230. But the forces of the idol-worshipping nations are from the side of Separation. Woe to him who by his sins brings SEPARATION to the letters, beings and prime elements, for the Holy One, blessed be He, immediately removes Himself from Yisrael, and the idol-worshipping nations come in among them. THE IDOL-WORSHIPPERS have no proximity to the Holy One, blessed be He, since there are no rapprochement sacrifices outside the Land of Yisrael, WHERE THE IDOL-WORSHIPPERS ARE. In this context, the rabbis taught: 'He who lives outside the Land of Yisrael is comparable to one has no Eloha'. As the Faithful Shepherd said these things, all the holy letters FROM ATZILUT, and the holy living creatures FROM BRIYAH, and the four prime elements IN YETZIRAH AND ASIYAH came down to him, blessed him, and said: "By your doing, O Faithful Shepherd, did the Holy One, blessed be He, descend upon us, and each kind was drawn close to his own kind. You are blessed to the Holy One, blessed be He, by the four prime elements. Now everything has been clarified in its rightful place." End of Ra'aya Meheimna

41. "Delight yourself also in Hashem"

Rabbi Shimon talks about the scripture that begins with "Trust in Hashem, and do good; dwell in the land, and enjoy security." He once more reminds us why, after his promotion to the office of high priest, Pinchas is not named in the killing of Zimri.

231. He began by quoting: "Trust in Hashem, and do good; dwell in the land, and enjoy security" (Tehilim 37:3). "Trust in Hashem." This is as it should be. "And do good," THAT IS, UNDERTAKE the correction of the holy covenant, that you should correct it and keep it properly. And if you do this, you will be here in the land, NAMELY "DWELL IN THE LAND," and it will receive nourishment at your hand, and will flourish at your hand, namely that upper faithfulness WHICH IS MALCHUT, THIS BEING THE MEANING OF "ENJOY SECURITY (ALSO: CHERISH FAITH)."

231. פִּתַּח וְאָמַר, בְּטַח בְּיָי' וְעֵשֶׂה טוֹב שְׁכֵן אַרְץ וְרַעֲה אַמּוּנָה. בְּטַח בְּיָי', כְּדָקָא יְאוּת. וְעֵשֶׂה טוֹב, תְּקוּנָא דְבְרִית קְדִישָׁא. דְּתֵהֵא מִתְקַן לִיהּ, וְנִטִּיר לִיהּ כְּדָקָא יְאוּת. וְאִי תַעֲבִיד דָּא, אַנְתָּ תֵהֵא הִכָּא בְּאַרְעָא, וְיִתְזֹן מִנְךָ, וְיִתְפָּרַס מִנְךָ, הֵהִיא אַמּוּנָה דְלַעִילָא.

232. And the following verse: "Delight yourself also in Hashem; and He shall give you the desires of your heart" (Tehilim 37:4). All this is remedied with the correction of the covenant, for once the covenant is corrected, everything is corrected. And Pinchas, because he was zealous for this covenant, merited everything. And not only that but he was defender of all Yisrael, and the verse "You shall delight yourself in Hashem" was upheld in him, for he ascended and made contact above, with the first light that the Holy One, blessed be He, created and then concealed, that same light that Abraham enjoyed and with which Aaron the priest was bound.

232. וְתוּ, תִתְעַנַּג עַל יָי' וְיִתֵן לְךָ מִשְׁאֲלוֹת לִבְךָ. כָּל דָּא אֲתַתְקַנַּת בְּתְקוּנָא דְבְרִית. בִּיּוֹן דְּאֲתַקַּנַּת בְּרִית, אֲתַקַּן כְּלָא. פְּנַחַס בְּגִין דְּקִנִּי עַל בְּרִית דָּא, זְכָה לְכָלָא. וְלֹא עוֹד אֱלָא דְאֲגִין עַל כָּל יִשְׂרָאֵל, וּבִיָּה אֲתַקִּיּוּם וְהִתְעַנַּג עַל יָי'. דְּהֵא סְלוּק וְאֲתַקְשֵׁר לְעִילָא, בְּאוּר קְדַמָּא דְבְרָא קוּדְשָׁא בְּרִיךְ הוּא, וּגְנִיז לִיהּ. בְּהוּא אוּר דְּאֲתַהֲנִי אַבְרָהָם מִנִּיָּה, וְאֲהֲרֹן כְּהֵנָּא אֲתַקְשֵׁר בִּיָּהּ.

233. After PINCHAS was promoted to the office of High Priest, the killing of Zimri is not mentioned in connection with him, for it is not fitting, in order that he should not be caught up in the tentacles of the Other Side, and it is indeed not proper to mention the killing in connection with him. Everyone who kills has extensions of the Other Side in him, but Pinchas had already become united with the right, WHICH IS THE PRIESTHOOD, and had no portion whatsoever in the Other Side, which is why HIS NAME is not mentioned here. What might have seemed praiseworthy is really a matter of disgrace for him, for it would mean a descent from the upper level with which he was united. It is, therefore, written: "Now the name of the man of Yisrael that was slain, that was slain... And the name of the Midianite woman that was slain..." (Bemidbar 25:14-15), without mentioning by whom they were slain.

234. Rabbi Pinchas said, Happy is the generation that hears your interpretations of Torah, and happy is my portion that I have so merited. Rabbi Shimon replied TO RABBI PINCHAS, Happy is the generation in which you and your piety are. While they were still sitting appeasing and enjoying each other's company, Rabbi Elazar, the son of Rabbi Shimon, came and found them there. Rabbi Pinchas commented, this is certainly in fulfillment of the verse: "And when Jacob saw them, he said: This is Elohim's camp" (Bereshheet 32:3). Rabbi Shimon said, Elazar, my son, sit you down, my son, and expound to us this verse, and Rabbi Elazar sat down.

42. Lighting upon means words of reconciliation

Rabbi Elazar gives his interpretation of the time that Jacob was on his way and was met by angels of Elohim.

235. He began: "And Jacob went on his way, and angels of Elohim met him" (Bereshheet 32:2). HE ASKS what is the meaning of "met him?" THE ANSWER TO THIS IS that there is a meeting for good, a meeting for evil and a meeting for prayer. When Jacob was on his way to Charan, what does Scripture tell us? "And he came upon the place" (Bereshheet 28:11), for he prayed the evening service at that place, WHICH IS MALCHUT THAT IS CALLED 'PLACE', as it is written: "And Hashem said, Behold, there is a place by Me" (Shemot 33:21). For the evening prayer is proper for that place; THAT IS, THE EVENING PRAYER IS THE ASPECT OF CORRECTION OF MALCHUT, AND THIS IS IN ACCORD WITH WHAT WAS SAID ABOVE: "MEETING IS NONE OTHER THAN PRAYER."

236. Again. "And he lighted on a certain place" (Bereshheet 28:11). This means that he spoke words of conciliation, NAMELY AS HE HAS ALREADY NOTED: THERE IS NO MEETING THAT IS NOT CONCILIATION. "because the sun was set" (Ibid.), the Holy One, WHICH IS ZEIR ANPIN, comes to the moon, WHICH IS MALCHUT, the husband to the wife. It follows that it is not right for a husband to come to his wife without words of appeasement to placate her, for it is written: "And he lighted on a certain place" (Ibid.), WHICH MEANS THAT HE ADDRESSED HER WITH WORDS OF APPEASEMENT. And afterwards: "And he stayed there the night" (Ibid.). But what does Scripture tell us about his return from Charan? "met him" (Bereshheet 32:2), NAMELY MALCHUT sent messengers to placate him, so that he would come in to her.

233. לְבַתֵּר דְּאִסְתַּלַּק לְכַהֲנָא רַבָּא, לָא אֲדַבֵּר לִיָּה קְטַלְנוּתָא דְזִמְרִי, וְלֹא יָאוּת בְּגִין דְּלֹא יִתְאַחַד כָּלֵל בְּעִנְפוּי דְּסִטְרָא אַחְרָא, וְלֹא אֲתַחְזִי לְאֲדַרְבָּרָא עֲלֵיָּה. דְּכָל מֵאן דְּקָטִיל, עֲנַפִּין דְּסִטְרָא אַחְרָא אֵית בֵּיָּה. וּפְנַחֵס הָא מִתְאַחִיד בִּימִינָא, וְלִית לִיָּה חוּלְק בְּסִטְרָא אַחְרָא כָּלֵל, וְעַל דָּא לָא אֲדַבֵּר הֵכָא. מַה דְּאֲתַחְזִי שְׂבַחָא, אִיהוּ גְּנָאי לִיָּה, וְנַחֲיִתוּ מִדְּרַגָּא עֲלָאָה דְּאֲתַחֲחִיד בֵּיָּה. וְע"ד כְּתִיב הַמוֹכֵחַ אֲשֶׁר הוֹכֵחַ סֵתֵם, וְשֵׁם הָאִשָּׁה הַמוֹכֵחַ, וְלֹא אֲדַבֵּר עַל יְדָא דְּמֵאן.

236. תּוֹ וַיִּפְגַּע בְּמָקוֹם, מִלֵּי פִּיּוּסִין אִיהוּ. דְּאֲתָא שְׁמַשָּׁא קְדִישָׁא לְגַבֵּי סִיְהָרָא, בְּעֵלָה לְגַבֵּי אֲתֵתָא. מִכָּאן דְּלֹא יָאוּת לְבַעַל לְמִיתֵי לְגַבֵּי אֲתֵתָא, אִי לָא הוּי בְּמִלֵּי פִּיּוּסִין לְפִיּוּסָא לָהּ. דְכְתִיב וַיִּפְגַּע בְּמָקוֹם, וּלְבַתֵּר וַיִּלֵּן שָׁם. כְּדִ הוּוּ אֲתִי יַעֲקֹב מִחָרָן, מַה כְּתִיב, וַיִּפְגְּעוּ בּוֹ, שְׁדַרְתָּ הִיא לְפִיּוּסָא לִיָּה, לְמִיתֵי לְגַבֵּהּ.

237. "And when Jacob saw them, he said" (Ibid. 3). HE ASKS what is the meaning of "when Jacob saw them"? THE ANSWER IS THAT they were the daytime angels OF ZEIR ANPIN, WHO IS CALLED 'DAY', and the night time angels OF MALCHUT, WHO IS CALLED 'NIGHT'. They were hidden from him and subsequently revealed to him, which is why it is written: "when Jacob saw them." The verse continues: "This is Elohim's camp." From here we know that there were those of the day and those of the night. Concerning those of the night, it is written "Elohim's camp" FOR MALCHUT IS CALLED 'ELOHIM', and concerning those of the day, it is written: "This," FOR ZEIR ANPIN IS CALLED "THIS." And thus the verse continues: "and he called the name of that place Machanaim (lit. 'two camps')." And now I see here holy camps, NAMELY THE CAMP OF RABBI SHIMON AND THE CAMP OF RABBI PINCHAS. Happy is my path that brought me here!

237. וַיֹּאמֶר יַעֲקֹב כַּאֲשֶׁר רָאָם. מֵאֵי כַּאֲשֶׁר רָאָם. אֵלֶיךָ מִלְאָכִין הַיּוֹם, וּמִלְאָכִין הַלַּיְלָה הַזֶּה, וְאַתְּבִסְיָאוּ מִנִּי, וּלְבַתֵּר אֶתְגַּלְיִין לִי. וְעַד כַּאֲשֶׁר רָאָם, כְּתִיב מַחֲנֵה אֱלֹהִים זֶה. מֵהֵכָא דְהוּוּ אֵלֶיךָ דִּימְמָא, וְאֵלֶיךָ דְלַיְלָא. אֵינֻן דְלַיְלָא כְּתִיב בְּהוּ, מַחֲנֵה אֱלֹהִים, וְאֵינֻן דִּימְמָא, כְּתִיב בְּהוּ, זֶה. וְעַד וַיִּקְרָא שֵׁם הַמָּקוֹם הַהוּא מַחְנֵי. תְּרִין מִשְׁרִיין. וְהִשְׁתָּא מִשְׁרִיין קְדִישֵׁין חֲמִינָא הֵכָא. זְכָאָה אַרְחֵי דְאַתִּינָא הֵכָא.

43. lighting on me as appeasement

From the words of Rabbi Shimon and Moses as they continue speaking about Jacob's encounter with the angels, we come to understand that there were two camps, the daytime angels and the night time angels, and that Jacob could not see them at night. We also learn the difference between 'coming upon', meaning appeasement, and 'lighting on', meaning union. In the evening prayer a person seeks for Adonai, the Shechinah, with entreaties, and he seeks for mercy from God.

Ra'aya Meheimna (the Faithful Shepherd)

238. (THIS IS THE CONTINUATION OF RABBI SHIMON'S WORDS, PARAGRAPH 208) But 'coming upon' means words of appeasement. When the groom comes to the bride, the groom does not unite with the bride without words of appeasement, and afterwards he spends the night with her. This is the meaning of "because the sun was set" (Bereshheet 38:11).

רַעִיָא מְהִימְנָא
238. אֵלָא פְּגִיעָה אִיהִי פִּיּוּסָא, דְּכֹד וַיְתִי חֶתֶן לְגַבֵּי בְלָה, לִית אַרְח לְחֶתֶן לַיְחֻדָא בְּכָלָה, אֵלָא בְּפִיּוּסָא. וּלְבַתֵּר יַעֲבֹד עִמָּה לֵינָה. וְהֵינֻן כִּי בָא הַשֶּׁמֶשׁ.

239. The Faithful Shepherd said: If this is so, what is the meaning of "because the sun was set (Heb. ki va)," which is here explained homiletically, THAT 'KI VA' IS derived from extinguishing (Heb. kviyah), and so "because the sun was set" MEANS WHEN THE LIGHT OF THE SUN WAS EXTINGUISHED. However, what we can learn from this is that whoever unites with the wife must extinguish the lights at night, and that the sages do not advocate sexual intercourse by the light of day, but only by night, with modesty. When, therefore, does one stay overnight? SCRIPTURE SAYS: When the sun has set, namely after the light of the sun has turned away from the world.

239. אָמַר רַעִיָא מְהִימְנָא, אִי הֲכִי מֵאֵי נִיהוּ כִּי בָא הַשֶּׁמֶשׁ דְּהָא אַרְח דְּרִשָּׁא אֹקְמוּהָ, לְשׁוֹן כְּבִיָּה, וְהֵינֻן כִּי בָא הַשֶּׁמֶשׁ. אֵלָא מֵהֵכָא אֹלִיפְנָא, מֵאֵן דְּמִיּוּחַד בְּאַתְתִּיהָ, צְרִיךְ בְּלַיְלָא לְמַכְבֵּי שְׂרָגָא, וּבִימְמָא לָאו אַרְח דְּרַבְּנָן לְשִׁמְשׁ מִסְתָּן, אֵלָא בְּלַיְלָה, אַרְח צְנַעָא. וּבְגִין דָּא, מְתִי אֶתְעִבִיד לֵינָה. כִּי בָא הַשֶּׁמֶשׁ, דְּאַתְפְּנִי שְׁמָשָׁא מְעֻלְמָא.

240. For this reason, just as one has to cover oneself up from the sun, so does one have to cover oneself from the angels who are the Good Inclination on the right in a number of camps, AS WELL AS FROM THE ANGELS WHO ARE from the Evil Inclination that goes on the left in a number of camps. And so it was that after the morning had dawned, Jacob spoke when he saw the angels, FOR AT NIGHT HE DID NOT SEE THEM. And there was no one with Jacob, the plain man, WHO IS THE CENTRAL COLUMN except for the camps of the King and the Queen, WHO ARE CALLED 'THE DAYTIME ANGELS' AND 'THE NIGHT TIME ANGELS'. This is why "And he called the name of that place MACHANAIM (lit. 'two camps')" (Bereshheet 32:3). About the daytime angels, WHO ARE OF ZEIR ANPIN, WHO IS CALLED 'DAY', it is written: "And when Jacob saw them, he said: This is Elohim's camp" (Bereshheet 32:3), FOR ZEIR ANPIN IS CALLED 'THIS'. And when the night time angels came, NAMELY THOSE OF MALCHUT WHO IS CALLED 'NIGHT', who gathered around him to protect him, it is said: "And he called the name of that place Machanaim (lit. 'two camps')." AND THERE IS NO DIFFICULTY HERE, FOR THE VERSE "WHEN JACOB SAW THEM" IS WRITTEN ABOUT THE TIME AFTER HE HAD RETURNED FROM LABAN, FOR 'THERE IS NO 'EARLIER' OR 'LATER' IN THE TORAH'.

240. וּבְגִין דָּא, אֹפְךָ הֲכִי דְצְרִיךְ לְאַתְבְּסִיָּא מִן שְׁמָשָׁא, וְהֲכִי צְרִיךְ לְאַתְבְּסִיָּא מֵאֵלֶיךָ מִלְאָכִין, דְּאֵינֻן מִיַּצֵּר הַטוֹב מִימִינָא, בְּכַמְהָ מִשְׁרִיין. וּמִיַּצֵּר הָרַע, דְּאֵזִיל לְשִׁמְמָלָא בְּכַמְהָ מִשְׁרִיין. וּבְגִין דָּא, בְּתַר דְאַתָּא צְפָרָא, אָמַר כַּאֲשֶׁר רָאָם. וּמִסְטְרָא דִיעֲקֹב דְהוּוּ אִישׁ תָּם, לֹא הוּוּ עִמִּיהָ אֵלָא חִיּוּלִין דְּמַלְכָא וּמִטְרוּנִיתָא. וּבְגִין דָּא וַיִּקְרָא שֵׁם הַמָּקוֹם הַהוּא מַחְנֵי. אֵינֻן מִלְאָכִין דִּימְמָא כְּתִיב. כַּאֲשֶׁר רָאָם מַחֲנֵה אֱלֹהִים זֶה. וְכֹד אַתּוּ מִלְאָכִים דְלַיְלָא, דְאַתְכַּנְשׁוּ בְּהַדְיָה, לְנִטְרָא לִי אָמַר וַיִּקְרָא שֵׁם הַמָּקוֹם הַהוּא מַחְנֵי.

241. THE AUTHOR HERE WISHES TO RECONCILE WHAT HE SAID INITIALLY ON "AND HE LIGHTED ON A CERTAIN PLACE," THAT "THERE IS NO 'COMING UPON' THAT IS NOT PRAYER" AND WHAT HE SAID LATER, NAMELY THAT 'COMING UPON' MEANS APPEASEMENT WHEN A GROOM COMES TO A BRIDE... ACCORDING TO WHICH "AND HE LIGHTED ON A CERTAIN PLACE" MEANS THE UNITY OF BRIDE AND GROOM. AND THIS IS WHAT HE SAYS: Since prayer is a bride, NAMELY MALCHUT, as it is said: "Come with me from Lebanon, my bride, with me from Lebanon" (Shir Hashirim 4:8), THUS MALCHUT is here called "with me" (Heb. iti). And in the written Torah, it is said about her: "Behold, there is a place by me (Heb. iti)" (Shemot 33:21). HENCE 'A PLACE' IS MALCHUT, AS IS 'WITH ME'. And since MALCHUT is called 'a place' in this world, it is said about her: "And he lighted on a certain place, and tarried there all night" (Beresheet 28:11).

242. And for this reason, she says: "O that I were in the wilderness, in a lodging place of wayfaring men" (Yirmeyah 9:1), for then she would have been independent, without those who impose an obligation on her, and without her groom. And whenever a man prays, the Holy One, blessed be He, precedes him and protects her. And the secret of the matter is to be found in the verse: "And the man (Heb. Ish) wondering at her" (Beresheet 24:21), for whenever the word Ish (lit. 'man') is used the reference is to the Holy One, blessed be He, as it is written: "Hashem is a man (Heb. Ish) of war": (Shemot 15:3). "And it came to pass, before he had done speaking, that, behold, Rivkah (Resh Bet Kof Hei) came out" (Beresheet 24:15), just as "and his arrow (Heb. habarak, Hei Bet Resh Kof) shall go forth like the lightning" (Zecharyah 9:14).

243. You might raise the possible objection to the above that the rabbis taught that in a gathering of ten the Shechinah is preceding to come among them, but does not come for a single one until he sits down, AND WHAT DID I SAY? THAT WHENEVER A MAN PRAYS, THE HOLY ONE, BLESSED BE HE, PRECEDES AND RECEIVES HIM, NAMELY, EVEN A SINGLE PERSON. HE ANSWERS THAT THE EXPLANATION IS AS FOLLOWS: In the case of ten, there is Yud (numerical value ten) before Hei; THAT IS TO SAY, IF THERE IS YUD HEI, THE MOCHIN OF CHOCHMAH AND BINAH, FOR THE YUD INCLUDES THE HEI ALSO, THEN THE SHECHINAH, WHICH IS THE SECRET OF HEI, COMES. In the case of one, which is Vav: IF THE VAV IS ALONE WITHOUT YUD HEI, until he sits himself down AND RECEIVES THE MOCHIN OF YUD HEI the second Hei OF YUD HEI VAV HEI does not come to him. And the secret of the matter is that the Hei THAT IS MALCHUT does not come to a place where Yud Hei are not. Whoever wishes to unite the letters YUD HEI AND VAV HEI must pray with supplications and entreaties, this being the reason for the verse: "And I besought Hashem at that time, saying: ADONAI ELOHIM, YOU HAVE BEGUN..." (DEVARIM 3:23-24), for Adonai, which is the Shechinah, is sought with entreaties, and mercy is sought from the Holy One, blessed be He. And up to here IS THE EXPLANATION FOR THE EVENING PRAYER.

44. "The one lamb you shall offer in the morning"

The sages taught that one should not pry into the secrets of God or mysteries of the world, and so the secrets of the Torah must be kept covered up and hidden from the wicked and the ignorant. We are reminded of the role and importance of Scripture, Mishnah, Talmud and Kabbalah.

241. בגין דצלותא איהי כלה, הה"ד אתי מלבנון כלה אתי וגו'. אתקרי הכא אתי. ובאורייתא דבכתב אתמר עליה, הנה מקום אתי. ובגין דאיהי אתקריאת מקום בעלמא דין, אתמר בה ויפגע במקום וילן שם.

242. ובג"ד איהי אמרת, מי יתנני במדבר מלון אורחים. דהות רשו בפני עצמה, ולא עם אינון דקבעין לה חובה עמהון, בלא חתן הילה. ובכל שעתא דב"נ מצלי, קודשא בריך הוא אקדים ונטר לה. ורזא דמלה, והאיש משתאה לה. ולית איש, אלא קודשא בריך הוא. הה"ד יי' איש מלחמה. ויהי הוא טרם כלה לדבר והנה רבקה יוצאת, כגון יוצא כפרק חצו.

243. ואי תימרון, דהא אוקמוה רבנן, לעשרה קדמא שכינתא ואתיא, לאחד עד דיתוב. לעשרה דהיא י' קדמה ה'. לאחד דאיהו ו', עד דיתוב, לא אתיא לגביה ה' תניינא. ורזא דמלה, דבאתר דלית תמן י"ה, לא אתיא תמן ה'. ומאן דבעי ליחדא אתוון, צריך בתחנה ובתחנוני. ובג"ד, ואתחנן אל יי', באדנ"י לשכינתא בתחנונים. ולקודשא בריך הוא ברחמי, עד הכא.

244. "The one lamb (Heb. keves) you shall offer in the morning, and the other lamb you shall offer towards evening" (Shemot 29:39 and Bemidbar 28:4). And about the secrets (Heb. Kavshi) of the Merciful One, the sages have taught: "Why do you probe into the secrets of the Merciful One?", THE MEANING OF WHICH is: Matters that are of the mysteries of the world, let them be concealed under your dress. Just as clothes cover the body, so also must the secrets of the Torah be kept covered up, and this applies even more to the secret of the sacrifices, which are like a wife drawing near to her husband, WHICH IS WHY A SACRIFICE IS CALLED 'KORBAN', FROM THE SAME ROOT AS THE WORD KIRVAH, MEANING NEARNESS.

245. And just as the proximity of the two of them, OF HUSBAND AND WIFE, has to be in concealment, so also must the sacrifice be concealed from the wicked, the impudent, the immoral and practitioners of incest, who have no shame and no modesty. And there are bastards of a number of sorts, children of incest, those who have intercourse during menstruation (Heb. Nidah). NIDAH MEANS THAT HEI, WHICH IS THE SHECHINAH WHO IS CALLED 'HEI', has moved (Heb. nad) away from her, and in her place is a bondswoman, daughter of a strange EI, a prostitute. And this is a secret of: "For three things the earth is disquieted...for a slave when he becomes king; and a fool when he is filled with food...and a handmaid that is heir to her mistress" (Mishlei 30:21-23). For the Hei has moved away from its place, which is the queen and is the Good Inclination, and in her stead has come in a handmaid, the Evil Inclination.

246. And the secret of the matter is to be found in the verse: "It seems to me there is as it were a plague in the house" (Vayikra 14:35), namely, the impure blood of menstruation. Just as in the one case, OF THE PLAGUE, "then the priest shall shut him up for seven days" (Vayikra 13:21), so also in the other: "she shall be seven days in her menstrual impurity" (Vayikra 15:19). Happy are the organs that are sanctified at the time of intercourse, for they are called 'the wood of the burnt offering', for they are engulfed by holy fires from the Name Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, who takes hold of their fire. And for this reason IT IS WRITTEN: "Wherefore glorify Hashem in the regions of light" (Yeshayah 24:15). Thus the mysteries of the Merciful One are: "The one lamb (lit. 'secret') you shall offer in the morning, and the other lamb you shall offer towards evening."

247. And the end of the scriptural text continues: "and a tenth part of an efa of fine flour" (Bemidbar 28:5). That is, happy is he who draws down from his brain a drop of clean refined flour without impurity and waste, AT THE TIME OF THE MATING, and this is hinted at in the letter Yud of 'Adonai', AND THAT IS WHY IT SAYS 'A TENTH PART' and is inherent in the ten Sfirot. And she is to be "mingled with a fourth part of a hin of beaten oil" (Ibid.). That is, it is mingled from FOUR, NAMELY, Scripture, Mishnah, Talmud, and Kabbalah, ON WHICH THE RIGHTEOUS BEAT THEMSELVES AND SO RAISE UP THE FEMALE WATERS FOR HER MATING.

45. The Chariot of Ezekiel

The Faithful Shepherd tells us about Ezekiel's ten visions of Metatron, and we hear a good deal about the meaning of the color blue and why it is so important in the Tzitzit and the Talit. Through the sacred numerical meaning of many words and letters we are led through an explanation of the throne and the sapphire stone and the six steps and the four beasts and the four faces. We are told that Metatron includes all the stages downwards from above and upwards from below.

248. When Ezekiel saw the Shechinah among the Klipot, THAT IS TO SAY, AMONG THE GARMENTS, he saw with her ten Sfirot, without any separation whatsoever, and these are the brain that is among all of them. He saw them within the earthly river K'var (Caf Bet Resh), NAMELY, THE EARTHLY CHARIOT (RESH CAF BET), NAMELY, THE LETTERS OF K'VAR REARRANGED) OF METATRON. That is, "The Chariots of Elohim are twice ten thousand, thousands upon (Heb. Shin'an) thousands" (Tehilim 68:18). "twice ten thousand" are twenty thousand. From this you should deduct two that are missing, AS SHIN'AN IS SPELLED THE SAME AS 'SHE'EINAN' (MISSING). "(SHIN'AN) THOUSANDS" ARE THE MISSING TWO THOUSANDS. Eighteen thousand remain, which is as the number of the eighteen (Chet Yud) worlds. THIS IS YESOD, WHICH IS CALLED 'CHAI' (LIT. 'LIVE' - CHET YUD.), which includes the ten Sfirot, attired in the Tet Tet (nine + nine = eighteen) of Metatron (Mem Tet Tet Resh Vav Nun). And this Tet Tet is taken from the word totafot (lit. 'frontlets'), about which it is said: "and they shall be as frontlets between your eyes" (Devarim 6:8). Who are the eyes? They are those above, about which it is said: "the heavens were opened, and I saw visions of Elohim" (Yechezkel 1:1). These are the ten visions of Metatron, whom Ezekiel saw as a candle within a lantern, nine OF THE VISIONS being clear, with one being vague.

249. One vision that he saw at the beginning of those ten VISIONS was the one about which it is said: "And above the firmament that was over their heads was the likeness of a throne, in appearance like a sapphire stone" (Yechezkel 1:26). Although this VERSE has already been explained above, new things have to be said about it.

250. The Holy One, blessed be He, said to the heavenly encampments: 'Anyone who prays, whether he be a mighty man, a wise man, or a rich man; if he is mighty in merits BECAUSE HE OVERCOMES HIS EVIL INCLINATION; a wise man in Torah; and a rich man who is rich in the precepts, do not allow his prayer to enter this chamber until there is seen in him these signs: that he has applied My corrections to himself.' For this reason, the sages of the Mishnah taught: If the rabbi is like an angel of Hashem Tzevaot, let people come to consult him in matters of the Torah. IN OTHER WORDS, you may accept the prayer of anyone who is impressed with these signs in his dress: One sign is that he should be marked in his prayer on the blue of the FOUR corners of his fringes, for blue is like the firmament, which is Metatron, AND IT WOULD THEN FOLLOW THAT HE WOULD BE LIKE AN ANGEL OF HASHEM TZEVAOT, whose form is the blue that is in the fringes (Tzitzit).

251. And for this reason the rabbis set the size for fringes and taught about a cloak (Talit) that a minor wears and which covers his head and most of his body. This is the same as was said about it: "and a little child shall lead them" (Yeshayah 11:6), WHICH ALLUDES TO METATRON, THAT IS CALLED 'A LITTLE CHILD'. He leads the four living creatures, and includes "The throne had six steps" (I Melachim 10:19), NAMELY, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, which are six. And since he is composed of ten, the ten Sfirot OF ZEIR ANPIN AND MALCHUT OF ATZILUT attire themselves in him, for they, too, are ten. And through him the Holy One, blessed be He, appears in His Shechinah to the prophets, for He is composed of ten Sfirot. And from the side of the Shechinah, WHICH METATRON SERVES AS GARMENT TO, which is the tenth SFIRAH and the blue of the fringes, METATRON ALSO appears as the blue of all colors, THAT IS TO SAY: ALL THE COLORS WERE INCLUDED IN THIS BLUE.

252. For it, MALCHUT THAT IS CALLED 'BLUE' (HEB. T'CHELET), is the ultimate (Heb. tachlit) objective end of the ten Sfirot, and in it "Thus was all the work of the tabernacle of the tent of Meeting finished (Heb. Vatechel)" (Shemot 39:32), SINCE IT IS THE OBJECTIVE ULTIMATE OF ALL (HEB. TACHLIT) PERFECTION). AND THE WORD T'CHELET (ENG. 'BLUE') comes from the root: (Heb. calah) Caf Lamed Hei, meaning bride and consumation, as it is written: "And it came to pass of the day that Moses finished (Heb. calot) setting up the tabernacle" (Bemidbar 7:1). And the Sages set it also as Calah (lit. 'bride', 'consummation'). THIS IS WHY THE SHECHINAH IS CALLED 'T'CHELET' (LIT. 'BLUE'), She is the blue flame in a burning candle, which consumes the fatty parts of the burnt offerings.

253. And about it, NAMELY ABOUT THE LIGHT of CHOCHMAH IN IT, THAT IS CALLED 'BLUE', Ezekiel said: "the likeness of a throne, in appearance like a sapphire stone" (Yechezkel 1:26); and the particular virtue of this stone is that, whoever inherits it, the fire of Gehenom has no control over him, and there is no flame in the world that can damage it, nor any type of metal, FOR IF ONE HITS THIS SAPPHIRE STONE WITH A HAMMER, THE HAMMER WILL BREAK BUT THE STONE WILL BE UNDAUNAGED, AS THE SAGES SAID. It is, therefore, quite obvious that water can not harm it. THUS, for whoever inherits it the verse "When you pass through the waters, I will be with you" (Yeshayah 43:2) will be upheld, and all the upper and lower grades of the Other Side are fearful before him. It was also for the blue of the sea that it was said: "When you pass through the waters, I will be with you," for with this special attribute, THE BLUE LIGHT OF MALCHUT THAT IS CALLED 'SAPPHIRE STONE', "the horse and his rider has He thrown into the sea" (Shemot 15:1), for it is the one appointed over Egypt WHO DROWNED IN THE SEA IN THE STRENGTH OF THIS BLUE LIGHT.

254. From this BLUE color the upper and lower beings are fearful; the encampments of the sea are fearful of it, and the encampments of the firmament, which is blue, hold it in awe, as do the encampments of the blue fires of Gehenom, NAMELY THE BLUE OF THE OTHER SIDE.

255. And this blue is Judgment, FOR THE NAME OF MALCHUT IS 'ADONAI', THE LETTERS OF WHICH CAN BE REARRANGED AS DINA (LIT. 'LAW'), and this is the secret of the ruling that the law of the kingdom is indeed the law. The Talit (prayer-shawl) has two colors: white and blue, and in respect to these two colors it is said: "and there was under his feet a kind of paved work of sapphire stone" (Shemot 24:10). Livnat (lit. 'paved work') is the white (lit. 'lavan') of the sapphire, because the sapphire is composed of two colors, which are Mercy and Judgment, namely white, WHICH IS MERCY, and black, from which comes the darkness of the blue. And the sages hinted at THESE two colors when they asked: 'From what time in the morning may the Sh'ma Yisrael be recited? As soon as one can distinguish between blue and white'. For the daughter of the king, WHICH IS MALCHUT, WHICH IS THE SECRET OF the recital of the Sh'ma, which is the unity of the Holy One, blessed be He, is composed of these two colors, WHITE AND BLUE, which are the Yud Hei Vav Hei Adonai. THE YUD HEI VAV HEI IS THE SECRET OF WHITE, WHILE ADONAI IS THE SECRET OF BLUE, THUS COMBINING Mercy and Judgment. Similarly, the Holy One, blessed be He, WHO IS ZEIR ANPIN, is composed of two colors, WHICH IS THE SECRET OF YUD HEI VAV HEI ADONAI, being Mercy and Judgment, namely the Throne of Mercy and the Throne of Judgment.

256. "the likeness of a throne, in appearance like a sapphire stone" (Yechezkel 1:26): HE ASKS IF THE SAPPHIRE STONE IS THE BLUE OF THE FRINGES, what, then, is "the likeness of a throne"? HE ANSWERS THAT it is to parallel the throne that has 72 bridges, NAMELY 72 LIGHTS FROM THE NAME OF 72. So should a person be noted for the 72 knots and links in his fringes, paralleling the 72 bridges of the throne. These are the eighteen knots and links on each side OF THE FOUR CORNERS OF HIS GARMENT, THAT IS, FIVE KNOTS AND THIRTEEN LINKS, AND FOUR TIMES EIGHTEEN IS 72. For the throne which is Hei, NAMELY MALCHUT, is on each corner, in the four living creatures of the throne, and they are four, PARALLEL TO THE FOUR CORNERS OF HIS RAIMENT.

257. And the six steps of the throne, which are Vav (numerical value = six), which is Metatron, include four living creatures, as it is said: "and a little child shall lead them" (Yeshayah 11:6), they being Michael, Gabriel, Nuriel and Raphael. And Metatron is "The throne had six steps" (1 Melachim 10:19), WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, EACH OF WHICH IS COMPOSED OF A HUNDRED, totaling six hundred in all. Tzitzit (lit. 'fringes'), WHEN WRITTEN OUT FULL, with two Yuds, has the numerical value OF SIX HUNDRED. And if THE WORD TZITZIT is written in the abbreviated SPELLING, with one Yud omitted, then the Chirik (vowel "i") IS LIKE A YUD AND makes up for its omission. And on each side of the four corners of his garment there is a fringe WITH THE NUMERICAL EQUIVALENT OF 600, which, together its the thirteen links, makes 613.

258. Again, "The throne had six steps": ARE VAV, and with the inner meaning of ITS BEING SPELT OUT IN FULL, is Vav Aleph Vav, its numerical value is 13. AND THIS VAV ALEPH VAV is hinted at in three words OF THE COMBINATION OF 72 WORDS INCLUDED IN THE THREE VERSES: "(Heb. Vayisa) And the angel Elohim, who went before the camp of Yisrael, removed... (Heb. Vayavo) and it came between... (Heb. Vayet) And Moses stretched out..." (Shemot 14:19-21). And these THREE WORDS are Vav Hei Vav, Aleph Nun Yud, Vav Hei Vav, THE INITIAL LETTERS OF WHICH ARE: VAV, ALEPH, VAV. AND THERE ARE Hei (= five) knots ON THE FRINGE, namely on each side OF THE FOUR CORNERS OF THE GARMENT. AND THE COMPLETION OF HEI, WHICH IS Aleph, is the garment itself, WHICH IS one for all of them. And with the letter Hei THAT IS JOINED WITH THE VAV ALEPH VAV, THAT AMOUNTS TO 13, the total comes to chai (= eighteen), which is the Tet Tet (nine + nine = eighteen) OF METATRON. AND EIGHTEEN, CHAI, HINTS AT CHAYAH, A LIVING CREATURE, one of which is on each side OF THE FOUR CORNERS, AND WHICH IS made up of four living creatures, FOR THE FOUR CORNERS COMPRISE EACH OTHER, each living creature having four countenances and four wings, making A TOTAL OF thirty-two countenances and wings, all of which are dependent on the FOURTH OF THE FOUR living creatures that is THE FACE OF a man, NAMELY A MAN WEARING FRINGES.

259. And these, THE FRINGES, are 32 in number, AS EXPLAINED ABOVE, as is the numerical value of Yud Vav Dalet, Hei Aleph, Hei Aleph, their complement being Vav Aleph Vav, namely thirteen links of each of the four corners. And the Vav Aleph Vav unites with all the four living creatures OF THE FOUR CORNERS, and completes THE NAME YUD VAV DALET, HEI ALEPH, VAV ALEPH VAV, HEI ALEPH above IN ZEIR ANPIN and MALCHUT OF ATZILUT, and completes it below IN THE LIVING CREATURES. For the purpose of the Central Column, which is Metatron, is to complete above like Tiferet OF ATZILUT, for METATRON'S name is as that of his Master, TIFERET, in whose image and according to whose likeness he was created. For he, METATRON, includes all the stages downwards from above, SINCE TIFERET AND MALCHUT OF ATZILUT ARE ATTIRED IN HIM, and also upwards from below, NAMELY INCLUDING ALL FOUR OF THE HOLY LIVING CREATURES, MICHAEL, GABRIEL, NURIEL, RAPHAEL and is held in the center, as it is said: "And the middle bar in the midst of the boards shall reach from end to end" (Shemot

260. And he, METATRON, is made up of the four countenances and the four wings of each of the living creatures above IN MALE AND FEMALE, which are Yud Aleph Hei Dalet Vav Nun Hei Yud, NAMELY THE COMBINATION OF THE TWO NAMES: YUD HEI VAV HEI AND ADONAI, WHICH ARE ZEIR ANPIN and MALCHUT. "Then (Heb. az) sang Moses" (Shemot 15:1), FOR ZEIR ANPIN, WHICH IS THE SECRET OF MOSES, has in each of his living creatures four countenances and four wings, WHICH IS AS THE NUMERICAL VALUE OF THE WORD AZ (=EIGHT). In like manner, there is az in a lion, az in an ox, az in an eagle, az in a man, making up thirty two wings and countenances, four times Az.

261. And these four countenances ARE THE FOUR LETTERS OF Yud Hei Vav Hei, and the four wings ARE THE FOUR LETTERS OF Adonai, that stand for the four garments of gold, WHICH IS THE SECRET OF ADONAI. And the four garments of white, WHICH IS THE SECRET OF YUD HEI VAV HEI, the priest wore to make atonement for Yisrael. And they stand for "Adonai, open my lips" (Tehilim 51:17), WHICH IS SAID AT THE BEGINNING OF THE AMIDAH PRAYER. And the prayer ITSELF has in each of the eighteen blessings the Yud Hei Vav Hei at the end. Thus Yud Hei Vav Hei occurs eighteen times, which makes a total of seventy-two letters, which is the same as the numerical value of "And (they) were finished (Heb. Vaychulu)" (Bereshheet 2:1). AND THIS IS THE SECRET OF YESOD, WHICH IS CALLED 'KOL' (lit. 'all'), FOR EIGHTEEN YUD HEI VAV HEI are included in the Righteous One that lives forever, WHICH IS THE SECRET OF "VAYCHULU" (BERESHEET 2:1).

262. And EACH ONE OF the four living creatures CONTAINS the Yud Hei Vav Hei Adonai, namely a total of eight LETTERS on each direction, that is, a total of thirty-two letters. And there are thirteen letters IN THE INITIALS OF THE THREE WORDS, Vav Hei Vav, Aleph Nun Yud, Vav Hei Vav, WHICH ARE VAV ALEPH VAV, HAVING THE NUMERICAL VALUE OF THIRTEEN. And thirteen, since the upper and lower beings are included in this Vav Aleph Vav, AS EXPLAINED ABOVE, completes man, which is the Central Column. FOR THE THIRTY-TWO LETTERS OF THE YUD HEI VAV HEI AND 'ADONAI' (ON EACH SIDE, TOGETHER WITH THE THIRTEEN OF THE VAV ALEPH VAV, COME TO FORTY-FIVE, THE NUMERICAL VALUE OF ADAM (LIT. 'MAN' = 45).

46. The four Klipot surrounding the four living creatures

The Faithful Shepherd tells us about the Klipot that surround the four beasts of Metatron, saying that they are "formless" and "void" and "thin" and "the deep." He compares the milling of wheat to remove the bran with the Halachah that refines Torah matters and provides food for the soul. He talks about the four archangels who control man's four good elements: water, fire, wind and earth, and the four Klipot: sin, destruction, anger and wrath. When these Klipot move away from man the Tree of Life takes control of him. In every part of the body is found water, the firmament, the spirit and the earth, and all the parts of the body are open to welcome the spirit. Were the spirit not to blow in the heart, the fire in the heart would burn up the whole body.

263. Above, at the Tree of Life, WHICH IS ZEIR ANPIN, there are no Klipot, "none might enter within the king's gate clothed with sackcloth" (Ester 4:2). Lower down, AROUND METATRON, there are Klipot, for he, METATRON, is in the form of the Central Column, WHICH IS ZEIR ANPIN, for when the Holy One, blessed be He, is deprived of his Malchut, NAMELY WHEN MALCHUT IS IN EXILE, He covers himself with the countenances and wings of His servant, WHO IS METATRON, as it is written: "And He rode upon a Cherub and did fly" (II Shmuel 22:11), FOR METATRON IS CALLED BOTH 'CHERUB' AND 'CHARIOT'.

260. ואִיהוּ כָּלִיל ד' אַנְפִּין, וְאַרְבַּע גְּדָפִין דְּכָל חַיָּה וְחַיָּה דְּלַעֲיָלָא, דְּאִינוּן, יְאָרְדוּנְהִי. אִזּוּ יִשְׂרָאֵל מֹשֶׁה. בְּכָל חַיָּה אַרְבַּע אַנְפִּין, וְאַרְבַּע גְּדָפִין, כְּגוּוּנָא דָא. אִ"ז בְּאִרְיָה. אִ"ז בְּשׂוּר. אִ"ז בְּנִשְׂר. אִ"ז בְּאָדָם. דְּאִינוּן ל"ב אַנְפִּין וְגְדָפִין, בְּחוּשְׁבָן אִ"ז ד' זְמַנִּין.

261. וְאִינוּן ד' אַנְפִּין: יְדוּ"ד. אַרְבַּע גְּדָפִין: אֲדָנִי. לְקַבֵּל ד' בְּגָדֵי זָהָב, וְאַרְבַּע בְּגָדֵי לְבָן, דְּלְבִישׁ כְּהֵנָּא לְכַפֵּרָא עַל יִשְׂרָאֵל. לְקַבֵּל, אֲדָנִי שְׁפָתַי תִּפְתָּח. וְצִלּוֹתָא. דִּתְפִלָּה יְדוּ"ד, בְּחַתִּימָה ח"י בְּרַכָּאן דְּצִלּוֹתָא. וְתַמְנֵי סְרֵי זְמַנִּין יְדוּ"ד, אֵית בְּהוּן ע"ב אַתּוּן, בְּחוּשְׁבָן וַיְכַלּוּ, דְּכִלְיָן בְּצַדִּיק ח"י עֲלָמִין.

262. וּבְאַרְבַּע חִיּוֹן, יְדוּ"ד אֲדָנִי. תַּמְנֵי לְכָל סְטְרָא, אִינוּן ל"ב אַתּוּן, וַי"ג אַתּוּן, דְּאִשְׁתַּכְּחוּ מִן זְה"ו אֲנִי זְה"ו, הָא תִּלַּת עֶשְׂר, דְּכִלְיָן עֵילָא וְתַתָּא. בְּהוּן אִשְׁתַּלִּים אָדָם, דְּאִיהוּ מ"ה, עֲמוּדָא דְּאִמְצָעִיתָא.

263. לְעֵילָא בְּאִילָנָא דְּחַיָּי, לִית, קְלוּפִין. כִּי אִין לְבָא אֶל שַׁעַר הַמֶּלֶךְ בְּלְבוּשׁ שָׂק. לְתַתָּא אֵית קְלוּפִין בְּמַטְטְרוֹן, דְּאִיהוּ בְּדִיוקְנָא דְּעֲמוּדָא דְּאִמְצָעִיתָא. דְּבּוּזְמָנָא דְּקוּדְשָׁא בְּרִיךְ הוּא לְבַר מְמַלְכוּתֵיהּ, אַתְכַּסִּי בְּגְדָפִין וְאַנְפִּין דְּעַבְד דִּילֵיהּ, הַה"ד וַיִּרְכַּב עַל כְּרוּב וַיַּעֲף.

264. And these Klipot that surround the four living creatures of Metatron are: A) 'formless', ABOUT WHICH IS WRITTEN: "a great and strong wind rent the mountains, and broke in pieces the rocks before Hashem" (I Melachim 19:11). B) 'void', ABOUT WHICH IS WRITTEN: "and after the wind an earthquake; but Hashem was not in the earthquake" (Ibid.). These are two Klipot, WHICH ARE THE SECRET of the green KLIPAH and the white KLIPAH of the shells of the nut. The former, 'FORMLESS', is the green line, while the latter, 'VOID', is smooth stones, and is a Klipah as hard as a smooth stone. These two Klipot are also represented by the chaff and the straw of wheat.

265. The third Klipah THAT SURROUNDS THE FOUR LIVING CREATURES OF METATRON is thin and is represented by the bran of the wheat, for here it sticks to the wheat and cannot be separated from there without grinding it in the mill-stones, which are represented by the grinding molar TEETH in a man's jaw, with which matters of Torah have to be ground until they are as fine flour. And in a sieve, which is the lips, the waste matter, which is the bran of the Torah, is sorted out, until the Halachah is as clean fine flour. At that time, the heart and the brain and all those parts of the body through which the soul spreads, take that HALACHAH WHICH IS AS CLEAN REFINED FLOUR, and the soul lives on it just as the body lives on things from the MATERIAL world. "The Elohim has made the one as well as the other" (Kohelet 7:14): just as THERE IS food for the body, so IS THERE food for the soul, as it is written: "Come, eat of my bread" (Mishlei 9:5).

266. And this Klipah is like the shell that sticks to the kernel of the nut, for when the nut is soft the shell separates from the kernel without difficulty, but when the nut is dry, it is difficult for man to remove it from there, and the difficult problem still remains. For this reason, the Holy One, blessed be He, commanded man to return in repentance during his youth, before the Evil Inclination makes him old, as it is written: "You shall rise up before the hoary head" (Vayikra 19:32), THAT IS TO SAY: RISE UP IN REPENTANCE before your own old age. And this Klipah is fire, about which is written: "and after the earthquake a fire; but Hashem was not in the fire" (I Melachim 19:12). The fourth KLIPAH SURROUNDING THE FOUR LIVING CREATURES OF METATRON is the deep, NAMELY, "AND DARKNESS WAS ON THE FACE OF THE DEEP" (BERESHEET 1:2). AND THIS IS THE SECRET OF the space that is in the nut, about which is written: "a still small voice" (I Melachim 19:12), for this is where the King comes, AND ABOUT IT IS WRITTEN: "and out of the midst of it, as it were the color of electrum, out of the midst of the fire" (Yechezkel 1:4).

264. ואיננו קליפין דסחרין לר' חיון דמטטרון, איננו: תהו, והנה רוח גדולה וחזק מפרק הרים ומשבר סלעים לא ברוח יי'. בה"ג, ואחר הרוח רעש לא ברעש יי', הא תרין קליפין, ירוק וחווור, דקליפין דאגוזא, חד תהו, קו ירוק, תגיינא בהו, אבנין מפולמין, קליפא תקיפא, כאבנא מפולמא. לקבל תרין קליפין אלין, מוץ ותבן דחטה.

265. קליפא תליתא, דקיקא. לקבל סובין דחטה, דהכא איהו מתדבק בחטה, ולא יכיל לאתפרשא מתמן, עד דטחנין ליה בריחניא, דאיננו לקבל טוחנות דפומא דב"ג, דצריך למטחן בהון מלין דאורייתא, עד דיהון כקמח סלת נקיה, ובנפה דאיהי שפה, אתבריר פסולת דאיהי סובין דאורייתא עד דישתכח הלכה סלת נקיה. בהוא זמנא, נטיל לה לבא ומוחא, וכל אברין דגופא דאתפשט בהון נשמתא, ואתפרנסת בה נשמתא, כגוונא דגופא אתפרנסת במלין דעלמא, דזה לעומת זה עשה אלהים, נהמא דגופא, ונהמא דאורייתא. הדא הוא דכתיב, לכו לחמו בלחמי.

266. והאי קליפא, איהו כקליפא דמתדבקא במוחא דאגוזא, ובזמנא דאגוזא איהי רכיכא, אתפרש הויא קליפא ממוחא דאגוזא, בלא קושיא. ובזמנא דאגוזא איהי יבשה, קשה לב"ג לאעברא ליה מתמן, כי עדיין הקושיא במקומה עומדת. ובגין דא מני קודשא בריך הוא לב"ג, לאהדרא בתיובתא בבחרותיה, קודם דיזקין ביה יצר הרע. הה"ד, מפני שיבה תקום, קודם שיבה דילך. והאי קליפא איהי אש, ואתמר בה ואחר הרעש אש לא באש יי'. רביעאה, תהום. חלל דאגוזא, ביה קול דממה דקה, תמן קא אתי מלכא, ומתוכה כעין החשמל מתוך האש.

267. And these four Klipot are marked on the four parts of the body: in the lung, in which is moisture from which come the adhesions of the lung that attach the lobes of the lung to each other and enfeeble it, ABOUT WHICH IT IS WRITTEN: "Her feet go down to death; her steps take hold of Sheol" (Mishlei 5:5). And there is also the "great and strong wind rent the MOUNTAINS," that beats in the lobes of a man's lung. This is the wind that stirs up a man's body. THIS REFERS TO THE FIRST KLIPAH, WHICH, IN EZEKIEL, IS CALLED "A STORM WIND" (YEchezkel 1:4), and this is the wind that Elijah subjugated and on which he ascended on high, as it is written: "And Elijah went up by a storm of wind into heaven" (II Melachim 2:11). And this WIND bangs against the lung, that imbibes all manner of drinks, concerning which is written: "And a wind from Elohim moved over the surface of the waters" (Bereshheet 1:2). This is a Klipah of the Holy Spirit. To the left there is a storm wind. About them it is written: "A wise man's heart inclines him to his right hand: but a fool's heart to his left" (Kohelet 10:2).

268. David removed it, THE STORM WIND, from his heart and killed it, as it is written: "And my heart is wounded (Heb. chalal) within me" (Tehilim 109:22). THAT IS, HE REMOVED THE STORMY WIND AND REMAINED WITH AN EMPTY SPACE (HEB. CHALAL) IN THE HEART IN ITS STEAD. And for this reason, he was privileged that a north wind should blow, NAMELY THE ILLUMINATION OF CHOCHMAH FROM THE LEFT, on his lyre, WHICH IS MALCHUT, and about it is said: "Thus says Adonai Elohim: Come from the four winds, O breath" (Yechezkel 37:9). And he used to play through it four types of melody on his lyre: a simple song, which is the secret of Yud; a double song, which is the secret of Yud Hei; a triple song, WHICH IS THE SECRET OF Yud Hei Vav; and, a quadruple song, which is THE SECRET OF THE FOUR LETTERS Yud Hei Vav and Hei. These, TOGETHER, are ten letters, against which David composed ten types of psalm: 'HAPPY', 'MASKIL', 'PSALM', 'A WRIT'... And they amount to the 72 countenances, THAT IS 72 LIGHTS, as the value of these ten letters OF THE FOURFOLD YUD HEI VAV HEI.

269. And when do they amount to 72 types of melody, THIS BEING THE SECRET OF THE FIRST THREE OF THE 72-LETTER NAME? It is when the rule of sin, destruction, anger, and wrath passes, for in them does the storm wind beat, on the four sides, adding up to Yud (ten) crowns, AS ABOVE. THIS IS SO IN THE FOUR LETTERS OF YUD HEI VAV HEI, IN THE DOUBLE, TRIPLE, AND QUADRUPLE SONG. THEY ARE TEN LETTERS ADDING UP TO A TOTAL OF 72, AND THEY THEN SUBJUGATE 72 nations, WHICH ARE THE SEVENTY NATIONS, PLUS EDOM AND ISHMAEL, as it is written: "but when the wicked perish, there is jubilation" (Mishlei 11:10) SINCE, WHEN THE FOUR KLIPOT OF SIN, DESTRUCTION, ANGER, AND WRATH PERISH, THE FIRST THREE ARE REVEALED, WHICH IS THE SECRET OF JUBILATION, NAMELY 72 TYPES OF MELODY.

270. For Michael, Gabriel, Nuriel, and Raphael, WHO ARE THE LIVING CREATURES OF THE CHARIOT, control man's four good elements, which are water, fire, wind and earth, WHICH ARE THE SECRET OF CHESED AND GVURAH, TIFERET AND MALCHUT, each one of them having four countenances: LION, OX, EAGLE, MAN. And sin, destruction, anger, and wrath are dependent on white gall, which is the lung in which they make an adhesion, and on the red gall that is in the liver that turns red with Mars (Heb. Ma'adim, from 'red'); and on the green gall (Heb. marah) that is attached to the liver, which is the sword of the Angel of Death, about which it is said: "her end is bitter (Heb. marah) as wormwood, sharp as a two edged sword" (Mishlei 5:4); and on the black gall which is Lilit, WHICH IS THE PLANET (Heb. Shabtai) Saturn, which is controlled by the spleen, which is melancholia, lower Sheol, poverty and darkness, weeping and mourning and starvation.

271. Immediately, when these FOUR Klipot move away from man, the Tree of Life takes control over him with 72 countenances OF THE ILLUMINATION OF MALCHUT, NAMELY, THE FOURFOLD YUD HEI VAV HEI THUS: Yud, Yud Hei, Yud Hei Vav, and Yud Hei Vav Hei, THE NUMERICAL VALUE OF WHICH IS 72. Thus there are ten LETTERS, suspended from the four winds, which are THE FOUR LETTERS OF THE Yud Hei Vav Hei, about which it is said: "Thus says Adonai Elohim: Come from the four winds, O breath (Heb. Ruach)." This is the spirit of Messiah, about whom it is said: "And the (Heb. Ruach) spirit of Hashem shall rest upon him" (Yeshayah 11:2), WHICH IS THE SPIRIT OF MALCHUT, when YUD HEI VAV HEI, WHICH IS ZEIR ANPIN, blows in the right auricle of the heart, where Chochmah from the side of Chesed is, in which one who wants to gain wisdom will move to the south with wisdom. And Chesed blows in Binah, AND THEN IN ZEIR ANPIN, AND THEN IN MALCHUT. WHEN IT BLOWS in Chochmah, it is Yud; when in Binah, Hei; when in Tiferet, Vav; and when in Malchut it is Hei. The Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, knocks on all four OF THESE SFIROT AND BECOMES FOUR COMBINATIONS. WHEN BEATING IN CHOCHMAH, HE IS YUD; WHEN BEATING IN BINAH, YUD HEI; WHEN BEATING IN TIFERET, YUD HEI VAV; AND WHEN IN MALCHUT, YUD HEI VAV AND HEI, making a total of ten LETTERS, PARALLELING THE TEN SFIROT. AND THEIR NUMERICAL VALUE IS 72, WHICH IS CHOCHMAH, NAMELY the thought of the heart.

272. Yud-Vav-Dalet, Hei-Aleph, Vav-Aleph-Vav, Hei-Aleph HAS THE NUMERICAL VALUE OF 45, WHICH IS ZEIR ANPIN, whose right is water, and is the great hand, NAMELY CHESED AND THE RIGHT COLUMN. His left is fire, which is the strong hand, NAMELY GVURAH AND THE LEFT COLUMN. In the Central Column THAT IS BETWEEN THEM, He is the uplifted hand, NAMELY TIFERET, WHICH IS THE CENTRAL COLUMN, which is the Holy Spirit. And He has altogether Yud-Hei, FOR HE HAS THE MOCHIN OF THE FIRST THREE FROM YUD-HEI.

273. "Wherever the spirit was minded to go, they moved... for the spirit of the living creature was in the wheels" (Yechezkel 1:20). Water and fire are directed by the SPIRIT, for it grips both of them and throbs on the arteries of the brain, which is water, AND IS CHOCHMAH, and on the arteries of the heart, which is fire, AND IS BINAH. AND THE PLACE OF the spirit (wind) is in the lobes of the lung, AS ABOVE.

274. In every part of the body are to be found THESE FOUR, NAMELY the wheels of the sea of the Torah, WHICH IS WATER, and the wheels of the firmament, which is fire, all of them ascending and descending in it, IN THE BODILY PART, FOR THE WATER, WHICH IS RIGHT AND CHESED DESCENDS, WHILE THE FIRE, WHICH IS THE LEFT AND GVURAH, ASCENDS. FOR THE LEFT ILLUMINATES ONLY UPWARDS FROM BELOW, WHILE it, the spirit, WHICH IS TIFERET AND THE CENTRAL COLUMN, has its place IN THE CENTER between the firmament and the sea, WHICH ARE THE LEFT AND THE RIGHT. And its tool OF THE SPIRIT, WHICH IS TIFERET, is the Earth, WHICH IS DUST, which is the Shechinah.

271. מִיָּד דִּמְתַעְבְּרִין אֵלַיִן קְלִיפִין מִבְּנֵי, שְׁלֹטָא עֲלֵיהּ אֵילָנָא דְחַיִּי, בַּעֲבֹד אֲנָפִין, דְּאִינוּן י' וְד' יִדְוּ יִדְוּ, דְּאִשְׁתַּכְּחוּ עֲשָׂרָה תַלְיִין מֵאַרְבַּע רוּחוֹת, דְּאִינוּן יִדְוּ, דְּאִתְמַר בְּהוֹן, כִּה אָמַר יִדְוּ מֵאַרְבַּע רוּחוֹת בְּאֵי הַרוּחַ, דָּא הוּא רוּחוֹ דְּמִשִּׁיחַ. דְּאִתְמַר בֵּיהּ, וְנָחָה עֲלֵינוּ רוּחַ יְיָ, כִּד אִיהוּ מְנַשֵּׁב בְּאֶזְן יְמִינָא דְּלִבָּא, דְּתַמֵּן חֲכָמָה מִסְטָרָא דְּחֶסֶד, דְּבֵיהּ הַרוּצָה לְהַחֲכִים יְדָרִים בְּחֲכָמָה. וְחֶסֶד נִשְׁבַּב בְּבֵינָה, דְּבַחֲכָמָה י'. בְּבֵינָה ה'. בְּתַפְאֶרֶת ו'. בְּמַלְכוּת ה'. יִדְוּ דְּפִיק בְּכֻלָּהוּ אַרְבַּע. דְּסַלְקִין לַעֲשָׂר. וְלַעֲבֹד מִחֲשַׁבָּה דְּלִבָּא.

275. And just like the birds, who spread their wings against the wind so that they can fly with it, so also all the parts of the body are open at a number of sources, at a number of joints, a number of arteries, a number of compartments of the heart and a number of areas of the brain, in order to welcome THE SPIRIT WHICH IS THE CENTRAL COLUMN. Were it not to blow in the compartments of the heart, the fire that is in the heart, WHICH IS THE SECRET OF THE LEFT COLUMN, would burn up the whole body. THAT IS TO SAY: WERE IT NOT FOR THE CENTRAL COLUMN WHICH IS CALLED 'WIND', UNITING THE RIGHT AND THE LEFT WITH EACH OTHER, THE JUDGMENT OF THE LEFT SIDE, WHICH IS THE SECRET OF THE FIRE THAT IS IN THE HEART, WOULD BURN UP THE WHOLE BODY. FOR THE ILLUMINATION OF THE LEFT WITHOUT THE RIGHT IS HARSH AND BITTER JUDGMENT. And a number of ladders, NAMELY STEPS and compartments from the arteries of the aorta and trachea, are all corrected with it, WITH THE WIND, WHICH IS THE CENTRAL COLUMN.

47. Voice and Speech

We learn how speech arises through the body, and the effect of speaking the Sh'ma Yisrael and the Amidah. The Faithful Shepherd talks about the speech and silence of the beasts of fire in Ezekiel's vision.

276. When speech rises, THAT IS TO SAY, AT THE BEGINNING OF THE FORMATION OF SPEECH IN A MAN, to the lobes of the lung, it there becomes a voice. At that time, IT IS SAID: "for a bird of the sky shall carry the sound" (Kohelet 10:20). "The voice of Hashem is upon the waters" (Tehilim 29:3) BECAUSE IT ASCENDS from the side of the water, WHICH IS THE RIGHT, which is the brain, where it ascends through the lobes of the lung. "The voice of Hashem hews out flames of fire" (Ibid. 29:7) from the side of the heart, WHICH IS THE LEFT, WHICH IS FIRE. AND WHEN THE VOICE emerges from the mouth, WHICH IS THE SECRET OF MALCHUT, it is called 'speech'.

277. And just as there are two lobes (lit. 'wings') to the lung, NAMELY THE TWO HALVES OF THE LUNG that open up to welcome the voice as it is written: "Thus were their faces: and their wings were divided upwards" (Yechezkel 1:11), FOR THE LOBES OF THE LUNGS ARE SEPARATED FROM EACH OTHER, so also are the lips TWO IN NUMBER that take the speech and cast it upwards.

278. And just as there are five lobes to the lung, NAMELY FIVE DIVISIONS IN THE TWO HALVES OF THE LUNG, all of them being open without an adhesion to receive this voice, so must there be five corrections in the mouth, all of them open without adhesions, and the five corrections are: the guttural LETTERS ALEPH CHET HEI AYIN THAT ARE FORMED in the throat; the labial LETTERS BET VAV MEM PE THAT ARE FORMED with the lips; and the LETTERS GIMEL YUD CAF KOF THAT ARE FORMED IN THE ROOF OF THE MOUTH; DALET TET LAMED NUN TAV THAT ARE FORMED on the tongue; and ZAYIN SAMECH SHIN RESH TZADIK by the teeth.

279. And speech will be in them, IN THE FIVE EMISSIONS OF THE MOUTH, without any adhesion or hindrance, as it is written: "And it came to pass, before he had done speaking, that, behold, Rivkah came out" (Beresheet 24:15), WHERE RIVKAH is the prayer, that is speech. For this reason have we learned: If the prayer is fluent in my mouth, I know that it has been accepted. But if there is an adhesion and it comes out with a hindrance, I know that my prayer is in disorder, BECAUSE there is an adhesion in the lung, which is defective.

275. וּכְגֹוֹנָא דְעוֹפִין, פְּתִיחוּ גְדִפְיֵיהוּ, לְקַבְּלָא רוּחָא לְפִרְחָא בֵּיהּ. הָכִי כֹל אַבְרִים דְּגוּפָא, פְּתִיחוּן בְּכַמָּה מְקוּרִין, בְּכַמָּה פְּרָקִין, בְּכַמָּה עֲרָקִין, בְּכַמָּה אֲדָרִין דְּלֵבָא, אֲדָרִין דְּמוּחָא, לְקַבְּלָא לִיהּ. דְּאִי לֹאוּ דְנִשְׁבִּיב בְּבִתּוּן דְּלֵבָא, הָוָה נֹוּרָא דְּלֵבָא, אוֹקִיד כֹּל גּוּפָא. וְכַמָּה סוּלְמִין, וְאֲדָרִין, דְּעֲרָקִין דְּקִנְהַ דְּלֵבָא, וְקִנְהַ דְּרִיאַה, כְּלָהוּ מִתְתַּקְנִין לְגַבְיָהּ.

276. בְּד סְלִיק דְּבוּרָא, עַל בְּנֵפִי דְּרִיאַה, אֲתַעְבִּיד קוּל. בְּהָוָה זְמַנָּא כִּי עוֹף הַשָּׁמַיִם יוֹלִיךְ אֶת הַקּוּל. קוּל יִי' עַל הַמַּיִם. מִסְטֵרָא דְּמֵיָא, דְּאִיהוּ מוּחָא, דְּתַמְן סְלִיק בְּכַנְפֵי רִיאַה. קוּל יִי' חוֹצֵב לְהַבּוֹת אֵשׁ, מִסְטֵרָא דְּלֵבָא, כְּד נִפְּיק מִפּוּמָא, אֲתַקְרִי דְּבוּר.

277. וְלְקַבֵּל תְּרִין בְּנֵפֵי רִיאַה, דְּפִתְחוּן גְּדִפִין לְקַבְּלָא לִיהּ, הָדָא הוּא דְּכִתִּיב, וּפְנִיָהֶם וְכַנְפֵיהֶם פְּרוּדוֹת מִלְמַעְלָה. הָכִי שְׁפּוּן נְטִלִין לִיהּ לְדִיבוּר, וּפְרָחוּן לִיהּ לְעִילָא.

278. וּכְגֹוֹנָא דְּאֵינוּן חֲמֵשָׁה בְּנֵפֵי רִיאַה, כְּלָהוּ פְּתִיחוּן בְּלֹא סְרָכָא, לְקַבְּלָא הָאִי קוּל, הָכִי נְמִי צְרִיכִין לְמַהוּי חֲמֵשָׁא תְּקוּנִין דְּפּוּמָא, כְּלָהוּ פְּתִיחוּן בְּלֹא סְרָכָא, בְּחֵמֶשׁ תְּקוּנִין דְּאֵינוּן: אַחַהֶע בְּגְרוּן. בּוּמָף בְּשְׁפּוּן. גִּיכַק בְּחִיךְ. דְּטַלְנַת בְּלִישְׁנָא. וְסִרְשָׁן בְּשִׁינִים.

279. וְדְבוּר דִּיהָא בְּהוּן, בְּלֹא סְרָכָא וְעַכּוּבָא כְּלָל. הַה"ד, וַיְהִי הוּא טָרַם כְּלָה לְדַבֵּר וְהָיָה רִבְקָה יוֹצֵאת. דָּא צְלוּתָא, דְּאִיהוּ דְּבוּר. וּבְגִינְיָה אֲתַמֵּר, אִם שְׁגוּרָה תְּפִלְתִּי בְּפִי יוֹדַע אֲנִי שְׁמִקּוּבָל. וְאִי אִית סְרָכָא וְנִפְקָא בְּעַכּוּבָא, יוֹדַע אֲנִי שְׁמִטּוּרָף. בְּגִין סְרָכָא בְּרִיאַה דְּאִיהוּ טְרָפָה.

280. And this voice refers to the Sh'ma Yisrael, NAMELY THE UNITY OF THE SIX WORDS OF THE SH'MA YISRAEL, WHICH IS THE UNITY OF ZEIR ANPIN, CALLED 'VOICE'. On this: "I heard the noise of their wings" (Yechezkel 1:24). When Yud Hei Vav Hei, ZEIR ANPIN, who is voice, emerges to welcome the Shechinah with whispered prayer, which is speech, NAMELY MALCHUT THAT IS CALLED 'SPEECH', of which IT IS SAID: "Adonai, You, open my lips" (Tehilim 51:17), all the parts, NAMELY ALL THE 248 LIGHTS OF CHESED OF ZEIR ANPIN, WHICH ARE CALLED 'THE 248 PARTS OF THE BODY', their wings, NAMELY MALCHUT WHICH IS IN EACH PART, are all of them opened by the 248 words in the four sections of the recital of the Sh'ma Yisrael, in which the voice descends.

281. And when THE VOICE descends TO WELCOME the SHECHINAH IN THE AMIDAH (ENG. 'STANDING') PRAYER, a number of birds chirp with it, THEY BEING THE SECRET TO THE 248 LIGHTS OF THE SHECHINAH, WHICH IS THE SECRET OF SPEECH. AND FOR THIS REASON THEY CHIRP, all of them, in a number of types of melody on the parts of the body, WHICH ARE THE 248 LIGHTS OF ZEIR ANPIN, which are the branches of the tree, and on all the wings that are in all the parts, NAMELY ON MALCHUT WHICH IS IN EACH PART, WHICH IS CALLED 'WING'. For there is the lodging-place of the bird that is called 'Adonai', NAMELY MALCHUT. FOR THE 248 LIGHTS OF MALCHUT DWELL ON THE ASPECT OF THE WING THAT IS IN EACH OF THE 248 LIGHTS OF ZEIR ANPIN, FOR EACH ASPECT RECEIVES FROM THE ONE THAT IS PARALLEL TO IT ABOVE. For on each of the branches of ZEIR ANPIN, MALCHUT is open to her husband, THIS BEING THE SECRET OF "Adonai, You, open my lips," which is opening TO ZEIR ANPIN with the 'Amidah' prayer. For there is not one of the 248 parts of the Shechinah that is not open to receive ZEIR ANPIN. This is why THE SHECHINAH is called 'the talk of the ministering angels', BECAUSE IT IS THE ASPECT OF SPEECH, and it is the chirping of the birds, who are the souls resting on the limbs OF THE SHECHINAH, WHICH ARE CALLED 'BIRDS'. And it is 'the talk of palm trees', which are the branches of the tree THAT ARE THE LIMBS OF ZEIR ANPIN, WHICH ARE IN THE ASPECT OF PINIONS IN EACH BRANCH, FOR THERE RESTS ADONAI, WHO IS SPEECH.

282. And at the time, when Yud Hei Vav Hei descends to Adonai, in every one of the parts OF THE YUD HEI VAV HEI WHICH IS ZEIR ANPIN, IT EMITS TO THE PARALLEL PART OF MALCHUT WHICH IS 'ADONAI', and it is said about them: "when they stood still, they let down their wings" (Yechezkel, 1:24). "WHEN THEY STOOD" HINTS AT THE UNITY OF THE AMIDAH PRAYER, FOR THEN THE WINGS, WHICH ARE PARTS OF MALCHUT, ARE AT REST. And this is the secret of 'electrum' (Heb. Chashmal), WHICH IS THE LETTERS OF SILENT AND SPEAKING LIVING CREATURES OF FIRE. These living creatures of fire are sometimes quiet (Heb. Chashot) and sometimes speaking (Heb. Memalelot), and the sages of the Mishnah said: 'As we learnt in the Mishnah, When speech comes forth from the mouth of the Holy One, blessed be He, they are silent and when no speech comes forth from the mouth of the Holy One, blessed be He, they speak'. THE MEANING OF THIS IS THAT at the time when speech and voice are united together THAT IS, ZEIR ANPIN AND MALCHUT, which are THE COMBINATION: Yud Aleph Hei Dalet Vav Nun Hei Yud DURING THE AMIDAH PRAYER, they are silent. But when their countenances, WHICH IS THE SECRET OF ZEIR ANPIN, and their wings, WHICH IS THE SECRET OF MALCHUT, are divided --- when Yud Hei Vav Hei is separated from Adonai, He, THE YUD HEI VAV HEI, is to be found in the four countenances of the living creatures, which are all open. And before THE WINGS OF THE LIVING CREATURES, THAT ARE THE ASPECT OF ADONAI AND THE ASPECT OF SPEECH, they speak, requesting nourishment FROM ZEIR ANPIN, for "in it was food for all" (Daniel 4:18). Adonai WHO IS MALCHUT is to be found in the wings of the living creatures, and all of them are open to receive from the living creatures.

280. וְקוֹל דָּא שְׁמַע יִשְׂרָאֵל, דְּבִיָּה וְאִשְׁמַע אֶת קוֹל כְּנֻפְיָהֶם. וְדָא יְרוּד דְּאִיְהוּ קוֹל, בְּד נְמוּק לְקַבְּלָא שְׂכִינְתָא בְּצִלּוֹתָא בְּחֻשְׁאֵי, דְּאִיְהוּ דְבוּר, דְּבִיָּה אֲדָנִי שְׁפָתֵי תִפְתַּח, כָּל אַבְרִין פְּתִיחֵן כְּלָהוּ גְדַפְיָהוּ, בְּרַמ"ח תִּיבִין, דְּאִינוּן בְּד' פְּרֻשִׁין דְּק"ש, דְּבִהוּן נְחִית קְלָא.

283. THE LIVING CREATURES THAT ARE IN YETZIRAH roar with a voice that is ZEIR ANPIN, CALLED Yud Hei Vav Hei. And they are all on the right, NAMELY WITH CHASSADIM. The Ofanim, WHICH ARE IN ASIYAH, chirp in speech, which is from MALCHUT, CALLED 'Adonai', and they are on the left. In the Serafim, WHICH ARE IN BRIYAH, voice and speech become joined, BEING ZEIR ANPIN AND MALCHUT, AND THEY ARE in the center, AND THEY ATTIRE THEMSELVES IN ONE UNITY IN THE TWO NAMES: YUD HEI VAV HEI ADONAI, AND COMBINE ONE WITH THE OTHER: Yud Aleph Hei Dalet Vav Nun Hei Yud. About them IT IS SAID: "And let fowl fly" (Bereshheet 1:20), AND ALSO: "Then one of the Serafim flew to me" (Yeshayah 6:6), THE REFERENCE BEING TO METATRON. And it is said about them: "for a bird of the sky shall carry the sound, and that which has wings shall tell the matter" (Kohelet 10:20), WHERE THE SOUND IS FROM THE SIDE OF THE YUD HEI VAV HEI ATTIRE WITH METATRON, AND "THAT WHICH HAS THE WINGS SHALL TELL THE MATTER" IS FROM THE SIDE OF ADONAI ATTIRE WITH METATRON. "Above Him stood the Serafim; each one had six wings" (Yeshayah 6:2) is from the side of the letter Vav (numerical value = six), which IS ATTIRE IN THEM, AND is the Central Column, incorporating right and left, INCLUDING THE SIX SFIROT OF CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, and it includes the six words OF THE UNITY AS EXPRESSED IN THE SH'MA YISRAEL. And that is derived from: "with two he covered his face, with two he covered his feet, and with two he did fly" (Yeshayah 6:2).

284. FROM "AND I LOOKED" (YECHZKEL 1:4) TO "APPEARANCE OF A MAN" (YECHZKEL 1:26) IS CONSIDERED TO BE ONE CORRECTION, FOR THERE ARE FOUR KLIPOT, WITHIN WHICH ARE THE FOUR LIVING CREATURES, AND THE SECRET OF METATRON IS THAT VIS-A-VIS THE LIVING CREATURES HE IS THE INNER MEANING OF THE FIRMAMENT WHICH IS ABOVE THEIR HEADS AND LEADS THEM, WHILE VIS-A-VIS MALCHUT HE IS THE INNER MEANING OF THRONE. AND ALL OF THIS IS THE FIRST CORRECTION. The second correction is: "and upon the likeness of the throne was a likeness as the appearance of a man above upon it" (Ibid.), WHERE BY MAN IS MEANT the imprint of the scroll of the Torah, NAMELY MALCHUT THAT IS THE IMPRINT OF ZEIR ANPIN, WHO IS CALLED 'THE TORAH SCROLL'. And this is: "According to the beauty (Heb. Tiferet) of man, that it may remain in the house" (Yeshayah 44:13). IN OTHER WORDS, MALCHUT IS ACCORDING TO THE TIFERET OF MAN, BUT NOT REALLY TIFERET ITSELF. SO ALSO HERE WHERE IT IS SAID "AS THE APPEARANCE OF A MAN," BUT NOT MAN ITSELF, IT IS APPLIED TO MALCHUT, FOR WHOM METATRON IS A THRONE.

48. The recital of the Sh'ma, Tefilin and straps

The sages taught that reciting the Sh'ma Yisrael twice daily is as good as meditating day and night. The Faithful Shepherd goes over the meaning of the number of knots in the prayer shawl, the four passages and the knots in the Tefilin and the length and winding of the straps. We learn that God and His Shechinah are the voice and speech of every angel, and that they are in every voice and speech of Torah, and in every voice of prayer and every single precept, and in every place of God's rule in the upper and lower worlds.

283. שְׁאֲגִין בְּקוֹל דְּאִיהוּ יְדוּ"ד, כְּלֵהוּ בְּיְמִינָא. אֹפְנִים מְצַמְצֵמֵן בְּדַבּוּר, דְּאִיהוּ אֲדוֹנָי בְּשִׁמְאֵלָא. בְּשִׁרְפִים מִתְחַבְּרִים קוֹל וְדַבּוּר בְּאֲמִצְעֵיתָא. יְאֵהֲרֹנְהִי. בְּהוֹן וְעוֹף יְעוֹפֵף. הֵה"ד, וַיַּעַף אֵלַי אֶחָד מִן הַשִּׁרְפִים. וְאֶתְמַר בְּהוֹן, וְעוֹף הַשָּׁמַיִם יוֹלִיךְ אֶת הַקּוֹל וְיַעַל כְּנָפָיִם יִגִּיד דְּבַר. וְשִׁרְפִים שֵׁשׁ כְּנָפָיִם לְאֶחָד. מְסֻטְרָא דְאֵת ו', דְּאִיהוּ עֲמוּדָא דְאֲמִצְעֵיתָא, כְּלִיל יְמִינָא וּשְׁמָאֵלָא. וְאִיהוּ כְּלִיל שִׁית תִּיבִין, בְּשִׁתִּים יִכְסֶה פָּנָיו וּבְשִׁתִּים יִכְסֶה רַגְלָיו וּבְשִׁתִּים יְעוֹפֵף סִימָן.

284. תְּקוּנָא תְּנִינָא, וְעַל דְּמֹת הַכְּסָא דְּמֹת כְּמִרְאָה אָדָם עָלָיו מְלַמְעָלָה. רְשִׁימוּ דַס"ת, וְאִיהוּ כְּתַמְאָרַת אָדָם לְשֶׁבֶת בַּיִת.

285. The sages taught: 'Anyone reciting the Sh'ma Yisrael morning and evening is as though he had observed the saying that "but you shall meditate therein day and night" (Yehoshua 1:8).' THIS IS BECAUSE THE RECITAL OF THE SH'MA YISRAEL ENCOMPASSES RIGHT AND LEFT, WHICH ARE THE SECRET OF DAY AND NIGHT. HE EXPLAINS, for a prayer-shawl is white, THAT IS TO SAY, THE GARMENT OF THE FRINGES IS OF THE ASPECT OF THE WHITE THAT IS IN IT AND NOT THE BLUE THAT IS IN IT, and is to the right from the side of Chesed; and it is said about it: "Almighty King, who sits on the throne of mercy, governs with kindness (Heb. chasidut)" (Yeshayah 16:5), and also: "And in mercy (Heb. chesed) a throne is established" (Ibid.). The numerical value of Chesed is 72, which hints at the 72 links and knots of the prayer-shawl, NAMELY FOUR TIMES EIGHTEEN.

286. And there is a prayer-shawl from the side of Metatron, which is the Tet Tet OF METATRON, which includes the eighteen links and knots on each corner OF THE PRAYER-SHAWL, I.E five knots paralleling the five books of the Torah, and thirteen links, NAMELY THE THIRTEEN LOOPS THAT ARE WOUND AROUND THE FRINGES, which parallel the thirteen attributes of Mercy mentioned in the Torah, about which it is said: There are thirteen exegetical principles by which the Torah is expounded, WHICH IS THE SECRET OF THE THIRTEEN ATTRIBUTES OF MERCY THAT ARE DRAWN DOWN FROM THE THIRTEEN EMENDATIONS OF THE BEARD OF ARICH ANPIN.

287. About MALCHUT it is said: "as the appearance of a man above upon it" (Yechezkel 1:26), NAMELY THAT MALCHUT has the form of Tiferet, which is Tiferet of man upon it from above, and is called by the name OF TIFERET, WHICH IS YUD VAV DALET, HEI ALEPH, VAV Aleph Vav, Hei Aleph. THIS IS THE INNER MEANING OF THE VERSE: "every one that is called by My name: for I have created him for My glory; I have formed him; yea, I have made him" (Yeshayah 43:7). THEREFORE, "as the appearance of a man from above" is the Shechinah, which is as the form of the Central Column, WHICH IS TIFERET, with four countenances and ten Sfirot, that make man. THAT IS, THE TEN LETTERS YUD VAV DALET, HEI ALEPH, VAV ALEPH VAV, HEI ALEPH HAVE THE NUMERICAL VALUE OF ADAM (45). And the four faces of Adam are the four SIMPLE letters OF YUD HEI VAV HEI, which TOGETHER make Yud Dalet (=fourteen) letters, about which IT IS SAID: "and used similes by the hand (Heb. yad - Yud Dalet) of the prophets" (Hoshea 12:11).

288. Again, THE TZITZIT is called 'living' (Heb. Chai = eighteen), NAMELY THE THIRTEEN LINKS AND FIVE KNOTS, from the aspect of the righteous one, WHICH IS YESOD, in whom, NAMELY BY WHOSE UNITY, the Holy One, blessed be He and His Shechinah are called by the name 'man'. THAT IS, YUD HEI VAV HEI, SPELLED OUT IN FULL WITH ALEPHS, HAS THE SAME NUMERICAL VALUE AS MAN where He, the Central Column THAT IS ZEIR ANPIN, is YUD VAV DALET, HEI ALEPH, VAV ALEPH VAV, AND HAS THE NUMERICAL VALUE OF dew (Heb. tal = 39), while His Shechinah is Hei Aleph. And with Hei, the name Adam IS COMPLETED. This is because dew is in numerical value equal to Yud Vav Dalet, Hei Aleph, Vav Aleph Vav. And this, THE RIGHTEOUS ONE CALLED 'LIVING', 'causes the dew to fall', WHICH IS YUD VAV DALET, HEI ALEPH, VAV ALEPH VAV onto the Hei Aleph, WHICH IS THE SHECHINAH, FOR YESOD is the knot of the prayer-shawl, which is eighteen worlds ON EACH SIDE, NAMELY FIVE KNOTS AND THIRTEEN LINKS that bind together AND UNITE the Holy One, blessed be He, and His Shechinah on all sides, with the four corners of the prayer-shawl, WHICH ARE CHESED, GVURAH, TIFERET AND MALCHUT.

285. ואוקמוה רבנן, כל הקורא ק"ש ערבית ושחרית, באילו מקינים והגית בו יומם ולילה. דטלית לבנה, איהו לימינא מסטרא דחסד. ואתמר, אל מלך יושב על כסא רחמים ומתנהג בחסידות. והוכן בחסד כסא. חסד סליק ע"ב חוליון וקשרין דטלית.

289. Tefilin are THE ASPECT OF the Left COLUMN, as it is said: "Hashem has sworn by His right hand, and by the arm of His strength" (Yeshayah 62:8), where "by His right hand" refers to the Torah and "by the arm of His strength" refers to Tefilin. The four passages IN THE TEFILIN are THE FOUR LETTERS Yud Hei Vav Hei. Adonai is a palace for the four letters, WHICH ARE THE FOUR PASSAGES in the four receptacles of the Tefilin. The knot of the hand Tefilin is the righteous one, who lives forever, WHICH IS YESOD, and is the bond between the two of them, BETWEEN THE YUD HEI VAV HEI AND 'ADONAI', on the left arm. The knot of the head Tefilin is the Central Column, NAMELY TIFERET, by which are united together on high the Yud Hei Vav Hei and Eheyeh which are Chochmah and Binah, FOR ZEIR ANPIN ASCENDS AND UNITES CHOCHMAH AND BINAH, WHICH ARE CALLED THE YUD HEI VAV HEI AND 'EHEYEH', WHERE DA'AT IS MADE.

290. The recital of the Sh'ma is the unification that is at the center, NAMELY THE UNITY THAT IS IN CHESED, GVURAH, TIFERET, and it is held between the fringes and the Tefilin, FOR THE FRINGES, THAT ARE OF THE ASPECT OF THE WHITE THAT IS IN THEM, ARE ON ITS RIGHT, AND THE TEFILIN ARE ITS LEFT. For all of the passages of the fringes and Tefilin are included in the unification of the recital of the Sh'ma. And from the side of the Central Column, namely prayer-shawl and Tefilin, it is said: "And it shall be for a sign upon your hand and for frontlets between your eyes" (Shemot 13:16), AND IT IS ALSO SAID: "that they make them fringes" (Bemidbar 15:38).

291. The letter Shin of the Tefilin is tradition Moses received on Mount Sinai, AS IT IS WRITTEN: "And all peoples of the earth shall see that You are called by the name of Hashem; and they shall be afraid of You" (Devarim 28:10). And it has been taught: What is the Yud Hei Vav Hei? It is the head Tefilin, specifically the Shin Shin of the Tefilin, THAT ARE VISIBLE ON THEM FROM THE TWO EXTERNAL SIDES. The two Shin have the numerical value of six hundred. Shin Shin are the six (Heb. shesh) stages CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD THAT ARE IN ZEIR ANPIN, WHERE THE RIGHT SHIN IS CHESED, GVURAH AND TIFERET, AND THE LEFT SHIN IS NETZACH, HOD AND YESOD. The two Shin have seven branches, AS THE RIGHT SHIN HAS THREE HEADS, AND THE LEFT FOUR HEADS. TOGETHER THERE ARE SEVEN HEADS, OR SEVEN BRANCHES. This adds up to thirteen, and together they are 613, BECAUSE SEVEN BRANCHES AND SIX GRADES AMOUNT TO THIRTEEN, AND THE NUMERICAL VALUE OF THE TWO SHIN IS SIX HUNDRED. And there is no precept that is not equivalent to the whole of the Torah, IT BEING, THEREFORE, SAID ABOUT IT: "AND ALL THE PEOPLES OF THE EARTH SHALL SEE THAT YOU ARE CALLED BY THE NAME OF HASHEM... (IBID.)."

292. Likewise, JUST AS 613 IS IMPLIED IN THE TEFILIN, so each precept is the Yud Hei Vav Hei, AS FOLLOWS: The Yud Hei IN IT, together with 'My name' (Heb. shmi) have the numerical value of 365, THIS BEING THE NUMBER OF THE NEGATIVE PRECEPTS IN THE TORAH. Again: Vav Hei IN IT, together with 'My memorial' (Heb. zichri) have the numerical value of 248, THIS BEING THE NUMBER OF THE POSITIVE PRECEPTS IN THE TORAH. THE TOTAL NUMBER OF PRECEPTS IS 613. This is why each precept is equivalent to 613. And the sages have taught that the recital of the Sh'ma Yisrael, INCORPORATING TEFILIN AND FRINGES contains 613 in the fringes, AS TZITZIT IN NUMERICAL VALUE IS SIX HUNDRED, WHICH TOGETHER WITH THE 13 LINKS THEREOF MAKES 613. And there is also 613 in the aspect of Tefilin, LIKE THE NUMERICAL EQUIVALENT OF THE TWO LETTERS SHIN ON THEM AND SO it is throughout.

293. "and they shall be as frontlets": totfet (lit. 'frontlet'), WHICH CAN BE SPLIT INTO TWO TET TET AND PE TAV. THE NUMERICAL VALUE OF Tet Tet is 'living' (Heb. chai = eighteen) worlds, the righteous one, NAMELY YESOD, parallel to which is Metatron, FOR YESOD IS ATTIRED WITH METATRON. Pe Tav refers to Tiferet, WHOSE LETTERS MAY BE REARRANGED as TAV ALEPH RESH, PE TAV (NAMELY A DESCRIPTION OF PE TAV). And Metatron is Tiferet's horse; THAT IS TO SAY TIFERET RIDES UPON HIM, for all the Sfirot dress up IN METATRON. AT ONE TIME IT MIGHT BE TIFERET THAT WEARS HIM, AT ANOTHER YESOD AND AT ANOTHER MALCHUT, WHILE AT OTHER TIMES ALL THREE MIGHT BE ATTIRED WITH HIM. And so it is that his relationship to them is as that of body to soul, and when the Holy One, blessed be He, removes Himself from him, METATRON is left dumb, having neither voice nor speech. For the Holy One, blessed be He, and His Shechinah are the voice and speech of every angel, and THEY ARE in every voice and speech of Torah, and in every voice of prayer, and in each single precept, and in every place of His rule, in the upper worlds and in the lower worlds. He is the life of everything. He carries everything.

294. Just as there is no speech without voice and no voice without speech, so is there no 'Adonai' without the Yud Hei Vav Hei. And this is true for the world of Atzilut, SINCE THERE NO SEPARATION EXISTS BETWEEN ZEIR ANPIN AND MALCHUT, WHO ARE VOICE AND SPEECH. But in the world of separation, NAMELY IN THE THREE WORLDS OF BRIYAH, YETZIRAH, AND ASIYAH, there is voice without speech. YET IN ATZILUT THEY ARE UNITED, and the knot of the Tefilin, which is Shadai, WHICH IS YESOD, is held by them from above and from below, and this is the righteous one, the life of the worlds, who is held between voice and speech AND UNITES THEM.

295. At this point, the Faithful Shepherd chanced upon the old man, and said: Old man, Old man, the Tefilin and the fringes and the section on the mezuzah are three precepts that are incorporated in the recital of the Sh'ma Yisrael, and the recital of the Sh'ma is the fourth precept. AND THE FOUR CORRESPOND TO CHESED, GVURAH, TIFERET AND MALCHUT, WHERE FRINGES AND TEFILIN ARE CHESED AND GVURAH, THE RECITAL OF THE SH'MA IS TIFERET THAT UNITES THEM, AND THE MEZUZAH IS MALCHUT. Fringes are mentioned three times, PARALLELING THE THREE COLUMNS, and regarding Tefilin the word 'sign', WHICH IS YESOD, is mentioned twice, ONCE FOR THE KNOT OF THE HEAD TEFILIN AND ONCE FOR THE KNOT OF THE HAND TEFILIN. In respect to the fringes, the letter Zayin of the word "tiz'keru (lit. 'that you remember')" (Bemidbar 15:40), has to be well stressed, FOR THIS LETTER ZAYIN (NUMERICAL VALUE SEVEN) IMPLIES MALCHUT, WHICH IS THE SEVENTH SFIRAH, AND IS THE SECRET OF THE BLUE THAT IS IN THE FRINGE, ON WHICH THE REMEMBERING DEPENDS. And on the mezuzah, WHICH IS MALCHUT, the name Shadai is on the outside, while Yud Hei Vav Hei is on the inside. THIS IS BECAUSE THERE ARE TWO MATINGS, THE EXTERNAL MATING WITH YESOD, AND THE INTERNAL MATING WITH TIFERET. THE FAITHFUL SHEPHERD CLARIFIED ALL THIS TO THE OLD MAN FOR HIM TO UNDERSTAND ON HIS OWN.

293. וְהָיוּ לְטוֹטְפוֹת, טַטְפֹּת: טט, ח"י עֲלֵמִין, צְדִיק, לְקַבְּלֶיהָ מִטְטָרוֹן. פֶּת, תַּמְאָרֶת. מִטְטָרוֹן סוֹס דְּתַמְאָרֶת, דְּבִיהַ כֹּל סְפִירָאן מִתְלַבְּשִׁין. וְהָכִי אִיהוּ כְּגוּמָא לְנִשְׁמָתָא. וְכַד קוּדְשָׁא בְרִיךְ הוּא אֶסְתַּלַּק מִנְיָה, אֶשְׁתָּאֵר אֵלַם, לִית לִיהַ קוּל וְלֹא דְבוּר. אֶשְׁתַּכַּח, דְּקוּדְשָׁא בְרִיךְ הוּא וְשְׂכִינְתֵיהּ אִיהוּ קוּל וְדְבוּר. דְּכָל מְלָאךָ וּמְלָאךָ. וּבְכָל קְלָא וְדְבוּר דְּאוּרִייתָא, וּבְכָל קְלָא דְעֲלוּתָא. וּבְכָל פְּקוּדָא וּפְקוּדָא. בְּכָל אֲתָר שׁוֹלְטָנוּתֵיהּ בְּעֲלָאִין וְתַתְּאִין, אִיהוּ חַיִּים דְּכֹלָא, אִיהוּ סְבִיל כֹּלָא.

296. THE FAITHFUL SHEPHERD ANSWERS THE VARIOUS QUESTIONS THAT FACE US. Why are there open and closed sections? WHY DOES the fringe have a fixed length and width, for the length of each fringe was determined as the size of twelve thumbs? WHY was the precept of the blue fixed at one-third twisted threads and two-thirds branched untwisted threads? WHY between each pair of knots IN THE FRINGES does there have to be A SPACE OF a full thumb's breadth? AND WHY SHOULD each link be triple, NAMELY THREE LOOPS? Also, why are Tefilin on the brain and against the heart? And why is the length of the straps to the heart on the left and to the navel on the right? And why does the strap of the hand Tefilin have to be wound three times round the middle finger?

297. HE ANSWERS: But the garment is certainly not important unless IT HAS three on three for each side OF THE FOUR SIDES, making twelve. And they represent the four garments of white THAT PARALLEL ZEIR ANPIN, WHICH IS THE SECRET OF THE FOUR LETTERS OF THE YUD HEI VAV HEI, and the four garments of gold THAT PARALLEL MALCHUT, WHICH IS THE SECRET OF THE FOUR LETTERS OF ADONAI, and the four garments of the ordinary priest, WHICH IS THE SECRET OF METATRON. In terms of the blessing of an ordinary priest, it is implied 'Let not the blessing of an ordinary man be considered lightly in your eyes'. AND, THEREFORE, the blue is one-third twisted thread, NAMELY BRAIDED, AS THIRTEEN LINKS ARE WOUND AROUND THE FRINGES, FOR IT IS PARALLEL TO THE FOUR GARMENTS OF WHITE, WHICH IS THE SECRET OF ZEIR ANPIN, WHO IS THE ROOT. And two-thirds are branched untwisted thread, FOR IT HAS TO HANG LOOSE, LIKE THE BRANCHES ON A TREE.

298. And every link MUST BE triple, MADE UP OF THREE, NAMELY OF THREE LOOPS. AND THE REASON IS THAT each tripling is from the side of holiness, WHICH IS THE SECRET OF THE THREE COLUMNS, as it is written: 'They proclaim you holy three times'. And Yisrael is made up of three parts, NAMELY PRIEST, LEVITES, AND YISRAEL in order to SUBJUGATE THE CAPTAINS (HEB. SHALISHIM - FROM SHALOSH (THREE)) OF THE OTHER SIDE, AS IT IS WRITTEN: "And captains over every one of them" (Shemot 14:7). For the fringe is from the side of the Central Column, WHICH IS TIFERET, which is the third of the patriarchs, FOR THE PATRIARCHS ARE CHESED, GVURAH, AND TIFERET. And everything that comes in threes HAS ITS ROOT IN THE 72-LETTER THAT STARTS WITH 'Vav Hei Vav', 'Yud Lamed Yud', IN WHICH every word consists of three LETTERS. From its point of view, every link is composed of three triple loops, AND THE LINK is the Shechinah, WHICH IS THE SECRET OF 'They proclaim You holy three times', and is tripled in the Central Column, FOR IT RECEIVES FROM THE CENTRAL COLUMN THE THREE COLUMNS THAT ARE IN IT. THUS is it made up of the three branches of the patriarchs, NAMELY OF NETZACH, HOD, AND YESOD, WHICH ARE THE BRANCHES OF CHESED, GVURAH, AND TIFERET, WHICH ARE CALLED 'THE PATRIARCHS'. And they are the letter Shin from the word 'Shabbat', WHICH HAS THREE HEADS, WHICH IS THE SECRET OF NETZACH, HOD, AND YESOD. THE 'BAT' FROM THE WORD SHABBAT ALLUDES TO the Shechinah, who is an only daughter (Heb. bat), WHICH IS THE SECRET OF the link, AND THE SECRET OF the blue that is in the Tzitzit.

296. וּפְרָשִׁיין סְתִימִיין וּפְתִיחִין אַמְאִי. וְשִׁיעוֹר אַרְבֵּה דְּצִיצִית וְרוֹחֲבָהּ, דְּתִקְנִנוּ אַרְךָ כָּל הַצִּיצִית תְּרִין עֶשֶׂר אֶצְבָּעֵן בְּגוּדֵל. מִצּוֹת תְּכֵלֶת, שְׁלִישׁ גְּדִיל, וְשְׁנֵי שְׁלִישֵׁי עֲנָף. וּבֵין קֶשֶׁר לְקֶשֶׁר כְּמֵלֵא גוּדֵל. וְכָל חוּלְיָא וְחוּלְיָא תְּהִיָּה מְשׁוּלֶשֶׁת. וְהָכִי תַּמְלִין אַמְאִי בְּמוֹחָא. וְלִקְבֵל לְבָא. וְשִׁיעוֹר רְצוּעָתְהוֹן אַמְאִי אֵינוֹן עַד לְבָא לְשִׁמְאֵלָא. וְעַד טְבוּרָא לִימִינָא. וּרְצוּעָא דִּיד עַד דִּיכְרוֹךְ וִישְׁלֵשׁ תְּלַת זְמַנִּין בְּאֶצְבַּע צַרְדָּא.

298. וְכָל חוּלְיָא מְשׁוּלֶשֶׁת, כָּל מְשׁוּלֶשׁ מִסְטָרָא דְּקְדוּשָׁה. הַה"ד קְדוּשָׁה לָךְ יִשְׁלֹשׁ. וְיִשְׂרָאֵל שְׁלִישִׁיָּהּ, בְּגִין דּוֹשְׁלִישִׁים עַל כָּלּוּ. דְּצִיצִית מִסְטָרָא דְּעֵמוּדָא דְּאִמְצָעִיתָא, דָּאִיהוּ תְּלִיתָא לְאַבְהֵן, וְכָל דְּבַר מְשׁוּלֶשׁ, וְה"ו יל"ו, כָּל תִּיבָה מְשׁוּלֶשֶׁת מְסֻטְרוּי. חוּלְיָא כְּלִילָא מִתְּלַת בְּרִיכוֹת מְשֻׁלָּשִׁין, דָּא שְׁכִינְתָּא. קְדוּשָׁה לָךְ יִשְׁלֹשׁ. וְאִיהוּ מְשׁוּלֶשֶׁת בְּעֵמוּדָא דְּאִמְצָעִיתָא, כְּלִיל תְּלַת עֲנָפֵי אַבְהֵן, דָּאֵינוֹן ש' מִן שַׁבַּת, שְׁכִינְתָּא בַת יְחִידָה. חוּלְיָא, תְּכֵלֶת שְׁבִצִיצִית.

299. Happy is the body who is thus marked with the Shechinah and the Holy One, blessed be He, through the wings of a precept, NAMELY WITH THE THIRTEEN LINKS IN THE PRECEPT OF THE FRINGE, and marked with the strap of the hand Tefilin, on the middle finger with three loops, which is like a link, wound around with three loops round the finger. THIS ALSO PARALLELS THE THREE COLUMNS, JUST LIKE THE LINK OF THE FRINGE, AND THERE ARE FOURTEEN LINKS. And it is marked with the knot of the Tefilin that consists of two knots, THE ONE ON THE HEAD AND THE OTHER ON THE ARM, FOR THEY ALSO ARE TRIPLE. And altogether there are fifteen triplets, FOR two knots in one knot IS ALSO CONSIDERED A TRIPLE, MAKING, THEREFORE, FIFTEEN TRIPLES.

300. The thirteen TRIPLE links contain 39 loops, as the numerical value of the word 'dew' (Heb. TAL = 39), which, together with the thirteen links THEMSELVES that have the numerical value of the word 'one' (Heb. echad = thirteen), adds up to 'son' (Heb. ben = 52). And this hints at the son of Yud Hei, which is the Central Column, ZEIR ANPIN.

301. Each knot is in the form of a right palm. Each link is in the form of a finger with three joints, paralleling the three loops, and so it is that all the fingers have three joints except the thumb THAT HAS JUST TWO. And it is the thumb that gives the distance between each pair of knots in the fringe, FOR THERE HAS TO BE A SPACE BETWEEN THEM OF A full thumb-breadth, and this is the same measurement as the nose, the width of the right and left eye, the distance between the eyes, the measurement of the right and left ear, and of each lip, and of the tongue. "and the curtains shall be all of one measure" (Shemot 26:2).

302. Cubit (lit. 'arm') is the measure of the body in four directions and up and down, making six cubits. And each arm has three joints, NAMELY THE ASPECT OF THREE COLUMNS, making eighteen joints in the six cubits, being the secret of the eighteen wavings with WHICH WE WAVE the Lulav in six directions, three in each direction. And about them it is said: "This your stature is like a palm-tree" (Shir Hashirim 7:8). FOR A PALM-TREE GROWS IN SEVENTY YEARS, WHICH IS THE SECRET OF THE SEVEN LOWER SFIROT THAT ARE IN THE BODY, WHERE CHOCHMAH, WHICH IS THE SECRET OF THE STATURE, IS REVEALED, AND NOT IN THE HEAD, AS EXPLAINED ABOVE. AND THEREFORE THE STATURE, WHICH IS THE SECRET OF THE FIRST THREE, IS LIKENED TO A PALM-TREE. And this is the height of the stature, THAT IT IS ONLY IN THE BODY, that the gathering (Heb. mikveh) of Yisrael WHICH IS ZEIR ANPIN BESTOWS upon the Shechinah, FOR THE LETTERS OF THE WORD MIKVEH, REARRANGED, SPELL 'STATURE' (Heb. KOMAH). THAT IS TO SAY, ZEIR ANPIN EMANATES THIS STATURE OF BODY TO MALCHUT. AND WE WAVE THE LULAV FOUR TIMES WHEN WE RECITE HALEL. This makes four times eighteen, which is 72, FOR THE 72-LETTER NAME IS THE ROOT OF THE THREE COLUMNS, AND IS THE SECRET OF THE THREE VERSES: "AND THE ANGEL OF ELOHIM, WHO WENT BEFORE THE CAMP OF YISRAEL, REMOVED...AND IT CAME... AND MOSES STRETCHED OUT" (SHEMOT 14:19-21).

299. זָבָאָה גּוֹפָא, דְּהִכִּי אִיהוּ רְשִׁים, בְּשִׁכְיִנְתָּא וְקוּדְשָׁא בְּרִיךְ הוּא, עַל כְּנָפֵי דְּמִצְוָה. רְשִׁים בְּרִצּוּעָא דְּאִיהוּ תַּמְלָה דְּיָד, בְּתַלְתָּ בְּרִיכוֹת בְּאֶצְבַּע צְרָדָא. דְּאִיהוּ כְּגוּוּנָא דְּחוּלְיָא, בְּרִיכָא בְּתַלְתָּ בְּרִיכוֹת בְּאֶצְבָּעָא. רְשִׁים בְּקֶשֶׁר דְּתַפְלִין, כְּלִיל בְּתַרְיִן קֶשֶׁרִין, סְלִקִין חֲמִשָּׁה עָשָׂר מְשׁוּלְשִׁין, תְּרִין בְּקֶשֶׁרָא חַד.

303. And the secret of the living creatures, their stature IS THE SECRET OF THE VERSE: "As for their rims, they were so high that they were dreadful, and their rims" (Yechezkel 1:18). "Their rims" refers to the four living creatures of the lower Chariot, WHICH ARE FROM MALCHUT. "they were so high" refers to the four living creatures of the central Chariot, WHICH IS THE SECRET OF ZEIR ANPIN. "and their rims" refers to the four living creatures of the third Chariot, THAT ARE FROM BINAH, all of them together being 12. And THE FOUR LIVING CREATURES OF THE THIRD CHARIOT are "full of eyes round about them four," NAMELY ROUND ABOUT THE FOUR LIVING CREATURES OF THE THIRD UPPER CHARIOT, which is the secret of Yud Hei Vav Hei; Yud Hei Vav Hei; Yud Hei Vav Hei, THAT IS TO SAY, THE SECRET OF THE THREE YUD HEI VAV HEI IN 'HASHEM REIGNS, HASHEM REIGNED, HASHEM WILL REIGN FOR EVER AND EVER'; AND THEY HAVE A TOTAL OF TWELVE LETTERS BETWEEN THEM. 'HASHEM REIGNS', WITH THE VOWEL SEGOL (E), REFERS TO THE CENTRAL CHARIOT; 'HASHEM REIGNED', WITH PATACH (A) TO THE THIRD UPPER CHARIOT; AND 'HASHEM WILL REIGN' TO THE LOWER CHARIOT.

49. Bowing and standing upright

The Faithful Shepherd outlines the four occasions when one has to bow and the four occasions when he has to stand upright during prayer.

304. And those of stature are marked with these THREE CHARIOTS during prayer. Where would that be? HE ANSWERS: When one bows, one should bow at 'Blessed' (the first word of each blessing), and when returning to the upright position, one should do so at the mention of the Divine. THERE ARE four occasions when one has to bow and four when one has to stand upright. ONE HAS TO BOW AND THEN STAND UPRIGHT AT THE BEGINNING AND END OF THE FIRST BLESSING (OF THE AMIDAH), AND ALSO AT THE BEGINNING AND END OF 'MODIM' (LIT. 'WE GIVE THANKS'). By so bowing and standing upright, one suggests going to and bringing to Him, to whom the four directions belong, and ascending and descending for Him to whom the heaven and the earth belong, THE SAME AS WITH THE LULAV. These are the six directions: towards heaven and towards the earth and to the four points of the compass, which parallel the first three blessings, WHICH ARE CHESED, GVURAH, and TIFERET, and the last three blessings, WHICH ARE NETZACH, HOD, AND YESOD, MAKING A TOTAL OF 8 BOWS AND AGAIN STANDINGS UPRIGHT. And there are four in 'May He who makes peace in His high places make peace for us and for all Yisrael', namely: bowing and again standing upright to the left and bowing and again standing upright to the right, and this is LIKE ONE WHO STANDS OPPOSITE HIS MASTER. HIS RIGHT WILL BE HIS MASTER'S LEFT, AND HIS LEFT WILL BE HIS MASTER'S RIGHT. He THUS offers peace to his left and his right, WHERE HIS RIGHT IS OPPOSITE his master's left AND HIS LEFT IS OPPOSITE his master's right.

304. וּמֵאֲרֵי דְקוֹמָה רְשִׁימִין בְּהוֹן בְּצִלּוֹתָא, בְּאֵן אַתְר. אֲלֵא כָּל הַבוֹרֵעַ בּוֹרֵעַ בְּבוֹרֵן. וְכֵל הַזּוֹקֵף זּוֹקֵף בְּשֵׁם. זְקִיפּוֹת אַרְבַּעַה. וְכַרְיַעוֹת ד'. הָא הֵבָא קָא רְמִיז בְּאַלִּין זְקִיפּוֹת וְכַרְיַעוֹת, מוֹלִיךְ וּמִבִּיא לְמִי שְׁד' רוּחוֹת הָעוֹלָם שְׁלוֹ, מַעְלָה וּמוֹרִיד לְמִי שְׁהַשְׁמִים וְהָאֲרֵץ שְׁלוֹ. וְאִינוֹן שִׁית סְטְרִין, שְׁמִים וְאֲרֵץ וְד' רוּחוֹת. לְקַבֵּל תְּלַת בְּרַכָּאן קְדָמָיִן, וְתַלַּת בְּתַרְאִין, בְּעוֹשָׂה שְׁלוֹם בְּמְרוֹמָיו ד', כַּרְיַעַה וְזְקִיפָא לְשִׁמְאַלָא, וְכַרְיַעַה וְזְקִיפָא לְיַמִּינָא. וְהֵאֵי אִיהוּ גוֹתָן שְׁלוֹם לְשִׁמְאַלוֹ וְיַמִּינוֹ, לְשִׁמְאַל רְבוֹ, וְלְיַמִּין רְבוֹ.

305. This makes a total of twelve bows and standings upright, NAMELY FOUR BOWS AND STANDINGS UPRIGHT AT THE BEGINNING AND END OF 'AVOT'; FOUR BOWS AND STANDINGS UPRIGHT AT THE BEGINNING AND END OF 'MODIM'; FOUR BOWS AND STANDINGS UPRIGHT TO THE RIGHT AND LEFT DURING "MAY HE WHO MAKES PEACE." And they contain 72 eyes, FOR THERE ARE SIX DIRECTIONS, NAMELY TO HIM TO WHOM THE FOUR POINTS OF THE COMPASS BELONG, TOGETHER WITH THE HEAVENS AND THE EARTH, AS ABOVE, AND SIX TIMES TWELVE IS 72. AND BECAUSE THEY DRAW DOWN CHOCHMAH IN THE SECRET OF THE STANDINGS UPRIGHT, THEY ARE, THEREFORE, CALLED 'EYES'. The six bows contain eighteen movements, three in each bow, for one has to bend the head, the back, and the tail, LOOSENING the eighteen vertebrae IN THE SPINE, THUS ALLUDING TO YESOD, WHICH IS CALLED 'LIVING' (HEB. CHAI = EIGHTEEN), AND THE IMPLICATION IS THAT ONE HAS TO INCLUDE YESOD IN THESE SIX BOWS. AND THE TWELVE BOWS AND STANDING

305. הָא אִינוֹן תְּרִיסָר, בֵּין כַּרְיַעוֹת וְזְקִיפּוֹת. וּבְהוֹן ע"ב עֵינַיִן. ו' כַּרְיַעוֹת בְּהוֹן ח"י נַעֲנוּעִין, ג' בְּכֵל פְּעַם, רֵאשׁ וְגוֹף וְזַנָּב, דְּצַרִיךְ לְמַכְרַע. בְּח"י חוֹלִיין סֻלְקִין ע"ב. בְּאַלִּין ע"ב עֵינַיִן דְּקוֹדֶשׁא בְּרִיךְ הוּא, נְהַרִין ע"ב גְּדַפִּין דְּשְׁכִינְתָּא, וְקַמַּת עֲלִייהוּ, וְאַתְקַרִיאת עֲמִידָה. דְּבַקְדָּמִיתָא נְפִילָה אִיהִי, וְצַרִיךְ לְאַקְמָא לָהּ בְּשֵׁם יְרוֹד, בְּח"י עֲלָמִין, וּבְאַרְבַּע זְקִיפּוֹת בְּשִׁית בְּרַכָּאן, דְּאִיהוּ תַפְאָרַת, כְּלִיל תְּלַת בְּרַכָּאן קְדָמָיִן, וְתַלַּת בְּרַכָּאן בְּתַרְאִין.

UPRIGHT amount to 72 AS ABOVE. And these 72 eyes of the Holy One, blessed be He, THAT ARE EMANATED TO MALCHUT, illuminated the 72 wings of the Shechinah that rises up over them and is called 'standing', WHICH IS THE SECRET OF THE AMIDAH (LIT. 'STANDING') PRAYER. For, initially, MALCHUT was a state of prostration, WHICH IS THE SECRET OF THE BOWING, and has to be raised up through the Name of the Yud Hei Vav Hei, AND HAS TO BE SET UPRIGHT THROUGH THE DIVINE NAME, through eighteen Worlds, WHICH IS THROUGH YESOD, THAT IS CALLED 'LIVING', and through the four standings upright in six blessings, which is Tiferet, including the first three blessings and the last three blessings.

306. And one has to bow at the living of the Worlds, NAMELY AT THE ATTRIBUTE OF YESOD WHICH IS CALLED 'LIVING'. And this is Vav Vav and Vav, for when one bows, one should bow at 'Blessed', WHICH IS YESOD THAT IS CALLED 'BLESSED', and when returning to the upright position, one should do so at the mention of the Yud Hei Vav Hei, which is the Central Column, THAT IS TIFERET, WHICH IS CALLED THE YUD HEI VAV HEI, and the Righteous One THAT IS CALLED 'BLESSED'. And they are Vav Vav and Vav, FOR TIFERET IS THE SECRET OF THE LETTER VAV FULLY WRITTEN WITH VAV VAV, WHILE YESOD IS THE SECRET OF THE LETTER VAV WRITTEN AS A SINGLE VAV. And these THREE VAVS are alluded to in THE INITIAL LETTERS OF THE THREE VERSES: "And the angel of Elohim, who went before the camp of Yisrael, removed (Heb. Vayisa)... and it came (Heb. Vayavo)... And Moses stretched out (Heb. Vayet)" (Shemot 14:19-21). AND THEY ARE THE SECRET OF THE THREE COLUMNS OF THE 72-LETTER NAME. The upper Vav Vav, WHICH IS TIFERET, is connected with standing upright and with bowing down, AND IS THEREFORE WITH TWO VAVs. BUT YESOD, WHICH IS CONNECTED WITH BOWING ONLY, HAS JUST ONE VAV. And all of them, ALL THE THREE VAVs, add up to EIGHTEEN, CORRESPONDING TO THE eighteen blessings of the Amidah prayer.

307. There are four bows at Adonai, and four standings upright at the Yud Hei Vav Hei, which is the Central Column CALLED YUD HEI VAV HEI, while the Shechinah IS CALLED 'ADONAI'. The living one of the worlds, WHICH IS YESOD, unites them, NAMELY YUD HEI VAV HEI AND ADONAI, ONE WITH THE OTHER, making: Yud Aleph Hei Dalet Vav Nun Hei Yud, WHICH IS THE LETTERS OF YUD HEI VAV HEI AND ADONAI INTERWOVEN. THE NUMERICAL VALUE OF THESE IS Amen, 91, at THE CONCLUSION OF each of the eighteen blessings OF THE SHEMONEH ESREH, WHERE IS YUD HEI VAV HEI. There are eighteen times THE FOUR LETTERS OF Yud Hei Vav Hei, AND EIGHTEEN X FOUR = 72, WHICH ARE the 72 eyes that illuminate in the 72 wings, which are eighteen times THE FOUR LETTERS OF Adonai.

308. And the secret of the matter is in the verse: "As for their rims, they were so high that they were dreadful, and their rims" (Yechezkel 1:18) THAT REFERS TO THE LIVING CREATURES. As for "as for their rims" REFERS TO the wings, WHICH IS MALCHUT; "they were so high" REFERS TO countenances, WHICH IS ZEIR ANPIN; "and their rims," which are over them IN THE ASPECT OF BINAH, are "full of eyes round about them four," for all of them are surrounded on the four sides BY THE FOUR LETTERS. AND THERE WOULD SEEM TO BE A CONTRADICTION HERE, FOR HE HAS SAID THAT THE 72 EYES ARE IN ZEIR ANPIN. HE THUS ADDS: And everything is true, THAT IS TO SAY, ALL THREE ASPECTS, PINIONS, COUNTENANCES, EYES, ARE ALL INCLUDED IN ZEIR ANPIN, WHICH IS CALLED 'TRUTH'. AND THE PROOF OF THIS IS TO BE FOUND IN THE SAYING 'There are Ayin (lit. 'eye' = seventy) faces to the Torah'. THUS THE TORAH, WHICH IS ZEIR ANPIN, HAS EYES AND FACES, BUT IN THE PARTICULAR ASPECT, the wings are considered Adonai, WHICH IS MALCHUT; the faces are Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, and the eyes are Eheyeh, WHICH IS BINAH. The sum total OF THE THREE NAMES ADONAI, YUD HEI VAV HEI AND EHEYEH is Yud Bet Kof (=112), AND THESE THREE LETTERS ARE THE INITIAL LETTERS OF THE WORDS YICHUD (LIT.

'UNITY'), BERACHAH (LIT. 'BLESSING') AND KEDUSHAH (LIT. 'SANCTIFICATION'). THE NAME 'Adonai' ALLUDES TO THE ASPECT OF action, the Yud Hei Vav Hei AT THE ASPECT OF speech, and Eheyeh at THE ASPECT OF thought.

309. Each and every eye is of the size of a thumb, and this is the middling Vav, NAMELY THE ASPECT OF THE CENTRAL COLUMN, OF THE ONLY TWO JOINTS, THE UPPER JOINT IS MISSING IN IT. For the thumb has but two joints which are the secret of Yud Yud. In respect to the nose, THE THUMB IS CALLED 'Vav', NAMELY MIDDLE VAV. And in respect to the two nostrils that are in the nose, WHICH ARE RIGHT AND LEFT AND NOT AS ONE, THEY ARE CALLED 'Yud Yud'. THE NUMERICAL VALUE OF THE VAV, TOGETHER WITH THE TWO LETTERS YUD is Yud Vav Dalet, Hei Aleph, NAMELY 26. And this is as in "vayyitzer (lit. 'formed')" (Bereshheet 2:7), WHICH IS SPELLED AT THE BEGINNING WITH VAV AND TWO YUDS, WHICH TEACHES ABOUT THE SIZE OF THE THUMB AND IS THE SECRET OF THE CONTROL OF CHASSADIM, WHICH IS THE ATTRIBUTE OF THE THUMB. IT IS the size of each measure of Yud Vav Dalet, Hei Aleph, WHICH IS THE UPPER THREE SFIROT, whenever THE UPPER THREE SFIROT have control in each and every part of the body. THAT IS TO SAY, IN EVERY LIMB THERE IS A HEAD AND A BODY, AND THE MEASURE OF THUMB WHICH IS CHASSADIM CONTROLS THE MEASURE OF THE HEAD OF THE LIMB. Every limb HERE MEANS EVERY WHOLE LIMB, such as in "spreads abroad her wings, takes them, bears them on her pinions (also: 'limbs')" (Devarim 32:11). THERE ARE WINGS, WHICH ARE THE LOWER ASPECT OF THE LIMB, WHICH IS THE ASPECT OF A THREE-JOINTED FINGER, AND THERE IS THE LIMB, AND THERE IS THE ASPECT OF A THUMB OF TWO JOINTS, BECAUSE IT IS THE UPPER ASPECT WHICH IS THE SECRET OF YUD HEI THAT IS IN IT.

310. And there is no limb in the whole of his Chariot that does not have the form of a COMPLETE limb, NAMELY ASPECT OF HEAD AND OF BODY, AS ABOVE, IN THE PRECEDING PARAGRAPH, and in every place you will find "Thus were their faces: and their wings were divided upwards" (Yechezkel 1:11), NAMELY IN THE ASPECT OF THE UPPER THREE SFIROT OF THE LIMB, WHERE A THUMB'S MEASURE IS IN CONTROL AS THE RIGHT AND THE LEFT OF THE CENTRAL COLUMN ARE SEPARATED, AS ABOVE. And this corresponds to the open sections (namely the Biblical text leaves the line open and continues on the subsequent line) in the Tefilin, WHICH PARALLELS THE ASPECT OF THE UPPER THREE SFIROT, WHICH ARE SEPARATED, to welcome the Torah, WHICH IS ZEIR ANPIN, AS IT IS THE UPPER THREE SFIROT, NAMELY THE EYES AND THE COUNTENANCES, AS ABOVE. And when they are below, IN THE ASPECT OF THE SIX ENDS, THERE IS THEN A MATING BETWEEN RIGHT AND LEFT OF THE CENTRAL COLUMN, AS WELL AS BETWEEN ZEIR ANPIN AND MALCHUT, WHICH ARE RIGHT AND LEFT. And THEN the sections OF THE TEFILIN are closed (namely the next verse in the Biblical text continues on the same line), paralleling the Yud Aleph Hei Dalet Vav Nun Hei Yud that are on them, with their faces and their wings, WHICH ARE ZEIR ANPIN and MALCHUT, WHO ARE HERE UNITED IN EACH OTHER, AND THUS THE SECTIONS ARE CLOSED. AND HERE THEIR FACES AND THEIR WINGS ARE NOT SEPARATED, BECAUSE IT IS FROM BELOW, WHICH IS THE SIX INTERMEDIATE SFIROT.

309. בְּכֹל עֵין וְעֵינָי, שִׁיעוֹר גּוֹדֵל. וְדָא ו' בֵּינֹנֵי. וּב' פְּרָקִין בְּגוֹדֵל, אֵינֹן י' י'. לְקַבֵּל חוּטְמָא ו'. לְקַבֵּל ב' נְקֵבֵי חוּטְמָא, י' י'. וְסִלְקִין יוֹד הָא. וְדָא וַיִּיצֵר. שִׁיעוֹר דְּכָל מֵדָה וּמֵדָה, יוֹד הָא, בְּכָל אֲתֵר שְׁלֹטְנוּתֵיהּ, בְּכָל אֶבֶר וְאֶבֶר. כָּל אֶבֶר, כְּגוֹן יַמְרוּשׁ כְּנַפְיוֹ יִקְחֵהוּ יִשְׂאֵהוּ עַל אֲבֵרְתּוֹ.

311. And the Holy One, blessed be He, makes marks on Yisrael in respect thereof, NAMELY IN RESPECT TO THE COUNTENANCES AND WINGS OF THE LIVING CREATURES in the prayer, in order that Yisrael should be friends WITH THE LIVING CREATURES, namely by bowing with the whole body in the eighteen blessings of the prayer, so that He should, in each and every one of their limbs, make Amen king over them, which is the secret of Yud Aleph Hei Dalet Vav Nun Hei Yud, WHICH HAS THE SAME NUMERICAL VALUE AS AMEN. FOR, BY BOWING ONE DRAWS DOWN 'ADONAI' AND BY STANDING UPRIGHT ONE DRAWS DOWN THE YUD HEI VAV HEI, AND LATER, BY THE LIVING ONE OF THE WORLDS, THE TWO OF THEM UNITE AND INTERWEAVE TOGETHER IN THE SECRET OF YUD ALEPH HEI DALET VAV NUN HEI YUD. And the Holy One, blessed be He, said TO THE ANGELS, WHO ARE THE FOUR LIVING CREATURES: 'Whoever is not marked before you as bowing at 'Blessed' and standing up erect at the Yud Hei Vav Hei to the full stature of his body, his prayer will not enter into My palace, which is 'Adonai', and you should not accept his speeches on your wings and your faces.' For everyone who prays with Adonai and combines this with the Yud Hei Vav Hei, which is the faces of the angels, NAMELY OF THE FOUR LIVING CREATURES, IT IS THEN SAID ABOUT THE LIVING CREATURES, "Thus were their faces: and their wings were divided upwards" (Yechezkel 1:11), IN THE ASPECT OF THEIR FIRST THREE SFIROT IN ORDER to welcome AFTERWARDS THE UNITY OF Yud Aleph Hei Dalet Vav Nun Hei Yud, IN THEIR SIX INTERMEDIATE SFIROT, with the words of the prayer that issues forth from the mouth of man.

312. And the one who answers 'Amen' is greater than the one who says the blessing, for, regarding Adonai combined with the Yud Hei Vav Hei said JUST in the prayer OF MAN, IT IS SAID "Thus were their faces: and their wings were divided," for 'faces' parallels the Yud Hei Vav Hei and 'their wings' PARALLELS Adonai. AND THIS IS THE SECRET OF "And make one cherub at the one end" (Shemot 25:19), WHICH IS THE YUD HEI VAV HEI, "and one cherub at the other end" (Ibid.), WHICH IS ADONAI; AND THE TWO ARE SEPARATED, FOR THE UNITY OF ADONAI AND THE YUD HEI VAV HEI IN THE COMBINATION IS NOT ACHIEVED IN THE PRAYERS IN GENERAL BUT ONLY IN THE PRAYER OF AMIDAH. But when the cantor of the service repeats the prayer, and one responds 'Amen', WHICH UNITES AND COMBINES YUD HEI VAV HEI WITH ADONAI, THE NUMERICAL VALUE OF 'AMEN' BEING THE SAME AS THAT OF THE TWO NAMES COMBINED, HE IS THUS GREATER THAN THE ONE WHO SAYS THE BLESSING. For he is in the second coupling, NAMELY IN THE LOWER JOINING OF THE SIX INTERMEDIATE SFIROT, for it is in the second coupling that the two names, THE YUD HEI VAV HEI AND ADONAI join together. At the beginning, NAMELY AT THE FIRST JOINING, WHICH PARALLELS THE FIRST THREE SFIROT, "the loops held one curtain to another" (Shemot 36:12) on the boards, which are the connection of the fingers AS THE WORD KERASHIM (LIT. 'BOARD') IS COMPOSED OF THE SAME LETTERS OF KESHARIM (LIT. 'CONNECTIONS'). FOR THEN, THE TABERNACLE IS NOT ONE ACCORDING TO THE SECRET OF YUD ALEPH HEI DALET VAV NUN HEI YUD. But at THE REPETITION BY THE CANTOR OF THE PRAYERS, WHICH IS THE SECRET OF THE AMIDAH, HE ANSWERS Amen, WHICH IS THE UNIFICATION OF THE COMBINATION YUD ALEPH HEI DALET VAV NUN HEI YUD, WHOSE TOTAL NUMERICAL VALUE IS AS THAT OF THE LETTERS OF THE WORD 'AMEN', THEN: "the tabernacle may be one" (Shemot 26:6), for in it they are "coupled one to another" (Shemot 26:3). THAT ALLUDES TO YUD HEI VAV HEI ADONAI. THUS, GREATER IS THE ONE WHO RESPONDS WITH AMEN AT THE AMIDAH PRAYER, MORE SO THAN THE ONE WHO BLESSES DURING THE OTHER BLESSINGS OF THE PRAYER.

50. At times they are silent and at times they are speaking

This section tells about the arrangement of speech in prayer. The title refers to the beasts of fire in Ezekiel's vision, and we hear that they are silent when God speaks, even as Yisrael should be quiet when the Torah is being read. Those who are silent during prayer and Halachah will receive the

reward of understanding.

313. The third correction is the arrangement of the speech in prayer, in which the living creatures of fire speak. And this is: "And I saw something like the color of electrum, like the appearance of fire round about enclosing it" (Yechezkel 1:27). This is the secret of the electrum: that those living creatures of fire sometimes are silent and at other times speak. AND THEY ARE THE SECRET OF THE CONGREGATION LISTENING TO THE READING OF THE TORAH, for they are silent before the Torah scroll at this time when speech emerges from the mouth of the reader, for they consider it as though they were receiving the Torah on Mount Sinai. And when THE HOLY ONE, BLESSED BE HE, said: "I am Hashem your Elohim..." (Shemot 20:2), nothing but His speech was heard, no other sound nor speech of the living creatures. AND THEREFORE, SINCE THE ONE WHO READS IN THE TORAH IS IN THE PLACE OF THE HOLY ONE, BLESSED BE HE, ON SINAI, IT IS NECESSARY THEN TO BE QUIET.

314. And likewise AS WE HAVE SAID REGARDING "I AM," so is it always when the speech emerges from the mouth of the Holy One, blessed be He: the living creatures of fire are quiet, FOR THAT IS THE TIME OF THE UNITY OF VOICE AND SPEECH, AND CHOCHMAH CEASES, AND THE CONTROL OF CHASSADIM BEGINS, THIS BEING THE SECRET OF THEIR BEING SILENT. And when He is silent, NAMELY BEFORE THERE IS YET UNITY OF VOICE AND SPEECH, THEN, the living creatures of fire are speaking. This is as it is written: "And all the people perceived the thunderings" (lit. 'voices') (Shemot 20:15), namely the voice of the beings who were roaring. "and the lightnings," which were emitted with the speech of the living creatures, with many types of melody before the King, FOR THIS WAS BEFORE THE HOLY ONE, BLESSED BE HE, STARTED TO SPEAK. AND WHEN HE SAID: "I AM," THE living creatures FELL QUIET AND NOTHING WAS TO BE HEARD EXCEPT HIS VOICE, AS EXPLAINED ABOVE. And those who are quiet AT THE TIME OF THE READING FROM the scroll of the Torah have the same form as those living creatures WHO ARE QUIET AT THE TIME OF SPEECH OF THE HOLY ONE, BLESSED BE HE, AS EXPLAINED ABOVE. And the Holy One, blessed be He, commanded THAT THE BEASTS be brought into the room that is "like the appearance of fire round about enclosing it," FOR THIS IS THE SECRET OF HARSH JUDGMENTS THAT ARE REVEALED AT THE TIME WHEN CHOCHMAH IS revealed, AND THESE JUDGMENTS WERE ORDAINED BY THE HOLY ONE, BLESSED BE HE, THAT THEY SHOULD ENCLOSE THEM AS DOES A ROOM TO PROTECT THEM FROM THE EXTERNAL FORCES THAT THESE LATTER SHOULD NOT SUCKLE FROM THEM.

315. Again: Those who are silent during the prayer, during the eighteen blessings, FOR THAT IS WHERE THE UNIFICATION IS, will enter into the room of this appearance, NAMELY "LIKE THE APPEARANCE OF FIRE ROUND ABOUT ENCLOSING IT"; THIS WILL BE THEIR REWARD FOR THE FUTURE. And also those who are silent before the Halachah, namely THOSE WHO ARE SILENT IN ORDER TO HEAR AND UNDERSTAND THE PRACTICAL LAW AS EXPOUNDED BY THEIR RABBI, about which it is said: 'The reward of listening to the exposition of the Law is in the understanding thereof'. They will enter into the room, which is the palace of this appearance, of the Torah, WHICH IS FIRE, about which it is said: "Is not My word like a fire? says Hashem; and like a hammer that breaks the rock in pieces?" (Yirmeyah 23:29). And the rock mentioned here is that about which it is said: "and speak to the rock before their eyes; and it shall give forth its water" (Bemidbar 20:8), WHICH IS MALCHUT. For those who engage in the study of the Torah for its own sake, the waters of the Torah come forth for them corrected, and it is said about them: "And the congregation drank, and their beasts also" (Bemidbar 20:11). But those who do not engage in the Torah for its own sake shall find that the waters emerge for them bitter, and about them it is said: "And they made their lives bitter with hard (Heb. kashah) bondage, in mortar (Heb. chomer), and in brick (Heb. levenim)" (Shemot 1:14). Kashah is with difficult questioning or apparent contradictions (Heb. kushya): chomer refers

to the exegetical principle of inference from minor to major (Heb. kal vachomer); and, levenim means the elucidation of the Halachah.

51. "And their feet were straight feet"

The Faithful Shepherd undertakes a difficult explanation of a portion of Ezekiel's vision, from which we understand that people must run to the Torah and its precepts, and return in repentance.

316. The fourth and fifth corrections are, "...from what appeared to be his loins upward, and from what appeared to be his loins downward" (Yechezkel 1:27). About which IT IS SAID that the thighs of the living creatures are equivalent to all of them, and they are in the Sfirot of Netzach and Hod. FOR NETZACH AND HOD ARE CALLED 'LOINS', AND "FROM WHAT APPEARED TO BE HIS LOINS UPWARD" IS NETZACH, AND "FROM WHAT APPEARED TO BE HIS LOINS DOWNWARD" IS HOD. And Metatron is a letter in His army, for he has the form of a Righteous one, WHICH IS YESOD, FOR RIGHTEOUS ONE, TZADIK WHICH IS YESOD OF ZEIR ANPIN, is a letter in His heavenly hosts, IN ATZILUT, while Metatron is a letter in His earthly hosts, IN BRIYAH. Metatron has Shadai in him, AS HE HAS THE SAME NUMERICAL VALUE AS THE SHADAI, ABOUT WHOM IT IS SAID: "And the living creatures ran and returned like the appearance of a flash of lightning" (Yechezkel 1:14).

317. "And their feet were straight feet" (Yechezkel 1:7). For the feet of the demons are crooked, while about their feet, namely about the feet of the holy beings, it is said: "And their feet were straight feet." This is from the point of view of a living creature, which is Yisrael, and Yisrael includes three living creatures, about whom it is said: 'The patriarchs are the Chariot'.

318. "and the sole of their feet was like the sole of a calf's foot" (Yechezkel 1:7) BECAUSE THEY ARE from the side of the living creature that is called 'ox', WHICH IS THE SECRET OF THE LEFT COLUMN, AND THIS IS WHY THEY HAD A CALF'S FOOT. "and they sparkled like the color of burnished brass" (Yechezkel 1:7), namely from the side of the slithering serpent that is in the sea and which ascends to the one on the dry land, NAMELY THAT ASCENDS TO FIGHT WITH THE SERPENT THAT IS ON THE DRY LAND. SERPENT (HEB. NACHASH) AND BRASS (HEB. NECHOSHET) ARE MALE AND FEMALE, WHICH ARE IN THE BRIGHTNESS, AND IT IS THEREFORE SAID: "AND THEY SPARKLED LIKE THE COLOR OF BURNISHED BRASS" NAMELY FROM THE SIDE OF THE SERPENT WHO ILLUMINATES IN THEM. "ran" (Yechezkel 1:14), WHICH IS SAID ABOUT THE BEINGS, is from the side of Nuriel, which has the same numerical number as "ratzo" (lit. 'ran'). SIMILARLY, "and returned," WHICH IS SAID ABOUT THE LIVING CREATURES, is from the side of Shadai, which has the same numerical value as 'and returned' (Heb. vashov). And this is the numerical value of Metatron. AND THIS HAS ALREADY BEEN EXPLAINED ABOVE.

316. תְּקוּנָא רְבִיעָא וְחֻמְשָׁא, מִמְרָאָה מִתְּנִיּוֹ וּלְמַעְלָה וּמִמְרָאָה מִתְּנִיּוֹ וּלְמַטָּה. דְּבִהוּן שׁוֹקֵי הַחַיּוֹת כְּנֶגֶד כְּלָן, וּבְסִמְיָן נֶצַח וְהוֹד. מְטַטְרוֹן אוֹת בְּצַבָּא דִּילִיָּהּ, וְאִיהוּ דִּיוֹקְנָא דְצַדִּיק. דְצַדִּיק אוֹת בְּצַבָּא דְלַעִילָא, וּמְטַטְרוֹן אִיהוּ אוֹת בְּצַבָּא דְלַתְתָּא. מְטַטְרוֹן שְׂדֵי בֵיהּ, וְהַחַיּוֹת רְצוּא וְשׁוּב כְּמִרְאָה הַבְּזָק.

317. וְרַגְלֵיהֶם רַגְלֵי יִשְׂרָאֵל, דְּרַגְלֵין דְּמַזִּיקִין כְּלָהוּ עַקְלָתוֹן. וְרַגְלֵיהוֹן וְרַגְלֵין דְּחַיּוֹן, קְדִישִׁין, אֲתַמַּר בְּהוּן וְרַגְלֵיהֶם רַגְלֵי יִשְׂרָאֵל, מִצַּד חִתָּה דְאִיהוּ יִשְׂרָאֵל, יִשְׂרָאֵל כְּלִיל תְּלַת חַיּוֹן, דְּאֲתַמַּר בְּהוּן הָאֲבוֹת הֵן הֵן הַמְרַכְבָּה.

318. וְכַף רַגְלֵיהֶם כְּכַף רַגְלֵי עֵגֶל, מְסַטְרָא דְחִתָּה דְאִיהוּ שׁוֹר. וְנוֹצְצִים כְּעֵין נְחוֹשֶׁת קְלָל, מְסַטְרָא דְנֶחֱשׁ בְּרוּחַ דִּימָא. דְאִיהוּ סְלִיק לְגַבִּיָּהּ בִּיבֻשְׁתָּא. רְצוּא, מְסַטְרָא דְנוּרִיָּאֵל, דְסְלִיק רְצוּא. וְשׁוּב, מְסַטְרָא דְשְׂדֵי. דְהָכִי סְלִיק בְּחוּשְׁבָן. וְאִיהוּ סְלִיק מְטַטְרוֹן.

319. And whenever Yisrael heard the voice OF TORAH AND PRAYER from the east, they would run to the east, and similarly to the west, and likewise to the south and to the north. Said the Holy One, blessed be He to the ministering angels: "Those who run to the ordained prayer, and who run to hear the lesson on the Shabbat, and run to do My will and who return in repentance, they are to be received in the temple of this appearance," NAMELY IN THE TEMPLE OF NETZACH AND HOD. For by these signs, THAT THEY RUN TO THE TORAH AND PRECEPTS AND RETURN IN REPENTANCE, NAMELY "RAN AND RETURNED," they are fellows with you. For they run and return in Torah, JUST AS THE LIVING CREATURES WHO "RAN AND RETURNED," in the speech of Halachah, and they are recorded with you, them you shall bring into this temple.

320. And so it is that when Yisrael prays, Michael flies round the world with one flap of his wings, and Gabriel with two, and when the speech emerges from Yisrael in Halachah, prayer, or any precept where the Shechinah is, they run to her, TO THE SHECHINAH and return with her, WITH THE SHECHINAH, on a mission from their Master, TO UNITE HER WITH YUD HEI VAV HEI. And in every place where the voice of Torah is heard, there the Holy One, blessed be He, is, and they run to that voice, and return with it on a mission from their Master. And whenever there is a voice without the Name Yud Hei Vav Hei being there, or speech without Adonai being there, MICHAEL AND GABRIEL do not run and return there. And this is why "their feet were straight feet," "for the ways of Hashem are straight" (Hoshea 14:10), THIS BEING THE SECRET OF THE CENTRAL COLUMN, where the way is straight. And if Yud Hei Vav Hei is not there, the way is not straight.

321. Again: "And their feet were straight feet." The sages of the Mishnah said: 'One who prays should arrange his feet during his prayer as do the ministering angels', NAMELY HIS FEET SHOULD BE STRAIGHT "like the sole of a calf's foot," namely to be THUS recorded with them. And for this reason the sages taught: 'When one prays, he should place his feet in proper position, as it says: "And their feet were straight feet".' And the Holy One, blessed be He, said TO THE MINISTERING ANGELS: 'Those who are thus noted in their prayer, that they place their feet as you do, for them open the gates of the temple to enter this appearance' OF NETZACH AND HOD.

52. Sight, hearing, smell and speech

We hear that Yud Hei Vav Hei rests on sight, hearing, smell and speech, and that Adonai rests on doing, touching, using and walking. The Faithful Shepherd explains what he means by this, and he tells us how Chochmah arose in a thought that is Binah; he says that thought and inspiration are both in the heart. The Shechinah is God's sight, hearing, sweet savor, speech, and performance of precepts - and in prayer it is also His bowing and standing. Moses says that in the future God will remove all of Lilit's children from the world, but not so the children of the Shechinah, who are Yisrael; the latter are virtuous, God-fearing men of truth who despise unjust gain. Moses tells what the sages meant when they said, 'No disciple whose inside does not correspond to his exterior may enter the house of study', and this explains why Yud Hei Vav Hei is called Adonai.

319. וְכֵן הוּא יִשְׂרָאֵל שֹׁמְעִין קֶלֶא מִמְּזֻרָח, הוּו רְצִין תְּמִן. וְלִמְעַרְב הֵכִי, וְכֵן לְדָרוֹם וְלַצְּפוֹן. אָמַר קוֹדֶשׁא בְּרִיךְ הוּא לְמַלְאֲכֵי הַשְּׁרָת, אֵלִין דְּרַהֲטִין לְצִלוֹתָא דְּמִצְוָה, וְרַהֲטִין לְפִרְקָא בְּשַׁבְּתָא, וְרַהֲטִין לְמַעַבְד רַעוּתָא דִּילִי, וְתִיַיבִין בְּתִיּוּבְתָא. קַבִּילוּ לֹון בְּהִיכְלָא דְּהֵאִי מְרָאָה, דְּבָאֵלִין סִימְנִין, אִינוּן חֲבֵרִים בְּהַדְרִיכּוּ, אִינוּן דְּרַצִּין וְשִׁבִין בְּאוֹרֵייתָא, בְּדַבּוּרָא דְּהִלְכָה, אִינוּן רְשִׁימִין בְּהַדְרִיכּוּ, וְאֵעִילוּ לֹון בְּהֵאִי הִיכְלָא.

321. וְעוֹד רַגְלֵיהֶם רַגְל יִשְׂרָה, אָמְרוּ מְאֵרִי מִתְנִיתִין, דְּמֵאֵן דְּמְצִלִי, בְּעִי לְתַקְנָא רַגְלוּ בְּצִלוֹתֵיהָ, כְּמַלְאָכֵי הַשְּׁרָת. כְּכַף רַגְל עֶגְל, לְמַהוּ רְשִׁים בְּהַדְרִיחּוּ. וּבְגִין דָּא, אוֹקְמוּהָ רַבְּנָן, הַמְתַּפְּלֵל צְרִיךְ לְכוּן אֶת רַגְלוּ, שְׁנֵאמַר וְכַף רַגְלֵיהֶם כְּכַף רַגְל עֶגְל. וְאָמַר קוֹדֶשׁא בְּרִיךְ הוּא, אֵלִין דְּאִינוּן רְשִׁימִין בְּצִלוֹתֵיהוּ הֵכִי, לְכוּן רַגְלוּ כְּוֹתִיכּוּ, אַמְתַּחוּ לֹון תְּרַעֵי הִיכְלָא, לְאֵעֲלָא בְּמְרָאָה דָּא.

322. The sixth correction is "I saw what appeared to be fire" (Yechezkel 1:27). THIS IS THE FIRST TIME THAT HE USES THE WORDS "I SAW," THIS WAS NOT MENTIONED UP TO HERE FOR here the meaning is proper sight. Said the Holy One, blessed be He: Whoever enters in this vision, and during his prayer his heart is lifted up at the name of the Yud Hei Vav Hei and his eyes are cast down at the name of 'Adonai,' him shall you bring in to this temple, for he is like the angels ABOUT WHOM IT IS WRITTEN: "As for their rims" (Yechezkel 1:18) above, in the Yud Hei Vav Hei, "and they were dreadful" (Ibid.), downwards, towards the Shechinah, who is the dread of the Yud Hei Vav Hei.

323. The Yud Hei Vav Hei rests on sight, hearing, smell and speech, FOR SIGHT AND HEARING ARE YUD HEI, AND SMELL AND SPEECH ARE VAV HEI. Adonai rests on doing, touching, using, and walking. This sight is THAT MODE OF VISION by light and by candle flame, about which it is said: "...and Torah is light" (Mishlei 6:23). 'Smell' is THE SMELL of the sacrifices, which are prayers. 'Speech' is in Torah; speech is in prayer. And 'doing' refers to precepts. 'Using' also refers to precepts, as does touching and walking. Where there is 'sight' and 'hearing' but no Torah and no precepts, neither do the Holy One, blessed be He, nor His Shechinah, rest there. For the Holy One, blessed be He, rests on sight, WHICH IS CHOCHMAH, and so does the Shechinah, for it is Torah, and Torah is light, and His sight is the Shechinah, FOR CHOCHMAH IS NOT REVEALED OTHER THAN IN MALCHUT. FOR the Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, SAID: "make Myself known to him in a vision" (Bemidbar 12:6), WHICH IS the Shechinah, WHICH IS HIS VISION.

324. The thought that is within THE SENSES OF SIGHT, HEARING, SMELL, AND SPEECH, IS Binah, WHOSE LETTERS CAN BE REARRANGED AS the son (Heb. ben) of Yud Hei, because Yisrael, WHICH IS THE SECRET OF ZEIR ANPIN, WHO IS CALLED 'SON', arose in a thought, WHICH IS THE SECRET OF YUD HEI. Inspiration is Chochmah, a hint being sufficient for the wise man, NAMELY AN INSPIRATION IS PRIOR TO CONCEPTUALIZING THE THOUGHT. Chochmah arose in a thought, which is Binah, since thought and inspiration are all one, for Chochmah is known only through Binah, and Binah is in the heart. Thus thought is in the heart and inspiration is in the heart.

325. Likewise, THERE IS hearing in the Torah, for it is a precept that one should hear THE READING OF the scroll of the Torah. And likewise, in the nose there is a sweet savor to Hashem. The Shechinah is a sacrifice TO THE YUD HEI VAV HEI, His burnt offering, and prayer is like a sacrifice, FOR BY MEANS OF THE SACRIFICE OR THE PRAYER THE SHECHINAH ascends to THE YUD HEI VAV HEI as a sweet savor unto Him, and is offered to Him in prayer. And, likewise, about speech IS WRITTEN: "Is not my word like a fire? says Hashem" (Yirmeyah 23:29). The FINAL Hei OF THE YUD HEI VAV HEI, which is the Shechinah, is His speech.

326. Just as the Shechinah is His sight, His hearing, His sweet savor, His speech, in the head, so, in the hands, she is His performance of precepts, in the body His bowing, in prayer His straightening upright; AND ALSO in the prayer, it is His standing. FOR RECEPTION OF THE UPPER THREE SFIROT IS CALLED BOTH 'STANDING UP' AND 'STANDING', AS ABOVE, for she stands before Him always, and bows before Him and falls on her face at His feet to asks mercy from Him for her children. She is humble before Him and she is modest in His presence.

322. תְּקוּנָא שְׁתִּיתָא, רְאִיתִי כְּמֵרָאָה אֵשׁ, הֵבֵא רְאִיָּיה מִמֶּשׁ. אָמַר קוּדְשָׁא בְּרִיךְ הוּא, מֵאֵן דִּיעוּל בְּחִיזוּ דָא, וְיֵהָא בְּצִלּוֹתֶיהָ לְבִיָּה לְעִילָא, לְשֵׁם יְדוּד, וְעֵינוּ לְתַתָּא בְּשֵׁמָא דְאֲדָנִי, תִּיעִלוּן בְּהִיכְלָא דָא, כְּגוּנָא דְמִלְאכִין, וְגִבְיָהֶן לְעִילָא, וְיֵרָאָה לְהֵם לְתַתָּא, לְקַבֵּל שְׂכִינְתָא דְאִיהִי יֵרָאָת יְדוּד.

325. וְכֵן אֹרִיָּתָא ס"ת. מִצְוָה לְשְׁמוּעַ. וְכֵן בְּחוּטְמָא, רִיחַ נִיחַח לִיהוּ"ה. שְׂכִינְתָא אִיהִי קֶרְבֵּן דִּילָיָה, עוֹלָה דִּילָיָה, וְצִלּוֹתָא אִיהִי כְּקֶרְבֵּן, וְכִרִיחַ נִיחַח סְלִיקַת לְגִבְיָהּ, וְאֲתַקְרִיבַת לְגִבְיָהּ בְּצִלּוֹתָא, וְהָכִי בְּדְבּוּר, הֵלָא כֵּה דְבְרֵי כָּאֵשׁ נָאִם יְדוּד. ה' שְׂכִינְתָא, דְבּוּר דִּילָיָה.

326. כְּגוּנָא דְשְׂכִינְתָא, אִיהִי מֵרָאָה דִּילָיָה, שְׁמִיעָה דִּילָיָה, רִיחַ נִיחַח דִּילָיָה, דְבּוּר דִּילָיָה, בְּרִישָׁא. הָכִי אִיהוּ בְּיָדִין, עֵשְׂיָת מִצְוָה דִּילָיָה, בְּגוּפָא כְּרִיעָא דִּילָיָה. בְּצִלּוֹתָא זְקִיפָא דִּילָיָה, בְּצִלּוֹתָא עֵמִידָה דִּילָיָה, דְאִיהוּ דְקִיּוּמָא קָמִיָּה בְּכָל אֲתָר, וְכִרְעַת לְגִבְיָהּ, וְאֲתַנְפֵּלַת לְרַגְלוּי בְּנַפְיֵלַת אִפּוּס, לְמִשְׁאֵל מְנִיָּה רַחֲמִים עַל בְּנֵהָא, אִיהִי עֲנוּה לְגִבְיָהּ, וְאִית לָהּ בְּשֵׁת פְּנִים מִיָּנִיָּה.

327. And she is not as the wicked bondwoman WHO IS CALLED 'Lilit', for this latter is insolent, having no humility and no modesty, and she is the mother of a mixed multitude. For this reason, Solomon said: "A virtuous woman is a diadem to her husband" BEING THE SHECHINAH "but she that acts shamefully is as rottenness in his bones" (Mishlei 12:4). THIS IS THE HANDMAID LILIT, who has no humility nor modesty before the Holy One, blessed be He. And her children are similar, being a mixed multitude, and the Holy One, blessed be He, will in the future remove her and her children from the world, for they are bastards, born of the nine attributes, as described by the sages, NAMELY: THE CHILDREN OF A) A WIFE RAPED BY HER HUSBAND; B) A WIFE HATED; C) MENSTRUATING (AT THE TIME OF INTERCOURSE); D) A WIFE WHOSE HUSBAND AT THE TIME OF INTERCOURSE THOUGHT SHE WAS SOMEONE ELSE OR HIS OTHER WIFE; E) A WIFE WHO WAS REBELLIOUS (AT THE TIME OF INTERCOURSE); F) A HUSBAND DRUNK (AT THE TIME OF INTERCOURSE); G) HAVING INTERCOURSE WITH A WIFE DIVORCED IN HIS HEART; H) A WIFE WHO IS INSOLENT; I) CHILDREN BORN TO A WIFE WHO HAD RELATIONS IMMEDIATELY PRIOR TO HER MARRIAGE. They are considered bastards by the Torah.

328. And likewise, the Shechinah is the mating of the Holy One, blessed be He, His unity with the righteous one, who lives forever, WHICH IS YESOD. AND THE SHECHINAH is his walk. "Righteousness shall go before Him" (Tehilim 85:14) to act on his desire. AND THE SHECHINAH IS CALLED 'RIGHTEOUSNESS'. ALSO, "And it came to pass, before he had done speaking, that, behold, Rivkah came out" (Beresheet 24:15) THAT IS THE SHECHINAH THAT IS CALLED 'RIVKAH' came out to Him, to do His will. AND SO in sight, hearing, smell, speech, doing, body, mating, walking and, indeed, in every part, she is commanded to serve Him and to do His will.

329. And the children OF THE SHECHINAH, NAMELY YISRAEL, are also of her form, for they have humility and modesty, all of them have her qualities. And this is why the Holy One, blessed be He, commanded Moses: "Moreover you shall provide out of all the people able men, such as fear Elohim, men of truth, hating unjust gain" (Shemot 18:21). "Able men" are from the right side, which is Abraham, WHO IS CHESED THAT BECOMES CHOCHMAH, SINCE AT GREATNESS OF ZEIR ANPIN, CHESED, GVURAH AND TIFERET ASCEND AND BECOME CHOCHMAH, BINAH, AND DA'AT, AS IS KNOWN, for the sight of the Torah is there, as it is written: "from his right hand went a fiery law for them" (Devarim 33:2). "such as fear of Elohim" are from the side of Isaac, WHO IS GVURAH THAT BECOMES BINAH, for hearing is there, as the prophet Habakkuk said: "Hashem, I have heard the report of You, and I am afraid" (Chavakuk 3:2). Men of truth are from the side of Jacob, WHO IS TIFERET THAT BECOMES DA'AT, for a sweet savor to Hashem, in the nose. "Hating unjust gain" is from the side of speech, WHICH IS MALCHUT, the fourth pillar, WHICH IS THE ASPECT OF Adam who has joined together with the patriarchs, AND IS CONSIDERED AS MALCHUT FOR THEM. AND MALCHUT IS CALLED 'MAN', FOR the three living creatures are lion, ox, and eagle, THAT ARE CHESED, GVURAH, AND TIFERET in sight, hearing, and smell, AS ABOVE, AND THE FOURTH PILLAR FOR THEM IS THE FACE OF a man in speech, NAMELY THE FIRST MAN.

330. "and place such over them, to be rulers of thousands," (Heb. alafim), namely from the side of the letter Aleph OF ADONAI; "rulers of hundreds," from the side of the letter Dalet of ADONAI WHICH IS THE secret of the Dalet (= four) hundred years that Yisrael was enslaved in Egypt. "rulers of fifties," the Nun (= fifty) of Adonai, "and rulers of tens" (Shemot 18:21), the Yud (= ten) OF ADONAI.

331. Yisrael is recognized in these qualities to be the children of the Holy One, blessed be He, and His SHECHINAH; that is, that there should be among them able (Heb. chayil) men, as in the verse: "A virtuous (Heb. chayil) woman is a crown to her husband" (Mishlei 12:4), for they are bestowed with Chesed, AS AGAINST CHESED OF ZEIR ANPIN. "such as fear Elohim" PARALLELS GVURAH OF ZEIR ANPIN. "Men of truth" PARALLELS TIFERET OF ZEIR ANPIN, and not men of falsehood, for the Children of "Yisrael shall not do iniquity, nor speak lies; neither shall a deceitful tongue be found in their mouth" (Tz'fanyah 3:13). "Hating unjust gain" PARALLELS MALCHUT, as a man who rejoices in his portion. And they are not as a mixed multitude, the children of the wicked bondwoman, LILIT, who are as a serpent before whom is the whole land, as it is written: "and dust shall be the serpent's food" (Yeshayah 65:25). WITH ALL THIS, he fears eating the dust until he is full, for he is afraid that there will not be enough for him. This is how it is with men of unjust gain, for even if they had all the money in the world, it would never be enough for them.

332. And this is why the sages of the Mishnah taught: 'Not the expounding of the Law is the chief thing, but the doing of it'. For the Holy One, blessed be He, is concealed by the secrets of the Torah. In what, then, can He be known? In the precepts, for they are the Shechinah, which is His form. Just as THE HOLY ONE, BLESSED BE HE, is humble, so is His Shechinah humble. He is pious and she is pious. He is valiant, and she is valiant over all the nations of the world. He is truth and she is Faith. He is a prophet and she is a prophetess. He is righteous and she is righteous. He is King and she is kingdom. He is wise and she is wisdom. He understands and she is His understanding. He is a crown, and she is His diadem, "a crown of glory" (Yeshayah 62:3). This is why the sages taught: 'No disciple whose inside does not correspond to his exterior may enter the house of study.' That is, the disciple will be as the form of the Holy One, blessed be He, who is his inside and the Shechinah is his outside. He is the inside within and THE SHECHINAH is His exterior on the outside. And she that is on the outside has not changed from Him who is on the inside, that it should be known that she is His Atzilut, and there is no separation there whatsoever, THIS BEING THE SECRET OF THE VERSE: "...within and without shall you overlay it" (Shemot 25:11).

333. And since He, the Yud Hei Vav Hei is concealed from within, He is called only by His Shechinah, Adonai. And this is why the rabbis taught: 'I am not spelled as I am pronounced. In this world I am spelled with the Yud Hei Vav Hei but pronounced as Adonai. In the next world I am pronounced with the Yud Hei Vav Hei and pronounced with the Yud Hei Vav Hei.' And this is so that there will be mercy from all sides. And this is why the Holy One, blessed be He, commanded the ministering angels: 'Whosoever's inside does not correspond to his exterior, in all his parts, both internal and external, that person may not enter this temple.' This is why Scripture says: "He is the Rock, his work is perfect" (Devarim 32:4) and "You shall be perfect with Hashem your Elohim" (Devarim 18:13), NAMELY HIS INSIDE EXACTLY CORRESPONDS WITH HIS EXTERIOR.

334. The seventh correction is "As the appearance of the rainbow that is in the cloud in the day of rain" (Yechezkel 1:28). The sages said: 'The Work of the Chariot is from "And I looked AND, BEHOLD, A STORM WIND" (Ibid. 4) until "As the appearance of the rainbow," these are the work of the Chariot.' And the sages further said: 'When Rabbi Akiva was expounding the Work of the Chariot, fire came down from heaven and engulfed the trees, and the ministering angels assembled as though at a wedding feast.' FOR THE CHARIOT IS THE SECRET OF THE UNITY OF YUD HEI VAV HEI AND ADONAI, WHICH ARE THE SECRET OF GROOM AND BRIDE. THIS IS THE REASON FOR THE WORK OF THE CHARIOT TO CONCLUDE WITH THE VERSE STARTING "AS THE APPEARANCE OF THE RAINBOW," for there is no unity and connection of the Chariot of the Yud Hei Vav Hei with Adonai other than by means of the righteous one, WHICH IS YESOD, also called 'rainbow'. For through him is the upper Chariot, which is Yud Aleph Hei Dalet Vav Nun Hei Yud, complete.

335. The Shechinah is the Work of Creation, and it has been taught: 'The Work of Creation may not be expounded in the presence of two people.' Because the branches of the tree, WHICH ARE THE LIVING CREATURES, are divided above in the wings of the living creatures, with the Yud Hei Vav Hei to the right and Adonai to the left, FOR ZEIR ANPIN IS THE SECRET OF THE CHASSADIM ON THE RIGHT, AND MALCHUT IS THE SECRET OF THE LEFT, WITHOUT ANY UNIFICATION BETWEEN THEM, AND IT FOLLOWS that the bridegroom is to the right while the bride is to the left. And when she is brought to the wedding canopy with a number of types of melody, Yisrael must awaken them from below TO THE UNIFICATION with songs and praises and all sorts of melody in prayer, for, behold, they are approaching the wedding canopy, NAMELY ARE COMING TO BE UNITED.

336. And Yisrael must give THE RING of marriage FROM THE BRIDEGROOM to the bride, with the knot of the hand Tefilin, so that THE SHECHINAH should be bound to ZEIR ANPIN, and crown them with the head Tefilin, WHICH IS THE SECRET OF BRINGING DOWN TO THEM THE MOCHIN OF THE UPPER THREE SFIROT, which is glory (Heb. pe'er), as it is said: "Bind on your turban (Heb. pe'er)" (Yechezkel 24:17). And the three loops of the strap UPON THE MIDDLE FINGER parallel the three holies, which are 'Holy, Holy, Holy' "They proclaim you thrice holy'. And they have to be blessed with seven blessings, which are the seven blessings of the recital of the Sh'ma, namely: two before and one after in the morning service, and two before and two after in the evening service.

337. And the bride under the wedding canopy, NAMELY IN THE UNITY OF THE RECITAL OF THE SH'MA WHICH IS CALLED 'A WEDDING CANOPY', is in the form of the wings of a precept, which, in the fringes, are gilded. THAT IS TO SAY THAT THEY ARE BOUND WITH BLUE, WHICH IS THE SECRET OF THE ILLUMINATION OF CHOCHMAH, WHICH IS DRAWN DOWN FROM THE LEFT SIDE OF BINAH, WHICH IS CALLED 'GOLD'. AND THUS THE FRINGES ARE AS THOUGH GILDED WITH BLUE. And the blue and the white THAT ARE IN THE FRINGES are the Throne of Judgment and the Throne of Mercy interwoven with each other, FOR BLUE IS JUDGMENT AND WHITE IS MERCY. And there are a number of knots and links surrounding THE FRINGES with a number of pearls and precious stones, NAMELY THE LIGHTS OF CHOCHMAH AND CHASSADIM, full of special qualities surrounding it in the form of bells and pomegranates of the apparel of the King and the queen, which are the four garments of white OF ZEIR ANPIN, and the four garments of gold OF MALCHUT, which are from the side of the two names: The Yud Hei Vav Hei and Adonai. As is His name, so is His throne, so is His wedding canopy, so is His apparel. His name is marked on all, FOR HE IS YESOD, WHO IS CALLED 'ALL' when He wishes to let enter into His palace His groom and bride to be there, in the eighteen blessings of the prayer, WHERE EIGHTEEN HINTS AT YESOD, which is "As the appearance of the rainbow," NAMELY YESOD, AS ABOVE.

54. Mystic speculations on the divine Chariot and prayer

Moses speaks about the Amidah prayer, and says that everyone should pray quietly so that his neighbor can not hear him. He says that prayer can be learned from what is said about the sacrifices. We hear about Rabbi Akiva discussing the Work of the Chariot, and we are given another explanation of the rainbow.

338. AND REGARDING THE AMIDAH PRAYER, THEY TAUGHT: 'The Work of the Chariot may not be expounded before one person', because he who expounds to a single person, is not THAT PERSON NOW with him during the exposition, and are they not two? And he does not have to let his voice be heard there in the prayer, but "only her lips moved, but her voice was not heard" (I Shmuel 1:13). And in this lies the secret of the verse: "and the stranger that comes near shall be put to death" (Bemidbar 3:38). And so it is with prayer: everyone should pray quietly in such a way that his prayer is not heard by his neighbor, THIS BEING WHAT THEY REFERRED TO WHEN THEY SAID: 'THE WORK OF THE CHARIOT MAY NOT BE EXPOUNDED EVEN BEFORE ONE PERSON.' It is just as one who is expounding to his fellow and he wants to silence the speech to him, SO THAT HE SHOULD NOT HEAR; he does not have to do anything other than speak in silence, and then his fellow will not hear. All this is why the sages taught: 'One who says the prayer so that it can be heard is of small Faith'.

339. And this is why the heavenly living creatures of fire speak as the branches of the tree, WHICH ARE THE MINISTERING ANGELS who assemble there at the wedding feast. And where is this to happen? At the unification of the recital of the Sh'ma, WHICH IS THE SECRET OF THE WEDDING CANOPY, for there IT IS SAID: "I heard the noise of their wings" (Yechezkel 1:24), FOR THE LOWER UNITY, YUD ALEPH HEI DALET VAV NUN HEI YUD, IS NOT YET THERE AND THEY ARE THEREFORE SPEAKING. And there are 64 for each of the four wings. THAT IS TO SAY: THE FOUR LIVING CREATURES, EACH OF WHICH IS COMPOSED OF FOUR, MAKE SIXTEEN LIVING CREATURES. EACH LIVING CREATURE HAS FOUR WINGS, MAKING A TOTAL OF 64 WINGS. BUT THE WINGS ARE INTERWOVEN AND THERE ARE FOUR WINGS IN EACH WING, THUS 64 HAS TO BE multiplied by four, making 256, and this is: "Sing (Heb. ron = 256) with gladness for Jacob" (Yirmeyah 31:6). And when will this be? After he has wreaked vengeance on those who hate him and burnt their deities, as it is written: "but when the wicked perish, there is jubilation (Heb. rinah)" (Mishlei 11:10) WHICH HAS THE NUMERICAL VALUE OF 256, TOGETHER WITH THE ONE THAT REPRESENTS THE INCLUSION.

340. And the 64 are derived from eight TIMES az (lit. 'then' = eight); FOR AZ INDICATES THE EIGHT LETTERS OF THE UNITY, YUD ALEPH HEI DALET VAV NUN HEI YUD, and thus the 64 is DERIVED from eight TIMES az. AND WITH THE 64 ON each of the four corners, the total is 256. And when he reaches heart (Heb. lev = 32), which is four times az, which is four times the letter Chet, Yud is joined with them on each side, making 'Hashem lives', NAMELY THAT YESOD WHICH IS CALLED 'LIVING' JOINS WITH THE YUD HEI VAV HEI in the eighteen blessings of the prayer, in which the Yud Hei Vav Hei appears eighteen times, for a total of 72 LETTERS. At the moment the Yud Hei Vav Hei is joined with Adonai by the Living (eighteen) of the Worlds, namely Yud Aleph Hei Dalet Vav Nun Hei Yud IS FORMED BY YESOD, WHO IS CALLED 'LIFE OF THE WORLDS'. Immediately, the living creatures of fire fall silent, FOR AT THE TIME OF THE UNIFICATION THEY ARE QUIET. What is written about them? "When they stood, they let down their wings" (Yechezkel 1:24), THE MEANING OF WHICH IS: When Yisrael stands in prayer, THIS BEING THE TIME OF THE UNIFICATION, they let down their wings, that their presence should not be felt, until that time NAMELY THEY FALL SILENT.

338. אין דורשין במרכבה ביחיד, בגין דהדורש לייחיד, עמיה הא אינון שנים בדרשא. ולא צריך תמן למשמע קלא בצלותיה. אלא רק שפתיה נעות וקולה לא ישמע, ובהאי רזא והזר הקרב יומת. והכי בצלותא כל חד מצלי בחשאי, דלא אשתמע צלותיה לגבי חבריה. כגון מאן דדריש לחבריה, וישתיק דבור לגביה, לא צריך למעבד אלא דבור בחשאי, דלא ישמע חבריה. ובג"ד אוקמוה רבנן, כל המשמיע קולו בתמלתו, ה"ז מקטני אמנה.

339. ובג"כ חיוון אשא לעילא, ממללן בענפין דאילנא, דהוו מתקבצין תמן, במזמוטי חתן וכלה. באן אתר. בק"ש, דתמן ואשמע את קול כנפיהם. דאינון ס"ד לד' גדפין, ד' זמנין ס"ד, סלקין רנ"ו. והאי איהו, רנו ליעקב שמחה. אימתי. לבתר דנטיל נוקמא משנאוי, ויוקיר טעוון דלהון, הה"ד ובאבוד רשעים רנה.

340. ותליין ס"ד, מן תמניא א"ז. והכי ס"ד מתמניא א"ז לד' סטרין, רנ"ו. וכד מטי לל"ב, דאינון א"ז א"ז א"ז א"ז, דאינון ח' ח' ח' ח', אתחבר ו' לכל סטר, למהוי ח"י יהו"ה, בח"י ברכאן דצלותא, דאית בהון ח"י זמנין ידו"ד, דסלקין ע"ב. בההוא זמנא דמתחברא יהו"ה באדנ"י בח"י עלמין יאהדונהי, מיד חיוון דאש חשות. מה כתיב בהון. בעמדם תרפינה כנפיהם, בעמדם ישראל בצלותא, תרפינה כנפיהם, דלא ישתמודעון עד ההיא שעתא.

341. And this is the meaning of "Only her lips moved, but her voice was not heard," where lips refer to the wings of the living creatures. For the electrum was PREVIOUSLY living creatures of fire who were speaking, while NOW they are silent. And this is why silent prayer was ordained, and thus the Work of the Chariot is without sound, for he speaks there to himself in a whisper. Three prayers were ordained and in each one the Yud Hei Vav Hei is ENUNCIATED eighteen TIMES, making 72 letters in each prayer, in the CONCLUDING SENTENCES OF EACH OF THE eighteen blessings, AND 3 X 72 makes 216 LETTERS that are included in Chesed. AND THREE X 72, together with the 32 paths OF CHOCHMAH comes to 250 minus two, NAMELY, ADDS UP TO 248, WHICH IS CHESED, that are included in the Central Column, WHICH IS CHESED.

342. From what is said about the sacrifices, prayer can be learned, and prayer is deduced from the sacrifices. Just as it is said ABOVE ABOUT PRAYER, "I heard the noise of their wings" (Yechezkel 1:24), so with regard to the Cherubs, WHICH ARE THE SECRET OF SACRIFICE, NAMELY OF THE UNIFICATION OF THE HOLY NAME YUD HEI VAV HEI AND ADONAI THAT IS ATTAINED THROUGH THE SACRIFICE, AS IT IS SAID: "Then he heard the voice speaking to him" (Bemidbar 7:89). AND SO WE DEDUCE ABOUT PRAYER FROM THE SACRIFICES. ABOUT THE LATTER IT IS WRITTEN: "THE VOICE SPEAKING" WHICH HINTS AT BOTH VOICE AND SPEECH, WHICH ARE THE YUD HEI VAV HEI AND ADONAI. SIMILARLY, ABOUT PRAYER IT IS SAID ONLY: "I HEARD THE NOISE OF THEIR WINGS," WITHOUT SPEECH BEING MENTIONED IN THIS CONTEXT. NEVERTHELESS, SPEECH IS ALSO INCLUDED THERE. Just as with the ramp OF THE ALTAR, on which sacrifices and burnt offerings ascend and descend, so in the prayer two angels ascend and two descend. And so it was at Mount Sinai, where Moses and Aaron ascended the mountain and descended, NAMELY two went up and two came down. And all the precepts of the Torah are implied in this precept OF PRAYER.

343. Thus, when Rabbi Akiva started to discuss the Work of the Chariot, his mouth was Sinai and his voice was a ladder on which angels ascended and descended. With every speech of his, the angel Metatron would ride on it. He is a vehicle of the Shechinah, for included in him are the Sfirot of the Central Column, WHICH IS ZEIR ANPIN, which is Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph. They are inside, while the Shechinah, which is composed of ten Sfirot, is outside ON HIM. And the Holy One, blessed be He, and His Shechinah are revev (lit. 'vehicle', masc.) and Merkavah (lit. 'Chariot', fem.). The Central Column is a vehicle to the Cause of Causes, WHICH IS THE ENDLESS LIGHT, while his Shechinah is a vehicle for the Central Column. And the Cause of Causes, WHICH IS THE INFINITE ONE, is the All-uniting and the All-arranging and the All-illuminating. His light passes through the soul and body and apparel, and He is unchanging, and without partnership, or account or picture or likeness of any Chariot or vision or likeness that the MIND'S eyes can summon up. The upper and lower steps are a vehicle and Chariot to him, but none ride on Him.

344. The rainbow (Heb. keshet - Kof Shin Tav) stands for initials of teki'ah, shevarim, teru'ah and they are a sign for the patriarchs' Chariot. Teki'ah is Abraham, shevarim Isaac, and teru'ah is Jacob, about whom it is said: "And the trumpet blast (Heb. TERU'AH) of a king is among them" (Bemidbar 23:21). And in it three colors are visible: white, red, and green. From the side of Gvurah it, YESOD, is called "The bows of the mighty are broken" (I Shmuel, 2:4), and from the right side, WHICH IS CHESED, IT IS CALLED "As the appearance of the rainbow that is in the cloud in the day of rain" (Yechezkel 1:28). When it appears on a rainy day, Mercy is visible, but when it appears when there is no rain, Judgment is visible. And when it is blended in between rain and sun, this shows that Mercy and Judgment are both apparent. And this is the letter Shin of Shadai (Shin Dalet Yud), THAT TEACHES ABOUT the three branches of the patriarchs, namely: The Yud Hei Vav Hei, Our Elohim, the Yud Hei Vav Hei, these being the three names that parallel the three branches of the patriarchs, WHICH ARE CHESED, GVURAH, AND TIFERET. AND THESE THREE NAMES contain Yud Dalet (= fourteen) the letters of which form the Dalet Yud of Shadai. AND SHADAI IS YESOD OF ZEIR ANPIN, and the apparel of Shadai IS Metatron, which has the same numerical value as Shadai.

55. He who says "A praise of David" every day

Rabbi Elazar says that one must recite the title psalm three times each day - twice for the food of mortal man, and once to give force to the world above.

345. Rabbi Shimon said: Let he who has started continue! (THIS IS THE REACTION OF RABBI SHIMON TO RABBI ELAZAR'S WORDS, SEE ABOVE 237). Rabbi Elazar said, we learned: Whoever recites the psalm "A praise of David" (Tehilim 145) three times daily is sure to inherit the World to Come. And we have already learned the reason, NAMELY THAT IT CONTAINS THE VERSE: "YOU OPEN YOUR HAND, AND SATISFY THE DESIRE OF EVERY LIVING THING" (TEHILIM 145:16), THIS BEING A PRAYER OVER FOOD. HE ASKS, IF THE REASON has to do with sustenance and food for all the worlds, THEN HE SHOULD SAY IT TWICE each day, in the morning and the evening, for it is written: "When Hashem shall give you in the evening meat to eat, and in the morning your fill of bread" (Shemot 16:8). If a man eats only twice a day, why should he have to recite it three times daily? THE ANSWER IS that he says it twice for the food of mortal man, and for the whole world, and once is to give force to that place where His hands are open.

346. These two foodstuffs OF MAN differ from each other, FOR THE ONE IS FOR THE RICH AND THE OTHER FOR THE POOR. And all three types of food are mentioned here in the psalm "A PRAISE OF DAVID." "and you give them their food in due season" (Tehilim 145:15) refers to the food of the rich, for He gives "them their food in due season." This is the first of the three. The second is "and satisfy the desire of every living thing" (Tehilim 145:16). This refers to the food of the poor, for they are satisfied not with much food but with what He satisfied them with. The third is the verse "You open your hand" (Ibid.), this being strength to that place, for when He opens His hands, favor and abundance for all emerge.

347. Again, I have learned that A MAN HAS TO SAY "A PRAISE OF DAVID" twice a day only for his daily food and sustenance. And these TWO TIMES are mandatory for a person. And if he says it more than twice, this is not in fulfillment of an obligation, but in praise among the songs of praise of King David. What is the reason? It is because it is not fitting that a man should ask for his sustenance until after the prayer, FOR THE PRAYER ITSELF is his Master's sustenance, and the King should eat first, and his servants should eat afterwards.

347. תו הכי אוליפנא, דלא איהו אלא תרי זמני, בגין מזונא ופרנסה בכל יומא. דאלין חיובא על ב"ג. ואי אמר יתיר, לאו בגין חובה איהו, אלא בגין שבחא גו תושבחן דזמירות דדוד מלכא. מ"ט. בגין דפרנסה לא חזי למשאל אלא בתר צלותא ופרנסה דמאריה. מלכא ייכול בקדמיתא ולבתר ייכלון עבדוי.

56. "I have eaten my honeycomb with my honey; I have drunk my wine with my milk"
Rabbi Elazar explains the title verse in the context of the recital of the Sh'ma.

348. It is written: "I am come into my garden, my sister, my bride; I have gathered my myrrh with my spice; I have eaten my honeycomb with my honey; I have drunk my wine with my milk" (Shir Hashirim 5:1). The verse continues: "Eat, O dear ones." "I have eaten my honeycomb" refers to that part of the prayer service that is said seated; NAMELY FROM 'WHO FORMS LIGHT AND CREATES DARKNESS...' UNTIL THE RECITAL OF THE SH'MA. "with my honey" refers to the recital of the Sh'ma. HE EXPLAINS, "I have eaten my honeycomb (Heb. ya'ar)" refers to that part of the prayer service that is said seated, BECAUSE the forest (Heb. ya'ar) of Lebanon WHICH IS THE WORLD OF BRIYAH, INCLUDES, 'Who forms light and creates darkness,' including the wheels and the holy living creatures, all of which are called 'the forest of trees' and the saplings in it. "with my honey" refers to the recital of the Sh'ma, which is the sweetest of all, with much nectar and sweetness.

348. הה"ד, באתי לגני אחותי כלה אכלתי וערי עם דבשי שתיתי ויני עם חלבי, לבתר אכלו רעים. אכלתי וערי, דא צלותא דמיושב. עם דבשי דא ק"ש. אכלתי וערי דא צלותא דמיושב, ההוא יער לבנון, יוצר אור והאופנים וחיית הקדש, כל הני אקרון יער אילנין ונציבין דביה. עם דבשי דא ק"ש, דאיהו מתיקו דכלא, בכמה צופין ומתיקין.

349. "I have drunk my wine" is that part of the prayer service that is said standing, for it is the drawing down of the upper cellared wine, WHICH IS THE ILLUMINATION OF CHOCHMAH THAT IS IN BINAH, AND IT IS THEREFORE SAID ABOUT IT "I HAVE DRUNK MY WINE." And this is in the first three OF THE EIGHTEEN blessings OF THE AMIDAH, PARALLELING CHOCHMAH, BINAH, AND DA'AT. "with my milk" refers to the final three blessings OF THE AMIDAH, AND THEY PARALLEL NETZACH, HOD, AND YESOD. AND THE ILLUMINATION OF CHASSADIM IS TERMED MILK. And the ones are included in each other, NAMELY THE ILLUMINATION OF CHOCHMAH AND OF CHASSADIM ARE INCLUDED IN EACH OTHER. To this point is the food of the King. And after the King has eaten, "Eat, O dear ones," NAMELY THE ANGELS, "drink deep, O living companions" below, NAMELY THE SOULS.

349. שתיתי ויני, דא צלותא, דמעומד, משיכו דיינא עלאה דאתנטר. ודא בשלש ברכות ראשונות. עם חלבי, אלין אינון שלש ברכות אחרונות, ואתבלילן אלין באלין. עד כען מיכלא דמלכא. לבתר דאכל מלכא, אכלו רעים לעילא, שתו ושכרו דודים לתתא.

350. And thus there is no obligation TO OFFER PRAISES for food until after the prayer, NAMELY UNTIL AFTER THE KING HAS EATEN, AS ABOVE. And what is the reason FOR THE RECITAL OF "A PRAISE OF DAVID" (TEHILIM 145) IN THE AFTERNOON SERVICE BEFORE THE AMIDAH? IT IS BECAUSE THE AFTERNOON SERVICE PARALLELS ISAAC, WHICH IS JUDGMENT. SO before there is harsh judgment, NAMELY BEFORE THE PRAYER, while the King's countenance is still shining WITH CHESED (LIT. 'FAVOR'), let him say "A praise of David" in that order of foodstuffs IN THE THREE ASPECTS, for after THE PRAYER when Judgment prevails and impends over the world, it is an inappropriate time for that. Rabbi Pinchas came and kissed him.

350. וע"ד לית חיובא דמזונא אלא לבתר צלותא. בצלותא דמנחה קודם צלותא מ"ט. בגין דעד לא אשתכח דינא קשיא, בעוד דאנפין דמלכא נהירין, יומא תהלה לדוד, בהאי סדורא דמזונא. דלבתר דדינא שריא ותלי על עלמא, לאו שעתא איהו. אתא ר' פנחס ונשקיה.

57. Now there was a day when the sons of Elohim came to present themselves before Hashem"

Rabbi Shimon talks about Rosh Hashanah (the Jewish New Year), when harsh judgment is present in the world, telling us that the day spoken of in the title was Rosh Hashanah. We learn that "the sons of Elohim" are the supreme court, the seventy officials who always surround the King, and that everyone must take care to honor the Holy Name in order to avoid judgment.

351. Rabbi Yehuda said to Rabbi Shimon, Let my master say some beautiful things about Rosh Hashanah. Rabbi Shimon began by quoting: "there was (Heb. vayehi) a day" (Iyov 1:6). Wherever it is written: vayehi, IT IS A TERM OF anguish. "Now there was a day" refers to anguish. Certainly "Now there was a day" refers to a day on which there is anguish, and this is Rosh Hashanah, a day on which harsh judgment is on the world. SIMILARLY: "And it happened one day, that Elisha passed to Shunem" (II Melachim 4:8) was on the day of Rosh Hashanah. And wherever it is said "And it happened one day" the day referred to is Rosh Hashanah. CONSEQUENTLY, "Now there was a day when the sons of the Elohim came to present themselves before Hashem" (Iyov 1:6) refers to the day of Rosh Hashanah.

352. Rosh Hashanah always lasts for two days. What is the reason for this? It is so that Isaac, WHO IS THE LEFT COLUMN, WHICH IS THE ASPECT OF ROSH HASHANAH, should be composed of Judgment and Mercy, WHICH ARE two days, and ISAAC WILL not BE JUST one. For WERE ISAAC TO BE just one, WITHOUT THE INCLUSION OF MERCY, he would destroy the world, and this is why it is written IN JOB twice: "Now there was a day THAT THE SONS OF ELOHIM CAME TO PRESENT THEMSELVES BEFORE HASHEM" (IYOV 1:6; 2:1).

353. "the sons of the Elohim came": These are certainly the supreme court, the sons of the Elohim, before whom the sons of the King, NAMELY YISRAEL, draw near. And they are the seventy officials who always surround the King, and they decree Judgment on the world. "to present themselves before (lit. 'upon') Hashem": HE ASKS, do they stand upon Hashem? HE ANSWERS, No, but when they stand to judge THE WORLD, the first to be judged is the one who does not honor the Holy Name and does not respect the Torah and His servants. So, too, whoever is not concerned about the honor of the Holy Name, WHICH IS THE SHECHINAH, that it be not desecrated in the land, and whoever is not concerned over the honor of the Holy One, blessed be He, WHO IS ZEIR ANPIN, he does not give honor to this Name. "and the adversary came also amongst them" (Ibid.): "also" adds the female of the adversary, LILIT. And so it is here: "to present themselves before Hashem" means that the Satan, too, was concerned for the honor of this Name, THAT IS TO SAY, HE CAME TO INCITE ABOUT THIS.

58. The righteous suffer, the wicked thrive

Rav Hamnuna tells Elijah that a righteous man whose sins are few is punished in this world, but a man with many sins and a few good deeds is rewarded in this world. He goes on to say that people must confess their own sins to God and then He will hear, judge, and forgive him.

354. Here the ancient pillars of the world were divided. One said: Job was one of the pious of the nations of the world, and another said: Job was one of the pious of Yisrael, but was smitten in order to find atonement for the world. One day Rav Hamnuna found Elijah and said to him: We have definitely learned that there is a righteous man in adversity and a wicked man who prospers. RAV HAMNUNA EXPLAINED AND said: A righteous man is one whose sins are few and who pays the price for them in this world, and thus is a righteous man in adversity. But if his sins are many and his good deeds few, then he receives his reward in this world, AND THUS is a wicked man who prospers. He said to him: The judgments of the Master of the World are profound, but when the Holy One, blessed be He, wants to make atonement for the sins of the generation, He smites their arm and through this action the generation is healed. It can be likened to a doctor who smites, NAMELY LETS BLOOD IN the arm in order to save all the parts, as it is written: "But he was wounded because of our transgressions" (Yeshayah 53:5).

355. As we have learned, on that day of Rosh Hashanah, seventy seats of justice arise to judge the world, many for the defense and many for the prosecution standing on high, those on the right for innocence and those on the left for guilt, to recall the sins of the world and the sins of each individual. A man has therefore to CONFESS AND specify his sins, each one just as it is, for whoever expounds his sins BEFORE THE HOLY ONE, BLESSED BE HE, judgment is passed on him by the Holy One, blessed be He, and by no other. And whoever is judged by the Holy One, blessed be He, it is for his good. This is why King David requested: "Judge me, Elohim" (Tehilim 43:1), You and none other. Similarly, Solomon said, "that He maintain the cause of His servant" (I Melachim, 8:59). He and no other. And the HEAVENLY court leaves him.

356. This is why the sins of every limb have to be expounded, and everything that he did in detail, as it is written: "I acknowledge my sin to You" (Tehilim 32:5). And this same verse concludes: "and You forgave the iniquity of my sin. Se'la." How do we know this? We know it from Moses, for it is written: "This people has sinned a great sin" (Shemot 32:31). And about Yisrael is written: "We have sinned because we have forsaken Hashem" (I Shmuel 12:10). Should you suggest THAT THE VERSE ABOUT MOSES refers to an individual alone, while in public one does not HAVE TO SPECIFY ONE'S SINS, then the other verse "WE HAVE SINNED BECAUSE WE HAVE FORSAKEN HASHEM" comes to teach the opposite, FOR IT IS SAID IN PUBLIC. And should you agree that it is to be in public, but that it is not the cantor WHO HAS TO DETAIL THE SINS, the opposite is suggested, as it is written: "And Moses returned to Hashem and said: This people has sinned a great sin." And it is written in the continuation of the same verse: "and have made them an Elohim of gold." What is the reason? It is because the heavenly court leaves alone the person who expounds his own sins AND DOES NOT FIND HIM GUILTY. Because a man may be considered as one of his own close relatives, AND A RELATIVE IS UNACCEPTABLE AS A WITNESS. He is, THEREFORE, not judged according to his OWN testimony.

357. Again, he does not let the prosecutor teach guilt and fault about him, because the person himself comes first and tells all, leaving nothing for anyone else to mention. Then the Holy One, blessed be He, forgives him, as it is written: "But whoever confesses and forsakes them shall have mercy" (Mishlei 28:13).

59. Rosh Hashanah

We learn why Rosh Hashanah lasts for two days, and that when people are coming to be judged Yisrael comes in first. It is important that we know the meaning of the blowing of the Shofar that arouses leniency and mercy.

358. On the days of Rosh Hashanah, the court prepares a throne for the King to judge the whole world. Yisrael comes in first to be judged before Him, so that Mercy will multiply, NAMELY BEFORE ANGER IS AROUSED AT THE SINNERS OF THE WORLD. It is written "that He maintain...the cause of his people Yisrael, as each day may require" (I Melachim 8:59). What is the meaning of "as each day may require"? THE MEANING IS the two days of Rosh Hashanah. And why are there two days? Because they are two courts joined together. There is the upper judgment, which is harsh, and the lower judgment that is lenient, and both of them exist.

358. ביומי דר"ה, מתקנין בי דינא בורסויא למלכא, למידן כל עלמא. וישראל עאלין בקדמיתא בדינא קמיה, דליפוש רחמי. תנן ומשפט עמו ישראל דבר יום ביומו, יום ביומו מאי הוא. אלא הני תרי יומין דר"ה. אמאי תרי יומין. בגין דאינון תרי בי דינא, דמתחברן כחדא. דינא עלאה, דאיהו קשיא, בדינא תתאה, דאיהו רפיא, ותרוייהו משתכחי.

359. And in this respect the Babylonians did not know the secret of the Sh'varim and T'ruah and that both of them are required. The T'ruah is strict judgment. The three notes of the Sh'varim are lenient judgment, AND IT IS LIKE someone who groans FROM HIS HEART, which is soft. They did not know WHICH OF THE TWO WAS REQUIRED, AND they THEREFORE had both of them. But we know BOTH, THAT BOTH OF THEM ARE REQUIRED, and do both OF THEM. And everything comes out by the way of truth.

359. ועל דא לא ידעי הני בבליאי, רזא היבבא ויללותא, ולא ידעי דתרוייהו אצטריכו, ויללותא דאיהו דינא תקיפא. תלת תבירין דאיהו דינא רפיא, גנוחי גנח רפיא. אינון לא ידעי, ועבדין תרווייהו. ואנן ידעינן, ועבדינן תרווייהו. וכלא נפקין לארץ קשוט.

360. He began by quoting: "Blow the horn at the new moon, in concealment for our feast day. For it is a statute for Yisrael, an ordinance of the Elohim of Jacob" (Tehilim 81:4-5). What is "Blow the horn at the new moon"? It means the lenient judgment, that is called "new moon." And what is "in concealment"? This is harsh judgment, which is ALSO TERMED 'the fear of Isaac'. It is a judgment that is concealed permanently, NAMELY THE MANULA, which is not judgment openly, FOR IT IS CONCEALED IN THE UPPER THREE SFIROT, AS ABOVE. "For it is a statute" refers to lenient judgment, WHICH IS THE SECRET OF THE MAFTECHA, WHICH IS IN THE OPEN. "an ordinance" refers to judgment contained with compassion, and the two of them are there together, AS IN THE PARAGRAPH ABOVE, and this is why there are two days OF ROSH HASHANAH, both of which are in the same secret.

360. פתח ואמר, תקעו בחדש שופר בכסה ליום חגנו. תקעו בחדש שופר, מאי בחדש. דא בי דינא רפיא, דאקרי חדש. בכסה: דא דינא קשיא, פחד יצחק. דינא דאתבסויא תדיר, דלאו איהו דינא באתגלייא. בי חק, דא דינא רפיא. ומשפט, דא דינא ברחמי. ותרוייהו אינון כחדא. בג"כ תרין יומין, ותרוייהו ברזא חדא.

361. "Happy is the people that know teru'ah" (Tehilim 89:15). It does not say "that hear," nor does it say "that blow the sounds OF A TERU'AH," but "that know." This is because ONLY the sages who dwell in the atmosphere of the holy land are the ones who know teru'ah. The secret of the teru'ah is as it is written: "You shall break them (Heb. teroem) with a rod of iron" (Tehilim 2:9). What people is there like Yisrael, who know the heavenly secrets of their Master and enter in before Him and associate with Him. And all those who know the secret of the teru'ah will draw near and walk in the light of the countenance of the Holy One, blessed be He, because this is the first light that the Holy One, blessed be He, hid for the righteous. This is why it is necessary to know it, THE T'RUAH.

361. אֲשֶׁר־יְדַעֵי תְרוּעָה וְגו', לֹא כְתוּב שְׁמַעֵי, אוֹ תוֹקְעֵי תְרוּעָה, אֲלֵא יוֹדְעֵי תְרוּעָה. בְּגִין חֲבוּמֵי דְדִיּוּרֵי בְּאוּרָא דְאַרְעָא קְדוּשָׁא, אֵינּוּן יוֹדְעֵי תְרוּעָה. רְזָא דְתְרוּעָה, כְּמָה דְכְתוּב תְרוּעִים בְּשֶׁבֶט בְּרָזַל. מֵאן עֵמָא כְּיִשְׂרָאֵל, דְיֹדְעֵין רְזִין עַלְאִין דְמֵאֲרִיחֻן, לְמִיעַל קַמֵּיהּ, וְלֹאֲתַקְשְׂרָא בֵיהּ. וְכֹל אֵינּוּן דְיֹדְעֵי רְזָא דְתְרוּעָה, יִתְקַרְבוּן לְמִיחָךְ בְּאוּר פְּנֵי דְקוּדְשָׁא בְרִיךְ הוּא. וְדָא אוּר קְדָמָא דְגִנְזוּ קוּדְשָׁא בְרִיךְ הוּא לְצַדִּיקַיָּא. וְעַד אֲצַטְרִיךְ לְמַנְדַּע לָהּ.

60. The appendix of the liver, gall, trachea, esophagus and the Shofar
Rav Hamnuna talks about the iniquity of Lilith and Samael, saying that they are the liver and the appendix, and that from them emerge the gall that is the sword of the Angel of Death. On Rosh Hashanah the gall wanders the world collecting up sins, and all of Yisrael are in trouble; this is when they blow the Shofar.

362. It is written: "the appendix of the liver" (Vayikra 9:10), and also: "the appendix above the liver" (Ibid. 3:4). "the appendix of the liver" MEANS a woman of harlotry, THAT IS LILIT, who comes out and emerges from the liver, THAT IS SAMAEL, to mislead the world and denounce them, and she leaves the male to practice prostitution. And that is why IT IS WRITTEN: "the appendix of the liver"; "the appendix above the liver" MEANS THAT, after making her adulterous union, she rises above him. She has "a harlot's forehead" (Yirmeyah 3:3) and subdues her husband, who is SAMAEL, WHO IS CALLED 'liver', with the anger of the gall, being a quarrelsome and anger-prone wife who rules over her male. THUS "The harlot's forehead" has control over the liver, WHICH IS SAMAEL, BECAUSE SHE IS a woman of quarrel and anger AND IS THEREFORE CALLED "THE APPENDIX ABOVE THE LIVER."

362. כְּתוּב הַיּוֹתֵר מִן הַכְּבֵד. וְכְתוּב וְאֵת הַיּוֹתֵרָה עַל הַכְּבֵד. יוֹתֵרָה מִן הַכְּבֵד, דָּא אִשְׁתּוּ זְנוּנִים, דְאִזְלָא וְנִפְקָא מִן הַכְּבֵד, לְאַסְטָאָה בְּנֵי עֲלָמָא, וְלְאַסְטָנָא עֲלֵיהוּ. וְשִׁבְקַת לְדְכוּרָא, לְמַעַבְד זְנוּנִים. וּבגַ"ד הַיּוֹתֵרָה מִן הַכְּבֵד, יוֹתֵרָה עַל הַכְּבֵד. בְּתַר דְעֵבְדַת נִיאוּפָא, אִסְתַּלְקַת עֲלֵיהּ. מִצַּח אִשָּׁה זֹנָה. אֲתַגְבַּרַת עַל בַּעֲלָהּ דְאִיהוּ כְּבֵד, בְּכַעַס דְמַרְהּ, אִשְׁתּוּ מְדַנִּים, וְכַעַס, דְשִׁלְטָא אִיהוּ עַל דְכוּרָא דִילָהּ. מִצַּח אִשָּׁה זֹנָה שִׁלְטָא עַל הַכְּבֵד, אִשְׁתּוּ מְדַנִּים וְכַעַס.

363. "the appendix of the liver:" BECAUSE SHE emerges from the liver, WHO, AS EXPLAINED ABOVE, IS SAMAEL HER HUSBAND, in order to harm the whole world and practice adultery with all. She then mounts the male, with "a harlot's forehead," audaciously, and she is then above the liver. Again, she is called "the appendix of the liver," from another point of view, for after she has gone out to play prostitute with all, she gives the leftovers to her husband, and this is the meaning of "the appendix of the liver," appendix MEANING THE REMAINING LEFTOVERS.

363. יוֹתֵרָה מִן הַכְּבֵד, מִן הַכְּבֵד נִפְקָא לְאַבְאָשָׁא לְכָל עֲלָמָא, וְלְמַעַבְד נִיאוּפִין עִם כָּלָא. לְבַתַּר אִיהוּ סִלְקָא לְגַבֵּי דְכוּרָא, מִצַּח אִשָּׁה זֹנָה, בְּעִזּוֹתָא דְאַנְפִּין, וְכַדִּין אִיהוּ עַל הַכְּבֵד. וְעוֹד, יוֹתֵרָה מִן הַכְּבֵד אֲתַקְרִיאת מַסְטְרָא אַחְרָא, בְּתַר דְנִפְקַת לְנִאֲפָא עִם כָּלָא, יְהִיבַת שְׁיוּרֵין לְבַעֲלָהּ, וְהֵאֵי אִיהוּ יוֹתֵרָה מִן הַכְּבֵד.

364. From the liver and the appendix, WHICH ARE SAMAEL AND LILIT, emerges the gall, which is the sword of the Angel of Death, from which come bitter drops to kill human beings. It is written: "Her end is bitter (Heb. marah, also meaning 'gall') as wormwood" (Mishlei 5:4). And the gall is hanging over the liver, all sickness and death being dependent on it, ON THE KLIPAH THAT IS CALLED 'GALL'. And on that day of Rosh Hashanah, she prowls through the world, collecting up all the sins that are in the world. And then all the parts, which are Yisrael, are in trouble, FOR YISRAEL is composed of the parts of the Shechinah, AS IT IS SAID: "The soul of man is the candle of Hashem" (Mishlei 20:27), WHICH MEANS THAT THE SOUL OF MAN IS DERIVED FROM THE CANDLE OF HASHEM, which is the holy Shechinah. And then, on ROSH HASHANAH, all Yisrael is in trouble, so they take a Shofar to awaken with those calls: T'kiah, Sh'varim, T'ruah. Moses talks about the participation of the body - the trachea, the lungs, the arteries, the breath, the esophagus and the mouth - in the blowing of the Shofar. He says that the Satan has no control on Yom Kippur, the Day of Atonement. Yisrael's strength is in the voice, not in eating and drinking like everyone else in the world, and it is necessary to awaken the voice with the ten Shofar verses. Ra'aya Meheimna (the Faithful Shepherd)

365. Said the Faithful Shepherd: Certain it is that since the limbs and the arteries of the heart, that are likened to Yisrael, are in trouble, they have to awaken in the trachea pipe, which is the secret of the Shofar, this being the windpipe connected to the lung. Since the lobes of the lung are unable to quiet the anger of the gall, which overcomes the arteries of the heart and all the arteries in the limbs of the body, that breath, WHICH IS THE SECRET OF CHASSADIM that blows in them, rises in the trachea, which is a Shofar, namely the next world. FOR A SHOFAR IS THE SECRET OF BINAH THAT IS CALLED 'THE NEXT WORLD'. And so it has been taught: The esophagus is like this world, WHICH IS THE SECRET OF MALCHUT, for there is eating and drinking in it, NAMELY THE MOCHIN OF CHASSADIM AND CHOCHMAH THAT ARE TERMED EATING AND DRINKING. The trachea is likened to the next world, WHICH IS BINAH, for there is no eating and drinking in it, FOR THOSE MOCHIN ARE NOT DISCLOSED THERE IN BINAH, BUT IN MALCHUT.

366. And after the Vav of trachea (Heb. VESHET - VAV SHIN TET) has wandered off (HEB. SHAT - SHIN TET), because of the great amount of eating that it robbed, it grew longer, AND THE VAV BECAME A FINAL NUN and becomes the Satan (Sin Tet Nun). Who caused that? "the people wandered about (Heb. shatu) and gathered..." (Bemidbar 11:8), 'SHATU', CAN BE DERIVED FROM THE WORD 'SH'TUT' (LIT. 'STUPIDITY'). FOR THAT ONE brought about their stupidity in that they intermingled with the foolish mixed multitude whose craving was for food and drink and robbery and violence, "For the violence done to the poor, for the sighing of the needy" (Tehilim 12:6). They went astray with a bent Nun, for they ate without grinding it. And what is written about them? "And while the meat was yet between their teeth, before it was chewed, the wrath of Hashem was inflamed against the people" (Bemidbar 11:33). For the Vav of shatu (Shin Tet Vav), wandered about, expanded AND BECAME A FINAL NUN, THUS MAKING THE SATAN. And he whose spirit is bowed down is as a BENT Nun, THAT IS TO SAY THAT THE SANCTITY HAD BECOME A BENT NUN, BUT THE OTHER SIDE A STRAIGHT FINAL NUN. And the result of this was that the Satan spread through eating and drinking and overcame all the limbs and the arteries with the 365 negative precepts, FOR ALL 365 DAYS OF THE SOLAR YEAR. And this is as the numerical value of HaSatan (the Satan), minus one, which is THE DAY OF Yom Kippur, on which there is no eating and drinking. THUS the Satan HAS NO CONTROL ON THE DAY OF ATONEMENT, AND IS SHORT ONE DAY OF THE FULL 365.

367. AND THE DAY OF ATONEMENT is like the trachea OF THE LUNG, WHICH IS BINAH AND THE NEXT WORLD, AS ABOVE. And it is Vav, the son (Heb. ben) of Yud Hei. And in respect thereof, the sages of the Mishnah taught: "If one sees a reed (Heb. kaneh) in a dream, he may hope for wisdom, for it says "Get (Heb. k'neh) wisdom, get understanding" (Mishlei 4:5). For there is no kaneh that is less than two, namely: Yud Chochmah, Hei Binah, FOR THERE IS NO BINAH WITHOUT CHOCHMAH AND NO CHOCHMAH WITHOUT BINAH. And this is why they should awaken the Shofar, for it is a trachea, AS ABOVE, which is the next world, a long world, THAT RECEIVES FROM ARICH (LIT. 'LONG') ANPIN, from whom come the thirteen attributes of Mercy, because in Vav Aleph Vav, of which the Aleph is THE SECRET OF Erech (lit. 'long'), and the two Vavs are THE SECRET OF Apayim (suffering, lit. 'two noses').

368. And Upper Mother is teki'ah from the side of Abraham, WHO IS CHESED. Shevarim are from the side of Isaac, WHO IS GVURAH. Teru'ah is from the side of Jacob, WHO IS TIFERET. The lower Shechinah, WHICH IS MALCHUT, is the link (Heb. keshet - Kof Shin Resh) between them all, for it receives them all. AND THE WORD KESHER IS FORMED FROM THE INITIAL LETTERS OF TEKI'AH, SHEVARIM, TERU'AH, where teki'ah is Kof, shevarim is Shin, and teru'ah is Resh. And all of them are tripled in the Shechinah, as it is written: 'They proclaim you thrice holy'. For the voice cannot come out OF THE BODY other than through the mouth. So here, too, the Shechinah must not be separated from the Holy One, blessed be He, for about the Holy One, blessed be He, it is said: "The voice of Hashem hews out flames of fire" (Tehilim 29:7). And the Shechinah is "the prayer of every mouth." And these are the mnemonics: Kof Shin Resh Kof; Kof Shin Kof; Kof Resh Kof. AND THE BLOWS ARE EXPLAINED ABOVE.

369. The Shofar is taken in order to awaken with it T'ruah and T'kiah, WHICH ARE harsh Judgment with Mercy, FOR THE T'RUAH IS HARSH JUDGMENT, AND T'KIAH IS MERCY. And Sh'varim T'KIAH means lenient Judgment with Mercy, SINCE SHEVARIM IS LENIENT JUDGMENT AND T'KIAH IS MERCY. And then they thus awaken on high and intermingle with each other, THAT IS, JUDGMENT WITH MERCY AND MERCY WITH JUDGMENT.

370. And in the compilation of the first section, the Faithful Shepherd said that through this the Satan was sweetened and the final Nun of veshet (lit. 'esophagus' - Vav Shin Tet), was folded AND IT RETURNED TO BE A VAV. Where the ESOPHAGUS became the Satan, it is now put back, and becomes an esophagus again, as it was. This is because "the voice is the voice of Jacob" (Beresheet 27:22), for Yisrael have no power through eating and drinking, as do the other nations who inherit this world, for their strength is in eating and drinking. But AS FOR YISRAEL, their strength is in the voice, which is the next world, a long world that was created with the letter Yud. And since the voice of the Shofar WHICH IS THE SECRET OF THE MOCHIN OF ZEIR ANPIN THAT ARE CALLED 'VOICE', WHICH RECEIVES FROM SHOFAR, WHICH IS BINAH, emerges from it, FROM THE YUD WHICH IS CHOCHMAH, the sages said: 'one may not blow less than...ten Shofar verses' NAMELY CORRESPONDING TO THE LETTER YUD (= ten). For with the letter Yud is certainly made a long world, which is Vav, the next world, NAMELY THAT RECEIVES MOCHIN OF THE NEXT WORLD, AS ABOVE. And with the letter Hei He created this world, which is small Hei, NAMELY MALCHUT, in which there is eating and drinking of the Torah, NAMELY THE MOCHIN OF CHOCHMAH AND CHASSADIM THAT ARE CALLED 'EATING' AND 'DRINKING'.

371. And there is yet another secret. For after the decree is enacted in the two letters Hei Hei, which are the two courts OF BINAH AND OF MALCHUT, who is able to rescind the decree of both of them, if not the YUD VAV OF Yud Hei Vav Hei. For the letter Hei OF is Upper Mother, BINAH, and Yud is father, CHOCHMAH. And what is written? "Every vow and every binding oath to afflict the soul (which is Hei THAT IS CALLED 'SOUL', HEB. NEFESH), her husband may let it stand or her husband may make it void" (Bemidbar 30:14). HERE YUD IS THE HUSBAND OF THE FIRST HEI, WHICH IS BINAH, AND VAV IS THE HUSBAND OF THE SECOND HEI, WHICH IS MALCHUT. THUS THE YUD AND VAV CAN RESCIND THE DECREE OF THE TWO HEIS, (the two courts). It is thus necessary to awaken the voice, that is Vav, WHICH IS ZEIR ANPIN, with the ten Shofar verses, that is Yud, IN ORDER TO ANNUL THE JUDGMENTS OF THE TWO (HEIS) COURTS, WHICH ARE BINAH AND MALCHUT. And the main thing is that each of the mnemonics (the order of the prescribed blowing sounds) should be sounded in one breath, in the mouth, which is the tenth part of ten, (the mnemonics being KOF SHIN RESH KOF (standing for the SHOFAR calls: T'KIAH, SHEVARIM, T'RUAH, T'KIAH); KOF SHIN KOF (standing for the calls: TEKI'AH, SHEVARIM, T'KIAH); and KOF RESH KOF (standing for T'KIAH, T'RUAH, T'KIAH)).

372. Immediately on hearing these matters, Rabbi Shimon and the friends exclaimed: Blessed be Elohim that we have been privileged to hear such matters from him, who is called 'the master of all the prophets', 'master of all the sages', 'master of all the ministering angels', through whose mouth the Holy One, blessed be He, and His Shechinah speak, and by whose hands He wrote these secrets, the like of which have not been heard since the revelation of the Torah until now.

373. The FAITHFUL SHEPHERD said TO RABBI SHIMON: holy luminary, complete the matters of the secrets of the first compilation part, by expounding on them, for the heads of all of the academies on high and the heads of all the academies below are ready to hear these things from your mouth, with your clarifications. For thereby will rejoicing and redemption awaken in heaven above and on the earth below. "Give no rest" (Yeshayah 62:7), neither you nor any of your friends.

61. The liver and the heart

Rabbi Shimon says that the heart (God) takes from the liver only that which is pure and clean, leaving all the foulness for Samael, who distributes it to the idol worshipping nations.

374. With T'ruah and T'kiah and Sh'varim, everything is perfumed, one with the other, FOR ALL OF THE JUDGMENTS ARE MITIGATED, and everything that the liver is holding it sacrifices to the heart, which is the King, to nourish him. And it is neither the way of that heart, nor its desire, the foulness of the deeds of His people, but He takes everything that is clear and pure, NAMELY all the merits and the good deeds, while all the foulness, the filth and the dirt, which are the bad deeds He leaves for the liver, WHICH IS SAMAEI, about whom it is said: "Esau...is a hairy (Heb. sair) man" (Beresheet 27:11). And all its arteries, which are the other idol-worshipping peoples, are as it is written: "And the goat (Heb. seir) shall bear upon him all their iniquities" (Vayikra 16:22). What is meant by "their iniquities" (Heb. avonotam)? avonot tam, namely the iniquities of a tam, a complete man, the reference being to the same one about whom it is said: "And Jacob was a plain (Heb. tam) man" (Beresheet 25:27). And the iniquities of His people are in the arteries AND SINEWS that pulsate in the heart.

371. ועוד רזא אחרא, בתר דאתגזר גזרה בתרין אתוון, דאינון ה' ה', תרין בתי דינין, מאן יכיל לבטלא גזרה דתרווייהו. י"ו. דאת ה"א אימא עלאה. י' אב. ומה בתיב, כל נדר וכל שבועת אסר לענות נפש, דאיהי ה', אישה יקימנו ואישה יפרנו. ובג"ד, צריך לאתערא קלא דאיהו ו', בעשרה שופרות, דאינון י'. ועקרא דלהון בנשימה אחת, כל סימן וסימן, בפה, דאיהי י' מעשרה.

372. מיד דשמעו מלין ר"ש וכל חברייה, אמרו, בריך אלהא דזכינא למשמע מלין, מההוא דאתקרי רבן של נביאים, רבן דחכמים, רבן דמלאכי השרת, דקודשא בריך הוא ושכינתיה מדבר על פומי, וכתב על ידוי רזין אלין, דלא אשתמעו כוותיהו ממתן תורה, ועד בען.

373. א"ל, בוצינא קדישא, אשלים מלולי דרזין דחבורא קדמאה, לפרשא לון, דהא כל מארי מתיבתאן דלעילא, ומארי מתיבתאן דלתתא, בלהו מזומנין למשמע מלין אלין מפומך, ופירושין דילך. דהא חדרה ופורקנא, יתער בהון לעילא ותתא. אל תתנו דמי, לא אנת, וכל סיעתא דילך.

375. And this is why boils and leprosy and skin sores of all the limbs are to be found in the liver, deriving from the filth that remains there. From the heart comes health for all the limbs, for that is how it is: since the heart took all that is pure, clean, and bright, the liver takes what is left over there of the dirt and the filth and distributes it to all the other limbs, which are the other idol worshipping nations, against their will. And from the garbage, the refuse of the liver, the spleen, WHICH IS LILIT, takes, about whom it is said: "Let there be lights" (Bereshheet 1:14), where the word 'lights' is spelled without Vav, WHICH CAN ALSO BE READ AS M'ERAT, 'THE CURSE OF,' BECAUSE LILIT WAS CREATED, as in the verse: "The curse (Heb. M'erat) of Hashem is in the house of the wicked" (Mishlei 3:33).

375. ובג"ד, שחין וצרעת וספחת, לכל אינון אברין, מכבד אשתכחו, מאילין לכלוכין דאשתארו ביה. מלבא אתי כל בריאותא, לכל אברין. דהכי הוא, בין דלבא נטיל כל זכיכו וברירא וצחותא. כבד נטיל כל מה דאשתכח ואשתאר מן לכלוכא וטנופא. וזריק לכל שאר שייפין, דאינון שאר עמין עבו"ם אחרנין, בעל כרחיהו. ומפסולות דמפסולות דכבד, נטל טחול, דאתמר ביה יהי מארת. מארת יי בבית רשע.

62. The spleen and the gall

Moses talks about the spleen that is laughter and the gall that is anger, and says that anger is better than laughter; this illustrates his point that the righteous are punished now for their sins so that they will inherit the World to Come.

376. More was compiled in this first section. The Faithful Shepherd said, Did not the sages teach about it: The spleen laughs, and this is "the laughter of the fool" (Kohelet 7:6)? For this reason the sages of the Mishnah taught: Woe to him to whom time laughs. FOR HE RECEIVES HIS REWARD DURING HIS LIFETIME. And Kohelet said: "Anger is better than laughter" (Kohelet 7:3). THE MEANING OF THIS IS: The anger of the liver, which is the gall, the whiplash of the Holy One, blessed be He, is a whip with which to beat the righteous in this world with bad illnesses and plagues. AND THIS IS BETTER than the laughter with which the spleen, WHICH IS LILIT, laughs at us, with the dirt of this world, and better than the laughter of time, namely temporary wealth. FOR THEY RECEIVE IN THIS WORLD THE REWARD OF THE GOOD DEEDS THAT THEY DID, SO THAT THEY SHOULD UTTERLY PERISH FROM THE NEXT WORLD, WHILE THE RIGHTEOUS RECEIVE THE PUNISHMENT FOR THE SINS THEY HAVE COMMITTED IN THIS WORLD SO THAT THEY WILL INHERIT THE NEXT WORLD. Again, venom of the spleen is a reptile of the dust, which is stronger than the venom of the gall.

376. עוד אמר בחבורא קדמא, אמר רענא מהימנא, והא אוקמוה רבנן עליה, טחול שוחק. ואיהו שחוק הכסיל. ובג"ד, אוקמוה רבנן דמתניתין, אוי לו למי שהשעה משחקת לו. וקהלת אמר טוב בעס משחוק. טוב בעס דכבד, דאיהי מרה, רצועה דקודשא ברין הוא, רצועה לאלקאה בה צדיקאי בעלמא דין במרעין בישין, במכתשין, משחוק דשחיק לון בטחול, בכלוכא דהאי עלמא, דשוחק לון שעתא בעותרא. ועוד, ארס דטחול איהו זחיל עפר, ואיהו תקיף יתיר מארס דמרה.

377. And since the mixed multitude are the leaven in the dough, NAMELY THEY INTERMINGLED WITH YISRAEL AS LEAVEN IN THE DOUGH and the nations of the world are like chaff, the mixed multitude delays Yisrael in exile more than do the idol-worshipping nations, as the sages taught. But what prevents us? The leaven in the dough." FOR THE MIXED MULTITUDE stick to Yisrael as does the leaven to the dough, but the nations of the world are no more than "like the chaff which the wind drives away" (Tehilim 1:4).

377. ובגין דערב רב אינון שאור שבעיסה, ואינון אומין דעלמא דמיין למוץ, יתיר מעכבין בגלותא ערב רב לישראל, מאומין עבו"ם. כמה דאוקמוה רבנן, מי מעכב. שאור שבעיסה מעכב. דאינון דבקיין בישראל, בשאור בעיסה. אבל אומין עבו"ם, לאו אינון אלא כמוץ אשר תדפנו רוח.

63. The scapegoat, the liver and the heart

The Faithful Shepherd explains how the goat bears all of Yisrael's iniquities.

378. Again: "And the goat shall bear upon him all their iniquities" (Vayikra 16:22). When the Satan wants to inform against Yisrael before the Holy One, blessed be He, and he bears all the sins that he can carry, until he becomes heavy (Heb. kaved, which word also means 'liver') "like a heavy burden they are too heavy for" him (Tehilim 38:5), THAT HE CARRIES upon his wings. What does he do? He, like an ass, ascends a high mountain, and when he gets near the top and wants to climb up that little bit more that is left for him, the weight of the burden overcomes him, and he falls, and tumbles down to the bottom, and with the weight of the burden pressing on him, all his bones are broken into pieces, until not a single limb in him remains whole. Thus, too, did it happen to Samael and the Serpent, which are liver and the appendix of the liver, the Evil Inclination and its partner a harlot, whence every daughter of a strange El is CALLED 'a harlot'.

End of the Ra'aya Meheimna

Rabbi Pinchas reiterates the information about the role of Samael, the liver. We also hear about the humility of David.

379. Rabbi Pinchas said TO RABBI SHIMON, This path was ordained for me to hear these things from the Ancient of Days. Happy is the world in which you reside. Woe to the world where orphans remain without knowing matters of Torah properly. For it is certainly like that: the liver, WHICH IS SAMAEL, takes everything, good and bad, and although it moves around and gathers in all the sins of Yisrael, it likewise gathers up their merits, too, to establish his slanderous informing FOR THE LIAR HAS TO SPEAK SOME TRUTH AT THE BEGINNING FOR PEOPLE TO BELIEVE HIM. And it sacrifices everything, BOTH MERITS AND DEMERITS, to the heart, and the way of the heart is not to take anything but the purest, clearest and brightest of all, NAMELY THE MERITS, as you have said. And the remaining filth and dirt, WHICH ARE THE INIQUITIES, it returns to the liver, who has no choice but to take everything, as it is written: "And the goat shall bear upon him all their iniquities" (Vayikra 16:22). I am going over this matter again, ALTHOUGH YOU HAVE ALREADY STATED IT, so that it will be sweet in my mouth as the sweetness of honey. Happy is my portion that I have been privileged to see this with my own eyes.

380. He, too, began by quoting: "Hashem, my heart is not haughty, nor my eyes lofty" (Tehilim 131:1). David spoke this verse when he was walking on the bank of the river, and said, Master of the Universe, has there ever been a man in the world who gave thanks and praised his Master as I have? A frog chanced by and said to him, David, you have no cause to be proud, for I have achieved more than you, for I have sacrificed my body at my Master's command, as it is written: "and the river shall bring forth frogs in swarms" (Shemot 7:28). And this, indeed, is how it has been interpreted. And also, I give praises and sing day and night, without interruption. Then at that moment, David said: "Hashem, my heart is not haughty, nor my eyes lofty." "Hashem, my heart is not haughty..." (THE CONTINUATION IS MISSING).

378. ועוד ונשא השעיר עליו, כד רעותיה למעבד קורצנא לקודשא בריך הוא עם ישראל, דאיהו נשא כל חובין דיכיל למסבל לון, עד דאתעביד כבד, כמשא כבד יכבדו ממנו, חובין על גדפוי. מה עביד, סליק לטורא עלאה, בחמרא כד איהו בעי לסלקא לטור גבוה, כמשא כבד יכבד עליה. כד איהו לעילא, ובעי לסלקא לפי מעוט דאשתאר ליה, אתיקר עליה מטולא, ונפיל, ואפיל גרמיה לתתא, ובכבד משא דאתתקף עליה, אתעבידו כל אברין דיליה פסקות, דלא אשתאר אבר שלים. אוף הכא אירע לסמאל ונחש, כבד ויותרת הכבד, יצר הרע ובת זוגיה זונה. מתמן כל בת אל נכר זונה. ע"כ רעיא מהימנא

380. אוף הוא פתח ואמר, יי' לא גבה לבי ולא רמו עיני וגו', האי קרא אמר דוד, בשעתא דהוה אזיל על כוף נהרא, אמר רבש"ע, כלום הוה ב"נ בעלמא, דאודי ומשבח למאריה כותי. אודמנת ליה צפרדע, א"ל, דוד, לא התגאה, דאנא עבדית יתיר מנך, דמסרית גופאי על מימרא דמארי, דכתיב ושרץ היאור צפרדעים, והא אוקמוה. ותו דאנא משבח ומזמר ליליא ויומא, בלא שכיכו. בההיא שעתא אמר דוד, יי' לא גבה לבי ולא רמו עיני. יי' לא גבה לבי.

64. The rose

We learn that when Yisrael open their hearts in repentance they immediately emit a sweet fragrance and God removes them from among the thorns.

381. (THE BEGINNING OF THE ARTICLE IS MISSING)...this is a sacrifice that is on every day and at every time to the Holy One, blessed be He, in which the Shechinah is included among all HER other crowds, WHO ARE YISRAEL. And all these Services remove her from among the thorns, namely from among the other nations. So it is with Yisrael. So long as they are hard-hearted and do not make a start at repenting, they do not send up an aroma, and there is none to remove them from among the thorns. But when they open their hearts in repentance, they immediately emit an aroma, and He removes them from among the thorns. And the Congregation of Yisrael, WHICH IS MALCHUT, obtains pleasure from them, as it is written: "Open to me, my sister, my love" (Shir Hashirim 5:2), for so long as the rose is closed, it gives off no aroma and does not rise above the thorns but sits among them, as they have said. And the only reason that the Holy One, blessed be He, sent us along this path was so that we should learn these matters.

381. דא הוא קרבנא, דבכל יומא, ובכל זמן וזמן, לגבי קודשא בריך הוא. דאתכלילת כנ"י ביה, בין כל שאר אכלוסין, וכל אילין פולחנין, אפיקו לה מבין גובין, ומבין שאר עמין. כך ישראל, כל זמן דאינון אטימי לבא, ולא פתחין בתשובתא, לא סלקין ריחא, ולא אפיק לון מגו גובין. אבל כד פתחין בתשובתא, מיד סלקין ריחא, ופיק לון מבין גובין, ויתהני בהו כנסת ישראל. דכתיב, פתחי לי אחותי רעיתי. דכל זמן דשושנה אטימא, לית לה ריחא, ולא סליקא מבין גובין, ודיורהא בינייהו, כמה דאתמר. וקודשא בריך הוא לא שדר לן למהך אורחא דא, אלא לאוליך מלין אלין.

65. The eagle

An eagle descends, takes a rose from among the rabbis, and flies away. Rabbi Pinchas talks about the inner meaning of this event. In the morning the rabbis see a comet, and Rabbi Pinchas says that when God calls the stars by name they run to praise him.

382. While they were still sitting there, an eagle came, descended IN HIS FLIGHT and took one rose from among them and went. They said: From here on we shall go on our way. They arose and left. And so far they had ALL gone in the way of Rabbi Pinchas, for Rabbi Shimon went together with Rabbi Elazar and the other companions, while Rabbi Pinchas was with the other companions.

382. עד דהוו יתבי, אתא נשרא, ומאיך, ונטיל חד שושנה מבינייהו, ואזלת. אמרו, מכאן ולהלאה, נהך לאורחין. קמו ואזלו. עד הכא אורחא דר' פנחס, ור' ש אזל ליה, איהו ור' אלעזר, ושאר חברייהו, ור' פנחס ושאר חברייהו.

383. Rabbi Pinchas began by quoting about this, ABOUT THE EAGLE THAT TOOK THE ROSE: "To the chief musician upon Shushan Edut; A michtam (lit. 'writ') of David, to teach" (Tehilim 60:1). What is the meaning of "to teach"? It is to teach wisdom to mortal man, and we have already expounded this. "Shushan Edut" refers to the Great Sanhedrin, WHICH IS MALCHUT THAT ATTIRES BINAH, FOR THE MOCHIN OF BINAH ARE CALLED 'EDUT' (LIT. 'TESTIMONY'). "A michtam of David" refers to a sign that was shown to David in Shushan Edut THAT HE WOULD WIN THE WAR, when he sent Joab to Aram Naharaim (Mesopotamia) and Aram Tzova to make war against them. Rabbi Pinchas said, This Shushan Edut that is mentioned here is when the stars that are in the heavens and the Shechinah are over us, and with it the upper levels, NAMELY THE MOCHIN OF BINAH THAT ARE CALLED 'TESTIMONY', and it is a holy help for extolling praises. This is Shushan, in perfection, as is fitting. They arose and went on their way, some in one direction, others in a different direction. Rabbi Pinchas went to the village of Akimin and stayed overnight, and Rabbi Yitzchak and Rabbi Chiya were with him.

383. פתח ואמר ר' פנחס על זה, למנצח על שושן עדות מכתם לדוד ללמד, מאי ללמד. לאולפא לבני עלמא חכמתא. והא אוקמוה, שושן עדות, אלין סנהדרין גדולה. דכתיב בה, סגה בשושנים. מכתם לדוד סימנא דאחזיאו ליה לדוד, כד שדר ליואב לארם נהרים ולארם צובא, לאגחא בהו. א"ר פנחס, דא איהו שושן עדות דקיימא הכא, הא ככביא בשמיא, שכינתא עלן, ודרגין עלאין בהדה, וסייעתא קדישא לתושבחתא, דא איהו שושן בשלימו בדקא יאות. קמו ואזלו. אלין הכא ואלין הכא. אזל ליה ר' פנחס, ובת בכפר עקימין, ור' יצחק ור' חייא בהדיה.

384. As they got up early to leave, and sat to wait for the morning light, Rabbi Chiya looked up and saw those comets: NAMELY STARS THAT CARRY ALONG A TAIL OF LIGHT BEHIND THEM, streaming in the sky. He said: a number of times I have asked about those stars. WHAT IS THEIR SIGNIFICANCE?

384. עד דאקדימו למיזל, יתבו ומחכו לנהורא דצפרא, זקיף עינוי ר' חייא, וחמא אלין בוכבייא דשרביטא, דקא מרהטן ואזלן. אמר, ודאי בכמה זמנין שאלנא על אלין בוכבייא.

385. Rabbi Pinchas said, These comets are known in the understanding of the companions, for the Holy One, blessed be He, created all these stars of the firmament, both great and small, and they all give thanks and praise to the Holy One, blessed be He, and when their time to sing praises arrives, the Holy One, blessed be He, calls them by name, as it is written: "He calls them all by names" (Yeshayah 40:26). And they then run and hold out a scepter of light to go and praise their Master in the same place where they were numbered, as it is written: "Lift up your eyes on high and behold who has created these things, that brings out their host by numbers" (Ibid.). Meanwhile the light dawned. They arose and went.

66. A great eagle and King Solomon

An eagle circles over the heads of the rabbis. Rabbi Pinchas interprets this as a sign of mercy for those who are on their sick-beds, and says that this is the time for them to be healed. He calls to the eagle but it flies away, and Rabbi Chiya recalls how King Solomon used to ride on a great eagle every day to the place where Aza and Azael were imprisoned; from them Solomon learned wisdom.

386. While they were walking along, a large eagle came and circled their heads, remaining over them. Rabbi Pinchas said, This is certainly a favorable time, right now, and the Gates of Mercy are open for all those who are on a sick-bed, and this is the time to heal them. And although they are the prisoners of the King, FOR THEY ARE CONFINED TO THEIR BEDS, this eagle is a sign of Mercy, FOR THE FACE OF THE EAGLE IS THE SECRET OF THE CENTRAL COLUMN, WHICH IS MERCY.

387. He began by quoting: "As an eagle that stirs up its nest, broods over its young" (Devarim 32:11). There is none in the world that has mercy over its young as does the eagle. This we have already learnt as it is written: "and the young vultures shall eat it" (Mishlei 30:17), for he is merciful to his children. And since now is the time of mercy, this eagle has come and circled around us. This is the time of mercy for all those who are ill AND LYING ON THEIR BEDS, and this is as it is written: "My voice shall You hear in the morning, Hashem" (Tehilim 5:4), this being the morning of Abraham, WHICH IS THE SECRET OF CHESED, and the awakening OF CHESED.

388. While he was speaking, the eagle flew in a circle and went ahead of them. Rabbi Pinchas said, Eagle, eagle, what are you doing here with us? If you have come on a mission from your Master, behold, we are here. If you have come for something else, behold, we are here, ready. The eagle flew upwards and disappeared from their sight, and they sat down.

389. Rabbi Chiya said: This matter of King Solomon is wondrous, for we have learned that a large eagle used to come to King Solomon every day, and King Solomon would ride on the wings, and they would travel four hundred parasangs in one hour. Where did the eagle take him? "and Tadmor in the wilderness" (I Melachim 9:18), in the hills. There is a certain place among the Mountains of Darkness that is called 'Tarmod' in the wilderness, and this is not the place WHERE the Tarmodites LIVE, but Tarmod that is in the wilderness in the hills, where all the spirits AND FORCES of the Other Side gather. And that eagle would fly there in one hour.

390. Once the eagle stood over that place, TARMOD; the eagle drew itself up, and Solomon wrote a note and threw it down there, and THEREBY was saved from those spirits. And the eagle used to look into the darkness of the mountains, to the place where Uza and Azael were imprisoned by chains of iron, thrust and anchored in the depths; there is no man in the world that has the ability to enter there, not even birds of the heaven, with the exception of Bilaam.

391. And since the eagle used to look into the great darkness, he FLEW down low and took King Solomon under his left wing and covered him. AND THE EAGLE stood upon those chains OF UZA AND AZAEL, and drew near to them. Solomon then took out a ring, on which he had engraved the Holy Name, and placed it in the eagle's mouth. And immediately they, UZA AND AZAEL, would say everything that Solomon wanted, and from there Solomon knew wisdom. This is as it is written: "And Solomon built (Heb. Vayiven)... Tadmor in the wilderness, in the land" (Ibid.). HE ASKS did he really put up a building in the land? No! So what is meaning of "Vayiven"? VAYIVEN COMES FROM THE WORD HAVANAH (lit. 'understanding'), for he looked with understanding and knew that place, TADMOR, from which he knew wisdom.

67. The rose, part two

The eagle returns, drops a rose to the rabbis, and again flies away. Rabbi Pinchas says that God sent them this rose through the agency of the eagle as testimony to the Work of Creation. He explains the meaning to be derived from the parts of the rose.

392. And while they were still sitting there, the eagle came back to them, with one rose in its mouth, which he dropped in front of them, and flew away. They saw this and rejoiced. Rabbi Pinchas said, Did I not tell you that this eagle is on a mission from its Master? This rose (Heb. shoshanah) is an allusion to Shushan Edut, as I said, and the Holy One, blessed be He, sent it to us.

393. He began again as before and said: "To the chief musician upon Shushan Edut; A michtam (lit. 'writ') of David, to teach" (Tehilim 60:1). HE ASKS does this mean that Shushan is testimony (Heb. edut)? What is the testimony to which it testifies? THE ANSWER IS that this Shushan is witness to the Work of Creation, and is witness to the Congregation of Yisrael, and is witness to the heavenly unity. And this is so because in a rose (Heb. shoshanah) there are thirteen petals, all of them on one root, and there are five strong petals on the outside, that cover this rose and protect it.

394. And it is all in the secret of wisdom, for the thirteen leaves allude to the thirteen attributes of Mercy that the Congregation of Yisrael, WHICH IS MALCHUT, inherit from above, FROM THE THIRTEEN ATTRIBUTES OF ARICH ANPIN. And all of them are attached to one root, which is one covenant, NAMELY YESOD OF ZEIR ANPIN, BY WHOSE MEANS MALCHUT RECEIVES THE THIRTEEN ATTRIBUTES OF MERCY OF ARICH ANPIN. AND THUS THE ROOT OF THE THIRTEEN LEAVES OF THE ROSE THAT ARE BENEATH THEM IS an example of the covenant, which is the foundation (Yesod) of everything. The five strong LEAVES that surround it are the fifty gates, NAMELY CHESED, GVURAH, TIFERET, NETZACH, AND HOD, OF BINAH, EACH ONE OF WHICH IS COMPOSED OF TEN. And they are five hundred years that the Tree of Life, WHICH IS ZEIR ANPIN, goes by, FOR IT RECEIVES THEM IN THE PLACE OF BINAH, WHOSE SFIROT ARE IN THE SECRET OF HUNDREDS, AND THEY ARE FIVE HUNDRED YEARS.

395. THE ROSE IS witness to the Work of Creation, for all the Works of Creation are words known with understanding and take part in the reckoning of Elohim of the Work of Creation, WHICH IS BINAH. And it is seen above and seen below. It is seen above, namely in the secret of the next world, WHICH IS BINAH, and seen below in the secret of the Congregation of Yisrael, WHICH IS MALCHUT.

396. The rose is witness to the Work of Creation, for it has all these signs, NAMELY THE THIRTEEN ATTRIBUTES OF MERCY AND THE FIVE SFIROT OF CHESED, GVURAH, TIFERET, NETZACH, AND HOD. For it is written: "In the beginning Elohim created..." (Bereshheet 1:16): This is the rose, WHICH IS BINAH AND WHICH IS MALCHUT, BECAUSE IT IS SEEN ABOVE AND SEEN BELOW, AS ABOVE IN THE PRECEDING SECTION. The thirteen leaves are the thirteen words from "In the beginning Elohim" (Bereshheet 1:1) UNTIL "...AND A WIND FROM Elohim" (Ibid. 2), namely: ...1) the 2) heaven 3) and the 4) earth. 5) And the earth 6) was 7) without form 8) and void 9) and darkness was 10) on 11) the face of 12) the deep 13). And a wind... These, then, are the thirteen leaves of the rose THAT ALLUDE TO THE THIRTEEN ATTRIBUTES. The five stronger LEAVES that surround these thirteen are: 1) moved 2) over 3) the surface of 4) the waters. 5) And (Elohim) said; FROM THE WORD ELOHIM IN THE EXPRESSION "AND A WIND FROM ELOHIM" UNTIL "ELOHIM" IN "AND ELOHIM SAID." For there are five others THAT ALLUDE TO THE FIVE SFIROT: CHESED, GVURAH, TIFERET, NETZACH, AND HOD, AS EXPLAINED ABOVE. After this comes "Let there be light," this being the prime cause and the root of the rose, for all THE GRADES ARE INCLUDED IN AND attached to it.

397. THE ROSE IS witness to the unity, for the five strong leaves are the roots and the unity to which these thirteen leaves are attached. THE FIVE WORDS, "Hear, Yisrael, Hashem our Elohim; Hashem" (Devarim 6:4), PARALLEL the five leaves of the rose, while "one" is the prime cause and the root to which all of them are attached, for the word Echad (lit. 'one') is a secret, having the numerical value of thirteen. And this is the King's signet ring.

398. Come and see: "Like the rose among the thorns" (Shir Hashirim 2:2), so is Yisrael among the idol-worshipping nations and so is the Congregation of Yisrael, WHICH IS MALCHUT among the many other angels appointed OVER THE NATIONS. So long as the rose stands there closed, unopened, it has no fragrance and one does not lift it out and remove it from among the thorns. When the rose is open and gives off a fragrance, then one takes it out from among the thorns. And the Congregation of Yisrael will benefit from them, as it is said: "Open to me, my sister, my love" (Shir Hashirim 5:2). And the Holy One, blessed be He, only sent to us THE EAGLE, WHO BROUGHT THE ROSE SO THAT we should continue on our journey WITH THE SHECHINAH.

68. Internal organs

Rabbi Shimon explains to his son the secret of the inner organs, telling him about the wings of the lung that are like the wings of a dove covered with silver, Chassadim.

399. Rabbi Elazar said to his father, We have already heard THE EXPOSITION OF the finished organs, NAMELY THE EXTERNAL LIMBS, in the secret of the sacrifice, but what is the secret of the other organs, THE INNER ONES? Rabbi Shimon said to Rabbi Elazar: Elazar, my son, all the other organs that are internal have a supreme secret.

400. Come and see, We have already learned about the heart: The heart is a burning fire, and if the Supreme King had not arranged for it the wings of the lung that bring to it a breeze from the wind that blows with the upper spices, NAMELY FROM THE UPPER THREE SFIROT OF ZEIR ANPIN, the heart would burn up the whole world in a single moment.

401. He began by quoting: "Then Hashem caused to rain upon S'dom and upon Amorah brimstone and fire" (Beresheet 19:24). Why did he burn them? Because at that time the wings of the lung did not blow a wind ON THE ILLUMINATION OF THE LEFT THAT IS IN THE HEART. AND THUS IT WAS THE ILLUMINATION OF THE LEFT THAT BURNT THEM UP. And the secret of these wings of the lung is the secret of the verse, "the wings of a dove covered with silver" (Tehilim 68:14). FOR DOVE, WHICH IS THE SECRET OF MALCHUT, OF WHICH THE ROOT IS FROM THE LEFT OF BINAH, FROM THE ASPECT OF THE HEART, HAS TO BE COVERED WITH SILVER, WHICH IS THE SECRET OF CHASSADIM. AND WHEN IT IS COVERED WITH SILVER IT IS THE SECRET OF THE ANGELS Raphael and Tzidkiel, WHICH ARE DRAWN DOWN FROM IT FOR THE HEALTH AND SALVATION OF THE WORLD. And it is said about them: "who makes the winds His messengers" (Tehilim 104:4), namely permanently to blow on the heart, NAMELY TO ILLUMINATE WITH CHASSADIM. Moses tells Rabbi Shimon about the inner meaning of the brain, the heart, the lungs and the kidneys, further refining his interpretation of the brain, which he says is the Throne of Mercy. Ra'aya Meheimna (the Faithful Shepherd)

397. סְהִדוּתָא לְיְחֻדָא. חֲמֵשׁ עָלִין תְּקִיפִין, שְׂרָשִׁין וְיְחֻדָא, דְּאֲחִידֵן בֵּיהַ תְּלִיסַר עָלִין אֱלִין. שְׁמַע יִשְׂרָאֵל יְיָ אֱלֹהֵינוּ יְיָ, הָא חֲמֵשׁ עָלִין דְּשׁוֹשַׁנָּה. אַחַד, דָּא הוּא עֵיקְרָא וְשְׂרָשָׁא דְכָלְהוּ אֲחִידֵן בֵּיהַ. רְזָא דְתְלִיסַר בְּחוֹשְׁבָנָא, גּוֹשְׁפִנְקָא דְמַלְכָא.

402. And in the compilation of the first section, the Faithful Shepherd said TO RABBI SHIMON, holy luminary, everything that you have said is good, but the brain is water, IE. CHOCHMAH THAT IS ON THE RIGHT, WHICH IS THE SECRET OF CHASSADIM; the heart is fire, WHICH IS THE SECRET OF THE CHOCHMAH WHICH IS IN THE LEFT COLUMN OF BINAH, WHICH IS THE SECRET OF JUDGMENTS, and the two of them are Mercy and Judgment. This, THE BRAIN, is the Throne of Mercy, while the other, THE HEART, is the Throne of Judgment. And the Holy One, blessed be He, is the King who stands up from the Throne of Judgment which is the heart, and sits down on the Throne of Mercy which is the brain.

403. When iniquities multiply in the organs and in the arteries of the heart, which is the Throne of Judgment, it is said of the heart: "And the king arising from the banquet of wine in his wrath" (Ester 7:7), which is the wine of the Torah. But when the wings of the lung blow on the heart, it is said: "Then the king's wrath was pacified" (Ibid.10). For the two wings of the lung are THE SECRET OF THE VERSE, "And the Cherubs shall stretch out their wings on high, over spreading the covering with their wings" (Shemot 25:20). This is the atonement of the heart.

404. And in what way was the king's wrath appeased? It was because "then he heard the voice" (Bemidbar 7:89), this being the voice of the Torah, the voice of the recital of the Sh'ma, WHICH IS THE CENTRAL COLUMN, WHICH IS CHASSADIM, THAT UNITES THE RIGHT AND THE LEFT WITH EACH OTHER UNDER THE CONTROL OF THE CHASSADIM. AND THEN THE JUDGMENTS ARE QUIETED, AS EXPLAINED IN THE PREVIOUS PARAGRAPH. "and it spoke to him" (Ibid.), WHICH IS THE SECRET OF THE REVELATION OF CHOCHMAH THAT IS IN MALCHUT, WHICH IS CALLED 'SPEECH', and this is in the prayer that is formulated in the mouth, which is "Adonai, open my lips; and my mouth shall rehearse your praise" (Tehilim 51:17), WHICH IS MALCHUT.

405. And that wind that blows in the wings of the lung, NAMELY THE CHASSADIM THAT ARE REVEALED BY CHOCHMAH OF THE RIGHT, AS ABOVE IN THE PRECEDING PARAGRAPH, carries the voice out through the trachea (Heb. kaneh), which is "Get (Heb. k'neh) wisdom, get understanding" (Mishlei 4:5). FOR THE VOICE, WHICH IS ZEIR ANPIN, NAMELY VAV, IS THE SON OF YUD HEI, WHICH ARE CHOCHMAH AND BINAH. And about this it is said: "Thus says Adonai Elohim; Come from the four winds, O breath (Heb. Ruach)" (Yechezkel 37:9). And the four are the four letters of the Holy Name Yud Hei Vav Hei OF ZEIR ANPIN. And this is the wind that beats and palpates on all the arteries of the heart, about which it is said: "Wherever the spirit (Ruach) was minded to go, they went" (Yechezkel 1:12).

406. The holy luminary said TO THE FAITHFUL SHEPHERD: Certainly, O Faithful Shepherd, it is your level at which it is said: "Then the king's wrath was pacified (Heb. shachachah)," FOR THE LEVEL OF THE FAITHFUL SHEPHERD IS THE CENTRAL COLUMN, WHICH IS ZEIR ANPIN, THAT IS CALLED 'VOICE', BY WHICH THE JUDGMENTS ARE QUIETED, AS ABOVE. "Happy is the people that is in such a case (Heb. shecachah)" (Tehilim 144:15) SHACHACHAH having the numerical value of Moses. THE FAITHFUL SHEPHERD said to him, Blessed are you, O holy luminary, FOR YOU ARE the candle that burns before the King and His Matron. "the candle of Hashem" (Mishlei 20:27) is your soul.

רעיא מהימנא

402. ובחבורא קדמא, אמר רעיא מהימנא, בוצינא קדישא, כל מה דאמרת שפיר, אבל מוחא איהו מים, לב איהו אש, ותרוניהו איהו רחמי ודינא, דא כסא רחמי, ודא כסא דינא. וקודשא בריך הוא מלך, עומד מכסא דין, דאיהו לב. ויושב על כסא רחמים, דאיהו מוחא.

403. וכד חובין מתרבין על אברים, ועל ערקין דלבא, דאיהו ברסניא דינא. אתמר בלבא, והמלך קם בחמתו ממשטה היין, דאיהו ינא דאורייתא. ובזמנא דכנפי ריאה נשבין על לבא, וחמת המלך שככה. דתרין כנפי ריאה, והיו הכרובים פורשי כנפים למעלה סוככים בכנפיהם על הכפרת, דא כפורתא דלבא.

404. ובמאי וחמת המלך שככה. בגין וישמע את הקול, דא קול תורה, קול דק"ש. וידבר אליו, בצלותא דפומא, דאיהו אדני שפתי תפתח ופי יגיד תהלתך.

405. והוא רוחא דנשיב בכנפי ריאה, איהו אפיך קלא בקנה, דאיהו קנה חכמה קנה בינה. ואתמר בה, כה אמר יי מארבע רוחות באי הרוח. דאינון ארבע אתון ידוד, והאי איהו רוח דדמיק בכל ערקין דלבא, דאתמר בהון, אל אשר יהיה שמה הרוח ללכת ילכו.

406. אמר בוצינא קדישא, ודאי רעיא מהימנא, דרגא דילך איהו, דביה וחמת המלך שככה. אשרי העם שככה, בגימטריא משה. אמר ליה, בריך אנת בוצינא קדישא, בוצינא דדליק קמי מלכא ומטרוניתא. נר יי, איהו נשמה דילך.

407. RABBI SHIMON said to THE FAITHFUL SHEPHERD, You have given AN EXPLANATION for the brain, the heart, and the wings of the lungs, but what about the two kidneys? What are they? The Faithful Shepherd replied, We learned about the wings of the lungs: "who makes the winds His messengers" (Tehilim 104:4), THIS BEING THE SECRET OF CHASSADIM, WHICH ARE CALLED 'WINDS'. The kidneys ARE "the flames of fire His ministers" (Ibid.), NAMELY JUDGMENTS, and the two wings of the lung with the two kidneys stand for the four living creatures of the Throne, WHERE THE WINGS OF THE LUNG ARE LION AND EAGLE, WHICH ARE CHASSADIM, AND THE TWO KIDNEYS ARE OX AND MAN, WHICH ARE GVUROT. And the Throne is the heart that is in the middle, WHICH IS THE THRONE OF JUDGMENT.

408. And so, too, does the brain have four living creatures, FOR THE BRAIN is the Throne of Mercy. And who might they be? They are sight, hearing, smell, and speech. Sight is lion, NAMELY CHOCHMAH. Hearing is ox, NAMELY BINAH. Smell is eagle, NAMELY ZEIR ANPIN, and each of them has four countenances and four wings. Speech is man, NAMELY MALCHUT. He is attached above, NAMELY ON THE MOUTH OF THE HEAD, and below IN THE BODY. For ABOUT the arms of the body, IT IS SAID: 'Our hands are spread forth as the eagles of the heavens'. Body is man, THAT IS TO SAY THAT HE IS IN THE ASPECT OF MALCHUT, WHICH CLINGS TO THE CENTRAL COLUMN, WHICH IS BODY. And ABOUT the thighs IT IS WRITTEN: "and the sole of their feet was like the sole of a calf's foot" (Yechezkel 1:7), WHICH INCLINE TO THE FACE OF OX, WHICH IS GVURAH. And about the body, WHICH IS MAN, it is called "the second chariot" (Beresheet 41:43), NAMELY THE CHARIOT OF MALCHUT, WHICH IS CALLED 'SECOND' (HEB. MISHNEH), BUT THIS CAN ALSO BE READ AS Mishnah, WHICH IS MALCHUT. End of Ra'aya Meheimna From Rabbi Shimon we learn about the spleen, called Lilit, and the liver, called Samael or the Angel of Death.

409. WHAT IS the spleen? The holy luminary, NAMELY RABBI SHIMON, began: "and considered all the oppressions that are done under the sun: and behold the tears of such as were oppressed" (Kohelet 4:1). Who are those who are oppressed? They are the children who are still in need of their mother when the Angel of Death takes them from the world. HE ASKS, And is it indeed the case that the Angel of Death kills them, that he oppresses THEM? AND REPLIES, Not really, for Scripture adds: "and on the side of their oppressors there was power; but they had no comforter" (Ibid.). Then who is that power THAT KILLS THEM? The answer to this is to be found in the verse: "Let there be lights (Heb. meorot) in the firmament of heaven" (Beresheet 1:14). And the word "meorot" is written in the abbreviated spelling, namely without a Vav, AND CAN BE READ MEEROT. The reference, therefore, is to Lilit, who is appointed over that oppressor.

410. AND LILIT is called 'spleen', and she goes to play with the children, later KILLING THEM, and creates in them anger and tears and bewailment. The spleen goes to its own kind, the liver, WHICH IS SAMAEL, WHO IS THE ANGEL OF DEATH. This, NAMELY THE LIVER, was created on the second day OF THE WORK OF CREATION, while the other, NAMELY THE SPLEEN, was created on the fourth day of the Work of Creation. And for this reason it is not a good omen TO COMMENCE SOMETHING on Mondays or on Wednesdays. Liver is death for adults; spleen is death for children. Moses repeats some of the information from earlier sections and adds the fact that anger comes from the gall and that anyone who is angry is the same as an idol-worshipper. We learn that the Shechinah wraps the body that is sick in order to heal it, but the totally wicked person is surrounded on all sides by the Angel of Death. Ra'aya Meheimna (the Faithful Shepherd)

407. א"ל, היא אמרת מוחא ולבא וכנפי ריאה, תרי כולין מאי ניהו. אמר רעיא מהימנא, הא אוקימנא בכנפי ריאה, עושה מלאכיו רוחות, כולין משרתי אש לזהט. ואינון תרין כנפי ריאה, ותרין כולין, לקבל ד' חיון דכרסויא. כרסויא, איהו לבא באמצעיתא.

408. וכן מוחא, אית ליה ארבע חיון, דאיהו כרסויא דרחמי. ומאי ניהו. ראיה שמיעה ריחא דבור. ראיה: אריה. שמיעה: שור. ריחא: נשרא. וד' אנפין וד' כנפין לכל חר. דבור: אדם איהו. אחיד עילא ותתא, דרועין דבהון וידינו פרושות כנשרי שמים. גוף אריה, ושוקים, וכף רגליהם ככף רגל עגל. ועל גופא אתמר, מרכבת המשנה. משנה כתיב, לישנא דמתניתין. ע"כ רעיא מהימנא

411. And in the compilation of the first section, said the Faithful Shepherd, that is certainly how it is, for the liver is the level of Esau, and Esau is Edom, NAMELY IS ALL BLOOD (HEB. DAM), and gathers in all blood whether clear or turbid, and does not differentiate between good and bad, BETWEEN IMPURE BLOOD AND PURE BLOOD, for it makes no distinction between them. But the heart, which is Yisrael, does distinguish between good and bad, between impure blood and pure blood, and takes only the clear and the clean of that blood, like one who picks food out of the waste matter.

412. And after the heart, which is Jacob, NAMELY ZEIR ANPIN, takes the clear blood which is at the top, and the liver, which is Esau, NAMELY SAMAEL, remains in the waste matter OF THE BLOOD, it is angered at it with the gall, which is Gehenom, which was created on the second day OF THE WORK OF CREATION, THE LIVER BEING the death of all the adults, while THE GALL is the wicked Female OF SAMAEL, which is called 'a strange fire', 'hard bondage', and idolatry.

413. And since the anger awakens from it, FROM THE GALL, towards the liver, the sages taught in the Mishnah: Anyone who is angry is as though he worshipped idols. And furthermore, any burning up and heat that comes with any of the illnesses of the parts of the body is only from the gall, FOR, AT THE TIME OF ILLNESS, it engulfs the arteries of the liver in flames and wishes to burn up the whole body. It is like a storm in the sea and its waves reach up to the skies and want to break out of their limits and destroy the world. And this would indeed happen were it not for the Shechinah, which is for a sick person like the sand to the sea, surrounding it so that it should not break out. So, too, is the Shechinah enwrapping the body and assisting it, as it is written: "Hashem strengthens him upon the bed of sickness" (Tehilim 41:4).

414. And for this reason the sages of the Mishnah taught: One who visits a sick person should not sit at the head of the bed because the Shechinah is over his head, nor at the foot of the bed because the Angel of Death is at his feet. And this is not the case for every person, but just for ordinary people. In the case of the perfectly righteous, "Hashem strengthens him upon the bed of sickness," namely at his head, and the Shechinah enwraps his body up to his feet. And this is why it was said about Jacob: "he gathered up his feet into the bed" (Beresheet 49:33). This is the Shechinah, about which it is said: "And the earth is my footstool" (Yeshayah 66:1), AND THE SHECHINAH IS ALSO CALLED 'BED'. In the case of the thoroughly wicked person, the Angel of Death surrounds him on every side, and this is the Evil Inclination FOR THE ANGEL OF DEATH IS THE EVIL INCLINATION. For the Angel of Death surrounds him on every side and his sword IS THE GALL, whose edges turn green with one drop of the three drops that THE GALL sprinkles on it, as it is written: "But her end is bitter (same word as for 'gall') as wormwood, sharp as a two-edged sword" (Mishlei 5:4). Liver is Male, WHICH IS SAMAEL, and the appendix of the liver is his Female. End of Ra'aya Meheimna
We learn that the stomach is one sixtieth part of death.

עד כאן רעיא מהימנא

415. The stomach is one part in sixty of death and is called 'a deep sleep' SINCE 'THE STOMACH SLEEPS', and is Asirta, which is the sixth stage of the Angel of Death. And because it came from afar it is from the side of death, but is not death itself. The hint is 'one sixtieth part of death'.

The Faithful Shepherd tells us about the Good and Evil Inclination in each part of the body, about the four kinds of offerings and elements and Holy Beasts.

Ra'aya Meheimna (the Faithful Shepherd)

416. The Faithful Shepherd said, Since this body is of "the Tree of the Knowledge of Good and Evil" (Bereshheet 2:9), there is no part of the body that does not have in it both the Evil Inclination and the Good Inclination, THIS BEING THE CASE for ordinary mortals. In the case of the perfectly righteous, EACH PART DOES INDEED ALSO HAVE two inclinations, which are male and female, BUT both of them are good, being like the bride and the bridegroom. The utterly wicked have in each part of their bodies two Evil Inclinations, male and female, from the side of Samael and the Serpent.

417. And it follows from this that, in terms of the Tree of the Knowledge of Good and Evil, IN THE CASE OF ORDINARY MORTALS, there are in the stomach two levels: GOOD AND EVIL. And this indeed is what the sages taught: the stomach is asleep, and there is sleep that is one sixtieth part of death. And there is also sleep that is one sixtieth part of prophecy. And for this reason, the heads of the Academy taught: 'IT IS WRITTEN: "and the dreams tell falsehood" (Zecharyah 10:2), and it is also written: "and speak to him in a dream" (Bemidbar 12:6). There is no contradiction here. In the former case it is through a demon, NAMELY THE OTHER SIDE FROM THE SIDE OF THE EVIL IN A MAN'S SLEEP. And in the latter case it is through an angel, WHICH IS FROM THE GOOD SIDE IN A MAN'S SLEEP. A dream through an angel is one sixtieth part of prophecy. A dream through a demon, which is falsehood, is from the side of death, and is straw. Thus indeed was it taught: Just as wheat cannot be without straw, so there cannot be a dream without some nonsense.'

418. The stomach is the peeled gizzard, NAMELY IT IS LIKE THE PEELED GIZZARD OF A BIRD, and the sages taught: the gizzard grinds, for it takes everything and pulverizes THE FOOD, sending it to all the parts. If the parts are without iniquities, it is as the sages taught, that there are matters that delay the sacrifice, and the one who is sent by the Holy One, blessed be He, to receive His offering, THE PEELED STOMACH MUSCLE, does not descend to accept it. For there is AN OFFERING that the Holy One, blessed be He, receives through the lion, as it is said: "and they four had the face of a lion, on the right side" (Yechezkel 1:10), and the Holy One, blessed be He, rides on him, and comes down with him to receive that offering. And there is an offering that He receives through the ox, as it is said: "And they four had the face of an ox, on the left side" (Ibid.).

415 קיבה, איהו דרגא חד משתינ דמותא. ודיא אתקרי תרדמה. עסירטא, דרגא שתיתאה דמלאך המות. ומגו דאתי מרחיק, איהו מסטרא דמותא. ולא מותא. רמזא, חד משתינ דמותא.

416. אמר רעיא מהימנא, בטר דגופא איהו מאילנא דטוב ורע, לית אבר בגופא, דלא אית ביה יצר הרע ויצר טוב, לבינוננים. ולצדיקים גמורים, תרין יצירות, דכר ונוקבא, תרווייהו טובים. כגוונא דחתן וכלה. לרשעים גמורים, תרין יצירות בישין, דכר ונוקבא, בכל אבר ואבר, מסטרא דסמאל ונחש.

417. ובג"ד מסטרא דאילנא דטוב ורע, קיבה אית בה תרין דרגין. דהכי אוקמוה רבנן, קיבה ישן. ואית שינה, אחת משתינ במותא. ושינה, אחת משתינ בנבואה. ובג"ד אוקמוה רבנן מארי מתיבתא, החלומות שוא ידברו, והכתיב בחלום אדבר בו. לא קשיא, כאן על ידי שד. כאן על ידי מלאך. חלום ע"י מלאך, חד משתינ בנבואה. חלום על ידי שד, איהו שוא, מסטרא דמותא. ואיהו תבן, דהכי אוקמוה, בשם שאי אפשר לבר בלא תבן, כך אי אפשר לחלום בלא דברים בטלים.

418. אצטומכא דא קרקבן נקלף. ואוקמוה רבנן, קרקבן טוחן, דאיהו נטיל כלא, ושוחק, ומשדר לכל אברין. אי אברין בלא חובין, כגוונא דאוקמוה רבנן, דאית מליון דמעכבין ית קרבנא, דלא נחית לקבלא ליה, ההוא דשדר קודשא בריך הוא לקבלא דורנא דיליה. דאית דמקבל ליה קודשא בריך הוא על ידי אריה, דאתמר ביה ופני אריה אל הימין לארבעתן. וקודשא בריך הוא רכיב עליה, ונחית ביה, לקבלא ההוא דורנא. ואית דורנא דמקבל ליה על ידי שור, דאתמר ביה ופני שור מהשמאל לארבעתן.

419. And there is an offering that He receives through the eagle, as it is written: "the four also had the face of an eagle" (Yechezkel 1:10), and they are "two turtledoves or two young pigeons" (Vayikra 5:7). And there is an offering that He receives by Man, about whom it is written: "If any man of you bring an offering to Hashem" (Vayikra 1:2), in the form of the same one about whom it is written: "As for the likeness of their faces, they had the face of a man" (Yechezkel 1:10). THE EXPLANATION HERE IS THAT THE FOUR LIVING CREATURES ARE THE SECRET OF THE FOUR LETTERS YUD HEI VAV HEI, LION AND OX BEING YUD-HEI, AND EAGLE AND MAN BEING VAV-HEI. For Yud Hei Vav Hei descends on them to receive the sacrifice, WHICH IS THE SECRET OF THE FOUR LIVING CREATURES.

420. And there are natural living creatures NAMELY ANGELS appointed over bodies that are of the four basic elements: FIRE, WIND, WATER, AND EARTH, and they are pure. Opposite them are four living creatures of prey, NAMELY THE ANGELS OF DESTRUCTION, who, being impure, are appointed over the four galls, namely: white gall, red gall, green gall, black gall, WHO ARE THE DEMONS OF THE WORLD, FOR ALL TEMPERATURE IN EVERY ILLNESS COMES FROM THE GALL.

421. And there are mental living creatures, NAMELY: THE FOUR ANGELS MICHAEL, GABRIEL, URIEL, RAPHAEL, who surround the Throne, WHICH IS MALCHUT. And above them and higher than they are, the divine living creatures from the side of Holiness, NAMELY CHESED, GVURAH, TIFERET, AND MALCHUT OF ZEIR ANPIN. There are also the living creatures of the Other Side, and they are called other Elohim, while the divine living creatures of holiness are CALLED "living Elohim." And those divine living creatures of holiness are called "Elohim of divinity," and the Cause of all Causes, "El, Master over all works." A kind is drawn to its own kind and so, since there are other Elohim, it is said about them: "He that sacrifices to any Elohim, save to Hashem only, he shall be utterly destroyed" (Shemot 22:19). And this is so that the living Elohim should not be mingled with the other Elohim.
End of Ra'aya Meheimna
The grinding of the stomach is likened to the distribution of the offering.

422. And the stomach takes and grinds and distributes in all directions below, NAMELY TO THE PARTS OF THE BODY, and from it are nourished the lower beings. And from those dregs all those spirits and other parties who take their nourishment at night drink below, from those parts and fats THAT ARE BURNT ON THE ALTAR AT NIGHT. And the remainder is taken by the other parts, the liver taking everything and sacrificing to the heart, as we have learned, and this is what is written: "...the face of a lion, on the right side" (Yechezkel 1:10). Thus there appears on the altar a lion-like image that devours the sacrifices. From here on all the other parts are in the secret of the body on the same pattern as above. Again Moses uses the organs of the body as a metaphor for sacrifice, the distribution of nourishment, and the acquisition of wisdom, understanding and knowledge.

רַעִיא מְהִימְנָא

423. The Faithful Shepherd said TO RABBI SHIMON, holy luminary, it is certain that omasum takes everything up to six hours and bakes. For the gizzard, WHICH IS THE OMASUM, is a baker. And the lung is a butler. The heart is the King, and these two, THE OMASUM AND THE LUNG, are certainly the baker and the butler who give to the King of the choicest of food and drinks, for He is the head of them all and the choicest of them all. And this is the meaning of what is written: "I have gathered my myrrh with my spice; I have eaten my honeycomb with my honey; I have drunk my wine with my milk" (Shir Hashirim 5:1). And the verse continues: "Eat, O dear ones, and drink; drink deep, loving companions" (Ibid.). THE COMPANIONS ARE the other parts of the body, WHICH ARE the hosts and camps of the King who distributes food to them by means of the chief baker, WHICH IS THE OMASUM, while the drink is by means of the chief butler, WHICH IS THE LUNG.

424. And the liver is on the right side of man, wherefore: "And they four had the face of a lion on the right side," namely to the right of the King, which is the heart. THE MINISTER OF Esau, AND THE SPLEEN IS LILIT, AS EXPLAINED ABOVE The spleen is to the left, and they are of the Other Side. FOR THE LIVER IS SAMAEL. "And the face of an ox on the left side," refers to the pouring out of wine mixed with water before the King, FOR WINE IS OF THE LEFT SIDE. And the lion devouring THE SACRIFICES is the liver, who collects together the food, NAMELY THE PRAYER IN THE STEAD OF THE SACRIFICES, before the King, which is the heart. HE IS, THEREFORE, ON THE RIGHT, FOR EATING COMES FROM THE RIGHT AND THE WINE FROM THE LEFT. AND ALL THIS REFERS TO THE TIME OF EXILE, AS WILL BE EXPLAINED.

425. But there is a difficulty here. If the liver is Esau, how does it arrange food for the heart, WHICH IS JACOB? THE ANSWER IS THAT the heart is certainly like Isaac, NAMELY THE LEFT COLUMN, and the liver is Esau, who hunted venison, then says to him, "Let my father arise, and eat of his son's venison" (Beresheet 27:31). This refers to the prayers of the poor who are sent away AND ARE NOT ACCEPTED ON HIGH. And Isaac suffers trouble and anguish because they do not know how to direct the prayer. This is why ESAU did not say 'eat of my venison' but "eat of his son's venison," NAMELY OF YISRAEL, AS IT IS WRITTEN: "Yisrael is My son, My firstborn" (Shemot 4:22). Likewise, Yisrael in exile has no food except through the nations of the world.

426. But when they are in the land of Yisrael, their food is through the Shechinah, and the two wings of the lung will give drink to the nation of Yisrael, FOR THEY ARE the chief butler, AS ABOVE. And the two kidneys, which are the chief baker, cook the seed that descends from the brain and cook the water that they receive from the wings of the lung. And after the King, which is the heart, has eaten, it is said of its two kidneys: "Eat, O dear ones" (Shir Hashirim 5:1), and of the two wings of the lung: "and drink; drink deep, loving companions" (Ibid.).

427. For the heart is the Throne of Judgment, and the four living creatures that are its messengers are the two wings of the lung and the two kidneys, NAMELY: CHESSED, GVURAH, NETZACH AND HOD, for the wings of the lung ARE THE SECRET OF "Thus were their faces: and their wings were divided upwards" (Yechezkel 1:11) to welcome the King, which is "the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of Hashem" (Yeshayah 11:2), for it is He who sits on the Throne, which is the heart, WHICH IS THE THRONE OF JUDGMENT, and all the pulse beats follow after it as soldiers after their king.

428. And the wind that blows from the wings of the lung blows through the two nostrils of the nose, and it is cold and chilled on the left and warm on the right. And from the point of view of the brain, which is the Throne of Mercy, the cold wind is to the right, which is Chesed, and the warm is to the left, which is Gvurah, for that is where the heart is. And the brain is tempered between the two of them, THE RIGHT AND THE LEFT, and so the heart is blended of cold and hot, NAMELY BY MEANS OF THE WIND OF THE WINGS OF THE LUNG THAT BLOWS ON IT, and the brain also IS BLENDED OF COLD AND HOT, FOR THE BRAIN AND THE HEART receive from each other.

429. And the spleen, with its camps, which are the bondmen and bondwoman, takes the dregs of everything. And Solomon said about them: "I acquired menservants and maidservants" (Kohelet 2:7). The two kidneys are called 'fire-offerings', named after the heavenly fire-offerings, about which it is said: "the offerings of Hashem made by fire, and His dues shall they eat" (Devarim 18:1).

430. And in the trachea there are six cartilage rings, about which it is said: "Ascribe to Hashem, O you mighty" (Tehilim 29:1), for ascending through them is the voice that subdivides into the six voices of the Shechinah, while the seventh ascends to the mouth, which is the Throne. And the six cartilage rings of the trachea are like the six steps of the King's Throne, WHICH IS THE MOUTH, and the trachea is a ladder with "the angels of Elohim ascending and descending on it" (Beresheet 28:12), FOR THE ANGELS OF ELOHIM are the vapors that ascend from the heart, while the spirits of air descend into the heart to cool its heat, so that it should not burn the body up.

431. And when the breath descends, it does so in a number of breaths, like a king with his soldiers. And the wings of the lung welcome the breath which is as a king over them, as I have noted: "Thus were their faces; and their wings were divided upward," THIS BEING IN ORDER TO WELCOME THE KING OVER THEM, AND ALSO: "And the cherubim shall stretch out their wings on high" (Shemot 25:20).

פְּרוּדוֹת, וְהֵיוּ הַכְּרוּבִים פּוֹרְשֵׁי כְנָפִים לְמַעְלָה.

432. If the parts of man are meritorious in keeping the precepts of the Supreme King, who is the Holy Spirit, he descends on the ladder, which is the throat, with a number of Holy Spirits, about which it is said: "who makes the winds His messengers" (Tehilim 104:4). They rise to accept the vapors that are in the heart, about which it is said: "the flames of fire His ministers" (Ibid.). And it is also said about them: "The voice of Hashem hews out flames of fire" (Tehilim 29:7), because the heart is Adonai, from whom ascend the flames of fire in the mouth, which is Yud Hei Vav Hei. For a number of spirits of holiness descend with him, that is from the four letters Yud Hei Vav Hei, concerning which it is said: "Thus says Adonai Elohim; Come from the four winds, O breath" (Yechezkel 37:9).

433. The trachea (Heb. kaneh) is "Get (Heb. k'neh) wisdom, get understanding (Heb. Binah)" (Mishlei 4:5), for they are to the right OF THE TRACHEA, which is Chesed, THIS BEING THE SECRET OF "GET WISDOM," and to the left OF THE TRACHEA, which is Gvurah, THIS BEING THE SECRET OF "GET UNDERSTANDING." Tiferet is in the middle OF THE TRACHEA, and is a ladder AND THE SECRET OF DA'AT. And the body has SIX EXTREMITIES, NAMELY: The two arms WHICH ARE CHESED AND GVURAH, the torso and the covenant WHICH ARE TIFERET AND YESOD, and the two thighs WHICH ARE NETZACH AND HOD. AND THE SIX EXTREMITIES OF THE BODY parallel the six cartilage rings of the trachea.

434. And when Yud Hei Vav Hei descends to the heart, to Adonai, Judgment joins with Mercy in the heart, making: Yud Aleph Hei Dalet Vav Nun Hei Yud. And when Adonai ascends to the mouth at "Adonai, open my lips" (Tehilim 51:17) to welcome Yud Hei Vav Hei in the mouth, the two names become there one union, namely: Yud Aleph Hei Dalet Vav Nun Hei Yud, just as they were combined in the heart. For this reason the sages of the Mishnah taught: 'No one whose inside does not correspond to his exterior may enter the study house', namely who does not have in his mouth the same as in his heart. FOR JUST AS THERE IS A UNITY OF THE YUD HEI VAV HEI AND ADONAI IN THE HEART, THERE WILL ALSO BE A UNITY OF THE YUD HEI VAV HEI AND ADONAI IN THE MOUTH.

End of Ra'aya Meheimna

The six rings of cartilage in the trachea and the air and voice that blow through them are likened to the functions of the Shofar.

435. The six cartilage rings of the trachea are combined together, and they are called "O you mighty (Heb. elim)" (Tehilim 29:1). And they give forth a wind to blow over the world, and they come from the side of Gvurah, and when they join together they are like a Shofar, WHICH IS THE SECRET OF BINAH, and they are called 'Shofar', which is the secret of the Shofar (lit. 'horn') of Isaac's ram (Heb. ayil). AND THEY ARE "the rams (Heb. eilim) of the breed of Bashan" (Devarim 32:14). As it is written: "Ascribe to Hashem, O you mighty (elim)" (Tehilim 29:1), for they are the elim of Isaac that bring forth breath and voice. And that voice goes out and meets with rain clouds and is heard by the creatures of the outside. It is thus written: "but the thunder of His mighty deeds who can understand?" (Iyov 26:14), for they certainly come from the side of Gvurah. And for this reason: "the El of glory makes to thunder, Hashem is upon many waters" (Tehilim 29:3). It is not written: "The El of glory thunders" but "The El of glory makes to thunder," THE MEANING OF WHICH IS THAT HE ACTIVATES OTHERS TO DO THE THUNDERING, namely through the mighty. And there is none that recognizes the praise of this voice, which is why it is written, "who can understand?" (Iyov 26:14).

The Faithful Shepherd tells us that voice is made from water, wind and fire, and he explains how the heart gets understanding.

436. And in the compilation of the first part, the Faithful Shepherd started by saying, Woe to those people whose hearts are closed and whose eyes are unseeing, who do not know the parts of their own body and according to what they are arranged. For the trachea is composed of three forces: a) Vapor; (Heb. hevel - Hei, Bet, Lamed) which is a flame; (Heb. lahav - Lamed, Hei, Bet) which is "the flaming fire" that issues from the heart and which is divided into seven vapors or vanities as mentioned by Kohelet. b) Air, which enters it from outside. c) Water of the wings of the lung, which are attached to the trachea. And from these three, that is from water, wind, and fire, is voice made, and each one is subdivided into seven, and they are seven flames, seven airs, and seven brooks.

437. And when the flames of the heart meet with the rain clouds, which are the wings of the lung, by way of the trachea of the lung, the result is: "but the thunder of His mighty deeds who can understand?" For therein the heart understands with Binah, which is in the heart on the left, which is Gvurah. And Chesed is to the right, which is the water of the wings of the lung, and Chochmah, which is brain, is there. THAT IS TO SAY THAT CHESD AND GVURAH ASCEND AND BECOME CHOCHMAH AND BINAH. And from it comes "a fountain of gardens, a well of living waters, and streams from Lebanon" (Shir Hashirim, 4:15), which is the whiteness (Heb. lavnunit) of the brain that flows through the trachea of the lung, after the clouds of Binah have ascended to the brain.

438. And the secret of the matter is in the verse: "Who is this coming out of the wilderness like Columns of smoke...?" (Shir Hashirim 3:6), for this is the smoke of the arrangement on the altar that rises from the heart to the brain, which cannot be moved from its place by all the winds in the world. THE LETTERS OF THE WORD Chochmah (Chet Caf Mem Hei) form the two words Koach (Caf Chet) and Mah (MEM HEI), BECAUSE IT IS Koach (lit. 'strength') in the heart and Mah (lit. 'what') in the brain. The trachea is Tiferet and incorporates six Sfirot: CHESD, GVURAH, TIFERET, NETZACH, HOD AND YESOD, which are the six steps to the Throne, which is Ima, so that Chochmah will descend to it from the brain to the heart, for with it the heart understands. For this reason IT IS WRITTEN: "Get (Heb. k'neh) wisdom (Heb. Chochmah), get understanding (Heb. Binah)," for Aba, WHICH IS CHOCHMAH, descends in it, and Aba ascends in it. And this is a ladder on which two ascend and two descend, FOR ABA AND IMA ARE INCORPORATED IN EACH OTHER AND DESCEND FROM THE BRAIN TO THE HEART, AND ASCEND FROM THE HEART TO THE BRAIN.

End of Ra'aya Meheimna

Rabbi Shimon says that the esophagus is the stage of offerings by fire.

439. The esophagus, that swallows the food and from where it enters all the parts, is the stage of offerings by fire. These offerings by fire draw near immediately, swallowing and taking everything from the upper fire that includes the offerings by fire. And this is the secret of the verse: "the offerings of Hashem made by fire, and His dues shall they eat" (Devarim 18:1). These are THE OFFERINGS BY FIRE that devour and swallow, and the others do not eat that way.

436. ובחבורא קדמא, פתח רעיא מהימנא ואמר, ווי לון לבני נשא, דאינון אטימין לבא, סתימין עיינין, דלא ידעין אברים דגופיהון על מה אינון מתתקנין, דהא קנ"ה תלת חילין כלילין ביה, חד הבל, דאיהו להב אש, דנפיק מן לבא ואתפלג לז' הבלים, דאמר קהלת. תניינא, אויר דעאל לגביה מלבר. תליתאה, מים דכנפי ריאה, דאינון דבוקים בקנה. ומתלת אליון אתעביד קול, מים ורוח ואש, ומתפלג כל חד לז', ואינון ז' להבים, ז' אוירות, ז' נחלים.

437. וכד אערעו להבים דלבא, בעבי מטרא, דאינון כנפי ריאה, ארח קנה דריאה. האי איהו ורעם גבורותיו מי יתבונן. דביה לב מבין בפניה, דאיהי בלבא לשמאלא, גבורה. וחסד לימינא, מים דכנפי ריאה. ותמן חכמה מוחא, ומניה, מעין גנים באר מים חיים ונוזלים מן לבנון. דאיהו לבונא דמוחא, נוזלים על קנה דריאה. בתר דאסתלקו עננים דבינה לגבי מוחא.

438. ורזא דמלה מי זאת עולה מן המדבר כתימרות עשן. ודא עשן המערכה, דסליק מן לבא למוחא. דכל רוחין דעלמא, לא זיין ליה מאתריה. חכמה: כח מ"ה. כח: בלבא. מה: במוחא. קנה: תפארת, כליל ו' ספיראן. ו' דרגין אינון לכרסויא, דאיהי אימא. לנחתא חכמה לגבה, מן מוחא ללבא, דבה לב מבין. ובגין דא, קנה חכמה קנה בינה. ביה אבא נחית. ביה אבא סליק. והאי איהו סלם דביה עולים תרי, ויורדים תרי. עד כאן רעיא מהימנא

439. ושט דבלע מיכלא, ומתמן עאל לכלהו שוימין, דאיהי בדרגא דאשים. אשים אינון קרבין מיד, ובלעי ונטלי כלא מגו אשא עלאה, דכליל לאשים. ורזא דא, אשי יי' ונחלתו יאכלון. אליון אכלין ובלעין, ושאר לא אכלין הכי.

440. And all the people of the world on the outside know not how they eat nor do they know their secret, but the stages that are inside do know and they take from them. For the esophagus cannot be examined from the outside, for they do not know, but on the inside they do know and take until it enters the mill and is pulverized and cooked. And the liver takes everything, as we had learnt, but from those offerings by fire issue forth stages that take before the liver. And what are they? They are the molar TEETH, which eat and grind the sacrifices. Therefore, on the destruction of the Temple, it is written: "and the grinders cease because they are few" (Kohelet 12:3). These are the first to grind.

441. Once it has been ground, those who exercise control over them swallow and receive it, and they are called 'the esophagus'. Why IS THE ESOPHAGUS (Heb. VESHET - VAV SHIN TET) SO CALLED? Because the shape of the Vav of 'Veshet', THE VAV is like a bowed-over esophagus. Afterwards it wanders about (Heb. shat - Shin Tet), to drink wine and water, as it is written: "The people went about and gathered" (Bemidbar 11:8) food to eat and to drink wine and water, namely the libation of wine and the libation of water.

442. Those Serafim with their flames enter through the esophagus and are drawn into the lung, where they take a drink, and they are called 'lung', in one union WITH THE LUNG and everything is absorbed into them. And each one of them takes as befits him. And on the destruction of the Temple, "and the grinders ceased because they were few." For their form and their food have been diminished, and there is no day that passes without a curse. Rabbi Shimon lifted up his voice and said: Woe to Jerusalem the Holy City. Woe to the people that has lost all this goodness, and the image of ministers, mighty men, and officials has been reduced. The companions cried about this and said, Alas, Rabbi, when you depart from the world, who will reveal to us such deep and hidden secrets that have not been heard from the days of King Solomon until now? Happy is the generation that hears such matters! Happy is the generation amongst whom you are! Woe to the generation that will be orphaned without you!

69. Seven firmaments

The Faithful Shepherd lists the seven firmaments - Curtain, Firmament, Heavens, Abode, Residence, Dwelling and Skies - and tells us a little about the first three of these.

Ra'aya Meheimna (the Faithful Shepherd)

443. The Faithful Shepherd began by saying: It is written: 'Though our lips were full of praise as the expansive firmament'. And the firmaments are seven in number: Curtain, Firmament, Heavens, Abode, Residence, Dwelling, and Skies. Heavens (Heb. Shechakim) is so called because therein the millstones grind the manna for the righteous, WHICH ARE YESOD AND MALCHUT THAT ARE CALLED 'RIGHTEOUS' AND 'RIGHTEOUSNESS', in the future, NAMELY FROM THE EMANATION OF BINAH THAT IS CALLED 'THE FUTURE TO COME'. And the basis for the name Shehakim (Eng. 'heavens') is the verse: "And you shall beat (Heb. shachakta) some of it very small" (Shemot 30:36). And they are Netzach and Hod, about which it is said: "and let the heavens pour down righteousness" (Yeshayah 45:8), which is the lower Shechinah, NAMELY MALCHUT, WHICH IS CALLED 'RIGHTEOUSNESS', TO WHICH THE EMANATION POURS DOWN FROM THE HEAVENS.

444. THE FIRST FIRMAMENT, WHICH IS MALCHUT, IS CALLED 'Curtain', for He pours PLENTY into it in the evening, and brings out, THAT IS, BESTOWS, in the morning, THIS BEING THE TIME FOR EMANATING. AND THE SECOND ONE TO BE CALLED 'a Firmament' is Yesod, for in it the sun and the moon give light, for they are the Central Column, NAMELY TIFERET, and the lower Shechinah, NAMELY MALCHUT. THAT IS TO SAY THAT YESOD UNITES ZEIR ANPIN AND MALCHUT WITH EACH OTHER, AND BOTH OF THEM ILLUMINATE THROUGH IT, as it is written: "And Elohim set them in the firmament of the heaven to give light upon the earth" (Beresheet 1:17). And the righteous one, WHICH IS YESOD, IS CALLED sign when uniting Netzach and Hod, and IS CALLED testimony when uniting Tiferet and Malchut.

70. Netzach and Hod

We are told that Netzach and Hod are called 'Heavens' because they are two halves of one body that must not be separated. The Faithful Shepherd talks about Netzach and Hod in connection with the sin of the Tree of Knowledge of Good and Evil, and in connection with grapes and wine. He explains why Netzach and Hod grind up the manna for the Righteous, Yesod, that is between them; he also says that Netzach and Hod are cherubim.

445. Netzach and Hod are the two halves of ONE body, like two twins, which is why they are called 'Heavens'. The two of them together are Vav Vav of veshet, (lit. 'esophagus') from the aspect of the left, and they are the two molar teeth from the side of the right.

446. "And Moses took the bones of Joseph with him" (Shemot 13:19), that is the bones of "the righteous is an everlasting foundation" (Mishlei 10:25), which is the level of Joseph the righteous. And about them, ABOUT NETZACH AND HOD, it is said: "My offering, the provision of my sacrifices (lit. 'bread') made by fire" (Bemidbar 28:2). and by bread is meant Torah, NAMELY NETZACH AND HOD WHO FIGHT EACH OTHER, IN THE SECRET OF THE ABOVE-MENTIONED GRINDING. And it is said about them: "Come, eat (Heb. lachamu, also: fight) of my bread (Heb. lachmi)" (Mishlei 9:5). And they, NETZACH AND HOD, are the bunches OF GRAPES THAT ARE BESTOWED by the righteous one, WHICH IS YESOD. And the righteous one, WHICH IS YESOD, is called 'a fruit-tree', and for it is it said: "And they bore it upon a pole (Heb. MOT) between two" (Bemidbar 13:23). And why on a pole? Why does it not say 'And they bore it upon wood (a tree)?' It is because the righteous one, WHO IS CALLED 'TREE', was not there. FOR YESOD, WHICH IS THE CENTRAL COLUMN, DID NOT UNITE THE TWO BUNCHES OF GRAPES, WHICH ARE NETZACH AND HOD, SO THAT THEY MIGHT BE INCLUDED IN EACH OTHER, AND THEY THEREFORE BORE ON A POLE BETWEEN TWO, WITHOUT THE INCLUSION OF THE RIGHTEOUS ONE.

443. פֶּתַח רְעִיָא מְהִימְנָא וְאָמַר, וְהָא כְּתִיב, וְשִׁמְתוּתֵינוּ שְׁבַח בְּמִרְחָבֵי רְקִיעַ. וְשִׁבַּע רְקִיעֵין אֵינּוּן: וִילּוֹן. רְקִיעַ. שְׁחָקִים. זְבוּל. מְעוֹן. מְכוּן. עֲרֻבוֹת. שְׁחָקִים. דְּבִהוּן רִיחִים דְּטוּחָנִים מִן לְצַדִּיקִים לְעֵתִיד לְבָא. וְאֵינּוּן אֶקְרוּן שְׁחָקִים, ע"ש וְשְׁחָקַת מְמַנָּה הִרְק, וְאֵינּוּן נֶצַח וְהוֹד, עֲלֵיהוּ אֲתַמַּר וְשְׁחָקִים יִזְלוּ צֶדֶק, דְּאִיהִי שְׁכִינְתָא תַתָּא.

444. וִילּוֹן, דְּבִיה מְכַנִּיס עֲרֻבֵית וּמוֹצִיא שְׁחָרִית. רְקִיעַ, אִיהוּ יְסוּד. דְּבִיה נְהָרִין שְׁמֶשָׁא וְסִהְרָא, דְּאִיהוּ עֵמוּדָא דְּאִמְצָעִיתָא וְשְׁכִינְתָא תַתָּא. הַה"ד, וַיִּתֵּן אוֹתָם אֱלֹהִים בְּרְקִיעַ הַשָּׁמַיִם לְהָאִיר עַל הָאָרֶץ. וְצַדִּיק אוֹת, בֵּין נֶצַח וְהוֹד. וְעֵדוּת, בֵּין תַּפְאֶרֶת וּמַלְכוּת.

445. נֶצַח וְהוֹד תְּרִין פְּלִגֵי גּוֹפָא אֵינּוּן, כְּגוֹנָא דְּתְרִין תְּאוּמִים. וּבְגִין דָּא אֲתַקְרִיאוּ שְׁחָקִים. תְּרוּוֹיְהוּ כְּחָדָא ו'ו' אֵינּוּן, מִן וְשֵׁט, מְסִטְרָא דְּשִׁמְאָלָא. וְאֵינּוּן תְּרִין טוּחָנוֹת, מְסִטְרָא דִּימִינָא.

446. וַיִּקַּח מֹשֶׁה אֶת עֲצָמוֹת יוֹסֵף עִמּוֹ. עֲצָמוֹת צַדִּיק יְסוּד עֲלָמִין, דְּרָגָא דִּיוֹסֵף הַצַּדִּיק. וְעֲלֵיהוּ אֲתַמַּר, אֶת קֶרְבְּנֵי לַחְמֵי לְאִשֵּׁי. וְלִית לַחֵם, אֶלָּא אוֹרִייתָא, לְכוּ לַחְמוּ בְּלַחְמֵי. וְאֵינּוּן: אֲשַׁכְּלוֹת דְּצַדִּיק. וְצַדִּיק, עַץ פְּרִי. וּבְגִינֵיהּ אֲתַמַּר, וַיִּשְׁאֹדְהוּ בְּמוֹט בְּשָׁנִים. וְאִמָּאי בְּמוֹט. בְּגִין דְּלֹא הוּא תַמֵּן צַדִּיק.

447. And because NETZACH AND HOD MUST NOT BE SEPARATED, it is said ABOUT THE RIGHTEOUS ONE, WHICH IS YESOD: "he shall never suffer the righteous to be moved (Heb. mot)" (Tehilim 55:23). THAT IS, YESOD WILL NEVER CEASE UNITING NETZACH AND HOD, and it is a tree, about which it is said: "Whether there is a tree in it or not" (Bemidbar 13:20). But those who spread an evil report of the land uprooted this tree, the righteous one, WHICH IS YESOD, and gave rise TO "And they bore it upon a pole between two." AND THE TWO ARE NETZACH AND HOD, IN THE ASPECTS OF Vav Vav WITHOUT THE UNIFICATION OF YESOD, FOR THE RIGHTEOUS ONE IS COLLAPSED (HEB. MOT) BECAUSE THEY SPREAD AN EVIL REPORT ON THE LAND.

448. And about NETZACH AND HOD it was said, IN CONNECTION WITH THE SIN OF THE TREE OF THE KNOWLEDGE OF GOOD AND EVIL, THAT EVE squeezed grapes. AND SHE GAVE TO HIM, FOR NETZACH AND HOD ARE CALLED 'BUNCHES OF GRAPES', AND GRAPES ARE THE SECRET OF THE ILLUMINATION OF CHOCHMAH THAT IS ON THE LEFT, FOR IT IS FORBIDDEN TO DRAW IT DOWN, FROM ABOVE DOWNWARDS, AND ITS BEING DRAWN DOWN FROM ABOVE IS COMPARED TO THE SQUEEZING OF GRAPES, WHICH IS THE SECRET OF THE SIN OF THE TREE OF THE KNOWLEDGE OF GOOD AND EVIL. The righteous one, which is Yesod, contains a secret (Heb. sod), FOR IN 'YESOD' THERE ARE THE LETTERS OF 'SOD'. This is the wine preserved with its grapes from the Six Days of Creation, FOR YESOD GUARDS THE GRAPES WHICH ARE THE SECRET OF THE ILLUMINATION OF CHOCHMAH, SO THAT THEY WOULD NOT BE SQUEEZED, NAMELY THAT THEY SHOULD NOT DRAW IT DOWN FROM ABOVE, BUT ONLY UPWARDS FROM BELOW. AND THE SIX DAYS OF CREATION ARE the six levels of CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD, of the letter Vav, WHICH IS TIFERET, THE CENTRAL COLUMN, WHICH IS TO SAY THAT YESOD RECEIVES ITS POWER OF PROTECTION FROM IT. And they are CALLED 'Seraphim' when they are Vav Vav WITHOUT UNITY, as it is written: "Serafim...each one had six wings (lit. 'six wings, six wings for each')" (Yeshayah 6:2). THAT IS, VAV (=SIX) IS MENTIONED TWICE. AND THEY ARE CALLED 'SERAFIM' FROM THE ASPECT of the left THAT IS IN THEM, and they extract water from the aspect of the right THAT IS IN THEM. And they are thirsty because of the flame that is in them from the side of Gvurah, NAMELY FROM THE LEFT SIDE, and they draw WATER from the side of Chesed.

449. About NETZACH AND HOD it is said: "who makes the winds (spirits) His messengers" (Tehilim 104:4), namely from the side of the Central Column, WHICH IS ZEIR ANPIN. THAT IS TO SAY THAT THEY ARE THE WINDS THAT ARE DRAWN DOWN FROM ZEIR ANPIN TO WITHIN THE LOBES OF THE LUNG that blow on the heart, which is the tenth level of the Holy Spirit, NAMELY MALCHUT, which is between them, NAMELY BETWEEN NETZACH AND HOD. And this is YESOD, WHICH IS the letter Vav, which is a letter in his hosts that includes the six joints of the two legs, WHICH ARE NETZACH AND HOD, EACH ONE OF WHICH HAS THREE JOINTS, BECAUSE IT IS THE CENTRAL COLUMN. For it is written about them: "His legs are as pillars of marble (Heb. shesh)" (Shir Hashirim 5:15). And this is the righteous one, the sign of the covenant THAT INCLUDES THE SIX (HEB. SHESH) OF NETZACH AND HOD.

447. ובגנייהו אתמר ביה, לא יתן לעולם מוט לצדיק, דאיהו עץ, דאתמר ביה, היש בה עץ אם אין. אעקרו עץ דאיהו צדיק, אלין דאפיקו שום ביש על ארעא, וגרמו, וישאודו במוט בשנים, ו' ו'.

448. עלייהו אתמר, סחטה ענבים. צדיק יסוד, ביה סוד, דאיהו יין המשומר בענביו מששת ימי בראשית. דאינון ו' דרגין דאת ו'. ואינון שרפים, ו' ו', שש כנפים לאחד. משמאלא. ואינון אפיקו מים מימינא. וצחין בשלהוביתא דלהון מסטרא דגבורה, ושאבין מסטרא דחסד.

449. ועלייהו אתמר, עושה מלאכיו רוחות, מסטרא דעמודא דאמצעיתא, דנשבין על לבא, דאיהו דרגא עשיראה ברוחא דקודשא, דאיהו בינייהו. ואיהו ו', אות בצבא דיליה, כליל ו' פרקין דתרין שוקין, דכתיב בהו שוקיו עמודי שש, ודא צדיק אות ברית.

450. The upper Vav OF THE TWO VAVs OF THE LETTER VAV FULLY SPELLED OUT: VAV VAV, is Tiferet, BECAUSE IT IS THE CENTRAL COLUMN between the six joints of the two arms, and because of this, body and covenant, NAMELY TIFERET AND YESOD, ARE CALLED 'Vav Vav', NAMELY THE TWO VAVS OF THE LETTER VAV WRITTEN OUT IN FULL: VAV VAV, and we consider them one. And they, NETZACH and HOD, "shall stretch out their wings on high" (Shemot 25:20) towards the heavenly Vav that is above them, NAMELY TIFERET; and from its aspect, NETZACH AND HOD are called 'the true prophets', FOR TIFERET IS CALLED 'TRUTH'. THEY ARE "overspreading the covering with their wings" (Shemot 25:20) over the covenant, NAMELY YESOD, which is the second Vav, which is "the righteous one is an everlasting foundation" (Mishlei 10:25). And this is why Netzach and Hod grind up the manna for the righteous who are from the side of "the righteous one is an everlasting foundation," which is between them, FOR THE RIGHTEOUS ONE, WHICH IS YESOD, IS THE CENTRAL COLUMN BETWEEN NETZACH and HOD, AND RECEIVES FROM THE MANNA THAT THEY GRIND, and this is why NETZACH AND HOD are called 'grinders'.

451. And from the side of esophagus (Heb. veshet -Vav Shin Tet), BEFORE WHICH THERE IS GRINDING IN THE TEETH, IT IS SAID: "The people went about (Heb. shatu - Shin Tet Vav), and gathered it" (Bemidbar 11:8), it being the collection of JUDGMENT decisions that is in the Mishnah, NAMELY THE FEMALE WATERS THAT YISRAEL CAUSES TO RISE UP BY ENGAGING IN TORAH AND MISHNAH, WHICH ASCEND TO THE SECRET OF THE UPPER VESHET (LIT. 'ESOPHAGUS') FOR 'SHATU' IS SPELLED WITH THE SAME LETTERS OF 'VESHET'. "and ground it in mills" (Bemidbar 11:8). It follows that whoever brings out OF HIS MOUTH words of Torah, must grind them in his teeth, NAMELY PICK THEM COMPLETELY, in order to express complete words, and these words are called 'complete'. But as for the other WORDS that are scorned, these words are swallowed when eaten greedily, without being ground in their molars and their teeth, NAMELY THEY DO NOT CLARIFY FULLY THE WORDS OF THE TORAH THAT THEY BRING OUT OF THEIR MOUTHS, about them it is written: "And while the meat was yet between their teeth... the wrath of Hashem was inflamed against the people" (Bemidbar 11:33). This is because THEY COME from the root of him, who said: "Give me to swallow, I pray you..." (Bereshheet 25:30), NAMELY THE WICKED ESAU. And Netzach and Hod are called 'Cherubim', WHENCE THE VERSE: "AND THE CHERUBIM SHALL STRETCH OUT THEIR WINGS ON HIGH" (SHEMOT 25:20), WHICH REFERS TO NETZACH AND HOD, AS EXPLAINED IN THE PRECEDING PARAGRAPH.

71. Said Shabbat: You have given me no mate
Even as the ninth Sfirah, Yesod, is not paired with another Sfirah, the Shabbat has no partner.

452. There are eight SFIROT: Chochmah, Binah, Greatness, Gvurah, Tiferet, Malchut, Netzach, Hod. The Righteous one, WHICH IS YESOD, has a diadem on His head, for it has no mate. What is the meaning of His diadem? It refers to the upper Keter (crown). And in respect thereof the sages of the Mishnah taught: In the next world there is no eating or drinking, but the righteous sit with their diadems upon their heads. And this is as they taught: The Shabbat pleaded before the Holy One, blessed be He: 'To all the days You gave a partner, but to me You gave no partner'

72. Ayin of Sh'ma, Dalet of Echad, the Name of Ayin (=70)

Rabbi Shimon gives us the concealed meaning of the letters in the title, and his explanation teaches us about rejoicing and unity.

453. Rabbi Shimon began by quoting: "Hear, Yisrael, Hashem our Elohim, Hashem is one" (Devarim 6:4). IT IS WRITTEN WITH a large letter Ayin IN THE WORD SH'MA (LIT. 'HEAR'), and so is the letter Dalet IN THE WORD ECHAD (LIT. 'ONE'). And these form the word 'ed (Ayin Dalet), a witness, as is written: "Hashem is witness against you" (I Shmuel 12:5). AND FROM THE WORD SH'MA (SHIN MEM AYIN), the letters Shin Mem remain, the Mem being open. What is the reason that the Mem is not final? (namely the form of the same letter used when it is the last letter of a word.) WHAT IS THE DIFFERENCE BETWEEN A MEDIAL OPEN MEM AND A FINAL MEM? It is that the final Mem is the upper king, NAMELY BINAH, while the medial Mem alludes to the lower king, NAMELY MALCHUT. AND THE LETTERS SHIN MEM OF THE WORD SH'MA ALLUDE TO MALCHUT. And the other letters OF ECHAD (LIT. 'ONE' - ALEPH CHET DALET) that remain are: Aleph Chet. "It is the glory of Elohim to conceal a thing" (Mishlei 25:2), it is written.

454. I have found in the book of Rabbi Hamnuna Saba: Everyone who makes this unity each day, rejoicing is prepared for him on high, in the secret of the letters Shin Mem OF THE WORD SH'MA (LIT. 'HEAR') at this side, THE BEGINNING OF THE VERSE, and Aleph Chet OF THE WORD ECHAD at that side, THE END OF THE VERSE. And he starts TO JOIN TOGETHER the letters in reverse, NAMELY THE ALEPH OF THE ALEPH CHET (FROM ECHAD) AT THE END OF THE VERSE IS PLACED BEFORE THE SHIN OF THE SHIN MEM (from SH'MA) AT THE BEGINNING OF THE VERSE; and he ends straightforwardly, NAMELY THE MEM OF THE SH'MA, AND SUBSEQUENTLY THE CHET OF ECHAD. The four letters so arranged, Aleph Shin Mem Chet, MAKE THE WORD ESMACH, as in the verse: "I will rejoice (esmach) in Hashem" (Tehilim 104:34). And this is so literally, for it is the holy unity, ALLUDED TO IN THE LETTERS AYIN DALET (HEB. 'ED', LIT. 'WITNESS') FOR THE LETTERS OF THE TWO WORDS SH'MA AND ECHAD, WHEN REARRANGED AS ABOVE, FORM THE TWO WORDS ESMACH (LIT. 'I WILL REJOICE') 'ED' (LIT. 'WITNESS') and this is only right. And thus is it in the Book of Enoch, who similarly said that whoever makes this unity each day, rejoicing from above is made ready for him.

455. Furthermore, LET US REFLECT UPON THE WORD SH'MA, FOR IT INCLUDES THE TWO LETTERS Shin Mem, together with the large AYIN. These are the Ayin (=seventy) names that are in the secret of the holy patriarchs, NAMELY THE 72 NAMES IN CHESED, GVURAH, AND TIFERET THAT ARE CALLED 'PATRIARCHS', OF WHICH THERE ARE SEVENTY MAIN NAMES IN THE SECRET OF THE SEVENTY MEMBERS OF THE SANHEDRIN AND THE TWO WITNESSES. And this is the secret of Sh'ma: shem (lit. 'name') Ayin (=seventy), WHERE SHEM (LIT. 'NAME') IS MALCHUT THAT IS COMPOSED OF THE SEVENTY NAMES. "Yisrael, Hashem our Elohim, Hashem," these being the four compartments of the Tefilin, WHICH ARE THE FOUR MOCHIN: CHOCHMAH, BINAH, THE RIGHT OF DA'AT, AND THE LEFT THAT IS IN DA'AT, to which Aleph Chet (Heb. ach, lit. 'brother') FROM THE WORD are attached. This refers to the one who said: "Open to me, my sister, my love" (Shir Hashirim 5:2), NAMELY, ZEIR ANPIN. And the DALET FROM THE WORD ECHAD is the knot of the HEAD Tefilin, WHICH IS THE SHAPE OF THE LETTER DALET, for MALCHUT is attached to them. And the secret was given to the sages, but not to be revealed. Rabbi Shimon fell silent. He cried, then laughed and said: I shall tell THE SECRET, for certainly the HEAVENLY Will is abiding, for there will be no generation such as this one until King Messiah comes, in which permission will be granted to reveal it.

73. The straps and the knot of the hand Tefilin

Rabbi Shimon explains why the straps of the Tefilin are arranged and fastened as they are, and he emphasizes the importance of the Yud.

456. Two straps come out of each side, NAMELY FROM THE RIGHT AND THE LEFT, this being the secret of the two thighs THAT ARE FROM THE CHEST AND downwards of Aleph Chet, WHICH IS ZEIR ANPIN, NAMELY NETZACH AND HOD OF ZEIR ANPIN, onto which the prophets of truth hold. For from above, ON THE HEAD, two straps come out, which are the secret of the two arms THAT SURROUND THE HEAD from the right and from the left, WHICH ARE THE SECRET OF CHESED AND GVURAH, and to which the Dalet, WHICH IS MALCHUT, is attached, IN THE SECRET OF THE KNOT OF THE HEAD TEFILIN. Later MALCHUT descends, and THE STRAPS, WHICH ARE THE SECRET OF the thighs below, extend downwards. For, since it is attached above, WITH THE DALET OF THE KNOT OF THE HEAD TEFILIN, as is proper, it descends below TO NETZACH, HOD, AND YESOD, to hold on to her Hosts, WHICH MEANS SHARING BENEFICENCE TO THE DWELLERS OF THE WORLDS OF BRIYAH, YETZIRAH, AND ASIYAH. And when it becomes attached THERE, WITH NETZACH HOD YESOD, it is so attached at the top of the thighs, and the imprint of the Yud, which is the holy covenant, NAMELY YESOD, IS ON it from above, and it then unites in one unity WITH ZEIR ANPIN.

457. Yud is the secret of the covenant, NAMELY YESOD, for everyone who keeps this covenant will be saved above and below. Because Pinchas (PE NUN CHET SAMECH) was zealous for this covenant, he was saved from the heavenly judgment and from earthly judgment, which is why the letter Yud was added in him, INTO HIS NAME, as it is written: Pinchas (Pe Yud Nun Chet Samech), the son of Elazar..." (Bemidbar 25:11).

458. This Yud has to be such that it will never move from the hand Tefilin, NAMELY THE KNOT OF THE HAND TEFILIN THAT IS IN THE SHAPE OF THE LETTER YUD, WHICH ALLUDES TO YESOD, AS ABOVE. This is so that there should be no separation BETWEEN YESOD, WHICH IS YUD, AND THE HAND TEFILIN, WHICH IS MALCHUT. And the whole of MALCHUT's rejoicing is with this Yud, WHICH IS YESOD. And this Yud is to be found in the Male but not in the Female. He, YESOD, IS CALLED 'righteous' (Heb. Tzadik - Tzadik Dalet Yud Kof), while the Female, MALCHUT, is called 'righteousness' (Heb. Tzedakah - Tzadik, Dalet, Kof, Hei), WITHOUT YUD, FOR YUD IS TO BE FOUND WITH THE MALE AND NOT WITH THE FEMALE. And this is why THE YUD is close to it ON THE HAND TEFILIN, and whoever removes the Yud, WHICH IS YESOD, away from this place, FROM MALCHUT, WHICH IS THE HAND TEFILIN, will himself be far from the delights of the next world, NAMELY HE WILL NOT BE PRIVILEGED TO RECEIVE THE EMANATION COMING FROM THE MATING OF YESOD AND MALCHUT THAT IS DRAWN DOWN FROM THE UPPER EDEN, CALLED 'THE NEXT WORLD'.

459. The righteous (Heb. TZADIK - TZADIK DALET YUD KOF), is in the Male while in the Female it is righteousness (Heb. TZEDEK - TZADIK DALET KOF), without a Yud. Similarly Ish (lit. 'a man' - Aleph Yud Shin) IS WRITTEN with a Yud, while ishah (lit. 'a woman' - Aleph Shin Hei) is written without a Yud. This is why it is her rejoicing to come close TO THE YUD so that it will delight with her IN THE MATING. Whoever removes this delighting is himself removed from delight on high. And thus it is written: "for them that honor me I will honor" (I Shmuel 2:30).

74. "And when Pinchas...saw it, he...took a spear in his hand"

We hear that the Yud was added to Pinchas' name because he halted the strong judgment of the plague.

456. תְּרִין רְצוּעֵינָּם נִמְקִין, מִסְטָרָא דָּא וּמִסְטָרָא דָּא, רְזָא דְתֵרִין יִרְכִין דְלִתְתָּא דְהָאִי א"ח, הַנְּבִיאִי קְשׁוּט אַחִידֵן בְּהוּ. דְהָא מְלַעֲיָא נִמְקִין תְּרִין רְצוּעֵין, רְזָא דְתֵרִין דְרוּעֵין, מִימִינָא וּמִשְׂמָאלָא, וְדַל"ת אַתְּאֲחִידֵת בְּהוּ. לְבַתֵּר נַחְתָּא, וְאִתְפְּשְׁטוּ יִרְכִין לְתֵתָּא. בֵּינָּן דְהָא אַתְּאֲחִידֵת לְעִילָא בְּדָקָא יֵאוּת, נַחְתָּא לְתֵתָּא, לְאַתְּאֲחִידָא בְּאַכְלוּסְהָא. וְכַד אִיהִי אַתְּאֲחִידֵת, אַחִידָא בְּשַׁפּוּלֵי יִרְכִין, וּרְשִׁימוּ דִיּוּד בְּרִית קְדִישָׁא עָלֵהּ מְלַעֲיָא, כְּדִין אִיהִי אַתְּאֲחִידֵת בִּיחֻדָּא חַד.

460. Come and see: Pinchas stood before the strong judgment of Isaac and blocked up the breach, NAMELY HALTED THE PLAGUE, WHICH CAME FROM THE HARSH JUDGMENTS OF THE LEFT THAT IS CALLED 'ISAAC'. For this reason, the letter Yud was added to Pinchas' name, giving it the same secret as the numerical value as the name Isaac. He stood in the breach as it is written: "Then stood up Pinchas, and executed judgment..." (Tehilim 106:30), PINCHAS HERE BEING SPELLED WITH A YUD, NAMELY PINCHAS. He stood in the breach against the judgment of Isaac in order to defend Yisrael, which is why their names have the same reckoning, E.G. PINCHAS HAS THE SAME NUMERICAL VALUE AS ISAAC.

461. You might suggest that the reckoning, WHICH IS THE SECRET OF CHOCHMAH, is dependent on none but its eyes, NAMELY ON THE ILLUMINATION OF CHOCHMAH THAT IS IN MALCHUT, FOR EYES ARE CHOCHMAH, AND CHOCHMAH IS REVEALED ONLY IN MALCHUT AND NOT IN ANY OTHER SFIRAH, while here your reckoning DEPENDS above, upon Isaac, WHICH IS THE LEFT COLUMN OF ZEIR ANPIN. HE REPLIES, you are certainly right, THAT THE RECKONING, WHICH IS THE SECRET OF CHOCHMAH, DEPENDS UPON ISAAC, since Isaac depends upon and is drawn from the place that is called 'eyes', NAMELY IT IS DRAWN TO CHOCHMAH THAT IS IN MALCHUT, where the judgments of the whole world are judged. FOR ALL THE JUDGMENTS THAT ARE IN THE WORLD HAVE THEIR ROOT IN THE JUDGMENTS OF CHOCHMAH, for its eyes are the Ayin (=seventy, lit. 'eye') thrones OF JUDGMENT, WHICH ARE where the judgments that are in the world are, and they are called 'the seventy members of the Sanhedrin'. AND THE NUMBER SEVENTY (AYIN=EYE) IS BECAUSE THEY ARE DRAWN FROM ITS EYES. Thus everything is one, because Isaac and THE EYES OF MALCHUT go together, FOR MALCHUT IS BUILT UP FROM ISAAC AND ITS EYES ARE FROM HIM, NAMELY FROM THE LEFT COLUMN, AND SO THE TWO OF THEM ARE REALLY ONE, and everything fits.

462. So Pinchas is Isaac, for Pinchas stood up and judged the case OF ZIMRI AND COZBI, and put on the strong Gvurah, which is left CALLED 'ISAAC'. And because OF THIS DEED, Pinchas merited the right, NAMELY HE EARNED THE PRIESTHOOD, WHICH IS CHESED, left being here included in the right. "has turned My wrath away" (Bemidbar 25:11). What is the meaning of "turned My wrath away?" THE ANSWER IS THAT this refers to the three officials in Gehenom WHO ARE CALLED 'Destruction', 'Anger', and 'Wrath'. For Pinchas saw that wrath spreading and being drawn down from the side of Isaac. What did he do? He put on THE LEVEL OF Isaac, WHICH IS THE ROOT OF WRATH, and then he took hold of that wrath as one who takes hold of his neighbor and pushes him back.

463. And then he judged the case and executed judgment. He judged according to the rule that if a man has sexual intercourse with a gentile woman, the zealots may fall upon him AND IT WAS PERMITTED TO STRIKE ZIMRI. And he passed judgment, as it is written: "and thrust both of them through" (Bemidbar 25:8). Wherefore it is written: "has turned My wrath away (lit. 'back')," while elsewhere it is written: "He has turned back His right hand from before the enemy" (Eichah 2:3). Just as THE TURNING MENTIONED in the latter, is back, so also in the former case, it is back. And thus the Yud THAT WAS ADDED here to Pinchas is the Yud that is in Isaac, WHICH ALLUDES TO YESOD. And it is all "away from above the children of Yisrael" (Bemidbar 25:11), for when he saw that wrath, he saw it as it was descending over the heads of children of Yisrael, AND IT IS THEREFORE WRITTEN: "HAS TURNED BACK MY WRATH BACK FROM (LIT. 'ABOVE') THE CHILDREN OF YISRAEL."

Rabbi Shimon works through some numerology and rearrangement of the letters in Mavet (Eng. 'death') to show that Pinchas was dedicated to the Holy Name of God and that he turned away God's wrath by wielding the spear. We are told that none of those who died in the plague were of Yisrael with the exception of those from the tribe of Shimon; those who died were the wicked, and the wicked are already considered to be dead.

464. HE ASKS, IT IS WRITTEN: "AND WHEN PINCHAS...SAW...AND TOOK A SPEAR IN HIS HAND" (Bemidbar 25:7). What did he see? AND ANSWERS: He saw a letter Mem flying through the sky, and this LETTER is a sign of the Angel of Death, for THE Mem wants to be built up with the letter Vav and the letter Tav TO FORM THE WORD MAVET (LIT. 'DEATH' - MEM VAV TAV). What did Pinchas do, for he was then attired with Isaac? He then took that letter Mem and snatched it away FROM THE ANGEL OF DEATH, and joined it with himself. And when the Angel of Death saw that Pinchas had taken the letter Mem to himself, he immediately turned back.

465. HE ASKS but what is the reason BEHIND ALL THIS? HE ANSWERS, when Pinchas was zealous in his heart, he attired himself with Isaac. And he rose up to 208, which is the numerical value of his name. It is also the numerical value of Isaac. And since he saw the letter Mem flying in the sky, he snatched it and joined it to himself, and immediately became romach (lit. 'a spear' - Resh Mem Chet). THAT IS, THE LETTER MEM JOINED THE NUMERICAL VALUE OF HIS NAME, RESH CHET (208) AND FORMED THE WORD ROMACH, A SPEAR, as it is written: "and took a spear in his hand."

466. Because the letter Mem was the first mark for Adam that death was ordained over the world, because this letter flew over Adam's head at the time when, as is written: "She took of (Heb. mi) the fruit thereof" (Beresheet 3:6). And this MEM was waiting for the letters Vav and Tav, as is written: "...and did eat (Heb. vatochal starts VAV TAV); and she gave (Heb. vatiten starts VAV TAV) also to her husband with her, and he did eat. And the eyes of them both were opened (Heb. vatipakachnah) (Ibid. 6-7). And thus was death (Heb. mavet - Mem Vav Tav) established over the world.

467. AND SIMILARLY now Pinchas saw that same letter Mem that was flying over the heads of the children of Yisrael. And how did he see it? He saw the shape of an open Mem covered in blood. When he saw it, he said: This is certainly a sign of the Angel of Death. He immediately snatched it, mentioned over it the ineffable Name written in full and brought that letter down to himself. And as THE NUMERICAL VALUE OF PYNCHAS is the letters Resh Chet, AND THE MEM COMBINED WITH THE RESH CHET to form Resh Mem Chet (Heb. romach, lit. 'a spear'), as it is written: "and took a spear in his hand." And this is why it is also written: "has turned My wrath away from over the children of Yisrael, in that he was zealous for My sake" (Bemidbar 25:11), for he was zealous for the Holy Name, for they had joined it to another dominion. "among them" (Ibid.). What is the meaning of "among them"? The answer is that he went in among a number of hordes and a number of great ones and gave himself over to death for their sake, IN ORDER TO SAVE THEM. THEREFORE IT IS WRITTEN: "AMONG THEM." But THE SECRET OF "among them" is as follows: The letters of "among them" (Heb. betochham) are, betoch Mem, for the zealousness that he showed was within a Mem.

464. מאי חמא. חמא מ', את דא דהוה טאס ברקיעא, ודא הוא סימנא דמלאך המות, דבעיא לאתבנאה באת וא"ו ואת ת'. מה עבד פנחס. דהוה מתלבש ביצחק, כדין נטיל ההוא את מ', וחטף ליה, וחבר ליה בהדיה. כיון דחמא מלאך המות, דפנחס חטף ליה להווא מ' בהדיה, מיד תב לאחורא.

465. מ"ט. בגין דכד קני בלביה פינחס, אתלבש ביצחק, ואסתלק למהוי בחושבנא ר"ח, והכי סליק שמייה ר"ח, והכי סליק יצחק. כיון דחמא לאת מ' טאס ברקיעא, חטף ליה, וחבר ליה בהדיה ואתעביד מיד רמ"ח, הה"ד ויקח רמח בידו.

466. בגין דאות מ' הוה סימנא קדמאה לאדם הראשון, למבני מות על עלמא, בגין דאת דא הוה טאס על רישיה דאדם, בשעתא דכתיב ותקח מפריו, מ' פריו. והוה מחכא ו"ת, בזמנא דכתיב, ותאכל, ותתן, ותפקחנה. כדין אתבני מות על עלמא.

468. HE ASKS, What's the reason that PINCHAS WAS ZEALOUS FOR this 'Mem'? AND HE ANSWERS, This is because this was the sign for death, a sign for forty lashings. This is the sign of the four deaths decreed by the court, and from whence it rises and descends, descends and rises. When it rises IN NUMERICAL VALUE it evolves to Mem (=forty) and when it comes down it's a Dalet (=four), the four directions that separate from male and female of impurity. Because of them are the four deaths decreed by court. And from there they rise to Mem. Thus, the Mem is a sign and utensils of the Angel of Death. And this is what Pinchas took and established within Mem. And therefore, "I consumed not the children of Yisrael in My jealousy" (Ibid.).

469. HE ASKS, How can it be said that Pinchas turned away the wrath of the Holy One, blessed be He, when it is written: "And those that died by the plague were twenty and four thousand" (Bemidbar 25:9)? Had not even one of them died, I could have said "has turned away My wrath," but since so many died it does not make sense TO SAY "turned away My wrath... so that I consumed not the children of Yisrael": THE ANSWER IS that the matter certainly needs clarification, as follows: Woe to the person who faults his own seed. Woe to the one who does not guard his seed properly, FOR THESE ARE THEY WHO DIED IN THE PLAGUE. But heaven forbid, not even one of Yisrael died, with the exception of the tribe of Shimon. When the mixed multitude came, they intermingled with the women of the tribe of Shimon, after they had converted, and bore them sons, some of whom died at the Golden Calf episode and others of whom died in the plague; while those who remained alive died here, as it is literally written: "And the dead ones by the plague were twenty and four thousand" (Bemidbar 25:9). Scripture does not say 'which had died' (namely using a verbal form) but rather "the dead ones" (namely using a noun form), which teaches that they were already considered dead, FOR THE WICKED ARE CALLED 'DEAD'.

470. And because Yisrael were careful, and the holy seed were all counted and not one of them was missing, wherefore it is written: "I consumed not the children of Yisrael" (Bemidbar 25:11). The inference here is that He did consume others WHO WERE NOT OF THE CHILDREN OF YISRAEL. And so, too: "turned away My wrath from over the children of Yisrael." He turned away from over the children of Yisrael, but he did not turn it away from the others, who were a mixed multitude. And therefore Scripture explicitly states: "from over the children of Yisrael." This is why the children of Yisrael were counted and the Holy One blessed be He joined them to Himself, again as formerly. Something similar happened in the case of the Golden Calf, as it is written: "And there fell of the people..." (Shemot 32:28). All of these were from the mixed multitude. To prove the point that they were not of the children of Yisrael, Scripture later says: "And Moses gathered all the Congregation of the children of Yisrael" (Shemot 35:1), WHICH SHOWS THAT ALL OF THEM WERE IN PERFECTION.

76. "Take from among you an offering," not from among the mixed multitude
Rabbi Shimon and Rabbi Elazar discuss the question of whether the offering was to be taken only from the children of Yisrael or from the mixed multitudes as well. They also determine that Yisrael did not in fact worship Baal Pe'or.

471. "Take from among you an offering": (Shemot 35:5) Come and see, In the first instance it is written: "of every man whose heart prompts him to give" (Shemot 25:2). That is, from absolutely anyone, EVEN THE MIXED MULTITUDE. Since the mixed multitude had made THE GOLDEN CALF, and those of them who had died had died, the Holy One, blessed be He, wanted to be reconciled with Yisrael. He said to them: 'Join yourselves together, all of you, to one side,' as it is written: "And Moses gathered all the congregation of the children of Yisrael" (Shemot 35:1) by themselves. He said to them: 'My children, I want to rest upon you; My tabernacle shall be amongst you. And so it is written: "Take from among you an offering" from you and not from anyone else. I do not want the others to have any connection with Me nor with you.' And this is why all OF THE MIXED MULTITUDE were destroyed. And so also here. All those about whom it is written "And those that were dead..." (Bemidbar 25:9) were of a bad stock, NAMELY THEY WERE THE OFFSPRING OF THE MIXED MULTITUDE WHO HAD INTERMARRIED WITH THE TRIBE OF SHIMON, AS ABOVE. Those dead were certainly already PREVIOUSLY dead, FOR THEY WERE OF THE MIXED MULTITUDE WHO ARE CALLED 'DEAD' EVEN DURING THEIR LIFETIME, AS ABOVE, and not from Yisrael. And this is why he counted them, as it is written: "Take the sum of the congregation of the children of Yisrael" (Bemidbar 26:2), WHICH MEANS LITTERALLY, raise up their heads.

472. Rabbi Elazar said, Father, WHAT YOU HAVE SAID would have been most beautiful if there had not been an internal contradiction. He said to him, My son, please tell me. And he replied, It is written: "And Yisrael joined himself to Baal Pe'or" (Bemidbar 25:3), and we have learnt that Yisrael was joined to Baal Pe'or as a bracelet is joined to a person among his jewelry. THAT IS: YISRAEL ALSO SINNED, AND NOT ONLY THE MIXED MULTITUDE. He said to him: So it is indeed, Elazar, that "Yisrael joined himself to Baal Pe'or," but I did not say that Yisrael was innocent of that sin. All I said was that they were cleared of death, that death should not rest on them.

473. He said to him: But it is also written: "Take all the chiefs of the people and hang them" (Bemidbar 25:4), AND THE REFERENCE IS CLEARLY TO YISRAEL. He said to him, It does indeed specifically say "the chiefs of the people," NAMELY THE MIXED MULTITUDE WHO ARE CALLED 'PEOPLE' WITHOUT FURTHER EPITHET. IT DOES NOT SAY 'the chiefs of the children of Yisrael'. And from the use of the term "the people" we can learn THAT WHEREVER SCRIPTURE USES "THE PEOPLE" THE REFERENCE IS TO THE MIXED MULTITUDE. Here (Bemidbar 25:4) it is written "the people," and elsewhere it is written: "And when the people saw that Moses delayed" (Shemot 32:1) and: "the people gathered themselves together" (Ibid.), and: "And there fell of the people..." (Ibid. 28). IN ALL THESE CASES, "THE PEOPLE" MEANS THE MIXED MULTITUDE. But come and see: All that is written is "And Yisrael joined himself to Baal Pe'or" (Bemidbar 25:3). It does not say that they worshipped BAAL PE'OR, as understood from the end of the verse, as is written: "and the people ate, and bowed down to their Elohim" (Ibid. 2). Scripture does not say that Yisrael ate and bowed down, but IT IS WRITTEN, the people. And since it is written "And Yisrael joined...", what is the meaning of "and the people ate"? SCRIPTURE SHOULD HAVE SAID: 'AND YISRAEL ATE'. However, it was that bad stock, NAMELY THE MIXED MULTITUDE WHO MARRIED ISRAELITE WIVES, which was the sin of Yisrael.

471. קחו מאתכם תרומה. ת"ח, בקדמיתא כתיב, מיאת כל איש אשר ידבנו לבו. בלא בכלל. כיון דאינון ערב רב עבדו דא, ומיתו מנייהו אינון דמיתו, בעא קודשא בריך הוא לאתפייסא בהדייהו דישראל, אמר לון, אתחברו בלכו לסטר חד, הדא הוא דכתיב ויקהל משה את כל עדת בני ישראל בלחודייהו, אמר לון, בני, בכון אנא בעי למשרי, עמכון תהא דיורא דילי. וע"ד, קחו מאתכם תרומה, מאתכם, ולא מאחרא, לא בעינא דתהא שתופא לאחרנין בהדי, ולא בהדייכו, ובג"כ בלהו אשתציאו. אוף הכא הא אינון מאינון גזעא בישא הו, ויהיו המתים. המתים, ודאי מתים, ולא מישראל. ובג"כ מנה לון, דכתיב שאו את ראש בני ישראל, ארימו רישיהו.

472. א"ר אלעזר, אבא, כמה יאות הוא, אי לא אשכחנא פלוגתא על דא. אמר ליה ברי אימא. א"ל והא כתיב ויצמד ישראל לבעל פעור, ותנינן דאתחברו ישראל בהדיה, כצמיך דא דאתחבר בב"נ בקשוטוי, הכי אתחברו ישראל לבעל פעור. א"ל אלעזר, הכי הוא, ויצמד ישראל לבעל פעור, אלא אנא לא אמרית דאתדכו ישראל מההוא חובה, אלא דאתדכו ממותא, דלא שריא עליהו מותא.

473. א"ל והא כתיב, קח את כל ראשי העם והוקע אותם. א"ל ראשי העם ודאי, ולא ראשי בני ישראל. ומן העם אית לן למילף, כתיב הכא העם, וכתיב התם וירא העם. ויקהל העם. ויפול מן העם. אבל ת"ח, ויצמד ישראל לבעל פעור, ולא פלחו ליה, אבל מן סיפיה דקרא אוכח, דכתיב ויאכל העם וישתחוו, ולא כתיב ויאכל וישתחו ישראל. אלא העם, כיון דכתיב ויצמד ישראל, מאי ויאכל העם. אלא ההוא זרעא בישא, הו חובה דישראל.

474. ANOTHER COMMENT. Take the verse: "And Yisrael joined himself to Baal Pe'or." Come and see: 'And Yisrael joined himself within Baal Pe'or' is not written, but rather "to Baal Pe'or." This is so because they gave ONLY embellishment and strength to Baal Pe'or, without awareness, because the worship of Pe'or consisted of uncovering oneself and depositing in front of him hot feces, which worship used to give him pleasure and Baal Pe'or grew strong from it. Yisrael, when they saw this, thought that they were thereby scorning him and disgracing him, for about idolatry it is written: "You shall say to it: Get you hence (Heb. tze)" (Yeshayah 30:22), AND THE WORD FOR FECES (HEB. TZO'AH) COMES FROM THE SAME ROOT. So they, Yisrael, uncovered themselves and answered the call of nature in order to deride the idolatry, without awareness. And it was for these that Pinchas made atonement and stopped the plague FROM THEM, as it is written: "And he made atonement over the children of Yisrael" (Bemidbar 25:13)
 The Faithful Shepherd confirms that the offering was not taken from the mixed multitude. He says that the rule of the mixed multitude over Yisrael causes Yisrael to come under the jurisdiction of the stars and planets rather than God.
 Ra'aya Meheimna (the Faithful Shepherd)

475. The Faithful Shepherd said, IT IS WRITTEN: "turned away My wrath" (Bemidbar 25:11). What is the meaning of "turned away My wrath?" THE ANSWER IS THAT this refers to three officials over Gehenom. One is over bloodshed, another over incest, and the third over idolatry, and they are CALLED 'Destruction', 'Anger' and 'Wrath'. And the latter, Wrath, was flying through the world, AND ABOUT IT IS SAID: "TURNED AWAY MY WRATH." He said, "turned away My wrath from the children of Yisrael," but He did not say "from the people," which WOULD REFER TO the mixed multitude. For it is said, "And there fell of the people that day about three thousand men" (Shemot 32:28), WHERE THE MEANING OF "THE PEOPLE" IS THE MIXED MULTITUDE. BUT HERE IT DOES NOT SAY 'TURNED AWAY MY WRATH FROM THE PEOPLE,' BUT RATHER "FROM THE CHILDREN OF YISRAEL." THIS IS TO TEACH THAT THE WRATH WAS NOT TURNED AWAY FROM THE MIXED MULTITUDE. For this is how we explained it, and we asked the holy luminary, THAT IS, RABBI SHIMON.

476. What does Scripture say? "Take from among you an offering to Hashem" (Shemot 35:5), "FROM AMONG YOU" and not from the mixed multitude, for YISRAEL was not called 'a community' and 'a union' until the mixed multitude had been removed from them. When THE MIXED MULTITUDE was intermingled amongst them, as it were, it was as though they were not one people. That is why it says, "Take from among you an offering" and not from any other partnership, NAMELY NOT FROM THE MIXED MULTITUDE, for I do not want to involve others between Me and you.

477. And not only that, but when the mixed multitude were intermingled with Yisrael, what is written? "Her adversaries have become the chief" (Eichah 1:5). And after THE MIXED MULTITUDE have been removed from Yisrael, what is written? "Take the sum of all the congregation of the children of Yisrael" (Bemidbar 26:2) (the literal translation of which verse is: 'Lift up the head of all the congregation of the children of Yisrael'). And not only that, but the Holy One, blessed be He, said: 'I want to dwell with them,' this being what is written: "and let them make Me a sanctuary; that I may dwell among them" (Shemot 25: 8).

474. מהו דכתיב ויצמד ישראל לבעל פעור. ת"ח, ויצמד ישראל בבעל פעור לא כתיב, אלא לבעל פעור. קשויטין ותוקפא יהבו לבעל פעור, בלא דעתא, בגין דפולחנא דפעור הוא, למפרע גרמיה, ולאפקא קמיה צואה רותחת. והוא עיבידתא אהני ליה, ואתתקף מניה. וישראל כיון דחמו דא, חשיבא דזלזולא דיליה איהו, וקלקולא דיליה, דהא בע"ז כתיב, צא תאמר לו. ואינון בגין זלזולא דעבודה זרה, פרעו גרמיהו בלא ידיעה, ועל הני כפר פנחס, ובטל מותנא, דכתיב ויכפר על בני ישראל.

רעיא מהימנא

475. אמר רעיא מהימנא, השיב את חמתי, מאי השיב את חמתי. אלא ג' ממונים דגיהנם, חד על ש"ד, וחד על ג"ע, וחד על ע"ז. ואינון: משחית, אף, וחימה. הוא חימה דהוה טאס בעלמא. אמר השיב את חמתי מעל בני ישראל, ולא אמר מעל העם, דאינון ערב רב, דאתמר ויפול מן העם ביום ההוא כשלת אלפי איש, דהכי אוקימנא ושאיילו לבוצינא קדישא.

476. ומה כתיב, קחו מאתכם תרומה ליי, ולא מערב רב, דלא אתקריאו קהלה וחובר, עד דאתעבר מנהון ערב רב, כביכול בזמנא דמתערבין ביניהו, כאילו לא הוו גוי אחד. ובג"ד קחו מאתכם תרומה, ולא משותפו אחרא, דלא בעינא לשתפא אחרנין ביני וביניכו.

477. ולא עוד, אלא כד ערב רב אינון מעורבין בישראל, מה כתיב היו צריה לראש. וישראל בתר דמתעברי מניהו אליון מה כתיב, שאו את ראש כל עדת בני ישראל. ולא עוד, אלא דאמר קודשא בריך הוא, אנא בעי לדירא עמכון. הדא הוא דכתיב, ועשו לי מקדש ושכנתי בתוכם.

478. And not only that, but when the children of Yisrael are in exile it is said about them: What prevents? The yeast in the dough, for the sages of the Mishnah have taught: When the mixed multitude are the heads over Yisrael, as it were, it is as though the rule of the Holy One, blessed be He, was removed and they had come under the rule of the jurisdiction of the stars and planets. This is why they cry out, saying, "Hashem our Elohim, other Masters beside You have had dominion over us" (Yeshayah, 26:13).

478. ולא עוד, אלא כד בני ישראל בגלותא, עליהו אתמר מי מעבב שאור שבעסה, והא אוקמוה מארי מתניתין, בזמנא דערב רב אינון ראשים על ישראל, כביכול כאילו עברין שולטני דקודשא בריך הוא, וייעלון במשפטי ככביא ומזלי. ובג"ד צווחין ואמרין, יי' אלהינו בעלוננו אדונים זולתך.

77. Mem of Mavet flying in the air

Rabbi Shimon says that Elijah (Elijah being Pinchas in reincarnation) snatched the letters Mem and Vav from the word mavet, which means death, by means of the great pity he had for Yisrael and his determination that they should not be lost because of the sins of Zimri and Cozbi - this is how and why he killed the two sinners with a spear. Rabbi Shimon concludes by saying that whenever there is a righteous man in the world, the patriarchs come to help him.

479. Another explanation of the verse, "Pinchas..." (Bemidbar 25:11): Arise, O holy luminary, and say things in the presence of the Shechinah. The holy luminary, THAT IS RABBI SHIMON, arose and said, In the complication of the first part it was said: Come and see, Pinchas arose before the strong judgment of Isaac and stood in the breach, NAMELY THE OUTBREAKS OF THE PLAGUE, as it is written: "Then stood up Pinchas, and executed judgment: and so the plague was stayed" (Tehilim 106:30). AND THIS HE DID in order to protect Yisrael. This is the reason why Pinchas and Isaac have the same numerical value. And now new things have to be said here.

479. ד"א, פנחס וגו'. קום בוצינא קדישא, ואפתח מלי קמי שכינתא. קם בוצינא קדישא, ואמר, בחבורה קדמאה אתמר הכי. תא חזי, פינחס קאים קמי דינא תקיפא דיצחק, וקם קמי פרצה, דכתיב ויעמוד פינחס ויפלל ותעצר המגפה, בגין לאגנא עליהו דישראל, ובגין דא כליל דא ודא בחושבנא, פינחס במנין יצחק, והכא צריך לחדתא מלין.

480. He began by saying, Elijah, the beloved of the divine King, NAMELY PINCHAS, FOR ELIJAH IS PINCHAS, saw the letter Mem from the word mavet (lit. 'death') flying in the air, snatched it down and joined it to Resh Chet, which is the numerical value of both Isaac and Pinchas, and WITH THE MEM completed the combination Resh Mem Chet. Subsequently, he saw the letter Vav from the word mavet flying in the sky, and he snatched it down also and placed it with the Resh Mem Chet, thus completing the word: Resh Vav Mem Chet (Heb. romach), a spear in the fuller spelling, as it is written: "and he took a spear in his hand" (Bemidbar 25:7).

480. פתח ואמר, אליהו רחימא דמלכא עלאה, חזא מ"ם מן מות טאס באוירא, קטף לה, ושתף לה עם ר"ח, דאיהו יצחק, ואיהו בחושבן פינחס, ואשתלים בה רמ"ח. לבתר חזא ו' מן מו"ת טס ברקיעא, וחתף ליה, ושוי ליה ברמ"ח, ואשתלים רומ"ח. הדא הוא דכתיב, ויקח רומח בידו.

481. And with what was he able to snatch down these two letters, THE MEM AND THE VAV? He used the two spirits that were preserved for him on high, for they make up Pinchas, namely Pnei Chas (lit. 'the countenance of pity'), for with these two countenances he had pity on Yisrael that they should not be lost because of those two, ZIMRI AND COZBI, "and he thrust both of them through" (Ibid. 8) with the two letters, the Mem and the Vav, as is written: "in that he was zealous for My sake among them" (Ibid. 11).

481. ואיהו, במה יכיל לחטוף תרין אתוון אלין. בתרין רוחין דאשתמרו לעילא, דאשתתמו בפנחס. פני ח"ס. בתרין פנים אלין, חס על ישראל דלא אתאבידו, בחילא דתרווייהו, וידקור את שניהם, בתרין אתוון מ"ו. והיינו בקנאו את קנאתי בתוכם.

482. Why did Pinchas associate himself with Isaac? It was because Isaac gave himself over to death, which is why he joined himself to Isaac, that he should help him. For from the side of the two fawns of the doe, Abraham and Jacob participated in him, for Abraham, whose level is that of Chesed, participated in the Chet Samech of Pinchas, while Jacob is the Pnei of Pinchas, because it is said about him (about Jacob): "And as he passed over Penuel" (Bereshheet 32:32). AND THE LETTERS OF Peniel can be read as two words: Pnei El, the face of El. For, whenever the world is in trouble, but there is a righteous man in the world, who is zealous for the covenant, then the patriarchs combine with him. And for their sake, Moses said, when Yisrael was in trouble, "Remember Abraham, Isaac and Yisrael, Your servants" (Shemot 32:13). And with the three letters Yud Hei Vav of Elijah, WHICH ARE THE SECRET OF ABRAHAM, ISAAC, JACOB, he earned the Hei, WHICH IS MALCHUT, of hanavi (lit. 'the prophet') - and this is Elijah the prophet, and thus the Yud Hei Vav Hei come together in him.

482. וְאִמָּאֵי אֲשֶׁתֶּתָּף בִּיצְחָק. בְּגִין דִּיצְחָק מִסַּר גְּרָמִיָּה לְמִיתָהּ. וּבְגִין דָּא אֲשֶׁתֶּתָּף לִיָּה לִיצְחָק, לְמַהוּי לִיָּה עֶזֶר. דְּמִסְטָרָא דְתָרִין עִזְלֵי דְאִינִלְתָּא, אֲשֶׁתֶּתָּפִי בִיָּה אֲבָרְהָם וְיַעֲקֹב, דְּאֲבָרְהָם דְּרִגְיָה חֶסֶד אֲשֶׁתֶּתָּף בַּח"ס דְּפִנְחָ"ס. יַעֲקֹב אִיהוּ פְּנִי דְּפִנְחָס בְּגִין דְּאֶתְמַר בִּיָּה, כְּאֲשֶׁר עָבַר אֶת פְּנִיאֵל, פְּנִי אִ"ל. בְּגִין דְּכַד עֲלְמָא אִיהוּ בְּדוּחְקָא, וְאִית צְדִיק בְּעֲלְמָא מְקַנֵּי עַל בְּרִית, אָבְהָן אֲשֶׁתֶּתָּפוּ בִיָּה, וּבְגִינֵיהוּ אֲמַר מִשָּׁה בְּדוּחְקָא דְיִשְׂרָאֵל, זְכוֹר לְאֲבָרְהָם לִיצְחָק וְלִיִּשְׂרָאֵל עֲבָדִין. וּבִתְלַת אֲתוּוֹן יְהוָה מִן אֱלֹהֵיהּ, זְכָה לֵה' מִן הַנְּבִיא, וְדָא אִיהוּ אֱלֹהֵיהּ, ה' נְבִיא, וְאֲשֶׁתֶּלִּים בִּיָּה יְדוּ"ד.

78. The Yud that Pinchas merited was the Yud of Shadai

The Zohar expounds upon the meaning of the lower Yud and the upper Yud in terms of the covenant. The Yud of Shadai prevents the evil inclination from harming a person. We hear that Pinchas was zealous for the covenant both in thought and in deed.

483. The Yud that Pinchas earned, WHERE HIS NAME IS WRITTEN OUT IN FULL WITH A YUD: PINCHAS, was because he was zealous for the covenant, and thus merited the covenant, FOR THE YUD THAT WAS ADDED TO HIS NAME IS AN INDICATION OF THE COVENANT. There are two Yuds, upper Yud from Yud Hei Vav Hei, with which He made the covenant with Abraham between the Yud (ten) fingers of the hands, and small Yud which is from Adonai, with which He made the covenant between the Yud toes of the feet. And it is a holy letter that is adorned by the supernal print.

483. י' דְּזָכָה פְּנָחָס בִּיָּה, בְּגִין דְּקַנֵּי עַל בְּרִית, זְכָה לְבְרִית. וְתָרִין יוּדִין אֵינּוּן, יוּד עֲלָאָה מִן יְדוּ"ד, דְּכֶרֶת בָּהּ לְאֲבָרְהָם, בֵּין י' אֲצַבְעוֹת דְּיָדִין. יוּד זַעִירָא אִיהוּ מִן אֲדָנִי, דְּכֶרֶת בָּהּ בֵּין י' אֲצַבְעָאן דְּרַגְלִין וְאִיהוּ אֶת קְדִישָׁא, דְּמִתְעַטְרָא בְּרִשְׁמוֹ עֲלָאָה.

484. This SMALL YUD is always ever recorded, THAT IS TO SAY THAT IT IS MARKED UPON ALL THE GRADES OF MOCHIN, FOR WITHOUT IT NO GRADE IS REVEALED. It is the sign of Shabbat, the sign of the Tefilin, the sign of the festival days, the sign of Shadai that is recorded "on the doorposts of your house and on your gates" (Devarim 6:9), WHICH IS THE SECRET OF THE YUD OF SHADAI (SHIN DALET YUD), so that YISRAEL will be impressed with it in their straps, NAMELY IN THE KNOT OF THE HAND TEFILIN WHICH HAS THE SHAPE OF THE LETTER YUD, and in their covenant, NAMELY THE CIRCUMCISED MEMBER, SO THEY WILL BE MARKED THROUGH IT as the children of Malchut, the household of the palace of the Holy King, WHICH IS MALCHUT CALLED 'PALACE'. THIS MEANS THAT THEY SHOULD RECEIVE THE MOCHIN OF LOWER CHOCHMAH, WHICH ARE DRAWN DOWN FROM MALCHUT, AND THIS THEY MERIT BY KEEPING GUARD OVER THE COVENANT and BY ENGAGING IN the Torah. They are marked with the upper Yud OF YUD HEI VAV HEI, NAMELY THEY MERIT UPPER CHOCHMAH, for they are the children of the divine King. It is as we have taught, and so it is said: "You are the children of Hashem your Elohim" (Devarim 14:1) IN THE SECRET OF THEIR RECEIVING FROM YUD OF YUD HEI VAV HEI, WHICH IS FROM ZEIR ANPIN, WHO IS CALLED YUD HEI VAV HEI.

484. וְדָא אֲתַרְשִׁים תְּמִיד לְעֲלָמִין, אִיהוּ אוֹת דְּשַׁבַּת, אוֹת דְּתַפְלִין, אוֹת דְּיוֹמִין טְבִין, אוֹת דְּשַׁדַּי דְּרִשִׁים עַל מְזוּזוֹת בֵּיתְךָ וּבְשַׁעֲרֶיךָ. לְמַהוּי בָּהּ רְשִׁימִין יִשְׂרָאֵל בְּרִצּוֹעֵיהוּ, בְּבְרִית דְּלֵהוּן, דְּאֵינּוּן בְּנוֹי דְּמִטְרוּנִיתָא, בְּנוֹי דְּהֵיכְלָא דְּמַלְכָּא קְדִישָׁא, וּבְאוּרִינִיתָא, אֵינּוּן רְשִׁימִין בְּאֶת י' עֲלָאָה, דְּאֵינּוּן בְּנוֹי מַלְכָּא עֲלָאָה, כְּמָה דְּאוּקְמוּהּ. וְהָא אֶתְמַר בְּנִים אֲתָם לִינִי אֱלֹהֵיכֶם.

485. And the letter Yud of Shadai (Shin Dalet Yud) THAT IS THE SIGN OF THE COVENANT is a ring halter that is lowered onto the neck of the demon, which is the Evil Inclination, FOR THE LETTERS OF SHADAI MAKE TWO WORDS SHED (LIT. 'A DEMON' - SHIN DALET), AND YUD, to prevent it from harming man. And this is as David said: "Deliver my life from the sword; my only one from the power of the dog" (Tehilim 22:21), FOR THE EVIL INCLINATION is serpent, dog, lion, about which David said, "He lies in wait secretly like a lion in his den" (Tehilim 10:9), or, in the words of the prophet, a bear, as it is written: "He is to me a bear lying in wait, and like a lion in secret places" (Eichah 3:10). And IT is likened to all the animals, namely is likened to all the beasts of prey, and the likeness is drawn for each person according to his sins. THAT IS, ACCORDING TO A PERSON'S SINS SO IS THE EVIL INCLINATION CALLED 'LION' OR 'BEAR' AND SO ON but this has already been clarified.

486. And this, THE EVIL INCLINATION, is dog, and serpent, and braying donkey, onto which the soul is mounted, and, as soon as it is known that its rider is wicked it is written about it: "his rider shall fall backward" (Bereshheet 49:17), and the secret of the matter is: "If any (falling) man fall from it" (Devarim 22:8). And for this reason, Job said: "I am not inferior to you" (Iyov 12:3). (The literal rendering of this verse is: 'I do not fall from you'). But the righteous person who rides on it binds it with the knot of the Tefilin straps, the sign of the Tefilin, which is the Yud of Shadai (Shin Dalet Yud), being the ring, the halter on the neck, while the Shin of the Tefilin is a chain on the neck.

487. And Elijah rode on it when he ascended into the heavens, as it is written: "And Elijah went up by a storm of wind into heaven" (II Melachim 2:11). Also: "Then Hashem answered Job out of the storm wind" (Iyov 38:1). And this is why the sages of the Mishnah taught: Who is mighty? He that subdues his inclination. And there are those for whom it becomes a donkey (Heb. chamor) that causes no trouble for its rider, and they are the ones who make efforts at exposition by inference from minor to major (Heb. chomer). And this is why it is written about Abraham: "and saddled his ass" (Bereshheet 22:3). And this is also why it is said about Messiah: "humble and riding upon an ass" (Zecharyah 9:9).

488. And for this reason, all demons and spirits are fearful of the Yud of Shadai (Shin Dalet Yud), NAMELY THE SIGN OF THE COVENANT, which is the noose ring from the chain, and immediately on seeing THE YUD OF SHADAI on the doorposts of the gates they flee, for about THE YUD OF SHADAI it is said: "to bind their kings with chains, and their nobles with fetters of iron" (Tehilim 149:8). And even more DO THEY FLEE AWAY when they see it on the Tefilin that are on the arms, NAMELY IN THE KNOT OF THE HAND TEFILIN. And of those who are marked with it with the sign of the covenant in their own flesh, ABOUT THEM IT IS SAID: "and the stranger that comes near shall be put to death" (Bemidbar 1: 51); NAMELY THE EVIL INCLINATION THAT IS CALLED 'STRANGER' SHALL BE PUT TO DEATH, for stranger is none other than the Evil Inclination, that is similar to all the beasts and birds of prey, AS ABOVE.

485. וְאוֹת יוֹד דְּשַׁדַּי, אִיהוּ חוּלְיָא דְּשִׁלְשֻׁלַת, עַל קוֹרְלָא דְּשֵׁד יִצְר הָרַע, דְּלֵא לְנוּזִיק לִיה לַב"נ. דְּעַלְיָה אָמַר דּוֹד, הִצִּילָה מִחָרֵב נַפְשֵׁי מִיַּד כָּלֵב יַחֲדִירְתֵּי. אִיהוּ נַחֲשׁ, אִיהוּ כָּלֵב, אִיהוּ אַרְיָה. דְּעַלְיָה אָמַר דּוֹד, יֶאֱרֹב בְּמַסְתָּר כְּאַרְיָה בְּסִכְהָ. וְהַנְּבִיא קָרָא לִיה דּוֹב, הַה"ד דּוֹב אֹרֵב הוּא לִי אַרְי בְּמַסְתָּרִים. נִמְשַׁל בְּבַהֲמוֹת, נִמְשַׁל לְכָל חַיּוֹן מַסָּאֲבֹן, דְּאִינוֹן דּוֹרְסִין, אֲתַמְתִּיל לְכָל ב"נ, כְּפֹסֵם חוּבוּי, וְהָא אֲתַמְר.

489. And for this reason, "Recall now, who that was innocent ever perished?" (Iyov 4:7). This refers to Pinchas, who was zealous for the covenant, SINCE THE LETTERS OF THE WORD INNOCENT (Heb. NAKI), WHEN REARRANGED, SPELL KENEI (ARAMAIC FOR ZEALOUS). And it is recorded upon him that he is the son of the King and the Queen, for when he was zealous in thought, he earned the letter Yud of Yud Hei Vav Hei, WHICH IS THE SECRET OF THE UPPER CHOCHMAH, AND HE BECAME THE SON OF THE KING. And when he was zealous in deed, he earned the letter Yud of Adonai, WHICH IS LOWER CHOCHMAH, AND HE BECAME THE SON OF THE QUEEN. And this is the meaning of Chochmah at the beginning OF THE COMBINATION YUD ALEPH HEI DALET VAV NUN HEI YUD, WHICH IS THE YUD OF YUD HEI VAV HEI, and Chochmah at the end OF THE COMBINATION YUD ALEPH HEI DALET VAV NUN HEI YUD, WHICH IS THE YUD OF ADONAI. And since Adam was marked with THESE two YUDS, the sages taught about him that he is the first in thought but the last in deed (namely the last of the created). FOR THE YUD HEI VAV HEI IS THE SECRET OF THOUGHT AND 'ADONAI' IS THE SECRET OF DEED. And while he was still saying these things, he disappeared from their sight. Rabbi Elazar said, Happy is our portion that we have been privileged to hear these matters from those of the next world.

490. And in compilation of the first part, HE SAID, "Wherefore, say" (Bemidbar 25:12), NAMELY THIS BEING WHAT THE HOLY ONE, BLESSED BE HE, SAID TO MOSES: 'An oath upon you: Whether you want TO SAY TO HIM "BEHOLD, I GIVE TO HIM MY COVENANT OF PEACE" (IBID.), or whether you don't want TO SAY IT TO HIM, say it.' THIS WAS WHAT Rabbi Pinchas ben Yair SAID, FOR 'WHEREFORE' IS THE LANGUAGE OF AN OATH. The same shadow CAME AND smote Rabbi Aba in the eyes AND SAID TO HIM, Did the Holy One, blessed be He, really not know if Moses wanted to say this or not? DID HE REALLY HAVE TO SAY IT TO HIM WITH SOME DOUBT: EITHER WAY...SAY! He said to him, Even if it is apparent to the Holy One, blessed be He, who says that it is obvious to others? Therefore HE SAID TO HIM: "Wherefore, say" VIS-A-VIS THE OTHERS.

79. Yisrael are the members of the Shechinah

The Faithful Shepherd talks about the Shechinah giving testimony about Yisrael, as the Shechinah is their help from heaven. People take strength from the study and teaching of Halachah and Mishnah, and in this study the Shechinah has a home. We learn that those who bring others to righteousness are like the stars forever and ever.

491. And it was also said in the compilation of the first part: "TO THE CHIEF MUSICIAN UPON SHUSHAN EDUT, a michtam of David" (Tehilim 60:1). David was shown a sign IN A ROSE (HEB. SHOSHANAH) THAT HE WOULD WIN THE WAR when he sent Joab to Aram Naharaim (Mesopotamia) and Aram Tzovah to make war against them. The Faithful Shepherd said, Shushan Edut is the Edut (lit. 'testimony') of the Shechinah, which is CALLED 'Shushan Edut' because it testifies, standing over us and testifying on us before the King, and the holy upper levels are with it, and it is holy help for US TO OFFER praises; THEREFORE, IT IS CALLED 'SHUSHAN EDUT'. The Faithful Shepherd said, IT IS CALLED 'Shushan Edut' because THE SHECHINAH gives Edut (lit. 'testimony') about Yisrael, that they are its parts and it is their soul over them. It is help from heaven, about which is written: "then hear You in heaven" (I Melachim 8:32). It is holy assistance, about which it has been said: Here is Tanya (lit. 'support') to help you, FOR THE SHECHINAH IS CALLED 'TANYA'.

492. "Strong (Heb. eitan) is your dwelling-place, and you put your nest in a rock" (Bemidbar 24:21). Eitan (Aleph Yud Tav Nun) is WRITTEN WITH the letters of tanya (Tav Nun Yud Aleph), NAMELY MISHNAH AND BARAITHA. There, IN THE MISHNAH AND BARAITHA, is the nest of the upper eagle, which is the Shechinah, and about it is said: "As an eagle stirs up its nest, broods over its young" (Devarim 32:11). And those who study or teach Halachah and Mishnah ARE CALLED 'THE YOUNG OF THE EAGLE'. And each speech that emerges out of the mouth of that tanya, NAMELY FROM THE TEACHERS OF MISHNAH, whether for the sake of the Yud Hei Vav Hei and whether in Torah, prayer, blessing, or in any one of the precepts; what is written about it? "spreads abroad its wings" (Ibid.), namely that same eagle that is speech, FOR THE SHECHINAH IS CALLED 'SPEECH', with which is the Yud Hei Vav Hei, NAMELY ZEIR ANPIN WHO IS CALLED 'VOICE', THAT EAGLE WILL SPREAD ITS WINGS.

493. "takes them, bears them on its pinion (Heb. ever)" (Devarim 32:11). HE ASKS, What is the meaning of "its pinion"? AND HE ANSWERS: On that part (Heb. ever) of man, with which he performed a precept of the Hashem, called 'a limb of the Shechinah'. Thus: "bears them on its pinion." And the meaning of "bear (Heb. yisa)" is as in the verse: "Hashem lift up His countenance to you" (Bemidbar 6:25).

494. And what is the meaning of "and you put your nest in a rock"? But David said about THE SHECHINAH, "Hashem is my rock, and my fortress" (II Shmuel 22:2). So also for the tanna, NAMELY HE WHO STUDIES MISHNAH, in which the halachah is as firm as a rock that no hammer can break with all the objections in the world. It is here that the eagle, NAMELY THE SHECHINAH, makes its nest. And all the Tanaim are called 'nests of THE SHECHINAH'. Therefore, "If a bird's nest chance to be before you..." (Devarim 22:6), THAT IS THE SHECHINAH THAT IS CALLED 'A BIRD', namely that comes by pure chance, once, as a visitor, as a wayfarer who just happens to come to the inn.

495. And there are Tanaim, STUDENTS OF THE MISHNAH, in whose study of the Mishnah the Shechinah has A PERMANENT home, as it is written: "Wherefore the children of Yisrael shall keep the Shabbat, to observe the Shabbat throughout their generations (Heb. dorotam)" (Shemot 31:16). 'dorotam' is written in the abbreviated spelling, derived from 'apartment (Heb. dirah)'. And indeed, there are sages of the Mishnah, whose study of Torah is their art; in such cases the Shechinah does not move from them all their days. But those ABOUT WHOM THE SCRIPTURE SPEAKS IN THE VERSE "If a bird's nest chance to be before you" (Devarim 22:6) are those to whom the Shechinah comes by chance, at one time resting on them and being with them and at another time not being with them.

496. And the secret of the matter is: The occasional times when THE SHECHINAH is with them is WHEN IT IS SAID: "You shall not take the mother BIRD OVER THE YOUNG" (IBID.), BUT HE DOES NOT LET THE MOTHER BIRD, WHICH IS THE SHECHINAH, GO. And the times when THE SHECHINAH is not with them IS WHEN IT IS SAID: "but you shall surely let the mother go" (Ibid. 7), FOR THEY ARE NOT FITTING TO BE WITH HER. "The young" are the sages of the Mishnah; "or eggs" (Ibid. 6) are the sages of the Bible. About those who do not study regularly IT IS SAID: "You shall surely let the mother go," while about those who do study regularly IT IS SAID: "You shall not take the mother bird together with the young"; BUT THEY DO NOT LET HER GO. And there are sages of Halachah (lit. 'legal tradition') who are like the stars, as it is written: "and they who turn many to righteousness like the stars for ever and ever" (Daniel 12:3). But they are not as the stars, about which it is written: "and all their host shall fall down" (Yeshayah 34:4), but rather as though they were the stars of the next world that remain always for ever and ever, AND TO WHICH IS APPLIED THE VERSE: "AND THEY WHO TURN

80. "Let Us make man in Our image, after Our likeness"

The Faithful Shepherd tells us that God's last act of creation was to make man, and by 'man' is meant Yisrael and not the idolaters. Rabbi Shimon talks about the tradition given to Moses at Sinai, and how Moses illuminates all of Yisrael with the light of the Torah. As the Faithful Shepherd and Rabbi Shimon discuss the creation of man, Moses clarifies that man was indeed created from all of the angels and other creatures and he was made to rule over the creatures. He goes on to say that the holy Malchut is the image of everything including all the inhabitants of the three worlds, and that God looked into it before He created everything. Lastly we are told that man depends solely on God for his punishment or reward, and not on an angel or seraph or any other creature.

497. "And Elohim said: Let Us make man in Our image, after Our likeness" (Beresheet 1:26). After each craftsman had completed his work, the Holy One, blessed be He, said to them: 'One craft remains for Me to undertake, and all of us shall be partners in it. Let all join together, and let each one do his share, and I shall join in partnership with you, to give it My share.' For this is what is written: "Let Us make man in Our image, after Our likeness." And the sages taught that only the people of Yisrael are referred to as man, as it is written: "But you My flock, the flock of My pasture, are men" (Yechezkel 34:31). That is: You are men, but the idolaters are not, and therefore is it written: "Let Yisrael rejoice in his Maker" (Tehilim 149:2).

498. Said the holy luminary, THAT IS, RABBI SHIMON, This must certainly have been said by that same tanna who hid in the rock of the Serpent, for it is written about him: "Strong (Heb. eitan) is your dwelling-place, and you put your nest in a rock" (Bemidbar 24:21). For the three patriarchs are called 'the strong ones', and the fourth one, THAT IS, MOSES, is "Strong is your dwelling place" for in him the Halachah, WHICH IS THE SHECHINAH, takes shape, as in the expression 'A tradition given to Moses from Sinai'. And he spreads over the six hundred thousand of Yisrael and gives them light with the Torah as the sun which is hidden by night but gives light to all the stars and constellations. SO IT IS WITH MOSES: HAD HE NOT HIDDEN IN THAT ROCK, HE WOULD HAVE BEEN UNABLE TO GIVE LIGHT TO YISRAEL. And night always refers to the Exile, as in "Watchman, what of the night? Watchman, what of the night?" (Yeshayah 21:11). THIS REFERS TO THE EXILE, FOR THEN MOSES HIDES IN THE ROCK and appears by day, AT THE TIME OF THE REDEMPTION, about which it is said: "As soon as the morning was light" (Beresheet 44:3), which is the morning of Abraham, about which is said: "and in the morning, you shall see the glory of Hashem" (Shemot 16:7). "As Hashem lives, lie down until the morning" (Rut 3:13).

499. While he was yet speaking, behold, the Faithful Shepherd came out from that rock AND APPEARED TO RABBI SHIMON. He said to him, holy luminary, what good did it do me to hide from you, for I have not left a place that I did not enter to hide from you, and I could not HIDE FROM YOU IN IT. That being so, there is no sense in my continuing to hide from you.

497. וַיֹּאמֶר אֱלֹהִים נַעֲשֶׂה אָדָם, בְּתַר דְּאִשְׁלִימוּ לְעִבְדֵי דְתִיּהוּ כָּל אוֹמֵן וְאוֹמֵן, אָמַר לֹן קוּדְשָׁא בְּרִיךְ הוּא, אוֹמְנוּתָא חֲדָא אִית לִי לְמַעְבַּד, דִּיהָ שׁוֹתְמָא דְכִלְנָא. אֲתַחְבְּרוּ כְּלָכוּ כְּחֲדָא, לְמַעְבַּד בֵּיה כָּל אַחַד וְאַחַד מִחֻלְקָא דִּילֵיהּ, וְאַנָּא אֲשַׁתְּתֵף עִמְכוּן, לְמִיָּהֵב לֵיהּ מִחֻלְקָא דִּילֵי. וְהֵינְנוּ נַעֲשֶׂה אָדָם בְּצִלְמֵנוּ כְּדְמוּתֵנוּ. וְאוֹקְמוּהּ רַבְּנָן, דְּלִית אָדָם אֱלָא יִשְׂרָאֵל, הַה"ד וְאַתָּן צְאֲנֵי צֶאֱן מְרַעִיתֵי אָדָם אֲתֵם. אֲתֵם אָדָם, וְלֹא עֲכוּ"ם. וּבג"ד יִשְׁמַח יִשְׂרָאֵל בְּעוֹשָׁיו.

500. The holy luminary said TO THE FAITHFUL SHEPHERD: After Scripture records "Let Us make man in Our image, after Our likeness" (Beresheet 1:26), what is the meaning of the verse that is written later: "So Elohim created man in His own image" (Ibid. 27)? He replied: This is what the sages of the Mishnah taught: HE ASKED THE MINISTERING ANGELS WHETHER TO CREATE MAN OR NOT. Some said: Let him be created, while others urged: Let him not be created. And the Holy One, blessed be He, created him, as it is written: "So Elohim created man in His own image." He said to him: If that is so, then He did not place in him one part FROM THE MINISTERING ANGELS, and he was not made after their form, but after the form of the King, in His image, in His likeness, which is the image of the likeness of His form ALONE. He noted: That is the seeming meaning OF WHAT YOU SAY.

501. Said THE FAITHFUL SHEPHERD: Heaven forbid. I HAVE NOT SAID THAT HE IS NOT MADE UP OF ANY OF THE ANGELS AND CREATURES. What I said to you was that he was created from all THE ANGELS AND CREATURES, and was made to rule over all the creatures. Had each one given his share TO MAN, THEN, when he would have been angry with him, each one could have come back and taken his share away from him. "For in what is he to be accounted of" (Yeshayah 2:22).

502. But the Holy One, blessed be He, created him in His image, which is the holy Malchut THAT IS CALLED 'IMAGE', which is the picture of everything, FOR ALL THE INHABITANTS OF THE WORLDS OF BRIYAH, YETZIRAH, AND ASIYAH ARE INCLUDED IN IT. And the Holy One, blessed be He, looked into it and created the world and all the creatures that He created in the world, and He included in it the upper grades and the lower grades without any separation whatsoever, and He included in it ten Sfirot and all the names and appellatives and Yud Hei Vav Hei's. And the Supreme Cause, who is Master of all, and there is no Elohim beside Him, is not to be found in upper and lower grades less than it, for it is the connection among all of them, the perfection of all of them, to establish in it: "and His kingdom rules over all" (Tehilim 103:19). And there is no Cause of all to be found in even one of the upper and lower grades less than it, IT IS NOT INCLUDED IN HIM. And is called 'the Faith of Yisrael'. From the point of view of the Supreme Cause, it is said: "For you saw no manner of form" (Devarim 4:15), but from the point of view ACCORDING TO WHICH IT IS INCLUSIVE of the other creatures, it is said: "And the similitude of Hashem does he behold" (Bemidbar 12:8).

503. The holy luminary came with the other companions, and they prostrated themselves before him, saying, certainly there is now none that can take from him, FROM MAN, his portion, FOR not EVEN one in the world contributed to him a part, except The Creator of the World, the First Cause ALONE. And on Him depends his punishment or reward and not on an angel nor a seraph nor any other creature that is in the world. Thus the sages of the Mishnah taught: Anyone who combines the Name of Heaven and something else is uprooted from the world. Immediately on his hearing what Rabbi Shimon, the holy luminary, said, the Faithful Shepherd rejoiced. And all the companions blessed him, THE FAITHFUL SHEPHERD, and said: O, Faithful Shepherd, if a man were to have come into the world just to hear this, it would be enough for him.

81. What is 'Yesh'- Chochmah

We learn that those people are happy who, in the last exile, make a great effort to know the Shechinah, to suffer for her and to keep the precepts. We are told that Yesh is Chochmah, substance out of nothing, that is drawn from Keter; this means that those who love God will inherit wisdom.

504. Happy is he who makes an effort in the last exile to know the Shechinah, to honor her with all the precepts and to suffer for her a number of exigencies, as they said: The wages of attending the bride lies in the crush AND TROUBLE. THAT IS TO SAY: ACCORDING TO THE SUFFERING SO IS THE REWARD. "And he lay down in that place" (Bereshheet 28:11). THE HEBREW WORD FOR 'AND HE LAY DOWN' (Heb. VAYISHKAV) CAN BE READ AS TWO WORDS: VEYESH, CAF BET, meaning: And there are twenty-two. That is, if the twenty-two letters of the Torah exist, NAMELY THAT HE IS PERFECT IN TORAH, then the Shechinah lies with him.

505. HE ASKS, What is the meaning of 'yesh' (lit. 'there is')? HE ANSWERS THAT it refers to Chochmah, which is SUBSTANCE out of nothing, THAT IS TO SAY THAT IT IS DRAWN DOWN FROM KETER, WHICH IS CALLED 'NOTHING'. For in the place where the upper Shechinah is, WHICH IS BINAH, there is Chochmah, FOR CHOCHMAH IS REVEALED ONLY IN BINAH, and for it is said, "That I may cause those that love Me to inherit substance (Heb. yesh)" (Mishlei 8:21). FOR CHOCHMAH THAT IS IN BINAH ILLUMINATES ONLY IN CHESED, AND THOSE THAT CLEAVE TO CHESED ARE CALLED 'THE LOVERS OF HASHEM', AND IT IS ONLY THEY WHO CAN INHERIT YESH, WHICH IS CHOCHMAH, BECAUSE THEY HAVE CHESED, AND THIS IS: "but showing mercy to thousands of generations of those that love Me" (Shemot 20:6), NAMELY from the side of the love of Chesed, FOR THOUSANDS IS THE SECRET OF CHOCHMAH, AND HE SHOWS MERCY (CHESED) IN ATTIRING CHOCHMAH WITH CHASSADIM. And this yesh, which is Chochmah, is on the right, THAT IT ILLUMINATES ONLY WHEN ATTIRED IN CHESED OF THE RIGHT, as has been taught: He who wants to grow wise should turn to the south. And that is why IT IS WRITTEN: "That I may cause those that love Me to inherit substance (Heb. yesh)" (Mishlei 8:21), SINCE THEY HAVE CHESED, WHICH IS THE RIGHT.

506. Come and see into the hidden secrets, in the attributes of the Holy One, blessed be He, for about the same quality over which people make an effort, and which they mention, it is said: With the same measure that a man metes out, so is it measured to him, FOR HE IS TREATED WITH THE SAME ATTRIBUTE THAT HE MENTIONS. And there are seventy countenances to the Torah. IN THE SECRET OF THE SEVENTY ATTRIBUTES, THERE ARE THE SEVEN: CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, EACH OF WHICH IS COMPOSED OF TEN SFIROT, MAKING SEVENTY, THIS BEING THE SECRET OF: THERE ARE SEVENTY COUNTENANCES TO THE TORAH. Thus "in all places where I cause My name to be pronounced (mentioned), I WILL COME TO YOU, AND I BLESS YOU" (Shemot 20:21). Should Scripture not have said: 'you cause My name to be pronounced, I WILL COME TO YOU AND BLESS YOU'? NO, FOR THE MEANING is RATHER: With the same attribute that I uttered My name, with that very same attribute I will come to bless you.

End of Ra'aya Meheimna

Rabbi Shimon tells Rabbi Yehuda that God brings true craftsmanship out of chaos, that has no substance at all, and His creation is perfected properly, in actuality, and He never again has to change it.

507. "According to the lot shall their inheritance be divided between many and few" (Bemidbar 26:56). Rabbi Yehuda began by quoting: "I know that, whatever the Elohim does, it shall be forever; nothing can be added to it, nor anything taken from it" (Kohelet 3:14). This was said by King Solomon, whose wisdom exceeded that of all the inhabitants of the world. I, MYSELF, did not know that whatever Elohim does, it shall be forever, UNTIL he said: "I know." FOR HE KNEW what no one else knows.

507. על פי הגורל תחלק נחלתו בין רב למעט. ר' יהודה פתח ואמר, ידעתי כי כל אשר יעשה האלהים הוא יהיה לעולם עליו אין להוסיף וממנו אין לגרוע וגו'. שלמה מלכא, דחכמתיה יתיר על כל בני עלמא, לא ידענא כי כל אשר יעשה האלהים הוא יהיה לעולם, ואיהו אמר ידעתי, מה דלא ידע ב"נ אחרא.

508. HE ANSWERS: the explanation of this is that of course King Solomon's wisdom was greater than that of other men, and he knew what was not known to other people. Come and see, Any other craftsman in the world, when he has something to make, looks at it and considers it once and twice and then makes it. Subsequently, he adds to it or takes away from it. With the Holy One, blessed be He, it is not like that: He brings true craftsmanship out of chaos, that has no substance at all, and it is perfected properly, in actuality, and He does not need to add or take anything away from it. That is why it is written: "And Elohim saw everything that He had made, and, behold, it was very good" (Beresheet 1:31). AND IT WAS ABOUT THIS THAT SOLOMON SAID, "I KNOW THATM WHATEVER ELOHIM DOES, IT SHALL BE FOREVER; NOTHING CAN BE ADDED TO IT, NOR ANYTHING TAKEN FROM IT."

508. אלא ודאי שלמה מלכא חכמתיה סלקא על כל בני עלמא, ומה דאיהו ידע לא ידעי כל שאר בני עלמא. ת"ח, שאר אומני דעלמא, כד איהו עביד עבירתא, אשגח ביה, ואסתכל זמנא ותרין זמנין ועביד ליה, ולבתר אוסיף עליה, או גרע מניה. וקודשא בריך הוא לאו הכי, אפיק עבירתא לאמתו מתהו, דלית בה ממשות כלל, ואיהו ממש אתתקן בדקא יאות, ולא אצטריך לאוספא ולאגרעא מניה. בגין כך כתיב, וירא אלהים את כל אשר עשה והנה טוב מאד.

82. "Whatever the Elohim does, it shall be forever"

Rabbi Shimon explains about the tree that is Zeir Anpin and that is the Torah on which faith is suspended. He says that God is, was, and will be - nothing can be added to Him or taken from Him. He then talks about a lower tree that is Malchut, that is nourished from the upper tree, and concludes by saying that only those who are fit should come close to God, and that all others should be afraid.

509. "whatever the Elohim does" (Kohelet 3:14). A further explanation is THAT WHATSOEVER HE DOES to correct the world, it will surely be forever, BUT THE DEMONS AND THE OTHER SIDE WILL BE NULLIFIED AT THE COMPLETION OF THE CORRECTION, AND ARE NOT ETERNAL. Rabbi Yitzchak said, If that is so, what is THE MEANING OF: "and the Elohim does it, so that men should fear before Him" (Ibid.)? WHICH IS UNDERSTOOD TO ALLUDE TO THE OTHER SIDE, WHO CAST FEAR ON THE WORLD. It is not so, for we have learned that the verse, and this is a divine secret amongst the companions, should be read as follows: That whatever the Elohim did, it shall be forever. But what is meant by: "whatever the Elohim does (lit. 'will do') for is it not written "That which is, already has been; and that which is to be has already been" (Ibid. 15)? Yet you say: "whatever the Elohim will do"?

509. תו כל אשר יעשה האלהים, לתקונא דעלמא, ודאי הוא יהיה לעולם. ר' יצחק אמר, אי הכי מהו והאלהים עשה שויראו מלפניו. אלא האי קרא הכי אוליפנא, והוא רזא עלאה בין חברנא, האי קרא הכי מבעי ליה, כי כל אשר עשה האלהים הוא יהיה לעולם, מהו כל אשר יעשה, והא כתיב מה שהיה כבר הוא ואשר להיות כבר היה, ואת אמרת כל אשר יעשה.

510. HE ANSWERS, we can understand the matter from another verse. It is written: "Neither has the eye seen that an Elohim, beside You, should do such a thing for him who waits for Him" (Yeshayah 64:3). It should have said 'have done' instead of "should do" and 'for him who waits for You' instead of "for Him." HE ANSWERS, rather, it is an upper place that is drawn down and emerges and kindles all the lights, NAMELY ALL THE SFIROT OF ZEIR ANPIN AND MALCHUT, in all directions, BOTH TO THE RIGHT AND TO THE LEFT, and is called 'the next world', NAMELY BINAH. And from it emerges a tree, WHICH IS ZEIR ANPIN, to be watered and corrected. And this tree is higher and more precious than all other trees, and we have already learned about this. And that next world, WHICH IS BINAH, which is drawn down and emerges, corrects this tree eternally, and waters it, NAMELY IT EMANATES MOCHIN TO IT, and corrects it in its work; NAMELY BINAH CORRECTS THE TOOLS OF ZEIR ANPIN WITH ITS TOOLS SO THAT IT SHOULD BE FITTED TO RECEIVE THE MOCHIN FROM IT; and crowns it with diadems, WHICH IS THE SECRET OF THE UPPER THREE SFIROT, and none of the fountains ceases to flow from it forever and ever.

511. On that tree, WHICH IS ZEIR ANPIN, Faith is suspended, WHICH IS MALCHUT THAT IS CALLED 'FAITH', which rests on it, rather than all the trees, IN THE SECRET OF THE VERSE: "LIKE THE APPLE TREE AMONG THE TREES OF THE WOOD, SO IS MY BELOVED AMONG THE SONS" (SHIR HASHIRIM 2:3). The existence of everything is to be found in it, INASMUCH AS IT IS THE CENTRAL COLUMN THAT GIVES EVERYTHING ITS EXISTENCE. And therefore it is written: "whatever the Elohim does, it shall be forever." Specifically, He was, He is, and He will be. "Nothing can be added to Him, nor anything taken from Him" (Ibid.). And thus it is written in the Torah: "you shall not add thereto, nor diminish from it" (Devarim 13:1). For this tree is the Torah, SINCE ZEIR ANPIN IS CALLED 'TORAH'. And the Elohim, WHO IS BINAH, corrects this place always. And the Elohim, unless specified otherwise, is Gvurah from the Infinite and Unfathomable One, NAMELY BINAH THAT IS CALLED 'GVURAH', IN THE SECRET OF THE VERSE: "I AM UNDERSTANDING (BINAH); I HAVE STRENGTH (GVURAH)" (MISHLEI 8:14). As it is written: "there is no searching for His understanding" (Yeshayah 40:28), NAMELY THERE IS NO FATHOMING TO HIS BINAH. This is why 'the Elohim' is written and not just 'Elohim', FOR ELOHIM WITHOUT THE DEFINITE ARTICLE REFERS TO MALCHUT. Thus he 'does' always, as constant as a spring whose waters will not cease for all generations.

512. For this reason it is written: "And the Elohim has so made it, that men should fear before Him" (Kohelet 3:14). THIS MEANS THAT He ordained for that tree, WHICH IS ZEIR ANPIN, a perfect correction, until it is held on all sides, THE RIGHT AND THE LEFT, above and below, NAMELY by BINAH AND MALCHUT, so that they should "fear before Him" and not replace it with any substitute for all generations.

513. Rabbi Aba said: What you have said is indeed nice, but one has to look into it even further. At the beginning of the verse (Ibid.) IT SAYS "does (lit. 'will do')," and later "and Elohim does (lit. 'made') it." Why this difference? HE ANSWERS, surely because He "will do" and correct this tree, ZEIR ANPIN, so that its waters should not cease for all generations, SINCE THE WATERS OF BINAH DO NOT CEASE FOR ALL GENERATIONS AS THEY ARE DRAWN DOWN FROM THE UPPER ABA AND IMA, WHOSE MATING IS WITHOUT INTERRUPTION FOREVER CONNECTED. And then, IT IS WRITTEN "made." What did He make? Rather, He made the Elohim, WHICH IS BINAH, another tree, WHICH IS MALCHUT, below it, but He does not make IT like this one, LIKE ZEIR ANPIN. THAT IS TO SAY: BINAH WILL NOT BESTOW UPON IT A NEVER CEASING BOUNTY, WHICH IS CHASSADIM FROM UPPER ABA AND IMA, AS IT BESTOWS UPON ZEIR ANPIN. Therefore it is written "made" and not "will make," for this lower tree, WHICH IS MALCHUT, He made it and corrected it IN THE ASPECT OF THE LEFT, WHICH IS JUDGMENT so when one

enters the upper tree, WHICH IS ZEIR ANPIN, one will so enter with the authority OF THE LOWER TREE, WHICH IS MALCHUT, and, on finding the lower tree, he will be afraid to enter THE UPPER TREE other than in a proper way.

514. Come and see that this one, THE LOWER TREE WHICH IS MALCHUT, is the doorkeeper OF ZEIR ANPIN, AND MALCHUT is therefore called "He who keeps Yisrael" (Tehilim 121:4), FOR IT KEEPS ZEIR ANPIN, WHO IS CALLED 'YISRAEL'. And it is this lower tree that THE ELOHIM, WHICH IS BINAH, made, that it should be watered and nourished from the upper tree, WHICH IS ZEIR ANPIN. And it is therefore not written 'will make' but "made," FOR HE HAD MADE IT TO BE A KEEPER AND SO THAT IT SHOULD BE NOURISHED FROM ZEIR ANPIN. What was the reason FOR HIS MAKING HIM A KEEPER? It was so that men should be fearful of Him, and not draw close to Him, except for those who are fitted to come close, and not any others, and that men should keep the ways of the Torah and not deviate to the right nor the left, BUT SHOULD CLEAVE TO THE CENTRAL COLUMN.

83. "According to the lot"

Rabbi Shimon begins by telling us that the lot to which David was attached is the tree, Malchut. Rabbi Aba talks about the voice from the firmament, saying that this firmament is nourished from the voice. We learn about the stone of Yisrael that descended from its place under the divine throne, and upon which the lot is written. Rabbi Elazar concludes by saying that those who follow righteousness are the ones who seek God.

515. Come and see: About this tree, MALCHUT, on which rest all of the hosts of the worlds OF BRIYAH, YETZIRAH, AND ASIYAH, David said: "You maintain my lot" (Tehilim 16:5). What is the meaning of "my lot?" It is the lot to which David is attached, WHICH IS MALCHUT, and it is therefore written: "According to the lot" (Bemidbar 26:56) (where the Hebrew for 'according to' is, literally: 'On the mouth of'). THIS ALLUDES TO MALCHUT, WHICH IS CALLED 'MOUTH.' And the same expression is used in the verse: "So Moses the servant of Hashem died there in the land of Moab, according to the word (lit. 'mouth') of Hashem" (Devarim 34:5), WHICH IS MALCHUT. CONSEQUENTLY, "the lot" is written, WITH THE DEFINITE ARTICLE (HEI), TO REFER TO MALCHUT. Happy are the portions of those who engage in the study of Torah day and night and who know its ways, and they each day eat the divine food OF THE FLOWING EMANATION OF CHOCHMAH, as it is written: "For wisdom gives life to those who have it" (Kohelet 7:12), for the Torah on high, NAMELY ZEIR ANPIN, is nourished from this place, FROM CHOCHMAH. And it is said about them: "Behold, My servants shall eat" (Yeshayah 65:13).

515. ת"ח, על האי אילנא דכל חילוי ביה שריא, אמר דוד, אתה תומין גורלי. מהו גורלי. דא עדבא דאחיד ביה דוד מלכא. וע"ד, ע"ם הגורל כתיב. וכן הוא ע"פ יי'. וימת שם ע"פ יי'. הגורל כתיב. זבאה חולקהון דאינון דמשתדלין באורייתא יממא ולילי, וידעו ארחוי. ואינון אכלי בכל יומא מזונא עלאה. כד"א, החכמה תחיה בעליה. דהא אורייתא דלעילא מאתר דא אתון, והא אתמר עלייהו, הנה עבדי ואכלו.

516. Rabbi Aba started by quoting: "And there was a voice from above the firmament" (Yechezkel 1:25). About this voice, ZEIR ANPIN, which is attached to this firmament (YESOD OF ZEIR ANPIN) and participates with him, it is said: "He has made His wonderful works to be remembered" (Tehilim 111:4), WHICH REFERS TO THE FIRMAMENT WHICH IS YESOD THAT IS CALLED 'REMEMBRANCE'. And this firmament stands over those living creatures, AS IT IS SAID: "AND THERE WAS A VOICE FROM ABOVE THE FIRMAMENT THAT WAS OVER THEIR HEADS." And this is THE FIRMAMENT that was created on the second day OF THE WORKS OF CREATION, ABOUT WHICH IT IS SAID: "divide water from water" (Beresheet 1:6), THE UPPER WATERS AND THE LOWER WATERS.

516. רבי אבא פתח ואמר, ויהי קול מעל לרקיע. דא קול דאחיד להאי רקיע, ואשתתף בהדיה. ודא הוא זכר עשה לנפלאותיו. והוא רקיעא קאים עליהו, על אינון חיוון. ודא הוא דאברי בשני, להבדיל בין מים למים.

517. It has been taught: There are seven firmaments higher on high, CORRESPONDING TO CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, THAT ARE IN YESOD. Certainly 'Curtain', WHICH IS PARALLEL TO MALCHUT THAT IS IN IT, serves no purpose, for MALCHUT has nothing of its own, apart from what ZEIR ANPIN gives it. And the poor take hold of it, this being the inner meaning of the verse: "Now, behold, in my trouble (poverty) I have prepared for the house of Hashem" (I Divre Hayamin 22:14) INASMUCH AS DAVID WAS ATTACHED TO MALCHUT, WHICH IS POOR, AS ABOVE. HENCE HE SAID, "IN MY POVERTY." And this FIRMAMENT, CURTAIN, WHICH IS MALCHUT, introduces the morning and ushers out the evening, for at night MALCHUT brings out its hosts in all directions, TO THE RIGHT AND TO THE LEFT, and has control over these hosts and regiments, FOR THEN IS THE RULE OF MALCHUT. And in the morning, it collects together all its hosts, and brings them into their (Heb. Nekev) hole, THAT IS TO SAY TO THEIR ASPECT OF THE FEMALE (NUKVA), and they have no power, for the morning includes them all, as it is written: "to relate Your steadfast love (Chesed) in the morning, and Your faithfulness every night" (Tehilim 92:3). But this has already been taught.

518. And there is a voice, WHICH IS ZEIR ANPIN, that is above this firmament, for from it this firmament is nourished, SINCE YESOD RECEIVES FROM ZEIR ANPIN. When this voice awakens, none of the hosts are in motion, and they have no permission to do anything but stand still where they are. AND THIS IS THE SECRET OF THE VERSE: "AND THERE WAS A VOICE FROM ABOVE THE FIRMAMENT THAT WAS OVER THEIR HEADS; WHEN THEY STOOD STILL, THEY LET DOWN THEIR WINGS" (Yechezkel 1:25); NAMELY WHEN THE VOICE STIRS OVER THEIR HEADS, THEN THEY STAND STILL. And the hosts draw near and wait for that Chesed which is drawn down FROM THE VOICE, WHICH IS ZEIR ANPIN, to that firmament, WHICH IS YESOD, and they are blessed because of it, NAMELY THAT THEY RECEIVE FROM THE FIRMAMENT. And therefore, ZEIR ANPIN is above the firmament that is over their head, AND THEY CANNOT RECEIVE OTHER THAN FROM THE FIRMAMENT, WHICH IS YESOD.

519. Come and see, "And above the firmament that was over their heads was the likeness of a throne, in appearance like a sapphire stone" (Yechezkel 1:26). "in appearance like a sapphire stone" refers to the stone of Yisrael, WHICH IS MALCHUT. And this is the inner meaning of what is written: "and they rolled the stone" (Beresheet 29:3). From on high descended a certain stone, WHICH IS MALCHUT, when Yisrael wanted to inherit the Land (of Yisrael), and on it the lot is written, NAMELY "ACCORDING TO THE LOT," and THE LOT would say: This part for so-and-so, this part for so-and-so. And this stone descended from under the divine throne, NAMELY MALCHUT, WHICH IS THE SECRET OF THE THRONE OF ZEIR ANPIN. Surely is written "from thence, from the Shepherd, the Stone of Yisrael" (Beresheet 49:24), FOR THIS IS THE STONE OF ZEIR ANPIN THAT IS CALLED 'YISRAEL'. And for this reason: "According to the lot (WHICH IS MALCHUT) shall their inheritance be divided."

520. Rabbi Yitzchak and Rabbi Yehuda were walking from Usha to Lod. Rabbi Elazar encountered them and they ran after him, saying, Surely we shall run after the Shechinah. When they caught up with him, they said, Let us now certainly join you and hear a new matter.

521. He began by quoting, "Hearken to me, you that follow after righteousness, you that seek Hashem" (Yeshayah 51:1). "Hearken to me, you that follow after righteousness" refers to those who follow AND PURSUE AFTER the Faith, WHICH IS MALCHUT, THAT IS CALLED 'RIGHTEOUSNESS', for those who follow righteousness are CERTAINLY the ones who "seek Hashem." If you want to know the Faith and to take hold of this righteousness, then do not look at it on its own WITHOUT ZEIR ANPIN, as do other people WHO CLEAVE TO MALCHUT WITHOUT ZEIR ANPIN, THIS BEING THE SECRET OF LEFT WITHOUT RIGHT, and for which reason they bring death to themselves. But "look to the rock whence you were hewn, and to the hole of the pit from which you were dug out" (Ibid.), NAMELY TO UNITE IT WITH ZEIR ANPIN, AND ABA AND IMA.

84. The sacrifices

Rabbi Elazar says that the perfect offering is one made without sin, i.e. the peace offering. Anyone who sins draws upon himself an unclean spirit that controls him; the function of the sacrifice is to break that spirit and make atonement. We hear that God loves a broken and contrite heart. Rabbi Elazar says he learned in the Book of Enoch that all sacrifices when they ascend go first to the Garden of Eden, and we learn why animals are sacrificed. Rabbi Shimon offers a deeper explanation, saying that the secret of the sacrifices is the secret of the Holy Beasts, and he elaborates with many details about ox, eagle, lion and man. He says that man's prayer is similar to the sacrifices. We learn from this section that no one is allowed to eat before the Supreme King does. Rabbi Shimon tells Elijah how it could be possible for the Supreme King to eat, since it seems that there is no eating or drinking above.

522. "Command the children of Yisrael, and say to them: My offerings, the provisions of My sacrifices made by fire" (Bemidbar 28:2). It is written: "Has Hashem as great a delight in burnt offerings and sacrifices, as in obeying to the voice of Hashem?" (I Shmuel 15:22). The Holy One, blessed be He, does not desire that a man sin and then offer a sacrifice because of his sin; but a sacrifice that is without any iniquity is the perfect sacrifice (Heb. shalem). And it is called "peace-offerings" (Heb. SHELAMIM). The daily offering is also PERFECT, for although THE DAILY SACRIFICE atones for sins, IT IS NEVERTHELESS A PERFECT SACRIFICE.

522. צוּ אֶת בְּנֵי יִשְׂרָאֵל וְאָמַרְתָּ אֲלֵיהֶם אֵת קִרְבְּנֵי לַחֲמֵי וְגו'. בְּתֵיב הַחֶמֶץ לֵוִי בְעוֹלוֹת וּזְבָחִים כְּשִׁמוּעַ בְּקוֹל יְיָ וְגו'. לֵית רְעוּתָא דְקוּדְשָׁא בְרִיךְ הוּא, דִּיחֻב בַּר נֶשׁ, וְעַל חוֹבִיָּה יִקְרִיב קִרְבָּן. אֲלֵא קִרְבָּן דְּאִיְהוּ בְּלֵי חוֹבָה, דָּא אִיְהוּ קִרְבָּן שְׁלָיִם, וְאִקְרִי שְׁלָמִים, וְקִרְבָּן תְּמִיד אוֹף הֵכֵי, וְאֵע"ג דְּמַכְפֵּר עַל חוֹבִין.

523. Rabbi Aba began by quoting: "The sacrifices of Elohim are a broken spirit" (Tehilim 51:19). This verse has been interpreted to mean that the Holy One, blessed be He, does not want a man to bring a sacrifice for his sin, but, rather, HE WANTS a broken spirit. People do not know what they say. From the holy luminary I heard as follows: When a man becomes impure in his iniquities, he draws down onto himself a spirit from the side of uncleanness, and THE SPIRIT becomes domineering on that person and controls him at will. The aspect of uncleanness, FROM WHICH THE SPIRIT IS DRAWN DOWN, grows stronger with his strength and becomes more powerful and controls him to its wish. When a man comes and takes control over it, in order to become pure, he is helped to be purified FROM ABOVE.

523. רַבִּי אַבָּא פָּתַח, זְבָחֵי אֱלֹהִים רוּחַ נִשְׁבְּרָה וְגו'. הַאי קְרָא אוֹקְמוּהּ, דְרְעוּתָא דְקוּדְשָׁא בְרִיךְ הוּא, לֹא אֲתַרְעֵי בְקִרְבָּן דְּב"נ עַל חוֹבוֹי, אֲלֵא רוּחַ נִשְׁבְּרָה. וּבְנֵי נֶשָׁא לֹא יִדְעוּ מַאי קְאָמְרִי, וְהֵכֵי שְׁמַעְנָא מִבּוֹצִינָא קְדִישָׁא, דְּכַד אֲתֵי ב"נ לְאַסְתָּאבָא בְּחוֹבוֹי, אֲמַשִּׁיךְ עֲלֵיהּ רוּחַ, מַסְטְרָא דְמַסְאָבָא, וְאֲתַגְּאֵי עַל ב"נ, וְשְׁלִיט עֲלֵיהּ לְכָל רְעוּתָא. וְהוּא סְטְרָא מַסְאָבָא, אֲתַגְּבַר בְּחִילֵיהּ וְאֲתַתְּקַף, וְשְׁלִיט עֲלֵיהּ לְרְעוּתֵיהּ. אֲתֵי ב"נ וְשְׁלִיט עֲלֵיהּ לְאַתְדַּכְּאָהּ, מְדַכְּאוֹן לֵיהּ.

524. In the period when the Temple was still standing, THE SINNER would offer his sacrifice, his whole atonement being dependent on it, until he feels remorse and breaks down that spirit FROM THE SIDE OF UNCLEANLINESS THAT HE DREW TO HIMSELF WITH HIS SIN, from its pride, and humiliates it. And it is this that is meant by the breaking down of those stages of uncleanness, FROM WHICH THE SPIRIT IS DRAWN, and when that spirit of uncleanness is broken, and he offers his sacrifice, this is an acceptable and proper SACRIFICE.

524. בְּזִמְנָא דְהוּהּ בֵּי מְקַדְשָׁא קַיִים, אִקְרִיב קִרְבְּנֵיהּ, כָּל כְּפָרָה דִּילֵיהּ תְּלִינָא עֲלֵיהּ, עַד דְּאֲתַתְּחַרֵּט, וְתַבַּר לְהוּא רוּחַ מְגוּ גְאוּתָא דִּילֵיהּ, וּמֵאִיךְ לֵיהּ. וְדָא הוּא תְּבִירוֹ, דְּהוּא דְרָגָא דְמַסְאָבָא. וְכַד אֲתַבַּר הוּא רוּחַ מַסְאָבָא, וְקִרִיב קִרְבְּנֵיהּ, דָּא אִיְהוּ דְּאֲתַקְבַּל בְּרַעוּא כְּדָקָא יְאוּת.

1

525. But if that spirit OF UNCLEANLINESS is not broken, then his sacrifice is worth nothing and is given to the dogs, for this is a sacrifice not for the Holy One, blessed be He, but for the dogs. And this is why Scripture says that the proper sacrifices of Elohim are a broken spirit, for that spirit of uncleanness has to be broken so that it will not be in control. Consequently, about the one who breaks it as it should be broken, it is written: "A wind (or spirit) that passes away, and comes not again" (Tehilim 78:39). And that man can be assured that it will not ever come to him again. Hence "and comes not again." "A broken and a contrite heart" (Tehilim 51:19). This is a man who is not proud and does not take pleasure in the delights of the world. And "Elohim, You will not despise" (Ibid.), for He has a place of honor with him.

526. "Command the children of Yisrael." To what does 'command' refer? It refers to idolatry, That is, he should not bring himself in to become impure in the spirit of uncleanness, for this would be real idolatry.

527. Rabbi Elazar began by quoting: "I am come into my garden, my sister, my bride" (Shir Hashirim 5:1). We have already learned this verse, yet it contains secrets concerning the sacrifices. But then we have already learned it all. Rabbi Shimon said to him, It is good that you have started the discussion on these matters, BUT why have you concealed them? IT IS AS THOUGH YOU HAVE SAID SOMETHING, BUT IT HAS NOT BEEN FULLY SAID. Tell us WHAT YOU KNOW ABOUT THE SACRIFICES. RABBI ELAZAR replied, It was because I saw something in the Book of Enoch and learned it THAT I SAID SOMETHING AS THOUGH IT WERE NOT SAID. Rabbi Shimon said, Tell us that matter that you have seen and heard.

528. He said: It is all really just one matter. The Holy One, blessed be He, said "I am come into my garden" (Shir Hashirim 5:1) because all the sacrifices that are made in the world, when they ascend TO THE FEMALE WATERS first enter into The Garden of Eden, which is the secret of The Congregation of Yisrael, WHICH IS MALCHUT. But initially how is it at the beginning of the sacrifice? FOR I HAVE SAID THAT THEY FIRST COME INTO THE GARDEN OF EDEN, MEANING when a man confesses his sins over THE SACRIFICE, at the time of the slaughtering and the scattering of the blood over the altar, THEN THE SACRIFICE ASCENDS TO THE FEMALE WATERS, TO THE GARDEN OF EDEN. AND THEN, SAYS THE HOLY ONE, BLESSED BE HE, WHO IS ZEIR ANPIN: "I AM COME INTO MY GARDEN" WHICH IS THE GARDEN OF EDEN, MALCHUT, FOR THE FEMALE WATERS OF THE SACRIFICE AWAKEN THE UNION.

529. Now one has to concentrate to understand how these Holy Spirits benefit from this, FROM THE ASCENT OF THE FEMALE WATERS OF THE SACRIFICE. Also, what is the reason that the sacrifice has to be of an animal, when it is more important that a man should break that spirit THAT HE HAS DRAWN DOWN BY HIS SIN, and return in repentance? What is the reason for the ritual slaughtering of the animal, and the burning of it by fire on the altar?

525. ואי לא אתבר ההוא רוח, לאו קרבניה כלום, ולכלבי אתמסר, דהא קרבנא דא לאו דקודשא בריך הוא, אלא מכלבי. ובג"כ זבחי אלהים בדקא יאות, הוא רוח נשברה, דיתבר ההוא רוחא מסאבא, ולא ישלוט. ועל דא מאן דיתבר ליה בדקא יאות, עליה כתיב, רוח הולך ולא ישוב. ליהויה ההוא גברא באבטחותא, דלא יתוב לגביה לעלמין. דא הוא דכתיב, ולא ישוב. לב נשבר ונדרה, ההוא גברא דלא אתגאי, ולא אתענג בענוגין דעלמא, אלהים לא תבזה, ביקרא איהו לגביה.

530. HE ANSWERS, It is a mystery. There is an animal that lies on a thousand hills, WHICH IS THE SECRET OF MALCHUT, WHICH IS THE ASPECT OF YUD HEI VAV HEI, FULLY SPELLED WITH HEIS, WHOSE NUMERICAL VALUE IS THE SAME AS THAT OF ANIMAL (Heb. BEHEMAH = 52). And it devours a thousand hills each day, ALL OF THE THOUSAND BEING THE SECRET OF THE GRADES OF CHOCHMAH THAT ARE DRAWN DOWN FROM THE LEFT, FOR CHOCHMAH IS TERMED A THOUSAND (HEB. ELEF) IN THE SECRET OF THE VERSE: "AND I SHALL TEACH (HEB. A'ALFECH) YOU WISDOM" (IYOV 33:33), and they are called: "and the cattle upon a thousand hills" (Tehilim 50:10). And we have already learned about this, that there is an animal that devours animals. And what do THE ANIMALS consist of? They are of fire, and this animal, WHICH IS MALCHUT, consumes all of them with one gulp, as it is written: "For Hashem your Elohim is a consuming fire, a jealous El" (Devarim 4:24). And all the waters of the Jordan, WHICH IS YESOD OF ZEIR ANPIN, that flow through it during six years, WHICH IT RECEIVES FROM CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN, THAT ARE CALLED 'SIX YEARS', are made into one gulp, NAMELY ONE SWALLOW, by it, MALCHUT, as it is written: "he trusts that river will thrust some food into his mouth" (Iyov 40:23).

531. And the secret of the matter is that from the yeast of those ANIMALS ON A THOUSAND HILLS, WHICH ARE THE SECRET OF THE ILLUMINATION OF CHOCHMAH THAT IS ON THE LEFT, is the principle and basis for those animals below, for the spirit spreads downwards from them, and this spirit is reflected in the animals below, THAT IS TO SAY, IT BECOMES THE SPIRIT OF THE ANIMAL BELOW. And when a sinner brings an animal for sacrifice, then that spirit of the animal ascends and returns to its place, TO THE UPPER ANIMAL, WHICH IS MALCHUT, and this spirit spreads through all THE ANIMALS THAT ARE ON A THOUSAND HILLS, AS ABOVE. And all those that are of this sort, NAMELY, THE OTHER SIDE THAT ARE DRAWN DOWN FROM THE LEFT, approach and enjoy that fat and blood that are the raiment of this spirit. And this spirit is from their side, NAMELY FROM THE LEFT SIDE, and they all benefit and are nourished and become advocates of that person, FOR THE PROSECUTOR BECOMES DEFENSE COUNSEL, AND THE FEMALE WATERS OF THE SACRIFICE enter by way of the esophagus, as we have learned. This is why the sacrifice is taken from an animal.

532. Rabbi Shimon said, Blessed is my son to the Holy One, blessed be He. About you it is said: "Let your father and your mother be glad, and let her who bore you rejoice" (Mishlei. 23:25). Let your father on high be glad, THAT IS ZEIR ANPIN, and your mother is the Congregation of Yisrael, WHICH IS MALCHUT. And let her that bore you rejoice namely the daughter of the pious Rabbi Pinchas ben Ya'ir, THE MOTHER OF RABBI ELAZAR. Elazar, my son, what you have said is CORRECT regarding the sacrifice of an animal, BUT what is the reason for the offering of fowls? For it is written: "And if the burnt sacrifice for his offering to Hashem be of birds" (Vayikra 1:14). He said to him: I have not seen, but I draw an analogy from what is said about animals to what is said about fowl. Nevertheless, I will not speak, because I have not seen it nor, until now, have I heard it.

533. Rabbi Shimon said: Elazar, what you have said is good, but there are many secrets among the secrets of the sacrifices, and they have not been handed down to be revealed, except to the truly righteous, from whom their Master's secret is not hidden. The secret of the sacrifices is the secret of the holy living creatures, the four forms engraved on the Throne, this being the Throne of the Holy King, NAMELY MALCHUT, WHICH IS A THRONE FOR ZEIR ANPIN, AND THESE FOUR ARE: The face of an ox, the face of an eagle, the face of a lion, the face of a man. The face of a man includes all of them, FOR LION, OX, AND EAGLE ARE THE SECRET OF THE THREE COLUMNS, AND THE FACE OF A MAN IS MALCHUT THAT RECEIVES THEM AND THEREFORE INCLUDES ALL OF THEM. And all FOUR of the faces look at each other and are included in each other, and from them they spread out in many directions, and tens of thousands, above and below, without measure, number, or account.

534. From the face of an ox, WHICH IS THE SECRET OF THE LEFT, spreads a spirit to the animals in four species, that are included in each other, as one, namely; oxen, sheep, rams and goats, and these serve for the sacrifices. And THE SACRIFICE is from them, these holy hosts that spread out from the face of that ox, and draw close, BY THE ACT OF SACRIFICE, to their element, WHICH IS THE FACE OF AN OX, and benefit from that element and their apparel. And were it not that they contain the element of this world, WHICH IS THE SACRIFICE THAT ASCENDS TO THEM, they would not draw close there, TO THEIR ELEMENT, WHICH IS THE FACE OF AN OX.

535. And just as the Holy Shechinah takes pleasure in the spirits of the righteous THAT ASCEND TO IT FOR THE FEMALE WATERS, and it draws close to welcome the spirit of a righteous person, and enjoys it because that spirit is drawn from it, so is it also with those HOSTS THAT SPREAD FORTH FROM THE FACE OF AN OX. They benefit from the side of their element, WHICH IS THE FACE OF AN OX, and from that raiment that is offered TO THEIR ELEMENT, WHICH IS THE SACRIFICE, for the spirit OF THE SACRIFICE is from the raiment of their spirit, and this is why they enjoy it.

536. From the face of an eagle spreads a spirit to the fowl, FOR THE SPIRIT THAT IS IN THE FOWL IS DRAWN FROM THE FACE OF AN EAGLE. And eagle is on two sides, ON THE RIGHT AND ON THE LEFT, FOR EAGLE IS TIFERET, THE CENTRAL COLUMN THAT INCLUDES THE RIGHT AND THE LEFT. And this is the secret of "And let birds fly" (Bereshheet 1:20) WHICH TEACHES ABOUT two spirits. For this reason, the sacrifice of fowl spreads out and descends from the right and from the left, WHILE THE SACRIFICE OF CATTLE IS ONLY FROM THE FACE OF AN OX, WHICH IS THE LEFT, AS ABOVE; THE SACRIFICE OF FOWL IS FROM THE FACE OF AN EAGLE THAT INCLUDES THE TWO COLUMNS.

537. Of all the pure aspects OF FOWL, only a dove and turtle-doves are sacrificed, because they are true to their partners more than all the other fowl. And they are preyed upon but do not prey; they are faithful to each other, the female to her partner, and therefore the sacrifice is of them. And those Holy Spirits descend and draw close and enjoy their element and essence, AS ABOVE.

538. And you might well ask: How can the little that ascends from the dove or from the turtledove spread out in the number of directions to the hosts on high who are without measure? And the same question can be asked about WHAT ASCENDS OF the single animal. HE ANSWERS: Come and see, the whole world fills with light from one thin burning candle. Again: One thin piece of wood enkindles a large piece.

539. So far the sacrifice HAS BEEN CLARIFIED from two sides engraved on the Throne, NAMELY FROM THE FACE OF AN OX FOR CATTLE, AND FROM THE FACE OF AN EAGLE FOR FOWL. Now the question has to be put: There are four shapes that are engraved on the Throne, so what is the reason for there being no sacrifice from shapes of the other FORMS? HE ANSWERS, There is certainly sacrifice from all of them. The lion that is engraved on the throne: When the sacrifice is perfect, the lion descends and enters the fire, eats and has enjoyment from there. And the man that is engraved on the throne: Behold man is the main one of all of them, and he sacrifices there TO THE FACE OF A MAN, WHICH IS MALCHUT, his spirit and his soul, and upper man benefits from lower man. And each species draws near to its own and benefits from it, from that which is really its own, and from its own element.

540. You might well ask: But lion has no basis below in the sacrifice, WHILE THE FACE OF AN OX HAS A BASIS BELOW, IN THE ANIMALS; THE FACE OF AN EAGLE HAS A BASIS BELOW, IN THE BIRDS; THE FACE OF A MAN HAS A BASIS BELOW, IN THE SPIRIT AND SOUL OF THE MAN OFFERING THE SACRIFICE, BUT LION HAS NO BASIS BELOW AT ALL. AND HE ANSWERS, lion is included in all of them, for it is on the right, WHICH IS CHESED, AND CHESED INCLUDES ALL OF THEM. For this reason, it eats from all of them THAT ARE BELOW IT, while the others, OX, EAGLE, AND MAN, do not eat from his species, because it is to the right AND HIGHER THAN THEY. Behold, all four of the forms that are engraved on the throne come close to the sacrifice, which is why it is a perfect sacrifice. And when they enjoy their principle and element, then a spirit descends to kindle the upper candles, NAMELY THE MATING IS MADE BETWEEN ZEIR ANPIN AND MALCHUT.

541. Priests, Levites, and Yisrael give a basis and principle to the upper grades from which THEY ARE DRAWN, and each grade gives to its element ON HIGH. First, the four shapes of the throne, as we have said IN THE PRECEDING PARAGRAPH, each species unto its like, and they first draw near, like unto like. The face of an ox, all the faces, NAMELY THE HOSTS AND CAMPS, that spread out to those species, as we have noted, all of them draw near to their principle and basis, THE FACE OF AN OX. AND SIMILARLY FOR THE face of an eagle it is as we have noted. SO, TOO, WITH the face of a lion it is as we have noted AS WELL AS the face of a man who offers a sacrifice, his spirit and soul approaching to the upper man, WHICH IS MALCHUT.

542. The priest who pronounces the unity of the Holy Name OVER THE SACRIFICE is himself approaching to the upper priest, WHICH IS CHESED OF ZEIR ANPIN, the same that enters the house of the holy of holies, WHICH IS YESOD OF MALCHUT, and he draws close to the latter and kindles THE CANDLES OF MALCHUT by his correction with welcome, corresponding to the priest below WHO OFFERS THE SACRIFICE. When the Levites play their instruments happily WHEN THE SACRIFICE IS MADE, their side, WHICH IS GVURAH OF ZEIR ANPIN, rejoices and illuminates the faces. Yisrael, who bring the sacrifices - who begin to pray over the sacrifice, for prayer was ordained for all THE SACRIFICES - awakens Yisrael Saba, the Holy Indefinite, towards them and Yisrael Saba welcomes them.

543. And each species is sacrificed to its own kind, and everything follows its element ON HIGH. The lower grades awaken the higher grades, and although all of them stir, and the grades that are engraved on the throne, WHICH ARE THE FOUR LIVING CREATURES, awaken towards the grades that are on earth, being their basis, NAMELY THE FACE OF AN OX FOR ANIMALS, THE FACE OF AN EAGLE FOR FOWL, AS ABOVE, and also those upper hidden grades, they all stir and come close for the meal OF THE SACRIFICE and find pleasure; yet none of them has permission to eat, neither the higher grades nor the lower grades, and not to enjoy it, nor to put out a hand to the sacrifice, until after the Supreme King, WHO IS ZEIR ANPIN, has eaten and enjoyed it, and given them permission.

544. After he gives them permission, each one of them enjoys it and eats, this being as it is written: "I have gathered my myrrh with my spice" (Shir Hashirim 5:1). These are the upper grades OF ZEIR ANPIN; "my myrrh and my spice" - eat and enjoy as is fitting, and this is THE UNITY OF the right arm, WHICH IS CHESED, with the left thigh, WHICH IS HOD. "I have eaten my honeycomb with my honey": This is Jacob with Rachel, NAMELY THE UNITY OF TIFERET WITH MALCHUT. And this is eating proper, FOR ONLY HERE IS THE WORD "EAT" USED. "I have drunk my wine with my milk." This is the unity of the left arm with the right thigh, NAMELY GVURAH WITH NETZACH. And these are all the upper grades from which the Holy King has enjoyment first. AND THIS IS HIS EATING AND HIS PLEASURE. SO FAR WE HAVE DISCUSSED THE FOOD OF THE SUPREME KING, WHO EATS FIRST.

545. From this point on, THE King, WHICH IS ZEIR ANPIN, gives permission to the four forms that are engraved on the throne, and to all those that spread out from them, to enjoy and eat. For the verse continues: "Eat, O dear ones; drink, drink deep, loving companions" (Shir Hashirim 5:1). "Eat, O dear ones" are four forms that we have mentioned: LION, OX, EAGLE, MAN. "Drink, drink deep, loving companions" meaning all those who spread out from them, and they all eat, stretch out and enjoy as is fitting, and their faces shine. And all the worlds rejoice, and each one, whether at the upper levels or at the lower levels, draws closer to its element, NAMELY EACH ONE TO ITS PARALLEL ASPECT: CHESED TO THE FACE OF A LION; GVURAH TO THE FACE OF AN OX..., and they enjoy. This is the secret and mystery of the sacrifices in a proper manner.

546. Rabbi Elazar and Rabbi Aba, together with the other companions, came and prostrated themselves before him, BEFORE RABBI SHIMON. Rabbi Aba said, Had the Torah not been given at Mount Sinai, but instead the Holy One, blessed be He, had said: Here is the son of Yochai TO GIVE YOU the Torah and My secrets, it would have sufficed for the world. Woe for when you depart from the world! Who will then kindle the lights of the Torah? Everything will be in darkness from that day! For until the arrival of King Messiah there will be no generation such as this generation, in whose midst is Rabbi Shimon!

547. Rabbi Shimon said concerning THE ABOVE MENTIONED secret, a man is forbidden to taste anything until the Supreme King has eaten. And what is meant by HIS EATING? This means prayer, WHICH IS IN THE STEAD OF SACRIFICES. A man's prayer is similar in respect TO WHAT WE SAID ABOVE ABOUT THE SACRIFICES. First the four forms that are engraved on the throne are invited, THAT THEY SHOULD DWELL over these creatures, over the fowl and the animals, for the spirits OF THE FOUR LIVING CREATURES spread out over them so that they should be sacrifices, FOR THEY ARE creatures the basis of whose spirit in this world is of them, OF THE FOUR LIVING CREATURES, and that is: "Hashem, how manifold are Your works" (Tehilim 104:24). For over the creatures whose spirit is suitable for sacrifice spread out the four forms THAT ARE IN THE THRONE, which are come over these sacrifices. And it is to this that we refer when we say 'The wheels and holy living creatures'. FOR THIS IS THE SECRET OF THE FOUR LIVING CREATURES THAT ARE IN THE THRONE, and all those other hosts who spread out from them, TO WHICH ARE JOINED THE SPIRIT OF ANIMALS AND FOWL THAT ARE FITTED FOR OFFERING AS SACRIFICES.

548. And afterwards the High Priest proclaims the unity of the Holy Name, namely 'With abounding love', WHERE LOVE is CHESED, THE ATTRIBUTE OF THE PRIEST. The unity THAT THE PRIEST PROCLAIMS IS: "Hear, O Yisrael, Hashem our Elohim, Hashem is One" (Devarim 6:4). And afterwards the Levites arise to play the music, which is: "And it shall come to pass, if you hearken diligently to My commandments..." (Ibid. 11:13). "Take heed to yourselves, that your heart be not deceived..." (Ibid. 16-21) WHICH PORTION PARALLELS THE LEFT WHICH IS GVURAH. For this is the melody of the Levites, THAT IS TO SAY THAT THE SIGNING OF THE LEVITES IS FROM THE LEFT, in order to awaken this side, THE SIDE OF THE LEFT with this sacrifice, NAMELY, WITH THE PRAYER THAT IS IN PLACE OF THE SACRIFICE. And then come Yisrael with: 'True and firm, established and enduring', WHICH ALLUDES TO Yisrael-Saba, who stands over the sacrifice. For He, the ten upper inner levels to everything, NAMELY THE TEN SFIROT, is at the table WHILE THEY ARE, TRUE AND FIRM AND ESTABLISHED AND ENDURING.

549. But not one of them has permission to eat and to stretch a hand out to the sacrifice, NAMELY THE PRAYER, until the Supreme King, WHO IS ZEIR ANPIN, has eaten, by which is meant the first three blessings and the last three blessings OF THE AMIDAH PRAYER, WHICH IS WHERE THE MATING OF ZEIR ANPIN AND MALCHUT TAKES PLACE, AND THIS IS THE SECRET OF THE KING'S EATING. After He has eaten, He grants permission to the four forms, NAMELY THE FOUR LIVING CREATURES IN THE THRONE, and to all those parties that spread out from them, to eat.

550. And then man, who is the form that includes all the other forms, lowers himself, and throws himself on his face and gives himself and his spirit to Supernal Man who stands over these forms and who includes all the forms, that he should awaken towards him as is fitting. And this is what is meant BY SAYING: "To You, Hashem, do I lift up my soul" (Tehilim 25:1), namely in order to awaken other forms and all those who spread out from them. And this is what is meant WHEN SAYING IN "A PRAISE OF DAVID" (TEHILIM 145:7): "They shall utter...and shall sing"; and "They shall speak...and talk" (Ibid. 11). And they all eat and enjoy THE PRAYER, each one as is fitting for him.

551. From here on a man may mention the troubles that are in his heart, as it is written: "May Hashem hearThe Lord hearh you in the day of trouble" (Tehilim 20:2), for example, a pregnant woman in labor, so that they should all become advocates for the person. Therefore, it is written: "Happy is the people that is in such a case" (Tehilim 144:15).

552. Rabbi Shimon was on his way to Tiberias when Elijah met him and said, Greetings, sir. Rabbi Shimon said to him: With what is the Holy One, blessed be He engaged in the firmament? Elijah replied: He is occupied with the sacrifices, and saying new things in your name. Happy are you! And I came to welcome you with greetings, and there is one thing that I wanted to ask you to settle for me. A question has been asked in the academy of the firmament: In the next world there is no eating and drinking, yet it is written: "I am come into my garden, my sister, my bride; I have gathered my myrrh with my spice; I have eaten my honeycomb with my honey..." (Shir Hashirim 5:1). Would one for whom there is no eating nor drinking say: "I have eaten my honeycomb with my honey; I have drunk my wine with my milk?"

553. Said Rabbi Shimon: And what did the Holy One, blessed be He, reply to them? Elijah answered: The Holy One, blessed be He, said, 'There IS the son of Yochai. Let him tell you! So I came to ask you. Rabbi Shimon said: In what great affection did the Holy One, blessed be He, hold the Congregation of Yisrael, and out of the intense love with which He loved it, He altered his deeds from the way He had been NORMALLY doing. For, although He does not usually eat and drink, NEVERTHELESS, because of the love of it, He ate and drank. Since He had come to her, He did as she wanted. If a bride just entering the wedding canopy wants to eat, does it not follow that her bridegroom will eat with her, even if he is not used to doing so? This is what is written: "I have come into my garden, my sister, my bride." Since I have come to her, to go with her into the wedding canopy, "I have eaten my honeycomb with my honey; I have drunk my wine with my milk."

554. And we can learn this also from David, who invited the Holy One, blessed be He, and changed his actions from the way the Holy One, blessed be He, was accustomed, and the Holy One, blessed be He, accepted it and did as he wanted, for he (David) invited the King, together with the Queen, as it is written: "Arise, Hashem, to Your resting place; You and the ark of Your strength" (Tehilim 132:8), namely the King together with the Queen. And in order not to make any separation between them, he changed the vessels, and he altered the deeds of the King.

555. This is what is written: "Let Your priests be clothed with righteousness; and Your pious ones shout for joy. For Your servant David's sake, turn not away the face of Your anointed" (Ibid. 9). It should have said: 'Let Your Levites be clothed with righteousness', and not: "Let Your priests be clothed with righteousness," since righteousness is from the side of the Levites; NAMELY MALCHUT FROM THE ASPECT OF THE LEFT IS CALLED 'RIGHTEOUSNESS', AND THE LEFT IS THE ASPECT OF THE LEVITES. Similarly, it should have said: 'and Your Levites shout for joy', and not: "and Your pious ones shout for joy," since joyous melody and song are from the side of the Levites, NAMELY FROM THE LEFT SIDE. But he changed things and said: "Your priests" and "Your pious ones," who are from the right side.

556. The Holy One, blessed be He, said to him: 'David, this is not the way I do things.' David replied: "For Your servant David's sake, turn not away the face of Your anointed" (Tehilim 132:10). Do not alter the correction that I have instituted. THE HOLY ONE, BLESSED BE HE said to him, 'David, since you have invited Me, I have to do what you want and not what I want.' From this we learn that if one invites another, the guest has to do as the host wishes, even if that is not his usual way.

557. Thus: "And he took of the stones of the place" (Beresheet 28:11). When the bridegroom comes to the bride, FOR JACOB IS THE SECRET OF TIFERET AND PLACE IS THE SECRET OF MALCHUT, WHERE TIFERET AND MALCHUT ARE THE SECRET OF THE BRIDEGROOM AND BRIDE, although it is not his custom to lie down without pillows and cushions, when she gave him stones to lie on, he accepts it all willingly, as it is written: "and lay down in that place" (Ibid.), on those stones, although that was not what he was used to.

558. This same applies in our case: "I have eaten my honeycomb with my honey." Although this was not His way, HE NEVERTHELESS DID IT because of love of the bride. And this ONLY happens in the house of the bride and not anywhere else. In His own place He neither eats nor drinks, but in her place He both eats and drinks, as it is written: "I have come into my garden," NAMELY THE GARDEN OF EDEN, WHICH IS THE PLACE OF MALCHUT. SIMILARLY, the angels whom the Holy One, blessed be He, sent to Abraham neither ate nor drank in their own place, but for the sake of Abraham they both ate and drank. ELIJAH said to him: Master, upon your life! The Holy One, blessed be He, wanted to relate this matter, but in order not to pay Himself a compliment before the Congregation of Yisrael He raised it to you. Happy are you in this world, that your Master on high is praised through you. About you is it written: "just, ruling in the fear of Elohim" (II Shmuel 23:3).

559. "My offerings, the provisions of My sacrifices made by fire" (Bemidbar 28:2). Rabbi Yudai said, In sacrifices there is smoke, there is smell, and there is sweet savor. Smoke is those with a temper, as it is written: "but then the anger (lit. 'nose') of Hashem... shall smoke" (Devarim 29:19). And those WITH A TEMPER enjoy smoke, THE MEANING OF WHICH IS anger in the nose. Smell refers to those who are called 'apples'. Rabbi Aba said, Those who are like apples, as it is written: " the scent of your nose like apples" (Shir Hashirim 7:9).

560. "The one lamb shall you offer in the morning" (Bemidbar 28:4). What is meant by morning? This refers to the morning of Abraham, NAMELY THE LIGHT OF CHESED, as it is written: "And Abraham rose up early in the morning" (Beresheet 22:3). How do we know that this morning is that of Abraham? Rabbi Elazar answered: From here, WHERE IT IS WRITTEN: "As soon as the morning was light" (Beresheet 44:3). Not 'morning' but "the morning" is written, WITH THE DEFINITE ARTICLE (HEI), for this was the first light that the Holy One, blessed be He, created in the Act of Creation. Thus IS IT WRITTEN: "shall you offer in the morning," namely on the particular morning, for this sacrifice is offered against the morning of Abraham. The lamb that is offered as a sacrifice at dusk is AGAINST Isaac, against the evening of Isaac, WHICH IS THE LIGHT OF GVURAH, WHICH IS JUDGMENT. How do we know this? Because it is written: "And Isaac went out to meditate in the field at eventide" (Beresheet 24:63), which is the evening of Isaac. And we have already learned this. Moses talks about the precepts of sacrifice and prayer, and says that offerings are sent to Zeir Anpin via Malchut, the Shechinah. We learn which prayers are optional and which obligatory. Moses says that Messiah son of Ephraim will come from the line of Joseph, the righteous one. Rabbi Shimon explains when one should bow and when one should stand upright during prayers, and he ends with some information about the time of redemption. Ra'aya Meheimna (the Faithful Shepherd)

561. It is a precept to offer the afternoon sacrifice each day, and the additional sacrifice on the Shabbat. And after it, to arrange the showbread and the frankincense and the additional sacrifice on the first of the month. holy luminary, each day a gift has to be sent to the King, to ZEIR ANPIN, in the hands of the Queen. And if she is in her husband's domain, NAMELY IN THE MATING OF GREATNESS WITH ZEIR ANPIN, a supplement has to be given, namely the additional sacrifice of the Shabbat, the first of each month and of all the festivals.

562. For she, MALCHUT, is his, ZEIR ANPIN's private property, and the Central Column, ZEIR ANPIN, is the owner of this property. And the level of Jacob, who instituted the evening prayers, is that of the Central Column, WHICH IS ZEIR ANPIN. For this reason, the sages of the Mishnah taught: The evening prayer is optional (Heb. reshut), FOR THE PRAYER, WHICH IS MALCHUT, IS IN THE DOMAIN (HEB. RASHUT) OF HER HUSBAND. For although being in exile, which is like the night-time, WHICH IS THE TIME FOR THE EVENING PRAYERS, and where Samael and Serpent and all those appointed over his regiments have control, and although the Shechinah goes into exile with Yisrael, NEVERTHELESS she is to be found in the domain of her husband, as it is written: "I am Hashem, that is My name, and My glory I will not give to another" (Yeshayah 42:8).

563. Because of this IT IS WRITTEN: "And he lighted on a certain place" (Beresheet 28:11); discovering inadvertently (Hebrew root: PE GIMEL AYIN) is only reconciliation AND APPEASEMENT, as in: "Neither make intercession (Hebrew root: PE GIMEL AYIN) to Me" (Yirmeyah 7:16). The Congregation of Yisrael appeased ZEIR ANPIN, that he should not leave her, for the Holy One, blessed be He, ZEIR ANPIN, is the Place of the world. What is meant by world? The Shechinah. For the Aramaic equivalent to 'world' is almah, which is derived from youth, as in the verse: "...the maid (almah)..." (Beresheet 24:43), NAMELY MALCHUT THAT IS A MAIDEN. And what is written about him? "and tarried there all night" (Beresheet 28:11), that is ZEIR ANPIN made peace with her, to stay there in the exile with the Shechinah. And should you suggest THAT THE MEANING OF "AND HE LIGHTED ON A CERTAIN PLACE" (IBID.) IS that Jacob appeased MALCHUT, that is fine. BUT IT CAN ALSO BE TAKEN TO MEAN THAT MALCHUT APPEASED JACOB, WHO IS ZEIR ANPIN, SO THAT HE SHOULD NOT LEAVE HER IN THE EXILE, AS ABOVE. And because every night, which IS THE ASPECT OF exile, she is in the domain (Heb. rashut) of her husband, AS ABOVE, the sages taught that the evening prayers are optional (Heb. reshut). FOR PRAYER IS MALCHUT AND EVENING IS EXILE, SO THAT SAYING THAT THE EVENING PRAYERS ARE OPTIONAL IS THE SAME AS SAYING THAT MALCHUT IN EXILE IS IN THE DOMAIN (HEB. RASHUT) OF HER HUSBAND. And the other, LITERAL, explanation of the saying, NAMELY THAT THE EVENING PRAYERS REALLY ARE OPTIONAL AND NOT OBLIGATORY, is but material straw for the fodder of animals, by inference from minor to major (Heb. chomer), IT IS EASY FOR ONE WHO IS MATERIAL (HEB. CHOMER) TO UNDERSTAND, BUT NOT FOR ONE OF INTELLIGENCE. The sages of the Mishnah came down to him, prostrated themselves before him, and were happy over this matter, and they bound him with a number of knots of mysterious secrets, NAMELY THEY EXPOUNDED THAT MATTER IN A NUMBER OF WAYS WITH TORAH SECRETS. And they crowned him and raised him up to the other companions who had remained there.

564. The Faithful Shepherd said TO RABBI SHIMON: holy luminary, this is why it is obligatory with the remaining prayers, imposed on them as a promissory note, to bring together MALCHUT and the Righteous One, the living of all Worlds, WHICH IS YESOD. For in this connection THE SAGES TAUGHT: One who joins ge'ulah (lit. 'Redemption') to the Amidah Prayer, will meet with no mishap for the whole of the day WHERE GE'ULAH IS YESOD AND TEFILAH IS MALCHUT. And how is she joined to Yesod? By the right arm, WHICH IS CHESED, as it is written: "As Hashem lives; lie down until the morning" (Rut 3:13), NAMELY UNTIL CHESED THAT IS CALLED 'MORNING' SHALL GIVE LIGHT.

565. The arrival time of the afternoon prayer (Minchah) IS THE SECRET OF "in the evening she would go" (Ester 2:14), NAMELY THE UNITY JUST BEFORE DUSK, as it is written: "and the dove came unto him in the evening" (Beresheet 8:11), FOR THE DOVE IS MALCHUT, because "it is a present (Heb. minchah) sent to my lord" in the exile of "Esau" (Beresheet 32:19), FOR EVENING IS THE SECRET OF EXILE. "and, behold, also he is behind us" (Ibid.), NAMELY ZEIR ANPIN IS COMING AFTER US TO REDEEM US FROM THE EXILE. Furthermore, "to my lord" refers to the Lord of all the world, which is the Righteous One, NAMELY YESOD. For from there, FROM THE ASPECT OF THE MATING, THE MINCHAH THAT IS AT EVENTIME, IT IS SAID ABOUT Joseph, the Righteous One: "His firstling of His herd, grandeur is His" (Devarim 33:17). FOR THE UNITY OF THE MINCHAH COMES FROM THE CONTROL OF THE LEFT THAT IS CALLED 'EVENING', AND SINCE THE MINCHAH IS "SENT TO MY LORD," NAMELY TO YESOD, WHICH IS JOSEPH, THEREFORE JOSEPH ALSO BECOMES THE ASPECT OF "FIRSTLING OF HIS HERD," WHICH IS THE LEFT COLUMN. And in the future Messiah the son of Efraim will issue from him, FOR MESSIAH THE SON OF DAVID IS THE ASPECT OF THE RIGHT AND MESSIAH THE SON OF EFRAIM IS THE ASPECT OF THE LEFT. And for his sake, FOR THE SAKE OF MESSIAH THE SON OF EFRAIM, it is

said: "and, lo, my sheaf (Hebrew root: ALEPH LAMED MEM) arose, and also stood upright; and, behold, your sheaves came round about, and bowed down to my sheaf" (Beresheet 37:7), FOR MESSIAH THE SON OF EFRAIM IS CALLED 'MUTE' (HEBREW ROOT: ALEPH LAMED MEM) IN THE EXILE. And about the righteous One IT WAS SAID: Everyone who bows should do so at the word 'Blessed'. AND IT WAS THEREFORE SAID FOR HIS PART: "AND BOWED DOWN TO MY SHEAF," WHICH IS MESSIAH.

566. Said the holy luminary, THAT IS RABBI SHIMON: Faithful Shepherd, it is said about you: "And Moses took the bones of Joseph" (Shemot 13:19). SINCE MOSES IS TIFERET, WHICH IS CALLED 'BODY', AND JOSEPH IS YESOD, THAT IS CALLED 'COVENANT', AND we consider body and covenant to be one, it is therefore said about you: "And, lo, my sheaf arose, and also stood upright," NAMELY MALCHUT THAT IS CALLED 'EL' IN EXILE, for so is the Amidah prayer, said while standing upright, WHERE PRAYER IS THE SECRET OF MALCHUT. Likewise: Everyone who returns to an upright position, should do so at the mention of the Divine Name, WHICH IS TIFERET, NAMELY MOSES, AND THEREFORE IT IS SAID ABOUT HIM: "my sheaf arose." And about the Righteous One: Everyone who bows, should do so at the word 'Blessed'; and thus it is said "and bowed down to my sheaf." FOR, FROM THE POINT OF VIEW OF TIFERET, THE RISING UP IS TO MALCHUT, WHILE, FROM THE POINT OF VIEW OF YESOD THE BOWING DOWN IS TO MALCHUT. For you are attached to the right and to the left, to the body and covenant, WHICH ARE TIFERET AND YESOD, AND TIFERET INCLINES TO THE RIGHT, AND YESOD INCLINES TO THE LEFT. Subsequently, you will ascend on them to Binah, to open there fifty gates of freedom for Yisrael, NAMELY TO DRAW DOWN THE GREAT MOCHIN OF FREEDOM, to fulfill the verse: "As in the days of your coming out of the land of Egypt, I will show to him marvelous things" (Michah 7:15). For this reason the morning prayer is obligatory and the evening PRAYER is optional.

567. In the evening prayer, MALCHUT is Hashkivenu (lit. 'Cause us to lie down'), NAMELY she lies between the arms of the King in exile, FOR SHE LIES DOWN AND HAS NO STANDING UPRIGHT, SINCE NIGHT-TIME IS THE ASPECT OF EXILE. When the morning, WHICH IS THE ASPECT OF REDEMPTION, comes, THE HOLIDAY OF Passover, WHICH IS THE SECRET OF RIGHT, NAMELY CHESED OF ZEIR ANPIN, takes hold of her on the right, NAMELY EMANATES CHASSADIM TO HER. But IT IS SAID about the left arm of ZEIR ANPIN, THAT IS CALLED 'Isaac', WHICH IS THE ASPECT OF Tishrei, "And it came to pass, before he had done speaking, that, behold, Rivkah came out" (Beresheet 24:15) from the exile, FOR THE REDEMPTION COMES FROM THE CORRECTION OF THE LEFT SIDE, WHICH IS ISAAC. And so that MALCHUT should not emerge FROM THE EXILE from the side of Judgment, FOR THE LEFT IS JUDGMENT, THEREFORE, Jacob, WHO IS ZEIR ANPIN, "changing his hands" (Beresheet 48:14), placed ox, WHICH IS LEFT, on his right, WHICH IS CHESED, and lion, WHICH IS RIGHT, he placed on the left, WHICH IS JUDGMENT, for which reason: "Hashem says to my master: Sit at My right hand," (Tehilim 110:1). This is the Righteous One, WHICH IS YESOD, that parallels Messiah the son of Joseph, WHICH IS JUDGMENT; and He said to him: "Sit at My right hand," which is the arm of Abraham, WHICH IS CHESED AT THE TIME of the exile of Ishmael. THAT IS, BECAUSE JACOB, "CHANGING HIS HANDS," SAID "TO MY MASTER," WHICH IS THE LEFT OF YESOD, WHICH IS MESSIAH THE SON OF EFRAIM, WHICH IS JUDGMENT, THAT HE SHOULD SIT AT THE RIGHT, WHICH IS CHESED, "until I make your enemies your footstool" (Tehilim 110:1).

85. Additional Nefesh, additional Ruach, additional Neshamah

At the time of redemption, the Zohar tells us, an additional spirit will awaken over Yisrael, and they will have rest from their enemies. For each individual, the extra spirit is allocated according to his deeds or level. If a person is completely perfect, having all ten of the qualities that are in Malchut, he is given the crown, Keter, as written in, "I will pour out My spirit upon all flesh." There there is then no rule left for Samael or his adherents. Moses concludes by saying that on Shabbats and festivals the prayers are more important to God than all sorts of spices.

1

568. At that time an extra spirit will awaken, THAT IS, AN additional SPIRIT, over Yisrael, as it is written: "I will pour out My spirit upon all flesh" (Yoel 3:1), and Yisrael will have rest from the nations of the world, "rest from their enemies" (Ester 9:16). And it will be as on the Shabbat when an extra Nefesh is added to a person, and he obtains rest therein. And if he has rest with an extra Nefesh, which is feminine, how much more WILL HE HAVE REST with the spirit, which is masculine.

569. And, Tannaim and Amoraim, HEAR: the extra Nefesh on the Shabbat is for the whole of Yisrael together, just one, WHICH IS THE SECRET OF KETER, but for each person it is allocated according to his deeds, NAMELY FOR EACH ONE ACCORDING TO HIS LEVEL. And this we have learned from repentance by inference from minor to major. For all of Yisrael together, whenever making repentance, are all found acceptable, as it is written: "as Hashem our Elohim is in all things that we call upon Him for" (Devarim 4:7), THIS BEING THE REASON FOR IT BEING FOR ALL YISRAEL TOGETHER. They are crowned with the Name of Yud Hei Vav Hei, with his crown, which is Upper Keter. And this UPPER KETER is an additional Neshamah for all Yisrael together on Shabbats and festival days. For this reason it was decreed that THE BLESSINGS be signed off NAMELY CONCLUDED with the name of the Yud Hei Vav Hei, which indeed concludes each blessing of the Amidah prayer, but no additional service is said without the ILLUMINATION of Keter, FOR KETER OF THE NAME OF YUD HEI VAV HEI DOES NOT ILLUMINATE EVERY DAY, AND THE BLESSINGS ARE THEREFORE CONCLUDED WITH YUD HEI VAV HEI, WHICH IS ZEIR ANPIN, WHILE NO ADDITIONAL SERVICE, WHICH IS THE KETER OF ZEIR ANPIN, IS RECITED. But on the Shabbat, it was decreed that 'A crown will be given to You, Hashem our Elohim' is recited, BECAUSE ON THE SHABBAT THE KETER OF ZEIR ANPIN ILLUMINATES, AND THE ADDITIONAL SERVICE IS THEREFORE RECITED. AND THIS KETER OF ZEIR ANPIN IS THE SECRET OF THE ADDITIONAL NESHAMAH THAT GIVES LIGHT FOR THE WHOLE OF YISRAEL TOGETHER, AS ABOVE.

570. For each individual of Yisrael, however, the additional Nefesh descends to him according to his level. If he is pious (Heb. chasid), he is given an additional Nefesh from the attribute of Chesed, according to his level. If he is a mighty man, fearful of sin, he is given an additional Nefesh from the attribute of Gvurah. If he is an honest man, he is given an additional Nefesh from the attribute of truth. For the additional Nefesh is Malchut, and is made up of the ten Sfirot, AND THEREFORE a person RECEIVES FROM A SFIRAH OF MALCHUT according to his character. THAT IS: If he is a chief in Yisrael, or a sage or one who understands wisdom or Torah, about which is said: "to understand a proverb, and a figure" (Mishlei 1:6) or the Prophets or the Hagiographa, so is he given an additional Nefesh accordingly, which is called 'Keter of Malchut', IF HE IS A CHIEF IN YISRAEL.

568. בַּהוּא זְמַנָּא, יִתְעַר רוּחַ יִתְיָרָה תּוֹסֶפֶת עַל יִשְׂרָאֵל, הֵה"ד אֲשֶׁפוּךְ אֶת רוּחִי עַל כָּל בָּשָׂר, וַיְהוּי נְיִיחָא לְיִשְׂרָאֵל מֵאוּמִין דְּעַלְמָא, וְנוּחַ מֵאוֹיְבֵיהֶם. כְּגוֹוֵנָא דְשַׁבְּתָא, דְּאִתּוֹסֶף בְּב"נ נַפְשׁ יִתְיָרָה בְּשַׁבְּתָא, וְאִית לֹון בְּה נְיִיחָא, אִי בְּנַפְשׁ יִתְיָרָה אִית לֹון נְיִיחָא, דְּאִיהִי נּוֹקְבָא, כָּל שְׁכָן בְּרוּחָא דְּאִיהִי דְּכוּרָא.

571. CONTINUING THE EXPLANATION OF HIS WORDS, If he is a scholar, as we have learned: WHO IS A SCHOLAR? He who adds wisdom to every man, as it is written: "in wisdom have You made them all" (Tehilim 104:24). He is given an extra Nefesh from there, NAMELY FROM CHOCHMAH. And if he understands one matter from another in the Torah, he is given an extra Nefesh from Binah. And if he is a scholar in the Prophets and Hagiographa, he is given an extra Nefesh from Netzach and Hod. And if he is completely righteous, keeping the sign of the covenant, the sign of the Shabbat, the sign of the festivals, and the sign of the Tefilin, he is given an extra Nefesh from the Righteous One, WHICH IS YESOD. And in every case, the extra Nefesh THAT THE INDIVIDUAL RECEIVES is from Malchut. AND IF IT HAS BEEN SAID THAT HE IS YESOD, FOR EXAMPLE, THEN THIS MEANS THE SFIRAH YESOD of MALCHUT, AND SO WITH THE OTHER SFIROT.

572. And if he is a person who has all the above-mentioned qualities, THEN HE IS COMPARABLE AND SIMILAR TO THE WHOLE OF YISRAEL TOGETHER and is given Keter in the name of the Yud Hei Vav Hei. AND THIS IS IN THE SECRET OF THE VERSES: "as Hashem our Elohim is in all things that we call upon Him for" and "There is none holy as Hashem" (I Shmuel 2:2). 'AS (HEB. CAF)' THAT IS PREFIXED TO HASHEM IS THE SECRET OF KETER OF ZEIR ANPIN. AND THIS IS AN EXTRA NESHAMAH from the world of the Male, which is Tiferet, AND IS NOT AS THE EXTRA NEFESH OF AN INDIVIDUAL, WHICH IS ONLY FROM THE SFIROT OF MALCHUT. For he is a king crowned with an upper crown FROM BINAH, in which He rules with His Shechinah, which is extra Nefesh. And Keter is extra Neshamah THAT IS RECEIVED FROM the Yud Hei Vav Hei, which is Ruach, about which it is said: "I will pour out My spirit upon all flesh." AND THIS SPIRIT, WHICH IS YUD HEI VAV HEI is composed of the ten Sfirot, downwards from above, as follows: Yud is Chochmah, Hei is Binah, Vav incorporates the six Sfirot, from Chesed to Yesod, Hei is Malchut. And the Caf, (as) in "as Hashem our Elohim" is the crown on the head OF THE YUD HEI VAV HEI. And this is the Neshamah that is added on the Shabbat day EITHER TO ALL OF YISRAEL TOGETHER OR TO AN INDIVIDUAL WHO HAS ALL TEN OF THE QUALITIES THAT ARE IN MALCHUT.

573. And because the Prime Cause is superior and covered with this crown, and on the Shabbat days and festivals THE CROWN (Heb. KETER) spreads with the Yud Hei Vav Hei, there is, therefore, no rule THEN for Samael and Serpent and all his officials, nor does Gehenom, which is the wicked Female of Samael, have any rule, nor his camps, for all of them take cover before the camps of the King, just as the idolatrous nations of the world will hide when Messiah is revealed, as it is written: "And they shall go into the holes of the rocks" (Yeshayah 2:19); "and in the holes of the rocks" (Yeshayah 7:19).

571. וְאִי חָכֵם, כְּמָה דְאוֹקִימָנָא הַמְּחַכִּים לְכָל אָדָם, דְּאִתְמַר כְּלָם בְּחֻכְמָה עֲשִׂיתָ, יְהִיבִין לִיה נֶפֶשׁ יְתִירָה מִתְמָן. וְאִם הוּא מִבִּין דְּבַר מִתּוֹךְ דְּבַר בְּאוֹרֵייתָא, יְהִיבִין לִיה נֶפֶשׁ יְתִירָה מִבִּינָה. וְאִם הוּא חָכֵם בְּנִבְיָאִים וּבְכַתּוּבִים, יְהִיבִין לִיה נֶפֶשׁ יְתִירָה מִנְצַח וְהוּד. וְאִי אִיהוּ צַדִּיק גְּמוּר דְנִטְר אוֹת בְּרִית, אוֹת שַׁבַּת, אוֹת יוֹמֵינ טְבִין, אוֹת תְּפִילִין, יְהִיבִין לִיה נֶפֶשׁ יְתִירָה מִצַּדִּיק, וּבְכָל אַתְר, נֶפֶשׁ יְתִירָה מִמַּלְכוּת.

574. The Tannaim and the Amoraim arose and said, Faithful Shepherd, you are the one who is equivalent to all of Yisrael, filled with all good qualities, and certainly in you rests He about whom it is said: "There is none holy as Hashem," NAMELY THE CAF (=AS) THAT IS PREFIXED TO THE YUD HEI VAV HEI WHICH ALLUDES TO KETER OF THE YUD HEI VAV HEI. You are a crown (keter) on each and every one of Yisrael, for there is no man who can be a crown over you, not a chief, nor scholar, nor one who understands, not a pious man, not a mighty one, nor an honest man, not a prophet, not a righteous person, nor a king. FOR THESE ARE THE TEN SFIROT OF MALCHUT, FROM WHICH EACH INDIVIDUAL ONE OF YISRAEL TAKES. But you are in the form of the Holy One, blessed be He, NAMELY ZEIR ANPIN, WHICH IS THE SECRET OF THE WORLD OF THE MALE, AS ABOVE, the son being in the form of his father, FOR MOSES IS THE SON OF ZEIR ANPIN, just as is Yisrael AS A WHOLE, about whom it is written: "You are the children to Hashem your Elohim" (Devarim 14:1). Complete the precept of your Master, for there is no PRECEPT of those that you perform with which the Holy One, blessed be He, and His Shechinah will not be adorned above and below, with upper Keter in every attribute.

575. THE FAITHFUL SHEPHERD opened and said: Tannaim and Amoraim, LISTEN, AND THE ZOHAR EXPLAINS that every time that THE FAITHFUL SHEPHERD called 'the companions', with Rabbi Shimon among them, BY THE TITLE 'TANNAIM and AMORAIM,' he said to them: I praise you according to your munificence, for you are the sons of princes, NAMELY: Abraham, Isaac, and Jacob. No one but the Master of the Universe can praise you, for even the whole of the Torah in its infinite extension is dependent on you. As it is said in the Torah: "Its measure is longer than the earth, and broader than the sea" (Iyov 11:9), so is your praise. But may what was fulfilled in me be fulfilled in you also, for I rejoiced in the honor of Aaron, my brother, as we have learned ABOUT AARON: The heart that rejoiced at the greatness of his brother shall put on the Urim and Tumim.

576. And LISTEN, Tannaim and Amoraim, all the additional prayers of Shabbats and festivals, every additional service in which Keter is mentioned, they are known from here, namely KETER OF ZEIR ANPIN, ABOUT WHICH IS SAID: "THERE IS NONE HOLY AS THE HASHEM." And the smell of all the prayers of Yisrael is as the smell of "myrrh and frankincense, with all the powders of the merchant" (Shir Hashirim 3:6). This is the case of weekdays, but on Shabbats and festivals, WHEN THE KETER OF ZEIR ANPIN ILLUMINATES, AS ABOVE, the prayer is much more important for the Holy One, blessed be He, than all sorts of spices.

577. On festival days THE PRAYERS are more sublime AND IMPORTANT than all "the powders (Heb. avkah) of the merchant," about which it is said: "and there wrestled (Heb. ye'vek) a man with him" (Beresheet 32:25), for Samael wrestles with faulty prayer, using it to fight AND DENOUNCE by means of that fault of a transgression IN THE PRAYER; namely with that dust (Heb. avak) OF THE PRAYER, HE ASCENDS AND DENOUNCES, and this rises up to the heavens.

574. קָמוּ תַנַּיִן וְאַמּוֹרָאִין, וְאָמְרוּ, רַעִיָּא מְהִימְנָא, אַנְתָּ הוּא שְׁקִיל לְכָל יִשְׂרָאֵל, מִמּוּלָא מְכַל מַדּוּת טְבִין, וְדַאי בְּךָ שְׂרִיָּא, הֵהוּא דְאַתְמָר בֵּיה, אִין קְדוּשׁ פִּידוּר אֱלֹהִינוּ. אַנְתָּ כְּתָר עַל כָּל חַד וְחַד מִיִּשְׂרָאֵל, כִּי אִין בְּלַתְךָ בִּינִי, דִּיהָא כְּתָר עֲלֵךְ, לֹא נְשִׂיא, וְלֹא חֲכָם, וְלֹא מְבִין, וְלֹא חֲסִיד, וְלֹא גְבוּר, וְלֹא תָם, וְלֹא נְבִיא, וְלֹא צְדִיק, וְלֹא מֶלֶךְ. אַנְתָּ הוּא בְּדִיוקְנָא דְקוּדְשָׁא בְּרִיךְ הוּא, בְּרָא בְּדִיוקְנָא דְאַבְהֵי, כְּגוּוֹנָא דִּישְׂרָאֵל, דְאַתְמָר בְּהוּן, בְּנִים אַתָּם לִי אֱלֹהֵיכֶם. אֲשֵׁלִים פְּקוּדִין דְמֵאֲרַךְ, דְלִית פְּקוּדִין מֵאֲלִין דִּילְךָ, דְלֹא יִתְעַטֵּר בֵּיה קוּדְשָׁא בְּרִיךְ הוּא וְשְׂכִינְתֵיהּ עֵילָא וְתַתָּא, בְּכַתֵּר עֲלָא, בְּכָל מַדָּה וּמַדָּה.

86. The evening prayer

The Faithful Shepherd talks about the evening prayer, calling it Jacob's ladder on which the prayers ascend and merits descend. He says that those who teach merit are the defenders in the war of the Torah, and he talks about the war of the evening prayer that continues until dawn.

1

578. AND THERE ARE TWO SORTS OF DUST, for the dust of Jacob, NAMELY HIS WAR, comes to teach merit about prayers, in a number of hosts of merits that are regiments and camps that gather with him to teach merit ABOUT PRAYER. And the dust from the level of Samael ascends in a number of camps of debt, teaching guilt ABOUT PRAYER. And this prayer in the evening is called 'Jacob's Ladder', in which: "And behold the angels of Elohim ascending and descending on it" (Beresheet 28:12). These are THE PRAYERS that ascend WHEN THEY ARE liabilities, and merits descend in their place. FOR THE CAMPS OF THE TEACHERS OF MERIT OF JACOB OVERCAME THE CAMPS OF THE TEACHERS OF LIABILITY OF SAMAEL. And there are those that ascend as merits and liabilities descend in their stead. IN THIS CASE, THE CAMPS OF THE TEACHERS OF LIABILITY OF SAMAEL HAVE OVERCOME THE OTHERS, FOR THESE CAMPS humiliate them in a number of wars.

579. For they, THE ONES THAT TEACH MERIT, are the defenders in the war of the Torah, until the war becomes audible to the great mountains, that is to Abraham, Isaac, and Jacob, as it is written: "Hear, O mountains, Hashem's controversy" (Michah 6:2). This is the controversy of prayer, the controversy of Torah, NAMELY THE CONTROVERSY OF THOSE WHO TEACH MERIT AND OF THOSE WHO TEACH LIABILITY OVER MAN'S TORAH AND PRAYER. And this war of the evening prayer continues until sunrise, for Rabban Gamliel determined it as until the rise of dawn, for the evening prayer may be said at any time during the night, but the sages erected a boundary around it AND DETERMINED IT as until midnight.

580. And because THE DUTY OF RECITING THE EVENING PRAYER IS UNTIL THE RISE OF THE DAWN, IT IS SAID: "and there wrestled a man with him until the breaking of the day" (Beresheet 32:24). What is meant by the dawn? It refers to the evening prayer, NAMELY THE SHECHINAH, whose limit is until the morning of Abraham, WHOSE TIME IS the fourth hour. "And Abraham rose up early in the morning" (Beresheet 22:3), namely at the beginning of the first hour at the end of the dawn, which is Netzach of Jacob, for there "To the chief musician (Heb. menatze'ach) upon the morning star" (Tehilim 22:1), to wreak vengeance on Samael for having touched Jacob's left thigh, which is Hod, of which it is said: "he has made me desolate and faint (Heb. davah - Dalet Vav Hei) all the day" (Eichah 1:13), WHERE THE LETTERS OF THE WORD DAVAH, REARRANGED, SPELL Hod. From the side of Hod, which is the fifth millenium, the Temple remained destroyed and barren.

87. Moses, the two Messiahs, the rainbow and Malchut
Rabbi Shimon talks to Moses about two dawns and two Messiahs that come from two kingdoms. He says that Messiah son of David parallels Netzach, Messiah son of Ephraim parallels Hod, and Moses is the Central Column between them because his level is Tiferet and Yesod. We learn about the covenant of the rainbow, and about the three colors in it. We are told of the 39 types of work that are prohibited on the Shabbat, and the four kinds of 'going out' on that day.

578. אֲבָק דִּיעֶקֶב, לְאוֹלָפָא זְכוּתָא עַל צְלוֹתָא, בְּכַמָּה מִשְׁרִינֵי דְזְכוּוֹן דְּאִינוּן חִילִין וּמִשְׁרִינֵי, דְּמִתְכַנְשִׁין עִמָּיה, לְאוֹלָפָא זְכוּ עָלֶיהָ. וְאֲבָק דְּרִגָּא דְּסַמְאֵל, סָלִיק בְּכַמָּה מִשְׁרִינֵי דְּחוּבִין, לְאוֹלָפָא חוּבִין עָלֶיהָ, וְדָא צְלוֹתָא דְּעֶרְבִית, דְּאֶקְרִי סְלָם דִּיעֶקֶב, דְּבָהּ וְהִנֵּה מְלֹאכֵי אֱלֹהִים עוֹלִים וְיורְדִים בּוּ. אֵלִין דְּסַלְקִין חוּבִין, וְנַחְתִּי זְכוּוֹן תְּחוּתִיּהוּ, וְאֵלִין סַלְקִין זְכוּוֹן, וְנַחְתִּין חוּבִין תְּחוּתִיּהוּ. וּמִשְׁפִּילִין לוֹן בְּכַמָּה קְרָבִין.

579. דְּאִינוּן מְאִרֵי תְּרִיסִין, בְּמַלְחָמָתָהּ שֶׁל תּוֹרָה, עַד דְּיִשְׁתַּמַּע קְרָבָא לְטוֹרִין רַבְרַבִּין, דְּאִינוּן אַבְרָהָם יִצְחָק וְיַעֲקֹב, הַה"ד, שְׁמַעוּ הָרִים אֶת רִיב יִי. רִיב דְּצְלוֹתָא. רִיב דְּאוֹרִיּוּתָא. וְהֵאֵי קְרָבָא דְּצְלוֹתָא דְּעֶרְבִית, עַד עֲלוֹת הַשַּׁחַר. דְּרַבָּן גַּמְלִיאֵל אוֹקְמָה, עַד עֲלוֹת הַשַּׁחַר. דְּתַפְלַת עֶרְבִית זְמַנָּה כָּל הַלַּיְלָה, אֲלֵא דְּחַכְמַיִם עָבְדוּ גְּדַר עַד חֲצוֹת.

580. וּבג"ד וַיֵּאבֶק אִישׁ עִמּוֹ עַד עֲלוֹת הַשַּׁחַר, מֵאֵן שַׁחַר. צְלוֹתָא דְּעֶרְבִית. דְּשִׁיעוּרָה עַד בִּקְר דְּאַבְרָהָם, דְּאִיהִי אַרְבַּע שָׁעוֹת וַיִּשְׁכֵם אַבְרָהָם בַּבֶּקֶר. בְּרִישׁ שְׁעָתָא קְדָמָא, בְּסוּף הַשַּׁחַר, דְּאִיהוּ נִצַּח יַעֲקֹב, דְּתַמָּן לְמַנְיַח עַל אֵילַת הַשַּׁחַר, לְנַטְלָא נּוֹקְמָא מִסַּמְאֵל, דְּנִגַּע בִּירַךְ שְׁמַאֲלָא דִּיעֶקֶב, דְּאִיהוּ הוֹד, דְּבִיָּה אֲתַמַּר נִתְנַנִּי שׁוּמְמָה כָּל הַיּוֹם דְּוָה, הוֹד, מִסְטְרָא דְּהוֹד, אֶלְף חֲמִישָׁאָה, אֲשֶׁתְּאַרְתּ בִּי מִקְדָּשָׁא חֲרָבָה וַיִּבְשָׂה.

581. Rabbi Shimon said: Faithful Shepherd, this is your Hod, in which your prophecy is dried up on the left, and because you "caused... to go at the right hand of Moses" (Yeshayah 63:12), which is Netzach, which is the head of the dawns, FOR NETZACH AND HOD ARE CALLED 'TWO DAWNS', SINCE THE OTHER SIDE HOLDS ON TO BOTH OF THEM, AS ABOVE IN THE PRECEDING PARAGRAPH; AND NETZACH IS THE HEAD OF THE DAWNS, AND FROM ITS ASPECT, MALCHUT IS CALLED "A loving hind" (Mishlei 5:19), THEREFORE David stated: "To the chief musician upon the morning star (hind)" (Tehilim 22:1), for the victors (Heb. menatzchim) in the wars will come through NETZACH. FOR IT IS ONLY POSSIBLE TO WIN A WAR WITH THE OTHER SIDE IN THE SFIRAH NETZACH, AS ABOVE IN THE PRECEDING PARAGRAPH. And since Netzach and Hod are two dawns, it was taught in the Mishnah: From what time may one recite the Sh'ma in the mornings? It does not say, 'in the morning', but 'in the mornings', two of them, THE REFERENCE BEING TO NETZACH AND HOD, WHICH ILLUMINATE TOWARDS THE FEMALE DURING THE FIRST TWO HOURS OF THE MORNING, AS ABOVE IN THE PRECEDING PARAGRAPH, AND THEY ARE CALLED 'MORNINGS.'

582. And two Messiahs, COMING FROM TWO MALCHUTS (LIT. 'KINGDOMS') awaken before them, NETZACH AND HOD. Messiah son of David parallels Netzach and is connected with the morning of Abraham, WHICH IS CHESED, SINCE CHESED IS DRAWN DOWN TO MALCHUT FROM NETZACH OF ZEIR ANPIN, which is as is written: "at Your right hand are pleasures for evermore (Heb. Netzach)" (Tehilim 16:11). Hod IS CONNECTED to Gvurah, since to it, TO HOD, is attached Messiah the son of Ephraim, FOR GVURAH IS DRAWN DOWN TO MALCHUT FROM HOD OF ZEIR ANPIN, AS ABOVE. You, MOSES, THE FAITHFUL SHEPHERD, are in the center, for your level is Tiferet, for the Central Column, WHICH IS TIFERET, is connected with you, and also Yesod, the life of the Worlds, is in your level. THEREFORE HE IS THE CENTRAL COLUMN, BETWEEN THE TWO MESSIAHS THAT PARALLEL TO NETZACH AND HOD, FOR YESOD IS THE CENTRAL COLUMN OF NETZACH AND HOD. And Chochmah is on the right; let him who wants to be wise turn south. And Binah is on the left; let him who wants to be rich turn to the north. AND IT FOLLOWS THAT CHOCHMAH, CHESED, AND NETZACH, WHICH ARE ON THE RIGHT, MESSIAH SON OF DAVID, RECEIVES THEM FROM NETZACH OF ZEIR ANPIN, WHILE BINAH, GVURAH AND HOD, MESSIAH SON OF EPHRAIM, RECEIVES THEM FROM HOD OF ZE'IR ANPIN. AND MOSES IS IN BETWEEN THEM AND ILLUMINATES DA'AT, TIFERET AND YESOD TO THEM, UNITING THE TWO MESSIAHS WITH EACH OTHER.

583. It, MALCHUT, is a rainbow with you, FOR MALCHUT RECEIVES FROM HIM THE THREE COLORS OF THE RAINBOW, WHICH ARE THE SECRET OF THE THREE COLUMNS. And this RAINBOW is the apparel of the Shechinah and the apparel of the Righteous One, WHICH IS YESOD, that is called 'the covenant of the rainbow'. And it is the sign of the Shabbat and the sign of a festival, and the sign of Tefilin, and the sign of circumcision. And the Holy One, blessed be He, said: 'One who is not marked with the sign shall not enter into this vision, into this room,' WHICH IS MALCHUT. And MALCHUT is a bed, for the Central Column, WHICH IS ZEIR ANPIN, inclines on it towards Chesed, WHICH IS THE SECRET OF THE RIGHT COLUMN, for the completely righteous, to accord them merits with the eighteen blessings of the Amidah prayer, and inclines towards liability, WHICH IS THE SECRET OF THE LEFT COLUMN, for the wicked, to judge them with Judgment in Gvurah according to their deeds. And in the Central Column it is lenient to those who are mediocre. And this is the form of the letter Shin, THAT HAS THREE HEADS, PARALLELING THESE THREE COLUMNS.

581. אָמַר ר"ש, דַּא הוּד דִּילְךָ רַעִיָא מְהִימְנָא, דְּבִיָּה אַנְתָּ חֲרֵב, מִנְבוּאָה דִּילְךָ מִשְׁמַאלָא, וּבִגְוִין דְּאַנְתָּ מוֹלִיךְ לַיְמִין מִשָּׁה דְּאִיהוּ נִצַּח, רִישָׁא דְּשַׁחְרִין, אֵילַת אֲהָבִים, פִּתַּח דְּוֹד לְמִנְצַח עַל אֵילַת הַשַּׁחַר, דְּבִיָּה יִיתִי מֵאִרֵי נִצַּחֵן קְרִבִּיָּא. וּבִגְוִין דְּנִצַּח וְהוּד תְּרִין שַׁחְרִין, אוֹקְמוּהָ בְּמַתְנִיתִין מֵאִימְתִי קוֹרִין אַתְּ שְׁמַע בְּשַׁחְרִין, וְלֹא אָמַר בְּשַׁחַר. אֶלָּא בְּשַׁחְרִין תְּרִין.

582. וְתִרִין מְשִׁיחִין יִתְעָרוּן לְגַבִּיָּהוּ, מְשִׁיחַ בֶּן דְּוֹד, לְקַבֵּל נִצַּח, וְאַתְקַשֵּׁר בְּפִקְר דְּאַבְרָהָם, הַדָּא הוּא דְּכִתְיִב, נְעִימוֹת בְּיַמִּינְךָ נִצַּח. הוּד בְּגַבְוָה, דְּבִיָּה מְשִׁיחַ בֶּן אֶפְרַיִם אַחִיד. אַנְתָּ בְּאַמְצְעִיתָא, דְּדִרְגָא דִּילְךָ תִּפְאָרַת, דְּאַתְקַשֵּׁר בֶּן עַמּוּדָא דְּאַמְצְעִיתָא. וַיְסוּד חַי עֲלָמִין בְּדִרְגָא דִּילְךָ. וְחֻכְמָה בְּיַמִּין, הַרוּצָה לְהַחֲכִים יְדָרִים. וּבִינָה לְשְׁמַאלָא, הַרוּצָה לְהַעֲשׂוֹר יִצְפִּין.

583. אִיהוּ הַקֶּשֶׁת גַּבְךָ, וְהֵאֵי אִיהוּ לְבוּשָׁא דְּשְׁכִינְתָּא. לְבוּשָׁא דְּצַדִּיק, דְּאַתְקַרֵי בְּרִית הַקֶּשֶׁת. וְאִיהוּ אוֹת שַׁבַּת, וְאוֹת י"ט, וְאוֹת תְּפִלִּין, וְאוֹת בְּרִית מִילָה. וְאָמַר קוֹדֶשׁא בְּרִיךְ הוּא, מֵאֵן דְּלֹא אִיהוּ רְשִׁים בְּהֵאֵי אוֹת, לֹא יִיעוּל בְּמִרְאָה דָּא, בְּחֻדְרָא דָּא. וְהֵאֵי אִיהוּ מִטָּה, דְּעַמּוּדָא דְּאַמְצְעִיתָא מִטָּה בֵּיהּ כְּלָפֵי חֶסֶד לְצַדִּיקִים גְּמוּרִים, לְמִיָּהב לֹון זְכוּוֹן, בַּח"י בְּרַכָּאן דְּצִלוֹתָא. וּמִטָּה כְּלָפֵי חוּבָה לְרְשִׁיעֵיָא, לְמִידָן לֹון בְּגַבְוָה לְדִינָא, כְּפֹום עוֹבְדֵיהוּן. וּבְעַמּוּדָא דְּאַמְצְעִיתָא מֵאִרִין עַל בִּינּוּנִים. וְהֵאֵי אִיהוּ ש'.

584. The three colors of the rainbow, WHITE, RED, AND GREEN, WHICH ARE THE SECRET OF THE THREE COLUMNS, are a sign of the covenant, NAMELY OF YESOD. The rainbow ITSELF IS an only daughter, the Queen Shabbat, WHICH IS MALCHUT THAT RECEIVES THE THREE COLORS OF THE RAINBOW FROM YESOD. And it, MALCHUT, has six grades, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF METATRON, under its control, for they are the six days of Creation that are included in Metatron, about which it is said: "Six days you shall do your work" (Shemot 23:12), but the only daughter, MALCHUT OF ZEIR ANPIN, is Shabbat to Yud Hei Vav Hei: "whoever does work on it shall be put to death" (Shemot 35:2).

585. The Yud Hei Vav Hei is called by the letter Hei, THAT IS TO SAY THE LETTER HEI COMPLETES THE NAME YUD HEI VAV HEI. For ZEIR ANPIN IS THE YUD HEI VAV, AND THE FINAL HEI IS MALCHUT, and from this side to the right, Yud Hei Vav, where the Hei is its completion. And so it is with each of the six intermediate SFIROT OF ZEIR ANPIN, THE HEI IS THE COMPLETION. FOR THERE ARE SIX COMBINATIONS OF THE LETTERS YUD, HEI, VAV IN THE SIX INTERMEDIATE SFIROT OF ZEIR ANPIN, NAMELY: Yud Hei Vav; Hei Vav Yud; Vav Yud Hei; Yud Vav Hei; Hei Yud Vav; and Vav Hei Yud. This comes to a total of eighteen letters that are included in the Righteous One, the life (Heb. chai = eighteen) of the Worlds, WHICH IS YESOD. MALCHUT is the fourth part of the hin on each side. THAT IS TO SAY MALCHUT IS THE FOURTH LETTER, THAT IS THE FINAL HEI THAT COMPLEMENTS EACH OF THE ABOVE SIX COMBINATIONS. THUS IT IS CALLED 'THE FOURTH PART OF THE HIN' BECAUSE IT IS THE FOURTH LETTER AND THEREFORE THE FOURTH PART, AND OF THE HIN BECAUSE IT IS THE LETTER HEI.

586. And it, MALCHUT, is HEI FULLY SPELLED WITH ALEPH, from the point of view of the explicit Name Yud Vav Dalet, Hei Aleph, Vav Aleph Vav. Yud Vav Dalet is in Chesed; Hei Aleph is in Gvurah; Vav Aleph Vav is in Tiferet, WHILE THE FINAL HEI ALEPH IS IN MALCHUT. And when these 39 are in control, the sages prohibited forty save one types of work that are called 'the main classes' (lit. 'fathers') of work, because they are parallel to the patriarchs who control them, NAMELY THE SFIROT CHESED, GVURAH, AND TIFERET THAT ARE CALLED 'PATRIARCHS'. FOR YUD VAV DALET, HEI ALEPH, VAV ALEPH VAV ARE CHESED, GVURAH, AND TIFERET, AS ABOVE, AND THEIR NUMERICAL SUM IS 39, namely forty save one.

587. And with these forty save one types of work THAT ARE PERMITTED ON WEEKDAYS, lashes were administered, ten to Adam, ten to Eve, ten to the serpent, and nine to the land, MAKING A TOTAL OF 39 CURSES. And because these 39, NAMELY YUD VAV DALET, HEI ALEPH, VAV ALEPH VAV, rule on Shabbat, which is Hei ALEPH no lashes are administered. And these 39 are not the same as the 39 TYPES OF WORK PERMITTED on a weekday, for the former are from the side of the servant Metatron, while the forty save one types of work are sowing, ploughing.

588. THE FAITHFUL SHEPHERD SAID TO RABBI SHIMON: Old man, old man, the Shechinah is called 'the earth of the Holy One, blessed be He', as it is said: "and the earth is My footstool" (Yeshayah 66:1). From the point of view of Chesed, THE SHECHINAH is called 'water', and from the point of view of Gvurah, it is called 'fire', while from the point of view of the Central Column, WHICH IS TIFERET, IT IS CALLED 'air'. But IN ITSELF, the SHECHINAH IS CALLED 'earth', ground for all of them, NAMELY IT ACCEPTS ALL OF THEM.

584. תלת גוונים דקשת, אות ברית הקשת, בת יחידה, שבת מלכתא. ואית לה שית דרגין, תחות שולטנותא, דאינון ששת ימי המעשה, דכלילן במטטרון. דעלייהו אתמר, ששת ימים תעשה מעשיך. אבל בת יחידה, שבת לידוד, העושה בה מלאכה יומת.

589. And whereas the extra Neshamah spreads in the Shechinah, which is the Shabbat Queen, about which is said: "and His kingdom rules over all" (Tehilim 103:19), from there is Malchut, whose rule is over the earth and over the trees and the seeds. And since the Tree of Life, WHICH IS ZEIR ANPIN, which is the extra Neshamah that comes on the Shabbat, contains all her offspring, the earth, which is the Shechinah, has rest.

590. And since the upper Shechinah, WHICH IS BINAH, spreads in the land, WHICH IS MALCHUT, and about MALCHUT, it is said: "a red heifer without defect, in which there is no blemish, and upon which never came a yoke" (Bemidbar 19:2), it is forbidden to plough with an ox on the Shabbat, as it is written: "The ploughers ploughed upon my back" (Tehilim 129:3), NAMELY THE JUDGMENTS OF THE LEFT, FOR IT IS THEREFORE SAID ABOUT MALCHUT "UPON WHICH NEVER CAME A YOKE." And the lower Shechinah, WHICH IS MALCHUT, is a red heifer from the aspect of Gvurah, perfect from the point of view of Chesed, which is the level of Abraham, about whom it is said: "Walk before Me and be perfect" (Beresheet 17:1). "in which there is no blemish" is from the side of the Central Column, WHICH IS TIFERET. "and upon which never came a yoke" is from the side of the upper Shechinah, WHICH IS BINAH, which is freedom, for where it is in control, "the stranger that comes near shall be put to death" (Bemidbar 1:51), since permission to control is not granted to the Other Side, not to the Satan nor to Destruction nor to the Angel of Death, for they are from the side of Gehenom.

591. For this reason, on weekdays Yisrael says: "But He was full of compassion, forgiving iniquity, and He did not destroy them: often He turned away His anger, not stirring up all His wrath" (Tehilim 78:38). On weekdays the lower Shechinah puts on these Klipot of death and judgment, but on the Shabbat she sheds them, because of the Tree of Life, which is the son of Yud Hei, THAT IS, IT HAS THE MOCHIN OF YUD-HEI, WHICH ARE CHOCHMAH AND BINAH, BEING Yud-Hei-Vav, AS ZEIR ANPIN IS VAV AND HAS THE MOCHIN OF YUD-HEI. ON SHABBAT, it joins with Hei, WHICH IS MALCHUT. At the time there is rest for the Hei and everything that is under it, WHICH IS WHY it is not necessary, on the Shabbat, to say: "But He was full of compassion..." And who are they who are under it? Yisrael. And wherever Yisrael is to be found, keeping and rest are to be found.

592. And this is why it is forbidden to plough the land or to make ditches in it, FOR THE LAND ALLUDES TO MALCHUT, and it is like one who makes a defect in the holy land, which is the Shechinah. And it is forbidden to use the tools of the land, even to move a stone, or any tool, so that they should have rest in the merit of the Shechinah that is called 'stone', about which is written, "and this stone, which I have set up for a pillar" (Beresheet 28:22), in the prayers. AND IT IS CALLED 'A PILLAR' BECAUSE it stands up for Yisrael, and for its sake Yisrael exists in the world. And it is said about it: "from thence from the shepherd, the Stone of Yisrael" (Beresheet 49:24); and "Upon one stone are seven eyes" (Zecharyah 3:9); and "The stone which the builders rejected" (Tehilim 118:22).

589. וּבְגִין דְּנִשְׁמַתָּא יְתִירָה אֶתְפָּשְׁטָא בְּשְׂכִינְתָּא, דְּאִיהִי שַׁבַּת מְלַכְתָּא, דְּאֶתְמַר בְּהּ וּמְלָכוּתוּ בְּכָל מְשָׁלָה, מִשָּׁם אִיהִי מְלָכוּת, דְּשִׁלְטְנוּתָהּ אֶל אַרְעָא, וְעַל אֵילָנִין וּזְרַעִין. וּבְגִין דְּאֵילָנָא דְּחַיִּי, דְּהִיא נִשְׁמַתָּא יְתִירָה דְּבִשְׁבַּת, בְּהּ תּוֹלְדִין דִּילָהּ, אֵית נִיחָא לְאַרְעָא, דְּאִיהִי שְׂכִינְתָּא.

592. וּבְגִין דָּא, אֲסוּר לְמַחְרַשׁ בְּאַרְעָא, וְלְמַעְבַּד בְּהּ גּוּמוֹת, דְּהִיוּ כְּאֵילוֹ עֵבִיד פְּגִימוּ בְּאַרְעָא קְדִישָׁא, דְּאִיהִי שְׂכִינְתָּא. וְאֲסוּר לְאַשְׁתַּמְשָׂא בְּכָלִים בְּאַרְעָא בְּשַׁבַּת. וְאֵמִילוּ לְטַלְטַל אֲבָן. וְלֹא כְּלִי בְּעֵלְמָא. דִּיהִיוּ נִיחָא לֹון בְּזַכּוֹ דְּשְׂכִינְתָּא דְּאַתְקִרִיאת אֲבָנָא, דְּכְתִיב בְּהּ וְהָאֲבָן הַזֹּאת אֲשֶׁר שָׁמַתִּי מִצְבֵּהּ, בְּצִלוֹתָא. עֲמִידָה אִיהִי לְיִשְׂרָאֵל, דְּבִגְנִיהָ אֵית לֹון קִיּוּמָא בְּעֵלְמָא. וְעָלֶיהָ אֶתְמַר, מִשָּׁם רוּעָה אֲבָן יִשְׂרָאֵל. עַל אֲבָן אַחַת שְׁבַע עֵינַיִם, אֲבָן מְאִסוּ הַבּוֹנִים.

593. And the sayings are for this reason: "Wherefore the children of Yisrael shall keep the Shabbat, to observe the Shabbat throughout their generations (Heb. dorotam), for a perpetual covenant" (Shemot 31:16), which they have to keep in their homes (Heb. diratam). That is, they must not leave the private domain for the public domain, and this is what the Sages of the Mishnah taught: There are two, which are, indeed four, kinds of 'going out' on the Shabbat, namely transfer from one domain on to another; also, bringing in is considered going out. And as for Samael and Serpent, Yisrael has to guard against their entering the dwelling of the Shechinah, which is the private domain. What is the public domain? It is: a daughter to a priest's illegitimate connection, a bondswoman, a prostitute, a menstruating woman, a gentile woman, who are in the domain of Samael and Serpent and the seventy appointees over the peoples.

88. "I have gathered my myrrh... Drink, drink deep, O loving companions"

Rabbi Shimon analyzes the title verse to show the secret of the sacrifices, and he tells us the significance of Jacob's name being changed to Israel.

594. He began by quoting: "I am come into my garden..." (Shir Hashirim 5:1). And in the first compilation HE SAYS: "I have gathered my myrrh with my spice" refers to the right arm over the left thigh. "I have eaten my honeycomb with my honey" refers to Jacob with Rachel. "I have drunk my wine with my milk" refers to the left arm on the right thigh. THE EXPLANATION OF THIS IS: The right arm on the left thigh are Chesed with Hod. Jacob with Rachel are the Central Column, WHICH IS TIFERET, along with Malchut. Left arm with right thigh is Gvurah with Netzach.

594. פתח ואמר, באתי לגני וכו', ובחבורא קדמאה, אריתי מורי עם בשמי, דרועא ימינא בירכא שמאלא. אכלתי וערי עם דבשי, ועקב ברחל. שתיתי ויני עם חלבי, דרועא שמאלא בירכא ימינא. דרועא ימינא בירכא שמאלא, אינון חסד עם הוד. ועקב ברחל, עמודא דאמצעיתא במלכות. דרועא שמאלא בירכא ימינא גבורה בנצח.

595. HE ASKS: Why did He so change His attributes? AND HE ANSWERS, the secret that is here stated is because David said here: "Let your priests be clothed with righteousness; and let your pious ones shout for joy" (Tehilim 132:9). And we learned there that he should have said 'your Levites'. The Holy One, blessed be He, said: 'It is not my way to change my attributes, but since you have invited Me, I have to do your will.' And we further learned that even when a householder invites the king, the latter has to do the will of the former. It was thus taught: 'Whatever the host tells you to do, do, except 'leave". Nevertheless, for all that this secret is beautiful, it is still written: "For I am Hashem, I do not change" (Malachi 3:6), and indeed in respect of all the sacrifices, it is written of them for Hashem only, IN WHICH THERE IS NO CHANGE IN HIM, and how could it indeed be that He would change the levels of His name with the sacrifices?

595. ואמאי שני מדות דיליה הכי. אלא רזא דנימא הכא, דוד אמר הכא, כהניך ילבשו צדק וחסידריך ירננו. ואתמר התם, ולויך מבועי ליה למימר. אמר קודשא בריך הוא לאו ארח לשנות מדותי, אלא בתר דזמינת לי, אית לי למעבד רעותך. ומהכא אולימנא, דבעל הבית דמזמין אפילו למלכא, אית ליה למעבד רעותיה. ובג"ד אוקמוה, כל מה שאומר לך בעל הבית עשה חוץ מצא. ועם כל דא דרזא דא שפיר איהו, הא כתיב אני יי' לא שניתוי, ובכל קרבנין לא כתיב בהון אלא לידוד, איך יכיל למהוי דישני דרגין דשמייה בקרבנא.

596. HE ANSWERS, "I have gathered my myrrh" REFERS TO THE BLESSING OF 'who forms light'; "with my spice" REFERS TO 'everlasting love'. "I have eaten my honeycomb" IS THE Sh'ma Yisrael, and "with my honey" IS 'Blessed be the name of His glorious kingdom forever and ever'. "I have drunk my wine" REFERS TO "And it shall come to pass, if you hearken" (Devarim 11:13-21) up to "And Hashem spoke," and "with my milk" refers to from "And Hashem spoke" (Bemidbar 15:37-41) up to 'True.' "Eat, O dear ones" REFERS TO the first three blessings and the last three blessings OF THE AMIDAH PRAYER, while "and drink, drink deep, O loving companions" refers to all the remaining blessings of the prayer.

596. אלא, אריתי מורי: יוצר אור. עם בשמי: אהבת עולם. אכלתי וערי: שמע ישראל. עם דבשי: ברוך שם כבוד מלכותו לעולם ועד. שתיתי ויני: והיה אם שמוע, עד ויאמר. עם חלבי: מן ויאמר, עד אמת. אכלו רעים: ג' ראשונות, וג' אחרונות. שתו ושכרו יודים: שאר ברכאן דצלותא.

597. And in the compilation of the first part, HE SAID: The secret of the sacrifices is that cattle and sheep and rams and goats are the four COUNTENANCES OF the face of an ox, the face of an eagle... AND THESE ARE two turtledoves or two young doves, but this matter is in need of further clarification. Lion, WHICH IS CHESED, descends to ox, which is left, WHICH IS GVURAH, in order to link Chesed with Gvurah, NAMELY THAT THEY SHOULD BE INCORPORATED WITHIN EACH OTHER. Man, WHICH IS MALCHUT, descends to eagle, WHICH IS TIFERET, which is the level of Jacob, SO THAT TIFERET AND MALCHUT WILL MATE WITH EACH OTHER. This is why the sages of the Mishnah taught that Jacob's beauty was that of Adam. And who caused his ascendancy so that he should be called 'Yisrael'? THE HOLY ONE, BLESSED BE HE, as it is written: "Your name shall be called no more Jacob, but Yisrael" (Bereshheet 32:29) will be your name, THE MEANING OF WHICH IS that Yisrael should be the primary name to spread among them.

597. וּבַחֲבוּרָא קְדָמָא, סִתְרָא דְקַרְבָּנָא, פְּרִים וּכְבָשִׂים וְעִתּוּדִים וְעִזִּים, אֵינּוּן, ד' פְּנֵי שׁוֹר. פְּנֵי נֶשֶׁר וְגו', שְׁתֵּי תוֹרִים אוֹ שְׁנֵי בְנֵי יוֹנָה, וְצִרִיךְ לְפָרְשָׁא. אֲרִיָּה נְחִית לְגַבֵּי שׁוֹר, דְּאִיהוּ שְׂמָאלָא, לְאַתְקַשְׂרָא חֶסֶד בְּגִבּוּרָה. אֲדָם נְחִית לְגַבֵּי נֶשֶׁר. דְּרָגָא דִּיעֻקֵּב. וּבג"ד אוֹקְמוּהָ מְאִרֵי מִתְנִיתִין, שׁוּפְרִיָּה דִיעֻקֵּב שׁוּפְרִיָּה דְאֲדָם קְדָמָא הוּהּ. וּמֵאֵן גְּרִים לְאַסְתַּלְקָא לְאַתְקֵרֵי יִשְׂרָאֵל, דְּכִתְיִב לֹא יֵעֻקֵּב יֵאמֹר עוֹד שְׂמֵךְ כִּי אִם יִשְׂרָאֵל יִהְיֶה שְׂמֵךְ, דִּיהוּי יִשְׂרָאֵל עֻקֵּר לְאַמְרָא בִּינְיֵיהוּ.

89. He that disregards bread crumbs

Rabbi Shimon says that anyone who throws bread on the ground will be assured of poverty, for only God has dominion over the five kinds of grain.

598. Why "the tenth part of an ephah" (Bemidbar 28:5)? HE ANSWERS, the tenth part of an ephah parallels the Congregation of Yisrael, which is the tenth grade, NAMELY MALCHUT, and it has to be placed between the two arms, WHICH ARE CHESED AND GVURAH OF ZEIR ANPIN, SO THAT IT SHOULD BE MADE UP OF CHOCHMAH OF THE LEFT AND CHASSADIM OF THE RIGHT. AND THEN it is fine flour for the baking of bread, and it is bread. AND BECAUSE MALCHUT IS THE SECRET OF bread, no official in the world is appointed over bread made of the five kinds of grain, that are wheat, barley, rye, oats, and spelt, and no one is appointed over them, excepting the Holy One, blessed be He, alone.

598. וְעִשׂוּרֵי הָאֵיפָה, אֲמַאי. אֵלָא עִשׂוּרֵי הָאֵיפָה, לְקַבֵּל כ"י. דְּאִיהוּ עִשׂוּרָא דְדִרְגִין, וְאַצְטְרִיכָא לְאַתְיָהֵבָא בֵּין תְּרִין דְרוּעִין, וְאִיהוּ סֵלַת נְהֵמָא, וְאִיהוּ נְהֵמָא. וּבְגִין דְּאִיהוּ נְהֵמָא, לֹא אֶתְפַּקֵּד עַל נְהֵמָא דְחֻמְשַׁת מִינִין, דְּאִיהוּ חֻטָּה, וְשַׁעֲרָה, וְשִׁיפוֹן וְכוּ', מִמְּנָא דְעֵלְמָא. וְלֹא שׁוּי מִמְּנָא עֲלֵייהוּ, אֵלָא קוּדְשָׁא בְרִיךְ הוּא בְּלַחוּדוּי.

599. And therefore poverty follows anyone who shows contempt to bread and throws it on the ground. And an angel is appointed over this matter and follows after him to assure him poverty. And he will not depart from this world until he has been in need of assistance from others. And it is written about such a one: "He wanders abroad for bread, saying, Where is it?" (Iyov 15:23), THE MEANING OF WHICH IS THAT HE shall wander abroad, going from place to place, IN HIS SEARCH FOR BREAD: 'Where is it?' And no one will have any regard for him, as it is written: "Where is it?" WHERE IS the one who will have mercy on him? For such a one will not be found. Moses leads the discussion into the foolishness of those who treat lightly the crumbs of the Torah - the secrets in the crowns of the letters. As these unwise people will perish, so will those who transmit secrets of the Torah and Kabbalah to people who are dishonest or who have an evil inclination. Ra'aya Meheimna (the Faithful Shepherd)

599. וּבג"ד, מֵאֵן דְּמִזְלִיל בְּנְהֵמָא, חֲרִיק לִיה בְּאַרְעָא, עֲנִיּוּתָא רְדִיף אֲבַתְרִיהּ. וְחַד מִמְּנָא אֶתְפַּקֵּד עַל דָּא, וְאִיהוּ רְדִיף אֲבַתְרִיהּ, לְמִיָּהֵב לִיה עֲנִיּוּתָא, וְלֹא יִפּוּק מִן עֵלְמָא, עַד דִּיצְטְרִיךְ לְבְרוּיָן. וְעֲלִיהּ כְּתִיב, נוֹרֵד הוּא לֶלְחֵם אִיָּה. נוֹרֵד הוּא, וְיִהְיֶךְ מְטַלְטֵל, וְגַלִּי מֵאַתֵּר לְאַתֵּר, לֶלְחֵם אִיָּה הוּא. וְלִית מֵאֵן דִּישְׁגַח עֲלִיהּ, הַה"ד אִיָּה. מֵאֵן דִּירַחֵם עֲלִיהּ, בְּגִין דְּלֹא יִשְׁכַּח.

600. And in the compilation of the first part, the Faithful Shepherd said: Whoever treats lightly crumbs of bread and throws them where they should not be, and even more so one who treats lightly pieces of marrow, that are drops of seed, and throws them on the ground, it is said about them: "for all flesh had corrupted its way upon the earth" (Bereshheet 6:12). Or he who throws them to a menstruating woman, or the daughter of an idolater, or a bondwoman or a prostitute, and much more so one who treats lightly the crumbs of the bread of the Torah, which are THE SECRETS THAT ARE IN the crowns of the letters, about these it is said: He that makes worldly use of the crown shall perish.

600. ובחבורא קדמאה אמר רעיא מהימנא, מאן דמזלזל בפירורין דנהמא. וזריק לון באתר דלא אצטריך. האי כל שכן מאן דמזלזל בפירורין דמוחא, דאינון טפין דזרע, דזריק לון בארעא, דאתמר בהון כי השחית כל בשר את דרכו על הארץ. או דזריק לון בנדה, או בבת אל נכר, או בשמחה או בזונה. וכ"ש וכ"ש מאן דמזלזל בפירורין דנהמא דאורייתא, דאינון קוצי אתוון, ותגי אתוון, דאתמר עלייהו כל המשתמש בתגא חלף.

601. And how much more so whoever transmits secrets of the Torah and the secrets of the Kabbalah and the secrets of the Works of Creation or secrets of the letters of the explicit Name to people who are not honest, who are in the control of the Evil Inclination, a harlot, about whom it is written: "For by means of a harlot a man is brought to a piece of bread" (Mishlei 6:26). And whenever bread is mentioned the meaning is the twenty-two letters of the Torah, and whenever 'piece' is mentioned the meaning is even a single Halachah.

601. כ"ש מאן דמסר רזין דאורייתא, וסתרי קבלה, וסתרי מעשה בראשית, או סתרי אתוון דשמא מפרש, לאנשים דלאו אינון הגונים, דשליט עלייהו יצר הרע, אשה זונה, דאתמר עליה, כי בעד אשה זונה עד כפר לחם. ולית לחם אלא כ"ב אתוון דאורייתא. ולית כפר, אלא אמילו הלכה אחת.

602. And in the compilation of the first part, he did not reveal the secret of these crumbs, (teaching) only according to the literal meaning, nor did he determine the amounts. But the sages of the Mishnah taught: The amount of the crumbs is not less than the size of an olive. And how much more so if they are of a quantity the size of an egg, for the sages of the Mishnah were stringent about them: How much should one eat to have to say the Grace AFTER MEALS? An olive's size, an egg's size.

602. ובחבורא קדמאה, לא גלי רזא באלין פירורין, אלא בארץ פשט, ולא יהיב בהון שיעורא. אבל אוקמוה מארי מתניתין, דשיעורא דפירורין כזית לפחות, כל שכן אי אינון כפיצה. דמארי מתניתין דקדקו עלייהו, עד כזית עד כפיצה לברכא עלייהו.

90. Olive-size and egg-size

Moses tells the esoteric meaning of the amount of the crumbs, and he asks God and the Shechinah to give everyone perfect food for the correction of the World to Come. Next the Faithful Shepherd engages in a dialogue with Great-grandfather, upper Chochmah, who descends to him and talks about who is the host and who the guest that break the bread and distribute it and bless it. Rabbi Shimon and the other friends join the discussion and bring up the topic of levirate marriage and reincarnation. The Faithful Shepherd invites all those present to gather round for the banquet of the King, and while talking about the breaking of the bread into an egg-size and an olive-size he explains the secret and importance of 'amen'.

603. And by a secret method: Aleph Chet (= nine) OF THE WORD 'ONE' (HEB. ECHAD - ALEPH CHET DALET) make nine crumbs, three in each direction. And with the three of the Dalet (= four) OF ECHAD, we have a total of twelve CRUMBS. Again, the fourth OF THE DALET OF ECHAD completes to ten. And this completes the four, which is THE FOUR LETTERS of Yud Hei Vav Hei. What is the ten? They are THE TEN LETTERS FORMED BY FILLING IN Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph. Now the tip of the letter Dalet of Echad is the size of an olive-size. The Yud of Yud Hei Vav Hei is the measure of an egg-size.

603. וארץ רזא, א"ח הוא ט' פירורין, שלש לכל סטר, תלת מן ד', תרין עשר. רביעית איהו שלימו, לאשלמא ביה עשר. ולאשלמא ד', דאינון ידוד. מאי עשר. אינון: יו"ד ה"א וא"ו ה"א. קוצא דאת ד' מן אחר, שיעורא כזית. י' מן ידוד, שיעורא דיליה כפיצה.

604. This fourth LIVING CREATURE THAT IS THE SECRET OF "THE FACE OF A MAN" (YECHAZKEL 1:10), which is the completion of the Chariot of Man, WHICH IS ZEIR ANPIN THAT IS CALLED 'MAN', IN THE SECRET OF YUD HEI VAV HEI, FULLY SPELLED WITH ALEPHS, WHOSE NUMERICAL SUM IS THE SAME AS THAT OF MAN (HEB. ADAM). And it is also the completion of the four faces that are in the face of a man, FOR THE FACE OF A MAN IS MALCHUT, WHICH ITSELF HAS FOUR FACES: LION, OX, EAGLE, AND MAN, AND IS THE FOURTH FACE WHICH IS THE SECRET OF MALCHUT THAT IS IN MALCHUT. For this reason, IT IS WRITTEN: "Hashem lift up His countenance to you" (Bemidbar 6:26). And the sages of the Mishnah taught: Is it not written: "who favors no person" (lit. 'Who does not lift up countenance') (Devarim 10:17)? But the Holy One, blessed be He, said: 'Did I not command them: "And you shall eat and be satisfied AND BLESS HASHEM YOUR ELOHIM" (Devarim 8:10)? And they are very particular about SAYING THE GRACE AFTER MEALS even if the quantity is but that of an olive-size or an egg-size. How then should I not then lift up My countenance for them?' And not only that but the sages of the Mishnah and the Amoraim arranged their whole study according to the secrets of the Torah.

605. The Faithful Shepherd rose, spread out his hands before the Holy One, blessed be He and His Shechinah, and spoke thus: O Holy One, blessed be You, may it be Your will to give us perfect food for correction to You and to the heavenly Queen, that is the World to Come, NAMELY BINAH, about which it is said: "For the kingdom is Hashem's: and He is ruler over the nations" (Tehilim 22:29), and regarding the second Queen, WHICH IS MALCHUT, it is said a second time: "and the kingdom shall be Hashem's" (Ovadyah 1:21), and a whole table is corrected with all delicacies and dishes.

606. And I invite with You, all the sages of the Mishnah, the scholars of the Bible and the sages of the Talmud, and especially the masters of the secrets of Your Torah, and Your bride, WHO IS Your Holy Queen, both the upper one, WHICH IS BINAH, and the lower one, WHICH IS MALCHUT, everything being with the permission of the Cause who is above all heavenly beings, the Lord of all lords, King over all the kings who are above or who are below, for He is unique and unequaled, and there is no letter nor vowel sign that will join with Him, and no variations as is customary with man, for He is the Master of all the keys to all the secrets of Yud Hei Vav Hei's and names and appellative s and all the hidden secrets of wisdom, so that You open them all for us, for the sake of Your glory, O Cause over all causes. I beseech You to open for us Your glory, for Your glory is of my Father and my Mother of the Heavens, NAMELY CHOCHMAH AND BINAH, WHICH ARE FATHER AND MOTHER OF ZEIR ANPIN, WHO IS CALLED 'HEAVENS'. And the Father of all of Yisrael IS ZEIR ANPIN, and their Mother IS MALCHUT, about which it is said: "and do not forsake the Torah of your mother" (Mishlei 1:8), and with Yourself no connection exists with any mother in the world.

607. He rose a second time and said: O sages of the Mishnah, your Neshamah and Ruach and Nefesh wake up now in all of you, and remove the sleep from yourself, for this certainly is Mishnah, the literal explanations of this world. But I stirred you only with heavenly secrets of the World to Come, for you are involved with them, and in this respect it is said there: "Behold, he who keeps Yisrael shall neither slumber nor sleep" (Tehilim 121:4).

608. He began by saying, The sages of the Mishnah taught: The host breaks bread and the guest says grace after the meal. And they also taught: one must pronounce clearly the Hei of Hamotzi. And the two Heis OF YUD HEI VAV HEI WHICH ARE BINAH AND MALCHUT, stand for the two loaves of bread, the two Challot of the Shabbat. The Yud OF YUD HEI VAV HEI is A SLICE OF BREAD equal in measure to the size of an egg THAT IS GIVEN to each one. And who is the host that breaks bread? This is the Vav OF YUD HEI VAV HEI, AND SO ALL THE FOUR LETTERS OF IT ARE HERE ALLUDED TO.

609. While they were still having this discourse, behold, Great-grandfather, WHICH IS UPPER CHOCHMAH, descended to him and said: Faithful Shepherd, take back what you have just said, for bread is the Vav. Its two loaves of bread are, as you have said, Hei Hei. AND HE EXPLAINS, Vav is surely parallel to Jacob, WHO IS ZEIR ANPIN, while the two Heis parallel Leah and Rachel. AND THEREFORE BREAD IS IN GENERAL THE SECRET OF VAV, WHICH IS ZEIR ANPIN, THAT HAS TWO MATES. ONE MATING IS WITH LEAH, WHO IS HIS FEMALE FROM THE CHEST AND UP, WHILE THE SECOND MATING IS WITH RACHEL, WHO IS HIS FEMALE FROM THE CHEST AND DOWN, AND THIS IS WHY THE BREAD IS DIVIDED INTO TWO LOAVES. The Yud OF YUD HEI VAV HEI IS THE SECRET OF THE SLICE THAT IS GIVEN TO EACH ONE, as the size of an egg for each, FOR EGG IS THE SECRET OF YUD OF YUD HEI VAV HEI, WHICH IS CHOCHMAH, WHICH IS THE EMANATION THAT IS DRAWN DOWN BY THE VAV AND THE TWO HEIS OF YUD HEI VAV HEI.

610. He said to him: Grandfather, Grandfather, in how many places is it taught that Jacob is the host, WHICH IS ZEIR ANPIN, and Joseph is a guest whose level is Yesod, the life (Heb. CHAI = eighteen) of the Worlds, which incorporates the eighteen blessings of the Amidah prayer, for which reason it was taught about it: "Blessings are upon the head of the righteous" (Mishlei 10:6). THEREFORE THEY SAID THAT THE HOST, WHO IS ZEIR ANPIN, BREAKS THE BREAD, WHILE THE GUEST, WHICH IS YESOD, PRONOUNCES THE GRACE AFTER MEALS, BUT NOW YOU SAY THAT ZEIR ANPIN IS THE SECRET, NOT OF THE HOST, BUT OF THE BREAD. THE GRANDFATHER replied to him: That is how it is, and everything is true. Each secret has its rightful place, BOTH what I said and what you said. And now, ACCORDING TO MY OPINION THAT ZEIR ANPIN IS THE BREAD, who is THEN the one WHO BREAKS the bread and distributes it?

607. קם זמנא תניינא, ואמר מארי מתניתין, נשמתין ורוחין ונפשין דלכון, אתערו בען כולהו, ואעברו שינתא מנכון, דאיהי ודאי משנה, ארח פשט דהאי עלמא. דאנא לא אתערנא בכו, אלא ברזין עלאין דעלמא דאתי, דאתון בהון הגה לא ינום ולא יישן.

611. THE FAITHFUL SHEPHERD said to him: Grandfather, you have his likeness; NAMELY THE GRANDFATHER HIMSELF, WHICH IS THE SECRET OF CHOCHMAH, IS THE FORM OF THE HOST WHO BREAKS THE BREAD, which is Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph, WHOSE NUMERICAL SUM IS 45, WHICH IS THE SECRET OF CHOCHMAH (CHET CAF MEM HEI), WHOSE LETTERS SPELL OUT, KOACH (LIT. STRENGTH - CAF CHET) OF MEM HEI, which is man, WHICH IS MEM HEI IN NUMERICAL VALUE. HE IS of the upper Chariot, the face of which, NAMELY CHOCHMAH, is the Yud Hei Vav Hei WRITTEN OUT FULLY WITH ALEPHS, THE NUMERICAL VALUE OF WHICH IS MEM HEI. And for this reason, Vav is bread, there being TWO LOAVES, the two Heis, and the amount OF THE EMANATION, as taught, is the size of an olive and the size of an egg. And we have already learned in which name it is measured as an olive, NAMELY IN THE YUD, but the sages have taught: One does not make precepts into bundles, BUT EACH PRECEPT MUST STAND ON ITS OWN. Here also, we do not give two quantities in the letter Yud, that BOTH an olive-size an egg-size SHOULD BE YUD, but there are two alphabets, WHERE THE LARGE ALPHABET IS IN BINAH AND THE SMALL ALPHABET IS IN MALCHUT. THEREFORE, there is an upper Yud and a smaller Yud. The Yud WHICH IS THE YUD of Yud Hei Vav Hei is the upper YUD WHICH IS THE SECRET OF UPPER CHOCHMAH, while the Yud of Adonai is a small YUD, WHICH IS THE SECRET OF CHOCHMAH OF THE LEFT. And of these two YUDS, one is an olive-size, NAMELY THE SMALL YUD OF ADONAI, and the other is an egg-size, NAMELY THE UPPER YUD OF YUD HEI VAV HEI. And they are in the secret of 'Yud' Aleph Hei Dalet Vav Nun Hei 'Yud', NAMELY THE COMBINATION OF YUD HEI VAV HEI AND ADONAI, WHERE THE INITIAL YUD IS THE SECRET OF AN EGG-SIZE, AND THE FINAL YUD IS THE SECRET OF AN OLIVE-SIZE. The Grandfather came and kissed him.

612. While they were still considering this, the holy luminary, THAT IS RABBI SHIMON, arose, and opened by saying: "what (Heb. MAH - MEM HEI) is his name and what (Mem Hei) is his son's name" (Mishlei 30:4) come together, FOR CHOCHMAH IS THE SECRET OF YUD HEI VAV HEI FULLY SPELLED WITH ALEPHS, WHOSE NUMERICAL VALUE IS MEM HEI. AND THE SON OF CHOCHMAH, WHICH IS TIFERET, IS ALSO YUD HEI VAV HEI FILLED IN WITH MEM HEI, AS ABOVE, IN THE PRECEDING PARAGRAPH. AND IT FOLLOWS THAT MAH IS THE NAME OF CHOCHMAH AND MAH IS THE NAME OF HIS SON, WHICH IS TIFERET. AND THE GRANDFATHER, WHO IS CHOCHMAH, JOINED WITH THE FAITHFUL SHEPHERD, WHO IS TIFERET. The companions rejoiced and said: Happy is the one who was privileged to eat of this bread, WHICH IS THE Vav OF YUD HEI VAV HEI, about which it is said: "Come, eat of my bread" (Mishlei 9:5). And happy is the Nefesh of whom it is said: "she shall eat of her father's bread: but no stranger shall eat of it" (Vayikra 22:13), for about the Holy One, blessed be He, it is said: "Have we not all one father?" (Malachi 2:10), and the soul that occupied herself with the Torah "shall eat of her father's bread."

613. And who is the cause FOR THE NEFESH to eat of her father's bread? This is because she returned in repentance and united WITH THE HOLY ONE, BLESSED BE HE, as in her youth, as it is written: "and has returned to her father's house, as in her youth" (Vayikra 22:13). AND THE MEANING OF THIS IS THE SAME as: "he shall return to the days of his youth" (Iyov 33:25), just like a tree that has been cut down and has grown again from its roots. And this is a secret for one who dies childless, THAT BY LEVIRATE MARRIAGE HE REINCARNATES AND IS RENEWED.

611. א"ל, סבא אנת בדיוקניה, ודא יו"ד ה"א וא"ו ה"א, ודא אדם דמרכבתא עלאה, דאנפין דיליה יהוה. ובגין דא, ו' לחם, דאינון ה' ה'. ושיעורא דאוקמוה כזית וכביצה, הא אתמר כזית באן שמא משערין, דהא אוקמוה רבנן דאין עושין מצות חבילות, אוף הכי, לא יהינן תרין שיעורין באת י', למיהוי כזית וכביצה. אלא תרי אלפא ביתות אינון, אית י' עלאה, ואית י' זעירא, י' מן ידוד, עלאה. י' מן אדני, זעירא. ואלין תרין, חד בכזית, וחד בכביצה, ברזא דא יאהרונהי. אתא סבא ונשיק ליה.

612. אדהכי קם בוצינא קדישא, פתח ואמר, ודאי בען מתחברין מה שמו ומה שם בנו, חדו חברינא ואמרו, זכאה הוא מאן דזכי למיכל מהאי גהמא, דאתמר ביה לכו לחמו בלחמי. וזכאה נפשא, דאתמר בה מלחם אביה תאכל. וכל זר לא יאכל בו. דקודשא בריך הוא ביה אתמר, הלא אב אחד לכלנו. ונפשא דאתעסקת באורייתא, מלחם אביה תאכל.

613. ומאן גרים לה דאכלת מלחם אביה. בגין דתבת בתיובתא ואתאחדת בנעוריה. הה"ד, ושבה אל בית אביה בנעוריה, כגון וישוב לימי עלומיו. כגוונא דאילנא דקציצו ליה, ואתחדש בשרשו. והאי איהו רזא, דמאן דמית בלא זרע.

614. And there is a further secret, FOR A MAN WHO DIES CHILDLESS will later come back in a reincarnation and be renewed as formerly, as it is written: "...be a widow or divorced" (Vayikra 22:13), as HIS SOUL being driven out of The Garden of Eden. Hence she is called 'divorced' (Heb. grushah) as in: "So he drove (Heb. vayegaresh) out the man..." (Bereshheet 3:24). And what was the reason for this? It was because "she had no child" (Vayikra 22:13), for he died childless. "and has returned to her father's house, as in her youth," that is, returns to this world, AND TRANSMIGRATES to the son of the levirate marriage. This is the meaning of "and has returned to her father's house, as in her youth." And after she has been privileged to have offspring, "she shall eat of her father's bread: but no stranger shall eat of it." THIS IS WHAT IS WRITTEN: "the wife of the dead man shall not be married abroad to a stranger" (Devarim 25:5). FOR IF SHE DOES NOT MARRY THE KINSMAN, SHE WILL FALL INTO THE HANDS OF A STRANGER, NAMELY THE OTHER SIDE.

615. The Faithful Shepherd said, Hillel and Shammai: That is, you two, one of whom is of the side of Mercy, NAMELY HILLEL, while the other is of the side of Judgment, NAMELY SHAMMAI, are Chesed and Gvurah, the levels of Abraham and Isaac, and you are of their stock: gather round here, you and the eighty pupils that Hillel had, as well as the pupils of the House of Shammai, gather around for the banquet of the King.

616. You have taught, you and those with you who give legal and ethical instructions, you have taught: He who breaks bread may not eat until the diners have answered 'amen,' and: The guests may not eat anything until the one who breaks the bread has eaten. Obviously, when the host breaks the bread and gives it to the guests, he does not measure out the same amount for each person, for those who break bread do not usually break it into equal parts, and he could give to one an egg-size and to another an olive-size. And when they respond 'amen' over this breaking of the bread, before the host eats, they join together the two quantities, the egg-size and the olive-size, WHERE THE EGG-SIZE QUANTITY IS DRAWN DOWN FROM THE YUD OF YUD HEI VAV HEI AND THE OLIVE-SIZE QUANTITY IS FROM THE YUD OF ADONAI, AS ABOVE, AND THUS THE JOINING OF THE EGG-SIZE AND THE OLIVE-SIZE IS THE SECRET OF THE COMBINATION OF Yud Aleph Hei Dalet Vav Nun Hei Yud, WHICH IS THE SECRET OF 'amen'. And this UNIFICATION is not over the eating but over the breaking of the bread. AND THEREFORE, after these quantities, THE EGG-SIZED AND THE OLIVE-SIZED, have joined together IN THE UNIFICATION OF YUD ALEPH HEI DALET VAV NUN HEI YUD, in THE SAYING OF 'amen,' then the host may eat. And this is: "I have gathered my myrrh with my spice; I have eaten my honeycomb with my honey; I have drunk my wine with my milk," after which comes: "Eat, O dear ones, and drink, drink deep, O loving companions" (Shir Hashirim 5:1). "Eat, O dear ones" refers to the guests, so that the sons, who are the guests, should be as their father, WHO IS THE HOST WHO BREAKS THE BREAD, WHICH IS THE SECRET OF UPPER CHOCHMAH, THAT IS CALLED 'FATHER'.

614. ועוד אית רזא אחרא, דלבתר ייתי בגלגולא, ויתחדש במלקדמין. והיינו אלמנה וגרושה, דאתתרכת מגנתא דערן, ובגין דא אתקריאת גרושה, כגון ויגרש את האדם. ומאן גרים לה. בגין דזרע אין לה, דמית בלא בגין. ושבה אל בית אביה כנעוריה, דתבת בהאי עלמא בהווא נער בן יבם, והיינו ושבה אל בית אביה כנעוריה. ולבתר דזכת לזרע מלחם אביה האכל. וכל זר לא יאכל בו וגו'. לא תהיה אשת המת החוצה, לאיש זר.

615. אמר ר"מ, הלל ושמאי, דאתון, חד מסטרא דרחמי, וחד מסטרא דדינא, דאינון חסד וגבורה, דרגין דאברהם ויצחק. ואתון מגזעיהו, אתבנשו הכא, אתון ותמנין תלמידים דהו ליה להלל. ואוף הכי תלמידי בית שמאי, לסעודתא דמלכא.

616. הא אוקמתון, אתון וחבריאי דעמכון, מארי דהוראות, דאוקמתון, אין הבוצע רשאי למיכל, עד שיענו אמן מארי סעודתא, ולית מארי סעודתא רשאי למיכל, עד שיואכל הבוצע. ודאי כד בצע בעל הבית, ובצע לאינון מארי סעודתא, לאו לכלהו משער שעורא חדא, דלאו אורח אלין בוצעין, לבצוע בשוה, דלזמנין יהיב לדא כביצה, ולדא כזית. וכד עונין אמן על האי בציעא, קדם דייכול בעל הבית, מחברין תרין שיעורין כחדא, בכזית וכביצה, יאהרונהי, אמן, דא לאו איהו על האכילה, אלא על הבציעה, לבתר דאינון שיעורין מצטרפין באמן, ויכול בעל הבית. והיינו אריתי מורי עם בשמי אכלתי יערי עם דבשי, ולבתר אכלו רעים שנתו ושכרו דודים. אכלו רעים, מארי סעודתא. דיהון בגין בדיוקנא דאבוהון.

617. And here we have bread in two loaves, WHERE BREAD IS VAV, AND EACH OF THE LOAVES IS HEI, and the amount OF THE EATING IS an olive-size and an egg-size, WHICH IS THE SECRET OF THE UNIFICATION YUD ALEPH HEI DALET VAV NUN HEI YUD, AS ABOVE. HE ASKS: What is the shewbread that is on the King's table, NAMELY THE TWELVE CHALLOT THAT WERE ARRANGED ON THE TEMPLE TABLE? HE ANSWERS: Have we not already learned that THE BREAD, WHICH IS ZEIR ANPIN, has twelve countenances? And what are they? They are the four faces of a lion, the four faces of an ox, the four faces of an eagle, FOR THE LION, OX, AND EAGLE ARE THE SECRET OF THE THREE COLUMNS, IN EACH ONE OF WHICH ARE CHESED, GVURAH, TIFERET AND MALCHUT AND FOUR TIMES THREE COMES TO TWELVE, AND THEY ARE THE SECRET OF THE THREE YUD HEI VAV HEI'S, namely: "Hashem bless you... Hashem make his face shine... Hashem lift up..." (Bemidbar 6:24-26), WHERE EACH YUD HEI VAV HEI HAS FOUR LETTERS, AND THREE TIMES FOUR MAKES TWELVE LETTERS.

617. הָא הֶכָא לַחֵם בְּשֵׁתֵי כְּבוֹרוֹת, וְשִׁיעוּרוֹ כְּזֵית וְכִבְיָצָה. מֵאֵי נִיהוּ לַחֵם הַפְּנִים דְּמִתּוֹרָא דְּמִלְכָּא. אֲלֵא הָא אֹקְמוּהָ, דְּאִית לִיה תְּרִיסַר אַנְפִּין. וּמֵאֵי נִיהוּ. אֲלֵא אֵינּוֹן ד' אַנְפִּי אַרְיָה. ד' אַנְפִּי שׁוֹר. ד' אַנְפִּי נֶשֶׂר. וְאֵינּוֹן יְבָרְכֵךְ יְרוּד. יֵאָר יְרוּד. יֵשָׂא יְרוּד.

91. The twelve Challot

This section tells us about the Shewbread and why there are four loaves in each Shabbat meal. We also hear about the six Sfirot from the light downwards and the six Sfirot from the light upwards, and the six steps in the upper throne and the six steps in the lower throne. The lesson from this is that from a certain place secrets are hidden and from another place secrets are revealed.

618. And how do we know that the showbread comes from the King's table? Because of what is written: "and he said to me: This (Heb. Zeh) is the table that is before Hashem" (Yechezkel 41:22), AND THE NUMERICAL VALUE OF 'this' (Heb. zeh) refers to the twelve countenances. Moreover, whoever can do so, should arrange and establish on his table four loaves in each Shabbat meal, which at three meals MAKE TWELVE LOAVES, which are the twelve countenances.

618. וּמִנְלָן דְּלַחֵם הַפְּנִים אִיהוּ מִפְּתוּרָא דְּמִלְכָּא. דְּכַתְּיב, וַיְדַבֵּר אֵלַי זֶה הַשֻּׁלְחָן אֲשֶׁר לִפְנֵי יְרוּד. ז"ה: י"ב אַנְפִּין. וְאוֹף הֵכִי, מֵאַן דְּאִית לִיה, בְּעֵי לְתַקְנָא וּלְסַדְרָא עַל פְּתוּרֵיהּ, אַרְבַּע כְּבוֹרוֹת בְּכָל סְעוּדַתָּא דְּשַׁבַּת, לְתַלַּת סְעוּדַתֵּי תְּרִיסַר אַנְפִּין.

619. And you might wish to suggest that from the Torah we learn about six CHALLOT, as only double the bread WAS REQUIRED FOR EACH OF THE THREE MEALS, MAKING A TOTAL OF SIX ONLY, NOT TWELVE. HE ANSWERS, we cannot mention Vav (= six), without also mentioning its companion Vav namely Vav Vav, THE SOUND OF THE PRONOUNCED VAV, AND THIS POINTS TO the six SFIROT CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF THE DIRECT LIGHT from above downwards, and the six SFIROT OF CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF RETURNING LIGHT from below upwards. AND they parallel the six steps that are in the upper throne, FROM THE CHEST AND UPWARDS OF ZEIR ANPIN, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD THAT ARE INCLUDED IN CHESED, GVURAH AND TIFERET; and the six steps of the lower throne, FROM THE CHEST DOWNWARDS OF ZEIR ANPIN, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD THAT ARE INCLUDED IN NETZACH, HOD AND YESOD. The six OF THE UPPER THRONE are concealed, FOR CHOCHMAH HAS NO REVELATION FROM THE CHEST AND UPWARDS, while the six FROM THE CHEST DOWNWARDS are in the open, FOR CHOCHMAH DOES HAVE REVELATION FROM THE CHEST AND DOWNWARDS. AND THIS IS THE SECRET OF THE VERSE: "The secret things belong to Hashem our Elohim: but those things which are revealed belong to us and to our children for ever" (Devarim 29:28), WHERE FROM THE CHEST AND UPWARDS OF ZEIR ANPIN ARE THE HIDDEN THINGS, AND FROM THE CHEST AND DOWNWARDS ARE THE THINGS THAT ARE REVEALED.

619. וְאֵי תִימָא לָאוּ אֵינּוֹן אֲלֵא שֵׁית מִדְּאוּרֵייתָא, מִשּׁוּם לַחֵם מְשֻׁנָּה. אֲלֵא לֹא נִיכּוּל לְמַדְכֵּר ו', בְּלֵא חֲבֵרִיהּ, ו' ו', שֵׁית מְלַעֲיֵלָא לְתַתָּא, וְשֵׁית מְלַתְתָּא לְעֵילָא. לְקַבֵּל שֵׁית דְּרֵגִין דְּכִרְסֵיָא עֲלֵאָה. וְשֵׁית דְּרֵגִין דְּכִרְסֵיָא תַתָּאָה. שֵׁית בְּאַתְפְּסֵיָא. וְשֵׁית בְּאַתְגְּלֵיָא. הַנְּסַתְרוֹת לִידוּד אֲלֵהִינוּ וְהַנְּגִלוֹת לְנוּ וּלְבָנֵינוּ עַד עוֹלָם.

92. The things one should observe at the Shabbat table

We are told of the parallel between all the breads prescribed at Shabbat and the four faces of the Holy Beasts. We learn of all the deep meanings of the ten preparations for the meal. Lastly the bread of the Torah is said to be the Shechinah.

620. The breads of thanksgiving are forty challot, ten wafers, ten mixed with hot water and oil, ten of leavened bread, ten of unleavened bread, making a total of forty, PARALLELING THE FOUR YUDS THAT ARE IN THE FOUR YUD HEI VAV HEI'S THAT ARE IN THE FOUR FACES, NAMELY paralleling the Yud of Yud Hei Vav Hei of the four faces of a man, AND PARALLELING the Yud of the Yud Hei Vav Hei of the four faces of a lion, AND PARALLELING the Yud of Yud Hei Vav Hei of the four faces of an ox, AND PARALLELING the Yud of the Yud Hei Vav Hei of the four faces of an eagle. And this is the first preparation for the King's table, for there are ten things that a person must observe at the Shabbat table.

621. The first PREPARATION THAT IS IN THE SHABBAT TABLE IS to prepare the table, as for one who eats in the presence of a King, as it is written: "This is the table that is before Hashem" (Yechezkel 41:22). The second PREPARATION is to wash the hands to the extent that the sages decreed, namely five knots, THAT IS THE FIVE FINGERS OF THE RIGHT HAND, which contain fourteen joints, FOR EACH FINGER HAS THREE JOINTS, AND THE THUMB ONLY TWO, TOTALING FOURTEEN JOINTS. Similarly there are fourteen joints in the left, making A TOTAL OF 28 joints. And against these 28 JOINTS IS THE SECRET OF "the power of Hashem" (where the word for 'power' is KOACH = 28), and these are the 28 letters of the first verse in the Works of Creation: "IN THE BEGINNING ELOHIM CREATED THE HEAVEN AND THE EARTH" (BERESHEET 1:1). THERE ARE 28 LETTERS IN THE verse, and about them it is written: "And now, I pray you, let the power (Heb. koach) of Adonai be great" (Bemidbar 14:17).

622. The ten fingers correspond to the ten sayings at the creation of the world: For this reason, the sages of the Mishnah taught: Whoever is careless over the washing of the hands is uprooted from the world. Why is this? It is because the ten fingers of the hands and the 28 joints of the fingers contain the secret of the ten sayings and the 28 letters with which the world was created.

623. The third preparation is the cup of benediction, for which ten things were ordained: It requires washing, rinsing, crowning, wrapping, and must be undiluted, full, taken up with both hands, and placed in the right hand; he who says the blessing must look at it, it must be raised a handbreadth from the surface, and he must send it around to those members of his household as a present.

624. And according to the secret, IT IS THE SECRET OF the cup "full with the blessing of Hashem" (Devarim 33:23), for the numerical value of the word cup (Heb. kos) is the same as Elohim, WHICH IS BINAH, NAMELY MALCHUT ENCLOTHING IN BINAH. And from there comes the Neshamah that is named after it, cup, as it is written: "I will raise the cup of salvation" (Tehilim 116:13). What is the meaning of "salvation"? It is the five fingers THAT HOLD THE CUP, which correspond to the five Sfirot: CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD, that are in the cup, which is the living Elohim which is Binah, that spreads THROUGH THE FIVE SFIROT to fifty gates, which are five times ten. That is, the letter Yud stands for the ten things that the sages ordained for the cup, which is the living Elohim, and the five (Hei) letters OF THE WORD ELOHIM, which are five in number, AND TEN TIMES FIVE COMES TO FIFTY GATES.

620. וְלַחֲמֵי תוֹדָה אֵינּוֹן מ' חֲלוֹת, י' רְקִיקִין. י' רְבוּכִין. י' שֶׁל חֶמֶץ. י' שֶׁל מִצָּה. הָא אֵינּוֹן מ'. לְקַבֵּל י' מִן יְדוּ"ד. ד' אֲנָפֵי אֲדָם. י' מִן יְדוּ"ד, ד' אֲנָפֵי אַרְיָה. י' מִן יְדוּ"ד, ד' אֲנָפֵי נֶשֶׂר. הָאֵי אֵיִהוּ תְקוּנָא קְדָמָא דְפִתּוּרָא דְמַלְכָא, הָאֵינּוֹן י' דְבָרִים דְצָרִיךְ בְּרֵשׁ לְאַנְהָגָא בְּפִתּוּרָא דְשַׁבָּת.

625. And they taught about the cup that it needs washing and rinsing, where washing refers to the outside, rinsing to the inside. And the secret of the matter is that the inside and the outside OF THE CUP should be the same, for whoever has been privileged to receive a Neshamah from this cup, WHICH IS BINAH, SUCH A NESHAMAH MUST be pure both within and without. And the secret of the matter is: "and cleanse it, and hallow it" (Vayikra 16:19) with purification on the inside and sanctification on the outside. And just as the cup, whose purification and sanctification both inside and outside is only with water, so the purification and sanctification of the soul, both inside and outside, is only with the Torah. And this is why Rabban Gamliel said: No one whose inside does not correspond to his exterior may enter the academy house. This is because such a person is not from the Tree of Life, but from the Tree of Knowledge of Good and Evil, FOR WHOEVER IS LACKING HOLINESS ON THE OUTSIDE OR PURITY ON THE INSIDE IS A MIXTURE OF GOOD AND EVIL.

626. The crowning THAT IS STATED IN RESPECT OF THE CUP, they taught thus: He crowns it with pupils. And the secret is that Hei is the cup, NAMELY BINAH, and it is crowned with pupils, with the letter Yud, which is a diadem on the Hei, FOR THE PUPILS MULTIPLY AND DRAW DOWN CHOCHMAH. The wrapping THAT IS MENTIONED IN RESPECT TO THE CUP refers to the need to wrap the head, NAMELY TO COVER IT, because the Shechinah is over his head. For this is what the sages of the Mishnah taught: A scholar of the Law is forbidden to walk four cubits with his head uncovered because, "the whole earth is full of His glory" (Yeshayah 6:3). And even more so IS IT FORBIDDEN to go with uncovered head during a blessing or the mention of the Holy Name!

627. AND THE REASON FOR THE PROHIBITION OF GOING WITH UNCOVERED HEAD IS that the letter Yud of Yud Hei Vav Hei, WHICH IS CHOCHMAH, is enveloped in light (Heb. or - Aleph Vav Resh) and becomes air (Heb. avir - Aleph Vav Yud Resh), since the letter Yud, which is Chochmah, is in the air. And this is the light with which He enveloped himself when He created the world, as it is written: "Who covers Himself with light as with a garment" (Tehilim 104:2). Thus "Let there be light" (Bereshheet 1:3) is 'Let there be air'. And the sages of Sitrei Torah taught: Before anything else was formed, the existences were formed. Thus: "Let there be light, and there was light" REFERS TO LIGHT that had existed previously.

628. AND REGARDING the 'undiluted' IN RESPECT TO THE CUP OF BLESSING, they taught: Undiluted from the barrel, WHICH MEANS THAT IT SHOULD NOT BE MIXED WITH ANY WATER THERE. And the secret is: The upper Shechinah, WHICH IS BINAH, is the eighth Sfirah OF THE TEN SFIROT, WHEN ONE STARTS TO COUNT from the bottom up, and is for that reason called 'Chet' (whose numerical value is eight). And this is alluded to in the verse: "Through wisdom a house (Heb. bayit) is built" (Mishlei 24:3). Hence a barrel (Heb. chavit - Chet Bet Yud Tav) IS THE LETTERS CHET AND BAYIT (BET YUD TAV). FOR THIS SHOWS THAT THE WINE, WHICH IS THE SECRET OF GVURAH OF ZEIR ANPIN, IS TO BE DRAWN DOWN FROM BINAH, THAT IS CALLED 'BARREL', NAMELY CHET BAYIT. And because BINAH is life, as it is written. "She is a Tree of Life to those who lay hold on her" (Mishlei 3:18) therefore, the wine that is DRAWN DOWN from there, FROM BINAH, is undiluted (lit. 'live'). And this is the wine of the Torah, for whoever engages in it is called 'live'. And furthermore, the Righteous One, WHICH IS YESOD, is CALLED 'live' and is undiluted from the barrel, BECAUSE ITS LIGHTS ARE DRAWN FROM BINAH, THAT IS CALLED 'BARREL', AS ABOVE.

625. ואוקמוה בכוס, שצריך הדחה ושטיפה. הדחה מבחוץ, ושטיפה מבפנים. ורזא דמלה, שיהא תוכו כברו. מאן דזכי לנשמתא מהאי כוס, למהוי נשמתא דכיא מלגו ומלבר. ורזא דמלה, וטהרו וקדשו, טהרה מבפנים, וקדושה מבחוץ. ומה כוס לאו טהרתיה וקדושתיה מלגו ומלבר בלא מיא. אוף הכי נשמתא, לאו טהרתה וקדושתה מלגו ומלבר בלא אורייתא. ובגין דא אמר רבן גמליאל, מי שאין תוכו כברו לא יכנס לבית המדרש. בגין דלאו איהו מסטרא דאילנא דחיי, אלא מעץ הדעת טוב ורע.

626. עטור, אוקמוה מעטרו בתלמידים. וארח רזא, ה' איהו כוס, מעטרו בתלמידים באת י', דאיהו עטרת על ה'. עטוף, צריך לאעטפא רישיה בגין דשכינתא על רישיה. דהכי אוקמוה מארי מתניתין, אסור לתלמיד חכם למיהך ד' אמות בגלוי הראש. משום מלא כל הארץ כבודו. כל שכן בברכה, ובאדברת שמא קדישא, למהוי בגלוי הראש.

627. דאת י' מן ידוד, איהי אתעטף באור, ואתעביד אור. בגין דאת י' דאיהי חכמה באור, והיינו אור דאתעטף ביה כד ברא עלמא, הה"ד עוטה אור בשלמה. והאי איהו יהי אור יהי אור. ואוקמוה מארי סתרי תורה, בטרם נתהווה כל דבר, נתהוו ההיות. ובגין דא יהי אור ויהי אור, דהוה מקדמת דנא.

628. ח"י אוקמוה, חי מן החבית. וארח רזא, שכינתא עלאה איהי תמינאה דספיראן מתתא לעילא, ובגין דא אתקריאת ח', ואתמר בה בחכמה יבנה בית. והיינו חבית: ח' בי"ת. ובגין דאיהי חיים, דכתיב עץ חיים היא למחזיקים בה, ויין מתמן איהו ח"י. ודא איהו וינא דאורייתא. מאן דאשתדל בה, אקרי ח"י. ועוד, צדיק ח"י. איהו חי מן החבית.

629. Wine comes in two colors, white and red. THE NUMERICAL VALUE OF WINE is seventy facets, this makes 72, AND THIS ALLUDS TO THE FACT THAT THE LIGHTS OF THE 72-LETTER NAME ILLUMINATE IN WINE. And corresponding to the two colors of the wine are 'Remember' and 'Keep', referring to the Shabbat, AND THESE, TOGETHER WITH the seventy words of the SHABBAT EVE Kiddush, make 72.

630. AND THE CUP OF BENEDICTION MUST BE full, as it is written: A cup "full with the blessing of Hashem" (Devarim 33:23); and also he HAS TO BE full of the wine of the Torah, and so must a person be perfect, as it is written: "a plain man" (Beresheet 25:27). THE MEANING OF THIS IS a perfect (Heb. shalem) man, as in the verse: "And Jacob came to Shalem" (Beresheet 33:18), NAMELY JACOB IS HERE CALLED 'PERFECT'. So also must the Neshamah be perfect, without any fault being in it, because "For whatever man he be that has a blemish, he shall not approach" (Vayikra 21:18). So also here, THE LETTERS OF Elohim: ALEPH LAMED HEI YUD MEM) can be re-written as Aleph Lamed Mem with Yah (Yud Hei). And IT HAS the numerical value of cup (Heb. kos), WHICH IS 86. And Aleph Lamed Mem in reverse order is ('full') male: (Mem Lamed Aleph), AND THUS THE CUP HAS to be full, FOR THE NUMERICAL VALUE OF THE LETTERS OF THE WORD CUP IS THE SAME AS 'FULL OF YAH' (MALE YAH). For when is it full? When there is Yah there. And that is: "Because Yah has sworn by His throne" (Shemot 17:16), WHERE THE NAME IS NOT COMPLETE, BUT LACKS THE VAV HEI. The numerical value of Adonai, TREATING ALL TENS AS UNITS, IS the same as Vav Hei. The Central Column is full from both of them, OF THE YUD HEI AND THE VAV HEI. And therefore THE NAME OF Adam (lit. 'man') dwells upon it, which is the explicit Name, YUD VAV DALET; HEI, HEI ALEPH; VAV ALEPH VAV; HEI HEI ALEPH; WHICH HAS THE NUMERICAL VALUE OF 'ADAM'.

631. REGARDING THE CUP OF BENEDICTION, THAT must be taken up with both hands, corresponding to the Torah which was written on two tablets of stone: And there were five commandments on the one tablet, corresponding to the five fingers of the right hand, and there were five commandments on the second tablet, corresponding to the five fingers of the left hand, that were given with the right, that is, the right hand, THAT IS TO SAY THAT THE FIVE OF THE LEFT WERE INCLUDED IN THE FIVE OF THE RIGHT. And for this reason IT IS WRITTEN: And he took in his hand "two tablets of stone" (Shemot 34:4), and not 'in his hands,' NAMELY IN ONLY ONE HAND, WHICH WAS THE RIGHT, and this is as Scripture testifies: "from His right hand went a fiery law for them" (Devarim 33:2).

632. REGARDING THE INSTRUCTION THAT HE WHO SAYS THE BLESSING must look at the cup of benediction, this is because it corresponds to the Land of Yisrael, WHICH IS MALCHUT ENCLOTHING BINAH, about which it is said: "the eyes of Hashem your Elohim are always upon it" (Devarim 11:12); and the eyes of heaven are the seventy (numerical value of the letter, AYIN, which, as a word, means 'eye') members of the Sanhedrin, with Moses and Aaron over them, they being the two upper eyes, NAMELY, CHOCHMAH AND BINAH, being one right eye and one left eye, amounting to 72, the same numerical value as the expression 'with wine' (Heb. beyayin). FOR THE SEVENTY MEMBERS OF THE SANHEDRIN CORRESPOND TO THE SEVEN SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT, EACH ONE BEING COMPOSED OF TEN. AND OVER THEM ARE CHOCHMAH AND BINAH, WHICH ARE MOSES AND AARON, AND THIS IS THE SECRET OF HIS LOOKING AT IT, TO DRAW DOWN CHOCHMAH AND BINAH TO THE CUP, WHICH IS MALCHUT, and this is the secret of why he who says the blessing must look at the cup.

629. יין אית מניה תרין גוונים, חור וסומק. יין, ע' אנפין. הא ע"ב. ולקבל תרין גוונים דיין, איהי זכור ושמור השבת, וע' תיבין דקדוש ויכל"ג, הא ע"ב.

630. מלא, הה"ד כוס מלא ברבת יי'. ואוף דאיהו מלא מיינא דאורייתא. בר נש הכי צריך למהוי שלים, כמד"א איש תם: גבר שלים. כמו ויבא יעקב שלם, הכי צריך למהוי נשמתא שלימתא, ולא יהיה בה פגם, דכל אשר בו מום לא יקרב. אוף הכי אלם עם י"ה, הוא אלהים, כחושבן כוס. איהו מלא, והפוך אלם ותמצא מלא. אימתי. בד אית תמן י"ה. והיינו כי יד על כס י"ה. ארנ"י חושבניה ו"ה. עמודא דאמצעיתא מלא מן תרווייהו. ובגין דא שריא עליה אדם, דהוא שמא מפרש.

631. מקבלו בשתי ידיו, בגוונא דאורייתא, דהוה בתרין לוחין, ה' דברן בלוחא חדא, לקבל ה' אצבעאן דיד ימינא. וה' בלוחא תניינא, לקבל ה' אצבעאן דיד שמאלא. ואתייהיבו בימינא דהיינו ביד ימין. ובגין דא, שני לוחות אבנים הוריד בידו, ולא בידיו. והאי איהו דאסהיד קרא, מימינו אש דת למו.

632. ונותן עיניו בו, בגין דהאי כוס, דאיהו לקבל ארעא דישראל, דאתמר בה, תמיד עיני יי' אלהיך בה. ועיינין דלעילא, אינון שבעין סנהדרין, ומשה ואהרן עלייהו. תרין עיינין עלאין. חד עין ימין, וחד עין שמאלא, ואינון ע"ב, כמנן ביין. והאי איהו רזא דנותן בכוס עינו.

633. AND THE CUP OF BENEDICTION must be raised a handbreadth from the surface. Since the letter Hei OF YUD HEI VAV HEI is a cup, it has to be raised up to the letter Yud OF YUD HEI VAV HEI, which is CALLED 'a handbreadth', for the Hei is opened up in it with the five (Hei) fingers, WHICH IS THE SECRET OF THE FIFTY GATES OF BINAH. And he must send THE CUP OF BENEDICTION round to members of his household as present, NAMELY in order that his wife should be blessed, for she is THE SECRET OF the Nefesh, about which it is said: "but now our soul is dried away: there is nothing at all" (Bemidbar 11:6), and she is blessed and prepares fruits, as it is written: "Let the earth bring forth grass" (Beresheet 1:11).

634. And the fourth PREPARATION AT THE TABLE is that matters of Torah should be discussed over the table so that the verse "For all tables are full of vomit and filth" (Yeshayah 28:8) should not be fulfilled in him as it is with the ignorant. But it was taught in Sitrei (lit. 'hidden') Torah: He who wants to grow rich turns to the north; namely he should place the table northwards, for the table is left, which is Judgment. He has, THEREFORE, to connect it to the right, which is the Torah that was given out of Chesed, which is Mercy, which is the right hand of Hashem.

635. And the fifth PREPARATION IN THE TABLE was taught by the sages of the Mishnah: The meal must be lengthened for the sake of the poor, THAT HE WILL BE ABLE TO GIVE THEM SOMETHING TO EAT. And the secret of the matter is that charity should lengthen his days, that he should not die young, just as does the Torah which is longevity for the Neshamah in two worlds: this world and the World to Come. Charity, likewise, is longevity for the body in two worlds, as it is written: "for He is your life, and the length of your days" (Devarim 30:20), which is interpreted to mean: 'your life' in this world, and 'the length of your days' in the World to Come. AND THE MEANING OF the World to Come for the body is at the resurrection of the dead, that after he rises at the resurrection of the dead, he will not die. And just as he will be in the World to Come so will he be in this world.

636. And the sixth CORRECTION is that he should not be a voracious glutton at the King's table, as was Esau, who said: "Give me to swallow" (Beresheet 25:30), by gulping it down, but by way of mastication, GRINDING THE FOOD WITH HIS TEETH. So, too, one who produces words of prayer or words of Torah from his mouth, should bring them out, chewed over, and complete; NAMELY, HE SHOULD CONSIDER THEM AND GO OVER THEM, AS THOUGH CHEWING THEM OVER, and not in a gulping fashion, imperfectly. And furthermore, because of the danger that the food might enter his trachea instead of his esophagus, HE MUST EAT BY WAY OF MASTICATING AND NOT GULPING.

633. וּמַגְבִּיהוּ מִן הַקְּרָקַע טֶפַח, בְּגִין דָּאֵת ה' אִיהִי כּוּס, בְּעֵי לְסַלְקָא לָהּ בְּאֵת י', דְּאִיהִי טֶפַח, דְּבִיה אֲתַפְתַּחַת ה' בְּה' אֶצְבְּעָאן. וּמִשְׁגְּרוּ לְאֲנָשֵׁי בֵיתוֹ בְּמַתְנָה, בְּגִין דִּיתַבְרַךְ דְּבֵיתָהּ, דְּאִיהִי נֶפֶשׁ, דְּאֲתַמְר בְּה' נִפְשָׁנוּ יִבְשָׁה אֵין כּל, וְאֲתַבְּרַכַת וְאֲתַעֲבִידַת פְּרִין, הֵה"ד תְּדַשָּׂא הָאָרֶץ דְּשָׂא.

637. And the seventh PREPARATION is water at the end of the meal, as it has been taught: Water to wash the hands at the beginning of the meal is a precept and at the end of the meal is an obligation, while WATER in the middle (between courses) it is optional. With the water at the beginning of the meal, he has to raise his fingers up so that the dirty water will not run back and defile the hands. And there are sages who held the opinion that the water at the end of the meal is because of S'dom salt, lest it blind the eyes. They thereby removed from us the obligation, FOR TO WASH THE HANDS AT THE END OF THE MEAL IS NO MORE THAN GOOD ADVICE, IN ORDER NOT TO BLIND THE EYES, AND IS NOT OBLIGATORY. And there are secret matters with those who held that WATER TO WASH THE HANDS AT THE END OF THE MEAL is obligatory. And it is not good practice to contradict the words of the great, but to them may be applied the verse: "according to the sentence of the Torah which they shall teach you" (Devarim 17:11).

638. And furthermore, three sanctifications were stated in this connection, as it is written: "you shall therefore sanctify yourselves, and you shall be holy; for I am holy" (Vayikra 11:44). "sanctify yourselves" refers to the water for washing the hands at the beginning of the meal. "and you shall be holy" refers to the water at the end of the meal. "for...holy" is pleasant oil TO REMOVE THE DIRT FROM THE FINGERS. "I am Hashem" is a blessing. And the water in the middle is between cheese and meat, and this is why it is written: "you shall therefore sanctify yourselves, and you shall be holy; for I am holy." Happy is this people whose master places them near to Him, AND WHO IMBUES THEM WITH HIS HOLINESS!

639. So, too, COULD BE SAID, "sanctify yourselves" (Vayikra 11:44) refers to the time of sexual intercourse. The initial emission of a man's seed is a precept, NAMELY, KEEPING OF THE COMMANDMENT TO BE FRUITFUL AND MULTIPLY, while the latter is THE SEED of the female, which is obligatory, THAT IS TO SAY: THE SEED OF THE MALE OBLIGATES HER TO PRODUCE SEED. And that in the middle WATERS is hinted at in "and curdled me like cheese" (Iyov 10:10), NAMELY, THE HOLY ONE, BLESSED BE HE, WHO GIVES SOLID FORM TO THE SEED FOR THE BUILDING UP OF THE EMBRYO, as it is written: "Have You not poured me out like milk, and curdled me like cheese?" And this is the allusion TO THE WATERS THAT ARE IN THE MIDDLE, between cheese and meat, for it is said about Him, ABOUT THE HOLY ONE, BLESSED BE HE: "You have clothed me with skin and flesh" (Ibid. 11).

640. The eighth PREPARATION is that at least three men must be present for the cup of benediction. Why? BECAUSE THE CUP ALLUDES TO BINAH, and Binah is the third of the ten Sfirot, WHEN COUNTING THEM from the top downwards, NAMELY, KETER-CHOCHMAH-BINAH. For this reason, if less than three persons are present, the cup is not required. ANOTHER EXPLANATION WHY at least three persons must be present for the cup of benediction is that it refers to 'They call You thrice holy'. Furthermore, the Torah did not descend less than three, NAMELY: Priests, Levites, and Yisrael, WHICH ARE the Torah, Prophets, and Hagiographa, AND IT WAS GIVEN in the third month, on the third day. And this Binah is Yud Hei Vav OF YUD HEI VAV HEI, WHICH IS THE SECRET OF THE THREE COLUMNS. And in its regard they said: The night has three watches. And Malchut is the fourth Hei, WHICH RECEIVES ALL THREE OF THE COLUMNS, and about it they said: The night has four watches, CORRESPONDING TO THE THREE COLUMNS AND MALCHUT THAT RECEIVES THEM. And the letter Shin, with the three branches, corresponds to the three watches, while the letter Shin, with four branches, corresponds to the four watches.

637. שביעאה, מים אחרונים. ואוקמוה, מים ראשונים מצוה. ואחרונים חובה. ואמצעיים רשות. מים ראשונים צריך לסלקא אצבען, בגין דלא יהרון משקין ויטמאו את הידים. ואית מרבנן דאמרי, דאחרונים משום מלח סדומית, שלא תסמא את העינים. ואי הכי אפקין לון מחובא. וסתרי מילין, אלין דאמרו עליהו חובה, ולא ארח ארעא לסתרא גאונים מלין, אלא דאתקרי עליהו, על פי התורה אשר יורוך.

638. ולא עוד, אלא דאמרו עליהו ג' קדושות, הךא הוא דכתיב, והתקדשתם והייתם קדושים. והתקדשתם אלו מים ראשונים. והייתם קדושים אלו מים אחרונים. כי קדוש, זה שמן ערב. אני יי, זו ברכה. ואמצעיים, בין גבינה לבש ר. ובג"ד, והתקדשתם והייתם קדושים כי קדוש אני יי. זכאין עמא, דמאריהון ישוי לון לגביה.

639. אוף הכי והתקדשתם, בשעת תשמיש. מים ראשונים דזרע בר נש, מצוה. אחרונים דנוקבא, חובא. ואמצעיים קא רמיז, וכגבינה תקפיאני. הךא הוא דכתיב, הלא כחלב תתיכני וכגבינה תקפיאני. והאי איהו דקא רמיז, בין גבינה לבש ר, דאתמר ביה עור ובשר תלבישני.

640. תמינאה, לשלשה צריך כוס. אמאי. בינה איהי תליתאה מעשר ספיראן, מעילא לתתא. ובגין דא פחות משלשה לא צריך כוס. לשלשה צריך כוס, קא רמיז קדושה לך ישלשו. ולא עוד, אלא דאורייתא לא נחתא פחות מג', בהנים, לויים, ישראלים. תורה, נביאים, וכתובים. בירח תליתאי, ביום תליתאי. ודא בינה, יד"ו. ובגינה אתמר, שלש משמרות הוי הלילה. מלכות ה' רביעית, עלה אתמר ארבעה משמרות הוי הלילה. וש' דתלת ענפין לקבל תלת משמרות. וש' דארבע ענפין לקבל ארבעה משמרות.

641. And the ninth PREPARATION is the cup of benediction, that is one-quarter of a Log, the amount corresponding to the letter Hei, WHICH IS the fourth LETTER of Yud Hei Vav Hei. And the tenth PREPARATION is that when there are ten people present, he WHO SAYS GRACE adds 'let us bless our Elohim'. THE REASON FOR THIS IS THAT the lower Shechinah, WHICH IS MALCHUT, is both fourth and tenth - the fourth letter of the name Yud Hei Vav Hei, and the tenth in the count of the ten Sfirot - WHICH ARE THE SECRET OF THE TEN LETTERS Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph. AND THEREFORE THE PRESENCE OF TEN PERSONS IS REQUIRED IN ORDER TO MENTION THE NAME 'OUR ELOHIM.' And a man must be very careful not to throw these matters in a place where he shouldn't, like one who throws away bread, and how much more so one who throws out from his table the bread of the Torah, for it is the Shechinah, about which it is said: "This is the table that is before Hashem" (Yechezkel 41:22).

93. Three who harm themselves

Rabbi Shimon tells about the three ways a person can harm himself: by cursing himself, by throwing bread on the ground, and by kindling a light before the doxology is finished on Shabbat. He who commits the last of these three transgressions is considered to have profaned the Shabbat, and a special place in Gehenom is reserved for him.

642. And in the compilation of the first part, HE SAYS: There are three who cause harm to themselves, two of whom are in this world, and one in another world. And these are: The one who curses himself, as we have learnt; one official is appointed before man, and when a man curses himself this official together with his seventy appointed subordinates take that word and respond 'amen,' and they raise it up on high and judge it. And THE OFFICIAL follows him until he does something and then he puts into effect for him THE CURSE OF that word THAT HE UTTERED.

642. וּבְחִבּוּרָא קְדָמָאָה, תְּלַת אִינוּן דְּגְרַמִּין בִּישׁ לְגְרַמְיָהּוּ. תְּרִין בְּהַאי עֲלֵמָא, וְחַד בְּעֲלָמָא אַחְרָא, וְאֲלִין אִינוּן: מֵאן דְּלִיט גְרַמְיָה, דְּתַנִּינָן חַד מְמַנָּא אֲתַפְקַד קַמִּיָּה דב"נ, וּבְשַׁעְתָּא דְּלִיט גְרַמְיָה הֵהוּא ב"נ, הַאי מְמַנָּא, וְשִׁבְעִין אַחְרָנִין דְּמַמְנָן תְּחוּתִיָּה, נְטִלִין הֵהוּא מְלָה, וְאֲמַרִי אֲמֵן, וְסַלְקִי לָהּ לְעִילָא, וְדִינִין לָהּ, וְאִיְהוּ רְדִיף אֲבַתְרִיָּה, עַד דְּעָבִיד לִיָּהּ, וְאֲשִׁלִּים לִיָּהּ הֵהוּא מְלָה.

643. Who do we have that is greater than Moses, who said: "and if not, blot me, I pray you, out of Your book which You have written" (Shemot 32:32). This he said for the sake of Yisrael, and although the Holy One, blessed be He, did his wish AND FORGAVE YISRAEL, nevertheless he was not spared punishment, for it has already been noted that HIS NAME is not mentioned in the portion of Tetzaveh, but has been blotted out from there. And this has already been taught. And who do we have that is greater than King David, who said: "I said: I will take heed to my ways, that I sin not with my tongue: I will keep a curb on my mouth, while the wicked is before me" (Tehilim 39:2). What is the meaning of "while the wicked is before me"? This refers to that official who was appointed over the one WHO CURSES HIMSELF, and takes that word to harm a man, AS ABOVE.

643. מֵאן לָךְ רַב מִמּוֹשֶׁה, דְּאָמַר וְאִם אֵין מַחְנֵי נָא מִסְפָּרַךְ אֲשֶׁר כְּתַבְתָּ, וְאָמַר לְצוּרְךָ, וְאֵע"ג דְּקוּדְשָׁא בְרִיךְ הוּא עָבִיד רְעוּתִיָּה, עִם כָּל דָּא לֹא אֲשַׁתְּזִיב מְעוֹנָשָׁא, וְהָא אֲתֵמַר דְּלֹא אֲדַכֵּר בְּפִרְשַׁת וְאֲתָה תְּצַוָּה, וְאֲתַמְחִי מִתְּמֵן. וְהָא אֹקְמוּהָ. מֵאן לָן רַב מִדּוּד מְלָכָא, דְּאָמַר אֲמַרְתִּי אֲשַׁמְרָה דְּרַכִּי מַחְטוּא בְּלִשׁוֹנִי אֲשַׁמְרָה לְפִי מַחְסוּם בְּעוֹד רִשָּׁע לְנַגְדִי, מֵאִי בְּעוֹד רִשָּׁע לְנַגְדִי. הֵהוּא מְמַנָּא דְּאֲתַפְקַד עַל דָּא, וְנָטִיל הֵהוּא מְלָה לְאַבְאָשָׁא לִיָּהּ לב"נ.

644. And one WHO DOES HARM TO HIMSELF is the person who throws bread, or crumbs of bread, onto the ground, having no respect for it, as we have learnt. And these are the two WHO RECEIVE THEIR PUNISHMENT in this world. And the one WHO DOES HARM TO HIMSELF in another world is the person who kindles a light towards the end of the Shabbat, before Yisrael recite the doxology after the daily portion, DURING THE PASSAGES "OF VEATA KADOSH" AT THE END OF SHABBAT. And such a one is considered as a profaner of the Shabbat because he causes the fire of Gehenom to be kindled before its time.

644. וְחַד מֵאן דְּזָרִיק נְהֵמָא, אוּ פִירוּרִין דְּנְהֵמָא בְּאַרְעָא, וְקָא עָבִיד בֵּיהּ זְלוּלָא, כְּמָה דְּאֲתֵמַר. הַנִּי תְרִי בְּהַאי עֲלָמָא. וְחַד בְּהַהוּא עֲלָמָא, מֵאן דְּאוּקִיד שְׂרָגָא בְּמוֹצְאֵי שַׁבַּת, עַד לֹא מְטוּ יִשְׂרָאֵל לְקְדוּשָׁא דְּסִדְרָא, בְּגִין דְּקָא מַחְלֵל שַׁבְּתָא, וְגָרִים לְנוּרָא דְּגִיְהֵנָם לְאַתּוּקְדָא, עַד לֹא מְטָא זְמַנִּיָּה.

645. There is a special place in Gehenom for those who profane the Shabbat. And since he kindles the light before its time, a certain official exists in Gehenom on the end of Shabbat, and he first lights that place and says: This spot is for so-and-so. And all the wicked ones who are in Gehenom help him to light up that spot, and that official calls out, saying: "Behold, Hashem will thrust you about with a mighty throw, and will seize you firmly" (Yeshayah 22:17). And the wicked who are in Gehenom respond: "He will violently roll and toss you like a ball into a large country: there shall you die" (Ibid. 18). And this is because he caused them to be kindled before time and this makes three who cause harm to themselves, as we have learnt.

645. חֵד דּוּכְתָא אֵית בְּגִיְהֵנָם, לְאִינוּן דְּקָא מְחַלְלֵי שַׁבְּתָא. כִּיּוֹן דְּאִיהוּ אוֹקִיד שְׂרָגָא עַד לָא מְטָא זְמַנְיָה, חֵד מְמַנָּא אֵית בְּגִיְהֵנָם בַּמ"ש, וְאוֹקִיד בְּקִדְמִיתָא לְהֵוּא דּוּכְתָא, וְאִמַר הָאֵי דּוּכְתָא דְּפִלְנָיָא. וְכָל חַיִּיבִין דְּגִיְהֵנָם, מְסִיְעֵי לְאוֹקְדָא הֵוּא דּוּכְתָא. הֵוּא מְמַנָּא קֶאֱרִי וְאִמַר, הִנֵּה יֵי' מְטַלְטֵלְךָ טַלְטֵלָה גְבַר וְעֵטְךָ עֵטָה. חַיִּיבִין דְּגִיְהֵנָם אִמְרִי, כִּדְרוּ אֶל אֶרֶץ רַחֲבַת יָדַיִם שְׁמָה תָמוּת וְגו'. בְּגִין דְּאִיהוּ גְרִים לֹוֹן לְאַתּוֹקְדָא, עַד לָא מְטָא זְמַנְיָהּ. הָא לֹוֹן תִּלְתָּא, דְּגִרְמֵי בִישׁ לְגִרְמֵייהוּ, כְּמָה דְּאַתְמַר.

94. Three Yuds in the Yud Hei Vav Hei fully spelled with Yud amounting to 63
 Rabbi Shimon tells Moses that in the future he will be exalted above all creatures because he ascended to the Name Yud Hei Vav Hei fully spelled out.

646. Another explanation: "And he dreamed, and behold a ladder" (Beresheet 28:12). Faithful Shepherd, just as the letter Lamed ascends higher than all the other letters, BECAUSE THE LAMED ALLUDES TO BINAH, so will you in the future be exalted above all creatures because you ascended to the name Yud Vav Dalet, Hei Yud, Vav Aleph Vav, Hei Yud, WHOSE NUMERICAL VALUE IS 63, WHICH IS BINAH. And in it THERE ARE THREE YUDS, Yud Yud Yud, the numerical value of them making Lamed (= thirty). For initially you were in the name Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph, WHICH HAS THE NUMERICAL VALUE OF 45, WHICH IS ZEIR ANPIN. It contains Yud Aleph Aleph Aleph, THE NUMERICAL VALUE OF WHICH IS THIRTEEN, which stands for the thirteen attributes of Mercy, AND HAS THE SAME NUMERICAL VALUE AS THE WORD One (Heb. echad - Aleph Chet Dalet = thirteen). And now you have ascended with EI (=31), which is Yud Yud Aleph Yud OF THE FULL SPELLING OF 63. And both of these Names are witnesses, "has not one EI created us?" (Malachi 2:10). FOR THE YUD YUD ALEPH YUD OF YUD HEI VAV HEI, FULLY SPELLED OF THE NUMERICAL VALUE OF 63 HAS THE NUMERICAL VALUE OF THE WORD EL, AND THE ALEPH-FILLING OF THE THE YUD HEI VAV HEI, YUD ALEPH ALEPH ALEPH IS THE NUMERICAL VALUE OF THE WORD ONE (Heb. ECHAD).. Hence it is written: "Have we not all one father? has not one EI created us?" (Malachi 2:10)

רַעִיָא מֵהִימְנָא
 646. ד"א וַיַּחְלוֹם וְהִנֵּה סֵלֶם, רַעִיָא מֵהִימְנָא, מֵה ל' אֶסְתַּלַּק עַל כָּל אַתּוּוֹן, הֵכִי אַתְּ עֲתִיד לְאַסְתַּלַּקָּא עַל כָּל בְּרִיּוֹן. בְּגִין דְּאַסְתַּלַּק לְשִׁמָּא דִּיּוֹ"ד ה"י וְאִו"י ה"י. הַבֵּיהּ יו"י, דְּחוּשְׁבַּנְיָה ל'. דְּבִקְדָמִיתָא הָיִית בְּשֵׁם יוֹ"ד ה"א וְאִו"י ה"א, דְּאִיהוּ יֵאָא, בִּי"ג מְכִילָן דְּרַחֲמֵי, דְּאִינוּן אֶחָד. כְּעַן תִּסְתַּלַּק בְּאֵל, דְּאִיהוּ יוֹא"י. דְּתַרְיִן שְׁמָהּ סִדְרִין, הֵלָא אֵל אֶחָד בְּרָאנוּ. הֵה"ד, הֵלָא אֵב אֶחָד לְכַלְנוּ הֵלָא אֵל אֶחָד בְּרָאנוּ.

647. And with these three Yuds OF THE 63 NUMERIC VALUE-LETTER NAME may the verse be established in you: "He shall be exalted and extolled, and be very high" (Yeshayah 52:13). "VERY (Heb. ME'OD) HIGH" REFERS TO YUD HEI VAV HEI OF THE NUMERICAL VALUE OF 45, which is the numerical value of the word me'od (Mem Aleph Dalet), which is the same as man (Heb. adam - Aleph Dalet Mem), 45, and in fact the letters of the word 'very' are the same as those of the word 'man', written in a different order. "He shall be exalted" is in the four faces of the lion, WHICH IS CHESED THAT RISES TO CHOCHMAH, which is the secret of "Hashem bless you" (Bemidbar 6:24), THIS BEING THE SECRET OF YUD HEI VAV HEI FULLY SPELLED TO THE NUMERICAL VALUE OF 72, THUS: YUD VAV DALET, HEI YUD, VAV YUD VAV, HEI YUD; WHICH IS THE NUMERICAL VALUE OF CHESED, AND THIS IS CHOCHMAH OF THE RIGHT. "and extolled" is through the four faces of ox, WHICH IS GVURAH THAT RISES TO BINAH, namely: "Hashem lift up" (Bemidbar 6:26), AND THIS IS BINAH of the left. "and be very high" is "Hashem make His face shine" (Bemidbar 6:25), WHICH IS ZEIR ANPIN, AND IS in the middle, AND IS YUD HEI VAV HEI, FULLY SPELLED TO THE NUMERICAL VALUE OF 45. And this Yud Vav Dalet, Hei Yud, Vav Aleph Vav, Hei Yud, WHICH IS YUD HEI VAV HEI, FULLY SPELLED TO THE NUMERICAL VALUE OF 63, is, "Hashem

lift up His countenance to you, and give you peace" (Bemidbar 6:26).
The fourth Yud Hei Vav Hei, NAMELY, THAT FILLED WITH HEIS OF
THE NUMERICAL VALUE OF 52 IS MALCHUT, AND THIS is: "And
they shall put my name upon the children of Yisrael: and I will bless
them" (Bemidbar 6:27), FOR MALCHUT IS CALLED 'NAME.'

95. As a flame connected to a burning coal

We hear of the waters of the Torah emerging from the smooth precious stones that were derived from the stone called Malchut. The further explanation is that the Torah is actually the secret of Light because it consists of both Chassadim and Chochmah. From the right-hand side Malchut is called a stone, but from the left it is called a burning coal, and this appellation speaks to the vengeance that will be taken against the enemies of Yisrael. Rabbi Shimon talks about the events that will happen at the end of the Exile, when the two Messiahs will be connected with the Faithful Shepherd. At that time the Klipot that surround the Shechinah will be shattered into pieces and one of the three stones will be revealed. We are told that the Faithful Shepherd issues from upper Ima and spreads throughout the six Sfirot to the Righteous One, and from there it waters the Garden that is the Shechinah.

648. From the right-hand side, MALCHUT is called 'a stone'; and a number of smooth precious stones, NAMELY, STONES THAT ISSUE WATER, are to be derived from it. From them issue the waters of the Torah, about which we have learnt: Rabbi Akiva said to his disciples, When you reach stones of pure marble, do not say: Water, water, lest you endanger your souls. THE MEANING OF THIS IS: Do not say that these waters OF MALCHUT are real waters, NAMELY, ONLY CHASSADIM, because "he that tells lies shall not remain in my sight" (Tehilim 101:7). For these waters THAT ARE IN MALCHUT are Torah; THAT IS TO SAY THAT THEY ARE DRAWN DOWN FROM ZEIR ANPIN, WHO IS CALLED 'TORAH', AND IS COMPOSED OF CHOCHMAH AND CHASSADIM TOGETHER, AND IS THEREFORE THE SECRET OF LIGHT AND NOT OF WATER, WHICH INDICATES CHASSADIM WITHOUT CHOCHMAH, for it is said about it: "and Torah is light" (Mishlei 6:23). And since this light stems from a spring "whose waters fail not" (Yeshayah 58:11), FOR ZEIR ANPIN RECEIVES THIS LIGHT FROM UPPER ABA AND IMA WHOSE MATING IS FOREVER UNINTERRUPTED, AND THERE, WITH ABA AND IMA, IT IS CHASSADIM, it is therefore called 'water', WHICH IS CHASSADIM. HOWEVER, WHEN THE CHASSADIM COME TO ZEIR ANPIN, THEY ARE COMPOSED OF CHOCHMAH ALSO, AND ARE CALLED 'LIGHT'. AND THIS IS THE SECRET OF "AND TORAH IS LIGHT."

649. And from the left-hand side, this stone, which is Yud, NAMELY, MALCHUT, is called 'a burning coal', NAMELY, BY VIRTUE OF THE POWER OF THE JUDGMENTS OF THE LEFT THAT BURN IN IT, whence the ten Sfirot ARE REFERRED TO as a flame joined to a burning coal. And it has four hues, NAMELY, THE FOUR LETTERS OF THE SIMPLE YUD HEI VAV HEI, and they are ten, NAMELY, THE TEN LETTERS OF YUD HEI VAV HEI FULLY SPELLED WITH ALEPHS: Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph. TOGETHER THIS MAKES FOURTEEN LETTERS. And it is the great hand (= fourteen) FROM THE POINT OF VIEW OF the right WHICH IS CHESED, the mighty hand FROM THE POINT OF VIEW of the left WHICH IS GVURAH, WHILE FROM THE POINT OF VIEW of the Central Column it is an upraised hand. It is thus composed of 42 hues, THIS BEING THE SUM OF THREE TIMES FOURTEEN (= HAND).

650. And since from the point of view of the right it is a stone, and from the point of view of the left it is a burning coal, the Holy One, blessed be He, takes vengeance with it from Ishmael and Edom, WHO ARE DERIVED FROM THE WASTE MATTERS OF RIGHT AND LEFT. For they are strange fires OF OTHER SIDE and the proud waters, WHERE ISHMAEL IS PROUD WATERS AND EDOM IS STRANGE FIRES, and their appointed officials are Samael and Serpent. Samael, who is the fire of Gehenom, is appointed over the nation of Esau, and Serpent is appointed over the nation of Ishmael, and this is THE ANGEL Rahav, who is in charge of the waters.

648. מִסְטֵרָא דִּימִינָא, אֲתִקְרִיאת אָבֵן. וְכִמְה אָבֵן מִפּוֹלְמִין יִקְרִין אֲשֶׁתְּכַחוּ מְנָה, דְּמַנְיָהּ מִיָּא דְאֹרִייתָא נִפְקִין. וּבְגִינִיהוּן אֲתָמַר, אָמַר ר' עֲקִיבָא לְתַלְמִידֵי בְּשִׁתְּגִיעוּ לְאָבֵן שִׁישׁ טְהוֹר אֶל תֵּאמְרוּ מִים מִים שְׁמָא תִּסְתַּכְנוּ בְּנַפְשְׁכֶם. לֹא תִימְרוּן דְּאִינוּן מִים, מִים מִמֶּשׁ. מִשּׁוּם דּוּבַר שְׁקָרִים לֹא יִכּוּן לְגַד עֵינֵי. דְּאֵלִין מִים, דָּא אֹרִייתָא, דְּאֲתָמַר בְּה וְתוֹרָה אֹר. וּבְגִין דְּהֵאִי נְהוּרָא נְבִיעַ בְּמַבּוּעָא דְּמִיָּא, אֲשֶׁר לֹא יִכְזְבוּ מִימֵיו, אֲתִקְרִי מִים.

651. From the right of Abraham, whose level is Chesed, He takes vengeance on Ishmael and his official, and from the left of Isaac, whose level is Fear, NAMELY, GVURAH, He takes vengeance on Esau and his appointed official by means of two Messiahs, one of whom, Messiah son of David, is from the right, while the other, Messiah son of Joseph, is from the left. And the level of Jacob, WHICH IS TIFERET, IS THE CENTRAL COLUMN, that corresponds to them, in the secret of "changing his hands" (Beresheet 48:14) - the lion, to the left, CORRESPONDING TO ESAU, and the ox to the right, CORRESPONDING to Ishmael. And since Judah was exiled in Esau, it follows that the right of holiness is with the left of Esau, and likewise IN THE EXILE OF ISHMAEL the left of holiness is TO BE FOUND with the impure right of Ishmael. ACCORDINGLY, IT FOLLOWS THAT MESSIAH SON OF DAVID, WHICH IS RIGHT, WILL TAKE VENGEANCE ON ESAU, WHILE MESSIAH SON OF JOSEPH, WHICH IS LEFT, WILL TAKE VENGEANCE ON ISHMAEL. "Until Shiloh come" (Beresheet 49:10), which verse is read as meaning: Until Shiloh comes, WHERE THE NUMERICAL VALUE OF SHILOH IS THE SAME AS THAT OF MOSES, who is the Faithful Shepherd, whose level is Tiferet Yisrael, WHICH IS THE CENTRAL COLUMN. He will take vengeance from the mixed multitude, FOR THE MIXED MULTITUDE IS COMPOSED OF THE RIGHT AND LEFT OF IMPURITY, AND SO THE CENTRAL COLUMN, WHICH IS COMPOSED OF THE RIGHT AND LEFT OF HOLINESS, WILL BE AVENGED ON THEM.

652. In these three grades, RIGHT, LEFT AND CENTER, AS ABOVE, the priests, Levites, and Yisrael will be recalled from the Exile, FOR THEY ARE DRAWN DOWN FROM THESE THREE COLUMNS. And in them, IN THE THREE COLUMNS, He takes vengeance upon Esau, Ishmael, and the mixed multitude, for just as the mixed multitude is intermixed with Esau and Ishmael, NAMELY, CONTAINING RIGHT AND LEFT OF IMPURITY, so Jacob, WHO IS THE CENTRAL COLUMN, is composed of Abraham and Isaac, WHICH ARE RIGHT AND LEFT, for he is a mixture of the two of them. And so, too, Shiloh, WHICH IS MOSES, WHO IS ALSO THE CENTRAL COLUMN, AS ABOVE, is intermixed with Messiah son of David, WHICH IS THE RIGHT SIDE, AND WITH Messiah son of Joseph, WHICH IS THE LEFT SIDE, and he will be the chain THAT INCORPORATES AND CONNECTS the two of them, as at the time that Bilaam saw in his prophecy, NAMELY, "UNTIL SHILOH COME" (BERESHEET 49:10). For thus the two Messiahs are connected with the Faithful Shepherd, THIS BEING THE SECRET OF the three patriarchs, NAMELY, THE THREE COLUMNS, AS ABOVE, in the final exile. AND THEY WILL THUS HAVE THE POWER TO WIN AND DESTROY ALL THE KLIPOT THAT CORRESPOND TO THE THREE COLUMNS OF HOLINESS, AS ABOVE.

653. He began by quoting: "He has not beheld iniquity in Jacob, neither has He seen perverseness in Yisrael; Hashem his Elohim is with him, and the trumpet blasts of the King is among them" (Bemidbar 23:21). And all this is to fulfill the scriptural verse: "But with great compassion will I gather you" (Yeshayah 54:7). And at that time, the Klipot that surround the Shechinah will be shattered into pieces, and immediately one of the three stones will be revealed. And the three stones are Segolta THAT IS THE SECRET OF MALCHUT, WHICH IS THE APEX OF THE SEGOLTA IN THE TONAL NOTES, and about these THREE POINTS, it is said: "Now it came to pass in the thirtieth year" (Yechezkel 1:1). THIS IS THE SECRET OF THE THREE YUDS, Yud, Yud, Yud, WHERE EACH OF THE THREE POINTS THAT MAKE UP THE SEGOLTA IS A YUD, AND THE NUMERICAL SUM OF THREE YUDS IS THIRTY. "in the fourth month" (Ibid.) refers to the fourth stone, WHICH IS NETZACH. "on the fifth day of the month" refers to the fifth stone, WHICH IS HOD. Corresponding to them is: "and chose five smooth stones out of the brook" (I Shmuel 17:40), THESE BEING THE SECRET OF CHESED, GVURAH, TIFERET, NETZACH AND HOD, THAT ARE TAKEN FROM YESOD THAT INCORPORATES ALL OF THEM, AND IS CALLED 'BROOK'. And corresponding to them are the five words: "Hear O Yisrael, Hashem our Elohim, Hashem." (Devarim 6:4).

654. "as I was among the exiles" (Yechezkel 1:1). This is the Shechinah, WHICH IS CALLED 'I', in which the Holy One, blessed be He, is One (Heb. ECHAD), BECAUSE ZEIR ANPIN IS ALEPH CHET OF ECHAD (ALEPH CHET DALET), AND THE SHECHINAH IS DALET OF ECHAD. The Vav (lit. 'as') is added to 'as I' FOR IT IS WRITTEN 'AS I' is the river, which is the Righteous One, Life of the Worlds, NAMELY, YESOD. AND HE EXPLAINED HIS WORDS: "And a river went out of Eden to water the garden" (Beresheet 2:10). What is meant by Eden? This is Binah (Bet Yud Nun Hei). The river that went out OF BINAH WHICH IS EDEN is Vav, the son (Heb. ben - Bet Nun) of Yud Hei, NAMELY, ZEIR ANPIN, which is the level of the Faithful Shepherd. And the Faithful Shepherd, WHICH IS ZEIR ANPIN, issues from upper Ima, WHICH IS THE SECRET OF EDEN, and spreads throughout the six Sfirot: CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, to the Righteous One, WHICH IS YESOD. And from there, FROM YESOD, it waters the Garden, which is the Shechinah, AND SO THE VAV (LIT. 'AS') OF 'I' THEREFORE ALLUDES TO YESOD THAT WATERS IT.

655. IT IS WRITTEN: "BY THE RIVER KEVAR" (YECHZKEL 1:1). What is Kevar (Caf Bet Resh)? HE ANSWERS THAT Caf ALLUDES TO Keter, Bet TO Binah, AND Resh TO the beginning of (Heb. Reshit) Chochmah. Keter is on the right side; Chochmah is on the left side; Binah is in the center. And they form a Chariot (Heb. rechev - Resh Caf Bet) on high for the Prime Cause, INFINITY. All ten of the Sfirot are included in the river, WHICH IS ZEIR ANPIN, which spreads as far as the Righteous One, WHICH IS YESOD, that IS CALLED 'All', AS it is All inclusive, containing WITHIN IT all THE SFIROT, and about it was it said: "The tree grew, and was strong... and on it was food for all" (Daniel 4:8-9). Everything depends on it. When EZEKIEL saw the Shechinah among the Klipot, he saw ten Sfirot with it.

96. Fine flour for an offering

We learn that the fine flour should be composed of both the right and left side.

656. IT IS WRITTEN: "fine flour for a meal offering" (Bemidbar 28:5); that is, that this fine flour, WHICH IS MALCHUT, should be brought before the Supreme King for a meal offering between the two arms; THAT IS TO SAY THAT IT SHOULD BE COMPOSED OF THE TWO ARMS, WHICH ARE CHESED AND GVURAH, THE RIGHT SIDE AND THE LEFT SIDE.

Moses explains the flour by talking about Isaac, the left hand of Zeir Anpin, and Abraham, the right hand of Zeir Anpin. He says the fine flour is the lower Shechinah, as it has no connotation of darkness. Just as the chaff and straw have to be removed from the grain during threshing, Yisrael must remove any dark ones that become intermingled with them. Moses says that darkness is the Evil Inclination.

Ra'aya Meheimna (the Faithful Shepherd)

654. וְאֲנִי בְּתוֹךְ הַגּוּלָה, דָּא שְׂכִינְתָא, בְּהַ קוּדְשָׁא בְּרִיךְ הוּא אַחֲרֵי. ו' בְּתוֹסַפֶּת וְאֲנִי, הוּא נְהַר, צְדִיק חַי עֲלָמִין. וְנְהַר יוֹצֵא מֵעֵדֶן לְהַשְׁקוֹת אֶת הַגֶּן, מֵאֵי עֵדֶן. דָּא בִּינָה, נְהַר דְּנִפְיָק מִנָּה, דָּא ו', בֶּן יוֹ"ה, דְּרִגָּא דְרַעֲיָא מְהֵימְנָא, וּר"מ, נְפִיק מֵאִימָא עֲלָאָה, וְאִתְפְּשֵׁט בְּשִׁית סְפִירָאן עַד צְדִיק, וּמְנִיָּה אֲשֶׁקִי לְגַנְתָּא, דְּאִיְהִי שְׂכִינְתָּא.

655. מֵאֵי כַּב"ר. כ', כְּתָר. ב', בִּינָה. ר', רֵאשִׁית חֲכָמָה. כְּתָר בִּימִינָא, חֲכָמָה בְּשְׂמָאלָא, בִּינָה בְּאַמְצַעִיתָא. רַכָּב לְעֵילָא לְעֵלֵת הָעֲלֹת. י' סְפִירָאן כְּלָהוּ, אִתְכַּלְלוּ בְּנְהַר, דְּאִיְהוּ אִתְפְּשֵׁט עַד צְדִיק, דְּאִיְהוּ כָל, כָּלִיל כְּלָא. וּבְגִינִיָּה אִוְקְמוּהָ, אִילָנָא רַבָּא וְתַקִּיף, וּמְזוֹן לְכָלֵּא בִּיהַ. מְנִיָּה תְלִיָּא כְּלָא. כַּד חָמָא שְׂכִינְתָּא מְגוּ קְלִיפִין, חָזָא עֲמָה עֲשֵׁר סְפִירָן. ע"כ רַעֲיָא מְהֵימְנָא

656. סֵלֶת לְמִנְחָה, לְאֲעֲלָאָה לְהַאי סֵלֶת, קְמוּ מְלֶכָא עֲלָאָה לְמִנְחָה. בֵּין תְּרִין דְרוּעִין.

657. And in the first compilation of the part, the Faithful Shepherd said: From this, FROM WHAT THE ZOHAR SAYS ABOUT "THE FINE FLOUR FOR A MEAL OFFERING" BEING BETWEEN THE TWO ARMS, it must be understood that these are hidden matters that have to be explained to the companions. It is said about Abraham and Isaac, who instituted the morning and afternoon prayers: "My hand also has laid the foundation of the earth" (Yeshayah 48:13), which refers to Isaac, WHO IS THE LEFT HAND OF ZEIR ANPIN, "and My right hand has spanned the heavens" refers to Abraham, WHO IS THE RIGHT HAND OF ZEIR ANPIN. Their levels are Chesed and Fear, as it is said about them: "Hashem has sworn by His right hand, and by the arm of His strength" (Yeshayah 62:8), which are the two arms to the King, which is the Yud Hei Vav Hei, NAMELY, ZEIR ANPIN, the Central Column. And His fine flour is the lower Shechinah, NAMELY, MALCHUT, which is His light, THAT IS OF ZEIR ANPIN, and is clean fine flour from His sides, NAMELY, WHEN CLEAVING TO HIS RIGHT AND LEFT SIDES, without blemish of darkness, and without any implication of contaminated darkness. For such is the relationship of light to darkness, as clean grain is to chaff and straw. MALCHUT IS THEREFORE TERMED FINE FLOUR WHEN IT IS WITHOUT ANY INTIMATION OF DARKNESS.

658. But in the iniquities of Yisrael, dark ones become mixed up with the luminous ones. And just as a man threshes the grain and then makes his selection OF THE WHEAT FROM THE CHAFF AND STRAW, like one picking out food from amongst rubbish, so it is with Yisrael that, when dark ones become intermingled with them, they have to make AND CORRECT their spirits. And the secret of the matter is contained in the verse: "The sacrifices of Elohim are a broken spirit" (Tehilim 51:19). For darkness - which is the Evil Inclination that covers the spirit as the chaff that covers the grain or as the cloud that covers the sun not allowing it to give light - is broken.

659. And in the time when darkness, which is the Evil Inclination, covers the Good Inclination, the latter, which is light, is like one who is imprisoned in the prison of the Evil Inclination. And so, too, when the Good Inclination is imprisoned in the domain of the Evil Inclination, the hosts of the Good Inclination are also imprisoned in the domain of the hosts of the Evil Inclination. And when a person breaks his spirit in all his limbs before Hashem, what does Scripture say? "That you may say to the prisoners, Go forth; to them that are in darkness, Show yourselves" (Yeshayah 49:9).

660. But the Shechinah is pure fine flour, in which darkness and gloom can not become mixed up. And it is as a vine that rejects a graft of another sort, that is not of its type. And this fine flour dwells between the arms of the King, NAMELY CHESED and GVURAH, "mingled with...beaten oil" (Bemidbar 28:5).

97. "Mingled with...beaten oil"

Rabbi Shimon asks for an explanation of the word "beaten" in the title verse, and he is told that it has to do with drawing an emanation down from above. The righteous one is the one who crushes the holy olives for the anointing oil with his perfect longing for Malchut.

661. "mingled with...beaten oil" (Bemidbar 28:5). Oil refers to that oil that is poured out and issues from on high, FROM CHOCHMAH OF THE RIGHT SIDE. Rabbi Shimon said: What you have said is good, but how do you explain "beaten"? HE ANSWERS, it is a divine secret. Since we are talking about oil, what is "beaten"? It is an allusion to the mating with the Female, NAMELY, MALCHUT, to draw down to her beaten oil as is fitting for her, FROM UPPER CHOCHMAH, which is none other than beaten in order to extract OIL from the olives, which are the limbs of the body, NAMELY, THE SFIROT OF ZEIR ANPIN, TERMED BODY, and to draw that emanation down from above, FROM UPPER CHOCHMAH, with each and every limb.

662. And the Righteous one, WHICH IS YESOD, is the one who crushes with pestles and extracts from all those upper limbs, FROM THE SFIROT OF ZEIR ANPIN, that are holy olives, anointing oil, with a perfect longing for the Female, WHICH IS MALCHUT. But if he does not crush them, that oil will issue forth only without the longing of the limbs, and the Female will have no enjoyment from that emanation, AND THE OIL, WHICH IS THE LIGHT OF CHOCHMAH, will not be fitting until it is a blend of all the limbs. Therefore it is written: "mingled with...beaten oil," IN ORDER to enjoy it and be nourished from it.

Moses furthers the explanation of the same topic, and he gives information about the three brains - of memory, of thought, and of imagination. He says that imagination and memory ascend from the heart and the thoughts descend to them to the heart, where they are welcomed as a king. Moses also brings in the factor of the four faces of the Holy Beasts.

Ra'aya Meheimna (the Faithful Shepherd)

663. The Faithful Shepherd said TO RABBI SHIMON: holy luminary, how sweet are your words! It is certainly said here "mingled with... beaten oil," and it says there, in the Oral Law, that it is blended in Bible, Mishnah, and Talmud. And there is yet a second secret here in "mingled with...beaten oil." It is certainly not the Torah that is mingled IN BIBLE, MISHNAH, AND TALMUD, but only for the person who suffers a number of chastisements because of it, as the sages of the Mishnah taught: The Torah is only upheld by one who kills himself for it. And they said further: When you trudge from county to county TO LEARN TORAH, you will be privileged to see the face of the Shechinah.

664. Again: "mingled with... beaten oil": This refers to one who keeps the injunction: You shall eat bread with salt, "You shall drink also water by measure" (Yechezkel 4:11). Again, "mingled with...beaten oil" corresponds to "But he was wounded because of our transgressions, bruised because of our iniquities" (Yeshayah 53:5). And again, "mingled with...beaten oil" refers to the Righteous One, Life of the Worlds, WHICH IS YESOD, that draws down holy drops that are olive-sized crumbs from the upper brain, WHICH IS UPPER CHOCHMAH, which are one tenth measure corresponding to Yud, two tenth measures to Yud, Yud, and three tenth measures to Yud, Yud, Yud. And these are: a tenth measure for a lamb and two tenth measures for the ram and three tenth measures for a bullock.

661. בלולה בשמן כתיב, בשמן, בהוא שמן הנגיד ונמיק מלעילא. אר"ש, יאות אמרת. אבל מאי כתיב. אלא רזא עלאה איהו. דכיון דאיהו שמן, מאי כתיב. אלא רמז הוא דקא רמזו לשמשא בנוקבא, לאנגדא לגבה שמן כתיב בדקא יאות לה, לא הוי אלא כתיב לאפקא מזיתים, דאינון שייפין דגופא, ולאמשכא ההוא נגידו מלעילא, בכל שויפא ושויפא.

רעיא מהימנא

663. אמר רעיא מהימנא, בוצינא קדישא, כמה מתיקין מילך, ודאי אתמר הכא, בלולה בשמן כתיב. ואתמר התם, באורייתא דבע"פ, בלולה במקרא, במשנה, בתלמוד. ועוד אית רזא תניינא, בלולה בשמן כתיב. ודאי לאו אורייתא איהו בלולה. אלא למאן דסביל כמה מכתשין בגינה. כמה דאוקמוה מארי מתניתין, דלית אורייתא מתקימת, אלא במי שממית גרמיה עליה. ועוד אמרו, בזמן שאתה מכתת רגליך ממדינה למדינה, תזכה לראות פני שכינה.

664. ועוד בלולה בשמן כתיב, דא הוא דמקיים פת במלח תאכל, ומים במשורה תשתה. ועוד בלולה בשמן כתיב, הה"ד, והוא מחולל מפשעינו מדוכא מעונותינו. ועוד בלולה בשמן כתיב, דא צדיק חי עלמין, דנגיד טפין קדישין, דאינון פירורין כזיתים, ממוחא עלאה, דאינון חד עשרון לקבל י'. ושני עשרונים, י' י'. ושלשה עשרונים לפר, י' י' י'. ואינון עשרון לכבש, וב' עשרונים לאיל, ושלשה עשרונים לפר.

665. And the secret of the matter is as they said in Tractate Taanit: Not one drop (of rain) descends from above without two drops coming up to meet it FROM BELOW. And they are in this secret: And their allusion corresponds to three brains: of memory, of thought, and of imagination. Imagination and memory ascend from the heart, the thoughts descend to them to the heart, AND THE IMAGINATION AND THE MEMORY welcome them as a king. Because this man, which is thought, mounts and controls the third living creature, descending on it to the two living creatures that open their wings to receive it, just as a Cholam placed over a Tzere becomes a Segolta. And this is upper Keter over Chochmah and Binah.

666. One tenth measure and two tenth measures allude to the three living creatures of the upper Chariot, that are called 'Greatness', WHICH IS CHESED, Gvurah, and Tiferet. Three tenth measures allude to Netzach, Hod, and Yesod, in which is the second, LOWER, Chariot. The fourth part of a hin is holy Malchut, which is Hei, the fourth letter of the Yud Hei Vav Hei, in which are the four faces of a man. FOR IN CHESED THERE ARE FOUR FACES OF A LION; IN GVURAH THERE ARE FOUR FACES OF AN OX; AND IN TIFERET THERE ARE FOUR FACES OF AN EAGLE; WHILE IN MALCHUT ARE THE FOUR FACES OF A MAN.

End of Ra'aya Meheimna

We are told that Malchut is a continual burnt offering that rises to God every single day, ascending to the Divine Thought that has no end. This is why a burnt offering is only required for sinful meditation of the heart, which is thought.

667. "a fourth part of a hin" (Bemidbar 28:14) refers to the fourth leg of the divine Throne, WHICH IS BINAH, THAT HAS FOUR LEGS, NAMELY: CHESED, GVURAH AND TIFERET OF ZEIR ANPIN AND MALCHUT. AND MALCHUT "is a continual burnt offering (Heb. olah)" (Ibid. 6) to Him every single day, AND IT ASCENDS (HEB. OLAH) to the Divine Thought that has no end; and therefore a burnt offering SACRIFICE is due only for sinful meditation of the heart, WHICH IS THOUGHT.

98. Zarka, Makaf, Shofar Holech, Segolta

Moses talks about the three beasts that are twelve tribes.

Ra'aya Meheimna (the Faithful Shepherd)

668. And in the compilation of the first part, the Faithful Shepherd said: "This crown that is called zarka is Yud, which is the fourth SFIRAH TO CHESED, GVURAH AND TIFERET, NAMELY, MALCHUT. AND IS CALLED 'ZARKA' BECAUSE IT IS CAST (HEB. NIZREKET) AS FAR AS THE DIVINE THOUGHT THAT HAS NO END, AS ABOVE IN THE PRECEDING PARAGRAPH. So also the living creature whose name is man, WHICH IS MALCHUT, and its four faces, which are THE FOUR LETTERS OF the Yud Hei Vav Hei, ARE Makaf, Shofar, Holech, Segolta and this is three living creatures which are twelve tribes.

End of Ra'aya Meheimna

We are told that the continual burnt offering is on each of the six Days of Creation, with a double offering on the Shabbat that adds light and perfection to it.

ע"כ רַעִיא מֵהִימְנָא

669. The continual burnt offering is the fourth leg of the Divine Throne, namely, MALCHUT. It is an offering continually on each one of the six Days of Creation, NAMELY: CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN, while on the Shabbat it is a double portion offering, so that light and perfection should be added to it, as is fitting and this we have already learned. The Faithful Shepherd tells why "A crown they shall give You" is recited in the additional service, the Musaf. Ra'aya Meheimna (the Faithful Shepherd)

670. In the first part, the Faithful Shepherd said: In six Sfirot Malchut ascends continually to the Vav, WHICH IS ZEIR ANPIN, that is held by them. It is the son of Yud Hei, WHICH IS ZEIR ANPIN, HAVING THE MOCHIN OF YAH, which is hidden in Binah. And in a certain Sfirah of the six SFIROT THAT ARE IN MALCHUT, NAMELY, TIFERET OF MALCHUT THAT INCLUDES ALL SIX OF ITS SFIROT, she ascends to ZEIR ANPIN. This is on the third day, NAMELY, WITH HIS THIRD SFIRAH, that is called 'Tiferet', WHICH IS ALSO COMPOSED OF ALL SIX OF HIS SFIROT. BUT THE UPPER THREE SFIROT ARE MISSING, BECAUSE ALTHOUGH AT THE TIME OF THE OFFERING OF THE SACRIFICE, HE HAS THE SIX INTERMEDIATE SFIROT OF BINAH, NAMELY YISRAEL-SABA AND TEVUNAH, THEY ARE NEVERTHELESS NOT CONSIDERED AS THE REAL MOCHIN OF THE UPPER THREE SFIROT, FOR YISRAEL-SABA AND TEVUNAH ARE ALSO THE SIX INTERMEDIATE SFIROT OF BINAH. BUT on the Shabbat day, added to him is an extra Nefesh which is Binah, namely, the upper Hei OF THE YUD HEI VAV HEI; THAT IS: IT ASCENDS TO UPPER ABA AND IMA, NAMELY, THE UPPER THREE SFIROT OF BINAH, AND THEN IT ALSO HAS Yud, which is the sign of the Shabbat, NAMELY, upper Chochmah; AND ALSO the King, WHICH IS ZEIR ANPIN, is adorned with a crown, NAMELY, KETER, CHOCHMAH, AND BINAH OF BINAH. And for this reason 'A crown they shall give You' IS RECITED in the additional service (Musaf).

99. Bring an atonement over me

We hear about the two points of the Segol that are two kings, and we learn that both the burnt offering and the sin offering are the secret of Malchut. The essential thrust of this section has to do with the attributes of Judgment and Mercy.

671. "And in the beginning (lit. 'heads') of your moons" (Bemidbar 28:11). HE ASKS: How many heads does the moon have, THAT YOU SAY, "IN THE HEADS OF YOUR MOONS"? AND HE ANSWERS: There are two points, thus: (((Segol, where the lower dot is the moon, NAMELY, MALCHUT. Its two heads are the two dots over and ABOVE IT, AND TOGETHER THEY ARE CALLED 'Segol'. Initially it was a crown over two kings, NAMELY, NETZACH and HOD OF ZEIR ANPIN, thus: (((, which is the form of the Segolta AS A TONAL CANTILLATION SIGN; and afterwards, when it said that it is not possible for two kings to use one crown, the Holy One, blessed be He, said to it: 'Go and contract yourself,' it descended to the feet of those two kings, NAMELY, BELOW NETZACH AND HOD, thus (((becoming a Segol. And where it had been a Segolta, it became a Segol.

669. וּבַחֲבוּרָא קְדָמָא, עוֹלַת תְּמִיד, אִיהִי רַגְלֵי רְבִיעָא לְכַרְסֵיִיא עֲלָא, דָּא עוֹלָה תְּמִיד בְּכָל יוֹם, מְאִינוּן יוֹמִין שִׁית דְּבְרָאשִׁית. בְּשַׁבַּת עַל חַד תְּרִין, בְּגִין דִּיתוּסַף בָּהּ נְהִירוּ וּשְׁלִימָא בְּדָקָא יָאוּת, וְהָא אֲתַמַּר.

רעיא מהימנא

670. אָמַר רַעֲיָא מְהֵימְנָא, מְלָכוּ. בְּשִׁית סְפִירָן אִיהִי עוֹלָה תְּמִיד לְגַבֵּי ו', דְּאָחִיד בְּהוּן. בֵּן י"ה, גְּנִיז בְּבִינָה. וּבְאֵן סְפִירָה מְאִינוּן שִׁית סְלִיקַת לְגַבֵּיהּ. בְּיוֹמָא תְּלִיתָא, דְּאֶקְרִי תַּמְאָרַת. דְּבִיוֹם הַשַּׁבָּת אֲתוּסַף עֲמִיהּ נֶפֶשׁ יְתִירָה, דְּאִיהִי בִינָה. ה' עֲלָא. י' אוֹת בְּשַׁבַּת, חֲכֵמָה עֲלָא. מֶלֶךְ מְעוּטָר בְּכַתָּר, וּבג"ד, בְּתַמְלַת מוּסַף כְּתָר יִתְּנוּ לָךְ.

671. וּבְרָאשֵׁי חֲדָשֵׁיכֶם, וְכִי כָמָה רִישֵׁין אִית לָהּ לְסִיְהָרָא. אֲלָא אִינוּן תְּרִין נְקוּדִין, כְּגוּוּנָא דָּא נְקוּדָה תַּתָּא סִיְהָרָא, תְּרִין רִישֵׁין דִּילָהּ, תְּרִין נְקוּדִין דְּאִינוּן עֲלָהּ, סְגוּל. בְּקַדְמִיתָא הוּהּ כְּתָר עָלֵי תְּרֵי מְלָכִין כְּגוּוּנָא דָּא, וְהוּת סְגוּלָתָא. וּלְבַתָּר דְּאֲמַרַת אִי אֲמַשֵּׁר לְשַׁנֵּי מְלָכִים לְהַשְׁתַּמֵּשׁ בְּכַתָּר אַחַד, א"ל הַקּוּדְשָׁא בְּרִין הוּא, לְכִי וּמַעֲטִי אֶת עֲצָמְךָ. וּנְחִיתַת לְרַגְלוּי דְּתְרִין מְלָכִים, כְּגוּוּנָא דָּא וְהֵינּוּ סְגוּל, מַה דְּהוּת סְגוּלָתָא, אֲתַהֲדַרַת סְגוּל.

672. And the secret of the matter is that corresponding to the two points, which are the two kings, NAMELY, NETZACH AND HOD OF ZEIR ANPIN, is the allusion to "two young bullocks" (Ibid.); and corresponding to the one point which is the diadem on the head OF THE TWO POINTS, the Scripture said "and one ram" (Ibid.), like a crown, which is just one. AND THIS IS ACCORDING TO THE SHAPE OF THE SEGOLTA, WHERE MALCHUT IS A CROWN OVER NETZACH AND HOD. And after she said: It is impossible for two kings to use one crown, and contracted herself, it also CONTRACTED "And one kid of the goats for a sin offering" (Ibid. 15), for the ram of Isaac, WHICH IS THE LEFT COLUMN OF BINAH, WHICH MALCHUT ENCLOSED IN THE FIRST STATE, CONTRACTED AND became a he-goat, for it changed from Mercy to Judgment and contracted. FOR THE AREA ABOVE THE CHEST OF ZEIR ANPIN IS MERCY, AND THAT BELOW THE CHEST OF ZEIR ANPIN IS JUDGMENT. HE THEREFORE CONTRACTED FROM A RAM TO BEING A HE-GOAT, WHICH TEACHES ABOUT JUDGMENT.

673. And this is why THE SCRIPTURE SAYS: "And one kid of the goats for a sin offering," and not for a burnt offering (lit. 'ascent'), WHICH WOULD HAVE MEANT THAT IT ASCENDS to be a crown OVER NETZACH AND HOD. And how do we know that there is descent in a sin offering? From the verse: "and came down from offering the sin offering" (Vayikra 9:22). And why did he combine the sin offering with the burnt offering in the descent? This is to teach that initially there was a burnt offering, which is the attribute of Mercy, NAMELY, FROM THE CHEST AND UPWARDS OF ZEIR ANPIN, WHICH IS THE PLACE OF MERCY, and later it became Judgment in the descent TO BELOW THE CHEST OF ZEIR ANPIN, WHICH IS THE PLACE OF JUDGMENT, and is called 'a sin offering'. And it is all one, FOR BOTH THE BURNT OFFERING AND THE SIN OFFERING ARE THE SECRET OF MALCHUT.

674. And this is why THE HOLY ONE, BLESSED BE HE, WHO IS ZEIR ANPIN, SAID: 'Bring atonement over Me, for the moon was certainly a crown over Me,' PRIOR TO THE CONTRACTION, NAMELY, A CROWN ABOVE NETZACH AND HOD OF ZEIR ANPIN, thus: (((and subsequently it contracted and descended to His feet, NAMELY, BENEATH NETZACH AND HOD, THAT ARE CALLED 'LEGS', thus: (((. And at the time OF 'bring over Me atonement', NAMELY, WHEN THE HE-GOAT OF THE NEW MOON IS SACRIFICED TO ATONE FOR THE CONTRACTION OF THE MOON, it is said about it, "It is the burnt offering (lit. 'ascent')" (Vayikra 6:3), for it ascends from His feet, and it is THEN said about it: "and the earth is My footstool" (Yeshayah 66:1), WHERE THE EARTH IS MALCHUT. NOW IT RISES TO BE A THRONE FOR BINAH, TOGETHER WITH ZEIR ANPIN, WHO IS CALLED 'HEAVEN', so that it can be said about it: "The heaven is My throne" (Ibid.), FOR THE HEAVENS, WHICH IS ZEIR ANPIN TOGETHER WITH MALCHUT, BECOME A THRONE FOR BINAH. And this is the secret of the verse "just, ruling in the fear of Elohim" (II Shmuel 23:3). For he turns Judgment into Mercy, FOR BY MEANS OF THE HE-GOAT OF THE NEW MOON, CHOCHMAH AND CHASSADIM ARE DRAWN DOWN TO HER, SO THAT SHE CAN RETURN TO THE CHEST AND UPWARDS OF ZEIR ANPIN, WHICH IS THE PLACE OF MERCY. THIS, HOWEVER, IS EFFECTIVE ONLY AT THE TIME OF THE SACRIFICE, AND NOT SUBSEQUENTLY, FOR THIS CORRECTION IS NOT COMPLETED UNTIL THE END OF THE CORRECTION. And the secret of the matter is contained in the verse: "The stone which the builders rejected has become the head stone of the corner" (Tehilim 118:22). And likewise THERE IS THE COMBINATION: Hei Vav Hei Yud, WHICH TEACHES ABOUT THE ATTRIBUTE OF JUDGMENT, AND THERE IS THE COMBINATION: Yud Hei Vav Hei, THAT TEACHES ABOUT THE ATTRIBUTE OF MERCY.

672. וְרֹאז דְּמַלְחָה, לְקַבֵּל תְּרִין נְקוּדִין, דְּאִינוּן תְּרִין מְלָכִים, קָא רְמִיז פְּרִים בְּנֵי בְּקָר שְׁנַיִם, וְלְקַבֵּל נְקוּדָה עֵטְרָה עַל רִישׁוּיָהּ, אָמַר, וְאִיל אֶחָד, כְּמוֹ כֶּתֶר אֶחָד. בְּתַר דְּאָמַרְתָּ אִי אֲפָשֶׁר לְשְׁנֵי מְלָכִים שִׁישְׁתַּמְשׁוּ בְּכֶתֶר אֶחָד, אֲזַעֲיֶרְתָּ גְרָמָה אוֹף הֶכִּי, וְשַׁעִיר עִזִּים אֶחָד לְחֻטָּאת. אִיל דִּיצְחָק, אֲתַהֲדֵר שַׁעִיר. אֲתַהֲפֵךְ מֵרַחֲמֵי לְדִינָא, וְאֲתַזְעִיר.

675. Furthermore, the one lamb and "two lambs of the first year without blemish" (Bemidbar 28:9) correspond to the UPPER three Sfirot. Seven lambs of the first year correspond to the seven LOWER SFIROT. The seven lambs are seven days, NAMELY, SEVEN SFIROT, of the moon, WHICH IS MALCHUT, for they are "of the first year (lit. 'sons of a year')," namely, the sons of the moon which is called 'a year', this being one of those primordial years.

End of Ra'aya Meheimna

Rabbi Shimon tells how the renewal of Jacob and Joseph every month to illuminate the moon must be done via the sacrifices.

676. "And in the beginnings (lit. 'heads') of your new moons" (Bemidbar 28:11). HE ASKS: How many heads does the moon have, since there exists no head to the moon, but the sun, WHICH IS ZEIR ANPIN, that is a head for it? HE ANSWERS: There are two heads in every month, namely, Jacob and Joseph, WHICH ARE ZEIR ANPIN AND YESOD, and they are renewed to ILLUMINATE the moon, WHICH IS MALCHUT. And it has, therefore, to be renewed, NAMELY, WITH THE SACRIFICES.

677. "Two young bullocks" (Bemidbar 28:11): These are they about whom the moon said: How can TWO KINGS use one CROWN, NAMELY, ZEIR ANPIN AND MALCHUT FROM THE ASPECT OF THE TWO GREAT LIGHTS; AND AFTERWARDS it contracted itself beneath them, NAMELY, DESCENDED TO BELOW THE CHEST OF ZEIR ANPIN. "and one ram" (Ibid.) refers to the ram of Isaac, WHICH IS GVURAH. HE ASKS: Where did Abraham go? NAMELY, WHY IS THE QUALITY OF ABRAHAM, WHICH IS CHESED, NOT MENTIONED HERE? AND ANSWERS it is because Esau awoke there. And who is that? That is the he-goat (Heb. seir) of the new moon, WHICH CONTAINS A PART FOR THE OTHER SIDE AND IS CALLED 'SEIR', JUST AS Esau WAS "A HAIRY (HEB. SA'IR) MAN" (Beresheet 27:11). Therefore Abraham, WHO IS THE LIGHT OF CHESED, was gathered up, that he should not be seen, THAT IS TO SAY THAT THERE SHOULD BE NO SUCKLING FOR THE OTHER SIDE FROM THE LIGHT OF CHESED. BUT Isaac, WHO IS THE LEFT COLUMN, was there because his love for him was as wine with its sediment. FOR Esau IS THE REFUSE OF THE LEFT COLUMN, AND THE LIGHT OF THE LEFT IS CALLED 'WINE', AND THE REFUSE IS CALLED 'SEDIMENT'. Jacob, WHO IS ZEIR ANPIN, THE CENTRAL COLUMN, was there in order to cancel the face OF Esau, FOR THE CENTRAL COLUMN REDUCES THE UPPER THREE SFIROT OF THE LEFT, WHICH IS THE FACE OF Esau. Joseph, NAMELY, YESOD, which is the ox OF ZEIR ANPIN, THAT IS TO SAY WHICH IS DRAWN FROM THE LEFT COLUMN OF ZEIR ANPIN THAT IS CALLED 'OX', WAS THERE for Rachel, NAMELY, TO EMANATE TO MALCHUT, THAT IS CALLED 'RACHEL'.

101. The Yud Hei Vav Heis in the middle

The Faithful Shepherd tells how the earth was founded by wisdom and the heavens were established by understanding.

Ra'aya Meheimna (the Faithful Shepherd)

678. The Faithful Shepherd said: Certainly the one-year-old LAMBS are named after the sun, which is Holy Ima, NAMELY, BINAH, for it is said about it: The face of Moses is as that of the sun, THAT IS, HE HAS THE UPPER THREE SFIROT, WHICH IS THE SECRET OF FACE, OF BINAH, THAT IS CALLED 'SUN'. A year contains 365 days, THAT IS, TOGETHER WITH THE THE DAYS FROM ROSH HASHANAH TO YOM KIPPUR. This is the same number, 365, as that of the negative precepts. And this is a witness to the left, and is upper Ima. The moon, WHICH IS MALCHUT, is on the right side, for the daughter is joined to Aba, which is Chesed, on the right side. And it, MALCHUT, is composed of the 248 positive precepts. It follows that the Vav, WHICH IS ZEIR ANPIN, is with Ima on the left side, IN THE SECRET OF THE 365 NEGATIVE PRECEPTS, and the daughter is with Aba on the right side, which is Chesed. And the secret of the matter is in the verse: "by wisdom founded the earth" (Mishlei 3:19). By wisdom refers to Aba, NAMELY, CHOCHMAH OF THE RIGHT WHICH IS CHESED. Earth is the daughter, NAMELY, MALCHUT, AND THUS THE DAUGHTER IS JOINED WITH ABA. "BY UNDERSTANDING HE ESTABLISHED THE HEAVENS" (IBID.). "He established the heavens," which is the son, NAMELY, ZEIR ANPIN, with Ima, which is Understanding. And this results in THE COMBINATION OF Yud Hei Hei Vav, which is the secret of the Yud Hei Vav Heis in the center.

102. A he-goat to Azazel

Moses says that the goat for Azazel is a bribe to assuage Samael's anger and to prevent him from drawing near the Temple and making accusations against Yisrael. He also tells us why the goat is sent by the hand of a crippled man, and how the goat bears all of Yisrael's iniquities.

679. Again: "one kid of the goats" (Bemidbar 29:11). There are two goats, that it is said about them: "And he shall take the two goats... one lot for Hashem, and the other lot for Azazel" (Vayikra 16:7-8). The goat that is for Hashem IS AN ATONEMENT over the contraction of the moon and is "And one kid of the goats for a sin offering to Hashem" (Bemidbar 28:15). It is therefore referred to as 'one' BECAUSE IT IS from the side of the oneness. But the goat for Azazel is not referred to as 'one,' neither is it called 'a sacrifice', 'a fire offering', nor 'a burnt offering', but "shall send him away by the hand of an appointed man into the wilderness" (Vayikra 16:21). "And shall send away" is the same term used by Jacob: "it is a present sent to my lord Esau" (Beresheet 32:19). Likewise, THE GOAT FOR AZAZEL is a bribe, in order to break Samael's anger that he should not draw near the Temple, to denounce IT.

679. וְעוֹד וְשַׁעִיר עֲזִים אֶחָד, תְּרִין שְׁעִירִין אֵינּוּן, דְּאֶתְמַר עֲלֵיהוּ וְלָקַח אֶת שְׁנֵי הַשְּׁעִירִים וְגו' גּוֹרֵל אֶחָד לַיְי' וְגוֹרֵל אֶחָד לְעֹזָאזֵל. שְׁעִיר לַיְי', בְּגִין מִיעוּט סִיְהֵרָא, וְאִיהוּ שְׁעִיר אֶחָד לִידוּד' לְחֻטָּאת. אֶחָד: מִסְטֵרָא דִּיחֻדָּא. אַבְל שְׁעִיר דְּעֹזָאזֵל, לֹא כְּתִיב בֵּיהּ אֶחָד, לֹא קִרְבָּן, וְלֹא אֲשֶׁה, וְלֹא עוֹלָה. אֲלֹא וְשִׁלַּח בְּיַד אִישׁ עֲתִי הַמִּדְבָּרָה. וְשִׁלַּח, בְּדֹאמֵר יַעֲקֹב מִנְחָה הִיא שְׁלֹחָה לְאֲדָנִי לַעֲשׂוֹ. אוֹף הָכִי שׁוֹחֵד, לְתַבְרָא רּוּגְזָא דְּסַמְא"ל, דְּלֹא יִתְקַרֵּיב לְמִקְדָּשָׁא לְקַטְרָגָא.

680. IT IS LIKE a hungry dog: whoever does not want to be bitten by it gives it meat or bread to eat and water to drink. And the secret of the matter is contained in the verse: "If your enemy be hungry, give him bread to eat; and if he be thirsty, give him water to drink" (Mishlei 25:21). He thereby becomes friendly towards the person, and not only does not bite him, with a number of tribulations, but becomes an advocate for him and loves him.

680. לְכַלְבָּא דְּאִיהוּ רַעֵב, וּמֵאן דְּבַעֵי דְּלֹא נָשִׁיךְ לֵיהּ, יְהִיב לֵיהּ בְּשָׂרָא לְמִיכַל, אוּ נְהֵמָא, וְיִשְׁקֵי לֵיהּ מִיָּא. וְרִזָּא דְּמַלְאָה, אִם רַעֵב שׁוֹנֵאךְ הֶאֱכִילָהּ לְחֵם וְגו'. וּבְרָא יִתְהַדֵּר רַחֲמֵי דְּב"ג, דְּלֹא הִי דְּלֹא נָשִׁיךְ לֵיהּ בְּכַמְהָ יְסוּרִין, אֲלֹא אֶתְהַדֵּר לְמַהוּ לֵיהּ סְנִיגוּרָא, וְאֶתְהַדֵּר רַחֲמֵי.

681. AND THERE IS A QUESTION HERE: Why is THE GOAT sent TO AZAZEL by the hand of an appointed man who is crippled? HE ANSWERS, because all of the Other Sides are defective, and are called (Heb. Seirim) 'goats', as it is written: "and goats (Heb. Seirim) shall dance there" (Yeshayah 13:21). And about them it is said: "And they shall no more offer their sacrifices to the (Heb. Seirim) demons" (Vayikra 17:7); and also: "They sacrificed to powerless spirits" (Devarim 32:17). And with this goat TO AZAZEL, SAMAEL IS separated from everything and bears all the transgressions that are in Yisrael upon him, as it is written: "and the goat shall bear upon it all their iniquities" (Vayikra 16:22). And furthermore, after that AZAZEL takes all THE TRANSGRESSIONS and bears them, NAMELY, THAT THE HOLY ONE, BLESSED BE HE, SHALL BEAR AND FORGIVE. The Holy One, blessed be He, is called "forgiving (bearing) iniquity" (Shemot 34:7), AND ABOUT THE GOAT FOR AZAZEL IT IS WRITTEN: "AND THE GOAT SHALL BEAR UPON IT ALL THEIR INIQUITIES." What is the difference between these two types of bearing? HE ANSWERS "bears" means CARRYING a burden, while "bearing" MEANS the removal of the burden, NAMELY, THAT HE ATONES FOR THE INIQUITIES. AND ALL OF THIS IS EXPLAINED ABOVE.

End of Ra'aya Meheimna

We hear that were it not for the monthly contraction of the moon no offering would ever be given to Samael.

682. And: "three tenth measures" (Bemidbar 29:9) namely, it is her three first grades, NAMELY KETER, CHOCHMAH, AND BINAH, each one of which is MADE UP of ten, as it is above, WITH ZEIR ANPIN; and by tenth measures IS MEANT one part in ten, FOR MALCHUT IS ONE OF THE TEN SFIROT OF ZEIR ANPIN, AND EACH INDIVIDUAL SFIRAH OF HERS CORRESPONDS TO ONE OF TEN IN ZEIR ANPIN, AND THEY ARE THEREFORE CALLED 'TENTH MEASURES'. And one goat for a sin offering: HE ASKS why it is called 'a sin offering'? AND ANSWERS, because it is a sin and is from the side of sin, THAT IS TO SAY: A PORTION OF IT IS FOR THE OTHER SIDE, AND IT IS THEREFORE FROM THE SIDE OF SIN. Said Rabbi Elazar: But it is written: "To Hashem (Bemidbar 28:15)!" HOW THEN CAN YOU SAY THAT IT IS FROM THE SIDE OF SIN?! AND ANSWERS, it is certainly sacrificed to Hashem, for it is written: "to make atonement" (Ibid. 21), namely, to break the face OF THE OTHER SIDE, so everything will be sacrificed to the Sanctuary, but one portion is also given to Samael, and he eats it, AND FOR THIS REASON does not take hold of the other sacrifices. This sacrifice alone IS FOR HIM TO EAT, and no other sacrifice is joined with him for him to eat.

683. He, SAMAEL, enjoys the banquet of the King with this portion THAT HE TAKES FROM THE GOAT FOR A SIN OFFERING and he therefore rejoices and leaves Yisrael alone and does not accuse them. And were it not for contraction of the moon, NAMELY, MALCHUT, nothing at all would be given TO SAMAEL from the King's banquet. HE ASKS: And what does he do in the contraction of the moon? AND ANSWERS: Because he comes close and suckles FROM THE VACATED PLACE IN MALCHUT, and takes power for his people from the side of the left of the moon, WHICH IS MALCHUT, and grows strong in it, and in this goat, A PORTION OF WHICH IS GIVEN TO HIM, he abandons everything and gains his enjoyment from this. And because the Holy One, blessed be He, contracted the moon, FOR HE SAID TO HER 'GO AND CONTRACT YOURSELF', therefore this goat is sacrificed, so that SAMAEL will depart from her and not come close to the Sanctuary, WHICH IS MALCHUT. And thus we learned THAT THE HOLY ONE, BLESSED BE HE, SAID: 'Bring over me an atonement', FOR I HAVE CONTRACTED THE MOON. 'Over Me', namely, for Me, for I contracted her, and it is due to My own cause THAT I CONTRACTED HER, that you need this, THAT YOU NEED TO SACRIFICE A GOAT IN ORDER TO SEPARATE HIM FROM THE PLACE OF THE CONTRACTION OF MALCHUT.

103. "And in the beginnings of your new moons"

The Faithful Shepherd says that just as on the new moon a portion must be given to the Other Side, a woman must give her fingernails and a little of her hair to the Other Side; this protects her from evil. The sages of the Mishnah had said that in previous times when the people were sanctifying the new moon they would kindle flares on the tops of the mountains so that God could see the moon and sanctify it. Malchut, is sometimes a crown for God, sometimes a throne for Him to sit on, and sometimes a footstool for His feet. Moses explains why the moon is called 'white'; he says that the moon is from the side of the Tree of Knowledge of Good and Evil, so it changes from dark to light and back again.

Ra'aya Meheimna (the Faithful Shepherd)

684. "And in the beginnings (lit. 'heads') of your new moons" (Bemidbar 28:11). THE WORD 'HEADS' IS WRITTEN IN THE PLURAL, referring to Jacob and Joseph, NAMELY, ZEIR ANPIN AND YESOD, AS IT IS WRITTEN: "These are the generations of Jacob. Joseph..." (Beresheet 37:2) that renew the moon, WHICH IS MALCHUT. I have found in the Book of Enoch that he said that just as on the first day of the month, the moon, WHICH IS MALCHUT, is purified to come close to her husband, ZEIR ANPIN, so must one portion be given to the Other Side and from the same type AS THE OTHER SIDE, NAMELY, A GOAT; so also the woman when she is purified for her husband, one portion must be given to the Other Side, and from its own type.

685. And what is that portion THAT THE WOMAN HAS TO GIVE TO THE OTHER SIDE? It is the fingernails with their dirt and a little of the ends of her hair, for she has to comb her head and tie her hair together, TO GIVE THEM TO THE OTHER SIDE, and then that Evil Side will not go after her to harm her, but will leave her alone from all sides. And what does she do with those hairs and nail clippings? After she has bound them together, she has to place them where people do not pass by, or in holes in the bottom of the yard, and conceal them there.

686. Again: "And in the beginnings of your new moons." The sages of the Mishnah said: When the new moon used to be sanctified according to the court, flares used to be kindled on the tops of the mountains and they used to say: Thus has He seen it, and sanctified it. The moon would be shaped thus , sometimes with the horns facing upwards, and sometimes so , facing downwards, sometimes to the east thus , and sometimes to the west, thus sometimes to the south and sometimes to the north. And this is its facing in six directions that Tiferet, which is a large Vav, encompasses, NAMELY: Greatness, Gvurah, Tiferet, Netzach, Hod, and Yesod. GREATNESS, WHICH IS CHESD, IS FACING THE SOUTH, AND ITS LOOKING TO THE NORTH IS GVURAH, TO THE EAST IS TIFERET, AND TO THE WEST IS YESOD.

687. The point that is drawn OUT OF THE MOON, WHICH IS MALCHUT, from the inside, is Chochmah, and the line that circumvents the moon is Keter. AND AS A RULE that point, WHICH IS MALCHUT, is sometimes a crown FOR ZEIR ANPIN, IN THE SECRET OF THE VERSE: "A VIRTUOUS WOMAN IS A CROWN TO HER HUSBAND" (MISHLEI 12:4), and sometimes a throne FOR ZEIR ANPIN to sit upon, and at yet other times a footstool for His feet OF ZEIR ANPIN.

688. HE ASKS, Why is MALCHUT called 'moon' (lit. 'white')? HE ANSWERS, it is named after the clarification (whitening) of the Halachah, NAMELY, IT IS NAMED AFTER CHOCHMAH OF THE RIGHT SIDE THAT CLARIFIES THE HALACHAH, WHICH IS MALCHUT THAT IS CALLED 'HALACHAH'. FOR CHOCHMAH is from within MALCHUT, IN THE SECRET OF THE VERSE: "The king's daughter is all glorious within" (Tehilim 45:14) and it is whitened in the fire of Binah that descends upon it. And the secret of the matter is to be found in the verse: "though your sins be like scarlet, they shall be as white as snow" (Yeshayah 1:18). And whereas it was called 'Adonai', THE LETTERS OF WHICH, REARRANGED, SPELL 'Dina' (lit. 'Judgment'), which is red with Gvurah, NAMELY, WITH THE LEFT COLUMN where Binah is, it becomes whitened by the side of Chesed where Chochmah is, and returns to THE NAME OF the Yud Hei Vav Hei, WHICH IS MERCY.

689. And what is the cause of MALCHUT's changing from Judgment to Mercy? This is the completely righteous, for the moon, WHICH IS MALCHUT is from the side of the Tree of the Knowledge of Good and Evil. Its Klipah is darkness THAT IS, if it is a bright black spot, which is the Evil Inclination, which is a handmaid, ABOUT WHOM IT IS SAID: "and it be lower...but be somewhat dimmer" (Vayikra 13:21). And MALCHUT has nothing of its own, but only that thread that gives it light, THIS BEING THE SECRET OF A THREAD OF CHOCHMAH OF THE LEFT SIDE WITHOUT CHASSADIM, WHICH IS ITS MAIN STRUCTURE, BUT ITS LIGHT IS AS THIN AS A THREAD BECAUSE IT CANNOT ILLUMINATE WITHOUT CHASSADIM. For it accompanies it during the night-time, which is the Exile, IN THE SECRET OF THE VERSE: "SHE RISES ALSO WHILE IT IS YET NIGHT" (MISHLEI 31:15) and leaves it during the day. FOR THE DAY IS THE TIME OF THE RULE OF THE CHASSADIM OF ZEIR ANPIN, AND CHOCHMAH OF THE LEFT SIDE IS UNABLE TO RULE BY DAY. FOR DAYTIME IS THE LIGHT OF CHESED OF the next world, WHICH IS BINAH, in which "But to you who fear My name the sun of righteousness shall arise with healing in its wings" (Malachi 3:20).

690. But that point that is within the moon, WHICH IS MALCHUT, that is from the side of the Tree of Life, WHICH IS ZEIR ANPIN, IS THE SECRET OF CHOCHMAH OF THE RIGHT SIDE, WHICH IS CHESED, and is as a never ceasing spring, BECAUSE IT IS DRAWN DOWN FROM UPPER ABA AND IMA BY WAY OF ZEIR ANPIN, WHOSE MATING NEVER CEASES, and about which it is written: "like a spring of water, whose waters fail not" (Yeshayah 58:11), and it is called 'a loving hind' from the side of Chesed, WHICH IS LOVE, this being as is written: "I have loved you with an everlasting love: therefore I have remained true to you" (Yirmeyah 31:2), LOVE BEING THE SECRET OF CHESED; and it has two beams from the light, thus: and sometimes "but one was higher than the other" thus: (Daniel 8:3), and at other times they are equal.
End of Ra'aya Meheimna

104. The hind of dawn

Rabbi Aba brings up the difficulty that in the verse "As the hart pants after the water brooks," "hart" is masculine and yet the verb, which should agree with the noun, is feminine. Rabbi Shimon then talks about the hind of the dawn, that refers to the merciful Malchut who brings nourishment for everyone else. The hind suffers the pangs of exile in the morning, and when the morning brings light she is no longer visible. Rabbi Shimon speaks about the hind becoming a hart and giving birth with great pain.

691. "And on...the first month" (Bemidbar 28:16). Rabbi Aba opened, "As the hart pants after the water brooks, so pants my soul after You, Elohim" (Tehilim 42:2). We have already learned this verse, and although it contains masculine and feminine FORMS, it is all one, for the word Heb. ayil (lit. 'hart') is masculine, while the verb ta'arog (lit. 'she pants') is feminine, and although the subject and the verb should agree in gender, ya'arog (lit. 'he pants') is not written IN THE MASCULINE, because it is all one. IN OTHER WORDS, MALCHUT, WHEN IN THE FIRST STATE, WHEN IT IS WITH ZEIR ANPIN, IN THE SECRET OF THE TWO GREAT LIGHTS, IS CALLED 'HART', THIS BEING A MASCULINE FORM, BUT IN THE SECOND STATE, AFTER IT HAS CONTRACTED, IT IS CALLED 'HIND'.

692. What is "the morning star (lit. 'the hind of the dawn')" (Tehilim 22:1)? AND ANSWERS: This is a certain merciful animal, NAMELY, MALCHUT, and among all the animals of the world there is none merciful like her, for when time is pressing and she needs nourishment for herself and for all the animals, WHICH ARE ALL THE HOSTS OF THE WORLDS OF BRIYAH, YETZIRAH, AND ASIYAH, she goes to a distant place, far away, and comes, bringing food, but does not herself want to eat until she returns to her place. Why is this so? So that all the other animals will collect together by her, and she distributes from that food to them. And when she comes, all the other animals do indeed collect around her, and she stands in the middle, and allocates to each one of them. And the sign is in the verse: "She rises also while it is yet night, and gives food to her household, and a portion to her maidens" (Mishlei 31:15). And from what she gives to them she is herself satiated, as if she had eaten more food than all of them.

693. And when the morning, which is called 'dawn', arrives, the pangs of the Exile come to her, and this is why she is called 'the hind of the dawn', after the blackness of the morning, for she THEN has pangs as a woman giving birth, as it is written: "Like as a woman with child, that draws near the time of her delivery, is in pain, and cries out in her pangs" (Yeshayah 26:17).

694. When does she distribute to them? This is when the morning is just about to come, but it is still night, and the blackness departs for the illumination, as it is written: "She rises also while it is yet night, and gives food to her household." But by the time it is morning, they are all satiated with her food.

695. And then a certain voice awakens in the midst of the firmament and calls out aloud, saying: Let those who are near, go to their places; let those who are far, leave. Let each one gather to his rightful place. And by the time the sun shines, each one is gathered to its place, as it is written: "The sun rises, they slink away" (Tehilim 104:22). And she departs during the day, and is revealed at night, and distributes FOOD in the morning, which is why she is called 'the hind of the dawn'.

696. Subsequently, she grows stronger and leaves, and is called 'a hart', NAMELY, A MASCULINE FORM. Where does she go? HE ANSWERS, she goes sixty pharasangs from the place that she left and she enters into the mountain of darkness. As she goes into the mountain of darkness, a certain labyrinthine serpent sniffs at her feet and follows her, and she ascends from there to the mountain of light. When she reaches there, the Holy One, blessed be He, arranges for her another serpent, who goes forth and they fight each other, and she is saved. And from there she takes food, and returns to her place by midnight. And from midnight on, she begins the distribution, until the blackness of the morning arises. And when the morning gives light, she goes from there and is no longer visible, as we have learned.

697. And when the world is in need of rain, all the other animals collect near her, and she goes up to the top of a high mountain, puts her head between her knees, and cries out with one long cry after another. And the Holy One, blessed be He, hears her voice, and is overcome by mercy and has pity on the world. And she comes down from the top of the mountain, and runs to hide herself. And all the other animals run after her, but do not find her. This is as it is written: "As the hart pants after the water brooks." What is the meaning of "the water brooks"? This refers to those water brooks that have dried up, and the world is thirsty for water. Then she "pants."

698. When she conceives, she is closed up, but when the time comes for her to give birth, she shouts and cries out, cry after cry, up to seventy shouts, as the number of words in the psalm: "Hashem will answer you in the day of trouble" (Tehilim 20:2), which is the song of this pregnant one. And the Holy One, blessed be He, hears her, and arranges HER SALVATION for her. And then a certain large serpent emerges from the mountains of darkness, and comes between the mountains, its mouth licking the dust and it reaches this hart and comes and bites it twice in the same place.

699. On the first occasion, blood comes OUT OF IT, and the serpent licks it. On the second occasion water comes out, and all those animals of the mountains drink, and she herself is opened and gives birth. And a sign for you is the verse: "and with his rod he smote the rock twice, and water came forth abundantly, and the congregation drank, and their beasts also" (Bemidbar 20:11).

700. The Holy One, blessed be He, has pity on her because of what the serpent did, as it is written: "The voice of Hashem makes the hinds to calve, and strips the forests bare; and in His temple everyone speaks of his glory" (Tehilim 29:9). "The voice of Hashem makes the hinds to calve" refers to the pangs and pains that give rise to those seventy shouts, AS ABOVE. And then follows "and strips the forests bare" in order to awaken that serpent, and reveal the animal to go amongst them. "and in his temple": What does this mean? It refers to the temple of the Holy One, blessed be He, WHICH IS MALCHUT, in which all those multitudes THAT ARE IN THE WORLDS OF BRIYAH, YETZIRAH, AND ASIYAH open and say: Glory! What is meant by glory? It refers to "Blessed be the glory of Hashem from His place" (Yechezkel 3:12), WHICH IS MALCHUT THAT IS CALLED 'THE GLORY OF HASHEM'.

We hear about the number of years before the hind will give birth to the redemption, and we hear that two Messiahs will be revealed to the world. Then the Torah sages who suffered pangs as though they were in labor will be respected and honored, and the wicked will be judged above and below.

Ra'aya Meheimna (the Faithful Shepherd)

701. (THE BEGINNING OF THIS SECTION IS MISSING.) One might suggest that after seventy YEARS she will feel THE PAINS OF THE BIRTH PANGS and in two years she will give birth TO THE REDEMPTION, one thousand and two hundred years after THE DESTRUCTION OF THE TEMPLE, THAT IS TO SAY, AFTER THE END OF THE FIFTH MILLENIUM, WHICH IS ALL DESTRUCTION, AND A FURTHER TWO HUNDRED YEARS INTO THE SIXTH MILLENIUM, AND SEVENTY YEARS FOR THE BIRTH PANGS, AND TWO YEARS FOR THE BIRTH ITSELF, coming to the year 272 IN THE SIXTH MILLENIUM. But it is written: "Before she travailed, she brought forth" (Yeshayah 66:7). And the secret of the matter is contained in the verse: "And it shall come to pass, that before they call, I will answer" (Yeshayah 65:24). And what is the meaning of before? HE ANSWERS, before the completion of the seventy years and the two years following the passing of one thousand and two hundred years, WHERE THESE SEVENTY-TWO YEARS ARE the birth pangs, two Messiahs will be revealed to the world. And at that time: "and in His temple everyone speaks of His glory" (Tehilim 29:9). And it has already been taught: "The wise shall inherit glory" (Mishlei 3:35). IN OTHER WORDS: "AND IN HIS TEMPLE EVERYONE SPEAKS OF HIS GLORY," THE MEANING OF WHICH IS THAT THE GLORY OF THE WISE WILL BE THROUGHOUT HIS TEMPLE.

702. And at that time, those Torah sages will be respected, those who suffered pangs and travails as a woman in labor, and who were despised by the ignorant; they will be honored. And immediately: "Hashem sat enthroned at the flood" (Tehilim 29:10) on account of the wicked. Flood here symbolizes judgments of the flood, when "were all the fountains of the great deep broken open, and the windows of heaven were opened" (Beresheet 7:11), at the time of the Flood. So, too, THEN judgments will rise over them, OVER THE WICKED, above and below, with no end FOR THEIR JUDGMENTS. And every contempt and disgrace shown by the idolatrous nations of the world towards Hashem and His people and the many insults that Yisrael suffered from them for the sake of Hashem's Name - for all of them the Holy One, blessed be He, will exact vengeance, and therefore, as far as they are concerned, "Hashem revenges, and is full of wrath" (Nachum 1:2) towards them.

105. The holiday of Pesach

We are told that the redemption will take place on the fourteenth day of the month of Nissan.

703. "And on... the first month" (Bemidbar 28:16). HE ASKS: What is meant here by the first month? AND ANSWERS: It is Nissan, which is when that animal gave birth to THE LIGHTS OF THE REDEMPTION, in accord with the teaching of the sages of Mishnah: In the month of Nissan they were redeemed, and in the month of Nissan they will be redeemed. And this is with His hand (Heb. yad = fourteen), ON HIS FOURTEENTH, ACCORDING TO THE SECRET OF THE VERSE: "for he said, because Hashem has sworn (lit. 'put a hand') by His throne" (Shemot 17:16), when He swore to remove the seed of Esau, the Amalek, from the world. At that time: "Draw out and take lambs according to your families, and kill the passover" (Shemot 12:21), WHERE THE MEANING OF "draw out" (Heb. mishchu) is as in the verse: "he stretched out (Heb. mashach) his hand with scorners" (Hoshea 7:5).

704. At that time, thus said Hashem: 'to the rulers who transgressed against Me: "neither shall they enter into the land of Yisrael"' (Yechezkel 13:9), and this refers to the shepherds of the flock, the supporters of the generation. Wherefore it is said about them: "Therefore, behold, I will allure her, and bring her into the wilderness" (Hoshea 2:16). "and there will remonstrate with you... As I remonstrated with your fathers" (Yechezkel 20:35-36), NAMELY, whom He killed in the plague of darkness.

End of Ra'aya Meheimna

Rabbi Shimon explains to Rabbi Elazar how the upper days, the Sfirot of Zeir Anpin, will be drawn to the lower days, to the Sfirot of Malchut. On the fourteenth day the animal, Malchut, will give birth to the lights of the Redemption and the serpent will depart. Then Malchut will be sanctified on high and will be called 'Glory'.

705. "And on...the first month" (Bemidbar 28:16). HE ASKS: What is meant by the first month? AND ANSWERS: This is the month in which that animal, NAMELY, MALCHUT, is revealed in and strengthened by and goes forth into the world, NAMELY, EMERGES FROM ITS CLOSURE, IN THE SECRET OF THE VERSE: "AND STRIP THE FORESTS BARE" (TEHILIM 29:9) on the fourteenth day. The fourteen days refer to the remaining animals, NAMELY, CHESED AND GVURAH, TIFERET AND MALCHUT OF ZEIR ANPIN, THAT ILLUMINATE WITHIN MALCHUT, for they are ten in each direction, SINCE CHESED, GVURAH, TIFERET AND MALCHUT, ARE THE FOUR DIRECTIONS at the four corners of the world, NORTH, SOUTH, EAST AND WEST, EACH ONE OF WHICH IS COMPOSED OF TEN SFIROT. And in the early writing IT IS STATED that it, MALCHUT, is Yud (ten), and that one SFIRAH OF CHESED, GVURAH, TIFERET AND MALCHUT, is in each of the four directions OF THE WORLD, making fourteen. And since these four, CHESED, GVURAH, TIFERET AND MALCHUT, join in and are corrected with the ten THAT ARE IN MALCHUT from the right-hand side, this makes the fourteenth day OF THE MONTH for the correction of this animal, WHICH IS MALCHUT, with all its corrections, with rejoicing.

706. Rabbi Elazar said: "Of course, that is how it is, but come and see, It is written: "Draw out and take lambs..." What is the meaning of "Draw out"? AND REPLIES: IT IS TO BE UNDERSTOOD as one who draws something from another place to this place, namely, draw out the upper days, WHICH ARE THE SFIROT OF ZEIR ANPIN, to the lower days, TO THE SFIROT of MALCHUT. The upper days OF ZEIR ANPIN number 366, as in the numerical value of "Draw out" (Heb. mishchu), NAMELY, THE NUMBER OF DAYS IN A SOLAR YEAR, WHICH IS ZEIR ANPIN. The lower days OF MALCHUT are usually 355 days in a year, (Heb. shanah = 355). But when the moon, WHICH IS MALCHUT, shines at its fullest, the number of its days rises to be 365 days, AS THE SOLAR YEAR, WHICH IS ZEIR ANPIN, namely, as the numerical value of "mishchu," less one.

707. Draw the upper days OF ZEIR ANPIN to the lower days OF MALCHUT, so that they will be one, all joined together. And who draws them? That is, these ten OF MALCHUT when it is on the right side, THAT IS CHESED. For it is written: "on the tenth day (Heb. be'asor)" (Shemot 12:3), NAMELY, MALCHUT WHEN IT IS ON THE RIGHT SIDE. HE ASKS, IT IS WRITTEN AS "be'asor," when Scripture should have used the more common be'asarah (lit. 'the tenth day'); what is Be'asor? HE ANSWERS, there are nine in each direction with one point that goes in the middle, thus: , and this point completes the ten SFIROT. This is why it is written "Be'asor," just as it is written: "Remember (Heb. zachor)" (Shemot 20:8) and "Keep (Heb. Shamor)" (Devarim 5:12), NAMELY, THE FORM OF THE INFINITIVE ABSOLUTE OF THE VERB, THE MEANING OF BE'ASOR THUS BEING to use the ten IN SUCH A WAY that these nine days WILL SERVE in its point. "of this month" (Shemot 12:3), WHICH IS NISSAN, ALLUDES TO CHESED, TO SHOW THAT THESE days THAT ARE DRAWN DOWN will be on the right side, WHICH IS CHESED in order to combine zot (lit. 'this', feminine), WHICH IS MALCHUT, with zeh (lit. 'this', masculine), WHICH IS ZEIR ANPIN, for it all to be one.

708. And when these four DAYS THAT FOLLOW THE TENTH OF THE MONTH join up with the four directions, SOUTH, NORTH, EAST AND WEST, WHICH ARE THE SECRET OF CHESED AND GVURAH, TIFERET AND MALCHUT, and combine with them, WITH THE TEN DAYS, then that animal, WHICH IS MALCHUT, gives birth to THE LIGHTS OF THE REDEMPTION, and the Serpent departs. And at that time that animal is sanctified on high, and is called "Glory," and then the festival is sanctified. This had not been the case previously, but now, IN THE FESTIVAL, it is called "glory," as it is written: "and in His temple everyone speaks of His glory."

The Faithful Shepherd says that the explanation given is insufficiently clear and requires more illumination. He tells the rabbis that "on the tenth day" means the nine Sfirot are in all directions, and that they parallel the nine months of a pregnant woman's period of gestation. He talks about "remember" and "keep" and "glory," and enumerates the numerology associated with this lesson. Ra'aya Meheimna (the Faithful Shepherd)

709. The Faithful Shepherd said: These matters THAT ARE STATED ABOVE, IN THE PRECEDING PARAGRAPH, are insufficiently clear and they have to be explained for the companions, for whoever hides the secrets of the Torah from them, saddens them, for the lights of the secrets are darkness for the wicked. And it is like silver that is hidden away. If one digs until he discovers it, but it is not his, it becomes like darkness and gloom in his mind, while for one to whom it belongs, it illuminates for him. This is the reason why a person should reveal the hidden secrets of the Torah TO THE COMPANIONS.

710. "on the tenth day" (Shemot 12:3) this means that the nine Sfirot are in all directions, paralleling the nine months of a pregnant woman's period of gestation, which is the same as the numerical value of Aleph Chet of one (Heb. Echad -Aleph Chet Dalet). Who is the woman with child? She is the Dalet of Echad. Aleph Chet (= nine) are the nine Sfirot in the four directions of the letter Dalet (= four), and they are forty. Aleph Chet CORRESPOND TO "Remember," WHICH IS ZEIR ANPIN, while Dalet CORRESPONDS TO "Keep," WHICH IS MALCHUT, AND TOGETHER WITH THEM, they are 42.

711. This leaves us with "glory," as it is said: "Blessed be the name of the glory of His kingdom forever and ever." And this is glory (Heb. kavod = 32) and heart (Heb. lev = 32), THE SUM OF WHICH IS 64. And there are four directions to this letter Dalet, 64 to the four sides, which comes to 256. And it has been taught: Glory above and heart below, and for this reason, the recital of the unity is said twice daily, so that we thereby say 'glory' twice, which amounts to 64. Add to this the two Dalets of echad, and we have 72. And so the Dalet of echad completes the 42-letter Names and also completes the 72-letter Names. And this is why it is said in A Psalm of David: "Who is this King of glory? Hashem strong and mighty" (Tehilim 24:8), and again: "Who is this King of glory? Hashem of hosts, He is the King of glory" (Ibid.10).

End of Ra'aya Meheimna

We are told how the Temple is sanctified.

712. IT IS WRITTEN: "AND IN HIS TEMPLE EVERYONE SPEAK OF HIS GLORY" (TEHILIM 29:9). HE ASKS: What is meant by "His temple?" AND HE ANSWERS: This refers to the inner upper temple, where everything, NAMELY, BINAH, is sanctified. There whoever is fitting for sanctification is sanctified. How is that temple sanctified? HE ANSWERS THAT initially the gates are opened BY DA'AT, WHICH IS ZEIR ANPIN, WHO ASCENDS TO BINAH WHEN THE LEFT SIDE IS IN CONTROL OF BINAH, AND BECOMES THERE THE CENTRAL COLUMN, WHICH IS THE SECRET OF DA'AT THAT UNITES THE RIGHT AND THE LEFT, NAMELY, CHOCHMAH AND BINAH, WITH EACH OTHER, AND OPENS THE GATES OF BINAH, NAMELY, OPENS UP BINAH FROM THE BLOCKAGE OF THE LEFT. THEREBY ZEIR ANPIN ALSO RECEIVES FROM IT THREE COLUMNS SINCE THREE ISSUE FROM ONE AND ONE EXISTS IN THREE. HE EXPLAINS HIS WORDS: One concealed key, NAMELY, DA'AT, ordained and opened one gate on the south side, WHICH IS THE SECRET OF THE RIGHT COLUMN. Then the High Priest, WHICH IS CHESED, enters into that opening and hurries with his girdle, WHICH IS THE SECRET OF MALCHUT, and his corrections, NAMELY, THE FOUR GARMENTS OF AN ORDINARY PRIEST, NAMELY, MITRE, TUNIC, GIRDLE, AND BREECHES, WHICH CORRESPOND TO THE FOUR LETTERS OF ADONAI, WHICH IS MALCHUT. SUBSEQUENTLY, he is adorned with a diadem of holiness, and puts on a breastplate and efod and a robe of seventy bells and pomegranates, which are "a golden bell and pomegranate" (Shemot 28:34) THESE BEING THE SECRET OF THE MOCHIN OF THE ILLUMINATION OF CHOCHMAH THAT ARE DRAWN DOWN FROM THE FIRST HEI OF THE YUD HEI VAV HEI, AS ABOVE. And the plate of the holy crown on his forehead is called 'the plate of the holy crown', NAMELY, THE YUD OF THE YUD HEI VAV HEI. And he was embellished with the four garments of gold and with the four garments of white, WHICH CORRESPOND TO THE EIGHT LETTERS IN THE NAMES OF THE YUD HEI VAV HEI AND ADONAI, and on that plate 42 letters sparkle, NAMELY, THE 42-LETTER NAME, and the whole of that palace shines with upper lights.

713. And that key, WHICH IS THE SECRET OF DA'AT, AS ABOVE, turned and opened another side OF BINAH, to the north. Then Levi, WHICH IS THE SECRET OF GVURAH AND THE LEFT COLUMN, entered, and he is the title of Jacob, whom he set aside OUT OF HIS SONS for the Holy One, blessed be He, and with him the ten-stringed lyre, WHICH IS THE SECRET OF THE TEN SFIROT OF THE LEFT COLUMN. And he is crowned with diadems, NAMELY, THE MOCHIN OF THE UPPER THREE SFIROT WHO ARE CALLED 'DIADEMS'. And then the key turned yet again and opened a gate of that temple, that gate that stands in the center, namely, the Column that is on eastern side, WHICH IS TIFERET, THE CENTRAL COLUMN. It, NAMELY, TIFERET enters, and is adorned IN THAT GATE with seventy diadems, WHICH ARE THE SECRET OF THE 72 NAMES. And it is adorned with four letters, which are twelve, NAMELY, WITH THE TWELVE PERMUTATIONS OF THE FOUR LETTERS OF THE YUD HEI VAV HEI. AND THESE ARE THE SECRET OF CHESED AND GVURAH, TIFERET AND MALCHUT, IN EACH OF THE THREE COLUMNS. And it

was adorned with engravings of the two hundred and seventy thousand worlds, NAMELY, THE PLACE WHERE THE ILLUMINATION OF CHOCHMAH IS REVEALED, WHICH IS FROM THE CHEST AND DOWNWARD, WHERE THE ILLUMINATION OF CHOCHMAH IS TERMED A THOUSAND, AND THERE ARE TWO THIRDS OF TIFERET WHICH ARE SEVENTY, AND NETZACH AND HOD, IN EACH ONE OF WHICH THERE ARE TEN SFIROT, MAKING TWO HUNDRED AND SEVENTY SFIROT. And it is crowned with diadems THAT SHINE from one end of the world to the other, NAMELY, IN MALCHUT THAT IS CALLED 'WORLD', and in a number of valuable garments and a number of holy diadems.

714. That key, WHICH is DA'AT, AS ABOVE, turned once again and opened all the concealed gates and all the hidden holy gates, and ZEIR ANPIN is sanctified in them, and stands there as King. THAT IS, IN THE ASPECT OF MALCHUT, WHICH IS IN THE CENTRAL COLUMN OF BINAH, He is there blessed with a number of blessings and crowned with a number of diadems. Then all of them issue forth FROM BINAH TO THEIR PLACE IN ZEIR ANPIN, NAMELY, CHOCHMAH AND BINAH OF ZEIR ANPIN FROM THE TWO GATES TO THE SOUTH AND NORTH OF BINAH; AND THE RIGHT HALF OF DA'AT, FROM THE CENTRAL GATE OF BINAH, AND LEFT HALF OF DA'AT, AND ALL OF THEM ISSUE FORTH, joined together, and are crowned with their diadems as is fitting. Once they have left BINAH FOR THE PLACE OF ZEIR ANPIN, they awaken ZEIR ANPIN SO THAT HE WILL PUT on His adornments, NAMELY, THE FOUR MOCHIN AS ABOVE.

715. And this animal, NAMELY, MALCHUT, WHICH IS IN THE FIRST STATE AND STILL CLEAVES TO THE LEFT, awakens and contracts itself out of love of the song, NAMELY, BECAUSE OF THE LONGING FOR CHASSADIM, FOR SINCE IT IS ON THE LEFT WITHOUT THE RIGHT, IT HAS CHOCHMAH WITHOUT CHASSADIM, SOMETHING THAT CAUSES IT GREAT DISTRESS, AND IT LONGS DEEPLY FOR CHASSADIM, WHICH IS WHY IT CONTRACTED ITSELF INTO THE ASPECT OF BELOW THE CHEST, SO THAT IT SHOULD BE ABLE TO RECEIVE CHASSADIM FROM HIM. And how does it diminish itself? Out of love of the song it contracts itself bit by bit until it becomes just a point, UNDER YESOD FROM THE ASPECT OF THE LIGHTS, WHILE FROM THE ASPECT OF THE VESSELS IT IS A POINT UNDER THE CHEST. And since she has contracted herself, it is then written: "And there went a man of the house of Levi" (Shemot 2:1), WHICH IS THE SECRET OF THE HOLY ONE, BLESSED BE HE: "and took to wife a daughter of Levi" (Ibid.), WHICH IS MALCHUT. It is certainly CALLED "a daughter of Levi," because it is from the left side. How does he hold her? He puts his left hand under her head, out of love, NAMELY, THE LEFT SIDE OF ZEIR ANPIN BECOMES THE UPPER THREE SFIROT OF MALCHUT, AND ARE REFERRED TO AS HEAD, THIS BEING IN THE SECRET OF THE VERSE: "HIS LEFT HAND IS UNDER MY HEAD" (SHIR HASHIRIM 8:3).

716. And you might well ask that, since she is NOW a small point, how could ZEIR ANPIN unite with a small point? AND HE ANSWERS THAT vis-a-vis above, the smaller a thing is the more praiseworthy it is, and this is a virtue, and it is really supremely large, FOR, WHEN IT IS SMALL, the High Priest immediately awakens for her, THE REFERENCE BEING TO CHESED OF ZEIR ANPIN who holds and embraces her. Had she been large, Zeir ANPIN AND MALCHUT would not have been able to unite at all, but, since she contracted herself and is a small point, THE SFIROT OF ZEIR ANPIN can hold her, and raise her up on high, BETWEEN THE TWO ARMS OF ZEIR ANPIN, NAMELY, CHESED AND GVURAH. And after they have raised her up, she sits between these two sides, NAMELY CHESED AND GVURAH, and then the pillar that stands in the center, NAMELY TIFERET, WHICH IS THE CENTRAL COLUMN, joins with her in a love of kisses, a love of perfect union. And then: "And Jacob," THAT IS, ZEIR ANPIN, "kissed Rachel," WHO IS MALCHUT (Bereshheet 29:11), for with the love of kisses, they cleave to each other without separation, until she receives a Nefesh of delights as is fitting.

714. אֶסְתַּחֲרֵהוּ הֵוא מִפֶּתַחַּא, וּפֶתַח לִיה כֹּל תְּרַעֲוִין גְּנִיזוֹן, וְכֹל תְּרַעֲוִין דְּקְדוּשׁוֹן טְמִירִין, וְאֶתְקַדְשׁ בְּהוּ, וְקִימָא תַמֵּן כְּמַלְכָּא. מִתְבָּרַךְ בְּכַמָּה בְּרַכָּאן, מִתְעַטֵּר בְּכַמָּה עֵטְרִין. כְּדִין נִמְקִי כְּלֵהוּ בְּחַבּוּרָא חֲדָא, מִתְעַטְרָן בְּעֵטְרֵיהוּ כְּדַקָּא יְאוּת. בֵּינָן דְּנִמְקִי אֶתְעַר לִיה בְּקִשּׁוּטוּי.

717. When she receives a Nefesh of delights, as is fitting, and she wants to visit her hosts, they all gather together and call her: Glory, glory, glory from the Temple OF ABA AND IMA. And in the Temple itself, ABA and IMA, NAMELY, CHOCHMAH AND BINAH, open by saying: Sanctified, sanctified! IN OTHER WORDS THEY EMANATE TO MALCHUT FROM THEIR LIGHTS WHICH ARE CALLED 'HOLINESS'. Then the month, WHICH IS MALCHUT, is sanctified properly. And it is then written: "And on... the first month" (Bemidbar 28:16), for it is certainly the first. AND THIS IS BECAUSE PREVIOUSLY, WHEN MALCHUT WAS ATTACHED TO THE LEFT WITHOUT THE RIGHT, SHE WAS NOT CONSIDERED TO BE IN EXISTENCE BECAUSE HER LIGHTS WERE FROZEN AND SHE WAS UNABLE TO EMANATE. BUT NOW, HAVING CONTRACTED TO A POINT AND BEEN REBUILT BY ABA AND IMA IN THE LIGHTS OF HOLINESS, AND BEING UNDER THE LEVEL OF ZEIR ANPIN, SHE IS CONSIDERED TO BE IN HER FIRST EXISTENCE. And it is therefore THEN WRITTEN ABOUT HER: "AND ON...THE FIRST MONTH." And therefore, SCRIPTURE SAYS: "Draw out and take you lambs..." (Shemot 12:21), THE MEANING OF WHICH IS: DRAW DOWN THE UPPER DAYS OF ZEIR ANPIN TO MALCHUT, and it is therefore WRITTEN: "On the tenth day of this month" (Shemot 12:3), THE MEANING OF WHICH IS THAT the Moon, WHICH IS MALCHUT, has become joined to the Sun, WHICH IS ZEIR ANPIN, NAMELY, THAT THE NINE SFIROT OF ZEIR ANPIN WILL SERVE TO ILLUMINATE IN MALCHUT. And whereas she was a single point AFTER THE CONTRACTION, when she descended FROM THE TEMPLE OF ABA AND IMA, she now expands bit by bit and fills out and becomes the FINAL Hei OF THE YUD HEI VAV HEI, which is full OF EMANATION from all FOUR directions and is properly sanctified. The Faithful Shepherd adds information about how the moon, Malchut, becomes full and is joined to the sun. Ra'aya Meheimna (the Faithful Shepherd)

718. (THE BEGINNING OF THIS SECTION IS MISSING). That temple turned and opened another gate on the south side, NAMELY, IN THE RIGHT COLUMN, with 72 diadems, WHICH IS THE SECRET OF THE NAME OF 72 THAT ILLUMINATES IN THE RIGHT COLUMN. Later it opens a third gate on the eastern side, WHICH IS THE CENTRAL COLUMN, with fifty lights of the fifty gates of Binah. Next it opens another gate on the western side, WHICH IS THE SECRET OF MALCHUT in the 72 diadems OF THE NAME OF 72, and all the 248 CHASSADIM, being the number of words in the sections of the recital of the Sh'ma. And whereas this animal, WHICH IS MALCHUT, was initially small, at that time, HAVING RECEIVED 72 DIADEMS AND 248 CHASSADIM, she grows, which is as is written: "the whole earth is full of His glory" (Yeshayah 6:3), which is the upper glory and the lower glory, ALL OF WHICH MALCHUT RECEIVES WITH THE DECLARATION OF THE UNITY IN THE RECITAL OF THE SH'MA.

719. When one reaches the eighteen (Heb. Chai = living) Worlds, in which are the eighteen blessings of the prayer, NAMELY, IN THE AMIDAH PRAYER, which one starts with "Adonai, open my lips; and my mouth shall rehearse Your praise" (Tehilim 51:17), then the Central Column, WHICH IS ZEIR ANPIN, joins with her with affectionate kisses of the lips, WHICH ARE NETZACH AND HOD; and tongue, which is the Righteous One, THAT IS YESOD, is between them IN THE SECRET OF the tongue of the learned. At that time "And Jacob kissed Rachel" (Bereshheet 29:11), WHERE JACOB IS ZEIR ANPIN AND RACHEL IS MALCHUT, and then that animal, MALCHUT, is called 'Glory, glory'; and Aba and Ima say 'Sanctified, sanctified'. THAT IS, ABA AND IMA EMANATE TO HER THEIR LIGHTS THAT ARE CALLED 'HOLINESS', and then the month, WHICH IS MALCHUT, is correctly sanctified. And she is then CALLED "And on...the first month" (Bemidbar 28:16), first without a doubt.

720. And then: "Draw out" THE UPPER DAYS OF ZEIR ANPIN TO MALCHUT, which is why IT IS WRITTEN: "On the tenth day of this month" (Shemot 12:3), THE MEANING OF WHICH IS THAT THE NINE DAYS OF ZEIR ANPIN SHINE TOWARDS MALCHUT, NAMELY, that the holy moon, WHICH IS MALCHUT, is joined to the sun, WHICH IS ZEIR ANPIN, about which it is said: "For Hashem Elohim is a sun and a shield" (Tehilim 84:12). And whereas MALCHUT was a small point, she filled out as the FULL moon, and then the month is full, NAMELY, the moon, WHICH IS MALCHUT, is full, and she is: "the whole earth is full of His glory." Initially she was lacking, but now she is complete, FULL.

End of Ra'aya Meheimna

Rabbi Chiya learns that the Paschal sacrifice is a lamb because a lamb was the idol and deity of the Egyptians, and it was hard for the Egyptians to see their idol tied and held prisoner and sacrificed in the fire. In this way the Egyptians saw the power of the God of Yisrael. Rabbi Elazar turns the conversation to the prohibition against eating leavened bread, and we learn that anyone who eats leavened bread on the Pesach is met with death, and he dies in this world and in the World to Come.

721. Rabbi Chiya began by quoting: "And on the fourteenth day of the first month is the Pesach" (Bemidbar 28:16). HE ASKS: Why is the paschal sacrifice a lamb? HE ANSWERS, the Egyptians worshipped the lamb, which was one of their deities, for they worshipped the constellation Aries. Come and see: It is written: "for we shall sacrifice the abomination of Egypt" (Shemot 8:22). What is meant by "the abomination of Egypt?" Could it be that because it is hateful to them it is called "the abomination of Egypt?" On the contrary, it is called "the abomination of Egypt" because it is the Egyptians' idol and their deity. It is similarly written: "the abominations of those nations" (Devarim 18:9), THE MEANING OF WHICH IS THE IDOL of these nations.

722. Come and see the wisdom of Joseph, as is written: "And he took some of his brothers, five men" (Bereshheet 47:2), and he taught them to say "Your servants are shepherds" (Ibid. 3). And would a king who was ruler over the country and who was like a father to the king have done such a thing to his brothers to make THE EGYPTIANS hate them and not show them consideration? - IF YOU HOLD THE VIEW THAT THE ABOMINATION OF THE EGYPTIANS IS EVERY SHEPHERD, WHICH MEANS HATED BY THE EGYPTIANS. But in reality the abomination of the Egyptians is what their idol and their deity was called. Therefore is it written: "For we shall sacrifice the abomination of Egypt" (Shemot 8:22) MEANING THEIR DEITY.

723. Joseph said; All the best of Egypt is the land of Raamses, and this part of the country they set aside for their idol, NAMELY, THE FLOCKS, for them to be pastured and go THERE to their hearts' delight. And all the Egyptians considered those who tended their idols as themselves idols. HE SAID: I shall arrange it so that my brothers inherit that country, and the Egyptians shall bow down to them, and will accord them proper treatment, and this is what is written: "for every shepherd is an abomination to the Egyptians" (Beresheet 47:34). Which is FOR THIS REASON, they should treat them as their deity.

724. Rabbi Yosi said: Haven't we learned, just as the Holy One, blessed be He, punishes idolaters, so will He punish idolatry itself? If this is so, why did Joseph make his brothers into idols, THAT THE EGYPTIANS SHOULD BOW DOWN TO THEM AS THOUGH THEY WERE DEITIES? He replied to him: Joseph did not make his brothers into idols but into rulers over the idolatry of the Egyptians, and thus subdued their idolatry under the hand OF HIS BROTHERS, so that they would smite it with the rod. Joseph said: If my brothers control their idolatry, then how much better that they will have rule over them themselves, which is why he settled them in the best of the country and made them rulers over all the land.

725. And so, why is the paschal sacrifice a lamb? The answer is because a lamb was the idol and deity of the Egyptians. Said the Holy One, blessed be He: From the tenth of the month, take the fear of the Egyptians, capture and bind it and let it be imprisoned and hold it in your keeping one day, and two, and three days, and on the fourth day carry out its sentence, and assemble over it.

726. And when Egypt heard the voice of their idol which was being held by Yisrael, and they were unable to rescue it, they cried and it was as difficult for them as though they themselves had been tied up for the kill. Said the Holy One, blessed be He: 'Let it be in your possession day after day for four days, so that THE EGYPTIANS may see it when it is bound and imprisoned, and on the fourth day, bring it out to be killed and let the Egyptians see how you enact judgment on it.' And this, NAMELY, THESE JUDGMENTS THAT THEY PERFORMED ON THEIR IDOL, was harder for them to bear than all the plagues that the Holy One, blessed be He, brought on them.

727. Subsequently, they cast it into the fire, as it is written: "and burn their carved idols with fire" of their deities (Devarim 7:5). Said the Holy One, blessed be He: "Eat not of it raw" (Shemot 12:9) so that THE EGYPTIANS will not say: They were so desirous of, and had such a longing for our idol that they ate it INSUFFICIENTLY ROASTED. But it was decreed that it should be eaten roasted and not boiled, for had it been boiled it would have been covered UNDER THE WATER IN THE PAN, and they would not have seen it, but its correction is that they should see it like this when it is being burnt in the fire, since its odor then spreads FAR AND WIDE.

728. Moreover, its head bent to its legs so that they should not say that it was some animal or other thing, but that they should recognize it as their idol. Moreover, it was not to be eaten out of lust, but on a full stomach by way of disgrace and contempt. Moreover, "neither shall you break a bone of it" (Shemot 12:46), but they should see its bones cast into the marketplace and be unable to rescue it. For this reason it is written: "Upon their Elohim also Hashem executed judgments" (Bemidbar 33:4), that is, many judgments. Moreover, "and your staff in your hand" (Shemot 12:11), but not a sword, spear, nor any other instrument of war, IN ORDER TO DEMONSTRATE THAT YOU ARE NOT AFRAID OF THEM.

729. Rabbi Yehuda said: We have already learned that the Egyptians worshipped the constellation of Aries, which is why they worshipped the lamb. Rabbi Yosi said: If that is so, they should have worshipped a ram, A BABY RAM, rather than a lamb. He answered him: They worshipped them all. But the constellation of Aries ascends and descends, SOMETIMES APPEARING as a ram and AT OTHERS like a LARGE lamb, for which reason they worshipped them all. He said to him: What I have heard is that every large animal was an idol for them, which is why the Holy One, blessed be He, killed all the first-born of the cattle. And we have already learned that these were the grades on high: NAMELY, UPPER SPIRITUAL FORCES OF IMPURITY, which are so called 'FIRST-BORN OF CATTLE', AND THAT WAS WHY THEY WORSHIPPED THEM.

730. Rabbi Elazar said: It is written: "You shall eat nothing leavened" (Heb. Machmetzet) (Shemot 12:20), and it is written: "no leavened bread shall be eaten" (Heb. Chametz) (Shemot 13:3). WHAT IS THE DIFFERENCE BETWEEN 'MACHMETZET' AND 'CHAMETZ'? The latter is masculine, while the former is feminine. Rabbi Shimon said: Elazar, my son, in the former case it is written, "You shall eat nothing" while in the latter case it is written, "no... shall be eaten." Why in the latter case, does it not say: "You shall eat no LEAVENED BREAD"? HE ANSWERS THAT, with the female, who MUCH MORE corrupts her ways, THE STATEMENT is by way of warning: "YOU SHALL EAT NOTHING." BUT IN THE CASE OF the male OF THE KLIPOT, who is more inclined to grasp a thread of purity THAN THE FEMALE, THE STATEMENT IS by way of request: "NO...SHALL BE EATEN," WHICH IS NOT THE LANGUAGE OF WARNING OR COMMAND. This is why it is written IN THE ONE CASE "no...shall be eaten," AND IN THE OTHER CASE "You shall eat nothing."

731. He said to him: But father, it is also written: "You shall eat no leavened bread with it" (Devarim 16:3), NAMELY, THE LANGUAGE OF WARNING IS ALSO USED FOR CHAMETZ, WHICH IS THE MALE OF THE KLIPAH. He replied: In honor of the sacrifice, Scripture uses many extra words, AND THEREFORE SAYS: "YOU SHALL EAT NO LEAVENED BREAD WITH IT." But initially IT WAS SAID ABOUT CHAMETZ, "no leavened bread shall be eaten," WHICH IS THE LANGUAGE of request. But subsequently, ABOUT MACHMETZET, a warning IS USED: "You shall eat nothing," for THE FEMALE OF THE KLIPOT is the most hardened of the two of them, OF THE MALE AND FEMALE OF THE KLIPAH. What is the reason for machmetzet BEING SO CALLED? It is because there is a smell of death there. Chametz ALLUDES TO the male AND HAS THEREFORE NO ALLUSION TO DEATH, but machmetzet is female. AND IT IS WRITTEN: "Her feet go down to death" (Mishlei 5:5). THUS, the first and last letters of the word MACHMETZET ARE MEM AND TAV that spell dead (Heb. met - Mem Tav). Thus she, THE FEMALE, greets anyone who eats leavened bread on Passover with death, and it should be known that he dies in this world and in the World to Come, as it is written: "even that soul shall be cut off" (Shemot 12:19).

732. Why is it called 'matzoh'? It is as we have learned, Shadai, WHICH IS INTERPRETED as MEANING, May He who (she) said to His world Enough (Heb. dai), say to our troubles Enough, NAMELY, MAY HE CHASE AWAY FROM US THE JUDGMENTS AND TROUBLES. Matzoh is likewise, for it subdues and subjugates; namely, it chases away the evil ones of all sides and makes a quarrel with them, just as the name Shadai of the mezuzah chases away the evil spirits and demons that are at the gate. So, too, MATZOH chases them away from all the dwellings of holiness, and makes a quarrel and a fight with them, as it is written: "Masah and Merivah" (Shemot 17:7), and therefore the name is written as matzah. HE ASKS, but masah is spelled with a Samech, AND NOT WITH A TZADIK? HE ANSWERS THAT the Aramaic translation of Masah is matzuta. HENCE MATZOH IS SPELLED WITH TZADIK.

The Faithful Shepherd talks about the ten plagues and about God's intention to punish all the rulers of Egypt because they misled mankind and made themselves divine. He examines the reason why unleavened bread was to be eaten for seven days, and he brings in the factors of the seven Sfirot and the seven planets and the seven blessings.

Ra'aya Meheimna (The Faithful Shepherd)

733. The Faithful Shepherd said: Just as the tongue is a rod over all members of the household, FOR HE CHASTISES THEM WITH HIS TONGUE, WHICH IS THE SAME FOR THEM AS THOUGH HE HAS CHASTISED THEM WITH A ROD; and as the tongue is the secret of the letter Vav, WHICH IS ZEIR ANPIN THAT IS CALLED THE YUD HEI VAV HEI, and is a rod in which are ten letters; FOR THE YUD HEI VAV HEI, WHEN SPELLED OUT FULLY WITH ALEPHS, HAS TEN LETTERS YUD VAV DALET; HEI ALEPH; VAV ALEPH VAV; HEI ALEPH and with it the Holy One, blessed be He, smote them with ten plagues through him; and since all the plagues were from the side of the two Heis OF THE YUD HEI VAV HEI, THEREFORE Rabbi Akiva says: How do we know that each plague that the Holy One, blessed be He, brought down on the Egyptians in Egypt consisted of five plagues? We should deduce from this that... And the letter Hei (whose numerical value is five) times the letter Yud (whose numerical value is ten) gives fifty plagues, and Hei times fifty is 250, which is why at the sea they were smitten with 250 plagues.

734. Joseph said, the best of the land of Egypt, which is Raamses - and this is the land that they set aside for their idol to pasture in to its heart's content. And all the Egyptians considered those who tend their idols as themselves idols. And this is why Joseph requested from Pharaoh THE LAND OF RAAMSES TO TEND THEIR FLOCKS, in order to place his brothers in control over the gods of Egypt, so that they should be subjugated under them as slaves under their king, and that all of them should be subjugated under the name of Yud Hei Vav Hei on their part, and that none should rule in the world excepting the name of Yud Hei Vav Hei, and that all the appointed chieftains should also be subjugated to Him.

735. And to show them that He will in the future punish them, as it is written: "and against all the Elohim of Egypt I will execute judgments: I am Hashem" (Shemot 12:12), because they misled mankind and make themselves divine; and since the appointee of the ram is greater than the appointees of the other Elohim, the Holy One, blessed be He, commanded Yisrael: "They shall take to them every man a lamb, according to the house of their fathers, a lamb for a house" (Shemot 12:3); and He gave them control over it, and they took hold of it as they did for one day, and for two and three days, and subsequently they brought it out for judgments before the eyes of all Egypt, to demonstrate that their deity is at Yisrael's disposal to enact judgment on it.

736. Therefore is it written: "Eat not of it raw, nor boiled at all in water, but roast with fire; its head with its legs, and with its entrails" (Shemot 12:9), so that it should be judged in the roasting fire. And He commanded that its bones be cast with contempt into the market-place, wherefore is it written: "Neither shall you break a bone of it" (Ibid. 46). And He commanded that on the fourth day, after it had been bound for three days, judgment be enacted upon it. And this was harder for them than all the plagues with which the Holy One, blessed be He, smote them through the Faithful Shepherd. Furthermore, He commanded that it not be eaten with appetite, BUT WITH A FULL STOMACH. And immediately on their seeing its bones in the market-place and being unable to rescue it, this was the most difficult thing for them. Furthermore, it is said about them: "and your staff in your hand" (Ibid. 11), to subdue all the idols of Egypt under their hands. And since their Elohim are the first-born of the chieftains, it is written: "Hashem smote all the firstborn" (Ibid. 29).

737. And after all this, it is written: "no leavened bread (Heb. Chametz) shall be eaten" (Shemot 13:3), "seven days you shall you eat unleavened bread (Heb. matzot) with it, the bread of affliction" (Devarim 16:3). And it is written: "You shall eat nothing leavened (Heb. machmetzet)" (Shemot 12:20). Said the Faithful Shepherd: Why did He command not to eat leavened bread for seven days, but to eat on them unleavened bread (Heb. matzah)? And why IN ONE CASE is it written: "no...shall be eaten," while in THE OTHER CASE it is written: "You shall eat nothing"? AND HE ANSWERS, there are seven planets, namely Saturn, Jupiter, Mars, Sun, Venus, Mercury, and Moon, AND THESE ARE THE SECRET OF CHESD, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, THAT ARE IN THE VESSELS OF THE REAR OF MALCHUT. And they are from the side of good and evil, for the light that is within is matzoh, while the Klipah that is on the outside is chametz. And the chametz is masculine, while machmetzet is feminine, AND THEY ARE MALE AND FEMALE OF THAT SAME KLIPAH THAT IS ON THE OUTSIDE. AND ABOUT THE MALE OF THE KLIPAH, WHICH IS NOT THAT GRAVE, IT IS SAID: "NO...SHALL BE EATEN," BUT ABOUT THE FEMALE OF THE KLIPAH, WHICH IS A SERIOUS MATTER, IT IS SAID: "YOU SHALL EAT NOTHING."

738. The Matzah that is within THE SEVEN ABOVE-MENTIONED PLANETS is guarded FROM THE KLIPOT, which are "and the seven maidens who were chosen to be given her, out of the king's house" (Ester 2:9), NAMELY, THE VESSELS OF THE REAR OF MALCHUT OF ATZILUT, IN WHICH CHOCHMAH IS COATED AT THE TIME OF GREATNESS OF MALCHUT. And about them it is said: "And you shall observe (guard) the (commandment of) unleavened bread" (Shemot 12:17) Matzah is guarded FROM THE KLIPOT, for her husband, who is Vav, NAMELY, ZEIR ANPIN, WHICH IS THE SECRET OF THE VAV OF THE YUD HEI VAV HEI. And MATZAH (MEM TZADIK HEI), with it, THE VAV, becomes mitzvah (lit. 'a precept' - Mem Tzadik Vav Hei).

739. And he who guards it for the Yud Hei, that are hidden in the Mem Tzadik of Matzah, FOR, IN THE ATBASH ALPHABET, WHERE THE FINAL LETTER, TAV, IS SUBSTITUTED FOR THE FIRST LETTER, ALEPH, AND THE PENULTIMATE LETTER, SHIN, FOR THE SECOND LETTER, BET, Yud is Mem, Hei is Tzadik, AS THE MEM OF MATZOH IS REPLACED BY YUD, AND THE TZADIK OF MATZOH IS REPLACED BY HEI, THIS THEREFORE BEING THE SECRET OF THE YUD HEI, HIDDEN IN THE MEM TZADIK OF MATZOH. And the Holy One, blessed be He, commanded that MALCHUT be blessed with seven blessings on the Eve of Passover, namely, its seven maidens, NAMELY, THE SEVEN VESSELS CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT OF ATZILUT, FROM THE ASPECT OF THE REAR, AS ABOVE, WHICH ARE CALLED 'Saturn', 'Jupiter', 'Mars', 'Sun', 'Venus', 'Mercury', and 'Moon'. And He commanded that THE KLIPOT, WHICH ARE chametz (lit. 'leavened bread') and machmetzet (lit. 'anything leavened') be removed from them, for they are dark clouds that cover the lights of the seven planets, as it is said about them: "and when they had eaten them up, it could not be known that they had eaten them; but they were still ill-favored," namely, darkness, "as at the beginning." (Beresheet 41:21). For the darkness of their clouds is so STRONG that the lights THAT ARE IN THE SEVEN PLANETS are unable to illuminate to them, and for this reason: "it could not be known that they had eaten them." End of Ra'aya Meheimna

106. "Rebuke the wild beast of the reed grass"

Rabbi Shimon explains the meaning of the wild beast and the reed grass. He says that the reed is the head over all the kingdoms and in the future God will break it like a reed.

740. Rabbi Shimon opened with: "Rebuke the wild beast of the reed grass, the company of the bulls with the calves of the peoples" (Tehilim 68:31). "Rebuke the wild beast" refers to that beast on to which Esau held. "Reed grass" is as we have learned, for on the day that Solomon took the daughter of Pharaoh, Gabriel came and stuck a reed in the sea, and the city of Rome was built on it. What is "reed?" It is the male of that wicked animal ONTO WHICH ESAU HELD, which has a small part in the unity of holiness, namely the reed that GABRIEL stuck into the great sea. And for this reason it rules the world, and about this rule it is written: "the reeds and rushes shall wither" (Yeshayah 19:6). "Reed" is the regime and head over all kingdoms, and furthermore IT IS FOR THIS REASON CALLED "reed," since in the future the Holy One, blessed be He, is going to break it as a reed.

738. מִצָּה דִלְגוּ שְׁמוּרָה. וְאִינוּן, שְׁבַע הַנְּעוּרוֹת הָרְאוּיוֹת לָתֵת לָהּ מִבֵּית הַמֶּלֶךְ. וְאֵתְמַר עָלֶיהֶוּ, וְשִׁמְרָתֶם אֶת הַמִּצּוֹת. מִצָּה אִיהִי שְׁמוּרָה לְבַעֲלָהּ, דְּאִיהִוּ ו'. וּבִיה אֶתְעֵבִיד מִצּוּה.

741. Come and see: In Egypt THAT "WILD BEAST OF THE REED GRASS" rules, and a number of different types of regime issue from it. And they all are in the secret of chametz (lit. 'leavened bread'). Since the Holy One, blessed be He, broke it, He removed the chametz (lit. 'leavened bread') and introduced Matzah (lit. 'unleavened bread'). What did He use TO BREAK IT? With the smallest and thinnest thread, He broke the letter Chet of chametz (Chet Mem Tzadik). Thus it is called "the wild beasts of the reed grass" because it is as easy to break as is this reed. With what was it broken? It was with a thread small as a hair that He broke the Chet and removed it from its former state and it became Matzah. Therefore it is written: "Rebuke the wild beast of the reed grass," for the Holy One, blessed be He, rebuked it, and the Chet of chametz was broken and became a Hei.

742. And in the future the Holy One, blessed be He, will break that reed as follows: He will break off the foot of the Kof of kaneh (lit. 'reed'), so hineh (lit. 'behold' - Hei Nun Hei) will remain, AS IS WRITTEN: "Behold, Adonai Elohim will come with might, and His arm shall rule for Him: behold, His reward is with Him, and His hire before Him" (Yeshayah 40:10). What is the meaning of "and His hire"? This is the operation on that letter Kof, "and His hire before Him," for He will remove the foot of the Kof OF KANEH (KOF NUN HEI), making it into hineh. "A harbinger to Zion will I give: Behold (Heb. hineh), behold them" (Yeshayah 41:27). Rabbi Shimon says that Esau is Rome that is attached to the reed that Gabriel stuck in the great sea; the reed is also called leavened bread. When the Redemption comes God will break that reed and the Temple will be revealed in the world. The Faithful Shepherd compares the two Temples to the pupils of the eye that are clouded. He talks about the two Messiahs and looks forward to the day when the rule of Rome will be broken. Ra'aya Meheimna (The Faithful Shepherd)

743. Rabbi Shimon opened with the verse: "Rebuke the wild beast of the reed grass, the company of the bulls with the calves of the peoples." "Rebuke the wild beast of the reeds" refers to a reed, to which is attached Esau, which is the large city, Rome, that Gabriel stuck as a reed in the great sea - WHICH IS A SECRET, FOR THE REED IS ATTACHED TO MALCHUT THAT IS CALLED 'THE GREAT SEA', and on it a large city, Rome was built, WHICH IS THE SECRET OF THE KINGDOM OF ESAU. And this is a reed that is CALLED 'chametz' (lit. 'leavened bread'). When the Redemption comes to Yisrael, He will break THAT REED, as it is written: "Rebuke the wild beast of the reeds, the company," and the chametz THAT IS DRAWN DOWN FROM THE REED is immediately removed from the world, WITH its machmetzet, NAMELY, ITS FEMALE, which is THE CITY Rome, and Matzah (lit. 'unleavened bread') will be revealed in the world, for this is the Temple, the First Temple and the Second Temple, WHICH ARE BINAH AND MALCHUT.

744. The Faithful Shepherd said: They, THE FIRST TEMPLE AND THE SECOND TEMPLE, correspond to the pupil of the right eye and the pupil of the left eye, and they correspond to the large and small Rome, paralleling the two clouds that cover the pupils of the right EYE and of the left EYE. They, in turn, correspond to leaven and leavened bread. And so long as these are not removed from the world, with not one of them being seen or found, the First Temple and the Second Temple are unable to be revealed in the world.

744. אָמַר ר"מ, דְאִינּוֹן לְקַבֵּל בַּת עֵין יְמִין, וּבַת עֵין שְׂמָאל. וְאִינּוֹן לְקַבֵּל רוּמֵי רַבְתִּי, רוּמֵי זְעִירָא. לְקַבֵּל תְּרִין עַנְיִין, דְמִכְסִּיּוֹן עַל בַּת עֵינָא יְמִינָא וּשְׂמָאלָא. וְאִינּוֹן לְקַבֵּל שְׂאוֹר וְחַמֵּץ. וְעַד דְאֵלִין יִתְבַּעְרוּן מֵעֲלָמָא בַּל יִרְאֶה וּבַל יִמְצָא חַד מִנֵּיהוּ, בֵּית רֵאשׁוֹן וּשְׁנֵי לָא יִתְגַּלִּיּוּן בְּעֲלָמָא.

745. And what healing will there be for the clouds that darken the pupils of the right and left eyes? What will be their remedy? This is the gall of a calf, as it is written: "there shall the calf feed, and there shall he lie down" (Yeshayah 27:10). "There shall the calf feed" refers to Messiah son of Joseph, about whom it is said: "His firstling of his herd, grandeur is his" (Devarim 33:17), WHICH IS THE SECRET OF THE FACE OF OX FROM THE LEFT SIDE. "and there shall he lie down" refers to Messiah son of David. One, NAMELY, MESSIAH SON OF DAVID, removes the large Rome, and the other, NAMELY MESSIAH SON OF JOSEPH, removes the small Rome; and corresponding to them are Michael and Gabriel, WHERE THE MICHAEL CORRESPONDS TO MESSIAH SON OF DAVID AND THE GABRIEL, TO MESSIAH SON OF JOSEPH.

746. And hence the Chet, which a thin thread breaks, and is replaced with a Hei, TURNING THE CHAMETZ (CHET MEM TZADIK) INTO MATZOH (MEM TZADIK HEI). For initially, "The reeds and rushes (Heb. suf) shall wither." "Reed" refers to the rule of Rome, which is an end (Heb. sof) for all the kings, and which in the future the Holy One, blessed be He, will break. "Rebuke the wild beast of the reed grass" means rebuking the wicked beast, which is the Chet of chametz, and the foot of the Chet of machmetzet is broken, of which it is said: "Her feet go down to death" (Mishlei 5:5). Moreover: "Rebuke the wild beast of the reed grass" means that He will break the foot of the Kof of kaneh (Kof Nun Hei), and hineh (lit. 'behold' - Hei Nun Hei) remains. Immediately: "Behold, Adonai Elohim will come with might, and His arm shall rule for Him: behold, His reward is with Him, and His hire before Him" and: "A harbinger to Zion will I give: Behold, behold them (Heb. hineh, hinam); and to Jerusalem a messenger of good tidings." THE NUMERICAL VALUE OF 'hineh' is 60; NAMELY, SIXTY YEARS after the year 1200, THE VERSES QUOTED ABOVE WILL BE FULFILLED, AS IS CLARIFIED BELOW.

107. Four redemptions

Rabbi Shimon talks about the number of years until the redemption and the gathering in of the exiles, and we learn that there will be four redemptions. Explanation is made of the associated gematria and of the role of the four beasts of the chariot.

747. And the holy luminary said: "All the souls that came with Jacob...were sixty six" (Beresheet 46:26). Sixty is for the awakening of the first Messiah, and six is for the awakening of the second Messiah, and this leaves six years to go until the number 72, WHICH IS WHEN THE REDEMPTION WILL TAKE PLACE, NAMELY, ONE THOUSAND YEARS, WHICH IS THE WHOLE OF THE FIFTH MILLENIUM THAT IS DESTRUCTION THROUGHOUT, AND 272 YEARS INTO THE SIXTH MILLENIUM, to establish therein the verse: "Six years you shall sow your field, and six years you shall prune your vineyard, and gather in its fruit" (Vayikra 25:3); NAMELY, TWICE SIX AFTER ONE MILLENIUM AND SIXTY YEARS IS THE TIME TO "GATHER IN ITS FRUIT" NAMELY, THE IN GATHERING OF THE EXILES, FOR YISRAEL IS CALLED 'FRUIT', as it is said: "Yisrael is holy to Hashem, the firstfruits of His increase" (Yirmeyah 2:3).

745. וְאִסּוּתָא דְעֵנָא עֵינָא, דְאַחְשִׁיךְ לְבַת עֵינָא יְמִין וּשְׂמָאל, מַה יְהֵא אִסּוּתָא דְלֵהוּן. מְרָה דְעֵגְלָא. וְהֵיִינוּ שָׁם יִרְעָה עֵגֶל וְשָׁם יִרְבֵּץ. שָׁם יִרְעָה עֵגֶל, דָּא מְשִׁיחַ בְּן יוֹסֵף, דְאַתְמַר בֵּיהּ בְּכוֹר שׁוּרוֹ הָדָר לוֹ. וְשָׁם יִרְבֵּץ, דָּא מְשִׁיחַ בְּן דָּוִד. חַד אַעְבַּר רוּמֵי רַבְתֵּי וְחַד אַעְבַּר רוּמֵי זְעִירְתָא. דְמִיכָאֵל וְגַבְרִיאֵל לְקַבְּלֵיהוּ אֵינוּן.

748. HE ASKS: If it is so, THAT THE REDEMPTION IS TO BE IN THE 1272ND YEAR, what is the intent of the verse: "Sing (Heb. Ronu = 256) with gladness for Jacob" (Yirmeyah 31:6), WHICH WOULD SEEM TO IMPLY THAT THE REDEMPTION WILL BE IN THE 1256TH YEAR? HE ANSWERS THAT there are to be four redemptions corresponding to the four cups of wine at Passover, AND THEY ARE THE SECRET OF CHOCHMAH AND BINAH, TIFERET AND MALCHUT, since Yisrael is scattered into the four directions of the world, WHICH ARE THE SECRET OF CHOCHMAH AND BINAH, TIFERET and MALCHUT, and those who are among the nations that are far away, will be REDEEMED early, in the 1256th YEAR. The next group WILL BE REDEEMED IN THE TWELVE HUNDRED AND 60th YEAR; the third GROUP IN THE TWELVE HUNDRED 66th YEAR; and the fourth GROUP IN THE YEAR TWELVE HUNDRED 72nd YEAR.

749. And these redemptions will be with the four living creatures OF THE CHARIOT: LION, OX, EAGLE AND MAN, in the name of the Yud Hei Vav Hei, that rides on them, as it is written: "that you ride upon your horses, your chariots of salvation" (Chavakuk 3:8). Opposite them will awaken below four standards and twelve tribes, in the secret OF THE THREE YUD HEI VAV HEI'S: 'Hashem reigns; Hashem reigned; Hashem will reign forever and ever'. There are here twelve letters, corresponding to the twelve tribes, and the twelve faces of the three patriarchs, NAMELY, THE THREE COLUMNS OF CHESED, GVURAH AND TIFERET, about whom it has been said: The patriarchs are the Chariot, FOR THE FOUR LIVING CREATURES ARE IN THE CHARIOT, THE FACE OF LION, OX, EAGLE, AND MAN. AND EACH HAS THE THREE COLUMNS CHESED, GVURAH AND TIFERET, MAKING TWELVE FACES. And these ten tribes ALLUDE to a thousand years, while the other two tribes ALLUDE to two hundred years, and from the twelve letters OF THE THREE YUD HEI VAV HEI'S are suspended the 72 Names. FOR THESE TWELVE LETTERS ARE TO BE FOUND IN EACH SFIRAH OF CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, OF ZEIR ANPIN, AND TWELVE MULTIPLIED BY SIX ARE 72. And these 72 are the years after one thousand and two hundred years. AND FROM THIS IS THE ALLUSION THAT THE REDEMPTION WILL COME AFTER 1272 YEARS, AS ABOVE. AND IT SHOULD BE UNDERSTOOD THAT ALL THE APOCALYPTIC DATES MENTIONED IN THE ZOHAR IMPLY THAT THAT IS A FAVORABLE TIME FOR YISRAEL TO REPENT, AND THAT THEIR REDEMPTION IS DEPENDENT ON THEIR REPENTANCE.

750. And they, THE 72 NAMES, allot 24 to each of the three holy living creatures CHESED, GVURAH, TIFERET, WHICH IS TO SAY AS FOLLOWS: IF ONE DIVIDES THE 72 NAMES BETWEEN THE SIX SFIROT CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, THERE WILL BE TWELVE IN EACH SFIRAH, AS ABOVE; BUT IF ONE DIVIDES THE 72 BETWEEN THE THREE SFIROT CHESED, GVURAH AND TIFERET ONLY, THERE WILL BE 24 IN EACH SFIRAH, FOR 3 X 24 = 72. And the secret of 24 is: "And one called to the other and said" (Yeshayah 6:3), they being three groups OF ANGELS, EACH CONSISTING of 24 forms, where the first group says "Holy," and the second group says "holy," and the third group says "holy." AND ALL OF THIS IS IN THE ILLUMINATION OF THE 72 NAMES, FOR THE THREE GROUPS TOGETHER COME TO 72. The left immediately awakens with 42 letters, NAMELY, THE 42-LETTER NAME, that executes judgment on Amalek.

108. "A bird's nest"

This section talks about the sages of the Torah, the sages of the Mishnah, the people of Yisrael, priests and Kabbalists. We hear that during the exile prayer was decreed instead of sacrifices.

748. אִם כֵּן, מָה כְּתִיב לַעֲיֹל רְנוּ לַיַּעֲקֹב שְׂמֵחָה. אֲלֵא אַרְבַּע גְּאוּלוֹת עֲתִידִין לְמַהוּי, לְקַבֵּל אַרְבַּע כּוֹסוֹת דְּמַסָּח. בְּגִין דִּישְׂרָאֵל מִמּוֹזְרִין בְּאַרְבַּע פְּנוֹת עֲלָמָא, וְאִינוּן דִּיהוּן רְחוּקִין מֵאוּמִין, אֲקַדְיִמוּ לְרְנוּ. וְתַנְיִינִין, לְשִׁתִּין. וְתַלִּיתָאִין, לְשִׁתִּין וְשִׁתִּין. וְרַבִּיעֵאִין לַע"ב.

750. וְאִינוּן כ"ד, לְכֹל חַיָּה מִתְּלַת חַיּוֹן. כ"ד רִזָּא דִּילֵיהּ, וְקָרָא זֶה אֵל זֶה וְאָמַר. וְאִינוּן תְּלַת כְּתוּת, מִן כ"ד צוּרוֹת. כַּת אַחַת אוֹמֶרֶת קְדוּשָׁה, וְכַת תַּנְיִינָא אוֹמֶרֶת קְדוּשָׁה, וְכַת תְּלִיתָאָה אוֹמֶרֶת קְדוּשָׁה. מִיַּד אֶתְעַר שְׂמָאֵלָא בְּמ"ב אֶתְוּן, דְּעַבַּד דִּינָא בְּעַמְלָק.

751. "If a bird's nest chance to be before you in the way" (Devarim 22:6). "In the way" refers to the sages of the Bible, "in any tree" to the sages of the Mishnah, who are as young birds nesting in the branches of the tree. And there are those who say that "in any tree" refers to Yisrael about whom it is said: "for as the days of a tree shall the days of My people be" (Yeshayah 65:22); or that "on the ground" refers to the sages of the Torah, about whom it is said: "Sleep on the ground and live a life of suffering while you toil in the Torah". "Young ones" (Ibid.) refers to young priests, and "eggs" (Ibid.) are those whom the Holy One, blessed be He, nourishes from buffalo's horns to louse's eggs THAT IS TO SAY, INCLUDING EVERYTHING, FROM THE SMALLEST TO THE LARGEST. "And the mother sitting upon the young" (Ibid.) is the time when sacrifices used to be offered. What is written THEN? "You shall not take the mother bird together with the young" (Ibid.). THAT IS TO SAY: DO NOT BREAK UP THE UNION OF THE MOTHER, WHO IS THE SHECHINAH, WITH THE YOUNG, WHO ARE YISRAEL.

752. After the destruction of the Temple and the annulment of the sacrifices, what is written? "but you shall surely let the mother go" (Devarim 22:7), WHERE THE MOTHER IS THE SHECHINAH, and the young have been exiled, namely, "and take the young to you" (Ibid.). FOR THE KABBALISTS ARE CALLED 'YOUNG', for they are from the side of the letter Aleph that is inserted in the spelling of the letter Vav FILLED OUT, NAMELY, VAV ALEPH VAV OF THE YUD HEI VAV HEI, which is a long world, FOR THIS LETTER ALEPH THAT IS INSERTED IN THE FILLED OUT VAV ALEPH VAV, IS DRAWN DOWN FROM BINAH, WHICH IS THE SECRET OF THE WORLD TO COME, WHICH IS A WORLD THAT IS THROUGHOUT LONG, about which it is said: "that it may be well with you, and that you may prolong your days" in the world that is altogether long.

753. AND IN THE EXILE, prayer was decreed instead of sacrifices, AND YISRAEL raised their voices with the sound of the songs, the recital of the Sh'ma, WHICH ASCENDS to the Central Column that is on high, NAMELY, ZEIR ANPIN, for the mother and the daughter, WHICH ARE BINAH AND MALCHUT, are in exile, FOR INASMUCH AS MALCHUT IS COMPOSED OF BINAH, TO THAT EXTENT BINAH IS ALSO IN EXILE, and immediately on ZEIR ANPIN's descent, He is joined with the daughter, WHICH IS MALCHUT, that is called 'dim hand', in order to connect the Vav, WHICH IS ZEIR ANPIN, with the Hei, WHICH IS MALCHUT IN SIX SFIROT, FOR THE RECITAL OF THE SH'MA IS THE DRAWING DOWN OF the six intermediate Sfirot OF GREATNESS TO ZEIR ANPIN AND MALCHUT. Immediately, 'Blessed be the name of the glory of His kingdom forever and ever' is whispered to Chochmah, FOR IT IS THE SECRET OF THE UNITY OF MALCHUT, TO WHICH THE EMANATION IS THEN DRAWN DOWN FROM CHOCHMAH.

109. The four passages in the Tefilin and the recital of Sh'ma

After a description of the four sections of the Tefilin we hear that the prayer, the Sh'ma, is the crown on the head of Zeir Anpin, because Sandalfon ties all the prayers together and makes them into a crown. The assertion is made that the Shechinah is God's tabernacle, His table, His candelabra, His ark and His altar.

751. כִּי יִקְרָא קֵן צְפוּר לְפָנֶיךָ בַּדֶּרֶךְ מֵאֵרֵי מִקְרָא. בְּכָל עֵץ, מֵאֵרֵי מִשְׁנֵה. דְּאִינוּן בְּאֶמְרוּחִים, דְּמִקְנָנִין בְּעֵנְמֵי אֵילָנָא. אֵית דְּאִמְרֵי, בְּכָל עֵץ, אֵלִין יִשְׂרָאֵל. דְּאִתְמַר בְּהוּ, כִּי כִימֵי הָעֵץ יִמֵי עַמִּי. אוּ עַל הָאָרֶץ, אֵלִין מֵאֵרֵי תוֹרָה, דְּאִתְמַר בְּהוּ, עַל הָאָרֶץ תִּישָׁן וְחַיֵּי צַעַר תַּחֲיֶיהָ וּבִתּוֹרָה אִתָּה עָמַל. אֶמְרוּחִים: אֵלִין פְּרָחֵי כְּהוֹנָה. אוּ בִיּוֹצִים: אֵלִין דְּזֵן לֹון קוּדְשָׁא בְּרִיךְ הוּא מְקַרְנֵי רֵאמִים וְעַד בִּיּוֹצֵי כְּנִים. וְהָאֵם רוּבַצַת עַל הָאֶמְרוּחִים, בְּזִמְנָא דְּהוּוּ קְרַבִּין קְרַבְנִין. מַה כְּתִיב לֹא תִקַּח הָאֵם עַל הַבָּנִים.

752. חָרַב בֵּי מִקְדָּשָׁא, וּבִטְלוּ קְרַבְנִין, מַה כְּתִיב, שְׁלַח תְּשַׁלַּח אֶת הָאֵם. וּגְלוּ הַבָּנִים, וְהִיוּנוּ וְאֵת הַבָּנִים תִּקַּח לָךְ, מִסְטָרָא דְּא' דְּאֵת ו', דְּאִיהוּ עוֹלָם אַרוֹךְ דְּאִתְמַר בֵּיהּ לְמַעַן יִיטַב לָךְ וְהֵאֲרַכְתָּ יָמִים, לְעוֹלָם שְׂכָלוּ אַרוֹךְ.

753. וּבְאִתְרֵי דְּקְרַבְנִין, תְּקִינוּ צְלוֹתִין, וּמְצַמְצָמִין בְּקִלִּין דְּשִׁירִין. בְּקוֹל דְּק"ש, לְגַבֵּי עַמּוּדָא דְּאִמְצַעִיתָא דְּאִיהוּ לְעִילָא. דְּהָא אִימָא וּבִרְתָּא בְּגִלוּתָא, וּמִיד דְּנַחֲתִית, קְשָׁרִין לָהּ בְּבִרְתָּא, דְּאִיהוּ יָד כְּהָהּ, לְמַהוּי קְשִׁיר ו' עַם ה', בְּשִׁית סְפִירָאן. מִיָּד מְלַחְשִׁין לְגַבֵּי חֲכָמָה, בְּרוּךְ שֵׁם כְּבוֹד מְלָכוּתוֹ לְעוֹלָם וָעַד.

754. The NUMERICAL VALUE OF 'one' (Heb. echad), THE FINAL WORD OF THE FIRST LINE OF THE SH'MA YISRAEL, together with the NUMERICAL VALUE OF 'glory' (Heb. kavod), FROM 'BLESSED BE THE GLORY OF THE NAME OF HIS KINGDOM FOR EVER AND EVER', add up to Mem Hei of Chochmah (Chet Caf Mem Hei). For CHOCHMAH is brought down to Ima, and immediately on the descent OF CHOCHMAH TO IMA, the people bind it with the knot of the head Tefilin, FOR THE KNOT OF THE HEAD TEFILIN IS THE SECRET OF LEAH, WHICH IS THE SECRET OF DRY LAND, WHO IS THE ONE TO RECEIVE FROM DESCENDING CHOCHMAH, IN THE SECRET OF THE VERSE: "AND YOU SHALL SEE MY BACK" (SHEMOT 33:23), THAT ALLUDES TO THE KNOT OF THE HEAD TEFILIN. And for this reason, the four sections of the Tefilin are: "Sanctify to me" (Shemot 13:1-10), which is Chochmah; "And it shall be when Hashem shall bring you into the land" (Shemot 13:11-16), which is Binah; "Hear, O Yisrael" (Devarim 6:4-9), which is Tiferet, consisting of six Sfirot in the six words OF THE SH'MA: Hear, O-Yisrael, Hashem, our-Elohim, Hashem is-one; "And it shall come to pass, if you hearken" (Devarim 11:13-21), which is Malchut that is CALLED 'faint hand'. The prayer is Keter (lit. 'crown'), namely, a crown on the head OF ZEIR ANPIN, IN THE SECRET OF THE VERSE: "There is none holy as Hashem" (I Shmuel 2:2), WHERE THE LETTER CAF (MEANING 'AS') ALLUDES TO KETER, because Sandalfon ties all the prayers together and makes them into a crown.

755. At that time the table has to be prepared for the King's banquet, and the tabernacle and candelabra and the ark and the altar and all sorts of utensils of the King's house have to be arranged. And we do not refer to just any table that is not made by the Holy One, blessed be He, for we are referring to none other than the table which is made by the Holy One, blessed be He, which is His Shechinah. And THE SHECHINAH is ZEIR ANPIN's tabernacle, His table, His candelabra, His ark, His altar, for she, THE SHECHINAH, consists of all the utensils of the upper King, WHO IS ZEIR ANPIN.

110. The shew-bread which is the twelve faces

We learn about the sacrifices that are made by fire, and about the correspondence between the show-bread and the twelve countenances of the three Holy Beasts. The Faithful Shepherd uses the analogy of the oven in which the bread is baked to show the role of the Shechinah, and says that there is clean fine flour in the bread of the Torah. In reference to the wood that is burned in the offering he tells us that the name given to the sages of Torah is "trees of holiness."

756. Those WHO ARE CALLED 'SONS', WHO ARE MENTIONED ABOVE, are the ones who arrange the wine and bread of the upper King, ZEIR ANPIN, and about them it is said: "My offering, the provision of My sacrifices made by fire" (Bemidbar 28:2). For only those that are called 'the fire offerings of Hashem' may be offered to Him, and it is therefore WRITTEN: "My offering, the provision of My sacrifices made by fire." For it is said about it: "Come, eat of my bread" (Mishlei 9:5), and they are called 'the shew-bread' (lit. 'the bread of the countenances'), there being twelve countenances THAT ARE ALLUDED TO IN THE THREE YUD HEI VAV HEI'S: "Hashem bless you... Hashem make His face to shine... Hashem lift up His countenance..." (Bemidbar 6:24-26), AND THERE ARE THUS TWELVE THAT CORRESPOND TO THE twelve countenances of three holy living creatures.

754. אַחַד כְּבוֹד, גִּי מִה מִן חֲכָמָה. הַנְּחִית לִיָּה לְגַבֵּי אִמָּה, וּמִיַּד הַנְּחִית, קִשְׁרִין לִיָּה עִמָּא בְּקִשּׁוּרָא דְתַמְלִין דְּרִישָׁא. וּבִגְדֵי בְּאַרְבַּע פְּרָשִׁינֵין דְּתַמְלִין, קִדְּשׁ לִי, חֲכָמָה. וְהִיָּה כִּי יִבְיֹאֲךָ, בִּינָה. שְׁמַע יִשְׂרָאֵל תַּפְּאֶרֶת, כְּלִיל ו' סְפִירִין, בְּשֵׁית תִּיבִין. וְהִיָּה אִם שְׁמוּעָה, מְלָכוּת, יָד כְּהָה. צְלוֹתָא כְּתָר כ' עַל רִישֵׁיהּ, אִין קְדוּשׁ בִּידוּד, דְּסַנְדַּלְפוֹן קוּשֵׁר כָּל צְלוֹתִין, וְעֵבִיר לוֹן כְּתָר.

755. בְּהִוָּא זְמַנָּא צְרִיךְ לְסַדְרָא פְּתוּרָא לְסַעוּדָתָא דְמַלְכָּא, וּמִשְׁכָּנָא וּמִנְרֵתָא וְאַרְוֵנָא וּמִדְּבַחָא, וְכָל מִינֵי שְׁמוּשָׁא דְּבֵיתָא דְּמַלְכָּא. וְלֹא בְּתָר פְּתוּרָא אֲזֵלִינֵן דְּלֹא עוֹבְדָא דְּקוּדְשָׁא בְּרִיךְ הוּא, דְּלֹא אֲזֵלִינֵן אֶלָּא בְּתָר פְּתוּרָא דְּאִיהוּ עוֹבְדֵי יְדוּי דְּקוּדְשָׁא בְּרִיךְ הוּא, דְּאִיהוּ שְׂכִינְתֵיהּ. מִשְׁכַּן דִּילֵיהּ, פְּתוּרָא דִּילֵיהּ, מִנְרֵתָא דִּילֵיהּ, אֲרֻנָּא דִּילֵיהּ, מִדְּבַחָא דִּילֵיהּ, אִיהוּ כְּלִילָא מִכָּל מְאֵנֵי שְׁמוּשָׁא לְמַלְכָּא עֲלָאָה.

756. אִינְהוּ אִינוּן דְּמַתְקֵי חֲמֵרָא וְנִהְמָא דְּמַלְכָּא עֲלָאָה, דְּאֶתְמַר בְּהוּ אֶת קְרַבְנֵי לַחְמֵי לְאִשֵּׁי דְּלִית לְקַרְבָּא לִיָּה לְגַבִּיָּה אֶלָּא אֵלִין דְּאֶתְקְרִיאוּ אִשֵּׁי יוּי. וּבִגְדֵי אֶת קְרַבְנֵי לַחְמֵי לְאִשֵּׁי. דְּעֲלִיָּה אֶתְמַר, לְכוּ לַחְמוּ בְּלַחְמֵי. וְאֶתְקְרִי לַחֵם הַפְּנִים, דְּאִינוּן יוּב אַנְפִּין, יְבָרְכֵךְ יְהוָה, יֵאָר יְהוָה, יִשָּׂא יְהוָה, תְּרִיסֵר אַנְפִּין דְּתִלַּת חִינוּן.

757. What is the bread of these twelve countenances? It is the bread of man, which is THE SECRET OF THE YUD HEI VAV HEI, FULLY SPELLED WITH ALEPHs, THUS YUD VAV DALET; HEI ALEPH; VAV ALEPH VAV; HEI ALEPH, WHICH IS THE NUMERICAL EQUIVALENT OF MAN (HEB. ADAM = 45). AND THEY ARE TWELVE IN THE SECRET OF THE THREE YUD HEI VAV HEI'S, WHICH MEAN THE THREE COLUMNS, IN EACH OF WHICH IS ONE YUD HEI VAV HEI, MAKING A TOTAL OF TWELVE LETTERS, AS ABOVE. And He has bread in four faces, which are the four letters of the Yud Hei Vav Hei, THAT INCLUDE TWELVE FACES, AS ABOVE. This bread of the King's table is clean fine flour, THAT CONTAINS NO CHAFF OR STRAW, WHICH ARE JUDGMENTS.

758. His oven, in which he bakes the bread, is the Shechinah, for THE BREAD cooks and is completed there. And this is why one should not start cutting the bread other than at the point where its cooking was completed, namely, it is similar to the perfection of a fruit that has reached full ripeness. And this is Adonai, WHICH IS MALCHUT, which is completion and perfection of the Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, which is the shew-bread (lit. 'bread of the faces'), NAMELY, THE TWELVE COUNTENANCES MENTIONED ABOVE WHICH ARE IN ZEIR ANPIN. Adonai is ZEIR ANPIN's oven AND COMPLETES HIM. AND IT IS CALLED 'A FURNACE' (HEB. KIVSHAN) because it is subdued (Heb. KEVUSHAH) under its husband, and for her it is said: "And Mount Sinai smoked in every part, because Hashem descended upon it in fire: and the smoke thereof ascended like the smoke of a furnace" (Shemot 19:18). "Furnace" here does not MEAN as an ordinary furnace, but rather that in which He applies (Heb. kovesh) His mercies to His people when they pray and present their supplications. AND SO IS IT SAID: May Your mercy suppress (Heb. YICHBESHU) your anger. And IT WAS SAID of it: What do you have to do with the secrets of the Merciful One? FOR THE SECRETS OF THE HOLY ONE, BLESSED BE HE, ARE CALLED 'KIVSHE' (LIT. 'SECRETS') OF THE MERCIFUL ONE.

759. And in the bread of the Torah there is CLEAN fine flour, which the King gives to those about whom it is said: 'All Yisrael are the children of kings', NAMELY, HE GIVES IT TO THOSE WHO ARE CALLED 'CHILDREN', for it is the food of the righteous. And there is also bread of the Torah that is waste matter and which is given to the servants and handmaids of the king's house, WHO ATTEND TO THE HORSES AND RIDERS OF THE KING'S HOUSE. And for this reason it is said about the queen: "She rises also while it is yet night, and gives food to her household, and a portion to her maidens" (Mishlei 31:15), who are the sages of the Mishnah. And this is why it is said about the food of the king: "and a tenth part of an efa of flour" (Bemidbar 28:5). FINE FLOUR, certainly; while THE TENTH PART OF AN EFAH is the Yud (whose numerical value is ten) of Adonai, which is certainly tenth, and it follows that this fine flour is the food of the King, AS ABOVE.

760. THE FAITHFUL SHEPHERD SAID: Rise up, holy luminary, you and Rabbi Elazar, your son, together with Rabbi Aba, Rabbi Yehuda, Rabbi Yosi, Rabbi Chiya and Rabbi Yudai, to prepare a gift for the King, THE HOLY ONE, BLESSED BE HE, to make a sacrifice of all the limbs, which are Yisrael, so that they should be sacrificial offerings to the Holy One, blessed be He. And those who are called 'the Neshamah' of YISRAEL ARE OFFERED to the limbs of the holy Shechinah, NAMELY, TO THE SFIROT OF MALCHUT, WHICH IS CALLED 'fire OF the Most High'. AND THIS FIRE is attached to the pieces of wood that are called "the wood (Heb. etz) of the burnt offering" (Bereshheet 22:6), namely, the Tree (Heb. etz) of Life, WHICH IS ZEIR ANPIN, and the Tree (Heb. etz) of Knowledge of Good and Evil, WHICH IS MALCHUT. Trees of holiness are the name given to the sages of Torah, for the Torah is attached to them, as it is said: "Is not My word like a fire? says Hashem" (Yirmeyah 23:29).

757. מאי לחם דאלין פנים. דא נהמא דאדם, דאיהו יו"ד ה"א וא"ו ה"א. ואית ליה נהמא בארבע אנפין, דאינון ארבע אתון ירוד. האי נהמא דפתורא דמלכא, איהו סלת נקיה.

111. "My offering, the provision of My sacrifices made by fire"

We are told that Yisrael offers the Torah to God, and the Torah is His bread and His wine and His meat; the Torah is holy flesh that descends from heaven. This explains the meaning of "My offering, the provision of My sacrifices made by fire."

761. It is said ABOUT MALCHUT: "a burnt offering to Hashem" (Bemidbar 28:11), "an offering to Hashem" (Vayikra 27:9), "a sacrifice made by fire to Hashem" (Bemidbar 28:6), and it is said: "My offering, the provision of My sacrifices made by fire" (Ibid. 2). And has it not already been written: Sacrifices must be offered to none other than Hashem? What, therefore, is the meaning of "My offering, the provision of My sacrifices made by (also: 'to') fire"? HE ANSWERS, one who offers a gift does so by custom for the king, and the king distributes it to whomever he pleases. Yisrael, likewise, offers the Torah, WHICH IS MALCHUT, to the Holy One, blessed be He, that is His bread and His wine and His meat. And it is said about it, ABOUT THE TORAH, WHICH IS MALCHUT, "bone of my bones, and flesh of my flesh" (Bereshheet 2:23). And this is holy flesh, about which the teachers of the academy taught: We are talking about flesh that descends from heaven.

761. וְאֶתְמַר בְּה, עוֹלָה לַיְי, קֶרְבֵּן לַיְי, אֲשֶׁה לַיְי, וְאֶתְמַר אֶת קֶרְבְּנִי לַחֲמֵי לְאֲשֵׁי. וְהָא בְּתִיב דְּלִית לְקֶרְבָּא קֶרְבֵּן אֶלָּא לַיְי, מֵאִי נִיהוּ, אֶת קֶרְבְּנִי לַחֲמֵי לְאֲשֵׁי. אֶלָּא אֶרְחָא, דְּמֵאֵן דְּקָרִיב דּוֹרוּנָא, לְמִקְרַב לִיָּה לְמִלְכָּא, וּלְבִתְרָא אִיהוּ פְּלִיג לִיָּה, לְמֵאֵן דְּבַעֵי. אוּף הֲכִי יִשְׂרָאֵל, מְקָרִיבִין אוֹרִייתָא לְקוֹדֶשָׁא בְּרִיךְ הוּא, דְּאִיהוּ לַחֲמוֹ, וְאִיהוּ יַיְנוּ, וְאִיהוּ בֶּשֶׂר דִּילִיָּה, וְאֶתְמַר בְּה, עֶצֶם מֵעֶצְמֵי וּבֶשֶׂר מִבְּשָׂרֵי. בֶּשֶׂר קֹדֶשׁ, דְּאוֹקְמוּהָ עֲלֵהּ מֵאֲרִי מִתִּיבְתָאֵן, בְּבֶשֶׂר הַיּוֹרֵד מִן הַשָּׁמַיִם עֲסָקִינָן.

112. Fine flour, average flour and waste matter

Moses says that God gives His finest food to those He loves who are on the side of the Tree of Life; He gives His average food to the angels, or sages of Mishnah; and he gives the waste food to the evil spirits and demons.

762. What does the Holy One, blessed be He, do with this gift, NAMELY, WITH THE ILLUMINATION OF THE MATING MADE BY THE SACRIFICE, AS ABOVE? HE IS like a king who eats at his own table, and every type is served at the table: fine flour, medium flour, and waste matter, and he distributes from his table to all those sitting at the banquet, through his appointees, to each one as befits him. He commands that bread made out of fine flour that the king eats be given to those he loves who are near to him as it is written: "My offering, the provision of My sacrifices made by fire, for a sweet savor to Me" (Bemidbar 28:2), namely: "the offerings of Hashem made by fire, and His dues shall they eat" (Devarim 18:1). And THIS FOOD is from the side of the Tree of Life AND IS, THEREFORE, CLEAN FINE FLOUR, WITHOUT ANY WASTE MATTER AT ALL. But from the side of the Tree of Knowledge of Good and Evil, IN WHICH THERE IS WASTE MATTER, which is the average flour, He commanded to be given to the angels, while the waste matter HE GIVES to the evil spirits and demons who serve the horses and riders of the king.

762. קוֹדֶשָׁא בְּרִיךְ הוּא מֵאִי עֵבִיד מֵהוּא דּוֹרוּנָא. לְמִלְכָּא דְּאָכִיל עַל פְּתוּרָא. דְּקֶרְבִּין עַל פְּתוּרִיָּה מִכֵּל מִיָּן וּמִיָּן, סֶלֶת, וּבִינּוֹנִי, וּפְסוּלָת. וְאִיהוּ פְּלִיג מִפְּתוּרִיָּה, לְכֹל מֵאֲרִי סְעוּדָתָא, לְכֹל חַד בְּדָקָא יָאוּת, עַל יְדֵי מִמְנָן דִּילִיָּה. וּמֵהוּא נִהְמָא, דְּאִיהוּ סֶלֶת, דְּמִלְכָּא אָכִיל, אִיהוּ מְנִי לְמִיָּהֵב לְאִינּוֹן דְּרַחֲמִינָן גְּבִיָּה. הַה"ד, אֶת קֶרְבְּנִי לַחֲמֵי לְאֲשֵׁי רִיחַ נְחוּחִי. דְּהֵינּוּ אֲשֵׁי יַי' וְנַחֲלָתוֹ יֹאכְלוֹן הֵאִי אִיהוּ מִסְטָרָא דְּאִילָנָא דְּחַיִּי. אֲבָל מִסְטָרָא דְּעֵץ הַדַּעַת טוֹב וְרַע, מְנִי לְמִיָּהֵב בִּינּוֹנִי, לְמִלְאָכִים. וּפְסוּלָת לְשִׂדִּין וּמְזִיקִין, דְּאִינּוֹן מִשְׁמֵשִׁין לְסוֹסוֹן וּלְפִרְשֵׁינָן דְּמִלְכָּא.

763. And here, too, THE MEDIUM FLOUR IS GIVEN to the king's horsemen, namely the sages of Mishnah, who are as the angels, and their servants are the Jewish spirits (Heb. shed - Shin Dalet) marked by the sign of Shadai, FOR THEY ARE WRITTEN WITH THE LETTERS SHIN DALET OF SHADAI (SHIN DALET YUD). And there are also evil spirits and demons from the side of impurity that are called 'idol-worshipping spirit', for "The Elohim has made the one as well as the other" (Kohelet 7:14).

763. וְאוּף הֲכִי דְּפִרְשֵׁין דְּמִלְכָּא, הוּוּ מֵאֲרִי מִשְׁנָה, דְּאִינּוֹן בְּמִלְאָכִים. מִשְׁמֵשִׁין לוֹן שְׂדִים יְהוּדָאִי, דְּאִינּוֹן רְשִׁימִין בְּאוּת שְׂדֵי, וְאִית שְׂדִין וּמְזִיקִין מִסְטָרָא דְּמִסְאָבוּ, דְּאֶתְקְרִיאוּ שְׂדִים עֲכוּ"ם. וְזֵה לְעוֹמֵת זֶה עֲשָׂה הָאֱלֹהִים.

764. And for this reason the sages of the Mishnah said: There are three kinds of them, OF THE SPIRITS OF THE JEWS. One kind are like ministering angels, the second kind are like human beings and the third kind are like animals, and some of them are scholars in the Written Law and the Oral Law. And he who is called 'Joseph the spirit' is so called because he was sired by a spirit. And it was not for nothing that the sages of the Mishnah said: If the rabbi is similar to an angel of Hosts, let them seek Torah from his mouth. FOR THE SAGES OF THE MISHNAH ARE LIKENED TO THE ANGELS. And Asmodeus, the king OF THE SPIRITS, and all his family are, it has been taught, Jewish spirits, for they have submitted to the Torah and the names of the Torah.

765. And because the sons of Aaron arranged their sacrifices, this is why they were punished, for even though all the sacrifices are offered to the king, THE KING distributes them to each one, as befits him, and takes for himself what befits him.
End of Ra'aya Meheimna

113. Shavuot
We learn that the Torah depends on the river issuing forth from Eden.

766. "Also on the day of the firstfruits, when you bring a new meal offering to Hashem" (Bemidbar 28:26). Rabbi Aba said: It is written "the day of the firstfruits," but what does "day" refer to? HE ANSWERS THAT this is a river issuing forth from Eden, NAMELY, ZEIR ANPIN, who is a day of those upper first-fruits, NAMELY YUD HEI, ABA AND IMA, WHO ARE CALLED 'FIRST-FRUITS'. And upon it the Torah depends, NAMELY, ZEIR ANPIN, and He brings forth all the secrets of the Torah, and because He is the Tree of Life, the fruit of the tree has to be brought. Moses says that Yisrael is the firstfruits for God of all the nations in the world. He tells us that Vav is the river that comes out of Eden, and that when the river comes out then all the secrets of the Torah also come out. Moses talks about the six Sfirot that are called the primordial years of the creation of the world; because the six Sfirot preceded the world and all the creatures, they are called firstfruits. Man is called the firstborn son after the name of the sign of the covenant that is Yud. Lastly the Faithful Shepherd tells us that the Torah is called 'glory' and anyone who studies Torah is called a king. Ra'aya Meheimna (the Faithful Shepherd)

767. "Also on the day of the firstfruits, when you bring a new meal offering to Hashem." Rabbi Aba said: "the day of the firstfruits" refers to the upper firstfruits of the Torah, NAMELY, ABA AND IMA, as it is written: "The choicest first-fruits of your land you shall bring" (Shemot 23:19). The Faithful Shepherd said, Just as the firstborn to their mother, so are the first-fruits of the tree called, "the first ripe fruit in the fig" (Hoshea 9:10). So, too, is Yisrael the first-ripe and the first-fruits for the Holy One, blessed be He, of all the nations of the world, as it is written: "Yisrael is holy to Hashem..." (Yirmeyah 2:3). For this reason it is said about them, ABOUT THE FIRST FRUITS THAT ALLUDE TO YISRAEL: "you shall bring to the house of Hashem your Elohim" (Shemot 23:19), NAMELY, THAT THEY SHOULD MERIT COMPLETE REDEMPTION. AND BECAUSE OF WHAT it is said about the idolatrous nations: "and they devour Yisrael with open mouth" (Yeshayah 9:11); IT IS ALSO SAID ABOUT THEM: "ALL THAT DEVOUR HIM shall be held guilty; evil shall come upon them" (Yirmeyah 2:3).

768. And so, too, VAV, WHICH IS ZEIR ANPIN, that includes six Sfirot, and which is the son of Yud Hei, WHICH ARE ABA AND IMA THAT ARE CALLED 'FIRST-FRUITS', is called 'a firstfruit'. And all the branches that come out from it and in which there are heads, THE LEVELS WHICH CONTAIN THE UPPER THREE SFIROT THAT ARE TERMED HEAD, are called 'first-fruits'. Vav is a river of those upper firstfruits, WHICH IS ZEIR ANPIN, and this is the river that comes out of Eden, WHICH IS YUD HEI, and it is on this that the Torah is dependent. And when it comes out AND IS REVEALED then all secrets of the Torah come out because it is both the Tree of Life and the Torah, as it is written: "She is a Tree of Life to those who lay hold on her" (Mishlei 3:18). And the precepts OF ZEIR ANPIN, WHO IS THE TORAH, are like the buds of the fruit of the tree that have to be brought TO THE HOUSE OF HASHEM.

768. אוֹף הָכִי ו' דְּכָלִּיל שִׁית סְפִירָאן, וְאִיהוּ בֵּן י"ד, אֲתַקְרִי בְכ"ר. וְכַל עֲנַפִּין דְּנַפְקִין מִנְיָה דְּבְהוֹן רַאשִׁין, אֲתַקְרִיאוּ בְכוּרִים. ו' אִיהוּ נְהַר, מֵאֵינוֹן בְּכוּרִים עַל־אֵין, וְהוּא נְהַר נְפִיק מְעַדָּן. וְדָא אִיהוּ דְּאוּרִייתָא תְּלִינָא בֵּיה. וְכַד נְפִיק נְפִיקֵי כָּל רִזוּן דְּאוּרִייתָא, וּבגִין דְּאִיהוּ אֵילָנָא דְּחַיֵּי אוּרִייתָא, הַדָּא הוּא דְּכַתִּיב, עֵץ חַיִּים הִיא לְמַחְזִיקִים בָּהּ. וּמְקוּדִין דִּילָהּ דְּמִיּוֹן לְאִיבָא פְּרִי דְּאֵילָנִין, אֲצַטְרִיכוּ לְאִייתָאָהּ.

769. The Faithful Shepherd said, You might ask: Why are the first-fruits, that are called "a new meal offering" (Bemidbar 28:26), TO BE FOUND ON THE TREE from six months to six months? THAT IS, DURING THE SIX MONTHS OF THE WINTER AND AUTUMN THEY ARE ON THE TREE AS A FETUS IN ITS MOTHER'S WOMB, AND FROM WHEN THEY START GROWING UNTIL THEY ARE FULLY RIPE ANOTHER SIX MONTHS PASS. WHAT IS THE REASON FOR THIS TAKING SIX MONTHS? And again, about man it is said: "for is the tree of the field a man" (Devarim 20:19). WHAT IS THE REASON FOR HIS HAVING a nine or seven-month GESTATION PERIOD? And it is also SAID about cattle: "then it shall be seven days under its dam; and from the eighth day and thenceforth it shall be accepted for an offering made by fire to Hashem" (Vayikra 22:27), namely, to be offered as a sacrifice before Hashem. AND WHAT IS THE REASON FOR THE SEVEN DAYS BEING REQUIRED? Furthermore, why are the Sfirot, in which are the name of the Yud Hei Vav Hei and all His appellations, called by the names of the living creatures, NAMELY, LION, OX, EAGLE, AND MAN?

769. אָמַר רַעִיא מְהִימְנָא וְאִי תִימְרוּן אֲמַאי בְכוּרִים, דְּלְהוֹן אֲתַקְרִיאוּ מִנְחָה חֲדָשָׁה, מִשִּׁית יֶרְחִין לְשִׁית יֶרְחִין. וּמִפְּרֵי נֶשׁ דְּאֲתַמַּר בֵּיה כִּי הָאָרֶם עֵץ הַשָּׂדֶה לְתַשַּׁע יֶרְחִין, אוּ לְשִׁבְעָה. וּבְעִירָא אוֹף הָכִי, שְׁבַעַת יָמִים יִהְיֶה תַּחַת אִמּוֹ וּמִיּוֹם הַשְּׁמִינִי וְהִלָּאָה יֶרְצָה לְקַרְבַּן אֲשֶׁה לַיהוָה, לְקַרְבָּא קַרְבָּנָא קָדָם יי'. וְעוֹד סְפִירָאן, בְּהוֹן שֵׁם יְהוָה, וְכַל כְּנוּיִן דִּילָיָהּ, אֲמַאי אֲתַקְרִיאוּ בְּשֵׁם חַיִּין.

770. HE ANSWERS, however, "a new meal offering" is to be understood by way of mystery, AND ITS MEANING is the Shechinah. From six months to six months THAT THE FRUITS ARE GESTATING ON THE TREE refers to the six Sfirot CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD which are called 'the primordial years of the creation of the world', which are the secret of the six thousand years that the world has been in existence, AND THEY ARE CALLED 'YEARS' from the aspect of upper Ima, WHICH IS BINAH, while from the aspect of lower Ima, WHICH IS MALCHUT, they are called 'months'. And because these six SFIROT preceded the world and all the creatures, they are called 'firstfruits', AND THIS IS THE SECRET WHY THE FRUIT OF THE TREE ARE THE FIRST-FRUITS OF THE SIX MONTHS, FROM THE TIME THEY START GROWING UNTIL THEY ARE FULLY RIPE, NAMELY, CORRESPONDING TO CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD FROM THE ASPECT OF MALCHUT.

771. And the Shechinah, which is "a new meal offering" is from the aspect of the living creature, about whom it is said "As for the likeness of their faces, they had the face of a man" (Yechezkel 1:10), THAT IS THE NINE MONTHS OF GESTATION. FOR THE NUMERICAL VALUE OF 'MAN' (HEB. ADAM) is nine in the small calculation of Enoch, FOR IN THE SECRET OF THE SMALL NUMBER, WHICH IS METATRON, WHO IS CALLED 'ENOCH', THE VALUE OF THE LETTERS IS CONSIDERED ONLY AS A NUMBER OF UNITS, SUCH THAT THE LETTER MEM WILL BE ONLY FOUR, AND SO, TOO, TAV WILL BE ONLY FOUR, AND SO ON, SO THAT THE NUMERICAL VALUE OF ADAM IS NINE. And this is the secret of man, who is born after nine months of gestation. AND MAN WHO IS BORN is the tenth TO THEM and is thereby included in all TEN SFIROT. AND MAN is called 'the firstborn son', after the name of the sign of the covenant, WHICH IS YESOD, which is Yud, NAMED AFTER the first drop drawn out of him, seed shot as an arrow, FROM WHICH MAN IS BORN. AND EVERY DROP IS CALLED 'YUD', BECAUSE IT INCLUDES YUD SFIROT. And YESOD is Vav (numerical value of six) and IS THE DROP, being Yud that rises over Vav, WHICH IS YESOD, just as the fruit rises over the branch of the tree. AND BECAUSE THERE ARE THREE UPPER SFIROT, WHICH IS THE SECRET OF FIRSTFRUITS, IN THE TEN SFIROT, MAN IS THEREFORE CALLED 'A FIRSTBORN SON'.

772. And although there are many branches on the tree, on which are a number of figs, those THAT RIPEN first at the beginning are called 'first-fruits'. And these are the 'heads' of all of them, and on a parallel with them it is said: "Lift up your heads, O you gates" (Tehilim 24:7), THE MEANING OF WHICH IS AS: "Lift up your eyes on high, and behold who has created these?" (Yeshayah 40:26); and also: "Take the sum (lit. 'Lift the head') of all the Congregation of the children of Yisrael" (Bemidbar 1:2).

773. "Lift up your heads, O you gates." Gates here are the fifty gates of Binah, which are the Heavenly Academy. "and be lifted up, you everlasting doors" refers to the doors of the Earthly Academy, WHICH IS MALCHUT, for everyone who engages in the Torah is, at the end, lifted, as it is written: "If you have done foolishly in lifting yourself up" (Mishlei 30:32). And the sages of the Mishnah taught: Whoever abases himself (acts foolishly) for words of the Torah will, in the end, be exalted. And this is the meaning of "and the King of glory shall come in" (Tehilim 24:7), for there is no glory apart from the Torah.

770. אֵלָא מְנַחָה חֲדָשָׁה בְּאַרְחָ רִזָּא , דָּא שְׂכִינְתָּא . מְשִׁית יִרְחִין לְשִׁית יִרְחִין , אִינוּן שִׁית סְפִירָאן , דְּאִתְקְרִיאוּ שְׁנִים קְדְמוֹנִיּוֹת לְבְרִיּוּת עֲלְמָא , דְּאִינוּן שִׁיתָא אֲלֵפֵי שְׁנִין הִוִּי עֲלְמָא , מְסִטְרָא דְּאִימָא עֲלָאָה . וּמְסִטְרָא דְּאִימָא תַתָּאָה , אִתְקְרִיאוּ יִרְחִין . וּבְגִין דְּקְדְמוּ לְעֲלְמָא , וְכֹל בְּרִיּוּן , אִתְקְרִיאוּ בְּכוֹרִים .

774. It follows that whoever learns Torah, which is called 'glory', is himself called 'a king', FOR IT IS WRITTEN "AND THE KING OF GLORY SHALL COME IN" (TEHILIM 24:7). And it should not be said that he is a king in the next world and no more than that, for he is a king in both the worlds, in the image of his Master. And this is why the verse comes twice: "Who is this king of glory?" (Ibid. 8) and "Who is this king of glory?" (Ibid. 10), WHICH TEACHES THAT THE REFERENCE IS TO BOTH THE WORLDS, THIS WORLD AND THE WORLD TO COME. The verse "Lift up your heads, O you gates" appears twice. What is the meaning of "your heads"? THE ANSWER TO THIS IS THAT on the one occasion they refer to the living creatures of the heavenly chariot, WHICH IS ABOVE THE CHEST OF ZEIR ANPIN; and on the other occasion they refer to the living creatures of the lower chariot THAT ARE IN MALCHUT.

End of Ra'aya Meheimna

Rabbi Shimon explains the meaning of "lift up your heads, O you gates." We learn that God sanctifies all the festivals and makes sure that all the hosts of heaven become sanctified along with the children of Yisrael, in one unity.

775. Rabbi Shimon unraveled a verse, saying: "Lift up your heads, O you gates..." This verse has been taught and we have learned it. "Lift up your heads, O you gates," these are the upper gates, the gates of upper understanding, and they are fifty in number. "your heads." What heads does this refer to? THE ANSWER IS THAT each one, NAMELY, EACH GATE, has a head to be unclothed and enter into one another and to be incorporated within each other.

776. I found in the Book of Enoch: "Lift up your heads, O you gates." These are the gates that are below the Patriarchs, NAMELY, BELOW CHESED, GVURAH, AND TIFERET, WHICH ARE CALLED 'PATRIARCHS', and they are the three last SFIROT, NAMELY NETZACH, HOD AND YESOD. "your heads" are the heads of the thousand of Yisrael, and they are the upper patriarchs, NAMELY CHESED, GVURAH, AND TIFERET, WHICH, AT THE TIME OF GREATNESS, BECOME CHOCHMAH, BINAH AND DA'AT, and they are the heads of those gates. And for the sake of these, NETZACH, HOD, AND YESOD, which are the Ofanim that encompass and bear them on their shoulders, it is said: "Lift up your heads, O gates." Lift up whom? Your heads, for they, CHESED, GVURAH AND TIFERET, are heads over you and have control over you. "and be lifted up, you everlasting doors" (Tehilim 24:7): These are the Matriarchs, and they are four who are below, NAMELY CHESED, GVURAH, TIFERET AND MALCHUT, THAT ARE IN MALCHUT, WHERE SARAH IS CHESED, RIVKAH IS GVURAH, LEAH IS TIFERET AND RACHEL IS MALCHUT.

777. "and the king of glory shall come in": This is the supreme King over all, NAMELY, ZEIR ANPIN, WHICH INCLUDES CHESED, GVURAH, AND TIFERET AND ALSO NETZACH, HOD AND YESOD, for he is King of that same glory because he gives light to the moon, WHICH IS MALCHUT, THAT IS CALLED 'GLORY'. And who is this? It is "Hashem Tzevaot" (Ibid. 10), NAMELY, ZEIR ANPIN, WHO IS SO CALLED. "shall come" (Ibid. 7). HE ASKS, To what place HE "SHALL COME"? AND HE ANSWERS, to bring the Torah, WHICH IS ZEIR ANPIN, in the Ark, WHICH IS MALCHUT, in one union as is fitting. For after the former has entered his place, NAMELY, AFTER ZEIR ANPIN HAS MATED WITH MALCHUT, WHICH IS HIS PLACE, IT IS THEN CONSIDERED THAT the Torah, WHICH IS AN ASPECT OF ZEIR ANPIN, has entered the Ark, WHICH IS AN ASPECT OF MALCHUT. And they have become joined together in one union, the upper Torah WHICH IS AN ASPECT OF ZEIR ANPIN with the Oral Torah, WHICH IS AN ASPECT OF MALCHUT, for they join together in order to interpret hidden matters, NAMELY, TO REVEAL THE SECRETS OF THE TORAH TO THE RIGHTEOUS.

778. HE ASKS: When IS THIS UNITY MADE? AND HE ANSWERS: ABOUT THIS IT IS WRITTEN: "ALSO ON THE DAY OF THE FIRSTFRUITS, WHEN YOU BRING A NEW MEAL OFFERING TO HASHEM in your feast of weeks" (Bemidbar 28:26). AND THE MEANING OF IT is according to your reckoning. For whenever Yisrael makes calculations regarding the new moons and festivals, the Holy One, blessed be He, sets an Ark within the heavens, NAMELY, ONE THAT IS LIKE THE LECTERN ARK OF THE READER, and passes a proclamation: 'My sons on earth have sanctified the month (or) have sanctified the festival. Sanctify yourselves, all of you in heaven.' And He sees to it that all the hosts of the heavens become sanctified as one with the holy people and they all keep one observance AT THE SAME TIME, ON THE SAME DAY THAT YISRAEL DETERMINED ON EARTH. Therefore IT IS WRITTEN: "in your... weeks," namely, according to your reckoning of these seven weeks.

778. אִימְתִי. בְּשָׁבוּעוֹתֵיכֶם. לְמַנְיֵינָא דְאַתּוֹן מוֹנִין. דְּבַכֵּל שַׁעְתָּא דְיִשְׂרָאֵל עֲבָדִין חוֹשְׁבֵינִין לְיִרְחִין וְזַמְנִין, קוּדְשָׁא בְרִיךְ הוּא אֲתָקִין תִּיבָה גּוֹ אִינוּן רְקִיעִין, וְאַעֲבַר בְּרוּזָא, הָא בְּנֵי לְתַתָּא, קְדָשׁוּ יִרְחָא, קְדָשׁוּ זְמַנָּא, אֲתַקְדָּשׁוּ כְּלָכוּ לְעֵילָא. וְעָבִיד לְכָל חִילֵי דְבִשְׁמַיָּא, דְּמִתְקַדְּשִׁין כְּחַדָּא בְּעַמָּא קְדִישָׁא, וְכִלְהוּ נְטְרֵי כְּחַדָּא, נְטְרֵיָא חַדָּא, וְעַל דָּא בְּשָׁבוּעוֹתֵיכֶם, לְמַנְיֵינָא דְאַתּוֹן מוֹנִין אִינוּן שְׁבַע שַׁבְּתוֹת.

114. "But you shall surely let the Mother go"

Rabbi Shimon uses the analogy of the mother bird brooding over her chicks to show how Yisrael must count seven weeks and thereby draw down seven Sfirot.

779. And then the Holy One, blessed be He, draws down seven grades at that grade, NAMELY, MALCHUT, which unites with them, with those seven weeks, WHICH ARE THE SECRET OF CHESED, GVURAH, AND TIFERET AND NETZACH, HOD, YESOD, AND MALCHUT. And should you suggest that there are six grades, and no more, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, FOR MALCHUT IS THE ONE THAT RECEIVES FROM THEM AND IS NOT PART OF THE RECKONING, THE ANSWER WOULD BE: Then Mother, NAMELY, BINAH, is sitting upon the young, WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, and is to be found brooding over them, BINAH being sent to fly away FROM THEM, and taking those six young ones, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, with the grade that is below them, NAMELY, MALCHUT, to fulfill the scriptural verse: "but you shall surely let the mother go, and take the young to you" (Devarim 22:7), WHERE THE MOTHER IS BINAH AND THE YOUNG ARE CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT. AND WE THEREFORE COUNT SEVEN WEEKS, DRAWING DOWN SEVEN SFIROT, NAMELY, MALCHUT ALSO, AND HAVING DRAWN DOWN MALCHUT ALSO, WE DRAW DOWN CHESED, GVURAH, TIFERET NETZACH, HOD AND YESOD TO INCLUDE THEM IN MALCHUT.

779. וּכְדִין מְשִׁיךְ קוּדְשָׁא בְרִיךְ הוּא, מְשִׁיכוּ דְשִׁבְעַ דְרַגְיָן לְתַתָּא, בְּהֵוּא דְרַגָּא דְאַתְאַחַד בְּהוּ, בְּאִינוּן שְׁבַע שַׁבְּתוֹת. וְאִי תִימָא, וְהָא שִׁיתָא אִינוּן וְלֹא יִתִיר. אֲלָא כְּדִין אִימָא יִתְבָּא עַל אֶמְרוּחִין, וְאַשְׁתַּכַּחַת רְבִיעָא עֲלֵיהוּ. וְאַנְן מְפָרְחִין לָהּ, וְנִטְלִין אִינוּן שִׁית בְּנִין. בְּהֵאִי דְרַגָּא דְלְתַתָּא, לְקִיּוּמָא דְכִתְיִב, שִׁלַּח תְּשַׁלַּח אֶת הָאֵם וְאֶת הַבָּנִים וְגו'.

115. Yisrael know how to hunt good game

Rabbi Hamnuna Saba continues the analogy and tells how Malchut, as though a chick, is coaxed out from under the Mother, Binah, with soft little prayers. Then Malchut stays with Yisrael, and the other Sfirot, like more small birds, fly out to Yisrael as well. We learn that one cannot pursue the Mother, Binah, for she is inconceivable.

780. Rav Hamnuna Saba said: On that day Yisrael takes only five sons, which are the five books of the Torah, NAMELY, CHESED, GVURAH, TIFERET, NETZACH AND HOD OF ZEIR ANPIN, WHICH ARE THE FIVE PARTS OF ZEIR ANPIN, WHO IS CALLED 'TORAH'. And should you object, saying that the Sfirot are six in number, FOR THERE IS ALSO YESOD, HE ANSWERS, the truth really is that there are seven, together with a certain bird, WHICH IS MALCHUT, and they are thus to be found between the wings of Mother, WHICH IS BINAH. AND THE REASON WHY HE THOUGHT INITIALLY THAT THERE WERE ONLY FIVE GRADES, CHESED, GVURAH, TIFERET, NETZACH AND HOD, IS THAT THERE ARE MAINLY ONLY FIVE MAIN GRADES WITH YESOD AND MALCHUT BEING TWO COMPONENTS OF THOSE FIVE GRADES, AND CONTAINING NOTHING NEW. And Yisrael knows how to hunt well for good and valuable game. What do they do? They draw out that bird, WHICH IS MALCHUT, from under the wings of Mother with soft little sounds from the mouth that they whisper to her, one after the other, NAMELY, WITH MANY PRAYERS.

780. רַב הַמְּנוּנָא סָבָא אָמַר, בְּהֵאִי יוֹמָא, לֹא נִטְלִין יִשְׂרָאֵל אֲלָא חֲמֵשׁ בְּנִין, וְאִינוּן חֲמֵשׁ חוּמְשֵׁי תוֹרָה. וְאִי תִימָא שִׁית אִינוּן. אֲלָא שְׁבַע אִינוּן, בְּחַד צִמְרָא דְאַשְׁכַּחַת בֵּין גְּדַפְהָא דְאִימָא. וְיִשְׂרָאֵל, יִרְעֵי לְמִיּוּצָא צִידָא טָבָא, רַבָּא וְיִקִּירָא. מָה עָבְדִי. מִפְּקֵי מִתַּחַת גְּדַפְהָא דְאִמָּהָא, הֵוּא צִפּוּרָא, בְּלַחֲשׁוּ דְפּוּמָא מְלַחֲשׁוּ לְגַבְהָ, לַחֲשׁוּ בְּתֵר לַחֲשׁוּ.

781. And that bird, sensing those whispers and the sounds that they voice to her under their breath, and even though she is under the wings of Mother, she raises her head and looks out at the whispering voices and flies out to them, emerging from under the wings of Mother. So Yisrael takes her and holds her, whispering to her and tying her with a knot so that she will not fly off and leave. Yisrael immediately catches her in this knot, and the bird wants to fly off and leave them but is unable to do so.

782. And while she is still bound in the hands OF YISRAEL, they whisper their sounds, and she chirps with them, and flies up and down. And all those sons who are under the wings of their Mother, NAMELY, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN, when they hear that chirping of their sister, MALCHUT, and the whisper of that sound FROM YISRAEL, they immediately emerge from under the wings of their Mother and fly towards that bird, WHICH IS MALCHUT, and Yisrael takes them and unites with them. And had it not been for that bird, with which they were attached initially, they, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, would never have flown to them, and they would not have been able to unite with them.

783. How does one catch this holy bird? This is done by preparing before her valuable food with rejoicing, and all sorts of delights, and attending the synagogue and the school-house, and chirping at her in a voice of whispers, as is fitting. And she, THE BIRD, who is hiding under the wings of Mother, raises her head and looks at the prepared tables, with the chirping which is for her, NAMELY, THE PRAYERS, as is fitting, and she emerges FROM UNDER THE WINGS OF MOTHER, and flies to them, as we have learned, and all those sons, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN, hold on to her.

784. And they send the one who is sitting over them, NAMELY, MOTHER, WHICH IS BINAH, WHICH IS SITTING OVER CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, and she goes off. Because from the seventh heaven, WHICH IS CHESED, and above, NAMELY, THE UPPER THREE SFIROT, do not expound what is hidden from you. THEREFORE, send her away, THAT IS, THE MOTHER, WHICH IS BINAH, WHICH IS ONE OF THE UPPER THREE SFIROT, for you will not be able to catch her. About this, Scripture says: "You shall surely let the mother go, and take the young to you" (Devarim 22:7), THE MEANING OF WHICH IS THAT YOU SHOULD NOT TRY TO PURSUE BINAH, FOR SHE IS NOT CONCEIVABLE. BUT THE YOUNG, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, WHICH ARE CONCEIVABLE, YOU MAY TAKE TO YOU.

785. "you shall have a holy gathering (lit. 'calling')" (Bemidbar 28:26). This is the calling and chirping, NAMELY, THE PRAYERS, that we make for that holy bird, WHICH IS MALCHUT, at the beginning. SUBSEQUENTLY, since the remaining days CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, hold on to her, they are called 'holy callings' IN THE PLURAL. FOR this bird is called 'holy', as it is written: "for it (she) is holy to you" (Shemot 31:14), WHICH IS SAID ABOUT MALCHUT. And because she is holy, she calls to all of them, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, and they come to her, which is why they are called 'holy callings'.

781. וְהוּא צְפוּרָא דְחַיִּישׁ לְאַיְנוֹן לְחַיִּישׁוֹ, וְלְאַיְנוֹן קְלוֹן, דְּקָא מְלַחְשֵׁי לְגַבְהָ. וְאֵע"ג דְּאִיְהִי תַחַת גְּדַפֵּי אִמְהָא, זְקוּף רִישָׁא וְאִסְתַּכְלַת לְגַבֵּי הָהוּא לְחַיִּישׁוֹ דְּקָלָא, וּפְרַחַת לְגַבְיֵיהּ, וְנִפְקַת מִתַּחַת גְּדַפְהָא דְּאִימָא. בֵּינוֹן דְּיִשְׂרָאֵל נְטְלֵי לָהּ, אֶתְקִיטוּ בָּהּ, וְלַחְשִׁין לָהּ, וְקִשְׁרִין לָהּ בְּקִשְׁוֹרָא דְּלֹא תִפְרַח וְתוּזַל. מִיַּד נְטְלֵי לָהּ יִשְׂרָאֵל בְּהוּא קִשְׁוֹרָא, וְאִיְהִי בְּעַתָּת לְמִפְרַח וְלְמִיזַל, וְלֹא יִכְלִית לְמִיזַל לָהּ.

784. וּמִשְׁלַחִין לְהוּא דְּרַבִּיעָא עֲלִיָּהּ וְאִזְלַת. בְּגִין דְּהָא מִן רְקִיעָא שְׂבִיעָאָה וְלְעֵילָא, בְּמְכוּסָה מִמֶּךָ אַל תְּדְרוּשׁ. שְׁלַח לִיהּ, דְּלֹא תִיכּוֹל לְאַדְבָּקָה וְע"ד בְּתִיב, שְׁלַח תְּשַׁלַּח וְגו'.

785. מְקָרָא קְדָשׁ, דָּא קְרִיָּאָה וְצַפְצוּפָא, דְּעִבְדִּין לְהוּא צְפָרָא קְדִישָׁא בְּקַדְמִיתָא. וּבֵינוֹן דְּאַחֲרִין בָּהּ שְׂאָר יוֹמִין, אֶקְרוּן מְקָרָאי קְדָשׁ. הֵיאִי צְפָרָא אֶקְרִי קְדָשׁ, דְּכְתִיב, כִּי קְדָשׁ הִיא לְכֶם. וּבְגִין דְּאִיְהִי קְדָשׁ, אִיְהִי קְרָאָה לְכוּלָּהּ וְאַתִּינִין לְגַבְהָ. וּבְגִין כִּן אֶקְרוּן מְקָרָאי קְדָשׁ.

786. And she calls TO CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, and Yisrael chirps along with her, and they, too, call, and they therefore come to them and unite with them. This is why IT IS WRITTEN: "These are the feasts of Hashem, holy gatherings (callings), which you shall proclaim (call)" (Vayikra 23:4). AND THEY ARE CALLED 'holy callings' AFTER their chirping, AND AFTER that holy bird, WHICH IS holy, that calls them.

786. אִיהִי קְרָאָה, וַיִּשְׂרָאֵל מְצַפְצָפֵן בְּהִדָּה, וְקָרָא אֹף הָכִי. וְעַל דָּא אֵינּוֹן אֲתִיּוּן לְגַבְיֵיהּ, וְאַחֲדֵי בְּהוּ. בְּגִין כֵּךְ אֵלֶּה מוֹעֲדֵי יִי' מְקֵרְאֵי קֹדֶשׁ אֲשֶׁר תְּקֵרְאוּ אוֹתָם. מְקֵרְאֵי קֹדֶשׁ, בְּצַפְצוּפֵא דְלֵהוֹן, וּבְהֵהוּא צִפְרָא קְדִישָׁא קֹדֶשׁ, דְּקָרָא לוֹן.

116. "A bird's nest"

The Faithful Shepherd says that the bird is the Shechinah, the nest is the Temple and the chicks are Yisrael. When Yisrael sinned and the Temple was destroyed the Shechinah went away. We are told about the six orders of the Mishnah, the six words of the Sh'ma Yisrael, the sages of the Bible, and the Kabbalists - and in all these Moses emphasizes the role and importance of prayer and intention. Ra'aya Meheimna (the Faithful Shepherd)

787. The Faithful Shepherd said: How obscure these matters are for one who does not know them, and how transparent for one who does! Certainly that bird is the Shechinah and its nest is the Temple, WHERE THE SHECHINAH RESTED. And Yisrael are the young ones, upon whom the mother, WHICH IS THE SHECHINAH, sits. Scripture says: "and the mother bird sitting upon the young, OR UPON THE EGGS" (Devarim 22:6). This refers to the sages of the Mishnah, who fly in her precepts. "or upon the eggs" refers to the sages of the Bible.

787. אָמַר רַעִיָא מְהֵימְנָא, מַלִּין אֵלִין, בְּמַה סְתִימִין אֵינּוֹן, לְמַאן דְּלֵא יִרְע, וְגַלְיִין לְמַאן דִּידַע בְּהוּ. וְדָאֵי הֵהוּא צִפּוּרָא אִיהוּ שְׂכִינְתָא. קֵן דִּילֵה, דָּא בִי מְקֵדְשָׁא. וַיִּשְׂרָאֵל אֵינּוֹן אֶפְרוּחִין, דְּאֵימָא יִתְבָּא עֲלֵייהוּ. הֵה"ד, וְהָאֵם רוֹבֶצֶת עַל הָאֶפְרוּחִים, וְאֵינּוֹן מְאִרֵי מְשֵׁנָה, דְּפִרְחִין בְּפִקּוּדֵין דִּילֵה. אוּ בִיּוֹצִים, אֵינּוֹן מְאִרֵי מְקֵרָא.

788. But when Yisrael sinned, and the Temple was destroyed, what is written? "but you shall surely let the mother go" (Ibid. 7), BEING THE SHECHINAH. This is as it is written: "And for your transgressions was your mother sent away" (Yeshayah 50:1). And about the sages of the six orders of the Mishnah, it is written: "and take the young to you" (Devarim 22:7), These are the six ORDERS, from the side of the six sons CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, which are under upper Mother, WHICH IS BINAH, and which are alluded to in the six words of the Sh'ma Yisrael, or in the six orders of the Mishnah. It is all the same, whether (a man offers) much or little, if only he directs his mind towards Heaven, NAMELY, TO UNITE MALCHUT WITH ZEIR ANPIN WHO IS CALLED 'HEAVEN', and binds it with the knot of the Tefilin on the head and on the arm.

788. וּבְזִמְנָא דְּחָבוּ יִשְׂרָאֵל, וְאַתְחָרִיב בֵּי מְקֵדְשָׁא, מַה בְּתִיב. שְׁלַח תְּשַׁלַּח אֶת הָאֵם, הֵה"ד, וּבְפִשְׁעֵיכֶם שְׁלַח אִמְכֶם. וְאֵינּוֹן מְאִרֵי שִׁיתָא סְדְרֵי מְשֵׁנָה בְּתִיב בְּהוּ, וְאֵת הַבָּנִים תִּקַּח לָךְ. דְּאֵינּוֹן שִׁית, מְסֻטְרָא דְשִׁית בְּנִין דְּתַחוּת אֵימָא עֲלָאָה, דְּאֵינּוֹן בְּשִׁית תִּיבִין דְּק"ש. אוּ בְשִׁית סְדְרֵי מְשֵׁנָה, אַחַד הַמְרַבָּה וְאַחַד הַמְמַעֵיט וּבִלְבָד שִׁיבּוּיָן לְבוּ לְשָׁמַיִם. וְקִשְׂרֵין לוֹן בְּקִשְׂרֵין דְּתַפְלִין, עַל רִישָׁא וְעַל דְּרוּעָא.

789. With what do the sons take THE ABOVE-MENTIONED SIX EXTREMITIES OF GREATNESS? That is, with many whistles of the sounds of the Sh'ma Yisrael? FOR THE SIX EXTREMITIES OF GREATNESS ARE DRAWN DOWN IN THE UNITY OF THE RECITAL OF THE SH'MA YISRAEL, AS ABOVE. And afterwards they secretly whisper the silent prayer, NAMELY, THE AMIDAH PRAYER to the Mother, WHICH IS BINAH, IN ORDER TO DRAW DOWN THE UPPER THREE GRADES OF GREATNESS and to the daughter, WHICH IS MALCHUT. And these are Hei Hei, FOR MOTHER IS THE FIRST HEI OF THE YUD HEI VAV HEI AND THE DAUGHTER IS THE LAST HEI. And they descend to the Vav, WHICH IS ZEIR ANPIN, with his knot, which is the Yud OF THE YUD HEI VAV HEI, NAMELY, CHOCHMAH. And upper Hei, WHICH IS BINAH, rests upon the Vav, WHICH IS ZEIR ANPIN, THIS BEING THE SECRET OF the Tefilin over his head, NAMELY, THE MOCHIN OF THE UPPER THREE SFIROT. And the small Hei, WHICH IS MALCHUT, descends to the Yud OF THE YUD HEI VAV HEI, which is the knot of the upper Hei that is on the head of the Vav. FOR THIS IS THE SECRET OF FATHER, WHICH IS THE YUD OF THE YUD HEI VAV HEI, WHO ESTABLISHED THE DAUGHTER, WHICH IS MALCHUT. And this, the Vav, WHICH IS ZEIR ANPIN, is connected with her in the Hei of a faint hand, NAMELY, THE KNOT OF THE HAND TEFILIN. AND THIS IS IN SUCH A WAY THAT THE YUD OF THE YUD HEI VAV HEI, WHICH IS THE SECRET OF THE KNOT OF THE HEAD TEFILIN, WHICH IS THE SECRET OF MOTHER

790. And for this reason, 'the young ones' are from the side of the letter Vav, NAMELY, THE LIGHT OF RUACH, which includes the six orders of the Mishnah, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. "or upon the eggs" refers to the sages of the Bible, WHICH ARE IN THE ASPECT OF THE LIGHT OF THE NEFESH, WHICH IS MALCHUT, THE FINAL HEI OF THE YUD HEI VAV HEI. And it is said about them: At Hei (= five) years old, one is fit for the study of Scripture, and this is MALCHUT, WHICH IS Hei. 'Sons' refers to the side of the son of Yud Hei, NAMELY, ZEIR ANPIN, WHICH HAS THE UPPER THREE SFIROT FROM YUD HEI, and these are the Kabbalists, about whom it is said: "you shall not take the mother bird together with the young" (Devarim 22:6).

790. ובג"ד, אפרוחים מסטרא דאת ו', כליל ו' סדרי משנה. או ביצים, אליון. מארי מקרא, דאתמר עלייהו, בן ה' שנים למקרא, ודא ה'. בנן מסטרא דבן י"ה, אליון מארי קבלה. עלייהו אתמר לא תקח האם על הבנים.

117. Moses' bride

We learn that the sages of Kabbalah are also called the sages of the Talmud, and that study is divided into three parts: one-third study of the Torah, one-third study of the Mishnah and one-third study of the Talmud. The Faithful Shepherd explains how it is permitted to interpret the secrets of the Torah by expanding and restricting the meanings of certain words. In this way the sages can piece together the inner meanings, just as a tailor pieces together the cloth for a suit. Moses concludes by speaking about the seven lights of the candelabrum and the seven blessings of the Sh'ma.

791. And the sages of Kabbalah are also called 'the sages of the Talmud', and it is said about them: "and you shall teach them diligently (Heb. Veshinantam)" (Devarim 6:7). And the sages of the Mishnah taught: Do not read Veshinantam (lit. repeat them twice) but Veshilashtam (lit. repeat them thrice) namely, a third Torah, a third Mishnah, and a third in the Talmud. And the secret of the matter is: "If a bird's nest chance to be before you in the way" (Devarim 22:6): "in the way" refers to the sages of the Torah, "IN ANY TREE" TO THE SAGES OF THE MISHNAH, AND "OR ON THE GROUND" TO THE SAGES OF THE TALMUD, NAMELY, A THIRD IN TORAH, A THIRD IN MISHNAH, AND A THIRD IN TALMUD. AND ONE NEED NOT BE SURPRISED THAT THE SAGES CHANGED THE WORD VESHINANTAM INTO VESHILASHTAM, FOR ON THE SCRIPTURAL VERSE "And you shall make a candlestick of pure gold" (Shemot 25:31), they taught: "And you shall make a candlestick " is a general proposition, "of gold" is a particular proposition, and "of beaten work" is a general proposition. And there are likewise a number of verses where the sages of the Mishnah expand or restrict THE MEANING, according to THE PRINCIPLES OF inclusion or amplification and exclusion or diminution, and there are also cases WHERE A LETTER is added, AS WHEN IT IS SAID: Do not read 'mah': (lit. 'what' - Mem Hei) but 'me'ah' (lit. 'one hundred' - Mem Aleph Hei). And so it is WHEN WE SAY: Do not read Veshinantam but Veshilashtam, and we deduce from this: a third in the Torah, a third in the Mishnah, and a third in the Talmud.

791. ומארי קבלה, אינון מארי תלמוד. ואתמר עלייהו, ושנתם. ואוקמוה מארי מתניתין, אל תקרי ושנתם, אלא ושלתם, דאינון שליש במקרא, שליש במשנה, שליש בתלמוד. ורזא דמלה, כי יקרא קן צפור לפניך בדרך, במארי מקרא. ועשית מנורת זהב טהור. היא אוקמוה, ועשית מנורת, כלל. זהב, פרט. מקשה, כלל. וכמה מקראין מארי מתניתין, אינון מרבין וממעטין, כגון ריבה ומיעט. אוף הכי, מרבין, אל תקרי מה. אלא מאה. אוף הכי, אל תקרי ושנתם, אלא ושלתם. ודרשינון מניה, שליש במקרא, שליש במשנה, שליש בתלמוד. כדאיתא בקדושין.

792. So, too: "And it came to pass on the day that Moses had finished (Heb. kalot)" (Bemidbar 7:1), which we interpret as though it were written the bride of (Heb. kalat) MOSES. And lest you think that we have this exegesis from them, namely, from THE LETTERS OF the Alphabet IN THE WORD, WHERE 'KALOT' IS THE SAME AS 'KALAH', without themselves ADDING anything for it is not permitted to add or take away a letter from it, nor to substitute one letter for another. If this be so, then in the Torah it is written with the full spelling kalot: (Caf Lamed Vav Tav) with a Vav. Who, then, gave permission to take away from it, namely the Vav AND TO INTERPRET IT as KALAT (CAF LAMED Tav)? There is here no case OF SUBSTITUTION of alphabets, E.G. WHERE ALEPH=TAV, BET=SHIN. BUT RATHER THE VAV HAS BEEN REMOVED FROM THE WORD, AND IT HAS BEEN EXPOUNDED AS CAF LAMED TAV, WRITTEN WITHOUT THE VAV. But certain words that are written in the abbreviated spelling ARE EXPOUNDED as though written out in full, and other WORDS that are written out in full are (expounded) as though written out in the abbreviated form. About these and about

all sorts of explanations that can be made to embellish the bride, WHICH IS THE TORAH, in her ornaments, the Holy One, blessed be He, commanded us to do as they say, and to trust them, as it is written: "according to the sentence of the Torah which they shall teach you" (Devarim 17:11).

793. THE MATTER MAY BE LIKENED to a tailor who has cut cloth in order to make royal garments, and has made many pieces from them. Those who know the places where those pieces are missing AND ARE FAMILIAR WITH THE pieces which remain will be able to make the garments, for the pieces that have been collected together are placed where they are missing, and pieces that are too small are added to. And this is the true meaning of the verse: "according to the sentence of the Torah which they shall teach you."

794. And you might well ask that, if this is so, what about the case where one of them occasionally makes a mistake and says: I recant. HE ANSWERS, before issuing instructions concerning that matter about which there is a difference of opinion, the one who poses the difficulty can say: I withdraw. For not all those who make the parts of a bride's ornaments know where each piece goes, until the ruling is made, and prior to when resolutions to the arguments of the halachot (lit. 'legal rulings') have been given.

795. The candelabrum has seven lights, WHICH ARE THE SECRET OF THE VERSE "and the seven maidens who were chosen to be given her, out of the king's house" (Ester 2:9), and they correspond to the three-headed Shin and the four-headed Shin, of the Tefilin, namely, TO THE SEVEN HEADS OF THE TWO SHINS TOGETHER. And these correspond to the seven blessings of the Sh'ma, namely: In the morning two blessings are said before it and one after, and in the evening, two blessings are said before and two after. And subsequently is WRITTEN THE PRECEPT that the High Priest at the Temple Service has to serve with the wings of the precept, namely bells and pomegranates, which are as the knots and links of the fringes and the plate WHICH IS AS the Tefilin. From that point on it is written: "And you shall make an altar for the burning of incense" (Shemot 30:1).

118. "And you shall offer a sacrifice made by fire for a burnt offering"

The Faithful Shepherd says that all sacrifices for burnt offerings must correspond to the sins committed, and he tells us what these are. We learn that all sacrifices are not equal, and that a distinction must be made between one holiness and another that is lower.

796. The Faithful Shepherd began by saying: It is written "And you shall offer a sacrifice made by fire for a burnt offering to Hashem" (Bemidbar 28:19), and it has already been taught that a burnt offering is committed to the flames, ALL OF IT BEING BURNT BY FIRE, and this is why the two expressions "an offering made by fire" and "a burnt offering" are placed next to each other. And it has also been taught: A burnt offering is due only as an expiation for sinful meditation of the heart.

797. Without doubt the purpose of all the sacrifices is only for the making of atonement, with each sacrifice making atonement for man's limbs according to the sin he committed with that limb. For drops of marrow, NAMELY, THE SIN OF WASTING SEED, HE BRINGS "unleavened cakes... for it was not leavened" (Shemot 12:39); namely, if he discharged initial drops before they acidify in a place that does not belong to him, NAMELY, WITHOUT A FORBIDDEN WOMAN IN WHOM THE DROPS ACIDIFY. And regarding those that acidified, which is discharged in a place where he should not have, NAMELY, IN A FEMALE FORBIDDEN TO HIM WHERE THE DROPS BECOME ACID (HEB. CHAMETZ), he has to bring leavened bread, and thus were the thanksgiving offerings: some were leavened and others were unleavened.

798. Bulls are from the side of Judgment. LIKEWISE, sheep and rams and he-goats and goats ARE ALL FROM THE SIDE OF JUDGMENT, because they are 'the face of ox,' AS IT IS SAID: "THE FACE OF AN OX ON THE LEFT SIDE" (YEchezkel 1:10), WHICH IS THAT OF JUDGMENT. All of them were slaughtered on the north side and their blood was received in a vessel of ministry on the north side. The slaughtering, the receipt, and tossing (of the blood) were all on the north side, WHICH IS THE LEFT SIDE, in order to sweeten AND MITIGATE the attribute of Judgment, which comes to the Court from the side of Gvurah. The Great Law-court is from the side of Gvurah, where Binah is, while the Small Law-court is from the side of Malchut. And all those who shed blood in fulfillment of a precept are from the side of Gvurah.

799. And the teaching that "the burnt offering of every Shabbat" (Bemidbar 28:10) must be offered on that Shabbat, and not on any other is because if the day has passed, the offering lapses. AND IT CANNOT BE MADE UP ON ANOTHER SHABBAT. The offering of the sacrifice takes precedence over Shabbat, and fire may be kindled on the Shabbat because it is holy fire, for the fire that is used for offering all the sacrifices is holy, and this holy fire and the holy Shabbat take hold of each other.

800. But profane fire may not be combined with the holy, namely WITH THE SHABBAT, which is why He commanded Yisrael: "You shall kindle no fire throughout your habitations on the Shabbat day" (Shemot 35:3), for this would be tantamount to mixing good and bad, FOR on the Shabbat the Tree of Life is in control, and there is no mixture OF GOOD AND BAD in it. And secular objects that pertain to purity may not be mixed with the fire of holiness, and how much more so may the profane matters of impurity not be mixed with holiness. So, too, all the sacrifices are called "holy flesh" (Yirmeyah 11:15), and all the sacrifices of every type contain secular things of purity, and they contain holiness, and the holy of holies.

801. And the secret of the matter is that a distinction is to be made between one holiness and another, as it is written: "and the veil shall be for you as a division between the holy place and the holy of holies" (Shemot 26:33). Here, too, the fires of the offering are not equal, for the fire that is higher is more holy than the holy fire below, which are called 'the fire of the holy wood' or 'the fire of the holy flesh'. And in the holy fire there is a distinction as against ordinary fire THAT IS BROUGHT TO THE ALTAR, even though it has been taught that it is a positive precept to bring of the ordinary FIRE even when there is holy fire ON THE ALTAR, for each has to have its own place.

802. Yisrael is likened to this, for Yisrael as a rule is called 'kings', as it has been taught: All Yisrael are the sons of kings. But when they entered the Temple, each one went to his own place, THE PRIESTS BY THEMSELVES, THE LEVITES BY THEMSELVES, AND YISRAEL BY THEMSELVES. Similarly, with regard to the sacrifices, although about each one it is written "a sacrifice to Hashem," they are not equal, for He, THE HOLY ONE, BLESSED BE HE, distributes everything, each as is fitting to him. And the secret of the matter can be learned from the fruits of the festival that Yisrael used to offer before Hashem, AND HE DISTRIBUTED THEM FOR THE SUSTENANCE OF THE SEVENTY NATIONS.

119. "Also on the day of the firstfruits"

Rabbi Shimon tells Moses that it is through Moses' deeds that the Shechinah is renewed in the prayers of the patriarchs. He goes on to speak about the renewal that takes place during the prayers of the Festival of Weeks. His exposition includes a discussion of the numerical value of "all" (Heb. kol), the sea of the Torah, and Malchut that is the end of all the seas. The numbers seven and fifty are emphasized.

803. Said the holy luminary, NAMELY RABBI SHIMON: Arise, O Faithful Shepherd, from your sleep, for you and the patriarchs are called 'those that sleep in the dust', for until now you have engaged in the Torah with those who sleep at the Mishnah, about whom it is said: 'and on the ground shall you sleep'. And it is said: "Also on the day of the firstfruits, when you bring a new meal offering to Hashem" (Bemidbar 28:26). You are the first-fruits of the Shechinah, and through your deeds THE SHECHINAH is renewed in the prayers of the patriarchs each day, for the sages of the Mishnah taught: The prayers were ordained corresponding to the patriarchs, and to the recital of the Sh'ma. For the Faithful Shepherd, NAMELY, MOSES, said: "Hear O Yisrael" (Devarim 6:4); and it has been taught: everyone who recites the Sh'ma every day, it is as if he established; "but you shall meditate therein day and night" (Yehoshua 1:8).

804. Certainly, in your prayer and in your recital of the Sh'ma, the Shechinah is renewed before the Holy One, blessed be He, and this is why it is said: "And you shall present a new meal offering to Hashem" (Vayikra 23:16), namely, by the prayers which are instead of the sacrifices. But in which sacrifices, NAMELY prayers, is she renewed? "In your (feast of) weeks" (Bemidbar 28:26), namely, Shavuot, which is when the Torah was given, and which is called 'fifty days' of the counting of the Omer, and which comprises seven weeks, from the side of the one about whom it is said: "Seven times a day I praise you" (Tehilim 119:164), which is Malchut, which is CALLED 'a bride', and is composed of the seven Sfirot CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, and is composed of Binah; and it spreads out in five Sfirot CHESED, GVURAH, TIFERET, NETZACH AND HOD into fifty.

805. Yesod, WHICH IS CALLED 'AII' (Heb. kol), WHOSE NUMERICAL VALUE IS FIFTY, is ALSO composed of these fifty, NAMELY, CHESED, GVURAH, TIFERET, NETZACH AND HOD, EACH OF WHICH IS COMPOSED OF TEN, AND MALCHUT IS CALLED 'BRIDE' (HEB. KALAH - CAF LAMED HEI), THE LETTERS OF WHICH CAN BE READ AS: kol (Caf Lamed) Hei (having the numerical value of five), NAMELY, five SFIROT composed of fifty. Each of them is enclosed within the fifty. Chochmah, which is upper Yud is enclosed within the fifty, for Hei times Yud EQUAL FIFTY, WHERE Hei is Binah and Yud is Chochmah, AND THERE ARE YUD HEI IN CHOCHMAH, WHICH, WHEN MULTIPLIED BY EACH OTHER, MAKE FIFTY, AND THERE ARE YUD HEI IN BINAH; AND WHEN Yud is MULTIPLIED by Hei, the result is fifty, and this is the numerical value of the word "AII" (Heb. kol), AS ABOVE, and the numerical value of the word Sea (Heb. yam), FOR BINAH IS CALLED 'SEA', WHOSE NUMERICAL VALUE AMOUNTS TO FIFTY. And the reference is to the Sea of the Torah, WHERE FROM BINAH, WHICH IS CALLED 'SEA', EMERGES THE TORAH, WHICH IS ZEIR ANPIN. Its origin is Keter, which is infinite. The remaining Sfirot, NAMELY, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, are named after it: seven seas, AND THE NUMERICAL VALUE OF THE WORD SEA IS FIFTY, IT FOLLOWS THAT IN EACH OF THEM THERE IS FIFTY. And Malchut IS CALLED 'the reed' (Heb. suf) sea BECAUSE IT IS the end (Heb. sof) of all the seas.

806. And because EACH ONE OF the seven weeks is fifty, AS ABOVE: "and their meal offering... three tenth measures for one bullock, two tenth measures for one ram" (Bemidbar 28:28), making altogether five TENTH MEASURES, which are five times ten, FOR EACH TENTH MEASURE IS TEN, AND FIVE TENTH MEASURES ARE FIFTY. And on the verse: "and their meal offering of flour mingled with oil, three tenth measures for one bullock, two tenth measures for one ram, a tenth measure for one lamb, for the seven lambs." The seven lambs correspond to "seven complete Shabbatot there be" (Vayikra 23:15), AND THESE ARE SEVEN MALCHUTS, FOR MALCHUT IS CALLED 'SHABBAT', and each one has six days with it, NAMELY: CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD AND THEY, WITH THE DAY OF SHAVUOT, COME TO FIFTY.

120. Yom Kippur

The Zohar tells us that Yom Kippur is from the Tree of Life, where no evil has any part. On that day even those people who are under a sentence of judgment are forgiven. We hear about the difference between vows and oaths, and about the iniquities of Yisrael that are purified or whitened through repentance. We learn that on Yom Kippur a Shofar raises up a voice for freedom. There are three grades of worship on that day: thought, speech and deed.

807. "And you shall have on the tenth day of this seventh month" which is the month of Tishrei, "a holy gathering" (Bemidbar 29:7), which is the Day of Atonement, which is the tenth, which is Yud, and these are the Ten Days of Repentance, and five prayer services were ordained for it in order to join the Yud with the Hei, NAMELY, CHOCHMAH WITH BINAH. What is the meaning of "holy gathering"? It is to differentiate it from other days when secular work is permitted which is why scripture says: "you shall not do any work" (Ibid.).

805. יסוד כל, כלול מאלין חמשיין. כל"ה: כ"ל ה'. כלילא מחמשים, בלהו נבלעים בגו חמשים, חכמה דאיהי, י' עלאה, מובלעת בגו חמשיין. ה' זמנין עשר. ה' בינה. י' חכמה. עשר זמנין ה' היינו חמשיין ובחושבן כ"ל. ובחושבן י"ם. ואיהו ים התורה. מקורא דיליה בתר, דלית ליה סוף. שאר ספיראן, אתקריאו על שמה שבעת ימים. ומלכות ים סוף, סוף דכל ימים.

806. ובג"ד דאינון חמשיין שבע שבועות, מנחתם שלשה עשרונים, ושני עשרונים. חמש, דאינון חמש זמנין עשר. הה"ד, ומנחתם סלת בלולה בשמן שלשה עשרונים לפר האחד ושני עשרונים לאיל האחד עשרון עשרון לכבש האחד לשבעת הכבשים. ושבעת הכבשים, לקבל שבע שבתות תמימות תהינה. כל חד עם שית יומין דיליה.

807. ובעשור לחודש השביעי, דאיהו תשרי. מקרא קדש יהיה לכם, דא יום הכפורים. דאיהו עשירי י', כליל מעשרת ימי תשובה. ותקיננו ביה ה' צלותין, לחברא עם ה'. מאי מקרא קדש. לאמרשא ליה משאר יומין, דאית בהו פולחנא דחול. ובגין דא, כל מלאכת עבודה לא תעשו.

1

808. And those days on which secular work may be done are from the side of the Tree of Knowledge of Good and Evil, that turned from a rod into a serpent and from a serpent back into a rod, for each person according to his deeds, and this Metatron is rod, while Samael IS serpent. But on this day, which is the Day of Atonement that is called 'holy', the Tree of Life is in control, and no devil nor evil spirit joins with it, and from its side "nor shall evil dwell with you" (Tehilim 5:5), BUT IT IS THROUGHOUT GOOD. And this is why in it, in the Tree of Life, the slaves find rest and go out to freedom, and emerge from their chains.

809. Those over whom there is a verdict, A VERDICT NOT TO BE CHANGED under vow or oath, it was decreed for this reason that the following shall be recited: "All vows, bonds...they shall all of them be released and annulled. They shall not be binding, nor shall they have any power." BUT THE VERDICT SHALL BE VOIDED FROM THEM. And this is why the vow is in the name of the Yud Hei Vav Hei, which is Tiferet, while the oath is in the name of Adonai, which is Malchut, for they caused their own exile BY THEIR SINS. AND NOW, by means of Chochmah and Binah, 'they will be released and annulled; they shall not be binding, nor shall they have any power'. "And all the congregation of the children of Yisrael shall be forgiven" (Bemidbar 15:26). Chesed is water, Gvurah is fire, and Tiferet is air, AND SINCE THE VOWS ARE IN TIFERET, WHICH IS AIR, the sages of the Mishnah therefore taught: release from vows hovers in the air, FOR THE RELEASE FROM CHOCHMAH AND BINAH HOVERS IN THE AIR, WHICH IS TIFERET, AND FROM THERE ANNULS THE VOW.

810. And since the oath is from Malchut, which is below the vow WHICH IS TIFERET, they taught that the vows are above the oaths, and they also taught: Everyone who swears an oath is as though he swears on the king himself, and everyone who vows a vow is as though he does so on the life of the king himself. The king himself REFERS TO Adonai, WHICH IS MALCHUT. The life of the king REFERS TO the Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, FROM WHOM THE LIFE FLOWS TO THE KING, WHICH IS MALCHUT. And for this reason, IT IS WRITTEN: "If a man vow a vow to Hashem" (Bemidbar 30:3), WHICH IS ZEIR ANPIN.

811. And even thus, there is another secret: The life of the king refers to Chochmah, as it is written: "wisdom gives life to those who have it" (Kohelet 7:12). THEREFORE everyone who vows on the Yud Hei Vav Hei, which is Tiferet, it is as if he vowed upon Chochmah OF ZEIR ANPIN, which is THE YUD HEI VAV HEI IN THE FILLING OF ALEPHS, THUS: Yud Vav Dalet; Hei Aleph; Vav Aleph Vav; Hei Aleph, which is the life of the king, WHICH IS THE LIFE OF ZEIR ANPIN. And everyone who swears an oath on Adonai is as though he swore on the king himself. This is because he himself (Heb. atzmo) is upper Mother, NAMELY, BINAH, AND IT IS as though he had sworn on her, namely, on "as it were the very (Heb. etzem) heaven for clearness" (Shemot 24:10), NAMELY, THE MOCHIN OF MALCHUT. For from the aspect of Chesed, MALCHUT IS CALLED "bone (Heb. etzem) of my bones" (Beresheet 2:23). But from the aspect of Gvurah, Malchut is called "and flesh of my flesh" (Ibid.), and in Chochmah, which is the life of Tiferet, NAMELY, ITS MOCHIN, it, TIFERET, rises up to be called 'man', as it is written: "the beauty (Tiferet) of a man" (Yeshayah: 44:13). FOR TIFERET IS CALLED 'MAN' WHEN IT HAS THE MOCHIN OF CHOCHMAH, WHICH IS THE SECRET OF WHY HE IS CALLED BY YUD HEI VAV HEI FULLY SPELLED WITH ALEPHS, THAT HAS THE NUMERICAL VALUE OF 45.

808. דְיוֹמֵין דְאִית בְּהוֹן מְלַאכְתָּ חוּל, אֵינוֹן מְסֻטְרָא דְעַץ הַדַּעַת טוֹב וְרַע. דְאִתְהַפֵּךְ מִמְטָה לְנַחֵשׁ, וּמִנַּחֵשׁ לְמְטָה. לְכָל חַד כְּפֹסֵם עוֹבְדוּי, וְדָא מְסֻטְרוֹן מְטָה, נַחֵשׁ, סְמָאֵל. אֲבָל בְּהַאי יוֹמָא דְאִיהוּ יוֹם הַכְּפֹוּרִים דְאִתְקְרִי קֹדֶשׁ, שְׁלֵטָא אֵילָנָא דְחַיִּי, דְלֹא אֲשַׁתַּתֵּף עִמֶיהָ שְׁטָן וּפְגַע רַע. וּמְסֻטְרִיהָ לֹא יִגְוֹרֵךְ רַע. וּבְגִין דָּא, בִּיהַּ נִיּוּחִין עֲבָדִין בְּאֵילָנָא דְחַיִּי, וּבִיהַּ נִפְקֵן לְחִירוֹת, בִּיהַּ נִפְקֵי מִשְׁלֵשְׁלִיהוֹן.

812. And it is said about the Day of Atonement: "and you shall afflict your souls" (Bemidbar 29:7) AND ALSO: "in the seventh month, on the tenth day of the month, you shall afflict your souls" (Vayikra 16:29). And five afflictions were decreed for it, so that small Hei, WHICH IS MALCHUT, should be purified in upper Hei, WHICH IS BINAH, OF WHOSE LEFT COLUMN, THE AFFLICTIONS ARE DRAWN, which are five prayers, to establish in Yisrael: "though your sins be like scarlet, they shall be as white as snow" (Yeshayah 1:18). And this is the secret of the crimson colored strip, WHICH THEY TIED TO THE DOOR OF THE SANCTUARY FROM INSIDE, WHICH, WHEN THE HE-GOAT REACHED THE WILDERNESS, TURNED WHITE. All the iniquities of the House of Yisrael reach to Malchut; and Repentance, which is Binah, purifies (whitens) them, for it is written about it, ABOUT MALCHUT: I AM HASHEM "that remains among them in the midst of their uncleanness" (Vayikra 16:16). And the four garments of white and the four garments of gold for apparel are THE SECRET OF YUD ALEPH HEI DALET VAV NUN HEI YUD, WHICH IS THE COMBINATION OF THE LETTERS OF THE YUD HEI VAV HEI AND THOSE OF ADONAI. FOR THE FOUR GARMENTS OF WHITE ARE THE SECRET OF THE FOUR LETTERS OF THE YUD HEI VAV HEI WHILE THE FOUR GARMENTS OF GOLD ARE THE SECRET OF THE FOUR LETTERS OF ADONAI.

813. And it was decreed that a Shofar be sounded on the Day of Atonement, to raise up a voice, which is Vav OF THE YUD HEI VAV HEI, NAMELY, ZEIR ANPIN, for freedom, WHICH IS BINAH. For it is said about it: "In all their affliction he was afflicted (lit. 'there was affliction for (Heb. lo) him')" (Yeshayah 63:9). 'LO' IS with Aleph and Vav, that is, in how it is pronounced and written, FOR IT IS SPELLED WITH ALEPH (NO), ALTHOUGH PRONOUNCED WITH VAV (FOR HIM). FOR "IN ALL THEIR AFFLICTION" ALLUDES TO FIVE AFFLICTIONS AND THE JUDGMENTS WHOSE SOURCE IS IN BINAH, IN ITS LEFT COLUMN. AND IN THE SECRET OF THE SHOFAR BLOWING, ZEIR ANPIN IS ALSO RAISED UP THERE TO BINAH, AND THIS IS WHY THERE ARE TWO VERSIONS OF THE TEXT, AS WRITTEN AND AS READ, WITH AN ALEPH AND WITH A VAV, WHERE THE ALEPH ALLUDES TO BINAH, IN THE SECRET OF TEACH (HEB. ALEPH) BINAH, AND THE VAV ALLUDES TO ZEIR ANPIN THAT ASCENDED TO BINAH. And worship on the day of Atonement is conducted at length and comprises three grades: thought, speech, and deed.

121. The holiday of Sukkot

We are reminded of the origin of this Festival dating from the time when Yisrael were led out of Egypt. The size and construction of the Tabernacle is described, and the point is made that the shadow cast by the roof is not an ordinary shadow but is really the protection cast over the soul. There are seven letters that incorporate the shape of a shelter or tabernacle: Bet, Gimel, Dalet, Caf, Pe, Resh and Tav. The seven planets are said to correspond to these letters, and many other analogies are drawn by means of the number seven. We hear about the meaning, composition and purpose of the lulav, and why the lulav is taken in the right hand and the Etrog in the left. Next we hear that the Patriarchs, together with Moses, Aaron, David and Solomon, all come to Rabbi Shimon and bless him and praise his light. Rabbi Shimon begins talking about the seventy bullocks that Yisrael used to sacrifice during the seven days of Sukkot - one less bullock every day. He says that the clue to this decrease is found in the fact that the ark came to rest in the seventh month, when the waters were continually receding. In the same way the sins of Yisrael decrease and so too do the number of accusers. The purpose of Noah's ark and the purpose of the Sukkah are the same - to give protection. The Shechinah protects all those who keep the sign of the Covenant.

814. "And on the fifteenth day of the seventh month," which is Tishrei, "you shall have a holy gathering; you shall do no servile work, and you shall keep a feast to Hashem seven days" (Bemidbar 29:12). On the fifteenth day means from the side of Yud Hei, NAMELY, CHOCHMAH AND BINAH. "and you shall keep a feast;" THIS IS THE LETTERS OF the letter Vav, which is the Central Column, NAMELY, ZEIR ANPIN. Seven days is from the side of Bathsheba (the daughter of seven), which is Malchut WHICH IS THE LAST HEI. The patriarchs WHICH ARE CHESED, GVURAH AND TIFERET, and the Faithful Shepherd WHO IS NETZACH, and Aaron WHO IS HOD, and David WHO IS MALCHUT, and Solomon WHO IS YESOD THAT IS CALLED 'SHALOM' (LIT. 'PEACE') are seven, corresponding to seven Sfirot. I want to construct for you a Sukkah, which is upper Ima, who will provide a shelter over them, OVER THE SEVEN SFIROT, as the mother over the young.

815. And on account of the seven Sfirot, Scripture said: "I made the children of Yisrael to dwell in booths, when I brought them out of the land of Egypt" (Vayikra 23:43), namely, with seven clouds of glory, WHICH ARE THE SECRET OF SEVEN SFIROT. Sukkah (lit. 'booth' or 'tabernacle') WHEN SPELLED with a letter Vav, is in the secret of the two sons, OVER WHOM BINAH PROVIDES A SHELTER, NAMELY, Yud Hei Vav Hei and Adonai, NAMELY, ZEIR ANPIN AND MALCHUT, for the numerical value of Sukkah amounts to Yud Aleph Hei Dalet Vav Nun Hei Yud, FOR SUKKAH (SAMECH VAV CAF HEI) CONSISTS OF THE LETTERS CAF VAV, WHICH HAVE THE SAME NUMERICAL VALUE AS THE LETTERS OF THE YUD HEI VAV HEI, AND THE LETTERS SAMECH HEI, WHICH HAVE THE SAME NUMERICAL VALUE AS ADONAI. AND THEY ARE THE SECRET OF the two Cherubs who are "overspreading the covering with their wings, and their faces shall look one to another" (Shemot 25:20), WHO ARE THE SECRET OF ZEIR ANPIN AND MALCHUT.

816. And the Cherubs, WHO ARE MALE AND FEMALE, are ten handbreadths from bottom to top, NAMELY, TEN SFIROT OF RETURNING LIGHT, from their feet to their heads, AND TEN SFIROT OF DIRECT LIGHT from their heads to their feet, and they rest on a handbreadth, which is THE SECRET OF Yud. THEY THEREFORE CONTAIN ten from top to bottom and ten from bottom to top, NAMELY, THE TEN SFIROT OF DIRECT LIGHT AND THE TEN SFIROT OF REFLECTED LIGHT, and this is Yud Vav Dalet, WHOSE NUMERICAL SUM IS TWENTY. And this is why the rabbis ruled that the size of a Sukkah should be not less than ten and not more than twenty. A Sukkah that is built in the shape of a furnace is from the side of Mother, WHICH IS JUDGMENT, about which it is said: "And Mount Sinai smoked in every part, because Hashem descended on it in fire: and the smoke of it ascended like the smoke of a furnace" (Shemot 19:18), and it is all one.

817. "And there shall be a tabernacle for a shadow in the daytime" (Yeshayah 4:6). This is because a roof is required, and this casts a shadow, about which it is said: "shall abide under the shadow of Shadai" (Tehilim 91:1). And the meaning is not to the shadow cast by an ordinary Sukkah that protects the body from the sun, but to the shadow that casts a protection over the Neshamah. THIS IS IN THE SECRET OF THE VERSE "I sat down under its shadow with great delight" (Shir Hashirim 2:3) and "Of Whom we said: 'Under His shadow we shall live among the nations'" (Eichah 4:20). The word tzel (lit. 'shadow') with a final letter Mem added to it forms the word tzelem (lit. 'image'), WHERE TZEL IS THE SECRET OF THE ROOFING MATERIAL AND THE FINAL MEM IS THE SECRET OF THE FOUR SIDE-WALLS OF THE SUKKAH, and it is said: "Surely every man walks in a vain show (Heb. tzelem)" (Tehilim 39:7). Closed Mem has four sides to it, WHICH ARE THE SECRET OF THE FOUR SIDE-WALLS OF THE SUKKAH.

814. בַּחֲמֵשֶׁה עָשָׂר יוֹם לַחֹדֶשׁ הַשְּׁבִיעִי וְגו', דְּאִיהִי תִשְׁרֵי, מִקְרָא קֹדֶשׁ יִהְיֶה לָכֶם כָּל מְלֹאכֶת עֲבוּדָה לֹא תַעֲשׂוּ וְחֻגּוֹתֵם אוֹתוֹ חֹג לִי שִׁבְעַת יָמִים וְגו'. בַּחֲמֵשֶׁה עָשָׂר, מְסֻרָא דִי"ה. וְחֻגּוֹתֵם אוֹתוֹ, דָּא אוֹת ו', עֲמוּדָא דְאֲמֻצְעִיתָא. שִׁבְעַת יָמִים, מְסֻרָא דִבֵּת שֶׁבַע, דְּאִיהִי מְלָכוּת. אָבָהּ, וְרַעֲיָא מְהִימְנָא, וְאֶהְרֹן, יְדוּד וְשְׁלָמָה, הָא אֵינּוֹן שֶׁבַע, לְקַבֵּל שֶׁבַע סְפִירָאן. אֲנָא בְּעֵינָא לְתַקְנָא לְכוּן סָבָה, דְּאִיהִי אֵימָא עֲלָאָה, לְסַבְכָא עֲלֵיהּ, כְּאֵמָא עַל בְּנִין.

817. וְסָבָה תְּהִיָּה לְצֵל יוֹמָם, דְּסַכַּךְ בְּעֵינָן. וְסַכַּךְ אֶתְעֵבִיד לְצֵל. דְּאֶתְמַר בֵּיהּ, בְּצֵל שְׂדֵי יִתְלוּנָן. וְלֹא בְּצֵל סַבְת הַדְיוּט, דְּאֶגִּין עַל גּוּפָא מִשְׁמַשָּׂא. אֶלָּא צֵל לְאֶגְנָא עַל גְּשֻׁמְתָא. בְּצֵלוּ חֲמֻדְתִּי וְיִשְׁבֵּתִי. אֲשֶׁר אֲמָרְנוּ בְּצֵלוּ נַחֲיָה בְּגוּיָם. צֵל עִם ס', אִיהִי צֵלָם. דְּאֶתְמַר בֵּיהּ, אֲךָ בְּצֵלָם יִתְהַלֵּךְ אִישׁ. ס' סְתוּמָה אִית לָהּ אַרְבַּעָה דְּפָנוֹת.

818. And with regard to the teaching: Two according to the regulations, and a third of even a handbreadth; and of him who says three according to the regulations, and a fourth of even a handbreadth: that is because OF THE THREE MEASUREMENTS, two, three, four, which together make nine, WHERE TWO ARE CHOCHMAH AND BINAH, THREE ARE CHESED, GVURAH, AND TIFERET, AND FOUR ARE NETZACH, HOD, YESOD AND MALCHUT. And the handbreadth THAT THEY MENTIONED WITH THE TWO OR WITH THE THREE is the tenth, NAMELY, MALCHUT, that makes up every shortage. And this is why the size of a Sukkah is not less than ten, referring to Malchut, which is the tenth of all the Sfirot, and not more than twenty, which is Caf (the numerical value of which is twenty), THAT ALLUDES TO upper Keter, which is further than the eye can see AND IS UNFATHOMABLE. This is that upper glory, about which Moses said: "I pray you, show Me your glory" (Shemot 33:18), to which the Holy One, blessed be He, responded: "You can not see My face" (Ibid. 20), and there is no glory (Heb. kavod) without Caf.

819. And for this reason the sages of the Mishnah viewed as corresponding to them: a Sukkah made like an alleyway, which is from the side of the letter Bet, and in the shape of a right angle, which is from the side of the letter Gimel, and like a hut which is from the side of the letter Dalet. And these seven letters Bet, Gimel, Dalet, Caf, Pe, Resh, and Tav WHICH ARE DOUBLED BY THE ADDITION OF A DAGESH (A DOT) IN THEM, ALLUDE TO THE SEVEN SFIROT CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, NAMELY, DUE TO THE ASPECT OF JUDGMENT THAT IS IN THEM. AND THEY ARE THE INITIAL LETTERS THAT ALLUDE TO THE SEVEN INVALID SUKKAHS, BECAUSE OF THE JUDGMENT THAT IS IN THEM. Caf ALLUDES TO A SUKKAH MADE like a furnace (Heb. KIVSHAN), AND Bet TO A SUKKAH that is a wayside station (Heb. burganin), and THE OTHER LETTERS to the remaining INVALID Sukkahs, all of which are referred to by the sages of the Mishnah, SUCH AS THE SUKKAH OF FRUIT (HEB. PEROT) WATCHMEN, THE SUKKAH OF SHEPHERDS (HEB. RO'IM), OR THE SUKKAH OF SAMARITANS (HEB. KUTIM), and there is no need to prolong the discussion on them.

820. And corresponding to them, TO THE SEVEN LETTERS BET, GIMEL, DALET, CAF, PE, RESH, AND TAV are the seven planets, and they are male and female, FOR WHEN THESE SEVEN LETTERS ARE WEAK THEY ARE OF THE MALE AND WHEN THEY ARE STRONG (WITH A DAGESH) THEY ARE OF THE FEMALE. And they are therefore called 'the seven doubles' and are like the seven candles of the candelabrum, WHICH ARE THE SECRET OF THE SEVEN SFIROT CHESED, GVURAH, AND TIFERET, NETZACH, HOD, YESOD AND MALCHUT, and it is said about it: "Seven times a day I praise You" (Tehilim 119:164). And so IT IS SAID: "and seven pipes to the seven lamps, which were upon the top of it" (Zecharyah 4:2), WHICH ARE THE SECRET OF THE SEVEN DOUBLES, NAMELY, THE SEVEN LETTERS IN THEIR WEAK FORM AND THE SEVEN LETTERS IN THEIR STRONG FORM, and likewise, the seven Sfirot are double, CONTAINING SEVEN OF JUDGMENT AND SEVEN OF MERCY. And so, too, are the seven days of creation below, NAMELY, THE SEVEN SFIROT OF MALCHUT, WHICH ARE PUNCTUATED WITH JUDGMENTS, and the seven above, NAMELY, THE SEVEN SFIROT OF ZEIR ANPIN, WHICH ARE WEAK FOR JUDGMENTS. FOR ABOUT THE SEVEN SFIROT THAT ARE BELOW, IT IS SAID: "and there is nothing new under the sun" (Kohelet 1:9), FOR ALL INNOVATIONS COME FROM THE SUN, NAMELY THE SEVEN SFIROT OF ZEIR ANPIN AND NOT FROM UNDER THE SUN, BY WHICH IS MEANT THE SEVEN SFIROT OF MALCHUT.

821. Lulav is Righteous One, NAMELY, YESOD, for the Lulav is like the spinal chord that contains eighteen vertebrae, corresponding to the eighteen shaking movements with the Lulav. And they correspond to the eighteen blessings of the Amidah prayer, and they correspond to the eighteen mentions, NAMELY, THE NAMES OF YUD HEI VAV HEI, in "Ascribe to Hashem, O you mighty" (Tehilim 29:1), and the eighteen times that the Divine Name is mentioned in the recital of the Sh'ma. And the Lulav is shaken in six directions: SOUTH, NORTH, EAST, UP, DOWN AND WEST, which makes six, and it is shaken three times in each direction, MAKING a total of eighteen.

822. The lulav IS TAKEN in the right HAND, and is comprised of six, namely three myrtle branches, CORRESPONDING TO Greatness, Gvurah, and Tiferet, and they are like the three colors to be found in the eye, WHICH ARE WHITE, RED, AND GREEN. And the two willow twigs are Netzach and Hod, and they are similar to the two lips. The Lulav IS Yesod and is like the spinal column that supports all the bones and about which David said: "All my bones shall say, Hashem, who is like You" (Tehilim 35:10). And the Etrog is Malchut and is like the heart, in which are thoughts.

823. And the shakings of the Hallel are common to the shakings of the taking up of the Lulav, and there are eighteen SHAKINGS at "Save us, Hashem, we pray You" (Tehilim 118:25), eighteen each at the first and last "O, give thanks" (Ibid. 1 and 29), and eighteen at the taking up of the Lulav, making a total of 72 SHAKINGS. And this is why the numerical value of lulav, which is 68, together with the four kinds of the lulav, COMES TO 72, and this is the same as the numerical value of Chesed, which is the right arm. And this is why it was decreed that the lulav be taken in the right hand, which is the side of Chesed, and the Etrog to the side of Gvurah, to the left, CORRESPONDING TO the heart. And this is why it was decreed that the Etrog, which is like the heart, be held in the left hand, as it has been taught: Lulav in the right hand and Etrog in the left, corresponding to 'Remember' and 'Keep'. And who is the one taking both LUVAV AND ETROG is the Central Column, MEANING ZEIR ANPIN. The Lulav is his right, the Etrog is his left.

824. The patriarchs came with the Faithful Shepherd and Aaron, David, and Solomon and blessed him, RABBI SHIMON, saying to him: You, holy luminary, and your companions, who are six in number, correspond to these seven SFIROT, and you, the holy luminary, are a western light in the middle of the six lights that illuminate from you. And about each one it is said: "The soul of man is the candle of Hashem" (Mishlei 20:27). And the Faithful Shepherd illuminates in you, and you in your companions and all of you are one, without any separation whatsoever. And from there and onwards, the branches, NAMELY, THE ILLUMINATIONS, spread out, to all masters of wisdom. Complete what you are saying in the compilation of the first part, to crown them.

825. The holy luminary began by quoting: "Many waters cannot quench love...IT WOULD BE UTTERLY SCORNED" (Shir Hashirim 8:7) What is the meaning of "IT WOULD BE UTTERLY scorned"? This refers to the second day, the sixth day, and the seventh day of the festival of Sukkot on which libations of water and wine were poured out.

826. During the seven days of Sukkot, Yisrael used to sacrifice seventy bullocks to make atonement for the seventy ministers OF THE SEVENTY NATIONS, so that the world would not remain destroyed because of them. And this is what the Scripture says: "And on the fifteenth day... you shall offer a burnt offering, a sacrifice made by fire, of a sweet savor to Hashem: thirteen young bullocks... without blemish" (Bemidbar 29:12-13). And on the second day twelve, and on the third day eleven bullocks, and on the fourth day ten, and on the fifth day nine bullocks, and on the sixth day eight bullocks, and on the seventh day seven. And all TOLD, THERE are seventy bullocks, each day one less being presented. HE ASKS, Why was there a reduction?

827. AND HE ANSWERS THAT THE SCRIPTURE here gives us a hint. "And the ark rested in the seventh month" (Beresheet 8:4), WHICH IS TISHREI. And just as then in the days of the Flood, when the waters decreased continually, so also here, in Tishrei, which is the seven month, in which there are a number of precepts, Rosh Hashanah (the New Year) and Yom Kippur, Sukkah, lulav and etrog, the kinds of lulav and Shofar. FOR THEN the upper Shechinah rests on Yisrael, and this is Repentance, NAMELY, BINAH THAT IS CALLED 'REPENTANCE', AND IS THE SECRET OF Sukkah. And etrog, WHICH IS MALCHUT, and lulav, that is the Holy One, blessed be He, NAMELY, ZEIR ANPIN, immediately "And the waters decreased continually" (Beresheet 8:5), for the sins of Yisrael become less. So, too, the angels of destruction who are appointed over them, OVER THE INIQUITIES, become less, FOR THE INIQUITIES are similar to the waters of the Flood. As has been taught: He that commits one transgression, gets for himself one accuser. And at the time that the iniquities become less, their bullocks are reduced in number, the appointees over the seventy nations are reduced, the seventy nations diminish, and their goodness becomes less.

828. And the Holy One, blessed be He, commanded Noah to take into the ark two and two, seven and seven, male and female, to be a sacrifice to protect Noah and all those who went into the ark with him. So, too, those who observe festivals and seasons, which are feast days, are two and two, seven and seven. Two and two refers to the two days of Rosh Hashanah and the two days of Shavuot, and because there are two OF SHAVOUT because of doubt, therefore, there are two days of Purim in their stead. Seven and seven refer to the seven days of Pesach, and the seven days of Sukkot. Noah corresponds to the Shabbat day, and this is the meaning of what is written: "of every living (Heb. chai = eighteen) thing" (Beresheet 6:19), BECAUSE TWO + TWO + SEVEN + SEVEN = EIGHTEEN, WHICH IS CHAI.

829. The Sukkah protects Yisrael, as it is written: "And there shall be a tabernacle for a shadow in the daytime from the heat" (Yeshayah 4:6). Just as the purpose of Noah's ark was to give protection, so is the Sukkah to give protection. Again: "of every living (Heb. chai = eighteen) thing," where Chai is the eighteen blessings of the prayer, which SUB-DIVIDE INTO two groups of nine each. AND WITH the blessing concerning the heretics, the ten Sfirot are completed, FOR THIS MAKES TEN TOGETHER WITH THE FIRST NINE, AND AGAIN TOGETHER WITH THE LAST NINE. And they correspond to the ten Sfirot OF DIRECT LIGHT that is from above downwards, and the ten Sfirot OF RETURNING LIGHT that is from below upwards. And this corresponds to Noah, WHICH IS TO SAY THAT THE EIGHTEEN BLESSINGS OF THE PRAYER CORRESPOND TO THE EIGHTEEN OF NOAH, NAMELY, TWO AND TWO, SEVEN AND SEVEN, WHICH ADD UP TO EIGHTEEN.

830. Again: "of every living thing." This means that the Shechinah protects all those who keep the Yud, which is the sign of the Shabbat, in its limits, namely, eight thousand CUBITS, NAMELY, two thousand in each direction. AND THE YUD OF THE SIGN OF THE SHABBAT AND THE CHET (= eight) OF THE LIMITS ARE CHET YUD: CHAI, LIVING. Again: "of every living thing." This means those who keep the sign of the covenant, which is Yud, which is at the eighth day, about which it is said: "And in the eighth day the flesh of his foreskin shall be circumcised" (Vayikra 12:3). AND THE YUD OF THE SIGN OF THE COVENANT AND THE CHET OF THE EIGHT DAYS FORM CHAI. Again: "of every living thing" refers to those who observe the sign of the Tefilin, which is Yud, AND IN WHICH ARE eight passage sections, THUS: CHET YUD: CHAI.

831. The Shechinah, which is the Sukkah, protects them and spreads her wings over them, as does the mother bird over the young. And this is why the text of the prayer was worded: 'who spreads the tabernacle of peace over us'. And for this reason, in the seventh month, which contains all these precepts, "Many waters cannot quench love" (Shir Hashirim 8:7) of Yisrael for their Father who is in Heaven. And there is no meaning to "many waters" except all the nations and their ministers. And if a man, this being Samael, give all that he possesses in this world in order to join in partnership with Yisrael in these precepts, "it would be utterly scorned."

122. Shmini Atzeret

Rabbi Shimon explains about the small banquet on the eighth day that he says is from the aspect of Malchut. He answers his son's query as to why the banquet for Yisrael was from the lower Shechinah but the banquet for all seventy nations was from the upper Mother, Binah.

832. "On the eighth day you shall have a solemn assembly... one bullock, one ram" (Bemidbar 29:35-36). The sages of the Mishnah have already taught that the matter is to be likened to the case of a king who invites guests to his house, and after he has sent them on their way, says to the members of his household: Let us, you and I, make a small banquet. And what is the meaning of "solemn assembly" (Heb. atzeret)? It is as is written: "this one shall reign (Heb. ya'atzor) over My people" (I Shmuel 9:17). And there is no reign apart from Malchut. FOR from the aspect of upper Shechinah, WHICH IS BINAH, he made the large banquet, but he made the small banquet from the aspect of Malchut. And Yisrael makes joy with her, and she is called 'Simchat Torah', (lit. 'the Rejoicing of the Torah') (holiday on which we dance with the Torah). And the scrolls of the Torah have their crowns placed on them, alluding to the fact that the scroll of the Torah is Tiferet, while the Shechinah is ITS CROWN, NAMELY, the crown of Tiferet.

833. Rabbi Elazar asked, Father, why is it that from the side of upper Mother, WHICH IS BINAH, He invited all the appointees of all the nations, NAMELY, WITH THE SEVENTY BULLOCKS, REFERRED TO ABOVE, and from the side of the lower Shechinah, He invited only a solitary nation, corresponding to the one bullock? SHOULD IT NOT HAVE BEEN THE OTHER WAY AROUND, WITH YISRAEL RECEIVING FROM UPPER MOTHER, AND THE MINISTERS OF THE NATIONS FROM MALCHUT?

834. He replied: My son, that is a good question that you have asked, and the answer is: Because Malchut alludes to a daughter who is modest in the house of her father and mother, and she is engaged but not married, THEREFORE, it is not customarily considered proper that she should eat with the guests. But as for the mother, who is married, HERE it is the customary way of the world that when her husband invites guests, she should eat WITH THE GUESTS, at the table with her husband. And if they are foreign guests, then no one eats with them, neither father nor mother, and certainly not the daughter, WHO IS MALCHUT. And this is the reason why at the banquet for the seventy ministers not one of the members of the king's household joins in to eat with them, because they are foreigners. He said: Surely the matter has now been settled in my thoughts correctly.

123. Explanations about Malchut

Rabbi Shimon tells us that the Shechinah ascends to the place she came from, Infinity, as a result of the burnt offerings. She takes the Sfirot up with her to provide a sweet aroma for God and then descends bringing atonement for Yisrael's sins with her. Rabbi Shimon says that all the grades ascend and descend in her. We learn why Malchut is called 'peace offerings' and why everything is included in Malchut. She is Chochmah and Binah and Tiferet. We also hear of the twelve commandments that are included in her.

835. The daily burnt offering (Heb. olat tamid) is the Shechinah which always (Heb. tamid) ascends (Heb. olah) on that grade about which it is said: 'Evening and morning, every day, twice each and every day, saying Sh'ma Yisrael'. And she ascends in the Central Column, WHICH IS ZEIR ANPIN, who is with her always, without any separation at all.

836. But whence does she ascend? To the place from which she was derived, which is Infinity, and she is then higher than all the Sfirot, which is why it was taught: The whole of the burnt offering ascends to the Most High. And as she ascends, all the other Sfirot take hold of her, and ascend with her. What is the meaning of this ascent of hers TO INFINITY? It is to provide a sweet savor, to give a good savor before Hashem. And afterwards it is said about her: "and came down from offering the sin offering, and the burnt offering" (Vayikra 9:22), namely, she descends FROM INFINITY, full of atonement over all of Yisrael's sins.

833. אָמַר ר' אֶלְעָזָר, אָבִי, מָה עֵלְמָה מִסְטְרָא דְאִמָּה, עֲלָאָה, זְמִין לְכֹל מִמְנָן דְּכָל אוֹמִינן, וּמִסְטְרָא דְשְׂכִינְתָא תַתָּאָה, לֹא זְמִין אֲלָא לְאוּמָה יְחִידָה, לְקַבֵּל פֶּר יְחִידָה.

834. אָמַר לִיה בְּרִי, שְׁפִיר שְׂאִילַת. בְּגִין דְּמַלְכוּת אִיהִי רְמִיזָא לְבֵרְתָא, דְּאִיהִי צְנוּעָה בְּבֵית אָבִיהָ וְאִמָּה. וְאִיהִי אַרוּסָה וְלֹא נְשׂוּאָה. לֹא אֹרַח אֶרְעָא, לְמִיכַל עִם אוֹשְׁפִיזִין. אֲבָל אִימָא דְהִיא נְשׂוּאָה, אֹרַח אֶרְעָא אִיהוּ בְּתַר דְּמִזְמִין בְּעֵלָה אוֹשְׁפִיזִין, לְמִיכַל עַל פְּתוּרָא עִם בְּעֵלָה. וְאִי אִינוּן אוֹשְׁפִיזִין נְכֻרְאִין, לֹא אֲכִלִי עִמְהוֹן, לֹא אָבִי, וְלֹא אִמָּא, וְכָל שְׂכֵן בְּרֵתָא. וּבְגִין כֵּן בְּסְעוּדַתָּא דְשִׁבְעִין מִמְנָן, לֹא אֲשַׁתַּתֵּף לְמִיכַל עִמְהוֹן, חַד מִן מְאִרֵי מַלְכָא, בְּגִין דְּאִינוּן נֹכְרֵאִין. אָמַר לִיה וְדֵאִי כְעַן אֲתִישְׁבֵת מִלָּה בְּלִבָּאִי, עַל בּוּרְיָהּ.

835. עוֹלַת תָּמִיד, דְּהִיא שְׂכִינְתָא, דְּסְלִיקַת לְעוֹלָא בְּהוּא דְרֵגָא, דְּאִתְמַר בָּהּ עֶרְב וּבֹקֵר בְּכָל יוֹם תָּמִיד, וְאוֹמְרִים פְּעָמִים שְׁמַע יִשְׂרָאֵל. וְאִיהִי סְלִיקַת בְּעִמּוּדָא דְאִמְצַעִיתָא, דְּאִיהוּ תְדִיר עִמָּה בְּלֹא פְרוּדָא כָּלֵל.

836. וְלֹאֵן סְלִיקַת. לְאַתְרָא דְאֲתַגְזֵרַת מִתַּמֵּן, דְּאִיהוּ אִין סוּף, וְאִיהוּ גְבוּהָ מְכַל סְפִירָאֵן. וּבִג"ד אוֹקְמוּהָ. עוֹלָה כְּלָה לְגְבוּהָ סְלִיקָא. וְכֹד אִיהִי סְלִיקַת, אֲחִירֵן בָּהּ כָּל סְפִירָן, וְאִינוּן סְלִיקִין עִמָּה. וּמֵאִי סְלִיקוּ דִּילָהּ. לְרִיחַ גִּיחַח, לְמִיּוֹב רִיחָא טְבָא קָדָם יי', וְלְבֵתֵר אֲתַמַּר בָּהּ, וְיִרְדַּ מְעִשׂוֹת הַחֲטָאת וְהָעוֹלָה. נְחַתַּת מְלִיא כְפָרָה מְכַל חוּבֵין דְּיִשְׂרָאֵל.

837. And her ascent is with the Central Column, WHICH IS ZEIR ANPIN, and so also is her descent, and that of all her hosts, in it. And for this reason she is called 'a ladder' for all the appellatives; NAMELY, ALL THE GRADES ascend and descend in her, suspended from the name Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, and thus all the sacrifices and all the burnt offerings are to Yud Hei Vav Hei. And she is called 'a sacrifice' because all the appellatives draw near, through her, to the Yud Hei Vav Hei, WHICH IS ZEIR ANPIN.

838. And for this reason it was said about her: "and his offering was one silver dish" (Bemidbar 7:13), NAMELY MALCHUT. For there is no grade that can draw near to Yud Hei Vav Hei without MALCHUT, and there is no prayer, nor precept of any of the precepts that are in the Torah or any of the sacrifices and burnt offerings that are outside OF MALCHUT. And in all the grades that are in the Sfirot, none is received before Yud Hei Vav Hei without her, which is why it was said about her: "Thus (lit. 'with this' (Heb. zot, feminine)) shall Aaron come into the holy place" (Vayikra 16:3), WHERE MALCHUT IS CALLED 'ZOT'. And for this reason the prophet said: "But let him that glories glory in this (zot)" (Yirmeyah 9:23).

839. And she, MALCHUT, is CALLED 'peace offerings' (Heb. shelamim) because she is the completion (Heb. shlemut) of the name Yud Hei Vav Hei in each and every grade. She is Hei OF THE YUD HEI VAV HEI; she is Adonai; she is the Yud of the Yud Hei Vav Hei; she is the Hei of Elohim; she is the Hei of Eheyeh. She is the Yud of Shadai: (Shin Dalet Yud); she is the end of every Yud Hei Vav Hei and appellative, wherefore it is said about her: "The end of the matter, when all is said and done: Fear Elohim and keep His commandments" (Kohelet 12:13). She is the end (Heb. sof) of the ten Sfirot and is called 'Yam Suf' (lit. 'the reed sea'). She is the completion of the upper beings and of the lower beings; she is the gate by which one has to enter for all wisdom and for every appellative and Yud Hei Vav Hei and for entering into each and every Sfirah. She is the knowledge of everything, and without her NAMELY MALCHUT no creature has permission to look into any knowledge that is in the world. About her it is said: "this is the gate of Hashem, into which the righteous shall enter" (Tehilim 118:20).

840. She, MALCHUT, is the 42-letter Name, NAMELY, THE FOUR LETTERS OF THE YUD HEI VAV HEI, THE TEN LETTERS OF IT BEING FULLY SPELLED, AND THE 28 LETTERS OF THE FILLING OF THE FILLING. THIS AMOUNTS TO FORTY-TWO LETTERS, AND MALCHUT IS THE SECRET OF THE FINAL HEI'S THAT ARE IN THE 42-LETTER NAME, through which the upper and lower beings were created. She is called 'eye' from the right side, WHICH IS THE CHOCHMAH IN HER, AS IT IS WRITTEN: "Behold, the eye of Hashem is upon those who fear Him" (Tehilim 33:18); and she is called 'ear' from the left side, WHICH IS THE BINAH IN HER, AS IT IS WRITTEN: "O my Elohim, incline Your ear, and hear" (Daniel 9:18). And from the aspect of the Central Column, WHICH IS THE TIFERET IN HER, she is called 'smell,' while from the aspect of herself, WHICH IS MALCHUT, she is called 'mouth,' as it is written: "With him I speak mouth to mouth" (Bemidbar 12:8).

837. וְהָא סְלִיקוּ דִּילָה אִיהוּ, בְּעֵמּוּדָא דְאִמְצָעִיתָא. אֹפֶךְ הָכִי נִחִיתוּ דִּילָה אִיהוּ בֵּיהּ, וְכָל חֲוִילֵין דִּילָה, וּבְגִין דָּא אֶקְרִי סְלָם, דְּבִיָּה כָּל כְּנוּיֵין סְלָקִין וְנִחְתִּין, דְּאִינוּן תְּלִין מִן יְדוּד. וּבִגְדֵי, כָּל קְרַבְנִין וְעֲלוּן אִינוּן לְיְדוּד. וְאִתְקְרִיָּאת קְרַבָּן, עַל שֵׁם דְּאִתְקְרִיבּוּ בָּהּ כָּל כְּנוּיֵין לְיְדוּד.

838. וּבְגִין דָּא אִתְמַר עֲלָהּ, קְרַבְנוּ קַעֲרַת כֶּסֶף אַחַת. לִית דְּרַגָּא דְאִתְקְרִיב לְגַבֵּי יְדוּד, פְּחוּת מְנָה. וְלִית צְלוּתָא וּמְקוּדָא מְכַל פְּקוּדִין דְּאוּרִייתָא, וְכָל קְרַבְנִין וְעֲלוּן, דְּאִינוּן לְבַר מְנָה. בְּכָל דְּרַגִּין דְּסַפִּירָאן לָא מִתְקַבְּלָן קְדָם יְדוּד, לְבַר מְנָה. וּבְגִין דָּא אִתְמַר עֲלָהּ, בְּזֹאת יָבֵא אֶהְרֵן אֶל הַקֹּדֶשׁ. וּבִגְדֵי אִמְרַן נְבִיא, כִּי אִם בְּזֹאת יִתְהַלֵּל הַמִּתְהַלֵּל.

839. אִיהִי שְׁלָמִים, שְׁלִימוּ דְשִׁמְא דִּידוּד, בְּכָל דְּרַגָּא וְדְרַגָּא. אִיהִי ה'. אֲדַנִּי. י' דִּידוּד. אִיהִי ה' מִן אֱלֹהִים. אִיהִי ה' מִן אֱהִיָּה. י' מִן שְׁדֵי. סוּף דְּכָל הַוְיָה וְכְנוּי. וּבִגְדֵי אִתְמַר בָּהּ, סוּף דְּבַר הַכָּל נִשְׁמַע אֶת הָאֱלֹהִים יֵרָא וְאֵת מִצְוֹתָיו שְׁמוּר. אִיהִי סוּף מַעֲשֵׂר סַפִּירָאן, יָם סוּף. שְׁלִימוּ דְעֲלָאִין וְתַתְּאִין. אִיהוּ תַרְעָא לְאֶעְלָא לְכָל חֲכַמְתָּא, לְכָל כְּנוּי וְהוּיָהּ, וְלְאֶעְלָא בְּכָל סַפִּירָה וְסַפִּירָה, יִדְעָה דְכָלָא. וּפְחוּת מִיָּנָה, לִית רְשׁוּ לְשׁוּם בְּרִיָּה, לְאִשְׁגָּחָא לְשׁוּם יִדְעָה בְּעוֹלָם. עֲלָהּ אִתְמַר, זֶה הַשַּׁעַר לִינִי צְדִיקִים יָבִאוּ בּוּ.

840. אִיהוּ שֵׁם מ"ב אֲתוּן, דְּבַהוּן אֲתַבְּרִיאוּ עֲלָאִין וְתַתְּאִין. אִיהִי אִתְקְרִיָּאת עֵין מַסְטְרָא דִּימִינָא, הֵנָּה עֵין יְדוּד אֶל יִרְאִיו. וְאִתְקְרִיָּאת אֲזוּן מַסְטְרָא דְשִׁמְאָלָא, הֵטָה אֱלֹהִי אֲזוּנְךָ וְשָׁמַע. וְאִתְקְרִיָּאת רִיחַ מַסְטְרָא דְעֵמּוּדָא דְאִמְצָעִיתָא. וְאִתְקְרִיָּאת פֶּה, מְגַרְמָה. הֵה"ד פֶּה אֶל פֶּה אֲדַבֵּר בּוּ.

841. And she is called 'the first commandment', "I am (Heb. anochi)" (Shemot 20:2), NAMELY, THE BEGINNING OF THE DIVINE REVELATION, from the aspect of Keter, that is in her, which is Ayin (lit. 'nought'), NAMELY, THE LETTERS ALEPH YUD NUN from our Elohim: (Aleph Lamed Hei Yud Nun Vav), FOR KETER IS CALLED 'NOUGHT' IN THE SENSE OF ABSENCE OF CONCEPTION. 'anochi' (Aleph Nun Caf Yud) contains the letter Caf that stands for Keter and Aleph Yud Nun (Heb. ayin). And Keter is so called from the aspect of upper Ima, for whom the Exodus from Egypt is mentioned fifty times in the Torah, CORRESPONDING TO THE FIFTY GATES OF BINAH, AND KETER OF MALCHUT IS IN BINAH. And she is a daughter (Heb. BAT - BET TAV) from ("In the beginning") Beresheet (Bet Resh Aleph Shit Yud Tav), which includes all of the ten sayings BY WHICH THE WORLD WAS CREATED. And from the aspect of Chochmah, she is the daughter of Yud, AS IT IS SAID: "by wisdom founded the earth" (Mishlei 3:19), NAMELY, MALCHUT, WHICH IS CALLED 'EARTH', for Father, WHICH IS CHOCHMAH, founded the daughter, WHICH IS MALCHUT. And she is "a path which no bird of prey knows" (Iyov 28:7), which is comprised of 32 paths, namely the 32 Names of Elohim from the aspect of upper Mother that is called 'glory' (Heb. kavod = 32). And when they are included in the daughter, WHICH IS MALCHUT, MALCHUT is called heart (Heb. lev = 32), and this is why there is glory above and a heart below.

842. And the Ten Commandments were given on two tablets, five on each, and MALCHUT includes them, for they are the five SFIROT from Keter to Gvurah, and the five SFIROT from the Central Column, WHICH IS TIFERET to the daughter, WHICH IS MALCHUT. And they are twice Hei. HE ASKS: IF THE TEN COMMANDMENTS ARE FROM THE TEN SFIROT, is it then possible to speak with ten mouths, WITH EACH SFIRAH SPEAKING WITH ITS OWN SPECIAL MOUTH? HE ANSWERS, He included all TEN COMMANDMENTS in the only daughter, WHICH IS MALCHUT, and all of them became one, WITH THE TEN COMMANDMENTS BEING INCORPORATED WITHIN MALCHUT. And so it is that Vav, WHICH IS TIFERET, that is called 'voice', cannot be perceived until it joins with speech, WHICH IS MALCHUT. And this is why IT IS WRITTEN: "you heard the voice of the words" (Devarim 4:12), WHERE VOICE ALLUDES TO ZEIR ANPIN AND WORDS TO MALCHUT.

843. She, MALCHUT, is the second commandment from the side of Gvurah, which is the same numerical sum as for the word Yir'ah, (lit. 'fear') FOR THEY BOTH HAVE THE NUMERICAL VALUE OF 216. And this is intimated in the word "Beresheet" (lit. 'In the beginning'), WHOSE LETTERS, REARRANGED, SPELL: Yere boshet (lit. 'fearful of shame'), and it has been taught: Whoever has no modesty, certainly his forefathers were not present on Mount Sinai.

844. She is the third commandment, which is called 'love of Chesed', as it is written: "I have loved you with an everlasting love: therefore I have remained true to you (with Chesed)" (Yirmeyah 31:2). Love, WHICH IS MALCHUT, is composed of the patriarchs, and in their contexts is called: 'bakol' (lit. 'in all'), 'mikol' (lit. 'of all'), 'kol' (lit. 'all'), WHICH IS MALCHUT THAT IS CALLED KOL (LIT. 'ALL'). ABOUT ABRAHAM IT IS SAID: "AND HASHEM HAD BLESSED ABRAHAM IN ALL THINGS" (BERESHEET 24:1); AND ABOUT ISAAC IT IS WRITTEN: "AND I HAVE EATEN OF ALL" (IBID. 27:33); AND ABOUT JACOB: "BECAUSE I HAVE ALL" (IBID. 33:11). And the secret of the matter is the verse: "I remember in your favor, the devotion (Chesed) of your youth, your love as a bride" (Yirmeyah 2:2), WHICH IS SAID ABOUT MALCHUT.

841. אֶתְקַרְיָאת פְּקוּדָא קְדָמָא אֲנֹכִי, מִסְטְרָא דְכֶתֶר, דְּאִיהוּ אִי"ן מְאֻלְהִינוּ. אֲנֹכִי בִיה כ', כֶּתֶר. וְבִיה אִין. וְכֶתֶר אֶתְקַרְיָ מִסְטְרָא דְאִימָא עֲלָא. דְּאִדְכֶר לְגַבַּה חֲמִשִּׁין זְמַנִּין יִצִיאת מִצְרַיִם בְּאוּרִייתָא. וְאִיהִי בִ"ת מִן בְּרֵאשִׁית, דְּכֻלִּילָא עֲשֵׁר אַמִּירָן, מִסְטְרָא דְחֻכְמָה בֵּת י', בְּחֻכְמָה יֶסֶד אַרְץ. בְּאֲבָא יֶסֶד בְּרֵתָא. וְאִיהוּ נֹתִיב לֹא יִדְעוּ עֵיט, דְּכֻלִּיל ל"ב נֹתִיבוֹת, דְּאִינוּן ל"ב אֱלֹהִים מִסְטְרָא דְאִימָא עֲלָא, דְּאֶתְקַרְיָ כְּבוֹד. וְכֹד אֶתְכֻלִּיל בְּבֵרֵתָא, אֶתְקַרְיָ ל"ב. וּבְגִין דָּא כְּבוֹד לְעִילָא, ל"ב לְתַתָּא.

842. וְי' דְּבֶרֶן אֶתְיַהִיבוּ. חֲמִשׁ בְּלֻחָא חֲדָא, וְחֲמִשׁ בְּלֻחָא תְּנִינָא. אִיהִי כֻלִּיל לֹון, ה' מִכְּתֶר עַד גְּבוּרָה. וְה' מִעַמּוּדָא דְאִמְצִיעִיתָא, עַד בְּרֵתָא. וְאִינוּן ה' ה'. וְכִי אֵית לְמַלְלָא בְּעִשְׂרָה פִּיּוֹת. אֶלָּא כֻלִּיל לֹון בְּבֵת יַחִידָה י' וְאֶתְעִבִּירוּ כְּלָהוּ חֲדָא. אוֹף הֲכִי ו', אֶתְקַרְיָ קוֹל, וְלֹא אֶשְׁתַּמוּדְעִין בִּיה, עַד דְּאֶשְׁתַּתְּףָּ עִם דְּבוּר. וּבְגִין דָּא, קוֹל דְּבֵרִים אֶתָּם שׁוֹמְעִים.

843. אִיהִי פְּקוּדָא תְּנִינָא מִסְטְרָא דְּגְבוּרָה, יִרְאָה בְּחוּשְׁבָן. וְרִמִּיזָא בְּמַלְת בְּרֵאשִׁית, יִרְא בִשְׁת. וְאוֹקְמוּהָ, מֵאן דְּלִית לִיה בִּשְׁת פְּנִים, וְדֵאִי דְּלֵא עֲמָדוּ אֲבֵהֶתּוּי עַל טוּרָא דְּסִינַי.

844. אִיהִי פְּקוּדָא תְּלִיתָא, דְּאֶתְקַרְיָ אֶהֱבַת חֶסֶד. הַה"ד אֶהֱבַת עוֹלָם אֶהֱבַתִּין עַל כֵּן מִשְׁכַּתִּין חֶסֶד. אֶהֱבָה כֻלִּילָא מֵאֲבָהּ, דְּאֶתְקַרְיָ בְּהוּן בְּכָל מִכָּל כָּל. וְרִזָּא דְּמַלְא, זְכַרְתִּי לְךָ חֶסֶד נְעוּרִין אֶהֱבַת כְּלוּלֹתִין.

845. And she is the fourth commandment, which is the unity from the aspect of the Central Column, NAMELY, THE UNITY OF Sh'ma Yisrael. That is 25 (Caf Hei) plus 25 letters with Him, WITH ZEIR ANPIN, NAMELY, 25 LETTERS OF SH'MA YISRAEL, WHICH IS ZEIR ANPIN, PLUS 25 LETTERS OF 'BLESSED BE THE NAME OF THE GLORY OF HIS KINGDOM FOREVER AND EVER', WHICH IS MALCHUT, that are in the six words of Sh'ma Yisrael, WHICH ARE SIX SFIROT of ZEIR ANPIN. And for her sake, Abraham said: "...will go yonder (Heb. coh) and prostrate ourselves" (Bereshheet 22:5). AND IT IS ALSO SAID: "Thus (Heb. coh, Caf Hei) shall you say to the house of Jacob" (Shemot 19:3).

846. And He, ZEIR ANPIN, is Aleph Chet OF ECHAD: (LIT. 'ONE' - ALEPH CHET DALET), which is the Central Column, while she, MALCHUT, is the Dalet OF ECHAD. She is the completion of His unity, perfecting in him THE SECRET OF one. Aleph Chet (= nine) OF ECHAD include nine Sfirot, namely: Aleph is Infinity, NAMELY, KETER, the Chet (= eight) Sfirot from Chochmah to Yesod. The Dalet OF ECHAD is Malchut, with the tip OF THE DALET ALLUDING TO YESOD. With it, IN MALCHUT, are completed the ten Sfirot, which are THE TEN LETTERS Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph. The Dalet (= four) OF ECHAD is comprised of the four letters of the Yud Hei Vav Hei.

847. The fifth commandment is: "but you shall meditate therein day and night" (Yehoshua 1:8). She, MALCHUT, is the Written Torah from the side of Chesed and the Oral Torah from the side of Gvurah, where Chochmah and Binah are in them, FOR AT THE TIME OF GREATNESS, CHESD ASCENDS AND BECOMES CHOCHMAH, WHILE GVURAH ASCENDS AND BECOMES BINAH. This is as the sages of the Mishnah taught: He who wants to be wise will face south and he who wants to be rich will face north, WHERE THE MEANING OF RICH IS IN KNOWLEDGE AND UNDERSTANDING. And the Central Column, WHICH IS TIFERET, incorporates both of them, THE RIGHT AND THE LEFT, and for this reason is called 'heavens' (Heb. shamayim) for it includes fire (Heb. esh) and water (Heb. mayim). Fire is Gvurah and water is Chesed.

848. And for this reason, Keter, which is Caf, is the secret of the verse: "weighing ten shekels apiece (Heb. kaf), after the shekel of the sanctuary" (Bemidbar 7:86), NAMELY, TEN SFIROT FROM ABOVE DOWNWARDS AND TEN SFIROT FROM BELOW UPWARDS, which is Yud Hei Hei, three letters that become Caf, namely, KETER, over Vav WHICH IS ZEIR ANPIN, and is to correspond to Keter Torah, (lit. 'the crown of the Torah'). For the Vav is the scroll of the Torah, and the Caf, WHICH IS YUD HEI HEI, is the diadem of its head. And all of it together, NAMELY, YUD HEI HEI WITH VAV, is the Yud Hei Vav Hei whose numerical value is Caf Vav (= 26), WHERE THE CAF IS THE SECRET OF KETER OVER THE VAV.

849. The sixth commandment OF MALCHUT is the hand Tefilin, WHICH IS TO BE PLACED on the left arm, WHICH IS GVURAH, and from the side of Gvurah it is the Hei of the dim hand, WHICH IS MALCHUT. AND THEREFORE THE HAND TEFILIN, WHICH IS MALCHUT, MUST BE PLACED ON THE LEFT ARM, WHICH IS GVURAH OF ZEIR ANPIN. And from Keter to Gvurah there are five Sfirot, and they are THE ASPECT OF the head Tefilin of the Central Column, WHICH IS ZEIR ANPIN. FOR FROM KETER TO GVURAH IS THE ASPECT OF THE HEAD TEFILIN, FOR THEY ARE ZEIR ANPIN, AND BELOW GVURAH THEY ARE THE HAND TEFILIN, FOR THEY ARE MALCHUT. And she, MALCHUT, is the knot of the three straps, namely Netzach, Hod, and Yesod; NAMELY, SHE IS THE KNOT OF THE TWO STRAPS OF THE HEAD, WHICH ARE NETZACH AND HOD, AND THE KNOT OF THE ONE STRAP OF THE HAND TEFILIN, WHICH IS YESOD. AND IT FOLLOWS THAT SHE IS THE KNOT OF THE THREE STRAPS.

845. וְאִיהִי פְקוּדָא רְבִיעָא, יְחוּד, מְסִטְרָא דְעַמּוּדָא דְאַמְצְעִיתָא, שְׁמַע יִשְׂרָאֵל. וְאִיהִי כ"ה כ"ה אֲתוּוֹן, עֲמִיה בְּשִׁית תִּיבִין, דְּאִינוּן שְׁמַע יִשְׂרָאֵל. וּבְגִינָה אָמַר אַבְרָהָם נִלְכָּה עַד כ"ה וְנִשְׁתַּחֲוָה. כ"ה תֵּאמַר לְבֵית יַעֲקֹב.

846. אִיהוּ א"ח, עַמּוּדָא דְאַמְצְעִיתָא, וְאִיהִי ד', שְׁלִימוּ דִּיְחוּדָא דִּילְיָה, לְאַשְׁלֵמָא בֵּיה אָחַד. א"ח, כְּלִיל ט' סְפִירָאן, דְּאִינוּן א' אֵין סוּף. ח' תְּמִנָּא סְפִירָאן, מַחְכְּמָה עַד יְסוּד. ד' מְלָכוֹת, קוּצָא דִּילְיָה, בְּהָ אֲשַׁתְּלִימוּ לְעֶשְׂרָה, דְּאִינוּן יו"ד ה"א וְא"ו ה"א. ד' כְּלִילָא מְד' אֲתוּוֹן יְרוּד.

847. פְּקוּדָא חֲמִישָׁא, וְהִגִּית בּוּ יוֹמָם וְלַיְלָה. אִיהִי אוֹרֵייתָא דְּבִכְתָּב מְסִטְרָא דְּחֶסֶד. וְאוֹרֵייתָא דְּבַעַל פֶּה מְסִטְרָא דְּגְבוּרָה. דְּבַהוֹן חֲכָמָה וּבִינָה. כְּמָה דְּאוּקְמוּהָ מְאִרֵי מִתְּנִיתִין, הַרוּצָה לְהַחֲבִים יְדָרִים. לְהַעֲשִׂיר יִצְפִּין. וְעַמּוּדָא דְּאַמְצְעִיתָא כְּלִיל תְּרוּוִיָּהוּ, וּבְגִין דָּא אֲתַקְרִי שָׁמַיִם, כְּלִיל אֵשׁ וּמַיִם, אֵשׁ דְּגְבוּרָה, וּמַיִם דְּחֶסֶד.

848. וּבְגִין דָּא כְּתַר, דְּאִיהִי כַּף, עֶשְׂרָה עֶשְׂרָה הַכָּף בְּשֶׁקֶל הַקֹּדֶשׁ. דְּאִינוּן יְה"ה, תְּלַת אֲתוּוֹן, אֲתַעֲבִידוּ כַּף, עַל ו'. וְהִינוּ כְּנָגַד כְּתַר תּוֹרָה, ו' הִינוּ ס"ת, כַּף עֶטְרָה עַל רִישִׁיה. וְכֹלָא יְרוּד', כ"ו בְּחוּשְׁבָן.

849. פְּקוּדָא שְׁתִּיתָא, אִיהִי תַפְלָה שֶׁל יָד, בְּדְרוּעָא שְׁמַאלָא. וּמְסִטְרָא דְּגְבוּרָה ה' דִּינָד כְּהָה, מְכַתֵּר וְעַד גְּבוּרָה, ה' סְפִירָאן, וְאִינוּן תְּפִילִין דְּרִישָׁא דְּעַמּוּדָא דְּאַמְצְעִיתָא. וְאִיהִי קֶשֶׁר תְּלַת רְצוּעוֹת, דְּאִינוּן נֶצַח הוּד יְסוּד.

850. And she is the seventh commandment, which is the precept of fringes, comprised of blue and white, which are Judgment and Mercy. In the flame OF THE CANDLE, the white fire does not devour WHAT IS UNDER IT, FOR IT IS ATTACHED ONLY TO THE BLUE FIRE THAT IS UNDER IT, BUT the blue fire OF THE CANDLE IS ATTACHED TO THE WICK AND THE OIL, AND IT devours and destroys WHAT IS UNDER IT, FOR THE WHITE FIRE IS CHESED AND THE BLUE FIRE IS JUDGMENT. AND ABOUT THE BLUE FIRE, WHICH IS JUDGMENT, IT IS SAID: "and consumed the burnt offering" (I Melachim 18:38). For the white is from the right and the blue from the left, while the Central Column, which is the unity of the two of them, OF THE RIGHT SIDE AND THE LEFT SIDE, is green. For this reason the sages taught: From what time in the morning may the Sh'ma be recited? As soon as one can distinguish between blue and white, NAMELY, AS SOON as ONE CAN DISTINGUISH BETWEEN CHESED AND JUDGMENT, FOR ONE HAS TO UNITE THEM IN THE CENTRAL COLUMN, THIS BEING THE SECRET OF THE RECITATION OF THE SH'MA YISRAEL. And this is why it was decreed that the section about the fringes be included in the unity OF THE RECITAL OF THE SH'MA YISRAEL, BECAUSE ITS PRECEPT IS TO BE FULFILLED WITH WHITE AND BLUE, WHICH HAVE TO BE BROUGHT TOGETHER IN THE RECITAL OF THE SH'MA YISRAEL.

851. And she is the eighth commandment, which is mezuzah. The Shechinah is called 'mezuzah' from the aspect of the Central Column, NAMELY, ZEIR ANPIN, which is the letters Yud Hei Vav Hei, and from the aspect of the Righteous One, WHICH IS YESOD, which is the secret of the covenant that is called 'Shadai'. Shadai is the seal of the King, who is the Yud Hei Vav Hei. THEREFORE THERE IS A YUD HEI VAV HEI INSIDE THE MEZUZAH, CORRESPONDING TO THE CENTRAL COLUMN, AND THE WORD SHADAI ON THE OUTSIDE OF THE MEZUZAH, CORRESPONDING TO YESOD.

852. The ninth commandment is the Shechinah, which is called 'the sign of the covenant' from the aspect of the Righteous One, the Foundation of the World, WHICH IS YESOD, as it is written: "This (Heb. Zot) is the token of the covenant" (Bereshheet 9:17). ZOT REFERS TO THE SHECHINAH AND SHE IS "THE TOKEN OF THE COVENANT." AND IT IS WRITTEN: "IT IS A SIGN BETWEEN ME AND THE CHILDREN OF YISRAEL FOR EVER: FOR IN SIX DAYS HASHEM MADE THE HEAVEN AND THE EARTH, AND ON THE SEVENTH DAY HE RESTED, AND WAS REFRESHED" (SHEMOT 31:17). "between Me," the Central Column, WHICH IS ZEIR ANPIN, "and the children of Yisrael," Netzach and Hod, TERMED THE CHILDREN OF YISRAEL. "Sign" refers to the Righteous One, NAMELY, YESOD. "is (fem.)" refers to the Shechinah. "for in six days Hashem made the heaven" NAMELY, from Keter to the Central Column, WHICH IS TIFERET, THIS BEING THE SIX SFIROT, KETER, CHOCHMAH, BINAH, CHESED, GVURAH AND TIFERET, for whenever six is mentioned it is only from the aspect of the letter Vav, WHICH IS TIFERET. HERE, TOO, THE SIX DAYS REFER TO TIFERET, TOGETHER WITH THE FIVE SFIROT THAT PRECEDE IT, AND WHICH IT INCLUDES. BUT FROM TIFERET AND DOWNWARDS IT IS NO LONGER THE ASPECT OF ZEIR ANPIN, BUT RATHER THE ASPECT OF MALCHUT. And there is no seventh, other than from the aspect of the letter Yud, WHICH IS MALCHUT, WHICH IS a diadem on the head OF ZEIR ANPIN IN THE SECRET OF THE VERSE "A VIRTUOUS WOMAN IS A CROWN TO HER HUSBAND" (MISHLEI 12:4). AND SHE IS THEN IN THE ASPECT OF upper Chochmah AND IS CALLED "It is a sign," in the masculine form. AND WHEN MALCHUT IS lower Chochmah it is called "It is a sign," IN THE FEMININE FORM. AND THIS IS WHY THE WRITTEN TEXT (SHEMOT 31:17) is "It is A SIGN," WITH A VAV, NAMELY, IN THE MASCULINE FORM, ALTHOUGH IT IS POINTED WITH THE VOWEL 'I' SHOWING HOW IT IS TO BE READ IN THE FEMININE FORM.

850. וְאֵיהִי פְקוּדַת שְׁבִיעָא, מְצוֹת צִיצִית, כְּלִיל תְּכֵלֶת וְלָבָן, דִּינָא וְרַחֲמֵי. בְּנוּרָא, אִשָּׁא חוּרָא לָא אֲכִיל. תְּכֵלֶת, אֲכִיל וְשָׂצִי, וְהֵאֱכַל אֶת הָעוֹלָה. חוּרָא מִימִינָא, תְּכֵלֶת מְשֻׁמָּאלָא, עֲמוּדָא דְאֲמַצְעִיתָא, יְחוּד בֵּין תְּרוּוּיָהּ, יְרוּק. בְּגִין דָּא אוֹקְמוּהָ מֵאַרְי מִתְנִיתִין, מֵאִימְתֵי קוּרִין אֶת שְׁמַע בְּשַׁחְרִין מְשִׁיכִיר בֵּין תְּכֵלֶת לְלָבָן. וּבְגִין דָּא תְּקִינוּ פְרָשַׁת צִיצִית, לְמַקְרֵי לָהּ בִּיחּוּדָא.

853. And circumcision was decreed for the eighth, namely the eight SFIROT from Chochmah to Yesod, to receive in them the small Yud, WHICH IS MALCHUT, and to elevate her to Keter, for her to be a diadem over the head OF THE EIGHT SFIROT. And it was decreed that the foreskin be placed in a vessel with dust, in order to fulfill the verse "and dust shall be serpent's food" (Yeshayah 65:25).

854. The tenth commandment OF MALCHUT is: "Wherefore the children of Yisrael shall keep the Shabbat" (Shemot 31:16). The Shechinah is called 'Shabbat', from the aspect of the three upper grades, namely Shin, WHICH ALLUDES to the three Sfirot: Keter, Chochmah, and Binah. And MALCHUT is daughter and is fourth to these. "Six days" (Shemot 31:15) REFERS TO THE SIX SFIROT FROM Chesed to Yesod, NAMELY, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, on which work may be done, because the building OF THE WORLD commences with Chesed, as it is written: "A world is built by love (lit. 'Chesed')" (Tehilim 89:3). But from Binah and upwards, NAMELY, IN THE UPPER THREE SFIROT, is rest and pleasure and cessation from all work.

855. The eleventh commandment THAT IS IN MALCHUT is called 'the morning', afternoon, and evening prayers, from the aspect of the three patriarchs, NAMELY CHESED, GVURAH, AND TIFERET. It is the prayer of every (Heb. kol) mouth (Heb. Peh), NAMELY, MALCHUT CLEAVING TO YESOD, FOR PRAYER IS MALCHUT AND EVERY MOUTH IS YESOD. For the word kol (lit. 'all or every') only means the Righteous One, WHICH IS YESOD, as it is written: "for all that is in heaven and on earth" (I Divrei Hayamin 29:11), which Yonatan Ben Uziel translated (into Aramaic) as "that takes hold of heaven and earth," NAMELY, YESOD THAT IS ATTACHED TO HEAVEN AND EARTH THAT ARE ZEIR ANPIN AND MALCHUT. Mouth (Heb. Peh = 85) has the same numerical value as milah (lit. 'circumcision') and just as Male and Female below unite by the covenant, so, too the bride and bridegroom above come together in Yesod, THEY BEING ZEIR ANPIN AND MALCHUT. YESOD is the living (Heb. CHAI = eighteen) of the Worlds, because it includes the eighteen blessings OF THE AMIDAH PRAYER, as it is written: "Blessings are upon the head of the just" (Mishlei 10:6).

856. And for this reason when one bows one should bow at 'Blessed,' WHICH IS THE SECRET OF YESOD, and when returning to the upright position, one should do so (at the mention of) the Divine Name. This is the Shechinah in the name of the Yud Hei Vav Hei, with which the Shechinah has to be stood upright, the same about whom it is said: "The virgin of Yisrael is fallen; she shall no more rise" (Amos 5:2) BY HERSELF, but she shall by another grade, NAMELY, YUD HEI VAV HEI, NAMELY, ZEIR ANPIN, and for this reason: "On that day I will raise up the tabernacle of David that is fallen" (Ibid. 9:11); and the reference is to Him, about whom it is said: "Hashem raises those who are bowed down" (Tehilim 146:8), AND, THEREFORE, WHEN RETURNING TO THE UPRIGHT POSITION, ONE SHOULD DO SO AT THE DIVINE NAME.

853. וְתִקְנֵנוּ לְמַגְזֵר לְתַמְנִיָּא, דְּאִינוּן ח', מִן חֲכָמָה עַד יְסוּד. לְקַבְּלָא בְּהוּן י' זְעִירָא, לְסַלְקָא לָהּ עַד כְּתָר, לְמַהוּי עֵטְרָה עַל רֵאשִׁיהוּן. וְתִקְנֵנוּ לְשׁוּיָא לְעַרְלָה בְּמִנְא דְּעַפְרָא, לְקַיִים וְנַחֵשׁ עִמָּר לְחַמּוּ.

854. פְּקוּדָא עֲשִׂירָאָה, וְשִׁמְרוּ בְּנֵי יִשְׂרָאֵל אֶת הַשַּׁבָּת. שְׁכִינְתָא אֲתַקְרִיאת שַׁבַּת, מִסְטָרָא דְתַלְתָּ דְרִגְוִין עַלְאִין דְּאִינוּן ש', ג' כְּתָרִין: כְּתָר, חֲכָמָה, וּבִינָה. וְאִיהִי בֵּת, רְבִיעָאָה לִוְן. שֵׁית יוּמִין, מְחֻסָּר עַד יְסוּד, בְּהוּן תַּעֲשֶׂה מְלָאכָה, בְּגִין דְּבִנְיָנָא מִתְחִיל מְחֻסָּר, הַה"ד עוֹלָם חָסֵד יִבְנֶה. אֲבָל מִבִּינָה וְלַעֲיָלָא, אִיהִי מְנוּחָה וְעִנְג וְשְׁבִיתָה לְכָל עוֹבְדָא.

857. The twelfth commandment THAT IS WITH MALCHUT is called 'the Festival of Unleavened Bread' (Pesach) and 'the Festival of Weeks' (Shavuot) and 'the Festival of Sukkot', from the aspect of the three patriarchs, WHICH ARE CHESED, GVURAH, AND TIFERET; and the New Year is the aspect of MALCHUT herself, WHICH IS THE SECRET OF, 'The law of the government (MALCHUT) is the law'. There is also the opinion that THE HOLIDAY of Pesach is the right arm, NAMELY, CHESED; Shavuot, which is the time when the Torah was given in the wilderness, where the appointee OVER THE WILDERNESS is ox from the side of Gvurah SHAVUOT, THUS IS GVURAH. Sukkot is TIFERET AS IT IS SAID: "And Jacob journeyed to Sukkot" (Beresheet 33:17), JACOB BEING TIFERET. AND IN ALL OTHER PLACES, THE AUTHOR SAYS THAT PESACH IS CHESED, SUKKOT IS GVURAH, AND SHAVUOT IS TIFERET. The thirteenth commandment THAT IS WITH MALCHUT is the recital of the Sh'ma.

857. פְּקוּדָא תְּרִיסָר, אִיהִי אֶתְקַרִיאת חַג הַמִּצּוֹת, וְחַג הַשְּׁבֻעוֹת, וְחַג הַסִּבּוֹת, מִסְטָרָא דְג' אֲבָהֵן. וּר"ה מִסְטָרָא דִּילָהּ, דִּינָא דְמַלְכוּתָא דִּינָא. וְאִית דִּינָמָא, פֶּסַח דְרוּעָא יִמְנָא. שְׁבֻעוֹת, מִתֵּן תּוֹרָה, דְאֶתְיִהִיבַת בְּמַדְבָּרָא, דְאִיהוּ מִמְנָא עָלֵיהּ שׁוֹר, מִסְטָרָא דְגְבוּרָה. סִבּוֹת וְיַעֲקֹב נָסַע סִבּוֹתָהּ. פְּקוּדָא תְּלִיסָר, ק"ש.

124. Explanations of the Holy Names and appellations

Rabbi Shimon tells us the names that are applied to the Endless Light, and says that these names are a result of the creation of those creatures who can apply those names to Him. His name changes depending on the actions of those in the world; for the righteous He has the attribute of Mercy and for the wicked He has the attribute of Judgment - thus His name can be Yud Hei Vav Hei or Adonai. He is therefore called after the quality of each generation and each person, but He Himself has no specific quality or name. Rabbi Shimon says that the soul is not found in any one part of the body but is in the whole body; in just this way God is found everywhere in the world. Every single one of His names testifies that He is Master of all the worlds. We hear that every person in Yisrael inherits a world according to his level on high, as each and every righteous person has a world for himself. Lastly Rabbi Shimon concludes that the soul is like God only insofar as it rules over all parts of the body, but not in any other respect.

858. And it should be known that THE ENDLESS LIGHT is called 'Wise One in all sorts of wisdom', and 'Understanding One in all sorts of understanding', and 'Pious One in all sorts of piety', and 'Mighty One in all sorts of might', and 'Counselor in all sorts of counsel', and 'Righteous One in all sorts of righteousness', and 'King in all sorts of kingship', to infinity and immeasurably. And in all these grades, in one He is called 'Merciful One' and in another He is called 'Judge', and so on in a number of grades until infinity. HE ASKS, if so, it implies that there is a difference between Merciful One and Judge. AND HE ANSWERS, yet before He created the world, He was called by all these grades after the names of the creatures of the world, that were destined to be created. And if not AFTER the creatures of the world, why should He have been called 'Merciful One', 'Judge', FOR THERE WOULD HAVE BEEN NONE FOR HIM TO SHOW MERCY TO. Thus HE WAS INDEED SO CALLED only after the creatures that were in the future to be created, BUT THERE IS NOT, HEAVEN FORBID, ANY CHANGE IN HIM HIMSELF.

858. וְאִית לְמַנְדַּע, דְאִיהוּ אֶתְקַרִי חֲכָם בְּכָל מִינֵי חֲכָמוֹת. וּמִבִּין, בְּכָל מִינֵי תְבוּנוֹת. וְחֹסֶיךָ, בְּכָל מִינֵי חֹסְדִים. וְגְבוּר, בְּכָל מִינֵי גְבוּרוֹת. וְיוֹעֵץ, בְּכָל מִינֵי עֲצוֹת. וְצַדִּיק, בְּכָל מִינֵי צְדָקוֹת. וּמֶלֶךְ, בְּכָל מִינֵי מַלְכוּת. עַד אֵין סוּף. עַד אֵין חֶקֶר. וּבְכָל אֵלִין דְרַגְיָן, בְּחַד אֶקְרִי רַחֲמָן. וּבְחַד אֶקְרִי דִּינָן. וְהָכִי בְכַמְהָ דְרַגְיָן, עַד אֵין סוּף. אִי הָכִי שְׁנוּי אִית, בֵּין רַחֲמָן לְדִינָן. אֶלָּא קוֹדֵם דְבְרָא עֲלֵמָא, אֶתְקַרִי הוּא בְּכָל אֵלִין דְרַגְיָן, עַל שֵׁם בְּרִיּוּן דְהוּוּ עֲתִידִין לְהַבְרָאוֹת, דְאִי לָאו בְּרִיּוּן דְעֲלֵמָא, אֲמַאי אֶתְקַרִי רַחֲמָן דִּינָן, אֶלָּא עַל שֵׁם בְּרִיּוּן דְעֲתִידִין.

859. And for this reason, all the Names are appellatives of Him, after His deeds. In such a way He created the soul in His likeness, which is so named following its actions in each of the parts of the body, which is itself called 'a small world'. Just as the Master of the Universe behaves with each creature in each generation according to its deeds, so also is the soul according to the deeds of each part. That same part of the body with which he observes a precept is called 'soul' because of compassion, loving-kindness, grace and mercy THAT ARE ACTIVATED IN HIS BODY. And that part of his body with which he commits a transgression is called 'soul' for judgment and wrath and anger THAT ARE ACTIVE IN HIS BODY. But away from body, for whom can there be compassion or cruelty BECAUSE OF THE DEEDS OF THE BODY?

859. וּבג"ד, כָּל שְׁמֵהֶן, אֵינּוּן כְּנוּיִין דִּילֵיהּ. עַל שֵׁם עוֹבְדִין דִּילֵיהּ. כְּגוֹוֵנָא דָא, בְּרָא נְשִׁמְתָא, בְּדִיוֹקְנָא דִּילֵיהּ, דְאֶתְקַרִיאת עַל שֵׁם פְּעוּלוֹת דִּילָהּ, בְּכָל אֶבֶר וְאֶבֶר דְגוּפָא, דְאֶתְקַרִי עֲלֵמָא זְעִירָא. כְּגוֹוֵנָא דְמַאֲרִי עֲלֵמָא, אֶתְנַהִיג בְּכָל בְּרִיּוּן. וּבְכָל דְרָא, כְּפֹם עוֹבְדוּי. כֵּן נְשִׁמְתָא, כְּפֹם עוֹבְדוּי דְכָל אֶבֶר וְאֶבֶר. הֵהוּא אֶבֶר דְעֵבִיד בֵּיהּ פְּקוּדָא, אֶתְקַרִי נְשִׁמְתָא, לְגַבֵּי חַמְלָה וְחֹסְדָא חֲנָא וְרַחֲמֵי. וּבֵההוּא אֶבֶר דְעֵבִיד בֵּיהּ עֲבִירָה, אֶתְקַרִי נְשִׁמְתָא לְגַבֵּי, דִּינָא וְחִימָה וְכַעַס. אֲבָל לְבַר מִן גּוּפָא, לְמֵאן תְּהֵא חַמְלָה, אוֹ אֲכֻזְרִיּוֹת.

1

860. So, too, for whom could the Master of the Universe have been called 'Merciful One', 'Gracious One' or 'Judge' prior to His creating the world and His creating His creatures? Thus all His names are but appellations, and He is so called only after the creatures of the world. Thus, when the members of the generation are good, namely, He is for them called the Yud Hei Vav Hei in the attribute of Mercy. But when the members of the generation are wicked, He is for them called 'Adonai' in the attribute of Judgment. For He is CALLED after the quality of each generation and of each person, but He Himself has no SPECIFIC quality and no specific name.

861. Consider the Sfirot, where each Sfirah has a specific name, quality, border, and limit. The Master of the Universe spreads throughout these names and rules by them and is called after them and is clothed in them and lives amongst them as a soul within the parts of the body. And just as the Master of the Worlds has no specific name and no specific place, but His rule is in all directions IN THE WORLD, so also the soul has neither name nor place anywhere in the body, but its rule is in every direction, and there is no part of the body that is vacated of her.

862. And for this reason, no one place IN THE BODY should be noted as that OF THE SOUL, for, otherwise, IF ONE PLACE IS SO NOTED it would follow that her rule is lacking in the remaining parts of the body. Nor is she to be called by one, two, or even three names, saying that she is Chochmah and from Binah, that she has Da'at, and no more, for if one does this, IT WOULD FOLLOW THAT she lacks the other grades.

863. And this is even truer with respect to the Master of the Universe, to whom no place should be ascribed nor specific name attributed, nor should He be doubled or tripled IN THEM, namely, the grade of the Chariot, in which it is said, 'They thrice ascribe holiness to You', since all the grades of all His Chariots are tripled, as in "The Patriarchs, they are the Heavenly Chariot," namely the likeness of lion, ox, eagle. For they are a chariot for man, and it is said of them: "As for the likeness of their faces, they had the face of a man" (Yechezkel 1:10). And from the point of the Female, they, LION, OX, EAGLE, rule over man, WHICH IS THE NAME OF THE FEMALE, and the Female is a chariot for LION, OX, EAGLE. And this is why it is said about her "They thrice ascribe holiness to You."

860. אוף הכי מארי עלמא, קדם דברא עלמא, וברא בריין דיליה, למאן אתקרי רחום וחנון או דיין. אלא כל שמהן דיליה, אינון כנווין, ולא אתקרי בהון, אלא על שם בריין דעלמא, ובג"ד, בד מארי דרא אינון טבין, איהו אתקרי לגבייהו, יהו"ה במדת רחמים. וכד מארי דרא אינון חייבין, אתקרי אדנ"י במדת הדין. לכל דרא, ולכל ב"נ, כפום מדה דיליה. אבל לאו דאית ליה מדה ולא שם ידיע.

861. כגוונא הספיראן, דכל ספירה אית לה שם ידיע, ומדה, וגבול, ותחום. ובאלין שמהן מארי עלמא איהו אתפשט, ואמליך בהון, ואתקרי בהון, ואתפסי בהון, ודר בהון, כנשמתא לגבי אברים דגופא. ומה רבון עלמין, לית ליה שם ידיע ולא אתר ידיע, אלא בכל סטרא שולטנותיה. אוף הכי לית לה לנשמתא שם ידיע, ולא אתר ידיע, בכל גופא אלא בכל סטר שולטנותיה, ולית אבר פנוי מנה.

862. ובג"ד, לית לרשמא לה בחד אתר, דאי לא הא חסר שולטנותא בשאר אברים. ולא לאתקרי לה בשמא חד, או בתרין, או בג'. למימר דאיהו חכמה מבינה, ואית לה דעת, ולא יתיר. דאי עביד הכי, הא חסר לה משאר דרגין.

863. כ"ש למארי עלמא, דלית לרשמא ליה באתר ידיע, או לאתקרי ליה בשמהן, או לשנאה ליה בהון, או לשלשא ליה כגון דרגא דמרכבתא, דאתמר בה קדושה לך ישלשו, דכל דרגין דכל מרכבות דיליה, אינון משולשים, כגון האבות הן הן המרכבה, דאינון דמות אריה שור נשר, דאינון מרכבה לאדם. דאתמר עליה, ודמות פניהם פני אדם. ומסטרא דנוקבא, אינון שלטין על אדם, ונוקבא איהו מרכבה לגבייהו. ובג"ד אתמר עלה, קדושה לך ישלשו.

864. Similarly, the letters YUD HEI VAV, that ALLUDE TO the faces of the living creatures, LION, OX, AND EAGLE, are tripled, thus: Yud Hei Vav; Hei Vav Yud; and Vav Hei Yud. Hei is a fourth FOR THEM AND IS THE SECRET OF "They thrice ascribe holiness to You," AS ABOVE. She is the peace offerings (Heb. shlamim) of all of them, for in all of them she completes (Heb. mashlemet) the Name of Yud Hei Vav Hei. But neither names nor letters must be tripled for the Master of All, for He is called by all the names and has no one specific Name, and every single name testifies about Him that He is Master of All the Worlds, AND THE NAME Adonai testifies about Him.

865. And there is a person who inherits three hundred and ten worlds, as it is written: "That I may cause those that love Me to inherit substance (Heb. yesh = 310)" (Mishlei 8:21). THIS IS according to the level OF CHOCHMAH that is called 'something out of nothing', FOR KETER IS CALLED 'NAUGHT' AND CHOCHMAH, 'SUBSTANCE THAT IS DRAWN OUT OF NAUGHT', and this is upper Chochmah. And there is also the person who only inherits one world, according to his level as has been taught: Each and every righteous man has a world for himself. Likewise every person in Yisrael inherits a world according to his level on high, but there is no recording of a world for the Master of the Universe, for He is the Master (Heb. adon) of All the Worlds, as the name Adonai testifies about Him.

866. Likewise with the Name Yud Hei Vav Hei, on which all existences depend, and He and all His existences testify about the Master of the Universe that He pre-existed all existences, that He is within all existence, and that He will be after all existences. And this is the secret that the beings testify about Him, that He was, is, and will be.

867. Dina (lit. 'judgment') is composed of the letters of Adonai, re-arranged. And for this reason, our teachers of blessed memory said: The law of the government is the law (Heb. dina). The name El testifies about the Master of All, that no name, Yud Hei Vav Hei, grade, and certainly none of the other creatures has any ability apart from Him. And this is as is written: "and all the inhabitants of the earth are reputed as nothing: and He does according to His will in the host of heaven..." (Daniel 4:32). Elohim testifies to His Divinity, that He is the Elohim, and the Elohim of Elohim, and He is Eloha over All, and there in no Eloha above Him. Tzevaot (lit. 'Hosts') testifies about Him, as it is written: "He does according to His will in the host of heaven." Shadai (Shin Dalet Yud) testifies about Him that (Heb. Shin), when He said to the world "Enough" (Heb. dai), THE WORLD stopped within its limits and did not expand any more. Likewise, to the water, wind, and fire HE SAID: "ENOUGH" (Heb. DAI).

864. ואוף הכי אתון, דאינון אנפין דחיון, משולשין, בגוונא דא: יד"ו. הו"י. וה"י. ה' רביעאה, קדושה לך ישלשו. איהו שלמים דכלהו, לאשלמא בכלהו שם יד"ו. אבל למאריה דכלא, לית לשלשא ביה בשמהן, ולא באתון, אלא איהו אתקרי בכל שמהן, ולית ליה שם ידיע. וכל שם ושם אסהיד עליה, דאיהו ארון כל עלמין. אסהיד עליה אדני.

865. דאית ב"נ, דירית ג' מאה ועשר עלמין, הה"ד, להנחיל אוהבי יש. כפום דרגא דיליה, דאתקרי יש מאין. ודא חכמה עלאה. ואית ב"נ דלא ירית אלא עלמא חר, כפום דרגא דיליה, כמה דאוקמה, כל צדיק וצדיק יש לו עולם בפני עצמו. והכי ירית עלמין כל ב"נ מישראל, כפום דרגא דיליה לעילא. אבל למארי עלמא, לית לרשמא ליה עלמין בחושבן, אלא ארון כל עלמין, ואדנ"י קא סהיד עליה.

866. אוף הכי יהו"ה, מניה תלויא כל הויין, ואיהו וכל הויין דיליה, סהדין על מארי עלמא, דאיהו הוה קדם כל הויין. ואיהו בתוך כל הויה. ואיהו לאחר כל הויה. ודא רזא, דסהדין הויין עליה, הנה, הוה, ויהיה.

867. דינא, בהפוך אתון אדנ"י. ובג"ד אמרו רז"ל, דינא דמלכותא דינא. שם א"ל סהיד על מארי דכלא, דלית יכולת לכל שם, והויה ודרגא. כל שכן לשאר ברין, פחות מניה. הדא הוא דכתיב, בלא חשיבין וכמצבניה עביד בחיל שמיא וגו'. אלהים, סעיד על אלהות דיליה, דאיהו אלהים ואלהי האלהים, ואיהו אלוה על כלא, ולית אלוה עליה. צבאו"ת, סהיד עליה בדכתיב, וכמצבניה עביד בחיל שמיא. שד"י, סהיד עליה, דכד איהו אמר לעולם די עמד בתחומיה, ולא אתפשט יתיר. ואוף למיא ורוחא ואשא.

868. Likewise, every Yud Hei Vav Hei and every name testify about Him, for when He was alone, before He created the world, why did He need to be called by these names or by the other appellatives, such as Merciful One, Gracious one, Long-suffering, Judge, Mighty, Strong? There are many such names that are so coined after all the worlds and the creatures in them in order to show that His rule is over them.

869. And it is likewise with the soul, WHICH, IN THE ASPECT OF its rule over all the parts of the body, is likened to Him. JUST AS HE IS RULER OVER ALL THE WORDS, SO IS THE SOUL RULER OVER ALL PARTS OF THE BODY, but it is not meant to say that the soul is like Him in its essence, for it was He who created it, while HE has no Elohim above Him who created Him. Furthermore there are a number of changes and incidents and causes that happen to the soul, which is not the case for the Master of All. For this reason, the soul is like Him only respecting its rule over all parts of the body, but not in any other respect.

125. The recital of the Sh'ma Yisrael and the Tefilin

Rabbi Shimon rearranges the letters in Sh'ma, Shem and Echad to teach us about God as witness and about the reason for the four compartments of the Tefilin.

870. Furthermore, Sh'ma (Shin Mem Ayin) (lit. 'Hear') Yisrael: CONSISTS OF THE LETTERS OF shem (lit. 'name' - Shin Mem) and great Ayin. Similarly, Dalet of echad: (lit. 'one' - Aleph Chet Dalet) is written large, AND THESE TWO LARGE LETTERS spell 'ed' (lit. 'witness' - Ayin Dalet). Thus, between the Shin Mem of Sh'ma, WHICH IS MALCHUT THAT IS CALLED 'NAME', and the Aleph Chet of echad, WHICH IS ZEIR ANPIN, ARE TO BE FOUND THE LARGE LETTERS AYIN DALET, WHICH ARE THE SECRET OF THE VERSE: "Hashem is witness (Heb. Ed) against you" (I Shmuel 12:5). AND SO HE IS INDEED A WITNESS over each and everyone who proclaims His unity in the world. And therefore David said: "I will rejoice (Heb. esmach - Aleph Sin Mem Chet) in Hashem" (Tehilim 104:34) and the Shin Mem of Sh'ma, WHICH IS MALCHUT, together with the Aleph Chet of Echad, WHICH IS ZEIR ANPIN, spell 'esmach'. AND THIS IS THE SECRET OF THE UNITY OF ZEIR ANPIN AND MALCHUT, FROM THE ASPECT OF GREATNESS, FOR MALCHUT, FROM THE ASPECT OF GREATNESS IS CALLED 'NAME' (HEB. SHEM - SHIN MEM).

871. Furthermore, the large letter Dalet (whose numerical value is four) OF ECHAD ALLUDES TO THE four compartments of the Tefilin that Aleph Chet OF ECHAD, WHICH IS ZEIR ANPIN, puts on, and with which he is adorned, and they are an ornament on his head. And they are THE SECRET OF THE COMBINATION Yud Hei Hei Vav. The Yud, WHICH IS CHOCHMAH, is a diadem on Hei, which is the daughter, NAMELY, MALCHUT. Thus, "Hashem by wisdom founded the earth" (Mishlei 3:19), for Father, WHICH IS THE SECRET OF CHOCHMAH, founded the daughter, WHICH IS MALCHUT, THAT IS CALLED 'EARTH'. THE SECOND HEI OF THE COMBINATION YUD HEI HEI VAV is upper Mother, which is a diadem on the Vav, which is the son, NAMELY, ZEIR ANPIN, as we read: "by understanding He established the heaven" (Ibid.), FOR ZEIR ANPIN, WHO IS CALLED 'HEAVENS', RECEIVES THE MOCHIN FROM UNDERSTANDING, NAMELY, UPPER MOTHER, for Mother established the son. Thus, in the world-to-come, WHICH IS BINAH, there is no eating and no drinking, but the righteous sit with their diadems on their heads. THE RIGHTEOUS HERE ARE ZEIR ANPIN, WHO HAS A DIADEM ON HIS HEAD, FROM BINAH THAT IS CALLED 'THE WORLD TO COME'.

868. ואוף הכי, כל הויה, ושם, סהדין עליה. דכר הוה איהו יחיד קודם דברא עלמא, אמאי הוה איהו צריך לאתקרי בשמהן אלין, או בשאר בנויין, בגון רחום וחונן ארך אפים וגו', דיין אמיץ חזק. וסגי אין בכל אינון שמהן וכנויין, אתקרי על שם כל עלמין וברין דלהון, לאחזאה שולטנותיה עלייהו.

869. אוף הכי נשמתא, על שולטנותא דכל אברים דגופא, אמתיל לה לגביה. לאו דאיהו אדמניא ליה איהו בעצמה, דהוא ברא לה, ולית ליה אלוה עליה דברא ליה. ועוד, נשמתא אית לה במה שנויים ומקרים וסבות, דאתקריאו לה. מה דלאו הכי למארי כלא. ובג"ד היא אדמניא בשולטנותא דילה על כל אברי גופא, אבל לא במלה אחרא.

870. ועוד, שמע ישראל, שם ע' רבתי, ד' מן אח"ד רבתי, היינו ע"ד, בין ש"ם מן שמע, א"ח מן אח"ד. ער יי' בכם. ועל כל אחד ואחד דמיחד אותו בעולם. ועל בן אמר דוד, אנכי אשמח ביי', ש"מ מן שמע, א"ח מן אח"ד, הרי אשמח.

871. ועוד. ד' רבתי, ד' בתי תפילין, דמנח להון א"ח, ואתעטר בהו, ואינון פאר על רישיה. ואינון יהה"ו, ו' עטרא על ה', דאיהו בריתא, והיינו ירו"ד בחכמה יסד ארץ, אבא יסד בריתא. ה', אמא עלאה, עטרה על ו', דאיהו ברא, והיינו כונן שמים בתבונה. באמא כונן ברא. והאי איהו דעולם הבא אין בו לא אכילה ולא שתיה, אלא צדיקים יושבים ועטרותיהם בראשיהם.

126. Two arrangements of the four passages of the Tefilin

The Tefilin are said to be the Mochin, and Rabbi Shimon describes all the parts of the phylacteries and their meaning in terms of the Sfirot and the Holy Names of God and the letters of the alphabet. Lastly Rabbi Shimon tells us what Rabbi Akiva had to say about the flowing light that is never interrupted and that comes from Infinity.

872. And the daughter, WHICH IS MALCHUT, is the Tefilin of the dim hand. Yud is His knot. Upper Hei, namely, Mother, is the head Tefilin on the head of Tiferet. His Tefilin, NAMELY, HIS MOCHIN, are according to the order Yud Hei Vav Hei, which is "Sanctify to Me" (Shemot 13:1-10), YUD. "And it shall be when Hashem shall bring you into the land" (Shemot 13:11-16) IS HEI; "Hear, O Yisrael" (Devarim 6:4-9) IS VAV; and "And it shall come to pass, if you will hearken diligently" (Devarim 11:13-21) IS THE FINAL HEI. THIS ORDER IS FOR THE TEFILIN OF THE HEAD OF ZEIR ANPIN. But in the World to Come, WHICH IS BINAH, THE TEFILIN, NAMELY, THE MOCHIN THAT SHE RECEIVES, the order of Yud Hei Vav Hei's, which are Hei Hei, are in the center. THAT IS, YUD FIRST, WHICH IS "SANCTIFY TO ME;" AND THE VAV OF "HEAR" IN THE END; "AND IT SHALL BE WHEN HASHEM SHALL BRING YOU INTO THE LAND"; "AND IT SHALL COME TO PASS, IF YOU WILL HEARKEN DILIGENTLY," THAT IS HEI-HEI, ARE IN THE MIDDLE. And on this the prophet said: "but let him that glories glory in this, that he understands and knows Me, that I am Hashem" (Yirmeyah 9:23), WHERE THE INITIAL LETTERS SPELL YUD HEI HEI VAV. And this is why the sages of the Mishnah taught: There is room on the head to lay two pairs of Tefilin. And such a one is privileged to observe two precepts, about which they taught: Not everyone has the privilege to enjoy two tables.

873. IN THE FOUR SECTIONS OF THE HEAD TEFILIN, the Yud, WHICH IS THE SECTION "SANCTIFY TO ME," is Chochmah. The Hei, WHICH IS THE SECTION "AND IT SHALL BE WHEN HASHEM SHALL BRING YOU INTO THE LAND," is Binah. Vav, WHICH IS THE SECTION "HEAR, O YISRAEL," is the central pillar. And the Hhei, WHICH IS THE SECTION "AND IT WILL COME TO PASS, IF YOU WILL HEARKEN DILIGENTLY," is holy Malchut. The head that is crowned with these four letters is Keter, which is the circumference of the head that comprises THE TEFILIN THAT ARE THE MOCHIN and covers them. The recital of the Sh'ma YISRAEL is love, Chesed, and is equivalent to the Torah that was given on the right. The Tefilin, CALLED 'strength', are on the left side, which is Gvurah. The Central Column, WHICH IS TIFERET, includes everything, FOR IT COMPRISES CHESED AND GVURAH. The wings of the precept, WHICH ARE THE FRINGES, in which are blue and white, are Netzach and Hod. The Mezuzah, ON WHICH IS recorded the Name Shadai, is Righteous One, NAMELY, YESOD, and the Shechinah is the gate onto which the Mezuzah is affixed, ABOUT WHICH IT IS WRITTEN: "this is the gate of Hashem" (Tehilim 118:20).

874. Furthermore, the THREE-HEADED LETTER Shin is the three straps, THE TWO OF THE HEAD TEFILIN AND THE ONE OF THE HAND TEFILIN. Dalet is the knot of the HEAD Tefilin at the back OF THE HEAD, while Yud is the knot of the hand Tefilin. TOGETHER THEY SPELL SHADAI. This is why Shadai is written on the outside OF THE TEFILIN, while the Yud Hei Vav Hei is inside THE TEFILIN, for it is the four sections THEREIN. The four-headed letter Shin alludes to the four compartments of the Tefilin. Shadai is His, ZEIR ANPIN's, sign, and amounts to the same NUMERICAL VALUE as Metatron.

872. וּבְרֵתָא אִיהִי תַפְלָה שֶׁל יוֹד, בְּהֵ"ה. יוֹ קֶשֶׁר הַיְלִיָּה. ה' עֲלָאָה אִימָא, תַפְלִין דְּרִישָׁא עַל רֵאשׁ תַפְאָרְתָּ. תַפְלִין הַיְלִיָּה, בְּסֵדֶר יוֹד־ד, הָאִיהוּ קֶדֶשׁ לֵו. וְהִיא כִּי יִבְאֵךְ. שָׁמַע. וְהִיא אִם שָׁמוֹעַ. אֲבָל בְּעֲלָמָא דְאַתִּי, הֵוִיֹת בְּאַמְצַע, דְּאִינוּן ה' ה'. וּבִגְדֵי אֲמַר הַנְּבִיא, בְּזֹאת יוֹתְהִלֵּל הַמְתַּהֲלֵל הַשְּׂכִיב וְיִדוּעַ אוֹתִי כִּי אֲנִי יוֹד־ד. וּבִגְדֵי אוֹקְמוּהָ מְאִרֵי מִתְנִיתִין, דְּאִית בְּרִישָׁא אֲתֵר, לְאַנְחָא תְּרֵי זֻגֵי דְתַפְלִין. וְדָא זְכִי לְתֵרִין פְּקוּדִין, דְּאוֹקְמוּהָ עֲלֵייהוּ, לֹא כָּל אָדָם זֹכֵה לְשִׁתֵּי שׁוּלְחָנוֹת.

873. יוֹ חֻכְמָה. ה' בִּינָה. ו' עֲמוּדָא דְאַמְצַעִיתָא. ה' מְלָכוֹת קְדִישָׁא. רִישָׁא דְאַתְעֵטֶר בְּאַרְבַּע אֲתוּוּן, דָּא כְּתוּר רִיהָטָא דְרִישָׁא דְאַסְחֹר לֹוּן, וְכִסִּי לֹוּן. אֶהְבֵּה חֶסֶד ק"ש, דְּשָׁקִילָא לְאוּרִייתָא, דְּאֲתִייהִיבַת מִימִינָא. תַפְלִין עֵז, מְשֻׁמָּאלָא דְגְבוּרָה. עֲמוּדָא דְאַמְצַעִיתָא, כְּלִיל כֹּלָא, בְּנִפְי דְּמִצְוָה, נֶצַח וְהוֹד, תְּכֵלֶת וְלָבָן. מְזוּזָה רְשִׁים שְׂדֵי, צְדִיק. וּשְׂכִינְתָא תְּרַעָא דְּמְזוּזָה, זֶה הַשַּׁעַר לְיְדוּד־ד.

874. וְעוֹד ש' תֵּלַת רְצוּעוֹת. ד' קֶשֶׁר שֶׁל תַפְלִין מְאַחֲרוּי. יוֹ קֶשֶׁר דְּתַפְלִין הַיָּד. וּבִגְיִן דָּא שְׂדֵי מְלָבֵר, יוֹד־ד מְלָגוּ, דְּאִיהִי ד' פְּרִשְׁיִין. דְּד' רֵאשִׁין, רְמֵז לְאַרְבַּע בְּתֵי דְתַפְלִין. שְׂדֵי אוֹת הַיְלִיָּה, עוֹלָה מְטֻטְרוּן.

875. Again: Yud, Chochmah, is the section "Sanctify to me." Hei, Binah, is the section "And it shall be when Hashem bring you into the land." Vav is the Sh'ma, IN WHICH THERE ARE six words: "HEAR, O YISRAEL, HASHEM OUR ELOHIM, HASHEM IS ONE" (DEVARIM 6:4), alluding to the six Sfirot which are six branches of the tree which Tiferet includes. The LAST Hei is THE SECTION "And it will come to pass, if you will hearken diligently" which is Malchut. These are THE MOCHIN of the head, FOR THE HEAD, which is Keter, IS THE SECRET OF THE LETTER CAF, IN THE SECRET OF THE VERSE: "There is none holy as (Heb. Caf) Hashem..." (I Shmuel 2:2), WHERE THE LETTER CAF (LIT. 'AS') IN THE EXPRESSION "AS HASHEM" IS KETER OF ZEIR ANPIN.

876. Shadai alludes to the straps, compartments, and knots of the Tefilin from the outside, FOR THE SHIN OF SHADAI ALLUDES TO THE THREE STRAPS, TWO OF THE HEAD AND ONE OF THE HAND. THE DALET OF SHADAI ALLUDES TO THE FOUR COMPARTMENTS OF THE HEAD TEFILIN, AND ALSO TO THE KNOT OF DALET THAT IS BEHIND THE HEAD. THE YUD OF SHADAI ALLUDES TO THE KNOT OF THE HAND TEFILIN. The same holds for the mezuzah, there being Yud Hei Vav Hei on the inside and the name Shadai on the outside. The four-headed letter Shin, with the Dalet OF SHADAI alludes to the four compartments and to the knot of THE HEAD Tefilin behind THE HEAD, WHICH HAS THE SHAPE OF a double Dalet. Likewise, there is a double Shin, ONE ON THE RIGHT SIDE OF THE COMPARTMENT AND ONE ON THE LEFT SIDE OF THE COMPARTMENT. The Yud OF SHADAI is the knot OF THE TEFILIN of the dim hand, which is the fifth compartment: THAT IS TO SAY THAT WITH THE FOUR COMPARTMENTS OF THE HEAD TEFILIN THE FIFTH COMPARTMENT IS THAT OF THE HAND TEFILIN. The Dalet of Shadai is the brain, about which it has been taught; the place on the head where a baby's brain is seen to pulsate, and this is a baby suckling from the breasts (Shin Dalet Yud) OF ITS MOTHER, NAMELY, FROM Shadai, FOR THE DALET ALLUDES TO THE MOCHIN OF THE UPPER THREE SFIROT OF SUCKLING.

877. The Tefilin of the Master of the Universe are Keter. And what is the crown of the Master of the Universe? It is the Yud Hei Vav Hei; namely, the Yud of the Yud Hei Vav Hei is Chochmah, HEI is Binah, and Vav is Tiferet, which includes the six Sfirot CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. The FINAL Hei is Malchut, NAMELY, TEN SFIROT. And this is the reason BEHIND THE VERSES "And what one nation in the earth is like Your people" (II Shmuel 7:23); "For (Heb. ki - Caf Yud) what great nation is there so great, that has Elohim so near to them, as (Heb. Caf) Hashem our Elohim is in all things that we call upon Him for?" (Devarim 4:7); AND ALSO THE VERSE, MENTIONED ABOVE: "THERE IS NONE HOLY AS (HEB. CAF) HASHEM" (I SHMUEL 2:2). All THESE four verses have marked in them the letter Caf, and the secret of the letter Caf (whose numerical value is twenty) is Yud Yud (the numerical value of each being ten), NAMELY THE YUD AT THE BEGINNING AND THE YUD AT THE END OF THE COMBINATION Yud Aleph Hei Dalet Vav Nun Hei Yud. AND THIS IS THE INNER MEANING OF THE VERSE "weighing ten shekels apiece (lit. ten ten), after the shekel of the sanctuary" (Bemidbar 7:86), NAMELY, the Caf of Keter, that is composed of ten Sfirot, AS ABOVE, and they comprise TEN SFIROT OF DIRECT LIGHT, from above downwards, and ten Sfirot of RETURNING LIGHT, which are upwards from below.

875. ועוד. י' חכמה קדש לי. ה' בינה, והיה כי יביאך. ו' שמע, שית תיבין, רמיזא לשית ספירן, שית ענפין דאילנא, דכלל לון תפארת. ה' והיה אם שמוע מלכות. אליו אינון דרישא, דאיהו כתר, ב', אין קדוש בני' כי אין בלתך.

876. שדי, רמיז רצועי ובתי וקשרי דתפלין מלבר. אוף הכי במזוזה, ידו"ד מלגו, שדי"י מלבר, דארבע ראשין, עם ד', רמיז לד' בתי, ולקשר תפלין מאחור, ד' כפולה. אוף הכי ש' כפולה, י' קשר דיד כדה, דאיהו ביתא חמישאה. ד' דשד"י, איהו מוחא, דאוקמוה עליה, במקום שמוחו של תינוק רופס בו. ודא תינוק יונק משדי אמו, שדי.

877. תפלין דמארי עלמא, כתר. ומאי ניהו כתר דמארי עלמא. ידו"ד. דאיהו: י' חכמה. ה' בינה. ו' תפארת. כליל שית ספירין. ה' מלכות. ובג"ד ומי כעמך בישראל כי מי גוי גדול אשר לו אלהים קרובים אליו, בני' אלהינו בכל קראנו אליו. ארבע קראי, בלהו רשימין בכ', רזא דאת כ': י' י'. דאיהו י' מן יאהרונהי, עשרה עשרה הבף בשקל הקדש, ב' מן כתר, כלילא מעשר ספיראן, כלילן מעילא לתתא, ומעשר ספיראן מתתא לעילא.

878. And these TWENTY SFIROT, OF DIRECT LIGHT AND OF REFLECTED LIGHT, are THE SECRET OF THE VERSE "waters that are above the heavens" (Tehilim 148:4), which are the male upper waters, NAMELY, THE TEN SFIROT OF DIRECT LIGHT, WHILE "THE WATERS WHICH WERE UNDER THE FIRMAMENT" (BERESHEET 1:7) ARE the female lower waters, NAMELY THE TEN SFIROT OF REFLECTED LIGHT. And Rabbi Akiva said to his pupils about them: When you reach the stones of pure marble, do not say: Water, water, lest you endanger your souls. For it is not water as is usually understood, NAMELY, CHASSADIM, but 'flowing light'; NAMELY, IT IS ALSO COMPOSED OF CHOCHMAH THAT IS CALLED 'LIGHT', AND FROM THE ASPECT OF CHASSADIM, IT IS 'FLOWING'. This is why it was likened to flowing water. And this light is never interrupted, nor is it cut off, nor separated. And because it is from Keter, it is called 'infinite' WATER, for Keter is called the Endless Light.

End of Ra'aya Meheimna

878. וְאֵלֶּיךָ אֵינּוֹן, וְהַמַּיִם אֲשֶׁר מֵעַל הַשָּׁמַיִם, מֵיִם עֲלִיוֹנִים זְכָרִים, מֵיִם תַּחְתּוֹנִים נְקֻבוֹת. וְעֲלִיּוּהוּ אָמַר ר' עֲקִיבָא לְתַלְמִידָיו, בְּשִׁתְּגִיעוֹ לְאֲבֵי שֵׁשׁ טְהוֹר, אֵל תֹּאמְרוּ מֵיִם מֵיִם, שְׁמָא תִּסְתַּכְּנוּ בְּנַפְשְׁכֶם. דְּלֹא אֵינּוֹן מֵיִם כְּמִשְׁמַעֵן. אֵלֶּא אִיהוּ אֹרֶךְ נֹבֵעַ. וּבְגִין דָּא, אֲדָמוּ לְמֵיִם נֹבֵעִים. וְהָאִי נְהוּרָא לִית לִיה פְּסָק, וְלֹא קִצּוץ, וּפְרוּד. וּבְגִין דְּאֵינּוֹן מִכְּתָר, אֲתַקְרִיאַן שְׂאִין לְהֵם סוּף, דְּכְתָר אֵין סוּף אֲתַקְרִי. ע"כ רעיא מהימנא

127. Shavuot

Rabbi Shimon says that burnt offerings are not required during Shavuot because Yisrael have already observed the days of purity and the Other Side now has no hold over them. The Festival of Weeks belongs to the Tree of Life and not to the tree of knowledge of good and evil.

879. "And you shall offer the burnt offering for a sweet savor to Hashem" (Bemidbar 28:27). Come and see, About Pesach it is written: "You shall offer a sacrifice made by fire for a burnt offering to Hashem" (Ibid. 19). Yet here it is not written 'a sacrifice made by fire' but "And you shall offer the burnt offering." What is the reason for this? AND HE ANSWERS, the reason is that this day OF SHAVUOT, is a day on which the bride enters the wedding canopy; NAMELY, MALCHUT ENTERS THE WEDDING CANOPY WITH ZEIR ANPIN, and Yisrael COMES from THE COUNTING OF the days and weeks of purity, and is taken in and enters into THESE days of purity, NAMELY, THE SECRET OF THE SEVEN DAYS CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, IN EACH ONE OF WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, MAKING A TOTAL OF 49 DAYS. And she, MALCHUT, has emerged from the aspect of everything bad, NAMELY, THEY NO LONGER HAVE ANY HOLD OVER HER, and has observed the days of purity as fitting, NAMELY, THE 49 DAYS OF THE COUNTING. And this is the secret of the king who tasted the taste of a virgin. IN OTHER WORDS, THE SECRET OF THE VERSE "A VIRGIN, NEITHER HAD ANY MAN KNOWN HER" (BERESHEET 24:16), IF THE MATTER BE DISCLOSED, IS THAT NO ONE OF THE OTHER SIDE HAD ANY HOLD OVER HER. And this is why it is not written about it 'a sacrifice made by fire', for no other came close to the Sanctuary, WHICH IS MALCHUT, and THE OTHER PARTY has already been removed from there. Thus there are not, nor is there any need for, offerings made by fire in this case, for Yisrael has removed themselves from the Evil Side. Said Rabbi Aba: We still have to open this matter up.

879. וְהִקְרַבְתֶּם עוֹלָה לְרִיחַ גִּיחַח לַיהוָה. ת"ח, בְּפֶסַח בְּתִיב, וְהִקְרַבְתֶּם אִשָּׁה עוֹלָה לַיהוָה. וְהָכָא לֹא כְתִיב אִשָּׁה, אֲלֵא וְהִקְרַבְתֶּם עוֹלָה. מ"ט. יוֹמָא דָּא, יוֹמָא דְּעִיּוּלַת כְּלָה לְחוּפָה אִיהוּ. וְיִשְׂרָאֵל מִנּוּ יוֹמִין דְּדָכִיּוּ. יוֹמִין וְשְׁבוּעִין, וְאֲתַבְּלִילוּ וְעָלוּ בְּיוֹמִין דְּדָכִיּוּ. וְהִיא נִפְקַת מִכָּל סְטָרָא בִּישָׂא, וְנִטְרַת יוֹמֵי דְּכִיּוּ בְּדָקָא חֲזִי. וְרָזָא דָּא, מְלַכָּא טַעַם בְּתוּלָה טַעַם. בְּג"כ לֹא כְתִיב בֵּיה אִשָּׁה, דְּהָא אַחְרָא לֹא קְרִיב לְמִשְׁכָּנָא, וְהָא אֲתַרְחַק מִתְּמִן. וְע"ד אִשִּׁים לֹא הָכָא, וְלֹא אֲצַטְרִיכוּ לְהָכָא, וְיִשְׂרָאֵל מְרַחֵק אֵינּוֹן מִן סְטָרָא בִּישָׂא. א"ר אָבָא, עֲדִיין צְרִיכִין אָנּוּן לְפִתְחָא דָּא לְמִפְתָּח.

880. Rabbi Shimon said: I lifted up my hands in prayer to Him who created the world and found this secret in the works of the early masters: Offerings made by fire are in between THE GOOD AND THE BAD, and they come on this side and on that side, for they are attached to the Tree of Knowledge of Good and Evil, AND ARE, THEREFORE, attached to both the good and to the bad. For this reason, on the other days, it is written: "a sacrifice made by fire for a burnt offering" FOR THEY CONTAIN JUDGMENTS AND HAVE A HOLD ON THE TREE OF KNOWLEDGE OF GOOD AND EVIL. But on these days when the Tree of Life and no other is to be found, NAMELY, ON SHAVUOT, we do not need an offering made by fire, and it does not have to be there, for this day OF SHAVUOT belongs to the Tree of Life and not the Tree of Knowledge of Good and Evil. This is why SCRIPTURE SAYS: "And you shall offer the burnt offering for a sweet savor to Hashem" (Bemidbar 28:27), and not 'a sacrifice made by fire to Hashem for a burnt offering'. And THE

1
MEANING OF 'burnt offering' (Heb. olah) is derived from ascent, FOR IT ASCENDS (HEB. OLAH) TO THE MOST HIGH ONE, as we have learned. And we have already clarified these matters IN THE COMMENTARY about one-year old bullocks and the whole of that offering.

880. אר"ש, ארימית ידי בצלו למאן דברא עלמא, ורזא דא, אשכחן בספרי קדמאי, אשים אינון באמצעיתא, ואתיין בסטרא דא ובסטרא דא, אדבקו באילנא דדעת טוב ורע, אדבקן ברע, ואדבקן בטוב. ובג"כ, בשאר יומין כתיב בהו אשה עולה. אבל בהני יומא, דאילנא דחיי קיימא, ולא אחרא, לית אנן צריכין לאשה, ולא אצטריך למהוי תמן. ויומא דא, יומא דאילנא דחיי איהו, ולא דדעת טוב ורע. ובג"ד, והקרבתם עולה לריח ניחח ליי', ולא אשה ליי' עולה. ועולה, לשון עולה, כמה דאתמר, והא אתערנא מלי דמרים בני בקר, וכל ההוא קרבן.

128. Rosh Hashanah

Rabbi Shimon uses the story of Isaac and Jacob and Esau to illustrate the meaning of the two days of Judgment and the need for the burnt offering.

881. "And in the seventh month, ON THE FIRST DAY OF THE MONTH" (Bemidbar 29:1). This is as we have learned, that the day of the New Year is the Day of Judgment for the whole world: stringent judgment ON THE FIRST DAY and lenient judgment ON THE SECOND DAY. HE ASKS: IT IS WRITTEN, "And you shall make a burnt offering" (Ibid. 2), whereas it should have been written: 'And you shall offer a burnt offering', as on all the other days. What is the meaning of "And you shall make?" AND HE ANSWERS, on this day OF THE NEW YEAR it is written: "and make me savory food" (Beresheet 27:4), WHICH IS WHAT ISAAC SAID TO ESAU, WHO IS THE ACCUSER. And during these days Yisrael makes many savory foods and dishes, NAMELY, PRECEPTS AND PRAYERS, while the accuser goes to search for the sins of the world, TO MAKE THEM INTO SAVORY FOODS FOR THE PROSECUTION. It is therefore not written: 'And you shall offer a burnt offering', but: "And you shall make a burnt offering," NAMELY, MAKE AND CORRECT SAVORY FOODS. And it is not WRITTEN: 'a sacrifice made by fire to Hashem for a burnt offering', as it is similar for all the other festival days, in which days there is no part FOR THE OTHER SIDE. Nor is 'a sacrifice made by fire' written AS IN SHAVUOT AND YOM KIPPUR, and certainly not for this day, on which we make savory foods and dishes without the knowledge of the Other Side, for he had been sent by Isaac to hunt game that is the iniquities of men, and to bring them to him.

881. ובחדש השביעי, כמה דאתמר, יומא דר"ה, דינא דכל עלמא, דינא תקיפא, ודינא רפיא. ועשיתם עולה, והקרבתם מבעי ליה, בשאר כל יומין, מאי ועשיתם. אלא ביומא דא, ועשה לי מטעמים כתיב. כמה מטעמים ותבשילים עבדו ישראל בהני יומי, בעוד דמקטרגא אזיל לפשפשא בחובין דעלמא. וע"ד לא כתיב והקרבתם, אלא ועשיתם עולה. ולא אשה עולה. וכן בכל שאר יומין, לא כתיב אשה, דלית לון חולקא בכל הני יומי. כ"ש בהאי יומא, דאנן עבדין מטעמים ותבשילים בלא דעתא דסטרא אחרא, דהא יצחק משהר ליה לצוד צידה דחובין דבני עלמא, ולאיינתאה לגביה.

882. And while he is yet on the way, Yisrael takes advice from Rivkah: do all these rituals and all the prayers, and prepare a Shofar and sound it in order to awaken Mercy, AS HAS BEEN EXPLAINED IN THE PRECEDING PARAGRAPH. And we have already learnt: "and he brought him wine, and he drank" (Beresheet 27:25), for he came from afar, FROM BINAH, from that place where the wine is old, WHICH IS THE SECRET OF THE ILLUMINATION OF CHOCHMAH OF THE SIX INTERMEDIATE SFIROT OF THE LEFT SIDE, AFTER THE ANNULMENT OF THE UPPER THREE SFIROT OF THE LEFT SIDE, THIS BEING TERMED OLD WINE. And he drank, found it delicious, and rejoiced. And after that ISAAC, WHO IS THE LEFT COLUMN, blessed him with a number of blessings and removed his iniquities, FOR THE ILLUMINATION OF CHOCHMAH MAKES ATONEMENT FOR INIQUITIES. As it is written: "and Jacob was yet scarce gone out from the presence of Isaac his father, and Esau his brother came in from his hunting" (Beresheet 27:30), namely, he was carrying with him a number of burdens OF INIQUITIES, as has been stated, and we have already learned these matters.

882. ובעוד דאיהו אזיל, ישראל נטלו עיטא ברבקה, ועבדין כל אינון פולחנין, כל אינון צלותין, מזמני שופר ותקעין ליה, בגין לאתערא רחמי. והא אוקימנא, ויבא לו יין וישת, דאתי מרחוק, מגו אתר דחמרא עתיקא, ושתי. ואטעים ליה, וחדוי. ואחר כך מברך ליה בכמה ברכאן, ואעבר על חוביו. מה כתיב, ויהי אך יצוא יצא יעקב ועשו אחיו בא מצדו, טעין מכמה טועני כמה דאתמר, והא אוקימנא מלה.

883. And this is why it is a day of the T'ruah SOUND OF THE SHOFAR, and the sacrifice is a burnt offering. One ram is, as we have learned, because of the ram of Isaac. The one kid of the goats for a sin offering is a bribe to Samael, FOR FROM JUST THIS OFFERING HE RECEIVES SOME NOURISHMENT FROM THE ASPECT OF THE SIX INTERMEDIATE SFIROT of CHOCHMAH, to make atonement before him for having wept on that day when he realized that his will had not been done and he had gone hunting for nothing. FOR THE UPPER THREE SFIROT OF HIS LEFT SIDE HAD BEEN ANNULLED, AND THEY ARE HIS TOTAL STRENGTH, AS ABOVE, AND THE CONTRACTION OF THE UPPER THREE SFIROT IS CALLED 'WEEPING', as we have learned. This is similar on Yom Kippur, as written in the portion of Emor.

883. ובג"כ איהו יומא דיבבא, וקרבנא איהו עולה. איל אחד, כמה דאתמר, בגין אילו דיצחק. ושעיר עזים אחד לחטאת, שוחר לסמאל לכפרה אנפוי, בההוא בכיה דאיהו בכי בהאי יומא, כיון דחמי דלא אתעביד רעותיה, והא למגנא צד צידה. כמה דאתמר. כגוונא דא יומא דכפורי, והא כתיב במ' אמור.

129. Sukkot

Rabbi Aba and Rabbi Elazar talk about the third day of Sukkot, employing the analogy of the ark landing on Mount Ararat and the waters receding.

884. "And on the fifteenth day of the seventh month" (Bemidbar 29:12). Rabbi Aba began by quoting: "And the ark rested in the seventh month" (Bereshheet 8:4). Come and see: Throughout these days, FROM YOM KIPPUR TO THE HOLIDAY OF SUKKOT, the Mother, WHICH IS THE SHECHINAH, hovers over the sons, WHO ARE YISRAEL, in order that the Other Side should not have control OVER YISRAEL, and in order to save them. After the children have been saved and are sitting in their booths (Heb. Sukkot), they are guarded with the protection OF MOTHER, WHICH IS THE SHECHINAH. On the first and second days OF THE HOLIDAY OF SUKKOT, she commanded Yisrael to make a feast for the ministering angels of the other nations, NAMELY THE SEVENTY BULLOCKS FOR THE SEVENTY MINISTERS, and she does not dwell there WITH THEM. On the third day, which is the seventeenth day of the month, THE SHECHINAH begins to rest on them. And this is the meaning of the verse: "And the ark rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat," WHERE THE ARK IS THE SECRET OF THE SHECHINAH, AND THE MOUNTAINS OF ARARAT ARE the mountains in the midst of which rest all the curses and all the punishments, WHICH ARE THE APPOINTEES OF THE NATIONS.

884. ובחמשה עשר יום וגו'. ר' אבא פתח, ותנח התיבה בחדש השביעי וגו', ת"ח, כל הני יומין, אזלת אימא על בנייא, בגין דלא ישלוט סטרא אחרא עליהו, ובגין לשזבא לון. כיון דאשתזבו בנהא, והא יתבין בסכות, מתנטרין בנטורא. יומא קדמאה, ויומא תנינא, פקדת לון לישראל, למעבד סעודתא לממנן דשאר עמין, ואיהו לא שריא תמן. ביומא תליתאה, דאיהו י"ז לחדש, שריאת למשרי עליהו. הה"ד, ותנח התיבה בחדש השביעי בשבעה עשר יום לחדש על הרי אררט, טורין דכל לוטין ומרדין שראן בגווייהו.

885. Rabbi Elazar said: On the first day of the holiday, MALCHUT does not rest on them, ON THE MINISTERS OF THE SEVENTY NATIONS, nor on the second day; but only on the third day, which decreases by the addition, does she rest on them, adding letters and decreasing in sacrifices, as it is written: "Eleven (Heb. ashtei asar) bullocks" (Bemidbar 29:20), which is appropriate for the evil eye. For on the first day and the second day there is rejoicing of the children, and Yisrael distributes to them, TO THE APPOINTEES OF THE NATIONS, booty. From the third day and onwards, when MALCHUT rests upon them, what is written? "And the waters decreased continually until the tenth month; in the tenth month, on the first day of the month, were the tops of the mountains seen" (Bereshheet 8:5). "And the waters decreased continually"; these are the sacrifices that are continually reduced, and as they become fewer in number so does their goodness become less.

885. אמר רבי אלעזר, יומא קדמאה דחג, לא שריא עליהו, ולא יומא תנינא, אלא יומא תליתאה, דאוסוף וגרע שריא עליהו, אוסף אתוון, וגרע קרבנין. דכתיב עשתי עשר וגו'. והכי אתחזי לרע עין, בגין דיומא קדמאה ויומא תנינא חדוה דבנהא, ואינון מפלגי עדאן לון. מיומא תליתאה ולהלאה, דאיהו שריא עליהו, מה כתיב. והמים היו הלוך וחסור עד החדש העשירי בעשירי באחד לחדש גראו ראשי ההרים והמים היו הלוך וחסור, אלין קרבנין, דאזלין ומתמעטין. וכמה דאינון מתמעטין, הכי נמי אתמעט טובא דלהון.

130. The water libation

Rabbi Shimon explains about the contraction as the waters receded and the relevance to the water libation during the second, sixth and seventh days of Sukkot. He compares the mountains of Ararat to the mountains of darkness and the curses of the Other Side, that gradually become visible as the waters recede. We hear about the sacrifices of the rams and lambs and bullocks and their effect on the seventy heathen nations for whom they are offered. Lastly we are reminded how Yisrael break through all the Klipot to find joy on the eighth day of assembly, Shmini Atzeret. In this the Other Side has no part.

886. Rabbi Shimon said, Elazar, come and see: From the second day, the waters began to appear, NAMELY, THAT THE LIBATION OF WATER ON THE ALTAR BEGAN. FOR ITS PURPOSE WAS ALSO TO DRAW DOWN LIVELIHOOD AND SUBSISTENCE FOR THE OTHER SIDE. "AND IF HE BE THIRSTY, GIVE HIM WATER TO DRINK" (MISHLEI 25:21): THIS WATER IS THE WATER THAT IS MENTIONED HERE FOR LIBATION ON THE DAYS OF THE HOLIDAY. And after the water had begun, AND THE OTHER SIDE AND THE SEVENTY NATIONS HAD RECEIVED THE EMANATION, THEY THEN GREW IN STRENGTH, AS NOTED IN THE PRECEDING PARAGRAPH, and from the third day MALCHUT rested on them, FOR THEY DREW HER DOWN SEPARATED FROM ZEIR ANPIN, AS ABOVE. And the Babylonians did not know why these waters are mentioned here IN CONNECTION WITH THE FESTIVAL, THAT IS TO SAY THAT THEY DID NOT KNOW THAT THEIR PURPOSE WAS TO PROVIDE SUBSISTENCE TO THE NATIONS OF THE WORLD, for the goodness of Yisrael is not in the place of contraction, NAMELY, IN THE BULLOCKS OF THE FESTIVAL THAT ARE REDUCED IN NUMBER, but in the place of expansion. And since these waters that are mentioned here are contracting, TOGETHER WITH THE BULLOCKS OF THE FESTIVAL, Scripture comes to inform us that it is written: "And the waters decreased continually" (Beresheet 8:5). That is, the waters that are known from the days of the festival are the ones that are mentioned among the sacrifices. FOR ON THE SECOND DAY IT IS SAID THAT AMONG THE SACRIFICES IS "AND THEIR DRINK OFFERINGS" (HEB. VENISKEIHEM) (BEMIDBAR 29:18), THE LAST LETTER OF WHICH IS MEM. AND ON THE SIXTH DAY, IT IS SAID, "AND ITS DRINK OFFERINGS" (HEB. UNSACHEIHAH) (IBID. 31), WITH YUD. AND ON THE SEVENTH DAY "AFTER THE ORDINANCE" (Heb. KEMISHPATAM) (Ibid. 33), THE LAST LETTER OF WHICH IS MEM. AND THESE THREE LETTERS TOGETHER SPELL MAYIM (LIT. 'WATERS' - MEM YUD MEM), FROM WHICH IT FOLLOWS THAT THERE IS AN ALLUSION TO THE WATER LIBATION IN THE TORAH. For they, THE SACRIFICES, are mountains of curses that continually decrease, and their goodness, and the emanation that is drawn down on them "decreased continually" (Beresheet 8:5). And because these waters belong to them, TO THE NATIONS AND TO THE OTHER SIDE, the letters MEM YUD MEM were not joined together AND THE WORD DID NOT APPEAR EXPLICITLY WRITTEN IN THE TORAH. BUT THE LETTERS ARE SCATTERED, WITH MEM BEING IN "AND THEIR DRINK-OFFERINGS" (Heb. VENISKEIHEM), THE YUD IN "AND ITS DRINK OFFERINGS" (Heb. UNSACHEIHA), AND THE FINAL MEM IN "AFTER THE ORDINANCE" (Heb. KEMISHPATAM), AS ABOVE. And the purpose of this is so that their goodness should not be joined, but BE little by little.

887. But regarding Yisrael, who are from the Holy One, blessed be He, WHO IS THE CENTRAL COLUMN, what is written? "but they who seek Hashem shall not want any good thing" (Tehilim 34:11). The first half of this verse is: "The young lions lack, and suffer hunger" (Ibid.). The young lions are the appointees of the other nations. They that seek Hashem are Yisrael, who will not lack all good things because they continually ascend higher and higher, FOR A PERSON MAY BE PROMOTED TO A HIGHER DEGREE OF SANCTITY BUT NOT DEMOTED. For this reason, their good, THAT OF THE NATIONS AND OF THE OTHER SIDE, which are waters, "decreased continually until the tenth month" (Beresheet 8:5), which is the month of Tevet, for then are the days of badness, FOR THE MONTHS OF TEVET AND SHEVAT ARE THE PERIOD OF JUDGMENT AND ARE CALLED 'THE DAYS OF BADNESS'. And this badness awakens and grows stronger, and the holy bride, WHICH IS MALCHUT, does not illuminate from the midst of the sun, NAMELY, IS SEPARATED FROM THE SUN, WHICH IS ZEIR ANPIN. And then the tops of these mountains became visible, THAT IS THE JUDGMENTS OF THE LEFT SIDE THAT ARE DRAWN DOWN WITH THE BULLOCKS OF THE FESTIVAL, namely, those mountains of darkness and mountains of curses that appear and grow stronger and do evil things in the world.

886. אר"ש, אלעזר, ת"ח, מיומא תניינא שריאו מינא לאתחזאה, כיון דשריאו מים, מיומא תליתאה איהי שרת עליהו, ואינון מים לא הוו ידעי בבלאי, אמאי רשימין הכא, דהא טובא דישראל לא הוו באתר דמעוטא, אלא באתר דרבוויא. ובגין דאלין מיין דרשימין הכא אתמעטן, אתי קרא לאשמעינן דכתיב, והמים אינון הידיען ביומי דחג, אינון דרשימין גו קרבנין, דאינון טורי לוטין, היו הלוך וחסור טובא דלהון, וגגידו דאנגיד עליהו, היו הלוך וחסור, ובגין דאינון מים דלהון הוא, לא אתחברן אתוון, דלא יתחבר טובא דלהון, אלא זעיר זעיר.

887. אבל לישראל, דאינון מקודשא ברין הוא, מה כתיב. ודורשי יי' לא יחסרו כל טוב. רישיה דקרא, כפירים רשו ורעבו, אלין ממנן דשאר עמין. ודורשי יי', אלין ישראל, לא יחסרו כל טוב, אלין אזלין ואסתלקו לעילא לעילא. ובג"כ, טובא דלהון דאינון מים, היו הלוך וחסור. עד החדש העשירי. דא טבת, דהא כדין ימי הרעה הוו, ואתערת ההיא רעה ואתתקפת, וכלה קדישא לא אנהירת מגו שמשא, כדין נראו ראשי ההרים, אלין אינון הרי חשוכא, טורין דלוטין אתחזון ואתתקפו, ועבדין בישין בעלמא.

888. About these days OF THE HOLIDAY OF SUKKOT IT IS WRITTEN: "a sacrifice made by fire" (Bemidbar 29:13) regarding THEIR burnt offering, NAMELY THE WORDS, "AND YOU SHALL OFFER A BURNT OFFERING FOR A SACRIFICE MADE BY FIRE" (IBID.). For then these offerings made by fire, which are the judgments, devour their portions, namely, those seventy bullocks corresponding to the seventy appointees who rule over the seventy nations. AND THEIR NUMBER is greatest on the first day and decreases with each passing day. And they are called 'goring bullocks' on their days. Fourteen rams. (THE TEXT HERE IS MISSING, BUT SHOULD READ AS FOLLOWS: "TWO RAMS, AND FOURTEEN LAMBS OF THE FIRST YEAR" (BEMIDBAR 29:13).) The two RAMS on each day are fourteen Yud Hei Vav Hei, AS SEVEN TIMES TWO IS FOURTEEN. And this refers to the hand that controls them continually, every day. And the total number of the lambs of the first year is 98, FOR SEVEN TIMES FOURTEEN EQUALS 98.

889. And you might wish to ask: If so, IF WE OFFER FOURTEEN RAMS SO THAT THE HAND (HEB. YAD = FOURTEEN) OF YUD HEI VAV HEI WILL RULE; AND IF WE OFFER 98 LAMBS, WHICH IS A BAD OMEN, FOR IT CORRESPONDS TO THE 98 CURSES IN THE ADMONITION AND ALSO IT IS SAID THAT 'TILL A DART (Heb. CHETZ = 98) STRIKE THROUGH HIS LIVER' then are we not being evil-eyed towards them, FOR HE SAYS TO HIM: 'EAT AND DRINK, SAYS HE TO HIM; BUT HIS HEART IS NOT WITH HIM'? HE ANSWERS: Yes, for it is written: "IF YOUR ENEMY BE HUNGRY, GIVE HIM BREAD TO EAT, AND IF HE BE THIRSTY, GIVE HIM WATER TO DRINK: for you shall heap coals of fire upon his head" (Mishlei 25:21-22). But we give only out of rejoicing, for throughout the whole year, there is no rejoicing like that on these days OF SUKKOT. And since we give out of the goodness of our hearts, in rejoicing and willingly, OUR GIFTS TO THEM turn into coals of fire on their head, burning coals, for our rejoicing affects them badly, namely, the fourteen RAMS, seventy BULLOCKS, and 98 LAMBS, which is their sum total OF SACRIFICES, WHERE THE FOURTEEN RAMS INDICATES THE HAND OF YUD HEI VAV HEI THAT CONTROLS THEM, AND THE SEVENTY BULLOCKS IN THEIR DECREASING PROGRESSION TEACH THAT THEIR GOODNESS WILL CONTINUALLY DECREASE, WHILE THE 98 LAMBS TEACH ABOUT THE 98 CURSES THAT REST ON THEM; OR IN OTHER WORDS: 'A DART STRIKE THROUGH THEIR LIVER'.

890. And all this is very well, but you might ask: Who asked us to sacrifice for them, FOR THE APPOINTEES OF THE SEVENTY NATIONS? Perhaps they are not interested in our doing so? But all of these appointees have no such rejoicing as at that time which they have with all these bullocks and rams and lambs that Yisrael offers to them at these banquets. Nevertheless, nothing is offered except to the Holy One, blessed be He alone, while they, THE APPOINTEES, come close and the Holy One, blessed be He, distributes to them. And about this it is written: "If your enemy be hungry, give him bread to eat," where bread refers to the festival offerings; and in "and if he be thirsty, give him water to drink," water refers to that water that is marked TO BE Poured OUT IN A LIBATION on the days of the festival, on the second, sixth, and seventh days. And this is derived from, "it would be utterly scorned (Heb. boz - Bet Vav Zayin)" (Shir Hashirim, 8:7), WHERE THE NUMERICAL VALUES OF THE LETTERS BET, VAV, AND ZAYIN ARE TWO, SIX AND SEVEN, RESPECTIVELY.

888. בְּיוֹמֵי אֵלֶיךָ, אֲשֶׁה בְּהַאי עוֹלָה, דְּהָא כְּדִין הֵנִי אֲשִׁים אֲכִלִי חוֹלְקֵהוּן. שְׁבַעִים פְּרִים אֵלֶיךָ, אֵינוֹן לְקַבֵּל שְׁבַעִים מִמֶּנּוּ, דְּשִׁלְטוֹ עַל שְׁבַעִין עַמִּין. וְסִלְקִין בְּיוֹמָא קְדָמָא, וְנַחְתִּי בְּכָל יוֹמָא וְיוֹמָא, וְאֶקְרוֹן פְּרִים מְנַגְחִין בְּיוֹמֵי דְלֵהוּן. אֵילָם, אַרְבֵּיסָר, תְּרִין בְּכָל יוֹמָא אֵינוֹן י"ד יְהוּ"ה. יָדָא דְשִׁלְטָא עֲלֵיהּ תְּדִיר, בְּכָל יוֹמָא וְיוֹמָא. אֲמַרִין בְּנֵי שָׁנָה, מְנַיְנָא דְלֵהוּן ח"ץ.

891. "Many waters cannot quench love" (Shir Hashirim 8:7) this refers to the waters that Yisrael pours out in libation out of rejoicing and love for the Holy One, blessed be He, as it is written: "Therefore with joy shall you draw water" (Yeshayah 12:3). "nor can the floods drown it" (Shir Hashirim 8:7). These are the floods of the pure balsam, NAMELY, THE EIGHTEEN RIVERS OF PLENTY THAT ARE DRAWN DOWN FROM YESOD OF BINAH. For all of them cleave to, and form a bond with, this love. "if a man would give all the substance of his house, it would be utterly scorned" (Ibid.). This refers to Samael; and he gives "for love" (Ibid.) of Yisrael, namely, so that he should have a portion with them in these waters about which it is written in this section: "if a man would give all the substance of his house for love, it would be utterly scorned (Heb. boz)," which is a mnemonic for these waters THAT ARE Poured out on the SECOND (BET), SIXTH (VAV), AND SEVENTH (ZAYIN) DAYS. It would certainly be scorned, for all the substance OF SAMAEL is considered for us as a broken potsherd that can never be repaired.

892. HE EXPLAINS HIS WORDS: The water OF SAMAEL, THE OTHER SIDE AND THE NATIONS, is distributed on the days of boz (Bet Vav Zayin). This leaves the other days, namely, the fifth, fourth, and third days of the festival, ON WHICH THERE IS NO WATER LIBATION. The mnemonic for this: He ploughed (Heb. charash - Chet Resh Shin) the furrows of the land, WHERE THE LETTERS OF CHARASH STAND FOR CHAMISHI (LIT. 'FIFTH'), REVI'I (LIT. 'FOURTH') AND SHLISHI (LIT. 'THIRD'), ON WHICH DAYS THERE IS NO LIBATION OF WATER, and they have no correction through us, nor indeed forever. FOR JUST AS THEY HAVE NO CORRECTION ON THE FIFTH, FOURTH, AND THIRD DAYS, SO THEY NEVER WILL HAVE ANY CORRECTION. And should you wish to point that it is written "it would be utterly scorned," WHEREAS, ACCORDING TO THE ABOVE, IT SHOULD HAVE BEEN WRITTEN 'IT WOULD NOT BE UTTERLY SCORNE', NAMELY, THAT THEY DO NOT WANT THE SCORN (SECOND, SIXTH, AND SEVENTH), WHICH IS THE SUBSTANCE OF SAMAEL, I SHOULD THEN RESPOND: ELSEWHERE IT IS WRITTEN: "For he has not despised (scorned) nor abhorred the affliction of the afflicted" (Tehilim 22:25).

893. HE ASKS: What about the first day OF THE FESTIVAL, THINKING THAT THE SECOND, SIXTH, AND SEVENTH (HEB. BOZ) DAYS ARE CONSIDERED THOSE OF THE WATER LIBATION, AND THE FIFTH, FOURTH AND THIRD (HEB. CHARASH) DAYS ARE FREE OF THE LIBATION OF WATER, BUT HE DOES NOT MENTION THE FIRST DAY OF THE FESTIVAL AT ALL. HE ANSWERS, THE FIRST DAY is not called either 'first' nor 'one', but IS CALLED simply "the fifteenth day" (Bemidbar 29:12). No special mention is made of it BECAUSE THERE IS NOTHING SPECIAL ABOUT IT TO MENTION, but the water libation is first mentioned on the second day, and this is how it should be. BECAUSE ON THIS DAY A PORTION IS GIVEN TO THE OTHER SIDE, IT IS FITTING THAT THIS SHOULD BE ON THE SECOND DAY, for about the second day IT WAS not SAID: 'THAT IT WAS good'. This is why he does not mention the first or one day at all, but just simply IS THE FIFTEENTH DAY, and the first mention of the days of the festival, and the renewal of the days, begins on the second day. And the water is distributed on the second, sixth and seventh days, and there is no libation of water on the fifth, fourth or third days, as we have learned - and it all falls into place.

894. Happy is the portion of Yisrael, who know how to enter the kernel of the nut; NAMELY, HOLINESS IS LIKE THE KERNEL OF A NUT THAT IS SURROUNDED BY SHELLS, and in order to get into the kernel, they break off these shells THAT SURROUND IT, and enter. What is written subsequently? "On the eighth day you shall have a solemn assembly" (Bemidbar 29:35). For after they break through all these Klipot and break down a number of forces and kill a number of serpents and a number of scorpions, which were there in wait for them in those mountains of darkness, until they managed to find the place of settlement and a holy city WHICH IS THE HOLY MALCHUT, surrounded by walls on all sides, they then entered it ON THE EIGHTH DAY OF ASSEMBLY (HEB. SHMINI ATZERET) to give it satisfaction there, and rejoice in it. And we already explained the matter.

895. And this is "a solemn assembly," THE MEANING OF WHICH IS a gathering, NAMELY MALCHUT, for she is a place where everything gathers, FOR SHE IS A RECEPTACLE FOR ALL THE HIGHER LUMINARIES. "you shall have," namely you and nobody else shall have, FOR THE OTHER SIDE HAVE NO PART OF IT, but it is you who rejoice with your Master, and He with you. And on this it is written: "Be glad in Hashem and rejoice, O you righteous: and shout for joy, all you who are upright in heart" (Tehilim 32:11).

1. The world is maintained by two colors only

Rabbi Yehuda and Rabbi Yitzchak talk about the wise-hearted women that spin and work with their hands, and from this they derive that those women combine Judgment and Mercy. We hear that Rabbi Elazar said that every woman is considered Judgment until she marries a man of Yisrael, who is compassion, and thus Judgment and Mercy are joined together. The rabbis explain why it is forbidden for men to have intercourse with women from the other nations. We hear that God called the souls of Yisrael Chesed so that the world would never be without love. From this it is clear that anyone who destroys Chesed will not exist in the World to Come. Matot ends with a reference to levirate marriage, where the childless man's brother restores Chesed to the world.

1. "But all the women children that have not known man by lying with him" (Bemidbar 31:18). In relation to this, we learned that Rabbi Yehuda said the world is maintained by two colors only, WHITE AND RED - NAMELY CHASSADIM AND CHOCHMAH OF THE LEFT that come from the aspect of the wise-hearted woman. Hence, it says, "and all the women that were wise-hearted did spin with their hands, and brought that which they had spun, both of blue, and of purple" (Shemot 35:25). What did they bring? THE SCRIPTURE SAYS blue and purple, which are colors contained within colors; THAT IS, THERE ARE TWO MAIN COLORS - WHITE AND RED - AND BLUE AND PURPLE COLORS ARE INCLUDED WITHIN THESE TWO COLORS.

2. This is the meaning of: "she seeks wool and flax, and works willingly with her hands" (Mishlei 1:13), SINCE WOOL PERTAINS TO THE RIGHT AND MERCY, AND FLAX TO THE LEFT AND JUDGMENT. It is also written: "did spin with their hands." What is "spin"? Rabbi Yehuda says: They spin with Judgment and they spin with Mercy; THAT IS, THEY INTERLACE RIGHT AND LEFT WITH EACH OTHER, AND THE JUDGMENTS OF THE LEFT ARE SWEETENED BY THE MERCY OF THE RIGHT. Rabbi Yitzchak said: Why is a woman (Heb. ishah) so called, WHICH IS DERIVED FROM FIRE (HEB. ESH)? He said to him: She contains Judgment and Mercy. SHE IS THEREFORE CALLED 'ISHAH', THE LETTERS OF ESH-HEI, ESH BEING JUDGMENT AND HEI MERCY.

3. Come and behold. Rabbi Elazar said: Every woman is considered to be of Judgment, SINCE THEY ARE ROOTED IN THE LEFT COLUMN. IT IS SO until she tastes the taste of Mercy - THAT IS, MARRIES A MAN - AS A MALE IS ROOTED IN THE RIGHT COLUMN, WHICH IS CHESED AND MERCY. We learned that it is from the side of the man that white is produced, SUCH AS THE BONES OF THE FETUS, FOR HE IS OF MERCY. From the side of the woman comes the red OF THE FETUS, THE RED OF FLESH AND SINEW, WHICH ARE OF JUDGMENT. When a woman tastes of the white - THAT IS, WHEN SHE IS MARRIED TO A MAN - white is more predominant in her, THOUGH HER ROOT IS THE RED.

4. Come and behold: this is why women of the other nations, who know man by lying with him, are forbidden to be wed. We have learned that there is right - CHESED - and left - JUDGMENT - which are Yisrael and the other nations, AND ALSO the Garden of Eden, ON THE RIGHT, and Gehenom, ON THE LEFT. This world is ON THE LEFT and the World to Come is ON THE RIGHT. The children of Yisrael correspond to Mercy, ON THE RIGHT, and the other nations to Judgment, ON THE LEFT. We have learned that when a woman has a taste of Mercy - THAT IS, WHEN SHE MARRIES ONE OF THE MEN OF YISRAEL - Mercy overpowers JUDGMENT AND SHE TURNS INTO MERCY. When a woman has a taste of Judgment-THAT IS, WHEN SHE MARRIES A FOREIGNER WHO PERTAINS TO JUDGMENT, AS MENTIONED - Judgment cleaves to Judgment. THE JUDGMENT IN THE WOMAN ADHERES TO THE JUDGMENT IN THE FOREIGNER. It is written of them: "the dogs are insolently greedy, they never have enough" (Yeshayah 56:11).

1. וְכֹל הַטֶּף בְּנָשִׁים אֲשֶׁר לֹא יָדְעוּ מִשְׁכָּב זָכָר. תִּמְנָן תְּנִינָן, אִרְיָהוּדָה, אֵין הָעוֹלָם מִתְנַהֵג אֶלָּא בְּתָרֵי גְוֹוִינָן, דָּאתוּ מִסְטָר אֲתָתָא דְאִשְׁתְּכַחַת חֲכִימַת לְבָא. הַהִ"ד, וְכֹל אִשָּׁה חֲכָמַת לֵב בְּיָדֶיהָ טוֹו וַיְבִיאוּ מִטּוֹה אֶת הַתְּכֵלֶת וְאֶת הָאֲרָגְמָן. וּמֵאֵי מִתִּינָן. אֶת הַתְּכֵלֶת וְאֶת הָאֲרָגְמָן, גְּוֹוִינָן דְּכֵלִילָן בְּגוּ גְוֹוִינָי.

5. In relation to this, we have learned that a woman who is married to a foreigner is attached to him like a dog. Just as a dog has a strong impudent spirit, she WHO IS MARRIED TO A FOREIGNER is also most impudent, WHEN Judgment CLEAVES to Judgment. We learned that she who is married to one of the children of Yisrael, it says OF HER: "but you that did cleave to Hashem your Elohim are alive every one of you this day" (Devarim 4:4). What is the reason thereof? The soul of Yisrael comes from the spirit of living Elohim, as written: "but the spirit...should faint (also: 'envelop') before Me" (Yeshayah 57:16). This is understood from the phrase, "before Me," WHICH MEANS FROM BEFORE THE SHECHINAH, NAMELY FROM ZEIR ANPIN CALLED 'LIVING ELOHIM'. Therefore, in a virgin woman, who does not cleave to the Harsh Judgment of the other nations, AS MENTIONED ABOVE, but cleaves to Yisrael, WHICH IS OF MERCY, Mercy is more powerful, and she is corrected FROM THE JUDGMENT IN HER.

6. Come and behold. It is written: "for I have said, 'The world is built by Chesed'" (Tehilim 89:3). What is Chesed? HE ANSWERS: It is one of the King's supernal Sfirot, NAMELY THE HIGHEST OF THE LOWER SEVEN SFIROT. For the Holy One, blessed be He, named the soul of Yisrael Chesed, on the condition that it would build CHESED. Thus, Chesed will never cease. This is derived from the phrase, "is built," WHICH REFERS TO CHESED THAT WILL BE BUILT. We have therefore learned that he who causes Chesed to cease in the world will perish in the world to come. Hence, it is written: "the wife of the dead shall not marry abroad to a stranger" (Devarim 25:5), in order to do kindness (Chesed) with the dead man, so that he will be built and established, as it is written, "the world is built by Chesed" (Tehilim 89:3).

5. ועל דא תנינן, הנבעלת לעכו"ם קשורה בו ככלב. מה כלבא תקיפא ברוחיה חציפא. אוף הכא דינא בדינא, חציפא בכלא. הנבעלת לישראל, תנינן, כתיב ואתם הדבקים בה' אלהיכם חיים כלכם היום. מ"ט. משום דנשמתא דישראל, אתינא מרוחא דאלהים חיים. דכתיב כי רוח מלפני יעטוף, משמע דכתיב מלפני. ובג"כ, אתתא דהיא בתולתא, ולא אתדבקת בדינא קשיא דשאר עמין, ואתדבקת בישראל, רחמי נצחא ואתכשרת.

6. ות"ח, כתיב אמרתי עולם חסד יבנה. מאי חסד. הוא חד מכתיבי עלאי דמלכא, דנשמתא דישראל קרא לה קודשא ברוין הוא חסד. על תנאי דיתבני, ולא ישתיצי חסד מעלמא. משמע דכתיב יבנה. בג"כ תנינן, מאן דשצי חסד מעלמא, אשתיצי הוא לעלמא דאתי. ועל דא כתיב, לא תהיה אשת המת החוצה, בגין למעבד חסד עם מיתא. ואתעביד בניינא, דכתיב עולם חסד יבנה.

1. "but you shall meditate therein day and night"

Rabbi Yosi emphasizes the deep importance of meditating constantly on the Torah. He says that people must accept upon themselves the yoke of the kingdom of heaven when they go to sleep since everyone tastes death at night.

1. "And I besought Hashem at that time, saying, Adonai Elohim, You began to show Your servant" (Devarim 3:23-24). Rabbi Yosi opened with, "Then Hezekiah turned his face toward the wall, and prayed to Hashem" (Yeshayah 38:2). Come and see how powerful is the force of the Torah and how superior it is to anything else. For whoever is occupied with the Torah does not fear the higher or lower beings, nor fear evil incidents in the work, because he is attached to the Tree of Life, WHICH IS THE TORAH, and daily eats from it.

1. וְאַתְחַנֵּן אֶל יְיָ בַּעַת הַהֵיא לֵאמֹר. אֲדַנְי יְרוּד־
אֶתְהּ הַחֲלוֹת לְהִרְאוֹת אֶת עַבְדְּךָ וְגו'. ר' יוֹסִי פָתַח,
וַיִּסַּב חֲזָקָהוּ פָּנָיו אֶל הַקִּיר וַיִּתְפַּלֵּל אֶל יְיָ. ת"ח,

דְּעֵלְמָא. בְּגִין דְּאִיהוּ אַחִיד בְּאִילָנָא דְּחַיִּי, וְאֲכִיל
מִנֶּיהָ בְּכָל יוֹמָא.

2. For the Torah teaches man to walk the path of truth and gives him counsel how to repent before his Master. Even when he is sentenced to death, everything is repealed and gone from him, not to rest upon him. Therefore he should be occupied with the Torah day and night and not move from it. This is the meaning of, "but you shall meditate therein day and night" (Yehushua 1:8). If he removed the Torah from himself or separates from it, it is as if he separated from life.

2. דְּהָא אֹרִייתָא אֹלִיף לִיה לִב"ג, לְמִיּהַךְ בְּאַרְחָ

3. Come and see, there is advice for man. When he climbs into his bed at night, he should accept upon himself the yoke of the kingdom of heaven wholeheartedly and hasten to give Him the deposit of his Nefesh. It was explained that this is since every man tastes AT NIGHT the taste of death, because the tree of death rests upon the world, WHICH IS MALCHUT. And all the spirits of people come out, rise and hide in it, IN MALCHUT. Since they are GIVEN as a deposit, they all return LATER to their place.

3. ת"ח, עֵיטָא דְּב"ג כִּד אִיהוּ סְלוּק בְּלִילֵיָא עַל

וּבְגִין דְּאִינוּן בְּפְקֻדוֹנָא, כְּלָהוּ תִּיבִין לְאַתְרֵיהוּ.

2. Midnight

Rabbi Yosi speaks about the obligation that people have to study the Torah at night and to cleanse themselves and go to prayer in the morning. He says that every word that a man utters during his prayers rises up and splits the firmaments.

4. Come and see, when the north wind awakens at midnight, the crier comes out and the Holy One, blessed be He, comes to the Garden of Eden to be delighted in the spirits of the righteous, and all the members of the Queen's household and all the members of the chamber are roused to praise the Holy King, ZEIR ANPIN. Then the deposits of the spirits handed to her, TO MALCHUT, are all returned to their owners. Most people awaken from their sleep at that time, and their deposits are returned to them all.

4. ת"ח, כִּד אֲתַעַר רוּחַ צְפוֹן בְּפִלְגוֹת לִילֵיָא, וְכְרוּזָא
נְמִיק. וְקוּדְשָׁא בְּרִיךְ הוּא אֲתֵי לְגַנְתָּא דְּעֵדֶן

דְּבָנֵי עֵלְמָא מִתְעַרִּין בְּהֵיא שְׁעָתָא, וְהָא פְּקֻדוֹנֵיהָ
דְּכָלָהוּ אֲתִיב לְגְבִיָּיהוּ.

5. The members of the highest chamber, WHO SERVE HASHEM, take resolve and awaken to be occupied with the praises of the Torah. They join the Congregation of Yisrael, WHICH IS MALCHUT, until daylight. When morning comes, he, together with all the members of the King's chamber, comes to the Holy King, ZEIR ANPIN. They are called the children of the King and Queen. This was already explained.

6. When morning comes, one should clean himself in every respect, THE CLEANLINESS OF BOTH BODY AND SOUL, put on his arms, NAMELY THE TZITZIT AND TEFILIN, and endeavor by the Holy King, ZEIR ANPIN, since at night he endeavored by the Queen. Now IN THE MORNING he comes with the Queen to join her to the King.

7. He comes to the synagogue, cleanses himself by reciting the offerings, and sings the praises of King David. Fastened with Tefilin on his head and Tzitzit at the corners of his garment, he recites "A praise of David" (Tehilim 145). It was explained that he who prays before his Master should stand when praying like the supernal angels and join those who are called 'those who stand by', as written, "I will give you access among these who stand by" (Zecharyah 3:7). IT BEHOOVES HIM to concentrate his will before his Master and submit his petition.

8. Come and see, when man rises at midnight from his bed to be occupied with the Torah, a crier announces over him, saying, "Behold, bless Hashem, all you servants of Hashem, who stand by night in the house of Hashem" (Tehilim 134:1). Now IN THE MORNING, when he stands in prayer before his Master, the crier proclaims about him saying, "I will give you access among these who stand by."

9. After finishing his prayer favorably before his Master, it was explained that it behooves him to deliver his soul with a willing heart to the required place, NAMELY MALCHUT. Man has many counsels about anything. When he is in prayer, all the words man utters in his mouth in that prayer rise up and cleave airs and firmaments until they reach wherever they reach. They are adorned on the head of the King, who turns them into a diadem. The friends explained that when a man asks the Holy One, blessed be He in his prayer, he should meditate for it to be a prayer of supplication. Whence do we know that? From Moses, as written, "And I besought Hashem" (Devarim 3:23). Such is a goodly prayer.

5. אינון דבני היכלא עלאה קיימי בקיומיהו, מתערי משתדלי בתושבחתא דאורייתא, ומשתתפי בכנסת ישראל, עד דנהיר יממא. כד אתי צפרא, היא, וכל בני היכלא דמלכא בלהו אתיין לגבי מלכא קדישא, ואינון אקרון בנין דמלכא ומטרוניתא. והא אוקמוה.

6. כד אתי צפרא, בעי לנקאה גרמיה בכלא, ולמיזן זויניה, לאשתדלא עם מלכא קדישא, דהא בליליא אשתדל במטרוניתא. השתא אתיא עם מטרוניתא, לזוגא לה עם מלכא.

7. אתי לבי בנישתא, מדכי גרמיה בקרבנין, משבח בתושבחתייהו דדוד מלכא. אחיד תפילין ברישיה, וציצית בגרמיה, אומר תהלה לדוד. והא אוקמוה, צלי צלותא קמי מאריה, בצלותא בעי למיקם, כגוונא דמלאכי עלאי, לאתחברא בהדיהו, דאינון אקרון העומדים, כד"א, ונתתי לך מהלכים בין העומדים. ולכוונא רעותיה קמי מאריה, ויתבע בעותיה.

8. ת"ח, בשעתא דב"נ קאים בפלגות ליליא מערסיה, לאשתדלא באורייתא, כרוזא קארי עליה ואמר, הנה ברכו את יי' כל עבדי יי' העומדים בבית יי' בלילות. השתא כד איהו קאים בצלותא קמי מאריה, ההוא כרוזא קארי עליה ואמר, ונתתי לך מהלכים בין העומדים האלה.

9. בתר דמסיים צלותא ברעו קמי מאריה, הא אוקמוה, דבעי למימסר נפשיה ברעותא דלבא, להווא אתר דאצטריך. וכמה עיטין אית ליה לבר נש בכלא. ובשעתא דצלותא קיימא, כל אינון מלין דאפיק בר נש מפומיה בההיא צלותא, בלהו סלקין לעילא, ובקעין אורין ורקיעין, עד דמטו להווא אתר דמטו ומתעטרו ברישא דמלכא, ועביד מנייהו עטרה. והא אוקמוה חברייא, צלותא דבעי ב"נ לקודשא בריך הוא, לכוונא דיהא צלותא תחנונים. מנלן. ממשא, דכתוב ואתחנן אל יי'. דא איהו צלותא מעליא.

3. One should cover one's eyes so as not to behold the Shechinah

We hear from Rabbi Yosi that Rav Hamnuna Saba said anyone who does not keep his eyes lowered or closed during prayer will not see the light of

the Shechinah when he dies, nor will he die by a kiss. Whoever stands in prayer should first praise God and then offer his own prayer, and his prayer should unify night and day.

10. Come and see, whoever stands in prayer should straighten his legs, which has already been explained. He should cover his head as one standing before the king and cover his eyes so as not to behold the Shechinah. In his book Rav Hamnuna Saba said, Whoever opens his eyes during prayer or does not lower his eyes to the ground, the Angel of Death comes to him earlier. When his soul goes out, WHEN HE DEPARTS FROM THE WORLD, he will not see the light of the Shechinah nor die by a kiss. Whoever treats the Shechinah lightly is treated lightly when he needs Her. This is the meaning of, "for them that honor Me I will honor, and they that despise Me shall be lightly esteemed" (1 Shmuel 2:30).

10. ת"ח, מאן דקאים בצלותא, בעי לכונא רגלוי, ואוקמוה. ובעי לחפוי רישיה, במאן דקאים קמי מלכא. ובעי למכסייה עינוי, בגין דלא יסתכל בשכינתא. ובספרא דרב המנונא סבא אמר, מאן דפקח עינוי בשעתא דצלותא, או דלא מאיך עינוי בארעא, אקדים עליה מלאך המות, וכד תיפוק נפשיה, לא יסתכל בנהירו דשכינתא, ולא ימות בנשיקה. מאן דמזלזל בשכינתא מתזלזל הוא בהוא שעתא דאצטריך ביה, הה"ד, כי מכבדי אכבד ובוזי יקלו.

11. YOU TALK ABOUT he who beholds the Shechinah when he prays, yet how can he look at the Shechinah? AND HE ANSWERS, It means knowing the Shechinah is surely before him WHEN HE PRAYS. HENCE HE MUST NOT OPEN HIS EYES. This is the meaning of, "Then Hezekiah turned his face toward the wall" (Yeshayah 38:2), where the Shechinah rested. For that reason there must be nothing between him and the wall WHEN HE PRAYS. This has already been explained.

11. האי מאן דאסתכל בשכינתא, בשעתא דאיהו מצלי. והיך יכיל לאסתכלא בשכינתא. אלא לינדע דודאי שכינתא קיימא קמיה, הה"ד, ויטב חזקיהו פניו אל הקיר, דתמן שארי שכינתא. בג"כ לא בעיא למהוי חוצץ בינו ובין הקיר, ואוקמוה.

12. Whoever stands in prayer should first arrange the praise of his Master and then recite his own prayer. For this is what Moses said first, "You have begun..." (Devarim 3:23), and at last HE RECITED HIS PRAYER, "I pray You, let me go over..." (Ibid. 25). Rabbi Yehuda said, What is the difference here in first saying Adonai spelled Aleph Dalet Nun Yud and then Yud Hei Vav Hei, which we pronounce Elohim, NAMELY "ADONAI ELOHIM, YOU HAVE BEGUN..." HE ANSWERS, The order is so, from below upwards, SINCE ADONAI IS MALCHUT AND YUD HEI VAV HEI IS ZEIR ANPIN. HE SAID IT SO in order to include the quality of day with night and the quality of night with day and unify everything together properly. THE QUALITY OF DAY IS ZEIR ANPIN AND THE QUALITY OF NIGHT IS MALCHUT.

12. מאן דקאים בצלותא, בעי לסדרא שבחא דמאריה בקדמיתא, ולבתר יתבע בעותיה. דהא משה הכי אמר בקדמיתא, אתה החלות וגו'. ולבסוף אעברה וגו'. ר' יהודה אמר, מאי שנא הכא דכתיב אדנ"י בקדמיתא, באל"ף דל"ת נו"ן יו"ד, ולבסוף ידו"ד, וקרין אלהי"ם. אלא סדורא הכי הוא מתתא לעילא, ולאכללא מדת יום בלילה, ומדת לילה ביום ולזווגא כלא כחדא בדיקא יאות.

4. "You have begun to show..."

Rabbi Yosi says that Moses was in a sense a beginning in the world, encompassing all the children of Yisrael, the Torah, the Tabernacle, the priests and Levites, the twelve tribes with their princes and the seventy members of the Sanhedrin; he was absolutely perfect, and attained what no one else ever did. As Moses was the beginning, King Messiah is the ending, because when he comes there will be perfection in the world. Rabbi Chiya talks about how Moses was told to prepare Joshua to succeed him, as the moon cannot shine until the sun departs. Rabbi Yosi tells us that although all the other nations of the world were given to appointed ministers, Yisrael was kept by God Himself as His own special portion, and He gave them the great gift of the Torah.

13. "You have begun to show Your servant" (Devarim 3:23). HE ASKS, What manner of a beginning is here, IN SAYING, "YOU HAVE BEGUN?" AND HE ANSWERS, Surely Moses was a beginning in the world, in being absolutely perfect. You may say that Jacob was perfect PRIOR TO MOSES. For the tree, ZEIR ANPIN, was perfected through him below as it was above, BECAUSE HE HAD TWELVE SONS THAT CORRESPOND TO THE TWELVE BORDERS OF ZEIR ANPIN AND SEVENTY SOULS THAT CORRESPOND TO THE SEVENTY BRANCHES IN THE SUPERNAL TREE, ZEIR ANPIN. It is surely so. But Moses attained what no one else did, by being more completely bedecked with many thousands and tens of thousands of people of Yisrael, with the Torah, with the Tabernacle, with the priests and Levites, with the twelve tribes, WITH TWELVE princes appointed over them, with the seventy members of the Sanhedrin. He was completed in a whole body, THE SECRET OF TIFERET THAT INCLUDES RIGHT AND LEFT. For Aaron was to his right, Nachshon to his left and he was between them.

14. For that reason IT IS WRITTEN, "YOU HAVE BEGUN TO SHOW YOUR SERVANT Your greatness," NAMELY from the right, Aaron; "and Your mighty hand" (Ibid.), NAMELY from the left, which is Nachshon. We already learned that. It was Moses therefore who was a beginning in the world, AND NOT JACOB. You may ask who was the ending. AND HE ANSWERS, King Messiah is the ending, because then there will be perfection in the world, which was not the case for generations. At that time perfection will abide above and below, and all the worlds will be united as one. Then it is written, "on that day Hashem shall be one, and His name One" (Zechariah 14:9).

15. "And Hashem said to me, Let it suffice you; speak no more..." (Devarim 3:26). Rabbi Chiya said, The Holy One, blessed be He, said to Moses: 'Moses, "Let it suffice you" to have joined the Shechinah. From now on, "speak no more." Rabbi Yitzchak said, "Let it suffice you," the light of the sun that was with you; "no more" because the time for the moon has come, WHICH IS JOSHUA, and the moon cannot shine until the sun is gathered. "But charge Joshua, and encourage him, and strengthen him" (Ibid. 28). You, who are the sun, should illuminate the moon. We have already learned this.

16. "But you that did cleave to Hashem your Elohim" (Devarim 4:4). Rabbi Yosi said, "Happy is that people, that is in such a case" (Tehilim 144:15). Happy is the people whom the Holy One, blessed be He, has chosen above all heathen peoples and raised to His lot, and blessed them with His blessing, with His name's blessing. This is the meaning of, "they are the seed which Hashem has blessed" (Yeshayah 61:9), Hashem has actually blessed, NAMELY, THE BLESSING OF HIS NAME.

13. אַתָּה הַחֲלוֹת לְהִרְאוֹת אֶת עַבְדְּךָ. מֵאֵי שִׁירוֹתָא הֵבֵא. אֵלָא וְדַאי מִשֶּׁה שִׁירוֹתָא הוּוּ בְּעֵלְמָא, לְמַדּוּי שְׁלִים בְּכֻלָּא. וְאֵי תִימָא יַעֲקֹב שְׁלִים הוּוּ, וְאֵילְנָא אֲשֶׁתְּלִים לְתַתָּא בְּגוּוּנָא דְלַעִילָא. הֵכִי הוּוּ וְדַאי, אֲבָל מַה דְהוּוּ לְמִשָּׁה, לֹא הוּוּ לִבְנֵי אַחֲרָא, דְהָא אֲתַעֲטֵר בְּשְׁלִימוֹ יִתִיר, בְּכַמָּה אֶלְף וּרְבָבִין מִיִּשְׂרָאֵל, בְּאוּרֵייתָא, בְּמִשְׁכַּנָּא, בְּכַהֲנִין, בְּלִיּוּאֵי, בְּתַרְיִסֵר שְׁבַטִין, רְבַרְבִין מִמֶּנּוּ עֲלִיּוּהוּ, בְּשַׁבְעִין סְנֵהֲדַרְיִין. הוּוּ אֲשֶׁתְּלִים בְּגוּפָא שְׁלִים. אֲהֲרֹן לִימִינָא, נַחֲשׁוֹן לְשִׁמְאַלָא, הוּוּ בִּינְיָהוּ.

17. Come and see, the Holy One, blessed be He, gave all the rest of the nations in the world to the appointed ministers that rule over them. As for Yisrael, the Holy One, blessed be He, held to them for His lot and portion, to actually unite with them. And He gave them the holy Torah in order to unite with His name. Hence, "you that did cleave to Hashem," and not to any other minister as the other nations. This has been explained in different places.

5. "the voice of the words"

The rabbis examine the scripture that tells of Moses' admonitions to Yisrael where he reminds them that God spoke to them out of the midst of the fire and that they heard the voice of the words. The people heard the words but saw no form, and we learn that "a form" is an inner voice, namely Binah. Rabbi Elazar talks about the second Torah, Deuteronomy, that Moses spoke himself. He analyzes all the voices, the inner voice, the outer voice and the voice of the words, and the words and the speech that came out and spoke from within the fire. We learn that Yisrael did not want to hear directly from God but only through Moses; this weakened the power of Moses and the power of Malchut. Lastly Rabbi Elazar says that if a person does a wicked deed but has no evil intention he is not punished.

18. "And Hashem spoke to you out of the midst of the fire. You heard the voice of the words..." (Devarim 4:12). Rabbi Elazar said, We have to examine this verse. IT SAYS "the voice of the words." What does that mean? AND HE ANSWERS that IT MEANS voice is considered speech, since every speech comes from it. THE VOICE IS ZEIR ANPIN AND SPEECH IS MALCHUT, BUT SINCE WORDS COME FROM VOICE, MALCHUT IS CALLED "THE VOICE OF THE WORDS." Hence it is written, "And Hashem spoke to you OUT OF THE MIDST OF THE FIRE," since speech comes from that place, MALCHUT THAT IS CALLED FIRE. And it, MALCHUT, is called "the voice of the words."

18. וַיְדַבֵּר יי' אֵלֵיכֶם מִתּוֹךְ הָאֵשׁ קוֹל דְּבָרִים אַתֶּם שׁוֹמְעִים וְגו'. א"ר אֶלְעָזָר, הָאִי קָרָא אִית לְאַסְתַּבְלָא בֵיהּ, קוֹל דְּבָרִים, מֵאִי קוֹל דְּבָרִים. אֶלָּא קוֹל דְּאֶקְרִי דְבוּר, דְּכָל דְבוּרָא בֵיהּ תְּלִיא. וְעַד כְּתִיב, וַיְדַבֵּר ה' אֵלֵיכֶם, דְּהָא דְבוּר בְּאַתְר דָּא תְּלִיא, לְהָאִי אֶקְרִי קוֹל דְּבָרִים.

19. "You heard," since hearing depends on it, ON MALCHUT, since hearing comes from speech. Hence IT IS WRITTEN, "You heard." This has already been explained. "and his master shall bore his ear through with an awl" (Shemot 21:6), because he blemished that place called hearing, which means both words and hearing.

19. אַתֶּם שׁוֹמְעִים, דְּשְׁמִיעָה לֹא תְּלִיא אֶלָּא בְּהָאִי. בְּגִין דְּשְׁמִיעָה בְּדְבוּר תְּלִיא. וּבְג"כ אַתֶּם שׁוֹמְעִים. וְהָא אֹוקְמוּהּ, וְרַצַּע אֶדוֹנֵי אֶת אֲזֵנוּ בְּמַרְצַע, בְּגִין דְּפָגִים אַתְרָא דְּאֶקְרִי שְׁמִיעָה, וְהוּא דְבוּר וְהוּא שְׁמִיעָה.

20. "You heard the voice of the words, but saw no form." HE ASKS, What is a form, AND ANSWERS, It resembles "and the similitude of Hashem does he behold" (Bemidbar 12:8), WHICH IS MALCHUT. THIS WAS SAID TO PRAISE MOSES, WHO USED TO LOOK AT THE SHINING MIRROR, WHICH IS ZEIR ANPIN, AND HENCE, "THE SIMILITUDE OF HASHEM DOES HE BEHOLD," WHICH IS MALCHUT THAT REVEALS YUD HEI VAV HEI. According to another explanation, "a form" is an inner voice, NAMELY BINAH, which was not visible at all, NOT EVEN TO MOSES; "only a voice" (Devarim 4:12) refers to another EXTERNAL voice, as we said, NAMELY MALCHUT CALLED "THE VOICE OF THE WORDS." And why is BINAH called a form (or: 'similitude')? HE ANSWERS, Because it manifests the body, WHICH IS ZEIR ANPIN CALLED BODY, THAT IS, THE FORM OF THE SIX EXTREMITIES, THE TWELVE BORDERS AND SEVENTY BRANCHES, ETC. which comes out from it, FROM BINAH.

20. קוֹל דְּבָרִים אַתֶּם שׁוֹמְעִים וְתִמוּנָה אֵינְכֶם רוֹאִים. מֵאִי וְתִמוּנָה. כד"א וְתִמוּנַת יי' יְבִיט. ד"א וְתִמוּנָה, דָּא קוֹל פְּנִימָאָה, דְּלֹא הוּא מִתְחַזֵּי כְּלָל. וְזוּלְתֵי קוֹל, דָּא קוֹל אַחְרָא דְּקֶאֱמָרָן. וְתִמוּנָה, אֲמַאי אֶקְרִי הָכִי. בְּגִין דְּכָל תְּקוּנָא דְּגוּפָא מִינֵיהּ נִפְקָא.

21. You may argue that another, NAMELY MALCHUT, is also named thus, A FORM. WHY IS IT CALLED A FORM? HE ANSWERS, It is so, for the other one IS ALSO CALLED A FORM, BECAUSE the lower manifestations IN BRIYAH, YETZIRAH AND ASIYAH emerge from it. For that reason BINAH AND MALCHUT ARE CALLED supernal Hei and lower Hei BECAUSE THEY ARE EQUAL. The supernal Hei IS THE SECRET OF, "a great voice which was not heard again" (Devarim 5:19), since its founts never stop flowing, BECAUSE IT IS WITH ABA, CHOCHMAH, IN A NEVER-ENDING UNION. All these voices were there when the Torah was given to Yisrael, THE SECRET OF THE SEVEN VOICES OF ZEIR ANPIN. They all came out from the inner voice above all, WHICH IS BINAH, since everything is suspended from it AS THEY EMANATED FROM BINAH.

22. Moses spoke from himself the words of Deuteronomy (lit. 'the second Torah'). This has already been explained. HE ASKS why it is so AND ANSWERS, Supernal Chochmah is called the embodiment of the Torah, from which everything comes out into the inner voice, WHICH IS BINAH. Afterwards, everything is settled and becomes attached to the place called the Tree of Life, WHICH IS ZEIR ANPIN CALLED MOSES. The general and the particular come from it, namely the Written Torah, WHICH IS ZEIR ANPIN CALLED GENERAL, and the Oral Torah, WHICH IS MALCHUT CALLED PARTICULAR. They are also called the Torah and the second Torah. ZEIR ANPIN IS CALLED TORAH AND MALCHUT IS CALLED THE SECOND TORAH. IT WAS THEREFORE SAID THAT MOSES, WHO IS ZEIR ANPIN, SPOKE THE SECOND TORAH, WHICH IS MALCHUT, FROM HIMSELF, NAMELY, IT EMANATED FROM MOSES. At first, THE FIRST SET OF TEN COMMANDMENTS CAME OUT from uninterrupted Gvurah, NAMELY FROM BINAH, OF WHICH IT IS SAID, "A GREAT VOICE WHICH WAS NOT HEARD AGAIN." Now, WITH THE SECOND SET OF TEN COMMANDMENTS IN THE SECOND TORAH THEY CAME OUT all together, THAT IS, FROM ZEIR ANPIN AND MALCHUT, ACCORDING TO THE PRINCIPLE THAT MOSES, ZEIR ANPIN, SPOKE THEM FROM HIMSELF. For that reason, all these ten commandments are spelled with Vav, in, "neither (Heb. ve) shall you commit adultery. Neither shall you steal. Neither shall you bear... Neither shall you covet...neither shall you desire" (Ibid. 17-18), AS VAV INDICATES ZEIR ANPIN.

23. Rabbi Yosi said, What is meant by, "neither shall you desire"? "Neither shall you covet" should suffice. He said to him, Blessed are the truly righteous. Coveting is one grade, desire another. Coveting MEANS that if he can, he will grab her, for the coveting that took him over will cause him to act. Desire is not so. Even when he will not take to following her, IT IS STILL CONSIDERED DESIRE. This has already been explained.

24. Rabbi Yosi said to him, Why is not it written, 'Neither shall you murder' SPELLED WITH VAV like the others? He said to him, For the level OF MURDER is Judgment and comes from Gvurah THROUGH THE LEFT COLUMN instead of from the place of Mercy, WHICH IS ZEIR ANPIN CALLED VAV. Hence "You shall not murder" (Ibid. 17) is without Vav. Since five Vavs are needed, CORRESPONDING TO CHESED, GVURAH, TIFERET, NETZACH AND HOD, Vav was added to "shall you covet," since in "You shall not murder" no Vav should dwell BECAUSE IT IS IN GVURAH. HENCE Vav was added here.

25. Rabbi Pinchas, who sat behind RABBI ELAZAR, heard it. He kissed him, wept and laughed. He said OF RABBI ELAZAR, Who can stand before him and his father in the world! Happy is the lot of the righteous, and happy is my own lot in this world and in the World to Come to have merited it. Of this it is written, "The righteous see it, and are glad" (Iyov 22:19).

26. Rabbi Elazar opened with, "Go you near, and hear..." (Devarim 5:24). Come and see, when the Torah was given to Yisrael, all voices were present, NAMELY, FROM BINAH, ZEIR ANPIN AND MALCHUT. BINAH IS CALLED AN INNER VOICE, ZEIR ANPIN AN OUTER VOICE AND MALCHUT THE VOICE OF THE WORDS. The Holy One, blessed be He, sat on the throne, WHICH IS MALCHUT, and one was visible from within another - ZEIR ANPIN WAS SEEN FROM WITHIN MALCHUT. The words of the one, MALCHUT, came from within that which was above it, ZEIR ANPIN. This is the secret of the verse, "Hashem talked with you face to face in the mountain out of the midst of the fire" (Devarim 5:4), AS ZEIR ANPIN AND MALCHUT WERE FACE TO FACE. And speech came out and spoke from within the fire and the flame, WHICH ARE THE LEFT COLUMN that pushed the speech out OF ZEIR ANPIN by striking of wind and water, WHICH ARE THE CENTRAL AND RIGHT COLUMNS that empower THE LEFT, SO THAT SPEECH, WHICH IS MALCHUT, COMES OUT FROM ALL THREE COLUMNS OF ZEIR ANPIN. For fire, wind and water, THE THREE COLUMNS OF ZEIR ANPIN, came out of the Shofar, BINAH, as it, BINAH, includes them all. Yisrael kept away from this awe.

27. Because of that, BECAUSE OF THAT AWE, YISRAEL SAID TO MOSES, "and speak to us" (Ibid. 24), SAYING, we do not want this lofty force from above, NAMELY FROM ZEIR ANPIN, but from the place of the Female, MALCHUT, and no further. THIS IS THE MEANING OF, "and speak to us," WITH A FEMININE SUFFIX. Moses said TO THEM, You have surely weakened my power and weakened another power OF MALCHUT, for had not Yisrael distanced themselves, they would have heard all those words FROM ZEIR ANPIN as before, the world would not have been destroyed and Yisrael would have lived for generations.

28. The first time, AFTER HEARING THE FIRST WORDS, they died. The reason is that it had to be so, since the tree of death, MALCHUT, brought it upon them. Later they were resurrected, rose and grew BY RECEIVING MOCHIN OF GREATNESS. The Holy One, blessed be He, wanted to bring them into the Tree of Life, ZEIR ANPIN, that is situated above that tree of death, so they will live forever. But they distanced themselves and refused AS MENTIONED. Then the power of Moses who was above them weakened, and another power OF MALCHUT weakened. The Holy One, blessed be He, said, 'I desire to uphold you in a supernal place, that you shall cleave to life, yet you wish the place where the Nukva dwells. For that reason, "Go say to them, Return again to your tents" (Ibid. 27), each one will go to his wife and mate with her', BECAUSE THEY DESCENDED TO THE WORLD OF THE FEMALE.

29. Nevertheless, since Yisrael did it only because of the highest awe that rested upon them, it did not say of them but, "O that there were such a heart in them, that they would fear Me" (Ibid. 26). From this we learned that whoever does something but does not concentrate in his mind and wish on the Evil Side, even though it is evil, since he did not do it on purpose there is no punishment for him, and he is not like another WHO DOES IT PURPOSELY. And the Holy One, blessed be He, does not sentence him for evil.

29. ועם כל דא, בין דישראל לא עברו, אלא בדחילו עלאה דהוה עליהו, לא אתמר עליהו, אלא מי יתן והיה לבבם זה להם וגו'. מכאן אולימנא, כל מאן דעביד מלה, ולבא ורעותיה לא שוי לסטרא בישא, אע"ג דאיהו ביש, הואיל ולא עביד ברעותא, עונשא לא שריא עליה. ולא כב"נ אחרא. וקודשא בריך הוא לא דאין ליה לביש.

6. "But as for you, stand here by Me"

First we hear about the great qualities of Moses. Then Rabbi Yehuda says that if people are travelling on the road in fear of thieves, the best protection is the study of Torah because this brings the Shechinah to join them.

30. "But as for you, stand here by Me" (Devarim 5:28): from this WE UNDERSTAND that he totally separated from his wife, and cleaved and rose to another place of THE WORLD OF the male, instead of the female. Happy is the lot of Moses, the faithful prophet, who attained the highest grades, such as no other man ever attained. Of that it is written, "he who pleases (lit. 'good before') Elohim shall escape from her" (Kohelet 7:26). What is "good"? It is Moses, of whom it is written, "he was a goodly child" (Shemot 2:2). Since he was good, he rose to another high level, THE GRADE OF ZEIR ANPIN, and therefore it is written, "for the place on which you stand is holy ground" (Shemot 3:5). "you stand" is precise. The reason STANDING IS MENTIONED is because it is good, and good is the male, WHICH IS YESOD OF ZEIR ANPIN, AND STANDING PERTAINS TO THE MALE.

30. ואתה פה עמוד עמדי. מהכא, אתפרש מכל וכל, מאתתיה, ואתדבק ואסתלק באתר אחרא דכורא, ולא בנוקבא. זכאה חולקא דמשה נביאה מהימנא, דזכה לדרגין עלאין, מה דלא זכה ב"נ אחרא לעלמין. על דא בתיב, טוב לפני האלהים ומלט ממנה. מאי טוב. דא משה. דכתיב כי טוב הוא. ובגין דהוה טב, סליק לדרגא אחרא עלאה. וע"ד בתיב, כי המקום אשר אתה עומד עליו אדמת קדש הוא, עומד עליו דייקא. מ"ט. בגין כי טוב הוא, וטוב הוא דכורא.

31. You may say that Rabbi Yehuda said that 'good' is said of David, as written, "good looking" (I Shmuel 16:12), which means that as the mirror (Heb. mar'ah) in which to look, WHICH IS THE SECRET OF MALCHUT CALLED MIRROR, was good, so David was good looking (Heb. mar'eh). Of Moses it is written, "a goodly child," namely, he himself. But here IT ONLY SAYS "and good looking." Nevertheless, DAVID was attached to both, NAMELY TO YESOD CALLED GOOD AND TO MALCHUT CALLED MIRROR, since the one is attached to the other. FOR YESOD AND MALCHUT ARE ALWAYS MUTUALLY ATTACHED, ONLY HE WAS MAINLY OF MALCHUT AND REMAINED THERE. Moses, since he was good, BEING YESOD OF ZEIR ANPIN, rose to be THE ASPECT OF the body, WHICH IS ZEIR ANPIN HIMSELF, CALLED man, as written, "the man of Elohim" (Devarim 33:1), and "Now the man Moses was very meek" (Bemidbar 12:3).

31. ואי תימא, דהא אמר רבי יהודה, הא דוד דכתיב ביה טוב, כד"א וטוב ראי, אמאי לא הוה יתיר. א"ל וטוב ראי בתיב. טוב ראי, דא דאיהו חיוז לאסתכלא, הכי הוה דוד. טוב ראי, הוה טוב דאיהו חיוז. ובמשה בתיב טוב הוא ממש, והכא טוב ראי. ועם כל דא, בתרווייהו הוה אחיד, דהא דא ברא אחיד. ומשה לבתר דהוה טב, סליק למהוי גופא איש. איש האלהים, והאיש משה ענו מאד.

32. Rabbi Yehuda said, In all his deeds, man has to set the Holy One, blessed be He, before him, as we already explained. Rabbi Yehuda followed his own reasoning, saying that whoever walks on the road AND FEARS ROBBERS should meditate on three things, A GIFT, A PRAYER AND WAR, LIKE JACOB WHEN HE FEARED ESAU. The most valuable is prayer. And even though prayer is more VALUABLE, two or three friends studying the words of the Torah is even more valuable, because they do not fear ROBBERS, because the Shechinah is joined to them BECAUSE THEY ARE OCCUPIED IN THE TORAH.

32. אמר רבי יהודה, בכל עובדיו, בעי ב"נ לשואה לקבליה לקודשא בריך הוא, והא אוקימנא מלה. רבי יהודה לטעמיה, דא"ר יהודה, האי מאן דאזיל בארחה, וכיון לתלת מלין, ועילא מנהון צלותא, ואע"ג דצלותא יתיר עלאה מכלא, תרי חברי או תלתא דלעאן במלי דאורייתא. דהא לא מסתפי, בגין דשכינתא אשתתפא בהדיהו.

7. "Coats of skin"

Rabbi Elazar and Rabbi Chiya discuss whether Adam and Eve had coats of skin before they sinned, and we learn that at first the man and woman

were clothed in the likeness of above, surrounded by celestial light. Only after their sin were they reduced to the clothing of skin that comes from the lower world. In the future God will open the eyes of those who were unwise so that they will have supernal wisdom. Next the rabbis are followed by two robbers, who are suddenly killed by two wild animals.

33. Rabbi Elazar and Rabbi Chiya were walking on the way. Rabbi Elazar said, It is written, "For the man and for his wife did Hashem Elohim make coats of skin" (Bereshheet 3:21). Were they divested of that skin until then? HE ANSWERS, Yes, SINCE UNTIL THAT TIME THEY DID NOT HAVE THESE COATS OF SKIN, which were precious garments. Rabbi Chiya said to him, In that case, they were not even worthy of coats of skin, SINCE THEY SINNED BY THE TREE OF KNOWLEDGE OF GOOD AND EVIL. You may say that before they sinned, He clothed them WITH COATS OF SKIN, yet it is not so. Only after they sinned, it is written, "For the man and for his wife did Hashem Elohim make coats of skin, and clothed them."

34. He said to him, It is surely so THAT IT OCCURRED AFTER THE SIN, only at first THEY WERE CLOTHED in the likeness of above, NAMELY WITH THE SUPERNAL SPLENDOR OF ZEIR ANPIN and were divested of the lower hues OF THIS WORLD, and the celestial light surrounded them. After they sinned, He returned them to the colors of this world, and removed from them the supernal colors THEY HAD FROM ZEIR ANPIN. It is written, "For the man also and for his wife did Hashem Elohim make coats of skins, and clothed them" as in this world. It is written, "And you shall bring his sons, and put coats upon them" (Shemot 29:9). In the latter verse, it bore resemblance to the supernal, NAMELY THE LIGHT OF ZEIR ANPIN, while here, REGARDING THE COATS OF SKIN OF ADAM, they bore resemblance to the lower. FOR THAT REASON they are called linen (Heb. shesh) coats THAT ALLUDES TO ZEIR ANPIN THAT IS CALLED SIX (HEB. SHESH), AFTER THE SIX EXTREMITIES. In this verse there are coats of skin, WHICH PERTAIN TO MALCHUT THAT IS CALLED SKIN, WHICH BEARS THE ASPECT OF THIS WORLD. Even though it is so, the beauty of these garments surpassed everything.

35. "And the eyes of them both were opened" (Bereshheet 3:7), which means THEIR EYES OPENED to the mold of this world, NAMELY TO THE REGULAR MODEL OF THIS WORLD, which was not the case before when they were above, observing with open eyes, in the supernal world. In the future to come, it is written, "And I will bring the blind by a way that they knew not..." (Yeshayah 42:16). For the Holy One, blessed be He, will open eyes that were unwise so they will behold supernal wisdom and attain what they did not attain in this world so as to recognize their Master. Happy are the righteous that will attain this wisdom, since there is no wisdom as that wisdom, nor is there knowing such as that knowing.

36. While they were walking they saw robbers following them to rob them. Rabbi Elazar looked at them, and two wild animals came and killed them. Rabbi Elazar said, Blessed is the Merciful who saved us. He recited about them, "When you go, your steps shall not be confined; and when you run, you shall not stumble" (Mishlei 4:12), and, "Because he has set his delight upon Me, therefore will I deliver him" (Tehilim 91:14).

8. The four paragraphs of the Tefilin

Rabbi Elazar tells of the supernal source of the four Mochin in the head of Zeir Anpin that correspond to the four paragraphs in the four compartments of the Tefilin. The rabbis talk about the whole flow of mercy and supernal light; the Holy Name Yud Hei Vav Hei and the various Sfirot are brought in to illuminate the discussion. We learn about the four pillars of the Chariot, that are the three patriarchs and David. Rabbi Yitzchak says that God will not enter celestial Jerusalem until His people enter terrestrial Jerusalem. He also talks about testimony, that is the flowing of the illumination of Chochmah from supernal Eden.

37. We learned from a supernal mystery in the Concealed Book that there are three cavities of engraved letters, WHICH ARE YUD HEI VAV OF YUD HEI VAV HEI, seen in the skull of Zeir Anpin. And we learned that there are three parts of the brain (Mochin), CHOCHMAH, BINAH AND DA'AT, which are hidden in these cavities. THE CAVITIES ARE VESSELS AND THE LOBES OF THE BRAIN ARE THE LIGHTS THAT ARE CLOTHED IN THEM. From the top of the highest concealed brain of Atika Kadisha that flows into the Mochin of that Zeir Anpin, there are four Mochin, CHOCHMAH, BINAH, THE RIGHT SIDE OF DA'AT, WHICH IS TIFERET, AND THE LEFT SIDE OF DA'AT, WHICH IS MALCHUT. These four Mochin ARE IN THE HEAD OF ZEIR ANPIN AND expand throughout the body. These are the four paragraphs in the four compartments of the Tefilin, which the Holy One, blessed be He, puts on.

38. One should put on TEFILIN every day, because they are the supernal Holy Name of engraved letters, YUD HEI VAV HEI, NAMELY THE FOUR MOCHIN, as written, "And all people of the earth shall see that you are called by the name of Hashem" (Devarim 28:10). We learned this is the actual name of Hashem. These are the head Tefilin.

39. Rabbi Yitzchak said, This is what is meant by the verse, "Sanctify to Me (Heb. Kadesh li) all the firstborn" (Shemot 13:2). This is the Sfirah that includes and conceals all the others, NAMELY, CHOCHMAH THAT INCLUDES INSIDE ITSELF ALL THE SFIROT. The drawing OF LIGHT from above is hidden within it. It is called "whatever opens the womb" (Ibid.), because it opens the whole flow of mercy and supernal light.

40. Rabbi Shimon said, THIS SFIRAH OF CHOCHMAH is hidden in the Yud of the Holy Name YUD HEI VAV HEI. It is one compartment of the Tefilin, which is "Sanctify to Me all the firstborn." Unspecific FIRSTBORN relates to the supernal part of the brain, Chochmah.

41. The second compartment OF THE TEFILIN is, "And it shall be, when Hashem your Elohim shall bring you (Heb. vehayah ki yeviacha)" (Devarim 6:10). Rabbi Yehuda said, This is the part of the brain the gates of which become fifty gates, NAMELY BINAH, WHICH EXPANDS INTO THE FIFTY GATES OF BINAH. These many gates correspond to the many mentions of the phrases, "who have brought you out of the land of Egypt," and "brought you forth out of Egypt." The memory of the exodus from Egypt is mentioned many times in the Torah, fifty TIMES that correspond to the fifty GATES OF BINAH. FOR THE EXODUS FROM EGYPT CAME THROUGH THE ILLUMINATION OF BINAH. THEY ARE THEREFORE FIFTY, TO CORRESPOND TO ITS FIFTY GATES.

37. תֵּאֲנֵא בְּרִזָּא עֲלָא בְּסַפְרָא דְּצִנְיֵעוּתָא, ג' חֲלָלִין דְּאִתּוּן רְשִׁימִין, אֲתַגְלִיין בְּהַ בְּגוּלְגֻלְתָּא דְּזַעִיר אֲנָפִין. וְתַנִּינָן, ג' מוֹחֵי אִינוּן, דְּסִתִּימוּ בְּאִינוּן חֲלָלִין. וּמְשִׁירוּתָא דְּמוֹחָא עֲלָא סִתִּימָא דְּעִתִּיקָא קְדִישָׁא דְּאִתְמַשִּׁיךְ בְּהוּא ז"א, אֲשֶׁתְּכַחוּ ד' מוֹחֵי. וְאֵלִין ד' מוֹחִין, מְשִׁתְּכַחִין וּמִתְפַּשְׁטִין בְּכָל גּוֹפָא וְאִינוּן ד' רִיהִטֵי, דְּאַרְבַּע בְּתֵי דְּתַפְלִיין, דְּאֲנַח קוֹדֶשָׁא בְּרִיךְ הוּא.

38. ובג"כ בעי בר נש לאנחא בכל יומא, בגין דאינון שמא קדישא עלאה באתווי רשימן, דכתיב וראו כל עמי הארץ כי שם יי נקרא עליך. ותנן, שם יי ממש, ואלין תפלין דרישא.

39. ר' יצחק אמר, הדיא הוא דכתיב, קדש לי כל בכור, דא היא בתרא דכליל ואסתים כל אינון אחרנין. משיכותא דלעילא סתימא ביה. ודיא אקרי פטר כל רחם, פתיחותא דכל משיכותא דרחמי, ונהירו דלעילא.

40. אמר ר"ש, וסתים ביו"ד דשמא קדישא. ודיא חד ביתא דתפלין, דהוא קדש לי כל בכור סתם. מוחא עלאה, חכמה.

41. ביתא תננינא, והיה כי יביאך יי. א"ר יהודה מוחא דתרעוי נפקין לחמשין תרעין. תרעין סגיאיין, ואינון לקבל זמנין סגיאיין דכתיב אשר הוצאתיך מארץ מצרים. הוציאך יי ממצרים. ואדכר זמנין סגיאיין דוכרנא דמצרים. ואינון חמשין לקבל חמשין.

42. We learned from the book of Rav Hamnuna Saba, who said that the Holy One, blessed be He, broke many upper and lower gates that were bound by chains, in order to bring Yisrael out of Egypt. For through these gates of the brain lobe OF BINAH the other BLOCKED gates were opened and loosened. Had not the gates of the brain lobe OF BINAH opened and aroused, the other BLOCKED gates would not have opened to execute punishment AGAINST EGYPT to bring Yisrael out of slavery. FOR THAT REASON THE EXODUS FROM EGYPT WAS MENTIONED FIFTY TIMES, WHICH OCCURRED BY MEANS OF THE FIFTY GATES OF BINAH.

43. Everything is concealed inside this BRAIN OF BINAH, which is called supernal Ima, from which power was roused for lower Ima, WHICH IS MALCHUT. What is that? It is that of which is written, "and give ear to Me, O My nation (Heb. le'umi)" (Yeshayah 51:4), which should be pronounced 'le'immi (Eng. 'to my mother'), rather than le'umi. For the Holy One, blessed be He cherished the Congregation of Yisrael, WHICH IS MALCHUT, to the extent of calling her 'My mother', SO MALCHUT RECEIVED THE LIGHTS OF SUPERNAL IMA. For these LIGHTS come out of supernal Ima, which is the second compartment OF THE TEFILIN, which is called Hei of the Holy Name YUD HEI VAV HEI that opened into fifty gates. From this part of the brain a wind goes out to a nostril in the window of the nose of Zeir Anpin.

44. We learned that the Jubilee, in which slaves are freed, is united with this brain lobe OF BINAH. THE FIFTY GATES OF BINAH are the fifty years of the Jubilee, and the fifty days of the counting of the Omer unite WITH THE BRAIN LOBE OF BINAH, in which the spirits of the slaves rest, and their spirit achieves FREEDOM AND rest, as written, "the day that Hashem shall give you rest from your sorrow, and from your fear, and from the hard bondage..." (Yeshayah 14:3). For that reason, FIRST Hei OF YUD HEI VAV HEI, WHICH IS BINAH, rests the spirit and liberates the spirit. The exodus from Egypt comes out from the SECOND compartment OF THE TEFILIN and the FIRST Hei of the Holy Name, as we learned. Up to here, THE FIRST TWO COMPARTMENTS OF THE TEFILIN all is about Yud Hei of the Holy Name.

45. Come and see, from the aspect of Aba, WHICH IS CHOCHMAH, Chesed emerges, and from the aspect of Ima, WHICH IS BINAH, Gvurah comes out. The Holy One, blessed be He, WHO IS ZEIR ANPIN, is attached to them all and is adorned with them, being the letter Vav, FOR ZEIR ANPIN IS THE CENTRAL COLUMN THAT COMPREHENDS THE RIGHT AND THE LEFT, WHICH ARE ABA AND CHESED TO THE RIGHT AND IMA AND GVURAH TO THE LEFT.

46. The third compartment OF THE TEFILIN IS "Hear O Yisrael (Heb. Sh'ma Yisrael)" (Devarim 6:4), which is Yisrael Saba, TOGETHER WITH "And you shall love Hashem your Elohim" (Ibid. 5). Rabbi Shimon taught, this is a high mystery that the supernal Yisrael, WHICH IS ZEIR ANPIN, was adorned with the aspect of Aba. This is Abraham. Adorned with the aspect of Ima it is Isaac.

47. We learned about, "And you shall love" that he who loves the King does much kindness (Chesed), BY BEING KIND to everyone. This type of kindness is called an act of true kindness, not wishing for reward FOR ONE'S DEEDS, but acting so for the love of the King one bears for Him. HENCE Chesed comes out of the love for the King. Abraham was called My beloved because for his love for Him he did much kindness in the world. Hence it is written here, IN THE THIRD COMPARTMENT OF THE TEFILIN, WHICH IS CHESED, "And you shall love," BECAUSE Chesed comes from love. This is the third compartment OF THE TEFILIN.

48. The fourth compartment OF THE TEFILIN IS "And it shall come to pass, if you hearken (Heb. vehayah im shamo'a)... Hashem's anger be inflamed..." (Devarim 11:13-17), WHICH IS ALL AN INDICATION OF harsh Judgment. And harsh Judgment emerges from the aspect of supernal Ima. We learned that though IMA is not of Judgment, Judgment, which is supernal Gvurah, comes out of its aspect. You may say that, "And it shall come to pass, if you hearken" is not Judgment, BECAUSE THE PARAGRAPH ALSO SAYS, "I WILL GIVE YOU THE RAIN OF YOUR LAND IN ITS DUE SEASON...THAT YOU MAY EAT AND BE FULL." HE ANSWERS, Among all the Sfirot of the King there is none that is not including both Judgment and Mercy, and Gvurah more than the others, in which both good and evil are included. HENCE GOOD THINGS ARE WRITTEN IN THE PARAGRAPH OF, "AND IT SHALL COME TO PASS, IF YOU HEARKEN," BUT IN GENERAL, IT IS HARSH JUDGMENT.

49. The Vav, WHICH IS ZEIR Anpin, receives these four PASSAGES, WHICH ARE CHOCHMAH, BINAH, THE RIGHT SIDE OF DA'AT AND THE LEFT SIDE OF DA'AT, and adorns itself with them, WHICH MEANS THEY BECOME ITS MOCHIN. These are the Tefilin the Holy One, blessed be He, puts on. We learned that this Vav, ZEIR ANPIN, rises TO BINAH, which is adorned with its crowns and one is attached to the other, NAMELY, ITS RIGHT COLUMN, ITS CHOCHMAH AND ITS LEFT COLUMN, ITS BINAH. It is adorned with them all. Vav, ZEIR ANPIN, is therefore in the center of everything, above and below, to display the completion of Chochmah in every direction.

50. Rabbi Aba taught, it is written, "Only Hashem took delight in your fathers" (Devarim 10:15). From this Rabbi Shimon deduced that the fathers are the holy supernal Chariot, as is also written, "Hashem took delight." Come and see, just as there is a holy Chariot below IN MALCHUT, WHICH IS FROM THE CHEST BELOW OF ZEIR ANPIN there is a holy Chariot above, FROM THE CHEST UP OF ZEIR ANPIN. Who are they? They are those we mentioned, THE FATHERS CALLED CHESED, GVURAH AND TIFERET. The whole is called a holy Chariot, because everything is interconnected and becomes one.

47. תְּגִינֵן, וְאַהֲבַת מֵאֵן דְּרַחִים לִיָּה לְמַלְכָּא, עֲבִיד יְתִיר טִיבּוֹ חֶסֶד עִם כָּלָא. וְחֶסֶד יְתִירָא, הֵוּא דְאֶקְרִי חֶסֶד דְאֵמֶת, דְּלֹא בְעֵי אֲגַר עֲלֵיהּ, אֲלֵא בְגִין רַחֲמֵי מַלְכָּא, דְּרַחִים לִיָּה יְתִיר, וּבְרַחֲמֵי מַלְכָּא תְּלִיא חֶסֶד. וְעַד אֶקְרִי אֲבֵרָהּ אֹהֲבֵי. וּבְגִין דְּרַחִים לִיָּה יְתִיר, אֲסַגֵּי חֶסֶד בְּעֵלְמָא. וְעַד, הֵכָא וְאַהֲבַת. וּבְרַחֲמֵי מַלְכָּא תְּלִיא חֶסֶד, וְדָא הִיא בֵּיתָא תְּלִיתָא.

51. "ONLY HASHEM TOOK DELIGHT IN your fathers," WHO YOU SAID WERE A CHARIOT, ARE BUT three, yet a Chariot consists of four. Whence do we get a fourth? AND HE ANSWERS, From the verse, "and He chose their seed after them" (Ibid.). HE ASKS what it means AND ANSWERS THAT THE PURPOSE OF THE VERSE IS to include King David with the patriarchs, being the fourth to be established in a holy Chariot. For we learned that the patriarchs establish and perfect everything. They are the body, NAMELY CHESED, GVURAH AND TIFERET THAT ARE CALLED BODY. By them THE BODY is completed and built and to them it is attached, NAMELY, THE BODY, ZEIR ANPIN, IS MOSTLY CHESED, GVURAH AND TIFERET IN HIM, WHICH ARE ABOVE THE CHEST AND ARE CALLED THE PATRIARCHS. King David came and perfected everything. He established the body and perfected it through them, BY BECOMING A FOURTH, THE SECRET OF MALCHUT THAT PERFECTS ZEIR ANPIN THAT IS CALLED BODY. Rabbi Yitzchak said, Just as the patriarchs merited to be adorned with a holy Chariot, so did David merit to be established as a fourth pillar of the Chariot.

52. Rabbi Yehuda said, It is written of David, "Now he was ruddy, with fine eyes, and good looking" (I Shmuel 16:12). What is the reason HE IS CALLED ruddy? Because the portion of his lot brought it on him, SINCE BEING A CHARIOT TO MALCHUT, HE WAS OF THE ASPECT OF JUDGMENT LIKE MALCHUT. Ruddy is certainly of Judgment; "with fine eyes" means Judgment included Mercy, as written, "the sure loving promises of David" (Yeshayah 55:3).

53. Rabbi Yitzchak said, We explained about "the sure loving promises (Chassadim) of David" in its place. THEY DO NOT ALLUDE TO THE INCLUSION OF JUDGMENT WITH CHESED. But "Now he was ruddy" MEANS as we said THAT HE IS JUDGMENT; "with fine eyes" refers to the patriarchs, CHESED, GVURAH AND TIFERET THAT SHINE IN THE THREE COLORS OF THE EYE. Come and see, Jerusalem and Zion are Judgment and Mercy, yet it is written, "the city of David, which is Zion" (I Melachim 8:1), WHICH INDICATES THAT JUDGMENT COMPREHENDS MERCY. It is also written, "the Holy One is in the midst of you, and I will not come into the city" (Hoshea 11:9), WHICH HAS BEEN SAID TO INDICATE THAT the Holy One, blessed be He, will not enter celestial Jerusalem UNTIL YISRAEL WILL ENTER TERRESTRIAL JERUSALEM. HE ASKS WHEN THIS WILL TAKE PLACE. Rabbi Yehuda said, When the kingdom of David would return to its place below, THE HOLY ONE, BLESSED BE HE, WOULD ENTER CELESTIAL JERUSALEM.

54. Rabbi Yitzchak said, There is a Shin with three knots, THAT IS, THREE HEADS, and a Shin with four knots, NAMELY FOUR HEADS. It alludes to three and alludes to four. We spoke of the three, NAMELY THE THREE PATRIARCHS, CHESED, GVURAH AND TIFERET. The four INCLUDE MALCHUT AS WELL to form a holy Chariot together, for MALCHUT is the inclusion of the supernal establishment, SINCE MALCHUT COMPLETES ZEIR ANPIN. From here the lower grades spread and flow by their ways and straps. They come out of the hairs on the head, suspended from them as all these other grades come down from them, until they are tied in their place.

55. We learned that Vav, ZEIR ANPIN, receives these supernal MOCHIN, CHOCHMAH, BINAH AND DA'AT we mentioned, which are the Tefilin the Holy One, blessed be He, dons. For that reason, one should be glorified in them, BECAUSE TEFILIN ARE CALLED GLORY. Of them it is written, "And all people of the earth shall see that you are called by the name of Hashem" (Devarim 28:10), the actual name of Hashem, THE MOCHIN CHOCHMAH AND BINAH, YUD-HEI, AND THE RIGHT AND LEFT OF DA'AT, WHICH ARE VAV-HEI. These are the head Tefilin. The hand Tefilin are the left, called strength, ACCORDING TO THE SECRET MEANING OF, "HASHEM HAS SWORN BY HIS RIGHT HAND, AND BY THE ARM OF HIS STRENGTH" (YESHAYAH 62:8). THE RIGHT HAND IS THE TORAH AND THE ARM OF HIS STRENGTH IS THE TEFILIN. MALCHUT receives from the strength, THE SECRET OF THE LEFT COLUMN. This is why, "And it shall be for a sign to you upon your hand (Heb. yadechah)" (Shemot 13:9) is spelled with EXTRA Hei. This is the Hei we discussed, NAMELY MALCHUT. Happy is the portion of Yisrael. Hence the last Hei, MALCHUT, receives the Tefilin, being left BECAUSE MALCHUT IS BUILT BY THE LEFT COLUMN. HENCE SHE RECEIVES THE TEFILIN ON THE LEFT ARM.

56. HE ASKS, Who are these four PASSAGES for, which are one body, for which reason they are included in one compartment, and what are they? HE ANSWERS, They are Tiferet, Netzach, Hod and Yesod, NAMELY THE FOUR SFIROT FROM THE CHEST AND LOWER OF ZEIR ANPIN. They are the Hei in 'yadechah', WHICH IS MALCHUT. For they all, ALL FOUR SFIROT, TIFERET, NETZACH, HOD AND YESOD FROM THE CHEST LOWER are attached TO MALCHUT so she would be blessed by them. HENCE she includes all four SFIROT FROM THE CHEST AND LOWER OF ZEIR ANPIN.

57. Rabbi Chiya said, Yet it is written, "and you shall see My back" (Shemot 33:23). We also learned it is the knot of Tefilin. He said to him, We have already explained and it is fine and clarifies the matter. Hence from this HAND TEFILIN one strap hangs down, WHICH INDICATES the lower beings are suspended from it and nourish from it. Hence it is called a sign, BECAUSE IT IS ATTACHED TO YESOD. This is the meaning of, "This is the token of the covenant" (Beresheet 9:17). It is also written, "And it shall be for a sign to you upon your hand (Heb. yadechah)" with EXTRA Hei, which has already been explained.

58. Rabbi Yesa says that "Hear (Sh'ma), O Yisrael" (Devarim 6:4) is Yisrael Saba. Rabbi Yitzchak said that the large Ayin IN SH'MA includes seventy names, THE SECRET OF THE NAME OF 72 NAMES: THE SEVENTY NAMES PLUS THE TWO WITNESSES. It is overall testimony, NAMELY THE FLOWING OF THE ILLUMINATION OF CHOCHMAH FROM SUPERNAL EDEN, CALLED TESTIMONY. "Hear O Yisrael" resembles the words, "Hear, heavens" (Yeshayah 1:2) and, "Give ear, O heavens" (Devarim 32:1), WHICH MEANS THEY SHOULD BE WITNESSES. Here too, "Hear, O Yisrael" INDICATES TO MOCHIN OF TESTIMONY. It all pertains to the same issue.

59. AFTER EXPLAINING "HEAR, O YISRAEL" HE GOES ON TO INTERPRET THE OTHER WORDS IN THE VERSE. Hashem is the top of all in the illumination of Atika Kadisha, WHICH IS Chochmah. It is called father, NAMELY ABA. "our Elohim" is the depths of the rivers and streams FROM WHENCE they emerge and flow on everything, NAMELY BINAH, FROM WHICH MALE, FEMALE AND ALL LOWER BEINGS RECEIVE, AND WHICH IS CALLED IMA. The SECOND Yud Hei Vav Hei is the trunk of the tree, NAMELY ZEIR ANPIN, which is the whole of the roots, BEING THE CENTRAL COLUMN THAT INCLUDES CHOCHMAH AND BINAH, WHICH ARE "HASHEM OUR ELOHIM." "One" is the Congregation of Yisrael, NAMELY MALCHUT, and everything, ALL THESE SFIROT, make one wholeness and are interconnected. There is no division BETWEEN THEM, but all is one.

55. תְּנִינָן, ו' נְטִיל אִינוּן עֲלָי דְאִמְרָן, וְאֵלִין תְּמַלִּין דְּאִנְח קוּדְשָׁא בְּרִין הוּא. בְּגִין כֵּךְ בְּעֵי בַר נֶשׁ לְאַתְפָּאֲרָא בְּהוּ, עֲלִיָּה כְּתִיב וְרָאוּ כָל עַמֵּי הָאָרֶץ כִּי שֵׁם יְיָ נִקְרָא עֲלֵיךְ, שֵׁם יְיָ מִמֶּשׁ. וְאֵלִין אִינוּן תְּמַלִּין דְּרִישָׁא, תְּמַלִּין דְּרוּעָא הִיא שְׁמַאֲלָא, דְּאִקְרִי עֵז, וְיִרְתָּא מְעֵז, הַהֲדַר וְהִיא לְאוֹת עַל יַדְכָּה בְּהֵ"א, וְהִיא הֵ"א דְּאוּקִימְנָא. זְכָאָה חוּלְקָהוּן דִּישְׂרָאֵל. וְעַד, הֵ"א בְּתִרְאָה נְטִילָא תְּמַלִּין, דְּהִיא שְׁמַאֲלָא.

60. Rabbi Yitzchak taught, the supernal holy Chariot, CHOCHMAH AND BINA, TIFERET AND MALCHUT, are the four compartments of the Tefilin that Vav puts, WHICH IS ZEIR ANPIN, as we learned. Another holy Chariot, TIFERET, NETZACH, HOD AND YESOD are the four other PASSAGES included in one COMPARTMENT, WHICH ARE THE TEFILIN the last Hei OF YUD HEI VAV HEI puts, WHICH IS MALCHUT, as we explained.

60. תני ר' יצחק, רתיבא קדישא עלאה, ארבע בתי דתפילין דאנח ו'. כמה דאתמר. רתיבא קדישא אחרא, ארבע אחרנין דכלילין בחד, דאנח ה' בתראה כמה דאוקמוה.

9. Upper union and lower union

We are told that the purpose of the recital of the Sh'ma is to unify the name of God. The unification perfects the ministers and officers of 248 worlds, all called body parts. We hear about the 613 commandments in the lilies and the secret of "the apple tree among the trees of the wood."
Ra'aya Meheimna (the Faithful Shepherd)

61. "Hear, O Yisrael, Hashem our Elohim; Hashem is one" (Devarim 6:4). The commandment is to declare the unity of the name of the Holy One, blessed be He, below; for as the name of the Holy One, blessed be He, is unified below, so it is unified above. Thus the Holy One, blessed be He, is one and only above and below. Whoever declares the unity of the name of the Holy One, blessed be He, should direct his attention and will to the meditation (lit. 'unification') we mentioned, NAMELY UNITE HIS NAME BELOW, and connect all His limbs, NAMELY THE SFIROT by means of the meditation so that they will all become one. For as one arranges all the limbs OF THE NAME according to a mystery below, so one connects all the supernal limbs by means of that meditation so they will all become one.

רעיא מהימנא

61. שְׁמַע יִשְׂרָאֵל יְיָ אֱלֹהֵינוּ יְיָ אֶחָד, פְּקוּדָא דְא, לְיַחְדָּא שְׁמִיהַ דְּקוּדְשָׁא בְּרִיךְ הוּא בְּכָל יוֹמָא, דְּהָא כְּמָה דְּמֵיחְדֵי שְׂמָא דְּקוּדְשָׁא בְּרִיךְ הוּא לְתַתָּא, הַכִּי אֲתֵיחַד שְׁמִיהַ לְעֵילָא. אֲשַׁתְּכַח קוּדְשָׁא בְּרִיךְ הוּא יַחֲדָאי עֵילָא וְתַתָּא. מֵאן דְּמֵיחַד שְׁמִיהַ דְּקוּדְשָׁא בְּרִיךְ הוּא, יִשְׂוֵי לְבִיָּה וְרַעוּתֵיהַ בְּהוּא יַחְדָּא דְּקְאֻמְרָן, וְיַחְבֵּר כָּל שְׁיִינְפוּי בְּהוּא יַחְדָּא לְמַהוּי כְּלָהוּ אַחַד. כְּמָה דְּשְׂוֵי כָּל שְׁיִינְפוּי בְּרִזָּא דְּחַד, הַכִּי לְעֵילָא מַחְבֵּר כָּל שְׁיִינְפוּי עֵלְאִין בְּהוּא יַחְדָּא, לְמַהוּי כְּלָהוּ חַד.

62. When man is about to unite the name of the Holy One, blessed be He, all the hosts of heaven stand in rows so as to be established and reach perfection by means of that meditation, to be founded by one mystery and meditation. They are all properly established BY THAT MEDITATION. At that time, there is a minister and officer situated under 248 worlds, all called body parts. This OFFICER is called Halanu, and stands awaiting that unification. He is the gatherer of lilies, as written, "to gather lilies" (Shir Hashirim 6:2), which are the body parts.

62. בְּשַׁעֲתָא דְּאֲתֵי בִּי לְיַחְדָּא שְׂמָא דְּקוּדְשָׁא בְּרִיךְ הוּא, כָּל חִילֵי שְׂמִיָּא כְּלָהוּ, קְיַיְמִין שׁוּרִין שׁוּרִין, בְּגִין לְאַתְתַּקְנָא וּלְאַתְכַּלְלָא כְּלָהוּ בְּהוּא יַחְדָּא, לְמִיקַם בְּרִזָּא דְּחַד בִּיחְדָּא חַדָּא. כְּלָהוּ מִתְתַּקְנָן בְּתַקּוּנֵיהוּן בְּדָקָא יֵאוּת. בְּהַאי שַׁעֲתָא קְיַיְמָא חַד מְמַנָּא שְׂמֵשָׁא, דְּקְיַיְמָא תַּחוּת רַמ"ח עֲלָמִין, וְכְלָהוּ אַקְרוּן שְׁיִיפִין דְּגוּפָא. וְדָא אַקְרִי הַלְנִי"ו, קְיַיְמָא מַחְכָּה לְהוּא יַחְדָּא, וְדָא אִיהוּ מְלַקֵּט שׁוֹשְׁנִים, כְּד"א וּלְלַקֹּט שׁוֹשְׁנִים. דְּאִינוּן שְׁיִיפִין דְּגוּפָא.

63. The Supernal Name gathers the supernal body parts according to the meditation that is unified by means of the 42 names. It gathers all those supernal lilies. This officer gathers all the lower, which are all ministers, into 72 names. They are all gathered by that meditation and all become one body, according to the same mystery. That meditation rises and unites everything in the two sides into one unity. At that time all body parts are gathered and connected into one, so they will all be according to the same meaning above and below, according to the secret of, "Hashem shall be one, and His name One" (Zecharyah 14:9).

63. שְׁיִיפִין עֲלָאִין לְקִיט לֹון שְׂמָא עֲלָא, בְּרִזָּא דְּיַחְדָּא דְּקָא אֲתֵיחַד בְּרִזָּא דְּמ"ב שְׂמָהָן. וְלְקִיט כָּל אִינוּן שׁוֹשְׁנִים עֲלָאִין, וְשְׂמֵשָׁא דָא לְקִיט כָּל אִינוּן תַּתָּאִין, הִי כְּלָהוּ מְמַנָּן בְּכַלְלָא דְּע"ב שְׂמָהָן, וְאַתְלַקִּיטוּ כְּלָהוּ בְּהוּא יַחְדָּא, וְאַתְעַבִּידוּ כְּלָהוּ גוּפָא חַדָּא. בְּרִזָּא חַדָּא. וְהוּא יַחְדָּא סְלֵקָא, וְקָא מֵיחַד כְּלָא בְּתֵרִין סְטֵרִין בִּיחְדָּא חַדָּא. בְּהוּא שַׁעֲתָא מִתְלַקֵּטִין שְׁיִיפִין כְּלָהוּ, וּמִתְחַבְּרָן בְּחַבּוּרָא חַדָּא, לְמַהוּי כְּלָהוּ בְּרִזָּא דְּחַד, עֵילָא וְתַתָּא, בְּרִזָּא דִּידוּד אַחַד וְשְׁמוּ אַחַד.

64. For that reason in the word 'Echad (Eng. 'one')' the pronunciation of two letters Chet and Dalet is lengthened, to gather lilies so as to be united by means of the same mystery by the complete meditation. Once all body parts are united according to the same secret of the same meditation, everything is considered a peace (or: 'whole') offering. For that secret reason the Holy One, blessed be He, entered Adam into the Garden of Eden, as written, "to till it and to keep it" (Beresheet 2:15). We learned that these are the two offerings, according to the secret of, "Hashem shall be one, and His name One". For in reference to these offerings it is written, "to gather lilies." These are the body parts of the two sides that are one.

65. The lilies are a mystery. When these body parts are connected together so as to be all one by means of one meditation according to the secret of the offering, the Holy One, blessed be He, is adorned with a crown of fine gold, so as to be adorned with His honor. This is the meaning behind the word lilies, which are the secret of all the body parts above and below. The secret of that gold is that it is a crown that is adorned and rises from among them. There is everything in them, IN THE LILIES.

66. There are 613 commandments in these lilies, which are the body parts of the two sides, according to the secret of, "Hashem shall be one, and His name One." Among them is the ascent of that gold that rises from among them. Wherever they are, THAT IS, THE UNIFICATION OF THE BODY PARTS OF BOTH SIDES, that supernal ascent of THE CROWN OF gold rises from among them. This is the secret of "the apple tree among the trees of the wood" (Shir Hashirim 2:3), and, "the lily among thorns" (Ibid. 2), as both the one and the other should rise as one by the complete meditation. Happy is he who sacrifices these offerings, NAMELY, PERFORMS THESE MEDITATIONS. Surely, it is favorable to him both in this world and the World to Come.

10. Awe

The Faithful Shepherd says that it is a commandment to be in awe of God in a general way, but that one should also be in awe of Him in particular; this means that he should feel awe out of love, that is the base and foundation of the love of God.

67. It is a commandment to be in awe of the Holy One, blessed be He, in general and in particular. HE EXPLAINS, we explained awe TO MEAN that man should be always in awe of the Holy One, blessed be He, as written, "that you may fear this glorious and fearful name, Hashem your Elohim" (Devarim 28:58). Awe is a place called awe, NAMELY MALCHUT, since there the awe of the Holy One, blessed be He LIES. It is CALLED the awe of Hashem BECAUSE ONE SHOULD BE in awe of Him. This is the secret of the verse, "and reverence My sanctuary" (Vayikra 19:30). For in this awe, MALCHUT, a baton of fire dwells that strikes the evil who do not observe the commandments of the Torah SINCE PUNISHMENTS COME FROM MALCHUT. Hence one should be in awe in general, NAMELY FEAR OF PUNISHMENT.

64. וע"ד מאריכין באחד, בתרי אתון. למלקט שושנים, לאתייחדא ברזא דאחד ביחודא שלים. בין דאתייחדן שייפין בלהו, ברזא חדא היחודא חדא, בדין אתקרי בלא קרבן שלים. ועל רזא דא, אעיל ליה קודשא ברין הוא בג"ע לאדם קדמאה, כמה דכתיב לעבדה ולשמרה. ותנינן, דאלין אינון קרבנין תרין, רזא הידוד אחד ושמו אחד. דאינון קרבנין כתיב, וללקוט שושנים. אלין שייפין דתרין סטרין, דאינון חד.

65. שושנים רזא איהו. דכד מתחברן כל אינון שייפין בחדא, למהוי בלהו ביחודא חדא, רזא דקרבן, בדין מתעטר קודשא ברין הוא בעטרה ברישא דכתם פז, למהוי ביקרוי מתעטרא. ורזא דא הוי דכתיב שושנים, רזא דכל אינון שייפין דעילא ותתא. ורזא דהוא פז, עטורא דמתעטרא וסלקא מבינייהו, וכלא איהו ביה.

66. בהני שושנים אית בה שית מאה ותליסר פקודין, דאינון שייפין דתרין סטרין, רזא הידוד אחד ושמו אחד. ואית ביה סליקו דהוא פז, דקא סליק מבינייהו. ובכל אתר דאינון משתבחי, הוא סליקו עלאה אשתבח מבינייהו לאסתלקא. ורזא דא תפוח בעצי היער. ושושנה בין החוחים. דא ודא אצטריך לאסתלקא בחדא ביחודא שלים. זבאה איהו מאן דקריב קרבנין אלין, ודאי לרעוא ליה בהאי עלמא ובעלמא דאתי.

67. פקודא ליראה בארץ כלל, ובארץ פרט. והא יראה אוקימנא, בגין דאית עליה דב"נ לדחלא מקמי קודשא ברין הוא תדיר. כד"א, ליראה את השם הנכבד והנורא הזה את יי' אלהיך. ובגין יראה דא, יסתמר בארחו. ויראה, אתר הוא דאקרי יראה, בגין דתמן שריא דחלא דקודשא ברין הוא, איהו יראת יי' לדחלא מניה, ודא איהו רזא דכתיב, וממקדשי תיראו בהאי יראה שריא פולסא דנורא, לאלקאה לון לחיביא, דלא נטרין פקודי אורייתא וע"ד בארץ כלל, אית לדחלא.

68. Then ONE SHOULD BE IN AWE OF HIM in particular, namely, when man knows what the awe of Hashem is, BY ATTAINING THE QUALITY OF MALCHUT HERSELF. This is awe out of love, which is the base and foundation of the love of the Holy One, blessed be He. This awe causes one to observe all the commandments of the Torah, so man will be a faithful servant of the Holy One, blessed be He, as is proper.

68. וּבִתְרַבּ אֲרַח פֶּרֶט, כִּד יִדַע ב"נ מֵאֵן אִיהוּ יִרְאֵת יי', וְדָא אִיהוּ דְחֵלָא דְחֵבִיבוּתָא, דְאִיהוּ עֵיקַר וַיִּסְוֵדָא לְמֵרְחֵם לִיהּ לְקוּדְשָׁא בְרִיךְ הוּא. הָאִי יִרְאֵה עֵבִיד לְנִטְרָא כָּל פְּקוּדוֹי דְאֹרִינְיָתָא, לְמַהוּי ב"נ עֵבֵד נְאֻמָּן לְגִבּוֹי קוּדְשָׁא בְרִיךְ הוּא כְּדָקָא יֵאוּת.

11. Love

Moses now says that it is a commandment to love. He tells us that whoever loves God maintains ten sayings and passes ten tests. We hear about great love and everlasting love, and that the two are one without division. The Faithful Shepherd asserts that love surpasses every other kind of worship there is in the whole world.

69. It is a commandment to love. We explained that the love for the Holy One, blessed be He, MEANS that man should love Him with great love as did Abraham, who loved the Holy One, blessed be He, with great love and risked his body and soul for His sake. From this we derived that whoever loves the Holy One, blessed be He, maintains ten sayings, NAMELY TEN SFIROT, above and below. Hence all these ten tests Abraham underwent and withstood correspond to the ten sayings, since every test is one saying, NAMELY ONE SFIRAH. And he was tested by that saying and withstood it.

69. פְּקוּדָא לְאַהֲבָה, וְהָא אוֹקִימְנָא רְחִימוּ דְקוּדְשָׁא בְרִיךְ הוּא, דְבַעֵי ב"נ לְרַחֲמָא לִיהּ רְחִימוּ סְגִי כְּאַבְרָהָם, דְרַחֲמִים לִיהּ לְקוּדְשָׁא בְרִיךְ הוּא בְכַמְה רְחִימוּ, וּמִסֵּר גּוּפִיהּ וְנַפְשִׁיהּ לְגִבּוֹיָהּ. מִכָּאֵן אוֹלִיפְנָא, מֵאֵן דְרַחֲמִים לִיהּ לְקוּדְשָׁא בְרִיךְ הוּא, אִיהוּ מְקַיִים עֶשֶׂר אַמִּירָן עֵילָא וְתַתָּא. וְע"ד כָּל אֵינּוֹן עֶשֶׂר נִסְיוֹנֵי דְאַתְנַסָּא אַבְרָהָם, וְקֵאִים בְּכֻלְהוּ לְקַבֵּל עֶשֶׂר אַמִּירָן, כָּל נִסְיוֹנָא אַמִּירָא הִיא, וְאַתְנַסָּא בְּהוּא אַמִּירָא, וְקֵאִים בֵּיהּ.

70. There are therefore ten tests THAT CORRESPOND TO THE TEN SFIROT, and Abraham withstood them all, because he was attached and cleaved to the right hand of the Holy One, blessed be He that is called great love, NAMELY CHESED OF ZEIR ANPIN. It is called great love because whoever is in that state of love is attached to the supernal world, ZEIR ANPIN. Everlasting love is the secret of the lower world, NAMELY MALCHUT, to which the love of the Holy One, blessed be He, is attached. Everything, GREAT LOVE AND EVERLASTING LOVE, is the same mystery without division BETWEEN THEM. We have now learned the mystery of love that love surpasses every kind of worship in the world. By love the name of the Holy One, blessed be He, is honored above everything, and is blessed. Blessed be He forever and ever. This is the clarification of the secret of love.

70. וְע"ד אֵינּוֹן עֶשֶׂר נִסְיוֹנֵי, וְכֻלְהוּ קֵאִים בְּהוּ אַבְרָהָם, בְּגִין דְאַתְקִשֵׁר וְאַתְדַּבֵּק בִּימִינָא דְקוּדְשָׁא בְרִיךְ הוּא, דְאִיהוּ אַהֲבָה רַבָּה. מ"ט אִיקְרִי אַהֲבָה רַבָּה. בְּגִין מֵאֵן דְקֵאִים בְּהֵאִי אַהֲבָה, אַתְקִשֵׁר בְּעֵלְמָא עֵלְאָה. אַהֲבַת עוֹלָם, דָּא רְזָא דְעֵלְמָא תַתָּאָה, דְאַתְקִשֵׁר בֵּיהּ רְחִימוּ דִּילִיָּהּ, וְכֻלָּא רְזָא חֲדָא, בְּלָא פְרוּדָא, וְהָא אַתְמַר רְזָא דְאַהֲבָה, רְחִימוּ דָּא סְלוּק עַל כָּל פּוֹלְחָנִין דְעֵלְמָא, בְּהֵאִי אַתְיִיקַר שְׁמִיהּ דְקוּדְשָׁא בְרִיךְ הוּא יְתִיר מִכָּלָּא, וְאַתְבְּרַךְ. בְרִיךְ הוּא לְעֵלְמָא וְלְעֵלְמֵי עֵלְמִין, וְרְזָא דְאַהֲבָה אַתְמַר.

71. It is a commandment to recite the Sh'ma twice every day, once to correspond to the grade of day, WHICH IS ZEIR ANPIN, and once to correspond to the grade of night, WHICH IS MALCHUT, so as to include the grade of night in day and the grade of day in the night. We have already learned this. We therefore need twice daily, once during the day and once at night.

71. פְּקוּדָא לְמַקְרִי קְרִיאת שְׁמַע ב' זְמַנִּין בְּכָל יוֹמָא חַד, לְקַבֵּל דְרֵגָא דִּימְמָא. וְחַד, לְקַבֵּל דְרֵגָא דִּילִילִיָּא. וְלֹא אַכְלָלָא בִּימְמָא דְרֵגָא דִּילִילִיָּא, וְלֹא אַכְלָלָא בִּילִילִיָּא דְרֵגָא דִּימְמָא, וְהָא אַתְמַר. וְע"ד תְּרִין זְמַנִּין בְּכָל יוֹמָא, חַד בִּימְמָא וְחַד בִּילִילִיָּא.

12. The Mezuzah

We are told that affixing a Mezuzah at the door ensures that God will guard the inhabitants when they enter and leave. Another reason for the Mezuzah is that it reminds people of God so they remember to do His will. We hear how the evil demon that stands near the door is distracted so he can not do any harm.

72. It is a commandment that man should fix a Mezuzah at his door, so that everyone will be guarded by the Holy One, blessed be He, upon leaving THE HOUSE and entering THE HOUSE. This is the secret of, "Hashem shall preserve your going out and your coming in from this time forth, and for evermore" (Tehilim 121:8). For the secret of the Mezuzah always rests at the door, which is the entrance to the higher, BEING MALCHUT, THE ENTRANCE TO ZEIR ANPIN, ACCORDING TO THE SECRET OF, "THIS IS THE GATE OF HASHEM" (TEHILIM 118:20). This grade is called guardian, so one is guarded.

73. For man is not guarded except by the Holy One, blessed be He, who constantly guards and is present at the door TO THE HOUSE, while one is inside THE HOUSE. Another REASON FOR THE MEZUZAH is that one must never forget the memory of the Holy One, blessed be He. This REASON is like the Tzitzit, as said, "that you may look upon it, and remember" (Bemidbar 15:39). When one sees that reminder, he is reminded to do his Master's bidding. The secret of Faith is that the Mezuzah includes a male and a female together.

74. In the book of Solomon IT IS WRITTEN: near the entrance, against the two grades, comes a certain demon that has permission to harm. It stands at the left side OF THE DOOR. Man lifts up his eyes, sees the secret of his master's Name IN THE MEZUZAH AT THE RIGHT SIDE OF THE DOOR and remembers it, and the DEMON cannot harm. You may say that if this is so, IT IS TRUE WHEN ONE COMES INTO THE HOUSE. BUT when leaving the door OF THE HOUSE outside, the demon TO THE LEFT SIDE OF THE DOOR is at the right side OF THE MAN and the Mezuzah to his left. How is man guarded then, if THE MEZUZAH is to his left?

75. AND HE ANSWERS, All that the Holy One, blessed be He, does, follows its own kind. There are two grades to man, one to his right and one to his left. The one to the right is called the Good Inclination and the one to the left is called the Evil Inclination. When one goes out of his house's door, that demon lifts up its eyes and sees the Evil Inclination dwelling at the left side. It is attracted to that side WHERE THE EVIL INCLINATION ABIDES, NAMELY THE LEFT, and is removed from the right. Then at the LEFT side rests his master's Name, NAMELY THE MEZUZAH, and it cannot approach him to cause him harm and that man goes out and is saved from it. Upon coming INTO THE HOUSE the Holy Name IN THE MEZUZAH is to his right, AND THUS THE RIGHT OVERPOWERS THE LEFT, and it cannot prosecute him.

76. One must therefore be careful not to soil the door to his house with filth and refuse, or spill dirty water FOR TWO REASONS; the one is not to desecrate his Master's Name IN THE MEZUZAH and the other is that then that fiend, NAMELY THE DEMON, has permission to cause harm. For that reason man must be careful about it and take care not to push away his Master's Name from the door to his house.

77. When man fixes a Mezuzah at his door, when he enters his house, the Evil Inclination and the demon guard him in spite of themselves and say, "this is the gate of Hashem, into which the righteous shall enter" (Tehilim 118:20). When there is no Mezuzah at a man's entrance, the Evil Inclination and that demon GROW STRONG AND come together and place their hands on his head when he enters and begin to say, Woe to so and so who went out of his Master's domain. From that time ON he is not guarded and there is no one to guard him. May the Merciful One save us.

13. Sh'ma and 'Blessed be the name of the glory of His kingdom forever and ever'

This section talks about the unification of the two names Yud Hei Vav Hei and Elohim, the first by the meditation "Sh'ma Yisrael" and the second by the meditation beginning "Blessed be the name." This concept is applied also to the Torah, that consists of the Written Torah and the Oral Torah, the first being general and the second being particular. The unification spoken of here pertains to the Torah, to the names of God, to the above and the below, to Zeir Anpin and Malchut, to 'remember' and 'keep', to night and day and to right and left, it is the unification of everything. Finally we are told how the Tefilin relate to this topic.

78. "Hear (Sh'ma), O Yisrael, Hashem our Elohim, Hashem is one" (Devarim 6:4) is one meditation (lit. 'unification'), and 'Blessed be the name of the glory of His kingdom forever and ever' is another meditation, so that His Name, WHICH IS MALCHUT CALLED NAME, should be of the same secret. According to this secret of "Hashem, He is the Elohim" (I Melachim 18:39), YUD HEI VAV HEI, WHICH IS ZEIR ANPIN, IS MALCHUT CALLED ELOHIM. This is written WHEN ZEIR ANPIN AND MALCHUT are unified together. HENCE, "SH'MA YISRAEL" IS THE SECRET OF YUD HEI VAV HEI, AND, 'BLESSED BE THE NAME OF THE GLORY OF HIS KINGDOM FOREVER AND EVER' IS THE ELOHIM.

78. שמע ישראל יי אלהינו יי אחד, דא איהו
יחודא חד. ברוך שם כבוד מלכותו לעולם ועד, דא
יחודא אחרא, למהוי שמייה רזא חד. ורזא דא, יי
הוא האלהים, דא כתיב, כד אינון ביחודא חד.

79. You may say that in that case THE MEDITATION OF SH'MA AND 'BLESSED BE...' resembles the verse, "Hashem shall be one, and His name One" (Zecharyah 14:9), which is not equal to, "Hashem, He is the Elohim." For had it been written, 'Hashem and His name shall be one' we would say so THAT IT EQUALS, "HASHEM, HE IS THE ELOHIM," BUT it is not written so but, "Hashem shall be one, and His name One." IN THAT CASE it should have said thus: 'Hashem is, the Elohim is', and it would equal, "Hashem shall be one, and His name One." BUT SINCE IT IS NOT WRITTEN SO, BUT, "HASHEM, HE IS THE ELOHIM" IT IS NOT SIMILAR TO, "HASHEM SHALL BE ONE, AND HIS NAME ONE." HOW CAN WE CLAIM THAT THE MEDITATION OF "SH'MA" AND 'BLESSED BE...', WHICH ARE TWO MEDITATIONS, LIKE "HASHEM SHALL BE ONE, AND HIS NAME ONE," IS EQUAL TO, "HASHEM, HE IS THE ELOHIM"?

79. ואי תימא, אי הכי בגוונא דכתיב יי אחד ושמו
אחד, לאו איהו יי הוא האלהים, דאי כתיב יי
ושמו הוא אחד, הוינא אמרי הכי, לא כתיב אלא
יי אחד ושמו אחד, ואצטריך לומר בגוונא דא, יי
הוא האלהים הוא, ויתחזי יי אחד ושמו אחד.

80. HE ANSWERS, Everything is one; THE MEDITATION OF "SH'MA" AND 'BLESSED BE...', THE SECRET OF "HASHEM SHALL BE ONE" IN "SH'MA" AND "HIS NAME ONE" IN 'BLESSED BE...' ARE ONE WITH "HASHEM, HE IS THE ELOHIM." For when these two names are unified - YUD HEI VAV HEI, WHICH IS ZEIR ANPIN, TOGETHER WITH ELOHIM, WHICH IS MALCHUT, the one by one meditation, WITH THE MEDITATION OF "SH'MA YISRAEL," and the other by another meditation, NAMELY THE MEDITATION OF, 'BLESSED BE...', or when the two names become one and are mutually included in each other and everything becomes one complete name, then IT IS WRITTEN, "Hashem, He is the Elohim." For then everything is included in each other to be one. But before they are unified each on its own, they cannot be mutually included to be all one, IN SUCH A WAY THAT "HASHEM SHALL BE ONE, AND HIS NAME ONE" IS NOT EQUAL TO "HASHEM, HE IS THE ELOHIM," BUT THE LATTER IS THE RESULT OF THE FORMER, AS EXPLAINED.

80. אלא בלא חד, דכד אתאחדן תרין שמהן אליו,
דא ביחודא חד, ודא ביחודא חד, כדין תרין שמהן
אליו אתעבידו חד, ואתכלילן דא בדא, והוי בלא
שמא שלים ביחודא חדא, וכדין יי הוא האלהים,
דהא כדין אתכליל בלא דא בדא למהוי חד, ועד
דאתיחדו כל חד דא בלחודוי ודא בלחודוי, לא
אתכלילו דא בדא, למהוי בלא חד.

81. The generality of the whole Torah, NAMELY THE WRITTEN TORAH AND THE ORAL TORAH TOGETHER, is surely that way, for the Torah is the Written Torah and is the Oral Torah. The Written Torah is as written, "Hashem," NAMELY ZEIR ANPIN; the Oral Torah is as written, "the Elohim," WHICH IS MALCHUT. Since the Torah is the secret of the Holy Name it is therefore called thus, THE ONE IS CALLED YUD HEI VAV HEI AND THE OTHER THE ELOHIM.

82. The Written Torah and the Oral Torah, the one is general and the other particular. THE WRITTEN TORAH IS GENERAL, NAMELY ZEIR ANPIN, WHILE THE ORAL TORAH IS PARTICULAR, NAMELY MALCHUT. The general needs the particular and the particular needs the general. THE ONE CANNOT REACH PERFECTION WITHOUT THE OTHER UNTIL THE TWO ARE JOINED, they unite with each other and everything becomes one. Therefore the generality of the whole Torah is the generality above, ZEIR ANPIN, and the generality below, MALCHUT, since that name exists above and that name exists below. The one, THE WRITTEN TORAH, is the secret of the supernal world, ZEIR ANPIN, and the other, THE ORAL TORAH, is the secret of the lower world, MALCHUT. Hence it is written, "To you it was shown, that you might know that Hashem He is the Elohim" (Devarim 4:35), WHERE BOTH ARE ONE. This includes everything, ALL WORLDS. All that we said should one know in this world.

83. You may ask where the commandments of the Torah are in this inclusion, WHETHER "HASHEM, HE IS THE ELOHIM," INCLUDES EVERYTHING. HE ANSWERS, The one, YUD HEI VAV HEI, is 'remember', while the other, THE ELOHIM, is 'keep'. All the commandments of the Torah are included in these in the mystery of 'remember' and the mystery of 'keep'. 'REMEMBER' INCLUDES THE 248 POSITIVE COMMANDMENTS AND 'KEEP' INCLUDES THE 365 NEGATIVE COMMANDMENTS, and everything is one.

84. Rabbi Yosi opened with, The fact that we learned that the evening prayer (Arvit) is obligatory is surely so, because the Holy One, blessed be He, is unified at night THROUGH THE KRIAT SH'MA, just as He is unified during the day. The quality of night is included in day and the quality of day is included in night, and unification takes place. Whoever says it is optional, it is BECAUSE THE PRAYER WAS COMPOSED to correspond to the portions of the sacrifices and the fatty parts that are consumed AND BURNED at night, WHICH ARE NOT OBLIGATORY. FOR THE MORNING PRAYER (SHACHARIT) AND THE AFTERNOON PRAYER (MINCHAH) CORRESPOND TO THE TWO DAILY OFFERINGS, WHICH ARE OBLIGATORY, BUT THE EVENING PRAYER CORRESPONDS TO THE PORTIONS OF THE SACRIFICES, ETC., WHICH ARE OPTIONAL. We have already explained it.

85. It is written, "And you shall love (Heb. ve'ahavta) Hashem your Elohim" (Devarim 6:5). We have explained this verse, and so did the friends. But we should ask: if everything, right and left, is included in this meditation of "Sh'ma Yisrael," why it is then written, "And you shall love," WHICH IS THE RIGHT, and, "And it shall come to pass, if you hearken (Heb. vehayah im shamo'a)" (Devarim 11:13-17), WHICH IS LEFT, if they were already included in the meditation OF KRIAT SH'MA? AND HE ANSWERS, There, IN KRIAT SH'MA, it is part of the general, WHERE THE RIGHT AND LEFT OF DA'AT WERE COMPREHENDED INTO A GENERAL PRINCIPLE, and here it is of the particular: AT FIRST IT IS WRITTEN, "AND YOU SHALL LOVE" IN ITSELF, WHICH IS CHESED, AND THEN "AND IT SHALL COME TO PASS, IF YOU HEARKEN," WHICH IS GVURAH. And so it should be.

86. In the secret of the meditation we remarked on, the meditation OF KRIAT SH'MA is like THE MEDITATION OF the head Tefilin and the hand Tefilin. In the head Tefilin there are four passages, which we have already learned, and here IN KRIAT SH'MA there are three names, YUD HEI VAV HEI, OUR ELOHIM, YUD HEI VAV HEI. There, there are four passages, each on its own, and here there are only three names. What is the difference between them?

וְהָכָא ג' שְׁמֵהּ, מַה בֵּין הָאֵי לְהָאֵי.

14. The four passages of the head and hand Tefilin

We learn how there can be four passages in the Tefilin yet only three names in the Kriat Sh'ma. The numerology of the 25 letters in the Sh'ma, the 24 letters in the unification that begins with "Blessed be the name," the 49 gates of Binah and the 25 things used to complete the building of the tabernacle are all explained in detail.

Rabbi Aba asks Rabbi Shimon about the leather straps of the Tefilin, comparing it to skin. Rabbi Shimon gives him an explanation, and then says that when a person studies the Torah all night and then puts on the Tefilin in the morning, when he goes out of his house wearing the Tzitzit and passing the Mezuzah on his doorpost, then he is escorted by four holy angels that go with him to the synagogue. We are also told about the artistic work of people who create the Tefilin, the Tzitzit, and the Mezuzah. Rabbi Shimon closes by saying that if people really knew the Torah they would know that there isn't a single letter or word of it that does not contain supernal secrets.

87. HE ANSWERS, It has been remarked about these four passages that one, NAMELY, "SANCTIFY (HEB. KADESH LI)" (SHEMOT 13:2), is the first point, NAMELY YUD OF YUD HEI VAV HEI, WHICH IS CHOCHMAH. One, NAMELY, "AND IT SHALL BE, WHEN HASHEM YOUR ELOHIM SHALL BRING YOU (HEB. VEHAYAH KI YEVIACHA)" (DEVARIM 6:10), is the secret of the World to Come, WHICH IS BINAH. One, NAMELY "HEAR (HEB. SH'MA)" (DEVARIM 6:4) is the right side OF DA'AT, and one, WHICH IS, "AND IT SHALL COME TO PASS, IF YOU HEarken (HEB. VEHAYAH IM SHAMO'A)" (DEVARIM 11:13-17), is the left side OF DA'AT. They are the secret of the head Tefilin. Here, in this secret OF KRIAT SH'MA, this unification of the three supernal names, YUD HEI VAV HEI, OUR ELOHIM, YUD HEI VAV HEI, resemble the four passages OF THE TEFILIN. The first Yud Hei Vav Hei is the supernal point, the beginning of everything, NAMELY CHOCHMAH. Our Elohim is the secret of the World to Come, NAMELY BINAH. The last Yud Hei Vav Hei is the entirety of right and left OF DA'AT together as one whole. These are THE ORDER OF the head Tefilin, and the first meditation OF KRIAT SH'MA.

87. אֵלָא אִינוּן אַרְבַּע פְּרָשִׁין הָא אֲתַעְרוּ בְּהוּ, חַד

וְדָא אִיהוּ יְחֻדָּא קְדַמָּא.

88. The hand Tefilin are the entirety of these FOUR PASSAGES together, NAMELY IN ONE COMPARTMENT, and this is the secret OF THE SECOND UNIFICATION IN KRIAT SH'MA, WHICH IS 'Blessed be the name of the glory of His kingdom forever and ever'. Here IN THE SECOND UNIFICATION is the whole of THE FOUR PASSAGES OF the head Tefilin comprehended in the hand Tefilin IN ONE COMPARTMENT. THAT MEANS THAT THE UNIFICATION OF 'BLESSed BE...' RESEMBLES THE UNIFICATION OF THE FOUR PASSAGES OF THE HAND TEFILIN.

88. תַּפְלִין דְרוּעָא, כֻּלָּא דְכָל הֵינִי בְּחַדָּא, וְדָא

כֻּלָּא דְאִינוּן תַּפְלִין דְרִישָׁא, דְאֲתַבְּלִילוּ גוּ תַּפְלִין
דְרוּעָא.

89. This secret is as follows: 'Blessed' is the secret of the supernal point, WHICH IS CHOCHMAH, which is blessed because all blessings flow from there. You may argue that the World to Come is called 'Blessed', WHICH IS BINAH. This is not so, because the supernal point, CHOCHMAH, is male and the World to Come, BINAH, is female, and hence he, THE MALE, is called 'Blessed', and she, THE FEMALE, is called a blessing. Blessed is masculine and Blessing is feminine, and therefore 'Blessed' is the supernal point, NAMELY CHOCHMAH. 'Name' is the World to Come, NAMELY BINAH, which is a great name, as written, "and what will You do for Your great name" (Yehoshua 7:9). 'Glory' is the supernal glory, NAMELY DA'AT, which is right and left OF DA'AT, which are all included in the hand Tefilin, NAMELY IN MALCHUT, which is THE SECRET OF THE WORD 'His kingdom'. Malchut receives everything within her, and thus all the worlds were comprised to be nourished and fed in what they need, WHICH IS THE MEANING OF 'FOREVER AND EVER'. FOR 'EVER (HEB. VA'ED)' MEANS FOOD AS IN, "IN THE MORNING HE SHALL DEVOUR THE PREY (HEB. AD)" (BERESHEET

1
49:27). 'FOREVER (LIT. 'FOR THE WORLD') AND EVER' MEANS THAT MALCHUT FEEDS THE WHOLE WORLD.

90. This is ALSO the unification of the head Tefilin and the hand Tefilin, since just like the secret of the unification of the Tefilin so is the unification of everything. This clarifies the matter. And this way have I arranged this meditation before the holy luminary RABBI SHIMON and he told me that this meditation OF KRIAT SH'MA is arranged in four manners, and that this order is the clearest of them all. The secret of unification exists in them all, NAMELY IN KRIAT SH'MA AND OTHER THINGS, but the order of the Tefilin is a proper supernal meditation.

91. And since the right and left OF DA'AT is included in the secret of the same name IN KRIAT SH'MA, NAMELY IN THE LAST YUD HEI VAV HEI, in a general way, one should utter them after in a particular manner, NAMELY, "AND YOU SHALL LOVE (HEB. VE'AHAVTA)" (DEVARIM 6:5), "AND IT SHALL COME TO PASS, IF YOU HEarken (HEB. VEHAHAH IM SHAMO'A)," EACH ON ITS OWN, but not by way of unification, because unification was already performed in the earlier verses, "HEAR (HEB. SH'MA), AND 'BLESSED BE...', so that "Hashem shall be one" in the head Tefilin, and "His name SHALL BE One" in the hand Tefilin, WHICH IS THE UNIFICATION OF 'BLESSED BE...' and everything became one. Once the unification is arranged in its entirety from the top of the supernal point, one should then adorn it from the top of the primordial light, which is the top of everything, NAMELY KETER.

92. Moses engraved and composed 25 letters by means of the unification of the verse that says, "Hear, O Yisrael, Hashem our Elohim; Hashem is one" (Devarim 6:4). There are 25 engraved letters, engraved by the supernal secret, NAMELY THE SECRET OF ZEIR ANPIN, SINCE 25 INDICATES THE 22 LETTERS OF THE TORAH, AND THE TORAH, THE PROPHETS AND THE WRITINGS, WHICH ARE THE THREE COLUMNS, AS SHALL BE WRITTEN. Jacob wanted to compose below, IN MALCHUT, by the secret of unification, and composed it with 24 letters, which are 'Blessed be the name of the glory of His kingdom forever and ever', WHICH JACOB COMPOSED, AND WHICH IS SPELLED WITH 24 LETTERS, but he did not complete it to 25 letters because DURING HIS TIME the tabernacle, WHICH CORRESPONDS TO MALCHUT, was not yet built. Once the tabernacle was built and that from which the tabernacle was drawn was completed, after its completion He spoke with him only with 25 letters to indicate that this, MALCHUT, was completed like the supernal, LIKE ZEIR ANPIN THAT HAS 25 LETTERS, as written, "and spoke to him out of the Tent of Meeting, saying" (Vayikra 1:1). Here THERE ARE 25 letters.

89. וְרָזָא דָא, בְּרוּךְ: דָא רָזָא דְנִקּוּדָה עֲלָאָה, דָאִיהוּ בְּרוּךְ, דְכָל בְּרַכָּאן נִבְעִין מִתַּמְנָן. וְאִי תִימָא, עֲלֵמָא דָאִתִּי אֶקְרִי בְּרוּךְ. לָאוּ הֲכִי. דְהָא נִקּוּדָה עֲלָאָה אִיהוּ דְכֵר, עֲלֵמָא דָאִתִּי נּוֹקְבָא, אִיהוּ בְּרוּךְ, וְאִיהוּ בְּרַכָּה, בְּרוּךְ דְכֵר, בְּרַכָּה נּוֹקְבָא. וְעִד בְּרוּךְ אִיהוּ נִקּוּדָה עֲלָאָה. שֵׁם: דָא עֲלֵמָא דָאִתִּי, דָאִיהוּ שֵׁם גְּדוֹל. כַּד"א וּמָה תַעֲשֶׂה לְשִׁמְךָ הַגְּדוֹל. כְּבוֹד: דָא כְּבוֹד עֲלָאָה, דָאִיהוּ יְמִינָא וּשְׂמָאלָא, וּכְלָהוּ כְלִילָן בְּהָאִי תַפְלָה שֶׁל יָד, דָאִיהוּ מַלְכוּתוֹ. וְנִטִּיל כֹּלָא בְּגוּיָה, וּבְהָאִי אֶתְכַלִּילָן בְּהָאִי מַלְכוּת, עֲלֵמִין כְּלָהוּ, לְמִיזִין לֹון, וְלִסְפָקָא לֹון, בְּכֵמָה דְאַצְטְרִיכוּ.

91. וּמִגּוֹ דְאֶתְכַלִּילוּ יְמִינָא וּשְׂמָאלָא בְרָזָא דְשְׂמָא חַד בְּאַרְחַ כֹּלָל, אֶצְטְרִיךְ לְבַתֵּר לְאַפְקָא לֹון. בְּאַרְחַ פֶּרֶט, אֲבָל לָאוּ בְּאַרְחַ יְחֻדָא, דְהָא יְחֻדָא בְקִרְיָאִי קְדָמָאִי אִיהוּ, לְמַהוּי יְי' אַחַד, בְּתַפְלִין דְרִישָׁא. וּשְׁמוֹ אַחַד, בְּתַפְלִין דְדְרוּעָא. וְהוּי כֹלָא חַד. כִּיּוֹן דְיְחֻדָא אֶתְסַדֵּר כֹּלָא בְכֹלָלָא, מְרִישָׁא דְנִקּוּדָה עֲלָאָה, אֶצְטְרִיךְ לְבַתֵּר לְאַתְעֲטְרָא מְרִישָׁא דְנְהוּרָא קְדָמָאָה, דָאִיהוּ רִישָׁא דְכֹלָא.

92. גְּלִיף וְאַתְקִין מְשָׁה, כ"ה אֶתּוּן בְּרָזָא דְפִסְקוּקָא דְיְחֻדָא, דְכֵתִיב שְׁמַע יִשְׂרָאֵל יְי' אֱלֹהֵינוּ יְי' אַחַד. וְאִינוּן כ"ה אֶתּוּן גְּלִיפִין, מְחַקְקִין בְּרָזָא דְלְעִילָא. יַעֲקֹב בָּעָא לְאַתְקֵנָא לְתַתָּא, בְּרָזָא דְיְחֻדָא, וְאַתְקִין בְּכ"ד אֶתּוּן, וְאִינוּן בְּשַׁכְמַל"ו. וְלֹא אֲשֵׁלִים לְכ"ה אֶתּוּן, בְּגִין דְעַד לֹא אֶתְתַקֵּן מְשַׁכְנָא. כִּיּוֹן דְאַתְתַקֵּן מְשַׁכְנָא, וְאַשְׁתֵּלִים מֶלֶךְ דְהוּהוּ נְסִיךְ מְגִיָה, בְּד אֲשֵׁתִלִים, לֹא מְלִיל אֶלָּא בְכ"ה אֶתּוּן, לְאַחֲזָאָה דְהָא אֲשֵׁתִלִים דָא, כְּגוּוּנָא דְלְעִילָא, דְכֵתִיב וַיְדַבֵּר יְי' אֵלָיו מֵאֵהָל מוֹעֵד לֵאמֹר, הָא כ"ה אֶתּוּן.

93. Hence 25 different things are used to complete the building of the tabernacle, THE THIRTEEN KINDS OF GOLD, SILVER, ETC., AND THE TWELVE STONES IN THE BREASTPLATE. We learned all these letters when studying the engraved letters we learned from our master. Since the tabernacle was completed by these secrets OF 25 LETTERS, the tabernacle, NAMELY MALCHUT, is therefore called BY THE NAME 'kah' (=25), WHICH INDICATES the unification of completion in the tabernacle, WHICH IS MALCHUT. Hence it is written, "and Your pious ones shall bless You (Heb. yevarchuchah)" (Tehilim 145:10), WHICH IS SPELLED AS 'shall bless (Heb. yevarchu) kah', which is the secret of the completion of the tabernacle and the building of it.

94. 25 stands for the 22 letters and the Torah, the Prophets and the Writings, AS 3 PLUS 22 EQUAL 25. They are one whole, one mystery. When Yisrael perform this unification according to the secret of the 25 letters in this verse, which are, "Hear, O Yisrael, Hashem our Elohim; Hashem is one," and THE UNIFICATION OF 'Blessed be the name of the glory of His kingdom forever and ever', which has 24 letters, and when one directs his attention to each of them, all letters join together and amount to a single connection, which are 49 words that correspond to the 49 gates in the secret of Jubilee, WHICH IS BINAH. One then should continue THE UNIFICATION TO THE WORD 'EVER' but no more, SINCE IN THE WORD 'EVER' THE RECKONING REACHES 49. Then the 49 gates OF BINAH open and the Holy One, blessed be He, considers that man as if he maintained the whole Torah that comes all in 49 manners.

95. One should therefore direct one's will to the 25 LETTERS OF THE SH'MA and the 24 OF 'BLESSSED BE...', and elevate them with the desire of the heart by the 49 gates OF BINAH that we mentioned. After meditating on that, one should meditate on the unification our master spoke of, that, "Hear, O Yisrael...", and 'Blessed be the name of the glory of His kingdom forever and ever', are the entirety of the whole Torah. Happy is the lot of he who meditates on them. Surely it is the entirety of the whole Torah that is above, WHICH IS ZEIR ANPIN, and below, WHICH IS MALCHUT. This is the secret of Adam, which is the perfection of male and female, NAMELY THE PERFECTION OF ZEIR ANPIN AND MALCHUT. THIS UNIFICATION IS the secret of the whole Faith.
End of Ra'aya Meheimna

96. Rabbi Aba sent to Rabbi Shimon, saying to him: That which you, our master, explained about the Tefilin of the Master of the universe that the four passages are the holy of holies, NAMELY CHOCHMAH AND BINAH, AND TIFERET AND MALCHUT OF DA'AT, is well. Whence do we deduce the leather on the Tefilin and the straps that are considered holiness? He sent to him: "For the man also and for his wife did Hashem Elohim make coats of skins..." (Bereshheet 3:21). LEATHER is precise, NAMELY MALCHUT THAT IS CALLED SKIN. This is the way Rav Hamnuna Saba explained it. These belong to the head, AS THE FOUR PASSAGES ARE THE FOUR MOCHIN OF ZEIR ANPIN AND THE LEATHER IS MALCHUT OF ZEIR ANPIN. In the hand TEFILIN "upon your hand (Heb. yadechah)" (Shemot 13:9) is spelled with Hei TO INDICATE THAT THE FOUR PORTIONS ARE THE MOCHIN OF HEI, WHICH IS MALCHUT. This has already been explained.

93. וע"ד כ"ה זינין, לאשלמא תקונא דמקדשא, וכל הני אתון אוקימנא באינון אתון גליפין דאוליפנא ממר. ובגין דמשכנא אשתלים ברזין אליון, אקרי כ"ה, ביחודא דשלימו דמשכנא. וע"ד וחסידין יברכוכה בתיב, רזא דשלימו דכל משכנא, ותקונא דיליה.

עד כאן רעיא מהימנא

96. רבי אבא שלח ליה לר' שמעון ואמר ליה, האי דאוקמיה מר בתפליין דמארי עלמא, ד' פרשיון אינון קודשא דקודשין, שפיר. משכא דעל תפליין, ואינון רצועין אקרו קדושה אסמכתא מנלן. שלח ליה ויעש יי' אלהים לאדם ולאשתו וגו' דייקא, והכי אוקמיה רב המנונא סבא. ואלין אינון דרישא, ודרועא ידכה בה"א, והא אוקמוה.

97. Rabbi Shimon said, Some teach it this way: "And it shall come to pass, if you hearken," is the left arm of the Holy One, blessed be He, and is considered the Sfirah of Gvurah. In that case only three PASSAGES are left in the head: "SANCTIFY TO ME ALL THE FIRSTBORN," "AND IT SHALL COME TO PASS, IF YOU HEARKEN," AND "HEAR O YISRAEL" (DEVARIM 6:4), WHICH ARE CHOCHMAH, BINAH, AND THE RIGHT OF DA'AT. THE FOURTH LOBE OF THE BRAIN, WHICH IS THE LEFT SIDE OF DA'AT, IS MISSING. YOU CLAIM THAT, "AND IT SHALL COME TO PASS..." IS IN THE SFIRAH OF GVURAH, WHICH IS IN THE BODY, yet there are four LOBES OF THE BRAIN IN THE HEAD. But there are two holy Chariots OF CHOCHMAH, BINAH, TIFERET AND MALCHUT; the one OF THE HAND TEFILIN is connected to the heart, WHICH IS MALCHUT, and the other OF THE HEAD TEFILIN is connected to the brain, WHICH IS ZEIR ANPIN. THUS THE FOURTH PASSAGE OF THE HEAD TEFILIN IS ALSO IN THE BRAIN, NAMELY THE LEFT SIDE OF DA'AT, AND NOT IN THE BODY. The heart and the brain, WHICH ARE ZEIR ANPIN AND MALCHUT, are connected to each other into one union. The friends have spoken well that "And it shall be for a sign to you upon your hand" REFERS TO MALCHUT, as we learned that MALCHUT is only called a sign, SINCE THE HAND TEFILIN ARE THE MOCHIN OF MALCHUT.

98. Rabbi Shimon said, When man prods himself to rise at midnight and studies the Torah until day breaks, and in the morning puts on Tefilin on the head and Tefilin on the holy sign, NAMELY TEFILIN OF MALCHUT, on the arm, and when he wraps himself with a Tzitzit and is about to go out the entrance to his house, he meets the Mezuzah, which is the imprint of the Holy Name, WHICH IS MALCHUT, at the gate to his house; THEN four holy angels join him and go out with him from the door of his house and escort him to the synagogue. They declare before him, give honor to the image of the Holy King, give honor to the son of the King, to the countenance of the King. The Holy Spirit dwells on him, and declares, saying, "Yisrael, in whom I will be glorified" (Yeshayah 49:3).

99. That Holy Spirit then rises up and testifies before the Holy King. The supernal King then commands to write before Him all His household members, all those known before Him. This is the meaning of, "and a book of remembrance was written before Him for those who feared Hashem, and took heed of His name" (Malachi 3:16). Who are those who "took heed (Heb. choshvei) of His name"? They are as those in, "and those who devise (Heb. choshvei) artistic work" (Shemot 35:35). HERE TOO, those who do for His name works of art in any way - the art of the Tefilin, their compartment and straps and writing them, the art of the Tzitzit (Eng. 'the fringes'), their threads, the blue thread, and the art of the Mezuzah. These are those who "took heed of His name," as in "devise artistic work."

97. אר"ש, אית מאן דמתני בהאי גוונא, והיה דרושא שמאלא דקודשא בריך הוא, ואקרי גבורה אי הכי לא אשתארן ברישא אלא תלת. ואינון ארבע. אבל תרין רתיבין קדישין אינון, דא אתקשר בלבא. ודא אתקשר במוחא. ולבא ומוחא, אתקשר דא בדא. וזוגא חד להו, ושפיר קאמרו חברינא. והיה לאות על ידכה, כמה דאתמר, ולא אקרי אלא אות.

98. אמר ר"ש, בשעתא דב"נ אקדים בפלגות ליליא, וקם ואשתדל באורייתא, עד דנהיר צפרא. בצפרא אנח תמילין ברישיה, ותמילין ברשימא קדישא בדרועיה, ואתעטף בעטופא דמצוה, ואתי לנפקא מתרעא דביתיה, אערע במזוזה, רשימא דשמא קדישא בתרעא דביתיה, ארבע מלאכין קדישין מזדווגין עמיה ונפקין עמיה מתרעא דביתיה, ואוזפי ליה לבי כנישתא, ומכרזי קמיה, הבו יקרא לדיוקנא דמלבא קדישא, הבו יקרא לבריה דמלבא, לפרצופא יקרא דמלבא, רוחא קדישא שריא עליה, אכרזי ואמר ישראל אשר בך אתפאר.

99. ברין ההוא רוחא קדישא סלקא לעילא, ואסהיד עליה קמי מלבא קדישא, ברין פקיד מלבא עלאה, למכתב קמיה כל אינון בני היכליה, כל אינון דאשתמודען קמיה, הה"ד ויכתב ספר זכרון לפניו ליראי יי' ולחושבי שמו. מאי ולחושבי שמו. כד"א וחושבי מחשבות, אינון דעבדין לשמיה, אומנותא בכלא, אומנותא דתמילין, בבתיהון ברצועיהון וכתיבתהון. אומנותא דציצית, בחוטיהון בחוטא דתכלתא. אומנותא דמזוזה, ואלין אינון חושבי שמו. וכתוב וחושבי מחשבות.

100. Moreover, the Holy One, blessed be He, praises Himself with him and declares about him throughout the worlds, 'see what My son has achieved in My world'. Whoever enters before Him into the synagogue after leaving his door without Tefilin on his head and Tzitzit on his garment, yet says, "and in the fear of You I will worship towards Your Temple" (Tehilim 5:8), the Holy One, blessed be He, says, 'Where is the fear of Me? He bears false testimony'.

101. Happy is the lot of Moses, who said here, IN "SH'MA YISRAEL," Our Elohim. For Rabbi Shimon said, Moses was attached to a higher grade than the rest of the faithful prophets. Rabbi Shimon also said, If men knew the words of the Torah, they would know that there is not a word or a letter in the Torah that does not contain supernal precious secrets.

15. Our Elohim, your Elohim

Rabbi Shimon talks about the voice of Moses, that is the voice to which he is attached. He explains the difference between the curses that Moses uttered in Leviticus and those in Deuteronomy. We hear that God gave the commandments to Yisrael so that they would be saved from the prosecutors.

102. Come and see, it is written, "Moses speaks, and Elohim answers him by a voice" (Shemot 19:19). We learned that "by a voice" refers to the voice of Moses. This is well, and the voice of Moses is precise, namely, the voice to which he is attached, WHICH IS ZEIR ANPIN, BY WHICH HE SURPASSES above all the other prophets, WHO ARE ATTACHED ONLY TO MALCHUT AND NOT TO ZEIR ANPIN. Since he is attached TO THAT VOICE, WHICH IS ZEIR ANPIN more than all the others, by that voice, which is the supernal grade, he said to Yisrael, 'Hashem your Elohim', which is a grade called the Shechinah that dwells within YISRAEL, WHICH IS BELOW THE GRADE OF ZEIR ANPIN, TO WHICH MOSES IS ATTACHED. Happy is his lot.

103. Rabbi Shimon also said, We learned that Moses uttered the curses in Leviticus, IN THE BOOK OF VAYIKRA, from the mouth of Gvurah, WHICH IS BINAH THAT IS CALLED SUPERNAL GVURAH. Those IN DEUTERONOMY he uttered with his own mouth. Could you possibly imagine that Moses would speak even a small letter in the Torah from himself?

104. AND HE ANSWERS, This is well, and we remarked that we did not learn it as from himself but as from his own mouth. What does this mean? It is that voice to which Moses was attached, NAMELY ZEIR ANPIN. Hence these IN LEVITICUS were from the mouth of Gvurah, WHICH IS BINAH THAT IS CALLED SUPERNAL GVURAH, while those IN DEUTERONOMY were from his own mouth, namely from the mouth of the grade to which Moses was attached more than all the faithful prophets, WHICH IS THE GRADE OF ZEIR ANPIN. Hence it is always SAID 'your Elohim', SINCE IT ALLUDES TO MALCHUT THAT IS BELOW ZEIR ANPIN; but here, IN "SH'MA YISRAEL" IT IS SAID "our Elohim," SINCE IT ALLUDES TO BINAH THAT IS ABOVE ZEIR ANPIN, TO WHICH MOSES IS ATTACHED.

100. ולא עוד אלא דקודשא בריך הוא משתבח ביה, ומכריז עליה בכלהו עלמין, חמו מה בריה עבדית בעולמי. ומאן דייעול קמיה לבי בנישתא, כד נפק מתרעיה, ולא תפילין ברישיה וציצית בלבושיה, ואומר אשתחוה אל היכל קדשך ביראתך. קודשא בריך הוא אמר, אן הוא מוראי, הא סהיד סהדותא דשקרא.

101. א"ר יוסי, זכאה חולקיה דמשה, דהכא אמר אלהינו. דא"ר שמעון, משה בדרגא עלאה יתיר אתאחד, על שאר נביאי מהימני. וא"ר שמעון, אלמלא הוו ידעי בני נשא מלין דאורייתא, לינדעון דהא לית שום מלה באורייתא, או את באורייתא, דלא אית בה רזין עלאין ויקירין.

102. ת"ח, כתיב, משה ידבר והאלהים יענו בקול. ותנינן, מאי בקול. בקולו של משה. ושפיר הוא, בקולו של משה דייקא, בהוא קול דאיהו אחיד ביה, על כל שאר נביאין. ובגין דאיהו אתאחד על כלהו, בהוא קול, דרגא עלאה, הוה אמר להו לישראל, יי' אלהיך, איהו דרגא דאקרי שכינתא, דשרינא בגווייהו. זכאה חולקיה.

103. ואר"ש, תנינן, קללות שבת"ב, משה מפיי הגבורה אמרן. ושפמ שנה תורה, משה מפיי עצמו אמרן. מאי מפיי עצמו. וכי ס"ד דאפילו את זעירא באורייתא, משה אמר ליה מגרמיה.

104. אלא שפיר הוא, והא אתערנא, מעצמו לא תנינן, אלא מפיי עצמו. ומאי איהו. ההוא קול דאיהו אחיד ביה. וע"ד, הללו מפיי הגבורה. והללו מפיי עצמו. מפיי ההוא דרגא דאתקשר ביה על שאר נביאי מהימני. ועל דא, בכל אתר אלהיך, והכא אלהינו.

105. Come and see how much people should guard their ways so that they will be occupied with the worship of their Master and merit everlasting life. Underneath the throne of the Holy King, WHICH IS MALCHUT, there are supernal compartments. And to that place of the throne, WHICH IS MALCHUT, the Mezuzah is connected to save man from many Judgments, the purpose of which is to awaken people through them. Similarly the Holy One, blessed be He, did to Yisrael by giving them the commandments of the Torah, so they will endeavor in them and be saved in this world from many prosecutors and those that bring charges who meet people daily.

105. ת"ח, כִּמָּה אֵיךְ לְהוֹדוֹת לַבְּנֵי נִשְׂא לְאַסְתִּמְרָא אֲוֹרְחֵיהוּ, בְּגִין דִּישְׁתַּדְּלוֹן בְּפִלְחָנָא דְמֵאֲרִיְהוֹן, וַיִּזְכּוּן לְחַיֵּי עֲלָמִין. תַּחֲתַּי בּוֹרְסִיָּא דְמַלְכָּא קְדִישָׁא, אֵיךְ מְדוֹרִין עֲלָאִין. וּבִהְיוֹת אֲתֵר דְכּוֹרְסִיָּא, מְזוּזָה אֲתַקְשֵׁר, לְאַשְׁתַּזְבָּא מִכַּמָּה מְאִרֵי דִינִין, דְזַמִּינִין לְאַתְעָרָא בְּהוֹ בְּנֵי נִשְׂא, בְּהָהוּא עֲלָמָא. כְּגוֹנָא דָּא עֵבִיר קוֹדֶשָׁא בְּרִיךְ הוּא לְיִשְׂרָאֵל, וַיְהִי לְהוֹ פְּקוּדֵי אֲוֹרֵיָתָא, בְּגִין דִּישְׁתַּדְּלוֹן בְּהוֹ וַיִּשְׁתַּזְבּוּן בְּהָאֵי עֲלָמָא, מִכַּמָּה מְאִרֵי דִינִין, מִכַּמָּה מְקַטְרְגֵי, דְאִזְדַּמְנוּן בְּהוֹ בְּנֵי נִשְׂא בְּכָל יוֹמָא.

16. Waste water before the door

Rabbi Chiya tells us that people must not spill waste water between the doorposts because a demon lies there and sees everything that is done in the house, and the waste water will give him permission to cause harm. We are told about the role of the Mezuzah, and Rabbi Chiya says that wherever the Holy Name abides people are safe from the accusations of the evil ones.

106. Rabbi Chiya said, Whoever wishes to observe his ways must not pass waste water before the door, because a certain demon lies there between the two doorposts facing the door. It sees whatever is done in the house. HENCE one must not spill water between the two doorposts. Rabbi Yitzchak said, Clean water is not forbidden, but it must not be spilled with contempt. The reason is that it, THE DEMON, has permission to cause harm. Moreover, it turns its head towards the house and whatever it beholds becomes cursed.

106. ר' חִיָּיא אָמַר, הָאֵי מֵאֵן דְּבַעֵי דִּישְׁתַּמְרָא אֲוֹרְחֵי, לֹא יַעֲבֹר עַל מַיָּא דְאֲוֹשְׁדִין קָמֵי פִתְחָא. בְּגִין דְתַמְן שְׂרֵי חַד שִׁידָא, וְהוּא בֵּין תְּרִין דְשִׁין דְפִתְחָא, וְאֲנָפוּי לְקַבְלִיָּה דְפִתְחָא, וְאֲסַתְכֵי כָּל מַה דְעַבְדִּין בְּבֵיתָא, וְלֹא לְבַעֵי לִיָּה לְאַנּוּשׁ דִּישְׁדֵּי מַיָּא בֵּין תְּרֵי תְרַעֵי. ר' יִצְחָק אָמַר, מִיּוֹן צְלִילָן לִיָּת לָן בְּהוֹ. וְהוּא דָּלָא יוֹשִׁיט לֹון אֲרַח קְלָנָא. מַאי טַעְמָא. בְּגִין דְאֵיךְ לִיָּה רְשׁוֹ לְנִזְקָא. וְלֹא עוֹד אֵלָא דִּיהֲדַר רִישִׁיָּה לְקַבְּלֵי בֵיתָא, וּבְכָל מַה דְאֲסַתְכַל אֲתַלְטִיָּיא.

107. It, THE DEMON, has 365 officers, as the number of the days in the year, and it rules over them. They all go out with a man when he goes out the door of his house. Rabbi Elazar said, All this transpires because the Holy One, blessed be He, wished to guard Yisrael and composed His Holy Name above, which is the Torah. The whole Torah is one Holy Name, and whoever is occupied with the Torah is occupied with His Name.

107. תְּלַת מְאָה וְשִׁתִּין וְחַמֶּשׁ, כְּחוּשְׁבָן יְמֵי שְׁתָּא, אֵיךְ לִיָּה שְׁמִשִּׁין, דְּהוּא שְׁלִיט עֲלֵיהוּ, וְכִלְהוֹ נְפִקִין עִם ב"נ, כִּד נִפְקַ מִתְרַעָא דְבֵיתֵיהּ. א"ר אֶלְעָזָר, כָּל דָּא בְּעֵי קוֹדֶשָׁא בְּרִיךְ הוּא לְנִטְרָא לֹון לְיִשְׂרָאֵל, וְאֲתַקִּין שְׁמֵיהּ קְדִישָׁא לְעִילָא, דְאִיהוֹ אֲוֹרֵיָתָא, וְאֲוֹרֵיָתָא כָּלָא חַד שְׁמָא קְדִישָׁא אִיהוֹ, וּמֵאֵן דְאֲשְׁתַּדַּל בְּאֲוֹרֵיָתָא, אֲשְׁתַּדַּל בְּשְׁמֵיהּ.

108. Come and see, man should imprint the Holy Name, which is the universal Faith, on the door of his house, for wherever the Holy Name abides there are no evil species and they cannot bring charges against him, as written, "No evil shall befall you..." (Tehilim 91:10).

108. ת"ח, בְּעֵי ב"נ בְּפִתְחָא דְבֵיתָא לְרִשְׁמָא שְׁמָא קְדִישָׁא, דְאִיהוֹ מְהִימְנוּתָא דְכָלָא. דְהָא בְּכָל אֲתֵר דְשְׁמָא קְדִישָׁא אֲשְׁתַּכַּח זִינִין בִּישִׁין לֹא מְשַׁתְּכַחֵי תַמְן, וְלֹא יְכַלִּין לְקַטְרַגָּא לִיָּה לְב"נ, כְּמָה דְכְּתִיב לֹא תֵאֻנָּה אֵלֶיךָ רָעָה וְגו'.

109. The place where the door of the house lies is a reflection of the higher. The place where the supernal door of the house lies is called a Mezuzah, which brings the house and the door of the house to completion. The litigants flee that Mezuzah, and the prosecutors cannot dwell before it. Correspondingly below, when a man fixes a Mezuzah at the door of his house, and this Holy Name SHADAI is imprinted with its letters, that man is adorned with his Master's crowns and the evil species do not come near the door of his house or rest there.

110. Rabbi Aba came from seeing Rabbi Shimon when Rabbi Yitzchak met him. He said to him, Whence do you come, man of light? A man who cleaves daily to a consuming fire, light dwells with him, AND HE NEED NOT SEEK ANYONE. He said to him, We learned that man is obligated to welcome the Shechinah every first day of the month and every Shabbat. What is that? It is one's Rabbi. All the more so the holy supernal Luminary, RABBI SHIMON, whom the whole world should welcome. Rabbi Yitzchak said, Let me return with you TO RABBI SHIMON and welcome the Shechinah and taste from those lofty matters you tasted before him.

17. "O You who dwell in the heavens"

Rabbi Shimon explains the inner meaning of the 123rd psalm, telling us that as the author is not mentioned it is the holy spirit; the holy spirit is speaking about Yisrael in exile. Rabbi Shimon and Rabbi Yitzchak and Rabbi Aba discuss the Mezuzah some more, and then the marks by which Yisrael are recognized as the children of God.

111. Rabbi Aba opened with, "A song of ascent. To You I lift up my eyes, O You who dwell in the heavens" (Tehilim 123:1). It is not written who recited this song. But wherever the place is undisclosed, AND THE AUTHOR IS NOT MENTIONED, it is the Holy Spirit, WHICH IS MALCHUT, that said it about Yisrael in exile. "You who dwell (Heb. hayoshvi)" should have used the more common form 'hayoshev'. Why does it use "hayoshvi"?

112. AND HE ANSWERS, We have explained that whoever wishes to say his prayer before the Holy King should ask the deepest, NAMELY BINAH, to bestow blessings downwards, as written, "A song of ascent. Out of the depths I have cried to You, Hashem" (Tehilim 130:1). That extra Yud IN "HAYOSHVI" is the deepest of all, BINAH, and is the one from which he should request to pour blessings to that place called heaven, WHICH IS ZEIR ANPIN, so that everything will be sustained by it. Hence it is written, "who dwell in the heavens," NAMELY IN ZEIR ANPIN THAT IS CALLED HEAVEN, since when the blessings pour and come out of that deepest place, WHICH IS BINAH, and settle in the place called heaven, NAMELY IN ZEIR ANPIN, there are blessings in the higher and lower.

113. "as the eyes of servants look to the hand of their masters" (Tehilim 123:2). HE ASKS, What are the eyes of servants, AND ANSWERS, They are the other ministers of the nations, WHICH ARE THE SEVENTY SUPERNAL MINISTERS, which are nourished only from the residue of the boughs of the tree, WHICH IS ZEIR ANPIN, to which Yisrael cleave. When Yisrael receive blessings from that place, everyone is blessed from Yisrael.

114. "and as the eyes of a maid to the hand of her mistress" (Ibid.) refers to the maid we mentioned, whose power the Holy One, blessed be He, slew in Egypt, NAMELY THE VERSE, "THE FIRSTBORN OF THE MAIDSERVANT" (SHEMOT 11:5). For she has power only when it comes from the residue OF BOUNTY of the land of Yisrael, WHICH IS MALCHUT. The land of Yisrael is called her mistress, THE MISTRESS OF THE MAID. Of this it is written, "For three things the earth is disquieted" (Mishlei 30:21). The earth is the land of Yisrael, WHICH IS MALCHUT, as we learned. "a slave when he becomes king" (Ibid. 22) refers to the servants we mentioned, THE SEVENTY MINISTERS OF THE NATIONS. THIS WAS SAID when power was given to one of them. This is the meaning of, "who have brought you out of the land of Egypt, out of the house of bondage" (Shemot 20:2), NAMELY FROM THE ENSLAVEMENT TO THE MINISTERS OF THE NATIONS. "a handmaid that is heir to her mistress" (Mishlei 30:23) refers to the maid we spoke of, OF WHOM IT SAYS, "THE FIRSTBORN OF THE MAIDSERVANT."

115. Come and see, many litigant spirits came out of the aspect of that maid, which denounce Yisrael and COME TO prosecute them. And the Holy One, blessed be He, guards Yisrael like a father who wishes to guard his child from all THINGS. The Holy One, blessed be He, said to Yisrael, 'Many prosecutors are ready against you. Be occupied in My worship and I shall guard you from outside. You shall be encased in your houses from within and sleep on your beds, and I shall guard you from outside and around your beds'.

116. Come and see, when these evil species approach a man's door, they lift up their heads and behold the Holy Name that is seen from outside, which is Shadai, decorated with its crowns. This name has power over them all, and they fear it and flee and do not approach man's door.

117. Rabbi Yitzchak said, In that case man should mark that name, SHADAI, at the door of the house and no more. Why THE NEED for the whole passage IN THE MEZUZAH? He said to him, This is well, for that name, SHADAI, WHICH IS YESOD, is adorned only with all the letters that are marked with the King's mark, NAMELY, THAT ARE WRITTEN IN THE MEZUZAH. When the whole passage is written, that name is adorned with its crowns and the King, ZEIR ANPIN, comes out with all His armies, all imprinted with the King's mark, WHICH IS MALCHUT. Then they all fear it and flee from it.

118. Come and see, in "And it shall come to pass, if you hearken (Heb. vehayah im shamo'a)" (Devarim 11:13-17), vehayah is a Holy Name, YUD HEI VAV HEI, from below upwards, BECAUSE IT IS SPELLED VAV-HEI FIRST AND THEN YUD-HEI. For that reason the name Shadai is written on the outside against that name. THE NAME Vehayah is on the inside and Shadai is on the outside so one would be guarded from all sides, from within and from without. Rabbi Aba said, Many holy hosts stand ready at that time when a man fixes a Mezuzah at his door. They all declare, saying, "this is the gate of Hashem..." (Tehilim 118:20).

119. Happy is the lot of Yisrael, for Yisrael are then recognized as the children of the Holy King, since they are all marked by Him, marked in their body with the holy imprint OF CIRCUMCISION, marked in their clothing by a Tzitzit. They are marked on their head with the compartments of the Tefilin, which are their Master's Name, and marked on their hands with the straps of holiness. They are marked in their shoes by a precept fulfilling shoes, NAMELY, OF THE PASCAL SACRIFICE, AS WRITTEN, "YOUR SHOES ON YOUR FEET" (SHEMOT 12:11), AND THE CHALITZAH. They are marked in the field by sowing and harvesting, marked in their houses with the Mezuzah on the doorpost. In every thing they are marked as the supernal King's children. Happy is their portion.

18. "they have forsaken Me"

Rabbi Aba talks about people who are false to the sign of the holy imprint. He says that the idol worshipping nations are broken cisterns but that Yisrael is a well, from which living waters are drawn. Anyone who is false to the holy imprint prevents the well from being blessed. We hear that only a virgin is blessed with seven blessings.

120. While they were walking Rabbi Aba said, In the verse, "they have forsaken Me, the fountain of living waters, and have hewn them out cisterns..." (Yirmeyah 2:13), "they have forsaken Me" refers to he who is false to the sign of the holy imprint. How is he false to it? By placing it in the domain of another, as written, "and has married the daughter of a strange El" (Malachi 2:11), who are called broken cisterns. For the idol worshipping nations are called broken cisterns.

121. That of Yisrael, WHICH IS MALCHUT, is called a well, "the fountain of living waters." This is the holy domain of the holy Faith, WHICH IS MALCHUT that is called a well of springs of clear water that comes out and pours from it, as written, "and streams from Lebanon" (Shir Hashirim 4:15), AND ALSO, "running waters out of your own well" (Mishlei 5:15), and, "a fountain of gardens, a well of living waters" (Shir Hashirim 4:15). The Other Side is called, "broken cisterns, that can hold no water" (Yirmeyah 2:13).

122. Come and see, the river that flows and comes out, WHICH IS YESOD, waters the whole garden, MALCHUT, and waters each and every place, as we explained, until it fills the place of the garden that is called a well of living water, WHICH IS YESOD OF MALCHUT, whence the higher and lower are nourished, as written, "and from thence it was parted..." (Beresheet 2:10).

118. ת"ח, וְהָיָה שְׂמָא קְדִישָׁא, מִתַּתָּא לְעֵילָא. וְעַל דָּא, שְׂדֵי אֲתְרָשִׁים מְלַבֵּר, לְקַבְלֵי שְׂמָא דָּא. וְהָיָה מְלַגּוּ, שְׂדֵי מְלַבֵּר. לְמַהּוּי נְטִיר ב"נ מִכָּל סְטְרִין מְלַגְּאוּ וּמְלַבֵּר. א"ר אָבָא, כַּמָּה חַיִּילִין קְדִישִׁין זְמִינִין בְּהָיָא שַׁעְתָּא דְּאַנַּח ב"נ מְזוּזָה לְתַרְעִיבָה, כְּלָהוּ מְכַרְזֵי וְאִמְרֵי זֶה הַשַּׁעַר לִי וְגו'.

120. עַד דְּהוּוּ אֲזִלֵי, אָמַר רַבִּי אָבָא, מַאי דְּכֵתִיב אוֹתֵי עֲזָבוּ מְקוֹר מַיִם חַיִּים לְחֻצוֹב לָהֶם בְּאֲרוֹת וְגו'. אוֹתֵי עֲזָבוּ, דָּא הוּא מֵאֵן דְּמִשְׁקַר בָּאת רְשִׁימָא קְדִישָׁא. וּבְמָה מִשְׁקַר בִּיָּה. דְּעֵינִיל לִיָּה בְּרִשׁוֹתָא אַחְרָא, כְּד"א וּבְעַל בַּת אֵל נָכַר, דְּאֲקָרֵי בּוֹרוֹת נְשָׁפְרִים. דְּהָא עֲמִין עוֹבְדֵי עֲבוֹתִים אֲקָרוּ בּוֹרוֹת נְשָׁפְרִים.

121. וְדִישְׂרָאֵל, אֲקָרֵי בְּאֵר מְקוֹר מַיִם חַיִּים, דָּא רְשׁוֹתָא קְדִישָׁא, מְהֵימְנוֹתָא קְדִישָׁא. וְאֲקָרֵי בְּאֵר מְבוּעֵי דְּמִיִּין צְלִילָן, נְמָקִין וְנִזְלִין מְנָה, כְּד"א וְנִזְלִים מִן לְבָנוֹן. וְנִזְלִים מִתּוֹךְ בְּאֲרָךְ. וְכֵתִיב מְעִין גְּנִים בְּאֵר מַיִם חַיִּים. סְטְרָא אַחְרָא אֲקָרֵי בּוֹרוֹת נְשָׁפְרִים. אֲשֶׁר לֹא יִכִּילוּ הַמַּיִם.

122. ת"ח, נְהָרָא דְּנָגִיד וְנָמִיק, אֲשֶׁקִי לְכָל גִּינְתָא, וְרוּי לְכָל אֲתָר וְאֲתָר, כַּמָּה דְּאוּקִימְנָא, עַד דְּמִלֵּי לְהוּוּא אֲתָר בְּגִנְתָּא, דְּאֲקָרֵי בְּאֵר מַיִם חַיִּים. וּמִתְמַן אֲתַזְנוּ עֲלָאִין וְתַתָּאִין, כְּד"א וּמִשָּׁם יִפְרֵד.

123. None of the aspects of the left side are watered from that spring of gushing water, because they are from the aspect of the other nations and are called broken cisterns. Whoever is false to the holy imprint by that side cleaves to "broken cisterns, that can hold no water," because it does not flow in there. Whoever merits to keep it merits to be watered by the stream of the river in the World to Come and merits that the supernal well will be filled and blessings will be drawn above and below. Happy is he in this world and in the World to Come. Of this it is written, "and you shall be like a watered garden, and like a spring of water, whose waters fail not" (Yeshayah 58:11).

124. Woe to him who is false to the holy imprint, because he is false to the Supernal Name. Moreover, he causes that well, MALCHUT, not to be blessed. He is called, "he has brought out an evil name upon a virgin of Yisrael" (Devarim 22:19). "A virgin of Yisrael" is precise, THAT IS, MALCHUT THAT IS CALLED THE VIRGIN OF YISRAEL, BECAUSE SHE ALWAYS REVERTS TO BEING A VIRGIN. Rabbi Shimon explained in its place that whoever lays accusing speeches against his first wife and brings out an evil name against her IS LIKE one who brings out an evil name against the higher, MALCHUT, as written, "he has brought out an evil name upon a virgin of Yisrael" unspecified, WHICH REFERS TO MALCHUT.

125. This follows the interpretation of Rabbi Chiya in the name of Rabbi Yosi that a virgin receives seven blessings, because she is blessed by seven SFIROT, since the virgin of Yisrael, WHICH IS MALCHUT, inherits seven blessings, WHICH ARE THE SECRET OF SEVEN SFIROT. She is therefore called the daughter of seven.

126. HE ASKS, And another woman, NAMELY A WIDOW OR A DIVORCEE, WHO REMARRIES, from whence come her blessings? AND HE ANSWERS, From the blessings of Boaz and Ruth, as written, "And all the people that were in the gate, and the elders, said, We are witnesses. Hashem make..." (Rut 4:11). For surely ONLY a virgin is blessed with seven blessings, and no other woman is in that secret. When they reached a certain field they saw trees and sat under them. Rabbi Aba said, HERE is clarity for words of Torah. Let us sit down.

19. "they shall come who were lost in the land of Assyria"

We are told of the day when the Shofar will be blown and all the children of Yisrael who were lost, who lost their faith, will come again to worship God on the holy mountain at Jerusalem.

127. He opened with the verse, "And it shall come to pass on that day, that a great Shofar shall be blown, and they shall come who were lost in the land of Assyria, and the outcasts in the land of Egypt..." (Yeshayah 27:13). "And it shall come to pass on that day": what is that day? AND HE ANSWERS, It is that day known to the Holy One, blessed be He, as written, "one particular day which shall be known as Hashem's" (Zecharyah 14:7). "on that day" is as in, "on that day, when Gog shall come against the land of Yisrael" (Yechezkel 38:18).

123. וְכֹל אֵינוֹן סְטְרִין דְּסֵטֶר שְׁמַאלָא, לֹא מִשְׁתַּקְוִין מֵהָהוּא נְבִיעוֹ דְּמִיִּין נְבִיעִין, בְּגִין דְּאֵינוֹן מִסְטְרָא דְּשָׂאֵר עַמִּין, וְאִקְרוּ בּוֹרוֹת נְשֻׁבְרִים. וּמֵאֵן דְּמִשְׁקֵר בְּרִשְׁימָא קְדִישָׁא בְּהָהוּא סְטְרָא, אֲתִדְבַק בְּבוֹרוֹת נְשֻׁבְרִים אֲשֶׁר לֹא יִכְלוּ הַמַּיִם, וְלֹא עֵינְלִי לְתַמּוֹן. וְהָהוּא דְּזָכִי לְנִטְרָא לִיה, זָכִי לְאַתְשַׁקְוִיא מֵהָהוּא נְבִיעוֹ דְּנַחְלָא בְּעַלְמָא דְּאֲתִי, וְזָכִי דְּאַתְמְלִי הָהוּא בְּאֵר עֲלָא, לְנִגְדָא בְּרַכָּאן לְעִילָא וְתַתָּא. זְכָאָה אִיהוּ בְּעַלְמָא דִּין, וּבְעַלְמָא דְּאֲתִי, עַל דָּא כְּתִיב, וְהִיִּית כְּגֵן רוּה וּכְמוֹצָא מַיִם אֲשֶׁר לֹא יִכְזָבוּ מִימִיו.

128. "a great Shofar shall be blown": HE ASKS, What difference does it make to us whether it is a great or small SHOFAR? AND HE ANSWERS, It is a supernal Shofar, by which slaves are always freed. This is Jubilee, NAMELY BINAH, which is a supernal and great Jubilee. When it is aroused TO BESTOW PLENTY, every kind of freedom of the worlds is aroused through it. And it is called a great Shofar.

129. "and they shall come who were lost (lit. 'they who lose') in the land of Assyria." HE ASKS, It should have said, 'they who were lost' or 'they who are lost'. What is meant by, "they who lose"? HE ANSWERS, It is they who actually lose, because they are in another land, and whoever dwells in another land is nourished by another domain and it is as if he does not live in Faith. This is why they are called they who lose, SINCE THEY LOST THEIR FAITH. They lose in every direction, ABOVE AND BELOW, since when Yisrael dwell in the Holy Land, they are righteous and always merit everything, THE PLENTY OF ZEIR ANPIN above and THE PLENTY OF MALCHUT below, BUT WHEN THEY ARE OUT OF THE HOLY LAND THEY LOSE ALL THAT.

130. According to another explanation, "they shall come who lose" are the Righteous, YESOD, and the Congregation of Yisrael, WHICH IS MALCHUT, who are called 'they who lose'. Whence do we derive this? It is written of the Congregation of Yisrael, "why does the land perish (or: 'lose')" (Yirmeyah 9:11), NAMELY MALCHUT THAT IS CALLED LAND. It is not written that it is lost or was lost, but that the land, which is the Congregation of Yisrael, loses. It is written of the Righteous, "The righteous perishes (or: 'loses')" (Yeshayah 57:1). HENCE THE RIGHTEOUS AND THE CONGREGATION OF YISRAEL ARE CALLED THEY WHO LOSE, as we explained.

131. You may ask in reference to "shall come," where they who lose come from, THE RIGHTEOUS AND THE CONGREGATION OF YISRAEL, WHICH ARE YESOD AND MALCHUT. AND HE ANSWERS, The Congregation of Yisrael COMES from exile. The Righteous, as we explained in relation to the verse, "When Hashem brought back the captivity of Zion" (Tehilim 126:1), IS YESOD CALLED ZION, so it shall return to its place and come to JOIN the Congregation of Yisrael. Hence, "they shall come who were lost in the land of Assyria." HE ASKS, What is meant by, "and shall worship Hashem on the holy mountain at Jerusalem" (Yeshayah 27:13), IF THEY WHO LOSE ARE YESOD AND MALCHUT? AND HE ANSWERS, This phrase, "AND SHALL WORSHIP...", REFERS TO "the outcasts in the land of Egypt," WHO SHALL WORSHIP HASHEM, since Yisrael do not come out of exile except with the Shechinah so to speak, as we explained. These outcasts shall worship Hashem, WHICH IS THE SHECHINAH.

20. "Hashem shall preserve your going out and your coming in"

Rabbi Aba explains what is meant by the title verse, and he talks again about the importance of the Mezuzah in protecting people from evil.

128. יִתְקַע בְּשׁוֹפָר גָּדוֹל. מַה לָּן בֵּיהּ, אִי הוּא רַב אוֹ זְעִיר. אֵלֶּא הֵהוּא שׁוֹפָר עֲלֵאָה, דְּבֵיהּ נִמְקִין עֲבָדִין לְחִירוֹ תְדִיר, וְהֵאִי אִיהוּ יוֹבְלָא, דְּיוֹבְלָא עֲלֵאָה וּרְבַרְבָּא הוּא. וְכַד הֵאִי אֲתַעַר, כָּל חִירוֹ דְּעַלְמִין מִתְעַרֵּין בֵּיהּ, וְהֵהוּא אֶקְרִי שׁוֹפָר גָּדוֹל.

129. וּבָאוּ הָאוֹבְדִים בְּאֶרֶץ אַשּׁוּר. הָאוֹבְדִים מִבְּעֵי לֵיהּ, אוֹ הַנְּאֻבְדִים, מֵאִי הָאוֹבְדִים. הָאוֹבְדִים מִמֶּשׁ, בְּגִין דְּאִינוּן בְּאֶרְעָא אַחְרָא, וּמֵאֵן דְּשִׂאֲרֵי בְּאֶרְעָא אַחְרָא, יִנִּיק מִרְשׁוּתָא אַחְרָא וּבְאֵלוּ לֹא שְׂרִיא בְּמַהִימְנוּתָא, בְּגִ"כּ אוֹבְדִים אֶקְרוּן. אוֹבְדִים אִינוּן בְּכָל סְטְרִין, דְּכַד יִשְׂרָאֵל שְׂרִינן בְּאֶרְעָא קְדִישָׁא, זְכָאִין, זְכָאִין תְּדִיר בְּכָלֵא, זְכָאִין לְעִילָא וְתַתָּא.

130. ד"א וּבָאוּ הָאוֹבְדִים, מֵאֵן אִינוּן. אֵלִין צְדִיק וּכְנֶסֶת יִשְׂרָאֵל. דְּאֶקְרוּן אוֹבְדִים. מִנְלָן. כְּנֶסֶת יִשְׂרָאֵל, דְּכֶתִיב עַל מַה אֲבָדָה הָאֶרֶץ, אֲבָדָה אוֹ נֶאֱבַדְתָּ לֹא כֶתִיב, אֵלֶּא אֲבָדָה הָאֶרֶץ, דָּא כְּנֶסֶת יִשְׂרָאֵל. צְדִיק, דְּכֶתִיב הַצְדִּיק אֲבָד, אֲבָד אוֹ נֶאֱבַד לֹא כֶתִיב, אֵלֶּא אֲבָד, וְהָא אוֹקְמוּהָ.

131. וְאִי תִימָא, וּבָאוּ מֵאֵן אֲתֵר אֲתִינן אֵלִין אוֹבְדִים. אֵלֶּא, כְּנֶסֶת יִשְׂרָאֵל מִן גְּלוּתָא. צְדִיק, כְּמַה דְּאוֹקְמוּהָ, דְּכֶתִיב בְּשׁוּב יי' אֶת שִׁיבַת צִיּוֹן, בְּגִין דְּיִתְּוֹב לְאֲתֵרֵיהּ, וְיִתִּי לְאֲתַחְבְּרָא בְּכְנֶסֶת יִשְׂרָאֵל. וְעַל דָּא, וּבָאוּ הָאוֹבְדִים בְּאֶרֶץ אַשּׁוּר. וְהִשְׁתַּחֲוּ לֵינִי בְּהַר הַקֹּדֶשׁ בִּירוּשָׁלַיִם, מֵאִי קָא מִיּוּרֵי. אֵלֶּא מְלָה דָּא דְּהִנְדְּחִים בְּאֶרֶץ מִצְרַיִם, כְּבִיכּוֹל, יִשְׂרָאֵל לֹא יִפְקֹן מִן גְּלוּתָא, אֵלֶּא בְּשִׁכְנִיתָא, כְּמַה דְּאוֹקְמוּהָ, וְאִינוּן נְדַחִים הִשְׁתַּחֲוּ לֵינִי.

132. Rabbi Aba continued, It is written, "Hashem shall preserve your going out and your coming in from this time forth, and for evermore" (Tehilim 121:8). HE ASKS, "preserve your going out" is correct, but what is meant by, "your coming in"? For whoever enters his house is not afraid AND NEEDS NOT BE KEPT. HE ANSWERS, The man who places the holy mark in his house with the words of the Supernal Name, NAMELY THE MEZUZAH, is kept from everything. When that man goes out of his apartment to the house gate, he lifts up his eyes, sees the holy mark and looks at the gate. When he leaves, it escorts and guards him. When that man enters, it pronounced before him, Take care of the honor of the King's image. All this because of that mark of the Holy Name that is marked on his door.

133. Not only is a man kept in his house, the Holy One, blessed be He, keeps him when he comes in and goes out, as written, "Hashem shall preserve your going out and your coming in." Happy are Yisrael in this world and in the World to Come.

134. Come and see, woe to the man who does not know how to beware of the evil spirit that lies between the doorposts, and does not mark the gate to his house with a holy Supernal Name, NAMELY THE MEZUZAH, to be with him. For that evil spirit has 365 evil prosecuting officers IN THE 365 DAYS OF THE YEAR; each serves on its day. They are all present with him, WITH THAT MAN, throughout the days of the year and denounce him above and below. They are all with him day and night. They prosecute him by day and by night distress him in his dreams.

135. When it is about to denounce him when he enters HIS HOUSE, they put their hands on his shoulders and say to him, Woe to so and so who left his Master's domain. Woe to so and so in this world and in the World to Come. For that reason the faithful should be marked in every way, marked with their Master's imprint, NAMELY WITH THE PRECEPT, so every aspect of evil species shall fear them and so they will be kept in this world and in the World to Come. Happy is the lot of Yisrael. It is written of them, "Your people also shall be all righteous. They shall inherit the land for ever" (Yeshayah 60:21).

132. תו אמר רבי אבא, כתיב, יי' ישמור צאתך ובואך מעתה ועד עולם. ישמר צאתך תינח. אלא ובואך, מאי קא מיירי, דהא מאן דעאל לביתיה לא מסתפי. אלא האי ב"נ דשוי רשימא קדישא לביתיה, במלין דשמא עלאה, האי אתנטור מכלא. כד נפיק ההוא דמדוריה לתרעא דביתיה, זקיף וזמי רשימא קדישא, ועיין בפתחיה. כד נפיק ב"נ, הוא אזיף ליה, ונטור ליה. כד עייל לביתיה, הוא אכריז קמיה, אזדהרו ביקרא דדיוקנא דמלכא קדישא. וכל דא, בגין ההוא רשימא דשמא קדישא, דאתרשים בתרעיה.

21. "And you shall love Hashem your Elohim"

Rabbi Yosi talks about the pleasure that God takes in the children of Yisrael when they are in their own land, and the anguish He feels when they are in exile. Rabbi Yosi emphasizes that there is no worship like the love of God. Rabbi Aba concurs, saying that love is the essence of the Torah. He says that you must love God with both your good and your evil heart and with your good and your evil soul. Rabbi Aba gives the example of Abraham, who gave up his own wishes, his son, his wife and his money for the love of God; this is why he was given the crown of Chesed, and why all the worlds were blessed for his sake. Rabbi Yosi tells the rabbis that the righteous have many dwellings in the world beyond, and the highest of all is for those who are connected to the love of God, and their chamber is connected to the highest chamber, that is called Love. Everything is called love and therefore whoever loves God is connected to that love.

136. "And you shall love Hashem your Elohim" (Devarim 6:5). Rabbi Yosi opened, "Now therefore, what have I here, says Hashem, that My people is taken away for naught..." (Yeshayah 52:5). Come and see the love of the Holy One, blessed be He, for Yisrael. Even though transgressions caused His departure from among them and they dispersed among the nations, He demands satisfaction for their insult. Come and see, when Yisrael live in their land and the Holy One, blessed be He, takes delight in His garden, MALCHUT, and comes near Yisrael, and hears their voices, He praises Himself with them.

137. When their transgressions caused Yisrael to become exiled from the Holy Land, the Holy One, blessed be He, does not enter His garden, MALCHUT, and takes no delight in it. Moreover, He cries out and says, "Now therefore, what have I here, says Hashem." It is written elsewhere, "here will I dwell; for I have desired it" (Tehilim 132:14). AS "HERE" IN THE LATTER IS THE SHECHINAH, SO "HERE" IN THE FORMER IS THE SHECHINAH. "My people is taken away for naught" is the same as, "You were sold for naught" (Yeshayah 52:3).

138. Ever since the day Yisrael was exiled from their country there is no joy before the Holy One, blessed be He. This is the meaning of, "I clothe the heavens with blackness, and I make sackcloth their covering" (Yeshayah 50:3). All this is for the love the Holy One, blessed be He, has for them, as written, "I have loved you, says Hashem" (Malachi 1:2). Hence, "And you shall love Hashem your Elohim." "And you shall love" MEANS that man should be connected to Him with supernal love that at every worship man should serve the Holy One, blessed be He; let him perform it with love. For there is no worship like the love for the Holy One, blessed be He. Rabbi Aba said, These things, NAMELY LOVE, are the essence of the Torah, since the Ten Commandments are included here. The friends have already explained it.

139. Come and see, nothing is more precious before the Holy One, blessed be He, than he who loves Him properly. This accords with the verse, "with all your heart" (Devarim 6:5). What is meant by "all"? It should have said, 'with your heart' AND ALSO 'with your soul, and with your might'. What is, "with all your heart"? AND HE ANSWERS, Its purpose is to include two hearts, a good one and an evil. "With all your soul" (Ibid.) IS WITH TWO SOULS, a good one and an evil. "With all your might" (Ibid.) IS LITERAL AND needs no interpreting. Rabbi Elazar said, Even this needs interpreting. The reason is that whether he receives money as an inheritance or from another source, or whether he earns it, it is written of it, "with all your might."

136. וְאַהֲבַת אֶת יְיָ אֱלֹהֶיךָ. רַבִּי יוֹסִי פָתַח, וְעַתָּה מַה לִּי פֶה נֹאֵם יְיָ כִּי לָקַח עִמִּי חֲנָם וְגו'. ת"ח, רְחִימוּתָא דְקוֹדֶשׁא בְרִיךְ הוּא בְיִשְׂרָאֵל אַע"ג דְּחֻבְיָהוּ גְרָמוּ לְאַסְתַּלְקָא מִבִּינְיָהוּ, וְאַתְבָּרְרוּ בִּינֵי עַמְמֵי, הוּא תִּבַּע עַלְבוּנָא דְלֵהוֹן. וְת"ח, בְּשַׁעֲתָא דְיִשְׂרָאֵל שְׂרָאן בְּאַרְעָהוֹן, קוֹדֶשׁא בְרִיךְ הוּא מְשַׁתַּעֲשַׁע בְּגַנְתֵּיהּ, וְקָרִיב לְגַבְיָהוּ דְיִשְׂרָאֵל, וְשָׁמַע קְלִיָּהוֹן, וְאַשְׁתַּבַּח בְּהוּ.

140. Rabbi Aba said, Let us return to the verse, "And you shall love." Whoever loves the Holy One, blessed be He, is adorned with Chesed on every direction, does kindness with everyone, and cares not for his body or money. We derive that from Abraham, as we learned, who, for love of his Master had no pity on his own heart, soul or money.

141. HE EXPLAINS HIS WORDS: his own heart means that ABRAHAM did not pay attention to his own wishes for love of his Master; his soul means that he had no pity on his son and his wife for love of his Master; his money means that he used to stand at the crossroads and prepare nourishment for the whole world. For that reason he was adorned with a crown of kindness, NAMELY THE SFIRAH OF CHESED, as written, "loyal love (Heb. Chesed) to Abraham" (Michah 7:20). Whoever is connected to the love for his Master merits that. Moreover, all the worlds are blessed for his sake. This is the meaning of, "and Your pious ones shall bless You (Heb. yevarchuchah)" (Tehilim 145:10). Do not pronounce it as "shall bless You," but 'shall bless (Heb. yevarchu) koh'. THIS MEANS THAT THE PIOUS ONES (HEB. CHASSIDIM), NAMELY THOSE WHO ATTAINED THE SFIRAH OF CHESED, SHALL BLESS THE SHECHINAH CALLED 'KOH'. THUS EVEN THE SHECHINAH IS BLESSED FOR THEIR SAKES.

142. One day Rabbi Yosi was ill. Rabbi Aba and Rabbi Yehuda visited him. They saw him prostrated on his face, sleeping. When he awoke FROM HIS SLEEP, they saw his face smiling. Rabbi Aba said to him, You have seen something new. He said to them, Indeed, for my soul rose and saw the glory of those who suffered martyrdom for the sanctity of their Master going into thirteen rivers of pure balsam and the Holy One, blessed be He, taking delight in them. I saw what I was given no permission to relate. I asked them saying, Whose glory is this, and they told me it is that of those who loved their Master in that world, NAMELY THIS WORLD. From what my soul has seen, my heart is illuminated. Hence my face is smiling.

143. Rabbi Aba said, Happy is your portion. Yet the Torah bears witness to them, as written, "neither has the eye seen, that an Elohim, beside You, should do such a thing for him that waits for Him" (Yeshayah 64:3). Rabbi Yehuda said to him, The friends have enquired why it is written, "should do" in the third person, instead of the second, THOUGH IT IS WRITTEN, "BESIDE YOU" IN THE SECOND PERSON.

143. א"ל ר' אבא, זכאה חולקך, אבל אורייתא אסהיד בהו, דכתיב עין לא ראתה אלהים זולתך ועשה למחכה לו. א"ל ר' יהודה, הא שאילו חבריאי, דא דכתיב ועשה, תעשה מבעי ליה.

144. He said to him, We have learned that, yet its secret is the words, "to behold the beauty of Hashem, and to inquire in His temple" (Tehilim 27:4). We have explained that "the beauty of Hashem" is THE PLENTY coming from Atika Kadisha, WHICH IS KETER, in which the Holy One, blessed be He, takes delight. For that beauty comes out of Atika. "to inquire in His temple" refers to the highest temple, BINAH. Here too, "neither has the eye seen, that an Elohim, beside You, should do." Who SHALL DO? That most hidden Atika, for that PLENTY comes from it. HENCE "SHOULD DO" IS WRITTEN IN THE THIRD PERSON. He said to him, It is surely so. Happy is the portion of those whose Master's love cleaves to them. Their portion in that world is immeasurable.

145. The righteous have many dwellings upon dwellings in that world, and the highest apartment is for those to whom the love of their Master is connected, for their dwelling is connected to the chamber that surpasses everything. The reason is that the Holy One, blessed be He is adorned with it, WITH LOVE.

146. Come and see, this HIGHEST chamber is called love, and everything is based on love, as written, "Many waters cannot quench love" (Shir Hashirim 8:7). Everything is based on love, because the Holy Name, YUD HEI VAV HEI, is this way. For we have explained that Yud OF YUD HEI VAV HEI, WHICH IS CHOCHMAH, its higher tip, WHICH IS KETER, is never separated from it, since KETER rests on it with love and never separates from it. As for Hei OF YUD HEI VAV HEI, WHICH IS BINAH, it has been explained that Yud, WHICH IS CHOCHMAH, never separates from it and they are together lovingly, NOT separated from each other. Such is Hei OF YUD HEI VAV HEI, as we learned that it accords with the words, "And a river went out of Eden" (Bereshheet 2:10). THE RIVER IS BINAH AND EDEN IS CHOCHMAH. BINAH always comes out OF CHOCHMAH, and they cleave always with love.

147. When Vav-Hei, WHICH ARE ZEIR ANPIN AND MALCHUT, cleave to each other with love together, a groom with a bride, who are customarily always in love, then Yud is with Hei, Hei with Vav, and Vav is with LAST Hei, mutually attached with love. Everything is called love and therefore whoever loves the King is connected to that love. Hence, "And you shall love Hashem your Elohim."

144. א"ל, הא אתמר. אבל רזא דמלאה, היינו דכתיב לחזות בנעם יי' ולבקר בהיכלו. ואוקמוה, נעם יי', ההוא דאתיא מעתיקא קדישא, דקודשא בריך הוא משתעשע ביה. דהא ההוא נעם מעתיקא נפקא. ולבקר בהיכלו, בהיכלא עילאה על כלא. אוף הכא עין לא ראתה אלהים זולתך יעשה, מאן, ההוא עתיקא סתימא דכלא, דהא ביה תליא, א"ל ודאי הכי הוא. זכאה חולקהון דאינון, דרחימותא דמאריהון מתדבקן בהו, לאלין לית שעורא לחולקהון בההוא עלמא.

147. ו"ה פד אתדבקן דא בדא, אתדבקן בחביבותא בחדא, חתן בכלה, דארחינהו תדיר בחביבותא אשתכח. י' בה, ה' עם ו, ו' עם ה'. ודא בדא אתקשר בחביבותא. וכלא אהבה אקרי. וע"ד מאן דרחים למלכא, הא אתקשר בההוא אהבה. ובג"כ, ואהבת את יי' אלהיך.

22. "All my bones shall say"
 Rabbi Yitzchak talks about the psalms of David, and tells us that at the time of the redemption God will fix each person's bones and draw them into place. He also says that the Evil Inclination is as hard as a rock, but the Good Inclination is flesh, as we read in, "and I will take away the stony heart and I will give you a heart of flesh."

148. "And these words..." (Devarim 6:6). Rabbi Yitzchak opened, "All my bones shall say, Hashem, who is like You, who delivers the poor from him that is too strong for him, and the poor and the needy from him that robs him?" (Tehilim 35:10). David said that verse by the Holy Spirit. HE ASKS, "All my bones shall say": who has seen bones reciting poetry? AND HE ANSWERS, This verse WAS SAID of the time the Holy One, blessed be He, will resurrect the dead. And the Holy One, blessed be He, will fix the bones and draw each to its place, as written, "and the bones came together, bone to its bone" (Yechezkel 37:7), and, "and make strong your bones" (Yeshayah 58:11). Then YISRAEL will recite poetry.

149. HE ASKS, What kind of poetry will they recite, AND ANSWERS, "Hashem, who is like You." This poetry is more valuable than the one Yisrael recited by the sea, because they mentioned the Holy Name only after three words, as written, "Who is like You, Hashem, among the Elim" (Shemot 15:11). But here they put the Holy Name first, as written, "Hashem, who is like You." "who delivers the poor from him that is too strong for him" refers to the Good Inclination, WHO DELIVERS HIM from the Evil Inclination, since the Evil Inclination is hard as a rock, as written, "and I will take away the stony heart" (Yechezkel 36:26). And the Good Inclination is flesh, as written, "and I will give you a heart of flesh" (Ibid.).

23. At first the Evil Inclination is like a guest

Rabbi Chiya talks about the way the Evil Inclination insinuates its way into a person's life until it becomes his master. He says that one must constantly keep the words of Torah in his heart because it is thus that the Evil Inclination can be conquered.

150. Come and see what the Evil Inclination is like. When it comes to join man, it is like iron before it is put into the fire. After it is heated the whole of it again becomes like fire.

151. Rabbi Chiya said, When the Evil Inclination comes to join man, it is like a man who approaches the gate and sees there is no one AT HOME to detain him. It enters the house and becomes a guest, seeing there is no one to prevent it to send it on its way. Once it entered the house and no one prevents it, it is in charge over the house and becomes the landlord, so that the whole house is at its disposal.

148. וְהָיוּ הַדְּבָרִים הָאֵלֶּה וְגו'. ר' יִצְחָק פֶּתַח, כָּל עֲצָמוֹתַי תֹּאמְרָנָה יי' מִי כְמוֹךָ מִצִּיל עָנִי מִחֹזֶק מִמֶּנּוּ וְעָנִי וְאֲבִיוֹן מִגּוֹזְלוֹ. הָאִי קָרָא דוֹד אֲמַרְיָה בְרוּחָא דְקוּדְשָׁא, כָּל עֲצָמוֹתַי תֹּאמְרָנָה, וְכִי מֵאֵן חָמָא גְרָמֵי דְאֲמָרוּ שִׁירְתָּא. אֶלָּא הָאִי קָרָא, בְּזִמְנָא דְקוּדְשָׁא בְרִיךְ הוּא זְמִין לְאַחֲיָא מִתְּיָא, וְזְמִין קוּדְשָׁא בְרִיךְ הוּא לְאַתְקַנָּא גְרָמֵי, וְלִקְרַבָּא כָּל חַד וְחַד לְאַתְרֵייהוּ, דְכֹתִיב וְתִקְרְבוּ עֲצָמוֹת עֲצָם אֶל עֲצָמוֹ. וְכֹתִיב וְעֲצָמוֹתֶיךָ יַחְלִיץ. כַּדִּין זְמִינִין אֲיִנוֹן לְמֵימַר שִׁירְתָּא.

149. מֵאִי שִׁירְתָּא אֲמַרִי. יי' מִי כְמוֹךָ וְדָא שִׁירְתָּא מִעֲלֵיָא, מִמָּה דְאֲמָרוּ וְשִׂרְאֵל עַל יָמָא, דְהָא אֲיִנוֹן לָא אֲדַכְרוּ שְׁמָא קְדִישָׁא, אֶלָּא בְתַר תְּלַת מְלִין, דְכֹתִיב מִי כְמוֹכָה בְּאֵלִים יי'. וְהֵכָא אֲיִנוֹן מִקְדָּמֵי לְשְׁמָא קְדִישָׁא, דְכֹתִיב יי' מִי כְמוֹךָ. מִצִּיל עָנִי מִחֹזֶק מִמֶּנּוּ, דָּא יִצַר טוֹב, מִיִּצַר רַע. בְּגִין דִּיִּצְהָר תְּקִיף הוּא בְּאֲבָנָא. כְּמָה דְכֹתִיב וְהִסִּירוּתִי אֶת לֵב הָאֲבָן. וְיִצַט הוּא בְּשָׂרָא, דְכֹתִיב וְנָתַתִּי לָכֶם לֵב בָּשָׂר.

150. ת"ח, יִצַר הָרַע לְמָה הוּא דוֹמָה. בְּשַׁעֲתָא דְאֲתֵי לְאִזְדוּגָא בְּב"נ, הוּא כְּפִרְזֵלָא, עַד דְעָאֲלִין לֵיה בְּנוֹרָא. בְּתַר דִּיתְחַמֵּם אֶתְהַדָּר כְּלָא כְּנוֹרָא.

151. רַבִּי חֵיָא אָמַר, יִצַר הָרַע כַּד אֲתֵי לְאִזְדוּגָא בֵּיה לְב"נ, דְמֵי לְב"נ דְקָרִיב לְפִתְחָא, וְחָמֵי דְלָא אֵית מֵאֵן דְמַחֵי בִידֵיה. עָאֵל לְבֵיתָא, וְאֶתְעֵבִיד לֵיה אַרְח. חָמָא דְלָא אֵית מֵאֵן דְמַחֵי בִידֵיה, וְיִנְזִיל לֵיה לְאַרְחֵיה. בֵּינוֹן דְעֵיִל לְבֵיתָא, וְלָא אֵית דִּימַחֵי בִידֵיה, אֶתְמַנָּא עֲלֵיה וְאֶתְעֵבִיד מְאִרְיָה דְבֵיתָא עַד דִּישְׁתַּכַּח דְכָל בֵּיתָא קָאִים בְּרִשׁוּתֵיה.

152. Whence do I learn that? I learn it from the passage about David. It is written, "and there came a traveler to the rich man" (II Shmuel 12:4). A traveler means he approaches the gate yet does not want to stay there but go on his way. Such is the Evil Inclination AT FIRST, which, like one approaching the house, it approaches man and rouses him to sin a little, only by coincidence. When it sees no one prevents it, it is written, "to prepare it for the wayfaring man (or: 'guest') that was come to him" (Ibid.). Now he becomes a guest who stays at the house, which means it rouses him to sin more for a day or two like a guest that is kept at home for a day or two. When it sees no one prevents it, it is written, "prepared it for the man that was come to him" (Ibid.), because it became the landlord, as written, "The man, who is the lord of the land" (Beresheet 42:30), and, "Naomi's husband (lit. 'man')" (Rut 1:3). Such is the Evil Inclination, who has become a man, landlord over that man who was attached to serve it, and THE EVIL INCLINATION does with him as it pleases.

153. One must therefore constantly place upon oneself words of Torah, so that the Evil Inclination will be broken by them, for the Evil Inclination has no greater enemy than words of Torah. Hence it is written, "And these words...shall be in your heart" (Devarim 6:6). "Your heart" means your two inclinations, since the Good Inclination is adorned with them and the Evil Inclination is subdued by them. Rabbi Yehuda said, What does the Good Inclination need words of Torah for? He said to him, The Good Inclination is adorned with them, and the Evil Inclination, when it sees that the man does not repent and does not care to study Torah, it rises up and speaks ill of him. This is the meaning of, "but fools shall get (or: 'raise') shame" (Mishlei 3:35).

24. The Ten Commandments are indicated in the passage of Kriat Sh'ma Rabbi Shimon lists the ten commandments in Devarim chapter six, that correspond to the Ten Commandments that Moses gave. He says that everyone who recites them fully twice a day is blessed.

154. When Rabbi Shimon came he said, Surely the Ten Commandments are indicated in the passage of Kriat Sh'ma, as has been explained. It is surely so. "And these words" (Devarim 6:6) are the essence of the Ten Commandments. Hence there are ten commandments here that correspond to the Ten Commandments in the Torah. They are, "and you shall teach them diligently to your children 1), and shall talk of them 2), when you sit in your house 3), and when you walk by the way 4), and when you lie down 5), and when you rise up 6). And you shall bind them for a sign upon your arm 7), and they shall be as frontlets between your eyes 8). And you shall write them upon the doorposts of your house 9), and on your gates 10)" (Devarim 6:7-9). So here are ten that correspond to the Ten Commandments. Therefore these passages are a great rule in the Torah. Happy is the portion of he who recites them fully twice a day, since the Holy Name is properly sanctified by his mouth.

25. "for He is your life, and the length of your days"

The rabbis talk about the critical importance of studying and adhering to the Torah.

155. Rabbi Acha was with Rabbi Elazar one night after midnight and they were occupied with the Torah. Rabbi Elazar opened with, "for He is your life, and the length of your days..." (Devarim 30:20). Above all the precepts the Holy One, blessed be He, decrees when they entered the land of Yisrael, was the decree OF THE STUDY of Torah. The reason is that the Shechinah settles in the land solely with Torah. Nor does it settle above save with Torah, WHICH IS ZEIR ANPIN.

156. For thus did my father say, NAMELY RABBI SHIMON: The Oral Torah, MALCHUT, is known only through the Written Torah, WHICH IS ZEIR ANPIN. The Shechinah does not settle above except through the Torah STUDIED below. As long as the Torah is with Her, the Shechinah can be present in the world. This is the meaning of, "for He is your life, and the length of your days that you may dwell in the land." The land in general IS MALCHUT. But if it is not so, but the study of Torah IS NEGLECTED, it cannot survive, as written, "why does the land perish... And Hashem says, Because they have forsaken My Torah" (Yirmeyah 9:11-12).

157. While they were sitting, Rabbi Shimon lowered his head and said, It is surely so. I have found this secret in the book of Rav Hamnuna Saba, who explained the following verse as referring to the Congregation of Yisrael, WHICH IS MALCHUT: "her food, her clothing, and her duty of marriage, shall he not diminish" (Shemot 21:10). NAMELY, BY STUDYING THE TORAH, THE UNION AND PLENTY ARE NOT DIMINISHED FROM MALCHUT. If it is withheld from her, it is written, "she shall go free without money" (Ibid. 11), as in, "Where is the bill of your mother's divorcement, with which I have put her away" (Yeshayah 50:1), and, "You were sold for naught; and you shall be redeemed without money" (Yeshayah 52:3). Whoever withholds Torah from MALCHUT is like one who takes away the husband from his wife and withholds her away from him, BECAUSE HE CAUSES THE DEPARTURE OF THE SUPERNAL TORAH, WHICH IS ZEIR ANPIN, HER HUSBAND, and she remains as a widow, though not AN ACTUAL widow. This is the meaning of, "how is she become like a widow" (Eichah 1:1), yet not a widow.

158. They sat and dealt with the Torah until daylight. With daylight they rose to go. While they were walking they saw a man walking on the way with his head covered. They approached him but he was muttering with his lips and did not respond at all to them. Rabbi Elazar said, Surely he takes counsel from his Master, NAMELY, HE RECITES THE WAYFARER'S PRAYER. Rabbi Elazar and Rabbi Acha sat down and prayed, while that man stood in another place. When they finished praying, they went on their way and that man slipped off from them. Rabbi Elazar said, This man is either a fool or his customs are improper. He said, Let us be occupied with the Torah, since it is time TO BE OCCUPIED WITH THE TORAH.

155. ר' אַחָא, הוּוּה קָאִים עִמִּיהּ דְר' אֶלְעָזָר, לִילִיָא חַד, בְּתַר פְּלַגוּת לִילִיָא, וְהוּוּ מְשַׁתְּדְלִי בְּאוּרִייתָא. פְּתַח ר' אֶלְעָזָר, וְאָמַר, כִּי הוּא חַיִּיךְ וְאוּרְךְ יַמֶּיךְ וְגו'. ת"ח, עַל כָּל פְּקוּדֵין דְּגִזּוּר קוּדְשָׁא בְּרִיךְ הוּא בְּדַ עָאֵלוּ לְאַרְעָא דִּישְׂרָאֵל, גִּזְרָה דְּאוּרִייתָא הוּוּה. מֵאִי טַעְמָא, בְּגִין דְּשְׁכִינְתָא לֹא מְתִישְׁבָא בְּאַרְעָא, אֶלָּא בְּאוּרִייתָא. וְלֹא מְתִישְׁבָא לְעִילָא, אֶלָּא בְּאוּרִייתָא.

158. יתבו אתעסקו באורייתא, עד דנהיר יומא. בתר דנהיר יומא, קמו ואזלו. עד דהו אזל, חמו חד גבר דהו אזל בארחה, ורישיה עטיף, קריבו גביה, והוה רחיש בשמוותיה, ולא אתיב לון מדי. אמר רבי אלעזר, ודאי האי אמלך במאריה. יתיב רבי אלעזר ורבי אחא וצלו צלותא, והווא גבר קאים בקיומיה באתר אחרא. בתר דסיימו צלותא, אזלו בארחה, והווא גברא אשתמיט מנייהו. אמר רבי אלעזר, האי גברא, או טפשא הוא, או ארחוי לא מתישרן. אמר נתעסק באורייתא, דהא שעתא היא.

26. "The wise shall inherit honor"

The rabbis examine the verse, "The wise shall inherit honor, but fools shall get shame", and they decide that Egypt is not among those nations that can be punished through lack of rain because they are watered by the Nile, but the Holy Land always drinks from heaven.

159. Rabbi Elazar said, "The wise shall inherit honor, but fools shall get shame" (Mishlei 3:35). "The wise shall inherit honor": happy are those who study Torah. Before he started talking, that man approached them. Rabbi Elazar said, We must not interrupt words of Torah, since whoever studies Torah, merits to receive the inheritance of possession from above of the glory of the King, ZEIR ANPIN, and merits to receive the inheritance of possession in this world. This is that which is called the glory of Hashem, NAMELY MALCHUT CALLED THIS WORLD, which never ceases from them. This is the meaning of, "The wise shall inherit honor," THAT IS, THEY SHALL INHERIT MALCHUT, which is called the glory of Hashem.

159. פתח רבי אלעזר ואמר, כבוד חכמים ינחלו וכסילים מרים קלון. כבוד חכמים ינחלו, זכאין אינון דמתעסקי באורייתא. עד לא פתח מלה, קריב ההוא בר נש גבייהו. אמר ר' אלעזר, לית לן למפסק מלי דאורייתא, דכל מאן דאשתדל באורייתא, זכי למירת ירותא דאחסנא דלעילא, ביקרא דמלכא עלאה קדישא, זכי למירת ירותא דאחסנא בהאי עלמא, ומאי איהו. ההוא דאקרי כבוד יי, דלא פסק מנייהו לעלמא. הה"ד, כבוד חכמים ינחלו, ההוא דאקרי כבוד יי.

160. HE ASKS what is meant by, "but fools shall get shame" AND ANSWERS, Come and see, when man walks the true way before the Holy One, blessed be He, and is occupied with the Torah, he inherits to himself that glory of Hashem. Many defenders and advocates are above over that man, who all speak in his favor before the Holy King. If that man does not study Torah and does not walk in his Master's way, he brings about prosecution over himself, but that prosecutor roams the air and does not yet rise up, THINKING that man might repent. After seeing that man does not repent nor wishes to study Torah, he then rises up and speaks ill of him. This is the meaning of, "but fools shall get (or: 'raise') shame," since he rises up and prosecutes.

160. וכסילים מרים קלון, מאי הוא. ת"ח, כד בר נש אזל בארחה מישר קמי קודשא ב"ה, ואשתדל באורייתא, הא ההוא כבוד יי ירית לגרמיה, וכמה אפטרופטין סניגורין אשתכחו לעילא עליה דב"נ, וכלהו אולפין עליה זכו, קמי מלכא קדישא, ואי בר נש לא אשתדל באורייתא, ולא אזל בארחה דמאריה, הוא עביד קטיגורא עליה. והווא קטיגורא שאט באוירא, ולא סליק לעילא, דלמא יתוב אדם מחובוי. פיון דחמי דבר נש לא תב, ולא בעי לאשתדל באורייתא, בדין הוא סליק לעילא, ואולף עליה חובא. הה"ד, וכסילים מרים קלון, וסליק לעילא ועבד קטרוגא.

161. He opened and said, "And if the family of Egypt does not go up, and does not come, then they shall have no overflow" (Zecharyah 14:18). HE ASKS, Why is Egypt different here than the rest of the nations? It is written of them all, "upon them shall be no rain" (Ibid. 17), yet here it is not WRITTEN SO. AND HE ANSWERS, The friends have explained that Egypt does not need rain, BECAUSE IT DRINKS THE WATERS OF THE NILE. Hence it is not among those in need of rain, but another punishment shall come to them. And it has been well said.

162. Come and see, it is written, "For the land, into which you go to possess it, is not as the land of Egypt, from whence you came out..." (Devarim 11:10), where the river rises and waters the land. But here, it "drinks water of the rain of heaven" (Ibid. 11), for the Holy Land always drink from heaven. And when Yisrael were occupied with the Torah, it used to properly drink. And whoever withholds Torah from it, it is as if he withholds goodness from the whole world. They entered a cave on the way. The man entered with them and they sat down.

27. "Face to face"

A stranger sits with the rabbis in a cave and speaks to them about Moses, saying that he was distinguished from all other prophets in the world. Moses was able to lift up his head and actually look at the supernal radiance, while still retaining a settled mind. As long as Joshua was with Moses he drew nourishment from Malchut and had no fear, but after he was on his own he could not even look directly at a messenger from God.

163. The man began by saying, "And Hashem spoke to Moses face to face, as a man speaks..." (Shemot 33:11). In this verse the beginning does not fit the end nor does the end the beginning; a word does not fit with another. For at first it says, "And Hashem spoke to Moses face to face," which is well. Then it says, "And he turned back to the camp" (Ibid.), WHICH IS NOT CONNECTED WITH, "AND HASHEM SPOKE..." Then, "but his servant Joshua, the son of Nun, a young man..." (Ibid.). What does that mean? IT HAS NO CONNECTION TO, "AND HE TURNED BACK TO THE CAMP." Rabbi Elazar said, Surely the Holy One, blessed be He, wishes to honor us for now we are connected with the Shechinah, who shall not leave us. Whoever opened this opening, let him speak.

164. He said, "And Hashem spoke to Moses face to face." With many supernal, precious grades Moses the faithful prophet was distinguished from all other prophets in the world, who were all before him as a monkey before man. The other prophets used to look at the non-shining mirror, yet they did not lift up their faces to behold, but, as written, "I was in a deep sleep on my face, and my face towards the ground" (Daniel 10:9). Moreover, these things were not in the open for them.

161. פתח ואמר, ואם משפחת מצרים לא תעלה ולא באה ולא עליהם תהיה המגפה וגו'. מאי שנא מצרים הכא, מכל שאר עמין, דהא לכלהו כתיב ולא עליהם יהי הגשם, והכא לא. אלא הא אוקמוה חבריאי, דהא ארעא דמצרים לא אצטריך למטרא, וע"ד לאו היא בכללא דאינון דבען מטרא, אבל אינון דינא אחרא אסתלק עלייהו, ושפיר קאמרו.

162. ת"ח, כתיב כי הארץ אשר אתה בא שמה לרשתה לא כארץ מצרים היא אשר יצאתם משם וגו'. דהא נהרא סליק מניה משתקוויא ארעא, אבל הכא למטר השמים תשתה מים, דהא ארעא קדישא מן שמיא אתשקוויא תדיר. וכד ישראל הוו עסקין באורייתא, הוה אתשקוויא בדקא יאות. ומאן דמנע אורייתא מנה, באילו מנע טב מן כל עלמא. עאלו לגו מערתא חדא דהוה בארחה, עאל ההוא גבר עמהון, יתבו.

163. פתח ההוא גברא ואמר, ודבר יי' אל משה פנים אל פנים כאשר ידבר וגו', האי קרא לאו רישיה סיפיה ולא סיפיה רישיה. ולא מלה דא כמלה דא, בקדמיתא ודבר ה' אל משה פנים אל פנים שפיר, לבתר ושב אל המחנה, לבתר ומשרתו יהושע בן נון נער, מהו. א"ר אלעזר ודאי קודשא בריך הוא אתרעי ביקרא דילן, דהשתא זוגא דילן בשכינתא, ושכינתא לא אתערי מנן. מאן דפתח פתחא, לימא מלה.

164. פתח ואמר, ודבר יי' אל משה פנים אל פנים, בכמה דרגין עלאין ויקירין, אתפרש משה נביאה מהימנא, על כל שאר נביאי דעלמא. דהא בלהו לקבליה, כקוף בפני בני נשא. שאר נביאי הוו מסתבלי באספקלריא דלא נהיר, ועם כל דא לא הוו זקמן אנפין לעילא לאסתכלא, אלא כמה דכתיב, ואני הייתי נרדם על פני ופני ארצה. ולא עוד אלא דמלין לא הוו גבייהו באתגלייא.

165. Moses the faithful prophet was not so, for he beheld the shining mirror and stood his ground. Furthermore, he used to lift up his head to look, as one saying to his neighbor, Lift up your head and let your face gaze at mine, so you shall know what I am saying. So did Moses do, who lifted up his head face to face without fear. His face was lifted UPWARDS and he was beholding the supernal, precious radiance. His mind and countenance did not change like other prophets, since OTHER PROPHETS, if they looked when prophesying, went out of their mind, their countenance changed, and they knew nothing of this world.

166. Moses was not so, since Moses used to behold that very highest grade, WHICH IS ZEIR ANPIN, and did not lose his mind, because when he beheld the precious supernal radiance, immediately, "he turned back to the camp" and talked with them about their needs. His mind was settled as before, and even more so. Hence, AFTER, "HASHEM SPOKE TO MOSES FACE TO FACE," it is said, "And he turned back to the camp." THEN IT IS SAID, "but his servant Joshua, the son of Nun, a young man..." Surely he received from the tent, for he was studying how to observe through the Holy Spirit, as written, "And the child Samuel ministered to Hashem" (I Shmuel 3:1).

167. Come and see, as long as Joshua was with Moses, he used to study and be nourished from within the tent, WHICH IS MALCHUT, and have no fear. After he separated from Moses and was on his own, it is written, "And Joshua fell on his face to the earth, and bowed down" (Joshua 5:14), because he could not look. This was before a messenger; all the more so from another place.

168. THIS IS LIKENED to a man with whom the king deposited vessels of gold and precious stones. As long as it was with him, the servant of the house used to touch them and look at them. Once that man died, the king left nothing with the servant but came and took his keepsake. The servant said, Woe to me that I lost ALL THESE PRECIOUS THINGS. When my master was alive, they were all at my disposal.

169. Such was Joshua. When Moses was alive he used to be nourished daily from the tent, WHICH IS MALCHUT, and had no fear. After MOSES died, "Joshua fell on his face." And I, since I am among you, may look at words of Torah without fear. After withdrawing from you, I cannot look on my own.

28. "and you shall teach them diligently to your children"

We read of a man's obligation to teach the Torah to his children and to be an example to them of how people should conduct themselves when they

are guided by the Torah.

170. He spoke further, "and you shall teach them diligently (Heb. veshinantam) to your children, and shall talk of them..." (Devarim 6:7). "VESHINANTAM" MEANS as in, "Your arrows are sharp (Heb. shenunim)" (Tehilim 45:6). For a man should teach his son words of Torah as a sword which is sharp on its two sides, so as to introduce into him sharpness and the joy of Torah, and his heart shall not be in folly. "and shall talk of them" means that all the things in the Torah, each THING has its own way. "and (shall) talk of them": HE ASKS, This verse should have been in the future tense, AND ANSWERS, The man himself should conduct himself by them and behave so as not to deviate right or left.

171. "when you sit in your house" (Devarim 6:7), namely conduct himself in his house in the right way, the correct way, so that his household will learn from him. He should deal with them composedly and joyfully, and not cause too much fear in his house. All his actions at home should be composed. "and when you walk by the way" to be guided by words of Torah. And he should correct himself through them as proper to conduct himself by way of the Torah, which is like Jacob CONDUCTED HIMSELF ON THE WAY IN THREE THINGS, for a present, for prayer and for war. He should pray to his Master, BUT words of Torah are more valuable than prayer.

172. "and when you lie down" (Ibid.) MEANS to conduct himself with fear of his Master, with holiness, with humility, not to be impudent before his Master. "and when you rise up" (Ibid.) means to give praise to his Master who returned his soul. For he is present before his Master with many sins, yet the Holy One, blessed be He, did kindness by him and returned his soul to his body. "And you shall bind them as frontlets between your eyes" (Ibid. 8), has been explained as referring to the dark hand, which is the left hand, WHICH IS DARKER AND WEAKER THAN THE RIGHT. In the book of Agadah it said, 'yadechah (Eng. 'your hand')' means the hand (Heb. yad) of koh, WHICH IS MALCHUT CALLED KOH, as written, "So (Heb. koh) shall your seed be" (Beresheet 15:5).

29. The four compartments of the Tefilin

We hear of how the friends who live in the south explained the four compartments of the Tefilin, but the rabbis say they do not agree with their interpretation because their inclusion of the supernal Keter as the first of the compartments is incorrect; this is because the supernal Keter includes everything. We learn about the four passages in the brain and the four passages in the heart; these are the four Mochin of Zeir Anpin and the four of Malchut. Rabbi Elazar talks about Judgment and Mercy, and says that one can always tell from which grade a prophet has drawn his prophecy.

170. תו פתח ואמר, ושננתם לבניך ודברת בם וגו'.
כד"א חציך שנונים. דבעי ב"נ לחדרא מלי

ולא ישתכח לביה בטפשותא. ודברת בם, כל מלין
דאורייתא, כל חד וחד אורחא ליה בלחודו. ודברת
בם, ותדבר מפעי ליה. אלא בעי ב"נ לאנהגא
גרמיה בהו, ולאנתהגא גרמיה, דלא יסטי לימינא
ולשמאלא.

171. בשבתך בביתך, לאנהגא גרמיה בביתיה
בארץ מישר ובארץ תקונא, דילפון מניה בני ביתיה
לאנהגא גרמיה עמהון בנחת ובחידו, ולא יטיל
דחילו בבני ביתיה יתיר, וכל עובדוי בביתיה בארץ
תקונא. ובלכתך בדרך, לאנהגא במלי דאורייתא,
ולתקנא גרמיה בהו כמה דאצטריך, ולדברא גרמיה
באורחוי דאורייתא. ומאי איהו. כמה דיעקב.
לדורון. לקרבא. לצלותא. וצלותא בעי לצלאה
למאריה, ועילא מנהון מלי דאורייתא.

172. ובשכבך, לדברא גרמיה בדחילו דמאריה,
בקדושה, בענוה דלא ישתכח חציף לקבליה
דמאריה. ובקומך, למיהב תושבחן למאריה דאתיב
נשמתייה. דהא בכמה חיובין אשתכח קמי מאריה,
וקודשא בריך הוא עביד עמיה חסד, ואתיב לה
לגומיה. וקשרתם לאות על ידכה. הא אוקמה, על
יד כהה, ודא הוא שמאלא. ובספרא דאגדתא אמר,
על יד כ"ה. כד"א כ"ה יהיה זרעך.

173. The friends who live in the south have explained, with their secrets, the four compartments of the Tefilin in the following manner. "Sanctify to Me all the firstborn (Heb. Kadesh li)" (Shemot 13:2): FIRSTBORN unspecified corresponds to Keter, highest of all, WHICH IS CALLED FIRSTBORN. "And it shall be, when Hashem your Elohim shall bring you (Heb. vehayah ki yeviacha)" (Devarim 6:10) corresponds to Chochmah. "Hear, O Yisrael (Heb. sh'ma Yisrael)" together with "And you shall love Hashem your Elohim (Heb. ve'ahavta)" (Devarim 6:4-9) correspond to Binah. "And it shall come to pass, if you hearken (Heb. vehayah im shamo'a)" (Devarim 11:13-17) corresponds to Chesed. They are all then included in THE TEFILIN IN the left arm that is called might, as written, "and by the arm of His strength" (Yeshayah 62:8). Strength is nothing but Torah; strength is nothing but Tefilin.

174. We do not agree with these words. The reason is that the supernal Keter includes everything, and is not part of the reckoning OF THE FOUR PASSAGES. Moreover, "And it shall be, when Hashem your Elohim shall bring you" derives from the exodus from Egypt, which is that place where freedom is bestowed on slaves, NAMELY BINAH. Hence the way OF OUR FRIENDS IN THE SOUTH is incorrect. But we start from Chochmah, THAT "SANCTIFY TO ME ALL THE FIRSTBORN" IS CHOCHMAH INSTEAD OF KETER, and it is so. And the Holy One, blessed be He, WHO IS ZEIR ANPIN, put on TEFILIN. There are four passages above and four below. HE EXPLAINS, there are four in the area of the brain, NAMELY, THEY ARE THE FOUR MOCHIN OF ZEIR ANPIN; there are four in the area where the heart dwells, WHICH IS MALCHUT, because the one is connected with the other; ZEIR ANPIN IS CONNECTED WITH MALCHUT.

175. Man should be crowned with them because they are the supernal Holy Name, NAMELY, YUD HEI VAV HEI, as written, "And all people of the earth shall see that you are called by the name of Hashem..." (Devarim 28:10). Whoever is adorned with this supernal holy crown is called a king on earth. And the Holy One, blessed be He, is a king in heaven. This is the meaning of, "a king caught in its tresses" (Shir Hashirim 7:6). Just as the Holy One, blessed be He, is king above, so is he a king below. "And you shall write them upon the doorposts of your house" (Devarim 6:9), so that the man shall be perfect in everything and perfect by his Master's commandments, marked above and marked below. Happy is the lot of Yisrael.

176. Rabbi Elazar opened and said, I have found two verses, and though it comes from one grade, nevertheless they are not of the same grade. The one verse writes, "Thus says Hashem Tzevaot (Eng. 'Lord of Hosts')" (Chagai 1:7), and another writes, "Thus says Hashem Elohim" (Yeshayah 7:7). What is the difference between them? HE ANSWERS, When it is written, "Thus says Hashem Tzevaot" the matter comes with Mercy, and when it is written, "Thus says Adonai Elohim," it comes with Judgment.

173. וְחִבְרֵינָא יִתְבִי דְרוּמָא אוֹקְמוּהָ בְרוּזָא דְלֵהוּן, אַרְבַּע בְּתֵי דְתַמְלִין כְּהַאי גּוּוּנָא. קִדְשׁ לִי כָל בְּכוֹר סֵתָם, לְקַבֵּל כְּתָרָא עֲלָאָה דְכָלָא. וְהִיָּה כִּי יִבְיֵאֲךָ, לְקַבֵּל חֲכָמָה. שְׁמַע יִשְׂרָאֵל וְאַהֲבֵתָ, לְקַבֵּל בִּינָה. וְהִיָּה לְקַבֵּל חֶסֶד. לְבָתֵר כְּלִילָן כְּלֵהוּ בְּדְרוּעָא שְׁמָאֵלָא, דְאַקְרִי עֵז. וּכְתִיב, וּבְזֹרֹעַ עֵז. וְאִין עֵז, אֵלָא תּוֹרָה, וְאִין עֵז, אֵלָא תַּפְלִין.

175. וּבְעֵי ב"נ לְאַתְעֵטְרָא בְּהוּ, בְּגִין דְאִיהוּ שְׁמָא קְדִישָׁא עֲלָאָה. דְכְתִיב, וְרָאוּ כָל עַמֵי הָאָרֶץ כִּי שָׁם יְיָ וְגו'. וְכָל מֵאן דְמִתְעֵטֵר בְּעֵטְרָא קְדִישָׁא עֲלָאָה דָּא, אַקְרִי מֶלֶךְ בְּאַרְעָא. וְקוּדְשָׁא בְרִין הוּא מֶלֶךְ בְּרִקִיעַ. הֵה"ד מֶלֶךְ אֲסוּר בְּרֵהִטִים. כְּמָה דְקוּדְשָׁא בְרִין הוּא מֶלֶךְ לְעִילָא, הִכִּי נְמִי הוּא מֶלֶךְ לְתַתָּא. וּכְתַבְתֵּם עַל מְזוּזוֹת בֵּיתְךָ, בְּגִין דִּיהוּי בְּרַ נְשׁ שְׁלִים בְּכָלָא, וְיִשְׁתַּבַּח שְׁלִים בְּפִקּוּדֵי דְמֵאֲרִיָּה, רְשִׁים לְעִילָא, רְשִׁים לְתַתָּא, זְכָאָה חוּלְקֵהוּן דְיִשְׂרָאֵל.

176. פֶּתַח ר' אֶלְעָזָר וְאָמַר, תְּרִי קְרָאִי אֲשַׁבְּחָנָא, דְּאֵע"ג דְכָלָא בְּחַד דְרָגָא תְּלִין, לָאו אִינוּן מְדִרְגָא חַד. חַד קְרָא כְּתִיב, כֹּה אָמַר יְיָ צְבָאוֹת. וְחַד קְרָא כְּתִיב, כֹּה אָמַר יְיָ אֱלֹהִים. מַה בֵּין הָאִי לְהָאִי. אֵלָא בְּזַמְנָא דְכְתִיב כֹּה אָמַר יְיָ צְבָאוֹת, כְּדִין מְלָה אֲתִיָּא בְּרַחֲמֵי. וּבְזַמְנָא דְכְתִיב כֹּה אָמַר יְיָ אֱלֹהִים, כְּדִין מְלָה אֲתִיָּא בְּדִינָא.

177. HE EXPLAINS THE ISSUE: IN THE VERSE, "Thus (Heb. koh) says Hashem Tzevaot," it is because 'koh', WHICH IS MALCHUT, is blessed by the Righteous, WHO IS YESOD, and by Netzach and Hod that are called Hashem Tzevaot. Then it comes out tempered because it issues from that place, YESOD. IN THE VERSE, "Thus says Adonai Elohim," this 'koh', WHICH IS MALCHUT, is nourished from the aspect of Judgment and from the place of supernal Gvurah, THAT IS, GVURAH OF ZEIR ANPIN. I have learned from my father that Judgment is tempered with Mercy, since it is written, "Hashem Elohim," AND YUD HEI VAV HEI IS MERCY AND ELOHIM IS JUDGMENT.

178. For Elohim is always Gvurah. Adonai is always lower Gvurah. Hence it is recognized from the mouth of the prophet, ACCORDING TO THE NAME HE MENTIONED, FROM WHICH GRADE HE PROPHESED as he directed his attention to say something from its own place. The faithful would then know whence the matter is from.

30. "Curse Meroz"

The rabbis talk about the angel who will take revenge on the enemies of Yisrael in the future, and we also hear about "the stars in their courses fought against Sisera".

179. Rabbi Acha opened and said, "Curse Meroz, said the angel of Hashem" (Shoftim 5:23). Come and see, this verse is secret among supernal secrets. When the Holy King gave His house into the hands of the Queen, He put Her in charge over all weapons, lances and slings, and over all His soldiers. This is the meaning of, "Behold it is his litter, that of Solomon (THE SECRET OF MALCHUT)! Sixty valiant men are round about it, of the mighty men of Yisrael" (Shir Hashirim 3:7). It has already been explained THAT THEY ARE THE SECRET OF CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD FROM THE SIDE OF GVURAH, EACH INCLUDING TEN. When the Holy One, blessed be He, wages war, He does so through these warring mighty men we spoke of. They are considered "expert in war" (Ibid. 8).

180. It is written, "They fought from heaven; the stars in their courses fought against Sisera" (Shoftim 5:20). We have learned that when Yisrael were dedicated to exposing the holy imprint OF CIRCUMCISION in their flesh, the sword avenging the covenant, WHICH IS MALCHUT, gathered all its armies, all weapons and all soldiers to wage war with Sisera, and the stars were pouring fire from above. Rabbi Shimon said that every star has its own name, AS WRITTEN, "He calls them all by their names" (Tehilim 147:4).

177. כֹּה אָמַר יי' צְבָאוֹת, בְּגִין דְּהָאֵי כֹה, אֲתַבְרַכָּא מִצְדִּיק וּמְנַצֵּחַ וְהוּד, דְּאֶקְרִי יי' צְבָאוֹת. וּכְדִין, מְלָה בְּאֲתַבְסְמוּתָא אֲתֵינָא, דְּהָא מֵאֲתֵר דָּא קָא אֲתֵינָא. כֹּה אָמַר יי' אֱלֹהִים, כְּדִין הָאֵי כֹה יִנְקָא מִסְטְרָא דְדִינָא, מֵאֲתֵר דְּגְבוּרָה עֲלָאָה, וְאוֹלִיפְנָא מֵאֲבָא, דְדִינָא הוּא בְּרַחֲמֵי, בְּגִין דְכִתְיִב יי' אֱלֹהִים.

181. The Holy One, blessed be He, said TO THE STARS, 'Prepare yourself to revenge ON SISERA the vengeance of My children. Two vengeance shall I take from them. The first vengeance is for the six hundred chosen chariots that he left to the ministers of Egypt so as to war against Yisrael, as written, "and he took six hundred chosen chariots, and all the chariots of Egypt" (Shemot 14:7). Another vengeance is for My children, for their distressing them until now'. For that reason they were sentenced to two punishments, one with water and one with fire; with water, as written, "The wadi of Kishon swept them away" (Shoftim 5:21), and by fire, as written, "the stars in their courses."

182. Among those stars there was one who did not come for that vengeance and was eternally cursed, so that when it starts to illuminate, the other stars come and swallow it with its whole camp and they perish together, as written, "Curse Meroz, said the angel of Hashem." HE ASKS, Does that angel have permission to do that, TO CURSE ANYONE? AND HE ANSWERS, This is the angel of whom it is written, "And the angel of Elohim, who went before the camp of Yisrael" (Shemot 14:19). It is he that all wars are his, NAMELY MALCHUT.

183. "because they did not come to the help of Hashem" (Shoftim 5:23), namely when Yisrael came out of Egypt, "to the help of Hashem against the mighty men" (Ibid.), namely the mighty men who came to fight together with Sisera, NAMELY, THE SIXTY MIGHTY MEN AROUND THE BED OF SOLOMON. The secret of this angel is that all punishment and all the King's wars are his responsibility. Hence it says, "the angel of Hashem." This is the meaning of, "the angel who redeemed me..." (Bereshheet 48:16), NAMELY MALCHUT. The friends have already explained it. This ANGEL will be lofty and precious in the future to come. Thus the Holy Name will be magnified. By this ANGEL the Holy One, blessed be He, will take revenge on the heathen nations. Of this it is written, "Thus will I magnify Myself and sanctify Myself..." (Yechezkel 38:23). They walked until they reached Rabbi Shimon. When he saw them, Rabbi Shimon said, The Shechinah is here. Surely it behooves us to be grateful to the Shechinah.

31. "Lo, it is yet high day"

Rabbi Shimon says that at the end of the exile Yisrael will return to the Holy Land through the merit of their study in the Torah, but this depends on their repentance. Another explanation of the title verse is that the day of exile was lengthened due to Yisrael's evil deeds. Yisrael cannot gather together until harsh Judgment is removed by the Holy Sfirot. We learn that "the end of days" refers to Malchut, who shall be returned to her place, and the great mating that will take place between Zeir Anpin and Malchut.

184. He opened with the verse, "Lo, it is yet high day" (Beresheet 29:7). This verse has been explained that when Yisrael will rouse with repentance before the Holy One, blessed be He, they will return to the holy land and gather from exile by the merit of the Torah, since surely Yisrael will be in exile for but a day and no more, **NAMELY, THE DAY OF THE HOLY ONE, BLESSED BE HE, WHICH IS A THOUSAND YEARS LONG, NAMELY THE FIFTH MILLENNIUM.** This is the meaning of, "He has made me desolate and faint all the day" (Eichah 1:13). If they will not repent **THEN, the Holy One, blessed be He, will say, "Lo, it is yet high day, neither is it time that the cattle should be gathered together"** without merits and good deeds. But there is one remedy for you: "water the sheep" (Ibid.), delve into the Torah, so they will be watered by the waters of Torah, "and go and feed them," (Ibid.) **AND GO** to a resting place, a good place, the pleasantness of your possession.

185. According to another explanation, "Lo, it is yet high day" is the day called, "a day of trouble, and of trampling, and of confusion" (Yeshayah 22:5), on which day the Temple was destroyed and Yisrael fell into exile. Because of the evil deeds **YISRAEL DO** that day lengthens and increases. This is the meaning of, "Lo, it is yet high day, neither is it time that the cattle should be gathered together," because they lengthen that day **OF EXILE.** "water the sheep" is as we learned, namely with words of Torah, because through Torah Yisrael will come out of exile.

186. What do Yisrael say: "We cannot, until all the flocks are gathered together" (Beresheet 29:8), namely until all the rest of the supernal days, **NAMELY THE HOLY SFIROT, will gather, "and till they roll the stone,"** roll the harsh Judgment that on that day rules over "the well's mouth" (Ibid.). **FOR THIS REASON** the well, **WHICH IS MALCHUT,** is with us in exile. As soon as that well will be exposed and that stone, **WHICH IS HARSH JUDGMENT,** will have no power over it, "we may water the sheep" (Ibid.).

187. The Holy One, blessed be He, at the end of day, will return Yisrael to the holy land and gather them from exile. The end of days is that which is the last of the days, **NAMELY MALCHUT, WHICH IS THE LAST OF THE SFIROT, CALLED DAYS.** During the end of days Yisrael suffer exile. This is what is meant by, "When you are in distress, and all these things are come upon you, in the latter days" (Devarim 4:30), and, "and evil will befall you in the latter days (lit. 'the end of days')" (Devarim 31:29). The "latter days" is precise, because it is the Congregation of Yisrael, **WHICH IS MALCHUT,** which is in exile. Together with this end of days they receive punishment in exile. With it the Holy One, blessed be He, will wreak vengeance for Yisrael constantly, as written, "what this people shall do to your people in the latter days" (Bemidbar 24:14). Wherever **IT IS WRITTEN, 'THE END OF DAYS'** it refers to her, **MALCHUT.** And the Holy One, blessed be He, will return her to her place. This is the meaning of, "And it shall come to pass in the last days, that the mountain of Hashem's house shall be established" (Yeshayah 2:2). This is that which is **CALLED** day, **NAMELY THE LAST DAY, SINCE EACH SFIRAH IS CALLED DAY.**

184. פתח ואמר הן עוד היום גדול וגו'. האי קרא אוקמוה, דכד ישראל יתערון תשובה לקמי קודשא בריך הוא, בזכו אורייתא יתובון לארעא קדישא, ויתכנשו מן גלותא. דהא ודאי יומא חד יהא גלותא לישראל, ולא יתיר. הה"ד, נתנני שוממה כל היום דהוה. ואי לא יתובון, קודשא בריך הוא אמר, הן עוד היום גדול לא עת האסף המקנה בלא זכו ובלא עובדין דכשרן. אבל אסותא חד לכו, השקו הצאן, אשתדלו באורייתא, דאתשקיו מימי אורייתא, ולכו רעו, לאתר דנייחא לאתר טבא וכסופא דאחסנתיוכו.

188. Once a shadow started to form at the beginning of the other day AFTER THE FIFTH MILLENNIUM, as during the time when the Temple was destroyed when the shadow was about to be gathered, THAT IS, JUST LIKE DURING THE DESTRUCTION OF THE TEMPLE WAS WHEN THE SHADOW BEGAN TO BE GATHERED, SO WILL REDEMPTION COME WHEN THE SHADOW WILL BEGIN TO EMERGE. WHEN THERE WILL BE day and shadow, it will be the end of exile. The measure of that shadow is six thumbs long for the height of a man among men, NAMELY, AN AVERAGE PERSON. This secret is remembered among the friends through the verse, "for we are but of yesterday, and know nothing, because our days upon earth are a shadow" (Iyov 8:9). "for we are but of yesterday," namely in exile; "and know nothing, because our days upon earth are a shadow," which means the Holy One, blessed be He, wants the shadow and day to rest upon the earth.

189. Happy is the portion of he who sees him, MESSIAH, and happy is the portion of he who sees him not. Woe to him who shall be present when the great lion will demand to mate with his female, and more so when they will mate together, NAMELY ZEIR ANPIN WITH MALCHUT AT THE TIME OF REDEMPTION. Of that hour it is written, "The lion has roared, who will not fear..." (Amos 3:8).

190. Come and see, at first it is written, "He shall mightily roar because of His habitation" (Yirmeyah 25:30), WHICH IS DURING EXILE. When ZEIR ANPIN will come out to receive his mate, MALCHUT, it is said, "The lion has roared, who will not fear"; "Adonai Elohim has spoken, who can but prophesy" (Amos 3:8). At that time it is written, "then Hashem your Elohim will turn your captivity" (Devarim 30:3). What is meant by "turn"? AND HE ANSWERS, The Holy One, blessed be He, returns the Congregation of Yisrael from exile, and the righteous returns to join its place. Then it is written, "Surely the righteous shall give thanks to Your name; the upright shall dwell in (or: 'return to') Your presence" (Tehilim 140:14).

32. From the top of Atzilut to the resurrection of the dead

In this Mishnah we read an esoteric explanation of the story of Creation and the history of man that followed. To conclude Vaetchanan, we hear that at the time of the resurrection the vessels will be perfected and all sin will be removed from the world.

191. Mishnah. To you, sons of men, men of wisdom, men of understanding, a voice is calling. Whoever of you attained wisdom and knows that when the white head, WHICH IS KETER, prepared a SECOND head, WHICH IS CHOCHMAH that is imprinted from above downwards and from below upwards, installed in the north direction, NAMELY THE LEFT COLUMN OF BINAH, an adornment of a pond of water, it imprinted in it the depth of the supernal abyss, NAMELY THE DEPTH OF BINAH CALLED THE SUPERNAL ABYSS that rises and falls inside it. A hidden grade descended with 1,500 imprints and 1,500 worlds.

192. Underneath it, UNDER ZEIR ANPIN, a beast of the field strolls, NAMELY MALCHUT, which has ten horns, NAMELY TEN LIGHTS. That beast has eyes like human eyes and a mouth that speaks great things. When it rises, it walks by day and hides by night; when it journeys, the four shovels it holds in its hands tremble, and sixty blows of fire travel with it, each with a sharp edged sword on its hip.

193. When He so desired to produce man to be ruler below, He implemented in that beast, WHICH IS MALCHUT, fine dust included of all SFIROT. He blew on it and it spread to the four directions of the world, THAT IS, IT SPREAD IN THE BODY TO THE FOUR DIRECTIONS OF THE WORLD. Four parts of the body rolled, one up, NETZACH, one down, HOD, WHICH ARE THE SECRET OF THE LEGS CALLED NETZACH AND HOD; one to the north, THE LEFT HAND, THE SECRET OF GVURAH, and one to the south, THE RIGHT HAND, THE SECRET OF CHESED.

194. A great and strong tree, THE TREE OF LIFE, NAMELY ZEIR ANPIN, was connected and joined to a comely bough, WHICH IS MALCHUT, the sight of which gladdens everybody, as written, "Beautiful for situation, the joy of the whole earth" (Tehilim 48:3). It united with it, and they produced a certain spirit that filled that dough of dust and MAN rose on his feet. He made him king over the whole world and ruler over everything. This is the meaning of, "You make him to have dominion over the works of Your hands..." (Tehilim 8:7). He was ordered regarding that tree, THE TREE OF KNOWLEDGE OF GOOD AND EVIL, NOT TO EAT FROM IT, but he did not observe that command. The King brought back the spirit OF MAN to Himself, and that beast, WHICH IS MALCHUT, took THAT SPIRIT FROM MAN.

195. ZEIR ANPIN AND MALCHUT prepared another vessel, NAMELY ANOTHER BODY, AND MAN rose between them with a connection OF NEFESH AND RUACH that are engraved among the holy angels that were united with the forming of the ANGELS' crowns.

196. The following generations were punished for their sin OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL, AND WERE SENTENCED TO DEATH, THAT EVENTUALLY their spirit is pulled out of THEIR vessel and garment, NAMELY THE BODY, AND THE BODY DIES. It is then buried in the dust among the clods of the valley, THAT IS, THE GRAVE, DERIVED FROM, "THE CLOUDS OF THE VALLEY SHALL BE SWEET TO HIM" (IYOV 21:33). AND ALL THE DEAD were hidden and concealed in one strong bone REMAINING from that vessel, NAMELY THE BONE OF LUZ THAT DOES NOT ROT IN THE GRAVE. From it they will be reconstructed again and rise in groups. And they will come again to the land of Yisrael, THAT IS, BY MEANS OF ROLLING IN TUNNELS, THEY WILL ALL COME TO THE LAND OF YISRAEL, WHERE THE COMPLETION OF THEIR RESURRECTION WILL BE ACHIEVED.

The Holy One, blessed be He, will knead that earlier dust of that actual vessel, NAMELY THE BODY THAT WAS PRIOR TO THE SIN OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL, and introduce into it the finest dough, like leaven in the dough. From that dough, which is the highest clarity, the complete vessel will be constructed and straightened, like the verse says, "and a fountain shall issue from the house of Hashem, and shall water the valley of Shittim" (Yoel 4:18). For that fount increases love in the world. And when that holy fount will emerge and enter it, THE VALLEY OF SHITTIM, it will be constructed and made right and not be in its state of sinfulness.

198. Those who have no merit will rise to be judged by the trial of the supernal King. This is the meaning of, "And many of those who sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt" (Daniel 12:2). Then, it is written, "For as the new heavens and the new earth, which I will make, shall remain before Me, says Hashem, so shall your seed and your name remain" (Yeshayah 66:22).
Blessed is the name of Hashem. Amen, amen.

1. Meditation over a blessing

We learn that it is a commandment to bless God, and that these blessings draw down the blessings from the supernal world - they draw life from the source of life. The blessing is like a gift to God that was sent by the person who prayed to Him. We learn about the secret meaning of Amen, that adorns the blessing, and about how the prayers and blessings ascend from below upwards through many levels. When the blessings descend all the patriarchs and the children are blessed. Baruch is the secret meaning of the highest source there is, and its flow is uninterrupted. We are also told of the secret meaning of the words "Atah" and "Melech" in the blessing. An explanation is given of the bowing and bending of the knee during the prayer service.

Ra'aya Meheimna (the Faithful Shepherd)

1. "Wherefore it shall come to pass, if you hearken to these judgments..." (Devarim 7:12). "When you have eaten, and are replete, then you shall bless Hashem your Elohim" (Devarim 8:10). We are commanded to bless the Holy One, blessed be He, for everything we eat and drink and enjoy in this world. He who does not bless is considered as stealing from the Holy One, blessed be He, as it is written: "he who robs his father or his mother" (Mishlei 28:24), and the friends explained THAT IT APPLIES TO THE HOLY ONE, BLESSED BE HE. The blessings that a person gives the Holy One, blessed be He, are meant to draw life from the source of life, WHICH IS BINAH, to the Holy Name of the Holy One, blessed be He. And these blessings are to pour on top of Him from that supernal oil THAT IS THE ABUNDANCE OF CHOCHMAH. From there, it is then drawn upon the whole world.

2. It is also written: "when you have eaten, and are replete, then you shall bless Hashem your Elohim" (Ibid.). By these blessings, a person pours out through his words ABUNDANCE from the highest source, THAT IS BINAH. All the levels and sources OF ZEIR ANPIN AND MALCHUT are blessed and filled with abundance to pour upon all the worlds, and everything is blessed together.

3. Therefore, a person needs to meditate on the secret of the blessings, so that the Patriarchs, WHO ARE CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, and the children, WHO ARE NETZACH, HOD AND YESOD OF ZEIR ANPIN, shall all be blessed together. Whoever blesses the Holy One, blessed be He, is blessed and receives his part from these blessings before the rest of the lower world. As soon as the Name of the Holy One, blessed be He, is blessed from there, the initial portion of those blessings comes down and rests on the head OF THE ONE WHO SAID THE BLESSING. We have already provided an explanation for this, as it is written: "in all places where I cause My Name to be pronounced, I will come to you, and I will bless you" (Shemot 20:21). After that particular blessing comes and rests on the head OF HE WHO BLESSED, it spreads from there to the rest of the world.

4. When these blessings descend, they are adorned within the field of holy apple trees, THAT IS MALCHUT. Many levels of the those nominated over the world meet them there and come down together with them, announcing and proclaiming that it is the gift that this person sent to the Holy One, blessed be He. HE ASKS: From which place do the blessings descend? HE REPLIES: THE BLESSINGS descend afterward from the place of the head of the Righteous, THAT IS YESOD OF ZEIR ANPIN. THE BLESSINGS first go up and cause other BLESSINGS from above to go down, and it is filled from THOSE THAT DESCEND from above and from THOSE THAT ASCEND from below. This is the meaning of: "blessings are upon the head of the just" (Mishlei 10:6). Once that level is filled up, it pours upon the bride, WHICH IS MALCHUT, whence they flow and spread downward.

5. When these blessings rise from below, there is no single opening above and there is no appointee from up high that does not open these openings, and declare throughout the firmaments: 'This is the gift to the King that so-and-so sent. That is a wholly proper gift.' What is A FULL blessing: IT IS A BLESSING to which Amen was said. For every blessing to which Amen was said is a properly full BLESSING.

6. When this blessing ascends, all the grades above summon the non-shining, NAMELY MALCHUT, to shine on it. Even more so, if it is a blessing said by many, it is adorned with holy crowns by means of SAYING Amen. Amen is the secret of the connections within each unification and sanctification in accordance with the secret of his Master. It properly adorns that blessing with sublime crowns.

7. The Holy One, blessed be He, favors those that bless Him, and His passion is for the blessing that is below. That blessing rises and lights up the non-shining candle, WHICH IS MALCHUT, and strengthens it with a strong force to rise above, TO UNITE WITH ZEIR ANPIN. About this secret, it is written: "those who give Me honor, I will honor" (I Shmuel 1:30). This verse refers to those who give blessings to the Holy One, blessed be He. "...and they that despise Me shall be lightly esteemed" (Ibid.) refers to those who do not bless the Holy One, blessed be He, and withhold any blessings from their mouths.

8. The secret of secrets is for those who have knowledge in the Wisdom of their Master, to know the secret meanings of the blessings recited over the commandments of the Torah and over all the enjoyments and pleasures in this world, to pour out blessings from above downward.

9. HE EXPLAINS: The exception is the blessings in the prayer service, which are the correction of their Master. THEY BOTH RISE from below upwards and from above downwards, while the blessings that are not over the prayer rise from below upwards until they reach the non-shining light, WHICH IS MALCHUT, and awaken it with force by that blessing. This awakening rises high up until it reaches the highest Throne, WHICH IS BINAH, the source of all life, MEANING THAT ALL LIGHTS EMANATE FROM IT. Other blessings then flow out from that higher source and they meet and kiss one another. They approach and rest on the head of the Righteous THAT IS YESOD OF ZEIR ANPIN to pour down. When they descend, the Patriarchs, WHICH ARE CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, and the children, WHICH ARE NETZACH, HOD AND YESOD OF ZEIR ANPIN, are blessed and all their candles, WHICH ARE THE SFIROT OF MALCHUT.

10. The secret of these blessings that awaken from above to below pertains to this secret. 'Blessed' is the secret of the highest source, WHICH IS SUPERNAL ABA AND IMA, WHICH ARE CALLED CHOCHMAH. ONE NEEDS TO MEDITATE to pour, draw and kindle from there all the candles, MEANING THE LOWER GRADES. It is always blessed because its water never ceases flowing, MEANING THEY ARE IN A NEVER ENDING UNION AND THEIR ABUNDANCE TO THE LOWER BEINGS NEVER CEASES FLOWING. From there, the beginning that is called the World to Come, MEANING BINAH, RECEIVES. It is CALLED the end of heaven, because that end is the upper end OF ZEIR ANPIN CALLED HEAVEN. For there is a similar end below, which is the lower world, MALCHUT, which is also called 'blessed', in correspondence to the lower beings, MEANING to pour BLESSINGS downward and awaken from below upward by the blessing of the prayer. But here, REGARDING THE OTHER BLESSINGS, is called 'blessed', after the secret of Chochmah, DENOTING SUPERNAL ABA AND IMA, that which fills that place, BINAH CALLED THE WORLD TO COME, AS MENTIONED ABOVE, by means of a narrow path, MEANING YESOD OF CHOCHMAH, through which it enters it.

11. THE WORD 'you' IN THE BLESSING then begins to be revealed, because 'blessed' is hidden, WHICH ARE CHOCHMAH AND BINAH THAT ARE INCOMPREHENSIBLE TO THE LOWER BEINGS. Therefore, it is called 'blessed' vaguely, IT BEING a higher unexposed source. HOWEVER, THE WORD 'you' is the start of the revelation outside. This is why it is called 'you', IN THE SECOND PERSON, WHO IS REVEALED. And who is it? It is the secret of the right, WHICH IS CHESED OF ZEIR ANPIN, called a priest to that place, BINAH. That is the meaning of: "you shall be a priest forever (lit. 'to a world')" (Tehilim 110:4), MEANING, who is "a priest" to that world, Binah, it is 'you'. This is the supernal right, CHESED OF ZEIR ANPIN, that is there to be revealed.

12. THE WORD 'Hashem' IN THE BLESSINGS is the secret of the Central Column IN ZEIR ANPIN, the secret meaning of the Faith in all directions. The WORD 'our Elohim' IN THE BLESSINGS is the left side OF ZEIR ANPIN. It is included in his right; the right is included in it, and one is included in the other into one. Up to this point, MEANING UP TO CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, the blessings are connected TO ZEIR ANPIN. Once these CHESED, GVURAH AND TIFERET OF ZEIR ANPIN are blessed, everyone below is blessed.

13. After CHESED, GVURAH AND TIFERET OF ZEIR ANPIN are blessed and receive blessings for themselves, all return included into one to that source, WHICH IS BINAH, because they cannot return to that place before they are blessed. Once they are blessed first, they again enter that place THAT IS BINAH, to receive other additional blessings to bestow down. Before they are blessed, they do not enter or return TO BINAH. That is the secret meaning of the verse: "and none shall appear before Me empty" (Shemot 23:15).

14. When they return to that place, BINAH, and enter there, that place is called 'king', WHICH IS THE SECRET OF THE WORD 'KING' IN THE BLESSING. BINAH is considered a king only when these - CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, draw near it to be blessed. A king is considered a king when his chief ministers come to him when they are rich and have everything they need, without lacking anything. Then he is king. A king below, WHO IS MALCHUT, IS SO CONSIDERED when these, THE SFIROT OF ZEIR ANPIN, adorn her (Malchut) adequately with holy crowns. Here IN THE BLESSING, where a king is mentioned, who is THE KING? It is "The world, who has sanctified us and commanded us," WHICH IS BINAH. Since it is a world that is not revealed externally and is hidden, it is recited in a hidden manner, MEANING IN THE THIRD PERSON, 'WHO HAS SANCTIFIED US AND COMMANDED US', INSTEAD OF THE SECOND PERSON, NAMELY, "YOU WHO HAVE SANCTIFIED AND COMMANDED US." Therefore, it is recited in an undisclosed manner.

15. As we learned, the right, WHICH IS CHESED, is always called 'you'. Therefore, the priest bows HIS HEAD towards that place, 'YOU', AT EACH AND EVERY BLESSING OF THE AMIDAH PRAYER, WHERE HE BOWS at the beginning OF THE BLESSING and at the end OF THE BLESSING. The lower world, THAT IS MALCHUT, when it is connected to the right, WHICH IS CHESED, and attached to it, is called from below upward 'blessed', and is not considered blessed except by means of the source to which it was attached, which entered it and filled it, WHICH IS CHESED. ONLY THEN IS MALCHUT CONSIDERED BLESSED. 'You' IN THE BLESSING is the secret of the priest, MEANING CHESED, to be attached to him. Therefore, in the prayer, one bends his knees at 'blessed', THAT IS MALCHUT, because it is a world bent at the top. That is the difference between 'blessed' in the prayer and 'blessed' in the other blessings; 'BLESSED' IN THE OTHER BLESSINGS IS IN CHOCHMAH AND BINAH, WHILE 'BLESSED' IN THE PRAYER IS IN MALCHUT. Everything follows a higher meaning to pour blessings to all the worlds.

16. AT THE WORD 'blessed' in the AMIDAH prayer, one bends his knees, and bows his head at 'you', because 'you' is called 'head (or: 'first')'. Therefore, the priest receives his portion first and is always first in line. That is why the knee bending is at 'blessed', and lowering of the head is at 'you'. Wherever the priest reads 'you', he bows down when praying. After a king lowers down his head AT THE BEGINNING OF THE AMIDAH PRAYER, he does not raise it again UNTIL HE FINISHES THE PRAYER. What is the reason? IT IS BECAUSE the Holy One, blessed be He, said to the moon: 'Go and diminish yourself', and THE MOON, WHICH IS MALCHUT, has not yet straightened herself FROM THIS DIMINISHING. A KING IS THE ASPECT OF MALCHUT; THEREFORE, HE LOWERS HIS HEAD AND DOES NOT RAISE IT UP. Hence, a blessing with which a person blesses the Holy One, blessed be He, is aroused to pour down blessings from above to all the worlds, as we have learned. Blessed are the children of Yisrael in this world and the World to Come.

17. It is written: "You are our Father, though Abraham is ignorant of us..." (Yeshayah 63:16). We have learned that in the World to Come Isaac shall be told: 'YOU ARE OUR FATHER'. THUS ISAAC, WHO IS THE LEFT COLUMN, IS CALLED A FATHER. That is because the left is included in the right. HOWEVER, BEFORE IT WAS INCLUDED IN THE RIGHT IT WAS NOT CONSIDERED A FATHER, BECAUSE HARSH JUDGMENTS WERE FLOWING FROM HIM. But how do we know that the right too is considered a father? HE RESPONDS: It is written, "and be to me a father and a priest" (Shoftim 17:10). WE UNDERSTAND FROM THIS THAT THE PRIEST, WHO IS RIGHT AND CHESED, IS CONSIDERED A FATHER. Although above, even the non- shining light WHICH IS MALCHUT, is considered a father, when it is here attached to the right, it is called 'you', as it is written: "You, Hashem, are our Father, our Redeemer" (Yeshayah 63:16).

2. The owner of the house breaks the bread and the guest recites the blessing

The Faithful Shepherd explains the secret of the twelve letters of the blessings of the Kohen. The importance that the owner of the house making the blessing over the bread first.

18. Meanwhile, an old person came to him and said: Faithful Shepherd, prepare a table for your Master, for Him and His Queen, with all kinds of delicacies, to fulfill in it: "this is the table that is before Hashem" (Yechezkel 41:22). For until now, everyone was enjoying from the King's table, as it says: "Come, eat of my bread" (Mishlei 9:5). Bread is the Written Law, MEANING ZEIR ANPIN, and the wine of the Torah is the Oral Law, WHICH IS MALCHUT. IN MALCHUT, there are many dainties from the various sweet meanings of the Torah, and from all the victuals and delicacies in the world and of the King.

19. The Faithful Shepherd rose and began to speak: 'Aaron the priest, rise from your sleep to slaughter oxen and sheep and goats and lambs and fowl, and all the varieties needed for the King's feast. The shew-bread (lit. 'the bread of faces'), that is TWELVE, corresponding to the two tablets of Torah, "written on both their sides (lit. 'from this and this' (Heb. zeh))" (Shemot 32:15). Zeh IN NUMERICAL VALUE is the twelve faces, which are THE TWELVE LETTERS IN THREE TIMES YUD HEI VAV HEI IN THE VERSES: "Hashem bless you, and keep you; Hashem make His face shine upon you, and be gracious to you; Hashem lift up His countenance to you, and give you peace" (Bemidbar 6:24-25). The second zeh CORRESPONDS TO THE THREE TIMES ADONAI, WHICH CONTAIN IN THEM TWELVE LETTERS. They are the twelve living creatures about which it says, "and they four had the face of a lion, on the right side; and the four had the face of an ox on the left side; they four also had the face of an eagle" (Yechezkel 1:10). THESE ARE THREE LIVING CREATURES, LION, OX, AND EAGLE, and it says about them: "And every one had four faces" (Ibid. 6). THAT IS, IN EACH CREATURE OF THE THREE, THERE ARE FOUR FACES OF THE LION, OX, EAGLE, AND MAN, AND THREE TIMES FOUR AMOUNTS TO TWELVE LIVING CREATURES. That is the meaning of, "And one (Heb. zeh) cried to another (Heb. zeh), and said" (Yeshayah 6:3), THAT IS, THE TWELVE FACES OF YUD HEI VAV HEI TO THE TWELVE CREATURES OF ADONAI. They also correspond to the 24 books in the Torah, THAT IS, THE 24 BOOKS IN THE BIBLE. This is the meaning of: "this (Heb. zeh) is the table that is before Hashem" (Yechezkel 41:22), BECAUSE A TABLE IS MALCHUT. "Zeh" IS THE TWELVE CREATURES THAT ARE IN ADONAI, WHICH IS MALCHUT. "THAT IS BEFORE HASHEM" REFERS TO THE TWELVE FACES IN YUD HEI VAV HEI. The vessels on the King's table are the sages of Mishnah, versed in prayer, which THE SAGES composed to correspond to the sacrifices.

20. He opened the discussion with the verse: "and you shall make a table of acacia wood" (Shemot 25:23). Come and behold: those present at the King's feast had goodly and comely customs to show they were members of the King's table. One was that the eldest would wash his hands FIRST. When they entered to sit for the meal, the oldest would sit at the head of the table. The second would be below him, and the third below the second. These are called the 'three beds', BECAUSE THEIR CUSTOM WAS EACH TO RECLINE ON A BED, to correspond to the three Patriarchs, and to the priests, the Levites and Yisrael THAT ARE CHESED, GVURAH AND TIFERET. From here on, they had no special order, rather whoever came first was seated.

21. The second CUSTOM is that the house owner breaks the bread so that he may apportion it generously. He first completes THE BLESSING OVER THE BREAD, and then breaks it. The sages of the Mishnah have set it so that none of those reclining at the feast table are permitted to taste until the giver of the blessing has tasted first. The one who apportions is not permitted to taste until all present have finished saying Amen. And if he wishes to delegate honor BY GIVING TO ANOTHER TO BREAK THE BREAD, he may do so. In addition, it had been stated that the guest blessed THE BLESSING AFTER THE MEAL so he will bless the landlord.

22. In an esoteric interpretation, the landlord who breaks the bread is the central pillar, which is the Central Column, WHICH IS ZEIR ANPIN. On Shabbat, he needs to apportion from two loaves of challah bread, which are Hei-Hei OF YUD HEI VAV HEI. The house owner is Vav OF YUD HEI VAV HEI between THE TWO HEI'S. In order not appear a glutton, he may apportion to each one a piece the size of an egg. What is the size of an egg? It is Yud OF YUD HEI VAV HEI and Yud OF ADONAI, which are the dots of the Holy Name called crumbs the size of an olive, THAT IS, YUD OF YUD HEI VAV HEI IS THE SIZE OF AN EGG AND YUD OF ADONAI IS THE SIZE OF AN OLIVE. These CRUMBS correspond to drops of sperm. THEREFORE, poverty chases whoever belittles and disposes these crumbs in an inappropriate place, and he will constantly wander around. This is what is written: "he wanders abroad for bread, saying, where is it" (Iyov 15:23). Bread means Torah, and this verse implies that he cries out, looking for someone who will have mercy on him, but will find no one TO PITY HIM.

23. Crumbs the size of an olive belong to the Righteous YESOD, who presses these olives, WHICH ARE THE SFIROT, EXTRACTING OIL FROM THEM, WHICH IS THE SECRET OF ABUNDANCE. The guest (Heb. ore'ach) blesses, NAMELY THE RIGHTEOUS, as is written: "but the path (Heb. orach) of just men is like the gleam of sunlight" (Mishlei 4:18), AND, "blessings are upon the head of the just" (Mishlei 10:6), the life of the world. Therefore, the guest, WHO IS THE RIGHTEOUS, NAMELY YESOD, makes the blessing.

24. As he was speaking, the holy luminary came to him, TO THE FAITHFUL SHEPHERD and said: Faithful Shepherd, one day I went along with the friends to an inn. There was a child there who rose and by himself prepared for us a lamplight and a table, as if he were twenty years old. Yet he was approximately five years old. He set that table up with different dishes and drinks and said, The sages have decreed that the house owner breaks the bread and the guest makes the blessing. Yet, "I am young and you are very old; therefore, I was afraid and dared not declare my opinion to you" (Iyov 32:6), until I obtain permission from you. They said to him: Speak up my son, angel of Hashem.

25. He said to us: 'Do you wish for delicacies without warring for them, or food by means of war?' That is how the sages of the Mishnah decreed that the mealtime is a time of war. If you desire to battle over it, let no one eat. He who has won the battle shall eat first and apportion to the rest. The friends said to him: You are still small, my son, and you have yet to learn how mighty men wage war with a sword, with waving the sword, with a spear, with a bow and arrows, with a sling and stones.

26. He said to us: "Let not him that girds on his harness boast himself as he that takes it off" (I Melachim 20:11). It has been explained, regarding the reading of the Sh'ma, that whoever recites the reading of Sh'ma by his bedside is as if he holds a double-edged sword, as it is written: "The high praises of Hashem are in their throats, and a two-edged sword in their hand" (Tehilim 149:6). The waving of the sword needs to be done to the six directions, WHICH ARE CHESD, GVURAH, TIFERET, NETZACH, HOD AND YESOD, as was explained, in order to make Him reign over the heavens, the earth, and the four corners of the world, WHICH ARE THE SIX DIRECTIONS. This Vav OF YUD HEI VAV HEI, THAT IS ZEIR ANPIN, is the body of the sword, and Yud OF YUD HEI VAV HEI IS the top of the sword. The two Hei's OF YUD HEI VAV HEI are the two edges OF THE SWORD. The sheath of the sword IS THE NAME Adonai, NAMELY MALCHUT.

27. The spear (Heb. romach, Resh Vav Mem Chet) is the 248 (Resh Mem Chet) words in the reading of the Sh'ma, and together with the six words in the unification SH'MA YISRAEL, they total romach, THAT IS RAMACH PLUS VAV. The shield (Heb. magen) is with the sword, THAT IS, THE THREE ANGELS, Michael, Gabriel and Nuriel, WHOSE INTIALS FORM MAGEN. They serve the three Patriarchs, CHESD, GVURAH AND TIFERET, AS MICHAEL IS CHESD, GABRIEL GVURAH AND NURIEL TIFERET. The bow shoots arrows, and any sperm that does not shoot forth like an arrow does not beget offspring. THIS ALLUDES TO YESOD. The sling refers to the reading of the Sh'ma, and the five sling stones ARE THE FIVE WORDS: "Hear, O Yisrael, Hashem our Elohim, Hashem," WHICH ARE THE SECRET OF CHESD, GVURAH, TIFERET, NETZACH AND HOD, corresponding to the verse: "and chose him five smooth stones out of the brook" (I Shmuel 17:40). When he placed them into the sling, which is the mouth, BY READING THE SH'MA, which is the Shechinah, all five turned into one stone and killed the Philistine.

28. Up until now, I have been throwing the stone at Samael, a stone of siege. I have ruined his siege and lowered him down. Therefore, I said to you, "Let not him that girds on his harness boast himself as he that takes it off." Now it will become clear to you that I do know how mighty men wage war with swords, with spears, with bows and slings. We were astonished and could not speak to him. He said to us: Sages, let us now see who shall win bread, that is, the bread of the blessing over the bread.

25. אָמַר לָן, אַתּוֹן בְּעִיתוֹן לֶחֶם תִּמְנוּקֵי בְּלֹא קָרְבָּא, אוֹ לֶחֶם בְּקָרְבָּא. דְּהִכֵּי אוֹקְמוּהָ רַבְּנָן דְּמִתְנִיתִין, שְׁעַת אֲכִילָה שְׁעַת מְלַחְמָה. וְאִי בְּעִיתוֹ לְמַהוּי קָרְבָּא עָלֵיהּ, לִית חַד אֲכִיל, אֲלֵא מֵאֵן דְּנִצַּח קָרְבָּא, אִיהוּ אֲכִיל וּבּוֹצֵעַ לְכַלְהוּ. א"ל חֲבַרְיָא, בְּרִי אַנְתָּ זְעִיר, וְעַדִּין לָא יָדַעַת, אִיךְ מְגִיחֵי גְבַרִין רַבְרַבִּין, בְּחַרְבָּא, בְּנֻעֻנֻעַ דְּחַרְבָּא. בְּרוּמַחָא, בְּקִשְׁתָּא, בְּגִירִין דְּקִשְׁתָּא, בְּקִירְטָא, בְּאַבְנֵין דְּקִירְטָא.

29. He opened the discussion saying: "When you eat of the bread of the land, you shall offer up (lit. 'raise') a gift (Heb. trumah) to Hashem" (Bemidbar 15:19). HE ASKS: How is the Shechinah raised, who is the Hei of Hamotzi, regarding which the sages of the Mishnah have decreed that 'Whoever breaks the bread of Hamotzi have to be precise in pronouncing the Hei'. HE RESPONDS: surely it has been decreed by the Mishnah sages that, 'chaff and straw do not require tithing'. When MALCHUT is in the chaff and straw, THAT IS, WHEN THE KLIPOT ARE SUSTAINED BY HER, she is in prison, and the Hei, THE SHECHINAH, does not have permission to rise to the Mem, WHICH IS ZEIR ANPIN, to become, with it, Mem Hei, MEANING YUD HEI VAV HEI FULLY SPELLED WITH ALEPH'S OF THE NUMERICAL VALUE OF MEM HEI (45). This is the meaning of Trumah, SPELLED AS TORAH AND MEM HEI, which is Hei (=five) of the five books of the Torah, in which IS MEM, AS IS WRITTEN: "and Moses was in the mountain forty days..." (Shemot 24:18).

29. פתח ואמר, והיה באכלכם מלחם הארץ תרימו תרומה לוי'. במאי אתרימת שכינתא, דאיהו ה' דהמוציא, דאוקימו עלה מארי מתניתין, כל הבוצע, צריך לדקדק בה'. אלא ודאי הא אוקמוה רבנן דמתניתין, מוץ ותבן פטורין מן המעשר. וכד היא במוץ ותבן, איהי בבית אסורין, ולית לה רשו לארמא לגבי מ', למעבד עמה מ"ה. והאי איהו תרומה, תור"ה דאיהו ה' חומשי תורה, דבה ויהי משה בהר ארבעים יום וגו'.

30. Our sages referred to the chaff and straw of the wheat, when they said that the tree of which Adam ate was wheat. For by eating of the Tree of Knowledge of Good and Evil, he drew near Chet and Tet, WHICH ARE THE HUSKS (KLIPOT), chaff and straw, to the letter Hei, THAT IS MALCHUT. The Yud was gone from it, WHICH IS YESOD, its tithing. Therefore, when it is in straw and chaff - which correspond to the removal of the foreskin and the uncovering of the male organ, THAT IS, THEY CORRESPOND TO THE TWO LAYERS OF SKIN COVERING THE MALE ORGAN, ONE OF WHICH IS CUT OFF AND THE OTHER OF WHICH IS CUT OPEN, it does not require tithing. THAT IS YUD, for the letter Yud has no permission to join the letter Hei, which are a man and a woman, THAT IS, THE SECRET OF THE YUD IN THE SPELLING OF ISH (ENG. 'MAN') AND THE HEI IN THE SPELLING OF ISHAH (ENG. 'WOMAN'). Therefore, whoever breaks the bread must be precise pronouncing Hei and must break the bread where it is nicely baked, because the proper ripening is the completion of the fruit. That is the meaning of the Vav, WHICH IS ZEIR ANPIN THAT COMPLETES THE HEI, WHICH IS MALCHUT.

30. ובמוץ ותבן דחטה, עליה אוקמוה רבנן, אילן שאכל אדם הראשון חטה הוה. קריב ח"ט, דאיהו מוץ ותבן, לאת ה'. ואסתליק מניה י', דאיהו עשור דילה. ובג"ד כד איהו במוץ ותבן, דאינון לקבל ערלה ופריעה, פטור מן המעשר. ולית רשו לאת י', לחברא באת ה', דאינון איש ואשה. ובגין דא, כל הבוצע צריך לדקדק בה. וצריך למבצע מאתר דבשולו ופה, בגין דבשול איהו גמר פרי, ודא ו'.

3. Ten things one must do for the meal

The Faithful Shepherd begins to speak about the feast of the King - the display bread, the table, the utensils and vessels. He brings into the discussion the relevance of the Names of God and their numerical values, the four Holy Beasts and the 24 books in the Torah. Moses talks about the rituals that are performed before a King's table, and how beneficial and beautiful these are. We read about the distribution of the loaves of challah bread on Shabbat and about the blessings given by the guest. Next Rabbi Shimon appears and tells the Faithful Shepherd about a child of five years old who prepared the table all on his own as though he were twenty years old. The child knew the order of the blessings and lectured to the rabbis on the reading of the Sh'ma. We hear of the child's inner explanation of the wheat and the properly baked bread, and how he goes over the ten requirements that must be fulfilled for the Shabbat meal. The child talks about the Good Inclination and the Evil Inclination. We hear from the Faithful Shepherd the detailed explanation of the ten requirements mentioned by the child. In this explanation we hear about such things as the inner meaning of the ritual washing of the hands. Next Rabbi Shimon praises Moses, saying that he returns by reincarnation in every generation but that he did not reveal himself except in the generation when the Torah was received. At this point we learn that the souls of a generation who have just departed are reincarnated in the next generation immediately afterward. The Faithful Shepherd returns to his explication of the Shabbat meal, going over the injunction to break and hand out two loaves of bread, to eat three meals on the Shabbat, to have a lamp lit at the table, to have the cup of wine ready, to talk about matters of the Torah, to linger at the table for the sake of the poor and destitute, to do the final washing with water, to raise the cup of blessing with the proper ritual, and finally to perform the blessing after the meal.

31. There are ten things one must do for the meal: 1) the hand washing; 2) the preparation of the two Shabbat challah loaves; 3) to eat of three meals and add from weekdays to holiness; 4) to light a candle on the table, as was explained, that a table should be to the north side, and the candle on the south, and to recline, as was explained that if they recline together, one makes the blessing for everyone.

31. ועשרה דברים צריך אדם למעבד בסעודתא. חד, נטילת ידים. תניינא לתקנא שתי כפרות לשבת. תליתאה, למיכל תלת סעודתין, ולאוספא מחול על הקדש. רביעאה, לאנהרא פתורא בשרגא, כמה דאוקמוה, שלחן בצפון, ומנורה בדרום. וצריך הסבה, כמה דאוקמוה הסבו אחד מברך לכלם.

1

32. On Shabbat, one should add from weekdays to holiness in everything he does, in his food and drink, his dress and his seating. He should prepare a comfortable reclining bed with many pillows and embroidered cushions from all that he has in his house, as when preparing the marriage canopy for the bride, because Shabbat is both a queen and a bride. Due to this, the sages of the Mishnah used to hasten to come out on Shabbat eve to welcome her on the way. And they used to say: 'Come bride, come bride.' There is a need to invoke on that table song and joy for her.

33. There is yet another secret meaning to it. ONE NEEDS TO WELCOME SHABBAT as it behooves one to welcome a lady by lighting many lamps for Shabbat, by many pleasures, beautiful clothes, a house set with many adorned vessels and nicely set up comfortable chairs for everyone. For joy and preparation cause the evil handmaid, THAT IS THE KLIPAH, to remain in the dark in hunger, in weeping, in mourning, and in black dress like a widow. When the one is filled, the other is destroyed, BECAUSE THE KLIPAH IS FILLED ONLY WITH THE DESTRUCTION OF HOLINESS. SIMILARLY, HOLINESS BECOMES FULL FROM THE DESTRUCTION OF THE KLIPAH.

34. The Good Inclination is the Holy Queen, Malchut of holiness that descended on Shabbat that is comprised of ten Sfirot. She is decorated with seven names that are not erased, with the many Chariots of the living creatures, and with the many armies and camps OF ANGELS. The King goes out to her with many camps, and the Evil Inclination that is the wicked handmaid remains in the dark, like a widow without her husband, without any Chariots.

35. It was said about them: "to those who sacrifice and burn incense to the queen of the heavens, and the constellation which I have not commanded" (Devarim 17:3), which is the worship WITH WHICH THEY SERVE the wicked handmaid that rules on Shabbat eve and on Wednesday eves. What do they do ON SHABBAT? HE RESPONDS: They wear black clothes, extinguish their lights, and lament on Shabbat eve to participate WITH THE WICKED HANDMAID, TO BE IN SADNESS, TROUBLE AND DARKNESS as she is, because "Elohim has made the one as well as the other" (Kohelet 7:14).

36. After Yisrael sinned and the Temple was destroyed, it is said regarding the Shechinah, holy Ima: "How does the city sit solitary, that was full of people! How is she become like a widow" (Eichah 1:1). THEREFORE, people extinguish lamps and candles on Tishah B'Av, and sit like mourners to participate in the sorrow of the Shechinah, because they caused Her all this calamity IN THEIR INIQUITIES.

32. ובשבת, בכל מלוי, צריך לאתוספא מחול על הקדש, בין במאכליו, ומשתיו, בין בלבשו, בין בהסבתייה, דצריך לתקנא ליה מסבה שפירא, בכמה ברים וכסתות מרקמן, מכל דאית בביתיה, כמאן דתקין חופה לכלה. דשבתא איהי מלכתא, ואיהי כלה. ובגין דא הוּו נפקי מארי מתניתין ע"ש, לאקדמותא לארחא, והוּו אמרי באי כלה באי כלה. וצריכין לאתער א שירה וחדוה לפתורה לגבה.

33. ולא עוד, אלא דאית רזא אחרא. בגוונא דצריך לקבלא גבירתה, בכמה נהורין דשרגין בשבת, ובכמה ענוגין, ולבושין שפירין, וביתא מתקנא, בכמה מאני דתקנא, בהסבה יפה לכל חר וחר. ובהאי חדוה ותקנא, גרמין דאשתארת שפחה בישא בחשוכא, ברעבון, בבכיה, בהספד. בלבושין אוכמין בארמלתא. דאי מלאה זו, חרבה זו.

34. יצר טוב, מטרוניתא קדישא. מלכות הקדש דנחתא בשבת. כלילא מעשר ספירן. מעטרא בשבע שמהן, שאינן נמחקין. בכמה מרכבות דחיוון. ובכמה חיילין ומשריין. ומלכא נפיק לקבלא בכמה משריין. ואשתארת יצר הרע שפחה בישא בחשוכא, בארמלתא בלא בעלה. בלא מרכבות.

35. ואלין דאתמר עליהו, למזבחין ולמקטרין למלכת השמים ולמזלות אשר לא צויתי, הוא פולחנא דשפחה בישא, דשלטי בערבי שבתות וערבי לילי רביעיות, מה הוּו אלין עבדין. הוּו נטלין לבושין אוכמין, וחשכאן נהורין, ועבדין הספדא בלילי שבתות כדי לאשתתפא בהדה כמה דאיהי שריא, כי גם זה לעומת זה עשה האלהים.

36. בתר דחאבו ישראל, ואתחרב בי מקדשא, אתמר בשכינתא אימא קדישא, איכה ישבה בדד העיר רבתי עם היתה כאלמנה, ומכפין בליל תשעה באב נהורין ושרגין, ועבדין הספד, ויתבין באבלים לאשתתפא בדוחקא דשכינתא. בגין דאינון גרמו לה כל ההוא תבירו.

37. The fifth THING IT BEHOOVES US TO PREPARE ON SHABBAT is the cup OF WINE for saying, "Thus the heavens and the earth were finished (Heb. vaychulu)..." (Beresheet 2:1) NAMELY, KIDDUSH. The sixth is to speak words of Torah at the table. The seventh is to extend the meal and allow the poor to come to the table. The eighth is washing the hands with fingerbowl water. The ninth is the blessing after the meal. The tenth is the cup for the blessing AFTER THE MEAL. It is necessary to repeat THESE TEN THINGS and to prepare them in accordance with the holy meaning, for she, MALCHUT, is comprised of ten Sfirot. MALCHUT IS CONSIDERED the table of the Holy One, blessed be He, from the side of Gvurah. Hence, the sages have explained that the table should face the north, WHICH IS FROM THE SIDE OF GVURAH.

38. NOW COME THE WORDS OF THE FAITHFUL SHEPHERD, WHO EXPLAINS THESE TEN THINGS IT BEHOOVES ONE TO DO AT SHABBAT MEAL. The first, the washing of hands, MEANS THAT the sages of the Mishnah explained that: 'filthy hands are unfit for blessing, because they are twice removed from uncleanness'. When hands are unclean, they are considered a principle cause of defilement, which is once removed from uncleanness, and when the hands are clean, they are considered twice removed from uncleanness and are fit to bless, because blessing rests only on purity, because blessing rests on a priest, who is a pure man, a man of kindness. This is the meaning of: "It is like the precious ointment upon the head..." (Tehilim 133:2). Therefore, "speak to Aaron and to his sons, saying, 'In this way you shall bless the children of Yisrael...'" (Bemidbar 6:23). It was explained that every priest who blesses is blessed, and if he does not bless he is not blessed. The sages of the Mishnah have further explained that any blessing that does not have a recitation of the Name OF YUD HEI VAV HEI and Malchut, THAT IS, 'KING OF THE WORLD', is not considered a blessing, as Malchut is the name of Adonai. **THUS, EVERY BLESSING SHOULD CONTAIN A RECITATION OF THE NAME YUD HEI VAV HEI, AND MALCHUT, WHICH IS ADONAI.**

39. In addition, the hands need to be washed up to the joint THAT ATTACH THE FIVE FINGERS, because it was decreed TO WASH fourteen (Yud Dalet) joints IN THE FIVE FINGERS. EACH FINGER HAS THREE JOINTS AND THE THUMB TWO. At that time, the hand (Heb. yad, Yud Dalet) of Hashem rests on him. It is the hand of blessing from the aspect of Chesed, wherein Chochmah lies in the right hand, BECAUSE DURING THE GREATNESS OF ZEIR ANPIN CHESED ASCENDS TO BECOME CHOCHMAH. It is the hand of holiness from the aspect of Gvurah that prevails on Judgment. It is also the hand of unification from the aspect of Tiferet THAT UNIFIES RIGHT AND LEFT INTO ONE. This rests on the fourteen joints of the body, because there are twelve joints in the two arms, THREE JOINTS IN EACH ARM THERE, and in the two legs WITH THREE JOINTS IN EACH LEG, WHICH ADDS UP TO SIX, AND TOGETHER THEY ARE TWELVE. TOGETHER WITH the two in the body and genital organ, they total fourteen. AND IT WAS EXPLAINED THAT THREE TIMES FOURTEEN ALSO REFERS TO THE THREE SFIROT - CHESED, GVURAH AND TIFERET.

37. חֲמִשָּׁאָה, כּוּס דְּוִיכְלוּ. שְׁתִּיתָאָה, לְמַהּוּי עַל פְּתוּרָא מְלִי דְּאוּרִייתָא. שְׁבִיעָאָה, לְאַרְבָּאָה עַל פְּתוּרָא, בְּגִין דְּעֵנִיִּים יִיתָן עַל פְּתוּרִיָּה. תְּמִינָאָה, נְטִילַת יָדִים בְּמִים אַחְרוֹנִים. תְּשִׁיעָאָה, בְּרַכַּת הַמְּזוּן. עֲשִׂירָאָה, כּוּס דְּבִרְכָּה. וְצִרִיךְ לְאַחְזָרָא עֲלֵיהּוּ, וּלְתַקְנָא לֹון בְּרִזָּא קְדִישָׁא, דְּאִיהִי כְּלוּלָה מֵעֶשֶׂר סְפִירָאן, וְאִיהוּ פְּתוּרָא דְּקוּדְשָׁא בְּרִיךְ הוּא, מְסִטְרָא דְּגְבוּרָה. וּבְגִין כִּךְ אוֹקְמוּהָ רַבְּנָן, שְׁלַחַן בְּצַפּוֹן.

39. וְעוֹד, נְטִילַת יָדִים צִרִיךְ לִיטוֹל לֹון עַד פְּרָקָא, דְּגִזְרוּ עֲלֵיהָ י"ד פְּרָקִין, כִּהוּוּא שְׁעֵתָא שְׂרִיא יָד יו' עֲלֵיהָ, וְאִיהִי יָד דְּבִרְכָּה מְסִטְרָא דְּחֹסֵד דְּבִיָּה חֲכָמָה בְּיַד יְמִינִיהָ. וְאִיהִי יָד דְּקְדוּשָׁה, מְסִטְרָא דְּגְבוּרָה, וְשְׂרִיא בְּדִינָא. וְאִיהִי יָד דְּיְחוּדָא, מְסִטְרָא דְּת"ת, דְּשְׂרִיא בִּי"ד פְּרָקִין דְּגוּפָא, דְּאִינּוּן שְׁנַיִם עֶשֶׂר פְּרָקִין בְּתֵרִין דְּרוּעִין, וְתֵרִין שׁוֹקִין. וְתֵרִין בְּגוּפָא וּבְרִית.

40. Three times fourteen equals 42, and the three Yuds in three times hand (Yud Dalet) are indicated in "Hashem bless you (Heb. yevarechecha) ...Hashem make His face shine upon you (Heb. ya'er)... Hashem lift up His countenance to you (Heb. yisa)" (Bemidbar 6:24-25) of Yud Hei Vav Hei, Yud Hei Vav Hei, Yud Hei Vav Hei IN THE VERSES, MEANING THE THREE YUDS IN THE THREE times YUD HEI VAV HEI IN, "HASHEM BLESS YOU...HASHEM MAKE HIS FACE SHINE UPON YOU...HASHEM LIFT UP HIS COUNTENANCE TO YOU." The three Dalets in three hands (Yud Dalet) are implied in Adonai, Adonai, Adonai. The prophet said about them, THE THREE TIMES YUD HEI VAV HEI AND THREE TIMES ADONAI: "The temple of Hashem, the temple of Hashem, the temple of Hashem, are these" (Yirmeyah 7:4). THIS TEMPLE IS THE SECRET OF MALCHUT THAT IS CALLED ADONAI. THEREFORE, IT REPEATS THREE TIMES "THE TEMPLE OF HASHEM," WHICH IS THE SECRET OF THREE TIMES ADONAI AND THREE TIMES YUD HEI VAV HEI, AS MENTIONED. Hence the decree of washing the hands, TO INDICATE THE SECRET OF THE FOURTEEN JOINTS AND THE THREE TIMES FOURTEEN IN CHESED, GVURAH AND TIFERET, WHICH IS THE SECRET MEANING OF THREE TIMES YUD HEI VAV HEI AND THREE ADONAI, AS MENTIONED.

41. Every side OF THE THREE COLUMNS - CHESED, GVURAH AND TIFERET, WHICH ARE RIGHT, LEFT AND CENTRAL THAT ARE THREE TIMES FOURTEEN, is comprised of the three faces of the living creatures, THE LION, OX, AND EAGLE, which are Yud Hei Vav Hei, Yud Hei Vav Hei, Yud Hei Vav Hei, and the three wings in the living creatures are Dalet, Dalet, Dalet, THAT IS, THREE TIMES ADONAI, AS MENTIONED. They all need to derive from the power (Heb. ko'ach, =28) of man (Adam), THAT IS, YUD HEI VAV HEI FULLY SPELLED WITH ALEPHS, that is, Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph, which has the same numerical value as Adam. His power, THE FULLY SPELLED YUD HEI VAV HEI, AGAIN FULLY SPELLED, is Yud Vav Dalet, Vav Aleph Vav, Dalet Lamed Tav; Hei Aleph, Aleph Lamed Pe; Vav Aleph Vav, Aleph Lamed Pe, Vav Aleph Vav; Hei Aleph, Aleph Lamed Pe. THESE ARE 28 LETTERS THAT CORRESPOND TO THE 28 JOINTS IN THE TEN FINGERS OF THE HAND. The Queen does not dwell in his power, in the 28 finger joints, until all the filth of the wicked, unfit handmaid, wife to the unfit, is removed. Therefore, the sages of the Mishnah explained that 'dirty hands are unfit to make a blessing', BECAUSE THE HANDMAID RESTS ON THEM.

42. This water is for cleansing the hand upon which the hand of Yud Hei Vav Hei rests, AS MENTIONED NEARBY. The hand of Yud Hei Vav Hei is the water of the Torah. The ignorant people are considered like unclean reptiles, WITHOUT KNOWLEDGE OF THE TORAH TO TAKE AWAY THEIR IMPURITY. What good will immersing in water do them, holding in their hand that reptile, which is the wicked handmaid, stolen goods in their possession, the stolen blessings they stole from the Holy One, blessed be He. They do not know what a blessing is, or what filth is.

40. ותלת זמנין י"ד, איהו מ"ב, יי"י, מן י"ד י"ד, י"ד, רמוז יב"רכך יא"ר יש"א, מן הוי"ה הוי"ה הוי"ה. ד' ד' ד' מי"ד י"ד י"ד, אינון רמיזין באדנ"י אדנ"י אדנ"י. ואמר הנביא עליהו, היכל יי' היכל יי' היכל יי' המה. והאי נטילא ביד דאתתקנת.

41. וכל סטר מג' אנפי חיון, דאינון יי' יי' יי'. ומתלת גרפי חיון, דאינון ד' ד' ד', בלהו צריך למהוי מכח אדם. ואיהו יו"ד ה"א וא"ו ה"א. כח דיליה, יו"ד וא"ו דל"ת, ה"א אל"ף, וא"ו אל"ף וא"ו, ה"א אל"ף. ומטרוניתא לא שריא בכח דיליה, בפרקין דאצבעין, עד דאתעבר מנייהו זוהמא, שפחה בישא פסולה, אנתו דפסול. ובגין דא אוקמוה מארי מתניתין, ידים מזוהמות פסולות לברכה.

42. ואינון מים לדבא יד, דשרייתא תמן יד יי'. יד יי', דא מים דאורייתא. דעמי הארץ אינון שרץ, מה מועיל לון טבילה, והשרץ שפחה בישא בידיהון, בגול דבידיהון. בגול דברכאן דגזלין לקודשא בריך הוא, דלא ידעי לברכא, ולא ידעי מאי איהי ברכה, ומאי איהי זוהמא.

43. Immediately after the friends and myself heard these words, we could not stand to wait for him to finish all these ten items pertaining to blessings. We prostrated ourselves before him AND SAID TO HIM: Certainly, there is no one who could speak these things except for you, since you are comparable to the four sections in the Garden of Eden. If a person enters the children's section, he becomes a child; in the youths' section he becomes a youth; in the young men's section, he becomes a young man, and in the old people's section, he becomes an old man. Hence, it is written about you: "from the place of His habitation He looks upon all the inhabitants of the earth" (Tehillim 33:14), WHICH INITIALS IN HEBREW FORM MOSES. Also, it is about you that it says: "for that he also (Heb. beshagam) is flesh" (Bereshheet 6:3). THE WORD BESHAGAM CONTAINS THE LETTERS OF THE WORD MOSES, AS IT CONTAINS MEM AND SHIN, AND BET AND GIMEL BECOME HEI. You were present in the generation of the Tower of Babel, and in every generation YOU RETURN by incarnation like a wheel that turns around in many ways, yet you revealed yourself only at the generation when the Torah was given at your hands.

44. As soon as you departed from the world, you became like a sun that shines in every generation. Even when the sun is gathered at night, it illuminates the moon and 600,000 stars. So are you who shine on the 600,000 people in each and every generation. That is what Kohelet indicated in the verse: "One generation passes away, and another generation comes" (Kohelet 1:4). The sages have explained that a generation does not consist of less than 600,000 people. They also explained THIS VERSE TO MEAN the generation that passes away is the one that comes. THAT IS, THE SOULS OF THE PREVIOUS GENERATION REINCARNATE AND COME IN THE FOLLOWING GENERATION. This fulfills THE VERSE: "That which has been, it is that which shall be" (Kohelet 1:9). From here on, complete the ten items about Shabbat table openly. The Faithful Shepherd said TO RABBI SHIMON: holy luminary, blessed is your lot that the Holy One, blessed be He, revealed to you what He has not revealed to any prophet or seer.

45. The second SETTING REGARDING SHABBAT TABLE is to break bread over two loaves of bread on Shabbat, which are alluded to in the two tablets of the Torah that were given on Shabbat in pairs. On the third day, THAT IS TIFERET, they descended FROM HEAVEN, on which it was said twice 'good', SINCE IT COMPRISES RIGHT AND LEFT. On Shabbat, WHICH IS MALCHUT, the Torah was given, in which, IN MALCHUT, THERE ARE TWO FEMALES, ONE FROM THE CHEST OF ZEIR ANPIN AND UPWARD, AND ONE FROM THE CHEST OF ZEIR ANPIN DOWNWARD. THESE ARE two females, which correspond to twice 'good', SAID ON THE THIRD DAY, WHICH IS TIFERET. Though it was explained that demons are assigned TO HARM pairs - as has been explained THAT ONE MUST NOT EAT two eggs or two walnuts, YET IF THIS IS SO, WHY ARE TWO LOAVES OF BREAD USED ON SHABBAT, SEEING THEY ARE A PAIR? HE RESPONDS, it is a usage dating from Moses as delivered from Sinai that those sent on pious missions will meet no evil. THEREFORE, THERE IS NO NEED TO FEAR PERFORMING A PRECEPT DUE TO IT BEING IN PAIRS.

43. מִיָּד כְּשִׁשְׁמְעוּ מְלִין אֵלֶיךָ חֲבֵרֵיךָ וְאַנָּה עִמָּהוֹן, לֹא יִכְלִינָא לְמַסְבַּל דִּישְׁלִים עֲשֶׂרָה מְלִין דְּבִרְכָה, וְאַשְׁתַּחְנָא לְגַבְיָהּ. וְבוֹדְאֵי לִית בַּר נֶשׁ דִּימָא מְלִין אֵלֶיךָ, אֲלֵא אַנְתָּ. דְּאַנְתָּ הוּא בְּגוּוּנָא דְד' מְחִיצוֹת דְּג"ע. דְּב"נ עָאֵל בְּהוֹן בְּמִחִיצַת יְנוּקִין, וְאַתְעֵבִיד תִּינוּק. וּבְמִחִיצַת נְעָרִים, וְאַתְעֵבִיד נְעַר. וּבְמִחִיצַת בְּחֹרִים, וְאַתְעֵבִיד בְּחֹר. וּבְמִחִיצַת זְקֵנִים, וְאַתְעֵבִיד זְקֵן. וּבְג"כ אֲתַמַּר עֲלֶיךָ, 'מִמְכוֹן שְׁבַתוֹ הִשְׁגִּיחַ אֵל כָּל יוֹשְׁבֵי הָאָרֶץ. וְאַנְתָּ הוּא דְּאַתְמַר עֲלֶיךָ, בְּשֶׁגֶם הוּא בְּשֶׁר בְּדְרָא דְדוֹר הַפְּלָגָה הוּיָת. וּבְכָל דְרָא וְדְרָא בְּגַלְגוּלָא. בְּגַלְגַל דְּמַתְהַפֵּךְ לְכַמְהָ גוּוּנִין. וְלֹא נִגְלַת, אֲלֵא בְּדְרָא דְאַתְיִיהִיב בֵּיהּ אֹרִייתָא עַל יַדְךָ.

46. You may wonder why we learned that one should not begin anything on the second day of the week or finish on Wednesday - MEANING ON THE SECOND AND ON THE FOURTH BECAUSE THEY ARE PAIRS, WHICH APPLIES TO MATTERS OF PRECEPTS AS WELL, EVEN THOUGH THOSE SENT ON PIOUS MISSIONS WILL MEET NO EVIL. HE ANSWERS, THIS IS when with the mixed multitude, THAT IS, WHEN THE CHILDREN OF YISRAEL ARE MINGLED WITH THE MIXED MULTITUDE, who are never sent on pious missions, because they have not converted for Heaven's sake. THEN, IT IS FORBIDDEN TO BEGIN ON MONDAY OR WEDNESDAY. HOWEVER, THE RIGHTEOUS, WHO HAVE NO CONNECTION WITH THE MIXED MULTITUDE MAY START ON MONDAY AND WEDNESDAY FOR THE SAKE OF PERFORMING A PRECEPT, BECAUSE THOSE SENT ON A PIOUS MISSION SHALL COME TO NO HARM. THEREFORE, after they were gone from the world, AFTER THE SIN OF THE GOLDEN CALF, the Holy One, blessed be He, commanded to take "two tablets of stone like the first" (Shemot 34:1), saying: "And I will write on the tablets the words that were on the first tablets..." (Ibid.). AND HE DID NOT MIND THE PAIRS.

47. The two loaves of bread on Shabbat indicate the two Yuds IN THE COMBINATION OF YUD HEI VAV HEI AND ADONAI, WHICH IS Yud Aleph Hei Dalet Vav Nun Hei Yud. For Adonai, WHICH IS MALCHUT, is alone without her husband, WHICH IS YUD HEI VAV HEI, during the six weekdays, BECAUSE THEY ARE NOT THEN IN A COMPLETE UNION. On Shabbat, YUD HEI VAV HEI descends TO ADONAI AND THE COMBINATION IS FORMED OF YUD ALEPH HEI DALET VAV NUN HEI YUD. THEREFORE, TWO LOAVES OF BREAD ARE USED TO INDICATE THE TWO YUDS AT THE BEGINNING AND END OF THIS COMBINATION OF THE NAME YUD-ALEPH-HEI-DALET VAV-NUN-HEI-YUD. Hence, all Neshamot, Ruchot and Nefashot leave and come down in pairs on Shabbat, and no devil or demon has power on Shabbat day. Even Gehenom has no power and does not burn on Shabbat. Therefore, "you shall kindle no fire throughout your habitations on Shabbat day" (Shemot 35:3). That refers to strange fire, but the fire of sacrifice is a fire of holiness, WHICH IS PERMISSIBLE IN THE TEMPLE ON SHABBAT. THUS, WE NEED TO TAKE TWO LOAVES OF BREAD ON SHABBAT AND NOT TO BE AFRAID OF PAIRS. There is no need to speak at length on THE SUBJECT OF their apportioning, MEANING, ABOUT THE MEASURE OF AN OLIVE'S SIZE OR AN EGG'S SIZE, as it was already explained above.

48. The third SETTING REGARDING THE SHABBAT TABLE IS to eat three meals on Shabbat, as was explained by the sages of the Mishnah. One of them said: 'Let my lot be with those who eat on three meals on Shabbat', which complete the seven blessings in the Amidah prayer by bringing them to a total of ten. The secret of delight (Heb. oneg, Ayin Nun Gimel) is THE SECRET MEANING OF: "and a river went out of Eden to water that garden" (Beresheet 2:10). FOR EDEN MEANS DELIGHT, AND THE GARDEN IS MALCHUT, THE SECRET MEANING OF SHABBAT. ALSO, ONEG IS THE INITIALS OF EDEN, NAHAR (ENG. 'RIVER') AND GAN (ENG. 'GARDEN'). Whoever can but does not observe them, for him the oneg turns into a plague (Heb. nega) of leprosy, AS THEY ARE SPELLED WITH THE SAME LETTERS. In order that he should not come to this, the Holy One, blessed be He, says: 'Borrow on Me and I will pay', AND IT IS WRITTEN: "then shall you delight yourself in Hashem" (Yeshayah 58:14).

46. ואי תימא, והא תנינן, אין מתחילין בשני, ואין מסיימין בד', דהיינו בב' ד' עם ערב רב, דלא הוה שלוחי מצוה, דלא אתגוירו לשם שמים, ולבתר דאתעברו מעלמא, מני קודשא בריך הוא לנטלא שני לוחות אבנים כראשונים, ואמר, וכתבתי על הלוחות את הדברים אשר היו על הלוחות וגו'.

47. ותרין כפרות בשבת, רמיזין לתרין יודין יאהרונהי. דאדני איהי יחידה מבעלה בשית יומין דחול, ובשבת נחית לגבה. ובגין דא בשבת, כל נשמתין ורוחין ונפשין נפקין ונחתין זוגות, ואין שטן ואין מזיק שליט ביומא דשבתא. ואמילו גיהנם לא שליט, ולא אוקיד בשבת. ובגין דא, לא תבערו אש בכל מושבותיכם ביום השבת. ודא אש נוכראה, אלא אש דקרבנא, אש דקדושה. ולית לארכאה בבציעא דלהון, דהא אתמר לעילא.

48. תליתאה למיכל שלשה סעודתין בשבת, כמה דאוקמוה רבנן דמתניתין, דאמר חד מינייהו, יהא חלקי עם גומרי שלש סעודות בשבת, דאינון שלימו דשבע ברכאן דצלוחא, לאשלמא בהון לעשר. ורזא דענג, ונהר יוצא מעדן להשקות את הגן. ומאן דלא מקיים לון, ואית ליה רשו לקיימן, אתהפך ליה לנגע צרעת. ובגין דלא ייתי להאי, אמר קודשא בריך הוא, לוו עלי ואני פורע, אז תתענג על יי'.

49. The fourth SETTING is to light the table with a lamp, as was decreed by ancient sages that a table should be at the north and the lamp at the south, for the table of the Holy One, blessed be He, MALCHUT, needs to be that way. The fifth SETTING is the wine cup of 'vaychulu', MEANING THE KIDDUSH CUP. The numerical value of 'kos (Eng. 'cup') is that of Elohim, THAT IS, 86. 'Vaychulu' is 72 IN NUMERICAL VALUE, which the holy Bride, MALCHUT, includes, NAMELY, THE NAME ELOHIM AND THE NAME OF AYIN BET (72). The cup, WHICH IS MALCHUT, filled with the wine, MEANING THE ABUNDANCE OF THE ILLUMINATION OF CHOCHMAH, of the Torah, WHICH IS ZEIR ANPIN CALLED TORAH, needs to bear testimony to the act of Creation, WHICH IS THE SECRET OF BINAH, BECAUSE THE ABUNDANCE OF THE ILLUMINATION OF CHOCHMAH IS CONSIDERED A TESTIMONY (HEB. EDUT), BASED ON EDEN, AND BINAH IS THE SOURCE THAT POURS IT. THAT IS THE REASON WHY ONE SHOULD TESTIFY TO THE ACT OF CREATION.

50. The sixth SETTING is to have words of Torah at one's table, because that is how the sages of the Mishnah decreed about 'three who ate on the same table yet have not spoken on it words of Torah...' The secret meaning is that they have decreed that the table should be to the north and that the Torah was given from the right. THEREFORE, IT BEHOOVES ONE TO SAY WORDS OF TORAH AT THE TABLE in order to join the right, which is Mercy, with the left, which is Judgment. The Torah is Yud Hei Vav Hei, ZEIR ANPIN, WHICH WAS GIVEN from the right, and the table is Adonai, MALCHUT, which is from the left, WHICH IS AT THE NORTH. THEREFORE, one needs to join them, BECAUSE THE LEFT WITHOUT THE RIGHT CONFERS HARSH JUDGMENTS. Since that table is at the left side, the sages of the Mishnah have explained that a person's sustenance is as difficult to obtain as the splitting of the Red Sea. Therefore, one needs to invite him a Torah scholar, who will study Torah.

51. The seventh SETTING is to stay a long time at the table for the poor TO COME. Whoever stays long at the table will have his days and years extended. For that reason: "charity delivers from death" (Mishlei 10:2). Since a poor man is like a dead man, whom he revives WITH CHARITY, the Holy One, blessed be He, also revives him.

52. Furthermore, an esoteric explanation is that all the poor people originate from the part of the letter Dalet, about which it is said: "I was brought low (Heb. daloti), and He saved me" (Tehilim 116:6). The pronunciation of the letter Dalet in 'Echad' (lit. 'one') should be prolonged. That is meant by the verse: "that he may prolong his days in his kingdom" (Devarim 17:20). Therefore, it behooves one to stay long at the table, which is Dalet (=four), because it has the four legs of the table. In honor of that letter Dalet, one should stay long at the table for the sake of the poor.

53. In relation to it the sages explained that the Holy One, blessed be He, sought a comely virtue for Yisrael, and found only the virtue of poverty. A difficulty was raised here, since the ancient sages explained that the number of different deaths is equivalent to the numerical value of the word 'totzaot (lit. 'modes')' (=903) (Tehilim 68:21), and that an empty pocket is the most difficult. How could it be said He found no better virtue for Yisrael than poverty?

49. רביעא, לאנהרא פתורא במנרתא. כמה דאוקמוה קדמאין, שלחן בצפון, מנורה בדרום, דפתורא קודשא בריך הוא הכי צריכא למהוי. חמישאה בוס דויכלו. כו"ס, בחשבון אלהים. ויכלו ע"ב, דכליל לון כלה קדישא, דהאי בוס מלא יינא דאורייתא, צריך לאסהדא על עובדא דבראשית.

50. שתיתאה, למהוי על פתורא דברי תורה, דהכי אוקמוה מארי מתניתין, ג' שאכלו על שלחן אחד ולא אמרו עליו דברי תורה וכו'. ורזא דמלה, בגין דהא אוקמוה שלחן בצפון, ואורייתא אתייהבת מימינא. לחברא ימינא דאיהו רחמי, בשמאלא דאיהו דינא. דאורייתא איהי יי' מימינא, פתורא אדני משמאלא, וצריך לחברא לון. דבגין דפתורא משמאלא, אוקמוה רבנן דמתניתין, קשין מזונותיו של אדם בקריעת ים סוף. ובגין כן, צריך ת"ח לזמנא עמיה, למאן הישתדל בפתגמי אורייתא.

51. שביעא, לארכאה על פתורא, בגין עניים. ובגין דא, כל המאריך על שלחנו מאריכין לו ימיו ושנותיו. ובג"כ וצדקה תציל ממות. דעני חשוב כמת, ואיהו מחיה ליה, אוף הכי קודשא בריך הוא מחיה ליה.

52. ועוד באורח רזא, דכלהו עניים מסטרא דאת ד', דאתמר בה דלותי ולי יהושוע. ואות ד' דאחד, דצריך לארכאה בה, הה"ד להאריך ימים על ממלכתו, ובג"ד, צריך לארכאה על פתורא, דאיהו ד', כלילא מד' רגלין דפתורא. בגין יקרא דאת דלית, צריך לארכאה על פתורא, בגין עניים.

53. ובגינה אוקמוה רבנן, דבקש קודשא בריך הוא מדה יפה לישראל, ולא אשכח כמדה דדלות. ואקשו עליה, בגין דאוקמוה קדמאי, כחושבן מיני מיתות דאינון כחושבן תוצאות, וחסרון כיס קשה מבולן, ואיך אמרין אינון, דלא אשכח לישראל מדה יפה כעניותא.

54. He RESPONDS: It is only because about each nation and people, IT IS SAID: "and it shall come to pass, that when they shall be hungry, they shall fret themselves, and curse their king and their Elohim, and look upward" (Yeshayah 8:21). However, the children of Yisrael are in the Covenant with the Holy One, blessed be He, also with this virtue and do not deny His existence. Hence they shall be redeemed by this virtue. This is the meaning of: "and the afflicted people You shall save" (II Shmuel 22:28). 'Ani (Eng.. 'poor') is derived from 'inui (Eng. 'suffering'), since even when one has wealth but suffers from illnesses and afflictions, he is considered poor. Or he is distressed FOR HIS WEALTH and is afflicted every day. This is surely true for one who is poorer than him, MEANING THAT HE LACKS EVEN ENOUGH TO FULFILL HIS NEEDS and must wander from place to place, WHO IS MOST CERTAINLY CONSIDERED POOR.

55. There is another kind of poor man, who lost his mind like Job, about whom, it is said: "Job has spoken without knowledge" (Iyov 34:35). So too is the Dalet, which is the Shechinah; when Aleph and Chet OF ECHAD were gone from it, which is the Central Pillar called Da'at (knowledge), IT IS POOR. And one, WHO IS WITHOUT KNOWLEDGE, does not incur iniquity by speaking IMPROPERLY. Furthermore, Aleph Chet is the Torah that is comprised of the 613 commandments. This is the meaning of: "this is My name (Heb. shmi) forever, and this is My memorial (Heb. zichri) to all generations" (Shemot 3:15). Shmi plus Yud-Hei IS NUMERICALLY 365, and zichri plus Vav-Hei is NUMERICALLY 248. Therefore it has been explained that one is poor only in Torah and commandments. This is because the other poor people suffer BUT ARE NOT POOR. The letter Dalet of Adonai, WHICH IS MALCHUT, is also poor without Yud Hei Vav Hei. SIMILARLY, THE DALET OF ECHAD, WHICH IS MALCHUT, IS POOR WITHOUT ALEPH AND CHET OF ECHAD THAT IS THE 613 COMMANDMENTS OF THE TORAH THAT ARE CHASSADIM.

56. The eighth SETTING is the fingerbowl water that was instituted due to the salt of S'dom that is blinding to the eyes. Why is it considered obligatory? HE ANSWERS: According to the esoteric interpretation, deadly poison rests on dirty hands, with which one makes a blessing, and on a cup, over which one makes a blessing without cleanliness, and it is considered defiled. Just as a cup from which people drank is considered unclean for a blessing until it is cleansed by rinsing it inside and out, the hands all the more so. Hence fingerbowl water is obligatory. The secret of this is in the verse: "You shall therefore sanctify yourself" (Vayikra 26:2), which refers to the washing of hands before the meal. "And you shall be holy" (Ibid.) refers to fingerbowl water. "for I am holy" (Ibid.), refers to fragrant ointment, WHICH WAS USED TO ANOINT THE HANDS AFTER FINGERBOWL WATER. THESE THREE THINGS correspond to "Holy, holy, holy." "You shall therefore sanctify yourself" so that it shall be known that you are children of the Holy One, blessed be He. That is what is meant by: "You are the children of Hashem your Elohim" (Devarim 14:1).

54. אֵלָא, בְּגִין דְּכָל עֵמָא וְלִישְׁנָא, וְהִיָּה בִּי יִרְעֵב וְהִתְקַצֵּף וְקָלִל בְּמַלְכוּ וּבְאַלְהִיּוּ וּמְנָה לְמַעְלָה. אֲבָל יִשְׂרָאֵל, אֵינּוֹן קַיִמָא דְקוּדְשָׁא בְרִיךְ הוּא בְהָאֵי מְדָה, וְלֹא אֲכַחֲשִׁין בֵּיהּ. וּבִגְדָהּ, בְּמַדָּה דָּא יִתְפָּרְקוֹן. הֵה"ד, וְאֵת עִם עֲנֵי תוֹשִׁיעַ. וְעֲנֵי לִישְׁנָא דְעֲנֵי, דְאֲמִילוּ אֵיִת לִיהּ לִבְנֵי עוֹתְרָא, וְאִיהוּ בְּמַרְעִין וּבְמַכְתָּשִׁין, עֲנֵי אֲתַקְרִי, אִו דְּרַחֲקִין לִיהּ בְּגִינִיהּ, וְצַעְרִין לִיהּ כָּל יוֹמָא. כָּל שְׂכָן מֵאֵן דְּאִיהוּ רֵשׁ מְנִיָּה, וְאִיהוּ הוֹלֵךְ מֵאֲתֵר לְאֲתֵר.

57. The ninth SETTING is the cup of blessing. As has been explained by the sages of the Mishnah, ten things were said about this cup of blessing, which are: decorating, wrapping, washing, rinsing, unmixed wine, full cup, receiving it with both hands and leaving it with the right, raising it from the surface a handbreadth, looking at it, and sending it as a gift to the members of his household. Now we have only four, which are washing, rinsing, unmixed wine, and a full cup. Some say the wine should be taken unmixed from the cask, BUT IN THE CUP, WATER MAY BE ADDED TO IT. Some say that unmixed (lit. living) wine means the cup should be whole, AND NOT THAT IT MAY NOT BE DILUTED, because its breaking is its death. THEREFORE, WHEN IT IS WHOLE, IT IS CONSIDERED LIVING. THE OTHER ITEMS ARE EXPLAINED BEFORE US.

58. He EXPLAINS WHAT A WHOLE CUP IS. A cup, according to wisdom, is MALCHUT THAT IS CALLED Elohim (Aleph Lamed Hei Yud Mem), when it is full with Yud Hei. WHEN IT IS IN SMALLNESS, MALCHUT IS CONSIDERED MUTE (HEB. ILEM, ALEPH LAMED MEM) WITHOUT YUD HEI. And they are whole, MEANING THAT BOTH NAMES, THE CUP AND ELOHIM, ARE COMPLETE THIS WAY. HOWEVER, a cup (Heb. kos) without Vav is like kes (Caf Samech) instead of kise (Eng. 'throne', Caf Samech Aleph), which would be defective and lacking without Aleph. Therefore, KES INSTEAD OF KISE is lacking without Vav, and is defective. The Throne does amount numerically to kos, SINCE HAKISE (ENG. 'THE THRONE') IS ALSO A NAME OF MALCHUT, AS IS KOS.

59. The cup is MALCHUT, WHICH IS THE SECRET OF Hei (=five) OF YUD HEI VAV HEI. Ten items are needed that correspond to Yud (=ten) TO MULTIPLY TEN BY FIVE AND DRAW THE FIFTY GATES OF BINAH. They are: 1) crowning that indicates the secret of the corona, meaning the crown of Tiferet, WHICH IS MALCHUT OF YESOD. This is the secret of the crowning, of which the sages of blessed memory said that he used to crown it by placing scholars around it, that is, the corona of the member of the Covenant, IN ORDER TO JOIN WITH IT MALCHUT OF YESOD, WHICH INDICATES THE UNION OF YESOD AND MALCHUT, TO GIVE BIRTH TO SOULS, THE SECRET OF SCHOLARS. 2) Wrapping INDICATES the verse: "a prayer of the poor when he faints (or: 'wraps')" (Tehilim 102:1) because all these blessings and prayers are covered together, MEANING THEY ARE DELAYED IN BEING RECEIVED until the prayer of the poor rises. THE PRAYER OF THE POOR IS THE CORRECTION OF MALCHUT FROM THE SIDE OF DALET OF ECHAD, WHICH IS CALLED POOR. THE WRAPPING INDICATES THIS CORRECTION.

60. 3) and 4) are washing and rinsing, which are like: "and cleanse it, and hallow it" (Vayikra 16:19). Cleansing is from the right, WHICH IS Chesed, and the hallowing is from the left, WHICH IS Gvurah. The cup of blessing IS CALLED Malchut from the part of Binah that is called Elohim, and called a wreath from the part of Keter. 5) IT IS CALLED unmixed (living) from the aspect of Yesod that is also called peace, as is written: "neither shall the covenant of My peace be removed", said Hashem that has mercy on you" (Yeshayah 54:10). RATHER, IT WILL BE ALIVE FOREVER. THEREFORE, MALCHUT IS CALLED LIVING FROM THIS ASPECT. 6) Full is from the aspect of Tiferet, MEANING WHEN IT RECEIVES FROM TIFERET THAT IS ABOVE THE CHEST, IT IS WHOLE AND FULL. 7) Accepting it with both hands, THAT INDICATE THE TWO HEIS OF YUD HEI VAV HEI, in WHICH THE UPPER HEI, WHICH IS BINAH, IS CHESD, AND THE LOWER HEI IS MALCHUT, IS GVURAH.

57. תְּשִׁיעָאָה, בּוֹס דְּבִרְכָה. וְאוֹקְמוּהָ מְאִרֵי דְמִתְנִיתִין, עֲשֶׂרָה דְּבָרִים נֶאֱמָרוּ בְּכּוֹס דְּבִרְכָה וְאֵלִין אֵינּוֹן. עֲטוּ"ר. עֲטוּ"ף. הִדְח"ה. שְׁטִיפ"ה. ח"י. מַל"א. וּמְקַבְּלוּ בְּשֵׁתֵי יָדָיו. וְנוֹתְנוּ בִּימִין. וּמְסַלְּקוּ מִן הַקְּרָקַע טַפַּח. וְנוֹתֵן עֵינָיו בּוֹ. וּמְשַׁגְּרוּ בְּמִתְנֶה לְאַנְשֵׁי בֵּיתוֹ. וְעִבְשׂוּ, אֵין לְנוּ אֵלָא אַרְבַּעָה שְׁהֵן הִדְחָה. וְשְׁטִיפָה. חֵי. מַלְא. וַיֵּשׁ אוֹמְרִים חֵי מִן הַחֹבֵית, וַיֵּשׁ אוֹמְרִים חֵי, הַכּוֹס שְׁלָם. שְׁשִׁבִירְתּוֹ זֶה הִיא מִיתָתוֹ.

61. Leaving it with the right hand, because the upper Hei IS Chesed, and the second Hei IS Gvurah. THEREFORE, HE SHOULD GIVE IT WITH THE RIGHT HAND, WITH THE FIRST HEI. 8) Lifting it off the surface a handbreadth. THE HANDBREATH INDICATES the secret of the letter Yud, because Hei is raised by Yud, MEANING THAT ONE SHOULD RAISE THE FIVE SFIROT OF MALCHUT FROM HER PLACE, WHICH IS THE SECRET OF THE SURFACE, MULTIPLY HER BY YUD, AND MEDITATE ON HER RECEIVING THE FIFTY GATES OF BINAH. 9) Looking at it with the eyes, which are the secret OF THE UNIFICATION of Yud-Aleph-Hei-Dalet-Vav-Nun-Hei-Yud, NAMELY, THE COMBINATION OF YUD HEI VAV HEI AND ADONAI. ONE SHOULD MEDITATE THAT Yud Hei Vav Hei, WHICH IS ZEIR ANPIN, shines in the pupil of the eye, WHICH IS ADONAI. Yud Hei Vav Hei SHINES IN THE THREE COLORS OF THE EYES, WHITE, RED AND GREEN, WHICH ARE CHESED, GVURAH AND TIFERET OF ZEIR ANPIN. Adonai shines in the two eyelids, as well as the two pupils OF THE EYE AND THE HAIR OF THE EYELASHES. 10) Sending it as a gift to the members of the household. ONE'S HOUSE is Binah, regarding which it is written: 'Let Moses rejoice in the gift of his portion'. This is BECAUSE MOSES MERITED BINAH AND ONE NEEDS TO ATTACH THE CUP, WHICH IS MALCHUT, TO THE LIGHTS OF BINAH.

62. The tenth SETTING OF THE SHABBAT TABLE is the blessing after the meal. It was explained by the sages that three, WHO EAT TOGETHER, need a cup. The secret meaning of this is that THREE are THE ASPECT OF: "your love as a bride (Heb. kelulotayich)" (Yirmeyah 2:2), NAMELY, THE LOVE OF ALL THREE 'KOL', who are the patriarchs, regarding whom it is written: 'in all, of all, all (Heb. bakol mikol kol)', SINCE KELULOTAYICH IS DERIVED FROM KOL; IN RESPECT TO ABRAHAM, IT SAYS, "HASHEM BLESSED ABRAHAM IN ALL THINGS (HEB. BAKOL)" (BERESHEET 24:1); IN RESPECT TO ISAAC, IT SAYS, "AND I HAVE EATEN OF ALL (HEB. MIKOL)," AND IN RESPECT TO JACOB, IT SAYS, "I HAVE ENOUGH (ALL) (HEB. KOL)" (BERESHEET 33:11). We should not speak at length about it, BECAUSE IT IS A HIDDEN MYSTERY.

63. How do we know that the blessing after the meal is prescribed by the Torah? Because it is written: "When you have eaten, and are replete, then you shall bless Hashem your Elohim FOR THE GOOD LAND WHICH HE HAS GIVEN YOU" (Devarim 8:10). We have studied in the Baraita that "you shall bless" refers to the blessing 'Who sustains (Heb. hazan) EVERYTHING'. "Hashem your Elohim" REFERS TO THE BLESSING FOR THE LAND AND FOR SUSTENANCE (HEB. AL HA'ARETZ VE'AL HAMAZON), IN WHICH "HASHEM YOUR ELOHIM" refers to blessing for the food, and "for the land" refers to the blessing, 'Who builds Jerusalem (Heb. boneh Yerushalaim)'. It also says, "that goodly mountain region and the Lebanon" (Devarim 3:25). This explains only THE BLESSINGS after THE MEAL. YET where is THE BLESSING before THE MEAL indicated? It is indicated in the words: "which He has given you," WHICH MEANS THAT from the time He has given you, EVEN BEFORE EATING, you must bless Him.

64. The sages of blessed memory have interpreted that Moses instituted for the children of Yisrael the blessing 'Who sustains (Heb. hazan) when manna descended on them. Joshua instituted for them the blessing over the land when he entered them into the Holy Land. David and Solomon instituted the blessing for the building of Jerusalem. In addition, there is an indication of the blessing after the meal in the passage relating to the manna, as it is written: "in the morning you shall be filled with bread; and you shall know that I am Hashem your Elohim" (Shemot 16:12).

65. Rabbi Shimon said: The secret of these seven Zayins - THE THREE ZAYINS IN THE THREE HEADED SHIN AND THE FOUR ZAYINS IN THE FOUR HEADED SHIN - that are inscribed on the Tefilin, is that the Zayins in the Shins INSCRIBED ON BOTH SIDES OF THE TEFILIN allude to the seven lobes in man's lung, by which he draws air and exhales with it a fiery spark from his mouth - BECAUSE AIR IS COMPOSED OF FIRE, WATER AND AIR. They also allude to the seven days OF THE WEEK and the SEVEN weeks from Pesach to Shavuot. Also, they indicate the seven branches of the candelabra, on which there are seven holy lamps. They also indicate the seven planets that shine in the firmament and they indicate the seven grades - CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT - by which the world is maintained, which are the foundation, root and essence of everything. The friends said about these SEVEN ZAYINS that whoever wishes to put on the head Tefilin has to examine these two Shins hinted in the seven Zayins, for there are an allusion in them to hidden mysteries and deep allusions.

4. "As for the likeness of their faces, they had the face of a man"

Rabbi Shimon draws a correspondence between the seven letters inscribed on the Tefilin, the seven lobes of the lungs, the seven days of the week, the seven weeks from Pesach to Shavuot, the seven candles of the candelabra, the seven planets, and the seven levels or Sfirot upon which the universe endures. He talks about the four countenances of the Holy Beasts. He emphasizes that Adam is male and female. We learn that there is a correspondence between the four countenances and the four enshrined Names of God as read in 'the Great, Mighty, and Awesome EI'. The human face observes all the creatures, and all ascend and observe him. Rabbi Shimon talks about the secret of the throne, ascending and descending, and how the four countenances of the creatures are depicted - engraved, illuminating, shining, sparkling and glowing - and how they sow seeds upon the world.

66. "Hashem, your Elohim, is the Elohim of Elohim, Lord of lords, a great El..." (Devarim 10:17). We have learned that "As for the likeness of their faces, they had the face of a man" (Yechezkel 1:10). These are unlike the Cherubs. These are large faces, while Cherubs are small faces like those of children. All images are comprised in "the face of a man," because they are large faces. Engraved shapes are formed in them by the engraving of the Name explicitly pronounced to the four directions of the world - east, west, north and south.

66. בי יי' אלהיכם הוא אלהי האלהים ואדני האדנים האל הגדול וגו'. תנינן, דממות פניהם פני אדם. אליון לאו אינון כאינון כרובים, אינון אנפי רברבין, כרובים אנפי זוטרי, כרביא. פני אדם, כל דיוקנא כלילין בהו, בגין דאינון אנפי רברבין, ומתצייירין בהו ציורין גלופין, בגלופי שמא דמפרש, בד' סטרין, מזר"ח מער"ב צפון דרום

67. Michael made a mark to the south side and all three faces - the face of a lion, the face of an ox, and the face of an eagle - look toward the face of a man. A man is male and female, and is not called a man without them. From it, FROM THE FACE OF A MAN, all shapes were formed IN THE SECRET OF THE VERSE: "The chariots of Elohim are twice ten thousand, thousands upon thousands (Heb. shin'an)" (Tehilim 68:18).

67. מיכאל ל רשים ברשימו לסטר דרום, וכל אנפין מסתכלין לגבי פני אדם, פני ארי"ה פני נש"ר פני שו"ר. אדם איהו דכר ונוקבא, ולא אתקרי אדם בר הכי. ומניה אתצייירין ציורין, דרכב אלהים רבותים אלפי שנאן

68. Shin'an IN THE VERSE contains all the shapes, BECAUSE IT IS THE INITIALS of shor (Eng. 'ox'), aryeh (Eng. 'lion'), neshar (Eng. 'eagle'), and final Nun is Adam (Eng. 'man'), which is the expansion of the meaning of male and female that are included together. All the thousands and tens of thousands come out of these LIVING CREATURES that are in the secret of shin'an, and from these shapes, each parts to its aspect as befits it.

68. שנאן, כללל דכלהו ציורי, שו"ר, נש"ר, ארי"ה, נ' דא איהו אדם. פשיטו דאתכליל כחדא, ברזא דכר ונוקבא. וכלהו אלפין ורבבן, כלהו נמקין מהני רזא שנאן. מהני דיוקנין מתפרשן כל חד וחד בסטרייהו, כמה דאתחזי לון

69. All these are integrated into each other and are comprised of each other, so that one should be included in the other. THESE, the ox, eagle, lion, and man are maintained by the secret of the four engraved names, WHICH ARE 'THE GREAT AND MIGHTY AND AWFUL EL', which rise to maintain and observe.

70. The ox rose to be maintained by and observe the face of a man. Another name is adorned and inscribed by two colors. It is the name 'El'. It then goes back, and the Throne engraves and carves it, and it is marked BY IT to be maintained by the secret of this name.

71. The eagle rose to be maintained by and observe the face of a man. A name rises, and is adorned and inscribed by two faces and colors, to observe in rising the wreath, which is THE NAME 'Great'. It then goes back, and the Throne engraves and carves it, and it is marked so as to be maintained by the secret of this name.

72. The lion rose to be maintained by and observe the face of a man. A name rises, and is adorned and inscribed by two faces and colors, to be strengthened and connected to Gvurah (might); it is the name 'Mighty'. It then goes back, and the Throne engraves and carves it, and it is marked so as to be maintained by the secret of this name.

73. The FACE OF a man observes all the living creatures, and all rise and observe it. They all take form, by their engravings, in this form in the secret by means of a name called 'Awful'. It is then written about them that: "As for the likeness of their faces, they had the face of a man." They are all included in this form, and this form encompasses them.

74. Because of this secret meaning, the Holy One, blessed be He, is called 'the great, mighty and awful El', because these names are high corrections by the supernal Chariot, and it is included in the four letters of Yud Hei Vav Hei, which is the Name encompassing all forms. These forms are engraved and carved into the Throne and the Throne is engraved and embroidered with them, one to the right and one to the left and one to the front and one to the rear, assigned to the four directions of the world.

75. When the Throne ascends, it is marked in these four shapes. These four lofty names bear this Throne, and the Throne is composed of them until the Throne receives and collects these pleasures and delights. AFTERWARDS THE THRONE descends fully laden, like a tree full with branches in every direction and loaded with fruits. After THE THRONE descends, the four forms OF THE LIVING CREATURES come out formed, engraved, illuminating, glittering and glowing, and they sow seeds over the world.

1. "He puts one up, and sets up another"

The Zohar talks here about the precepts regarding the appointment of the judiciary and law enforcement officers. Ra'aya Meheimna (the Faithful Shepherd)

1. "Judges and officers shall you make you in all your gates, which Hashem your Elohim, gives you, throughout your tribes" (Devarim 16:18). In this precept, He commanded regarding judges and officers. Moreover, "but (Heb. ki, Caf Yud) Elohim is the Judge" (Tehilim 75:8). The numerical value of 'ki' is forty if you take into account that Yud in its full spelling equals twenty and Caf is twenty for a total of forty. After that, "Elohim is the Judge: He puts one up," Hei OF YUD HEI VAV HEI does "and sets up another" (Ibid.), THAT IS, Vav OF YUD HEI VAV HEI.

2. The four deaths of Samael

We learn about the recommended sentencing for various crimes. The secret meaning of "justice, justice you shall pursue" is shown to be found in the construction of the name Yud Hei Vav Hei, that corresponds to the top, body and sides of the sword. We read about the Judgment from the court on high and the judgment from the court here in the world. The scabbard of the sword of justice is said to be the name Adonai, and we see the relevance to the eighteen graces of the prayer that is recited while standing. We read that Samael must be sentenced by the sword, as he is the chief minister of Edom above, and the text talks about the strangulation and stoning of Samael and the serpent as well. The name Yud Hei Vav Hei is said to be the death of Samael and the Snake, and life to the children of Yisrael. Here we read about the burning of Samael, and we are brought to see how our bodies are the trees that are combustible, and how the light inside us enables us to incinerate Samael through higher Wisdom; when the fire of exaltation comes down to the firewood of the sacrificial offering, any foreigner who approaches will be burned in the fire.

2. The following precept is to punish by sword, by strangulation, by stoning, and by fire. Whom do you punish by the sword? HE RESPONDS: Samael, as it is written, "for My sword sated in heaven, behold, it shall come down upon Edom" (Yeshayah 34:5), MEANING OVER SAMAEL, WHO IS THE MINISTER OF EDM.

2. פקודא בתר דא, לדון בסיוף. לדון בחנק. לדון בדין סקילה. לדון בדין שריפה. לדון בסיוף למאן. לסמאל. הה"ד, כי רותה בשמים חרבי הנה על אדום תרד.

3. The sword of the Holy One, blessed be He, Yud OF YUD HEI VAV HEI, is the top of the sword. The Vav OF YUD HEI VAV HEI IS the body of the sword, while the two Hei's OF YUD HEI VAV HEI are the two edges of the sword, WHICH ARE THE SECRET MEANING OF: "justice, only justice, shall you pursue" (Devarim 16:20). Two verdicts are decided (lit. 'cut'), one from the celestial court and one from the terrestrial court. From this we understand that a person cannot do the least thing down here unless permission is given from up high.

3. חרב דקודשא בריך הוא, י' רישא דחרבא. ו' גופא דחרבא. ה"א ה"א, תרין פסיפות הילה. צדק צדק תרדוף, חתכין תרין דינין, דינא מפני ב"ד דלעילא, ודינא מפני ב"ד דלתתא. ומהכא אשתמודע, אין אדם נוקף אצבעו מלמטה עד שנתן לו רשות מלמעלה.

4. The sheath of the sword, THE CONTAINER WHERE THE SWORD IS HIDDEN, is the name Adonai. There IN ADONAI, the letters of Judgments are found, SINCE IN ADONAI ARE THE LETTER ALEPH AND DIN (ENG. 'JUDGMENT'). In the reading of Sh'ma is the secret meaning of Yud Hei Vav Hei, that is the sword of the Holy One, blessed be He, AS MENTIONED ABOVE. About it, it is written: "The high praises of Elohim in their throat, and a two edged sword in their hand" (Tehilim 149:6), AS WAS EXPLAINED ABOVE. In the righteous, the life of the world, are included all the eighteen blessings, MEANING THAT THROUGH THE RIGHTEOUS, YESOD OF ZEIR ANPIN, IS ACCOMPLISHED THE UNION OF ZEIR ANPIN AND MALCHUT OF GREATNESS, WHICH IS THE SECRET OF THE EIGHTEEN BLESSINGS IN THE AMIDAH PRAYER. In it, "Adonai my lips open, and my mouth" (Tehilim 51:17) "My mouth," MEANS THAT YESOD OPENS MALCHUT, WHICH IS CALLED 'ADONAI'. In it, IN YESOD, the sword enters into its sheath. THAT IS THE MEANING OF THE UNION OF YUD HEI VAV HEI WITH ADONAI THAT IS ACCOMPLISHED THROUGH YESOD. "Then the king's wrath was pacified" (Ester 7:10), BECAUSE THE KLIPOT WERE CONSUMED BY THE UNIFICATION OF THE READING OF SH'MA. NOW BY THE AMIDAH PRAYER, THEY NO LONGER HAVE A HOLD AND THE ANGER SUBSIDES. The two names are joined, Yud-Aleph-Hei-Dalet-Vav-Nun-Hei-Yud, WHICH IS THE INTEGRATION OF THE TWO

4. נרתקא דחרבא ארני. תמן אשתכח דינא. בק"ש ידוד. חרבא דקודשא בריך הוא, עלה אתמר רוממות אל בגרונם וחרב פסיפות בינם. בצדיק חי עלמין, כליל ח"י ברכאן, דביה ארני שפתי תפתח, ופי ביה עאל חרבא בנרתיקה, וחמת המלך שככה, ומתחברין תרין שמהן יאהרונהי.

5. THE PRECEPT to punish by strangulation. IN THE CANTILLATION MARK Zarka there is a line with a Yud entwined around it; the line is the Vav that extended from the Yud. With THAT VAV, Samael is caught. THIS ACCORDS WITH THE MEANING OF: "and they carried it between two on a pole" (Bemidbar 13:23). What is the pole of that wicked SAMAEL? HE RESPONDS: It is man, who is Yud-Vav-Dalet-Hei-Aleph-Vav-Aleph-Vav- Hei-Aleph, which is 45 IN NUMERICAL VALUE. Together with the four letters Yud Hei Vav Hei the total is 49, like the number of the 49 letters in the six words of the supernal unification, WHICH IS SH'MA YISRAEL and in the six words of the lower unification, WHICH IS 'BLESSED IS THE NAME OF HIS KINGDOM...', which are Vav (=six), Vav. That is the meaning of: "and they carried it between two on a pole," separated from them, without the Aleph between the two Vavs, because there is no uniting the Other Side. Instead, "they carried it between two on a pole," Samael and his mate, the world of the separated.

6. To the rope with which SAMAEL will be strangled are attached Hei-Hei (=five), meaning the five fingers of the right hand and the five fingers of the left hand. The Vav is the rope. The Yud is the strangulation OF SAMAEL AND THE SERPENT. The Name Yud Hei Vav Hei is death to Samael and the serpent and life to Yisrael. Therefore, it is written: "See now that I, even I, am He, and there is no Elohim with Me. I kill" (Devarim 32:39) other Elohim with My Name and all those who do not believe in Me, "and I make alive" (Ibid.) those who believe in Me and observe My commandments.

7. To punish Samael with stoning, THAT IS with a stone, which is the Yud. It is thrown at him with five fingers, that are the Hei, and with the outstretched arm, that is the Vav, and with the shoulder, where the Hei lies. And the thought throws THAT STONE at him, which is the explicitly pronounced Name Yud Hei Vav Hei.

8. To punish Samael with burning, THROUGH wood (or: 'tree') with which to kindle fire. Blessed is that body that is wood. Its members are pieces of wood in which a fire will burn, which is the fire of the commandment, in each member, to burn Samael BY the supernal Shechinah, THAT IS BINAH, with a tree that is Tiferet, and with all the trees, MEANING SFIROT, that are attached TO TIFERET. When the fire of the higher descends over the wood of the sacrifice, "the stranger that comes near shall be put to death" (Bemidbar 1:51), because he will be burned IN THE FIRE. That is the meaning of: "And the fire on the altar shall be kept burning in it" (Vayikra 6:5). Blessed is he who is attached to the Tree of Life, WHICH IS ZEIR ANPIN, with his body and limbs, for he is a candle. Each branch is a candle of a commandment with his 248 positive commandments THAT CORRESPOND TO THE 248 BODY PARTS, THAT IS, A COMMANDMENT'S CANDLE FOR EACH BODY PART.

9. When both THE TREE OF LIFE AND THE COMMANDMENT'S CANDLE, WHICH ARE ZEIR ANPIN AND MALCHUT, are attached TO THAT MAN, this verse will be applied: "the bush burned with fire, but the bush was not consumed" (Shemot 3:2), NAMELY, MAN. Samael and the serpent and all his ministers, ATTACHED TO THE MAN'S BODY, which are thorns, will be combusted but the branches of the bush and its fruits and leaves will not be combusted. The Holy One, blessed be He, pointed this out to Moses.

3. "At the mouth of two witnesses...shall the matter be established"

Rabbi Shimon tells the Faithful Shepherd that the children of Yisrael are dry wood, being connected to secular fire, and that they do not deserve to have miracles performed for them. But as soon as Moses descends on them with the Torah the Tree of Life descends on them as well, and so does the mitzvah that is the candlelight of God - all for Moses' sake. Through that candlelight the heathen nations of the world will be burned. Rabbi Shimon talks about the two witnesses necessary in any trial, and says that even the walls of one's house will bear witness; the walls of one's house are said to be the inner walls of the heart, and the members of one's household are the 248 organs and limbs. Rabbi Shimon says that a wicked person's sins are even engraved on his bones. We learn that the reason sins are engraved on the bones is because the bones are white and the black script is easily recognizable. This is like the Torah with the white parchment and the black ink, black and white being darkness and light. In addition to this reason for the sins being carved into the bones, the body is destined to be reinstated with its bones, so all its merits and demerits are engraved there. If it is not worthy it will not be resurrected from the dead. Returning to the issue of the two testimonials, Rabbi Shimon calls them the seeing eye and the hearing ear. He says that even the sun and moon testify about a person, and he speaks a good deal about those who give testimony.

10. The holy luminary, THAT IS RABBI SHIMON, said TO THE FAITHFUL SHEPHERD: Surely Yisrael are dry wood in the Torah, because they are connected to a fire of a layperson. They do not deserve to have a miracle performed for them. As soon as you descend on them with Torah, for your sake the Tree of Life descends on them, WHICH IS ZEIR ANPIN, and the commandment, WHICH IS MALCHUT, the candle of Hashem, which holds on to them and so they live. But the heathen nations will be burned by that candle. This is what the prophet said: "Therefore fear you not, O My servant Jacob...neither be dismayed, Yisrael...for I am with you" (Yirmeyah 30:10-11).

11. "One witness shall not rise up against a man for any iniquity...at the mouth of two witnesses or at the mouth of three witnesses shall the matter be established" (Devarim 19:15). It is a precept to testify at court so his neighbor shall not lose money, because HE DOES NOT TESTIFY if he knows of a testimony in his favor. A testimony requires no less than two witnesses. That is the meaning of: "at the mouth of two witnesses or at the mouth of three witnesses shall the matter be established," but not at the mouth of one witness. That is why the sages of Mishnah have explained, who bears testimony on a person - the walls of his house do. Moreover, the members of his household testify about him. What are the walls of his house? They are the walls of his heart, AS WRITTEN: "Then Hezekiah turned his face towards the wall" (Yeshayah 38:2). The sages of the Mishnah have explained this to teach us that Hezekiah was praying from the walls of his heart.

12. The members of his household are his 248 body parts, SINCE THE BODY IS CALLED HOUSE. This is how the sages of the Mishnah have explained that a wicked person's sins are engraved on his bones. Similarly, the merits of a righteous man are engraved on his bones. Therefore, David said: "all my bones shall say" (Tehilim 35:10). That is why we were taught: who testifies on a person - the beams of his house... THE BEAMS OF HIS HOUSE are the bones OF THE SKULL that are constructed over the brain that is water. About this, it is written: "Who lays the beams of His chambers in the waters" (Tehilim 104:3).

10. אָמַר בּוֹצִינָא קְדִישָׁא, וְדַאי יִשְׂרָאֵל אֵינּוּן עֵצִים יְבֻשִׁים בְּאוּרֵייתָא, בְּגִין דְּאֲחִידוּ בְּאֵשׁ דְּהַדְיוּט, לְאוּ אֵינּוּן כְּדִקָּא חֲזִי, לְמַעַבְדּוּ בְּהוֹן נִיסָא, מִיַּד דְּאַנְתָּ נְחִיתת עֲלֵיהוּ בְּאוּרֵייתָא, בְּגִינְךָ נַחַת עֲלֵיהוּ אֵילְנָא דְחִינִי, וּמִצְוָה דְּאִיהוּ גַר יִי' וְאֲחִידת בְּהוֹן וְיְהוֹן חֲזִין. וְאוּמִין עֲבוּרִים דְּעֵלְמָא, אֲתוּקְדִין בְּהוּא גַר, וְהַאי אִיהוּ דְּאֲמַר נְבִיא, וְאַתָּה אֵל תִּירָא עֲבָדִי יַעֲקֹב וְאַל תַּחַת יִשְׂרָאֵל כִּי אֲתָךְ אָנִי וְגו'.

11. לֹא יָקוּם עַד אֶחָד בְּאִישׁ לְכָל עוֹן וְגו'. עַל פִּי שְׁנַי עֵדִים אִו עַל פִּי שְׁלֹשָׁה עֵדִים יָקוּם דְּבַר. פְּקוּדָא דְּאִ, לְהַעֲיֵד עֵדוֹת בְּב"ד, דְּלֹא יַפְסִיד חֲבֵרִיהּ מִמוֹנָא בְּגִינֵיהּ, אִי אֵית לֵיהּ עֵדוֹת בְּהַרְיָהּ. וְלֵית סְהַדוּתָא פְּחוֹת מִתְרִין, הַה"ד עַל פִּי שְׁנַיִם עֵדִים וְגו' יָקוּם דְּבַר, לֹא יָקוּם עַל פִּי עַד אֶחָד. וּבג"ד אוּקְמוּהּ מֵאֲרִי מְתַנִּיתִין, מִי מַעֲיֵד עַל הָאָדָם, קִירוֹת בֵּיתוֹ. וְלֹא עוֹד אֶלָּא אֲנָשֵׁי בֵּיתוֹ מַעֲיֵדִין עֲלָיו. מֵאֵי קִירוֹת בֵּיתוֹ. אֵינּוּן קִירוֹת לְבוֹ. וְיִסַּב חֲזִקְיָהּ פְּנִיו אֶל הַקִּיר, וְאוּקְמוּהּ רַבָּנָן, מִלְּמַד שֶׁהַתְּפִלָּל חֲזִקְיָהּ מִקִּירוֹת לְבוֹ.

12. אֲנָשֵׁי בֵּיתוֹ, אֵינּוּן רַמ"ח אֲבָרִים הִילֵיָהּ. דְּהַכִּי אוּקְמוּהּ מֵאֲרִי מְתַנִּיתִין, רָשַׁע עֲוֹנוֹתָיו חֲקוּקִים עַל עֲצָמוֹתָיו. וְהַכִּי צְדִיק, זְכוּתָיו חֲקוּקִים לוֹ עַל עֲצָמוֹתָיו. וּבג"כ אָמַר דּוֹד כָּל עֲצָמוֹתַי תֵּאמְרָנָה. וּבְגִינָהּ אֲתָמַר, וּמִי מַעֲיֵדִין עַל הָאָדָם קוֹרוֹת בֵּיתוֹ. גְּרָמִין בְּנוּיִן עַל מוֹחָא דְּאִיהוּ מִיָּא. וְעֲלֵיהוּ קֵא רְמִיז, הַמְּקָרָה בְּמִים עֲלִיוֹתָיו, הַמְּקָרָה לְשׁוֹן קוֹרוֹת.

13. Why are THE INIQUITIES ENGRAVED in the bones rather than in the flesh, the tendons and the skin? That is because the bones are white, and a black script is not recognizable except over white. This is similar to the Torah, which is white on the inside, THAT IS, THE PARCHMENT, and black on the outside, MEANING THE INK. Black and white are darkness and light. There is darkness that is blue, WHICH IS MALCHUT, about which it is written: "even the darkness is not dark for You" (Tehilim 139:12). Blue is black and is a female to the white, THAT IS ZEIR ANPIN, SINCE MALCHUT HAS NO LIGHT OF HER OWN EXCEPT WHAT SHE RECEIVES FROM ZEIR ANPIN. Furthermore, the body will be reinstated with its bones. Therefore, the merits and demerits are engraved on its bones and, if it is deserving, the body will be reinstated with its bones. If it is not DESERVING, it will not be reinstated and will not have a resurrection from the dead.

14. Furthermore, there are two witnesses regarding the person: a seeing eye and a hearing ear. The court counts and judges his iniquities. Furthermore, even the sun and moon testify about the person, as we explained: "Blow a Shofar at the new moon, at the full moon (lit. 'on the covering') on our feast day" (Tehilim 81:4). What is the meaning of "covering"? That is the day when the moon, WHICH IS MALCHUT, is covered. Why is it covered? That is because when Rosh Hashanah (the Jewish New Year) arrives, Samael will approach to demand punishment against her children, MEANING YISRAEL, WHO ARE THE CHILDREN OF MALCHUT, before the Holy One, blessed be He. And He will tell him to bring forth the witnesses, so he will bring with him the sun. As he is about to bring the moon, she is covered. At which place is she covered? HE RESPONDS: She goes up to that place regarding which it is said: 'Do not investigate into what is hidden from you', in order to reconcile the Holy One, blessed be He, with her children.

15. That is what the scripture says, "Blow a Shofar at the new moon, at the covering on our feast day" (Ibid.), meaning the area to which the Shechinah ascended. Regarding this, it is said, 'Do not investigate into what is hidden from you'. The iniquities that are in concealment need to be judged there between himself and his Creator. About the iniquities he committed in public, it is written: "He that covers up his sins shall not prosper" (Mishlei 28:13). The Shechinah from the side of Keter is the hidden world and the sages of the Mishnah have explained that a person needs to connect HIS INIQUITIES to that place, WHICH IS KETER. At that time, a period of Mercy arrives and Judgment passes away. Therefore, he recommends to connect ONE'S INIQUITIES TO KETER, to free him from the testimony OF MALCHUT. However, the wicked is not acquitted.

13. וְאִמְאֵי בְגֵרְמִין יִתִּיר מִבְּשָׂרָא וְגִידִין וּמִשְׂכָּא. בְּגִין דְּגֵרְמִין אֵינּוּן חוּרִין, וְכִתִּיבָא אוֹכְמָא, לָא אִשְׁתַּמּוּדְעָא אֲלָא מְגוּ חוּרוֹ. כְּגוּוּנָא דְאוּרִייתָא, דְּאִיְהִי חוּרוֹ מְלָגָאוּ, אוֹכְם מְלָבַר. אוֹכְם וְחוּר, חֲשֶׁךְ וְאוּר וְאִית חֲשֶׁךְ תְּכַלֵּת, וְאִתְמַר בֵּיה גַם חֲשֶׁךְ לָא יִחְשִׁיךְ מִמֶּךָ. וְתַכְלֵת אוֹכְם, אִיהוּ נּוֹקְבָא לְגַבֵּי חוּרוֹ. וְלָא עוֹד, אֲלָא דְגּוֹפָא עַל גֵּרְמִין עֲתִיד לְמִיקָם. וּבג"ד זְכוּוֹי וְחוּבוּי חֲקוּקִין עַל גֵּרְמִין דִּילִיָּהּ, וְאִם יִזְכָּה יְקוּם גּוֹפָא עַל גֵּרְמִין דִּילִיָּהּ. וְאִי לָאוּ, לָא יְקוּם, וְלָא יִהְיֵה לִיה תַּחֲיִית הַמֵּתִים.

15. וְהִיא הוּא דְאִמְרָא קְרָא, תְקַעוּ בַחֲדָשׁ שׁוֹפֵר בְּפֶסַח לְיוֹם חֲגִינוּ. לְאֲתֵר דְּבִיָּה סְלִיקַת שְׁכִינְתָּא, דְּאִתְמַר בֵּיהּ וּבְמַכּוּסָה מִמֶּךָ אַל תַּחְקוּר. וְחוּבִין בְּאֲתַבְסִיָּא, תְּמַן צְרִיךְ לְמִידָן בִּינּוּ לְבִין קוּנּוּ. וְחוּבִין דְּאֲתַגְלוּיָא דְעֵבֵד לוֹן, אִתְמַר מַכְסָה פִּשְׁעֵיו לָא יִצְלִיחַ. דְשְׁכִינְתָּא מְסִטְרָא דְכִתְרָא אִיְהִי עֲלֵמָא דְאֲתַבְסִיָּא, וְאוֹקְמוּהָ מְאִרֵי מִתְנִיתִין, דְצְרִיךְ ב"ג לְחַבְרָא לָהּ לְהֵהוּא אֲתֵרָא, בְּהֵהוּא זְמַנָּא מְטִי זְמַנָּא דְרַחֲמֵי, וְאִעְבַר דִּינָא. וּבג"ד לְחַבְרִיָּה אִמְרָ לְזַכָּאָה לִיָּה בְעֵדוּתִיָּהּ. אֲבָל לְרַשָּׁע אֵין מְזַכִּין לוֹ.

16. Furthermore, the Holy One, blessed be He, and His Shechinah give CONSTANT testimony about the person AND NOT ONLY ON ROSH HASHANAH, AS MENTIONED. This is what is written: "I call heaven and earth to witnesses against you this day" (Devarim 4:26). Heaven is the one about which is written: "hear You (in) heaven" (I Melachim 8:32), THAT IS ZEIR ANPIN. Earth is the one about which is written, "and the earth is My footstool" (Yeshayah 66:1), THAT IS MALCHUT. In addition, the two witnesses are the Central Column, THAT IS ZEIR ANPIN, and the Righteous IS YESOD. They are Ayin and Dalet of Sh'ma and Echad (lit. 'one'), NAMELY AYIN FROM THE SPELLING OF SH'MA, AND DALET FROM ECHAD. THIS IS THE WITNESS (HEB. ED, AYIN-DALET) FROM THE ASPECT OF ZEIR ANPIN; there is another witness from, 'blessed is the Name of the glory of His Kingdom forever and ever (Heb. va'ed)', NAMELY ED FROM THE WORD 'VA'ED', WHICH IS A WITNESS FROM THE ASPECT OF YESOD IN ZEIR ANPIN, WHICH IS INCLUDED IN MALCHUT.

17. "At the mouth of two witnesses, or three witnesses, shall he that is worthy of death be put to death" (Devarim 17:6). That is Samael, who is essentially dead: "they carried it between two on a pole" (Bemidbar 13:23). "But at the mouth of one witness he shall not be put to death" (Devarim 17:6), meaning he shall have no portion in the one El.

18. "If a false witness rise up against any man...and the judges shall make diligent inquiry...then shall you do to him as he had thought to have done to his brother" (Devarim 19:16-19). This precept is to examine the witnesses seven times before sentencing one to death. The seven examinations are seven that correspond to: "those seven...the eyes of Hashem, they rove to and fro through the whole earth" (Zecharyah 4:10). THEY ARE THE SECRET OF CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT. Regarding them, it is said: "and will chastise you seven times for your sins" (Vayikra 26:28).

4. "then shall you do to him as he had thought to have done"

Rabbi Shimon talks about the fate of a corrupt witness, and we learn that such corrupt witnesses include Samael and the Serpent.

19. The following precept is to do to a witness convicted of false testimony as he thought to do to his brother. If the two false witnesses, Samael and the serpent, come to give false testimony against Yisrael that they confused between Vav and Zayin, NAMELY BETWEEN ZEIR ANPIN THAT IS CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, THAT IS ZAYIN. THAT IS, THAT THEY HAVE SINNED AND DISTANCED BY THEIR SIN THE VAV, WHICH IS ZEIR ANPIN, FROM THE ZAYIN, WHICH IS MALCHUT, which are the letters of 'zu (Zayin Vav)'. This is the meaning of, "This people which (Heb. zu) I have formed for Myself; they shall relate My praise" (Yeshayah 43:21), NAMELY, THIS ALLUDES TO THE PEOPLE THAT UNITES THE ZAYIN WITH THE VAV.

16. ועוד, קדשא ברוך הוא ושכינתיה סהדין על ב"ג, הה"ד הערותי בכם היום את השמים ואת הארץ. את השמים, ההוא דאתמר ביה ואתה תשמע השמים. ואת הארץ, ההוא דאתמר בה והארץ הדום רגלי. ועוד, תרין סהדין: עמודא דאמצעיתא, וצדיק. ואינון ע"ד, מן שמ"ע אחר. ער, מן ברוך שם כבוד מלכותו לעולם ועד.

17. על פי שנים עדים או שלשה עדים יומת המת, דא סמאל, מת מעקרו וישאווהו במוט בשנים. לא יומת על פי עד אחד, דלא יהא ליה חולקא באל אחד.

18. כי יקום עד חמס באיש וגו' ודרשו השופטים היטב וגו', ועשיתם לו כאשר זמם וגו'. פקודא דא לדרוש ולחקור העדים בז' חקירות, קודם דידין ליה בעונשא דמותא, בשבע חקירות, שבע לקבל שבעה אלה עיני יי' המה משוטטים בכל הארץ. בהון ויסרתי אתכם אף אני שבע.

19. פקודא בתר דא, לעשות לעד זומם כאשר זמם לעשות לאחיו. תרין סהדי שקרא דאינון סמאל ונחש, אי ייתון לאסהדא סהדותא דשקר על ישראל, דטעו בין ו' לז' דאינון אתון זו. והאי איהו עם זו יצרתי לי תהלתי יספרו.

20. The Vav will be united with the Zayin only by burning leavened bread, MEANING TO BURN THE KLIPTOT THAT TAKE HOLD between the Vav and the Zayin - THAT IS, BETWEEN ZEIR ANPIN AND MALCHUT. Even though according to the laws of the Torah IT IS PERMISSIBLE TO EAT to the end of the sixth hour of the day, the sages have decreed that you may eat to the end of the fourth hour, hold it in suspense during the fifth hour, and burn it at the beginning of the sixth. The sages of the Mishnah deduced from the testimony regarding the hours of the disposition of leaven THAT ACCORDING TO THE LAWS OF THE TORAH THE TIME TO BURN IS PAST THE SIXTH HOUR - AT THE SEVENTH HOUR, to the testimonial regarding the examination of witnesses about one who has killed someone, WHICH ALSO REQUIRE SEVEN EXAMINATIONS, AS MENTIONED ABOVE, and everything is explained in the Mishnah. It shall be fulfilled REGARDING SAMAEL AND THE SERPENT, "in the thing wherein they dealt proudly" (Shemot 18:11), WHICH MEANS, IN THE SAME THING THE EGYPTIANS PLANNED TO PUNISH YISRAEL, THEY WERE PUNISHED. That is the meaning of: "then shall you do to him, as he had thought" (Devarim 19:19).

5. The Small Sanhedrin and the Great Sanhedrin

Speaking about the higher court, Rabbi Shimon next tells the Faithful Shepherd that he was Gadol, the highest above the seventy greater Sanhedrin. He says that Moses is the friend of God and the friend of Malchut. He also talks about the lower court, and about the greater and smaller lamp lights. The greater lamp light is the light of God and the smaller is the song of the Levites.

21. The following precept is to accept the ruling of the Great Sanhedrin on them, which is Binah, which, from the aspect of Chesed, is called Elohim, WHICH IS BINAH, the great Sanhedrin, SINCE GREAT IS CHESED. It is great in judgment, WHICH IS THE LEFT, and great in finding merit, WHICH IS THE RIGHT. THIS MEANS THAT WHEN THE LEFT SIDE OF BINAH IS INCLUDED WITHIN THE RIGHT, WHICH IS CHESED, BOTH ARE CONSIDERED GREAT, as we learned in relation to the precept, "you may appoint (lit. 'appoint you shall appoint') a king over you" (Devarim 17:15), in which "appoint" is above IN BINAH, and "you shall appoint" is below, IN MALCHUT. In the same way one must accept upon himself the Great Sanhedrin FROM THE ASPECT OF BINAH, although he accepted upon himself the Small Sanhedrin FROM THE ASPECT OF MALCHUT. The small court consists of three from the aspect of the lower Shechinah - WHICH IS MALCHUT. The great court consists of those in the Great Sanhedrin OF 72 MEMBERS, SEVENTY SANHEDRIN JUDGES AND TWO SCRIBES.

21. פְּקוּדָא בְּתַר דָּא, לְקַבֵּל בֵּית דִּין הַגָּדוֹל עֲלֵיהוּ, בִּינָה, מְסִטְרָא דְגְדוּלָה אֲקָרִי אֱלֹהִים, בֵּית דִּין הַגָּדוֹל, רַב בְּדִינוּי, וְרַב בְּזִכּוּוּי, כְּגִוּוֹנָא דְאִתְמַר שׁוּם תְּשִׁים עֲלֶיךָ מֶלֶךְ בְּמִקּוּדָא, שׁוּם לְעֵילָא, תְּשִׁים לְתַתָּא. הֲכִי לְקַבֵּל עֲלֵיהּ ב"ד רַבְרַבָּא, אֵע"ג דְּקָבִיל עֲלֵיהּ ב"ד זְעִירָא. בֵּית דִּין זְעִירָא, בֵּית דִּין שֶׁל שְׁלֹשָׁה, מְסִטְרָא דְשְׁכִינְתָא תַתָּא. ב"ד רַבְרַבָּא, מְאִלִּין סְנֵהֲדְרֵי גְדוּלָה.

22. The holy luminary, RABBI SHIMON, said TO THE FAITHFUL SHEPHERD: The Great Sanhedrin consisted of seventy members, and you are the greatest of them all, as is written: "every great matter they shall bring to you, but every small matter they shall judge" (Shemot 18:22), which relates to the Great Sanhedrin and the Small Sanhedrin, ABOUT WHICH IT IS SAID, "GREAT MATTER" AND "SMALL MATTER." The Great Sanhedrin are from the aspect of the supernal Shechinah, WHICH IS BINAH, and the Small Sanhedrin are from the aspect of the lower Shechinah, WHICH IS MALCHUT.

22. אָמַר בּוֹצִינָא קְדִישָׁא, שְׁבַעִים סְנֵהֲדְרֵי גְדוּלָה הוּוּ, וְאַנְתָּ רַבְרַבָּא עַל כְּלָהּ, וְהִי כָּל הַדְּבָר הַגָּדוֹל יָבִיאוּ אֵלֶיךָ וְכָל הַדְּבָר הַקָּטָן יִשְׁפֹּטוּ הֵם. אִלּוּ הֵם סְנֵהֲדְרֵי גְדוּלָה, סְנֵהֲדְרֵי קְטָנָה. סְנֵהֲדְרֵי גְדוּלָה מְסִטְרָא דְשְׁכִינְתָא עֲלָא, סְנֵהֲדְרֵי קְטָנָה מְסִטְרָא דְשְׁכִינְתָא תַתָּא.

23. Moses is the best man of the King, ZEIR ANPIN; Aaron is the best man of the Queen. Together with them there are 72 members to the Sanhedrin, MEANING WITH THE SEVENTY SANHEDRIN JUDGES OVER WHOM MOSES AND AARON PRESIDE, which have the same number as Chesed, WHICH HAS THE NUMERICAL VALUE OF 72. Hence, THEY ARE CONSIDERED the Great Sanhedrin, SINCE CHESED IS CALLED GREAT, AS MENTIONED ABOVE. The Small Sanhedrin are from the aspect of the left, THAT IS MALCHUT, WHICH IS ERECTED FROM THE LEFT, ABOUT WHICH IT IS WRITTEN: "and the lesser light to rule the night" (Beresheet 1:16).

23. מֹשֶׁה שׁוֹשְׁבֵינָא דְמֶלֶכָא, אֶהְרָן שׁוֹשְׁבֵינָא דְמִטְרוֹנִיתָא. וְעִמְהוֹן שְׁבַעִין וְתֵרִין סְנֵהֲדְרִין, כְּמִנּוּן חֶסֶד, וּמֵהֲכָא סְנֵהֲדְרֵי גְדוּלָה. סְנֵהֲדְרֵי קְטָנָה, מְסִטְרָא דְשְׁמָאלָא, אֶת הַמָּאוֹר הַקָּטָן לְמִמְשַׁלַּת הַלַּיְלָה.

24. Due to this, Tiferet IS CONSIDERED "the greater light to rule the day" (Ibid.), BECAUSE it says about it, "Hashem will command His steadfast love (Heb. Chesed) in the daytime" (Tehilim 42:9). SINCE IT IS CHESED, IT IS CALLED THE GREATER LIGHT. "And the lesser light to rule the night" means: "and in the night His song shall be with me" (Ibid.), that is, the song of the Levites, which is Yesod IN MALCHUT, ACCORDING TO THE MEANING OF THE WORDS: "the son of Jesse lives on the ground" (I Shmuel 20:31), IN WHICH 'LIVES' REFERS TO YESOD, AND THE GROUND IS MALCHUT. He has composed ten types of songs in Tehilim, MEANING 'BLESSED', 'A SONG', 'A POEM', ETC. The Righteous is to the left, MEANING YESOD IN MALCHUT, AND THE LEFT, "the lesser light" is the Shechinah that was taken from the left.

24. ובג"ד, תפארת את המאור הגדול לממשלת היום, דאתמר ביה יומם יצוה יי' חסדו. את המאור הקטן לממשלת הלילה, ובלילה שירה עמי. שיר הלויים, ודא יסוד. בן ישי חי על האדמה. דתקין עשר מיניי תהלים, בשירה. ואיהו צדיק לשמאלא, את המאור הקטן, ודא שכינתא, דאתנטילת משמאלא.

1. He who brings out an evil name

The Faithful Shepherd begins Ki Tetze by talking about people who defame someone's character, and how they must be punished. He refers in this context to a person who defames a virgin of Yisrael, to the spies who went out and gave false reports about the land they saw, and to Esther, who was worthy of the Holy Spirit. He says that those who know only the surface or revealed interpretation of the Torah know nothing of its mysteries; they are poor in knowledge and are referred to as riding upon an ass. They are from the aspect of the Tree of Knowledge of Good and Evil. Moses talks about the mystery of Esther and her relationship with the Shechinah who gives a person many special attributes. Esther was protected from Ahasuerus just like Sarai was protected from the Pharaoh. The Faithful Shepherd returns to the issue of defamation, and says that those who speak ill of the Shechinah will be stricken in their souls. He talks about the righteous man with whom things do not go well, and the evil man with whom they do. We learn that when the Torah was given, the first tablets that were broken were comparable to virginity in that they testified to the whole Torah; the Torah's groom, Moses, broke her virginity. Next Elijah and all the heads of the Yeshivah bless the Faithful Shepherd. Elijah speaks to Moses about his role and the role of Abraham in relationship to Malchut; he says that Moses spoke out against Yisrael when they made the golden calf and thus he defamed Malchut.

Ra'aya Meheimna (the Faithful Shepherd)

1. "and they shall fine him a hundred shekels of silver..." (Devarim 22:19). We are commanded to punish whoever defames someone's character. This is the meaning of, "and they shall fine him a hundred shekels of silver, and give them to the father of the girl, because he has brought out an evil name upon a virgin of Yisrael." THE FAITHFUL SHEPHERD SAID, Sages, this applies to after the wedding, since he says, "I found not your daughter a virgin" (Ibid. 17). Not all evil names are alike, since the spies who spread an evil name on the land were punished for it by dying and not meriting it. A woman is like ground, WHICH IS WHY THE SPIES WERE CONSIDERED AS ONE DEFAMING THE CHARACTER OF A WOMAN. It is like the explanation that Esther was the ground.

2. You may say that Esther has a bad reputation BY SAYING that she was defiled with Ahasuerus, YET she was worthy that the Holy Spirit, WHICH IS MALCHUT, would be clothed in her as written, "Esther put on her royal apparel" (Ester 5:1). IN THAT CASE, YOU ARE BRINGING OUT AN EVIL NAME ON MALCHUT. Yet the Holy One, blessed be He, said, "I am Hashem, that is My name, and My glory will I not give to another, neither My praise to carved idols" (Yeshayah 42:8), WHICH IS THE SHECHINAH CALLED 'NAME', 'GLORY' AND 'PRAISE'. The Holy Spirit is the Shechinah and is a name that was clothed with Esther. HOW CAN YOU SAY SHE WAS DEFILED WITH AHASUERUS?

3. Yet sages, woe to those who eat the chaff and ears of corn of the Torah, THAT IS, WHOSE TORAH IS MIXED OF GOOD AND EVIL LIKE CHAFF AND EARS OF CORN THAT ARE A MIXTURE OF FOOD AND KLIPOT. Such a man knows nothing of the mysteries of the Torah, but only light and weighty precepts; the light is the chaff of the Torah, NAMELY THE REFUSE, and the weighty precepts of the Torah are wheat, WHICH CONTAINS BOTH FOOD AND REFUSE. CHET AND TET OF WHEAT (HEB. CHITAH) ARE THE REFUSE AND HEI IS GOOD. THIS IS THE SECRET OF the Tree of Knowledge of Good and Evil, AS THE SAGES SAID THAT THE TREE OF KNOWLEDGE OF GOOD AND EVIL WAS WHEAT.

1. וְעָנְשׁוּ אוֹתוֹ מֵאָה כֶּסֶף וְגו'. פְּקוּדָא דָּא, לְדוֹן בְּדִין, מוֹצִיא שֵׁם רַע. הֵה"ד, וְעָנְשׁוּ אוֹתוֹ מֵאָה כֶּסֶף וְנָתְנוּ לְאָבִי הַנְּעֵרָה כִּי הוֹצִיא שֵׁם רַע עַל בְּתוּלַת יִשְׂרָאֵל. רַבָּנָן, וְהָאִי אִיהוּ בְּתַר נְשׂוּאִין, דְּאָמַר לָא מְצֵאתִי לְבַתְךָ בְּתוּלִים, וְלֹא כָּל שֵׁם רַע שְׁקוּל, דְּמַרְגְּלִים דְּאִפְּיִקוּ שׁוּם בִּישׁ עַל אַרְעָא, אֲתַעְנְשׁוּ בְּגִינָה, וּמִיתוּ וְלֹא זָכוּ לָהּ. וְאֲתַתָּא קִרְקַע אִיהִי בְּאַרְעָא, כְּמָה דְּאוּקְמוּהָ, אֲסַתֵּר קִרְקַע עוֹלָם הֵיתָה.

4. It is not the custom of the King and the Matron to ride a donkey (Heb. chamor), NAMELY THE LITERAL UNDERSTANDING (HEB. CHOMER) OF THE TORAH, WHICH IS WHEAT AND THE TREE OF KNOWLEDGE OF GOOD AND EVIL AS MENTIONED. Instead they ride on horses, THE SECRET OF THE MYSTERIES OF THE TORAH. This is the meaning of, "you ride upon your horses, your chariots of salvation" (Chavakuk 3:8). For Malchut is not treated lightly so as to have the Queen ride on a donkey, and even more so the King, for it is no place for commoners and servants, THAT IS METATRON THAT IS CALLED A COMMONER AND A SERVANT, whose way is to ride a donkey. This is why it says of Messiah, WHEN YISRAEL WILL HAVE NO MERIT, "humble (Heb. ani), and riding upon an ass" (Zechariah 9:9). Ani stands for the Mishnah orders of Eruvin, Nidah and Yevamot, THE INITIALS OF WHICH FORM 'ANI (ENG. 'POOR')'. The rest of the orders of the Mishnah are comprised in these, WHICH INDICATES THAT AS LONG AS ONE DOES NOT KNOW THE MYSTERIES OF THE TORAH BUT ONLY THE REVEALED TORAH, ONE IS POOR IN KNOWLEDGE AND RIDING UPON AN ASS, WHICH IS THE ASPECT OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL. THE HOLY ONE, BLESSED BE HE, is not considered a King until He rides on His horse, which is the Congregation of Yisrael, NAMELY MALCHUT, ACCORDING TO THE SECRET OF, "I COMPARE YOU, O MY LOVE, TO A MARE OF THE CHARIOTS OF PHARAOH" (SHIR HASHIRIM 1:9), WHICH IS WHOLLY GOOD WITHOUT ANY EVIL.

5. The Holy One, blessed be He, outside His place is not a King. When He returns to His place, "Hashem shall be King" (Zechariah 14:9). It is said of Yisrael as well that all Yisrael are princes. Like the father the children are not princes until they return to the land of Yisrael. You may say that he WHO RIDES A DONKEY is a commoner, AND HE ANSWERS, though he is a commoner in relation to his Master, do not treat lightly a blessing from a commoner, for this commoner is the servant Metatron, AND IT IS HE WHO RIDES THIS DONKEY. The first man, who did not keep the glory he was given BY EATING OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL, was brought down to eat together with his donkey, WHICH IS THE ASPECT OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL and he said TO THE HOLY ONE, BLESSED BE HE, I and my donkey shall eat from the same trough. Issachar merited this donkey by being called, "Issachar is a strong ass" (Bereshheet 49:14), BECAUSE HE SUBDUED THIS DONKEY CALLED A STRONG (HEB. GEREM) ASS BY BRINGING HIM DOWN THE STAIRCASE (HEB. GEREM).

6. The sages who wrote the Mishnah SAID THAT it is said of the Matron, WHO IS MALCHUT, "and His kingdom rules over all" (Tehilim 103:19), SINCE SHE RULES OVER THE KLIPOT AS WELL. THEREFORE, after Esther put on THE ROYAL APPAREL, IN ACCORDANCE WITH THE SECRET OF THE VERSE, "ESTHER PUT ON HER ROYAL APPAREL (HEB. MALCHUT)," Esther ruled over Ahasuerus and his people, and it is said of them, "and slew of their foes" (Ester 9:16). If you say that AHASUERUS mated with her, heaven forbid. Though they were in the same house, SHE DID NOT MATE WITH HIM, but was like Joseph of whom it says, "And she laid up his garment (Heb. bigdo) by her" (Bereshheet 39:16). The word 'bigdo' is employed, which is derived from, "traitors have dealt treacherously (Heb. bagdu)" (Yeshayah 24:16). THIS IS HIS MOST OUTER ASPECT, WHICH THE KLIPOT CAN BE ATTACHED TO.

4. לִית דְּרֵכָא דְמַלְכָא וּמַטְרוֹנִיתָא, לְמַרְכָּב עַל חֲמָרָא, אֲלֵא עַל סוּסוֹן. הֵה"ד כִּי תִרְכַּב עַל סוּסִיךָ מִרְכַּבוֹתֶיךָ יְשׁוּעָה. דְּאִין מְזַלְזֵלִין בְּמַלְכוּתָא, לְמַרְכָּב מַטְרוֹנִיתָא עַל חֲמָרָא. כ"ש מַלְכָּא, לִית דִּין אֲתֵר הַדְּיוּט עֶבֶד, דְּאַרְחִיהּ לְמַרְכָּב עַל חֲמָרָא. וּבג"ד כְּתִיב בֵּיהּ בְּמַשִּׁיחַ, עָנִי וְרוֹכֵב עַל חֲמוֹר. עָנִי אִיהוּ תַמָּן בְּסִימָן, עֲרוּבִין נְדָה יְבָמוֹת, וְשָׂאֵר מִתְנִיחִין בְּכֻלָּל. וְלֹא אֲתַקְרִי תַמָּן מַלְךְ, עַד דְּרֵכִיב בְּסוּסֵי אֵילִיָּהּ כְּנֶסֶת יִשְׂרָאֵל.

7. There is a great mystery here, which is why 'Esther' is derived from mystery (Heb. seter), as written, "You are my hiding place (Heb. seter)" (Tehilim 32:7), since the Shechinah hid her from Ahasuerus and gave him a female demon instead while she returned to Mordechai's arm. And Mordechai, who knew the explicit Name and the seventy tongues, did all this with wisdom. This is why the sages of the Mishnah stated that even regardless of this, a man must speak with his wife before he mates with her, because she might have been exchanged with a female demon.

8. This is true for a woman who comes from the aspect of the Tree of Knowledge of Good and Evil, AND AN EXCHANGE WITH A FEMALE DEMON APPLIES TO HER, but if she is from the Shechinah she remains unchanged. This is the meaning of, "For I am Hashem, I do not change" (Malachi 3:6). "I" is the Shechinah, who has no fear from the other sides, NAMELY THE KLIPOT. This is the meaning of, "All nations before Him are as nothing" (Yeshayah 40:17).

9. Wherever the Shechinah is, there are many special attributes. Hence, since the Shechinah was clothed in her, Esther was worthy of having special things done to her like Sarah, whom the Holy One, blessed be He, kept, and since the Shechinah was with her He kept her from Pharaoh. The Holy One, blessed be He even made her clothes and jewels have special qualities due to the Shechinah that was with her. For that reason, when Pharaoh came to TOUCH her sandal, THE ANGEL struck him with it, and the same happened with all her jewelry. Each jewel he would touch struck him until that defiled one left her and brought her back to her husband.

10. If this is true for her jewels, it is much more so that whoever touched her body, even her finger, for the purpose of mating, THEN, "and the stranger that comes near shall be put to death" (Bemidbar 1:51), since the Holy One, blessed be He, did not give him permission to come near her. This is the meaning of, "I am Hashem, that is My name, and My glory will I not give to another" (Yeshayah 42:8).

11. For that reason not every SPREADING OF an evil name is the same. The spies who defamed the land of Yisrael died. Those who speak ill of the Shechinah are most certainly struck in their souls, for those who spoke ill about the land were struck bodily and committed suicide. But whoever defames the Shechinah, his soul is stricken. This applies to whoever knows this secret OF BRINGING OUT AN EVIL NAME ON THE SHECHINAH, and whose eyes are open. But a person whose eyes are shut is not punished as severely.

7. וְהָכָא סֵתְרָא רַבְרַבָּא. וּבְגִין דָּא, אֶסְתֵּר: לְיִשְׁנָא דְסֵתְרָא, אֵתָּה סֵתֵר לִי, שְׂכִינְתָּא אֶסְתִּירַת לָהּ מֵאַחַשְׁוֵרוּשׁ, וְיֵהִיב לִיָּה שִׂידָה בְּאַתְרָהּ, וְאַתְהִדְרַת אִיָּהּ בְּדְרוּעֵיהּ דְּמִרְדֵּכִי. וּמִרְדֵּכִי דִּהוּהּ יָדַע שְׂמָא מִפְּרָשׁ, וְשִׁבְעִין לְשׁוֹן, עֶבֶד כָּל דָּא בְּחֻכְמָתָא. וּבְגִין דָּא אֻקְמוּהּ מֵאַרְי מִתְנִיתִין, דְּאִפִּילוּ בְּלֵא דָּא, אִית לִיָּה לִבֵּי קוֹדֵם דִּיתִיחַד עִם אֶתְתִּיהּ, לְמַלְלָא עִמָּהּ, בְּגִין דְּשְׂמָא שִׂידָה אֶתְחַלְפָּא בְּאַתְתִּיהּ.

12. As for what the sages of the Mishnah said to them that a raped wife is permitted to remain with her husband, permission and prohibition in the Mishnah speak only of human matters and a woman who is from the Tree of Knowledge of Good and Evil. But the case of a woman who is from the Tree of Life is not as that of those FROM THE TREE OF KNOWLEDGE OF GOOD AND EVIL, since whoever is from the Tree of Life is a righteous person with whom things are well. Of him it is said, "No evil shall happen to the just" (Mishlei 12:21), nor to his just wife. We learned that from Sarah in the house of Pharaoh - that he had no permission to come near her.

13. Whoever is righteous but for whom things go badly, namely, he who is from the Tree of Knowledge of Good and Evil, since there is evil PRESENT with him, "For there is not a just man upon earth who... never sins" (Kohelet 7:20). As for an evil man for whom things go well, it is that the Evil Inclination overpowered his Good Inclination. HENCE they said that it is well with him, because the good is under the power OF THE EVIL MAN. And since the evil dominates the good, he is an evil man, since whoever is stronger receives the name. IF THE GOOD OVERCOMES THE EVIL, HE IS CALLED A RIGHTEOUS MAN THAT IT IS EVIL WITH HIM, SINCE EVIL IS UNDER HIS POWER. IF EVIL OVERCOMES GOOD HE IS CALLED AN EVIL MAN THAT IT IS WELL WITH HIM, SINCE GOOD IS UNDER HIS POWER. An evil man with whom things are evil is another EI, who is Samael. It is evil with him, namely the poison of death, which is idol worshiping, OF WHICH IT IS WRITTEN, "Evil shall slay the wicked" (Tehilim 34:22). For that reason a raped WOMAN is considered so only if that soul has a mixture of good and evil.

14. When the Torah was given, her tablets that were likened to virginity were broken. JUST AS VIRGINITY IS A TESTIMONY TO THE VIRGIN'S HONESTY, SO THE TABLETS THAT WERE GIVEN BEFORE THE EYES OF ALL YISRAEL WERE A TESTIMONY TO THE WHOLE TORAH. And the Holy One, blessed be He, again gave her to Yisrael to keep her. And the oral Torah is called Halachah given to Moses on Sinai. MOSES WAS THEREFORE CALLED THE BRIDE'S GROOM OF THE TORAH. And the groom of the Torah broke her virginity, WHICH IS THE FIRST SET OF TABLETS. Whoever speaks ill of her and says that Torah is not LIKE THE FIRST ONE, since her tablets were broken, the Holy One, blessed be He, will speak to him, who is the girl's father, NAMELY OF that daughter who is IMPLIED in the word Beresheet (In the beginning), SINCE BERESHEET IS SPELLED WITH THE LETTERS OF 'BAT ROSHI (ENG. 'THE DAUGHTER OF MY HEAD')', TO INDICATE THAT THE TORAH IS the King's daughter. THEN the Holy One, blessed be He, spoke: "And they shall spread the cloth" (Devarim 22:17), and the parchment of the Torah scroll unfolds, and they shall see that it is written in it, "Hew for yourself two tablets of stone like the first, and I will write upon these tablets the words that were on the first tablets, which you did break" (Shemot 34:1).

15. Immediately Elijah rose with all the heads of the Yeshivah and they blessed him. And ELIJAH said TO THE FAITHFUL SHEPHERD, Sinai, Sinai, it would have been worthy for us to listen to your words and be silent, yet with permission from the Holy One, blessed be He, and His Shechinah, I wish to say something to you, in your honor. He said to him, speak.

12. ומה דרבנן דמתניתין שויין קמיוהו, דאתתא אנוסה מותרת לבעלה. ודאי איסור והיתר דמתניתין לא ממלל אלא במיליה דב"נ, ואתתא דאיהו מאילנא דעץ הדעת טוב ורע. אבל אתתא דאיהו מאילנא דחיי, לאו לה דינא כאלין, דההוא דאילנא דחיי, צדיק וטוב לו. ובגיניה אתמר, לא יאונה לצדיק כל און, ולא לבת זוגו צדקת. ואולימנא משרה בביתא דפרעה, דלא הוה ליה רשו למקרב בהדה.

13. ומאן דאיהו צדיק ורע לו, האי דאיהו מאילנא דטוב ורע, דכיון דרע עמיה, אין צדיק אשר לא יחטא בההוא רע, בתר דאיהו עמיה. רשע וטוב לו, דאתגבר יצר הרע על יצר טוב, אתמר וטוב לו, טוב איהו תחות רשותיה, ובגין דרע שליט על טוב, רשע איהו, דההוא דאתגבר נטיל שמא. רשע ורע לו, אל אחר סמאל, ורע לו, סם המות דיליה עכו"ם, תמותת רשע רעה. ובג"ד, אנוסה לאו איהו, אלא אי אית בה תערובת בההיא נשמתא, דטוב ורע.

14. ואורייתא דאתייהיבת, אתפרו לוחין דילה, דאינון משולים לבתולים. וקודשא בריך הוא הדר יהיב לון לישראל, לגטרא לה, אורייתא דבע"פ אתקריאת הלכה למשה מסיני. וחתן דידה, תבר בתולים דילה. ומאן דאפיק שום ביש עלה, דיימא דהא ההיא אורייתא לאו איהו דא, דהא לוחין דילה אתפרו. קודשא בריך הוא יימא ליה, דאיהו אבי הנערה, בת, דאיהו בתיבת בראשית, איהו בריתא דמלכא, קודשא בריך הוא אמר ומרשו השמלה, ואתפתחת יריעה מס"ת, ויחזון דאתמר ביה, פסל לך שני לוחות אבנים כראשונים וכתבתי על הלוחות את הדברים אשר היו על הלוחות הראשונים אשר שפרת.

15. מיד קם אליהו, וכל מארי מתיבתא, וברכו ליה, ואמרו סיני סיני, הכי אתחזויא למשמע מלון דילך ולשתוק, אבל ברשותא דקודשא בריך הוא ושכינתיה, אנא בעי למללא מלה לגבך, ליקרא דילך. א"ל אימא.

16. ELIJAH opened and said, Faithful Shepherd, the Holy One, blessed be He gave this bride of yours, NAMELY MALCHUT to Abraham to bring up for you. And since he kept her she is called his daughter. This is what is meant by the saying that Abraham had a daughter whose name was 'Bakol (lit. 'in all')'. By her he observed the whole Torah even to the Eruv Tavshilin (an action allowing one to cook on holiday for Shabbat). This is the meaning of, "and kept My charge" (Beresheet 26:5). And he brought her up, as written, "And he brought up Hadassa" (Ester 2:7). And the Holy One, blessed be He, blessed him for her sake, as written, "and Hashem had blessed Abraham in all things (Heb. bakol)" (Beresheet 24:1). He brought her up with every good virtue and was charitable to her. He raised her to greatness, with the quality of kindness (Chesed) of Abraham. His house was, for her sake, wide open to do kindness to all the people of the world.

17. Since he was kind to her, when Abraham's children were exiled because of their many iniquities in Egypt, the Holy One, blessed be He, said, 'Faithful Shepherd, go and be kind to him who did kindness by you, since I gave him your bride, WHO IS MALCHUT, to raise with good qualities'. And he raised her BY DRAWING HER thirteen attributes of mercy implied in the three words, Vav Hei Vav, Aleph Nun Yud, Vav Hei Vav, which are THE INITIALS OF Vav, since the 72 names are comprehended in them AS THE FIRST OF THE 72 NAMES IS VAV HEI VAV, THE MIDDLE ONE IS ALEPH NUN YUD AND TOWARDS THE END IS THE SECOND VAV HEI VAV. 72 IS the numerical value of Chesed, with which Abraham overcame the 72 nations, WHICH ARE THE SEVENTY NATIONS, ESAU AND ISHMAEL. Through your bride, NAMELY MALCHUT, he had a special property through the 72 names AFTER MALCHUT RECEIVED THEM, and he overcame every nation and tongue.

18. For that reason IT IS WRITTEN, "That caused His glorious arm to go at the right hand of Moses" (Yeshayah 63:12), WHICH IS MALCHUT, and "dividing the water" (Ibid.) by tearing the water into twelve pieces, the numerical value of Vav Vav. And by merit of Aleph IN THE FULLY SPELLED VAV (VAV ALEPH VAV) THAT INDICATES THE ILLUMINATION OF BINAH, You turned the sea into dry land. In it the Egyptians drowned, who did not believe in the Vav, WHICH IS ZEIR ANPIN, which is THE NUMERICAL VALUE OF one. In the future to come it will be fulfilled in Yisrael, the seed of Abraham, "As in the days of your coming out of the land of Egypt I will show him marvelous things" (Michah 7:15). In you it shall be fulfilled, "That caused His glorious arm to go at the right hand of Moses, dividing the water" of the Torah, to make yourself, "an everlasting name" (Yeshayah 63:12). There you shall attain your bride.

19. Since this daughter, NAMELY MALCHUT, was given to Yisrael, it is your Halachah from the left side, Halachah attributed to Moses from Sinai, SINCE HALACHAH IS SPELLED WITH THE SAME LETTERS AS 'THE BRIDE (HEB. HAKALAH)'. For on the right side, your Halachah is the letter Hei, NAMELY HEI from the side of the name Abraham, AND IT IS Yud from THE SIDE OF THE NAME Isaac. And everything is Hei Yud of THE NAME Elohim. And you are Vav, SINCE MOSES IS THE ASPECT OF ZEIR ANPIN, WHICH IS VAV, which is the full spelling of MALCHUT and her perfection. AND SHE IS CALLED a full cup. For at first she was the throne of Yud Hei, IN WHICH 'THRONE (HEB. KES, CAF SAMECH) HAS NO VAV AND THE NAME YUD HEI IS WITHOUT VAV HEI. At the end it is a cup (Heb. kos, Caf Vav Samech) full of the blessing of Yud Hei Vav Hei, SINCE THE CUP IS FULL AND THE NAME IS COMPLETE.

16. פתח ואמר, רעיא מהימנא, האי כלה דילך, קודשא בריך הוא יהב לה לאברהם לגדלא לה לגבך, ובגין דאיהו נטיר לה, אתקריאת ברתייה. הה"ד, בת היתה לו לאברהם ובכל שמה. ובה קיים כל אורייתא כלה, ואפילו עירובי תבשילין. הה"ד, וישמור משמרתו וגו'. ואיהו הוה לגבה אומן, כגון ויהי אומן את הדסה. וקודשא בריך הוא בריך ליה בגינה, הה"ד וי' ברך את אברהם בכל. וגדיל לה מכל מדות טבין, וגמיל לה חסד, וסליק לה בגדולה במדת חסד דאברהם, והוה ביתיה בגינה פתוח לרווחה, למגמל חסד עם כל באי עולם.

20. And since MALCHUT was given through you to Yisrael, who are the Central Pillar THAT INCLUDES RIGHT AND LEFT it behooves us to reveal why it was given them. For surely we learned why she was given to Abraham, BECAUSE HE DREW ON HER THE ATTRIBUTE OF CHESED, and you were kind (bestowing Chesed) to his children just as he was kind to you. And the Holy One, blessed be He, gave her to Isaac, to him and his descendants to keep her from the Tree of Knowledge of Good and Evil. And they made her some boundaries and cut for her some garments, golden garments with some laws. And they used to disagree and ask questions regarding these laws, to supply them with explanations, to decorate her with many decorations for Shabbat and holidays, to redeem her at the last redemption, as it says of her, "That (Heb. mah) which has been (Heb. shehayah), it is (Heb. hu)" (Kohelet 1:9) (making the initials of Moses). (THE CONTINUATION IS MISSING)

21. Since they brought it on you and did good things for you, you have suffered for their sakes many troubles so that Messiah the son of Joseph shall not be killed, of whom it says, "the face of an ox on the left side" (Yechezkel 1:10), who is a descendant of Joseph, of whom it says, "The firstling of his herd, grandeur is his" (Devarim 33:17). That is because he and his descendants shall not be violated among the heathen nations because of the sin of Jeroboam who worshipped idols, for which he and his seed were to be violated among the idol worshipping nations. For Jeroboam the son of Nebat is a descendant of Joseph and it is because of him that it says of you, "But he was wounded because of our transgressions...and by his injury we are healed" (Yeshayah 53:5).

22. And since Yisrael are included of right and left, BEING OF THE CENTRAL COLUMN, where your Hei and Yud are in a state of completion, it behooves you to unite with her, WITH MALCHUT, between them. And since it says of you, "because he has brought out an evil name upon a virgin of Yisrael," it says of you, "and she shall be his wife; he may not put her away all his days" (Devarim 22:19), NAMELY WHEN SHE IS in exile he may not be away from her all his days.

23. Where is the evil name you brought upon her? After MALCHUT was given to Yisrael, whoever brings out an evil name on Yisrael is as one who brings out an evil name on MALCHUT. And the evil name was in what you said to the Holy One, blessed be He, "Hashem, why does Your wrath burn against Your people" (Shemot 32:11), NAMELY YISRAEL, and the Holy One, blessed be He, said, 'because you spoke ill on Yisrael when they made the golden calf'. "Go, get you down; for your people...have become corrupt" (Ibid. 7), NAMELY YOUR PEOPLE, who are the mixed multitudes whom you converted and who made the golden calf. And therefore, "because he has brought out an evil name upon a virgin of Yisrael," THEN, "she shall be his wife" AS WE SAID.

24. The Faithful Shepherd rose and kissed him, ELIJAH, on his face and his eyes and blessed him. And he said to him, may you be blessed by the mouth of the Holy One, blessed be He, and His Shechinah, by each of His attributes and His ten Sfirot and all His names and all the heads of Yeshivah and all the angels. And they all answered and said Amen. And the Holy One, blessed be He, and His Shechinah acknowledged his blessing. Elijah, rise, open your mouth regarding the precepts with me, because you are my assistant in every aspect, for it first says of you, "Pinchas, the son of Elazar, the son of Aaron the priest" (Bemidbar 25:11), BECAUSE PINCHAS IS ELIJAH. Surely he is the son of Aaron, my nephew, as written, "and a brother is born for adversity" (Mishlei 17:17).

24. קם רעיא מהימנא, נשיק ליה באנפוי, ועל עינוי וברין ליה, ואמר ליה, תהא מברך מפומא דקודשא בריך הוא ושכינתיה, בכל מדה ומדה דיליה, ובעשר ספירן דיליה, ובכל שמיהן דיליה, ובכל מארי מתיבתאן, ובכל מלאכין. וענו כלהו ואמרו אמן. וקודשא בריך הוא ושכינתיה הודו בברכתיה. אליהו, קום אפתח פומך בפקודין עמי, דאנת הוא עוזר דילי, מכל סטרא, דהא עלך אתמר בקדמיתא, פנחס בן אלעזר בן אהרן הכהן, בן אהרן ודאי, בן אה דילי הוא, ואח לצרה יולד.

2. "If a man find a girl that is a virgin"

We read two esoteric explanations of the title verse, from which we learn that one must lay hold of one's higher aspect through the agency of the Tefilin and the Tzitzit and the prayers and meditations that are prescribed. People must always study the Torah even if not for its own sake in order that some day they may come to study it for its own sake. We are also shown that God has seduced Yisrael and opened for them the fifty gates of mercy and freedom. Even though the Shechinah is in exile, God will never forsake Her.

25. "If a man find a girl that is a virgin, who is not betrothed..." (Devarim 22:28). This precept is to punish the seducer with fifty shekels of silver. This is the meaning of, "If a man find a girl that is a virgin, who is not betrothed": these are Yisrael, who, from the aspect of the Shechinah are called daughter. "and lay hold of her, and lie with her, and they be found; then the man that lay with her shall give to the girl's father fifty shekels of silver, and she shall be his wife; because he has humbled her, he may not put her away all his days" (Ibid. 28-29). The sages and all the members of the Yeshivah SAID, "a man" refers to Yisrael from the aspect of the Holy One, blessed be He, WHO IS CALLED A MAN; "and lay hold of her" with the knot of Tefilin, "and lay hold of her" with the Tzitzit. "who is not betrothed," namely an only daughter, who is the soul FOR BY THE KNOT OF TEFILIN AND TZITZIT YISRAEL LAY HOLD OF THEIR SOUL. "and lie with her," namely with the prayer of lying down, that is, 'Hashkivenu (Eng. 'cause us to lie down')'. "shall give to the girl's father fifty shekels of silver," namely 25 LETTERS OF THE MEDITATION OF SH'MA and 25 letters of the meditation OF 'BLESSED BE THE NAME...'.
26. Rise, Faithful Shepherd, for surely whoever studies Halachah, WHICH IS MALCHUT, not for its own sake, and understands the Halachah, surely it is seized by him, THAT IS, UNWILLINGLY. Yet it has been explained that man should always study Torah even if not for its own sake, so that from studying not for its own sake it shall become for its own sake. And this Halachah is from the aspect of the good lad, WHO IS METATRON, who separated from the Tree of Knowledge of Good and Evil, which comprises the forbidden and the permissible, the unclean and the clean, the fit and the unfit. After the lad METATRON, MALCHUT is called a girl, by whom it will be fulfilled, "that the wicked might be shaken out of it" (Iyov 38:13), who are the forbidden, the unclean and unfit, Samael and his legions.

25. כי ימצא איש נערה בתולה אשר לא אורשה וגו'. פקודא דא, לדון במפתח חמשים כסף. הה"ד, כי ימצא איש נערה בתולה אשר לא אורשה. אליו ישראל, מסטרא דשכינתא אתקריאו בת. ותמשה ושכב עמה ונמצאו ונתן לאבי הנערה חמשים כסף ולו תהיה לאשה לא יוכל לשלחה כל ימיו. רבנן וכל מארי מתיבתא, איש: אליו ישראל, מסטרא דקודשא בריך הוא. ותמשה, בקשורא דתמילין. ותמשה, בכנפי מצוה. אשר לא אורשה, בת יחידה, דא נשמה. ושכב עמה, בצלותא דשכיבא, בהשכיבנו. ונתן לאבי הנערה חמשים כסף, כ"ה כ"ה אתון דיחורא.

26. קום רעיא מהימנא, דודאי מאן דאשתדל בהלכה שלא לשמה, ורווח הלכה, ודאי בתמישה איהו לגביה. ועם כל דא אוקמה, לעולם יעסוק אדם בתורה אפילו שלא לשמה, שמתוך שלא לשמה בא לשמה. והאי הלכה מסטרא דנער טוב, דאתפרש מאילנא דטוב ורע, דאיהו איסור והיתר, טומאה וטהרה, בשר ופסול. ועל שם נער, אתקריאת איהו נערה. דעתיד לקיים בה, וינערו רשעים ממנה, דאינון איסור טמא ופסול, סמאל ומשרייתיה.

27. According to another explanation, "If a man find a girl that is a virgin" refers to Yisrael, as written, "When Yisrael was a child, then I loved him" (Hoshea 11:1), AND THEY ARE CALLED lad from the aspect of Metatron, NAMELY, THEIR SOULS ARE FROM BRIYAH WHERE METATRON IS. The man is none other than the Holy One, blessed be He, as written, "Hashem is a man of war" (Shemot 15:3). "If a man find a girl that is a virgin," namely the virgin of Yisrael, of whom it says, "The virgin of Yisrael is fallen; she shall no more rise" (Amos 5:2). THE MAN IS THE HOLY ONE, BLESSED BE HE, WHO SEDUCED HER, AS WRITTEN, "behold, I will allure her, and bring her into the wilderness" (Hoshea 2:16). Then He opened for them fifty gates of freedom, which are the fifty gates of mercy of the side of their father Abraham, WHO IS CHESSED. This is what is meant by, "shall give to the girl's father fifty shekels of silver," silver being of the grade of Chesed, the grade of Abraham.

28. For at the exodus from Egypt the fifty gates of freedom were opened to them from the side of Judgment, which is left, which is Adonai, NAMELY MALCHUT FROM THE LEFT SIDE, where, "will I judge" (Beresheet 15:14), SINCE ADONAI CONTAINS THE LETTERS OF JUDGMENT (HEB. DIN), for first I judge and then they shall come out. But at the last redemption IT IS SAID, "with great mercies WILL I GATHER YOU" (Yeshayah 54:7), which is the grade of Abraham. And Greatness, WHICH IS CHESSED, is the grade of Abraham, since Binah there is CALLED the great hand, and there are fifty shekels of silver there, NAMELY THE FIFTY GATES OF BINAH. Later, "he may not put her away" into exile, "all his days" because "she shall be his wife." This is like the words, "And I will betroth you to Me forever" (Hoshea 2:21), and another verse, "For your Maker is your husband. Hashem Tzevaot is His name" (Yeshayah 54:5). "You shall no more be termed forsaken" (Yeshayah 62:4). For even though the Shechinah is in exile, the Holy One, blessed be He, does not move from her.

3. "and she shall be his wife"

We read about the precept for one to marry the woman he violated. An allegory is used to show how the soul reincarnates with its evil inclination from a previous life, and how that evil inclination or demon can be turned back into an angel through repentance and worship. Some students of the Torah are like the ministering angels in that they know about the past and the future; many other people are like beasts who hate the Torah students and sages of the Mishnah.

29. The following precept is for one to marry the woman he violated. For surely there are two kinds of violated women, SINCE THERE IS one who is violated because he loves her but she doesn't love him. Another is violated because she loves him but fears to mate with him without marriage and being blessed, or she doesn't want him if he is a commoner. Of him it says, "and she shall be his wife" (Devarim 22:19).

27. ד"א כּי ימצא איש נערה בתולה, אליו ישראל, דכתיב כּי נער ישראל ואוהבהו, נער מסטר דמסטרוין. ואין איש אלא קודשא בריך הוא, שנאמר יי' איש מלחמה. כּי ימצא איש נערה בתולה, בתולת ישראל, דאתמר בה נפלה לא תוסיף קום בתולת ישראל. הנה אנכי מפתיה והולכתייה המדבר, ולבתר אפתח לון חמשין תרעין דחירו, דאינון חמשין תרעין דרחמי, מסטרא דאברהם אבוהון. והאי איהו ונתן לאבי הנערה חמשים כסף, וכסף מדרגא דחסד, דרגא דאברהם.

30. In relation to mysteries of the Torah we have to employ an allegory. There is a soul that is the Matron, NAMELY, DRAWN FROM MALCHUT OF ATZILUT, and there is a soul that is a handmaid, THAT IS, DRAWN FROM THE WORLD OF BRIYAH, such as in, "And if a man sell his daughter to be a maidservant" (Shemot 21:7). And there is a soul that is a common maid, THAT IS, FROM THE WORLD OF ASIYAH. And so is man. There is a man who is a servant to the soul. Sometimes the soul goes by means of incarnation, SINCE THE MAN SINNED WITH IT IN A PREVIOUS INCARNATION. THEN, "the dove found no rest for the sole of her foot" (Bereshheet 8:9), SINCE THE SOUL FINDS NO REST IN HIM, BECAUSE OF THE INIQUITIES IN THE PREVIOUS INCARNATION. And the Evil Incarnation chases it to enter that body, which is a maid to the Evil Inclination. THAT IS, THE FORCE OF INIQUITIES FROM THE FORMER INCARNATION THAT LIES IN THIS BODY IS CONSIDERED A MAID TO THE EVIL INCARNATION. It is a Jewish demon SUBSERVIENT TO THE EVIL INCLINATION and the soul is Yud CALLED a Hebrew maidservant, BEING OF THE WORLD OF BRIYAH, in which this demon (Heb. shed) becomes Shadai, because it kept the soul and repented through it, and with it blessed the Holy One, blessed be He, daily with 'Blessed... (Heb. baruch)', and with it sanctifies the Holy One, blessed be He, with 'Holy, holy, holy', and with it declares the unity of the Holy One, blessed be He, by Kriat Sh'ma.

31. AFTER DOING ALL THIS, what used to be a demon, WHICH BRINGS HARM, NAMELY THE FORCE OF INIQUITIES IN THE BODY, turns around to be its angel OF THE ASPECT OF Metatron and turned TO BE Shadai, because the numerical value of Metatron is that of Shadai. Immediately there is fulfilled in it REGARDING THE SOUL, "and she shall be his wife; he may not put her away all his days" (Devarim 22:19). But if he does not repent, THE SOUL is enslaved in him through the iniquities he committed and it shall be fulfilled in him, "the wife and her children shall be her master's" (Shemot 21:4), THAT IS, THE SOUL WILL LEAVE HIM TO ITS ROOT, and it says of the demon which is its debtor, NAMELY THE FORCE OF INIQUITIES IN THE BODY FROM THE PREVIOUS INCARNATION, "and he shall go out by himself" (Ibid.), THAT IS, IT SHALL LEAVE WITHOUT REMEDY. That demon is like Moses' staff that turns from a staff into a snake and from a snake into a staff. So does this demon turn from a demon into an angel and from an angel into a demon, according to man's deeds.

32. Of the demons that come from this, NAMELY THE DEMON THAT TURNS INTO AN ANGEL, the sages of the Mishnah explained that some are like the ministering angels. They are the students of the Torah that know what was and what will be. They have their form DOWN on earth, being philosophers, astrologers of Yisrael, who know what was and what will be ACCORDING TO the signs on the sun and moon and their eclipses and each star and constellation; in this way they know what is seen in the world.

33. Some of them, OF THE DEMONS, are like beasts that increase and multiply like animals, and their form below ON EARTH is ignorant people, who, as the sages of the Mishnah explained, are vermin and whose daughters are abominable. Of their daughters it says, "Cursed be he that lies with any manner of beast" (Devarim 27:21). They hate Torah students, sages of the Mishnah, who are veritable ministering angels. For that reason the sages of the Mishnah explained about man that if he is as "a messenger of Hashem Tzevaot" (Malachi 2:7), one should seek Torah out of his mouth. Otherwise, one must not seek Torah out of his mouth.

4. Ten, not nine

We read about those people who have knowledge of the mysteries of the Torah and who receive their souls from the aspect of the holy Malchut of Atzilut, including all ten Sfirot. They keep the Torah and the precepts with love and awe of God, not for the sake of receiving any reward. There is also a Malchut of Briyah; this is Malchut to the angels in Briyah, and she is a maid to Malchut of Atzilut, having her form comprised of ten Sfirot. However, this Malchut may be desecrated because of the sins of Yisrael. The Faithful Shepherd says that not all demons are alike and not all the servants of the Shechinah are alike; she even has some foreign servants of the Other Side who serve her.

34. There are others who have knowledge of the mysteries of the Torah, men of qualities, who receive souls from the aspect of the holy Malchut OF ATZILUT, which includes ten Sfirot. Whoever receives her and attains her, merits ten indivisible Sfirot, ten, not nine, since had they inherited Malchut alone the nine Sfirot would have been separated from her. But since there is no division there, IN ATZILUT, the author of the Book of Formation said 'ten, not nine', WHICH MEANS THAT THE NINE UPPER SFIROT ARE NEVER APART FROM HER.

35. You may say that MALCHUT rises above the ten, AND IS THERE ALONE. HE ANSWERS, the explicit Name Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph, WHICH COMPRISES TEN LETTERS, is the ten Sfirot OF ZEIR ANPIN, and the ten SFIROT, WHICH ARE ZEIR ANPIN, unite with her, WITH MALCHUT, and she does not rise above the ten OF ZEIR ANPIN, BUT NEVER SEPARATES FROM HIM. Hence THE AUTHOR OF THE BOOK OF FORMATION SAYS, 'ten, not eleven'. But whoever joins Yud (= ten), which is the sign of the covenant, WHICH IS YESOD, with the maidservant, or JOINS the Matron that includes the Yud with the demon of idol worship that is Samael is punished in Gehenom.

36. Whoever inherits the King's daughter, who is Malchut, merits her only if he is the King's son called, "Yisrael is my son, my firstborn" (Shemot 4:22). For from that aspect Yisrael are called children of the Holy One, blessed be He, as meant by, "You are the children of Hashem your Elohim" (Devarim 14:1). This is Malchut of Atzilut.

37. There is a corresponding Malchut of Briyah, which is Malchut to the angels in Briyah. She is a maid to Malchut OF ATZILUT and her attendant. She has the form of her mistress OF ATZILUT, comprised of ten SFIROT. THIS MALCHUT OF BRIYAH, because of the iniquities of Yisrael, might be desecrated among the nations of the world. But of Malchut of Atzilut of the Holy One, blessed be He, it says, "I am Hashem, that is My name, and My glory will I not give to another, neither My praise to carved idols" (Yeshayah 42:8). For He gives her not to him who desecrates Shabbat and holidays but to him who is the King's son and keeps the Torah and the precepts with love and awe of his Master, not for the sake of receiving a reward but as a child who is obligated to do his father's bidding, of which it says, "Honor your father and your mother" (Shemot 20:12). Your father is the Holy One, blessed be He, and your mother is the Shechinah. Nevertheless, whoever desecrates the King's maid, WHO IS MALCHUT OF BRIYAH, is considered as if he violated His Queen.

38. HEAR, sages, not all demons are alike, and not all the servants of the Shechinah ARE ALIKE, since it is written of her, OF THE SHECHINAH, "and His kingdom rules over all" (Tehilim 103:19). She has some Hebrew maids, WHO ARE MALCHUYOT OF BRIYAH, and Hebrew maidservants, WHO ARE MALCHUYOT OF ASIYAH. She has foreign servants and maidservants OF THE OTHER SIDE, WHO SERVE HER, so there shall be no other Malchut in the world when she rules. THEREFORE EVEN THE OTHER SIDE IS SUBSERVIENT TO HER THEN AND DOES HER BIDDING.

38. וְרַבְּנָן, כָּל שְׂדֵיין לֹא אִינוּן שְׁקוּלִין, וְלֹא כָּל עֲבָדֵין דְּשִׁכְיִנְתָּא, דְּכִתְיִב בְּהּ, וּמְלָכוּתוֹ בְּכָל מְשָׁלָה. אֵית לָהּ כַּמָּה נְעוּרוֹת עֲבָרִיות, וּשְׁפָחוֹת עֲבָרִיות. וְאֵית לָהּ עֲבָדִים וּשְׁפָחוֹת נְכָרִיות, בְּגִין דְּלֹא יִשְׁתַּבַּח מְלָכוּתָא אַחְרָא בְּעֵלְמָא, בְּזִמְנָא דְּאִיהִי שְׁלֵטָא.

5. "I will cause...the unclean spirit to pass out of the land"

Moses talks about the foreign maidservants that correspond to the Shechinah and that are from the aspect of the poison of death. He says they are the female aspect of Samael, and we learn that Samael and his female used to be servants of God until they made themselves into deities. They became deities because the people on earth worshipped them, and they are materialized in this world among the mixed multitudes. We learn that God will destroy them in the future.

39. These foreign maidservants THAT CORRESPOND TO THE SHECHINAH are from the aspect of the poison of death. They are the female aspect of Samael, where the maidservant became the Matron, NAMELY A MAIDSERVANT WHO. Samael and his female, who is another El, were servants to the Holy One, blessed be He, but later made themselves into deities. And the Holy One, blessed be He, will remove them out of the world and wipe them away.

39. וְאֵלִין שְׁפָחוֹת נְכָרִיות, מְסַטְרָא דְּסַם הַמוֹת, נּוֹקְבָא דְּסַמְאֵל. דְּשִׁפְחָה הוּת לְמַטְרוֹנִיתָא. נּוֹקְבָא וְסַמְאֵל אֵל אַחַר, עֲבָד הוּהוּ לִיהּ לְקוּדְשָׁא בְּרִיךְ הוּא, לְבַתֵּר דְּעֵבִידוֹ גְּרַמְיִיהוּ אֱלוֹהוֹת, וְקוּדְשָׁא בְּרִיךְ הוּא עֲתִיד לְאַעְבְּרֵי לֹון מְעֵלְמָא, וְלִמְחֵי לֹון.

40. If you argue that people made them into deities and it was not their own desire, why then were they punished BY BEING DESTROYED FROM THE WORLD? AND HE ANSWERS, when the generation of the Flood and the generation of the Tower of Babel knew of them they burned sacrifices to them and bowed before them. By the power of burning offerings to them and bowing to them, they would descend upon them and do their bidding and speak through the forms THEY MADE. Thus they became deities and idol worship. For that reason the Holy One, blessed be He, intended to wipe them away from the world, NAMELY their images that they worshipped from which they received spirits and images.

40. וְאִי תִימְרוּן, אִי בְּנֵי נֶשָׂא עֲבָדֵין לֹון אֱלוֹהוֹת, וְלֹא בְּרַעוּתָא דְּלֵהוּן, אִמְאֵי אֲתַעְנִשׁוּ. אֲלֵא כִּד הוּוּ דוֹר הַמְּבוּל וְדוֹר הַפְּלָגָה יִדְעֵי בְּהוּן, וְהוּוּ מְקַטְרִין לֹון, וְסַגְדִין לֹון, וּבְהוּא חִילָא דְּהוּוּ מְקַטְרִין לֹון, וְסַגְדִין לֹון, הוּוּ נְחֵמֵי לְגַבְיִיהוּ, וְעֲבָדֵי רַעוּתִייהוּ, וּמְמַלְלֵן בְּהוּן בְּאִינוּן צוּלְמִין, הֵא אֲתַעְבִּידוֹ אֱלוֹהוֹת וְעִבּוֹדַת כּוֹ"ם. בְּגִין דָּא, קוּדְשָׁא בְּרִיךְ הוּא עֲתִיד לְאַעְבְּרָא לֹון, וְיִמְחֵי לֹון מְעֵלְמָא, צוּלְמִין דְּלֵהוּן דְּהוּוּ פְּלַחִין בְּהוּן, וְאַשְׁתַּאֲבוּ מִנְהוּן רוּחִין וְצוּלְמִין.

41. When mixed multitudes live in the world, SAMAEL AND HIS FEMALE descend INTO THOSE IMAGES to be materialized in them. THEREFORE the Holy One, blessed be He, will remove them from the world. This is the meaning of the words, "and also I will cause...the unclean spirit to pass out of the land" (Zechariah 13:2). If you say that during the last exile there is no idol worship because people don't know about them, HE ANSWERS, those among the mixed multitudes who do know anger the Holy One, blessed be He, and His Shechinah and Yisrael that are among them. And they have success against the mixed multitudes to fulfill the words, "and repays them that hate Him to their face, to destroy them" (Devarim 7:10).

41. וְכִד אֵית בְּעֵלְמָא עֲרַב רַב, נְחֵמֵין לְאַתְגַּשְׁמָא בְּהוּן, וְקוּדְשָׁא בְּרִיךְ הוּא יַעְבֵּר לֹון מִן עֵלְמָא, הַה"ד וְאֵת רוּחַ הַטּוּמְאָה אַעְבִּיר מִן הָאָרֶץ. וְאִי תִימְרוּן, בְּזִמְנָא דְּגְלוּתָא בְּתְרָאָה, לִית עֲכוּ"ם, בְּגִין דְּלֹא יִדְעִין בְּנֵי עֵלְמָא בְּהוּן. וְאִינוּן דִּידְעִין בְּעֲרַב רַב תַּמָּן, אֲשְׁתַּבַּח לֹון דְּמַכְעִיסִין לְקוּדְשָׁא בְּרִיךְ הוּא וּשְׁכִינְתִייהוּ, וְיִשְׂרָאֵל בִּינְיִיהוּ, וְעֲרַב רַב מְצַלִּיחִין בְּהוּן, לְקִיּוּם מְאִי דְּכִתְיִב וּמְשַׁלֵּם לְשׁוֹנְאֵיו אֵל פְּנֵיו לְהַאֲבִידוֹ.

42. All the Tannaim and Amoraim rose and blessed the Faithful Shepherd, and said to him, Sinai, Sinai, who could speak before you. For you have your Master's form. When He spoke on Mount Sinai, all the living creatures among the angels and all the living creatures of the throne, the higher and lower were silent. And there was no other speech but His. Since you are His son of His form, all the heads of the Yeshivah need to hear things from you. Do not silence your words.

42. קמו כלהו תנאין ואמוראין וברוכו לרעוא מהימנא, ואמרו ליה סיני סיני, מאן יכול למללא קדמך, האנת בדיוקנא דמארך, דבזמנא דמליל בטורא דסיני, כל חיון דמלאכין, וחיון דכרסויא, ועלאין ותתאין, שתקו ולא אשתבח דבור אחרא אלא דיליה. ובגין דאת בריה בדיוקנא דיליה, צריך למשמע כלהו מארי מתיבתא מליון מפומך, אל תתן שתיקה למלוךך.

6. "and shall cheer his wife whom he has taken"

We learn of the precept for a man to rejoice in his new bride for a whole year, during which he needn't go to war or pay taxes. Here everything pertains to the mystery of the year, that is said to be Malchut, and the number twelve is the linkage between the twelve months, the twelve oxen that supported the molten sea, the four Sfirot in each of three columns, and the twelve stones that Jacob took.

43. "When a man has taken a new wife, he shall not go out to war... and shall cheer his wife whom he has taken" (Devarim 24:5). This precept is for the groom to rejoice in his wife for one year, as written, "but he shall be free at home one year" (Ibid.), since these twelve months are hers. For the year is a bride, NAMELY MALCHUT THAT IS CALLED A YEAR, and the bride is present only with twelve months, as written, "AND HE MADE A MOLTEN SEA... It stood upon twelve oxen" (I Melachim 7:23-25). FOR THE SEA IS MALCHUT; TWELVE OXEN ARE THE SECRET OF FOUR SFIROT, CHOCHMAH, BINAH, TIFERET AND MALCHUT, EACH OF THREE COLUMNS, WHICH ARE ALWAYS TWELVE. And since the bride is perfected only with twelve, the groom needs to cheer her and her household, her and her equipment, as it is above. Hence it is written of Jacob, "and he took of the stones of that place" (Beresheet 28:11), THE PLACE BEING MALCHUT. There are twelve stones to that place, and whoever cheers the bride cheers her maids, HER SFIROT IN BRIYAH. There are twelve maids FOR THE SAME REASON. Everything pertains to the mystery of the year. For that reason the groom has to rejoice in his bride for one year.

43. כי יקח איש אשה חדשה לא יצא בצבא וגו'. ושמח את אשתו אשר לקח. פקודא דא, חתן למחדי באתתיה שתא חד, דכתיב נקי יהיה לביתו שנה אחת. ואינון י"ב ירחין אינון מדילה. דהא שנה איהו כלה, ולית כלה בר בי"ב ירחין, דכתיב עומד על שנים עשר בקר. והואיל ולית תקונא דכלה, בר בי"ב, אצטריך חתן למחדי לה, ולביתה, לה ולתקונהא, בגוונא דלעילא. וע"ד יעקב כתיב ביה, ויקח מאבני המקום. אבני המקום י"ב הוו, ומאן דחדי לכלה, חדי לעולימתהא, ועולימתן י"ב הוו. וכלא איהו רזא דשנה. בגין כך אצטריך לחתן למחדי באתתיה שנה אחת.

44. Yet we have explained that this joy is not his but hers, as written, "and shall rejoice with his wife." It does not say that he shall rejoice in his wife but "shall rejoice with," which means that he shall rejoice with the bride. Similarly, the bride has no joy save in the body and her jewels. Who rejoices with them? The righteous does. For that reason, "he shall be free at home," free from toiling in worldly matters, so that he shall have the desire to rejoice with her. He shall be free of all, free of taxes, crop taxes and poll tax. He shall be free from going to the army to war, so there shall be joy above and below and to evoke joy above. Blessed is the holy nation, whose Master rejoices in them. Blessed are they in this world and blessed they are in the World to Come.

44. והא אוקימנא, דחרוה דא, לאו דיליה היא, אלא דילה. דכתיב ושמח את אשתו. וישמח את אשתו לא כתיב, אלא ושמח, יחדי לכלה. כגוונא דא, לאו חדו לכלה, בר בגופא ותקונהא. ומאן חדי לון. צדיק. ועל דא נקי יהיה לביתו. נקי, דלא יעמול במלי דעלמא, דיהא ביה רעוא למחדי לה. נקי מבלא. נקי למסין ולארגונין וגולגלתין. נקי דלא יפוק לחילא לאגחא קרבא. לאשתבחא חרוה עילא ותתא, ולאשתערא חרוה לעילא. זכאין עמא קדישא, דמאריהון חדי בהון, זכאין אינון בהאי עלמא, זכאין אינון בעלמא דאתי.

7. "At his day you shall give him his hire"

The Faithful Shepherd says that one must pay his hired servant on time, and tells us about Metatron who is the messenger from the eighteen worlds and who receives the eighteen blessings of the Amidah prayer three times every day. We hear about the Shacharit service, the Minchah service, and the Arvit service, and there is emphasis on charity to the poor. Moses talks about the stranger, who is anyone outside his own place, and in this sense every person on earth is a stranger because his soul has come naked from the other world. Whoever repents and returns his soul to its place

is as if he returned God and His Shechinah to God's place. Next the Mishnah sages tell Moses that the two Messiahs cannot redeem Yisrael without him. Moses says that when reciting the benedictions of the Amidah prayer a man should at first be as a servant arranging praises before his master, and then as a servant receiving wages from his master, and then as a servant who received his wages and is now going on his way. We hear that God tells Metatron that he will recognize the presence of the Shechinah in a prayer by looking at the purpose of the prayer, and seeing if the prayer was said to give pleasure to God.

45. "At his day you shall give him his hire..." (Devarim 24:15). The Faithful Shepherd opened and said, the following precept is to give a hired servant his hire in time. This is the meaning of, "At his day you shall give him his hire, neither shall the sun go down upon it." Listen, heads of Yeshivot high and low. Metatron is the hire of the hired servant, a messenger from the eighteen worlds, BEING YESOD OF ATZILUT CALLED EIGHTEEN, to receive the eighteen blessings of the Amidah prayer FOR MALCHUT every day, three times a day. For that reason, "At his day you shall give him his hire" refers to the Shacharit service; "neither shall the sun go down upon it" refers to the Minchah service, for if the day is past, the offering is no longer valid. "for he is poor" (Ibid.). Surely he is poor in exile and has nothing but what he is given in prayer. For that reason his prayer is, "A prayer (Heb. tfilah) of the poor, when he faints (or: 'wraps')" (Tehilim 102:1), namely the wrap of the Tzitzit and the hand Tefilin. THAT IS, THE PRAYER OF THE POOR IS THE HAND TEFILIN (OR TFILAH), WHICH IS MALCHUT.

46. "and sets his heart upon it" (Devarim 24:15) refers to the Arvit service, which CORRESPONDS TO the parts of the sacrifice and the fatty parts that are left from the offerings of the day. They are like single grapes of the vineyard and "the corners of your field" (Vayikra 19:9) of which we learned that leaving things over in the form of charity hinders divine punishment. "you shall leave them for the poor and stranger" (Ibid. 10), THAT IS, TO THE CENTRAL PILLAR THAT IS ZEIR ANPIN. For the Central Pillar, when it is outside its place, NAMELY IN EXILE, is called a stranger. For that reason, THE FAITHFUL SHEPHERD SAID, I, my grade being of the Central Pillar, termed myself a stranger in the first exile. This is the meaning of, "I have been a stranger in a strange land" (Shemot 2:22), for he, ZEIR ANPIN, lies in exile for the sake OF YISRAEL.

47. The sages of the Mishnah asked him, Faithful Shepherd, yet Yisrael performed this precept REGARDING THE CORNERS OF THE FIELD AND THE GLEANING OF THE HARVEST in the land of Yisrael, WHEN THE HOLY ONE, BLESSED BE HE, WAS IN HIS PLACE AND NOT A STRANGER. WHY IS IT WRITTEN, "FOR THE POOR AND STRANGER"? He said to them, this is in order to invoke mercy on those SOULS driven away from their place. For a man outside his own place is called a stranger, and all the more so the souls that walk naked from that world and come into this world. Of them the verse says, "As a bird that wanders from her nest," which is the soul from which the Shechinah does not move, "so is a man" (Mishlei 27:8), THE HOLY ONE, BLESSED BE HE, of whom it says, "Hashem is a man of war" (Shemot 15:3), "wanders from His place" (Mishlei 27:8), roaming and roving from His place, which is the World to Come, namely Binah, and wanders after her, AFTER THE SHECHINAH THAT IS THE SOUL in this world, until the days that the soul needs to go outside its place are completed. He guards it until He returns it to its place and swears He shall not return to His place before He returns it to its own. THEREFORE, whoever repents AND RETURNS HIS SOUL TO ITS PLACE is as if he returned the Holy One, blessed be He, and His Shechinah to His place. This is the secret of redemption as it said, "today even, if you will only hearken to His voice" (Tehilim 95:7).

48. The Mishnah sages of the lofty Yeshivah OF THE HOLY ONE, BLESSED BE HE, and of the lower Yeshivah OF METATRON said, Faithful Shepherd, we are messengers of the Master of the universe to you. Blessed is your portion that you are penitent and equal to the 600,000 of Yisrael and that you returned the Holy One, blessed be He, and His Shechinah to their place above and below. Due to you, Yisrael will be redeemed and return to their place. The TWO Messiahs, MESSIAH THE SON OF JOSEPH AND MESSIAH THE SON OF DAVID, have no power to redeem Yisrael except with you. It is because of you that they are held back FROM REDEEMING YISRAEL. Finish saying these precious things of which it says, "More to be desired are they than gold, even much fine gold; sweeter also than honey and the honeycomb" (Tehilim 19:11).

48. אָמְרוּ מֵאֵרִי מִתְנִיתִין דְּמִתִּיבַתָּא עֲלָהּ וְתַתָּא, רַעִיָא מֵהֵימְנָא, אָנִן שְׁלִיחִין דְּמֵאֵרִי עֲלָמָא לְגַבְרָ, זְכָאָה חוֹלְקָ, דְּאַנְתָּ בַּעַל תְּשׁוּבָה, שְׁקוּל לְשִׁתִּין רְבוּן דִּישְׂרָאֵל, וְאַנְתָּ הִדְרַת לְקוּדְשָׁא בְּרִיךְ הוּא וְשְׁכִינְתֵיהּ לְאַתְרֵיהּ, עִילָא וְתַתָּא. וּבְגִינָךְ יִתְפַּרְקוּן יִשְׂרָאֵל וְיַחְזוּר לְאַתְרֵיהּ. וְלִית חִילָא לְמִשְׁחִיחִין. לְמַפְרַק לְיִשְׂרָאֵל, בַּר מִינָךְ. וּבְגִינָךְ אֵינוֹן מִתְעַכְבִּין. אֲשֵׁלִים מְלִין יִקְרִין אַלְיָן, דְּעֵלֵיהּ אֲתַמַּר, הַנְּחַמְדִּים מִזָּהָב וּמִפָּז רַב וּמִתּוֹקִים מִדְּבַשׁ וְנוֹפֶת צוּפִים.

49. He said to them, Yeshivah heads, for that hired servant, who is the servant METATRON, who comes to receive three prayers, your masters of the Mishnah decreed that man should be when reciting the first three benedictions OF THE AMIDAH PRAYER as a servant arranging praises before his master, and during the middle benedictions as a servant receiving wages from his master, and during the last benedictions as a servant who received his wages from his master and walked his way.

49. אָמַר לוֹן, מֵאֵרִי מִתִּיבַתָּאן, בְּגִין הָאִי שְׁכִיר, דְּאִיהוּ עֶבֶד, דְּאִתִּי לְקַבְּלָא תְּלַת צְלוֹתִין, תְּקִינוּ מֵאֵרִי מִתְנִיתִין דְּלַכוּן, לְמַהוּי בַּר נֶשׁ, בְּתְּלַת בְּרַכָּאן קְדָמָאִין, כְּעֶבֶד דְּמַסְדֵּר שְׁבַחִין קְמֵי מֵאֵרֵיהּ. וּבְאַמְצָעוֹת, כְּעֶבֶד דְּמַקְבֵּל פְּרַס מִמֵּאֵרֵיהּ. וּבְבִתְרָאִי, כְּעֶבֶד דְּנִטֵּל פְּרַס מִמֵּאֵרֵיהּ, וְאַזִּיל לֵיהּ.

50. For that reason the servant of Abraham and Rebecca was likened to this that when the Holy One, blessed be He, will send Metatron His servant to receive the prayer, THE SECRET OF MALCHUT, he shall say to Him, "Perhaps the woman will not be willing to follow me" (Bereshheet 24:5), that is, perhaps the prayer will not want to follow me. The Holy One, blessed be He, answered him, "then you shall be clear from this my oath" (Ibid. 8). AND HE EXPLAINS that Chochmah is Aba, THAT IS, ABRAHAM WHO IS CALLED A FATHER, WHO IS CHESD, RISES AND BECOMES CHOCHMAH IN THE STATE OF GREATNESS, and he descends to the Righteous, YESOD, to keep the Shechinah in exile. And from there, FROM YESOD, the servant, WHO IS METATRON OF THE NUMERICAL VALUE OF SHADAI, SINCE IT CORRESPONDS TO YESOD, sent after her, AFTER THE PRAYER, WHERE THE SHECHINAH LIES.

50. וּבְגִין דָּא, עֶבֶד אַבְרָהָם, וְרֵבְקָה, אִיהוּ אֲמַתְלָא לְהָאִי, כַּד קוּדְשָׁא בְּרִיךְ הוּא, יִשְׁלַח לְמַטְטְרוֹן דְּאִיהוּ עֶבֶדָא דִּילֵיהּ, בְּגִין צְלוֹתָא אִיהוּ יוֹמַר לְגַבִּיָהּ, אוּלַי לֹא תֵאבֵדָה הָאִשָּׁה לְלֶכֶת אַחֲרַי. בְּלוּמַר, אוּלַי צְלוֹתָא לֹא בְּעִי לְמִיזַל אֲבַתְרָאִי. אָמַר לִיָּה קוּדְשָׁא ב"ה, וְנָקִית מִשְׁבוּעָתִי זֹאת. דְּחַכְמָה אִיהוּ אַבָּא, דְּנַחִית בְּצַדִּיק, לְנִטְרָא שְׁכִינְתָּא בְּגְלוֹתָא, וּמִתְמַן שְׁלַח בְּגִינָהּ.

51. The messenger, METATRON, said to Him, Give me a token with which to recognize the prayer where the daughter is, NAMELY THE SHECHINAH. The Holy One, blessed be He said, "and let it come to pass, that the girl to whom I shall say, Let down your pitcher, I pray you, that I may drink; and she shall say, Drink" (Ibid. 14). THAT IS, IF THE PURPOSE OF THE PRAYER WILL BE TO GIVE ME DRINK, TO PLEASE ME, THEN YOU SHALL KNOW THE SHECHINAH IS THERE. If it does not, but he finds all the body parts full of iniquities, AND ALL ITS INTENTIONS DURING PRAYER ARE ONLY FOR ITSELF ALONE, AND NOT TO GIVE ME PLEASURE, and there is no WHOLE body part where Torah dwells, WHICH IS THE LIGHT OF RUACH, which has the form of the Central Pillar, and no precept, WHICH IS THE LIGHT OF NEFESH of the form of Rivkah, NAMELY THE SHECHINAH, who was a lily among the thorns, who are completely evil people, He ordered His servant Metatron, "Beware lest you bring my son back there" (Ibid. 6), who is the spirit of holiness, since a precept is Nefesh and the Ruach is Torah, MEANING THAT RUACH IS DRAWN FROM ZEIR ANPIN CALLED TORAH. AND HE DOES NOT MERIT THE RUACH AND NEFESH OF HOLINESS.

51. אָמַר לִיה הֵהוּא שְׁלִיחַ, הֵב לִי סִימָנִין, לְאַשְׁתְּמוּדַעָא בְּצִלוֹתָא, דְתַמְנָן בְּרַתָא, אָמַר קוּדְשָׁא בְרִיךְ הוּא, וְהִינֵה הִנְעֵרָה אֲשֶׁר אֹמֵר אֵלֶיהָ הִטִּי נָא כַדָּךְ וְאַשְׁתָּה וְאַמְרָה שְׁתֵּה. וְאִם לֹא, אֶלָּא דְאַשְׁבַּח כָּל אַבְרִין דְגוּפָא מְלִינִין חוּבִין, וְלֹא אֲשַׁבַּח בֵּיה אִבְר לְשֵׁרִינָא בֵּיה תוֹרָה, דְאִיהוּ בְדִיוקְנָא דְעַמּוּדָא דְאַמְצַעִיתָא. וְלֹא מִצְוָה, דְאִיהוּ דִּיוקְנָא דְרַבְבָּה, דְהוּהוּ שׁוֹשְׁנָה בֵּין הַחוּחִים, דְאִינוּן רְשָׁעִים גְּמוּרִים. מְנִי לְעַבְדִּיה מְטַטְרוּן, הַשְׁמַר לָךְ פֶּן תָּשִׁיב אֶת בְּנֵי שְׁמָה, דְאִיהוּ רוּחָא דְקוּדְשָׁא, דְהָא מִצְוָה אִיהוּ נִפְשָׁא, רוּחָא אִיהוּ תוֹרָה.

8. One's fear of sin precedes one's wisdom

The sages of the Mishnah have explained that action is more valuable than speech. They also said that a person acquires wisdom if he fears sin first and that the Torah will rest on him if he first does all the precepts. If he reverses these then he comes from the aspect of Judgment. Suffering and Judgment must also precede mercy: 'as the suffering so the reward'. We hear what Moses' role will be during the last exile.

52. For that reason the sages of the Mishnah explained that action, not talk, is more valuable. In another place they said that one whose fear of sin precedes his wisdom, his wisdom prevails... One's fear of sin is supernal Ima, BINAH THAT IS CALLED repentance. Chochmah is supernal Aba. And when one precedes small Hei, NAMELY MALCHUT, which is the precepts, the Torah, WHICH IS ZEIR ANPIN that is Vav, rests on him. And when he places fear, which is upper Hei, before Chochmah, Chochmah rests on him, which is Yud, and he is called a son, NAMELY THE SON OF YUD HEI. Hence, "You are the children of Hashem your Elohim" (Devarim 14:1).

52. וּבג"ד אֹקְמוּהָ מְאִרֵי מִתְנִיתִין, לֹא הַמְדַרְשׁ הוּא הָעִיקָר אֶלָּא הַמַּעֲשֵׂה. וּבְאַתְרָא אַחְרָא אָמְרוּ, כָּל שְׁרִיאת חֲטָאוֹ קוֹדֶמֶת לְחֻכְמָתוֹ, חֻכְמָתוֹ מִתְקַיֶּימֶת וְכוּ'. יִרְאת חֲטָאוֹ, אֵימָא עֲלָאָה, תְּשׁוּבָה. חֻכְמָה, אֲבָא עֲלָאָה. כֹּד אֶקְדִּים ה' זְעִירָא, דְאִיהוּ מִצְוָה, שְׁרִיָא עֲלֵיה תוֹרָה, דְאִיהוּ ו'. וְכֹד אֶקְדִּים יִרְאָה לְחֻכְמָה, דְאִיהוּ ה' עֲלָאָה, שְׁרִינָא עֲלֵיה חֻכְמָה, דְאִיהוּ ו'. וְאֶקְרִי בֶן. וּמִכָּאן, בְּנִים אֲתֵם לִינִי אֱלֹהֵיכֶם.

53. This is, "this is My name (Heb. shmi)," Yud Hei, "forever, and this is My memorial (Heb. zichri)" (Shemot 3:15), Vav Hei. 'Shmi' plus Yud Hei IS IN NUMERICAL VALUE 365, and 'zichri' plus Vav Hei IS IN NUMERICAL VALUE 248. All together HAVE THE NUMERICAL VALUE OF 613, namely the 613 commandments given to the holy children so they will have a portion in His name. This is the meaning of, "For Hashem's portion is His people" (Devarim 32:9).

53. וְהֵאֵי אִיהוּ זֶה שְׁמִי י"ה לְעוֹלָם, וְזֶה זְכוּרִי ו"ה. שְׁמִי עִם י"ה, שֶׁס"ה. זְכוּרִי עִם ו"ה, רַמ"ח. וְכִלְהוּ תְרִי"ג. דְהֵינּוּ תְרִי"ג פְּקוּדִין, דְאֵתְיִיְהִיבוּ לְבָנִין קְדִישִׁין, לְמַהוּ לֹון חוֹלְקָא בְשְׁמִיה, הַה"ד בִּי חֵלֶק יו"י עַמּוֹ.

54. When one puts the Torah before the precepts or wisdom before fear, the Name turns for him into the female aspect, into the attribute of Judgment thus: Hei Vav Hei Yud. FOR WHEN THE NAME IS WRITTEN STRAIGHT IT INDICATES THE QUALITY OF MERCY AND WHEN IT IS BACKWARD IT INDICATES THE QUALITY OF JUDGMENT. Everything turns into Judgment for such a man and his Torah sustenance is as difficult to acquire as the splitting of the red sea. Redemption WILL BE similar. If they have merit, they will come out with mercy, as written, "before her pain came, she was delivered of a man child" (Yeshayah 66:7), and they shall come out with mercy. It is good if suffering and Judgment precede SO AS TO DRAW mercy, which is why the sages of the Mishnah said, 'as the suffering so the reward'.

54. וְכֹד אֶקְדִּים תוֹרָה לְמִצְוָה, או חֻכְמָה לִירְאָה. אֲתַהֲפֵךְ שְׁמִיה עֲלֵיה לְנוֹקְבָא, מִדַּת הַדִּין, כְּגוּוֹנָא דָא הוּהוּ". דְאֵתְהֲפֵךְ לִיה כֹּלָא לְדִינָא, וְקָשִׁין מְזוּנּוֹתֵינוּ בְּאוּרִייתָא, בְּקָרִיעַת יַם סוּף. וְכְגוּוֹנָא דָא פּוֹרְקָנָא, אִם זְכוּ יִפְקוּן בְּרַחְמֵי, הַה"ד, בְּטָרָם יִבָּא חֵבֶל לָהּ וְהִמְלִיטָה זְכוּר, וְיִפְקוּן בְּרַחְמֵי. וְאִי לֹא אֶקְדִּים רַחְמֵי, וְיִפְקוּן בְּצַעֲרָא. וְשְׁפִיר דְאֶקְדִּים צַעֲרָא וְדִינָא לְרַחְמֵי. וּבג"ד אֹקְמוּהָ רַז"ל, מְאִרֵי מִתְנִיתִין לְפּוּם צַעֲרָא אֲגָרָא.

55. When the Nefesh comes out, WHEN IT IS BORN INTO THE WORLD, it is in pain before it comes out, NAMELY LABOR PAIN, but after it has come out it is in a state of mercy. This is the meaning of, "They shall come with weeping" and then, "and with supplications will I lead them" (Yirmeyah 31:8). For that reason, "it is a time of trouble to Jacob; but he shall be saved out of it" (Yirmeyah 30:7), and they shall come out with mercy. Just like the Holy One, blessed be He, sent out the dove, AS NOAH IS OF THE ASPECT OF YESOD, but she did not find a place to rest, AS WRITTEN, "BUT THE DOVE FOUND NO REST" (BERESHEET 8:9), so did he send for you, Faithful Shepherd first. HE SENT FOR HIM, BECAUSE HE DID NOT FIND A PLACE TO BE HIDDEN FROM HIM, WHICH IS WHY HE WAS REVEALED TO HIM.

56. It is written of them, "And he looked this way and that, and when he saw that there was no man" (Shemot 2:12), WHICH MEANS HE SAW they were all guilty and there was no man among them who had the merit to get out of exile. For that reason you refused to go there but said, "send, I pray You, by the hand of him whom You will send" (Shemot 4:13). Yet NOW you are like at that time OF THE EXODUS FROM EGYPT. In you it shall be fulfilled together with Yisrael, "As in the days of your coming out of the land of Egypt I will show him marvelous things" (Michah 7:15). During the last exile He will send with you two Messiahs, MESSIAH SON OF JOSEPH AND MESSIAH SON OF DAVID, who correspond to the two wings of the dove, WHO IS THE SHECHINAH, because you are in the fourth exile like a body without wings. Moreover, at first Yisrael were like a body, and you and Aaron like the two wings of the dove, with which Yisrael flew OUT OF EXILE.

9. Each precept includes the ten Sfirot

Moses says that every precept has ten Sfirot in it. He speaks about the three stories of the ark, and the priests, Levites and Yisrael; he says that the ark as a whole, that is the Shechinah, is with them. We learn that the Name Yud Hei Vav Hei has dominion over the image of man and over every one of his limbs.

57. There is no precept but that has ten Sfirot included in it. Of the ark IT IS WRITTEN, "with lower, second, and third stories shall you make it" (Beresheet 6:16), to include in it the priests, Levites and Yisrael, WHO ARE CHESED, GVURAH AND TIFERET. The ark AS A WHOLE, WHICH IS the Shechinah, is with them. The Torah of Hashem, WHICH IS THE SHECHINAH, is the fourth part of a hin, NAMELY, FOURTH TO CHESED, GVURAH AND TIFERET, a fourth letter IN THE NAME YUD HEI VAV HEI. It is trebled by RECEIVING THE THREE LETTERS Yud Hei Vav, to complete it into A NAME OF FOUR LETTERS, Yud Hei Vav Hei. Ten grades are included in it, NAMELY, IT RECEIVES THEM FOR THE SAKE OF YISRAEL, which are Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph, TEN LETTERS THROUGH WHICH it shall be fulfilled in Yisrael, "But you that did cleave of Hashem your Elohim..." (Devarim 4:4), and, "You are the children of Hashem your Elohim" (Devarim 14:1). For this name, YUD HEI VAV HEI, FULLY SPELLED WITH ALEPHS, has dominion over the image of man and over each and every limb of his.

10. Fish and locusts do not require slaughtering

The Faithful Shepherd says that fish and locusts are permitted to be eaten because they can be gathered without slaughtering. He says this is like the sages of the Mishnah, that do not need to be killed by the Angel of Death, but are gathered up. And just as the fish live in the sea and die if they are taken out, the students of the Torah die if they are separated from the sea of the Torah. We learn that the Kabbalah sages are above all, and that they have dominion over the fish of the sea and the birds of the air. Moses says that if a younger student who is not yet fit to teach goes out and teaches, he must die. He also speaks about the sages of Mishnah as being crocodiles and talks about what happens when they disagree.

55. ומִפְקָנוּ הַנִּמְשָׁא, מִקּוֹרֵם הַנִּמְקָת אֵית לָהּ צַעֲרָא, לְבַתֵּר הַנִּמְסִיקַת בְּרַחֲמֵי. וְרָזָא דְמַלְהָ בְּבִכִי יָבֵאוּ, לְבַתֵּר וּבִתְחֻנּוֹנִים אוֹבִילִם, וּבִגְדֵי, וְעֵת צָרָה הִיא לְיַעֲקֹב וּמְמֻנָה יוֹשֵׁעַ, וַיִּפְקֹן בְּרַחֲמֵי. וּכְגֹוֹנָא דְשִׁלַּח קוֹדֶשָׁא בְרִיךְ הוּא לְיוֹנָה, וְלֹא אֲשַׁכַּח אֶתֶר לְשִׁרְיָא. הֵכִי שִׁלַּח לְךָ רַעֲיָא מְהֵימְנָא בְּקַדְמֵיטָא.

58. The following precept is to discuss the laws concerning locusts. We learned that fish and locusts do not require slaughter, but it is their gathering that makes it permissible to eat them. Such are the sages of the Mishnah. They do not need slaughtering BY THE ANGEL OF DEATH but it says of them, "and expired, and was gathered to his people" (Beresheet 49:33). Just as the fish of the sea live in the sea, so do the Torah students and the sages of the Mishnah live in the sea, and if they are separated from the Torah they immediately die. THEY ARE the crocodiles of the Mishnah wherein grow the sea crocodiles. And if those who live on dry land, NAMELY THOSE WHO HAVE NO TORAH IN THEM, fall into the water, NAMELY INTO THE TORAH, but cannot swim, NAMELY A STUDENT WHO DID NOT BECOME A TEACHER YET TEACHES, they die. But 'Man', who are the Kabbalah sages are above all. Of them it says, "and have dominion over the fish of the sea, and over the birds of the air" (Beresheet 1:28), who are the Mishnah sages the crocodiles. The great crocodile is "the flying (Heb. bariach) serpent" (Yeshayah 27:1) that corresponds to "the middle bar (Heb. bariach) in the midst of the boards" (Shemot 26:28), WHICH IS THE CENTRAL COLUMN, TIFERET.

59. When the crocodiles - the Mishnah sages - have a disagreement among them and ask each other difficult questions, ONE THEN swallows his colleague LIKE THE FISH OF THE SEA, WHERE THE BIGGER SWALLOWS THE SMALLER. This concerns a younger student who has not reached the position of teaching yet teaches, which is punishable by death. But if they are on equal footing, BOTH BEING LARGE, and have a disagreement and difficult question, it says of them at the end, "Vahev in Sufah" (Bemidbar 21:14), which has been explained TO MEAN love at its end (Heb. sofah), SINCE VAHEV MEANS LOVE (HEB. AHAVAH).

11. "and you put your nest in a rock"

Rav Hamnuna Saba, who is here referred to as a great fish, speaks to the Faithful Shepherd about the title verse, and he says that the Mishnah sages must be strong and have a sharp tongue to bore through to reach the great abyss. He tells Moses that he will descend to the great abyss to find the time of the redemption because of his righteousness. Other sages tried to go there into the depth of the Halachah but did not come back up again, as they were not strong enough. Rav Hamnuna Saba says that whoever pierces the rock without permission will be bitten by a serpent.

60. In the meantime a great fish came to him, RAV HAMNUNA SABA, and said, Faithful Shepherd, "Strong (Heb. eitan) is your dwelling place, and you put your nest in a rock" (Bemidbar 24:21). Tania, THAT IS, THE TANNAIM, helps you IN EXILE TO RAISE THE SHECHINAH, because the fish, THE TANNAIM, have their nest in the rock, WHICH IS MALCHUT. Eitan is Tania written backwards; Eitanim (plural) is Tannaim spelled in a different order. Beware of them, because you are slow of speech and of a slow tongue. And whoever wishes to attack the sea fish in the rock, who are the Mishnah sages, the Tannaim, needs to be strong and of a sharp and polished tongue that bores and reaches the great abyss that lies there.

58. פְּקוּדָא בְּתַר דָּא, לְדוֹן בְּדִינֵי חֲגָבִים, דְּאִתְמַר דְּגִים וְחֲגָבִים אֵינָן טְעוּנִין שְׁחִיטָה, אֲלֵא אֲסִיפְתָּם הִיא הַמִּתְרַת אוֹתָם. הֵכִי מֵאֲרֵי מִתְנִיתִין, אֵינָן צְרִיכִין שְׁחִיטָה, אֲלֵא דְאִתְמַר בְּהוֹן וַיִּגְעוּ וַיֵּאָסֶף עַל עַמּוּוֹ. מֵה נּוֹנֵי יַמָּא, חִיּוֹתָן בְּיַמָּא, אוֹף תְּלַמִּידֵי חֲכָמִים, מֵאֲרֵי מִתְנִיתִין, חִיּוֹתֵיהוּ בְּאוּרֵייתָא, וְאֵי אֲתַפְרֶשֶׁן מִנָּה מִיַּד מַתִּים. תְּנִינָא דְמִתְנִיתִין, דְּבַה אֲתַרְבוּ תְּנִינֵי יַמָּא. וְאֵי אֵינּוֹן דְּבִיבְשָׁתָא יַפְלוֹן לְיַמָּא, וְלֹא יִדְעִין לְשַׁטְטָא, אֵינּוֹן מֵייתִין. אֲבָל אֲרַם דְּאֵינּוֹן מֵאֲרֵי קְבֵלָה, אֵינּוֹן לְעִילָא מְכַלְהוּ, בְּהוּ אֲתַמַּר וַיִּרְדּוּ בְּדַגַּת הַיָּם וּבְעוֹף הַשָּׁמַיִם, דְּאֵינּוֹן מֵאֲרֵי מִתְנִיתִין, תְּנִינֵיא. הַתְּנִין הַגְּדוֹל, נַחַש בְּרִיחַ, לְקַבֵּל וְהַבְּרִיחַ הַתִּיכוֹן בְּתוֹךְ הַקְּרָשִׁים.

60. אֲדַהֲכִי, הָא נּוֹנָא רַבָּא אֲזַדְמִן לְגַבִּיָּה, וְאִמַּר רַעִיא מְהֵימְנָא, אֵיתָן מוֹשְׁבַךְ וְשִׁים בְּסַלַע קַנָּר. תְּנִינָא דְמַסִּיעַ לָךְ. דְּהָא נּוֹנִין בְּסַלַע קַנָּר דְּלֵהוֹן, אֵיתָן בְּהַפּוּכָא, תְּנִינָא. אֵיתָנִים בְּהַפּוּךְ אֲתוּוֹן, תְּנָאִים. אֲסַתְמַר מְנִייהוּ, דְּהָא אַנְתָּ כְּבַד פְּהַ וְכְבַד לְשׁוֹן, וּמֵאֵן דְּבַעֵי לְאַתְקַפָּא בְּסַלַע דְּנוּנֵי יַמָּא, דְּמֵאֲרֵי מִתְנִיתִין, דְּאֵינּוֹן תְּנָאִים, בְּעֵי לְמַהוּי תְּקִיף, לְיִשְׁנָא חֲדִידָא חֲרִיפָא, לְיִנְקוּב עַד דְּמַטִּי לְתַהוּמָא רַבָּא דְתַמּוֹן.

61. "For there is still a vision for the appointed time; and it speaks concerning the end, and does not lie. THOUGH IT TARRY, WAIT FOR IT; BECAUSE IT WILL SURELY COME, IT WILL NOT DELAY" (Chavakuk 2:3). It has been explained that this verse pierces and descends to the great abyss. Who is it that shall descend to the great abyss to find that time OF THE END but you, of whom it says, "Your righteousness is like the great mountain; your judgments are a great deep" (Tehilim 36:7). Many Mishnah sages wanted to reach down to the depth of the Halachah, WHICH IS MALCHUT CALLED HALACHAH, to find there THAT TIME, NAMELY the time of the coming of the redemption, and went down there but did not come up. Though their tongue was "like a hammer that breaks the rock in pieces" (Yirmeyah 23:29), their hammer was too weak and could not pierce that rock, NAMELY PIERCE IT TO KNOW ABOUT THE END. Whoever pierces that rock without permission, a serpent will come to bite him; others bore it until they reach the great abyss but do not come up from there.

61. כי עוד חזון למועד ויפח לקץ ולא יכזב, ואוקמוה דהאי קרא נוקב ויורד, עד תהומא רבא. מאן הוא דנחית לתהום רבא, לאשכחא זמנא דא, אלא אנת, דאתמר בך צדקתך כהררי אל משפטין תהום רבה. כמה מארי מתניתין, דבעו לנחיתא לעומקא דהלכה, לאשכחא תמן קץ דפרקנא, ונחתו תמן, ולא סליקו. ואע"ג דלישנהון הות כפטיש יפוצץ סלע, חליש פטיש דלהון, לנקבא בהוא סלע. ומאן דנקיבו דיליה בהוא סלע בלא רשו, אתא חויה לנשכא ליה. ואית אחרנין דנקיבו לה, עד דמטו לתהומא רבא, ולא סליקו מתמן.

12. Fallen

We hear about two Messiahs who fell into the gulf together with the Shechinah. Rav Hamnuna Saba tells Moses that he is the one who will repair the pit. He talks about four exiles and four Klipot, the fourth of which is called a pit. We hear that the fourth exile is a generation of evil people, and that it is empty without the Torah; this is how it will be at the end of the exile. We hear that death is poverty of knowledge, and that for Moses' sake all the Tannaim and Amoraim above will descend into the deep to help him.

62. And when the gulf is open, whoever falls there does not come up. And Messiah the son of David fell there together with Messiah the son of Joseph, of whom one is, "humble, and riding upon an ass" (Zecharyah 9:9) and the other is, "The firstling of his herd" (Devarim 33:17), who is Messiah the son of Joseph. This is the meaning of, "if a man shall dig a pit, and not cover it, and an ox or an ass fall into it" (Shemot 21:33). For that reason Messiah is called 'the one who fell', and She, NAMELY THE SHECHINAH, fell with them, and of Her it says, "The virgin of Yisrael is fallen; she shall no more rise" (Amos 5:2). And you, FAITHFUL SHEPHERD, are "the owner of the pit shall make it good, and give money to the owner of them; and the dead (beast) shall be his" (Shemot 21:34). The dead refers to Messiah the son of Joseph that will be killed.

62. ובזמנא דנוקבא פתיחא, כל מאן דהוה נפיל תמן, לא הוה סליק. ומשיח בן דוד נפל תמן עם משיח בן יוסף. דחד איהו עני ורוכב על חמור. וחד איהו, בכור שורו, דא משיח בן יוסף. והאי איהו כי יכרה איש בור ולא יכסנו ונפל שמה שור או חמור. ובג"ד אקרי משיח בר נפלי. ואיהי נפלת בתרייהו, ואתמר עליה, נפלה לא תוסיף קום בתולת ישראל. ואנת הוא בעל הבור ישלם כסף ושיב לבעליו. והמת יהיה לו, דא משיח בן יוסף, דעתיד לאתקטלא.

63. (THE BEGINNING IS MISSING) descended for his sake. For surely there were four exiles, three corresponding to the three nutshells. The first is without form (Heb. tohu), which is a green line, namely the green shell of the nut. The second is void (Heb. bohu), which is viscous stones, which are strong boulders, from which the Mishnah sages legislated some decrees, and they hold on to them since water will come out of them. The third Klipah is the thick shell OF THE NUT, which is the third exile that was short. This is darkness. The fourth exile is a great abyss, which is the space inside the nut. This is "darkness was on the face of the deep" (Beresheet 1:2).

63. נחת בגיניה. דודאי ארבע גליות הו, תלת, לקבל תלת קליפין דאגוזא, דאינון תהו, קו ירוק, קליפה ירוקא דאגוזא. תניינא בהו, אבנין מפולמין, דאינון סלעים תקיפין, דמ"מ פסקו מינייהו כמה פסקות, ונקיט לון, לאפקא מיא דאורייתא. ובג"ד אתקריאו אבנים מפולמות, דמנייהו מיון נפקין. קליפה תליתאה, דקיקא, גלותא תליתאה, דהוה זעיר, והאי איהו וחשך. גלותא רביעאה, תהום רבה, חלל דאגוזא. והאי איהו, וחשך על פני תהום.

64. THE FOURTH KLIPAH, THE DEEP, is called a pit where an ox has fallen. This is why it is written of Joseph, "The firstling of his herd, grandeur is his" (Devarim 33:17), of whom it says, "And they...cast him into a pit" (Bereshheet 37:24), which is the evil female OF THE KLIPAH; "and the pit was empty" (Ibid.) is the male OF THE KLIPAH, which is empty, without Torah THAT IS CALLED WATER. But there are snakes and scorpions in it. This is the fourth exile, WHICH IS EMPTY WITHOUT TORAH, which is a generation of evil people, filled with snakes and scorpions that are scoundrels like snakes and who are scorpions (Heb. akribim) since they uprooted (Heb. akru) the words of the sages and give false sentence. Of them it says, "Her adversaries have become the chief" (Eichah 1:5).

65. "And he looked this way and that, and when he saw that there was no man" (Shemot 2:12) of Yisrael among the wicked OF THAT GENERATION, BUT THAT THEY ARE the mixed multitude. This will be at the end of exile. And because of that the end, the coming of the exile, bores all the way to the great abyss, WHICH IS THE FOURTH EXILE CALLED A GREAT ABYSS. Faithful Shepherd, you came down there. Tehom (Eng. 'abyss') is Hamavet (Eng. 'the death') spelled backwards, and death is no other than poverty, THAT IS, POVERTY IN KNOWLEDGE. It has been clarified up high, before the Tannaim and Amoraim, that they will all descend for your sake into the deep, IN THE FOURTH EXILE, to help you.

13. The Leviathan

Rav Hamnuna Saba tells Moses that he is the Leviathan of the sea of the Torah, the master of all fishes. The sages of the Mishnah have stated that the Torah is maintained only by those who are willing to die for it, and part of the meaning here is that death is poverty. In response to Moses' query about the Leviathan, Rabbi Shimon answers that it is he whose grade is the Central Pillar, a righteous man who grows in the sea of supernal Ima where God is unified through the Sh'ma and the prayer 'Blessed be...' Moses says that the world is supported by that Leviathan.

66. And you support yourself by your sage's statement more than all of them, since you are the Leviathan of the sea of the Torah. For the master of all fishes is called Leviathan, named after the Torah of which it says, "for they are a graceful garland (Heb. liviat) for your head" (Mishlei 1:8). By you, "Hashem, You preserve man and beast" (Tehilim 36:7). Of man, NAMELY TIFERET, it has been said, "when a man dies in a tent" (Bemidbar 19:14), and the sages of the Mishnah have stated that the Torah is maintained only by whoever is willing to die for it, death being no other than poverty. 'Beast' refers to the ignorant, who are submissive like horses and mules to the sages of the Mishnah.

67. In the meantime the holy luminary, RABBI SHIMON, came. The Faithful Shepherd opened and said, Mishnah sages, who is the Leviathan? The Holy luminary answered him, it is he whose grade is the Central Pillar and a righteous man of whom it says that we consider his body, TIFERET, and member of the covenant, YESOD, as one. And he grows in that sea, which is supernal Ima, NAMELY BINAH, which is a sea where the Holy One, blessed be He, is unified in 25 and 25 letters IN SH'MA YISRAEL AND IN 'BLESSED BE...', the numerical value of which is that of 'yam (Eng. 'sea')', THAT IS, FIFTY, and who is in it, BEING IN THAT SEA THAT IS BINAH. The Faithful Shepherd said, surely this Leviathan stands on the beach and the world is poised on his fins, AS THIS LEVIATHAN is, "the righteous is an everlasting foundation" (Mishlei 10:25). The Holy luminary said, blessed is your portion, Faithful Shepherd.

14. "and the betrothed maiden cried out, but there was none to save her"

As the beginning of this section is missing, the meaning is not entirely clear, but it begins by talking about the daughter of sound, Malchut, who is in temporary exile until Moses will come for her. The title verse means that the Shechinah cries out for her children, Yisrael, but there is no one to save them until the savior comes. We learn that when the tablets were broken the Shechinah fell, and we are also told that the mixed multitudes cannot separate from Yisrael until the final redemption. Moses is said to be God's son, the Central Pillar. We hear about the joy that will be known at the time of redemption, and about the Destroyer, Anger and Wrath that are in the world now.

68. (THE BEGINNING IS MISSING) echo (lit. 'daughter of sound'), WHICH IS MALCHUT, is in exile until you come for her, since you are her sound SINCE MALCHUT IS THE SECRET OF SPEECH; MOSES, ZEIR ANPIN, IS THE SOUND IN SPEECH, AND SPEECH IS THE DAUGHTER OF SOUND. IT IS CALLED DAUGHTER since every wife is a daughter to her husband, as written, "took her for his own daughter" (Ester 2:7). SHE IS THEREFORE CALLED DAUGHTER OF SOUND. She is betrothed to you since you have not come under the Chupah, WHICH IS REDEMPTION, with her.

69. It is said, "and the betrothed maiden cried out, but there was none to save her" (Devarim 22:27). So does the Shechinah, the highest mother, cry for Her children, WHO ARE YISRAEL, but there is none to save them AND TAKE THEM OUT TO REDEEM THEM, until the Central Pillar, ZEIR ANPIN, will come for Her, who is the savior. For Her it is said, "behold, our king comes to you. He is just, and victorious" (Zecharyah 9:9). He is savior above and you below. And since you have his form OF ZEIR ANPIN it is said of you, "But as for you, stand here by Me" (Devarim 5:28). All Yisrael returned to their tents but you do not, until the final redemption. Who caused that? The mixed multitude, because of whom, "he threw the tablets out of his hands" (Shemot 32:20). From that time THE SHECHINAH FELL and was not redeemed from the mixed multitude of whom it says, "And a mixed multitude went up also with them" (Shemot 12:38). Nevertheless, they do not separate from Yisrael and the maidservant DOES NOT SEPARATE from her mistress until the final redemption.

70. You are the King's son; according to your example we deduced about the Central Pillar in all THINGS. Your joy shall be like its joy when it will come to redeem the Shechinah, "which is like a bridegroom coming out of his chamber..." (Tehilim 19:6). For Her garments in exile are dark, and when she wears them she says, "Do not gaze upon me, because I am black" (Shir Hashirim 1:6). They are the Klipot, Destroyer, Anger and Wrath, WHICH ARE CHESED, GVURAH AND TIFERET OF THE KLIPOT, NAMELY THE MALE OF THE KLIPAH THAT INCLUDES THEM. His evil female is an evil maidservant. She is Shabbtai (Eng. 'Saturn') OF WHOM IT SAYS, "and a handmaid that is heir to her mistress" (Mishlei 30:23), who is Queen Shabbat. Destroyer, Anger and Wrath, WHICH ARE CHESED, GVURAH AND TIFERET OF THE KLIPAH, surround the three patriarchs, WHO ARE CHESED, GVURAH AND TIFERET OF HOLINESS.

15. A crown on his head and a beautiful tree before him

We learn that the Shechinah used to be the crown, the Yud, on top of Hei Vav Hei, until she reverted to be below it.

71. Moreover, the King's daughter, THE SHECHINAH, used to be Yud on top of Hei Vav Hei that are included in the patriarchs, first Hei in Abraham, WHO IS CHESED, and second Hei in Isaac, WHO IS GVURAH; Vav WAS INCLUDED in Jacob, WHO IS TIFERET. Yud was on top of them. It then said, "The crown is fallen from our head" (Eichah 4:16). The sages used a simile of a king who had a crown on his head and a beautiful tree before him. When he heard bad news he flung the crown from off his head. What was, THE SHECHINAH, Yud on top of Yud Hei Vav Hei, WHEN Yud was on top, reverted to THE PERMUTATION Hei Vav Hei Yud, WHERE Yud is below. For that reason David said, "The stone which the builders rejected has become the head stone of the corner. This is Hashem's doing" (Tehilim 118:22-23).

71. ולא עוד, אלא מה דהות ברתא דמלכא, ו' על הו"ה, דכלילן באבהן, ה' קדמא באברהם. ה' תניינא ביצחק. ו' ביעקב. והות ו' רישא עליהו. אתמר, נפלה עטרת ראשנו. ואמתילו רבנן מתלא, למלכא דהוה ליה עטרה על רישיה, ואילן יאה קדמיה, אתיא ליה שמועה בישא, ארמי עטרה מעל רישיה. ומה דהות ו' על הו"ה. ו' לעילא, אתהדר הוה"ו, ו' לתתא. ובגין דא אמר דוד, אבן מאסו הבונים היתה לראש פנה מאת יי' היתה זאת.

16. "and speak to the rock"

The Faithful Shepherd is invited to take the stone in his hand in order to break the Klipot. While other leaders tried to do this they were effective only in removing the outer shell, but they could not bring water from the stone as Moses could; these drops of water are wisdom and the wisdom of the Kabbalah. The Faithful Shepherd talks about the stone of the Name of Yud Hei Vav Hei, the stone which is Moses' rock, and the rock called Mishnah. He says that his rock is the King's daughter, Malchut of Atzilut, and that since he hit that rock he was sentenced never to enter the land of Yisrael, and was buried in a strange land.

72. Rise, Faithful Shepherd, take this stone, WHICH IS MALCHUT, in your hand, of which it says, "upon one stone are seven facets" (Zecharyah 2:9), in order to break the shells (Klipot) of the nut. For many shepherds, leaders of the generation were gathered by that stone, which is your rock, to bring water out of it, since your bride, MALCHUT, is the fount of Chochmah in this river that is flowing with Torah in infinite hidden secrets. It says of it, "But where shall wisdom be found" (Iyov 28:12).

72. קום ר"מ, טול אבנא דא בידך, דאתמר בה, על אבן אחת שבעה עינים. לתברא קליפין דאגוזא, דהא כמה רועים פרנסי דרא, אתכנשו על האי אבנא, דאיהו סלע דילך, לאפקא מיא מתמן, דכלה דילך מעין החכמה. בהאי סלע, הנביעא דילה באורייתא, ברזין סתימין לית סוף. ועלה אתמר, והחכמה מאין תמצא.

73. Their whole power is effective in removing the outer shell. When they reach the second shell, which is strong, they find it difficult and strike it all their lives with their tongues that are as strong as hammers, but they have no permission to bring water out of it, except for those drops that came out through you, when it said of it, "and with his rod he smote the rock twice" (Bemidbar 20:11). At the second smiting these drops came out. They are the allusions of wisdom and the allusions OF THE WISDOM of Kabbalah, which are in TRACTATE Chagigah and other Mishnayot. No one can bring forth from this stone wisdom that is inside it, which is infinite, except you, of whom it says, 'Halachah given to Moses on Sinai'.

73. וכל תוקפא דלהון לאעברא קליפה דלעילא, וכד מטן לקליפה תניינא, דאיהו תקיפא, איהו קשיא לון, ומחאן בה כל יומיהון כלה, בלישנהון דאינון תקיפין כפטישין, ולית לון רשו לאפקא מינה מיא. אלא אליון טפין הנפקין על ירך, בזמנא דאתמר בה, ויך את הסלע במטהו פעמים. ובמחאה תניינא נפקי אליון טפין. ואליון אינון רמיזין דחכמה, רמיזין דקבלה, דאינון בחגיגה, ושאר מתניתין. והאי אבן לית מאן דאפיק מינה חכמה, דאיהו מלגאו, דלית לה סוף, בר אנת, דאתמר בך הלכה למשה מסיני.

74. The Faithful Shepherd opened and said, Old man, there is a rock and there is a rock; there is a stone and there is a stone. There is a stone of the Name of Yud Hei Vav Hei, WHICH RISES TO YUD OF YUD HEI VAV HEI AND BECOMES A CROWN OVER HEI VAV HEI OF YUD HEI VAV HEI. It says of it, "and the stone that smote the image became a great mountain" (Daniel 2:35), SINCE YUD OF YUD HEI VAV HEI IS THE SECRET OF A GREAT MOUNTAIN. And there is a stone that is "a figured stone" (Vayikra 26:1), OF WHICH IT SAYS, "NOR SHALL YOU INSTALL A FIGURED STONE IN YOUR LAND, TO BOW DOWN UPON IT" (IBID.) where there is neither flow of the waters of Chochmah nor speech.

75. But of the stone which is Moses' rock it says, "and speak to the rock before their eyes; and it shall give forth its water" (Bemidbar 20:8). FOR THIS ROCK is a divine echo, NAMELY MALCHUT OF ATZILUT, and only speech and reconciliation applies to it. But of the handmaid OF MALCHUT OF ATZILUT that is another rock called Mishnah, which is the female of the serving lad METATRON it says, "A servant will not be corrected by words" (Mishlei 29:19), but it is smitten and several decrees are broken of it, NAMELY EXPLANATIONS, and are gathered, which are called compilations. They are called compilations because they are gathered without a fount of wisdom or Kabbalah.

76. But my rock is the King's daughter, NAMELY MALCHUT OF ATZILUT, about which it says, "and speak to the rock before their eyes; and it shall give forth its water," namely with words and reconciliation as befitting a King's daughter. But since I smote her I was smitten because of her and we were sentenced to death. For whoever refuses the queen is punishable by death, and all the more so whoever smites the King's daughter. Because of that I was punished not to enter the land of Yisrael, AS THE LAND OF YISRAEL CORRESPONDS TO THE KING'S DAUGHTER, but instead I am buried in a strange land, MALCHUT BEING THE LAND OF YISRAEL, and she is angry with me. And it says, "he went down to him with a staff (also: 'tribe')" (II Shmuel 23:21). This is one of my tribes, because I will descend there to be with Yisrael in exile. Everything is alluded to and explained in another place by the sages of the Mishnah.

17. The Faithful Shepherd, the son of the King

We are told that Moses is man in the likeness of Adam above. The speaker appears to be the first man, and Rabbi Shimon addresses him and the Faithful Shepherd, telling Moses that his gathering into the world above is spoken of in Bemidbar, and the inference is drawn that Moses did not die as other people do.

We are told that Moses shines on the sages of Halachah and Kabbalah like the sun, and also that they are watered in secret from him as though he were a spring.

74. פֶּתַח רְעִיא מְהִימָנָא וְאָמַר, סָבָא סָבָא, אֵית סָלַע, וְאֵית סָלַע, אֵית אַבְן, וְאֵית אַבְן. אֵית אַבְן דְּשָׁמַא דִּיהוּ"ה, עָלֵה אֲתָמַר וְאַבְנָא דִּי מַחַת לְעֲלָמָא הוּת לְטוֹר רַב. וְאֵית אַבְן דְּאִיהִי אַבְן מְשָׁכִית, דְּלִית תַּמְן נְבִיעוּ דְּמִיָּא דְּחֻכְמָתָא, וְלֹא דְּבוֹר.

77. (THE BEGINNING OF THE ARTICLE IS MISSING. THE FOLLOWING ARE NOT THE WORDS OF THE FAITHFUL SHEPHERD) since the Temple and Messiah's name are named after the Name Yud Hei Vav Hei, AND THESE FOUR LETTERS YUD HEI VAV HEI ARE the four faces of man and belong to the tribe of Levi, since they came out of the living creatures of the rest of the tribes, WHICH ARE THE FACE OF A LION, THE FACE OF AN OX AND THE FACE OF AN EAGLE and entered the portion of man's face, being his four faces, AS THE FACE OF MAN INCLUDES ALL FOUR FACES. And Moses is man of the likeness of Adam above. "what is his name" IS THE FIRST MAN "and what is his son's name" (Mishlei 30:4) REFERS TO MOSES. Because of that, the priests and Levites are fed by the King and eat at His table, and the rest of the King's armies each give them food in their abode. The Faithful Shepherd is like the King's son, who is closer to the King than those who eat at His table, for none is closer to the King among all His people than His son.

78. The Holy luminary, RABBI SHIMON, rose and said TO THE SPEAKER, Old, old man, through your words your identity is recognized. You are the first man; "what is his name" was spoken of you, "and what is his son's name" relates to the Faithful Shepherd. And because THE FAITHFUL SHEPHERD made new expositions in the Torah, you rejoice since, "A wise son makes a glad father" (Mishlei 10:1).

79. Faithful Shepherd, in this portion your gathering into that world is mentioned, as written, "Go into this mount Avarim," mount Nebo, "And when you have seen it, you shall be gathered to your people, as Aaron your brother was gathered" (Bemidbar 27:12-13). And in this portion it behooves you to return to the world and live and enter the land of Yisrael and join in this portion your bride, WHO IS THE LAND OF YISRAEL, NAMELY MALCHUT, of whom it says, "Behold, I give to him My covenant of peace" (Bemidbar 25:12), WHICH WAS HIS, AND WHICH HE GAVE TO PINCHAS YET HE HIMSELF REMAINED NOT IN WANT. This is why the Holy One, blessed be He, did not say to him 'descend' but rather, "Go (lit. 'ascend') INTO MOUNT AVARIM," because from THIS MOUNTAIN you shall enter the land of Yisrael.

80. And as for what has been said of you, "but no man knows his grave to this day..." (Devarim 34:6), woe to those of a closed heart and shut eyes who do not know your burial that you sought mercy before the Holy One, blessed be He, not to be taken into a burial in which you are considered dead. This is the meaning of, "Moses My servant is dead" (Yehoshua 1:2). And these fools used to say that Moses was afraid of death like other people, of leaving this world into the next. They do not know how your burial and death took place.

81. For so did the sages of the Mishnah explain that those who die outside the land of Yisrael are not living. They do not say that they shall not live, for had they said that they would have denied the resurrection of the dead. But there is a great secret here, for his, MOSES', burial was in a form not befitting him, which is, "in a dry and thirsty land, where no water is" (Tehilim 63:2), NAMELY IN THE WILDERNESS; and water is none other than Torah, WHICH MEANS THE WILDERNESS IS A PLACE OF KLIPOT, where, "he had no form nor comeliness" (Yeshayah 53:2). And whoever saw him in that form, IT IS SAID, "that we should look at him, and no countenance, that we should desire him" (Ibid.). This is why the prophecy of Isaiah THAT BEGINS WITH, "Behold, My servant shall prosper" (Yeshayah 52:13) alludes to him.

82. Because of this burial, he sought mercy not to die there outside the land of Yisrael because it was, "in a dry and thirsty land, where no water is," which is the Torah. Thus it says of him, "Go into this mount Avarim"; from his lowliness He showed him his loftiness, namely though you are buried in a place not befitting you, without your garments, which are skin and flesh, moving and roving from your place, wandering and exiled, yet Pinchas, with whom you did kindness, as it says of you, "Behold, I give to him My covenant of peace," will be kind to you and in his portion you shall rise, THAT IS, IN THE PASSAGE "BEHOLD, I GIVE TO HIM MY COVENANT OF PEACE." FOR PINCHAS IS ELIJAH, THE ANGEL OF THE COVENANT, WHO WILL HELP MOSES CONNECT WITH THE TWO MESSIAHS TO BRING YISRAEL OUT OF EXILE. In it is your bride, MALCHUT, and there you shall join her like a groom joins his bride.

83. For had you not been buried outside the Holy Land, outside your bride, Yisrael would not have come out of exile. Of you it says, "But he was wounded (Heb. mecholal) because of our transgressions" (Yeshayah 53:5), becoming not sacred (Heb. chol) due to the iniquity and transgression of Yisrael, as it says of you, "And He buried him in the valley" (Devarim 34:6). It says of your burial, "Every valley shall be exalted" (Yeshayah 40:4), namely, all that is lowly shall be exalted for your sake, which is Yisrael who are humbler and lower than any nation and tongue. "and every mountain and hill shall be made low" (Ibid.) are the wicked and the impudent.

84. This is the meaning of, "and by his injuries (Heb. chavurato) we are healed" (Yeshayah 53:5), namely, with the connection (Heb. chibur) he made with us in exile "we are healed." For you are like the shining sun, since though the sun sets at night it shines on the moon and all the stars and constellations. So do you shine upon all the sages of all kinds of Halachah and Kabbalah who are watered in secret from you like a spring that waters the trees under their root unbeknownst until its water breaks into the open. This is what is meant by, "So will your spring be dispersed abroad" (Mishlei 5:16).

81. דְּהָכִי אֹקְמוּהָ מֵאֵרִי מִתְּנִיתִין, דְּמִתִּי חוּצָה לְאַרְץ אֵינָם חַיִּים. לֹא אִמְרֵי דְאֵינָם עֲתִידִים לְהַחְיֹת, דְּאִלְמְלִי כִּךְ הוּוּ כְּפָרִין בְּתַחֲמֵית הַמֵּתִים. אֲלֵא הֵכָא רְזָא רַבְרָבָא, קְבוּרָה דִּילֵיהּ בְּצוּלְמָא דְלֵאוּ הַגּוֹנָה לֵיהּ, דְּאֵיהִי אֶרֶץ צִיָּה וְעֵיף בְּלֵי מִים, וְלִית מִים אֲלֵא תוֹרָה, וּבָהּ לֹא תֵאָר לּוּ וְלֹא הָדָר. וּמֵאֵן דְּחָזִי לֵיהּ בְּהוּא צוּלְמָא, וְנִרְאָהוּ וְלֹא מִרְאָה וְנַחְמֵדְהוּ. וּבְגִ"ד, נְבוּאָת יִשְׁעִיָּה הִנֵּה יִשְׁכִּיל עֲבָדֵי, קָא רְמִיז עָלֵיהּ.

85. For you are also like the sun that travels during winter underneath the streams SECRETLY AND WARMS THEM. With the time of redemption, you shall be like the sun that travels during summer above the springs and they shall be cool WITHOUT JUDGMENT but with Mercy. For when you are underneath them they are warm with Judgment. The Faithful Shepherd approached and blessed the Holy Lamp, saying, surely you shine upon me when it says of me, "because the sun was set (Heb. ki va)" (Beresheet 28:11), WHICH IS SPELLED LIKE 'the sun was extinguished (Heb. kavah)' when its light is darkened. May it be that the Name Yud Hei Vav Hei will shine its Name upon you.

18. Visions by vision, simile and dream

Rabbi Shimon says how the five lights of Binah used to shine on Moses, which was why his face was like the face of the sun. He talks about the five times light was mentioned in the first day of creation and the five fingers of the right hand and the five Sfirot that are the secret of the five times that firmament was mentioned. The Faithful Shepherd talks about visions, saying that they are from the right, and Rabbi Shimon replies with his interpretation of Moses' vision of the burning bush, and of why the bush did not burn. The two of them talk about visions and prophetic apparitions and dreams. We learn that visions are known through the eye of the mind of the heart.

86. The holy luminary said further, surely you are all that, as said, "If there be a prophet among you" (Bemidbar 12:6). For that reason, when supernal Ima, WHO IS BINAH, was revealed to you, you said, "I will now turn aside, and see this great sight (or: 'vision'), why the bush is not burnt" (Shemot 3:3). For since BINAH is Mercy, it says of it, "the bush is not burnt," THAT IS, THAT WHICH IS CALLED BUSH WILL NOT BURN.

86. וְעוּד אִמַר בּוּצִינָא קְדִישָׁא, וְדַאי אַנְתָּהּ הוּא כֻּלָּא, דְּאִמַר, אִם יִהְיֶה נְבִיאֲכֶם וְגו'. וּבִג"ד, כֵּד אַתְּגַלְיָא אֵימָא עֲלָאָה לָךְ, אִמְרַת אֲסוּרָה נָא וְאַרְאֶה אֶת הַמְרָאָה הַגְּדוֹל הַזֶּה מִדּוּעַ לֹא יִבְעַר הַסֵּנֶה. בְּגִין דְּאֵיְהִי רַחֲמֵי, אִתְמַר בְּהּ לֹא יִבְעַר הַסֵּנֶה.

87. There are five lights TO BINAH called sunrays, SINCE BINAH IS CALLED SUN, FROM CHESED to Hod. And from there, FROM BINAH, to Hod they used to shine on you, Faithful Shepherd. This gave Hod to Moses, to let it be known that all FIVE SFIROT, CHESED, GVURAH, TIFERET, NETZACH AND HOD gave to you since even Hod WAS GIVEN TO YOU. This is why the face of Moses is like the face of the sun, THAT IS, LIKE BINAH CALLED SUN. And these five SFIROT amount to the fifty gates of Binah SINCE EVERY SFIRAH COMPREHENDS TEN SFIROT.

87. וְחֲמֵשׁ נְהוּרִין אֵיִת לָהּ, דְּאִתְקְרִיאוּ קְרַנֵּי הַחֲמָה, עַד הוּד, וּמִתְמַן עַד הוּד, הוּוּ נְהִירִין בְּךָ ר"מ, וְהָאֵי אֵיְהוּ וְנָתַן הוּד לְמֹשֶׁה, לְאַשְׁתַּמוּדְעָא דְכֻלְהוּ לָךְ אֲתִיְהִיבוּ, אִפִּילוּ עַד הוּד. וּבִג"ד, פְּנֵי מֹשֶׁה כְּפִנֵי חֲמָה. וְאֵלִין חֲמֵשׁ, סִלְקִין לְחֲמֵשִׁין תְּרַעִין דְּבִינָה.

88. And these five we mentioned, which are the five TIMES 'light' mentioned in the first day OF CREATION, WHICH IS CHESED, which correspond to the five fingers of the right hand, WHICH IS CHESED, appeared to you at the bush, since you are destined to bring out Abraham's descendants from exile, who is the grade of right, WHICH IS CHESED. From there Binah is complete Mercy, IN ACCORDANCE WITH THE SECRET OF the great hand, WHICH IS CHESED. But from the aspect of Gvurah, CALLED the strong hand, ITS FIVE SFIROT ARE THE SECRET OF five times 'firmament' MENTIONED in the second day OF THE WORKS OF CREATION that correspond to the five fingers of the left hand. But from your grade, WHICH IS THE CENTRAL COLUMN, IT SAYS, "and the children of Yisrael went out with a high hand" (Shemot 14:8) THAT CORRESPONDS TO THE BODY, WHICH IS THE CENTRAL COLUMN, INCLUDING the body, the two arms and two legs, which are FIVE ASPECTS corresponding to the five fingers IN THE HAND. THIS THE THREE HANDS ARE five, five, five, NAMELY five fingers of the right hand, five fingers of the left hand and the two arms, two legs and the body, which are five. TOGETHER they amount to Yud Hei (= fifteen). The Faithful Shepherd said to him, blessed are you to supernal Ima, BINAH. Yet these Yud Hei, THE THREE HANDS, CHESED, GVURAH AND TIFERET, form for me the last Hei for the rod of Elohim, which is Vav, NAMELY ZEIR ANPIN. NAMELY, YUD HEI, WHICH ARE CHESED, GVURAH AND TIFERET, BUILD MALCHUT FOR ZEIR ANPIN. He said, surely it is so.

88. וּבְאֵלִין חֲמֵשׁ דְּאִתְמַר, דְּאֵינּוֹן חֲמֵשׁ אִוּר דִּיּוּמָא קְדַמָּא, דְּאֵינּוֹן לְקַבֵּל חֲמֵשׁ אֶצְבְּעֵן דִּיּוּמִינָא אַתְּחִזִּיא לָךְ בְּסִנְהָ. בְּגִין דְּעֵתִיד אַנְתָּהּ, לְאַפְקָא זְרַעָא דְאַבְרָהָם מִן גְּלוּתָא, דְּאֵיְהוּ דְרַגָּא יְמִינָא. וּמִתְמַן בִּינָה אֵיְהוּ רַחֲמִים גְּמוּרִים, יַד הַגְּדוֹלָה. אֲבַל מְסֻטְרָא דְגְבוּרָה, יַד הַחֹזֶק, חֲמֵשׁ רְקִיעַ, בְּיוֹם שְׁנֵי, לְקַבֵּל חֲמֵשׁ אֶצְבְּעֵן דְּשִׁמְאָלָא. אֲבַל מְסֻטְרָא דְרַגָּא דִּילָךְ, וּבְנֵי יִשְׂרָאֵל יוֹצְאִים בְּיַד רַמָּה. דְּגוּף וְתַרְיִן דְּרוּעִין וְתַרְיִן שׁוֹקִין, לְקַבֵּל חֲמֵשׁ אֶצְבְּעֵן, ה' ה' ה'. ה' אֶצְבְּעֵן דִּיד יְמִין, וְה' דִּיד שְׁמָאל, וְתַרְיִן דְּרוּעִין וְתַרְיִן שׁוֹקִין וְגוּף, דְּאֵינּוֹן חֲמֵשׁ דְּסִלְקִין י"ה. א"ל רַעִיא מְהֵימְנָא, בְּרִיךְ אַנְתָּהּ לְאִמָּא עֲלָאָה. אֲבַל הָאֵי י"ה שׁוּיָא לִי ה', בְּגִין מְטָה הָאֱלֹהִים, דְּאֵיְהוּ ו'. וְאִמַר וְדַאי הֶכִי הוּא.

89. THE FAITHFUL SHEPHERD said to the holy luminary, I come to support your words as YOU SAID THAT VISION IS BINAH, YET a vision is to the right, since if you calculate THE NUMERICAL VALUE OF 'in a vision', of which it says, "make Myself known to him in a vision (Heb. bema'rah)" (Bemidbar 12:6), you shall find it is IN NUMERICAL VALUE 248 that is the same numerical value as Abraham, WHICH IS CHESED. THIS SEEING IN A VISION IS CHESED OF ZEIR ANPIN RATHER THAN FROM BINAH. The holy luminary said TO HIM, at first the vision appeared to you of which it says, "make Myself known to him in a vision," WHICH IS BINAH. Then you said, "I will now turn aside, and see this great sight (or: 'vision'), why the bush is not burnt," NAMELY BINAH, wherein the bush is mentioned five times. THEY CORRESPOND TO THE FIVE LIGHTS OF THE RIGHT IN BINAH THAT ILLUMINATE THE BUSH FIVE TIMES, WHICH ARE ITS FIVE JUDGMENTS THAT TURN INTO MERCY LIKE BINAH. THIS IS WHY THE BUSH DID NOT BURN. Now this vision is revealed to you again with the 248 positive precepts in the five books of the Torah, NAMELY THE FIVE LIGHTS OF CHESED OF ZEIR ANPIN CALLED TORAH. The Faithful Shepherd rose, kissed him and blessed him. WE SHOULD KNOW THERE ARE TWO MIRRORS (OR VISIONS), THE SHINING MIRROR THAT IS ZEIR ANPIN AND ALSO BINAH, AS HE SAYS HERE, AND THE NON-SHINING MIRROR THAT IS MALCHUT.

90. THE FAITHFUL SHEPHERD said to him, holy luminary, this vision is at times preceded by the letter Hei, "the great vision (Heb. hamar'eh)," and at times by the letter Bet, "make Myself known to him in a vision (Heb. bema'rah)"; at times by Mem, "from what appeared (Heb. mimar'eh) to be his loins downward" (Yechezkel 1:27), at times with Caf, "the appearance (Heb. kemar'eh) of a man above" (Ibid. 26); sometimes by Vav, "And the sight (Heb. umar'eh) of the glory of Hashem" (Shemot 24:17), and, "after the sight (Heb. lemar'eh). Yet it did not need an additional letter at all except Bet of 'bema'rah.' But surely this mirror comprehends ten Sfirot, and each letter indicates its Sfirah, namely 'kemar'eh' with Caf indicates Keter, and so on; the rest of the letters shows each its own Sfirah. And there is no need to speak here at length; a hint would be sufficient to the wise.

91. How many apparitions it has, how many similes and visions, all known through the eye of the mind of the heart, WHICH IS MALCHUT, of which it says, 'a knowing heart', and, 'an understanding heart', and the words OF THE VERSE, "and used similes by means of the prophets" (Hoshea 12:11). Simile is only by means of the mind of the heart, WHICH IS MALCHUT, and is unlike the imaging of the eye. This is what is meant by, "To whom then will you liken Me, that I should be his equal" (Yeshayah 40:25), and, "To whom then will you liken El" (Ibid. 18). There are sights like those of the stargazers, WHICH ARE FROM THE OTHER SIDE. But a prophetic apparition is like a nightly apparition, WHICH IS MALCHUT CALLED NIGHT, BUT NOT OF SFIROT HIGHER THAN HER.

92. Similes and apparitions are like deducing one thing from another; likening one thing to another, but a vision that is in the mind's eye is like a light that shines on the pupil of the eye, WHICH IS MALCHUT, since the pupil is black, as written, "I am black" (Shir Hashirim 1:5), NAMELY THE PUPIL OF THE EYE, "but comely" (Ibid.) with the white light in the eye that shines ON THE PUPIL OF THE EYE. This pupil of the eyes is called "the commandment is a lamp" (Mishlei 6:23), and the light that shines within it from inside NAMELY THE WHITE, is, "and Torah is light" (Ibid.), THAT IS, ZEIR ANPIN THAT IS CALLED TORAH.

93. The holy luminary said, That is what I said, that now through the Torah the Holy One, blessed be He, and His Shechinah were revealed to you. That is WHAT IS MEANT BY, "make Myself known to him in a vision" (Bemidbar 12:6). The vision is supernal Ima. "Make Myself known" MEANS IT IS KNOWN to you through knowledge (Da'at), WHICH IS the son of Yud Hei, NAMELY ZEIR ANPIN THAT IS VAV OF YUD HEI VAV HEI. "and speak to him in a dream" (Bemidbar 12:6) refers to last Hei, WHICH IS THE SHECHINAH.

94. The dream is with the eyes shut, NAMELY MALCHUT, for which reason it is called the non-shining mirror. Prophecy is a vision with open eyes, since the three colors of the eye correspond to the three patriarchs CHESED, GVURAH AND TIFERET in which the only daughter, WHICH IS MALCHUT, NAMELY THE PUPIL OF THE EYE, shines. The two sides of the eyes are Netzach and Hod, and the vision OF PROPHECY is seen only through them, NETZACH AND HOD. When they are open it is a waking vision and when they are shut it is a vision in a dream.

95. The Faithful Shepherd said to him, blessed are you to the Holy One, blessed be He. Rise and complete the precepts so the supernal vision, WHICH IS BINAH, shall shine with them, WITH THE PRECEPTS towards the Holy One, blessed be He. The holy luminary said to him, Yud is the pupil of the eye, NAMELY MALCHUT, OF WHICH IT SAYS, "For the commandment is a lamp; and Torah is light," SINCE THE COMMANDMENT IS A LAMP REFERS TO MALCHUT AND THE TORAH IS LIGHT REFERS TO ZEIR ANPIN. SHE IS Hei Vav AS VAV shines on her, ON THE PUPIL OF THE EYE, five SFIROT, WHICH ARE the three colors in the eye, CHESED, GVURAH AND TIFERET, and the two sides of the eye, NETZACH AND HOD. And five TIMES 'light' shine on THE PUPIL OF THE EYE from within, SINCE THEY ARE FROM supernal Hei, WHICH IS BINAH, which is the light of the (Hei) vision.

19. Forty minus one

We are told that God will strike Samael fifty times for turning himself into a deity, and that Adam and Eve and the serpent and the land were given a total of 39 stripes because they all sinned against the letter Hei.

96. "Forty stripes he may give him, and not exceed" (Devarim 25:3). This precept is to strike the wicked, who is Samael, who the Holy One, blessed be He, will give fifty stripes for turning himself into a deity. Let the unification OF KRIAT SH'MA AND 'BLESSED BE...' that Yisrael meditate on twice a day in the 25 plus 25 letters in them, come and strike with them whoever turns himself into a deity, and who is nothing but a filthy servant. And as for those who sinned against LAST Hei, WHICH IS MALCHUT, the Holy One, blessed be He, decreed to strike them with Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, which are of the numerical value of forty minus one. With this name the Holy One, blessed be He, gave ten stripes to Adam, ten to Eve, ten to the serpent and ten to the land, WHICH AMOUNT TO 39 STRIPES, since they all sinned against the letter Hei, WHICH IS MALCHUT. Hence IT IS WRITTEN, "Because you have done this" (Beresheet 2:14), 'THIS' BEING A NAME OF MALCHUT.

20. Levirate marriage and Chalitzah

This section talks about the precept for a man to marry the widow of his childless brother. The man must concentrate on unification and not on his own pleasure, otherwise he creates a separation and brings Samael in between. We are told that spilling seed in vain withholds many blessings from a man, and it brings separation instead of union.

93. אָמַר בּוֹצִינָא קְדִישָׁא הֵינּוּ מֵאֵי דְאֲמִינָא דְכַעֲן בְּאוֹרֵייתָא אֲתַגְלִיָּא לָךְ קוּדְשָׁא בְרִיךְ הוּא וְשְׂכִינְתֵיהּ, וְהָאֵי אִיהוּ יְהוָה, בְּמֵרָאָה אֵלָיו אֲתוֹדַע. בְּמֵרָאָה: אֵימָא עֲלָאָה. אֲתִידַע, לָךְ בְּדַעַת. בֵּן יְ"ה. בְּחֵלּוֹם אֲדַבֵּר בּוּ, ה"א בְּתַרְאָה.

96. אַרְבַּעִים יִכְנוּ לֹא יוֹסִיף וְגו', פְּקוּדָא דָּא לְהִלְקוֹת לְרַשָּׁע, דְּאִיהוּ סַמְאֵל, דְּעַתִּיד קוּדְשָׁא בְרִיךְ הוּא לְמַחָאָה לֵיהּ חֲמִשִּׁין מַחָאָן. בְּגִין דְּעַבֵּד גְּרַמִּיָּה אֱלוֹהִי. יִתֵּי יַחֲדָא, דְּמֵיחֲדָן בֵּיהּ יִשְׂרָאֵל בְּכָל יוֹמָא, בְּכ"ה אֲתוּוּן, וְיִמְחִי בְהוּן, לְמֵאן דְּשׁוּי גְּרַמִּיָּה אֱלוֹהִי, וְלֹא אִיהוּ אֵלָא עַבֵּד מְטוּנָף. וְאֵלִין דְּסִרְחוּ בַה' תְּקִין לֹן קוּדְשָׁא בְרִיךְ הוּא, לְמַחָאָה בְּיוֹד ה"א וְא"ו, דְּאֵינּוּן אַרְבַּעִים חֲסֵר חֵד. וְבַהֲאֵי שְׂמָא, מַחָא קוּדְשָׁא בְרִיךְ הוּא עֲשֶׂרָה מַכְתְּשִׁין לְאָדָם. וְעֲשֶׂרָה לְחוּהָ. וְעֲשֶׂרָה לְנַחֲשׁ. וְתַשְׁעָה לְאֶרְעָא. בְּגִין דְּכִלְהוּ סִרְחוּ בְּאֵת ה'. וּבִג"ד, כִּי עֲשִׂיתָ זֹאת.

97. "If brothers dwell together, and one of them die, and have no child...her husband's brother shall go in to her, and take her to him to wife" (Devarim 25:5). This precept is to marry one's brother's widow, since a brother's widow is Dalet OF ONE (HEB. ECHAD, ALEPH CHET DALET), and together with Aleph Chet OF ECHAD it is one. THAT IS, THE BROTHER (HEB. ACH, ALEPH CHET) SHOULD MEDITATE ON THIS UNIFYING. And if, heaven forbid, THE BROTHER does not with a WHOLE heart wish to bring Aleph Chet to Dalet, THE DALET being the wife and mate of the brother, BUT CONCENTRATE ON HIS OWN PLEASURE, he creates a separation and brings Samael, another El, in between. It says of him "that he spilled it on the ground..." (Bereshheet 38:9). THEN the tip is gone from the letter Dalet of Echad AND IT TURNS INTO RESH; AND THE WORD ECHAD BECOMES ACHER (ENG. 'OTHER'). This is why, "and it came to pass, when he went in to his brother's wife, that he spilled it on the ground, lest he should give seed to his brother" (Ibid.). Spilling seed in vain withholds many blessings from one, and IT BRINGS separation to union. This is why, "And Er, Judah's firstborn, was wicked in the sight of Hashem; and Hashem slew him" (Ibid. 7).

98. Uniting Aleph Chet with Dalet is done by means of the righteous, and Boaz, since he overcame his impulse SO AS TO PERFORM LEVIRATE MARRIAGE FOR THE SAKE OF PERFORMING A PRECEPT is considered righteous. This is why he is CALLED Boaz, WHICH IS SPELLED LIKE Bo Az (Eng. 'strength in him'), namely, he has a strong impulse. "Lo, El does all these things twice or three times with a man" (Iyov 33:29). This is Yud Hei Vav that include three letters of the Righteous, WHO IS YESOD CALLED MAN, in order to levirate the LAST Hei, WHICH IS MALCHUT.

21. "to confirm all manner of transactions; a man pulled off his shoe"

We read about the custom in old times concerning redeeming and exchanging where a man pulled off his shoe and gave it to his neighbor; this alludes to a change of name, a change of place and a change of action. We are given the inner meaning of this custom. The Shechinah does not change when she is with God, nor does He change when with her. The meaning of the ritual of the shoe is linked to the meaning of levirate marriage as well.

99. Of Binah, the son of Yud Hei, it says, "Now this was the custom in former times in Yisrael concerning redeeming and concerning exchanging, to confirm all manner of transactions; a man pulled off his shoe, and gave it to his neighbor" (Rut 4:7). This alludes to changing name, which is Mem Tzadik Pe Tzadik here. Eheyeh - 'where (Heb. ayeh)' is the place of His glory to adore Him - Yud Hei Vav is Eheyeh, which is a change of place. A change in action: in Adonai Aleph OF ADONAI is Eheyeh, Yud OF ADONAI is Yud Hei Vav Hei, and both change in Adonai.

100. "and this was the manner of attesting in Yisrael" (Rut 4:7). The attestation is supernal Ima, WHO IS BINAH, AS WRITTEN, "Bind up the testimony, seal the Torah among My disciples" (Yeshayah 8:16). BINDING IS BINAH, AND SINCE IT IS WRITTEN, "BIND UP THE TESTIMONY" WE DERIVE THAT TESTIMONY OR ATTESTATION IS BINAH, which is the seal of the world, namely the seal of heaven and earth, WHICH ARE ZEIR ANPIN AND MALCHUT. Exchanging refers to the lower Shechinah, NAMELY MALCHUT. Where did MALCHUT hide HERSELF? In her lad, THE ANGEL Metatron, and he changed her. There MALCHUT is CALLED Mishnah. And of man, of whom it says, "according to the beauty of a man; that it (he) may remain in the house" (Yeshayah 44:13), IT SAYS, "You change (Heb. meshaneh) his countenance, and send him away" (Iyov 14:20).

97. כִּי יֵשְׁבוּ אֲחִים יַחְדָּו וּמֵת אֶחָד מֵהֶם וּבֶן אֵין לוֹ וְגו', יִבְמָה יָבֵא עָלֶיהָ וּלְקַחָהּ לוֹ לְאִשָּׁה וַיְבַמָּה. פְּקוּדָא דָא, לַיְבָם אִשְׁתְּ אַח דְּאִשְׁתְּ אַח אִיהֵי ד', וְעַם א"ח אִיהֵי אַחַד. וְאִם ח"ו לְבִיָּה לֹא אִיהוּ, לְמִיּוּתִי אַח עַל ד', דְּאִיהֵי אֲתִיתִיה בַּת זְוֹנִיָּה דְא"ח, עֲבִיד פְּרֻדָּא, וְעָאֵל סַמְאֵל אֵל אַחַר בְּאַמְצְעִיתָא, וְאַתְמַר בֵּיהּ, וְשַׁחַת אַרְצָה לְבַלְתִּי וְגו', דְּאִסְתַּלַּק קוּצָא דְאֵת ד' מִן אַחַד. וּבְגִין דָא, וְהִיָּה אִם בָּא אֵל אִשְׁתְּ אַחִיו וְשַׁחַת אַרְצָה לְבַלְתִּי נִתֵּן זֶרַע לְאִחִיו. וְהִשְׁחַתְתָּ זֶרַעַ, מִנְעַ מַנְיָה כְּמָה בְּרַכָּאן, וּפְרֻדָּא דִּיחֻדָּא. וּבְג"ד וְיָהִי עַר בְּכוֹר יְהוּדָה רַע בְּעֵינֵי ה' וַיְמִיתֵהוּ ה'.

101. This is why the sages of the Mishnah have explained that 'the way I am spelled is not the way I am pronounced in this world; but spelled Yud Hei Vav Hei and pronounced Adonai'. HE ASKS, yet it is written, "I am Hashem, I do not change" (Malachi 3:6), AND ANSWERS, it is not changed in spelling but is changed in pronunciation since writing INDICATES it does not change in its place, but in reading, WHICH IS THE GRADE OF MALCHUT CALLED SPEECH, when it is outside its place, it does change AND IS PRONOUNCED ADONAI. "Take heed of him, and obey his voice, provoke him not...for My name is in him" (Shemot 23:21), since His handmaid's name is Adonai like the Queen's name. And the Holy One, blessed be He, is changed in him, IN METATRON, because he is a lad. In him is the mystery of, "he shall return to the days of his youth" (Iyov 33:25).

102. But the Shechinah, when with the Holy One, blessed be He, does not change, nor does the Holy One, blessed be He, change when with Her. This is the meaning of, "I am Hashem, I do not change." "I" is the Shechinah; Yud Hei Vav Hei is the Central Pillar, NAMELY ZEIR ANPIN; "a man pulled off his shoe" refers to Sandalfon, who is a sandal by the Holy One, blessed be He, and a shoe by the Shechinah. But Tiferet that includes six Sfirot is a body to the Name Yud Hei Vav Hei, and Malchut is a body to the Shechinah that is Adonai.

103. "then shall his brother's wife approach him in the presence of the elders, and loose his shoe from off his foot, and spit in his face..." (Devarim 25:9). It is a precept to perform Chalitzah. It is the loosening (Heb. Chalitzah) of the spirit from that body to which he needs to connect as a brother AND MARRY HIS WIFE; he releases him from the brother's tie, AND THE WIDOW NEEDS HIM NO LONGER. That spirit OF THE DEAD THAT IS SEPARATED FROM HIS BROTHER THROUGH THE CHALITZAH goes away and wanders until it is redeemed. This is what is meant by, "either his uncle, or his uncle's son, may redeem him, or any that is near of kin to him..." (Vayikra 25:49). But if he finds not, "his means suffice, he may redeem himself" (Ibid.), AND HE NEEDS TO WAIT UNTIL HE ACQUIRES ENOUGH FOR HIS OWN REDEMPTION. AND THE SPIRIT OF THE DEAD is like a guest going from place to place or like a servant walking with a chain around his neck until he achieves redemption from his Master from his iniquities, NAMELY BY MEANS OF REINCARNATION. Woe to him who did not leave a son who will redeem him.

22. One who acts with piety to his Master

We are told that a prisoner cannot release himself from prison, and the Faithful Shepherd says that God regards one who prays and does charity and occupies himself with Torah to have redeemed Him and His children from among the heathen nations. Stress is placed on the necessity to meditate only on redeeming the Shechinah from exile. Elijah and the heads of the Yeshivot tells Moses that he is the son of the King and Queen, and that his worship is done with the love of a son who will risk his life for his parents' sakes. The Faithful Shepherd prostrates himself before God and says that even though he has nothing to offer Him, still God desires the heart of man to be willing to do anything for Him. Next God comes to bless and kiss the Faithful Shepherd, and says that he is indeed His son.

101. ובג"ד אוקמוה מארי מתניתין, לא כשאני נכתב אני נקרא בעולם הזה, נכתב ירו"ד, ונקרא אדנ"י. והא כתיב אני יי' לא שניתני. בכתיבה לא אשתני, אבל בקריאה אשתני. דכתיבה דאיהו אתריה, לא אשתני. בקריאה דאיהו לבר מאתריה, אשתני. השמר מפניו ושמע בקולו אל תמר בו. בגין דשמחה דיליה אדנ"י, שמה כשם מטרוניתא. וקודשא בריך הוא ביה אשתני, בגין דאיהו נער. ביה רזא ישוב לימי עלומיו.

102. אבל שכונתא אצל קודשא בריך הוא לא משתנית, וקודשא בריך הוא לגבה לא אשתני, הה"ד, אני יי' לא שניתני, אני: שכונתא. יי': עמודא דאמצעותא. שלף איש נעלו: דא סנדלפון, סנדל איהו לגבי קודשא בריך הוא, ונעל לגבי שכונתא. אבל תפארת, דכליל שית ספירן, איהו גופא לידו"ד. ומלכות, גופא לשכונתא, דאיהו אדנ"י.

103. ונגשה יבמתו אליו לעיני הזקנים וחלצה נעלו מעל רגלו וגו'. פקודא דא, לחלוץ. והאי איהו חליצת רוחא מהוא גופא, דבעי לאנהגא עמיה כאח, והוא קשירא דאחווה דעם אחווה מתיר מניה, והוא רוחא אזיל נע ונד, עד דאשכח פרוקא. הה"ד, או דודו או בן דודו יגאלנו או משאר בשרו וגו'. ואי לא אשכח, והשיגה ירו ונגאל. כאורח דאזיל מאתר לאתר, או כעבד דאזיל בשלשלת על צואריה, עד דאשכח פדיון מאדון דיליה על חוביה. ווי למאן דלא אנח בן למפרק יתיה.

104. Elijah and heads of the Yeshivot, LISTEN. It is indicated here that a prisoner cannot release himself from prison. For he, ZEIR ANPIN, is tied by the knot of the hand Tefilin and bound by the head Tefilin, when he has no son, NAMELY A MAN WHO WILL WORSHIP THE HOLY ONE, BLESSED BE HE, NOT FOR THE SAKE OF RECEIVING A REWARD, WHO IS CALLED A SON TO THE HOLY ONE, BLESSED BE HE, who will redeem him through the aspect of the son of Yud Hei. THAT IS, IF HE WHO PUTS ON TEFILIN IS NOT A CHARIOT TO THE SON OF YUD HEI, WHO IS ZEIR ANPIN, NAMELY, IF HE DOES NOT MEDITATE ON PLEASING HIS MAKER LIKE A SON WHO WORKS FOR HIS FATHER NOT TO RECEIVE A REWARD, THEN by that knot OF TEFILIN the Holy One, blessed be He, is a tied and bound brother, who has no permission to redeem himself, he being Dalet OF ECHAD, which is itself (or: is the bone) of Aleph and Chet OF ECHAD, WHICH IS ZEIR ANPIN. ZEIR ANPIN called it "bone of my bones" (Bereshheet 2:23) in the skull where the head Tefilin is put, and called it "flesh of my flesh" (Ibid.) from the aspect of the heart.

105. Not in vain did the Holy One, blessed be He, say that 'whoever is occupied with the Torah and charity and prays with the congregation, I regard him as if he redeemed Me and My children from among the heathen'. HE ASKS, YET many people are occupied in the Torah and charity and pray with the congregation, yet the Holy One, blessed be He, and His Shechinah are not redeemed. AND HE ANSWERS that THE MEANING IS he should study Torah in order to unite the Shechinah with the Holy One, blessed be He, AND NOT FOR ANY OTHER PURPOSE. As for charity, we have explained that a Chasid (Eng. 'pious man') is a man who acts with kindness (Chesed) with his Maker, WHICH MEANS THAT all the commandments he performs are done in order to redeem THROUGH THEIR MERIT the Shechinah FROM EXILE, AND NOT FOR ANY OTHER PURPOSE. By that he acts with piety with the Holy One, blessed be He, AND IS CALLED PIOUS.

106. Whoever is charitable with the Shechinah, TO BRING HER OUT OF EXILE, is charitable with the Holy One, blessed be He, since when Yisrael sinned and the Holy One, blessed be He, wanted to afflict them, Ima, NAMELY THE SHECHINAH, brooded over them AND STOPPED THE HOLY ONE, BLESSED BE HE FROM AFFLICTING THEM. This was so until they fell into bad ways. The Holy One, blessed be He then exiled the King's children, NAMELY YISRAEL, together with the Queen, WHO IS THE SHECHINAH, and swore He shall not return to His place until the Queen return to Hers. THUS a man who is charitable with the Shechinah and repents, and in all Her Torah and precepts MEDITATES only on redeeming the Shechinah FROM EXILE, acts with piety towards his Maker and it is as if he redeemed Him and His Shechinah and His children FROM EXILE.

104. וְאֵלֵיהֶוּ וּרְבִנָּן וּמְאִרֵי מִתִּיבְתָאן, הֵכָא רְמִיז, אִין חְבוּשׁ מִתִּיר עֲצֻמוּ מִבֵּית הָאֲסוּרִין. דְּאִיהוּ קְשׁוּר בְּקְשׁוּרָא דְתַמְלִין דִּיד, וְאֲסוּר בְּתַמְלִין דְּרִישָׁא, כַּד לִית לֵיהּ בֶּן לְמַפְרָק לֵיהּ, מְסֻטְרָא דְבֶן י"ה. בְּהֵוּא קְשִׁירוּ אִיהוּ אַח חְבוּשׁ וְאֲסוּר, דְּלִית לֵיהּ רְשׁוּ לְמַפְרָק ית גְּרַמְיָה, דְּאִיהוּ ד' עֲצֻמוּ דְאָח, עֲצָם מִעֲצָמֵי קְרָא לֵהּ לְגַבְיָהּ, בְּקַרְקַמְתָּא דְתַמְלִין דְּרִישָׁא. וּבְשׂוּר מִבְּשָׂרֵי קְרָא לֵהּ מְסֻטְרָא דְלֵבָא.

107. Said Elijah and all the heads of the Yeshivot, Faithful Shepherd, you are that man, you are the son of the King and the Queen, whose worship to the Holy One, blessed be He is not EVEN that of one who is pious with his Maker, but that of a son who is obliged to gird himself and his strength to redeem his father and mother and risk his life for their sakes. For whoever is not the son of the King yet acts with kindness by the King and Queen, surely is regarded thus that he acts with kindness with his Maker. BUT YOU WHO ARE THE SON OF THE KING, FOR YOU IT IS A DUTY RATHER THAN KINDNESS.

108. The Faithful Shepherd rose and prostrated himself before the Holy One, blessed be He. He wept and said, may it please Him to regard me as a son, that my doings towards the Holy One, blessed be He and His Shechinah will be considered by them as those of a son who strives to do them for his father and mother, whom he loves more than he loves himself, his own Nefesh, Ruach and Neshamah. Whatever he has he regards as naught so as to do with them his father's and mother's wishes and redeem them through them. And though I know everything is His domain AND I HAVE NOTHING TO OFFER HIM, yet the Merciful desires the heart OF MAN TO BE WILLING TO DO ANYTHING. At that time the Holy One, blessed be He came to him, kissed him, and He said, Faithful Shepherd, you are indeed My son and the son of the Shechinah. Sages and angels, kiss the son. They all rose and kissed him and accepted him as a Rabbi and king over them.

23. Cutting off the seed of Amalek

The Faithful Shepherd talks about Amalek and how the names of Bilaam and Balak are marked in it. He tells us of the four facets of Yisrael - Jacob and Rachel, and Israel and Leah - and says that these correspond to the four faces of the eagle. Similarly there are four facets to Amalek - divination, enchantment, iniquity and perverseness. Amalek above is Samael, whose facets tempt people to sin against God.

109. "Therefore it shall be, when Hashem your Elohim has give you rest...you shall blot out the remembrance of Amalek..." (Devarim 25:19). For the Holy One, blessed be He has sworn not to return to His throne before He takes revenge from it. The Faithful Shepherd opened and said, surely this is why they were traveling in the wilderness and by the sea, and did not enter the land of Yisrael until He would take revenge on Amalek.

110. HE ASKS, who is THE ROOT OF Amalek above IN THE SPIRITUAL SENSE? We see that the souls of Bilaam and Balak came from there, FROM CELESTIAL AMALEK, and this is why they had more enmity towards Yisrael than any nation or tongue. This is why AMALEK is marked in their names, NAMELY Am of Bilaam and Lek of Balak. The Amalekites are male and female and of them it says, "He has not beheld iniquity in Jacob nor has he seen perverseness in Israel" (Bemidbar 23:21), WHERE INIQUITY IS THE MALE SIDE OF AMALEK AND PERVERSENESS IS ITS FEMALE.

107. אָמַר אֱלִיָּהוּ וְכָל רָאשֵׁי מִתְיבְתָאן, רַעֲיָא מְהִימְנָא, אַנְתָּ הוּא הָאִי בִּ"נ, אַנְתָּ הוּא בְּרַ מִן מַלְכָּא וּמִטְרוּנִיתָא, דְּאַשְׁתְּדַלּוּתָא דִּילָךְ לְגַבֵּי קוּדְשָׁא בְּרִיךְ הוּא, לָאוּ בְּמֵאן דְּעֵבִיד חֶסֶד עִם קוּנּוּ, אֶלָּא כְּבָרָא דְּמַחְוִיב לְשׁוּוּיָה גְרַמִּיָּה וְתוּקְפִיָּה לְמַפְרַק אָבָא וְאִמָּא, וּמִסַּר גְּרַמִּיָּה לְמִיתָה עֲלֵיהּוּ. דְּמֵאן דְּלָאוּ אִיהוּ בְּרָא דְּמַלְכָּא, וְעַבַּד טִיבוּ עִם מַלְכָּא וְעִם מִטְרוּנִיתָא, וְדָאִי הָאִי אֶתְחַשִּׁיב דְּעֵבִיד חֶסֶד עִם קוּנּוּ.

110. עַמְלֵק מֵאן הוּא לְעִילָא, דְּהָא חֲזִינָן דְּבַלְעָם וּבְלַק מִתְמָן הוּוּ נְשַׁמְתִּין דְּלֵהוּן, וּבְגִין דָּא הוּוּ שְׁנֵאִין לְיִשְׂרָאֵל יִתִּיר מְכָל אוֹמָה וְלִישָׁן, וּבְג"ד עַמְלֵק רָשִׁים בְּשַׁמְהוּן, ע"ם מִן בַּלְעָם, ל"ק מִן בְּלַק, וְדָכַר וְנוֹקְבָא אֵינוּן עַמְלֵקִים. וְעֲלִיָּהוּ אֶתְמַר, לָא הִבִּיט אֶוּן בִּיעַקֵּב וְלָא רָאָה עַמְלֵק בְּיִשְׂרָאֵל.

111. Yisrael has four facets, Jacob, Israel, Rachel and Leah, IN WHICH Israel and Leah ARE MALE AND FEMALE and Jacob with Rachel ARE MALE AND FEMALE. THESE FOUR correspond to, "they four also had the face of an eagle" (Yechezkel 1:10), THAT IS, WHICH CORRESPOND TO THE FOUR FACES OF THE EAGLE, SINCE JACOB AND ISRAEL ARE THE ASPECT OF AN EAGLE THAT IS THE CENTRAL COLUMN. Similarly there are four facets to Amalek, which are divination, enchantment, iniquity and perverseness. The letters of iniquity (Heb. amal) are present in Amalek, and OF Haman, who descended from Amalek IT SAYS, "His mischief (Heb. amal) shall return upon his own head" (Tehilim 7:17). And all the chiefs of Esau came from Amalek. Amalek above is Samael WHO HAS FOUR OF THEIR FACETS, WHICH ARE iniquity, enchantment, perverseness and deceit. They tempt man to sin against the Holy One, blessed be He. Divination (Heb. kesem) is Kuf of Amalek, poison (Heb. sam) from Samael, enchantment is El of Samael (THE END IS MISSING)

24. One must not start anything on Monday or Wednesday

We learn of the astrological reasons for not starting anything on a Monday or a Wednesday. Both the children of Yisrael and the children of Ishmael calculate according to the moon, but Yisrael are attached to its good part and the children of Ishmael to its evil part. We are told that the dominion of both Saturn and Shabbat is on the seventh day, the day of rest. People should not start things on Mondays or Wednesdays because Gehenom was created on the second day and the eclipse of the luminaries on the fourth day.

112. Regarding it Abraham was told, "Get you out of your country, and from your kindred, and from your father's house" (Beresheet 12:1), namely, from your nativity, WHICH IS THE ASTROLOGY OF STARS AND CONSTELLATIONS, from those houses of the moon, of Saturn, or Mars - since it says of Mars, Saturn and the moon that one must not start things on Monday and Wednesday, because Mars has in itself the redness of the sun, WHICH INDICATES Gehenom, Esau's mother, who was born on the second day OF THE WORKS OF CREATION, WHICH IS WHY WE DO NOT START ON MONDAY. The moon is both good and evil, good when it shines FULLY and evil when it is in ITS DAYS OF wane.

112. עָלֶיהָ אֶתְמַר לְאַבְרָהָם, לֶךְ לְךָ מֵאַרְצְךָ וּמִמּוֹלַדְתְּךָ וּמִבֵּית אָבִיךָ, בֵּית מוֹלַד דִּילְךָ, מֵאֵלִין בְּתֵי סִיְהָרָא, אוּ בְתֵי שַׁבְּתַאי, אוּ בְתֵי מַאֲדִים. דְּבְתֵי מַאֲדִים וּבְתֵי שַׁבְּתַאי וּלְבָנָה, עָלֶיהּוּ אֶתְמַר, אִין מִתְחִילִין בְּבִ"ד. דְּמַאֲדִים סוּמְקוּ דְחַמָּה, גִּיהֶנֶם, אִימָא דְעֵשׂוּ, דְּאֶתְיִלִידַת בְּיוֹמָא תְּנִינָא. וְסִיְהָרָא, אִיהּוּ טוֹב וְרַע, טוֹב בְּמִילּוּאָה. וְרַע בְּחֶסְרוֹנָה.

113. Since THE MOON comprehends good and evil, Yisrael calculate according to it and the children of Ishmael calculate according to it. YISRAEL ARE ATTACHED TO ITS GOOD PART AND THE CHILDREN OF ISHMAEL TO ITS EVIL PART. When it is eclipsed during its fullness, WHICH IS ITS GOOD PART, it is a bad sign for Yisrael, and when it is eclipsed during its waning it is a bad sign for the Ishmaelites. Of it, IT IS WRITTEN, "for the wisdom of their wise men shall perish" (Yeshayah 29:14), namely the wisdom of the Ishmaelites, "and the understanding of their prudent men shall be hid" (Ibid.), because they do not know about the creation OF THE STARS but of their customs, according to changes in the world and their calculation. The moon was created on the fourth day OF THE WORKS OF CREATION and when it is waning, when there is poverty, Lilit was created, who is Saturn, which is hunger and thirst and the eclipse of the luminaries. It says of her, "Let there be lights (Heb. me'orot)" (Beresheet 1:14) spelled without Vav, WHICH MEANS A CURSE, AS WRITTEN, "The curse (Heb. me'erat) of Hashem is in the house of the wicked" (Mishlei 3:33), AND ALSO, "but the sinner shall be caught by her" (Kohelet 7:26) and the righteous, "shall escape from her" (Ibid.). THIS IS WHY WE DO NOT START THINGS ON WEDNESDAY.

113. וּבְגִין דְּאִיהּ כְּלִילָא מְטוֹב וְרַע, מוֹנִין בָּהּ יִשְׂרָאֵל וּמוֹנִין בָּהּ בְּנֵי יִשְׁמַעֲאֵל. וְכַד לְקַת בְּמִלּוּאָה, סִימְנָא לֹא טַב לְיִשְׂרָאֵל. וְכַד לְקַת בְּחֶסְרוֹנָה, סִימְנָא רַע לְיִשְׁמַעֲאֵלִים. וּבְהַאי וְאַבְרָהָה חֲכַמַת חֲכַמְיוּ, חֲכַמָּה דִישְׁמַעֲאֵלִים, וּבִינַת נְבוֹנִים תְּסַתְתֵּר, דְּאִינּוֹן לֹא יִדְעִין בְּבְרִיאתָן, אֶלָּא בְּשִׁמוּשָׁא דִילְהוֹן, כְּפִי שְׁנוּי עֲלֵמָא בְּהִלִּיכְתָן וְשִׁימוּשָׁן. וְסִיְהָרָא אֶתְבְּרִיאת בְּיוֹמָא רְבִיעָאָה, וּבְחֶסְרוֹנָה דִילָהּ עֲנִיּוֹת, אֶתְבְּרִיאת לִילִית, שַׁבְּתַאי, דְּאִיהּוּ רַעַב וְצַמְאוֹן וְלְקוּתָא דְנְהוּרִין. עָלָהּ אֶתְמַר, יְהִי מֵאֶרֶת חֶסֶר. מֵאֶרֶת יוֹי בְּבֵית רִשָּׁע. וְחוּטָא וְלְכַד בָּהּ, בְּבֵית הַסֵּהֵר דִילָהּ, וְצַדִּיק יִמְלֹט מִמָּנָה.

114. There is another star, which is a small dot over the moon, which is a luminary. This is the dot Cholam CALLED a King's daughter, Queen Shabbat. And the dominion of both SATURN (HEB. SHABTAI) AND SHABBAT is on the seventh day, of which it says, "that your manservant and your maidservant may rest" (Devarim 5:14). For the order of their creation is not like the order of calculation. This is why the sun and Mars, which are red and OF THE ASPECT OF Gehenom, were created on the second day OF THE WORKS OF CREATION, and the moon and Saturn were created on the fourth day OF THE WORKS OF CREATION, SINCE SATURN INDICATES hunger and darkness. This is why we do not start on Monday or Wednesday, since Gehenom was created on the second day and the eclipse of the luminaries on the fourth day.

114. וְאֵיִת כִּכְבָּא אַחְרָא, נְקוּדָה זְעִירָא, נְקוּדָה עַל סִיְהָרָא דְאִיהוּ מְאֵרֵת, וְדָא חוֹלָם, בֵּת מַלְךְ, שַׁבַּת מְלַכְתָּא. דְּשִׁלְטְנוּתָא דִּתְרוּוּיָהּ בְּיוֹם שְׁבִיעִי, דְּאִתְמַר בֵּיהּ, לְמַעַן יִנוּחַ עַבְדְּךָ וְאִמְתְּךָ. דְּסִדְרָא בְּרִיאַתָּן לֹא בְּסִדְרָא שְׁמוּשָׁן. וּבְגִיד חֲמָ"ה וּמִ"א אֲדִים סוּמְקֵי דְגִיְהֵנָם, אֲתַבְּרִיאוּ בְּיוֹמָא תְּנִינָא. לְבִנְה שַׁבְּתַאי, אֲתַבְּרִיאוּ בְּיוֹמָא רְבִיעָא, כְּפִנְא וְחֲשׂוּכָא. וּבְגִיד אֵין מִתְחִילִין בְּבִ"ד, בְּגִין דְּגִיְהֵנָם אֲתַבְּרִי בְּיוֹמָא תְּנִינָא, וְלְקוּתָא דְּנְהוּרִין בְּיוֹמָא רְבִיעָא.

25. "and a handmaid that is heir to her mistress"

We are told that the sages of Mishnah disagree regarding the giving of the Torah, one thinking that it was given on the third day and another thinking that it was given on the seventh day. The stars and the moon and the sun and the planets are brought in to clarify the argument. We learn that there are twelve constellations from the good side and twelve from the evil side. Lastly we are told that the wicked are the forefathers of impurity and that an evil man is considered to be dead.

115. Of the star it says, "there shall come a star out of Jacob" (Bemidbar 24:17), WHICH IS THE CENTRAL COLUMN. Its grade is in the third day OF THE WORKS OF CREATION and it says of it, "And it came to pass on the third day in the morning" (Shemot 19:16), in which the Holy One, blessed be He, descended to give the Torah to Yisrael, THE TORAH BEING an only daughter, NAMELY MALCHUT, to be with it, WITH THE THIRD DAY, WHICH IS TIFERET, as Queen Shabbat. For the third day includes the three branches of the patriarchs, NAMELY THE THREE BRANCHES OF SHIN, WHICH ARE CHESED, GVURAH AND TIFERET, and the only daughter, WHICH IS MALCHUT, whose dominion is on Shabbat eve, becomes Shabbat in it, IN THE THIRD DAY, BECAUSE SHABBAT IS COMPOSED OF THE LETTER SHIN PLUS BAT (ENG. 'DAUGHTER'), IN WHICH SHIN ALLUDES TO THE THREE SFIROT CHESED, GVURAH AND TIFERET, WHICH ARE ATTACHED TO THE DAUGHTER, MALCHUT.

115. כִּכְ"ב, עֲלִיָּה אֲתַמַּר, דְּרַךְ כִּכְבּ מִיַּעֲקֹב. דְּרַגְיָה בְּיוֹמָא תְּלִיתָא. וּבִיהּ וְיְהִי בְּיוֹם הַשְּׁלִישִׁי בְּהִיּוֹת הַבֶּקֶר, דְּבִיהּ נְחִית קוּדְשָׁא בְּרִיךְ הוּא לְמִיְהַב אוּרִייתָא לְיִשְׂרָאֵל, בֵּת יַחֲדָה, לְמַדְהוּ עֲמִיָּה שַׁבַּת מְלַכְתָּא. דְּאִיהוּ יוֹם שְׁלִישִׁי, כְּלִיל תְּלַת עֲנַמֵּי אַבְהֵן, ש', בֵּת יַחֲדָה, דְּשִׁלְטְנוּתָא דִּילָהּ כְּלִיל שַׁבַּת, בִּיהּ אֲתַעֲבִידַת שַׁבַּת.

116. This is why the Mishnah sages disagree regarding the giving of the Torah, which is an only daughter. One said the Torah was given on the third day and another said it was given on the seventh day, since she is an only daughter attached to the Central Pillar, which is the third of the patriarchs, NAMELY TIFERET, ACCORDING TO WHICH THE TORAH WAS GIVEN ON THE THIRD DAY. AND MALCHUT is attached to the Righteous, WHO IS YESOD, NAMELY THE SIXTH DAY, and the only daughter, WHO IS MALCHUT, is seventh to him. And when she is a crown over his head, she is considered seventh with regard to him, as he, YESOD is sixth, and his planet is Jupiter (Heb. tzedek). And the only daughter, Queen Shabbat, is called righteousness (Heb. tzedek) and hence the Torah, MALCHUT, is attached between the third DAY and the seventh DAY. SOME THEREFORE SAY THAT THE TORAH WAS GIVEN ON THE THIRD DAY AND SOME SAY THE TORAH WAS GIVEN ON THE SEVENTH.

116. וּבְגִיד חוֹלְקִין מְאֵרֵי מִתְנִיתִין עַל מִתְּן תּוֹרָה, בֵּת יַחֲדָה. דָּא אָמַר, בְּשְׁלִישִׁי נִתְּנָה תּוֹרָה. וְדָא אָמַר, בְּשְׁבִיעִי נִתְּנָה תּוֹרָה. וְאִיהִי בֵּת יַחֲדָה, דְּאֲחִירַת בְּעַמּוּדָא דְּאִמְצִיתָא, תְּלִיתָא לְאַבְהֵן. וּבְצִדִּיק, שְׁבִיעִית לִיהּ בֵּת יַחֲדָה. וְכֹד אִיהִי עֶטְרָה עַל רִישֵׁיהּ, אֲתַקְרִי בִּיהּ שְׁבִיעִי, דְּהוּא שְׁשִׁי הוּא, דְּכִכְבּ דִּילִיָּה צְדִיק, וּבֵת יַחֲדָה שַׁבַּת מְלַכְתָּא אֲתַקְרִי צְדִיק. וּבְגִין דָּא, תּוֹרָה אֲחִירָא בֵּין יוֹם ג' ו'.

117. And she, MALCHUT, is Caf Bet of the star (Heb. kochav, Caf Bet Caf Vav). Caf Vav OF THE STAR IS THE NUMERICAL VALUE OF YUD HEI VAV HEI, ACCORDING TO THE SECRET OF, "For Hashem Elohim is a sun and shield" (Tehilim 84:12). The Shechinah is Malchut of holiness, OF WHOM IT SAYS, "By you (Heb. becha, Bet Caf) shall Yisrael bless" (Beresheet 48:20), BEING CAF BET OF THE STAR. And She is the secret of the Caf Bet (22) letters of the Torah. A star includes three grades. Caf OF KOCHAV is Keter, Bet is Binah, CAF VAV OF KOCHAV, WHICH IS Yud Hei Vav Hei, includes both, and is Chochmah. The star includes everything, INCLUDING ALSO the grade of the Central Pillar, WHICH IS CAF VAV OF MERCURY THAT HAS THE SAME NUMERICAL VALUE AS YUD HEI VAV HEI. IT INCORPORATES the Shechinah, WHO IS CAF BET OF KOCHAV, AS SAID BEFORE.

118. She, THE SHECHINAH, is CALLED the moon (Heb. levanah), namely clarification (Heb. libun) of the Halachah, which is Mercy from the aspect of Chesed. She is also called the sun, clear as the sun, from the aspect of Gvurah, the face of Moses being as the face of the sun. A waning moon is a dark moon, her handmaid OF MALCHUT that is Gehenom and an evil sun. ALSO her handmaid is Saturn, which is the eclipse of the luminaries and the desecration of Shabbat. She is a handmaid that turns her back on her mistress, MALCHUT, every day and overcomes her because of the iniquities of Yisrael her children. This is the meaning of, "and a handmaid that is heir to her mistress" (Mishlei 30:23). The handmaid rules mainly on the second day, in which Gehenom WAS CREATED, and on the fourth day where the luminaries became defective. From them she came to rule every day.

119. The King's daughter, WHO IS MALCHUT, is bound by ropes. THAT IS, JUST AS THE ADHESIONS OF THE LUNG STOP THE AIR FROM THE LUNG, SO DO THE INIQUITIES OF YISRAEL STOP THE LIGHT FROM MALCHUT in prison in her exile. She is a nest to Samael among the stars, THAT IS, SAMAEL IS ATTACHED TO HER, and the Holy One, blessed be He, swears, "Though you do soar aloft like the eagle, and though you do set your nest among the stars, from there I will bring you, says Hashem" (Ovadyah 1:4). And the Shechinah is CALLED Venus (Heb. nogah), AS WRITTEN, "the fire was bright (Heb. nogah)" (Yechezkel 1:13). Hence the synagogue is called 'a bright fire' IN A FOREIGN TONGUE.

120. The fire of Mars (Heb. ma'adim) IS RED SINCE MA'ADIM derives from redness (Heb. odem), ACCORDING TO THE SECRET OF, "the first row shall be a ruby (Heb. odem), a chrysolite, and a beryl" (Shemot 28:17). Venus is a white fire, and both are the face of the sun, the face of the moon. Netzach and Hod receive the whiteness from Chesed and the redness from Gvurah; Aaron and David came from there; one received Mercy and the other received Judgment. David came from the left side, AS WRITTEN, "Now he was ruddy" (I Shmuel 16:12). Aaron is a man of Chesed, and the two true prophets, NAMELY NETZACH AND HOD, are from them. The face of Moses used to shine with prophecy from Binah, which is the supernal sun, whence his prophecy came.

117. ואִיהוּ כ"ב מִן כּוֹכָב, כ"ו כִּי שֶׁמֶשׁ וּמַגֵּן יְרוּד צְבָאוֹת, שְׁכִינְתָא מְלָכוֹת הַקֹּדֶשׁ, בְּךָ יִבְרַךְ יִשְׂרָאֵל, כ"ב אֶתְוֹן דְּאוּרִייתָא. כּוֹכֵב, כְּלִילָא מִתְּלַת דְּרָגִין, כ', כְּתָר. ב' בִּינָה. יְרוּד כְּלִיל תְּרוּוּיָהּ, חֲכֵמָה. וְכֹלָא כְּלִיל כּוֹכָב, דְּרָגָא דְּעֵמוּדָא דְּאִמְצְעִיתָא, וְשְׁכִינְתָא.

120. אֵשׁ מְאִדִּים לִישְׁנָא דְּאוּדִם, טוֹר אוּדִם פְּטְרָה. נֹגָה אֲשָׁא חִיּוּרָא. וְתְרוּוּיָהּ פְּנֵי חֲמָה וּפְנֵי סִיְהָרָא, נִצַּח וְהוּד, אֵינּוֹן דְּנִטְלוּ חוּוְרוּ מִחֶסֶד, וְסוּמְקוּ מִגְּבוּרָה. אֶהְרֵן וְדוּד מִתְּמֵן הוּו, חַד נְטִיל רַחֲמֵי, וְחַד נְטִיל דִּינָא, דְּוֹד מְסֵטְרָא דְּשַׁמְאֵלָא, וְהוּא אֲדַמוּנִי. אֶהְרֵן אִישׁ חֶסֶד, וְתְרוּוּיָהּ נְבִיאֵי קְשׁוּט מִתְּמֵן. פְּנֵי מֹשֶׁה הוּו נְהִירִין בְּנְבוּאָה דְּבִינָה, אִיהוּ חֲמָה עֲלָהּ מִתְּמֵן נְבוּאָה דִּילֵיהּ.

121. In them, Esau the wicked, the servant IS CALLED Edom, and his female IS CALLED Mars, which is bloodshed in Yisrael. She caused it to be fulfilled in the Queen, "he has made me desolate and faint (Heb. davah) all the day" (Eichah 1:13). Hod turned into Davah, since they correspond to Netzach and Hod. "I AM NOT ABLE TO RISE UP" (IBID. 14) CORRESPONDS TO NETZACH AND "FAINT ALL THE DAY" CORRESPONDS TO HOD. THEY ARE Jachin and Boaz, NETZACH BEING JACHIN AND BOAZ HOD, on both of which the house is supported, since a synagogue, WHICH CORRESPONDS TO MALCHUT, is named after them 'a bright fire', as we said.

122. And an evil handmaid is THE ASPECT OF burial, and in it her mistress is imprisoned. THE EVIL HANDMAID is Saturn, which is cold and dry, buried in the dust, and is the death of poverty in the Torah, OF WHICH IT WAS SAID THAT A POOR MAN IS CONSIDERED AS DEAD. She is the grave of the poor man, who is covered within it with seven kinds of stories. For she includes seven planets, like HER MISTRESS Queen Shabbat includes seven SFIROT. And the seven planets from the aspect of the mistress are the seven years of plenty and those of the aspect of the handmaid are the seven years of famine, of which the prophet said, "not a famine for bread, nor a thirst for water, but for hearing the words of Hashem" (Amos 8:11).

123. Her mistress is a garden. The handmaid is filthy refuse from the aspect of the mixed multitude. The refuse is mixed in the garden in order to grow seeds of the aspect of the Tree of Knowledge of Good and Evil. From the aspect of idolatry THE HANDMAID is called Saturn, Lilit, filthy refuse, because she is excrement mixed with different types of filth and vermin, into which dead dogs are thrown. The children of Esau and Ishmael are buried in it. She is a grave for idolatry, where the uncircumcised are buried, who are dead dogs, vermin, a bad smell and filthy, and who became foul through her, who is the adhesion attached to the mixed multitude that are mixed in Yisrael, and who is attached to the bones and flesh that are the children of Esau and Ishmael, who are a dead bone and unclean meat, meat that is torn by beasts in the field, of which it says, "you shall cast it to the dogs" (Shemot 22:30).

124. Just as there are twelve constellations from the good side so there are twelve constellations from the Evil Side. This is what is meant by, "twelve princes according to their nations" (Beresheet 25:16), since, "the Elohim has made the one as well as the other" (Kohelet 7:14). And the wicked are the forefathers of impurity, being made impure by the dead and by vermin, who causes one to be unclean by their space, their inside, their back, and even their innermost parts, by which the priest becomes unclean. This is why, "neither shall he go in to any dead body" (Vayikra 21:11), since the evil man is considered dead. And the holy luminary EVEN "not defile himself for his father, or for his mother" (Ibid.).

121. בהון עשו חיבא עבד אדום, ונוקבא דיליה מאדים, איהי שפיכות דמים דישראל, וגרמה דמטרוניתא אתקיים בה, נתננו יי' בידי לא אוכל קום, נתננו שוממה כל היום דזה. הוד דזה אתהדר. דנצח והוד לקבליהו. יכין ובוועז. שתיהן אשר הבית נשען עליהם. דבי כנשתא אתקריאת על שמייהו אש נוגה כדקא אמינא.

Elijah is implored to come down quickly because God and His Shechinah are in exile and the Faithful Shepherd is buried among the wicked awaiting release. He begs Elijah to come with the celestial angels, and he speaks about the vessels of the Shechinah that are holy angels above and Yisrael below. If there are people of good qualities Malchut spreads over them with her ten Sfirot and the Cause of Causes descends upon her. Next Rabbi Shimon beseeches God to take note of the Faithful Shepherd who is worth 600,000 people of Yisrael and who embodies all ten attributes; he reminds God that He promised He would not destroy the world for the sake of ten righteous people. Finally Rabbi Shimon asks Elijah to swear an oath to reveal Moses to all the leaders of the Mishnah sages so they will recognize him and he will no longer have to bear the burden of the sins of Yisrael. He says that God will thank Elijah for doing this.

125. I have found remedy here to that of which it says, "For they made his grave among the wicked" (Yeshayah 53:9). Since this is the burial site for Aba and Ima, WHO ARE ZEIR ANPIN AND MALCHUT, who are in exile with Yisrael, the verse was fulfilled in me, "not defile himself" (Vayikra 21:11). Elijah, do not tarry in coming down, for though you are a priest, PINCHAS BEING ELIJAH, such may be defiled for his father, or for his mother. For the Holy One, blessed be He, and His Shechinah are in exile, THEY BEING ABA AND IMA TO WHOM EXILE is a grave, and I am buried among them. An oath upon you, by the name of the living, enduring Hashem, do not tarry in coming down. Holy, winged angels, an oath upon you, take this oath, WHICH IS THE SECRET OF MALCHUT THAT IS CALLED AN OATH, and raise her, the Queen, upon your wings with her glory to the Holy One, blessed be He.

126. Celestial angels, sent by the Holy One, blessed be He, from the right side, His angels messengers from the left, and angels of Aba and Ima, WHO ARE ZEIR ANPIN AND MALCHUT, WHICH ARE THE CENTRAL COLUMN, shall hide her, MALCHUT, above and below, and cover her with the letter Vav, WHICH IS ZEIR ANPIN, with his six wings, of whom it says, "Seraphs stood above him. Each one had six wings; WITH TWO HE COVERED HIS FACE" (Yeshayah 6:2) of his oath, which is Hei, the fourth LETTER OF YUD HEI VAV HEI, NAMELY MALCHUT, "and with two he covered his feet" (Ibid.) OF MALCHUT, and with two they cause her to fly TO ZEIR ANPIN.

127. And you, Elijah, who have risen to the Cause of causes, who loaded you with every goodness, go down to her, TO MALCHUT, and be a cherub under her, to bring her down filled with goodness. And the angels of Aba and Ima, who are Yud Hei, shall cover her during your descent and make her fly with six wings OF THE SIX LETTERS Aleph Bet Gimel, Yud Tav Tzadik and the 36 LETTERS IN THE SIX NAMES derived FROM ALEPH BET GIMEL, YUD TAV TZADIK, WHICH ARE KUF RESH AYIN, SIN TET NUN; NUN GIMEL DALET, YUD CAF SHIN; BET TET RESH, TZADIK TAV GIMEL; CHET KUF BET, TET NUN AYIN; YUD GIMEL LAMED, PE ZAYIN KUF; SHIN KUF VAV, TZADIK YUD TAV, THE numerical value OF WHICH is 36. Surely, "Seraphs stood above him (Heb. lo, Lamed Vav)," NAMELY WITH THE ABOVE-MENTIONED LAMED VAV (36) LETTERS. And his Hei descends, NAMELY MALCHUT, hidden and covered by them. And angels coming from the Righteous, the life of the worlds, support her over you like the living creatures that support the throne.

128. For though Hei of Atzilut, of the Name Yud Hei Vav Hei, WHICH IS MALCHUT, supports everything, you must not fly up and down, except with her, WITH MALCHUT. Just like the body parts cannot move except with the soul, so do her parts, NAMELY HER SFIROT, expand over you to support you with them. For such is Hei, like the sea. If it has vessels TO FILL, they are filled from it and it spreads within them like streams that spread from the sea onto the earth. If it does not have vessels, it is Hei only, alone without the expansion of streams.

129. Such are the vessels of the Shechinah, which above are holy angels and below are Yisrael. If there are people of good qualities among them, kind, pious and mighty, learned in the Torah, the Prophets and the Writings, righteous, people of Malchut, of whom it says, "and such as had ability in them to stand in the king's palace" (Daniel 1:4), namely during the Amidah (lit. 'standing') prayer in the King's palace, which is Adonai, whose King is Yud Hei Vav Hei. If they are wise and intelligent, leaders of Yisrael, not leaders of the mixed multitude, of whom it says, "Her adversaries have become the chief" (Eichah 1:5), then she, MALCHUT, spreads over them with her ten Sfirot. At that time the Cause of causes descends upon her with Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph, to establish the Shechinah on them.

130. When, "he looked this way and that, and when he saw that there was no man" (Shemot 2:12), she says, "for why should I be like one who cloaks himself" (Shir Hashirim 1:7), namely wrapping herself and not expanding over them. And the Holy One, blessed be He, cries loud for her, saying, "How does the city sit solitary" (Eichah 1:1).

131. As he was speaking, the holy luminary, RABBI SHIMON, rose and said, Master of the universe, here is the Faithful Shepherd, of whom it says, "Now the man Moses was very meek" (Bemidbar 12:3). Until this moment, "he saw that there was no man." But here the man Moses is equivalent to 600,000 of Yisrael, and in him, "From the place of His habitation He looks" (Tehilim 33:14), THE INITIALS OF WHICH FORM THE WORD MOSES, of whom it says in relation to the last exile, "and Hashem has caused the iniquity of us all to fall upon him" (Yeshayah 53:6). He comprehends the ten attributes for which You said, "I will not destroy it for the sake of the ten" (Bereshheet 18:32). Go down over him to oversee the world and fulfill Your words that You are true and that all Your words are true.

132. For he acted kindly by the Shechinah and tied her handmaid to Gvurah, so the handmaid shall be bound under her mistress with the knot of Tefilin. And he endeavored for Her sake with the Torah of truth, AS WRITTEN, "The Torah of truth was in his mouth" (Malachi 2:6). And he strove in it in the Prophets and the Writings: in the Prophets in different kinds of comforts and in the Writings, WHICH ARE MALCHUT, in ten kinds of Psalms, WHICH ARE HER TEN SFIROT; in the Righteous WHICH IS YESOD in the eighteen blessings in the AMIDAH prayer.

128. דאע"ג דה"א דאצילות, דשמא הירון"ד, איהו סמיכת לכלהו, לית לכון לפרחא לעילא, ולנחתא לתתא, בר מינה. כאברין דגופא, דלית להון תנועה בר מנשמתא, דאברין דאית לה, אתפשטו עליוכו, לסמכא לכון בהון. דהכי איהו ה', כימא, אי אית לה מאנין, מתמליין מנה, ומתפשטין בהון, כנחלים דמתפשטן מן ימא על ארעא. ואי לאו, איהו ה' בגרמא יחידאה, בלא אתפשטותא דנחלין.

133. But the sages of the Mishnah do not know the Faithful Shepherd. Elijah, an oath upon you in the Name Yud Hei Vav Hei and in the explicit Name, reveal him to all the leaders of the Mishnah sages so they will recognize him and he shall no more be violated, "But he was wounded (or: 'violated') because of our transgressions" (Yeshayah 53:5). You do not have to receive permission FROM THE HOLY ONE, BLESSED BE HE, because I am a messenger from the Master of the universe and I know that if you do that, the Holy One, blessed be He, will thank you for it and your descendants shall be exalted for it above and below. Do not tarry in doing it, neither a week nor a month, nor a year, but do it immediately.

133. ומארי מתניתין, לא אשתמודען ליה לרענא מהימנא. אליהו, באומאה עלך בשמא דידו"ד, ובשמיה מפרש, גלוי ליה לכל רישי מארי מתניתין, דישתמודעון ליה, ולא יתחלל יתיר, דאתמר ביה, והוא מחולל מפשעינו, לית לך צורך למיטל רשו דהא אנא שליחא דמארי עלמא, וידענא דאי אנת עביד דא, דיודי לך קודשא בריך הוא עליה, ויסתלקון בנך בגיניה, עילא ותתא. ולא תתעבב למעבד, לא שבוע, ולא חדש, ולא שנה, אלא מיד.

27. Pesach, Chametz and Matzah

We read of the importance of keeping the precepts about food and drink, including most importantly the restriction on leaven during Pesach. The conclusion is that any deed below causes damage above.

134. Faithful Shepherd, when the night of watchfulness, WHICH IS THE SHECHINAH, has power over the vessels of Pesach, everybody should be guarded, kept from Chametz and any kind of leaven. Every food and drink SHOULD BE watched, and whoever keeps them from Chametz and leaven, his body is kept from the Evil Inclination below, and his soul IS KEPT from above, and it says of it, "nor shall evil dwell with you" (Tehilim 5:5), for his body becomes holy and his soul the holy of holies. And it says of the Evil Inclination, "No stranger shall eat of the holy thing" (Vayikra 22:10), "and the stranger that comes near shall be put to death" (Bemidbar 1:51).

134. רענא מהימנא, מאני דפסחא, בזמנא דשליט עליהו ליל שמורים, בלהו צריכים למהוי שמורים, ונטורים מחמץ ושאר בכל שהוא, וכל מאכלים ומשקים בלהו נטורין. ומאן דנטיר לון מחמץ ושאר, גופיה, איהו נטיר מיצה"ר לתתא, ונשמתא לעילא. ואתמר ביה, לא יגורך רע. בגין דהא אתעביד גופיה קדש, ונשמתיה קדש קדשים. ואתמר ביצר הרע וכל זר לא יאכל קדש, והזר הקרב יומת.

135. Pesach is the right arm, which is Abraham, NAMELY CHESED, refined silver. Whoever mixes lead in it is false to it. Similarly, for anyone who mixes Chametz or leaven at all in the Matzah it is as if he is false to the King's coin, WHICH IS MALCHUT CALLED MATZAH. So is whoever mingles any admixture into his drop of semen BY FORBIDDEN INTERCOURSE OR BY THINKING OF SOMEONE ELSE, as if he is false to the King's seal, WHICH IS YESOD. For they are interdependent - THE DEED BELOW CAUSES DAMAGE ABOVE.

135. פסח, דרועא ימינא דאברהם, בסף מזוקק, מאן דערב ביה עופרת, משקר ליה. הכי מאן דערב חמץ או שאר כל שהוא במצה, כאלו משקר במוניטה דמלכא. והכי מאן דערב בטפה דיליה שום תערובת, כאילו משקר חותמא דמלכא, דא בדא תלויא.

28. Head and hand Tefilin

We are told about Rosh Hashanah and the meaning of the knot of the hand Tefilin. Rabbi Shimon addresses Metatron calling him a servant to his Master and yet a king over all other peoples and over the angels. He says that the sound of prayer and the sound of the Shofar are like spears stabbing and killing the Evil Inclination.

136. Rosh Hashanah (the Jewish New Year) is the left arm, which is Isaac, where criminal laws are SENTENCED, JUDGING WHO SHALL LIVE AND WHO SHALL DIE. The sacrifice of Isaac was there, whom Abraham bound. The knot of the hand Tefilin resembles the binding of Isaac. BOTH RELATE TO THE BINDING OF GVUROT WITH CHASSADIM. Blessed is the son who is bound to his father, connected to him to do as he does with the Torah and the precepts, and blessed is the servant bound under his master to do his bidding, who is in the place of a king's son.

137. Metatron, blessed are you and blessed are your children, NAMELY, THOSE DERIVED FROM METATRON, WHO HAVE NOT YET MERITED TO BE CHILDREN TO MALE AND FEMALE OF ATZILUT, who are bound and tied by the Tefilin under your Master's authority. For that reason, though you are a servant to your Master, you are a king over all the ministers of the other peoples, king over all the angels, a king of whom all demons and their legions are afraid. Who brought that about? Your being a stool for your Master's feet. You serve your Master as Shadai of the Mezuzah from outside, guarding the entrance. Yud Hei Vav Hei, who is your Master, is inside, AND SHADAI, WHO IS THE ASPECT OF METATRON, IS OUTSIDE.

138. It is so THAT METATRON IS SHADAI when the Holy One, blessed be He, descends TO BRIYAH to rule over the Tree of Knowledge of Good and Evil, good being Metatron and evil Samael, who is a devil, the king of demons. Metatron is an angel, the king of angels, but from the aspect of the Tree of Life the name Shadai is Yesod OF ATZILUT. This is why below IN BRIYAH THERE ARE two, a servant and his Master. THE SERVANT IS SHADAI OUTSIDE AND HIS MASTER IS YUD HEI VAV HEI INSIDE, and they are not unified into one. And above IN ATZILUT Tiferet and Yesod are one, since we consider the body and the member of the covenant as one, the Central Column and the Righteous, NAMELY TIFERET AND YESOD.

139. Just like the head Tefilin are MOCHIN OF Binah above Tiferet that is the Tree of Life in Atzilut, and Malchut is the hand Tefilin, so it is below in the Tree of Life in Briyah. From the aspect of the supernal throne, BINAH OF BRIYAH, there is the head Tefilin of Metatron, and his hand Tefilin are the lower throne, NAMELY MALCHUT OF BRIYAH. Of this the prophet says, "A glorious throne exalted from the beginning" (Yirmeyah 17:12).

140. But from the aspect of the Tree of Knowledge of Good and Evil, the Evil Inclination is bound under the Good Inclination by the knot of Tefilin like a servant under his master by the sound of Torah, the sound of prayer and the sound of the Shofar, since a sound UTTERED FOR PERFORMING A PRECEPT is like a spear in relation to it, STABBING AND KILLING THE EVIL INCLINATION. Such is the sound of the Shofar, which is the sound of the Central Pillar, NAMELY ZEIR ANPIN, which includes fire, water and air, which are the three patriarchs GVURAH, CHESED AND TIFERET that have Hei Yud Vav in them, Hei in Abraham and Yud in Isaac. NAMELY, HEI IN THE NAME ABRAHAM ALLUDES TO JUDGMENT AND YUD IN THE NAME ISAAC ALLUDES TO CHESED IN JUDGMENT. Wherever Hei rules over Yud, NAMELY WRITTEN BEFORE YUD, it is Judgment. This is Hei Yud of Elohim, NAMELY THE MOCHIN OF THE NAME ELOHIM. THESE HEI YUD ARE THE SECRET OF THE FIRE AND WATER IN THE SHOFAR, and this is why, "Elohim is gone up with a

29. Ten sounds of the Shofar

This section begins by reiterating the statement that blowing the Shofar has an effect on evil like spears and swords, but the part following this paragraph is missing. After that we read about the effect of Yisrael reciting the Sh'ma and how this links them to the Shechinah.

141. There are ten sounds of the Shofar, which are T'kiah Sh'varim T'ruah T'kiah, T'kiah Sh'varim T'kiah, T'kiah T'ruah T'kiah, in which Hei Aleph, Yud Vav Dalet, Vav Aleph Vav, Hei Aleph are clothed. All these letters, towards the other aspects and towards the evil are like chains and spears and swords. One blow is a chain and the two blows are accomplished by ten sounds of the Shofar, and are one. (THE CONTINUATION IS MISSING)

141. דְאִינוּן י' שׁוֹפְרוֹת, דְאִינוּן קִשְׁרָא קִשְׁרָא קִשְׁרָא, מִתְלַבְּשִׁין בְּהוּן ה"א יו"ד וְא"ו ה"א, דְכָל אֲתוּוּן אֵלִין אִינוּן לְסִטְרִין אַחֲרֵינִין וְלַחֲיִיבֵיָא בְּשִׁלְשָׁלָאִין וְרוּמַחִין וְסִיפִין. תְּרוּעָה שְׁלֹשֶׁת אִיהִי. וְתָרִי תְרוּעוֹת אֵית בְּעִשְׂרֵה שׁוֹפְרוֹת. וְאִינוּן חֵד.

142. It says of it, "and the mother bird sitting upon the young" (Devarim 22:6). Yisrael chirp to her with many chirps of prayers, but she does not want to descend to them. Yisrael then take the mother with them, who is the Shechinah, and tie her by the knot of Tefilin. And when they reach Kriat Sh'ma, Her children call the six words of the declaration of unity, which are, "Hear, O Yisrael. Hashem our Elohim; Hashem is one" (Devarim 6:4). They then go down to their mother, THE SHECHINAH, and tie themselves to her BY MEANS OF THE MEDITATION OF 'BLESSED BE THE NAME...'. This is the meaning of, "which you shall proclaim" (Vayikra 23:2). This is her duty of matrimony, NAMELY HER TIME OF MATING, as WRITTEN, "WHICH YOU SHALL PROCLAIM TO BE HOLY gatherings (or: 'appointed times')," MEANING, DURING MY TIME OF MATING.

142. דְאִתְמַר בְּהָ וְהָאֵם רוֹבֶצֶת עַל הָאִמְרוּחִים. יִשְׂרָאֵל מְצַפְצֵפִין לָהּ בְּכַמְהָ צַפְצוּפִין דְצִלּוֹתֵין, וְאִיהִי לֹא בְעֵינָא לְנַחֲתָא לְגִבְיָהּ. יִשְׂרָאֵל מַה עִבְדִּין. נְטִלִין אִימָא דְאִיהִי שְׂכִינְתָא בְּהַדְרִייהָ, וְקִשְׁרִין לָהּ בְּקִשׁוּרָא דְתַמְלִין, כִּד מְטָאן לַק"ש, קְרָאן בְּגִין דִּילָהּ בְּשִׁית תִּיבִין דִּיחֻדָּא, דְאִינוּן שְׁמַע יִשְׂרָאֵל יי' אֱלֹהֵינוּ יי' אַחַד, הָא קָא נַחֲתִין לְגִבְיָא אִמְהוּן, קִשְׁרִין לֹון עֲמָהּ. וְהֵאֵי אִיהִי אֲשֶׁר תִּקְרְאוּ אוֹתָם, דְאִיהוּ עוֹנָתָהּ, כְּמוֹ מוֹעֲדֵי.

30. Rosh Hashanah, Pesach, Shavuot and Sukkot

Rabbi Shimon tells us how each festival uses its own kind of item (like the Matzah and the Lulav, for example) to draw the Mochin of Zeir Anpin to Malchut. By these rituals Malchut is raised up to Thought, that is the explicit Name Yud Hei Vav Hei fully spelled with Alephs.

143. In the same manner we call UPON THE MOCHIN FROM ZEIR ANPIN TO SHINE DURING THEIR TIME OF MATING ON THE SHECHINAH in the Matzah, which is summoned for the seven days of Pesach. Thus we summon for the seven days of Sukkot the seven kinds, which are the Lulav, the Etrog, the three branches of myrtle and two branches of willow. On Shavuot we call THE MOCHIN OF ZEIR ANPIN by the Torah. Rosh Hashanah is the day of Judgment. Each uses its own kind.

143. הָכֵי בְּגוּוּנָא דָּא מְצָה, בְּהָ מְזַמְנִין לְשַׁבְעָה יוֹמִין דְפֶסַח. מְזַמְנִין לְשַׁבְעָה יוֹמִין דְסִכּוֹת, בְּשַׁבְעָה מִינֵי, דְאִינוּן לוּלָב, וְאַתְרוּג, וּג' הַדְּסִים, וּב' בְּרֵי עֲרֵבָה. שְׁבוּעוֹת, קְרָאן לֹון בְּאוּרִייתָא. ר"ה יוֹמָא דִּינָא, כָּל חֵד בְּמִינִיהָ.

144. Whoever called, NAMELY DREW MOCHIN FROM ZEIR ANPIN TO MALCHUT, each grade with its own kind, the words shall be fulfilled in him, "Then (Heb. az = eight) shall you call, and Hashem shall answer" (Yeshayah 58:9). Az is the seven days of Sukkot together with ONE DAY OF Shmini Atzeret; Az is the Matzah and the seven days of Pesach; Az IS one Sukkah together with the seven kinds of the Lulav, which are three branches of myrtle, two branches of willow, Lulav and Etrog. When included in the four kinds, NAMELY MYRTLE, WILLOW, LULAV AND ETROG, they are TOGETHER WITH THE SEVEN PARTICULARS eleven, which is the numerical value of Hei Vav. Hallel should be recited over them with Haleluyah in it, namely Yah (Yud Hei) to complete the Name Yud Hei Vav Hei.

145. MALCHUT is raised by the four kinds up to Thought, WHICH IS CHOCHMAH. This is the meaning of, "I will go up (Heb. e'eleh) into the palm tree" (Shir Hashirim 7:10). E'eleh is a mark, NAMELY THE INITIAL OF Etrog, Aravah (Eng. 'willow'), Lulav and Hadas (Eng. 'myrtle'), and Thought is the explicit Name, NAMELY YUD HEI VAV HEI FULLY SPELLED WITH ALEPHS, WHICH IS CHOCHMAH OF ZEIR ANPIN, WHICH HAS TEN LETTERS, YUD VAV DALET, HEI ALEPH, VAV ALEPH VAV, HEI ALEPH, WHICH, TOGETHER WITH THE FOUR KINDS, reaches the number fourteen like the fourteen joints in the right hand OF ZEIR ANPIN, WHICH IS CHESED, with which one should take the Lulav. The giving of the Torah, NAMELY SHAVUOT, is seven within seven, NAMELY SEVEN DAYS IN SEVEN WEEKS, which amount to the number of fourteen, WHICH IS THE HIGH HAND (HEB. YAD = FOURTEEN), THE SECRET OF THE CENTRAL COLUMN, AS SHALL BE EXPLAINED. On Rosh Hashanah THERE ARE ALSO fourteen: the sound of the Shofar TOGETHER WITH ITS THREE PARTICULARS, WHICH ARE FIRE, AIR AND WATER, ARE FOUR, and with the ten sounds of the Shofar, as we explained before, ARE FOURTEEN.

146. On Pesach, the Shechinah is the great hand from the aspect of Chesed. On Rosh Hashanah She is the mighty hand from the aspect of Gvurah. At the giving of the Torah She is a high hand from the aspect of the Central Column, WHICH IS TIFERET. Three times fourteen equal 42, and together with the three patriarchs, CHESED, GVURAH AND TIFERET, from whom they derive, they equal 45, the number of Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph. Blessed is Hashem forever and ever; May Hashem reign forever and ever.

1. Moses, Aaron and Miriam

Rabbi Chizkiyah talks about God's desire for Yisrael and His special treatment of them. We learn that Moses, Aaron and Miriam had higher gifts, and that Aaron was the right arm of Moses. During Moses' lifetime Yisrael ate manna or heavenly bread, but as soon as Joshua took over, the manna ceased to fall and the people reverted to eating the bread of the land.

1. "And Moses went and spoke these words to all Yisrael" (Devarim 31:1). Rabbi Chizkiyah opened with the verse, "That caused His glorious arm to go at the right hand of Moses, dividing the water before them..." (Yeshayah 63:12). Blessed are Yisrael that the Holy One, blessed be He, favored them. Since He favored them, He called them holy firstborn sons, and brethren. He, so to speak, went down to dwell with them. This is the meaning of, "And let them make Me a sanctuary, that I may dwell among them" (Shemot 25:8). And He wished to establish them in the likeness of above, and He caused the seven clouds of glory to rest over them, and His Shechinah goes before them, as it is written: "and Hashem went before them by day" (Shemot 13:21).

2. Three holy siblings went among them. They are Moses, Aaron and Miriam. It is for their merit that the Holy One, blessed be He, gave them supernal gifts. Throughout Aaron's days the clouds of glory did not move away from Yisrael. We have established that Aaron is the right arm of Yisrael, as written, "the Canaanite, the king of Arad... heard tell that Yisrael came by the way of Atarim..." (Bemidbar 21:1). THE WAY OF ATARIM MEANS THAT YISRAEL WERE like a man walking without an arm, supporting himself in each AND EVERY place, AS ATARIM MEANS PLACES. Then, "he fought against Yisrael, and took some of them prisoners" (Ibid.). THIS HAPPENED because they were without the right arm. Come and see, Aaron was the right arm of the body, WHICH IS TIFERET. Hence it is written, "That caused His glorious arm to go at the right hand of Moses." Which is that? It is Aaron, THE RIGHT ARM OF TIFERET.

3. HE ASKS, What is meant by "went" in "And Moses went"? Whither did he go? AND HE ANSWERS, "went" MEANS HE WENT like an armless body, as in, "and they are gone without strength before the pursuer" (Eichah 1:6), because Aaron, the right arm, died, and the body, WHICH IS MOSES, wanted to go away BECAUSE OF IT.

4. Throughout Moses' life Yisrael ate bread from heaven. When Joshua came, it is written, "and the manna ceased on the morrow..." (Yehoshua 5:12), "And they did eat of the corn of the land on the morrow after the Passover" (Ibid. 11). What is the difference between them, THE MANNA AND THE CORN OF THE LAND? It is that the manna is from above, HEAVEN, WHICH IS ZEIR ANPIN, while that, THE BREAD OF THE LAND, is from below, FROM MALCHUT CALLED LAND. As long as Moses was alive, the body of the sun, WHICH IS ZEIR ANPIN, ruled and shone on the world. Once Moses departed, the body of the sun was gone, and the body of the moon came out, WHICH IS MALCHUT, THE ASPECT OF JOSHUA. THUS THE BREAD FROM HEAVEN STOPPED AND THEY ATE OF THE CORN OF THE LAND, WHICH IS MALCHUT.

2. Moses is the rule of the sun, Joshua of the moon

Rabbi Chizkiyah tells us how the people were led by the sun itself, Zeir Anpin, during Moses' lifetime, but after his death they were led by the moon, Malchut, as the moon was the aspect of Joshua. Next the topic turns to the difficulty of matching people with those who are the other half of their spirits, since sometimes they are not incarnated at the same time. If a husband who is not a woman's true counterpart has behaved immorally, he is gathered up so that the counterpart can come and marry her. Rabbi Eleazar wonders why the man has to die, and why they cannot just separate.

1. וַיֵּלֶךְ מֹשֶׁה וַיְדַבֵּר אֶת הַדְּבָרִים הָאֵלֶּה אֶל כָּל יִשְׂרָאֵל. ר' חֲזַקְיָה פָתַח, מוֹלִיךְ לַיְמִין מֹשֶׁה זְרוּעַ תְּפֹאֲרֹתוֹ בּוֹקֵעַ מִיָּם מַפְנִיחֵם וְגו', זָכְאִין אִינוּן יִשְׂרָאֵל, דְּקוֹדֶשׁא בְרִיךְ הוּא אֲתָרְעֵי בְהוּ, וּבְגִין דְּאֲתָרְעֵי בְהוּ, קָרָא לֹון בְּנִין בּוֹכְרִין קְדִישִׁין, אַחִין כְּבִיכּוֹל, נָחַת לְדִינְרָא עֲמַהוּן. הַה"ד, וְעָשׂוּ לִי מִקְדָּשׁ וְשִׁכְנֹתַי בְּתוֹכְכֶם. וּבְעָא לְאַתְקִנָא לְהוּ כְּגוֹנָא דְלַעֲיֹלָא, וְשֹאֲרֵי עֲלִייהוּ שְׂבַעַה עֲנְנֵי יָקָר, שְׂכִינְתִּיהָ אֲזֵלָא קְמִייהוּ, הַה"ד וַיֵּי הוֹלֵךְ לַפְנֵיהֶם יוֹמָם.

The answer is that the death saves the man from seeing his wife belong to another. This is compared to Saul's kingship which happened because David's time for kingship had not yet come. When David was ready, Saul was gathered up for his iniquities so that he would not have to see his servant ruling over him. This is also why Moses died when the rule of the moon, Joshua, arrived; the moon could not rule as long as the sun was around. The question is asked why, when Moses was about to die, many instructions were given by God to him rather than to Joshua. We learn that even after Moses' departure he would still exist to illuminate God's messages for Joshua, just as the sun in hiding illuminates the moon.

5. It is written, "If Your presence go not with me, carry us not up from here. For in what shall it be known..." (Shemot 33:15-16). We have learned that when the Holy One, blessed be He, said to Moses, 'Behold My angel to walk before you', Moses said, And why is it that the guidance of the sun shall be gathered, WHICH IS THE GUIDANCE OF ZEIR ANPIN, and the moon shall guide. I do not want the body of the moon, THE GUIDANCE OF MALCHUT CALLED AN ANGEL. AND HE SAID TO ZEIR ANPIN, "If Your presence go not with me, CARRY US NOT UP FROM HERE." I want neither the body of the sun, WHICH IS ZEIR ANPIN, nor the moon, WHICH IS MALCHUT. Then the body of the sun shone, and Moses became as the body of the sun before Yisrael. When Moses was gathered, the sun was gathered and the moon shone, which is Joshua ministering to the light of the moon. Woe to that shame.

6. "And he said to them, I am a hundred and twenty years old..." (Devarim 31:2). It is as Rabbi Elazar said that the sun shone on Yisrael for forty years and was gathered at the end of forty years and then the moon shone. HE THEREFORE SAID, "I CAN NO MORE GO OUT AND COME IN" (IBID.), BECAUSE THE TIME HAS COME FOR THE MOON TO RULE, WHICH IS THE ASPECT OF JOSHUA. Rabbi Shimon said, surely it is thus, as written, "but sometimes ruin comes for want of judgment" (Mishlei 13:23), which the friends have already explained, and we shall expound on this verse. But in relation to what the friends have said, everything is needed in the world for the good of man, who will be gone before his time, THAT IS, THAT HE IS RUINED WITHOUT JUDGMENT, AS SHALL BE EXPLAINED.

7. Come and see, we learned that all spirits that emerge from above, come out male and female, and separate WHEN THEY COME INTO THE WORLD TO BE CLOTHED IN BODIES. At times the female soul will emerge into the world before THE SOUL OF the male has come out, who is her mate. Whenever it is not the time of the man to join his woman and another came, WHO IS NOT HER MATE, and married her, then when his, HER SOULMATE'S, time comes to unite with her, righteousness, WHICH IS THE ATTRIBUTE OF JUDGMENT, is awakened in the world to punish for the iniquities of the world. It gathers that man who married her, THAT IS, IT TAKES HIS SOUL SO HE DIES, and the other comes, WHO IS HER MATE, and marries her. This is why matching couples is difficult for the Holy One, blessed be He, LIKE THE SPLITTING OF THE RED SEA.

8. This is true if the man, WHO IS NOT HER MATE, sinned in his actions, THAT HE IS TAKEN OUT OF THE WORLD WHEN THE TIME HAS COME FOR HER MATE TO MARRY HER. Even if he did not sin much TO BE SENTENCED TO DEATH, NEVERTHELESS he dies then before his time comes TO DIE and it is not done so ACCORDING TO judgment. Of him it is written, "but sometimes ruin comes for want of judgment." The Judgments of righteousness, WHICH IS MALCHUT OF THE ATTRIBUTE OF JUDGMENT, contact him because of his sins, because the time of the other, HER MATE, has come to marry her, because she is his, EVEN THOUGH ACCORDING TO JUDGMENT HE DOES NOT DESERVE DEATH.

5. כתיב אם אין פניך הולכים אל תעלנו מזה ובמה יודע אפוא וגו' הכי אוליפנא, ביון דאמר קודשא בריך הוא למשה הנה מלאכי ילך לפניך, אמר משה, ומה קסטיפא דשמשא דיתבניש, וידבר סיהרא, גופא דסיהרא לא בעינא. אם אין פניך הולכים, גופא דשמשא בעינא, ולא דסיהרא. כדון גופא דשמשא אתנהיר, ואתעביד משה, כגוונא דגופא דשמשא קמייהו דישראל. ביון דאתבניש משה, אתבניש שמשא, ואתנהיר סיהרא, והוה יהושע משתמש לנהורא דסיהרא. ווי להווא בסופא.

1
9. Rabbi Elazar said to him, and why DOES HE DIE? Let the Holy One, blessed be He, separate them from each other and let him WHO IS HER MATE come and marry her. He said to him, it is for the good of man, and He does kindly by him, so he will not see his wife under someone else's authority. Come and see, if he, HER MATE, is not of fitting deeds, then even if the woman is his, NEVERTHELESS the other is not rejected, WHO IS NOT HER MATE, from before him.

10. Come and see, King Saul took the kingship because although the kingship was David's the time of David had not come yet for it. THEREFORE when David's time had come to inherit his own, righteousness awoke and gathered Saul in his sins, and he was pushed aside before David. And David came and took what was his.

11. Why did the Holy One, blessed be He, not take away the kingship from Saul TO GIVE IT TO DAVID, so he would not HAVE TO die? AND HE ANSWERS, the Holy One, blessed be He, did kindness with him by gathering his soul while he was still reigning, so he would not see his servant ruling over him and taking what had been his. It is so THAT HE MARRIED HIS NEIGHBOR'S MATE, AND THE TIME HAS COME FOR HIS NEIGHBOR TO MARRY HER, HE GATHERS HIS SOUL AND THEN MARRIES THE WOMAN TO HER MATE, SO HE WILL NOT SEE HIS WIFE IN ANOTHER AUTHORITY. This is why man has to beg for mercy from the Holy One, blessed be He, when he marries, that he will not be pushed aside before another.

12. It is written, "and Hashem said to me, Let it suffice you; speak no more to Me of this matter..." (Devarim 3:26). We explained that the Holy One, blessed be He, said to Moses, "Moses, you want the world to change. Have you ever seen in your days that the sun will serve the moon? Have you ever seen in your days that the moon will rule while the sun is present? But, "Behold, your days approach that you must die. Call Joshua" (Devarim 31:14). Let the sun be gathered and the moon reign. Moreover, if you enter the land, the moon shall be gathered for you and will not be able to rule. Surely the dominion of the moon is come, WHICH IS JOSHUA, but it cannot rule as long as you are in the world.'

13. "Call Joshua, AND PRESENT YOURSELVES IN THE TENT OF MEETING, THAT I MAY GIVE HIM A CHARGE..." (Ibid.). What about His words, "Behold, you shall sleep with your fathers; and this people will rise up..." (Ibid. 16). We never found the Holy One, blessed be He, giving charge to Joshua but to Moses, as He said all that to Moses, as written, "and will forsake Me, and break My covenant...Then My anger will burn against them on that day" (Ibid. 16-17), "Now therefore write this poem for yourselves, and teach it to the children of Yisrael. Put it in their mouths" (Ibid. 19). ALL THIS WAS SAID TO MOSES. In that case what is meant by, "that I may give him a charge," SEEING THAT HE CHARGED HIM WITH NOTHING?

9. א"ל ר"א, ואמאי, ופרוש לון קודשא בריך הוא, וייתי אחרא ויהיב ליה. אמר ליה דא הוא תועלתא דבר נש, וטיבו דעביד עמיה, דלא יחמי אתתיה בידא אחרא. ות"ח, אי האי לא בשרן עובדוי, אע"ג דדיליה היא ההיא אתתא, לא אתדחי האי אחרא מקמיה.

10. ת"ח, שאול מלכא נטל מלכו. בגין דער לא מטא זמניה דרוד להאי. דהא מלכו הוה ודאי דרוד, ואתא שאול ונטיל ליה. בין דמטא זמניה דרוד למירת דיליה, בדין אתער צדק וכניש ליה לשאול בחובוי, ואתדחי מקמי דוד, ואתא דוד ונטל דיליה.

11. ואמאי לא אערי קודשא בריך הוא לשאול ממלכו, ולא ימות. אלא טיבו עבד קודשא בריך הוא עמיה, דכניש ליה במלכותא, ולא יחמי עבדיה שליט עליה, ונטיל מה דהוה דיליה בקדמיתא. כך האי. בג"כ, בעי ב"נ למבעי רחמי קמי קודשא בריך הוא, כד אזהוג, דלא יתדחי מקמי אחרא.

12. בתיב, ויאמר יי' אלי רב לך אל תוסף דבר אלי וגו' והא אוקימנא, אמר ליה קודשא בריך הוא למשה משה, תבעי לאחדשא עלמא, חמית מן יומך שמשא פלח לסיהרא. חמית מן יומך הישלוט סיהרא בעוד דשמשא קיימא. אלא הן קרבו ימיך למות קרא את יהושע, יתכניש שמשא, וישלוט סיהרא. ולא עוד, אלא אי אנת תיעול לארעא, יתכניש סיהרא מקמך, ולא ישלוט. ודאי שולטנותא דסיהרא מטא, ולא תשלוט בעוד דאנת קיימא בעלמא.

13. קרא את יהושע וגו'. ומאי קאמר הנך שוכב עם אבותיך וקם העם הזה וגו'. ולא אשכחנא, דפקיד קודשא בריך הוא ליהושע, אלא למשה, דא"ל למשה כל האי, דכתיב ועזבני והפר את בריתי, וחרה אפי בו ביום ההוא. ועתה כתבו לכם את השירה הזאת ולמדה את בני ישראל שימה במיהם, אי הכי מהו ואצוננו.

14. AND HE ANSWERS, the verse says, "Behold, you shall sleep with your fathers." The Holy One, blessed be He, said to Moses, 'Though you shall sleep with your fathers, yet you will always shine on the moon, NAMELY JOSHUA, WHO IS THE ASPECT OF THE MOON, MALCHUT, like the sun that, although it set, set only to shine on the moon. For then, after it set, it shines on the moon. Hence, "you shall sleep" to shine.' This is what is meant by, "that I may give him a charge." FOR WITH THE DEPARTURE OF MOSES, HE SHINES WITH WORDS OF HASHEM TO JOSHUA, LIKE THE SUN SHINES ON THE MOON AFTER IT SETS. THUS then Joshua was instructed to shine. Hence the verse, "you shall sleep with your fathers," that is, to shine on Joshua. And that is, "But charge Joshua" (Devarim 3:28); the purpose of everything is to illuminate HIM.

15. "For you must go (Heb. tavo)" (Devarim 31:7). Afterwards IT IS WRITTEN, "for you shall bring (Heb. tavi)" (Ibid. 23). What is the difference between them? AND HE ANSWERS, one 'tavo' is to announce to him that he shall enter the land and dwell in it; and one 'tavi' is to announce to him about the dominion over Yisrael. HE THUS WAS TOLD TWO THINGS: he was told about his own dwelling in the land of Yisrael and about the dominion over Yisrael.

3. "From the uttermost part of the earth have we heard songs"

Rabbi Shimon talks about those people who pay no attention to the glory of God and who have no interest in becoming holy. He says that Malchut is ready and available to praise God after midnight every night. Prior to that the wicked prosecutors go about in the world to harm people, but from midnight onward their power is removed. We hear that if people are sanctified in their own union they also inspire a spiritual sanctity above, assisting in the union of God and His Shechinah. If they do not, there are flaws both above and below and the children born of the union are deceitful. Rabbi Shimon tells us about the time that Yisrael entered the Holy Land with the Ark of the Covenant traveling before them, and the songs of praise and joy that were sung. He says how unfortunate it is that Yisrael were destined later to treacherously betray God and become uprooted from their land; they would have to be cleansed of their iniquities in a foreign land.

16. Rabbi Shimon opened with, "From the uttermost part of the earth have we heard songs, glory to the righteous. BUT I SAID, MY LEANNESS, MY LEANNESS, WOE TO ME! TRAITORS HAVE DEALT TREACHEROUSLY..." (Yeshayah 24:16). Woe to people, that they do not care and are not occupied with the glory of their Master, nor do they behold the supernal holiness, to be sanctified in this world so as to be holy in the World to Come. "The uttermost part of the earth" refers to the supernal covering, NAMELY MALCHUT. "We heard songs," as in, "who gives songs in the night" (Iyov 35:10), that is, the songs and praises of the Congregation of Yisrael, MALCHUT, before the Holy One, blessed be He, WHO IS ZEIR ANPIN, at night. "In the night" MEANS when she is ready and present to praise the Holy One, blessed be He, and takes pleasure in the righteous in the Garden of Eden.

17. When IS SHE READY TO PRAISE THE HOLY ONE, BLESSED BE HE? It is from midnight onward. Then, "we heard songs," namely praises. "Songs (Heb. zemirot)" MEANS as in, "nor prune (Heb. tizmor)" (Vayikra 25:4), and ALSO, "so the song of the tyrant shall be brought low" (Yeshayah 25:5), which refers to pulling out all the tyrants from their places. For when the night comes, many tyrannical litigants are present in the world, walking and roaming the world to bring accusations. From midnight onward, a spirit is roused, which pulls them all from their places and removes them so they shall not have power. "We heard songs" refers to the praises of the Congregation of Yisrael TO THE HOLY ONE, BLESSED BE HE, at night. What is the reason for all that? It is "glory to the righteous," WHICH MEANS MALCHUT WISHES to unite in a single union with the Holy One, blessed be He, and be sanctified with him in the same holiness. "Glory" is derived from desire, while the righteous is Yesod.

18. "But I said, My leanness, my leanness, woe to me." "MY LEANNESS (HEB. RAZI)" is a supernal mystery, BECAUSE 'RAZ' MEANS A SECRET. THE SECOND SECRET is TO DRAW a Holy Spirit. THAT IS, THE UNION OF THE HOLY ONE, BLESSED BE HE, WITH HIS SHECHINAH AT MIDNIGHT IS A SUPERNAL MYSTERY. IF PEOPLE BELOW ARE THEN SANCTIFIED IN THEIR MATING, AND MEDITATE ON IT, THEY DRAW A HOLY SPIRIT. But "woe to me" for the generation and for the world; "traitors have dealt treacherously," for they are all false to Him, THAT IS, THEY DENY THE SUPERNAL PROVIDENCE; they are false to themselves BY NOT SANCTIFYING THEMSELVES DURING MATING. Not only are they false to themselves, but the children they beget would be false because of their falsity DURING MATING, WHICH WAS WITHOUT SUPERNAL HOLINESS, and they are blemished above and below.

19. When Isaiah saw this, he gathered all those who fear sin and taught them the holy way of being sanctified with the holiness of the King DURING MATING so their children would be holy. Once they were sanctified, the children they begot were named after Him. This is the meaning of, "Behold, I and the children whom Hashem has given me are for signs and for portents in Yisrael" (Yeshayah 8:18), which means they are separated from the other nations.

20. Another explanation for, "From the uttermost part of the earth have we heard songs" is that when Yisrael entered the land with the holy ark of the covenant before them, Yisrael heard from one side in the land praises and joy and the voice of lofty singers that sing in the land. Then, "glory to the righteous," as the praises at that time were directed to Moses, SINCE GLORY IS A WORD OF PRAISE AND GLORIFICATION, AND THE RIGHTEOUS IS MOSES. Wherever the ark dwelt in the land, they would hear a voice saying, "And this is the Torah which Moses set before the children of Yisrael" (Devarim 4:44). But, "woe to me, traitors have dealt treacherously," since Yisrael will betray the Holy One, blessed be He, and be pulled out of the land once. Since falsehood has taken hold in their midst they shall be torn out a second time FROM THE LAND until their iniquities shall be made good in another land.

4. There are three who testify

Rabbi Aba and Rabbi Yitzchak discuss the witnesses that bear testimony about Yisrael, and we learn that they are the well of Isaac, the lottery, the

stone that Joshua placed and the song of praise that God taught Moses just before his death.

21. "Take this book of the Torah, and put it in the side of the Ark of the Covenant of Hashem your Elohim..." (Devarim 31:26). HE WAS ASKED WHY HE SAID, "HASHEM YOUR ELOHIM," RATHER THAN 'HASHEM OUR ELOHIM'. AND HE ANSWERS, we have explained this IN SEVERAL PLACES, THE REASON FOR THE NAMES 'your (plur.) Elohim', 'your (sing.) Elohim', 'El', 'our Elohim'

22. As Rabbi Aba said in the name of Rabbi Yehuda, what is the meaning of, "for the place on which you do stand is holy ground" (Shemot 3:5)? It is surely holy ground, namely the land of the living, WHICH IS MALCHUT. "On which you do stand": surely it is on it, that is in the beginning and all the more so later. We learned that Rabbi Yosi said, it is written, "that it may be there for a witness against you" (Devarim 31:26), a witness surely to give testimony.

23. There are three who testify. They are Isaac's well, the lot and the stone, which Joshua placed. And this poem more than all, AS IT SAYS, "THAT THIS POEM MAY BE A WITNESS FOR ME..." (IBID. 19). Rabbi Yitzchak said, in that case there are four. He said to him, surely THIS IS SO, but no testifying is mentioned in relation to the lot.

24. Whence do we know about Isaac's well? From the verse, "that they (it) may be a witness to me" (Beresheet 21:30); about the lot, from the words, "According to the lot shall their inheritance be divided" (Bemidbar 26:56), which used to say, 'this is to Judah', and 'this is to Benjamin', and so on. HENCE IT SAID, "ACCORDING TO (LIT. 'BY THE MOUTH OF') THE LOT," WHICH MEANS THE LOT SPOKE. As for Joshua's stone, it is written, "Behold, this stone shall be a witness to us" (Yehoshua 24:27). And here IT IS WRITTEN, "that it may be there for a witness against you," and, "that this poem shall testify against them as a witness" (Devarim 31:21). Surely it testified against Yisrael.

5. Song and poem

The matter of Moses' song is examined in great detail, and we are reminded that the song was meant to testify against Yisrael later when they transgressed the laws of God. Rabbi Shimon clarifies which is the most valuable and important song ever written, since the discussion has also included the Song of Songs and the song that David sang towards the end of his life. The purpose of the song is to connect everyone to God and to unify His Name.

25. We learned that Rabbi Elazar said, regarding the verse, "And Moses spoke...the words of this poem, until they were ended" (Devarim 31:30), we have to observe here the meaning of, "the words of." It should have said, 'the poem'. And what is, "until they were ended"? AND HE ANSWERS, we have so learned according to the secret of the Mishnah. All the words Moses spoke were engraved with the name of the Holy One, blessed be He, and all these words were coming, going up and down engraved there WITH THE NAME OF THE HOLY ONE, BLESSED BE HE. Each word would come before Moses to be engraved by him, and stood before him. THAT IS, IT IS WRITTEN, "THE WORDS OF THIS POEM" BECAUSE EACH WORD WOULD COME BEFORE HIM TO BE ENGRAVED. This is the meaning of, "until they were ended," THAT IS, UNTIL THEY FINISHED BEING ENGRAVED WITH THE NAME OF HASHEM.

26. Rabbi Aba said, "the words of this poem." HE ASKS, it should have said, 'a poem', AND NOT "THE POEM." What does THE DEFINITE ARTICLE (HEI) allude to? AND HE ANSWERS, it is the poem the Holy One, blessed be He, recited, as in, "The song of songs, which is Solomon's (Heb. Shlomo)" (Shir Hashirim 1:1), who is the King that the peace (Heb. shalom) is His, WHO IS THE HOLY ONE, BLESSED BE HE. We have already explained this matter. "A Psalm, a song for the Shabbat day" (Tehilim 92:1), precisely for the Shabbat day, WHICH IS MALCHUT, a song the Holy One, blessed be He, recited FOR THE SHABBAT DAY, WHICH IS MALCHUT.

27. Yet we should examine this. There it says "a song (Heb. shir)," while there, "a poem (Heb. shirah). Shir is masculine, ZEIR ANPIN, and shirah is feminine, MALCHUT. We learned that all the prophets, in relation to Moses, are like a monkey in the sight of men. They said 'shir', THAT IS, "THE SONG OF SONGS," "A SONG FOR THE SHABBAT DAY," while Moses recited 'shirah', and they are shirah. The esoteric meaning is that Moses did not say it for himself but for the sake of Yisrael.

28. Rabbi Shimon said to him, this is not so. But it is known from here that Moses was of a much higher grade than all of them. Moses rose from below upward and they descended from above downward. He, MOSES, rose from below upwards, as we learned that we increase in holiness, not decrease. Moses rose from below upwards by reciting a shirah, which is the praise of the Queen, with which she praises the King. HE STARTED WITH MALCHUT. And Moses himself joined the King, SO HIS SHIRAH ROSE FROM BELOW UPWARDS. But they descended from above downward, as they recited a shir, WHICH IS THE ASPECT OF THE MALE, which is the praise with which the King praises the Queen. They joined the Queen, SO THEIR SHIR WAS FROM ABOVE DOWNWARDS, FROM ZEIR ANPIN TO MALCHUT. This praise of Moses was made known which is above them all. This is the meaning of, "Then sang Moses and the children of Yisrael this song (Heb. shirah) to Hashem" (Shemot 15:1), that is, the shirah of the Queen. To whom? To Hashem. Hence it is written, "Moses therefore wrote this poem the same day" (Devarim 31:22), AND ALSO "that this poem shall testify" (Ibid. 21).

29. "That this poem shall testify." HE ASKS, it should have said, 'these words shall testify'. AND HE ANSWERS that the secret meaning of this is as we explained that it is written, "and the earth shall rise up against him" (Iyov 20:27), WHICH MEANS THAT THE EARTH, WHICH IS MALCHUT, RISES UP TO EXECUTE JUDGMENT AGAINST MAN. And Moses observed everything, and so he said a shirah, WHICH IS AN ASPECT OF MALCHUT, in order to give the words a hold in that place, MALCHUT FROM WHICH they will be judged, as written, "that shall testify against them as a witness." Why is that? Because, it is written, "for I know their inclination" (Devarim 31:21), and, "For I know that after my death..." (Ibid. 29). When you shall do that, forthwith, "this poem shall testify against them as a witness," WHICH MEANS THAT MALCHUT SHALL PUNISH YOU.

30. Come and see, it is written, "The heaven shall reveal his iniquity" (Iyov 20:27), WHICH IS ZEIR ANPIN THAT IS CALLED HEAVEN, and no more, REVEALING THE INIQUITY ALONE. But, "the earth shall rise up against him." By this, THE EARTH, WHICH IS MALCHUT, judgment is executed on whomever it is executed.

26. ר' אבא אמר, את דברי השירה הזאת, שירה הזאת מבעי ליה: מאי קא רמיזא. אלא שירתא דקודשא בריך הוא אמר, כד"א שיר השירים אשר לשלמה, מלכא דשלמא כללא דיליה, והא אוקימנא מלי. מזמור שיר ליום השבת, ליום השבת ממש. שיר דקודשא בריך הוא אמר.

28. א"ל ר"ש, לאו הכי, אלא, משה ודאי מהכא אשתמודע, דאיהו בדרגא עלאה יתיר מכלא. משה סליק מתתא לעילא, ואינון נחתי מעילא לתתא. הוא סליק מתתא לעילא, כמה דתנינן מעלין בקדש ואין מורידין. משה סליק מתתא לעילא, דאמר שירה תושבחתא דמטרוניתא, דאיהי משבחת למלכא. ומשה במלכא אתאחד. ואינון נחתי מעילא לתתא, דאמרו שיר, דהוא שבחא דמשבחתא מלכא למטרוניתא, ואינון במטרוניתא אתאחדו. ועל דא, בהאי אשתמודע שבחא דמשה, יתיר מכלהו. והיינו דכתיב, אז ישיר משה ובני ישראל את השירה הזאת ליו, שירתא דמטרוניתא למאן. ליו, ובג"כ, ויכתוב משה את דברי השירה הזאת, וענתה השירה הזאת.

29. וענתה השירה הזאת, וענו הדברים האלה מבעי ליה. אלא רזא דמלה כמה דאוקימנא, דכתיב וארץ מתקוממה לו, ומשה בכללא אסתכל, ועל דא אמר שירה, בגין לאתאחדא מלין באתר דא, למדווי עלייהו דינא, דכתיב וענתה השירה הזאת לפניו. ולמה. דכתיב כי אני ידעתי את יצרו, וכתוב כי ידעתי אחרי מותי וגו'. וכד תעבדו דא, מיד וענתה השירה הזאת לפניו לעד.

30. ת"ח, כתיב יגלו שמים עונו ולא יתיר, אבל וארץ מתקוממה לו. בהאי, דינא אתעביד למאן דאתעביד.

31. It is written, "And David spoke to Hashem the words of this song (Heb. shirah)" (II Shmuel 22:1). It is to David's praise because he recited the shirah from below upward, FROM MALCHUT TO ZEIR ANPIN LIKE MOSES, and attained that grade OF RECITING SHIRAH FROM BELOW UPWARD. He said this shirah only at the end of his days when he was exceedingly perfected by this shirah, as we learned, 'Do not believe in yourself until the day you die'. And here, why did David merit to say a shirah from below upward at the end of his days? It is because he was then at rest in every respect, as written, "in the day that Hashem delivered him out of the hand of all his enemies" (Ibid.).

32. Rabbi Shimon said, shirah is the most valuable. What is it? AND HE ANSWERS, it is according to what we learned in the secret of the Mishnah THAT SERVICE SHOULD BE in speech and action, IN THE TWO DECLARATIONS OF UNITY FROM BELOW UPWARD AND FROM ABOVE DOWNWARD. Here also it is from below upward and from above downward. Then one is to meditate in the heart and bind everything into one bond.

6. "Because I will call on the name of Hashem; ascribe greatness to our Elohim"

Rabbi Shimon tells us that people have to arrange their praise to God in a certain way so that the glory can be raised upward and the blessings can be drawn downward; then they need to create the bond of Faith in order to unify the Holy Name.

33. Whence do we know that? From Moses. At first HE SPOKE from below upward, SAYING, "Because I will call on the name of Hashem" (Devarim 32:3). What is "call"? It is as in, "called to Moses" (Vayikra 1:1), which is the Shechinah. Then he said, "ascribe greatness to our Elohim," which is the supernal King, NAMELY ZEIR ANPIN. Then he descended the grades from above downward, FROM ZEIR ANPIN TO MALCHUT, as written, "just and right is He" (Devarim 32:4), WHICH ARE YESOD THAT IS CALLED RIGHTEOUS, AND JUST THAT IS MALCHUT. Then he bound the bond of Faith and said, "is He," NAMELY "JUST AND RIGHT is He," which binds everything, BECAUSE "HE" IS THE THIRD, HIDDEN PERSON THAT ALLUDES TO THE BLESSED INFINITY THAT BINDS EVERYTHING.

34. For that reason man needs to arrange his Master's praise in the same way. At first from below upward, to raise the glory of his Master, WHICH IS MALCHUT, to the place where the water of the depth of the well flows and emerges, THAT IS, TO THE PLACE OF BINAH. Then to draw from above downward to each and every grade OF THE SEVEN LOWER SFIROT down to the last grade, WHICH IS MALCHUT, in order to draw blessings to everything from above downward. Then we need to bind the bond on everything, the bond of Faith, THAT IS, TO BIND EVERYTHING TO BLESSED INFINITY AS MENTIONED. Such a man glorifies his Master, to unify the Holy Name. Hence it is written, "for them that honor Me I will honor" (I Shmuel 2:30), for those who honor Me in this world shall I honor in the World to Come.

31. כתיב, וידבר דוד ליי' את דברי השירה הזאת. השתא תושבחתא דדוד הוא, בגין דאמר שירה מתתא לעילא, וזכה להאי דרגא, ולא אמר האי שירה, אלא בסוף יומו, דהוה בשלימו יתיר, מהאי שירה. כמה דתנינן, אל תאמן בעצמך עד יום מותך. והכא, אמאי זכה דוד למימר שירתא מתתא לעילא, בסוף יומו. דהוה בנייחא מכל סטרוי, דכתיב ביום הציל יי' אותו מפף כל אויביו.

32. אר"ש, שירתא מעילא מכלא מאי היא. כמה דתנינן ברזא דמתניתין, במלין ובעובדא הכי נמי מתתא לעילא, ומעילא לתתא. ולבתר לכונא בלבא, ולקשרא כלא בחד קשרא.

33. מנלן ממשא, בקדמיתא, מתתא לעילא, כי שם יי' אקרא. מאי אקרא. כמה דכתיב, ויקרא אל משה, דא שכינתא. לבתר, הבו גדל לאלהינו, דא מלכא עלאה. לבתר נחית בדרגוי מעילא לתתא, דכתיב צדיק וישר. לבתר קשיר קשרא דמהימנותא ואמר, הוא, ודא הוא קשרא לכלא.

34. בג"כ, בעי בר נש לסדרא שבחא דמאריה בהאי גוונא, בקדמיתא מתתא לעילא, לסלקא יקרא דמאריה, לאתר דשקיו דעמיקא דבירא נגיד ונטיק. לבתר לאמשכא מעילא לתתא, מהווא שקיו דנחלא, לכל דרגא ודרגא, עד דרגא בתראה, לאמשכא ברכאן לכלא, מלעילא לתתא. לבתר בעי לקשרא קשרא בכלא, קשרא דמהימנותא. ודא הוא ב"נ דאוקיר לשמא דמאריה, ליחדא שמא קדישא. ועל דא כתיב, כי מכבדני אכבד, כי מכבדני לעלמא דא, אכבד בעלמא דאתי.

35. "And they that despise Me shall be lightly esteemed" (Ibid.). HE ASKS, what is meant by, "And they that despise Me shall be lightly esteemed," AND ANSWERS, this is one who does not know how to unify the Holy Name and bind the bond of Faith and draw blessings where they should be and glorify the name of his Master. Whoever does not know how to glorify the name of his Master, it would have been better for him had he not been created.

7. Answering Amen

Rabbi Yehuda says that the person who says the 'Amen' is even greater than the person who makes the blessing because the 'Amen' draws blessings from the fountain of Binah. There follows a long discussion of the importance of the 'Amen'.

36. Rabbi Yehuda said, "And they that despise Me shall be lightly esteemed" (I Shmuel 2:30), refers to he who does not know how to glorify his Master and does not concentrate when saying Amen. For we learned that he who answers Amen is more valuable than he who makes the blessings. We have presented it before Rabbi Shimon WHO SAID THAT HE WHO ANSWERS Amen draws blessings from the spring, WHO IS BINAH, to the King, ZEIR ANPIN, and from the King to the Queen. In the Engraved Letters by Rabbi Elazar HE SAID 'FROM Aleph OF AMEN, WHICH IS BINAH, to Mem OF AMEN, WHICH IS ZEIR ANPIN, and from Mem of Amen to final Nun, WHICH IS MALCHUT.' When the blessings reach final Nun, WHICH IS MALCHUT, blessings come out from there to the upper and lower beings and expand through everything. When the sound comes out, they drink of the blessings so-and-so has brought forth, a servant of the Holy King. finite

37. When Yisrael below guard themselves to answer Amen and meditate in their heart as needs be, how many openings of blessings are open above, how much goodness is present throughout the worlds, how much joy abounds in everything! What is the reward of Yisrael to have brought this about? Their reward is in this world and in the World to Come. In this world, when they are beset by enemies and they say their prayer before their Master, the sound proclaims throughout the worlds, "Open the gates, that the righteous nation that keeps faithfulness (Heb. emunim) may enter in" (Yeshayah 26:2). Do not pronounce it 'emunim' but 'Amenim (Amen plural)', WHICH MEANS THAT THEY ARE CAREFUL TO ANSWER AMEN. "Open the gates," as Yisrael opened to them the gates of blessings, so now "open the gates" and let their prayer be accepted which is about those who distress them.

38. This is THEIR REWARD in this world. What is their reward in the World to Come? AND HE ANSWERS, it is when a man leaves this world, where he observed answering Amen. By "observed" is meant that he observes the blessing that is said and awaits the man who says it so as to answer Amen AFTER IT, as needs be. Then his soul rises and proclaims before him, "open the gates" before him, as he used to open gates every day, when he observed emunim, THAT IS AMENIM.

39. Rabbi Yosi said, what is Amen? Rabbi Aba said, everything has been explained. Amen is called the spring of the flowing river, WHICH IS BINAH, and is called Amen, because it is written, "then I was by him, as a nursling (Heb. amon)" (Mishlei 8:30). Do not pronounce it amon but Amen. The sustenance of all THE GRADES, NAMELY that river that emerges and flows, WHICH IS BINAH, is called Amen. As we have learned, "from everlasting to everlasting (lit. 'world to world')" (Tehilim 106:48), means from the world above, WHICH IS BINAH, to the world below, WHICH IS MALCHUT. Here too, "Amen, and Amen" is Amen of above, WHICH IS BINAH, Amen of below, WHICH IS MALCHUT. Amen MEANS sustenance for everyone. We have already explained Amen according to its letters.

40. Rabbi Shimon said, Aleph OF AMEN is the depth of the well, whence all the blessings flow and come out and exist. Open Mem is the river that emerges and flows, WHICH IS YESOD, and is called Mem. This is the meaning of what we learned that open Mem IS YESOD, closed final Mem IS BINAH, as we established BY THE VERSE, "for the increase (Heb. lemarbeh, spelled with final Mem) of the realm" (Yeshayah 9:6).

41. Extended final Nun comprises both Nun's, extended Nun and bent Nun, WHICH MEANS IT INCLUDES IN ITSELF THE NUKVA OF ZEIR ANPIN AS WELL CALLED BENT NUN. Extended final Nun comprises the letter Vav, BECAUSE IT INCLUDES WITHIN IT THE MALE AS WELL, WHICH IS THE LETTER VAV, WHICH IS ZEIR ANPIN. FOR EXTENDED FINAL NUN IS EXPANDED, INCLUDING BOTH MALE AND FEMALE, WHICH ARE ZEIR ANPIN THAT IS VAV AND MALCHUT THAT IS NUN. For that reason everything TOGETHER is called Nun Vav final Nun. We have learned it according to the secret of the Mishnah: Vav is masculine, extended final Nun is both masculine and feminine, bent Nun is comprised in extended final Nun. In the book of Rav Hamnuna Saba, the Mem here IN AMEN is the initial of Melech (Eng. 'king'), namely Amen. Amen is the initials of El Melech Ne'aman (Eng. 'El a faithful King'), which comprises everything. It is good and we have already learned that.

42. We learned that whoever heard a blessing someone made but did not meditate IN HIS HEART on the Amen, of him it says, "And they that despise Me shall be lightly esteemed," as in, "to you, O priests, who despise My name" (Malachi 1:6). What is his punishment? Just as he did not make an opening for blessings above, no blessings are opened for him. Moreover, when he comes out of this world, a proclamation resounds before him, saying, close the gates before so-and-so, so he may not enter. Do not accept him. Woe to him, woe to his soul.

8. The openings of the Garden of Eden and the openings of Gehenom

We learn about the fate of those who do not say 'Amen' with their whole heart. It is said that there is a corresponding opening for each gate in the Garden of Eden to a gate in Gehenom. The lowest chamber of Gehenom is described as Hell and Destruction, and those who enter there never rise again, but are lost from all the worlds; to this place it is said that those who are contemptuous of the 'Amen' are sent.

39. א"ר יוסי א"ר יהודה, מאי אמן. א"ר אבא, הא אוקמוה בלא, אמן אקרי מבוועא דההוא נחלא דנגיד, אמן אקרי, דכתיב ואהיה אצלו אמן, אל תקרי אמן, אלא אמן. קיומא דכלהו ההוא נחלא דנגיד ונפיק, אמן אקרי, דתניא מן העולם ועד העולם, עולם דלעילא, עולם דלתתא. אוף הכא אמן ואמן, אמן דלעילא, אמן דלתתא. אמן קיומא דכלהו, והא אוקימנא אמן באינון אתוון.

40. ר"ש אמר, אלה עמיקא דבירא דכל ברכאן מתמן נבעין ונפקין, ומשתכחין. מ"ם פתוחה, נהרא דנגיד ונפיק, ואקרי מ"ם. והוא רזא דתנינן, מ"ם פתוחה, מ"ם סתומה. כמה דאוקימנא, לסרבה המשרה.

41. נון פשוטה, בללא דתרין נונין, נון פשוטה, נון בפופה. נון פשוטה בללא דאת וא"ו, בג"כ בלא אקרי נון ואו נון. וברזא דמתניתא הכי תאנא, ו' דבר, ו' פשוטה בללא דדבר ונוקבא, נון בפופה, בכללא דפשוטה היא. ובספרא דרב המנונא סבא, מם דהכא, היא נוטריקון מל"ך, והיינו אמן, אמ"ן נוטריקון, א"ל מ"לך נ"אמן. בללא דכלא, ושפיר הוא, והא אתמר.

42. תאנא, כל מאן דשמע ברכה מההוא דמברך, ולא אתכוון באמן, עליה נאמר ובוזי יקלו. כד"א, לכם הכהנים בוזי שמי מאי עונשיה. כמה דלא פתח ברכאן לעילא, כך לא פתחין ליה. ולא עוד אלא בד נפיק מהאי עלמא, מכריזי קמיה, ואמרי, טרוקו גלי קמיה דפלגניא, ולא ליעול, ולא תקבלון ליה, ווי ליה ווי לנשמתיה.

43. We learned that the wicked in Gehenom all go up through certain compartments and that there are many openings to Gehenom. All the openings correspond to the openings in the Garden of Eden. When the wicked are taken out after receiving their punishments, they open the gates and put them outside. All the gates bear names corresponding to those in the Garden of Eden, and each and every gate IN THE GARDEN OF EDEN is called by a name corresponding to the RESPECTIVE gate in Gehenom. The gates in the Garden of Eden are known, gate for gate, WHICH MEANS, UPON SEEING THE KIND OF GATE IN GEHENOM, ONE IS ABLE TO KNOW THROUGH IT THE OPPOSING GATE IN THE GARDEN OF EDEN, WHAT KIND OF GATE IT IS.

44. The last compartment in Gehenom is the lowest. That compartment is DOUBLE, an compartment over an compartment, and is called, "A land of gloom (Heb. efatah)" (Iyov 10:22). What is gloom? It is as in, "Foursquare it shall be" (Shemot 28:16), which is 'if' in Aramaic. Here too, efatah means double. That COMPARTMENT is called the bottom of Sheol. Sheol is one UPPER compartment and the bottom is the lower compartment. Therefore it is called the lower land of gloom, and ALSO called Avadon. Hence it is written, "Sheol and Avadon" (Mishlei 27:20), WHICH ARE THE DOUBLE COMPARTMENTS, ONE ON TOP OF THE OTHER. Not all compartments are double, and not all are gloomy, THAT IS, THEY ARE NOT CALLED "A LAND OF GLOOM," except for this one.

45. And we learned that whoever descends to Avadon, that is called bottom, never rises. That MAN is called a man who was destroyed and lost to all worlds. And we learned that to that place are lowered those men who despised saying Amen. Such a man is punished in Gehenom for the many Amen's that were lost to him, that he did not consider, and he is lowered to the lowest compartment, which has no opening, and he is lost and never rises from there. Hence it is written, "As the cloud is consumed and vanishes away, so he who goes down to Sheol shall come up no more" (Iyov 7:9). HE ASKS, but no; it is written, "out of the belly of Sheol I cried and You did hear..." (Yonah 2:3), AND HE ROSE FROM THERE. It is also written, "He brings down to Sheol and brings up" (I Shmuel 2:6). AND HE ANSWERS, but this is Sheol FROM WHICH ONE ASCENDS, and there is the bottom FROM WHERE ONE DOES NOT RISE. We explained that this refers to one who repented BY DOING PENANCE, and there to one who did not.

46. Rabbi Yosi said, as for the words, "For My people have committed two evils; they have forsaken Me the fountain of living waters, and have hewn them out cisterns..." (Yirmeyah 2:13), "they have forsaken Me the fountain of living waters" is by not wanting to sanctify the Name of the Holy One, blessed be He, with Amen. What is his punishment? It is as is written, "and have hewn them out cisterns, broken cisterns," by going to Gehenom one level after another until they reach Avadon that is called bottom. If he sanctifies the Name of the Holy One, blessed be He, by meditating properly on Amen, he rises, level after level, to have delight in the World to Come, that ever flows and does not cease. This is the meaning of, "for Hashem preserves the faithful, and plentifully repays him who acts haughtily" (Tehilim 31:24).

43. תָּאנָא, חַיִּיבֵי דְגִיְהֵנָם, כְּלֵהוּ סְלִקֵי בְּמִדּוּרֵין יִדְיעֵן, וְכִמָּה פְתָחִין אֵית לֵיה לְגִיְהֵנָם, וְכִלְהוּ פְתָחִין לְקַבֵּל פְתָחִין דְגֵן עֵדֵן. וּבְשַׁעְתָּא דְאִמְקֵי לְאִינוּן חַיִּיבֵיא דְקִבְלוּ עוֹנְשֵׁיהוּ, אִינוּן פְתָחֵי פְתָחִין, וְשׁוּיִין לֹון לְבַר. וְכִלְהוּ פְתָחִין בְּשַׁמְהֵן אִקְרוּן, לְקַבְלֵיהוּן דְפְתָחִין דְגֵן עֵדֵן, וְכֹל פְתָחָא וּפְתָחָא, אִקְרִי שְׁמָא, לְקַבְלֵי הֵהוּא פְתָחָא דְגִיְהֵנָם, וְאִשְׁתַּמּוּדְעֵן פְתָחִין לְקַבְלֵיהוּן פְתָחִין, אִינוּן פְתָחִין דְג"ע.

9. The song of the well

We learn that song draws blessings from above downward until they are available in all the worlds, and that the children of Yisrael are destined to proclaim the song both from below upward and from above downward. In this way they will connect a bond of Faith and Trust. And at the time of redemption they will say the entire perfect song that is composed of and includes all other songs, and God will be proclaimed the only God.

47. We learned that shirah (lit. 'poem') draws blessings from above downward, until there are blessings throughout the worlds. Rabbi Elazar said, Yisrael will recite a poem from below upward and from above downward, and to bind the bond of Faith, as written, "Then Yisrael sang (lit. 'will sing') this song (Heb. shirah)" (Bemidbar 21:17). It speaks in the future tense rather than in the past. And so is everything the same way, IN THE FUTURE TENSE. "This shirah" is from below upward, BECAUSE SHIRAH IS IN MALCHUT THAT SINGS UPWARDS TO ZEIR ANPIN, "Spring up, O well, sing to it" (Ibid.). "Spring up, O well," namely, THEY SPOKE TO MALCHUT CALLED A WELL, rise to your place to join your husband ZEIR ANPIN. This is from below upward, RAISING MALCHUT TO ZEIR ANPIN.

48. Afterwards THEY DRAW from above downward, "the well that the princes dug out" (Ibid. 18). THE WELL IS MALCHUT; "the princes dug out," as ABA and IMA begot her, BECAUSE ABA AND IMA FORMED MALCHUT ACCORDING TO THE SECRET OF, "THE SIDE, WHICH HASHEM ELOHIM HAD TAKEN" (BERESHEET 2:22); "the nobles of the people delved" (Bemidbar 21:18) are the patriarchs, NAMELY CHESD, GVURAH AND TIFERET OF ZEIR ANPIN called the nobles of the people. They delved it, NAMELY THEY DELVED A PLACE for the King to unite with her with blessings. With what? Through union. "with the scepter" (Ibid.) refers to Yesod, "with their staves" (Ibid.) refers to Netzach and Hod. UP TO HERE is from above downward. "From the wilderness" (Ibid. 19), WHICH IS MALCHUT CALLED SPEECH, "to Matanah" (Ibid.) IT RISES TO YESOD CALLED MATANAH. "And from Matanah it rises to Nahaliel," WHICH IS TIFERET, "and from Nahaliel to Bamot" (Ibid.), WHICH IS ABA AND IMA. This is the complete bond, the bond of Faith, the bond that incorporates sustenance for everything.

49. Rabbi Yosi said, Yisrael will recite a complete poem, a poem including all other songs. This is the meaning of, "O give thanks to Hashem; call upon His name. Make known His deeds among the people" (Tehilim 105:1). Of that time it is written, "on that day Hashem shall be one, and His Name One" (Zacharia 14:9), and, "Then was our mouth filled with laughter, and our tongue with singing. Then they said among the nations, Hashem has done great things for them" (Tehilim 126:2).
Blessed be Hashem forever and ever, Amen and Amen.
May Hashem reign forever and ever, Amen and Amen.

1. "Give ear, O heavens"

Rabbi Yehuda speaks of the many times that Moses reproved Yisrael, but tells us that Moses said all these things with love, always reminding the people how much God loved them. Rabbi Yitzchak says that Moses had always refused to be guided by anyone other than God Himself; he would not be guided by any angel or messenger. Moses never trembled before the voice of God or any messenger, and yet after he died Joshua was afraid of God's messengers. God was no longer as available to Yisrael as He had been during Moses' lifetime.

1. "Give ear, O heavens, and I will speak; and hear, O earth, the words of my mouth" (Devarim 32:1). Rabbi Yehuda opened with, "I opened to my beloved; but my beloved had turned away, and was gone...I sought him, but I could not find him; I called him, but he gave me no answer" (Shir Hashirim 5:6). Before that it is written, "I sleep, but my heart wakes..." (Ibid. 2). "I sleep," says the Congregation of Yisrael, "I sleep" away from the commandments of the Torah when I traveled the wilderness; "but my heart wakes" to bring them to the land of Yisrael to legislate laws for them. For all the commandments of the Torah are present in the land of Yisrael. "Hark, my beloved is knocking" (Ibid.) refers to Moses, who reproved Yisrael with many arguments and quarrels, as written, "These are the words..." (Devarim 1:1), "You have been rebellious" (Devarim 9:24), and, "Also in Horeb you provoked..." (Ibid. 8). This is the meaning of, "knocking."

2. Though Moses reproved Yisrael, all his words were with love, as written, "For you are a holy people to Hashem your Elohim. Hashem your Elohim has chosen you to be a special people to Himself..." (Devarim 7:6), "You are the children of Hashem your Elohim" (Devarim 14:1), "But you that did cleave" (Devarim 4:4). Therefore, "obey the voice of Hashem your Elohim" (Devarim 27:10), "because Hashem loved you" (Devarim 7:8). This is the meaning of, "Open to me, my sister, my love" (Shir Hashirim 5:2), SPOKEN AFFECTIONATELY.

3. It is written, "I rose up to open to my beloved" (Ibid. 4). Yisrael said, while we were ready to enter the land of Yisrael and accept the commandments of the Torah through Moses, it is written, "but my beloved had turned away, and was gone," as written, "So Moses the servant of Hashem died there" (Devarim 34:5). "I sought him, but I could not find him," as written, "And there arose not a prophet since in Yisrael like Moses" (Ibid. 10). "I called him, but he gave me no answer," since there was no generation like the generation of Moses that the Holy One, blessed be He, obeyed their voices and performed miracles and made laws for them, as He did through him.

4. Rabbi Yitzchak said, "I rose up to open to my beloved" refers to the Holy One, blessed be He, during the life of Moses, who refused all his days to be guided by an angel or messenger, as written, "If Your presence go not with me..." (Shemot 33:15). Blessed is the portion of Moses that the Holy One, blessed be He, approved of his desire. "but my beloved had turned away, and was gone," during the life of Joshua, as written, "No, but I am captain of the host of Hashem" (Yehoshua 5:14).

1. הָאֵינּוּ הַשָּׁמַיִם וְאֶדְבָּרָה וְתִשְׁמַע הָאָרֶץ אִמְרֵי מִי, רַבִּי יְהוּדָה פִּתַּח, פִּתַּחְתִּי אֲנִי לְדוֹדֵי וְדוֹדֵי חָמֵק עָבַר וְגו', בְּקִשְׁתִּיהוּ וְלֹא מִצְאָתִיהוּ קִרְאָתוֹ וְלֹא עֲנָנִי. מִה כְּתִיב לְעִילָא. אֲנִי יִשְׁנָה וְלִבִּי עַר וְגו'. אֲנִי יִשְׁנָה, אָמְרָה כְּנִסְתַּת יִשְׂרָאֵל. אֲנִי יִשְׁנָה, מִפְּקוּדֵי אֹרֵייתָא, בְּזִמְנָא דְאִזְוִלְנָא בְּמִדְבָּרָא. וְלִבִּי עַר, לְאֶעְלָא לְאַרְעָא, לְמַעַבְדַּד לְהוּ נִימוּסִין דְּהָא כָּל פְּקוּדֵי אֹרֵייתָא בְּאַרְעָא מִשְׁתַּכְּחִין. קוּל דְּדוֹדֵי דּוֹפֵק, דְּא מִשָּׁה. דְּאוֹכַח לְהוּ לְיִשְׂרָאֵל בְּכִמְהָ וּיְכוּחִין, בְּכִמְהָ קִטְטִין. דְּכְתִיב, אֱלֹהֵי הַדְּבָרִים וְגו', מִמְרִים הֵייתִם וְגו'. וּבְחֹרֵב הִקְצַפְתֶּם וְגו'. הֵה"ד דּוֹפֵק.

2. ועב"ד דמשה אוכח להו לישראל, ברחימותא הוו כל מלווי, דכתיב כי עם קדוש אתה לויי אלהיך. ובך בחר יי אלהיך להיות לו לעם וגו' בנים אתם לויי אלהיכם ואתם הדבקים ביי. ועל דא ושמעת בקול יי אלהיך. כי מאהבת יי אתכם. הה"ד פתחי לי אחותי רעיתי.

3. מה כתיב. קמתי אני לפתוח לדודי, אמרו ישראל בעוד דהיונן זמינין למיעל לארעא, ולקבלא אינון פקודי אורייתא, על ידוי דמשה, מה כתיב. ודודי חמק עבר, דכתיב, וימת שם משה עבד יי. בקשתיהו ולא מצאתיהו, דכתיב ולא קם נביא עוד בישראל כמשה. קראתיו ולא ענני, דלא הוה דרא כדרא דמשה, דקודשא בריך הוא שמע לקליהון, ועבד להו נסין ונימוסין, כמה דעבד על ידוי.

4. ר' יצחק אמר, קמתי אני לפתוח לדודי, דא קודשא בריך הוא ביומוי דמשה, דכל יומוי לא בעא דמלאכא ושליחא לדברא עמיה, דכתיב אם אין פניך הולכים וגו'. זבאה חולקיה דמשה, דקודשא בריך הוא אסתכם לרעותיה. ודודי חמק עבר, ביומוי דיהושע, דכתיב, לא כי אני שר צבא יי.

5. Come and see, Moses used to hear the holy sound of the supernal King yet did not tremble, nor did he tremble before an angel, whom he did not wish TO ACCEPT. After he died, it is written, "And he said, No, but I am captain of the host of Hashem...And Joshua fell on his face to the earth." "I am now come" (Ibid.), during the days of Moses your master, yet I was not accepted. At that time, Yisrael recognized the value of Moses. At that time Yisrael sought the Holy One, blessed be He, but He was not as available as during Moses' lifetime. This is the meaning of, "I sought him, but I could not find him..."

5. ת"ח, משה הוה שמע קלא קדישא דמלכא עלאה, ולא אזדעזע, וכ"ש מלאכא, דלא בעא. בתר דשכיב מה כתיב. ויאמר לא כי אני שר צבא יי'. וכתיב ויפול יהושע אל פניו ארצה. עתה באתי, ביומוי דמשה רבך אתינא, ולא קבלני. ביה שעתא, ידעו ישראל שבחא דמשה. בההוא זמנא בעו ישראל לקודשא בריך הוא, ולא אזדמן להו הכי ביומוי דמשה, הה"ד בקשתיהו ולא מצאתיהו וגו'.

2. "Give ear, O heavens - hear heavens"

Rabbi Chiya tells us about the time that Isaiah said, "Hear, heavens, and give ear, earth"; when Isaiah was then challenged by a voice he answered that it was not he himself who was speaking. And yet when Moses spoke it was indeed his own voice. Rabbi Yosi's interpretation is that Moses was addressing the supernal heaven and earth while Isaiah was addressing the lower heavens and earth.

6. "Give ear, O heavens, and I will speak." Rabbi Chiya said, Moses' portion is blessed above that of any prophet in the world. Come and see, it is written, "Hear, heavens, and give ear, earth, for Hashem has spoken" (Yeshayah 1:2). "Hear, heavens": it is written in Isaiah, who was further away from the King, "Hear, heavens." As for Moses, who was nearer to the King, it is written, "Give ear, O heavens."

6. האזינו השמים ואדברה, רבי חייא אמר, זכאה חולקיה דמשה, יתיר מכל נביאי עלמא. ת"ח, כתיב שמעו שמים והאזינו ארץ כי יי' דבר. שמעו שמים, ישעיה דהוה יתיר רחיקא ממלכא, כתיב שמעו שמים. משה דהוה יתיר קריב למלכא, כתיב האזינו השמים.

7. We learned that when Isaiah said, "Hear, heavens, and give ear, earth," many prosecutors came to break his head. A voice resounded, saying, Who is that who wishes to shake worlds! Then he opened with the words, It is not I nor is it mine, but, "Hashem has spoken" and not I. Of Moses it is written, "Give ear, O (lit. 'the') heavens, and I will speak," I and no other. "I will speak" without fear, "and hear O (lit. 'the'), earth, the words of my mouth" and not anybody else's. Blessed is his portion. Rabbi Aba said, In the engraved letters of Rabbi Elazar HE SAID, in "Give (spelled with Vav) ear, the (Heb. Hei) heavens, and (Heb. Vav) I will speak; and hear, the (Heb. Hei) earth" the holy, supernal Name is alluded to, NAMELY YUD HEI VAV HEI.

7. תאנא, בההוא זמנא דאמר ישעיהו שמעו שמים והאזינו ארץ. כמה גרדיני טהירין אזדמנו לתברא רישיה, נפקא קלא ואמר, מאן הוה דין דבעי לארעשא עלמין, עד דפתח ואמר, לאו אנא, ולא דידי, אלא כי יי' דבר, ולא אנא. במשה מה כתיב. האזינו השמים ואדברה, אנא ולא אחרא. ואדברה בלא דחילו. ותשמע הארץ אמרי מי, ולא מאחרא. זכאה חולקיה. א"ר אבא, באתון גליפן דר' אלעזר, האזינו השמים ואדברה ותשמע הארץ, הכא אתרמיז שמא קדישא עלאה.

8. Rabbi Yosi said, Another difference between Moses and Isaiah is that Moses said, "Hear, the heavens" WITH THE DEFINITE ARTICLE, "the heavens," namely the supernal heavens, those known to be called the Name of the Holy One, blessed be He. "and hear, the earth" is the supernal earth, the one known to be the land of the living, NAMELY MALCHUT. In Isaiah it is written, "Hear, heavens," instead of "the heavens," because these are the lower heavens and earth. Nevertheless, they wanted to punish him until he said, "for Hashem has spoken" and not I. Moses spoke much more, as written, "Give ear, the heavens, and I will speak; and hear, the earth, the words of my mouth," WHO ARE ZEIR ANPIN AND MALCHUT. HE DID NOT FEAR, AND NONE WANTED TO PUNISH HIM.

8. ר' יוסי אמר, תו מה בין משה לישעיהו. משה אמר האזינו השמים, השמים, שמים עלאין, אינון דאשתמודען, דאקרון שמא דקודשא בריך הוא. ותשמע הארץ, ארץ עלאה, היא דאשתמודעא, ואיהי ארץ החיים. בישעיה כתיב, שמעו שמים ולא השמים. האזינו ארץ, ולא הארץ. ואינון שמים וארץ תתאין. ועם כל דא, בעו לאענשא ליה, עד דאמר כי יי' דבר, ולא אנא. ומשה אמר כולי האי, דכתיב האזינו השמים ואדברה ותשמע הארץ אמרי מי.

3. The apple tree and the lily

Rabbi Yitzchak says how blessed Yisrael is to be under the direct care of God rather than to have been assigned to one of His appointed ministers. He says that God is like an apple that has three colors and the Congregation of Yisrael, Malchut, is like a lily that has two colors. The three colors of the apple allude to Chesed, Gvurah and Tiferet, while the two colors of the lily allude to Judgment and Chesed. The patriarchs are also the three colors joined in the apple.

9. Rabbi Yitzchak opened with, "Like the apple tree..." (Shir Hashirim 2:3). Happy is the portion of Yisrael more than all the idolatrous nations, because all the other nations were handed to appointed ministers to control them. As for holy Yisrael, happy is their portion in this world and in the World to Come that the Holy One, blessed be He, gave them neither to an angel nor to another ruler, but took them for His own portion. This is the meaning of, "For Hashem's portion is His people" (Devarim 32:9), and, "For Hashem has chosen Jacob to Himself" (Tehilim 135:4). "Like the apple tree among the trees of the wood": just as the apple tree is different in color from all the other trees in the field, so is the Holy One, blessed be He, separated and marked above all higher and lower legions. Hence His name is Hashem Tzevaot, WHICH MEANS He is a sign (Heb. ot) throughout the celestial army (Heb. tzava).

10. Come and see, the Holy One, blessed be He is like an apple that has in it three colors, WHITE, RED AND GREEN THAT INDICATE CHESED, GVURAH AND TIFERET. The Congregation of Yisrael, WHO IS MALCHUT, is like a lily. What is a lily? Rabbi Aba said, It is a generic lily, a lily of six petals. The colors of such a lily are white and red, and it is all of two colors, red and white THAT INDICATE JUDGMENT AND CHESED. Such is the Congregation of Yisrael, WHO IS MALCHUT.

11. The Holy One, blessed be He, is like an apple tree; the Congregation of Yisrael is like a lily. For thus spoke the Congregation of Yisrael, "I roused you under the apple tree" (Shir Hashirim 8:5). HE ASKS, Where is this, under the apple tree, AND ANSWERS, These are the patriarchs we mentioned, CHESED, GVURAH AND TIFERET THAT ARE CALLED PATRIARCHS. Rabbi Yosi said, It is Jubilee, NAMELY BINAH CALLED APPLE TREE. Rabbi Aba said, Everything is correct, because the patriarchs we mentioned are the three colors joined in the apple.

12. Rabbi Yitzchak said, How did the Congregation of Yisrael become a part of the lily? By loving kisses with which MALCHUT cleaved to the supernal King ZEIR ANPIN. Then she took FROM HIS TWO LIPS two roses, as written, "his lips like lilies" (Shir Hashirim 5:13). This is why the Congregation of Yisrael said, "Let him kiss me with the kisses of his mouth" (Shir Hashirim 1:2), since then she is included in the lilies in his two lips THAT ARE CALLED LILIES.

4. Seven firmaments and seven planets

Rabbi Yehuda says that God is called heaven, and thus all the firmaments are also included in this name; when the firmaments are joined together they are called heaven and therefore they are also called the Name of God. Rabbi Yehuda goes on to list these seven firmaments. Rabbi Yitzchak recalls that Rabbi Shimon compared all the seventy Sfirot of the King to seven firmaments and seven planets, and that although the planets are called by physical names they actually conceal all the firmaments. We are told the names of the seven planets and given their relationship to the seven supernal Sfirot. Rabbi Yosi says that the rabbis find these matters easy to understand even though they are concealed by certain terms. Rabbi Shimon admonishes the other rabbis to forget about the Baraithas because they know the greater wisdom of the Kabbalah and have revealed what was never revealed to ancient sages.

9. רבי יצחק פתח, בתפוח בעצי היער וגו'. זכאה חולקהון דישראל מכל עמין עכו"ם, דהא כל שאר עמין אתיהבו לרברבן ממנן, בשלטנותא עלייהו. וישראל קדישין, זכאה חולקהון בעלמא דין ובעלמא דאתי, דלא יתב לון קודשא בריך הוא לא למלאכא, ולא לשליטא אחרא, אלא הוא אחיד לון לחולקיה, הה"ד כי חלק יי' עמו. וכתיב, כי יעקב בחר לו יה. בתפוח בעצי היער, מה תפוח מתפרשא בגוונוי, על כל שאר אילני חקלא, כך קודשא בריך הוא מתפרש ואתרשים על כל חילין עלאין ותתאין, בג"כ יי' צבאות שמו, אות הוא בכל חילא דלעילא.

10. ת"ח, קודשא בריך הוא בתפוח, דאית ביה תלת גוונין. כ"י בשושנה מאן שושנה. א"ר אבא, שושנה סתם, שושנה דאתכלילת בשית טרפין, שושנה דא גווניה חור וסומק. וכלא הוא תרין גוונין, סומק וחור, הכי כ"י.

11. קודשא בריך הוא בתפוח, כ"י בשושנה. דהכי אמרה כ"י, תחת התפוח עוררתין. תחת התפוח באן אתר היא. אלא אליו אבהתין דאמרן. ר' יוסי אמר, דא יובלא. ר' אבא אמר, כלא שפיר, אלא אליו אבהן דקאמרן, אליו אינון ג' גוונין, דמתחברן בתפוח.

12. ר' יצחק אמר, באן אתר אתכלילת כ"י בשושנה. באינון נשיקין דרחימותא, דאתדבקת במלאכא עלאה, נטלה תרי שושנים, כד"א שפתותיו שושנים. ובג"כ אמרה כ"י, ישקני מנשיקות פיהו. בגין דאתכלילת בשושנים, בתרי שפון דיליה.

13. Rabbi Yehuda said, The Holy One, blessed be He, WHO IS ZEIR ANPIN, is called heaven, and since He is called heaven, all the firmaments that are included in this name, when they are joined together are called heaven and called the Name of the Holy One, blessed be He. What are these firmaments COMPREHENDED IN HEAVEN? AND HE ANSWERS, There are seven as we learned: Vilon (Eng. 'curtain'), Raki'a (Eng. 'firmament'), Shechakim (Eng. 'skies'), Zvul (Eng. 'dwelling'), Ma'on (Eng. 'temple'), Machon (Eng. 'sanctuary'), and Aravot (Eng. 'heaven'). In the Agadah of Rav Hamnuna Saba we learned it thus IN THESE WORDS. Rabbi Yitzchak said, The B'raitot of Rav Hamnuna Saba are thus, SPEAKING ABOUT LOWER THINGS BUT ALLUDING TO LOFTY ONES, THAT IS, JUST LIKE HERE THE SEVEN FIRMAMENTS ARE DISCUSSED THAT REFER TO ZEIR ANPIN THAT HAS SEVEN SFIROT. There are many B'RAITOT THAT SPEAK in all these manners.

14. As we learned, Rabbi Shimon said, We learned in all these B'raitot that all these seventy Sfirot of the King are compared to seven firmaments and seven planets that run to and fro, and they are called by PHYSICAL names. But though they conceal all the firmaments, THAT IS, THEY ARE CALLED BY NAMES THAT ALLUDE TO THEIR INNER, SECRET ASPECT, as for the seven planets, Shabtai (Saturn), Tzedek (Jupiter), Ma'adim (Mars), Chamah (Sun), Nogah (Venus), Cochav (Mercury), Levanah (Moon) they relate these SEVEN SUPERNAL SFIROT to those NAMES OF THE PLANETS, WISHING to conceal matters, NAMELY, regarding those OF WHOM it is written, "Let now the astrologers, the stargazers, the monthly prognosticators, stand up, and save you" (Yeshayah 47:13). They conceal matters UNDER THESE NAMES, even though they are not the ways of the Torah BUT ASTROLOGICAL LANGUAGE. But we follow the ways of the Torah, NAMELY, ALLUDE TO EVERYTHING AND CONCEAL IT WITH WORDS OF TORAH, as written, "and he called their names after the names by which his father had called them" (Bereshheet 26:18), namely, we follow the words of the Holy One, blessed be He, NAMELY THE LANGUAGE OF THE TORAH, and walk with Him, as written, "and walk in His ways" (Devarim 28:9).

15. Rabbi Yosi said, These words, NAMELY, OUTER NAMES MENTIONED ABOVE, are easy to the friends, and the words are understood, though they are concealed BY FOREIGN TERMS. He said to him, And so have we learned like Rabbi Yehuda said that Rabbi Chiya said before us. And so have we learned from these B'raitot, that during Solomon's days the moon stood full, THAT IS, MALCHUT WAS FULL AND FACE TO FACE WITH ZEIR ANPIN, WHICH IS WHY WISDOM WAS SO PREVALENT THEN. Many people understood the words of these B'raitot.

16. Rabbi Shimon said, I have raised my hands in prayer to the holy supernal One that these subjects, THE WISDOM OF KABBALAH, were uncovered by me in that world the way they were covered in my heart. And we do not USE these ways of the B'raitot but apply the ways of the Torah TO INTERPRET THIS DISCIPLINE.

13. ר' יהודה אמר, קודשא בריך הוא שמים אקרי. ובגין דאקרי שמים, כל אינון רקיעין דאתכלילין בשמא דא, כד מתחברין כחדא, אקרו שמים, ואקרו שמא דקודשא בריך הוא. מאן אינון רקיעין. שבעה אינון. כמה דתנינן, וילון, רקיע, שחקים, זבול, מעון, מכון, ערבות. ובאגדתא דבי רב המנונא סבא, הכי תנינן. ר' יצחק אמר, הני ברייתא דבי רב המנונא סבא הכי, וסגיאיין אינון בכל הני גוויני.

14. כמה דתנינן, אר"ש, תנינן באינון ברייתא, דלגבי דכל הני שבעין בתרין דמלכא. לקבליהון שוויין ד' רקיעין, וז' ככביא דרהטין ואזלין, וקרי לון שמהן בשמהן. ואע"ג דשוויין בלהו כסאי דרקיעין, דשבעה ככביא, שבתאי, צדק, מאדים, חמה, נוגה, כוכב, לבנה. ושויין אליון לקביל אליון, בכסויא דמליון. לגבי אינון דכתוב, יעמדו נא וישיעונו הוכרי שמים החוזים בככבים. בלהו מליון מתכסיון, ואע"ג דלאו אורחי דאורייתא. ואנן בתר אורחין דאורייתא קא אזלינן, כמה דכתוב ויקרא להן שמות בשמות אשר קרא להן אביו, כמה דמליל קודשא בריך הוא, אזלינן, ובהדיה אזלינן, כמה דכתוב והלכת בדרךיו.

15. אמר רבי יוסי, פשיטין מליון אליון לגבי חבריאי, ואשתמודען מלי בהו, ואע"ג דאתכסיון. אל והכי תנן, כמה דא"ר יהודה א"ר חייא לקמן. והכי אוליפנא מאינון ברייתא, דתנא ביומוי דשלמה מלכא, קיימא סיהרא באשלמותא, ובאתרין סגיאיין אשתמודען מלי דאינון ברייתא.

16. אר"ש, ארימית ידי בצלו לקדישא עלאה, דמליון אליון אתגליאו על ידי, בההוא עלמא, כמה דאתכסיון בלבאי. ולית אנן באינון ארחין דאינון ברייתא, אורחי דאורייתא נקטינן.

17. We learned that Rabbi Yehuda said, Who is great in wisdom like King David and his son King Solomon in ATTAINING that Sfirah known by these B'raitot, THAT IS THE SFIRAH OF MALCHUT. King David called the moon, WHICH IS MALCHUT, righteousness because it is his, HE BEING A CHARIOT TO MALCHUT, as written, "Open to me the gates of righteousness. I will go in to them, and I will praise Yah" (Tehilim 118:19). King Solomon also CALLED IT RIGHTEOUSNESS, and it is called righteousness. The sun that is called in the B'raitot a covenant, NAMELY YESOD, is called justice. And both are the Throne of Glory of the King, ZEIR ANPIN, as written, "Righteousness and justice are the foundation of Your throne" (Tehilim 89:15), because the Righteous and Righteousness, YESOD AND MALCHUT, are also in the same grade, WHICH IS WHY THEY ARE MENTIONED TOGETHER IN THE WORDS, "RIGHTEOUSNESS AND JUSTICE ARE THE FOUNDATION OF YOUR THRONE." We learned that the seven Sfirot, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, are nine, THAT IS, TOGETHER WITH CHOCHMAH AND BINAH. And even in these B'raitot, seven firmaments are nine.

18. Rabbi Shimon said, How long will the friends read these things, NAMELY THE B'RAITOT! We follow the Holy One, blessed be He, and we know the subjects OF THE WISDOM OF KABBALAH. We have revealed what was not revealed to ancient sages. From now on, leave all these things and all the B'raitot to those who did not go in and out, NAMELY THOSE WHO ENTERED THE WISDOM BUT DID NOT LEAVE IT BECAUSE THEY DID NOT UNDERSTAND IT. Let their children come and inquire about this wisdom, and when they will, the friends will say TO THEM, Woe to the generation from which Rabbi Shimon bar Yochai has departed. Yet come and see, from now on there shall be no generation like this one, and Torah will not be disclosed by the friends.

5. Moses revealed on the day he passed away

Rabbi Shimon says that the last generation that left Egypt knew everything, because Moses revealed it all to them during the forty years that they wandered in the wilderness. Rabbi Yitzchak had taught that even Moses only revealed secrets on the last day before he died, once he was given permission to reveal them. The poem that Moses delivered to the people was drawn from the Holy Spirit downwards, and he called on the name of God when he spoke.

19. Come and see, the last generation that left Egypt knew everything because Moses revealed it to them all the forty years they were in the wilderness, as I said. We learned that Rabbi Yitzchak said, Even Moses revealed it only on the day he departed from the world, as written, "I am a hundred and twenty years old this day" (Devarim 31:2), on the very day HE PASSED AWAY. Hence he did not speak until he was given permission as written, "Now therefore write this poem for yourselves" (Ibid. 19). When he did reveal, he did not say 'Give ear, Yisrael', but, "Give ear, O heavens" (Devarim 32:1).

20. Rabbi Yosi said, It is written, "this poem," THAT IS, "NOW THEREFORE WRITE THIS POEM FOR YOURSELVES." Could it be called a poem? IT SHOULD HAVE SAID 'THIS TORAH'. Rabbi Yitzchak said, It is surely a poem. As a poem is drawn through the Holy Spirit from above downwards, SO these words also were drawn through the Holy Spirit from above downwards. This is why Moses spoke of a poem.

17. תָּאנָא א"ר יְהוּדָה, מֵאֵן לָךְ רַב בְּחֻכְמָתָא כְּדוּד מְלָכָא, וְשִׁלְמָה מְלָכָא בְרִיָּה, בְּהָאֵי בְתָרָא דְאַשְׁתְּמוּדַע בְּבְרִיּוּתֵי אַלְיָן. וְסִיְהָרָא קְרִיּוּה דוּר מְלָכָא צְדָק, דְּהָא דִּילִיָּהּ הוּא, דְּכִתְיִב פְּתַחוּ לִי שַׁעְרֵי צְדָק אָבָא בִּם אוֹרְהָ יְהוָה. שְׁלֹמָה מְלָכָא הָכִי נִמְי, וְאִיהוּ אֲתִקְרִי צְדָק, וְשִׁמְשָׁא דְאַתְקְרִי בְּבְרִיּוּתֵי בְרִית, אִיהוּ אֲקְרִי מִשְׁפָּט. וְאִינוּן כְּרִסֵּי יִקְרָא דְמְלָכָא, דְּכִתְיִב צְדָק וּמִשְׁפָּט מִכּוֹן כְּסָאָךְ. צְדִיק וְצְדָק הָכִי נִמְי בְּחַד דְרָגָא הוּוּ. תָּאנָא, ז' בְּתַרְיִן אוֹקְמוּהָ, תְּשַׁעָּה אֲקָרוּן. וְאִמְלוּ בְּאִינוּן בְּרִיּוּתֵי, שְׁבַעָּה רְקִיעֵין אִינוּן תְּשַׁעָּה הוּוּ.

1

21. Come and see all that Moses has spoken and called to the high ones before he uttered a word, as written, "Give ear, O heavens." "My doctrine shall drop as the rain..." (Ibid. 2). Why all that? Because "I will call on the name of Hashem" (Ibid. 3). Before he said that, he caused all the worlds to tremble.

22. We learned that when Moses said, "Give ear, O heavens, and I will speak," the worlds shook. A voice resounded saying, Moses, Moses, why are you shaking the whole world. You are human, shall the world shake because of you? He opened and said, "I will call on the name of Hashem." At that moment they became silent and listened to his words.

The holy Idra Zuta (the smaller assembly)

6. The day when Rabbi Shimon wanted to depart from the world

This section begins to tell about the events surrounding Rabbi Shimon's voluntary departure from the world. Many of the friends are with him, although they come and go as Rabbi Shimon requests them to. A fire encircles the whole house as he prepares to reveal things that he has never before had permission to reveal, and Rabbi Aba is charged with writing down his revelations. Rabbi Shimon begins by saying that the living are the righteous, and anyone who is wicked is considered to be dead. He says that God delights in the honor of the righteous even more than His own honor. Next Rabbi Shimon tells the other rabbis that he can see two rabbis who died some time earlier together with seventy righteous people all shining with the radiance of the most hidden Atika Kadisha; at this statement the other rabbis tremble. Rabbi Shimon says that during his whole life he was attached to God, and now at the end God and all His holy followers have come joyfully to listen to hidden secrets and to the praise of Atika Kadisha.

23. We learned that on the day Rabbi Shimon wanted to depart from the world and was putting his affairs in order, the friends gathered in the house of Rabbi Shimon. Before him were Rabbi Elazar his son and Rabbi Aba and other friends, and the house was full. Rabbi Shimon lifted up his eyes and saw that the house became full. Rabbi Shimon wept and said, Another time when I was ill Rabbi Pinchas ben Yair was before me, and they waited for me until I inquired about my place IN THE GARDEN OF EDEN. When I returned, a fire circled me, which never stopped. No one entered MY HOUSE except by permission. Now I see THE FIRE stopped, and behold the house is full.

24. While they were sitting, Rabbi Shimon opened his eyes and saw what he saw, and fire encircled the house. Everybody left, and only Rabbi Elazar his son and Rabbi Aba remained, while the rest of the friends stayed outside. Rabbi Shimon said to Rabbi Elazar his son, Go out and see if Rabbi Yitzchak is here, because I was a guarantor for him. Tell him to settle his affairs and sit by me. Happy is his portion.

25. Rabbi Shimon rose and sat down, laughed and rejoiced. He said, Where are the friends? Rabbi Elazar rose and let them in, and they sat before him. Rabbi Shimon raised his hands, recited a prayer and was glad. He said, Let the friends that were present at the assembly, NAMELY THE IDRA RABA, come here. They all left, and Rabbi Elazar his son, Rabbi Aba, Rabbi Yehuda, Rabbi Yosi and Rabbi Chiya stayed. In the meanwhile Rabbi Yitzchak entered. Rabbi Shimon said to him, How deserved is your portion. How much joy should be added to you on this day. Rabbi Aba sat behind him and Rabbi Elazar before him.

26. Rabbi Shimon said, Now it is time of goodwill, and I want to come without shame into the World to Come. Here are holy matters that I have not revealed until now. I wish to reveal them before the Shechinah so it shall not be said that I have gone from this world in want - until now they have been hidden in my heart, so I can enter through them into the World to Come.

27. This is how I am going to arrange you: Rabbi Aba shall write, Rabbi Elazar my son shall recite orally, and the other friends shall mutter speak in their heart. Rabbi Aba rose from behind his back. Rabbi Elazar was sitting in front of him. RABBI SHIMON said to him, Rise my son, for another shall sit in this place. Rabbi Elazar rose.

28. Rabbi Shimon wrapped himself IN HIS GARMENT, and sat down. He started by saying, "The dead cannot praise Yah, nor can any who go down into silence (Heb. dumah)" (Tehilim 115:17). Surely "The dead cannot praise Yah," those who are considered dead, because the Holy One, blessed be He, is called living and dwells among those who are called living, NAMELY THE RIGHTEOUS, and not with those that are considered dead, NAMELY THE WICKED. The end of the verse PROVES IT, as written, "nor can any who go down into Dumah," namely all those who go down to THE ANGEL Dumah, and remain in Gehenom. But it is not so with those who are called living, THE RIGHTEOUS, that the Holy One, blessed be He, delights to honor.

29. Rabbi Shimon said, How different is this time from the Idra RABA IN THE PORTION OF NASO, since in the Idra the Holy One, blessed be He, came with His Chariots. Now the Holy One, blessed be He, is here, coming with the righteous that are in the Garden of Eden, which has not happened at the Idra. And the Holy One, blessed be He, delights in the honor of the righteous more than His own honor, as written about Jeroboam that he used to make offerings and worship idols, yet the Holy One, blessed be He, waited for him AND DID NOT PUNISH HIM. But once he stretched his hands against Ido the prophet, his hand dried up, as written, "And his hand...dried up" (I Melachim 13:4). It is not mentioned because he worshipped idols, but because he put out his hand against Ido the prophet. Now the Holy One, blessed be He, delights in our honor as all THE RIGHTEOUS IN THE GARDEN OF EDEN came with Him.

25. קם ר"ש, ויחיב, וחייוך, וחדוי. אמר, אן אינון חבריאי. קם רבי אלעזר, ואעיל לון. יתבו קמיה. זקיף ידוי ר"ש, ומצלי צלותא, והוי חדי, ואמר, אינון חבריאי דאשתכחו בבי אדרא, יזדמנון הכא. נפקו בלהו, ואשתארו רבי אלעזר בריה, ורבי אבא, ורבי יהודה, ורבי יוסי, ורבי חייא. אדהכי, עאל רבי יצחק, א"ל ר"ש, כמה יאות חולקך, כמה חידו בעי לאתוספא לך בהאי יומא, יתיב רבי אבא בתר בתפוי, ורבי אלעזר קמיה.

30. RABBI SHIMON said, Here is Rav Hamnuna Saba, and around him seventy righteous people engraved with crowns, and shining each from the splendor of the radiance of the most concealed Atika Kadisha. He comes gladly to listen to the things I am saying. As he was sitting he said, since Rabbi Pinchas ben Yair here, prepare his seat. The friends that were there trembled, rose and sat at the corners of the house, and Rabbi Elazar and Rabbi Aba remained before Rabbi Shimon. Rabbi Shimon said, In the Idra RABA the state was that all the friends were talking and I among them. Now I shall alone speak and everyone will listen to my words, higher and lower beings. Happy is my portion on this day.

30. אָמַר, הָא רַב הַמְנוּנָא סָבָא הֵכָא, וְסַחְרָנִיָּה ע' צְדִיקֵי גְלִיפִן בְּעֵיטְרִין, מְנַהֲרִין כָּל חַד וְחַד מִזִּיהֲרָא דְזִיּוּא דְעֵתִיקָא קְדִישָׁא, סְתִימָא דְכָל סְתִימִין. וְהוּא אֲתִי לְמִשְׁמַע בְּחַדּוֹתָא, אֲלִין מְלִין דְאַנָּא אִימָא. עַד דְהוּא יָתִיב, אָמַר, הָא רַבִּי פְּנַחֵס בֶּן יֵאִיר הֵכָא, אֲתִקִּינוּ דּוּכְתִינָה, אֲזַדְעִזְעוּ חֲבֵרִינָא דְהוּוּ תַמְן, וְקִמוּ וַיִּתְּבוּ בְּשִׁפּוּלֵי בֵיתָא. וְרַבִּי אֲלֵעָזָר וְרַבִּי אָבָא, אֲשִׁתְּאַרוּ קַמִּיהּ דְר"ש. אַר"ש, בְּאַדְרָא אֲשִׁתְּכַחְנָא דְכָל חֲבֵרִינָא הוּוּ אֲמַרִי, וְאַנָּא עֲמַהוּן. הִשְׁתָּא אִימָא אָנָּא בְּלַחֲדָא, וְכִלְהוּ צִיִּיתִין לְמַלּוּלֵי עֲלָאִין וְתַתָּאִין. זְכָאָה חוּלְקֵי יוֹמָא דִּין.

31. He opened with, "I am my beloved's, and his desire is towards me" (Shir Hashirim 7:11). All the days I was connected to this world, I was attached with one connection with the Holy One, blessed be He, and hence now, "His desire is towards me." For He and all His holy camp have come with joy to listen to hidden words and the praise of the most hidden Atika Kadisha, which is separated and divided, yet is not divided, since everything cleaves to Him and He cleaves to everything; He is everything.

31. פֶּתַח ר"ש וְאָמַר, אֲנִי לְדוּדֵי וְעָלֵי תְשׁוּקָתוֹ. כָּל יוֹמִין דְאַתְקִטְרָנָא בְּהָאֵי עֲלֵמָא, בְּחַד קְטִירָא אֲתִקְטְרָנָא בִּיהּ בְּקוּדְשָׁא בְרִיךְ הוּא, וּבג"כ הִשְׁתָּא וְעָלֵי תְשׁוּקָתוֹ. דְהוּא וְכָל סִיעֵתָא קְדִישָׁא דִּילִיָּהּ, אֲתוּ לְמִשְׁמַע בְּחַדּוּהּ, מְלִין סְתִימִין, וְשִׁבְחָא דְעֵתִיקָא קְדִישָׁא, סְתִימָא דְכָל סְתִימִין, פְּרִישׁ וְאַתְפְּרֵשׁ מִכְּלָא, וְלֹא פְרִישׁ, דְהָא כְּלָא בִּיהּ מִתְדַבֵּק, וְהוּא מִתְדַבֵּק בְּכְלָא הוּא כְּלָא.

7. Nine lights that glow with the establishments of Atika

Rabbi Shimon talks about the most ancient among the ancient, Atika, saying that when it was established it produced nine lights or Sfirot. He tells us about the nature of Atika Kadisha and how it can be known by the lights that emanate from it.

32. The most ancient among the ancient, Atika, WHICH IS CALLED THE UNKNOWN HEAD, which is most concealed, was established yet not established. It was established in order to maintain everything, BUT FROM ITS OWN ASPECT it was not established, BECAUSE ITS OWN ESTABLISHMENTS REVEAL NOTHING OF ITS OWN NATURE, and it cannot be found, THAT IS, IT IS INCOMPREHENSIBLE.

32. עֵתִיקָא דְכָל עֵתִיקִין, סְתִימָא דְכָל סְתִימִין, אֲתַתְקֵן וְלֹא אֲתַתְקֵן. אֲתַתְקֵן, בְּגִין לְקִימָא כְּלָא. וְלֹא אֲתַתְקֵן, בְּגִין דְלֹא שְׂכִיחַ.

33. When it was established it produced nine lights, WHICH ARE THE NINE SFIROT KETER, CHOCHMAH, BINAH, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ARICH ANPIN, THE GARMENTS OF WHICH ARE ABA AND IMA, MALE AND FEMALE, that glow from it, FROM THE UNKNOWN HEAD from its establishments. These NINE lights shine from it WITH CHASSADIM, glow from it WITH GVUROT, and spread in every direction BOTH TO CHOCHMAH AND TO CHASSADIM like a candle from which lights stream in every direction. When one approaches to observe the spreading lights, only the candle alone can be observed. THAT IS, THE CANDLE AND THE LIGHTS STREAMING FROM THE CANDLE ARE NOT TWO THINGS, SINCE THE LIGHT SPREADING FROM IT HAS NO SELF-EXISTENCE OR POWER, BECAUSE ALL ITS EXISTENCE LIES WITHIN THAT CANDLE. IF YOU TAKE THE CANDLE TO A DIFFERENT PLACE, THE LIGHTS SHALL SPREAD IN A DIFFERENT PLACE AND NOTHING WILL REMAIN OF THEM IN THE FORMER PLACE. Such is Atika Kadisha. It is a lofty, most hidden candle, incomprehensible save for the lights spreading FROM IT, SOME OF WHICH ARE revealed and SOME OF WHICH ARE hidden. They are called the Holy Name. BUT THE LIGHTS

33. כִּד אֲתַתְקֵן, אֲפִיק ט' נְהוּרִין, דְלֵהֲטִין מְנִיָּה, מִתְקַנּוּ. וְאִינוּן נְהוּרִין מְנִיָּה, מִתְנַהֲרִין וּמִתְלַהֲטִין, וְאֲזִלִּין וּמִתְפַּשְׁטִין לְכָל עֵיבַר. כְּבוּצִינָא דְאַתְפַּשְׁטִין מְנִיָּה נְהוּרִין לְכָל עֵיבַר. וְאִינוּן נְהוּרִין דְמִתְפַּשְׁטִין, כִּד יִקְרְבוּן לְמַנְדַּע לֹזֶן, לֹא שְׂכִיחַ אֶלָּא בּוּצִינָא בְּלַחֲדוּי. כִּן הוּא עֵתִיקָא קְדִישָׁא, הוּא בּוּצִינָא עֲלָאָה, סְתִימָא דְכָל סְתִימִין. וְלֹא שְׂכִיחַ בַּר אִינוּן נְהוּרִין דְמִתְפַּשְׁטִין, דְמִתְגַּלְיִין, וְטְמִירָן. וְאִינוּן אֲקִרוּן שְׂמָא קְדִישָׁא. וּבג"כ כְּלָא חַד.

SPREADING FROM ATIKA KADISHA HAVE NO SELF-EXISTENCE, HEAVEN FORBID, ALL THEIR EXISTENCE IS WITHIN ATIKA KADISHA, THOUGH THEY ARE COMPREHENSIBLE AND ATIKA KADISHA IS NOT, LIKE LIGHTS STREAMING FROM THE CANDLE. For that reason it is all one.

34. The friends have said in ancient books THAT THE CHANGES SPREADING FROM IT are created grades, THAT IS, THEY COME INTO BEING THROUGH THE ESTABLISHMENTS CREATED, and that Atika Kadisha is revealed through each of them, since they are the constructions of Atika Kadisha. THAT IS, THEY ARE TYPES OF COVERS OVER THE ILLUMINATION OF BLESSED THE ENDLESS LIGHT AND THROUGH THESE COVERS THE LOWER BEINGS ARE ABLE TO COMPREHEND IT. ITS CREATION IS IN RELATION TO PEOPLE, BUT IN THE LIGHT ITSELF THERE IS NO CHANGE, HEAVEN FORBID. THIS IS LIKE A MAN WHO PUTS ON CLOTHES TO APPEAR BEFORE HIS NEIGHBORS. THAT MAN IS NOT AFFECTED AT ALL BY THESE COVERS, THOUGH OTHERS ARE. This is not the time for these matters, because I have already spoken of them in the holy Idra. BUT NOW I realize what I have not known that well, which until now was hidden in my heart. Now I alone testify before the Holy King and BEFORE all the truly righteous who came to hear these matters.

34. וְזֶה דְאִמְרֵי חֲבֵרְנָא בְּסַפְרֵי קְדָמָי, דְאִינוּן דְרַגְיִן דְאַתְבְּרִיא, וְעֵתִיקָא קְדִישָׁא אֲתַגְלִי בְהוּ, בְכֹל חַד וְחַד. מְשׁוּם דְאִינוּן תְּקוּנֵין דְעֵתִיקָא קְדִישָׁא. לְאוּ הִשְׁתָּא עֵידְנָא לְהַנִּי מְלִין דְהָא אֲמִינָא לֹון בְּאַדְרָא קְדִישָׁא. וְחֲמִינָא מַה דְלָא יִדְעָנָא הֵכִי, וְעַד הִשְׁתָּא אֲסֵתִים בְּלִבָּאֵי מְלָה. וְהִשְׁתָּא אֲנָא בְּלַחֲוֹדָאי אֲסֵהִידְנָא קְמֵי מְלַכָּא קְדִישָׁא, וְכֹל הַנִּי זְכָאֵי קְשׁוּט דְאִתְּוּ לְמִשְׁמַע מְלִין אֵלִין.

8. The skull of Atika

Here Rabbi Shimon talks about the skull of the head of Arich Anpin, and the flow that spreads and shines from it. We hear about the dew of plenty that drips every day to Zeir Anpin and with which the dead will be resurrected in the time to come. Within that head the supernal wisdom is hidden that is called the supernal brain; it can be comprehended only by itself.

35. The skull, NAMELY KETER, of the white head, NAMELY THE HEAD OF ARICH ANPIN, WHICH IS WHOLLY WHITE, THE SECRET OF THE REIGN OF CHESED, has neither beginning nor ending FOR REVEALING CHOCHMAH, THE SECRET OF SUPERNAL CHOCHMAH AND LOWER CHOCHMAH. FOR THE FLOW OF CHOCHMAH AND THE FLOW OF CHASSADIM ARE JOINED IN IT INTO ONE LIGHT OF CHASSADIM. Its joint flow spreads and shines FROM IT, and from it the righteous receive 400 desirable worlds for the World to Come. From the joint flow, which is the white head, dew drips, NAMELY PLENTY, daily to Zeir Anpin, which is a place called heaven. With it, THAT DEW, the dead shall be resurrected in the future to come, as written, "therefore Elohim give you of the dew of heaven" (Bereshheet 27:28), NAMELY THE DEW OF ZEIR ANPIN THAT IS CALLED HEAVEN, and His head is filled. From Zeir Anpin it flows to the field of apple trees, WHICH IS MALCHUT, and the whole field of apple trees radiates with this dew.

35. גּוּלְגֻלְתָּא דְרִישָׁא חוּרָא, לְאוּ בֵיה שִׁירוּתָא וְסִיוְמָא. קוּלְטְרָא דְקֻטְפוּי, אֲתַפְּשֵׁט וְאַתְנַהִיר, וּמְנִיָּה יִרְתוּן צְדִיקֵינָא ד' מָאָה עֲלְמִין דְכְּסוּפִין לְעֲלָמָא דְאִתֵּי. מֵהֵאֵי קוּלְטְרָא דְקֻטְפָּא, דְהִיא גּוּלְגֻלְתָּא חוּרָא, נְטִיף טְלָא כָּל יוּמָא, לְהֵהוּא זְעִיר אֲנַפִּין, לְאַתְרֵי דְאַתְקְרִי שָׁמַיִם, וּבֵיה זְמִינִין מִיִּתְיָא לְאַחֲוִיא לְזִמְנָא דְאִתֵּי. דְכֻתִּיב וַיִּתֵּן לָךְ הָאֱלֹהִים מִטַּל הַשָּׁמַיִם. וְאַתְמַלִּינָא רִישִׁיָּה וּמֵהֵהוּא זְעִיר אֲפִין, נְטִיף לְחַקְל תַּפּוּחִין. וְכֹל חַקְל תַּפּוּחִין, גְּהִירִין מֵהֵהוּא טְלָא.

36. This Atika Kadisha, WHICH IS ARICH ANPIN, is hidden and obscured, and concealed supernal Chochmah OF ARICH ANPIN is in that skull, WHICH IS KETER OF ARICH ANPIN. Surely only the head alone was exposed in that Atika, because it is the beginning (or: 'head') of every beginning. Supernal Chochmah, which is a head, is hidden within it, THE HEAD OF ARICH ANPIN, and is called the supernal brain, the covered brain, the subdued and quiet brain. None can comprehend it save it itself.

36. הָאֵי עֵתִיקָא קְדִישָׁא טְמִיר וְגִנְיָו. וְחֻכְמַתָּא עֲלָאָה סְתִימָאָה, בְּהֵהוּא גּוּלְגֻלְתָּא מְשֻׁתְּכָה, וְדָאי בְּהָאֵי עֵתִיקָא, לֹא אֲתַגְלִינָא אֲלָא רִישָׁא בְּלַחֲוֹדוּי, בְּגִין דְאִיהוּ רִישָׁא לְכֹל רִישָׁא. חֻכְמַתָּא עֲלָאָה, דְאִיהוּ רִישָׁא, בֵּיה סְתִים, וְאִקְרִי מוּחָא עֲלָאָה. מוּחָא סְתִימָא. מוּחָא דְשְׁכִיךְ וְשְׁקִיט. וְלִית דִּידַע לֵיה, בְּרֵי אִיהוּ.

9. The three heads of Atika

We learn about the three heads that are imprinted one inside another and one over another. One of these is concealed Chochmah, one is the most hidden Atika Kadisha and the third is absolutely incomprehensible. Rabbi Shimon talks about the hairs that come out of the skull of Arich Anpin; we learn that the hairs are all smooth and equal in weight. He says that Atika always abides in the thirteen attributes of Mercy.

37. Three heads were imprinted, one inside another, THAT IS, CONCEALED CHOCHMAH INSIDE THE SKULL and one over another, NAMELY THE UNKNOWN HEAD ABOVE THE SKULL. HE EXPLAINS, One head is concealed Chochmah, which is undisclosed and unopened. This concealed Chochmah is a beginning to every other beginning of other Chochmot. THIS IS THE FIRST HEAD FROM BELOW UPWARDS. THE SECOND HEAD is a supernal head, the most obscured Atika Kadisha, WHICH IS THE SKULL OF ARICH ANPIN. THE THIRD HEAD THAT IS LOFTY ABOVE EVERYTHING IS the head for every head, a head that is not a head, THAT IS, ITS BEING A HEAD INDICATES IT IS A BEGINNING OF EXPANSION AND COMPREHENSION, YET THIS HEAD IS ENTIRELY INCOMPREHENSIBLE because no one knows nor is it known what is in this head, because it is attached neither to Chochmah nor to Tevunah. It is therefore considered, "Therefore now flee to your place" (Bemidbar 24:11), "and the living creatures ran and returned" (Yechezkel 1:14), BECAUSE NO COMPREHENSION CAN APPLY THERE.

38. For this reason Atika Kadisha, WHICH IS THE SKULL OF ARICH ANPIN is called naught, since naught derives from it, FROM THE UNKNOWN HEAD. THAT IS, SINCE THIS HEAD, THE SKULL, IS CLOSE TO THE UNKNOWN HEAD, WHICH IS UTTERLY INCOMPREHENSIBLE, IT TOO IS INCOMPREHENSIBLE, AND IS THEREFORE CALLED NAUGHT, WHICH INDICATES ITS COMPLETE INCOMPREHENSIBILITY. FOR THAT REASON all hairs and tiny hairs OVER THE SKULL DO NOT COME OUT OF THE SKULL BECAUSE NO JUDGMENTS ARE ATTACHED TO IT, BUT they come out of the concealed brain, WHICH IS THE BEGINNING OF THE EXPANSION OF CHOCHMAH. FOR SUPERNAL CHOCHMAH SPREADS FROM IT; THIS CHOCHMAH IS EVENTUALLY REVEALED IN MALCHUT WHERE THERE IS PLACE FOR JUDGMENTS. AND THE HAIRS ARE THE ROOT OF JUDGMENTS, AS IN, "FOR HE CRUSHES ME WITH A TEMPEST (OR: 'A HAIR')" (IYOV 9:17). HENCE THE HAIR OF THE HEAD AND BEARD COME OUT OF THE CONCEALED BRAIN, THOUGH IN THIS CASE THERE ARE NO JUDGMENTS IN THE HAIRS, BUT ROOTS ONLY. THEREFORE they are all smooth, THAT IS, SOFT WITHOUT JUDGMENT. AND THEY ARE ALL EQUAL in weight, BECAUSE EVERYTHING HERE IS OF THE SAME LIGHT OF MERCY and the back of the neck is invisible, WHICH INDICATES JUDGMENTS AND HIND PARTS, ACCORDING TO THE VERSE, "AND THEY HAVE TURNED THEIR BACK TO ME, AND NOT THEIR FACE" (YIRMEYAH 32:33).

39. All this stems from the fact that this Atika is of the same LIGHT, NAMELY THE REIGN OF CHASSADIM, WHICH IS WHY THERE IS NO ROOM FOR JUDGMENT TO APPEAR. It is all in joy and never changes FROM THE ILLUMINATION of Mercy. THAT IS, THOUGH WE DISTINGUISH BETWEEN THREE COLUMNS, RIGHT, LEFT AND CENTRAL IN IT, IT NEVER STRAYS FROM THE ASPECT OF THE RIGHT COLUMN, AND IS EVER OF MERCY AND CHASSADIM IN NATURE. It abides in the thirteen attributes of Mercy, because the hidden Chochmah in it divides three times into fours, WHICH IS TWELVE, and it, Atika ITSELF includes them and rules over everything. TOGETHER WITH IT, THERE ARE THIRTEEN ATTRIBUTES.

10. The path where the hairs split

Rabbi Shimon says that the path that shines in the division of the hairs that come out of the hidden brain is the path of the righteous. He talks about the supernal Keter above that is a hidden and entirely unknown higher candle.

37. תִּלְתַּת רִישֵׁין אֲתַגְלִפֶּן, דָּא, לְגוּ מִן דָּא. וְדָא, לְעִילָא מִן דָּא. רִישָׁא חָדָא, חֲכֻמָּתָא סְתִימָאָה, דְּאֲתַבְּסִיָּא, וְלֹא מִתְפַּתְחָא. וְחֲכֻמָּתָא דָּא סְתִימָאָה, רִישָׁא לְכָל רִישִׁיָּה, דְּשָׂאֵר חֲכֻמוֹת. רִישָׁא עֲלָאָה, עֵתִיקָא קְדִישָׁא, סְתִימָא דְכָל סְתִימִין. רִישָׁא דְכָל רִישָׁא, רִישָׁא דְלֹא רִישָׁא. וְלֹא יָדַע, וְלֹא אֲתִידַע, מַה דְהוּי בְרִישָׁא דָּא, דְלֹא אֲתִדְבֵק בְּחֲכֻמָּתָא, וְלֹא בְּסוּבְלַתְנֹו. וְעַל הָאֵי אֲקָרִי, בְּרַח לְךָ אֵל מְקוֹמְךָ. וְהַחִיּוֹת רָצוּא וְשׁוּב.

38. וּבְגִין כֵּן עֵתִיקָא קְדִישָׁא אֲקָרִי, אִין. דְּבִיָּה תְלִיָּא אִין. וְכָל אִינוּן שְׁעָרֵי, וְכָל אִינוּן גִּימִין, מְמוּחָא סְתִימָאָה נִמְקִין. וְכִלְהוּ שְׁעִיעִין, בְּשִׁקּוּלָא. וְלֹא אֲתַחֲזִי קַדְלָא.

39. כִּלְא הוּא, בְּגִין דְּהָאֵי עֵתִיקָא קְדִישָׁא בְּחַד הוּי. כִּלְא בְּחִידוֹ, וְלֹא שְׁנִיָּא מְרַחְמֵי לְעֵלְמִין. בְּתִלְתַּת עֲשָׂר מְכִילָן דְּרַחְמִין אֲשַׁתְּכַח. בְּגִין דְּהָאֵי חֲכֻמָּתָא סְתִימָאָה דְּבִיָּה, מִתְפַּרֵּשׁ תִּלְתַּת זְמַנִּין לְאַרְבַּע אַרְבַּע. וְהוּא עֵתִיקָא, כִּלְלִל לֹון, וְשְׁלִיט עַל כִּלְא.

40. One path shines in THE MIDDLE OF the division of the hairs that come out of the CONCEALED brain, WHICH IS CONCEALED CHOCHMAH. It is the path where the righteous shine in the World to Come, as written, "But the path of just men is like the gleam of sunlight" (Mishlei 4:18), "then shall you delight yourself in Hashem..." (Yeshayah 58:14). From this path shine all other paths that derive from Zeir Anpin, WHICH ARE 613 PATHS.

41. This Atika, WHICH IS ARICH ANPIN, the oldest among the old, FROM WHICH DERIVE SUPERNAL ABA AND IMA THAT ARE CONSIDERED OLD, is the supernal Keter above, NAMELY KETER OF ARICH ANPIN, with which all crowns are decorated, NAMELY ALL MOCHIN. FOR MOCHIN ARE CONSIDERED CROWNS, WHICH ARE THE SEVEN CHARACTERISTICS OF THE HEAD THAT SHALL BE EXPLAINED AND THE THIRTEEN CHARACTERISTICS OF THE BEARD. And the crowns shine FROM IT, WHICH ARE ABA AND IMA, and the other candles, NAMELY SEVEN LOWER SFIROT, WHICH CONTAIN JUDGMENTS, glow from it and shine. NEVERTHELESS, it ITSELF is a hidden supernal unknown candle.

11. Atika is present in three - in two it is one

Rabbi Shimon tells us about the head that is high above the three heads of Arich Anpin. He says that Atika Kadisha is both the supernal Keter of all higher beings and also the head above it, the entirely unknown head. It is one, and everything is one.

42. This Atika, NAMELY ARICH ANPIN, is present in three heads included inside one head, AS TOGETHER THEY ARE ONE HEAD OF ARICH ANPIN, and that one higher head, NAMELY THE UNKNOWN HEAD, THE HEAD OF ATIK, is high up, NAMELY, ABOVE THE THREE HEADS OF ARICH ANPIN. And since Atika Kadisha manifests in three HEADS, THE SECRET OF THE THREE COLUMNS, so do all the candles, NAMELY SFIROT, that radiate from it manifest in three. Moreover Atika Kadisha manifests in two, because Atik in all is in two: 1) it is the supernal Keter of all higher beings, the head of all heads; 2) and also that HEAD above it, NAMELY the unknown HEAD. So do all the candles manifest in two. Furthermore, Atika Kadisha both manifests and is hidden in one, THAT IS, ALL THE LIGHTS WITHIN IT ARE INCLUDED IN THE REIGN OF THE LIGHT OF CHASSADIM ALONE. It is one and everything is one. So are all the other candles sanctified and connected and revert to one, and are one.

12. The forehead of the will of Arich Anpin

We learn that on Shabbat during the Minchah service the forehead of Atika Kadisha that is called 'will' is revealed, and at this time all judgments are subdued and there is mercy throughout all the worlds.

43. The forehead that is revealed in Atika Kadisha, THAT IS, IN ARICH ANPIN, is called will. For this supernal head that is concealed above extends one force, mitigated and comely that is included in the forehead and revealed by reconciliation. HENCE this forehead is called will.

40. חָד אֲרַחָא דְנִהִיר בְּפִלְגוּתָא דְשַׁעְרֵי דְנִמְקֵי מְמוּחָא, הוּא אֲרַחָא דְנִהִירִין בֵּיהּ צְדִיקָיוּא לְעֵלְמָא דְאַתֵּי, דְכְתִיב וְאֲרַח צְדִיקִים כְּאוֹר נֹגֵה וְגו'. וְעַד כְּתִיב, אִז תִּתְעַנֵּג עַל יו'. וּמֵהֵאֵי אֲרַחָא מִתְנַהֲרִין כָּל שְׂאֵר אֲרַחִין, דְתַלְיִין בְּזַעִיר אֲנָפִין.

41. הָאֵי עֵתִיקָא סְבָא דְסְבִין, כְּתָרָא עֵלְאָה, לְעֵילָא. דְמִתְעַטְרִין בֵּיהּ כָּל עֵטְרִין, וְכְתָרִין, מִתְנַהֲרִין. וְכָל שְׂאֵר בּוֹצִינִין מְנִיָּה מִתְלַהֲטִין וּמִתְנַהֲרִין. וְהוּא, הוּא בּוֹצִינָא עֵלְאָה, טְמִירָא דְלֹא אֲתִידַע.

42. הָאֵי עֵתִיקָא אֲשֶׁתְּכַח בְּתַלְתָּ רִישֵׁין, וְכִלְיָן בְּחַד רִישָׁא. וְהָהוּא רִישָׁא עֵלְאָה, לְעֵילָא לְעֵילָא. וּבְגִין דְעֵתִיקָא קְדִישָׁא אֲתַרְשִׁים בְּתַלְתָּ, אוֹף הָכִי כָּל שְׂאֵר בּוֹצִינִין דְנִהֲרִין מְנִיָּה, כְּלִילָן בְּתַלְתָּ. עוֹד, עֵתִיקָא אֲתַרְשִׁים בְּתַרְיָן. כְּלָלָא דְעֵתִיקָא בְּתַרְיָן. הוּא כְּתָרָא עֵלְאָה דְכָל עֵלְאִין, רִישָׁא דְכָל רִישֵׁי. וְהָהוּא דְהוּי לְעֵילָא מִן דָּא, דְלֹא אֲתִידַע. כִּן כָּל שְׂאֵר בּוֹצִינִין, סְתִימִין בְּתַרְיָן. עוֹד עֵתִיקָא קְדִישָׁא אֲתַרְשִׁים וְאֲסִתִּים בְּחַד, וְהוּא חַד, וְכָלָא הוּא חַד. כִּן כָּל שְׂאֵר בּוֹצִינִין, מִתְקַדְשִׁין, מִתְקַשְׂרִין, וּמִתְהַדְרִין בְּחַד, וְאִינוּן חַד.

43. מְצַחָא דְאַתְגְּלִי בְעֵתִיקָא קְדִישָׁא, רְצוֹן אֲקָרִי, דְהָא רִישָׁא עֵלְאָה דָּא סְתִים לְעֵילָא, דְלֹא אֲתִידַע פְּשִׁיט חַד טוֹרְנָא בְּסִימָא, יָאָה, דְאַתְכְּלִיל בְּמְצַחָא. וּבְגִין דְהָהוּא רְעוּא דְכָל רְעוּין, אֲתַתְקֵן בְּמְצַחָא, וְאַתְגְּלִיָּא בְּבוֹסִיטָא, הָאֵי מְצַחָא אֲקָרִי רְצוֹן.

44. When this will is exposed IN THE FOREHEAD, the Will of all wills is present throughout the worlds, THAT IS, THIS COMPLETE ILLUMINATION REACHES ALL WORLDS. All prayers below are accepted then, the face of Zeir Anpin shines, everything is in a state of Mercy and all Judgments hide and are subdued.

45. On Shabbat, during Minchah service, WHICH DURING WEEKDAYS is a time when all Judgments awaken, ON SHABBAT this forehead is revealed OF ARICH ANPIN AS THE DESIRE TO ILLUMINATE WITH CHASSADIM. All Judgments are subdued and Mercy abides throughout the worlds. Hence Shabbat is without Judgment above as well as below; even the fire of Gehenom sinks into its place and evil people take rest. Therefore an additional soul of joy is added on Shabbat.

13. The three meals of Shabbat

Rabbi Shimon recalls that he has never neglected the three meals on Shabbat in his whole life. He says that the three meals are the meal of the Queen, the meal of the holy King, and the meal of the most hidden Atika Kadisha. In the world beyond one will be able to merit all these grades.

46. One must rejoice in the three meals on Shabbat, for the whole Faith and the entirety of faith is present in it. And one must set his table, eat the three meals of faith and rejoice in them.

47. Rabbi Shimon said, I bring all those present here as witnesses that I have never neglected these three meals in my life. Due to their merit, I did not have to resort to fasting on Shabbat and even on other WEEK days I did not have to FAST, and all the more so on Shabbat. For whoever merits them, merits the entire faith. THEY ARE: one is the meal of the Queen, NAMELY ON SHABBAT EVE, BECAUSE NIGHT IS THE DOMAIN OF MALCHUT; one is the meal of the Holy King, WHO IS ZEIR ANPIN, THAT IS, DURING THE MEAL OF MINCHAH, WHEN ZEIR ANPIN RISES TO ATIKA KADISHA; and one is the meal of the most concealed Atika Kadisha AT THE MORNING MEAL. FOR ON SHABBAT ATIKA KADISHA IS SHINING BY MEANS OF SUPERNAL ABA AND IMA, AND ZEIR ANPIN RECEIVES THE ILLUMINATION FROM THEM. BUT AT MINCHAH OF SHABBAT, ZEIR ANPIN HIMSELF ASCENDS TO ATIKA KADISHA AND RECEIVES HIS ILLUMINATION. HENCE THAT MEAL IS NAMED AFTER ZEIR ANPIN, AND THE MORNING MEAL AFTER ATIKA KADISHA. In that world, ONE can merit these GRADES. When this will IN THE FOREHEAD is revealed, all Judgments are subdued in their chains.

14. Concealed Chochmah of Arich Anpin and revealed Chochmah

We are told that the establishment of Atika Kadisha is such that it is one structure that includes all others; it is supernal Chochmah that incorporates all the rest and is called supernal hidden Eden.

44. וכד רצון דא אתגלייא, רעוא דרעוין אשתכח בכלהו עלמין, וכל צלותין דלתתא מתקבלין, ומתנהרין אנפוי דזעיר אנפין, וכלא ברחמי אשתכח, וכל דינין אתטמרן ואתכפין.

45. בשבתא בשעתא דצלותא דמנחה, דהוא עידן דכל דינין מתערין, אתגלייא האי מצחא, ואתכפין כל דינין, ואשתכחו רחמין בכלהו עלמין. ובג"כ אשתכח שבת בלא דינא, לא לעילא ולא לתתא. ואמילו אשא דגיהנם אשתקע באתריה, ונייחין חייביא. ועל דא אתוסף נשמתא דחדו בשבתא.

46. ובעי בר נש למחדי בתלת סעודתי דשבתא, דהא כל מהימנותא, וכל כללא דמהימנותא, ביה אשתכח, ובעי בר נש לסדרא פתורא, ולמיכל תלת סעודתי דמהימנותא, ולמחדי בהו.

47. אמר רבי שמעון, אסהדנא עלי לכל אליון דהכא, דהא מן יומאי לא בטילנא אליון ג' סעודתי, ובגיניהון לא אצטריכנא לתעניתא בשבתא. ואמילו ביומי אחריני לא אצטריכנא, כ"ש בשבתא. דמאן דזכי בהו, זכי למהימנותא שלימתא. חד, סעודתא דמטרוניתא. וחד, סעודתא דמלכא קדישא. וחד, סעודתא דעתיקא קדישא, סתימא דכל סתימין. ובהווא עלמא יזכי בהו לאליון. האי רצון בד אתגלייא, כל דינין אתכפין משולשליהון.

48. The establishment of Atika Kadisha is such that it was established as one structure that includes all structures. It is supernal, hidden Chochmah, NAMELY, THE THIRD HEAD OF ARICH ANPIN, which incorporates all the rest, and is called supernal, hidden Eden. It is the brain of Atika Kadisha. This brain expands in every direction and from it spreads another Eden, SUPERNAL ABA AND IMA THAT ARE LOWER EDEN. From that Eden CHOCHMAH is engraved AND STARTS TO REVEAL ITSELF IN YISRAEL- SABA AND TEVUNAH, ZEIR ANPIN AND MALCHUT, WHICH IS THE SECRET OF LOWER CHOCHMAH, WHERE CHOCHMAH IS REVEALED.

48. תְּקוּנָא דְעֵתִיקָא קְדִישָׁא אֲתַתְקַן בְּתְקוּנָא חַד, כְּלָלָא דְכָל תְּקוּנֵי. וְהִיא חֲכֵמָה עֲלָא, סְתִימָא. כְּלָלָא דְכָל שְׂאֵר, וְהִיא אֶקְרִי עֶדֶן עֲלָא סְתִימָא. וְהִיא מוֹחָא דְעֵתִיקָא קְדִישָׁא. וְהִיא מוֹחָא אֲתַפְּשֵׁט לְכָל עֵיבֵר, מִנִּיהַּ אֲתַפְּשֵׁט עֶדֶן אַחֲרָא. וּמֵהִיא עֶדֶן אֲתַגְלֶף.

15. The unknown head divested of a force that is contained in the forehead
Rabbi Shimon explains the genesis of the beard of Arich Anpin that is called supernal Chesed; he says that this is the characteristic called "abundant in love."

49. That hidden head in the head of Atika, which is unknown, NAMELY THE FIRST HEAD, when it extended a force constructed so as to illuminate, it struck THROUGH IT that brain, NAMELY THE CONCEALED CHOCHMAH OF ARICH ANPIN, became engraved and shone with many lights. CONCEALED CHOCHMAH produced ITS ILLUMINATION and marked a reconciliation, so to speak, in that forehead. Then a light, which is called will, was imprinted ON THAT FOREHEAD, which spread downwards through THE THIRTEEN CHARACTERISTICS OF the beard OF ARICH ANPIN down to the place where it settled in the beard called supernal Chesed. This is THE CHARACTERISTIC CALLED "abundant in Chesed," NAMELY THE EIGHTH OF THE THIRTEEN CHARACTERISTICS OF THE BEARD. When this will is revealed THROUGH THE CHARACTERISTIC OF "ABUNDANT IN LOVE," the prosecutors see it and surrender.

49. וְהִיא רִישָׁא סְתִימָא דְבְרִישָׁא דְעֵתִיקָא דְלֵא אֲתִידַע, כִּד פְּשִׁיט חַד טוּרְנָא, דְהוּה מִתְתַקַּן לְאֲתַנְהָרָא, בְּטַשׁ בְּהִיא מוֹחָא, וְאֲתַגְלֶף, וְאֲתַנְהִיר בְּכֵמָה נְהִירִין, וְאֶפִיק, וְאֶרְשִׁים כְּבוֹסִיטָא דָא, בְּהִיא מְצַחָא. וְאֲתַרְשִׁים בֵּיהַּ חַד נְהוּרָא, דְאֶקְרִי רְצוֹן. וְהִיא רְצוֹן אֲתַפְּשֵׁט לְתַתָּא בְּדִיקְנָא, עַד הִיא אֲתַר דְמִתְיִשְׁבָּא בְּדִיקְנָא, וְאֶקְרִי חֶסֶד עֲלָא. וְדָא אִיהוּ נוֹצֵר חֶסֶד. וּבְהִיא רְצוֹן כִּד אֲתַגְלִינָא, מִסְתַּכְּלִין מֵאִרֵי דְדִינָא וּמִתַּכְּפִינִין.

16. Opening the eyes

We learn that the eyes of Atika Kadisha never sleep, and for that reason have neither eyebrows nor eyelids. Both these eyes are actually one. The brain is called the fountain of blessing, and since it glows with the three kinds of whiteness in the eyes then blessings come out of the eye. Rabbi Shimon says that the Concealed Book taught him that the letters Yud Hei Vav Hei derive from Atika in order to support those letters below; for that reason the Holy Name is both hidden and revealed - the hidden part corresponding to Atika Kadisha and the revealed part to Zeir Anpin. Thus all blessings should contain both the hidden and the revealed.

50. As for the eyes of the head of Atika Kadisha, WHICH IS ARICH ANPIN, both EYES are as one. They constantly observe and never sleep, as written, "Behold, He who keeps Yisrael shall neither slumber nor sleep" (Tehilim 121:4), which refers to holy Yisrael, ZEIR ANPIN. For that reason He has neither eyebrows nor eyelids.

50. עֵינֵי דְרִישָׁא דְעֵתִיקָא קְדִישָׁא, תְּרִין בְּחַד שְׂקִילִין. דְאֲשַׁגְחִין תְּדִירָא, וְלֹא נְאִים. דְכִתְיִב לֹא יָנוּם וְלֹא יִישָׁן שׁוֹמֵר יִשְׂרָאֵל, יִשְׂרָאֵל קְדִישָׁא, בְּגִין כִּן לֹא אֵית לִיהַּ גְּבִינִין עַל עֵינָא, וְלֹא כְסוּתָא.

51. This brain, NAMELY, CONCEALED CHOCHMAH OF ARICH ANPIN, is engraved and shines with three types of whiteness in the eye. With one kind of whiteness in them, the eyes of Zeir Anpin wash in milk, as written, "washed with milk" (Shir Hashirim 5:12), WHICH IS CHESSED CALLED MILK. It derives from the first kind of whiteness IN THE THREE TYPES OF WHITE IN THE EYES OF ARICH ANPIN, BEING THEIR RIGHT COLUMN. The other kinds of white wash and illuminate the other candles, NAMELY THE OTHER GRADES.

51. הִיא מוֹחָא אֲתַגְלִיף וְנִהַר בְּתַלְתָּ חוּרִין דְעֵינָא, בְּחוּרָא חַדָּא מִסְתַּחֲיִין עֵינֵין דְזַעִיר אֲנַפִּין, דְכִתְיִב רֹחֲצוֹת בְּחֶלֶב. דְהוּא חוּרָא קְדִמָּא. וְשְׂאֵר חוּרִין אֲסַתַּחֲיִין וְנִהֲרִין לְשְׂאֵר בּוֹצִינִין.

52. The brain, WHICH IS CONCEALED CHOCHMAH, is called the fountain of blessing, being the fountain whence all blessings flow. Since this brain glows with the three kinds of white in the eyes, THEN blessings come out of the eye, as written, "He that has a generous eye shall be blessed" (Mishlei 22:9), because the whiteness of the eye derives from the brain. When that eye observes Zeir Anpin, everyone shines joyfully. This eye, EVEN THOUGH IT HAS IN IT THE THREE COLUMNS, RIGHT, LEFT AND CENTRAL, is NEVERTHELESS all right and has no left in it. BUT the lower eyes, THOSE OF ZEIR ANPIN, are right and left, two that have two natures, THE RIGHT IS CHESED AND THE LEFT IS GVURAH OF THE ILLUMINATION OF CHOCHMAH.

53. We learned in Safra Det'zniuta (the Concealed Book) that there is an upper Yud and a lower Yud, an upper Hei and a lower Hei, an upper Vav and a lower Vav. All the upper ones derive from Atika, and the lower ones are in Zeir Anpin. They do not derive from Him but are actually in Him, SINCE ZEIR ANPIN IS CALLED YUD HEI VAV HEI, AND THE SECRET OF THE LETTERS APPLIES TO HIM. But from Atika Kadisha THEY JUST derive, THAT IS, THE ROOTS OF THE FOUR LETTERS, YUD HEI VAV HEI, ARE IN IT, BUT NOT THE ACTUAL LETTERS. For the name of Atika is hidden from all and is incomprehensible. But those letters YUD HEI VAV HEI derive from Atika in order to support those LETTERS BELOW, for otherwise THE LOWER ONES would not have survived.

54. For that reason the Holy Name is both hidden and revealed. The hidden part corresponds to the most hidden Atika Kadisha and the revealed part is in Zeir Anpin. Therefore all blessings should contain both the hidden and the revealed. THAT IS, THEY SHOULD CONTAIN THE SECOND, PRESENT PERSON, AS IN, 'BLESSED ARE YOU', AND THE THIRD, HIDDEN PERSON, 'WHO HAS SANCTIFIED US AND COMMANDED US', WHICH IS HIDDEN. IT IS HIDDEN TO CORRESPOND to the hidden letters that derive from Atika Kadisha, AND REVEALED TO CORRESPOND TO THE LETTERS IN ZEIR ANPIN.

17. The nose of Arich Anpin

Rabbi Shimon reveals that it is by means of the spirit of life that emanates from the nose of Arich Anpin that people will gain wisdom during the time of King Messiah. He also says that anger comes mainly from the nose.

55. The nose OF ARICH ANPIN: in this nose, within the window of its nostril the spirit (or: 'wind') of life blows on Zeir Anpin. Inside this nose, in the window of the nostril, Hei comes out to support another, lower Hei. This wind comes out from the concealed brain and is called the spirit of life. By means of that spirit people will gain wisdom during the time of King Messiah, as written, "and the spirit of Hashem shall rest upon him, the spirit of wisdom and understanding..." (Yeshayah 11:2). This nose is life from every aspect, complete joy, satisfaction and healing. Of the nose of Zeir Anpin it is written, "There went up a smoke out of His nostrils..." (II Shmuel 22:9). Here it is written, "and for My praise will I refrain (or: 'nose') for you" (Yeshayah 48:9).

52. מוחא אקרי נביעא דברכתא, נביעא דכל ברכאן מניה אשתכחו. ובגין דהאי מוחא להיט בג' חורין דעינא, בעינא תלא ביה ברכתא, דכתיב טוב עין הוא יבורך, דהא במוחא תליין חורו דעינא. האי עינא כד אשגח בזעיר אנפין, אנהרן בלהו בחדו. עינא דא, הוא כלא ימינא, לית ביה שמאלא. עיינין דתתא, ימינא ושמאלא, תרי, בתרי גווינין.

53. בצניעותא דספרא אוליפנא, דהא י' עלאה, י' תתאה. ה' עלאה, ה' תתאה. ו' עלאה, ו' תתאה. כל אלין עלאין, בעתיקא תליין. תתאין, בזעיר אנפין אינון. לאו תליין, אלא אינון ממש. ובעתיקא קדישא תליין. דהא שמא דעתיקא אתבסויא מכלא, ולא אשתכח. אבל אלין אתוון דתליין בעתיקא. בגין דיתקיימון אינון דלתתא. דאי לאו הכי לא יתקיימון.

54. ובגין כך, שמא קדישא סתים וגלויא. ההוא דסתים לקבליה דעתיקא קדישא, סתימא דכלא. וההוא דאתגלויא בזעיר אפין. ובגין כך, כל ברכאן בעיין סתים וגלויא. אלין אתוון סתימן דתליין בעתיקא קדישא.

55. חוטמא, בהאי חוטמא, בנוקבא דפרדשקא דביה, נשיב רוחא דחיי לזעיר אפין. ובהאי חוטמא, בנוקבא דפרדשקא, תלויא ה', לקיימא ה' אחרא דלתתא. ודא רוחא נפיק ממוחא סתימא, ואקרי רוחא דחיי. ובהאי רוחא, זמינין למנדע חכמתא, בזמנא דמלכא משיחא. דכתיב, ונחה עליו רוח יי' רוח חכמה ובינה וגו'. האי חוטמא, חיינ מכל סטרין, חדו שלימא. נחת רוח. אסוותא. בחוטמא דזעיר אנפין כתיב, עלה עשן באפו וגו'. והכא כתיב ותהלתי אחסם לך.

56. In the Agadah book of the academy OF STUDY of Rav Yeba Saba, he interpreted the Hei AS MALCHUT THAT RECEIVES from the mouth OF ARICH ANPIN. But here, IN THIS MATTER, it does not work that way, and MALCHUT does not connect WITH THE MOUTH OF ARICH ANPIN, BUT WITH THE LEFT NOSTRIL OF THE NOSE. And even though it has the same meaning, many Judgments derive from Hei, while Judgment derives from the nose, as written, "There went up a smoke out of his nostrils." You may say it is written, "and fire out of His mouth" (II Shmuel 22:9), SO THERE ARE JUDGMENTS IN THE MOUTH AS WELL, TO WHICH HE ANSWERS, anger comes mainly from the nose.

56. וּבְסִפְרָא דְאַגְדָּתָא, דְּבִי רַב יִיבָא סְבָא, אִוְקִים, ה' בְּפִוּמָא, וְהֵבָא לָא מִתְקַיֵּימָא הֵכִי, וְלֹא אֶצְטְרַפָּא, אַע"ג דְּבַחַד סְלֵקָא, אֶלָּא בְּה' דִּינָא תְּלִיָא, וְדִינָא בְּחוּטְמָא תְּלִיָא, דְּכִתִּיב עָלֶה עֶשֶׂן בְּאִפּוֹ. וְאִי תִימָא, הָא כְּתִיב וְאֵשׁ מִפִּי תֹאכֵל. עֶקְרָא דְרוּגְזָא בְּחוּטְמָא תְּלִיָא.

18. The Chochmot, the concealed Chochmah and the revealed Chochmah

We are told about the higher and lower Chochmah and about Hei which includes everything. From the Hei in Malchut below, Judgments stir, while from the Hei in the nose there is Mercy within Mercy.

57. All the implements of Atika Kadisha are established in the concealed, quiet mind, THAT IS, IN CONCEALED CHOCHMAH. And all the implements within Zeir Anpin are established in lower Chochmah, as written, "in wisdom have You made them all" (Tehilim 104:24). And Hei, WHICH IS MALCHUT, surely includes everything. What is the difference between Hei, WHICH IS MALCHUT BELOW, and this Hei WITHIN THE LEFT NOSTRIL IN THE NOSE OF ZEIR ANPIN? From this Hei, IN MALCHUT BELOW, Judgments stir, while that Hei IN THE NOSE is Mercy within Mercy.

57. כָּל תְּקוּנֵי דְעֵתִיקָא קְדִישָׁא, בְּמוּחָא שְׁקִיט וְסִתִּים מִתְתַּקְנִין. וְכָל תְּקוּנֵי דְזַעִיר אֲנִפִּין, בְּחֻכְמָה תְּתָא מִתְתַּקְנִין. דְּכִתִּיב, כֹּלֶם בְּחֻכְמָה עֲשִׂיתָ וְה' כֹּלְלָא דְכֹלָא וְדָאִי. מַה בֵּין ה' לֵה'. ה' דְּהֵבָא, דִּינָא אֲתַעֵר מִנָּה. וְדְהֵבָא רַחֲמֵי גוֹ רַחֲמֵי.

19. The hair on the beard of Arich Anpin

Rabbi Shimon says that both the upper and lower beings all look to receive bounty from the Mazal that is the beard of Atika Kadisha, as all life derives from that Mazal; even heaven and earth and bountiful rains come from it. We learn about the thirteen streams of oil, or the thirteen attributes of mercy, that are derived from that beard and that come out to Zeir Anpin.

58. Overall preciousness derives from the beard of Atika Kadisha, WHICH IS ARICH ANPIN. It is called general Mazal (Eng. 'luck'). From this beard, WHICH IS CALLED Mazal, which is most precious, the upper and lower beings became successful. They all look TO RECEIVE BOUNTY from that Mazal. All life derives from that Mazal, everyone's food. Heaven and earth, WHICH ARE ZEIR ANPIN AND MALCHUT, come from that Mazal, and bountiful rains. Everyone looks to that Mazal. The upper and lower hosts come out of that Mazal.

58. בְּדִיקְנָא דְעֵתִיקָא קְדִישָׁא, תְּלִיָא כָּל יְקִירוֹ דְכֹלָא. מְזֻלָּא דְכֹלָא אֶקְרִי. מַהֲאִי דִּיקְנָא, מְזֻלָּא, יְקִירוּתָא דְכָל יְקִירִין, מְזֻלִי עֲלָאִי וְתִתָּאִי. כֹּלְהוּ מְשֻׁיחִין לֵהוּוּא מְזֻלָּא. בְּהֲאִי מְזֻלָּא תְּלִיָא חֲוִי דְכֹלָא, מְזוּנֵי דְכֹלָא. בְּהֲאִי מְזֻלָּא תְּלִיָא שְׁמִיָא וְאַרְעָא. גְּשָׁמִין דְרַעוּא. בְּהֲאִי מְזֻלָּא, אֲשַׁגְחוּתָא דְכֹלָא. בְּהֲאִי מְזֻלָּא תְּלִיָא כָּל חֲוִילִין עֲלָאִין וְתִתָּאִין.

59. There are thirteen streams of valuable goodly oil, NAMELY THE THIRTEEN ATTRIBUTES OF MERCY, derived from that beard, which is that precious Mazal. They all come out to Zeir Anpin. Do not say they all do, as nine of them are present in Zeir Anpin in order to subdue Judgments.

59. תְּלַת עֶשֶׂר נְבִיעִין, דְּמִשְׁחָא דְרִבּוּתָא טְבָא, תְּלִיָא בְּדִיקְנָא דְמְזֻלָּא יְקִירָא דָא. וְכֹלְהוּ נְפִקִין לְזַעִיר אֲנִפִּין. לֹא תִימָא כֹּלְהוּ, אֶלָּא תְּשַׁעָּה מְנִיּוּהוּ, מְשַׁתְּכָחִין בּוֹ"א, לְאַכְפִּיּוּא דִּינִין.

60. This Mazal goes down in equal measures to the middle. All the holiness of the Holy of Holies derive from this Mazal. Through this Mazal, the tangled supernal knot became untied from the head above all heads, which is unknown, not conceived or known to upper and lower beings. For that reason, everything derives from this Mazal.

60. הָאִי מְזֻלָּא, תְּלִיָא בְּשִׁקוּלָא עַד טְבוּרָא. כָּל קְדוּשֵׁי קְדוּשִׁין דְּקְדוּשָׁא בִּיהַ תְּלִיָא. בְּהֲאִי מְזֻלָּא, פְּשִׁיט פְּשִׁיטוּתָא דְקוּטְרָא עֲלָאָה. הֵהוּא רִישָׁא דְכָל רִישִׁין, דְּלֹא אֲתִידַע, וְלֹא אֲשַׁתְּמוּדַע, וְלֹא יִדְעִין עֲלָאִין וְתִתָּאִין. בְּגִין כֵּן כֹּלָּא בְּהֲאִי מְזֻלָּא תְּלִיָא.

61. In this beard, the three heads I mentioned expand and they all connect to this Mazal and rest in it. For that reason all that is most precious derives from this Mazal. All the letters OF THE NAME YUD HEI VAV HEI that come out of Atika do so ONLY from the beard and connect to this Mazal and depend on it to support the other letters IN ZEIR ANPIN. And had not these letters gone up to Atik, NAMELY TO ITS BEARD, the others IN ZEIR ANPIN would not have survived. Hence Moses said, when it was needed, "Hashem, Hashem" (Shemot 34:6) twice, THE FIRST COMING FROM ARICH ANPIN AND THE SECOND FROM ZEIR ANPIN with a punctuation mark between them. Everything depends on Mazal AND NOT ON ARICH ANPIN ITSELF. The upper and lower beings shy away from this Mazal and are subdued before it.

20. How Chochmah of 32 paths emanated

Rabbi Shimon tells of the supernal origin of the 32 paths of wisdom. He also explains what is included under the name Atika Kadisha, and we learn that the highest head is completely outside of the Sfirot, nor is it counted with them, even as their Keter. It is the place of the beginning.

62. This most hidden Atika Kadisha is not mentioned IN THE TORAH, and is not present, since being a supernal head for all the upper beings, it is mentioned IN THE TORAH only as a bodiless head, THAT IS, "AND THE HAIR OF WHOSE HEAD WAS LIKE THE PURE WOOL" (DANIEL 7:9), THE TORSO, ARMS AND LEGS ARE NOT MENTIONED, LIKE THOSE OF ZEIR ANPIN MENTIONED IN SHIR HASHIRIM. The purpose is to support everything.

62. הַאי עֵתִיקָא קְדִישָׁא, סְתִימָא דְכֹל סְתִימִין, לֹא אֲדַבֵּר, וְלֹא אֲשַׁתְּכַח. וּבְגִין דְּאִיהוּ רִישָׁא עֲלָאָה לְכֹל עֲלָאִין, לֹא אֲדַבֵּר, בְּרִישָׁא חֲדָא, בְּלֹא גּוּפָא, לְקִינְמָא כֹּלָא.

63. The structures of the most hidden, concealed and treasured, KETER OF ARICH ANPIN, settled in the most hidden brain, WHICH IS CONCEALED CHOCHMAH. After it was wholly expanded and established, supernal Chesed came out OF KETER OF ARICH ANPIN. This supernal Chesed expanded and was established, and everything was incorporated in the concealed brain, WHICH IS CHOCHMAH OF ARICH ANPIN. When this whiteness was instituted within that light, someone, THAT IS, THE UNKNOWN HEAD, struck that brain, WHICH IS CONCEALED CHOCHMAH, shone and produced from the precious Mazal another brain, WHICH BRAIN expanded and shines upon 32 paths, WHICH ARE ABA AND IMA. When THIS BRAIN shines, it does so from the precious Mazal. Three lofty heads shone upon THAT BRAIN, two heads and one that incorporates them. THEY ARE CHOCHMAH AND BINAH, AND THE ONE THAT INCLUDES THEM IS THE BRAIN OF DA'AT. THESE CHOCHMAH, BINAH AND DA'AT derive from Mazal and are included in it.

63. וְהַאי טְמִיר וְסֵתִים וּגְנִיז מְכֹלָא, תְּקוּנָו אֲתַתְּקֵן, בְּהוּא מוּחָא סְתִימָאָה דְכֹלָא, דְּאֲתַפְּשֵׁט וְאֲתַתְּקֵן כֹּלָא וְנִמְיָק חֶסֶד עֲלָאָה, וְחֶסֶד עֲלָאָה אֲתַפְּשֵׁט וְאֲתַקֵּן וְאֲתַבְּלִיל כֹּלָא בְּמוּחָא סְתִימָאָה דָּא. בְּד אֲתַתְּקֵן חוּרָא דָּא בְּנִהִירוֹ דָּא, בְּטַשׁ מֵאֵן דְּבִטַשׁ, בְּהַאי מוּחָא וְאֲתַנְהִיר, וְתְלִינָא מִמִּזְלָא יְקִירָא מוּחָא אַחֲרָא, דְּאֲתַפְּשֵׁט וְנִהִיר לְתַלְתִּין וְתִרִין שְׁבִילִין. בְּד אֲתַנְהִיר נְהִיר מִמִּזְלָא יְקִירָא. אֲתַנְהִירוֹ ג' רִישׁוֹן עֲלָאִין, תְּרִין רִישׁוֹן, וְחֵד דְּכִלִּיל לֹון. וּבְמִזְלָא תְלִיין, וְאֲתַבְּלִיל בֵּיהּ.

64. From here, THE BRAIN OF 32 PATHS, the preciousness of the beard, which is the concealed Mazal, begins to be revealed, BECAUSE FROM IT, THERE IS A FLOW ON EVERY GRADE. And when they are established THEY ARE ESTABLISHED THROUGHOUT THE GRADES, just as three heads are crowned with Atika Kadisha, so are all THE GRADES three headed. And when they shine, all THE GRADES derive each from the other with three heads, which are two from both sides, RIGHT AND LEFT, and one that includes them IN THEIR MIDDLE. THESE ARE THE THREE COLUMNS, RIGHT, LEFT AND CENTRAL PRESENT IN EVERY GRADE, THROUGH WHICH EACH GRADE FLOWS INTO A LOWER ONE.

64. מִכָּאֵן שְׂאֵרֵי לְאֲתַגְלִינָא יְקִירוֹ דְּדִיקְנָא, דְּאִיהוּ מִזְלָא סְתִימָאָה. וְאִינוּן מִתְתַּקְּנֵן, כְּמָה דְּעֵתִיקָא קְדִישָׁא תְלַת רִישׁוֹן מִתְעַטְרִין בֵּיהּ, הֵכִי כֹלָא בְּתַלַּת רִישׁוֹן. וְכֵד אֲתַנְהִירֵן, תְלִיין כִּלְהוּ דָּא בְּדָא בְּתַלַּת רִישׁוֹן, תְּרִין מִתְרִין סְטְרִין, וְחֵד דְּכִלִּיל לֹון.

65. You may ask who Atika Kadisha is, THAT IS, WHAT IS INCLUDED UNDER THE NAME ATIKA KADISHA. HE ANSWERS, Come and see, high up there is the unknown, inconceivable and unmarked, WHICH IS THE UNKNOWN HEAD. It includes everything, and the two LOWER heads, THE SKULL AND THE CONCEALED BRAIN, TO THE RIGHT AND LEFT, are included within it, THAT IS, IT UNITES THEM. Everything is then established that way, THAT IS, IN THE MANNER OF TWO HEADS TO THE RIGHT AND LEFT AND ONE THAT INCORPORATES AND UNITES THE ONE WITH THE OTHER. It, THE UNKNOWN HEAD THAT INCLUDES TWO HEADS, is not counted WITH THE SFIROT nor is it part of them, NOT EVEN AS THEIR KETER. It is not part of the reckoning, NOT BEING OF THE ASPECT OF CHOCHMAH CALLED RECKONING, except through willingness. Hence it is said, "I said, I will take heed to my ways, that I sin not with my tongue" (Tehilim 39:2).

66. The place where the beginning lies is from THE ILLUMINATION OF Atika Kadisha that illuminates from Mazal, which is the illumination of Chochmah that expands into 32 directions, THAT IS CHOCHMAH OF THE 32 PATHS, which comes out from the concealed brain when it illuminates. And as for Atika Kadisha shining in the beginning it is THE BRAIN OF 32 PATHS that is the beginning for what is revealed, which turns into three heads, THAT IS, TWO HEADS, CHOCHMAH AND BINAH, and one head including them, WHICH IS THE BRAIN OF DA'AT. And these three, CHOCHMAH, BINAH AND DA'AT, expand to Zeir Anpin and from them all GRADES illuminate AS SHALL BE EXPLAINED.

21. The expansion of Chochmah of 32 paths to the lower beings
Rabbi Shimon goes on to explain how the two heads, Chochmah and Binah, and the one incorporating them expand from the brain of 32 paths to Zeir Anpin and then to the rest of the grades.

67. HE GOES ON TO EXPLAIN HOW THE TWO HEADS, CHOCHMAH AND BINAH, AND THE ONE INCORPORATING THEM, WHICH IS DA'AT, EXPAND FROM THE BRAIN OF 32 PATHS TO ZEIR ANPIN AND THE REST OF THE GRADES. HE SAYS, That Chochmah OF 32 PATHS was engraved and produced a river, WHICH IS BINAH, WHICH flows and comes out to water the garden THAT IS MALCHUT. It enters the head of Zeir Anpin and becomes a brain OF CHOCHMAH, whence it flows and goes into the whole body OF ZEIR ANPIN and waters all the plants. This is the secret of, "And a river went out of Eden to water the garden" (Beresheet 2:10).

68. This Chochmah OF 32 PATHS was also engraved, flowed and entered the head of Zeir Anpin, and another brain OF BINAH was made. LATER from that light two flows came out, were engraved and joined the one head of the depth of the pit, WHICH IS THE BRAIN OF DA'AT, as written, "By His knowledge the depths were broken up" (Mishlei 3:20). It entered the head of Zeir Anpin and became another brain OF DA'AT, and from there it flowed and entered the whole body OF ZEIR ANPIN and filled all those chambers and halls. This is the meaning of, "and by knowledge are the chambers filled" (Mishlei 24:4).

65. ואי תימא, מאן עתיקא קדישא. ת"ח, לעילא לעילא, אית דלא אתידע, ולא אשתמודע, ולא אתרשים, והוא כליל כללא, ותרין רישין ביה כלילין. וכדין כללא הכי אתתקן. והוא לאו במנוינא, ולא בכללא ולא בחושבן אלא ברעותא דלבא, על דא אתמר, אמרתי אשמרה דרכי מחטא בלשוני.

66. אתר דשירותא אשתכח, מעתיקא קדישא, דאתנהיר ממזלא, הוא נהירו דחכמתא, דאתפשט לתלתין ותרין עיבר. ונפקא מהוא מוחא סתימאה, מנהירו דביה. ומה דעתיקא קדישא נהיר בקדמיתא, דא היא. ושירותא ממה דאתגלויא, ואתעביד לתלת רישין, ורישא חדא כליל לון. ואלין תלת מתפשטן לזעיר אנפין, ומאלין נהרין כללא.

67. אתגלויף האי חכמתא, ואפיק חד נהרא, דנגיד, ונפיק לאשקאה גנתא ועייל ברישא דזעיר אנפין, ואתעביד חד מוחא ומתמן אתמשין ונגיד בכל גופא, ואשקי כל אינון נטיעאן. הה"ד, ונהר יוצא מעדן להשקות את הגן וגו'.

68. תו אתגלויף האי חכמתא, ואתמשך ועייל ברישא דזעיר אנפין, ואתעביד מוחא אחרא. והוא נהירו דאתמשכא מניה אלין תרין משיכן אתגלויפו, מתחברן בחד רישא דעמיקא דבירא, דכתיב ברעתו תהומות נבקעו. ועייל ברישא דזעיר אנפין, ואתעביד מוחא אחרא, ומתמן אתמשין ועייל לגו גופא, ומלויא כל אינון אדרין ואכסדרין דגופא. הה"ד, ובדעת חדרים ומלאו.

69. These, CHOCHMAH, BINAH AND DA'AT OF ZEIR ANPIN, shine with the light of that supernal concealed brain that illuminates Mazal, and everything is interdependent and interconnected, to the point that it is known that it is all one, all is Atika, and nothing is separated from it. These three lights CHOCHMAH, BINAH AND DA'AT OF ZEIR ANPIN, shine to three others called fathers, CHESD, GVURAH AND TIFERET OF ZEIR ANPIN, which shine on the children, NETZACH, HOD AND YESOD OF ZEIR ANPIN. Everything shines from the same place, FROM THE CONCEALED BRAIN, WHICH IS ATIKA. And when Atika, the Will of all wills, is revealed, and everything shines, everything abides in perfect joy.

22. Supernal Eden and lower Eden

Here we learn that Zeir Anpin is called 'You' because it is from Zeir Anpin that there is the beginning of revelation, but that Atika Kadisha, which is entirely concealed, is called 'He'.

70. This Chochmah OF 32 PATHS is called Eden, and this Eden flows from the most hidden supernal Eden, WHICH IS THE CONCEALED BRAIN. From this Eden, WHICH IS CHOCHMAH OF 32 PATHS, it is considered a beginning OF SHINING UPON LOWER BEINGS, because in Atika, NAMELY IN THE CONCEALED BRAIN, neither beginning is indicated nor ending. Since IN ATIKA there is no beginning and no end, it is not called 'You', USING THE SECOND, PRESENT PERSON, because it is hidden and undisclosed, and is therefore called 'He' IN THE THIRD, HIDDEN PERSON. From where there is a beginning, NAMELY CHOCHMAH OF 32 PATHS, it is called 'You' and 'Father', as written, "You are our father" (Yeshayah 63:16).

70. הָאֵי חֲכָמָתָא אֶקְרִי עַרְן, וְהָאֵי עַרְן אֲתַמְשֵׁךְ
 מֵעַרְן עֲלָאָה, סְתִימָאָה דְּכֹל סְתִימִין. וּמֵהָאֵי עַרְן,
 אֶקְרִי שִׁירוּתָא. דְּבַעֲתִיקָא לֹא אֶקְרִי, וְלֹא הוּי
 שִׁירוּתָא וְסִימָא. וּבְגִין דְּלֹא הוּי בֵּיהַ שִׁירוּתָא
 וְסִימָא, לֹא אֶקְרִי אֲתָה. בְּגִין דְּאַתְבְּסִינָא וְלֹא
 אֲתַגְלִינָא. וְאֶקְרִי הוּא. וּמֵאַתְרַךְ דְּשִׁירוּתָא אֲשַׁתְּכַח
 אֶקְרִי אֲתָה, וְאֶקְרִי אָב. דְּכִתְיִב, כִּי אֲתָה אָבִינוּ.

71. In the Agadah of Rav Yeba Saba HE SAYS, all in all Zeir Anpin is called 'You', BECAUSE IT IS REVEALED. Atika Kadisha, which is concealed, is called 'He'. This is correct. We now call this place where the beginning lies, WHICH IS THE BRAIN OF 32 PATHS, BY THE NAME 'You', for though it is YET hidden, NEVERTHELESS the beginning OF REVELATION comes from it. HENCE IT IS CALLED 'YOU' AS WELL. It is called father and is a father to the fathers, CHESD, GVURAH AND TIFERET OF ZEIR ANPIN. And this father comes out of Atika Kadisha as written, "But where is wisdom to be found (or: 'wisdom is found from naught')" (Iyov 28:12), NAMELY FROM ATIKA KADISHA THAT IS CALLED NAUGHT, which is why it is unknown.

71. בְּאַגְדָּתָא דְּבֵי רַב יֵיבָא סָבָא, כֹּלְלָא דְּכֹלָא, זְעִיר
 אֲנַפִּין אֶקְרִי אֲתָה. עֲתִיקָא קְדִישָׁא דְּאַתְבְּסִינָא, אֶקְרִי
 הוּא. וְשִׁפּוּר. וְהִשְׁתָּא קְרִינָן בְּאַתְרַךְ דָּא דְּשִׁירוּתָא
 אֲשַׁתְּכַח, אֲתָה. אַע"ג דְּאַתְבְּסִינָא, מִנִּיהַ הוּי
 שִׁירוּתָא, וְאֶקְרִי אָב. וְהוּא אָב, לְאַבְהֵן. וְהָאֵי אָב
 נִמְיָק מֵעֲתִיקָא קְדִישָׁא, דְּכִתְיִב וְהַחֲכָמָה מֵאִין
 תִּמְצָא. וּבג"כ לֹא אֲשַׁתְּמוּדַע.

72. Come and see, it is written, "Elohim understands its way" (Ibid. 23), actually its way, BECAUSE ELOHIM WHICH IS ZEIR ANPIN KNOWS THE WAY CHOCHMAH OF 32 PATHS EXPANDS TO LOWER CHOCHMAH, "and He," ATIKA KADISHA, "knows its place" (Ibid.), its very place, NAMELY THE ESSENCE OF SUPERNAL CHOCHMAH, WHICH IS ABA AND IMA, and naturally Chochmah concealed within Atika Kadisha, WHICH IS ITS OWN BRAIN.

72. ת"ח, כְּתִיב אֱלֹהִים הִבִּין דְּרַבְּהָ, דְּרַבְּהָ מִמֶּשׁ.
 אָבֵל וְהוּא יָדַע אֶת מְקוֹמָהּ, מְקוֹמָהּ מִמֶּשׁ. וּכ"ש
 דְּרַבְּהָ. וּכ"ש הוּא חֲכָמָה דְּסְתִימָא בֵּיהַ בְּעֲתִיקָא
 קְדִישָׁא.

23. Why Chochmah is considered to have 32 paths

By saying that 32 paths expand from Chochmah, it means that the Torah, that is Zeir Anpin, is included in the 22 letters and the ten sayings. Rabbi Shimon also says that this Chochmah is a father to the fathers, and that in it there are a beginning and an ending.

73. This Chochmah OF 32 PATHS is the first beginning. From it 32 paths expand. THIS MEANS THAT the Torah, WHICH IS ZEIR ANPIN, is included in the 22 letters and the ten sayings. This Chochmah is a father to the fathers, CHESED, GVURAH AND TIFERET OF ZEIR ANPIN. In this Chochmah there are a beginning and an ending, WHICH ARE therefore CALLED upper Chochmah and lower Chochmah - THE FORMER IS THE BEGINNING AND THE LATTER THE ENDING. When Chochmah expanded TO ZEIR ANPIN it is called a father to fathers. Everything is included only in this CHOCHMAH, as written, "in wisdom have You made them all" (Tehilim 104:24).

73. האי חכמה שירותא דכלא, מניה מתפשטן תלתין ותריין שבילין. ואורייתא בהו אתכלילת בעשרין ותריין אתון, ועשר אמירן. האי חכמה אב, לאבהן. ובהאי חכמה, שירותא וסיומא אשתכח. ובג"ד, חכמה עלאה חכמה תתאה. כד אתפשט חכמה, אקרי אב לאבהן. כלא לא אתכליל אלא בהאי. דכתיב כלם בחכמה עשית.

24. Aba and Ima, which are Chochmah and Binah

Rabbi Shimon tells the other rabbis that Atika Kadisha established everything as male and female, and that when Chochmah emerged and shone it shone only as male and female; Chochmah is a father and Binah a mother. When they joined they gave birth to Zeir Anpin and Malchut, and thus faith spread. Rabbi Shimon talks about the river that flows and that is called the World to Come, saying that this is the Eden of the righteous who will merit life in the World to Come. He now says explicitly what he has only hinted at throughout his life - that the Holy Name includes everything: it includes Chochmah, Binah, Zeir Anpin and Malchut. We also learn how Solomon interprets the two descriptions of the female - "my love" and "my bride" in Shir Hashirim - that are Ima and Malchut. Rabbi Shimon talks about the endless flow that emerges to the Garden that is Malchut. In another context he says that Binah is father, mother and son.

74. Rabbi Shimon lifted up his hands and was glad. He said, Surely it is a time of revelation, and there is a need for everything at such a time. We learned that when the most hidden Atika Kadisha wanted to prepare, He established everything as male and female. BUT where male and female were incorporated IN EVERY SFIRAH, they survived only by another existence of male and female. This Chochmah, which includes everything, NAMELY CHOCHMAH OF 32 PATHS, when it emerged and shone from Atika Kadisha, it shone only as male and female as Chochmah expanded and produced Binah from itself, and so there are male and female; Chochmah is a father and Binah a mother. Chochmah and Binah are weighed with the same measure, male and female, THAT IS, THEY ARE BOTH EQUAL. Because of them everything endured by means of male and female, for otherwise it would not have existed.

74. זקף ר"ש ידוי, וחדוי, אמר, ודאי עידן הוא לגלאה, וכלא אצטריך בשעתא דא. תאנא, בשעתא דעתיקא קדישא, סתימאה דכל סתימין, בעא לאתקנא כלא, אתקין בעין דכר ונוקבא. באתר דאתכלילו דכר ונוקבא לא אתקיימו, אלא בקיומא אחרא דדכר ונוקבא. והאי חכמה כללא דכלא, כד נפקא ואתנהיר מעתיקא קדישא, לא אתנהיר אלא בדכר ונוקבא. דהאי חכמה אתפשט, ואפיק מניה בינה, ואשתכח דכר ונוקבא. הוא, חכמה אב. בינה אם. חכמה ובינה, בחד מתקלא אתקלוג דכר ונוקבא. ובגינייהו כלא אתקיים בדכר ונוקבא, דאלמלא האי, לא מתקיימין.

75. This beginning, NAMELY, CHOCHMAH OF 32 PATHS, WHICH ARE ABA AND IMA, is a father to all, father to all fathers, WHO ARE CHOCHMAH, GVURAH AND TIFERET OF ZEIR ANPIN, AND CHOCHMAH AND BINAH, WHICH ARE ABA AND IMA, united with each other and shining into each other. When they joined they gave birth TO ZEIR ANPIN AND MALCHUT, and faith, WHICH IS MALCHUT CALLED FAITH, spread. In the Agadah of Rav Yeba Saba we learned it thus: what is Binah? When Yud and Hei joined each other, NAMELY CHOCHMAH AND BINAH, BINAH conceived, gave birth and produced a son, ZEIR ANPIN. Hence it is called Binah, for giving birth to the son (Heb. ben) of Yud Hei, AS BINAH IS SPELLED WITH 'BEN' AND THE LETTERS YUD HEI, which is overall perfection, for both CHOCHMAH AND BINAH join, and the son, ZEIR ANPIN, between them, which comprises everything. With their establishment, there is overall perfection, namely, everything, father and mother, CHOCHMAH AND BINAH, son and daughter, ZEIR ANPIN AND MALCHUT, WHICH ARE THE FOUR LETTERS YUD HEI VAV HEI, FROM WHICH ALL REALITY SPRINGS.

75. שירותא דא אב לכלא, אב לכלהו אבהן, אתחברו דא בדא, ונהירו דא בדא. כד אתחברו, אולידו, ואתפשט מהימנותא. באגדתא דבי רב ייבא סבא, הכי תאני, מהו בינה. אלא כד אתחבר דא בדא, יו"ד בה"א, אתעברת, ואפיקת בן, ואולידת, ובג"כ, בינה אקרי, בן י"ה, שלימותא דכלא. אשתכחו תרווייהו דמתחברן, ובן בגווייהו. כללא דכלא. בתקונייהו אשתכח שלימותא דכלא, אב ואם. בן ובת.

76. Such things were not meant to be revealed except for lofty saints that entered INTO CHOCHMAH and came out from it IN PEACE, who know the ways of the Holy One, blessed be He, who never move from them right or left, as written, "for the ways of Hashem are right, and the just do walk in them..." (Hoshea 14:10). Blessed is the portion of he who merited knowing His ways and who does not stray nor is misled by them. For these matters are concealed, and the lofty saints shine upon them, as one shining with candlelight. These words were handed only to those who came INTO CHOCHMAH and came out. For whoever has not come in and out, it is better for him had he not been born. For it is known before the most hidden Atika Kadisha that these matters shine in my heart with the perfection of love and awe before the Holy One, blessed be He. And these my children in here, I know about them that they entered CHOCHMAH and came out of it IN PEACE, and they shone on these matters though not on them all. And now they shine fully, as befitting. Blessed is my portion with them in that world.

77. Rabbi Shimon said, All I said of Atika Kadisha and all I said of Zeir Anpin is all the same. It is the same matter without division in it. Blessed is He and blessed is His name forever and ever.

78. Come and see, this beginning that is called father is included within Yud that comes out AND SHINES FROM holy Mazal, WHICH IS THE BEARD. Yud therefore includes other letters, NAMELY VAV DALET, SINCE IT IS FULLY SPELLED YUD VAV DALET. Yud is the comprising of all other letters, AS EVERY LETTER BEGINS WITH A DOT, WHICH IS YUD. Yud is the beginning and ending of everything, AS SUPERNAL CHOCHMAH THAT IS THE BEGINNING OF EVERYTHING IS CALLED YUD, AND SO IS LOWER CHOCHMAH THE ENDING OF EVERYTHING, NAMELY MALCHUT.

79. That river that comes out and flows, NAMELY BINAH THAT COMES OUT OF CHOCHMAH, is called the World to Come, BECAUSE it runs always and never stops. This is the Eden of the righteous who will merit life in that World to Come that constantly waters the Garden, NAMELY MALE AND FEMALE, and never stops. It says of it, "like a spring of water, whose waters fail not" (Yeshayah 58:11). That World to Come is created with Yud, THAT IS, BY CHOCHMAH THAT IS CALLED YUD. This is the meaning of, "And a river went out of Eden," THAT IS, BINAH COMING OUT OF CHOCHMAH THAT IS CALLED SUPERNAL EDEN, "to water the garden" (Beresheet 2:10), NAMELY TO WATER MALE AND FEMALE CALLED VAV DALET, since Yud FULLY SPELLED includes the two letters Vav Dalet, AS SHALL BE EXPLAINED.

80. In the book of Agadah of Rav Yeba Saba we learned why Vav Dalet are included within Yud. AND HE EXPLAINS, this planting of the Garden, WHICH IS ZEIR ANPIN, is called Vav. There is another Garden called Dalet. From this Vav, WHICH IS ZEIR ANPIN, Dalet is watered, WHICH IS MALCHUT. This is the secret of the words, "And a river went out of Eden to water the garden." Eden is supernal Chochmah, which is Yud. "To water the garden" refers to Vav, WHICH IS ZEIR ANPIN; "and from thence it was parted, and branched into four streams" (Ibid.) refers to Dalet, NAMELY MALCHUT. All that is included in Yud.

81. Because of that THAT EVERYTHING IS INCLUDED IN YUD, WHICH IS CHOCHMAH, CHOCHMAH is called a father to the fathers, WHO ARE CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, a beginning to everything, a house to everything, as written, "Through wisdom a house is built" (Mishlei 24:3), and "in wisdom have You made them all" (Tehilim 104:24). CHOCHMAH in its place is neither revealed nor known. When it is united with Ima, WHICH IS BINAH, it is alluded to in Ima, and because of that Ima IS MADE all inclusive, in which the beginning and ending of everything is made known and indicated, NAMELY SUPERNAL CHOCHMAH AND LOWER CHOCHMAH, WHICH IS MALCHUT. For everything is hidden within it.

82. What includes everything is the Holy Name. Up until now I have made allusions but have not said IT EXPLICITLY all these days. Now the aspects are imprinted; YUD OF YUD HEI VAV HEI includes this Chochmah, NAMELY CHOCHMAH OF 32 PATHS, WHICH IS ABA. Hei is Ima and is called Binah. Vav Hei are the two children, ZEIR ANPIN AND MALCHUT that are adorned by Ima. We have learned that Binah includes them all, because Yud, WHICH IS CHOCHMAH, is united with HEI, WHICH IS Ima, and they beget a son, WHICH IS ZEIR ANPIN. This is the meaning of THE LETTERS OF BINAH: a father and mother, who are Yud Hei, with a son (Heb. ben) between them, BECAUSE BINAH IS THE LETTERS OF BEN YUD HEI.

83. We now have to examine: It is Binah, but it is called Tevunah. Why is it called Tevunah rather than Binah? AND HE ANSWERS, For IMA is called Tevunah when suckling the two children, a son and a daughter that are called Vav-Hei, NAMELY ZEIR ANPIN AND MALCHUT. At that time it is called Tevunah, since everything is included within those letters, ben (Eng. 'son') and bat (Eng. 'daughter'), who are Vav-Hei. THAT IS, TEVUNAH IS SPELLED WITH THE LETTERS OF ben and bat, Vav-Hei, and everything is one whole, namely Tevunah.

84. In his book, Rav Hamnuna Saba said that the first description King Solomon revealed, when he said, "Behold, you are fair, my love" (Shir Hashirim 1:15), comes from it. THAT IS, IT RELATES TO IMA, WHOM ABA CALLS "MY LOVE." The second description HE MENTIONED, "COME WITH ME FROM LEBANON, MY BRIDE" (SHIR HASHIRIM 4:8) is considered a bride, who is the lower Nukva, NAMELY MALCHUT. As for those who say that both relate to the lower Nukva, MALCHUT, it is not so, because the first Hei OF YUD HEI VAV HEI is not considered a bride, BUT "MY LOVE," BECAUSE ABA AND IMA ARE CONSIDERED LOVERS. But last Hei is considered a bride at certain times, because on many occasions the male, ZEIR ANPIN, does not unite with her but leaves her. Of that time it is written, "Also you shall not approach to a woman in the impurity of her menstrual flow" (Vayikra 18:19). When the female is purified and the male wishes to unite with her, she is considered a bride, because she comes as a real bride.

85. But as for Ima, the desire of both ABA AND IMA never stops. They emerge as one and rest as one. The one does not stop flowing from the other, nor leaves the other. For that reason it is written, "And a river went out of Eden" (Beresheet 2:10). "went out" MEANS constantly, ceaselessly, as written, "like a spring of water, whose waters fail not" (Yeshayah 58:11). Hence it is written, "my love" ABOUT IMA, because they dwell with brotherly desire AND LOVE, with absolute unity. But here, IN MALCHUT, she is considered a bride, because when the male comes, WHO IS ZEIR ANPIN, to join her, she is a bride, and comes as an actual bride.

86. For that reason, Solomon interprets the two descriptions of the female, IMA AND MALCHUT. The first description OF IMA is vague, because Ima is vague AND HIDDEN. The second description IN MALCHUT gives more explanation and is not so vague. Later, it applies all the value OF MALCHUT to the upper one, IMA, as written, "she is the only one of her mother, she is the choice one of her that bore her" (Shir Hashirim 6:9). And since Ima is bedecked with a bride's crown, and the desire of Yud, WHICH IS CHOCHMAH, towards her never stops, AND SHE IS ATTACHED TO BOTH THE UPPER AND LOWER BEINGS, THEREFORE the freedom of all slaves is under her jurisdiction to purify everything, as written, "for on that day will He forgive you" (Vayikra 16:30), and, "And you shall hallow the fiftieth year...it shall be a jubilee for you" (Vayikra 25:10). What is a Jubilee (Heb. yovel)? It accords with the words, "and that spreads out its roots by the river (Heb. yuval)" (Yirmeyah 17:8). FOR JUBILEE MEANS A RIVER after the river, WHICH IS IMA, that comes out, flows and emerges uninterruptedly TO THE GARDEN, WHICH IS MALCHUT.

87. It is written, "if (Heb. im) you cry after wisdom (Binah), and lift up your voice for understanding (Tevunah)" (Mishlei 2:3). HE ASKS, Once it said, "mother (Heb. em) you cry after Binah," why ADD, "AND LIFT UP YOUR VOICE for Tevunah," AND HE ANSWERS, Everything is as I said THAT WHEN BINAH SUCKLES THE SON AND DAUGHTER IT IS CALLED TEVUNAH. HE ASKS, Which one is superior, AND ANSWERS, Binah is superior to Tevunah. Binah is father, mother and son, SINCE Yud Hei are father and mother with a son between them, WHO IS VAV. THAT IS, BINAH IS SPELLED BEN (ENG. 'SON OF') YUD-HEI. All of Tevunah is entirely of children, AS IT IS SPELLED WITH THE LETTERS OF ben (Eng. 'son'), bat (Eng. 'daughter'), Vav-Hei. YUD-HEI ARE NOT MENTIONED IN IT. FROM THIS WE UNDERSTAND THAT BINAH IS SUPERIOR TO TEVUNAH, because father and mother, WHO ARE YUD-HEI, are only in Binah, but in Tevunah THERE IS NO YUD-HEI; surely the mother crouches over the children, VAV-HEI, WHILE THE MOTHER HERSELF does not appear THERE. HENCE TEVUNAH CONTAINS ONLY THE LETTERS OF BEN BAT VAV-HEI, BUT NOT YUD HEI. Thus the sum of all two children, ZEIR ANPIN AND MALCHUT, is called Tevunah, while the whole of the father, mother and son, WHO ARE CHOCHMAH, BINAH AND ZEIR ANPIN, is considered Binah, which, when wishing to include everything, YUD-HEI AS WELL, they are included IN BINAH.

25. Da'at, which is Zeir Anpin that unites Chochmah and Binah that are Aba and Ima Rabbi Shimon begins by saying that the father, mother and son are called Chochmah, Binah and Da'at, and he explains why this is so. He tells us that Da'at receives his father's and mother's inheritance.

88. These father, mother and son are called Chochmah, Binah and Da'at. For when the son, ZEIR ANPIN, receives his father's and mother's tokens, THAT IS, WHEN HE TAKES AND INCLUDES WITHIN HIM CHOCHMAH AND BINAH OF ABA AND IMA, he is called Da'at, WHICH IS DERIVED FROM TESTIMONY (HEB. EDUT), because he bears testimony about both of them BY INCLUDING WITHIN HIM THE MOCHIN OF ABA AND IMA, AS DA'AT RECONCILES AND INCLUDES CHOCHMAH AND BINAH. This son, DA'AT, is called a firstborn SON, as written, "Yisrael is My son, My firstborn" (Shemot 4:22), SINCE ZEIR ANPIN, WHO IS DA'AT, IS CALLED YISRAEL, AND IT SAYS OF HIM, "YISRAEL IS MY SON, MY FIRSTBORN." Since he is considered a firstborn he receives two portions, A PORTION FROM ABA, WHO IS CHOCHMAH, AND A PORTION FROM IMA, BINAH. When he gets bigger with his crowns, he receives three portions, CHOCHMAH, BINAH AND DA'AT. In either case, two parts or three parts are all the same, SINCE DA'AT IS NO MORE THAN THE INCLUSION OF CHOCHMAH AND BINAH, IN SUCH A WAY THAT EVEN IN CHOCHMAH, BINAH AND DA'AT THERE ARE NO MORE THAN TWO, CHOCHMAH AND BINAH. Both are the same, BECAUSE DA'AT receives his father's and mother's inheritance, AND HENCE HAS ONLY CHOCHMAH AND BINAH LIKE HIS FATHER AND MOTHER, BUT NO MORE.

88. והאי אב ואם ובן, אקרין חכמה בינה ודעת. בגין דהאי בן, נטיל סימנין דאבוי ואמיה, אקרין דעת, דהוא סהדותא דתרווייהו. והאי בן, אקרין בוכרא. דכתיב, בני בכורי ישראל. ובגין דאקרין בוכרא, נטיל תרין חולקין. וכד אתרבי בעטרות, נטיל תלת חולקין. ובין כך ובין כך, תרין חולקין, ותלת חולקין כללא חד מלה. והאי והאי חד הוי, ירותא דאבוי ואמיה ירית.

26. Inheritance and the two crowns in Chochmah, Binah and Da'at of Zeir Anpin

Rabbi Shimon describes the nature of the inheritance that Zeir Anpin receives from Aba and Ima. We are led to understand that the son inherits everything and gives it to the daughter, Malchut, who is nourished from him.

89. HE ASKS, What is this inheritance ZEIR ANPIN RECEIVES FROM ABA AND IMA, AND ANSWERS, It is his father and mother's inheritance, WHICH IS THEIR CHOCHMAH AND BINAH, and the two crowns hidden therein, which they bequeathed to that son, NAMELY THE TWO PARTS OF DA'AT THAT JOINS ABA AND IMA, SINCE ZEIR ANPIN INHERITS ALL THREE PARTS, CHOCHMAH, BINAH AND DA'AT FROM ABA AND IMA. For from his father's side a crown called Chesed was hidden within DA'AT and from his mother's side a crown called Gvurah. And all are crowned on the head OF ZEIR ANPIN and He holds to them. When Aba and Ima shine on Him BY MEANS OF THE INHERITANCE OF CHOCHMAH AND BINAH AND THE TWO PARTS OF DA'AT, they are all called the head Tefilin, THE SECRET OF THE FOUR PARAGRAPHS, SINCE THE INHERITANCE OF CHOCHMAH AND BINAH ARE, "SANCTIFY TO ME ALL THE FIRSTBORN (HEB. KADESH LI)" (SHEMOT 13:2), AND "AND IT SHALL BE, WHEN HASHEM YOUR ELOHIM SHALL BRING YOU (HEB. VEYAHAY KI YEVIACHA)" (DEVARIM 6:10); AND THE TWO PARTS OF DA'AT ARE, "HEAR O YISRAEL (HEB. SH'MA YISRAEL)" (DEVARIM 6:4), AND "AND IT SHALL COME TO PASS, IF YOU HEarken (HEB. VEYAHAY IM SHAMO'A). And this son takes and inherits everything, and it spreads within Him throughout the body. This son, ZEIR ANPIN, gives to the daughter, MALCHUT, who is fed from Him. In any case IT IS UNDERSTOOD from this that the son inherits rather than the daughter; the son inherits His father and mother, not the daughter, and the daughter is nourished by Him, as said ABOUT THE TREE THAT ALLUDES TO ZEIR ANPIN, "and on it was food for all" (Daniel 4:18).

89. מאי ירותא דא. אחסנתא דאבוי ואמיה, ותרין עטרין דהו גניזין בגווייהו, ואחסינו לבן דא. מסטרא דאבוי, הוה גניז בגווייהו חד עטרא, דאקרין חסד. ומסטרא דאימא, חד עטרא, דאקרין גבורה. וכלהו מתעטרין ברישיה, ואחיד לון. וכד נהרין אלון אב ואם עליה, כללהו אקרין תמילין דרישא. וכלא נטיל בן דא, וירית כללא, ואתפשט בכל גופא. והאי בן, יהיב לברתא. וברתא ממניה אתון. ועב"ם מכאן, ברא ירית, ולא ברתא. ברא ירית לאבוי ולאמיה, ולא ברתא. וממניה אתון ברתא. כמה דכתיב ומזון לכלא ביה.

90. These father and mother are included in and unite with each other, and Aba is more hidden THAN IMA. Everything is attached to Atika Kadisha, THAT IS, THE CONCEALED BRAIN, coming from the precious Mazal, which is most precious, SINCE THEY DO NOT RECEIVE STRAIGHT FROM ATIKA KADISHA BUT THROUGH THE BEARD CALLED MAZAL. The father and mother prepare the house, as I said regarding the secret of, "Through wisdom (Chochmah) a house is built; and by understanding (Tevunah) it is established; and by knowledge (Da'at) are the chambers filled with all precious and pleasant riches" (Mishlei 24:3), WHICH ARE CHOCHMAH, BINAH AND DA'AT OF ZEIR ANPIN. It is also written, "For it is a pleasant thing if you keep them within you" (Mishlei 22:18).

91. Rabbi Shimon said, In the Idra RABA IN NASO I have not disclosed everything, and all these matters were hidden in my heart to this moment. I wanted to conceal them for the World to Come, because there, IN THE WORLD TO COME, we are asked a question ABOUT WISDOM, as written, "And He shall be the stability of your times, a store of salvation, wisdom and knowledge..." (Yeshayah 33:6), since wisdom is asked of one. HE THEREFORE CONCEALED THESE MATTERS TO THE WORLD TO COME. Now I SEE that the Holy One, blessed be He, wishes it TO REVEAL THEM, in order that I shall come in without shame before His palaces.

27. Undisclosed Da'at, Da'at that is shining in the head, expanding Da'at

Rabbi Shimon tells us about the three types of Da'at in Zeir Anpin, and he also talks about how God established a testimony in Jacob. Rabbi Shimon tells the other rabbis that he has known these matters for a long time but was afraid to reveal them, and now they are revealed. He laughs and weeps over what he is and is not allowed to reveal, and he says that he has only this one day at his disposal to tell what he wants to tell. And we find that he wants to reveal things so that he will not enter the World to Come in shame.

92. It is written, "For Hashem is an El of knowledge (lit. 'knowledges')" (I Shmuel 2:3). Surely knowledges IN PLURAL, BECAUSE THERE ARE THREE TYPES OF DA'AT IN ZEIR ANPIN: 1) It is THE BRAIN OF Da'at, because through Da'at all palaces are filled, as written, "and by knowledge (Heb. Da'at) are the chambers filled with all precious and pleasant riches" (Mishlei 24:3); 2) Another Da'at CORRESPONDS TO THIS, which is not revealed but flows within it secretly and is included within it; 3) Da'at that shines into the parts of the brain and spreads throughout the brain BUT NOT INTO THE BODY.

93. In the book of Agadah we studied, "Hashem is an El of knowledge (Heb. de'ot)." Do not pronounce 'de'ot' but 'edut (Eng. 'testimony')', for it bears testimony about everything, the testimony of two portions, WHICH MEANS IT INCLUDES WITHIN IT CHOCHMAH AND BINAH, WHICH ARE TWO PORTIONS, as written, "For He established a testimony in Jacob" (Tehilim 78:5), SINCE ZEIR ANPIN CALLED JACOB IS THE SECRET OF DA'AT THAT INCORPORATES CHOCHMAH AND BINAH. And though it has been explained differently in Safra Det'zniuta (the CONCEALED Book), THAT CIRCUMCISION IS CALLED TESTIMONY, IT IS NOT IN THE CONCEALED BOOK IN OUR POSSESSION, BUT THEY HAD KABBALAH BOOKS THAT THEY CALLED SO. There, where it belongs THE EXPLANATION is complete, and ALSO here everything is correct. Everything should be EXPLAINED IN THE TEXT by concealing the matter BY HINTS.

94. Everything is included within these Aba and Ima, and everything is hidden within them. They are concealed AND ARE INCLUDED in the holy Mazal, NAMELY THE BEARD of the most ancient, ARICH ANPIN. They are concealed within it, incorporated in it. Everything is ATIKA, and ATIKA is everything. Blessed be He, and blessed be His name forever and ever.

95. All the matters in the Idra RABA are correct and they are all are holy matters, which stray neither right nor left. They are all hidden matters, revealed to those who entered WISDOM and came out OF IT COMPLETELY. All mysteries are in such a way THAT THEY ARE REVEALED SOLELY TO THOSE WHO CAME IN AND CAME OUT. Until now these matters, WHICH I HAVE DISCLOSED HERE, were hidden, because I was afraid to reveal them. Now they are revealed. It is known before Atika Kadisha that neither for my own glory nor for THE GLORY OF my father's house did I do this, but I did it so I would not enter shamefully before His palace. Moreover, I saw the Holy One, blessed be He, and all the truly righteous present here, all agreed with me THAT I SHOULD REVEAL THEM. For I have seen them all rejoicing in my joy, and that they are all invited to my feast in that world, happy is my portion.

96. Rabbi Aba said, When the holy luminary completed this word, the supernal luminary raised his hands, wept and laughed, because he wanted to reveal something. He said, All my life I was distressed about this matter TO REVEAL IT, but now I am not given permission. He drew strength and sat down and his lips were muttering. He prostrated three times, and no one could look at where he was, let alone directly at him. He said, Mouth, mouth, you have merited all this and your streams have not dried. You stream gushes forth ceaselessly. We recite of you, "And a river went out of Eden" (Beresheet 2:10), and, "like a spring of water, whose waters fail not" (Yeshayah 58:11).

97. Now I testify about myself that all the days I lived IN THE WORLD I yearned to see this day, IN WHICH I WOULD HAVE PERMISSION TO REVEAL THESE SECRETS, but never succeeded, except for now because this day is crowned with this crown OF REVEALING SECRETS. And now I wish to reveal matters before the Holy One, blessed be He, because all THE SECRETS I REVEAL are crowned on my head. And this day will not be far from coming to its place IN THAT WORLD on another day. For all this day is at my disposal AND NO MORE. And now let me begin to reveal things so I should not enter with shame into the World to Come. Here, let me start speaking.

28. The union of Male and Female called Righteousness and Justice

Rabbi Shimon tells how he sees that the illumination of all grades is joined in the one light and emanates ultimately from the hidden light within which dwells the Endless Light, that which can never be comprehended nor revealed. He talks about the perfect justice of God, saying that his judgments are always judgments of truth. We learn that there are two luminaries that establish the throne of God - these are called Righteousness and Justice. Everything is concealed in Justice, and Righteousness is nourished by this Justice. Rabbi Shimon talks about the state of mercy and perfection when male and female join and all the worlds are in a state of mercy and joy. And yet when the world is full of sin the male and female are separated and the serpent is aroused. At that time Severe Judgments prevail and many righteous people leave the world. When, however, there is a perfectly righteous person in the world who loves God, the world can still be saved for his sake. Rabbi Shimon tells us that before he sinned, King

94. הַאִי אָב וְאִם, בְּלֵהוּ בְּהוּ בְּלִילָן, בְּלֵא בְּהוּ סְתִימָן, וְאִינוּן סְתִימָן בְּמִזְלָא קְדִישָׁא, עֲתִיקָא דְכָל עֲתִיקִין. בִּיה סְתִימָן. בִּיה בְּלִילָן. בְּלֵא הוּא, בְּלֵא הוּי. בְּרִיךְ הוּא, בְּרִיךְ שְׁמִיה, לְעֵלְמָא וְלְעֵלְמֵי עֲלָמִין.

David was not afraid of any Judgment, not even of Righteousness, and yet after he sinned he was afraid even of Justice. Rabbi Shimon concludes that after he himself leaves the world there will not be any righteous people significant enough to protect the people of that generation.

98. It is written, "Righteousness and justice are the foundation of Your throne; love and truth shall go before You" (Tehilim 89:15). Who is wise to observe this to see the ways of the Holy Supernal One, that they are judgments of truth, judgments adorned with supernal Sfirot. For I see all luminaries shine from the most hidden supernal luminary, WHICH IS ATIKA; all GRADES are illuminated grades, AS EACH HAS ITS UNIQUE ILLUMINATION, and by the light within each and every grade something is revealed, NAMELY EACH HAS ITS OWN UNIQUE REVELATION. And all lights are attached to each other and shine into each other, not separating from each other.

99. The light within each of the luminaries that are called the King's characteristics, the King's Sfirot, each, NAMELY EACH LIGHT, shines and is attached to the light in the innermost. THAT IS, IT IS ABSOLUTELY INCONCEIVABLE. For that reason all amounts to the same grade, everything is adorned by the same thing and is inseparable from the other, He and His name are one. He, the revealed light, is called the King's garment. The light in the innermost OF ALL LIGHTS is a hidden light, within which dwells that which is neither explicable nor revealed, THE BLESSED THE ENDLESS LIGHT.

100. All luminaries and all lights shine from the most concealed Atika Kadisha that is the supernal luminary. When observing, within all lights spreading FROM ATIKA there is only some of the hidden, non-revealed supernal light.

101. Within these garments of glory, garments of truth, true establishments and true lights, there are two luminaries, which establish the King's throne, WHICH IS BINAH, and which are called Righteousness and Justice. THEY ARE ZEIR ANPIN THAT IS CALLED JUSTICE AND MALCHUT CALLED RIGHTEOUSNESS. They are the beginning and the completion in the whole faith, SINCE JUSTICE IS AT THE BEGINNING AND THE REVEALING OF PERFECTION WITHIN RIGHTEOUSNESS IS CALLED JUSTICE, and with these all Judgments above and below are adorned. Everything is concealed in Justice, WHICH IS ZEIR ANPIN, and Righteousness, WHICH IS MALCHUT, is nourished by this Justice, WHICH IS ZEIR ANPIN. And sometimes MALCHUT is called, "Melchizedek king of Shalem" (Beresheet 14:18).

102. When Judgments are roused from Justice, they are all in a state of mercy and perfection. For this JUSTICE mitigates Righteousness, WHICH IS JUDGMENTS; Judgments are established and all descend into the world in perfection and mercy. It is then the time when male and female join and all worlds are in a state of mercy and joy.

103. When people's iniquities multiply and the Temple, MALCHUT, is defiled BY THEIR INIQUITIES, the male, ZEIR ANPIN, departs from the female, MALCHUT, and the fierce serpent begins to arouse. Woe to the world that is nourished at that time by righteousness, WHICH IS MALCHUT SEPARATED FROM ZEIR ANPIN THAT IS JUSTICE. Many legions of demons arouse in the world and many righteous people depart from the world. All this is because the male has left the female, and Justice does not approach this Righteousness. Of this it is written, "but sometimes ruin comes for want of judgment (Justice)" (Mishlei 13:23), WHICH MEANS THAT since Justice, WHICH IS ZEIR ANPIN, departs from righteousness, and MALCHUT is not mitigated but Righteousness is fed from another place, NAMELY LEFT WITHOUT THE RIGHT, WHICH IS SEVERE JUDGMENTS.

104. King Solomon said of this, "All things have I seen in the days of my vanity. There is a just man who perishes in his righteousness" (Kohelet 7:15). The reason is that Justice has departed from righteousness, AND MALCHUT REMAINS AS LEFT WITHOUT RIGHT. For that reason it is considered that "sometimes ruin comes for want of justice."

105. Come and see, when there is a lofty righteous man in the world, loving the Holy One, blessed be He, even when Righteousness is roused on its own WITHOUT JUSTICE, the world can still be saved for his sake, for the Holy One, blessed be He, delights in his glory and he fears no Judgment. When this righteous man is not alive, people are afraid even of Justice and cannot handle it, not to mention righteousness.

106. At first, King David said, "Examine me, Hashem, and prove me" (Tehilim 26:2), for I am not afraid of any Judgment, not even of Righteousness. Moreover, I am attached to it, SINCE DAVID WAS A CHARIOT TO MALCHUT. It is written, "As for me, I will behold Your face in righteousness (Heb. tzedek)" (Tehilim 17:15), with Righteousness assuredly. I am not afraid to face its Judgments. After he sinned he was afraid even of Justice, as written, "And enter not into justice with Your servant" (Tehilim 143:2). Come and see, when this Righteousness (Heb. tzedek) is mitigated by Justice it is called Righteousness (Heb. tzedakah) WITH A FEMININE SUFFIX, BECAUSE IT BECOMES A FEMALE TO ZEIR ANPIN THAT IS CALLED JUSTICE, AND RECEIVES CHASSADIM FROM IT, the world is sweetened with Chesed and filled with it, as written, "He loves righteousness (Heb. tzedakah) and judgment. The earth is full of the goodness (Chesed) of Hashem" (Tehilim 33:5).

107. I bear testimony about myself that I was distressed about the world all my life lest it would meet the Judgments of Righteousness and be burned by its flames, as written, "she eats, and wipes her mouth" (Mishlei 30:20). From now on, AFTER MY DEMISE, THE WORLD WILL BEHAVE according to THE DEEDS OF everyone. As is the pit, SO IS its depth, THAT IS, DEEDS ARE REPAID MEASURE FOR MEASURE. In this generation there are righteous people but they are too insignificant to rise up and protect the people of the generation from the four directions OF THE WORLD.

Rabbi Shimon reveals some things about Zeir Anpin that were not revealed in the Idra Raba. He first repeats what the rabbis already know about how Zeir Anpin derives from Atika Kadisha. Next he talks about the kings of Edom who died because everything had not yet been properly established in Malchut. We learn that male and female cannot flourish without each other. Malchut is the daughter of both Chochmah and Binah and is fed from both aspects that radiate in two ways - with Chesed and with Judgments. Lastly Rabbi Shimon describes how the first worlds were destroyed like sparks that are extinguished immediately.

108. Up until now my words were interconnected, and the concealed matters in the most hidden Atika Kadisha were explained, and how the ones are connected to the others, THAT IS, HOW THE THREE HEADS OF ATIKA ARE MUTUALLY ATTACHED, HOW THE BEARD IS ATTACHED TO ATIKA, AND HOW ABA AND IMA ARE CONNECTED TO THE BEARD. The following are matters that pertain to Zeir Anpin that were not revealed in the Idra RABA, those concealed in my heart, where they did not manifest. Now they are manifested and disclosed. All these matters are hidden yet clear. Blessed is my portion and that of those who receive this inheritance, as written, "Happy is the people, that is in such a case..." (Tehilim 144:15).

109. This we have explained, that Aba and Ima are attached to the manifestations of Atika, THAT IS, TO THE BEARD THAT MANIFESTED. It is so, because they derive from the most concealed brain and are attached to it. When they examine what I say THEY WILL SEE that everything is only Atika, that was, is and will be, and that all those manifestations are in it. Aba and Ima come out of this CONCEALED brain and are a part of Mazal. They derive from and are attached to it. Zeir Anpin derives from Atika Kadisha and is attached to it. We have already explained these issues in the Idra RABA. Blessed is the portion of he who came into WISDOM and came out IN PEACE, and who knows the paths not to deviate right or left BUT BE IN THE CENTRAL COLUMN. And whoever has not come in and out IN PEACE, it is better for him had he not been born, as it is also written, "for the ways of Hashem are right" (Hoshea 14:10).

110. Rabbi Shimon said, All my life I observed this verse that says, "My soul shall glory in Hashem; the humble shall hear of it, and be glad" (Tehilim 34:3), and now the whole verse is fulfilled. Surely "My soul shall glory in Hashem," because my soul is attached to Him, glows from Him, cleaves to Him and strives, through which striving it shall rise to its place. "the humble shall hear of it, and be glad" relates to all the righteous, the members of the holy Yeshivah, and the righteous who have come now with the Shechinah. They all listen to my words and rejoice. For that reason, "O magnify Hashem with me, and let us exalt His name together" (Ibid. 4).

111. He opened with, "And these are the kings that reigned in the land of Edom" (Beresheet 36:31). This is the meaning of, "For, lo, great kings were assembled, they came (or: 'passed') on together" (Tehilim 48:5). Where were they assembled? In the land of Edom, which Judgments hold on to. "they passed on together," as written, "And...died...reigned in his place" (Beresheet 36:33-39). "As soon as they saw, they were astounded; they were affrighted; they rushed away" (Tehilim 48:6), because they were not settled BUT BROKE AND DIED, because the King's establishments had not yet set and the holy city, NAMELY MALCHUT, and its walls had not yet come to be.

112. This is the meaning of, "As we have heard, so have we seen..." (Ibid. 9), because none survived, but she, MALCHUT, survives now that the male dwelt with her, as written, "and Hadar reigned in his place, and the name of his city was Pa'u; and his wife's name was Mehitavel, daughter of Matred, daughter of Mei zahab" (Bereshheet 36:39); gold water certainly, as we explained in the Idra.

113. In the Agadah book of Rav Hamnuna Saba we learned that, "Hadar reigned in his place." Hadar surely, NAMELY YESOD THAT IS CALLED THE TREE HADAR, as written, "the fruit of the tree hadar" (Vayikra 23:40), IN WHICH MALCHUT IS CALLED FRUIT AND YESOD THE TREE HADAR; "and his wife's name was Mehitavel" as in "branches of palm trees" (Ibid.), WHICH IS YESOD AND WHICH IS NAMED IN THE PLURAL "PALM TREES" BECAUSE it is written, "The righteous man flourishes like the palm tree" (Tehilim 92:13), WHICH MEANS HE DOES NOT FLOURISH WITHOUT THE FEMALE, because THE PALM TREE is both male and female. HENCE IT SAYS OF HIM, "AND HIS WIFE'S NAME WAS MEHITAVEL." This MALCHUT is called "the daughter of Matred," WHICH MEANS SHE IS a daughter to that place everyone is busy (Heb. trudim) attaining, which is called a father, NAMELY CHOCHMAH. It is also written, "Man cannot know its price; nor is it found in the land of the living" (Iyov 28:13), SINCE EVERYONE IS BUSY ATTAINING IT. According to another explanation, she is a daughter to mother, WHO IS BINAH, from whose aspect Judgments rise that disturb (Heb. matridim) everyone. THIS IS WHY SHE IS CALLED "THE DAUGHTER OF MATRED." She is "the daughter of Mei zahab (lit. 'gold water')," BECAUSE SHE is fed from both aspects that radiate in two manners, with Chesed and with Judgments, THAT IS, FROM RIGHT AND LEFT, THE RIGHT BEING CHESED AND CALLED WATER, AND LEFT THE SECRET OF CHOCHMAH CALLED GOLD. HENCE THE GOLD WATER.

114. Before the world was created, they did not face and look at each other face to face, and because of that the earlier worlds were destroyed, BY BEING BROKEN AND DYING. The first worlds were formed but not fixed, and that KING that was not established was called glowing sparks, THAT IS, HIS KINGDOM AND REIGN WERE LIKE THE LIGHT OF A SPARK THAT IS IMMEDIATELY EXTINGUISHED AND DISAPPEARS. It is like a craftsman who strikes on an iron tool with a hammer, and produces sparks in every direction. These sparks come out glowing and shining but are extinguished at once. These are called the first worlds. For this reason they were destroyed and did not survive, until Atika Kadisha manifested and the craftsman began His work.

30. How Zeir Anpin emanated from Aba and Ima

Rabbi Shimon recalls what the Baraita says about the destruction of the first worlds and about how Atika Kadisha's craftsmanship later established everything as male and female. Then when Aba and Ima joined and were incorporated within each other, the head of Zeir Anpin emerged and expanded.

115. In regard to this we learned in our B'raita that the luminary scattered sparks and glitters to 320 sides, and that these sparks are called the first worlds, which died immediately. Afterwards, the craftsman, ATIKA KADISHA, went to do His craftsmanship, which was set as male and female, and the sparks that were extinguished and died became in existence now. For from the harsh candle a spark came out, which is the strong hammer that struck and produced sparks THAT WERE EXTINGUISHED IN the first worlds. It is mingled with pure air and they were sweetened by each other.

116. HE NOW EXPLAINS THE EMERGENCE OF ZEIR ANPIN FROM ABA AND IMA, SAYING: when Aba united with Ima, NAMELY MALE WITH FEMALE, the PURE air, THE SECRET OF CHASSADIM, coming from the spirit hidden within Atik Yomin, was concealed within Aba and included the spark coming from the hard candle hidden within the belly of Ima, THAT IS, THE JUDGMENTS OF CHOCHMAH OF THE LEFT OF IMA. When the two joined and were incorporated within each other, CHOCHMAH OF IMA WITHIN THE CHASSADIM OF ABA AND VICE VERSA, a hard, strong skull, THE HEAD OF ZEIR ANPIN, emerged and expanded to the sides, one to one side and one to the other. Just like there are three heads together in Atika Kadisha, THE UNKNOWN HEAD, KETER AND CONCEALED CHOCHMAH, everything comes about through three heads as I said.

31. The skull of Zeir Anpin

We read how dew drips from the skull of Arich Anpin to the skull of Zeir Anpin and from there to Malchut where it sustains everything. From this dew, manna is ground for the righteous in the World to Come, and through it the dead will be revived. Rabbi Shimon talks about how this dew dripped when Yisrael were wandering in the wilderness. As this event never happened at any other time in the world, we learn that children, length of life and sustenance depend not on merit but instead on Mazal. Lastly we hear that there is healing in the world only when Zeir Anpin and Atika Kadisha face each other; then everything is long-suffering.

117. In this skull of Zeir Anpin, dew drips from the white head, WHICH IS THE SKULL OF ARICH ANPIN, which appears in two colors, FOR THOUGH IT IS CHASSADIM THAT ARE CONSIDERED WHITE, NEVERTHELESS SOME REDNESS APPEARS IN IT, WHICH INDICATES THE INCLUSION OF CHOCHMAH, WHICH IS WHAT IS MEANT BY, "THE COLOR OF BDELLIUM" (BEMIDBAR 11:7). From Zeir Anpin the field of holy apple trees, WHICH IS MALCHUT, is sustained. From the dew in this skull, manna is ground for the righteous for the World to Come, and through it the dead shall be revived. This dew never dripped except when Yisrael wandered in the wilderness, sustained by the most ancient from that place, THE DEW ABOVE THE SKULL, and this never happened afterwards. This is the meaning of, "Behold, I will rain bread from heaven for you" (Shemot 16:4), as in, "therefore Elohim give you of the dew of heaven..." (Bereshheet 27:28). FOR SOME OF THE DEW OF THE SKULL OF ARICH ANPIN DRIPS ON THE SKULL OF ZEIR ANPIN CALLED HEAVEN. This was at that time, WHEN THEY WERE FED BY THE DEW OF HEAVEN. Other times, we learned that man's sustenance is hard for the Holy One, blessed be He, because AT THAT TIME SUSTENANCE came from Mazal, Mazal certainly WHERE THERE ARE JUDGMENTS, AND NOT FROM THE DEW OF THE SKULL OF ARICH ANPIN, WHICH IS WHOLLY OF MERCY. Hence children, length of life and sustenance do not depend on merit, but on Mazal. Everything derives from that Mazal as we explained THAT IT IS THE BEARD OF ARICH ANPIN.

118. 90,000,000 worlds journey and are supported by the skull. The pure air OF ABA is included within all GRADES OF ZEIR ANPIN, BOTH TO THE RIGHT AND TO THE LEFT, WHICH IS WHY THE FACE OF ZEIR ANPIN HAS EXPANDED to two sides, RIGHT AND LEFT, by two lights FROM CHASSADIM AND CHOCHMAH that include everything. When the face OF ZEIR ANPIN looks to the face of Atika Kadisha, everything, BOTH THE FACE OF ARICH ANPIN AND THE FACE OF ZEIR ANPIN, is called long-suffering. We learned that it is long-suffering because He is long-suffering to the wicked, but long-suffering MEANS healing come from the face, SINCE LONG (HEB. AROCH) MEANS HEALING, DERIVED FROM, "FOR I WILL RESTORE HEALTH (HEB. ARUCHAH) TO YOU" (YIRMEYAH 30:17), for there is healing in the world only when ZEIR ANPIN AND ATIKA KADISHA face each other.

118. תְּשֻׁעָה אֶלְפִין רְבּוּא עֲלֵמִין, נִטְלִין וְסֻמְכִין עַל הָאֵי גּוּלְגֻלְתָּא. וְהָאֵי אֹוִירָא דְכּוּנָא אֲתַבְּלִיל בְּכֻלָּא, בֵּינָן דְּהוּא כְּלִיל מְכֻלָּא וְכֻלָּא אֲתַבְּלִיל בֵּיהּ, אֲתַפְּשׁוּ אֲנָפּוּי לְתֵרִין סְטָרִין, בְּתֵרֵי נְהוּרִין כְּלִילָן מְכֻלָּא. וְכֵד אֲסַתְּבֻלוּ אֲנָפּוּי, בְּאַנְפִּין דְּעֵתִיקָא קְדִישָׁא, כֻּלָּא אַרְךְ אַפִּים אַקְרִי. מֵאֵי אַרְךְ אַפִּים. אֶלָּא הִכֵּי תְנִינָן, בְּגִין דְּאֶרִיךְ אַפִּיהָ לְחַיִּיבֵינָא. אֲבָל אַרְךְ אַפִּים, אֲסוּתָא דְאַנְפִּין. דְּהָא לֹא אֲשַׁתְּכַח אֲסוּתָא בְּעֵלְמָא, אֶלָּא בְּזִמְנָא דְאַשְׁגַּחִין אֲנָפִין בְּאַנְפִּין.

32. Chochmah, Binah and Da'at of Zeir Anpin

Rabbi Shimon tells us about the three lights that shine within the cavity of the skull, and about how these lights spread throughout the body. We learn about the perfection of Jacob, who drew Chochmah and bestowed it on Rachel and on Malchut. The Zohar says that Atika Kadisha is completely at one with the light of Chassadim alone, and the illumination of Chochmah has no power over it, and thus there is joy in it for everyone and life for everyone, and no Judgments extend from it.

119. Three lights shine within the cavity of the skull, NAMELY CHOCHMAH, BINAH AND DA'AT. You may argue, YOU SPEAK OF three, yet there are four, as I mentioned, which are the inheritance of His father and mother, NAMELY CHOCHMAH AND BINAH, THE ASPECT OF ABA AND IMA HE INHERITED and the two PARTS OF DA'AT hidden within them. They serve as crowns on the head OF ZEIR ANPIN as the head Tefilin. AND HE ANSWERS, AT FIRST THERE WERE FOUR LIGHTS, which later join at His sides, THAT IS, THE TWO PARTS OF DA'AT ARE JOINED IN HIM INTO ONE TO RECONCILE CHOCHMAH AND BINAH AND UNITE THEM WITH EACH OTHER, SO THEY BECOME THREE LIGHTS. They shine and enter the three cavities in the skull and come out each from its own side, ONE FROM THE RIGHT, ONE FROM THE LEFT AND ANOTHER FROM THE MIDDLE, and spread throughout the body.

119. בְּחֻלְלָא דְגּוּלְגֻלְתָּא, נְהִירִין תְּלַת נְהוּרִין. וְאֵי תִימָא תְּלַת, אַרְבַּע אֵינוּן, כְּמָה דְאַמִּינָא, אַחְסַנְתִּיהּ דְּאֲבוּי וְאַמִּיהּ, וְתֵרִין גְּנִיזִין דְּלֵהוּן, דְּמִתְעַטְרִין כְּלֵהוּ בְּרִישֵׁיהּ, וְאֵינוּן תְּפִלִּין דְּרִישָׁא. לְבַתֵּר מִתְחַבְּרָן בְּסְטָרוּי, וְנְהִירִין וְעֵאלִין בְּתְלַת חֻלְלֵי דְגּוּלְגֻלְתָּא. נִמְקִין כָּל חַד בְּסְטָרוּי, וּמִתְפַּשְׁטִין בְּכֻל גּוּפָא.

120. These FOUR LIGHTS join the two brain lobes CHOCHMAH AND BINAH and the third brain lobe that includes THE TWO LOBES and which is attached to this and that side, NAMELY TO THE RIGHT, WHICH IS CHOCHMAH, AND THE LEFT, WHICH IS BINAH, and spreads throughout the body and two colors are formed in Him blended into one, NAMELY THE RIGHT WITHIN IT, WHICH IS CHASSADIM AND THE LEFT WITHIN IT WHICH IS CHOCHMAH ARE INCORPORATED IN IT TOGETHER. This causes His face to shine, and the colors of His countenance testify about ABA and IMA. THAT IS, THEY SHINE WITH THE COLOR OF ABA, WHICH IS CHASSADIM, AND THE COLOR OF IMA, WHICH IS CHOCHMAH. And He is called Da'at, of which it is written, "For Hashem is an El of knowledge (lit. 'knowledges') (I Shmuel 2:3), THAT IS, IN THE PLURAL, because He has two colors, CHOCHMAH AND CHASSADIM. Hence it is written, "With the merciful You will show Yourself merciful" (II Shmuel 22:26) BY SHINING CHASSADIM ON HIM, "AND WITH THE UPRIGHT MAN (HEB. GIBOR) YOU WILL SHOW YOURSELF UPRIGHT" (IBID.), BY SHINING GVUROT ON HIM, THAT IS, WITH THE ILLUMINATION OF CHOCHMAH, WHICH IS PERFECT, AS UPRIGHT MEANS PERFECT.

120. וְאֵלִין מִתְחַבְּרָן בְּתֵרֵי מוּחֵי. וּמוּחָא תְּלִיתָאָה כְּלִיל לֹון, וְאַחִיד בְּהָאֵי סְטָרָא וּבְהָאֵי סְטָרָא, וּמִתְפַּשְׁטֵט בְּכֻל גּוּפָא, וְאַתְעֵבִיד מִנִּיהּ תֵּרֵי גּוּוּנֵי כְּלִילָן כְּחָדָא. וּמֵהָאֵי נְהִיר אֲנָפּוּי, וְאַסְהִיד בְּאַבָּא וְאַימָא גּוּוּנֵי דְאַנְפּוּי. וְהוּא אַקְרִי דְעַת, בְּדַעַת כְּתִיב, כִּי אֵל דְּעוֹת ה' וְגו', בְּגִין דְּאִיהוּ בְּתֵרֵי גּוּוּנֵי לוּ נִתְכַּנּוּ עֲלִילוֹת. אֲבָל לְעֵתִיקָא קְדִישָׁא סְתִימָאָה, לֹא נִתְכַּנּוּ. מ"ט נִתְכַּנּוּ לְהָאֵי. בְּגִין דִּירִית תֵּרִין חוּלְקֵי, וְכְתִיב עִם חָסִיד תִּתְחַסֵּד וְגו'.

121. The friends explained it in truth, as written, "And Jacob told Rachel that he was her father's brother" (Bereshheet 29:12). In relation to "told," it has been explained that everything is the secret of wisdom, WHICH MEANS THAT THE DRAWING OF CHOCHMAH IS CONSIDERED TELLING. "and that he was Rivka's son" (Ibid.): It is written, "Rivka's son" instead of, "Isaac's son," as an allusion, and everything is an allusion of wisdom.

121. וְהָא בְּקִשׁוּט אֹוקִימוּ חֲבֵרֵינָא, דְּכְתִיב, וַיְגִד יַעֲקֹב לְרַחֵל כִּי אָחִי אָבִיהָ הוּא. וַיְגִד, הָא אֹוקְמוּהָ, דְּכֻלָּא רְזָא דְּחֻכְמָתָא. וְכִי בֵּן רַבְקָה הוּא. בֵּן רַבְקָה, וְלֹא כְּתִיב בֵּן יִצְחָק. רְמוּז, וְכֻלָּא רְמִיזָא בְּחֻכְמָתָא.

122. For this JACOB is considered perfect in every respect, and faith is evident in him. THAT IS, HE BESTOWED CHOCHMAH ON MALCHUT CALLED BOTH RACHEL AND FAITH; THE BESTOWING OF CHOCHMAH IS CONSIDERED TELLING. Hence it is written, "And Jacob told Rachel," WHICH INDICATES THE BESTOWING OF CHOCHMAH, instead of 'said'.

123. Just as these colors OF RIGHT AND LEFT IN DA'AT shine in the adornment of the head and enter the cavities of the skull, so they spread throughout the body and the body is attached to them, BUT for concealed Atika Kadisha "ACTIONS are not weighed" (I Shmuel 2:3), SINCE THERE IS NO CHOCHMAH IN IT and they are not suitable for it, because this ATIKA KADISHA is completely at one WITH THE LIGHT OF CHASSADIM ALONE, AND THE ILLUMINATION OF CHOCHMAH HAS NO POWER OVER IT, AND HENCE THERE IS joy IN IT for all, life for all, and no Judgments extend from it. But as for Him, ZEIR ANPIN, "by Him actions are weighed" (Ibid.), surely. HENCE THIS VERSE IS WRITTEN ONE WAY AND PRONOUNCED ANOTHER. IT IS WRITTEN "BY HIM (HEB. LO, LAMED VAV)," AND PRONOUNCED "NOT (HEB. LO, LAMED ALEPH)," ONE APPLYING TO ATIKA AND ONE TO ZEIR ANPIN.

33. Hairs, tresses and bristles on the head of Zeir Anpin

Rabbi Shimon tells us about the locks of hair that hang from the head of Zeir Anpin and how they are intertwined with the supernal light from Aba and Ima. We hear about the lobes of the brain and how they encompass the laws and mysteries, the hidden and the disclosed. We also learn what should be done by a person who wants God to hear him.

124. From the skull of the head, WHICH IS KETER, tens of thousands of locks of hairs are hanging, which are black, entangled and intertwined in each other, since they are twined with the supernal light that adorns his head from Aba and from his brain that shines from the light of Aba. Then many tiny hairs come out of the light that adorns his head from Ima and from the other brain lobes, all connected and entangled in the hairs that hold to Aba, because they are disheveled and entangled in each other.

125. All the brain lobes ARE ATTACHED TO the skull, WHICH IS the supernal brain. And all the hairs flow from the three cavities of the brain that are attached to the SUPERNAL brain lobes and are intermixed in purity and impurity, WHICH ARE THE LAWS OF PURITY AND LOGIC BEHIND THE WARNINGS CONCERNING IMPURITY, in all those laws and mysteries, the hidden and the disclosed. For that reason, all brain lobes are indicated in, "I am Hashem your Elohim" (Shemot 20:2). THEY ARE THE SECRET OF THE 248 POSITIVE AND THE 365 NEGATIVE PRECEPTS INCLUDED IN THAT VERSE, WHICH ARE ARRANGED as they shine in the head part, THAT IS, IN THE FOUR BRAIN LOBES IN THE SKULL, AND THEIR ILLUMINATION enters the THREE cavities of the skull INSIDE THE HEAD.

126. All the locks of black hair hang on and cover the ears, which is why we learned that it is written, "Hashem, bend Your ear, and hear" (II Melachim 19:16). From this we derive that whoever wishes the King to bend His ear to him should curl the hairs on the King's head, THAT IS, CONCENTRATE ON MITIGATING THE JUDGMENTS HANGING FROM THE HAIRS ON THE HEAD OF ZEIR ANPIN. He should also move the hair away from His ears SO THEY WOULD NOT OBSTRUCT THE HEARING OF PRAYER. Then the King will hear whatever He needs to.

126. כָּל אֵינוֹן קוֹצֵין אוֹכְמִין, חֲפִיִּין וְתַלְיִין לְסִטְרָא דְאֹרְחֵי. וְהָא אוֹקִימָנָא, דְּבַג"כ כְּתִיב, הִטָּה יְיָ אָזְנֵךְ וְשָׁמַע. מִכָּאן אוֹקִימָנָא, מֵאֵן דְּבַעֵי דִּירְכִין מִלְכָּא אוֹדְנִיה לְקַבְּלִיהּ, יִסְלָסל בְּרִישֵׁיהּ דְּמִלְכָּא, וְיִפְנֶה שַׁעְרֵי מַעַל אוֹדְנֵי, וְיִשְׁמַע לֵיהּ מִלְכָּא בְּכָל מַה דְּבַעֵי.

34. The path that divides the hairs of Zeir Anpin

We are told that wailers and moaners emerge from the rough hairs on the head of Zeir Anpin, and that they spread a trap for the wicked who are not familiar with the paths of the precepts of the Torah.

127. Where the hairs OF ZEIR ANPIN divide, a way joins the path of the Ancient of Days (Atik Yomin) WHERE THE HAIRS DIVIDE, THAT IS, IT RECEIVES BOUNTY FROM IT, and all the paths of the precepts of the Torah part from it. All the wailers and moaners come out from every rough hair IN THE HAIR and spread a trap for the wicked who are not familiar with these paths. This is the meaning of, "The way of the wicked is like darkness" (Mishlei 4:19). From the rough hairs those who are weighing come out, as written, "All the paths of Hashem are mercy and truth" (Tehilim 25:10). It is all this way because they emerge from the concealed brain lobes of THE LEFT, CALLED the strong lights of the brain.

127. בְּפִלְגוֹתָא דְּשַׁעְרֵי, מִתְאַחֲדָא חַד אוֹרְחָא, בְּאֹרְחָא דְּעֵתִיק יוֹמִין, וּמִתְפָּרֵשׁ מִנִּיהּ כָּל אוֹרְחוֹי דְּסִקּוּדֵי אוֹרְיִיתָא, כָּל מְאֲרִיהוֹן דִּיבְבָא וְיִלְלָא תַלְיִין בְּכָל קוֹצָא וְקוֹצָא, וְאֵינוֹן מִפְּרִשֵׁין רֶשֶׁתָּא לְחַיּוּבֵינָא, דְּלֹא יִדְעִין אֵינוֹן אֹרְחִין. הֵה"ד, דְּרַךְ רֶשָׁעִים כְּאֶפְלָה. וְכָל אֵלִין תַלְיִין בְּקוֹצֵין תְּקִיפִין, וּבַג"כ כְּלֵהוּ תְּקִיפִין. וְאוֹקִימָנָא בְּאֵינוֹן שַׁעֲיָן אֲתַאחֲדָן מְאֲרִיהוֹן דְּמִתְקַלָּא, דְּכְתִיב, כָּל אֹרְחוֹת יְיָ חֶסֶד וְאֱמֶת. וְכָל כֶּךָ, בְּגִין דְּמִשְׁכִּין מִמוּחִין סְתִימִין דְּרַהֲיִטֵי דְּמוּחָא.

35. The hair - tips in each of Chochmah, Binah and Da'at

Rabbi Shimon clarifies the previous section and we learn that the wicked do not know that they are stumbling on harsh judgment.

128. HE NOW EXPLAINS MATTERS MORE FULLY. For that reason, each OF THE HAIR-TIPS has its individual way, but from one brain lobe, THE MIDDLE ONE, WHICH IS DA'AT, weighing ones emerge from the smooth rough hair in it, OF WHOM it is written, "All the paths of Hashem are mercy and truth" (Tehilim 25:10).

128. וּבַג"כ מִשְׁתַּכְּחֵי כָּל חַד כְּפּוּם אוֹרְחוֹי, מִחַד מוּחָא בְּאֵינוֹן קוֹצֵין שַׁעֲיָן, אֲתַמְשְׁכֵן מְאֲרִיהוֹן דְּמִתְקַלָּא, דְּכְתִיב כָּל אֹרְחוֹת יְיָ חֶסֶד וְאֱמֶת.

129. From the second brain lobe, THE LEFT ONE, WHICH IS BINAH, THE SAID wailers and moaners come out from the rough hard hairs, of which it is written, "The way of the wicked is like darkness; they know not at what they stumble" (Mishlei 4:19). What does this mean? AND HE ANSWERS, they know not, namely they do not know nor wish to know at what they stumble. Do not pronounce it, "at what (Heb. bemah) they stumble," but rather, "on Ima (Heb. be'ima) they stumble," that is, on those attached TO THE SECOND BRAIN LOBE, WHICH IS BINAH of the aspect of Ima. The aspect of Ima is harsh Gvurah AT THE LEFT, from her are included the wailers and moaners.

129. מִמוּחָא תְּנִינָא, בְּאֵינוֹן קוֹצֵין תְּקִיפִין, אֲתַמְשְׁכֵן וְתַלְיִין מְאֲרִיהוֹן דִּיבְבָא וְיִלְלָא דְּכְתִיב בְּהוּ דְּרַךְ רֶשָׁעִים כְּאֶפְלָה לֹא יִדְעוּ בְּמַה יִּכְשָׁלוּ. מֵאֵי קֵא מִיּוּרֵי. אֵלֹא לֹא יִדְעוּ, כְּלוּמַר לֹא יִדְעִין, וְלֹא בַעֲאן לְמַנְדַּע, בְּמַה יִּכְשָׁלוּ. אֵל תְּקִרֵי בְּמַה, אֵלֹא בְּאֵימָא יִכְשָׁלוּ. בְּאֵינוֹן דְּמִתְאַחֲדִין בְּסִטְרָא דְּאֵימָא. מֵאֵי סִטְרָא דְּאֵימָא. גְּבוּרָה תְּקִיפָא מִינֶהּ מִתְאַחֲדִין מְאֲרִיהוֹן דִּיבְבָא וְיִלְלָא.

130. From the third brain lobe, from the rough hairs in the middle prosecutors come out and emerge. They are called shining countenances that are yet not shining. Of these it is written, "Make even the path of your foot" (Mishlei 4:26). Everything is in the rough hairs of the head.

130. ממוחא תליתאה, באינון קוצין דאינון באמצעיתא, אתמשכן ותליין מאריהון דמירין. ואקרון אפין נהירין ולא נהירין. ובהני כתיב פלס מעגל רגליך. וכלא אשתכח באינון קוצין דשערי דרישא.

36. The forehead of Zeir Anpin

We are told that whenever it is exposed, the forehead of Zeir Anpin takes revenge on the wicked for their deeds. However, when the forehead of Atika is revealed within the forehead of Zeir Anpin it is a time of goodwill for everyone; this happens during the Minchah service on Shabbat. Rabbi Shimon explains why people are not punished by a celestial court until they are at least twenty years old.

131. The forehead on the skull is a forehead that takes revenge on the wicked for their deeds. When this forehead is exposed, prosecutors are roused against those who are not ashamed of their actions. This forehead is as red as a rose. When the forehead of Atika is revealed within this forehead, it again becomes white as snow. That time is considered a time of goodwill for everyone.

131. מצחא דגולגלתא, מצחא לאתפקדא חייבא על עובדיהון. וכד האי מצחא אתגלויא, מתערין מאריהון דדינין, לאינון דלא מתכספין בעובדיהון. האי מצחא סומקא כוורדא. ובשעתא דאתגלויא מצחא דעתיקא בהאי מצחא, אתהדרת חוורא כתלגא. וההיא שעתא, עת רצון אקרי לכלא.

132. In the Agadah book of Rav Yeba Saba he spoke of the forehead (Heb. metzach, Mem Tzadik Chet). If people merit the forehead, it is the forehead of Atik, THAT IS, THE FOREHEAD OF GOODWILL. If they do not HAVE MERIT, Chet is placed between the two letters Mem and Tzadik, WHICH FORMS THE WORD 'MACHATZ', as in, "and shall smite (Heb. machatz) the corners of Moab" (Bemidbar 24:17), WHICH MEANS THAT THE WICKED GET THEIR PUNISHMENT FROM IT.

132. בספרא דאגדתא דבי רב ייבא סבא אמר, מצח. זכי מצח, מצחא דעתיקא. ואי לאו, אשדי ח' בין תרין אתוון, כד"א ומחץ פאתי מואב.

133. We explained that THE FOREHEAD (HEB. METZACH) is called Netzach using executive letters, CHANGING THE LETTER MEM WITH THE FOLLOWING IN ALPHABETICAL ORDER, NUN, WHICH INDICATES THAT THE LIGHT OF SUPERNAL NETZACH SHINES ON THE FOREHEAD. And even though Netzach rises to another place, THIS DOES NOT POSE ANY DIFFICULTIES, because other kinds of Netzach spread throughout the body. THE REASON THE FOREHEAD IS CALLED NETZACH IS THAT IT VANQUISHES (HEB. NOTZE'ACH) ALL JUDGMENTS, because on Shabbat during the Minchah service Atika Kadisha exposes its forehead so as not to arouse Judgments, and all Judgments are subdued and quieted and do not manifest.

133. ואוקימנא, דאקרי נצח באתוון רצופין. וכמה נצחים הוו. ואע"ג דנצח באתרא אחרא אסתלק, ואית נצחים אחרנין דמתפשטין בכל גופא. ובגין דשבתא בשעתא דצלוחתא דמנחה, בגין דלא יתער דינין, גליא עתיקא קדישא מצחא דיליה, וכל דינין אתכפין ואשתככו ולא אתעבדו.

134. 24 courthouses derive from the forehead for all those who are impudent in their actions, as in, "And they say, how does El know? And is there knowledge in the most High" (Tehilim 73:11). HE ASKS, Yet there are twenty courthouses, why add four to them, AND ANSWERS THAT four correspond to the four capital punishments allotted by the terrestrial courthouse that derive from up high, so only twenty COURTHOUSES remain. For that reason, one is not punished by a celestial court until he completes his twentieth year, which corresponds to the twenty courthouses. In our concealed B'raita we learned that they correspond to the four books in the bible.

134. בהאי מצחא תליין כ"ד בתי דינין, לכל אינון דחציפין בעובדיהון. כמה דכתיב, ואמרו איכה ידע אל ויש דעה בעליון. והא עשרים אינון, ד' למה. לקבליהון דד' מיתות בית דינא לתתא, דתליין מלעילא. ואשתארו עשרין. ובג"כ לא מעגישין בי דינא עלאה, עד דישלים וסלקא לכ' שנין, לקבליהון דכ' בתי דינא. במתניתא סתימאה דילן תנין, לקבליהון דכ"ד ספרים דאתכלילן באורייתא.

37. The eyes of Zeir Anpin

Rabbi Shimon says that although the wicked think that the eyes of God are sleeping, they are not. We hear about the eyebrows and the eyelashes and eyelids of the eyes of Zeir Anpin, and we are told that when His eyes open they turn and see the open eye of Arich Anpin and they bathe in its whiteness - at this time all the prosecutors of Yisrael surrender. We learn about the four colors in the eyes of Zeir Anpin and we are told that the eyes supervise everyone in order to judge, that they generate mercy and goodness, and that they reveal man's actions as they are - good or bad. Rabbi Shimon talks again about the separation of Zeir Anpin and Malchut.

135. The eyes in the head OF ZEIR ANPIN are eyes from which the wicked are not guarded. They are eyes that sleep yet that do not sleep, THAT IS, THEY SOMETIMES SLEEP AND SOMETIMES DO NOT. For that reason they are called, "His eyes are like doves" (Shir Hashirim 5:12). What is meant by 'doves'? It is as in, "You shall not therefore defraud (Heb. tonu) one another" (Vayikra 25:17), DERIVED FROM FRAUD. FOR IT SEEMS TO THE WICKED THAT THEY ARE ASLEEP, THAT IS, NOT SUPERVISING THE WORLD. Hence it is written, "Yet they say, Hashem shall not see, nor shall the Elohim of Jacob regard it..." (Tehilim 94:7), and, "He that planted the ear, shall He not hear..." (Ibid. 9).

136. The characteristic above the eye is the hairs growing AT THE END OF THE FOREHEAD ABOVE THE EYES, in full measure. From these hairs 1,007 supervisors are ready to wage war, and then they stop from falling, THAT IS, STOP THEIR FALLING OVER THE EYES TO COVER THEM, BECAUSE THE HAIRS RISE ABOVE THE EYES and the eyes open.

137. Eyelashes are attached to the eyelids, AND BOTH ARE CONSIDERED EYELIDS OR EYE COVERS. 14,000,000 protectors hold on to them, who are called eye covers. And all these are considered the eyes of Hashem. They never open or waken, except when the lower eyelids OVER THE EYES separate from the upper lids, THAT IS, THE LOWER PART IS SEPARATED FROM THE UPPER PART. And when the lower lids separate from the upper and make room for supervision, the eyes open and seem as one awakened from his sleep. The eyes turn and see the open eye OF ARICH ANPIN and bathe in its whiteness. When they wash IN WHITE all the prosecutors of Yisrael surrender. Hence it is written, "Awake, why sleep you, Adonai? Arise..." (Tehilim 44:24).

138. Four colors can be seen in these eyes OF ZEIR ANPIN, WHITE, RED, GREEN AND BLACK. From them shine the four compartments of the Tefilin that illuminate the cavities of the brain. There are seven that are called the eyes of Hashem, THE SEVEN SFIROT, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT IN THE EYE. WHITE IS CHESED, RED IS GVURAH, GREEN IS TIFERET THAT INCLUDES NETZACH, HOD AND YESOD, AND BLACK IS MALCHUT. Eyesight comes from the blackness in the eye, WHICH IS MALCHUT as we explained in the Idra RABA, as written, "upon one stone are seven facets (lit. 'eyes')" (Zecharyah 3:9), which are the colors that glow from their aspects.

139. From the red COLOR IN THE EYES come out SEVEN other EYES, which supervise to do Judgment, BECAUSE THE RED COLOR IS THE LEFT COLUMN THAT IS JUDGMENT. They are called, "the eyes of Hashem run to and fro throughout the whole earth" (II Divrei Hayamim 16:9). "run" IS WRITTEN AS FEMININE, instead of masculine, WHICH IS because they are all Judgment. From the green color IN THE EYE come out SEVEN other EYES, the purpose of which is to reveal MAN'S actions, both good or bad, as written, "For His eyes are upon the ways of man" (Iyov 34:21). These are called, "the eyes of Hashem, they rove to and fro" (Zecharyah 4:10), "rove" with a masculine suffix instead of the feminine, because they face both sides, the good as well as the bad, BECAUSE THE GREEN COLOR IS THE CENTRAL COLUMN THAT INCLUDES RIGHT AND LEFT, WHICH ARE CHESED AND JUDGMENT. HENCE IT IS IN THE MASCULINE, SINCE CHESED SHINES WITH THE MALE LIGHT. From the white COLOR IN THE EYE come out all the mercy and all the goodness that is present in the world to do good to Yisrael, for then the three colors, RED, GREEN AND BLACK, bathe IN THE WHITE COLOR, WHICH IS MERCY, in order to have mercy upon them.

140. These four colors blend with each other and merge with each other, and each lends some of its color to its neighbor, except for the white color in which all are incorporated when IT is needed and when it covers everything. As for all the PHYSICAL colors below, no one can revert the black, red and green to look white. But here under the same supervision all THREE COLORS, BLACK, RED AND GREEN, join and bathe in the white color, THAT IS, THEY BECOME WHITE AGAIN, WHICH IS CHESED.

141. The eyebrows are never lying over the eyes except when the white colors wish to observe, because the eyebrows give all colors room to observe. If they do not, no COLOR can supervise and watch. The eyebrows do not stand IN ONE PLACE and never lie still for a whole hour, but open and close, close and open, since the observing eye is over them. Hence it is written, "And the living creatures ran and returned" (Yechezkel 1:14). I have already explained this.

142. It is written, "your eyes shall see Jerusalem a quiet habitation" (Yeshayah 33:20), and, "the eyes of Hashem your Elohim are always upon it, from the beginning of the year..." (Devarim 11:12), because Jerusalem needs that. FOR JERUSALEM, WHICH IS MALCHUT, NEEDS TO HAVE THE EYES OF HASHEM, THE SECRET OF CHOCHMAH, IN IT, SINCE THE REVELATION OF CHOCHMAH IS IN MALCHUT CALLED LOWER CHOCHMAH. As written, "righteousness lodged in it" (Yeshayah 1:21), RIGHTEOUSNESS BEING THE SECRET OF THE JUDGMENTS THAT EMERGE FROM THE ILLUMINATION OF CHOCHMAH OF THE LEFT THAT SHINES IN MALCHUT. Hence it speaks of Jerusalem rather than Zion, WHICH IS THE INNER PART OF MALCHUT, THE SECRET OF THE ILLUMINATION OF CHASSADIM, as written, "Zion shall be redeemed with justice" (Ibid. 27), since all is Mercy, AS RIGHTEOUSNESS IS JUDGMENT OF THE LEFT AND APPLIES TO JERUSALEM, WHILE JUSTICE IS MERCY OF ZEIR ANPIN AND APPLIES TO ZION.

143. "your eyes SHALL SEE JERUSALEM" is spelled 'your eye' IN SINGULAR, WHICH INDICATES the eye of the most concealed Atika Kadisha, WHOSE TWO EYES BECOME ONE AGAIN, BEING WHITE WITHIN WHITE, WHICH WILL HAPPEN IN THE FUTURE. But for now it is written, "the eyes of Hashem your Elohim are always upon it," THAT IS, TWO EYES, which are for good and for evil as it should be. For that reason they do not exist always BUT IN THE FUTURE WILL AGAIN BE ONE EYE, SINCE there, "your eye shall see Jerusalem," NAMELY ONE EYE, which is all for good, all merciful, THAT IS, THE EYE OF ATIKA, as written, "but with great mercies will I gather you" (Yeshayah 54:7).

144. "the eyes of Hashem your Elohim are always upon it, from the beginning (Heb. resheet) of the year." 'resheet' is defectively spelled without Aleph, instead of with it. What is THAT WHICH IS CALLED RESHEET WITHOUT ALEPH: it is lower Hei, NAMELY MALCHUT, SINCE RESHEET IS NAMED AFTER 'RASH (ENG. 'POOR')'. Before that it is written, "and cast down from heaven (to) earth the beauty of Yisrael" (Eichah 2:1). What is the reason He "cast down from heaven earth," THAT IS, WHY WAS MALCHUT CALLED EARTH CAST DOWN FROM ZEIR ANPIN CALLED HEAVEN? AND HE ANSWERS, It is because it is written, "I clothe the heavens with blackness" (Yeshayah 50:3), WHICH MEANS the eyes are in blackness, that is, they are covered with blackness, SINCE THEN MALCHUT IS SEPARATED FROM ZEIR ANPIN AND HAS NOTHING TO RECEIVE FROM HIM.

145. "from the beginning of the year": namely whence do the eyes of Hashem behold Jerusalem? Again he explains, "from the beginning of the year," WHICH IS BINAH CALLED BEGINNING, spelled without Aleph because it is of Judgment, since Judgment is connected to its side, THAT IS, ITS LEFT SIDE. "to the end of the year" (Devarim 11:12): surely the end of the year is there, as it is written, "righteousness lodged in it," which is the end of the year, NAMELY MALCHUT.

146. Come and see, Aleph on its own is called 'first', which is masculine, because that which is unknown is concealed and treasured in Aleph. When this Aleph is connected somewhere else, THE PLACE is called 'beginning'. You may argue it is connected to it, but it is not so. It is revealed in and shines on it, and then it is called beginning. Even in that beginning it does not observe Jerusalem, since had it received from this BEGINNING, it would have shone forever AND ITS UNION WOULD HAVE BEEN UNBROKEN. But 'beginning' is spelled without Aleph, AND HENCE ITS UNION IS INTERRUPTED. Of the World to Come it is written, "A harbinger (lit. 'first') for Zion will I give. Behold, behold them" (Yeshayah 41:27), WHERE ALEPH, WHICH IS CALLED FIRST WILL SHINE ON ZION, WHICH IS MALCHUT.

38. The nose of Zeir Anpin

Rabbi Shimon tells us the difference between the nose of Atika Kadisha and the nose of Zeir Anpin. We learn that the nose of Zeir Anpin is of anger and judgment, yet that the judgment is mitigated by the sweet savor of the burnt offerings given by the children of Yisrael. The nose of Atika Kadisha is long-suffering, and it holds back the judgments of the short nose of Zeir Anpin.

147. The nose of Zeir Anpin characterizes the face, since the whole face is recognized by it. This nose is unlike the nose of the most concealed Atika Kadisha, since the nose of Atika is the life of life. For from the two nostrils OF THE NOSE come out spirits of life for everyone. Of Zeir Anpin it is written, "There went up a smoke out of His nostrils..." (II Shmuel 22:9).

148a. All aspects hold on to the smoke IN THE NOSE, and in each class many harsh prosecutors hold on to that smoke. They are all sweetened only by the smoke on the altar below. Hence it is written, "And Hashem smelled the sweet savor" (Bereshheet 8:21). The sweet savor is the mitigation of the prosecutors, NAMELY satisfaction.

148b. "And Hashem smelled the sweet savor." It does not speak of the smell of the sacrifice, but of the savory smell, because all the Gvurot are connected to the nose, and all Judgments that are connected TO THE NOSE are mitigated, and many Gvurot are joined together, as written, "Who can utter the mighty acts (Heb. gvurot) of Hashem? who can declare all His praise" (Tehilim 106:2). From one nostril of this nose (Heb. chotem) comes out fire that consumes all other fires, and from the other nostril comes out smoke. Both are MITIGATED by the fire and smoke of the altar. Atika Kadisha is uncovered WITH ITS CHASSADIM and all Judgments are quieted. This is the meaning of, "and for My praise will I refrain (Heb. echetom) for you" (Yeshayah 48:9), WHICH REFERS TO THE NOSE OF ATIKA.

149. The nose of Atika Kadisha is long and expansive, and is called long-suffering (lit. 'long nosed'). This nose OF ZEIR ANPIN is short. When smoke starts emerging in haste, Judgment is carried out. The nose of Atika detains it, NAMELY ITS CHASSADIM. All is as I said at the Idra RABA, where the friends have commented on it.

150. In his book, Rav Hamnuna Saba explained about the two nostrils IN THE NOSE that from one there is smoke and fire and from another satisfaction and good spirit. Because it has in it right and left, FROM THE LEFT THERE IS SMOKE AND FIRE AND FROM THE RIGHT SATISFACTION AND GOODNESS OF SPIRIT, WHICH IS CHASSADIM INCLUDING CHOCHMAH. It is also written, "and his fragrance like the Lebanon" (Hoshea 14:7). Of the Nukva it is written, "the scent of your countenance (lit. 'nose') like apples" (Shir Hashirim 7:9), WHICH INDICATES THE ILLUMINATION OF CHOCHMAH CALLED SMELL. If this is true for the Nukva, it is all the more so FOR ZEIR ANPIN, WHICH SUSTAINS THE NUKVA. And he has spoken well.

151. As for the words, "And Hashem smelled the sweet savor (Heb. nichoach)," the sweet savor INDICATES DOUBLE SATISFACTION (HEB. nachat) on both sides RIGHT AND LEFT. The one ON THE RIGHT is satisfaction revealed from the most concealed Atika Kadisha, which brings pleasure and sweetening for everything, BOTH TO CHOCHMAH AND CHASSADIM. The one ON THE LEFT is sweetening coming from below with the smoke and fire on the altar. Since it is SWEETENED on both sides FROM ATIKA AND FROM BELOW, THEREFORE it is written, 'nichoach' WHICH INDICATES DOUBLE SATISFACTION. All this applies to Zeir Anpin.

151. וּמֵה דְאָמַר וַיִּרַח יי' אֶת רִיחַ הַנִּיחֹחַ. הַנִּיחֹחַ בְּתַרְי סְטְרֵי, חֵד נִיחֹחַ, דְּאִתְגַּלְיָא עִתִּיקָא קְדִישָׁא סְתִימָא דְכָל סְתִימִין, דְּהָאֵי הוּא נִיחֹחַ וְאִתְבְּסָמוּתָא לְכֹלָא. וְחֵד אִתְבְּסָמוּתָא דְלִתְתָא, בְּהוּא תִנְנָא וְאִשָּׁא דְמִדְבַּחָא. וּבְגִין דְּאִיהוּ מִתְרִין סְטְרִין, כְּתִיב נִיחֹחַ. וְכֹלָא בּוֹדְעִיר אֲנָפִין אֲתָמַר.

39. The ears of Zeir Anpin

We are told about the two ears that hear good and bad, and about the winged messengers who hear the prayers people say out loud and who carry those prayers up to the ears of God. Rabbi Shimon says it is important that the sound be 'tasted' for its quality, and that this be done slowly; he tells us that whatever happens too quickly does not possess complete wisdom. We hear about the cavities of the ears, eyes, mouth and nose, and about how the sound affects them. According to the sound, the eyes might cry and the mouth might speak words; the whole body might tremble. Therefore people must guard carefully what they say out loud. Rabbi Shimon goes on to say that supreme secrets originate from the ear of Zeir Anpin, and that those secrets are only revealed to those who walk the straight path. Wicked people are those who reveal secrets, and the righteous are those faithful spirits who conceal the secrets.

152. There are two ears to hear good and bad, and both are considered one, as written, "Hashem, bend Your ear, and hear" (II Melachim 19:16). The innermost ear is formed of curved apertures so that the sound will be slowed down in entering the brain, the brain will be able to perceive it and it will not enter quickly, for whatever happens quickly does not possess complete wisdom.

152. תְּרֵי אֹרְגִין, לְמִשְׁמַע טַב וּבִישׁ. וְתִרְוִייהוּ סְלִקִין לְחֵד. דְּכְתִיב, הִטָּה יי' אָזְנֶךָ וּשְׁמַע. אֹרְגָא לְגוּ בְּגוּ דִילִיָּה, תְּלִיָּא בְּרִשְׁיָמִין עִקִּימִין, בְּגִין דִּיתְעַבְב קְלָא לְאֵעֲלָא בְּמוּחָא, וַיְבַחֵן בֵּיהּ מוּחָא, וְלֹא בְּבַהִילוֹ, דְּכָל מְלָה דְּהוּי בְּבַהִילוֹ, לֹא הָוָה בְּחֻכְמָתָא שְׁלִימָתָא.

153. From the ears originate all the winged creatures, who receive the sound from the world. They are all called 'the ears of Hashem', as it is written of them, "for a bird of the sky shall carry the sound..." (Kohelet 10:20). HE ASKS, This verse is difficult, for what sound is there here, if the beginning of the verse writes, "Do not curse the king, no, not even in your thought" (Ibid.). If it says, "in your thought...even in your bedchamber," THEN why the reasoning, "for a bird of the sky shall carry the sound," if there is no sound here BUT THOUGHT?

153. מֵאֹרְגִין אֵלִין תְּלִיָּין כָּל מֵאֲרִיָּהוּן דְּגִדְפִין, דְּנִטְלִין קְלָא מֵעֲלָמָא, וְכֹלָהוּ הֲכִי אֲקָרוּן אֲזִנֵי יי', דְּכְתִיב בְּהוּ, כִּי עוֹף הַשָּׁמַיִם יוֹלִיךְ אֶת הַקּוֹל וְגו'. כִּי עוֹף הַשָּׁמַיִם יוֹלִיךְ אֶת הַקּוֹל, הָאֵי קָרָא קְשִׁיָּא, הִשְׁתָּא מֵאֵי קוֹל אֵיכָא הֲכָא, דְּהָא רִישָׁא דְקָרָא כְּתִיב גַּם בְּמִדְעַן מֶלֶךְ אֵל תִּקְלָל, בְּמִדְעַן כְּתִיב, וּבְחֻדְרֵי מִשְׁכְּבְךָ וְגו'. מֵאֵי טַעְמָא כִּי עוֹף הַשָּׁמַיִם יוֹלִיךְ אֶת הַקּוֹל, וְהָא לֵיכָא הֲכָא קְלָא.

154. AND HE ANSWERS, Surely man does nothing with whatever he thinks or meditates on until he utters it with his lips, even if he does not mean to. The word he utters cleaves through the air, rises and flies in the world and turns into a sound. The winged ones take that sound; they raise it to the King and it enters His ears. This is the meaning of, "And Hashem heard the voice of your words" (Devarim 5:25), "and Hashem heard it; and His anger was kindled" (Bemidbar 11:1).

154. אֵלָא וְדָאֵי כָּל מַה דְּחָשִׁיב ב"נ, וְכָל מַה דִּיִּסְתַּבֵּל בְּלִבּוּי, לֹא עֲבִיד מְלָה, עַד דְּאִפִּיק לִיָּה בְּשִׁמּוּתִיָּה, וְהוּא לֹא אִתְבְּוֹן בֵּיהּ. וְהָיָא מְלָה דְּאִפִּיק, מִתְבַּקְעָא בְּאֹוִירָא, וְאִזְלָא וְסִלְקָא וְטָסָא בְּעֲלָמָא, וְאִתְעֲבִיד מִנִּיָּה קְלָא. וְהָוָא קְלָא נִטְלִין לִיָּה מֵאֲרֵי דְּגִדְפִין, וְסִלְקִין לִיָּה לְמַלְכָא, וְעִיִּיל בְּאֹוִרָנוּ. הֵה"ד, וַיִּשְׁמַע יי' אֶת קוֹל דְּבִרְיָכֶם. וַיִּשְׁמַע יי' וַיַּחַר אַפּוֹ.

155. Therefore, whatever the prayer or entreaty a man asks before the Holy One, blessed be He, he should utter the words with his lips, for if he does not utter them WITH HIS LIPS, his prayer is no prayer nor is his petition a real petition. Once the words are uttered and cleave the air, they rise and fly and become a sound that is taken by someone, who joins them in a holy place in the King's head.

156. From the three cavities of the brain, CHOCHMAH, BINAH AND DA'AT, a trickle drips to the ears; this trickle is called the stream of Kerit as in, "wadi Kerit" (I Melachim 17:3), that is, the cutting off (Heb. keritah) of the ears. The sound enters that place WITHIN THE EAR to be absorbed in river of that trickle, where it is held and tested to see whether it is good or bad. This is the meaning of, "For the ear tries words" (Iyov 34:3). This is because the sound is slowed down in the river of that trickle in the curve of the ears and does not enter quickly. Then it is tested to see whether it is good or bad, LIKE "the palate tastes food" (Ibid.), means that it is held in the palate and does not enter the body quickly, so it tastes and distinguishes between sweet and bitter.

157. From the ear cavity derive other cavities: the eye socket, the mouth cavity and the nostrils in the nose. From the sound that enters the ear cavities, if required it enters FROM THE EAR to the sockets of the eyes, and the eyes shed tears. From that sound, if required, it enters the nostrils of the opening in the nose and they bring forth smoke and fire from that sound. This is the meaning of, "and Hashem heard it; and His anger was kindled; and the fire of Hashem burned among them" (Bemidbar 11:1). If necessary, the sound enters the mouth cavity and it speaks and utters words from that sound. Everything is from the sound THAT ENTERS the ears; it enters the whole body and everything trembles from it. Much is derived from that ear. Blessed is he who guards what he says. Hence it is written, "Keep your tongue from evil, and your lips from speaking guile" (Tehilim 34:14).

158. Hearing applies to this ear, NAMELY BINAH CALLED HEARING, and within the hearing are incorporated the brain lobes CHOCHMAH, BINAH AND DA'AT, SINCE CHOCHMAH IS REVEALED ONLY THROUGH BINAH. Chochmah is included in it, as written, "Give therefore your servant an understanding (lit. 'hearing') heart" (I Melachim 3:9), HEART (HEB. LEV, =32) BEING THE SECRET OF THE 32 PATHS OF WISDOM. Binah IS INCLUDED WITHIN IT, as written, "Speak, for your servant is listening" (I Shmuel 3:10), ALSO we are listening, WHICH MEANS WE UNDERSTAND. Da'at IS INCLUDED WITHIN IT, as written, "Hear, O my son, and receive my sayings" (Mishlei 4:10), "and treasure up My commandments with you" (Mishlei 2:1), IN WHICH HEAR MEANS KNOW. Thus everything derives from the ear. THE RECEPTION OF prayers and petitions depends on this ear, as well as the opening of eyes. This is the meaning of, "Hashem, bend Your ear, and hear; open, Hashem, Your eyes, and see" (II Melachim 19:16). Thus everything originates FROM

155. ובג"כ, כל צלותא ובעותא דבעי ב"נ מקמי קודשא בריך הוא, בעי לאפקא מלין בשמוותיה, דאי לא אפיק לון, לאו צלותיה צלותא, ולאו בעותיה בעותא. וכיון דמלין נפקין, מתבקעין באוירא, סלקין וטסין ואתעבידו קלא, ונטיל לון מאן דנטיל, ואחיד לון לאתרא קדישא, ברישא דמלכא.

THE EAR.

159. Supreme secrets, NAMELY CHOCHMAH, that do not go outside originate from that ear, which is why it is curved on the inside. The most secret among the secrets are hidden within it. Woe to him who reveals secrets. And when the ear gathers to itself the secrets and the inside curve receives them, it does not reveal secrets to those who follow crooked paths, but to those that walk the STRAIGHT path that is not crooked. This is the meaning of, "The counsel of Hashem is with them that fear Him; and He will reveal to them His covenant" (Tehilim 25:14), for they accept His way and HENCE accept His words.

160. Those whose path is crooked take matters and usher them in quickly, so they have no place to be detained. All the other cavities OF THE EYES AND NOSE open through it so the words come out through the mouth cavity. These are the wicked of the generation, hated by the Holy One, blessed be He. In our B'raitā we learned THAT WHOEVER REVEALS SECRETS is as if he killed people and as if he worshiped idols. Everything is derived from the same verse, which says, "You shall not go up and down as a talebearer among your people; neither shall you stand aside when mischief befalls your neighbor," WHICH IS MURDER, "I am Hashem" (Vayikra 19:16), WHICH PROHIBITS IDOLATRY. Whoever transgresses the first part of the verse BY BEARING TALES AND REVEALING SECRETS, it is as if he transgressed them all, MURDER AND IDOLATRY.

161. Blessed is the portion of the righteous, of whom it is written, "but he that is of a faithful spirit conceals the matter" (Mishlei 11:13); surely they are of a faithful spirit, because their spirit is drawn from a supernal, holy place, THAT IS, FROM THE CENTRAL COLUMN. Hence they are considered to be of a faithful spirit. We have explained this sign. Whoever reveals secrets, it is known that his soul is not from the body of the Holy King ZEIR ANPIN, THAT IS, THE CENTRAL COLUMN. Hence there is no secret in him, nor is he from the area of secrets. When his soul leaves his body, it does not cleave to the body of the King, which is not its place. Woe to that man, woe to his soul. Blessed is the portion of the righteous, who conceal secrets, and more so supernal secrets of the Holy One, blessed be He. Of them it is written, "Your people also shall be all righteous will inherit the land" (Yeshayah 60:21).

40. The shining countenance of Zeir Anpin

We hear about the two colors of the face of Zeir Anpin, red and white. When sins multiply on earth, the face illuminates in red and judgments prevail. When people are righteous then the white shines from Atika Kadisha, and everything is illuminated with mercy. We hear that all the angels assume the colors that this face assumes.

162. THE TWO APPLES OF the face OF ZEIR ANPIN ARE like two spice offerings, WHICH EMIT GOOD FRAGRANCE, THE SECRET OF THE ILLUMINATION OF CHOCHMAH FROM BELOW UPWARDS CALLED FRAGRANCE, AND THE SECRET MEANING OF, "A MAN'S WISDOM MAKES HIS FACE TO SHINE" (KOHELET 8:1). It is evidence of what I said ABOUT ABA AND IMA, for the WHOLE testimony OF READING THE FACE depends on it, ON THE FACE; yet evidence depends on the whole FACIAL EXPRESSION, THAT IS, ON THE FOREHEAD AND THE NOSE, AS HAS BEEN SAID THAT ONE TESTIFIES HE SAW A PERSON'S FACE ONLY WITH THE NOSE. But the two spice offerings, which are white and red, testify about Aba and Ima. They testify about the inheritance he received FROM ABA AND IMA and about his holding on to them. In our B'raita we explained the many differences between white and red, YET NEVERTHELESS they are included IN ZEIR ANPIN together on the white side, THAT IS, UNDER THE POWER OF WHITE, WHICH IS CHESED.

163. WHEN THE FACE OF ZEIR ANPIN shines in white, THAT IS, WITH CHESED, from Atika, the white in it, WHICH IS CHESED, covers the red in it, THE SECRET OF CHOCHMAH OF THE LEFT, and everything is illuminated. Then it is written, "Hashem make His face shine upon you" (Bemidbar 6:25). When wicked people multiply and Judgments are suspended over the world, there is shutting off everywhere, THAT IS, ALL LIGHTS ARE SHUT AND DO NOT SHINE, and the red expands throughout the face, WHICH IS JUDGMENT, and covers the white, WHICH IS MERCY, and then everything is in a state of Judgment. Then it is written, "The face of Hashem is against those who do evil" (Tehilim 34:17). Everything depends on it and hence THE FACE indicates everything.

164. There are many ANGELS with shields waiting for those FACIAL colors, WHITE AND RED, expecting those colors. When the colors shine, all the worlds are joyful. When the white shines, everything assumes this color THAT IS CHESED and when the red appears everything assumes that color THAT IS JUDGMENT.

41. The nine characteristics of the beard of Zeir Anpin

Rabbi Shimon reveals that the valuable oil of the thirteen streams of the beard of Atika Kadisha illuminates the beard of Zeir Anpin. He says that the beginning of the beard is supernal Chesed, and that when the world is in need of mercy the holy Mazal appears from Arich Anpin; then all the characteristics of the beard of Zeir Anpin are in a state of mercy. Yet when the world is in need of judgment, judgment appears and God takes vengeance on the enemies of Yisrael. We hear that Moses spoke of the nine characteristics in order to revert them all to mercy.

165. With these spice offerings, THAT IS, THE TWO APPLES OF THE FACE, the beard starts to appear at the beginning of the ears, falling and rising with the spice offering, NAMELY, IN THE FACE. The hair of the beard is black, which is a nice and handsome characteristic, like a courageous and strong handsome man. The valuable oil of the supernal beard of Atika appears and shines in the beard of Zeir Anpin.

162. אַנְפוּי, בְּתֵרִין תְּקֻרְבִין דְּבוּסְמָא. סְהֵדוּתָא עַל מַה דְּאִמְינָא, דְּהָא סְהֵדוּתָא בְּהוּ תְּלִיא. וּבְכֹלָא תְּלִיא סְהֵדוּתָא. אֲבַל הֵנִי תְּקֻרְבִי דְּבוּסְמָא, חוּרָא וְסוּמְקָא, סְהֵדוּתָא לְאַבָּא וְאִמָּא. סְהֵדוּתָא לְאַחְסָנָא דִּירִית וְאַחִיד לֹון. וְהָא בְּמִתְנִיתָא דִּילָן אֻקִּימָנָא, בְּמַה פְּרִסִי בִין חוּרָא לְסוּמְקָא, וְאַתְכִּילָן בֵּיהּ בְּחָדָא בְּסֵטְרָא דְּחוּרָא.

163. כִּד אֲתַנְהִיר מְנַהִירו דְּחוּרָא דְּעֵתִיקָא, חֲפִיָּא הֵהוּא חוּרָא עַל סוּמְקָא. וְכֹלְהוּ בְּנַהִירו אֲשֵׁתְכַח. וְכִדִּין כְּתִיב, יֵאָר יְיָ פָּנָיו אֵלַיִךְ. וְכִד חֲיִיבִין סְגִיָּאִין, תְּלִינן דִּינִין בְּעֵלְמָא, אֲשֵׁתְכַח סְגִירוּתָא בְּכֹלָא. וְסוּמְקָא אֲתַפְּשֵׁט בְּאַנְפִּין, וְחֲפָא עַל חוּרָא. וְכִדִּין כֹּלָא אֲשֵׁתְכַח בְּדִינָא. וְכִדִּין כְּתִיב פָּנָיו בְּעוֹשֵׂי רָע. וְכֹלָא בְּהָאִי תְּלִיָּא, וּבְגִין דָּא סְהֵדוּתָא הוּא בְּכֹלָא.

164. בְּמַה וְכִמָּה מְאָרִי תְּרִיסִין מְחַכָּאן לְהֵנִי גּוּוּנִי, מְצַפָּאן לְהֵנִי גּוּוּנִי. כִּד נַהִירִין גּוּוּנִי, כֹּל עֲלָמִין כֹּלְהוּ בְּחָדוּ. בְּזִמְנָא דְּנַהִיר חוּרָא, כֹּלָא אֲתַחְזוּ בְּהוּא גּוּוּנָא. וְכִד אֲתַחְזוּ בְּסוּמְקָא כֹּלָא הֲכִי אֲתַחְזוּ בְּהוּא גּוּוּנָא.

165. בְּאַלִּין תְּקֻרְבִין דְּבוּסְמָא, שְׂאָרִי דִּיקְנָא לְאַתְחֻזָּא, מְרִישָׁא דְּאוּדְנִין, וְנַחִית וְסֵלִיק בְּתַקְרוּבָא דְּבוּסְמָא, שְׂעִרִין אֻכְמִין דְּדִיקְנָא, בְּתַקְוָנָא יָאָה שְׂפִיר. כְּגִיבֵר תְּקִיף, שְׂפִיר. מְשַׁחַּא דְּרִבּוּת דְּדִיקְנָא עֲלָאָה דְּעֵתִיקָא, בְּהָאִי דִּיקְנָא דְּזַעִיר אַנְפִּין אֲתַחְזוּ, וְנַהִיר.

166. The beauty of this beard lies in nine characteristics. When the valuable oil of the thirteen streams of the beard of Atika Kadisha illuminates this beard OF ZEIR ANPIN, there are TOGETHER 22 characteristics. Then they are all blessed ABOVE AND BELOW. Yisrael Saba, WHICH IS ZEIR ANPIN, is blessed by it and it derives from, "By you (Heb. becha, =22) shall Yisrael bless" (Beresheet 48:20), THAT IS, ZEIR ANPIN THAT IS CALLED YISRAEL BLESS WITH THE 22 CHARACTERISTICS. We explained all these characteristics in the holy Idra that they were all formed from the characteristics of Atika Kadisha. And here I wish to reveal what has not been revealed there in order to enter without shame THE WORLD TO COME.

167. There are six CHARACTERISTICS that are considered nine. The first characteristic is that the hard candle emerged and struck under the hairs of the head underneath the locks over the ears, going down starting in front of the opening of the ears to the top of the mouth. This characteristic does not originate from Atika Kadisha except when Mazal of Atika Kadisha flows, from which comes the fount of Chochmah. When Ima flows and is included in the pure air, Ima receives the whiteness. And the spark, THAT IS, THE HARD CANDLE, enters THE PURE AIR AND BECOMES A PART OF HER. THEN it emerges and they unite with each other, THAT IS, IT STRIKES THE LOCKS OF HAIRS OVER THE EARS, THE TWO JUDGMENTS JOIN EACH OTHER and become one characteristic.

168. When the need arises TO BESTOW CHESED OR JUDGMENTS, the one rises over the other, which is covered by it. THAT IS, WHEN THE TIME COMES TO BESTOW JUDGMENTS, CHESED IN THE BEARD IS COVERED AND JUDGMENT HAS SWAY. WHEN THE NEED ARISES TO BESTOW CHESED, JUDGMENT IN THE BEARD IS COVERED AND CHESED RULES. And all is needed, BOTH THE FORCE OF CHESED AND THE FORCE OF JUDGMENT, one to take revenge ON THE ENEMIES OF YISRAEL and one to have mercy ON YISRAEL. For that reason David coveted this beard as we explained.

169. There are nine characteristics to this beard, which are 60,000 HAIRS that come down from them and expand IN THEIR ILLUMINATION throughout the body. These six characteristics that come down do so from the hairs beneath the spice offering, THAT IS, BENEATH THE PART OF THE FACE CALLED SPICE OFFERING, three characteristics on the one side OF THE FACE and three characteristics on the other side OF THE FACE. From the preciousness of the beard, THAT IS, THE MOST VISIBLE PART OF THE BEARD THAT BEAUTIFIES THE FACE, come out three others, one above THE HAIRS over the lips, and two in the hair that hangs down to the navel. All the six, three on one side and three on the other, come down and hang with the hanging hairs and expand throughout the body.

170. Since the three constitute the beauty of the beard more than the rest, BECAUSE THEY DECORATE AND BEAUTIFY THE FACE, the Holy Name is written regarding them, as written, "Out of my distress I called upon Yah; YAH ANSWERED ME WITH LIBERATION. Hashem is on my side" (Tehilim 118:5-6). In the Idra Raba we explained that, "Out of my distress I called upon Yah," WHICH IS THE FIRST CHARACTERISTIC, refers to the place where the beard starts to expand, where the place is narrow, THAT IS, WHERE THE EXPANSE OF HAIR IS NARROW RATHER THAN WIDE, in front of the ears. And this is well, THAT IT IS CONSIDERED "OUT OF MY DISTRESS (HEB. METZAR)" BECAUSE IT IS A NARROW (HEB. TZAR) SPACE. BUT HERE IT SAYS IT REFERS TO THE HAIRS ABOVE THE LIPS.

166. שפירו דהאי דיקנא, בט' תקונין אשתכח. וכד משחא דרבנות, תלת עשר נביעין דדיקנא דעתיקא קדישא נהיר בהאי דיקנא, אשתכחו כ"ב תקונין. וכדין מתברכין בלהו. וישראל סבא מתברכא בהאי, וסימן, בך יברך ישראל. כל תקונין דדיקנא דא, אוקימנא באדרא קדישא, דכלהו מתיקונין דעתיקא קדישא אתקנו. והכא בעינא לגלאה, מה דלא אתגלי תמן, בגין למיעל בלא בסופא.

170. ובגין דהני תלתא אינון ביקירו דדיקנא יתיר מכלהו, כתיב בהו שמא קדישא. דכתיב, מן המצר קראתי יי, יי' לו לא אירא. והא דאוקימנא באדרא, מן המצר קראתי יי, מאתר דשרי דיקנא לאתפשטא, דהוא אתר דחיק מקמי אודנין, שפיר הוא.

171. HE FURTHER BUILDS UP HIS ARGUMENT. In the Agadah book of Rav Yeba Saba he so said and explained that the beginning of the beard STARTS with supernal Chesed, as written, "Yours, Hashem, is the greatness, and the power (Heb. Gvurah) and the glory (Heb. Tiferet)..." (I Divrei Hayamim 29:11). BUT everything IS IN THE BEARD because so does THE BEARD start TO COME OUT, AS RAV YEBA SABA SAID, and the nine characteristics come out from the beard and from before the ears, AS SAID IN THE IDRA RABA that THE BEARD begins TO SHOW this way, BUT they do not stay that way except in another place as I explained.

172. When the world is in need of mercy, the holy Mazal appears, WHICH IS THE BEARD OF ARICH ANPIN, AND THEN all the characteristics of the precious beard of Zeir Anpin are in a state of mercy. When it is in need of Judgment, Judgment appears, and then vengeance is wreaked on the enemies of Yisrael, those who distress YISRAEL. All the preciousness of the beard lies in those hanging hairs, THAT IS, THE VISIBLE EXPANSES OF THE BEARD, because everything emerges from them.

173. All the hairs of the beard of Zeir Anpin are coarse and strong, because they all compel Judgments when the holy Mazal appears. When it wishes to wage war, it appears by means of this beard as a strong mighty man victorious in war. Then some pluck the hair on the back of the head and some from the front of the head.

174. Moses said these nine characteristics a second time IN THE PORTION OF SHELACH when he had to revert them all to mercy. For though he did not now recite the thirteen characteristics AS IN THE PORTION OF TISA it all depends on intention. For he would not mention these characteristics OF ZEIR ANPIN THAT ARE NOT PURELY MERCY, but intended Mazal, NAMELY THE THIRTEEN CHARACTERISTICS OF THE BEARD OF ARICH ANPIN, and mentioned it, as written, "And now, I pray You, let the power of my Lord be great" (Bemidbar 14:17). What is "the power of Hashem"? It is that which is called the most concealed holy Mazal, THE BEARD OF ARICH ANPIN. The power and the light IN THE BEARD OF ZEIR ANPIN derive from Mazal. Once Moses said THE NINE CHARACTERISTICS OF ZEIR ANPIN and mentioned MAZAL CALLED THE POWER OF HASHEM, he spoke the nine characteristics deriving from Zeir Anpin so that they will all shine BY A DRAWING OF THE THIRTEEN OF ARICH ANPIN and there will be no Judgment evident, BECAUSE THE THIRTEEN OF ARICH ANPIN ARE WHOLLY OF MERCY. Hence everything depends on Mazal, WHICH IS THE BEARD OF ARICH ANPIN.

175. At the beginning of the arising of the hairs, the beard looks like a strong mighty man, victorious in war TO TAKE REVENGE ON THE ENEMIES OF YISRAEL. The holy anointing oil flows on this beard from the concealed Atika Kadisha, as written, "It is like the precious ointment upon the head, running down upon the beard, the beard of Aaron" (Tehilim 133:2), THE SECRET OF THE BEARD OF ZEIR ANPIN.

42. The mouth of Zeir Anpin
We read that good and evil and life and death depend on the lips of Zeir Anpin. When the lips speak all the watchers awaken to decree punishments. Rabbi Shimon explains what is meant by a 'watcher'. We learn that when words come out of the mouth of Zeir Anpin they illuminate 18,000 worlds.

176. These hairs OF THE BEARD do not cover the lips, and the lips are wholly red as a lily, as written, "his lips like lilies" (Shir Hashirim 5:13). The lips whisper Gvurah and whisper Chochmah. Good and evil depend on these lips, and life and death. From these lips come out those who awaken, since when these lips whisper they all awaken to decree punishments throughout the courts that are called watchers, as written, "This matter is by the decree of the watchers, and the sentence..." (Daniel 4:14).

177. HE ASKS, What is a watcher (Heb. ir), AND ANSWERS, In the book of Agadah HE EXPLAINED that it is like in the words, "become your enemy (Heb. ar)" (I Shmuel 28:16). For Judgments rouse against those who are not beloved above, which is why those that arouse TO PUNISH are THEIR enemies, AND ARE CALLED 'WATCHERS'. Nevertheless, PUNISHMENT IS DECREED in two ways, with Mercy or with Judgment. They are therefore called a watcher (enemy) and a holy one, Judgment and Mercy, NAMELY, "THIS MATTER IS BY THE DECREE OF THE WATCHERS, AND THE SENTENCE BY THE WORDS OF THE HOLY ONES," WHERE A WATCHER ALLUDES TO JUDGMENT AND HOLY ONES TO MERCY.

178. When the lips are open the mouth is seen. Thousands and tens of thousands are clothed in the air coming out of the mouth. When THE AIR expands, the faithful prophets are clothed in it and are all called 'the mouth of Hashem'. When words come out of the mouth, uttered by the lips, they illuminate together all of 18,000 worlds, until they all join together in 18 specific ways and paths.

179. Everyone awaits this mouth with the great speaking tongue with the unification of polishing and adornment. Of this it is written, "His mouth (lit. 'palate') is most sweet" (Shir Hashirim 5:16). Surely it is most sweet. What is his palate? It is as in the verse, "the palate tastes food" (Iyov 34:3). "and he is altogether lovely" (Shir Hashirim 5:16), NAMELY fire and water. For water and fire are formed and are pretty AND LOVELY in their shape, THAT IS, THEY ARE LOVELY TO BEHOLD, because the colors RED AND WHITE join together, THAT IS, THE BEAUTY APPEARS FROM THE BLENDING OF WHITE AND RED TOGETHER.

43. Aleph, Chet, Hei Ayin; Gimel, Yud, Caf, Kuf

Rabbi Shimon explains in detail how the four letters Aleph, Chet, Hei and Ayin are engraved on the throat and how those four are crowned with the four letters Gimel, Yud, Caf and Kuf in the palate. We learn that the important thing is the balance of the three columns, and Rabbi Shimon says that throughout his whole life he was always careful never to receive the left column on its own except for a single instance, at which time he was warned not to do so by a flame of fire.

180. "His mouth (lit. 'palate') IS MOST SWEET" (Shir Hashirim 5:16), because of the imprinted letters that are engraved on it with their crowns. THAT IS, THE SWEETNESS IN THE MOUTH COMES FROM THE FACT THAT THE LETTERS ARE ENGRAVED ON IT IN THE SEQUENCE OF THE THREE COLUMNS AND THE RECEIVING MALCHUT; THIS SEQUENCE ADORNS THEM WITH CROWNS. THE LETTERS Aleph, Chet, Hei and Ayin are engraved on the throat EACH WITH THREE COLUMNS. OF THE THREE COLUMNS OF Aleph, ITS RIGHT COLUMN drives kings away, THE LEFT COLUMN OF ALEPH deposes kings FROM THEIR KINGDOMS, AND THE CENTRAL COLUMN establishes kings. OF THE THREE COLUMNS OF Chet, ITS RIGHT COLUMN drives away and descends, THE LEFT COLUMN ascends and crowns, AND THE CENTRAL COLUMN conquers with fire and engraves with wind. OF THE THREE COLUMNS OF Hei THAT IS nourished from Ima, THAT IS, OF WHAT THE NUKVA RECEIVES FROM IMA, THE RIGHT COLUMN OF IMA strikes the Nukva; THROUGH THE LEFT COLUMN OF IMA, THE NUKVA spreads into a large Nukva; THE CENTRAL COLUMN OF IMA IS IN THAT, THAT through the desire of the holy city FOR CHASSADIM, IT IS CONNECTED WITH THE CENTRAL COLUMN. And the places OF RIGHT AND LEFT are interconnected, as it says, "the mountain of myrrh, and to the hill of frankincense" (Shir Hashirim 4:6). OF THE THREE COLUMNS OF Ayin, ITS RIGHT COLUMN IS the clarity of the shape of the grade; ITS LEFT COLUMN IS when the running boughs join the engraved spirits at their sides.

181. And here, in the secret of the letters of King Solomon, HE SAYS that these four letters ALEPH, CHET, HEI AND AYIN, are crowned with the four LETTERS Gimel, Yud, Caf, Kuf in the palate. HENCE THREE COLUMNS ARE INDICATED IN THE PALATE AS WELL. This is as in, "the palate tastes food" (Iyov 34:3), THE SECRET OF THE RIGHT COLUMN; "Can that which is unsavory be eaten without salt" (Iyov 6:6) REFERS TO THE LEFT COLUMN, WHICH, BEFORE IT IS JOINED WITH THE RIGHT, CANNOT BE ENJOYED LIKE UNSAVORY FOOD WITHOUT SALT. And the verse, "And the work of righteousness shall be peace" (Yeshayah 32:17) IS THE CENTRAL COLUMN THAT JOINS AND ESTABLISHES PEACE BETWEEN THE TWO COLUMNS, RIGHT AND LEFT. "More to be desired are they than gold, even much fine gold..." (Tehilim 19:11) REFERS TO MALCHUT THAT RECEIVES THE PLENTY OF THE THREE COLUMNS, which are surely very sweet.

182. King David, AFTER THE WORDS, "MORE TO BE DESIRED..." THAT ALLUDE TO THE SWEET AND PRECIOUS BOUNTY OF THE THREE COLUMNS, CONCLUDES, "Moreover by them is Your servant enlightened (or: 'careful')..." (Ibid. 12), THAT IS, HE IS CAREFUL NOT TO RECEIVE FROM THE LEFT COLUMN WITHOUT THE RIGHT. RABBI SHIMON CONCLUDES, I testify about myself that throughout my life I was careful OF THE THREE COLUMNS not to mistake IN RECEIVING THE LEFT COLUMN ON ITS OWN, except for one day when I crowned the King in the cave of Meronia, WHEN HE WAS NOT CAREFUL TO HAVE THE LEFT UNITED WITH THE RIGHT. And I saw a flame of burning fire across the cave, THAT IS, HE SAW THE JUDGMENTS OF THE LEFT COLUMN WITHOUT THE RIGHT, WHICH IS A BURNING FIRE, and I trembled. Since that day I am careful in my mind TO RECEIVE ONLY FROM THE THREE COLUMNS TOGETHER and never left them throughout my life. Blessed is the portion of he that is careful with the sweets of the King and tastes of them judiciously. It says of this, "O taste and see that Hashem is good" (Tehilim 34:9), and, "Come, eat of my bread" (Mishlei 9:5).

44. Building the back part of the Nukva of Zeir Anpin
Rabbi Shimon tells us how Malchut becomes attached to Zeir Anpin.

183. The male, WHICH IS ZEIR ANPIN, spread into his brain lobe of Da'at and the corridors and chambers were filled, NAMELY NETZACH, HOD AND YESOD, AND CHESED, GVURAH AND TIFERET. DA'AT starts at the top of the head and spreads throughout the body in its chest, arms and the rest of it. Behind it, the spark is touched by the hard lamp, WHICH IS THE ILLUMINATION OF THE LEFT COLUMN OF BINAH, glows and produces one head blocked on all directions, with the illumination of the two brain lobes CHOCHMAH AND BINAH engraved in it. It is attached to the male side FROM THE BACK and hence is called, "my dove, my undefiled (Heb. tamati)" (Shir Hashirim 5:2). Do not pronounce it 'tamati' but rather it is 'te'omati (Eng. 'my twin sister') for sure.

184. The hair of the Nukva, WHICH IS MALCHUT, includes the colors WHITE, RED, AND GREEN, AND IS CALLED PURPLE, as written, "and the hair of your head like purple" (Shir Hashirim 7:6). It is connected to five Gvurot. From her aspect OF GVURAH Malchut expands to become attached to the side of the male, ZEIR ANPIN, THAT IS, TO HIS BACK.

45. The formation of face to face of the Nukva of Zeir Anpin
We are told that after Malchut separated from the sides of Zeir Anpin, she joined Him face to face. When they are joined they seem like one body, and all the worlds are joyful as on Shabbat when everything is under the influence of a whole body. From this idea Rabbi Shimon deduces that whoever does not exist as male and female receives no blessings and can not last. We learn that Malchut is considered a mother to all the lower beings of the three worlds. Rabbi Shimon speaks about the lower Chochmah and the supernal Chochmah.

185. After MALCHUT separated from the sides OF ZEIR ANPIN, she joined Him face to face. When they are joined, they seem one body BECAUSE THEY ORIGINATE IN THE RIGHT AND LEFT SIDES OF THE SAME LEVEL. THUS, EVEN THOUGH THEY WERE DIVIDED AND FORMED AS TWO LEVELS, THEY REJOIN AS ONE BODY, AS THE RIGHT AND LEFT OF THE SAME LEVEL. The male by himself seems like half a body, THAT IS, THE RIGHT PART OF THE SOUL, which is wholly Chesed. So the female part OF THE SOUL IS THE LEFT PART AND IS WHOLLY GVURAH. When they join together it seems exactly like one body, BECAUSE THE TWO HALVES JOIN INTO ONE. And so it is TRULY. Here too, the male, WHICH IS ZEIR ANPIN, joined Malchut and everything is a single body. Then all the worlds are joyous, because they are blessed by a whole body.

186. This is the secret of THE VERSE, "therefore Hashem blessed the Shabbat day, and hallowed it" (Shemot 20:11), since then everything is UNDER THE INFLUENCE OF a whole body, since Malchut cleaved to the King ON SHABBAT and they are as one body. Therefore there are blessings on that day. From this WE DEDUCED that whoever does not exist as male and female is considered a half body, and no blessings rest on a blemished and wanting thing, but on a whole place, a whole thing, not half a thing. And a half thing does not last and is never blessed.

187. All the beauty of the female comes from the beauty of the male. We have already established these matters and they are known to the friends. Through this Nukva, NAMELY FROM MALCHUT, are all the lower beings OF THE THREE WORLDS OF BRIYAH, YETZIRAH AND ASIYAH united. From here they are fed and to her they return BECAUSE MALCHUT IS THE ROOT FOR THE THREE WORLDS UNDER ATZILUT. She is considered a mother to them all, just like the other, BINAH, is a mother to the body, WHICH IS ZEIR ANPIN CALLED BODY, and the whole body is nourished by it, BY BINAH. So is MALCHUT a mother to all the others below IN BRIYAH, YETZIRAH AND ASIYAH.

188. It is written, "Say to wisdom, you are my sister" (Mishlei 7:4). There is Chochmah and there is Chochmah, NAMELY SUPERNAL CHOCHMAH THAT IS ABA AND IMA AND LOWER CHOCHMAH THAT IS MALCHUT. This Nukva, NAMELY MALCHUT, is called small Chochmah in relation to the other, WHICH IS SUPERNAL CHOCHMAH. Hence it is written, "We have a little sister, and she has no breasts..." (Shir Hashirim 8:8). Since this CHOCHMAH flows in exile, IT THEREFORE HAS NO BREASTS TO FEED YISRAEL. "We have a little sister": certainly she seems little IN EXILE, but she is large and great, because she is perfection that receives from all SFIROT, WHEN YISRAEL ARE IN THEIR LAND, as written, "I was a wall, and my breasts were like towers" (Ibid. 10). They are my breasts when they are full to feed everyone; they are like towers, which are great rivers coming out of supernal Ima THAT ARE CALLED TOWERS.

46. The first three Sfirot of the lights and the Netzach, Hod and Yesod of the vessels of Chayah of Zeir Anpin
Rabbi Shimon tells us about the great tree that is the whole body of Zeir Anpin, saying that this tree has food in it for everything. He outlines the Sfirot in terms of the positioning on the body, and says that in Yesod lies the whole desire of Zeir Anpin for Malchut. We are told that Zion is the covered place of Malchut, just like a woman's womb.

189. The male, WHICH IS ZEIR ANPIN, further expands to the right and left of the inheritance of the possession, NAMELY CHOCHMAH AND BINAH CALLED THE INHERITANCE OF ABA AND IMA. When the colors, RIGHT ON THE RIGHT AND RED ON THE LEFT join IN THE CENTRAL COLUMN, it is called Tiferet and the whole body is formed into a big and strong, comely and handsome tree. Underneath it wild animals, THE HOSTS OF BRIYAH, wander and in its boughs dwell the birds of the sky, WHICH ARE THE HOSTS OF YETZIRAH. In it is food for everything. Its arms are right and left, CHESED AND GVURAH, on the right ARE EXTENDED life and Chesed; on its left ARE EXTENDED death and Gvurah. Its bowels, THAT IS, ITS INNER ASPECT, is fixed with Da'at and fills all the corridors and all the chambers, WHICH ARE NETZACH, HOD AND YESOD AND CHESED, GVURAH AND TIFERET as I said, as written, "and by knowledge are the chambers filled" (Mishlei 24:4).

190. The body further expands to the two legs NETZACH AND HOD and between them unite two kidneys and two testicles of the male, WHICH ARE THE INTERNAL NETZACH AND HOD. FROM THE KIDNEY THE LIQUID REFUSE FLOWS TO THE EXTERNAL FORCES, AND FROM THE TESTICLES SEMEN FLOWS TO SOULS. For all oil, greatness, and the force of the whole body is gathered in them, IN THE TWO TESTICLES, as all the hosts that come out TO BRIYAH, YETZIRAH AND ASIYAH come out from them. They all dwell at the tip of the penis, which is why they are called hosts. And they are Netzach and Hod. Tiferet IS CALLED Yud Hei Vav Hei, and Netzach and Hod ARE CALLED hosts (Heb. Tzevaot). Hence THEY ARE CALLED TOGETHER IN THE VERSE 'Hashem Tzevaot'.

187. נוי דנוקבא, כלא מנוי דדכורא הוא. והא אוקימנא מלי, ואשתמודען ביני חבריאי. מהאי נוקבא מתאחדן כל אינון דלתתא. מנה ינקין, ובה תבין, והיא אתקריאת אם לכלהו. כמה דאחרא אם לגופא, וכל גופא מנה ינקא. כך האי אם לכלהו אחרנין דלתתא.

191. The virile member of the male is the ending of the whole body and is called Yesod. It is a grade that sweetens Malchut, IN WHICH LIES the whole desire of the male, WHO IS ZEIR ANPIN, to Malchut. In that Yesod it enters Malchut to the place called Zion, where is the covered place of Malchut like a womb is to a woman. For that reason Yesod is called Hashem Tzevaot.

191. אָמָה דְדַכּוּרָא, סִיּוּמָא דְכָל גּוּפָא, וְאֶקְרִי יְסוּד.

47. Face to face union of Male and Female principles

In these last utterances of Rabbi Shimon he reminds the rabbis that when Zeir Anpin and Malchut are united all the worlds are blessed and are in a state of complete joy. He talks about the two grades above and below - Zion and Jerusalem - and says that no one is allowed into the holy of holies in this world except for the high priest that comes from the aspect of Chesed. We learn that Zion is Mercy and Jerusalem is Judgment. Rabbi Shimon says again that all the blessings flow from the brain of Zeir Anpin to all the body parts or Sfirot. He tells the rabbis that at the end Chesed enters the holy of holies, as written in, "for there Hashem has commanded the blessing, even life forever more".

192. It is written, "For Hashem has chosen Zion; He has desired it for His habitation" (Tehilim 132:13), that is, after Malchut separated FROM CLEAVING TO HIS BACK and cleaved to the King face to face on Shabbat night and everything became a single body. Then the Holy One, blessed be He, sits on His throne, and everything is considered a whole Name, a Holy Name, blessed be it forever and ever. I have brought all these matters up on this day so they will adorn it to the World to Come, and now they have been revealed here. Blessed is my portion WITH THEM.

192. כְּתִיב כִּי בָחַר יִי' בְּצִיּוֹן אוֹהֵ לְמוֹשֵׁב לוֹ. כִּד

הֵכָא, זְכָאָה חוּלְקִי.

193. When the Queen is united with the King, all the worlds are blessed and are in a state of complete joy. Just as the male is composed of three Columns, and the beginning is composed of three, NAMELY CHOCHMAH, BINAH AND DA'AT, so is everything, FOR THE BODY TOO IS COMPOSED OF THE TRIAD OF CHESED, GVURAH AND TIFERET, and the ending of the body, NETZACH, HOD AND YESOD. The Queen is blessed only from these three, Netzach, Hod and Yesod, and is sweetened and blessed from the place called the lower holy of holies, WHICH IS YESOD. FOR ARICH ANPIN AND ABA AND IMA ARE CALLED THE UPPER HOLY OF HOLIES, AND YESOD OF MALCHUT IS CALLED THE LOWER HOLY OF HOLIES, as written, "for there Hashem has commanded the blessing" (Tehilim 133:3), NAMELY IN ZION CALLED THE HOLY OF HOLIES. For there are two grades above and below, ZION AND JERUSALEM; YESOD OF MALCHUT IS CALLED ZION AND MALCHUT OF MALCHUT IS CALLED JERUSALEM, AND ZION IS CALLED THE HOLY OF HOLIES.

193. הָאִי מִטְרוּנִיתָא, כִּד אֶתְחַבַּרְתָּ עִם מַלְכָא, כָּל

194. For that reason none is allowed into the holy of holies IN THIS WORLD except for the High Priest that comes from the aspect of Chesed, since no one enters that place above, THAT IS, YESOD OF MALCHUT CALLED ZION except that which is called Chesed OF ZEIR ANPIN, THE ASPECT OF THE HIGH PRIEST that enters the holy of holies. Malchut is mitigated and the holy of holies is blessed to its innermost, WHICH IS the place called Zion. Zion and Jerusalem are two grades, one Mercy and the other Judgment. Zion IS MERCY, as written, "Zion shall be redeemed with justice" (Yeshayah 1:27), JUSTICE BEING MERCY; Jerusalem IS JUDGMENT as written, "righteousness lodged in it" (Ibid. 21), RIGHTEOUSNESS BEING JUDGMENT as we explained.

194. וּבג"כ לִית רְשׁוּתָא לְמִיעַל תַּמּוֹן, בְּר כְּהֵנָּא

195. The whole desire of the male, WHICH IS ZEIR ANPIN, towards Malchut is here IN ZION. It is called a blessing since from there blessings are issued to all the worlds and everyone is blessed. This place, ZION, is called holy, and all holies, NAMELY THE HOLY LIGHTS of the male, WHO IS ZEIR ANPIN, entered there the grade I mentioned, ZION and all emerge from the supernal head of the skull of the male from the aspect of the lofty brain lobes that rest in it. That blessing flows FROM THE BRAIN LOBES to all the body parts, CHESD, GVURAH AND TIFERET, to those called hosts (Heb. Tzevaot), NETZACH AND HOD, since all that plenty coming from the whole body is gathered there IN NETZACH AND HOD. Hence they are called hosts, since all the higher and lower hosts IN THE THREE WORLDS OF BRIYAH, YETZIRAH AND ASIYAH come out from them, FROM NETZACH AND HOD. And after that plenty gathers there IN NETZACH AND HOD it is placed in holy Yesod, which is entirely white, which is why it is called Chesed. That Chesed enters the holy of holies, as written, "for there Hashem has commanded the blessing, even life forever more."

48. The passing away of Rabbi Shimon ben Yochai

Rabbi Aba recounts that after Rabbi Shimon uttered the word "life", all his words ceased. The light in the room was so great that Rabbi Aba could not look, and two voices were heard saying "For length of days, and long life", and then, "He asked life of you". We are told of the miraculous events that happened during the rest of that day.

196. Rabbi Aba said, the holy luminary barely finished uttering "life," when his words ceased. I was writing and was about to write more, yet heard nothing. I did not raise my head, because the light was great and I could not look. I then trembled and heard a voice calling and saying, "For length of days, and long life..." (Mishlei 3:2), AND THEN I heard another voice, "He asked life of You..." (Tehilim 21:5).

196. א"ר אבא, לא סיים בוצינא קדישא למימר חיים, עד דאשתככו מלוי, ואנא כתבנא, סברנא למכתב טפי, ולא שמענא. ולא זקיפנא רישא, דנהורא הוה סגי, ולא הוה יכולנא לאסתכלא. אדהכי אזדעזענא, שמענא קלא דקארי ואמר ארך ימים ושנות חיים וגו'. שמענא קלא אחרא, חיים שאל ממך וגו'.

197. All that day the fire did not cease from the house and no one reached him for they could not because of the light and fire that encircled him. I was prostrated all that day on the ground, crying loudly. After the fire was gone, I saw that the holy luminary, the holy of holies, was gone from the world, wrapped around and lying on his right side with a smiling face.

197. כָּל הוּא יוֹמָא, לֹא אַפְסִיק אֲשָׁא מִן בֵּיתָא, וְלֹא הוּהּ מֵאֵן דְּמִטֵּי לְגַבֵּיהּ, דְּלֹא יְכִילוּ דְנְהוּרָא וְאֲשָׁא הוּהּ בְּסוּחְרָנִיהּ. כָּל הוּא יוֹמָא נִפְלִנָא עַל אַרְעָא, וְגַעֲינָא. בְּתַר דְאָזִיל אֲשָׁא, חֲמִינָא לְבוּצִינָא קֹדֶשׁ הַקְּדוּשִׁים, דְאַסְתִּלַּק מִן עֲלָמָא, אַתְעֵטַף שְׂכִיב עַל יְמִינֵיהּ, וְאַנְפוּי חֲיִיבִין.

198. Rabbi Elazar his son rose, took his hands and kissed them, while I licked the dirt under his feet. The friends started crying. Rabbi Elazar his son prostrated three times and could not open his mouth. He then started saying, Father, father, there were three that BECAME one again. THAT IS, THERE WERE THREE GREAT MEN IN THE LAND, RABBI ELAZAR, RABBI SHIMON BAR YOCHAI HIS FATHER AND HIS FATHER-IN-LAW RABBI PINCHAS BEN YAIR. NOW RABBI ELAZAR IS ORPHANED OF HIS FATHER-IN-LAW AND HIS FATHER RABBI SHIMON AND ONLY ONE REMAINS IN THE WORLD. NOW, AFTER THIS GREAT TREE IS GONE, UNDER WHICH THE BEASTS OF THE FIELD USED TO WALK AND IN WHICH BOUGHS DWELT THE BIRDS OF THE SKY AND WHICH HAD FOOD FOR EVERYONE, NOW the beasts will wander and the birds THAT USED TO DWELL IN ITS BOUGHS will sink into the chasm in the great sea, and the friends, INSTEAD OF THE FOOD THEY RECEIVED FROM IT will drink blood.

199. Rabbi Chiya rose to his feet and said, Up until now the holy luminary used to protect us. Now is the time to strive to honor him. Rabbi Elazar and Rabbi Aba rose and took him FROM HIS PLACE to a bed made like a ladder IN ORDER TO RAISE HIM ON HIS BED. Who has ever seen such confusion of the friends! The whole house emitted good fragrances. They raised him on his bed, and none served him but Rabbi Elazar and Rabbi Aba.

200. Bullies and armed people came from the village of Tzipori, WHO WANTED HIM TO BE BURIED THERE AND CAME TO TAKE HIM BY FORCE. The inhabitants of Meron drove them away and shouted at them in their multitudes, because they did not want him to be buried there BUT WHERE THEY THEMSELVES LIVED. After the bed left the house, it rose in the air and fire burned before it. They heard a voice, 'Come and gather to the feast of Rabbi Shimon. "shall enter in peace to them that rest in their graves"' (Yeshayah 57:2).

201. When he entered the cave they heard a voice inside the cave, 'This is the man who caused the earth to tremble, who provoked kingdoms. How many prosecutors in the firmament are quieted today for your sake. This is Rabbi Shimon ben Yochai, with whom his Master glorifies Himself daily. Blessed is his portion above and below. How many supernal treasures await him. Of him it says, "But go you your way till the end be, for you shall rest, and stand up for your allotted portion at the end of the days"' (Daniel 12:13).

49. Holy, holiness, the holy of holies

Rabbi Yosi and Rabbi Aba talk about the difference between "holy nation" and "holiness," and we hear about the connection of these terms with supernal wisdom.

202. Rabbi Yosi said, How beloved are Yisrael before the Holy One, blessed be He, since at first He called them a holy nation, as written, "For you are a holy people" (Devarim 14:2). He then called them holiness, as written, "Yisrael is holiness to Hashem, the first fruits of His increase" (Yirmeyah 2:3). What is the difference between them, BETWEEN HOLY AND HOLINESS? Rabbi Aba said, Holiness is the highest, BEING CHOCHMAH, for so have we learned that when all sanctifications, WHICH ARE THE THREE COLUMNS, CHESED, GVURAH AND TIFERET, are joined together they are called holiness, BECAUSE THEN they rise and gather in the supernal place called holiness, NAMELY SUPERNAL CHOCHMAH.

203. Hence 'Holy, holy, holy', WHICH ARE CHESED, GVURAH AND TIFERET, THE SECRET OF THE PRIESTS, THE LEVITES AND YISRAEL, turn into "Yisrael is holiness." Since Yisrael are adorned with these three grades, when they join together they are called, "Yisrael is holiness (or: 'holy thing') to Hashem," which is first, SINCE THEN THEY RECEIVE FROM SUPERNAL CHOCHMAH CALLED FIRST (OR: 'BEGINNING'). We have explained that fruit is spelled with EXTRA Hei, WHICH INDICATES MALCHUT THAT IS CALLED HOLINESS WHEN RECEIVING FROM SUPERNAL CHOCHMAH. "all that devour him shall be held guilty" (Ibid.). What is meant by that? Rabbi Aba said, We have learned the verse, "And if a man eat of the holy thing unwittingly" (Vayikra 22:14), and, "No stranger shall eat of the holy thing" (Ibid. 10). Yisrael are considered a holy thing, and hence, "all that devour him shall be held guilty."

204. Rabbi Elazar said, The beginning, WHICH IS SUPERNAL CHOCHMAH, and the ending of everything, WHICH IS MALCHUT, are included in holiness, and supernal Chochmah is called holiness. And when supernal Chochmah shines, Solomon's wisdom shines AS WELL, WHICH IS MALCHUT, as written, "And Solomon's wisdom excelled" (I Melachim 5:10), when the moon, WHICH IS MALCHUT, stood in its fullness. This we have already explained. And when MALCHUT is blessed by Yesod, she is called holiness because she shines in her fullness. But when MALCHUT does not shine and not perfectly adorned, she is called the Holy Spirit, she is not called holiness like the supernal CHOCHMAH.

205. When MALCHUT is blessed by Yesod and nourishes all the lower beings, she is called a mother like the one above, NAMELY LIKE BINAH CALLED A MOTHER. MALCHUT is THEN called holy things (or: 'holies'), and YESOD is then called holy of holies, since with it she is a bride. THAT IS, YESOD IS HOLINESS, AND TOGETHER WITH THE BRIDE THAT IS CALLED HOLIES, IT IS THE HOLY OF HOLIES, as written, "Come with me from Lebanon, my bride" (Shir Hashirim 4:8). What is Lebanon? Eden, NAMELY SUPERNAL CHOCHMAH. IT IS CALLED LEBANON because it became white (Heb. nitlabnah) in every direction, WHICH MEANS IT SHINES WITH CHESED, WHICH IS WHITE IN COLOR, BOTH FROM THE RIGHT AND LEFT SIDES. FOR IT IS THE SECRET OF SUPERNAL ABA AND IMA THAT ALWAYS HAVE THE MEANING OF, "BECAUSE HE DELIGHTS IN MERCY" (MICHAH 7:18), YET CHOCHMAH IS BESTOWED ON MALCHUT VIA THE RIVER THAT COMES OUT OF EDEN, WHICH IS BINAH. Eden is already known to the friends.

50. When the time comes for a righteous man to pass away, he should disclose wisdom
We hear that when the time comes for a righteous man who is full of wisdom to die, he should reveal that wisdom to those who have the Holy Spirit among them.

206. We learned that it is written, "because I will call on the name of Hashem" (Devarim 32:3). What is meant by that? Rabbi Shimon said, it is written, "ascribe greatness to our Elohim" (Ibid.). Rabbi Shimon said AS INTERPRETATION TO THE WORDS OF RABBI SHIMON, "ascribe greatness" refers to greatness, NAMELY CHESED. "He is the Rock, His work is perfect" (Ibid. 4) is Gvurah; "for all His ways are justice" (Ibid.) is Tiferet; "an El of truth" (Ibid.) is Netzach; "and without iniquity" is Hod. "just" is Yesod, "and right" is Righteousness, NAMELY MALCHUT. Thus everything is the Holy Name of the Holy One, blessed be He, NAMELY THE SEVEN SFIROT, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT. This is why HE SAID, "because I will call on the name of Hashem."

207. Rabbi Yosi said, IT IS the very name of Hashem, which Moses revealed at that time to Yisrael, as written, "I am a hundred and twenty years old this day..." (Devarim 31:2), "NOW THEREFORE WRITE THIS POEM FOR YOURSELVES" (IBID. 19). From this we derive that when the time comes for a righteous man, in whom rests lofty wisdom, to pass away, he should reveal that wisdom to those who have the Holy Spirit among them. Whence do we know that? From Moses, as written, "I am a hundred and twenty years old this day..." WHICH MEANS HE REVEALED TO THEM WHAT HE HAD NOT REVEALED TO THEM UNTIL THEN.

208. If he does not REVEAL TO THEM THAT WISDOM, it says of him, "Withhold not good from those to whom it is due" (Mishlei 3:27), WHICH IS TORAH THAT IS CALLED GOOD, as written, "For I give you good doctrine" (Mishlei 4:2), "when it is in the power of your hand to do it" (Mishlei 3:27) before you pass away, BEFORE you will not have permission to disclose.

51. "because I will call on the name of Hashem"

Rabbi Chiya makes it clear that God will only be close to those who call upon His name in truth. Part of this meaning is that God must be called upon with the quality of the Central Column, not from the aspect of the Left or Right.

209. Rabbi Chiya said, From this verse, "BECAUSE I WILL CALL ON THE NAME OF HASHEM" (DEVARIM 32:3), I have learned celestial wisdom and it is so. Yet the end of the verse connects the knot of faith with the word "He," as written, "just and right is He," which means He is everything, He is one without division. For if you say that all these NAMES IN THE VERSE are many, it says again, "He," as they all amount to and connect and join into one. And HE is everything; He was, He is and He will be and He is one. Blessed is His name forever and ever. Hence matters are connected and the holy matters of the name of the Holy One, blessed be He, are joined.

206. תֵּאֲנֵא, כְּתִיב כִּי שֵׁם יי' אֶקְרָא, מֵאִי כִּי שֵׁם יי' אֶקְרָא. אר"ש, הָא כְּתִיב הִבּוּ גּוֹדֵל לְאֱלֹהֵינוּ. א"ר אָבֵא, הִבּוּ גּוֹדֵל: דָּא גְדוּלָּה: הִצּוּר תְּמִים פְּעֵלוּ: דָּא גְבוּרָה. כִּי כָל דְּרָכֵיו מִשְׁפָּט: דָּא תַּמְאַרְת. אֵל אֲמוּנָה: דָּא נִצַּח. וְאִין עוֹל: דָּא הוּד. צְדִיק: דָּא יִסוּד. וְיִשְׂר: דָּא צְדָק. הוּא כְּלָא שְׂמָא קְדִישָׁא דְקוּדְשָׁא בְּרִין הוּא, וּבג"כ כִּי שֵׁם יי' אֶקְרָא.

207. א"ר יוסי, שם יי' ממש. ומשה בהיה שעתא גלי להו לישראל. דכתיב, בן מאה ועשרים שנה אנכי היום וגו'. מכאן אוליפנא, ההוא זכאה דחכמתא עלאה ביה, כד מטי יומא לאסתלקא מעלמא, בעי לגלאה ההיא חכמתא, לאינון די רוח קדישא בינייהו. מנלן. ממש. דכתיב בן מאה ועשרים שנה אנכי היום. וכתיב, ועתה כתבו לכם את השירה הזאת וגו'.

208. ואם לאו, עליה כתיב, אל תמנע טוב מבעליו. כד"א, כי לקח טוב נתתי לכם וגו'. בהיות לאל ירך לעשות. עד לא תסתלק מן עלמא, ולא אתייהיב לך רשותא לגלאה.

210. Happy is the portion of he who calls the King and knows how to call Him properly. If he calls yet knows not upon whom he called, the Holy One, blessed be He, keeps away from him, as written, "Hashem is near to all those who call upon Him" (Tehilim 145:18). To whom is He near? It says again, "to all who call upon Him in truth" (Ibid.). Is there anyone who calls upon Him falsely? Rabbi Aba said, Yes; it is he who calls yet knows not upon whom he calls. Whence do we know that? From the words, "to all who call upon Him in truth." What is "in truth"? It is the seal of the King's ring, WHICH IS THE SECRET OF THE CENTRAL COLUMN THAT SEALS THE MOCHIN TOGETHER WITH MALCHUT THAT IS CALLED THE KING'S RING, which is overall perfection. This is the meaning of, "You will show truth to Jacob, loyal love to Abraham" (Michah 7:20), NAMELY ZEIR ANPIN THAT IS THE CENTRAL COLUMN CALLED JACOB, AS TRUTH WAS BESTOWED ON THE CENTRAL COLUMN. This is why it is written, "to all who call upon Him in truth." AND WHOEVER KNOWS NOT TO CALL UPON HIM WITH THE QUALITY OF THE CENTRAL COLUMN, BUT TENDS TO THE LEFT COLUMN OR THE RIGHT COLUMN, THE HOLY ONE, BLESSED BE HE, DRAWS AWAY FROM HIM. Happy is the portion of whoever entered WISDOM and came out whole, to know the ways of the Holy One, blessed be He. Hence it is written, "But the path of just men is like the gleam of sunlight" (Mishlei 4:18), and, "Your people also shall be all righteous..." (Yeshayah 60:21).

210. זְכָאָה חוֹלְקִיָּה מֵאֵן דְּקָרִי לְמַלְכָּא, וְיִנְדַע לְמַקְרִי בְדִקְא יְאוּת. וְאִי אִיהוּ קְרִי וְלֹא יָדַע לְמֵאֵן קְרִי, אֲתֵרְחִיק קוּדְשָׁא בְרִיךְ הוּא מְנִיָּה, דְּכִתְיִב קְרוּב יִי לְכָל קוּרְאִיו וְגו'. קְרוּב יִי לְכָל קוּרְאִיו, לְמֵאֵן קְרוּב. חִזְר וְאָמַר, לְכָל אֲשֶׁר יִקְרְאוּהוּ בְּאֵמֶת, וְכִי אֵיִת מֵאֵן דְּיִקְרִי לִיָּה בְּשִׁקְרָא. א"ר אָבָא אֵינן, הֵהוּא מֵאֵן דְּקָרִי וְלֹא יָדַע לְמֵאֵן דְּקָרִי. מְנַלְן. דְּכִתְיִב לְכָל אֲשֶׁר יִקְרְאוּהוּ בְּאֵמֶת. מֵאִי בְּאֵמֶת. בְּחוֹתְמָא דְּגוֹשְׁפִּנְקָא דְּמַלְכָּא, דְּהוּא שְׁלִימוּ דְּכֻלָּא. הֵה"ד, תַּתְּן אֵמֶת לְיַעֲקֹב חֶסֶד לְאַבְרָהָם. וּבְג"כ לְכָל אֲשֶׁר יִקְרְאוּהוּ בְּאֵמֶת כְּתִיב. זְכָאָה חוֹלְקִיָּה דְּמֵאֵן דְּעָאֵל, וְנִמְק לְמַנְדַּע אֲרַחוּי דְּקוּדְשָׁא בְרִיךְ הוּא. וְע"ד כְּתִיב, וְאֲרַח צְדִיקִים כְּאוֹר נֹגַהּ וְגו'. וְכִתְיִב וְעַמְךָ כֻּלָּם צְדִיקִים וְגו'.

52. The wicked cause a damage, so to speak, above
 Rabbi Aba recalls that Rabbi Yitzchak said that all the structures devised in order to bestow blessings upon people cannot be effective because they are marred by the deeds of the wicked. Rabbi Yosi says that when the wicked sin below the patriarchs above cannot receive their supply of blessings either.

211. We learned that Rabbi Yitzchak said, All these structures and these matters were given to the reapers of the field, NAMELY TO THOSE WHO HAVE ALREADY FINISHED THE WORK OF HOLINESS AND PURIFICATION, AND HAVE ALREADY MERITED TO BEHOLD THE FRUIT OF THEIR WORK. We learned that the wicked cause, so to speak, blemish above. The blemish accords with the verse, "Not His the corruption, but the blemish of His sons" (Devarim 32:5), THE DAMAGE IS ONLY IN RELATION TO THE SONS, WHO CANNOT RECEIVE THEIR PLENTY, because all these structures DEVISED IN ORDER TO BESTOW UPON THE LOWER BEINGS are not properly settled, BECAUSE OF THE DEEDS OF THE WICKED. THIS IS THE MEANING OF, "THE BLEMISH OF HIS SONS." One verse says, "For He put on righteousness as a breastplate" (Yeshayah 59:17), and another verse says, "and He put on the garments of vengeance for clothing" (Ibid.). Yet, says Rabbi Yitzchak, "He put on righteousness" when Yisrael are worthy. When they have no merit, "He put on the garments of vengeance..." THIS IS THE BLEMISH THE WICKED CREATE IN THE SUPERNAL STRUCTURES, SO HE TAKES OFF, SO TO SPEAK, THE GARMENT OF RIGHTEOUSNESS AND WEARS GARMENTS OF VENGEANCE.

211. תְּנִיָּא א"ר יִצְחָק, כָּל הַנִּי תְּקוּנִין, וְכָל הַנִּי מְלִי, לְמַחְצֵי חֶקְלָא אֲתַמְסְרֵן. וְתַנִּינָן, חַיִּיבִין כְּבִיכּוּל עֲבָדִין פְּגִימוּתָא לְעֵילָא. מֵאִי פְּגִימוּתָא. כְּמָה דְּכִתְיִב, שְׁחַת לוֹ לֹא בְּנִיּוּ מוּמָם דְּהָא כָּל הַנִּי תְּקוּנִין לֹא מִשְׁתַּבְּחִי בְּדִקְא יְאוּת. כְּתוּב אַחַד אוֹמֵר, וְיִלְבַּשׁ צַדִּיקָה כְּשֵׁרִין, וְכְתוּב אַחַד אוֹמֵר וְיִלְבַּשׁ בְּגָדֵי נֶקֶם תְּלַבּוֹשֶׁת. אֵלָא א"ר יִצְחָק, וְיִלְבַּשׁ צַדִּיקָה, בְּזַמְנָא דִּישְׂרָאֵל זְכָאָן. לֹא זְכוּ, וְיִלְבַּשׁ בְּגָדֵי נֶקֶם וְגו'.

212. Rabbi Yosi said, What is the blemish THE WICKED DO WITH THEIR ACTIONS ABOVE? It is as we learned that the patriarchs, WHO ARE CHESED, GVURAH AND TIFERET, do not receive supply to be blessed from the flow of the river, WHICH IS THE PLENTY OF BINAH, and even less so do their children. FOR SINCE THEY DO NOT RECEIVE PLENTY FOR THE LOWER BEINGS, A BLEMISH AND DAMAGE ARE MADE BELOW, as written, "Not (Heb. lo) His (Heb. lo) the corruption, but the blemish of His sons." Why 'lo' twice? ONE COULD HAVE SUFFICED IN SAYING 'IT IS HIS SONS' BLEMISH'. Yet one is above, AS A BLEMISH WAS CREATED ABOVE, BECAUSE THEY DO NOT RECEIVE BLESSINGS, FOR WHICH IT SAYS, "HIS THE CORRUPTION," and one below, BECAUSE THEY ARE WANTING IN EVERY RESPECT, WHICH IS WHY IT SAYS, "THE BLEMISH OF HIS SONS." MEANING, IT IS NOT CONSIDERED A BLEMISH IN RELATION TO THE HIGHER BUT ONLY IN RELATION TO THE CHILDREN, WHO ARE YISRAEL.

212. א"ר יוֹסִי מֵאִי פְּגִימוּתָא. כְּמָה דְּתַנִּינָן, דְּאֲבָהוּן לֹא מִסְתַּפְקִין לְאַתְבָּרְכָא מֵהוּא שְׁקִיּוּ דִּנְחֻלָּא. כ"ש בְּנִין. כּד"א, שְׁחַת לוֹ לֹא בְּנִיּוּ מוּמָם. מֵאִי לוֹ לֹא תְרֵי זַמְנֵי. אֵלָא חַד לְעֵילָא, וְחַד לְתַתָּא.

213. This is the meaning of the words of Rabbi Shimon that as long as there are many wicked men in the world, the Holy Name is not blessed, so to speak, in the world. And as long as there are not many wicked in the world, the Holy Name is blessed in the world. This is the meaning of, "The sinners will be consumed...Bless you Hashem, O my soul. Haleluyah" (Tehilim 104:35). Rabbi Aba said, This verse is certainly precise, which says, "Not His the corruption, but the blemish of His sons." Who brought that blemish about? "a perverse and crooked generation" (Devarim 32:5), because the evil people and that generation are in such a state.

214. This is why after Moses said all these things, and properly invoked the Holy Name, he said, surely, "just and right is He" (Ibid. 4), when things are as they should be, but "Not His the corruption, but the blemish of His sons." The reason it is so is that "they are a perverse and crooked generation." Rabbi Yehuda said, "not His" means that the wicked bring it upon themselves, causing blessings to be missing from the world. Rabbi Aba said, "not His" was explained and it is so. The following verse says, "Do you thus requite Hashem" (Ibid. 6), THAT IS, YOU reward this way the Holy One, blessed be He, for all the good things He brought on you and performed before you.

53. "And yet for all that, when they are in the land of their enemies" - "Do you thus requite Hashem"

Rabbi Aba says that even though Yisrael sinned and went into exile, God and His Shechinah are always with them. Rabbi Yehuda wonders how Yisrael could repay God for His goodness by sinning and thus sending the Shechinah into exile.

215. Rabbi Aba opened with, "And yet for all that, when they are in the land of their enemies..." (Vayikra 26:44). Yisrael are blessed above all other idolatrous nations, since even though they have angered their Master, the Holy One, blessed be He, does not want to leave them, as wherever they exiled among the nations the Holy One, blessed be He, is with them in exile. This is the meaning of, "And yet for all that, when they are in the land of their enemies..."

216. Rabbi Aba said, "And yet for all that, when they are." Come and see how great is the love of the Holy One, blessed be He, for Yisrael. Even though they caused themselves to be in exile among the nations, the Shechinah never removed Herself from them. Do not say that they are in exile alone, but, "And yet for all that (Heb. zot)," AS THE SHECHINAH CALLED 'ZOT' is with them. This is the meaning of, "And yet for all that, when they are in the land of their enemies..."

217. It is like a king who was angry with his son and decreed that as punishment he should go away from him into a faraway land. The queen heard it and said, Since my son is going to a faraway land and the king threw him out of his palace, I shall not leave him. The two of us shall either return to the king's palace or together dwell in another land. After a few days the king visited the queen but did not find her because she left with his son. He said, Since the queen is there, let both of them return.

218. It will happen the same way when the Holy One, blessed be He, will visit the Shechinah. He shall visit Her first and for Her sake visit His children. This is the meaning of, "And I have also heard the groaning of the children of Yisrael..." (Shemot 6:5). Who brought it about that "I have also heard the groaning"? It is as if the Shechinah HAS CAUSED IT that I remembered Her. This is the meaning of, "and I have remembered My covenant" (Ibid.), THAT IS, THE SHECHINAH CALLED COVENANT. It is also written, "and Elohim remembered His covenant" (Shemot 2:24). AND WHEN THE HOLY ONE, BLESSED BE HE, WILL BRING YISRAEL BACK FROM EXILE IT IS WRITTEN, "Hashem your Elohim will turn your captivity, and have compassion upon you" (Devarim 30:3). It is the Shechinah, OF WHOM IT SAYS, "WILL TURN YOUR CAPTIVITY." It is also written, "Hashem, You have been favorable to Your land; You have brought back the captivity of Jacob" (Tehilim 85:2), NAMELY THE SHECHINAH CALLED LAND.

219. Rabbi Yehuda said, "Do you thus (Heb. zot) requite Hashem" (Devarim 32:6), you are, "a perverse and crooked generation" (Ibid. 5). You cause 'zot' to go into exile. "Do you thus (Heb. zot) requite Hashem"? Is this how you requite Him for all that He did to you, for all those signs He performed for you. Is this the reward you pay to 'zot'? Who brought it upon you? It is because you are a "foolish people and unwise" (Ibid.), not looking at all the good He did for you until now.

54. Hei of Behibar'am

Rabbi Yitzchak and Rabbi Chiya discuss how God went with Yisrael into exile because if He had not done so the people would not have been able to bear it. God never forgot His covenant with them. We also hear a discussion of the generations of the heaven and of the earth, and we learn that the three worlds were created both from Zeir Anpin and Malchut. The World to Come, Binah, is created with Chochmah. We hear again about the flow from Chochmah that finally gathers in the great sea that is Malchut. From there the generations come out to all the worlds.

220. "Do you thus (Heb. zot) requite Hashem" (Devarim 32:6): ZOT is the Shechinah. We have explained this issue that we learned that Hei of "when they were created (Heb. behibar'am)" (Bereshheet 2:4) is small, ALLUDING TO MALCHUT. Hei in "Do you (Heb. ha)," is large, ALLUDING TO BINAH. It has been said that we learned what Rabbi Yehuda said: Hei always ALLUDES TO the Holy One, blessed be He, and is called a mother. There are two worlds, BINAH AND MALCHUT, of which it is written, "from everlasting (lit. 'world') to everlasting" (Tehilim 106:48), THAT IS, FROM BINAH TO MALCHUT. We have learned this in regard to the meaning of the words, "mingled with the fourth part of a hin of beaten oil" (Bemidbar 28:5), WHICH MEANS THAT YESOD OF ZEIR ANPIN DRAWS OIL FROM THE SUPERNAL WORLD TO THE LOWER WORLD, WHICH IS MALCHUT. THIS IS THE MEANING OF, "DO YOU THUS REQUITE HASHEM," WHICH COMBINES TOGETHER THREE GRADES, WHICH ARE THE UPPER WORLD, WHICH IS THE LARGE HEI OF "DO YOU," YUD HEI VAV HEI ITSELF, WHICH IS ZEIR ANPIN THAT DRAWS PLENTY FROM IT TO 'ZOT', WHICH IS THE SHECHINAH.

221. We learned that Rabbi Yehuda said, I have looked in several places that the Holy One, blessed be He, did not withdraw His love from Yisrael. For wherever they were, the Holy One, blessed be He, was among them, as written, "I will not cast them away, nor will I abhor them, to destroy them utterly, and to break My covenant with them" (Vayikra 26:44). "with them" is exact, WHICH MEANS THAT THE HOLY ONE, BLESSED BE HE, IS among them and never left them.

222. Rabbi Yitzchak was walking along the way when Rabbi Chiya came across him. He said to him, I see in your face that you dwell in the dwelling of the Shechinah. It is written, "and I am come down to deliver them out of the hand of Egypt" (Shemot 3:8). IT IS WRITTEN, "and (Heb. Vav) I am come down," yet it should have been "I am come down," SO VAV IS REDUNDANT. HE ANSWERS, "and I am come down," means beforehand, SINCE THE VAV IS THE PREFIX OF THE PAST TENSE. When is that? When Jacob went down to Egypt, THE HOLY ONE, BLESSED BE HE, WENT DOWN WITH HIM. Why DID HE COME DOWN? "to deliver them out of the hand of Egypt." For had He not been among them, they would not have been able to tolerate the exile, as written, "I will be with him in trouble; I will deliver him, and honor him" (Tehilim 91:15).

223. He said to him, Surely wherever Yisrael dwell, the Holy One, blessed be He, is among them. And wherever the sages of the generation go, the Holy One, blessed be He, goes with them, as written, "For He shall give His angels charge over you" (Tehilim 91:11). We derive it from the verse, "And Jacob went on his way... And when Jacob saw them, he said, This is Elohim's camp" (Bereshheet 32:2-3) surely. Let us now join together and walk the path I know as we are walking to a certain place to welcome the Shechinah, NAMELY TO RABBI SHIMON BAR YOCHAI. He said to him, IT IS certainly SO. Rabbi Yitzchak said, We have learned that those who act as messengers to perform a good deed are harmed neither in their going nor in returning; and we are going to be seen before the Holy One, blessed be He, so we are not afraid.

220. הַלֵּוֹי תִגְמְלוּ זֹאת, דָּא שְׂכִינְתָא. וְהָא אוֹקִימְנָא מְלִי, דְתַנִּינָן, ה"א דְבַהֲבְרָאם, זְעִירָא. ה"א דְבַהֲלֵוֹי רַבְרַבָּא. וְהָא אֲתַמַּר דְתַנִּינָא, א"ר יְהוּדָה, ה"א דְבַכְל אֲתַר קוּדְשָׁא בְרִיךְ הוּא, וְאֲקָרִי אִם. וְתַרִי עֲלָמִין נִינְהוּ, דְכְתִיב מִן הָעוֹלָם וְעַד הָעוֹלָם. וְהָא תַנִּינָן בְּרָזָא דְקָרָא, בְּשִׁמְן כְּתִית רְבִיעִית הַהִין.

224. While they were walking Rabbi Chiya said, It is written, "These are the generations of the heaven and of the earth" (Beresheet 2:4). The heaven comes to include the Holy One, blessed be He, NAMELY ZEIR ANPIN CALLED HEAVEN; and the earth comes to include the Holy One, blessed be He, WHO IS MALCHUT CALLED EARTH. And all that is below ATZILUT, NAMELY THE THREE WORLDS, BRIYAH, YETZIRAH AND ASIYAH, are called the generations of heaven and of earth, from which THEY WERE BROUGHT FORTH, NAMELY FROM ZEIR ANPIN AND MALCHUT.

225. He said to him, In that case, what is, "when they were created (Heb. behibar'am)" (Ibid.)? We learned that beHei bra'am (Eng. 'with Hei He created them'), NAMELY WITH MALCHUT. YET YOU SAY THEY ARE THE GENERATIONS OF HEAVEN AND EARTH, NAMELY FROM ZEIR ANPIN AS WELL. He said to him, It is all the same thing, since when heaven, WHICH IS ZEIR ANPIN, joined WITH MALCHUT, then this Hei, WHICH IS MALCHUT, produced generations, which are called "the generations of the heaven and of the earth." He said to him, If that is so, why have we explained that behibar'am means beAbraham (Eng. 'with Abraham'), WHICH IS SPELLED WITH THE SAME LETTERS? HOW IS ABRAHAM CONNECTED WITH THIS? He said to him, It is all the same; beAbraham IS CHESED OF ZEIR ANPIN THAT IS CALLED ABRAHAM, that is, he is the heaven THAT IS ZEIR ANPIN. For from there, FROM THE SFIRAH OF CHESED, ZEIR ANPIN begins to spread. THAT IS, THE FIRST SFIRAH OF ZEIR ANPIN IS CHESED, AND SO THE NAME ABRAHAM ALSO ALLUDES TO ZEIR ANPIN LIKE THE NAME HEAVEN. AS FOR WHAT HAS BEEN SAID IS THAT beHei bra'am is the earth, WHICH IS MALCHUT. THUS HEAVEN AND EARTH ARE INDICATED IN THE WORD BEHIBAR'AM. And all this is the same issue.

226. He said to him, It is surely so. I have learned that it is written, "These are the generations of the heaven and of the earth," and we have learned that this world was created with Hei, WHICH IS MALCHUT, as written, "behibar'am," NAMELY BEHEI BRA'AM (ENG. 'HE CREATED THEM WITH HEI'). The World to Come, WHICH IS BINAH, is created with Yud, WHICH IS CHOCHMAH, as written, "And a river went out of Eden to water the garden" (Beresheet 2:10). THE RIVER, WHICH IS BINAH, GOES OUT OF EDEN, CHOCHMAH, TO WATER THE GARDEN, NAMELY ZEIR ANPIN. HE ALSO SAYS THAT A RIVER THAT WENT OUT OF EDEN incorporates the heaven, WHICH IS ZEIR ANPIN THAT IS ALSO CALLED A RIVER. The Garden incorporates the earth, WHICH IS MALCHUT. THUS THE EXPLANATION ALSO SAYS THAT ZEIR ANPIN GOES OUT OF CHOCHMAH AND BINAH THAT ARE BOTH CALLED EDEN, AND WATERS MALCHUT, THE SECRET OF THE GARDEN.

227. For we have explained that the words, "a fountain of gardens" (Shir Hashirim 4:15) refer to the heaven, WHICH IS ZEIR ANPIN THAT IS CALLED RIVER AS MENTIONED. It is a well of living water, as written, "and there Isaac's servants dug a well" (Beresheet 26:25), and, "And he removed from there, and dug another well" (Ibid. 22). "and streams from Lebanon" (Shir Hashirim 4:15), NAMELY FROM CHOCHMAH THAT IS CALLED LEBANON, AS THE STREAMS are adorned above WITH CHOCHMAH and rise to the head of the King, NAMELY TO THE THREE FIRST SFIROT OF ZEIR ANPIN, as written, "For Your steadfast love (Chesed) is great above the heavens" (Tehilim 108:5), SINCE THEY ARE DRAWN FROM CHOCHMAH, WHICH IS ABOVE ZEIR ANPIN CALLED HEAVEN SINCE THEY ARE DRAWN FROM CHOCHMAH, WHICH IS ABOVE ZEIR ANPIN CALLED HEAVEN.

224. עד דהוו אזלי, א"ר חניא, כתיב אלה תולדות השמים והארץ. לאכללא קודשא ברין הוא. והארץ, לאכללא קודשא ברין הוא וכל מה דלתתא, אינון אקרון תולדות השמים מנייהו.

225. א"ל אי הכי מהו בהבראם, ואתמר בה' בראם. א"ל כלא חד מלה, כד שמים אתחברו, האי ה' אפיקת תולדות, ואינון אקרון, תולדות השמים והארץ. א"ל אי הכי, במאי אוקימנא בה' בראם, באברהם. א"ל כלא חד מלה הוא, באברהם, היינו השמים, דמתמן שריין לאתפשטא. בה' בראם, היינו והארץ, וכלא חד מלה.

226. א"ל, ודאי הכי הוא, והא אוליפנא, דכתיב, אלה תולדות השמים והארץ. ותנינן, העולם הזה נברא בה', דכתיב בהבראם. והעולם הבא, נברא בי', דכתיב, ונהר יוצא מערן להשקות את הגן. לאכללא השמים. את הגן, לאכללא את הארץ.

227. והא אוקימנא, דכתיב, מעין גנים, דא היא השמים, באר מים חיים, דכתיב ויכרו שם עברי יצחק באר, דכתיב ויעתק משם ויחפור באר אחרת וגו'. ונוזלין מן לבנון, דאינון מתעטרין לעילא, וסלקין ברישא דמלכא. דכתיב, כי גדול מעל שמים חסדך.

228. HE EXPLAINS HIS WORDS: "from Lebanon," WHICH IS CHOCHMAH, come out STREAMS, NAMELY PLENTY to Binah, and flow and are drawn to all corners, NAMELY, TO THE FOUR WINDS, CHESED AND GVURAH, TIFERET AND MALCHUT OF ZEIR ANPIN until those founts stream and come down to gather in that place called the great sea, NAMELY MALCHUT, as written, "All the rivers run into the sea" (Kohelet 1:7), WHICH MEANS THAT THE STREAMS OF CHESED AND GVURAH, TIFERET AND MALCHUT OF ZEIR ANPIN RUN TO MALCHUT THAT IS CALLED SEA. It is also written, "look to the rock whence you are hewn" (Yeshayah 51:1), WHICH IS ABRAHAM, NAMELY CHESED OF ZEIR ANPIN. Following "AND STREAMS FROM LEBANON" it is written, "A garden enclosed is my sister, my bride" (Shir Hashirim 4:12), WHICH IS MALCHUT THAT RECEIVES THE STREAMS FROM ZEIR ANPIN. From it, FROM MALCHUT, generations came out to all WORLDS, as written, "when they were created (Heb. behibar'am)" - He created them with Hei (Heb. behei bra'am), WHICH IS MALCHUT, THAT IS, actually with Abraham, WHO IS CHESED OF ZEIR ANPIN THE SECRET OF THE STREAMS THAT FLOW FROM SUPERNAL CHOCHMAH THAT IS CALLED LEBANON TO ZEIR ANPIN, AND FROM ZEIR ANPIN TO MALCHUT, AND FROM THEM TO ALL THE GENERATIONS IN BRIYAH, YETZIRAH AND ASIYAH. Rabbi Yitzchak said, Even with Jacob himself, WHO IS TIFERET OF ZEIR ANPIN, SINCE TIFERET INCLUDES WITHIN IT CHESED AND GVURAH. It is all the same issue.

228. מן לבנון, מתמן נפקין לבינה. ונגיד ואתמשך לכל זווין, עד דנגדין אינון מבועין, ונחתין לאתכנשא לאתר דאקרי ימא רבא. דכתיב כל הנחלים הולכים אל הים וגו'. וכתיב, הביטו אל צור חוצבתם וגו'. לבתר כתיב, גן נעול אחותי כלה וגו'. ומכאן, נפקו תולדות לכלא. דכתיב, בהבראם, בה' בראם ממש, באברהם. א"ר יצחק, ואמילו בייעקב ממש. וכלא חד מלה.

55. "Can a woman forget her sucking child"

Rabbi Chiya has received a spirit message about the title verse that he does not understand, and so he is going to see Rabbi Shimon for an interpretation. Rabbi Elazar explains in the name of his father that Yisrael are God's children and so they cannot possibly be forgotten. God can no more forget His children than He can forget His own Name, because they are attached to His Name.

229. Rabbi Yitzchak said, When we sit before Rabbi Shimon, everything is said openly before him and we have no need for all this, THAT IS, THEY DO NOT NEED TO CONCEAL ANYTHING THERE UNDER NAMES AND TERMS. He said to him, Rabbi Shimon is not like other men, who are all before him like the other prophets before Moses. While they were walking Rabbi Chiya said, It is written, "Can a woman forget her sucking child, that she should not have compassion on the son of her womb?" (Yeshayah 49:15). This verse has been explained. Yet here, IN AN INNER SENSE, what does it mean? He said to him, If in the gathering of the friends we were not supported IN INTERPRETING THIS VERSE, what could we say?

229. א"ר יצחק, בד אן יתבין לקמיה דר"ש, כלא אתמר קמיה באתגליא, ולא אצטריכנא לכל האי. א"ל, לאו ר"ש כשאר בני נשא, דכלהו קמיה, כשאר נביאי לקמי משה. עד דהו אזלי, א"ר חניא, כתיב, התשכח אשה עולה מרחם בן בטנה וגו'. האי קרא אוקמוה, והכא מאי קא מיירי. א"ר יצחק, אי בקטורא דחברייא, סמיכא לא אסמכנא, אן מה נימא.

230. He said to him, I have heard a voice that hinted to me about the interpretation of the verse, one day, when I was walking on the way. But I knew not who said it, and I do not understand it. Come and see, for seven days I have been ill because of that and ate nothing. Now that I am going to the holy luminary so he will tell me, I may remember. RABBI YITZCHAK said to him, It could have been on the very day Rabbi Elazar was going to his father-in-law. I accompanied him that day, and now have remembered it.

230. א"ל, דהא קלא דרמיזא חד, שמענא יומא חד, בד הוה אזילנא בארחא, ולא ידענא מאן אמר, ולא ידענא מלה. ות"ח, ז' יומין הוה דחלישנא ע"ד, ולא טעימנא מדי. והשתא אזילנא לגביה דבוצינא קדישא, דלימא לי דילמא אדכר. א"ל, דילמא ההוא יומא דהוה אזיל ר' אלעזר לגביה דחמוי, וההוא יומא אזילנא עמיה, והא אדכרנא מלה.

231. Come and see, thus said Rabbi Elazar in the name of his father. Yisrael said before the Holy One, blessed be He, ever since we fell into exile, the Holy One, blessed be He, left us in exile and forgot us. This is the meaning of, "But Zion said, Hashem has forsaken me, and my Lord has forgotten me" (Ibid. 14). The Shechinah said, "Can a woman forget her sucking child." For Yisrael are considered children, as written, "You are the children of Hashem your Elohim" (Devarim 14:1), AND HOW COULD THEY BE FORGOTTEN. "that she should not have compassion on the son of her womb" resembles, "And I have planted you a noble vine, an entirely right seed" (Yirmeyah 2:21). "even these may forget" (Yeshayah 49:15), as in, "These are the generations of the heaven and of the earth" (Bereshheet 2:4), "yet I will not forget you" (Yeshayah 49:15). From this we derive that the Holy One, blessed be He, never leaves Yisrael.

231. ת"ח, הכי א"ר אלעזר משמיה דאבוי, אמרו ישראל קמי קודשא בריך הוא, מיומא דנפלתא בגלותא, קודשא בריך הוא שביק לן בגלותא, ואנשי לן. הדיא הוא דכתיב, ותאמר ציון עזבני יי' ויי' שכחני. אמרה שכינתא, התשכח אשה עולה, וכי ישראל דאקרון בנין, כמה דאת אמר, בנים אתם ליי' אלהיכם. מרחם בן בטנה, כד"א, ואנכי נטעתין שורק בלה זרע אמת. גם אלה תשכחה, דכתיב, אלה תולדות השמים והארץ. ואנכי לא אשכחך, מכאן, דקודשא בריך הוא לא שביק לון לישראל לעלמין.

232. He also says that, "Can a woman forget her sucking child, that she should not have compassion on the son of her womb?" is a lofty secret, that the Holy One, blessed be He, said, 'These things are connected with My name'. Just as the Holy One, blessed be He, does not forget His name, which is everything, so does the Holy One, blessed be He, not forget Yisrael, because they are truly attached to His name. Rabbi Chiya trembled and said, Surely these are the words I HEARD BUT FORGOT. Blessed be the Holy One, blessed be He, that I have met you and knew it, and also knew from whom I heard it.

232. תו אמר, התשכח אשה עולה מרחם בן בטנה. דא הוא רזא עלאה, דאמר קודשא בריך הוא, הא מלין אלין בשמיה אחידן, כמה דקודשא בריך הוא לא אנשי שמיה, דהא הוא בלא. כן קודשא בריך הוא לא אנשי לון לישראל דאינון אחידן בשמיה ממש. אתרגיש ר' חניא, אמר ודאי דא היא מלה. בריך יהא קודשא בריך הוא דאערענא לך, וידענא מלה. וידענא מאן ההוא דשמענא מגיה.

233. Come and see, on the same day I HEARD THIS VOICE THAT INDICATED TO ME THIS EXPLANATION, I ran four miles but didn't find who SAID IT. RABBI YITZCHAK said to him, This is because we went into a cave and Rabbi Elazar rested there an hour. Rabbi Chiya recited about him these verses, NAMELY, OF THE TIME HE MERITED TO BE WITH RABBI ELAZAR IN THE CAVE, "Then shall your light break forth like the morning...Then shall you call, and Hashem shall answer" (Yeshayah 58:8-9), "then shall you delight yourself in Hashem..." (Ibid. 14).

233. ות"ח, דההוא יומא דרהיטנא ד' מילין, ולא אשכחנא מאן הוה. א"ל, בגין דעאלנא בחד מערתא דר' אלעזר נמיש שעתא חדא. קרי עליה רבי חניא הני קראי, אז יבקע כשחר אורך וגו'. אז תקרא ויי' יענה וגו' אז תתענג על יי' וגו'.

55. "Remember the days of old, consider the years of many generations..." Rabbi Aba says that the days of the world are the six days with which God created the world, and that these six days are the Sfirot Chesed, Gvurah, Tiferet, Netzach, Hod and Yesod. When the six days created the world they did it for the sake of the children of Yisrael, so that they would come and study the Torah. If they did not the world would return to chaos.

234. "Remember the days of old, consider the years of many generations..." (Devarim 32:7). "Remember the days of old (lit. 'world')": Rabbi Aba said, What are the days of the world? They are the six days with which the Holy One, blessed be He, created the world, as written, "for six days Hashem made heaven and earth" (Shemot 31:17), rather than "in six days," BECAUSE THEY ARE THE SIX SFIROT, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD THAT CREATED THE WORLD. We have already explained it. "consider the years of many generations" means that the days of the world, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, will be known and acknowledged by all these years and days, and each and every generation to the generation in which you live.

234. זכור ימות עולם בינו שנות דור ודור וגו'. זכור ימות עולם, ר' אבא אמר, מאן ימות עולם. אינון שיתא יומין, דעבד קודשא בריך הוא עלמא בהו. דכתיב, כי ששת ימים עשה יי' וגו'. ששת ימים, ולא בששת ימים, והא אוקימנא. בינו שנות דור ודור. כלומר, אינון ימות עולם, ידעו וישתמודעו כל אינון שנין ויומין, וכל דרא ודרא, עד דרא דא דאתון קיימין.

235. "ask your father, and he will recount it to you" (Devarim 32:7) is the Holy One, blessed be He. This is the meaning of, "is not He your father that bought you?" (Ibid. 6). "and he will recount it to you" means that He will disclose to you depth of wisdom. What is it? When the six days, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, comprehended the world, they did so only for your sake that you will come and be occupied in Torah. As we have learned, whatever the Holy One, blessed be He, did, He did on condition that Yisrael will appear. If they will receive the Torah, good. Otherwise, THE WORLD will return to chaos. For this reason, the days of the world knew and realized everything.

236. We have learned how the boughs of the tree, NAMELY THE SEVENTY MINISTERS OF THE NATIONS, are connected within the tree, WHICH IS ZEIR ANPIN. We have explained that the Holy One, blessed be He, then split the seventy ministers into officers and protectors over the rest of the nations. And of you YISRAEL, it is written, "For Hashem's portion is His people; Jacob is the lot of His inheritance" (Devarim 32:9), since He gave them not to a minister, an angel or any other officer, as He took as His portion this nation of the Holy One, blessed be He.

237. Where did He find them? It is written, "He found him in a desert land, and in the waste howling wilderness" (Ibid. 10), "Terah, the father of Abraham...And I took your father Abraham" (Yehoshua 24:2-3). Since then He guided Yisrael in every generation and did not separate from them, and led them with compassion, as it says, "As an eagle stirs up her nest" (Devarim 32:11).

57. "As an eagle stirs up its nest"

Rabbi Yosi talks about the compassion that an eagle has for its children, and he derives part of the meaning from Jacob's role as representative of the Central Column. The eagle is merciful toward its own children yet harsh toward others; this is the way that God guides His own children.

238. "As an eagle stirs up her nest" (Devarim 32:11). Rabbi Yosi said, We have found no one that has compassion over his children like this eagle. Hence we learned the verse, "the face of a lion, on the right side; and they four had the face of an ox on the left side" (Yechezkel 1:10). Where is the place of the eagle? In the place where Jacob is situated, NAMELY IN THE CENTRAL COLUMN THAT INCLUDES RIGHT AND LEFT. This is the meaning of, "the way of the vultures in the air" (Mishlei 30:19), in that very place, NAMELY IN ZEIR ANPIN THAT IS CALLED HEAVEN, WHICH IS THE CENTRAL COLUMN. The reason is that it is merciful towards its children, and harsh towards others. So does the Holy One, blessed be He, WHO INCLUDES RIGHT AND LEFT, WHICH IS CHESED AND JUDGMENT, guide His children like the eagle.

235. שָׁאֵל אָבִיךָ וַיְגַדֶּךָ, דָּא קוּדְשָׁא בְּרִיךְ הוּא. הַהֲדָר, הֲלֵא הוּא אָבִיךָ קִנְךָ. וַיְגַדֶּךָ, וְהוּא יְגַלֶּה עוֹמְקָא דְחֻכְמָתָא. וּמַאי הִיא. אֲלֵא כַּד אֵינּוֹן שִׁיתָא יוֹמִין שְׁכִלְלוּ עֲלֵמָא, לֹא שְׁכִלְלוּ לֵיה, אֲלֵא בְּגִינְךָ, דְתִיתִי אֲנִי וְתִקְיִים אֹרִייתָא. דְתַנִּינָן, כֹּל מַה דְעֵבֵד קוּדְשָׁא בְּרִיךְ הוּא, עַל תְּנַאי עֵבֵד, דְכַד יִיתוּן יִשְׂרָאֵל, אֵי יִקְבְּלוּן אֹרִייתָא יְאוּת, וְאֵי לֹא דִיְהִידֵר לֵיה לְתַהוּ וְבַהוּ. וּבִגְ"כ, אֵינּוֹן יְמוֹת עוֹלָם יִדְעוּ וְאִשְׁתַּמּוּדְעֵן כֻּלָּא.

238. כְּנֶשֶׁר יַעִיר קִנּוֹ. א"ר יוֹסִי, לֹא אֲשַׁכְחָנָא מֵאֵן דְחִוּיִס עַל בְּנוֹי, כְּהָאֵי נִשְׂרָא. וְע"ד תְּנִינָן, כְּתִיב, וּפְנֵי אֲרִיָּה אֶל הַיָּמִין וּפְנֵי שׁוֹר מֵהַשְּׂמָאל. נִשְׂרָא בְּאֵן דְּיִכְתִּיבָהּ. בְּאֲתֵר דִּיעֲקֹב קְאִים. הַהֲדָר, דְרִיךְ הַנֶּשֶׁר בְּשָׁמַיִם. כְּהָאֵי אֲתֵר מִמֶּשׁ. מ"ט. בְּגִין דְאִיְהוּ רַחֲמֵי עַל בְּנוֹי, וְדִינָא לְגַבֵּי אַחְרֵינִין. כִּךְ קוּדְשָׁא בְּרִיךְ הוּא, דְבֵר לְבְנוֹי כְּנֶשֶׁר דָּא.

239. It is written, "So Hashem alone did lead him, and there was no strange El with Him" (Devarim 32:12), that is, none guides Yisrael, neither an angel nor another officer that are called a strange El. This is the meaning of Moses' words, "If Your presence go not with me carry us not up from here" (Shemot 33:15). This is the meaning of, "So Hashem alone did lead him," He alone, "and there was no strange El with him."

240. Happy is the portion of Yisrael that the Holy One, blessed be He, guides them thus, that it is thus written of them: "For Hashem has chosen Jacob to Himself" (Tehilim 135:4), and, "For Hashem will not abandon His people," THAT IS, "for His great name's sake" (I Shmuel 12:22), since they are mutually attached, AS YISRAEL CLEAVED TO HIS GREAT NAME. Hence the Holy One, blessed be He, will not leave them, and wherever they dwell the Holy One, blessed be He, is with them, as we explained.

58. "O that they were wise, that they understood this"

The rabbis speak about the admonishments that Moses made to Yisrael before he died, and how they were all connected to the Holy Name. Rabbi Aba says that the whole Torah is the Name of God. We hear that if Yisrael keep the commandments then Malchut will take revenge on their enemies. Rabbi Yehuda says that Abraham said Yisrael should be forced into exile rather than go to Gehenom because they could not bear both the years of exile and Gehenom too. God agreed that as long as Yisrael sinned they would fall into exile and be enslaved by their enemies.

241. "O that they were wise, that they understood this" (Devarim 32:29). Rabbi Yosi said, All the verses here are reproofs with which Moses admonished Yisrael, except for the Holy Name he disclosed at the beginning of his words, NAMELY, "BECAUSE I WILL CALL ON THE NAME OF HASHEM..." (IBID. 3), WHICH ARE THE SECRET OF CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. Rabbi Aba said, Even the verses in which he admonished Yisrael are part of the Holy Name, because there is nothing in the Torah that is excluded from the Holy Name, as the whole Torah is the name of the Holy One, blessed be He.

242. The verses WE HAVE EXPLAINED SO FAR are known TO EVERYONE, but since the name of the Holy One, blessed be He, is mentioned in this portion, we had TO EXPLAIN THEM until now. But here it is written, "O that they were wise, that they understood this (Heb. zot)," assuredly zot, WHO IS MALCHUT. We have explained it in several places that if Yisrael knew how zot held to its punishments to take revenge on the wicked, "they would consider their latter end" (Devarim 32:29), and take care to be in it, THAT IS, TO KEEP ITS COMMANDMENTS, as written, "the earth," WHICH IS MALCHUT, "shall rise up against him" (Iyov 20:27).

239. מה כתיב יי' בדרך ינחנו ואין עמו אל נכר. הוא בלחודוי, הכתיב ויין' הולך לפניו וגו'. ואין עמו אל נכר, דלא דבר להו לישראל לא מלאכא, ולא ממנא אחרא, דאינון אקרון אל נכר. ודא הוא דאמר משה, אם אין פניך הולכים אל תעלנו מזה. הךא הוא דכתיב, יי' בדרך ינחנו. הוא בלחודוי, ואין עמו אל נכר.

240. זכאה חולקהון דישראל, דקודשא בריך הוא דבר עמהון, הכי עליהו כתיב, כי יעקב בחר לו יה ישראל לסגולתו, וכתיב, כי לא יטוש יי' את עמו וגו'. מ"ט לא יטוש ה' את עמו. בעבור שמו הגדול, בגין דהאי בהאי אתדבק. וע"ד לא ישבוק לון קודשא בריך הוא, דבכל אתר דאינון שריין, קודשא בריך הוא עמהון כמה דאוקימנא.

241. לו חכמו ישבילו זאת. א"ר יוסי, כל הני קראי דהכא, אוכחי אינון, דאוכח להו משה לישראל, בר ההוא שמא קדישא, דגלי בשירותא דמלוי. א"ר אבא, ואפילו מה דאוכח לישראל, בכללא דשמא קדישא הוא, דלית מלה באורייתא דנפיק מכללא דשמא קדישא. דאורייתא כלא שמא דקודשא בריך הוא אינון.

242. והני קראי ידיעאן אינון. אבל בגין דשמא דקודשא בריך הוא רשים בהאי פרשתא, אצטריכנא עד השתא. והכא הא כתיב, לו חכמו ישבילו זאת, זאת ודאי, והא בכמה אתר אוקימנא האי, דאי ישראל ינדעון האי, איך זאת אחידא בדינוי לאתפרעא מן חייביא, יבינו לאחרייתם, ויסתמרו למדוי בה. כמה דכתיב, וארץ מתקוממה לו.

243. Another explanation for, "O that they were wise, that they understood this (Heb. ZOT)" is that when zot is attached to Yisrael, THAT IS, WHEN they keep the commandments of the Torah and dwell with it wholly, they shall know they have with them the help of zot in taking revenge on their enemies. And Yisrael, who are a minority among the nations shall know, "How should one man chase a thousand, and two put ten thousand to flight" (Devarim 32:30). Who brought it about? Zot, which was wholly in them when they performed the commandments of the Torah. And it will never leave them, or leave wreaking vengeance for them ON THEIR ENEMIES.

244. "unless their Rock had sold them, and Hashem had shut them up" (Ibid.). What is the reason "their Rock had sold them"? It is because, "Of the Rock that begot you you are unmindful" (Ibid. 18), as these structures do not properly rest in their place. "their Rock had sold them": Rabbi Yehuda said, This is Abraham, as we explained that Abraham said, Let Yisrael be forced into exile rather than go to Gehenom, because Yisrael cannot bear these years of exile and Gehenom. And the Holy One, blessed be He, agreed with him that as long as Yisrael sin they will fall into exile and their enemies will enslave them. For that reason, that "their Rock had sold them," surely, NAMELY ABRAHAM WHO DELIVERED THEM INTO EXILE, "and Hashem had shut them up," since He agreed with him.

59. The reason Moses admonished them

Rabbi Yehuda talks about why Moses admonished them with his poem when they were about to enter the promised land.

245. We learned, Rabbi Yehuda said, What is the reason Moses admonished them in this poem? It is that they were about to enter the land of Yisrael and the Shechinah was about to rest among them. For that reason He admonished them about that.

246. Rabbi Yitzchak said, The Holy One, blessed be He, will admonish Yisrael in two places and the nations in the world will rejoice. The first is as written, "Hashem has also a controversy with Judah, and will punish Jacob according to his ways" (Hoshea 12:3). The nations of the world hear and rejoice. They say, Now these will be wiped away from the world. But when the Holy One, blessed be He, saw them rejoicing, it is then written, "He took his brother by the heel in the womb..." (Ibid. 4). When they heard that, they said, This means repentance FOR THE INIQUITIES OF YISRAEL.

247. THIS IS like a woman who had a quarrel with her son. She went to cry out and sue him. When she saw the judge judging criminal laws, sentencing some to whipping, and some to hanging or burning, she said, Woe if I shall do so to my son. THAT IS, SHE BEGAN TO FEAR LEST HE WILL SENTENCE HER SON TOO TO ONE OF THESE PUNISHMENTS. When the judge finished the trial, he said to that woman, Tell me what your son did. She said to him, I complain (THE END IS MISSING). ACCORDING TO THIS IT SEEMS THAT SHE SAID SHE COMPLAINED THAT HE PAINED HER IN HER WOMB, WHEN SHE WAS PREGNANT WITH HIM. OF COURSE, THE JUDGE DID NOTHING TO HIM FOR THAT.

243. ד"א לו חכמו ושכילו זאת. דאיהי מתקשרא בהו בישראל, כד נטרין פקודי אורייתא, ויתבין עמה בשלם, ונדעון דסויעתא דהאי זאת עמהון, לאתפרעא משנאיהון. וישראל דאינון זעירין ביני עממיא, ונדעון, איכה ירדוף אחד אלף ושנים וניסו רבבה. ומאן גרים להו. האי זאת, דהוה בהו בשלם, כד עבדין פקודי אורייתא. ולעלמין לא אתעדו מנייהו, למעבד להו נוקמין.

244. אם לא כי צורם מכרם ויני הסגירם. מ"ט כי צורם מכרם. בגין צור ילדך תשי, דתקונין לא שראן כדקא יאות באתרייהו. אם לא כי צורם מכרם. א"ר יהודה דא אברהם, כמה דאוקימנא, דאמר אברהם יתחייבון ישראל בגלותא, ולא ויעלון בגיהנם דתרין אלין גלותא וגיהנם, לא יסבלון ישראל. וקודשא בריך הוא אסתכם על ידוי, דכל זמנא די יחובון ישראל, יפלון בגלותא, וישתעבדון בהו שנאיהון. ובג"כ, צורם מכרם ודאי, ויני הסגירם, ואסתכם על ידוי.

245. תניא, א"ר יהודה, מ"ט אוכח להו משה בהאי שירה הכי, בגין דאינהו זמינין למיעל לארעא, ולאשרי בינייהו שכניתא, ובג"כ אוכח להו על האי.

246. ר' יצחק אמר, בתרי אתרי קודשא בריך הוא זמין לאוכחא להו לישראל, וחדאן אומות העולם. חד דכתוב, וריב לוי עם יהודה ולפקוד על יעקב כדרכיו וגו'. שמעין אומות העולם חדאן, אמרי, השתא ישתצון מעלמא, כד חמי קודשא בריך הוא דאינון חדאן, מה כתיב בתריה. בבטן עקב את אחיו וגו'. כד שמעין, אמרין דא הוא תשובה.

247. לאתתא דהוה לה קטטה בברה, אזלת למקביל עליה דינא, חמאת לדוינא דאין נפשין. מנייהו לאלקאה, לצלבא, לאוקדא, אמרה ויני מה אעביד מן ברא. כד סיים דינא, אמר לההיא אינתו, אימא, מה אעביד לך בריך, אמרה קובלני עכ"מ.

60. From the book of physician Kartana

We learn about the things written in the book of a physician called Kartana, who wrote about the care a wise physician needed to take of people who were sick. A correspondence is made between sick people and those who are ill in the sense that they cannot worship God. God wishes there to be a wise physician who can help people to get well, that is, to repent and atone for their sins. If the physician can administer medicine for the body, it is well, but otherwise he should give a person healing for his soul. God will bless such a physician in this world and in the World to Come. We hear that some of the remedies in the book of Kartana were permitted to use and some were forbidden. Rabbi Elazar had had the book in his possession for twelve months, and learned many mysteries from it, but eventually he was told in a dream that he should not use the book, so he gave it away to Rabbi Yosi. Rabbi Elazar concludes Ha'azinu by blessing God for abolishing witchcraft from the world.

248. "He found him in a desert land, and in the waste" (Devarim 32:10): Surely he afterwards caused all these Klipot IN THE WILDERNESS AND IN THE DESERT to be all enslaved TO YISRAEL. THE VERSES heretofore were written in the book of a physician called Kartana. He used to write under this verse all the care a wise physician needs to take of the sick in their bed. THAT IS, IT IS THE CUSTOM OF THE PHYSICIAN TO FIRST WRITE DOWN BEFORE HIM THE STATE HE FOUND THE PATIENT IN, AND THEN TO PRESCRIBE MEDICINE. IN THIS ORDER WERE THESE VERSES ARRANGED HERE IN THAT BOOK. AT FIRST THE BOOK MENTIONED THE VERSES, "HE FOUND HIM IN A DESERT LAND...", NAMELY THE STATE IN WHICH HE FOUND THE PATIENT. THEN HE USED TO WRITE THE NEXT VERSE, IN WHICH IS WRITTEN ALL THE CARE A WISE PHYSICIAN HAS TO TAKE OF A SICK MAN LYING IN BED, in the prison of the prisoners of the King, THAT IS, THEY ARE ILL IN THE SENSE THAT they CANNOT worship the Master of the universe.

249. THIS IS WHAT HE WROTE IN THAT BOOK: when a wise physician visited a sick man, "He found him in a desert land, and in the waste howling wilderness," that is, since illnesses rest on him, he is placed in the King's jail, IN A WASTE WILDERNESS. You may say that since the Holy One, blessed be He, ordered to detain him in jail, one must not try for his sake TO CAUSE HIM TO REPENT. This is not so, as David said, "Blessed is he who considers the poor..." (Tehilim 41:2). That SICK MAN who lies on his bed is poor. If HIS NEIGHBOR is a wise physician, the Holy One, blessed be He, blessed whoever strives for his sake.

250. HE EXPLAINS HIS WORDS, That physician "found him in a desert land," namely lying on his sickbed; "and in the waste howling wilderness," beset by illnesses. What should he do? "he led him about" (Devarim 32:10), to bring about reasons AND EXCUSES to withhold from him what is harmful to him, to let HIS BLOOD, and take out of him the evil blood; "he instructed him" - he should observe and understand the origin of the disease, and make sure the disease will not spread but diminish. Then, "he kept him as the apple of his eye" (Ibid.), so that he will be properly kept in regard to the drinks and the medicines he needs, and not get confused between them. For if he confuses even one thing AND DIES, the Holy One, blessed be He, considers that doctor as if he shed blood and killed him.

251. For the Holy One, blessed be He, wishes it that though that person is in the King's prison and is imprisoned there, UNABLE TO FREE HIMSELF, someone will make an effort for him and help him get out of jail. And he used to say: The Holy One, blessed be He above sentences the people in the world either to death, to be uprooted from the root BOTH ONE AND ONE'S CHILDREN, to be punished in property, or to be put in jail. Whoever is sentenced to a punishment regarding his property falls ill and is not healed until he pays whatever he was sentenced to. After being punished in his money and having given whatever he was sentenced to, he is healed and leaves prison. This is why one must persuade him to serve his penalty and leave prison.

252. Whoever is sentenced to uprooting, he is seized and put in prison until he is uprooted in every sense, THAT IS, UNTIL HE AND HIS CHILDREN DIE. Sometimes he is uprooted in limbs or in one of them. Whoever is sentenced to death, it so happens THAT HE DIES. And even if he gives as ransom all the money in the world, he cannot be saved.

253. A wise physician is therefore needed to make efforts for him. If he can administer bodily medicine, it is well. Otherwise, he should give him healing for his soul, and strive for healing for the soul. The Holy One, blessed be He, will strive TO BLESS such a physician in this world and in the World to Come. (UNTIL HERE THE WORDS OF THE BOOK OF THE PHYSICIAN KARTANA).

254. Rabbi Elazar said, I have never heard until now of this doctor KARTANA, and of this book, except once when a merchant told me he heard from his father that there used to be a doctor in his time, who, when he would look at a person in his bed, he would pronounce, this one shall live, that one shall die. They say about him that he was a truly righteous who feared sin. Whatever the patient had to get but could not afford, he used to buy and give of his own. They say there was none as wise in the world as he. He used to do more in his prayer than what he would do with his hands. It seems to us it is the same doctor KARTANA.

255. That merchant said, Surely his book, OF THAT DOCTOR, is in my possession. I inherited it from my father's father. All the subjects of that book were based on secrets of the Torah. I have found in it hidden mysteries and many medical instructions, OF WHICH he said one may not use unless he is sin-fearing.

256. They, THE REMEDIES WRITTEN DOWN THERE, come from what Bilaam used to do. He used to whisper incantations over the disease and utter with his mouth, and he would be instantly healed. They are all explained in that book. He said that this one is forbidden for whoever fears sin TO USE and that one is permitted TO USE. For there are many diseases, he said, which medicine derives from whispering with the mouth. Some come from the aspect of enchantment and others from the aspect of divination. He stated THERE all those it is forbidden to utter and forbidden to act. I even found what should be said in cases of certain diseases to excommunicate the diseases. This amazed us greatly.

257. Rabbi Elazar rejoiced and so did the friends. Rabbi Elazar said, If we have that book we will know what it says. And I shall deliver it, THAT IS, HE WILL GIVE A PROMISE to show it to the holy luminary, HIS FATHER RABBI SHIMON. We learned that Rabbi Elazar said, That book was in my possession twelve months, and I have found in it supernal precious mysteries. When I reached the secrets that came from Bilaam I was amazed.

258. One day I made an incantation in a certain place and the letters went up and down, until I saw him in my dream telling me, It is not your business going into a field that is not your own; you do not need it. And I woke up. It was difficult for me TO PART WITH THIS BOOK, because it contained concealed mysteries. I sent it to that Jew, Rabbi Yosi son of Rabbi Yehuda by name, and gave him that book.

259. In the secrets of Bilaam I found some of the names of the angels Balak sent to him, but they were not properly arranged. But I have found different kinds of medicines in it, IN THAT BOOK, based on the structures of the Torah and its hidden mysteries, and saw they are founded on piety, prayers and petitions to the Holy One, blessed be He. If you argue that he used to practice medicine using words of Torah or the secrets of the Torah, heaven forbid, because it is forbidden to do so. But he would speak secrets of the Torah, and based on that secret he would invent medical secrets such as I have never seen. I said, blessed is the Merciful who made people wise with celestial wisdom.

260. From the words of Bilaam I received, and saw from them that there was no one in the world as knowledgeable in witchcraft as he. I said, blessed is the Merciful, who abolished witchcraft FROM THE WORLD, so they will not mislead and remove people from fearing the Holy One, blessed be He, may His name be exalted and blessed, amen.

Blessed is Hashem forever and ever. May Hashem reign forever and ever, amen and amen.
