabbat was involved in this novel interpretation of the Torah, and ascends higher above, AFTER THE SHABBAT, the entire entourage above listen to that matter. The sanctified holy beasts are enlarged by their outstretched wings and put on their wings. When He asks THE SOULS ABOUT THE TORAH'S NOVEL INTERPRETATIONS, they do not respond, but remain quiet. Then it is written about the sanctified holy living creatures: "When they stood still, they let down their wings" (Yechezkel 1:25). "STOOD STILL" MEANS IN THEIR SILENCE, as it says: "Because they stand there, and answer no more" (Iyov 32:16). "And when he opened it, all the people stood up" (Nechemyah 8:5), MEANING THEY WERE STILL.

296. If you wonder why silence is referred to by standing, HE REPLIES it is because during speech, there are seven limbs that move WHILE TALKING, which are the heart, lung, voice pipe, tongue, teeth, lips and flesh. When silenced, they stay in their position without moving. Therefore, he calls silence standing.

297. (THE BEGINNING IS MISSING...) because Rabbi Hamnuna Saba (the elder) said, "May He send you help from the sanctuary..." (Tehilim 20:4-5); the sanctuary that is the sanctifying of the hands, MEANING THE FIRST WASHING BEFORE THE MEAL. "And strengthen you out of Zion": That is the blessing on the bread, which satisfies the heart of a person. "May He remember all your offerings": "All" indicates something else in addition, which is the washing of the hands at the end, MEANING THE LAST WATERS. "And accept with favor your burnt offering": That is blessing after the meal in the company of the required quorum. If you do so, "May He grant you your heart's desire, and fulfill all your counsel" and on the Shabbat, THE WORD "sanctuary" alludes to the great sanctification (Heb. Kiddush) IN THE MORNING. About this matter, the just in the Garden of Eden were adorned with crowns, from one Shabbat to the next Shabbat...(THE END IS MISSING).

297. דְּהָא רַב הַמְנוּנָא סָבָא אָמַר, יִשְׁלַח עֲזָרָךְ מִקֹּדֶשׁ וְגו'. מִקֹּדֶשׁ, דָּא קְדוּשַׁת יְדֵימָן. וּמִצִּיּוֹן יִסְעָדְךָ, דָּא הַמוֹצֵיא, דְּאִיהוּ סְעִיד לְבָא דְּבֵר נֶשׁ. יִזְכּוֹר כָּל מִנְחוֹתֶיךָ, כָּל לְאִסְגָּאָה מִלְּהָ אַחֲרָא, דָּא נְטִילַת יְדֵימָן בְּתַרְיִיתָא. וְעוֹלְתָךְ יִדְשְׁנָה סְלָה, דָּא בְּרַבַּת הַמְזוּן בְּזִמּוֹן. וְאִי אֵת עֵבִיד בֶּן, יִתֵּן לָךְ כְּלָבְכָךְ וְכָל עֲצָתְךָ יִמְלֵא. וּבִשְׁבַת מִקֹּדֶשׁ, דָּא קְדוּשָׁא רַבָּא. וְעַל מִלְּהָ דָּא, אֲתַעְטְרוּ צְדִיקָיָא בְּגוֹן עֲרֵן, מִשְׁבַּת לְשַׁבַּת אַחֲרָא.

45. "Behold, His reward is with Him. And His hire before Him"

The spirit talks about the future when the Shechinah will ascend from the mount of Avarim and proclaim the good tidings to the world. God will proclaim rewards for everyone according to their deeds, and all the idol worshipers will see the good reward of the righteous. When Jerusalem is raised the righteous in the Garden of Eden will have additional joy. The soul who has new interpretations of the Torah will be praised, and his father will be crowned for his sake.

298. In addition, he opened the discussion saying, "You that bring good tidings to Zion, get you up into the high mountain..." (Yeshayah 40:9). "Into the high mountain" definitely means the mountain of Avarim, AT which Moses was buried. We have already explained that the Shechinah will ascend from there and will proclaim the good tidings to the world. However, all is inclusive in her, MEANING THE EXPRESSION: "GOOD TIDINGS TO ZION" COMPRISES THE VARIETY OF LITERAL INTERPRETATIONS. "You that bring good tidings to Zion" is Hephzibah, the wife of Nathan son of David, who is the mother of Messiah, Menachem son of Amiel, WHO WAS HER DESCENDANT. She shall go out and bring the tidings ABOUT REDEMPTION and she is part of the general meaning of: "You that bring good tidings to Zion."

298. תּוֹ פִּתַּח וְאָמַר, עַל הַר גְּבוּהָ עָלִי לָךְ מִבְּשַׂרְתָּ צִיּוֹן וְגו'. עַל הַר גְּבוּהָ, הָאִי וְדָאִי הַר הָעֵבְרִים, אֲתֵר דְּמֹשֶׁה אֲתַקְבֵּר. וְהָא אֹקְמוּהָ, דְּשְׁכִינְתָּא תְּסַלֵּק לְתַמּוֹן, וְתַבְּשַׂר עֲלֵמָא. אֲבָל כְּלָא אִיהוּ, מִבְּשַׂרְתָּ צִיּוֹן, דָּא אִיהִי חֲפְצֵי בְּהָ, אֲתַתָּא דְּנָתָן בְּר דָּוִד. אִימָא אִיהִי דְּמִשְׁיַחָא, מִנְחָם בֶּ"ר עֲמִיאֵ"ל, וְאִיהִי תִיפּוּק וְתַבְּשַׂר, וְאִיהִי בְּכֻלָּא דְּמִבְּשַׂרְתָּ צִיּוֹן.

299. A voice will be heard around the world and two kings in the world will get aroused to wage battle. THEN, the sanctified name will emerge TO REIGN over the world. What tidings will she bear and declare? That is "Behold, Hashem Elohim, will come with might, and His arm shall rule for Him: behold, His reward is with Him. And His hire before Him" (Yeshayah 40:10). "Behold, His reward is with Him" means that the Holy One, blessed be He, will proclaim for the entire entourage above and command them to assemble and hold court. 'Whoever gave his soul for the sake of My name's sanctity, what is his reward? They will pronounce that much and so much. Whoever suffered so many disparaging remarks and curses for My sake, what is his reward? They will pronounce that amount. Whoever was daily punished for My sake, what is his reward? And they will say, it is this.' That is the meaning of: "Behold, His reward is with Him. And His hire before Him."

299. קָלָא יִשְׁתַּמַּע בְּעֲלָמָא, וְתַרְיִין מַלְכִין יִתְעַרְוּן בְּעֲלָמָא, לְאַגְחָא קְרָבָא, וְיַפּוּק שְׁמָא קְדִישָׁא עַל עֲלָמָא. מַה תַּבְּשַׂר וְתִימָא. הִנֵּה יְיָ אֱלֹהִים בְּחֹזֶק יָבָא וְזִרְעוּ מוֹשְׁלָה לּוֹ. הִנֵּה שְׂכָרוֹ אֲתוּ וּמְעוֹלָתוֹ לְפָנָיו. הִנֵּה שְׂכָרוֹ אֲתוּ, דְּקוּדְשָׁא בְּרִיךְ הוּא כְּרִיז בְּכָל פְּמִלְיָא דְּלְעִילָא, וְיִימָא לֹון, אֲתַכְנָשׁוּ וְדָאִינוּ דִּינָא. מֵאן דְּמָסַר נַשְׁמַתִּיהָ עַל קְדוּשַׁת שְׁמִי, אֲגַרְיָה מֵאִי הוּא. וְאִינוּן יִימְרוּן כֶּן וְכֶן. מֵאן דְּסָבִיל כְּמַה חְרוּפִין וְגְדוּפִין בְּכָל יוּמָא עָלַי, מַהוּ אֲגַרְיָה. אִינוּן אֲמַרִי כֶן. מֵאן דְּאֲתַעֲנֵשׁ בְּכָל יוּמָא עָלַי, מַהוּ אֲגַרְיָה. אִינוּן אֲמַרִי כֶן. הִהִיד, הִנֵּה שְׂכָרוֹ אֲתוּ וּמְעוֹלָתוֹ לְפָנָיו.

300. HE INQUIRES: What is the meaning of: "And His hire (also: 'deed')"? HE REPLIES: It is as written: "Oh how great is Your goodness, which You have laid up for those who fear You; which You have performed for those who trust in You" (Tehilim 31:20). That is his deed. What is the meaning of: "In the sight of the sons of man"? (Ibid). HE REPLIES: It means in contrast to those idol worshipers, **THAT ALL OF THEM WILL SEE THE GOOD REWARD OF THE RIGHTEOUS.** In "which You have laid up for those who fear You," what is the meaning of, "which You have laid up"? Who would want to rob and take away what He wishes to grant, as written "laid up"? **AND WHY WOULD HE NEED TO HIDE IT?**

301. HE REPLIES: Just go and see the compassionate action that the Holy One, blessed be He, takes, since, when He beats someone, He therein provides a remedy. How does He hurt? With the left, since He draws near with the right and through the left He inflicts blows. Behold: through that which He uses to hurt, He also brings the remedy, since it is written: "Out of the north the evil shall break forth" (Yirmeyah 1:14). **THAT IS THE LEFT,** since He hurls the blows at the left. From there, all the judgments and harsh edicts emanate and in it dwells all good recompense and kindness that the Holy One, blessed be He, has destined to grant Yisrael. In the future to come, the Holy One, blessed be He, will call on the north, **THAT IS LEFT,** and tell him, 'In you I have provided all benefits and good wages to My children who have suffered so many calamities in this world for the sake of the sanctity of My name. Pay out all the good wages that I have entrusted to you!'

302. This is what it says: "I will say to the north, Give up; and to the south, Keep not back..." (Yeshayah 43:6). HE ASKS: Is this then the manner of the south, **WHICH IS RIGHT,** to deprive blessings? Aren't all the blessings from the south side, and good comes from the south? Yet he says to the south, "Keep not back."

303. HE REPLIES: It is only that, at that period, the Holy One, blessed be He, will awaken Abraham and tell him, Rise, because the time has arrived in which I will redeem your children and grant them good compensation for all they suffered in the exile. This is due to the fact that Abraham was involved in their sale **TO THE EXILE** as is written: "Unless their Rock had sold them" (Devarim 32:30), which refers back to Abraham. He therefore acted as if this was not favorable in his eyes and showed himself as if he wished them to be hurt more for their iniquities, saying a payback should be collected for their iniquities and sins. The Holy One, blessed be He, said to Abraham, 'I am aware that whatever you said was just said on the surface, **BUT NOT MEANT TRUTHFULLY OUT OF YOUR HEART.** I too will be like that, I'LL DEAL WITH YOU on the surface **AND SAY TO YOU,** "Keep not back." I wish to please you for the sake of your children. Do not deprive them of kindness and do not deprive them of good compensation. They suffered so much for their iniquities. Therefore, "I will say to the north, Give up", **SO THE NORTH WILL PROVIDE GOOD WAGES.** Everything else, **THE SOUTH WILL NOT KEEP BACK** and that is the meaning of: "which You have laid up (Heb. tzafanta), **WHICH IS DERIVED FROM NORTH (HEB. TZAFON), WHICH PROVIDES EVERYTHING.** This is the good tidings that she brings, **MEANING WHAT IT SAYS ABOVE: "YOU THAT BRING GOOD TIDINGS TO ZION, GET YOU UP INTO THE HIGH MOUNTAIN..."**

300. מהו ומעולתו. אלא במה דכתיב, מה רב טובך וגו'. פעלת לחוסים בך. דא הוא פעולתו. נגד בני אדם מהו. אלא נגד עכו"ם. אשר צפנת ליראיך, מהו אשר צפנת. וכי מאן יגזול ויטול מן ידוי, מה דהוא בעי למיהב, דכתיב צפנת.

304. In addition, she will bring tidings for the second time when the Shechinah will be on that high mountain, and she will go with the tidings to the patriarchs. Swiftly, THE SHECHINAH will visit Jerusalem and see its destruction. She will enter Zion and there she will batter the wall as before, over her original dwelling house and the glory SHE ENJOYED at that location. And she will swear that she will not leave there until the Holy One, blessed be He, redeems her children. The same Hephzibah will bring tidings as before and declare, "Cry out and shout, you inhabitant of Zion: for great is the Holy One of Yisrael in the midst of you" (Yeshayah 12:6). What is "great...in the midst of you"? That is the Holy One, blessed be He, who comes to her to raise her from the dust and say to her, "Shake yourself from the dust; arise, and sit down, O Jerusalem" (Yeshayah 52:2). THE SHECHINAH is Jerusalem and Jerusalem is assuredly her name.

305. (THAT IS THE COMPLETION OF THE ABOVE ARTICLE FROM VERSES 290-296). By this too, how much additional joy will the righteous have in the Garden of Eden? As a result of this, praised is he whose soul bears witness on the Shabbat in the presence of the King with his new interpretations of the Torah. Through this, the Holy One, blessed be He, and His entire entourage above and all these righteous in the Garden of Eden are adorned with that NOVEL INTERPRETATION.

306. Additionally, I heard from the holy luminary. How much glory upon glory and adornment upon adornment they crown the father of that man, WHOSE SOUL BEARS WITNESS ABOUT THE INNOVATIVE TORAH INTERPRETATIONS. During that time, the Holy One, blessed be He, says TO HIS ENTOURAGE, 'Gather to listen to new innovative matters in the Torah of so-and-so, son of so-and-so', BECAUSE AT THAT POINT, THE HOLY ONE, BLESSED BE HE, MENTIONS THE FATHER OF THE INNOVATOR. How many are they that kiss on the head OF THE INNOVATOR'S FATHER? How many righteous adorn him when they descend? Praised is the lot of all those who study and deal in the Torah, and especially on the Shabbat even more than the rest of the weekdays.
(up to here spoke the head of the Yeshivah).

46. "A cake of the first of your dough for a gift"

We hear of the inner meaning of the offering of the cake (chalah) of the first of the dough. We are told that chalah is the Shechinah, and we learn that paternal merit ends for the wicked as they receive their reward in this world and they do not have Chassadim. The Shechinah indicates merit for her children when she receives from the right, where the 248 positive commandments are.
Ra'aya Meheimna (the Faithful Shepherd)

307. "You shall offer up a cake (Heb. chalah) of the first of your dough for a gift" (Bemidbar 15:20). This commandment is to separate a piece of dough for chalah. Chalah's numerical value is Mem Gimel (=53). THIS INDICATES THAT DOUGH DOES NOT ACQUIRE THE SIZE WHEN CHALAH IS TO BE REMOVED FROM IT, UNLESS IT CONTAINS 43 and 1/5 of an egg's size OF AN EGG. There are times when fifth means one of fifty, which is final Nun (= fifty). This is derived from Mem Gimel final Nun, which is the initials of Michael, Gabriel and Nuriel, WHICH CORRESPOND TO CHESED, GVURAH AND TIFERET OF ZEIR ANPIN. Chalah is the Shechinah, for wherever these angels MEM GIMEL FINAL NUN, are, there are the patriarchs, WHO ARE CHESED, GVURAH AND TIFERET. Wherever the patriarchs are, THAT IS, CHESED, GVURAH AND TIFERET, there the Shechinah is found, SINCE CHESED, GVURAH AND TIFERET ARE THE SECRET OF THREE COLUMNS AND MALCHUT RECEIVES FROM THEM. And in her, IN MALCHUT, one beseeches, for in her one prays. SHE IS REFERRED TO AS PRAYER, as written: "And Moses besought (Heb. Vayechal) Hashem his Elohim..." (Devarim 3:24) and "O Hashem Elohim, you have begun (Heb. hachilota) to show Your servant..." (Shemot 32:11). In her Chalah, NAMELY, the paternal merits begin, WHICH IS DERIVED FROM HACHILOTA. In her, paternal merit ends for the wicked, SINCE PATERNAL MERIT DOES NOT STAND FOR THEM as they receive their reward in this world.

308. Since from the right side, where the Yud is, that is Chochmah, BECAUSE CHOCHMAH IS AT THE RIGHT AND BINAH IS AT THE LEFT, THAT ARE YUD-HEI, which is the beginning of the name Yud Hei Vav Hei, THE SHECHINAH indicates merit for her children WHEN SHE RECEIVES from the right, where the 248 positive commands are, THAT IS THE SECRET OF CHASSADIM, and from the side of the last Hei OF HEI VAV YUD HEI, that is to the left of Gvurah, SINCE MALCHUT IS ERECTED FROM THE LEFT SIDE. PRIOR TO THAT, IT RECEIVES FROM THE RIGHT, where the negative commands exist, which total 365 THAT ARE ON THE LEFT, where the totally wicked are sentenced. FOR THEM, paternal merit has ended, BECAUSE THEY STILL DO NOT HAVE CHASSADIM FROM CHESED, GVURAH AND TIFERET, WHO ARE CALLED FATHERS. The name of Yud Hei Vav Hei is reversed to Hei Vav Hei Yud, MEANING BACKWARDS, INDICATING JUDGMENT. We learn this from the wicked Haman, BECAUSE HE SAID, "Yet all this avails me nothing" (Ester 5:13). THE LETTERS AT THE END OF THE VERSE FORM HEI VAV HEI YUD, WHICH IS AN INDICATION OF JUDGMENTS.

47. Moses' birth

Rabbi Chizkiyah says that God gave Yisrael the Torah and also faithful prophets to lead them. All the prophets beheld God's glory from a high place, but not as near as Moses, who was closer to God than any of them. Rabbi Chizkiyah interprets the scripture beginning "And there went a man of the house of Levi, and took to wife the daughter of Levi," as meaning that Zeir Anpin joined with Malchut. We learn that the Shechinah hid Moses for three months because he was present above in the higher realm before he descended to this world. She allowed Moses to sail among the angels because he was later destined to go up among them to receive the Torah. We are told that the daughter of Pharaoh came from the left aspect of harsh judgment, and that she saw the child Moses stamped with the signature of Zeir Anpin and Malchut when she found him in the box of papyrus. From all this Rabbi Shimon derives that the souls of the righteous come from a high place, and that the soul has a father and a mother. Everything comes from and exists from male and female; Malchut is seen to be the mother of the soul of the first man.

309. "And Hashem spoke to Moses, saying, 'Speak to the children of Yisrael, and bid them that they make them fringes in the corners of their garments throughout their generations...'" (Bemidbar 15:37-38). Rabbi Chizkiyah opened the discussion saying, "And He showed me Joshua the High Priest..." (Zecharyah 3:1). How happy are Yisrael that He desires their glory above all the people, has granted them the Holy Torah and given them faithful prophets that lead them according to Torah on the true path.

309. ויאמר יי' אל משה לאמר דבר אל בני ישראל וגו' ועשו להם ציצית על כנפי בגדיהם לדורותם וגו'. ר' חזקיה פתח, ויראני את יהושע הכהן הגדול וגו'. כמה זכאין אינון ישראל, דקודשא בריך הוא בעי ביקרהון על כל בני עלמא, ויהב לון אורייתא קדישא, ויהב לון נביאי מהימני, דמדברי להו באורייתא, בארץ קשוט.

310. Come and see all the various groups of prophets that the Holy One, blessed be He, set up for everyone in Yisrael. The Holy One, blessed be He, revealed Himself on the highest holy levels and they beheld the King's Holy Radiance of Glory from a lofty location - but not as near as Moses, who was closer to the King than any of them since his lot was more blessed than that of any other man. About him, it is written: "With him I speak mouth to mouth, manifestly, and not in dark speeches" (Bemidbar 12:8). The rest of the prophets saw from a distant place, as you say, "Hashem appeared of old (also: 'from afar') to me" (Yirmeyah 31:2).

311. Rabbi Chizkiyah said, This is how I learned. It is written: "And there went a man of the house of Levi, and took to wife the daughter of Levi" (Shemot 2:1). "And there went a man": That is the Holy One, blessed be He, THAT IS ZEIR ANPIN, as it says, "Hashem is a man of war" (Shemot 15:3). "The house of Levi" is the Holy One, blessed be He, WHO WENT FROM the area where the uppermost high Chochmah and that bright radiance, WHICH IS SUPERNAL BINAH, join together and never separate. HE INTERPRETS "LEVI" AS DERIVED FROM ATTACHMENT, AS IN 'LIVYUT' (ENG. 'ACCOMPANIMENT'). ANOTHER EXPLANATION OF: "Of the house of Levi" is that the Leviathan, THAT IS THE YESOD OF ZEIR ANPIN, has inspired all enjoyment in the world AND HE INTERPRETS "LEVI" AS DERIVED FROM LEVIATHAN, as is written: "There is the Leviathan, whom You have made to play therein" (Tehilim 104:26). "And took to wife the daughter of Levi": That is the Holy One, blessed be He, which is the place where the moon is bright, THAT BEING MALCHUT.

312. "And the woman conceived, and bore a son" (Shemot 2:2). Surely, "the woman" IS MALCHUT, as it says, "she (Heb. zot) shall be called woman" (Beresheet 2:23) AND "ZOT" IS THE NAME OF MALCHUT. At first, SHE IS CALLED "the daughter of Levi" and certainly it is so. Why did he first CALL HER the daughter of Levi and now a woman? HE RESPONDS: This is what we have learned. Before she is married, a woman is referred to as the daughter of so-and-so, but after she is married, she is referred to as a woman. Here too, daughter and woman pertain to the same level, MEANING MALCHUT. HOWEVER, BEFORE HE TOOK HER IN MARRIAGE, SHE WAS REFERRED TO AS THE DAUGHTER OF LEVI, AND AFTER THAT, A WOMAN.

313. "She hid him three months" (Shemot 2:2): These are the three months when heavy Judgment rests in the world. Which ones are they? Tamuz, Av and Tevet. AND THEREFORE, THE SHECHINAH HID HIM. HE ASKS: What is it trying to tell us by this? HE REPLIES: IT LETS US KNOW that before Moses went down to the world, he was above. Therefore, the Shechinah joined him since the day he was born, AND PROTECTED HIM. From here, Rabbi Shimon took it to say that the spirits of the righteous are above before they descend into this world.

310. תָּא חֲזִי, כָּל נְבוֹאֵי וּנְבוֹאֵי דְאֻקִּים קוּדְשָׁא בְּרִיךְ הוּא לְיִשְׂרָאֵל, כְּלֵהוּ אֲתַגְּלוּ קוּדְשָׁא בְּרִיךְ הוּא עֲלֵיהוּ, בְּדַרְגִּין עֲלָיִן קְדוּשִׁין, וְחֲמוּ זֵיו יִקְרָא קְדוּשָׁא דְמַלְכָּא מֵאַתְרַּ עֲלָא, אֲבָל לֹא קְרִיב כְּמֹשֶׁה, דְּהוּהוּ קְרִיב לְמַלְכָּא יְתִיר מִכָּלֵּא, דְּהָא זְכָאָה חוֹלְקִיהּ יְתִיר מִכָּל בְּנֵי עֲלָמָא, דְּעֵלִיָּה כְּתִיב, פֶּה אֵל פֶּה אֲדַבֵּר בּוֹ וּמְרָאָה וְלֹא בְּחִידוּת. וּשְׂאֵר נְבוֹאֵי, הוּוּ חֲמָאן מֵאַתְרַּ רְחִיקָא, כְּמָה דְאַתְּ אָמַר מִרְחוֹק יְיָ נִרְאָה לִי.

314. "And when she could no longer hide him" (Ibid. 3). HE ASKS: What is the meaning of: "She took for him a box made of papyrus"? (Ibid). HE REPLIES: She coated it with conserving ingredients to keep it safe from these sea fish, MEANING HIGH ANGELS, that swim in the great ocean, as is written: "Wherein are creeping things innumerable" (Tehilim 104:25). She coated it so that he should be kept from them, with a coat from the precious Jubilee, THAT IS BINAH, in two colors, white and black. THAT IS THE SECRET OF CLAY AND TAR, WHICH CORRESPONDS TO THE TWO COLUMNS, RIGHT AND LEFT, SINCE TAR IS THE SECRET OF THE LEFT, EXCEPT THAT IT IS BLENDED WITH MALCHUT OF THE ATTRIBUTE OF JUDGMENT. THEREFORE, THE RED IN THE LEFT TURNS TO BLACK; THAT IS THE SECRET OF THAT BLACK BEING RED, EXCEPT THAT IT WAS BLEMISHED. She allowed Moses to sail among them, THE ANGELS, and to become known among them, because he was destined to go up among them at a later date to receive the Torah.

315. "And the daughter of Pharaoh came down to wash herself at the River" (Shemot 2:5). This DAUGHTER OF PHARAOH came from the left aspect of harsh Judgment, as is written: "To wash herself at the River." "At the River" is exact, instead of "at the sea," SINCE THE SEA INDICATES MALCHUT. HOWEVER, THE RIVER IS HARSH JUDGMENT FROM THE LEFT SIDE, WHICH THE EGYPTIANS HAVE MADE THEIR DEITY. If you wonder about this, that it is written: "And your rod, with which you smote the river" (Shemot 17:5), although Moses never struck the river but rather the sea. The verse refers to it as river INDICATING THAT THE TERM RIVER IS NOT ACCURATE. HE REPLIES: It is indeed the river which Aaron struck under Moses direction, and the scripture assigned it as if Moses himself did the striking.

316. Similarly, "And seven days were completed, after Hashem had smitten the River" (Shemot 7:25). EVEN THOUGH Aaron struck it, it is only because it came from the Holy One, blessed be He, WHO COMMANDED HIM, that the scripture referred to it as: "Hashem had smitten." Later on, it was referred to in the name of Moses, FOR THE SAME REASON; "and her maidens walked along" (Shemot 2:5): These are the rest of the camps that came from that LEFT side.

317. "And when she had opened it, she saw him, the child" (Shemot 2:6). HE INQUIRES: What is: "she saw him"? "She saw" was the proper way to use. Why "she saw him"? Didn't Rabbi Shimon say that there was nothing in the Torah, or even one letter in the Torah, that does not contain highly valuable secrets? HE RESPONDS: That is how we have learned. The impression of the King and the Matron, THAT ARE ZEIR ANPIN AND MALCHUT, THE SECRET OF VAV-HEI OF YUD HEI VAV HEI, was found upon him, and that is the impression of Vav-Hei THAT WERE ADDED TO "SHE SAW (HEB. VATERE)." THEREFORE, IT IS SPELLED "VATIR'EHU (ENG. 'SHE SAW HIM')." Instantly, "she had compassion on him..." (Ibid.). Up to here it relates to the higher, TO HIGHER REALMS. From here on, IT DISCUSSES THIS WORLD below, except for this verse, in which is written: "And his sister stood afar off" (Ibid. 4). HE INQUIRES: Whose sister, AND REPLIES: The sister of the one, MEANING ZEIR ANPIN, who called the Congregation of Yisrael my sister, as it says, "Open to me, my sister" (Shir Hashirim 5:2). "afar off" MEANS as in, "Hashem appeared from afar to me" (Yirmeyah 31:2).

318. HE INQUIRES: What is to be derived FROM THIS PASSAGE? HE REPLIES: It means that all these righteous, prior to their descent to the world, are made known to all above. THAT APPLIES TO ALL THE RIGHTEOUS, and most certainly to Moses. It means that the souls of the righteous are derived from a lofty place, SINCE "of the house of Levi" ALLUDES TO THE SUPERNAL CHOCHMAH AND BINAH, as we have explained. We learned the secret of the matter, which means that there are a father and a mother to the soul, as there are a father and mother to the body on earth, SINCE A MAN IS ZEIR ANPIN AND "DAUGHTER OF LEVI" IS MALCHUT. AND FROM THEIR UNION, THE SOUL OF MOSES WAS BORN.

319. It seems on all sides, both above, THE MALE AND FEMALE PRINCIPLES, and below, ABA AND IMA OF THIS WORLD, that is comprised of male and female. That is how the secret of the scripture was explained: "Let the earth bring forth living creatures (Heb. Nefesh)" (Beresheet 1:24). "The earth" refers to the Congregation of Yisrael THAT IS MALCHUT; the living Nefesh IS the Nefesh of supernal Adam, as we have learned, SINCE MALCHUT IS THE MOTHER OF THE NEFESH OF THE FIRST MAN. Rabbi Aba approached him and kissed him. He said, You certainly spoke properly, and it is as you say.

320. Moses, the faithful prophet, is praised above all the rest of the prophets. Therefore, when he departed, no one else dealt with him besides the Holy One, blessed be He, who raised him to His presence. Therefore, Moses has surpassed in his lofty prophecy and glorious levels all the prophets, while the other prophets saw as if behind many walls.

48. The Tzitzit (fringed garment)

Rabbi Yitzchak says that any person not fortunate enough to become adorned in this world with the covering of a good deed stands in a soiled garment and stands trial for it in the next world.

321. "And He showed me Joshua the High Priest..." (Zecharyah 3:1). HE ASKS: What did he see? HE RESPONDS that he was standing in the presence of the angel dressed in filthy clothes until the proclamation came forth and said, "Remove the soiled clothes from him" (Ibid. 4). Rabbi Yitzchak said that it is written here: "And he stood in the presence of the angel" (Ibid 3). What is the meaning of: "In the presence of the angel"? It means that he was judging him, he about whom it is written: "Nor say before the angel, that it was an error" (Kohelet 5:5). What is this telling us? That whoever did not merit in this world to be wrapped with a religious covering, and dressed with a religious garment, MEANING WITH THE TZITZIT, has a soiled garment that must not be SO, and is judged for it.

318. מאי משמע. משמע דאינון זכאין, עד דלא נחתו לעלמא, אשתמודען אינון לעילא לגבי בלא, וכ"ש משה. ומשמע דנשמתהון דצדיקיא, אתמשך מאתר עלאה, במה דאוקימנא. ורזא דמלה אוליפנא, דמשמע דאב ואם אית לנשמתא, במה דאית אב ואם לגופא, בארעא.

319. ומשמע דבכל סטרין, בין לעילא, בין לתתא, מדכר ונוקבא בלא אתיא ואשתבח. והא אוקמוה רזא דכתיב, תוציא הארץ נפש חיה. הארץ, הא בנסת ישראל. נפש חיה, נפשא דאדם קדמאה עלאה, במה דאתמר. אתא רבי אבא ונשקיה, אמר ודאי שפיר קא אמרת, והכא הוא בלא.

320. זכאה חולקיה דמשה נביאה מהימנא, על כל שאר נביאי עלמא. בגין כך, לא אשתדל ביה בד אסתלק מעלמא, בר קודשא ברין הוא, דאעליה לפרגודיה. ועל הא סליק משה בנבואה עלאה, ובדרגין יקירין, מכל נביאי עלמא, ושאר נביאי חמאן בתר כותלין סגיאיין.

321. ויראני את יהושע הכהן הגדול, מאי קא חמא, דהוה קאים קמי מלאכא, ומתלבש בלבושין מלובלכין, עד דכרוזא נפיק, ואמר הסירו הבגדים הצואים מעליו. אמר רבי יצחק, כתיב הכא ועומד לפני המלאך, מאי לפני המלאך. דהוה דאין דינוי, ההוא דכתיב ביה, ואל תאמר לפני המלאך כי שגגה היא. מאי קא משמע לן. דכל בר נש דלא זכי בהאי עלמא, לאתעטפא בעטופא דמצוה, ולא תלבשא בלבושא דמצוה. כד עייל בההוא עלמא, קאים בלבושא טנופא, דלא אצטריך, וקאים בדינא עליה.

322. Come and see the variety of garments available in that world. That person that did not merit in this world religious garments, MEANING THE TALIT AND TZITZIT, when he enters that world, they dress him with a certain dress that is known to the masters of Gehenom. Woe to him who is dressed in that garb, since many legal investigators will seize him and usher him into Gehenom. King Solomon cried out and said, "Let your garments be always white" (Kohelet 9:8).

323. We learned in the secret of Safra Det'zniuta (the Concealed Book) that four kings come out AND EMANATE in the presence of four. They come out from them like grapes in a cluster. Seven runners are incorporated in them, and they testify. They never stand still WHEN THEY TESTIFY.

We learn about the reason for wearing the tzitzit, and for the plate of pure gold that must be gazed at. We are told that there is blue in the tzitzit to remind people to fear God and we learn about the strands on the tzitzit.

Ra'aya Meheimna (the Faithful Shepherd)

324. The Tzitzit (lit. 'fringed garment'): This command is to remember all the precepts of the Torah through it, as it says, "That you may look upon it, and remember all the commandments of Hashem, and do them" (Bemidbar 15:39). That is the sign of the King to remember and do.

325. It is written: "And you shall make a plate of pure gold" (Shemot 28:36). We have already explained that the secret of the plate (Heb. tzitz) is to adorn the High Priest with it. It is REFERRED TO AS Tzitz, WHICH MEANS SEEING, DERIVED FROM HE PEEPED (HEB. HETZITZ) AND WAS HURT. So the eyes will gaze at it, for it is a sign of the world above, THAT IS ZEIR ANPIN, WHERE THE SECRET OF BESTOWING THE ILLUMINATION OF CHOCHMAH IS INFERRED BY GAZING OF THE EYES, with which the High Priest was adorned.

326. Because of this, looking UPON THE GOLD PLATE serves as absolution from insolence (lit. 'impudence of face'), since nothing prevails in its presence except a face of truth, which is the secret of every supernal face. THAT IS THE SECRET OF THE ILLUMINATION OF CHOCHMAH CLOTHED WITH CHASSADIM, WHICH IS REFERRED TO AS FACE, which is true face, MEANING the true face that is incorporated in the truth of Jacob THAT IS ZEIR ANPIN, IN ACCORDANCE WITH THE SECRET OF THE SCRIPTURE: "YOU WILL SHOW TRUTH TO JACOB" (MICHAH 7:20).

327. Tzitzit is feminine, which is the secret of the lower world, MEANING MALCHUT, that is a look for the purpose of remembering, MEANING AS IT SAYS, "THAT YOU MAY LOOK UPON IT, AND REMEMBER" (BEMIDBAR 15:39). Tzit is masculine, MEANING ZEIR ANPIN, and Tzitzit is feminine, WHICH IS MALCHUT. That TZITZIT is for every man, while Tzit is just for the priest.

322. ת"ח, כִּמָּה לְבוּשֵׁי מִזְדַּמְנִין בְּהוּא עֲלֵמָא, וְהוּא בְּרִי נֶשׁ דְּלֵא זְכִי בְּהָאֵי עֲלֵמָא בְּלְבוּשֵׁי דְּמִצְוָה, כִּד עֵייל לְהוּא עֲלֵמָא, מְלַבְּשֵׁין לֵיהּ בְּחַד לְבוּשָׁא דְּאִשְׁתְּמוּדַע לְגַבֵּי מְאִרְיָהוֹן דְּגִיָּהֲנָם, וְהוּא לְבוּשָׁא, וּוּי לְמֵאן דְּאִתְּלַבֵּשׁ בֵּיהּ. דְּהָא כִּמָּה גְּרִדִּינֵי נְמוּסִין, זְמִינִין לְאַחַדָּא בֵּיהּ, וְעֵיילֵי לֵיהּ לְגִיָּהֲנָם. וְשִׁלְמָה מְלַכָּא צְוּחַ וְאִמַר בְּכָל עֵת יִהְיוּ בְּגָדֶיךָ לְבָנִים.

328. We have learned that it is forbidden to gaze at the Shechinah. Therefore, there is blue IN THE TZITZIT (LIT. 'FRINGED GARMENT'), since blue is a throne for the house of David, THAT IS MALCHUT, and its restoration. That is in order to have fear of the presence of Hashem, to fear that area. Therefore, "That you may look upon it, and remember all the commandments of Hashem, and do them" (Bemidbar 15:39). AND BLUE is the throne at which criminal law is judged, as was explained, that all colors are good in a dream except blue, since that throne rises to judge criminal law.

329. It is written: "And that they put upon the fringe of each corner a thread of blue" (Bemidbar 15:38). It is not written: 'They shall put upon the corner', but rather "They put upon the fringe," since it covers over the rest of the threads, MEANING THAT TZITZIT ALLUDES TO THE ILLUMINATION OF CHOCHMAH. THEREFORE, ONLY THEY REQUIRE A COVER AND PROTECTION FROM THE BLUE THREAD. THAT IS WHY IT IS WRITTEN: "AND THAT THEY PUT UPON THE FRINGE."

330. "And you shall see it and remember": IT IS AS WHAT is written: "Remember what Amalek did to you" (Devarim 25:17). What is the reason? It is SIMILAR to a son that breaches a fence and gets bitten by a dog. Every time the father wants to reprove his son, he says to him, Remember when the dog bit you? Here too, "you shall see it and remember," since THE BLUE is the area where the souls ascend to be judged. THEREFORE, IT IS ALSO SIMILAR TO WHAT IS WRITTEN: "REMEMBER WHAT AMALEK DID TO YOU."

331. Similarly, "and it shall come to pass that every one that is bitten, when he looks upon it, shall live" (Bemidbar 21:8). Why is this? It is only when he raised his eyes and saw the form of that which bit him, he was afraid and prayed to Hashem, and knew that this was punishment for the wicked. As long as a son sees his father's strap, he fears his father. If he is saved from the strap, so is he saved from everything. Who caused him to be saved? His seeing the strap with his own eyes. SO the strap caused him to be saved. Hence, "when he looks upon it, shall live." He saw the strap that beat him, and it caused him to be saved. Here too, "that you may look upon it, and remember all the commandments of Hashem, and do" certainly. If not, here is the strap, MEANING THE BLUE that will cause you to return always to My service. Then, "do."

332. "And that you seek not after your own heart" (Bemidbar 15:39). ONCE YOU SAW THE BLUE, it prevented you from other evil ways. Assuredly, "you seek not" and commit no evil. Therefore, the sight of the blue is over THE TZITZIT. This blue is similar to the throne of glory. Just as the throne of glory causes a person to follow the upright path to purify him, so too this blue causes him to walk the straight path. Certainly every person should have fear of this place, thus walking in the straight path.

328. וְתִינֵן, אֲסוּר לְאַסְתַּכְּלֵא בְשִׁכְנֶתָא, בַּג"כ אֵיךְ תְּכַלֵּא, בְּגִין דְּתַכְלֵת, אִיהוּ בְּרִסְיָא לְבֵית דְּוֹד, וְתִקְוָא דִּילֵיהּ. וְדָא אִיהוּ דְּחֵלָא מִן קֳדָם יְיָ לְרַחֲלָא מֵהוּוּ אַתְרָה. וְעַל דָּא וְרֵאִיתֶם אוֹתוֹ וְזָכַרְתֶּם אֶת כָּל מִצְוֹת יְיָ, וְדָא בְּרִסְיָא דְּרֵינִין בְּהָ דֵּינֵי נִפְשׁוֹת, בְּמָה דְּאוֹקְמוּהָ, דְּכָל גּוֹוִינֵן טְבִין לְחֵלְמָא, בְּרֵ תְּכַלֵּא, דְּאִיהוּ בְּרִסְיָא דְּסִלִּיק בְּרֵינָא דְּנִפְשׁוֹת.

333. It is written: "From the uttermost part of the earth have we heard songs, glory to the righteous. But I said, 'my leanness (also: 'secret')..." (Yeshayah 24:16). "From the uttermost part of the earth" refers to the corner of the Tzitzit, which is the edge of the earth, MEANING THE CORNER OF MALCHUT CALLED EARTH. "Have we heard songs": These are all the threads that come out and hang from a high place, within those lofty paths that emerge from supernal Chochmah. "Glory to the righteous": That is the Righteous that lives forever, WHICH IS YESOD OF ZEIR ANPIN, since the threads of the Tzitzit are His beauty. From Him, they emanate AND ARE GIVEN TO MALCHUT, and each thread is comprised of two aspects, MEANING CHASSADIM AND CHOCHMAH, WHICH ARE RIGHT AND LEFT. When I gaze, I say: "my secret, my secret" (Ibid.), since they come out from the high secret of the whole Faith AS THEY ARE THE WHOLE OF THE LIGHTS OF MALCHUT, REFERRED TO AS FAITH. And when I gaze at the blue and see a strap for beating, which is the place of awe that inspires fear, I say, "Woe to me" (Ibid.), because people do not know enough to watch and observe why they are punished for lying. "Traitors have dealt treacherously" (Ibid.), since they read the recital of Kriat Sh'ma without the Tzitzit and give false evidence. These are the traitors who have dealt treacherously, since they are false to themselves.

334. "Traitors have dealt very treacherously" (Ibid.): their garment when without Tzitzit is considered "traitors (Heb. beged) have dealt very treacherously," that is, a garment (Heb. beged) of those traitors who are treacherous, who lie and give false testimony every day. Woe to them and woe to their souls, since they will ascend to that blue throne to HAVE THEM judged. About them, it is written: "He that tells lies shall not remain in My sight" (Tehilim 101:71). That garment of theirs is known to all the prosecutors. Woe to them that they have no part in the World to Come. Praised are the righteous, whose garments and works are known above to benefit them in this world and in the World to Come.

335. This commandant is the precept of Tzitzit, which is comprised of blue and white, MEANING FOUR WHITE THREADS AND ONE THREAD OF BLUE, that are Judgment and Mercy in fire. White fire does not consume, but the blue consumes and destroys everything. "And consumed the burnt offering" (II Divrei Hayamim 7:1), MEANING the white FIRE on the right and the blue FIRE from the left. The Central pillar, MEANING THE CENTRAL COLUMN THAT UNITES RIGHT AND LEFT, is the union between the two, and is green FIRE. Therefore, the masters of the Mishnah have established: 'When does one read the Sh'ma in the morning: when one can distinguish between blue and white'. THAT IS, WHEN ONE CAN DISCRIMINATE BETWEEN JUDGMENT AND CHESED, BECAUSE THEN ONE WILL ADHERE TO CHESED, WHICH IS THE SECRET OF THE READING OF SH'MA. Therefore, it has been established to recite the passages about Tzitzit in union... (THE ENDING IS MISSING).

End of Ra'aya Meheimna

Rabbi Yehuda tells us that God has many witnesses to testify for a person, all of whom provide counsel for the person. If he listens to them all is well, but if not they testify about his iniquities above. Rabbi Yehuda tells us what a person is reminded of when he dons the Tefilin and the tzitzit. He reminds us of the precept to remember all the commandments of God. Rabbi Shimon says that God is destined to extricate the children of Yisrael from the exile, and in that day His name will be praised throughout the earth. God will perform signs and miracles in the world, and His name will be One.

336. Rabbi Yehuda said, How many witnesses has the Holy One, blessed be He, set up to testify for the person. All are in counsel and testify before him. When he gets up in the morning and stretches his leg forward to start walking, the witnesses stand before him and declare and say, "He will keep the feet of the pious ones..." (I Shmuel 2:9) as well as "Keep your feet when you go" (Kohelet 4:17) and "Make even the path of your foot" (Mishlei 4:26). When he opens his eyes to look around the world, the witnesses say, "Let your eyes look right on" (Ibid. 25). He starts to talk and the witnesses say, "Keep your tongue from evil..." (Tehilim 34:14). He extends his hands to worldly things and the witnesses say, "Depart from evil, and do good" (Ibid. 15).

337. If he obeys them it is well, and if not, it is written: "And the adversary standing at his right hand to thwart him" (Zecharyah 3:1) All testify about him and his iniquities above. If a person wishes to strive in the service of the Holy One, blessed be He, all the witnesses become good advocates for him and are ready to give a good TESTIMONY for him when he needs it.

338. When he rises in the morning, he recites several blessings, puts on Tefilin on his head between his eyes. When he wishes to raise his head, he sees the supernal Holy Name attached to and marked over his head, and straps hanging from each side over his heart. He thereby observes the glory of his Master. He extends his hands and sees the other hand tied with the knot of the Holy Name. He returns his hand and gazes at the glory of his Master. He wraps himself in a Tzitzit, with the four corners of his garment. Four kings come before four, MEANING four true witnesses of the King, WHICH ARE THE FOUR THREADS OF THE TZITZIT hanging from the four corners, like grapes on a cluster.

339. Just like a grape cluster is one cluster but has several grapes hanging on each side, so too this TZITZIT is one commandment, with grapes, grapeskin and little branches hanging from it, MEANING SEVERAL DIFFERENT LEVELS. Seven runners are entwined in them. They are the seven bands of the blue that one has to bind to each or to add up to thirteen BUNCHES. If adding, one must not add beyond thirteen and if decreasing one must not make less than seven.

340. We have learned that this blue is the secret of King David, THAT IS MALCHUT. It is the thread of Abraham, which he merited for himself and his descendants after him. What is the meaning of blue (Heb. tchelet)? It is the purpose (Heb. tachlit) of everything, SINCE ITS AIM IS THE ENDING (HEB. TACHLIT) OF ALL THE WORLDS. Rabbi Yehuda says it is called the throne of glory, WHICH IS MALCHUT.

341. Rabbi Yitzchak said: Seven wraps THAT ARE BOUND OVER THE TZITZIT is the Shechinah, which is the seventh of everything definitely, since She is blessed from the other six SFIROT, CHESD, GVURAH, TIFERET, NETZACH, HOD AND YESOD, through the Righteous, WHO IS YESOD. THEREFORE, SHE COMPRISES ALL SEVEN. If thirteen WRAPS are done, then the thirteen is as was set in the thirteen attributes of Mercy. MALCHUT is the entrance to all AND, THEREFORE, CONTAINS THIRTEEN.

342. This BLUE is one thread marked in Her color. Her color is produced from a certain fish in the sea of Kineret (Galilee) called Kineret after her, MALCHUT. Because of that, there is a violin (Heb. kinor) hanging above David's bed, THE VIOLIN BEING THE SECRET OF MALCHUT, which is surely David's violin that played on its own to the supernal Holy King, THAT IS, ZEIR ANPIN. Therefore, the colors OF BLUE rise to the firmament, THAT IS ZEIR ANPIN, and from the firmament to the throne, THAT IS BINAH.

343. Here a precept is written, MEANING: "AND YOU SHALL REMEMBER ALL THE COMMANDMENTS OF HASHEM," BECAUSE MALCHUT IS CALLED PRECEPT, as is written: "For the king's commandment was" (II Melachim 18:36). THAT ALLUDES TO MALCHUT; "Why do you transgress the king's commandment" (Ester 3:3), "For it was the king's commandment" (Nechemyah 11:23) - ALL THESE ALLUDE TO MALCHUT, WHICH IS CALLED THE KING'S COMMANDMENT. We learned that Yesod, WHICH IS THE LAST SFIRAH IN ZEIR ANPIN, and the root, WHICH IS KETER, THE SOURCE OF EVERYTHING, get adorned altogether in Malchut. This, MALCHUT, is the memory and the opening to all the rest of the Sfirot, as is written: "Open to me the gates of righteousness" (Tehilim 118:19), WHICH IS MALCHUT THAT IS CALLED RIGHTEOUSNESS. It is written IN THE FOLLOWING VERSE: "This is the gate of Hashem" (Ibid. 20), HER BEING THE GATE TO ALL THE SFIROT. Therefore it is written: "that you may look upon it, and remember all the commandments of Hashem," SINCE THE SCRIPTURE COMES to include in it, IN MALCHUT, all the rest of the Sfirot. FOR IN MALCHUT THAT IS REFERRED TO AS COMMANDMENT, ALL THE SFIROT INCLUDED IN HER ARE CALLED COMMANDMENTS. Therefore, WE LEARNED they give their testimony but do not stay in place, BECAUSE THE SFIROT OF ZEIR ANPIN GIVE TESTIMONY BY REVEALING THE ILLUMINATION OF CHOCHMAH THAT IS CALLED TESTIMONY, AND DO NOT REMAIN IN THEIR PLACE IN ZEIR ANPIN. For she is a commandment, SINCE THE TZITZIT IS THE SECRET OF MALCHUT CALLED COMMANDMENT AND THE SFIROT OF ZEIR ANPIN THAT ARE INCLUDED IN HER ARE CALLED COMMANDMENTS. AND THEREFORE they are not in their place, IN ZEIR ANPIN, BUT RATHER IN MALCHUT.

344. We have learned that ritual articles, THAT IS OF MALCHUT, can be thrown away. If you wonder about the Lulav and willow twigs, WHERE THE LULAV ALLUDES TO YESOD OF ZEIR ANPIN, AND THE WILLOW TWIGS TO NETZACH AND HOD OF ZEIR ANPIN, FOR WHICH REASON THEY ARE NOT RITUAL ARTICLES, BUT RATHER sacred articles, MEANING IN ZEIR ANPIN, so why are they discarded? HE ANSWERS: That is because sacred articles are marked in the writing of the Holy Name. HOWEVER, LULAV AND THE WILLOW TWIGS, EVEN THOUGH THEY ALLUDE TO ZEIR ANPIN, ARE NEVERTHELESS AS RITUAL ARTICLES AND CAN BE THROWN AWAY.

341. רבי יצחק אמר, שבעה כריכין דאיהי שכינתא שביעתא דכלא ודאי. דהא היא מתברכא משייתא אחרנין, על ידא דצדיק. ואי תלת עשר, תלת עשר אינון, במה דאוקמוה בתלת עשר מכילן. והאי היא פתחא דכלהו.

342. והיא חוטא חד, ורשימא בגוונהא, וגוונא דילה נפיק, מחד נונא דאזיל בים כנרת. וכנרת על שמה אתקרי. ועל דא, כנור הוה תלוי לעילא מערסא דדוד, דהא ודאי איהו כנור דדוד, מנגן מאליו למלכא קדישא עלאה. ובג"כ, גוונוי עייל עד רקיעא, ומרקיעא עד כורסיא.

343. והכא כתיב מצוה, כד"א מצות המלך היא. מדוע אתה עובר את מצות המלך. כי מצות המלך. ותנא, יסודא ושרשא במלכא מתעטרין כחדא. והאי הוא דוכרנא ופתחא לכל שאר בתרין. דכתיב, פתחו לי שערי צדק. וכתיב, זה השער לי. וע"ד כתיב, וראיתם אותו וזכרתם את כל מצות יי, לאכללא בהאי כל שאר בתרין. וע"ד אינון סהדי סהדותא, ולא קיימי בדוכתייהו בגין דאיהי מצות.

344. ותנין, תשמישי מצוה, נזרקין. ואי תימא, הא לולב וערבה וכו', תשמישי קדושה אינון, אמאי נזרקין. אלא תשמישי קדושה, בגין דרשימין בכתיבה דשמא קדישא.

345. Rabbi Yitzchak said, The purpose of the threads OF THE TZITZIT is to show how they are suspended from this and that place, and from here to the four corners of the world, and she, MALCHUT, rules over them all in the secret of the heart (Heb. lev - Lamed Bet), being the heart of the whole world, and the heart of the higher beings, MEANING IN THE THREE WORLDS OF BRIYAH, YETZIRAH AND ASIYAH, and originates in the highest heart OF ZEIR ANPIN. Everything is in THE SECRET OF the heart that emerges from the highest wisdom, INDICATING THE LAMED BET (=32) PATHS OF WISDOM THAT SHINE IN IT. Rabbi Yitzchak said, We have learned its measure and length, OF THE TZITZIT, in the engraved letters of Rabbi Elazar.

346. Rabbi Yehuda said, The Holy One, blessed be He, says, 'Whoever wishes to follow the awe of Me should follow this heart, WHICH IS MALCHUT, and the eyes that are over it.' Who are these eyes? It is as in, "The eyes of Hashem are towards the righteous" (Tehilim 34:16). THESE ARE ZEIR ANPIN'S EYES. However, "you seek not after your own heart and your own eyes." What is the reason for this? It is because "after which you go astray" (Bemidbar 14:39).

347. Rabbi Chiya said, What is the reason that the exodus from Egypt is MENTIONED here, as it says: "Who brought you out of the land of Egypt" (Shemot 20:2). HE REPLIES: It is only because, when they left Egypt, they entered this part, WHICH IS MALCHUT, and through it, IN MALCHUT, the Holy One, blessed be He, slaughtered those killed in Egypt. Therefore, THE EXODUS FROM EGYPT is mentioned in its rightful place. At that place, He has warned them about it, AS IT IS WRITTEN: "I AM HASHEM YOUR ELOHIM, WHO BROUGHT YOU OUT..." Why is it in its place? It is because this precept OF THE TZITZIT is its place OF MALCHUT.

348. Rabbi Yesa taught that it is written: "As in the days of your coming out of the land of Egypt I will show him marvelous things" (Michah 7:15). HE INQUIRES: It says, "As in the days," but it should have said, 'As in the day', since they left at once and did not tarry. HE RESPONDS: THE EXPLANATION IS as in these lofty days, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN, the Congregation of Yisrael was blessed with. So will the Holy One, blessed be He, extricate the children of Yisrael from exile THROUGH THE DAYS OF ZEIR ANPIN. Then it is written: "And in that day shall you say, Praise Hashem, call upon His name... Sing to Hashem; for He has done excellent things: this is known in all the earth" (Yeshayah 12:4-5). What is "this (Heb. zot) is known"? HE RESPONDS: Now, Zot, WHICH IS MALCHUT, is known the THE TALIT, MEANING IN TZITZIT. At that time, Zot will be renowned in its various ways when the Holy One, blessed be He, will perform signs and miracles in the world. Then it is written: "On that day Hashem shall be one and His Name One" (Zecharyah 14:9). Blessed is Hashem for evermore. Amen and Amen. Hashem will reign for evermore. Amen and Amen.

1. "Now Korah..."

Rabbi Yitzchak tells us that if the children of Yisrael had followed the Torah they would not have been exiled, because whoever deals in the Torah has freedom from everything including death. The Torah is the power of the right, and whoever exchanges the left for the right is as if he destroys the world. Rabbi Yitzchak says that Aaron is right and the Levites are left, and that Korah wanted to exchange them in that he desired the priesthood; this is why he was punished. Korah had an evil tongue, he took bad counsel, he chased after something that was not his, and he turned to disagreement which brought conflict instead of peace. The Shabbat is the peace of the upper and lower grades, and by this peace the world endures; whoever creates dissension in this peace will be destroyed.

1. "Now Korah, the son of Izhar, the son of Kohath, the son of Levi took..." (Bemidbar 16:1). Rabbi Aha opened the discussion with the verse: "more to be desired are they than gold, even much fine gold: sweeter also than honey and the honeycomb" (Tehilim 19:11). How supreme are matters of Torah, and how precious they are. They are desired above and they are desired by all, because they constitute the Holy Name. Whoever toils in the Torah strives for the Holy Name and is saved from all EVIL; he is saved in this world and rescued in the World to Come. Come and behold: whoever deals in the Torah is attached to the Tree of Life and, since he is attached to the Tree of Life, he is part of everything, as is written: "she is a tree of life to those who lay hold on her..." (Mishlei 3:18).

2. Rabbi Yitzchak said: Whoever deals in the Torah is free from everything, even free from death, as mentioned, since liberty, WHICH IS BINAH, dwells upon him and is attached to him. If Yisrael had adorned themselves with Torah, they would have been saved from everything and would not have found themselves in exile. This is what is written: "engraved (Heb. charut) upon the tablets" (Shemot 32:16). Do not read it WITH AN 'A', but rather WITH AN 'E', as "Cherut," since this freedom (Heb. cherut) is available in the Torah. The Torah is the power of the right, as it is written: "from His right hand went a fiery law for them" (Devarim 33:2), and the left is included in the right. Whoever makes the right left and the left right is as if he destroys the world.

3. Come and behold: Aaron is right, WHICH IS CHESED, and the Levites are left, WHICH IS GVURAH. Korah wanted to exchange the right for left; HE DESIRED THE PRIESTHOOD, WHICH IS RIGHT, FOR THE LEVITES, WHO ARE LEFT; therefore, he was punished. Furthermore, he had the evil tongue, BY SPEAKING OUT AGAINST MOSES, and was punished for everything. Rabbi Yehuda said: The left is always contained in the right, BECAUSE THAT IS HOW THE LEFT IS CORRECTED. Korah wished to substitute the correction of above and below, SINCE HE ASPIRED TO THE DOMINATION OF THE LEVITES, WHICH ARE LEFT, SO THAT THEY SHOULD NOT BE INCLUDED IN THE PRIESTS, WHICH ARE RIGHT. Therefore, he was annihilated from above and below.

4. "Now Korah...took" (Bemidbar 16:1). HE ASKS: What is the meaning of "took"? HE RESPONDS: He took faulty counsel for himself. If one chases after something that does not belong to him, it escapes from him and he even loses what he has. Korah chased after something that was not his. Therefore, he lost his own and no one else gained.

5. Korah turned to disagreement. What is the meaning of disagreement? Distancing and repulsion; the distancing and repulsion of what is above and below, and whoever wishes to postpone the restoration of the universe will become lost from all the worlds. Conflict is a distancing of peace, and whoever is in conflict about peace is in disagreement with His Holy Name, because His Holy Name is called 'Peace'.

6. Come and behold: the world does not exist except through peace. When the Holy One, blessed be He, created the world, it could not endure until He came and made peace dwell upon them. What is it? It is the Shabbat, which is the peace of the upper and the lower grades. And then the world endured. THEREFORE, whoever creates dissension about this PEACE will be lost from the world.

7. Zelophehad was in dissension with the Shabbat because he was gathering wood (or: 'trees'). What were these trees? These were the other trees OF THE SEVENTY CHIEFTAINS, as we mentioned. These were secular matters and secular concerns do not prevail in sanctity. HENCE, he was in conflict with the world peace, WHICH IS SHABBAT, BECAUSE HE BLENDED THE SECULAR WITH THE SHABBAT.

8. Rabbi Yosi says that it is written: "great peace have they who love Your Torah" (Tehilim 119:165). The Torah is peace, as is written: "and all her paths are peace" (Mishlei 3:17). And Korah came to blemish that peace of above - WHICH IS THE TORAH, MEANING THE CENTRAL COLUMN THAT IS CALLED 'TORAH' THAT PRODUCES PEACE BETWEEN THE RIGHT AND LEFT, and of below, OF MOSES. Therefore, he was punished from the higher and the lower aspects BY FIRE AND BY THE OPENING OF THE EARTHLY CHASM.

2. "Summoned to the congregation"

Rabbi Shimon explains how the higher world is like the lower one, so that when the Congregation of Yisrael are gathered together for festivals, the higher Sfirot are summoned by the Upper Temple. He says that the men of renown who came against Moses and Aaron were not men of God, since they emerged from the aspect of Gvurah, and that those men created dissension.

9. "And they rose up before Moses..." (Bemidbar 16:2). This verse has been explained by the friends. Rabbi Shimon says: "regularly summoned (Heb. kri'ei) to the congregation (Heb. mo'ed)" (Ibid.), is missing a Yud. Why is it written "Kriei"? HE RESPONDS: It is only that the earthly kingdom is like heavenly kingdom, MEANING THAT MALCHUT BELOW IS LIKE MALCHUT ABOVE. That is the secret meaning of all these higher Sfirot onto which the Holy Name holds. All are summoned from the place that is called 'Holiness', THAT IS THE SECRET OF SUPERNAL ABA AND IMA, as it is written: "which you shall proclaim to be (also: 'summoned from') holy gatherings" (Vayikra 23:37). When is this? When mo'ed prevails in the world, THAT IS, DURING FESTIVALS AND APPOINTED TIMES (HEB. MO'ED). Just as these higher Sfirot are summoned by the Upper Temple, SO AS TO SANCTIFY THEM, similarly the Lower Sanctity summons its legions to adorn and uplift them. THESE ARE THREE WORLDS BRIYAH, YETZIRAH AND ASIYAH, WHICH ARE THE LEGIONS OF MALCHUT THAT ADORNS THEM AND UPLIFTS THEM TO ATZILUT.

5. קָרַח אֶזְיֵל בְּמַחְלוּקַת. מֵאֵי מַחְלוּקַת. פְּלוּגְתָּא. פְּלוּגְתָּא דְלַעִילָא וְתַתָּא. וּמֵאֵן דְּבַעֵי לְאַמְלָגָא תְּקוּנָא דְעֵלְמָא, יִתְאַבִּיד מִכְּלָהוּ עֲלֵמִין. מַחְלוּקַת, פְּלוּגְתָּא דְשָׁלוֹם. וּמֵאֵן דְּפָלִיג עַל שָׁלוֹם, פְּלִיג עַל שְׂמָא קְדִישָׁא, בְּגִין דְּשְׂמָא קְדִישָׁא, שָׁלוֹם אֶקְרִי.

6. ת"ח, לִית עֵלְמָא קָאִים אֱלֹא עַל שָׁלוֹם, כַּד בְּרָא קוּדְשָׁא בְרִיךְ הוּא עֵלְמָא, לֹא יָכִיל לְאַתְקִימָא, עַד דְּאִתָּא וְשָׂרָא עֲלִייהוּ שָׁלוֹם. וּמֵאֵי הוּא. שַׁבַּת, דְּאִיהוּ שְׂלָמָא דְעֵלְאֵי וְתַתָּאֵי, וּכְדִין אֶתְקִימִים עֵלְמָא. וּמֵאֵן דְּפָלִיג עֲלֵיהּ, יִתְאַבִּיד מֵעֵלְמָא.

7. צְלַפְחָד פְּלִיג עַל שַׁבַּת, דְּהוּהּ מְקוּשָׁשׁ עֲצִים. וּמֵאֵן אֵינּוּן עֲצִים. אֵינּוּן אֵילָנִין אַחֲרָנִין כְּדָאמְרִין. וְאֵינּוּן מְלִין דְּחוּל, וְחוּל בְּקִדְשׁ לֹא שְׂרִינָא, דְּפָלִיג עַל שְׂלָמָא דְעֵלְמָא.

8. רַבִּי יוֹסִי אָמַר, בְּתִיב שָׁלוֹם רַב לְאוּהֵבֵי תוֹרַתְךָ וְגו'. אוֹרִייתָא הוּא שָׁלוֹם, דְּכִתִּיב וְכָל נְתִיבוֹתֶיהָ שָׁלוֹם. וְקָרַח אֶתָּא לְאַמְלָגָא שָׁלוֹם דְלַעִילָא וְתַתָּא, בְּג"כ אֶתְעִינֵשׁ הוּא מֵעִילָא וְתַתָּא.

9. וַיִּקְוּמוּ לִפְנֵי מֹשֶׁה וְגו'. הָאֵי קְרָא אוֹקְמוּהָ חֲבֵרִינָא. ר' שְׂמַעוֹן אָמַר, קְרִיאֵי מוֹעֵד קְרָאֵי בְתִיב, חֲסֵר יו"ד, אֲמַאי קְרָאֵי. אֱלֹא הֲכִי הוּא, מְלַכּוּתָא דְאַרְעָא בְּעִין מְלַכּוּתָא דְרַקִיעָא. וְרָזָא דָא, כָּל אֵינּוּן כְּתָרִין עֲלָאִין, דְּשְׂמָא קְדִישָׁא אֶתְאַחִיד בְּהוּ, כְּלָהוּ זְמִינִין מֵאַתָּר דְּאֶקְרִי קְדֵשׁ, הַה"ד מְקַרְאֵי קְדֵשׁ. וְאֵימְתִי בְּשַׁעֲתָא דְמוֹעֵד זְמִין בְּעֵלְמָא, כְּגוּוֹנָא דְאֵינּוּן כְּתָרִין עֲלָאִין, דְּזְמִינִין מְקַדְשׁ עֲלָאָה, ה"ג קְדֵשׁ תַּתָּא זְמִין לְחִילוּי, לְאַעֲטָרָא וּלְאַעֲלָאָה לְהוּ.

10. The higher Holiness is known AS ABA AND IMA ABOVE, and the lower Holiness is the wisdom of Solomon, MEANING MALCHUT, which also summons all her legions TO SANCTIFY THEM WITH HER HOLINESS. These legions are all invited to be adorned in this lower Holiness at a time when a festival prevails in the world. As her legions are standing above IN ATZILUT SUMMONED BY MALCHUT, so are the appointed of the nation, MEANING THE CHIEFTAINS OF YISRAEL, according to her example below, IN THIS WORLD. Therefore, it is written as: "summoned to the congregation (Heb. mo'ed)," and of those below it is written, "summoned (Heb. kri'ei) to the congregation"; "Kriei" is missing a Yud. However, they are then in increased wholeness.

11. "...men of renown (also: 'name')..." (Bemidbar 16:2) is most certainly said and not 'men of Hashem' - MEANING THE PEOPLE OF MALCHUT CALLED 'NAME', but not 'men of Hashem', THAT IS ZEIR ANPIN. That is the secret of: "and he who blasphemes the Name of Hashem shall be put to death" (Vayikra 24:16). We established THAT IT ALLUDES TO MALCHUT THAT IS CALLED 'NAME' and, therefore, they were certainly considered men of name, since they emerged from the aspect of Gvurah, WHICH IS MALCHUT CALLED 'THE LOWER GVURAH'. They are men of name and that WAS SAID to increase their praise. However, they took HER for themselves, MEANING THEY SEPARATED MALCHUT FROM ZEIR ANPIN, and held on to a dissension WITH MOSES, WHO IS THE SECRET OF ZEIR ANPIN.

3. Holy, pure
 Rabbi Shimon says that Moses asked Korah and the others to come before him in the morning because morning is the time of holiness, of Chesed, and therefore of the priests. Essentially Moses was saying to them that if they remained on the side of Judgment the morning would not tolerate them and they would not be found holy and worthy of the priesthood. The matter would be tested by the offering of the incense, and the man who God chooses must be holy and not pure: the priest is holy and the Levite is pure.

12. "Tomorrow morning Hashem will show who is His" (Bemidbar 16:5). HE INQUIRES: Why in the morning, PRECISELY, and why "holy" and not pure, MEANING "AND WHO IS HOLY; AND WILL CAUSE HIM TO COME NEAR TO HIM" (IBID.)? IT SHOULD HAVE SAID, 'AND WHO IS PURE'. HE REPLIES: For they, THE CONGREGATION OF KORAH, came from the pure side, SINCE THE LEVITES ARE IN THE ASPECT OF PURE, AND NOT HOLY, and the priest is holy. Moses said in the morning when the Sfirah of the priest, WHICH IS CHESED, gets awakened in the world: 'If you are priests, here is the morning. Let them perform the service of the morning,' WHICH IS CHESED. Then, "Hashem will show who is His, and who is holy." "...who is His..." is unspecific, which is the Levi. "...and who is holy..." is the priest. Then, "and will cause him to come near to Him," HE WHO IS HOLY. There is no one who can discern the matter except the morning. THUS, HE SPOKE TO THEM: 'If you find yourself remaining on the side of Judgment, the morning, WHICH IS CHESED, will not tolerate you, since that is not the time of Judgment. But if you see yourselves remaining in Chesed, then here is its time. And you will stay with it, and it will accept you'.

13. In what WILL THE MATTER BE TESTED? In the offering of the incense, since the incense must be brought through the groom's best man in all OF THE LEVELS and be connected THROUGH THEM, SINCE THE SCENT OF THE INCENSE RISES AND BINDS ALL THE LEVELS INTO ONE. Who is that groom's man? It is the priest, WHO IS CHESED. Therefore, the man whom Hashem chooses shall be holy and not pure, since holy and pure are two distinct levels: the priest is "holy" and the Levite is "pure." Therefore, it is written: "and who is holy."

10. קָדַשׁ עֲלֵאָה יָדִיעָא, קָדַשׁ תְּתַאָּה חֲכָמַת שְׁלֵמָה, ה"נ אִיהִי זְמִינַת לְכָל חִילָהָא. וְאִינוּן חִוּלִין כּוֹלְהוּ, זְמִינִין לְאַתְעֵטְרָא בְּהַאי קָדַשׁ תְּתַאָּה, בְּזִמְנָא דְמוֹעֵד שְׂרִיָּא בְּעֵלְמָא. וּכְגִוּוֹנָא דְחִילָהָא קִיּוּמִין לְעִילָא, ה"נ קִיּוּמִי מִמְּנָן דְעֵמָא, כְּדוּגְמָא דִּילָהּ לְתַתָּא, וְע"ד אֶקְרוּן קְרָאִי מוֹעֵד. וּבְגִין דְאִנּוּן לְתַתָּא, קְרָאִי מוֹעֵד חָסֵר, אֲבָל בְּשִׁלְמוֹ יִתִּיר אִינוּן.

4. "El, the Elohim of the spirits"

We read how when Moses and Aaron fell on their faces they gave themselves up to death. Rabbi Yehuda says that men are repaid with the deeds that they do, but if they repent God will gather them back to Himself. Rabbi Yosi draws an analogy with Levirate marriage where the brother must set his heart upon the redemption of his brother in order to build him back up; his motives must not be lust for the brother's wife. We hear that the Ruach and Neshamah are in the hands of God and He has compassion on human beings so that they shall not be lost from this world or the next.

14. "And they fell upon their faces, and said, 'El, Elohim of the spirits of all flesh'" (Bemidbar 16:22). Come and behold: Moses and Aaron gave themselves up to death. How? It is written: "and they fell upon their faces, and said, 'El, Elohim of the spirits (Heb. ruchot)'." Ruchot is spelled with the Vav missing. Therefore, that is the Tree of Death, WHICH IS MALCHUT, and the falling on the face is always to that side. Therefore, IT IS WRITTEN, "El, Elohim of," as is written: "and El Who has indignation every day" (Tehilim 7:12), WHICH REFERS TO MALCHUT. "...Elohim of the spirits..." is the source where all the world's souls are bound together and all the souls ascend there. From there they come, THAT IS, MALCHUT.

15. Rabbi Yehuda opened the discussion with the verse: "hear my words O wise men; and give ear to me, you who have knowledge" (Iyov 34:2). Elihu spoke this verse. Come and behold: it is written, "also against his three friends did his anger burn, because they had found no answer" (Iyov 32:3), since they did speak but Iyov was not consoled by them. From here we take a lesson that whoever comes to console the mourner must structure his speech first, SO THAT THEY ARE WORTHY TO CONSOLE HIM. Job's friends spoke words of truth but not to console him, and since it requires words that THE MOURNER will acknowledge, then he will accept upon himself the Judgment. And he acknowledged the Holy King, as is written: "now Elihu had waited to speak to Iyov" (Ibid. 4), since he acknowledged himself afterward to the Holy One, blessed be He, and accepted upon himself the sentence of heaven.

16. Come and behold: it is written, "therefore hearken to me, you men of understanding: far be it from El, that He should do wickedness; and from Shadai, that He should commit iniquity" (Iyov 34:10). "Therefore hearken to me, you men of understanding" (Ibid.); these are the most perfected who can discern the matters. And "far be it from El that He should do wickedness." This is what is written: "and El Who has indignation every day" (Ibid.); THAT REFERS TO MALCHUT THAT IS CALLED 'EL'. "...and from Shadai, that He should commit iniquity" (Ibid.); this one is close to that one, SINCE SHADAI IS YESOD THAT IS NEAR EL, WHICH IS MALCHUT. It was already explained that in, "El Shadai," EL REFERS TO MALCHUT AND SHADAI REFERS TO YESOD. "For the work of a man shall He pay back to him" (Ibid. 11). If a person walks about in this world performing deeds and sins before his Master, that deed impends upon Him to reward him with Judgment. This is what it says: "that the man's deed will pay him," as that particular act THAT HE PERFORMED will pay him.

17. With all this, "if he set his heart upon Him" (Ibid. 14). As soon as a person places his heart and will to return to his Master, then El, the Elohim, will "gather to Himself his spirit and his breath (Heb. neshamah)" (Ibid.). He will gather to him to bind them in the bundle of life and he does not leave his Nefesh out to be judged in another Judgment.

18. Rabbi Yosi said: That matter is a secret among the concealed Judgments of the Holy One, blessed be He, since, "for the work of a man shall He pay back to him," means to be sentenced in his Judgment, according to the activities he performed in this world. He raises him to be judged accordingly and he is lost from the world. The following verse says: "who has given Him charge over the earth? Who has disposed the whole world?" (Ibid. 13). "Who has given Him charge over the earth?" is the one WHO APPOINTED IN CHARGE OVER HIM his brother that redeems him. "Who has placed the whole world under Him?" means THAT HIS BROTHER constructs a house, BY PERFORMING LEVIRATE MARRIAGE WITH HIS WIFE, and builds an everlasting structure and restoration and inhabitation OF THE WORLD. Following that, it is written: "if he set his heart upon Him," since that person that was appointed AS THE REDEEMER to erect the structure needs to have an attentive heart and desire for that dead person, IN ORDER TO ERECT HIS NAME FOR HIM. The lesson from here is that if a person takes that woman in levirate marriage for her beauty and his lust, then the everlasting edifice does not get built, since his desire and heart were not directed for the sake of the one who died.

19. Therefore, it is written: "if he set his heart upon him." It must be in the desire of the heart that the intention is towards THE DEAD one. Then, "gather to Himself his spirit and his breath," because he continues through him to be built up in this world. It is then written: "all flesh shall perish together, and man shall return to dust" (Ibid. 15). "All flesh shall perish together," so that his body and flesh will rot in the dust. Now, AFTER THIS, "man shall return to dust," so there will be the REVIVAL of the structure as before. "...and it will return the dust..." (Ibid. 15) in the composition of another body, as it first was. For the Ruach and Neshamah are in the hands of the Holy One, blessed be He, and He has compassion on human beings, so that they shall not be lost from this world nor the other world. Therefore, it is written: "El, Elohim of the spirits of all flesh."

5. "Take a censer"

Rabbi Chiya interprets the title verse by saying that people must be careful not to be sinful because their deeds are all recorded before God; if during the time of judgment a righteous person is in the world to plead for the sinful, God relents of His anger and uses compassion.

20. "And Moses said to Aaron, 'Take a censer...'" (Bemidbar 17:11). Rabbi Chiya opened the discussion with the verse: "the wrath of a king is as messengers of death: but a wise man will pacify it" (Mishlei 16:14). How particular people need to be to prevent themselves from giving in to their iniquities and to be careful with their activities. At various occasions, the world is judged. And on a daily basis, their deeds are entered upon the scale of Justice, are monitored from above, and are recorded before Him. When a person's acts are not fit for the King, anger rises and Judgment is stirred. This is what is written: "the wrath of a king is as messengers of death." Therefore, a person must be on watch for his iniquities each and every day.

18. רבי יוסי אמר, האי מלה רזא הוא, בדינין טמירין דקודשא בריך הוא. כי פועל אדם ישלם לו, לאתדנא בדיניה, ובאינון עובדין דבר נש עביר בהאי עלמא, וסליק ליה לאתדנא בעובדוי, ויתאביד מעלמא, מה כתיב בתריה, מי פקד עליו ארצה ומי שם תבל בלה. מי פקד עליו ארצה, דא הוא אחוזה דפריק ליה. ומי שם תבל בלה, דבאני ביתא, ובני בניין עלמא, ותקונא וישובא. מה כתיב בתריה, אם ישים אליו לבו. האי בר נש, דפקיד עליה למבני בניינא, בעי לכונא לבא ורעותא לגביה דההוא מיתא. מכאן, בר נש דאתי על ההיא אתתא, בגין שפירו ותיאובתא דילה, הא בניין עלמא לא אתבני, דהא רעותא ולבא לא אתבון לגבי מיתא.

19. ובגין כך כתיב, אם ישים אליו לבו, ברעותא דלבא דיכוין לגביה, כדין רוחו ונשמתו אליו יאסוף, ואתמשך גביה, לאתבנא בהאי עלמא, מה כתיב בתריה, יגוע כל בשר יחד ואדם על עפר ישוב, יגוע כל בשר יחד, ההוא גופא יתבלי בעפרא, וכל ההוא בשרא. והשתא, אדם על עפר ישוב, הא חרותין דבניינא כמלקדמין, ויתוב על עפרא דבניינא דגופא אחרא, כמה דהוה בקדמיתא. ועל דא, רוחא ונשמתא בידוי דקודשא בריך הוא, וחייס עליהו דבני נשא, דלא יתאבידו מהאי עלמא, ומעלמא אחרא, בגין כך אל אלהי הרחות לכל בשר.

20. ויאמר משה אל אהרן קח את המחטה וגו'. רבי חייא פתח חמת מלך מלאכי מות ואיש חכם יכפרנה. כמה אית להו לבני נשא. לאסתמרא מחוביהו, ולנטרא עובדיהו, דהא בכמה זמנין עלמא אתדן, ובכל יומא ויומא עובדין במתקלא סלקין, ומשגיחין עלייהו לעילא, ואכתיבו קמיה. וכד עובדיהו דבני נשא, לא מתבשרן קמי מלכא, סליק רוגזא, ודינא אתער, הה"ד חמת מלך מלאכי מות, וע"ד בכל יומא ויומא בעי ב"נ לאזדהרא מחובוי.

21. "But a wise man will pacify it," during the time when prosecutors prevail on the world and anger impends. If the righteous man is at hand in that generation who is distinguished above, the Holy One, blessed be He, looks at him and the anger subsides. This is SIMILAR to a king who is angry at his servants and demands the officer that carry out justice. In the meantime, the beloved of the king arrives and stands in front of him and, as soon as the king sees him, his face shines. When that friend of the king begins to speak with him, the king is glad. After this, when the police official arrives and sees the king's face in happiness, he departs and no longer carries out the sentence. Then that beloved of the king beseeches the king on behalf of his servants and the king forgives them. As a result of this, "a wise man will pacify it."

22. Here too, when Moses saw the anger pending, Moses immediately said to Aaron: 'He is the groom, MEANING THAT FRIEND, of the Queen, and the incense does not rise except through his hands, since he increases peace in the world and ties the knot of Faith,' THAT IS MALCHUT. Incense was already set and explained. That is the joy above and below, the tie of Faith and the disappearance of anger. This is what is written: "ointment and perfume rejoice the heart" (Mishlei 27:9). Then, "a wise man will pacify it," will clean and purify that anger and compassion will be stirred.

6. "Do not cut off the tribe of the families of the Kohathites

Rabbi Elazar says that the Levites can approach the Holy only through the priest, and that the priest hides and covers anything that they are not permitted to see. This is because everything of the priest is done in a whisper, secretly, while the Levites' speech and activities are in the raising of song and revelation of secrets. The priest's words are not spoken openly because he is of the right, Chesed. Rabbi Elazar tells us that when judgment prevails on the world from the left aspect, the right draws near by the burning of incense that is done quietly in secret. When Aaron ran into the midst of the congregation to stop the plague that was killing them he stood between the dead and the living, that is, between the Tree of Life and the Tree of Death. Thus the Tree of Life that is from the right came close to the priest, who was from the right, and the plague was stopped. Rabbi Elazar says that the priest has power above and below, and he is the cause of peace above and below; at all times the left serves the right.

23. Rabbi Elazar said: "Do not cut off the tribe of the families of the Kohathites from among the Levites" (Bemidbar 4:18), since they are the trunk and root of the Levites. "...but thus do to them, that they may live, and not die..." (Ibid.). The priest must establish that for them; even though they are nearing to the Holy, they should only approach with the amendment of the priest, since he is aware of the signal, UP TO WHERE he can reach and not further. When they cover the holy vessels, another coverage prevails from above and it is forbidden FOR THE LEVITES to approach and look, since anything that is in a whisper, THAT IS, A SECRET, applies only to the priests, since their speech and activities are in secret and they whisper. The Levites' speech and activities are in the raising of the voice IN SONG.

21. ואיש חכם יכפרנה, בשעתא דמאריהון דדינין קיימין על עלמא, ורוגזא תלי, אי אשתכח בדרא זכא דרשים לעילא, קודשא בריך הוא אשגח ביה, ואשתכך רוגזא. למלכא דאתרגז על עבדוי, והוה תבע על סגטירא למעבד דינא, אדהכי עאל רחימא דמלכא, וקם קמיה, ביון דחמא ליה מלכא, אתנהירו אנפוי. שארי ההוא רחימא דמלכא לאשתעי בהדיה, ומלכא חדי. לבתר בד אתא סגטירא, חזא אנפוי דמלכא חדאן, אסתלק ואזיל ליה, ולא עביד דינא. וכדין, ההוא רחימא בעי למלכא על עבדוי, ומכפר להו. ובג"כ, ואיש חכם יכפרנה.

22. אוף הכא, בד חמא משה דרוגזא הוה תלי, מיד ויאמר משה אל אהרן, בגין דאיהו שושבינא דמטרוניתא, וקטרת לא סלקא אלא בידוי, דאיהו אסגי שלמא בעלמא, וקשיר קשרא דמהימנותא. קטרת, הא אוקמוה, חדותא דעילא ותתא, קשורא דמהימנותא, סליקו דרוגזא, הה"ד שמן וקטרת ישמח לב, וכדין ואיש חכם יכפרנה, ינקי וידבי לההוא רוגזא, ורחמין מתערין.

23. רבי אלעזר אמר, אל תכריתו את שבט משפחות הקהתי מתוך הלויים, בגין דאינון גזעא ושרשא דליואי. וזאת עשו להם וחיו ולא ימותו, דבעי כהנא לאתקנא להו, דאע"ג דקריבין אינון לקודשא, לא ייעלון אלא בתקנא דכהנא, דהוא ידע סימנא דימטון לגביה, ולא יתיר. וכד מכסאי למאני קודשא, בדין כסויה אחרא שרי, ואסיר לון לקרבא למחמי, דהא מלה בחשאי לא אית לגביהו, אלא לכהנא, דמלה דלהון ועובדא דלהון ברזא ובחשאי וליואי לארמא קלא.

24. Therefore, all the activities of the priests are performed quietly and secretly. Consequently, wine is forbidden to them, since wine is for raising the voice, FOR SONG, and revelation of secrets. The Levites are given to attend the raising of voice because they are connected to Judgment and Judgment is open in order to publicize it to all. However, all the priest's words are secretive and in a whisper, they are not spoken openly because he is of the right, THAT IS CHESED. When Judgments prevail on the world from the left aspect, the right draws near. By means of what? By the burning of incense, which is done quietly in secret, more subtle and refined than anything, THAT IS BINAH.

25. Come and behold: when this other altar, THE EXTERNAL ALTAR, WHICH IS MALCHUT, begins to stir the awakening OF JUDGMENT, and no righteous people are around TO PROTECT it, the inner altar, BINAH, awakens to him and stands up against him, and the Judgments are subdued. Therefore, THIS one stands opposite the other one and then Judgment departs.

26. Rabbi Elazar says: "This shall be the service of the sons of Kohath in the Tent of Meeting, namely, the most holy thing" (Ibid. 4). During the period of time that the sons of Kohath came to take the Holy of Holies, the priest approached and covered everything prior to their approach, and they never saw what they carried. Instead, everything was covered from them, as it says, "and when the camp sets forward, Aaron shall come, and his sons, and they shall take down the veil of the screen" (Ibid. 5). Most of the casings for the Temple's utensils were colored blue. The significance of blue was already explained and taught. After everything was covered, the children of Kohath, who carried it, came near. They did not get any closer than the poles that extended out, as it is written: "and when Aaron and his sons have made an end of covering the Sanctuary...as the camp is to set forward; after that, the sons of Kohath shall come to bear it..." (Ibid. 15).

27. Therefore, burnt incense, which is inward, and all that is in secret is given over to the priest. Therefore, "Aaron took as Moses commanded, and ran into the midst of the congregation...and he put on incense" (Bemidbar 17:12), because it is of the innermost, the secret of the priest WHO IS ALSO WITHIN. Then, "and made atonement for the people. And he stood between the dead and the living..." - that is, between the Tree of Life and the Tree of Death. Then the right causes one to approach the other, MEANING THE TREE OF LIFE, THAT IS RIGHT, COMES CLOSE TO THE PRIEST, WHO IS RIGHT, "and the plague was stayed." Praised is the priest's lot, since the priest has power above and power below, and he is the cause of peace above and below. And at all times, the left serves the right. This is what it says: "that they may be joined to you, and minister to you" (Bemidbar 18:2); and the right THAT IS INCLUDED in the left is prevalent in the Temple.

7. "Whatever your hand finds to do, do it with your strength"
Rabbi Shimon explains to his son that a person must include life from the Tree of Life in his life here, because life, the secret of illumination of wisdom, prevails only here, in Malchut. All the words of King Solomon were spoken in the secret of Wisdom, and his verses mean that a person

must always include the left in the right; when his actions are on the right side God will dwell with him in this world and will gather him to Himself in the World to Come. A person cannot decide to ask for mercy after death because "there is no work, nor device, nor knowledge, nor wisdom" after he leaves this world. All his deeds here must be done for the sake of God. Rabbi Shimon says that every night a person must account for his actions that day, repent of them and ask for compassion for them. Whoever strives through knowledge and wisdom to know God will not be among the wicked who are judged in Gehenom at Sheol; he will instead be raised higher and higher to the place of many lights.

28. Rabbi Elazar was standing in the presence of his father, Rabbi Shimon. He told him that it says: "live joyfully with the wife whom you love all the days of the life of your vanity" (Kohelet 9:9). WHAT IS THE EXPLANATION? He said to him: Come and behold. The verse: "live joyfully with the wife whom you love," is the secret that a person must include life, FROM THE TREE OF LIFE, THAT IS ZEIR ANPIN, in this place, WHICH IS MALCHUT REFERRED TO AS 'WOMAN'. One does not go without the other, ZEIR ANPIN WITHOUT MALCHUT. A person must include the measure of the day at night; THAT IS, A MEASURE OF ZEIR ANPIN, REFERRED TO AS 'DAY' IN MALCHUT, REFERRED TO AS 'NIGHT', AND VICE VERSA, the measure of night in the day. That is the meaning of: "live joyfully with the wife whom you love all the days of the life of your vanity." What is the reason? "For that is your portion in life," since life, THAT IS, THE SECRET OF ILLUMINATION OF CHOCHMAH, does not prevail except on this, ON MALCHUT, SINCE THE ILLUMINATION OF CHOCHMAH DOES NOT BECOME REVEALED IN ANY OTHER PLACE THAN HER. "And in your labor in which you do labor under the sun" (Ibid.) is as you say: "in all your ways acknowledge (Heb. da'ehu) Him, and He shall direct your paths" (Mishlei 3:6). DA'EHU INCLUDES THE LETTERS OF KNOW (HEB. DA) VAV-HEI, WHICH ARE ZEIR ANPIN AND MALCHUT.

29. Come and behold: all the worlds of King Solomon are deeply concealed in Wisdom. These verses seem as if the restriction has been removed, since it says following that: "whatever your hand finds to do, do it with your strength, for there is no work, nor device..." (Kohelet 9:10). This verse must be studied carefully. Did Solomon, who had higher wisdom than any world inhabitants, indeed say this?

30. HE RESPONDS: It is only that all the words of Solomon, the king, were spoken in the secret of Wisdom. Come and behold: "whatever your hand finds to do, do it with your strength." That means that a person needs to include the left in the right, and everything he does should only be composed of the right. "whatever your hand finds to do," is the left, WHICH IS CALLED 'HAND', and, "to do...with your strength," is right, as it is written, "Your right hand, Hashem, is glorious in power" (Shemot 15:6). As soon as a person is careful so that all his actions are on the right side, he will gather the left into the right, and the Holy One, blessed be He, will dwell within him in this world and will gather him to be with Him in the World to Come.

28. רבי אלעזר הוה קאים קמיה דרבי שמעון אבוה, א"ל, כתיב ראה חיים עם אשה אשר אהבת כל ימי חיי הבלך. א"ל, ת"ח, ראה חיים עם אשה אשר אהבת דא הוא רזא, דבעי בר נש לאכללא חיים באתר דא, דא בלא דא לא אזלא. ובעי ב"נ לאכללא מדת יום בלילה, ומדת לילה ביום. ודא הוא ראה חיים עם אשה אשר אהבת מאי טעמא כי היא חלקך בחיים, דחיים לא שראן אלא על דא. ובעמלך אשר אתה עמל תחת השמש, כמה דאמר בכל דרכיך דעהו והוא יושר ארחותיך.

29. ות"ח כל מלוי דשלמה מלכא, בלהו סתימין לגו בחכמתא, והני קראי אתחזון דהותרה רצועה, כמה דכתיב בתריה, כל אשר תמצא ירך לעשות בכחך עשה כי אין מעשה וחשבון וגו'. האי קרא אית לאסתכלא ביה, כל אשר תמצא ירך לעשות בכחך עשה, וכי שלמה דחכמתא עלאה ביה, יתיר על כל בני עלמא, אמר הכי.

30. אלא כל מלוי דשלמה מלכא על רזא דחכמתא אתמרו. ת"ח, כל אשר תמצא ירך לעשות בכחך עשה, דא הוא דבעי בר נש לאכללא שמאלא בימינא, וכל מה דהוא עביר, מבעי ליה דלא יהון אלא כלילין בימינא. כל אשר תמצא ירך, דא שמאלא. לעשות בכחך: דא הוא ימינא, כד"א ימינך יי' נאדרי בכח. וכיון דבר נש יזדהר דכל עובדוי יהון לסטרא דימינא, ויכליל שמאלא בימינא, כדין קודשא בריך הוא שארי בגווייה בהאי עלמא, ויכניש ליה לגביה להווא עלמא דאתי.

31. A person should not say, 'When I get to that world, then I will ask the King for mercy and I will repent in His presence,' because IT IS FOR THIS THAT IT IS SAID: "for there is no work, nor device, nor knowledge, nor wisdom" after the person departs from this world. However, if a person desires the Holy King to illuminate him in this world and grant him a part in the World to Come, he should toil in this world to gather his activities to the right. All his deeds should be for the sake of the Holy One, blessed be He, for after departing this world to be judged in harsh Judgment and to be punished in Gehenom, there is no recourse to counsel, wisdom or understanding to be saved from that sentence.

32. Another explanation of: "for there is no work, nor device, nor knowledge, nor wisdom, in Sheol." There are levels upon levels in Gehenom, and the lowest level is "Sheol." An even lower level is "Avadon," and one is near the other. Whoever descends to Sheol will be put on trial. From there he can rise in a whistle, as it is written: "He brings down to Sheol, and brings up" (I Shmuel 2:6). Whoever is lowered to "Avadon" never rises FROM THERE.

33. For whoever has a good deed or is of those who do reckoning, it was already explained that each and every night, before he sleeps, he must make an accounting of the actions that he did all that day, repent for them, and ask for compassion for them. What is the reason THAT HE MUST DO THE ACCOUNTING at that time? Because during that period, the Tree of Death prevails on the world and all the world's inhabitants get a taste of death. THEREFORE, at that time, a person must make an accounting of his deeds and confess them, since it is a time of death. And they are called 'those who do reckoning'.

34. Similarly, this is the case for whoever strives in knowledge and wisdom to know his Master. AFTER HIS DEATH, WHEN THEY WILL BYPASS HIM to look and gaze at these wicked that are being judged in Gehenom at the level "Sheol," where all scream from these levels, he will not remain there and not be among them. About this, IT IS WRITTEN: "for there is no work, nor device, nor knowledge, nor wisdom, in Sheol." THERE IS NO ONE THERE WHO HAS A GOOD DEED, NOR ANYONE WHO HAS DEVICE, RECKONING, OR KNOWLEDGE, NAMELY, ONE WHO STRIVES TO KNOW, BECAUSE ALL THESE ARE NOT IN "SHEOL." And he will be found higher and higher, where many lights and candles and delightful things are present. And the Holy One, blessed be He, comes to be merry with the rest of the righteous in the Garden of Eden. Praised is the lot of the Righteous in this world and the World to Come. About them, it is written: "surely the righteous shall give thanks to Your Name: the upright shall dwell in Your presence" (Tehilim 140:14).

Rabbi Aba tells us that when God wanted to create the world He did so with the Torah, and through it the world became perfected. When Adam emerged into the world the world was perfected, but when the spirits and demons emerged the world seemed to be faulty and lacking. However, when the children of Yisrael were sanctified the Levites were placed on the left side to restore the left. For this reason the Levites must be cleansed, for they who completed the perfection of the left side ended the flaw of the world. Rabbi Aba says that if judgment had not existed in the world people would not have followed the Torah nor would they have performed the entire service that has to be done for God, and which is done by the Levites. Rabbi Yitzchak tells us that in the future God will brighten the light of the moon to be as bright as the sun, and that He will brighten the sun seven times what it is now.

35. "But the Levites (lit. 'Levite, he') shall do the service of the Tent of Meeting..." (Bemidbar 18:23). Rabbi Aba opened the discussion with the verse: "it is he that sits upon the circle of the earth" (Yeshayah 40:22). Come and behold: when the Holy One, blessed be He, wanted to create the world, it rose in His wish and He created it with the Torah, and through it, it became perfected. This is what is written: "when He established the heavens, I was there" (Mishlei 8:27), and it is written, "then I was by Him, as a nursling (Heb. amon)" (Ibid. 30). It was explained that we should not pronounce it 'amon', but rather, 'oman (lit. 'craftsman')'; SHE WAS FOR HIM THE CRAFTSMAN OF THE UNIVERSE.

36. When He came to create Adam, we were taught that the Torah said, 'is it in vain, that You are called long suffering and abundant in love?' AND IF THERE WILL BE NO MAN WHO WILL SIN, FOR WHOM WILL YOU RESTRAIN ANGER? At the time that Adam emerged into the world, the luster of his face was from above and from below. All the creatures were fearful of him, as it was explained. Come and behold: the world had no endurance and was not perfected until that time when Adam emerged in total perfection and that day was sanctified. A Holy Throne was prepared for the King, WHICH IS MALCHUT. Then the upper and the lower grades were considered complete, and joy was attained in all the worlds.

37. At the moment when the day wished to be sanctified, spirits and demons emerged to have a body created for them. However, the day was sanctified and they were not created. The world appeared to be left as if faulty in its work and lacking, BECAUSE OF THE PRESENCE OF THESE SPIRITS AND DEMONS. However, as soon as Yisrael were sanctified and perfected in their level, the Levites were placed on the left side. Then that flaw of the world was perfected, WHAT WAS DONE on the left, DUE TO THE EXISTENCE OF THE SPIRITS AND DEMONS, BECAUSE THROUGH THE LEVITES, THE LEFT WAS GATHERED INTO THE RIGHT AND THE LEFT WAS THEREBY RESTORED.

38. Therefore, the Levites must be cleansed and everything must be gathered into the right so that the world is not flawed. Due to this, it is written: "but the Levite, he shall do the service." He who completed the perfection of the left side ended the flaw of the world. Even that northern side that was missing in the world when the Holy One, blessed be He, created the world, THE LEVITES ALSO COMPLETED, SINCE the Levites at the Ark completed everything. What is the meaning of 'at the Ark'? It means with that burden they carried at the Tabernacle, DURING THE TRAVEL PERIOD OF THE TABERNACLE, all that was flawed was restored to perfection.

39. "BUT THE LEVITE, HE SHALL SERVE"; "he" alludes to the left above, meaning THAT HE RESTORES THE LEFT ABOVE. The pronoun "he" indicates that it is included in the right. In addition, "he" is the Ancient One, THAT IS, KETER. FOR HIS SERVICE AND RESTORATION REACHES ALL THE WAY TO KETER, SINCE "HE" INDICATES THE HIDDEN. If Judgment, WHICH IS THE SECRET OF THE AMENDMENT OF THE LEVITES, had not existed in the world, people would not have been aware of the highest Faith. And people would not have engaged in the Torah, and the commandments of the Torah would not have been kept, nor would people have performed the entire service that is to be done in this world for the Holy King. Who performs it? One says: The Levites.

40. "But the Levite, he shall serve"; "he" is as it is written, "Hashem, He is the Elohim" (Devarim 4:35), SINCE THROUGH HIM THIS UNIFICATION IS ACCOMPLISHED. He finalizes that perfection so that all shall be one, so THAT ALL THE LEVELS WILL COMBINE AND UNIFY TO BECOME ONE. "He" INDICATES the extension OF THE LEFT towards the Congregation of Yisrael, WHICH IS MALCHUT, as it says, "His left hand is under my head" (Shir Hashirim 2:6), in order to connect AFTERWARDS. This mating together IS THE SECRET MEANING OF, "AND HIS RIGHT ARM EMBRACES ME." Who awakens this love OF, "HIS LEFT HAND IS UNDER MY HEAD," WHICH IS THE SECRET OF MARITAL LOVE? One says that it is "he," THE LEVI and also, "He," as it is written, "it is He who made us, and we belong to Him" (Tehilim 100:3), WHICH ALLUDES TO THE HOLY ONE, BLESSED BE HE. Therefore, "He" POINTS downward TO REPAIR THE FLAW THAT IS IN THE WORLD, and "He" is above TO RESTORE THE LEFT UP HIGH. "He" openly REVEALS FAITH AND SERVICE IN THE WORLD, and "He" is concealed, WHICH POINTS TO THE ANCIENT ONE. "He is the Elohim," WHICH POINTS TO UNIFICATION OF YUD HEI VAV HEI. HE IS THE ELOHIM AS MENTIONED.

41. Rabbi Yitzchak said: In the future, the Holy One, blessed be He, is destined to brighten the light of the moon to be as bright as the sun. The light of the sun will be seven times brighter, as it is written: "moreover the light of the moon shall be as the light of the sun..." (Yeshayah 30:26). It is also written: "your sun shall no more go down; nor shall your moon withdraw itself" (Yeshayah 60:20), and it is further written: "the sun shall be no more..." (Ibid. 19) Moses talks about the command to redeem the firstling, and that if one does not redeem his Nefesh and Ruach and Neshamah in the Torah he is destined to reincarnate again. He also speaks about the three times of exile and the last redemption. Ra'aya Meheimna (the Faithful Shepherd)

42. "Everything that opens the womb in all flesh...and the firstling of unclean beasts shall you redeem" (Bemidbar 18:15). This commandment is to redeem the firstling of a mule, that is, to redeem HIMSELF for the World to Come. If prior to going to that world he does not redeem his Nefesh and Ruach and Neshamah in Torah, he is destined to return back AND REINCARNATE in this world as originally, AS IT SAYS: "he shall return to the days of his youth" (Iyov 33:25), and receive Nefesh, Ruach and Neshamah.

39. הוא: לעילא לשמאלא. הוא: אתכליל בימינא, תו הוא: דא עתיקא. אלמלי דינא לא אשתכח בעלמא, לא הוּו ידעי בני נשא מהימנותא עלאה, ולא ישתדלון בני נשא באורייתא, ולא יתקיימו פקודי אורייתא, פולחנא שלימותא דישתכח בעלמא לגבי מלכא קדישא, מאן עביד ליה. הוי אומר דא ליואה.

43. It is written: "lo, El does all these things twice or three times with a man" (Iyov 33:29). THAT IS the children of Yisrael, since their redemption takes place without Torah, which is like silver (Heb. kesef) that is "Kisufa" (lit. 'delight') of the World to Come. They returned three other times to the exile and, at the last redemption when they will be redeemed through Torah, they will never ever return to exile. The rabbis came and gave him their blessings, saying, 'Faithful Shepherd, the Holy One, blessed be He, will redeem you and all the children of Yisrael will be redeemed through you, and you will be renewed with them and they with you.'

43. כתיב הן כל אלה יפעל אל פעמים שלש עם גבר, וישראל. בגין דפריון דלהון הוה בלא תורה, דאיהו כסף כסופא דעלמא דאתי, אהדרו תלת זמנין אחרנין בגלותא, ובפורקנא בתרייתא דפורקנא דלהון יהא באורייתא, לא יהדרון לעלם בגלותא. אתו רבנן ובריכו ליה, ואמרו רעיא מהימנא, קודשא בריך הוא יפדה לך, וכל ישראל יפרון על ירך, ותתחדש עמהון, ואינון עמך.

9. Household arrangements

Moses compares a virtuous wife to the Shechinah, saying that whoever does kindness by Her will receive invaluable recompense but that whoever is sinful to Her will receive punishment beyond measure. He tells us that anyone who inherits a Neshamah or Ruach or Nefesh from the Shechinah does not require redeeming. The Shechinah's redemption is dependent on God, and that redemption is drawn by the Tefilin, the keeping of the Shabbat, the marking of the festival days, the mark of circumcision, the Torah and with several precepts.

44. The precept following this is the dealing in household arrangements. In the secret of wisdom, a man's house is his wife. If she is a woman of good and evil and he wishes to exchange a bad WOMAN for a good one, he should redeem her from that evil one and give her her worth. However, it says about a woman of the Tree of Life, THAT IS MALCHUT: "gold and glass cannot equal it: and the exchange of it shall not be for vessels of fine gold" (Iyov 28:17). She is invaluable, as it says, "a virtuous woman is a crown to her husband" (Mishlei 12:4), and it also says, "who can find a woman of worth..." (Mishlei 31:10). That is the Shechinah. Whoever does kindness by Her shall receive invaluable recompense, and whoever is sinful to Her shall receive punishment beyond measure.

44. פקודא בתר דא, לדון בערפי בית. וברחא דחכמתא, בית דב"נ, דא אתתא. אי איהי אתתא דטוב ורע, ובעי להמיר רעה בטובה, יפדה לה מהווא רע, ויהיב ליה ערך דילה. אבל אתתא דאילנא דחייא, אתמר בה לא יערכנה זהב וזכוכית ותמורתה כלי פז, ואין לה ערך. כמה דאתמר, אשת חיל עטרת בעלה. ואתמר אשת חיל מי ימצא וגו'. ודא שכונתא. מאן דגמיל חסד עמה, לית ערך לאגרא דיליה. ומאן דחאב לגבה, לית ערך לענשא דיליה.

45. She has many maidservants who serve her. Each and every one of them has value and each one needs a ransom, MEANING TO RANSOM HER FROM THE HOLD OF THE OTHER SIDE. However, a Neshamah or Ruach or Nefesh inherited from the Shechinah does not require redeeming, since it is said about the Shechinah, "I am Hashem, that is My Name, and My glory will I not give to another" (Yeshayah 42:8). Her redemption is dependent on the Holy One, blessed be He, which Yisrael draw to Her by the knot of the Tefilin, with the Shabbat sign, with the marking of the festival days, with the mark of circumcision, with Torah, and with many precepts. Since Her ransom is dependent on the Holy One, blessed be He, this is what it says, "but I acted for My Name's sake," (Yechezkel 20:9) and for her: "and yet for all that (Heb. zot)..." (Vayikra 26:44). In this manner, people perform many precepts in order to receive recompense. Each precept has a value in that world. However, the punishment for someone who transgresses them has no value.

45. כמה שפחות אית לה דמשמשין לה, וכל חדא וחדא מנייהו, אית לה ערך. וכל חד וחד צריך פדיון. אבל מאן דירית נשמתא, או רוחא, או נפשא משכינתא, לא צריך פדיון, דשכינתא עלה אתמר אני יי' הוא שמי וכבודי לא אחר לא אתן. דפריון דילה בקודשא בריך הוא תליא. דאמשכן לה ישראל, בקשורא דתפילין, באות השבת, באות דיומין טבין, באות דברית, ותורה, בכמה פקודין. דפריון דילה תליא בקודשא בריך הוא, הה"ד ואעש למען שמי, ובגינה ואף גם זאת. הכי כמה פקודין אינון דעבדין בני נשא על מנת לקבל פרס. וכמה חובין. ולכל פקודא אית ליה ערך בהווא עלמא. אבל עונשא למאן דאעבר עליהו, אין ליה ערך ושיעור.

10. Devoting one's possessions to the priest

Moses speaks about anger, saying that there is deadly poison in rage, and that when one is angry it is the same as if he is an idol worshipper.

Therefore the person who sins in anger must give his offering to the priest because the priest is compassion and blessing and will cause the anger in the left to be subdued and replaced with mercy.

46. The next precept after this one relates to someone who devotes his possessions to the priest. This is what is written: "everything devoted in Yisrael shall be yours" (Bemidbar 18:14). That is the secret meaning of: "everything that opens the womb in all flesh, which they bring to Hashem, whether it be of men or beasts" (Ibid. 15). Womb (Rechem; Resh- Chet-Mem) AMOUNTS TO RESH-MEM-CHET (=248) by resetting the letters, like the number of 248 limbs and organs of a man, about whom it is said: "in wrath remember mercy (Heb. rachem)" (Chavakuk 3:2). After a person sins in anger and dedicates this beast to Him, another El, a serpent, dwells ON IT, as it says, "you are cursed above all cattle" (Bereshheet 3:14), and he is to the left of man. Therefore, the Holy One, blessed be He, commanded that IT be given to the priest, who is compassion and blessing, in order to subdue the anger, SINCE in that person the bitterness is stirred, which is the sword of the Angel of Death. THEREFORE, the right is awakened toward him with compassion, and the anger in the left is subdued. And so when angry, have compassion; "in wrath remember mercy."

46. פְּקוּדָא בְּתַר דָּא, לְדוֹן בְּמַחְרִים נִכְסֵיו לְכַהֵן, הַה"ד כָּל חֶרֶם בְּיִשְׂרָאֵל לֶךְ יִהְיֶה. וְרָזָא דָּא כָּל פֶּטֶר רַחֵם לְכָל בָּשָׂר אֲשֶׁר יִקְרִיבוּ לֵינִי בְּאָדָם וּבְבַהֲמָה. רַחֵם: בְּהִיפּוֹךְ אֲתוּוֹן כַּחוֹשֵׁפֶן רַמ"ח אֲבָרִים דְּב"נ, עֲלִייהוּ אֲתַמַּר בְּרַגְזוֹ רַחֵם תּוֹכוֹר. בְּתַר דְּכַעִּיס ב"נ, וּמַחְרִים הֵהוּא בְּעִירָא לְגַבִּיָּה, הָא שְׂרִיָּא אֶל אַחַר נַחֲשׁ, דְּאֲתַמַּר בֵּיה, אֲרוּר אַתָּה מִכָּל הַבְּהֵמָה, וְאִיהוּ לְשִׁמְאֵלָא דְּב"נ. בְּגִין דָּא מְנִי קוּדְשָׁא בְּרִיךְ הוּא, לְמִיָּהֵב לְכַהֵנָּא, דְּאִיהוּ רַחֲמֵי בְּרַכָּה, לְאַתְכַּפִּיָּיא רַגְזוֹ, דְּאֲתַעַר בַּהּ הוּא ב"נ מְרָה, חֲרַבָּא דְּמִלְאֲךָ הַמּוֹת, וְאֲתַעַר יְמִינָא לְגַבִּיָּה בְּרַחֲמֵי, וְאַתְכַּפִּיָּיא רֻגְזָא דְּשִׁמְאֵלָא, וְהֵאֵי אִיהוּ בְּרַגְזוֹ רַחֵם תּוֹכוֹר.

47. When one is angry, there is deadly poison in his rage. About him, the masters of the Mishnah have stated: Whoever is angry, it is as if he is an idol-worshipper, since the Other Side burns the person and by giving that beast to the priest, that possession separates from him. Samael, a strange El, consecrated destruction, and his female is a curse that is contained in all the curses mentioned in the book of Devarim. The Holy One, blessed be He, granted blessings throughout the Torah and all the blessings are from the right, to which the priest holds on. Due to this, any consecration needs to be given to the priest, who burns it in fire and destroys it from the world. The fire of the left gets calmed in the right, which is water, and "then the king's wrath was pacified" (Ester 7:10) through it.

47. מֵאַן דְּכַעִּיס, דְּאִית לִיה בְּכַעִּס סַם הַמּוֹת, דְּעֲלִיָּה אֻקְמוּהּ מֵאַרְי מִתְּנִיתִין, כָּל הַכּוּעֵס כְּאִילוֹ עוֹבֵד ע"ז. בְּגִין דְּסִטְרָא אַחְרָא אֲתוּקְדַת בְּב"נ. וּבַהֲיָא בְּעִירָא דִּיהֵיב לְכַהֵנָּא אֲתַפְרֵשׁ חֶרֶם מְנִיָּה, וְסִמְאֵל אֶל אַחַר חֶרֶם, וְנוֹקְבָא דִּילִיָּה קִלְלָה, כְּלוּלָה מִכָּל קִלְלוֹת שְׁבַמְשֻׁנָּה תּוֹרָה. וְקוּדְשָׁא בְּרִיךְ הוּא בְּרִיךְ בְּכָל אֻרְוִיתָא כְּלָא, וְכָל בְּרַכָּאן מִיְמִינָא, דְּאֲחִיד בַּהּ כְּהֵן. וּבְגִין דָּא כָּל חֶרֶם צְרִיךְ לְמִיָּהֵב לִיה לְכַהֵנָּא, דְּאִיהוּ אֲכִיל לִיה בְּנוּרָא, וְשַׁצִּי לִיה מֵעֲלָמָא, וְשַׁכִּיךְ אֲשָׁא מִשְׁמְאֵלָא בְּיְמִינָא, דְּאִיהוּ מִיָּא, וּבִיָּה וְחַמַּת הַמֶּלֶךְ שָׁכְכָה.

11. Two out of one hundred

We hear from the Faithful Shepherd about the next precept, that is to set aside a great offering, two out of one hundred. This means to unify God twice a day with the morning prayer and the evening prayer. We learn the gematria that explain the one hundred from the name Yud Hei Vav Hei and the ten Sfirot and the word Tzadik or Righteous. Moses also mentions the hundred blessings that a person is required to do every day to bless God. He refers to several offerings and emphasizes the importance of the mating of Zeir Anpin and Malchut.

48. The precept after this is to separate aside a great offering, and it was set at two out of one hundred. HE INQUIRES: What is an offering? HE RESPONDS: The rabbis in the Yeshivah SAID, 'This offering requires the setting aside two out of one hundred.' According to Sitrei Torah (lit. "the hidden Torah"), what DOES IT ALLUDE TO? It means that whoever wishes to taste OF HER shall be killed if he is a stranger. That means the strange El, Samael, since the Holy One, blessed be He, said, "that they bring Me an offering (Heb. trumah)" (Shemot 25:2) two (Heb. tri) out of a hundred (Heb. me'ah). THIS MEANS to unify Him twice a day, which is two out of a hundred, THAT ARE 49 letters of Sh'ma, and, 'blessed is the glorious Name of His kingdom forever and ever', of the evening prayer Arvit, and the 49 letters of the morning prayer. Two are missing HERE for THE COMPLETION of one hundred and they are the higher Shechinah, WHICH IS BINAH, and the lower Shechinah, WHICH IS MALCHUT. With both combined, they must be unified with the Holy One, blessed be He, that is, the cubit, the measurement of both. AND TOGETHER WITH THEM, IT IS a hundred. Amah (Eng. 'cubit') has the

1
same letters of Me'ah (Eng. 'hundred'). In changing the letters, it forms Ha'em (Eng. 'the mother'), WHICH ALLUDES TO BINAH.

48. פְּקוּדָא בְּתַר דָּא לְהַפְרִישׁ תְּרוּמָה גְדוּלָה, וְאוּקְמוּהָ תְּרֵי מִמָּאָה, מֵאֵי תְרוּמָה. רַבְּנָן דְּמִתִּיבְתָא, הָאֵי תְרוּמָה דְּצְרִיכִין לְאַפְרָשָׁא תְּרֵי מִמָּאָה, בְּסִתְרֵי תוֹרָה מֵאֵי נִיהוּ. מֵאֵן דְּבַעֵי לְמִטְעָם, אֵי הוּא זֶר יוֹמֵת וְהֵינּוּ אֶל זֶר סְמָא"ל. דְּקוּדְשָׁא בְּרִיךְ הוּא אָמַר וַיִּקְחוּ לִי תְרוּמָה, תְּרֵי מִמָּאָה, לְיַחְדָּא לִיהֵ תְרִין זְמַנִּין בְּיוֹמָא, דְּהֵינּוּ תְּרֵי מִמָּאָה, בְּמִ"ט אֲתוּן דְּשָׁמַע וּבְרוּךְ שֵׁם כְּבוֹד מַלְכוּתוֹ לְעוֹלָם וְעַד דְּעַרְבִית, וּבְמִ"ט אֲתוּן דְּשַׁחְרִית, חֲסֵרִין תְּרִין מִמָּאָה, אֵינּוּן שְׂכִינְתָא עֲלָאָה, וְתַתָּאָה, בְּתְרוּוּיָהּ צְרִיךְ לְיַחְדָּא לְקוּדְשָׁא בְּרִיךְ הוּא, אִמָּה דְּתְרוּוּיָהּ. מְדָה דְּתְרוּוּיָהּ. מָאָה בְּאִמָּה. אִמָּה בְּאֲתוּוֹי מָא"ה אִיהוּ וְאִיהוּ בְּהַפֵּךְ אֲתוּן, הָא"ם.

49. In addition, "then it shall be that when you eat of the bread of the land, you shall offer up a gift to Hashem" (Bemidbar 15:19). "...offer up..." is as is written: "and lifted up its hands on high" (Chavakuk 3:10), BECAUSE, "LIFTED UP ITS HANDS," IS EXPLAINED AS THE TEN FINGERS ON HIS HANDS. This refers to the ten fingers. Lifting them, THAT IS, ACCORDING TO THE MEANING OF, "LIFT UP YOUR HANDS IN THE SANCTUARY" (TEHILIM 134:2), is to the ten Sfirot that are Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph. The numerical values equal 45, Mem-Hei, by EXCHANGING letters of the alphabet USING THE SYSTEM IN WHICH ALEPH=TAV, BET=SHIN, Mem-Hei amounts to one hundred. This is because THE MEM IS SUBSTITUTED WITH YUD ACCORDING TO THE COMBINATION Yud=Mem. IN ALEPH=TAV, BET=SHIN AND THE HEI CHANGES WITH THE TZADIK ACCORDING TO THE COMBINATION OF Hei=Tzadik. TZADIK PLUS YUD TOTALS ONE HUNDRED. This is why it has been explained by the rabbis, the sages of the Mishnah, that, "and now Yisrael, what (Heb. mah, Mem-Hei) does Hashem your Elohim require of you" (Devarim 10:12). Do not pronounce it 'Mah', but rather, 'hundred' or 'Meah'. That corresponds to the hundred blessings that a person is required to bless his Master with daily. That is because a person needs to taste daily FOR THE SAKE OF his Master. Therefore, IT IS WRITTEN, "that they bring Me an offering."

49. וְעוֹד וְהִיא בְּאֶכְלֶכֶם מִלֶּחֶם הָאָרֶץ תְּרִימוּ תְרוּמָה לֵינִי, תְּרִימוּ, כְּגוֹן רוּם יִדְהוּ נִשְׂא וְאֵינּוּן עֶשֶׂר אֶצְבָּעַן, דְּסְלִיקוּ דְּלֵהוֹן לְעֶשֶׂר סְפִירָן, דְּאֵינּוּן יו"ד ה"א וְא"ו ה"א, דְּסְלִיקוּ מ"ה. וּבְאֲתוּן דְּאֶלְפָא בִּיתָא, מָה סְלִיק מָא"ה, י"ם ה"צ. וְהֵאֵי אִיהוּ דְּאוּקְמוּהָ רַבְּנָן מֵאֵי מִתְנִיתִין, וְעַתָּה יִשְׂרָאֵל מ"ה י"י אֱלֹהֶיךָ שׂוֹאֵל מֵעַמְךָ, וְאָמְרוּ, אֵל תְּקִרֵי מָה אֶלָּא מָאָה, לְקַבֵּל מָאָה בְּרַכָּאן דְּמַחְיֵיב ב"נ לְבְרַכָּא לְמֵאֲרִיָּה בְּכָל יוֹמָא, וְהֵאֵי אִיהוּ דְּצְרִיךְ ב"נ לְמִטְעָם בְּכָל יוֹמָא לְמֵאֲרִיָּה, וּבְג"ד וַיִּקְחוּ לִי תְרוּמָה.

50. There are several offerings there. There is an offering mentioned in the Torah, SINCE TRUMAH (ENG. 'OFFERING') CONSISTS OF TORAH AND THE LETTER MEM. That is an offering, which is the Torah, given in Mem (=forty) days. If you say that yet I ate from her IN THOSE FORTY DAYS, does it not say: "and he was there with Hashem forty days and forty nights; he did neither eat bread, nor drink water" (Shemot 34:28)? It was kept until this time, MEANING UNTIL THE ERECTION OF THE TABERNACLE. This was an offering to the Holy One, blessed be He, and if the King did not eat, THAT IS, THERE WAS NO MATING OF ZEIR ANPIN AND MALCHUT REFERRED TO AS 'EATING', how could his servants eat? Following that, AFTER THE TABERNACLE WAS ERECTED, it says, "I have gathered my myrrh with my spice" (Shir Hashirim 5:1) - THAT THERE WAS A MATING OF ZEIR ANPIN AND MALCHUT. Following that, it is written, "eat, O dear ones" (Ibid.), and the servants could eat; THAT IS, THEY WILL RECEIVE FROM THE ILLUMINATION OF THIS MATING.

50. וְכִמָּה תְרוּמוֹת אֵינּוּן, אֵי תְרוּמָה מִדְּאוּרִייתָא, תוֹרָה מ'. וְהֵאֵי אִיהוּ תְרוּמָה, תוֹרָה דְּאֲתִייהֵיבַת בְּאַרְבַּעִים יוֹם. וְאֵי תִימְרוּן דְּאֶכִּילְנָא מְנָה, הָא בְּתִיב וְהֵי מֹשֶׁה בְּהַר אֲרַבְעִים יוֹם וְאַרְבַּעִים לַיְלָה לָחֵם לֹא אָכַל וּמִיָּם לֹא שָׁתָה. נְטִירַת הוּא עַד הַשְׁתָּא הָאֵי תְרוּמָה לְקוּדְשָׁא בְּרִיךְ הוּא. וְכִינּוּן דְּמִלְכָא לֹא אָכַל, אֵיךְ אֶכְלִין עַבְדִּי, דְּהָא לְבַתְרָא דְּאָמַר אֲרִיתִי מוֹרֵי עַם בְּשָׁמִי, לְבַתְרָא אֶכְלוּ רַעִים, וַיִּכְלוּן עַבְדוּי.

12. To set aside tithe

Moses speaks about the next precept, that is to set aside a tithe for the Levites. This offering comes from the left, Gvurah and is given to the right, Chesed. Again Moses elaborates on the numerical values of many letters and words as derived from the amounts of offerings prescribed in scripture.

51. The precept after this is to set aside a tithe for the Levi. Thus is the Shechinah from the right side, which is Chesed. The great offering IS GIVEN to the priest, WHO IS CHESED. From the left side, Gvurah, the tithe offering IS GIVEN, REFERRING TO THE OFFERING OF TITHE belonging to Levi, which is the Shechinah ON THE LEFT SIDE.

52. THE YUD HEI VAV HEI OF THE NUMERICAL VALUE OF 63, WHICH IS Yud-Vav-Dalet, Hei-Yud, Vav-Aleph-Vav, Hei-Yud, IS THE SECRET OF IMA, WHICH IS LEFT IN RELATION TO ABA, WHO IS YUD HEI VAV HEI OF NUMERICAL VALUE OF 72, SINCE 72 AND 63 ARE RIGHT AND LEFT. It is "three tenth measures shall you offer for a bullock" (Bemidbar 28:28), THAT IS, THE THREE YUD'S OF THE NAME OF THE FULL SPELLING OF 63, CALLED THE 'THREE TENTH MEASURES'. THIS IS SAID OF AN OX BECAUSE IT IS of that side about which is said, "and they four had the face of an ox on the left side" (Yechezkel 1:10). That is Gvurah, MEANING THE LEFT COLUMN. "...a tenth measure for one lamb..." That totals ten letters - Yud-Vav-Dalet-Hei-Aleph-Vav-Aleph-Vav-Hei-Aleph, and that is a tenth measure. THE TEN LETTERS and these ten LETTERS AMOUNT NUMERICALLY to Mem-Hei (=45), and Mem-Hei is one hundred (Heb. meah), AS EXPLAINED ABOVE.

53. Three tenth measures ALLUDE TO THE SETTING ASIDE OF THE DOUGH OFFERING, WHICH IS APPLICABLE TO A DOUGH OF THE SIZE OF FORTY THREE AND ONE FIFTH OF AN EGG'S SIZE. The three Yuds OF THE YUD HEI VAV HEI OF 63 ARE THREE LETTERS amounting to THE NUMERICAL VALUE OF THIRTY AND TOGETHER TOTAL 33, AND WITH the ten Sfirot in them - IN THE THREE YUD'S - totaling 43, WHICH IS THE SECRET OF 43 eggs. All this is Yud, SINCE THE NUMBER 43 IS DERIVED FROM THAT YUD, WHICH ARE THE THREE LETTERS OF YUD IN THE FULL SPELLING OF YUD HEI VAV HEI OF 63, AND THEIR AMOUNT IS THIRTY PLUS THE TEN SFIROT. The fifth of an egg's size that is added TO THE MEASURE OF 43 EGGS' SIZE, is due to the Hei, SINCE MALCHUT HAS THE ASPECT OF YUD AND THE ASPECT OF HEI. So the tithe, of the commandment that Yisrael are required to set aside a tithe, is due to the letter Yud IN MALCHUT, which is tithe of a tithe, MEANING THAT MALCHUT IS ONE OF TEN SFIROT AND NINE OF THE SFIROT ARE PART OF HER. THEREFORE, IT IS THE SECRET OF YUD and it is one of five SFIROT from the aspect of Hei. Anywhere it says ten, it is from the letter Yud, which is the Shechinah, which is one of ten Sfirot. One of five is from the aspect of Tiferet, due to the fact THAT TIFERET is the fifth of Keter, WHICH IS CHOCHMAH AND BINAH, CHESED, GVURAH AND TIFERET. When you count from Malchut to Tiferet, you will find that Tiferet is the fifth from bottom upwards. THAT IS, MALCHUT, YESOD, HOD, NETZACH AND TIFERET and the Shechinah is the fifth to it, TO TIFERET, AND ALL THESE FOUR - TIFERET, NETZACH, HOD AND YESOD, ILLUMINATE IN HER. THEREFORE, SHE IS THE SECRET OF HEI (=FIVE), SINCE FROM THIS HEI, THE ADDITION COMES OF ONE FIFTH OF THE EGG SIZE, AS EXPLAINED ABOVE.

51. פְּקוּדָא בְּתַר דָּא לְהַפְרִישׁ מֵעֶשֶׂר לְלוֹי, וְאִיהִי שְׂכִינְתָא מִסְטֵר דִּימִינָא דְאִיהוּ חֶסֶד, תְּרוּמָה גְדוּלָה לְכַהֵן. מִסְטֵרָא דְשִׁמְאֵלָא, דְאִיהוּ גְבוּרָה, תְּרוּמַת מֵעֶשֶׂר לְלוֹי, דְאִיהִי שְׂכִינְתָא.

52. יו"ד ה"י וא"ו ה"י, שלשת עשרונים לפר, מסטרא דההוא דאתמר ביה, ופני שור מהשמאל, ודא גבורה. ועשרון לכבש, ודא יו"ד ה"א וא"ו ה"א, דסליק לעשר אתון, האי עשרון. ועשר למ"ה ומ"ה למאה.

53. אַבְל שְׁלֹשָׁה עֶשְׂרוֹנִים י' י' י', וְסֻלְקִין לָל', וְי' סְפִירָן בְּהוֹן, סֻלְקִין מ"ג בִּיצִים וְכֹלָא יו"ד, חוּמֵשׁ בִּיצָה, תּוֹסֶפֶת מִצַּד ה', וְהִכִּי מֵעֶשֶׂר, דְאִיהוּ פְּקוּדָא לְהַפְרִישׁ יִשְׂרָאֵל מֵעֶשֶׂר, מִסְטֵרָא דְאֵת י', מֵעֶשֶׂר מִן הַמֵּעֶשֶׂר, חֵד מִחֻמֵּשׁ מִסְטֵרָא דְאֵת ה'. כָּל עֲשׂוּרִין דְאֵת י', וְאִיהִי שְׂכִינְתָא חֵד מֵעֶשֶׂר סְפִירָן. א' מִחֻמֵּשׁ, אִיהוּ מִסְטֵרָא דְתַפְאֶרֶת, דְאִיהוּ חֻמֵּשׁ מִכְתָּר. וְכֵד תַּחֲשׁוּב מִמַּלְכוּת עַד תַּפְאֶרֶת, תִּשְׁכַּח תַּפְאֶרֶת חֻמֵּשׁ מִתַּתָּא לְעֵילָא. וְשְׂכִינְתָא חֻמֵּשׁא לְגַבִּיָּה.

54. From the aspect OF MALCHUT, there are "two tenth measures for one ram" (Bemidbar 28:28) SINCE, "TWO TENTHS MEASURES" ARE TWO YUD'S and she is included in, "the golden spoons...weighing ten shekels apiece" (Bemidbar 7:86). Ten apiece is Yud FROM THE RIGHT, Hei-Hei, WHICH ARE A FULLY SPELLED HEI, FROM THE LEFT, THAT IN NUMERICAL EQUIVALENT TOTALS YUD (=TEN) "...for one ram..." is Vav, which is the shekel of the sanctuary, WHICH IS THE CENTRAL COLUMN THAT BALANCES (HEB. SHOKEL) AND OUTWEIGHS THEM. That is the meaning of "the golden spoons... weighing ten shekels apiece (lit. 'ten ten')" SINCE THE SPOON, WHICH IS MALCHUT, IS COMPRISED OF YUD (TEN) FROM THE RIGHT AND YUD (TEN) FROM THE LEFT. "THE SHEKEL OF THE SANCTUARY" IS THE CENTRAL COLUMN THAT IS THE VAV. "...two tenth measures for one ram..." are the Yud-Yud of "Vayyitzer (Eng. 'formed')" (Bereshheet 2:19). "...for one ram..." is that Vav of "Vayyitzer." All this is in THE FORM OF an Aleph, WHOSE FORM IS a Yud above and a Yud below, WHICH INDICATES TO THE RIGHT AND LEFT, while the Vav in the middle INDICATES THE Central Column.

54. ומסִטְרָא אַחְרָא אִיהִי שְׁנֵי עֶשְׂרוֹנִים לְאֵיל, וּכְלִילַת י' י' הֶבֶף בְּשֶׁקֶל הַקֹּדֶשׁ, עֶשְׂרֵה עֶשְׂרֵה י' ה"ה, לְאֵיל דָּא ו', דְּאִיהוּ שֶׁקֶל הַקֹּדֶשׁ, וְהָאֵי אִיהוּ עֶשְׂרֵה עֶשְׂרֵה הֶבֶף בְּשֶׁקֶל הַקֹּדֶשׁ. וְעוֹד, שְׁנֵי עֶשְׂרוֹנִים, י' י' מִן וַיִּיצֶר. לְאֵיל ו' מִן וַיִּיצֶר. וְכֹלֵא א', י' לְעֵילָא, י' לְתַתָּא, ו' בְּאִמְצֵיתָא.

13. Setting aside a thank offering

We hear about the precept to set aside a thanks offering and are told the appropriate amounts and values, and we learn the secret meaning of why it must never be less than ten remembrances.

55. Also, three tenth measures are THREE TIMES YUD, YUD AND YUD IN YUD HEI VAV HEI WHEN FULLY SPELLED OUT, TOTALING TO 63. They are the precepts after this one to set aside a thanks offering. And the rabbis, the sages of the Mishnah set it that a thanking is equal to twenty tenth measures, and they are divided into ten tenth measures for leavened bread and ten for unleavened. From the ten of unleavened, they produce thirty Matzot and, from the ten of leavened bread, they produce ten challot (lit. 'dough cakes'). That is the meaning of: "unleavened cakes of fine flour mingled with oil" (Vayikra 2:4). From the ten tenth measures - WHICH ARE THE TEN LETTERS OF YUD HEI VAV HEI FULLY SPELLED TO THE NUMERICAL VALUE OF 63, which are Yud-Vav-Dalet, Hei-Yud, Vav-Aleph- Vav, Hei-Yud, they made thirty Matzot that are Yud, Yud and Yud, THAT IS, IN THE YUD HEI VAV HEI OF 63. THIS IS BECAUSE IN NUMERICAL VALUE THEY ARE THIRTY, THE SECRET OF THE THREE TENTH MEASURES, AS EXPLAINED ABOVE. This Name - YUD HEI VAV HEI IN THE FULL SPELLING OF '63' - is sometimes to the right, CHESED, and sometimes it is to the left, GVURAH. Sometimes, it is in the center, which is Mercy from every direction, both to the right and left, SINCE THE CENTRAL COLUMN INCLUDES THE RIGHT AND LEFT.

55. וְעוֹד שְׁלֹשָׁה עֶשְׂרוֹנִים אֵינּוֹן י' י' י'. פְּקוּדָא בְּתַר דָּא, לְהַפְרִישׁ תּוֹדָה. וּרְבַנָּן מְאִירֵי מִתְנִיתִין אוֹקְמוּהּ, דְּתוֹדָה עֶשְׂרִים עֶשְׂרוֹנִים, וּמִתְפַּלְגִּין י' עֶשְׂרוֹנִין לְחֶמֶץ, וְי' לְמִצָּה. וּמִי שֶׁל מִצָּה, עוֹשִׂים ל' מִצּוֹת. וּמִעֶשְׂרֵה שֶׁל חֶמֶץ, עוֹשִׂים י' חֲלוֹת. וְדָא אִיהוּ סֵלַת חֲלוֹת מִצּוֹת בְּלוּלוֹת בְּשֶׁמֶן. מִי עֶשְׂרוֹנִים, דְּאֵינּוֹן יו"ד ה"י וְא"ו ה"ג, הוּוּ עֲבָדִין ל' מִצּוֹת, דְּאֵינּוֹן י' י' הָאֵי שְׂמָא, זְמַנִּין אִיהוּ לִימִינָא, וְזְמַנִּין אִיהוּ לְשִׂמְאַלָּא, וְזְמַנִּין בְּאִמְצֵיתָא. רַחֲמֵי מִכָּל סִטְרָא, לִימִינִיהּ וּלְשִׂמְאַלִּיהּ.

56. Sometimes, the Yud, WHICH REPRESENTS MALCHUT, is in the right, and THAT IS THE SECRET OF why it must never be less than ten Malchuts, SINCE TEN IS THE SECRET OF Yud. Sometimes the Yud, WHICH IS MALCHUT, is on the left, AND THIS IS THE SECRET OF why it must never be less than ten blows of the Shofar, SINCE AT THAT TIME, IT IS CONSIDERED A SHOFAR, LIKE IMA WHO IS ON THE LEFT, AS MENTIONED. Sometimes the Yud, THAT IS, MALCHUT, is in the center, BETWEEN THE RIGHT AND LEFT, WHEN IT IS REFERRED TO AS 'REMEMBRANCE', CORRESPONDING TO THE NAME ZEIR ANPIN THAT IS THE CENTRAL COLUMN. THAT IS THE SECRET MEANING OF why it must never be less than ten remembrances.

56. וְזְמַנִּין י' לִימִינָא, וְאֵין פּוֹחֲתִין בֵּיהּ מִעֶשְׂרֵה מְלָכִיּוֹת. וְלְזְמַנִּין יו"ד לְשִׂמְאַלָּא, וְאֵין פּוֹחֲתִין בֵּיהּ מִעֶשְׂרֵה שׁוֹפְרוֹת. וְלְזְמַנִּין יו"ד בְּאִמְצֵיתָא, וְאֵין פּוֹחֲתִין בֵּיהּ מִי זְכוּרוֹנוֹת.

14. "At the commandment of Hashem they remained encamped"

Here Moses emphasizes strongly the number twelve, as manifested in the twelve boundaries, the twelve countenances and the twelve tribes. He talks about the three living creatures, lion, ox and eagle, each with its four aspects. We learn that for whoever produces merits in order to receive a reward, God comes down in the Chariot of the servant Metatron and with His four guards, the archangels. But for whoever produces merits not for the sake of receiving a reward, He descends in His own Chariot. Finally Moses says that God descends upon the wicked with their deeds, with demons, harmful spirits and destructive angels with the Chariot, in order to take revenge on them.

57. "At the commandment of Hashem they remained encamped, and at the commandment of Hashem they journeyed: they kept the charge of Hashem." (Bemidbar 9:23). THIS VERSE CONTAINS THREE NAMES OF YUD HEI VAV HEI, IN ACCORDANCE WITH THE THREE YUD'S MENTIONED ABOVE, since each Yud has four faces, MEANING FOUR LETTERS OF YUD HEI VAV HEI. THIS IS THE SECRET OF THE TWELVE BOUNDARIES THAT CONTAIN ALL PERFECTION, WHICH ARE THE FOUR LETTERS OF YUD HEI VAV HEI, CHESED, GVURAH, TIFERET AND MALCHUT. WITHIN EACH ONE, THERE ARE THREE YUD'S; THAT IS, THREE COLUMNS FOR A TOTAL OF TWELVE. HE EXPLAINS FURTHER: There are three living creatures corresponding to the three Yud's, MEANING THE THREE COLUMNS CALLED 'LION', 'OX' AND 'EAGLE'. And there are four aspects to each living creature, THAT IS, TO EACH COLUMN in accordance with the four aspects of Yud Hei Vav Hei, MEANING IN ACCORDANCE WITH THE FOUR LETTERS OF YUD HEI VAV HEI, WHICH ARE CHESED, GVURAH, TIFERET AND MALCHUT, THE TWELVE BOUNDARIES. "At the commandment of Hashem they remained encamped, and at the commandment of Hashem they journeyed," THAT IS, IN HARMONY WITH THE PERFECTION OF THE TWELVE BOUNDARIES.

58. AFTER THE THREE YUD HEI VAV HEI: "AT THE COMMANDMENT OF HASHEM...AT THE COMMANDMENT OF HASHEM...THE CHARGE OF HASHEM." IT SAYS, "they kept," which is the Shechinah THAT RECEIVES FROM THESE THREE COLUMNS THAT ARE THE SECRET OF THE TWELVE BOUNDARIES. IT IS INDICATED IN THE WORDS "THEY KEPT," SINCE She keeps all those who keep the Shabbatot and holidays. Therefore, the Shechinah has not moved from Yisrael all the Shabbatot and holidays. This is true even on Shabbatot that are not on festive days, only She is shut up and closed in them, MEANING THAT SHE DOES NOT BESTOW PLENTY ON THE LOWER BEINGS. THAT IS NOT THE CASE ON SHABBATOT THAT OCCUR ON HOLIDAYS, WHEN HER PLENTY IS Poured IN GREAT ABUNDANCE.

59. At every prayer, she, MALCHUT, ascends to Yud Hei Vav Hei, THAT IS ZEIR ANPIN, until it reaches the Chariot of the Supreme Patriarchs, who are Chesed, Gvurah and Tiferet, which contain the twelve countenances corresponding to the twelve tribes. This is BECAUSE EACH ONE OF CHESED, GVURAH, AND TIFERET INCORPORATES FOUR COUNTENANCES, CHESED, GVURAH, TIFERET AND MALCHUT, TOTALING TWELVE. According to her, MALCHUT advocates merits for all those who pray and have earned merits in each and every precept in the Torah. So they "remained encamped" over their merits and so they "journeyed" to their merits. Thus the "charge" is going down to them.

60. HE EXPLAINS HIS WORDS: For those who produce merits in order to receive a reward, MEANING WAGE RECOMPENSE, the Holy One, blessed be He, comes down in the Chariot of the servant, THAT IS METATRON, and with His four guards, THAT ARE MICHAEL, GABRIEL, URIEL AND RAPHAEL. But for whoever produces merits not for the sake of receiving a reward, He descends in His own Chariot. To the wicked, He descends upon them with their deeds, with demons, harmful spirits, and destructive angels with the Chariot, in order to have revenge upon them. The scholars of the Mishnah said: Certainly it is so. Praised is your lot, Faithful Shepherd.
End of Ra'aya Meheimna

1. "This is the ordinance of the Torah"

Rabbi Yosi draws a distinction between the Torah itself, that is Zeir Anpin, and the law of the Torah, that is Malchut. Rabbi Yehuda says that the verse, "and this is the Torah," means a union of total perfection, including male and female, but the verse, "this is the ordinance of the Torah," means Malchut without Zeir Anpin.

1. "And Hashem spoke to Moses and Aaron, saying, 'This is the ordinance of the Torah which Hashem has commanded'" (Bemidbar 19:1-2). Rabbi Yosi opened the discussion saying: "and this is the Torah which Moses set before the children of Yisrael" (Devarim 4:44). Come and behold: the words of the Torah are holy, lofty, and sweet, as it is written: "more to be desired are they than gold, and much fine gold: sweeter also than honey..." (Tehilim 19:11). It is as if whoever studies the Torah stands every day at Mount Sinai and receives the Torah. This is what it says: "this day you are become a people" (Devarim 27:9). And the friends have already set the explanation.

2. It is written here: "this is the ordinance of the Torah," and it is also, "and this is the Torah," BUT IT IS NOT WRITTEN, 'THE ORDINANCE'. What is the difference between this and that? HE RESPONDS: It is a lofty secret and that is what we learned. The words, "and this is the Torah," are to show that all is in one unison and to unite the Congregation of Yisrael, THAT IS MALCHUT, with the Holy One, blessed be He, THAT IS ZEIR ANPIN, so that all will be one. Therefore, "and this is the Torah." Why is there the addition of "and" (Heb. Vav), TO "this"? It is only to show that as we are taught, all is one without division. The words, "and this," indicate the general and the particular, NAMELY male and female combined together, SINCE VAV IS MALE, THAT IS ZEIR ANPIN, WHICH IS GENERAL - AND "THIS" IS FEMALE, MEANING MALCHUT, WHICH IS PARTICULAR. Therefore, it is assuredly WRITTEN: "and this is the Torah," TO INDICATE ZEIR ANPIN AND THE NUKVA IN ONE UNISON. However, "this," without the additional Vav is specifically the ordinance of the Torah, WHICH IS MALCHUT THAT IS CONSIDERED THE ORDINANCE. AND IT EMANATES FROM ZEIR ANPIN, WHICH IS CONSIDERED THE TORAH, but is not the Torah ITSELF, WHICH IS ZEIR ANPIN. It is ONLY the law of the Torah, the decree of Torah, WHICH IS MALCHUT.

3. Come and behold: IT IS WRITTEN, "this is that which belongs to the Levites" (Bemidbar 8:24). It is not WRITTEN, 'and this,' WITH A VAV, since they emerge from the side of Judgment, WHICH IS FROM THE LEFT SIDE AND FROM THE SIDE OF MALCHUT THAT IS ERECTED FROM THE LEFT, and not from the angle of Compassion, WHICH IS ZEIR ANPIN. THEREFORE, "THIS" IT IS WRITTEN WITHOUT A VAV, MEANING MALCHUT WITHOUT ZEIR ANPIN. Rabbi Yehuda said: Yet it is written, "and this do to them, that they may live" (Bemidbar 4:19). Here, "THIS" IS WITH A VAV, and it is said about the Levites, and yet you say THAT THE LEVITES ARE THE ASPECT OF "this," and not of, "and this." He said to him: It is most certainly so, THAT THEY ARE IN THE ASPECT OF, "AND THIS." The scripture proves that whoever holds on to deadly poison spices but does not blend into it life-giving spices will certainly die. Therefore, IT IS WRITTEN: "And this do to them, that they may live," MEANING THAT "THIS," WHICH IS THE SECRET OF MALCHUT, CONSIDERED THE TREE OF DEATH, SHOULD JOIN WITH VAV, WHICH IS ZEIR ANPIN, THE TREE OF LIFE. "...and not die..." (Ibid.) This is because the spice of life is mixed with it. THEREFORE, "and this do to them, that they may live, and not die," since they require, "and this," and not 'this'. THEREFORE, the verse: "and this is the Torah," INDICATES that it really is actually in one union, a union of total perfection, male and female in one inclusion; THAT IS THE SECRET OF Vav-Hei. However, "this," ALONE WITHOUT THE VAV, is a Hei alone WITHOUT A VAV, THAT IS, MALCHUT WITHOUT ZEIR ANPIN. About this, it IS WRITTEN: "this is the ordinance of the Torah."

2. "A man pulled off his shoe"

The rabbis discuss the preceding verse and also the verse that speaks about redeeming and exchanging and sealing the bargain by means of the removal of the shoe. Rabbi Elazar cites God's commandment to Moses to take off his shoes, meaning that he commanded him to separate from his wife and join the Shechinah instead. He says that whoever takes the shoe sends the one who gave him the shoe to another world, and that whenever someone draws off his shoe and gives it to another in order to seal a transaction, he is doing this by a decree from above. Rabbi Elazar mentions the drawing off of the sandal at the time of levirate marriage as well, and explains that the widow accepts the shoe to indicate that her dead husband returns among the living. The conclusion to be drawn is that the exchange of the shoe is not just an agreed consensus but is in fact indicating support from the higher grades.

4. Rabbi Shimon, Rabbi Aba, Rabbi Elazar and Rabbi Yitzchak were in the house of Rabbi Pinchas ben Yair. Rabbi Pinchas spoke to Rabbi Shimon saying: I beg of you, you who are appointed from above, to speak openly about that which no other person was permitted to speak. Say something new about this passage. He said to him: Which passage is it? He said to him: "This is the ordinance of the Torah" (Bemidbar 19:2). He said to him: Here are the other friends, let them speak. He told his son, Rabbi Elazar: Elazar, stand up and say something about this passage. Then the friends will speak after you.

4. רבי שמעון ור' אבא ור' אלעזר ור' יצחק, הוו שכיחי בבי ר' פנחס בן יאיר, אמר ר' פנחס לר' שמעון, במטותא מנך אנת דאוקמי עלך לעילא, ומילך באתגלויא, מה דלא אתיהיב רשותא לב"ג אחרא. בפרשתא דא אימא מלה חדתא, א"ל ומאי היא. א"ל זאת חקת התורה. א"ל הא שאר חבריאי לאמרו. אמר לר' אלעזר בריה, אלעזר קום בקיומך, ואימא מלה חד בפרשתא דא, וחבריאי יימרון אבתרך.

5. Rabbi Elazar stood up and spoke: "Now this was the custom in former times in Yisrael concerning redeeming and concerning exchanging, to confirm..." (Rut 4:7). This scriptural verse must be studied carefully. If the earlier ones have made this consensual agreement, TO BUY EVERYTHING THROUGH A SHOE, according to the law of Torah, and the latter ones came and voided it, WE MUST INQUIRE why it was made void. Is not one who abrogates any matter in the Torah considered as if he destroys the whole world? If it is not a Torah law but merely an agreed consensus, THE QUESTION IS why SPECIFICALLY a shoe was used here, AND NOT ANY OTHER METHOD.

5. קם ר' אלעזר ואמר, וזאת לפנים בישראל על הגאולה ועל התמורה לקיים וגו'. האי קרא אית לאסתכלא ביה, ואי אינון קדמאי עבדי הסכמה דא בדינא דאורייתא, ואתו בתראי ובטלוה, אמאי בטלוה. והא מאן דבטיל מלה דאורייתא. כאילו חריב עלמא שלים. ואי לאו איהו בדינא דאורייתא, אלא הסכמה בעלמא, אמאי נעל הכא.

6. HE RESPONDS: It was most certainly according to the law of the Torah, and it was done with a lofty secret. Because the earlier were pious and just, this matter was revealed and known among them. And when the wicked increased in the world, this matter was accomplished in a different manner, in order to cover these matters which are in accordance with a lofty secret.

6. אלא ודאי בדינא דאורייתא הוה, וברזא עלאה אתעבידת מלה, ובגין דהוו קדמאי חסידי זכאי, מלה דא אתגלויא בינייהו, ומדאסגיא חויבי בעלמא, אתעבידת האי מלה בגוונא אחרא, בגין לאתבסאה מלין דאינון ברזא עלאה.

7. Come and behold: it is written, "and he said, 'Do not come near: put off your shoes from off your feet...'" (Shemot 3:5). HE ASKS: Why is the shoe specifically mentioned here? HE RESPONDS: It is the way we were taught, that He commanded him to separate from his wife and join another woman of the light of the holy up high, which is the Shechinah.

7. ת"ח, ויאמר אל תקרב הלום של נעליך מעל רגליך וגו'. וכי אמאי נעל הכא. אלא אתמר, דפקיד ליה על אתתא, לאתפרשא מנה, ולאזדווגא באתתא אחרא, דנהירו קדישא עלאה, ואיהי שכינתא.

8. That shoe is explained in another place; it is explained THAT WHOEVER TAKES IT passes THE ONE WHO GIVES IT from this world and installs him in another world. Consequently, everything that the dead one grants to a person in his dream is beneficial. However, if he takes any utensil from the house, it is harmful, for example, if he takes his shoe. What is the reason, since THAT INDICATES that he passed his foot, which gives standing support to the person, from this world and gathered him to another world to the place where the dead one dwells. A SHOE ALLUDES TO HIS LEG, WHICH GIVES HIM DURABLE SUPPORT, as is written: "how beautiful are your feet in the sandals, O prince's daughter" (Shir Hashirim 7:3). The secret of the matter is among the friends.

9. That is so, that when the dead one takes it, IT INDICATES THAT HE PASSES HIM ON TO THE PLACE OF DEATH. However, when the living one draws off his shoe and gives it to another person in order to maintain a transaction, he carries this out by the decree of the above, WHICH MEANS THAT IT WAS DECREED THAT THE POSSESSION SHOULD PASS ON FROM THIS ONE'S PROPERTY TO THAT ONE'S PROPERTY. The removal of the shoe in the ritual of Chalitzah (removal of the sandal in the law of levirate marriage) is another shoe in the likeness of the above, THAT IS, AS HE EXPLAINS FURTHER, all is one secret meaning.

10. Come and behold: when this dead one departs from the world without children, this prince's daughter, WHICH IS MALCHUT, does not gather that person to her. He goes about loitering and wandering in the world, because he cannot find a place. The Holy One, blessed be He, has mercy on him and commands his brother to redeem him, so that he shall return and be restored in other dust, MEANING THAT HE SHALL INCARNATE, as is written: "and man shall return to dust" (Iyov 34:15). And this has already been explained.

11. If this redeemer does not wish to revive his brother in this world, MEANING TO MARRY HIS WIFE IN ORDER THAT HE MAY INCARNATE THROUGH THE BIRTH OF A SON, it is required to tie a shoe to his foot. That woman will take off the shoe and receive that sandal for herself. And why the sandal? It is only because this shoe is for the dead one, THAT IS, IT IS CONSIDERED AS BELONGING TO THE DEAD ONE, and he places it on the foot of his living brother. The woman, THE WIDOW, accepts that shoe to indicate that this dead one returns among the living through this ritual.

12. That is the opposite of the shoe that the dead takes IN A DREAM from the living, THAT WE MENTIONED ABOVE. THROUGH THE TAKING OF THE SHOE, HE PASSES ON THE LIVING FROM THIS WORLD TO THE OTHER WORLD OF THE DEAD. Now the living man takes this shoe OF CHALITZAH from the dead one. THEREFORE, the dead one walks among the living in that shoe. FOR IN THAT CASE THE LIVING WIFE WOULD HAVE LED THE DEAD FROM THE OTHER WORLD TO THIS WORLD AMONG THE LIVING, FOR HE WHO WOULD HAVE INCARNATED IN THE SON THAT WOULD HAVE BEEN BORN FROM THAT MARRIAGE. BUT NOW THAT HE DOES NOT WANT TO MARRY HER and the wife takes him to her, to indicate that the woman is the crown of her husband, WHICH IS THE SHECHINAH, she accepts him and takes him to her.

8. והוא נעל אוקים ליה באתר אחרא, אעבר ליה מהאי עלמא, ואוקים ליה בעלמא אחרא. וע"ד, כל מה דיהיב מיתא לבר נש בחלמא טב. נטיל מאניה מן ביתא ביש, כגון סנדליה. מ"ט. בגין דאעבר רגליה, דאינון קיומא דבר נש, מהאי עלמא, וכניש לון לעלמא אחרא, אתר דמותא שארי ביה, דכתיב מה יפו מעמין בנעלים בת נדיב. ורזא דמלה בין חברייה איהו.

9. ודא בר מיתא נטיל לון, אבל בזמנא דחייא שליף מסאניה, ויהיב לבר נש אחרא, בגין לקיימא קיים, קא עביר בגזרה דלעילא. נעל דחליצה, כגוונא דלעילא נעל אחרא, וכלא רזא חדא.

10. ת"ח, ההוא מיתא דאסתלק מעלמא בלא בנין, האי בת נדיב לא כנישת ליה לההוא בר נש לגבה, ואזיל לאתטרדא בעלמא, דלא אשכח אתר, וקודשא בריך הוא חייס עליה ופקיד לאחוזי למפרק ליה, לאתבא ולאיתקנא בעמרא אחרא. כמה דכתיב, ואדם על עפר ישוב ואוקמוה.

11. ואי ההוא פרוקא לא בעי לקיימא לאחוזי בהאי עלמא, בעי למקטר חד נעל ברגליה, וההוא אתתא דתשרי ליה ומקבלא לההוא נעל לגבה. אמאי נעל. אלא בגין דההוא נעל בגין מיתא הוא, ואתיהיב ברגליה דחייא אחוזי, ואתתא מקבלא לההוא נעל לגבה, לאחוזא דהא ההוא מיתא בין חייא אהדר בעובדא דא.

12. והוא בהפוכא מההוא נעל דנטיל מיתא מחייא, והשתא האי נעל נטיל חייא ממיתא, ובההוא נעל ההוא מיתא אזיל בין חייא, ואתתא נטלא ליה לגבה, לאחוזא דההוא אתתא עטרת בעלה, נטלא ליה ומקבלא ליה לגבה.

13. There is a requirement to throw that shoe on the ground, to indicate that the body of the dead one has calmed. And the Holy One, blessed be He, will have compassion for him and accept him into the other world at this time or sometime later. In addition, the striking of the sandal from the hands of the wife to the ground comes to show that this dead one will be resurrected from the dust of another body in this world, MEANING HE WILL REINCARNATE. But he will first return to the dust whence he came. Then, that woman is permitted to produce other children, as has been explained.

14. Come and see: for this reason, whoever wishes to maintain a lasting deal takes his sandal and gives it to his associate to perform through it a lasting deal. This is what is written, "now this was the custom in former times in Yisrael concerning redeeming." What is, "and that (lit. 'this')"? IT MEANS THAT, "AND THIS," WHICH IS MALCHUT, stood perfect in everything; "in former times in Yisrael," when they were modest and holy, "to confirm all manner of transactions (lit. 'all thing')," meaning everything, ALLUDING TO THE LOFTY COUPLING OF YESOD AND MALCHUT, SINCE "ALL" IS YESOD AND "THING" IS MALCHUT. This gives endurance and therefore, "this was the manner of attesting in Yisrael" (Ibid.), assuredly. FOR YOU SHOULD NOT SAY that it was merely an agreed consensus TO PERFORM A DEAL WITH A SANDAL and it was done through their own idea. But rather, you should perceive that it was a support of the grades up high, so that their performance BELOW would be similar to the secret above, SINCE IT ALLUDES TO THE COUPLING OF YESOD AND MALCHUT, AS MENTIONED, WHICH IS THE SECRET OF THE UPPERMOST DURABILITY.

15. As soon as the wicked increased in the world, they concealed the matter in a different manner, THAT IS, THE PERFORMANCE OF A DEAL, with the corner of a garment. That dress is a lofty emendation, WHICH IS ZEIR ANPIN, AND THE CORNER (LIT. 'WING') OF THE DRESS IS MALCHUT CALLED 'WING', WHICH ALSO INDICATES THE JOINING OF ZEIR ANPIN AND MALCHUT, SIMILAR TO THE SHOE. The secret meaning of this is: "nor uncover his father's skirt (lit. 'wing')" (Devarim 23:1). SO WE SEE THAT THE WIFE IS CALLED 'WING'.

3. "This is the ordinance of the Torah," part two

Rabbi Elazar says that 'keep' and 'remember', the secret of the male and female, are connected together by the covenant. We are told the inner meaning of 'chukat' or ordinance.

16. "This is the ordinance of the Torah" (Bemidbar 19:2). The word "this (Heb. zot, fem.)" is the sign of the Covenant, SINCE THE SIGN OF THE COVENANT IS CALLED 'ZEH' (LIT. 'THIS', MASC.), and they have not parted from each other. THAT IS, IN THE WORD ZOT, WHICH IS MALCHUT, THE WORD ZEH IS INCLUDED, WHICH ALLUDES TO YESOD, AND THAT INDICATES THAT YESOD AND MALCHUT DO NOT SEPARATE FROM EACH OTHER. From the female we enter into the male. Therefore, 'keep' and 'remember', THE SECRET OF THE MALE AND FEMALE, are connected together. HE ASKS: In the verse, "the ordinance (Heb. chukat) of the Torah," it should have said 'Chok (Eng. 'law')' of the Torah. What is chukat?

13. וּבְעֵי לְבַטְשָׁא לִיָּה לְהֵוּא נַעַל בְּאַרְעָא, לְאַחְזָא דְשִׁכְיָ גּוּפִיה דְהֵוּא מִיָּתָא. וְקוּדְשָׁא בְרִיךְ הוּא לְזִמְנָא דָּא, אוּ לְבַתֵּר זְמַנָּא, חֵיִיס עֲלֵיהּ, וְיִקְבֵּל לִיָּה לְעֵלְמָא אַחְרָא. תּוּ בְטָשׂוּתָא דְהֵוּא נַעַל מִיָּדָא דְאַתְתָּא לְאַרְעָא לְאַחְזָא, דְהָא יִתְבַּנֵּי הֵוּא מִיָּתָא בְּעַפְרָא אַחְרָא דְהָאֵי עֵלְמָא, וְהִשְׁתָּא יִתּוּב לְעַפְרִיהּ דְהוּוּ מִתְמַן בְּקַדְמִיתָא, וְכַדִּין הֵוּא אִתְתָּא תְּשַׁתְּרֵי לְמַעַבְד זְרַעָא אַחְרָא, וְאוּקְמוּהּ.

17. HE RESPONDS: MALCHUT IS assuredly chukat. And we explained that Hei is Dalet, and we were already taught THE MEANING OF THE DALET. However, Tav is a combination of Dalet and Nun, and we were taught why Nun is called this way, MEANING SPELLED WITH THE LETTERS NUN-VAV- NUN. HE RESPONDS: It is only as it says, "you shall not therefore defraud one another" (Vayikra 25:17), SINCE NUN IS FROM THE LINGUISTIC DERIVATIVE OF 'FRAUD' (HEB. ONA'A, ALEPH-VAV-NUN- ALEPH-HEI). Now she seems to be with a happy, delightful face. HOWEVER, she defrauds human beings SINCE, following this, she hits like a snake, destroys, kills, and says, "I have done nothing wrong (Heb. aven, Aleph- Vav-Nun)" (Mishlei 30:20). Therefore, she is spelled Nun-Vav-Nun, DERIVED FROM FRAUD, which is ascribed to her, THE NUN. The Tav is altogether composed of Dalet and Nun. Dalet and Nun are ALSO SIMILAR TO Nun and Resh, SINCE Resh and Dalet are the same thing; BOTH MEAN POVERTY. And with engraved letters, CHUKAT is composed of THE LETTERS Chet-Kof (lit. 'law') and Tav. And all is the same thing.

4. A red heifer

We learn that the offering of a cow is to purify the unclean, and that red means a sentence of law. The cow must be without defect to indicate soft judgment, and without blemish since all blemishes are healed through the illumination of Wisdom. Rabbi Elazar explains why the offering was taken to the adjutant to Aaron and not directly to the high priest, saying that this would be improper because Aaron approaches from the holy side not the pure side. We hear about the seven washings, the seven years of Shmitah and the seven Sfirot. Rabbi Elazar says that throwing cedar wood on the burnt ashes weakens the energy of the unclean aspect, so the people become cleansed. We hear about the "water of sprinkling" that is for purification when the world dwells in Judgment, and Rabbi Elazar concludes by saying that defilement and purification are the most important rules of the Torah.

18. "Speak to the children of Yisrael, that they bring you a red heifer..." (Bemidbar 19:2). This cow is for the purpose of cleansing to purify the unclean, WHICH IS MALCHUT that receives from the left. Who is on that left? It is the ox THAT IS GVURAH IN ZEIR ANPIN, as it says, "the face of the ox from the left side" (Yechezkel 1:10). Red means red as a rose, as written: "like the rose among thorns" (Shir Hashirim 2:2). RED MEANS a sentence of law, SINCE THE LAWS OF THE LEFT COLUMN ARE CONSIDERED RED.

19. "...without defect (Heb. temimah)..." (Bemidbar 19:2). HE ASKS: IT IS WRITTEN, "WITHOUT DEFECT." What is the meaning? HE RESPONDS: It is as we were taught about a bull that has not gored (Heb. tam) and the bull that has gored thrice. The bull that has not gored MEANS lax, soft Judgment. The bull that has gored thrice is harsh Judgment. Here too, temimah MEANS a lax sentence that is lower Gvurah, MEANING MALCHUT, since one that is as such is without defect. Gvurah up high, THAT IS THE GVURAH IN ZEIR ANPIN, is the severe and mighty hand.

20. "...in which there is no blemish..." (Ibid.) is as it is written, "you are all fair, my love; there is no blemish in you" (Shir Hashirim 4:7). SHE SHINES WITH THE ILLUMINATION OF CHOCHMAH, AND SHE IS CONSIDERED BEAUTIFUL SINCE ALL BLEMISHES ARE HEALED THROUGH THE ILLUMINATION OF CHOCHMAH. "...and upon which never came a yoke (Heb. ol, Ayin-Lamed)..." (Bemidbar 19:2). The word "ol" is spelled WITHOUT A VAV, which is as it is written: "and the man who was raised up on high (Heb. al, Ayin-Lamed)" (II Shmuel 23:1). What is the reason? It is because she is "the peaceable and faithful in Yisrael" (II Shmuel 20:19), and he is not above her but rather with her. "...and upon which never came a yoke..." is as it is written: "the virgin of Yisrael" (Amos 5:2), and, "a virgin, neither had any man known her" (Beresheet 24:16).

21. "And you shall give her to Elazar" (Bemidbar 19:3). THAT IS BECAUSE the prescribed performing of the ritual is through the adjutant to the High Priest AND NOT BY THE HIGH PRIEST HIMSELF, and they established it that way. What is the reason? It is for ELAZAR and not for Aaron. HE RESPONDS: It is only because Aaron is the best man of the Queen. THEREFORE, HE WOULD BE IMPROPER FOR THE RITUAL OF THIS COW, WHICH IS HARSH JUDGMENT, and furthermore, he would be improper because Aaron does not approach this from the pure side but rather from the holy side. Since the primary function of the red cow is for purification, it is therefore not given to him.

22. Every item that pertains to this cow, WHICH IS MALCHUT, is in seven, seven washings. And we were already taught that. What is the reason? It is because MALCHUT is the seven years of the Sabbatical year THAT CONTAINS SEVEN SFIROT - CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, and is called 'Bathsheba' (lit. 'Daughter of Seven'). Therefore, all her rituals are in seven. Come and behold: all that is made from this cow is for the purpose of purification and not for sanctification. Although it was given to an aid OF THE PRIEST, THAT IS, ELAZAR, he does not perform the slaughtering or the burning so that no Harsh Judgment will be at his aspect. Even more so for Aaron, who is in a more perfected level THAN ELAZAR. He need not present himself or be available there.

23. As soon as this cow turns into ashes, there is a requirement to throw into it "cedar wood, and hyssop, and scarlet" (Bemidbar 19:6) as we have already learned. "And a man that is clean shall gather up" (Ibid. 9) and not a holy man. "...and lay them outside the camp in a clean place..." (Ibid.) since nothing is called 'clean' except from the aspect that he was first unclean.

24. The secret of all this is written: "for the water of sprinkling, it is a purification offering" (Ibid.). That is because all the lower Judgments and all that come from the aspect of Defilement RECEIVE THEIR STRENGTH FROM MALCHUT AT THE TIME when she sucks from the Other Side and dwells in Judgment, as it says: "filled with blood, it is made fat with fatness" (Yeshayah 34:6). At that moment, all THE SENTENCES FROM THE ASPECT OF DEFILEMENT are stirred up to rise and dwell in the world. As soon as they perform that ritual OF BURNING THE COW down below and the sentence is carried out in this place, in this cow, they throw on her the cedar wood. Then their energy is weakened, OF THE UNCLEAN ASPECT, and wherever they prevail, they break down and become weak and escape from there, since they see their might BROKEN AND SUPRESSED, AS IT WAS PERFORMED IN THE RITUAL OF BURNING THE COW. Then, they do not prevail on man and he becomes cleansed.

21. ונתתם אותה אל אלעזר, מצוותה בסגן, ואוקמוה. מ"ט ליה ולא לאהרן. אלא אהרן שושבינא דמטרוניתא. ועוד דאהרן לא אתי מסטרא דטהור, אלא מסטרא דקדוש, ובגין דדא אתינא לטהרה, לא אתייהיב ליה.

25. Therefore, it is called "water of sprinkling (Heb. nidah)." THAT MEANS water for purification when the world dwells in Judgment and the defiled aspect expands in the world, AS BY THE UNCLEANNESS OF A MENSTRUATING WOMAN (HEB. NIDAH). Here are gathered together a variety of unclean things and a variety of methods of purification. Consequently, defilement and purification are the most important rules of the Torah, and the friends have already explained this. Rabbi Shimon said: Elazar, you have accomplished so much that your friends will not be speaking of anything following you, SINCE FROM THE GREAT WISDOM AND WHOLESOMENESS OF YOUR SPEECH THEY WILL BE SHY TO GIVE THEIRS.

Moses says that it is forbidden to plow during the Shabbat with an ox. He says that the lower Shechinah is a red cow from the aspect of Gvurah, and he goes on to talk about the aspect of the higher Shechinah that is liberty. The result of the offering is that there is no authority for the Other Side to rule.

Ra'aya Meheimna (the Faithful Shepherd)

26. "A red heifer without defect, in which there is no blemish..." It is forbidden to plow during the Shabbat with an ox and plow, as it says, "the plowers plowed upon my back" (Tehilim 129:3), and the lower Shechinah, WHICH IS MALCHUT, is a red cow from the aspect of Gvurah. She is without defect from the aspect of Chesed, which is a level of Abraham, of whom it says, "walk before Me, and be perfect (Heb. tamim)" (Beresheet 17:1). "...In which there is no blemish..." She is from the aspect of the Central Column, WHICH IS ZEIR ANPIN THAT UNITES HER LEFT AND RIGHT. The verse continues, "and upon which never came a yoke," which is from the aspect of the higher Shechinah, which is liberty, MEANING BINAH at the location where she dominates, WHICH IS MALCHUT THAT IS COMPRISED OF EVERYTHING MENTIONED ABOVE. "And the stranger that comes near SHALL BE PUT TO DEATH." There is no authority for the Other Side to rule, not for Satan, not for the Destroyer, and not for the Angel of Death, all of which are from the side of Gehenom.

5. "He sends the springs into the valleys"

Rabbi Shimon examines the title verse, speaking about the flow of higher wisdom, the river that emanates from Eden, the deep stream of Yisrael Saba and Tevunah, and the higher sanctified rivers of Zeir Anpin. We learn that after Zeir Anpin and Malchut drink they give drink to every wild beast, and we are told of the four creatures - lion, ox, eagle and man - in the vision of Ezekiel. Rabbi Shimon talks about the uniting at different levels and how the blessings prevail from the watering of the stream. We learn about the time of judgment and the Spirit of Defilement that dwells upon someone who sinned. The Spirit of Defilement is removed through the purification of the offering, and the sprinkling of clean water is part of the purification and sanctification required in order to deserve the World to Come.

27. Rabbi Shimon opened the discussion with the verse: "He sends the springs into the valleys...they give drink to every wild beast..." (Tehilim 104:10-11). These verses were uttered by King David in the Holy Spirit, and they require studying. Come and behold: there was a time when the higher wisdom imprinted its engravings, MEANING AT THE MOMENT WHEN THE HIGHER CHOCHMAH AND BINAH UNITED TOGETHER, even though THE HIGHER CHOCHMAH is the most hidden of all the hidden, SINCE IN HIGHER CHOCHMAH AND BINAH, WHICH ARE ABA AND IMA ABOVE, THE YUD DOES NOT EMERGE FROM THE AIR. It is an opening from which flows a river full of higher gates, THAT IS BINAH.

27. פתח ר"ש ואמר, המשלח מעינים בנחלים וגו'. ישקו כל חיתו שדי וגו'. הני קראי דוד מלכא ברוחא קדישא אמרן, ואית לאסתבלא בהו. ת"ח, בשעתא דחכמתא עלאה בטש בגלימיו, אע"ג דהיא טמירא בכל סטרין, פתח ואתנגיד מניה חד נהרא, מליא בתרעין עלאין.

28. HE COMPARES THIS SUBJECT MATTER OF ABA AND IMA ABOVE AND YISRAEL-SABA AND TEVUNAH to a spring and source of water that fills up a huge lake. From there, FROM THE LAKE, flow springs, streams and rivers in every direction, TO THE RIGHT AND TO THE LEFT. Similarly, this ABA AND IMA AND YISRAEL-SABA AND TEVUNAH flows through a certain narrow path that is not known, MEANING AT THE UNION OF YESOD'S ABA AND IMA ABOVE, WHO ARE NOT REVEALED, IN WHOM THE YUD DOES NOT EMANATE FROM THE AIR. That river emerges continuously and emanates FROM EDEN. THROUGH THIS EXITING AND ENTERING, it fills that deep stream - MEANING YISRAEL-SABA AND TEVUNAH, SIMILAR TO THE HUGE LAKE OF WATER THAT IS FILLED UP FROM THE SPRING AND SOURCE THAT ARE ABA AND IMA ABOVE. From there, springs and streams continue TO ZEIR ANPIN AND MALCHUT, and from it they are filled up WITH CHOCHMAH AND CHASSADIM. This is what it is written: "He sends the springs into the valleys" (Ibid.). These are the higher sanctified rivers OF ZEIR ANPIN of pure balsam, SINCE IT IS THE SECRET OF THE PURE AIR THAT CHESED, GVURAH AND TIFERET OF ZEIR ANPIN RECEIVE FROM ABA AND IMA ABOVE. THAT IS THE SECRET OF THE PURE BALSAM AND THAT IS WHAT IS MEANT BY: "THEY FLOW BETWEEN THE HILLS," WHICH ARE CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, CALLED 'MOUNTAINS'. AND FROM IT MALCHUT RECEIVES. And all, ZEIR ANPIN AND MALCHUT, drink together from that spring of the higher sanctified stream that continues to flow, WHICH IS YISRAEL-SABA AND TEVUNAH.

29. AFTER ZEIR ANPIN AND MALCHUT DRINK, "they give to drink to every wild beast" that which is written: "and from thence it was parted, and branched into four streams (lit. 'heads')" (Bereshheet 2:10). These four heads are "every wild (lit. 'field', Heb. sadai) beast," WHICH ARE FOUR CREATURES, LION, OX, EAGLE AND MAN, WHICH ARE THE CHARIOT OF MALCHUT. They are the inclusion of all the camps and legions THAT ARE IN BRIYAH, YETZIRAH AND ASIYAH to which Shadai, THAT IS METATRON THAT IS CALLED 'SHADAI', is attached, WHO IS ABOVE ALL OF THEM. Do not pronounce it Sadai WITH SIN, but rather Shadai, WITH SHIN, which is METATRON that receives and perfects IN HIMSELF the Name from Yesod, the Foundation of the world. This is SINCE THE NAME SHADAI IS IN YESOD OF ZEIR ANPIN, AND METATRON, BEING A CHARIOT TO YESOD OF ZEIR ANPIN, RECEIVES THIS NAME.

30. "The wild asses quench their thirst" (Tehilim 104:11). These are the ones about whom it is written: "and the wheels were lifted up along with them: for the spirit of the living creature was in the wheels" (Yechezkel 1:20). What is "the living creature"? These are the wild beasts, which are four, and each one of them is in one direction OF THE FOUR DIRECTIONS of the world, and is called a 'living creature'. There are FOUR wheels to each one OF THE FOUR CREATURES, and none OF THE WHEELS move except from the spirit of the living creature that goes over it, MEANING EACH ONE OF THE WHEELS FROM THE CORRESPONDING SPIRIT IN THE CREATURES. When these LIVING CREATURES AND WHEELS are imbued with that higher drinking liquid, all the rest of the legions are fed and saturated and are rooted in their sources, and they unite with each other at certain levels. This is what is written: "beside them dwell the birds of the sky...He waters the hills from His upper chambers..." (Tehilim 104:12-13). These are the rest of the higher levels.

31. After all this, WHEN ALL THE HIGHER AND LOWER GRADES WERE FILLED WITH ABUNDANCE FROM ABA AND IMA, IT SAYS: "the earth is satiated with the fruits of Your works" (Ibid.); that is, the sanctified land up high, MEANING MALCHUT. When it is blessed, all the worlds are gladdened and are blessed, and that happens when the blessings prevail from the watering of the stream, WHICH IS THE SPRING MENTIONED ABOVE, THAT IS ABA AND IMA, the deepest of all.

32. At the time when the blessings are not available to descend upon the world, WHICH ARE CHASSADIM, AND MALCHUT RECEIVES CHOCHMAH FROM THE LEFT WITHOUT THE CHASSADIM, the world, THAT IS MALCHUT, sits in Judgment. From the left side stirs a spirit that extends over the world, and many regiments of harmful angels dwell in the world and rest over the people, SINCE WHEN CHOCHMAH IS WITHOUT CHASSADIM, ALL THE HARSH JUDGMENTS EMANATE FROM HER. And that spirit defiles them, similar to a person who dies and has a Spirit of Defilement dwell upon him. This is true for whoever comes near that SPIRIT FROM THE LEFT.

33. That is what is meant when it says: "You hide Your face, they are troubled" (Ibid. 29). What does this verse mean? It is only, "You hide Your face, they are troubled." That is because THOSE LEVELS were not watered so that blessings would prevail in the world, SINCE "YOUR FACE" MEANS CHASSADIM AND BLESSINGS. THEN, "You take away their breath (also: 'spirit'), they die" (Ibid.), because another spirit stirs from the left direction, WITHOUT THE RIGHT. The Spirit of Defilement dwells upon people, upon those who died, those who were with them, and on the rest of humanity, MEANING THAT THE SPIRIT OF DEFILEMENT EXPANDS OVER THE WHOLE WORLD. What is its remedy? This is what is written: "and return to their dust" (Ibid.). That means the dust of the burning of this offering in order to have purification, and that is the secret meaning of, "all are of the dust" (Kohelet 3:20), even the sun's circle.

34. After returning to this dust in order to be purified through it, AS MENTIONED NEARBY, the Spirit of Defilement is removed. And another Holy Spirit is aroused, which prevails upon the world. This is what it says: "You send forth your breath (also: 'spirit'), they are created" (Ibid. 30); they are created and healed with the loftier remedy of another spirit. "And You renew the face of the earth" (Ibid.); since it was purified, the moon is renewed and all the realms are blessed. Praised is the lot of Yisrael, since the Holy One, blessed be He, gave them counsel. All of it is a remedy in order to gain life in the World to Come, and for them to be considered purified in this world and sanctified for the World to Come. About them, it is written: "then will I sprinkle clean water upon you, and you shall be clean" (Yechezkel 36:25).

6. Moses, Aaron and Miriam

Rabbi Shimon tells Rabbi Yehuda that Miriam died because the death of righteous atones for the world; when she departed the well that accompanied the children of Yisrael in the desert was gone. At that time the right was weakened and the sun was dimmed, and when Aaron died the right was broken and the sun was darkened. Rabbi Shimon says there has never been a generation like the one in which Moses, Aaron and Miriam all lived. Even in the generation of Solomon they drew from the moon, that was full, rather than the sun, as in Moses' time. Rabbi Shimon talks about Joshua, who labored to inherit the land of Yisrael but did not attain the full completion of the moon; he toiled for Yisrael under the sun, Moses, for he did not have light of his own. We learn that every place where Solomon mentions "under the sun," he is speaking about his own level, Malchut. Rabbi Shimon says that whoever is attached to the moon without the sun reflects the first sin in the world, the sin of the Tree of Knowledge of Good and Evil.

35. "Then came the children of Yisrael, the whole congregation into the desert of Zin..." (Bemidbar 20:1). Rabbi Yehuda said: Why is the passage about the laws of the red cow near to the death of Miriam? The explanation was already established. HE RESPONDS: However, since the Judgment was executed upon this cow in order to purify the unclean, Judgment was executed upon Miriam for the purpose of cleansing the world, SINCE THE DEATH OF THE JUST ATONES FOR THE WORLD, and she departed from this world. When Miriam departed, the well that accompanied the children of Yisrael in the desert was gone. And the well of everyone was gone; THAT IS THE SECRET OF MALCHUT.

36. Rabbi Aba said that it is written: Now, you "son of man, take up a lamentation" (Yechezkel 28:12), about the virgin of Yisrael, THAT IS MALCHUT. HE ASKS: Is it about her alone? HE RESPONDS: No. It is only that everyone was broken because of her, since it was for her that the breaking of the right OF ZEIR ANPIN followed, THAT IS THE SECRET OF THE DEPARTURE OF CHESED DUE TO THE SEPARATION OF MALCHUT. FOR CHESED was bringing her near to the body, WHICH IS ZEIR ANPIN. And the body, which is the sun, MEANING ZEIR ANPIN THAT INFLUENCES MALCHUT, was dimmed for her, SINCE IT HAD NOBODY TO INSPIRE. This is the secret of: "save with Your right hand, and answer me" (Tehilim 60:7), MEANING SAVE THE RIGHT HAND THAT WAS SEVERED BY THE SEPARATION OF MALCHUT. ALSO, this affected the body, as is written: "I clothe the heavens with blackness" (Yeshayah 50:3), since the sun, THAT IS ZEIR ANPIN, was darkened because of her. Similar to this is the verse: "And Miriam died there" (Bemidbar 20:1), BECAUSE THAT INDICATES THE DEPARTURE OF MALCHUT. AS MENTIONED ABOVE, THE WEAKENING OF THE RIGHT ALSO OCCURRED AND ZEIR ANPIN WAS DARKENED.

37. "And there was no water for the congregation" (Ibid. 2), since the well of above departed, WHICH IS MALCHUT, as well as the lower, WHICH IS MIRIAM. Then the right was broken, as is written: "Aaron shall be gathered to his people" (Ibid. 24). HE IS THE SECRET OF CHESED, WHICH IS THE RIGHT. Following that, the sun dimmed, as is written: "and die in the mount...and be gathered to your people" (Devarim 32:50), AND MOSES WAS THE CHARIOT TO ZEIR ANPIN, REFERRED TO AS 'SUN'. We see here that the right arm was broken and the body, which is the sun, became darkened.

38. Come and behold: there was no generation in the world similar to the generation when Moses as well as Aaron and Miriam lived in the world. If you say that the times of Solomon were similar, it is not so. In the times of Solomon, the moon was dominant, SINCE THAT GENERATION WAS RECEIVING FROM THE MOON, WHICH IS MALCHUT, and the sun was gathered, BECAUSE THEY DID NOT RECEIVE FROM ZEIR ANPIN, REFERRED TO AS 'SUN'. During the time of Moses, the moon was gathered, so THAT THEY DID NOT RECEIVE FROM MALCHUT, and the sun was dominant, AS THEY WERE RECEIVING FROM ZEIR ANPIN, REFERRED TO AS 'SUN'.

35. וַיָּבֹאוּ בְנֵי יִשְׂרָאֵל כָּל הָעֵדָה מְדַבְּרֵי צִין וְגו'. ר' יְהוּדָה אָמַר, אִמָּאֵי פִרְשָׁתָא דְפֶרָה, סְמוּכָה לְמִיתַת מְרִים. הָא אוֹקְמוּהָ. אֲלֵא כִּיּוֹן דְּאַתְעֵבִיד דִּינָא בְּהַאי פֶּרָה, לְדַכָּאָה לְמַסְאֲבִי, אֲתַעֲבִיד דִּינָא בְּמְרִים, לְדַכָּאָה עֲלֵמָא, וְאַסְתַּלְקַת מִן עֲלֵמָא. כִּיּוֹן דְּאַסְתַּלְקַת מְרִים, אֲסַתְלַק הָהוּא בְּאַר, דִּהוּה אֲזִיל עֲמַהוֹן דִּישְׂרָאֵל בְּמַדְבְּרָא וְאַסְתַּלַּק בִּירָא בְּכֻלָּא.

36. א"ר אבא, כתיב ואתה בן אדם שא קינא על בתולת ישראל, וכי עלה בלחודה. לא. אלא בגין דכלא אתבר בגינה. בגינה אתבר ימינא אבתרה, דהוה מקרב לה גבי גופא. וגופא דאיהו שמשא, אתחשך בגינה. ודא הוא רזא דכתיב הושיעה ימינך וענני. גופא דכתיב אלביש שמים קדרות, דהא שמשא אתחשך בגינה. כגוונא דא ותמת שם מרים וגו'.

37. ולא היה מים לעדה, דהא אסתלק בירא דעילא ותתא לבתר אתבר ימינא, דכתיב יאסף אהרן אל עמיו. ולבתר אתחשך שמשא, דכתיב ומות בהר וגו'. והאסף אל עמך וגו'. הא דרועא ימינא אתבר, וגופא דאיהו שמשא אתחשך.

38. ות"ח, לא אשתכח דרא בעלמא, כדרא דמשה קיימא בעלמא, ואהרן ומרים. ואי תימא ביומוי דשלמה הכי נמי. לאו. דהא ביומוי דשלמה שליט סיהרא, ושמשא אתכניש. וביומוי דמשה, אתכניש סיהרא, ושמשא שלטא.

39. There were three siblings, Moses, Aaron and Miriam, as it says: "and I sent before you Moses, Aaron, and Miriam" (Michah 6:4). Miriam is the moon, MALCHUT, Moses is the sun, ZEIR ANPIN, Aaron is the right arm, CHESED, and Hur is the left arm, GVURAH. Some say that Nahshon, the son of Amminadab WAS THE LEFT ARM. At first Miriam died, and the moon departed and the well disappeared. Afterward, the right arm that always brings near the moon, WHICH IS MALCHUT, joyfully and with friendship, broke. Therefore, it is written: "and Miriam the prophetess, the sister of Aaron, took..." (Shemot 15:20). Surely she is Aaron's sister, for he is the arm that brings her near in unity and brotherhood with the body, WHICH IS ZEIR ANPIN.

40. Afterward, the sun was gathered in and it was darkened, as we explained that it is written: "and be gathered to your people..." Happy is the generation in which Moses, Aaron, and Miriam existed in the world. During the era of Solomon, the moon was dominant, WHICH IS MALCHUT, in her correction, IN HER FULLNESS, and was visible in the world. Solomon was established in the wisdom of her light, SINCE THE REVELATION OF THE LIGHT OF CHOCHMAH IS ONLY POSSIBLE IN MALCHUT. And he ruled the world. As soon as the moon set, due to his sins, she became flawed day after day until she was located in the western sector, WHICH IS THE LOCATION OF MALCHUT ITSELF, and nothing more. Then, just one tribe was given to his son, SOLOMON, AND THE REST TO JEROBOAM. Happy is the lot of Moses, the faithful prophet.

41. It is written: "the sun also rises, and the sun goes down" (Kohelet 1:5), and we have explained this verse. However, "the sun also rises," refers to the time when Yisrael left Egypt, when the sun, WHO IS MOSES, was shining, and not the moon, WHICH IS MALCHUT. "...and hastens to its place..." since it is written: "and the sun goes down," BECAUSE MOSES WAS GATHERED in the desert with the rest of those who died in the desert. When the sun set, to which location was it gathered? "To its place"; that is, so it would illuminate the moon. This is what it says: "hastens...where it rises again"; and even though it was gathered, it assuredly "rises again," since the moon has no illuminating brightness except that which it receives from the sun. This is the secret of that which is written: "You shall sleep with your fathers...will rise up..." (Devarim 31:16). Even though you will be gathered, you will rise up to illuminate to the moon, which refers to Joshua, SINCE JOSHUA WAS A CARRIAGE TO MALCHUT.

42. And about him, OF JOSHUA, this verse is written: "what profit has a man of all his labor..." (Kohelet 1:3). That is Joshua, who strove to inherit the land of Yisrael, WHICH IS MALCHUT, and did not attain the full completion of the moon, WHICH IS MALCHUT, AS would have been proper. He toiled for Yisrael under the sun, MEANING under Moses, WHO IS THE SECRET OF ZEIR ANPIN, REFERRED TO AS 'SUN'. Come and behold: woe for that embarrassment, woe for that shame, that he worked UNDER MOSES and did not actually take his place, WHICH IS THE SUN, but rather he only had a place under the sun, for he had no light of his own, except the brightness OF THE SUN that was illuminating on him. What praise is then upon him if he could not fulfill completely either way, TO THE SUN OR THE MOON, FOR SINCE HE COULD NOT PERFECT HIMSELF IN THE LEVEL OF THE SUN, HE THEREFORE COULD NOT PERFECT THE MOON.

43. In every place where Solomon mentions, "under the sun," he speaks about his own level, THAT IS MALCHUT. For example: "I have seen under the sun" (Kohelet 5:12), and, "moreover I saw under the sun" (Kohelet 3:16), and finally, "I returned, and saw under the sun" (Kohelet 9:11). It is the same in everything that he spoke of his own level, and that definitely is the secret of the matter.

44. Rabbi Shimon says that HE DISAGREES WITH THE ABOVE MENTIONED: Certainly, the scripture writes about one who takes deadly poison alone, MEANING MALCHUT EXCLUSIVELY, WITHOUT ZEIR ANPIN: "of all his labor wherein he labors under the sun" (Kohelet 1:3). Who is under the sun? One says that is the moon, WHICH IS MALCHUT, and whoever is attached to the moon without the sun, DEFINITELY FINDS his labor to be "under the sun." That was the first sin in the world, MEANING THE SIN OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL THAT CARRIED DOWN THE LIGHT OF CHOCHMAH IN MALCHUT FROM ABOVE TO BELOW. BY THIS, IT SEPARATED HER FROM ZEIR ANPIN, HER HUSBAND, AND TOOK MALCHUT ALONE. Therefore, THE SCRIPTURE SAYS: "what profit has a man (Heb. Adam) of all his labor wherein he labors under the sun." THAT IS SAID about Adam, and the same applies to all those who come after him who sin in that location.

7. "Round and round goes the wind"

Rabbi Shimon says that in the title verse it means the wind is the Holy Spirit that circles in two directions to adhere to the body. He refers to the three Patriarchs who are the holy Chariot and says that David is the spirit that was attached to them so that they are a perfectly complete holy Chariot. Rabbi Shimon concludes by saying that all of King Solomon's words are recited in the innermost recesses of the holy chamber because they conceal a much deeper wisdom than people realize.

45. "...goes toward the south, and veers to the north..." (Kohelet 1:6). This is what is written: "from His right hand went a fiery law for them" (Devarim 33:2); "His right hand," is south, CHESED; "a fiery law," is north, GVURAH - and one is included in the other. THEREFORE, IT IS WRITTEN: "GOES TOWARD THE SOUTH, AND VEERS TO THE NORTH."

46. "Round and round goes the wind" (Kohelet 1:6). This verse is difficult. It should have said, 'Round and round goes the sun'. What is, "goes the wind"? HE REPLIES: Who is that wind (also: 'spirit')? It is under the sun and is called the 'Holy Spirit', MEANING MALCHUT. And that spirit, MALCHUT, follows and circles in those two directions, SOUTH AND NORTH, WHICH ARE THE RIGHT COLUMN AND THE LEFT COLUMN, to adhere to the body, THAT IS ZEIR ANPIN CALLED 'SUN'. Therefore, "the wind," is spelled out WITH THE HEI OF THE DEFINITE ARTICLE, TO INDICATE that which is obvious, which is the portion of Yisrael, MEANING MALCHUT, WHICH IS THE PART OF ZEIR ANPIN CALLED 'YISRAEL'. SIMILARLY, YISRAEL BELOW COUNT IN ACCORDANCE WITH THE MOON CYCLE, WHICH IS THEIR LOT, ONLY IT IS TOGETHER WITH ZEIR ANPIN.

47. "And on its circuits the wind returns" (Ibid.). HE INQUIRES: What are "its circuits"? HE REPLIES: These refer to the Patriarchs, who are the holy Chariot. They are three and David is the spirit, that fourth who was attached to them so that they are a perfectly complete holy Chariot. ABOUT DAVID WHO ROSE TO BE INCLUDED IN THE HIGHER CHARIOT, it is written: "the stone which the builders rejected has become the head stone of the corner" (Tehilim 118:22).

43. ובכל אתר דאמר שלמה תחת השמש, על דרגא דיליה קאמר. ראיתי תחת השמש. ועוד ראיתי תחת השמש. שבתאי וראה תחת השמש. וכן בלהו. ובגין דרגא דיליה קאמר. ודא הוא רזא דמלה ודאי.

48. Because all of King Solomon's words are concealed in wisdom, all ARE RECITED in the innermost recesses of the holy chamber. People do not pay attention to observe them and they simply see his words as the same as the sayings of any other person. And if this is so, what is the praise to King Solomon with his wisdom over any other person? Assuredly, every word and saying of Solomon, the King, is concealed in wisdom.

48. בגין דכל מלוי דשלמה מלכא סתימין בלהו בחכמתא, וכלהו לגו בגו דהיכלא קדישא, ובני נשא לא מסתכלי בהו, וחמאן מלוי כמלין דב"נ אחרא. אי הכי, מה שבחא הוא לשלמה מלכא בחכמתייה, משאר בני נשא. אלא ודאי כל מלה ומלה דשלמה מלכא סתיים בחכמתא.

8. "Wisdom is good with an inheritance"

Rabbi Shimon tells us that the title verse means that it is good when Wisdom, Chochmah, dwells with the children of Yisrael so they will be attached to her. We hear that "the excellency of knowledge" is the Tree of Life, the secret of Da'at and Zeir Anpin. In another explanation, Rabbi Shimon says that it is the Righteous of the world that is the brightness of the sun, and he goes on to talk about those who become attached to the Tree of Life.

49. He opened the discussion with the verse: "wisdom is good with an inheritance: and by it there is [more] profit to them that see the sun" (Kohelet 7:11). If this matter had not been revealed TO ME, I would have no idea of its meaning. "Wisdom is good," refers to Chochmah that is underneath the sun, which is a Throne that is prepared FOR THE SUN THAT IS ZEIR ANPIN, WHICH IS CHOCHMAH IN MALCHUT, MEANING THE LOWER CHOCHMAH REFERRED TO AS "UNDER THE SUN," AND CALLED THE 'THRONE'. "Wisdom is good with an inheritance," means it is well and good when CHOCHMAH, WHICH IS MALCHUT, dwells with Yisrael so they will be attached to her, since they are the inheritance and lot OF MALCHUT.

49. פתח ואמר, טובה חכמה עם נחלה ויותר לרואי השמש, אי לאו דהא אתגלויא מלה דא, לא ידענא מאי קאמר. טובה חכמה, דא היא חכמה, דהיא תחת השמש, כורסייא מתתקנא ליה. טובה חכמה עם נחלה, יאה ושפירא כד איהי שרייא עמהון דישראל, דאינון נחלה ועדבא דילה, לאתקשרא בה.

50. However, more profit is for those "that see the sun," because they merit to be attached to the sun, WHICH IS ZEIR ANPIN, and to be connected with him. This one is attached to the Tree of Life, and whoever is attached to the Tree of Life is attached to everything, to the life of this world, WHICH IS MALCHUT, and life of the World to Come, WHICH IS BINAH, SINCE ZEIR ANPIN IS ATTACHED IN MALCHUT AND BINAH. This is what is written: "but the excellency of knowledge is that wisdom gives life to those who have it" (Ibid. 12). The meaning of, "but the excellency of knowledge" is the Tree of Life, WHICH IS THE SECRET OF DA'AT AND ZEIR ANPIN. What is its excellency? It is definitely Chochmah, since the Torah, WHICH IS ZEIR ANPIN, certainly emanated from higher Chochmah, WHICH IS ABA AND IMA.

50. אבל תושבחתא יתיר לרואי השמש, לאינון דזכו לאתחברא בשמשא, ולאיתקשרא ביה, דהא אחיד באילנא דחיי, ומאן דאחיד ביה, בכללא אחיד, בחיין דהאי עלמא, ובחיי דעלמא דאתי, ודא הוא דכתיב, ויתרון דעת החכמה תחיה בעליה. מאי ויתרון דעת. דא אילנא דחיי. ויתרון דיליה מהו, החכמה ודאי, דהא תורה, מחכמה עלאה נפקא.

51. Another EXPLANATION FOR: "wisdom is good with an inheritance." Assuredly, "wisdom is good," WHICH IS THE LOWER CHOCHMAH, "with an inheritance." It is the Righteous of the world, MEANING YESOD IN ZEIR ANPIN, which is the brightness of the sun, SINCE YESOD OF ZEIR ANPIN IS THE LIGHT OF ZEIR ANPIN CALLED 'SUN'. Those two levels, YESOD AND MALCHUT, dwell together, and that is their beauty. However, "more profit to them that see the sun," NAMELY to those that unite with the sun ITSELF, WHICH IS ZEIR ANPIN, the strength of all and the praise of all.

51. תו טובה חכמה עם נחלה, טובה חכמה, ודאי עם נחלה, דא צדיקא דעלמא, דאיהו נהורא דשמשא, דהא תרין דרגין אלין כחדא יתבי, ודא הוא שפירו דלהון, אבל ויותר לרואי השמש, לאינון דמתאחדין בשמשא, תוקפא דכלא, שבחא דכלא.

52. THE SUN is Da'at OF ZEIR ANPIN, which is the Tree of Life, as has already been explained: "Also, that the soul be without knowledge is not good" (Mishlei 19:2). Whose is this "soul"? It is the good soul of King David, THAT IS MALCHUT, and that is the Chochmah we mentioned, THAT AT THE TIME THAT THE SOUL, WHICH IS MALCHUT, IS ATTACHED TO DA'AT OF ZEIR ANPIN, IT IS CALLED 'LOWER CHOCHMAH'. Therefore, "the excellency of knowledge (Heb. da'at) is...wisdom." From there, FROM DA'AT, the tree is rooted, WHICH IS MALCHUT, and is planted in all directions, TO RIGHT AND LEFT, in all those who become attached to this tree. Therefore, Solomon the king was established only in his level, THAT IS MALCHUT. From there, he was aware of everything and he used to say: "and moreover I saw under the sun" (Kohelet 3:16); THAT IS MALCHUT THAT IS CALLED "UNDER THE SUN," AND ALSO, "I returned, and saw under the sun" (Kohelet 9:11). The same applies to all. Happy are the just who study the Torah and know the ways of the Holy King and the highly sealed things that are stored and hidden in the Torah, as it is written: "for the ways of Hashem are right..." (Hoshea 14:10).

52. וְדָא הוּא דַעַת, אִילָנָא דְחַיָּיא, וְהָא אוֹקְמוּהָ גַם בְּלֹא דַעַת נֶפֶשׁ לֹא טוֹב. מֵאֵן נֶפֶשׁ. דָּא נֶפֶשׁ טוֹב דְּדוֹד מַלְכָּא. וְדָא חֲכָמָה דְקָאמְרֵן. וּבְגִינֵי כֵךְ יִתְרוֹן דַּעַת הַחֲכָמָה, דְּמִתְמָן אֲשֶׁתְּרִשָׁא אִילָנָא וְאִתְנַטַּע לְכָל סְטָרִין, וְכֵן לְכָל אֵינּוֹן דְּאֲחִידֵן בֵּיהּ בְּהָאֵי אִילָנָא, וְעַל דָּא שְׁלֵמָה מַלְכָּא לֹא אֲשֶׁתְּכַח אֱלֹא בְּהוּא דְרִגָּא דִּילֵיהּ, וּמִתְמָן יֵדַע כְּלָא, וְהוּא אָמַר עוֹד רְאִיתִי תַּחַת הַשָּׁמֶשׁ, וְשִׁבְתִּי וְרְאִיתִי וְגו'. וְכֵן כְּלָהוּ. וְכֹאֵין אֵינּוֹן צְדִיקָיָא, דְּמִשְׁתַּדְּלֵי בְּאוֹרֵייתָא, וְיִדְעֵן אוֹרְחוֹי דְּמַלְכָּא קְדִישָׁא, וְסִתְיִמִּין עַלְאִין דְּגִנְזִין בְּאוֹרֵייתָא, דְּכֹתִיב כִּי יִשְׂרָיִם דְּרָכֵי יְיָ וְגו'.

9. "Aaron shall be gathered to his people"

From Rabbi Chiya we learn that when Solomon said, "So I praised the dead that are already dead more than the living that are yet alive," he meant those who had already been reincarnated more than once and have returned from the dead to redeem their earlier actions. We are told that the just deserve to reach a level higher than all the holy angels and their levels, that is the Upper Eden. Those who have less merit occupy a place below, the lower Eden that is located over the terrestrial garden. We hear about the difference between the higher Eden and the lower Eden. King Solomon said that the spirit that has not come down and is still in its original state is better than the dead or the living because it has not yet sinned and needs to receive no punishment. "But better than both of them," is the person who are innocently righteous that keep all the precepts of the Torah and stay attached always to God. Rabbi Chiya talks about Moses removing Aaron's garments and giving them to his son Elazar, and about God preparing a bed for Aaron at his death. Rabbi Shimon says that Miriam, Aaron and Moses each died in the place that was appropriate for them, and he describes some details about this. He concludes by saying that when punishment is decreed over the children of Yisrael it is voided by the righteous who are in God's presence above.

53. "Aaron shall be gathered to his people" (Bemidbar 20:24). Rabbi Chiya opened the discussion with the verse: "so I praised the dead that are already dead..." (Kohelet 4:2). We have learned this verse and it has been explained. Come and behold: all the deeds of the Holy One, blessed be He, are according to Justice and Truth. There exists no one that can present Him with ANY DIFFICULTIES, and object to it, and say to Him: 'What are you doing?' And He accomplished everything as He wished.

53. יֵאָסֶף אַהֲרֹן אֶל עַמּוֹ וְגו'. רַבִּי חִיָּיא פָּתַח, וְשִׁבַּח אֲנִי אֶת הַמֵּתִים שְׁכָבָר מֵתוֹ וְגו'. הָאֵי קָרָא אֲתָמֵר וְאוֹקְמוּהָ. ת"ח, כֹּל עוֹבְדוֹי דְקוֹדֶשׁא בְּרִיךְ הוּא, בְּדִינָא וְקִשׁוּט, וְלִית מֵאֵן דְּאֲקָשֵׁי לְקַבְּלֵיהּ, וְיִמְחֵי בִּידֵיהּ, וְיִימַר לֵיהּ מַה עֲבַדְתָּ, וְכִרְעוּתֵיהּ עֲבַד בְּכֹלָא.

54. "So I praised the dead." HE ASKS: Does King Solomon then praise the dead more than the living? Here, nobody is considered living unless he is on a true path in this world, as it says, "And Benaiah ben Jehoiada, the son of a valiant (lit. 'living') man" (II Shmuel 23:20). The friends have explained this. The wicked one who does not follow the true path is considered dead, YET KING SOLOMON praises the dead more than the living ones.

54. וְשִׁבַּח אֲנִי אֶת הַמֵּתִים. וְכִי שְׁלֵמָה מַלְכָּא מְשַׁבַּח לְמֵתֵיָא יִתִּיר מֵן חַיָּיא, וְהָא לֹא אֲקָרִי חֵי אֱלֹא מֵאֵן דְּאִיהוּ בְּאַרְחַ קִשׁוּט בְּהָאֵי עֲלָמָא, כְּמָה דְּאֵת אָמַר וּבְנֵיהוּ בֶן יְהוֹיָדָע בֶּן אִישׁ חַי, וְהָא אוֹקְמוּהָ חֲבֵרֵיָא, וְרָשַׁע דְּלֹא אָזִיל בְּאַרְחַ קִשׁוּט אֲקָרִי מֵת, וְאִיהוּ מְשַׁבַּח לְמֵתִים מִן הַחַיִּים.

55. Most definitely, all the words of King Solomon were said with wisdom and here we were taught, "so I praised the dead." If nothing more had been written, I would have said so, THAT HE PRAISES THE DEAD ONES MORE THAN THE LIVING, but since it is already written, "that are already dead," we find here another gem of wisdom. "...that are already dead..." MEANS that they have already died at a different time and that they have already departed from the world and were mended by the dust. THEY HAVE ALREADY RETURNED, INCARNATED, AND REVISITED THIS WORLD, and most certainly received their punishment once or twice, SINCE THEY WERE ALREADY HERE IN THIS WORLD TWICE. It is certain that their station has been more profitably prepared than those living and that they have not yet received the punishment OF REINCARNATION.

56. Therefore, it is written: "so I praised the dead that are already dead," AND "THAT ARE ALREADY DEAD" is precise, MEANING those that are alive now, but are considered dead. What is the reason that they are considered dead? It is because they have already felt the taste of death and, although they exist in this world, they are dead and they were returned here from the dead. In addition, they are ready to repair the earlier activities THAT THEY PERFORMED PRIOR TO DYING. THEREFORE, they are considered dead, SINCE THEY ARE IN THE PROCESS OF CORRECTING THE DEEDS OF SOMEONE WHO ALREADY DIED. "...from these living that are alive..." (Kohelet 4:2). Since they have not yet tasted the taste of death and have not received their punishment, they do not know if they are worthy of that world or not.

57. Come and behold: the just merit to be bound in the bundle of Life, THAT IS YESOD IN ZEIR ANPIN. They are worthy of seeing the glory of the Holy King up high, as it is written: "to behold the beauty of Hashem, and to inquire in His Temple" (Tehilim 27:4). Their dwelling is higher than all the holy angels and all their levels, since neither the upper nor the lower grades merit seeing this highest location. This is what is said: "neither has the eye seen that Elohim, besides You..." (Yeshayah 64:3). THAT IS THE SECRET OF THE UPPER EDEN.

58. Those who do not merit to rise as much as these occupy a place below, according to their deeds. They do not merit that location and to see what those above see; they merit ONLY to remain in the lower Eden and not more. If you wonder what the lower Eden is, it is the Eden that is considered lower Chochmah, WHICH IS MALCHUT, and is located over the terrestrial garden. This Eden watches over THIS GARDEN, and the righteous remain in the Garden of Eden, THAT IS ON EARTH, and enjoy this Eden, WHICH IS THE LOWER CHOCHMAH.

59. What is the difference between the lower Eden and the higher Eden? It is: "as far as light excels darkness" (Kohelet 2:13). The lower Eden is called 'pleasure (Heb. ednah)', which is female, and the higher Eden is considered 'delight (Heb. eden)', which is masculine. About this it is written: "neither has the eye seen that Elohim, besides you." This lower Eden is considered a garden in comparison to the Eden above, and that garden is considered Eden in comparison to the garden below. Those who exist in the lower garden, WHICH IS THE GARDEN OF EDEN ON EARTH, receive pleasure from that Eden that is above them, WHICH IS THE LOWER CHOCHMAH, every single Shabbat and every new moon, as it is written: "And it shall come to pass, that every new moon, and every Shabbat" (Yeshayah 66:23).

60. About these, Solomon said: "...from these living that alive..." since these are in a level higher than them. Who are they? This refers to those who have already died before and received their punishment twice. They are considered like refined silver that has entered the oven once or twice and has had the impurities sorted out, picked clean. "But better than both of them is he who has not yet been" (Kohelet 4:3). That is the spirit that remains above and is restrained from coming down, since that one is still in its original state AND HAS NOT SINNED YET. It does not need to receive punishment and obtains sustenance from that sustenance that is up very high.

61. "But better than both of them" is he WHO ARRIVES IN THIS WORLD and does not part FROM THE HOLY ONE, BLESSED BE HE, and is not known. All his words are covert. That is the innocent pious that kept the precepts of the Torah and upheld them, and dealt in the Torah day and night. Such a person is united and enjoys the higher level above all other people, and all the rest are burned from GAZING AT this one's canopy.

62. Come and behold: at the time the Holy One, blessed be He, said to Moses, "Aaron shall be gathered to his people," his strength was weakened and he knew that his right arm, WHICH IS CHESED, broke and his entire body trembled. As soon as he said: "Take Aaron and Elazar his son," the Holy One, blessed be He, said to him: 'Here, I will lend you another arm.' "And strip Aaron...and Aaron shall be gathered." Elazar shall serve as the right hand for you instead of his father. In spite of all this, he did not entirely fill the place of his father, since the clouds of glory departed and would not have returned if not for the merit of Moses, but not because of Elazar's merit.

63. "And Moses did as Hashem commanded..." (Bemidbar 20:27). HE ASKS: Why, "in the sight of all the congregation" (Ibid.)? HE RESPONDS: This was because Aaron was the most beloved by the nation and they should not say that he died through Moses. Moses drew Aaron with words until they ascended the mountain, and all of Yisrael watched while Moses undressed the garments of Aaron and robed Elazar with them.

64. HE ASKS: What is the reason that Moses REMOVED HIS GARMENTS? HE REPLIES: It is because Moses was the one that put them on Aaron when he was elevated to the priesthood. It says that Moses clothed Aaron with the garments, and it is written: "and clothed him with the robe" (Vayikra 8:7). THEREFORE, Moses then removed what he gave him and the Holy One, blessed be He, removed that which He granted him, MEANING HIS SOUL. Both of them undressed Aaron completely, Moses removed what was external, and the Holy One, blessed be He, removed what was internal. As long as Moses did not complete his removal, the Holy One, blessed be He, did not complete His own. Happy is the lot of Moses.

65. Happy is the lot of the just, since the Holy One, blessed be He, desires their honor. The Holy One, blessed be He, prepared for Aaron a bed and candelabra of gold that gives light, and took it from him, from that lamp that he used to light twice every day. AND AFTER THAT, He sealed the opening of the cave and they went down.

66. Rabbi Yehuda said: The entrance of the cave was wide open; all of Yisrael observed Aaron dead. The candle of the lamp was lit before him, his bed was coming in and out, SO THAT ALL OF YISRAEL COULD SEE THAT HE WAS DEAD, and one cloud remained OVER THE BED. At that point, Yisrael knew that Aaron was dead. They noticed that the clouds of glory departed FROM YISRAEL, as it is written: "and when all the congregation saw that Aaron was dead..." (Bemidbar 20:29). And this was previously explained. Therefore, "they mourned for Aaron...all the house of Yisrael," men, women and children, since he was beloved by all.

67. Rabbi Shimon said: Why were these three holy elevated siblings not buried in a single area? And why were the limbs spread about, one here and one in another place? There are some who say that each one died at a location where Yisrael were destined to be in danger in the future in order to defend Yisrael, so that they would be saved. However, THE EXPLANATION IS that each one died as appropriate. Miriam died in Kadesh and was in the location between North and South, SINCE MIRIAM WAS THE CHARIOT TO MALCHUT, WHICH IS BETWEEN THE RIGHT AND LEFT OF ZEIR ANPIN, REFERRED TO AS SOUTH AND NORTH. Aaron, WHO WAS THE CHARIOT FOR CHESED, DIED IN MOUNT HOR, and was to the right direction. Moses, WHO DIED IN THE MOUNTAIN OF AVARIM, WAS IN THE CENTER, as was appropriate for him, SINCE MOSES WAS THE CARRIAGE TO THE CENTRAL COLUMN, THAT IS, TIFERET. This was WHERE MOSES WAS pulled onto the mountain where Aaron was, and he collected Miriam's burial ground to that mountain OF MOSES, which was held on both sides, FROM THE RIGHT AND FROM THE LEFT, SINCE THE CENTRAL COLUMN COMBINES THE RIGHT AND THE LEFT. Therefore, it is called the 'Mountain of

Even though they are in another world, in another higher world, their merit endures in this world for generations to come. During the period that Yisrael return to repent in the presence of the Holy One, blessed be He, some punishment is decreed over them. Then the Holy One, blessed be He, calls upon the righteous, who remain in His presence above, and informs them. They void that decree and the Holy One, blessed be He, has Mercy on Yisrael. Happy are the just, about whom it is written, "and Hashem will guide you continually..." (Yeshayah 58:11).

10. "And the people spoke out against Elohim, and against Moses"

Rabbi Yitzchak informs us that "Now it came to pass on the third day, that Esther put on her royal apparel" means she was enveloped by the Holy Spirit after three days of fasting that made her body weak. She merited this blessing because she guarded her words and did not speak evil. We are assured that anyone who speaks with an evil tongue will be harmed by his own actions in some way, and then Rabbi Yitzchak talks about the title verse - in which the masses say slanderous things about God and also quarrel with Moses. It was, we learn, for this reason these people were burned in the fire.

69. "And the people spoke out against Elohim, and against Moses..." (Bemidbar 21:5). This passage was explained in another place, with THOSE SCRIPTURE PASSAGES RELATING TO the waters of Merivah (Eng. 'dispute') against Moses and Aaron.

69. וידבר העם באלהים ובמשה וגו'. פרשתא דא, באתר אחרא אסתליק, עם אינון מי מריבה דמשה ואהרן.

70a. Rabbi Yitzchak opened the discussion with the verse: "Now it came to pass on the third day, that Esther put on her royal apparel (Heb. malchut)" (Esther 5:1). The scroll of Esther was said in the Holy Spirit and, therefore, it is written among the scriptures. "Now it came to pass on the third day." When the body energy was low and weak, DUE TO THE FASTING, she remained in her spirit without the body. Then, "that Esther put on Malchut." What is the meaning of Malchut? If you think it is glorious and purple garments, these are not called so, BY THE NAME OF MALCHUT. "Esther put on Malchut," MEANS that she was clothed in the supernal Holy Malchut. She was assuredly enveloped in the Holy Spirit, SINCE MALCHUT IS CONSIDERED THE HOLY SPIRIT.

70(1). רבי יצחק פתח, ויהי ביום השלישי ותלבש אסתר מלכות וגו'. מגלת אסתר ברוה"ק נאמרה, ובגין כך כתובה בין הכתובים. ויהי ביום השלישי, דאתחלש חילא דגופא, והא קיימא ברוחא בלא גופא, כדין ותלבש אסתר מלכות. מאי מלכות. אי תימא בלבושי יקר וארגוונא, הא לאו הכי אקרי. אלא ותלבש אסתר מלכות, דאתלבשת במלכות עלאה קדישא, ודאי לבשה רוח הקדש.

70b. What is the reason that she merited this stature, MEANING MALCHUT? It is because she guarded her lips so as not to reveal anything. This is what is written: "Esther had not yet made known her kindred or her people" (Ester 2:20). We were taught that whoever guards his lips and tongue is worthy of clothing himself with the Holy Spirit. And anybody who curves his lips to speak evil will be harmed by that matter of which he speaks, MEANING THAT IF HE SPEAKS THE EVIL TONGUE, LIKE THE PRIMORDIAL SNAKE, THEN THAT SNAKE DOMINATES HIM. AND THAT IS WHY WHEN YISRAEL SPOKE AGAINST ELOHIM AND MOSES, HE SET SNAKES AND VIPERS UPON THEM. If he does not, he is afflicted by diseases or leprosy, which is burning like a snake, as we have already explained.

71. "And the people spoke out against Elohim, and against Moses." They said slanderous things about the Holy One, blessed be He, according to the ARAMAIC translation of "MURMUR," and they quarreled with Moses. "Why have you brought us up?" (Bemidbar 21:5). They treated all aspects equally, BECAUSE THEY EQUATED ELOHIM TO MOSES, AND SAID TO THEM: "WHY HAVE YOU BROUGHT US UP?" This is why snakes that burned them like fire were sent upon them. The fire entered their internals and they dropped dead, as is written: "and Hashem sent venomous serpents among the people" (Ibid. 6).

72. Rabbi Chiya said: Snakes would approach and their lips would whisper, and they would bite and die. What is whispering? It is as it says, "if the serpent bites and cannot be charmed (also: 'without a whisper')" (Kohelet 10:11). A fire would glow from their mouths, and they would bite and inject the fire into them. Their internal organs were burned and they died, and these items were defined somewhere else.

11. The well

We hear an elaboration of the letters of 'she' and 'he' and the places where masculine and feminine are referred to in regard to the well. Rabbi Shimon says that the spirit in the water is the Holy Spirit that elevates Mayin Nukvin so that the waters will flow. The important point is that in everything there is a requirement to arouse something from below by action or speech, or to indicate and display some similarity to the act, and then the arousal from above will take place. Rabbi Shimon talks about the well being divided into thirteen streams and overflowing in all directions so that all of Yisrael could be sustained. We learn that most people do not know how to call upon God in Truth and arouse actions above, and that God is only near to those who do. The children of Yisrael said things which were matters of Truth in order to arouse the well; even sorcerers have to say some truth in order to awaken actions. Rabbi Shimon says the difference between most people and the Righteous is that the Righteous know the essence of words and actions, and they know how to direct their hearts and desires to God more than those who are not as knowledgeable; they draw blessings from the area of thought, that is Chochmah. When they call on God He is ready for them, and when they are in distress He is with them. He honors them in this world and in the World to Come.

73. "And from thence they went to Be'er (Eng. 'well') that is the well" (Bemidbar 21:16). HE ASKS: What is the change - why does it first say, Be'erah (Eng. 'to the well') and immediately after that, Be'er (Eng. 'well')? HE RESPONDS: It is only that Be'erah IS HOW MALCHUT WAS CALLED after all the waters converged into the sea and flowed down TO THE AREA OF MALCHUT. MALCHUT IS CALLED Be'er when Isaac, WHO IS THE LEFT COLUMN OF ZEIR ANPIN, fills it up. SINCE THE BE'ER IS STILL ENACTED UPON BY ZEIR ANPIN, IT IS THEREFORE CALLED BE'ER WITHOUT HEI, INDICATING MASCULINE LANGUAGE. THEREFORE, "she (Heb. hi) is the well," is spelled, "he (Heb. hu) is the well," WITH THE VAV, INDICATING THAT IT IS MASCULINE LANGUAGE. The secret is as we explained. "But the Levite, he shall do the service" (Bemidbar 18:23), SINCE HE INDICATES THE LEFT SIDE OF ZEIR ANPIN.

74. Rabbi Aba said: Anyplace WHERE IT IS SPELLED "he" and pronounced "she," AS IT IS HERE AT THE WELL, IT INDICATES male and female combined, AND THE THREE LETTERS OF "HE" (HEI-VAV-ALEPH) is an overall high principal. Hei is female, MALCHUT, Vav is male, ZEIR ANPIN, and Aleph IS BINAH THAT IS inclusive of all, SINCE ZEIR ANPIN AND THE FEMALE EMERGE FROM HER. Aleph, WHICH IS BINAH, is the perfection of everything, SINCE ALL THE MOCHIN FLOW FROM HER. Happy are the children of Yisrael. Although they are down, they are grasped in the highest principle of all - THAT IS, IN THE THREE LETTERS OF HEI, VAV, ALEPH. Therefore, it is written: "it is He who made us, and we belong to Him" (Tehilim 100:3). The word lo is spelled with an Aleph INSTEAD OF A VAV, INDICATING, "AND NOT (HEB. LO) WE," as it is the inclusion of Vav-Hei, WHICH ARE ZEIR ANPIN AND THE FEMALE. And the Aleph includes everything.

75. Rabbi Shimon said: The spirit (also: 'wind') in the water is the Holy Spirit, MEANING THE SPIRIT OF MALCHUT THAT IS REFERRED TO AS 'HOLY SPIRIT' that blows in the beginning, as it says, "blow upon My garden" (Shir Hashirim 4:16). This MEANS THAT IT ELEVATES MAYIN NUKVIN (FEMALE WATERS), and then waters will flow, WHICH ARE THE UPPER MAYIN DUCHRIN (MALE WATERS) to fill her. This is what is written: "He causes His wind to blow: they run as water" (Tehilim 147:18). At first, "He causes His wind to blow," and then, "waters will flow." As long as He does not cause His wind to blow, the waters will not flow. What does this teach us? From this, it is apparent that in everything there is a requirement to arouse something FROM BELOW, THAT IS AN ASPECT OF FEMALE WATER, by action or speech, or to indicate and display some similarity to the act, AND THEN COMES THE AROUSAL FROM ABOVE. THEREFORE, until the wind does not blow, the water, WHICH IS THE SECRET OF ABUNDANT FLOW, does not flow towards the wind, WHICH IS MALCHUT.

76. "...that (lit. 'he') is the well," IS SPELLED, but we pronounce it as: "She is the well." ALSO, what changes so that it is written "Be'erah" at first and then, "Be'er"? HE REPLIES: It is only because the female, THAT IS MALCHUT, was alone in the beginning AND THEREFORE IT WAS SAID IN FEMININE LANGUAGE, "BE'ERAH." When it says "he," it indicates the inclusion of both male and female, so it is called "Be'er" in MASCULINE LANGUAGE. ALTHOUGH IT ALSO INCLUDES THE FEMALE, IT IS IN THE MASCULINE FORM, since all are called in the masculine form in the area where a male exists, even if he has WITH HIM a hundred females.

77. IT IS WRITTEN: "THAT IS THE WELL of which Hashem spoke to Moses saying, 'Gather the people together'" (Bemidbar 21:16). This is because that well was not missing from them. If you wonder how all of them could possibly draw from that one, it is because it divided into thirteen streams. This is SINCE MALCHUT DIVIDES INTO THIRTEEN, IN THE SECRET OF THE TWELVE, WHICH IT RECEIVES FROM THE TWELVE BOUNDARIES IN ZEIR ANPIN, AND ONE IS COMPOSED OF ALL OF THEM. The flowing spring in the well is filled and overflows in all directions. Then, at the time the children of Yisrael were singing and desired water, the children of YISRAEL would stand about her, OVER THE WELL, and sing. What did they say? "'Spring up, O well" (Ibid. 17), and raise your water to produce water for everyone to drink.' That is the way to praise this well, and THAT IS "the well that the princes dug out." They spoke words of truth. And so it is.

74. ר' אבא אמר, בכל אתר הוא, וקרינן היא, דבר ונוקבא כחדא. וכללא עלאה, ה' נוקבא, ו' דבר, א' כללא דכלא. דהא א' בשלימו שריא. זכאין אינון ישראל, אע"ג דאינון לתתא, אינון אחידן בכללא עלאה דכלא, ובג"כ כתיב הוא עשנו ולא אנחנו, באלף כתיב. כללא דו"ה וא' דכליל כללא.

78. From here, we were taught that for whoever desires to arouse matters above, either by deed or speech, if that deed or speech is not performed properly, then nothing gets aroused. All the inhabitants of the world go to the synagogue to arouse something above, but few are those who know how to arouse. The Holy One, blessed be He, is near those who know how to call on Him and arouse properly. However, if they do not know how to call on Him, He is not near, as is written: "Hashem is near to all those who call upon Him, to all who call upon Him in truth" (Tehilim 145:18). What is, "in truth"? That is that they know how to arouse the truthful thing appropriately, and it applies to all THINGS as well.

79. ABOUT THE WELL, Yisrael said these things which are matters of truth in order to arouse this well, WHICH IS MALCHUT, and to give drink to Yisrael. If they had not said these things, THE WELL would not have been aroused. Likewise, even the world's sorcerers who use evil things would not be awakened for them until they performed for them some veritable acts; they would not awaken if they did not say some truths in order to draw them in the manners they desire. Even if they had screamed all day long with other words and different acts, they would never have been capable of drawing them, and they would not have been awakened towards them.

80. Come and behold: it is written, "and called on the name of the Ba'al..." (I Melachim 18:26) What is the reason THAT THEY WERE NOT ANSWERED? HE RESPONDS: First, it was not within the Ba'al's authority TO BRING DOWN FIRE FROM HEAVEN. In addition, since the wording was not the right one among them, the Holy One, blessed be He, made them forget them. That is what is written: "and that You have turned their hearts back again" (Ibid. 37). Praised are the righteous who know how to call upon their Master properly.

81. Rabbi Shimon said: Here I wish to reveal something. Come and behold: anyone who is capable of preparing his deed as is proper and sets his speeches as is proper, definitely arouses the Holy One, blessed be He, to extend forth high matters that are upright. And if not, he is not propitious to them. If this is so, does not the whole world know how to prepare in an orderly manner the necessary performances and speeches? What then is the special value of them, the righteous? The righteous know the essence of words and actions, and they know how to direct their heart and desire more than those who are not as knowledgeable.

82. HE RESPONDS: It is only that those who are not as knowledgeable of the essence of actions, but simply know their orderly set up and nothing more, draw to themselves from behind the shoulders of the Holy One, blessed be He. THEIR PRAYER does not soar in the air, which is considered providence, MEANING TO SAY THAT IS THE PROVIDENCE OF THE FACE AND THEY ARE ONLY WORTHY OF THE ASPECT OF BEHIND THE SHOULDERS.

83. Those that are knowledgeable and direct the heart and desire extricate blessings from the area of the thought, WHICH IS CHOCHMAH. They emerge in all the branches and roots OF THE LEVELS in a straightforward manner as called for, until the higher and lower grades receive their blessings and the Holy Name is blessed through them. Happy is their lot, since the Holy One, blessed be He, is close to them and available to them. When they call on Him, He is ready for them, and at the time of their distress, He is with them. He honors them in this world and in the World to Come. This is what is written: "because he has set his delight upon Me, therefore will I deliver him: I will satisfy him, and show him My salvation" (Tehilim 91:14).

12. "Fear him not"

Rabbi Yehuda informs us that when Yisrael gather together they receive nourishment sometimes from Compassion and sometimes from Judgment, and that no divine influence prevails until there is a place for it to dwell down in the world of matter. Rabbi Yehuda says that God told Moses not to be afraid of king Og, because Og had defiled the sign of his covenant, and would therefore, by reason of his very own deeds, be uprooted and undone on earth. We hear that the children of Yisrael were blessed to have Moses as the prophet among them, since it was for his sake alone that God performed many miracles; and, lastly, we're reminded that God's Covenant was made only with the children of Abraham.

84. "And Hashem said to Moses, 'Fear him not'" (Bemidbar 21:34). Rabbi Yehuda opened the discussion with the verse: "she is not afraid of the snow for her household: for all her household are clothed with scarlet" (Mishlei 31:21). Come and behold: the assembled Congregation of Yisrael nourishes from both sides, sometimes from Compassion and sometimes from Judgment. When it wishes to nourish from Compassion, there is a place WHERE COMPASSION will dwell. When it wishes to nourish from Judgment, there is room so THAT JUDGMENT will dwell and prevail on him. This is always the case. Nothing prevails from above until the room exists for it to dwell upon. Therefore, the Congregation of Yisrael "is not afraid of the snow for her household." What is the reason? It is because "all her household are clothed in scarlet." That one does not dwell only in that one, white in red, and red in white. And that was already established.

84. וַיֹּאמֶר יְיָ אֶל מֹשֶׁה אַל תִּירָא אוֹתוֹ וְגו'. רַבִּי

85. "And Hashem said to Moses, 'Fear him (Heb. oto) not.'" Twice IN THE TORAH IS FOUND, "OTO (ALEPH-VAV-TAV-VAV)," which is spelled out fully, with two Vavs. Once here and once in the verse: "until your brother seek after it (Heb. oto)" (Devarim 22:2). What is the reason? It is because THEIR MEANING IS an actual letter (Heb. ot) and they ARE NOT DERIVED FROM THE PARTICLE ET. "...until your brother seeks after it..." MEANS that he is required to define and spell out the SIGN AND mark (Heb. ot) of that lost item.

85. וַיֹּאמֶר יְיָ אֶל מֹשֶׁה אַל תִּירָא אוֹתוֹ, תְּרִין אוֹתוֹ

86. Here too, it is Og who joined Abraham and he is from the people of his household. When Abraham was circumcised, it was written: "and all the men of his house" (Beresheet 17:26). That is Og, who was also circumcised with him and received that Holy Sign (Heb. ot). As soon as Og saw Yisrael approaching him, he thought to himself, 'I have certainly performed that precept that stands up for them,' SINCE HE WAS ALREADY CIRCUMCISED BEFORE OUR PATRIARCH ISAAC. And he placed this before him, AS SECURITY.

87. At that moment, Moses was afraid. How could he uproot the impression that Abraham made? He thought: 'Assuredly, my right hand, WHICH IS AARON, is dead, since the right is necessary TO WIN this.' It may be said that Elazar is here, who is the right of the moon, NAMELY, OF MALCHUT, but not mine, SINCE HE IS NOT THE RIGHT OF ZEIR ANPIN, WHICH IS THE SECRET OF MOSES, AS WAS AARON. That sign OF OG is to the right OF ZEIR ANPIN, since Abraham is the right OF ZEIR ANPIN.

88. Immediately, the Holy One, blessed be He, said, "Fear him not." Do not fear his sign, and even for the right there is no need. "For I have delivered him into your hand" (Ibid.). Your left will uproot him from the world, since he, OG, defiled the sign of his Covenant, and whoever makes a flaw in the sign of the Covenant is fit to be uprooted from this world ON HIS OWN. Of course, your left, that is, "your hand," will uproot him from the world. That is why he was uprooted from the world. Even though he was mighty from the sons of the mighty, and THOUGH he wanted to destroy Yisrael, he fell into the hands of Moses and was annihilated.

89. That is why Yisrael have annihilated all of them, his children, his people and everything belonging to them, as is written: "so they smote him, and his sons, and all his people" (Bemidbar 21:35). It is also written: "and we smote him, and his sons (Heb. banav)" (Devarim 2:33). It is written, "banav," without a Yud, INDICATIVE OF PLURALITY, yet it is pronounced Banav (plur.). This has already been explained by the friends.

90. Happy are the children of Yisrael that Moses the prophet was among them, since the Holy One, blessed be He, performed all these signs for his sake, as we have explained. The Holy One, blessed be He, did not make His Covenant with the rest of the nations to be connected to them, only with Yisrael, who are the children of Abraham. About the children of Yisrael, it is written: "between...your seed after you in their generations for an everlasting Covenant" (Bereshheet 17:7), and: "'as for Me, this is My Covenant with them,' said Hashem; 'My spirit that is upon you...shall not depart out of your mouth...'" (Yeshayah 59:21). Blessed be Hashem for evermore. Amen and Amen.

1. The bird (Tzipor)

Rabbi Shimon says that Balak saw a real vision with the eyes of Wisdom, and that he saw it through one of the windows to Chochmah. We learn that Balak was a son of Tzipor, meaning bird, and that all his witchcraft was done through birds. Rabbi Shimon describes the origin and nature of the bird that he used for his sorcery, and says that that name of the bird was Yadua, meaning 'known'. Balak knew everything through the bird, which spoke great things on her own.

1. "And Balak the son of Tzipor saw" (Bemidbar 22:2). Rabbi Shimon said, he "saw." What did he see? HE RESPONDS: It is definitely a real vision. He perceived through the gaze of Chochmah and he saw with his eyes, MEANING THE EYES OF CHOCHMAH. He noticed through the perception of wisdom, as it says that "Abimelech, king of the Philistines looked out at a window" (Beresheet 26:8). What is the meaning of: "out at a window"? It is as is written: "The mother of Sisera looked out at the window" (Shoftim 5:28). It is assuredly the window of Chochmah at the corner edges of the stars. THAT IS THE WINDOW THAT IS MENTIONED WITH REFERENCE TO SISERA'S MOTHER AND ABIMELECH, and these are the windows TO Chochmah, MEANING THAT THERE EXIST MANY WINDOWS and there is one window where all wisdom prevails. Whoever looks at the root of the Chochmah can look through it. Here too: "And Balak... saw" through his Chochmah, MEANING HIS OWN PRIVATE WINDOW.

2. "The son of Tzipor" is as they said, THAT HE WAS A DESCENDANT OF JETHRO WHO WAS ALSO CALLED 'TZIPOR'. However, he was "the son of Tzipor (lit. 'bird')" actually, MEANING THAT ALL HIS DEALINGS WERE WITH BIRDS, since his witchcraft dealt with a variety of that bird. He took a bird, struck the grass, and let it fly in the air. He performed acts and whispered incantations, and the bird would return with the grass in its mouth, chirping for him. He would then put her into a cage and burn incense for her, and she would inform him of some things. He would then perform witchcraft and that fowl, MEANING THE BIRD, chirped and flew and wandered in accordance with the one whose eyes were open, who gave her his message, and she would return. All his words came through that bird.

3. One day, he performed his acts and took the bird. She flew away and left, tarried and did not return TO HIM. Balak was saddened and, before her return, saw a flame of fire that flew AFTER THE BIRD and scorched her wings. He then saw what he saw and was afraid of the children of Yisrael. What is the name of that bird? It is Yadua (Eng. 'known'). None of those who make use of and know how to make use of that bird know its witchcraft as well as Balak knew it.

4. All of the wisdom that he acquired came from that bird. This is what he used to do: he bowed down before THE BIRD and burned incense, covered his head, bent over and spoke. He would say, 'The nation'. And the bird would reply to him, 'Yisrael'. He would say, 'Much', and the bird would respond, 'Many (Heb. rav)' in commemoration of the great one (Heb. rav) that traveled among them. They whispered to each other seventy times, BALAK AND THE BIRD. He would say, 'poor'. And the bird would say, 'Much (Heb. rav)'. He then was afraid, as is written: "And Moab was sore (much) afraid of the people, because they were many (Heb. rav)" (Bemidbar 22:3), assuredly rav.

5. In the variety of witchcraft of ancient Kasdiel, we first found that this bird was produced at specific times from silver mixed with gold. SILVER IS THE SECRET RIGHT COLUMN, CHASSADIM, AND GOLD IS THE LEFT COLUMN, CHOCHMAH, AND THEY USED IT TO PRODUCE AND PUT TOGETHER THAT BIRD TO BE LIKENED TO HOLINESS, AS A MONKEY TO PEOPLE. JUST LIKE IN HOLINESS CHOCHMAH OF THE LEFT IS BLENDED WITH CHASSADIM OF THE RIGHT, THEY WANTED TO DRAW IT THAT WAY. HOWEVER, SINCE THEY HAVE NO POWER OF UNIFICATION OF THE CENTRAL COLUMN, EVERYTHING RESULTS IN THE ASPECT OF REFUSE. The head, THE FIRST THREE SFIROT OF THE BIRD, is from gold, MEANING THE REFUSE OF GOLD. Her mouth is from silver, MEANING FROM SILVER REFUSE, and her wings, CHESD AND GVURAH, from light copper, THAT IS LEFT, blended with silver, THAT IS RIGHT, since each one IS COMPRISED OF RIGHT AND LEFT. The body is of gold with round points of silver in her feathers. Her legs, NETZACH, HOD AND YESOD, are from gold and they place in her mouth the tongue of that bird Yadua, SINCE THE TONGUE IS DA'AT. AND SINCE THE KLIPOT HAVE NO DA'AT, THEY HAVE INSTEAD YADUA (ENG. 'KNOWN').

6. They place that bird in that one window, OF THE ONES MENTIONED ABOVE, AND DURING THE DAY they open the window in the direction of the sun THAT RULES BY DAY. At night, they open the window in the direction of the moon, WHICH RULES BY NIGHT, and they burn incense and perform witchcraft. DURING THE DAY, they conjure the sun TO BESTOW ITS ABUNDANCE and at night they conjure the moon. And so they perform for seven days. From then on, that tongue is already rattling in the mouth of the bird, BUT IS STILL UNABLE TO SPEAK. THEN they puncture her tongue with a golden needle and she speaks great things on her own. Everything that Balak knew came from that bird. Therefore, HE WAS CALLED 'the son of bird' and he saw what other people were unable to know and could not see.

2. Sihon and Og

Rabbi Shimon says that God can do anything immediately, but because people don't fully believe, they think that it will take years to fulfill a wish, and so it does. Although the lives of people are fleeting, they are sanctified with repentance and prayer and good deeds and tears, since God commits Himself to do as they wish. We hear about Og the King of Bashan and Sihon the King of the Amorites, with whom Moses waged war. Sihon was destroyed by a flame from the King of Heaven and it could not therefore be rebuilt. Rabbi Shimon says that the children of Yisrael overthrew the rulers below in this world and also in the world above. He tells us why Esau did not receive his birthright even though he was the eldest.

7. It is written: "Hashem said, 'I will bring back from Bashan, I will bring them back from the depths of the sea'" (Tehilim 68:23). We must pay attention to the Faith in the Holy One, blessed be He, since all His words are spoken with truth and great Faith. As soon as He utters something, it is immediately completely accomplished. If a person who is narrow of heart says that it will take several years, and much time to fulfill his wish, that is what happens. THE HOLY ONE, BLESSED BE HE, in accord with His dominion that all the universe is filled with His glory, reflects His way. A person's words are of small consequence and all his words are of a temporary nature. Similarly, he himself is of a temporary nature, LIKE A PASSING SHADOW. However, he is sanctified with repentance and prayer and good deeds and lots of tears, SINCE the Supernal One who is higher than all the world lights His lamp and contracts His Holiness to that person to do his wish.

8. NOW HE EXPLAINS THE VERSE: "Hashem said" is in the future to come. The Holy One, blessed be He, will arise and bring back from Bashan all those whom the wild beasts killed and devoured, SINCE "MI (ENG. 'FROM') BASHAN" IS SPELLED WITH THE SAME LETTERS OF MIBEIN SHINEI (LIT. 'FROM BETWEEN THE TEETH OF') THE BEASTS. There exists in the world a dwelling place where all the great beasts and the great variety of mountains are, and these are hidden in those, THE BEASTS HIDE IN THE MOUNTAINS. THAT PLACE IS CALLED 'BASHAN'. There is the strong desert Arod (Eng. 'a wild ass'). This is Og, who dwelt among the wild desert asses. There lies his strength, because he was the King of Bashan, MEANING THE KING OF THAT AREA, and none of the world's kings could do battle due to the powerful might of Bashan. Moses came and waged war with him.

9. Sihon was the desert colt and Moab's security depended on him. "For Arnon is the border of Moab, between Moab and the Amorites" (Bemidbar 21:13), MEANING THAT HE WAS HIS NEIGHBOR AND GUARDED HIS BORDER. Come and see: When Yisrael destroyed the city of Sihon, the proclamation went forth in the Heavenly Kingdom, MEANING AMONG THE SEVENTY CHIEFTAINS OF THE SEVENTY NATIONS: Gather together, you heroes who rule over other nations, and see how the Amorite kingdom is destroyed.

10. At that moment, all the rulers who were appointed over the seventy nations gathered and wanted to restore the kingdom of Sihon to its prior state. As soon as they noticed Moses' might, they retreated. That is the meaning of what is written: "Wherefore they who speak in similes say, 'Come to Heshbon'" (Ibid. 27). These are the appointed rulers over the nations, who gathered and said, "Come to Heshbon." Who is that who destroyed it? Let it "be built and established" (Ibid.) as originally, and let the kingdom be reinstated as before.

11. When they noticed Moses' might and the flame of his kingdom, they said, "For there is a fire gone out of Heshbon, a flame from the city of Sihon" (Ibid. 28). HE ASKS: If it already says "from Heshbon," why the additional "from the city of Sihon"? Isn't the city of Sihon Heshbon, as it says, "For Heshbon was a city of Sihon the king of the Amorites" (Ibid. 26).

12. HE REPLIES: It is only that a flame from the King of Heaven went and destroyed everything. During the time they said, "Let the city of Sihon be built and established" simply, and did not specify Heshbon, it is because they figured that it would be rebuilt for the Amorites' dwelling place. Then they replied and said We cannot. What is the reason? It is because all the roads and paths were sealed by the might of their higher authority. If we repeat ourselves and mention again that Heshbon should be built, did not "a fire gone out of Heshbon"? And if we repeat ourselves and say the city of Sihon, most certainly a flame started out from the city of Sihon. Since that flame of fire still prevails there, there is nobody who can return it to its prior state, because we have no authorization from any side.

13. From here on, woe to you Moab, since your protector has been broken. Therefore, as soon as Moab saw that their defense was breached, then "Moab was sore (Heb. meod) afraid of the people" (Bemidbar 22:3). What is the "meod"? It is very, which means more than death, SINCE "MEOD" ALLUDES TO THE ANGEL OF DEATH.

14. "Because they were many (Heb. rav)" (Ibid.). At earlier times, ESAU was great (Heb. rav) and great is small, as it is written: "Behold, I will make you small among the nations" (Ovadyah 1:2). Yisrael became great instead of Esau, as is written about him: "And the elder (Heb. rav)," MEANING: "AND THE ELDER SHALL SERVE THE YOUNGER" (BERESHEET 25:23). What is the reason THEY CONSIDERED YISRAEL AS GREAT? It is because they saw that Yisrael were dominant above and below, as is written: "All that Yisrael had done to the Amorites" (Bemidbar 22:2). It should have said, 'That which Yisrael had done'. What is "all that (Heb. Et)"? It is to also include above and below, that they toppled THEIR chiefs and rulers above from their domination and also knocked down the chiefs and rulers below, IN THIS WORLD. Therefore, IT IS WRITTEN: "All that (Heb. Et) Yisrael had done." That is why THEY SAID, "Because they were many (Heb. rav)" instead of 'the rav', which would have meant the holy firstborn IN PLACE OF ESAU'S BIRTHRIGHT, as is written: "Yisrael is My son, my firstborn" (Shemot 4:22).

15. You might say that the Holy One, blessed be He, desired it that way, TO GIVE THE BIRTHRIGHT TO YISRAEL, yet it was not according to justice. Come and see that Esau was a Klipah of the Other Side AND IT IS KNOWN THAT THE SKULL (HEB. KLIPAH) PRECEDED THE BRAIN. THEREFORE, HE EMERGED FIRST. As soon as the skull came out and removed, the brain was found. The foreskin was first, THAT IS ESAU, found externally; THEREFORE, HE EXITED FIRST. The circumcision that is most dear, MEANING JACOB, is revealed later. THEREFORE, ESAU'S PRIOR APPEARANCE IS NOT CONSIDERED AS THE BIRTHRIGHT SINCE THE KLIPAH AND THE FORESKIN HAVE NO VALUE IN COMPARISON TO THE BRAIN AND CIRCUMCISION. NOT ONLY THAT, HE WAS FIRST TO EXIT FOR THAT SAME REASON, SINCE THE SHELL COMES BEFORE THE REAL FRUIT.

3. "And he showed me Joshua the High Priest"

Rabbi Chiya tells us that a person is tried many times during his lifetime and after death, and he says that God is always filled with compassion and does not want to judge people according to their deeds. Rabbi Shimon talks about three levels of compassion, and he tells us about the members of the Yeshivah above that gather to consider a person's sentence.

16. "And Moab said to the elders of Midian, 'Now shall this company lick up...'" (Bemidbar 22:4). Rabbi Chiya opened the discussion with the verse: "And he showed me Joshua the High Priest standing before the angel of Hashem" (Zecharyah 3:1). How much is a human being required to watch his ways in this world and walk in a true path, since all the actions of a person are recorded before the King and are inscribed before Him, and all are accounted for. The guards at the gates stand and give evidence and request true justice, and the judge is ready to receive the evidence. Those who have claims FOR THEIR JUSTIFICATION murmur and do not know if they should go from the right or turn to the left side.

17. When the spirits of humans exit from this world, many accusers stand up about them and proclamations go out, both for their benefit and for their detriment, in accordance with their trial's sentencing; we are taught that a person gets tried many times in this world, both during his lifetime and also afterwards, since all his words are through judgment. The Holy One, blessed be He, is always filled with compassion, and His mercy is over all, and He does not wish to judge human beings according to their deeds. This is what David said, "If You, Yah, should mark iniquities, Adonai, who could stand" (Tehilim 130:3). Here we must observe, since he said Yud-Hei. Why DID HE SAY IN ADDITION Adonai? IT WOULD HAVE BEEN SUFFICIENT TO SAY, 'IF YOU, YAH, SHOULD MARK INIQUITIES, WHO COULD STAND'.

18. HE RESPONDS: It is only because there are three levels of compassion that David mentions here, WHICH ARE YUD-HEI, ADONAI AND "WHO." "If You, Yah, should mark iniquities": THAT IS ABA AND IMA REFERRED TO BY YUD-HEI AS EXPLAINED. If the iniquities are so many that they have ascended above to Aba and Ima, then "Adonai" pertains, which is compassion. Although this name ADONAI is merciful, it will be aroused in judgment, and all the levels will conceal through judgment. Yet there is still one level that we can turn to, as all the remedies emanate from her, that one should have mercy on us. That one is MI (ENG. 'WHO') THAT IS BINAH, "who could stand" FOR US assuredly, as it says, "Who can heal you" (Eichah 2:13). Therefore, if these TWO names, Yud-Hei Adonai, were sealed and hidden from him, "who could stand," because all the roads to repentance are open from it.

19. Come and see Joshua, son of Yehotzedek, was entirely righteous, a person that used to enter to the innermost sanctum. They raised him up to the Yeshivah up in the heavens, and all the members of that Yeshivah were gathered to consider his sentence. Such are the ways of that Yeshivah of the firmament, when they bring in A PERSON'S SPIRIT to be judged. A proclamation is declared, all the members of the Yeshivah enter into a concealed chamber and the court is gathered into session.

4. Gather all members of the Yeshivah to study the trial

This section tells us about the trial after death, and we learn that the angel Metatron, who is the head of the Yeshivah of Heaven, pronounces the sentence over everything.

20. The spirit of the person is raised up by two appointees. As it enters, it approaches to stand next to a pillar of glowing flame that stands there, and gets covered in the air of the wind that blows in that pillar. And now many that are raised up there... (MISSING HERE)... Since all those who study Torah and have new insights within her, those items immediately get written and recorded for those members of that Yeshivah. Then all the members of the Yeshivah come to see him and those two appointed MENTIONED ABOVE exit and raise him up above to the Yeshivah of the firmament. He immediately approaches next to that pillar, MENTIONED ABOVE, where he gets dressed IN THAT GARMENT MENTIONED ABOVE.

21. AFTER DRESSING IN THOSE GARMENTS, he enters into the Yeshivah AND THE MEMBERS OF THE YESHIVAH observe him. If the matters OF NEW INSIGHT are appropriate, he will be blessed, since all the members of the session will adorn him with many laurels. If it is something else, meaning to say THAT IT DOES NOT FOLLOW THE PATH AND MANNERS OF SANCTITY, woe to him. For that embarrassment and shame, they give him a push and he stands next to the pillar MENTIONED ABOVE, until they bring him in for trial and judgment. May the Merciful One save us.

22. There are others that get raised up there when the Holy One, blessed be He, is in a disputation with the members of the session, WHETHER THE ITEM IS PERMISSIBLE OR PROHIBITED. They say, Who shall decide THE LAW? Here is so-and-so, THE WISE MAN OF THIS WORLD, let him come and decide this matter and HOW TO CARRY OUT THE LAW. Then they raise THAT WISE MAN up above, there, and he proves decisively by evidence that legal dispute between the Holy One, blessed be He, and the members of the Yeshivah. There are others that get raised up there for trial and they get judged there, to refine and purify them.

23. Rabbi Yosi said to him, If so, IT WOULD SEEM that a person leaves and departs this world without trial judgment. If he does depart by trial, THAT IS, HE ALREADY WAS JUDGED ABOVE, why then is he on trial a second time IN THE YESHIVAH OF HEAVEN? He replied to him, That is the way I was taught and heard. It is definite that a person who departs from this world gets judged. However, prior to entering to be among the righteous, he gets raised up for A SECOND trial for a decision in that Yeshivah of the firmament.

24. AT THE YESHIVAH OF THE FIRMAMENT stands the appointee of Gehenom to prosecute. Praised is the one who was found guiltless in that trial. If not, that appointee of Gehenom takes him when they hand him over to him and slings him downward, like someone who hurtles a stone with a sling, as is written: "And the souls of your enemies, them shall he sling out, as out of the hollow of a sling..." (I Shmuel 25:29). The appointee throws him into Gehenom and he receives his punishment corresponding to his sentence.

25. Come and see: "And he showed me Joshua the High Priest standing before the angel of Hashem" (Zecharyah 3:1) means that they have raised him up above for trial within the Yeshivah of the firmament, after he was gone from the world. "Standing before the angel of Hashem": That is the same youth, MEANING THE ANGEL METATRON, THAT IS CALLED 'YOUTH', who is the head of the Yeshivah IN THE YESHIVAH OF HEAVEN. And he pronounces the sentence over everything.

5. "Hashem rebuke you, O adversary"

Rabbi Shimon talks about the adversary who is appointed over the souls in Gehenom. The Satan transforms into the form of an ox; since Balak knew about this he was a wise man, and that very knowledge enabled him to perform his witchcraft.

26. HE INQUIRES ABOUT WHAT IT SAYS: "And the adversary STANDING AT HIS RIGHT HAND TO THWART HIM" (ZECHARYAH 3:1). What is "the adversary"? HE REPLIES: That one who is appointed over the souls in Gehenom, whose desire is to take him TO GEHENOM, and constantly stands around saying, Give, give the wicked to Gehenom. "To thwart him" means to mention his iniquities. Then, "Hashem said to the adversary, 'Hashem rebuke you, O adversary; even Hashem...rebuke you'" (Ibid.). HE ASKS: Why two rebukes? HE REPLIES: One FOR THE ANGEL Dumah, THAT IS THE CHIEF APPOINTEE OF GEHENOM, and one for that one that leaves Gehenom, who is constantly ready to thwart, MEANING THE ADVERSARY.

27. Come and see, the adversary up high descends, as we have already explained, being transformed into the image of an ox. All these evil spirits that were sentenced to be entered into Gehenom, he licks them up in an instant and grabs them, and descends and gives them over to Dumah, after he swallows them up. This is what is said: "And Moab said to the elders of Midian, 'Now shall this company lick up all that are round about us, as the ox licks up...'" (Bemidbar 22:4). That is that known ox, WHICH IS THE ADVERSARY, that stands constantly ready to cause evil for all the world's inhabitants, "the grass of the field" (Ibid.). These are the spirits of human beings, who are the grass of the field. "The field" is that certain field, MEANING MALCHUT.

28. Rabbi Yosi says, If so, Balak was a wise man, SINCE HE WAS AWARE THAT THE SATAN TRANSFORMS INTO THE FORM OF AN OX. He said to him most certainly THAT HE WAS WISE. Similarly, he needed to know all the habits of that ox and if he would not have been familiar with them, he would not have been able to perform his witchcraft and enchanting charms. Rabbi Yosi said, That is certainly so, and you spoke well. The might of that ox is, when they proclaim about the grain crops... (SOMETHING MISSING) ...all these days that are being proclaimed, and all the days that they proclaim about the spirit of human beings. They are the days of Nissan and the days of Tishrei, as we have already learned.

26. וְהִשְׁטָן, מֵאֵן וְהִשְׁטָן. הֵוא דְּמִמְנָא, עַל נַפְשָׁתָא בְּגִיְהֵנָם, דְּתִיאֻבְתִּיהָ לְמִיסַב לֵיהּ, וְתִדְרִיר קְיִימָא וְאָמַר הֵב הֵב, הֵבו חַיִּיבִין לְגִיְהֵנָם. לְשִׁטְנוֹ, לְאַדְרַכְרָא חֻבּוּי. בְּדִין וַיֹּאמֶר יְיָ אֶל הַשָּׁטָן יִגְעַר בְּךָ הַשָּׁטָן וַיִּגְעַר ה' בְּךָ, תִּרְיַן גְּעָרוֹת אֲמַאי. אֲלֵא חַד לְרוּמָה. וְחַד, לְהֵוא דְּנַפְקָא מִגִּיְהֵנָם, דְּקִימָא תְּדִיר לְאַסְטָאָה.

6. The child (Yenuka)

Rabbi Yitzchak and Rabbi Yehuda encounter the small son of Rabbi Hamnuna Saba, and find that he is preternaturally wise. The child rebukes them for not having read the Kriat Sh'ma and for having started to say grace while their hands were still dirty. He talks about the five fingers on the hand, the five bars of acacia wood, and the five hundred years, and he concludes from this that all the blessings of the priest are dependent on the fingers. The boy discusses the grace before the meal and the grace after the meal. When his mother begs the rabbis to look at her son with a benevolent eye, the child says he is not afraid of an evil eye because he is the son of a great and worthy fish, and a fish has no harm from the evil eye as the water acts as a protection for it. He talks about the fact that Malchut is called 'angel' when she is an emissary from Aba and Ima, but when she is at rest over the two Cherubim she is called Adonai. We read that Malchut appeared to Moses as an angel but to Abraham as Adonai, and that Jacob called to Malchut in the name of angel when he died. Moses joined with Malchut during his lifetime while still in his body but Jacob joined with her only in spirit after he died. We read about Metatron and Sandalfon who are from the great ocean, Malchut, and that they are fruitful and multiply in the land. When the wise boy says the blessing over the cup of blessing he speaks of Rabbi Yitzchak's nearness to death and says that he should find a guarantor down below, meaning Rabbi Shimon. The rabbis leave the boy's house, and Rabbi Shimon, when encountered, says that the boy will not live long. Next the rabbis wonder why Moses' merit did not protect the Midianites from destruction even though Ruth and Naamah protected Moab from destruction. Rabbi Shimon explained that Moab had not yet produced Ruth and her offspring so it had to be protected. Three of the rabbis return to see the boy, who welcomes them and who knows without being told that they have been talking about Amon and Moab. He discusses the secret of the wave offering and why barley is offered. They talk about wheat, saying that it is the Tree of Knowledge of Good and Evil. We hear that the Other Side has a part - the chaff - in all the five kinds of grain, and the chaff is exempt from tithe because it has no share in holiness. The boy says that even if the snake had not tempted Eve, Adam would still have produced offspring immediately, due to God's commandment to be fruitful and multiply. The boy talks about the grapevine known as sanctity and the grapevine of the Other Side; he tells why water must be added to wine for the blessing after the meal, to add compassion to mercy. We hear about the bad advice that the elders of Midian gave to Moab, and how they were punished. The boy informs the rabbis that Moab was punished later by David after Ruth had come out of that country. Generations later the Midianites were still longing to attack Yisrael. We learn that King David summoned the hosts of heaven and included his soul with them to bless God, and that later Yisrael took over the task of the serving angels. The boy and Rabbi Elazar talk about sanctification and blessings and about the mighty ones who perform God's bidding. Finally we hear about the great importance of teaching the Torah to one's son.

1

29. Rabbi Yitzchak and Rabbi Yehuda were walking along the road. They reached the place of the village Sachnin, where Rav Hamnuna Saba (the elder) lived, and they were guests of his wife who had one small boy. Every day he went to school, and when he came home from school that day, he noticed these wise men. His mother told him to approach these lofty people and receive blessings from them. He approached them. While approaching, he retreated and said to his mother, I do not wish to approach them, since they did not read Kriat Sh'ma this day and they taught me that whoever does not recite the Sh'ma at its appropriate time is banned all that day.

30. They heard and marveled. They raised their hands and blessed him. They said, It is certainly true THAT WE DIDN'T READ THE KRIAT SH'MA, because today we were busy with a groom and a bride that did not have their minimum needs, and were thus being delayed in their marriage. There was no one to take up their cause and we did our best for them. THEREFORE, we could not read the Kriat Sh'ma at its appropriate time. And whoever performs a precept is exempt from a precept. They said to him, How did you know? He said to them, By the fragrance of your garments I knew, when I approached you. They marvelled, sat down, washed their hands and ate bread.

31. Rabbi Yehuda's hands were dirty. He washed his hands but said the grace before he washed his hands. THE CHILD told them, If you are the disciples of Rav Shmaya the pious, you should not have started your grace when your hands were still filthy. Whoever says the benediction with unclean hands is worthy of death.

32. The child opened the discussion with the verse: "When they go into the Tent of Meeting, they shall wash with water, that they die not" (Shemot 30:20). We learn from this verse that whoever is not careful of this, and appears before the King with soiled hands, deserves to die. What is the reason? It is because a person's hands dwell at the top of the world. There is one finger on the hand of a person and that is the finger that Moses raised, MEANING THE MIDDLE FINGER THAT CORRESPONDS TO MOSES, WHO IS THE CENTRAL COLUMN, AS WILL BE EXPLAINED.

29. רבי יצחק ורבי יהודה הוו אזלי באורחא, מטו ליהוא אתר דכפר סכנין, דהוה תמן רב המנונא סבא, אתארוחו באתתא דיליה, דהוה לה ברא חדא זעירא, וכל יומא הוה בבי ספרא, ההוא יומא סליק מבי ספרא, ואתא לביתא, חמא לון לאלין חבימין. א"ל אמיה, קריב לגבי אלין גוברין עלאין ותרווח מנייהו ברכאן. קריב לגבייהו, עד לא קריב, אהדר לאחורא. א"ל לאמיה, לא בעינא לקרבא לגבייהו. דהא יומא דא לא קרו ק"ש, והכי אולמי לי, כל מאן דלא קרי ק"ש בעונתיה, בנדוי הוא כל ההוא יומא.

30. שמעו אינון, ותוהו, ארימו ידיהו ובריכו ליה. אמרו ודאי הכי הוא. ויומא דא אשתדלנא בהדי חתן וכלה, דלא הוה לון צרכייהו, והו מתאחרן לאזדווגא, ולא הוה ב"נ לאשתדלא עלייהו, ואנן אשתדלנא בהו, ולא קרינן ק"ש בעונתיה, ומאן דאתעסק במצוה, פטור מן המצוה. אמרו ליה, ברי, במה ידעת. א"ל, בריחא דלבושיכו ידענא, כד קריבנא לגבייכו. תוהו. יתבו, נטלו ידיהו וכריכו רפתא.

31. ר' יהודה הוו ידוי מלובלכן, ונטיל ידוי, וברין עד לא נטיל. א"ל, אי תלמידי דרב שמעיה חסידא אתון, לא הוה לכו לברכא בידיים מזוהמות, ומאן דברין בידיים מזוהמות, חייב מיתה.

32. פתח ההוא ינוקא ואמר, בבאם אל אהל מועד ירחצו מים ולא ימותו וגו'. ילפינן מהאי קרא, דמאן דלא חייש להאי, ויתחזי קמי מלכא בידין מזוהמן, חייב מיתה. מ"ט. בגין דידי דב"נ יתבין ברומו של עולם. אצבעא חדא אית ביך דב"נ, ואיהו אצבעא דארמא משה.

33. It is written: "And you shall make bars of acacia wood; five for the boards of the one side of the tabernacle, and five bars for the boards of the other side of the tabernacle... And the middle bar in the midst of the boards shall reach from end to end" (Shemot 26:26-28). If you say that middle bar is another one and is not included in the five BARS, it is not so. Rather, that middle bar is one of the five BARS. Two BARS are from this side, two are from this side and one is in the middle. That was the middle bar, the pillar of Jacob, the secret of Moses, MEANING TIFERET, BECAUSE THE TWO BARS IN FRONT OF HIM ARE CHESED AND GVURAH AND THE TWO BARS AFTER HIM ARE NETZACH AND HOD. Corresponding to this, there are five fingers on a person's hand and the middle bar, MEANING THE MIDDLE FINGER, is at the center, above and longer than the rest. All other FINGERS are supported by it, SINCE TIFERET IS INCLUSIVE OF ALL THE SIX ENDS.

34. These five bars are referred to as the five hundred years - MEANING CHESED, GVURAH, TIFERET, NETZACH AND HOD OF ZEIR ANPIN, WHICH IS THE SECRET OF THE FIVE HUNDRED YEARS, since the Tree of Life THAT IS ZEIR ANPIN goes according to them. The holy covenant is aroused by the five fingers of the hand, SINCE YESOD COMPRISES WITHIN IT CHESED, GVURAH, TIFERET, NETZACH AND HOD, and that is a concealed matter about which I spoke. Therefore, all the blessings of the priest are dependent on the fingers. And the spreading of hands of Moses, MEANING WHERE IT SAYS: "AND SPREAD OUT HIS HANDS TO HASHEM..." (SHEMOT 9:33) was because of this.

35. If all this is inherent IN THE FINGERS, it is redundant to say that they must be clean when giving grace to the Holy One, blessed be He. Through them and their corresponding comparisons, MEANING THE UPPER CHESED, GVURAH, TIFERET, NETZACH AND HOD, THAT ARE INDICATED THROUGH THEM, the Holy Name gets blessed. Therefore, you who are so wise, why did you not pay attention to this? And you did not pay service to Rabbi Shmaya the pious, who declared any filth or stain rises to the Other Side, since the Other Side gets sustenance from that filth and dirt. Consequently, final water washings are obligatory and required.

36. They marveled, and could not speak. Rabbi Yehuda said, My son, what is your father's name? The boy was quiet for a moment. He rose AND WENT to his mother and kissed her. He said to her, Mother, these wise men asked me about my father. Should I tell them? His mother said to him, My son, have you examined them, IF THEY ARE WORTHY? He said, Here, I checked them and did not find them to be proper. His mother whispered into his ears and he returned to them. He said to them, You have asked me about my father and he has already departed from the world. Every day that devout holy ones walk the roads, he travels after them on a donkey. If you are holy and elevated, why did you not notice him walking along and traveling after you on a donkey?

37. At first, I noticed THAT YOU DID NOT READ THE SH'MA and now I notice THAT YOU ARE NOT HOLY AND ELEVATED; since my father did not see A HOLY ONE RIDING ON an ass, he should not bring after him an ass, to carry the burden of Torah. Since you were not meritorious enough that my father should follow after you on an ass, I will not tell you who my father is. Rabbi Yehuda said to Rabbi Yitzchak, It seems to us that this boy is not human. They ate. The boy was speaking words of the Torah and giving new insights in the Torah. They said, Let us say grace. He said to them, You spoke well, since the Holy Name does not get blessed through this grace, except by summons.

38. He opened the discussion with the verse: "I will bless Hashem at all times..." (Tehilim 34:2). HE INQUIRES: Why did you see fit to say, "I will bless Hashem"? HE REPLIES: It is because David realized that a summoning is required and he therefore said, "I will bless," since when a person sits at his table, the Shechinah prevails there and the Other Side stands there. When a person summons to give grace to the Holy One, blessed be He, the Shechinah is restored to the supernal levels, TO ZEIR ANPIN, to receive blessings, and the Other Side is subdued. If a person does not summon others to say grace to the Holy One, blessed be He, the Other Side listens and is happy, because it will have a part in that grace.

39. You might ask why there is no requirement for summoning others in the rest of the graces. HE REPLIES: It is because these words of blessings, about which the grace is to be given, are in themselves the summons. Come and see that it is so, because when one says a blessing over a fruit, that fruit is the summons for grace. The Other Side has no part in it. However, prior to that, when that fruit is in the domain of the Other Side, no grace is to be recited over it, as is written: "IT BE AS UNCIRCUMCISED UNTO YOU. They shall not be eaten" (Vayikra 19:23), BECAUSE IT IS IN THE DOMAIN OF THE OTHER SIDE. On that fruit, no grace is given, so that the Other Side should not get blessed. As soon as it is out of its domain, of THE OTHER SIDE AFTER THE REQUIRED FORBIDDEN YEARS OF ORLA, he may eat and give grace for it. The fruit becomes the summons for grace, and similarly, all things in the world over which a blessing is said are an invitation for blessings. They have no part for the Other Side.

40. You might say that the grace after the meal is also similar to it, since the wine cup of grace is considered the summons. Why do they say, Let us say the blessing, FOR THE PURPOSE OF INVITATION? HE RESPONDS: It is only because at the beginning, when he drank, he said, Who creates the fruit of the vine? Here, THE WINE ALREADY SERVED ITS purpose for an invitation and now at the grace after the meal we require something else for a different summons, since the cup is for the Holy One, blessed be He, and not for the meal. Therefore, the summoning must be by mouth.

37. אָבֵל בְּקִדְמִיתָא חֲמִינָא בְּכוּ, וְהִשְׁתָּא חֲמִינָא בְּכוּ, דְּאָבָא לָא חֲמָא חֲמָרָא דְּלָא טְעִין אֲבִתְרִיהּ חֲמָרָא, לְמַסְבַּל עוּלָא דְּאוּרִייתָא. כִּיּוֹן דְּלָא זְכִיתוּן דְּאָבָא יִטְעוּן אֲבִתְרִיכוּ, לָא אִימָא מֵאן הוּא אָבָא. אָמַר רַבִּי יְהוּדָה לְר' יִצְחָק, כְּדַרְמֵי לָן, הָאִי יִנּוּקָא לָאוּ בְּרֵשׁ הוּא. אֲכִלּוּ. וְהוּא יִנּוּקָא הוּא אָמַר מְלִי דְּאוּרִייתָא, וְחִדּוּשֵׁי אוּרִייתָא. אָמְרוּ, הֵב וְנִבְרִיךְ. אָמַר לְהוּ, יְאוּת אֲמַרְתוּן. בְּגִין דְּשִׁמְא קְדִישָׁא לָא מִתְבַּרְךְ בְּבִרְכָה דָּא, אֲלֵא בְּהִזְמָנָה.

41. You might say that 'Let us bless Him of whose bounty we have eaten' is the invitation, and 'blessed is He of whose bounty we have eaten' is the blessing. AND IF SO, WHY IS IT NECESSARY TO SAY BEFORE THESE: LET US SAY THE BLESSING? HE RESPONDS: That is certainly so; however, let us bless HIM OF WHOSE BOUNTY WE HAVE EATEN, which is another invitation. It is an invitation for He who creates the fruit of the vine. At first, WHEN HE SAID, LET US SAY THE BLESSING, that is a general invitation for the cup of grace, WHICH IS THE SECRET OF MALCHUT. As soon as this cup is taken, there is another additional invitation in the phrase: Let us say the blessing. That is for the supernal world, WHICH IS ZEIR ANPIN, from whence all the sustenance and blessings emanate. As a result of this, it is in a concealed manner THAT THE NAME IS NOT MENTIONED IN IT, BUT RATHER SIMPLY, LET US BLESS HIM OF WHOSE BOUNTY WE HAVE EATEN. The higher realm is concealed and no OPEN invitation is to be given EXCEPT through this level ONLY, but with the cup of grace THERE IS AN OPEN INVITATION. Rabbi Yehuda said, Praised is our lot, that from this day that I am in this world. Until now, I have not heard these things. Certainly it is like I said, that this one is not human.

42. He said to him, Son, angel of Hashem, His beloved, that which you said, "And you shall make bars of acacia wood, five, for the boards of the one side of the tabernacle...and five bars...and five bars...for the side westward" (Shemot 26:26-28). We find here a great number of bars and the hands are only two, AS THEY CONTAIN ONLY TWO TIMES FIVE FINGERS. THE BOY said to him, That is what they say, From a person's mouth, a person's identity is recognizable. However, since you have not paid enough attention TO BE ABLE TO UNDERSTAND, I will speak.

43. He opened the discussion with the verse: "The wise man's eyes are in his head" (Kohelet 2:14). HE INQUIRES: IT SAYS, only in his head: are the eyes of a man in any other place, are they in his body, or in his arm, that the wisest man of all is letting us know!? But the meaning in the scripture is surely this, that we were taught a person should not walk more than four cubits with an uncovered head. Why is this? It is because the Shechinah dwells upon his head, and any wise man's eyes and thoughts are in his head, that is, upon that which dwells and remains on his head, WHICH IS THE SHECHINAH.

44. When his eyes are there on the head, WHICH IS THE SHECHINAH, he should be aware that the light that is lit over his head needs oil, since the person's body is the wick and the light is lit on the top IN THE WICK. Solomon, the king, cried out and said, "Let your head lack no oil" (Kohelet 9:8), since the light in his head requires oil, and that is good deeds. About this, HE SAYS, "The wise man's eyes are in the head" and in no other place.

41. ואי תימא, נברך שאכלנו משלו, דא הוא הזמנה, ברוך שאכלנו דא הוא ברכה. הכי הוא ודאי. אבל נברך, הזמנה אחרא איהו, הזמנה דבורא פרי הגפן. דקדמיתא איהו הזמנה לכוס דברכה סתם. והיא כוס, כיון דאנטיל איהו הזמנה אחרא במלה דנברך לגבי עלמא עלאה דכל מזונין וברכאן מתמן נפקין, ובג"כ איהו בארץ סתים, דעלמא עלאה סתים איהו, ולית לגביה הזמנה. אלא בדרגא דא כוס דברכה. א"ר יהודה, זכאה חולקנא, דמן יומא דעלמא עד השתא, לא שמענא מלין אלין, ודאי הא אמינא דדא לאו ב"נ איהו.

45. You are certainly wise men and the Shechinah dwells upon your heads. How is it that you have not noticed what is written: "And you shall make bars of acacia wood; five for the boards of the one side of the tabernacle, and five bars for the boards of the other side of the tabernacle"? The first and second side of the tabernacle are mentioned in the scripture, but the third and fourth sides are not mentioned in the scripture. For the first and second of the two sides are the reckoning of the two sides, RIGHT AND LEFT, WHICH ARE CHESED AND GVURAH THAT ARE CALLED 'TWO HANDS'. AND THE THIRD, WHICH IS ON THE WEST, HE DOES NOT COUNT, SINCE IT ONLY RECEIVES FROM THESE TWO SIDES. Therefore, he accounted ONLY FOR these two THAT ARE THE SECRET OF THE TWO HANDS.

46. They approached and kissed him. Rabbi Yehudah cried and said, Rabbi Shimon, praised is your lot and praised is YOUR generation, since because of your merit, even the children at school are high and mighty mountains. His mother approached and said to them, My masters, I beg of you. Do not look at my son, except with a benevolent eye. They said to her, Praised is your lot, worthy woman. You are a distinguished woman above all the other women, since the Holy One, blessed be He, chose your lot and raised your banner over all the rest of the women of the world.

47. The child said, I am not afraid of an evil eye, since I am a son of a great and worthy fish, and a fish has no fear from the wicked eye, as is written: "And let them grow into a multitude (lit. 'as fish') in the midst of the earth" (Bereshheet 48:16). What is "multitude"? That includes also the eye, MEANING TO SAY THAT NO HARM SHALL BEFALL THEM DUE TO THE EVIL EYE. We were taught, just like fish in the sea, that the water acts as a cover for them, and no evil eye HAS AN EFFECT ON THEM. THEREFORE, it is "multitude" assuredly. "In the midst of the earth" means within the people that are dwelling on the land, MEANING THAT THE EVIL EYE WILL NOT HARM THEM, EVEN THOUGH THEY ARE NOT COVERED AS ARE FISH. They said TO HIM, Son, angel of Hashem, we do not have an evil eye and neither do we come from the side of the evil eye. The Holy One, blessed be He, covers you with His wings.

48. He opened the discussion with the verse: "The angel who redeemed me from all evil, bless..." (Ibid.). Jacob said this verse in the Holy Spirit and if he said it to him in the Holy Spirit, it must contain the secret of wisdom. "The angel": HE ASKS: He calls MALCHUT an angel, and calls it also other names. Why has he here called her, MALCHUT, an angel? HE REPLIES: It is only WHEN MALCHUT is a messenger from above and receives splendor from the mirror above that Aba and Ima bless her. Say to her, My daughter, go and watch your residence, MEANING THE WORLD. Visit your household. That is what you should do to your household, go and sustain them. Go, since the world below waits for you and the members of your household are waiting for food from you. You have all you need to give to them. Then MALCHUT IS CALLED 'an angel' (also: 'messenger').

45. אתון חכימין, ודאי שכינתא שרינא על רישויכו, היך לא אשגחתון להאי, דכתיב ועשית בריחים וגו', לקרשי צלע המשכן האחד. וחמשה בריחים לקרשי צלע המשכן השנית. האחד והשנית אמר קרא, שלישית ורביעית לא אמר קרא. דהא אחד ושנית, דא חשיבו דתרין סטרין, ובג"כ עביד חושבנא בתרין אלין.

46. אתו אינון ונשקוהו, בכה רבי יהודה, ואמר, ר' שמעון זכאה חולקך, זכאה דרא, דהא בזכותך אפילו ינוקי דבי רב, אינון טנרין רמאין תקיפין. אתאת אמיה, אמרה לון רבותי, במטו מנייכו, לא תשגחון על ברי, אלא בעינא טבא. אמרו לה, זכאה חולקך אתתא כשרה, אתתא ברינא מכל שאר נשין, דהא קודשא בריך הוא בריר חולקך, וארים דגלך על כל שאר נשין דעלמא.

47. אמר ינוקא, אנא לא מסתפינא מעינא בישא, דבר נונא רבא ויקרא אנא, ונונא לא דחיל מעינא בישא, דכתיב וידגו לרוב בקרב הארץ, מאי לרוב, לאסגאה על עינא. ותנינן, מה דגים דימא מיא חפי עליהון, ולית עינא בישא וכו'. לרוב ודאי, בקרב הארץ, בגו בני אנשא על ארעא. אמרו, ברא, מלאכא דיי', לית בנא עינא בישא, ולא מסטרא דעינא בישא אתינן. וקודשא בריך הוא חפי עלך בגדפוי.

48. פתח ואמר המלאך הגואל אותי מכל רע יברך וגו'. האי קרא אמר יעקב ברוח קודשא, אי ברוח קודשא א"ל, רזא דחכמתא אית ביה. המלאך, קרי ליה מלאך. וקרי ליה שמהן אחרנין. הכא, אמאי אקרי מלאך. אלא כד איהו שליחא מלעילא, וקבילת זהרא מגו אספקלריא דלעילא, דכדין מברכין אבא ואמא להאי, אמרי לה ברתוי, זילי נטורי ביתיך, פקידוי לביתיך. הכי עבידי לביתיך. זילי חונוי לון. זילי, דההוא עלמא דלתתא מחכא לך, בני ביתך מחכאן מזונא מנך, הא לך כל מה דתצטרכי למיהב לון, כדין איהי מלאך.

49. You may wonder that we find that MALCHUT is called 'angel' in several places, and yet is not sent to sustain the worlds. Furthermore, with this name, ANGEL, she does not sustain the worlds, but rather by the name of Yud Hei Vav Hei. HE RESPONDS: It definitely is so. When she is an emissary from Aba and Ima, she is called 'angel' and when she is at rest in her own place over the two Cherubs, Adonai is her name.

50. When the Shechinah first appeared to Moses, she is called 'an angel', AS IT SAYS, "AND THE ANGEL OF HASHEM APPEARED TO HIM IN THE FLAME OF FIRE" (SHEMOT 3:2). To Jacob, it did not appear like that, except in a likeness, MEANING BY RACHEL BELOW, WHO IS THE LIKENESS OF RACHEL ABOVE, WHICH IS MALCHUT. It is written: "Rachel came" (Beresheet 29:9), which is the form of another Rachel ABOVE, WHICH IS MALCHUT, as is written: "Thus says Hashem; A voice is heard in Ramah... Rachel weeping for her children" (Yirmeyah 31:14). THIS RACHEL IS THE SECRET OF MALCHUT. HERE TOO, "Rachel came" generally INDICATES MALCHUT. "With sheep" (Beresheet 29:9): These are the levels OF MALCHUT. "Her father's" (Ibid.), surely, SINCE ABA, THAT IS CHOCHMAH, IS THE FOUNDATION OF THE DAUGHTER, WHICH IS MALCHUT. And all, THAT IS ALL THE WORLDS, were appointed and assigned to her hands, "for she kept them." She also leads them and has been assigned over them.

51. So it was written pertaining to Moses: "And the angel of Hashem appeared to him in a flame of fire." SINCE THE FIRST TIME, MALCHUT APPEARED TO HIM IN THE ASPECT OF AN ANGEL, AS MENTIONED ABOVE, AND THAT IS MORE IMPORTANT THAN THE VISION OF JACOB, THAT WAS ONLY A LIKENESS. You might think to say that Abraham's praise is greater than his, since no angel is written pertaining to him, but rather: "And Hashem appeared to him by the oaks of Mamre..." (Beresheet 18:1). HE RESPONDS: The name of Adonai appeared to Abraham, which is in Aleph-Dalet-Nun-Yud, as IS WRITTEN: "MY MASTER, (ADONAI), PASS NOT AWAY, I PRAY YOU, FROM YOUR SERVANT" (IBID. 3). It is because during this period he received the covenant, and what was concealed from him up to then was PRESENTLY visible to him, the Master and ruler, WHICH IS ADONAI. He was worthy of that, since he was then connected in that level, MALCHUT, but nothing more. Therefore, HASHEM WAS REVEALED TO HIM by the name of Master and ruler, THAT IS, BY THE NAME OF ADONAI.

52. However, there was no division in Moses, as is written: "Moses Moses" (Shemot 3:4), without any dividing mark, as it is written pertaining to Abraham: "Abraham, Abraham" (Beresheet 22:11), where a marked punctuation exists to make a division. THE DIVISION MARK ALLUDES TO A SECOND ABRAHAM, who is now perfected, which was not the case with the earlier Abram. There is a marked difference between Abraham at present to Abram of the past. However, at the instant Moses was born, the shining mirror was already with him, WHICH IS THE LIGHT OF ZEIR ANPIN, as is written: "And when she saw that he was goodly" (Shemot 2:2). It is also written: "And Elohim saw the light, that it was good" (Beresheet 1:4), WHICH ALLUDES TO ZEIR ANPIN. HERE TOO, "GOODLY" ALLUDES TO ZEIR ANPIN, because Moses was immediately connected to his own level THAT IS ZEIR ANPIN. Therefore it says, "Moses Moses," without a separating dividing mark BETWEEN MOSES AND MOSES.

49. ואני תימא, והא בכמה דוכתי אקרי מלאך, ולא אתי למיזון עלמין. ועוד, דבשמא דא לא זן עלמין, אלא בשמא דיו. הכי הוא ודאי, כד שליח מגו אבא ואמא, אקרי מלאך, וכיון דשארי על דוכתי, על תרין כרובין אדני שמייה.

50. למשה כד אתחזי ליה בקדמיתא, אקרי מלאך ליעקב לא אתחזי הכי, אלא בדוגמא, דכתיב ורחל באה, דא דיוקנא דרחל אחרא, דכתיב כה אמר יי' קול ברמה נשמע וגו'. רחל מבכה על בניה. ורחל באה סתם, עם הצאן דרגין דילה. אשר לאביה ודאי. וכלהו אתמנון ואתפקדון בידהא. כי רועה היא, איהי מנהגא לון, ואתפקדא עליהו.

51. והכי במשה כתיב, וירא מלאך יי' אליו בלבת אש. ואני תימא יתיר הוא שבחא דאברהם, דלא כתיב ביה מלאך, אלא וירא אליו יי' באלוני ממרא וגו'. התם באברהם, אתחזי ליה אדני, באלף דלת, בגין דבהווא זמנא קביל ברית, ומה דהוה אתכסי עד כען מניה, אתחזי ליה רבון ושליט, והכי אתחזי, דהא כדן בהווא דרגא אתקשר, ולא יתיר. ובג"כ, בשמא דאדון רבון עליה.

52. אבל משה דלא הוה ביה פרודא, דכתיב משה משה דלא פסקא טעמא. כמה דכתיב אברהם אברהם, דפסקא טעמא. בגין דהשתא שלים, מה דלא הוה מקדמת דנא. פרישו אית בין אברהם דהשתא, לאברהם דקדמיתא. אבל משה, מיד דאתיליד, אספקלריאה דנהרא הות עמיה, דכתיב ותרא אותו כי טוב הוא. וכתיב וירא אלהים את האור כי טוב. משה מיד אתקשר בדרגא דילה ובג"כ משה משה, ולא אפסיק טעמא.

53. Therefore, MALCHUT reduced itself towards Moses, WHO WAS ON A CONSTANT LEVEL OF ZEIR ANPIN, as is written: "The angel of Hashem" AND NOT IN ITS OWN NAME, SINCE MALCHUT RECEIVES FROM ZEIR ANPIN. Jacob called 'MALCHUT' at the time he departed from the world, by the name of angel, LIKE MOSES. What is the reason? At that time, he was inheriting her to rule over him, AS MOSES DID, SINCE Moses JOINED WITH MALCHUT during his lifetime, but Jacob WAS JOINED WITH HER ONLY after departing from the world. Moses WAS WITH MALCHUT WHILE STILL in his body, Jacob ONLY in spirit AFTER IT LEFT THE BODY. Praised is the lot of Moses.

54. "Who redeemed me from all evil" (Beresheet48:16), MEANING that he never came close to the side of evil and evil had no domination over him. "Bless the lads" (Ibid.): PRIOR TO HIS DEPARTURE, Jacob established his household, MEANING MALCHUT, like a person who moves to a new house, who makes his own little arrangements and adds decorations. "Bless the lads": That means the known LADS, who were appointed over the world so as to draw blessings from them. These are the two Cherubs, METATRON AND SANDALFON. "And let my name be named on them" (Ibid.), MEANING TIFERET, THE MEASURE OF JACOB. Now he constructed his abode, WHICH IS MALCHUT, and he rose to his own level, WHICH IS TIFERET, since the connection OF MALCHUT is with Jacob, WHO IS TIFERET. The body, WHICH IS TIFERET, gets joined where it should, MEANING IN MALCHUT, and two arms are with him. THAT IS "THE NAMES OF MY FATHERS" (IBID.) WHICH ARE CHESD AND GVURAH.

55. After these lads, METATRON AND SANDALFON, get blessed as required, then, "let grow into a multitude (like fish) in the midst of the earth," since it is the manner of fish to multiply AND BE FRUITFUL inside the water. If they leave the water for dry land, they soon die. These are not like that. They are, however, from that great ocean, MEANING FROM MALCHUT. Their increase is by being fruitful and multiplying within the land, MEANING IN THE LOWER WORLDS THAT ARE DRAWN DOWN FROM MALCHUT, which is not the case for all the fish in the world.

56. It is written: "And he blessed Joseph, and said" (Ibid. 15), yet we don't find any blessings here. It is only later that he blessed him, as it says, "Joseph is a fruitful bough" (Beresheet 49:22). HE RESPONDS: It is because by blessing these lads, he also was giving a blessing to Joseph. They could only be blessed through Joseph, SINCE MALCHUT HAS NOTHING OF ITS OWN EXCEPT WHAT JOSEPH, WHO IS YESOD OF ZEIR ANPIN, GIVES HER. THEREFORE, HE GAVE HIS BLESSING TO JOSEPH, WHO BESTOWED IT ON MALCHUT, AND MALCHUT TO THE LADS, WHICH ARE METATRON AND SANDALFON. Because YESOD is hidden, and it is improper to uncover it, FOR FEAR THAT THE FORESKIN SHOULD COME NEAR AND SUCKLE FROM IT, it is written in a hidden form, because "and let my name be named on them, and the name of my fathers." They are blessed from the fathers, WHO ARE CHESD, GVURAH AND TIFERET, and not from any other place. "In the midst of the earth": That is the cover, to cover that which needs to be covered, WHICH IS YESOD THAT MALCHUT, THAT IS CALLED 'EARTH', COVERS. THEREFORE, JOSEPH IS ALSO ALLUDED TO IN THE SCRIPTURE, HOWEVER, IN A HIDDEN WAY. THAT IS A DIFFERENT EXPLANATION THAN THE ONE MENTIONED NEARBY.

53. וע"ד לגבי משה, אזעיר גרמיה, דכתיב מלאך יי'. ועקב קרא ליה, בשעתא דהוה סליק מעלמא, מלאך. מ"ט. בגין דבההיא שעתא הוה ירית לה, לשלטה. משה בחייו. ועקב, לבתר הסליק מעלמא. משה בגופא. ועקב ברוחא. זכא חולקא דמשה.

57. They approached and kissed as before. They said, Let us bless. THE CHILD said, I will give the grace, since everything that you heard up until now, YOU HEARD from me, and I shall fulfill in me: "He that has a generous eye shall be blessed" (Mishlei 22:9). Pronounce it "shall bless." What is the reason? "For he gives of his bread to the poor" (Ibid.) and you ate and received my bread and victuals of the Torah. Rabbi Yehudah said, Beloved son of the Holy One, blessed be He, were we not taught that the master of the household cuts the bread and the guest gives the grace? He replied to them, I am not the master of the household and you are not guests. However, I shall fulfill the scriptural verse that I have found, since I certainly have a generous eye. Without your request, I spoke OF NEW INSIGHTS IN THE TORAH until now, and you ate my bread and food.

58. He took the cup of blessing and said the blessing. His hands could not carry the cup and were shaking. When he reached: 'for the earth and its food sustenance', he said, "I will raise the cup of salvation, and call upon the name of Hashem" (Tehilim 116:13). He placed the cup on its spot and settled to the right and continued the blessings. At the end, he said, May it be your will that to one of these, MEANING RABBI YITZCHAK, should be drawn life from the Tree of Life, upon which all life is dependent. The Holy One, blessed be He should be his surety, and he should find a guarantor down below, MEANING RABBI SHIMON, who would agree to be a guarantor together with the Holy King, as it is written that Rabbi Yitzchak was close to death. Yet Rabbi Shimon held on to him and was his surety, and he remained among the living.

59. When he completed giving his grace, he closed his eyes for a moment and opened them afterward. He said, Friends, you have a message of peace from the good Master, to whom the entire universe belongs. They marveled and wept, and blessed him. They slept over that night. In the morning, they rose early and left. When they reached Rabbi Shimon, they related the episode to him. Rabbi Shimon wondered and said, He is a son of a strong rock and he is deserving of it, even more than a person could imagine. He is the son of Rav Hamnuna Saba (the elder). Rabbi Elazar was shaken. He said, It is incumbent upon me to go and see this candle that is lit. Rabbi Shimon said, This one will not rise in name in this world, MEANING TO SAY, HE WILL NOT LIVE LONG, since he has in him something supernal. The illumination of his father's oil shines on him and this secret should not be spread among the friends.

60. One day, the friends were sitting and contending with each other, MEANING THEY WERE HAVING A DISCUSSION AMONG THEMSELVES. Rabbi Elazar, Rabbi Aba, Rabbi Chiya, Rabbi Yosi and the rest of the friends were present. They said that it is written: "Do not harass Moab, nor contend with them in battle..." (Devarim 2:9). That was for the sake of Ruth and Naamah, who were destined to come from their midst. AND IF SO, Tziporah, the wife of Moses who came from Midian, and Jethro and his offspring, who came out of Midian, who were all truly just, most certainly SHOULD HAVE PROTECTED MIDIAN. Furthermore, Moses grew up in Midian and still, the Holy One, blessed be He, told him, "Execute the vengeance of the children of Yisrael on the Midianites" (Bemidbar 31:2), YET MOSES' MERIT DID NOT PROTECT THEM. Therefore, there is an inappropriate bias in this matter, since Midian appeared worthier to be saved than Moab.

61. Rabbi Shimon said, There is no comparison to the one who is going to gather the figs to the one who already gathered them, SINCE RUTH AND NAAMAH HAD NOT YET EMERGED FROM AMON AND MOAB, WHICH IS NOT THE CASE WITH TZIPORAH, WHO HAD ALREADY EMERGED FROM MIDIAN. Rabbi Elazar said to him, Although they already gathered THE FIGS, it is still a merit AND THEY SHOULD HAVE BEEN SAVED IN THEIR MERIT. He said to him, Like whoever has not collected the figs yet constantly guards that fig tree, so that it should not get any harm for the sake of the figs that are still to grow in the future. He abandons the tree and does not watch it after collecting the figs.

62. So with Moab, that was to produce in the future these figs, RUTH, AND HER OFFSPRING, the Holy One, blessed be He, guarded them, as it says, "Do not harass Moab." Midian had already produced the figs and they were collected, as it is written: "Vex the Midianites" (Bemidbar 25:17), since from here on, this fig tree will no longer produce fruit. Therefore, it deserves to be burned by fire. He opened the discussion saying, "And Moab said to the elders of Midian..." (Bemidbar 22:4). Moabites are the ones who started TO DISTRESS YISRAEL. For the sake of the figs, RUTH AND HER OFFSPRING, that Moab is destined to produce in the future, they were saved from punishment.

63. Rabbi Elazar wished to see Rabbi Yosi, son of Rabbi Shimon, son of Lakunya, his father-in-law. Rabbi Aba and Rabbi Yosi accompanied him. They went along the road and were speaking of Torah matters all along the journey.

64. Rabbi Aba said that it is written: "And Hashem said to me, 'Do not harass Moab, nor contend with them in battle...'" It is also written: "And when you come near, opposite the children of Amon, harass them not, nor contend with them" (Devarim 2:19). The injunction ABOUT AMON'S CHILDREN was similar to this one, WITH MOAB. What difference was there between the one and the other? They seem of equal weight. We were taught that when YISRAEL approached the inhabitants of Moab, Yisrael displayed themselves to them in all their battle gear, as if they wished to provoke them. As for the Amonites, Yisrael were covered in their clothing and the battle gear was not visible at all. Yet, the scriptures seem to indicate that they were equal.

65. Rabbi Elazar said, Certainly it is so. We were also taught that this one was impudent, as is written: "And called his name Moab" (Beresheet 19:37), meaning I have this son from my father (Heb. me'av). However, the younger one, who said "Ben Ami" (Ibid. 38) son of my nation, was discreet in her manners; Yisrael, too, were discreet in their manners to her, that they were enveloped in the cover of a Talit and appeared to them as real brothers. We have already explained this.

61. אָמַר ר' שְׁמַעוֹן, לֹא דָמִי מֵאֵן דְּזָמִין לְמַלְקָט תְּאֵנִי, לְמֵאֵן דְּכִבֵּר לְקִיט לֹון. אֲלֵ רַבִּי אֶלְעָזָר, אַע"ג דְּכִבֵּר לְקִיט לֹון, שְׁבַחָא אִיהוּ. אֲלֵ, מֵאֵן דְּלֹא לְקִט תְּאֵנִי, נְטִיר תְּאֵנָה תְּדִיר, דְּלֹא יִהְיֶה בָּהּ פְּגָם, בְּגִין תְּאֵנִי דְּזָמִינַת לְאִייתָאָהּ. בֵּינן דְּלְקִיט תְּאֵנִי, שְׁבִיק לָהּ לְתֵאֵנָה, וְתוּ לֹא נְטִיר לָהּ.

66. While walking along, Rabbi Elazar was reminded about the child. They went out of their way, three leagues, and reached there. They visited that house, entered and found the child, who was sitting at the table being prepared for him. As soon as he noticed them, he approached them and said to them, Enter, holy pious ones. Enter, plants of the world. Those above and below exalt you, those for whom even the fish of the great ocean leave for dry land. HE NOW SAW IN THEM THAT HIS FATHER RABBI HAMNUNA APPEARED TO THEM. Rabbi Elazar approached and kissed him on the head. He then returned again as at first and kissed him on the lips. Rabbi Elazar said, The first kiss was about the fish that left the water and went to dry land, MEANING ABOUT RABBI HAMNUNA WHO APPEARED TO THEM. And the second kiss was about the eggs of the fish that produced good offspring in the world, MEANING FOR THE SAKE OF THE CHILD HIMSELF, WHO WAS THE SON OF RABBI HAMNUNA.

67. The child said, In the fragrance of your clothes, I see that Amon and Moab were provoking you. How did you save yourselves from them? You had no battle gear in your hands. Without it, HOW did you travel securely without fear? Rabbi Elazar and Rabbi Aba and the friends marveled. Rabbi Aba said, Praised is this road and praised is our lot that we were worthy and managed to see this. They prepared the table as before.

68. THE CHILD said, Holy sages, do you wish dainty dishes without battle or a table of war utensils and dishes of war, or do you wish to praise the king in complete battle gear, since the table does not rise without battle. Rabbi Elazar said, Beloved and lovable and holy son, this is the way we wish; we strive with all these battle gear. We know how to do battle by sword, by bow, by lance, by sling stones. And you are a child. You have not seen yet how the mighty men of the world wage battle.

69. That child was glad and said, Certainly I have not observed HOW THE MIGHTY OF THE WORLD WAGE BATTLE. However, it is written: "Let not him that girds on his harness boast himself as he that takes it off" (I Melachim 20:11). FIRST, HEAR SOMETHING AND THEN YOU CAN CONGRATULATE YOURSELVES. They prepared the table with bread and all that is necessary. Rabbi Elazar said, How much gladness there is in my heart with this child and how many new insights will be remarked at this table. Therefore, I know that bells are pealing out applause of the Holy Spirit that is moving WITHIN THAT CHILD.

70. The child said, Whoever wishes to eat bread, let him eat it by the sword. Rabbi Elazar was glad and again brought the child close to him. He said to him, Since you exalted yourself, you have to begin the battle. At first, I said that the battle will begin after the meal. However, whoever wishes for fine flour, SIFTED OUT OF HUSKS THAT ARE THE KLIPOT, shall bring the gear of battle in his hands. Rabbi Elazar said, It is appropriate for you to show us what battle gear you possess.

71. The child opened the discussion with the verse: "Then it shall be, that, when you eat of the bread of the land, you shall offer up a gift to Hashem" (Bemidbar 15:19). This verse, ALTHOUGH IT PERTAINS TO dough, was said of the Omer of the wave offering. What is the Omer of the wave offering? Because the priest waved it up high, it is called 'wave offering'. What does it concern us if that offering of the Omer was waved or lowered?

72. HE RESPONDS: Assuredly one has to raise it up high. Hence, it is a gift, FOR THIS IT SHOULD HAVE BEEN CALLED 'TRUMAH' (ENG. 'GIFT') OF THE LANGUAGE OF HARAMAH (ENG. 'RAISING UP') AND NOT TNUFAH (ENG. 'WAVING'), although we explained THAT TRUMAH CONTAINS LETTERS ALSO IMPLYING tri mime'ah (Aramaic for two of one hundred) and that is correct indeed. NONETHELESS, THE PRIMARY MEANING OF TRUMAH IS DUE TO HARAMAH - RAISE UP. Wherefore IS IT CALLED 'wave' then, if it means here raising up above? IT SHOULD HAVE BEEN CALLED 'TRUMAH' THEN. HE RESPONDS: Here lies the secret of wisdom. Woe, pious holy ones, masters of the lances, that you have not served Rabbi Shmaya the pious. Had it not been for that, you would have known what a wave offering is, what is wheat and what is barley.

73. Tnuvah (Eng. 'wave offering') that we mentioned MEANS, tnu peh (Eng. 'give mouth'), WHICH ARE THE LETTERS OF TNUFAH. The secret meaning of it is: "Give glory to Hashem, your Elohim" (Yirmeyah 13:16), since mouth is glory, WHICH IS MALCHUT CALLED 'GLORY', that should be given to the Holy One, blessed be He, MEANING TO RAISE AND UNITE MALCHUT WITH ZEIR ANPIN. That is why we are required to raise it up above, TOWARDS ZEIR ANPIN, to indicate that we are giving to him, TO ZEIR ANPIN, this mouth, WHICH IS MALCHUT, since the King up high, ZEIR ANPIN, has no praise except when Yisrael restore this glory, WHICH IS MALCHUT, and give it to the King of glory, ZEIR ANPIN. That is 'give mouth', "give glory," and that is definitely raising, MEANING TO RAISE UP MALCHUT TO ZEIR ANPIN.

74. LET US RETURN TO the verse we began with: "Then it shall be, that, when you eat of the bread of the land." HE ASKS: Was the bread of the land just barley AND NOTHING ELSE? THIS VERSE, EVEN THOUGH IT IS MENTIONED TO BE THE PRECEPT OF DOUGH CONTRIBUTION, ALLUDES TO THE OMER OF THE WAVE OFFERING, AND THAT OMER OF THE WAVE OFFERING WAS OFFERED WITH BARLEY. HE RESPONDS: It is not so, SINCE THERE ARE FIVE KINDS OF GRAINS and we offer barley because it is the first of the other kinds of bread in the world. Seorah (Eng. 'barley') is the letters of Shiur Hei (Eng. 'measure of Hei'), which occupies a known measure in the Hei, WHICH IS MALCHUT. Chitah (Eng. 'wheat') is the central point, where the Other Side of the scale of guilt has no place on it. Chitah is a daughter that asks petulantly (Heb. mitchat'ah) before her father and he does her will. What is chitah? That is the numerical value of the 22 letters.

75. Rabbi Elazar said, Although we should listen TO YOUR SPEECH, we have something to say here and draw our bow (Heb. keshet), OUR BOW OF LANGUAGE, AND ALLUDING TO DIFFICULTY (HEB. KUSHIYA). The child said, Behold a shield against that arrow, MEANING TO SAY THAT HE WOULD BE READY TO EXPLAIN AWAY THAT DIFFICULTY. Rabbi Elazar said, Certainly we call it chitah. However, we notice that of all the tribes, there are no LETTERS Chet and Tet in THEIR NAMES, BECAUSE THEY ARE INDICATIVE OF SIN (HEB. CHET, CHET TET ALEPH) AND A HOLD FOR THE EXTERNAL FORCES. Yet, IN CHITAH, there are Chet and Tet, because we call her chitah. IF SO, THERE IS SOMETHING THAT GIVES A HOLD FOR THE OUTER FORCES, AND NOT LIKE THE CHILD SAID THAT THE OTHER SIDE OF DEBT HAS NO PART THERE. That child replied, It is definitely so. The Chet and Tet THAT INDICATE THE HOLD OF THE OTHER SIDE prevail close by, THAT IS, NEAR TO MALCHUT. Within them, among the tribes, those letters did not exist, because they emanated through the side of holiness that is above, SINCE THE TWELVE TRIBES ARE DRAWN FROM THE TWELVE ASPECTS THAT ARE IN MALCHUT THAT RESULT FROM THE TWELVE PERMUTATIONS OF YUD HEI VAV HEI, ALL OF WHICH ARE HOLINESS. However, near her, NEAR MALCHUT THAT IS CALLED 'CHITAH' THE LETTERS CHET AND TET do exist, WHICH INDICATE THE HOLD OF THE OUTER FORCES.

76. You might wish to draw the sword and wonder why that daughter holds on to these letters, CHET AND TET, IF THERE IS A HOLD FOR THE OUTER FORCES. However, if you know the sin of Adam, which they said was THAT THE TREE OF KNOWLEDGE OF GOOD AND EVIL was wheat, you will understand this. When this tree, MALCHUT, is victorious, everything is on the good side, as it takes everything from the Other Side and suppresses it. THEREFORE, HE SAID THAT THE OTHER SIDE HAS NO HOLD IN THE WHEAT GRAIN.

77. The friends of old have explained this matter, IN SAYING THAT THE TREE OF KNOWLEDGE OF GOOD AND EVIL WAS WHEAT. They began from a distance, MEANING TO SAY, WITH A VAGUE EXPLANATION, saying simply wheat, MEANING THAT CHITAH CONTAINS THE LETTERS OF SIN (HEB. CHET) AND INDICATES SIN. THERE IS NO INTENTION OF ACTUAL WHEAT, BUT MERELY AN ALLUSION TO IT. Then, the latter ones came and said actual wheat. THAT IS, IT ALLUDES TO YESOD OF MALCHUT, AS MENTIONED, THAT SHE IS CALLED 'THE TREE OF KNOWLEDGE OF GOOD AND EVIL', AS MENTIONED. Isaiah came and explained it: "And from terror (Heb. mechitah, spelled with Chet and Tav); then it shall not come near you" (Yeshayah 54:14). Therefore, WHEAT is the central point in order that there should be no sin, since without the existence of this point, there would have been sin. And the substituting of Tet and Tav is a guarding against the Other Side and the cleansing thereof.

78. You friends, who have not served Rabbi Shmaya the pious, you mentioned that the five kinds of grains, WHICH ARE WHEAT, BARLEY, RYE, RICE AND MILLET, contain no part for the Other Side. However, it is not so, since the Other Side has a part in anything that rots on earth. What is its part? "The chaff which the wind drives away," as is written: "Not so the wicked: but they are like the chaff which the wind (Heb. ruach) drives away" (Tehilim 1:4). That is the Holy Spirit (Heb. Ruach), WHICH IS MALCHUT, as is written: "For the wind passes over it, and it is gone" (Tehilim 103:16). The Holy Spirit THAT IS MALCHUT scatters it to all directions in the world, so it should no longer exist. Chaff is the female OF THE KLIPAH, the male OF THE KLIPAH. What is that? It is straw.

75. א"ר אלעזר, אע"ג דהוה לן למשמע. הכא אית לן למימר, ולדרכא קשתא. אמר ההוא ונוקא, הא מגנא לקבל גירא. אמר רבי אלעזר, ודאי חטה הכי קרינן לה. אבל חמינן בשבטים בלהו דלית בהו ח"ט, ובה אית ח"ט, וקרינן חטה. אמר ההוא ונוקא, ודאי הכי הוא, דהא ח"ט שריא סמיך לה. בהו בשבטין, לא הוו אתוון אלין, דקא אתו מסטרא דקדושה דלעילא, אבל לגבה שריא.

76. ואי בעית לאפקא חרבא, ותימא אמאי נקטת אתוון אלין ההיא בריתא, אלא אי תנדע חובא דאדם הראשון, דאמרו חט"ה הוה, תנדע הא. ואילנא דא פד נצח, בלא סטרא דטוב, נקיט לכל סטרא אחרא, וכפויא ליה.

77. חבריאי קדמאי פרישו מלה דא, ושרו לה מרחיק, חטה סתם. אתו בתראי ואמרו, חטה ממש. אתא ישעיה ופריש לה, דכתיב וממחתה כי לא תקרב אליך, וע"כ נקודה באמצעיתא, דלא יהא חטאה, דאלו נקודה לא הוי, חטאה להוי. וחלופא בין ט' לת', תבירו לסטרא אחרא, ברירו דילה.

78. אתון חבריאי, דלא שמשותן לר' שמעיה חסידא, אמרין דבחמשת זיני דגן, לא אית חולקא לסטר אחרא. ולא הכי, דהא כל מה דאתבלי בארעא, לסטר אחרא אית ביה חולקא. ומאן חולקא אית ליה. מוץ דתדפנו רוח, דכתיב לא כן הרשעים כי אם כמוץ אשר תדפנו רוח. ודא הוא רוחא דקדושא, וכתיב כי רוח עברה בו ואיננו וגו'. בגין דרוח קדשא מפזר ליה בכל סטרין דעלמא, דלא ושתכח. דא בנוקבא. דכורא מאי הוא. תבן.

79. Chaff and straw, WHICH ARE THE MALE AND FEMALE OF THE KLIPAH, go together. Therefore, they are exempt from tithe, because they do not contain any part in holiness. Hei OF CHITAH is the cleaned grain without the straw and chaff. Chet and Tet OF CHITAH are male and female, chaff and straw. IF Hei too IS INCLUDED WITH CHET AND TET, it indicates refined grain, and the perfection of the tree, THAT IS MALCHUT, is the wheat grain, WHICH IS INDICATIVE OF REFINED GRAIN WITHOUT KLIPOT. The tree by which Adam sinned was wheat, since all is in the secret and in the word chitah. Rabbi Elazar wondered and the friends marveled. Rabbi Elazar said, It definitely is so.

80. That child said, This is definitely the meaning of the verse with which we began, because barley appeared first in the world, BECAUSE IT IS FROM THE ILLUMINATION OF THE LEFT WITHOUT RIGHT, WHICH IS CHOCHMAH WITHOUT CHASSADIM THAT IS IN MALCHUT, BECAUSE IT IS THE BEGINNING OF ESTABLISHING MALCHUT. It is only good for animal food, MEANING MALCHUT THAT IS CALLED 'BEAST' (HEB. BEHEMAH) THAT EQUALS IN NUMERICAL VALUE 52, YUD HEI VAV HEI FULLY SPELLED WITH HEI'S. AND BARLEY is the secret of thousand mountains, WHICH IS THE SECRET OF CHOCHMAH THAT IS CALLED 'THOUSAND' that is grown every day, and she, MALCHUT, eats them. It is called 'loaves offering', which is the food of that offering, WHICH IS MALCHUT, that is offered at night, SINCE CHOCHMAH WITHOUT CHASSADIM IS THE SECRET OF DARKNESS, SINCE CHOCHMAH CANNOT SHINE WITHOUT CHASSADIM. THEREFORE, THE TIME WHEN IT IS REVEALED IS AT NIGHT, WHICH IS THE SECRET OF DARKNESS, WITHOUT CHASSADIM THAT ARE THE LIGHT OF DAY. It is written: "And when the sun is down, he shall be clean, and shall afterwards eat of the holy things; because it is his food" (Vayikra 22:7). "Of the holy things" indicates offering. "Of the holy things" and not just 'the holy things', since just any holy thing is not considered an offering. We have studied the ritual restrictions of holiness over trumah.

81. The holy land THAT IS MALCHUT is under the authority of the Holy One, blessed be He, and no other authority enters there. How is the land tested if it keeps her Faith? MEANING TO SAY, IF SHE IS FAITHFUL TO HER HUSBAND, WHO IS THE CENTRAL COLUMN, WHO FIXES IT SO THAT CHOCHMAH SHOULD NOT ILLUMINATE ON THE LEFT EXCEPT FROM BELOW UPWARDS? She was not joined to another authority, THAT IS THE OTHER SIDE, WHOSE MANNER IS TO DRAW THE CHOCHMAH FROM ABOVE DOWNWARDS, IN REVERSE TO THE MANNER SET UP BY THE CENTRAL COLUMN, THAT IS ZEIR ANPIN. THE TEST IS by this offering of barley, similar to the secret meaning of the test of the sotah (lit. 'wife suspected of idolatry'). Rabbi Aba spoke, Definitely the edge of the sword is before you. That child replied, I certainly was strengthened with a shield and protective breastplate to be protected from it. Rabbi Aba said, Isn't the holy land clear of any other dominion, WHICH IS THE OTHER SIDE that does not enter therein? AND IF SO, Where did chaff and straw, WHICH ARE KLIPOT, come from?

82. The child opened the discussion with the verse: "So Elohim created man in His own image...and Elohim said to them, 'Be fruitful and multiply'" (Beresheet 1:27-28). HE ASKS: If the snake would not have tempted Eve, there would have been no births in the world or if Yisrael would not have sinned by the golden calf, they would not have produced any offspring. YET HERE THE VERSE IN THE SCRIPTURE SAYS: "AND ELOHIM SAID TO THEM, 'BE FRUITFUL AND MULTIPLY.'" It is therefore certain that even if the snake would not have come upon Eve, Adam would have produced offspring immediately, since that was the pronounced decree as soon as he was created, as is written: "Be fruitful and multiply, replenish the earth." HOWEVER, these offspring would all have been entirely clean without any filth. There is an analogy with the holy land, where no other dominion enters into it, but it contains chaff and straw that do not result from the OTHER Side. And outside of the country, that chaff and straw is of the Other Side that follows the holiness like a monkey after men.

83. Rabbi Elazar and the friends approached and kissed him. THE CHILD said to them, It seems to me that I have earned with my battle gear the bread on the table. Rabbi Elazar said, It is definitely so, since all the weapons are in your hand, and are successful in your hands. They again approached and kissed him.

84. THE CHILD opened the discussion with the verse: "And on the vine were three tendrils..." (Beresheet 40:10). Up until here is the subject of the vision OF HIS DREAM, WHICH IS THE GRAPEVINE AND THREE TENDRILS AND THE GRAPES. From here on, it is his own vision, as is written: "And Pharaoh's cup was in my hand" (Ibid. 11), MEANING WHAT HE PERFORMED HIMSELF. However, the vision's subject THAT WAS IN HIS DREAM was for the sake of Joseph, to inform him so that Joseph would hear it and know.

85. We were taught that there exist seven firmaments. They are of seven chambers, and they are six, and they are five, and all emanate from the supernal ancient one. Jacob draws that wine from a distance and squeezes them from the grapes of that grapevine. Then Jacob draws that wine that is proper FOR ISAAC, and he joyously drinks it. This is what it says, "And he brought him wine, and he drank" (Beresheet 27:25). Here, the upper and the lower were included together. Therefore, one stretches the word and draws it out by a lengthy TUNE, over two vowel motions, THAT ARE THE DOUBLE MERCHA (LIT. 'CANTILLATION MARKS'), and that is THE WORD "him," OF "AND HE BROUGHT HIM WINE," THAT IT HAS A DOUBLE SOUND MARK UNDER IT, "him" below and "him" above.

86. Enoch, who is Metatron, THE ONE THAT IS THE HEAD OF THE YESHIVAH OF THE FIRMAMENT, said that "and he brought him wine" means that he blended that wine with water, and if he would not have put water into it, he would not have been able to stand it. Enoch Metatron spoke well. That is the reason that THE WORD "him" gets drawn out longer with a double cantillation mark when pronouncing it, MEANING THE DOUBLE MERCHA MARK, AS MENTIONED ABOVE since he is connected to both directions, TO THE RIGHT AND TO THE LEFT. That wine flows from level to level, all having a taste of it until Joseph the just, WHO IS YESOD OF ZEIR ANPIN, tastes of it, who is the faithful beloved. This is what is written: "Like the best wine, that goes down sweetly for my beloved" (Shir Hashirim 7:10). What is the "best wine"? It means that Jacob blended water into it and that is the good wine. And this is so, as Enoch Metatron has said. Rabbi Elazar and Rabbi Aba marveled. They said to him, With your good wine, you triumphed over a holy

87. THE CHILD told him, Up until now, that grapevine is waiting to produce fruits, MEANING THAT THE ILLUMINATION OF CHOCHMAH, ITS FRUITS, SHOULD BE REVEALED IN IT, AS MENTIONED. "And on the vine" refers to the grapevine known for its sanctity, WHICH IS MALCHUT. There exists another grapevine, which is a foreign grapevine, whose grapes are not proper grapes, but are only hard and sour to the heart and bite THE PALATE like a dog. These grapes are considered "the degenerate plant of a strange vine" (Yirmeyah 2:21), WHICH IS THE OTHER SIDE. However, it is written about this grapevine, MALCHUT: "And on the vine," meaning that known one, the one from which all the holy ones get to taste the ancient wine, the good wine, the wine into which Jacob added water, AS MENTIONED PREVIOUSLY ABOVE, until all those who know how to taste wine get to taste it, and it is pleasant to the palate.

88. When that grapevine, WHICH IS MALCHUT, is reached, it sends out three tendrils, which are the forms of the three patriarchs, WHICH ARE THE THREE COLUMNS, by which it is sanctified, since there is no sanctification except through wine, and there is no grace except by wine, at the location where joy exists, MEANING WINE THAT MAKES MERRY, AS EXPLAINED ABOVE. "And it was as though it budded" (Bereshheet 40:10), MEANING like an adorned bride that approaches with love and gladness of wine, THAT IS THE ILLUMINATION OF CHOCHMAH that is blended with water, WHICH ARE CHASSADIM. "And its blossoms shot forth" (Ibid.), meaning that her love reaches to her beloved, ZEIR ANPIN, and she begins to play music and enter with love. Then "IT BROUGHT FORTH RIPE GRAPES" (IBID.), as these young grapes have become full and ripened and are full of that fine old wine, the wine which Jacob has blended with water.

89. Therefore, whoever says the blessing AFTER THE MEAL over wine and reaches 'for the land' needs to add water to it, since he should not say the grace of: 'Have mercy, Hashem, our Elohim, upon Yisrael, Your people' unless there is water added to that wine. MEANING TO SAY, AS LONG AS THE ILLUMINATION OF CHOCHMAH IN THE LEFT, WHICH IS THE SECRET OF WINE, IS NOT BLENDED WITH CHASSADIM THAT ARE ON THE RIGHT, WHICH IS THE SECRET OF WATER, THERE IS NO COMPASSION IN MALCHUT. AND IT IS EXCLUSIVELY JUDGMENT WITHOUT MERCY. If he does not POUR WATER INTO IT who could stand THE JUDGMENTS OF MALCHUT! That was what he, THE CHIEF WINE STEWARD, had to inform Joseph, WHO IS YESOD OF ZEIR ANPIN, since it was dependent on him, MEANING TO SAY THAT HE WAS THE ONE BESTOWING EVERYTHING ON MALCHUT.

90. Enoch Metatron said, Three tendrils definitely correspond to the three patriarchs THAT ARE THREE COLUMNS - WHICH ARE MICHAEL, URIEL, RAPHAEL. HE ASKS, Does she not have four ANGELS, MICHAEL, GABRIEL, URIEL AND RAPHAEL, AND WHY DOES IT SAY THREE? HE REPLIES: It must be in accordance with what is written, "And it was as though it budded," because during the time when she rises and soars with her wings so as to rise up, MEANING WHEN SHE SHINES FROM BELOW UPWARDS, then "its blossoms shot forth." That is the fourth one that remained, MEANING GABRIEL, who rises with her and does not abandon her, since GABRIEL IS FROM THE LEFT COLUMN, AND SO IS MALCHUT FROM THE LEFT COLUMN. THEREFORE, HE DOESN'T SEPARATE FROM HER, MEANING THAT GABRIEL TOO COULD NOT RULE, EXCEPT WHEN MALCHUT FLIES AND SHINES FROM THE BOTTOM UP. This is what is written: "And He rode upon a Cherub and did fly" (II Shmuel 22:11). THAT MEANS, WHEN MALCHUT is flying, SHE THEN RIDES ON A CHERUB, THAT IS GABRIEL, THAT IS "its blossoms shot forth," MEANING THIS HAPPENS WHEN IT SHINES UPWARDS FROM BELOW, SINCE THE LEFT IS NOT CAPABLE OF SHINING EXCEPT FROM BELOW UPWARDS. Enoch Metatron spoke well and so it is.

91. Rabbi Elazar wondered and Rabbi Aba marveled. They said to him, Holy angel, emissary from above, here is your wine. It is that which was victorious in the secret of the Holy Spirit. All the friends approached and kissed him. Rabbi Elazar said, Blessed is The Holy One, blessed be He, that sent me here.

92. The child spoke, saying, Friends, bread and wine are the main part of the meal. All the rest of the foods are accessories to them. The Torah has earned them, BREAD AND WINE, and they belong to her. The Torah requests of you graciously with love, and says, "Come, eat of my bread, and drink of the wine which I have mixed" (Mishlei 9:5). Since the Torah has invited you and requests of you this matter, you are obliged to do her wish. I beg of you, since she invited you, to do her bidding. They replied, Definitely. They sat and ate and rejoiced with him. After they completed the meal, they remained at the table. He began the discussion.

93. He opened by saying, "And Moab said to the elders of Midian" (Bemidbar 22:4). HE ASKS: It does not say, 'The elders of Moab said to the elders of Midian', but "Moab said." That means that the young OF MOAB took counsel of the elders OF MIDIAN, and the older ones followed after THE WISHES OF THE YOUNGER ONES and gave them advice. What was the advice with which they counseled them? They took for themselves bad advice. The ELDERS OF MIDIAN said to Moab, We have grown a bad crop among us. And who is it? It is their master, Moses. There was among us a priest who took care of him and supported him in his house and gave him his daughter for a wife. Furthermore, he gave him money and sent him to Egypt to destroy the whole country. And he, THE PRIEST, and his entire household got carried away after him. If we could root out from the world that master of theirs, all his people would be uprooted from the world. The entire disastrous advice in the matters of Pe'or stemmed from Midian.

90. חנוך מטטרון אמר, שלשה שריגים ודאי לקבל תלת אבהן, והא ארבע אינון דילה. אלא דא הוא דכתיב, והיא כפורחת. בזמנא דאיהי סליקת ופרחת בכנפיהא לסלקא, כדין עלתה נצה, דא הוא ההוא רביעאה דאשתאר, דסליק בהדה, ולא אתפרש מנה. הה"ד, וירכב על כרוב ויעף. כד יעוף. כפורחת, בזמנא דפורחת. ושפיר אמר חנוך מטטרון, והכא הוא.

93. פתח איהו ואמר. ויאמר מואב אל זקני מדין וגו'. ויאמרו זקני מואב ואל זקני מדין לא כתיב, אלא ויאמר מואב. עולמין נטלו עיטא מסביא, וסביא אתמשכו אבתרייהו, ואינון יהבו לון עיטא. מאי עיטא יהבו לון. עיטא בישא נטלו לגרמיוהו. אמרו לון למואב, גדולא בישא גדלנא ביננא. ומנו. משה רביהון. על חד כומרא דהוה ביננא, דרבי ליה וגדיל ליה בביתיה, ויהב ליה ברתייה לאנתו. ולא עוד, אלא יהב ליה ממונא, ושדר ליה למצרים, לשיצאה כל ארעא. ואיהו, וכל ביתיה, אתמשכו אבתריה. אי להווא רביהון, ניכול לאעקרא מן עלמא, כל עמא דיליה יתעקרון מיד מעלמא. וכל עיטא בישא מההוא מלה דפעור, ממדין הוה.

94. Come and see that everything stemmed from Midian; the thrust of their counsel was about Moses, and with the advice of Midian they hired Bilaam. When they realized that Bilaam was incapable, they followed another bad idea, and they freely loosened their women and daughters even more than Moab. About the women of Midian, it is written: "Behold, these caused the children of Yisrael..." (Bemidbar 31:16). Everything stemmed from Midian. They took counsel with their chief that he should loosen his daughter, since they were plotting to ensnare Moses in their net. They adorned her with how many spells, so she should successfully catch the head OF YISRAEL. And the Holy One, blessed be He, "turns wise men back" (Yeshayah 44:25).

95. They envisioned that the head would be caught in their net, yet they did not know WHO IT WAS. They saw, yet saw not. They had a vision that the chief of the people would fall for her, FOR KOZBI, and several thousand others. They thought it would be Moses, so they let her loose, and gave her orders about Moses, so that she should not couple with another but only with him. She asked them, How will I be able to tell him apart? They said to her, The one that you'll notice, that everyone stands up before, you will engage yourself with him and with nobody else. Once Zimri son of Salu came, 24,000 people from the tribe of Shimon stood up in his honor, since he was their chief. She assumed that he was Moses and she united with him. When all those 24,000 saw this, they carried on with whatever they saw fit, and that was the cause of everything that happened after that.

96. Everything originated in Midian in several ways. Therefore, Midian was punished and the Holy One, blessed be He, said to Moses, "Execute the vengeance of the children of Yisrael on the Midianites" (Bemidbar 31:2). For you, it is appropriate and becoming. As for Moab, I leave them alone until the two jewels will come out from among them. Here's David son of Yishai who will take revenge on Moab, and will rinse the loaded pot of filth from Pe'or. This is what it says, "Moab is my washpot" (Tehilim 60:10) assuredly. As long as these two jewels did not come out of there, they were not punished. As soon as they came out, David came and washed clean the pot from their filth, and all received their punishment, Midian during the time of Moses and Moab during the time of David.

94. ות"ח, דכלא הוה ממדין. וכל עיטא דלהון על משה הוה. ובעיטא דלהון, שברו לבלעם. בין דחמו דבלעם לא יכול, נטלו עיטא אחרא בישא לגרמייהו, ואפקירו נשייהו ובנתייהו יתיר ממואב, דהא על נשי מדין בתיב, הן הנה היו לבני ישראל וגו'. וכלא ממדין הוה. נטלו עיטא בהדי נשיאה דלהון, דיפקיר ברתיה. דחשיבו לנטלא למשה ברשתייהו, בכמה זיני חרשין אעטרו לה, דיתפס רישא דלהון. וקודשא בריך הוא משיב חכמים אחור.

96. וכלא הוה ממדין, בכמה זינין, ובג"כ אתענשו מדין. וקודשא בריך הוא אמר למשה, נקום נקמת בני ישראל מאת המדינים. לך אתחזי, ולך יאות. למואב אנא שביק לון לבתר דיפקון תרין מרגלאן מנייהו, הא דוד בריה דישי, דאיהו ינקום נוקמין דמואב, ויסחי קדירה דמליא טנופא דפעור, הה"ד מואב סיר רחצי ודאי, ועד דאינון תרין מרגלאן לא נפקו, לא אתענשו, בין דנפקו, אתא דוד ואסחי קדירה מטנופא דלהון. וכלהו אתענשו. מדין בימי משה. מואב בימי דוד.

97. Come and see that, in spite of all this, the wicked of Midian did not rest from all their evil. Generations later, when they saw that Joshua had died, together with all the elders who were worthy to have miracles caused through them, they figured that the time was now opportune. What did they do? They approached Amalek and told them, It is worth it for you to remember what the children of Yisrael and their master Moses and his disciple Joshua have brought upon you that will destroy you from the world. Now is the opportune time, for they have no one to shield them. We will go and accompany you, as is written: "Midian and Amalek and the children of the east..." (Shoftim 6:33). "And because of Midian the children of Yisrael made for themselves the tunnels..." (Ibid. 2). There was no one in the world who wished to harm the children of YISRAEL like Midian. You might say Amalek; because of jealousy of the covenant, they approached the covenant TO HARM IT. Therefore, the Holy One, blessed be He, took everlasting vengeance, which was not to be forgotten. They agreed that it was certainly so and there was no doubt in the world.

98. He opened the discussion with the verse: "And Hashem said to me, 'Do not harass Moab'" (Devarim 2:9). HE INQUIRES: Until now, didn't we know that the Holy One, blessed be He, talked to Moses and not with anyone else, so why would he need to inform us? "And Hashem said to me": Why "to me"? HE RESPONDS: It is only to Moses that the Holy One, blessed be He, gave the command not to lay siege to Moab; to anyone else, He did not GIVE SUCH A COMMAND. He did not give this command to David. Therefore, IT IS WRITTEN: "And Hashem said to me, 'Do not harass Moab'", not even a small part of their boundary, because from them will come out the one who will provide vindication for the children of Yisrael and provide them with revenge ON MOAB. That is David, who is a descendant of Ruth the Moabite.

99. "Nor contend with them in battle" (Ibid.): All this was a command to Moses; however, someone else was permitted. If you would venture to say that Joshua and the elders, who lived long after him, were also permitted, it is not so. All were from the original courthouse of Moses and whatever was forbidden to Moses was also forbidden to them. Furthermore, the goodly jewels have not yet come out from among them, since Ruth emerged in the days of the Judges and she was the daughter of Eglon, king of Moab. Eglon died because Ehud killed him and another king was appointed. This daughter of Eglon remained and was in the hands of a nurse, in the fields of Moab. As soon as Elimelech arrived there, he took her for his son.

100. If you say that Elimelech converted her there, it is not so. However, she was taught all the household customs, including permissible food and drink. When did she get converted? Later on, when Naomi left. Then she said, "Your people shall be my people, and your Elohim my Elohim" (Rut 1:16). Naomi, who emerged from the offspring of Amon, came out at the time of David.

97. ת"ח, חייביא דמדיון, עכ"ד לא שכיכו מכל בישין דלהון. לבתר דרין דחמו דמית יהושע, וכל אינון זקנים דאתחזו למעבד נס על ידיהו, אמרו, השתא שעתא קיימא לן. מה עבדו אתו לגבי עמלק, אמרו אית לכון לאדכרא, מה עבדו לכון בני ישראל, ומשה רביהון, ויהושע תלמידא דיליה, דשיצו לכון מעלמא, השתא הוא עדנא דלית בהו מאן דאגין עליהו, ואגן בהדייכו, דכתיב מדיון ועמלק ובני קדם וגו', מפני מדיון עשו להם בני ישראל את המנהרות וגו'. לא הוה בעלמא, מאן דיעביד בישא בכללא, כמדיון. ואי תימא עמלק. בגין קנאת ברית דקריבו לגבי ברית. וע"ד קני קודשא בריך הוא קנאה עלמין, דלא יתנשי. אמרו ודאי הכי הוא, ולית הכא ספקא בעלמא.

101. At that time, the Holy Spirit prevailed on David. THE HOLY SPIRIT, THAT IS MALCHUT, said to him,: David, when I measured the entire universe and threw lots, and Yisrael was "the lot (Heb. chevel) of His inheritance" (Devarim 32:9), I remember what Moab did to "the lot of His inheritance." It is written: "And measured them with a line (Heb. chevel)" (II Shmuel 8:2), meaning with the very measuring line of Hashem's inheritance THAT IS YISRAEL. That line was hanging on to all those who issued from that seed OF MOAB THAT DID HARM YISRAEL IN THE DAYS OF MOSES.

102. It is written: "One full line" (Ibid.): What is the meaning of "one full line"? This is what is written: "The whole earth is full of His glory" (Yeshayah 6:3). THAT IS MALCHUT, which decreed this one to life and this one to death. That line was attached to those who deserved to get killed. Therefore, he held that rope and extended the line, due to what he caused to that line of Hashem's inheritance.

103. Gideon was destroying all that seed of Midian, so that he left none of those who planned to harm Yisrael by counsel or in any other way. To all those that caused harm to Yisrael, the Holy One, blessed be He, will reserve hate for them and be vindictive to them. However, if good is destined to emerge from them, He will be long-suffering and extend the period of His anger to them, until that good has emerged into the world. Then he will carry out their sentence of vengeance. Rabbi Elazar said, That is definitely the meaning and that is the clarification of it. That child said, From here on friends, prepare your weapon to do battle.

104. Rabbi Elazar opened the discussion with the verse: "Bless Hashem, you angels of His, you mighty ones..." (Tehilim 103:20). David the king summoned for the blessing of the Holy One, blessed be He. He summoned the hosts of heaven, which are the stars and constellations, and other armies, and included his soul with them to bless the Holy One, blessed be He. This is what is written: "Bless Hashem, all His works in all places of His dominion. Bless Hashem, O my soul" (Ibid. 22). He concluded all the blessings with his soul.

105. He invited the lofty angels to bless Him, as it is written: "Bless Hashem, you angels of His...." Before Yisrael arrived on the scene, the lofty angels in heaven used to prepare and complete this work. As soon as Yisrael arrived and stood at Mount Sinai and said, "Will we do and obey (lit. 'listen')" (Shemot 24:7), they took over this task from the serving angels and became part of His service. Since then, that task on earth was exclusively Yisrael's, the sanctified angels were on their own and Yisrael would complete and perfect this work. Therefore, at first, PRIOR TO THE ARRIVAL OF YISRAEL, WERE "mighty ones who perform His bidding" (Tehilim 103:20), and after that, THE ANGELS WERE ONLY "hearkening TO THE VOICE OF HIS WORD" (IBID.), BUT THOSE "WHO PERFORM HIS BIDDING" WERE YISRAEL. Praised are Yisrael, who took over this service from them. It was kept up through them.

106. That boy said, Watch yourself now, and be successful with your battle-gear. Is this the only praise that Yisrael gained and no other praise? He said, This praise I discovered, and no other. That child said, Since your sword is not accomplishing anything or you are not brandishing it effectively, leave the sword to someone who is capable of waging war with it.

107. What is the highest praise that is not passed on to the angels exclusively, except in conjunction with Yisrael? It is sanctification. Blessings were given to them alone, as they were given to Yisrael. However, sanctification was not handed to them alone, but only accomplished together with Yisrael, since they do not sanctify the holiness, except together with Yisrael. You might ask why it is written: "And one cried to another, and said..." (Yeshayah 6:3). HE REPLIES: When did this happen? That is at the same time that Yisrael do the sanctification below. Until Yisrael do not sanctify below, they cannot say sanctification either.

108. The sanctification arises from the three realms, WHICH ARE THE SECRET OF THE THREE COLUMNS, and not from two realms, AND NOT FROM TWO COLUMNS. That is the meaning of: "And one cried." Here we have one, WHICH IS THE RIGHT COLUMN; in "to another" we have two, WHICH IS THE LEFT COLUMN. "And said": Here we have a third, WHICH IS THE CENTRAL COLUMN. The three realms correspond to the three sanctities and this is due to the praise of Yisrael, because they exclusively take that sanctity that is below, WHICH IS THE CENTRAL COLUMN, AS IS MENTIONED NEARBY.

109. Rabbi Elazar said, It is definitely so and these matters I have already explained. I further explained that the three sanctities were given to the children of Yisrael below, as is apparent from these verses: "You shall therefore sanctify yourselves, and you shall be holy; for I am holy" (Vayikra 20:7). "You shall therefore sanctify yourselves" is one, "and you shall be holy" is two and "for I am holy" is the third. Here the sanctification was granted to us. THE CHILD said to him, That is lovely, but you did not remind yourself of the lance until I took it off your back and handed it to you. From here on, remember that the lance is in your hand. Return to where you left off, MEANING TO THE INTERPRETATION, WHICH HE BEGAN.

110. Rabbi Elazar said, The discussion we are in deals with blessings (Heb. brachah). What is the meaning of "bless," THAT IS drawing down blessings from where all blessings emanate, MEANING FROM BINAH until they form a pool from that abundant drawing, and the massing of water in that pool (Heb. brechah), MEANING, THAT FROM THAT GREAT ABUNDANCE, that water increased a great number of fish, THAT IS, MANY LEVELS, of several varieties. And what is that drawing? It is the Hei, WHICH IS MALCHUT, that draws forth the light that shines from that mirror that illuminates, THAT IS ZEIR ANPIN, that is flowing from above, FROM BINAH, downward TO MALCHUT.

106. אָמַר הָיָה יְנוּקָא, נִטְר גְּרַמְךָ וְאַצְלַח בְּמַאֲנֶךָ. וְכִי שִׁבְחָא דָּא בְּלַחְדוּי נָטְלוּ יִשְׂרָאֵל, וְלֹא אַחֲרָא. אָמַר שִׁבְחָא דָּא אֲשַׁבְּחָנָא, וְלֹא אַחֲרָא. אָמַר הָיָה יְנוּקָא, בֵּינָן דְּחַרְבָּא דִּילָךְ לֹא אֲצַלַח. אוֹ אֲנִתְ לֹא מְנַעֲנַעָא לִיָּה בְּדִקָּא חֲזִי, שִׁבְק חַרְבָּא לְמַאן דְּאֲגַח קְרַבָּא.

111. That flowing tide is to the lofty angels, up higher, that are at the top of the upper chamber. To them, it is said, "Bless Hashem." We who dwell below, why do we say, "Bless (et) Hashem"? It is because we need to draw and bring forth upon us the particle "Et," WHICH IS MALCHUT, and with her we can approach the King, ZEIR ANPIN, to see His face. Therefore, David said, "I will behold Your face in righteousness" (Tehilim 17:15), WHICH IS MALCHUT THAT IS CALLED 'RIGHTEOUSNESS' assuredly, MEANING TO SAY, THROUGH RIGHTEOUSNESS THAT IS MALCHUT: "I WILL BEHOLD YOUR FACE." Therefore, the beginning of the prayer is: "Bless (et) Hashem" in order to bring upon our heads this Et THAT IS MALCHUT. After drawing that Et upon us, we may say that prayer and praise.

112. Therefore, it is not appropriate to greet a person before a person says his prayers and draws upon his head this Et, WHICH IS MALCHUT. If he hurries and greets a person before that, it is as if that person draws upon his head a high place instead of this Et THAT IS REQUIRED TO BE OVER HIM. THEREFORE, IT SEEMS AS IF HE HAS CONSTRUCTED AN ALTAR FOR HIMSELF.

113. Therefore, it is written for the high angels: "Bless Hashem" and for us: "Et Hashem" in addition, BECAUSE WE HAVE TO DRAW UPON US MALCHUT FIRST. The child said, I definitely knew that your weapons were fine. Remember them and do not forget them. Certainly, the strength of a man of war is by the lance and sword. But what is the meaning of "mighty ones who perform His bidding, hearkening to the voice of His word"? Rabbi Elazar replied, I have already spoken OF THE EXPLANATION. The child said, I already realize that the strength of your arm is weakened (SINCE HE SAID, THIS I FOUND AND NO OTHER; ALSO, HE FORGOT THREE SANCTIFICATIONS.) Now is no time to delay, but strike with the sling, stone after stone, as it says, "With a sling and with a stone" (I Shmuel 17:50) rapidly, without interruption, one after the other. Rabbi Elazar rejoiced and Rabbi Aba and the friends also rejoiced.

114. The child opened the discussion with the verse: "I am black, but comely, O daughters of Jerusalem... Do not gaze upon me, because I am black..." (Shir Hashirim 1:5-6). These things were already explained. However, during the period when MALCHUT is full of great love for her beloved, ZEIR ANPIN, through the pressure of her love because she is unable to stand BEING APART, she diminishes herself significantly until she is reduced to the smallness of one point. What is that? That is the letter Yud. At that point, she is concealed from all her legions and camps, and says, "I am black," for there is no internal whiteness in this letter YUD as there is in the rest of the letters. That is what she means WHEN SHE SAYS, "I am black" and I have no room to bring them under my wings. "the tents of Kedar" (Ibid.), we are taught, are Yud, which has no whiteness in it, while "the curtains of Solomon" (Ibid.) are Vav.

111. האי למלאכי עלאי, דאינון בבי מרומא דאררא עלאה, אתמר ברכו יי'. אגן דיתבי לתתא, אמאי ברכו את יי'. בגין דאגן צריכין לאמשכא עלן, להאי את, ובה ניעול לגבי מלכא, לאחזאה אנפוי. וע"ד אמר דוד, אני בצדק אחזה פניך, אני בצדק ודאי. ובג"כ, שירותא דצלותא, ברכו את יי', לאמשכא על רישן האי את. וכיון דאגן משכן להאי את עלנא, אית לן למימר צלותא, ולשבחא.

115. Due to that, "do not gaze upon me." You cannot see me at all, since I am but a tiny point. What do her heroic and mighty legions do? They roar like powerful lions, as it says, "The young lions roar after their prey" (Tehilim 104:21). From the sounds and roars that they emit like powerful and mighty lions, her beloved listens above and knows that His beloved is in love with Him as He is. SHE LOWERED HERSELF due to His love, until none of her form and beauty was apparent.

116. Then, from the sounds and roars that stream out from these mighty ones of hers, her beloved lover, ZEIR ANPIN, goes out of His chamber with many gifts and presents and with spices and fragrances. He comes to her and finds her black and small without form and beauty at all. He approaches her, hugs and kisses her, until she slowly and continuously gets aroused from these fragrances and spices and from the happiness of her lover, ZEIR ANPIN, THAT IS with her. She is transformed and regains her shape and beautiful form, AND BECOMES Hei OF YUD HEI VAV HEI as before.

117. This was done for her by the mighty ones, who have returned her to her stature and beauty. Their strength and might caused this. Therefore, it is written: "You mighty ones who perform His bidding" (Tehilim 103:20). Assuredly, they "perform His bidding," because they restore this bid (word), WHICH IS MALCHUT CALLED 'WORD'. They bring her back to her original form and, as soon as she is restored to her original beautiful form, they and all the rest of the hosts stand ready to hearken to whatever she says, MEANING "HEARKENING TO THE VOICE OF HIS WORD." And she stands like a king amidst His legions, which is specifically the meaning of "who perform His bidding," BECAUSE THEY MAKE MALCHUT.

118. Similarly, here below, at a time when there are evil ones in a generation, that one, MALCHUT, gets covered and reduces herself until nothing is visible from her entire form, except a point. When the mighty powerful and truly just, so-to-speak, arrive, they perform this word, WHICH IS MALCHUT CALLED 'WORD', and she starts shining slowly. Then she returns to her former stature and beauty and becomes Hei OF YUD HEI VAV HEI, as before.

119. The friends approached and kissed him. Rabbi Elazar said, If Ezekiel, the prophet, would have said this, it would have been a great marvel in the world. Rabbi Elazar took him and kissed him as before. The child said, I will say grace. They said, You say the blessing and it behooves you to say grace. He said, How holy you are and how MANY blessings are destined for you from the sanctified Ima, THAT IS BINAH, because you have not restrained me from giving grace.

115. ובג"כ אל תראוני. לא תחמוץ בי כלל, דאנא נקודה זעירא. מה עבדין גברין תקיפין, חילין דילה. שאגין באריין תקיפין, כד"א, הכפירים שואגים לטרף. ומגו קלין ושאגין תקיפין, דקא משאגין באריין גוברין תקיפין דחילא, שמע רחימא לעילא, וידע דרחימתיה היא ברחימו כותיה, מגו רחימוי עד דלא אתחזיאת מדיוקנא ושפירו דילה כלל.

119. אתו חבריאי ונשקוה, א"ר אלעזר, אלמלא יחזקאל נביא אמר דא, תוּוּהא הוי בעלמא, נטליה ר"א, ונשקיה כמלקדמין, אמר ההוא ינוקא אנא אברך. אמרו, את ברין, ולך יאות לברכא. אמר כמה אתון קדישין, כמה ברכות זמינין לכו, מאימא קדישא, בגין דלא מנעתון לי לברכא.

120. He opened the discussion with the verse: "He who holds back corn, the people shall curse him: but blessing shall be upon the head of him who sells freely" (Mishlei 11:26). This verse means simply what it says, but we were taught that every person is required and obligated to give grace after meals. If he is not versed in how, his wife and children give grace in his stead. May a curse come upon that person who needs his wife and children to give grace in his stead, because he does not know how to make that blessing.

121. If he does know, he is required to teach his son and give him the cup to make the blessing. Whoever prevents his son from getting an education, "the people shall curse him." "He who holds back corn (Heb. bar)," MEANING THAT HE PREVENTS HIS SON (ARAM. BAR) from blessing the Holy One, blessed be He, and being trained in the precepts, "the people shall curse him." HE ASKS: either "shall curse (plur.)" should have been in the singular form, or it should have said "the peoples shall curse (plur.) him," since "people" is one NATION, as it says, "And the one people shall be stronger than the other people" (Beresheet 25:23). Why is it "the people (sing.) shall curse (plur.) him"? HE REPLIES: It is written: "le'om," BECAUSE IT REFERS TO holy mother (Heb. la'em), THAT IS MALCHUT, who will curse that person that prevented that son from giving blessings to the Holy One, blessed be He, MEANING HE WAS CURSED TO MALCHUT, SO THAT SHE WILL NOT PROVIDE HIM BLESSINGS.

122. I am an only son to my mother. Hand me a cup so that I can give blessings to the Holy King, who presented the mighty ones at my mother's residence. I have spoken in their presence of difficult matters and was successful over them. Because of that, I will say grace and prior to that, I will interpret in its proper setting that scripture with which we began.

123. "He who holds back corn, the people shall curse him (Heb. yik'vuhu)": That is, whoever prevents his son FROM GIVING GRACE, as we were taught "the people shall curse him." This is as is written: "And that son of the Yisraelite woman, blasphemed (Heb. vayikov) the name" (Vayikra 24:11). "VAYIKOV" MEANS, HE PRONOUNCES. Here too, they will specify him to the mother, meaning they will tell his sins in detail to the holy Ima, WHICH IS MALCHUT. "But blessing shall be upon the head of him who sells freely": This applies to that person that will educate his son to give blessings to the Holy One, blessed be He, and teach him the precepts of the Torah.

124. The secret of this matter is written in the secret above: "What is his name and what is the name of his son, if you can tell" (Mishlei 30:4). That name is known: Hashem Tzevaot is His name, WHICH IS BINAH, AS ALL THE LEGIONS (HEB. TZEVAOT) ARE HERS, the name of his son: that is, Yisrael is his name, WHICH IS ZEIR ANPIN, CALLED 'YISRAEL', as is written: "Yisrael is My son, My firstborn" (Shemot 4:22). Here we have Yisrael with all the keys of the Faith, MEANING ALL THE LEVELS OF MALCHUT CONSIDERED FAITH, hanging upon Him - ZEIR ANPIN CALLED 'YISRAEL'. He praises himself and says, "Hashem has said to me, 'You are My son'" (Tehilim 2:7). THAT IS, YUD HEI VAV HEI THAT IS BINAH SAID TO ZEIR ANPIN, YOU ARE MY SON. And it is definitely so, since Aba and Ima, WHICH IS RIGHT AND LEFT OF BINAH THAT ARE CALLED 'YISRAEL-SABA AND TEVUNAH', AND ALSO 'ABA' AND 'IMA', have adorned ZEIR ANPIN and blessed Him with many blessings, SINCE ALL MOCHIN OF ZEIR ANPIN ARE FROM YISRAEL-SABA AND TEVUNAH. They commanded everyone to "worship (also: 'kiss') in purity (Heb. bar)" (Ibid. 12), meaning kiss the hand of this son (Aram. bar), THAT IS, ZEIR ANPIN, MEANING it is as if He gave him dominion over everything, so that all shall serve him. "Lest He be angry" (Ibid.), because ABA AND IMA have adorned him, ZEIR

ANPIN, with judgment and mercy. Whoever deserves judgment is for judgment and whoever deserves mercy is for compassion.

125. All the blessings of the above and below are ascending to this son, ZEIR ANPIN, and get adorned. Whoever prevents blessings from this son will spread out his sins in the presence of the sanctified King, meaning to the mother actually, WHICH IS BINAH. HENCE, IT SAYS, "HE WHO HOLDS BACK CORN, THE PEOPLE SHALL CURSE HIM." "But blessing shall be upon the head of him who sells freely": That is the one who gives the grace and invites with the cup of grace whoever it is proper, MEANING THE HOLY ONE, BLESSED BE HE. Through this, the Other Side is broken. By its breaking, it is subdued and the side of sanctity gets raised. This is what is written: "But blessing shall be upon the head of him who sells freely (Heb. mashbir)." As he uplifts and blesses the Holy One, blessed be He, and causes the Other Side to break down (Heb. shever), in accordance, the Holy One, blessed be He, draws blessings upon him from above and the one who is called 'grace', WHICH IS MALCHUT, prevails upon his head.

126. From here on, friends, give, and we will say grace. They handed him the cup of grace and he made the blessings. All the friends were rejoicing that they had not been so happy since the wedding feast celebration of Rabbi Elazar. They were first to greet him with happiness and willingness of heart. That child told them, You should not part from me except by words of Torah, for that is the way we were taught.

127. He opened the discussion with the verse: "And Hashem went before them by day, in a pillar of a cloud..." (Shemot 13:21). That Vav Yud Hei Vav Hei (Hashem), THAT ALLUDES TO MALCHUT, has above it a tuning sound, MEANING, THAT CANTILATION MARK OF PAZER IS WRITTEN ABOVE IT, WHICH IS ERECT. Why? HE RESPONDS: It is only because at that period, how lovely and beautiful it was for this bride, WHICH IS MALCHUT, who was subdued until now in the exile. Now she walks joyfully with an upright raised head within her multitudes.

128. By "And Yud Hei Vav Hei," the sound mark is erect above it, AND AFTER THIS IS WRITTEN: "Went before them by day." Up to this point, it is not known if the bride, WHICH IS MALCHUT, THAT IS ALLUDED TO IN THE NAME OF "AND YUD HEI VAV HEI," goes before them or not, since there is a separating musical mark in "and Yud Hei Vav Hei," WHEN SINGING THIS PAZER CANTILATION MARK THAT SEPARATES "AND YUD HEI VAV HEI" - WHICH IS MALCHUT, FROM "WENT BEFORE THEM BY DAY." HE RESPONDS: It is only that she, MALCHUT, INDICATED BY THE NAME "AND YUD HEI VAV HEI," was there, but goes in front of "them," that is the elder of the household, the owner, to whom the Holy One, blessed be He swore. And who is that? That is Abraham, MEANING THE CHESD OF ZEIR ANPIN, as it says, "Yet Hashem will command his steadfast love (Heb. chesed) in the daytime" (Tehilim 42:9). SIMILARLY, "If My covenant be not day and night" (Yirmeyah 33:25), OF WHICH CHESD IS CONSIDERED DAY because it is a day in which all the days, MEANING ALL THE SFIROT OF ZEIR ANPIN, are included, IN CHESD, a day of the other days, which is definitely all the other days. Therefore, it is called 'Yomam' (alluding plural form) and not the accustomed Yom. Because of this, it is written: "Went before them by day." He, CHESD OF ZEIR ANPIN, walks by day and the bride, INDICATED BY "AND YUD HEI VAV HEI," walks by night, as is written: "And by night in a pillar of fire, to give them light" (Shemot 13:21). That is the bride, WHICH IS MALCHUT; everyone in his place, SINCE ZEIR ANPIN IS THE DOMINION OF THE DAY AND MALCHUT IS THE DOMINION OF THE NIGHT. Friends, day and night may they be ever before you. They kissed him and greeted him as before and left.

129. They came before Rabbi Shimon and related the episode to him. He marveled and said, How proper that is, but he will not rise in fame. When a delicate tree grows, its light rises temporarily and soon it dims and sinks. In addition, I already said where that light came from, THAT IT WAS THE SON OF RABBI HAMNUNA.

130. He opened the discussion with the verse: "His seed shall be mighty upon earth: the generation of the upright shall be blessed" (Tehilim 112:2). When a man is "mighty upon earth" and strong in Torah, mighty over his Evil Inclination, he is then certainly mighty upon earth, since his light rises continuously and abundantly. Then, "the generation of the upright shall be blessed," spelled "will bless." HE SAID THAT ABOUT RABBI HAMNUNA, THAT BECAUSE HE WAS MIGHTY UPON EARTH, THEREFORE THE GENERATION OF THE UPRIGHT SHALL BLESS, IN THAT HE MERITED TO HAVE SUCH A SON.

131. Rabbi Aba said, But we see children speaking eloquently of lofty matters, and then they become world leaders. He said to them, Children that speak of one or two things temporarily, without specific intention, a person can be secure that he will deserve to teach Torah in Yisrael. But this CHILD, whose light has reached a mature stature with perfect logic is not so. Furthermore, the Holy One, blessed be He, desires to smell this apple. THEREFORE, IT IS IMPERATIVE THAT HE WILL DEPART. Praised is his lot.

132. Praised are you, the righteous, that it is written about you: "And the remnant that is escaped of the house of Judah, shall yet again take root downward, and bear fruit upward" (II Melachim 19:30). "Root downward": He is like his father, RABBI HAMNUNA, who departed from the world and he is a "root downward" in the Yeshivah of the firmament, WHICH IS THE YESHIVAH OF METATRON. "And bear fruit upward" in the higher Yeshivah, WHICH IS THE YESHIVAH OF THE HOLY ONE, BLESSED BE HE. How fine this root and fruit are. If I would not have felt that the Holy One, blessed be He, has a desire to smell him I WOULD HAVE ARRANGED IT that no one would have any effective rule over him, MEANING THAT HE WOULD LIVE LONG. However, let it be His wish that his mother shall not see any pain, because of him. So it was THAT HE DEPARTED.

129. אָתוּ לְגַבִּי רַבִּי שִׁמְעוֹן, וְסָחוּ לִי עוֹבְדָא. תְּוֹה, אָמַר כַּמָּה יָאוֹת הוּא. אֲבָל לֹא סָלִיק בְּשִׁמְאָא. אֲעָא דְקִיק, כַּד סָלִיק נְהוּרִיָּה, סָלִיק לְפִיָּם שְׁעֵתָא, וּמִיַּד כָּבֵה וְאֲשַׁתְקַע. וְתוּ הָא אֲמִינָא נְהוּרָא דָּא מִמָּה הוּי.

7. "So he sent messengers to Bilaam"

Rabbi Shimon tells how Balak sent a message to Bilaam to ask him to curse the children of Yisrael, since Balak knew about Bilaam's high level of sorcery. We hear about the table that was prepared by the sorcerer for the defiled spirits to draw them near, and then about the table of acacia wood in the tabernacle that was made to draw the Holy Spirit from above.

133. "So he sent messengers to Bilaam the son of Be'or" (Ibid. 5-6). There are 28 words here, corresponding to the 28 levels of witches and magic sorcerers using a bird. We need to wonder why whoever wished to speak to Bilaam and join with him sent clear instructions immediately before approaching him, by saying, "Behold, there is a people come out from Egypt... Come now therefore, I pray you, curse me" (Bemidbar 22:6). He should first have joined with him, ingratiated himself, bribed him and then informed him of what he wished to do.

134. HE RESPONDS: Yet Rabbi Yosi said that from here, it is recognizable that Balak was already aware of the desires of that evildoer, and that he wished to be apportioned great projects; his only ambition is to do evil deeds. THEREFORE, HE WAS EXALTING HIM AS IF THE REINS ARE IN HIS HANDS, AND TO WHOM HE WISHES HE CAN SEND BLESSINGS OR CURSES AND IT WILL BE ACCOMPLISHED. ALSO, HE INFORMED HIM OF HIS OWN DESIRE TO CURSE YISRAEL, SINCE HE KNEW THAT HIS ENTIRE WISH WAS ONLY TO DO EVIL AND HARM.

135. Balak performed sorcery and witchcraft and prepared a bird. He was aware that Moses' levels were lofty and dear; he crafted with his witchery, and performed magical sorcery, and was aware that Bilaam's levels were correspondingly opposite, DIAMETRICALLY OPPOSED TO THE LEVELS OF MOSES. Immediately, "he sent messengers to Bilaam the son of Be'or."

136. Petor is a name of a place, as is written: "From Petor of Aram Naharaim to curse you" (Devarim 23:5). Why was it called that way? Because it is written: "That set out a table for Fortune" (Yeshayah 65:11). He prepared a feast table there every day, since that is the custom of the Evil Sides. They set up for them a table with food and drink, performed sorcery, and smoked incense before that table. Then all the defiled spirits gathered there and informed them of whatever they wished. And all the magic and sorcery in the world were on that table, which is why the name of the place was called 'Petorah', since a table is called 'Petora' in Aram Naharaim (Mesopotamia).

137. He opened the discussion with the verse: "You shall also make a table of acacia wood" (Shemot 25:23) and it is written: "And you shall set upon the table showbread..." (Ibid. 30). The Holy One, blessed be He, wished to have all these holy utensils made for Him, in order to continually draw the Holy Spirit from above downward. The wicked Bilaam prepared similarly for the Other Side, and he prepared a table and bread that is called "disgusting bread" (Malachi 1:7). As we were taught, the Other Side follows the holiness like a monkey after people. And Solomon, the King, cried and said, "For what can the man do who comes after the king? Even that which has already been done" (Kohelet 2:12), WISHING TO IMITATE HIM, AND BE LIKE HIM, and we were already taught this verse.

8. "And rose up from Seir to them"

We are told that God first offered the Torah to the children of Esau and then to the children of Ishmael, all of whom refused it, before He offered it to the children of Yisrael. Rabbi Shimon clarifies a point by saying that the refusal of the inhabitants of Seir and Paran enabled God to add their light and love to the children of Yisrael. We hear a dialogue between God and Samael wherein God offers the Torah to Samael who of course refuses it because of its stricture against killing. Samael suggests that God give the Torah to the children of Yisrael because he thinks that would ensure that Yisrael would never be capable of surviving or ruling - in effect, that the Torah would make them weak. Samael removes his own light and gives it to God to add to the light of Yisrael. The same thing happens with Rachav, the higher minister of Ishmael, who refuses the Torah because of its prohibition against adultery, and who also gives his light to God for Yisrael. Eventually we learn that from the other nations of the world God also took gifts on behalf of the children of Yisrael. Thus Yisrael inherited the Torah with no disagreement from anyone above or below. When Yisrael sinned and went into exile, all their gifts were removed from them, but in the future these gifts will be returned to them.

138. Come and see that it is written: "Hashem, when You did go out of Seir, when You did march out of the field of Edom, the earth trembled..." (Shoftim 5:4). When the Holy One, blessed be He, wished to give the Torah to Yisrael, He went and invited the children of Esau, but they did not accept it, as it says, "Hashem came from Sinai, and rose up from Seir to them" (Devarim 33:2). They refused to accept her. He went to the children of Ishmael and they refused to accept her, as it says, "He shone forth from Mount Paran" (Devarim 33:2). Since they refused, he returned to the children of Yisrael as we were taught.

139. Since we learned that a person does not commit any sin, we should ask if the words matter when a person is very meticulous about the details of the Torah and is asking his questions to clarify. This scripture is difficult to understand and the question needs to be asked. When the Holy One, blessed be He, went to Seir, to which Prophet of theirs did He appear? And when He approached Paran, to which prophet of theirs did He reveal Himself? If you say that He revealed Himself to the whole nation, we find that it happened only to Yisrael alone and through Moses. FURTHERMORE, we were taught that this is what the scripture should have said, 'Hashem came to Sinai, and rose up to Seir to them; He shone forth to Mount Paran'. What is meant by: "From Seir to them...from Mount Paran"? All this must be known and be observed. Though I asked, I have not yet heard.

140. When Rabbi Shimon came, he approached and asked this again. RABBI SHIMON said to him, This inquiry has been settled, as "Hashem came from Sinai" is as it says, "Lo, I come to you in a thick cloud" (Shemot 19:9) and "came from Sinai." He appeared over them "and rose up from Seir to them," which MEANS that because the inhabitants of Seir said that they do not wish to accept the Torah, He shone upon Yisrael, and added light, and great love, to them. Similarly, He "shone forth" and brightened the light from the mountain of Paran; additional love and bright light was available from the inhabitants of Paran's refusal to accept the Torah, and that was given to Yisrael as well, as is proper.

138. ת"ח, כתיב יי' בצאתך משעיר בצעריך משדה ארום ארץ רעשה וגו'. בשעתא דבעא קודשא בריך הוא למיהב אורייתא לישראל, אזל זמין להו לבני עשו, ולא קבלוה. כד"א יי' מסיני בא וזרח משעיר למו, ולא בעו לקבלה. אזל לבני ישמעאל, ולא בעו לקבלה, דכתיב הופיע מהר פארן. כיון דלא בעו, אהדר לון לישראל, הכי תנינן.

139. השתא אית לשאלא, והא תנינן דלית חטאה בד בר נש מדקדק דיוקין דאורייתא, וישאל שאלתיו לאנהרא מלוי. האי קרא לא אתיושבא, ואית לשאלא. קודשא בריך הוא בד אזל לשעיר, למאן נביאה דלהון אתגלי. וכד אזל לפארן, למאן נביאה דלהון אתגלי. אי תימא דאתגלי לכלהו, לא אשכחן דא לעלמין. בר לישראל בלחודייהו, וע"י דמשה. והא אתמר דהכי מבעי קרא למימר, יי' לסיני בא, וזרח לשעיר למו, הופיע להר פארן, מהו משעיר למו, ומהו מהר פארן. כלא אית למנדע ולאסתבלא, והא שאילנא, ולא שמענא, ולא ידענא.

140. בד אתא רבי שמעון, אתא ושאל מלה במלקדמין, א"ל הא שאלתא דא אתאמרת. יי' מסיני בא: כד"א הנה אנכי בא אליך בעב הענן, ומסיני בא ואתגלי עליהו. וזרח משעיר למו, ממה דאמרו בני שעיר, דלא בעאן לקבלא, מהאי, אנהר לון לישראל, ואוסיף עליהו נהורא וחביבו סגיא. אוף הכי, הופיע ואנהר לישראל מהר פארן, ממה דאמרו בני פארן, דלא בעו לקבלא, מהאי. אוסיפו ישראל חביבו ונהירו יתיר בדקא יאות.

141. You asked through whom He was revealed to them. That is a high secret and it will be uncovered through you; THAT IS, THROUGH YOUR INQUIRY. The Torah came out from the highest mystery, from the concealed head of the King, WHICH IS BINAH. When it reached the left arm, WHICH IS ISAAC, MEANING GVURAH, the Holy One, blessed be He, saw in that arm bad blood, that was increasing from there, WHICH IS ESAU, MEANING SAMAEL AND THE OTHER SIDE. He said, 'I need to refine and clarify this arm and if I do not take off that defective blood, it will injure everything. Indeed, it is necessary to refine every defect from here.'

142. What did He do? He called Samael, ESAU'S MINISTER ABOVE, who came before Him. He said to him, 'Do you want My Torah?' And he said, 'What is written in it?' He said, "You shall not murder" (Shemot 20:13), since the Holy One, blessed be He, skipped to show him the necessary place - HE SKIPPED TO THE COMMANDMENT THAT HE KNEW HE WOULD NOT BE ABLE TO KEEP. SAMAEL said, Heaven forbid, this Torah is Yours and Yours it shall remain. I do not desire such a Torah. He again beseeched of Him saying, Master of the world, if You give me THIS TORAH, my entire government will cease, since my entire domination is based on killing. AND IF I ACCEPT THE TORAH, there will no longer be wars. My rule is over the planet Maadim (Mars) THAT INDICATES SPILLING OF BLOOD. If so, all becomes void from the world.

143. Master of the world, take for Yourself that Torah of Yours. I do not want any part or portion in it. However, if it suits You, here are the people, the children of Jacob, for whom THIS TORAH is suitable. He thought that he said about them some derogatory accusation, which is the meaning of: "And rose up from Seir to them." Actually "from Seir" light went out for Yisrael, MEANING FROM SAMAEL, THE CHIEF MINISTER OF SEIR. Samael said TO HIMSELF, Certainly, if Jacob's children will accept THE TORAH, they will cease to exist in the world and will never be capable of ruling. THE HOLY ONE, BLESSED BE HE, responded several times and said the following, 'You are the firstborn, BECAUSE ESAU WAS THE FIRSTBORN and THE TORAH befits you.' He said to him, My birthright belongs to him, since it was sold to him and I gave my consent. THE HOLY ONE, BLESSED BE HE, then said, 'Since you don't wish to have any part IN THE TORAH, remove yourself from it altogether.' He said, Fine.

144. THE HOLY ONE, BLESSED BE HE, said to him, 'Since it is so, give Me advice on what I should do, so that the children of Jacob would accept it, as you say.' SAMAEL said to him, Master of the world, there is a need to bribe them. Take light from the light of the legions in heaven and impart it to them. By this, they will accept her and here is some OF MY LIGHT, which I will give first. He removed from himself the light that enveloped him and gave it TO THE HOLY ONE, BLESSED BE HE, TO present it to Yisrael. This is what is meant by: "And rose up from Seir to them"; "from Seir" actually is Samael. It is written about him: "And the goat (Heb. sair) shall bear upon it" (Vayikra 16:22). "To them" MEANS to the children of Yisrael.

141. ומה דשאלת על ידא דמאן אתגלי עליהו. רזא עלאה איהו, ואתגלי מלה על ידך. אורייתא נפקת מרזא עלאה, דרישא דמלכא סתימא, כד מטא לגבי דרועא שמאלא, חמא קודשא בריך הוא בההוא דרועא, דמא בישא דהוּו מתרבי מתמן. אמר, אצטריך לי לבררא וללבנא דרועא דא. ואי לא ימאין ההוא דמא בישא, יפגים כלא. אבל אצטריך לבררא מהכא כל פגימו.

142. מה עבר. קרא לסמאל, ואתא קמיה, ואמר ליה תבעי אורייתא דילי. אמר, מה בתיב בה. אמר ליה, לא תרצח. דליג קודשא בריך הוא לאתר דאצטריך. אמר ח"ו, אורייתא דא דילך היא, ודילך יהא, לא בעינא אורייתא דא. אתיב ואתחנן קמיה, אמר מאריה דעלמא, אי את יהבה לי, כל שלטנו דילי אתעבר, דהא שלטנו דילי על קטולא איהו, וקרבינ לא יהון ושלטנו דילי על ככבא דמאדים, א"ה כלא אתבטל מעלמא.

143. מאריה דעלמא, טול אורייתך, ולא יהא חולקא ואחסנא לי בה. אבל אי ניחא קמך, הא עמא בנוי דיעקב, לון אתחזי. ואיהו חשיב דהא דלטורא אמר עליהו. ודא הוא וזרח משעיר למו, משעיר ממש נפק נהורא לון לישראל. אמר סמאל ל ודאי, אי בנוי דיעקב יקבלון דא, יתעברון מעלמא, ולא ישלטון לעלמין. אתיב ליה כמה זמנין, ואמר דא, ואמר ליה אנת בוכרא, ולך אתחזי. אמר ליה, הא ליה בכירותא דילי, והא אודבן ליה, ואנא אודיתי. אמר ליה הואיל ולא בעית למהוי לך בה חולקא, אתעבר מנה בכלא. אמר יאות.

144. אמר ליה, הואיל וכך, הב לי עיטא, איך אעביד דיקבלון לה בנוי דיעקב דאת אמר. אמר ליה מאריה דעלמא, אצטריך לשחדא לון, טול נהורא מנהירו דחילי שמיא, והב עליהו, ובדא יקבלון לה, והא דילי יהא בקדמיתא. אפשרי מניה נהירו דחפניא עליה, ויהב ליה, למיהב לון לישראל, דה"ד וזרח משעיר למו. משעיר ממש דא סמאל. ל. דכתיב ונשא השעיר עליו. למו לישראל.

145. As soon as he removed that one, SAMAEL, and cleaned out the bad blood from the left arm, THAT IS ISAAC, WHICH IS GVURAH, he turned to the right arm, WHICH IS ABRAHAM, AND HE IS CHESD. He noticed in it also DEFECTIVE BLOOD THAT IS ISHMAEL. He said, 'This arm too needs to have the bad blood cleaned out of it.' The Holy One, blessed be He, called to Rahav, THE MINISTER UP HIGH OF ISHMAEL. He said to him, 'Do you want my Torah?' RAHAV said to him, What is written in it? He skipped EVERYTHING ELSE and said TO HIM, "You shall not commit adultery" (Shemot 20:13). He said to him, Woe FOR ME. If that is the legacy the Holy One, blessed be He, wishes me to inherit, that would be an evil legacy for me, since it would remove my entire dominion WHICH IS BASED ON ADULTERY. Since I took the blessings of the water, the blessing reserved for the fish of the sea, as is written: "Be fruitful (Heb. pru) and multiply" (Beresheet 1:22) and is written: "and will make him fruitful, and will multiply him..." (Ibid. 17:20). It is further written: "And he will be a wild (Heb. pere) man" (Ibid. 16:12).

146. He began to beseech his Master and said to him, Master of the world, two children came out of Abraham. Here are the children of Isaac, give it to them, for she is suitable for them. THE HOLY ONE, BLESSED BE HE, said to him, 'I can't, since you are the firstborn and THE TORAH is suitable for you.' He began to plead before him and said, Master of the world, let the rights of the firstborn be his. That light which I inherited as a legacy thereby due to that RIGHTS OF THE FIRSTBORN, take and give to them. And so, THE HOLY ONE, BLESSED BE HE, did. This is what is written: "He shone forth from Mount Paran" (Devarim 33:2).

147. What changed, in that by Samael, it says, "Rose up" and by Rahav, it is written: "Shone forth"? HE RESPONDS: It is only that he took with that light, which he removed from Samael, the sword and the killing, to kill with sentencing by judgment and to do the killing properly, as is written: "And One that is the sword of your excellency" (Devarim 33:29), though it is not belonging to you. From that blessing which he removed from Rahav, he took only a little, like someone that only shone a little of their blessing, meaning just enough to be able to produce and multiply. Therefore, IT IS WRITTEN: "He shone forth from Mount Paran" and it is not written: "Rose up," WHICH MEANS INCREASE LIKE BY SAMAEL.

148. As soon as THE HOLY ONE, BLESSED BE HE, took these gifts to Yisrael from these chief ministers that rule OVER ESAU AND ISHMAEL, he approached and called all the "holy multitudes" (Ibid. 2) that are appointed over the rest of the nations. They also replied to him similarly AS SAMAEL AND RAHAV. From all of them, he took and accepted gifts on behalf of Yisrael. THIS IS LIKE a doctor who had one vial full of life-giving spices and kept it for his son. He wished to give his son those life-giving spices, but the doctor was wise and thought about the evil servants in his household. If they notice that I give this gift to my son, they will be jealous and will want to kill him.

149. What did he do? He took a little bit of poison spices and put it at the opening of that vessel, then called his servants and said to them, You faithful of mine, would you like to have some of this spice? They said, Let's see what it consists of. They took a bit of it to taste and, even before that, when they only smelled it, they felt like they were going to die. They figured to themselves, If he gives that spiced ointment to his son, he would certainly die, and we will inherit our lord's goods. They said to him, Our lord, this spiced ointment is only proper and suitable for your son. Here are some of our wages. Give it as a bribe to your son so that he will accept this spice.

150. So too, the Holy One, blessed be He, is a wise healer and knew if He gave the Torah to the children of Yisrael before he informed THE CHIEF MINISTERS, they would pursue Yisrael for her sake on a daily basis, and kill them. But instead, HE INVITED THEM AND THEY REFUSED and they gave him offerings and gifts so that YISRAEL should accept her. Moses accepted all of them to give to Yisrael. This is what is written: "You have ascended on high, you have led captivity captive: you have received gifts..." (Tehilim 68:19). Therefore, Yisrael inherited the Torah without any disagreement and without any accusation at all. Praised is He and praised is His name forever and ever.

151. Come and see the offerings and gifts that Yisrael received from the CHIEFS OF THESE NATIONS: they received their ornaments, because of which neither death nor the Other Side could dominate them, and not only that, they received the Torah without any protest. They also received gifts and presents from all. When they sinned, it is written: "And the children of Yisrael stripped themselves of their ornaments" (Shemot 33:6), which are "gifts from men," WHICH THEY RECEIVED. What was left of them? Just that captivity, which is written: "You have ascended on high, you have led captivity captive, YOU HAVE RECEIVED GIFTS FROM (ALSO: 'WITH') MEN."

152. When they repeated and sinned again, it is written: "And when the Canaanite, the king of Arad...heard...then he fought against Yisrael, and took some of them prisoners" (Bemidbar 21:1), MEANING THAT HE TOOK FROM THEM THEIR REMAINING CAPTIVITY. As long as the children of Yisrael will return to their Father in heaven, these gifts will be returned to them and they will shelter them. In the future to come, everything will be returned, as is written: "And then Hashem your Elohim will return your captivity..." (Devarim 30:3). From here on, speak your words.

9. "The earth feared, and was still"

Rabbi Yosi opens by saying that God told the earth that if Yisrael accepted the Torah all would be well, but if not He would return the earth to its formless condition. Because of this the earth trembled in fear that Yisrael would not accept, but when Yisrael said they would obey the Torah, the earth became still. After Yisrael accepted, they were no longer afraid of witchcraft or sorcery, because God removed its power over them when He led them out of Egypt. Balak knew this immediately when he arrived, so he needed advice from Bilaam. Next Rabbi Elazar is persuaded by the other rabbis to reveal the secret of the joy that God experiences in the Garden of Eden with the righteous.

153. Rabbi Yosi said, "Hashem, when you did go out of Seir, when you did march out of the field of Edom, the earth trembled..." (Shoftim 5:4). That was during the time when the Holy One, blessed be He, returned from Seir, because they didn't accept the Torah. "The earth trembled": What is the reason that it trembled? It is because it wanted to return to formlessness and void. The Holy One, blessed be He, made a condition with the world that if the children of Yisrael accept the Torah, it is good but if not, I will return you to formlessness and void. When the earth noticed that the Holy One, blessed be He, invited all the nations to accept the Torah, but they didn't accept, and from all the nations, only Yisrael was left, the earth thought that Yisrael, too, would refuse to accept the Torah as the others did. Due to this, "the earth trembled"; as soon as YISRAEL said, "Will we do, and obey" (Shemot 24:7) immediately, it quieted down. This is what is written: "The earth feared, and was still." First it "feared," then "was still" (Tehilim 76:9).

154. Come and see: Because Yisrael said, "will we do," they were neither afraid of any deeds that the practitioners of witchcraft of the world were capable of doing nor of any sorcerers in the world. What is the reason? One is THAT THEY SAID, "WILL WE DO" and one is because the Holy One, blessed be He, broke all the witchcraft and sorcery before the children of Yisrael, when He took them out of Egypt, so that they should have no effect on them. When Balak came, he was aware of it. Immediately, "he sent messengers to Bilaam the son of Be'or to Petor, which is by the river" (Bemidbar 22:5). What is Petor? It is that he prepared a table (Aram. Ptor) from which to ask for counsel as to what to do. "by the river": HE ASKS: It should have said 'two rivers' (Heb. naharaim), SINCE HE WAS FROM ARAM NAHARAIM (MESOPOTAMIA). HE REPLIES: He certainly dwells at all times on one river, MEANING TO SAY THE TABLE OF THE KLIPAH, WHICH IS MALCHUT OF KLIPAH, STANDS ABOVE ONE RIVER OF THAT KLIPAH, WHICH IS THE YESOD OF THE KLIPAH.

155. Rabbi Elazar and Rabbi Aba went to see Rabbi Yosi, son of Rabbi Shimon, son of Lakunya, father-in-law of Rabbi Elazar. They rose at midnight to study the Torah. They sat. Rabbi Elazar said, Now is the time that the Holy One, blessed be He, enters the Garden of Eden to be merry with the righteous that are there. Rabbi Aba said, What is this joy and how does He rejoice? Rabbi Elazar said, This matter is a secret sealed with me that is not known TO ALL, AND HE DID NOT WANT TO DIVULGE IT. RABBI ABA said to him, Were then the great pillars in the world before us empty, THAT YOU SAY that they did not know OF THIS SECRET? IT WOULD BE IMPROPER TO REVEAL IT ONLY IF THEY HAD not pursued the knowledge of the reason of their existence in this world, and what they can expect in the World to Come. THEN MOST DEFINITELY, THEY TOO WERE AWARE OF THIS SECRET; THEREFORE, YOU ARE REQUIRED TO DIVULGE IT.

10. "Hashem, You are my Elohim; I will exalt You"

Rabbi Elazar explains the secret of the high point that is concealed and unknown, and the level where inquiry may first be made. He talks about the word of Melchizedek the High Priest, that corresponds to Chesed of Zeir Anpin standing over Malchut. We hear the three meanings of "You" in the title verse, and Rabbi Elazar goes on to give two explanations of "For You have done wonderful things." He says that the actual form of the aleph is the beginning of the higher secret of primordial man, and he tells us why it has a numerical value of one. We learn that the prophets receive from Netzach and Hod that are called 'counsels'. Rabbi Elazar says that the title verse is a concise vehicle for the entire concealed secret meaning of the

faith, in that Hashem is Chochmah, "my Elohim" is Binah, "You" is Chesed, "wonder" is the three Columns Chesed Gvurah and Tiferet, "counsel from afar" is Netzach and Hod, "faithfulness" is Malchut, and "truth" is Yesod.

156. Rabbi Elazar opened the discussion with the verse: "Hashem, You are my Elohim; I will exalt You, I will praise Your name; for You have done..." (Yeshayah 25:1). This verse in the scripture is the secret of the Faith. Yud Hei Vav Hei is the top secret and is the beginning of the higher point that is concealed and not known, THAT IS, ABA AND IMA UP HIGH, WHO ARE THE SECRET OF CHOCHMAH, IN WHOM THE YUD DOES NOT LEAVE THE AIR. AND THEY ARE CONCEALED FROM CHOCHMAH, ENTIRELY UNKNOWN. "My Elohim" is the secret meaning of "a still small voice" (I Melachim 19:12) THAT IS YISRAEL-SABA AND TEVUNAH, WHICH IS THE SECRET MEANING OF BINAH. That is the beginning of that which may be inquired into, SINCE IN IT THE YUD GOES OUT FROM THE AIR, INTO GREATNESS. HOWEVER, it becomes concealed and unknown, and there is no one that responds to it; ALTHOUGH IT IS AVAILABLE FOR INQUIRY, AVAILABLE TO BE REVEALED, SINCE THE YUD HAS LEFT THE AIR IN IT, AND RETURNED TO THE LIGHT OF CHOCHMAH, THERE IS NO ONE TO RESPOND TO THE INQUIRY SINCE CHOCHMAH DOES NOT GET DISCLOSED IN ITS PLACE, BUT RATHER IN THE PLACE OF ZEIR ANPIN AND MALCHUT, because it is concealed, covered and hidden.

157. AFTER EXPLAINING THAT YUD HEI VAV HEI IS THE SECRET OF ABA AND IMA THAT STAND ABOVE ANY QUESTIONING, AND "MY ELOHIM," THAT SECRET OF YISRAEL-SABA AND TEVUNAH THAT ARE AVAILABLE FOR INQUIRY, BUT THERE IS NO ONE TO RESPOND TO IT, HE EXPLAINS NOW: "You" that is right, MEANING CHESED OF ZEIR ANPIN, is the start of what is available for inquiry and for a response to it. HOWEVER, THAT IS MERELY THE BEGINNING OF THIS REVELATION, BUT IS NOT YET REVEALED IN IT, ONLY WHEN IT IS IN MALCHUT. That is CALLED 'the High Priest', as it says, "You shall be a priest forever, after the manner of Melchizedek" (Tehilim 110:4). HE INQUIRES: What is the meaning of: "After the manner (lit. 'word') of Melchizedek"? HE RESPONDS: This is only the priest forever, CHESED OF ZEIR ANPIN, that is standing over the word, WHICH IS MALCHUT, because this word does not endure except through the right, WHICH IS CHESED. What is that word? That is Melchizedek, the name OF MALCHUT. The reason it says "divrati (lit. 'word of' also: 'my word')" INSTEAD OF 'DAVAR' IS because it was connected with David, SINCE DAVID WAS THE CHARIOT TO MALCHUT. All the words of DAVID'S praise came through that word and, therefore, it says, "My word," MEANING MY MALCHUT. As a result of this, "you" is a priest, WHICH IS CHESED. We have already explained that there are three areas and each one is called "you," BECAUSE CHOCHMAH IS CALLED "YOU" AND CHESED IS CALLED "YOU," AS IS WRITTEN HERE. AND MALCHUT IS CALLED "YOU."

158. NOW HE EXPLAINS THE WORDS: "I WILL EXALT YOU" THAT IS IN THE VERSE MENTIONED ABOVE. HE SAYS, "I will exalt You," meaning in all THREE NAMES, YUD HEI VAV HEI, "MY ELOHIM," AND "YOU," and together "I will praise Your name" as proper. That name is known TO BE MALCHUT CALLED 'NAME'. "For You have done wonderful things" (Yeshayah 25:1): "WONDERFUL" IS A LANGUAGE OF CONCEALMENT THAT MEANS THAT YOU HAVE MADE a cover and attire to the concealed light of the Atika, WHICH IS BINAH. The beginning of the top level, WHICH IS THE CHOCHMAH CONTAINED WITHIN, IS REFERRED TO AS concealed primordial man, so that he will be attired in the aspect of another light THAT IS CHASSADIM.

156. פתח רבי אלעזר ואמר, יי' אלהי אתה ארוממך אודה שמך כי עשית וגו'. האי קרא רזא דמהימנותא איהו. יי', רזא עלאה, שירותא דנקודה עלאה סתימא דלא ידיע. אלהי, רזא קול דממה דקה, ואיהו שירותא דקיימא לשאלא, ואסתים ולא ידיע, ולית מאן דאתיב עליה, בגין דאיהו סתימ וטמיר וגניז.

157. אתה, דא ימינא, שירותא דקיימא לשאלא, ולא תבא ביה, והוא כהן עלאה. כד"א אתה כהן לעולם על דברתי מלבי צדק. מאן על דברתי מלבי צדק. אלא כהן עלאה דא, איהו דקיימא על דבר, בגין דההוא דבר לא קיימא, אלא בימינא. וההוא דבר מאן איהו. מלבי צדק, כן שמייה. ומאי דאמר דברתי, בגין דאתקשר ביה בדוד. וכל מלי שבחא דיליה, בההוא דבר אתיין. ועל דא דברתי. ובג"כ, אתה דא כהן. והא אוקיימנא, דתלת דוכתי אינון, דאקרי כל חד אתה.

158. ארוממך בלא כחדא. אודה שמך בדקא יאות, והאי שם ידיע. כי עשית פלא, בסויא ולבושא, לאתלבשא נהורא סתימא עתיקא, ראשיתא דרגא עלאה, אדם קדמאה, טמירא בכסויא דנהורא אחרא.

159. Another explanation of: "For You have done wonderful things (Heb. pele)": NAMELY, You have made Aleph, SINCE PELA IS SPELLED WITH THE SAME LETTERS OF ALEPH. What is the meaning of Aleph? We learned Aleph Bet, which is THE MEANING OF Aleph Binah, (lit. 'teach to understand'). Yet the form of the Aleph is three sides, RIGHT LEFT AND CENTER, that is the start of the higher secret of the Primordial Man. THAT IS THE THREE COLUMNS IN BINAH, THE SOURCE OF THE IMAGE OF MAN, WHO IS MOCHIN OF ZEIR ANPIN. For in the form of the Aleph there are two arms, one from each side, THAT ARE THE TWO COLUMNS OF CHESED AND GVURAH THAT ARE THE UPPER YUD AND HER LOWER YUD, and the body in the centre; THAT IS THE VAV BETWEEN THE TWO YUDS. All has one secret meaning, THAT IT IS IN ONE MEANING WITH THE EXPLANATION THAT PELE IS CHOCHMAH BEING CLOTHED IN CHASSADIM, SINCE THIS CLOTHING DOES NOT HAPPEN EXCEPT THROUGH THE THREE COLUMNS. That is the secret of unification of this Aleph and that is also why Aleph HAS A NUMERICAL VALUE OF one. That is the meaning of: "For You have done wonderful things (Heb. pele)," WHICH IS THE SECRET OF ALEPH. And Rav Hamnuna Saba (the elder) said this, "For You have done wonderful things." This wonder is one level from these hidden wonders of Chochmah. Which one is it? "There is a path which no bird of prey knows" (Iyov 28:7), WHICH IS THE FIFTIETH GATE. And that is a wonderful thing.

160. "Counsels from afar" (Yeshayah 25:1): HE ASKS: First he calls it "wonderful" AND DOES NOT SAY THERE 'COUNSELS OF OLD', yet here he says: "wonderful things - counsels of old (also: 'from afar')." WHAT IS THE DIFFERENCE? HE RESPONDS: It is because there he had to count the six ends of the higher levels. THEREFORE, HE SAYS, "Wonderful (Heb. pele), counselor, a mighty El, the everlasting father, prince of peace" (Yeshayah 9:5). EL IS CHESED, MIGHTY IS GVURAH, THE FATHER IS TIFERET, EVERLASTING IS NETZACH, PRINCE IS HOD, AND PEACE IS YESOD. And here, he does not come to count THE LEVELS. HE ASKS: However, what are "counsels from afar"? HE REPLIES: They are the two willow branches, WHICH ARE NETZACH AND HOD AND ARE CALLED 'COUNSELS', since all the counsels of the prophets stem from there and are called 'counsels from afar' SINCE THE PROPHETS RECEIVE FROM NETZACH AND HOD. "In faithfulness and truth" (Yeshayah 25:1): These are two that are one, SINCE THEY ARE the river and the Garden THAT ARE YESOD AND MALCHUT. This RIVER, YESOD, comes out from Eden and this GARDEN, WHICH IS MALCHUT, gets watered from it. We find here IN THIS SCRIPTURAL VERSE: "HASHEM YOU ARE MY ELOHIM," the entire concealed secret meaning of the Faith, AS DEFINED SINCE HASHEM IS CHOCHMAH; "MY ELOHIM" IS BINAH; 'YOU' IS CHESED; 'WONDER' IS THE THREE COLUMNS, CHESED, GVURAH AND TIFERET; 'COUNSEL FROM AFAR' IS NETZACH AND HOD; 'FAITHFULNESS' IS MALCHUT; AND 'TRUTH' IS YESOD.

11. "Bilaam also, of the son of Beor did...slay with the sword"

Rabbi Elazar asks how Bilaam was killed, and he receives a superficial explanation from Rabbi Yitzchak that says he was killed by Pinchas and his people. Rabbi Elazar is not satisfied with this, and Rabbi Shimon says that Bilaam was as powerful and wise in the aspect of the left as Moses was in the higher levels; the question is, then, how were they able to kill him? As Bilaam had praised himself so much, Rabbi Shimon speaks about the verse in Mishlei to do with praising oneself, saying that a person should speak about the Torah so that people will know who he is from his words.

159. ד"א כּי עֲשִׂיתָ פֶּלֶא, כּי עֲשִׂיתָ אֶלֶף. וּמֵהוּ אֶלֶף. הָא תְּנִינָן, אֶלֶף בֵּינָה, אֶלֶף בֵּינָה. אֲבָל דִּיּוּקְנָא דָּא, אִיהוּ תַּלְתָּ סְטְרִין. רֵאשִׁית דְּרִזָּא עֲלָאָה דְּאָדָם קְדַמָּאָה. בְּגִין, דְּבִדְיוּקְנָא דָּא, אִית תְּרִין דְּרוּעִין, חַד מִכָּאן, וְחַד מִכָּאן, וְגוּפָא בְּאֲמֻצְעִיתָא, וְכֹלָא רִזָּא חֲדָא. וְאִיהוּ רִזָּא דִּיחֻדָּא, א'. וּבִג"כ אֶלֶף לְחוּשְׁבָנָא אַחַד, וְהֵינָנו כּי עֲשִׂיתָ פֶּלֶא. וְרַב הַמְּנוּנָא סָבָא אָמַר הֲכִי, כּי עֲשִׂיתָ פֶּלֶא, פֶּלֶא דָּא הוּא חַד דְּרָגָא מֵאִינוּן פֶּלְאוֹת חֲכָמָה. וּמֵאֵן אִיהוּ. דָּא נְתִיב לָא יִדְעוּ עֵיט. וְאִיהוּ פֶּלֶא.

160. עֲצוֹת מִרְחוֹק קָרָא לְהָאִי בְּקַדְמִיתָא פֶּלֶא, וְהֲכָא אָמַר פֶּלֶא עֲצוֹת מִרְחוֹק. אֲלֵא הָתָם אֲעֲטִירִךְ לְמַמְנֵי שִׁית סְטְרִין לְדְרָגִין עֲלָאִין, פֶּלֶא יוּעֵץ אֵל גְּבוּר אָבִי עַד שֶׁר שְׁלוֹם. וְהֲכָא, לָא אֲתָא לְמַמְנֵי חוּשְׁבָנָא. אֲבָל עֲצוֹת מִרְחוֹק מֵאִי נִינְהוּ. תְּרִי בְּרֵי עֲרֻבוֹת. דְּכָל עֵיטָא דְּנְבִיאֵי מִתְּמָן אֲתִיא. אִינוּן אֲקָרוּן עֲצוֹת מִרְחוֹק. אֲמוּנָה אוּמָן, תְּרִין דְּאִינוּן חַד, נְהַר וְגֵן. דָּא נְפִיק מֵעֵרֵן, וְדָא אֲשַׁתְּקֵי מִיּוֹנִיהָ. הָא הֲכָא, כָּל רִזָּא סְתִימָא דְּמֵהִימְנוּתָא.

161. Rabbi Elazar asked about Bilaam the wicked, who killed him and how he got killed. Rabbi Yitzchak said, Pinchas and his people killed him, as it says, "And they slew...beside the rest of them" (Bemidbar 31:8). We were taught that in the city of Midian, Bilaam was performing with his witchcraft and that he was flying in the air together with the kings of Midian. If not for the holy gold plate and the prayer of Pinchas that made them drop TO THE GROUND over their slain, THEY WOULD NOT HAVE BEEN VICTORIOUS OVER THEM. That is what is written: "AND THEY SLEW THE KINGS OF MIDIAN, beside the rest of them" and it is written: "Bilaam also, of the son of Beor, the soothsayer, did the children of Yisrael slay with the sword" (Yehoshua 13:22). Rabbi Elazar said to him, I know all this.

162. Rabbi Shimon said, Elazar, all the sayings of Bilaam, the wicked, are harsh. The friends already explained them, as it is written: "And there arose not a prophet since in Yisrael like Moses" (Devarim 34:10). They said that one such did arise but not in Yisrael, rather among the nations of the world. Who was he? That was Bilaam. We have already explained this matter that just as there is no one like Moses in the higher crowns, there is no one like Bilaam in the lower crowns, this one in the aspect of holiness and that one in the aspect of the left since he had all this in his power and he was so strong in wisdom, a person who praised himself with great power, as is written: "While I go to the meeting yonder (Heb. coh)" (Bemidbar 23:15). THE MEANING IS THAT HE MEANT TO SAY, I will uproot coh, WHICH IS MALCHUT, from here. How were they able, then, to kill him?

163. HE RESPONDS: However, in the book of wisdom of King Solomon, it says as follows that there are three indications, an indication of transgression is jaundice, an indication of nonsense is TOO MUCH talk and an indication that he knows nothing is one who keeps praising himself. This one WHO PRAISES HIMSELF has outdone the rest, since he is a fool. He is SUSPECTED in all sinful transgressions and has all of that.

164. HE ASKS: Yet it is written: "Let another man praise you, and not your own mouth" (Mishlei 27:2), WHICH MEANS that if there is no stranger to praise you, then let your own mouth. HE RESPONDS: It is not so. However, THE EXPLANATION IS if there is no one who recognizes you, open your mouth to speak in matters of Torah. Inform the true things that are in the Torah and then, by opening your mouth in the Torah matters, they will praise your words and they will know who you are. There is nothing in the world that tells as much about a person as when he opens his mouth, and his mouth informs people who he is.

12. "Who hears the words of El"

Rabbi Shimon explains the great power that Bilaam had to influence people by his speech, in which he included a good deal of truth. People thought he was the greatest prophet in the world, and in fact he was able to speak with the highest El, but it was a strange El from the Other Side, not "the" El. We hear about the higher ones who rule over the levels of defilement, to whom Bilaam was connected. When Bilaam was giving speeches about levels of defilement people thought he was speaking about the highest sanctity. Rabbi Shimon shows how the parts of the names Balak and Bilaam were included in each other and in the name Amalek.

161. א"ר אלעזר, בלעם חייבא מאן קטיל ליה, והיך אקטיל. א"ר יצחק, פנחס וסיעתיה קטלוהו. דכתיב הרגו על חלליהם. ותנינן, בקרתא דמדין הוה עביד בחכמתא דחרשוי, דטאסין באוירא הוא ומלכי מדין. ואלמלא ציץ דקדושא, וצלוחתא דמינחס, דאפילו להון על קטילויא, הה"ד על חלליהם. וכתיב ואת בלעם בן בעור הקוסם הרגו בחרב. א"ל ר' אלעזר, כל דא ידענא.

162. אר"ש, אלעזר, כל מלוי דבלעם חייבא, תקיפין אינון, והא אוקמוה חברייא, דכתיב ולא קם נביא עוד בישראל כמשה, ואמרו, בישראל לא קם אבל באו"ה קם, ומנו. בלעם, והא אוקימנא מלה, משה לית דכוותיה, בכתרין עלאין. בלעם לית דכוותיה, בכתרין תתאין. דא בסטרא דקדושה, ודא בסטרא דשמאלא. ואי כל דא הוה בידיה, וכ"כ תקיף בחכמתא, גבר דישבח גרמיה בחילא תקיף, דכתיב ואנכי אקרה כה, אעקר לכה מהאי. היאך יכילו לקטלא ליה.

163. אלא בספרא דחכמתא דשלמה מלכא הכי אמר, תלת סימנין אינון. סימן לעברה, ירקון. סימן לשטות, מלין. סימן דלא ידע כלום, שבוחי. ודא אכרע לשאר, שוטה בכל עבירות, כלא אית ביה.

164. והא כתיב יהללך זר ולא פיך, ואם לא זר פיך. לאו הכי. אלא אי לא הוי מאן דאשתמודע לך, אפתח פומך למללא באורייתא, ולאודעא מלי קשוט באורייתא. וכדין פתיחו דפומך באורייתא, ישבחון מילך, ויגדעון מאן אנת, דלית מלה בעלמא דישתמודעון ליה לב"ג, אלא בזמנא דאפתח פומיה. פומיה הודע לבני נשא מאן הוא.

165. The evil Bilaam used to venerate himself in everything. With all these, he used to deceive people's minds and reached a high level with his RHETORICAL speeches. He used to make mountains out of molehills. Whatever he said about these levels of filthy speech, he spoke the truth. However, that wicked one used to speak and heap praise upon himself in a disguised manner and give the impression of his greatness through the use of his WORDS UNTIL whoever listened to him would think that he had exceeded above all the prophets of the world, as it says, "The saying of him, who hears the words of El, and knows the knowledge of the most High" (Bemidbar 24:16), which is the person in the world who hears such talk, and couldn't imagine any other prophet in the world as trustworthy.

166. It was indeed true and that is the way it was. "The saying of him who hears the words of El": That was correct and he was versed in higher knowledge that was correctly so. This evil one was speaking of the levels to which he was attached "who hears the words of El." He heard matters that are of the highest level, AND THERE IS NOTHING ELSE LIKE THEM.

167. So he said, "Who hears the words of El." It is not written: 'the El' since "as for the El, His way is perfect" (Tehilim 18:31). However, simply, "El," which is another El, AS IS WRITTEN: "for you shall worship no other El" (Shemot 34:14). THEREFORE, "who hears the words of El" is merely a minor thing, yet to whoever is unaware and does not recognize it, it seems that it is a great and high achievement. "Who hears the words of El" means that El, who is a strange El, is as written: "For you shall worship no other El."

168. "And knows the knowledge of the most High" (Bemidbar 24:16). THE EXPLANATION IS that THE HIGHER ONES over all the levels of defilement are the ones that steer and lead the ship of the sea and the storm WINDS. They are forty minus one. The captain of the ship, who leads them all, is the highest over all. In that HIGHEST one, this wicked one was connected, and about him he said that he knows "the knowledge of the most High," meaning the highest level of all those who steer the ships OF DEFILEMENT. Who could hear his talk and would not become afraid in his mind and say that there was no one like him! However, that wicked one used to acclaim himself in a vague manner and speak truthful words, except that he used to deceive the minds of the people BECAUSE HE USED TO SPEAK ABOUT LEVELS OF DEFILEMENT. AND THE ONES WHO LISTENED THOUGHT THAT HE WAS SPEAKING ABOUT THE HIGHEST SANCTITY.

165. יהוא רשע דבלעם, שבוחי משבח גרמיה בכלא. ועכ"ד, גניבו דדעתא קא גניב, ואסתלק במלוי. במליון זעירין, הוה עביר רברבין. מה דאמר על אינון דרגין מליון מסאבין הוה אמר, וקשוט אמר. אבל ההוא רשע הוה אמר ומשבח גרמיה בארץ סתים, ואסתלק במלוי, דכל מאן דהוה שמע, חשיב דאסתלק על כל נביאי עלמא, דכתיב שומע אמרי אל ויודע דעת עליון. מאן גבר בעלמא, דהוה שמע מפומיה מליון אליון, דלא חשיב דלית בעלמא נביאה מהימנא כגיניה.

166. וקשוט הוה, והכי הוה. נאם שומע אמרי אל, הכי הוה. ויודע דעת עליון הכי הוה. וההוא רשע הוה אמר על דרגין דאתדבק בהו, שומע אמרי אל, מלה דאיהו בסליקו עלאה.

167. והכי אמר, שומע אמרי אל, האל לא כתיב, דהא האל תמים דרכו. אבל סתם אל, אל אחר איהו. כי לא תשתחוה לאל אחר שומע אמרי אל, מלה זעירא איהו. ודמי למאן דלא ידע, דאיהו רב ועלאה. שומע אמרי אל, ההוא דאקרי אל אחר, דכתיב כי לא תשתחוה לאל אחר.

168. ויודע דעת עליון, על כל דרגין דמסאבו, אינון דמנהגי ארבא דימא וסערא. ארבעין חסר חד אינון. וההוא רב החובל, דכלהו מתנהגי על ידו, איהו עליון על כלהו. בדא הוה מתדבק ההוא רשע, ואמר דהוה ידע דעת עליון, דרגא דאיהו עליון על כלהו מנהגי ארבא. מאן שמע הכי דלא אתבהיל בדעתיה, ויימא דלא הוה כגיניה בעלמא. אלא ההוא רשע משבח גרמיה בארץ סתים ואמר מלוי קשוט, וגניב דעתא דבני עלמא.

169. "Who sees the vision of Shadai": Whoever hears this thinks that he actually used to see what no other visionary saw. HOWEVER, "the vision of Shadai" is one branch of the branches that emerge from the name "Shadai." Why IS IT SO? Because among this wisdom OF THEIRS there are seen three BRANCHES, corresponding to the Shin of "Shadai" that correspond to the three branches OF THE SHIN OF SHADAI, WHICH ARE CHESED, GVURAH AND TIFERET. There are seen branches CORRESPONDING to the two prophets, MEANING THE TWO twigs of the willows, WHICH ARE NETZACH AND HOD that support TIFERET AND corresponding to the 72 branches of the evil eye, WHICH CORRESPONDS TO THE NAME OF 72 OF SANCTITY, THAT IS THE SECRET OF THE BENEVOLENT EYE, to block them, AND ALL THIS EXISTS IN CHOCHMAH OF THE KLIPOT. When Balak came, he said to himself, I will be successful against them, since Amalek came to them with this wisdom and was successful against them.

170. He sent to Bilaam and said to him, I have within my name the two letters of Amalek, which are Lamed Kof, the ending of the name Amalek. I have for myself Lamed, Kof, and Amalek's ending is Lamed, Kof similar to mine. And you have the beginning, Bet Lamed. Rabbi Shimon said to him, Here is how I say it. The beginning of THE NAME Balak is Bet Lamed and the beginning of the name of Bilaam is Bet Lamed; hence, the beginning of Balak was with Bilaam. The ending OF THE NAME of Amalek, MEANING Lamed Kof, was in Balak and the ending of Bilaam, WHICH IS AM is in the beginning of Amalek. SO WE FIND THAT THE NAME ENDING OF BILAAM WHICH IS AM AND THE NAME ENDING OF BALAK, THAT IS LAMED KOF, ARE THE LETTERS AMALEK.

171. You might say that we cannot succeed against them because of the witchcraft of their master Moses, when he extends his hand, MEANING "MOSES STRETCHED OUT HIS HAND OVER THE SEA" (SHEMOT 14:27) AND OTHER INSTANCES. Here, this hand exists among these chiefs, who are more powerful with witchcraft. This is what is written: "Divination in their hand" (Bemidbar 22:7). It is not written: 'in their hands', but rather: "in their hand," meaning hand against the hand OF MOSES, which is how Balak sent for Bilaam.

172. (SOME MISSING HERE). Therefore, "who sees the vision (Heb. machazeh) of Shadai" is as we explained. Therefore, they were punished and they were punished above, and they were called 'visionaries', as is written: "And light (Heb. mechezeh) was against light" (I Melachim 7:5), which is the branch that emerges from there. Who is that visionary? That is Uza and Azael, who are the "falling down, but having his eyes open" (Bemidbar 24:4) and that is the "the vision of Shadai," which he saw when falling down and with open eyes...(SOME MISSING HERE).

13. Tzelyah who threw down Bilaam

Rabbi Shimon informs his son that Bilaam and his sons flew into the air when they saw Pinchas. A member of the tribe of Dan named Tzelyah flew into the air after him, and having found the correct secret path due to some shouted advice from Pinchas, was able to bring Bilaam to earth. The advice from Pinchas had to do with the serpent, and in the end Tzelyah was only able to kill Bilaam with a sword that had a snake engraved on either side; thus Bilaam died by means of the same force by which he had lived. Rabbi Shimon says that Bilaam's bones rotted and turned into harmful snakes, and even the worms that ate his flesh turned into snakes. The book of Asmodeus says that people can still perform powerful witchcraft with those snakes that are found near the rock where Bilaam died. Rabbi Shimon says that the only thing that has the power to catch one of those snakes is hot semen; this is a secret that Solomon told to the Queen of Sheba.

169. אֲשֶׁר מַחֲזֶה שְׂדֵי יַחֲזֶה, מֵאֵן דְּשָׁמַע דָּא, חָשׂוּב דִּהְוָה חֲמֵי מַה דְּלֹא חֲמֵי אַחֲרָא בְּעֵלְמָא. מַחֲזֶה שְׂדֵי, דָּא עֲנַפָּא חָדָא, מֵאִינוּן עֲנַפִּין דִּהְוּ נִפְקִין מִשְׂדֵי. וְלָמָּה. דְּבַחְכְּמָתָא דָּא, אַחֲזֵי תַלְתָּ, לְקַבֵּל שׁ' דְּשְׂדֵי, לְקַבֵּל תַּלְתָּ עֲנַפִּין דְּבִיָּה, וְאַחֲזֵי תְרִין נְבִיאִין, בְּרֵי עֲרֻבוֹת, דְּתַמְכִּין בִּיָּה. לְקַבֵּל ע' תְּרִין עֲנַפִּין דְּעִינָא בִישָׂא, לְסַתְּמָא לֹון. כִּד אַתָּא בְּלָק, אֲמַר אֲנָא אֵיכּוּל לֹון. עֲמַלְק בְּהַדֵי חֲכְמָתָא דָּא אַתָּא לְגַבִּיָּהּ, וַיְכִיל לֹון.

173. HE INQUIRES: Where was Bilaam at that time? If you say in Midian, why is it written: "And now, behold, I go to my people" (Bemidbar 24:14). If he already left, who placed him in Midian? HE RESPONDS: As soon as that wicked one saw that 24,000 fell from Yisrael due to his advice, TO ALLOW FREEDOM FOR THE WOMEN TO BE IMMORAL WITH YISRAEL, he wished to collect from them his recompense. While he was still there, Pinchas and the chiefs of the army arrived there.

174. As soon as BILAAM noticed Pinchas, he flew into the air and his two sons with him, Yunus and Yumbrus. You might say that they died during the episode of the calf, since they are the ones who created and formed THAT CALF. It was surely so, and it is written: "And there fell of the people that day about 3,000 men" (Shemot 32:28). Didn't they know how to figure and account for such a small number? Haven't we found then accounting for other higher and much greater censuses? The scripture there knew how to count and here it is written: "About 3,000 men," MEANING THAT THEY DID NOT KNOW PRECISELY. It is only because these were the sons of Bilaam, Yunus and Yumbrus, who were equal to 3,000 men.

175. HE RESPONDS: It is only because that wicked one knew all the magic in the world and he even took the sorcery of his sons, in which they were accustomed. With those, he flew in the air and ascended. Pinchas saw him, a person flying in the air and vanishing in the air. He raised his voice to the members of his army and said, Is there anyone who is capable of flying and chasing after that wicked one, who is no other than Bilaam himself? They saw him flying.

176. Tzelyah, a member from Dan's tribe, rose and took charge of the powers that are dominant over witchcraft, and flew after him. When the wicked one noticed him, he took another course in the air and penetrated five other layers of air in that course. He rose higher and disappeared from eyesight. At that point, Tzelyah came into danger and was distressed, since he did not know what to do.

177. Pinchas raised his voice and shouted to him, The shadow of the crocodiles that crouch over all the snakes turn over in your hair. TZELYAH instantly knew and discovered that other path, and entered into it. BILAAM immediately appeared and they both descended in front of Pinchas.

173. אַן הוּה בַלְעַם בְּהִיא שַׁעְתָּא. אִי תִימָא בְּמִדְיָן, הָא בְּתִיב וְעַתָּה הִנְנִי הוֹלֵךְ לְעַמִּי. אִי אֶזְל לִיה, מֵאֵן יִהְיֶיה בְּמִדְיָן. אֲלֵא הֵהוּא רָשַׁע, כִּיּוֹן דְּחָמָא דְנִפְלוּ מִיִּשְׂרָאֵל כִּד אֵלֶף עַל עֵיטוּי, אֲתַעֲבָב תַּמָּן וְהוּה בְּעֵי מַנְיִיהוּ אַגְרוּי. וּבְעוֹד דְּאֲתַעֲבָב תַּמָּן, אֲתָא פְּנַחֵס וּרְבַרְבָּנֵי חֵילָא לְתַמָּן.

178. Come and see that wicked one, about whom it is written: "And he went to a steep place (Heb. shefi)" (Bemidbar 23:3). This is one of his higher levels, which is the male snake. Tzelyah took both male and female and, through this, he was able to overpower him, because he took over the charge that was dominating them and they were subjugated to him. This was "an adder (Heb. shefifon) in the path" (Beresheet 49:17), which is on the same path that this wicked one went, as is written: "Dan shall be a serpent by the way" (Ibid.), which refers to Samson. "An adder in the path" refers to Tzelyah.

179. "That bites the horse's heels" (Ibid.): This refers to Ira, who was with David, whose descent was from the tribe of Dan. Through his merit, David's might balanced in his favor, as is written: "And David lamed all the chariot horses" (II Shmuel 8:4). "So that his rider shall fall backwards" (Beresheet 49:17) refers to Srayah, who is destined to come with Messiah, son of Ephraim. He will be a descendant of Dan's tribe and he is destined to take revenge and do wars with the rest of the nations. When this one rises, you will wait for the redemption of Yisrael, as is written: "I wait for Your salvation, Hashem" (Ibid.). Although this verse has already been explained, the definition of it is as we mentioned and as was explained. The verse in the scripture is proof of this.

180. When the wicked one landed in front of Pinchas, he said to him, You evil one, how many evils have you inflicted on this holy nation? He told Tzelyah, Get up and kill him, but not by the Name, since he is not worthy to have the high holy mentioned upon him, in order that his soul should not emerge and be included in words of holy levels, because then it would become fulfilled as he wished and said, Let me die the death of the righteous.

181. At that moment, he tried to kill him in a variety of ways, but he didn't die until he took the sword that had a snake engraved on either side. Pinchas told him, Kill him with his own and by his own cause he will die. He then killed him and prevailed over him, since that is the manner of that side. Whoever follows it dies through it. Through it, his soul will leave and with it, HIS SOUL will be gathered. That is precisely how Bilaam died. He gets judged in the sentences of that world and never gets buried. And all his bones get rotten and turn into many filthy snakes that are harmful to other creatures. Even the worms that eat his flesh turn into snakes.

182. I found in the book of Asmodeus, which he gave to King Solomon, that whoever wants to perform powerful magic that is unobservable by the eye, if he knows the rock where Bilaam had his downfall, he will locate there some of these snakes that resulted from the bones of that evil one. If he kills one of those SNAKES, he could perform high-level sorcery with its head, other magic with its body and different witchcraft with its tail. Each one contains three types of witchcraft.

183. When the queen of Sheba came to Solomon, ONE of the things that she asked Solomon WAS, How do you catch a bone of a snake that contains three sorceries? Instantly, "there was not anything hid from the king, which he told her not" (I Melachim 10:3). She asked about this and she required these snakes, but she could not capture one of them. What did he respond to her about these items that were at her heart, AS IT SAYS, "SHE SPOKE TO HIM OF ALL THAT WAS IN HER HEART" (Ibid. 2)? This is what he informed her, as it says, "And Solomon answered her all her questions" (Ibid. 3). HE SAID, None of the world's inhabitants have power against those snakes, except for one secret thing. What is it? It is boiling hot semen.

184. If you wonder who has the power, it is only when a man is full of desire and he issues that semen that gets expelled willfully and with desire for the purpose of defeating that snake. When it spurts out in boiling heat, they take it immediately in a wrapping, and that wrapping gets thrown onto the snake. Instantly, it bows down its head and they catch it, similar to the way they grab the domesticated rooster. EVEN if they would prepare all their battle gear against one of them, they would not be successful. But when you do this, there is no need for any person in the world to use weapons, or any other thing, and he does not need to be constantly on watch against them, because they all become subservient to him. Then these words touched the heart OF THE QUEEN OF SHEBA, and she desired it.

185. From here on, my son Elazar, the Holy One, blessed be He, did what he did with that wicked one, BILAAM. There is no need to reveal these hidden secrets; however, in order that the friends here should know things that are concealed in the world, I revealed them to you since there are so many concealed laws in the world of which people are unaware, and they are highly concealed great wonders. ABOUT BILAAM and about those comparable to him, we say, "But the name of the wicked shall rot" (Mishlei 10:7). Praised are the truly just, for the scripture says about them: "Surely the righteous shall give thanks to Your name..." (Tehilim 140:14).

Rabbi Aba talks about the prayer of Moses, the prayer of David and the prayer of the poor that is the most important of the three. The prayer of the poor is heard above all others because God is always close to the broken-hearted, and destitute people are always broken-hearted. God delays all other prayers until he has heard their supplications, and, because he knew this, David referred to himself as poor when he was praying. Rabbi Elazar says that all people should do this in order to be heard.

186. "Come now therefore, I pray you, curse me this people..." (Bemidbar 22:6). Rabbi Aba opened the discussion with the verse: "A prayer of the afflicted (poor), when he faints..." (Tehilim 102:1). There are three for whom the expression "prayer" is written and this subject was already explained. One is Moses, one is David and one is the poor man that was included with them and was together with them. You may say that we also find it written: "A prayer of the prophet Habakkuk" (Chavakuk 3:1), for a total of four. HE RESPONDS: that of Habakkuk is not SAID for the reason of prayer, even though the word prayer is written about it, it is rather praise and thanks for the Holy One, blessed be He, for having revived him and performed with him miracles and mighty deeds since he was the son of Shunamit, WHOM ELISHA BROUGHT BACK TO LIFE.

187. However, there are three that are considered a prayer: "A prayer of Moses the man of Elohim" (Tehilim 90:1). This prayer has no comparable equal by any other person. "A prayer of David" (Ibid. 86:1): This prayer has no comparable equal by any other king. "A prayer of the poor" (Ibid. 102:1) is one prayer of the three mentioned. Which is the most important? One says, "A prayer of the poor": this prayer takes priority over Moses' prayer, is before David's prayer and preempts all other prayers of the world.

188. HE INQUIRES: What is the reason? HE REPLIES: Because the poor man is broken-hearted and it is written: "Hashem is near to them who are of a broken heart" (Ibid. 34:19). The destitute has constant complaints with the Holy One, blessed be He, and the Holy One, blessed be He, listens and pays attention to his words. As soon as the poor man says his prayer, He opens all the windows of the firmament, and all the rest of the prayers rising above get pushed away by that destitute, broken-hearted man, as is written: "A prayer of the afflicted, when he faints (Heb. ya'atof, also: 'delays')..." It should have said, 'When he is covered (Heb. yit'ataf)'. Why "when he faints"? It can only be EXPLAINED that he causes the delay, because all other prayers do not enter in until his prayer enters.

189. The Holy One, blessed be He, said, 'Let all the prayers get delayed and this prayer should rise to Me. I do not require a court session to intervene between us. Let all his complaints come directly to Me, and I and he shall settle it on our own, exclusively.' And the Holy One, blessed be He, is left alone with these complaints in that prayer, as is written: "And pours out his complaint before Hashem" (Tehilim 102:1), assuredly "before Hashem."

190. All the hosts of heaven inquire one of the other; what is the Holy One, blessed be He, dealing with, what is he striving with? They reply TO THEM, He is concentrating on His vessels, MEANING THE BROKEN-HEARTED, desiring to be alone with them. Everyone is not aware of what is accomplished from the destitute's prayer and all his complaints, since there is no other desire for the poor except when he spills his tears in displeasure in front of the Holy King. There is no desire for the Holy One, blessed be He, except when He accepts them and they are poured before Him. That is a prayer that causes delay to all the prayers of the world.

190. כָּל חֵילֵי שָׁמַיִם שְׁאֵלִין אֶלֶּיךָ לְאֵלֶיךָ, קוֹדֶשׁא בְּרִיךְ הוּא בְּמַאי אֲתַעֲסֵק, בְּמַאי אֲשַׁתְּדֵּל. אֲמַרִּין, אֲתִיחַדָּא בְּתִיאוּבְתָא בְּמַאֲנִין דִּילִיָּה, כְּלֵהוּ לָא יִדְעוּ מַה אֲתַעְבִּיד מִהֵוּא צְלוֹתָא דְּמַסְכְּנָא, וּמְכַל אִינוּן תּוֹרַעְמִין דִּילִיָּה. דְּלִית תִּיאוּבְתָא לְמַסְכְּנָא, אֲלֵא כִּד שְׂמִיךְ דְּמַעוּי בְּתוֹרַעְמוֹ, קָמִי מְלַכָּא קְדִישָׁא. וְלִית תִּיאוּבְתָא לְקוֹדֶשׁא בְּרִיךְ הוּא, אֲלֵא כִּד מְקַבֵּל לוֹן, וְאוּשְׁדוּ קָמִיהּ וְדָא אִיהִי צְלוֹתָא, דְּעֵבִיד עֲטוּפָא לְכָל צְלוֹתִין דְּעֵלְמָא.

191. Moses poured forth his prayer and was held up for several days due to this prayer, BECAUSE OF THE BESEECHING OF THE POOR MAN. David saw that all the windows and gates of heaven were ready to open to the prayer of the poor. There exists no other prayer in the world to which the Holy One, blessed be He, will give His immediate attention as to the poor man's prayer. As soon as he noticed this, he made himself poor and destitute, removed his royal attire, sat on the ground like the destitute, and said the prayer as it is written: "A prayer of David. Incline Your ear, Hashem, hear me" (Tehilim 86:1). If you say why, it is "for I am poor and needy" (Ibid.). The Holy One, blessed be He, replied to him, 'David, aren't you king and ruler over mighty kings, and you make yourself out to be poor and needy.' Immediately, he returned to pray in another manner and left out the words poor and needy, and said, "Preserve my soul; for I am pious" (Ibid. 2) despite all this that was in David, BOTH POOR AND DEVOUT.

191. מֹשֶׁה צִלִּי צְלוֹתִיהּ, וְאֲתַעֲבֵב כְּמַה יּוֹמִין בְּהַאי תַּפְּלָה. דְּוֹד חָמָא, דְּכָל כּוּיָן, וְכָל תְּרַעֵי שְׁמַיָּא, כְּלֵהוּ זְמִינִין לְאַתְחָא לְמַסְכְּנָא, וְלִית בְּכָל צְלוֹתִין דְּעֵלְמָא, דְּקוֹדֶשׁא בְּרִיךְ הוּא אֲצִית מִיָּד, בְּצְלוֹתָא דְּמַסְכְּנָא, כִּיּוֹן דְּחָמִי הַאי עֵבֶד גְּרַמִּיה עֵנְיָא וּמַסְכְּנָא פָּשֵׁט לְבוּשָׁא דְּמַלְכוּתָא, וְיִתִּיב בְּאַרְעָא כְּמַסְכְּנָא. אֲמַר תַּפְּלָה. דְּכִתִּיב, תַּפְּלָה לְדָוִד הֵטָה יְיָ אֲזַנְךָ עֵנְיָי. וְאִי תִימָא אֲמַאי. בְּגִין כִּי עֵנִי וְאִבְיוֹן אָנִי. אֲלֵ קוֹדֶשׁא בְּרִיךְ הוּא, דְּוֹד, וְלֵאוּ מְלַכָּא אַנְתָּ, וְשְׁלִיטָא עַל מַלְכִין תְּקִיפִין, וְאַתְ עֵבִיד גְּרַמְךָ עֵנִי וְאִבְיוֹן. מִיָּד אַהֲדֵר צְלוֹתִיהּ בְּגוּוֹנָא אַחְרָא, וְשִׁבַּק מְלָה דְּאִבְיוֹן וְעֵנִי, וְאֲמַר שְׁמֵרָה נַפְשִׁי כִּי חָסִיד אָנִי. וְעַכְ"ד כְּלָא הָוֵה בֵּיהּ בְּדוֹד.

192. Rabbi Elazar said to him, You spoke well. Therefore, the person who puts forth his prayers must make himself poor, so that his prayers will be worthy to enter among the prayers of all the poor. All the guardians of the gates do not allow them, THAT IS ALL THE OTHER PRAYERS IN THE WORLD, to just simply enter as they allow the poor one's prayer, since they enter without permission. If a person makes himself poor and desires constantly to be poor, his prayer ascends and meets up with the poor's prayers. It joins up with them and rises together with them, and enters in combination with theirs. And it is received with willingness before the Holy King.

192. אֲמַר לִיָּה רַבִּי אֲלַעְזָר, שְׁמִיר קְאֲמַרְתָּ. וְעַ"ד אֲצִטְרִיךְ לִיָּה לְבַר נֶשׁ דְּצִלִּי צְלוֹתִיהּ, לְמַעַבְד גְּרַמִּיה עֵנִי, בְּגִין דְּתִיעוּל צְלוֹתִיהּ בְּכָלְלָא דְּכָל עֵנְיִים. דְּהַא כָּל נְטוּרֵי תְּרַעִין, לָא שְׁבָקִין הֵכִי לְמוּעָאֵל, כְּמַה דְּשְׁבָקִין לְמַסְכְּנִין, דְּהַא בְּלָא רְשׁוּתָא עֵאֲלוּן. וְאִי עֵבִיד בְּרֵ נֶשׁ גְּרַמִּיהּ, וְשׁוּי רְעוּתִיהּ תְּדִיר כְּמַסְכְּנָא, צְלוֹתִיהּ סְלָקָא, וְאַעֲרַעַת בְּאִינוּן צְלוֹתִין דְּמַסְכְּנִין, וְאַתְחַבְּרַת בְּהוּ, וְסַלְקַת בְּהַדְוִיָּהּ, וּבְכָלְלָא דְּלֵהוּן עֵאֲלָת, וְאַתְקַבְּלַת בְּרַעוּתָא קָמִי מְלַכָּא קְדִישָׁא.

15. Four ways: The poor, the devout, servants, those who sanctify Hashem

Rabbi Elazar goes on to say that King David placed himself among the poor, the pious, the servants, and those who are willing to sacrifice their souls for the sanctification of God's name. We learn that when people are confessing and repenting they do not have to worry about the sins they don't remember, just the ones they do. Rabbi Elazar says that all people need to do as King David did, and that acting as a servant to God includes being pious, poor and willing to offer one's soul for the glorification of God. When someone has done all these things with a willing heart he is acceptable to God, and God calls him His servant and listens to his prayers. The rabbis talk further about the meaning of 'servant' and what the effect of prayer is. They describe the times each day when the Other Side wanders around the world and during which people should pray. The Other Side brings darkness but the windows of the upper lights are opened above those who are praying, and these lights are dispersed over their heads. Anyone who has not come to the synagogue at this time of prayer "walks in darkness" since he is under the dominion of the Other Side.

193. King David has placed himself in four ways. He placed himself with the poor, he placed himself with the devout, he placed himself with the servants and he placed himself with those who are willing to sacrifice themselves and their souls for the sanctification of the name of Hashem. He placed himself with the poor, as is written: "For I am poor and needy" (Tehilim 86:1). He placed himself with the devout, as is written: "Preserve my soul; for I am pious" (Ibid. 2), since a person must not place himself as a wicked one. If you contemplate that he will never confess and repent his sins, SINCE BY DOING SO, HE WILL SET HIMSELF UP AS AN EVIL ONE. It is just not so. Rather if he confesses about his sins, then he is devout, since he approaches to do repentance and removes himself from the Evil Side, where he was in its filth until now. Now, he adhered to the uppermost right, WHICH IS CHESED, and is extended to receive him. AND BECAUSE HE ADHERED TO CHESED, HE IS CONSIDERED PIOUS (HEB. CHASID).

194. Do not say that the Holy One, blessed be He, will not accept him until he specifies all his sins since the day he came to this world, or even those that have been hidden from him and that he can't even remember. IT IS NOT SO. Rather, he is only required to enumerate those SINS that he remembers and if he directs his desire TO BE REGRETFUL ABOUT THEM, DURING HIS CONFESSION, all the other SINS follow after them. IT IS IN THE SAME WAY that we were taught that it is not necessary to check out, WHEN GETTING RID OF LEAVENED BREAD, either the household crevices above nor the house crevices down below. As soon as he checked out in accordance with his eyesight as much as he could see, all the rest follows and is voided with it.

195. We were similarly taught concerning plagues that there are 24 principal organs that do not cause uncleanness due to light healing, where the priest does not bother himself TO OBSERVE THEM. This is what is written: "As far as the priest can see" (Vayikra 13:12). That is the area where the priest can see the plague AT ONCE in one glance, and does not need to bend himself and raise his eyes up or down or either way. Here too, he has no need to enumerate his sins from the day he was born, because it is LIKE the lower crevices of the house THAT REQUIRE NO EXAMINATION. Neither does he need to enumerate those sins that he has already forgotten, and can't remember, that are LIKE the upper house crevices above, only "as far as the priest can see," WHAT HE COULD OBSERVE WITH ONE GLANCE. All the rest follow after them. In this way, David placed himself among the pious. HE CONFESSED HIS SINS AND ADHERED TO THE RIGHT, AS DEFINED.

196. FROM WHERE DO WE TAKE IT THAT he placed himself with the servants? It is written: "Behold, as the eyes of the servants look to the hand of their masters" (Tehilim 123:2) and it is written: "O You, my Elohim, save Your servant" (Ibid. 86:2). FROM WHERE DO WE TAKE IT THAT he offered his soul for the sanctity of Hashem's name? That refers to what is written: "Rejoice the soul of Your servant: for to You, Hashem, do I lift up my soul" (Ibid. 4). King David made himself before his Master into all these four, WHICH ARE THE DESTITUTE, THE PIOUS, THE SERVANTS AND THE MEMBERS WHO ARE WILLING TO OFFER THEMSELVES FOR THE SANCTIFICATION OF HIS NAME.

197. Rabbi Elazar said, I have raised my hands in prayer before the Holy King, since we were taught that a person is not permitted to raise his hands upward, except at prayer, at blessings and at supplications to his master. It is written: "I have raised my hand to Hashem, the most high El" (Beresheet 14:23), which was translated into Aramaic as "I have raised my hands in prayer," since the fingers of the hand contain higher things. Now I practice that, RAISING MY HANDS AT PRAYER, and I say that whoever conforms to these four MENTIONED ABOVE, THE DESTITUTE, THE PIOUS, THE SERVANTS AND THE OFFERING OF HIMSELF FOR HIS NAME'S SANCTIFICATION, before his Master and accomplishes himself with a willing heart in this appropriate preparation here with this manner, his prayers will not return unanswered.

198. At first, ONE MUST PLACE HIMSELF as a servant that is to prepare praises for his Master and sing for Him. That refers to the praises before the prayer service. Following this, HE MUST CONSIDER HIMSELF a servant after he finished saying his standing prayer. He is the servant who arranges prayer to his Master. Following this, HE MUST CONSIDER HIMSELF a servant after he completed his entire prayer, and went to leave. That is why David considered himself a servant three times in this prayer, as is written: "O You, my Elohim, save Your servant" and "Rejoice the soul of Your servant." It is also written: "Give Your strength to Your servant" (Tehilim 86:16). We have here three occasions that there is a need to consider oneself a servant. THAT IS BEFORE THE PRAYER, AFTER THE AMIDAH PRAYER AND AFTER THE WHOLE PRAYER SERVICE AS MENTIONED.

199. Then, ONE NEEDS to place oneself among those who have given their souls for the sake of sanctifying the Holy Name. That is accomplished at the unification of the "Sh'ma Yisrael," for whoever places such willingness of self at this verse, it is considered as if he gave up his soul for the sanctification of Hashem's name.

200. Then he must place himself in the place of the poor, since during the time when he enters and knocks at the doors of the most high up, when he finished saying 'true and certain', and he has brought close 'who have redeemed' to the Amidah prayer, he shall reach the Amidah prayer broken at heart, poor and destitute. And he shall place his will to be included among the poverty-stricken in a broken heart and humility of soul.

201. Following this, THERE IS A NEED to place himself among the devout before He who hears prayer to elucidate his sins, because that is the individual's required initiative before who hears prayer to achieve adherence to the right, THAT IS CHESED. This is extended to receive those who repent and then he is considered pious (Heb. chasid). Here we have the four, as is appropriate.

197. אָמַר רַבִּי אֶלְעָזָר, אֲרִימִית יָדַי בְּצֵלוֹ לְקַמִּי מִלְּפָא קְדִישָׁא. דְּהָא תְּנִינָן, אָסוּר לִיָּה לְבַר נֶשׁ לְאַרְמָא יָדוּי לְעֵילָא, בְּרַ בְּצֵלוֹ, וּבְבִרְכָאן וּתְחַנּוּגִים לְמַרְיָה. דְּכִתְיִב, הֲרִימוּתֵי יָדַי אֶל יְיָ אֵל עֲלִיוֹן, וּמִתְרַגְּמִינָן, אֲרִימִית יָדַי בְּצֵלוֹ, דְּהָא אֶצְבָּעָאן דִּירִין מְלִין עֲלָאִין אִית בְּהוּ. וְהִשְׁתָּא אָנָּא הָכִי עֲבִידְנָא. וְאִמִּינָא דְכָל מָאן דְּאֵלִין אַרְבַּע יָסְדֵּר קָמִי מְאָרְיָה, וְעִבִיר גְּרַמְיָה בְּרַעוּתָא, בְּתַקּוּנָא דָּא בְּדַקָּא יָאוּת, בְּתַקּוּנָא דָּא לֹא תִהְדֵּר צְלוּתִיָּה בְּרִיקְנִיָּא.

200. לְבִתְרָ לְשׁוּאַה גְּרַמְיָה עֲנִי, בְּזִמְנָא דְּעָאֵל וְדְּמִיָּק דְּשִׁין דְּרוּמֵי מְרוּמִים, כִּד אָמַר אֶמֶת וַיְצִיב, וְסִמְיָךְ גְּאוּלָּה לְתַפְלָה. לְמַהוּי בְּצְלוּתָא דְּעִמִּידָה, תְּבִיר לְבָא, עֲנִיא וּמִסְכְּנָא. וּלְשׁוּאַה רַעוּתִיָּה, לְאַתְכַּלְלָא גּוֹ מִסְכְּנֵי, בְּתַבִּירוֹ דְּלְבָא, בְּמֵאִיכוֹ דְּנַפְשָׁא.

201. לְבִתְרָ לְשׁוּאַה גְּרַמְיָה גּוֹ חֲסִידִים, בְּשׁוּמַעַ תְּפִלָּה, לְפָרְשָׁא חֲטָאוּי. דְּהָכִי אֶצְטְרִיךְ יַחִיד בְּשׁוּמַעַ תְּפִלָּה, בְּגִין לְאַתְדַּבְּקָא בִּימִינָא, דְּפִשּׁוּטָה לְקַבְּלָא לְאִינּוֹן דְּתַבִּין, וּכְדִין אֶקְרִי חֲסִיד, הָא אַרְבַּע אֵלִין בְּדַקָּא יָאוּת.

202. HE INQUIRES: Whoever combines all those MENTIONED ABOVE? HE RESPONDS: The one who should include them is the servant that combines all the rest, WHICH ARE SANCTIFYING THE HOLY NAME, POOR, AND DEVOUT. "Servant" is found three times at three places and all are one. About them, it is written: 'Behold, as the eyes of the servants look to the hand of their masters'. Between each servant's service ARE FOUND all these others from the first servant, THAT IS BEFORE THE PRAYER SERVICE, to the last servant, AFTER THE ARRANGEMENT OF THE STANDING PRAYER; one needs to allow the offering of his soul for the sake of sanctifying Hashem's name. One also needs to feel himself as the poor and destitute at the standing prayer and place himself among the pious at 'who hears prayer'. The third servant follows after he completed and conducted the entire prayer, MEANING AFTER THE COMPLETION OF THE WHOLE PRAYER.

203. We were taught at that moment when a person has put in sequence all these four arrangements with a willing heart, he is willingly acceptable to the Holy One, blessed be He. And He spreads His right hand over him at that third servant, WHICH IS AFTER THE ENTIRE PRAYER SERVICE, and calls upon him. He says to him, "You are My servant," as it is written: "And said to me, 'You are My servant Yisrael, in whom I will be glorified'" (Yeshayah 49:3). It is certain that the prayer of this man will not ever be returned empty. Rabbi Aba approached and kissed him.

204. Rabbi Elazar said, Come and see: The two servants out of those three combine within them all the rest of these, SANCTIFYING THE NAME, POOR, PIOUS, because the third SERVANT is there to stamp him with the seal of the above, to place on him the right hand of the King because he is acclaimed by Him. However, these two SERVANTS, the first THAT IS PRIOR TO THE PRAYERS SERVICE and the second THAT IS AFTER THE STANDING PRAYER ARRANGEMENT, are inclusive of all. King David glorified himself with them, as is written: "Hashem, truly I am Your servant; I am the servant..." (Tehilim 116:16), since these are inclusive of all the rest. The third SERVANT FOLLOWING THE ENTIRE PRAYER SERVICE is there to redeem me, as is written: "Help Your servant, You are my Elohim" (Tehilim 86:2). Whoever prepares in this arrangement, let him know that the Holy One, blessed be He, is glorified through him and declares about him: "You are my servant, Yisrael, in whom I will be glorified." Rabbi Aba approached and kissed him.

205. Rabbi Aba said, About this, it is written: "More to be desired are they than gold, even much fine gold..." (Tehilim 19:11). How sweet are the ancient teachings that the earlier generations have arranged. When we taste them, we are unable to eat them, MEANING WE DON'T UNDERSTAND THEM. It is definitely so. The scripture indicates three servants here. They are one in one place, the second is as you mentioned and the third is for the Holy One, blessed be He, to be adorned with, as is written: "For to Me the children of Yisrael are servants; they are My servants" (Vayikra 25:55). THERE ARE TWO SERVANTS BEFORE THE PRAYER, AND AFTER THE AMIDAH PRAYER ARRANGEMENT, IT IS WRITTEN: "They shall not be sold as bondsmen" (Ibid. 42), WHICH IS THE THIRD. The Holy One, blessed be He, needs to be adorned with this third servant; therefore, they must not be sold for the purpose of slavery, since he belongs to the Holy One, blessed be He.

206. Rabbi Elazar opened the discussion saying, "Who is there among you that fears Hashem, THAT OBEYS THE VOICE OF HIS SERVANT, THAT WALKS IN DARKNESS AND HAS NO LIGHT? LET HIM TRUST IN THE NAME OF HASHEM AND RELY UPON HIS ELOHIM" (Yeshayah 50:10). HE ASKS: What is the meaning of: "that obeys the voice of His servant"? This verse has been explained and set by the friends as applicable to the prayers. It is as follows, MEANING whoever is accustomed to come to the synagogue to pray. One day that it happens he doesn't come, the Holy One, blessed be He, inquires about him and says, "Who is there among you that fears Hashem, that obeys the voice of His servant, that walks in darkness, and has no light?" HOWEVER, what is the meaning of: "that obeys the voice of His servant" - the voice of whom? If you say that of "His servant" REFERS TO a prophet or some other person, what is then the relation between the prophet or any other person and the prayer? Is it because, since he performed his prayer, He obeys the voice of a prophet or another person in the world?

207. HE RESPONDS: It is only that he who says his prayer service regularly listens to that voice with which the Holy One, blessed be He, calls to him. And he takes praise in Him, saying that he definitely is His servant. That is the meaning of: "That obeys (also: 'listens') the voice." In which voice? In that voice of him that is considered "His servant." That is the highest praise that a voice was proclaiming about him, that he is His servant. Furthermore, a voice is heard in all these heavens, and he is the servant in the service of the Holy King. This is the meaning of: "That obeys the voice of His servant."

208. "That walks in darkness, and has no light." HE ASKS: Because he did not come to pray, he "walks in darkness." HE RESPONDS: It was however explained only that before Yisrael gather into the synagogues to pray, the Other Side stands around and closes all the upper lights, so that they should not escape and be distributed over the world. Three times a day, this Other Side, which is male and female, goes and wanders around the world. That time was appropriated for prayers, because then no accusations prevail.

209. Then is the opportune period for prayer, because they, THE OTHER SIDE, go to loiter in the dark mountains and Mount Nishpe. At that moment, the windows of the upper lights are opened and leave to dwell upon the houses of worship on the heads of those who say prayers. And the lights are dispersed over their heads. The Holy One, blessed be He, inquires about the one who isn't there and declares, It is a pity about this one who used to come here. Now, he "walks in darkness," is removed from the lights and has gone to wander in the mountains in the world, BECAUSE HE FINDS HIMSELF UNDER THE DOMINION OF THE OTHER SIDE THAT IS IN THE DARK MOUNTAINS. He left that brightness, which is the lamp that gives light IN THE HOUSE OF WORSHIP, and he has no part in it. This is what is written: "And has no light," as it was spread and laid upon the others that are there, IN THE SYNAGOGUE. How much benefit was lost to him. If he were there, "let him trust in the name of Hashem," meaning he would be included in the first servant THAT IS BEFORE THE PRAYER SERVICE "and rely upon his Elohim" in the secret meaning of the second servant, THAT IS, AFTER THE PRAYERS IN THE STANDING PRAYER ARRANGEMENT.

206. פתח ר' אלעזר ואמר, מי בכם ירא יי' וגו'. מאי שומע בקול עבדו. האי קרא אוקמוה חבריאי בצלותא, והכי הוא. מאן דרגיל למיתי לבי בנשתא לצלאה, ויומא חדא לא אתי, קודשא ברין הוא שאיל עליה ואמר, מי בכם ירא יי' שומע בקול עבדו אשר הלך חשכים ואין נגה לו. מאי שומע בקול עבדו. במאן. אי תימא בנביאה, או גבר אחרא, מאן יהב נביאה, או גבר אחרא לצלותא. דבגין דצלי צלותיה שומע בקול נביאה, או דגבר בעלמא.

207. אלא ההוא דצלי צלותין בכל יומא, איהו שומע בההוא קול, דקרי ליה קודשא ברין הוא, ומשתבח ביה, ואמר דאיהו עבדו ודאי. שומע בקול, במאי קול. בההוא דאקרי עבדו. שבחא עלאה איהו דנסיק עליה קול דאיהו עבדו. ותו, דקלא אשתמע בכל אינון רקיעין, דאיהו עבדא דמלכא קדישא, ודא הוא שומע בקול עבדו.

208. אשר הלך חשכים ואין נגה לו, וכי בגין דלא אתא לצלווי הלך חשכים. אלא אוקמוה. אבל עד לא יתכנשוני ישראל לבתי בנסיות לצלאה, סטרא אחרא קיימא וסגיר כל נהורין עלאין, דלא יתפשטון ויפקון על עלמין. ותלת זמנין ביומא אזלי סטרא אחרא, דכר ונוקבא, ומשטטין בעלמא, וההוא עידן אתקן לצלותא, בגין דלא הוי תמן קטרוגא כלל.

209. וכדין איהו עידן לצלותא, בגין דאינון אזלי למשטטא, בטורי חשוך, והר נשפה, כדין פתיחין בני נהורין עלאין, ונפקי ושריאן על בתי בנסיות, ברישיהון דאינון דצלאן צלותין, ומתפלגן נהורין על רישיהו. וקודשא ברין הוא שאיל, על ההוא דלא אשתבח תמן, ואמר חבל על פלניא, דהוה רגיל הכא, והשתא דהלך חשכים ואתעבר מקמי נהורין, והלך לשטטא בטוריא בעלמא, ונפק מההוא נגה נהורא דנהיר, ולית ליה ביה חולקא, אין נגה לון, כמה דאתפלג ושריא על אחרנין דתמן, כמה טבין אתאבידו מניה. ואלו הוה תמן, יבטח בשם יי', בכללא דעבד קדמאה. וישען באלהיו ברזא דעבד תניינא.

210. Rabbi Shimon said, My son Elazar, it is certain that the spirit of prophecy prevails on you. Rabbi Aba said TO RABBI ELAZAR, A lion, the son of a lion, who would rise in front of them when they roar to kill for their prey? All the lions of the world are powerful, and RABBI SHIMON AND HIS SON more than all of them. It is difficult to take the prey out of the mouths of all the lions in the world, but it is easy to take out the prey, MEANING, THE TORAH INSIGHTS, from the lips of these lions; they prey for the meal and provide to everyone.

210. אר"ש, אלעזר ברי, ודאי רוח נבואה שריא עלך. א"ר אבא, אריא בר אריא, מאן יקום קמיהו, כד שאגי למטרף טרפא. כל אריין דעלמא תקיפין, ואלין יתיר מכלהו. כל אריין דעלמא, קשיין לאפקא טרפא מפומייהו, ואלין נוחין לאפקא מפומייהו טרפא. אינון טרפי טרפא, ויהבי לכלא.

211. "That walks in darkness (lit. 'darknesses')" HE ASKS: It should have said, 'That walk (plural)'. Rabbi Elazar said, That is because they, THE OTHER SIDE, dwell together, MALE AND FEMALE, and immediately separate. THAT IS WHAT IS WRITTEN: "walks," meaning together AND THEY ARE ONE. "DARKNESSES" refers to when they are separated already. They begin together and immediately separate, similar to this verse: "A storm wind came out" (Yechezkel 1:4). That is a combined action of male and female, OF THE OTHER SIDE THAT ARE CALLED 'STORM' AND 'WIND'. FOLLOWING THAT, IT SAYS "CAME OUT" IN SINGULAR AND FEMININE FORM, because THE FEMALE leaves THE MALE, since they immediately go apart.

211. אשר הלך חשכים, אשר הלכו מבעי ליה. אמר רבי אלעזר, בגין דאינון שריין בחבורא, ומיד מתפרשן. הלך חבורא, חשכים אתפרשן. שראן בחבורא, ואתפרשן מיד. כגוונא דא, רוח סערה באה, כלל דבר ונוקבא. באה והיא שבקת ליה, מיד מתפרשן.

16. "Even the sparrow has found a home"

Rabbi Shimon says that the souls of the just are God's beloved, and He makes dwellings below and above for them. We hear a description of the three outer walls of the Garden of Eden, and Rabbi Shimon tells his son that some spirits are allowed to see a hidden chamber in the palace where the crowns are stored for Messiah in the time to come. The importance of having holy sons who study the Oral and Written Torahs is emphasized. Finally we hear that Balak saw a vision and knew that he would fall into the hands of Yisrael after they had first fallen into his hands.

212. "And Balak...saw" (Bemidbar 22:1): Rabbi Elazar said, Certainly what Rabbi Chiya said ABOUT THIS VERSE: "BALAK THE SON OF TZIPOR (LIT. 'BIRD') is a concealed matter. However, it is written: "Even the sparrow has found a home, and the swallow a nest for herself" (Tehilim 84:4). HE ASKS: Did King David then say this about a simple PHYSICAL bird?

212. וירא בלק וגו'. רבי אלעזר אמר, ודאי מה דאמר רבי חייא, מלה סתימא הוה. אבל כתיב, גם צפור מצאה בית ודרור קן לה וגו'. וכי דור מלכא, על צפרא בעלמא, הוה אמר מלה דא.

213. HE RESPONDS: It is only as we were taught, how beloved are the souls to the Holy One, blessed be He. If you say all the souls in the world, it is not so. It is only the souls of the righteous whose dwellings are with Him. Their dwellings are above and their dwellings are below, as we were taught. "Even the sparrow has found a home" refers to the spirits of the just.

213. אלא, במה דתנינן, במה חביבין נשמתיין קמי קודשא בריך הוא. אי תימא כל נשמתיין דעלמא. לאו הכי. אלא אינון נשמתיין דצדיקייא, דתמן מדוריהון בהדיה, מדוריהון לעילא, ומדוריהון לתתא. והכי אתמר. גם צפור מצאה בית, אלין רוחיהון דצדיקייא.

214. We were taught that there are three outer walls to the Garden of Eden. Between each one of them, many spirits and souls walk leisurely there and derive pleasure from the fragrance enjoyed by the righteous that are inside the Garden of Eden, although they themselves did not earn the merits to enter WITHIN. However, it is written of the enjoyable pleasure of the just that are inside: "Neither has the eye seen, that Elohim, beside You" (Yeshayah 64:3).

214. תנינן, תלת שוריין אינון לג"ע, ובין כל חד וחד, במה רוחין ונשמתיין מטיילין תמן, ואתהנן מריחא דענוגין דצדיקייא דלגו, אע"ג דלא זכו למיעאל. אבל ענוגא דרוחיהון דצדיקייא דלגו, עין לא ראתה אלהים וגו'.

215. There are designated days during the year, which are the days of Nissan and Tishrei, when these spirits wander and visit the place they should. Even though there are lots of occasions when they wander, these days are marked and are visible on the outer walls of the Garden, each one individually in a depiction of chirping birds, regularly each morning.

216. That chirping is praise to the Holy One, blessed be He, and a prayer about the lives of the human beings in this world, because in these days, the children of Yisrael are busily involved in the precepts and commandments of the Master of the world. Then, these birds appear to be chirping happily and they chirp and whisper praises and gratitudes and pray for the living of this world on the walls at the Garden of Eden.

217. Rabbi Shimon said, Elazar, you certainly spoke well, since these spirits are definitely there. But what would you say IN THE EXPLANATION OF THE VERSE: "And the swallow (Heb. dror) a nest for herself"? He said, This is what I was taught: that refers to the holy soul, WHICH IS CALLED 'DROR', SHE BEING THE BROAD LIGHT OF BINAH, WHICH IS FREEDOM (HEB. DROR) that rises above and ascends to a hidden and stored area, where "neither has the eye seen, that Elohim, beside You..."

218. Rabbi Shimon said, Elazar, you certainly spoke well and that is lovely. However, all this is in the Garden of Eden below, and it is as you said, and most definitely so: "Even the sparrow has found a home" refers to the holy spirits that deserved afterwards to enter and leave, following their wanderings WITHOUT ANY PLACE TO SETTLE. They are depicted as birds and these spirits have now found a dwelling place. Each individual definitely has a specified residence within.

219. In spite of all this, ALL THESE SPIRITS get burned from the adjoining canopies of their neighbors, from these that have freedom and liberty of all. And the Holy One, blessed be He, allows them to see one hidden chamber in the palace that is stored away, which "neither has the eye seen, that Elohim, beside You." That palace chamber is called 'bird's nest' and from there come crowns that are adorned for Messiah in the future to come, because on designated days, three times a year, the Holy One, blessed be He, wishes to enjoy merrily with these righteous and show them that palace that is hidden and stored away. It is not recognized by all the righteous that are there.

220. "Where she may lay her young. Your altars" (Tehilim 84:4). These are the righteous, who laid their foundations with holy sons that earned the merit of the written and oral Torah in this world. THE WRITTEN LAW AND ORAL LAW are considered the two altars, AND THESE RIGHTEOUS get adorned before the Holy King, because the earned merits of their sons in this world protect them, and they get decorated there. Which spirit earns the benefits of all this? The one that lays her young TO TEACH THEM "Your altars," WHICH ARE THE TWO TORAH LAWS, AS MENTIONED. From here on, speak your words, so I will appear there without shame BECAUSE OF THE MERIT OF A SON LIKE YOU WHO STUDIES BOTH TORAHS.

221. Rabbi Elazar opened the discussion saying, "Even the sparrow has found a home" and that refers to Jethro. "And the swallow (Heb. dror) a nest for herself": That is his sons, who were in the Temple treasury for congregational sacrifices studying Torah, and decree Torah laws with their lips. "Find a home": What is the meaning of that? HE RESPONDS: It is because they journeyed and camped in the desert at first, then traveled from the pleasures of Midian and from their sweet life there and camped in the desert. When the Holy One, blessed be He, noticed their desire for Torah, He drew them from there and gave them a place in the temple's chambers. "And the swallow a nest for herself" is all one and the same, because a sparrow and swallow are both one and the same bird. AND NEST (HEB. KEN) IS LIKE: "Heber the Kenite" (Shoftim 4:17), their tribal name as well as: "And Saul said to the Kenites" (I Shmuel 15:6).

222. Come and see what is written: "And Balak the son of Tzipor saw." Why the difference that his father's name is mentioned rather than the rest of the other kings OF MIDIAN WHO DID NOT HAVE THEIR FATHER'S NAMES MENTIONED? HE RESPONDS: It is only because Jethro drew himself away and was removed from idol worship, and he together with his children approached Yisrael to join with them. The whole world excommunicated him and persecuted him.

223. Balak was from the descendants OF JETHRO and deviated from the ways of his father. When the elders of Moab and the elders of Midian, who were brotherly friends in their idol worship, saw that Jethro and his children adhered to the Shechinah, this one distanced himself from them. They came together and crowned him king over them at that time, as is written: "And Balak the son of Tzipor was king of Moab at that time." At that period of time, he was the king, something that he was not before then. Therefore, it is written: "the son of Tzipor" THAT ALLUDES TO JETHRO WHO WAS CALLED 'ZIPOR' TO INDICATE that it was not proper to do so, BECAUSE HE WAS FROM THE DESCENDANTS OF JETHRO CALLED 'ZIPOR'. HE INQUIRES: It says, "And Balak...saw," but it should have said 'heard'. What is the meaning here of: "saw"? HE RESPONDS: He saw a vision and he was aware that he was destined to fall into the hands of Yisrael. The children of Yisrael will first fall into his hands and only afterward would he fall into Yisrael's hands. That is the reason it says: "And Balak the son of Tzipor saw."

17. "If you know not, O you fairest among women"
Rabbi Aba wonders about the meaning of Congregation, and Rabbi Shimon explains that sometimes the female, Malchut, is called Congregation; this means that she receives many blessings from above but slows down the flow to the lower grades because she finds so little faith there.

Wherever she finds a little faith she drips a little dew. If the faith were as great as it is in her, the blessings would have flowed in every direction. Those people who have no faith delay the gifts from being provided below. Rabbi Shimon tells what happens when Yisrael sins, and he talks about the destruction of the two temples and the two exiles to Babylon and Edom. We hear that the Shechinah wonders how she will be able to feed her children in exile from the dew and water of Chassadim at a time when Judgment prevails. Rabbi Shimon says that Zeir Anpin tells her to gain strength for herself by listening to the children who study the Torah. Another explanation of the verse under discussion is that the Shechinah behaves kindly to her children in great secrecy. The rabbis talk about Yisrael (the son) acting rebelliously toward the Father in heaven. Finally we hear that Balak and the Amorites wanted to destroy Yisrael because Yisrael took their land and made it into pasture for their herds.

224. Rabbi Aba opened the discussion with the verse: "If you know not, O you fairest among women, go your way forth by the footsteps of the flock" (Shir Hashirim 1:8). The assembled Congregation of Yisrael spoke in this manner in the presence of the King up high. The Congregation of Yisrael? What is the meaning of this congregation? HE RESPONDS: That is the assembly, meaning the gathering, as it says, "Which was the rearward (gatherer) of all the camps" (Bemidbar 10:25), since it assembles to her all the higher camps, MEANING MALCHUT WHICH RECEIVES FROM ALL THE FIRST NINE SFIROT.

225. Sometimes the female, WHICH IS MALCHUT, is called by the name 'congregation', and it says ABOUT HER "assembly." THAT IS DERIVED FROM WITHHOLDING, as it says, "For Hashem has fast closed" (Beresheet 20:18), WHICH MEANS she receives and does not provide. So it is certain that, due to the great Faith and trust within her, no fault exists in her. She, MALCHUT, is granted without any delay and when THE ABUNDANCE reaches her, she holds in all that she gathered in, and slows down and delays it so it should not fall and shine, but rather, only as dew, drop by drop, bit by bit. What is the reason? Because she finds no Faith below, except as it says: "Here a little, and there a little" (Yeshayah 28:13), MEANING a little merit and a little illumination, JUST LIKE dew, measure for measure.

226. If there would have been Faith IN THE WORLD as it prevails in her, IN MALCHUT, it would have flowed in every direction, BOTH CHOCHMAH ON THE LEFT SIDE AND CHESED ON THE RIGHT SIDE, without any delay at all. She would have been glad and then she would have received many presents and gifts on top of this, MEANING ONE GIFT FOLLOWING ANOTHER GIFT, and nothing would be held back from her. However, the lower ones, IF THEY LACK FAITH, delay these GIFTS, WHICH SHOULD BE SUPPLIED IN ABUNDANCE TO MALCHUT. As a result, they hold back MALCHUT FROM PROVIDING FOR THE LOWER ONES. At that point, they are referred to as "atzeret (lit. 'assembly')" and "for Hashem has fast closed (Heb. atzar)," so that Hashem so to speak is giving the essence and nothing more.

227. Notwithstanding all this, as a mother who provides for her children in secret so no one should notice her, so MALCHUT acts to her children, to Yisrael. I learned from the holy luminary that, when MALCHUT ascends to receive the pleasures and delights, fault exists in Yisrael below. Then a tiny drop of BLOOD, AS a mustard seed, reaches her and immediately HER DOMINATION is removed. She dwells over it for several days; then they are aware above that there is some fault with Yisrael.

224. רְבִי אַבָּא פָתַח, אִם לֹא תִרְעִי לְךָ הַיָּפֶה בְּנָשִׁים צְאִי לְךָ בְּעֵקְבֵי הַצֹּאן. בְּנִישְׁתָּא דִּישְׂרָאֵל אִמְרַת לְגַבֵּי מַלְכָּא עֲלָאָה. בְּנִישְׁתָּא דִּישְׂרָאֵל, מֵהוּ בְּנִישְׁתָּא. דָּא אִיהוּ עֲצָרַת, בְּנִישׁוּ. כַּד"א, מֵאִסְפָּה לְכָל הַמַּחֲנוֹת. מֵאֵן דְּכָנִישׁ לְכָל מִשְׁרִיזִין עֲלָיִן לְגַבִּיָּה.

227. וְעַב"ד כְּאִימָא יְהִבַתְּ לְבָנִין בְּטְמִירוּ, דְּלֹא יִדְעִין בְּהָ, הָכִי עֲבִידַת לוֹן לְבִנְהָא יִשְׂרָאֵל. וְאוֹלִיפְנָא מְגוּ בּוּצִינָא קְדִישָׁא, דְּבִשְׁעַתָּא דְּאִיהִי סְלִיקַת לְמִנְקַט עֲנוּגִין וְכִסּוּפִין, וּמוּמָא אֲשַׁתְּכַח בְּהוּ בְּיִשְׂרָאֵל לְתַתָּא, כְּדִין מְטִי לְגַבְּהָ טְפָה דְּחֻרְדֵּל וּמִיד אַעֲדִיאַת, וְיִתִּיבַת עֲלָהּ יוּמִין בְּמַנְיִן. וּכְדִין יִדְעִין לְעִילָא, דְּמוּמָא בְּהוּ בְּיִשְׂרָאֵל.

228. The left is awakened instantly, pulls a string below, "and his eyes were dim, so that he could not see" (Beresheet 27:1). Whatever he observed PREVIOUSLY with a favorable eye, in the sense of Abraham, THAT IS CHESED, without any judgment at all, now "his eyes were dim, so that he could not see." "See": From seeing definitely, which means from looking at it with a sense of compassion. Then there is an awakening of Samael in a strong voice to stir accusations on the world, as is said: "He called Esau, his eldest (bigger) son" (Ibid.). He is bigger, towards the camps of the Other Side he is great, and steers all the ships in the ocean that meet the evil wind, to sink them into the depth of his ocean.

229. When the Holy One, blessed be He, is in a state of compassion, He hands him over all the sins and iniquities of Yisrael. He throws them into the depths of the sea, MEANING TO HIS CAMPS, since all His camps are considered the depths of the sea. They take them and wander with them to all the rest of the nations. HE INQUIRES: Do the sins of Yisrael and their iniquities get thrown and divided to their nations? AND WHY SHOULD THEY DO THIS? HE RESPONDS: It is only because they wait in anticipation for the gifts from above like dogs at the table. When the Holy One, blessed be He, takes all the sins of Yisrael and throws them to them, they all immediately think that the gifts and presents that were meant to be given to Yisrael were removed from Yisrael and were granted to them. Immediately, they simultaneously all together throw them to all other nations.

230. Come and see the assembly of Yisrael. She said at first, "I am black, but comely" (Shir Hashirim 1:5). Then she degraded herself before the King up high and asked of Him, saying, "Tell me, O you whom my soul loves, where (Heb. Eichah) you feed, where you make your flock rest at noon" (Ibid. 7). HE INQUIRES: Why twice "Eichah (lit. 'how')"? HE RESPONDS: It is only that they are alluding to the two destructions of the two temples. When everybody reads the scriptural verses of Eichah, Eichah - "where you feed" at the destruction of the first temple house and "where you make your flock rest" at the destruction of the second temple house. Therefore, it is written twice - Eichah, Eichah.

231. HE INQUIRES: "You feed" and "you make rest." One is not like the other. WHAT IS THE DIFFERENCE BETWEEN THEM? HE REPLIES: The Babylonian exile was for a short period, and he calls it: "you feed." About the Edomite exile, which is for a prolonged period, he calls it: "you make rest." Therefore, two times Eichah, Eichah. Another reason: "You (also: 'she will') feed" and "you make rest" should have read: 'he feeds' and 'he makes rest', since it refers to Yisrael. HE RESPONDS: Only that she, THE SHECHINAH, said it about herself, Eichah, how will your bride THAT IS THE SHECHINAH feed her children in exile, when they will be among the other nations? How will she make rest, drip upon them dew and water, MEANING CHASSADIM, in the heat of high noon, MEANING AT A TIME WHEN JUDGMENTAL FORCES ARE DOMINANT?

232. Why should I be like one who cloaks himself, meaning at the time when Yisrael calls UPON THE HOLY ONE, BLESSED BE HE, from their distress and sorrow? The rest of the nations curse and insult them. When will you leave this exile? Why does your Elohim not perform any miracles for you and take revenge ON YOUR ENEMIES? He, ZEIR ANPIN, replies to her, "If you know not (lit. 'for yourself'), O you fairest among women" (Ibid. 8). What is the meaning of: "for yourself"? "If you know not for yourself" how to gain the strength for yourselves in this exile and be strengthened with power to guard over your children. Get out and be strengthened "by the footsteps of the flock": This refers to the children in their master's schools, who learn and study Torah. FROM THEM, YOU WILL TAKE THE STRENGTH TO SHIELD YOUR CHILDREN.

233. "And feed your kids" (Ibid.): These are the ones who were taken away from the suckling breasts, who departed from the world and were drawn to the upper Yeshivah; that is, "besides (lit. 'over') the shepherds' tents." "Over" is precisely above. It does not say, 'By the shepherds' tents', but "above the shepherds' tents" that refers to the Yeshivah of Metatron THAT IS ABOVE, HIGHER THAN THE SHEPHERDS' TENTS IN THIS WORLD, SINCE THE SHEPHERDS, WHO ARE THE LEADERS IN THIS WORLD, ASCEND UP ABOVE AFTER THEIR DEPARTURE. There are all the powerful and children of the world, and the leaders of the Torah, who guide in matters of the forbidden and permitted of this world, and all the matters necessary for the inhabitants of this world. THEREFORE, THEY ARE REFERRED TO AS SHEPHERDS, since "the footsteps of the flock" refers to the children, as we explained. THE "SHEPHERDS" REFER TO THE LEADERS OF THE WORLD.

234. Rabbi Elazar said, "The footsteps of the flock" are the students in the seminary house who come afterward to the world and find the Torah in a straightforward open manner. Therefore, they renew ancient insights every day, and the Shechinah prevails on them and listens to what they have to say. It is written: "And Hashem hearkened, and heard it" (Malachi 3:16). Rabbi Aba said, That definitely is the case, and it all amounts to the same thing.

235. Another explanation of: "If you know not for yourself." Why "for yourself"? It is that anywhere the children of Yisrael are in exile, THE SHECHINAH is with them in exile. It is also written: "In all their afflictions He is affected" (Yeshayah 63:9). Therefore, it says "for yourself," MEANING FOR YOUR SAKE, SINCE SHE TOO IS IN EXILE. "You fairest among women," "fairest": she said she was black, as it says: "I am black," and he says to her: you are comely, "you fairest among women," meaning she is prettier than all the levels. It is written: "You are fair, my love" (Shir Hashirim 1:15).

232. שְׁלֵמָה אֱהִיָּה כְּעוֹטֵיהָ, בְּשַׁעֲתָא דְיִשְׂרָאֵל קְרָאן מְגוּ עֲאָקוּ, דְּחִיקוּ דְלֵהוּן, וְשָׂאֵר עֲמִין מְחַרְפִּין וּמְגַדְפִּין לוֹן, אֵימַתִּי תַפְקוֹן מִן גְּלוּתָא. אֵלֶּהֶכּוֹן הֵיךְ לֹא עֵבִיד לְכוֹן נְסִין. וְאֵנָּה יְתִיב כְּעוֹטֵיהָ, וְלֹא יִכְלִית לְמַעַבְדַּ לְכוֹן נְסִין, וְלִמְיָהֵב לוֹן נוֹקְמִין. אִיהוּ אֲתִיב לְגַבְהָ, אִם לֹא תִדְעִי לֶךְ הֵיפָה בְּנָשִׁים. הָאִי קְרָא הָכִי מִבְּעֵי לֵיהּ, אִם לֹא תִדְעִי הֵיפָה בְּנָשִׁים. לֶךְ אֲמַאי. אֵלֹא אִם לֹא תִדְעִי לֶךְ: לְאַתְקַמָּא גְרַמְךָ בְּגְלוּתָא, וְלְאַתְקַמָּא חֵילָא, לְאַגְנָא עַל בְּנֵךְ. צְאִי לֶךְ, צְאִי לֶךְ לְאַתְקַמָּא בְּעַקְבֵי הַצֵּאן. אֵינּוֹן תִּינוּקוֹת דְּבִי רַבָּן, דְּאוֹלְפֵי תוֹרָה.

235. ד"א אִם לֹא תִדְעִי לֶךְ. לֶךְ לְמָה. אֵלֹא בְּכָל אֲתֵר דְּיִשְׂרָאֵל בְּגְלוּתָא, אִיהִי עֲמַהוּן בְּגְלוּתָא. וְע"ד כְּתִיב לֶךְ, וְכְתִיב בְּכָל צַרְתֶּם לוֹ צָר. וְדָא הוּא לֶךְ. הֵיפָה בְּנָשִׁים, הֵיפָה, אִיהִי אֲמַרְתָּ דְּאִיהִי אוֹפְכַמְתָּא, כְּדָא שְׁחוּרָה אָנִי. וְאִיהוּ אָמַר לְגַבְהָ, יִפָּה אֲתָּ, שְׂפִירְתָּא, הֵיפָה בְּנָשִׁים, שְׂפִירְתָּא אִיהִי עַל כָּל דְּרָגִין, וְכְתִיב יִפָּה אֲתָּ רַעֲיָתִי.

236. Another explanation of: "You fairest among women" means that she is generous with kindness and that she behaves in a kind manner to her children in a secret and hidden manner. The Holy One, blessed be He, is generous with His benefits to her concerning all she does for her children in a veiled and hidden way, although not all her activities are fit and proper.

237. Rabbi Aba said, I wonder about what it says, "If a man have a stubborn and rebellious son, who will not obey the voice of his father, or the voice of his mother, and that, when they have chastened him, will not hearken to them: then shall his father and his mother lay hold of him" (Devarim 21:18). We were taught that when the Holy One, blessed be He, said this to Moses, that he write, MEANING, RECORD THE EPISODE OF THE STUBBORN AND THE REBELLIOUS, Moses said to him, Leave this alone. Is there then a father who could do this to his son? Moses saw in advance with his wisdom everything that the Holy One, blessed be He, was destined to do to Yisrael, MEANING TO SAY THAT HE OBSERVED THIS FROM A DISTANCE. HE NOTICED THAT THIS EPISODE OF THE "STUBBORN AND REBELLIOUS" ALLUDES TO THE MANNER THAT THE HOLY ONE, BLESSED BE HE, WILL DEAL WITH YISRAEL. THEREFORE, he said, Master of the world, leave this. And the Holy One, blessed be He, replied to Moses, 'I see what you are saying, but write it down and receive your wages. You know but I know more. Whatever you notice, it is for Me to act upon. Explain that passage through homiletical discourse, but forget ITS SECRET.'

238. At that moment, He gestured to THE ANGEL Yofiel, the chief minister of the Torah. YOFIEL said to Moses, I explained this verse. It says: "If a man have" and it refers to the Holy One, blessed be He, as it says: "Hashem is a man of war" (Shemot 15:3). It also refers to a son, which is Yisrael, "stubborn and rebellious," as is written: "For Yisrael is headstrong like a headstrong heifer" (Hoshea 4:16). "Who will not obey the voice of his father, or the voice of his mother": That is the Holy One, blessed be He, and the assembled Congregation of Yisrael, WHICH IS MALCHUT. "When they have chastened him" is as is written: "Then Hashem testified against Yisrael, and against Judah, by all the prophets, and by all the seers..." (II Melachim 17:13). "Will not hearken to them," as is written: "Yet they would not hear..." and "then shall his father and his mother lay hold of him," meaning with the same mind and agreement.

239. "And bring him out to the elders of his city, and to the gate of his place" (Devarim 21:19): HE ASKS: It should have said, 'To the elders of their city'. Why "to the elders of his city"? "And to the gate of his place," why is "his" IN SINGULAR FORM? HE RESPONDS: "To the elders of his city" refers to the Holy One, blessed be He, and "to the gate of his place" refers to the assembled Congregation of Yisrael, MALCHUT. HE EXPLAINS, "The elders of his city" refers to the ancient times, the most ancient days of all, WHICH IS THE SECRET OF THE FIRST THREE SFIROT OF ZEIR ANPIN, BEFORE WHICH JUDGMENT IS PUT. "The gates of his place": That is the Musaf (additional prayer) of Shabbat, THE FIRST THREE SFIROT OF MALCHUT THAT ARE ADDED TO HER IN THE SHABBAT.

236. ד"א היפה בנשים, טבתא בטיבו. דעבדות טיבו לבנהא, בטמירו בגניזו. וקודשא בריך הוא סגי טב עליה, כל מה דעבדות לבנהא בטמירו בגניזו, אע"ג דלא מכשרן עובדין. מכאן דאתחזי לאבא כד אמא רחמא על בנין ותאיב עליה כל מה דעבדת לבנהא רחמין בטמירו אע"ג דלא מכשרן עובדו.

237. אמר ר' אבא, תוהנא על ההוא דכתיב בי יהיה לאיש בין סורר ומורה וגו', ותפשו בו אביו ואמו וגו', ותנינן, דבההיא שעתא אמר קודשא בריך הוא למשה כתוב. אמר ליה משה, מאריה דעלמא, שביק דא, אית אבא דעביד כדין לבריה. ומשה מרחיק הוה חמי בחכמתא, כל מה דזמין קודשא בריך הוא לבני ישראל. אמר, מאריה דעלמא, שבוק מלה דא. א"ל קודשא בריך הוא למשה, חמינא מה דאת אמר, כתוב וקבל אגרא. את ידעת ואנא ידע יתיר. מה דאת חמי, עלי ההוא עובדא. דרוש קרא ותשבח.

238. בההוא שעתא רמו ליה ליופיא"ל, רבנא דאורייתא, אמר למשה, אנא דרישנא להאי קרא כתיב בי יהיה לאיש, דא קודשא בריך הוא, דכתיב יי' איש מלחמה. בן, דא ישראל. סורר ומורה, דכתיב בי כפרה סוררה סרר ישראל. איננו שומע בקול אביו ובקול אמו, דא קודשא בריך הוא וכנסת ישראל. ויסרו אותו, דכתיב, ויער יי' בישראל וביהודה ביד כל נביאי כל חוזה וגו'. ולא שמע אליהם, דכתיב ולא ישמעו אל יי' וגו'. ותפשו בו אביו ואמו, בדעתא חדא. בהסכמה חדא.

239. והוציאו אותו אל זקני עירו ואל שער מקומו. אל זקני עירו, אל זקני עירם, ואל שער מקומם, מבעי ליה, מאי אל זקני עירו, ואל שער מקומו. אלא, אל זקני עירו, דא קודשא בריך הוא, ואל שער מקומו, דא כנסת ישראל. זקני עירו, אלון יומין קדמאין, יומין עתיקין דכלא. שער מקומו, דא מוסף שבת.

240. Notwithstanding all this, although all are knowledgeable above in judgment, HE REMOVED THE JUDGMENT FROM THE GATE OF HIS PLACE, BECAUSE the mother's court, THAT IS MALCHUT, are related to Yisrael and are attached to them. Any close relative cannot sit in trial judgment for relatives and is disqualified to pass sentence. THEREFORE, it is first written: "to the elders of his city" and then "to the gate of his place." As soon as the Holy One, blessed be He, noticed that they were related, He immediately removed the trial from "the gate of his place." THAT IS THE FIRST THREE OF MALCHUT, WHICH ARE RELATIVES, and it is written following that: "And they shall say to the elders of his city." It is not written: 'to the gate of his place', but rather only "to the elders of his city" alone.

241. THEY SAY ABOUT YISRAEL: "This our son" (Devarim 21:20) specifically and no other nation "is stubborn and rebellious, he will not obey our voice" (Ibid.). HE INQUIRES: What is the change, that at first it is not written "a glutton and drunkard," and later it is written: "he is a glutton and a drunkard" (Ibid.). HE RESPONDS: What is the cause for Yisrael to be wayward and rebellious toward their Father in heaven? It is because he is a glutton and a drunkard among the rest of the nations, as it says, "But mingled among the nations, and learned their works" (Tehilim 106:35). It is further written: "And the people ate, and bowed down" (Bemidbar 25:2), since the essence and foundation is the eating and drinking, as they did WHEN THEY WERE among the rest of the nations. That caused them to be stubborn and rebellious toward their Father in heaven.

242. That is why IT IS WRITTEN: "And all the men of his city shall stone him with stones" (Devarim 21:21). This refers to the rest of the nations who were aiming and hurling stones at them. They knocked down the walls and smashed the towers. ALL THIS does not benefit them at all, BECAUSE THEY COULD NOT PREVAIL AGAINST YISRAEL. When Moses heard this, he wrote this passage.

243. Notwithstanding all this, "you fairest among women," WHICH IS MALCHUT, the best and dearest among all the women in the world, "go your way forth by the footsteps of the flock." We already explained that these are the synagogues and houses of study. "And feed your kids": these are the children of their master's school who have never tasted any taste of sin in the world. "Besides the shepherds' tents": these are the teachers of the children and the heads of the Yeshivas.

244. Another explanation of: "Besides the shepherds' (Heb. roim) tents": the Vav is missing IN THE WORD ROIM AND IT IS AS IF IT SAYS RAIM (LIT. 'EVIL ONES'). THIS INDICATES that they are evil, meaning the Amorite kings, from whom Yisrael have taken the land to give pasture to their herds. And Yisrael have turned that land to pasture land. Then Balak heard that Yisrael turned the land that was so important into grazing land, the land over which Yisrael made battle, and so demolished it as to make it into pasture. He then strove in whatever means was at his disposal and joined Bilaam with him.

240. ועב"ד, אע"ג דכלא ידעין, דינא לעילא איהו, בגין דבי דינא דאמא קריבין אינון לישראל, ואחרין בהו, וכל קריב לא דאין דינא לקרובים, ופסול איהו לדינא. בקדמיתא מה בתיב, אל זקני עירו ואל שער מקומו, בין דחמא קודשא בריך הוא דאינון קריבין, מיד סליק דינא משער מקומו, מה בתיב בתריה, ואמרו אל זקני עירו לחוד. ואל שער מקומו לא בתיב, אלא אל זקני עירו.

241. בנינו זה ודאי, ולא דשאר עמין. סורר ומורה אינון שומע בקולנו. מאי שנא, דהא בקדמיתא לא בתיב זולל וסובא, ולבתר בתיב זולל וסובא. אלא מאן גרים להו לישראל, למהוי סורר ומורה לגבי אבוהון דבשמיא, בגין דאיהו זולל וסובא, בשאר עמין דכתיב ויתערבו בגוים וילמדו מעשיהם וכתיב ויאכל העם וישתחוו, דעקרא ויסודא אכילה ושתיה, כד עבדין בשאר עמין. דא גרים לון, למהוי בן סורר ומורה, לגבי אבוהון דבשמיא.

242. וע"ד ורגמהו כל אנשי עירו באבנים. אליון כל שאר עמין, דהוו מקלעין להו באבנים, וסתרין שורין, ומנתצין מגדלין, ולא מהני לון כלום. בין דשמע משה כרין, כתב פרשתא דא.

244. ד"א על משכנות הרועים, חסר ו'. אינון בישין, אליון מלכי האמורי, דנטלו ישראל ארעא דלהון, לרענא מקניהון, ולבי מרעה ירב ישראל ארעא דא. כרין שמע בלק, דארעא דהות חשיבא כ"כ, עבדו ישראל קרבא דא, וסתריו לה, עד דשוו לה בי מרעה. כרין אשתדל בכל מה דאשתדל, ושתף בהדיה לבלעם.

18. "Thus says Hashem"

We hear about the three gates or orders of justice: Baba Kama, Baba Metzia and Baba Batra. Rabbi Shimon says that God treats the sins of the children of Yisrael as though they were errors, not intentional acts. He talks about Balak's request to Bilaam to curse Yisrael; Balak knew that many of the people of Yisrael would fall dead because of his own armies, so he felt the time was opportune for the curse. Lastly Rabbi Shimon says that

neither Balak nor Bilaam were aware that they themselves would be destroyed afterward.

245. "And Balak...saw": Rabbi Chizkiyah opened the discussion saying, "Thus says Hashem, 'Keep judgment, and do justice: for my salvation is near...'" (Yeshayah 56:1). How beloved are Yisrael before the Holy One, blessed be He. Although they have sinned and are sinning constantly, He turns their intentional acts into mistakes.

246. This is how Rav Hamnuna Saba (the elder) said they prepared three gates of justice in the orders of the Mishnah. The first one is: "The four sources of harm are the ox," WHICH IS BABA KAMA (FIRST ORDER). The second gate is a garment that was found, WHICH IS BABA METZIA (THE MIDDLE ORDER). The third gate is partnerships and the meanings of the lost and found, WHICH IS BABA BATRA (THE LAST ORDER). What is the reason? HE RESPONDS: It is only that the Holy One, blessed be He, at any time accounts Yisrael's intentional sins as errors. Those who set up the orders of the Mishnah, who set it up this way in three gates of BABA KAMA, BABA METZIA, BABA BATRA, followed the manner as it was written in the scriptures: "Manner of trespass" (Shemot 22:8). That refers to an offense that is not intentional, SINCE THE HOLY ONE, BLESSED BE HE, TURNS THE INTENTIONAL CRIME INTO ERRORS. The Baba Kama is: what are they, "whether it be for ox, for ass, for sheep" (Ibid.), that is, where it DISCUSSES these matters. "For a garment" is Baba Metziah THAT DISCUSSES ABOUT A GARMENT THAT WAS FOUND; "or for any manner of lost thing" refers to the third order, WHICH IS BABA BATRA.

247. Since they picked the order of the scriptures, When RAV HAMNUNA SABA (THE ELDER) reached the Baba Metziah, middle order, he used to say, Why did they start this order with the garment, BECAUSE BABA METZIA BEGINS WITH THE SITUATION WHERE TWO ARE HOLDING ON TO THE GARMENT THAT WAS FOUND. The verse: "FOR A GARMENT," he said, most definitely is the law given to Moses on Mount Sinai, which all the sages' discussions were explaining.

248. "Thus says Hashem." HE INQUIRES: What is the difference that at all the items relating to the prophets it is written: "Thus (Heb. coh) says Hashem," yet of the items relating to Moses, this language is not used, BUT RATHER "THIS (HEB. ZEH) IS THE WORD." HE RESPONDS: It is only because Moses' prophecy was from a shining mirror that is light from above, THAT IS ZEIR ANPIN, so it is not written of him, "coh," WHICH IS MALCHUT THAT IS REFERRED TO BY "COH." However, the rest of the prophets, who used to prophecy from the dim mirror, WHICH IS MALCHUT REFERRED TO BY "COH," prophesied from "coh."

249. "Come now therefore, I pray you, curse me this people" (Bemidbar 22:6). HE SAYS: Rabbi Elazar says that wicked man said, Most definitely, the time is right for me to do anything I wish. He saw, but did not see completely. He saw that several thousand of Yisrael would fall dead through him in a short time. He figured, Most definitely I have the opportune moment. Therefore, HE SAID "now" and not at any other time.

245. וַיֵּרָא בַלַּק, רַבִּי חֲזַקְיָה פָתַח, כֹּה אָמַר יי' שְׁמֵרוּ מִשְׁפָּט וַעֲשׂוּ צְדָקָה כִּי קְרוּבָה יְשׁוּעָתִי וְגו'. כִּמָּה חֲבִיבִין יִשְׂרָאֵל קָמִי קוֹדֶשׁא בְּרִיךְ הוּא, דָּאע"ג דָּאִינוּן חָאבוּ קָמִיָּה, וְחֲבִין קָמִיָּה בְּכָל זְמָנָא וְזְמָנָא, אִיהוּ עֵבִיד לֹון לְיִשְׂרָאֵל, דְּדוֹנוֹת בְּשִׁגְגוֹת.

250. HE INQUIRES: "Come now (Heb. lechah), but he should have said lech. What is "lechah (Lamed Kaf Hei)"? HE RESPONDS: He thought, Let us hurry up AND DO BATTLE with the one who flutters his wings on them, the one that is referred to by the name "coh (Kaf Hei)," MEANING MALCHUT, and now is the opportune time to do battle with that "coh."

251. He thought there was nobody in the world who would succeed against them until now, because of the protector who stands over them. Now that the moment is opportune for us, let us do battle with "coh" (Heb. lechah). The entire counsel of that wicked one was for "coh," as is written: "While I go to the meeting yonder (coh)" (Bemidbar 23:15), meaning I will uproot that "coh" from its place. Both of them participated in that wicked counsel against "coh," as it is said, "Against Hashem, and against His anointed" (Tehilim 2:2). They were not aware that this "coh" would uproot them from the world following that.

19. "Come now therefore, I pray you, curse me this people"

The question is asked how Balak knew that Yisrael were too mighty for him to conquer since they had never encountered each other in battle before. Rabbi Shimon says that he had seen into the future and discovered that King David, a descendant of Ruth the Moabite, would be victorious over Moab. Balak hoped that by joining with Bilaam they could destroy Yisrael before King David even came into the world. Rabbi Shimon talks about the cauldron of sorcery that Balak buried and that David exposed and cleansed with water. He explains the difference between righteousness and faithfulness, the former being judgment for the other nations, and the latter being compassion for the children of Yisrael. These also correspond to war and peace. We learn that Balak knew that Bilaam had power to bestow blessings on a very high level, and thought he would be able to uproot Yisrael from her union with Malchut.

252. "For they are too mighty for me" (Bemidbar 22:6). HE INQUIRES: Until that time, where had YISRAEL done battle with him, and beaten them? At which location had they met up with the sword OF YISRAEL and showed their strength like mighty men to display their power, SO THAT HE ALREADY KNEW THAT YISRAEL WAS TOO MIGHTY FOR HIM? What is the meaning of, "For they are too mighty for me"? HE RESPONDS: It is only that this wicked one was wise and foresaw in the distant future that King David, who stemmed from Ruth the Moabite, had the valor and strength of a lion. He will conduct and wage difficult wars and be victorious over Moab, and place him under his feet. THEREFORE, he said "(lit. 'he is mighty')" IN A SINGULAR FORM, meaning the one who inherited that power. One of their kings stems from us, FROM RUTH THE MOABITE, to destroy Moab.

253. "Perhaps I shall prevail, that we may smite them" (Ibid.): HE INQUIRES: This verse should have read: 'Perhaps I shall prevail, that I may smite them' or 'perhaps we shall prevail, that we may smite them'. WHY DOES IT SAY: "I SHALL PREVAIL, THAT WE MAY SMITE"? HE RESPONDS: It is only that this wicked one was wise. He said, I see here one hand, MEANING ONE POWER, that a powerful lion extends his hand. Maybe I can prevail with you, meaning that if we join together and cut off that lion's hand, THAT IS, THROUGH A CURSE, prior to that king's arrival in the world, he will not drive out Moab from its location. THEREFORE IT SAYS, "I SHALL PREVAIL" IN SINGULAR FORM AND "WE MAY SMITE" IN PLURAL FORM, BECAUSE THE MEANING IS, PERHAPS I COULD JOIN WITH YOU AND WE WILL BOTH SMITE HIM.

250. לָכֶּה, לָךְ מִבְּעֵי לֵיָהּ, מֵאֵי לָכֶה. אָמַר, נִזְדַּרְזוּ גֵרְמָן לְהֵהוּא דְרַחִיף בְּגִדְפוּי עֲלֵיָהּ, לְהֵהוּא דְשָׁמִיָּה ב"ה. וְעֵתָה לָכֶה, נִגַח קִרְבָּא בְּהֵהוּא ב"ה.

254. HE INQUIRES: What is "curse me"? Rabbi Aba said, That wicked one said to Bilaam in two forms of language, "Curse (Heb. ara) me" (Bemidbar 22:6) and he also said, "Curse (Heb. kava) me" (Ibid. 17). What is the difference between these? HE RESPONDS: It is only that he first said to him, "Curse (Heb. ara) me," MEANING GATHER UP FOR ME grass weeds and sorcery of the heads of snakes to place in the cauldron of magic. When he observed that his strength was greater by the power of his speech, he returned and said, "Come therefore, I pray you, curse (Heb. kavah) me."

255. In spite of all this, the wicked Balak did not abandon his design of sorcery, but rather he gathered up and picked all types of grass weeds and magic of snake heads, and took a cauldron of magic. Balak stuck it 1,500 cubits underground and stored it for the end of days. As soon as David came, he dug to the depth of 1,500 cubits, exposed the water from the depths and poured libations over the altar. At that moment, WHEN THE WATER LIBATIONS WERE Poured, he said, I will cleanse WITH THESE WATERS that cauldron OF SORcery OF BALAK, as is written: "Moab is my washpot" (Tehilim 60:10), assuredly my washpot.

256. "Over Edom will I cast my shoe" (Ibid.). HE INQUIRES: What is the meaning of: "Will I cast my shoe"? HE RESPONDS: It also refers to the one who had distant VISION, as it is written: "And Esau said to Jacob, 'Give me to swallow, I pray you, of that red pottage; for I am faint'" (Bereshheet 25:30). "Give me to swallow" MEANS actually stuffing down the throat, which is a wide opening up of the mouth and throat to swallow. David said to that swallower who stuffs himself with stuffed swallowings, I will dump on him, THAT IS ON HIS MOUTH OPENING, "my shoe" to shut his throat. THEREFORE, "OVER EDMO WILL I CAST MY SHOE."

257. "Over Pleshet I will cry in triumph" (Tehilim 108:10). This too, David saw with distant vision. He said, Canaan is the bad side of the Other Side and the Philistines stem from there, FROM CANAAN (YEHOSHUA 13). What is there TO BE DONE for the Other Side? It is the blowing of the horn blasts, as it says, "if you go to war in your land...then you shall blow an alarm..." (Bemidbar 10:9). TRUAH MEANS A HEART-BREAKING BLAST in order to break down his power and strength. Therefore, "over Pleshet I will cry (blow) in triumph," MEANING HE WILL BREAK THEM, because that is what they deserve.

258. "Come now therefore, curse me this people; for they are too mighty for me." Rabbi Chizkiyah opened the discussion with the verse: "And righteousness shall be the girdle of his hips, and faithfulness, the girdle of his loins" (Yeshayah 11:5). This verse is all the same. What new insight does it come to teach us, seeing that righteousness is faithfulness and faithfulness is righteousness? THEY ARE MERELY TWO NAMES OF MALCHUT. The girdle of his loins is also the girdle of his reins, and we do not find a scriptural verse in the same manner.

254. אָרָה לִי, מֵאֵי אָרָה לִי. א"ר אָבָא, הֵהוּא רָשָׁע בְּתָרֵי לִישְׁנֵי קְאָמֵר לְבַלְעָם. חֵד אָמַר אָרָה לִי, וְחֵד אָמַר קְבָה לִי. מֵה בֵּין הָאֵי לְהָאֵי. אֶלֶּא א"ל, אָרָה לִי עֲשִׁבִין וְחֵרְשִׁין דְּרִישֵׁי דְחֻוּיִן, וְשׂוּי לֹן בְּקֶרְדָּה דְּחֵרְשֵׁינָא, בֵּיוֹן דְּחָמָא דְּחִילִיָּה יְתִיר בְּפֹמָא, תָּב וְאָמַר, וּלְכָה נָא קְבָה לִי.

258. וְעֵתָה לְכָה נָא אָרָה לִי אֶת הָעָם הַזֶּה כִּי עֲצוּם הוּא מִמֶּנִּי. ר' חֲזַקְיָה פִּתַּח, וְהִיא צְדָק אֲזוּר מִתְנִיּוּ וְהָאֲמוּנָה אֲזוּר חֲלְצִיּוּ. הָאֵי קְרָא כֹּלֵא אִיהוּ חֵד. מֵאֵי חֵדוּשָׁא אֶתָּא לְאֶשְׁמוּעֵינָן, דְּהָא צְדָק הֵינּוּ אֲמוּנָה, וְאֲמוּנָה הֵינּוּ צְדָק. אֲזוּר מִתְנִיּוּ, הֵינּוּ אֲזוּר חֲלְצִיּוּ, לֹא אֶשְׁכַּחַן קְרָא כְּהָאֵי גּוֹוֹנָא.

259. HE RESPONDS: It is that righteousness is not the same as faithfulness. Even though they are all tied to one and the same, and are of one level, MEANING MALCHUT, it is considered righteousness, which is the actual judgment, during a period WHEN MALCHUT IS of harsh judgment and receives from the left side. That is: "For when your judgments are on the earth, the inhabitants of the world learn righteousness" (Ibid. 26:9). This level THAT IS CALLED 'judgment' is of compassion, WHICH IS ZEIR ANPIN. When that judgment is approaching righteousness, WHICH IS JUDGMENT, then THAT RIGHTEOUSNESS, WHICH IS MALCHUT, gets perfumed and the world's inhabitants can withstand the judgment of righteousness.

260. MALCHUT IS CALLED 'Faith' at the time that it is joined with truth, WHICH IS ZEIR ANPIN, for happiness. All the faces are bright. Then MALCHUT is called 'Faith' and there is absolution for all, MEANING THE FORGIVENESS FOR INIQUITIES. She returns to all the souls of the wicked, WHICH ARE encumbered with many debts, with compassion and has mercy on them when they ascend and rise through committing, MEANING WHEN THEY SAY BEFORE THEIR SLEEP "INTO YOUR HAND I COMMIT MY SPIRIT" (TEHILIM 31:6). Then she is considered Faith and there is no Faith without truth, MEANING TO SAY THAT MALCHUT IS NOT CONSIDERED FAITH EXCEPT WHEN JOINED WITH ZEIR ANPIN THAT IS CALLED 'TRUTH'.

261. Now, what two girdles are here when it says the girdle of his loins and the girdle of his hips? HE RESPONDS: Even though hips and loins are similar, they are two levels. One is above and one is below. Above at the top OF THE HIPS, it is called 'hips'. At the lower end OF THE HIPS, they are called 'loins', as it says, "And gird sackcloth upon your loins" (Yeshayah 32:11), WHICH MEANS TO COVER THE GENITALS. THEREFORE, HE CALLS THEM LOINS BECAUSE THEY ARE at the end OF THE HIPS and at the top of the thighs. When a woman is in the pain OF LABOR, these loins get disconnected from the tops of her thighs and she places her hands on them BECAUSE OF that pain.

262. Because of that, for strength and war, IT IS SAID, "And righteousness shall be the girdle of his hips." That is how it should be, BECAUSE THAT IS WHERE THE VIRILITY OF A MAN IS. For compassion and goodness, it is said, "And faithfulness, the girdle of his loins." In one level, MESSIAH will judge the world, MEANING WITH MALCHUT, and it dominates both sides. One, WHICH IS FAITH, THE GIRDLE OF HIS LOINS, is compassion for the children of Yisrael and one, WHICH IS RIGHTEOUSNESS, THE GIRDLE OF HIS HIPS, is judgment for the rest of the nations.

263. You may wonder WHY righteousness is harsh judgment, since we find written: "But in righteousness shall you judge your neighbor" (Vayikra 19:15) and "Justice, only justice shall you pursue" (Devarim 16:20). There are many such VERSES. HE RESPONDS: It is definite that there is no compromise in righteousness, ONLY ACCORDANCE WITH THE LAW. Anyone who judges his neighbor must not compromise any laws for him, but judge according to righteousness, that love should not be a consideration. The scales of justice MEANS without compromise to one side or the other, neither to the one who will have to pay nor to the one who will receive. Because of this, it is one level that is divided into two directions. And these two directions THAT WE MENTIONED WHICH ARE two girdles are one for the rest of the nations and one for Yisrael. At the time Yisrael made their exodus from Egypt, they were supported with these two girdles: one of war, WHICH IS RIGHTEOUSNESS, THE GIRDLE OF HIS HIPS, and one of peace, WHICH IS FAITH, THE GIRDLE OF HIS LOINS.

264. When Balak took counsel, he said, "That I may drive them out of the land" (Bemidbar 22:6). He figured that the level into which YISRAEL was connected was definitely of the land, WHICH IS MALCHUT REFERRED TO AS EARTH. That is the meaning of: "For they are too mighty for me." The level of whoever could wage battle and stand up to Yisrael is stronger than mine. Therefore: "that I may drive them out of the land," WHICH IS FROM THEIR LEVEL, MALCHUT. If I drive them from that land and drive them from her, MEANING I WILL MANAGE TO HAVE THEM COMMIT SINS, I will be capable of doing WITH THEM as I please. Their power is through what? Through word and deed. Here is your mouth and my action, AND WE WILL OVERCOME HIM.

265. "For I know that he whom you bless is blessed" (Ibid.). HE ASKS: From where did he know that? HE RESPONDS: It was already explained and it is written: "Who had fought against the former king of Moab, and taken all his land, out of his hand" (Bemidbar 21:26), since he hired Bilaam TO CURSE HIM. However, "for I know" MEANS that he had this knowledge through his wisdom. FURTHERMORE, BECAUSE IT IS WRITTEN: "He whom you bless is blessed," what was the need TO MENTION blessing here, since his aim was to curse? If his prior knowledge of Bilaam was in relation to the curse, what is the intention of: "He whom you bless is blessed"?

266. HE RESPONDS: However, there is something implied here. I was not aware of it and I did not deserve to gain any knowledge of it until Rabbi Elazar arrived and interpreted the verse: "I will bless (et) Hashem at all times: His praise shall continually be in my mouth" (Tehilim 34:2). It is further written: "I bless (et) Hashem who gives me counsel" (Ibid. 16:7). Who is it that needs blessings from the lower ones? That is the particle Et, WHICH IS MALCHUT, that is jointly connected to them, IN YISRAEL, as a flame to the wick. David, who knew of it, said, "I will bless Et." The wicked one said TO BILAAM, that level of theirs, WHICH IS MALCHUT, is connected to them, because of their blessings that they bestow on her daily. IF SO, you have the power to bestow blessings on that level and you will uproot her from them. That is why it says, "For I know that (Et) he whom you bless is blessed." THAT IS, HE TOO COULD BESTOW BLESSINGS ON MALCHUT REFERRED TO BY ET. That way, we will succeed against them. Bless that higher level and curse the wick THAT IS YISRAEL, IN WHICH MALCHUT IS ATTACHED LIKE A FLAME TO THE WICK. About this, he said, "While I go to the meeting yonder (Heb. coh)" (Bemidbar 23:15); that is, I will uproot MALCHUT THAT IS REFERRED TO BY COH from them, so that she should not unite with them.

267. Furthermore, "go to the meeting (Heb. ikareh) yonder (Heb. coh)" MEANS I will lead to pull that level down with transgressions, defilement, nightly uncleanness (Heb. ker) and the defilement that will be caused by His children. And she will destroy them. HE DEFINES IKAREH AS KERI. Immediately, "And the elders of Moab and the elders of Midian departed with the rewards of divinations in their hand" (Bemidbar 22:7) in order to avoid the excuses of the wicked one who says that he does not possess the particular magic which he may need, and who will thereby be able to restrain himself from joining them.

20. "Therefore fear you not, O my servant Jacob" Rabbi Shimon explains the meaning of 'you' in the title verse. We hear from Rabbi Hamnuna that the hardships that Yisrael underwent gave them a great many benefits over the other nations who did not undergo them. Yisrael will inherit the tabernacle of peace, the Shechinah, while the other nations will be destroyed. Rabbi Shimon says that this is because Yisrael is being punished for their sins now, little by little, and at the end their sins will be erased because they have already been cleansed in this way. At that same time Samael and all of his side and all of his nations will vanish

completely from the world.

268. He opened the discussion with the verse: "'Therefore fear you not, O My servant Jacob,' says Hashem; 'neither be dismayed, O Yisrael... For I am with you'" (Yirmeyah 30:10-11). We have learned this verse and it has been critically discussed. However, at this moment we could discuss it more thoroughly. What is "you"? It is the secret of the ark of the covenant, WHICH IS MALCHUT, that is the level that follows the exile of her children, the holy nation. At the time Moses asked mercy for Yisrael, it is written there: "And if You deal thus with me, kill me, I pray You, out of hand" (Bemidbar 11:15), as it was already explained.

269. However, this is what Moses said, One level that You granted me was called 'You', THAT IS MALCHUT, since she has no separation from You. Her Hei, MEANING THE HEI of atah (lit. 'you'), was attached with the children of Yisrael. If You destroy them from the world, then the Hei of this name ATAH, which is connected to YISRAEL, gets removed FROM THE NAME ATAH AND AT IS LEFT. THAT IS THE MEANING OF WHAT IS WRITTEN: "If You (Heb. at) deal thus with me," MEANING IF YOU DESTROY YISRAEL, the Hei that is the primary essence of this name, ATAH, gets uprooted AND ONLY AT IS LEFT FROM ATAH. THE RESULT IS THAT YOU WILL MAKE ME AN AT FROM ATAH, AND THAT IS WHAT HE SAID, "YOU (AT) DEAL THUS."

270. Therefore, Joshua later said, "And what will You do for Your great name" (Yehoshua 7:9), MEANING TO THE NAME ATAH, since this name is most definitely the essence and foundation of everything, AS IT IS WRITTEN: "You are Hashem." Even though the Holy One, blessed be He, did not tell Moses THAT THE HEI WILL BE REDUCED FROM THE NAME ATAH, he understood that one depends on the other, THAT THE HEI OF ATAH DEPENDS ON YISRAEL, and the sin causes THE HEI TO GET UPROOTED FROM ATAH. HE RETURNS TO THE VERSE THAT HE STARTED WITH: "Therefore fear you not, O My servant Jacob" (Yeshayah 46:28). JACOB AND YISRAEL are all one. "For I am with you" (Ibid.) was already defined. It does not say, 'For you are with Me', but rather "For I am with you," INDICATING THAT THE NAME ATAH IS CONNECTED TO YISRAEL, AS MENTIONED ABOVE. THEREFORE, "for I will make a full end of all the nations" (Ibid.). Among all the nations I will create destruction, "YET WILL I NOT MAKE A FULL END OF YOU" (IBID.). THAT IS BECAUSE OF THE HEI OF ATAH, WHICH IS TIED TO YISRAEL AS MENTIONED.

271. The ancient Rav Hamnuna said, The pressure and distress to Yisrael caused them a great many benefits and advantages. The laxity of the other nations, MEANING THAT THEY HAVE NO PRESSURE AND PAIN IN THIS WORLD, caused them many evils. HE EXPLAINS: The strain and worry that was upon Yisrael caused them advantages and benefits. What do they consist of: kalah (lit. 'destruction'), as everything is strained, MEANING TO SAY THAT ALL THE LETTERS THAT ARE SOUNDED IN IT ARE STRESSED WITH A DAGESH, INDICATING THAT THROUGH STRESS HE SUCCEEDS IN GAINING THE HIGHER KALAH (ENG. 'BRIDE'), WHICH IS THE SHECHINAH. The laxness of the rest of the nations, WHO HAVE NO DISTRESS OR DIFFICULTIES, yielded them slackness and evil. That is kalah (lit. 'destruction') WITHOUT DAGESH STRESS, and that is proper for them, because all the easiness without any difficulties that they had in this world caused them slackness without any pressure or stress afterwards. That is kalah (lit. 'destruction') WITH UNSTRESSED KAF AND LAMED, AS IS WRITTEN: "For I have heard from Adonai Elohim Tzevaot that destruction (Heb. kalah) is decreed" (Yeshayah 28:22). "For I will make a full end (Heb. kalah)" without a stress, KAF AND LAMED BEING UNSTRESSED. However, for Yisrael, who passed through strain and pressure, they will get the yielding benefit of the bride, WITH KAF AND LAMED STRESSED WITH DAGESH, as it says, "And

as a bride (Heb. kalah) adorns herself with her jewels (Heb. keleihah)" (Ibid. 61:10), KALAH BEING THE SHECHINAH.

272. HE INQUIRES: Who are her jewels, AS IT SAYS, "AND AS A BRIDE (HEB. KALAH) ADORNS HERSELF WITH HER JEWELS"? HE RESPONDS: These refer to Yisrael, who are the adornments of this bride, THE SHECHINAH. The children of Yisrael, who went through this distress and pressure, MERIT THE VERSE: "I will raise up the tabernacle of David that is fallen" (Amos 9:11). That is the tabernacle of peace, MEANING THE SHECHINAH. And the rest of the nations, who had respite from trouble and anguish, later deserve destruction through laxity, WITH KAF AND LAMED NOT STRESSED WITH DAGESH, as they previously enjoyed RESPITE FROM TROUBLE. The result is: "For I will make a full end of all the nations...yet will I not make a full end of you," since you do not deserve it. You already were many times earlier in distress and under the constant pressure of the exile. Therefore, you will have a bride; THAT IS, THE SHECHINAH.

273. "But I will correct you in due measure (lit. 'for judgment')" (Yirmeyah 30:11). This verse should read: "But I will correct you in judgment," since when does one have torment? When he is sentenced on trial. So, what is the meaning of: "But I will correct you for judgment"? HIS RESPONSE IS: It is only because it is written: "Hashem will come with trial with the elders of His nation" (Yeshayah 3:14). On that day, the Holy One, blessed be He, initiates the remedy for Yisrael prior to their being put on trial, in order that they should be capable of withstanding it. What is that remedy? At each time, the Holy One, blessed be He, provides them with a slight amount of suffering at each and every time period and in each generation, in order that when they rise to the date of the great trial, AT THE TIME when the dead will be resurrected, judgment will not affect them.

274. "And will not leave you altogether unpunished (lit. 'cleansing I will not cleanse you')" (Yirmeyah 30:11). HE ASKS: What is it? HE RESPONDS: It is only when Yisrael are solitary and do not come up for judgment together with the rest of the nations, MEANING BEFORE THE END OF CORRECTION. The Holy One, blessed be He, does not apply the strict law to them and forgives them. When they come up for judgment at the same period as the rest of the nations, together with them AT THE END OF CORRECTION, AS MENTIONED ABOVE, what does he do? The Holy One, blessed be He, is AWARE that Samael, who is the patron of Esau, will come to remind Him of the sins of Yisrael, and will have accumulated all THEIR INIQUITIES to have them available for the day of judgment. And the Holy One, blessed be He, will give them a remedy beforehand, so that for each and every iniquity, he smote and cleansed them with sufferings, little by little. That is the meaning of "cleansing" BEFOREHAND, through sufferings. As a result of this, at the true trial IN THE FUTURE, "I will not cleanse you" from the world through judgment, since you have already suffered affliction AT EACH GIVEN TIME, little by little.

275. "I will not cleanse you" MEANS that even though you are my children, I will not discard your wrongdoings, but rather I will make you pay me little by little, so that you will be free of guilt at the day of the great judgment. When they come for trial, Samael will come with many writs of accusation about them. And TO COUNTER THEM the Holy One, blessed be He, will provide many writs of sufferings that Yisrael endured for each and every iniquity. All the sins were erased, and He is not being charitable at all, BECAUSE THEY HAVE ALREADY RECEIVED THEIR SHARE OF PUNISHMENT. Then the power and strength of Samael is weakened, and he is powerless against them. AND THEN he will vanish from the world, he and all of his side and all his nations. That is what it says: "Therefore fear you not, O My servant Jacob." Hence, "but I will correct you for judgment, and will not leave you altogether unpunished."

21. Balak - Ba Lak, Bilaam - Bal Am

We learn about the evil partnership of Balak and Bilaam with Samael and his friends. Rabbi Elazar dissects the names Amalek, Balak and Bilaam to show their deeper meanings of destruction and confusion and hurt. Rabbi Shimon says that Samael did the action when Bilaam did the speech, so that whoever Bilaam blessed was blessed and whoever he cursed was damned. But Balak and Bilaam did not know that God would take away their power of speech and also their understanding. Finally we hear that Bilaam was impaired in his hearing and in his sight and in his leg.

276. King David said, "For, lo, the wicked bend the bow, they make ready their arrow..." (Tehilim 11:2). Although we already explained that this verse is about Shevna and Yoach, the chief ministers of Hezekiah, it is also said, referring to Samael and his friends, that all his counsels and advice were against Yisrael. Balak and Bilaam tread exactly the same path, THAT OF SAMAEAL AND HIS FRIENDS and we learned that they formed an evil partnership. They said, Amalek IS THE LETTERS AM LAK, meaning a nation (Heb. am) that hurt (Heb. lakah) them, like a snake that strikes with his tail. They figured that we are more THAN THEY ARE, because Balak IS THE LETTERS BA LAK, meaning came (Heb. ba), he who strikes (Heb. lakah) and hurts them as he wishes. Bilaam CONSISTS OF THE LETTERS BAL AM, meaning there are no (Heb. bal) people (Heb. am) and no shepherd. Our name will cause their destruction and uprooting from the world.

276. וְדוֹד מְלָכָא אָמַר, כִּי הִנֵּה הִרְשָׁעִים יִדְרָכוּן קֶשֶׁת כּוֹנְנֵוּ וְגו'. וְאַף עַל גַּב דְּהָאֵי קָרָא הָא אוֹקְמוּהוּ, עַל שְׁבִנָּא וְיוֹאֲח מִמְנָן דְּחֻזְקִיה אֲתַמַּר, אֲבָל הָאֵי קָרָא עַל סַמְא"ל וְסִיעֲתִיה אוּף הֲכִי אֲתַמַּר, דְּכָל עוֹבְדוּי וְעִיטוּי עַל יִשְׂרָאֵל נִינְהוּ. בְּלָק וּבְלַעַם הֵוּא אֲרַח מִמֶּשׁ נִקְטוּ, וְהָא אֲתַמַּר דְּחִבּוּרָא בִישָׁא עֲבָדוּ. אֲמַרוּ, עַמְל"ק: ע"ם ל"ק, עַמָּא דְּלִקָּא לִוְן, בַּחוּיָא דְּמַחֵי בְּזַנְבָּא דִּילִיה, הָא אֲנָן יִתִּיר. בְּל"ק: ב"א ל"ק. אֲתָא מֵאֵן דְּלִקֵי לִוְן כְּרַעוּתִיה. בְּלַע"ם: ב"ל ע"ם, לִית עַמָּא, וְלִית רַעִיָּא. שְׁמָא דִּילָן גְּרִים לְשִׁינְצָאָה לִוְן וְלֹאֲעַקְרָא לְהוּ מֵעֲלָמָא.

277. The Holy One, blessed be He, has figured their names in a different manner, since there is "bal" in Balak and in Bilaam. And when they get together, they are "balbel" or confusion. What are the letters that are left WHEN YOU DEDUCT FROM THEM THE LETTERS BALBEL? THEY ARE Aleph Mem Kof; THAT IS, THE AYIN AND MEM FROM BILAAM AND KOF FROM BALAK. THIS COMBINATION WILL CAUSE their deep (Heb. omek) thinking and ideas to become confused, so that they should have no domination over the world and so that they should not remain in the world.

277. וְקוּדְשָׁא בְרִיךְ הוּא חָשִׁיב בְּגוּוֹנָא אַחְרָא שְׁמִיהוּן, בְּבִלְק ב"ל, בְּבִלַעַם ב"ל, הָא בְּלַב"ל. מַה אֲתוּוֹן אֲשִׁתְּאָרוּ עַמ"ק, בְּלַבֵּל עַמְקָא דְּמַחְשְׁבָה דְּלֵהוּן, דְּלֹא יִשְׁלִטוּן בְּעֲלָמָא, וְלֹא יִשְׁתְּאָרוּן בְּעֲלָמָא.

278. Rabbi Shimon said, Elazar, you spoke well. However, let the spirit of Balak burn in Gehenom and let the bones and spirit of Bilaam be ground there, because they made a bad decision to go against the shield of YISRAEL, meaning that coh, WHICH IS THE SHECHINAH REFERRED TO AS COH, and because they thought about uprooting that coh and bringing evil through speech and action.

278. אַר"ש, אֲלַעְזָר, יָאוּת אֲמַרְתָּ, אֲבָל בְּלָק, תַּפַּח רוּחִיה בְּגִינְהֶנּוּם. וּבְלַעַם יִשְׁתַּחֲקוּן תַּמָּן גְּרַמוּי וְרוּחִיה. וְהֲכִי הוּא עֵיטָא בִישָׁא נְטִלוּ עַל פְּטְרוּנָא. עַל הָאֵי כֹה, דְּחָשִׁיבוּ לְאֲעַקְרָא לְהָאֵי כֹה, וְחָשִׁיבוּ לְסַטְרָא בִישָׁא לְסַלְקָא לִיה בְּפוּמָא וּבְעוּבְרָא.

279. The wicked one said, Throughout history people tried but were unable to do that. The Generation of Separation strove and did not succeed, because they performed the deed but lacked the speech, because their languages became confused and they lacked the capability. However, BILAAM, your mouth is sharp and your tongue is equipped with these two aspects: "He whom you bless is blessed" FROM ONE ASPECT and "he whom you curse is cursed" FROM THE SECOND ASPECT (Bemidbar 22:6). The aspect that you wish to raise gets uplifted through your mouth and tongue and that aspect; whom you wish to damn you can curse with the strength of your mouth. Everything depends on you because the action was already done THROUGH ME. However, all the rest depends on talk. Therefore, I will make ready whatever is applicable to the snake action and you will finalize it all with your speech. That aspect that you bless will be blessed and that aspect that you curse will be damned.

280. He did not know that the Holy One, blessed be He, "removes the speech of the trusty, and takes away the understanding of the aged" (Iyov 12:20). And everything is at his command. "He removes the speech of the trusty" refers to the Generation of Separation, whose language was confused and who could not have any control of their speech, as is written: "That they may not understand one another's speech" (Beresheet 11:7). "And takes away the understanding of the aged" refers to Bilaam and Balak, who were of one counsel, as is written: "And Balak and Bilaam offered (sing.) on every altar a bullock and a ram" (Bemidbar 23:2).

281. Come and see that wicked one, Bilaam. All his activities were designed for evil, with haughtiness of heart. Both sacrificed the offerings, as it says, "And Balak and Bilaam offered." All the altars were prepared by Balak, but the wicked one, BILAAM, took praise and credit for himself, saying, "I have prepared the seven altars, and have offered upon every altar the bullock and the ram" (Ibid. 4). And he didn't include Balak with him. The Holy One, blessed be He, said, "Wicked one, I know everything, however, return to Balak, and you won't have to speak; rather "and say thus (Heb. coh)" (Bemidbar 23:16), MEANING THE SHECHINAH THAT IS REFERRED TO AS COH WILL SPEAK INSTEAD. That is what is meant by: "And takes away the understanding of the aged."

282. Another explanation of: "And takes away the understanding of the aged" is as is written: "And the elders of Moab and the elders of Midian departed with the rewards of divination in their hand" (Bemidbar 22:7). He took away their reasoning powers so they could not control their witchcraft at all "and spoke to him the words of Balak" (Ibid.) loudly and openly, and not quietly BECAUSE HIS HEARING WAS IMPAIRED. He was impaired in his ear, impaired in his eye and impaired in his leg. In these three areas, he had a blemish AND DISABILITY, because he was equipped for the Other Side. That was necessary for the Other Side, BECAUSE that was the location where defilement locates. Each type follows its type.

22. "Lodge here this night"

Rabbi Shimon continues with the story of Bilaam, and tells us that the Midianites would have acted appropriately if they had separated from Moab and not taken Bilaam's advice to send their women to confuse Yisrael. The Moabites who remained to hear what God had to say were not killed, and yet the Midianites who left were later killed because they didn't care. We are told that in the night Bilaam whispered and performed witchcraft, and brought on himself a higher spirit from the other side, the Elohim that was his own level.

283. "And he said to them, 'Lodge here this night, and I will bring you back ...'" (Bemidbar 22:8). About them, it says, "And spoke to him" (Ibid. 7), MEANING SPEECH THAT REFERS TO STRONG LANGUAGE, BECAUSE HE WAS IMPAIRED IN HIS EAR. About him it says, "And he said to them," WHICH IS SAYING SOFTLY, THE USUAL SORT OF LANGUAGE. "Lodge here this night": that is because the night is the opportune period of the Other Side and of the witches, because it is the time during which evil aspects are prevalent and are in control, spreading about in the world. "As Hashem shall speak to me" (Ibid. 8): he was priding himself with the name of Hashem.

284. "And the princes of Moab abode" (Ibid.). However, the ministers of Midian left them and did not want to remain there, although the ministers of Moab did stay, as is written: "And the princes of Moab abode" on their own. Midian would have acted appropriately IF THEY WOULD HAVE separated from them altogether, if in the end they would have caused no harm, and not eventually been in the counsel of Bilaam that sent their wives and women to Yisrael at Shitim to confuse them. The scripture points out their sin, as is written: "For they vex you with their wives, with which they have beguiled you in the matter of Pe'or, and in the matter of Kozbi, the daughter of a prince of Midian, their sister..." (Bemidbar 25:18). With these two things they sinned WITH PE'OR AND KOZBI and their iniquity was great. And with their tail, THAT IS, EVENTUALLY, they struck later. Therefore, they remained with him and the Midianites left on their own.

285. Another explanation of: "And the princes of Moab abode with Bilaam": It was fine for Midian to leave if that was their wish. However, the staying over of those from Moab who remained caused them to have a good reward due to their remaining there, while the Midianites' leaving caused them harm. Why is this? It is because those who stayed were concerned about what the Holy One, blessed be He, was going to say, while those who left did not care at all.

286. HE EXPLAINS HIMSELF: At the time, that wicked one said: "And I will bring you back word, as Hashem shall speak to me" (Bemidbar 22:8). Instantly, those of Moab were shook up to hear this and stayed there, and those of Midian did not care at all and left. THEREFORE, they were punished afterward, which is why the ministers of Moab remained with Bilaam. That night, this wicked one was whispering whispers and performed witchcraft, and brought upon himself a higher spirit from above. Instantly, "Elohim came to Bilaam," simply Elohim, meaning his own deity, not Hashem, that was his own level, of the Other Side, that is in the left.

23. "What men are these with you"

Here the Zohar tells us that God tested three men - Hezekiah, Ezekiel and Bilaam - by asking them "Can these bones live?" and only Ezekiel passed the test. Someone said to Rabbi Elazar that Bilaam was greater than Moses because God called Moses to come to him, but it seemed that God went to Bilaam. Rabbi Elazar explains that God went out to warn Bilaam rather than have him come into His holy place and defile it. We hear how arrogant Bilaam was, and how unworthy Balak was to be King of Moab.

287. "And said, 'What men are these with you'" (Bemidbar 22:9): That was his own level of the left side that needed to ask, BECAUSE IT DIDN'T KNOW. Although the friends remarked on this in another manner, they indicated that the Holy One, blessed be He, was testing him with His words, because there were three WHO ELOHIM PUT TO A TEST. One was Hezekiah, one was Ezekiel and one was Bilaam. Two of them did not stand up to the test properly and one did. Who was it? That was Ezekiel, as is written THAT THE HOLY ONE, BLESSED BE HE, ASKED HIM, "Can these bones live?" (Yechezkel 37:3). And he answered, "And I answered, Hashem, Elohim You know" (Ibid.) Hezekiah said: "They are come from a far country, from Babylon" (II Melachim 20:14). Bilaam said, "Balak the son of Tzipor, king of Moab, has sent to me" (Bemidbar 22:10) TO SHOW that he is important in the eyes of rulers and kings. HOWEVER, the Holy One, blessed be He, simply asked him in order to confuse him and allow him to err, as is written: "He makes nations great and destroys them" (Iyov 12:23). And this has been explained.

288. A man from Cuth asked Rabbi Elazar, saying to him, I see a greater power in Bilaam than in Moses. About Moses, it is written: "And Hashem called to Moses" (Vayikra 1:1), MEANING HE CALLED HIM TO COME OVER TO HIM. About Bilaam it says, "And Elohim met Bilaam" (Bemidbar 23:16) and later it says: "And Elohim came to Bilaam" (Bemidbar 22:9), INDICATING THAT ELOHIM CAME TO HIM.

289. He replied to him, THAT IS COMPARABLE to a king that was sitting in a room of his palace on the throne. Some leper called at the door. The king responded, Who is it that knocks on my door? They replied, Some unknown leper. He said, Let him not enter this area and let him not soil the palace with filth. I understand that if I inform him through my emissary, he will have no fear of me and if my son will approach him, he will get defiled. Rather, I will go myself and threaten him to distance him from my son so that he won't be contaminated. The king came first and approached him and warned him, Leper, leper, keep your foot away from the road where my son lives. If not, I promise you that my servant's sons will cut you into pieces.

290. When the beloved friend of the king calls at the gate, the king inquires, Who is it? They say to him, That is so-and-so, your friend. He replies, My most beloved soul friend, no other voice should call him but myself. The king shouts, Enter so-and-so, my dear friend and my soul's beloved. Prepare and make ready the palace chambers so that I can have my conversation with him.

291. So too, Bilaam that leper, who is the outcast of human beings, calls at the king's gate. The king heard and said, This contaminated leper should not enter in here and he shall not soil my palace. I need to go and warn him that he should not get close to the gate of my son, and he should not taint him. Therefore, "And Elohim came to Bilaam" saying, Leper, leper, "You shall not go with them; you shall not curse the people: for they are blessed" (Bemidbar 22:12) Do not get near my son, either for good or for bad. You are outright polluted. However, about Moses, it is written: "And He called to Moses" (Vayikra 1:1), meaning the voice of the king, and not through an emissary. "Out of the Tent of Meeting" (Shemot 30:20), MEANS from the sanctified palace chamber that has been made up from the precious palace; for this the upper and lower grades have a deep craving, but they are unable to approach it.

291. כִּךְ בִּלְעָם אִיהוּ סָגִיר, רְחִיקָא מִבְּנֵי נֶשֶׁא, קָרָא לְתַרְעָא דְמַלְכָא, שָׁמַע מַלְכָא, אָמַר סָגִיר מִסְאָבָא לֹא יוֹעוּל, וְלֹא יִטְנֶף הַיִּכְלָא דִּילּוּ. אֲנָא אֶצְטְרִיךְ לְמִיזְל לְאַגְזָמָא לִיָּה, דְּלֹא יִקְרַב לְגַבֵּי תַרְעָא דְבְרִי, וְלֹא יִסְאֵב לִיָּה, וְעַד וַיָּבֵא אֱלֹהִים אֶל בִּלְעָם וְגו'. אָמַר לִיָּה, סָגִיר סָגִיר לֹא תִלְךְ עִמָּהֶם, לֹא תֵאֹר אֶת הָעָם כִּי בְרוּךְ הוּא. לֹא תִקְרַב לְגַבֵּי דְבְרִי, הֵן לְטַב הֵן לְבִישׁ, מִסְאָב אֲנִתְּ בְּכֻלָּא. אֲבָל בְּמִשָּׁה כְּתִיב, וַיִּקְרָא אֶל מֹשֶׁה, קָלָא דְמַלְכָא, וְלֹא עָ"ו שְׁלִיחָא אַחֲרָא. מֵאֵהֶל מוֹעֵד מֵהִיכְלָא קְדִישָׁא, מֵהִיכְלָא מִתְקַנָּא, מֵהִיכְלָא יִקְרָא דְעֵלְאִין וְתַתְּאִין תְּאִיבִין לְגַבִּיָּה, וְלֹא יִכְלִין לְמִקְרַב לְגַבִּיָּה.

292. "And Bilaam said to the Elohim, 'Balak the son of Tzipor, king of Moab...'" (Bemidbar 22:10). He mentioned the king of Moab TO SHOW that an important king sent for him. "King of Moab," indeed! Look at the arrogance of that wicked man, because it is written THAT HE SAID king of Moab instead of A KING over Moab, WHICH SHOULD HAVE indicated a person who is not worthy to be a king, but became a king over Moab FOR SOME REASON. Of the first KING, it is written: "Who had fought against the former king of Moab" (Bemidbar 21:26). IT DOES NOT REFER TO THE FIRST KING AS A KING OVER MOAB, AS IT IS WRITTEN: "AND BALAK THE SON OF TZIPOR WAS KING OVER MOAB" (BEMIDBAR 22:4), DUE TO THE FACT THAT THE EARLIER KING WAS a king, the son of a king, royalty descended from royalty. However, about this one, IT IS WRITTEN: "BALAK THE SON OF TZIPOR was king over Moab." The scripture testifies, "king over Moab" - THAT HE WAS NOT DISTINGUISHED, BUT BILAAM SAID TO ELOHIM, "Balak the son of Tzipor, king of Moab." Here, I remarked that he intended to give pride to his arrogant heart, SAYING LOOK HOW all the royalty of the world send me messengers.

292. וַיֹּאמֶר בִּלְעָם אֶל הָאֱלֹהִים בְּלֶק בֶּן צְפוּר. וְהוּא אָמַר מֶלֶךְ מוֹאֵב, מַלְכָא חֲשִׁיבָא שְׁלַח אֵלָי. מֶלֶךְ מוֹאֵב. חָמוּ גְאוּתָא דְהָהוּא רִשְׁעָא, דְכְּתִיב מֶלֶךְ מוֹאֵב, וְלֹא אָמַר לְמוֹאֵב, מְכַלְל גְּבֻרָא דְלֹא אֶתְחַזֵּי לְמַלְכָא, וְהָא אֶתְעֵבִיד מַלְכָא לְמוֹאֵב. קְדַמָּא מַה כְּתִיב בֵּיה. וְהוּא נִלְחַם בְּמֶלֶךְ מוֹאֵב הָרִאשׁוֹן, מַלְכָא בְּר מַלְכָא. חֲשִׁיבָא בְּר חֲשִׁיבָא. אֲבָל דָּא מֶלֶךְ לְמוֹאֵב כְּתִיב. קָרָא אֶסְהִיד מֶלֶךְ לְמוֹאֵב. וְהָא אֶתְעֵרְנָא, דְאֶתְכַוֵּן הוּא לְגְאוּתָא לְבָא רַב. כָּל מַלְכִין דְעֵלְמָא, שְׁלַחִין לְגַבְאֵי שְׁלוּחֵיהוֹן.

24. "To him who alone does great wonders"

We learn first of a miracle that God had performed in the past by saving some Jews, including Rabbi Pinchas, from robbers. Rabbi Pinchas marvels that such a wonder was done for him, when he did not even know about it. He says we have no way of knowing how often God performs miracles for people because no one knows about them except God Himself. Next the Arabs, who told Rabbi Pinchas about the miracle, tell him about another, how they have just now seen a flock of birds circling around to make shade for five people sitting together. The rabbis know that Rabbi Shimon is among this group of five, and they wonder how to find him. They leave the donkey to find the path on its own and it takes them straight to Rabbi Shimon and his disciples. Rabbi Shimon opens by saying that "A psalm. O sing to Hashem a new song, for He has done marvellous things" was chanted by the cows, who mooed the song to all who came out to welcome the ark.

293. Rabbi Pinchas was going on a visit to see his daughter, the wife of Rabbi Shimon, who was ill. The friends joined along with him and he was riding on his donkey. While still walking along on their journey, they met up with two Arabs. He asked them if any sound stirred in this field from ancient days. They said, From times past, we do not know. From our times, we do know, because one day, robbers spread out over the roads in that field and snared Jews, and intended to destroy them. From the distance, the voice of this donkey ON WHICH YOU RIDE was heard in this field. It brayed twice. A flame of fire came along with that sound and burned them and these Jews were saved. He said to them, Arabs, Arabs, IN THE MERIT of this episode that you related to me, you will be saved today from the other robbers that are awaiting you along the road.

293. רבי פנחס הוה אזיל למחמי ברתייה, אנתו דר' שמעון, דהות במרעא. והו אזלי עמיה חברייה, והוא הוה רכיב בחמריה. עד דהוה אזיל בארחא, פגע בתרין ערבאי, אמר לון, בחקל דא אתער קלא מיומין דעלמא. אמרו ליה, מיומין דעלמא לית אנן ידעין. מיומין דילן, אנן ידעין. דהא יומא חד, הו אינון לסטין מקפחי ארחין דגוברין בהווא חקלא, ופגעו באינון יודאי, ואתו לקפחא לון. ואשתמע מרחיק בהאי חקל, קל דחמרא דא, דנהק תרי זמני, ואתא שלהובא דאשא בהווא קלא ואוקיר לון. ואשתזבו אינון יודאי. א"ל. ערבאי, במלה דא דקא אמרתון לי, תשתזבון יומא דא מלסטין אחרנין, דקא מחפן לכו בארחא.

294. Rabbi Pinchas wept and said, Master of the world, this miraculous occurrence You performed for my sake; these Jews were saved, and I was not even aware. He opened the discussion with the verse: "To Him who alone does great wonders: for His steadfast love endures forever" (Tehilim 136:4). How much good does the Holy One, blessed be He, do for people, and how many miracles does He perform for them on a daily basis. No one knows except He alone. A person gets up in the morning and a snake comes to kill him. The person places his foot on his head, WITHOUT INTENTION, and kills him. No one is aware of that except the Holy One, blessed be He, alone. "To Him who alone does great wonders": A person walks along the road and robbers lie in wait to kill him. Another one comes along and pays ransom instead for him, and he gets saved. He is not aware of the Chesed that the Holy One, blessed be He, did with him and the miracle that just occurred to him, except the Holy One, blessed be He, Himself. "To Him who alone does great wonders": He by Himself made and is aware, and no one else is even aware of it.

294. בכה ר' פנחס, אמר, מאריה דעלמא רחשא דניסא דא עבדת בגיני, ואשתזבון אינון יודאי, ולא ידענא. פתח ואמר, לעושה נפלאות גדולות לבדו בוי לעולם חסדו. במה טיבו עביר קודשא בריך הוא עם בני נשא, וכמה נסין ארחיש לון בכל יומא, ולא ידע אלא איהו בלחודוי. ב"נ קם בצפרא, וחויא אתי לקטלא ליה, וב"נ שוי רגליה על רישיה, וקטיל ליה, ולא ידע ביה בר קודשא בריך הוא בלחודוי, הוי, לעושה נפלאות גדולות לבדו. ב"נ אזיל בארחא, ולסטין מחפאן למקטליה, אתא אחרא ואתייהב כופרא תחותיה, והוא אשתזיב. לא ידע טיבו דעבד ליה קודשא בריך הוא, ונסא דארחיש ליה, בר איהו בלחודוי, הוי, לעושה נפלאות גדולות לבדו. לבדו עביר וידע. ואחרא לא ידע.

295. He said to his friends, Friends, what I inquired of these Arabs who are always present in the field WAS if they heard the voices of the friends who study and deal with the Torah. Rabbi Shimon and Rabbi Elazar, his son, and the rest of the friends are traveling in front of us and are not aware of us, and I inquired of those Arabs about them, since I know that Rabbi Shimon's voice shakes up the fields and the mountains. They told me something I was not aware of, MEANING THAT MIRACLE.

295. אמר לחברייה, חברייה מה דשאיילנא להני ערבאי, דמשתבחי תדיר בחקלי, אי קלא דחברייה, דאינון משתדלי באורייתא שמעו. דהא ר' שמעון ור' אלעזר בריה, ושאר חברייה, אזלין לקמן, ולא ידעין מנן, ושאיילנא להני ערבאי עלייהו. דינדענא דקליה דר"ש ירגיז חקלין וטורין, ואינון גלו לי מה דלא ידענא.

296. While still traveling, these Arabs returned and approached them again, saying to them, Old men, you asked us if A SOUND OF VOICES WAS STIRRED IN THE FIELD from days gone by. But you have not asked us about this day. We noticed, TODAY, a wonderful marvel. We saw five people sitting together and an old man was with them. We noticed birds gathering and extending their wings covering over their heads, some going and some returning, so the shadow did not pass away from over their heads. This old man raised his voice to them, and they listened.

297. He said, It is about this that I inquired. Arabs, Arabs, leave and this road should be ready for you with whatever you wish. You have told me two things that make me glad. They left. The friends said, How are we going to find that location at which Rabbi Shimon is present? He said to them, Leave that to the one who has dominion over the footsteps of the beasts. He will direct their steps towards that location. He did not lead his donkey yet his donkey, on its own, took a detour from the road about two miles, and went there.

298. The donkey began to bray three times. Rabbi Pinchas dismounted and said to his friends, Let's prepare to receive the welcome OF ATIK YOMIN, MEANING THE SHECHINAH, because now a great face and a small face are coming towards us, MEANING RABBI SHIMON AND HIS DISCIPLES. Rabbi Shimon heard the braying of the donkey and said to his friends, Let us rise, because the voice of the holy elder's donkey has risen towards us. Rabbi Shimon rose and the friends rose.

299. Rabbi Shimon opened the discussion with the verse: "A psalm. O sing to Hashem a new song; for He has done marvelous things" (Tehilim 98:1). ON TOP OF THE WORD "A psalm," there is a vertical musical note, WHICH IS THE CANTILATION MARK CALLED 'PAZAR'. HE ASKS: Why? HE REPLIES: This note is indicative of a great reason, because this psalm comes and gets adorned in the higher crown above its head. THEREFORE, it receives ABOVE IT a vertical NOTE THAT IS THE MUSICAL NOTE PAZAR. Who chanted this song? The cows, who mooed: "O sing to Hashem a new song." HE ASKS: To whom did they say this "sing"? HE REPLIES: For the many Chariots, many appointees, for a variety of levels that came by there and went out to welcome the ark. To them, they used to say "SING."

296. עד דהוו אזלין, אינון ערבאי אהדרו לגביה. אמרו ליה, סבא סבא אנת שאילתא לן מן יומין דעלמא, ולא שאילתא על יומא דא, דחמינא תוהא על תוהא, חמינא חמשא בני נשא יתבין, וחד סבא בהדיה, וחמינא עופי מתכנפי וקא פרשין גרפין על רישיה, אלין אזלין, ואלין תבין, וטולא לא אתעבר מעל רישיה. והוא סבא ארים קליה עליה, ואינון שמעין.

297. אמר על דא שאילנא. ערבאי ערבאי תהכון, וארחא דא תהא מתקנא קמייכו, בכל מה דתבעון. תרין מלין אמרתון לי, דחדינא בהו. אזלו. אמרו לו חבריאי, ההוא אתר דר"ש שארי ביה, היך אנן ידעין. אמר לון שבוקו למארי פסיען דבעירי, דהוא ידריך פסיעוי לתמן. לא הוי טעין חמריה, וחמריה סאטי מארחא תרין מלין, ואזל לתמן.

298. שארי נהיק תלת זמנין, נחת ר' פנחס, אמר לחבריאי, נתתקן לקבלא סבר אפי יומין, דהשתא יפקון לגבן אנפי רברבי ואנפי זוטרי. שמע ר"ש נהיקו דחמרא, אמר לחבריאי, ניקום דהא קלא דחמרא דסבא חסידא אתער לגבן. קם ר' שמעון וקמו חבריאי.

299. פתח ר' שמעון ואמר, מזמור שירו ליני שיר חדש כי נפלאות עשה וגו'. מזמור זקיף טעמא לעילא. אמאי. אלא רשים טעמא רבא, דהא אתי ההוא מזמור, מתעטרא בעטרא עלאה לעילא על רישיה ואתי זקיף. מאן הוה אמר שירה דא. אינון פרות, באינון גועין דהו געאן. שירו ליני שיר חדש. למאן הוה אמרין שירו. לכמה רתיכין, לכמה ממנן, לכמה דרגין, דהו אתאן תמן ונסקו לקבלא ליה לארונא, ולהון הוה אמרי.

25. Masculine song - Feminine song

Rabbi Shimon explains that the word 'shir' (song) is in the masculine form in "O sing to Hashem a new song" because it refers to the ark, Malchut, along with what is stored in it, Zeir Anpin, and Zeir Anpin is masculine. We learn that God originally had His right hand on the chest of his son, Yisrael, to protect him, but when Yisrael sinned He put His hand on his back to throw him to his enemies.

300. "O sing to Hashem a new song (Heb. shir)" (Tehilim 98:1). THAT SONG is masculine. HE ASKS: What is the difference that here Shir is IN MASCULINE FORM? Moses said, Shirah is feminine, AS IT SAYS, "THEN SANG...THIS SONG (HEB. SHIRAH)" (SHEMOT 15:1). HE REPLIES: It is only because there, with Moses was only the ark by itself, since zot (Eng. 'this'), MALCHUT THAT IS CALLED 'ZOT' AND ALSO 'ARK', left the exile, she and her multitudes, THE SHECHINAH AND YISRAEL, and nothing else. Therefore, it says: "This (Heb. zot) song (Heb. shirah)," which is feminine, BECAUSE IT REFERS TO THE SHECHINAH, WHICH IS FEMININE. However, here, the ark came out, THAT IS MALCHUT, with what is stored in it, THAT IS ZEIR ANPIN, THAT IS MASCULINE, so it says: "a new Shir," which is masculine.

301. "For He has done marvelous things": That is what He did with the Philistines and what He did to their deities. "His right hand... gained him the victory" (Tehilim 98:1). Who? Meaning itself. Who is itself? It is that psalm itself, WHICH IS THE SHECHINAH THAT IS REFERRED TO AS A PSALM because a high sanctified spirit, ZEIR ANPIN, was stored in it. "His right," WHAT IS IT? It is that quality that the old man inherited, ABRAHAM, THAT IS CHESED. That right holds on to that psalm and does not abandon it to the hands of another.

302. Here we should reveal one thing. During the entire period when that right, CHESED, had WISHED to accomplish a miracle, it held unto that psalm. And it placed YISRAEL, IN WHOM THE SHECHINAH IS ATTIRED, before him to hold on to it, as a father whose right is held to the chest of his son in front of him and says, Who dares get close to my son? As soon as he sins against his father, his father places his hands on his shoulders from the back and throws him to his enemies.

303. HE EXPLAINS HIMSELF. At first it says, so to speak, "Your right, Hashem, is glorious in power" (Ibid. 6). Who is "in power"? That is with that known POWER THAT IS YISRAEL. In Arabia, they call the chest of man "power." AND THE SCRIPTURE SAYS that right, WHICH IS CHESED, "is glorious" and holds to power, MEANING IN THE CHEST AREA OF YISRAEL THAT IS CALLED 'POWER'. He says, Who is there that dare get close to my son? Afterward, it is written: "He has drawn back His right hand from before the enemy" (Eichah 2:3), because He placed His right on the shoulders OF YISRAEL and pushed them into the hands of those who hate Him. At the beginning, His right hand was at the front OF YISRAEL at his chest AREA, to hold on to him. Following that, His right was on his back over his shoulders, to push him. Here, IT SAYS, "His right hand, and his holy arm have gained him the victory" (Tehilim 98:1). THAT MEANS with two arms, to keep him.

26. The braying of the donkey, who sang

Rabbi Shimon says that the cows sang with their mooing, and they were not even accustomed to miracles; therefore Rabbi Pinchas' donkey was much more likely to be able to sing. We learn that God created a grade over the mouth of the ass, and at the correct time God opened the abyss in which that grade was kept, and the grade emerged to rule over the ass; thus the ass was able to talk. Similar things are said about the mouth of the earth and the mouth of the well, and we are told that all of them were created on the eve of Shabbat at twilight. When the Shabbat is sanctified, the mouth of Hashem ascends to dominate all the powers. Next we hear how Rabbi Pinchas sends away all the birds who are circling over the rabbis to provide shade; Rabbi Shimon tells the birds that he will call for them again on a hot day. The rabbis sit under three shady trees near a spring.

304. If those cows which had not been accustomed to miracles used to sing with their mooing, how much more likely it is that the donkey of RABBI PINCHAS SON OF YAIR, who was accustomed to miracles, would sing. Friends, if you say that this is not a custom of a donkey, since it first appeared on the face of the earth, TO CHANT ANY SONG, go take a look at the ass of the wicked Bilaam that has defeated her master outright. The donkey of Rabbi Pinchas ben Yair can most certainly sing. Furthermore, when the ass of Bilaam spoke, there was a supernal angel above her THAT SCARED HER; HOWEVER, NOBODY COULD SCARE THE DONKEY OF RABBI PINCHAS BEN YAIR.

305. There is something that needs to be revealed, friends. Listen. The mouth of the ass that was created on the eve of Shabbat at twilight, could you ever think that it was open from that period on? Or rather, THE MEANING IS THAT the Holy One, blessed be He, made a condition from that time on? It is not so and there is a secret reason here that was passed on to the wise, who do not pay attention to the foolish at heart. The mouth of the ass is a level of asses, that higher POWER of the female aspect, the one that prevailed over that ass, BECAUSE THERE IS NOTHING BELOW THAT DOES NOT HAVE AN ANGEL OVER IT THAT IS APPOINTED FROM ABOVE. He talked over her AND IS CONSIDERED THE MOUTH OF THAT ASS. When the Holy One, blessed be He, created that level that is called the mouth of the ass, He plugged her up in the hole of the great abyss and kept her covered until that time. When that time arrived, He opened that hole OF THE GREAT ABYSS. It emerged and prevailed over that ass, OF BILAAM, and it talked.

306. Similar to this is the meaning of: "And the earth opened (Et) her mouth" (Bemidbar 16:32). The particle "Et (lit. 'the')" is meant to include THE ANGEL Dumah, which is CONSIDERED the mouth of the earth. "(Et) The mouth of the ass" comes to add THE ANGEL, Kamriel, who is considered the mouth of the ass. Similarly to this is the mouth of the well. Who is the mouth of that well, which refers to that level that is appointed over her from below, which is underneath the mouth of Hashem? Who does this refer to? THAT IS THE ANGEL whose name is Yehadriel. These three mouths, THE MOUTH OF THE EARTH, THE MOUTH OF THE ASS, THE MOUTH OF THE WELL, were created on the eve of Shabbat at twilight. At the time that the day was sanctified, the mouth that is appointed higher and above all the other mouths ascended. Who is that? That is the day that ascended and was sanctified in everything, the same that is called 'the mouth of Hashem', WHICH IS MALCHUT. At twilight of Shabbat eve, the rest of the mouths were created, MEANING THE ANGELS THAT LEAD THEIR BRANCHES THAT ARE IN THIS WORLD, WHICH ARE THE WEEKDAY POWERS. When the day gets sanctified, the mouth ascends that rules and dominates over all THE POWERS, which is the mouth of Hashem.

307. During this, they noticed Rabbi Pinchas arriving. They went to him. Rabbi Pinchas approached and kissed Rabbi Shimon. He declared, I have kissed the mouth of Hashem and I was perfumed with the fragrances of his garden. They rejoiced together and rested. As soon as they sat down, all those birds that created the shadow flew away and scattered. Rabbi Shimon turned back his head, raised his voice to them and said, Heavenly birds, you are not carefully attending to the honor of your Master who stays here. The birds stopped in their flight and traveled no further from their location, but did not get closer to him. Rabbi Pinchas declared, Tell them that they may continue on their way, because no permission is granted for them to return.

308. Rabbi Shimon said, I am aware that the Holy One, blessed be He, wishes to do a miracle for us, TO GIVE US SHADE FROM ANOTHER PLACE. Birds of flight, go on your way and say to the one who is appointed over you that at first you were under his authority, AND IT WAS UP TO HIM TO SEND YOU TO GIVE ME SHADE. You are no longer under his authority, BECAUSE RABBI PINCHAS BEN YAIR RULES NOW AND HE HAS NO DESIRE FOR YOU. However, I will bring you on the day that is as harsh as a rock when a cloud will rise between the mighty teeth OF THE HOT RAYS OF THE SUN and they won't be ABLE to join AND CREATE A SHADE. The birds dispersed and left.

309. Meanwhile, there were three trees spreading out their branches to the three directions over their head, WHICH COVERED THEM WITH SHADE. A spring of water flowed before them. All the friends rejoiced and Rabbi Pinchas and Rabbi Shimon were glad. Rabbi Pinchas said, Those birds earlier had to work hard TO CREATE A SHADE, and the toil of living creatures I do not desire, because it says, "And His mercies are over all His works" (Tehilim 145:9). Rabbi Shimon replied, I have not bothered them. However, if the Holy One, blessed be He, had mercy on us AND DISPATCHED THESE BIRDS TO CREATE A SHADE OVER US, we have no right to refuse His gifts. They reposed underneath the shade of that tree, drank from the water and took pleasure there.

27. "A fountain of gardens"

Rabbi Shimon tells Rabbi Pinchas that a spring in a garden is better than a spring in the desert because the former benefits grasses and fruits, flowers and plants; it is a well of life-giving water. The Congregation of Yisrael when gathered together are referred to as a spring of gardens, and Rabbi Shimon says that the five gardens in which God takes pleasure are Chesed, Gvurah, Tiferet, Netzach and Hod of Zeir Anpin. They receive water from the spring above them, Binah; the garden below them, Malchut, benefits from the five gardens. We hear that there are other gardens - the three worlds - underneath this garden, and they produce a variety of fruits. Rabbi Shimon says that sometimes Malchut is a spring and sometimes a well.

310. Rabbi Pinchas opened the discussion saying, "A fountain of gardens, a well of living waters, and streams from Lebanon" (Shir Hashirim 4:15). "A fountain of gardens": HE INQUIRES: Does he not have a spring except from gardens? There are so many good and valuable springs in the world. HE RESPONDS: All pleasures are not equal. There is a spring that emerges in the desert, in a dry place, and there is enjoyment in it for whoever reposes and drinks. However, how much better and more valuable is that spring in a fountain of gardens. It benefits the grasses and the fruits. Whoever gets close to it enjoys everything; he has pleasure from the water, enjoys the grass and benefits from the fruits. That spring is adored by everything - many roses, a variety of fragrant plants and grasses surrounding it. How much nicer and better is this spring from the rest of the springs. It is a well of life- giving water.

311. This is how we established its meaning, about the assembled Congregation of Yisrael, WHICH IS MALCHUT, which is referred to as a spring of gardens. Who are the gardens? HE RESPONDS: The Holy One, blessed be He, has five gardens, WHICH ARE CHESED, GVURAH, TIFERET, NETZACH AND HOD OF ZEIR ANPIN, in which He takes pleasure. One spring above them, THAT IS, BINAH, is hidden and stored away. It waters and saturates them, and all produce fruits and growing plants. There exists a garden lower than them, WHICH IS MALCHUT, THAT BENEFITS FROM THE FIVE GARDENS. That garden is preserved and surrounded from all directions around the world. Underneath this garden, there are other gardens, IN BRIYAH, YETZIRAH AND ASIYAH, that produce a variety of fruits.

312. That garden, WHICH IS MALCHUT, turns around and becomes a watering spring TO ALL THE GARDENS IN BRIYAH, YETZIRAH AND ASIYAH, a well of living water. When it is necessary, it is a spring and when it is necessary, it is a well. What is the difference between this and this? HE REPLIES: Water that flows by itself, LIKE IN A WELL, is not like water that is drawn up to give drink AS IN THE GARDEN. "And streams from Lebanon": What is the meaning of "streams"? HE RESPONDS: These waters returned to become a spring during the time when water sprays up and flows down continually dripping from above, sweet waters for which the souls have longing. So these are the five sources, WHICH ARE CHESED, GVURAH, TIFERET, NETZACH AND HOD OF ZEIR ANPIN, that emerge from Lebanon, WHICH IS BINAH. They become streams in this spring, WHICH IS MALCHUT, WHERE TO THEY FLOW DROP BY DROP. So, too, the Holy One, blessed be He, has produced a miracle for us at this place. THAT IS WHY I read this verse about this spring.

28. "When you shall besiege a city many days"
 Rabbi Shimon opens by talking about the great value of the Torah. Like the spreading branches of a tree, the words of Torah include the literal meaning of the text, homiletic discourses, hints that allude to wisdom, numerical values, hidden and concealed secrets one on top of the other, forbidden and permissible. And the person who studies Torah is therefore like a great tree. God protects this tree from destruction even in a period of Judgment. Rabbi Shimon says that ever since the destruction of the temple God has only what is offered up for him in the way of Torah studies and the insights that are constantly renewed by the scholars. We are also informed that these scholars give advice to the people, who have their sins forgiven due to their acceptance of that advice. Rabbi Shimon changes the topic to the evil eye, and says that Joseph moved in front of his mother so the wicked one (Esau) could not look at her, and that Joseph inflated his own size to accomplish this. When Bilaam lifted up his eyes he could not give the evil eye to the tribe of Joseph because the evil eye has no effect on them. When Bilaam's eye sharpened, Rachel (who is Malchut) spread her wings over the children of Yisrael to protect them. Thus Joseph first protected his mother and then his mother protected him and his tribe.

313. Again, he opened the discussion saying, "When you shall besiege a city many days, in making war against it to take it..." (Devarim 20:19). How wonderful are the ways and paths of the Torah, since in every single word there are a variety of ideas and so many benefits to human beings, so many gems that sparkle in every direction. There is no detail in the Torah that does not contain many lamps giving light to all directions. This scriptural verse is in accord with its simple meaning. It contains much in accordance with discourses and it has higher wisdom to admonish whoever requires it. Happy is the lot of he who regularly strives in the Torah.

314. It is written about whoever strives in the Torah: "But his delight is in the Torah of Hashem; and in His Torah he meditates day and night. And he shall be like a tree" (Tehilim 1:2). HE INQUIRES: Why is: "AND HE SHALL BE LIKE A TREE" mentioned close by to this? It is only because whoever toils in the Torah day and night will not be like dry wood, but rather "he shall be like a tree planted by streams of water" (Ibid.). Just like a tree contains roots, has outer bark, has a core and branches and leaves, grows flowers and produces fruit, these seven types amount to seven TIMES ten, TOTALING seventy. THAT IS THE SECRET OF THE SEVEN SFIROT, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, OF WHICH EACH ONE IS COMPRISED OF TEN. Torah words include also the literal meaning of the text, homiletic discourses, hints that allude to wisdom, numerical values, hidden secrets and concealed secrets, one on top of the other, faulty and approved, unclean and clean and forbidden and permissible. From here on, the branches extend to every direction. "And he shall be like a tree" assuredly, but if not, IF HE DOES NOT POSSESS ALL THESE BRANCHES, he is not a man of wisdom.

315. Come and see how beloved are those who study the Torah before the Holy One, blessed be He. Even at a period of time when judgment impends upon the world and the permission is allowed for the destroyer to destroy, the Holy One, blessed be He, commands THE SABOTEUR AND DESTROYER concerning those occupied with Torah. Thus speaks the Holy One, blessed be He, TO THE DESTROYER, "When you shall besiege a city" (Devarim 20:19), because of their many sins and iniquities to Me, and because they were found guilty in judgment.' "Many days": What is many? It is three consecutive days when the plague is known throughout the city. How do we know that "many days" are three days? Because it is written: "And if a woman have an issue of her blood many days" (Vayikra 15:25). Are they, then, many? Only IF SHE SEES BLOOD three days in a row is it called "many days." Here too, "when you shall besiege a city many days" means three consecutive days, by which the plague is established to exist in the city. THE HOLY ONE, BLESSED BE HE, SAYS TO THE DESTROYER, 'Come and I will give instructions regarding the members of My household. "You shall not destroy its tree"' (Devarim 20:19): that is the scholarly student of Torah that resides in the city, who is the Tree of Life, a tree that provides fruit.

313. תו פתח ואמר, כי תצור אל עיר ימים רבים להלחם עליה לתפשה וגו', כמה טבין אינון ארחין ושבילין דאורייתא, דהא בכל מלה ומלה, אית כמה עיטין, כמה טבין לבני נשא, כמה מרגלאן דקא מנהרן לכל סטר, ולית לך מלה באורייתא, דלית בה כמה בוצינין מנהרן לכל סטר. האי קרא איהו כפום פשטיה. ואית ביה כפום מדרשיה. ואית ביה חכמתא עלאה, לאזדהרא למאן דאצטריך. זכאה חולקיה מאן דאשתדל באורייתא תדיר.

315. ת"ח, כמה חביבין אינון דמשתדלי באורייתא קמי קודשא בריך הוא, דאפילו בזמנא דדינא תליא בעלמא, ואתייהיב רשו למחבלא לחבלא, קודשא בריך הוא פקיד ליה עלווייהו, על אינון דקא משתדלי באורייתא. והכי א"ל קודשא בריך הוא, כי תצור אל עיר, בגין חוביהון סגיאיין דחטאן לקמאי, ואתחייבו בדינא. ימים רבים, מאי רבים. תלתא יומין, דא בתר דא, דאשתמודעא דבר במתא. מנלן דימים רבים תלתא יומין אינון, דכתיב ואשה כי יזוב זוב דמה ימים רבים. וכי ימים רבים אינון. אלא תלתא יומין דא בתר דא, אקרי ימים רבים. אוף הכי כי תצור אל עיר ימים רבים, תלתא יומין דא בתר דא, דאשתמודעא דבר במתא. תא ואפקיד לך על בני ביתי. לא תשחית את עצה, דא ת"ח דאיהו במתא, דאיהו אילנא דחינו, אילנא דיהיב איבין.

316. Another explanation: "Its tree" is the one who gives counsel (Heb. etzah) to the inhabitants of the city on how to avoid the judgment, and teaches them the lawful way to follow. Hence, "you shall not destroy its tree (Heb. etzah) by forcing an ax against it" (Ibid.), meaning in order to force sentence upon him and not to draw upon him the fiery sword, a sharp sword. That sword kills the rest of the people in the world, "for you may eat of it" (Ibid.). HE ASKS: Does the saboteur then eat FROM THE TORAH SCHOLAR? HE RESPONDS: No, but rather "for you may eat of it" MEANS that hard rock, the one from where all the holy, strong and mighty spirits emerge. SHE, MALCHUT, WILL EAT OF IT, because the Holy Spirit THAT IS MALCHUT has no pleasure or desire in this world, except for the Torah words of the righteous who sustain her, so to speak, and provide her food in this world more than all the sacrificial offerings in the world.

317. It is written regarding a sacrificial offering: "I have eaten my honey comb with my honey... Eat, O dear ones" (Shir Hashirim 5:1). From the day the temple house was destroyed and the sacrifices ceased, the Holy One, blessed be He, has only what is offered up for him in the way of Torah studies and the Torah insights that are constantly renewed BY THE TORAH SCHOLAR. Due to this, IT IS WRITTEN: "For you may eat of it," since she has no other sustenance except for that. Since she will eat from it and he sustains her, THEREFORE, "you shall not cut it down." Be careful that you do not come close to him.

318. "For is the tree of the field a man" (Devarim 20:19), meaning that the scholar who is famous above and below is called 'man'. "The tree of the field" is a mighty great tree of "a field, which Hashem has blessed" (Bereshheet 27:27), WHICH IS MALCHUT THAT IS CONSIDERED FIELD. It depends on it for support, BECAUSE THE TORAH SCHOLAR SUSTAINS HER, since he is the tree that is constantly available to the field. "That it should be besieged by you" (Devarim 20:19) refers to what is written at the beginning of the verse: "You shall not destroy its tree (Heb. etzah)," meaning the person who gives them advice (Heb. etzah) and corrects the city inhabitants, giving them counsel. "That it should be besieged by you," means to be corrected and do repentance, and to prepare for themselves weapons, trumpets and horns. What is the meaning of "that it should (lit. 'come') be besieged by you"? That is to "come" before and enter; "by you": with the awe and fear of you. "Besieged" refers to a place where the higher and lower ones are unable to enter. What is it? That is the level into which the ones who repent return. What is that? That is repentance, WHICH IS BINAH, a fortified area and a strong rock.

319. 'Because they accept that advice FROM THE SAGE, I forgive their iniquities and they will be received pleasantly into My presence.' All this the Holy One, blessed be He, instructs for those who strive in Torah and, because of this, happy and praiseworthy are those who study Torah. Those who are occupied and study Torah are great trees in this world.

320. Look what the Holy One, blessed be He, accomplished by planting these trees. Praised is this path. One tree would not have been sufficient, but rather three huge trees spreading their branches to every direction is what the Holy One, blessed be He, produced for us. Let it be the will of heaven that these trees, and this fountain, shall never be missing in this area. Until this day, these trees and water fountain are still present there. And the people call them the pillar of Rabbi Pinchas ben Yair.

321. Rabbi Shimon opened the discussion with the verse: "And he lifted up his eyes, and saw the women and the children; and said, 'Who are those with you?' And he said, 'The children which Elohim has graciously given Your servant'" (Bereshheet 33:5). Come and see that the wicked one allowed his eyes to gaze at the women. Due to him, JACOB had to make some arrangements. Jacob placed the housemaids in front, and their sons, who were a little more important, behind them. Leah followed behind them, and her sons were behind her. Following behind them was Joseph and behind him Rachel. And he HIMSELF went in front of all of them.

322. (THAT IS ANOTHER MANNER, EXPLAINING DIFFERENTLY). After they all bowed down, it is written: "Then the handmaidens came near, they and their children, and they bowed themselves" (Bereshheet 33:6). Afterward, it says, "And Leah also with her children came near, and bowed themselves: and after came Joseph near and Rachel, and they bowed themselves" (Ibid. 7). HE ASKS: But Joseph was last behind Rachel and Rachel was in front of him, AND NOT JOSEPH IN FRONT OF RACHEL. HE REPLIES: It is just that when this good son, beloved son, the righteous in the world, Joseph, noticed that the eyes of the wicked were staring at the women, he was fearful for his mother. THEN he came out from behind her and spread his arms and his body and covered her, so that wicked one would not place his eyes on his mother. How much did he inflate his size? Six cubits to each direction, so he covered her up so that the eyes of the wicked one shall have no effect against her. CONSEQUENTLY, AT THE START, JOSEPH WAS INDEED BEHIND HER, AS IS WRITTEN EARLIER. HOWEVER, HE LATER CAME OUT FROM BEHIND HER AND WENT IN FRONT OF HER.

323. Similar to this, "Bilaam lifted up his eyes" (Bemidbar 24:2). It is written "eye": that refers to the evil eye that wished to stare at them, MEANING THAT HE ROUSED AGAINST THEM THAT EVIL EMISSION CALLED 'EVIL EYE'. "And he saw Yisrael abiding according to their tribes" (Ibid.): What is the meaning of "according to their tribes"? HE REPLIES: It only refers to the tribes of Joseph and Benjamin that were there. Upon the tribe of Joseph, no evil eye can have any effect, as is written: "Joseph is a fruitful bough" (Beresheet 49:22). What does "a fruitful bough" mean? It means that he increased and spread about to cover his mother FROM THE EVIL EYE OF ESAU, AS MENTIONED EARLIER. "A fruitful bough by a well" means that no evil eye can affect him. It is written about the tribe of Benjamin: "And he shall dwell between his shoulders" (Devarim 33:12) and it is further written: "He shall dwell in safety" (Ibid.). What does "in safety" indicate? It means that he has no fear of the evil eye and is not afraid of any other harmful effects.

324. The wicked one said, I will remove AND MAKE VOID this line OF THE TRIBES OF JOSEPH AND BENJAMIN, so that they will not last IN THE WORLD, and I will gaze at them WITH MY EVIL EYE as is required. Rachel was present there and noticed that the eye of the wicked one was focussed to do harm. What did she do? She emerged and spread her wings over them, which covered over her children. This is what it says: "And Bilaam lifted up his eyes, and he saw Yisrael." Once the Holy Spirit, WHICH IS MALCHUT CALLED 'RACHEL', noticed the focussed eye OF BILAAM, instantly "the spirit of Elohim came upon him." Upon whom WAS THE SPIRIT OF ELOHIM? THAT MEANS upon Yisrael, THAT THE SPIRIT OF ELOHIM spread its wings and covered over them. Immediately, the wicked one retreated.

325. At first, the son was covering for his mother and now the mother covered for her son. At that time when JOSEPH covered for his mother, Rachel, the evil eye of the wicked one would not harm her. The Holy One, blessed be He, said TO JOSEPH, 'Upon your life, when an evil eye approaches to gaze at your children and Mine, your mother will cover over for them. You covered over your mother and your mother will cover you.'

29. "And he lifted up his eyes, and saw the women and the children"

Rabbi Shimon gives an explanation of the title verse, wherein he says that the accuser sees Yisrael anguished from fasting and believes that they are fasting because they are afraid of him. We read how and why God protects innocent children during Yom Kippur, so that they are not punished for the sins of Yisrael. The innocent children are the Torah scholars, to whom God has told His secrets. No evil eye can have any power over them. Next we hear that the three trees that are sheltering the rabbis bend down individually over their heads immediately after Rabbi Shimon says that the three trees are the secret of the Patriarchs.

326. "And he lifted up his eyes, and saw the women and the children" (Beresheet 33:5). This verse was said in the secret of the light of wisdom on Yom Kippur (Day of Atonement), when the world's denizens stand for trial. The children of Yisrael repent in the presence of the Holy One, blessed be He, to be forgiven for their iniquities and the accuser standing over them is thinking to destroy them due to their iniquities. They send him then that gift, MEANING THE SCAPEGOAT. Then it is written: "For he said, 'I will appease him with the present that goes before me'" (Beresheet 32:21). After the accuser receives this gift, he reverses himself and becomes his advocate.

327. THE ACCUSER raises HIS EYES and sees Yisrael are anguished by fasting and are bare footed. He sees women and he sees children; all are fasting, all are radiant with purity. "And he said, 'Who (Heb. mi) are those (Heb. eleh) with you?'" (Ibid. 5), MEANING the HOLY NAME Elohim THAT IS DERIVED FROM MI ELEH; THEY ARE with you, YISRAEL. He asked about the children, and he replied, "The children that Elohim has graciously given your servant" (Beresheet 33:5). HE ASKS: Did he need to answer him anything? HE REPLIES: Since he accepted that bribe, MEANING THE SCAPEGOAT, he turned to be a good advocate for them. He raised his eyes and saw Yisrael in this way and thought that, due to the fear of him, LEST HE MAKE ACCUSATIONS ABOUT THEM, they were in such a state OF FASTING AND REPENTANCE.

328. ANOTHER EXPLANATION: He asked about the children and said, "Who are these with you?" What is the meaning of: "Who are these with you"? HE REPLIES that what he meant was true, THAT IT CONCERNS THE FAST AND REPENTANCE for you, because you sinned against the king. Why are these children in a situation like this, FASTING, and "Who are these with you"? "And he said, 'The children'": The Holy Spirit said this; therefore, there is a vertical tonal pause, ZAKEF GADOL, ON TOP OF "And he said," AND ON TOP OF "the children" in unspecific manner, TO INDICATE THAT THE HOLY SPIRIT SPOKE SO. "That Elohim has graciously given your servant": HE INQUIRES: Did then the Holy Spirit say TO ESAU, "your servant"? HE RESPONDS: The Holy Spirit said, These are the children who have not had a taste of sin IN THEIR FIRST INCARNATION. The Holy One, blessed be He, placed them in the hands of the one appointed over you and He killed them without them having sinned, as it says, "And on the side of their oppressors there was power" (Kohelet 4:1). That is the meaning of, "your servant."

329. As soon as he heard about these children, he immediately ascended to the presence of the Holy One, blessed be He, and said, Master of the world, all Your ways are just and true. If there is any judgment that prevails upon Yisrael, that would be for their own sins. Why did you hand their children who have not sinned over to be killed? The Holy One, blessed be He, accepts thus his words and has compassion on them. At that period of time, IN YOM KIPPUR, children do not suffer from diphtheria.

330. The accuser gets jealous about this chieftain appointed under him and says, Did the Holy One, blessed be He, give men children that carry upon themselves sins and iniquities? To the chieftain he handed children without sin, who don't even know the taste of sin. He immediately goes and removes them from his hand, so he should not have any control over them. Therefore, THE HOLY SPIRIT proceeded and said, "The children that Elohim has graciously given your servant," to that servant, MEANING HE GRACIOUSLY GAVE HIM CHILDREN THAT ARE WITHOUT taste of any iniquity or sin. He did this in order that the appointed one shall not have more benefit than him, and he wishes to remove them from his hand.

331. When the prayers of Yisrael ascend on that day to the Holy One, blessed be He, what does it say? "And he passed over before them" (Bereshheet 33:3). Here, the Holy Spirit, THAT IS MALCHUT, passed in front of them, as it says, "And their king passed on before them" (Michah 2:13) and he definitely crossed over in front of them. "And bowed himself to the ground seven times" (Bereshheet 33:3): the Holy Spirit, THAT IS MALCHUT, diminished itself towards the one above, TO ZEIR ANPIN, seven times, corresponding to the seven higher grades, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT OF ZEIR ANPIN, that are above it and diminished itself, to include them with it, each and every one. "Until he came near to his brother" (Ibid.), meaning to that level of compassion THAT IS ZEIR ANPIN, WHICH IS CONSIDERED THE BROTHER OF THE HOLY SPIRIT, WHICH IS MALCHUT that are son and daughter TO BINAH, AND THEREFORE, THEY ARE BROTHERS. ZEIR ANPIN IS CALLED 'son', as it says, "Yisrael is My son, My firstborn" (Shemot 4:22); THAT IS ZEIR ANPIN CONSIDERED YISRAEL. Daughter is the assembled Congregation of Yisrael, MEANING MALCHUT. The Holy Spirit caused a diminishing of itself until its approach TO ITS BROTHER, ZEIR ANPIN.

332. As soon AS MALCHUT reached him, ZEIR ANPIN, she beseeched Him and informed him of the distress of their children below, IN THIS WORLD. Both ZEIR ANPIN AND MALCHUT entered the hidden and concealed chamber of Yom Kippur, THAT IS BINAH, their Ima, SINCE ON YOM KIPPUR, THE MALE AND FEMALE ASCEND TO IMA and beg forgiveness for the children of Yisrael. Then it says, "For on that day will He forgive you, to cleanse you..." (Vayikra 16:30). It does not say, 'I will forgive', but rather "He," in the THIRD PERSON HINTING AT BINAH.

333. Now, the Holy One, blessed be He, granted the children, that are the sages present here, secrets of the Torah, to be adorned with them and become established through them. No evil eye has influence on them, due to the benevolent eye and the Holy Spirit of Rabbi Pinchas that dwells upon them. Rabbi Pinchas approached and kissed RABBI SHIMON. He said, If I would have come only to listen to these words, it would have been sufficient for me. Praised is this road upon which I came to you.

330. וְהוּא מְקַטְרָגָא נְטִיל קְנָאָה מֵהוּא מְמַנָּא דְתַחֲתוּת יִדְיָהּ. אָמַר, וְכִי לִי יִהְיֶה קוֹדֶשׁא בְּרִיךְ הוּא אִינוּן דְּמִתְלַבְּשֵׁן בְּחֻטְאִין וְחֻבִּין, וְלֵהוּא מְמַנָּא דִּילִי מְסַר יְנוּקִין בְּלֵא חוּבָא, דְּלֵא טַעֲמֻן טַעֲמָא דְחוּבָה. מִיָּד אָזַל לְאַפְקָא לֹון מִתַּחֲתוּת יִדְיָהּ, וְלֵא יִשְׁלוּט בְּהוּ. וְעַד אֲקָדִים לִיָּהּ וְאֵ"ל, הַיְלָדִים אֲשֶׁר חָנַן אֱלֹהִים אֶת עַבְדְּךָ. לֵהוּא עַבְדְּךָ, בְּלֵא חוּבָא וּבְלֵא חֻטְאָה. וּבְגִין דְּלֵא יִהְיֵא שְׁבַחָא לְמַמְנָא דִּילִיָּהּ יִתִּיר מִנִּיָּהּ, בְּעַא לְאַפְקָא לֹון מִן יָדוּי.

334. The Holy One, blessed be He, is here agreeing with us. It is not enough that He granted us one tree, but HE EVEN GAVE US three TREES. However, this fountain is of a higher form, in accord with that hidden and stored fountain THAT IS BINAH. These three trees are the cedars called 'the cedars of Lebanon', and are in the form of three great trees, which are the secret of the Patriarchs - MEANING CHESED, GVURAH, TIFERET OF ZEIR ANPIN CALLED 'PATRIARCHS' AND CONSIDERED THE CEDARS OF LEBANON, BECAUSE THEY EMANATE FROM BINAH CALLED 'LEBANON'. Praised is our lot at that period.

335. The trees were bent over, one over the head of Rabbi Shimon, one over the head of Rabbi Pinchas and one over the head of Rabbi Elazar. The branches extended into every direction on the heads of the friends. Rabbi Pinchas wept and said, Praised is my lot and praised are my eyes that saw this. I am rejoicing not only about mine and yours but I am also rejoicing about Rabbi Elazar, our child, that he is as important before the Holy King as one of us, BECAUSE ONE OF THE TREES BENT OVER HIS HEAD, THE SAME AS IT DID OVER THE HEADS OF RABBI SHIMON AND RABBI PINCHAS. He rose and kissed him. Rabbi Shimon declared, Elazar, get up from your position and cite in the presence of our Master some of His teachings, MEANING SOME WORDS OF TORAH. Rabbi Elazar rose.

30. "What have I done to you? and wherein have I wearied you?"

Rabbi Elazar tells us how compassionate God is to His sons even when they have sinned. He says that God feels their pain if He punishes them, so that finally He begs them to act righteously.

336. He opened the discussion with the verse: "O My people, remember now what Balak, king of Moab devised" (Michah 6:5). "My people," how much is the Holy One, blessed be He, compassionate to his sons, even though they sinned against Him. All His words to them are with love, like a father to his son. If a son sins against his father and he beats him yet as much as he beats him he doesn't repent his ways, and he derides with words and he does not accept from him, his father then says, I do not wish to continue to do to my son as I acted until now. If I beat him, his head will hurt and his pain will be upon me. If I scold him, he will make faces. What shall I do? I can only go and beg of him and speak to him softly, so he should not get saddened.

334. וְקוֹדֵשׁא בְּרִיךְ הוּא הֶכָא, דְּאִסְתַּבְּבֵם עִמָּנָא. וְלֹא דִּי אִילְנָא חֵד, אֶלָּא תְּלַת. אֲבָל מִעֵינָא דָּא, דְּיוֹקְנָא עֲלָאָה הוּא, לְגַבֵּי הוּא מִעֵינָא דְטַמִּיר וְגַנִּיז. תְּלַת אִילְנֵי אֵלִין, תְּלַת אֲרִזִּין אִינוּן, דְּאֶקְרוּן אֲרִזֵּי לְבָנוֹן. וְאִינוּן דְּיוֹקְנָא דְתְּלַת אִילְנֵי רַבְרַבִּין, רְזָא דְאֶבְהִין. זְכָאָה חוֹלְקָא בְּהֵיא שְׁעָתָא.

336. פִּתַּח וְאִמֵּר עִמֵּי זְכָר נָא מַה יַּעֲץ בְּלֶק מְלַךְ מוֹאָב וְגו'. עִמֵּי, כְּמַה קוֹדֵשׁא בְּרִיךְ הוּא אֲבָא רַחֲמָן עַל בְּנוֹי, אַע"ג דְּחָאבוּ גַבִּיָּה, כָּל מְלוֹי בְּרַחֲמֵי לְגַבִּיָּהוּ, כְּאֲבָא לְגַבִּי בְּרִיָּה. חֲטִי בְּרִיָּה לְגַבִּי אָבוּי, אֶלְקֵי לִיָּה, כ"כ דְּאֶלְקֵי לִיָּה לֹא תָב מֵאֲרַחֲיָה, נְזִיף בֵּיָּה בְּמִלִּין וְלֹא קָבִיל. אִמֵּר אָבוּי, לֹא בְּעֵינָא לְמַעַבְד לְבְּרִי כְּמַה דְּעַבְדְּנָא עַד יוּמָא. אֵלוּ אֶלְקֵיָּה יְהֵא חֲשִׁישׁ בְּרִישֵׁיהּ, הָא כְּאִיבָא דִּילִיָּה גַבִּאֵי, אֵהָא נְזִיף בֵּיָּה, הָא דְּיוֹקְנֵיהּ מִשְׁתַּנֵּי, מַה אַעֲבִיד, אֶלָּא אִיזִיל וְאֲתַחֲנֵן לְגַבִּיָּה, וְאִימָא לִיָּה מְלִין רַכִּיכִין, בְּגִין דְּלֹא יִתְעַצֵּב.

337. In all these manners, the Holy One, blessed be He, was behaving similarly with Yisrael. He began by hitting them and they did not submit. He scolded them and they did not submit. The Holy One, blessed be He, then said, I notice about my children that, due to the beatings they had from Me, their heads hurt. Woe is their pain which I also feel, as it says, "In all their afflictions He was afflicted" (Yeshayah 63:9). If I deride them, their facial forms will change, as it says, "Now their visage is blacker than coal; they are not known in the streets" (Eichah 4:8). Woe, when I gaze at them and I do not recognize them. Now, I will just beg and beseech them, "O My people, what have I done to you? and wherein have I wearied you?" (Michah 6:3). My only son, My soul's beloved, look what I have caused you. I have set you up to rule over all the members of the palace. I have set you up to dominate over all the kingdoms of the world. And if I have done any other things, answer Me. You can testify about Me.

337. בן בכל זנינן, אזיל קודשא בריך הוא בישראל. שארי עמהון אלקאה ולא קבילו. נזיף בהו, ולא קבילו. אמר קודשא בריך הוא, חמינא בברי, דבגין מלקיותא דלקינא לון, אינון חששו ברישיהון. ווי, דהא מגו כאיבא דלהון, חשישנא אנא. דכתיב, בכל צרתם לו צר. נזיטנא בהו, אשתנא דיוקנא דלהון, דכתיב, חשך משחור תארם לא נכרו בחצות. ווי כד אסתכלית בהו, ולא אשתמודעו. השתא, אהא מתחננא לגבייהו גו תחנונים. עמי מה עשיתי לך ומה הלאיתך. ברי יחידא דילי, חביבא דנפשי, חמי מה עבדית לך, שליטית לך על כל בני היכלי, שליטית לך על כל מלכין דעלמא, ואי עבדית לך עובדין אחרנין, ענה בי, אנת הוי סהיד בי.

338. "O My people, remember now what Balak, king of Moab devised, and what Bilaam, the son of Beor answered him." "Remember now": Please remember, I pray you, "what...devised." Now we should observe what the advice of Balak was against the holy people. The Torah did not consider Balak as anything in comparison to Laban, as it says, "An Arami wished to destroy my father" (Devarim 26:5). (MISSING THE REST)

338. עמי זכר נא מה יעץ בלק מלך מואב ומה ענה אותו בלעם בן בעור. זכר נא, הוי דכיר במטו מינך. מה יעץ השתא אית לאסתכלא, מה הוה עיטא דבלק על עמא קדישא ואורייתא לא חשיבת ליה לבלק כלום, כמה דהוה ללבן, דכתיב ארמי אובר אבי.

31. "And from the hills I behold him" - And I step outside
We hear the esoteric meaning of the title verse, part of which has to do with the coming of Messiah son of David and also the emergence of Messiah son of Joseph who will die and be killed but will later rise to life again.

339. "I behold him..." (Bemidbar 23:9). HERE, the depiction and form of his father was really impressed upon him. And from that period that he was in his mother's womb, from her side, he spread out and extended one more step outside. HE EXPLAINS: "For from the top of the rocks I see him" (Ibid.). That was the form and depiction of his actual father. When he was in his mother's womb, "I behold him." I will have extended a step outward. Vav is comparable to this.

339. אשורנו וגו', ציורא ודיוקנא דאבוי, אתרשים ביה ממש. ומההוא זמנא דהוה במערה דאמיה, מסטרא דילה, אתמתח ואושיט פסיעה לבר יתיר. כי מראש צורים אראנו, דא דיוקנא וציורא דאבוי ממש. כיון דהוה במערה דאמיה, אשורנו, אושיט פסיעה לבר, ו' כגוונא דא.

340. That is the meaning of: "And from the hills I behold him," BECAUSE IMA IS CALLED 'HILLS' AND, FROM THERE, ZEIR ANPIN IS MADE A STEP OUTWARD, AS MENTIONED EARLIER. In the higher Yeshivah, the word "geva'ot (Eng. the hills)" is spelled without a Vav. In the heavenly Yeshivah, geva'ot has a Vav. The Vav is perfecting both directions, one, ZEIR ANPIN, because this hill never separates from its son, THAT IS ZEIR ANPIN, and never abandons him. Therefore, the Vav is always part of it AND THAT IS WHY IT IS WRITTEN: "GEVA'OT" WITH A VAV. And one IS ABOUT MESSIAH, SON OF DAVID, because the hill below, WHICH REFERS TO MALCHUT, has the son included in her, THAT IS MESSIAH, SON OF DAVID. In the future to come, when Messiah will come, that higher hill, THAT REFERS TO BINAH, needs to take and bring him inside her wings in order to firm him up and place him in the higher life OF THE BINAH. From it will emerge on that day, Messiah, son of David. THE VAV OF "UMIGEVA'OT (LIT. 'FROM THE HILLS')" IS HINTING ABOUT HIM.

340. ודא הוא ומגבעות אשורנו, במתיבתא עלאה, גבעת חסר ו'. במתיבתא דרקייעא, ומגבעות באת ו'. ואשלים לתרין סיטרין. חד, דהא האי גבעת לא אתפרשא מן ברה לעלמין, ולא שבקת ליה. ועד אתכליל ו' בהדה לעלם. וחד, דהא גבעה דלתתא ברה דאתכליל בה, אצטריך לזמנא דאתי כד ייתי מלכא משיחא, לנטלא ליה גבעת עלאה, ולאעלא ליה גו גרסהא, בגין לאתקמא ליה, ולאוקמא ליה בחיין עלאין, ומנה יפוק בההוא יומא משיחא דרוד.

341. That is the secret of, "I will tell of the decree: Hashem has said to me, 'You are My son; this day have I begotten you'" (Tehilim 2:7), WHICH IS EXPLAINED AS FOLLOWS: I am destined to speak to this place that is called 'decree', THAT IS MALCHUT, and give the good tidings. "Hashem," THAT IS BINAH "has said to me, 'You are My son; this day have I begotten you'", FOR MALCHUT ASCENDED AND ATTIRED THIS BINAH, AND TOOK OUT MESSIAH SON OF DAVID FROM THE ASPECT OF BINAH ITSELF. THEREFORE, that very day, WHICH IS BINAH, produces that decree, THAT IS MALCHUT, from under her wings, OF BINAH, with much life, with many adornments and many blessings, as is proper.

341. וְרָזָא דָא, אֲסַפְרָה אֶל חַק יְיָ אָמַר אֵלַי בְּנֵי אֶתְהָ אָנִי הַיּוֹם יִלְדְתִיךָ. זְמִין אָנָא לֹמַר לְהֵהוּא אֶתְר דְאֶקְרִי חַק, וְלִבְשָׂרָא לִיְהִי ה' אָמַר אֵלַי בְּנֵי אֶתְהָ אָנִי הַיּוֹם יִלְדְתִיךָ. בְּהֵהוּא יוֹמָא מִמֶּשׁ, יִפְיֵק לִיְהִי הֵהוּא חַק מִתְחֹת גְּדַפְהָא, בְּכַמְהָ חַיִּין, בְּכַמְהָ עֲטְרִין, בְּכַמְהָ בְּרַכָּאן, בְּדַקָא יְאוּת.

342. That law, WHICH IS MALCHUT, will not remain on its own, AFTER MESSIAH THE SON OF DAVID WILL EMERGE FROM IT. Because then, another Messiah, WHICH IS MESSIAH THE SON OF JOSEPH, will be also be included in it, IN MALCHUT. There, IN MALCHUT, he will be fortified, and at no other place, THAT IS, NOT IN BINAH AS MESSIAH THE SON OF DAVID, because this is a lower hill, MEANING MALCHUT, that has no life of its own, BECAUSE MALCHUT CONTAINS NOTHING ON HER OWN, EXCEPT WHAT ZEIR ANPIN GIVES HER, WHO DRAWS FROM THE BINAH AND GRANTS TO MALCHUT. MESSIAH THE SON OF JOSEPH WAS ATTACHED EXCLUSIVELY TO MALCHUT ALONE AND TO NO OTHER PLACE; THEREFORE, that Messiah will die and be killed, BECAUSE MALCHUT ON ITS OWN HAS NOTHING TO GRANT HIM. And he will remain dead until this hill, MALCHUT, will gather life from the higher hill, THAT IS BINAH, AND PROVIDE TO MESSIAH THE SON OF JOSEPH FROM THE LIGHTS OF BINAH. Then MESSIAH THE SON OF JOSEPH will rise TO LIFE.

342. וְהֵהוּא חַק לֹא יִשְׁתַּאֲר בְּלַחְדוּדֵי, יִתְבַּלִּיל בֵּיהּ מְשִׁיחָא אַחְרָא בְרִיָה דִיוֹסֶף, וְתַמְן יִתְתַּקֵּף, וְלֹא בְאַתְר אַחְרָא. וּבְגִין דְאִיהוּ גְבַעָה תַתְּאָה, דְלִית בֵּהּ חַיִּין, יָמוּת מְשִׁיחַ דָא, וְיִתְקַטֵּל, וְיִהְיֵא מִית עַד דְתִלְקוּט חַיִּין גְּבַעָה דָא, מֵהֵיָא גְבַעָה עֲלָאָה, וְיִקּוּם.

343. Because of that, in the Yeshivah of heaven, THE WORD, "geva'ovt (Eng. 'the hills')" is complete with the letter Vav THAT INDICATES both sides, ZEIR ANPIN AND MESSIAH. In the higher Yeshivah, the word geva'ot is missing the Vav, to indicate something about which there is no question or doubt. "It is a people that shall dwell alone" (Bemidbar 23:9), on their own, without any other admixture.

343. וּבְג"כ, בְּמַתִּיבְתָא דְרִקִיעָא וּמִגְבְּעוֹת שְׁלִים בְּאוֹת ו', עַל תְּרִין סְטְרִין אֲלִין. אָבַל בְּמַתִּיבְתָא עֲלָאָה, חֶסֶר, בְּלֹא ו', לְאַחֲזָאָה מְלַח דְלִית בֵּהּ קוּשְׂיָא וְסַפְקָ. הֵן עִם לְבַדְדַּר יִשְׁכּוּן, בְּיַחְדָּא, בְּלֹא עֲרֻבּוּבֵיָא אַחְרָא.

32. Top, branch and path

Because some of this section is missing it cannot all be summarized. It begins with a discussion about the name "Yud Hei Vav Hei our Elohim Yud Hei Vav Hei." We learn that the children of Yisrael have the Hebrew alphabet and language, and that higher secrets can be understood from the form of the letters; this understanding is not available to people of other nations, who have scripts that are merely inventions or agreements among them. The Zohar turns to the supernal creation of Zeir Anpin and Malchut, and lastly to the secret explanation of "And the number of the fourth part of Yisrael."

344. All the complete unity is here IN THE NAMES "Yud Hei Vav Hei our Elohim Yud Hei Vav Hei," because its secret is "from the top of the rocks" (Bemidbar 23:9) THAT IS ABA ABOVE. It was unified with the top and branch and path. Yud Hei Vav Hei is the highest peak of air that ascends, MEANING "TOP OF THE ROCKS" THAT IS ABA, THE SECRET OF PURE AIR; our Elohim is the branch. It is written: "The stem of Yishai" (Yeshayah 11:1), MEANING BINAH THAT IS THE SECRET MEANING OF "FROM THE HILLS," AS MENTIONED. Yud Hei Vav Hei is the lowest path, WHICH IS ZEIR ANPIN, WHICH IS THE VAV, ABOUT WHICH IT SAYS, "I BEHOLD HIM" IN THE SECRET MEANING OF A STEPPING OUTWARD, AS MENTIONED NEARBY. By this secret, it was properly united with it and, because it spread out into it, INTO THE VAV, the path, IN THE SECRET MEANING OF THE STEP OUTWARD, there is a need...(MISSING THE CONTINUATION) the secret that was clarified in the two Yeshivot.

344. כֹּל יַחְוּדָא שְׁלִים, הֵכָא אִיהוּ. יְיָ אֱלֹהֵינוּ יְיָ. דְהָא רָזָא דִילִיָהּ, מֵרֵאשׁ צוּרִים אִיהוּ, וְאַתִּיּוּחַד בְּרִישָׁא, בְּגֻזְעָא וּשְׁבִילָא. יְיָ: דָא רִישָׁא עֲלָאָה, אוּרָא דְסִלְקָא. אֱלֹהֵינוּ: דָא גֻזְעָא, דְאֶתְמַר גֻּזַע וְשִׁי. יְיָ: דָא שְׁבִילָא דְלַתְתָּא. וְעַל רָזָא דָא אֶתִּיּוּחַד בֵּיהּ בְּדַקָא יְאוּת. וּבְגִין דְאֶתְמַתַּח בֵּיהּ שְׁבִילָא אֲצַטְרִיךְ. רָזָא דְאֶתְגֻזַר בְּתַרֵי מַתִּיבְתָּי.

345. Happy is your lot, Rabbi Shimon, that you merited the higher things of your Master. Your Master is pleased with you. How much the measure of the expansion of this path is by higher measurement, in the top, the branch and the path, and they were attired in this extension. Therefore, the first extension is the measure of the six ends and everything was unified into this letter. Due to this, it properly "shall dwell alone..."(BECAUSE THE BEGINNING IS MISSING, IT IS IMPOSSIBLE TO EXPLAIN IT).

346. "And shall not be reckoned among the nations" (Bemidbar 23:9): Yisrael have a writing script and a language. In each letter, it is possible to observe the form and proper depiction, IN ORDER TO UNDERSTAND THE HIGHER SECRETS IN THEM. However, it "shall not be reckoned among the nations," because they do not possess the script and language, THE ORIGINAL SOURCE DEPICTED IN ACCORDANCE WITH HIGHER FORMS. They have nothing by which to observe and know anything, THROUGH THE SHAPE OF THEIR SCRIPT, because "they are vanity, the work of delusion" (Yirmayah 10:15), SINCE THEIR SCRIPTS AND LANGUAGES ARE MERELY AGREEMENTS, WHEREBY PEOPLE HAVE DECIDED UPON A SPECIFIC LANGUAGE AND SCRIPT. This secret "shall not be reckoned" in their way of thinking and observation, OF THEIR LETTER FORMS, because they do not possess the script. Happy are the children of Yisrael.

347. "Who can count the dust of Jacob, and the number of the fourth part of Yisrael" (Bemidbar 23:10). Of that higher point, WHICH IS ABA AND IMA UP ABOVE, its top, branch and path, WHICH IS THE BEGINNING, MIDDLE AND END, MEANING CHOCHMAH, BINAH, DA'AT, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, is hidden. It is not available for questioning, SINCE IN ABA AND IMA, THE YUD DOES NOT ESCAPE FROM THE AIR. From the moment it began to be built and to become a palace chamber in accordance with His wish and be referred to as "Who," THAT IS YISRAEL-SABA AND TEVUNAH, its form, OF ABA AND IMA, it begins to be actually built, WHICH IS ZEIR ANPIN THAT ACQUIRES THE FORM OF ABA, THAT IS THE ABA AND IMA ABOVE. FOLLOWING THAT, He produced His female, MEANING MALCHUT, in the form of His mother, THAT IS YISRAEL-SABA AND TEVUNAH, WHICH IS BINAH.

348. What is this "Who"? It is the top, the branch and the path, MEANING THE TOP, MIDDLE AND END, WHICH ARE CHOCHMAH, BINAH, DA'AT, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF YISRAEL- SABA AND TEVUNAH, that spreads out, so that a palace chamber may be built by extension. It built in two directions, TO ZEIR ANPIN AND MALCHUT, so that even though it took out Yisrael that is Vav, ZEIR ANPIN, it ALSO took out the female together and invited her to itself. "Who can count (Heb. manah)" MEANS, as it says, "And the king appointed them (Heb. vayman)" (Daniel 1:5). SIMILARLY, THAT MEANS "sending choice portions (Heb. manot)" (Ester 9:22), MEANING THAT "WHO", WHICH IS YISRAEL-SABA AND TEVUNAH, gave Him, ZEIR ANPIN, a very valuable gift, WHICH IS MALCHUT, and took it out together with Him. In the same extension that it expanded, it took both of them out together in the same moment.

349. The secret explanation of, "And the number of the fourth part of Yisrael" is passed on to you, Rabbi. Praised is your lot. "The fourth part of Yisrael" MEANS one quarter part of the measure of Yisrael, WHICH IS ZEIR ANPIN CALLED 'YISRAEL' that is the covenant, MEANING THE YESOD IN ZEIR ANPIN. Why is it referred to by "fourth part"? Because in the measure of the body is four covenants. The covenant is a quarter part in measuring the body and all of it is produced by "who" THAT IS BINAH. THEREFORE, IT SAYS, "WHO CAN COUNT THE DUST OF JACOB, AND THE NUMBER OF THE FOURTH PART OF YISRAEL," BECAUSE "WHO" HAS BROUGHT FORTH EVERYTHING.

33. "My voice shall You hear in the morning, Hashem"

Rabbi Elazar talks about the title verse, saying that 'morning' is the morning of Abraham that is Chesed, when people should pray because it is a time of goodwill for everyone. All those who have sinned should pray for forgiveness. We hear about Refael who carries all remedies and healing in his hand, and about how God looks for merit in people at the time of morning prayer. Rabbi Shimon tells his son that there are two mornings, one of Abraham and one of Joseph: both are of Chesed but the latter is revealed through the illumination of Chochmah. We hear that when God first made light it was too bright for the worlds to bear it, so He made successive levels of light to be clothed in it in order for it to be brought down to a level that the worlds could withstand. Joseph receives all the higher light, so his brightness radiates from one end of the world above to the other.

350. Rabbi Elazar was journeying to see his father-in-law, Rabbi Yosi. Rabbi Aba and the friends went along with him. Rabbi Elazar opened the discussion with the verse: "My voice shall You hear in the morning, Hashem" (Tehilim 5:4). What is the meaning of "morning"? HE RESPONDS: It refers to the morning of Abraham, WHO IS CHESED, that was roused in the world, as is written: "And up Abraham rose early in the morning" (Bereshheet 22:3). When that morning arrived, that specific morning, THAT IS CHESED, awakens in the world, which is a time of goodwill for all, and a time to do kindness throughout the world, to the righteous and the wicked. Then it is a proper time period for prayer, to pray before the Holy King.

351. Therefore, during that time when that morning arrives, all the King's captives, MEANING THOSE WHO SIN AND ARE BOUND IN THE CHAINS OF SIN, find rest. It is a time for them to say prayers, most certainly those who repent and beg for their request in the presence of the Holy King. In that period of time, a chieftain exits to the south side, THAT IS CHESED, and his name is Raphael. All kinds of remedies are in his hand. From the south side, THAT IS CHESED, a spirit leaves and reaches to the chieftain appointed for healing, THAT IS RAPHAEL. When the prayer reaches the Holy One, blessed be He, he instructs the members of His court not to begin the trial, because life is in the hands of the Holy One, blessed be He, and not in their hands.

352. Because it is a time of favor, the Holy One, blessed be He, looks to find merit for that person. If he is at prayer or he is returning in repentance, He has compassion for him. At that time, the voice of nesting birds is heard, as is written: "Where the birds make their nests" (Tehilim 104:17), because these birds thank and praise the Holy One, blessed be He. The morning gazelle woke up in the world said, "O how great is Your goodness, which You have laid up for those who fear You..." (Tehilim 31:20). Then the appointee OVER HEALING goes forth and does all that he is instructed to do.

349. ומספר את רובע ישראל, רובע ישראל רזא דא בגינך ר' אתמסר, זכאה חולקך. רובע ישראל, רביעית, מן מדידו דישראל, איהו ברית. אמאי אקרי רובע. אלא שיעורא דגופא ארבע בריתות הוי בשיעורא דיליה. וברית רובע איהו בשיעורא דמדידו דגופא. כללא אפיק מי.

350. ר"א הוה אזיל למחמי לר' יוסי חמוי, ר' אבא וחברוי אזלו עמיה. פתח ר' אלעזר ואמר, יי' בקר תשמע קולי וגו'. יי' בקר מאי בקר. אלא דא בקר דאברהם, דאתער בעלמא. דכתוב, וישכם אברהם בבקר. דהא כד אתי צפרא, ההוא בקר אתער בעלמא, והוא עידן רעוא לכללא, ולמעבד טיבו לכל עלמא, לזכאין ולחויבין. וכדין עידן צלותא הוא, למצלי קמי מלכא קדישא.

351. וע"ד, בשעתא דאתי צפרא, כל אינון אסירי מלכא, אשכחו נייחא, עידן צלותא איהו עלייהו. וכ"ש אינון דתיובין בתיובתא, ובעאן בעותהון לקמי מלכא קדישא. בגין, דהאי שעתא, חד ממנא נפיק לסטר דרום, ורפאל שמייה, וכל זיני אסוותא בידוי. ומסטר דרום, נפק חד רוחא, ומטי לגבי ההוא ממנא, דממנא על אסוותא. וכד מטי צלותא לקמי קודשא בריך הוא, פקיד לבי דינא דיליה, דלא יפתחון בדינא, בגין דחיים בידי דקודשא בריך הוא, ולא בידיהון.

352. ומגו דאיהו עידן רעוא, בעא קודשא בריך הוא זכותא דהוא ב"ג, אי ישתכח בצלותא, או דאיהו מאריה דתיובתא, חס עליה. בההיא שעתא קל צפרין דמקנן אשתמעו, דכתוב אשר שם צפרים יקננו. ואינון צפרין אודאן ומשבחן לקודשא בריך הוא. וההוא אילת השחר אתער בעלמא ואמר, מה רב טובך אשר צפנת ליראיך וגו'. כדין ההוא ממנא נפיק, ועביד כל מה דאתפקד.

353. If you think that the types of healing are in the power OF THE APPOINTEE as we mentioned, it is not so, because the remedy is only in the hands of the Holy King. However, at the moment when the Holy One, blessed be He, instructs the remedy for that person, the appointed one goes out and all the prosecutors that are appointed for awful diseases fear him. Then the spirit that travels from the south side, THAT IS THE SPIRIT OF CHESED, extends THAT CHESED to that person and behold, there is remedy. HOWEVER, all is in the hand of the Holy One, blessed be He.

354. Therefore, it is written: "My voice shall You hear in the morning, Hashem" and it does not simply say, "My voice shall You hear, Hashem," because he is referring to that morning of Abraham. "In the morning I will direct my prayer to You; and will wait expectantly" (Tehilim 5:4). HE ASKS: Why is morning said twice? HE RESPONDS: It is only because one morning is the one of Abraham, THAT IS CHESED, and one morning is of Joseph, as is written: "As soon as the morning was light" (Beresheet 44:3). The Targum translates it as: "the morning shines," for it definitely gives light. AND THE DIFFERENCE IS THAT THE MORNING OF ABRAHAM IS CHESED, WHICH IS CONCEALED FROM CHOCHMAH, AND THE MORNING OF JOSEPH IS OF CHESED THAT IS REVEALED THROUGH THE ILLUMINATION OF CHOCHMAH. "I will direct my prayer to You; and will wait expectantly": What is the meaning OF, "I WILL DIRECT MY PRAYER TO YOU"? It only refers to, I will prepare Your candle to light up with, as it says, "I have set up a lamp for My anointed" (Tehilim 132:17). That refers to that morning of Joseph, because this preparation of the candle is his.

355. IT SAYS, "And will wait expectantly." HE ASKS: What is the meaning of: "And will wait expectantly"? Aren't all the inhabitants of the world hoping and waiting for the kindness of the Holy One, blessed be He, even the beasts of the field? In what is that praise of David better than everyone's in the world? HE REPLIES: I have inquired about this matter and this was the reply, which is a matter of truth that comes from the distance. THAT IS THE SECRET OF CHOCHMAH, AS IT SAYS, "I SAID LET ME BECOME WISE, BUT IT WAS FAR FROM ME" (KOHLEET 7:23). The first light that the Holy One, blessed be He, created was so bright that the worlds could not stand it. What did the Holy One, blessed be He, do? He made light to His light, so that they could be attired with one another, and similarly with all the rest of the lights. THAT IS, EACH HIGHER LIGHT GETS ATTIRE WITH A LEVEL THAT IS LOWER THAN IT, until all the worlds get an enduring existence and can withstand it.

356. That is why all the levels were spread out and all the lights were attired. These ATTIREMENTS, WHEREIN THE LOWER DRESSES UP THE HIGHER, are called 'supernal wings' until they reach that morning of Joseph. And he receives all the higher lights, BECAUSE YESOD IS COMPRISED AND COMPOSED OF ALL THE LIGHTS HIGHER THAN HIM. Due to the fact that all the higher lights depend on him, his brightness radiates from one end of the world to the other end of the world above, until the worlds below IT can not withstand it. David came and prepared the candle, which is a cover for the morning of Joseph. He should be veiled in it to allow the existence of the worlds that are lower by the setting of that candle. That is why it is written, "In the morning I will direct my prayer to You; and will wait (Heb. atzapeh) expectantly," as it says, "And he overlaid (Heb. yetzapehu) it with pure gold" (Shemot 37:2). That candle is of David, THE CHARIOT OF MALCHUT, upon which he is dependent, and he said it should be the cover over this morning OF JOSEPH. Rabbi Aba approached and kissed him. He said, If I would have gone out on my journey only to hear this one thing, it would

352. ואי תימא דיני אסותא בידוי כמה דאמרן. לאו הכי. דהא אסותא לא הוי, אלא בידוי דמלכא קדישא. אבל בשעתא דפקיד קודשא בריך הוא אסותא להווא בר נש, איהו נפיק, וכל אינון מקטרגין דממנן על מרעין בישין, דחלין מניה. כדין ההוא רוחא דקא נסע מסטרא דדרום, אושיט ליה להווא ב"נ, והא אסותא אשתכח, וכלא בידוי דקודשא בריך הוא.

34. The son of Rabbi Yosi of Peki'in

A dove lands in front of Rabbi Elazar and he sends it with a message to his father-in-law Rabbi Yosi to say that he should be prepared for a miracle in three days time. Before leaving, the dove says that someone else has died in Rabbi Yosi's place. Rabbi Elazar and Rabbi Aba make a detour to visit the house of Rabbi Yosi of Pekiin who has died instead of Rabbi Yosi. They find the Rabbi's small son in terrible grief; he won't allow anyone else near the body, and he keeps telling God that He should have taken him and his sister instead of their father. A voice says to Rabbi Yosi of Pekiin that he has been given another 22 years of life and that thirteen other people have died in his place; this will give him time to bring up and teach his son. Rabbi Yosi is returned to life and there is much rejoicing. He tells the others what happened when he was in the world beyond and how much his son's action of offering to give up his life in exchange for him led to God's mercy.

357. During their travel, a dove approached and reached Rabbi Elazar. She landed and chirped before him. Rabbi Elazar declared, Worthy dove, you are always faithful in your mission. Go and inform him, RABBI YOSI, RABBI ELAZAR'S FATHER-IN-LAW, to be prepared for the friends that are coming to you, and tell him I am with them. A miracle will occur to him in three days and he shall have no fear befall him, because we are coming to him with gladness. He replied again and said, I am not too happy, because I am very badly disturbed about one full pomegranate that was placed below him in his stead, MEANING THAT SOMEONE ELSE DIED IN HIS PLACE; his name is also Yosi. The dove left his presence and the friends left.

357. עד דהוו אזלי, הא יונה חר מטא לגבי רבי
אלעזר. שריאת, וקא מצמצמא קמיה. אמר רבי
אלעזר, יונה כשרה מהימנת הוית תדיר
בשליחותיך, זילי ואימא ליה, הא חבריאי אתאן

סגיא, ובאיש בעיני סגי, על חר רמונא מליא
דאתיהיב תחותיה, ויוסי שמיה. אזלת ההיא יונא
מקמיה, ואינזן חבריאי אזלו.

358. Rabbi Aba said, Rabbi Elazar, what is this great wonder that I have observed? He said to him, This dove came to me on a mission from Rabbi Yosi, my father-in-law, who is in his sick chamber. I learned from this dove that he is already saved, and a substitute was given in his stead, MEANING TO SAY ANOTHER PERSON IS GOING TO DIE INSTEAD OF HIM, and he got well.

358. אמר רבי אבא לר' אלעזר, מאי האי, תוהנא
סגי, ממה דחמינא. א"ל, יונה דא אתאת לגבאי
בשליחותיה דרבי יוסי חמי, דאיהו בבי מרעיה,
וידענא מהאי יונה דאשתויב, וחלופא אתיהיב
עליה ואתסי.

359. While still journeying, behold, a raven appeared to them. It cried out and cawed loudly. Rabbi Elazar said, This is your duty, and for that reason you were created, MEANING TO BRING BAD TIDINGS. Get going on your way, I already know. Rabbi Elazar said, Let us go and do an act of kindness for that pomegranate that was full of everything; Rabbi Yosi of Peki'in was his name, for he departed from this world and there is no one that is worthy to make an effort for his sake. And he is close by.

360. They detoured from the road and went there. When the townspeople saw them, they all went to welcome them, and these friends entered the house of Rabbi Yosi of Peki'in. Rabbi Yosi had a little boy who wouldn't allow anyone to get close to the bed of his father after he died. He alone was by it, crying over him with his mouth over his mouth.

361. The child opened the discussion saying, Master of the world, it says in the Torah: "If a bird's nest chance to be before you...but you shall surely let the mother go..." (Devarim 22:6). The child was crying and weeping. He said, Master of the world, abide by that matter that is in the Torah. We were two children to my father and mother, myself and my younger sister. You should have taken us, and acted in accordance with the words of the Torah, AS IT SAYS, "BUT YOU SHALL SURELY LET THE MOTHER GO, AND TAKE THE YOUNG TO YOU (Ibid. 7)." If you should say, Master of the world, it says "mother" and not "father," this is the same, my father and mother, as mother died and you have taken her away from the children, and now, my father also, who was our protection, you took away from the children. Where is the just sentence in the Torah? Rabbi Elazar and his friends cried before the grief and tears of the child.

362. Rabbi Elazar opened the discussion with the verse: "The heaven for height, and the earth for depth" (Mishlei 25:3). While Rabbi Elazar was saying this verse, a pillar of fire separated them FROM THE DEPARTED, but the child was still attached to the lips of his father and did not separate. Rabbi Elazar said, THIS IS WHY THE PILLAR OF FIRE SEPARATED; either the Holy One, blessed be He, wishes to perform a miracle AND REVIVE HIM, or He desires that no one else deal with him. However, I cannot bear to see the child's tears or to hear what he is saying.

363. While still sitting, they heard another voice that said, Blessed are you, Rabbi Yosi, that the speeches of the young kid and his tears rose to the throne of the Holy King and pronounced the sentence. And the Holy One, blessed be He, handed thirteen people in your stead to the Angel of Death, TO REDEEM YOU. Behold, they have added 22 years to your life, so you will have time to teach the young kid, the perfect and beloved, before the Holy One, blessed be He.

364. Rabbi Elazar and the friends rose, and did not allow anyone to stay in the house. They immediately noticed the pillar of fire was gone. Rabbi Yosi opened his eyes and the child was still glued with his lips to his lips. Rabbi Elazar said, Blessed is our lot that we witnessed the resurrection of the dead eye to eye. They approached him and the child fell asleep, as if he was expiring from this world. They said, Blessed is your lot, Rabbi Yosi, and blessed is the merciful, who performed a miracle for your sake due to the crying and weeping of your son. Life was added to you because of his utterances, that he was pushing with irrefutably right, true and heartfelt speeches to the gates of heaven due to his pleading and tears.

365. They took the child and kissed him and cried with him due to great joy. They removed him to another house and woke him up FROM HIS SLEEP. They did not inform him immediately OF HIS FATHER'S REVIVAL, but rather later on. They rejoiced there for three days and uncovered, with Rabbi Yosi, many new insights in the Torah.

366. Rabbi Yosi said to them, Friends, I was not given authority to reveal what I observed in that world, until twelve years later. However, the 365 tears that my son spilled came into account before the Holy King. And I tell you friends, at the time MY SON opened up with that verse MENTIONED ABOVE and cried out with these words, 300,000 benches that were in the Yeshivah of heaven were shaken. All THE SOULS stood before the Holy King and asked for compassion towards me, and guaranteed for me THAT I WOULD NOT SIN DURING THAT TIME. The Holy One, blessed be He, was filled with compassion for me.

367. Those utterances OF MY SON were pleasing to Him, and the way in which he gave up his soul for me. A guardian was present there, A PROTECTOR AND DEFENSE COUNSELOR, who said, Master of the world, does it not say, "Out of the mouth of babes and sucklings have You founded strength because of Your enemies, that You might still the enemy and the avenger" (Tehilim 8:3)? May it please You that through the merit of the Torah, and the merit of that child who was ready to give his soul for his father's sake, You should have mercy on him and he should be saved.

368. And thirteen people were prepared and appointed in my stead, who were granted TO THAT ANGEL OF DEATH as guarantors, MEANING AS RANSOM IN HIS STEAD, TO REMOVE ME from this harsh sentence. Then, the Holy One, blessed be He, called on the Angel of Death and instructed him to return after 22 years, because THE THIRTEEN PEOPLE PLACED IN MY STEAD were not considered REAL surety INSTEAD OF ME TO EXCUSE ME FROM DEATH FOREVER. They were merely placed in his hands as assigned temporary custodians, MEANING TO SAY THAT EITHER WAY, THESE THIRTEEN WOULD HAVE DIED EVENTUALLY, AND THEY WERE IN THE HANDS OF THE ANGEL OF DEATH, EXCEPT THAT THEY DIED EARLIER. THEREFORE THEY COULD NOT BE A REDEMPTION AND SAFEKEEPING FOREVER, TO GIVE HIM LEAVE OF DEATH; THEY HAVE ONLY EXTENDED HIS TIME FOR A PERIOD OF 22 YEARS. Now, friends, because the Holy One, blessed be He, noticed that you were truly just, the miracle occurred before your eyes.

35. "Hashem kills, and gives life"

Rabbi Yosi asks how Hashem can kill when the name Yud Hei Vav Hei is an elixir of life in which death does not exist. Rabbi Shimon explains that He kills the body but gives life to the soul. He lowers the soul to Sheol to purify it and then raises it up to its place in the Garden of Eden. Rabbi Yosi concludes by saying that for the next 22 years he is no longer allowed to work at ordinary things of the world, but he has to study the matters that follow from what he learned in the supernal realm.

369. Rabbi Yosi opened the discussion with the verse: "Hashem kills, and gives life: He brings down to the grave and brings up" (I Shmuel 2:6). This particular verse requires more study. Does Hashem kill? Behold, this name, YUD HEI VAV HEI, is an elixir of life to everyone and this thing, death, does not prevail in it. Everywhere this name provides life to all the world. What then is the meaning of "Hashem kills" that people could think that He kills all human beings? Certainly the name Yud Hei Vav Hei kills. How does it cause death? You might think to say that when it leaves a person HE DIES, because while it is still prevailing within him none of the world's accusers could do damage to him, but when it departs all the prosecutors immediately take hold of him and the person dies. Yet this is not so.

369. פֶּתַח ר' יוֹסִי וְאָמַר, יְיָ מְמִית וּמְחִיָּה מוֹרִיד שְׂאוּל וַיַּעַל. הָאֵי קְרָא אֵית לְאַסְתַּבְּלָא בֵּיה, וְכִי יְיָ מְמִית, וְהָא שְׂמָא דָּא סְמָא דְּחַיִּין אִיהוּ לְכֻלָּא. וּמְלַה דָּא דְּמוֹתָא, לֹא שְׂרִיָּא בֵּיה, וּבְכֹל אַתְר שְׂמָא דָּא יְהִיב חַיִּין לְכֹל עֲלָמָא, מַהוּ יְיָ מְמִית, חֲשַׁבִּין בְּנֵי נְשָׂא דְּאִיהוּ קְטִיל לְכֹל בְּנֵי נְשָׂא. אֲלֵא יְיָ מְמִית וְדָאֵי דְּאִיהוּ עֲלִיָּה, לֹא יְכַלִּין כָּל מְקַטְרְגִין דְּעֲלָמָא לְנֻקָּא לִיה, בְּשַׁעְתָּא דְּאַסְתַּלִּיק מְנִיָּה, מִיַּד כָּל מְקַטְרְגִין יְכַלִּין לִיה, וּמִית בְּר נֶשׁ. לֹא הֲכִי.

370. HE REPLIES: Yet "Hashem kills." Whom does He kill? The extension of that Other Side, MEANING THE BODY, because, when that extension of the Other Side sees the glorious glow of the Holy One, blessed be He, it instantly dies, and can not exist even an instant. As soon as the extension of the Other Side is dead and removed from the world, he immediately "gives life." To whom does He give life? To that extension of the Holy Spirit that is derived from the side of sanctity, MEANING THE SOUL. He revives her and upholds her to a perfect existence and all is accomplished by the Holy One, blessed be He, at once and at the same time. THAT IS, HE KILLS THE BODY AND REVIVES THE SOUL AND THAT IS WHY IT IS WRITTEN: "HASHEM KILLS, AND GIVES LIFE." And it is written: "He brings down to the grave and brings up," which means that He lowers that Holy Spirit, MEANING THE SOUL, to Sheol and bathes her there IN THE FIRE THAT IS IN SHEOL to purify her. He instantly raises her and brings her to her appropriate place in the Garden of Eden.

370. אֲלֵא יְיָ מְמִית, לְמַאן מְמִית. לְהוּוּא מְשִׁיכוּ דְּסִטְרָא אַחְרָא בִּישָׂא. בִּיּוֹן דְּמְשִׁיכוּ דְּסִטְרָא בִּישָׂא, חָמֵי לִיה לְזִיו יְקָרִיָּה דְּקוּדְשָׁא בְּרִיךְ הוּא, מִיַּד מִית. וְלִית לִיה קִיּוּמָא אֲפִילוּ רְגַעָא חֲדָא. בִּיּוֹן דְּהוּוּא מְשִׁיכוּ דְּסִטְרָא אַחְרָא מִית וְאַתְעֵבֵר מִן עֲלָמָא, מִיַּד מְחִיָּה. לְמַאן מְחִיָּה. לְהוּוּא מְשִׁיכוּ דְּרוּחַ קְדְשָׁא, דְּאֲתִי מְסִטְרָא דְּקְדוּשָׁה, מְחִיָּה לִיה, וְאוּקִים לִיה בְּקִיּוּמָא שְׁלִים. כֻּלָּא עֲבִיד קוּדְשָׁא בְּרִיךְ הוּא בְּזֻמְנָא חֲדָא. וּמַה דְּאָמַר מוֹרִיד שְׂאוּל וַיַּעַל. מוֹרִיד לְהוּוּא רוּחַ קְדִישָׁא לְשְׂאוּל, וְעֲבִיד לִיה תַּמָּן טְבִילָה, לְאַתְדַּבְּאָה, וּמִיַּד סְלִיק לִיה, וְעָאֵל לְאַתְר דְּאַצְטְרִין בְּגִן עֲדָן.

371. And myself, my friends, during that period when I left the world my spirit was gone and departed immediately until a little later when the Holy One, blessed be He, brought me back to life. During that time, my body was dead. During the time when my son began with these utterances, his soul escaped and flew to meet my soul that was rising from her immersion, AS MENTIONED ABOVE, and re-entered wherever it did. There, they sentenced and judged her and I was given 22 years of life for the sake of my son's utterances and tears. From here on, I need to strive in what I observed there, because I am no longer allowed to strive after matters of this world. After seeing what I saw, the Holy One, blessed be He, wishes me not to forget anything.

36. "Yah has chastised me severely"

Rabbi Yosi says that David went through all kinds of trials but God always saved him because of his confidence in the world above. David reasoned that he had already received all his punishments in this world so he was purified and would not be punished in the world above.

372. He opened the discussion with the verse: "Yah has chastised me severely: but He has not given me up to death" (Tehilim 118:18). King David said, "YAH HAS CHASTISED ME SEVERELY" about all that was done in this world and he spoke of the confidence he had in that world. "But He has not given me up to death," because from everything that happened to him in this world - that he was pursued and he escaped from all his pursuers to a strange land, in the land of Moab, and in the land of the Philistines - the Holy One, blessed be He, has saved him and did not leave him to die. He said, "But He has not given me up to death" about his confidence in that world, THE ETERNAL.

372. פִּתַּח וְאָמַר, יִסּוּר יִסְרַנִּי יְהוָה וְגו', הוּוּ דְיָד מְלַכָּא אָמַר דָּא, עַל כָּל מַה דְעֵבַד בְּהָאֵי עֲלָמָא, וְאָמַר עַל אַבְטַחוּתָא דְהוּוּ לֵיהָ בְּהוּא עֲלָמָא. עַל כָּל מַה דְאֶעְבֵּר בְּהָאֵי עֲלָמָא, דְרָדִיפּוּ לֵיהָ, וְהוּוּ עֵרִיק בְּאַרְעָא נּוֹכְרָאָה, בְּאַרְעָא דְמוֹאָב, וּבְאַרְעָא דְפִלְשְׁתִּינֵי, וּמִכְלָהוּ שְׂזִיב לֵיהָ קוּדְשָׁא בְּרִיךְ הוּא, וְלֹא שְׂבִיק לֵיהָ לְמוֹתָא, וְאָמַר עַל אַבְטַחוּתָא דְהוּוּא עֲלָמָא.

373. David said, If I sinned here against the Holy One, blessed be He, I have already been smitten here and have received my punishment. He purified me from all my sins and did not leave my punishments to that world that is after my death. Definitely, "Yah has chastised me severely" in this world to cleanse me. "But He has not given me up to death" in that world to take revenge from me there. RABBI YOSI RETURNED TO TALK ABOUT HIMSELF AND SAID, As for myself, the Holy One, blessed be He, has already cleansed me once in this world. From here on, I need to be careful AND WATCH OUT that I should not be shamed in the World to Come.

373. אָמַר דְיָד, אֵי הֶכָּא חֲבָנָא לְגַבִּי קוּדְשָׁא בְּרִיךְ הוּא, הֶכָּא אֶלְקִינָא, וְקִבִּילְנָא עוֹנְשָׁא דִּילִי, וְאֶדְבִּי לִי מִכָּל מַה דְחֲבָנָא, וְלֹא שְׂבִיק עוֹנְשָׁא דִּילִי לְהוּוּא עֲלָמָא, בְּתַר מִיָּתָהּ. וְדָאֵי יִסּוּר יִסְרַנִּי יְהוָה, בְּהָאֵי עֲלָמָא, בְּגִין לְנִקְאָה לִי. וְלְמוֹת לֹא נִתְנַנְנִי, בְּהוּוּא עֲלָמָא, לְנִטְלָא נְקֻמַּתָּא מִנְּאֵי, וְאֲנִי, הָא קוּדְשָׁא בְּרִיךְ הוּא, אֲנִקִּי לִי זְמַנָּא חֲדָא בְּהָאֵי עֲלָמָא, מִכָּאן וְהֲלָאָה אֶצְטְרִיכְנָא דְלֹא אָהָא בְּכִסּוּפָא בְּעֲלָמָא דְאַתֵּי.

37. "Our father died in the wilderness"

Rabbi Yosi's son talks about why Zelofehad's daughters mentioned that their father died in the wilderness when in fact many many of the children of Yisrael had died in the wilderness. He says that they died after the sin of the golden calf and before the Torah was given to them. Zelofehad was not acquainted with the Torah, and he led those who spoke out against Moses, so his daughters thought that Moses hated him. The women did not speak solely in front of Moses but only before the other chieftains as well so that they would be sure of having impartial judgment. In his humility Moses then disqualified himself from judging their case, but brought it before God instead. The Rabbi's son says that Zelofehad died through the words of his mouth but that his father Rabbi Yosi was raised back to life through the words of his son's mouth. The other rabbis talk about staying in Rabbi Yosi's house for seven days until his soul has settled back into place, but they decide to go see Rabbi Elazar's father-in-law first and then return. Rabbi Aba and Rabbi Elazar realize that the wisdom of the children of this generation will never be seen again until the coming of Messiah.

374. The child, his son, opened the discussion with the verse: "Our father died in the wilderness, and he was not in the company of them..." (Bemidbar 27:3). There is a tonal above "Our father," MEANING 'ZARKA', WHOSE MUSICAL NOTATION lengthens the pronunciation of the word. Aha, devout holy ones, how much the pain is drawn out when reading "Our father." There is no pain or hurt of the spirit and soul, except when it is read like that, "Our father," when it is hurting from the heart. "Died in the wilderness": HE ASKS, Did not others die in the desert wilderness? Why is he marked by saying that he died in the desert? There were thousands and tens of thousands that died in the wilderness.

375. HE RESPONDS: It is just that so many people are without it. Some of them say that the gatherer of wood was ZELOPHEHAD, because it says, "But he died in his own sin" (Bemidbar 27:3). Some say this way and some say that way. I learned on the day my father fell on his sickbed; they taught me this, and I saw that which I saw, which my father forbade me from revealing. AND I WAS TAUGHT that there were many, many who died in the desert, and not on account of the sins of Korah or on account of the sins of the spies, when the awful judgment was decreed THAT ALL WILL DIE OUT IN THE WILDERNESS. But THEY DIED prior to the giving of the Torah and after those who misled the world, MEANING THE MIXED MULTITUDES, and those who followed them, made the golden calf. ZELOPHEHAD COULD HAVE BEEN AMONG THOSE FOLLOWERS, BUT THERE IS NO DEFINITIVE PROOF FROM WHAT IS WRITTEN: "BUT HE DIED IN HIS OWN SIN," THAT HE WAS THE GATHERER OF WOOD.

376. However, the plea that these daughters pleaded was that he died in the wilderness. He, who was Zelophehad, a chief in the house of Joseph, and who was not properly versed in the manners of the Torah, could not THEREFORE become a prince. And he was the one who did not guard his lips and speech against Moses, AS IT SAYS, "AND THE PEOPLE SPOKE AGAINST ELOHIM, AND MOSES..." (BEMIDBAR 21:5). ZELOPHEHAD WAS THE SPOKESMAN and about him, it is written: "And many (Heb. rav) people of Yisrael died" (Ibid. 6) BECAUSE HE WAS a man that was not versed in Torah. He was a chief (Heb. rav) of a family tribe, a Chieftain from the seed of Joseph and an offspring of Menashe. Because he sinned in the wilderness by speaking up against Moses, HIS DAUGHTERS thought that Moses harbored hatred AGAINST HIM. Therefore, they brought forward their complaints before Moses and Elazar and all the tribal heads and family chieftains. They did not speak with Moses alone except in their presence, because they were jealous of him.

377. From here, it is understood that whoever has doubts about the judge shall bring forward other JUDGES and increase the number of people to be with that judge, who will listen to the trial proceedings. And he will have fear of them and he will not have a choice but to judge properly. If he does not, they will reject him from judging on the trials, but they were not aware that "Moses was very meek, more so than all the men that were upon the face of the earth" (Bemidbar 12:3). They were not familiar with Moses' qualities.

374. פֶּתַח הַהוּא יִנּוּקָא בְּרִיָּה וְאָמַר, אָבִינוּ מֵת בְּמִדְבָּר וְהוּא לֹא הָיָה בְּתוֹךְ הָעֵדָה וְגו'. אָבִינוּ, הָא טַעְמָא לְעִילָא, אַרְיָךְ מְלָה וּמְשִׁיךְ לָהּ, אִי חֲסִידִין קְדִישִׁין, כְּמָה מְשִׁיכוּ דְצַעְרָא בְּמַקְרֵי אָבִינוּ. לִית צַעְרָא, וְלִית כְּאָבָא דְרוּחָא וְנַפְשָׁא, אֶלָּא כַּד קְרָאן הָכִי, אָבִינוּ, בְּכָאָבָא מְלָבָא. מֵת בְּמִדְבָּר, וְכִי אַחֲרָנִין לֹא מִיתוּ בְּמִדְבָּרָא, דְּהִכָּא רְשִׁים לִיהּ, וְאָמַר דְּאִיהוּ מֵת בְּמִדְבָּר, וְהָא אֵלֶף וּרְבֵבָן מִיתוּ בְּמִדְבָּרָא.

378. When Moses noticed all this, he said, I see that all this gathering of great men, from Yisrael, and all the heads of the families and the heads of the congregation are closing in on me. Then Moses immediately disqualified himself from judging, as it is written: "And Moses brought their cause before Hashem" (Bemidbar 27:5). Other judges do not behave this way, even if there is a great gathering upon them. Those judges are considered insolent, not having any of the humility that Moses had. Praised is the lot of Moses. Rabbi Elazar and the friends were glad.

379. The child said, I am returning to the earlier topics, to talk about this pausal note, MEANING THE 'ZARKA', THAT IS ON THE WORD OF "OUR FATHER" IN, "Our father died in the wilderness." ITS SHAPE is comparable to a snake that hangs on his back and pulls his tail into his mouth. AND THIS DRAWING that is on the musical note OF ZARKA that is drawn over THE WORD "OUR FATHER," CAUSED ZELOPHEHAD TO DIE "in the wilderness" through the words of his own mouth. The child hurried up quickly and held on to the back of the neck of his father, cried and said, This Zelophehad died through talking and you, my father, returned to this world through talking, MEANING THROUGH THE UTTERANCES AND TEARS OF THE CHILD. His father hugged and kissed him again. Rabbi Elazar and the friends all cried, and the father cried along with them. They all took him and kissed him all over his lips, over his head and over his eyes, and his father was crying with him.

380. Rabbi Elazar said to him, My son, since you spoke about this matter, SAY, What is the meaning of: "But he died in his own sin"? The child said, Father, THEY ASK WHY one word, "HE DIED," was not enough for them. WHAT WAS THE NEED FOR THEM TO SAY THAT HE DIED IN THE DESERT AND ALSO THAT HE DIED BECAUSE OF HIS SIN? IT IS ONLY that with the DEPICTION OF THE ZARKA THAT IS OVER THE WORD "OUR FATHER," the snake that was wrapped around above with his tail, the musical note lengthens the pronunciation. THEREFORE, IT IS WRITTEN: "In his own sin." What is "in his own sin"? It is in the sin of that snake. What is it? It is with the speech in his mouth THAT HE SPOKE AGAINST MOSES. The reason "But he died in his own sin" extends from the snake that is wrapped with its tail, SINCE HE DREW THE POWER OF CONTAMINATION FROM THAT PRIMORDIAL SNAKE BY SPEAKING AGAINST MOSES. That is certainly "his own sin."

381. Rabbi Elazar took him on his lap and in his arms, and all the friends cried. The CHILD said to them, Scholars, leave me with my father, because my mind has not settled down yet. Rabbi Elazar said to Rabbi Yosi, What is the age of the child in days and years? He replied to them, Friends, do not ask me this, because he still has not reached his fifth birthday.

382. Rabbi Elazar said, Heaven forbid, we are considering it only with a benevolent eye. And you mentioned five years: these are "five more years, in which there shall neither be ploughing nor harvest" (Beresheet 45:6), AND YOU TOO will not reap him forever. Rabbi Elazar said to Rabbi Aba, Let us stay here up to seven days, in order that THE SOUL should settle down in the house, because during the seven days after the soul left the body, she walks about naked. Now THAT THE SOUL OF RABBI YOSI LEFT AND returned she may not get settled back into her place until seven days have passed .

383. Rabbi Aba said that it is written: "You shall open your hand wide to your brother, to your poor, and to your needy" (Devarim 15:11). We have already taught this verse, that it is imperative for a person not to abandon his poor and give to other poor. Here, Rabbi Yosi, your father-in-law is also in his sick bed. Let's go and do a kindness for him. When we return, we will enter here FOR A SECOND TIME. As long as we come and go this way, we will observe the revival of the dead. Rabbi Elazar said, That is definitely, rightly so. They kissed the child, blessed him and left.

384. Rabbi Aba said, I wonder about the children of this generation. How strong they are, like high and mighty mountains. Rabbi Elazar said, Praised is my father's lot, that he is the leader of this generation. During his lifetime, the Holy One, blessed be He, wishes to establish his two Yeshivot and wants to make them into a great and lofty settlement, because there will not be another generation like this until the coming of Messiah, the King. They left.

38. Due to eleven causes, plagues come

Rabbi Aba lists the eleven causes of plagues that he was taught about in the Mishnah. The first of these causes is idol worship, and he equates being "in disorder" with leprosy. He also talks about the second cause, that is cursing the Holy Name.

385. While traveling, Rabbi Aba said, We have already learned that, due to eleven causes, plagues come about to the human beings. They are due to idol worship, cursing the Holy Name, incest, theft, the evil tongue, bearing false witness, a judge who is crooked in a trial, swearing falsely, one who encroaches on his friend's boundary rights, one who contemplates evil thoughts and ideas, and one who instigates quarrels between brothers. Some say also due to the evil eye, and we were taught all this in the Mishnah.

382. א"ל ר' אלעזר, ח"ו, דהא בעינא טבא אשגחנא ביה. ומה דאמרת חמש שנים, אינון חמש שנים אשר אין חריש וקציר. דלא תקצור ליה לעלמין. א"ר אלעזר לר' אבא, ניתיב הכא עד ד' יומין, בגין דאתיישבא ביתא. דהא כל שבעה יומין דנשמתא נפקת מן גופא, אזלת ערטילאה. והשתא דאהדרת, עד כען לא אתיישבת בדוכתהא, עד שבעה יומין.

383. אמר ר' אבא, כתיב פתוח תפתח את ירך לאחיך לעניך ולאבינוך, קרא דא, הא תנינן ליה, דלא ישבוק ב"ג עניא דיליה, ויהב לאחרא. הא ר' יוסי חמוך בבי מרעיה, ניזיל ונגמול חסד עמיה. ובתר דנהדר, ניעול בהאי. והא כל זמנא דנהך ונהדר בארחא דא, נחמי תחית המתים. א"ר אלעזר ודאי הכי הוא, נשקוהו לההוא ינוקא, ברכוהו ואזלו.

384. אמר ר' אבא, תוהנא על דרדקי דררא דא, כמה תקיפא חילייהו, ואינון טנרין רברבין ראמין. אמר ר' אלעזר, זכאה חולקיה דאבא, מאריה דררא דא. דהא ביומו, בעי קודשא בריך הוא לאתקנא, תרין מתיבתין דיליה, ולמעבד לון ישובא רברבא ועלאה כדקא יאות. דהא לא יהא כדרא דא, עד דיותי מלכא משיחא. אזלו.

385. עד דהוו אזלי, אמר רבי אבא, הא תנינן, על חד סרי מלין נגעין אתיין על בני נשא. ואלין אינון: על ע"ז. ועל קללת השם. ועל גלוי עריות. ועל גניבה. ועל לשון הרע. ועל ערות שקר. ועל דינא דמקלקל ית דינא. ועל שבועת שוא. ועל דעאל בתחומא דחבריה. ועל דמחשב מחשבין בישין. ועל דמשלח מדנים בין אחים. ואית דאמרי, אף על עינא בישא. וכלהו תנינן במתניתא.

386. Idol worship: How do we know THAT DUE TO THAT CAUSE THE AFFLICTIONS COME? Because it is written: "And when Moses saw that the people were in disorder; for Aaron had made them disorderly" (Shemot 32:25). What is the meaning of, "were in disorder"? It means that they were inflicted with leprosy. It is written here, "were in disorder" and it is written there, "And the diseased man in whom the plague is, his clothes shall be rent, and the hair of his head shall grow long..." (Vayikra 13:45). JUST LIKE IT MEANS LEPROSY THERE, HERE TOO IT IS LEPROSY. About cursing the name of Hashem, HOW DO WE KNOW? It is because it is written: "This day will Hashem deliver you (Heb. yesagercha) into my hand" (I Shmuel 17:46), MEANING THE PHILISTINE WHO WAS REVILING AND CURSING THE NAME. It is written ABOUT THE LEPER: "And the priest shall shut him up (Heb. hisgiro)" (Vayikra 13:5). WE UNDERSTAND FROM THIS COMPARISON BY ANALOGY. JUST LIKE IT WAS REGARDING LEPROSY THERE, HERE TOO IT HAS TO DO WITH LEPROSY.

386. ע"ז מנין. דכתיב וירא משה את העם כי פרוע הוא כי פרעה אהרן. מאי כי פרוע הוא. דאלקו בצרעת. כתיב הכי כי פרוע הוא, וכתיב התם, והצרוע אשר בו הנגע בגריו יהיו פרומים וראשו יהיה פרוע. ועל קללת השם, דכתיב היום הזה יסגר יו' בידי, וכתיב, והסגירו הכהן.

39. The eye of David and the eye of Bilaam

Rabbi Elazar says that David killed the Philistine by looking at him with an evil eye, and this caused leprosy on his forehead; thus the stone was sunk into his forehead. We hear that David's eye was beautiful and gazed with love on those who feared sin, but that the wicked were afraid of him. The eye of Bilaam, on the other hand, was entirely wicked. Next Rabbi Elazar says that the punishment for all the other causes of plagues listed earlier is always leprosy. He tells Rabbi Aba how Bilaam perpetrated all these sins, and that Bilaam tried to draw the abundance of Yisrael to his own evil side.

387. Rabbi Aba said, This matter regarding the Philistine has not suited me, and I need to study it further. Rabbi Elazar said, It is definitely so. This Philistine was close to the lineage of David and was the son of Orpah. That is the meaning of what is written: "Out of the ranks of the Philistines" (I Shmuel 17:23). Do not pronounce "ma'arachot" (Eng. 'ranks'), but read 'from the caves (Heb. me'arot) of the Philistines', because he caused shame to his mother, making her as a cave, because it is written: "And the Philistine cursed David by his Elohim" (Ibid. 43). David gazed at him with an evil eye and anywhere THAT DAVID was gazing with an evil eye, all kinds of afflictions flowed from the eyes of David. This is the way it was regarding Joab. As soon as David gazed at him with an evil eye, it is written: "And let the house of Joab never lack such as are afflicted with an issue, or with leprosy..." (II Shmuel 3:29).

387. אמר ר' אבא, מלה דא לא אתיישבא, ואצטריך לעינא ביה. א"ר אלעזר, הכי הוא ודאי, פלשתי דא קריב לייחוסא דדוד הוה, וברה דערפה הוה, והיינו דכתיב, ממערכות פלשתים, אל תקרי ממערכות, אלא ממערות פלשתים, דשוויה לאמיה כמערתא דא. וכיון דכתיב ויקלל הפלשתי את דוד באלהיו, אסתפל ביה דוד בעינא בישא. ובכל אתר דהוה מסתפל בעינא בישא, כל זיני צרעת אתמשכן מעיניה דדוד. והכי הוה ביואב, כיון דאסתפל ביה דוד בעינא בישא, מה כתיב, ולא יכרת מבית יואב זב ומצורע וגו'.

388. Here with this Philistine, as soon as he cursed the name, David looked at him with an evil eye and noticed on his forehead that he became leprous. Immediately, "the stone buried itself in his forehead" (I Shmuel 17:49), because the leprosy was stuck to his forehead. All this was DUE TO the impression of the evil eye of the leprosy in his forehead, that this stone was actually sunk into his brow. IT IS definite that he was a leper.

388. והכא בפלשתי דא, כיון שקלל את השם, אסתפל ביה בעינא בישא, וחמא במצחיה דאצטרע. מיד ותטבע האבן במצחו, ואתדבקת הצרעת במצחו. וכלא הוה אשתקעת עינא בישא דצרעת במצחו, ואשתקעת אבנא ממש במצחו, ודאי מצורע הוה.

389. The wicked criminal Bilaam's eye was the reverse of David's eye. David's eye was embroidered in all kinds of colors, and there was no eye in the world as beautiful as David's. All the colors in the world sparkled in it and it was filled with love towards anyone who feared sin, as is written: "They who fear You will see me and be glad" (Tehilim 119:74). That is, they became happy when they looked at him and all those wicked USED TO BE fearful of him.

390. However, the eye of Bilaam the wicked was evil in every way. Anywhere he gazed was destroyed as with a flame, since there does not exist such an evil eye in the world as the eye of that wicked one, which was inverse in relation to David's eye.

391. HOW DO WE KNOW THAT THE PUNISHMENT for incest IS LEPROSY? It is written REGARDING SUCH IMMORAL BEHAVIOR: "Therefore Hashem will smite with a scab the crown of the head of the daughters of Zion" (Yeshayah 3:17). It is written REGARDING LAWS CONCERNING THE LEPROUS MARKS: "And for a swelling, and for a scab..." (Vayikra 14:56). AS IT REFERS THERE REGARDING LEPROUS AFFLICTIONS, HERE TOO IT REFERS TO LEPROUS AFFLICTIONS. HOW DO WE KNOW THAT AFFLICTIONS OF A LEPROUS NATURE COME AS A RESULT of thievery? Because it is written: "'I have now produced it,' says Hashem Tzevaot, and it shall enter into the house of the thief...and shall consume it with the timber of it and the stones of it..." (Zechariah 5:4). What causes the consuming destruction of timbers and stones - that is, leprosy? It is written: "And he shall break down the house, the stones of it, and its timber" (Vayikra 14:45).

392. HOW DO WE KNOW THAT AFFLICTIONS OF LEPROUS PLAGUE FOLLOW TO PUNISH an evil tongue? Because it is written: "And Miriam and Aaron spoke against Moses..." (Bemidbar 12:1) and it is written further: "And Aaron looked upon Miriam, and behold, she was leprous" (Ibid. 10). For false witness, HOW DO WE KNOW THAT AFFLICTIONS OF A LEPROUS NATURE FOLLOW? We find that Yisrael testified falsely and said, "These are your Elohim, Yisrael" (Shemot 32:4) in a loud voice, as is written: "There is a noise of war in the camp" (Ibid. 17). Thus, "they put out of the camp everyone with leprosy and everyone that has an issue..." (Bemidbar 5:2). IN BOTH CASES, THE SIMILAR TERM OF "CAMP" IS USED TO GIVE AN INDICATION AND TEACH US AN EQUAL DECREE.

393. About a judge who distorts the law of judgment, HOW DO WE KNOW THAT LEPROSY AFFLICTIONS FOLLOW? Because it is written "As the fire devours the stubble, and as the chaff...and their blossom shall go up as dust ..." (Yeshayah 5:24). What is the reason? "Because they have cast away the Torah law of Hashem Tzevaot" (Ibid.). And 'blossom' means none other than leprosy, as is written: "And if the leprosy breaks (lit. 'blossoms') out abroad" (Vayikra 13:12). If someone infringes on the property or boundary rights of his neighbor or associate, HOW DO WE KNOW THAT LEPROUS AFFLICTIONS COME ABOUT? From Uzziah, who infringed on the rights of the priesthood, as it is written: "The leprosy broke out on his forehead" (Il Divrei Hayamim 26:19). HOW DO WE KNOW THAT someone who incites strife among brothers GETS HIT WITH LEPROSY? Because it is written: "And Hashem plagued Pharaoh" (Bereshheet 12:17), BECAUSE he caused strife between Abraham and Sarah. About an evil eye, HOW DO WE KNOW? This is as we already studied THAT DAVID'S EVIL EYE WAS WOUNDING WITH LEPROSY THOSE WHO WERE NOT FEARFUL OF HASHEM, SO WE HAVE PROOF THAT THE EVIL EYE CAUSES

LEPROUS AFFLICTIONS. All this was applicable to the wicked Bilaam.

394. Come and see that it is written: "To Petor, which is by the river" (Bemidbar 22:5). What is the meaning of "by the river"? HE RESPONDS: He set his evil eye on the river that is in Yisrael, WHICH IS YESOD IN ZEIR ANPIN, as is written: "Behold, I will extend peace to her like a river" (Yeshayah 66:12). Bilaam came upon Petor, WHICH IS MALCHUT OF THE OTHER SIDE, and was provoking them.

395. Rabbi Aba said, Certainly all these things applied to Bilaam, but how do we know that he, BILAAM, was also involved in sexually indecent behavior? HE REPLIES: Because it says, "Behold, these caused the children of Yisrael, through the counsel of Bilaam, to revolt against Hashem..." (Bemidbar 31:16). We have here the idol worship OF PEOR and sexual immorality OF KOZBI, DAUGHTER OF TZUR. HOW DO WE KNOW THAT false testimony APPLIED TO BILAAM? Because it is written: "And knows the knowledge of the most High" (Bemidbar 24:16) and yet he did not know even the thoughts of his beast, BECAUSE HE COULD NOT FIGURE OUT WHY HIS ASS DETOURED FROM THE ROAD. HOW DO WE KNOW THAT the distortion of justice ALSO APPLIED TO BILAAM? Because it is written: "Come therefore, and I will advise you" (Ibid. 14), for it was still debated AND IMPENDS UPON judgment IF YISRAEL IS GUILTY OR NOT. Yet he gave bad advice to harm YISRAEL and that is a deflection of justice, because he counseled harmful things about them AND HE DIDN'T CARE IF HE DID IT.

396. He infringed on what was beyond his boundary rights. WHY DO WE KNOW THAT ABOUT BILAAM? Because it is written: "And I have offered upon every altar a bullock and a ram" (Bemidbar 23:4) and it is written: "I have prepared the seven altars" (Ibid.). IN FACT, THE OFFERING UP OF THE SACRIFICES BELONGED TO THE PRIESTS AND NOT TO HIM. And inciting strife between brothers APPLIED TO HIM AS WELL, BECAUSE HE CAUSED STRIFE between the children of Yisrael and their Father in heaven. Malicious language APPLIED TO HIM, since no one in the world was A MASTER OF SLANDEROUS LANGUAGE as he was, SINCE ALL HIS POWER WAS IN HIS MOUTH. The curse of the Holy Name APPLIED TO HIM, as is written: "While I go to the meeting yonder (Heb. coh)" (Bemidbar 23:15), WHICH MEANS THAT HE WISHED TO UPROOT MALCHUT CALLED "COH" FROM YISRAEL. All these things that were manifest in him also included the evil eye as we studied, and everything was directed against the river of Yisrael THAT IS YESOD IN ZEIR ANPIN. He set his eyes on it to provoke it, TO BEND ITS ABUNDANCE TO HIS OWN EVIL SIDE. "To the land of the children of his people" (Bemidbar 22:5): HE ASKS: Don't we know that this was the land of the children of his people? HE RESPONDS: That is only the secret meaning, to which all the members of his people were attached, as we have studied already.

40. "Of him who has an evil eye"

Rabbi Yosi says that Balak realized that he and his people would fall into the hands of Yisrael because he 'saw' this. Bilaam's knowledge was of the kind that was only understood at night when the lower Sfirot and the asses of the Klipot have dominion.

397. "And Balak the son of Tzipor saw..." Rabbi Yosi opened the discussion with the verse: "Do not eat the bread of him who has an evil eye" (Mishlei 23:6). That applies to Bilaam, WHO WAS EVIL-EYED, and he blessed the children of Yisrael. "Nor desire his dainties" applies to Balak, for whose burnt offerings that he offered before Him, the Holy One, blessed be He, had no desire.

394. ת"ח, מה כתיב, פתורה אשר על הנהר. מאי על הנהר. דיהב עינא בישא, על ההוא נהר, דקיימא בהו בישראל. דכתיב הנני נוטה אליה כנהר שלום. והוא אתא בההוא פתורא, ואגרי בהו.

395. א"ר אבא, כל הני מלין הוו ודאי בבלעם. אבל גלוי עריות מנין, דכתיב, הן הנה היו לבני ישראל בדבר בלעם למסר מעל בני וגו'. הא הכא ע"ז וגלוי עריות. סהדותא דשקרא, דכתיב ויודע דעת עליון, ודעת בהמתו לא הוה ידע. קלקל ית דינא, דכתיב לך איעצך. דהא בדינא קיימא, ויהב עיטא בישא לאבאשא, וסטי מן דינא, ואמליך בישין עליהו.

396. עאל בתחומא דלאו דיליה, דכתיב ואעל פר ואיל במזבח, וכתיב את שבעת המזבחות ערכתי. משלח מדנים בין אחים, בין ישראל לאביהם שבשמים. לשון הרע, לא הוה בעלמא כגיניה. קללת השם, דכתיב ואנכי אקרה כה. וכלהו הו ביה. עינא בישא כמה דאתמר. וכלא על ההוא נהר דישאל, יהב עינוי לאתגרא ביה. ארץ בני עמו, וכי לא ידענא דארץ בני עמו היא. אלא רזא דא, דכל בני עמו מתדבקן ביה והא אתמר.

397. וירא בלק בן צפור וגו'. רבי יוסי פתח, אל תלחם את לחם רע עין וגו'. דא בלעם, דברין להו לישראל. ואל התאו למטעמותיו, דא בלק, דקודשא ברין הוא לא אתרעי לאינון עליון דאתקין קמיה.

398. Come and see, during the period that Balak saw that Sihon and Og were killed and their country was taken, he noticed ONE MORE THING. HE ASKS: What did he see THAT THE SCRIPTURE says, "saw"? It is only that he realized with his wisdom that he and the five top chiefs of Midian and his people were falling into the hands of Yisrael. He saw, yet did not see CLEARLY. Therefore, he first approached Bilaam, whose power was in his mouth TO BLESS AND CURSE, similar to Yisrael, whose power is in their mouth.

398. ת"ח, בְּשַׁעֲתָא דְחָמָא בְּלַק דְּהָא סִיחוֹן וְעוֹג אֶתְקַטְלוּ, וְאֶתְנָסִיבַת אֶרְעֵהוֹן, חָמָא מַה מְחָא, דְּאִיהוּ אָמַר וַיֵּרָא. אֲלֵא חָמָא בְּחֻכְמַתָּא דִּילִיָּהּ, דְּאִיהוּ וְחֻמְשָׁה עֲלָאֵי דְּמַדְיָן, וְעַמִּיָּהּ, נִפְלִין בִּידָא דְּיִשְׂרָאֵל. חָמָא, וְלֹא יָדַע, וְעַל דָּא אֶקְדִּים לְבַלְעָם, דְּחִילִיָּהּ בְּפֹמִיָּהּ, כְּגֹוֹנָא דְּיִשְׂרָאֵל דְּחִילִיָּהוֹן בְּפֹמִיָּהוֹן.

399. Bilaam was even more loathsome than Balak. He learned only at night the knowledge that he understood. These lower Sfirot and the asses OF THE KLIPOT do not prevail except at the first watch of the night. AND ON THE FIRST WATCH, THE DONKEY BRAYS. Therefore, he possessed the ass of that side, so the donkeys could join with her in the beginning of the night.

399. וְאִמְלוּ בְּלַעַם תְּאִיב הוּא יְתִיר מִבְּלַק. וְהָיָא יָדִיעָא דְּאִיהוּ הוּא יָדַע, בְּלִילִיא הוּא יָדַע, בְּגִין דְּאִינוּן כְּתָרִין תְּתָאִין וְחֻמְרֵי, לָא שְׂכִיחוּ אֲלֵא בְּמִשְׁמְרָה רֵאשׁוֹנָה דְּלִילִיא, וְעַד הוּא לִיָּה אֶתְנָא, דְּהָאֵי גִיסָא, לְאֶתְחַבְּרָא חֻמְרֵי בְּהֵדָה בְּרִישָׁא דְּלִילִיא.

41. "And Elohim came to Bilaam," the appointed minister

We are told that the Elohim that came to Bilaam and to Laban was their appointed minister. Bilaam used the power of his ass to remove himself from the power of God and operate under his own authority. Rabbi Yitzchak relates what Rabbi Yehuda told him about the ten lower Sfirot of the right and the ten of the left. We learn from Rabbi Yosi that Joseph studied the wisdom of the lower Sfirot of the Other Side while he was in Egypt. Rabbi Shimon tells the others that in the future God will tie up the ass that is Yisrael's accuser so that he can no longer harm them. We hear about the Sfirot that pertain to divination and the Sfirot that pertain to enchantment; the ox comes from the aspect of enchantment and the donkey comes from the angle of divination. This is why Bilaam used the ass in his witchcraft to remove himself from God's power. We hear about the angel of compassion that stood in Bilaam's way when he tried to leave God's jurisdiction, and how the angel confounded Bilaam's wisdom and deflected him from his path of witchcraft.

400. You may wonder why we find written: "And Elohim came to Bilaam at night" (Bemidbar 22:9). That is certainly how it is and we already explained that this is the minister that was appointed over them. And he approached him. Similarly, "Elohim came to Laban the Aramaean..." (Bereshheet 31:24) and it is all the same meaning. IT REFERS TO THEIR APPOINTED MINISTER, BECAUSE ELOHIM IS A COMMON NAMESAKE USED EVEN FOR PEOPLE. Therefore, he said to Balak, "Lodge here this night" (Bemidbar 22:8).

400. וְאִי תִימָא, הָא כְּתִיב וַיָּבֹא אֱלֹהִים אֶל בְּלַעַם לַיְלָה. הֲכִי הוּא וְדָאֵי, וְאֹקִימָנָא הָהוּא מְמַנָּא דְּמִמְנָא עֲלֵיָּהּ, וְהוּא הוּא אֶתִּי לְקַבְּלִיָּהּ. כְּגֹוֹנָא דָּא וַיָּבֹא אֱלֹהִים אֶל לָבָן הָאֲרַמִּי וְגו'. וְכֹלָא חַד מִלָּה. בְּגִין דָּא אִיהוּ אָמַר לְרַבְרָבֵי בְּלַק לִינוּ פַּה הַלַּיְלָה.

401. When that appointed minister used to arrive, Bilaam came in to his ass and performed his deeds, and spoke his spells. Then the ass would inform him. He also showed acts, in order that this spirit should dwell on him. What did he show? He knew that donkeys wander around and prevail at the beginning of the night. He then showed that accomplishment and placed his ass at a prepared spot LINED UP AGAINST THE DONKEYS, and accomplished his work. He set the order of his speeches, and he used the ass to tell whoever came in WHATEVER WAS NECESSARY.

401. בֵּינָן דְּהוּא אֶתִּי הָהוּא מְמַנָּא, בְּלַעַם הוּא אֶתִּי לְגַבֵּי אֶתְנִיָּהּ, וְעַבְד עוֹבְדִיָּהּ, וְאָמַר מִלֵּי, וְכַדִּין אֶתְנָא אוֹדְעָא לִיָּהּ. וְאִיהוּ אַחְזֵי עוֹבְדָא לְמִשְׁרֵי עֲלוּי הָהוּא רוּחָא. וּמֵאֵי אַחְזֵי. הוּא הוּא יָדַע דְּחֻמְרֵי שְׁטָאן וְשָׂרָאן בְּקַדְמִיתָא דְּלִילִיא, כְּדִין אַחְזֵי עוֹבְדָא, וְקָאִים לְאֶתְנִיָּהּ בְּאֶתְר מִתְתַּקֵּן, וְעַבְד עוֹבְדוּי וְסַדְר מְלוּי. וְכַדִּין הוּא אֶתִּי מֵאֵן דָּאֶתִּי, וְאוֹדַע לִיָּהּ עַל יָדָא דְּהָיָא אֶתּוֹן.

402. HE INQUIRES: Since one night he already told him, "You shall not go with them" (Ibid. 12), what is the reason that he returned the second time? HE RESPONDS: It is only that they were under jurisdiction of the high authority and we were taught, 'in the path man wishes to follow he is led.' At first, it is written: "You shall not go with them." However, as soon as the Holy One, blessed be He, realized that he wanted to follow, He told him "Rise up, and go with them; but only that word..." (Bemidbar 22:20). What did Bilaam do? All that night he was contemplating and thinking, saying, Where then is my honor if I am tied, THAT IS, IN THE AUTHORITY OF THE ABOVE? He studied his witchcraft all night but could not find an angle that would place him under his own authority, except from the angle of his ass, MEANING THAT WITH THE POWER OF HIS ASS, HE WOULD BE DISCONNECTED FROM THE AUTHORITY ABOVE AND COME INTO HIS OWN AUTHORITY.

403. That is what Rabbi Yitzchak said in the name of Rabbi Yehuda regarding these lower Sfirot: there is right and there is left. From the right angle are the donkeys, WHICH ARE MALES, as we explained, and from the left angle are the asses THAT ARE THE FEMALES. We have learned that there are ten to the right and ten to the left. THAT IS IN ACCORD WITH THE TEN SFIROT OF SANCTITY, as "THE ELOHIM HAS MADE THE ONE AS WELL AS THE OTHER" (KOHELET 7:14). That is what Rabbi Yosi said: When Joseph left his father, he was knowledgeable in the higher wisdom in the secret meaning of the sanctified supernal Sfirot. When he reached Egypt and stayed there, he studied also the wisdom of the lower Sfirot OF THE OTHER SIDE, how these of the right and these of the left are linked. That is the ten of the right and the ten of the left, the male and female asses. That is why he told his father what he had learned there, as is written: "And to his father he sent after this manner; ten asses..." (Beresheet 45:23).

404. Rabbi Yosi said, These TEN of the right are all comprised in that one that is called 'donkey'. That is the same donkey of which is written: "You shall not plow with an ox and an ass together" (Devarim 22:10). That is the same donkey which King Messiah is destined to dominate, as was set in explanation, IN THE MEANING OF WHAT IS WRITTEN: "HUMBLE, AND RIDING UPON AN ASS" (ZECHARYAH 9:9). These TEN of the left are all comprised in the one that is called 'the female ass', because from her end emanates Iryah that causes harm to the children, THAT IS, COLT (HEB. IR), THE FOAL OF AN ASS, as we studied. This is what is written: "Humble, and riding upon an ass, and upon a colt, the foal of an ass (Heb. atonot)." It says "atonot," lacking THE VAV OF PLURAL INDICATION, because the ten are all included in one ASS, AS MENTIONED ABOVE.

405. Rabbi Shimon said that it is written: "Binding his foal to the vine" (Beresheet 49:11). "Binding...to the vine," MEANING for the sake of the children of Yisrael, who are called 'grapevine', AS IT IS WRITTEN: "YOU HAVE BROUGHT A VINE OUT OF EGYPT" (TEHILIM 80:9). The Holy One, blessed be He, is destined to tie up this Ira, who is the accuser that harms them, since YISRAEL are called "noble vine," as it is written: "And I had planted you a noble vine" (Yirmeyah 2:21). IT IS WRITTEN: "His ass's colt TO THE CHOICE VINE" (Beresheet 49:11), meaning the one who is an outcome of that ass's side. HE WILL BIND HER AND SUBDUE HER.

406. The ten of the right and ten of the left that are included in these two, WHICH ARE THE MALE AND FEMALE ASS, AS MENTIONED EARLIER, all pertain to divination. There are ten others of the right and ten of the left that pertain to enchantment. Therefore, it is written: "Surely there is no enchantment in Jacob, nor is there any divination in Yisrael" (Bemidbar 23:23). What is the reason? Because "Hashem Elohim is with him" (Ibid. 21), from the aspect of enchantment comes the ox. From the angle of divination comes the donkey. That is the meaning of "ox and an ass." Therefore, because Bilaam knew that he was bound to the other authority THAT IS HIGHER, it said to him: "But only that word..." He found this bad, saying to himself, Where is my honor? Immediately, he examined his witchcraft and could not come up with ANYTHING that would REINTRODUCE HIM to his authority, except this ass.

407. Instantly, "Bilaam rose up in the morning, and saddled his ass" (Bemidbar 22:21) to do his desire with her and the desire of Balak. Therefore, "Elohim's anger burned because he went" (Ibid. 22), "he" precisely, because he has removed himself from His authority, WITH THE HELP OF HIS ASS, AS MENTIONED EARLIER from what he was told: "but only that word WHICH I SHALL SAY TO YOU, SHALL YOU DO" (Ibid. 20). Come and see that this is how it was: because he was granted permission at first and was told to "stand up and go with them," now that he was going, why did "Elohim's anger burned"? It is because "he" in his own authority was going to exclude himself from the One who said to him, "But only that word..."

408. The Holy One, blessed be He, said to him, 'Wicked one, you are hurrying and preparing your gear and hastening to leave My authority. I promise on your life, that you and your ass will remain in My control.' Soon, "the angel of Hashem stood" (SHEMOT 3:2). What is the meaning of: "stood"? Rabbi Aba said, He deviated from his usual skill and adopted another skill, because he was an angel of Mercy AND NOT OF JUDGMENT, AS BILAAM. That is what Rabbi Shimon meant when he said, 'The wicked transform Mercy into Judgment.' Therefore, it is written: "as an adversary" (Bemidbar 22:22), BUT NOT FOR ANOTHER, because that was not his wont, SINCE HE WAS OF THE ATTRIBUTE OF COMPASSION.

409. Rabbi Elazar says, The angel did not act differently and did not leave his usual practice. It is only that the angel was from the merciful side and stood against him. He was interfering with his wisdom and disturbing his wishes. That is the meaning of, "as an adversary." To him, he was an adversary and presented himself as an adversary, but to someone else he was not considered an adversary.

410. We studied that Rabbi Shimon said, How much wiser Bilaam was with his witchcraft in relation to the rest of the people in the world. At the time that he was looking for some possible idea to enable him to escape the jurisdiction of the Holy One, blessed be He, specifically it is written: "But only the word." He then took stock of his art in witchcraft and could not find anything besides this ass THROUGH WHICH HE COULD BE HELPED TO ESCAPE THE AUTHORITY OF THE HOLY ONE, BLESSED BE HE. It is written: "And saddled his ass." He loaded his ass with all types of magic and sorcery with which he was familiar, put it on her and made her part of all of them in order to curse Yisrael. Instantly, "Elohim's anger burned because he went." "He" is specific, as we were taught THAT "HE" INDICATES THAT HE LEFT HIS JURISDICTION, AS MENTIONED EARLIER. What did the Holy One, blessed be He, do? He put before him an angel of compassion that would stall and oppose him, and dismantle his witchcraft and sorcery.

411. Come and see: Until now, it is not written Yud Hei Vav Hei, because it is not apparent in his witchcraft and sorcery, as we have already explained. As soon as he had prepared his ass and readied her with appropriate witchcraft, with the aspect of judgment to curse Yisrael, the Holy One, blessed be He, prepared the angel of mercy to oppose him prior to that, and with the name of compassion to confound his wisdom and to divert his ass from that direction, as is written: "And the ass turned aside out of the way" (Bemidbar 22:23). "Out of the way" is precise, MEANING FROM HIS PATH OF WITCHCRAFT. That is why it does not say, 'The angel of Elohim', but rather "the angel of Hashem," Yud Hei Vav Hei that is indicative of mercy.

412. The Holy One, blessed be He, said, 'Wicked one, you have loaded your ass with your witchcrafts, with several aspects of judgments against My children. I will remove your load and remove you from this direction.' Quickly, He advanced the angel of compassion as an adversary to him, precisely as we studied AND NOT TO ANYONE ELSE, AS MENTIONED EARLIER.

42. "And the ass saw the angel of Hashem"

When Rabbi Yitzchak wonders why the ass was able to see the angel and yet the supposedly wise Bilaam was not, Rabbi Yosi says the wicked should not gaze at a holy sight. They talk about Bilaam falling down before he saw his visions, and having his eyes open at the time, but as they do not know the correct interpretation of this they go to see Rabbi Shimon.

413. "And the ass saw the angel of Hashem..." (Bemidbar 22:25). Rabbi Yitzchak said, How come THE ASS saw and Bilaam, who was so wise, did not see? Rabbi Yosi said, Heaven forbid that the wicked should gaze at a holy sight. HE SHOULD BE ABLE TO PERCEIVE AN ANGEL OF HASHEM. He said to him, If so, why is it written: "Falling down, but having his eyes open" (Bemidbar 24:4)? He said to him, I have not heard anything about this, and I do not wish to say on my own. He said, I heard that when he needed to see, he fell, and then saw. BY THE ANGEL, he was not required to look AND THAT IS WHY HE DIDN'T SEE.

414. He said to him, If so, then BILAAM was in a higher level than all the other faithful prophets, because he was "having his eyes open," seeing and observing the glory of the Holy One, blessed be He. Didn't Rabbi Shimon say that Bilaam with his witchcraft understood the lower Sfirot below, as it is written: "Bilaam also, of the son of Beor, the soothsayer" (Yehoshua 13:22). The scripture calls him "soothsayer"; that is, soiled filth, and how could he gaze at the glory of his Master? Furthermore, didn't Rabbi Shimon say that he beheld temporarily, as is written: "Then Hashem opened the eyes of Bilaam." His eyes became bent (changed) and you say that he had to see with his eyes open, observing the glory of the Holy One, blessed be He.

415. He said to him, I take back what I said against you. My words and yours need to be polished AND CLARIFIED. The secrets of the Torah are definitely lofty and people of the world have no clear understanding of them. It is therefore not permissible to proceed to expound on a topic in Torah before hearing and understanding the matter properly and clearly. They came to Rabbi Shimon and discussed the matter with him.

43. Aza and Azazel, "falling down, but having his eyes open"

Rabbi Shimon explains to the rabbis that when God wished to create man many of the angels told Him that man would sin, and others asked him, 'What is man, that you are mindful of him?' God said that He wished to create man, and that man would be in their own image and would have wisdom higher than the angels. When Adam sinned, Aza and Azazel complained to God about it, so He dropped them from heaven and reduced their holiness. Angels are capable of enduring only through the higher light that sustains them, and when their level was dropped the glow of their light was reduced. Rabbi Shimon talks about the manna that fell to feed the children of Yisrael in the wilderness, and says that it was from the dew that filtered down; when it encountered the air of this world its glow was reduced and it solidified. He goes on to say that when God saw how Aza and Azazel were misleading the world He buried them in the dark mountains, from where they still teach people witchcraft and divinations; Laban and Bilaam learned from them. When Torah says that Bilaam heard "the words of El" this meant the words that Aza and Azazel related of God's words that they had learned when still in heaven. Rabbi Shimon tells us that "falling down" refers to Aza and "having his eyes open" refers to Azazel. He concludes by saying that the Shechinah dwells only in a holy place that is deserving of it.

416. He opened the discussion with the verse: "What is man, that You are mindful of him..." (Tehilim 8:5). It was explained that the appointed ministers said this at the time when it was the wish of The Holy One, blessed be He, to create the human being. THEN He called many classes of the serving angels and sat them in His presence. He told them, 'I wish to create Adam', and they said, "Nevertheless man abides not in honor..." (Tehilim 49:13). The Holy One, blessed be He, extended his finger and put them in fire. He had other classes sit in His presence. He said to them, 'I wish to create man'. They replied, 'What is man, that You are mindful of him? What are the functions of this man? He replied to them' I WISH TO CREATE ADAM, who will be in Our own image. And his wisdom will be above your wisdom'.

417. As soon as Adam was created and sinned, and left His presence with his judgment sentence, Aza and Azael approached. They said to Him, We have a redress to complain about to You. Here is the man that You created and he sinned against You. He replied to them, 'If you would have been with them, you would have been worse than him.' What did the Holy One, blessed be He, do? He dropped them from heaven by reducing their level of holiness.

418. Rabbi Shimon said, Now I will return to your difficulty that you asked about, what Bilaam was saying, "falling down, but having his eyes open." If we say that this was not so, BUT RATHER he just gave praise to himself, how would the Holy One, blessed be He, write a lie in the Torah? If it was true, how could the wicked one be benefiting by praise of the highest level, above all the prophets of the Faith? In addition, doesn't the holiness of the above only dwell on a place that is appropriate for it, AND NOT ON THIS CONTAMINATION?

419. Now, I will return to the earlier matter. After the dropping OF AZA AND AZAEL from their holy level by the Holy One, blessed be He, they erred after the women of the world and misled the world. Here we need to study and observe, as we find written: "Who makes the winds His messengers..." (Tehilim 104:4). Here, these angels were messengers. How could they exist on the earth? HE REPLIES: Just come and see. All the angels above do not stay, and are capable of enduring only through the higher light that illuminates for them and sustains them. If that light of the above is cut off from them, they cannot exist. Most certainly, these ANGELS, which the Holy One, blessed be He, dropped lower, and from whom He removed that high light from above, would have their glow changed. CONSEQUENTLY, when they dropped lower and were under the dominance of the worldly air, they transformed to another level.

420. Come and see the manna that came down for Yisrael in the wilderness. That manna was from the dew above that filtered down from the most concealed Atik, THAT IS, KETER. When it came down, its light was illuminating in the whole universe and from it were sustained and fed the field of apples, THAT IS MALCHUT, and the higher angels. When the manna came lower down and the air of the world affected it, it gelled and its glow changed. It was not glowing any more, only as it says, "And the manna was like coriander seed ..." (Bemidbar 11:7). The atmosphere had even more of an effect on the angels THAT WERE DROPPED LOWER BY THE HOLY ONE, BLESSED BE HE, as soon as they descended. They were transformed from that earlier level in which they were.

421. What did the Holy One, blessed be He, do? He saw that they, AZA AND AZAEL, were misleading the world. He bound them with chains of steel in the dark mountains. Where are they situated? In the valley of the mountains. He placed Aza there and threw the darkness in his face. When the Holy One, blessed be He, bound them, he provoked the anger towards the above. AS A RESULT, the Holy One, blessed be He, dropped him in the depth to his neck and threw darkness in his face. He placed Azael, who did not provoke the anger, next to Aza and illuminated the darkness for him.

422. The inhabitants of the world that know the location OF AZA AND AZAEL visit them. They teach people witchcraft, divinations by omens and signs and by charms. These dark mountains are referred to as the mountains of old. What is the reason? Because the darkness preceded the light. That is why the dark mountains are called "Mountains of old." Laban and Bilaam learned witchcraft from them and that is what Bilaam said, "Balak the king of Moab has brought me from Aram, out of the mountains of old" (Bemidbar 23:7).

423. Come and see that Bilaam used to praise himself from this location, and said, "The saying of him who hears the words of El..." (Bemidbar 24:16). Aza and Azael used to tell people about these higher matters of knowledge which they acquired earlier WHEN THEY WERE above IN HEAVEN. They used to reveal and relate information from the holy world where they were. That is what it says, "Who hears the words of El." It is not written: 'who hears the voice of El', but rather, "the words of El." These are the speeches and stories that AZA AND AZAEL used to relate of Him, FROM EL, SIMILAR TO someone who comes from listening to a discourse IN A SEMINAR. They ask him, Where did you come from? He says, From listening to the speeches of the Holy King. The same is the meaning of: "who hears the words of El" and "knows the knowledge of the most High" (Ibid.) that he knew the timing when judgment impends on the world and focuses on that time with his witchcraft.

424. "Who sees the vision of Shadai" (Ibid.). What is meant by "vision of Shadai"? These are "falling down" and "having his eyes open," which refer to Aza and Azael. "Falling down" is Aza. WHY WAS HE CALLED "FALLING"? That is because the Holy One, blessed be He, stuck him into the depths of darkness to his neck, as we mentioned, and darkness gets hurled into his face. That is why he is referred to by "falling down," because he fell from heaven and next he fell once more into the depths of darkness. Azael is "having his eyes open," because he was not covered with darkness, because he neither provoked nor angered like the one before, MEANING AZA. Bilaam referred to them by the words, "the vision of Shadai," which are "falling down" and "having his eyes open."

425. During that period of time, there was nobody in the world who visited with them, AZA AND AZAEL, except for him, BILAAM, who would daily seal himself away with them in those mountains. That is why it says, "Balak the king of Moab has brought me from Aram, out of the mountains of old," specifically from "the mountains of old," WHICH ARE THE MOUNTAINS OF THE DARKNESS, AS MENTIONED, and not from the land of the people of the east (also: 'of old').

426. Rabbi Shimon said, How many times I have said this and the friends do not observe that the Holy One, blessed be He, allows his Shechinah to dwell only in a holy place, a place that is deserving for it. That is how the Holy One, blessed be He, proclaims and says, "There must not be found among you anyone that makes his son or his daughter to pass..." (Devarim 18:10). And he, BILAAM, comes to mix among them. Praised is the lot of Yisrael that the Holy One, blessed be He, sanctified them to dwell among them and it is written: "For Hashem, your Elohim walks in the midst of your camp..." (Devarim 23:15). Because He walks in the midst of your camp, it is also written: "Therefore shall your camp be holy" (Ibid.) and it is written: "And be holy ..." (Vayikra 20:7). It is also written: "Defile not yourselves in any of these things..." (Vayikra 18:24), and it is further written: "and therefore I abhorred them..." (Vayikra 20:23), because I can not come near to them and they cause me to dwell without. Praised is Yisrael's lot and praised is the holy faithful prophet's lot. They are sanctified and they have a part to benefit in the higher holiness.

44. "And the ass saw the angel of Hashem," part two

Rabbi Shimon says that the mission of the angel was intended both to help the ass and to punish Bilaam. From the rabbis we learn several meanings of this event and of the ass's deviation from the path of witchcraft. Rabbi Aba talks about the four colors that adorn Malchut when she wants to unite with Zeir Anpin, and about the twelve boundaries. We hear the esoteric description of the rows of towers and the movement of the wheels and the ascension and descent of the crowns. When the mating draws blessings from above those blessings all flow to the children of Yisrael, who send part of them to sustain the other nations. That residue is the meaning of "a path of the vineyards," toward which Bilaam had turned his ass. The angel blocked that path to prevent him from drawing energy from there. Rabbi Chiya tells us that the speech of the ass made Bilaam realize that his power had been broken, since it was God who made the ass speak. Because Bilaam responded to the silly ass he showed himself to be a fool.

427. "And the ass saw the angel of Hashem standing in the way, and his sword drawn in his hand" (Bemidbar 22:23). "In the way" means in that path into which his was sinking, THE WAY OF WITCHCRAFT AND SORCERY. "And his sword drawn in his hand": HE ASKS, If his mission was against the ass, what need was there for the sword? If his intentions were against Bilaam, why did the ass notice him but Bilaam was unable to perceive him? HE RESPONDS: It must be that his mission was intended against all, BOTH TO THE ASS AND TO BILAAM. The angel came before the ass to help her out from the way it was loaded, MEANING THE WITCHCRAFT AND SORCERY THAT WERE PLACED ON THE ASS. How DID HE RELIEVE HER? With compassion. And he stood against Bilaam to punish him about his intention to follow his own authority rather than the authority of the above.

428. Rabbi Yosi said, Now there is room to question if BILAAM'S utterances were from the aspects of the lower Sfirot and not from other aspects, as it is written: "And Elohim came to Bilaam...but only that word...." (Bemidbar 22:20) Rabbi Yitzchak said, This is how I learned that all these references to Elohim here were referring to an angel, who came from the aspect of harsh judgment, to which are linked the power and strength of these lower crowns of which Bilaam made use. As a result of this, IT IS WRITTEN: "And Elohim came to Bilaam," and, "And Elohim said to Bilaam" (Ibid. 12), because an angel is sometimes referred to by a Supernal Name.

429. "And the ass turned aside out of the way" (Ibid. 23), meaning that it deviated from the aspect that she was encumbered with, the aspect of harsh judgment against Yisrael. HE ASKS: How did Bilaam perceive that she deviated from that path? It is only that Rabbi Shimon meant to say that, even along the road, he wished to harm Yisrael with the strength of his ass. Since he was unable to, it is written, "And he struck the ass with a staff" (Ibid. 27), MEANING that he burdened her and loaded her with the powers of harsh and forceful judgment. That is why it is written, "with a staff" and "staff" is precise, which alludes to powerful and harsh judgment. It is not written: 'his staff', but rather "a staff," WHICH INDICATES THAT WELL-KNOWN STAFF THAT IS HARSH JUDGMENT.

430. Come out and see how powerful and effective was the wisdom of the wicked one and his passion to harm Yisrael, because he was careful to leave the authority above, THAT PREVENTS HIM FROM THAT due to his passion to have honor and to harm Yisrael.

431. "But the angel of Hashem stood in a path of the vineyards" (Bemidbar 22:24). What is written above? At first, it is written: "And the ass turned aside out of the way, and went into the field," meaning it followed a straight course in the side of field, WHICH IS MALCHUT, and deviated from what was instilled in her, FROM THE COURSE OF WITCHCRAFT WITH WHICH BILAAM HAD BURDENED HER. "And Bilaam smote the ass, to turn her into the way" (Ibid. 23), meaning to diverge from that course of the field, WHICH IS MALCHUT OF HOLINESS, TO THE COURSE OF HIS WITCHCRAFT. Rabbi Yosi said, Between the angel and between Bilaam, the ass found herself in great distress. Afterward, when Bilaam realized that he was unable TO DEVIATE HER FROM THE COURSE OF THAT FIELD, then "he struck the ass with a staff." As we explained, THAT STAFF REFERS TO HARSH JUDGMENT.

432. "But the angel of Hashem stood..." Rabbi Aba said, How important it is for us to pay attention to the sayings of the Torah. These verses are imbued with higher wisdom. Is it in vain that this angel comes out, to be seen to one ass, or to stand against her way in the vineyards, now here and now there? It is only that it is a higher secret and with everything, the Holy One, blessed be He, wished to shield the children of Yisrael. They would not be controlled by evil beings because they are the lot of the Holy One, blessed be He.

433. "But the angel of Hashem stood in a path of the vineyards." We were taught that when she, MALCHUT, is adorned from the aspect of Ima, in her decorations appear 1,500 aspects engraved on her ornaments. When she, MALCHUT, wants to unite with the king, THAT IS ZEIR ANPIN, she gets adorned with one ornament of four colors. Those colors glow in the four directions of the world, and each and every color glows three times in its direction, which are the twelve boundaries defined. They come to be included in twelve others.

433. וַיַּעֲמֹד מַלְאֲךְ יי' וְגו'. תַּאֲנָא, מַסְטְרָא דְאִמָּא, כַּד אִיהִי מִתְעַטְרָא, נִמְקִין בְּעֵטְרָהּ אֶלְף וַחֲמִשׁ מֵאָה סְטְרֵי גְלוּפִין בְּתַכְשִׁיטָהּ. וְכַד בְּעַת לְאַזְדוּגָא בְּמַלְכָּא, מִתְעַטְרָא בְּחַד עֵטְרָא דְאַרְבַּע גְּוּוּנִין. אֵינּוּן גְּוּוּנִין מִתְלַהֲטִין בְּאַרְבַּע סְטְרֵי עֲלִמָּא, כֹּל גְּוּוּנָא וְגְוּוּנָא מִתְלַהֲטָא תְּלַת זְמַנִּין בְּהִוּוּא סְטְרָא. דְּאֵינּוּן תְּרִיסַר תַּחוּמֵי גְלוּפִין. וְעֲאֵלִין וְאַתְכְּלִילוּ בְּתִרְסַר אַחֲרָנִין.

434. At the top of that decoration, there are four lines to four directions - NORTH, SOUTH, EAST, WEST - which are LINES OF towers, as it says, "Banks of fragrant flowers" (Shir Hashirim 5:13). What is "fragrant"? It is as it says, "With all powders of the merchant" (Ibid. 3:6). On every individual tower are three portals, set with fine stones around each side. This decoration is engravings of precious gold of Ofir for the glory of the King, as is written: "I will make men more rare than fine gold; and mankind, than the pure gold of Ofir" (Yeshayah 13:12).

434. בְּרִישָׁא דְעֵטְרָא, אֵית ד' שׁוּרִין לְד' סְטְרִין, וְאֵינּוּן מַגְדְּלוֹת, כַּד"א מַגְדְּלוֹת מְרַקְחִים. מֵהוּ מְרַקְחִים. כִּמְהָ דְאֵת אִמְר, מְכַל אֲבַקְת רֹכֵל. וְעַל כֹּל מַגְדְּלָא וּמַגְדְּלָא ג' פְּתָחִין, קְבִיעִין בְּאַבְנֵין טְבִין, מְכַל סְטְרָא וְסְטְרָא. הַאי עֵטְרָא, נְהִירָא בְּדִלּוּגִין דְּאוּפִיר, בְּגִין יִקְרָא דְמַלְכָּא, כִּמְהָ דְכְּתִיב אוֹקִיר אָנוּשׁ מִפְּזוּ וְגו'.

435. Under the decoration, gold bells are suspended all around, a gold bell from this side, a gold bell from this side, and one pomegranate. Within that pomegranate, there are a thousand bells and each one of those bells glows in red and in white. That pomegranate is divided into four sliced segments and stays open to display its bells. There are 325 bells to this side and similarly to each and every side until all the four directions in the world glow from the display of each individual segment. They are referred to as "a piece of a pomegranate," as is written: "Your cheek is like a piece of a pomegranate within your locks" (Shir Hashirim 4:3).

435. תַּחוֹת עֵטְרָא, תְּלִיין זְגִי דְדִּהְבָּא בְּסַחְרָנְהָא, זְגָא דְדִּהְבָּא מַסְטְרָא דָּא, וְזְגָא דְדִּהְבָּא מַסְטְרָא דָּא, וְחַד רְמוֹנָא. בְּגוּ הֵהוּא רְמוֹנָא, אֵית בַּהּ אֶלְף זְגִין, וְכֹל זְגָא מְנִייהוּ, מִתְלַהֲטָא בְּסוּמְקָא בְּחוּוְרָא. הֵהוּא רְמוֹנָא אֲתַפְלַג בְּפִלּוּגִין אַרְבַּע, וְקִיּוּמָא פְּתִיחָא, לְאַתְחַזָּא זְגָהּ. תְּלַת מֵאָה וְעֶשְׂרִין וַחֲמִשׁ זְגִין לְסְטְרָא דָּא, וְכֹן לְכֹל סְטְרָא וְסְטְרָא, עַד דְּמִתְלַהֲטִין אַרְבַּע סְטְרֵי עֲלִמָּא, מַחִיזוּ דְכֹל פְּלָכָא וּפְלָכָא, וְאֵינּוּן אֲקִרוּן פְּלַח הַרְמוֹן. כִּמְהָ דְכְּתִיב, כְּפִלַּח הַרְמוֹן רַקְתָּךְ מִבְּעַד לְצַמְתָּךְ.

436. The four wheels in the four segments OF THE POMEGRANATE take, through rolling, that ornament. When they have taken it, they elevate themselves upwards, until they reach the upper wheel segment, that moans day and night. THEN all these segments join and take that crown and lift it upright and the sound of these wheels reverberates throughout the firmaments. Hearing this melodious sound, all the legions of heaven are excited and all ask one another about it, until all recite and proclaim: "Blessed be the glory of Hashem from His place" (Yechezkel 3:12).

436. אַרְבַּע גְּלִגְלִין בְּפִלְכֵי אַרְבַּע, נְטִלִין בְּגִלְגּוּלָא לְהֵוּא עֵטְרָא, וְכַד נְטִלֵי לָהּ, אֲזַדְקֶפֶן לְעִילָא. עַד דְּמִטּוּ לְגִלְגּוּלָא דְפִלְכָא עֲלָא, דְּנִהִים יִמְמָא וְלִילִיא, מִתְחַבְּרִין כֹּל אֵינּוּן פְּלָכִין, וְנְטִלִין לְעֵטְרָא, וְזַקְפִּין לָהּ. וְקֵלָא דְּאֵינּוּן גְּלִגְלִין, אֲשַׁתְּמַע בְּכִלְהוּ רְקִיעֵין. לְקַל גְּעִימוֹתָא מִתְרַעֲשִׁין כֹּל חִילֵי שְׁמַיָּא, וְכִלְהוּ שְׁאֵלִין דָּא לְדָא, עַד דְּכִלְהוּ אִמְרֵי בְּרוּךְ כְּבוֹד יי' מִמְּקוֹמוֹ.

437. When the king, THAT IS ZEIR ANPIN, couples with the Matron, THAT IS MALCHUT, then this crown is elevated and set on the head of the Matron, MEANING TO SAY THAT ALL THE ACTIVITIES MENTIONED ABOVE HAPPEN ONLY WHEN ZEIR ANPIN IS JOINED WITH MALCHUT. Then one higher crown descends, ALSO TO ZEIR ANPIN, that is set around with every fine gem, and bulbs and flowers. It is equipped with six circles to the six ends of the world, carried by the six wings of the eagle; fifty grapes are surrounding THAT CROWN, engraved on it by Ima above, BINAH. They are set with precious gems, WHOSE COLORS ARE white, red, green, black and purple, with 613 lights to each and every direction.

438. There are 1,600 towers to each and every direction and each individual tower is DONE as permanently set rows (Heb. tur), MEANING THAT EACH TOWER IS SURROUNDED WITH A FEW HOUSES, DERIVED FROM TURIM. They blossom above and get their sustenance from the table of Ima above, WHO IS BINAH, from her anointing oil. Then the Ima above quietly bestows supernal gifts, sends them and sets them into that crown. Afterward, it endows abundant rivers of holy anointing oil on the King's head, ZEIR ANPIN. From His head, that supernal, precious oil flows down on His glorious beard and from there it flows over the King's garments. That is what is written: "It is like the precious ointment upon the head, running down upon the beard..." (Tehilim 133:2).

439. Following this, AFTER THE CROWN RECEIVED ALL THE ABOVE MENTIONED LIGHTS, the crown returns. Ima above decorates ZEIR ANPIN with this crown and spreads over ZEIR ANPIN and over Malchut glorious garments, with that crown, THE CHASSADIM THAT ENVELOP THE CHOCHMAH AND THAT ARE NAMED 'GLORIOUS GARMENTS'. Then the sound reverberates throughout the worlds: "Go forth, O daughters of Zion, and behold King Solomon with the crown, with which his mother crowned him" (Shir Hashirim 3:11). KING SOLOMON IS ZEIR ANPIN AND IMA IS BINAH. She then rejoices with all the King's children. Who are they? They are all those who come from the side of Yisrael, because they do not join with them BY COUPLING ZEIR ANPIN AND MALCHUT. None stay with them except Yisrael, who are of her household and serve them, WHICH MEANS THEY RAISE MAYIN NUKVIN (FEMALE WATERS) THROUGH THEIR TORAH STUDY AND PRAYER THAT AWAKEN THE UNION. As a consequence, the blessings that emerge from them, FROM THE COUPLING OF ZEIR ANPIN AND MALCHUT, belong to Yisrael.

440. And Yisrael take everything, MEANING ALL THE BLESSINGS THAT RESULT FROM THE ILLUMINATION OF THE COUPLING OF ZEIR ANPIN AND MALCHUT MENTIONED ABOVE, AS IS DEFINED IN THE SECRET OF THEIR TWO CROWNS. They send part of them to the rest of the nations and from that part are sustained all the rest of the nations. We have learned that the parts of the lower ones, MEANING THE OUTER FORCES, AND THE OTHER NATIONS OF THE WORLD, are drawn from a very fine path which emerges from between the aspects of the portions of the ministers of the heathen nations. From there, it separates to several directions. That is what we called 'the residue' that emanates from the side of the Holy Land, THAT IS MALCHUT.

441. Therefore, the whole world drinks from the residue of the land of Yisrael. What is that land of Yisrael? We have already explained THAT THE LAND OF YISRAEL IS MALCHUT. Both above and below, all the rest of the heathen nations do not get sustenance except from that residue. Do not think it is just they themselves, for even the lowest Sfirot drink from that residue. This is the meaning of "a path of the vineyards." That is the path from the chief ministers of the rest of the nations, who are blessed from it.

442. When the angel saw that Bilaam had turned his ass towards that path, THAT IS REFERRED TO AS "A PATH OF THE VINEYARD" IN ORDER TO CONVEY FROM THERE THE ENERGY TO CURSE YISRAEL, It says, "To turn her into the way." THIS INDICATES THE PATH PRACTICED BY THE OUTER FORCES, WHICH IS A PATH OF THE VINEYARD, THROUGH WHICH THEY RECEIVE ALL THEIR SUSTENANCE AS MENTIONED ABOVE. Instantly, "the Angel of Hashem stood in a path of the vineyards" to block that path, so the rest of the heathen nations would not be able to be helped by it nor would the lower Sfirot OF THE OUTER FORCES. "A PATH OF THE VINEYARDS" will mean in the same sense as Rabbi Yitzchak said that it is written, "They made me the keeper of the vineyards" (Shir Hashirim 1:6), meaning to preserve and bless, during the exile, the rest of the nations THAT ARE CALLED "VINEYARDS." "I have not kept" (Ibid.) Yisrael who are "my own vineyard" (Ibid.), because they are in exile, and are not properly blessed as they deserve.

443. "A wall being on that side, and a wall on that side" (Bemidbar 22:24). Rabbi Aba said, How was it possible for the angel to block that path, AGAINST THE EXTERNAL FORCES, SINCE IT WOULD BE NECESSARY TO BE REOPENED? HE REPLIES: It is only because he had another help, which was the Holy One, blessed be He, and the assembled Congregation of Yisrael, WHICH IS MALCHUT. Rabbi Yehudah said, The Torah helped him out, because it is written: "On the one side and on the other were they written" (Shemot 32:15).

444. At that time, it is written: "And when the ass saw...she thrust herself to the wall" (Bemidbar 22:25). What is the meaning of, "she thrust herself to the wall"? HE RESPONDS: IT IS as is written: "A breaking down of walls" (Yeshayah 22:5). THAT WALL MEANS A PROTECTIVE WALL. HERE TOO, a wall MEANS shielding, which is that FORCE which protects them. "And crushed Bilaam's foot against the wall" (Ibid.) MEANS that she, THE ASS, gave him no help at all, but in her distress she sent him to the wall, WHO IS THE CHIEF MINISTER ABOVE ASSIGNED TO PROTECT THEM. That is what she intimated to him, BY PRESSING HERSELF TO THE WALL. Then "he struck her again" (Ibid.) at that LEFT side.

445. "And the angel of Hashem went further, and stood in a narrow place" (Ibid. 26). At that time, THE ANGEL closed up all the routes and supporting courses, so she would not have any help whatsoever from any side in the world. Then "she lay down under Bilaam" (Ibid. 27), MEANING SHE COUND NOT EVEN HINT TO FIND A PLACE FOR HELP, AS SHE DID BEFORE, SO HE WOULD ASK HELP FROM THE WALL, AS MENTIONED ABOVE. When Bilaam saw that he was powerless, it is written: "And Bilaam's anger burned, and he struck the ass with a staff" (Ibid. 27). We were taught that he loaded her and attired her with implements of forceful harsh judgment, AS WE MENTIONED THERE.

446. "And Hashem opened the mouth of the ass..." (Ibid. 28): That is one of those things that were created on the eve of Shabbat at twilight. Rabbi Yitzchak said, What benefit is there from this, to Bilaam or to the ass or to Yisrael, in these speeches OF THE ASS? Rabbi Yosi said, The ministers that were with him had a good laugh at him. When they reached Balak, they said to him, You will not find any substance in the matters and speeches of this fool you sent us to call on; CONSEQUENTLY, with the utterances of his ass, his honor was shamed. Rabbi Chiya said, If the ass would not have spoken up with this, Bilaam would not have abandoned what was his. It is only through the utterances of his ass that he realized his power had been broken.

447. Rabbi Aba asked a difficult question. It is written: "And the earth opened her mouth" (Bemidbar 16:32) and it is written: "And Hashem opened the mouth of the ass." Why the difference between the earth and the ass? It is not written REGARDING THE EARTH that 'Hashem opened the mouth of the earth'. HE RESPONDS: It is only that there, it was Moses' decree that the earth needs to open her mouth. And the earth performed the command of Moses by opening. It is not proper that Hashem should carry out an instruction commanded by Moses, seeing that Moses has decreed and instructed: "And the earth opens her mouth" (Ibid. 30). Hence, THE EARTH performed the command OF MOSES, as written: "And the earth opened her mouth." However, here, there was no one who had decreed that it was only the wish of the Holy One, blessed be He. Since that was His desire, it is written: "And Hashem opened the mouth of the ass." It originated with him and through him, it occurred.

448. Rabbi Yehuda said, I have studied these passages ABOUT THE "MOUTH OF THE ASS" and these words. These words seem not to be the needed ones, as it says, "And Hashem opened the mouth of that ass." It would have been more appropriate to have these utterances in matters of greater importance, words of wisdom. And if it is as the friends said, that Bilaam was taking pride in that his horse was in the pasture, AND THEREFORE HE HAD TO TAKE THE ASS, AND THE ASS has spoken up and said: "Am I not your ass, upon which you have ridden all your life to this day?" (Ibid. 30) THEN this is where she should have made her opening statement, but she merely started with: "What have I done to you" (Ibid. 28). If so, why did the Holy One, blessed be He, bother Himself to open her mouth with these words?

449. Rabbi Aba said, It is definite that through these words OF THE ASS, I would have learned the thoughts of Bilaam, that he was not worthy to have the Holy Spirit upon him. I also learned that his ass had no power to do good or evil. I further learned from this ass that beasts do not have the strength, to instill them with full understanding AND CONSEQUENTLY SHE SPOKE NO WORDS OF WISDOM. Come and see that Bilaam could not comprehend the speech of his donkey nor the silly thoughts OF HIS ASS. How much more would he be uncomprehending of the knowledge of the most high, YET HE CLAIMED THAT HE "KNOWS THE KNOWLEDGE OF THE MOST HIGH" (BEMIDBAR 24:16).

446. ויפתח יי' את פי האתון וגו'. היינו חר מאינון מלין, דאתבריואו ערב שבת בין השמשות. א"ר יצחק, מאי סגי האי לבלעם, או לאתון, או לישראל. בהני מלין. א"ר יוסי, דחייבין ביה אינון רברבין דהוו עמיה, וכד מטו לבלק, אמרו ליה, וכי להאי שטנא שדרת ליקרא, לא תשבח ביה ממשות, ולא במלווי. ובאינון מלה דאתנא, אתבזא מן יקריה. ר' חייא אמר אלמלי לא אמרת אתנא האי, לא שביק בלעם ההוא דיליה, ובמלי דאתנא ידע דאתבר חיליה.

447. ר' אבא רמי, כתיב ותפתח הארץ וגו'. וכתיב ויפתח יי' את פי וגו'. מאי שנא ארץ מאתון, דלא כתיב בה ויפתח יי' את פי הארץ. אלא, התם משה גזר על פומא, ופתחת, ועבדת ארעא פקודא דמשה, ולא יאות דקודשא בריך הוא יעבר פקודיה, דהא משה גזר ופקיד, ופצתה האדמה את פיה. וע"ד היא עבדת פקודוי. דכתיב ותפתח הארץ את פיה. אבל הכא, לא אשתבח מאן דגזר, אלא רעותא דקודשא בריך הוא הוה, והואיל ורעותיה הוה בכך, כתיב ויפתח יי' את פי האתון. מניה אתא מלה, ומניה אשתבח.

448. ר' יהודה אמר, אסתכלנא בפרשתא דא, ובאלין מלין, ואתחזיין דלאו מלין דצריכין אינון. וכי מאחר דכתיב ויפתח יי' את פי האתון, בעיין למהוי אינון מלין מלי מעלוייתא, מלי דחכמתא, ואי כמה דאתערו חברנא, דאיהו משבח דסוסיא דיליה רעי ברטיבא, והיא תבת ואמרת, הלא אנכי אתונך. מהכא הוה לה למפתח, והיא לא פתחה אלא מה עשיתי לך. ואי הכי, אמאי קא טרח קודשא בריך הוא, למפתח פומה להני מלין.

449. אמר רבי אבא, ודאי באלין מלין אוליפנא דעתא דבלעם, דלאו כדאי הוא למשרי עליה רוח קודשא, ואוליפנא, דהא לית זכילו באתניה, לאבאשא או לאוטבא. ואוליפנא מהאי אתון, דהא לית חילא בבעירי לאשראה עליהו דעתא שלים. ת"ח, בלעם, בההיא מלה דאתניה, ובההוא דעתא טפשא לא זכיל למיקם. בדעתא עלאה על אחת כמה וכמה.

450. "And she said to Bilaam, 'What have I done to you?'" (Bemidbar 22:28), MEANING THAT SHE INFORMED HIM, and it is not within her domain to do any good or harm, because beasts do not behave except how they are led to behave. Although that ass was in great distress, she had no control on her own because Bilaam had loaded her with his magic and she remained under his authority.

451. "And Bilaam said to the ass, 'Because you have mocked me'" (Ibid. 29). He should have laughed her off, but instead, he responded with illogic. Then they laughed at him and he became debased in their eyes, IN THE EYES OF THE MINISTERS THAT ACCOMPANIED HIM, and they realized that he was a fool. What did he say, "Because you have mocked me, I would there were a sword in my hand..." (Ibid.). THE MINISTERS said, This fool BOASTS that he could destroy nations with his mouth, but he can not even destroy his ass, and he needs a sword. We have further learned that beasts do not contain that power required to have them be endowed with another spirit OF WISDOM. If people tend to think and say, If the beasts could talk, how much perfected knowledge would come to the world, they should go learn from that ass, whose mouth the Holy One, blessed be He, opened to see how she spoke.

45. "When Balak took Bilaam"

We are told that Bilaam went up to the altars of Ba'al because he foresaw that Yisrael would come to worship Ba'al in the future. Bilaam wanted to provoke a quarrel with Yisrael yet he saw he could not because of their friendship with God, so he made a sacrifice to God that was rejected. Bilaam told Balak to restrain Malchut with his witchcraft, and, if he could do that, he himself would nullify the blessings he had given Yisrael. Yet Rabbi Yitzchak says that Yisrael could be cursed neither from the aspect of the patriarchs nor the matriarchs. The rabbis talk about various sections of this scripture - the top of the rocks, the dust of Jacob, and the fourth part of Yisrael. In the end we hear that Bilaam saw that even with all his witchcraft and his offerings he would be unable to sever Yisrael from God, so he was powerless. He had tried to breach Yisrael's defences at the level of Jacob and at the level of Israel, but was unable to because neither level is ever involved in evil actions. We hear that there are two Klipot of iniquity and perverseness that correspond to enchantment and divination; Bilaam thought these would be the right weapons against Jacob and Israel, but he was wrong. The rabbis say that Yisrael is as strong as a lion and will conquer the heathen nations in the future. Rabbi Aba also refers to the form of a lion that appears on top of acceptable burnt offerings. If the form of a dog appeared on the fire it meant that Yisrael must repent. Rabbi Elazar returns to the story of Bilaam and tells Rabbi Yosi that at the moment Bilaam turned his evil eye to Yisrael, God protected them by covering them with His spirit. Bilaam praised Yisrael so that his evil eye would be more effective and they would be more vulnerable to it, but God did not allow him to harm Yisrael. Yisrael is never afraid, even in exile, because they have the strength of a lion due to their study of the Torah and their obedience to its laws.

452. "And it came to pass on the morrow, when Balak took Bilaam..." (Bemidbar 22:41). Rabbi Yitzchak said, Balak was wiser in magic than Bilaam, except that he was unable to figure out the most opportune time to curse, LIKE BILAAM, like in the parable. Therefore, "Balak took Bilaam." He was preparing him and holding to him in everything.

450. וְתֹאמֶר לְבִלְעָם מַה עָשִׂיתִי לָךְ. וְכִי בְרָשׁוּתִי הָיָה לְמַעֲבֹד טֵב וּבִישׁ. לֹא. דֵּהָא בְּעִירִי לֹא מִתְנַהֵג, אֲלֵא בְּמַה דְּנִהְגוּ לֹון. וְאֵע"ג דֵּהָיָא אֲתָנָא בְּעִקְתָּא יִתִיר, לֹא בְרָשׁוּתָהּ הִיא, דֵּהָא הוּא אֲטַעִין לָהּ בְּחַרְשׁוּי, וּבְרָשׁוּתִיהָ קִיַּמָּא.

453. "And brought him up into the high altars of Ba'al. (Ibid.). What is the meaning of: "And brought him up into the high altars of Ba'al"? HE RESPONDS: It is only that he observed which aspect OF YISRAEL he should grasp on to with his witchcraft. And he discovered that Yisraelites were destined to build altars and serve the Ba'al, as it says, "And served the Ba'al" (II Melachim 17:16). "That thence he might see the utmost part of the people" (Bemidbar 22:41): he noticed the chiefs of the people and their king who worshipped him, as it is written: "And they called on the name of the Ba'al" (I Melachim 18:26) and it is written: "If Hashem be Elohim..." (Ibid. 21). As soon as Bilaam noticed the children of Yisrael were destined for it in the future, immediately "Bilaam said to Balak, 'Build me here seven altars'" (Bemidbar 23:1).

454. Rabbi Yosi and Rabbi Yehuda were talking. One said that in accordance with the earlier altars, THAT WERE PREPARED by the ancestors, he offered sacrifices ON seven altars. And one said that he did everything with wisdom, because he found that Yisrael's lot was tied to the seven levels, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT. Therefore, he said, Let me set up seven altars.

455. THIS IS COMPARABLE to a person who had a friend, whose father left him. People were afraid to quarrel with him on account of that friendship. Sometime later, a person came along and wanted to quarrel with him. He thought to himself, What should I do? If I provoke him into a quarrel, here he has a friend, and I shall not prevail. What did he do? He sent a gift to the friend. The friend thought to himself, What does this fellow have to do with me? I understand that it is on account of my friend's son, WHOM HE WISHES TO HARM. He said, This gift is not acceptable to him. Invite the dogs, and let them eat it.

456. So, Bilaam too came along to provoke a quarrel with Yisrael and saw that he could not, because of that supernal friend of theirs. He began preparing a gift for Him, WHICH IS THE SACRIFICIAL OFFERINGS. The Holy One, blessed be He, said, 'Wicked one, what common interest have you got with Me? You wish to be connected with My children. Behold, your gift is being given to the dogs.' Come and observe that it is written: "And Elohim met (Heb. yikar) Bilaam" (Bemidbar 23:16). Rabbi Shimon said "VAYIKER" is derived from the same root as nightly pollution (Heb. keri) and defilement. Behold, your gift is presented to those, and does not enter in My presence.

457. Rabbi Aba said, "Yikar" is like it says: "Who can stand before his cold (Heb. karato)?" (Tehilim 147:17). He was confident that he would be able to overcome the children of Yisrael with that gift. It is written: "And Elohim met (Heb. yikar)" and cooled Himself to what he, BILAAM, was thinking. IN ADDITION, "And Elohim met" is as we were taught, that the aspect of defilement was roused against him.

453. וַיַּעֲלֵהוּ בְּמוֹת בַּעַל. מֵאֵי וַיַּעֲלֵהוּ בְּמוֹת בַּעַל. אֶלֶּא אֲשַׁגַּח בְּחַרְשׁוֹ, בְּמֵאֵי סִטְרָא יִתְאַחֵד בְּהוּ, וְאֲשַׁכַּח דְּזַמְיִנִין יִשְׂרָאֵל לְמַעַבְדַּב בְּמוֹת, וּלְמַמְלַח לְבַעַל. בְּמָה דְכַתִּיב, וַיִּלְכוּ אַחֲרֵי הַבַּעַל. וַיִּרְא מִשָּׁם קִצָּה הָעַם, חָמָא רַבְרַבִּי דַעֲמָא, וּמַלְכָא דְלַהוֹן, דְּפַלְחִין לֵיהּ, בְּמָה דְכַתִּיב וַיִּקְרְאוּ בְּשֵׁם הַבַּעַל, וְכַתִּיב אִם יִי אֱלֹהִים וְגו'. בֵּינֵן דְחָמָא בְּלַעַם, דְּזַמְיִנִין יִשְׂרָאֵל לְהָאֵי, מִיַּד וַיֹּאמֶר בְּלַעַם אֵל בְּלַק בְּנֵה לִי בַזָּה שִׁבְעָה מִזְבְּחֹת.

458. Rabbi Elazar said that "yikar" MEANS THAT Bilaam believed he would be able to harm Yisrael with that gift. The Holy One, blessed be He, eradicated that gift from His presence, expunged Bilaam from such thoughts and uprooted him from that level. That is the written meaning of "vayiker," as it says, "The ravens of the valley shall pick it up (Heb. yikruha)" (Mishlei 30:17). He said to him, 'Wicked one, you are not worthy to be associated with Me or to enter into My presence. Your gift will be presented to the dog.'

459. Rabbi Shimon said, Come and realize that this wicked one was the abomination of everyone, because you will not find in the entire passage of the episode such expressions as: "And Hashem spoke to Bilaam" or "And Hashem said." Heaven forbid. It is written: "And Hashem put a word in the mouth of Bilaam...", which is like someone who puts the bridle bit into the mouth of the ass to restrain him from diverting here and here. So too is the meaning of: "And Hashem put a word in the mouth..."

460. The Holy One, blessed be He, said to him, 'Wicked one, do you really think that it depends on you if the blessings of My children will endure and be fulfilled or not? They do not need you. They say to a bee: NOT FROM YOUR STING AND NOT FROM YOUR HONEY, but rather "go back to Balak" (Bemidbar 23:16). When you open your mouth, it will not be in your control and it will not depend on your mouth, but only "say thus (Heb. coh)." For coh, WHICH IS THE SHECHINAH, is prepared to bless them and coh will express the blessing of My children. When you open your mouth, she will speak the words that will come true upon My children, and I will not leave these matters in your hand.'

461. Come and see that this is how it was. As soon as BILAAM came to Balak and Balak heard all these things, WITH WHICH HE BLESSED YISRAEL, Balak first thought that they emerged from Bilaam's mouth. He said, "I called you to curse my enemies..." and Bilaam replied, Take this witchcraft into your hand to restrain here this coh, WHICH IS MALCHUT. If you will be capable of holding her back with this sorcery, I will expunge all these words that she said from her, MEANING HE WILL NULLIFY THE BLESSINGS THAT SHE SAID, AS MENTIONED ABOVE.

462. It is written: "Stand thus (Heb. coh) by your burnt offering" (Bemidbar 23:15). Hereby and through these magical practices, you will restrain her COH, WHICH IS MALCHUT, "while I go to the meeting yonder (lit. 'meet coh')," meaning to say I will expunge her from these words THAT WERE SAID BY HER. The Holy One, blessed be He, said to him, 'Wicked one, I will uproot you.' It is said following this: "And Elohim met Bilaam" (Bemidbar 23:16). That matter will raise its voice with the speeches of coh and that is what is written: "And said, 'Go back to Balak, and say thus (Heb. coh)'" "And say thus (coh)" is exact.

458. רבי אלעזר אמר, ויקר, בלעם חשיב דבהווא דורון ויעול לאבאשא להו לישראל, וקודשא בריך הוא אעקר ליה מקמיה להווא דורון. ואעקר ליה לבלעם, ממה דהוה חשיב. ואעקר ליה מהווא דרגא, הה"ד ויקר. כד"א יקרה עורבי נחל. אמר ליה, רשע, לית אנת בדאי לאתקשרא בהדאי ולמיעל קמאי. דורונך לכלבי אתמסר.

459. אמר ר' שמעון, ת"ח, האי רשע, געלא דכלא הוה. דלא תשבח בכל פרשתא דא, ויאמר יי' אל בלעם, או וידבר יי', ח"ו. מה כתיב. וישם יי' דבר בפי בלעם וגו', כמאן דשוי חסמא בפום חמרא, דלא יסטי הכא או הכא, כך וישם יי' דבר בפי וגו'.

460. א"ל קודשא בריך הוא, רשע, את חשיב דעל ירך יהא ויתקיים ברכה בבני, או אפכא. לא צריכין אינון לך, כמה דאמרין לצרעה וכו'. אלא את שוב אל בלק, וכד תפתח פומך, לא יהא ברשותך. ולא בפומך תלויא מלולא, אלא וכה תדבר. הרי כ"ה, דזמינא לברכא לון. כה, תמלל ברכה דבני, דכד תפתח פומך, היא תמלל מלין, לאתקיימא על בני, דלא אשבוק מלין לך.

461. ת"ח, דכך הוא, בין דאתא לבלק, ובלק שמע כל אינון מלין, הוה חשיב דהא מפומיה דבלעם נפקין, אמר, לקוב אויבי לקחתיך. אמר בלעם. סב אלין חרשין בידך, בגין לאעכבא הכא להאי כה, ואי את תיכול לאעכבא לה בהאי חרשין, אנא אעקר לה מאינון מלין דהיא אמרה.

462. מה כתיב, התיצב כה על עולתך, בהאי, ובאלין חרשין, תעכב לה, ואנכי אקרה כ"ה, כלומר, אעקר לה מאלין מלין. א"ל קודשא בריך הוא, רשע, אנא אעקר לך. מה כתיב בתריה. ויקר אלהים אל בלעם. והווא דבר ארים קלא, במלולוי דכ"ה. ויאמר שוב אל בלק וכה תדבר, כ"ה תדבר ודאי.

463. Come and see: The first time it is not written: 'Stand thus (Heb. coh) by your burnt offering', but rather "Stand by your burnt offering, and I will go: perhaps Hashem will come to meet me" (Ibid. 3). However, when he realized that coh spoke those blessings, he then said, "Stand thus (coh) by your burnt offering, while I go to the meeting yonder," MEANING AS EXPLAINED IN THE PREVIOUS DISCUSSION.

464. "Come, curse (Heb. ara) me Jacob" (Ibid. 7). "ARA" means 'to pick', DERIVED FROM: "I HAVE GATHERED (HEB. ARITI) MY MYRRH WITH MY SPICE" (SHIR HASHIRIM 5:1). Rabbi Yosi says, He threw them off from that level where they stood before, as it is written: "And I will shoot (Heb. ore) on the side of it" (I Shmuel 20:20), MEANING SHOOT AND HURL THEM AWAY. He said, If you will be able to hurl them off that level, THAT IS MALCHUT, all of them will be uprooted from the world. "And come, denounce Yisrael" (Bemidbar 23:7) REFERS TO Yisrael above, WHICH IS ZEIR ANPIN, WHO SHOULD CAUSE HIM TO BE ANGRY, meaning anger AND INDIGNATION shall be before Him, as it says, "And an El who has indignation every day" (Tehilim 7:12).

465. "For from the top of the rocks I see him..." (Bemidbar 23:9). Rabbi Yitzchak said, This refers to the patriarchs, as it is written: "Look to the rock whence you are hewn" (Yeshayah 51:1). "And from the hills I behold him" (Bemidbar 23:9): this refers to the matriarchs. They could be cursed neither from the aspect of the PATRIARCHS nor from that of THE MATRIARCHS.

466. Rabbi Aba said that "top of the rocks" means who has power against Yisrael, since they are attached and emanate from the top of the rocks. Who are the rocks? They are Gvurot, because all the judgments in the world emerge from the Gvurot and they are attached onto them. "And from the hills I behold him": These are the rest of the camps that are linked to them, TO THE GVUROT, "it is a people that shall dwell alone" (Ibid.). It is the same as it is written: "So Hashem alone did lead him" (Devarim 32:12).

467. "Who could count the dust of Jacob" (Bemidbar 23:10). This was already explained. However, Rabbi Yosi said, There are two levels, Jacob and Israel, at the beginning. WHEN HE IS AT THE SIX ENDS, HE IS CONSIDERED Jacob and later on, WHEN HE ATTAINS THE FIRST THREE SFIROT, HE IS ISRAEL. Although it is all the same, they are two grades. The higher grade is Israel AND THE GRADE OF JACOB IS LOWER.

468. "Who can count the dust of Jacob." HE ASKS: What is the dust below IN THE LEVEL OF JACOB? Rabbi Shimon says, It is written about it: "His sword makes them as dust" (Yeshayah 41:2). Who is His sword? It is known THAT IT IS MALCHUT, as it is written: "The sword of Hashem is filled with blood" (Yeshayah 34:6), BECAUSE MALCHUT IS CONSIDERED "THE SWORD OF HASHEM." Dust refers to the place from which Adam was created, as it is written: "And Hashem Elohim formed man of the dust of the ground" (Beresheet 2:7). From that dust emerge many legions and many camps, many levels, many trial investigators, many arrows, many projectile stones and many spears, swords and weapons. "Who can count" is as it says, "Is there any number to his armies?" (Iyov 25:3).

463. ת"ח, בקדמיתא לא כתיב התיצב כה על עולתך, אלא התיצב על עולתך ואלכה אולי יקרה יי' לקראתי. בין דחמא דכ"ה אמר אינון ברכאן, כדין אמר התיצב כ"ה על עולתך, ואנכי אקרה כ"ה.

464. לכה ארה לי יעקב, בלומר, לקוט. רבי יוסי אמר, אשדי לון מההוא דרגא דאינון קיימי, כד"א צדה אורה. אמר, אי תיכול למשדי לון מההוא דרגא דלהון, הא בלהו אתעקרו מעלמא. ולכה זועמה ישראל, ישראל דלעילא, דישתבח רוגזא קמיה, כד"א ואל זועם בכל יום.

465. כי מראש צורים וגו'. א"ר יצחק, מראש צורים, אלין אינון אבהתא. דכתיב הביטו אל צור חוצבתם. ומגבעות אשורנו, אלין אמהן, בין מהאי סטרא ובין מהאי סטרא, לא וכלין לאתלטינא.

466. ר' אבא אמר, כי מראש צורים, מאן וכול להו לישראל, דהא הוא אחיד מרישא דכל צורים נמקין, ומאן אינון צורים. גבורן. דהא כל דינין דעלמא מאינון גבורן נפקי, ואינון אתאחדן בהו. ומגבעות אשורנו, אלין שאר משריני דאתאחדן בהו. הן עם לבדרד וגו'. כד"א ה' בדרד ינחנו.

467. מי מנה עפר יעקב וגו', הא אוקמוה. אלא א"ר יוסי, תרין דרגין אינון, יעקב וישראל. בקדמיתא יעקב, ולבתר ישראל. ואע"ג דכלא חר, תרין דרגין אינון, דהא דרגא עלאה ישראל הוא.

468. מי מנה עפר יעקב וגו'. לתתא, מאן הוא עפר. ר' שמעון אמר, האי דכתיב ביה יתן בעפר חרבו וגו'. מאן חרבו. הא ידיעא, דכתיב חרב ליי' מלאה דם. עפר, ההוא אתר דאתברי מניה אדם הראשון, דכתיב ויצר יי' אלהים את האדם עפר וגו'. ומההוא עפר, כמה חילין, וכמה משריני נפקו, כמה טפסין, כמה גרדיני נמוסין, כמה גירין, כמה בליסטראות, כמה רומחין, וסייפין, וזיינין, אשתכחו מההוא עפר. מי מנה כד"א, היש מספר לגרודיו.

469. "And the number of the fourth part of Yisrael" (Bemidbar 23:10). The quarter of Yisrael is the Hei OF YUD HEI VAV HEI, BECAUSE YISRAEL, WHICH IS ZEIR ANPIN, CONTAINS FOUR LETTERS FROM THE NAME YUD HEI VAV HEI, OF WHICH MALCHUT IS THE FOURTH LETTER. THEREFORE, IT IS CALLED "THE FOURTH PART (HEB. ROVA) OF YISRAEL." It is one WITH THE DUST OF JACOB, WHICH IS ALSO MALCHUT, EXCEPT THAT DUST IS MALCHUT OF JACOB, AND A FOURTH PART IS MALCHUT OF YISRAEL. A fourth of Yisrael is as it says, "Lying under its burden" (Shemot 23:5), WHOSE ARAMAIC TRANSLATION IS "RAVI'A." THUS "THE FOURTH PART OF YISRAEL," MEANS THE LAYING DOWN OF YISRAEL, THAT IS, THE BED OF YISRAEL, WHICH IS MALCHUT, WHICH IS CALLED 'BED'. This refers to that which is written: "His litter, that of Solomon" (Shir Hashirim 3:7), WHICH IS MALCHUT. Another explanation of "fourth part": Like the lower fourth of Yisrael, NAMELY MALCHUT, WHICH IS BELOW ZEIR ANPIN THAT IS CALLED YISRAEL, BEING THE FOURTH UNDERNEATH IT. For it is called 'a fourth part' in the sequence of the Sfirot. From this, we understand that David, WHICH IS MALCHUT, is the fourth leg of the throne, SINCE CHESED, GVURAH, TIFERET OF ZEIR ANPIN ARE THE THREE LEGS OF THE THRONE, WHICH IS BINAH, AND MALCHUT IS A FOURTH TO THEM.

470. Another explanation of: "Who can count the dust of Jacob." "Dust" are all those who are considered as dust, MEANING THAT EMANATE FROM MALCHUT THAT IS CALLED "DUST," as we explained. "And the number of the fourth part of Yisrael" is meant in the same sense, as is written: "Is there any number to his armies?" "The fourth part of Yisrael" MEANS as we explained. IT NOW REFERS TO THE QUARTER OF YISRAEL AND NOT TO THE DUST OF JACOB. Another explanation: "Who can count the dust of Jacob" refers to the precepts applying to the dust, like sowing, planting, harvesting, as was already explained by the friends. "And the number of the fourth part of Yisrael" REFERS TO THE PRECEPTS APPLYING TO THE LIVESTOCK, as it says, "You shall not let your cattle gender with a diverse kind" (Vayikra 19:19).

471. "And he took up his discourse, and said..." (Bemidbar 23:7). HE INQUIRES: It is not written, 'he spoke', THAT WOULD MEAN THAT HE SPOKE. THEN what is the meaning of: "And he took up his discourse," INDICATING THAT HE MADE THE SPEECH AND NOBODY ELSE? Rabbi Chiya said, He was just raising his voice towards the speaker THAT IS MALCHUT CALLED 'COH'. THAT IS THE MEANING OF: "AND HE TOOK UP HIS DISCOURSE." This was Bilaam WHO TOOK UP HIS DISCOURSE "and said," which refers to coh. SHE SPOKE, as is written: "And say thus (Heb. coh)." MALCHUT, THAT IS CALLED 'COH' WILL DO THE SPEAKING. And the speech was from her.

472. Come and see, that Bilaam saw that even with all his witchcraft and all that offering, MEANING THE SACRIFICES THAT HE OFFERED, he was unable to uproot that coh, as it says, "While I go to the meeting yonder (Heb. coh)," to uproot coh. The Holy One, blessed be He, said to him, 'Wicked one, you are planning to annihilate her. I will extricate you from your chain, MEANING HE WILL UPROOT HIM FROM THE SOURCE. It is written: "And Elohim met (Heb. vayikar) Bilaam," as we explained THAT IT IS DERIVED FROM "THE RAVENS OF THE VALLEY SHALL PICK IT OUT (HEB. YIKRUHA)" (MISHLEI 30:17), PICK HIM OUT OF HIS LEVEL. Following this, when he realized that he was impotent, he again said, "And he has blessed; and I cannot reverse it (her)." It should have read: 'I cannot reverse him', but "reverse her" is more specific, because it refers to her about whom the word coh is used, as "And say thus (Heb. coh)," TO MALCHUT, ABOUT WHOM HE SAID, I cannot reverse her FROM YISRAEL.

469. ומספר את רובע ישראל. רבע ישראל היא ה"א, וחד מלה היא. רובע ישראל, כד"א רובץ תחת משאו, רביע הדא הוא דכתיב, מטתו שלשלמה. ד"א רבע, כמו רביעית מישראל לתתא, רבע אתקרי לפום בתרין משמע דוד, דאיהו רגלא רביעאה דכורסייא.

470. ד"א מי מנה עפר יעקב וגו', כל אינון דחשיבין עפרא, כמה דאוקימנא. ומספר את רבע ישראל, דכתיב היש מספר לגדודיו. רבע ישראל כמה דאוקימנא. ד"א מי מנה עפר, אינון פקודין דאינון בעפרא, בזריעה, בנטיעה, בחצרא, והא אוקמוה חברייא. ומספר את רבע, כד"א בהמתך לא תרביע.

471. וישא משלו ויאמר. וידבר לא כתיב, מאי וישא משלו. רבי חניא אמר, הוא הוה זקיף קלא לגבי ההוא ממלל, וישא משלו בלעם. ויאמר האי כה כמה דכתיב וכה תדבר, ואמירה מנה הוה.

472. ת"ח, כיון דחמא בלעם דבכל חרשוי ובכל ההוא דורון, לא יכול לאעקרא ההוא כה, כד"א ואנכי אקרה כה, אעקר להאי כה. א"ל קודשא בריך הוא, רשע, אנת סבור לאעקרא לה, אנא אעקר לך משלשולך, מה כתיב. ויקר אלהים אל בלעם, כמה דאתמר. לבתר, כיון דחמא דלא יכול, הדר ואמר, וברך ולא אשיבנה, ולא אשיבנו מבעי ליה. אלא ולא אשיבנה ודאי, להאי דכתיב כה, וכה תדבר. לית אנא יכול לאהדרא לה.

473. Bilaam said, In two levels I tried to enter them. I tried to enter into them in the level of Jacob and I could not. I wished to breach them in another side, FROM THE LEVEL of Yisrael, and I did not succeed. What is the reason? It is because neither level is involved in evil species. This is what is written: "He has not beheld iniquity in Jacob nor has he seen perverseness in Yisrael" (Bemidbar 23:21).

474. We studied earlier that there are two levels, enchantment and divination. Corresponding to them are TWO KLIPOT of iniquity and perverseness. Bilaam thought to himself, I definitely discovered the adversaries of Jacob and Yisrael, since iniquity is THE KLIPAH against Jacob that is connected WITH THE SORCERY CALLED 'enchantment'. Perverseness is THE KLIPAH against Yisrael that is connected to 'divination'. When he realized that he could not succeed, he said, Most certainly, "he has not beheld iniquity in Jacob nor has he seen perverseness in Yisrael." What is the reason? Because "Hashem his Elohim is with him..."

475. If you will venture to say that with these, INIQUITY AND PERVERSENESS, I cannot succeed, but with enchantment and divination I will succeed, it is written: "Surely there is no enchantment in Jacob, nor is there any divination in Yisrael" (Ibid. 23). Not only this, but all the legions above and all the camps are unaware, nor do they look at the customs of the King up high until only after they ask for these two LEVELS of Jacob and Yisrael. What are they saying? "What El has performed" (Ibid.). Rabbi Elazar said, All these matters were spoken by "coh," THAT IS MALCHUT, AND BILAAM JUST raised his voice towards her, having no idea what it was all about nor what he was saying.

476. "Behold, the people shall rise up as a great lion..." (Ibid. 24). Which nation is as strong as Yisrael? When the morning light breaks to shine, he rises and gains strength like a lion for the devotional service of his Master with many songs and praises, studying Torah all day. At night, he "shall not lie down until he eat of the prey" (Ibid.). When a person wishes to lie down on his bed, he sanctifies the Holy Name and proclaims Him King above and below. How many instigators of judgment come together before them at the time they open their mouths on their bed with Sh'ma Yisrael, and beg for compassion before the Holy King with several verses of mercy.

477. Rabbi Aba said, "Behold, the people shall rise up as a great lion" MEANS this nation is destined to rise in the future over all heathen nations like a powerful mighty lion, and will hurtle HIMSELF over them. It is the manner of all lions to lie down over their prey; however, this nation "shall not lie down until he eat of the prey."

473. אָמַר בַּלְעָם, בְּתֵרִין דְּרִגִּין בְּעִינָא לְאַעְלָא בְּהוּ. בְּעִינָא לְאַעְלָא בְּהוּ מְדַרְגָּא דִּיעֵקֵב, וְלֹא יְכִילְנָא. בְּעִינָא לְאַעְלָא בְּהוּ מְסֻטְרָא אַחֲרָא דִּישְׂרָאֵל, וְלֹא יְכִילְנָא. מְאִי טַעְמָא. בְּגִין דְּשָׂמָא דָּא אִוּ דָּא, לֹא אֶתְקַשֵּׁר בְּזִינִין בִּישׁוּן, הֵה"ד לֹא הֵבִיט אֲוֹן בְּיַעֲקֹב וְגו'.

477. ר' אבא אמר, הן עם כלביא יקום. זמינין האי עמא, למיקם על כל עמין עכו"ם, באריה גיבר ותקיף, ויתרמי עליהו. ארחייהו דכל ארנוותא למשכב על טרפייהו, אבל עמא דא לא ישכב, עד יאכל טרף.

478. Another explanation of: "Behold, the people shall rise up as a great lion" to bring offerings and burnt offerings before the King on the altar. We have learned that, at the time the offering is being burnt on the altar, they perceived a form of a lion reclining on top of that sacrifice and eating it.

479. Rabbi Aba said, Uriel was a high angel and he was perceived in the form of a strong lion, reclining on the altar and consuming the sacrifices. When Yisrael were not so worthy, they used to perceive it in the form of some impudent dog reclining over it. The children of Yisrael then realized that they had to repent, and they repented. "He shall not lie down until he eat of the prey" refers to the sacrifices that must be completely consumed by fire during the night, such as burnt offerings. "And drink the blood of the slain" (Bemidbar 23:4) means that the Holy One, blessed be He, will carry on battles with their enemies for them.

480. Rabbi Elazar said that it is written: "He shall not lie down." What is the meaning of, "He shall not lie down"? HE RESPONDS: It is only because every single night, when a person follows as his Master commands, he does not lie down on his bed until he kills 1,125 of those evil species that dwell with him. Rabbi Aba said, A thousand are from the left side, as it is written: "A thousand shall fall at your side" (Tehilim 91:7) and it is also written: "Let the pious be joyful in glory, let them sing aloud upon their beds. The high praises of El are in their mouth, to execute vengeance upon the nations..." (Tehilim 149:5-7). Hence, it says, "He shall not lie down..." which is the meaning of, "To execute upon them the judgment..." (Ibid. 9).

481. Rabbi Chizkiyah said, In accordance with the three times that Bilaam beat his ass and loaded her with his witchcraft, Yisrael was blessed three times. Rabbi Chiya said, Corresponding to this, Yisrael got the blessing to go up three times a year and be seen in the presence of the Holy King.

482. "And when Bilaam saw that it pleased Hashem to bless Yisrael, he went not, as at other times, to seek for enchantments..." (Bemidbar 24:1). HE INQUIRES: What is the meaning of: "to seek for enchantments"? Rabbi Yosi said, The first two times, he approached with all the implements of his witchcraft and desired to curse Yisrael. Then he realized the wish of the Holy One, blessed be He, who said, "Go back to Balak," because they have no need of your utterances. Another speech is forthcoming from this "coh," as it says, "And say thus (Heb. coh)." That means "coh" will be speaking and not you. "And say thus (coh)," (or: 'coh will speak'), because she governs all the rulers of witchcraft and sorcery and the variety of evils, so they are not able to harm My children.' He then wished to gaze at them with the evil eye.

478. ד"א הן עם כלביא יקום, לקרבא קרבנין ועלוון קמי מלכהון, על גבי מדבחה. ותאנא, בשעתא דקורבנא אתוקד על גבי מדבחה, הוון חמן דיוקנא דחד אריה רביע על ההוא קרבנא, ואכיל ליה.

479. ואמר רבי אבא, אורי"ל מלאכא עלאה הוה, וחמאן ליה בדיוקנא דאריא תקיפא, רביע על מדבחה, ואכיל לון לקרבנין. וכד ישראל לא הוו זכאין כל כך, הוון חמאן דיוקנא דחד כלבא חציפא רביע עליה, כדן הוון ידעין ישראל דבעינן תשובה, וכדן תניבן. לא ישכב וגו', אליון קרבנין דליליא כגון עלוון. ודם חללים ישמה, דקודשא בריך הוא אגח קרבא דלהון על שנאיהון.

480. רבי אלעזר אמר, לא ישכב, מהו לא ישכב. אלא בכל ליליא וליליא, כד בר נש איהו אזיל בפקודי דמאריה, לא שכוב על ערסיה, עד דקטיל אלה ומאה ועשרים וחמש, מאינון זייגין בישין, דשריין עמיה. רבי אבא אמר, אלה אינון דסטר שמאלא, דכתיב יפול מצדך אלה. כמה דכתיב, ועלזו חסידים בכבוד וגו', רוממות אל בגרונם וגו', לעשות נקמה וגו', הה"ד לא ישכב וגו' ודא הוון לעשות בהם משפט וגו'.

481. אמר רבי חזקיה, לקבלי תלת זמנין דהוון מחא לאתניה, ואטעין לה בחרשוי, אתברכון ישראל תלת זמנין. רבי חייה אמר, לקבליה אתברכון ישראל תלת זמנין, דסלקין ישראל לאתחזאה קמי מלכא קדישא.

482. וירא בלעם כי טוב בעיני יי' וגו', ולא הלך בפעם בפעם לקראת נחשים וגו'. מאי לקראת נחשים. א"ר יוסי, דהני תרין זמנין קדמאי, הוה אזיל בכל חרשוי, ובעא למילט לישראל. ביון דחמא רעותיה דקודשא בריך הוא, דאמר שוב אל בלק, דהא מלוולך לא בעיין בני. מלולא אוחרא זמין מהאי כה, כמה דכתיב וכה תדבר. כה תדבר, ולא אנת. כה תדבר, דשלטא על כל שליטין חרשין וקסמין זייגין בישין, דלא יכלין לאבאשא לבני. כדן בעא לאסתכלא בהו, בעינא בישא.

483. Come and see this wicked one. When he gazed at Yisrael, he looked into both of these levels - Jacob and Yisrael - to harm them with his witchcraft, either this one or that one. Therefore, at each and every blessing, both Jacob and Yisrael were blessed. "And when Bilaam saw that it pleased..." How did he see? HE RESPONDS: He noticed that when the King's face was shining, the variety of evils did not remain, and none of the magic and sorcery were successful in their witchcraft.

484. Come and see: At those two times, it is written "met" once in, "And Elohim met" and once in, "And Hashem met Bilaam." Then it says, "And say thus (Heb. coh)." When he realized that no anger exists, and his witchcraft was not helping him, "he went not, as at other times..." As soon as he separated and removed himself from his magic, he began with another kind of rousing to praise Yisrael. Rabbi Yehudah said, What was this rousing here? He said to him, This was the rousing of a spirit of the left side, the one under whom all the varieties of his witchcraft are connected.

485. Rabbi Elazar said, This is what I was taught, even the THIRD time the Holy Spirit did not dwell upon him. Rabbi Yosi inquired of him, If so, why is it written: "And the spirit of Elohim came upon him" (Ibid. 2) and all the other times, it is not written that way. He replied to him, That is the way it must be. Come and see that it is written: "He that has a generous eye shall be blessed" (Mishlei 22:9). It was already set in explanation not to read, 'Shall be blessed', but rather "shall bless." Since Bilaam was of the evil eye, no one in the existence of the world was as evil-eyed as he. Everything at which he gazed with his eyes became cursed.

486. Therefore, they said, Whoever crosses his son in the marketplace and has fear of the evil eye should cover the top of his head with a head scarf, so the evil eye will not affect him. As well, when Bilaam noticed that he could not succeed with his magic and sorcery in harming Yisrael, he wanted to gaze on them with the evil eye, because everything he looked at with his evil eyes became cursed. Come and see what he planned against Yisrael. It is written: "But he set his face toward the wilderness" (Bemidbar 24:1), as the Targum translates THAT HE PUT HIS GAZE IN THE DIRECTION OF THE CALF THAT YISRAEL CREATED AND SINNED WITH IN THE DESERT, so that he may get allies to harm them.

483. ת"ח, האי רשע כד אסתכל בהו בישראל, הוה מסתכל באלין תרין דרגין ועקב וישראל, לאבאשא לון, או בהאי או בהאי בחרשוי, בגין כך כל ברך וברך ועקב וישראל אתבריכו. וירא בלעם כי טוב וגו'. במה חמא חמא די בשעתא דאנפי מלכא נהירין, זיגין בישינן לא קיימי בקיומיהו, וכל חרשין וכל קסמין לא סלקאן בחרשייהו.

487. See what is written: "And Bilaam lifted up his eyes, and he saw Yisrael" (Bemidbar 24:2), because he wished to gaze at them with the evil eye. At that very moment, if the Holy One, blessed be He, would not have preceded him with the remedy, he could have destroyed them with the gaze of his eyes. Which remedy did the Holy One, blessed be He, grant to Yisrael at that very moment? It is written: "And the spirit of Elohim came upon him" and "came upon him" refers to Yisrael. The Holy One, blessed be He, extended and covered Yisrael over with the spirit of Elohim. It is in the same sense as a person spreads the scarf over the head of the child, in order that no evil eye shall affect him.

488. He opened the discussion with the verse: "How goodly are your tents, O Jacob" (Ibid. 5). Come and see: Whoever wishes to gaze with an evil eye is not able to do so unless he praises and adores that one whom he wishes to curse with the evil eye. What is his usual method of operation? He says, How nice he is, how beautiful he is, in order that the evil eye would affect him. Here too, he said, "How goodly are your tents, O Jacob." How nice, how beautiful they are, how beautiful are the plants that have been planted from them. They are comparable to the pretty plantings that the Holy One, blessed be He, has planted in the Garden of Eden! Would that plantings shall come forth from these dwellings!

489. "He shall pour the water out of his bucket." THIS IS like a man who had fine hands, beautiful in appearance. One person passed by, a man of the evil eye, gazed at these hands, grasped them and began to praise them, saying, How beautiful they are, how pretty. Look at the fingers cut out in the highest form of beauty. Then he says, Who shall give these hands to dwell among precious stones and expensive purple garments? THEY SHALL BE in his house to use them and they shall be stored in his vault.

490. Here, the same Bilaam began to praise: "How goodly are your tents, O Jacob, and your tabernacles, O Yisrael." How handsome they are and how fine. Afterward, "He shall pour the water out of his bucket" (Ibid. 7), WHICH MEANS that you cannot find a nicer planting than this, the planting of Torah, outside of these peaceful dwellings. And "moistening his seed plentifully" (Ibid.), WHICH HE MEANT TO BE AMONG THE KLIPOT THAT ARE CALLED 'GREAT MIGHTY WATERS', MEANING TO SAY that the Holy Spirit should not grow and increase.

491. The Holy One, blessed be He said to him, 'Wicked one, your eyes can do no harm, because there is a veil of the Holy Spirit prevailing on them'. He then said, "El brought him out of Egypt..." (Ibid. 8), WHICH MEANS none of the world's inhabitants will be able to harm them because a strong and powerful higher strength holds on to them. What is it? It is: "El brought him out of Egypt." Not only that, but "he has as it were the strength of a wild ox" (Ibid.) No person could extend his hands over him due to his height. Because he exists at such a height, "he shall eat up the nations his enemies" (Ibid.) and no one is able to harm them.

492. Even at a time when he is not standing, they will not succeed AGAINST HIM. This is what is written: "He couched, he lay down" (Ibid. 9). EVEN THEN he is not afraid, because he is mighty "like a lion, and like a great lion" (Ibid.). This means that, even when he is IN EXILE among the nations and he crouches and lies among them like a lion, he will be familiar in the laws of the Torah and in the ways of the Torah. They have a government from their Master that all the kings of the world cannot uproot; it is comparable to the strength of the lion which can not be raised up from the prey that he is crouched over. It is written: "He couched, he lay down like a lion, and like a great lion: who shall stir him up?" (Ibid.).

493. Rabbi Elazar said, You could not find in the world a wiser person to do harm than that wicked Bilaam. At first, he was in Egypt and, through him, the Egyptians plotted against Yisrael, so that they should never escape their slavery. And he says, how can I harm them? I was the one who caused them never to escape the slavery of Egypt, yet, "El brought him out of Egypt" and against Him, none of the wise men and sorcerers of the world could prevail.

46. Aza and Azael

Rabbi Yehuda tells how Bilaam went to the mountains of darkness to consult with Aza and Azael. We hear what happens in those mountains and how Aza and Azael teach magic and sorcery to those who enter there. When Bilaam went there God confused all the magic in the world so it would be ineffective against His children, so Bilaam eventually gave Balak advice regarding the Midianite women in an attempt to hurt Yisrael. When God saw that he had given this advice He told Bilaam that he would be ensnared in his own plot, and indeed he was later killed in the vengeance against Midian.

491. א"ל קודשא בריך הוא, רשע, לא יכלין עיניך לאבאשא, הא פריסו דקודשא עליהו, כדין אמר, אל מוציאו ממצרים וגו', הא לא יכלין כל בני עלמא לאבאשא לון, דהא חילא תקיפא עלאה אחיד בהו, ומאי איהו. אל מוציאו ממצרים. ולא עוד, אלא כתועפות ראם לו, דלא וכול ב"נ לאושיט ידיה עליה, מגו רומיה. ומדאשתכח בזקיפו עלאה הכי, ואכל גוים צריו וגו'. ולית מאן דיכול לאבאשא לון.

492. ואפילו בזמנא דלא זקיף, לא יכלין, הה"ד ברע שכב. לא דחיל, בגין דאשתכח גיבר בארי וכלביא, אפילו כד אינון ביני עממיא, וכרע ושכב בינייהו, בארי הוא ישתכח בנמוסי אורייתא, באורחי אורייתא. שולטנותא אית להו במאריהון, דאפילו כל מלכיא דעלמא, לא יעקרון להו. באריא דא כד שכיב על טרפיה, לא יכלין לאקמא ליה מניה, הה"ד ברע שכב בארי וגו'.

493. א"ר אלעזר, לא אשתכח בעלמא חכים לאבאשא, כבלעם רשיעא, דהא בקדמיתא הוה אשתכח במצרים, ועל ידו, קשירו מצראי עליהו דישראל קשורא, דלא יפקון מעבדותהון לעלמין. ודא הוא דאמר, מה איכול לאבאשא להו, דהא אנא עבידנא דלא יפקון מעבידתא דמצראי לעלמין, אבל אל מוציאו, ממצרים ולקבליה לא יכלין חכמין וחרשין דעלמא.

494. "And now, behold, I go to my people..." (Bemidbar 24:14). Rabbi Yehuda opened the discussion with the verse: "You shall not deliver to his master the servant...he shall dwell with you" (Devarim 23:16). How lovely are the words of the Torah before the Holy One, blessed be He, and how beloved is the Torah that gave her as a legacy to the assembled Congregation of Yisrael. Come and see: At the time they left Egypt, Bilaam heard that his witches and sorcerers, and all those ties THAT THEY PERFORMED, were not effective against Yisrael. He began to scratch himself and tear his hair out of his head. Then, he went to the mountains of darkness and reached the iron chains, WITH WHICH AZA AND AZAEL ARE BOUND.

495. This is the manner of the one who reaches them. As soon as a person enters there, between the mountaintops, Azael, THAT ONE that is called "having his eyes open" (Bemidbar 24:4), notices him. He immediately informs Aza. They then give the sound signal and the great burning snakes gather to them and surround them. They send A TYPE OF small CREATURE called 'Onimta' towards that person. We were taught that it is a cat-like animal with a narrow snake-like head. It has two tails and its hands and feet are tiny. A person who sees it covers his face and brings a VESSEL WITH ASHES THAT IS CALLED 'smoked shreds' from the burning of a white rooster and throws them in front of the Onimta, which then comes with him.

496. He goes until he reaches the top of the chains, because the top of those chains is stuck into the ground and reaches to the great depths. In the great depths, there exists a socket that is stuck into the lower depth, and into that socket the top of the chains is connected. When a person reaches the top of the chain, he knocks at it three times. They, AZA AND AZAEL, call for him. He then kneels on his knees, bows down and continues to close his eyes until he reaches them. He then sits up in front of them and all these snakes surround him from either side. Then he opens his eyes and sees them. He is shaken, and he falls on his face and bows towards them.

497. Following this, AZA AND AZAEL teach him magic and sorcery, and he stays with them for fifty days. When the time arrives to leave on his way, that LITTLE CREATURE CALLED 'Onimta' and all these snakes walk in front of him, until he leaves the mountain ranges from in between that heavy darkness.

498. When Bilaam reached AZA AND AZAEL, he told them WHAT HE NEEDED FROM THEM, locked himself with them in the mountains and begged to denounce YISRAEL and return them to Egypt. The Holy One, blessed be He, confused and impaired all the wisdoms in the world, and all the magic in the world, so they could not get close TO YISRAEL.

494. וְעַתָּה הִנְנִי הוֹלֵךְ לְעַמִּי וְגו' ר' יְהוּדָה פָּתַח, לֹא תִסְגֹּר עֶבֶד אֶל אֲדוֹנָיו וְגו' עִמָּךְ יֹשֵׁב בְּקִרְבְּךָ. כִּמָּה חֲבִיבִין מְלֵי דְאֹרֵייתָא. כִּמָּה חֲבִיבָה אֹרֵייתָא קָמִי קוּדְשָׁא בְרִיךְ הוּא. כִּמָּה חֲבִיבָה אֹרֵייתָא, דְאֹרֵית לָהּ קוּדְשָׁא בְרִיךְ הוּא לְכ"ו. ת"ח, בְּשַׁעֲתָא דִּי נִפְקוּ מִמִּצְרַיִם. שָׁמַע בַּלְעָם דְּהָא חֲרָשׁוּי וְקִסְמוּי, וְכָל אֵינּוֹן קִשְׁרִין, לֹא סָלִיקוּ בְּהוּ בִּישְׂרָאֵל, שְׂאֵרֵי לְגִרְדָּא גְרַמִּיָּה, וְלִמִּירְט רִישׁוּיָהּ. אֲזַל לְאֵינּוֹן טוּרֵי חֲשׂוּכָא, וּמָטָא לְגַבֵּי אֵינּוֹן שְׁלִשְׁלָאֵי דְפְרִזְלָא.

499. Come and see: When Bilaam realized that he was incapable of harming Yisrael, he returned to Balak and gave him advice in order to harm Yisrael, something he did not ask him to do. And his advice was regarding the Midianite women, who were beautiful. If not for the fact that Moses TOLD THIS TO US, we would not have known of it, because it is written: "Behold, these caused the children of Yisrael, through that counsel of Bilaam" (Bemidbar 31:16).

499. ת"ח, השתא בין דחמא בלעם דלא יכיל לאבאשא לישראל, אהדר גרמיה, ואמליך ליה לבלק, מה דלא בעא מניה, בגין לאבאשא לון. ועיטא דיליה הוה באינון נוקבי דמדין דאינון שפירן, ואלמלא דא"ל משה, לא הוינא ידע, דכתיב הן הנח היו לבני ישראל בדבר בלעם.

500. When the Holy One, blessed be He, saw his advice, He said, 'You will certainly get snared by your own plot' - BECAUSE HE WAS KILLED IN THE VENGEANCE AGAINST MIDIAN. What did the power controlling magic do, THAT IS MALCHUT, as mentioned above? It showed him the final end. HE INQUIRES: Does he have permission to see into the distant future? Rabbi Yitzchak said, The eye saw and perceived; however, the actual statements were spoken by the one who is over him, MEANING IT CAME FROM MALCHUT. This was already explained in relation to the verse: "And he took up his discourse, and said..." WHO SPOKE? Whoever had the authority to speak, MEANING MALCHUT, AS WE MENTIONED THERE. Why is that so? So that disgusting statements BY BILAAM should not come true through the will of the most High, through the high wish of the Torah.

500. בין דחמא קודשא בריך הוא עיטא דיליה, אמר, הא ודאי גרמך בעיטך ופול. מה עבד, ההוא חילא דשלט על כל חרשין, אחמי ליה סופא דכלא. וכי אית להו רשותא לזמן רחיק. א"ר יצחק, עינא חמא, ומלין אתמרו מההוא דקאים עליה, והא אוקמוהו. וישא משלו ויאמר. מאן דאית ליה למימר. מ"ט. בגין דלא יתקיימו מלין דגעלא, ברעותא עלאה, ברעותא עלאה באורייתא.

47. In the time of Messiah

We are told what will happen at the time of Messiah when God is going to rebuild Jerusalem. The account presages the destruction of Rome and its ruler, and talks about many wars. The spirit of Messiah will destroy the enemies of Yisrael, and the righteous will be brought back to life. When the children of Yisrael leave their exile the Shechinah will go with them, and there will be great joy. At the time of redemption all blessings will freely flow to the righteous from the great deep springs of Chochmah and Binah.

501. "I behold it, but it is not near" (Bemidbar 24:17), because some of these items came true at that time and some of them are for future times, in the period of Messiah. We learned that the Holy One, blessed be He, is destined to build up Jerusalem and display a fixed star that sparkles with seventy moving PLANETS and with seventy winds that display light from it in the center of the firmament. Another seventy stars will be instructed and guided by it, and it will be glowing and blazing seventy days.

501. אראנו ולא עתה, דהא מלין אלין מנייהו אתקיימו בההוא זמנא, ומנייהו לבתר, ומנייהו בזמנא דמלכא משיחא. תנן, זמין קודשא בריך הוא למבני ירושלם, ולאחזאה חד ככבא קביעא, מנצצא בע' רהטין, ובע' זיקין נהרין מניה באמצעות רקיע, וישתאלון ביה ע' ככבין אחרגין, ויהא נהיר ולהיט ע' יומין.

502. On Friday, on the twenty-fifth day to the sixth month, the star will be seen. It will be gathered on the seventh day at the ending of the seventy days. IT WILL BE COVERED AND NOT SEEN. On the first day, it will be seen in the city of Rome and, on that day, three higher walls will fall from the city of Rome, and the great palace WHICH IS THERE will fall. The governor of that city will die. Then that star will spread and extend to be seen in the world. During that time, great and mighty wars will be stirring in the world to all four directions, and there will be no Faith among them.

502. וביומא שתיתאה, יתחזי בכ"ה יומין לירחא שתיתאה, ויתכניש ביומא שביעאה, לסוף ע' יומין, יומא קדמאה יתחזי בקרתא דרומא. וההוא יומא ינפלון ג' שורין עלאין מההיא קרתא דרומי, והיכלא רברבא ונפול, ושלטיא דההיא קרתא ימות. כדן יתפשט ההוא ככבא לאתחזאה בעלמא. ובההוא זמנא יתערון קרבין תקיפין בעלמא, לכל ד' סטרין, ומיהימנותא לא ישתכח בינייהו.

503. In the center of the world, when that star will shine in the centre of heaven, a great king and ruler will rise in the world. His spirit will rise over all the kings and provoke war on the two sides, and will overpower them.

504. During the day when that star will be covered, the Holy Land will shudder and shake 45 miles around the area of the temple house, and a cave underneath the ground will be discovered. From that cave will emanate a fire to burn the world. And from that cave will grow one great lofty branch that will dominate over the entire world, and the kingdom will be granted to him. The saintliest people will be gathering to him. Then, Messiah will be revealed in the entire world and the kingdom will be granted to him.

505. At the time of the revealing OF MESSIAH, the inhabitants of the world will find themselves in one distress after another and those who hate Yisrael will get stronger. Then the spirit of Messiah will stir upon them, and will destroy the wicked Edom, and the entire land of Seir will go up in flames. Concerning that time, it is written: "And Yisrael shall do valiantly" (Bemidbar 24:18). That is the meaning of: "And Edom shall be his possession, Seir also, his enemies" (Ibid.), meaning the enemies of Yisrael. That is the meaning of: "And Yisrael shall do valiantly." At that time, the Holy One, blessed be He, will raise TO LIFE the dead of his people and remove death from them. This is what it says, "The right hand of Hashem does valiantly. I shall not die, but live" (Tehilim 118:16-17). It is further written: "And liberators shall ascend..." (Ovadyah 1:21) and then it is written: "And Hashem shall be king" (Zechariah 14:9).

506. Rabbi Aba said, What is the meaning of, "For you shall go out with joy" (Yeshayah 55:12)? It only means that, when Yisrael leave the exile, the Shechinah will leave with them. They will leave together with Her. This is the meaning of: "For you shall go out with joy" WITH THE SHECHINAH THAT IS CALLED 'GLADNESS'. "Joy" is referring to the Holy One, blessed be He. Rabbi Yitzchak said, That is referring to the righteous, MEANING YESOD IN ZEIR ANPIN. This is what is written: "Joy and gladness shall be found in it" (Yeshayah 51:3), WHICH ARE YESOD AND MALCHUT.

507. Rabbi Shimon said, The righteous, THAT IS, YESOD OF ZEIR ANPIN, is called 'joy'. From that day onward, when the assembled Congregation of Yisrael fell into the exile, the blessings were prevented from flowing down to the world from this righteous. At that time OF REDEMPTION, it is written: "Therefore with joy shall you draw water" (Yeshayah 12:3). This refers to the righteous CALLED 'JOY'. "Out of the wells of salvation" (Ibid.) refers to Aba and Ima, WHICH ARE CHOCHMAH AND BINAH, FROM WHERE THE YESOD DRAWS. Another explanation: "Out of the wells of salvation" IS REFERRING TO Netzach and Hod, FROM WHOM YESOD RECEIVES. ALL RECEIVE from deep springs that flow, WHICH ARE CHOCHMAH AND BINAH. Then, it is written: "And in that day you shall say, Hashem, I will praise You..." (Ibid. 1). It is also written: "Cry out and shout, you inhabitant of Zion..." (Ibid. 6). Blessed be Hashem for evermore. Amen, and Amen. Hashem reign for evermore. Amen, and Amen.

503. ובאמצעות עלמא, כד יתנהיר ההוא ככבא, באמצעות רקיעא. יקום מלכא חד רב ושלוט בעלמא, ויתגאה רחזיה על כל מלכין, ויתער קרבין בתרין סטרין, ויתגבר עלייהו.

1. "Hear, my son, the instruction of your father"

Rabbi Elazar deconstructs the title verse to teach us that people must follow the Torah that was given to them by God along with His rebukes and punishments. When someone who has studied the Torah dies, it precedes him and opens all the gates for him to the next world. Rabbi Elazar says that God takes most joy in those who get up at night to study the Torah.

1. "And Hashem spoke to Moses, saying, Pinchas, the son of Elazar..." (Bemidbar 25:10). Rabbi Elazar began, "Hear, my son, the instruction of your father, and do not forsake the Torah of your mother" (Mishlei 1:8). "Hear, my son, the instruction of your father..." This refers to the Holy One, blessed be He. "and do not forsake the Torah of your mother." This refers to the Congregation of Yisrael. What is the instruction of your father? Instruction is the Torah which contains a number of rebukes and punishments, as it is said: "My son, do not despise the chastening of Hashem, nor be weary of His correction" (Mishlei 3:11).

2. And since everyone who engages in Torah in this world is worthy that a number of gates, a number of lights to the next world, be opened for him, therefore when he departs from this world THE TORAH precedes him, going to all the gate keepers proclaiming, "Open the gates, that the righteous nation...may enter in" (Yeshayah 26:2). Prepare a seat for so-and-so, the King's servant! The Holy One, blessed be He, has no joy other than with one who engages in Torah. How much more so with a man who rises up at night to engage in Torah, for all the righteous in The Garden of Eden are attentive to his voice and the Holy One, blessed be He, is amongst them, as they put it: "You that dwell in the gardens, the companions hearken for your voice: Cause me to hear it" (Shir Hashirim 8:13).

2. "The companions hearken for your voice"

Rabbi Shimon tells us that everyone who studies the Torah at night is strengthened by the Shechinah, and this is even more true of those who guard the covenant. He says that Yisrael would have been destroyed had Pinchas not killed Cozbi and Zimri, but his act appeased God's anger. Lastly we hear that if a person reincarnates the second time without improving his soul he has betrayed God's truth.

3. Rabbi Shimon said: This verse has in it the secret of wisdom. "You that dwell in the gardens" refers to the Congregation of Yisrael, THAT IS MALCHUT, which is with Yisrael in exile and accompanies them in their troubles. "the companions hearken for your voice..." refers to the camps of the higher heavenly ANGELS, all of whom listen to your voice, the voice of your praises in exile. "Cause me to hear it" is as it is said: "let me see your countenance, let me hear your voice" (Shir Hashirim 2:14). "let me hear your voice" refers to the voice of those companions who engage in Torah, for I have no praise such as those who engage in Torah.

4. Rabbi Shimon said: Apparently at midnight, as the day begins to dawn, all those who are privileged to engage in Torah come with the Queen to welcome the King, and they grow stronger and take possession of the Shechinah. Moreover, a thread OF CHESSED hangs over Him, as the Sages have explained.

1. וַיְדַבֵּר יְיָ אֶל מֹשֶׁה לֵאמֹר, פְּנֹחַס בֶּן אֶלְעָזָר וְגו', רַבִּי אֶלְעָזָר פָּתַח וְאָמַר, שָׁמַע בְּנֵי מוֹסֵר אָבִיךָ וְאֵל תְּטוֹשׁ תּוֹרַת אִמְךָ. שָׁמַע בְּנֵי מוֹסֵר אָבִיךָ, דָּא קוּדְשָׁא בְרִיךְ הוּא. וְאֵל תְּטוֹשׁ תּוֹרַת אִמְךָ, דָּא כְּנֶסֶת יִשְׂרָאֵל. מַאי מוֹסֵר אָבִיךָ, מוֹסֵר, דָּא אֹרִייתָא, דָּאִית בְּהָ בְּמַה תּוֹכְחִין, בְּמַה עוֹנְשִׁין. כַּד"א, מוֹסֵר יְיָ בְּנֵי אֵל תִּמְאַס וְאֵל תְּקוֹץ בְּתוֹכְחָתוֹ.

4. אָמַר ר"ש, כְּבִיכּוֹל, כָּל אִינוֹן דְּזִכְאֵן לְאֶשְׁתַּדַּלָּא בְּאֹרִייתָא, וּמְכַד פְּלִיג לִילֵיא, וְאֲתִינִין בְּמִטְרוֹנֵיתָא כַּד נְהִיר יְמָמָא, לְקַבְּלָא אֲנָפֵי מִלְכָּא, אֲתִקִּיף וְאֲחִסִּין בְּשְׁכִינַתָּא. וְלֹא עוֹד, אֵלָא דְּשְׁרִיא בֵּיה חוּט שֶׁל חֶסֶד, בְּמַה דְּאוּקְמוּנָא.

5. Come and see: Everyone who is privileged to be strengthened in the Shechinah gains protection for himself from those matters that are considered to be opposed TO THE SHECHINAH. Who is protected? Those who do not falsify by the sign of the Holy Covenant LIKE MATING WITH the daughter of a foreign El. And he who watches over himself, as it were, the Assembly of Yisrael is linked to Him, in turn, and protects him and greets him peacefully. And this is even more so if he has been privileged to zealously take up the cause and guard THE SIGN OF THE HOLY COVENANT.

6. Said Rabbi Shimon: Yisrael at that time would have deserved to have been extirpated from the world had not Pinchas first done the deed OF KILLING ZIMRI AND COZBI, and thus the anger abated. This is what is said: "Pinchas, the son of Elazar, the son of Aaron the priest, has turned my wrath away" (Bemidbar 25:11). Another explanation: "Pinchas, the son of Elazar, the son of...": Rabbi Shimon said, The word son occurs twice to complete the act.

7. Said Rabbi Shimon: When the soul of a person reincarnates, MEANING A SECOND TIME AROUND, without gaining merits to be changed for the better, it is as though he betrays the truth of the King and I apply to him the verse, "...or has found that which was lost, and have lied concerning it, and have sworn falsely..." (Vayikra 5:22). "And have lied concerning it," MEANING TO THE SOUL, it would have been better for him had he not been created, FOR IT WOULD HAVE BEEN BETTER HAD HE NOT REINCARNATED INTO THIS WORLD.

3. The complete righteous and the incomplete righteous

In this section we learn that a completely righteous person is allowed to challenge an evil person, but an incompletely righteous person is not. The latter is defined as someone who did evil deeds himself in his first incarnation but now in this incarnation has done only good deeds. These good deeds are required to repair his earlier bad deeds. Rabbi Shimon says that even one who is not destined for greatness can achieve it through dedication to the Holy Name, as did Pinchas.

8. We have learned: A totally righteous person is not put off BY AN EVIL PERSON AND MAY CHALLENGE HIM, but one who is not totally righteous is held back AND IS FORBIDDEN TO CHALLENGE AN EVIL PERSON. HE ASKS, Who is totally righteous? And who is incompletely righteous? And could it be that one who is not perfect in his deeds is nevertheless called 'righteous', THAT IS, THAT YOU REFER TO HIM AS AN INCOMPLETE RIGHTEOUS? FOR SOMEONE WHO IS LACKING IN HIS DEEDS, ACCORDING TO HOW THEY SHOULD BE, OUGHT TO BE CALLED 'BAD'. THE ANSWER TO THIS IS it is known that a totally righteous person is one who has not undertaken upon himself to undergo crooked incarnations THAT IS, HE IS INCARNATED and within his OWN inheritance he constructs edifices, puts up walls, digs wells and plants trees. THAT IS TO SAY, ALL THE GOOD DEEDS THAT HE DID PERTAIN TO HIM, FOR HE HAS NO NEED OF CORRECTING OTHERS.

5. ת"ח, כל מאן דזכי לאתתקף בשכינתא, יסתמר גרמוהי מאנון מלין דאחידן לקבלה. כגון מאן. אינון דלא משקרי באת קדישא, כגון בת אל נכר. וכל מאן דנטיר גרמיה, כביכול כנסת ישראל אחידא ביה, ונטרא ליה, והיא אקדימת ליה שלם. וכ"ש אי זכי וקני להאי.

6. ואמר ר"ש, אתחזיון ישראל לאשתצאה בהווא שעתא, בר דאקדים פנחס להאי עובדא, ושכיך רוגזא. הה"ד, פנחס בן אלעזר בן אהרן הכהן השיב וגו'. ד"א, פנחס בן אלעזר וגו'. אר"ש, בן בן תרי זמני, לאשלמא עובדא קא אתי.

7. אמר רבי שמעון, האי ב"נ דנטיל גלגולא דנשמתא, ולא זכי דיתתקן ביה, כאילו משקר בקושטא דמלכא. ואנא קרינא עליה האי קרא או מצא אבירה וכחש בה ונשבע על שקר. וכחש בה, טב ליה דלא אברי.

8. תנינן צדיק גמור, אינו נדחה. וצדיק שאינו גמור, נדחה. מאן הוא צדיק גמור, ומאן הוא צדיק שאינו גמור, וכי מאן דלא שלים במלוי, צדיק אקרי. אלא, צדיק גמור, ידיע, דהא לא נטיל גלגולין עקימין, ובאחסנתיה בני בניין, ואתקין שורין, וחצב בירין, ונטע אילנין.

9. An incompletely righteous person IS one who constructs edifices on someone else's inheritance, THAT IS TO SAY, WHOSE SOUL IS ON ITS SECOND INCARNATION BECAUSE HE WAS WICKED THE FIRST TIME, WITH THE RESULT THAT ALL HIS GOOD DEEDS ARE NEEDED TO REPAIR THE SOUL FROM THE FIRST TIME THAT IT CAME INTO THE WORLD, AND SO HIS EDIFICES ARE BUILT WITHIN SOMEONE ELSE'S INHERITANCE. He digs wells within it and cultivates it, restores the foundation stones to the way they were, and labors there, but does not know whether it will remain his. For in terms of himself, THAT IS, ACCORDING TO HIS DEEDS IN THIS INCARNATION, he is good, and is 'a righteous person'. But in terms of the legacy, THAT IS, IN TERMS OF HIS DEEDS ON THE FIRST OCCASION THAT HE CAME INTO THE WORLD, he is not so. THAT IS TO SAY, HE HAS NOT YET REMEDIED THE EFFECTS OF THE SINS COMMITTED THE FIRST TIME.

10. HE IS LIKENED TO a person who constructs beautiful and attractive buildings. Look at the foundation and observe it sunken and twisted in all directions. The building will not be perfect until he has demolished it and rebuilt it as it was, namely, AS IT SHOULD BE. Thus in terms of the superstructure of the building that he constructed, everything was good and wonderful but in terms of the edifice's foundation it is bad and twisted, and for this reason is not referred to as a perfect deed, and not considered a perfect building. AND SO IT IS WITH THE INCARNATED SOUL. ALTHOUGH IN TERMS OF HIS DEEDS HE IS RIGHTEOUS, NEVERTHELESS, SINCE HE HAS NOT YET REMEDIED THE EFFECTS OF THE SINS HE COMMITTED THE FIRST TIME THAT HE CAME INTO THE WORLD, he is called 'an incompletely righteous person' because of it and he is pushed aside BY A WICKED PERSON. And on this SCRIPTURE SAYS, "when the wicked devours the man that is more righteous than he" (Chavakuk 1:13).

11. Come and see: One who is zealous for the Holy Name of the Holy One, blessed be He, even if he is not designated for greatness and is not worthy of it, he earns it and gains it. Pinchas was not worthy OF THE PRIESTHOOD at that time, but because he was zealous for the name of his Master, he earned everything and rose to the highest position, and everything was put right within him, and he was privileged to serve in the supreme priesthood. From then on he was referred to as Pinchas the son of Elazar, the son of Aaron the priest, WITH THE WORD 'SON' OCCURRING TWICE since he completed two stages, THAT IS, HE MADE GOOD FOR HIMSELF AND ALSO FOR THE SOULS OF NADAV AND ABIHU WHICH HAD INCARNATED INTO HIM, FOR THEY ARE THE SONS OF AARON AND IT IS THEREFORE WRITTEN "THE SON OF ELAZAR, THE SON OF AARON. And this was because he was zealous for the name of his Master and put the wrong right, FOR HE CORRECTED HIMSELF AND ALSO FROM THE POINT OF VIEW OF THE SOULS OF NADAV AND ABIHU THAT WERE INCARNATED IN HIM.

4. "Preserve my soul; for I am pious"

Rabbi Shimon tells Rabbi Yehuda that "Preserve my soul" means "preserve the Hei," for the soul holds onto the Hei. If the soul is deserving when it leaves this world it is welcomed to the next world, but if it is not deserving, the angels of destruction push it outside. When David prayed for the preservation of his soul, he called himself pious because he was receiving the flow of Chassadim, and Rabbi Yitzchak says that Chassadim is bestowed by the Righteous, Yesod.

12. Rabbi Yehuda began: "Preserve my soul; for I am pious: Save Your servant..." (Tehilim 86:2). One has to look at the end of the verse, and then at the whole verse. At the end of the verse it says, "who trusts in You." HE ASKS, Should it not have said, "who trusts You"? HE ANSWERS: apparently David promised not to be asleep when midnight passed, as it is written: "At midnight I will rise to give thanks to You" (Tehilim 119:62). He should have said, "I arose," but THE MEANING IS, I will arise and be bound to You for ever.

13. HE ASKS "Preserve (Heb. shomrah) my soul." He should have used the form 'shamor', but we have learnt that there is no letter in the Torah that does not have heavenly and precious secrets. HE ANSWERS 'shomrah', for he was saying to the Holy One, blessed be He, 'shamor Hei', NAMELY PRESERVE THE HEI, for it is that same part onto which the soul holds. When the soul leaves this world it enters to inherit the domain of the next world. If it so merits, a number of heavenly hosts come out to greet it, guard it, and bring it into its residence in its place. That letter Hei, NAMELY MALCHUT, preserves it, so as to unite with it on new moons and Shabbats.

14. But if it does not so merit, a number of angels of destruction are directed against it, and push it outside. Woe to that soul that wanders in vain as a stone in the hollow of the sling. This is what was said: "and the souls of your enemies, them shall he sling out, as out of the hollow of a sling" (I Shmuel 25:29). And David made his request before the Holy One, blessed be He, and said, "Preserve my soul" that it be not rejected, and when they come out against it, may the portals be opened for it, and may you accept it before you. "for I am pious...": HE ASKS, was David really called 'pious'? WAS HE NOT A KING, AND WAS NOT KINGSHIP (MALCHUT) HIS CHARACTERISTIC? Said Rabbi Yehuda, Yes, HE WAS CALLED 'PIOUS', for it is written, "the sure Chassadim of David" (Yeshayah 55:3). THAT IS, SINCE HE WAS RECEIVING CHASSADIM THAT ARE SURE, HE IS 'PIOUS' (HEB. CHASID) and this is the reason for "Preserve my soul," namely, do not abandon it to wander on the outside.

15. Rabbi Yitzchak said: Everyone who has a portion in this righteous, NAMELY WHO GUARDS HIS COVENANT, inherits this land, THAT IS MALCHUT, as it is said: "Your people also shall be all righteous: they shall inherit the land for ever" (Yeshayah 60:21). And this righteous, WHICH IS YESOD, is called 'pious' SINCE HE BESTOWS CHASSADIM. THAT IS why David said, Since I am linked and holding onto that place, UNTO THE RIGHTEOUS, THEREFORE, "I am pious"; and because of this, "Preserve my soul" that it be bound up with You.

5. The Hei added to the name of Joseph and the Yud to Pinchas

Rabbi Chiya begins by saying that the angel taught Joseph the seventy languages that the Pharaoh knew but also taught him the Holy Language that the Pharaoh did not. Rabbi Shimon says that even though Joseph pretended not to understand the language of Potiphar's wife she eventually caught on to him and knew that he did understand; then the Holy Spirit known as 'testimony' gave him a warning. It is this testimony that is the Hei that was added to Joseph's name and the Yud that was added to the name of Pinchas.

12. רבי יהודה פתח ואמר, שמרה נפשי כי חסיד אני הושע עבדך וגו'. סופיה דקרא אית לאסתכלא, ולבתר קרא כלא, סופיה דקרא כתיב, הבוטח אליך, הבוטח בך מבעי ליה, מאי הבוטח אליך. אלא כביכול דוד מבטח ליה, דלא יעבר ליה פלגות ליליא בשנתא, במה דכתיב חצות לילה אקום להודות לך. קמתי מבעי ליה. אלא, אקום, ואתקשר בך לעלמין.

13. שמרה נפשי, שמור מבעי ליה. והא תנינן דלית את באורייתא דלא אית בה רזין עלאין ויקירין. שמרה. לקודשא בריך הוא קאמר, שמרה לההוא חולקא, דאתאחד ביה נפש. דכד נפשא נפקת מהאי עלמא, אתיא למירת עלמא דאתי. אי זכי, במה חילין עלאין נפקין לקבלא, ולנטרא לה, ולאעלא לה במדורא דדוכתהא, והאי ה' נטיל לה, לאתאחדא עמה בריש ירחי ושבתאי.

14. ואי לא זכי, במה גרדיני טהירין אודמנן לקבלה, ודחו לה לבר. ווי לההיא נפשא, דמתגלגלא בריקניא, באבנא בקוסמיתא. הה"ד, ואת נפש אויביך יקלענה בתוך כף הקלע. ודוד בעי בעותיה קמי קודשא בריך הוא ואמר, שמרה נפשי, דלא ידחון לה לבר. וכד מטי לקבלה, יפתחון לה פתחין, ותקבל לה קמר. כי חסיד אני, וכי חסיד אקרי. א"ר יהודה, אין. דכתיב, חסדי דוד הנאמנים. בגין כך שמרה נפשי, דלא תשובק לה למהך לבר.

15. ר' יצחק אמר, כל ב"ג דאית ליה חולקא בצדיק, ירית להאי ארץ, במה דכתיב, ועמך כלם צדיקים וגו'. והאי צדיק חסיד אקרי. אמר דוד בתר דבהאי אתר אחידנא, חסיד אני, ובג"כ שמרה נפשי, לאתקשרא בך.

16. Rabbi Chiya began: "This he ordained in Joseph for testimony, when he went out over the land of Egypt, I heard the language of him whom I had not known" (Tehilim 81:6). We have learnt THAT THE ANGEL taught Joseph seventy languages, AS WERE KNOWN BY PHARAOH, but also in the Holy Tongue HE WAS GREATER THAN PHARAOH, FOR PHARAOH DID NOT KNOW THE HOLY TONGUE. This is meant by "I heard the language of him whom I had not known" FOR HE TAUGHT HIM LANGUAGES THAT HE HAD NOT KNOWN PREVIOUSLY. But, IF THIS IS SO, what is "testimony"? AND HE ANSWERS, Come and see: When Potiphar's wife took hold of him to seduce him, Joseph made himself as one who did not know her language, and so it was each day until the last moment, as it is written: "And she caught him by his garment" (Bereshheet 39:12). What is the meaning of "she caught him"? Until that time he had pretended that he did not know her language, BUT THEN SHE SAW THROUGH HIM, THAT HE DID KNOW HER LANGUAGE, MEANING THAT HE UNDERSTOOD HER INTENTION. THIS IS THE MEANING OF "SHE CAUGHT HIM": THAT SHE CAUGHT THE TRICKERY IN HIM. "HIS GARMENT (HEB. BEGED)," IS ANOTHER WAY OF SAYING INFIDELITY (HEB. BEGIDAH) AND TREACHERY. And the Holy Spirit, THAT IS, MALCHUT, cried out to him, "that they may keep you from the strange woman, from the alien woman who makes smooth her words" (Mishlei 7:5). HE ASKS, what is this trying to teach us here? AND ANSWERS, THIS IS TEACHING US that everyone who keeps himself from such a thing AS JOSEPH DID is bound up with the Shechinah and holds on to this testimony WHICH IS MALCHUT. And which is it? This is the Hei that was added to it, as it is written: "This he ordained in Joseph for testimony." Also in our section, a Yud was added to the name of Pinchas because he was zealous over the same matter, THE AFFAIR OF ZIMRI, FOR THE YUD HINTS AT MALCHUT.

6. Keeper of the covenant

Rabbi Yesa wonders why when the children of Yisrael were exiled to Babylon and wept, they were remembering Zion and not Jerusalem. Rabbi Shimon's answer is that the whole purpose of the Righteous, Yesod, is to bestow blessings, and if the Shechinah is in exile it has no one to bestow blessings upon and therefore the Righteous has perished. Rabbi Yisa says that whoever respects God is honored in his life and in his death, as were Joseph and Pinchas. From Rabbi Shimon we learn why Pinchas was granted the priesthood, even though he had killed and all those who kill are normally barred from the priesthood.

17. Rabbi Yesa began: "By the rivers of Babylon, there we sat down, we also wept, when we remembered Zion" (Tehilim 137:1). HE ASKS, should it not have said Jerusalem since it is written, "If I forget you, Jerusalem, let my right hand forget its cunning" (Tehilim 137:5). Why then, "when we remembered Zion"? AND HE ANSWERS: IT IS LIKE a man who had a precious and beautiful palace, and robbers came and burned it down. Whose is the anguish IF not that of the palace owner? Here also, whose anguish is it that the Shechinah is in exile, if not that of the Righteous, namely YESOD? And this fits in with what they taught, as it is written: "The righteous perishes" (Yeshayah 57:1) literally, perished. FOR THE WHOLE PURPOSE OF YESOD IS TO BESTOW. BUT IF THE SHECHINAH IS IN EXILE IT HAS NO ONE TO BESTOW UPON, AND THEREFORE IT IS AS IF IT DOES NOT EXIST, BUT HAD PERISHED. Here also, "when we remembered Zion," MEANS when we remembered the anguish OF ZION, WHICH IS YESOD, because of its LACK of mating, for the anguish is indeed his.

16. רבי חייא פתח, ערות ביהוסף שמו וגו'. הא אוקמוה, דאוליף שבועין פתקין, ולשון הקדש יתיר. הה"ד, שפת לא ידעתי אשמע. אבל מאי ערות. ת"ח, בשעתא דאתתיה דפוטופר הות אחידא ביה לההיא מלה, הוה יוסף עביד גרמיה כמאן דלא ידע לישנא דילה, וכן בכל יומא עד ההיא שעתא בתרייתא, דכתיב ותתפשהו בבגדו. מאי ותתפשהו. אלא בגין דעביד גרמיה כמאן דלא ידע לישנא. ורוח הקדש צווח לקבליה, לשמרך מאשה זרה מנכריה אמריה החליקה. מאי קמ"ל. אלא כל מאן דנטיר גרמיה מהאי, אתקשר בה בשכינתא, ואחיד בההוא ערות. ומאי הוא. ה' דאתוסף ביה. דכתיב, ערות ביהוסף שמו. אוף הכא י' אתוסף בפנחס, על דקני בהאי.

17. רבי ייסא פתח, על נהרות ככל שם ישבנו גם בכינו בזכרנו את ציון. את ירושלם מבועי ליה, כמה דכתיב אם אשכחך ירושלם תשכח ימיני, מאי בזכרנו את ציון. לב"נ דהו"ל היכלא יקירא, יאה ושפירא, אתו לסטין ואוקידו ליה. צערא דמאן הוא, לאו דמאריה דהיכלא. אוף הכא שכינתא בגלותא שריא, צערא דמאן הוא, לאו דצדיק. ואזלא הא כמה דאוקמוה, דכתיב הצדיק אבד, אבד ממש. אוף הכא בזכרנו את ציון, בזכרנו ההוא צערא דיליה על זונגהא, צערא דיליה הוא.

18. Rabbi Yesa said: Whoever respects the name of his Master in this matter, and keeps THE COVENANT, is privileged to have his Master respect him over all. How do we know this? Because regarding Joseph, it is written, "And he made him to ride in the second Chariot which he had... and made him ruler over all the land of Egypt" (Bereshheet 41:43). Furthermore, when Yisrael crossed the sea, Joseph's coffin entered the water first and the waters in front of it were unable to stay as they were. Therefore it is written, "The sea saw it, and fled" (Tehilim 114:3). What is the meaning of "and fled"? The sea saw him about whom this is written, "and fled, and went outside" (Bereshheet 39:12).

19. Come and see: He was honored in his life and in his death. Why in his life? Because during that time he did not want to cleave TO POTIPHAR'S WIFE, as it is written: "But he refused, and said to his master's wife..." (Bereshheet 39:8). As it is written, "that he hearkened not to her, to lie by her, or to be with her" (Bereshheet 39:10). For this reason he was honored in this world. For it is written, "And she caught him by his garment...and he fled, and went outside." BECAUSE OF THAT he earned entry after HIS DEMISE into the heavenly curtain THAT IS IN THE TEMPLE OF THE HOLY OF HOLIES. And so it was befitting to him, RESULTING that he received his due in this world and in the other world.

20. Pinchas was privileged in this world and in the next, and was enabled to live and exist longer than all those who came out of Egypt. He also merited to serve as High Priest, both he and all his sons after him. However, this is incorrect, there are those who say that he had earned the priesthood previously. If so, how should we understand the words, "because he was zealous for his Elohim"? (Bemidbar 25:13), whose meaning is that he earned the priesthood because of this deed and had not gained it previously.

21. HE RESPONDS: come and see, any priest who kills a person is considered forever unfit for the priesthood because he has marred his own status, BECAUSE PRIESTHOOD IS THE STATUS OF CHESED AND KILLING A PERSON CONTRADICTS THIS. SINCE PINCHAS HAD KILLED ZIMRI AND COZBI, he was legally barred from remaining a priest. But because he was zealous for the Holy One, blessed be He, He had to reinstate him, and also his seed after him for all time, into the priesthood. THIS IS THE MEANING OF THE WORDS, "BECAUSE HE WAS ZEALOUS FOR HIS ELOHIM." Rabbi Yitzchak said, Come and see: Pinchas is recorded above and below. 'ABOVE' MEANS before he came into the world. The reason his deeds were recorded BELOW is that he was among those who came out of Egypt.

22. Rabbi Elazar, Rabbi Yosi, and Rabbi Chiya were walking in the wilderness. Rabbi Yosi said, This that is written concerning Pinchas, "Behold I give him My covenant of peace" (Bemidbar 25:12), refers to peace from the Angel of Death, the Angel who will never have control over him or have power to judge him. If you were to suggest that he did not die, you would be mistaken. HE DID DIE but certainly not in the same way as others do and he lived longer than all the other members of his generation because he held on to that heavenly covenant. And when he did leave this world he departed from his fellow mortals with a supreme longing and with wonderful devoutness.

22. רבי אלעזר ור' יוסי ור' חייא, הוו אזלי במדברא, א"ר יוסי, הא דכתיב בפנחס הנני נותן לו את בריתי שלום. שלום ממלאך המות, דלא שליט ביה לעלמין, ולא אתדן בדינוי. ואי תימא דלא מית. ודאי לא מית בשאר בני עלמא, ואוריך יומין על כל בני דרא, בגין דבהאי ברית עלאה אחיד, וכד אסתלק מעלמא, בתיאובתא עלאה ובדיקותיה שפירא אסתלק משאר בני עלמא.

7. The attire of that world

Rabbi Elazar deduces from some verses in Zecharyah that it is a person's bad deeds that make a filthy garment for his spirit, and that everyone will be joyful if they can don a more suitable garment in the next world. Next the rabbis sit in the shade of a rock while they pause from their travels, and Rabbi Elazar says, 'Shade is without doubt the joy of the soul'.

23. Rabbi Elazar began: "And he showed me Joshua the High Priest, standing before the angel of Hashem..." (Zecharyah 3:1). Come and see: woe to those people who do not look out for their Master's honor and do not pay attention to the fact that He daily issues a proclamation about them. When a person observes the commandments of the Torah, many defenders rise to recall his good points, but if a person transgresses the commandments his deeds accuse him before the Holy One, blessed be He. We have been told that Joshua was a High Priest. And what is written about him? "... and the adversary standing at his right hand to thwart him" (Ibid.). If this is how it was for him, then how much more so for those ordinary mortals who do not respect the honor of their Master.

23. רבי אלעזר פתח ואמר, ויראני את יהושע הכהן הגדול עומד לפני מלאך יי' וגו'. ת"ח, ווי לאינון בני נשא, דלא מסתבלאן ביקרא דמאריהון, וכל יומא ויומא פרוזא קארי עליהו, ולא משגיחין. אתא ב"נ לאסתבלא בפקודי אורייתא, כמה סניגורין קיימין לאדברא עליה לטב. אתא ב"נ ואעבר על פקודי אורייתא, אינון עובדין קטיגורין עליה לביש, קמי קדשא בריך הוא. יהושע בהן גדול הוה, ואוקמוה, מה כתיב ביה. והשטן עומד על ימינו לשטנו. ומה בהאי כן, בשאר בני עלמא דלא מסתבלי ביקרא דמאריהון, על אחת כמה וכמה.

24. Look what is written: "Now Joshua was clothed in filthy garments..." (Ibid. 3). This has been explained. Yet the filthy garments were surely the garments in which the spirit is attired in that world. Happy is the destiny of he whose garments are repaired and complete in that world! We have already learnt what raiment they clothe everyone with who they want to send to Gehenom, what these raiments are that they dress him in. AND ANSWERS: here it is written, "Now Joshua was clothed in filthy garments, and he stood before the angel." Which angel? The Angel appointed to be in charge of Gehenom and who is also appointed to be in charge of everyone who he sees in such clothes. Then a voice said, "Take off the filthy garments from him" (Ibid. 4).

24. חמי מה כתיב, ויהושע היה לבוש בגדים צואים, ואוקמוה. אבל בגדים צואים, ודאי אינון לבושין דאתלבשא ביה רוחא בההוא עלמא. זכאה חולקיה דמאן דלבשושוי מתתקנין ושלמין בההוא עלמא. והא אתמר, כל מאן דבעין לאעלא לגיהנם, אינון לבושין דמלבשין ליה, היך אינון. מה כתיב הכא, ויהושע היה לבוש בגדים צואים ועומד לפני המלאך. מאן מלאך. דא מלאך דממנא על גיהנם, וממנא על מאן דחמי באינון לבושין. עד דאתיב קלא ואמר, הסירו הבגדים הצואים מעליו.

25. It follows from this that it is a person's bad deeds that make the filthy garments for him. "And he said to him, 'Behold I have caused your iniquity to pass from you; and I clothe you in festive garments'" (Ibid.). For they clothed him in other more suitable garments, in which a person may observe the splendor of his Master's honor.

26. Come and see the similarity: Pinchas, who did not leave this world until he had changed into other fitted garments which the spirit would enjoy in the next world, had in one hour taken off one set and put on the other, to fulfil that which is written: "Behold, I give to him My covenant of peace" (Bemidbar 25:12). While they were on their way and the sunlight was strong, they sat down in the shade of a rock in the wilderness. Said Rabbi Elazar, Shade is without doubt the joy of the soul.

8. From Rosh Hashanah to the last day of Sukkot

Rabbi Elazar explains to Rabbi Chiya the significance of the days mentioned in the title of this section. We hear that it has to do with the order in which God lifts up his right arm and extends it to embrace Malchut and unite with her. It includes the purification and fasting that the children of Yisrael do at this time.

27. Rabbi Chiya said to Rabbi Elazar, I should like to discuss these days from Rosh Hashanah until the last day of Sukkot. Rabbi Elazar said, But we have already studied them, and the companions have made their comments about them. Rabbi Chiya said, Of course, but I heard something about them from the great and holy luminary, RABBI SHIMON. He said to him, Tell us. To which Rabbi Chiya replied, Its comprehension has slipped my mind AND IS NOT AS CLEAR AS IT SHOULD BE. Rabbi Elazar said, Although the companions have already discussed this matter, and it is beautiful, the order of these days is the secret of wisdom, amongst the reapers in the field, NAMELY, AMONGST THOSE SCHOLARS WHO HAVE ALREADY COMPLETED ALL THE CLARIFICATIONS OF MALCHUT, WHICH IS TERMED 'A FIELD'.

28. Come and see: The order of unifying all into one, How does that go? We have learnt, He began, "Hashem has made bare His holy arm" (Yeshayah 52:10). This is one arm, WHICH IS THE LEFT COLUMN on which are dependent salvation, vengeance, and redemption. But why DID HASHEM MAKE BARE THIS HOLY ARM OF HIS? It was to raise up the Assembly of Yisrael, NAMELY, MALCHUT, from the dust and to welcome her with Him so as to unite as one. When that ARM is raised up against her, there is much fear present in the world, until He rests that arm under her head to unite with her, as it is said: "His left hand is under my head..." (Shir Hashirim 2:6). And then judgment rests and He atones for sins.

25. מֵהֵכָא אֵינִי לְאַסְתַּכְּלָא, דְּעוֹבְדִין בִּישׁוּן דְּבִ"נ, עֹבְדִין לִיה אֵינוֹן לְבוּשִׁים צוּאִים. וַיֹּאמֶר אֵלָיו רַאֵה הָעֵבְרָתִי מֵעֲלִיךָ עֹנֵךְ וְהַלְבַּשׁ אוֹתְךָ מַחְלְצוֹת. אֲלֵבִישִׁינִיה לְבוּשִׁין אַחֲרָנִין מִתְתַּקְּנִין, דְּבִהוּ אֲסַתְּכַל בִּ"נ בְּזִיו יִקְרָא דְּמֵאֲרִיה.

29. Later the Right COLUMN comes to embrace her. Then rejoicing engulfs the world, and all countenances shine. Subsequently, she, MALCHUT, unites with the body, NAMELY, THE CENTRAL COLUMN, and then everything is called 'one without schism', FOR THE CENTRAL COLUMN INCORPORATES THE RIGHT AND THE LEFT. Then everything is perfection and everything is joy and they, ZEIR ANPIN AND MALCHUT, certainly unite, which is not the case at other times.

30. The order of those days, from Rosh Hashanah until the last day of Sukkot, is like this. On Rosh Hashanah, the left arm is awakened, NAMELY, THE LEFT COLUMN OF ZEIR ANPIN, to welcome the Queen. The whole world is then in fear of Judgment, and the whole world has to be in complete repentance before the Holy One, blessed be He. Later, on the ninth of the month, the Queen comes and the palace retinue, NAMELY, THE CHILDREN OF YISRAEL, make merry and immerse themselves in the river to purify themselves SO AS TO BE WORTHY OF the mating of the Queen WITH ZEIR ANPIN, on the other day, NAMELY, THE TENTH OF THE MONTH, YOM KIPPUR (DAY OF ATONEMENT). For her mating is accomplished by ZEIR ANPIN placing his left hand under her head, in accordance with the text, "His left hand is under my head."

31. Then, on the tenth day Yisrael fast for their sins and are forgiven. For the Heavenly Ima, namely, BINAH, looks kindly on Malchut in the mating, FOR ON YOM KIPPUR MALCHUT RISES AND COATS BINAH, and makes atonement for all of the retinue of the temple, NAMELY, YISRAEL, since the left OF ZEIR ANPIN welcomes her on this day, for the head of Malchut rests on the left.

32. On the first day of Sukkot, the Right COLUMN OF ZEIR ANPIN begins to move towards MALCHUT to embrace her. THIS IS THE HIDDEN MEANING OF THE VERSE, "AND HIS RIGHT HAND EMBRACES ME" (SHIR HASHIRIM 2:6). Then everyone rejoices and all countenances shine. There is joy in pouring pure water on the altar. People should be happy by rejoicing in many different ways. This is brought about by the right, for wherever the right side, NAMELY, CHASSADIM, rests, there has to be joy for everyone. Then, this way, she is happy to be entertained.

33. Later, on the day of Shmini Atzeret (the Eight day of Assembly), is Simchat Torah, as then the mating of the body NAMELY, THE CENTRAL COLUMN CALLED 'BODY' is taking place. This is the mating of all parts, FOR IT INCLUDES THE MATING OF THE LEFT SIDE, OF ROSH HASHANAH AND YOM KIPPUR AS WELL AS THE MATING OF THE RIGHT SIDE OF THE HOLIDAY OF SUKKOT SINCE THE CENTRAL COLUMN INCORPORATES THE RIGHT AND THE LEFT. Thus all is one and this is the perfection of all. And this day is definitely Yisrael's. Its portion belongs to them alone, for no other people has a part in it. THAT IS TO SAY, IT IS NOT LIKE THE FESTIVAL OF SUKKOT WHEN SEVENTY BULLS ARE SACRIFICED FOR THE SEVENTY NATIONS, BECAUSE THE NATIONS HAVE NO PART IN SHMINI ATZERET. Happy are Yisrael in this world and in the World to Come. About them it is written, "Because you are a holy people for Hashem your Elohim" (Devarim 14:2).

9. The rainbow

Rabbi Yehuda says the rainbow appears to remind people of God's promise never again to destroy the world, and we also hear that the rainbow

appears whenever there is no righteous person to protect the world. When Rabbi Elazar talks about the green, red and white colors in the rainbow that correspond to the three patriarchs, Rabbi Aba disagrees with his assignment of each color. He ends by talking about the letter Yud in Pinchas' name, and mentions that Nadab and Abihu were reincarnated in Pinchas.

34. "Pinchas, the son of Elazar, the son of Aaron the priest, has turned My wrath away from the children of Yisrael..." (Bemidbar 25:11). Rabbi Yehuda began: "Recall, now, who that was innocent ever perished? or where were the upright cut off?" (Iyov 4:7). We learned there that whoever sees the rainbow in all its colors has to say the blessing: "Blessed is He who remembers the covenant," since this is the sign of a holy covenant that the Holy One, blessed be He, placed on earth that the waters of the flood will not cover it again. This is because, when the numbers of wicked people increase in the world, the Holy One, blessed be He, wants to destroy them, but then he recalls for them that oath that He swore to the land, for it is twice written 'not': "I will not again curse...neither will I again smite any more..." (Bereshheet 8:21). And TWICE 'NOT' constitutes an oath, as it is said: "as I have sworn that the waters of Noah should no more go over the earth" (Yeshayah 54:9).

35a. Rabbi Yosi said: "A rainbow comes to protect the world. It is like a queen wearing royal apparel who appears before the king every time he is about to hit his son because he has sinned against him. The king sees her and his anger with his son leaves him and he rejoices with her, as it is written: "and I will look upon it, that I may remember the everlasting covenant" (Bereshheet 9:16). And this is why a rainbow appears in the world, only in the royal apparel of Malchut. THESE GARMENTS OF MALCHUT ARE: WHITE, RED AND GREEN, AND THEY SUGGEST THE THREE COLUMNS AS WILL BE EXPLAINED. When there is a righteous person in the world, he upholds the covenant and thus protects the world. But if there is no righteous person, then there is a rainbow to indicate that the world is about to perish but SURVIVES because of it.

35b. Rabbi Elazar said: This rainbow, NAMELY MALCHUT, has never worn anything except the apparel of the patriarchs, NAMELY, CHESED, GVURAH, AND TIFERET OF ZEIR ANPIN, NAMELY green, red, and white. The raiment of Abraham is 'green', and it was so colored when Ishmael issued from him. 'Red' is Isaac, who acquired this color when Esau issued from him. This red stretches down to the planet Mars - Ma'adim (from red - Heb. adom), which Esau is holding onto. 'White' is the fine garment of Jacob, whose good countenance never changed, FOR HIS BED WAS PERFECT AND THERE WAS NO BLEMISH IN HIM.

34. פִּנְחָס בֶּן אֱלֶעָזָר בֶּן אֶהֱרֹן הִכְהֵן הַשֵּׁיב אֶת חַמְתִּי מֵעַל בְּנֵי יִשְׂרָאֵל וְגו'. ר' יְהוּדָה פָּתַח, זָכַר נָא מִי הוּא נָקִי אָבֵד וְאִיפֹה יִשְׂרָיִם נִכְחָדוּ, תִּמְן תִּנְיָנָן, מֵאֵן דְּחַמֵּי קֶשֶׁת בְּגוּוֹנוֹי, אֶצְטְרִיךְ לְבָרְכָא בְּרוּךְ זֹכֵר הַבְּרִית. בְּגִין דְּדָא אִיהוּ בְּרִית קְיִימָא קְדִישָׁא, דְּשׁוּי קוּדְשָׁא בְּרִיךְ הוּא בְּאַרְעָא דְּלֹא יִיְתִי עָלֶיהָ מִי טוּפְנָא. בְּגִין דְּכַד סָגִיאוּ חַיִּיבִין בְּעֵלְמָא, בְּעֵי קוּדְשָׁא בְּרִיךְ הוּא לְאוּבְדָא לֹון, וְכִדִּין דְּכִיר לֹון הָאֵי אוּמָאָה דְּאוּמֵי לְאַרְעָא, דְּכִתִּיב תְּרֵי זְמַנֵּי לֹא לֹא. לֹא אוּסִיף לְקַלֵּל, וְלֹא אוּסִיף עוֹד לְהַכּוֹת, דָּא אִיהוּ אוּמָאָה. כִּמָּה דְּכִתִּיב אֲשֶׁר נִשְׁבַּעְתִּי מֵעַבּוֹר מֵי נֹחַ.

35c. Rabbi Aba said: That is good, but the holy luminary, NAMELY RABBI SHIMON, said, 'White' is Abraham, who was purified ('whitened') in the white-hot heat of the fire BY NIMROD, WHO CAST HIM INTO UR (FIRE) OF THE CHALDEES. 'Red' is obviously Isaac, and 'green' is Jacob, who is between the other two colors, FOR GREEN INCLUDES WHITE AND RED, WHICH ALSO REPRESENT THE COLOR OF THE SUN. And about Jacob it is written, "Jacob shall not now be ashamed, neither shall his face now wax pale" (Yeshayah 29:22) because the whole of the bed was perfect. AND THE INTERPRETATION OF this is: "Jacob shall not now be ashamed" because he shall not be seen in red like Isaac, who fathered Esau. "neither shall his face now grow pale." This means that he shall not be seen in white like Abraham, who fathered Ishmael. Instead he took the colors WHITE AND RED and enveloped them to adorn himself in his ancestors. HE INCORPORATED WITHIN HIMSELF THE TWO PATRIARCHS ABRAHAM AND ISAAC, WHO ARE WHITE AND RED, AND THIS IS WHY HIS COLOR IS GREEN, WHICH INCLUDES WHITE AND RED. And the rainbow, NAMELY, MALCHUT, puts on these garments OF WHITE, RED, AND GREEN when it appears before the King, ZEIR ANPIN.

35d. Come and see: The secret of the holy covenant is the letter Yud that adorns itself with a Supreme heavenly impression, NAMELY THE DIadem OF YESOD OF ZEIR ANPIN and this is recorded forever in the everlasting covenant. And because Pinchas was zealous for the covenant, that letter Yud was inserted into the spelling of his name. The Yud in the spelling of 'Pinchas' is a small one, WHICH IS THE SECRET OF MALCHUT, THE SECRET OF DIadem OF YESOD, FOR 'PINCHAS' HERE IS SPELLED WITH YUD, which is definitely the covenant, which emanated from the upper holy Yud BECAUSE MALCHUT EMANATED FROM THE YUD OF THE YUD HEI VAV HEI IN THE SECRET OF THE FATHER ESTABLISHING HIS DAUGHTER. And this is why PINCHAS has a perfect existence before the Holy King and shall never perish from the world. And because of this he was without guilt at Peor. For he never lost himself from the world's holiness. "or where were the upright cut off?" (Iyov 4:7): this refers to Nadab and Abihu, who did not totally perish from the world BECAUSE THEIR SOULS INCARNATED IN PINCHAS, WHO CORRECTED THEM.

Moses tells the rabbis that Elijah is Pinchas so they must come up with some new interpretations. Rabbi Yehuda's opinion is that the rainbow does not shine with its proper colors, but the colors hint at the merits of the priests and Levites and Yisrael in all their beauty. Next we hear that Malchut in exile can only be dressed in black, and that the rainbow is really the angel Metatron, the eldest servant of God. God's promise to look at the rainbow and remember His covenant refers to the shining secrets of the Torah, for light signifies all the mysteries of the Torah. Lastly we hear that every one of the names of God testifies about God who is above everything, and that all of Yisrael, as they are all the sons of Adam, must serve God. Ra'aya Meheimna (the Faithful Shepherd)

36. The Faithful Shepherd said to him: What you said is good, but since Elijah is Pinchas, who was zealous for the covenant, one must establish new and important interpretations about him. This is because this portion in the Torah is named Pinchas after him, NAMELY ELIJAH, WHO WAS PINCHAS, of whom it is said, "I have been very (lit. 'zealously') zealous" (1 Melachim 19:10). This refers to two forms of zealotness, one for the heavenly name of Shadai, YESOD of ZEIR ANPIN, and the other for the lower name of Shadai, Metatron CALLED 'SHADAI'. And this is why he made two oaths for the two of them and it is twice WRITTEN, 'Not, not.'

35(3). ר' אבא אמר יאות הוא, אבל הכי אמר בוצינא קדישא, חזיר, דא אברהם. דאתלפן בחזירא דגורא. סומקא, דא יצחק ודאי. ירוק, דא הוא יעקב, דקיימא בין תרין גוונים, וכתוב ביה ביעקב, לא עתה יבוש יעקב ולא עתה פניו יחורו דהא כל ערסיה שלים הוה. והכי הוא לא עתה יבוש יעקב, לאתחזא בגוון סומק, ביצחק דנפק מניה עשו. ולא עתה פניו יחורו, כאברהם לאתחזא בגוון חזיר, דנפק מניה ישמעאל. אלא נטל גוונים לאתעטרא בהו, על אבהו דיליה, ובאלין לבושין מתלבשת קשת, בשעתא דאתחזי קמי מלכא.

35(4). תא חזי, רזא דברית קדישא, היא את יו"ד, דמתעטרא ברשימו עלאה, ודא איהו דאתרשים בברית תדיר לעלמין, ובגין דקני פנחס על ברית, אתרשים בשמיה הכא את דא, פנחס יו"ד זעירא, איהו יו"ד דאיהו ברית ודאי, דנפיק מגו יו"ד עלאה קדישא. וע"ד, איהו קאים בקיימא שלים קמי מלכא קדישא, דלא אתאביד מגו עלמא. והכי הוא נקי מההוא חובא דפער, ולא אתאביד תדיר מגו קדישא דעלמא. ואיפה ישרים נכחדו, אלן נדב ואביהוא, דלא אשתציאו מן ההוא עלמא בגיניה.

רעיא מהימנא

36. אמר ליה רעיא מהימנא, שפיר קאמרת, אבל בגין דאליהו דאיהו פנחס, קני על ברית, צריך לחדתא מלין סגיאין ביה, דהאי פרשתא כתיבא באורייתא על שמיה, דעליה אתמר קנא קנאתי, תרי קנאות, חד בשד"י דלעילא, ותניינא בשד"י דלתתא, ובגין דא עביד תרין שבועות בתרווייהו, ותרי זמנין לא לא.

1

37. But Rabbi Yehuda said: Whoever sees a rainbow in shining colors must recite the blessing, 'Blessed be He who remembers the covenant.' In exile the rainbow does not shine in its proper colors BECAUSE IN EXILE MALCHUT DOES NOT RECEIVE PROPERLY, AS FITTING THE UNIFICATION OF THE THREE COLUMNS, WHICH ARE REPRESENTED BY THE SECRET OF THE RAINBOW'S THREE COLORS. Furthermore, sometimes it hardly shines and at other times it doesn't shine at all. The rainbow's colors hint at the merits of the Priests, Levites, and Yisrael when they are in their beauty, since the rainbow is radiant in its THREE colors, THE SECRET OF THE THREE COLUMNS.

38. Rise up now, Rabbi Yosi of Galilee, and say, for you said beautiful things in the previous discussion, that the rainbow only comes to protect the world. IT IS LIKE the king who, whenever his son sins, and he sees the queen, it takes away his anger with his son, as it is written: "and I will look upon it, that I may remember the everlasting covenant." Therefore the rainbow only appears in order to protect the world FOR IT IS PART OF THE SECRET OF MALCHUT, AS EXPLAINED ABOVE. It appears only in precious royal apparel, THE SECRET OF THE THREE COLORS. But when there is a righteous person in the world, he is representing the upholding of the covenant. THIS MEANS HE ESTABLISHES THE UNION BETWEEN ZEIR ANPIN AND MALCHUT, THEREFORE THERE IS NO NEED TO AROUSE MALCHUT BY THE SECRET OF THE RAINBOW.

39. HE QUESTIONS, but how can the queen put on royal apparel, THE SECRET OF THE THREE COLUMNS, in exile? For in exile the Holy One, blessed be He, draws away from the queen. THE ANSWER IS NO, IN EXILE SHE DOES NOT WEAR ROYAL APPAREL, but is dressed in gloomy darkness, NAMELY IN BLACKNESS, and says: "Do not gaze upon me, because I am black" (Shir Hashirim 1:6). On the contrary, the rainbow that is viewed as appearing in the exile is none other than THE ANGEL Metatron, who is called 'Shadai', and he is "the eldest servant" OF ZEIR ANPIN "of his house, that ruled over all that he had" (Bereshheet 24:2), while his sons, NAMELY THOSE WHO ATTAINED RUACH FROM THE ASPECT OF METATRON are called 'the servants of the Holy One, blessed be He'. The queen's sons, NAMELY THOSE WHO ATTAINED NEFESH FROM MALCHUT OF ATZILUT, ARE CALLED 'sons'. This is the reason WHY WE PRAY 'whether as sons or as servants'.

40. When the Temple was destroyed, so we are told, servants covered their heads in shame and men of action were diminished and weakened. This term 'men of action' is definitely derived from the name of 'Malchut,' about whom it is said: "Many daughters have done valiantly, but you have excelled them all" (Mishlei 31:29). THAT IS, EXCELLED REGARDING ACTION, FOR MALCHUT IS CALLED "ACTION." However, if there is a righteous person whose merits and actions are such as to enlighten Malchut and to strip the raiment of blackness from her, literally AND NOT SECRETLY, and adorn her with the garments of the shining colors of secrets of the Torah, what is written about him? "and I will look upon it, that I may remember the everlasting covenant." "and I will look upon it" - this refers to the shining secrets to the Torah, for light is called 'a secret', NAMELY THE NUMERICAL VALUE OF OR (ENG. LIGHT) IS THE SAME AS THAT OF RAZ (ENG. SECRET). THUS, LIGHT SIGNIFIES ALL THE MYSTERIES OF THE TORAH, as it is said: "For the commandment is a lamp; and the Torah is light" (Mishlei 6:23). And by these mystical secrets it was "and I will look upon it."

41. When HE LOOKS AT THE RAINBOW, NAMELY MALCHUT, his anger at his son leaves him, "Then the king's wrath was pacified" (Ester 7:10). And the king says to her, with the Amidah prayer before him, "What is your petition? and it shall be granted you: and what is your request..." (Ester 5:6). Then she asks for her redemption and that of her sons, as it is said: "let my life be given me at my petition, and my people at my request" (Ester 7:3). But a rainbow that appears in the world at a time of exile is of the servant, NAMELY METATRON. THAT IS TO SAY, THE LIGHT OF THE HEAVENLY MATING IS CLOTHED IN METATRON, AND HE IS BEARER OF THE THREE COLORS OF THE RAINBOW, WHICH ARE THE THREE COLUMNS. And sometimes she comes out completely, when her sons act correctly, while at other times she does not come out completely, when her sons do not act correctly.

42. (THE BEGINNING IS MISSING) and those who make their acts agreeable to the King and are zealous for His name, sanctifying it in public, as they sanctify it in heaven amongst the angels who are appointed over the other nations - each chieftain being known by the name of the nation. Yisrael, however, is known above by the name Yud Hei Vav Hei, which is the life to all titles.

43. And every name and appellation testifies about Him, ABOUT THE HOLY ONE, BLESSED BE HE. The name El testifies that He can overcome every other El, as it is said: "But as for me, I would seek to El" (Iyov 5:8). El is the master of every El. Elohim testifies that He is the Elohim of the Elohim. Adonai testifies that He is the Master (Heb. adon) over masters. And so it is with each name. And each angel has a proper name and each group OF ANGELS is known to be recognized by the name of its king. Yisrael, however, is known to Him by the Yud Hei Vav Hei.

44. And the secret of the matter is that just as one man can have a number of horses, so it is that all of Yisrael are the sons of Adam; THE SECRET OF THE NUMERICAL VALUE OF YUD HEI VAV HEI, FULLY SPELLED WITH ALEPHS, WHICH AMOUNTS TO THE NUMERICAL VALUE OF 'ADAM'. FOR THE SOULS OF YISRAEL ARE THE PROGENY OF ZEIR ANPIN AND MALCHUT. And every son must be like a horse and beast of burden for his father, and be subject to him. This secret is expressed thus: "Hashem, You preserve Man and beast" (Tehilim 36:7). FOR THE PEOPLE OF YISRAEL are the children of Adam, WHICH IS YUD HEI VAV HEI OF THE NUMERICAL VALUE OF 45. And they make themselves as a beast under him.

10. Levirate marriage and reincarnation

We learn why levirate marriage is permitted even though it is normally forbidden for a man to marry his brother's wife. We are told that the flow of the letter Vav causes the letter Yud to turn, and from here the explanation uses the concept of flow to show how the soul of man returns to God. If it returns in perfection it runs back into the great sea, but if not, it reincarnates. And if a man has no children his soul is not perfect. When a man has committed evil during three incarnations he will not be given a fourth chance, but is sent to Gehenom for judgment. A parallel is drawn between the three colors of the rainbow, the three incarnations, and the three Sfirot associated with them. Someone who becomes righteous through the experience of many incarnations will not then come back to this world again. For the soul of the man who died childless, his widow becomes a home and his brother who fathers children by her becomes a redeemer. We learn that Moses has reincarnated in a number of generations to save the souls of Yisrael, and that God ascribed the merit of all these people to Moses. Moses had been destined to receive the Torah in the generation of the Flood, but this did not happen due to the sins of the people. Rabbi Shimon stands up and concludes this section by giving an example of a poor rabbi who is being punished now for his sins in an earlier incarnation.

45. And for this reason it is a commandment of the Holy One, blessed be He, that a man should marry his deceased brother's widow, to have a son for his brother that he be not lost to that world. And this is like the secret of the mixed kinds in the fringes (Heb. Tzitzit). For they have said: What I have forbidden to you in one place, I have permitted in another. I have forbidden mixed kinds in general, but permitted mixed kinds in the fringes. I have forbidden you to marry your brother's wife, but have permitted levirate marriage. Similarly, one may graft apples or dates, each on its own species, but it is forbidden to graft one species onto another. And on this it is said: "For man is a tree of the field" (Devarim 20:19), FOR MAN IS ALSO FORBIDDEN TO MATE WITH ONE WHO IS NOT OF HIS SPECIES, NAMELY INCEST, but, for levirate marriage, one may mix two that do not go together so that the soul of the deceased shall not be lost, "that his name be not wiped out in Yisrael" (Devarim 25:6).

46. And this is the secret of reincarnation. The wheel does not move without the flow of water through the conduit TO TURN IT. So also, the conduit is the secret of the letter Vav, by which the wheel is turned. And the secret of the matter is that just as the wheel will have no motion without the water conduit, so also the wheel which is the letter Yud will have no motion without the water conduit which is the letter Vav. A deceased brother's widow is Hei, and we thus have THE LETTERS OF Binah, Ben (lit. 'the son of') Yah. FOR THE SON, WHO IS ZEIR ANPIN, ISSUES FROM THE UNION OF YUD HEI, THAT ARE CHOCHMAH AND BINAH, AND HENCE HE IS IMPLIED IN HIS MOTHER'S NAME, BEN YAH, NAMELY THE LETTERS OF BINAH. With the letter Yud, THAT IS CHOCHMAH, He created the next world, which is an extended world, namely the letter Vav, WHICH IS ZEIR ANPIN.

47. For this reason, anyone who has no son, WHICH IS CORRESPONDING TO ZEIR ANPIN, WHICH IS THE SECRET OF VAV, WHICH IS THE NEXT WORLD, will not be in the next world. For the sea, WHICH IS BINAH, THE SECRET OF THE NEXT WORLD, corresponds to it, TO THE VAV, for the Vav emerges from between THE YUD-HEI, WHERE THE YUD IS THE SECRET OF CHOCHMAH AND THE HEI OF BINAH, WHICH IS CALLED 'SEA'. THEREFORE THE VAV IS LIKEWISE CALLED 'THE NEXT WORLD' LIKE IT. And from the sea, WHICH IS BINAH, a number of rivers separate, THESE BEING THE SFIROT OF THE VAV, WHICH IS ZEIR ANPIN, and they circumscribe the world, WHICH IS MALCHUT, until they return to the sea, WHICH IS BINAH, from which THE RIVERS, WHICH ARE ZEIR ANPIN, issued. This is why scripture said: "All the rivers run into the sea; yet the sea is not full; to the place where the rivers flow, thither they return" (Kohélet 1:7). That is to say, until they return to it as they came out: namely IN THE SAME CONDITION AS THE RIVERS FLOW OUT OF BINAH, SO DO THEY RETURN TO BINAH.

48. So also, REGARDING THE SOUL OF MAN, IT IS WRITTEN, "and the spirit returns to the Elohim who gave it" (Kohélet 12:7), NAMELY IT RETURNS TO HIM IN PERFECTION, as He gave it in perfect condition. If it returns in repentance, which is the supernal Binah, THAT IS CALLED 'REPENTANCE', WHICH IS THE LETTERS OF Ben-Yah, the letter Hei IN THIS WORD is multiplied by the letter Yud IN IT, which means ten (=Yud) times five (=Hei) equals fifty. This, ACCORDING TO THE NUMERICAL VALUE, is the sea (Yam, =fifty). THIS IS THE SECRET OF THE LETTERS Yud-Hei IN BINAH, HEI TIMES YUD. THE LETTERS 'BEN' OF BINAH ARE the river flowing from it, ZEIR ANPIN, and it divides into several rivers, NAMELY SIX ENDS, like a tree spreading into a number of branches. AND WHEN A MAN REPENTS, HE CLINGS TO THE RIVER, WHICH IS ZEIR ANPIN AND RETURNS WITH ITS RIVERS TO BINAH, WHICH IS CALLED 'REPENTANCE', AND IS ALSO CALLED 'SEA'. AND THIS IS THE SECRET OF THE VERSE: "ALL THE RIVERS RUN INTO THE SEA," AS ABOVE.

49. And if the soul does not return perfect as it was WHEN IT WAS GIVEN, the verse says about it, "thither they return" (Kohelet 1.7), it and to all the other souls WHICH ARE LIKE IT, NAMELY NOT PERFECT. IN OTHER WORDS, THEY RETURN TO THIS WORLD IN AN INCARNATION. And so also if he is incomplete, in not having a son, or if he has no daughter, who is ALLUDED TO in this world, BEING MALCHUT, so that he can be perfected by her in this world, MALCHUT, which was created with Hei, as it is written: "These are the generations of the heaven and the earth when they were created (Heb. behibaram)" (Bereshheet 11:4). MEANING BEHEI BERA'AM (HE CREATED THEM WITH HEI). SO A MAN HAS TO INCARNATE A SECOND TIME BECAUSE HIS SOUL IS NOT PERFECT, AND TO HIM IS THE VERSE APPLIED "THITHER THEY."

50. Yud-Hei-Vav OF YUD HEI VAV HEI FORM THE SECRET OF CHESED, GVURAH, TIFERET. THIS IS THE SECRET OF THE VERSE: "Lo, El does all these things twice or three times with a man" (Iyov 33:29). THAT IS TO SAY THAT THE SOULS TRANSMIGRATE IN THE SECRET OF THE LETTERS YUD, HEI AND VAV, ABOUT WHICH SCRIPTURE SAYS: "LO, EL DOES ALL THESE THINGS..." Regarding the wicked, it is said: "And so I saw the wicked buried, and come" (Kohelet 8:10). THAT IS, DESPITE BEING TRANSMIGRATED THEY REMAINED WICKED, causing "These (Heb. Eleh) are your Elohim, O Yisrael" (Shemot 32:4). THEY DO HARM TO "ELEH," NAMELY THE SECRET OF THE YUD, HEI, VAV, and about them it is said: "For three transgressions of Yisrael, I will turn away his punishment, but for the fourth I will not turn away his punishment" (Amos 2:6). THIS MEANS THAT, after they have corrupted themselves three times IN THEIR INCARNATIONS, and they have not merited TO BE CORRECTED by Yud, Hei, Vav, about which it is said: "in the place where the tree falls, there (Heb. yehu, Yud Hei Vav) shall it lie" (Kohelet 11:3). THAT IS TO SAY, THE REPAIR OF THE TREE, WHICH IS MAN, IS AFFECTED BY YUD, HEI, VAV. THEN "but for the fourth I will not turn away his punishment" (Amos 2:6) THIS REFERS TO THE LAST HEI, THE FOURTH LETTER OF THE YUD HEI VAV HEI, AND MEANS, HE WILL NOT SEND THE SOUL BACK FOR A FOURTH REINCARNATION, CORRESPONDING TO THE FINAL LETTER, BUT it will be judged in Gehenom by destruction, anger, and wrath.

51. And the garments of these three letters, YUD-HEI-VAV, are known from the rainbow, namely white, red, and green. A person in his first time OF REINCARNATION is white, CORRESPONDING TO THE LETTER YUD OF THE YUD HEI VAV HEI, which is CHESED; in the second he is red, CORRESPONDING TO THE HEI OF THE YUD HEI VAV HEI, WHICH IS GVURAH; and in the third he is green, CORRESPONDING TO THE VAV OF THE YUD HEI VAV HEI, WHICH IS TIFERET, CALLED 'JACOB', THE CENTRAL COLUMN INCORPORATING THE OTHER TWO, CHESED AND GVURAH. And since the letters YUD AND HEI, WHICH ARE CHESED and GVURAH, are included in Jacob, and the tree takes root, grows, and gives good fruits, THEREFORE IT IS SAID: "Jacob shall not now be ashamed, neither shall his face now wax pale" (Yeshayah 29:22). So that his Chariot should not journey with the Evil Inclination, which is the serpent, nor with any other type of evil beasts. And for this reason, IT IS WRITTEN ABOUT HIM: "and he strove with an angel, and prevailed" (Hoshea 12:5). And because man is called 'a tree', he is, in this secret, SIMILAR TO a tree planted in a place where it does not bear fruit. What can one do about it? One removes it and replants it elsewhere. This is why the scholars of the Mishnah taught that A MAN is not considered barren until he be replanted in the land of Yisrael and tries to make a woman conceive there.

49. ואי לא חזר נשמתא שלימתא, כגוונא דאשתלמת. אתמר בה, שם הם שבים ללכת, איהו וכל נשמתין אחרנין. אוף הכי לאו איהו שלים בבן, אי לית ליה בת, דאיהו עלמא דין, למהוי שלים בהאי עלמא דאתברי בה, הה"ר אלה תולדות השמים והארץ בהבראם.

52. So also, a righteous man who wanders from place to place, from house to house, is like a person who goes through many incarnations. That is what is meant by "but showing mercy to thousands of generations of those that love Me" (Shemot 20:6), until he achieves perfection in the World to Come. But, a wicked person is not allowed more than three INCARNATIONS. If he repents, however, HIS WANDERING IS CONSIDERED A REINCARNATION AND HE ACHIEVES THE PERFECTION OF A RIGHTEOUS MAN. For we have learnt that 'Exile atones for transgression'. This is why the sages of the Mishnah taught: 'The righteous do not return to their dust', NAMELY ARE NOT TRANSMIGRATED.

53. But CONCERNING THE WICKED, scripture says: "and he shall take other mortar, and shall plaster the house" (Vayikra 14:42), NAMELY THAT HE SHALL TAKE ANOTHER BODY COMING FROM THE DUST, IN A REINCARNATION, AND AMEND HIS SOUL. "and man shall return to dust" (Iyov 34:15) MEANS THAT HE WILL RETURN IN REINCARNATION. AND ALSO, "the dust returns to the earth as it was" (Kohelet 12:7) INTIMATES THAT HE WILL RETURN IN A REINCARNATION. This is because the wicked person is afflicted and has but a bad woman - that is, the Evil Inclination, about which we have learnt that 'a bad woman is like leprosy to her husband' FOR SHE IS THE BODY OF THE WICKED. What remedy does the wicked person have? Let him divorce her and be healed. THAT IS, HE SHOULD GET RID OF HIS PRESENT BODY, TRANSMIGRATE INTO ANOTHER BODY, AND SO BE HEALED. For she, THE WICKED WOMAN, THAT IS, THE BODY, was the cause of: "So He drove out the man" (Beresheet 3:24). "the man" refers to the soul; the particle "et (the)" REFERS TO THE BODY, which is the spouse of man, WHO IS THE SOUL, AS IT SAYS: "As a bird who wanders from her nest, so is man who wanders from his place" (Mishlei 27:8). IN OTHER WORDS, BECAUSE THE MAN CAUSED THE BIRD, WHICH IS THE SOUL, TO WANDER FROM ITS NEST, FOR IT WAS DRIVEN OUT FROM ITS HEAVENLY PLACE BECAUSE OF HIS SINS, SO ALSO DOES A MAN WANDER FROM HIS PLACE IN ORDER THAT HE SHOULD RETURN IN A REINCARNATION.

54. And that is why: "Even the sparrow has found a home" (Tehilim 84:4), meaning the deceased brother's wife. THIS MEANS THAT THE SPARROW, THE DEAD CHILDLESS MAN'S SOUL, HAS FOUND A HOME, AS IT WAS INCARNATED IN THE BODY OF THE WIDOW, WHO BECAME A HOME TO IT. "and the swallow a nest for herself" refers to the redeemer WHO MARRIES THE DECEASED BROTHER'S WIDOW AND FINDS HIMSELF A NEST IN HER. "where she may lay her young" refers to a son and a daughter THEY BEGET. Happy is he who makes a nest, THAT IS, WHO MARRIES THE WIDOW OF HIS CHILDLESS DECEASED BROTHER. "and shall redeem that which his brother sold" (Vayikra 25:25), FOR THE WIDOW OF HIS DECEASED BROTHER is considered as though sold to him, for she is not his, BUT HIS BROTHER'S, AND SHE IS THEREFORE CALLED "THAT WHICH HIS BROTHER SOLD."

55. And this was why Moses said: "And Hashem was angry (Heb. vayit'aber) with me for your sakes" (Devarim 3:26). And this is the secret of the conception (Heb. Ibur), FOR MALCHUT CONCEIVED BY THE SOUL OF MOSES. The Faithful Shepherd saved sixty thousand SOULS in Yisrael a number of times, for he transmigrated IN A NUMBER OF GENERATIONS AND SAVED THEM. For this reason, the Holy One, blessed be He, ascribed TO MOSES the merit of all of them, and this is why the sages taught: 'One woman in Egypt brought forth in one womb six hundred thousand at one birth'. THIS IS MOSES WHO WAS CONSIDERED AS EQUAL TO SIX HUNDRED THOUSAND SOULS OF YISRAEL. And although the rabbis expounded this verse with regard to other matters, THERE IS NO DIFFICULTY because 'there are seventy aspects to the Torah'.

52. אוף הכי צדיק, דאיהו מטלטל מאתר לאתר, מביית לביית, כאילו ייתי בגלגולא זמנין סגיאין. והיינו ועושה חסד לאלפים לאוהביו, עד דיזכה לעלמא. דאתי שלים. אבל לחיבינא, לא אייתי ליה יתיר מתלת זמנין. ואי חזר בתשובתא, אתמר ביה גלות מכפרת עון. ובגין דא אוקמוה מ"מ, צדיקים שוב אינן חוזרים לעפרם.

53. אלא קא רמיז, ועפר אחר יקח וטח את הבית. ואדם על עפר ישוב. וישוב העפר על הארץ כשהיה. בגין דהוא מנוגע, ולית ביה אלא אשה רעה, יצר הרע, דאתמר בה אשה רעה צרעת לבעלה. מאי תקנתיה. יגרשנה ויתרפא. דאיהי גרמת ויגרש את האדם האדם, דא נשמתא. א"ת, בת זוגו דאדם. כצפור נודדת מן קנה בן איש נודד ממקומו.

54. ובגין דא, גם צפור מצאה בית, היינו יבמה. ודרור קן לה, היינו גואל, אשר שתה אפרוחיה, בן ובת. זכאה איהו מאן דעבד קינא, וגאל את ממכר אחיו. דאיהו מכור בעבור דלאו דיליה.

55. ובגין דא אמר משה, ויתעבר יי' בי למענכם. הכא הוא סוד העבור. רעיא מהימנא, שזיב שתין רבוא, כמה זמנין דאתי בגלגולא, ובגין דא זכות בלהו תלויא קודשא ברין הוא ביה. ובגין דא אוקמוה רבנן, אשה אחת ילדה במצרים ששים רבוא בכרס אחד. ואע"ג דאוקמוה רבנן במלין אחרנין, שבעים פנים לתורה.

56. This is the way in which the men of mysteries offer a pearl to their pupils, and if THE PUPILS do not understand the hint, it is explained to them as a jest. For example, a man says that a single egg overthrew sixty villages, because the egg was dropped by a bird in the air and struck onto the villages. The jesters said that this is not what he said, but that a man wrote ON A PIECE OF PAPER 'sixty villages' and the egg dropped by the bird erased THE WORDS 'sixty villages'. And heaven forbid that the sages of the Torah should say jocular and useless things of the Torah!

57. But they taught: 'The chicks' are the students of the Mishnah, 'the eggs' are the Bible scholars, THAT IS TO SAY: 'THE CHICKS' ARE ZEIR ANPIN, ONTO WHICH THESE STUDENTS OF THE MISHNAH HOLD, WHEREAS 'THE EGGS' ARE MALCHUT, ONTO WHICH THE SCRIPTURE SCHOLARS HOLD. He fell (Heb. nafal) from the same young bird (Heb. nipol). ZEIR ANPIN IS called 'fallen', BECAUSE THE DOWNFALL OCCURS FROM HIM, JUST AS AN EGG DROPS FROM A BIRD. For FROM HIM falls the egg, which is like an etrog, as it is the same size as an egg, WHICH IS TO SAY THAT BOTH AN EGG AND AN ETROG ARE MALCHUT. THAT IS WHY AN ETROG IS EGG-SIZE, and it is said about it: "On that day I will raise up the tabernacle of David that is fallen" (Amos 9:11), FOR IT HAS FALLEN INTO EXILE AND HAS TO BE RAISED UP AGAIN. And with it INTO EXILE fell "sixty queens" (Shir Hashirim 6:8) CHESED, GVURAH and TIFERET, NETZACH, HOD and YESOD, EACH ONE OF WHICH INCLUDES TEN, AND THEY ARE CALLED 'BINDINGS' since they are bound to it. It has the same sense as in 'how are the portions of the Sh'ma tied together', NAMELY JOINED TOGETHER WITHOUT INTERRUPTION. AND HERE ALSO ITS MEANING IS THAT ITS SIX ENDS ARE TIED TOGETHER IN IT, and they correspond to the sixty tractates, FOR THE ORAL LAW, WHICH IS MALCHUT, IS DIVIDED INTO SIXTY TRACTATES, WHICH CORRESPOND TO THE SIXTY QUEENS REFERRED TO ABOVE. "and young women without number" (Ibid.) - these are: "the virgins, her companions that follow her" (Tehilim 45:15), NAMELY THE PALACES THAT ARE IN BRIYAH, which are Halachot (legal rulings) that have no reckoning, BEING IN BRIYAH.

58. And that young bird is the son of Yud-Hei, NAMELY ZEIR ANPIN, which is within the fifty gates of Binah, namely Yud-Hei, where ten is multiplied by five AMOUNTING TO FIFTY. The Vav, WHICH IS ZEIR ANPIN, is CALLED because it fell after that ABOUT WHOM it is said: "How are you fallen from Heaven, O bright star, son of the morning!" (Yeshayah 14:12). THIS IS MALCHUT, WHICH IS SO CALLED BECAUSE OF ITS TWO STATES, FOR IN ONE STATE IT IS BLACK AND IN THE OTHER IT IS BRIGHTLY LIGHTED, AND ZEIR ANPIN FOLLOWED AFTER HER WHEN SHE WAS IN EXILE, IN ORDER TO RAISE HER UP. AND THAT IS WHY He is called "fallen" and it is not written that He fell or falls. THAT IS TO SAY, IT IS NOT HE THAT FALLS BUT MALCHUT WHO FALLS FROM HIM, FROM HEAVEN TO EARTH. AND HE HAS IN HIM Yud and Vav; NAMELY ZEIR ANPIN INCLUDES THE YUD AND VAV OF THE YUD HEI VAV HEI, THAT ARE CHOCHMAH AND ZEIR ANPIN and He descends through them IN ORDER TO RAISE UP THE two letters Hei OF THE YUD HEI VAV HEI, NAMELY BINAH AND MALCHUT, about whom it is said: "So the two of them went..." (Rut 1:19). It is also written: "but you shall surely let...go" (Devarim 22:7) (lit. 'Letting go you shall let go'). The first LETTING GO refers to the first Temple, WHICH WAS DESTROYED, AND CORRESPONDS TO THE FIRST HEI. The second LETTING GO REFERS TO the second Temple, WHICH WAS ALSO DESTROYED, AND CORRESPONDS TO THE HEI THAT IS THAT LAST LETTER OF THE YUD HEI VAV HEI. THE YUD AND THE VAV

OF THE YUD HEI VAV HEI DESCENDED in order to raise up THE TWO LETTERS HEI, as is written: "Let the heavens rejoice, and let the earth be glad" (Tehilim 96:11). THE INITIAL LETTERS OF THE FOUR HEBREW WORDS FORMING THIS VERSE ARE YUD, HEI, VAV AND HEI, AND SO THE YUD AND THE VAV ARE JOINED WITH THE TWO LETTERS HEI.

59. Come and see: The sun is seen by day and hidden by night when it shines through six hundred thousand stars. The Faithful Shepherd is similar. After his departure from the world, HE RETURNS IN AN INCARNATION AND shines through six hundred thousand souls in Yisrael, but only if the generation is worthy. This is the secret of reincarnation, concerning which Kohelet said: "One generation passes away, and another generation comes: but the earth abides for ever" (Kohelet 1:4). One generation passes away and another generation comes - we have learned that a generation is at least six hundred thousand. "but the earth abides forever" - this is the Congregation of Yisrael, WHICH IS MALCHUT, concerning which it is written: "and the earth is My footstool" (Yeshayah 66:1), "and your seed shall be as the dust of the earth" (Beresheet 28:14).

60. And the sages have taught us yet another secret. "ONE GENERATION PASSES AWAY, AND ANOTHER GENERATION COMES" MEANS THAT the generation that passes away is the same generation that comes. A cripple goes and a cripple comes; a blind man goes and a blind man comes. And the sages further taught that Moses was destined to receive the Torah in the generation of the Flood, but DID NOT RECEIVE IT THEN because of the wicked people, as it is written: "for that he also (Heb. beshagam) is flesh" (Beresheet 6:3). THE NUMERICAL VALUE OF THE WORD "beshagam" is the same as that of Moses. Why is he called "beshagam"? IN ORDER TO KEEP THE MATTER SECRET. And Kohelet EVEN removed the Bet from "beshagam" to conceal it even more, when he said: "I said that this also (Heb. shegam) is vanity" (Kohelet 8:14). "SHEGAM" HERE REFERS TO MOSES, AND KOHELET REMOVED THE BET IN ORDER TO CONCEAL THE MATTER.

61. And they taught about Jethro: Why is his name called 'Kenite'? Because the Kenite "had severed himself from Cain" (Shoftim 4:11). The holy luminary, RABBI SHIMON, arose and said: Therefore it is written ABOUT CAIN, "I have acquired (Heb. Kaniti) a manchild from Hashem" (Beresheet 4:1), for she saw JETHRO through the Holy Spirit and that his sons would in the future sit in the Chamber of Hewn Stones, WHERE THE SANHEDRIN USED TO MEET.

62. And so it was with Rabbi Pedat, who was in distress and who had no more than a measure of carobs from one Shabbat Eve to the next, like Rabbi Chanina. HE ASKS why is this, since a heavenly voice had proclaimed: The whole world is fed only because of Chanina, my son?

59. ת"ח, האי שמשא אתגליא ביממא, ואתבסיא בליליא. ונהיר בשתיין רבוא ככביא. אוף הכי רעיא מהימנא, בתר דאתבניש מעלמא, נהיר בשתיין רבוא נשמתין דישראל, אי דרא כדקא יאות. והאי איהו רזא דגלגולא, דאמר עליה קהלת, דור הולך ודור בא. ואוקמוה דלית דור פחות מששים רבוא. והארץ לעולם עומדת, דא כ"י. ההיא דאתמר בה, והארץ הדום רגלי, והיה זרעך כעפר הארץ.

60. ועוד רזא אחרא אוקמוה רבנן, הדור שהולך הוא הדור שבא, הלך חגר בא חגר, הלך סומא בא סומא. ועוד אוקמוה רבנן, דעתיד הוה משה לקבלא אורייתא בדרא דטופנא, אלא בגין דהו רשיעינא, הה"ד בשג"ם הוא בשר. בשג"ם זה מש"ה. ואמאי קרי ליה בשג"ם. אלא קהלת חסר ב' מן בשג"ם לכסאה מלה. אמר אמרתי שג"ם זה הבל.

61. ואוקמוה על יתרו, למה נקרא שמו קיני, שנפרד מקין. קם בוצינא קדישא ואמר, על דא כתיב, קניתי איש את ירו"ד. דחזאת ליה ברוח הקדש, דעתידין בנוי למיתב בלשכת הגזית.

62. ואוף הכי ר' פדת, דהוה דחיקא ליה שעתא, דלא הוה ליה אלא קב חרובין מע"ש לע"ש, כמו לר' חנינא. אמאי האי, בתר דהות בת קול נפקת ואומרת, כל העולם בלו אינו ניזון אלא בשביל חנינא בני.

63. THE ANSWER IS that he caused this IN HIS FIRST REINCARNATION, when he destroyed (Heb. charav) the measure (Heb. kav, Kof Bet) from Yud, which makes Yud Kof Bet, hence he was left with only a measure of carobs (Heb. charuv). HE EXPLAINS HIS WORDS: YUD BET KOF ARE THE INITIAL LETTERS OF THE WORDS YICHUD (ENG. 'UNIFICATION'), BERACHAH (ENG. 'BLESSING') AND KEDUSHAH (ENG. 'HOLINESS'). The letter Yud stands for unification, WHICH IS THE SECRET OF THE NAME EHEYEH, BINAH, from which the emanation comes to the letter Bet, standing for blessing, WHICH IS THE SECRET OF THE YUD HEI VAV HEI, WHICH IS ZEIR ANPIN, which is holy, from which Kof is sanctified, which is his sanctification NAMELY THE NAME ADONAI, WHICH IS MALCHUT. And Rabbi Pedat caused, IN HIS FIRST REINCARNATION, his measure (Kof Bet) to be destroyed, which are holiness and blessing, WITHOUT THE UNITY SHINING UPON THEM. Thus he had only a measure of carobs. So, too, was it with Job, who was the son of a levirate widow, and he was punished because of what had already happened to him IN THE FIRST REINCARNATION.

63. אֵלָא אִיהוּ גְרִים קוֹדֵם, דְּחָרַב ק"ב מִן י', דְּאִיהוּ יב"ק. אוֹף הָכִי לֹא הוּ"ל אֵלָא קב חֲרוּבִין. דָּאת י' אִיהוּ יחוד, וּמְנִיָּה אֲתִיָּא נְבִיעוּ לָאת ב', דְּאִיהוּ בְרָכָה, וְאִיהוּ קִדְשׁ, וּמְנִיָּה אֲתַקְדֵּשׁ ק', דְּאִיהוּ קְדוּשָׁה. וְר' פֶּדָת גְרִים לְמַהוּי חֲרוּבִין דִּילִיָּה ק"ב, דְּאִינוּן ק"דוּשָׁה בְּרָכָה, אוֹף הָכִי לֹא הוּ"ל אֵלָא קב חֲרוּבִין, אוֹף הָכִי אִיּוּב בֶּן יִבְמָה הוּהוּ, וּבְגִין דָּא אֲתַעֲנֵשׁ, עַל מַה דְּאִירַע לוֹ כְּבָר.

11. Before the Giving of the Torah they depended on constellations

We are told that before the Torah was given, even children, life and sustenance were dependent on destiny, but afterward God removed Yisrael from the influence of the stars and constellations. If a person does not keep the commandments, however, the stars and constellations will still hold sway over him. Finally we hear again that people grow old and die, and then return again as children.

64. And those who do not know this secret say: 'Children, life and sustenance is not a matter of one's merit, rather depends on destiny (Heb. mazal)'. Take the case of Abram, who saw that he was not destined to have a son, and the Holy One, blessed be He, took him outside, as it is said: "And He brought him outside, and said, Look..." (Beresheet 15:5). And it has been taught: that He said to him: 'Leave your constellations', NAMELY DO NOT CONSULT THE STARS. And He took him up above the stars and said to him: "Look now towards heaven, and count the stars" (Beresheet 15:5). So much for the words of the rabbis, but they have to be interpreted mystically!

64. וְאִינוּן דְּלֹא יִדְעִי רְזָא דָּא, אֲמַרִי בְּנֵי חַיִּי וּמְזוּנֵי לֹאוּ בְּזְכוּתָא תְּלִיָּא מְלִתָּא, אֵלָא בְּמִזְלָא תְּלִיָּא מְלִתָּא. וְהָא חֲזִינָא לְאַבְרָהָם דְּחִזָּא בְּמִזְלֵיהּ, דְּלֹא הוּהוּ עֲתִיד לְמַהוּי לִיָּה בְרָא, וְקוּדְשָׁא בְּרִיךְ הוּא אֲפִיק לִיָּה לְבְרָא, בְּדַכְתִּיב וַיּוֹצֵא אוֹתוֹ הַחוּצָה וַיֹּאמֶר הִבֵּט וְגו'. וְאֲקֻמוּהּ, דֹּא"ל צֹא מֵאֲצַטְטַגְנִינּוֹת שְׁלַךְ, וְהִעֲלֵהוּ לְמַעְלָה מֵהַכְּכָבִים, וְאֹמַר לוֹ הִבֵּט נָא הַשְּׁמַיִמָה וּסְפֹר הַכְּכָבִים. עַד הֲכָא מְלִין דְּרַבְּנָן, וְצִרִיךְ לְפַרְשָׁא לֹון בְּדַרְךְ נִסְתָּר.

65. Come and see: All creatures in the world, before the Torah was given to Yisrael, were dependent on destiny, even children, life and sustenance. But after the Torah was given to Yisrael, He removed Yisrael from the influences of the stars and constellations. This we have learned from Abraham, since his children were destined to receive Hei from Abraham, that is, the five books of the Torah NAMELY MALCHUT. As it is said: "These are the generations of heaven and earth when they were created (Heb. behibar'am)" (Beresheet 2:4). behibar'am: beHei bera'am (meaning 'He created them with a Hei'). He said to Abraham 'Because of that Hei that was added to your name, the heavens below you and all the stars and constellations that shine in Hei will be subservient to your will' BECAUSE HE RAISED HIM ABOVE THEM. Moreover, it is said: "Io (Heb. He), here is grain for you, and you shall sow the land" (Beresheet 47:23) with Hei. "for in Isaac shall your seed be called" (Beresheet 21:12), WHO IS THE SECRET OF THE LEFT COLUMN, FROM WHICH MALCHUT, THE SECRET OF HEI, IS DRAWN, AND THE SOWING IS THUS IN MALCHUT.

65. ת"ח, כָּל בְּרִיין דְּעֵלְמָא, קוֹדֵם דְּאֲתִיְהִיבַת אוֹרִיָּתָא לְיִשְׂרָאֵל, הוּוּ תְּלִיין בְּמִזְלָא, וְאֲפִילוּ בְּנֵי חַיִּי וּמְזוּנֵי. אֲבָל בְּתַר דְּאֲתִיְהִיבַת אוֹרִיָּתָא לְיִשְׂרָאֵל, אֲפִיק לֹון מַחִיּוּבָא דְּכַבְּיָא וּמְזִלִי. וְדָא אוֹלִיפְנָא מֵאַבְרָהָם. בְּגִין דְּהוּוּ עֲתִידִין בְּנוּי לְקַבְּלָא ה' מֵאַבְרָהָם, דְּאִיהוּ חֲמֵשָׁה חוּמְשֵׁי תוֹרָה. דְּאֲתַמַּר בְּה' אֵלֵה תוֹלְדוֹת הַשְּׁמַיִם וְהָאָרֶץ בְּהַבְּרָאָם, בְּה' בְּרָאָם. אֹמַר לְאַבְרָהָם, בְּגִין הָאֵי ה' דְּאֲתוּסָף בְּשִׁמְךָ, הַשְּׁמַיִם תַּחְתֶּךָ, וְכָל כַּכְּבִּיָּא וּמְזִלֵי דְּנְהִירִין בְּה'. וְלֹא עוֹד, אֵלָא דְּאֲתַמַּר בְּה' ה"א לְכֶם זֶרַע, וְזִרְעֵתֶם בְּה"א. כִּי בִּינְצַחֵךְ יִקְרָא לְךָ זֶרַע.

66. For this reason, everyone who engages in the Torah is released from the influence of stars and constellations. By learning Torah HERE IS MEANT with the intention of keeping its commandments. If it is not HIS INTENTION TO KEEP ITS COMMANDMENTS, then he is as one who does not engage in Torah, and the stars and constellations hold sway over him. This is even more true with respect to the common people, who are likened to animals, about which it has been taught: "Cursed be he who lies with any manner of beast" (Devarim 27:21). The hold of the stars and constellations over them is certainly not annulled.

67. "As for man, his days are as grass: as a flower of the field so he flourishes" (Tehilim 103:15). And ABOUT MAN it is said: "I was young and am now old" (Tehilim 37:25). And later IT IS SAID: "He returns to the days of his youth" (Iyov 33:25). IT IS LIKE a tree from which the old branches were cut off, but they grew again from its roots, as at the beginning. For PEOPLE die when old and return to this world as children. And this is the secret of the Holy One, blessed be He, 'renewing the creation every day continually'. For a thousand die each day and a thousand are renewed each day, REINCARNATION INTO THE WORLD.

12. "Wine makes glad the heart of man...the cypress trees are her house"

The "wine" is said to be the Torah, but we are told that the secrets of the Torah should be disclosed only to those who fear God. The red and white colors of the wine are said here to be Judgment and Mercy. It is significant that certain commandments and blessings are performed with wine. "The heart of man" means two hearts, that of Binah and that of Malchut, and we read the numerology of the words, letters and vowels associated with this lesson. Next Rabbi Elazar asks his father how Nadab and Abihu could have reincarnated into Pinchas when he was already alive at the time of their deaths. Rabbi Shimon replies that both Nadab and Abihu died childless so they were not fit for the priesthood. When Pinchas saw the tribe of Shimon coming after him his soul fled out of him in terror; then the unamed souls of Nadab and Abihu joined with his soul and all returned to his body. After this he deserved the priesthood. Rabbi Shimon explains God's command to hang the chiefs up against the sun to demonstrate that everyone must make amends in his soul on the same level at which he sinned. Rabbi Shimon talks for a long time about the sustenance that is provided for the righteous.

68. "Wine makes glad the heart of man" (Tehilim 104:15). This is the wine of the Torah, for the numerical value of the letters of the word YAYIN (Eng. 'wine') is the same as the letters of sod (Eng. 'secret'). Just as wine has to be kept sealed so that it should not be used in a libation for idol worship, so also must the secret of the Torah be closed up and sealed, and none of its secrets be disclosed other than to those who fear Him. And it is not for nothing that a number of commandments are performed with wine; and blessings to the Holy One, blessed be He, are said. Wine comes in two (the letter Bet) colors: white and red, which are Judgment and Mercy. And this is why we have the added Bet in be'ayin ('with wine'). THIS BET HINTS AT JUDGMENT AND MERCY. It is like the rose which has in it both white and red - white from the right side WHICH IS CHESED, and red from the left side WHICH IS GVURAH.

66. ובג"ד, כל המשתדל באורייתא, בטול מניה חיובא דככביא ומזלי. אי אוליה לה כדו לקיימא פקודהא. ואם לאו, כאלו לא אשתדל בה, ולא בטול מניה חיובא דככביא ומזלי. כל שכן עמי הארץ דאינון אתמתלן לבעירן. דאוקמוה עליהו ארור שוכב עם כל בהמה, דלא אתבטלון מנהון חיובא דככביא ומזלי.

67. אנוש כחציר ימיו כציץ השדה בן יציץ, ואתמר ביה, נער הייתי גם זקנתי. לבתר ישוב לימי עלומיו. דאילנא דאתקציצו ענפין עתיקין דיליה, וצמחו כמלקדמין בשרשוי, אהדרו בעלמא כמלקדמין. מיתו סבין, ואתהדרו להאי עלמא עולימין. והיינו רזא דמחדש קודשא בריך הוא בכל יום תמיד מעשה בראשית. דמתין אלף בכל יומא ומתחדשין אלף בכל יומא.

69. HE ASKS why does it say "the heart (Heb. levav) of man"? It should have said "lev (Eng. 'heart')." HE ANSWERS, there is one heart (Heb. lev) hidden in another heart (Heb. lev), NAMELY TWO HEARTS. They are THE FIRST Lamed Bet (=32) Elohim in the works of Creation, AND THIS LEV IS THE SECRET OF BINAH. THE SECOND LEV (LAMED-BET) IS COMPOSED OF the Bet of Beresheet ("In the beginning"), and the Lamed of "in the eyes of (Heb. le'einei) all Yisrael" (Devarim 34:12). AND THESE TWO LETTERS, THE BET AT THE BEGINNING OF THE TORAH, AND THE LAMED WITH WHICH IT ENDS COME TOGETHER TO FORM THE WORD LEV, NAMELY THE HEART OF MALCHUT. THIS IS WHY IT IS WRITTEN LEVAV. FOR THE WINE, WHICH IS THE ILLUMINATION OF CHOCHMAH IS REVEALED AND GLADDENS THE HEART (HEB. LEV) OF BINAH AND THE HEART (HEB. LEV) OF MALCHUT, FROM WHERE MAN RECEIVES IT. THE NUMERICAL VALUE OF THE LETTERS OF twice lev is 64, which is eight less than 72; and 72 IS THE NUMERICAL VALUE OF vaychulu ("And... were finished") (Beresheet 2:1). BUT IS THE NAME OF AYIN BET (72), ALLUDED TO IN VAYCHULU, THE SECRET OF THE NAME OF THE ILLUMINATION OF CHOCHMAH, THAT IT SHOULD BE ALLUDED TO IN THOSE LEV LEV? HE ANSWERS, these are the seven days of Creation THEMSELVES, IN WHICH LEV OR 32 ELOHIM SHINE. THEY ARE JOINED TO THE NUMBER 64. BUT 64 AND 7 IS ONLY 71, AND WE ARE STILL ONE SHORT. HE ASKS, what of the eighth, TO COMPLETE IT TO 72? HE ANSWERS, IT IS the seven days of Creation together with "This is the book of the generations of Adam" (Beresheet 5:1), WHICH IS ALSO CONSIDERED TO BE A DAY OF CREATION. And this 72 is also the numerical value of the letters of beyayin ('with wine'), WHICH IS THE SECRET OF THE ILLUMINATION OF CHOCHMAH, AS DISCUSSED ABOVE.

70. HE ASKS what is the meaning of "oil to brighten his face" (Tehilim 104:15)? AND ANSWERS these are the twelve faces: four of the lion, four of the ox, and four of the eagle: There is Michael the lion, WHO IS THE SECRET OF CHESED. His four faces are THE FOUR LETTERS Yud Hei Vav Hei, WHERE THE YUD AND THE VAV HAVE THE VOWEL SEGOL ("E"). The four faces of the ox, which is Gabriel, NAMELY GVURAH, are FOUR LETTERS Yud Hei Vav Hei, HER YUD AND VAV BEING POINTED WITH PATACH ("A"). The four faces of the eagle, which is Nuriel, are THE FOUR LETTERS Yud Hei Vav Hei, WHEN THE YUD IS POINTED WITH CHIRIK ("I"), AND THE VAV WITH SH'VA (SEMI-VOWEL). They are appointed under THE THREE SFIROT OF ZEIR ANPIN: Chesed, Fear, Truth, WHICH ARE CHESED, GVURAH, AND TIFERET. These are the steps of the three patriarchs, ABRAHAM, ISAAC, AND JACOB. The sages have taught: 'the patriarchs are the Chariot'. The lights OF THE TWELVE COUNTENANCES add up to Yud Bet Kof, which are Melech (lit. 'reigns'), Malach (lit. 'reigned'), Yimloch (lit. 'will reign'). For the total numerical value OF THESE THREE NAMES is Yud Bet Kof, WHICH IS 112.

71. Rabbi Shimon was sitting and engaging in the study of this portion, when his son, Rabbi Elazar, came to him and asked: How did it come about that Nadab and Abihu were ABLE TO TRANSMIGRATE into Pinchas? Had Pinchas not been in the world when they died, and had only come into the world later, AND THEY WERE INCARNATED IN HIM, and he had perfected their souls, it would have been fine. But Pinchas was in the world AT THE TIME WHEN NADAB AND ABIHU DIED, and his soul already existed in him, SO HOW COULD THEY HAVE TRANSMIGRATED INTO HIM?

69. ומאי לבב אנוש, לב הו"ל למימר. אלא אית לב מסור ללב. ואינון ל"ב אלהים דעובדא דבראשית, ב' מן בראשית, ל' מן לעיני כל ישראל, איהו ל"ב תניינא. דא ל"ב ל"ב שנים ס"ד, חסר תמניא לע"ב, דאיהו ויכלו. אינון שבעה ימי בראשית. תמנינא מאי היא. ד' ימי בראשית, עם זה ספר תולדות אדם. זה ע"ב, בחושבן ביין.

72. He replied: My son, there is a divine secret here: When NADAB AND ABIHU left the world, they did not take shelter under the wings of the Holy Rock, WHICH IS MALCHUT. The reason for this IS found in the verse: "And Nadab and Abihu... had no children" (Bemidbar 3:4). That is, they decreased the King's image, FOR THEY DID NOT PERFORM THE PRECEPT OF BEING FRUITFUL AND MULTIPLYING, PRODUCING SONS IN THE IMAGE OF ELOHIM. For this reason they were not fitted to serve in the high priesthood.

73. When Pinchas was zealous for the Holy Covenant and went in amongst the crowds and held up the adulterers on spear-point in the sight of all Yisrael, he saw the tribe of Shimon coming at him in large numbers, and Pinchas' soul fled out of him DUE TO FEAR. THEN the two souls that were naked, NAMELY THE UNAMENDED SOULS OF NADAB AND ABIHU, approached the soul of Pinchas and were joined together with it, and it THEN returned to him. His soul, a collective spirit, inclusive with the other two spirits, then supported him, and he earned the right to priesthood in their place OF NADAB AND ABIHU, for which he had not previously been fit.

74. And about this it is written: "Recall, now, who that was innocent ever perished?" (Iyov 4:7). THIS WAS SAID ABOUT PINCHAS, who did not perish at that moment, and did not lose his spirit when it fled from him. The same verse continues: "or where were the upright cut off?" This refers to the sons of Aaron, NADAB AND ABIHU, who returned to the world BY TRANSMIGRATING INTO PINCHAS AND WERE REMEDIED that which they had lost in their lifetime, NAMELY THE EMENDATION OF THE COVENANT. This is why the word son is used twice regarding Pinchas: "Pinchas the son of Elazar, the son of Aaron" (Bemidbar 25:11), TEACHING US ABOUT THE TWO SOULS THAT HAD TRANSMIGRATED INTO HIM, NAMELY THE SONS OF AARON. THUS THE SON OF ELAZAR REFERS TO PINCHAS, AND THE SON OF AARON REFERS TO NADAB AND ABIHU.

75. What does scripture say just before this chapter? - "And Hashem said to Moses: Take all the chiefs of the people, and hang them up before Hashem against the sun" (Bemidbar 25:4). HE ASKS: What about when they are killed at night or on a cloudy day? Scripture WARNS THAT THEY MUST BE KILLED against the sun. WHAT IS THE MEANING OF "AGAINST THE SUN." Said Rabbi Yehuda: "AGAINST THE SUN" MEANS THAT just as their sin was in public so must their death be in public.

76. Rabbi Shimon said: This was not the reason why it said "AGAINST THE SUN," but from this we learn that at whatever level a man sins before the Holy One, blessed be He, he must make amends in his soul at that same level. They sinned in the holy covenant, which is called 'sun', and this is why their correction is against the sun, THE SECRET OF THE COVENANT, and not elsewhere. It follows that a man requires to remedy the misdeeds he has committed only in the place where he sinned, and that if he attempts to remedy them elsewhere BUT NOT WHERE HE SINNED he will never attain a proper emendation.

77. Rabbi Chiya began: "The trees of Hashem have their fill; the cedars of Lebanon which he has planted" (Tehilim 104:16), and before it, "Wine makes glad the heart of man, oil to brighten his face" (Tehilim 104:15). HE ASKS what is the connection between these two matters? AND ANSWERS we have learnt as follows: "He causes the grass to spring up for the cattle..." (Tehilim 104:14). And did David really come with the Holy Spirit to speak the praises of cattle that has grass? HE ANSWERS: No, but "He causes the grass to spring up" refers to the sixty thousand myriads of angels, messengers, who were created on the second day of Creation. All of them are of burning fire. It is they who are meant by grass. Why are they grass? It is because they grow in the world as does grass: one day it is cut short, but then it returns and grows as previously.

78. And this is why the verse says: "He causes the grass to spring up for the cattle." THE SECRET IS THAT MALCHUT IN THE ASPECT OF YUD HEI VAV HEI, FULLY SPELLED WITH THE LETTER HEI, HAS THE SAME NUMERICAL VALUE, 52, AS THE WORD BEHEMAH (ENG. 'CATTLE'). As it is written: "A Righteous man (YESOD) regards the life of his beast (MALCHUT)" (Mishlei 12:10). And we have learned that a thousand mountains rise up FOR MALCHUT each day and each one of the mountains is sixty myriads OF ANGELS WHO ARE CALLED 'GRASS', AS MENTIONED ABOVE, and MALCHUT devours them.

79. "and plants for the service of (lit. 'the') man" (Tehilim 104:14). These are the souls of the righteous, for that man, NAMELY ZEIR ANPIN, who is riding on and controlling the beast, NAMELY MALCHUT, devours them and takes them into himself. THAT IS TO SAY, THE SOULS OF THE RIGHTEOUS RISE UP AND ARE INCORPORATED INTO ZEIR ANPIN IN THE SECRET OF THE WATER OF MAYIN NUKVIN, FEMALE WATERS, IN ORDER TO UNITE ZEIR ANPIN AND MALCHUT. And it is to their credit that the whole world is fed from that man, WHO IS ZEIR ANPIN, FOR THEY CAUSE HIS MATING WITH MALCHUT, AND THE FOOD IS BESTOWED UPON MALCHUT, AND MALCHUT DISTRIBUTES IT TO THE WHOLE WORLD. As is written: "and upon the likeness of the throne was a likeness as the appearance of a man above upon it..." (Yechezkel 1:26). That is why it says "for the service of the man," WITH THE DEFINITE ARTICLE - THAT IS, THAT SPECIFIC MAN, NAMELY ZEIR ANPIN. And this is in order to "bring forth food out of the earth" (Tehilim 104:14), NAMELY to bring forth provisions for the world from the holy earth, WHICH IS MALCHUT.

80. "and wine" is old wine drawn from above, NAMELY THE ILLUMINATION OF CHOCHMAH, WHICH IS DRAWN FROM BINAH. "makes glad the heart of man (Heb. Enosh)." Enosh here refers to the secret of that youth who attained old age, and later returns TO BE A YOUTH as formerly. THIS IS METATRON, PRINCE OF THE WORLD, WHO SAYS: "I HAVE BEEN YOUNG, AND NOW AM OLD" (TEHILIM 37:25), WHICH IS IN THE SECRET OF "RAN AND RETURNED" (YEHEZKEL 1:14). WHEN HE "RAN" TO RECEIVE CHOCHMAH, HE IS OLD, AND WHEN HE IS IN THE SECRET OF "RETURNED," HE IS YOUNG. Scripture therefore says ABOUT HIM: "As for man, his days are like grass" (Tehilim 103:15), FOR HE IS LIKE GRASS WHICH IS CUT AND GROWS AGAIN. WHEN HE RETURNS TO YOUTH, HIS FIRST THREE UPPER SFIROT ARE CUT, BUT LATER HE AGAIN REACHES OLD AGE, NAMELY GROWS AGAIN, AND SO ON AND SO FORTH.

77. רבי חיה פתח, ישבעו עצי יי ארזי לבנון אשר נטע, מה כתיב לעילא, ויין ישמח לבב אנוש וגו'. וכי מאי האי להאי. אלא הכי אוליפנא, דכתיב מצמיח חציר לבהמה וגו'. וכי שבחא דבהמה דאית לה חציר אתא דוד למימר ברוח קודשא. אלא מצמיח חציר, אליו אינון שתין אלף רבוא דמלאכין, שליחו, דאתבריואו ביומא תניינא דבראשית, וכלהו אשא מלהטא. אליו אינון חציר. אמאי חציר. בגין דצמחין כחציר דא בעלמא, דכל יומא ויומא אתקצירו השתא, ולבתר צמחין ומהדרין כמלקדמין.

80. ויין, דא חמרא עתיקא דנגיד מלעילא. ישמח לבב אנוש, אנוש: דא רזא דההוא נער, דסליק לסיבו, ואתהדר כמלקדמין. וע"ד כתיב, אנוש כחציר ימיו.

81. "to brighten his face" (Tehilim 104.15): these are the faces that are called 'large countenances' and 'small countenances'. THE COMPLETED FIRST THREE OF MALE AND FEMALE ARE THE LARGE COUNTENANCES, AND THE FIRST THREE OF THE SIX ENDS OF MALE AND FEMALE ARE THE SMALL COUNTENANCES. "oil," namely from the drawing down of the next world, NAMELY OF BINAH, FROM WHOM the oil derives, as well as greatness of the divine holy one. "and bread which sustains the heart of man" (Ibid.), that is that bread upon which the skies, WHICH IS THE SECRET OF NETZACH AND HOD, bestow and mill the manna for the food of the righteous in general, WHICH IS THE SECRET OF YESOD AND MALCHUT, WHO ARE CALLED 'RIGHTEOUS' AND 'RIGHTEOUSNESS', AND WHO ACCEPT THE MAYIN NUKVIN THAT NETZACH AND HOD GRIND FOR THEM. FROM THERE it is drawn out to a number of hosts who are called "the heart of man." And everything comes from the divine emanation, FROM BINAH.

82. "The trees of Hashem have their fill" (Ibid. 16) These are the internal divine trees, NAMELY ZEIR ANPIN AND MALCHUT. "The cedars of Lebanon which He has planted": They are ZEIR ANPIN AND MALCHUT, who are uprooted FROM THEIR PLACE. The Holy One, blessed be He, WHO IS THE EMANATING SOURCE, planted them IN PLACE OF BINAH. What is the connection between the trees of Hashem and the cedars of Lebanon? THE TREES OF HASHEM refer to the Tree of Life, WHICH IS ZEIR ANPIN, and the Tree of the Knowledge of Good and Evil, WHICH IS MALCHUT. The cedars of Lebanon are the fifty gates OF BINAH which He planted IN MALE AND FEMALE, which are called 'five hundred years', FOR THEY ARE THE SECRET OF BINAH; MALE AND FEMALE RISE UP IN AND COAT CHESED, GVURAH, TIFERET, NETZACH AND HOD. IN TERMS OF ZEIR ANPIN, WHOSE SFIROT ARE IN TENS, THEY ARE FIFTY, WHILE IN TERMS OF BINAH, WHOSE SFIROT ARE COUNTED IN HUNDREDS, THEY ARE FIVE HUNDRED.

83. "which He has planted, where the birds make their nests" (Tehilim 104:16-17). In the shadow OF ZEIR ANPIN AND MALCHUT the souls of the righteous make their nests, and all the holy hosts are fed from there. The stork (Heb. chasidah) IS MALCHUT, that is the daughter of the patriarch Abraham, who is called 'pious' (Heb. chasid), and who performed deeds of loving-kindness (Heb. Chesed) for all men in the world. This is why MALCHUT is called 'a stork'. "The cypress trees are her house" (Ibid. 17): this means that she sits between the arms of the world, WHICH ARE CHESED AND GVURAH OF ZEIR ANPIN. THESE BECOME FOR HER CHOCHMAH AND BINAH, WHICH ARE HEADS (HEB. RASHIM), WHICH IS WHY HE SAYS, "THE CYPRESS TREES (HEB. BROSHIM) ARE HER HOUSE" THAT IS TO SAY: HER HOUSE IS AT THE HEADS (HEB. BERASHIM).

13. "For the wind passes over it, and it is not"

Rabbi Aba, Rabbi Yosi and Rabbi Chiya discuss the title verse, and we learn that "the wind" is the concealed and holy spirit that is hidden from everyone; this is the secret of Enoch who became Metatron.

84. Rabbi Aba and Rabbi Yosi rose at midnight to engage in Torah. They were still sitting and engaging in Torah, when Rabbi Yosi said: Rabbi Chiya's comment on THE VERSE "As for man, his days are like grass" (Tehilim 103:15) is beautiful, but what is taught about the end of the verse: "For the wind passes over it, and it is not; and its place knows it no more" (Tehilim 103:16). He replied, it is certainly as follows: "As for man, his days are as grass" is as explained BY RABBI CHIYA. "like a flower of the field" - this is the known field, NAMELY MALCHUT. "so he blooms" means that he is renewed and returns as formerly.

85. "For the wind (spirit) passes over it and it is not." This is the heavenly concealed and Holy Spirit, which is hidden from all, NAMELY THE SPIRIT OF BINAH, which engulfs METATRON and then "is not." And this is the secret of Enoch, about whom Scripture says: "and he was not, for Elohim took him" (Bereshheet 5:24). The reference here is to the higher Elohim, NAMELY BINAH, who is an upper spirit, hidden and concealed. "and its place knows it no more": This is the small spirit OF METATRON that is engulfed by the upper spirit OF BINAH. And what is written further on? "But the steadfast love (Heb. Chesed) of Hashem is from everlasting to everlasting" (Tehilim 103:17). That means that the High Priest, WHO IS CHESSED, introduces him into the Holy of Holies and takes him and has him born as before: "your youth is renewed like the eagle's" (Tehilim 103:5) and he becomes a youth again. Moses tells Rabbi Shimon that this explanation is incomplete because it doesn't say what "passes over it" means. Rabbi Shimon says this refers to Anger, and that the verse is to be applied to one who dies childless. Such a person must achieve a change of place, a change of name and a change of action. Because his countenance is so changed, the evil angel whose name is Anger will pass him over because he will not be recognizable. Rabbi Shimon advises anyone who lives in a city where he is unable to keep the commandments and where he is not studying the Torah successfully to move to a place where he can replant himself among good people, sages of the Torah. Lastly we are reminded that the most important thing is not talking about the Torah but performing its precepts. Ra'aya Meheimna (The Faithful Shepherd)

86. Said the Faithful Shepherd: holy luminary, the commentary ABOVE of Rabbi Aba, Rabbi Chiya, and Rabbi Yosi ON THE VERSE "AS FOR MAN, HIS DAYS ARE AS GRASS" is very nice, but what about "The wind passes over it and it is not"? Here matters have to be developed. What is the meaning of "passes (Heb. AVRAHI) over it"? AND REPLIES, it refers to "anger (Heb. evrah), wrath and indignation" (Tehilim 78:49), where it is one of these evil angels, THE ONE CALLED 'ANGER', AND THIS IS THE MEANING OF THE VERSE "THE WIND PASSES OVER IT," WHICH SHOULD THEREFORE BE RENDERED 'THE SPIRIT OF ANGER IS ON HIM'. AND THE VERSE IS TO BE APPLIED TO ONE WHO DIES CHILDLESS, WHO TRANSMIGRATES.

87. In order that the monitors of sins should not recognize him, WHO DIED CHILDLESS, it is necessary to perform for him a change of place, a change of name, and a change of action. This is how it was with Abraham, as Scripture tells us. "Get you out of your country, and from your kindred" (Beresheet 12:1) is the change of place. "Neither shall your name anymore be called Abram, but your name shall be Abraham" (Ibid. 17:5) is the change of name. And there is also the change of action, for he changed from doing bad deeds, as he had at first, to doing good deeds. A similar thing happens to the spirit of the man who dies childless, for likewise, the Holy One, blessed be He does to the man in banishing him from that world BECAUSE HE DIED CHILDLESS, and brings him to this world IN A REINCARNATION INTO THE SON THAT IS BORN OUT OF HIS WIFE'S LEVIRATE MARRIAGE, and this has already been discussed above.

88. "You change his countenance and send him away" (Iyov 14:20). BECAUSE HE CHANGES HIS COUNTENANCE WHEN HE BANISHES HIM FROM THE HEAVENLY WORLD, IT IS SAID: "The wind passes (Heb. avrah) over it," WHICH ALLUDES TO one of the evil angels WHOSE NAME IS anger (Heb. evrah) AS MENTIONED ABOVE. And when he sees that he has altered, when he meets him, and the other demons of destruction ask about him: "Is this Your sinner?," He answers them and says: he "is not," FOR HE DOES NOT RECOGNIZE HIM, AND THIS IS THE SECRET OF THE VERSE "YOU CHANGE HIS COUNTENANCE."

89. NOW HE EXPLAINS WHAT IS THE SECRET OF THE VERSE "AND SEND HIM AWAY." When he is banished from his place and implanted elsewhere, NAMELY AFTER HE HAS ALREADY ENTERED A BODY IN THIS WORLD, it is said about him: "And its place knows it no more," for "and he shall take other mortar, and shall plaster the house" (Vayikra 14:42), NAMELY HE TOOK ANOTHER BODY OF DIFFERENT DUST, FOR BODY IS TERMED HOUSE. And this is the secret of, "And he shall break down the house, the stones of it, and its timber" (Vayikra 14:45), namely those bones, sinews, and flesh that he had PREVIOUSLY returned to the dust. What is written about it? "and dust shall be the serpent's food" (Yeshayah 65:25), FOR THE DUST THAT IS MADE UP OF THE DECEASED'S BODY IS OF THE ASPECT OF THE SERPENT, since it was afflicted BY IT. AND, THEREFORE, later "and he shall take other mortar, and shall plaster the house," namely build for himself bones and sinews and be renewed, as an old house that is made new, which certainly gets renovated.

90. What about "and its place knows it no more"? This IS SAID about HIS spirit, for his small spirit is engulfed in the Supernal Spirit. This is a parable to a tree that is not producing fruit. They take his branches and graft onto a better quality tree that produces fruits, combining both into each other. NOW BOTH produce fruits. About this moment it is said, "and its place knows it no more" SINCE EVEN THE PLACE OF THE DEFECTIVE SPIRIT IS NOT RECOGNIZABLE.

91. And so it is with a man who lives in a city where bad people dwell, and he is unable to keep the commandments of the Torah and is not successful with the Torah. He should change his place of residence and move from there, and settle somewhere with good people, sages of the Torah, who keep the precepts. This is because the Torah is called 'a tree', as it is written: "She is a tree of life to those who lay hold on her" (Mishlei 3:18). Man, too, is a tree, as it is written: "For man is a tree of the field" (Devarim 20:19), and the precepts of the Torah are like fruits. And what is written about it? "Only the trees which you know that they be not trees for food, you shall destroy and cut them down" (Devarim 20:20) That is to say, you shall destroy it from this world and cut it down from the next world. This is why he has to uproot HIMSELF from the place WHERE THERE ARE EVIL PEOPLE AND WHERE HE CAN NOT SUCCEED WITH THE TORAH AND THE PRECEPTS, and implant HIMSELF elsewhere, among righteous people, WHERE HE CAN SUCCEED WITH THE TORAH AND THE PRECEPTS.

92. As the childless man is called 'barren' and his wife 'barren', so also is the Torah when unaccompanied by PRECEPTS is considered barren. On this we have learned: 'Not the expounding of the Torah is the chief thing but the doing of it'. The companions came and prostrated themselves in front of him and said: We have certainly learned something CLEARLY new here - how one spirit can be incorporated in another. We were as someone whose vision was blurred and then became clear. Originally we had only a tradition ABOUT THESE MATTERS, but now they have been clearly explained.

14. Why is the righteous punished for the iniquity of his generation

Rabbi Shimon says that the Other Side is content to control the Righteous because then it can afford to ignore the rest of the world. For this assertion we have the evidence of the story of Job, where the Satan's attention to Job enabled God to save the rest of his generation. If the righteous one is strong, and he bears his afflictions and overcomes the accuser, he can save the whole generation - indeed, this is how Moses became the Faithful Shepherd over Yisrael, and why he will control them in the next world. Moses asks Rabbi Shimon why one righteous person is affected while another is not, and the response is that God does only what is necessary: if one will suffice, He only afflicts one, but if the sins are widespread He will also afflict other righteous men. Moses talks about three types of righteous people, all of whom become a chariot for Adam and the patriarchs, and who acquire from them the strength to suffer and to protect the whole generation.

93. Moreover, we learnt in the First Part of the compilation that the Other Side is more at ease to have control over the righteous than anything else, because he can then afford not to consider the rest of the world. While they were still discussing this, a shade came upon them, and asked: How do we know THAT HE PREFERS TO HAVE CONTROL OVER THE RIGHTEOUS TO CONTROL OVER THE WHOLE WORLD? We know this from Job. For the Holy One, blessed be He, saw that generation was deserving of annihilation, and when the Satan came to denounce, the Holy One, blessed be He, THEN said to him: "Have you considered My servant, Job, that there is none like him on earth" (Iyov 1:8). in order to save through him the whole generation. The matter can be likened to a shepherd when a wolf comes to devour his flock and destroy them. Being wise, what does the shepherd do? He gives the wolf a lamb that is stronger, fatter, and larger than the others, the leader of the flock, and the wolf, out of his desire to have control over the lamb, forgets about the rest of the flock. What does the shepherd do next? While the wolf is preoccupied with that lamb, he flees with the flock and brings them to safety. Later, he returns to the lamb and saves it from the wolf.

93. ותו אתמר בחבורא קדמאה, דהא ניקחא ליה לסטרא אחרא לשלטאה על זבאה, יתיר מבלא, ולא חייש כדין לכל עלמא. אדהכי, הא טולא אזדמן לגביהו, וא"ל מנלן. מאיוב. דחזא קודשא בריך הוא דדרא הוּו מחויבין בלייה, ואתא שטן לקטרגא, אמר ליה קודשא בריך הוא, השמת לבך אל עבדי איוב כי אין כמוהו בכל הארץ, לאשתזבא ביה דרא. ואיהו מתלא לרעיא דאתא זאב למטרף עאניה, ולמיכד ליה. מה עבד ההוא רעיא דהוה חכימא, יהיב ליה אמרא תקיפא ושמנה ורברבא מכלהו, ההוא דהוּו מתנהגין אבתריה בלהו. וברעו לשלטאה על ההוא אמרא טבא, שבק לכלהו. מה עבד ההוא רעיא, בשעתא דהוה זאב אשתדל בההוא אמרא, ברח רעיא עם עאנא ושוי לון באתריהון. ולבתר תב לאמרא, ושזיב ליה מזאב.

94. This is exactly what the Holy One, blessed be He, did with the generation. He offered the righteous man for indictment in order to save the generation on his account. And if, like Jacob, THE RIGHTEOUS MAN is strong, the verse says of him: "and there a man wrestled with him" (Beresheet 32:25). This is even more the case when he overcomes THE ACCUSER until he says: "Let me go" (Beresheet 32:27). He said: O Shade, O Shade, that is just how it is. Happy is the portion of that righteous man who is strong in suffering afflictions, and how much more so the one who, by means of his AFFLICTIONS, manages to overcome his accuser who has SPREAD his control over the whole generation, and it is accounted to him as though he had saved them, and the Holy One, blessed be He, appoints him as shepherd over them in the place OF THE ACCUSER. This was how the Faithful Shepherd came to be the shepherd over Yisrael, and not only that, but he will control them in the next world. And this was because he saved them that they should not be lost TO THE NEXT WORLD, for he guided them in the Torah and good deeds.

94. הכי עביד קודשא בריך הוא עם דרא, יהיב קודשא בריך הוא לצדיק, ברשו מקטרגא, לשזבא לדרא בגיניה. ואם הוא תקיף כיעקב, אתמר ביה ויאבק איש עמו, כ"ש וכ"ש דנצח ליה, עד דאמר שלחני. אמר טולא טולא, הכי הוא, זבאה חולקיה דההוא צדיק, דאיהו תקיף למסבל ויסורין, כ"ש מאן דנצח בהון למקטרגא דיליה. דאיהו שולטנותיה על כל דרא, ואתחשוב ליה כאילו הוא שזיב לון, וקודשא בריך הוא עביד ליה רעיא עלייהו באתריה, ובגין דא זכה רעיא מהימנא. למהוי רועה על ישראל, ולא עוד אלא דהכי אשליט ליה עלייהו בעלמא דאתי. בגין דשזיב לון דלא אתאבידו מתמן, דאנהיג לון באורייתא ובעובדין טבין.

95. While they were yet talking, the Faithful Shepherd himself came and said to them: And why was the right arm afflicted? Because the way of all healers is to let blood initially from the right arm? Since the left arm is the one that is nearer the heart, why is blood not let from it? OR, TO PUT THE QUESTION IN OTHER WORDS: WHY IS IT THAT ONE RIGHTEOUS MAN IS AFFLICTED AND ANOTHER IS NOT? He answered: Because the Holy One, blessed be He, does not want overly to strike, and one RIGHTEOUS MAN suffices. But if the illness is serious and spreads throughout the parts of the body, blood is let from the left arm ALSO, NAMELY OTHER RIGHTEOUS MEN ARE ALSO AFFLICTED.

95. אדהכי הא רעיא מהימנא, אמר לון, ואמאי לקי דרועא ימינא. דאורח כל מארי אסוותא דאקיוזן בקדמיתא דרועא ימינא, והא דרועא שמאלא איהו קריב ללבא, אמאי לא אקיוזן ליה. אמר ליה בגין דקודשא בריך הוא לא בעי לאלקאה יתיר, דהא בהאי סגין, ואי אתיקר מרעא על שוימין דגופא, אקיוז דרועא שמאלא.

96. He said to him: If the two of them were not (afflicted) at the same time, that would be fine, but what about the case of the two righteous men, one of whom suffers from diseases and troubles, while the other is treated with kindness? Why is it that if the disease, NAMELY THE SINS OF THE GENERATION, spread, blood is not let from both of them, NAMELY BOTH THE RIGHTEOUS PERSONS, who are the two arms, so that healing may be given to all parts OF THE BODY, NAMELY THE WHOLE OF THE GENERATION. And in the case where the illness does not become more serious, and does not spread throughout the parts of the body, why is more blood let from the right arm than from the left? WHY IS ONE MADE TO SUFFER AND NOT THE OTHER? He said to him: Why don't you give the answer?

97. He said to him: Certainly the body and the two arms stand for the three patriarchs and the head for Adam. The right arm is Abraham and the left arm is Isaac, while the body represents Jacob. Within the body, the liver is on the right, the spleen to the left, THESE BEING THE TWO KLIPOT OF Esau and Ishmael. The heart is Jacob, between them. The lungs and kidneys represent Abraham and Isaac, the lung being water, HINTING AT CHESED, for THE LUNG draws in all sorts of potions, while the kidneys are fire, which cooks the seed that descends from the brain.

98. And since Abraham is water, NAMELY CHESED, IF, THEREFORE, HIS OFFSPRING IMPAIRS CHESED, he places his offspring in the exile of Edom, WHICH IS THE WASTE MATTER of GVURAH FROM THE LEFT, AND THERE THEY RECEIVE THEIR PUNISHMENT: BECAUSE OF THEM BEING THE OPPOSITE OF ITS NATURE. This is why the liver and the gall that is in the liver are to the right of Abraham, NAMELY TO THE RIGHT OF THE BODY, his sword, NAMELY MALCHUT OF THE KLIPAH OF Esau being the gall (Heb. marah). About this it is said: "But her end is bitter (Heb. marah) as wormwood" (Mishlei 5:4). And if the sins become greater in number among the children of Abraham, NAMELY AMONG THOSE WHO EXTEND FROM THE SIDE OF CHESED, who are placed in the exile of Edom, and the disease spreads over them from the side of the liver, they have to be smitten and blood has to be let from the right arm, NAMELY FROM THOSE RIGHTEOUS WHO COME FROM THE SIDE OF CHESED, AND NOT FROM THOSE OF THE SIDE OF GVURAH, FOR THE FAULT IS IN THOSE OF THE SIDE OF CHESED. And 'whoever has his money taken is as though his blood was spilled', for he remains poor, and a poor man is considered as dead.

99. But if the sins become greater in number among the children of Isaac, NAMELY THOSE WHO DESCEND FROM HIM IMPAIR THE DEGREE OF GVURAH, WHICH IS THE SECRET OF ISAAC, they are THEN put into exile among Ishmael, WHICH IS THE KLIPAH OF THE RIGHT, WHICH IS THE OPPOSITE OF THE NATURE OF THE CHILDREN OF ISAAC, IN ORDER TO INCREASE THEIR PUNISHMENT. The disease spreads from the side of the spleen, which is to the left OF THE BODY AND CONTROLS THE CHILDREN OF ISAAC WHO IMPAIRED THE NATURE OF THE LEFT. And blood has THEREFORE to be let from the left arm, THAT IS TO SAY, FROM THOSE RIGHTEOUS WHO COME FROM THE SIDE OF GVURAH, and not from any others. THIS IS BECAUSE THE IMPAIRED HERE ARE THOSE WHO COME NOT FROM ABRAHAM, THE RIGHT ARM, BUT FROM ISAAC, THE LEFT ARM.

100. And if sins become greater in number amongst the children of Jacob, NAMELY THOSE WHO DESCEND FROM HIM IMPAIR HIS NATURE, WHICH INCLUDES BOTH SIDES, CHESED and GVURAH, who are scattered IN EXILE among the children of Esau and Ishmael, NAMELY IN THE KLIPTOT OF THE RIGHT AND OF THE LEFT, then the disease spreads over the body, WHICH IS THE ASPECT OF JACOB, and blood has to be let from both arms. But if all three of them, NAMELY THOSE DRAWN FROM JACOB, FROM ISAAC, AND FROM ABRAHAM, are diseased together, NAMELY ALL OF THEM HAVE DISCREDITED THEIR OWN ROOTS, the disease then rises to the head, and blood has to be let from the veins that are in the head. And these three TYPES OF RIGHTEOUS PEOPLE, THOSE DESCENDED FROM ABRAHAM, ISAAC, AND JACOB, became a Chariot for Adam and the patriarchs, and acquire from them strength to suffer torments and protect the generation throughout the four winds of the world.

101. Woe to that generation that causes the patriarchs and Adam to be struck, for this includes also the righteous men amongst them, for there is no difference between Adam and the righteous OF A GENERATION and the patriarchs and Adam. This is because those RIGHTEOUS are their souls DRAWN FROM THEM and their distress, pain, and anguish reach to the patriarchs and Adam. It is like the sea when a number of rivers flow out of it and return to it, impure and dirty, and the sea extracts their impurity and dirt. And because of the sea's strength, for it is strong, it does not suffer from their dirt, but throws it out, and the rivers remain clear and pure, without that dirt.

102. It can also be likened to a mother who cleans the dirt from her small children. In such a manner the patriarchs cleanse the sins and the dirt from their children, Yisrael, when there are among them people of righteous deeds who are strong enough to suffer torments for the sake of the generation. At that time there is no difference between them, namely AND THE PATRIARCHS, FOR THEY CLEANSE THE SINS OF THE GENERATION LIKE THE PATRIARCHS. They all came and greeted him, THE FAITHFUL SHEPHERD, and said to him: Sinai, Sinai, through whose mouth the Holy One, blessed be He, and his Shechinah speak, who is able to confront him in any MATTER? Happy is our portion that we have merited to revise and refresh new matters in this First Part of the compilation through you, so that the Shechinah may give light in the exile.

103. He said to them: Rabbis of every generation, those who have been OR WILL BE during their time, and how much more so the holy luminary, THAT IS, RABBI SHIMON, whose wisdom will shine in all the generations that come after him: do not give the Holy One, blessed be He, quiet in the Torah until the Holy Spirit is poured out on us. (THERE APPEARS TO BE AN OMISSION IN THE TEXT HERE). For none but you may use Metatron the great prince, since your name is intimated in the initials of his, FOR THE INITIAL LETTERS OF THE WORDS METATRON THE GREAT PRINCE ARE MEM SHIN HEI, WHICH SPELL MOSES.

15. The patient's pulse in the exile of Edom
The metaphor of Yisrael as a sick patient is used to show how the children of Yisrael are faring while in exile. With the description of the ten blowings of the Shofar we see how the length of the exile and the coming redemption are indicated.

104. And now there is need of a doctor to know by how many degrees the pulse of the patient, Yisrael, has increased in the exile of Edom, for it is said about him "that I am sick with love" (Shir Hashirim 5:8). For a number of doctors gathered over him to consider the pulse rate in order to know when his illness would come to an end, but not one of them could understand them, for no doctor is competent to read the pulse beats of this particular patient, for there are beats of T'kiah Sh'varim T'ruah T'kiah, T'kiah Shevarim T'kiah, T'kiah T'ruah T'kiah, as the prophet said about them: "Like as a woman with child, whose time of delivery draws near, is in pain and cries out in her pangs" (Yeshayah 26:17).

105. And all the ten Shofar blows, WHICH ARE T'KIAH SH'VARIM-T'RUAH, T'KIAH; T'KIAH SH'VARIM T'KIAH, T'KIAH T'RUAH T'KIAH, are included in three T'kiah Sh'varim T'ruah. FOR THEY INCLUDE ONLY THESE THREE DIFFERENT VARIATIONS IN BLOWS. T'kiah stands for the length of the exile. The Sh'varim TEACHES ABOUT the proximity of the exile, and the T'ruah about the coming redemption, FOR THE SOUNDS OF THE T'RUAH teach about duress after duress with no respite between them. And clearly, since the other nations make Yisrael's exile more difficult, it is the duress that they exert that brings the redemption closer. And so it is, too, in our case of the patient's pulse beat: AS the beats come faster, one after the other, with no space between them, the man's soul leaves him.

106. T'kiah Sh'varim-T'ruah, T'kiah; T'kiah Sh'varim T'kiah, T'kiah T'ruah T'kiah, WHICH ARE THE SECRET OF THE EXILE'S BEATS, AS ABOVE, make Kof Shin Resh (Heb. kesher - tie), the initials of T'kiah Sh'varim-T'ruah, by which falsehood (Heb. sheker, Shin Kof Resh) is removed from the world. Concerning this was the oath: "Hashem will have war with Amalek" (Shemot 17:16), FOR THE REDEMPTION WILL COME BY THE BEATS HINTED AT T'KIAH SH'VARIM-T'RUAH, T'KIAH; T'KIAH SHEVARIM T'KIAH, T'KIAH T'RUAH T'KIAH. AND THEN a simple, double, triple and quadruple song will arise in the world, where the letters OF THE YUD HEI VAV HEI will ascend AND JOIN TOGETHER. FIRST WILL COME Yud, THEN Yud-Hei, THEN Yud-Hei-Vav AND THEN Yud Hei Vav Hei, WHERE YUD IS THE SIMPLE SONG, YUD-HEI DOUBLE, YUD-HEI-VAV IS TRIPLE AND YUD HEI VAV HEI IS QUADRUPLE, AND THEIR NUMERICAL VALUE TOGETHER TOTALS 72. AT THE TIME OF THE REDEMPTION THIS NAME OF 72 WILL AWAKEN. At that time THE PRAYER will be answered: 'And therefore (Heb. uv'chen) the righteous shall see and be glad, the upright exult and the pious rejoice in song'. THE WORD 'UV'CHEN', THE NUMERICAL VALUE OF WHOSE LETTERS IS 78, NAMELY 72 WITH THE ADDITION OF SIX, WHICH IS THE VALUE OF THE LETTER VAV. This added Vav REFERS TO the sixth millennium. The Second Temple was destroyed Kof Ayin Bet (172) years before THE FIFTH THOUSAND. And following ITS DELAY AFTER THE FIFTH MILLENNIUM IT COULD BE the completion of Resh Ayin Bet (272) YEARS TO THE SIXTH MILLENNIUM. As in the verse "At evening (Heb. erev, Ayin Resh Bet) and you shall know that Hashem has brought you out, etc." (Shemot 16.6) Also, "For your servant became surety (Heb. Arav, Ayin Resh Bet) for the lad" (Beresheet 44.32). End of Ra'aya Meheimna
Rabbi Aba recalls a time when he asked Rabbi Shimon why the righteous are punished for the sins of a generation, and was told that this atones for the sins of the world. He had said that all mortals are parts of the one body. Rabbi Aba learned that usually one righteous man is sufficient to atone for everyone, but if there is too much sin then more righteous men are stricken. When the righteous die then everything is healed and atoned for.

107. While they were still sitting, they saw a shade standing over them that came and went, hither and thither in the house. They were astonished. Said Rabbi Aba: Yosi, my son, I shall tell you what happened with me when I was with the holy luminary, THAT IS RABBI SHIMON, one day when we were walking in the Valley of Ono, and engaging in Torah the whole of that day, and because of the intensity of the sun's heat, we sat in a niche under a rock.

107. עַד דְּהוּוּ יִתְבִּי, חָמוּ חַד טוֹלָא דְקַיִמָא עֲלֵיהוּ, אֲזַלָּא וְאֲתִיָּא, אֲזַלָּא וְאֲתִיָּא, בְּגוּ בֵּיתָא. תְּוֹהוּ. א"ר אָבָא, יוֹסִי בְנִי, אִימָא לָךְ מַה דְּהוּוּ לִי עִם בּוֹצִינָא קְדִישָׁא. יוֹמָא חַד הוּיִנֵּן אֲזֵלִינֵן בְּבִקְעָתָא דְאוֹנוֹ, וְהוּיִנֵּן לְעָאן בְּאוֹרֵייתָא, כָּל הָהוּא יוֹמָא, וּמְגוּ תוֹקְפָא דְשִׁמְשָׁא אוֹתְבָנִין גְּבִי חַד טִינְרָא, בְּגוּ נּוֹקְבָא חֲדָא.

108. I asked him to explain to me why it is that, whenever the number of wicked in the world increases and Judgment rests on the world, the righteous among them are smitten on their account? For this is what we have learnt about the sins of the generations: that is the holy and righteous who are caught. Why should this be so?!? Could it be because they do not admonish the world about their deeds? For there are many who do admonish, but they will not accept it from them so they are subdued before those WHO DO NOT LISTEN TO THEM. IS THIS WHY THEY ARE CAUGHT FOR THE SIN OF THE GENERATION? Or maybe it is because the world has no protector AND THE RIGHTEOUS ARE CAUGHT AND DIE SO THAT THE WICKED CAN EXIST ON THEIR MERIT? AND I ASKED HIM: Were the righteous not to die and not to be caught for the sins OF THE WICKED, BUT IF THE WICKED WERE TO PERISH, then would not this be a cause of joy for the righteous that the wicked should perish? AS WRITTEN "BUT WHEN THE WICKED PERISH, THERE IS JUBILATION" (MISHLEI 11:10).

108. אֲמִינָא לִיה, מָאי הָאֵי, דְּבִכָּל שַׁעְתָּא דְחַיִּיבִין אֲסָגִיאוּ בְּעֵלְמָא, וְדִינָא שְׂרִיָּא בְּעֵלְמָא, זִכְאִין דְּבַהוֹן לְקָאן עֲלֵיהוּ. דְּהִכִּי תְּנִינֵן, בְּחֹבָא דְרָרָא, קְדִישָׁא וְצַדִּיקָא יִתְפָּסוּן. אָמָאי, אִי בְּגִין דְּאִינּוּן דְּלֹא מוֹכִיחִין לְעֵלְמָא עַל עוֹבְדֵיהוּ, כְּמַה אִינּוּן דְּמוֹכִיחִין, וְלֹא מְקַבְּלֵי מַנְיָהוּ, וְצַדִּיקָא אֲתַבְּמִין קְמִיָּהוּ. וְאִי בְּגִין דְּלֹא הוּי מֵאן דִּיגִין עַל עֵלְמָא, לֹא יְהוּן מִתִּין, וְלֹא יִתְפָּסוּן בְּחֹבֵייהוּ, דְּהָא חֲדוּוּהָ אִיהוּ לְצַדִּיקָא בְּאַבְדָּא דְלַהוֹן.

109. He said to me: The righteous are certainly caught for the sins of the generation, and we have already discussed these matters. But when the righteous are caught with diseases and pestilence, it is in order to atone for the sins of the world, for then atonement is effected for the sins of the generation, SINCE THE SIDE OF HOLINESS IS THEREBY UPLIFTED AND THE OTHER SIDE SURRENDERS. How do we know about this? We learn it from all the parts of the body, for when all parts of the body are in trouble and a serious illness prevails in them, one limb has to suffer so that all of them should be healthy. And which IS THE LIMB THAT IS TO SUFFER? It is of course the arm, from which blood is let, and then all parts of the body regain health.

109. א"ל, בְּחֹבָא דְרָרָא וְדִאי מִתְפָּסִין צַדִּיקָא, וְהָא אוֹקִימָנָא הֵינִי מִלִּי. אָבֵל בְּשַׁעְתָּא דִּיתְפָּסוּן צַדִּיקָא בְּמַרְעִין, אוּ בְּמַכְתְּשִׁין, בְּגִין לְכַפְרָא עַל עֵלְמָא הוּי, כְּדִין יִתְכַפְּרוּן כָּל חוֹבֵי דְרָא, מִנְלָן. מִכָּל שׁוּימֵי גּוֹפָא, בְּשַׁעְתָּא דְכָל שׁוּימֵין בְּעַאקוּ, וּמַרְעֵ סָגִי שְׂרִיָּא עֲלֵיהוּ, שׁוּימָא חֲדָא אֲצִטְרִיךְ לְאַלְקָא, בְּגִין דִּיתְסוּן כְּלָהוּ, וּמְגוּ דְרוּעָא. דְרוּעָא אֲלָקִי וְאַפִּיקוּ מִינֵיהּ דְמָא, כְּדִין הָא אֲסוּתָא לְכָל שׁוּימֵי גּוֹפָא.

110. And so it is that all mortals are parts of the one body. When the Holy One, blessed be He, wishes to grant healing to the world, He inflicts diseases and pestilence on one righteous man from among them, and, for his sake, gives healing to everyone. Where do we learn this from? From the verse: "But he was wounded because of our transgressions...and by his injury we are healed" (Yeshayah 53:5). "and by his injury": this refers to the letting of blood, as one who lets blood from the arm, for in that injury "we are healed," that is to say, we, the parts of the whole body, find healing.

110. אוּף הִכִּי בְנֵי עֵלְמָא אִינּוּן שׁוּימֵין דָּא עִם דָּא. בְּשַׁעְתָּא דְבַעֵי קוּדְשָׁא בְּרִיךְ הוּא לְמִיָּדָב אֲסוּתָא לְעֵלְמָא, אֲלָקִי לְחַד צַדִּיקָא בִּינֵייהוּ, בְּמַרְעִין וּבְמַכְתְּשִׁין, וּבְגִינֵיהּ יְהִיב אֲסוּתָא לְכָלָּא. מִנְלָן. דְּכַתִּיב וְהוּא מְחֹלֵל מִפְּשַׁעֵינוּ מְדוּכָא מְעוֹנוֹתֵינוּ וְגו'. וּבְחִבּוּרְתוֹ נִרְפָּא לָנוּ. וּבְחִבּוּרְתוֹ, אֲקוּזָתָא דְרָמָא, כְּמֵאן דְּאֲקִיז דְרוּעָא, וּבְהָהוּא חִבּוּרָא נִרְפָּא לָנוּ, אֲסוּתָא הוּא לָנָא לְכָל שׁוּימֵין דְּגּוֹפָא.

111. And He never smites the righteous man unless it is in order to grant healing to the generation and to make atonement for their sins, for the Other Side prefers MORE THAN ANYTHING ELSE that Judgment should have control over the righteous, for he does not then consider the rest of the world important and he doesn't watch over them because of his great joy that he has control OVER THE RIGHTEOUS. And the righteous person WHO SUFFERS BECAUSE OF THE GENERATION merits heavenly rule, in this world and in the next world. And WHERE THERE IS a righteous man with whom things are going well, the explanation is that the Holy One, blessed be He, is not concerned to make atonement for the world.

112. I said to him: But if THERE ARE TWO RIGHTEOUS MEN, WHERE ONE OF THEM IS RIGHTEOUS AND THINGS GO BADLY FOR HIM, WHILE THE OTHER IS RIGHTEOUS AND THINGS GO WELL FOR HIM? If they do not live at the same time, THEN WHAT YOU HAVE SAID makes sense THAT IS, THAT: THE RIGHTEOUS MAN FOR WHOM THINGS GO WELL LIVES AT A TIME WHEN THE HOLY ONE, BLESSED BE HE, IS NOT CONCERNED TO MAKE ATONEMENT FOR THE WORLD, WHILE THE RIGHTEOUS MAN FOR WHOM THINGS DO NOT GO WELL LIVES AT A TIME WHEN THE HOLY ONE, BLESSED BE HE, IS CONCERNED TO MAKE ATONEMENT FOR THE WORLD. But what about the case where there are two righteous men, one here and one here, both living AT THE SAME TIME, and the one suffers from diseases and pestilences while the other enjoys all the good things of the world? He said to me: One, or possibly two, righteous are sufficient FOR THE ATONEMENT OF THE GENERATION, for the Holy One, blessed be He, does not need to smite all of them, just as it is unnecessary to smite and draw blood from more than one arm in order to grant health to all parts OF THE BODY. Similarly, here too, one righteous man suffices.

113. But if the illness strikes all parts of the body, it is then necessary to let blood from both of the arms. So also in our case. If the number of serious sins in the world increases, then all the righteous have to be smitten in order to grant healing to the whole generation. But when they are not so many, then only one righteous man is smitten, and the other righteous live in peace, for the world is not in such need that all of them need to be smitten. And if the people are healed, the righteous are also healed, but it sometimes happens that THE RIGHTEOUS are afflicted with diseases throughout their lives in order to protect the generation, at a time WHEN THE SINS ARE HEAVIER. When THE RIGHTEOUS die, then everything is healed, and atoned for.

16. All nations do not sway - just Yisrael

Rabbi Aba recounts Rabbi Shimon's explanation of why the children of Yisrael sway when they read the Torah. He learned that the spirit of man is the candle of God, and that light flickers and moves, swaying to and fro.

114. We got up and continued on our way. The intensity of the sun's heat was excessively STRONG and made it difficult for us to continue. Then we saw some trees in the wilderness with water under them. We sat down in the shade of one of the trees in the wilderness, and I asked him, RABBI SHIMON: Can you explain to me why it is that of all the nations of the world the only one that sways is Yisrael? For when they study Torah they sway back and forth? And this is not something that they learnt from anyone else, but they just can not stand still.

114. קָמַנָּא וְאִזְלַנָּא. וְתוֹקְפָא דְשֶׁמֶשׁ הוּא יְתִיר, וְדַחִיק לָן בְּאוֹרְחָא. חָמִינָן אִילָנִין בְּמַדְבְּרָא, וּמִיּוּן תְּחוּתֵיהוּ. יְתִיבְנָא תְּחוּת חַד טוּלָא דְאִילָנָא דְמַדְבְּרָא. שְׁאִילָנָא לִיה, מֵאִי הָאִי דְכָל עַמּוּן דְעֵלְמָא לֹא עֲבָדִין נְעוּעָא, אֲלֵא יִשְׂרָאֵל בְּלַחֲדוּיְהוּ, דְכַד לְעָאן בְּאוֹרֵיתָא, מִתְנַעֲנֵן הֵבָא וְהֵבָא, בְּלֹא לְמוּדָא דְבַר נֶשׁ בְּעֵלְמָא, וְלֹא יִכְלִין לְמִיקָם בְּקִיּוּמֵיהוּ.

115. He said to me: You have reminded me of a heavenly matter, yet people do not know and do not pay attention. He sat down for a while and cried. Then he said: Woe to people who go around like the beasts of the field, without understanding. In this matter alone are the holy souls of Yisrael distinguished from the souls of the other peoples, worshippers of idols. The souls of Yisrael are derived from the holy burning candle, WHICH IS MALCHUT, as it is written: "The spirit of man is the candle of Hashem" (Mishlei 20:27). And when this lamp is kindled from the higher divine Torah, WHICH IS ZEIR ANPIN, its light does not repose in stillness for even a moment, and this is the secret of the verse: "Elohim, keep not silent" (Tehilim 83:2), WHICH IS WRITTEN ABOUT MALCHUT. And something similar is written ABOUT THE SOULS: "you that make mention of Hashem, keep you not silent" (Yeshayah 62:6), NAMELY you have no respite. Once the light of the candle has taken hold of the wick, that light will never rest, rather, the fire light sways and fro, and never stays still.

115. אָמַר לִי, אֲדַבְּרְתָן מֵלְתָא עֲלָא, וּבְנֵי עֵלְמָא לֹא יִדְעִין, וְלֹא מְשַׁגְּיחִין. יְתִיב שְׁעָתָא וּבִבְכָה, אָמַר, וּוִי לְבַנֵּי נֶשׂא דְאִזְלִין כְּבַעֲרֵי חֻקְלָא, בְּלֹא סוּכְלָתְנּוּ. בְּמֵלָה דָּא בְּלַחֲדוּי אֲשֶׁתְּמוּדְעָן נִשְׁמַתְהוּן קְדִישִׁין דְיִשְׂרָאֵל, בֵּין נִשְׁמַתְהוּן דְעַמּוּן עֵבְו"ם. נִשְׁמַתְהוּן דְיִשְׂרָאֵל אֲתַגְּזֵרוּ, מְגוּ בּוֹצִינָא קְדִישָׁא דְדְלִיק, דְכִתִּיב נֹר יִי' נִשְׁמַת אֲדָם. וְהָאִי נֹר בְּשְׁעָתָא דְאֲתַדְלִיק מְגוּ אוֹרֵיתָא דְלַעִילָא, לֹא שְׂכִיךְ נְהוּרָא עֲלֵיהּ אֲפִילוּ רְגָעָא. וְרָזָא דָּא, אֱלֹהִים אֵל דְמִי לָךְ. כְּגוּוּנָא דָּא כְּתִיב, הַמְזַכִּירִים אֶת יִי' אֵל דְמִי לָכֶם, לֹא שְׂכִיכוּ לְכוּן. נְהוּרָא דְשֶׁרְגָא בֵּינּוּן דְאֲתַאחֲרָא גּוּ פְתִילָה, הֵהוּא נְהוּרָא לֹא שְׂכִיךְ לְעֵלְמִין, אֲלֵא מִתְנַעֲנֵעָא נְהוּרָא לְכָאן וּלְכָאן, וְלֹא מִשְׁתַּכְּיךְ לְעֵלְמִין.

116. This is how it is with Yisrael, too, for their souls are of the light of the same candle, WHICH IS MALCHUT. Once he has raised one Torah subject, the light begins to burn, and they are unable to obtain respite. This is why they sway hither and thither and from side to side, just as the flame of the candle flickers, for it is written: "The spirit of man is the candle of Hashem."

116. כְּגוּוּנָא דָּא, יִשְׂרָאֵל, דְנִשְׁמַתֵּיהוּ מְגוּ הֵהוּא נְהוּרָא דְשֶׁרְגָא, בֵּינּוּן דְאָמַר מֵלָה חֵדָּא דְאוֹרֵיתָא, הָא נְהוּרָא דְלִיק, וְלֹא יִכְלִין אִינוּן לְאֲשַׁתְּכַבָּא, וּמִתְנַעֲנֵעָן לְכָאן וּלְכָאן, וְלִכְל סְטְרִין. כְּנְהוּרָא דְשֶׁרְגָא, דְהָא נֹר יִי' נִשְׁמַת אֲדָם כְּתִיב.

117. And it is written: "But you...are men" (Yechezkel 34:31). This means that you, and not the nations of the world, are called 'men'. The souls of the idol worshipping peoples are of extinguished straw, with no light resting on them. This is why they are in repose and do not sway, for they have no Torah by which to be enflamed and no light rests on them. THIS IS WHY they stand like trees in a blaze, burning without a light resting on them, and so they are still without any light at all. Said Rabbi Yosi: So this is the explanation of the matter. Happy is my lot that I deserved to hear this answer.

117. וּכְתִיב, אֲדָם אַתֶּם, אַתֶּם קְרוּיִין אֲדָם, וְלֹא אוּמִין עֵבְו"ם. נִשְׁמַתִּין דְעַמּוּן עֵבְו"ם, מְדַעִיכוּ דְקֶשׁ, בְּלֹא נְהוּרָא דְשְׂרִי עֲלֵיהוּ. וְע"ד מִשְׁתַּכְּכִין, וְלֹא מִתְנַעֲנֵעָן, דְהָא לִית לוֹן אוֹרֵיתָא, וְלֹא דְלִקִין בַּהּ, וְלֹא נְהוּרָא שְׂרִיָּא בְּהוּן, אִינוּן קִיּוּמִין כְּעֵצִים בְּגוּ נוּרָא דְדְלִיק, בְּלֹא נְהוּרָא דְשְׂרִיָּא עֲלֵיהוּ, וְע"ד מִשְׁתַּכְּכִין בְּלֹא נְהוּרָא כְּלָל. א"ר יוֹסִי, דָּא אִיהוּ בְּרִירוּ דְמֵלָה, זְפָאָה חוּלְקֵי דְזַכִּינָא לְהָאִי, לְמִשְׁמַע דָּא.

17. "Let Yisrael rejoice in Him who made him"
We learn why people must involve God and His Shechinah in their rejoicing.

118. Arise Rabbi Aba to expound and refresh new matters in the Torah, as you said in the compilation of the First Part! Rabbi Aba began: "Sing to Hashem a new song, and His praise from the end of the earth, etc." (Yeshayah 42:10). How beloved are Yisrael before the Holy One, blessed be He, for their rejoicing and their praises are only in Him! For so we have learnt that any rejoicing of Yisrael in which they do not involve the Holy One, blessed be He, is no rejoicing at all. And in the future Samael and all his band will denounce that rejoicing, and they will be left with sorrow and weeping, and the Holy One, blessed be He, will not partake of that sorrow.

119. But whoever involves the Holy One, blessed be He, and his Shechinah in his rejoicing, if the accuser should come to denounce that rejoicing, the Holy One, blessed be He and His Shechinah participate in that sorrow. For does not Scripture say: "In all their affliction He was afflicted" (Yeshayah 63:9)? And how is this? Because THE VERSE SAYS: "I will be with him in trouble" (Tehilim 91:15).

120. And how do we know that Yisrael have to involve the Holy One, blessed be He, and His Shechinah, in their rejoicing? It is as is written: "Let Yisrael rejoice in Him (lit. 'they') who made him" (Tehilim 149:2), THE MEANING OF WHICH IS THAT Yisrael has no rejoicing but with them who made him. HE ASKS, Why "them who made him" when it should be "He"? HE ANSWERS THAT this refers to the Holy One, blessed be He, and His Shechinah, and a person's Father and his Mother. For, even if the latter be dead, the Holy One, blessed be He, uproots them from the Garden of Eden and brings them with Him to that rejoicing, so that they can participate in the rejoicing with the Holy One, blessed be He and His Shechinah. AND THE MEANING OF "THEM WHO MADE HIM" IS as in the verse: "let Him that made him bring near His sword to him" (Iyov 40:19)

18. Three Craftsmen: heaven, earth and water

Rabbi Aba says that a person is made by the partnership between his father, his mother and God. He then refers to the three craftsmen made by God - the heaven, the earth and the water - and with whom He produced the world. When these three were finished God commanded them to produce the body of man, and He provided the soul. When a person rejoices he is rejoicing with his parents, even though they may already have passed to the next world, and also with God.

121. An alternative explanation of "they who made him" IS THAT IT REFERS TO THE HOLY ONE, BLESSED BE HE, THE PERSON'S FATHER AND MOTHER, since man is made in partnership between man, his wife, and the Holy One, blessed be He. And in this secret it is written: "Let Us make man" (Beresheet 1:26), "Us, " implying a partnership WITH HIS FATHER AND HIS MOTHER. For we have learnt that the Holy One, blessed be He, made three craftsmen with whom to produce the world, namely: the heaven, the earth and the water, and each one of them served for one day, AND THEN LATER each served FOR A SECOND DAY, as previously.

118. קום ר' אבא, לְחַדְשָׁא מִלִּין דְּאוּרִייתָא, דְּאִמְרַת בְּחִבּוּרָא קְדָמָא. פִּתַּח ר' אבא וְאָמַר, שִׁירוּ לִי שִׁיר חֲדָשׁ תְּהִלְתּוּ מִקְצֵה הָאָרֶץ וְגו'. כַּמָּה חֲבִיבִין יִשְׂרָאֵל קָמִי קוּדְשָׁא בְּרִיךְ הוּא, דְּחֻדְוָה דְּלֵהוּן וְתוּשְׁבַחְתָּא דְּלֵהוּן לֹא אִיהוּ, אֶלָּא בֵּיהּ דְּהִכָּא תְּנִינּוּ, כֹּל חֻדְוָה דְּיִשְׂרָאֵל דְּלֹא מִשְׁתַּתְּמִי בֵּיהּ לְקוּדְשָׁא בְּרִיךְ הוּא, לֹא אִיהוּ חֻדְוָה. וְזִמִּין אִיהוּ סְמָאֵל וְכֹל סִיעֵתָא דִּילִיָּהּ לְקַטְרָגָא לְהֵוּא חֻדְוָה, וְאִשְׁתָּאֵר בְּצַעְרָא וּבְכִיָּה, וְקוּדְשָׁא בְּרִיךְ הוּא לֹא אִשְׁתַּתְּףָּ בְּהֵוּא צַעְרָא.

121. ד"א בְּעוֹשָׁיו, בְּגִין דְּב"נ אֲתַעְבִּיד בְּשׁוֹתְמוֹת, גְּבָרָא וְאִתְתָּא, וְקוּדְשָׁא בְּרִיךְ הוּא. וְעַל רְזָא דָּא כְּתִיב, נַעֲשֵׂה אָדָם, בְּשׁוֹתְמוֹ. דְּתְנִינּוּ, תִּלְתָּ אֻמְנִין עֲבַד קוּדְשָׁא בְּרִיךְ הוּא, לְאַפְקָא מְנַהוּן עֲלָמָא, וְאֵלִין אִינוּן: שְׁמַיָּא, וְאַרְעָא, וּמַיָּא. וְכֹל חַד שְׁמֵשׁ חַד יוֹמָא, וְאַהֲדָרוּ כְּמִלְקַדְמִין.

122. On the first day the heaven produced its craft, as it is written: "And Elohim said, Let there be light: and there was light" (Beresheet 1:3). On the second day the waters gave of their craft, as it is written: "And Elohim said, Let there be a firmament in the midst of the waters..." (Beresheet 1:6), where half the waters ascended on high and half remained below; and had the waters not divided there would have been no world. On the third day the earth did as it was commanded, as it is written: "Let the earth bring forth grass..." (Beresheet 1:11). And the next verse says "And the earth brought forth grass" (Beresheet 1:12).

123. So far each OF THE THREE CRAFTSMEN had produced of its craft and they had done what they had been commanded to do. Three other days remained IN THE ACT OF CREATION. On the fourth day, the first craftsman, THE HEAVEN, was commanded to do its craft, as it is written: "And Elohim said, Let there be lights in the firmament of the heaven..." (Beresheet 1:14), and so we have the skies. On the fifth day it was again the turn of the second craftsman, the waters, as it is written: "And Elohim said, Let the waters swarm..." (Beresheet 1:20). On the sixth day the earth again produced its craft, as it is written: "And Elohim said, Let the earth bring forth living creatures" (Beresheet 1:24).

124. These three craftsmen having finished their tasks, the Holy One, blessed be He, said to them: I have one more creation to make, namely Man. Join yourselves together and let us, I with you, make Man. The body shall be made by you, but I will be a partner with you BY GIVING THE SOUL, and we shall make Man. And just as formerly the three craftsmen worked in a partnership IN THE ACT OF CREATION, so also was it subsequently WITH THE CREATION OF MAN. There is the father, with whom He made the works of the heavens and the works of the waters, FROM WHOM COMES THE WHITENESS THAT IS IN MAN; and the mother, who is the third craftsman, like the earth, FROM WHOM COMES THE REDNESS IN THE BABY. And then there is the Holy One, blessed be He, who participated with them, FROM WHOM COMES THE SOUL. And in respect of this secret, the text has "they who made him" IN REFERENCE TO THE HOLY ONE, BLESSED BE HE, A PERSON'S FATHER AND HIS MOTHER.

125. And even though his father and his mother might have departed from this world, a man rejoices with all the three partners of his making, as we have learned: When a man involves the Holy One, blessed be He, in his rejoicing, the Holy One, blessed be He, comes to the Garden of Eden, and takes his father and mother from there, for they are partners with Him, and brings them with Him to that rejoicing, and all of them are there together but mortal men do not know it. When, on the other hand, a man is in trouble, the Holy One, blessed be He, is there with him alone, and He does not inform his father and mother, as it is written: "In my distress I called upon Hashem, and cried to my Elohim" (Tehilim 18:7).

122. יומא קדמא, אפיק שמיא אומנותא דיליה, דכתיב ויאמר אלהים יהי אור ויהי אור. יומא תניינא, אפיקו מיא אומנותא לעבידתא, דכתיב ויאמר אלהים יהי רקיע בתוך המים וגו'. אסתלקו פלגא מיא לעילא, ופלגא מיא לתתא אשתארו. ואלמלא כן דמיא אתפרשו, עלמא לא הוה קאים. יומא תליתאה, עבידת ארעא ואפיקת כמה דאתפקדת, דכתיב ויאמר אלהים תרשא הארץ דשא עשב, וכתיב ותוצא הארץ דשא וגו'.

123. עד הכא כל אומנא מאלין תלתא, אפיק אומנותא דיליה, ועברו מה דאתפקדו. אשתארו תלת יומין אחרנין. יומא ד', אתפקד אומנא קדמא למעבר אומנא דיליה, דכתיב ויאמר אלהים יהי מארת וגו', והיינו שמים. ביומא חמשאה, אפיקו מיא דאיהו אומנא אחרא, דכתיב ויאמר אלהים ישרצו המים וגו'. ביומא שתיתאה, עבדת ארעא אומנותא דילה, דכתיב ויאמר אלהים תוצא הארץ נפש חיה וגו'.

124. ביון תלת אומנין אלין אשלימו עובדיהו. אמר לון קודשא בריך הוא, אומנותא חדא אית לי למעבר, ואיהו אדם. אתחברו כחדא, ואנא עמכון, נעשה אדם, גופא דלכון, ואנא אהא שותפו עמכון, ונעשה אדם. כמה דבדקדמיתא הוה בשותפו הכי נמי לבתר. אבא, דכיה עביד עבידתא דשמיא, ועבידתא דמיא. ואתתא, דאיהו אומנא תליתאה, כגוונא דארעא. וקודשא בריך הוא דאשתתף בהדיהו. ועל רזא דא כתיב בעושו.

125. ואף על גב דאבא ואמא אתפרשו מהאי עלמא, חדוה בכל שותפותא הוי. דתנינן, בשעתא דבר נש שתיף לקודשא בריך הוא לחדוה דיליה, קודשא בריך הוא אתי לגנתא דערן, ואעקר מתמן לאבוי ואמיה, דאינון שותפין בהדיה, ואייתי לון עמיה להווא חדוה, וכלהו זמינין תמן, ובני נשא לא ידעין. אבל בעקו דב"ג, קודשא בריך הוא זמין לגביה בלחודו, ולא אודע לאבוי ולאמיה, הה"ד בצר לי אקרא יי' ואל אלהי אשוע וגו'.

We learn how many partners are responsible for creating and sustaining a person, including God and His Shechinah, one's mother and father, the angels, the sun and moon, the living creatures, the trees and the seed of the earth. At the time of the redemption all will come together and rejoice.

126. Said the Holy One, blessed be He: I and My Shechinah are the partners in the soul, a person's father and mother are the partners in the body, for his father injects the whiteness IN THE BABY, namely the white of the eyes, bones, sinews, and brain, and the woman SUPPLIES the black of the eyes, hair, flesh, and skin. The heavens, the earth, and all their hosts also participate in MAN'S creation. The angels, TOO, TAKE PART, for from them COME the Good Inclination and the Evil Inclination, THAT MAN should be portrayed in both of them. THE PART OF the sun and the moon is to give him light by day and by night, and even the beasts, cattle, birds, and fish PARTICIPATE IN MAN, for he makes a living from them. The trees and the seed of the earth PARTICIPATE IN HIM to sustain and nourish him.

Ra'aya Meheimna (The Faithful Shepherd)

127. What does the Holy One, blessed be He, do? He uproots his father and mother from The Garden of Eden and brings them with Him so that they should be with Him at the rejoicing of their children. AND SO IT IS AT THE TIME OF THE REDEMPTION, for there is no rejoicing like that of the Redemption, about which it is written: "Let the heavens be glad, and let the earth rejoice: and let it be said among the nations, Hashem reigns... Then shall the trees of the wood sing for joy before Hashem, because he comes to judge the earth" (I Divrei Hayamim 16:31-33), FOR THEN THE HOLY ONE, BLESSED BE HE, BRINGS THE PATRIARCHS AND MATRIARCHS OF YISRAEL TO BE AT THEIR REJOICING.

20. "Behold, I give to him My covenant of peace"

We learn about two alphabets, the large letters belonging to the next world and the small letters belonging to this world. As the Yud was added to the name of Pinchas the explanation becomes clear that God asked Moses to give His Shechinah to Pinchas. Next we realize that the shade of the departed Rabbi Pinchas ben Yair has been with the rabbis in their discussions, for he had spoken of those same matters while he was still alive.

128. The same shade returned as previously and walked around the house in the likeness of a man. Rabbi Aba fell on his face. Said Rabbi Yosi: I recall that in this spot I saw Rabbi Pinchas Ben Yair. One day he was standing on this spot and asked as follows: In the verse "Pinchas, the son of Elazar, the son of Aaron the priest" (Bemidbar 25:11), WHY IS PINCHAS HERE SPELLED with the addition of the small letter YUD?

129. AND HE ANSWERS because there are two sets of recorded alphabets, one alphabet of larger letters and one of small letters. AND HE EXPLAINS: the large letters belong to the next world AND ARE IN THE ASPECT OF BINAH, WHICH IS CALLED 'THE NEXT WORLD', while the small letters belong to this world AND ARE IN THE ASPECT OF MALCHUT, WHICH IS CALLED 'THIS WORLD'. HERE LIES THE REASON FOR the small letter Yud, which is a sign of the holy covenant, NAMELY MALCHUT. Since Pinchas was zealous for this covenant, a small Yud was added to him, which is the secret of this covenant, NAMELY MALCHUT.

130. At that time, the Holy One, blessed be He, said: What can I do with Moses, for this covenant came from Moses, and the bride, WHO IS MALCHUT, is his. It is not nice to give her, MALCHUT, to another, unless Moses knows about it and desires it. It just is not proper. The Holy One, blessed be He, started by saying to Moses: 'Moses, "Pinchas, the son of Elazar, the son of Aaron the priest..."' Moses interrupted Him and asked: Master of the Universe, what is all this about? THE HOLY ONE, BLESSED BE HE, answered him: 'You are the one who has given your soul for Yisrael a number of times so that they should not disappear from the world, while he, PINCHAS, "has turned My wrath away from the children of Yisrael"'(Bemidbar 25:11). Said Moses: What do You want of me? Is not everything Yours? AND IF YOU WANT TO CAUSE MALCHUT TO REST ON HIM, WHO CAN TELL YOU WHAT YOU SHOULD DO?

131. Said THE HOLY ONE, BLESSED BE HE, TO MOSES: 'Here: it is all yours! You tell PINCHAS THAT MY SHECHINAH will rest within him.' Said Moses: In all sincerity, let MALCHUT be with him. Said THE HOLY ONE, BLESSED BE HE, 'You tell him yourself, and in a loud voice, that you are handing THE SHECHINAH over to him, willingly and sincerely. Thus the verse "Wherefore say" - you say it willingly - "Behold, I give to him my covenant of peace" (Bemidbar 25:12) Moses started to say: "Behold I give to him." For if IT WAS REFERRING TO the Holy Blessed One, what should have been said was: 'Wherefore say to him, Behold, I give to him my covenant of peace'. But this is not written, but rather "Wherefore say" WITHOUT 'TO HIM', THE MEANING BEING THAT MOSES WAS COMMANDED TO SAY IT. Should you suggest that THE SHECHINAH was completely removed and taken away from Moses AND GIVEN TO HIM, you would be wrong, for it is like a candle that is used to light something else. The one gains the benefit of the light, while the other is no poorer.

132. The same shade came, sat down, and kissed him. They heard a certain voice saying: Make room, make room for Rabbi Pinchas ben Yair, for he is among you. As we have learned: in every place where a righteous man made a new interpretation of a matter in the Torah while he was in this world, he comes from the next world and visits that place. And this is even more likely when there are other righteous men in that place, deriving new interpretations and speaking about the Torah. And so it was that Rabbi Pinchas ben Yair came to visit his place and found there a number of righteous men revealing new interpretations of the Torah, and that matter was freshly renewed as previously in the presence of Rabbi Pinchas ben Yair. IN OTHER WORDS, THAT SAME TORAH MATTER THAT RABBI PINCHAS HAD SPOKEN OF WAS REESTABLISHED IN HIS PRESENCE WHEN YOU MENTIONED IT IN HIS NAME.

133. Rabbi Aba said: This interpretation of Rabbi Pinchas ben Yair is very nice, for it is indeed not written: 'Wherefore I give', but "Wherefore say, Behold, I to give to him," MEANING THAT MOSES WAS COMMANDED TO SAY TO HIM, AS NOTED ABOVE. And just to think that this matter was hidden with you from that devout man, and you said nothing UNTIL NOW. Happy is our portion that we were privileged to be here with the help of the holy shade.

21. "Whatever your hand finds to do, do it with your strength"

Rabbi Aba says that righteous men draw their strength from the power of God when they undertake to do His will. By awakening ourselves we awaken the holy and divine power, thus shattering any power that the Other Side may have had over us. Rabbi Aba tells us that the strength that

includes deed and speech and knowledge and wisdom does not exist at all in Sheol. We hear that all men actually go to Sheol, but the righteous rise up again immediately, having gone there to bring up with them anyone who considered repentance but was unable to repent before he died.

134. Then he began and said in the name of Rabbi Pinchas: "Whatever your hand finds to do, do it with your strength" (Kohelet 9:10). How good it is for a man to try to fulfill the will of his Master while the flame is yet burning and resting on his head. For the light of that flame is strength resting upon him, and so is it written: "let the power (strength) of my master be great" (Bemidbar 14:17). "the power of my master" - this is the power that rests on the head of the righteous and of all those who willingly undertake the will of their Master, WHICH IS THE SHECHINAH. And about this we have already learned: 'Whoever responds with all his power: 'Amen. May His great name be blessed...' - HIS SENTENCE OF SEVENTY YEARS IS TORN UP'.

135. He surely has to awaken all his parts with great power IN THE WORSHIP OF THE HOLY ONE, BLESSED BE HE, for by means of this powerful awakening that he summons up, he also awakens that holy and divine power, WHICH IS MALCHUT, and he is uplifted in holiness and shatters the power and hold of the Other Side. Hence IT IS WRITTEN: "WHATEVER YOUR HAND FINDS TO DO, DO IT WITH YOUR STRENGTH," FOR IT IS with your own strength that you must perform the will of your Master.

136. "for there is not work, nor device, nor knowledge, nor wisdom in Sheol, whither you go" (Kohelet 9:10). For it is in this power, that there is deed; namely the effort to engage in this world is called 'deed', namely the world of action, to complement the end of the thought. Device refers to the world that depends on speech, NAMELY MALCHUT, WHICH IS CALLED 'SPEECH', for an accounting device depends on speech, and this is why all the numerology and the solstices and equinoxes of the world are through the moon, WHICH IS MALCHUT. "nor knowledge" refers to the secret of the six ends, WHICH IS ZEIR ANPIN, which are dependent on thought, and are called to the world of that thought, WHICH IS BINAH. "nor wisdom" REFERS to CHOCHMAH, on which everything is dependent, AS IT IS SAID: "IN WISDOM HAVE YOU MADE THEM ALL" (TEHILIM 104:24).

137. And all of them, THE DEED, THE ACCOUNTING DEVICE, KNOWLEDGE, AND WISDOM, are included in that same strength, WHICH IS THE SHECHINAH THAT RESTS ON THE HEAD OF THE RIGHTEOUS. This is not the case on the side of Sheol, which is a level of Gehenom. For the end of everyone who does not try with this strength to enter with it into deed, accounting device, knowledge, and wisdom in this world will be in Sheol, where there is no deed, nor accounting device, nor knowledge, nor wisdom. For the Other Side is the way to Sheol, as it is written: "Her house is the way to Sheol" (Mishlei 7:27). Whoever becomes listless in that holy strength is attacked by the Other Side, whose house is Sheol.

134. אוף הוא פתח ואמר, משמיה דר' פנחס כל אשר תמצא ירך לעשות בכחך עשה וגו', כמה יאות ליה לב"נ בעוד דבוצינא דליק ושריא על רישיה, לאשתדלא ולמעבד רעותא דמאריה. בגין דההוא נהורא דבוצינא, איהי כ"ח דשריא עליה. וע"ד כתיב, יגדל נא כח יי'. כח יי', דא הוא כח, דשריא על רישיהון דצדיקינא, וכל אינון דמשתדלין ברעותא דמאריהון. ועל דא תנינן, כל העונה אמן יהא שמיה רבא מברך בכל כחו.

135. ודאי אצטריך לאתערא כל שייפוי בחילא תקיף בגין דבאתערותא תקיף דאתקף, אתער ההוא כח קדישא עלאה, ואסתלק גו קודשא ואתבר חילא ותוקפא דסטרא אחרא. וע"ד בכחך, אצטריך למעבד רעותא דמאריך.

138. "whither you go": HE ASKS, Do, indeed, all men go there to Sheol? HE ANSWERS, yes, but THE RIGHTEOUS rise up again immediately, as it is written: "He brings down to Sheol, and brings up" (I Shmuel 2:6). This verse, however, is not to be applied to the wicked who never for a moment considered repentance, for they go down TO SHEOL and do not ascend again. Even the completely righteous go down there. Why should this be? It is because they take from there a number of wicked and bring them up from there. Who are the ones THAT THEY BRING UP? They, who considered repentance in this world, but were unable to repent for they departed from the world. And it is for these wicked people that the righteous go down to Sheol and take them and bring them up from there.

22. "Your Eyes like the Pools in Heshbon"

Rabbi Yosi is prompted by the shade of Rabbi Pinchas ben Yair to remember the esoteric explanation of the accounting of the numerical values of letters.

139. Said Rabbi Yosi: It is written: "counting one thing to another, to find out the sum (Heb. cheshbon)" (Kohelet 7:27), AND HE ASKED: the account of the numerical values of letters is according to the moon, WHICH IS MALCHUT, but in which of her levels? He did not answer, but said: I have heard this matter, but do not remember it. The same shade arose and hit Rabbi Aba in the eyes. He fell on his face out of fear, and while he was still lying on his face, a verse came to him, as it is written: "Your eyes like the pools in Heshbon, by the gate of Bath-rabbim" (lit. 'daughter of the many')" (Shir Hashirim 7:5). THE EXPLANATION IS: This refers to the eyes OF MALCHUT, NAMELY ITS CHOCHMAH WHICH IS CALLED 'EYES', and they are appetizers, NAMELY DELICACIES to the divine Chochmah which is drawn from above, FROM BINAH, AND HER EYES are filled by reckoning (Heb. cheshbon) and solstices and equinoxes and become pools flowing out from the right in all directions until they are counted in every account and intercalation of the moon from the outside, NAMELY OF THE EXTERNAL PARTS OF MALCHUT, also of the stars and the constellations - in order to reach a sum. And this is "by the gate of Bath-rabbim," which is the moon, WHICH IS MALCHUT, from the outside.

139. אָמַר ר' יוֹסִי, כְּתִיב אַחַת לְאַחַת לְמִצָּא חֶשְׁבוֹן. חֶשְׁבוֹן דְּגִימְטְרִיאוֹת דְּקִיּוּמִן בְּסִיְהָרָא, בְּאֵן דְּרָגָא דִּילָהּ אֵינּוֹן. לֹא אַתִּיב לִיהּ. אָמַר, שְׂמַעְנָא, וְלֹא אֲדַכְרְנָא מְלָהּ. קָם הָהוּא טוֹלָא, וּבִטְשׁ בְּעֵינָיו דְּר' אָבָא, נָפַל עַל אַנְפוּי מַגּוּ דְּחִילוּ. עַד דְּהוּה נָפַל עַל אַנְפוּי, נָפַל קָרָא בְּפִסְמוּיָהּ, דְּכִתְיִב, עֵינֶיךָ בְּרִכּוֹת בְּחֶשְׁבוֹן עַל שַׁעַר בַּת רַבִּים. וְאֵלִין עֵינֵיךָ דִּילָהּ, פְּרַפְרָאוֹת לְגוֹ חֲכָמָה עֲלָא, דְּאִתְמַשְׁכָּא מִלְּעֵילָא, וּמַגּוּ חֶשְׁבוֹן וְתַקּוּפִין וְעַבּוּרִין אִתְמַלְיִין, וְאִתְעַבְּדוּ בְּרִיכּוֹת, דְּנִפְקוּ מִיּוּמִין, לְכָל סְטָרִין, עַד דְּאִתְפַּקְדוּ לְכָל חוּשְׁפִין וְעַבּוּרִין דְּסִיְהָרָא דְּלִבְר, וְכַכְבִּין וּמְזִלֵי לְמַעַבְד חֶשְׁבוֹן, וְדָא אִיהוּ עַל שַׁעַר בַּת רַבִּים, דָּא אִיהוּ סִיְהָרָא דְּלִבְר.

23. "in the evening she would go, and on the morrow she would return"

Rabbi Aba again goes over the matter of God persuading Moses to give His holy covenant of peace to Pinchas. We learn that Malchut has permission from Zeir Anpin to live among the righteous in the world. If Pinchas had not been given Malchut he would never have been able to attain the high priesthood.

140. Rabbi Aba said to Rabbi Yosi: That holy pearl that was in your possession with the help of the holy pious one who visited us, NAMELY THE REPORT FROM RABBI PINCHAS BEN YAIR, WITH THE HELP THAT CAME TO US - it is so beautiful that I must go over it again. For it is certainly unnecessary to remove a woman to another place unless her husband so commands and gives her permission to go. ACCORDINGLY, one first of all informs her husband and placates him so that he should command her and give her permission to go to that place. So the Holy One, blessed be He, placated Moses until he gave his permission. Then He said to him: "You say it - "Behold, I give to him my covenant of peace" (Bemidbar 25:12), that it should abide in PINCHAS, and so long as he had not given her permission to go, she did not go.

140. א"ר אבא לר' יוסי, ההוא מרגלא קדישא דהוה תחות ירך, מגו סיעתא דחסידיא קדישא דאיהו גבן, במה שפיר איהו, ואהדרנא ביה. דהא ודאי לא אצטריך לאפקא אתתא, למשרי באתר אחרא, עד דבעלה ומקד לה ויהיב לה רשו למהך. ואודעין לבעלה בקרמיתא, ומפויסין ליה, דהוא ומקד לה, ויהיב לה רשו למהך לההוא אתר. כן קודשא בריך הוא פויס למשה, ועד דיהיב ליה רשו, וא"ל אימא אנת, הנני נותן לו את בריתי שלום, למשרי בגוויה, ועד דיהיב לה רשו למהך תמן, לא אזלת.

141. How do we know this? From the righteous one of the world, WHICH IS YESOD OF ZEIR ANPIN, who gave MALCHUT permission to abide among the righteous in this world, and she dwells among them as a bride in all her jewelry, and the righteous of the world sees it, and is happy. But she lies in the arms of her husband, WHICH IS THE SECRET OF THE RIGHT COLUMN AND THE LEFT COLUMN, WHICH ARE CHESED AND GVURAH OF ZEIR ANPIN, and returns from there to be with the righteous, then returning to her husband, as it is written: "in the evening she would go, and on the morrow she would return" (Ester 2:14). "in the evening she would go" to her husband, NAMELY AT MIDNIGHT, FOR THEN IS THE MATING OF THE LEFT; "and on the morrow" WHEN SHE IS FULL OF CHASSADIM FROM THE MATING OF THE RIGHT, "she would return" to be among the righteous of the world, everything being done with the permission of her husband, ZEIR ANPIN.

141. מנלן. מצדיקו של עולם, דיהיב לה רשו, למשרי גו צדיקי בהאי עלמא. ויתבא עמהון, ככלה גו קשוטהא. וצדיקא דעלמא חמי, וחדוי בהאי. אבל בין דרועי דבעלה שכובת, ואתהדרת למהווי בהדיהו, ותבת לבעלה. כד"א, בערב היא באה ובבקר היא שבה. בערב היא באה, לגבי בעלה. ובבקר היא שבה, לגבי צדיקיא דעלמא. וכלא ברשותא דבעלה.

142. What Moses said was: "Behold I give to him My Covenant," WHICH IS THE SECRET OF MALCHUT. Just as the Righteous One on high gives, so also do I give a present, on condition that the present be returned, NAMELY JUST AS THE RIGHTEOUS ONE ON HIGH GIVES ON CONDITION THAT IT BE RETURNED. AS "IN THE EVENING SHE WOULD GO AND ON THE MORROW SHE WOULD RETURN," AS EXPOUNDED ABOVE, so ALSO WITH MOSES. And because of this covenant, he earned the high priesthood, WHICH IS THE SECRET OF CHESED, and if he had not had MALCHUT with him, Pinchas could not have arisen to the level of the high priesthood, for the covenant IS AN ASPECT OF MALCHUT, when she is always cleaving to the upper right, WHICH IS CHESED of ZEIR ANPIN. And this upper right will, in the future, construct the Temple, which is the covenant, NAMELY MALCHUT.

142. ומשה כן אמר, הנני נותן לו את בריתי, במה דצדיק דלעילא נותן, אוף אנא הנני נותן, מתנה למהדר מתנה איהו. ובגין ברית דא, רווח כהונה עלאה. ואי לא תהא בהדיה, לא אתקשר פנחס בדרגא דכהונה עלאה, דהא ברית דבקא איהו תדיר בימינא עלאה. וימינא עלאה דא, זמין למבני בי מקדשא, דאיהו ברית.

24. A third Temple is not mentioned in the Torah

We hear how a gentile told Rabbi Eliezer that Yisrael were not close to God, citing various kinds of evidence, whereupon the Rabbi turned him into a heap of bones. Rabbi Eliezer recounts the answers that Elijah once gave him when he raised the same issues as the gentile. We hear an explanation of the First and Second Temples, and how God will reveal the Temple at the time of the final redemption.

143. Rabbi Aba said: I have remembered a certain matter I heard from the holy luminary, RABBI SHIMON, who heard it in the name of Rabbi Eliezer. One day a clever gentile came and said to him: Old man, old man, I have three questions that I want to put to you. The first is: You say that another Temple will be built for you, but the Temple is not to be built more than twice. The First Temple and the Second Temple ARE MENTIONED, but you will not find a Third Temple in the Torah, and that which you had to build has already been built, and there will never be another one, for Scripture has referred to the two houses of Yisrael, AND ABOUT THE SECOND TEMPLE it is written: "The glory of this latter house shall be greater than that of the former" (Chagai 2:9).

144. Also, you say that you are closer to the divine King than all other peoples. Whoever is close to the King is forever rejoicing, without pain, without fear, without troubles. But you are perpetually in pain, trouble and agony, more than anyone else. Look at us - no pain, trouble nor agony approaches us at all, from whence it follows that we are close to the divine King and you are far from Him, and this is why you have pain and trouble and sorrow and agony, which we do not have.

145. Further: You do not eat of an animal found dead nor ritually slaughtered so that you will be healthy and your body healthy. We eat anything we want and we are physically strong and healthy and all our limbs are fit. You do not eat and all are sick with bad illnesses and broken more than all other peoples. You are a people whom HASHEM hates above all. Old man, old man, do not say anything to me because I shall not listen to you, nor accept it from you. Rabbi Eliezer lifted up his eyes, looked at him, and turned him into a heap of bones.

146. When his anger had subsided, he looked back, cried, and said: "Hashem, our Master, how majestic is Your name in all the earth" (Tehilim 8:2). How strong is the power of the holy and mighty name in all the earth, and how beloved are the words of the Torah, for nothing is so minor that it will not be found in the Torah, and even the smallest thing in the Torah issued from the mouth of the Holy One, blessed be He. Those matters that that wicked one asked, I too, once asked of Elijah, and he replied that in the academy of the firmament THESE VERY MATTERS were laid out before the Holy One, blessed be He, as follows:

143. אָמַר רַבִּי אַבָּא, אֲדַכְרֵנָּא מִלָּה חֲדָא, דְּשִׁמְעֵנָּא מִבּוֹצִינָא קְדִישָׁא, דְּשָׁמַע מִשְׁמִייה דְּרַבִּי אֱלִיעֶזֶר. יוֹמָא חַד, אַתָּא לְקַמִּייה חַד חֲכִים גּוֹי, א"ל סְבָא סְבָא, תִּלַּת בְּעֵינִין בְּעֵינָא לְמַתְבַּע מִנָּךְ. חַד, דְּאַתּוֹן אֲמַרִּין דִּיתְבְּנִי לְכוּ בִּי מִקְדָּשָׁא אַחְרָא, וְהָא לֹא הוּוּ לְמִבְנֵי אֲלֵא תְרֵי זְמַנִּין, בֵּית רֵאשׁוֹן וּבֵית שְׁנִי, בֵּית שְׁלִישִׁי לֹא תִשְׁכַּח בְּאוּרִייתָא, וְהָא מַה דְּהוּוּ לִיּוּה לְמִבְנֵי, כְּבַר אַתְבָּנוּן, וְלַעוֹלָם לִית בֵּיה יְתִיר, דְּהָא תְרֵי בְתֵי יִשְׂרָאֵל קְרָא לֹון קְרָא. וּכְתִיב, גְּדוֹל יְהוָה כְּבוֹד הַבַּיִת הַזֶּה הָאֲחֵרוֹן מִן הָרֵאשׁוֹן.

147. When Yisrael came out of Egypt, the Holy One, blessed be He, wanted to establish them in the country as are the holy angels on high, and He wanted to build a Temple for them, bring it down from the upper heavens, and plant Yisrael in the land as a holy planting, after the pattern of the heavenly form, as it is written: "You shall bring them in, and plant them in the mountain of Your inheritance" (Shemot 15:17). And where would that be? "in the place, Hashem, which You have made for You to dwell in" (Shemot 15:17). In that PLACE which You, Hashem, have made, and in no other. "The place, Hashem, which You have made for You to dwell in" refers to the First Temple, and the continuation of the verse, "in the sanctuary, Hashem, which Your hands have established," refers to the Second Temple. Both of them are the work of the Holy One, blessed be He.

148. But when they angered Him in the wilderness, they died, and He brought their children into the land, and the Temple was constructed by man, which is why it did not last. FOR THE BUILDING HAS TO BE THE WORK OF THE HOLY ONE, BLESSED BE HE. King Solomon knew that the Temple that he built was built by man and would not therefore last, which is why it is written: "Unless Hashem builds the house, they who build it labor in vain" (Tehilim 127:1) And indeed it no longer exists. In the days of Ezra, because of the sin, they had to rebuild THE TEMPLE, which is why it had no lasting existence. And up until now the first building of the Holy One, blessed be He, has not been placed in the world, but concerning the future it is written: "Hashem builds Jerusalem" (Tehilim 147:2). He WILL BUILD and no other. It is for this building that we are waiting, and not for a structure of man which has no permanence.

149. The Holy One, blessed be He, will bring down the First Temple and the Second Temple from on high simultaneously. The First Temple, WHICH IS EQUIVALENT TO BINAH, will be covered, and the Second Temple, WHICH IS PARALLEL TO MALCHUT, will be in the open. That house that is called 'the Second Temple' will be in the open so that the art of the Holy One, blessed be He, will be visible to the whole world. AND THEN THERE WILL BE perfect rejoicing, and goodwill throughout its existence.

150. The First Temple THAT WILL BE concealed ascends on high over THE SECOND TEMPLE that is revealed, and the whole world will see the clouds of glory that surround the Temple that is revealed, and within those clouds will be the First Temple in a hidden action, rising to the height of the glory of the heavens, WHICH IS BINAH, and this is the building for which we are waiting.

147. דָּכַד נִמְקוּ יִשְׂרָאֵל מִמִּצְרַיִם, בְּעַא קוֹדֶשׁא בְּרִיךְ הוּא לְמַעַבְד לֹון בְּאַרְעָא, כְּמִלְאֲכִין קְדִישִׁין לְעִילָא, וּבְעַא לְמַבְנֵי לֹון בֵּיתָא קְדִישָׁא, וּלְנַחֲתָא לִיה מִגוּ שְׁמַי רְקִיעִין, וּלְנִטְעָא לֹון לְיִשְׂרָאֵל, נְצִיבָא קְדִישָׁא, כְּגוֹזָנָא דְרִיוּקְנָא דְלְעִילָא. הַה"ד תְּבִיאָמוּ וְתִטְעֶמוּ בְּהַר נַחֲלַתְךָ. בְּאֵן אַתְר בְּמִכּוֹן לְשַׁבְּתָךְ פְּעֻלַת יְיָ. בְּהַהוּא דְפְעֻלַת אַנְתָּ יְיָ, וְלֹא אַחֲרָא. מִכּוֹן לְשַׁבְּתָךְ פְּעֻלַת יְיָ, דָּא בֵּית רֵאשׁוֹן. מְקֻדֶשׁ יְיָ כּוֹנְנֵו יְדִיךְ, דָּא בֵּית שְׁנֵי. וְתִרְוִייהוּ, אּוּמְנוּתָא דְקוֹדֶשׁא בְּרִיךְ הוּא אִינוּן.

151. So far this has not happened in the world, for even the City of Jerusalem will not be the result of man's skills, for it is written: "for I, says Hashem, will be to her a wall of fire round about, and will be the glory in the midst of her..." (Zecharyah 2:9). If this is what is written about the City, how much more so will this be the case for the Temple, which is His dwelling place. And this action OF THE HOLY ONE, BLESSED BE HE, should have been apparent at the beginning, when Yisrael came out of Egypt, but it was delayed for the End of Days, for the final Redemption.

151. ועד כען, לא הוה בעלמא, דאפילו קרתא דירושלם לא ליהוי אומנותא רב"נ, דהא כתיב, ואני אהיה לה נאם יי' חומת אש סביב וגו'. אי לקרתא כתיב הכי, כל שכן ביתא, דאיהו דיורא דיליה. ועובדא דא, הוי אתחזי למהוי ברישא, בד נפקו ישראל ממצרים, ואסתלק עד לסוף יומין, בסורקנא בתראה.

25. Why Yisrael are in more trouble than other peoples

We are told that Yisrael is the heart of the whole world, and the heart is the only part of the body that knows pain and trouble because it incorporates existence and intelligence. Thus it is the only part that is close to God at all.

152. The second question ASKED BY THAT GENTILE, IS THUS: FOR surely we are closer to the Divine King than any of the other peoples. This must be so for the Holy One, blessed be He, made Yisrael the heart of the whole world, and the relationship of Yisrael to the other nations is as that of the heart to other parts of the body. And just as the other parts of the body have no existence, even for a moment, without the heart, so it is that none of the other peoples can exist in the world without Yisrael. Jerusalem, too, has the same relationship with the other countries, being as the heart to the parts of the body, which is why it is in the center of the whole world just as the heart is in the center of the limbs.

152. שאלתא אחרא, דודאי אנן קרבינ למלכא עלאה, יתיר מכל שאר עמין. ודאי הכי הוא, דירושלם עבד לון קודשא בריך הוא לבא דכל עלמא. והכי אינון ישראל בין שאר עמין, כלבא בין שייפין, כמה דשייפין לא יכלי למיקם בעלמא אפילו רגעא חדא בלא לבא, הכי עמין בלהו, לא יכלין למיקם בעלמא, בלא ישראל. ואוף הכי ירושלם בגו שאר ארעאן, כלבא בגו שייפין. ועל דא איהו באמצעיתא דכולי עלמא. כלבא גו שייפין.

153. And Yisrael's conduct amongst the other nations is as that of the heart amongst the limbs. The heart is soft and weak, but gives existence to all the limbs, AND ALL THE LIMBS do not know pain, trouble and agony at all, but only the heart does, for in it is existence and intelligence. PAIN AND ANGUISH come nowhere near the other limbs, for they have no existence and know nothing. None of the other limbs comes near to the King, who is wisdom and intelligence that reside in the brain; the heart is the only exception. The other limbs are far from Him and know nothing about Him. Thus it is that Yisrael is near to the Holy King while the other peoples are far from Him.

153. וישראל מתנהגן גו שאר עמין, כגוונא דלבא גו שייפין. לבא איהו רכיך וחלש, ואיהו קיומא דכל שייפין, לא ידע מצערא ועקא ויגונא כלל אלא לבא, דביה קיומא, דביה סוכלתנו, שאר שייפין לא אתקריב בהו כלל, דהא לית בהו קיומא, ולא ידעין מדי. כל שאר שייפין לא קריבין למלכא, דאיהו חכמתא וסוכלתנו, דשריא במוחא, אלא לבא. ושאר שייפין, רחיקין מניה, ולא ידעין מניה כלל. כך ישראל, למלכא קדישא קריבין, ושאר עמין רחיקין מניה.

26. Why Yisrael, who do not partake of animals found dead or not ritually slaughtered, are weak

Elijah teaches that the heart takes for its nourishment only the clearest and purest of the blood, and this food is softer and weaker than the rest of the food.

154. The third question POSED BY THAT GENTILE was that Yisrael do not partake of animals found dead or those not ritually slaughtered, nor of the filth and dirt of reptiles and insects as do the other peoples, BUT IS NEVERTHELESS WEAKER THAN THEY ARE. This is how it is. For the heart, which is soft and weak and is the king and the sustenance of the other limbs, does not take FROM MAN'S FOOD for its nourishment other than from the clearest and purest of all the blood THAT IS MADE FROM FOOD, and its food is clean and clear and is softer and weaker than all the rest. And it leaves the remaining waste matters OF THE BLOOD for the other limbs, and the other limbs are not concerned AS TO THE CLEANLINESS OF THEIR FOOD, but take all the waste matters, even the worst, and they are strong as befits them.

155. This is why all the other limbs have skin eruptions and scabs, bright spots and leprous boils, and the heart has none of them, for it is clean and clear, and has no blemish whatsoever. Thus the Holy One, blessed be He, took Yisrael, who is clean, clear, and without blemish, for Himself, as Scripture says: "You are all fair, my love; there is no blemish in you" (Shir Hashirim 4:7). Rabbi Yosi came, kissed his hands, and said: If I had come into the world just to hear this, it would have been sufficient.

27. "Now the name of the man of Yisrael that was slain"

Rabbi Eliezer tells Rabbi Yitzchak that the title verse does not say who killed the man because Pinchas had by then achieved priesthood, and it was not appropriate to mention a priest in connection with any killing.

156. "Now the name of the man of Yisrael that was slain" (Bemidbar 25:14). Said Rabbi Yitzchak: This verse should have been written so: 'Now the name of the man of Yisrael whom Pinchas slew', and not "that was slain, that was slain," simply WITHOUT EVEN MENTIONING THE ONE WHO DID THE SLAYING.

157. HE ANSWERS: this is how Rabbi Eliezer put it: Since the Holy One, blessed be He, had raised Pinchas to the level of High Priest, He did not want to mention Pinchas in the context of a man slaying, for this is hardly fitting for a High Priest. Before he elevated him to the high priesthood, He did mention him, and said: "And when Pinchas... saw... and took a spear... and thrust both of them through..." (Bemidbar 25:7-8). But once he was elevated to the high priesthood, his name is not mentioned in the context of killing, for this is unbecoming, and the honor of the Holy One, blessed be He, had compassion on him because it is not right for a High Priest to be mentioned in the context of a killing. "And the name of the Midianite woman that was slain" (Bemidbar 25:15) IS also GIVEN WITHOUT STATING WHO THE SLAYER WAS, FOR THE SAME REASON.

28. What is now first will be last at the resurrection of the dead

Rabbi Pinchas ben Yair explains that God will reconstruct a man in the opposite order that the body disintegrates, for now the body is first stripped of spirit, and then the skin, flesh, sinews and bones rot.

154. שְׁאַלְתָּ אַחֲרָא, דִּישְׂרָאֵל לֹא אֲכָלִי נְבִלוֹת וְטִרְפוֹת, וְטִנוּפָא וְלִכְלוּכָא דְשִׁקְצִים וְרִמְשִׁים בְּשָׂאֵר עַמּוּיָן, הֲכִי הוּא, דְּהָא לְבָא דְאִיהוּ רְכִיךְ וְחֻלְשׁ, וּמְלַבָּא וְקִיּוּמָא דְכָל שָׂאֵר שְׂוִיפִין, לֹא נְטִיל לְמִזְוֹנִיָּה, אֲלֵא בְרִירוֹ וְצַחוּתָא דְכָל דְמָא, וּמִזְוֹנִיָּה נְקִי וּבְרִירָא, וְאִיהוּ רְכִיךְ וְחֻלְשׁ מְכֻלָּא, וְשָׂאֵר פְּסוּלַת אֲנַח לְכָל שְׂוִיפִין, וְכָל שָׂאֵר שְׂוִיפִין לֹא מְשַׁגְּחִין בְּהָאֵי, אֲלֵא כָּל פְּסוּלַת וּבִישׁ דְּכֻלָּא נְטִילִין, וְאִינוּן בְּתַקִּיפוֹ כְּמָה דְאַתְחֲזִי לֹון.

158. Rabbi Shimon was traveling from Cappadocia to Lod, and Rabbi Yehuda was going with him. While they were en route, they were met by Rabbi Pinchas ben Yair and two donkey drivers following him. Rabbi Pinchas' donkey stopped. He prodded him WITH A SPUR THAT HE SHOULD CONTINUE, but he did not do so. Said Rabbi Pinchas TO THE DONKEY DRIVERS: Leave him be, for he can discern the smell of new countenances APPROACHING US, or a miracle will happen to us. While they were still there, Rabbi Shimon appeared from behind one of the rocks, and the donkey continued on. Rabbi Pinchas said, Did I not tell you that he discerned the smell of new countenances?

159. Rabbi Pinchas dismounted FROM HIS DONKEY, embraced RABBI SHIMON, and cried. He said to him, I saw in my dream that the Shechinah had come to me, and given me large presents, and I had rejoiced with her. And now what I saw HAS COME TO PASS. Rabbi Shimon said: I knew that it was you from the sound of your donkey's footsteps. Now the rejoicing is complete. Rabbi Pinchas said, Let us sit down somewhere, as a Torah discussion has to be lucid. They found a well of water and a tree and sat down.

160. Rabbi Pinchas said, I used to view matters such that the resurrection of the dead would be performed on us by the Holy One, blessed be He, in one way, and that what is now first to leave will be the last AT THE RESURRECTION. How do we know this? From those bones, the ones into which the Holy One, blessed be He, breathed life at the hands of Ezekiel. At the beginning it is written: "And the bones came together, bone to its bone" (Yechezkel 37:7), and later it is written: "And as I beheld, and, lo, there were sinews upon them, and flesh came up" (Yechezkel 37:8). AND THE SAME VERSE CONTINUES: "and skin covered them above: but there was no breath in them." From here, too, we can learn that what A PERSON takes off first will be the last to be put on again. Initially, man is stripped of spirit, and then his skin ROTS, followed by the flesh, THEN THE SINEWS, and finally the bones. AT THE RESURRECTION IT WILL BE THE OTHER WAY AROUND: INITIALLY THE BONES, THEN THE SINEWS, FOLLOWED BY THE FLESH, AND LASTLY THE SKIN.

29. The resurrection of the dead

Rabbi Shimon says that at the time of resurrection God will re-make a person from the remaining bone that has not disintegrated. We learn that all the souls of the righteous are concealed under God's throne, Malchut, and that the throne protects them so they can be returned. Rabbi Shimon says that wherever scripture does not explicitly state Hashem, the reference is always to Malchut.

161. Rabbi Shimon said: The earlier teachers had difficulties with this passage, but the truth is that the Holy One, blessed be He, performed strange miracles and signs with these bones into which he breathed life. Come and see: "Remember, I beseech You, that You have fashioned me like clay; and will You bring me back to dust" (Iyov 10:9). And then, in the next verses: "Have You not poured me out as milk, and curdled me like cheese? You have clothed me with skin and flesh, and have knit me together with bones and sinews." When a person has rotted in the dust, and the time of the resurrection of the dead has arrived, the Holy One, blessed be He, will re-make him from the remaining bone THAT HAS NOT ROTTED AWAY, make it like dough and as cheese from milk and as flowing as a stream of pure clear milk. For the bone will be refined, BECOMING VERY THIN, and polished as milk, curdled, and carved as in a drawing, like curdled cheese. After this structure is done He will create anew the skin, veins and bones.

162. Hence "Have You not poured me out as milk, and curdled me like cheese? You have clothed me with skin and flesh": all the verbs are in fact in the future form. Not 'Have You not poured me out', but 'Will You not pour me out'. Not 'Have You not clothed me with skin and flesh', but 'Will You not clothe me with skin and flesh etc'. This is because the reference throughout is to a future time, THAT OF THE RESURRECTION.

163. And what is written afterwards? "You have granted me life and favor" (Iyov 10:12). This is the spirit of life. But you may say: But it is written "have granted" IN THE PAST TENSE and not 'will grant'. HE ANSWERS THAT he said: "You have granted me life and favor," for in that world You have given me the spirit of life. But, the verse continues, "and Your providence," namely that of the King's Matron, MALCHUT, "has preserved my spirit," namely guards my spirit in that world. And why DOES HE REFER TO MALCHUT, AS "Your providence"? BECAUSE you will in the future visit her first. THEREFORE, HE REFERS TO HER AS HIS ASSIGNED ORDER AND COMMAND.

164. And the secret of this matter is that all the souls of the righteous are hidden and concealed under the King's throne, WHICH IS MALCHUT, WHICH IS CALLED 'A THRONE', and it protects them so that they can be returned to their place. As it is written: "and Your providence has preserved my spirit." What is "Your providence (Heb. pkudatcha)"? It is as in the verse: "and let another take his possessions (Heb. pkudato)" (Tehilim 109:8). "Your providence" refers to the King's Matron, NAMELY MALCHUT, for all the spirits are pledged in her hands, as it is written: "Into Your hand I commit (Heb. afkid) my spirit" (Tehilim 31:6), and she protects them. Thus IS IT WRITTEN "has preserved my spirit," (Iyov 10.12) for she preserves it.

165. David said something similar: "Preserve my soul; for I am pious" (Tehilim 86:2). "Preserve" refers to the King's Matron, for she has preserved my soul because I am pious. And as a general rule, whenever Scripture simply generalizes AND DOES NOT EXPLICITLY STATE HASHEM, the reference is to the Matron WHO IS MALCHUT. As for example, in the verse: "And He called to Moses" (Shemot 24:16), WHERE HASHEM IS NOT MENTIONED BY NAME, or "And He said: If you will diligently hearken to the voice of Hashem your Elohim" (Shemot 15:26), WHERE THE SPEAKER AGAIN IS NOT NAMED AND THE REFERENCE IS TO MALCHUT.

166. Rabbi Pinchas cried and said, And did I not tell you that IN MY DREAM the Shechinah had given me large offerings and gifts? THE MEANING WAS THESE SAYINGS OF RABBI SHIMON. Happy is my portion that I have merited seeing you and hearing this. He said to him: WHAT YOU HAVE SAID CONCERNING that time OF THE RESURRECTION is correct regarding the one bone THAT DOES NOT ROT, but what happens to the other bones that are there? He said to him: They will all be included in the totality of that one bone and will be incorporated with it and they will all be made into one dough, out of which MAN will be formed. As they said in the verse: "(Heb. Yachlitz) and make strong your bones" (Yeshayah 58:11). What is the meaning of Yachlitz? It is as in the verse: "He has withdrawn (Heb. Chalatz) Himself from them" (Hoshea 5:6). In other words, they will all be withdrawn from their place and incorporated in this bone, making one dough, and then "you shall be like a watered garden, and like a spring of water." (Yeshayah 58.11)

Moses gives a warning to people whose hearts are blocked off and whose eyes are closed, for the forces of the evil inclination will enter into them. He says that all the lights in the eyes issue from the heart. Ra'aya Meheimna (The Faithful Shepherd)

167. The Faithful Shepherd said, Woe to those humans whose hearts are blocked off and whose eyes are closed, for they do not know that when the night comes the gates of Gehenom are opened, for it is CALLED 'gall', and the odors that spread from it rise up to the brain. And a number of forces of the Evil Inclination spread throughout the parts of the body. And the gates of The Garden of Eden which are the eyes of the heart are blocked off and not opened, for all the lights that are in the eyes issue forth from the heart.

30. "Into Your hand I commit my spirit"

Moses goes on to say that the lights of the heart are angels that spread throughout the limbs like the branches of a tree. He tells us about the evil effect of shutting off the lights, and says that an ignorant man cannot be pious because unless he has studied the Torah he cannot join Zeir Anpin and Malchut.

168. And the gates of the heart, which are the eyes, are blocked off so that they should not view the evil spirits, that are Lilit. And thus they do not control the lights of the heart, which are angels, that spread throughout all the limbs as the branches of a tree in every direction. At that time all the lights are shut off in the heart, and they gather to it as doves into their dovecotes, as Noah and his wife and all the species who entered with him into the ark.

169. And the evil spirits that overcome all the parts of the body are like the waters of the flood, which prevailed over them fifteen cubits. This is because he had sinned in the matter of Yah, and Yah had left the body. THAT IS TO SAY, YUD-HEI HAD LEFT ELOHIM (ALEPH LAMED HEI YUD MEM), and He remained a mute (Heb. ILEM, ALEPH LAMED MEM), without sight, hearing, smell or speech. And the secret of the matter is to be found in the verse: "I was dumb (Heb. ilem) with silence (Heb. dumiyah)" (Tehilim 39:3). Dumiyah IS SPELLED DALET VAV MEM YUD HEI, WHICH CAN BE READ AS TWO WORDS: Silence (Heb. dom) of Yud Hei. IN OTHER WORDS, at that time OF THE FLOOD, the evil spirits prevailed for fifteen cubits over the body, and they ENCOMPASSED THE BODY as a furrow SURROUNDS THE DITCH of the flower-bed.

166. בְּכֹה ר' פִּנְחָס, וְאָמַר, וְלֹא אָמַרְתָּ לְךָ דְשִׁכְיִנְתָּא יְהִיבָת לִי נְבוֹבִין וּמִתְנִין, זְבָאָה חוֹלְקִי דְזִכְיִנְא לְמַחְמִי לְךָ, וְשִׁמְעֵנָא דָא. א"ל, בְּהוּא זְמָנָא, תִּינַח הָהוּא גְרָמָא, שְׂאָר גְרָמִין דִּישְׁתַּכְחוּן מַה יִתְעַבִּיד מְנַהוּן. א"ל, כְּלָהוּ יִתְכַלִּילוּ בְּהוּא נְבִיעוּ דְהָאִי גְרָמָא, וְיִתְכַלִּילוּ בְּהִדְיָה, וְיִתְעַבִּיד כְּלָא עֶסָה חָדָא, וְתַמְן יִתְצִייר צִיּוּרָא, כְּמָה דְאִתְמַר. הַה"ד, וְעֲצָמוֹתֶיךָ יִחְלִיץ. מַאי יִחְלִיץ. כְּד"א חֲלִץ מֵהֶם. כְּלָהוּ יִתְעַבְרוּן מִקְיוּמֵיהוּ, וְיִתְכַלִּילוּ בְּהָאִי גְרָמָא, לְמַהוּי עֶסָה חָדָא. וּכְרִין וְהֵייתָ בְּגוֹן רוּחַ וְכְמוֹצָא מֵיִם וְגו'.

170. Just as Noah sent the dove out on his mission, so also does the soul of man send out HIS SPIRIT on its mission, and for this reason a man must commit his spirit with the Matron, WHO IS MALCHUT, as it says: "Into Your hand I commit my spirit" (Tehilim 31:6). But if it is imprisoned by the powers of the Evil Inclination in sins of the body, what does Scripture have to say? "Into Your hand I commit my spirit; You have redeemed me, Hashem, the El of truth" (Ibid.) FOR THE HOLY ONE, BLESSED BE HE, REDEEMS HIM FROM THEIR HAND.

171. And during the time that THE SOUL is guilty, what is said about his spirit? "They who join hands for wicked ends shall not go unpunished." (Mishlei 11:21), for he goes from hand to hand in the camps of the Evil Inclination, which rest upon him in his sins and cast him out from place to place. It is this that is happening when A MAN sees himself IN HIS DREAM in another country or another kingdom, and sometimes in the refuse, all depending on his sins. But if he is righteous, then all of the camps of the Good Inclination, ABOUT WHOM IT IS SAID "Thus were their faces; and their wings were divided upwards" (Yechezkel 1:11) in order to accept his spirit, and they raise it upward to the place of the living creatures, THE BEARERS of the throne, WHICH IS MALCHUT, and there he sees a number of visions, likenesses and prophetic revelations. And this is why the sages taught "The dream is one-sixtieth of prophecy."

172. Furthermore: "Preserve my soul; for I am pious" (Tehilim 86:2). But so did the sages teach: 'An ignorant man can not be pious.' For the Torah was given from the right side of the Holy One, blessed be He, which is Chesed. For this reason, one who engages in Torah is called 'pious', and therefore I say to the Holy One, blessed be He: "Preserve my soul," and do not judge it according to the deeds of these ignorant ones, about whom it is said: 'An ignorant man can not be pious.' And should you ask about the many ignorant people who act with loving kindness (Heb. Chesed), I would refer you to the teaching: 'Who is a pious man? He who behaves piously with his Maker,' like David, who was an author (the Hebrew root of 'author' means 'join together'). And what did he join together? He joined together the heavenly Torah, WHICH IS ZEIR ANPIN, with the Holy One, blessed be He, WHO IS MALCHUT, AND THIS IS WHAT IS MEANT BY 'BEHAVING PIOUSLY WITH HIS MAKER': THAT HE UNITED THE HOLY ONE, BLESSED BE HE, AND HIS SHECHINAH. This, is why "Preserve my soul; for I am pious."

31. Two mirrors

The Faithful Shepherd talks about the two mirrors - one for the soul in this world, and one for the soul in the World to Come. We learn that God created man with two countenances, and that when the soul leaves the body the soul goes to the two Gardens.

173. When a man dies, what is written about his soul? "When you walk, it will lead you; when you lie down, it shall keep you; and when you awake" at the resurrection of the dead, "it shall talk with you" (Mishlei 6:22). HE INQUIRES: this is fine as far as the resurrection of the dead is concerned, that it should awaken THE BODY OF MAN AT THE RESURRECTION OF THE DEAD, but what will be the reward of the soul in the next world?

170. וּכְגֹוֹנָא דְנֹחַ, שֶׁלַח אֶת הַיּוֹנָה בְּשְׁלִיחוּתָהּ. אוֹף הָכִי שֶׁלַח נְשִׁמָתָא בְּאֲדָם. רוּחִיהָ בְּשְׁלִיחוּתָהּ. וּבְגִין דָּא צְרִיךְ ב"נ לְפַקְדָא לָהּ בְּמִטְרוּנֵיהָ. הַה"ד בְּיַדְךָ אֶפְקִיד רוּחִי. וְאִם הִיא אֶסִירָא בְּחֻבּוּבֵי דְגּוּפָא, בְּיַד דְּחַיִּילִין דְּיַצֵּר הָרַע, מַה כְּתִיב, בְּיַדְךָ אֶפְקִיד רוּחִי פְדִית אוֹתִי יי' אֵל אֱמֶת.

174. The answer to this is that the Holy One, blessed be He, dresses THE SOUL as formerly in clouds of glory, and as formerly it enters into a vision. In the same sort of way that the body has 248 parts, it will also be in a vision included in 248 lights that spread forth from that vision, FOR THE NUMERICAL VALUE OF THE LETTERS OF "BEMAR'AH" IS 248. And it is said about it: "If there be a prophet among you, I, Hashem, make myself known to him in a vision (Heb. bemar'ah)" (Bemidbar 12:6) and with the apparel of clouds of glory ABOUT WHICH IT IS SAID: "and I shall look upon it, that I may remember the everlasting covenant" (Bereshheet 9:16). This is the shining mirror. "and speak to him in a dream" (Bemidbar 12:6): this is the mirror (Heb. mar'ah) that does not shine, being made up of 365 lights, corresponding to the numerical value of 'yeshenah' (lit. 'sleep'), as in the verse: "I sleep" (Shir Hashirim 5:2). One MIRROR, therefore, is FOR THE SOUL in this world, and the other MIRROR IS FOR THE SOUL in the World to Come, and they give light to the work of the hands of the Holy One, blessed be He, NAMELY, THE SOULS.

175. And their secret is to be found in the verse: "this is My name for ever" (Shemot 3:15). THE NUMERICAL VALUE OF 'Yud Hei' and 'My name' (Heb. shmi) is together 365. "AND THIS IS MY MEMORIAL (HEB. ZICHRI) TO ALL GENERATIONS" (SHEMOT 3:15). THE NUMERICAL VALUE OF Vav Hei together with zikhri is 248. And heralds descend and ascend before Him, proclaiming: 'Give honor to the likeness of the King', NAMELY TO THE SOUL.

176. And this is the meaning of the verse: "So Elohim created man in His own image, in the image of Elohim He created him" (Bereshheet 1: 27). In other words, He created him in two forms: ONE, IN HIS OWN IMAGE; AND THE OTHER, IN THE IMAGE OF ELOHIM, NAMELY with two countenances. 1) is as it is said: "for you saw no manner of form" (Devarim 4:15), and regarding the other FORBIDDEN forms it is written, "the similitude of any figure" (Devarim 4:16). 2) "and the similitude of Hashem does he behold" (Bemidbar 12:8). And 613 angels raise up the soul in these forms, all of them with "Thus were their faces; and their wings were divided upwards" (Yechezkel 1:11), to establish the verse that is said about them: "I bore you on eagles' wings, and brought you to Myself" (Shemot 19:4).

177. Just as they came out of Egypt and went with clouds of glory and all that honor, so, too, is the exit of the soul from her body --- that "putrid drop": the soul goes to the two gardens, THE UPPER GARDEN OF EDEN AND THE LOWER GARDEN OF EDEN, whose heavens and earth were created with the Yud Hei Vav Hei, for whose reason it was said: "Let the heavens be glad and the earth rejoice" (Tehilim 96:11). At that time the verse will be fulfilled in man: "yet your teacher shall not withdraw himself any more" (Yeshayah 30:20) from you. "withdraw himself" IS AS WRITTEN: "with two he covered his face..." (Yeshayah 6:2), nevertheless "but your eyes shall see your teacher" (Yeshayah 30:20). And Moses our Master, may Peace be upon him --- the master of the prophet and sages --- is worthy in the aspect of these TWO visions. The holy luminary, THAT IS RABBI SHIMON, said TO THE FAITHFUL SHEPHERD, You are the one who merited in your lifetime what the righteous will merit after their lives. Happy is your portion!

32. 'Aleph Nun Yud', and 'Vav Hei Vav'

We hear another interpretation of "Preserve my soul, for I am pious," where the esoteric meaning rests on the words 'I' and 'and He', and whereby we see how essential it is to refrain from separating Zeir Anpin and Malchut. This is because I and He are one, without distinction. We learn that the Left and Right Columns are united in the Central Column, Tiferet.

178. Another interpretation of the verse "Preserve my soul; for I am pious" (Tehilim 86:2) is as follows: Why should He preserve my soul? So that I should behave piously with 'I', NAMELY THAT I SHOULD UNITE WITH AND BRING THE CHESED FROM YUD HEI VAV HEI WHICH IS ZEIR ANPIN TO 'I', WHICH IS MALCHUT, for it has been said about it: I and He, WHERE 'ALEPH-NUN-YUD (I)' IS MALCHUT AND 'VAV-HEI-VAV (AND HE)' IS ZEIR ANPIN. Woe to anyone who separates 'I' from 'He', NAMELY TO ANYONE WHO CAUSES A SEPARATION BETWEEN ZEIR ANPIN AND MALCHUT, as it is said: "it is He who made us, and we belong to Him" (Tehilim 100:3), WHERE 'HE' STANDS FOR ZEIR ANPIN. This is because everything is one, NAMELY I AND HE ARE ONE, without distinction. This is what is said: "See now that I, even I am He... I kill and I make alive, I wound, and I heal: neither is there any that can deliver out of my hand" (Devarim 32:39). I am Hashem, I am He, and no other. And this 'I' is derived from Adonai, NAMELY THE LETTERS OF 'ANI' (I) ARE FOUND IN ADONAI. Yud Hei Vav Hei is the Central Column, NAMELY ZEIR ANPIN.

179. And because Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, is on the right, namely Chesed, he said: "Preserve my soul, FOR I AM PIOUS (HEB. CHASID)," meaning that I shall behave piously towards you and with 'I' which is Adonai, which is Gvurah. THAT IS TO SAY, I SHALL UNITE YUD HEI VAV HEI, WHICH IS CHESED, WITH ADONAI, WHICH IS GVURAH, SO CHASSADIM WILL BE DRAWN DOWN FROM YUD HEI VAV HEI TO ADONAI, AND IT, TOO, WILL BE CHESED. And both the names, YUD HEI VAV HEI AND ADONAI, combine together in Tiferet, WHICH IS THE CENTRAL COLUMN, AND COME TOGETHER THUS; Yud Aleph Hei Dalet Vav Nun Hei Yud. FOR IT IS THE CENTRAL COLUMN THAT COMBINES CHESED, WHICH IS THE SECRET OF YUD HEI VAV HEI WITH GVURAH, WHICH IS THE SECRET OF ADONAI. And the inner meaning of the matter is with Chesed and Gvurah, WHICH ARE THE RIGHT AND LEFT COLUMNS, ABOUT WHICH IT IS SAID: "Thus were their faces: and their wings were divided upwards" (Yechezkel 1:11), SINCE 'THEIR FACES' IS THE SECRET OF CHOCHMAH, BINAH, AND DA'AT, AND THE TWO COLUMNS, THE RIGHT AND THE LEFT, WHICH ARE CHOCHMAH AND BINAH, ARE DIVIDED. AND SO WITH THE TWO WINGS, THE SECRET OF THE RIGHT AND LEFT COLUMNS, WHICH ARE DIFFERENT FROM EACH OTHER, AND ARE THEREFORE DIVIDED. And in Tiferet, WHICH IS THE CENTRAL COLUMN, that is called: "Hashem is a man (Heb. Ish) of war" (Shemot 15:3), BECAUSE HE FIGHTS WITH THE LEFT COLUMN, AND MAKES IT SMALLER IN ORDER TO BRING IT TOGETHER IN UNITY WITH THE RIGHT, it is written: "two wings of everyone (Heb. ish) were joined one to another" (Yechezkel 1:11), for the two names, YUD HEI VAV HEI AND ADONAI were joined together in it, AND THUS "and two covered their bodies" (Yechezkel 1:11), FOR THE TWO WINGS JOINED THE BODY AND BECAME AS ONE. And Tiferet is called 'body', THIS BEING THE INNER MEANING OF THE VERSE: "his body was like beryl" (Daniel 10:6). AND SO IT IS WITH THE TWO COLUMNS, RIGHT AND LEFT OF THE UPPER THREE SFIROT WHICH ARE CHOCHMAH AND BINAH, THAT ARE THE TWO NAMES, YUD HEI VAV HEI AND EHEYEH, ABOUT WHICH IT IS SAID "THEIR FACES... DIVIDED UPWARDS," ALSO JOIN TOGETHER AND COMBINE BY THE CENTRAL COLUMN, WHICH IS THE SECRET OF DA'AT. AND THEY COME TOGETHER THUS: YUD ALEPH HEI HEI VAV YUD HEI HEI.

178. ד"א שְׁמֶרָה נַפְשִׁי בִּי חֲסִיד אָנִי, אִמְאִי. כְּרִי שְׂאֲתַחֲסֵד עִם אָנִי. דְּאֲתַמֵּר בֵּיה אָנִי וְהָיִי וְוִי לִיָּה לְמֵאן דְּאֲפָרִישׁ אָנִי מִן הוּא. דְּאֲתַמֵּר הוּא עֲשָׂנוּ וְלֹא אֲנַחְנוּ. דְּכֻלָּא חַד בְּלֹא פְרֻדָּא. הֵה"ד, רָאוּ עֵתָה בִּי אָנִי אָנִי הוּא אָנִי אֲמִית וְאֲחִיָּה מְחַצְתִּי וְאָנִי אֲרַפָּא וְאִין מִיָּדִי מְצִיל. אָנִי יְרוּדָּה, אָנִי הוּא וְלֹא אַחֵר. וְדָא אָנִי מִן אֲדָנִי. יְרוּדָּה עֲמוּדָא דְּאֲמַצְעִיתָא.

33. Three Times was David made a servant

We are told the three ways that a man must make himself a servant in terms of worship.

180. It is written: "O you, My Elohim, save Your servant... Rejoice the soul of Your servant...give Your strength to Your servant" (Tehilim 86:2,4,16). David is thrice referred to as a servant in this psalm which parallels the three times that a man has to be as a servant in the prayers, as taught by the sages of the Mishnah: 'In the first blessings, A MAN SHOULD BE as a servant arranging praises before his Master; in the intermediate ones, as a servant asking for a favor of his Master; and in the last BLESSINGS, a man should be as a servant thanking his Master for a favor received, and going on his way'.

181. And these are the three occasions that A MAN has to make himself as though a servant in terms of worship. And the sages of the Mishnah taught: There is no worship but prayer. And the three patriarchs are called 'servants' by the aspect of her, namely in the name of the Shechinah, which is the worship of Hashem. And so also is Moses REFERRED TO AS the servant of Hashem, which is why "For to Me the children of Yisrael are servants" (Vayikra 25:55). But in terms of their other QUALITIES in her, all Yisrael are called 'the children of kings' from the point of view of MALCHUT IN THEM. And why should MALCHUT be termed worship? It can be likened to the way of a woman who serves her husband, or children who serve their father.

34. David was made poor, pious and a servant

We learn how David's correction of the three Columns was effected through making himself as if poor, a servant, and pious. We are told that except for Moses, there has never been anyone who could access the highest understanding, and it is even more impossible to access the highest wisdom, for it is said that a wise man is preferable to a prophet.

182. And David was made poor, pious and a servant, as it is written: "A prayer of David. Incline Your ear, Hashem, hear me: for I am poor and needy. Preserve my soul; for I am pious: O you, my Elohim, save Your servant, who trusts in You" (Tehilim 86:1-2). He became poor at the gate of the king, WHICH IS MALCHUT, about which it is said: "Adonai, open my lips" (Tehilim 51:17). Adonai is the palace, and he became poor at the gate of the king's palace, WHICH IS ADONAI, namely MALCHUT. And what does it say? "Incline Your ear, Hashem, hear me." And this is the lower Shechinah, WHICH IS MALCHUT, which is an ear to receive and listen to prayers, as it is written: "For He has not despised nor abhorred the affliction of the afflicted; nor has He hid His face from him: but when he cried to Him, He heard" (Tehilim 22:25).

180. הוֹשֵׁעַ עֲבָדְךָ אֱתָהּ אֱלֹהֵי שְׂמֵחַ נַפְשׁ עֲבָדְךָ תְּנֵה עֵז לְעֲבָדְךָ. תִּלְתַּת זְמַנִּין אֲתַעְבִּיד דָּוִד עֶבֶד בְּתִהְלָה דָּא, לְקַבֵּל ג' זְמַנִּין, דְּאֻקְמוּהּ מֵאֲרֵי מִתְנִיתִין, דְּבַעֵי ב"נ לְמַהוּי עֲבָדָא בְּצִלוֹתָא. בְּבִרְכָאן קְדָמָאִין, כְּעֶבֶד דְּמִסְדָּר שְׂבָחוּי קָמֵי רַבִּיָּה. בְּאֲמִצְעֵיֹת, כְּעֲבָדָא דְּבַעֵי פָּרְס מְרַבִּיָּה. בְּאַחֲרוֹנוֹת, כְּעֶבֶד דְּמוֹדָה קָדָם רַבִּיָּה, בְּפִרְס דְּקַבִּיל מִיִּנְיָה, וְאִזְוִל לִיָּה.

183. For he became "poor and needy" in respect of the letter Dalet of (the word) 'Echad' (Aleph Chet Dalet) (= one), WHICH IS THE SECRET OF MALCHUT IN THE FIRST STATE, WHEN IT IS RECEIVING FROM THE LEFT COLUMN, FOR IT IS THEN NEEDY, FOR THE LETTER 'DALET' TEACHES US OF ITS POVERTY (HEB. DALAH). Then he requests HELP FROM THE other two letters OF ECHAD, from Aleph-Chet. AND THIS IS THE SECRET OF ZEIR ANPIN WHICH, IN THIS STATE IS MALCHUT, IS CALLED 'BROTHER' (ALEPH CHET), AND MALCHUT SISTER, BEING THEN AT ONE STAGE EVOLVING FROM BINAH, AS A BROTHER AND SISTER. This is the Central Column, NAMELY ZEIR ANPIN, with which to fulfill the verse: "I was brought low, and He saved me" (Tehilim 116:6), so that Messiah son of Efraim should not die. FOR MESSIAH SON OF EFRAIM IS DRAWN FROM MALCHUT WHEN THE LATTER IS FEEDING FROM THE LEFT, AND IS FULL OF JUDGMENT. And DAVID FURTHER requested of Him at this gate on behalf of Yisrael, who are poor, that the verse "And the afflicted people You will save" (II Shmuel 22:28) be established for them, AND THIS IS WHY HE MADE HIMSELF POOR, FOR IT IS THE SECRET OF THE LEFT COLUMN.

184. And afterwards he requested for the sake of the priests, THE SECRET OF THE RIGHT COLUMN, CHESED, that the worship be returned to its place, and he made himself as a servant. And later He gave them the Torah from the side of Chesed, to make a reward (Heb. gemul) with the letter 'Dalet' of the Torah. IN OTHER WORDS, THE TORAH, WHICH IS THE SECRET OF ZEIR ANPIN, THE CENTRAL COLUMN, UNITES THE CHESED OF THE RIGHT COLUMN WITH THE GVURAH OF THE LEFT COLUMN, AND THEN HE GIVES A REWARD WITH THE DALET, WHICH IS THE SECRET OF MALCHUT RECEIVING CHASSADIM AND BECOMING RICH, IN THE SECRET OF THE TWO LETTERS 'GIMEL' AND 'DALET' THAT FOLLOW EACH OTHER IN THE ORDER OF THE ALPHABET. And this is why he became pious. WHAT THIS MEANS IS THAT HE THEREBY CORRECTED THE SECRET OF THE THREE COLUMNS, CHESED, GVURAH, TIFERET. HE MADE HIMSELF POOR TO CORRECT THE LEFT COLUMN. HE MADE HIMSELF A SERVANT TO CORRECT THE WORSHIP OF THE PRIESTS, WHICH ARE THE RIGHT COLUMN, AND HE MADE HIMSELF PIOUS TO CORRECT THE CENTRAL COLUMN, SO IT WOULD BESTOW CHESED UPON MALCHUT. SUBSEQUENTLY HE CORRECTED THE THREE COLUMNS CHESED, GVURAH, TIFERET, and when he reached the three upper Sfirot, CHOCHMAH, BINAH, DA'AT, he began to say: "Hashem, my heart is not haughty, nor my eyes lofty: nor do I exercise myself in great matters, or in things too high for me" (Tehilim 131:1), NAMELY HE DID NOT TOUCH THEM.

185. Solomon said, Since Binah belongs to Moses, I shall ask for upper Chochmah, which is above the level OF MOSES. It is written: "I said, I will be wise; but it was far from me" (Kohelet 7:23), FOR UPPER CHOCHMAH WAS NOT GIVEN TO HIM. HE ASKS, but what about the verse: "And Hashem gave Solomon wisdom" (I Melachim 5:26)? HE ANSWERS, this refers to lower wisdom, WHICH IS MALCHUT. And he wanted to ascend upwards from below, NAMELY FROM LOWER CHOCHMAH HE WANTED TO ATTAIN UPPER CHOCHMAH, but it drew away from him. This is because there is no man in the world, apart from Moses, who can ascend to Binah, and how much truer is this for upper Chochmah, which is above BINAH. In its terms, 'a wise man is better than a prophet'. And even though THE VERSE "I SAID: I WILL BE WISE, BUT IT WAS FAR FROM ME" was applied homiletically to a red heifer, WHOSE REASON HE COULD NOT UNDERSTAND, 'there are seventy possible interpretations of Torah', THIS, TOO, BEING A TERM IN THE SECRET OF SCRIPTURE.

183. דַּאִיְהוּ אֶתְעִבִיד עֲנִי וְדַל, מִסְטָרָא דְאֵת ד' מִן אַחַד, לְמִשְׁאֵל מִן א"ח, דַּאִיְהוּ עֵמוּדָא דְאִמְצָעִיתָא. לְקַיִימָא בֵּיהּ, דְלוּתֵי וְלִי יְהוּשִׁיעַ, דְלֹא יָמוּת מְשִׁיחַ בֶּן אַפְרַיִם. וְשִׁאִיל מְנִיָּה בְּהוּא תְרַעָא, בְּגִין יִשְׂרָאֵל הָעֲנִיִּים, לְקַיִים בְּהוּ וְאֵת עִם עֲנִי תוֹשִׁיעַ.

35. The allusions of Elazar, Yosi, Yehuda, Yudai, Aba and Rabbi Shimon and his friends Moses speaks to each of the rabbis inviting their interpretations and telling each one what his name means.

186. THE FAITHFUL SHEPHERD SAID, Rabbi Elazar, Rise up and say some new interpretations before the Shechinah, so that you may be of help (Heb. ezer) to your father, as your name requires, FOR THE LETTERS OF 'ELAZAR' MAKE UP THE TWO WORDS 'ezer' 'El', NAMELY 'El' from the right, WHICH IS THE SECRET OF CHESED, AND Ezer from the left, WHICH IS THE SECRET OF GVURAH. This is what is written: "I will make him a help (Heb. ezer) to match him" (Bereshheet 2:18), FOR MALCHUT, WHICH IS BUILT UP FROM THE LEFT, IS REFERRED TO AS A HELPMATE FOR HIM. In what way DOES IT BECOME A HELP TO HIM? With good seed (Heb. ZERA), which are the letters of 'ezer' in a different order.

187. And let Rabbi Yosi rise up with you, for he is a perfect throne for his Master, for the numerical value of Yosi is the same as that of the throne (Heb. haKisse) and that of Elohim. And let Rabbi Yehuda rise up with him, for in him make up THE TWO WORDS Hod and Yah, THE LATTER OF WHICH INSTRUCTS US ABOUT THE FIRST STAGE OF MALCHUT, WHICH IS THEN THE FIRST THREE. In it are contained THE LETTERS Yud Hei Vav Hei plus Dalet. THAT MEANS THAT IT INDICATES ZEIR ANPIN, CALLED YUD HEI VAV HEI, AND MALCHUT, CALLED DALET, PRIOR TO ITS BEING JOINED IN A MATING WITH YUD HEI VAV HEI. IT IS THE SECRET OF the Dalet (=four) living creatures. AND ABOUT THEM IT IS SAID: "Thus were their faces; and their wings were divided upwards" (Yechezkel 1:11). THIS PERTAINS TO all of them, FOR THEY DO NOT YET HAVE THE UNITY OF RIGHT AND LEFT AND ARE READY to receive THE CENTRAL COLUMN THAT WILL UNITE THEM. THEREFORE, THEY ARE THE FOUR LIVING CREATURES, FOR AFTER THE UNIFICATION OF RIGHT AND LEFT, THEY ARE CONSIDERED AS THREE LIVING CREATURES, WHICH IS THE SECRET OF THE THREE COLUMNS, EACH ONE OF WHICH HAS FOUR COUNTENANCES. And from him, FROM JUDAH, CAME David, who gave thanks to the Holy One, blessed be He, at the level of thanksgivings (Heb. hodaot), which is from the side of Hod. And let Rabbi Elai rise up with him, for the numerical value of the letters of Elai is 112, the same as that of Yud-Bet-Kof, WHICH, IN A DIFFERENT ORDER, SPELL BAKI (LIT. 'ERUDITE'), FOR HE IS erudite in the Halachah.

188. And let Rabbi Yudai rise up with him, for the numerical value of the letters of Yudai is the same as that of El, and he is like the angels, Michael and the others, who have the letters of 'El' in their names. It is as IN THE MEANING OF the expression: "It is in the power (Heb. el) of my hand" (Bereshheet 31:29), WHERE THE WORD CONNOTES STRENGTH. And the secret of 'El' (Aleph Lamed) is as follows: the Aleph is the likeness of a man, FOR THE LETTER HAS THE FORM OF A BODY WITH TWO ARMS, and the Lamed is the secret of the three living creatures, EACH ONE OF WHICH is with four countenances, and THE THREE LIVING CREATURES are intimated in the three Yuds that amount to Lamed, which are at the beginning of the three recited Yud Hei Vav Hei's which are 'Hashem reigns, Hashem reigned, Hashem will reign forever'. IN OTHER WORDS: THE THREE YUDS AT THE HEAD OF EACH YUD HEI VAV HEI HINT AT THE THREE LIVING CREATURES, EACH OF WHICH HAS FOUR COUNTENANCES, FOR IN EACH NAME ARE THE FOUR LETTERS OF YUD HEI VAV HEI. AND THIS IS THE SECRET OF THE LETTER LAMED OF 'EL'. And let Rabbi Aba rise up with them, for the numerical value of his name is four, NAMELY the four living creatures.

189. Rabbi Shimon is like a tree, and Rabbi Elazar his son and his friends, the five that we have just mentioned, are like large branches COMING OUT of the tree, similar to arms and legs, WHERE ARMS ARE CHESED AND GVURAH, AND LEGS ARE NETZACH AND HOD.

186. ר' אלעזר, קום לחדשא מלין קמי שכנתא, די תהא עזר לאביך, דשמא גרים, עזר אל, אל מימינא, עזר משמאלא. הה"ד, אעשה לו עזר כנגדו. במאי. בזרע שפיר, דאיהו הפך עזר.

187. ויקום ר' יוסי עמך, דאיהו ברסויא שלימתא למאריה, דהכי סליק יוסי, לחשבון הכס"א, אלהים בחושבן. ויקום עמיה ר' יהודה, דביה הו"ד, וביה י"ה, ובי ירוד ד', ד' חיון. ומניהם וכנמיהם פרודות, כלהו, לקבלא ליה. ומניה דוד, דהודה לקודשא בריך הוא, דרגא בהודאות דאיהו מצד הוד. ויקום עמיה ר' אלעאי, בגי' יב"ק, בקי בהלכתא.

188. ויקום עמיה ר' יודאי, דחושבניה א"ל. כגון מיכאל, מלאכין רשימין באל. כגון יש לאל ידי. ורזא דאל, א' דמות אדם. ל' תלת חיון, דאינון ד' אנפין לכל חר, דרמיזין תלת יודין, העולים ל'. ואינון בראשי תלת אזכרות, דאינון יי' מלך, יי' מלך, יי' ימלוך לעולם ועד. ויקום ר' אבא עמהון, דאיהו חושבניה ד', ד' חיון.

189. רבי שמעון איהו באילנא, ור' אלעזר בריה וחברוי, דאינון חמשה דאדברנא, כענפין דאילנא רבובין דדמיין לדרועין ושוקין.

36. To the chief musician, Give thanks, Rejoice O you righteous, Praise, Melody, Tune, Song, Blessing

Rabbi Shimon equates the kinds of music and praise to the various Sfirot. After a question from the Faithful Shepherd, Rabbi Shimon challenges him to show why, if he was at the level of Binah, scripture says that God gave Hod (honor) to him. Moses' answer includes a description of the work of the divine Chariot, and we hear that this work can never be expounded upon by one person alone unless he is a sage who has merited Chochmah, Binah and Da'at.

190. Rise, Rabbi Shimon, and let us hear new matters from you on this verse: "TO THE CHIEF MUSICIAN UPON SHUSHAN-EDUT, A WRIT OF DAVID TO TEACH" (TEHILIM 60:1). IT FIRST SAYS "To the chief musician (Heb. lamnatze'ach)." It contains THE LETTERS OF Netzach, THE MEANING OF WHICH is nigun tzach (lit. 'pure melody'), and by it Hashem called a man of war towards the nations of the world, but of mercy and justice towards Yisrael. And the secret of the matter is contained in: "And when the wicked perish, there is joy" (Mishlei 11:10). THUS, WHEN HASHEM IS VICTORIOUS (Heb. MENATZEACH) OVER THE WICKED, THERE IS A PURE MELODY. Mem and Lamed OF THE WORD LAMNATZE'ACH are the secret of the seventy names that He has. Together with Netzach and Hod, they come to 72, which is the numerical equivalent of Chesed. And the secret of the matter IS IN THE VERSE: "at your right hand are pleasures (Heb. Netzach) for evermore" (Tehilim 16:11), FOR NETZACH IS TO THE RIGHT, WHICH IS CHESED.

191. HAVING CLARIFIED THAT LAMNATZE'ACH IS THE SECRET OF THE SFIRAH NETZACH, HE CONTINUES: about HOD IT IS SAID, "Give thanks (Heb. Hodu) to Hashem" (I Divrei Hayamim 16:8). Of the righteous, WHICH IS YESOD, it is written: "Rejoice in Hashem, O you righteous" (Tehilim 33:1), and also: "Sing with gladness for Jacob" (Yirmeyah 31:6), WHICH IS AN INDICATION OF UNITY OF TIFERET, YESOD, MALCHUT. FOR 'SING' IS YESOD, IN WHICH THERE IS SINGING. JACOB IS TIFERET AND GLADNESS IS MALCHUT. Of Tiferet it is said: "Praise (Heb. Halelu) El" (Tehilim 150:1), "Haleluyah," "Praise Yah" and the name of Yud Hei Vav Hei, SINCE YUD HEI VAV HEI, WHICH IS A NAME FOR TIFERET. Of melody and tune: these are Chesed and Gvurah, MELODY BEING CHESED, AND TUNE GVURAH; Of song and blessing: they are Chochmah and Binah, song BEING Chochmah, AND blessing Binah. Happy IS Keter and praise is Malchut.

192. AND HE ELUCIDATES a psalm (Heb. Mizmor), WHICH IS GVURAH, that has in it THE LETTERS Raz (lit. 'secret') and THE LETTERS Mum (lit. 'blemish') from the side of the tune (Heb. Zemer) of the Torah and the tune of prayer. FOR WHEN THE LEFT COLUMN HAS CONTROL BY ITSELF, LIGHT TURNS INTO A SECRET, WHICH IS THE BACK PART OF THE LIGHT. AND THEREFORE IT HAS IN IT A BLEMISH, CONTAINING A HOLD FOR THE EXTERNAL ONES, AND ALL OF THIS IS FROM THE SIDE OF HOLINESS. THE PSALM (HEB. MIZMOR) THAT IS SUNG BY a tune of the Other Side contains THE PHONEMES mum zar (lit. 'a foreign blemish'). AND THIS IS WHY THEY SAID 'a tune (Heb. Zemer) in the house is destruction in the house', AND IT IS FROM THE ASPECT OF a menstruating woman, handmaid, daughter of idol worshippers, prostitute. And these are the letters of Mizmor, NAMELY 'MUM ZAR'. Melody (Heb. nigun) IS CHESED, containing THE LETTERS Gan (lit. 'garden'), WHICH IS MALCHUT. And such is the beauty of the melody, which has in it Halel (lit. 'Praise'), like THE HALEL in "It is a night of watchfulness to Hashem for bringing them out of the land of Egypt" (Shemot 12:42). IN OTHER WORDS, NOT THE WHOLE MELODY IS CHESED, BUT ONLY THE BEAUTY OF THE MELODY TENDS TOWARDS CHESED, WHICH IS THE SECRET OF THE HALEL OF THE EXODUS FROM EGYPT, WHICH INCLINES TOWARDS CHESED. 'Happy', with which everyone begins to offer praises, IS KETER, SINCE LIKE KETER, IT IS THE BEGINNING OF THE SFIROT, E.G. "Happy is that people, that is in such a case" (Tehilim 144:15). Of blessing, it is as in "I will bless Hashem at all times" (Tehilim 34:2), WHICH IS BINAH, FOR THE EMANATION OF BINAH IS UNCEASING; of praise, WHICH IS MALCHUT, as in "His praise shall continually be in my mouth" (Ibid.), FOR MOUTH INTIMATES MALCHUT.

190. קום ר"ש, ויתחדשון מלין מפומך, בהאי קרא דמלקדמין. למנצח, תמן נצח, נגון צח. וביה אתקרי ידוד מארי נצחן קרבין, לגבי אומין עכו"ם דעלמא, ורחמין ודינא לישראל. ורזא דמלה, ובאבוד רשעים רנה. מ"ל, שבועין שמהן אית ליה, ועם נצח והוד, ע"ב, כחושפן חס"ד, ורזא דמלה, נעימות בימינך נצח.

191. הוד, ביה הודו ליני. צדיק, ביה רננו צדיקים בידוד. וביה רנו ליעקב שמחה. תפארת, ביה הללו אל. הללויה, הללו יה. דתמן ידו"ד. בנגון ובזמר, חסד וגבורה. בשיר ובברכה, חכמה ובינה. באשרי, כתר. בתהלה, מלכות.

192. מזמור, ביה ר"ז, וביה מו"ם. מסטרא דזמר דאורייתא וזמר דצלותא. זמר מסטרא אחרא, איהי מו"ם ז"ר. זמרא בביתא, חרבא בביתא. נדה שמחה בת עכו"ם זונה. ודא אתון מזמו"ר. נגון, תמן ג"ן. הכי שפירו דנגונא, ביה היל. כגון ליל שמורים הוא ליני להוציאם מארץ מצרים. אשרי דביה שרי עלמא משבחין, אשרי העם שככה לו. בברכה, אברכה את ה' בכל עת. בתהלה, תמיד תהלתו בפני.

193. RETURNING NOW TO THE VERSE: "TO THE CHIEF MUSICIAN UPON SHUSHAN-EDUT, A WRIT OF DAVID TO TEACH" (TEHILIM 60:1), IT HAS BEEN EXPLAINED THAT "LAMNATZE'ACH" IS NETZACH. AND CONTINUES "upon Shushan-edut" is Hod, that is Shoshan (lit. 'rose') in which the red controls the white, while with Netzach the white controls the red. But what is Edut (lit. 'Testimony')? This is the righteous one who is the covenant, NAMELY YESOD, which is held by the heavens and the earth WHICH ARE ZEIR ANPIN AND MALCHUT. This is as it is written: "I call heaven and earth to witness against you this day" (Devarim 4:26), WHICH IMPLIES THE UNITY OF TIFERET, YESOD, AND MALCHUT, FOR 'I CALL TO WITNESS' IS YESOD, WHILE THE HEAVEN AND EARTH ARE TIFERET AND MALCHUT. What is "writ" (Heb. michtam)? It forms the two words mach and tam; mach (lit. 'humble') is the righteous one, NAMELY YESOD, while tam (lit. 'complete') is the Central Column, NAMELY TIFERET, WHICH IS SECRET OF THE BODY, on the level of "Jacob was (Heb. Tam) a plain man" (Beresheet 25:27). We consider the body and the covenant, WHICH ARE TIFERET AND YESOD, to be one, WHICH IS WHY MACH AND TAM ARE WRITTEN AS ONE WORD: MIGHTAM. "to teach": This is Chesed and Gvurah, for from there was the Torah given 'to study and to teach'.

194. THE FAITHFUL SHEPHERD said to him: What you say is all very well, but SCRIPTURE SAYS: "To the chief musician upon the Shminit (lit. 'eighth')" (Tehilim 12:1). THIS MEANS that Netzach should not move from Hod, which is the eighth Sfirah, and that is why he says: To the chief musician (Heb. Lamnazte'ach) upon the eighth," RATHER THAN "TO THE CHIEF MUSICIAN UPON SHUSHAN," AS YOU HAVE IT. The holy luminary, RABBI SHIMON, responded: If that is so, IF YOU WANT TO BE SO PEDANTIC, ONE CAN ASK AN EVEN MORE PROFOUND QUESTION. Your level is that of Binah; why, then, was it taught that He gave Hod to Moses, as it is written: "And you shall put some of your honor (Heb. Hod) upon him" (Bemidbar 27:20)?

195. THE FAITHFUL SHEPHERD replied: That is a good question that you have asked. THE REASON IS THAT the letter Hei OF YUD HEI OF THE YUD HEI VAV HEI ascends AND IS MULTIPLIED by the Yud OF YUD-HEI, making five times ten, which is the fifty gates of Binah, whose extension is from Chesed to Hod, namely five SFIROT. And in each of the SFIROT there are ten, making fifty SFIROT, THAT RECEIVE THE FIFTY GATES OF BINAH, and there is, therefore, just one extension from Binah to Hod, THUS, WHEN MENTIONING HOD THEN BINAH IS GENERALLY INCLUDED. Subsequently 'righteous one', WHICH IS YESOD, comes and by itself takes all fifty gates OF BINAH, it being equivalent to all five, SINCE YESOD INCORPORATES ALL FIVE SFIROT: CHESED, GVURAH, TIFERET, NETZACH AND HOD. And it is called 'all', (Heb. kol = fifty) because it takes all fifty gates. And so also does the bride (Heb. kalah), WHICH IS MALCHUT, take all FIFTY GATES, WHICH IS WHY IT IS CALLED 'BRIDE', NAMELY KOL, AS YESOD, HINTING AT THE FIFTY GATES, WITH THE ADDITION OF HEI, IT BEING FEMININE. Said RABBI SHIMON: Now surely everything is falling into place.

193. על שושן עדות, דא הוד. דאיהו שושן, סומק שליט על חוור, דנצח שליט איהו חוור על סומק. מאי עדות. דא צדיק. איהו ברית, דאיהו אחיד לשמיא וארעא. הה"ד העידותי בכם היום את השמים ואת הארץ. מאי מכתם. מ"ך ת"ם מך, איהו צדיק. הם, עמודא דאמצעיתא, דרגא דיעקב. איש הם. גוף וברית חשבינן חד. ללמד, חסד וגבורה, דמתמן אורייתא אתיהיבת, ללמוד וללמד.

194. א"ל שפיר קאמרת, אבל למנצח על השמינית, דלא תזוז נצח מן הוד, דאיהו ספירה ח', אמר למנצח על השמינית. אמר בוצינא קדישא, או הכי, בינה דרגא דילך, ואמאי אוקמוה ונתן ההוד למשה, שנאמר ונתתה מהודך עליו.

195. א"ל, שפיר קא שאלת. ה' סלקא באת י', חמש זמנין עשר, לחמשיין תרעין דבינה, ואתפשטותא דלהון מחסד עד הוד, הן חמש עשרה בכל ספירה, אינון חמשיין. ובגין דא, מבינה עד הוד, כלא אתפשטותא חדא. לבתר אתא צדיק, ונטיל כל חמשיין תרעין בלחודוי, למהוי שקיל לכל חמש, ואתקרי כל, דנטיל כל חמשיין תרעין. ואוף הכי כלה, נטילת להו כלהו. אמר, בען ודאי אתיושב מלה על בורייה.

196. Moreover, THE LETTERS OF Lamnatze'ach can be re-arranged as 'mal' with 'Netzach'. And that is mal is MEM AND LAMED of Chashmal (lit. 'electrum'), WHEN REMOVING MEM AND LAMED from Chet Shin, WHICH ARE THE FIRST AND LAST LETTERS OF CHAYOT ESH (LIT. 'LIVING CREATURES OF FIRE'). And these are Hod and Netzach, which correspond to the two lips, NETZACH BEING THE UPPER AND HOD THE LOWER LIP. Therefore the lips are called 'muttering living creatures of fire'. And in Chagigah the question is asked: 'Until where is the Work of the divine Chariot?' And the answer was given: From "And I looked" (Yechezkel 1:4) until "electrum" (Yechezkel 1:27), WHERE THE WORD CHASHMAL (CHET SHIN MEM LAMED) FORMS THE INITIALS OF CHAYOT ESH MEMALELOT (LIT. 'MUTTERING LIVING CREATURES OF FIRE'). For from the side of Gvurah, NETZACH AND HOD are called 'living creatures of fire', and the river that flows from the sweat of these LIVING CREATURES OF FIRE is Yesod. All three of them, THAT IS NETZACH, HOD AND YESOD, form a Chariot for the splendor (Heb. Tiferet) of man, WHICH IS ZEIR ANPIN.

197. The Work of the Chariot is Malchut, INASMUCH AS IT IS MADE BY THE CHARIOT THAT IS NETZACH, HOD AND YESOD, and in these three (NETZACH, HOD, and YESOD) are Chochmah, Binah, and Da'at OF MALCHUT, FOR CHOCHMAH, BINAH AND DA'AT OF MALCHUT ARE MADE FROM THE HEADS OF NETZACH, HOD AND YESOD OF ZEIR ANPIN. For this reason the sages of the Mishnah taught: 'The Work of the Chariot may not be expounded by one alone, unless he is a sage who understands of his own knowledge'. THIS REFERS TO ONE WHO HAS MERITED CHOCHMAH, BINAH, AND DA'AT, SINCE A SAGE PERTAINS TO CHOCHMAH, WHO UNDERSTANDS PERTAINS TO BINAH, AND OF HIS OWN KNOWLEDGE IS DA'AT.

37. The Chariot of Metatron

We hear the esoteric explanation of the chariot below Zeir Anpin, that is Metatron, who is also known as the small man. This includes a description of the great and powerful flow of the waters of Chochmah that run from the sea of Torah, and from which three of the four rabbis were unable to emerge in peace. Lastly, it is shown how the first nine letters of the alphabet correspond to the nine Sfirot.

198. And there is a Chariot below NETZACH, HOD, YESOD OF Zeir Anpin, which is Metatron, ALSO KNOWN AS the small man. And in his Chariot, which is an orchard (Heb. Pardes), they are hurrying from the sea of the Torah, LIKE A RIVER WHOSE WATERS ARE FLOWING WITH GREAT SPEED AND FORCE TOWARDS THE SEA, flowing out of his Orchard, to the three of the four, about whom it was said that four entered the orchard, NAMELY: BEN AZZAI AND BEN ZOMA, ELISHA BEN ABUYAH AND RABBI AKIVA. THE FIRST THREE WERE INJURED BY THE FORCE OF THE FLOW OF THE WATERS OF CHOCHMAH, WHICH ARE CALLED 'AN ORCHARD', AND ONLY RABBI AKIVA ENTERED IN PEACE AND LEFT IN PEACE. And we have already learnt this.

199. For he, METATRON, is the bird who was espied by Raba bar bar Channah on the beach of the sea of the Torah when the sea, WHICH IS THE SECRET OF MALCHUT, ROSE AND reached his ankles, NAMELY TO THE END OF HIS NETZACH and HOD, CALLED 'ANKLES', and his head reached to the top of the heavens, WHICH IS ZEIR ANPIN. AND THE THREE OF THEM THAT WERE FAULTED IN IT, THE SECRET OF THE PARDES, AS ABOVE: these three did not fail by it because it contains much waters of CHOCHMAH, but because of the force of the flow of the waters OF CHOCHMAH IN IT. THAT IS TO SAY THAT THEY ARE SHARP AND FORCEFUL WITH JUDGMENTS, and so have we learnt.

196. ועוד למנצח, תמן מ"ל עם נצח. ודא מ"ל מן חשמ"ל. מן ח"ש, הוד ונצח, אינון לקביל תרין שפון. ובג"ד אתקריאו שפון, חיון אשא ממלא. ובחגיגה עד היכן מעשה מרכבה, ואוקמה מן וארא עד חשמל. דמסטרך דגבורה אתקריאו חיון אשא. ונהר דנפיק מזיען דלהון, יסוד. כלהו תלת אינון מרכבה לתפארת, אדם.

200. THE LETTERS Aleph, Bet, Gimel, include them, THAT IS THE COMPONENTS OF THE CHARIOT OF METATRON, FOR THE NUMERICAL VALUE OF THESE THREE LETTERS amounts to six, which is the number of letters IN THE NAME Metatron. The fourth LETTER OF THE ALPHABET, DALET, IS THE SECRET OF "a still small voice" (I Melachim 19:12), WHICH IS THE SECRET OF MALCHUT. For the King comes there, for it is a man to sit on the throne, SINCE MALCHUT IS THE SECRET OF A MAN WHO SITS ON THIS THRONE OF METATRON.

201. The two Yud in THE SHAPE OF the Aleph ? : THE UPPER YUD STANDS FOR the upper waters, WHICH IS THE SECRET OF ZEIR ANPIN, and THE LOWER YUD FOR the lower waters, WHICH IS THE SECRET OF MALCHUT, and there is nothing between them apart from a hairsbreadth, which is Vav WRITTEN LIKE THE LINE IN THE MIDDLE OF THE ALEPH. It is a slant line between THE TWO. YUD IS IN THE SECRET OF the firmament WHICH IS THE SECRET OF THE CURTAIN that "divide water from water" (Beresheet 1:6). Thus there should be a distinction between female and male, and that is why IT IS WRITTEN "and let it divide..." (Beresheet 1:6). And the inner meaning of the matter is as follows: IN THE COMBINATION OF THE TWO DIVINE NAMES, YUD HEI VAV HEI AND ADONAI, Yud Aleph Hei Dalet Vav Nun Hei Yud, the upper Yud OF THE COMBINATION is the upper, male waters and the lower Yud OF THE COMBINATION is the lower, female waters. The six letters ALEPH HEI DALET VAV NUN HEI, which come between THE TWO LETTERS YUD are as the numerical value of Vav (= six), which is THE SECRET OF Metatron, which is THE VAV between THE TWO YUDs IN THE FORM OF the Aleph.

202. Furthermore, Yud is a point, WHICH IS THE SECRET OF UPPER CHOCHMAH. Vav is THE SECRET OF a wheel, WHICH REVOLVES IN THE SIX SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. And there is no movement in the wheel at the six extremities, as the numerical value of Vav, but only at the point, FOR EVERYTHING THAT IS IN CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD IS RECEIVED FROM THIS YUD. And this point is the unity of everything, and is witness to that unity, WHICH IS THE ENDLESS LIGHT, who has no second, and about whom the sages taught that one has to proclaim His unity in order to establish His kingship over the heavens and the earth and the four directions of the compass. THIS IS THE SECRET OF THE ALEPH (= ONE). Bet (= two) is THE SECRET OF heaven and earth, WHICH ARE ZEIR ANPIN AND MALCHUT. Gimel (= three) is THE SECRET OF the pillar that bears them, WHICH IS THE SECRET OF YESOD. Dalet (= four) is THE SECRET OF the four living creatures OF THE CHARIOT. Hei (= five) is THE SECRET OF the throne. Vav is THE SECRET OF the six steps up to the throne, WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. Moreover, Aleph, Bet, Gimel, Dalet, Hei, Vav, Zayin, Chet, Tet are THE SECRET OF man, NAMELY THE FIRST NINE SFIROT OF ZEIR ANPIN. Yud is His Unity, NAMELY Malchut, WHICH IS the tenth SFIRAH of ZEIR ANPIN WHO IS CALLED 'Adam' (lit. 'man'). THIS IS THE SECRET OF THE YUD HEI VAV HEI, FULLY SPELLED WITH ALEPHS, MAKING THE NUMERICAL VALUE OF ADAM. The nine SFIROT OF ZEIR ANPIN correspond to the nine letters. Happy are those of Yisrael who know the secret of their Master!

38. Smoke and Fragrance and Incense

Rabbi Yehuda, Rabbi Shimon and the Faithful Shepherd discuss the smoke that emerged from the left nostril and the fragrance that was drawn into the right nostril, and we learn that these are Judgment and Mercy. Incense corrects the two and removes death from the world.

203. Another explanation: "Command the children of Yisrael, and say to them, My offerings, the provision of My sacrifices made by fire, of a sweet savor to Me" (Bemidbar 28:2). Rabbi Yehuda said: With an offering there is smoke and there is fragrance and there is a sweet savor. Smoke is from the side of Judgment, as it is said: "But then the anger (also: nose) of Hashem shall smoke" (Devarim 29:19). "There went up a smoke out of His nostrils, and fire out of His mouth devoured" (Tehilim 18:9). Sweet savor is Mercy, as it is said: "and the scent of your countenance (lit. 'nose') like apples" (Shir Hashirim 7:9).

204. The Faithful Shepherd said, Both of them, smoke and fragrance, are in the nose, and are called 'witnesses'. The former IS IN THE NOSE, AS IT IS WRITTEN: "There went up a smoke out of His nostrils," and the latter IS IN THE NOSE, AS IT IS SAID: "and the scent of your countenance (lit. 'nose') like apples." If that is so, then why is the former, smoke, called 'Judgment', and the latter, FRAGRANCE, called 'Mercy'? HE ANSWERS THAT in the nose there are two windows, EACH OF WHICH IS A NOSTRIL. "There went up a smoke out of His nostrils" is said about the left-hand nostril, WHICH IS JUDGMENT. What is the meaning of "went up"? It is THAT THE SMOKE ROSE UP from the heart, which is on the left and is parallel to Gvurah. And from the right a breeze descends to cool him and quiet his anger from the side of Chesed, which is where the brain is; namely Chochmah, which is to the right, 'He who wishes to acquire wisdom, let him go to the south'. And Binah, WHICH IS THE SECRET OF CHOCHMAH OF THE LEFT, is in the heart, opposite the left, 'and he who wishes to enrich let him go to the north'. And this is why "There went up a smoke out of His nostrils," namely from Binah, WHICH IS ON THE LEFT, to Chochmah, which is on the right. And CHOCHMAH welcomes it with rejoicing to the accompaniment of the music of the Levites.

205. And this smoke only rises up with fire that is kindled with pieces of wood that are limbs filled with the precepts, which are CALLED "the wood for the burnt offering" (Beresheet 22:3). And the Torah of Torah scholars is enkindled by the precepts, their fire is by virtue of Gvurah, and the smoke rising up in them, IN BINAH, is called 'the smoke' of the set order on the altar.

206. And when the smoke has arisen to the nostrils, it is called "incense," as it is written: "They shall put incense in your nostrils." (Devarim 33:10). And nothing is as effective as incense for doing away with death in the world, for incense is the connecting of Judgment with Mercy with the sweet savor in the nostrils. For the Hebrew for 'connect' is in Aramaic ktiru, AND HENCE INCENSE (HEB. KToret) MEANS CONNECTION. Rabbi Yehuda said, Happy is our portion that we have gained hidden matters and can understand them openly. The holy luminary added, Since prayer is like a sacrifice, anyone, therefore, who says the prayer 'Compounding of the Incense' after "A praise of David" (Tehilim 145:1) does away with death from the house.

203. ד"א, צו את בני ישראל ואמרת אליהם את קרבני לחמי לאשי ריח נוחחי. ר' יהודה אמר, בקרבנא אית עשן, ואית ריח, ואית ריח נוחח, עשן איהו מסטרא דדינא, הה"ד, כי אז ועשן אף יי. עלה עשן באפו ואש מפיו תאכל. ריח נוחחי, רחמי וריח אפר בתפוחים.

204. אמר רעיא מהימנא, והא תרווייהו עשן וריח, אינון באף, וקראין סהדין. חד, עלה עשן באפו. ותניינא, וריח אפר בתפוחים. ואמאי אתקרי חד עשן דינא ותניינא רחמי. אלא, בחוטמא אית תרין חלונין, ואתמר בשמאלא, עלה עשן באפו, מאי עלה. אלא מלבא דאיהו בשמאלא, לקבל גבור. מימינא נחית רוחא לגביה, לקררא ליה, ולשכבא רוגזיה, מסטרא דחסד, דתמן מוחא. חכמה לימינא, הרוצה להחכים ידרים. בינה בלבא, כלפי שמאלא, הרוצה להעשיר יצפון. ובג"ד עלה עשן באפו, מן בינה לגבי חכמה, דאיהו לימינא, ומקבל ליה בחדרה, בנגונא דליואי.

39. The three prayers

The Faithful Shepherd tells us how the three prayers were arranged to parallel the sacrifices.

207. The Faithful Shepherd said, One has to know how the prayers were arranged to parallel the sacrifices, for the prayers are three. The morning prayer (Shacharit) parallels "The one lamb you shall offer in the morning" (Shemot 29:39 and Bemidbar 28:4). As it is said: "And Abraham went early in the morning to the place where he had stood before Hashem" (Beresheet 19:27), and the rabbis have taught that standing means prayer. "and the other lamb you shall offer towards evening" (Shemot 29:39 and Bemidbar 28:4) parallels the afternoon prayer (Minchah), which was set by Isaac, as it is said: "And Isaac went out to meditate in the field at the eventide" (Beresheet 24:63), and there is no meditation that is not prayer. The evening prayer (Arvit) parallels the parts and the fat which are devoured all night. And it is said, "And he lighted on a certain place, and tarried there all night, because the sun was set" (Beresheet 28:11). Lighting upon refers to nothing else than prayer.

208. Since we have referred to the story in our discussion, THERE IS A POINT IN ASKING why Scripture says, "and he took of the stones of that place, and put under his head, and lay down in that place to sleep" (Beresheet 28:11). Did he not have pillows and cushions to lie ON? THE ANSWER IS: When the groom comes to the bride, even if he is used to lying on pillows and cushions, should she give him stones to lie on, he will accept everything willingly. And we have already learned this, and it is also stated in the first compilation. With respect to the verse: "And when Jacob saw them, he said" (Beresheet 32:3), Rabbi Shimon said: Sit down. And Scripture says... CONTINUES ON PARAGRAPH 238

End of Ra'aya Meheimna
Rabbi Pinchas has been thinking about the meaning of 'keeping' and 'remembering', and he opens the topic of the role of the liver in the sacrifice. Rabbi Shimon furthers the explanation, telling how the heart receives the confession and offers it to the brain. He closes by saying that all ills come from the liver and all goodness comes from the heart.

209. Rabbi Pinchas said, I have been thinking: Keeping certainly is in the heart, which is why it is written: "Keep" (Devarim 5:12), of the heart, WHICH IS MALCHUT, and of nowhere else. 'Remembering' (Heb. ZECHIRAH) is a matter of the male (Heb. ZACHAR), namely in the brain, WHICH IS ZEIR ANPIN, that rides and controls the heart, and it is therefore written: "Remember THE SHABBAT DAY" (SHEMOT 20:8), for the male, WHICH IS ZEIR ANPIN, while "Keep the Shabbat day" (Devarim 5:12) is for the female, WHICH IS MALCHUT. The brain, which is the male, ZEIR ANPIN, mounts and controls the heart, WHICH IS MALCHUT. The heart controls and mounts the liver, and liver is Samael and Serpent intertwined, and they are one. And they are the lobe of the liver and the liver, and so it is with the sacrifice. The lobe of the liver is Serpent, and the liver is devourer, the male, who is the secret of Samael.

210. Rabbi Shimon said: That is certainly how it is, and it is good, and it is a clarification of the matter and thus are the secret of the hidden matters of the sacrifice. He first takes the liver, together with its lobe, which are Samael and SERPENT his mate, and all those arteries that are in the liver are their hosts and encampments, and their receiving is that they devour the fatty parts and the fat of the sacrifice, as it is written: "and the fat that is upon them" (Shemot 29:22). And then everything is offered to the heart.

211. And the heart does not receive from the whole of the sacrifice, but only from the confession made with it, which ascends with the smoke and the prayer that is made over the sacrifice. SUBSEQUENTLY, the heart offers to the brain the desire of the unification of the priests in it and the rejoicing of the Levites. This brain, WHICH IS ZEIR ANPIN, is the light that comes from the Divine Brain, WHICH IS FATHER AND MOTHER, and the DIVINE Brain offers to the All-Hidden who is Completely Unknown, THAT IS, KETER, and everything is interconnected. And the brain, WHICH IS ZEIR ANPIN, offers pleasure to all, TO ALL THE HEAVENLY BEINGS.

212. The arteries that are in the liver, these are the personages, NAMELY THE ANGELS OF THE EVIL FORCES, and all these are their hosts. The liver is as we said, THAT IS SAMAEL, while the lobe OF THE LIVER, which is feminine, is his female. And why IS IT CALLED 'lobe' (Heb. yoteret, derived from left-over)? It is because it does not join together with the male, WHICH IS SAMAEL, unless it has some spare time left over after the prostitution in which it engages, and after it leaves him. YOTERET MEANS LEFT OVER, FOR SHE LEAVES THE MALE, AND MAKES HIM INTO A LEFT-OVER, AFTER ALL HER FORNICATIONS. Again, the female is, therefore, CALLED 'yoteret', for when she wants to join together with a man TO MAKE HIM SIN, she first of all becomes for him as left-overs, without any importance, NAMELY WITHOUT THE POWER TO RULE OVER MAN, FOR THE START OF A SIN IS AS THE BREADTH OF A HAIR. Later she draws close to him, little by little, until she is in one union with him, AND HE CAN NO LONGER SEPARATE HIMSELF FROM HER. And from those arteries that are in the liver, other forces of a number of types spread out, and they all take the limbs and the fats THAT ARE BURNT ON THE ALTAR AT NIGHT, and all of them are included in the liver, WHICH IS SAMAEL.

213. And the heart, which is the main thing in holiness, NAMELY MALCHUT, takes and offers to the brain as we have learned. The heart rests over the two kidneys, WHICH ARE NETZACH AND HOD, and they are two Cherubs, who are advisers, IN THE SECRET OF THE ADVISING KIDNEYS. THAT IS TO SAY THEY ARRANGE THE EMANATION THAT DESCENDS FROM ZEIR ANPIN AND MALCHUT IN THE SECRET OF THE HEAVENS THAT GRIND THE MANNAH FOR THE RIGHTEOUS, WHICH ARE THE RIGHTEOUS ONE AND RIGHTEOUSNESS, NAMELY YESOD AND MALCHUT. And they are far and near, right and left. FOR WHEN NETZACH, WHICH IS RIGHT, IS IN CONTROL THEY ARE NEAR, BUT WHEN HOD, WHICH IS LEFT, IS IN CONTROL THEY ARE FAR. And all of them take and eat FROM THE LIGHT OF THE MATING WHICH IS BY THEIR SACRIFICE, each one as befits it, until everything is tied together as one.

214. "The sacrifices of Elohim are a broken spirit" (Tehilim 51:19). This, namely a broken spirit, confession, and prayer is an approach offered to the heart. For it is certain that: "and the spirit returns to the Elohim who gave it" (Kohelet 12:7), NAMELY A BROKEN SPIRIT ASCENDS TO ELOHIM WHO IS MALCHUT THAT IS CALLED 'HEART'. And the liver, WHICH IS SAMAEL, offers it closer to the heart, for it HAS BECOME a good advocate for him. And everything is one bond in the sacrifice.

215. And from the liver, WHICH REPRESENTS SAMAEL, come all the diseases and illnesses to all parts of the body and rest in it. But the heart, WHICH REPRESENTS MALCHUT, is the purest of all THE PARTS OF THE BODY, and from it are derived all goodness, all health of all the parts, and all the strength and all the joy and all the perfection needed by all the parts.

40. The sacrifices

The Faithful Shepherd says that the purpose of the sacrifices is to remove the impure sides and bring the holy sides near. Rabbi Shimon argues that God distributes the food of the sacrifices as appropriate - He gives the nourishment of the Torah to those on the side of holiness, and he gives ordinary food to those on the Other Side. God takes nothing from the sacrifice other than the desire and remorse of the heart. Rabbi Shimon says that the priest is the brain, the Levite is the heart, and Yisrael is the body. The Faithful Shepherd continues the discussion with a higher explanation of the union effected by the sacrifices, and we learn that those who are like animals were commanded to sacrifice animals for atonement, but that those who are like angels offer up their good deeds instead. Moses talks about the Prime Cause, Ein Sof, saying that the four elements have no proximity to one another except when He is among them, and saying that the sacrifices draw them close to Him.

Ra'aya Meheimna (the Faithful Shepherd)

216. The Faithful Shepherd said: THE PURPOSE OF the sacrifices is to remove the impure sides and bring the holy sides near. And we learnt in the First compilation that among the arteries of the liver, WHICH ARE THE SOLDIERS OF SAMAEL, AS ABOVE, there are large ones and there are those that are both large and small, and they spread out from there in a number of directions, and they take the parts and the pieces and fats that are devoured on the altar the whole night, for the whole of the sacrifice belongs to Hashem, AND THE OTHER SIDE TAKES ONLY THE PARTS AND THE FATS.

217. The holy luminary, THAT IS, RABBI SHIMON, said, O, Faithful Shepherd, did you not say before that the only purpose of the sacrifices of the Holy One, blessed be He, is to draw close the Yud to the Hei and the Vav to the Hei? Nevertheless, although all the sacrifices have to be offered before him, BEFORE THE HOLY ONE, BLESSED BE HE, and He distributes the foodstuffs of the sacrifices to all the various camps, to each as befits him. To the mental ones, namely ON THE SIDE OF HOLINESS, HE GIVES the nourishment of the Torah, and drinks of the wine and water of the Torah, WHICH IS THE SECRET OF THE CENTRAL COLUMN THAT IS CALLED 'TORAH', BY WHICH ALL THE LIGHTS ARE CORRECTED. To the natural ones, which are the demons who are like people, NAMELY THE OTHER SIDE, He gives them natural foodstuffs, and their fire descends to devour them, NAMELY THE ILLUMINATIONS COMING FROM THE LEFT COLUMN OF SEPARATION, WITHOUT THE RECONCILING OF THE CENTRAL COLUMN THAT IS CALLED 'TORAH'.

218. And this is as the sages taught. If Yisrael is meritorious, He would descend like a lion of fire to devour the sacrifices, but if they were not meritorious, He would descend like a dog of fire. Likewise, when a man dies, if he has been meritorious, the image of a lion descends to welcome his soul, but if he has not BEEN MERITORIOUS, an image of a dog descends, concerning which David said: "Deliver my soul from the sword; my only one from the power of the dog" (Tehilim 22:21).

219. And since the Holy One, blessed be He, desired to save the bodies of Yisrael from them, and their souls, too, He commanded that sacrifices be offered of beasts and bodies in their stead, SO THAT THE OTHER SIDE SHOULD NOT HAVE CONTROL OVER THEM, BUT SHOULD ENJOY THEM (THE SACRIFICED ANIMALS). This is according to the verse: "If your enemy be hungry, give him bread to eat, and if he be thirsty give him water to drink" (Mishlei 25:21). AND THUS WILL THE ACCUSER BECOME COUNSEL FOR THE DEFENSE. But the Holy One, blessed be He, takes nothing FROM THE SACRIFICE except the desire of the heart and remorse of the heart, as it is written: "The slaughtered sacrifices for Elohim are a broken spirit; a broken and contrite heart, Elohim, You will not despise" (Tehilim 51:19). They are like earthenware vessels, about which it is said: 'After they are broken, they become clean'.

220. The priest is brain, STANDING FOR ZEIR ANPIN, WHICH IS RIGHT. Levi is heart, STANDING FOR MALCHUT, WHICH IS ON THE LEFT. Yisrael is the body, NAMELY THE CENTRAL COLUMN, FOR WHEN THE SOULS OF YISRAEL RISE UP TO THE FEMALE WATERS, THEY BECOME THE CENTRAL COLUMN, BETWEEN ZEIR ANPIN AND MALCHUT. And it is said about them: 'The priests at their service, the Levites at their stand, and Yisrael at their post'. And if the liver, WHICH IS SAMAEL, wishes to offer fatty parts that are ritually impure to the heart, he takes only the fat of a ritually pure fatty part. For just as in the body there are pure and impure fatty parts, clean blood without waste matter and blood contaminated with waste matter, the arteries of blood in the heart, WHICH IS MALCHUT, are the holy hosts, while the arteries of the liver, WHICH IS SAMAEL, are the impure hosts. Here also, there are camps of the Evil Inclination and camps of the Good Inclination. The latter are appointed over the arteries of the heart and the former over the arteries of the liver. Similarly, too, there are two types of people: Yisrael, WHO IS LIKE THE ARTERIES OF THE HEART, and the other nations of the world, WHO ARE LIKE THE ARTERIES OF THE LIVER.

221. The Faithful Shepherd said to him: What you have said is altogether beautiful, but even Yisrael are not all equal, for there are among them the sons of royalty, from the side of the holy Malchut that is composed of ten Sfirot and all the names of Yud Hei Vav Hei and their titles. And there are those that are like slaves, from the side of the servant, METATRON, who is "the eldest servant of his house" (Bereshheet 24:2), NAMELY OF MALCHUT. There are also those who are like animals, about whom it is said: "And you, My flock, the flock of My pasture, are men" (Yechezkel 34:31). And the Holy One, blessed be He, commanded those who are like sheep to sacrifice animals in their stead, to make atonement for them. But the sacrifices of those who are like angels are the good deeds, over which are appointed angels who offer the good deeds before the Holy One, blessed be He, in the stead of them.

222. And those who are the children of Yud Hei Vav Hei, about whom it is written: "You are the children of Hashem your Elohim" (Devarim 14:1). It is because of their sins that the letters OF THE YUD HEI VAV HEI become separated, FOR THERE IS NO HEAVENLY MATING OF YUD-HEI, AND THERE IS NO MATING OF ZEIR ANPIN AND MALCHUT, WHICH ARE VAV-HEI. And their correction lies in the Torah, which is the name of Yud Hei Vav Hei, to bring the letters together by means of their sacrifice: Yud with Hei, WHICH IS THE SECRET OF THE MATING OF ABA AND IMA, and Vav with Hei, WHICH IS THE SECRET OF THE MATING OF ZEIR ANPIN AND MALCHUT.

223. And for all the sacrifices, whether OF THOSE WHO ARE animal-LIKE, or those who are like the ASPECTS OF angels appointed over the precepts, or of those WHO ARE OF THE ASPECT of Malchut, or of those WHO ARE of the name OF THE YUD HEI VAV HEI, in all cases THE SACRIFICE has to offer to the Holy One, blessed be He, THE UNION OF THE FOUR holy letters OF THE YUD HEI VAV HEI. AND THE HOLY ONE, BLESSED BE HE, mounts WITH THE FOUR LETTERS OF THE YUD HEI VAV HEI on the four living creatures of the angels, MICHAEL, GABRIEL, URIEL, AND RAPHAEL, WHICH ARE THE CHARIOT THAT IS IN BRIYAH. AND THE HOLY ONE, BLESSED BE HE rides, WITH THE FOUR LETTERS OF THE YUD HEI VAV HEI, on the four elements OF FIRE, WIND, WATER, AND EARTH, WHICH ARE THE SECRET OF CHESED AND GVURAH, TIFERET AND MALCHUT, THAT ARE IN YETZIRAH, WHICH IS THE ASPECT OF YESOD. From them were created the four natural beings, NAMELY CHESED AND GVURAH, TIFERET and MALCHUT, THAT ARE IN THE WORLD OF ASYAH. AND THE HOLY ONE, BLESSED BE HE, Himself brings water close to fire, WHICH IS THE SECRET OF THE TWO

COLUMNS CHESED AND GVURAH; AND THIS IS THE SECRET OF YUD-HEI, and the bringing of wind to the earth NAMELY TIFERET, THAT IS CALLED 'WIND', TO MALCHUT, THAT IS CALLED 'EARTH', THIS BEING THE SECRET OF VAV-HEI. And this is as it is written: "He makes peace in his high places" (Iyov 25:2). And so also, HE BRINGS TOGETHER THE FOUR LIVING CREATURES OF THE ANGELS, namely: Michael, who is considered mental water, with Gabriel, who is thought mental fire, WHICH IS THE SECRET OF RIGHT AND LEFT, THE BASIS OF YUD-HEI; and He also brings close Uriel, who is air, namely the mental wind, with Raphael, earth, who is mental dust, WHICH IS THE SECRET OF VAV-HEI. For the moment the Holy One, blessed be He, departs from among them, they have no strength.

224. You might suggest that we have a problem here, since it is written that all the sacrifices are to Yud Hei Vav Hei, and ask how, therefore, it can be said that there is a separation of the letters OF THE YUD HEI VAV HEI, AND THAT THE SACRIFICE NOW COMES TO UNITE THEM. HE ANSWERS, This is said about those stages that were created and called by His name and not that they are He Himself, as it is written: "every one that is called by My name: for I have created him for My glory; I have formed him; yea, I have made him" (Yeshayah 43:7). And there are the four letters of the Yud Hei Vav Hei in Atzilut, containing no separation nor cessation, for they are as fountains FOR ALL THE WORLDS, watering the trees. And regarding those that were created, NAMELY VIS-A-VIS THE YUD HEI VAV HEI ATTIRED IN THE WORLD OF CREATION, THE FOUR LETTERS OF ATZILUT are likened, the Yud to a head, the Vav to a body, while the two Heis ARE LIKENED to ten fingers.

225. But the Prime Cause, NAMELY THE ENDLESS LIGHT, BLESSED BE HE, who is over everything, who is called Yud Hei Vav Hei, THAT IS, ITS LIGHT IS ATTIRED IN THE YUD HEI VAV HEI, about Him it is said: "To whom then will you liken Me, that I should be equal? says the Holy One" (Yeshayah 40:25). "To whom then will you liken El, or what likeness will you compare to Him?" (Yeshayah 40:18) "For I am Hashem, I do not change" (Malachi 3:6). The sins of the creatures BELOW do not touch Him, nor separate in Him the letter Yud from the letter Hei, nor the Vav from the Hei. For there is no separation in Him and it is said about Him. "nor shall evil dwell with you" (Tehilim 5:5). He rules over all and there is none who rules over Him. He comprehends all and there is none who comprehends Him. And He is not called by Yud Hei Vav Hei, nor by all the other names, but is known by His light that spreads over them, OVER THE LEVELS THAT ARE IN THE FOUR WORLDS, ATZILUT, BRIYAH, YETZIRAH, ASIYAH. And when He departs from them, He has, of Himself, no name at all. "exceeding deep, who can find it?" (Kohelet 7:24).

223. הרי בכל קרבנין, בין דבעירי, בין דמלאכין דממנן על פקודין, בין במלכותא, בין בשמיה. בלא צריך לקרבא לקודשא בריך הוא באתון קדישין. ואיהו רכיב בארבע חיון דמלאכים. ואיהו רכיב בארבע יסודין, דמנהון אתבריאוו ארבע חיון טבעיים. ואיהו הוא דמקרב מיא באשא, ורוחא בעפרא. הה"ד, עושה שלום במרומו. ואוף הכי הוא מקרב מיכאל דאיהו מים שכליים, עם גבריאל. דהוא אש שכלי. ואיהו מקרב אוריאל, דאיהו אויר. דהיינו רוח שכלי. עם רפאל, דאיהו אפר, דהיינו עפר שכלית. דמיד דאסתלק קודשא בריך הוא מבינייהו, לית בהון חילא.

226. And there is no light that can withstand His radiance without appearing dark, even upper Keter OF ATZILUT, whose light is stronger than all of the levels and all the hosts of the upper and lower heavens, and it is said about Him, CONCERNING HIMSELF: "He made darkness His secret place" (Tehilim 18:12). Concerning Chochmah and Binah, IT IS SAID, "cloud and mist are round about Him" (Tehilim 97:2) How much more is it so for the other Sfirot and for the celestial beings, and the elements that are dead, WITHOUT LIFE. He surrounds all the worlds, and none but He surrounds them in any direction, up or down or to the four corners of the compass, and no one has left His domain for the outside, for He fills all the worlds and there is no other that fills them.

227. He grants life TO ALL THE WORLDS, and there is no other Eloha above Him to give Him life, as it is said: "and You do preserve them all" (Nechemyah 9:6), and for Him Daniel said: "and all the inhabitants of the earth are reputed as nothing: and He does according to His will in the host of heaven" (Daniel 4:32). He joins together and unites members of each species above and below, and the four elements have no proximity TO EACH OTHER apart from when the Holy One, blessed be He, is among them.

228. Immediately, when those who are called "You are the children of Hashem your Elohim" (Devarim 14:1), WHO ARE FROM THE SIDE OF THE YUD HEI VAV HEI, sin, He removes Himself from the letters OF THE YUD HEI VAV HEI, which are left separated from each other. How is this to be corrected? By bringing together the letters in the Holy One, blessed be He, Yud to Hei, WHICH IS THE MATING OF CHOCHMAH AND BINAH, Vav to Hei, WHICH IS THE MATING OF TIFERET AND MALCHUT. So also: those who are His servants, WHO ARE FROM THE SIDE OF METATRON, AND ARE from the side of the celestial beings MICHAEL, GABRIEL, URIEL AND RAPHAEL, whose sins caused HIS DIVINITY to leave them, how are they to be corrected? By AGAIN bringing the Holy One, blessed be He, down to them, and to bring them close TO EACH OTHER. So also with those who are the four elements, FIRE, WIND, WATER AND EARTH, which are CALLED 'the flock of the Holy One, blessed be He', WHO, BY THEIR SINS, cause the Holy One, blessed be He, to ascend from them, what is their correction? It is to draw them close to the Holy One, blessed be He.

229. And this is why He commanded for all of them a sacrifice to Yud Hei Vav Hei, NAMELY IN ORDER TO UNITE THE LETTERS OF THE YUD HEI VAV HEI, THAT WERE SEPARATED AND REMOVED, AS EXPLAINED ABOVE. "My offerings, the provisions of My sacrifices made by fire" (Bemidbar 28:2). Also: "The one lamb you shall offer in the morning and the other lamb you shall offer towards evening" (Bemidbar 28:4). Elsewhere it is written: "two turtledoves, or two young pigeons" (Vayikra 5:7). One goes after its own kind, AND JOINS IT. And the Holy One, blessed be He, brings all together in this place, for He is the cause of all; there is no Eloha beside Him, and none but He is able to bring the forces together.
