341. Rabbi Yehuda said: Come and behold. As RABBI YEHOShUA OF SACHNIN SAID, as long as the minister held sway over Yisrael, the cries of Yisrael were not heard. But as soon as their minister fell, it is written: "And the king of Egypt died." Immediately, "the children of Yisrael sighed by reason of their bondage, and they cried, and their beseeching rose to the Elohim" (Ibid.). BUT until that time, their beseeching was not answered.

341. אמר רבי יהודה, בא וראה שפך הוא, שכל זמן שהשר שלהם נתנה לו שררה על ישראל, לא נשמע צעקתם של ישראל, כיון שנפל השר שלהם, כתיב וימת מלך מצרים, ומיד ויאנחו בני ישראל מן העבודה ויזעקו ותעל שועתם אל האלהים. שער אותה שעה לא נענו בצעקתם.

49. Two tears into the Great Sea

Rabbi Elazar explains that when God has mercy on Yisrael, He suppresses the attribute of Judgment by dropping two tears (signifying two attributes of Judgment) into the Great Sea (signifying the Sea of Wisdom) in order to sweeten them. In this way, He turns the attribute of Justice into the attribute of Compassion.

Rabbi Yitzchak then clarifies the apparent contradiction in the verse, "Behold, Egypt marched after them," explaining that it refers to the deposed and powerless supernal minister of Egypt.

Finally, Rabbi Aba answers Rabbi Yosi's question regarding the verse, "Behold, the day of Hashem comes..." This, we're told, refers to the day on which God will Judge the heathen nations and their ministers will fall from power.

The Relevance of this Passage

This section is a living explanation of how the Light flows through the Sfirot, and that no quality of the Holy One is static, but each flows a little into and out of the others according to the actions of the Righteous in this world. So that - as it is here - Justice can be tempered with Compassion, just as Wisdom can be enhanced with understanding, as the situation merits. Thus we learn that our every deed is vital to the world and stands like a lock-keeper with his hands upon the wheel: a turn to the left, and the river of Light is shut out; a turn to right, and it pours through again in a torrent of blinding Glory that overflows its banks, quenching the parched and patient dust.

342. Rabbi Elazar said: Come and behold the compassion of the Holy One, blessed be He. When He has mercy for Yisrael, He subjugates the attribute of Judgment, lowers it, and has compassion for them. We learned that the Holy One, blessed be He, drops two tears into the Great Sea. HE ASKS: What are the two tears? Rabbi Yosi said: It is not clear. We see that one should say to a medium who obtains information through the bones of the dead that he and his words are false.

343. Rabbi Elazar said: We do not follow the Klipah of necromancy. IT IS NOT SO, RATHER the clarification of the matter is, because we learned that in the ten Sfirot of the King there are two tears to the Holy One, blessed be He, and they are two attributes of Judgment. Judgment comes from both of them, as is written: "These two things have befallen you" (Yeshayah 51:19). And when the Holy One, blessed be He, remembers His children, He lowers them to the Great Sea, the Sea of Wisdom, WHICH IS MALCHUT, to sweeten them. THEN the attribute of Judgment IN MALCHUT is changed into the attribute of Mercy and has compassion for them. Rabbi Yehuda said: There are two tears, from where the tears come, and Judgment comes.

344. Rabbi Yehuda said: It is written, "And behold, Egypt marched after them" (Shemot 14:10). And Rabbi Yosi said: This is the minister of Egypt. IT APPEARS THAT HE WAS STILL IN AUTHORITY AT THE TIME THE CHILDREN OF YISRAEL LEFT EGYPT, yet you say that, "And the king of Egypt died," (Shemot 2:23) refers to the minister of Egypt, AND THIS WAS BEFORE YISRAEL LEFT EGYPT. Rabbi Yitzchak said these words OF RABBI YOSI ARE NOT CONTRADICTIONARY, BUT EVEN maintain the above explanation of the passage, WHICH IS THAT THE KING OF EGYPT DIED. For it is written here: "And, behold, Egypt," and there, "And the king of Egypt died." This teaches that AFTER THE EXODUS FROM EGYPT, there was no king, because BEFOREHAND they had removed him from his high position. Therefore, it is written: "And, behold, Egypt" instead of, 'And, behold, the king of Egypt.' "And...died," DOES NOT MEAN THAT HE WAS NULLIFIED ALTOGETHER, ONLY THAT THEY REMOVED HIM FROM HIS HIGH POSITION AND HE COULD NO LONGER HARM, as is written: "For all the men are dead who sought your life" (Shemot 4:19). THIS MEANS THAT THEY CAN NO LONGER DO HARM; ALSO "DIED" HERE MEANS THAT HE COULD NO LONGER DO HARM BECAUSE HE HAD BEEN REMOVED FROM HIS HIGH POSITION!

345. Said Rabbi Yitzchak, said Rabbi Yehoshua: Come and behold. All the kings of Egypt were named Pharaoh, yet here it says merely that the king of Egypt DIED, AND DOES NOT SAY 'PHARAOH, THE KING OF EGYPT'. THAT IS BECAUSE WHAT IS BEING DISCUSSED IS THE MINISTER OF EGYPT, AS MENTIONED EARLIER, AND IF IT WERE WRITTEN 'Pharaoh' instead, then it would actually mean Pharaoh AND NOT THE MINISTER OF EGYPT. Come and behold: as long as there is rule over the nation above BY THE MINISTER, there is rule over the nation below. When dominion above is removed FROM THE MINISTER OF THE NATION, then dominion below is also removed.

346. Rabbi Yosi said: It is written, "Behold, the day of Hashem comes..." (Zecharyah 14:1), "but it shall one day be known as Hashem's..." (Ibid. 7). HE ASKS: And are not the rest of the days also Hashem's? Rabbi Aba said: It teaches that the other days are given over to the ministers, and that day will be of the Holy One, blessed be He, and not the ministers' in order to execute Judgment upon the heathen. On that day, all the ministers will fall from their high positions and it is therefore written: "And Hashem alone will be exalted on that day" (Yeshayah 2:17). Because on that day, the ministers will have no exaltation.

346. א"ר יוסי, כתיב הנה יום בא ליני וגו' והיה יום אחד הוא יודע ליני וגו'. וכי שאר יומין לאו אינון דיליה. אלא אמר רבי אבא, מלמד, ששאר הימים, נתנים לשרים, ואותו יום, אינו של השרים, אלא של הקודשא בריך הוא, כדי לעשות דין בעכו"ם. מפני שבאותו יום, יפלו כל השרים ממעלתם. וע"ד כתיב, ונשגב ה' לבדו ביום ההוא. שאותו יום לא יהיה מעלה לשרים.

50. Does Hashem have a sword?

Rabbi Aba and Rabbi Yitzchak discourse on the sword of God, by which He executes Justice. The verse that describes the angel of God, who stands "with a drawn sword in his hand," signifies that he was granted permission to execute Judgment. The words of the Angel of Death, "and I will reveal their place of slaughter," refer to the disclosure of the sin that is the cause of death. Finally, the verse, "And he put up his sword again into its sheath," signifies the return of the permission to execute Judgment to the Judge to whom it belongs, God.

The Relevance of this Passage

This majestic vision of power and perfect order should be studied until it remains indelibly printed in our minds and can be summoned up in times of doubt or fear, to remind us that the Lord our God is One, and, just as He holds up the arch of heaven with unerring might and reason, the unimaginable vastness of galaxies, sphere within swirling sphere, no more than a wedding-band of Light upon his finger, so he surely can govern without fault the querulous little kingdoms of our lives.

347. Rabbi Aba said: When the Holy One, blessed be He, executes Judgment upon the ministers above, it is written: "For my sword is sated in heavens" (Yeshayah 34:5). AND HE ASKS: Does Hashem have a sword? Rabbi Yitzchak said: He does have a sword, as it is written: "The sword of Hashem is full of blood" (Ibid. 6) and, "And with His sword, upon all flesh..." (Ibid. 66:16).

347. א"ר אבא, בשקודשא בריך הוא עושה דין בשרים של מעלה, מה כתיב, כי רותה בשמים חרבי. וכי חרב אית ליני. אלא אמר רבי יצחק, חרב אית ליה, דכתיב, חרב ליני מלאה דם. וכתיב ובחרבו את כל בשר.

348. Rabbi Aba said: With this sword Hashem accomplishes the Judgment that He performs, as is written: "And saw the angel of Hashem standing between the earth and the heaven, with a drawn sword in his hand" (I Divrei Hayamim 21:16). AND HE ASKS: Was there a drawn sword in the hand of the angel? AND HE ANSWERS: Rather, it means he was granted permission to execute Judgment, AND THIS PERMISSION IS TERMED "SWORD."

348. א"ר אבא, החרב הזה הוא הדין שעושה, דכתיב, וירא את מלאך ה' עומד בין הארץ ובין השמים וחרבו שלופה בידו. וכי חרב שלופה היתה ביד המלאך, אלא, שהיתה הרשות נתונה בידו לעשות דין.

349. HE RAISE A DIFFICULTY. For Rabbi Yehoshua bar Levi, said: The Angel of Death told me, 'Were it not for my consideration for the honor of creatures, I would reveal the place of slaughter (the slit in the neck) just like in an animal.' SO IT APPEARS THAT THERE IS AN ACTUAL SWORD IN THE HANDS OF THE ANGEL OF DEATH. Rabbi Aba said: Everything, MEANING WHEREVER IT IS WRITTEN "SWORD" BY THE SUPERNAL ONES, INFERS permission was granted to him to execute judgment, AND NOT THE ACTUAL USING OF A SWORD. "AND I WILL REVEAL THEIR PLACE OF SLAUGHTER," MEANS THAT HE WILL REVEAL THE CAUSE OF DEATH, MEANING THE SIN, WHICH IS LIKE A PLACE OF SLAUGHTER, WHICH IS THE CAUSE OF DEATH OF THE ANIMAL. It is written: "With his sword drawn in his hand" (Yehoshua 5:13), as permission was given to him to execute judgment. HE ASKS: If so, what is the meaning of the passage: "And he put up his sword again into its sheath" (I Divrei Hayamim 21:27)? Rabbi Aba said: IT MEANS that the Judgment was returned to the Judge, and the permission TO EXECUTE JUDGMENT WAS RETURNED to the one who possesses the permission, MEANING TO HASHEM.

349. והא אמר ריב"ל, אמר לי מלאך המות, אי לא דחייסנא ליקרא דברייתא, פרענא להו בית השחיטה, כבהמה. א"ר אבא, כלא משום דאתייהיב רשותא בידיה, למעבד גמר דינא, הה"ד, וחרבו שלופה בידו, הרשות נתונה בידו לעשות דין. אי הכי מאי וישב חרבו אל גדנה. אמר רבי אבא, שנחזר הדין לבעל הדין, והרשות למי שהרשות שלו.

51. "And the children of Yisrael sighed"

From the discourse on the title verse, we learn that this refers to the supernal children of Yisrael above. Rabbi Elazar then describes the nature of the punishment that the ministers of the other nations receive when God Judges them. We learn that they are made to pass through the River of Fire, the fire that defeats fire, where they lose their power and positions to ministers of other nations, who rule in their place.

The Relevance of this Passage

The vanity of human wishes is laid out here in this potent image showing how the mighty of this world fall: no matter who they were, it is what they were and what they did that matter in the end, when a whole lifetime will seem like a brief and troubled dream. It is an image we should use when tempted by the baubles and glittering trash with which the world rewards to serve another master. A rose has thorns, but a tempting apple does not...

350. "And the children of Yisrael sighed" (Shemot 2:23). HE ASKS: It is not written 'they sighed' with a reflexive form, WHICH WOULD SIGNIFY THAT THEY SIGHED BECAUSE OF THEIR OWN TROUBLES, but rather with a transitive form, WHICH CAN BE CONSTRUED TO MEAN THAT THEY POSSIBLY SIGHED BECAUSE OF THE TROUBLES OF OTHERS. HE ANSWERS: That is to say they sighed from above, that the sighing was from them above, MEANING THAT THE ANGELS SIGHED FOR THE CHILDREN OF YISRAEL.

350. וַיִּאֲנְחוּ בְנֵי יִשְׂרָאֵל, וַיִּתְאַנְחוּ לֹא בְּתִיב, אֲלֵא וַיִּאֲנְחוּ, בְּלֹמַר, נִתְאַנְחוּ לוֹ לְמַעַל שֶׁהָאֲנָחָה הִיא בְּשִׁבְלֵם לְמַעַל.

351. Rabbi Brachyah said: THE PASSAGE, "THE CHILDREN OF YISRAEL SIGHED" (IBID.), refers to the children of Yisrael above, MEANING THE ANGELS. THE CONCLUSION OF THE PASSAGE: "FROM THE LABOR" IS TO TEACH who are the children of Yisrael IN THIS PASSAGE. Those who are called "those who serve," mean those who are of the supernal service; NAMELY THE MINISTERING ANGELS. THEREFORE, IT IS NOT NECESSARY TO DEDUCE THIS FROM THE FACT THAT IT IS NOT WRITTEN WITH A REFLEXIVE VERB AS THE WORDS OF THE PREVIOUS PARAGRAPH. "And their cry rose up to the Elohim" TEACHES US that until that hour their cry did not rise up before Him.

351. ר' בְּרַכְיָה אָמַר, בְּנֵי יִשְׂרָאֵל דְּלַעֲיֹלָא הִוּוּ, וּמֵאֵן אֵינֻן בְּנֵי יִשְׂרָאֵל. אֵינֻן דְּאִתְקְרוּן בְּנֵי פּוֹלְחָנָא. בְּלֹמַר, אוֹתָם שְׁהֵם מִן הָעֲבוּדָה שֶׁל מַעַלָּה. וְתַעֲלִי שׁוֹעֲתָם אֶל הָאֱלֹהִים, שְׁעַד אוֹתָהּ שְׁעָה לֹא עֲלָתָה שׁוֹעֲתָם לְפָנָיו.

352. Rabbi Yitzchak said: When the Holy One, blessed be He, punishes the company of supernal ministers, NAMELY THE MINISTERING ANGELS, AND THE MINISTERS OF THE SEVENTY NATIONS, what is the nature of that punishment? Rabbi Elazar said: He has them pass through Nahar Dinur ('the river of fire'), and depose them from their positions, and appoints different ministers of the other nations. He said to him: But it is written: "The flames of fire His ministers" (Tehilim 104:4). THUS, HOW DOES THIS AFFECT THEM IF THEY PASS THROUGH THE RIVER OF FIRE? He said to him: There is fire that is stronger than fire, and there is fire that rejects fire. THEREFORE, EVEN THOUGH THEY ARE OF FIRE, THE FIRE OF THE RIVER OF FIRE IS STRONGER. AND THERE, PUNISHMENT IS DONE TO THE FIERY ANGELS.

352. א"ר יִצְחָק בַּר עֲבִיד קוּדְשָׁא בְּרִיךְ הוּא דִּינָא בְּפַמְלֵיָא שֶׁל מַעַלָּה, הֵהוּא דִּינָא מֵאֵי הוּי. אָמַר רַבִּי אֶלְעָזָר, מַעֲבָר לְהוּ בְּהוּא נְהַר דִּינֹור, וְאֶעֱבַר לוֹן מְשׁוֹלְטֵינְהוֹן, וּמְנֵי שׁוֹלְטֵינִין אַחֲרֵינִין דְּשָׂאֵר עֲמִין. א"ל וְהָא בְּתִיב מְשָׂרְתֵינוּ אֵשׁ לוֹהֵט. א"ל, אֵיט אֲשָׂא קְשִׂיא מֵאֲשָׂא, וְאֵיט אֲשָׂא דְּדַחֲיָא אֲשָׂא.

52. A sigh, a cry, a wail

Rabbi Yitzchak discusses the distinction between a sigh, a cry and a wail. We learn that crying involves words, while wailing is crying without words. Because it comes from the heart, prayer with wailing is the most powerful form of prayer. Rabbi Brachyah gives the example of Samuel, who "wailed to Hashem all night" because this form of prayer allows the closest access to God. The intensity of this silent expression of prayer and sorrow is such that it can effect a change in the decreed Judgment for the individual, since wailing dominates the aspect of Justice in this world and the world to come.

The Relevance of this Passage

This section picks up again the theme of inner music, of sound and vibration, and should be read before plunging deeply into prayer that exceeds the boundaries of words and instead amplifies the pure chord of a yearning soul until it swoops outward as the music of humanity and its waves wash up against the Throne upon which the Great King sits listening. For each wave that reaches Him, two more will be returned mingled within the echoing waters that break into a surf of Light over the heart of he or she who prays sincerely, seeking only to give and not receive.

A reading of this section broadens our understanding of various forms of prayer and stimulates us to express our most true and unutterable emotions. The outward expression of our spiritual emotions is a powerful tool that brings us into a closer connection with the Eternal.

353. Rabbi Yitzchak said: There are three subjects here: a sigh, a cry, a wail, and each one is different from the other. THEY ARE NOT SIMILAR TO EACH OTHER. "Sigh" as is written, "And the children of Yisrael sighed" (Shemot 2:23); "wail" as written, "And they wailed" (Ibid.); and "cry" as is written, "And their cry went up to Hashem." Each one is explained individually, and the children of Yisrael did all of them. Rabbi Yehuda said: The children of Yisrael did cry and wail, but they did not sigh! This is implied from what is written: "And they sighed," INSTEAD OF USING THE REFLEXIVE VERB, as there was sighing for them from above.

354. HE ASKS: How are wailing and crying different? Rabbi Yitzchak said: There is no crying, except in prayer! As written: "Hear my prayer, Hashem, and give ear to my cry," (Tehilim 39:13) AND SO, "But to you have I cried, Hashem" (Tehilim 88:14) and, "I cried to you and you have healed me" (Tehilim 30:3). SO WE SEE THAT "CRY" MEANS WORDS OF PRAYER, and "wailing" means wailing without saying anything, MEANING WITHOUT WORDS. Rabbi Yehuda said: Wailing is therefore greater than all of them, because wailing is in the heart. This is written: "Their heart wailed to Adonai" (Eichah 2:18). Wailing and crying out in prayer are closer to the Holy One, blessed be He, than prayer and sighing, for it is written: "And they wail to me, I will surely hear their wail!" (Shemot 22:22).

355. Rabbi Brachyah said: The Holy One, blessed be He, said to Shmuel, "I regret that I have set up Saul to be king" (II Shmuel 15:11). It is written: "It grieved Shmuel, and he wailed to Hashem all night" (Ibid.). He forsook everything, MEANING SIGHING AND CRYING, and took to bewailing because it is closer to the Holy One, blessed be He, than all of them. This is what is written: "And now, behold the wail of the children of Yisrael have come before Me" (Shemot 3:9).

356. The sages taught that it is considered a complete prayer in the heart when one prays and weeps and wails until he can no longer move his lips. It never returns empty, but rather is accepted. Rabbi Yehuda said: Wailing has great value, for it tears the decreed Judgment of a person from all his days.

357. Rabbi Yitzchak said: Wailing is of great value for it has power over the attribute of judgment above. Rabbi Yosi said: Wailing is of great value for it has power in this world and in the World to Come. Because of wailing, a person acquires this world and the World to Come, as is written: "They wailed to Hashem in their distress. He delivered them from their afflictions" (Tehilim 107:6).

353. אָמַר רַבִּי יִצְחָק, תִּלְתַּת עֲנִינֵי הֵכָא: אֲנָחָה, שׁוֹעָה, צַעֲקָה. וְכֹל חֵד מִתַּפְרָשָׁא מֵאַחֲרָא. אֲנָחָה: כְּתִיב, וַיֵּאָנְחוּ בְּנֵי יִשְׂרָאֵל. צַעֲקָה: דְּכִתְיִב, וַיִּצְעֲקוּ. שׁוֹעָה: דְּכִתְיִב, וַתַּעַל שׁוֹעַתְתֶּם. וְכֹל חֵד בְּלַחְדוּי מִתַּפְרָשָׁא, וְכִלְהוּ עֲבָדוּ יִשְׂרָאֵל. אָמַר רַבִּי יְהוּדָה, צַעֲקָה וְשׁוֹעָה עֲבָדוּ, אֲנָחָה לֹא עֲבָדוּ, מִשְׁמַע מִדְּכִתְיִב וַיֵּאָנְחוּ וְלִמְעַלָּה הֵיטָה הָאֲנָחָה בְּשִׁבְלֵם.

53. "My beloved is mine, and I am his: he feeds among the roses"

Rabbi Shimon first discourses on the creation of the upper and lower worlds. He explains that God created both worlds at the same moment by one thought. He chose the angels to be His servants in the upper realm and He chose Yisrael to be His children in the lower realm. In the title verse, "My beloved is mine, and I am His," signifies the reciprocation of this filial relationship between God and Yisrael.

Rabbi Shimon then interprets the symbolic meaning of, "He feeds among the roses." This, we're told, signifies that God leads this world from the attribute of Judgment, alluded to by the red color of the rose, to the attribute of Mercy, alluded to by the white color of the nectar. Rabbi Aba then expounds upon the spiritual significance of the scent of the rose, and explaining that this is why we smell the myrtle at the end of Shabbat.

Another explanation of the title verse interprets it as an allusion to the sinner, who is called 'red', who puts a sacrificial offering into the fire, which is also red, and then sprinkles the blood around the altar. The white smoke that rises from the burnt offering alludes to the conversion of the attribute

of Justice into the attribute of Compassion. The burning of incense involves the same principle, since both the offering and the scent of the offering is red and white. Rabbi Yosi then explains that this also applies to the individual, who must offer red and white in order to obtain atonement. Since the destruction of the Temple, man must sacrifice his own fat (white) and blood (red) by fasting. The fasting causes the body to weaken and burn, symbolizing the sacrificial fire, and the scent that rises from his mouth is then an altar of atonement.

The section concludes with alternative explanations of the title verse, one of which points out that just as roses could not exist without thorns, the Righteous would not be recognizable without the wicked.

The Relevance of this Passage

This section is of tremendous importance, for all of its component parts are concerned with the subject that is only raised directly at the end: the question of the nature and purpose of evil in the world. This is one of the most profound issues in all of the Zohar, and is not as easily grasped as one might think at first. We must give its metaphors and analogies space to grow, to expand and reveal themselves fully; for although day may seem like the opposite of night, darkness is not the opposite of Light in reality, but rather the absence of Light - and an absence is not a true quality. We must thus be careful in equating evil with good, for it is incorrect to think of the situation as if it were two mighty and opposed empires. The Lord our God is One: He has no rivals or contenders for the Throne. And if we were truly aware of who it is we harm when we harm another, it would not be possible to inflict that harm. The question of whether evil is ever consciously performed, or whether it is just what happens in the absence of good, is far too complex to own a simple straightforward answer. Indeed, it is bound up within the mysteries of Creation and duality themselves. And the Zohar rarely deals with simple questions, which is why its circling, echoing debates often require the reader to partake, with the rabbis, of the very thought-processes themselves that sometimes lead to answers or conclusions too deep for words - yet nonetheless accessible to a mind sufficiently stilled to become a mirror for the heart. For those who desire it diligently enough, the Zohar can teach us how to think with the heart, and how to feel with the mind. It is a process sometimes referred to as transmuting base metals into gold. Bear in mind, though, that no one would want a heart of gold, since it is a light heart that lives long. Although they often punch the very envelope of the mind's ability to understand, and to understand itself - so that which sees can see itself - the rabbis always manage to enjoy themselves as well. They laugh as often as they weep. So should we.

358. "Now Moses kept the flock of Yitro his father-in-law, the priest of Midyan" (Shemot 3:1). Rabbi Shimon opened the discussion, saying: "My Beloved is mine, and I am His: He feeds among the roses" (Shir Hashirm 2:16). Rabbi Shimon said: Woe to people who do not pay attention and do not know that all the worlds arose in one thought at the moment it arose in thought before Hashem to create His world. And with this thought were they all created, as it is written: "In wisdom have You made them all" (Tehilim 104:24). And with this thought, which is wisdom, this world and the world above were created.

358. וּמֹשֶׁה הָיָה רֹעֵה אֶת צֹאן יִתְרוֹ חוֹתְנוֹ בְּהַן מִדְיָן. רַבִּי שִׁמְעוֹן פָּתַח, הוֹדִי לִי וְאֲנִי לוֹ הַרְוֵעָה בְּשׁוֹשְׁנִים. אַר"ש, אוֹי לָהֶם לְבָרִית, שְׂאִינָם מְשֻׁגָּחִים וְאִינָם יוֹדְעִים, בְּשַׁעַת שְׁעָלָה בְּמַחְשְׁבָה לְפָנֵי הַקְּדוֹשׁ ב"ה, לְבְרֹא עוֹלָמוֹ, כָּל הָעוֹלָמוֹת עָלוּ בְּמַחְשְׁבָה אַחַת, וּבְמַחְשְׁבָה זוֹ נִבְרָאוּ כּוֹלָם, הַה"ד, כָּלָם בְּחֻכְמָה עֲשִׂית. וּבְמַחְשְׁבָה זוֹ, שְׁהִיא הַחֻכְמָה, נִבְרָא הָעוֹלָם הַזֶּה, וְהָעוֹלָם שֶׁל מַעְלָה.

359. He stretched out His right hand and created the world above, WHICH IS ZEIR ANPIN. He stretched out His left hand and created this world, WHICH IS MALCHUT. This is what is written: "My hands have also laid the foundation of the earth," WHICH IS MALCHUT, "and my right hand has spanned the heavens," WHICH IS ZEIR ANPIN. "When I call to them, they stand up together" (Yeshayah 48:13). All of them were created in a moment, and He made this world corresponding to the world above. The model of all that is above EMERGED below, FOR THERE IS NOTHING BELOW THAT HAS NO ROOT IN THE HIGHER WORLDS. The sea is the model of all that there is below ON THE EARTH, and it is all one. He created angels in the higher worlds. He created people in this world. He created a Livyatan in the sea, as is written: "To couple the tent together, that it might be one" (Shemot 36:18).

359. נָטָה יְמִינוֹ, וּבְרָא הָעוֹלָם שֶׁל מַעְלָה. נָטָה שְׂמָאלוֹ, וּבְרָא הָעוֹלָם הַזֶּה, הַה"ד, אֶף יָדֵי יִסְדָּה אַרְץ וְיְמִינוֹ טַפְחָה שָׁמַיִם. קוֹרָא אֲנִי אֵלֵיהֶם יַעֲמְדוּ יַחְדָּו. וְכָלָם בְּרַגַע אַחַת נִבְרָאוּ, וְעָשָׂה הָעוֹלָם הַזֶּה, כְּנֶגֶד הָעוֹלָם שֶׁל מַעְלָה. וְכָל מָה שֵׁיֵשׁ לְמַעְלָה, כְּדוֹגְמָתוֹ לְמַטָּה. וְכָל מָה שֵׁיֵשׁ לְמַטָּה, כְּדוֹגְמָתוֹ בָּיִם. וְהִכָּל אַחַד. בְּרָא בְּעֵלְיוֹנִים הַמְּלֹאכִים, בְּרָא בַּעוֹה"ז בְּנֵי אָדָם, בְּרָא בָּיִם לוֹיִתָן, כַּד"א לְחַבֵּר אֶת הָאֵהָל לְהִיּוֹת אַחַד.

360. It is written about Adam: "For in the image of Elohim made He man" (Beresheet 9:6), and: "Yet You have made him a little lower than the angels" (Tehilim 8:5). If people are so precious with their actions yet they perish from the dust of the well, MEANING THEY PERISH THROUGH THE KLIPOT THAT CLING TO THE DUST OF MALCHUT, WHICH IS CALLED 'WELL', how can they come to draw SUSTENANCE from the well? And He chose those above, THE ANGELS, and He chose the children of Yisrael. He did not call those above children, but those below He did call 'children'. This is what is written: "You are the children of Hashem your Elohim" (Devarim 14:1). He called them children and they called Him Father, as is written: "For You are our Father" (Yeshayah 63:16), and also: "My Beloved is mine, and I am His" (Shir Hashirm 2:16). He chose me and I chose Him.

360. כְּתִיב בְּאָדָם, כִּי בְּצַלְם אֱלֹהִים עָשָׂה אֶת הָאָדָם. וְכְתִיב, וַתַּחֲסְרֵהוּ מֵעֵט מַאֲלָהִים. אִי בְּנֵי נֶשְׂאָ יִקְרִין בְּעוֹבְדוֹי כָּל הָאֵי, וְאִינּוֹן מִתְאַבְדִּין מֵעַמֵּר דְּבִירָא, בְּמָה אֲתִיין לְשֹׂאבָא מְנִיָּה. וּבַחֵר בְּעֵלְיוֹנִים, וּבַחֵר בְּיִשְׂרָאֵל, לְעֵלְיוֹנִים לֹא קָרָא בָּנִים, לְתַתְּחוּנִים קָרָא בָּנִים. הַה"ד בָּנִים אֲתָם לֵה' אֱלֹהֵיכֶם. הוּא קָרָא לָהֶם בָּנִים, וְהֵם קָרָאוּ לוֹ אָב, דְּכְתִיב כִּי אֲתָה אָבִינוּ. וְכְתִיב הוֹדִי לִי וְאֲנִי לוֹ. הוּא בָּחַר בִּי, וְאֲנִי בַחֲרֵתִי בּוּ.

361. "He feeds among the roses". He grazes among the roses even though the thorns surround them, MEANING THE KLIPOT, and no other can feed among the roses as He. Another explanation of, "He feeds among the roses," is that as the rose is red and the nectar THAT IS SUCKED FROM IT is white, so the Holy One, blessed be He, leads His world from the attribute of Judgment, ALLUDED TO BY THE RED, to the attribute of Mercy, WHICH IS ALLUDED TO IN THE COLOR WHITE. As it is written: "Though your sins be like scarlet, they shall be white as snow" (Yeshayah 1:18).

362. Rabbi Aba was traveling on the road with Rabbi Yitzchak. They came upon some roses. Rabbi Aba took one ROSE in his hands and continued walking. Rabbi Yosi met them and said: It is certain that the Shechinah is here. I see a rose in the hands of Rabbi Aba AND THAT HE IS to learn FROM IT much wisdom, because I know he took it only to teach that wisdom.

363. Rabbi Aba said: Sit, my son, sit. They sat down. Rabbi Aba smelled that rose. He said the world is definitely maintained only by the scent. FOR IT IS THE SECRET OF THE MOCHIN OF THE ILLUMINATION OF CHOCHMAH THAT RADIATE FROM BELOW UPWARDS, AS DOES SCENT. Because I see that the soul is maintained only through the scent, therefore we smell the myrtle at the end of Shabbat IN ORDER TO DRAW THE MOCHIN OF THE ILLUMINATION OF CHOCHMAH, WHICH IS THE SECRET OF ITS SCENT, AS ALREADY MENTIONED.

364. He opened the discussion, saying: "My beloved is Mine, and I am His, He feeds among the roses" (Shir Hashirm 2:16), MEANING that my Beloved is mine and I am His, because He leads His world with roses. The rose has a scent and it is red, yet squeeze it and it turns white. But its scent never leaves, and the Holy One, blessed be He, does lead his world in this way, for otherwise the world would not exist, because of the sinner. And the sinner is called 'red', as written: "Through your sins be like scarlet, they shall be white as snow" (Yeshayah 1:18). SIMILARLY, THE SINNER makes his offering to fire, which is red, then sprinkles the blood, which is red, around the altar. So it is for the attribute of Justice, WHICH IS ALLUDED TO IN red. Squeeze it, MEANING WHEN THE OFFERING IS BURNED ON THE ALTAR, and the smoke rises all white. Then the red turns into white, WHICH INDICATES THAT the attribute of Justice turns into the attribute of Compassion.

361. הָרוּעָה בְּשׁוֹשָׁנִים, הוּא רוּעָה בְּשׁוֹשָׁנִים, אַע"פּ שֶׁהַקּוֹצִים סָבִיב לָהֶם, וְאִין אַחַר יְכוּל לְרַעוּת בְּשׁוֹשָׁנִים כְּמוֹתוֹ. ד"א הָרוּעָה בְּשׁוֹשָׁנִים, מֵה שׁוֹשֵׁן זֶה הוּא אָדוּם, וּמִימֵיו לְבָנִים, כִּן הַקּוֹדֶשׁא בְּרִיךְ הוּא, מְנַהֵיג עוֹלָמוֹ, מִמֵּה"ד לִמֵּה"ר. וְכָתִיב אִם יִהְיוּ חֲטָאֵיכֶם כְּשָׁנִים בְּשִׁלְג יִלְבִּינוּ.

364. פִּתַּח וְאָמַר דּוּדֵי לִי וְאִנִּי לוֹ הָרוּעָה בְּשׁוֹשָׁנִים. מִי גֵרַם לִי, שְׂאֵנִי לְדוּדֵי וְדוּדֵי לִי, מִפְּנֵי שֶׁהוּא מְנַהֵיג עוֹלָמוֹ בְּשׁוֹשָׁנִים. מֵה שׁוֹשֵׁן יֵשׁ בּוֹ רִיחַ, וְהוּא אָדוּם, מוֹצֵקִין אוֹתוֹ, וְהוּא מִתְהַפֵּךְ לְלָבָן, וְלְעוֹלָם רִיחוֹ לָא זָז. כִּן הַקּוֹדֶשׁא בְּרִיךְ הוּא, מְנַהֵיג עוֹלָמוֹ בְּדֶרֶךְ זֶה, שְׂאֵלְמֵלָא כִּן לָא יִתְקַיֵּים הָעוֹלָם בְּשִׁבִיל הָאָדָם הַחוּטָא. וְהַחוּטָא נִקְרָא אָדוּם, כְּמֵה דְאֵת אָמַר, אִם יִהְיוּ חֲטָאֵיכֶם כְּשָׁנִים בְּשִׁלְג יִלְבִּינוּ, מִקְרִיב קֶרְבָּנוּ לְאֵשׁ שֶׁהוּא אָדוּם. זוֹרֵק הָדָם, סָבִיב לְמוֹזַבַּח שֶׁהוּא אָדוּם. מֵדַת הָדִין אָדוּם, מוֹצֵקִין אוֹתוֹ, וְעוֹלָה הָעֵשֶׂן כְּלוֹ לָבָן, וְאִזּוּ הָאָדוּם נִהַפֵּךְ לְלָבָן, נִהַפֵּךְ מֵדַת הָדִין לְמֵדַת הַרְחָמִים.

365. Come and behold: the attribute of Judgment needs its scent only from the red part, BECAUSE THE SCENT, WHICH IS THE SECRET OF THE RADIANCE OF CHOCHMAH, IS NOT DRAWN FROM THE WHITE PART - WHICH IS THE RIGHT COLUMN WHICH IS ENTIRELY CHASSADIM - BUT RATHER FROM THE RED PART, WHICH IS THE LEFT COLUMN, FROM WHICH SOURCE IS CHOCHMAH. And Rabbi Yehuda said that it is written: "And they cut themselves according to their fashion with swords and lances till the blood gushed out upon them" (I Melachim 18:28), but they knew that they would not get from the attribute of judgment, WHICH IS MALCHUT, what they wanted - NAMELY, TO DRAW THE CHOCHMAH FROM ABOVE TO BELOW, WHICH ALL IDOL WORSHIPERS WANT - except with red - MEANING THROUGH THE LEFT COLUMN, WHICH IS RED. AND THEY THEREFORE CUT THEMSELVES WITH SWORDS UNTIL BLOOD GUSHED OVER THEM, IN ORDER TO ATTRACT THE RED.

366. Rabbi Yitzchak said: moreover, red and white, WHICH ARE LEFT AND RIGHT, are always close and the scent arises from them both. This is BECAUSE THE CHOCHMAH, WHICH IS IN THE LEFT, IS NOT ABLE TO ILLUMINATE WITHOUT BEING CLOTHED WITH THE LIGHT OF CHASSADIM, THAT IS IN THE RIGHT. AND THEREFORE, as the rose is red and white, so is the scent of the offering and the offering ITSELF is of red and white. Come and behold: from the scent of the incense, some of the spices are red and some are white; namely, the frankincense is white, pure myrrh is red, and the scent rises from red and white. Therefore, He leads His world in roses, which are red and white. And it is written: "To offer Me the fat and the blood" (Yechezkel 44:15). THE FAT IS WHITE AND THE BLOOD IS RED.

367. Correspondingly, a person who offers his fat and blood is granted atonement, for the one is red and the other is white. Just as the rose, which is red and white, is not cast to turn completely white, save in fire, similarly the offering is not cast so as to turn it completely white, except in fire. Now one who fasts and offers his fat and blood does not get thin so as to turn completely white, save in fire. For Rabbi Yitzchak said, through the fasting of man, his limbs become weakened and the fire gains control over him, and at that time he must offer his fat and blood in that fire, and that is called 'the Altar of Atonement'.

368. This is what Rabbi Elazar would pray and say when he fasted: It is revealed and known before You, Hashem, my Elohim and the Elohim of my fathers, that I have offered up before You my fat and blood, and I have seethed them with the heat of the weakness of my body. May it be Your will that the scent that rises from my mouth at this moment shall be as the scent that rises from an offering in the fire of the altar, and You shall favor me.

365. ותא חזי, כל מדה"ד, אין צריך הריח שלו, אלא מצד אדם. והיינו דאמר רבי יהודה, מה דכתיב, ויתגודרו כמשפטם וגו' עד שפך דם עליהם. אלא היו יודעים, שלא ישיגו ממדת הדין כרצונם, זולתי באדם.

366. אמר רבי יצחק, ועוד, אדם ולבן נקרב לעולם, והריח עולה משתייהן. מה השושן אדם ולבן, כן ריח הקרבן. והקרבן, מאדם ולבן. בא וראה מריח הקטורת, שהשמנים, מהם אדומים, ומהם לבנים, כגון הלבונה, שהוא לבן, מר דרור אדם, והריח עולה מאדם ולבן. וע"כ מנהיג עולמו בשושנים, שהוא אדם ולבן. וכתיב להקריב לי חלב ודם.

367. כנגד זה, אדם מקריב חלבו ודמו, ומתכפר לו זה אדם, וזה לבן. מה השושן שהוא אדם והוא לבן, אין מוצקין אותו לחזור כלו לבן, אלא באש. כן הקרבן אין מוצקין אותו לחזור כלו לבן, אלא באש. עכשיו, מי שיושב בתעניתו, ומקריב חלבו ודמו, אינו נצמק לחזור כלו לבן, אלא באש. דארי, מתוך תעניתו של אדם, מחלישין אבריו, וגובר עליו האש, ובאותה שעה, צריך להקריב חלבו ודמו באותו האש, והוא הנקרא מזבח כפרה.

368. והיינו דרבי אלעזר, כד הוה יתיב בתעניתא, הוה מצלי ואמר, גלוי וידוע לפניך ה' אלהי ואלהי אבותי, שהקרבתני לפניך חלבי ודמי, והרתחתני אותם בחמימות חולשת גופי, יהי רצון מלפניך, שיהא הריח העולה מפי בשעה זו, כריח העולה מהקרבן באש המזבח, ותרצני.

369. So we find that a person offers in his fasting the fat and blood, and the scent that rises from his mouth is an altar of atonement. Therefore, they instituted prayer in place of the offering, with the stipulation that one should intend that which we said. Rabbi Yitzchak said: From here and further it is written, "Everything that passes through the fire, you shall make it go through fire, and it shall be clean" (Bemidbar 31:23), MEANING THAT THROUGH THE FIRE IT HAS BEEN RETURNED TO BE ENTIRELY WHITE. Rabbi Yosi said: When the Temple was in existence, a person would offer his sacrifices in this manner, IN THE SECRET OF THE RED AND WHITE AND THE SCENT THAT RISES FROM THEM, AND ITS RETURN TO WHITENESS THROUGH THE FIRE, AS EXPLAINED. And he is granted atonement. Now, the prayer of a person atones for him in place of the offering in that way, OF THE INTENTION CONCERNING THE OFFERING.

370. Another explanation OF THE PASSAGE: "My Beloved is mine, and I am His: He feeds among the roses" (Shir Hashirm 2:16). Just as the roses have thorns prevalent among them, the Holy One, blessed be He, conducts His world with righteous and wicked people. Just as the roses could not exist without the thorns, the righteous would not be recognizable were it not for the wicked. For Rabbi Yehuda said: How are the righteous recognized? Because there are wicked people. Another explanation: "He feeds among the roses," He leads his world in six years. BECAUSE THE WORD "SHOSHANIM" ('ROSES') IS COMPOSED OF THE LETTERS SHESH-SHANIM (SIX YEARS), and the seventh is Shabbat to Hashem. Another explanation: "Among the roses," MEANS by those who study the Torah, BECAUSE "SHOSHANIM" HAS THE SAME DERIVATION AS SHONEH ('TO STUDY').

369. נִמְצָא, שְׁאֵדָם הוּא מְקָרִיב בְּתַעֲנִיתוֹ הַחֵלֶב וְהַדָּם, וְהָרִיחַ שְׁעוֹלָה מִפִּי, הוּא מִזְבַּח כְּפָרָה, וְלִפְיֶיךָ תִּקְנוּ הַתְּמִלָּה בְּמִקוֹם הַקְּרִבָּן, וּבִלְבָד שְׂוִתְכוּיִן לְמָה דְאִמְרָן. אָמַר רַבִּי יִצְחָק, מִכָּאֵן וְלִהְלָאָה כְּתִיב, כֹּל דְּבַר אֲשֶׁר יָבֹא בְּאֵשׁ תַּעֲבִירוּ בְּאֵשׁ וְטָהַר. אָמַר רַבִּי יוֹסִי, כְּשֶׁהָיָה בֵּית הַמִּקְדָּשׁ קָיָם, אָדָם מְקָרִיב קֶרְבָּנוּ בְּעֵינֵי זֶה, וּמִתְכַּפֵּר לוֹ. עֲבָשׂוּ, תְּמִלְתּוֹ שֶׁל אָדָם מִכְּפָר לוֹ בְּמִקוֹם הַקְּרִבָּן, כִּי הָאֵי גּוֹנָא.

370. דְּבַר אַחֵר, יוֹדֵי לִי וְאֲנִי לוֹ הֲרוּעָה בְּשׁוֹשָׁנִים. מָה הַשׁוֹשָׁנִים קוֹצִין מִצּוּיִן בְּתוֹכָם, אֵף הַקְּרוֹשׁ בְּרוּךְ הוּא, מְנַהֵיג עוֹלָמוֹ בְּצַדִּיקִים וְרָשָׁעִים. מָה הַשׁוֹשָׁנִים, אֲלֵמָלָא הַקּוֹצִים, אֵין הַשׁוֹשָׁנִים מִתְקִימִין. כֵּן אֲלֵמָלָא הַרָשָׁעִים, אֵין הַצַּדִּיקִים נִיבְרִים. דְאִמַר רַבִּי יְהוּדָה, בְּמָה הַצַּדִּיקִים נִיבְרִים, מִתּוֹךְ שֵׁשׁ רָשָׁעִים, דְאֵלְמָלָא רָשָׁעִים אֵין הַצַּדִּיקִים נִיבְרִים. ד"א הֲרוּעָה בְּשׁוֹשָׁנִים, הִמְנַהֵיג עוֹלָמוֹ בְּשֵׁשׁ שָׁנִים, וְהַשְּׁבִיעִית שַׁבַּת לָהּ. ד"א בְּשׁוֹשָׁנִים, בְּאוֹתָם שְׁשׁוֹנִים בְּתוֹרָה.

54. "Now Moses kept the flock"

Rabbi Chiya begins the discourse on the title verse by explaining that as a worthy shepherd guides his flock to good pastures and treats them tenderly, God guides His children on the straight and righteous path. We learn that God saw that Moses was a wise and considerate shepherd over Yitro's flock and He knew that Moses would lead Yisrael with these same qualities. Therefore, God made him king over all of Yisrael. Rabbi Yehuda then expounds upon the qualities and benefits of a good leader of Yisrael.

Rabbi Yosi follows this discussion with a discourse on Moses' journey to Mount Sinai. We learn that both Moses and the mountain were prepared for each other from the time of Creation. As soon as Moses saw it, he knew it was the mountain of God and he was drawn to it. He saw birds flying from the mountain and falling at his feet, and interpreting this sign, he led Yisrael "far away into the desert," and ascended the Mountain alone. From this, there follows a discussion of the fiery flame in which God appeared to Moses. We learn that this flame represents Judgment, since the flame appeared at the time of Minchah. In their discussion, the Rabbis also explain that because the evening is a time of Judgment and the morning is a time of Mercy, it is proper to eat bread in the morning and meat at night.

The Relevance of this Passage

This section too is of immense importance, outlining for us the pivotal moment in human history that is also the turning point in every human life. Like the previous passage, this one is not susceptible to simple exposition, either. Would man have stood face to face with God, talking with him "like a friend" and receiving the Law, if there had been no Moses? Are the Ten Suggestions for a decent life in a righteous society 'natural law'?

Does every person instinctively know right from wrong? Or is this knowledge earned through suffering?

Why does God seem to require suffering from those He befriends? Why does Moses require the counsel of Yitro? Why does he allow Aaron to construct the golden calf? What does this signify? Why does Moses have to veil his face from the people? What is the meaning of the 'cloudy pillar' or 'pillar of cloud' in which God appears? Why do we need to know every last detail and measurement of the Ark? Is this section analogous to the building of Solomon's Temple? If so, why the special significance of a craftsman who specializes in bronze-casting in both accounts? And what relevance can all this have for us now? These are the kinds of questions that will be posed and handled, often recurring, throughout the many, many pages ahead, until an answer has been delivered to head, heart, or soul, or all three.

What is most relevant here is that we are witnessing the blueprint for a righteous society on the drawing board, and will learn that without righteousness there is no world, indeed no Creation. For it sometimes appears that the Creation exists so that we can learn to be righteous in it; and it is sustained solely by righteousness. By righteousness, too, will we see God, Who is a hidden treasure waiting to be found, and wanting to be found - since for this did He make the universe. There should be a sense of awe in the reader, at this stage, knowing that he or she is about to discover, not just life's secrets, but God's very own secrets. If the Torah is the key, then the Zohar is the lock in which it turns.

371. "Now Moses kept the flock of Yitro his father-in-law, the priest of Midyan" (Shemot 3:1). Rabbi Chiya opened the discussion, saying: "A Psalm of David, Hashem is my shepherd; I shall not want" (Tehilim 23:1). "Hashem is my shepherd," means "the shepherd of mine." In the same way that a shepherd leads his sheep and brings them to a good pasture, to a fat pasture, to a place of a stream of water, He straightens their path with righteousness and Justice. Also of the Holy One, blessed be He, it is written, "He makes me to lie down in green pastures, he leads me beside the still waters. He restores my soul."

372. Rabbi Yosi said: The way of the shepherd is to lead his flock with righteousness, to distance them from stealing, to lead them on a plain, and at all times the rod is in his hand so that they do not turn off right or left. So does the Holy One, blessed be He, do. He herds Yisrael, leading them on a plain, with the rod constantly in His hand, so they will not turn right or left.

373. Another explanation of: "Now Moses kept the flock." Rabbi Yosi said: Know that as long as the shepherd is skillful in managing his sheep, he is ready to accept the yoke of the Kingdom of Heaven. If the shepherd is a simpleton, it is said of him: "There is more hope of a fool than of him" (Mishlei 26:12).

374. Rabbi Yehuda said: Moses was wise and knowledgeable in leading his flock. Come and behold: we learn this from David, "And he is tending the sheep" (I Shmuel 16:11), which teaches us that he was very wise and tended his sheep properly and appropriately. The Holy One, blessed be He, therefore made him king over all of Yisrael. And why sheep and not cows? Because the children of Yisrael are named sheep, as written: "But you my flock, the flock of my pasture, are men" (Yechezkel 34:31), and, "Like the flock of sacrifices, like the flock of Jerusalem" (Yechezkel 36:38).

375. As one attains life in the World to Come due to the sheep, when they are offered upon the altar, he who leads the children of Yisrael properly attains due to them life in the World to Come. Furthermore, he who herds the sheep takes the lambs to his bosom when the ewes give birth, so that they will not tire and be fatigued, and the shepherd carries the LAMBS after their mothers, and pities them. So should the leader of the children of Yisrael lead them mercifully and without cruelty. And thus did Moses say, "That You should say to me, 'Carry them in your bosom'" (Bemidbar 11:12).

371. וּמֹשֶׁה הָיָה רוֹעֵה אֶת צֹאן יִתְרוֹ חוֹתְנוֹ בְּהַן מְדִיָּן. רַבִּי חֵיָּיא פִּתַּח וְאָמַר, מִזְמוֹר לְדָוִד יְיָ רוֹעֵי לֹא אֲחָסֵר. כְּלוּמַר, יְיָ רוֹעֵי: יְיָ הַרוֹעֵה שְׁלִי. מֵהַ הַרוֹעֵה מְנַהֵיג אֶת הַצֹּאן, וּמוֹלִיכֵם לְמַרְעָה טוֹב, לְמַרְעָה שְׁמֹן, בְּמִקּוֹם נַחְלֵי מַיִם, מִיִּשְׁרָה הַלֵּיכָתָן בְּצֶדֶק וּבְמִשְׁפָּט. אִף הַקָּדוֹשׁ בְּרוּךְ הוּא, כְּתִיב בְּנֵאוֹת דָּשָׁא יִרְבִּיצֵנִי עַל מַי מְנַחֹחֹת יִנְהַלְנִי נִפְשִׁי יִשׁוּבֵב.

376. As a good shepherd saves the sheep from the wolves and lions, the leader of Yisrael, if he is good, saves them from the heathen and the Judgment of below and of above, and guides them into the life of the World to Come. Moses was such a Faithful shepherd, and the Holy One, blessed be He, saw that he was worthy of shepherding Yisrael, using the same principles that he used to tend to the sheep, the lambs according to their needs and to the females according to their needs.

377. It is therefore written: "Now Moses kept the flock of Yitro his father-in-law" (Shemot 3:1) and not his own. Rabbi Yosi said: As he gave Moses his daughter Tziporah to wife, did he not give him cows and sheep, for Yitro was rich? But Moses did not tend to his own sheep, lest one would say that since his flock was with him, he tended to them well. Therefore, it says, "The flock of Yitro his father-in-law" and not his own. "The priest of Midyan": Rabbi Tanchum said: Though he was an idolater, since he was kind by him, he tended to his flock properly, in a good, fatty and rich pasture.

378. "And he led the flock far away into the desert" (Ibid.). Rabbi Yosi said: Since the day that Moses was born, the Holy Spirit did not move away from him. He saw through the Holy Spirit that that desert was holy, and prepared to receive upon it the yoke of heavenly kingdom. What did he do? He led the flock to the desert. Rabbi Yitzchak said: "Far away (lit. 'after') the desert" and not in the desert, for he did not want them to come into it but led them away from the desert.

379. "And came to the mountain of the Elohim to Horeb" (Shemot 3:1). He alone CAME without the sheep. Rabbi Yitzchak said: There is a stone that draws and receives metal, and THE METAL jumps on it when it sees it. So with Moses and mount Sinai: when they appeared to each other he jumped on it. This is what is written: "And he came to the mountain of Elohim to Horeb."

380. Rabbi Aba said: They were designated from the six days of Creation, the one together with the other. On that day, the mountain quaked before Moses. When he saw him entering it and jumping upon it, the mountain quieted. This teaches us that they were happy with each other.

376. מֵה הָרוּעָה אֶת הַצֹּאן, בְּשֶׁהוּא רוּעָה טוֹב, מִצִּיל אֶת הַצֹּאן מִן הַזְּאֵבִים, וּמִן הָאֲרִיּוֹת. כֵּן הַמְּנַהֵיג לְיִשְׂרָאֵל, אִם הוּא טוֹב, מִצִּיל מִן הָעִבּוֹ"ם, וּמְדִיִן שֶׁל מָטָה, וּמְדִיִן שֶׁל מַעְלָה, וּמְדִרְיֹכֵן לְחַיֵּי הָעוֹלָם הַבָּא. כֵּן מֹשֶׁה, רוּעָה נְאֻמָּן הִיָּה, וְרָאָה הַקּוֹדֵשׁ בְּרִיךְ הוּא, שְׂכַדְאֵי הוּא לְרַעוֹת אֶת יִשְׂרָאֵל, בְּאוֹתוֹ הִדִּין מִמֶּשׁ, שֶׁהִיָּה רוּעָה אֶת הַצֹּאן, לְבִשְׂבִיִּים, כְּפִי הָרְאוּי לָהֶן. וְהִנְקֻבוֹת כְּפִי הָרְאוּי לָהֶן.

381. Rabbi Yanai said: Moses knew that the mountain was the mount of the Elohim, as written: "And came to the mountain of the Elohim." We learned what Moses saw on that mountain. He saw birds fly, spreading their wings yet not approaching it.

382. Rabbi Yitzchak says: He saw birds flying and soaring from there, falling at Moses's feet. He immediately noticed it, and stood the flock away from the desert and entered alone.

383. "And the angel of Hashem appeared to him in a flame of fire out of the midst of a bush" (Shemot 3:2). Rabbi Tanchum said: It was the time for the afternoon prayer, upon which the attribute of Judgment has sway. Rabbi Yochanan said that it is written: "Hashem will command his Chesed in the daytime" (Tehilim 42:9). It mentions the attribute of Chesed, not the attribute of Judgment. Rabbi Yitzchak said: When the light sets until it descends, it is called 'day', which is the attribute of Chesed. Once it descends, it is called evening, which is the attribute of Judgment, as written: "And Elohim called the light day" (Beresheet 1:5).

384. Rabbi Yochanan said: The time of Minchah is from the sixth hour or less. As we learned, Rabbi Yitzchak said that it is written: "At evening you shall eat meat, and in the morning you shall be filled with bread" (Shemot 16:12). At twilight, the time of Judgment, "you shall eat meat." And it is written: "And while the meat was yet between their teeth... the wrath of Hashem was inflamed against the people" (Bemidbar 11:33). This is because at twilight, the Judgment of Malchut has sway. "And in the morning you shall be filled with bread," since that time is considered Chesed. It is also written: "The Mercy of El endures continually (lit. 'all the day')," (Tehilim 52:3) and, "And Elohim called the light day," which is in the morning.

385. Rabbi Tanchum said: The one is red and the other is white; red at twilight, as written: "At evening you shall eat meat," and white in the morning, as written: "And in the morning you shall be filled with bread." Rabbi Yitzchak said: It is written, "And the whole assembly of the Congregation of Yisrael shall kill it towards evening," (Shemot 12:6) which is the time to execute Judgment. Rabbi Yehuda said: We have deduced from the two daily sheep, one is offered to correspond to the attribute of Chesed, and the second corresponds to Judgment.

386. Rabbi Yehuda also said: Why is it written, "The one lamb shall you offer in the morning" (Bemidbar 28:4). Instead of 'The first lamb'? But "The one lamb," sole one to corresponds to the attribute of Chesed. For it never says of the second that it was good.

381. א"ר ינאי, יודע היה משה, שאותו הר, הר האלהים הוא. דכתיב ויבא אל הר האלהים. דתנן, מה ראה משה באותו הר, ראה עופות שהיו פורחים, ופורשים כנפיהם ולא היו נכנסים בו.

382. רבי יצחק אומר, ראה העופות פורחים וטסים משם, ונופלים לרגליו של משה, מיד הרגיש בענין, והעמיד את הצאן אחר המדבר, והוא נכנס לבדו.

383. וירא מלאך ה' אליו בלבת אש מתוך הסנה. רבי תנחום אומר, שעת המנחה היתה, שמדת הדין שולטת בו. רבי יוחנן אמר, והא כתיב, יומם יצוה יי' חסדו. מדת חסד קאמר, ולא מה"ד. אמר רבי יצחק, משיוצא האור, עד שנוטה לרדת, נקרא יום, והוא מדת חסד. משנוטה לרדת, נקרא ערב, והוא מה"ד. והיינו דכתיב, ויקרא אלהים לאור יום.

384. א"ר יוחנן, שעת המנחה הוא, מו' שעות ולמטה. דתנאי ר' יצחק אומר, מ"ד בין הערבים תאכלו בשר ובבקר תשבועו לחם. בין הערבים, שהוא שעתא דדינא תאכלו בשר. וכתיב, הבשר עורנו בין שניהם ואף יי' חרה בעם. משום, דיין הערבים, דינא דמלכותא שליט. ובבקר תשבועו לחם, משום דאקרי חסד הוא שעתא, וכתיב, חסד אל כל היום. וכתיב, ויקרא אלהים לאור יום. דאיהו מצפרא.

385. רבי תנחום אומר, דא סומק, ודא חוור. סומק: בין הערבים. דכתיב, בין הערבים תאכלו בשר. וחוורא: בצפרא. דכתיב, ובבקר תשבועו לחם. רבי יצחק אמר, כתיב, ושחטו אותו כל קהל עדת ישראל בין הערבים וגו'. דהוא שעתא למעבד דינא. רבי יהודה אמר, ולפינן משני כבשים שבכל יום, האחד מתקרב כנגד מדת החסד, והב' כנגד מה"ד.

386. וא"ר יהודה, מ"ד, את הכבש האחד תעשה בבקר, ולא כתיב את הכבש הראשון, אלא את הכבש האחד, מיוחד, כנגד מדת החסד. דבכל מקום, שני, לא נאמר בו כי טוב.

387. Rabbi Tanchum said: Isaac therefore composed the prayer of Minchah, which corresponds to the attribute of Judgment. Rabbi Yitzchak said: From this, "Woe to us! For the day declines, for the shadows of the evening are lengthened" (Yirmeyah 6:4). "For the day declines" is the attribute of Chesed. "For the shadows of the evening are lengthened," for the attribute of Judgment has already gained the ascendancy. Abraham composed the morning prayer corresponds to the attribute of Chesed.

387. רבי תנחום אמר, לפיכך, יצחק תקן תפלת המנחה, שהוא כנגד מה"ד. א"ר יצחק, מכאן, אוי לנו כי פנה היום כי ינטו צללי ערב. כי פנה היום: זה מדת החסד. כי ינטו צללי ערב: שכבר גבר מה"ד. אברהם תקן תפלת שחרית, כנגד מדת החסד.

388. The sages taught why He appeared to Moses in a fiery flame, which is Judgment, at the time that Moses ascended on Mount Sinai. Rabbi Ya'akov said: Then the time caused it, MEANING IT WAS THE TIME OF JUDGMENT, NAMELY THE TIME OF MINCHAH. Rabbi Yosi said: Everything, MEANING THE FLAME OF FIRE, THE NAME HOREB AND THE BUSH, is all rooted to one stem. It is written: "He came to the mountain of the Elohim to Horeb" (Shemot 3:1), "And at Horeb you angered Hashem" (Devarim 9:8), and: "And the angel of Hashem appeared to him in a flame of fire out of the midst of a bush" (Shemot 3:2), MEANING they would eventually be like a bush, as it is written: "As thorns cut down, burned in fire" (Yeshayah 33:12). THE PLACE CAUSED IT, FOR THE CHILDREN OF YISRAEL WOULD EVENTUALLY SIN THERE, AND BECOME LIKE A BUSH. THEREFORE, HE APPEARED IN A FIERY FLAME, WHICH IS JUDGMENT, THAT BURNS UP THE WICKED, AS WRITTEN: "THORNS CUT DOWN, BURNED IN FIRE."

388. ת"ר, בהיבא שעתא דעאל משה לטורא דסיני, מ"ט אתגלי ליה בשלהובי אשתא, דהוא דינא. א"ר יעקב בעין שעתא הוה גרים. ר' יוסי אמר, כלא לחד גזעא אשתרשא. כתיב, ויבא אל הר האלהים חרבה. וכתיב, ובחרב הקצפתם את יי. וכתיב, וירא מלאך יי אליו בלבת אש מתוך הסנה. מתוך שהם עתידים להיות כסנה, בהאי דכתיב, קוצים כסוחים באש יצתו.

55. "out of the midst of a bush"

Rabbi Yehuda first explains that the burning bush is an allusion to the fire of Gehenom that punishes but does not utterly destroy the wicked. Thus, it signifies God's compassion towards the wicked.

We then learn that God appeared to Moses in the flame of fire because Moses was unlike all the other prophets, and only he was able to approach the flame without being burned by it. This was because Moses' soul was drawn from a place from where no other was drawn; his unique connection to Mercy allowed him to confront Judgment without fear. Rabbi Shimon then establishes that although Bila'am was Moses' counterpart, Bila'am drew strength from the lower crowns and he acted according to impurity below, while Moses drew from the holy Crown above and his actions were performed according to Holiness. This follows the duality inherent in all aspects of the universe.

Finally, Rabbi Yochanan refers to Rabbi Yitzchak's interpretation of the title verse to explain that the burning bush was a sign to reassure Moses that Yisrael would not succumb under the burden of their oppression.

The Relevance of this Passage

While it is an awesome prospect, the Burning Bush is also here defined as a gentle, reassuring symbol, its flames much like the fires of love that give delight and do not burn, or the supernal Light in which form God first manifests Himself within creation. Another analogy would be atomic energy used for peaceful purposes: a raging, white-hot holocaust that destroys nothing. Aware that they are about open the vault of God's secrets, the rabbis are now intent on gently leading us in to take our place at their feet with deceptively simple answers to even more deceptively simple questions. Few symbols are more relevant or potent as the Burning Bush, though, and this section allows us raise it high into the soul's dark night, as guiding light, and emblem of the power that binds the atom and also rages within the molten inferno of stars - and yet also lights our way with the promise that not so much as a hair on our head will be ever be in danger of burning. The Zohar, at this point, begins to feel like a mighty ship whose engine's turbines are gathering speed, whose vast wheels within wheels begin to turn, faster and faster, churning the waters into foam, as it heads for open sea.

389. Rabbi Yehuda said: From here we learn the compassion of the Place, MEANING OF THE HOLY ONE, BLESSED BE HE, towards the wicked, for it is written, "and behold, the bush burned with fire" (Shemot 3:2), to punish the wicked with it, AS MENTIONED ABOVE. "But the bush was not consumed" (Ibid.), meaning that they were not utterly destroyed. "Burned with fire" is all the same an allusion to the fire of Gehenom, MEANING EVEN THOUGH THE FIRE APPEARED TO MOSES, WHO WAS RIGHTEOUS, IT IS NONETHELESS AN ALLUSION TO THE FIRE OF GEHENOM WHICH IS FOR THE WICKED. "But the bush was not consumed," so it does not destroy them utterly.

389. אמר ר' יהודה, מכאן למדנו, רחמנותו של מקום על הרשעים, דכתיב, והנה הסנה בוער באש, לעשות בהם דין ברשעים, והסנה איננו אוכל, אין להם בליה. בוער באש, עכ"פ רמז, לאש של גיהנם. אבל הסנה איננו אוכל, להיות בהם בליה.

390. Another explanation of: "And the angel of Hashem appeared to him in a flame of fire" (Shemot 3:2). HE ASKS: Why did He appear to Moses in a flame of fire, and not to the other prophets. Rabbi Yehuda said: Moses is not like the other prophets, for we learned that everyone who approaches the fire is burnt by it. Yet Moses approached it and was not burnt, as it is written: "And Moses drew near to the thick darkness where the Elohim was" (Shemot 20:18), and, "And the angel of Hashem appeared to him in a flame of fire out of the midst of a bush."

391. Rabbi Aba said: IN THIS SUBJECT of Moses, we should observe it with supernal Wisdom. Why is it written: "Because I drew him out of the water" (Shemot 2:10)? THIS COMES TO TEACH US that one who is drawn from water, WHICH IS CHESED, does not fear fire, WHICH IS JUDGMENT. Rabbi Yehuda said: Because we have learned the place from where THE SOUL OF Moses was derived, no other person was derived. Rabbi Yochanan said he was composed of the ten levels OF ZEIR ANPIN as is written: "He is the trusted one in all My house" (Bemidbar 12:7), WHICH IS THE NUKVA. It is not written: 'the trusted of My house', WHICH WOULD IMPLY THE TRUSTED OF THE NUKVA, BUT RATHER IT IS WRITTEN, "HE IS THE TRUSTED," WHICH MEANS THE TRUSTED OF ZEIR ANPIN, WHICH IS HIGHER THAN THE NUKVA. Blessed is the portion of the person whose Master testifies of him thus.

392. Rav Dimi said: Is it not written, "And there arose not a prophet since in Yisrael like Moses" (Devarim 34:10)? And Rabbi Yehoshua bar Levi said: In Yisrael none arose but among the nations of the world there did arise, and who is he? He is Bila'am. SO HOW CAN YOU SAY THAT NO OTHER PERSON WAS HEWN FROM THE PLACE THAT MOSES WAS HEWN? Rabbi Elazar said to him: Certainly, you speak well. He remained silent. When Rabbi Shimon bar Yochai came, they asked him this matter.

393. RABBI SHIMON opened the discussion, saying: Heaven forbid that the fluid flowing from the BLOOM FLOWER, THAT HAS A FOUL ODOR, would mix, with the good balsam - MEANING, ARE YOU, HEAVEN FORBID, COMPARING THE WICKED BILA'AM, TO OUR MASTER MOSES? But certainly this is THE MEANING OF: "Among the nations of the world there did arise, who is Bila'am's"; that Moses's actions were above IN HOLINESS and Bila'am below IN IMPURITY. Moses utilized the holy crown of the Supernal King, WHICH IS ZEIR ANPIN above. Bila'am utilized the lower crowns, which are unholy below. And in that manner precisely it is written: "And Bila'am, the son of Be'or the sorcerer, the children of Yisrael slew by the sword" (Yehoshua 13:22). WE SEE THAT HE IS CALLED "THE SORCERER" BECAUSE HIS ACTIONS WERE IN IMPURITY, and if you can not conceive that he did more THAN THIS, look to his mule. FOR HE BECAME IMPURE WITH HER AND COPULATED WITH HER, AS OUR SAGES OF BLESSED MEMORY SAID. Rabbi Yosi came and kissed his hands and said: Behold, the stone that was in my heart has gone, MEANING THAT THIS QUESTION WEIGHED UPON HIS HEART LIKE A STONE IN HIS HEART AND NOW IT HAS LEFT AND HE IS RELEASED FROM IT.

394. From this, THE WORDS OF RABBI SHIMON, it appears that there are those above and those below, right and left, Mercy and Judgment, the children of Yisrael and the heathen. The children of Yisrael utilize the crowns of above, which are holy. The heathen utilize the crowns of below, which are not holy. Those OF YISRAEL are of the right, and those OF THE HEATHEN are of the left. Nevertheless, the upper prophets OF YISRAEL differ divided from the lower prophets OF THE HEATHEN; the prophets of holiness are separate from the prophets that are not from holiness.

395. Rabbi Yehuda said: Just as Moses differed from all the prophets in the holy supernal prophecy, Bila'am was similarly separate from the other prophets below, the magicians of non holy prophecy. Moses nevertheless was above and Bila'am below, and many levels divided them.

396. Rabbi Yochanan said in the name of Rabbi Yitzchak, that Moses thought and said: 'Perhaps, heaven forbid, the children of Yisrael will expire from this hard labor', as it is written: "And looked on their burdens" (Shemot 2:11). Therefore, "the angel of Hashem appeared to him in a flame of fire...and he looked, and, behold, the bush burned with fire" (Shemot 3: 2). That is, they are enslaved to hard labor, but "the bush was not consumed"; NAMELY, THEY DO NOT PERISH IN EXILE, AS MENTIONED ABOVE. Happy are Yisrael that the Holy One, blessed be He, separated them from all nations and called them 'children', as it is written: "You are the children of Hashem your Elohim" (Devarim 14:1).

395. אָמַר רַבִּי יְהוּדָה, כְּגוֹוֹנָא דְהוּוּה מֹשֶׁה, פְּרִישׁ מִכָּל נְבִיאִי, בְּנְבוּאָה קְדִישָׁא עֲלָאָה. כִּךְ הוּוּה בְּלַעַם, פְּרִישׁ מִשְׂאָר נְבִיאִי וְחֲרָשֵׁי, בְּנְבוּאָה דְלֹאו קְדִישָׁא לְתַתָּא. וְעכ"פּ מֹשֶׁה הוּוּה לְעִילָא, וּבְלַעַם לְתַתָּא, וּכְמָה דְרַגִּין וְדַרְגִּין מִתְפָּרְשִׁין בִּינֵיהוּ.

1. "And I appeared...by the name of El Shadai, but by my name, Hashem, I was not known to them"

This passage begins with: "And Elohim spoke to Moses and said to him, 'I am Hashem, and I appeared to Abraham, Isaac and Jacob as El Shadai.'" Rabbi Aba talks about "Trust in Hashem forever...for Yad Hashem is an everlasting rock," and we hear many interpretations of this scripture. One is that people have permission to observe and understand up to the level of Hashem but no higher. Rabbi Yehuda offers the interpretation that the world was created with justice and is sustained by the name Hashem. Next the discussion moves to Moses, who said, "Adonai why did you do wrong to this nation. Why did you send me etc. And from the time that I have come to Pharaoh to speak in your name it has become worse for these people and you did not deliver your people." Rabbi Yehuda wonders how anyone can talk to God like this without being punished, and Rabbi Yitzchak replies that it was because Moses had authority over Malchut like someone over his household - thus he was able to speak without fear. We hear next of judgment and mercy being joined together, and then of the reason for the name 'El Shadai.' We are told a parable about a king and his daughter to clarify that Yud Hei Vav Hei spoke to Abraham, Isaac and Jacob only through his somewhat lower intermediary, El Shadai - and El Shadai is Malchut. Next Rabbi Yosi changes the topic to the verse: "The earth is Hashem's and the fullness thereof, the world, and they that dwell in it." He tells us that 'the earth' means The Holy Land, and that it receives the first of the blessings and the water from Hashem. Afterwards the rest of the world receives what is left over. Rabbi Yosi also talks about the verse: "For he founded it upon seas." He says that the seas are the seven pillars or Sfirot upon which the world is supported. The Sea of Galilee - Malchut - rules over them. Rabbi Yehuda does not like the phrase 'rules over them,' and he contends that Malchut receives from the Sfirot; thus the Sea of Kineret is filled from them. Rabbi Shimon explains why Jacob does not rule over the land of Yisrael like Moses does, saying that Jacob forsook the higher realms for the lower world. Therefore Yud hei vav hei spoke to him only in the name El Shadai. Lastly we learn from Rabbi Chiya that everyone who is circumcised and observes the sign of the covenant is righteous and inherits the land, as in the verse: "And I have also established My covenant with them to give them the land of Canaan."

The Relevance of this Passage

In this section there are four names for God: El Shadai, Adonai, Hashem and Yud Hei Vav Hei. Because of their different levels of development, Moses and Jacob received messages from different aspects or manifestations of God. As each of us seeks and resonates to our own spiritual level, we can think about this concept while trying to raise ourselves higher and higher - thus becoming ever more worthy to hear the voice of the One God.

1. "And Elohim spoke to Moshe and said to him, 'I am Hashem and I appeared to Abraham, to Isaac, and to Jacob, by the name of El Shadai'" (Shemot 6:2-3). Rabbi Aba opened the discussion saying, "Trust in Hashem forever (Heb. adei ad), for Yah Hashem is an everlasting rock" (Yeshayah 26:4). "Trust in Hashem" MEANS THAT all the people of the world have to strengthen themselves in the Holy One, blessed be He, and trust in Him.

1. וַיְדַבֵּר אֱלֹהִים אֶל מֹשֶׁה וַיֹּאמֶר אֵלָיו אֲנִי יְיָ וְאָרָא אֶל אַבְרָהָם אֶל יִצְחָק וְאֶל יַעֲקֹב בְּאֵל שְׁדַי וְגו'. רַבִּי אֲבָא פָתַח, בְּטַחוּ בַיְיָ עַד כִּי בִיָּה יְיָ צוּר עוֹלָמִים. בְּטַחוּ בַיְיָ, כֹּל בְּנֵי עֲלְמָא בְּעֵינָן לְאַתְתַּקְמָא בִיָּה בְּקוּדְשָׁא בְרִיךְ הוּא, וְלִמְהוּי רְחֻצְנוּ דְלְהוֹן בִּיָּה.

2. HE ASKS, If so, what is the meaning of "adei ad"? AND ANSWERS, It means that the strength of a person should be in the place which sustains and connects everything, and which is called "ad," WHICH IS ZEIR ANPIN, as is written: "In the morning he shall devour the prey (Heb. ad)" (Beresheet 49:27). "Ad" is the place that unites this side and that side, MEANING THAT IT IS THE CENTRAL COLUMN THAT CONNECTS THE RIGHT SIDE AND THE LEFT SIDE TO EACH OTHER, for sustenance and connecting, NAMELY, SO THAT THE TWO COLUMNS ARE SUSTAINED, AND THEIR ILLUMINATIONS ARE LINKED TO EACH OTHER, a connection that will not be destroyed.

2. אִי הֵכִי מְהוּ עַדִּי עַד. אֵלָּא, בְּגִין דִּיהָא תַקְפָּא דְּבֵר נֶשׁ, בְּאַתְר דְּאִיהוּ קַיּוּמָא וְקַשׁוּרָא דְכֻלָּא, וְאִקְרִי עַד, וְהָא אִוְקְמוּהָ, כְּמָה דְּאֵתָּא אָמַר, בְּבִקְר יֹאכֵל עַד. וְהָאִי עַד, אֵתֵר דְּאִחִיד לְכֹל סְטְרִין, לְסְטְרָא דָּא, וְלְסְטְרָא דָּא, לְאַתְקַיִימָא, וְלְאַתְקַשְׁרָא קַשְׁרָא, דִּי לֹא תַעֲרִי.

3. And everything directs its desire towards "Ad," as written: "to (Heb. ad) the utmost bound (or desire) of the everlasting hills" (Beresheet 49:26). Who are the everlasting hills? These are the two matriarchs, MEANING BINAH AND MALCHUT, WHICH ARE FEMALES AND ARE CALLED Jubilee and Sabbatical year. BINAH IS CALLED YOVEL (ENG. JUBILEE) AND MALCHUT SHMITAH (ENG. SABBATICAL YEAR), and both are called "everlasting hills (lit. 'hills of the world')." EACH ONE OF THEM IS CALLED A HILL OF THE WORLD. THEY ARE CALLED 'world' as you say "from everlasting to everlasting (lit. 'from the world to the world')" (Tehilim 106:48), MEANING BINAH AND MALCHUT, FOR BOTH ARE CALLED 'WORLD'.

3. וְהָאִי עַד, תִּיאוּבְתָא דְכֻלָּא בִיָּה, כְּמָה דְּאֵתָּא אָמַר, עַד תְּאֹת גְּבַעוֹת עוֹלָם. מֵאן אִינוּן גְּבַעוֹת עוֹלָם. אֵלִין אִינוּן תְּרִין אַמְהָן נּוֹקְבֵי, יוֹבֵל, וְשִׁמְטָה, דְּאִקְרוּן גְּבַעוֹת עוֹלָם. עוֹלָם: כְּמָה דְּאֵתָּא אָמַר, מִן הָעוֹלָם וְעַד הָעוֹלָם.

4. And they desire Ad, WHICH IS ZEIR ANPIN, SINCE BEING THE CENTRAL COLUMN, it sustains all sides, MEANING THE RIGHT SIDE AND THE LEFT SIDE. AND THEREFORE, Jubilee, WHICH IS BINAH, desires Ad, to adorn it WITH THE TOP THREE SFIROT, and to pour on it blessings, WHICH IS THE SECRET OF THE ABUNDANT FLOW OF CHASSADIM, and to pour sweet springs onto it, WHICH ARE THE SECRET OF CHOCHMAH SWEETENED WITH CHASSADIM. This is the meaning of: "Go forth, O daughters of Zion, and behold King Solomon with the crown with which his mother crowned him" (Shir Hashirim 3:11). KING SOLOMON (HEB. SHLOMO) IS THE SECRET OF THE KING THAT THE PEACE (HEB. SHALOM) IS HIS, WHICH IS ZEIR ANPIN; HIS MOTHER IS THE SECRET OF BINAH. Sabbatical year, WHICH IS MALCHUT, desires Ad, THAT IS ZEIR ANPIN, to be blessed by it and to illuminate from it. THUS the everlasting hills, WHICH ARE BINAH AND MALCHUT, assuredly desire Ad, THE ONE TO POUR ON IT ITS ABUNDANCE AND THE OTHER TO RECEIVE.

5. Therefore THE VERSE SAYS, "Trust in Hashem forever" (Yeshayah 26:4), WHICH IS ZEIR ANPIN. For from there up, NAMELY CHOCHMAH AND BINAH, WHICH ARE ABOVE ZEIR ANPIN, the place is covered and hidden, as none can conceive it. It is a place from which the worlds, WHICH ARE MALE AND FEMALE, emerge and are formed. This is the meaning of: "For Yah Hashem is an everlasting rock." YAH IS CHOCHMAH, YUD HEI VAV HEI IS BINAH, AND THEY DESIGN AND PRODUCE THE WORLDS THAT ARE MALE AND FEMALE. This place is hidden and concealed. Therefore, THE SCRIPTURE SAYS, "Trust in Hashem forever (Heb. adei ad)," TO TEACH that up to here, TO ZEIR ANPIN WHICH IS CALLED AD, everyone is permitted to observe. From here and further, MEANING IN CHOCHMAH AND BINAH AS MENTIONED, no one is permitted to observe because it is concealed from everyone. And what is THE PLACE THAT IS PROHIBITED TO BE OBSERVED-IT IS Yah, Yud Hei Vav Hei, WHICH ARE CHOCHMAH AND BINAH whence all the worlds were formed, and no one is able to understand that place, IN ORDER TO CONCEIVE ANYTHING.

6. Rabbi Yehuda said, The scripture proves this, THE PRECLUSION OF UNDERSTANDING ABOVE ZEIR ANPIN. For is written: "For ask now the days that are past...FROM ONE SIDE OF HEAVEN (WHICH IS ZEIR ANPIN) TO THE OTHER" (Devarim 4:32). SO IT IS EXPRESSED IN THE SCRIPTURE THAT QUESTIONING AND UNDERSTANDING PERTAIN ONLY TO THE LEVEL OF HEAVEN, WHICH IS ZEIR ANPIN, FROM ONE SIDE TO THE OTHER. Up to here, one is permitted to observe, but from here and further, MEANING ABOVE ZEIR ANPIN, no one can comprehend it.

7. Another explanation OF THE PASSAGE: "Trust in Hashem forever" IS THAT a person has to strengthen himself in the Holy One, blessed be He, throughout his life. No one can harm one who properly places his trust and strength in Him, since one who places his strength in the Holy Name endures forever.

8. HE ASKS, What is the reason, AND ANSWERS, since the world endures by His Holy Name. This is the meaning of: "For Yah Hashem is an everlasting (lit. 'worlds') rock (Heb. tzur)" (Yeshayah 26:4), WHICH MEANS the former (Heb. tzayar) of worlds. For by two letters were the worlds created, this world and the World to Come. This world was created with Judgment and is maintained, NAMELY EXISTS, on Judgment. This is the meaning of: "In the beginning Elohim created" (Beresheet 1:1), AS THIS NAME ALLUDES TO JUDGMENT. The reason is so that people would conduct themselves according to judgment (law) and would not digress from the path.

4. וְתִיאוּבְתָא דִּילְהוֹן בְּהַאי עַד, דְּאִיהוּ קִיּוּמָא דְכָל סְטְרִין. תִּיאוּבְתָא דְיּוּבְלָא לְגַבֵּי דְעַד, לְאַעְטְרָא לִיהּ, וּלְגַנְדָא עֲלִיהּ בְּרַבָּאן, וּלְאַרְקָא עֲלִיהּ מְבוּעֵין מְתִיקִין, הֲדָא הוּא דְכְתִיב, צְאִינָה וּרְאִינָה בְּנוֹת צִיּוֹן בְּמֶלֶךְ שְׁלָמָה בְּעֵטְרָה שְׁעֵטְרָה לוֹ אָמוּ. תִּיאוּבְתָא דְשִׁמְטָה, לְאַתְבְּרָכָא מְנִיָּה, וּלְאַתְנַהֲרָא מְנִיָּה. וְדָאֵי הַאי עַד תְּאֹת גְּבֻעוֹת עוֹלָם אִיהוּ.

9. Come and see: It is written, "And Elohim spoke to Moshe" (Shemot 6:1). THE NAME ELOHIM ALLUDES TO the decree of Judgment that is looming over him. It is written before: "And Moshe returned to Hashem, and said, Adonai" (Shemot 5:22) spelled Aleph Dalet Nun Yud, WHICH IS THE NAME OF MALCHUT. See the strength of Moshe, THAT AS SOON AS he started prophesying, his spirit did not rest at this place, WHICH IS MALCHUT. He said, "Adonai, why have you dealt ill with this people? why is it that you have sent me? for since I came to Pharaoh to speak in your name he has done evil to this people; neither have you delivered your people at all" (Ibid. 22-23). Who CAN talk like this? Only Moshe who knew that a another, higher level THAN MALCHUT was intended for him, BECAUSE HE WAS A CHARIOT TO ZEIR ANPIN, WHICH IS THE HUSBAND OF QUEEN.

10. Rabbi Yitzchak said, at first, the house, WHICH IS MALCHUT, was given to him, FOR BEING A CHARIOT TO ZEIR ANPIN, WHICH IS THE HUSBAND OF MALCHUT, HE MERITED THE LEVEL OF MALCHUT AS HIS HOUSE, AS IT IS A HOUSE FOR ZEIR ANPIN. THEREFORE, he commanded it like a man would command his household, and spoke whatever he wished to without fear. Moshe too spoke to his household, WHICH IS MALCHUT, without fear.

11. Another explanation of: "And Elohim spoke": THIS IS the decree of Judgment, AS THE NAME ELOHIM IS JUDGMENT, NAMELY MALCHUT. "And said to him, 'I am Hashem'": This is a different grade, NAMELY, ZEIR ANPIN which is Mercy, and here everything is connected together, Judgment and Mercy TOGETHER, WHICH IS GREAT WHOLENESS. This is the meaning of: "And said to him, 'I am Hashem'", WHICH IS THE ATTRIBUTE OF MERCY. Rabbi Shimon said, If it were written: "And Elohim spoke to Moshe, 'I am Hashem'", I would say THAT FOR HIM JUDGMENT AND MERCY WERE LINKED TOGETHER. But it is not written so. Rather, it is first written: "And Elohim spoke to Moshe" and then: "And said to him, 'I am Hashem,'" which means they are a grade after another grade INSTEAD OF JUDGMENT AND MERCY LINKED TOGETHER.

12. Rabbi Yosi said, Had not Moshe been the master of the house, AS IS WRITTEN ABOUT HIM: "A PRAYER BY MOSHE, the man of Elohim" (Tehilim 90:1), he would have been punished for saying TO ADONAI, "WHY HAVE YOU DEALT ILL WITH THIS PEOPLE..." (SHEMOT 5:22). But since HE WAS THE MASTER OF THE HOUSE, he was not punished. THIS IS LIKENED TO a man who had a quarrel with his wife, WHO WAS THE KING'S DAUGHTER, and spoke to her IMPROPER words. She started to complain, but as soon as she started speaking, the king, who was present, took over the matter, and she became silent and stopped speaking. The king said TO HER HUSBAND, Don't you know that I am the king, and that it is in my presence that you spoke these words? Similarly, so to speak, with Moshe, AS IS WRITTEN, "And Moshe returned to Hashem and said 'Adonai, why have you dealt ill...'" Immediately "Elohim spoke to Moshe", WHICH IS THE ATTRIBUTE OF JUDGMENT BECAUSE THE KING'S DAUGHTER started to complain. Immediately, the King took up the complaint, "And said to him 'I am Hashem.'" Did you not know that I am King, and it is in My presence that you spoke these words?

9. תָּא חֲזוּ כְּתִיב וַיְדַבֵּר אֱלֹהִים אֶל מֹשֶׁה, גְּזֵרַת דִּינָא דְקַיִמָא עֲלֵיהּ, מַה כְּתִיב לְעִילָא, וַיֵּשֶׁב מֹשֶׁה אֶל ה', וַיֹּאמֶר אֲדֹנָי, בְּאֶלְפֵי דְלִ"ת נִו"ן יו"ד. חֲמֵי תוֹקְפָא דְמֹשֶׁה, בְּשִׁירוֹתָא דְנְבִיאוּתֵיהּ, לֹא נַח רוּחֵיהּ בְּהָאֵי אַתְר, אָמַר, אֲדֹנָי לְמַה הִרְעַתָּה לְעַם הַזֶּה וְגו', וּמֵאֵז בְּאֵתֵי אֶל פְּרַעָה לְדַבֵּר בְּשִׁמְךָ הִרַע לְעַם הַזֶּה וְהִצֵּל לֹא הִצֵּלְתָּ אֶת עַמְךָ. מֵאֵן הוּא דִּימָא כְּדִין, אֶלָּא מֹשֶׁה, דִּידַע, דְּהָא דְרָגָא אַחְרָא עֲלָאָה זְמִין לֵיהּ.

12. וְאָמַר רַבִּי יוֹסִי, מֹשֶׁה, אֲלִמְלָא דְהוּוּ מְאֵרִיהּ דְּבֵיתָא, אִישׁ הָאֱלֹהִים, אֶתְעַנֵּשׁ עַל מַה דְּאָמַר, אֲבַל בְּגִינֵי הָאִי, לֹא אֶתְעַנֵּשׁ. לְבַר נֶשׁ דְּנִפְל לֵיהּ קֶטְטָה בְּדִבְיֹתָהּ, וְאָמַר לָהּ מְלִין, שְׂרָאֵת הִיא לְאֶתְרַעְמָא, כִּינּוּן דְּשִׂאֲרִית מְלָה, הוּוּ תַמְן מְלָכָא, נְטַל מְלָכָא מְלָה, וְהִיא שְׂתַקַּת וּפְסַקַת לְמַלְלָא. אָמַר לֵיהּ מְלָכָא, וְכִי לֹא יִדְעַת דְּאָנָא הוּא מְלָכָא, וּמְקַמְאֵי מְלִילַת מְלִין אֵלִין, כְּבִיכּוֹל אוּף הֲכִי מֹשֶׁה, וַיֵּשֶׁב מֹשֶׁה אֶל יי' וַיֹּאמֶר אֲדֹנָי לְמַה הִרְעוּתָהּ וְגו'. מִיָּד, וַיְדַבֵּר אֱלֹהִים אֶל מֹשֶׁה, שְׂאֲרֵי לְאֶתְרַעְמָא, מִיָּד נְטַל מְלָכָא מְלָה וַיֹּאמֶר אֵלָיו אָנִי יי' וְלֹא יִדְעַת דְּאָנָא הוּא מְלָכָא, וּמְקַמְאֵי מְלִילַת מְלִין אֵלִין.

13. "And I appeared to Abraham, to Isaac, and to Jacob by, the name of El Shadai" Why did He use a different name than the names before, WHICH WERE ADONAI, YUD HEI VAV HEI ELOHIM, AND HERE HE SAID EL SHADAI. HE ANSWERS, THIS IS LIKENED to a king who had an unmarried daughter, and also a beloved friend. When the king wanted to speak with his beloved friend, he used to send his daughter to speak to him and thus the king spoke to him through his daughter. The time has come for his daughter to marry. On the day she married, the king said to her, precious queen, until now I spoke through you to whomever I wished to. From now on, I will tell your husband and he will speak with whomever it is necessary. After some time, the husband said HARSH words to her in the king's presence. Before she started to talk, the king took the cause and said to him, am I not the king? Until this day no person spoke to me except through my daughter. And I gave you my daughter, and I spoke to you openly, a thing I have not done for any other person.

14. Similarly, "And I appeared to Abraham, to Isaac, and to Jacob, by the name of El Shadai," WHICH IS THE NAME OF MALCHUT BEFORE SHE UNITED WITH ZEIR ANPIN FACE TO FACE. THIS MEANS, I APPEARED TO THE PATRIARCHS BY THE NAME OF EL SHADAI, WHICH IS MALCHUT when she was unmarried in my house. I was not spoken to face to face as I did with you, and you, at the beginning of your speech, said to my daughter in my presence such words. Therefore, IT IS WRITTEN: "And I appeared to Abraham, to Isaac, and to Jacob, by the name of El Shadai, but by my name, Hashem, I was not known to them," THAT IS, to speak to them in the grade in which I spoke to you.

15. Rabbi Yosi opened the discussion saying, "A psalm of David. The earth is Hashem's and the fullness thereof; the world, and they that dwell in it" (Tehilim 24:1). The earth refers to the Holy land of Yisrael that is the first to be blessed by Him and watered by Him, BY HASHEM. Afterwards, the whole world is watered from it. "The world, and they that dwell in it" refers to the rest of the lands that drink from it. How do we know this? From the words: "And He will judge the world in righteousness" (Tehilim 9:9).

16. "For He has founded it upon seas" (Tehilim 24:2). There are seven pillars, WHICH ARE SEVEN SFIROT-CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT OF ZEIR ANPIN, on which the earth supports itself, and which are seven seas. The Sea of Kineret (Galilee), WHICH IS MALCHUT, rules over them. Rabbi Yehuda said, Do not say it rules over them BECAUSE MALCHUT DOES NOT RULE OVER THE SEVEN SFIROT OF ZEIR ANPIN, but THE SEA OF KINERET is filled from them, BECAUSE MALCHUT RECEIVES FROM THEM: "And established it on the rivers" (Ibid.) HE ASKS, Which rivers are being referred to? AND HE ANSWERS, It is written: "The floods have lifted up, Hashem, the floods (lit. 'rivers') have lifted up their voice" (Tehilim 93:3), WHICH ARE THE SFIROT OF YESOD OF ZEIR ANPIN WHICH IS CALLED RIVER, as written: "And a river went out from Eden to water the garden" (Beresheet 2:10). Therefore, IT IS WRITTEN: "He established it on the rivers."

17. Come and see, this land, WHICH IS MALCHUT, is called BY THE NAME the land of Yisrael WHEN FACE TO FACE WITH ZEIR ANPIN THAT IS CALLED YISRAEL. HE ASKS, Why does not Jacob, who is Yisrael, rule over it like Moshe? FOR HE IS ALSO A CHARIOT TO ZEIR ANPIN, WHICH IS CALLED YISRAEL. For it is written: "And I appeared to Abraham, to Isaac, and to Jacob, by the name of El Shadai", WHICH IS THE NAME OF THE NUKVA, BEFORE SHE UNITES WITH ZEIR ANPIN, and no more.

18. HE ANSWERS, We have already established that Jacob took the terrestrial house, THAT IS, IN THIS WORLD. Therefore, he lost the celestial house, WHICH IS MALCHUT, but with the terrestrial house, THAT IS, THE FOUR WIVES, he reestablished the celestial house, WHICH IS MALCHUT, with twelve tribes, with seventy branches REFERRING TO ITS SEVENTY NAMES, WHICH IS THE MEANING OF THE SEVENTY SOULS WHO CAME TO EGYPT. And we have already established that Moshe took the celestial house, WHICH IS MALCHUT, and forsook the terrestrial house BECAUSE HE SEPARATED FROM HIS WIFE. Therefore, it is written of Jacob: "By the name of El Shadai", AS MENTIONED. BECAUSE ONLY by the name El Shadai did the Holy One, blessed be He, speak to him and no more THAN THIS. "But by my name, Hashem, I was not known to them," MEANING to speak to them in this level OF YUD HEI VAV HEI, which is superior.

19. "And I appeared to Abraham, to Isaac, and to Jacob." Rabbi Chiya said, The glory of the patriarchs was Jacob, who was all-perfect. By all, it is written "to Abraham, to Isaac," but by him a letter was added, as is written: "and (=Vav) to Jacob." The letter Vav was added to him to show that he was more whole than them all. But notwithstanding, he did not merit uniting with it, WITH MALCHUT, like Moshe did, AS EARLIER MENTIONED.

20. "And I have also established my covenant with them to give them the land of Canaan" (Shemot 6:4). IT IS because they were circumcised. For all who are circumcised inherit the land. THEREFORE THE TORAH SAYS, "TO GIVE THEM THE LAND OF CANAAN." For the land is inherited only by a righteous person and everyone who is circumcised is called righteous, as is written: "Your people also shall be all righteous, they shall inherit the land forever" (Yeshayah 60:21). Everyone who is circumcised and observes the sign of the covenant is called righteous. Come and learn this from Joseph, who was not called righteous in his life until he observed that covenant, the sign of the holy covenant. Once he observed it BY THE INCIDENT OF THE WIFE OF POTIFAR, he was called righteous, namely, Joseph the righteous.

17. תָּא חֲזִי, הָאֵי אֶרֶץ, אֶקְרִי אֶרֶץ יִשְׂרָאֵל. יַעֲקֹב דְּאִיהוּ יִשְׂרָאֵל, אֲמַאי לָא שְׁלִיט עַל דָּא כְּמֹשֶׁה, דְּהָא כְּתִיב וְאֵרָא אֶל אַבְרָהָם אֶל יִצְחָק וְאֶל יַעֲקֹב בְּאֵל שְׁדֵי וְלֹא יְתִיר.

2. Visible and invisible colors

Rabbi Elazar wonders why in the passage: "And I appeared to Abraham, to Isaac and to Jacob etc.," it says, "And I appeared" rather than "And I spoke." Rabbi Shimon explains the secret of visible and invisible colors. The patriarchs saw the visible colors of El Shadai that are the reflection of the supernal colors. Moses was the only person to be able to see the higher colors of Chesed-Gvurah-Tiferet. Next Rabbi Shimon turns to: "And they who are wise shall shine like the brightness of the firmament; and they who turn many to righteousness like the stars for ever and ever," saying that the 'wise' are the kind of person who understands higher matters intuitively because they are too deep for words. He explains that there are four lights: the light that illuminates, the light that shines, purple light and the light that does not illuminate. These correspond to Chesed, Gvurah, Tiferet and Malchut. The three higher lights are reflected in Malchut. We are told that there are three colors in the eye - white, red and green - which are like the three colors of Zeir Anpin. The pupil of the eye is black, the mirror that does not illuminate. Rabbi Shimon says that the secret of seeing the three concealed lights is to close your eyes and turn them inwardly toward Cholem, Shuruk and Chirik - the three places that receive love, power and beauty. When the eye is closed it sees the higher colors as did Moses, but when it is open it sees only the lower colors. This explains why Moses was spoken to by Yud Hei Vav Hei but the patriarchs were spoken to by El Shadai. Finally, Rabbi Shimon tells us that one is not allowed to greet a wicked person, but if one greets a righteous person it is the same as though he were greeting Hashem.

21. One day Rabbi Shimon was sitting one day with his son Rabbi Elazar, and Rabbi Aba. Rabbi Elazar said, in the passage: "And I appeared to Abraham, to Isaac, and to Jacob...", why is "And I appeared" stated? It should state 'And I spoke.' RABBI SHIMON said to him, Elazar my son, this is a very high secret.

22. Come and see: There are visible colors and invisible colors. And both are a high secret of the Faith, but people neither know it nor observe it. No one was worthy of the visible COLORS until the patriarchs came and understood them, THAT IS, CONCEIVED THEM. Of this it is written: "And I appeared," since they saw the visible colors.

23. And which colors appeared? They are of El Shadai, WHICH IS MALCHUT, which are the reflection of the supernal colors, WHICH ARE IN CHESED, GVURAH AND TIFERET OF ZEIR ANPIN. These are THE visible COLORS, WHICH MEANS THAT THEY CONTAIN CHOCHMAH. And the colors above, IN CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, which are concealed since they are invisible, WHICH MEANS THEY DO NOT CONTAIN CHOCHMAH BUT ONLY THE LIGHT OF CHASSADIM, no person understood them TO PERCEIVE THEM THERE, IN ZEIR ANPIN, except for Moshe. Of this it is written: "But by my name, Hashem, I was not known to them," WHICH MEANS I did not appear to them in the superior colors IN CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, WHICH IS CALLED YUD HEI VAV HEI. And if you claim that the patriarchs did not know THE NAME YUD HEI VAV HEI, WHICH IS CHESED, GVURAH AND TIFERET OF ZEIR ANPIN; THIS IS UTTERLY IMPOSSIBLE, FOR THE PATRIARCHS ARE A CHARIOT TO CHESED, GVURAH AND TIFERET OF ZEIR ANPIN. But rather, they knew it from those colors that were visible IN MALCHUT.

24. It is written: "And they who are wise shall shine like the brightness of the firmament; and they who turn many to righteousness like the stars for ever and ever" (Daniel 12:3). HE ASKS, In "And they who are wise shall shine," who are the wise ones. HE ANSWERS, This refers to the wise one who will perceive on his own LOFTY things that people cannot utter by mouth BECAUSE OF THEIR GREAT HEIGHT. And these are called "wise ones." "Shall shine like the brightness of the firmament": HE ASKS, What is the firmament? HE ANSWERS, This is the firmament of Moshe, which is situated in the center, NAMELY, ZEIR ANPIN, WHICH IS THE SECRET OF THE CENTRAL COLUMN THAT INCLUDES THE TWO COLUMNS AS WELL, THE RIGHT AND THE LEFT. And its brightness is concealed and not revealed IN CHOCHMAH THAT IS CALLED BRIGHTNESS, THOUGH ITS LIGHT IS GREAT. By means of its color THAT INCLUDES ALL THREE COLORS, it is situated over and shines on the firmament that does not illuminate, WHICH IS MALCHUT, in which the colors are visible, WHICH MEANS IT ILLUMINATES WITH CHOCHMAH WHICH IS CALLED SIGHT. And even though these colors are visible in it, they do not illuminate like the brightness of those of unrevealed colors, WHICH ARE THE COLORS OF ZEIR ANPIN THAT IS CALLED THE ILLUMINATING FIRMAMENT.

21. רַבִּי שִׁמְעוֹן הָיָה יוֹשֵׁב יוֹמָא, חַד, וְרַבִּי אֶלְעָזָר בְּרִיה, וְרַבִּי אַבָּא עִמֵּיהּ. א"ר אֶלְעָזָר, הָאִי קָרָא דְכַתְּיב, וְאָרָא אֶל אַבְרָהָם אֶל יִצְחָק וְאֶל יַעֲקֹב וְגו'. מַהוּ וְאָרָא, וְאִדְבַּר מִבְּעֵי לֵיהּ. אָמַר לֵיהּ, אֶלְעָזָר בְּרִי, רְזָא עֲלָאָה אִיהוּ.

25. Come and see: There are four lights. Three of them are concealed, NAMELY, CHESED, GVURAH AND TIFERET, and one, NAMELY, MALCHUT, is revealed. THEY ARE: (A) The shining light, WHICH IS CHESED AND THE RIGHT COLUMN; (B) the bright light, WHICH IS GVURAH AND THE LEFT COLUMN. And it shines like the brightness of the heaven for its clarity. THEREFORE IT IS REFERRED TO AS SHINING. (C) purple light, WHICH IS TIFERET AND THE CENTRAL COLUMN that receives all the lights, FOR THE CENTRAL COLUMN INCLUDES THE RIGHT AND THE LEFT; and (D) the light that does not illuminate, WHICH IS MALCHUT, that looks to these THREE ABOVE MENTIONED LIGHTS and receives them. These lights are visible in it like a reflector, which is A PLATE OF POLISHED METAL and is placed against the sun, AND THE SUN IS SEEN IN IT. SO THE THREE LIGHTS OF ZEIR ANPIN THAT IS CALLED SUN ARE VISIBLE IN MALCHUT, AND IN THIS RESPECT MALCHUT IS CALLED A REFLECTOR THAT RECEIVES FROM THE SUN AND THE SUN IS SEEN IN IT.

26. And those three LIGHTS we mentioned ABOVE are concealed IN THEIR PLACE IN ZEIR ANPIN, and are situated over this FOURTH, visible LIGHT, WHICH IS MALCHUT. THAT IS TO SAY, THE THREE LIGHTS FLOW TO THE FOURTH LIGHT, WHERE THE THREE LIGHTS BECOME REVEALED AND SHINE WITH CHOCHMAH. This secret is the eye. Come and see: there are three colors in the eye, WHITE, RED AND GREEN, that are visible THROUGH THE ILLUMINATION OF CHOCHMAH, AND were imprinted on it, NAMELY, ON THE FOURTH LIGHT THAT IS IN IT, WHICH IS THE BLACK OF THE EYE. None of them shines because they are placed in the light that does not shine, FOR THEIR MAIN SOURCE IS THE BLACK IN THE EYE, WHICH IS MALCHUT, WHICH IS THE MIRROR THAT DOES NOT ILLUMINATE. And these THREE COLORS THAT ARE IN THE EYE are like those THREE COLORS OF ZEIR ANPIN, which are hidden and are situated over them, THAT IS, THEY ARE THE ASPECTS OF THE THREE COLUMNS OF ZEIR ANPIN BUT ILLUMINATE AND APPEAR IN THE PLACE OF MALCHUT. And they are the ones that appeared to the patriarchs in order to know and perceive these hidden THREE IN ZEIR ANPIN that appeared from within those that did not illuminate, MEANING THE THREE IN MALCHUT. And those that are bright yet hidden, WHICH ARE THE THREE IN THE PLACE OF ZEIR ANPIN, WERE REVEALED to Moshe in his firmament. And these are situated over AND POUR ABUNDANCE TO these THREE colors that are visible in the eye, MEANING THESE THAT APPEARED TO THE PATRIARCHS.

27. And it is a secret, THAT HE WHO WISHES TO SEE THE THREE CONCEALED IN ZEIR ANPIN, IS TOLD: Close your eyes, MEANING THAT HE SHOULD NOT DRAW CHOCHMAH WHICH IS CALLED EYES, and turn the EYE balls TOWARDS THREE PLACES-CHOLAM, SHURUK AND CHIRIK- THAT DRAW THE THREE COLUMNS OF CHESED, GVURAH AND TIFERET AS MENTIONED. In this way, the THREE colors IN ZEIR ANPIN will appear that illuminate WITH CHASSADIM and shine FROM THE BRIGHTNESS OF THE LEFT COLUMN. YET THEY ARE HIDDEN AND COVERED, since permission is given to see only with closed eyes these THREE hidden superior COLORS IN ZEIR ANPIN that are situated over and POUR ABUNDANCE TO these three colors that are visible IN MALCHUT that do not shine.

25. תָּא חֲזִי, אַרְבַּע נְהוּרִין אֵינּוּן. תֵּלַת מְנִיָּהוּ סְתִימִין, וְחַד דְּאֲתַגְּלִינָא: נְהוּרָא דְנְהִיר. נְהוּרָא דְזְהָרָא. וְאִיהוּ נְהִיר כְּזְהִירו דְשָׁמַיָא בְּרַכּוּי. נְהוּרָא דְאַרְגָּוֹנָא, דְנִטִּיל כּל נְהוּרִין. נְהוּרָא דְלֵא נְהִיר אֲסַתְבַּל לְגַבֵּי אֲלִין, וְנִטִּיל לֹן. וְאֲתַחְזִיין אֵינּוּן נְהוּרִין בֵּיה, כְּעֵשְׂשִׁיתָא, לְקַבַּל שְׁמַשָּׁא.

26. וְאֲלִין תֵּלַת דְקַאמְרָן, סְתִימִין וְקִיִּימִין עַל הַאי דְאֲתַגְּלִינָא. וְרָזָא דָא עֵינָא תָא חֲזִי, בְּעֵינָא אִית תֵּלַת גּוּוּנִין, דְאֲתַגְּלִיין רְשִׁימִין בֵּיה, וְכִלְהוּ לֵא מְזַדְדְּרִי, בְּגִין דְקִיִּימִי בְנְהוּרָא דְלֵא נְהִיר. וְאֲלִין אֵינּוּן כְּגוּוּנָא דְאֵינּוּן סְתִימִין דְקִיִּימִי עֲלִיָּהוּ וְאֲלִין אֵינּוּן דְאֲתַחְזִיין לְאַבְהוּן, לְמַנְדַּע אֵינּוּן סְתִימִין דְמְזַדְדְּרִין, מִגּוּ אֲלִין דְלֵא מְזַדְדְּרִי. וְאֵינּוּן דְמְזַדְדְּרִי וְאֵינּוּן סְתִימִין, אֲתַגְּלִיין לְמִשָּׁה, בְּהוּא רְקִיעָא דִּילִיָּה. וְאֲלִין קִיִּימִי, עַל אֵינּוּן גּוּוּנִין דְאֲתַחְזִיין בֵּיה בְּעֵינָא.

27. וְרָזָא דָא סְתִימִין עֵינְךָ, וְאַסְחַר גַּלְגַּלְךָ, וְיִתְגַּלִּיין אֵינּוּן גּוּוּנִין דְנְהִרִין, דְמְזַדְדְּרִי, וְלֵא אֲתִיָּהִיב רְשׁוּ לְמִיחְמִי, אֲלֵא בְעֵינִין סְתִימִין, בְּגִין דְאֵינּוּן סְתִימִין עֲלֵאִין, קִיִּימִי עַל אֵינּוּן גּוּוּנִין דְאֲתַחְזִיין, דְלֵא מְזַדְדְּרִי.

28. And of this we learned that Moshe merited the illuminating mirror, THE THREE COLUMNS OF ZEIR ANPIN AS MENTIONED that is placed over AND ILLUMINATES TO that MIRROR, which does not illuminate, WHICH IS MALCHUT. Other people in the world WERE WORTHY of the mirror, which does not illuminate ONLY, WHICH IS MALCHUT. But the patriarchs saw from within these three colors that appear IN MALCHUT those hidden THREE COLORS that are situated over them AND SHINE ON THEM, WHICH ARE THE THREE COLUMNS OF ZEIR ANPIN, which THREE VISIBLE IN MALCHUT do not shine. SO WE CONCLUDE THAT ALSO THE PATRIARCHS CONCEIVED CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, THOUGH NOT FROM THEIR PLACE IN ZEIR ANPIN, BUT ONLY FROM CHESED, GVURAH AND TIFERET THAT ARE RECEIVED IN MALCHUT AND APPEAR THERE. Therefore it is written: "And I appeared to Abraham, to Isaac, and to Jacob, by the name of El Shadai", that is, by the THREE colors that are visible IN MALCHUT THAT IS CALLED EL SHADAI.

29. "But by my name, Hashem, I was not known to them": These are the supernal colors that are hidden yet illuminate, THE SECRET OF CHESED, GVURAH AND TIFERET THAT IS CALLED YUD HEI VAV HEI that Moshe merited to observe. And this is the secret reason why the eye is SOMETIMES closed and SOMETIMES OPEN AND visible. IF IT IS closed, it sees the illuminating mirror, WHICH IS CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, AND IF IT IS open, it sees the mirror that does not illuminate, WHICH IS MALCHUT, AS MENTIONED. Therefore, THE VERSE SAYS, "And I appeared" in the mirror that does not illuminate, which is revealed, AS THE THREE COLORS ARE VISIBLE IN IT. Sight is mentioned in relation to it. BUT in relation to the illuminating mirror, WHICH IS ZEIR ANPIN, which is concealed, THAT IS, SIGHT DOES NOT PERTAIN TO IT, knowledge is mentioned, as is written: "BUT BY MY NAME, HASHEM, I was not known." AND IT DOES NOT SAY 'I DID NOT APPEAR,' SINCE SIGHT APPLIES ONLY TO MALCHUT. Rabbi Elazar and Rabbi Aba approached and kissed the hands OF RABBI SHIMON. Rabbi Aba wept and said, Woe, when you are gone from the world and the world will remain orphaned from you. Who will be able to illuminate THEN the words of Torah?

30. Rabbi Aba opened the discussion saying, "And thus (Heb. koh) shall you say so to him, a hearty greeting (lit. 'to the living')! Peace be both to you, and peace to your house, and peace to all that you have" (I Shmuel 25:6). HE ASKS, IT IS WRITTEN, "And you shall say koh to the living", WHICH MEANS THAT RICHES AND HONOR BEFIT A LIVING MAN, THAT IS, A RIGHTEOUS MAN. Did not David know Naval TO BE EVIL, to have said of him, SAYING TO HIM: "koh to the living?" HE ANSWERS, That day was the holy day of Rosh Hashanah and the Holy One, blessed be He, was sitting in judgment over the world. For the Holy One, blessed be He, he said, "And you shall say koh to the living" in order to attach 'koh' WHICH IS MALCHUT, to the 'living', WHICH IS YESOD OF ZEIR ANPIN, from which all life comes. "Peace be both to you." HE ASKS, What is "both to you?" IT SHOULD SAY 'YOU', SO WHEREFORE IS 'VAV (BOTH)?' HE ANSWERS, "both to you" refers to the Holy One, blessed be He, in order to connect the link of Faith, WHICH IS MALCHUT, WHICH IS CALLED "YOU" TO ZEIR ANPIN THAT IS CALLED VAV as is proper. THEREFORE, "BOTH TO YOU" IS SPELLED WITH A VAV.

28. ועל דא קרינן, משה זכה באספקלריא דנהרא דקיימא על ההוא דלא נהרא. שאר בני עלמא, בהוא אספקלריא דלא נהרא. ואבהן הוו חמאן מגו אלן גוונין דאתגליין, אינון סתימין, דקיימי עליהו דאינון דלא נהרין, וע"ד כתיב, וארא אל אברהם אל יצחק ואל יעקב באל שדי, באינון גוונין דאתחזיין.

29. ושמי יי' לא נודעתי להם, אלן גוונין עלאין סתימין דזהרין, דזכה בהו משה לאסתכלא בהון. ורזא דא, דעינא סתים וגליא. סתים, חמי אספקלריא דנהרא, אתגליא, חמי אספקלריא דלא נהרא. ועל דא, וארא, באספקלריא דלא נהרא, דאיהו באתגליא, ביה כתיב ראיה. באספקלריא דנהרא דאיהו בסתימו, כתיב ביה ידיעה, דכתיב לא נודעתי. אתו רבי אלעזר ורבי אבא ונשקו ידוי. בכה רבי אבא, ואמר, ווי בד תסתלק מעלמא, וישתאר עלמא יתום מינך, מאן יכיל לאנהרא מלין דאורייתא.

30. פתח רבי אבא ואמר, ואמרתם כה לחי ואתה שלום וביתך שלום וכל אשר לך שלום. ואמרתם כה לחי, וכי דוד לא הוה ידע ביה בנבל, דאיהו אמר בגיניה, ואמרתם כה לחי, אלא, ההוא יומא, יומא טבא דר"ה הוה, וקודשא בריך הוא יתיב בדינא על עלמא, ובגין קודשא בריך הוא קאמר, ואמרתם כה, לחי, לקשרא כה, לחי, דכל חיינ ביה תליין. ואתה שלום, מאי ואתה אתה מבעי ליה. אלא, ואתה בלא לקודשא בריך הוא קאמר, בגין לקשרא קשרא דמהימנותא וכדקא יאות.

31. From this I deduce that it is forbidden to be the first to greet a wicked person and, if he is forced TO DO SO, he should be the first TO GREET like David who blessed the Holy One, blessed be He, though it seemed he spoke to him, NAVAL. And if you say it was deception, it is not so because it is not considered deception for anyone to offer up HIS WORDS to the Holy One, blessed be He, though it seems he spoke TO A PERSON. BECAUSE THIS IS THE WAY OF THE RIGHTEOUS, WHO SEEMINGLY SPEAK TO A PERSON, BUT OFFER THEIR WORDS TO THE HOLY ONE, BLESSED BE HE, IN ORDER TO FULFILL THE PASSAGE: "I HAVE SET HASHEM ALWAYS BEFORE ME" (TEHILIM 16:8). Whoever is the first to greet a righteous person, it is as though he is the first to greet the Holy One, blessed be He, and all the more so my master, MEANING RABBI SHIMON, who is the peace of above and below.

3. The four elements - fire, air, water, earth

Rabbi Chizkiyah tells us that when man was created he was made from the dust of the Holy Temple of below, and that the four winds of the world - Chesed, Gvurah, Tiferet and Malchut - became joined there. These four winds joined in the four elements of the world: fire, air, water and dust. Furthermore, the four directions of the world joined in the four elements. In this way the body of man is composed of and joins together the lower world and the world above. Next Rabbi Chizkiyah says that gold, silver, copper and iron are emitted from fire, air, water and dust. He explains further that fire stands in the direction of north, air in the east, water in the south and dust in the west. Opposites are combined, in that fire has power of heat and dryness, and it combines with the cold moist north. Water combines with the hot dry south. The east draws from them both so it is hot and moist. Fire and water circulate back and forth between these directions. They are in conflict, though, because fire wants to burn up water and water wants to extinguish fire. It is the air that reconciles them, as is seen in: "And the wind of Elohim hovers upon the surface of the water." Dust, then, receives from fire, water and air. The air is hot and moist because it draws from fire and water. Because dust is cold and dry it can receive from all of them. Next we are told how the metals are created from earth, air, fire and water. When the dust fused with fire, water and air to produce gold, silver and copper, the dirt became stronger and brought forth other metals. It also produced four rivers where the twelve precious stones are found that correspond to the twelve tribes and the twelve oxen under the sea. However, the main sustenance of the world is still the air, or spirit. Without it nothing could exist. The soul, Nefesh, could not exist without the air, Ruach. This is the secret of: "Also, that the soul be without knowledge is not good." Rabbi Shimon says that man's body was created from the dust of Malchut yet his soul was given to him from the dust of Binah. When he was created from the dust of above and below the fire, air and water of above and below were combined in him. This is how man was completed with a body and a soul.

The Relevance of this Passage

At last we are told how the elements that make up the world are combined in the human being, and how the spirit sustains everything. We can use the images of fire, water and air circulating and exchanging properties to remind ourselves what amazing creatures we are, well suited to the amazing creation of the world we inhabit. Another thing to contemplate while reading this section is the question of whether the elements could ever have combined at all if they hadn't done so in the human being, and if this isn't the essential reason for the creation of mankind.

32. "And I appeared to Abraham, to Isaac, and to Jacob, by the name of El Shadai, but by my name, Hashem, I was not known to them" (Shemot 6:3). Rabbi Chizkiyah opened the discussion saying, "Blessed is the man to whom Hashem imputes no iniquity..." (Tehilim 32:2). How obtuse are people who do not know and do not observe why they are in the world. For when the Holy One, blessed be He, created the world, He made man in His image and made him the way He did, in order that he should be occupied with the Torah and walk in His ways.

32. וְאִרְאָ אֶל אַבְרָהָם אֶל יִצְחָק וְאֶל יַעֲקֹב בְּאֵל שְׁדַי וְשְׁמִי יי' לֹא נוֹדַעְתִּי לָהֶם. רַבִּי חִזְקִיָּה פָתַח, אֲשֶׁרִי אָדָם לֹא יַחֲשֵׁב ה' לוֹ עוֹן וְגו'. כִּמְהָ אֵינּוֹן בְּנֵי נֶשֶׁא אֲטִימִין, דְּלֹא יַדְעִין, וְלֹא מְסַתְבְּלִין, עַל מַה קְיִימִין בְּעֵלְמָא. דְּהָא קוּדְשָׁא ב"ה כִּד בְּרָא עֵלְמָא, עֵבֶד לִיָּה לְבַר נֶשׁ בְּדִיוקְנָא דִּילִיָּה, וְאַתְקִין לִיָּה בְּתַקּוּנּוּ, בְּגִין דִּישְׁתַּדֵּל בְּאוּרִייתָא, וְיַהֲךְ בְּאוּרְחוּי.

33. For when Adam was created, he was composed of the earth of the terrestrial Temple, WHICH IS MALCHUT THAT IS CALLED EARTH, THOUGH IT IS MALCHUT SWEETENED BY BINAH, WHICH IS CALLED THE EARTH OF THE TERRESTRIAL TEMPLE. And the four directions of the world, WHICH ARE CHESED, GVURAH, TIFERET AND MALCHUT, were joined in the that place called the Temple, MEANING IN MALCHUT THAT IS MITIGATED BY BINAH. These four directions of the world joined in four aspects, which are the elements of the world, WHICH ARE fire, air, water and earth, WHICH ARE THE INNER PART OF CHESED, GVURAH, TIFERET AND MALCHUT, and the four directions of the world joined the four elements of the world. The Holy One, blessed be He, formed from them one body of supernal arrangement, WHICH IS BINAH, MEANING THAT MALCHUT IN IT WAS REFINED IN BINAH. THUS, this body is composed of two worlds, this lower world, WHICH IS MALCHUT, and the world above, WHICH IS BINAH.

33. דְּהָא כִּד אַתְבְּרִי אָדָם, מְעַפְרָא דְּמִקְדָּשָׁא דְּלַתְתָּא אַתְתַּקֵּן וְאַרְבַּע סְטְרֵי דְּעֵלְמָא, אַתְחַבְּרוּ בְּהוּא אַתְרֵי דְּאַקְרִי בִּי מִקְדָּשָׁא. וְאֵינּוֹן אַרְבַּע סְטְרִין דְּעֵלְמָא, אַתְחַבְּרוּ בְּאַרְבַּע סְטְרִין, דְּאֵינּוֹן יְסוּדִין דְּעֵלְמָא, א"ש ר"ח וּמִי"ם וְעַפ"ר, וְאַתְחַבְּרוּ אַרְבַּע סְטְרִין אֵלִין, כִּד יְסוּדִין דְּעֵלְמָא, וְאַתְקִין מְנִייהוּ קוּדְשָׁא בְּרִיךְ הוּא חַד גּוּפָא בְּתַקּוּנָא עֲלָאָה. וְהָאֵי גּוּפָא, אַתְחַבְּרֵי מְתִרִין עֲלִמִין, מְעֵלְמָא דָּא תַתָּאָה, וּמְעֵלְמָא דְּלְעִילָא.

34. Rabbi Shimon said, Come and see: The four first ones, WHICH ARE THE FOUR DIRECTIONS OF THE WORLD, are the secret of the Faith, WHICH IS THE NUKVA THAT IS CORRECTED BY THEM. They are the patriarchs of all the worlds, BECAUSE ALL THE WORLDS, BINAH, ZEIR ANPIN AND MALCHUT IN ATZILUT AND THE THREE WORLDS BRIYAH, YETZIRAH, AND ASYAH WERE FORMED FROM CHESED, GVURAH, TIFERET AND MALCHUT, WHICH ARE THREE COLUMNS, AND MALCHUT THAT RECEIVE FROM THEM. And they are the secret of the supernal holy Chariot, MEANING BINAH, WHICH IS A CHARIOT TO CHOCHMAH. And these four elements - fire, air, water and earth - are a supernal secret CONTAINED IN THE FOUR DIRECTIONS OF THE WORLD, MEANING THAT THEY ARE THE INNER PART OF CHESED, GVURAH, TIFERET, AND MALCHUT. Gold, silver, brass, and iron originate in these four ELEMENTS, MEANING THAT GOLD ORIGINATES FROM THE UNION OF ZEIR ANPIN AND MALCHUT UNDER THE DOMINATION OF FIRE OF THE LEFT COLUMN; SILVER ORIGIAES IN THE UNION OF ZEIR ANPIN AND MALCHUT UNDER THE DOMINATION OF WATER OF THE RIGHT COLUMN; BRASS ORIGINATES IN THE DOMINATION OF THE CENTRAL COLUMN AND IRON IN MALCHUT WHEN IT IS NOT UNITED WITH ZEIR ANPIN. Under these FOUR, there are other similar metals. FROM THE GOLD METAL A GREEN METAL ALLOY IS PRODUCED AND FROM THE SILVER METAL, LEAD, ETC.

35. Come and see, fire, air, water and earth are the first ones and the roots above and below; upper and lower beings are based on them. These four ELEMENTS - FIRE, AIR, WATER AND EARTH-correspond to the four directions of the world, BECAUSE THE RELATION BETWEEN THEM IS THAT OF AN OUTER TO THE INNER. THEREFORE, THEY are situated in these four - north, south, east and west - which are the four directions of the world, and the four ELEMENTS abide in them. Fire IS to the north side, WHICH ARE THE VOWEL SHURUK, THE LEFT COLUMN AND THE SFIRAH OF GVURAH. Air is to the east side, WHICH IS THE VOWEL CHIRIK, THE CENTRAL COLUMN AND THE SFIRAH OF TIFERET. Water is to the south side, WHICH IS THE VOWEL CHOLAM, THE RIGHT COLUMN AND THE SFIRAH OF CHESED. Earth is to the west, WHICH IS THE SFIRAH OF MALCHUT THAT RECEIVES THE THREE, FIRE, AIR AND WATER. And these four ELEMENTS - FIRE, AIR, WATER EARTH - are connected to the four DIRECTIONS - NORTH, SOUTH, EAST, AND WEST. And they are all one, EXCEPT THEY ARE WRAPPED ONE WITHIN THE ANOTHER AS OUTER AND INNER. And these FIRE, AIR, WATER, EARTH produce four metals, NAMELY BY MEANS OF UNION WITH MALCHUT, which are gold, silver, brass and iron. And together there are twelve ASPECTS, and are all one, NAMELY THREE COLUMNS AND MALCHUT THAT RECEIVES THEM. AND THEY ARE THUS THREE TIMES FOUR, BECAUSE THE FIRST EIGHT ARE INNER AND OUTER, AND THE FOUR METALS ARE PRODUCED BY THEM, AS SHALL BE SAID.

36. Come and see: Fire is in the Left COLUMN to the north side, WHICH IS GVURAH. Because in the fire are the power of the heat and the power of the dryness. Its opposite is the north, WHICH IS COLD AND MOIST. The one blends with the other and they are one. Water is in the Right COLUMN and is to the south side, WHICH IS CHESED AND IS HOT AND DRY, AS SHALL BE SAID. And the Holy One, blessed be He, in order to join them together, mate the disposition of the one as the disposition of the other.

37. HE EXPLAINS FURTHER, IN the north, WHICH is cold and moist, WAS fire PLACED, WHICH IS hot and dry. SIMILARLY, He switched them in the south side. IN the south, WHICH is hot and dry, water WAS PLACED, WHICH IS cold and moist. NOW HE EXPLAINS THE BLENDING TOGETHER THAT HE AFFECTED. AND HE SAYS, And the Holy One, blessed be He, blended them as one, because water emerges from the south and enters into the north, and water flows from the north. SIMILARLY fire emerges from the north and comes into the power of the south, and the power of heat emerges into the world from the south. WE SEE THAT THE NORTH BRINGS FORTH WATER THAT APPERTAINS TO THE SOUTH, AND THE SOUTH PRODUCES HEAT THAT APPERTAINS TO THE NORTH because the Holy One, blessed be He, CAUSED them to borrow from each other. And each one lent the other of its own, as appropriate. Similarly, the wind and the east side, WHICH ARE HOT AND MOIST, CONTAINS TWO OPPOSITES BECAUSE HEAT COMES FROM THE FIRE, WHICH IS IN THE NORTH, AND MOISTURE COMES FROM WATER, WHICH IS IN THE SOUTH, in order that they should lend one to the other, to be included and join with each other.

38. HE EXPLAINS THE OPPOSITES CONTAINED AIR AND IN THE EAST, AND SAYS, Come and see, fire is on the one side, SOUTH, and water is on the other, NORTH. They are in conflict, AS FIRE WANTS TO BURN THE WATER AND WATER WANTS TO EXTINGUISH FIRE. Air comes between them and holds both sides together, UPHOLDING THEM BOTH, as is written: "And a wind from Elohim moved over the surface of the water" (Bereshheet 1:2). For fire is situated above to the SOUTH side and water to the NORTH side. Air comes between them, holds both sides and settles the quarrel. The water, air and fire stand over the earth, and by means of the three over it, it receives from all of them.

39. HE EXPLAINS FURTHER, SAYING, Come and see, air IS TO the east. BEHOLD, the east is hot and moist AND SO air is hot and moist. Therefore, it is attached to both sides, since fire is hot and dry and water is cold and moist. SO the hot aspect in air, which is hot and moist, is attached to fire and the cold aspect in it is attached to water. It therefore brought peace and nullified the conflict between fire and water.

40. Earth is cold and dry; therefore, it can receive upon itself all of them, NAMELY THE FIRE, WATER AND AIR. They all perform their tasks by it, and it receives from all of them in order to produce by their powers sustenance to the world. Because the earth is attached to the west, being cold and dry LIKE THE WEST, and the cold aspect IN THE EARTH is attached to the north, which is cold and moist, because cold is attached to cold, therefore, the north is attached to the west from the one side. That which is dry in the south, which is hot and dry, is attached to the dryness of the west on the other side OF THE WEST. And so the west is attached to the two sides.

41. The south similarly is attached to the east, for the heat of the south fuses with the heat of the east. Similarly the east is attached to the north, because its moistness fuses with the moistness of the north. Now there is south-east, MEANING THAT THEY ADHERE TO EACH OTHER THROUGH THEIR MUTUAL HEAT, north-east, THROUGH THEIR MUTUAL MOISTNESS, north-west THROUGH THEIR MUTUAL COLDNESS, and south-west THROUGH THEIR MUTUAL DRYNESS. They all are combined with each other, for they evolve from one to another.

42. In a similar way, north produces gold, because gold is formed by the potency of the fire. This is the meaning of: "From the north comes forth gold" (Iyov 37:22), since fire fuses with the earth and gold is formed. This is the meaning of: "He has gold dust" (Iyov 28:6), and the secret meaning of "two gold Cherubs" (Shemot 25:18).

43. Water fuses with earth, and the coldness OF THE EARTH with the moistness of the water produces silver, WHICH IS THE SECRET OF THE LIGHT OF CHASSADIM IN THE SOUTH, WHICH FLOWS FROM ABOVE DOWNWARDS. WHEN IT FUSES WITH THE COLDNESS AND DRYNESS IN THE EARTH, THE DRYNESS OF THE EARTH IS VOIDED AND BECOMES MOIST, MEANING THAT IT FLOWS FROM ABOVE DOWNWARDS. THIS GRADE OF EARTH IS CALLED SILVER. Now earth is attached to two sides, to gold and silver, and is placed between them. Air holds to water and fire, BEING THE CENTRAL COLUMN AS MENTIONED, and brings them both out as one which is CONSIDERED: "like burnished brass" (Daniel 10:6). When earth is on its own, with its coldness and dryness, it produces iron, as mentioned. This is deduced from: "If the iron is blunt (Heb. kehah)..." (Kohelet 10:10). EARTH, WHICH IS MALCHUT, IS CALLED THE DARK (HEB. KEHAH) HAND BECAUSE MALCHUT IS THE SECRET OF THE HAND TEFILIN, AS IS KNOWN.

44. This earth fuses with them all, NAMELY WITH FIRE, AIR AND WATER, and they all produce with it according to their likeness. FIRE PRODUCES GOLD, WHICH IS LIKE IT AND SO DOES WATER PRODUCE SILVER, WHICH IS LIKE IT. Come and see: Without earth, there is neither gold, silver nor brass, because each one lends to the other of its characteristics IN ORDER to combine one with the other. And the earth fuses with all of them because the two sides, fire and water, fuse with it. FOR THE COLDNESS IN IT FUSES WITH THE WATER AND THE DRYNESS IN IT FUSES WITH THE FIRE. And air, WHICH IS ZEIR ANPIN, is attracted to it because IT COMBINES these two - FIRE AND WATER - and performs its deed by it. AIR ALSO COMBINES FIRE AND WATER, FOR THE HEAT IN IT IS FROM FIRE AND THE MOISTNESS IN IT IS FROM WATER.

45. We find that when the earth fused WITH FIRE, WATER AND AIR THAT PRODUCED WITH IT GOLD, SILVER AND BRASS, EARTH ACQUIRED STRENGTH. EARTH made and produced other METALS similar TO GOLD, SILVER AND BRASS. In the likeness of gold, the earth produces dross OF GOLD, which is green just like real gold. In the likeness of silver, it produces lead, WHICH IS LIKE SILVER, and in the likeness of the superior brass, it produces tin, which is called brass minor. In the likeness of iron, it produces a DIFFERENT kind of iron. This is derived from: "Iron sharpens iron" (Mishlei 27:17). IT SHOWS THAT THERE ARE TWO KINDS OF IRON.

46. Come and see: Fire, air, water and earth are all attached to each other and connected to one another. There is no division between them. THEREFORE THERE IS NO DISCONNECTION BETWEEN GOLD, SILVER AND BRASS THAT EMERGED FROM THEM. But those that earth produces afterwards, NAMELY THE DROSS OF GOLD, LEAD, TIN AND IRON, do not connect with each other as those superior do, NAMELY GOLD, SILVER AND BRASS THAT EMERGE FROM FIRE, WATER AND AIR, WHEN COMBINED WITH EARTH. This is stated in the verse: "And from thence it was parted, and branched into four streams" (Beresheet 2:10). Among those there is division.

47. Since when the earth produced by the power of the three upper ones, it brought forth ON ITS OWN four rivers, where there are precious stones. They concentrate in one place, NAMELY IN THE RIVER PISHON ONLY, THAT ORIGINATES FROM THE POWER OF THE FIRE WHICH IS IN THE EARTH, as is written: "There is the crystal and the onyx stone" (Ibid. 12). And these precious stones are twelve in number, to the four directions of the world, THREE TO EVERY SIDE. FOR WHEN THEY ARE INCLUDED WITHIN EACH OTHER THERE ARE ONLY THREE TO EACH OF FIRE, WATER, AIR AND EARTH, INSTEAD OF FOUR TO EACH SIDE, SINCE EARTH HAS NO ILLUMINATION OF ITS OWN, BEING JUST THE RECIPIENT. And they correspond to the twelve tribes, as is written: "And the stones shall be with the names of the children of Yisrael, twelve, according to their names" (Shemot 28:21). And these are the twelve oxen that stood under the sea THAT SOLOMON MADE, MENTIONED IN I MELACHIM 7:25.

48. Come and see: Even though the four aspects that we mentioned are interconnected and sustain the world, it is mostly sustained on air. Everything exists because of it. The Nefesh exists only with air (Ruach), for if air would be missing FROM IT even for one moment, the Nefesh could not exist. This is the secret of what is written: "Also, that the soul (Nefesh) be without knowledge is not good" (Mishlei 19:2). DA'AT (KNOWLEDGE) IS THE CENTRAL COLUMN THAT IS CALLED AIR. A Nefesh without Ruach is no good and cannot exist.

49. Come and see: These twelve stones we mentioned are the twelve oxen that are under the sea THAT SOLOMON MADE. FOR THE NUKVA IS CALLED SEA, AND IT STANDS UPON TWELVE OXEN, WHICH ARE FOUR OXEN EACH ONE COMPOSED OF THREE IN THE WORLD OF BRIYAH. THEY ARE CALLED OXEN BECAUSE THEY ARE MOSTLY UNDER THE DOMINATION OF THE LEFT, AS IT IS SAID: "THE FACE OF AN OX ON THE LEFT SIDE" (YEchezkel 1:10). Therefore, the twelve tribal princes took, AS IS SAID: "All the oxen for burnt offering were twelve bullocks..." (Bemidbar 7:87). It is all a lofty secret, and one who will observe these things will understand the secret of Supernal Wisdom wherein lies the essence of everything.

46. תָּא חֲזִי, אֵשׁ רוּחַ מַיִם וְעֶפֶר, כֻּלָּהוּ אֶחָדֶּךָ הָאֵשׁ בְּדָא, וְאֶתְקַשְׁרָן דָּא בְּדָא. וְלֹא הוּי בְּהוּ פְּרוּדָא. וְעֶפֶר דָּא, בְּדָ אִיהוּ אוֹלִיד לְבִתְרָא, לֹא מִתְקַשְׁרָן דָּא בְּדָא בְּאִינוּן עֲלָאִי, כְּמָה דָּאֵת אֲמַר, וּמִשָּׁם יִפְרֵד וְהִיָּה לְאַרְבַּעָה רְאשִׁים, בְּאֵלִין הוּי פְּרוּדָא.

50. Rabbi Shimon said, Rabbi Chizkiyah said that when the Holy One, blessed be He, created Adam, NAMELY HIS BODY, it was created from the earth of the terrestrial Temple, WHICH IS MALCHUT. Yet his soul was given to him from the earth of the celestial Temple, WHICH IS BINAH. As he was created from the lower earth, three aspects of the elements of the world, WHICH ARE LOWER FIRE, AIR, AND WATER were combined with it, WITH EARTH. So when he was created from the upper earth, three aspects of the elements of the world, UPPER FIRE, AIR AND WATER, were combined WITH EARTH, and Adam was complete IN BODY AND IN SOUL. This is the meaning of: "Blessed is the man to whom Hashem imputes no iniquity, and in whose spirit there is no guile" (Tehilim 32:2). When will Hashem not impute iniquity to him? When there is no guile in his spirit, NAMELY, WHEN HE HAS A SOUL FROM BINAH.

51. Come and see: Moshe was more perfect than the patriarchs because the Holy One, blessed be He, spoke to him from a higher grade than all of them, THAN THE GRADE OF THE PATRIARCHS. Moshe frequented the inside of the King's house, WHICH IS ZEIR ANPIN, NAMELY THAT HE WAS OF THE ASPECT OF DA'AT, WHO IS INNER ASPECT OF ZEIR ANPIN. Therefore it is written: "And I appeared to Abraham, to Isaac, and to Jacob..." and we already explained this.

4. "And I will bring you out...and I will deliver you... and I will redeem you"

Rabbi Yehuda tells us that the exodus from Egypt was the most important part of the events in the title verse; that is why it was mentioned first. But Rabbi Yosi thinks that the best parts are: "and I will deliver you" "and I will redeem you" because this meant the children of Yisrael would not be followed or harmed and they would be redeemed. Furthermore, Hashem promised to accept them as His people and bring them to the land of Yisrael.

The Relevance of this Passage

For deeper understanding of this section it is essential to remember that it applies to each of us as individuals. Remembering God's promise to deliver us from any kind of servitude, to keep us safe, to bring us back to Himself and to give us a home, we can go through our days with renewed faith and hope in our own futures.

52. "Therefore say to the children of Yisrael, 'I am Hashem and I will bring you out'" (Shemot 6:6). Rabbi Yehuda said this passage is in reverse order, for it is first written: "And I will bring you out from under the burdens of Egypt" and then: "And I will deliver you out of their bondage" and then: "And I will redeem you." Should it not have first said, 'I will redeem you' and then: 'And I will bring you out.' AND HE ANSWERS, The most important point of all HE MENTIONED first. Because the Holy One, blessed be He, wanted to herald to them first the best of all, WHICH IS THE EXODUS FROM EGYPT.

53. Rabbi Yosi said, But the best of all is: "And I will take you to Me for a people, and I will be to you as an Elohim" (Ibid. 7). YET He told them this afterwards. He said to him that there was nothing better for them than an exodus at that time, because they thought they would never leave their bondage. For they saw that all the prisoners among them were tied with knots of sorcery, and that they would be forever prevented to go free from them. Therefore, they were announced FIRST of that which was more dear to them than anything else.

50. אָמַר ר' שְׁמַעוֹן, הָא דְאָמַר ר' חֲזִקְיָהּ, דְכַד בְּרָא קוּדְשָׁא בְרִיךְ הוּא לְאָדָם, מֵעַפְרָא דְמִקְדָּשָׁא דְלְתַתָּא אֲתַבְרִי, מֵעַפְרָא דְמִקְדָּשָׁא דְלַעִילָא אֲתוּיְהִיב בֵּיה נִשְׁמַתָּא. כְּמָה דְכַד אֲתַבְרִי מֵעַפְרָא דְלְתַתָּא, אֲתַחְבְּרוּ בֵּיה תְּלַת סְטְרָא יְסוּדֵי עֲלְמָא. הֲכִי נִמְי כְּד אֲתַבְרִי מֵעַפְרָא דְלַעִילָא, אֲתַחְבְּרוּ בֵּיה תְּלַת סְטְרֵי יְסוּדֵי עֲלְמָא, וְאֲשְׁתְּלִים אָדָם. וְהֵינְנוּ דְכָתִיב, אֲשֶׁרִי אָדָם לֹא יַחֲשֵׁב יְיָ לֹא עֹון וְאִין בְּרוּחוֹ רַמְיָהּ. אִימַתִּי לֹא יַחֲשֵׁב יְיָ לֹא עֹון, בְּזִמְן דְאִין בְּרוּחוֹ רַמְיָהּ.

53. אָמַר רַבִּי יוֹסִי, וְהָא שְׁבַחָא דְכֻלָּא, וְלִקְחָתִי אֶתְכֶם לִי לְעָם וְהֵינְתִּי לְכֶם לְאֱלֹהִים, וְאָמַר לִיָּה לְבַתֵּר. א"ל, בְּהָהוּא זְמַנָּא, לִית לְהוּ שְׁבַחָא אֶלָּא יִצִּיאָהּ. דְחֻשְׁבֵי דְלֹא יִמְקוֹן מֵעַבְדוּתָהוֹן לְעֲלָמִין, בְּגִין דְּהוּ חֲמָאן תַּמָּן דְּכָל אֲסִירֵי דְהוּ בִּינְיָהוּ מְקַשְׂרוּ לֹון בְּקַשְׂרָא דְחֻרְשֵׁי, וְלֹא יִכְלִין לְגַמְקָא מִבִּינְיָהוּ לְעֲלָמִין. וּבְגִין כֵּן, מַה דְּחָבִיב עֲלֵיָּהוּ מִכְּלָא, אֲתַבְּשָׂרוּ בֵּיה.

54. And if you argue that even though they left EGYPT, the Egyptians might follow them to harm them, THEREFORE it is written: "And I will deliver you out of their bondage." If you say it is possible that they would go out and be saved BUT they would not be redeemed, the Torah says, "And I will redeem you with an outstretched arm." If you say that He would not accept them AS HIS PEOPLE, it is written: "And I will take". And if you say that when He accepts them AS A PEOPLE, He will not bring them to the land of Yisrael, of this is written: "And I will bring you into the land..." (Shemot 6:8).

54. ואי תימא אע"ג דנפקו, הא דילמא יזלון בתרייהו לאבאשא לון, כתיב והצלתי אתכם מעבודתם. ואי תימא הא יפקון וישתזבון, ולא יהא לון פריקא, ת"ל וגאלתי אתכם בזרוע נטויה. ואי תימא לא יקבלם, הא כתיב ולקחתי. ואי תימא כשיקבלם לא יביאם לארץ, הא כתיב והבאתי אתכם וגו'.

5. General and particular

Rabbi Yosi opens with: "And I shall take you to me as a people and I will be to you as a Elohim and you will know that I am Hashem your Elohim." Rabbi Shimon tells us that the first and most important precept is to know God in the general sense - to know that there is a supernal ruler who is the master of the world and who created all the worlds, heaven and earth, and all their beings. Just as this is the beginning of the precepts, the end of them is to know Him particularly: General and Particular are Beginning and End. They are also the secret of male and female as in Zeir Anpin and Nukva. At the end of 40 years of wandering after leaving Egypt, Moses told the children of Yisrael: "Know therefore this day, and consider it in your heart that Yud hei vav hei is the Elohim." This then is the particular. Rabbi Shimon says that the fear of Hashem is the beginning of knowing Him in particular. We are told next that a person should perfect the 248 limbs of the soul of the soul of man - the 248 positive precepts. After he has been perfected in general he will know in particular. Rabbi Shimon turns to a discussion of the limbs, the days of the year, the Sfirot and their cures. Blessings, life and cures come down to a person only after he completes all 248 precepts. The first word of the Torah when it was given on Mount Sinai was "Anochi (I am)" which is the secret of the first precept of knowing Him in general. "For Hashem your Elohim is a consuming fire" is an allusion to the particular.

The Relevance of this Passage

It seems that we can in no way learn to know God until we acknowledge that He exists and that He created all the worlds, heaven and earth, and all their inhabitants. If we find it difficult to 'know' God, to encounter Him in a particular and personal way, a reading of this passage can encourage us by bringing us back to encounter Him in general. We may softly think to ourselves about what we know of the world and its people, and what we imagine of heaven and the angels, and then remember that God made them all. This understanding will lead us to the wisdom which enables us to encounter God in the particular.

Ra'aya Meheimna (The Faithful Shepherd)

55. "And I will take you to me for a people, and I will be to you as an Elohim; and you shall know that I am Hashem your Elohim..." (Shemot 6:7). This commandment is the first of all the precepts BECAUSE the very beginning of all the precepts IS to know the Holy One, blessed be He, in the general ASPECT. HE ASKS, What is meant by general? HE ANSWERS, IT IS to know that there is a Supernal Ruler, who is the Master of the world, and who created all the worlds, heaven and earth, and all their hosts. This is in general. And everything ends in the particular, NAMELY to know Him in the details.

רעיא מהימנא

55. ולקחתי אתכם לי לעם והייתי לכם לאלהים וידעתם כי אני יי' אלהיכם וגו' פקודא דא קדמא דכל פקודין. ראשיתא קדמא דכל פקודין, למנדע ליה לקודשא ברין הוא בכללא. מאי בכללא. למנדע דאית שליטא עלאה, דאיהו רבון עלמא, וברא עלמין בלהו, שמיא וארעא וכל חיליהון. ודא איהו בכללא. וסופא דכלא בפרט, למנדע ליה בפרט.

56. General and particular is beginning and end. THEY ARE the secret of male and female as one BECAUSE ZEIR ANPIN IS CALLED GENERAL AND THE NUKVA IS CALLED PARTICULAR. Thus man in this world WHO IS OCCUPIED WITH PRECEPTS is occupied with the general and particular, WHICH ARE THE BEGINNING AND THE END OF THE PRECEPTS. AND WE FIND man in this world to be general and particular MEANING THAT HE HAS TO BE PERFECTED BY BOTH. And the perfection of this world is general and particular, SO THE GENERAL, WHICH IS ZEIR ANPIN, WOULD BE UNITED WITH THE NUKVA, WHICH IS PARTICULAR. Therefore, it is first of all necessary to know that there is a ruler and judge in the world, who is the master of all the worlds, who created man from dust and blew into his nostrils the breath of life. This is general.

56. וכלל ופרט איהו רישא וסופא רזא דכר ונוקבא כחדא, ואשתכח בר נש בהאי עלמא, דאתעסק בכלל ופרט, בר נש בהאי עלמא איהו כלל ופרט. תקונא דהאי עלמא, איהו כלל ופרט. בג"כ, ראשיתא דכללא, למנדע דאית שליט דיון על עלמא, ואיהו רבון כל עלמין. וברא ליה לבר נש מעפרא, ונפח באפוי נשמתא דחיי, ודא איהו באורח כלל.

57. When the children of Yisrael left Egypt, they did not know the Holy One, blessed be He. When Moshe came to them, he taught them this first precept, as written: "And you shall know that I am Hashem your Elohim, who brings you out..." Were it not for this commandment, the children of Yisrael would not be faithful TO HASHEM, EVEN AFTER all these miracles and mighty acts that THE HOLY ONE, BLESSED BE HE, performed for them in Egypt. After they knew this commandment in general, miracles and mighty deeds were performed for them, FOR THEY WERE ALREADY CERTAIN THAT THEY WOULD BELIEVE IN HASHEM THROUGH THEM, AS IS WRITTEN: "AND YISRAEL SAW...AND BELIEVED IN HASHEM, AND IN MOSHE HIS SERVANT" (SHEMOT 14:31).

58. At the end of forty years, they endeavored in all the precepts of the Torah that Moshe taught them, both those that apply in the Holy Land and those that are also applicable outside the Holy Land. Then he taught them the particular, as is written: "Know therefore this day, and consider it in your heart", "this day" is precise, that which they had no permission TO KNOW beforehand-"that Hashem is the Elohim" (Devarim 4:39). This is KNOWING by the way of particulars. In this word, PARTICULAR, there are many secrets and mysteries. This PASSAGE: "HASHEM IS THE ELOHIM" and the previous PASSAGE: "AND YOU SHALL KNOW THAT I AM HASHEM YOUR ELOHIM" all pertain to the same thing, only one is in general and the other is in particular.

59. And if you ask, Is it not written: "The fear of Hashem is the beginning of knowledge" (Mishlei 1:7) AND MALCHUT, WHICH IS THE SECRET OF PARTICULAR, IS CALLED THE FEAR OF HASHEM, YET STILL IN ALL, IT IS REFERRED TO AS "THE BEGINNING." SO WE SEE THAT THE PARTICULAR IS THE BEGINNING AND NOT THE GENERAL. The explanation is that we are here discussing the particular itself, MEANING THE BEGINNING OF THE PARTICULAR IS THAT IT IS NECESSARY to know FIRST what the fear of Hashem is. BUT THE BEGINNING OF EVERYTHING IS THE GENERAL AND NOT THE PARTICULAR. And one should fear Him, before knowing AND COCEIVING THE FEAR OF HASHEM, SO WHY IT IS WRITTEN: "THE FEAR OF HASHEM IS THE BEGINNING OF KNOWLEDGE" WHICH SEEMS TO MEAN IT IS FIRST NECESSARY TO KNOW HIM? HE ANSWERS, Yet here it is written: "the beginning of knowledge," MEANING THAT FIRST IT IS NECESSARY TO FEAR HIM AND THROUGH FEAR WE COME TO THE BEGINNING OF KNOWLEDGE AND to know Him, SINCE THE FEAR OF HASHEM IS the beginning of knowing Him in particular, AS MENTIONED.

60. Therefore, the first commandment is to know the Holy One, blessed be He, in general and in particular, in the beginning and in the end, AS IS WRITTEN IN EGYPT: "AND YOU SHALL KNOW THAT I AM HASHEM YOUR ELOHIM..." WHICH IS IN THE FUTURE TENSE THAT CULMINATES AT THE END OF FORTY YEARS IN PARTICULAR. And this is the secret meaning of: "I am first and I am last" (Yeshayah 44:6). "I am first" in general, "and I am last" in particular. It is all spoken with the same principle and secret meaning. After knowing this in general, one should perfect all his limbs. And what are THE LIMBS? THEY ARE the 248 positive precepts, which are the 248 limbs of THE SOUL OF man. BECAUSE EVERY POSITIVE PRECEPT PERFECTS A LIMB WHICH CORRESPONDS TO IT IN THE SOUL OF THE PERSON. After being perfected in them in general, one should know in particular, because this, MEANING PARTICULAR, is healing for everything, and one will know how all the days of the year, MEANING ALL THE SFIROT OF MALCHUT THAT IS CALLED YEAR, join to give healing to all the limbs THAT ARE THE PRECEPTS, THAT IS, THEY MAKE THEM WHOLE.

61. And if you ask, How do all the days of the year cure all the limbs, SEEING THAT MALCHUT, WHICH IS THE SECRET OF THE YEAR, HAS NOTHING OF ITS OWN. ON THE CONTRARY, THE LIMBS, WHICH ARE THE SECRET OF THE GENERAL, NAMELY THE 248 CHANNELS OF ABUNDANCE OF ZEIR ANPIN, ARE THOSE THAT POUR EVERYTHING TO MALCHUT. HE ANSWERS, Certainly it is so above and below, NAMELY IN MALE AND FEMALE AND IN LOWER MAN, that the year and its days, THAT ARE ITS SFIROT, supply cure for all the limbs above IN ZEIR ANPIN, and below IN MAN. The limbs supply a flow of blessings for the days of the year, WHICH ARE THE SFIROT OF MALCHUT, WHICH IS THE PARTICULAR. FOR BY THE POSITIVE PRECEPTS A PERSON PERFORMS, HE DRAWS A FLOW OF BLESSINGS FROM A LIMB, WHICH IS THE SECRET OF ONE CHANNEL OF ZEIR ANPIN, TO ONE OF THE DAYS OF THE YEAR, WHICH IS THE MEANING OF PARTICULAR. Then, healing and life are suspended over us from above UNTIL THE LIMBS become filled with all PERFECTION, AND SUPPLY THEM TO THE PARTICULAR, WHICH IS THE YEAR. THEN THE MOCHIN OF THE PARTICULAR ARE REVEALED. Who caused THE LIMBS to be filled with all PERFECTION-The days of the year ARE THOSE THAT CAUSED THIS BECAUSE THE LIMBS WERE TO PERFECT IT. AND IF THE YEAR DID NOT NEED IMPROVEMENT, THE LIMBS, WHICH ARE THE CHANNELS OF THE FLOW FROM ZEIR ANPIN, WOULD NOT BECOME FILLED WITH ABUNDANCE. THEREFORE, IT IS CONSIDERED AS THOUGH THE DAYS OF THE YEAR GAVE HEALING AND LIFE TO THE LIMBS.

62. And so it is below. When a person perfects himself with these 248 POSITIVE precepts in the Torah, there is no day that will not be blessed him, BY THAT MAN, and when they are blessed from him, life and healing are suspended over him from above. THIS MEANS THAT THEY ARE NOT DRAWN TO MALCHUT BEFORE MAN COMPLETES ALL THE 248 POSITIVE PRECEPTS IN THEIR ENTIRETY, AND THEY ARE SUSPENDED ABOVE HIM FROM ABOVE UNTIL THEN. What caused THE SUPERNAL CHANNELS TO BE FILLED WITH HEALING AND LIFE-the days of the year, AS MENTIONED BEFORE. THEREFORE, IT IS CONSIDERED AS THOUGH THE DAYS OF THE YEAR GAVE THEM HEALING AND LIFE, AS MENTIONED. Just as the days of the year are blessed from above from the secret of man, WHICH IS ZEIR ANPIN, they are also blessed below from the secret of THE LOWER man, THROUGH THE PRECEPTS THAT HE FULFILLS.

63. Fortunate are the children of Yisrael in this world with those precepts THAT THEY OBSERVE, for they are called men BECAUSE OF THIS, as is written: "are men" (Yechezkel 34:31). THIS MEANS you are called men and idol worshippers are not called men. Since the children of Yisrael are called men, they should strive in the precepts of the Torah, WHICH ARE 613 CORRESPONDING TO THE 248 LIMBS AND 365 SINEWS THAT ARE IN THE HUMAN BODY, so they would all form one body in accordance with the secret meaning of man.

61. ואי תימא, כל יומי שתא, היך יהבין אסוותא לכל שויפין. ודאי הכי הוא עילא ותתא, שתא ויומי דיליה, יהבין אסוותא לכל שויפין עילא ותתא, דשויפין אריקו ברבאן ליומי שתא כדין אסוותא וחיין תליין עלן מלעילא, ואתמליין מכלא. מאן גרים לון. יומי שתא.

62. אוף הכי נמי לתתא, כד בר נש ושלום גומיה באינן פקודין דאורייתא לית לך כל יומא דלא אתיאי לאתברכא מניה, וכד אינן אתברכאן מניה, כדין חיין ואסוותא תליין עליה מלעילא. מאן גרים ליה. אינן יומי שתא. יומי שתא, כמה דאתברכאן מלעילא מרזא דאדם. הכי נמי אתברכאן מתתא מרזא דאדם.

63. זכאין אינן ישראל בהאי עלמא, באלין פקודין דאורייתא, דאקרון אדם, דכתיב. אדם אתם. אתם קרויים אדם, ועכו"ם לא אקרון אדם. ובגין דישראל אקרי אדם, אית לון לאשתדלא באינן פקודין דאורייתא, למהוי כללא חד, ברזא דאדם.
(ע"כ רעיא מהימנא)

64. When the Holy One, blessed be He, gave the Torah to the children of Yisrael on Mount Sinai, the first word was: "I (Heb. anochi)." "I" contains many secrets, and here is the secret of the first precept of knowing Him in general. For it is written: "I", which alludes to the existence of an Elohim, a Supernal Ruler over the world, WHICH IS THE SECRET OF ZEIR ANPIN, WHICH IS GENERAL, as written: "For Hashem your Elohim is a consuming fire" (Devarim 4:24), WHICH IS THE SECRET OF ZEIR ANPIN and is the first precept of the aspect of general. SO THERE IS HERE AN ALLUSION to the particular, for it is written: "Hashem your Elohim" which is a particular. And this general and particular is the first precept of the need to know in the beginning and in the end as we explained. (End of Ra'aya Meheimna)

64. בְּדַ וְהָב קוֹדֶשׁא בְּרִיךְ הוּא אוֹרְיִיתָא לְיִשְׂרָאֵל עַל טוֹרָא דְסִינַי, מְלָה קְדָמָאָה אִיהוּ אֲנֹכִי, אֲנֹכִי סִלְקָא לְרִזִין סְגִיָּאִין. וְהִכָּא אִיהוּ רִזָּא דְמְקוֹדָא קְדָמָאָה, לְמַנְדַּע לִיָּה בְּכֻלָּא. בְּגִין דְכֹתִיב אֲנֹכִי, הָא קָא רְמִיז, דְאִית אֱלֹהָא שְׁלִיטָא עַלְאָה עַל עֲלָמָא, כְּדִ"א כִּי יִי' אֱלֹהֵיךָ אִשׁ אוֹכְלָה הוּא, פְּקוּדָא קְדָמָאָה בְּכֻלָּל. בְּפִרְט: בְּגִין דְכֹתִיב, ה' אֱלֹהֵיךָ דָּא פִּרְט, וְדָא כָּלֵל וּפִרְט, פְּקוּדָא קְדָמָאָה, דְאֶצְטְרִיךְ לְמַנְדַּע בְּרִישָׁא וּבְסוּפָא, כְּמָה דְאוֹקִימְנָא.

6. "But they hearkened not to Moshe for anguish of spirit"

Rabbi Yehuda says "anguish of spirit" means the people did not have enough rest or enough breath. But Rabbi Shimon answers that it means two things: that Binah had not yet released joy so rest and freedom were not yet available; and that Malchut had not yet ruled in the world to institute just laws.

65. "And Moshe spoke so to the children of Yisrael, but they hearkened not to Moshe for anguish of spirit" (Shemot 6:9). HE ASKS, What is "anguish of spirit"? Rabbi Yehuda said, They did not rest FROM THEIR LABOR and they did not gather into themselves SUFFICIENT breath. Rabbi Shimon said, Anguish of spirit MEANS the Jubilee was still not released, WHICH IS BINAH, to give them rest AND FREEDOM, and the last spirit, WHICH IS MALCHUT, had not yet ruled IN THE WORLD to institute JUST laws IN THE WORLD. Therefore, there was anguish of spirit. Which spirit is it? It is the last spirit that we mentioned, WHICH IS MALCHUT, WHO WAS TOO HELPLESS TO SAVE YISRAEL, WHICH IS THE MEANING OF "ANGUISH OF SPIRIT."

65. וַיְדַבֵּר מֹשֶׁה בֵּן אֶל בְּנֵי יִשְׂרָאֵל וְלֹא שָׁמְעוּ אֶל מֹשֶׁה מְקוּצֵר רוּחַ. מֵאִי מְקוּצֵר רוּחַ. א"ר יְהוּדָה, דְּלֹא הוּוּ נְפִישִׁי, וְלֹא הוּוּ לְקִיטֵי רוּחָא. א"ר שְׁמַעוֹן, מְקוּצֵר רוּחַ: דְּעַד לֹא נִפְק יוֹבְלָא, לְמִיָּהב לִוֵּן נְפִישׁוּ. וְרוּחַ בְּתַרְאָה, עַד לֹא שְׁלֵטָא לְמַעַבְד נִימוּסִי, וּכְדִין הָוֵה עֲאֲקוּ דְרוּחָא. מֵאֵן אִיהוּ. רוּחַ בְּתַרְאָה דְקָאמְרֵן.

7. Voice and speech

Rabbi Shimon begins with: "Behold the children of Yisrael did not listen to me and how will Pharaoh hearken to me and I have impeded lips?" He says that Zeir Anpin is voice and Malchut is speech or words. Moses was voice but while the people were in exile he had no speech until he reached Mount Sinai and was given the Torah. Then voice combined with speech and he spoke words. We hear that 'said' in "For Elohim has said lest the people regret" does not mean speaking by mouth but is rather the silent wish of the heart. Rabbi Shimon turns to the verse: "And I appeared to Abraham, to Isaac and to Jacob." He tells us that Jacob was a vehicle for Tiferet, the central column, while Abraham and Isaac are the right and left columns, their perfection depending on the central one. Lastly he says that whoever has earned a covenant has earned the land, because the two are combined.

66. Come and see: It is written: "Behold, the children of Yisrael did not listen to me; how than shall Pharaoh hear me, who am of uncircumcised lips" (Shemot 6:12). HE ASKS, What is "who am of uncircumcised lips"? At first it was written: "I am not an eloquent man... but I am slow of speech, and of a slow tongue" to which the Holy One, blessed be He, replied, "Who gave man a mouth" and He said, "And I will be with your mouth" (Shemot 4:10-12). Can you imagine that it was not so? Yet now he says, I "am of uncircumcised lips." If so, where is the previous assurance of the Holy One, blessed be He, to him, NAMELY THE ASSURANCE, "AND I WILL BE WITH YOUR MOUTH..."

66. תָּא חֲזִי, כְּתִיב הֵן בְּנֵי יִשְׂרָאֵל לֹא שָׁמְעוּ אֵלַי וְאִיךְ יִשְׁמַעֲנִי פִּרְעָה וְאֲנִי עַרְל שְׁפִתִּים, מֵאִי וְאֲנִי עַרְל שְׁפִתִּים. וְהָא בְּקְדָמִיתָא כְּתִיב לֹא אִישׁ דְּבָרִים אֲנֹכִי וְגו' כִּי כְּבַד פֶּה וּכְבַד לְשׁוֹן אֲנֹכִי, וְקוֹדֶשׁא בְּרִיךְ הוּא הָוֵה אוֹתִיב לִיָּה, מִי שֶׁם פֶּה לְאָדָם וְגו', וְהוּא אָמַר וְאֲנֹכִי אֶהְיֶה עִם פִּיךָ, ס"ד דְּלֹא הָוֵה בֵּן, וְהִשְׁתָּא אָמַר וְאֲנִי עַרְל שְׁפִתִּים, אִי הִכִּי, אֵן הוּא מְלָה דְאֲבִטַח לִיָּה קוֹדֶשׁא בְּרִיךְ הוּא בְּקְדָמִיתָא.

67. AND HE ANSWERS: It is a secret. Moshe IS voice, NAMELY ZEIR ANPIN THAT IS CALLED VOICE, and speech, which is his words, NAMELY MALCHUT, was in exile. THEREFORE, Moshe was impeded IN MOUTH from explaining things, and therefore he said, "how then shall Pharaoh hear me" when my speech, WHICH IS MALCHUT, is still in exile, and I am speechless, a speechless voice, for it is in exile. Therefore the Holy One, blessed be He, made Aaron a partner to him, INSTEAD OF MALCHUT, AS HE IS THE QUEEN'S BEST MAN.

68. Come and see, as long as speech, WHICH IS MALCHUT, was in exile, voice, WHICH IS ZEIR ANPIN, was gone FROM SPEECH, and speech was uncircumcised, voiceless. When Moshe came, the voice came BECAUSE HE WAS A CHARIOT TO ZEIR ANPIN, WHICH IS CALLED VOICE. Moshe was voice without speech because SPEECH was in exile. And Moshe went while speech was in exile to Mount Sinai and the Torah was given. At that time, voice joined with speech, NAMELY ZEIR ANPIN WITH MALCHUT, and then he spoke words. This is the meaning of: "And Elohim spoke all these words" (Shemot 20:1) IN THE ASPECT OF VOICE WITHOUT SPEECH, AND SO HE WENT UNTIL THESE BECAME CLOSE. Then Moshe became properly whole with speech, BECAUSE voice and speech were whole together.

69. And Moshe complained that he lacked speech, except for the time when MALCHUT spoke to reproach him, NAMELY at the time that is written: "for since I came to Pharaoh to speak in your name, HE HAD DONE EVIL TO THIS PEOPLE..." (Shemot 5:23). Immediately, "And Elohim spoke to Moshe," SINCE MALCHUT, THE SECRET OF WORD, WHICH IS CALLED ELOHIM, SPOKE TO HIM STERNLY, AS THE WORD 'SPEAK' IMPLIES A STERN LANGUAGE. SHE REPROACHED HIM FOR SAYING, "FOR SINCE I CAME TO PHARAOH..." MALCHUT STARTED TO SPEAK TO HIM, EVEN THOUGH SHE WAS IN EXILE, THE REASON BEING THAT THE SPEECH WAS ONLY TO SHOW ANGER. Come and see that it was so, because speech started speaking and then stopped, and the voice, WHICH IS ZEIR ANPIN, completed it. Hence the passage ENDS: "And said to him, I am Hashem" BECAUSE HASHEM IS ZEIR ANPIN. That is because speech was still in exile, and its time to speak had not yet come. THEREFORE ZEIR ANPIN SPOKE WITH HIM.

70. Because of this, Moshe was not whole in the beginning, NOT HAVING THE WORD, THAT IS MALCHUT. For he was voice THAT NEEDS THE WORD, and came for speech to take it out of the exile. As soon as it emerged from the exile, and voice and speech united at Mount Sinai AS MENTIONED, Moshe was perfected and was cured OF HIS SPEECH IMPEDIMENT. And then we find voice and word together wholly.

71. Come and see: All the days that Moshe was in Egypt and wanted to take out the word from exile, the word, which is speech, did not speak. As soon as it emerged from the exile, and voice and speech combined, that word which is speech, NAMELY MALCHUT, led and guided Yisrael, but did not speak until YISRAEL approached Mount Sinai. It opened with the Torah, which is the proper way. And if you claim IT IS WRITTEN: "For Elohim said, lest the people repent" (Shemot 13:17). AND THE NAME ELOHIM DENOTES MALCHUT, SO IT SPOKE BEFORE TORAH WAS GIVEN. HE ANSWERS, It says "said," which is NOT SPEAKING BY MOUTH, BUT RATHER the silent wish of the heart, WHICH IS CALLED "SAYING" AS IN "HAMAN THOUGHT (LIT. 'SAID') IN HIS HEART" (ESTER 6:6), as we have already explained.

67. אֵלָא רְזָא אִיהוּ, מֹשֶׁה קָלָא, וְדַבּוּר דְאִיהוּ מְלָה דִילִיָּה, הוּהּ בְגָלוּתָא, וְהוּהּ אִיהוּ אָטִים לְפִרְשָׁא מְלִין, וּבְגִין דָּא אָמַר, וְאִיךְ יִשְׁמַעְנִי פִרְעָה, בְּעוּד דְמְלָה דִילִי אִיהוּ בְגָלוּתָא דִילִיָּה, דְהָא לִית לִי מְלָה. הָא אָנָּא קָלָא מְלָה גֵרַע, דְאִיהוּ בְגָלוּתָא, וְעַד, שְׁתַּף קוּדְשָׁא בְרִיךְ הוּא לְאַהֲרֹן בְּהַרְיָה.

72. "And Elohim spoke to Moshe, and said to him, 'I am Hashem'" (Shemot 6:2). Rabbi Yehuda opened the discussion saying, "I rose to open to my beloved; but my beloved has turned away, and was gone..." (Shir Hashirim 5:6). "I rose to open to my beloved": This is voice, WHICH IS ZEIR ANPIN, WHICH IS THE BELOVED OF MALCHUT. Come and see: When the Congregation of Yisrael, WHICH IS MALCHUT, is in exile, the voice was gone from it, and the words subsided from it, as is written: "I was dumb with silence" (Tehilim 39:3). And if the word awakened, MEANING THAT IT WAS STIMULATED TO SPEAK, it is written, "But my beloved has turned away, and was gone," since the voice was gone from it and the word discontinued. Hence, "And Elohim spoke to Moshe." It started to speak and then stopped and remained silent. And afterwards the voice finished the sentence, WHICH IS ZEIR ANPIN, and said, "And said to him, 'I am Hashem.'"

73. "And I appeared to Abraham, to Isaac, and to Jacob." By Jacob, there is an additional Vav (=and) AS IS SAID, "AND TO JACOB" TO SHOW that he is the selected of the patriarchs. VAV DENOTES TIFERET, WHICH IS THE CENTRAL COLUMN OF ZEIR ANPIN, AND JACOB WAS A CHARIOT FOR IT, AND ABRAHAM AND ISAAC ARE THE TWO COLUMNS, RIGHT AND LEFT OF ZEIR ANPIN, AND THEIR PERFECTION IS DEPENDENT ON THE CENTRAL COLUMN, WHICH IS JACOB. The same way, it is said, "The Elohim of Abraham, the Elohim of Isaac and the Elohim of Jacob" (Shemot 3:6). By Jacob there is an additional Vav (=and). Rabbi Yosi said, If so, it is written: "I am Hashem, Elohim of Abraham your father, and Elohim of Isaac" (Bereshheet 28:13). Here Isaac is written with an additional Vav. BUT SURELY IT IS THE CONJUNCTIVE VAV. IT DOES NOT CARRY A HOMILETICAL REASON.

74. He said to him, It is well, AND THERE IS NO DIFFICULTY because Jacob was alive, and THE VERSE included Jacob in Isaac, whose eyes were dim, and who was as one who is dead. Because as long as a person lives in this world, the Holy Name is not mentioned in relation to him. Therefore, he was included in Isaac. THEREFORE THERE IS AN ADDITIONAL VAV BY ISAAC, but now that Jacob has died, the matter has returned to its place. This is the meaning of: "And I appeared to Abraham, to Isaac, and to Jacob" with an additional Vav.

75. "By the name of El Shadai" means I appeared to them from within the mirror that does not illuminate, WHICH IS MALCHUT THAT IS CALLED EL SHADAI, but did not appear through the illuminating mirror, WHICH IS ZEIR ANPIN CALLED YUD HEI VAV HEI. And if you say the PATRIARCHS united with the Nukva only, NAMELY MALCHUT, and not more, come and see that ZEIR ANPIN never separated FROM THE NUKVA IN RELATION TO THE PATRIARCHS. This is the meaning of: "And I have also established my covenant with them" (Shemot 6:4), because the covenant THAT IS THE YESOD OF ZEIR ANPIN joined with MALCHUT.

76. One should learn from the Holy One, blessed be He, NOT TO SEPARATE BETWEEN ZEIR ANPIN AND THE NUKVA because He did not separate them, as is written: "El Shadai", WHICH IS THE NUKVA, and also, "And also I have sustained my covenant with them", WHICH IS YESOD OF ZEIR ANPIN THAT HAS JOINED WITH HER. And we learned that whoever has merited to a covenant, TO YESOD OF ZEIR ANPIN, merited the land, WHICH IS THE NUKVA, SINCE THEY ARE JOINED TOGETHER, as mentioned.

72. וַיְדַבֵּר אֱלֹהִים אֶל מֹשֶׁה וַיֹּאמֶר אֵלָיו אֲנִי ה'. ר' יְהוּדָה פָּתַח, קָמְתִי אֲנִי לַפְתוּחַ לְדוּדֵי וְדוּדֵי חֶמֶק עָבַר וְגו'. קָמְתִי אֲנִי לַפְתוּחַ לְדוּדֵי, דָּא קָלָא. תָּא חֲזִי, בְּנִסְתַּי יִשְׂרָאֵל בְּדַ אֵיהִי בְּגִלּוּתָא, קָלָא אֶסְתַּלַּק מִינָהּ, וּמְלָה אֶשְׁתַּכַּךְ מִינָהּ, כַּמְד"א נֶאֱלַמְתִּי דוּמְיָהּ. וְאִי אֶתְעַר מְלָתָא, מַה בְּתִיב, וְדוּדֵי חֶמֶק עָבַר, דְּהָא קָלָא אֶסְתַּלַּק מִינָהּ, וּפְסַקָא מְלָה. וְעַל דָּא וַיְדַבֵּר אֱלֹהִים אֶל מֹשֶׁה, שְׂרִיאת לְמַלְלָא, וּפְסַק וְשְׁתִּיק. לְבַתַּר אֲשֵׁלִים קָלָא וַאֲמַר וַיֹּאמֶר אֵלָיו אֲנִי ה'.

8. "Be afraid of the sword"

Rabbi Shimon speaks to Rabbi Chiya and Rabbi Yosi about the verse: "Be afraid of the sword. For wrath brings the punishment of the sword, that

you may know that there is a judgment." He says 'the sword' is "the sword that avenges the revenge of the covenant," in other words, that punishes anyone who cheats the covenant or is perverse. "For wrath brings the punishments of the sword" because all who falsify the covenant decrease the desire of Malchut to take sustenance from Zeir Anpin. On the other hand, everyone who observes the covenant stimulates it properly, thereby blessing those above and those below. The covenant is stimulated whenever righteous people are found in the world. As evidence for this Rabbi Shimon offers: "And also I have sustained my covenant with them to give them the Land of Canaan, the land of their sojourns (Heb. megureihem)." When the covenant was still remembered and kept by the children of Yisrael all the Sfirot combined in one to liberate them from Egypt.

77. One day, Rabbi Chiya and Rabbi Yosi were before Rabbi Shimon. Rabbi Shimon opened the discussion saying, "Be afraid of the sword. For wrath brings the punishments of the sword, that you may know that there is a judgment" (Iyov 19:29). HE ASKS, It is written: "Be afraid of the sword." What sword? HE ANSWERS, This is "a sword...that shall avenge my covenant" (Vayikra 26:25). This sword, WHICH IS MALCHUT, stands to observe who is false to the covenant, WHICH IS YESOD, because anyone who is false to the covenant BLEMISHES IT WITH SEXUAL MISCONDUCT OR SPILLING SEMEN IN VAIN, it is this sword that takes vengeance on him.

78. This is the meaning of: "For wrath brings the punishments of the sword." What is the reason? IT IS that anyone who is false to the covenant distances the desire OF MALCHUT TO RECEIVE SUSTENANCE FROM ZEIR ANPIN, and thus whoever should receive SUSTENANCE, NAMELY YESOD does not receive it, and does not give to his place, since his place, WHICH IS MALCHUT, is not awakened toward him. BECAUSE OF THE BLEMISH IN THE COVENANT THE DESIRE TO RECEIVE SUSTENANCE WAS REMOVED FROM IT. Everyone who observes this covenant arouses the covenant towards its place, WHICH IS MALCHUT, and the upper and lower beings are blessed.

79. Who awakens this covenant to its place? When there are righteous people in the world, THEY AWAKEN IT. How do we know this? From the words: "And I have also established my covenant with them, to give them the land of Canaan, the land of their sojourns (Heb. megureihem)" (Shemot 6:4). What is 'megureihem'? IT IS as written: "Be afraid (Heb. guru) of the sword", WHICH IS MALCHUT AS MENTIONED. Because it is a place that causes fear in the world. Therefore IT SAYS: "Be afraid of the sword." SO THE PATRIARCHS STIMULATED THE COVENANT TO ITS PLACE, WHICH IS MALCHUT, OF WHICH IT SAYS, "TO GIVE TO THEM THE LAND OF THEIR SOJOURNS," AS EXPLAINED.

80. "in which they sojourned (Heb. garu)" (Ibid.). 'GARU' MEANS THAT from the day that they approached the Holy One, blessed be He, they had feared in it FROM HASHEM and it consisted of a supernal fear in observing His commandments. BECAUSE MALCHUT IS THE ASPECT OF FEAR, and if a person will not place fear over his head IN OBSERVING THE COVENANT, he will never fear of the Holy One, blessed be He, in the other precepts.

81. Come and see, of the awakening from below, when the children of Yisrael were awakened towards the Holy One, blessed be He, and cried before Him, it is written: "And I have remembered my covenant" (Shemot 6:5), because He remembered the covenant. Then the desire arose to connect everything in one bond, as since the covenant was awakened, WHICH IS YESOD OF ZEIR ANPIN, the bond of all THE SFIROT OF ZEIR ANPIN became awakened. "And I have remembered my covenant" MEANS to attach it to its place, WHICH IS MALCHUT. Therefore it is written, "Therefore say to the children of Yisrael, I am Hashem" (Ibid. 6) FOR ALL THE SFIROT JOINED INTO ONE BOND TO REDEEM YISRAEL FROM EGYPT.

9. "These are the heads of their fathers' houses"

This section opens with the verse: "And Hashem spoke to Moses and Aaron and commanded them about the children of Yisrael and about Pharaoh the king of Egypt." Rabbi Yosi explains that this means the children of Yisrael were to be led with gentleness and the Pharaoh was to be treated with honor and respect. Rabbi Yisa wonders why it says: "These are the leaders of their fathers' house," and Rabbi Shimon answers that they were kings and the children of kings, leaders of their clans who did not deny their customs or mingle with other nations. Moses and Aaron were without equal among the princes of Yisrael because of their lineage, especially because of Pinchas who saved so many thousands when he killed Zimri and Kozbi and halted the plague. God saw that two of Aaron's sons would eventually blemish the covenant, so he did not want to send Aaron on the mission, but when he saw Pinchas repairing the blemish - sustaining the covenant - he reinstated Aaron with Moses. Rabbi Shimon adds that Moses is air or spirit and Aaron is water, and together they combine Tiferet and Chesed.

The Relevance of this Passage

When people are chosen to be leaders it is because they have some quality or qualities that make them fit for leadership. As we think about this section we can study the ways in which Moses and Aaron exhibited these qualities by showing gentleness, honor and respect to both their own people and their adversary. This ability in a man to transcend his own nature and honor his enemies - for even criminals treat their friends with respect - is the sign of a great soul, one who has overcome his lower nature and thereby rules his inner kingdom. This is the true 'royal man', who is also the natural choice for a temporal leader. Reading this section will make us more fit for leadership ourselves, and help us guide others to their own freedom.

82. "And Hashem spoke to Moshe and to Aaron, and gave them a charge to the children of Yisrael, and to Pharaoh king of Egypt" (Shemot 6:13). Rabbi Yosi said, THE REASON IT SAYS, "AND GAVE THEM A CHARGE to the children of Yisrael," is that He commanded to lead them with gentleness as necessary. "And to Pharaoh" MEANS treating him with honor. This has already been explained.

82. וַיְדַבֵּר ה' אֶל מֹשֶׁה וְאֶל אַהֲרֹן וַיִּצְוֶם אֶל בְּנֵי יִשְׂרָאֵל וְאֶל פַּרְעֹה מֶלֶךְ מִצְרַיִם. ר' יוֹסִי אָמַר, אֶל בְּנֵי יִשְׂרָאֵל לְדַבְּרָא לֹון בְּנַחַת בְּדָקָא חֲזִי, וְאֶל פַּרְעֹה: לְאַנְהָגָא בֵּיהּ יְקָר, וְאוֹקְמוּהָ.

83. Rabbi Yisa said, Why did THE TORAH place close to the verse THE PARAGRAPH OF: "These are the heads of their fathers' houses" (Ibid. 14)? HE ANSWERS, The Holy One, blessed be He, said to him, Speak to the children of Yisrael gently, because even though they are in hard labor, they are kings, the children of kings. Therefore it is written, "These are the heads of their fathers' houses," AS HE SAID TO HIM, These that you see are the heads of fathers' houses.

83. אָמַר רַבִּי יִיסָא, אֲמַאי סָמִיךְ הֵכָא אֱלֹהֵי רָאשֵׁי בֵּית אֲבוֹתָם. אֱלֹא, אָמַר לִיהּ קוֹדֶשָׁא בְּרִיךְ הוּא, דְּבָרוּ לֹון לְבָנֵי יִשְׂרָאֵל בְּנַחַת, דַּאֲע"ג דְּאִינוּן יְתִבֵּי בְּסוּלְחָנָא קִשְׂיָא, מְלָכִין בְּנֵי מְלָכִין אִינוּן. וּבְגִין כִּךְ, כְּתִיב, אֱלֹהֵי רָאשֵׁי בֵּית אֲבוֹתָם אֵלִין דַּאֲתָּ חֲמִי, רִישֵׁי בֵּית אֲבֵהֶן אִינוּן.

84. Rabbi Chiya said, THIS IS WHY, "THESE ARE THE HEADS OF THEIR FATHERS' HOUSES" IS THE ADJASCENT VERSE, TO TEACH that they all did not deny their customs, did not mingle with any other nation. There are those who stood on their holy ground and were not false by mingling with the Egyptians. Rabbi Acha said, THE REASON "THESE ARE THE HEADS OF THEIR FATHERS' HOUSES...." IS ADJASCENT IS in order to express THE LINEAGE of Moshe and Aaron, that they were suitable to take out the children of Yisrael, to speak to Pharaoh, and to chastise him with the rod. Their equal was not to be found among all the princes of Yisrael.

84. א"ר חִיָּיא, דְּכֻלְהוּ לָא שְׁקֵרוּ נִימוּסֵיהוֹן, וְלֹא אֲתַעְרְבוּ בְּעַמָּא אַחְרָא אֵלִין אִינוּן דְּקִיּוּמוּ בְּדוּכְתֵייהוּ קְדִישָׁא, וְלֹא שְׁקֵרוּ לְאַתְעַרְבָא בְּהוּ בְּמִצְרַאִי. אָמַר רַבִּי אַחָא, בְּגִין לְאִייתָא לְמוֹשֶׁה וְלְאַהֲרֹן, דְּאִינוּן אֲתַחְזוּן לְאַפְקָא לְהוּ לְיִשְׂרָאֵל, וְלְמַלְלָא לְפַרְעֹה, וְלְרַדָּא לִיהּ בַּחוּטְרָא, בְּגִין דְּבִכַל רִישֵׁיהוֹן דִּישְׂרָאֵל, לָא אֲשַׁתְּכַח כְּוֹתֵייהוּ.

85. Come and see, IT IS WRITTEN: "And Elazar the son of Aaron took him one of the daughters of Putiel to wife; and she bore him Pinchas. These are the heads of the fathers of the Levites" (Shemot 6:25). HE ASKS, WHY DOES IT SAY, "These are the heads," IN PLURAL? PINCHAS was only one. HE ANSWERS, Because Pinchas saved so many thousands and tens of thousands of Yisrael, and saved many heads of fathers WHEN HE KILLED ZIMRI AND KOZBI, SO THE PLAGUE WAS STAYED FROM YISRAEL. Therefore, it is written of him: "These" IN PLURAL.

85. תָּא חֲזִי, וְאַלְעֶזֶר בֶּן אַהֲרֹן לָקַח לוֹ מִבְּנוֹת פּוּטִיאֵל לוֹ לְאִשָּׁה וַתֵּלֶד לוֹ אֶת פִּינְחָס אֱלֹהֵי רָאשֵׁי אֲבוֹת הַלְוִיִּם. וְכִי אֱלֹהֵי רָאשֵׁי, וְהָא הוּא בְּלַחְדוּדוּי הוּא. אֱלֹא, בְּגִין דְּפִינְחָס קִיּוּם כְּמַה אֵלְמִין וּרְבוּוֹן מִיִּשְׂרָאֵל, וְהוּא קִיּוּם לְרָאשֵׁי אֲבֵהֶן, כְּתִיב בֵּיהּ אֱלֹהֵי.

86. Another EXPLANATION OF THE PASSAGE THAT SAYS, "And she bore Pinchas. These are the heads" IN PLURAL: Because the loss of the heads of the Levites was recovered in him, and he restored whatever they missed and was burned. He earned their priesthood and the form of both of them dwelt IN PINCHAS. HE ASKS, You say that the loss of the heads of Levites is found in him. Who are they? HE ANSWERS, They are Nadab and Abihu. They separated the sign of the covenant from its place, WHICH IS MALCHUT, BECAUSE THEY OFFERED A STRANGE FIRE, and he came and connected them. Therefore the inheritance and the spirit of both of them was given to him. And it is mentioned here IN THE PASSAGE what will occur later on. THEREFORE IT IS WRITTEN BY HIM: "THESE ARE THE HEADS," IN PLURAL.

87. And if you ask, Why is Pinchas mentioned here; AFTER ALL, THE PASSAGE CAME ONLY TO IMPRESS THE LINEAGE OF MOSHE AND AARON AS MENTIONED. HE ANSWERS, Because the Holy One, blessed be He, saw of Aaron, when He said, "And I remembered my covenant," that his two sons would eventually blemish this covenant. Now that He was sending him to Egypt TO TAKE OUT YISRAEL, He wanted to remove Aaron, not allowing him to go on this mission. BUT as soon as the Holy One, blessed be He, saw Pinchas standing and sustaining this covenant in its place, and repairing the blemish OF NADAB AND ABIHU, immediately THE PASSAGE SAYS, "These are that Aaron and Moshe" (Shemot 6:26). The Holy One, blessed be He, said, Now he is Aaron, the original Aaron, AS BEFORE NADAB AND ABIHU BLEMISHED THE COVENANT, BECAUSE PINCHAS REPAIRED THE BLEMISH.

88. "These are that Aaron and Moshe, to whom Hashem said 'Take out the children of Yisrael from the Land of Egypt...'" HE ASKS, THE PASSAGE SAYS, "These are that (lit. 'he is') Aaron and Moshe", but it should say, 'These are Aaron and Moshe.' HE ANSWERS, it is to combine the air, WHICH IS MOSHE, with water, WHICH IS AARON. AND WHEN IT SAYS, "He is Moshe and Aaron" (Ibid. 27), it is to combine water, WHICH IS AARON, with air, WHICH IS MOSHE. MOSHE IS THE ASPECT OF AIR, WHICH IS TIFERET OF ZEIR ANPIN, AND AARON IS THE ASPECT OF WATER, WHICH IS CHESED OF ZEIR ANPIN. Therefore, it is written: "He is AARON AND MOSHE" instead of "These are" BECAUSE THEY ARE COMBINED ONE WITH THE OTHER, AS EXPLAINED.

10. "Know therefore this day, and consider it in your heart"

Rabbi Elazar opens the discussion, saying: "And you should know today and lay it to your heart (Heb. levavecha) that Hashem is Elohim." Rabbi Shimon says if you really want to understand this and know that Hashem is Elohim, you need to know that the good and evil inclinations dwell in the heart together, and that you must love Him with both. One should convert the evil attributes so that instead of sinning they serve Hashem. Then the evil inclination and the good inclination will be one, and you will find that Hashem is Elohim. In this way judgment and mercy are included together. We are told that the wicked prevent the blessings from above from being drawn down to them, as in: "And He will hold up the heaven so that there shall be no rain." This is because they separate the evil inclination from the good one, using the evil one. Rabbi Shimon speaks about the left and right, and how they relate to Judgment. He next returns to a discussion in the previous section, reiterating that the element of air combined with that of water in Moses and Aaron - thus combining Tiferet with Chesed. He also repeats the admonition to unify the Holy Name properly by worshipping with one's whole heart and with one's whole soul.

86. תו, ותלד לו את פינחס אלה ראשי, אובדא דרישי דליואי אשתכח ביה, ומה דאינון גרעו ואתוקרו, הוא אשלים, ורווח כהונתא דילהון, ושריא ביה טסטוקא דתרווייהו. אובדא דרישי דליואי אשתכח ביה, ומאן נינהו. נרב ואביהוא. אינון פרישו את קיימא מאתריה, והוא אתא וחבר לון. בגין כך, אתייהיב ליה ירותא, ורוחא דתרווייהו. ואדכר הכא על מה דלהווי לבתר.

87. ואי תימא, אמאי אדכר הכא פינחס. אלא חמא קודשא בריך הוא לאהרן, בשעתא דאמר ואזכור את בריתי, דזמינן תרין בנוהי דאהרן לאפגמא ליה להאי ברית, והשתא דקא משדר ליה למצרים, בעא לאעברא ליה לאהרן, דלא למיהך בשליחותא דא. כיון דחמא קודשא בריך הוא, דקאים פינחס וקיים ליה להאי ברית באתריה, ואתקין עקימא דילהון, מיד הוא אהרן ומשה. אמר קודשא בריך הוא, השתא הוא אהרן, איהו אהרן דקדמייתא.

88. הוא אהרן ומשה אשר אמר ה' להם הוציאו את בני ישראל מארץ מצרים וגו'. הוא אהרן ומשה. הם אהרן ומשה מבעי ליה. אלא, לאכללא דא בדא, רוחא במיא. הוא משה ואהרן: לאכללא מיא ברוחא, ועל דא כתיב הוא, ולא הם.

89. One night, Rabbi Elazar and Rabbi Aba were in their lodgings in Lod. They awoke to study Torah. Rabbi Elazar opened the discussion saying, "Know therefore this day, and consider it in your heart (Heb. levavecha), that Hashem He is Elohim" (Devarim 4:39). HE ASKS, This passage should have said, 'Know therefore this day, that Hashem He is Elohim' AND AT THE END, 'and consider it in your heart.' BECAUSE THE KNOWLEDGE THAT HASHEM IS ELOHIM PREPARES ONE TO CONSIDER IT IN THE HEART SO, AND IF HE HAS ALREADY CONSIDERED IT IN HIS HEART ONE MOST CERTAINLY HAS THE KNOWLEDGE. Also, it should have said 'libecha (heart, with one Bet)' NOT "LEVAVECHA (WITH TWO BET'S)."

90. HE ANSWERS, But Moshe said, If you really want to understand this and know that Hashem is Elohim, then "consider it in your heart (levavcha)", and thus know it. For "levavcha" MEANS the Good Inclination and Evil Inclination THAT DWELL IN THE HEART are included within one another and are one. "AND YOU SHALL LOVE HASHEM YOUR ELOHIM WITH ALL YOUR HEART (HEB. LEVAVCHA)" (DEVARIM 6:5), MEANING WITH BOTH YOUR INCLINATIONS, THE GOOD INCLINATION AND THE EVIL INCLINATION. THUS HE SHOULD CONVERT THE EVIL ATTRIBUTES OF THE EVIL INCLINATION TO BE GOOD, NAMELY TO SERVE HASHEM WITH THEM AND NOT SIN THROUGH THEM. THEN, CERTAINLY THERE IS NO MORE DIFFERENCE BETWEEN THE GOOD INCLINATION AND THE EVIL INCLINATION, AND THEY ARE ONE. Then you will find that Hashem is Elohim. THE ATTRIBUTE OF JUDGMENT, WHICH IS CALLED ELOHIM, IS INCLUDED IN YUD HEI VAV HEI, WHICH IS THE ATTRIBUTE OF MERCY because they are included the one within the other, AS THE EVIL INCLINATION AND THE GOOD INCLINATION ARE COMBINED IN THE HEART, and they are one. SO IT CAN NOT BE KNOWN THAT HASHEM IS ELOHIM EXCEPT THROUGH CONSIDERING IT IN THE HEART. Therefore, THE PASSAGE MENTIONED FIRST, "and consider it in your heart" to know THROUGH IT that HASHEM HE IS ELOHIM.

91. Rabbi Elazar also said, The wicked cause a blemish above WITH THEIR EVIL ACTIONS. What is the blemish? IT IS that the left is not included within the right ABOVE, IT RATHER DOMINATES BY MEANS OF JUDGMENT BY ITSELF. THIS IS BECAUSE the Evil Inclination BELOW is not included in the Good Inclination, TO WORK WITH IT TO DRAW GOOD AS MENTIONED because of the sins of people WHO SIN, THROUGH THE EVIL INCLINATION, AND ATTRACT BY IT THE DOMINATION OF JUDGMENT. And they do not cause a blemish ABOVE, but actually to themselves. This is the meaning of: "Not His the corruption, but the blemish of His sons (or: His (Heb. lo, with Vav) the corruption, not (Heb. lo, with Aleph) the blemish...)" (Devarim 32:5). FIRST IT IS SAID "HIS THE CORRUPTION", SEEMINGLY INDICATING THAT THEY BLEMISH ABOVE AND THEN, "NOT THE BLEMISH OF HIS SONS" SEEMINGLY, THAT THEY DO NOT CAUSE BLEMISH ABOVE. It is as if they cause A BLEMISH yet do not cause A BLEMISH. They cause, THAT IS, THEY BRING ABOUT that blessings from above do not flow to them, as is written: "And shut up the heavens, that there be no rain" (Devarim 11:17). THEY DAMAGE THE CHANNELS OF SUSTENANCE ABOVE yet they do not cause, because the heavens, NAMELY THE CHANNELS OF ABOVE, receive for themselves as much blessings AND SUSTENANCE as they need, but they do not receive SUSTENANCE to pour downward. Certainly THIS IS NOT A BLEMISH AND FLAW OF THE ABOVE, BUT RATHER, it is the blemish of these wicked, AND IT IS UPON THEM THAT THIS FLAW RESTS AND NOT ABOVE.

90. אלא, אמר משה, אי את בעי למיקם על דא, ולמנדע כי ה' הוא האלהים, והשבות אל לבבך וכדין תנדע ליה. לבבך: יצר טוב ויצר רע, דאתכליל דא בדא, ואיהו חד, כדין תשבח כי ה' הוא האלהים, דהא אתכליל דא בדא, ואיהו חד. ועל דא והשבות אל לבבך, למנדע מלה.

91. תג אמר רבי אלעזר, חייבין עבדין פגיומא לעילא, מאי פגיומא. דשמאלא לא אתכליל בימינא. דיצר רע לא אתכליל ביצר טוב, בגין חובייהו דבני נשא. ופגיומו לא עבדי, אלא לון ממש, דדא הוא דכתיב, שחת לו לא בניו מומם. כביכול עבדי ולא עבדי. עבדי: דלא יתמשך עלייהו ברבאן דלעילא, במה דאת אמר ועצר את השמים ולא יהיה מטר. ולא עבדי: דהא שמיא נטלי לון לגרמייהו ברבאן מאי דאצטריך. ולא נטלי לאמשכא לתתא ודאי מומם דאינון חייבין איהו.

92. Also, IT CAN BE EXPLAINED, "His" (Heb. lo, with Vav) MEANS that the right is not included in the left ABOVE, so that blessings are not drawn downwards AND TO THIS IS SAID 'HIS' WITH VAV. "not (Heb. lo) is spelled with Aleph," since they do not receive BLESSINGS to draw to those below. THEREFORE THEY REST BLEMISHED. Who caused this? IT IS because the wicked separate the Evil Inclination from the Good Inclination and cleave to the Evil Inclination.

93. Come and see: Judah is come from the left side BECAUSE JUDAH IS THE SECRET OF MALCHUT AND MALCHUT ORIGINATES IN THE LEFT SIDE, and he cleft to the right in order to overpower nations and break their power. For had he not cleft to the right he would not break their power. And if you ask, Why DID HE CLEAVE to the right, seeing that it is the left that provokes judgments in the world. AND WHY WAS NOT THE LEFT SUFFICIENT FOR HIM TO BREAK THE POWER OF THE NATIONS?

94. HE ANSWERS, But this is a secret. When the Holy One, blessed be He, judges Yisrael, He judges them only from the left side, in order to reject them with the left and beckon them with the right. But with the other nations, He fends them off with the right, and draws them with the left. And this may be deduced from the proselyte by conviction, NAMELY BECAUSE WHEN ONE OF THEM BECOMES ATTRACTED TO HOLINESS AND HE CONVERTS, HE IS CALLED A PROSELYTE BY CONVICTION (LIT. 'A CONVERT OF RIGHTEOUSNESS'). RIGHTEOUSNESS IS THE NAME OF THE LEFT ASPECT OF MALCHUT. SO WE SEE THAT HE ATTRACTS THEM WITH THE LEFT. AND HE EXPLAINS, He fends them off with the right, as it is written: "Your right hand, Hashem, is glorious in power; Your right hand, Hashem, has dashed the enemy in pieces" (Shemot 15:6). He attracts them with the left, as we already said, THAT THE ONE FROM AMONG THEM, WHO HAS COME CLOSER TO JUDAISM IS CALLED A CONVERT OF RIGHTEOUSNESS, WHICH IS LEFT.

95. Therefore, Judah, who is from the left side, combined with the right IN ORDER TO SUBDUCE THE NATIONS, and his journeys were to the right OF THE STANDARDS. Those TRIBES that were with him all joined to the right. Yisaschar toiled in Torah, which is right, as is written, "From His right hand a fiery law unto them" (Devarim 33:2). And so Zvulun who supported the Torah which is right. It is written: "the right thigh" (Vayikra 7:32) BECAUSE THE RIGHT LEG SUPPORTS THE RIGHT SIDE OF THE BODY. Therefore, Judah was attached to this side and that side, NAMELY TO THE LEFT AND THE RIGHT, north, which is left, to water, which is right.

96. Reuben, who sinned against his father, dwelt in the right, WHICH IS CHESED. BECAUSE OF THE SIN, he connected with the left and clove to it. Therefore those who are with him IN HIS STANDARD are left. Shimon is left because OF THE LIVING CREATURE THAT HAS THE FACE OF THE OX, WHICH IS GVURAH, as is written: "The face of an ox on the left side" (Yechezkel 1:10). Gad is the left leg, NAMELY HOD, as is written: "Gad, raiders shall maraud him, but he shall overcome at last (lit. 'heel')" (Bereshheet 49:19). OVERCOMING IS THE ACTION OF THE LEFT, AND HEEL IS THE LEG. Thus, south clove to fire, right with the left.

92. תו, לו בו, דלא אתכליל ימינא בשמאלא, בגין דלא יתמשכון ברכאן לתתא. לא באל"ף, דהא לא נטלי לאתמשכא לתתאי. מאן גרים דא. בגין דחייבין מפרישין יצר רע מיצר טוב, ומתדבקין ביצר רע.

93. תא חזי יהודה אתי מסטרא דשמאלא, ואתדבק בימינא, בגין לנצחא עמין, ולתברא חיליהון. דאי לא אתדבק בימינא, לא יתבר חיליהון. ואי תימא אמאי בימינא. והא שמאלא אתער דינין בעלמא.

94. אלא רזא דא, בשעתא דקודשא בריך הוא דן להו לישראל, לא דן להו אלא מסטרא דשמאלא, בגין דיהא דחי לון בשמאלא, ומקרב בימינא. אבל לשאר עמין, דחי לון בימינא, ומקרב לון בשמאלא. וסימניך גר צדק, דחי לון בימינא, כמה דכתיב, ימינך ה' נאדרי בכח ימינך ה' תרעץ אויב. מקרב לון בשמאלא כמה דאמרן.

95. בגיני כך, יהודה דאיהו מסטר שמאלא, אתדבק בימינא, ומטלנוי לימינא. ואינון דעמיה אתחברו כלהו לימינא. יששכר דלעי באורייתא, דאיהו ימינא, דכתיב, מימינו אש דת למו. זבולון דאיהו תמין אורייתא ימינא, כד"א שוק הימין. וע"ד יהודה אתקשר מסטרא דא ודא. צפון במים, שמאלא בימינא.

96. ראובן דחטא לגבי אבוי, שרא בימינא, ואתקשר בשמאלא, ואתדבק ביה. וע"ד, אינון דאשתכחו עמיה, אינון שמאלא. שמעון דאיהו שמאלא מסטרא דשור, דכתיב, ופני שור מהשמאל. גר שוקא שמאלא, כתיב גר גדוד יגודנו והוא יגוד עקב. הכא, אתדבק דרום באשא, ימינא בשמאלא.

97. And similarly the purpose of what we said: "And you shall lay on your heart (Heb. levavecha, spelled with two Bet's) is to include them together, the left and the right, and then you will know that "Hashem He is the Elohim." Rabbi Aba said, Definitely it is so. And now it is understandable, WHAT IS SAID, "He is Aaron and Moshe" (Shemot 6:26), "he is Moshe and Aaron" (Ibid. 27). IT IS TO TEACH THAT air, WHICH IS TIFERET, COMBINED with water, WHICH IS CHESED, and water, WHICH IS CHESED, COMBINED with air, WHICH IS TIFERET, to be one. Therefore, it is written "he."

98. Rabbi Aba opened the discussion saying, "And you shall love Hashem your Elohim with all your heart, and with all your soul, and with all your might" (Devarim 6:5). Similarly, WHAT WE SAID ABOUT THE UNIFICATION OF RIGHT AND LEFT, the holy unification is also alluded to here, and it serves as an admonition to man to profess the unity the Holy Name properly with supernal love. "With all your heart": NAMELY WITH BOTH YOUR INCLINATIONS, WHICH ARE right and left and are called Good Inclination and Evil Inclination. "And with all your soul": This is the soul of David that is placed between them, "and with all your might" MEANING to join them, THE RIGHT AND THE LEFT, above in the place where there is no limit.

99. Another explanation of: "And with all your might": This is Jacob, NAMELY ZEIR ANPIN, who is attached to all sides TO THE RIGHT AND TO THE LEFT, BEING THE CENTRAL COLUMN. And it all is the complete unity as it should be. Therefore, THE PASSAGE SAYS, "He is Aaron and Moshe," "he is Moshe and Aaron." It is all one, FOR THEY HAVE UNITED ONE WITH THE OTHER without division BETWEEN THEM.

11. "Take your rod...and it shall turn into a snake"

Rabbi Yehuda talks about how much he loves studying and talking about the Torah and praising God for his righteous laws. He says that David as the King of Yisrael had to judge and lead his people to keep them on the way of truth.

The Relevance of this Passage

Again we have the recurring themes of the law, or the Word as expressed in the Torah, and judgment and leadership. The title verse talks about the rod that turned into a snake in front of the Pharaoh. Imagining the snake/rod as the symbol of stewardship will help us pull these themes together for our meditation. When the power was given to Aaron to do this miracle he enabled himself and Moses to assume leadership over the people, and therefore also the right to judge them. The rod was the symbol of authority. Remembering that the snake was symbolic of man's original fall, we can see that assuming leadership at a high level gives one power over even original sin. Thus when we pray we may use the lesson in this text to pray for our own accession to a level where God may use us as leaders in His battle against sin.

100. "When Pharaoh shall speak to you...IT SHALL TURN INTO A SNAKE" (Shemot 7:9). Rabbi Yehuda opened the discussion saying, "How I love Your Torah! it is my meditation all the day" (Tehilim 119:97) and it is written: "At midnight I will rise to give thanks to You because of Your righteous laws" (Ibid. 62). Come and see, David is the King of Yisrael and he has to judge the people, to lead the children of Yisrael as a shepherd leads his sheep, so that they will not turn off the way of truth. And at night it is written, "At midnight I will rise to give thanks to You because of Your righteous laws." And he occupied himself with the Torah and praised the Holy One, blessed be He, until morning came.

97. וע"ד הא דאמרן והשבות אל לבבך, לאכללא לון פחדא, שמאלא בימינא. כדן תדע כי ה' הוא האלהים. א"ר אבא ודאי הכי הוא, והשתא ידיעא, הוא אהרן ומשה, הוא משה ואהרן, רוחא במינא, ומינא ברוחא, למהוי חד. וע"ד כתיב הוא.

98. ר' אבא פתח ואמר, ואהבת את ה' אלהיך בכל לבבך ובכל נפשך ובכל מאדך. כהאי גוונא הכא אתרמיז יחודא קדישא, ואזהרה הוא לבר נש, ליחדא שמא קדישא כדקא יאות, ברחימו עלאה. בכל לבבך: דא ימינא ושמאלא דאקרי יצר טוב ויצר רע. ובכל נפשך: דא נפש דוד, דאתיהיבת בינייהו. ובכל מאדך לאכללא לון לעילא באתר דלית ביה שעורא. הכא הוא יחודא שלים למרחם ליה לקודשא בריך הוא כדקא יאות.

99. תו, ובכל מאדך: דא יעקב, דאיהו אחיד לכל סטרין, וכלא הוא יחודא שלים כדקא יאות, בגיני כן, הוא אהרן ומשה הוא משה ואהרן, בלא הוא חד בלא פרוודא.

100. כי ידבר אליכם פרעה לאמר. רבי יהודה פתח ואמר, מה אהבתי תורתך כל היום היא שיוחתי. וכתיב, חצות לילה אקום להודות לך על משפטי צדקך. תא חזי, דוד איהו מלכא דישראל, ואצטריך למידן עמא, לדברא לון לישראל, כרעיא דמדבר עאניה דלא יסטון מאורחא דקשוט. הא בלילה כתיב, חצות לילה אקום להודות לך על משפטי צדקך. ואיהו אתעסק באורייתא ובתושבחו דקודשא בריך הוא, עד דאתי צפרא.

12. Midnight and day

101. He wakened the dawn, as is written: "Wake up, my glory; awake, the harp and the lyre; I will awake the dawn" (Tehilim 57:9). And when day came, he said this passage: "How I love Your Torah! it is my meditation all the day." HE ASKS, What is the meaning of: "it is my meditation all the day"? HE ANSWERS, From here we learn that all who study the Torah to complete and clarify the law with lucidity, it is as though they fulfilled the entire Torah. Therefore, THE VERSE SAYS, "it is my meditation all the day" BECAUSE HE WAS OCCUPIED WITH ELUCIDATING THE LAW.

102. Come and see: By day, he was occupied with the Torah to carry out justice. And at night, he was occupied with songs and praises until day came. What was the reason? IT WAS because he was occupied all day to complete and clarify the laws, WHICH ARE THE ASPECT OF THE LEFT, in order to include the left in the right, BECAUSE DAY IS THE ASPECT OF THE RIGHT, WHICH IS CHESED. By night, HE WAS OCCUPIED WITH PRAISES WHICH ARE CHASSADIM in order to include the grade of the night, WHICH IS JUDGMENT, with day, WHICH IS CHESED.

103. And come and see: In the days of King David, he brought close all the beasts in the field, WHO INHABITED THE THREE WORLDS - BRIYAH, YETZIRAH AND ASIYAH - to the sea, WHICH IS MALCHUT. When Solomon arrived AND THE NUKVA WAS IN HER FULLNESS IN HIS DAYS, the sea, WHICH IS THE NUKVA, flowed and became full, MEANING THAT IT ASCENDED TO SUPERNAL ABA AND IMA, and watered them, FOR THERE IS ITS ABSOLUTE FULFILLMENT. THEN ALL THE INHABITANTS OF BRIYAH, YETZIRAH AND ASIYAH ASCENDED TO ATZILUT AND RECEIVED THEIR SUSTENANCE FROM THE SEA. HE ASKS, Which was watered first? HE ANSWERS, It was already explained that they are the supernal great crocodiles about which it is written: "And fill the waters in the seas" (Beresheet 1:22). THEY ARE MATATRON AND SANDALFON OF BRIYAH WHO ARE SUPERIOR TO ALL THE INHABITANTS OF BRIYAH, YETZIRAH AND ASIYAH.

13. The serpent couches in the midst of the streams

104. RABBI YEHUDA BRINGS HERE THE WORDS OF RABBI ELAZAR, TO DIFFERENTIATE BETWEEN THE GREAT CROCODILES (HEB. TANINIM) OF HOLINESS AND THE GREAT CROCODILE OF THE KLIPAH. FOR THE PREVIOUSLY MENTIONED PASSAGE OPENED WITH THE PHRASE: "WHEN PHARAOH SHALL SPEAK TO YOU...THEN YOU SHALL SAY TO AARON, TAKE YOUR ROD, AND CAST IT BEFORE PHARAOH, AND IT SHALL TURN INTO A SNAKE" (SHEMOT 7:9). AFTERWARDS, IT IS WRITTEN: "AND THE MAGICIANS OF EGYPT, THEY ALSO DID IN LIKE MANNER WITH THEIR SECRET ARTS. FOR THEY CAST DOWN EVERY MAN HIS ROD, AND THEY TURNED TO SNAKES (HEB. TANINIM)" (IBID. 11-12). AND THE DIFFERENCE BETWEEN THE SERPENT OF HOLINESS OF AARON'S ROD AND THE SERPENT OF THE SORCERERS IS EXPLAINED IN THE WORDS OF RABBI ELAZAR.

Rabbi Elazar said, On the supernal right side, NAMELY FROM THE RIGHT COLUMN OF BINAH, emerge thirteen supernal springs and deep rivers. THIS IS THE SECRET OF THE SUPERNAL THRONE WHICH IS BINAH. AND THERE ARE FOUR LEGS OF THE THRONE WHICH ARE CHESED, GVURAH, TIFERET AND MALCHUT OF ZEIR ANPIN, EACH CONTAINING CHESED, GVURAH, TIFERET, SO THEY ARE TWELVE, AND BINAH ITSELF WHICH IS OVER THEM, WHICH IS THE SECRET OF THE THRONE, IS THIRTEENTH. THEY ARE DIVIDED INTO TWO COLUMNS, RIGHT AND LEFT, BECAUSE TIFERET IS ALSO DIVIDED INTO RIGHT AND LEFT, WHICH ARE CHESED AND GVURAH. THOSE ON THE RIGHT SIDE ARE CALLED SPRINGS, AND THOSE ON THE LEFT, RIVERS. The ones ascend, NAMELY THOSE

101. וְאִיהוּ אֲתַעַר צַפְרָא, בְּמַה דְּכְתִיב, עוֹרָה כְּבוֹדִי עוֹרָה הַנֶּבֶל וְכִנּוֹר אֲעִירָה שׁוֹחַר. כִּד אֲתִי יִמְמָא, אֲמַר הָאִי קָרָא, מַה אֶהְבֵּתִי תוֹרַתְךָ כָּל הַיּוֹם הִיא שׁוֹחֲתִי. מֵאִי כָּל הַיּוֹם הִיא שׁוֹחֲתִי. אֶלָּא, מִכָּאֵן אֹלִיפְנָא, דְּכָל מָאן דִּישְׁתַּדַּל בְּאוֹרֵייתָא, לְאַשְׁלַמָּא דִּינָא עַל בּוֹרֵייהּ, בְּאִילוֹ קַיִים אוֹרֵייתָא כְּלָא. בְּגִ"כ, כָּל הַיּוֹם הִיא שׁוֹחֲתִי.

THAT BELONG TO THE LEFT, WHICH ILLUMINATE FROM BELOW UPWARDS. And the others descend, NAMELY THOSE THAT BELONG TO THE RIGHT, ILLUMINATING FROM ABOVE DOWNWARDS. They interpenetrate each other, MEANING THAT THEY COMBINE ONE WITH THE OTHER, because one, WHICH IS THE CENTRAL COLUMN, withdraws, THAT IS, IT LESSENS its head OF THE LEFT COLUMN THAT IS CALLED RIVER, and brings it in two bodies CALLED STREAM AND RIVER. One body FROM THE ASPECT of river, WHICH IS LEFT AND CHOCHMAH, receives FROM THE CHASSADIM of the right above and brings forth TO THE LOWER BEINGS a thousand streams that emerge to four sides, WHICH ARE CHESED, GVURAH, TIFERET AND MALCHUT, EACH CONTAINING 250 STREAMS.

105. From these thirteen rivers OF THE LEFT, and the springs ON THE RIGHT AS MENTIONED, emerge thirteen streams, WHICH ARE LIGHTS OF THE LEFT. Entering into them, 499 and one half FROM THE RIGHT and 499 and one half from the left, take water. One half on this side and one half from this side remain, and the two halves become one. This enters between the streams and turns into a serpent.

106. The head OF THE SERPENT (HEB. TANIN) is red like a rose. THE COLOR RED DENOTES JUDGMENTS THAT ARE DRAWN FROM BINAH. Its scales are hard as iron, FOR THE ASPECT OF MALCHUT IS ESSENTIALLY CALLED IRON, WHICH IS THE SECRET OF THE ATTRIBUTE OF JUDGMENT. Its wings are swimming wings, NAMELY FINS, and they go into all these streams THAT WERE MENTIONED. When he raises his tail, he smites and kicks the other fish, and no one can withstand him.

107. The mouth OF THE SERPENT is a flaming fire. When he swims in all these streams, NAMELY, WHEN HE DRAWS CHOCHMAH FROM ABOVE DOWNWARDS LIKE THE STREAMS, the other fish there, MEANING THE GRADES, tremble and flee from there to the sea, WHICH IS MALCHUT OF HOLINESS. Once in seventy years, he couches this way, NAMELY IN 499 AND ONE HALF STREAMS ON THE RIGHT AND COMPLETES THE HALF THAT IS MISSING ON THE RIGHT. And once in seventy years, he couches that way, NAMELY IN 499 AND ONE HALF STREAMS ON THE LEFT, AND COMPLETES THE HALF THAT IS MISSING ON THE LEFT, SINCE THE SERPENT IS CONSTRUCTED FROM THESE TWO HALVES THAT ARE MISSING IN THEM. THUS the thousand streams less one were filled by him, THAT IS, BECOME COMPLETED BY HIM. The serpent couches in the midst of the streams, BUT DOES NOT SWIM IN THEM. FOR CROUCHING DOES NO ACTION AND DOES NOT DRAW CHOCHMAH FROM ABOVE DOWNWARDS, UNLIKE SWIMMING, WHICH ACTS AND DRAWS FROM ABOVE DOWNWARDS, AND THEREFORE ITS ASPECT OF JUDGMENT IS REVEALED, AS IS MENTIONED AND WRITTEN BEFORE US.

108. BUT when he swims IN THEM, a flame of fire emerges among the Klipot. And THEN THE STREAMS all rise and storm, MEANING THAT THEY RAISE THEIR WAVES ABOVE AND BRING THEM DOWN, WHICH IS CALLED STORM IN RHETORICAL LANGUAGE. These streams mix ONE WITH THE OTHER, and receive the blue color that tends to black, WHICH IS THE COLOR OF MALCHUT. And wheels move ABOVE to the four directions of the world, NAMELY THE WHEELS OF THE CHARIOT OF HOLINESS DRAW THE TOP THREE SFIROT BY THEIR TRAVELS, and the serpent straightens up his tail and smites upward THE WHEELS, THUS DAMAGING THEM, and smites below THE RIVERS. They all flee him.

105. מַאינּוֹן נִהְרִין מְבוֹעֵין תְּלִיסָר, מִתְּפָרֶשֶׁן תְּלִיסָר יְאוּרִין, עֲאֲלִין וְנִטְלֵי מַיָּא, אַרְבַּע מָאָה וְתִשְׁעִין וְתִשְׁעָה יְאוּרִין וּפְלָגָא, מִסְטָרָא דָא. וְאַרְבַּע מָאָה וְתִשְׁעִין וְתִשְׁעָה יְאוּרִין וּפְלָגָא, מִסְטָרָא דָא בְּשִׁמְאָלָא. אֲשֶׁתָּאֵר פְּלָגָא מִכְּאֵן, וּפְלָגָא מִכְּאֵן, וְאַתְעֵבִיר חֲדָא. דָּא אֵעִיל בֵּין יְאוּרִין, וְאַתְעֵבִיר חֲוּיָא.

106. רִישָׁא: סוּמְקָא בּוֹרְדָא. קִשְׁקִשׁוּי: תְּקִיפִין בְּפִרְזָלָא. גְּדַפּוּי: גְּדַפּוּי שְׁטָאן וְאַתְפָּרֶשֶׁן לְכֹל אֵינּוֹן יְאוּרִין. כֹּד סְלִיק זְנַבִּיה, מְחִי וּבִטֵּשׁ לְשָׂאֵר נּוּגִין, לֵית מָאן דִּיקוּם קַמִּיה.

107. פּוּמִיָּה: מְלַהֲטָא אֲשָׁא. כֹּד נִטִּיל בְּכֹל אֵינּוֹן יְאוּרִין, מְזַדְעָזְעֵן שָׂאֵר תְּנִינִיָּא, וְעִרְקִין וְעֲאֲלִין בִּימָא. חֲדָא לְשִׁבְעִין שְׁנִין רְבִיץ לְסִטְרָא דָא. וְחֲדָא לְשִׁבְעִין שְׁנִין רְבִיץ לְסִטְרָא דָא. אֶלְף יְאוּרִין חֲסֵר חֲדָא אֲתַמְלִין מְנִיָּה. דָּא תְּנִינָא, רְבִיץ בֵּין אֵינּוֹן יְאוּרִין.

108. כֹּד נִטִּיל נֶפֶק חֲדָא פְּסוּתָא דְאֲשָׁא בְּקְלִיפִין, בְּלָהוּ קִימִין וְזַעֲפִין בּוֹזְעָפוּי, מִתְּעַרְבִין אֵינּוֹן יְאוּרִין לְעֵין תְּכֵלָא אוּכְמָא. וְגִלְגְּלִין נִטְלִין לְאַרְבַּע סְטְרֵי דְעֵלְמָא. זְקִיף זְנַבִּיה, מְחִי לְעֵילָא, מְחִי לְתַתָּא, כֹּלָא עִרְקִין קַמִּיה.

109. Until a certain flame of fire arises in the north side, and a proclamation resounds, 'Stand in groups and disperse to four sides, for he who will put a snare upon the face of the serpent has awoken,' as written, "And I will put hooks in your jaws..." (Yechezkel 29:4). THIS REFERS TO THE SERPENT THAT COUCHES IN THE MIDST OF its streams on the STREAMS. Then all THE GROUPS scatter, take the serpent and puncture his face by the side of his jaws, and bring him into a hole in the great abyss, WHICH IS BINAH OF THE KLIPOT until his power is broken. Then he is returned to his rivers.

110. This is done to him once in seventy years, BECAUSE WHEN HE REACHES THE END OF SEVENTY YEARS WHICH IS HIS MALCHUT OF MALCHUT, THE POWER OF JUDGMENT IN HIS TAIL IS AGAIN STIMULATED, so that he would not ruin the places of the firmaments and their pillars. For this they all praise and laud: "Come, let us prostrate and bow down, let us kneel before Hashem our maker" (Tehilim 95:6).

111. BUT the supernal serpents that stand above IN HOLINESS, WHO ARE LIVYATAN AND HIS SPOUSE, are the ones who were blessed as written: "And Elohim blessed them" (Bereshheet 1:22). These rule over all the other fish, WHICH ARE THE VARIED LEVEL GRADES IN THE STREAMS, as is written: "And fill the waters in the seas." And of this, it is written, "Hashem, how manifold are Your works! In wisdom have You made them all." (Tehilim 104:24).

14. "The bright blade of a revolving sword"
Tosefta (addendum)

112. "My beloved is to me a cluster of henna" (Shir Hashirim 1:14). A cluster refers to Supernal Ima, NAMELY BINAH. As a cluster is decorated with so many leaves and so many branches to the children of Yisrael who eat it, so the Supernal Shechinah, WHICH IS BINAH, is decorated. SHE ELEVATES MAYIN NUKVIN (FEMALE WATERS) TO CHOCHMAH, with many jewels of eight vessels, NAMELY THE FOUR LETTERS OF YUD HEI VAV HEI AND THE FOUR LETTERS OF ADONAI, WHICH ARE MALE AND FEMALE, many offerings THAT YISRAEL OFFER, and many kinds of ornaments of atonement for her children. She stands in them before the King, WHICH IS CHOCHMAH, and immediately, "And I will look upon it, that I may remember the everlasting covenant" (Bereshheet 9:16), MEANING THAT HE UNITES WITH HER. AND BINAH gives us from her petitions SHE ASKED FROM CHOCHMAH FOR OUR SAKES, THROUGH those blessings that the sages composed to request before the King in the prayer service.

113. At the time OF THE AFOREMENTIONED UNION OF CHOCHMAH AND BINAH, all the Judgments of the Lower Shechinah, WHICH IS MALCHUT which is Hei Vav Hei Yud Adonai, convert into Mercy such as Yud Hei Vav Hei, to fulfill the verse: "though your sins be like scarlet, they shall be as white as snow" (Yeshayah 1:18), NAMELY Yud Hei Vav Hei. "Though they be like red crimson", which is Hei Vav Hei Yud "they shall be as white as wool", WHICH IS Yud Hei Vav Hei. All the Judgments of this, NAMELY OF MALCHUT, become whitened by the supernal Shechinah, WHICH IS BINAH.

109. עַד הַלְסֵטֶר צָפוֹן, קָם חֵד שְׁלֵהוּבָא דְאִשָּׁא, וְכִרוּזָא קְרִי, אֲזַדְקֵנוּ סְבִתִּין אֲתַבְדְּרוּ לְד' זְוִיָּן, הָא אֲתַעֵר מֵאֵן דְּשׁוּי קוּלָא, עַל אֲנָפוּי דְתַנְיָנָא, כְּמָה דְאֲתַמַּר, וְנִתְתִּי חֲחִים בְּלַחֲיַךְ וְגו'. בְּדִין בְּלֵהוּ אֲתַבְדְּרוּן. וְנִקְטִין לִיָּה לְתַנְיָנָא, וְנִקְבִי אֲנָפוּי בְּסֵטֶר עֲלֵעוּי, וְעָאֲלִין לִיָּה לְנוֹקְבָא דְתַהוּמָא רַבָּא, עַד דְאֲתַבֵּר חִילִיָּה, בְּדִין אֲהַדְרוּ לִיָּה לְנַהֲרוּי.

114. And the Shechinah, which is Hei Vav Hei Yud, is "the bright blade of a revolving sword to guard the way to the Tree of Life" (Bereshheet 3:24). The sages explained THAT THE REASON IT IS CALLED THE BLADE OF A REVOLVING SWORD IS BECAUSE it revolves sometimes to Mercy and sometimes to Judgment, sometimes to men and sometimes to women; sometimes to Judgment as in Hei Vav Hei Yud, sometimes to Mercy, as in Yud Hei Vav Hei. It is from the side of the Tree of Life, MEANING THAT IF THE SHECHINAH JOINS WITH THE TREE OF LIFE, WHICH IS ZEIR ANPIN THAT ASCENDED TO BINAH, all the Judgments that it contains turn to Mercy. And from the side of the Tree of Knowledge of Good and Evil, MEANING THE SHECHINAH THAT IS NOT ATTACHED TO THE TREE OF LIFE, all the Mercy contained in it turns to Judgment, to judge all those who transgress the words of Torah.

115. And this tree OF LIFE is in the World to Come, which is Binah, in which all the names of Judgment turn into Mercy, and the sages therefore explained that the World to Come, WHICH IS BINAH, is not like this world, WHICH IS MALCHUT. FOR GOOD TIDINGS IN THIS WORLD, WE SAY 'BLESSED IS HE WHO IS GOOD AND DOES GOOD'. AND FOR BAD TIDINGS WE SAY, 'BLESSED IS THE TRUE JUDGE'. BUT IN THE WORLD TO COME, HE IS COMPLETELY GOOD AND DOES GOOD, AS THERE IS NO JUDGMENT THERE. Therefore, Binah is the blade of a revolving sword that revolves from Judgment to Mercy for the righteous, to give them reward in the World to Come. Malchut is the blade of a revolving sword that revolves from Mercy to Judgment to judge the wicked in this world

116. But from the tree of the knowledge of good and evil, which is similar to the rod THAT TURNED INTO A SERPENT, MEANING IT IS TURNED TO REAL EVIL AND NOT FROM MERCY INTO JUDGMENT AS MENTIONED, sometimes women turn into female demons and men to male demons. Hence "And Jacob told Rachel" (Bereshheet 29:12). Therefore, our sages explained that a man should not have intercourse with his wife before he converses with her, since his wife might have been exchanged with a demon, because the blade in the tree of the knowledge of good and evil revolves from good to REAL evil. And if you ask about the sorcerers of Pharaoh, of whom it is written: "And the magicians did so with their secret arts (lit. 'blades')" (Shemot 8:3), who turned their rods into serpents through their blades, HOW THEY COULD DO THIS? HE ANSWERS, Because of these rotations IN THE TREE OF THE KNOWLEDGE OF GOOD AND EVIL, they could do it. (End of Tosefta)

15. "Take your rod"

117. "Then you shall say to Aaron, 'Take your rod'" (Shemot 7:9). HE ASKS, What is the reason the rod of Aaron and not the rod of Moshe WAS SELECTED FOR THIS? HE ANSWERS, The rod of Moshe was especially holy because the Holy Name was carved into it in the Supernal Garden of Eden, and the Holy One, blessed be He, did not want to defile it with the rods of the sorcerers, BECAUSE IT HAD TO SWALLOW THEM, AS WRITTEN: "AND THE ROD OF AARON SWALLOWED THEIR RODS." Moreover, in order to subdue all that comes from the left side, THE ROD OF AARON IS NECESSARY, because Aaron, a priest, came from the right, and the left is subjected to the right.

118. Rabbi Chiya asked Rabbi Yosi, It was revealed before the Holy One, blessed be He, that these sorcerers will make serpents AND, IF SO, what is the significance of making serpents before Pharaoh? He said to him, It is because the origin of the punishments is in there, MEANING THE PRIMORDIAL SERPENT THAT CAUSED ADAM AND EVE TO FAIL. The reign OF PHARAOH starts at the origin of the serpent, NAMELY FROM THE LEFT SIDE. Then WHEN THEY SAW THE TRANSITION OF AARON'S ROD TO A SERPENT, all the sorcerers rejoiced, because the beginning of the wisdom of their serpent was such. Immediately Aaron's rod turned back into a dry piece of wood and swallowed them.

119. Because of this, they were amazed and knew that there was a higher dominion on earth, for they thought that below, ON EARTH, there is no dominion aside from them to do anything. Then, "And the rod of Aaron swallowed their rods." It is precisely "the rod of Aaron," as THE SERPENT reverted into wood, and swallowed them.

120. Therefore Aaron made two signs, one above and one below. The one above, NAMELY that the supernal serpent of Holiness overpowered their serpents, and the one below, namely that the wood dominated their serpents, BY SWALLOWING THEM. And Pharaoh was wiser than all his sorcerers, and he perceived that the supernal dominion ruled over the earth, ruling above and below.

121. Rabbi Yosi said, Lest you say that everything the sorcerers do, they do only with optical illusions, that it only appears so, but not more, the Torah tells us: "And they turned" precisely, as written: "And they turned snakes" (Shemot 7:12), AS THEY ACTUALLY MADE THE SERPENTS. And Rabbi Yosi said, Even when their serpents returned to be wood, the wood of Aaron swallowed them. BECAUSE IT IS SAID, "AND THE ROD OF AARON SWALLOWED THEIR RODS."

122. It is written: "Behold I am against you, Pharaoh King of Egypt, the great crocodile that couches in the midst of his streams" (Yechezkel 29:3). HE IS CALLED SO, BECAUSE from THE GREAT SERPENT starts their dominion below, but their wisdom is drawn from under all the levels OF THE SERPENT AND HIS STREAMS.

123. Come and see, their wisdom abides in the lowest levels in order to subdue and subjugate these levels to the upper levels, WHICH ARE THE GREAT SERPENT AND HIS STREAMS, TO BE INCLUDED IN THEM, AND THEN THEY CAN DRAW LIGHT TO THE LOWER LEVELS. The tops of their dominion and their sources are under the serpent. They hold to the serpent, because their highest level, WHICH IS THE KING, receives power from there. THEREFORE THEIR KING IS LIKENED TO A GREAT SERPENT WHO COUCHES IN THE MIDST OF HIS STREAMS. This is understood from the verse: "That is behind the mill," (Shemot 11:5), MEANING BEHIND THE HIGHEST LEVELS THAT ARE CALLED MILL, SINCE THEY ARE NOT CAPABLE OF RECEIVING THE LIGHT OF CHOCHMAH, WHICH IS CALLED FIRSTBORN, EXCEPT BY SUBDUING AND SUBJUGATING IT TO THE HIGHER LEVELS AS MENTIONED. THEREFORE, THEY ARE CALLED THE FIRSTBORN OF THE MAIDSERVANT.

124. Rabbi Chiya was sitting one day at the gate of Usha. He saw Rabbi Elazar and A BIRD THAT IS NAMED Katfira flying by him. He said to Rabbi Elazar, It seems that even when you are going on the road everyone desires to follow you. RABBI ELAZAR turned his head and saw it. He said, Certainly THE BIRD has a mission since the Holy One, blessed be He, accomplishes His missions through everyone, and the Holy One, blessed be He, has many messengers. Do not say THAT HE DOES HIS MISSION only with living things, but also with inanimate things.

125. He opened the discussion saying, "For the stone will cry out of the wall and the beam out of the timber shall answer it" (Chavakuk 2:11). How careful a person must be not to sin before the Holy One, blessed be He. And if you ask who will bear testimony against him, lo and behold the stones of his house and the beams of his house will bear testimony against him. And sometimes the Holy One, blessed be He, carries out His missions through them. Come and see the rod of Aaron, which was a dry piece of wood, the Holy One, blessed be He, performed with it the first of the miracles. Two missions were accomplished with it: One is though it was a dry piece of wood yet it swallowed their serpents; the second is that it temporarily received the spirit OF LIFE and became a creature.

126. Rabbi Elazar said, May the spirit expire of those who say that the Holy One, blessed be He, will not resurrect the dead, because it is not possible that He could make a new creature of them. Let these wicked, foolish people, who are far from Torah and far from THE HOLY ONE, BLESSED BE HE, see that Aaron had in his hands a rod, dry wood, which the Holy One, blessed be He, turned it temporarily into a creature. That is, it changed in spirit and body. The Holy One, blessed be He, concealed in the dust those bodies that already had holy spirits and souls, observed the precepts of the Torah, and were occupied with Torah days and nights. At the time when the world will rejoice, MEANING AFTER THE END OF CORRECTION, how much more so will the Holy One, blessed be He, make them new creatures.

127. Rabbi Chiya said, not only this but that body that previously existed will rise. This is understood from the words: "Your dead will again live" (Yeshayah 26:19). It is not written: '...will He create', so it means that they were already created before, but THEY ONLY NEED to come alive again. One bone will remain from the body under the earth, and that bone never rots or disappears in the dust. At that time, the Holy One, blessed be He, will soften it and make it like leaven in the dough, and it will rise and spread to four corners, and the body and all its limbs will be completed from it. Afterwards, the Holy One, blessed be He, will put the spirit into it. Rabbi Elazar said to him, It is so. Come and see, this bone is softened with dew, as written: "For the dew of lights is your dew..." (Ibid.).

16. "That they may become blood"

128. "And Hashem said to Moshe, 'Say to Aaron, take your rod and stretch your hand on the waters of Egypt on their streams, on their canals, and on their ponds, and on all their pools of water, that they may become blood...'" (Shemot 7:19). Rabbi Yehuda said, We must concentrate on this passage. How could he have gone to all these places, NAMELY TO ALL THE WATERS OF EGYPT AND ALL THEIR PONDS THROUGHOUT THE LAND OF EGYPT? It is also written, "And seven days were completed, after Hashem had smitten the River" (Ibid. 25). It is written: "The River," yet you say: "on the waters of Egypt, on their streams, on their canals, and on their ponds."

129. HE ANSWERS, "The waters of Egypt" is the Nile. All the other ponds and streams and wellsprings and all their waters were filled from there. Therefore, Aaron raised his hand only to smite the Nile. Come and see that it is so, for it is written, "And Egypt could not drink of the water of the River" (Ibid. 21). SO WE SEE THAT THE RIVER INCLUDES ALL THE WATERS OF EGYPT.

130. Rabbi Aba said, Come and see, the lower waters spread in many directions, NAMELY RIGHT AND TO LEFT, and the upper waters gather in the gathering place of the water, WHICH IS YESOD OF ZEIR ANPIN, as written: "And Elohim said, 'Let the waters under the heaven be gathered together to one place'...and the gathering together of the waters He called seas" (Beresheet 1:9-11). This passage was explained. Come and see, the firmament that contains the sun and moon and stars and constellations, WHICH IS YESOD OF ZEIR ANPIN, THAT INCLUDES WITHIN IT ALL THE LIGHTS OF ZEIR ANPIN, is the gathering place of the water, for it receives all the water, NAMELY ALL THE LIGHTS, and waters the earth which is the lower world, NAMELY MALCHUT. As soon as THE EARTH receives the waters, it spreads them and divides them to every side, and from there everything is watered.

131. During the time when Judgment dwells, the lower world, WHICH IS MALCHUT, does not nurture from that firmament, but nurtures from the left side THAT IS NOT INCLUDED IN THE RIGHT. Then MALCHUT is called: "The sword of Hashem is filled with blood" (Yeshayah 34:6). Woe to those who then nurture from her and are sustained by her, because at that time the sea, WHICH IS MALCHUT, was nurturing from two sides, FROM YESOD OF ZEIR ANPIN AND FROM THE LEFT SIDE. THEREFORE, it is divided into two parts, white FROM THE SIDE OF YESOD, and red FROM THE LEFT SIDE. Then it casts into the River the portion of Egypt, NAMELY THE RED, smites THEIR SOURCE above, and smites below. Therefore, Yisrael drink water BECAUSE THEY ARE ATTACHED TO YESOD OF ZEIR ANPIN, WHICH IS THE WHITE PART OF MALCHUT, and the Egyptians drink blood, WHICH IS THE RED PART OF MALCHUT.

132. So if you say that THE PLAGUE OF BLOOD was only to repel them, come and see. They drank the blood, which entered their intestines, broke through and rose. So Yisrael sold them water for money. Then they drank water. Therefore, the first plague that smote them was blood.

133. Rabbi Yitzchak opened the discussion with this passage: "I will extol You, my Elohim, O King; and I will bless Your name forever and ever" (Tehilim 145:1). Come and see that David spoke of his level, "I WILL EXTOL YOU," for he wrote "my Elohim," MEANING my own ELOHIM, NAMELY MALCHUT, WHICH IS HIS LEVEL. For he wanted to raise the praise OF MALCHUT, and to bring it to the supernal light, NAMELY BINAH, to mix them one with the other, so THAT MALCHUT AND BINAH should be one. Therefore he said, "I will extol You, my Elohim, O King..."

134. For we learned that David endeavored all the days of his life to restore the Throne, WHICH IS MALCHUT, and to illuminate its face WITH THE LIGHT OF BINAH so it would protect it, and constantly illuminate the lower light, WHICH IS MALCHUT, with the upper light, WHICH IS BINAH, so that they would be one. MEANING THAT MALCHUT WOULD ASCEND TO BINAH, WHEN THEY ARE ONE. And when Solomon came, he found a world, WHICH IS MALCHUT, whole, and the moon, WHICH IS MALCHUT, full. MALCHUT HAD ALREADY ASCENDED TO BINAH, AND WAS COMPLETED AND FILLED WITH ALL ITS LIGHTS and he no longer had to toil at illuminating it.

135. Come and see, when the Holy One, blessed be He, wishes to do vengeance upon the idol-worshipping nations, the left SIDE is stimulated and the moon becomes full, FOR IT IS MALCHUT with blood from that side. Then the springs and rivers of below and all that are on the left side flow with blood. Therefore their punishment is blood.

136. Come and see: When this blood is aroused against any nation, it is the blood of killed people, because another nation is provoked to come and kill them. But in Egypt, the Holy One, blessed be He, did not want to bring another nation to arouse blood against them, NAMELY TO KILL THEM, because of Yisrael that were living among them, so that YISRAEL who dwelt in their country would not be distressed. The Holy One, blessed be He, smote them with blood in their streams instead, so they were not able to drink.

137. Since their dominion rules over that river, the Holy One, blessed be He, punished their dominion first, in order that their deity would be smitten first, because the Nile was one of their deities. Similarly their other deities were gushing with blood. This is the meaning of: "And that there may be blood throughout all the Land of Egypt both in vessels of wood, and in vessels of stone" (Shemot 7:19).

138. Rabbi Chiya arose one night to study Torah. The young Rabbi Yosi, who was still a child, was with him. Rabbi Chiya opened the discussion saying, "Go your way, eat your bread with joy, and drink your wine with a merry heart; for the Elohim has already accepted your works" (Kohelet 9:7). HE ASKS, What did Solomon see that caused him to say this passage.

139. AND HE ANSWERS, All the words of Solomon were said with wisdom. "Go your way, eat your bread with joy" MEANS that the Holy One, blessed be He, brings a person who goes in the ways of the Holy One, blessed be He, close to Him, and gives him tranquillity and repose. Then, he eats and drinks the bread and wine with a joyful heart because the Holy One, blessed be He, has accepted his actions.

140. That boy said to him, If so, then you have said that all the words of Solomon were with wisdom, so where is the wisdom here IN THIS PASSAGE. RABBI CHIYA said to him, My son, cook your food, MEANING CONCENTRATE WELL, and you will understand this passage. The boy said to him, Before I have cooked, I already know. RABBI CHIYA said to him, How do you know?

136. תָּא חֲזִי, כִּד הָאֵי דְמָא אֲתַעֵר עַל עַמָּא, הָהוּא דְמָא דְקִטּוּלִין אִיהוּ דִּיתַעֵר עֲלֵיהוּ עַמָּא אַחֲרָא וְקִטּוּל לֹון. אָבַל בְּמִצְרַיִם, לֹא בְעָא קוּדְשָׁא בְרִיךְ הוּא לְאִייתָאָה עֲלֵיהוּ עַמָּא אַחֲרָא לְאֲתַעֵרָא עֲלֵיהוּ דְמָא בְּגִין דִּישְׂרָאֵל הוּוּ בִּינֵיהוּ, וְלֹא יִצְטַעֲרוּן בְּגִין דְדִירִין בְּאַרְעָא דִּילְהוֹן, אָבַל קוּדְשָׁא בְרִיךְ הוּא מִחָא לֹון בְּדְמָא, בְּנַהֲרִין דִּלְהוֹן, דִּלָּא הוּוּ יִכְלִין לְמִשְׁתֵּי.

141. The boy said to him, I heard one voice, MEANING ONE THING my father used to say about this passage. Solomon cautioned people to crown the Congregation of Yisrael, WHICH IS MALCHUT, with joy, which is the right side, NAMELY THE LIGHT OF CHASSADIM, which is bread, so it would be crowned with joy. BREAD ALLUDES TO THE LIGHT OF CHASSADIM. Then it should be crowned with wine, which is the left side, NAMELY THE ILLUMINATION OF CHOCHMAH, WHICH IS THE LEFT OF BINAH, so that the Faith of all, NAMELY MALCHUT, will be in complete joy in the right and left. When it will be between both, all the blessings will dwell in the world. THIS IS THE UTMOST PERFECTION OF MALCHUT, THAT THE ILLUMINATION OF THE LEFT, WHICH IS CHOCHMAH, WOULD BE ENVELOPED IN THE LIGHT OF CHASSADIM THAT IS ON THE RIGHT, FOR THEN BOTH ILLUMINATE IN HER. FOR THIS IS THE SECRET OF BREAD AND WINE. All this occurs when the Holy One, blessed be He, accepts the deeds of people as written: "For the Elohim has already accepted your works" (Kohelet 9:7). Rabbi Chiya approached and kissed him. He said, I swear my son that I left this for you, MEANING THAT EVEN THOUGH I ALSO KNEW IT, I DID NOT SAY IT, AND I LEFT IT FOR YOU TO SAY. And now I know that the Holy One, blessed be He, wishes to crown you with Torah.

142. Rabbi Chiya again opened the discussion saying, "Say to Aaron, 'Take your rod, and stretch your hand on the waters of Egypt'..." (Shemot 7:19). HE ASKS, Why Aaron and not Moshe, AND ANSWERS, For the Holy One, blessed be He, said, water remains in the place where Aaron is, BECAUSE WATER IS IN THE RIGHT, and the left wants to draw water from there. Aaron, who comes from that side, will stimulate A FLOW OF WATER, and when the left, WHICH IS EGYPT, receives it, it will be transformed into blood.

143. Come and see, the lowest of all levels, WHICH IS MALCHUT, WHICH IS CALLED "THE SWORD OF HASHEM IS FILLED WITH BLOOD," smote first, AND THEIR WATERS TURNED INTO BLOOD. Rabbi Shimon said, The Holy One, blessed be He, started to smite from the lowest, WHICH IS MALCHUT. His hand THAT CONTAINS TEN FINGERS, WHICH IS THE SECRET OF THE TEN SFIROT smote with each finger, FROM MALCHUT UNTIL KETER. And when He reached their highest level, WHICH IS THE FIRSTBORN OF ALL THE LEVELS, NAMELY CORRESPONDING TO KETER, He acted and passed over the land of Egypt and killed them all. Therefore, He killed all the firstborn in the land of Egypt, because this is their highest level and the firstborn to everything.

17. "And the River shall bring forth frogs in swarms"

144. Come and see, Pharaoh ruled with THE POWER OF water, as written: "The great crocodile that couches in the midst of his streams" (Yechezkel 29:3). Therefore, first his river was turned into blood. Afterward, frogs CAME OUT OF IT that plagued EGYPT with sounds that shook within their bowels. They came out of the River and onto the ground with high pitched voices in all directions until the Egyptians fell as if dead in their homes.

141. א"ל קלא חד שמענא מאבא, דהוה אמר בהאי קרא, דשלמה קא אזהר ליה לב"נ, לאעטרא לה לכנ"י בשמחה, דאיהו סטרא דימינא, ואיהו נהמא, דיתעטר בחרוה. ולבתר, יתעטר בחמרא, דאיהו שמאלא, בגין דתשתכח במהימנותא דכלא, חרוותא שלימתא, בימינא ושמאלא, וכד תהוי בין תרווייהו כדן כל ברפאן שראן בעלמא. וכל דא, כד אתרעי קודשא בריך הוא בעובדיהון דבני נשא, הה"ד כי כבר רצה האלהים את מעשיך. אתא ר' חייא ונשקיה, אמר, חייך ברי האי מלה שבקנא בגינך, והשתא ידענא, דקודשא בריך הוא בעי לאעטרא לך באורייתא.

142. תו פתח ר' חייא ואמר, אמור אל אהרן קח מטך ונטה ירך על מימי מצרים. מ"ט אהרן ולא משה. אלא, אמר קודשא בריך הוא, אהרן מיין קיימין בדוכתיה, ושמאלא בעי לנגדא מיין מתמן, אהרן דאתי מהווא סטרא יתער ליה, וכד שמאלא נקיט לון, אינון יתהדרון דמא.

143. תא חזי תתאה דכל דרגין מחא בקדמיתא. אר"ש מתתאה שרא קודשא בריך הוא. וידיא דיליה, מחא בכל אצבעא ואצבעא. וכד מטא לדרגא עלאה דכל דרגין, עבד איהו דיליה, ועבר בארעא דמצרים, וקטל כלא. ובגינך כך קטל כל בוכרין בארעא דמצרים, בגין דאיהו דרגא עלאה ובוכרא דכלא.

144. ותא חזי, פרעה הוה שולטניה במינא, דכתיב התנים הגדול הרובץ בתוך יאוריו, בג"כ אתהפך נהריה בדמא בקדמיתא. לבתר צפרדעים דמשמטי לון בקלין טסירין מקרקרין בגו מעייהו, ונפקי מגו יאורא, וסלקי ביבשתא וראמין קלין בכל סטריין, עד דאינון נמלין כמתין בגו ביתא.

145. And the secret of the matter is that all the ten signs the Holy One, blessed be He, performed originated from the strong hand, WHICH IS GVURAH, and this hand overpowered all the levels of their dominion in order to confuse them. They did not know what to do TO BE SAVED. When the grades tried to do something, it became apparent to all that they could do nothing TO BE SAVED FROM THE PLAGUES because of the strong hand that rested upon them.

146. "And the River shall bring forth frogs in swarms, and these will go up and come into your house" (Shemot 7:28). Rabbi Shimon opened the discussion saying, "A voice was heard in Ramah, lamentation, and bitter weeping; Rachel weeping for her children..." (Yirmeyah 31:14). Come and see: This passage has been explained in many places. But this passage is difficult, for it says, "Rachel weeping for her children," yet only Joseph and Benjamin were the children of Rachel and no more, while Leah had her six tribes, so why did Rachel weep and not Leah?

147. HE ANSWERS, But it has been said, it is written: "And Leah's eyes were weak" (Beresheet 29:17). Why were they weak? Because everyday she would go out to the crossroads and ask about Esav. They would tell her about the actions of that wicked man, and she feared she would fall into his lot, so she wept daily until her eyes became weak.

148. The Holy One, blessed be He, said, You are weeping to merit that righteous man, Jacob, and not be the lot of that wicked man. Upon your life, your sister will rise at the crossroads and weep over the exile of Yisrael. But you will be inside, NAMELY IN THE CAVE OF MACHPELAH, and will not weep over them. Rachel will weep over the exile of Yisrael.

149. However, this passage really refers to what we said, MEANING THAT ACCORDING TO THE LITERAL MEANING IT IS INTERPRETED THIS WAY, but the secret meaning of the matter is that Rachel and Leah are two worlds. THE NUKVA FROM THE CHEST UP OF ZEIR ANPIN IS CALLED LEAH, AND THE NUKVA THAT IS FROM THE CHEST DOWN OF ZEIR ANPIN IS CALLED RACHEL. One is the world of concealment, NAMELY LEAH, and one is the world of revelation, NAMELY RACHEL. Therefore, the one, LEAH, was buried and concealed within the cave and was covered, while the other, RACHEL, remains at the crossroads, FOR SHE WAS BURIED ON THE WAY TO EFRAT, in the open. And everything is in the likeness of above. Therefore, Jacob did not bring RACHEL into the cave or to any other place, as it is written: "yet there was but a little way to come to Efrat" (Beresheet 48:7). He did not bring her to the city, because he knew that her place was in an open spot.

145. וְרָזָא דְמַלְהָ, כָּל אֵינוֹן עֶשֶׂר אֲתִין דְעֵבֵד קוּדְשָׁא בְרִיךְ הוּא, כְּלֵהוּ הוּוּ מְגוּ יָדָא תְקִיפָא, וְהוּא יָדָא אֲתַתְקַף עַל אֵינוֹן דְרִגִין כּוּלְהוּ שְׁלִטְנוּתָא דְלֵהוֹן, בְּגִין לְבַלְבְּלָא דְעֲתִיבְהוּ, וְלֹא הוּוּ יָדְעִי לְמַעְבַּד מִיַּדִּי. תָּא חֲזִי, כָּל אֵינוֹן דְרִגִין דְלֵהוֹן, בִּין דְנִפְקִי לְמַעְבַּד מִיַּדִּי, דְאֲתַחֲזִי לְכֹלָא לֹא יִכְלִין לְמַעְבַּד מִיַּדִּי. בְּגִין הוּוּ יָדָא תְקִיפָא דְשְׂרִיא עֲלֵיהוּ.

150. Come and see, the Congregation of Yisrael, WHICH IS MALCHUT, is called Rachel, as written: "And as a sheep (Heb. rachel) before her shearers is dumb" (Yeshayah 53:7). Why is she dumb? IT IS because her voice, WHICH IS ZEIR ANPIN, is stopped when other nations rule, and she becomes dumb.

151. This is the meaning of: "A voice was heard in Ramah, lamentation, and bitter weeping..." "A voice was heard in Ramah" refers to celestial Jerusalem, NAMELY BINAH. "Rachel weeping for her children": As long as the children of Yisrael are in exile, she weeps for them because she is their mother. "She refused to be comforted for her children." What is the reason? "Because he is not." HE ASKS, It should have said, 'Because they are not', AND ANSWERS it is because her husband, WHO IS ZEIR ANPIN called voice, is gone from her and is not joined to her.

152. Come and see: She did not just weep over Yisrael just once, but rather every moment they were in exile. For the reason THEY BLEMISHED THE VOICE, WHICH WAS GONE FROM RACHEL, the Holy One, blessed be He, brought about a voice to the Egyptians TO PUNISH THEM, as written: "And there shall be a great cry throughout all the land of Egypt, such as there was none like it..." (Shemot 11:6). He also arranged for them other voices in these frogs that raised their voices in their intestines, so they fell dead in the marketplaces.

153. "And the frog came up" (Shemot 8:2). IT SHOULD HAVE SAID 'FROGS' IN THE PLURAL. HE ANSWERS, It was one frog, but it bred and the land became filled with them. And they all gave themselves over to the fire, as written: "And into your ovens, and into your kneading troughs" (Shemot 7:28). What did they say: "We went through fire and through water; but You did bring us out into abundance" (Tehilim 66:12). And if you ask, how does this concern the Egyptians that all these frogs went into the fire? HE ANSWERS, they all came into the fire and went into the ovens yet did not die. Those that did die, what did they do? There was bread in the oven, and they came into the bread and burst, and others came out of them and were swallowed in the bread. And when they wanted to eat of the bread, the bread in their bowels turned back into frogs that danced and raised their voices until THE EGYPTIANS died. This PLAGUE was harder on them than all the others. Come and see, it is written: "And the River shall bring forth frogs in swarms, and these will go up and come into your house, and on your bedchamber...AND THE FROGS SHALL COME UP BOTH ON (LIT. 'IN') YOU, AND ON (IN) YOUR PEOPLE, AND ON (IN) ALL YOUR SERVANTS" (Shemot 7:28-29). SO THEY CAME INSIDE THEIR BODIES. Pharaoh was smitten first and more than everyone else, FOR IT SAYS, "ON YOU, AND ON YOUR PEOPLE, AND ON ALL YOUR SERVANTS." May the name of Hashem be blessed from everlasting to everlasting, for He examines the actions of people in everything they do.

154. It is written: "And the princes also of Pharaoh saw her, and commended her before Pharaoh; and the woman was taken into the house of Pharaoh" (Bereshheet 12:15). This passage is to be interpreted as Pharaoh is mentioned three times. One Pharaoh refers to Pharaoh of that time, one ALLUDES to Pharaoh during the time of Joseph, and one ALLUDES to Pharaoh in the days of Moshe, who was smitten with his rod.

155. The first Pharaoh, when Sarah was taken to him, hinted to his artists and they drew her picture in his room on the wall over his bed. He had no peace until they made a picture of Sarah on a panel and when he entered his bed, he brought the panel with him. Every king who succeeded him saw the painted image, and jesters came before him, so when he got into his bed he enjoyed that picture. Therefore the king was smitten here more than everyone else. This is the meaning of: "And into your bedchamber, and on your bed," and afterwards "and into the house of your servants, and on your people" (Shemot 7:28). The expression "on your bed," appears in relation to none except him alone.

156. Rabbi Aba opened the discussion saying, "All the rivers run into the sea, yet the sea is not full. To the place where the rivers flow, thither they return" (Kohelet 1:7). This passage is explained and the sages have spoke of it. Yet come and see, when these rivers, WHICH ARE THE LIGHTS OF ZEIR ANPIN, run to the sea, WHICH IS MALCHUT, the sea receives them and absorbs them in itself because the water freezes in the sea, and the ice draws to itself all the water that flows to it. Afterwards, the water emerges with the power of the south, NAMELY CHASSADIM ON THE RIGHT SIDE, and waters all the wild animals, as written: "they give drink to every wild beast" (Tehilim, 104:11).

157. Come and see, the frozen sea draws in all the water and melts by the power of the south, as we have learned. This is why it "is not full." This has already been explained

158. Here, the friends remarked ABOUT THE PASSAGE: "To the place where the rivers flow, thither they return." Wherefore do they return? HE ANSWERS, Because the river that flows and comes out of Eden, WHICH IS YESOD OF ZEIR ANPIN, never interrupts its flow FROM MALCHUT, and always supplies water to the sea. Therefore, the waters return, flow and again return, never stopping. When it again flows to water everything, NAMELY TO DRAW CHOCHMAH THAT SUBDUES ALL THE KLIPOT, a northern wind arrives and the water freezes. And the southern wind, which is warm, thaws it so it can flow in every direction. Therefore, that sea abides between the two sides, NORTH AND SOUTH, and through them THE SEA perseveres. Ships, WHICH ARE THE GRADES THAT RECEIVE FROM MALCHUT, travel in it in every direction, NAMELY, AFTER ALL THE DIRECTIONS-SOUTH, NORTH, EAST AND WEST-ARE INCLUDED WITHIN EACH OTHER.

154. כְּתִיב וַיִּרְאוּ אוֹתָהּ שְׂרֵי פַרְעֹה וַיְהַלְלוּ אוֹתָהּ אֶל פַּרְעֹה וַתִּקַּח הָאִשָּׁה בֵּית פַּרְעֹה. הָאִי קָרָא לְדִרְשָׁא הוּא דְאֵתָא. תִּלְת פַּרְעֵה הֵבָא. חַד, בְּהוּא זְמַנָּא. וְחַד, בְּיוֹמוֹי דְיוֹסֶף. וְחַד, בְּיוֹמוֹי דְמֹשֶׁה דְאֶלְקֵי בְּקוֹלְפוֹי.

156. ר' אבא פתח, כל הנחלים הולכים אל הים והים איננו מלא אל מקום שהנחלים הולכים שם הם שבים ללכת. האי קרא אתמר, ואמרי ליה חברייא. אבל תא חזי, כד אינון נחלין עאלין לגו ימא, וימא נקיט לון, ושאיב לון בגויה, בגין דקפאן מיא בגו ימא, והוא גלידי שאיב כל מיא דעאלין ביה, ולבתר נפקין מיא בתוקפא דדרום, ואשקי ית כל חיות ברא, כמר"א ישקו כל חיתו שדי.

157. ותא חזי, ימא דקפא שאיב כל מיא, ואשתרי בתוקפא דדרום, כמה דאתמר, ובגין כן איננו מלא, ואתמר.

158. והא אתערנו ביה חברייא. אל מקום שהנחלים הולכים שם הם שבים ללכת. מאי טעמא הם שבים בגין דההוא נהר דנגיד ונפיק מערן לא פסיק לעלמין, והוא אפיק תדיר מיא לימא, ועל דא, מיון שבין ללכת, ותבין, ואזלין ותבין, ולא פסקין לעלמין. וכד איהו תב ללכת, בגין למהך לאשקאה לכלא, ואתי רוח צפון וקפי מיא, ורוחא דדרום דאיהו חמימא, שרי לון למהך לכל סטר. ועל דא, האי ימא יתיב בין תרי סטרי אלין, ובגינייהו קיימא, וארבין אזלין ונטלין לכל סטר.

159. Come and see: when the King, WHO IS ZEIR ANPIN, comes to His bed, WHICH IS MALCHUT, at midnight, the northern wind awakens, WHICH IS THE LEFT SIDE, which arouses love towards the Queen, NAMELY TO MALCHUT. Without the stimulation of the north, the King would not join with her, because love starts at the north, as is said, "His left hand is under my head" (Shir Hashirim 2:6). The south, WHICH IS THE RIGHT COLUMN, embraces with love, as written: "And his right hand embraces me" (Ibid.). Then many jesters call forth songs until the morning comes, as written: "When the morning stars sang together and all the sons of Elohim shouted for joy" (Iyov 38:7).

160. When morning comes, all the upper and lower beings recite songs. BECAUSE AT NIGHT, ONLY THE ANGELS THAT ARE DRAWN FROM THE LEFT COLUMN RECITE POETRY, BUT IN THE MORNING THEY ALL RECITE SONGS, MEANING EVEN THOSE THAT ARE DRAWN FROM THE RIGHT. THEN ALL THE COLUMNS ARE COMBINED ONE WITH THE OTHER UNDER THE DOMINION OF THE RIGHT, and similarly YISRAEL RECITE POEMS below, as written: "You that make mention of Hashem, take no rest" (Yeshayah 62:6). THIS IS ADDRESSED specifically to the lower beings, NAMELY TO YISRAEL.

161. At midnight, those who desire to constantly mention the Holy One, blessed be He, do not allow their hearts to be silent and rise FROM THEIR BEDS to make mention of the Holy One, blessed be He. With the light of morning, they hasten to the synagogue to praise the Holy One, blessed be He, and again after midday, MEANING AT MINCHAH (THE AFTERNOON PRAYER), and also at night, when darkness falls, and night is enveloped in darkness and the sun has rest. About these is written: "You that make mention of Hashem, take no rest." This refers to Yisrael, the holy nation.

162. The Holy One, blessed be He, remembered them for that in Egypt, and those that take no rest day or night rose against Pharaoh. And who are they? They are the frogs whose voices are never still. It is because He strengthened the holy people that are not silent day or night from praising the Holy One, blessed be He. And there was no one in Egypt who could speak with another. The land became devastated because of them, and babies and children died because of their sound.

163. And if you ask, Why were they not able to kill THE FROGS? HE ANSWERS, For when one raised a stick or a stone to kill one, it would burst and six frogs emerged from its bowels, which went and kicked about the land so eventually they refrained from approaching them.

159. תא חזי, כד מלכא, אתי לערסיה, בשעתא דאתפליג לילא, רוחא דצפון אתער, דאיהו אתער חביבותא לגבי מטרוניתא, דאלמלא אתערותא דצפון, לא אתחבר מלכא בהדה, בגין דצפון שארי חביבותא, כמה דאתמר, שמאלו תחת לראשי. ודרום חביב ברחימו דכתיב וימינו תחבקני, כדין כמה בדיחין מתערין שירתא, עד דאתי צפרא, דכתיב, ברן יחד כוכבי בקר ויריעו כל בני אלהים.

160. וכד אתי צפרא, בלהו עלאי ותתאי אמרי שירתא, וישראל בגוונא דא לתתא, דכתיב, המזכירים את יי' אל דמי לכם. אל דמי לכם לתתא דייקא.

162. ועל דא, אדכר לון קודשא בריך הוא במצרים, וסליק על פרעה, אלון דלא משתככי יממא וליליא, ומאן אינון. אורדענוא, דקלהון לא משתכך תדיר, בגין דאתקיף בעמא קדישא, דלא משתככי יממא וליליא, לשבחא ליה לקודשא בריך הוא. ולא הוה ב"ג במצרים, דיכול למשתעי בהדי הדדי. ומנייהו אתחבלת ארעא. ומקלהון הוּו ינוקין ורביין מתין.

163. ואי תימא היך לא יכלין לקטלא לון. אלא, אי ארים בר נש חוטר, או אבנא, לקטלא חדא, אתבקעת, ונפקין שית מינה, מגו מעהא, ואזלי וטרטשי בארעא, עד דהוי, מתמנע למקרב בהו.

164. Come and see how many rivers and how many streams emerged from the supernal sea, WHICH IS MALCHUT, at the time the water was thawed and flowed. Many rivers divide in many directions into many streams and many brooks. They belong to the minister appointed over the aspect of Egypt. These are swarming waters, for there are no waters that come from the sea, that do not bring forth fishes after their kind.

165. HE ASKS, IF THE RIVERS AND STREAMS ARE HIGH LEVELS THAT ARE DRAWN FROM MALCHUT, then who are the fishes? HE ANSWERS, They are messengers in the world who are appointed to do the bidding of their master. And they are appointed with the spirit of wisdom. Therefore we have learned, there is water that raises wise people and there is water that raises fools, according to these rivers that split to all the aspects.

166. The rivers of Egypt raise sorcerers, WHICH ARE strong fish, bound in the ten levels of sorcery, as written: "...that uses, divinations, soothsayer, or an enchanter, or a witch, or a charmer, or a medium, or a wizard, or a necromancer" (Devarim 18:11-12). "THAT USES" IS ONE, AND "DIVINATIONS" IS SECOND, SO WE HAVE THREE, AND WITH THE OTHER SEVEN THERE ARE TEN. These are ten kinds in the art of sorcery.

167. At the time OF THE EXODUS FROM EGYPT, the Holy One, blessed be He, extended His finger and mixed these streams and rivers of Egypt, WHICH ARE THE HIGH LEVELS FROM WHICH EGYPT ARE NURTURED. Their fish of wisdom were prevented FROM ISSUING TO THEM WISDOM. One reason was that it changed into blood, and another is that the fish, NAMELY THE FROGS, raised their voices, TO DRAW THE SPIRIT OF WISDOM, in vain; the spirit of their arts did not rest on them.

168. The swarm of gnats (lit. 'mixture') is ALSO like that, in that He mixed the various kinds OF LEVELS of their wisdom so they could not attain them. Even those LEVELS OF THEIR WISDOM that were already available in the land were bringing destruction upon the land, NAMELY THEY BECAME DEMONS and turned their ways evil. What is mixture? HE ANSWERS, It is a medley, as written: "A garment mingled of linen and wool" (Vayikra 19:19), and: "You shall not sow your field with mingled seed" (Ibid.), WHICH MEANS TO SOW many species by throwing by hand. SIMILARLY, MIXTURE THAT IS MENTIONED HERE MEANS A MEDLEY.

169. Come and see how many powers were aroused above as one. The Holy One, blessed be He, mixed them together in order to confuse their strong powers above. All these mighty deeds that the Holy One, blessed be He, performed in Egypt were with one hand, WHICH IS THE STRONG HAND AS MENTIONED, for He raised His hand upon them above and below. Hence, the wisdom of Egypt was lost, as written: "for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid" (Yeshayah 29:14).

170. Come and see: it is written: "And I will set Egypt against Egypt" (Yeshayah 19:2), MEANING THAT HE WILL INCITE Egypt of above, WHICH ARE THEIR MINISTERS, against Egypt on earth. These hosts of above, appointed over the hosts of below, were mixed; THEIR ARRAYS were confused above, and the Egyptians were not able to attain through their sorcery these places OF THEIR MINISTERS ABOVE, that they were able to attain before, because they were confused. Therefore, He brought upon them the plague of mixture, THAT IS, a mixture of animals.

171. WHAT IS THE MEANING OF the lice that the dust of the land raised. Come and see: every creature that is produced on earth IS DRAWN from the power of a minister above that was sown on it, and everything is based on supernal pattern.

172. Come and see that the Holy One, blessed be He, made seven firmaments and similarly seven lands. They are the boundaries that are explained in their place, NAMELY THAT THEY CORRESPOND TO THE SEVEN SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT. There are seven firmaments above and seven peripheries of the earth above. Similarly, the grades spread below, seven firmaments and seven peripheries of the earth. And the friends explained that the seven lands are like boxes one over the other.

173. These seven peripheries of the earth above, WHICH CORRESPOND TO CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, each expands into ten, BECAUSE EACH ONE OF CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT IS COMPOSED OF TEN SFIROT. Therefore, they divide to seventy princes who were appointed over the 70 nations, and those lands, which are the boundaries of every nation, WHICH ARE SEVENTY LANDS, surround the Holy Land of Yisrael, as written: "Behold it is his litter, that of Solomon! Sixty valiant men are round about it, of the mighty men of Yisrael" (Shir Hashirim 3:7). There are ten concealed in them, WITH WHICH THEY ARE SEVENTY, and they are the seventy that surround the Holy Land. This is above and is also so below.

174. Come and see that land, the boundary of the portion of Egypt. The Holy One, blessed be He, stretched out His finger at that time, and flames of fire were produced in that periphery. All these boundaries that were moist with water were dried out, as was every drop of spring water. Then, below, IN THE LAND OF EGYPT, the lice appeared from the dust of the earth.

175. HE ASKS, It says that Aaron was smiting THE DUST OF THE EARTH WITH LICE AND YOU SAY THAT THE HOLY ONE, BLESSED BE HE, EXTENDED HIS FINGER, ETC. HE ANSWERS, For this reason, Aaron was smiting, to show that the right hand of the Holy One, blessed be He, broke the enemies, as written: "Your right hand, Hashem, has dashed the enemy in pieces" (Shemot 15:6). BECAUSE AARON IS A PRIEST, WHO IS A CHARIOT FOR THE RIGHT HAND OF THE HOLY ONE, BLESSED BE HE. The Holy One, blessed be He, is going to bring the like upon the great city of Rome, as is written: "And its streams shall be turned into pitch, and its dust into brimstone" (Yeshayah 34:9). And because HE DRIED THE WATER FROM THE DUST OF EGYPT AS MENTIONED, all the dust of the land became lice in the whole land of Egypt.

18. "And he built it seven years"

176. Rabbi Yehuda and Rabbi Chiya were traveling on the road. Rabbi Chiya said, When they are on the road, the friends have to travel with one heart. And if it happens that either wicked of the world or people who are not of the King's palace should walk among them, they must separate from them. Whence do we know this? From Kalev, for it is written: "but my servant Kalev, because he had another spirit with him, and followed me fully" (Bemidbar 14:24). What is "another spirit"? It is that he separated from the spies as is written: "And they ascended to the Negev and he came to Chevron" (Bemidbar 13:22). IT SHOULD HAVE SAID, 'AND THEY CAME' IN PLURAL, but he separated from the spies and he alone came to Chevron to prostrate himself on the graves of the Patriarchs. THEREFORE IT IS SAID ABOUT HIM, "AND HE CAME TO CHEVRON" IN THE SINGULAR.

177. Chevron was given to him as a portion and inheritance to strengthen himself with, as is written: "And to him shall I give the land that he walked in it" (Devarim 1:36). HE ASKS, Why was Chevron given to him? If it is because he prostrated himself there on the graves of the Patriarchs to be delivered from the plans OF THE SPIES and he was delivered, it is not so.

178. HE ANSWERS, I heard the secret meaning of this matter IS similar to the words: "David inquired of Hashem saying, 'Shall I go up into any of the cities of Judah?' And Hashem said to him, 'Go up.' And David said, 'Where shall I go up?' And He said, 'To Chevron'" (II Shmuel 2:1). Here we have to reflect. Since Saul was already dead and David was anointed to receive the kingship even during the days of Saul, IF SO, why was David not made king if Saul had died? And why did not he receive the reign over all the children of Yisrael, BUT came to Chevron and received the reign over Judah alone for seven years, and he tarried there all those seven years. Only after the death of Ish Boshet did he receive the reign over Yisrael in Jerusalem.

175. וְהָא אֲתָמֵר דְּאֵהָרֵן הָוּה מַחִי. אָבֵל בְּגִין דָּא אֵהָרֵן הָוּה מַחִי, לְאַחְזָא דִּימִינָא דְקוּדְשָׁא ב"ה תְּבַר לְשָׁנְאִין, כַּד"א, יְמִינֵךְ יִי' תִרְעֵץ אוֹיֵב. כְּגוּוֹנָא דָא, זְמִין קוּדְשָׁא בְרִיךְ הוּא לְאִיִּתְאָה עַל קְרֵתָא דְרוּמֵי רַבְתָּא, דְכֻתִּיב וְנִהְפְּכוּ נַחְלִיָּה לְזַמְתָּ וְעַמְרָה לְגַפְרִית. וְעַל דָּא, כָּל עַמְרָה הָאֵרֶץ הִיָּה כְּנִים בְּכָל אֶרֶץ מִצְרַיִם.

179. HE ANSWERS, But it is all a secret before the Holy One, blessed be He. Come and see: The Holy Malchut OF ABOVE did not receive THE LIGHT OF Malchut completely until she joined with the Patriarchs, WHO ARE CHESED, GVURAH AND TIFERET THAT ARE FROM THE CHEST UP OF ZEIR ANPIN. When she joined with them, she was built a complete edifice from the higher world, WHICH IS BINAH. And the upper world is called seven years, because all THE SEVEN SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT-are INCLUDED in it.

180. This is understood from: "And he built it seven years" (I Melachim 6:38). This is the upper world, and THEREFORE it is not written: 'In seven years' BECAUSE IT REFERS TO THE UPPER WORLD WHICH IS CALLED SEVEN YEARS, as is written: "For six days Hashem made the heavens and the earth" (Shemot 31:17). Who are the six days, namely Abraham, as written: "These are the generations of the heaven and of the earth (behibar'am) when they were created" (Bereshheet 2:4) WHICH IS SPELLED WITH THE SAME LETTERS AS 'beAbraham' (with Abraham)? Abraham is called six days, FOR HE IS CHESED OF ZEIR ANPIN, WHICH INCLUDES CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. The world was built with him, because he is six days. Similarly, "he built it seven years", WHICH ENCOMPASSES THE UPPER WORLD, WHICH IS BINAH, CALLED SEVEN YEARS.

181. Come and see: David wished to be built in the complete lower Malchut (kingdom), in the likeness of the upper MALCHUT. Yet he was not built until he came to join with the Patriarchs IN CHEVRON. He stayed there seven years to be built among them. After seven years, he was built in everything NECESSARY and his reign was formed so that it would never be removed from him. Were he not made ready in Chevron to join his place WITH THE PATRIARCHS, his reign would not have been constructed ENABLING IT to persevere properly. Similarly, Kalev, within whom the spirit of Chochmah shone, came to Chevron to join with the Patriarchs, and to his own place did he go, BECAUSE THE ASPECT OF THE SPIRIT OF CHOCHMAH IS ACQUIRED ONLY THROUGH LINKING WITH THE PATRIARCHS, AS ALL THIS IS SAID. Afterwards it became his place, SINCE IT WAS GIVEN TO HIM, AS MENTIONED, and he inherited it.

19. Ways, paths, pleasantness and peace

182. Rabbi Yisa and Rabbi Chizkiyah were traveling from Cappadocia to Lod. A Jew who had a load of BIRDS CALLED Katfira was with them on a donkey. While they were traveling, Rabbi Yisa said to Rabbi Chizkiyah, Open your mouth and say something of those good words of Torah that you speak everyday before the holy luminary, RABBI SHIMON.

179. אֵלָא, כִּלְאָה הוּא רְזָא קְמִי קוּדְשָׁא בְּרִיךְ הוּא. תָּא חֲזִי, מַלְכוּתָא קְדִישָׁא לָא קְבִיל מַלְכוּ שְׁלִימְתָא, עַד דְּאַתְחַבֵּר בְּאַבְהֵן. וְכֵד אֶתְחַבֵּר בְּהוּ, אֶתְבְּנִי בְּבִנְיָנָא שְׁלִימוּ, מֵעֲלָמָא עֲלָאָה, וְעֲלָמָא עֲלָאָה אֶקְרִי שְׁבַע שָׁנִים, בְּגִין דְּכִלְהוּ בֵּיהּ.

183. He opened the discussion saying, "Her ways are ways of pleasantness, and all her paths are peace" (Mishlei 3:17). "Her ways are ways of pleasantness" refers to the ways of Torah, because whoever goes in the way of the Torah, the Holy One, blessed be He, causes the pleasantness of the Shechinah to dwell upon him to never be removed from him. "And all her paths are peace" ARE THE PATHS OF THE TORAH, because all the paths of the Torah are peace. He has Peace above, peace below, he has peace in this world, peace in the World to Come.

184. The Yisrael said, There is a coin in the box, MEANING THERE IS AN INNER MEANING TO THIS PASSAGE. He said to him, How do you know this? He said to him, I heard it from my father and I learned here in this passage a good thing.

185. He opened the discussion saying, This passage has two manners and two aspects. You read in it of ways, and read of paths. You read in it of pleasantness and read of peace. What is ways and what is paths? What is pleasantness and what is peace?

186. HE ANSWERS, "Her ways are ways of pleasantness" resembles the words: "Who places a way in the sea" (Yeshayah 43:16), for any "way" in the Torah is a road open to all, like a way that is open to everyone. Similarly, her ways are the ways that are open by MEANS OF the Patriarchs, WHO ARE CHESED, GVURAH AND TIFERET, who carved in the great sea, WHICH IS MALCHUT, and entered it. These are the roads that open to all sides and all directions in the world.

187. And this pleasantness THE VERSE SPEAKS OF is the pleasantness that emanates from the World to Come, WHICH IS BINAH, and illuminates on all the lights, WHICH ARE MALE AND FEMALE, and they spread in all direction, NAMELY TO RIGHT AND LEFT. The Patriarchs, WHO ARE CHESED, GVURAH AND TIFERET OF ZEIR ANPIN, nourish on the goodness and the light of the World to Come that is called pleasantness. Another explanation is that the World to Come is called pleasantness because when the World to Come is roused TO BESTOW, all goodness, all joy, all the lights and all the freedom of the world are awakened. Therefore THE WORLD TO COME, WHICH IS BINAH, is called pleasantness.

188. Therefore we have learned, the wicked who are in Gehenom all have joy and rest on Shabbat, once Shabbat enters. As the end of Shabbat, we have to arouse the supernal joy over us in order to be delivered from the punishment of the wicked, who, from that moment onwards, are punished. We have to awaken, saying: "And let the pleasantness of Hashem our Elohim be upon us" (Tehilim 90:17), for this DRAWS AGAIN the supernal pleasantness, WHICH IS THE MOCHIN OF BINAH, which is general joy. Therefore, "Her ways are ways of pleasantness and all her paths are peace."

189. HE ASKS, What is "her paths"? HE ANSWERS, These are the paths and courses that emerge from above, FROM ABA AND IMA. A single covenant called peace receives them, WHICH IS YESOD OF ZEIR ANPIN, household peace, and brings them to the great sea, WHICH IS MALCHUT, when in full strength, and thus it grants it peace. Hence it says: "And all her paths are peace." AND THIS EXPLAINS THE MEANING OF PATHS AND PEACE. Rabbi Yisa and Rabbi Chizkiyah came and kissed him. They said, All these lofty words were hidden by you, yet we were not aware of it. They went. When they reached a field and saw that the animals of the field were dead, they said, most certainly there is an animal pestilence in this place.

20. "Behold, the hand of Hashem is"

190. The Jew said, You said that the Holy One, blessed be He, had killed in Egypt all those cattle and all those sheep. There were three types of deaths among the animals: 1) Pestilence; 2) those killed by hail; and 3) the firstborn of the animals THAT DIED DURING THE PLAGUE OF THE FIRSTBORN.

191. HE ASKS, What was their type of death? HE ANSWERS, it is first written: "Behold the hand of Hashem is on your cattle which is in the field" (Shemot 9:3). Why is it that it is not written: "The hand of Hashem" of all the plagues? Here a hand with five fingers is concerned, because at first, BY THE PLAGUE OF LICE, it is written: "This is the finger of Elohim" (Shemot 8:15). Here all five fingers participate, each finger killing one species. And there were five species as written: "On the horses, on the asses, on the camels, on the oxen, and on the sheep" (Shemot 9:3). We see five kinds for the five fingers, which are considered a hand. Therefore, "Behold, the hand of Hashem...there shall be a very grievous plague." They died of themselves, for they were found dead.

192. Since Egypt did not return IN REPENTANCE, the very letters OF 'PESTILENCE (HEB. DEVER, DALET BET RESH)' returned and killed all those that survived, AND THE LETTERS Dalet Bet Resh turned into hail (Heb. barad, Bet Resh Dalet). What is the difference between them? PESTILENCE is affected quietly while HAIL with the strength of anger. Both of these were in one place, namely in five fingers.

193. Come and see, pestilence (Dalet Bet Resh): These are letters that are quiet, a quiet death, for they died of themselves. There was hail (Bet Resh Dalet) since the letters changed to be with the strength of anger, and killed everything. They remained sitting in that field. They saw sheep coming to a certain place and die there. That Jew rose AND WENT to that place, and saw two dead birds called Katfiri full of worms AND POISON THAT CAUSED THE SHEEP TO DIE.

21. "And I will make of you a great nation"

194. He opened the discussion saying, "And I will make of you a great nation, and I will bless you, and make your name great; and you shall be a blessing" (Beresheet 12:2). This matter is of Rabbi Elazar, who said, "And I will make of you a great nation" corresponds to THE WORDS "Get you out." "And I will bless you" corresponds to THE WORDS: "of your country," "and make your name great" corresponds to "and from your kindred." "And you shall be a blessing" corresponds to "and from your father's house" (Ibid. 1). One corresponds to the other.

195. Rabbi Shimon said, There is a secret of wisdom here. "And I will make of you a great nation" corresponds to the right aspect, WHICH IS CHESED. "And I will bless you" corresponds to the left aspect, WHICH IS GVURAH. "And make your name great" corresponds to central aspect, WHICH IS TIFERET and "And you shall be a blessing" corresponds to the aspect of the Land of Yisrael, WHICH IS MALCHUT. This is all the secret of the Holy Chariot, BECAUSE CHESED, GVURAH AND TIFERET AND MALCHUT ARE THE FOUR LEGS OF THE CHARIOT.

196. Come and see, through the awakening below there is an awakening above. There will be no awakening above to dwell on one before the awakening below. It is written of Abraham: "And they went out with them from Ur Chaldeans" (Beresheet 11:31). HE ASKS, "They went out with them" should have been 'And they went out with him' since it says, "And Terach took Abram his son..." (Ibid.). Why then does it say, "They went out with them"? HE ANSWERS, Rather Terach and Lot went out with Abraham and Sarah. For after Abraham was saved from the fire, Terach again reverted to doing his bidding. Therefore it is written: "They went out with them," BECAUSE TERACH AND LOT WENT OUT WITH ABRAHAM AND SARAH. And since they were awakened below first TO GO TO THE LAND OF CANAAN, IMMEDIATELY THERE WAS AN AWAKENING TOWARDS HIM ABOVE AND the Holy One, blessed be He, said to him "Get you out" (Beresheet 12:1).

197. Rabbi Shimon said, "Get you out (or: for yourself)", namely, to better yourself; "from your land," from that aspect of habitation that you weigh, where you were born, NAMELY FROM THE RIGHT SIDE BEFORE IT WAS INCLUDED IN THE LEFT. AND THE HOLY ONE, BLESSED BE HE, TOLD HIM TO GO FROM THERE, "and from your kindred," from your own generations, NAMELY FROM THE LEFT SIDE BEFORE IT WAS INCLUDED IN THE RIGHT, FOR THE LEFT IS THE PRODUCT OF THE RIGHT. "And from your father's house" that you regard their source. AND THE HOLY ONE, BLESSED BE HE, SAID TO HIM THAT HE MUST NO LONGER HEED THEM. "To the land that I will show you," for there that which you desire will be revealed to you, namely the power that is appointed over it, which is deep and hidden. Immediately, "So Abram departed, as Hashem has spoken to him" (Ibid. 4). We wish to go from here in order to acquire the secret of wisdom. (THE END IS MISSING)

22. "But Sarai was barren"

194. פתח ואמר, בתיב ואעשך לגוי גדול ואברכך ואגדלה שמך והיה ברכה, האי מלה דרבי אלעזר, דאמר, ואעשך לגוי גדול, לקבל לך לך. ואברכך, לקבל מארצך. ואגדלה שמך, לקבל וממולדתך. והיה ברכה, לקבל ומבית אביך. ודא לקבל דא.

195. ר' שמעון אמר, רזא דחכמתא הכא. ואעשך לגוי גדול, לקבל סטר ימינא. ואברכך, לקבל סטר שמאלא. ואגדלה שמך, לקבל סטר אמצעיתא. והיה ברכה, לקבל סטר ארעא דישראל. וכלא רזא דרתיבא קדישא.

196. תא חזי, באתערותא דלתתא, אתער לעילא. ועד לא יתער לתתא, לא יתער לעילא, לאשראה עליה. מה בתיב באברהם, ויצאו אתם מאור כשדים. ויצאו אתם, ויצאו אתו מבעי ליה. דהא בתיב ויקח תרח את אברם בנו וגו'. מהו ויצאו אתם. אלא, תרח ולוט נפקו עם אברהם ושרה, דכיון דאשתויב אברהם מן נורא, אתהדר תרח למעבד רעותיה. ובגין כך, ויצאו אתם. כיון דאינון אתערו בקדמיתא, א"ל קודשא בריך הוא לך לך.

197. רבי שמעון אמר, לך לך. לתקונך לגרמך. מארצך, מההוא סטרא דישובא דאת תקיל, דאתילינדת ביה. וממולדתך, מההוא תולדה דילך. ומבית אביך, דאת אשגח בשרשא דלהון. אל הארץ אשר אראך, תמן אתגלי לך, מה דאת בעי, ההוא חילא דממנא עלה, דאיהו עמיק וסתים. מיד, וילך אברם כאשר דבר אליו יי'. ואנן קא בעינון למהך מהכא למנדע רזא דחכמתא.

198. Rabbi Yosi and Rabbi Chiya were traveling on the road. Rabbi Yosi said to Rabbi Chiya, Why are you silent? The road is not improved save with words of Torah. Rabbi Chiya sighed and wept. He opened the discussion saying, "But Sarai was barren; she had no child" (Bereshheet 11:30). Woe unto this, woe unto the time that Hagar bore Ishmael.

199. Rabbi Yosi said to him, Why? SARAH gave birth after ISHMAEL WAS BORN, and had a son of a holy stock. WHY DO YOU SAY WOE? He said to him, You see, and I see, and so I heard the matter from the mouth of Rabbi Shimon, and I wept. FOR HE SAID, Woe for that time, because since Sarah was tardy, it is written: "And Sarai said to Abram...I pray you, go in to my maid" (Bereshheet 16:2). Therefore, the moment was propitious for Hagar to inherit Sarah her mistress, and HAGAR bore a son from Abraham.

200. And Abraham said, "O that Ishmael might live before you" (Bereshheet 17:18). Even though the Holy One, blessed be He, gave him the news about Isaac, Abraham cleaved to Ishmael, until the Holy One, blessed be He, answered him, "And as for Ishmael, I have heard you..." (Ibid. 20). He was later circumcised and entered the holy covenant before Isaac came into the world.

201. Come and see, for four hundred years, the minister of the children of Ishmael stood and begged before the Holy One, blessed be He. He said to Him, Whoever is circumcised has a portion in Your name. THE HOLY ONE, BLESSED BE HE, said to him, it is so. He said to Him, Behold Ishmael who is circumcised. Why does he not have a portion in You like Isaac? He said to him, It is not so, the one was circumcised well and properly, while the other was not so. Moreover, the ones cleave to Me properly at the eighth day, while the others are distanced from me for many days. THE APPOINTED MINISTER said to Him, But still in all, since he is circumcised, would not he have a good reward for this?

202. Woe is to the time that Ishmael was born into the world and was circumcised. What did the Holy One, blessed be He, do PERTAINING TO THE COMPLAINT OF THE MINISTER OF ISHMAEL? He distanced the children of Ishmael from supernal cleaving and gave them a portion below in the Holy Land, because of their circumcision.

203. The children of Ishmael are destined to rule over the Holy Land for a long time when it is empty from anything, like their circumcision, which is empty and imperfect. And they will prevent the children of Yisrael from returning to their place until the reward for the merit of the children of Ishmael reaches completion.

198. רבי יוסי ורבי חייא הוו באורחא. א"ר יוסי לרבי חייא, אמאי את שתיק, הא אורחא לא אתתקן, אלא במלי דאורייתא. אתנגיד רבי חייא, ובכה, פתח ואמר, ותהי שרי עקרה אין לה ולד ווי על דא, ווי על ההוא זמנא דאולידת הגר לישמעאל.

200. ואברהם אמר, לו ושמעאל יחיה לפניך, ואע"ג דקודשא בריך הוא הוה מבשר ליה על יצחק, אתדבק אברהם בישמעאל, עד דקודשא בריך הוא אתיב ליה, ולישמעאל שמעתין וגו'. לבתר אתגזר, ועאל בקיימא קדישא, עד לא יפוק יצחק לעלמא.

201. ותא חזי, ארבע מאה שנין, קיימא ההוא ממנא דבני ישמעאל, ובעא קמי קודשא בריך הוא, א"ל, מאן דאתגזר אית ליה חולקא בשמך. א"ל אין. א"ל והא ישמעאל דאתגזר, אמאי לית ליה חולקא בך כמו יצחק. א"ל, דא אתגזר בדקא יאות וכתיקוני, ודא לאו הכי. ולא עוד, אלא דאלין מתדבקין בי בדקא יאות, לתמנא יומין ואלין רחיקין מני עד כמה ימים. א"ל, ועם כל דא, כיון דאתגזר לא יהא ליה אגר טב בגיניה.

202. ווי על ההוא זמנא, דאתיליד ישמעאל בעלמא, ואתגזר. מה עבד קודשא בריך הוא, ארחיק להו לבני ישמעאל, מדבקותא דלעילא, ויהב להו חולקא לתתא בארעא קדישא, בגין ההוא גזירו דבהון.

203. וזמינן בני ישמעאל, למשלט בארעא קדישא, בד איהי ריקנא מכלא, זמנא סגי, כמה דגזירו דלהון בריקנא בלא שלימו. ואינון יעכבון להון לבני לאתבא לדוכתיהו, עד דאשתלים ההוא זכותא דבני ישמעאל.

204. The children of Ishmael will cause great wars in the world and the children of Edom will gather against them, and wage war against them, one on the sea, one on the dry land, and one near Jerusalem. And they will rule over each other, but the Holy Land will not be given over to the children of Edom.

205. At that time, a nation from the end of the earth will be roused against evil Rome and wage war against it for three months. Nations will gather there, and will fall into their hands until all the children of Edom will gather against it from all the corners of the world. Then the Holy One, blessed be He, will be roused against them. This is the meaning of: "For Hashem has a sacrifice in Botzrah" (Yeshayah 34:6). And afterwards, it is written: "That it might take hold of the ends of the earth..." (Iyov 38:13). He will destroy the descendants of Ishmael from the land, and break all the powers of above. There will not remain any power above over the eternal people, MEANING YISRAEL, except the power of Yisrael alone. This is the meaning of: "Hashem is your shade upon your right hand" (Tehilim 121:5).

206. For the Holy Name is on the right, and the Torah is on the right. Therefore, everything stems from the right. We learned that we should raise the right over the left, as it is written: "At His right hand was a fiery law unto them" (Devarim 33:2). In the future to come, IT IS WRITTEN: "Save with Your right hand and answer me" (Tehilim 60:7). And of that time, it is written: "For then I will convert the peoples to a purer language, that they may all call upon the name of Hashem, to serve Him with one consent" (Tzefanyah 3:9), and: "On that day Hashem shall be one, and His name One" (Zecharyah 14:9). Blessed is Hashem forever, amen and amen.

1. "If there an angel over him, an interpreter"

Rabbi Yehuda tells us that people who study Torah and observe its commandments have an Advocate stand up for them before God rather than an Accuser, for just as there are accusers in the world below, there are adversaries above as well. Rabbi Chiya wonders why if someone keeps the commandments it is necessary to have an angel intercede for him. Rabbi Yehuda answers that it is true that God sees everything, but He gave permission to the Other Side to accuse people in this world.

1. "And Hashem said to Moses, 'Go in to Pharaoh, for I have hardened his heart...'" (Shemot 10:1). Rabbi Yehuda opened the discussion, saying: "Happy is the people that know the joyful note; they shall walk, Hashem, in the light of Your countenance" (Tehilim 89:16). How much should people walk in the ways of the Holy One, blessed be He, and observe the commandments of the Torah in order to merit the World to Come, and that they may be delivered from all Accusers above and below. For as there are Accusers in the world below, so there are Adversaries above whose functions is to ACCUSE people.

2. Those who observe the commandments of the Torah and walk the right path in fear of their Master, good Advocates are situated above them, as is written: "If there be an angel over him, an interpreter, one among a thousand...then He is gracious to him, and says, 'Deliver him from going down to the pit: I have found a ransom'" (Iyov 33:23). Therefore, fortunate is he who observes the commandments of the Torah.

3. Rabbi Chiya said to him: If so, why is it necessary to have an angel to intercede for the person, seeing it is written: "For Hashem will be your confidence and will keep your foot from being caught" (Mishlei 3:26). "Hashem will guard you from all evil" (Tehilim 121:7). For the Holy One, blessed be He, sees everything that a man does in the world, both good and evil. And so He says, "'Can any hide himself in secret places that I shall not see him?' Says Hashem" (Yirmeyah 23:24). IF THIS IS SO, WHY DO WE NEED AN ANGEL TO INTERCEDE OR ACCUSE?

4. Rabbi Yehuda said: Certainly it is so THAT THE HOLY ONE, BLESSED BE HE, SEES EVERYTHING. But it is written: "And touch his bone and his flesh" (Iyov 2:5), and "although you did move me against him to destroy him without cause" (Ibid. 3). This shows that permission was granted to the Other Side to accuse in worldly matters, and they should be given into his hands. All these things are to stay concealed before the Holy One, blessed be He, and you have no right to follow them TO INVESTIGATE THEM, because they are the statutes of the Holy One, blessed be He. Humans are not permitted to be particular about them except for those truly Righteous who know the secrets of the Torah and go in the way of wisdom to know these hidden things in the Torah. THIS IS THE MEANING OF: "HAPPY IS THE PEOPLE THAT KNOW THE JOYFUL NOTE (LIT. 'TRUAH')" (TEHILIM 89:16), THAT IS, THEY KNOW THE WAYS OF BLESSED HASHEM, AND THAT HE BRINGS EVIL AND GOOD THROUGH MESSENGERS, ALTHOUGH HE CAN DO IT HIMSELF. SO IN THE PASSAGE: "GO IN TO PHARAOH," THE HOLY ONE, BLESSED BE HE, WANTED PHARAOH TO LET THE CHILDREN OF YISRAEL GO, EVEN THOUGH HE WAS ABLE TO TAKE THEM OUT AGAINST HIS WILL.

2. "Now there was a day...and the Adversary came also among them"

Rabbi Elazar begins by talking about Rosh Hashanah, Judgment Day. He says there are messengers who are appointed by God to watch over the actions of people, and at Judgment Day these messengers accuse those whose actions were improper. When Yisrael sin, they weaken God, but when they perform good actions they give might and power to Him. Rabbi Elazar speaks about "The Adversary also came among them," and recounts the conversation between God and Satan wherein God distracts Satan from his accusation of Yisrael, by asking him if he has considered His servant Job. Satan always requests justice from God. We read that Job was judged as he had judged Yisrael, since he had been one of Pharaoh's advisors. The Satan was given permission to afflict Job's bones and flesh, but not to kill him. We are told that God does not want to destroy the whole world on the word of the Accuser, since the Accuser's desire is always to destroy. The discussion turns to "The end of all flesh" which is the Satan, and "the end of days" that is in Holiness. On Rosh Hashanah those who come before God with repentance deserve to be written on the side of Life; those who come with evil actions are written on the Other Side, which is Death. We are told then of the balance, where the world is half Life and half Death, and the actions of one Righteous man or one wicked person can tip the balance so that all the world is written to Life or Death. A person should not be set apart by himself because he can be noticed and accused from above. Job, who was set apart, and who was tested severely, did not even then join the Other Side. He should, however, have given a part of his sacrifice to the Other Side because then the Other Side would have removed himself from the Temple. The conclusion of this section is that God judged Job, giving him first good and then bad and then good again; thus it is proper for a person to know good and bad, and to return himself to good.

5. Rabbi Elazar opened the discussion, saying: "Now there was a day when the sons of Elohim came to present themselves before Hashem, and the Adversary came also among them" (Iyov 1:6). "Now there was a day," refers to Rosh Hashanah (the Jewish New Year), the day that the Holy One, blessed be He, rises to judge the world. Similarly, "And it happened one day, that he came there" (II Melachim 4:11). That day was the holy day of Rosh Hashanah.

5. רבי אלעזר פתח, ויהי היום ויבא בני האלהים להתיצב על יו' ויבא גם השטן בתוכם. ויהי היום: דא ראש השנה, דקודשא בריך הוא קאים למידן עלמא. כגוונא דא, ויהי היום ויבא שמה. ההוא יומא יום טוב דראש השנה הוה.

6. "And the sons of Elohim came." These are the appointed ministers whose mission in the world is to observe the actions of people. "To present themselves before Hashem," as is written: "And all the hosts of heaven standing by Him on His right hand and on His left" (I Melachim 22:19). But in the passage: "To present themselves before Hashem," I have found the love of the Holy One, blessed be He, toward Yisrael. These messengers who are appointed to observe the actions of people wander around IN THE WORLD and take all these actions, and on the day that Judgment rises to judge the world, they became accuser so they are DEMOUNCING against people. Come and behold: of all the nations in the world, THE MINISTERS stand to watch over the activities of Yisrael only, because they are the children of the Holy One, blessed be He.

6. ויבאו בני האלהים, אלין רברבין ממנן שליחן בעלמא, לאשגחא בעובדין דבני נשא. להתיצב על ה': כמה דאת אמר, וכל צבא השמים עומדים עליו מימינו ומשמאלו. אבל להתיצב על ה' בהאי קרא אשכחנא רחימותא דקודשא בריך הוא עליהו דישראל. בגין, דהני שליחן, דאינון ממנן לאשגחא על עובדין דבני נשא, אזלין ושטין ונטלין אינון עובדין כלהו, וביומא דקאי דינא למיקם, למידן עלמא, אתעבידו קטיגורין למיקם עליהו דבני נשא. ותא חזי, מכל עמין דעלמא, לא קיימין לאשגחא בעובדיהון, בר בישראל בלחודייהו, בגין דאלין בגין לקודשא בריך הוא.

7. When the actions of the children of Yisrael were found to be improper, the appointed messengers stand against these actions of Yisrael, and stand by Hashem. For when the children of Yisrael perform actions that are not good, they weaken, so to speak, the strength of the Holy One, blessed be He. When they perform good actions, they give might and power to the Holy One, blessed be He. Of this, it is written: "Give strength to Elohim" (Tehilim 68:35). How IS STRENGTH GIVEN? By good actions. Therefore, all the appointed ministers gathered by (lit. 'upon') Hashem on that day. 'Upon' Hashem most certainly, for they gathered TO BRING ACCUSATIONS upon Yisrael, WHICH AMOUNTS TO having gathered against Hashem TO WEAKEN HIS STRENGTH, SO TO SPEAK.

7. וכד לא אשתכחו עובדין דישראל בדקא יאות, כביכו"ל אינון ממנן שליחן, כד בעאן לקיימא על אינון עובדין דישראל, על ה' ודאי קיימין, דהא כד ישראל עבדין עובדין דלא כשרן, כביכו"ל מתישין חילא דקודשא בריך הוא. וכד עבדין עובדין דכשרן, יתבין תוקפא וחילא לקודשא בריך הוא. ועל דא כתיב, תנו עז לאלהים. במה. בעובדין דכשרן. ועל דא, בההוא יומא, כלהו רברבן ממנן אתכנשו על ה'. על ה' ודאי, דהא בין דעל ישראל אתכנשו, עליה אתכנשו.

8. "The Adversary also came among them." The word "also" adds to THE CHILDREN OF ELOHIM, because they all came to accuse Yisrael, and THE ADVERSARY also joined them because he was the greatest slanderer of them all. As soon as the Holy One, blessed be He, saw that they all came to accuse, immediately, "And Hashem said to the Adversary, 'From where do you come?'" (Iyov 1:7), SINCE HE WAS THE GREATEST OF THEM ALL. HE ASKS: Did not the Holy One, blessed be He, know where he came from SO THAT HE HAD TO ASK HIM? HE ANSWERS: Rather only to allow the matter to the wishes of the Satan, MEANING THAT WITH THESE WORDS HE GAVE HIM AN OPENING TO ACCUSE AS HE WISHES.

9. "And Hashem said to the Adversary... Then the Adversary answered Hashem and said, 'From going to and fro in the earth'" (Iyov 1:7). From here I learned that the settling of the earth is given over to Others Side, NAMELY THE SEVENTY NATIONS, except for the land of Yisrael exclusively, WHICH IS SECURED IN HOLINESS FOR THE CHILDREN OF YISRAEL. THEREFORE, since he said, "From going to and fro in the earth," THE WORD "EARTH" IS UNSPECIFIED AND MEANS THE LAND OF YISRAEL. The Holy One, blessed be He, saw that the Satan wanted to slander Yisrael AND NOT JOB OR OTHERS WHO WERE CONSIDERED OF THE NATIONS WHO INHABIT THE OTHER LANDS. Immediately, "Hashem said to the Adversary, 'Have you considered my servant Job, that there is none like him on earth...'" (Ibid. 8).

10. He saw THAT NOW WAS the opportune time to give THE SATAN a portion with which to be occupied, so he would be kept afar from Yisrael. They explained this to be similar to a shepherd who wanted to get his sheep across a river WHEN A WOLF CAME TO ATTACK THE SHEEP. WHAT DOES AN EXPERIENCED SHEPHERD DO? HE TAKES A BIG HE-GOAT AND GIVES IT TO THE WOLF, SAYING: LET HIM FIGHT WITH THE HE-GOAT UNTIL I LET MY SHEEP CROSS OVER THE RIVER AND THEN I WILL RETURN AND TAKE THIS ONE ALSO. THE HOLY ONE, BLESSED BE HE, DID LIKEWISE. HE GAVE JOB TO THE ADVERSARY TO BE OCCUPIED WITH SO HE WOULD NOT ACCUSE YISRAEL. Immediately, the Satan busied himself with him and did not accuse Yisrael.

11. "And the Adversary answered Hashem and said, 'Is it for naught that Job fears Elohim?'" (Ibid. 9). It is not surprising that a servant, whose master does his desire, fears him. Remove Your supervision from him and You will see if he still fears You or not.

12. Come and behold: During a time of duress, when a portion is given to this Side with which to occupy itself, it goes away by following it entirely. Similarly, a he-goat is sacrificed on the first day of the month and on Yom Kippur (Day of Atonement). THIS IS THE SECRET MEANING OF GIVING A PORTION TO THE OTHER SIDE, WHICH IS GIVEN TO IT in order that it shall be occupied, and so leave Yisrael in their kingdom. The time had arrived to take this portion from the whole seed of Abraham FOR the Other Side, as was written: "Behold Milkah, she also has born...Utz his firstborn..." (Bereshheet 22:21). JOB WAS IN THE LAND OF UTZ, MEANING THAT HE WAS OF THE FAMILY OF ABRAHAM.

13. Come and behold: When THE ADVERSARY said, "From going to and fro in the earth," he requested Hashem to execute Judgment on the children of Yisrael. THE UNSPECIFIED WORD "EARTH" REFERS TO THE LAND OF YISRAEL, because he had an accusation against Abraham and he claimed it from the Holy One, blessed be He. AND THAT WAS because justice was not performed against Isaac when he was offered on the altar, and he should not have exchanged the offering that he prepared on the altar for another, NAMELY THE RAM, as it is written: "And he should not exchange it" (Vayikra 27:10). Isaac was already on the altar. He was not consummated to be a sacrifice, yet no punishment was carried against him. He requested this from the Holy One, blessed be He, as he requested Justice for the selling of Joseph for many generations. Anything that THE SATAN requests, HE REQUESTS by means of Judgment.

14. After Isaac was saved and his offering exchanged, the Holy One, blessed be He, prepared this FOR the Accuser, NAMELY JOB, for his portion. AS IT IS WRITTEN: "Behold Milkah, she also has born...Utz his firstborn..." NAMELY JOB, WHO DWELT IN THE LAND OF UTZ. THIS WAS SAID IMMEDIATELY AFTER THE BINDING OF ISAAC. Here, AT THE BIRTH OF UTZ, THE SATAN arrived to take for his portion from all the seed of Abraham, so he would not approach TO DAMAGE another side, NAMELY THE CHILDREN OF YISRAEL.

15. Everything is according to Justice. Just as JOB judged, so was he judged. Job was one of Pharaoh's advisers. When Pharaoh arose against Yisrael and wanted to kill them, JOB said to him: 'No, just take their money and rule over their bodies with hard labor, but do not kill them'. The Holy One, blessed be He, said to him: 'I swear on your life that you shall be judged with the same punishment THAT YOU PRONOUNCED AGAINST THE CHILDREN OF YISRAEL. It is written: "But put forth your hand now, and touch his bone and his flesh..." (Iyov 2:5). He HIMSELF was judged as he judged YISRAEL. Even though he feared the presence of the Holy One, blessed be He, in all other things, AS IS WRITTEN ABOUT HIM: "AND HE FEARED ELOHIM," HE WAS NOT SPARED FROM JUDGMENT.

16. Come and behold: it is written, "Only spare his soul" (Ibid. 6). He was given permission to rule over his flesh. For this is the secret of the verse: "The end of all flesh has come before Me" (Beresheet 6:13). And it was explained, "Has come before Me," assuredly MEANS THAT THE END OF ALL FLESH, WHICH IS THE SATAN THE DESTROYER, "HAS COME BEFORE ME" TO RECEIVE PERMISSION. This is WHAT IS CALLED 'the end of all flesh' and not CALLED 'THE END OF ALL spirit'. They explained that it is the end that comes from the side of darkness, NAMELY FROM THE ASPECT OF THE JUDGMENTS OF THE MALE, as written: "He put an end to darkness, and searches out all perfection" (Iyov 28:3). "ALL PERFECTION" RESEMBLES "all flesh," for there is another end which is the "end of days (also: 'right')" (Daniel 12:13), WHICH IS IN HOLINESS. This one HERE is a different end from the left side, which is dark. Therefore, he received permission to afflict his bone and flesh.

13. ות"ח, בשעתא דאמר משוט בארץ, בעא מיניה, למעבד דינא בישראל, דהא דינא הוה ליה על אברהם, למתבע מקודשא בריך הוא. בגין, דלא אתעביד דינא ביצחק, כד אתקריב ע"ג מדבחא, דהא לא הוה ליה לאחלפא קרבנא דאזמין על מדבחא, באחרא, כמה דאת אמר, לא יחליפנו. והכא קאים יצחק על גבי מדבחא, ולא אשתלים מיניה קרבנא, ולא אתעביד ביה דינא, ובעא דא מעם קודשא בריך הוא, כמה דבעא דיניה דיוסף לכמה דרין. וכל מה דבעא, באורח דינא בעא.

14. ומהוהו זמנא דאשתזיב יצחק, ואתחלף קרבניה, זמין ליה קודשא בריך הוא, להווא מקטרגא, האי לחולקיה, כמה דאת אמר הנה ילדה מלכה גם היא וגו' את עוץ בכורו. והכא, מטא למיטל חולקיה עליה, מכל זרעיה דאברהם, ולא יקרב בסטרא אחרא.

15. וכלא בדינא אתא. כמה דאיהו דן, הכי אתרין. בגין דאיוב מקריבי עיטא דפרעה הוה, וכד קם פרעה עלייהו דישראל, בעא לקטלא לון. אמר ליה לא, אלא טול ממונהון ושלוט על גופיהון, בפולחנא קשיא, ולא תקטול לון. אמר ליה קודשא בריך הוא, חייך, בהווא דינא ממש, תהא דאין, מה כתיב, אולם שלח נא ירך וגע אל עצמו ואל בשרו וגו'. כמה דאיהו דן, הכי אתרין. ואע"ג דבכל שאר הוה דחיל לקודשא בריך הוא.

16. ת"ח, מה כתיב, אך את נפשו שמור. ואתיהיב ליה רשו, למשלט על בשרא, בגין רזא דכתיב, קץ כל בשר בא לפני ואוקמוה, בא לפני ודאי, ודא איהו קץ כל בשר, ולא רוחא. ואיתמר, דאיהו קץ דאתי מסטרא דחשך, כמה דאת אמר, קץ שם לחשך ולכל תכלית הוא חוקר. ולכל בשרא, בגין דאית קץ אחרא, ואקרי קץ הימין, ודא איהו קץ אחרא, מסטרא דשמאלא, דאיהו חשך. וע"ד אתיהיב ליה רשו בעצמו ובשרו.

17. "Although you did move Me against him, to destroy him without cause" (Iyov 2:3). HE ASKS: If so, then was he punished unlawfully, only because of the talk of the Accuser who provoked Him and turned Him. HE ANSWERS: Rather, everything was only done according to Justice, and Elihu did say to him: "For the work of a man shall He pay back to him, and according to his ways will He cause to befall every man" (Iyov 34:11). As we said, as he decreed against the children of Yisrael by Pharaoh, such was decreed against him.

18. Yet He said, "Although you did move Me against him, to destroy him without cause." THE EXPLANATION IS THAT it is not written: 'Although you did move Me to destroy him', rather it says, "Although you did move Me against (or: in) him," which means in his mind. For he thinks that "you did move Me," as JOB said, "And shine upon the counsel of the wicked" (Iyov 10:3). Similarly, "Nevertheless they did flatter Him with their mouths, and they lied to Him with their tongues" (Tehilim 78:36), WHICH IS ALSO DIFFICULT, FOR IS IT POSSIBLE TO ENTICE THE HOLY ONE, BLESSED BE HE? It is not written: "They did flatter Him with, and they lied to Him," but rather, "They did flatter him with their mouths." Only by their mouths it was so, that He was enticed, MEANING THAT THEY THOUGHT SO, BUT IN TRUTH IT WAS NOT SO.

19. Rabbi Aba said: This is all well, but so have I learned. We learned, "He goes up and accuses." HE ASKS: Can he accuse BEFORE THE HOLY ONE, BLESSED BE HE, WHO KNOWS EVERYTHING? HE ANSWERS: Yes, because he is an old foolish king, as written: "Better is a poor and wise child than an old and foolish king" (Kohelet 4:13). SINCE HE IS A KING OVER PEOPLE, he can therefore accuse man. What is the reason? Because he is trusted over the actions of people. SINCE HE REIGNS OVER THEM, HE IS TRUSTED OVER THEIR ACTIONS.

20. Come and behold: THIS IS SO ONLY with judging an individual, but concerning the judging of the world, it is written: "And Hashem descended to see" (Beresheet 11:5), "I will go down and see" (Beresheet 18:21). He was not trusted, rather it was in the hands OF THE HOLY ONE, BLESSED BE HE, alone because He did not want to destroy the world according to the word of the Accuser, whose desire is always to destroy. How do we know that? Because it is written: "He put an end to darkness, and searches out all perfection" (Iyov 28:3), MEANING that he searches to destroy everything. And this is the meaning of: "The end of all flesh has come before Me" (Beresheet 6:13). THE ADVERSARY, WHO IS CALLED "THE END OF ALL FLESH," has certainly come to destroy.

21. Come and behold: "Now there was a day when the sons of Elohim came to present themselves before Hashem" (Iyov 1:6), as explained THAT IT WAS ON ROSH HASHANAH. For on that day, two sides are before the world. All those who come before the Holy One, blessed be He, with repentance and good deeds, merit to be written on that side which is Life, which brings out the effects of life. And whoever is from its side is recorded for Life. All those who come with evil actions are written on the Other Side, which is Death. It is called 'death', and in it death dwells, TO KILL PEOPLE.

17. וְתִסִּיתֵנִי בּוֹ לְבַלְעוּ. אִי הָכִי, לֹא בְדִינָא הוּהּ, אֶלָּא בְּמִימְרֵי הוּוּא מְקַטְרָגָא, דְּאָסִית לִיהּ, וְאָסְטִי לִיהּ. אֶלָּא, כֹּלָּא בְּדִינָא הוּוּהּ, וְהָכִי אָמַר לוֹ אֵלֵיהּוּא, כִּי פִעַל אָדָם יִשְׁלַם לוֹ וּכְאֶרְחֵי אִישׁ יִמְצִיאֵנּוּ. וְהָכִי הוּוּהּ כְּמָה דְּאֶתְמַר, כְּמָה דְּאֵיהּוּ גְזַר, הָכִי אֶתְגְזַר עֲלֵיהּ.

19. א"ר אבא, כלא הוא שפיר, אבל הכי אוליפנא, דתנן, סליק ואסטין. וכי איהו ויכול לאסטנא. אין. דהא איהו מלך זקן וכסיל, דכתיב טוב ילד מסבן וחקם ממלך זקן וכסיל. וע"ד, ויכול לאסטנא לבר נש. מאי טעמא. בגין דאיהו מהימן על עובדוי דבני נשא.

20. ת"ח, האי בדינא דיחיד, אבל בדינא דעלמא, כתיב, וירד יי' לראות. ארדה נא ואראה. דלא אתייהיב מהימנותא אלא בידיה בלחודוי, דהא לא בעא לאובדא עלמא, על מימר דההוא מקטרגא, דתיאובתיה איהו תדיר לשיצאה. מנלן דכתיב, קץ שם לחשך ולכל תכלית הוא חוקר. לשיצאה כלא, הוא חוקר. ודא איהו קץ כל בשר בא לפני, ודאי בגין לשיצאה.

21. ות"ח, ויהי היום ויבואו בני האלהים להתיצב על יי'. כמה דאתמר. וההוא יומא, קיימין תרין סטרין, לקבלא בני עלמא. כל אינון דאתין קמי קודשא בריך הוא בתיובתא ובעובדין טבין, אינון זכין למהוי כתיבין לגביה דההוא סטרא דאיהו חיים, ואפיק תוצאות חיים. ומאן דאיהו מסטריה, אכתיב לחיים. וכל אינון דאתין בעובדין בישין, אינון כתיבין לההוא סטרא אחרא דאיהו מותא, ואקרי מות, וביה שריא מותא.

22. On that day these two sides exist, Life and Death. Some are written to the side of Life, and some are written to the side of Death. Sometimes the world is in the middle, MEANING HALF DESERVING AND HALF GUILTY. If there is one righteous man to tip the balance in the world, they all stand and are written to Life, but if one wicked person ever balances the world, they are all written to Death.

23. The time that the world was in the middle, MEANING HALF GUILTY AND HALF MERITORIOUS, the Prosecutor wanted to accuse AND TO TIP THE WORLD TO THE SCALE OF GUILT. Immediately, it is written, "Have you considered my servant Job, that there is none like him on earth..." (Iyov 1:8). As soon as he was set apart, the Accuser immediately attacked him. Therefore, we learn that a person should not remove himself from the community so that he will not be noted apart, and he will not be accused from above.

24. It is written by the Shunamit woman: "And she said, 'I dwell among my own people,'" (II Melachim 4:13) MEANING she does not want to be set apart from the public. I dwell among my people to this day, and I will be known among my people as one whole above. Since Job was known above and was distinguished, the Accuser immediately attacked him and said, "Does Job fear Elohim for naught?" The reason he fears You and has fortified himself WITH GOOD DEEDS is not for naught; "Have You not made a hedge about him..." (Iyov 1:10). However, take away from him all this good that You did for him, and You will immediately see if "he will curse You to Your face" (Ibid. 11). He will leave You and cleave to the Other Side. For he eats at Your table at present; remove Your table from him and we will see whose he is, and to which side he will cleave.

25. Immediately "And Hashem said to the Adversary, 'Behold, all that he has is in your power,'" (Ibid. 12) to show that the fear of Job for the Holy One, blessed be He, was to guard his wealth. From here, we learn that all those who fear the Holy One, blessed be He, because of their wealth or their children, do not have proper fear. Therefore, the Accuser accused and said, "Is it for naught that Job fears Elohim. Behold you have made a hedge about him...You have blessed the works of his hands." Therefore, he fears You. Then he was granted permission to persecute him and show that Job did not serve Hashem out of love.

22. וּבַהֲהוּא יוֹמָא, קַיִמִין אֱלִין תְּרִין סְטָרִין: חַיִּים, וּמוֹת. אֵית מֵאן דְּאֶכְתִּיב לְסְטָרָא דְחַיִּים. וְאֵית מֵאן דְּאֶכְתִּיב לְסְטָרָא דְמוֹת. וְלִזְמַנִּין דְעֵלְמָא שְׂרִיא בְּאֻמְצָעֵיתָא, אִי קַיִמָא חַד זִכְאָה בְעֵלְמָא, דְאֶכְרַע עֲלֵיהוּ, כִּלְהוּ קַיִמִין וְאֶכְתִּיבוּ לְחַיִּים. וְאִי חַד חַיִּיבָא אֶכְרַע עֵלְמָא, כִּלְהוּ אֶכְתִּיבוּ לְמוֹתָהּ.

25. מִיַּד, וְיֵאמַר יְיָ אֵל הַשָּׁטָן הִנֵּה כֹל אֲשֶׁר לוֹ בְיָדְךָ. לְאַחְזָא, דְדַחִילוּ דְאִיּוֹב לְגַבִּיהּ דְקוּדְשָׁא בְרִיךְ הוּא, הוּא לְנִטְרָא עוֹתְרִיהּ. וּמֵהֵכָא אֹלִיפְנָא, דְכֹל אֵינוֹן דְדַחִלִין לִיה לְקוּדְשָׁא בְרִיךְ הוּא, עַל עוֹתְרִיָהּ, אוּ עַל בְּנִיָהּ, לֵאוּ אִיהוּ דַחִילוּ בְדַקָּא יֵאוֹת. וְעַל דָּא קְטָרְגָא הוּא מְקַטְרָגָא וְאֵמַר, הַחֲנָם יִרְא אִיּוֹב אֱלֹהִים הֲלֵא אֶתְהַ שְׂכַתָּ בְעַדוּ וְגו' מַעֲשֵׂה יְדֵיו בְּרַכְתָּ. וְעַל דָּא אִיהוּ דַחִיל לָךְ וְאֶתְנִיָהּ לִיה רֶשׁוּ לְקַטְרָגָא בֵּיה, וְלְאַחְזָא, דְלֵא פִלַח אִיּוֹב לְקוּדְשָׁא בְרִיךְ הוּא בְּרַחֲמֵי.

26. As soon as he was tested, he left the path and did not retain his integrity. It is written: "In all this, Job did not sin with his lips" (Iyov 2:10), but he did sin in his will. Afterwards, he sinned in everything; AS IT IS WRITTEN THAT HE SAID, "THE EARTH IS GIVEN INTO THE HAND OF WICKED..." (IYOV 9:24) AND SIMILARLY, RABA SAID, "JOB ABUSED IN TORRENTS..." LOOK THERE.

27. One may question why no person was tested EXCEPT JOB? Indeed, it is written: "Hashem tries the righteous..." (Tehilim 11:5). Therefore, Job was ALSO tried. Even though he did not retain his strength as he should have, he did not leave the domain of his Master to join the Other Side.

28. HE ASKS: How long was his test? HE ANSWERS: The duration of the dominion of the Other Side is twelve months. As we learned, the punishment of the wicked in Gehenom lasts twelve months. Since he did not join the Other Side, it is written: "So Hashem blessed the latter end of Job more than his beginning" (Iyov 42:12).

29. Rabbi Shimon said: Job's was not a test from the Holy One, blessed be He, like the test of the other Righteous men, because it is not written: 'And the Elohim tested Job', as in: "Elohim did test Abraham" (Beresheet 22:1). Abraham offered his only son to the Holy One, blessed be He, with his own hand. But Job gave nothing, and did not give anything to the Holy One, blessed be He.

30. He was not told about the test AS ABRAHAM WAS, because it was revealed before Him that he would not be able to withstand it properly. It was instead given over to the Accuser. And it was done through the Judgment of the Holy One, blessed be He, BECAUSE HE BROUGHT THE HEAVY LABOR ON THE CHILDREN OF YISRAEL IN EGYPT. The Holy One, blessed be He, aroused this Judgment by the Accuser, as written: "Have you considered my servant Job?" (Iyov 1:8)

31. He opened the discussion, saying: "And in process of time it came to pass (lit. 'at the end of days'; Heb. yamim) that Kayin brought of the fruit of the ground" (Beresheet 4:3). It is written "the end of yamim" and not 'the end of right (Heb. yamin). "THE END OF DAYS" IS THE OTHER SIDE AND THE END OF RIGHT IS HOLINESS, since he rejected 'the end of right' but came near 'the end of days'. And we explained, THAT IT IS WRITTEN: "But go you your way till the end be" (Daniel 12:13), and Daniel said, "To which end" - if to "the end of right" or to "the end of days"? The HOLY ONE, BLESSED BE HE, said to him, "to the end of right," WHICH IS IN HOLINESS. This is what David feared and said, "Hashem, make me know my end, and the measure of my days, what it is" (Tehilim 39:4), MEANING either "the end of days" or "the end of right." And here is it written: "at the end of days," WHICH PERTAINS TO THE OTHER SIDE and not 'the end of right', WHICH IS IN HOLINESS. Therefore his offering was not accepted, because it was from the Other Side.

32. Come and behold: "And Abel, he also brought..." (Beresheet 4:4). HE ASKS: What is the meaning of "also"? HE ANSWERS: "Also" is to add one to the other, MEANING THAT HE ALSO BROUGHT SOME TO THE OTHER SIDE, LIKE KAYIN. However, his offering was entirely to the Holy One, blessed be He, NAMELY, the main part of the offering was to the Holy One, blessed be He. But he gave a portion to the Other Side, as written: "and of the fat parts thereof" (Ibid.)-WHICH MEANS THAT THE MAIN PART OF THE OFFERING, NAMELY THE FAT PARTS, WAS OFFERED TO HASHEM, AND HE GAVE THE INFERIOR PART TO THE OTHER SIDE. But Kayin made the main part of the offering for the end of days, which is the secret of the Other Side, and only gave a portion to the Holy One, blessed be He. Therefore, it was not accepted.

33. Of Job it is written: "And his sons used to go and feast...and they used to call for their three sisters to eat and drink with them. And when the days of feasting were gone about..." (Iyov 1:4-5). At the feast, the Accuser was present every day, but he could not overcome him. How do we know? Because it is written, "Have You not made a hedge about him, and about his house..." (Ibid. 10). But he never gave a part TO THE OTHER SIDE, because it is written: "And offered burnt offerings according to the number of them all" (Ibid. 5). The burnt offering rises high up and does not give a part to the Other Side. Had he given him a part, THE ADVERSARY would not have been able to overcome him afterwards; and everything that the Satan took from him was his BECAUSE HE DID NOT GIVE THE SATAN A PART OF HIS OFFERINGS.

34. One may ask why the Holy One, blessed be He, did harm to him, BECAUSE HE DID NOT GIVE A PORTION TO THE SATAN. HE ANSWERS: Had he given a part TO THE OTHER SIDE, it would have cleared the way OF HOLINESS, BECAUSE THE OTHER SIDE would have gone from the Temple. Then, the Holy Side would have ascended high up. Because he did not do so, the Holy One, blessed be He, demanded justice from him.

35. Come and behold: In the same way that he separated and did not combine good and evil - IN THAT HE DID NOT GIVE A PART TO THE OTHER SIDE SO AS TO PURIFY HOLINESS, AS MENTIONED EARLIER - He judged him, first giving him good and afterwards bad; then, He again established him in goodness. This is proper for a person, to know good and know evil, and to return himself to good. This is the secret of the Faith, WHICH IS THE NUKVA. Come and behold: Job was one of the servants of Pharaoh, as indicated by the verse: "He that feared the word of Hashem among the servants of Pharaoh" (Shemot 9:20).

3. The crocodiles

Rabbi Shimon speaks about "Behold, I am against you, Pharaoh, king of Egypt, the great crocodile that couches in the midst of his streams." He explains that God brought Moses into the innermost rooms to see the secret of the great crocodile, from where many levels evolve and descend. As Moses was afraid, God had to wage war with the crocodile Himself. Rabbi Shimon turns to, "And Elohim created the great crocodiles (Heb. taninim) and every living soul that crawls the waters swarmed forth according to their kinds." He says that the crocodiles are the Levyatan and his spouse. God killed the female, leaving only the male - otherwise the world could not have survived. "The streams" in the scripture are the nine rivers that he lies in, corresponding to the nine Sfirot. The crocodile comes into the river Keter whose waters are serene and quiet, which strengthens the river. Rabbi Shimon describes the rise and flow of the rivers, the emergence of the ten rivers including Keter, and the nine crocodiles, one in each river. There is a long description of the implications of the correspondence between the ten crocodiles and the ten acts of creation in Beresheet. The grasses beside the rivers are explained to be the light that sprouts from the sowing of the confined hidden light. Rabbi Shimon says that "And Elohim said, 'Let there be luminaries in the firmaments of the heavens'" refers to the Piercing Serpent that tempted Eve. Since this serpent is on dry land it always triumphs when it battles the crocodile that is in the water.

36. Rabbi Shimon said: Now it is proper to reveal secrets that are attached above and below. It is written: "Come to Pharaoh," but it should have said 'Go to Pharaoh'. What is the meaning of "Come"? HE ANSWERS: He brought MOSES in to the innermost rooms, to a very powerful crocodile, from which many levels evolve and come down. And what was it? It was the secret of the great serpent.

37. Moses was afraid and approached only the rivers that were at his grade. But he feared THE SERPENT itself, and did not approach because he saw that it was rooted in high sources.

38. When the Holy One, blessed be He, saw that Moses was afraid and that other appointed messengers above could not approach him, the Holy One, blessed be He, said: "Behold, I am against you, Pharaoh, king of Egypt, the great crocodile that couches in the midst of his streams" (Yechezkel 29:3). The Holy One, blessed be He, had to wage war with him and no other. He said, "I am Hashem." WE INTERPRET THIS TO MEAN I AND NOT A MESSENGER. They explained the secret of the wisdom of, "the great crocodile that couches in the midst of his streams," to those scholars of jurisprudence, who recognize the secret of their Master.

39. Rabbi Shimon opened the discussion, saying: "And Elohim created the great crocodiles (Heb. tananim), and every living creature that moves, which the waters brought forth abundantly after their kind" (Beresheet 1:21). This passage was explained. Yet "And Elohim created the crocodiles," is a secret. It is the Livyatan and his spouse. "Tananim" is spelled without the Yud because the Holy One, blessed be He, killed the female and brought her up for the Righteous, as it was explained. THEREFORE, ONLY THE ONE GREAT CROCODILE (TANIN) REMAINED. AND KNOW THAT THE LIVYATAN IS A KOSHER FISH, AS OUR SAGES SAY.

40. The great crocodile IS THE MALE LIVYATAN THAT REMAINED ALIVE. IT IS SAID ABOUT HIM, "THAT COUCHES IN THE MIDST OF HIS STREAMS." There are nine rivers that he lies in, CORRESPONDING TO NINE SFIROT: CHOCHMAH, BINAH, DA'AT, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. And there is one river whose waters are quiet. THIS IS KETER. The blessings of the waters of the Garden, WHICH IS MALCHUT OF ATZILUT, pour into it three times a year. THIS IS THE SECRET OF THE THREE COLUMNS - RIGHT, LEFT AND CENTRAL, OF WHICH IT IS SAID, "THREE TIMES A YEAR SHALL ALL YOUR MALES APPEAR" (DEVARIM 16:16). If they pour in twice, MEANING ONLY TWO COLUMNS, RIGHT AND LEFT, the river is blessed, but not as much BECAUSE THE CENTRAL COLUMN IS MISSING. If only one pours in, MEANING EITHER ONLY THE RIGHT OR ONLY THE LEFT, it is not BLESSED BY IT. THE NINE RIVERS, THE LOWER NINE SFIROT, RECEIVE FROM THE RIVER, WHICH IS KETER.

36. אָמַר רַבִּי שִׁמּוֹן, הַשְׁתָּא אֵית לְגַלְיָה רִיזִין, דְּאִינוּן מִתְדַבְּקִין לְעִילָא וְתַתָּא, מַה כְּתִיב בָּא אֶל פְּרַעֲה, לֶךְ אֶל פְּרַעֲה מִבְּעֵי לֵיהּ, מֵאֵי בָּא. אֵלָא, דְּעִייל לֵיהּ קוּדְשָׁא בְּרִיךְ הוּא, אֲדָרִין בְּתַר אֲדָרִין, לְגַבֵּי תַנְיָנָא חָדָא עֲלָא תְּקִיפָא, דְּכַמָּה דְּרַגְיָן מִשְׁתַּלְּשְׁלִין מִנְיָה. וּמֵאֵן אִיהוּ. רְזָא דְּהַתְּנִין הַגְּדוֹל.

41. This crocodile comes into that river, WHICH IS KETER OF THE RIVERS, becomes strengthened by it, continues to swim and enters into the sea, WHICH IS MALCHUT OF ATZILUT, where it swallows many kinds of fish and rules. THESE ARE LEVELS IN THE SEA THAT ARE INFERIOR TO HIM; HE SWALLOWS THEM AND THEY BECOME PERFECTED IN HIM. He returns to that QUIET river, and these nine rivers continue to rise TO HIM, MEANING TO RECEIVE THEIR SUSTENANCE, BECAUSE THEY RECEIVE THEIR SUSTENANCE FROM THE QUIET RIVER, WHICH IS THEIR KETER. There are various kinds of trees and vegetation around THE RIVER. It is the first river AMONG THE RIVERS, NAMELY KETER.

42. AND NOW HE EXPLAINS THE SYSTEM OF THE EMERGENCE OF THE TEN RIVERS. Three drops emerge from the left side, from one conduit that is drawn and emerges, THAT IS, YESOD OF ZEIR ANPIN. THEY ARE FROM THE THREE COLUMNS - RIGHT, LEFT, AND CENTRAL-INCLUDED IN THE LEFT COLUMN. Every drop spreads into three drops AND THEY BECOME NINE DROPS. One river is formed from each separate drop. These are the nine rivers that grow strong and continue to flow and encircle all the firmaments.

43. After these drops finish coming out, of those that remain, NAMELY ALL THE ASPECTS OF KETER AND CHOCHMAH THAT ARE ABOVE BINAH THAT ARE NOT DRAWN THROUGH THE THREE COLUMNS, THERE remains one drop. It emerges silently and falls AMONG THE RIVERS. And from it, one river is formed. This is the river that we said flows silently, NAMELY THE QUIET RIVER MENTIONED ABOVE.

44. The stream that comes out and flows, YESOD IN ZEIR ANPIN, pours out other drops of blessings from the right side, THAT IS, WHEN IT BESTOWS UPON MALCHUT FROM THE THREE COLUMNS THAT ARE INCLUDED IN THE RIGHT COLUMN. FROM WHATEVER WAS LEFT OF THESE DROPS AND DID NOT EMERGE WITH THEM AT THE TIME, NAMELY THOSE SFIROT ABOVE BINAH THAT ARE NOT DRAWN WITH THE THREE COLUMNS AS MENTIONED, there remains one drop from these blessings that EMERGES SILENTLY AND falls into that quiet river. THUS THE QUIET RIVER ALSO HAS THE ILLUMINATION OF THE RIGHT. This is the best river.

45. When these four rivers that emerge from the Garden of Eden separate, that river called Pishon falls into the QUIET river and merges with it. Therefore, the Kingdom of Babylon is associated with this RIVER, for Pishon is the Kingdom of Babylon. BECAUSE PISHON IS THE FIRST STREAM OF THE FOUR RIVERS AND BABYLON IS THE FIRST OF THE FOUR EMPIRES, OF WHICH IT IS SAID: "YOU ARE THE HEAD OF GOLD" (DANIEL 2:38), AND THEREFORE PISHON IS BABYLON. From this QUIET river, all the other rivers are sustained and filled.

46. In each river, one crocodile swims. Thus there are nine crocodiles. Each has a hole punctured in his head, as is written: "You broke the heads of the sea monsters in the water" (Tehilim 74:13). And even this great sea monster is so, because they all blow air upwards and not downwards.

41. והאי תנינא, עאל בהוא יאורא, אתתקיף ואזיל ושאט עאל גו ומא, ובלע ננין לכמה זינין, ושליט, ותב להוא יאורא. אליו תשעה יאורין אזלין וסלקין וסחרניה כמה אליו ועשבין לזנייהו, יאורא קדמאה.

42. נפקא מסטרא שמאלא, בחד צנורא דנגיד ונפיק, תלת טפין, וכל טפה וטפה אתפרש לתלת טפין, וכל טפה וטפה אתעביד מניה יאורא חד, ואליו אינון תשעה יאורין, דמתתקמין ואזלין ושטאן וסחרן בכל אינון רקיעין.

43. ממה דאשתאר מאינון טפין בד סיימין למיפק, אשתאר טפה חדא, דנפקא בשכיכו, נפל בינייהו, ואתעביד מניה יאורא חדא. האי יאורא איהו, ההוא דאמרן דאזלא בשכיכו.

44. האי יאורא, בד ההוא נהר דנגיד ונפיק, אפיק טפין אחרנין דברכאן, מסטרא דימינא, מה דאשתאר מאינון טפין, אשתאר טפה חדא בשכיכו מאינון ברכאן, ונפל בהוא יאורא דאיהו שכיך. והאי איהו יאורא דעדיף מכלהו.

45. בד נפקין ומתפרשן אינון ארבע נהרין דנפקין מגנתא דערן, ההוא דאקרי פישון, נפיל בהוא יאורא ואתכליל ביה. וע"ד מלכות בבל, אתכליל בהאי. ופישון איהו מלכות בבל. מיאורא דא אתזנו ואתמליין כל אינון יאורין אחרנין.

46. בכל יאורא ויאורא, אזלא ושאט חד תנינא, ואינון תשע. וכל חד וחד נקיב נוקבא ברישיה, כד"א, שברת ראשי תנינים וגו'. ואפילו האי התנין הגדול הכי הוא, בגין דכלהו נפחין רוחין לגבי עילא ולא לתתא.

47. It is written: "In the beginning Elohim created" (Beresheet 1:1), and also: "And Elohim created the great crocodiles" (Ibid. 21). IN BOTH CASES IT IS WRITTEN, "CREATED." THIS TEACH US that for every action of the ten sayings IN THE WORKS OF CREATION, there are ten rivers, and one crocodile blows wind against each of them. THIS MEANS THAT ONE CROCODILE FOR EACH OF THE TEN RIVERS BLOWS WIND AGAINST THE ACT CORRESPONDING TO HIM OF THE TEN SAYINGS OF CREATION.

48. Therefore, the world shakes once in seventy years, since everything in the river shakes WHEN this great crocodile raises his fins and shakes. The whole world shudders and the earth trembles, for they are all included in this great crocodile.

49. "And the earth was without form" (Ibid. 2). Rabbi Shimon said: The friends are familiar and are occupied with the works of Creation. But few know the works of Creation as alluding to the great crocodile. We learned that the whole world evolves AND COMES from the fin OF THE GREAT CROCODILE. THEREFORE, WE MUST UNDERSTAND HOW HE IS ALLUDED TO THROUGHOUT THE WORKS OF CREATION.

50. Come and behold: IT IS WRITTEN, "And the earth was without form and void..." We learned that it "was" EARLIER; NAMELY, IT WAS FORMLESS BEFORE THE CORRECTION BEGAN, and it has been explained. When the great crocodile enters that first river, NAMELY THE QUIET RIVER, it becomes full. It swims and extinguishes the sparks that were gathered in from the worlds that were destroyed earlier.

51. Those other crocodiles that we mentioned were and were not, FOR THEIR ILLUMINATION WAS NOT REVEALED IN THEM, SO IT IS AS THOUGH THEY DID NOT EXIST. THIS IS SO, because their strength was weakened so they would not destroy the world, except once every seventy years, when they grow strong with the power of that great crocodile, which alone grows strong. If his female had been alive with him, the world would not have survived them.

52. Until the Holy One, blessed be He, killed the female OF THE LIVYATAN, the earth was without form. It was formless and THE EARTH was void after He slew her, WHICH MEANS THE EARTH started to be sustained: "And darkness was ON THE FACE OF THE DEEP" (Beresheet 1:2). It still had not illuminated DUE TO THE ACTION THAT HE PERFORMED.

53. What did the Holy One, blessed be He, do? He crushed the head of the male OF THE GREAT CROCODILES. AND THE CROCODILE was subdued because the deep below did not illuminate. HE ASKS: What is the reason that it did not illuminate? HE ANSWERS: Because this great crocodile blew wind over the deep, darkened it, and it did not hover below.

47. כתיב בראשית ברא אלהים. וכתיב ויברא אלהים את התנינים הגדולים, בכל עובדא דאינון עשר אמירין, קיימין לקבליהו אינון עשר יאורין. וחד תנינא מתרפרפא ברוחא, לקבל כל חד וחד.

48. ועל דא, חד לשבעין שנין מזדעזע עלמא, בגין דהאי התנין הגדול בד הוא סליק סנפירווי ואזדעזע, כדן בלהו מזדעזען באינון יאורין, וכל עלמא מזדעזעא, וארעא מתחלחלת, וכלהו כלילן בהאי תנין הגדול.

49. והארץ היתה תוהו וגו', אמר רבי שמעון, עובדא דבראשית, חבריא לעאן ביה, וידעין ביה, אבל זעירין אינון, הידעין לרמזא עובדא דבראשית, ברזא התנין הגדול. וע"ד תנינן, דכל עלמא לא משתלשלא אלא על סנפירווי דרא.

50. ת"ח והארץ היתה תהו ובהו וגו', תנינן היתה, ואוקימנא. בגין דבהאי יאורא קדמא דקאמרן, בד האי התנין הגדול על ביה, כדן אתמלייא, ושאינון ודעין ניצוצין דאתלקטו באינון עלמין דאתחרבו בקדמיתא.

51. אינון תנינן אחרנין דקאמרן, הווי ולא הווי, אמאי. בגין דאתחלש חילייהו דלא יטשטשון עלמא, בר לשבעין שנין, חד זמנא, ואינון אתתקפו בחילא דההוא תנין הגדול, והאי אינון בלחודוי לאתתקפא. ואלמלא נוקביה קיימת לגביה, לא יכיל עלמא למסבל לון.

52. עד לא קטל קב"ה לנוקבא, הארץ היתה תהו. תהו היתה, ולבתר דקטל לה, הוה בהו שראת לאתקיימא. וחשך על. עד לא הות נהירא עובדא דעבר.

53. מה עביד קודשא בריך הוא, מחץ רישיה דכורא לעילא, ואתכפיא, בגין דהא תהומא לתתא, לא הוה נהיר. מ"ט לא הוה נהיר, בגין דהאי התנין הגדול, הוה נשיב רוחא על תהומא, ואחשיך ליה, ולא מרפרפא לתתא.

54. Then another wind from above crossed, blew and struck that wind and placated it, FOR IT NEUTRALIZED IT. That is what is written: "And a wind from Elohim moved over the surface of the water" (Beresheet 1:2). So we learned that the Holy One, blessed be He, struck one wind with another and created the world.

55. "And Elohim said, 'Let there be light.' And there was light" (Ibid. 3), because the Supernal Light illuminated and struck on the blowing wind and it was removed from over the deep and did not cover it. As soon as the deep was lit up and the wind left, it became light, AS IS WRITTEN: "AND THERE WAS LIGHT."

56. This light shone over the head OF THE GREAT CROCODILE. Water flowed from its nostrils TO SUSTAIN THE OTHER LEVELS, and wind blew up. AND HE EXPLAINS WHY THE WATER FLOWED OUT, AND WIND BLEW ABOVE, SAYING THAT THIS IS BECAUSE BEFOREHAND, this COMPLETE luminary illuminated until the light descended FROM BINAH and sparkled to the 72 lights of the Sun, WHICH IS ZEIR ANPIN. Since these lights were impressed in the sun below, wicked people in the world knew of them and worshipped the sun, MEANING THEY WORSHIPPED TO DRAW THE LIGHT FROM ABOVE DOWNWARDS. When the Holy One, blessed be He, observed that these wicked WANTED TO DRAW THE LIGHT FROM ABOVE DOWNWARDS, He raised the Light and concealed it. Why did He conceal it BECAUSE OF THE ACTIONS OF THE WICKED? For this crocodile was ascending and descending, AND ALSO DREW THE LIGHT FROM ABOVE DOWNWARDS BECAUSE OF THE ACTIONS OF THE WICKED, and struck these rivers, until He hid the Light and it was no longer visible.

57. And He sowed that seed through one Righteous, WHICH IS YESOD OF ZEIR ANPIN, who is the Gardener of the Garden. The seed sown in the Garden, WHICH IS MALCHUT, is the storing and concealing of this Light - MEANING THAT CONCEALMENT DOES NOT CONNOTE ABSENCE, BUT RATHER THE OPPOSITE. IT IS THE ASPECT OF THE SEED PLANTED FOR THE UPCOMING BLESSING, AS THE CONCEALMENT ITSELF WILL BECOME LIGHT AGAIN, LIKE A PLANT THAT COMES FORTH FROM A SEED.

58. When this great crocodile saw that the seed of this Light grew in the garden, WHICH IS MALCHUT, he awakened to provide for the second side, the SECOND river OF THE FOUR RIVERS called Gichon. And then the waters of the River Gichon were divided BY one path OF THE CROCODILE, FOR THE REASON THAT WILL BE EXPLAINED FURTHER AHEAD. THE CROCODILE goes to the seed that has sprouted AND HAS BECOME LIGHT in the Garden, WHICH IS MALCHUT, AND RECEIVES IT and illuminates upon THE RIVER with THE LIGHT OF the greatness of this seed, which is called 'Gichon'.

59. And from that greatness of this seed, King Solomon rose to greatness when he rose to kingship, as written: "And bring him down to Gichon...anoint him there" (I Melachim 1:33-34). Bring him "there" and not to a different place, because King David knew that other waters rise to a different kingdom, and THIS MALCHUT FROM GICHON is a stronger kingdom.

54. ועבר רוחא אחרא דלעילא, ונשב ובטש בדהוא רוחא, ושכיך ליה, הדא הוא דכתיב ורוח אלהים מרחפת על פני המים. והיינו דתנינן, דקודשא בריך הוא בטש רוחא ברוחא, וברא עלמא.

55. ויאמר אלהים יהי אור ויהי אור, נהיר נהירו דלעילא, ובטש על גבי רוחא דנשיב, ואסתלק מעל תהומא, ולא חפא ליה. כיון דתהומא אתנהיר, ואיהו אסתלק, כדן הוה נהירו.

56. דא נהיר על רישיה, ומיא הוו נפקי מגו אפותיה, ורוחא נשיב לעילא. ונהיר מנהירו דא, עד דהוה נחית נהוריה, מנצנצא לשבעין ותריין נהורין דשמשא, כיון דאינון נהורין אתרשימו בגו שמשא לתתא, הוו חייביא דעלמא ידעין בהו, והוו פלחין לשמשא. כיון דאסתבל קודשא בריך הוא באינון חייביא, סליק נהוריה וגניז ליה אמאי גניז ליה. בגין דהווא תנין, הוה סליק ונחית, ובטש באינון יאורין, עד דגניז ליה ולא אתגליא.

60. This great crocodile became aroused toward it, THE RIVER GICHON, TO SUSTAIN IT. The fins of this crocodile, WHICH ARE HIS MALCHUT, were elevated in that river, GICHON, and grew stronger in it. And all the other rivers ascended and descended by means of the great crocodile. AFTER SHINING ON THE RIVER GICHON, he again entered that quiet river and became quiet in it.

61. When that Light was concealed above the Gardener, the original darkness, FROM BEFORE THE LIGHT EMERGED, came out and hit the head of the crocodile on the hole that was made there. A thread was spread between that illumination THAT REMAINED from this Light that was concealed and the dimness of this darkness, as is written: "And Elohim divided the Light from the Darkness" (Bereshheet 1:4).

62. This crocodile, through the division the thread made, again divided ALSO in these rivers above the darkness. The fish separated from each other according to their kinds by that division THAT WAS MADE IN THE RIVERS.

63. When the holy supernal waters were divided, all the rivers were divided and rose into the quiet river, which is the clearest. They go in and out of it three times daily.

64. And all these fish, WHICH ARE GRADES AND SOULS that grow in these rivers, were separated one from another, and are called 'nights', BECAUSE THE GRADES OF THE LEFT ARE CALLED 'NIGHT'. The ones were chief to all the others that emerged outside, and the others INSIDE ruled over everything. These were called 'the Firstborn of Egypt', which have spread from here outside of the firstborn. All these were sustained from the watering of these rivers, and this great crocodile rules all of them.

65. All this came about by the division of the upper water FROM THE LOWER, as is written: "And let it divide water from water" (Bereshheet 1:6). The holy upper waters were marked and separated to be above, and the lower waters were all separated from those TO BE BELOW. The holy ones WERE DIVIDED from the unholy. Therefore, the upper angels are called 'separate', because the ones were divided from the others according to their kinds.

66. "And Elohim said, 'Let the earth bring forth grass, herb yielding seed'" (Beresheet 1:11). THE EARTH IS THE SECRET OF MALCHUT, AND GRASSES ARE THE LIGHT THAT SPROUTS FROM SOWING OF THE TREASURED LIGHT. This is the secret: when the great crocodile would blow wind through the hole IN HIS HEAD that blew upwards, he would dry all these grasses until another wind would blow against that wind OF THE CROCODILE and would quiet him below. And the grasses grew as before, and ruled and praised and offered thanks before the Holy One, blessed be He.

67. From the left side and from within the quiet river, emerge animals according to their species. They attempt to approach these grasses but cannot. They then return to their place. All these rivers swim with that crocodile, which dominates them, and surround these grasses but cannot BENEFIT FROM THEM, except sometimes, when the supernal wind does not blow and THE CROCODILE exhales wind through that hole IN HIS HEAD. That wind then rules over the grasses THAT IS, IT DRIES THEM.

68. HE HAS ANOTHER OPPORTUNITY TO APPROACH THE GRASSES, WHEN the quiet river returns FROM MALCHUT to its place, rising and falling. Since its waters are quiet, it flows quietly. The great crocodile rises to these rivers AND IS NOT THERE IN THE QUIET RIVER. All the grasses grow around that quiet river, growing on all sides. Then that Crocodile goes up TO THE GRASSES and grows among them, AND AFTERWARDS returns to all these rivers.

69. "And Elohim said, 'Let there be luminaries in the firmament of heaven'" (Beresheet 1:16). This refers to the Piercing Serpent (Heb. bariach). Why IS IT CALLED Bariach (also: 'bolt')? This is because it locks in both sides, WHICH ARE THE TWO COLUMNS, RIGHT AND LEFT, AND DOES NOT ALLOW THE THIRD COLUMN THAT RECONCILES THEM TO EXPAND. It does not go out to HARM the world except once in a Jubilee.

70. In ancient books, THEY SAID ABOUT THE VERSE, "LET THERE BE LUMINARIES," THAT it refers to the Piercing Serpent that always goes crookedly and brought curses on the world, BECAUSE HE ENTICED EVE WITH THE TREE OF KNOWLEDGE. When this one rose, the strength of the GREAT crocodile was broken so that he could not rise, so much so that he lost his body. Because the Holy One, blessed be He, folds him into the sea when he comes to Him, treading upon the strength of the sea. The strength of the sea is the GREAT crocodile, as is written: "And He treads upon the waves of the sea" (Iyov 9:8).

71. When this serpent rises it is written, "And He shall slay the crocodile that is in the sea" (Yeshayah 27:1), which is the great crocodile. Therefore, it is written: "Behold I am against you... THE GREAT CROCODILE THAT COUCHES IN THE MIDST OF HIS STREAMS" (Yechezkel 29:3). And this snake is 'luminaries (Heb. me'orot) WITHOUT VAV, WHICH DENOTES AN EXPRESSION OF CURSE, AS IS WRITTEN: "THE CURSE (HEB. ME'ERAT) OF HASHEM IS IN THE HOUSE OF THE WICKED" (MISHLEI 3:33), for he brings curses to everyone. And He overpowers THE CROCODILE with the power of the great river, which is called Chidekel. This has already been explained.

72. That snake is on dry land. When they go to battle each other, the one on dry land always triumphs, because all his ways and his power are on dry land, WHERE MALCHUT IS WHICH CONTAINS ALL THE JUDGMENTS. And he always eats dirt and dust, as it is written: "And dust shall you eat all the days of your life" (Beresheet 3:14). The one grows in the dust and the other grows in water. The snake that grows in the water is not as strong as the one that grows on dry land. Therefore, it is written ABOUT THE SNAKE, me'orot with a defective spelling WITHOUT A VAV, BECAUSE HIS POWER IS STRONG ENOUGH TO KILL EVERYTHING.

73. And this SNAKE comes across that CROCODILE, which is in the water. Although he meets him, he does not fight with him; the Holy One, blessed be He, alone kills him in the sea. As we explained it, because of the haughtiness in him, it is written: "My river is my own, and I have made it for myself" (Yechezkel 29:3).

4. "For Hashem will pass through...on the lintel, and on the two side posts"

Rabbi Shimon tells us why God required the sign of blood to be placed outside the entrance so that He would pass over Yisrael's houses when He killed the Egyptians. He says that idol worshipping is the only thing which is punished without a person having had to commit an action of some kind. The blood placed on the three places of the lintel and side posts corresponds to the three columns. There is some discussion of the color of the columns and the color of blood, and of the two bloods of Passover and Circumcision that correspond to Mercy and Judgment. At the same time that the Egyptians were being killed, Yisrael were being healed from their circumcision. We are told that the entrance, in "And Hashem will pass over on the entrance," is the opening to draw the spirit and the body, which opening is only freed upon circumcision. Rabbi Aba says that when "pass through" is written, as in "And Hashem will pass through to smite Egypt," it always means that God passed down through the emanations of the Sfirot to perform either Judgment or Mercy.

74. "For Hashem will pass through to smite Egypt..." (Shemot 12:23) We learned, as Rabbi Yosi said, that this passage is difficult. Could it be that first "He sees the blood" and then He "will pass over" (Ibid.), which means He made a sign? If you say it is because of the commandment to place the blood, then why WAS IT PLACED outside THE DOOR, and why on the lintel and two side posts? WHY DID HE NEED THIS? IS NOT EVERYTHING REVEALED BEFORE THE HOLY ONE, BLESSED BE HE? It is written: "He reveals the deep and secret things" (Daniel 2:22). And why did He have to have to reveal the blood on the lintel and two side posts?

75. HE ANSWERS: But we studied that it is written: "And when Hashem saw it, He abhorred them" (Devarim 32:19), and also, "And Hashem saw that the wickedness of man was great in the earth" (Bereshheet 6:5). Yet we learned that providence is not seen above unless an action below becomes manifest from it. Before an action is done below, there is no looking to punish, except for the thought of idolatry, WHICH IS PUNISHED WITHOUT AN ACTION, as is written: "Take heed to yourselves, that your heart be not deceived" (Devarim 11:16). After the action is done, providence is aroused. Therefore everything, both good and bad, depends upon action.

76. Rabbi Yosi said: All the marketplaces of Egypt were full of idols. Moreover, every house had kinds OF WITCHCRAFTERS who with their witchcraft connected with the lower crowns that were below to arouse the Impure Spirit amongst them.

77. We have learnt the secret meaning of it. It is written: "And take a bunch of hyssop, and dip it in the blood that is in the basin, and touch with it the lintel and two side posts..." (Shemot 12:22). HE ASKS: Why a bunch of hyssops? HE ANSWERS: In order to destroy the Impure Spirit from among them and to indicate on their houses at these three places the Complete Faith, one on this side and one on that side - ON THE TWO SIDE POSTS THAT ALLUDE TO THE TWO COLUMNS, RIGHT AND LEFT - and one between them ON THE LINTEL THAT ALLUDES TO THE CENTRAL COLUMN. Therefore, "Hashem will pass over the door, and will not allow the Destroyer to come into your houses to smite you" (Ibid. 23), for He sees the Holy Name marked on the entrance, WHICH IS THE SECRET OF THE THREE COLUMNS.

78. Rabbi Yehuda said: If THEY ALLUDE TO THE THREE COLUMNS, why IS THIS DONE with blood? Did we not learn THAT THE COLORS OF THE THREE COLUMNS ARE white and red, and the one THAT IS BETWEEN THEM combines both colors; ITS COLOR IS GREEN LIKE THE SUN THAT COMBINES WHITE AND RED. AND WHY ARE ALL THREE COLUMNS ALLUDED TO WITH THE RED COLOR, WHICH IS BLOOD? He said to him: There were two kinds of blood, one of the Pascal sacrifice and one of circumcision AS THEY CIRCUMCISED THEMSELVES. The blood of the circumcision is Mercy, EVEN THOUGH IT IS RED, and the blood of the Pascal sacrifice is Judgment. IT THEREFORE DOES NOT DEPEND UPON COLORS IN THIS CASE.

79. Rabbi Yehuda said: It is not so, but rather as I learned that the Holy One, blessed be He, turned that blood into Mercy as though it was the white among the colors. This is the meaning of: "And when I passed by you, and saw you weltering in your blood and I said to you, 'In your blood live'..." (Yechezkel 16:6). Even though it was red, it was transformed into Mercy, for "In your blood live." IT IS NOT DEPENDENT UPON COLORS IN THIS CASE, and one therefore marked the entrance on three sides, one here, one there and one between them FOR THEY ALLUDE TO THE THREE COLUMNS.

80. Rabbi Chizkiyah learned that two types of blood appeared, THE BLOOD OF THE PASSOVER AND THE BLOOD OF CIRCUMCISION, which correspond to two crowns, MEANING SFIROT, that appeared above at that time - WHICH ARE THE TWO COLUMNS, CHESED AND GVURAH. Rabbi Yosi said: THEY CORRESPOND TO one crown that combines the two concealed sides, NAMELY, Mercy and Judgment.

81. Rabbi Aba said: The Holy One, blessed be He had compassion for His children on many occasions. A man made a house and the Holy One, blessed be He, said to him: 'Write My Name and place it on your door so when you sit in your house, I will sit outside by your door to guard you.' Here AT PASSOVER, He said: 'Mark on your entrance the secret of Faith in Me,' NAMELY THE THREE COLUMNS ON THE TWO SIDE POSTS AND ON THE LINTEL, AS MENTIONED. 'Sit in your house and I will guard you from outside,' as it is written: "And none of you shall go out at the door entrance of his house until the morning...and when He sees the blood on the lintel, and on the two side posts, Hashem will pass over the door, and will not allow the Destroyer to come into your house to smite you" (Shemot 12:22-23). SO WE SEE THAT THE HOLY ONE, BLESSED BE HE, GUARDED THEM FROM OUTSIDE.

82. Rabbi Aba also said: they made the semblance of the Holy Name Hei at the time, NAMELY THREE LINES - TWO ON THE SIDE POSTS AND ONE ON THE LINTEL ABOVE - WHICH RESEMBLES THE FORM OF THE LETTER HEI, WHICH IS MALCHUT. THEREFORE, as the Holy Name changed at that time to be of Judgment AGAINST THE EGYPTIANS, so did the blood change at that moment into Judgment, as written: "and when He sees the blood on the lintel, and on the two side posts." For everybody's mark was red, WHICH ALLUDES TO JUDGMENT, to show THAT EVEN THOUGH IT WAS MERCY FOR YISRAEL, it changed to Judgment to wreak revenge AGAINST THE EGYPTIANS

83. The secret of this matter is that they had to display below in the same manner it was above at the time-if it was Mercy, then Mercy, if Judgment, then Judgment. Since ABOVE THERE WAS JUDGMENT AGAINST EGYPT, it is written: "And dip it in the blood that is in the basin, and touch with it the lintel..." (Shemot 12:22), FOR BLOOD ALLUDES TO JUDGMENT. About the future time to come, it is written: "Who is this that comes from Edom, with crimsoned garments from Botzrah" (Yeshayah 63:1), for He will show Judgment to them all to wreak revenge. HIS GARMENTS WILL THEN REDDEN WITH BLOOD.

84. "And none of you shall go out at the door of his house until the morning." HE ASKS: What is the reason THAT THEY WERE PROHIBITED TO GO OUT OF THEIR HOUSE DOOR? HE ANSWERS: We learned that a person should not go in the market place and be in the market place at the time when Judgment hovers over the city, because once the Destroyer has been granted permission, whomever he meets comes to harm. THEREFORE, since there was Judgment FOR THE EGYPTIANS, they must not go out.

80. תַּאֲנִי ר' חֲזַקְיָה, תְּרִין דְּמֵי אֲתַחֲזוּ, לְקַבֵּל תְּרִין בְּתָרִין, דְּאֲתַחֲזוּ לְעִילָא בְּהֵיא שְׁעָתָא. א"ר יוֹסִי, חָד בְּתָרָא דְכִלְיָא בְּתָרִין סְטָרִין טְמִירִין, בְּרַחְמֵי וְדִינָא.

85. We learned, as Rabbi Yosi said, in the same place where there was Judgment for the Egyptians, there also was Mercy for the children of Yisrael. This is the meaning of: "And when I see the blood, I will pass over you" (Shemot 12:13). So have we learned that throughout the holy crowns above, as there is Judgment in them, so is Mercy simultaneously. Rabbi Chizkiyah taught that it is written: "And Hashem will smite Egypt, He shall smite and heal" (Yeshayah 19:22), MEANING the smiting of Egypt and the healing of Yisrael. HE ASKS what is the healing for, AND ANSWERS they needed healing from their circumcision.

86. We learned that the children of Yisrael were healed at the same moment the Egyptians were smitten. Rabbi Yosi said, we learned the verse: "Hashem will pass over the door." Why does it say "over the door," when it should have stated: 'Hashem will pass over you'? HE ANSWERS: Rather, "over the door," refers to the actual door, the opening of the body. And what is the opening of the body? Say it is the circumcision, MEANING THAT HE HEALED IT.

87. Rabbi Shimon said: at midnight, the male is awakened towards the holy crown, WHICH IS MALCHUT. Who is that male? He is supreme Chesed OF ZEIR ANPIN, as is known that one does not come about without the other. EVEN THOUGH THE NIGHT IS THE ASPECT OF MALCHUT ALONE, IT WILL NEVER OCCUR THAT MALCHUT SHALL BE WITHOUT ZEIR ANPIN, HER HUSBAND. Therefore, MALCHUT smites and ZEIR ANPIN heals at the same time.

88. And it is written: "Hashem will pass over the door," NAMELY the known door, THE DOOR OF THE BODY AS MENTIONED ABOVE. What is the door, WHY IS IT CALLED DOOR? It is the opening to draw the spirit and the body, BECAUSE THEY WERE BORN FROM THERE. Come and behold: until Abraham was circumcised, he was shut off and closed from all sides, AND WAS NOT ABLE TO BEGET IN HOLINESS. As soon as he was circumcised, everything in him opened up, and he was no longer blocked and closed as before.

89. And this is the secret that we learned: "As he sat in the tent door" (Beresheet 18:1), because Yud was revealed. HE ASKS: Why does he say so? HE ANSWERS: But Rabbi Yitzchak says, by this revealing OF THE YUD, He caused Chesed to dwell in Righteousness. This is the entrance of the supernal holy Tabernacle, WHICH IS MALCHUT. This is understood from "the tent," meaning the specific tent, WHICH IS MALCHUT CALLED 'TENT'.

90. Rabbi Elazar said: When this Yud was revealed, ABRAHAM was given the news and was blessed at the tent door, which is Righteousness, NAMELY MALCHUT that was sweetened with Chesed. This is the meaning of: "in the heat of the day," as DAYTIME is the time when Chesed reigns, which is the portion of Abraham, SINCE ABRAHAM IS A CHARIOT TO CHESED OF ZEIR ANPIN. How do we know that the tent door, WHICH IS MALCHUT, was mellowed with Chesed by the powers of Abraham? IT IS BECAUSE it is written: "And Hashem blessed Abraham in all things (Heb. bakol)" (Beresheet 24:1). BAKOL IS MALCHUT sweetened with Chesed BY ABRAHAM after Yud was revealed in him THROUGH CIRCUMCISION.

85. תְּנִינָא אָמַר רַבִּי יוֹסִי, בְּהוּא מִמֶּשׁ דְּאַשְׁתַּכַּח דִּינָא לְמִצְרָאִי, בְּהוּא מִמֶּשׁ אֲשַׁתְּכַח רַחְמֵי לְיִשְׂרָאֵל, הָדָא הוּא דְכַתִּיב, וְרֵאִיתִי אֶת הַדָּם וּפְסַחְתִּי עֲלֵיכֶם. וְכֵן תְּנָא, בְּכָל אֵינוֹן כְּתִרִין קְדִישִׁין דְּלַעִילָא, כְּמָה דְּאַשְׁתַּכַּח דִּינָא, אֲשַׁתְּכַח רַחְמֵי, וְכֹלָא בְּשַׁעְתָּא חֲדָא. תְּנָא רַבִּי חִזְקִיָּה, כְּתִיב, וְנִגַּף יְיָ אֶת מִצְרַיִם נִגּוּף וְרַפָּא. נִגּוּף לְמִצְרַיִם, וְרַפָּא לְיִשְׂרָאֵל. מֵאֵי וְרַפָּא. מֵאֵי שְׁנִימוּלוֹ צְרִיכִים רַפּוּאָה.

91. Rabbi Aba said: "As he sat in the tent door," is similar to: "And Hashem blessed Abraham in all things (Heb. bakol)." As THE TENT door IS MALCHUT THAT IS CALLED "BAKOL." It is the tenth crown, WHICH IS MALCHUT. 'CROWN' MEANS A SFIRAH. "In the heat of the day" MEANS as the Sfirah of Chesed THAT IS CALLED 'DAY' was given to him, SO DID HE MERIT THE TENT DOOR, FOR CHESED OPENS MALCHUT CALLED 'TENT', SO IT CAN ILLUMINATE. As he sits IN CHESED, THAT IS CALLED 'DAY', so does he sit IN MALCHUT THAT IS CALLED 'THE TENT DOOR', because one does not rise without the other.

92. Another explanation FOR, "For Hashem will pass through to smite Egypt." THE MEANING OF "pass through" is that He went over the line of Judgment of the crowns that were connected with other crowns above, and disconnected them from their sustenance. THUS THE HOLY ONE, BLESSED BE HE, forwent His ways, NAMELY, HE DISRUPTED THE EVOLUTION OF THE CROWNS, in order to perform Judgment BY EGYPT, and to guard Yisrael. It is so wherever it is written: "He will pass through"; "I will pass through"; "He passed through." IT INDICATES THAT the Holy One, blessed be He, forwent His ways, MEANING THE ORDER OF THE EVOLUTION OF THE SFIROT, either to perform Judgment or for Mercy. Here, "He will pass through," MEANS to perform Judgment, while, "And Hashem passed by BEFORE HIM..." (Shemot 34:6) is in order to have mercy.

5. "And it came to pass, that at midnight"

Rabbi Chiya and Rabbi Yosi pause during their travelling to pray, because it is important to be punctual about the Minchah service. As they continue on, Rabbi Yosi is contemplating leadership, and says that the world gains from good leaders and suffers from bad ones, and yet if the bad leader is punished for his sin, then the people are spared. After it turns dark, the rabbis sit under a tree in some fear, until at midnight they see a doe, crying and then they hear shouting, a voice saying that their Master is going into the Garden of Eden to rejoice with the Righteous. After this event, Rabbi Yosi returns to the story of the Passover, and wonders why the slaughter of the firstborn was not done in the daytime so everyone could see it, and why all were killed rather than just those kings and ministers and warriors who cause war. They wait until daylight and then go to Rabbi Shimon for an answer. Rabbi Shimon is speaking about the philosophies of the other nations of the world, and says that their faith is as nothing, since they comprehend neither supernal mysteries nor lower wisdom. He turns to the story of Creation, and says that God created the heavens with His right hand, Chesed, and that He created the earth with His left hand, Judgment. It is "this," Malchut, that draws them together; the Sfirah Malchut dominates at midnight in Mercy for Yisrael and in Judgment for the heathen nations. Rabbi Shimon brings up the question of how Moses could have known it was exactly midnight, in the verse, "And it came to pass, that at midnight." He speaks of how Moses was from the highest levels, which no other man ever attained, and Moses surely knew that the night must divide in order to perform its functions; it performed its functions in the second half of the night at that time that Malchut dominates. We hear that Pharaoh, being wiser than his sorcerers, knew that Judgment would be executed against him and that his land would be destroyed. To answer Rabbi Yosi's original question about why "every firstborn" was killed, Rabbi Shimon says this means that all the upper and lower levels were broken from their dominion. Because the Egyptians were holding Yisrael by sorcery, it took the strength and dominion of God to free them. Because of the three bonds of faith, the three Covenants of Abraham, Isaac and Jacob, God saved Yisrael. Every holiday and festival and Sabbath is in memory of the deliverance from Egypt; that is the foundation and source of the Torah and all the commandments and the faith of Yisrael. Rabbi Shimon says: Why was the judgment of Egypt not by day? Because the night opened knots and did revenge, being the secret of Malchut called 'night'. Rabbi Chiya and Rabbi Yosi praise Rabbi Shimon, as being the one who can open the gates of the secrets of Wisdom. Lastly Rabbi Shimon talks about watchfulness, the watchnight, and the watchman; these allude to male and female, and wherever male and female are together all praise is directed to the male.

93. "And it came to pass, that at midnight Hashem smote all the firstborn..." (Shemot 12:29) Rabbi Chiya and Rabbi Yosi were traveling from Usha to Lod and Rabbi Chiya was riding on a donkey. Rabbi Yosi said: Let us rest here and pray, for the time for Minchah ('the afternoon service') has come. And we have learned that one should always be punctual about the Minchah service. Why DOES HE HAVE TO BE punctual? Because it is the time when Judgment is impending over the world, and one must concentrate his mind. Rabbi Chiya got down FROM THE DONKEY and prayed.

91. אָמַר רַבִּי אַבָּא, וְהוּא יוֹשֵׁב פֶּתַח הָאֵהָל, כְּמָה דְכִתְיִב וַיִּי בְרַךְ אֶת אַבְרָהָם בְּכֹל. דְּרָא הוּא פֶּתַח קַדִּישָׁא, כְּתָרָא עֲשִׂירָאָה. כְּחוּם הַיּוֹם, כְּמָה דְאִתְיָהִיב לִיה כְּתָרָא דְחֶסֶד, הֲרָא הוּא דְכִתְיִב כְּחוּם הַיּוֹם. כְּמָה דִּיתִיב בְּהָאֵי, כִּן יִתִּיב בְּהָאֵי, דְלֹא סָלִיק הָאֵי בְלֹא הָאֵי.

94. While they were still traveling, the sun was setting. Rabbi Chiya said to Rabbi Yosi: Why are you silent? Rabbi Yosi said: I was contemplating that the world exists only because of the leaders of the people. If the leaders of the people are righteous, it is good for the world and good for the people. If they are not righteous, woe to the world, woe to the people.

95. Rabbi Chiya said: It is certainly so. How do we know? Because it is written: "I saw all Yisrael scattered upon the mountains, like sheep that have no shepherd; and Hashem said, 'These have no master; let them return therefore every man to his house in peace'" (II Divrei Hayamim 18:16). HE ASKS: It says "Yashuvu" ('let them return') when it should say 'Yeshvu' ('let them sit'), and similarly, "to his house" should say 'in his house'. For THE PEOPLE were in their abode, AND WHERE WERE THEY TO RETURN?

96. HE ANSWERS: But this is what we learned. If the leader of the people is not worthy IN HIS DEEDS, the people is caught in his sin. Whence do we know - from the words: "And David spoke...Lo, I have sinned, and I have done perversely; but these sheep, what have they done?" (II Shmuel 24:17). So David sinned and Yisrael suffered. If the chief of the people is caught in his sin, then the people is spared, as Judgment no longer dwells upon them, as the passage says: "And Hashem said, 'These have no master,'" meaning there are no leaders for the people, BECAUSE ACHAV WAS SLAIN. THEREFORE, "let them return therefore every man to his house in peace" from the path, AND EVEN THOUGH JUDGMENT HAS RIDDEN ON THEM IN THIS PATH, SINCE THEIR LEADER WAS SLAIN AND CAUGHT IN HIS SIN, THEY WILL RETURN IN PEACE. They are all saved if their leader is caught. It was decreed that, because he joined with Achav, even Yehoshafat would have been punished, were it not for his crying, as is written: "And Yehoshafat cried out" (I Melachim 22:32).

97. While they were still traveling, it became dark. They said: What shall we do? If continue traveling, it is ALREADY dark and, if we stay IN OUR PLACE, it is frightening. They turned off from the road and sat under a tree. They rested and discussed Torah there, and did not sleep.

98. At midnight they saw a doe passing before them, shouting and crying out loud. When they heard it, Rabbi Chiya and Rabbi Yosi got up and trembled. They heard a voice announcing and saying: Those who are awake rise, those who sleep awake. Worlds, prepare for Your Master. For your Master is going out to Garden of Eden, which is His palace, NAMELY MALCHUT, to delight with the Righteous, as it is written: "And in His temple everyone speaks of His glory" (Tehilim 29:9).

99. Rabbi Chiya said: Now it is exactly midnight, and this voice THAT WE HEARD is the voice that emerges and causes pain to the doe above, WHICH IS MALCHUT, and below, as it is written: "The voice of Hashem makes the hinds to calve" (Ibid.). Fortunate are we to hear this.

100. Come and behold the secret of the matter. At the time that the Holy One, blessed be He, is revealed over the Garden, the whole Garden gathers, NAMELY ALL THE RIGHTEOUS IN THE GARDEN, but does not separate from Eden, WHICH IS CHOCHMAH. Springs emerge from this Eden, NAMELY THE ILLUMINATION OF CHOCHMAH, to many ways and paths, FOR THE CONCEPTION OF THE RIGHTEOUS. This Garden is called 'The Bundle of Life', where the Righteous derive pleasure from the illumination of the World to Come. And at that time, the Holy One, blessed be He, reveals Himself to them.

101. Rabbi Chiya and Rabbi Yosi sat down. Rabbi Yosi said: Many a time I asked about the words: "And it came to pass, that at midnight Hashem smote all the firstborn in the land of Egypt..." Why did this not happen by day so the miracle would be visible to all? And why did all these weaklings behind the millstones and the lambs of the sheep die? And why did not only kings, princes and soldiers die, as it was by the episode of Sanheriv, of which it is written: "the Angel of Hashem went out and smote in the camp of Ashur..." (II Melachim 19:35). We learned that they were all kings, princes, ministers and officers, and the might of a single messenger of the Holy One, blessed be He, was seen there even greater THAN THIS MIRACLE THAT WAS DONE BY HIS OWN HAND. IT SEEMS THAT His miracle should have been even more GREAT.

102. He said to him: You asked well, and I have heard nothing about this. So I have nothing to say. But since we were worthy of all this, and the way was set before us, let us go to Rabbi Shimon bar Yochai as I have heard he is cleansing the market places of the city of Tiberias. They stayed until daybreak. When it became light, they got up and went. When they reached him, they found him sitting with a book of homiletics in his hand.

103. He opened the discussion, saying: "All nations before Him are as nothing; and they are counted to Him less than nothing, and vanity" (Yeshayah 40:17). HE ASKS: Since it said, "All nations before Him are as nothing," why is it written also, "And they are counted to Him less than nothing, and vanity"? AND HE ANSWERS: I have learned the philosophies of all the nations of the world, whose Faith is as nothing. They conceive neither the upper LEVELS nor the lower. They place for themselves a Faith of foolishness; "and they are counted to Him less than nothing, and vanity" like chaff that turns in the wind and rolls during the summer IN THE FIELDS empty, FOR IT HAS NO CONTENTS AT ALL. This is the meaning of: "And all the inhabitants of the earth are reputed as nothing" (Daniel 4:32).

104. He again opened the discussion, saying: "In the beginning Elohim created the heavens and the earth" (Bereshheet 1:1). The first "Et" ('the') is the right hand of the Holy One, blessed be He, and that Et ('the') is His left hand. I learned that the Holy One, blessed be He, stretched His right hand - WHICH IS CHESED - and created the heavens, and stretched His left hand - WHICH IS JUDGMENT - and created the earth. This is the meaning of: "My hand also has laid the foundation of the earth, and My right hand has spanned the heavens: when I call to them, they stand up together" (Yeshayah 48:13).

100. ותא חזי רזא דמלה, בשעתא דקודשא בריך הוא אתחזי על גנתא, כל גנתא אתכנש, ולא מתפרש מעדן. ומהאי עדן מבויעי נפקין, לכמה אורחין ושבילין, והאי גנתא, אתקרי צרורא דחיי, דתמן מתעדנין צדיקיא, מנהירו דעלמא דאתי. ובהאי שעתא, קודשא בריך הוא אתגלי עליהו.

101. יתבו ר"ח ורבי יוסי, אמר רבי יוסי, בכמה זמנין שאילנא, האי דכתיב, ויהי בחצי הלילה וי' הבה כל בכור בארץ מצרים אמאי לא הוה ביממא, דיתגלי לכל פרסומי ניסא, ואמאי מיתו כל אינון חלשי דבתר רחויא, ואינון טלויא דבני עאנא, ולא מיתו מלכי ופרדשכי, וגברי מגיחי קרבא, כמה דהוה בסנחריב, דכתיב ויצא מלאך יי' ויך במחנה אשור וגו'. ותנינן, כלהו מלכין בני מלכין רופינוס ופרדשכי, התם אתחזי גבורתא דחד שליחא דיליה, יתיר מהאי, דהוה יאות למהו דיליה יתיר.

102. אמר ליה יאות שאלת, ואנא לא שמענא מירי בהאי, ולא אימא, אבל הא זכינא לכל האי, וארחא אתתקן קמן. אנא שמענא דרשב"י מדכי שוקין דטבריה, ניזיל גביה. יתבו, עד דהוה נהיר יממא. בד סליק נהורא, קמו ואזלי. בד מטו גביה. אשכחוהו, דהוה יתיב, וספרא דאגדתא בידיה.

103. פתח ואמר, כל הגוים כאין נגדו מאפס ותהו נחשבו לו. כיון דאמר, כל הגוים כאין נגדו, למה כתיב מאפס ותהו נחשבו לו. אלא אוליפנא, דעתיהו דכל עמין דעלמא, דמהימנותא דלהון הוא כאין, דלא ארבונו עלאין ותתאין, ושויין לקבליהו מהימנותא דשטותא, אבל מאפס ותהו נחשבו לו, כהאי עלעולא, דסחרא ברוחא, ומתגלגלא בקיטא בריקניא, הה"ד וכל דיירי ארעא כלא חשיבין.

104. עוד פתח ואמר, בראשית ברא אלהים את השמים ואת הארץ, את דא ימינא דקודשא בריך הוא, ואת דא שמאלא. אוליפנא, דסטא קודשא בריך הוא ימיניה, וברא ית שמיא, וסטא שמאלא, וברא ית ארעא. הה"ד, אף ידי יסדה ארץ וימיני טפחה שמים קורא אני אליהם ועמדו יחדו.

105. HE ASKS: What is the meaning of THE VERSE: "They stand up together"? HE ANSWERS: If you think that these are heaven and earth THAT ARE ZEIR ANPIN AND HIS NUKVA, it is not so. THEY DO NOT STAND TOGETHER. Rather, THEY ARE right and left, SEPARATE, which are the (et) and the (et) AS MENTIONED ABOVE. THEREFORE, THE VERSE SAYS, "THEY STAND UP TOGETHER." How do they stand together? By means of "this," WHICH IS MALCHUT that rules at midnight, for then Et WHICH IS CHESED is combined with "this," WHICH IS MALCHUT, SO THEY STAND TOGETHER.

106. We learned that it is written: "He has made every (Heb. kol) thing beautiful in its time" (Kohelet 3:11). Et MEANS CHESED OF ZEIR ANPIN as we said. "kol" is as is said, "And Hashem blessed Abraham in all (Heb. kol) things" (Bereshheet 24:1). We learned that "kol" is the Sfirah that is called "this," NAMELY MALCHUT that includes Et and Et AS MENTIONED EARLIER, and rules at midnight in two aspects, Mercy and Judgment - Mercy for Yisrael and Judgment for the heathen nations. AND THE SCRIPTURE SAYS, "HE HAS MADE ET KOL," SO THAT THEY WOULD BE UNITED TOGETHER, "BEAUTIFUL IN ITS TIME," NAMELY AT MIDNIGHT.

107. Rabbi Chiya opened the discussion, saying: If it pleases my master, I will say one thing, why I came. It is written: "And it came to pass, that at midnight Hashem smote every firstborn in the land of Egypt..." From this THING that Sir said, it is understood that this passage is ALSO explained in that manner. As for us, the way was propitious before us, to come and ask before you.

108. Rabbi Shimon opened the discussion, saying: "Who is like Hashem our Elohim, Who is enthroned on high...?" (Tehilim 113:5) MEANING, "Who is like Hashem our Elohim," WHO IS ZEIR ANPIN, that ascends and is crowned to settle in the holy upper crown, WHICH IS BINAH, which illumination is above all the shining lights, crowns and wreaths, FOR ALL THE MOCHIN IN THE WORLDS ARE DRAWN FROM BINAH. "and yet looks far down" (Ibid.), descending in His Sfirot from crown to crown, MEANING FROM THE RIGHT COLUMN OF BINAH TO HIS OWN RIGHT, from diadem to diadem, FROM THE LEFT COLUMN OF BINAH TO HIS OWN LEFT; from illumination to illumination, FROM THE CENTRAL COLUMN OF BINAH TO HIS OWN CENTRAL COLUMN; from luminary to luminary, FROM MALCHUT OF BINAH TO HIS OWN MALCHUT, to supervise over the upper beings IN THE HEAVENS and the lower beings ON EARTH. This is the meaning of: "Hashem looked down from heaven upon the children of man" (Tehilim 14:2).

109. Come and behold: it is written, "And it came to pass, that at midnight..." It should have said, 'approximately midnight' or "About midnight" (Shemot 11:4), as Moses had said. And YOU MAY CONTEND, as the friends said, that this is because the astrologers of Pharaoh might say that Moses was a liar, BECAUSE IT IS IMPOSSIBLE TO DETERMINE THE EXACT MOMENT OF MIDNIGHT. So the difficult question remains in three forms, and even the children of Yisrael will agree. 1) If so, it should have said, 'And Moses said, about midnight'. Why does it say, "Thus says Hashem," if Hashem said, "At midnight"? No matter how punctual he will be, they will not blame Moses, but rather the Master, because he said, "Thus says Hashem." 2) Moses said, "even to the firstborn of the maidservant that is behind the mill" (Ibid. 5), yet it was not so, but "to the firstborn of the captive that was in the dungeon" (Shemot 12:29). Regardless, even Yisrael will agree THAT HE IS A LIAR, because these things did not occur exactly AS HE SAID. 3) He said in the name of the Master, 'About midnight' but it is written: "And it came to pass, that at midnight" AND NOT 'ABOUT MIDNIGHT', AS MOSES SAID.

105. מהו יעמדו יחדו. ס"ד שמיא וארעא לאו הכי, אלא ימינא ושמאלא דאינון א"ת וא"ת, והיאך יעמדו יחדו. בזאת ההיא, דשלטא במלגות ליליא, דכלילא א"ת בזאת.

106. ותנינן, כתיב את הכל עשה יפה בעתו. א"ת, הא דאמרן. הכל, כד"א, ויין ברוך את אברהם בכל. ותאנא, דהיא כתר דאתקרי א"ת, דכלילא מא"ת וא"ת. ושלטא במלגות ליליא, בתרין סטרוי, ברחמי ודינא, רחמי לישראל, ודינא לעמין עכו"ם.

110. And also regarding your question, WHICH IS HEAVIER than a load an animal can carry. YOU ASKS: Why was the smiting of the firstborn at night and not by day? And why did the weaklings who were behind the millstone die? This is all a supernal secret among the reapers of the field, MEANING THOSE WHO MERITED THE PLANTS OF THE HIDDEN LIGHT THAT WERE SOWN IN MALCHUT THAT IS CALLED 'FIELD'. And it is all correct according to THE WORDS OF the faithful prophet.

110. וְעוֹד, שְׁאַלְתָּא דִּילְכוּן, יִתִּיר עַל מְטוֹל דְלֹא יְכִיל בְּעִירָא לְמַסְבַּל. אֲמַאי הוּא בְּפַלְגוֹת לִילְיָא, וְלֹא בִימְמָא. וְאֲמַאי מִיתוּ כָּל אֵינוֹן חֲלָשִׁין דְּבִתְרָ רַחֵיָא. אֲלֵא כֹּלָא רְזָא עֲלָאָה הוּא, בֵּין מַחְצְרֵי חֲקֵלָא, וְכֹלָא אֲתַכְשֵׁר בְּנִבְיָאָה מִהֵימְנָא.

111. Praiseworthy is the portion of Moses, about whom it is written: "You are fairer than the children of men, grace is poured into your lips: therefore Elohim has blessed you forever" (Tehilim 45:3). "You love righteousness, and hate wickedness. Therefore Elohim, your Elohim, has anointed you with the oil of gladness above your fellows" (Ibid. 8). "You are fairer than the children of men," MEANS more than Seth and Enoch. "Grace is poured into you lips," more so than Noach and his sons, OF WHOM IT SAYS: "AND NOACH FOUND FAVOR" (BERESHEET 6:8). "Therefore Elohim, your Elohim, has anointed you," more than Abraham and Isaac. "With the oil of gladness" more than Jacob. "above your fellows," refers to the other prophets. Is it possible that a man who rose to the highest levels to which no other man rose did not know what he was saying?

111. זְכָאָה חוֹלְקִיָה דְמֹשֶׁה, דְעֲלִיָה כְּתִיב יְמִימֵי תְּ מִבְּנֵי אָדָם הוֹצֵק חֵן בְּשִׁפְתוֹתֶיךָ עַל בֶּן בְּרִכְךָ אֱלֹהִים לְעוֹלָם. אֶהְבֵּת צֶדֶק וְתִשְׁנָא רִשְׁעָה עַל בֶּן מִשְׁחָךְ אֱלֹהִים אֶלְהִיךָ שְׁמֵן שְׁשׁוֹן מַחְבְּרִיךָ. יְמִימֵי תְּ מִבְּנֵי אָדָם: מִשֵׁת וְחִנוּךְ. הוֹצֵק חֵן בְּשִׁפְתוֹתֶיךָ: מְנַח וּבְנִיּוֹ. עַל בֶּן מִשְׁחָךְ אֱלֹהִים אֶלְהִיךָ: מֵאֲבָרְהָם וַיִּצְחָק. שְׁמֵן שְׁשׁוֹן: מֵיַעֲקֹב. מַחְבְּרִיךָ: מִשְׁאֵר נְבִיאִי. וְכִי גִבֵּר דְסָלִיק בְּדַרְגִּין עֲלָאִין דְלֹא סָלִיק ב"נ אַחְרָא, לֹא יֵרַע מֵה דְאָמַר.

112. But this is what we learned. This Sfirah that is called "zot ('this' fem.)" - NAMELY MALCHUT - is called 'woman', as is written: "She (Heb. zot fem.) shall be called woman" (Beresheet 2:23). And why IS SHE CALLED SO? BECAUSE "she (zot) was taken out of man" (Ibid.). Who is this man? He is the one who is called "zeh ('this')" and is a male man, NAMELY ZEIR ANPIN, as is written: "for as for this (Heb. zeh masc.) Moses, the man" (Shemot 32:23) SO 'man' is called 'zeh', and 'zeh' is called 'man'. And zot is taken from zeh that is called 'male'.

112. אֲלֵא הֲכִי תַנִּינָן, הָאִי כְּתָרָא דְאֶקְרִי זֹאת, אֲתַקְרִי אִשָּׁה, כְּד"א, לְזֹאת יִקְרָא אִשָּׁה. אֲמַאי. מִשׁוּם כִּי מֵאִישׁ לִקְחָהּ זֹאת. מֵאֵן הוּא אִישׁ. הָהוּא דְאֶקְרִי זֶה. וְדָא הוּא אִישׁ דְכָר, כְּד"א כִּי זֶה מֹשֶׁה הָאִישׁ. הָאִישׁ הַזֶּה. וְאֶקְרִי אִישׁ זֶה, וְזֶה אִישׁ. וְזֹאת, אֲתַנְסִיבַת מִזֶּה דְאֶקְרִי זָכָר.

113. Therefore, she, NAMELY MALCHUT, is CALLED "a palm tree" (Heb. tamar), WHICH DENOTES male and female, because the palm tree does not grow one without the other, MALE WITHOUT FEMALE. SHE IS THEREFORE CALLED Tamar, as is written, "like pillars (Heb. timrot) of smoke" (Shir Hashirim 3:6). The same way as smoke rises with both white and black, so here too WITH MALCHUT THAT IS CALLED 'ZOT'. Everything is included in her at midnight, so she will perform her deeds together AT ONCE, white for Yisrael, WHICH IS MERCY, and black for the heathen nations, WHICH IS JUDGMENT.

114. Before the night is divided in half at midnight, it does not perform its functions. Whence do we know this? From Abraham, as is written: "And he divided himself against them...night" (Beresheet 14:15), WHICH MEANS that it was divided in order to do its functions. Here too, Moses said, "About midnight," MEANING when THE NIGHT reaches the middle, for Moses knew that its functions would not be performed until it does.

115. And so it was that the night did not perform its functions until midnight, for it performed its functions in the second half of the night. This is the meaning of: "And it came to pass, that at midnight." What is the connotation of "mid"? IT MEANS that during the second half, when MALCHUT, rules, zot, MALCHUT is always present to perform actions, and every action that was done at night was done in the second half.

116. "And Hashem smote every firstborn." "And Hashem" IS DEFINED AS Him, ZEIR ANPIN, and His court, WHICH IS MALCHUT. "And Hashem," REFERS TO Him and His actions. "Smote every firstborn" - HE ASKS: Moses only said, "And all the firstborn...shall die" (Shemot 11:5). Why DOES IT SAY HERE "smote"? HE ANSWERS: But MALCHUT OF THE ASPECT OF JUDGMENT, WHICH IS CALLED "KOH", became aroused and Moses threatened him, as is written: "Behold, till now (Lit. 'to koh) you would not hear." THEREFORE, IT IS SAID, "HASHEM SMOTE (HEB. HIKAH)," WHICH IS THE NAME KOH THAT SLEW ALL THE FIRSTBORN OF EGYPT.

117. We learned that Pharaoh was wiser than all his sorcerers, and observed that zot, NAMELY MALCHUT, would execute Judgment upon him and destroy his land, as Moses said, "In this (zot) you shall know that I am Hashem" (Shemot 7:17). It is written about him: "And Pharaoh turned" (Ibid. 23), "turned" MEANING that he turned his heart away from this thought, as written: "And Aaron turned" (Bemidbar 12:10). "And went to his house, neither did set his heart even to this (Heb. zot)" (Ibid.) THE WORD "also," WHICH IS SUPERFLUOUS, is to add that one which will destroy his land, "neither did set his heart even to this," MEANING THE WORD "ALSO" IMPLIES THAT EVEN THOUGH HE KNEW THAT THE NAME 'ZOT', WHICH IS MALCHUT, WOULD DESTROY HIS LAND, HE DID NOT PAY ATTENTION TO IT.

113. וּבְגִין דָּא, אִיהִי תַמָּר דְּכָר וְנוֹקְבָא, דְּלֹא סְלִיק דָּא בְּלֹא דָּא. תַּמָּר: כַּד"א, בְּתַמְרוֹת עֶשֶׂן. מִה עֶשֶׂן, סְלִיק חוּר וְאוֹכֵם, אוֹף הֶבֶא, כֹּלֵא כְּלִיל בְּהַ בְּפִלְגוֹת לִילִיא, לְמַעַבְד נִימוֹסוּי בְּחַד שַׁעֲתָא, חוּר לְיִשְׂרָאֵל, וְאוֹכֵם לַעֲכוּ"ם.

116. וַיִּי' הִכָּה כָּל בְּכוֹר, וַיִּי': הוּא וּבֵית דִּינוֹ, וַיִּי': הוּא וְנִימוֹסוּי. הִכָּה כָּל בְּכוֹר הִכָּה, מִשָּׁה לֹא אֲמַר אֶלָּא וּמַת וְגו', מִהוּ הִכָּה. אֶלָּא, דְּאֲתַעַר בְּהַ, כְּמַה דְּאֲגִזִים מִשָּׁה, דְּכִתִּיב וְהִנֵּה לֹא שְׁמַעַתָּ עַד כְּהַ.

117. וְתַאנָּא, פְּרַעָה חֲכִים הוּא מְכַל חֲרָשׁוּי, וְאֲסַתְּבַל בְּהָאֵי זֹאת, דִּיעֲבִיד בֵּיהַ דִּינָא, וְזִמִּין לְחֲרָבָא אֲרַעִיהַ, כְּמַה דְּאֲמַר מִשָּׁה, בְּזֹאת תִּדַּע כִּי אֲנִי יי'. וּבְאִיהוּ מַה כְּתִיב, וַיִּסֶן פְּרַעָה. מִהוּ וַיִּסֶן. דְּאֲפִנִי לְבֵיהַ מְהַרְהוּרָא דָּא. כַּד"א, וַיִּסֶן אֶהְרֵן. וַיְבֹא אֶל בֵּיתוֹ וְלֹא שָׁת לְבוֹ גַם לְזֹאת. גַּם לְרַבּוֹת הָאֵי דְּזִמְינָא לְחֲרָבָא אֲרַעִיהַ, וְלֹא שׁוּי לְבֵיהַ לְקַבְּלִיהַ דְּזֹאת.

118. IT IS WRITTEN: "all the firstborn." "FIRSTBORN" IS THE ASPECT CHOCHMAH, AND "ALL THE FIRSTBORN" DENOTES THAT even upper and lower levels were broken in power - MEANING all those levels that rule by THE POWER OF their wisdom, WHICH IS THE WISDOM OF EGYPT as is written: "ALL THE FIRSTBORN in the land of Egypt." All the upper and lower levels that were broken in power are all alluded to in the verse, "From the firstborn of Pharaoh that sits on his throne, even to the firstborn of the maidservant that is behind the mill; and all the firstborn of cattle" (Shemot 11:5). So we see that they are all alluded to in the passage.

119. In brief, "From the firstborn of Pharaoh that sits on his throne," REFERS TO the power of the lowest Sfirah OF THE KLIPOT, WHICH RECEIVE from the upper Malchut. "even to the firstborn of the maidservant," refers to the left Sfirah, which is under the power MENTIONED EARLIER, from behind four mills, which are the four legions OF THE KLIPOT. This is understood, because it is written, "behind the millstone," and not 'from the millstone'. "And all the firstborn of cattle," REFERS TO THOSE below the lower ones MENTIONED EARLIER. It is a female, of the females of asses, cattle and donkeys, large and small animals, WHICH ARE THE LEVELS OF IMPURITY. Males and females come out from them. "To the firstborn of the captive that was in the dungeon," MEANS those that descend from the maidservant, for with them, SORcery is performed on the prisoners in order to enslave them forever and ensure they never go free.

120. Because they relied upon these levels, the Egyptians refused TO LET THE CHILDREN OF YISRAEL GO, for they formed a knot OF SORcery against Yisrael so they would never be able to leave their bondage. The strength and dominion of the Holy One, blessed be He, is seen in this, and this memory will never cease from Yisrael for generations and generations. If not for the strength and power of the Holy One, blessed be He, none the kings of the nations and all the sorcerers of the world would be able to deliver Yisrael from bondage. For He opened their bonds and smashed all these crowns OF THE FIRSTBORN OF THE CAPTIVE MENTIONED EARLIER in order to take them out TO FREEDOM. Referring to this, it is written: "Who would not fear You, O King of the nations? For to You it is fitting. For among all the wise men of the nations, and in all their kingdom, there is none like You" (Yirmeyah 10:7).

121. Rabbi Shimon wept, raised his voice and sighed. He said: There is an attachment formed. Have you thought HOW MUCH the Holy One, blessed be He, ATTACHED HIMSELF, AND praised HIMSELF SO many times FOR THE EXODUS FROM EGYPT? It is written: "who brought you out of the Land of Egypt" (Devarim 5:6); "Hashem your Elohim brought you forth out of Egypt" (Devarim 16:1); "Hashem your Elohim brought you out from there" (Devarim 5:15); "I brought your hosts out" (Shemot 12:17); "Remember this day, in which you came out from Egypt" (Shemot 13:3); "and brought you out, He Himself being present, with His mighty power out of Egypt" (Devarim 4:37); "Hashem brought you out from this place" (Shemot 13:3). THE EXODUS FROM EGYPT IS MENTIONED IN THE TORAH FIFTY TIMES.

122. HE ANSWERS: Yet we learned that there are ten crowns, MEANING SFIROT, below IN THE KLIPOT, as above IN HOLINESS. They are all blocked by the three KLIPOT we mentioned, NAMELY THE FIRSTBORN OF PHARAOH, THE FIRSTBORN OF THE MAIDSERVANT AND THE FIRSTBORN OF CATTLE. They formed three ties on these three levels, with which they caused that Yisrael would never leave their bondage.

123. Fortunate are you, Abraham, Isaac and Jacob, for the ties were untied for your sakes, and the Holy One, blessed be He, remembered your three ties of Faith. This is the meaning of: "And Elohim remembered His covenant with Abraham, with Isaac, and with Jacob" (Shemot 2:24). "With Abraham," is one tie of Abraham, "with Isaac," is the second tie of Isaac, and "with Jacob," is the third whole tie of Jacob.

124. We learned that every holiday, festival and Shabbat are all in memory of this, THE EXODUS OUT OF EGYPT. They are all based on this and were it not for this, there would be no observance of the holidays, festivals and Shabbat. Therefore, the memory of Egypt has not ceased from all holidays, festivals and Shabbatot. Come and behold: this Judgment IN THE EXODUS FROM EGYPT is the foundation and source of the Torah and all the commandments and the complete Faith of the children of Yisrael. THEREFORE, THE EXODUS OUT OF EGYPT IS MENTIONED MANY TIMES IN THE TORAH.

125. Also regarding your question why the Judgment of Egypt did not occur by day, we learned that it is written: "This day you came out" (Shemot 13:4), and, "Hashem your Elohim brought you forth out of Egypt by night" (Devarim 16:1). But we learned that the redemption of the children of Yisrael was mainly by night, WHICH IS THE SECRET OF MALCHUT CALLED 'NIGHT', for the night opened the ties and wreaked revenge, while the day brought them out with a high hand. This is the meaning of: "The children of Yisrael went out with a high hand in the sight of all Egypt. And Egypt was burying all their firstborn whom Hashem had smitten among them" (Bemidbar 33:3). This was in order to make the miracle famous.

126. Rabbi Chiya and Rabbi Yosi came and prostrated before him, and kissed his hands. They wept and said: Upper and lower images raise their heads through your merit. The Holy One, blessed be He, made terrestrial Jerusalem, WHICH IS MALCHUT, in the likeness of celestial Jerusalem, WHICH IS BINAH. And He made the outer walls of the Holy City and its gates. One can not enter until the gates are opened for him. One can not ascend until the steps to the outer walls are prepared. Who can open the gates of the Holy City? And who can repair the steps to the outer walls? This is Rabbi Shimon bar Yochai, who opens the gates of the secrets of Wisdom and repairs the upper levels. And it is written: "Every one of your males shall appear before the Master Hashem" (Shemot 34:23). Who is before the Master Hashem? This is Rabbi Shimon bar Yochai. For he who is a memory (Heb. zecher) of the remembrances, THAT IS, HE IS THE ASPECT OF THE MALE (HEB. ZACHAR) OF THE SUPERNAL MOCHIN THAT ARE CALLED 'REMEMBRANCES (HEB. ZICHRONOT)', WHICH ARE OF THE MOCHIN OF ABA AND IMA, has to appear before Him.

122. אֵלֶּא תָּאנָא, י' כְּתִרִין, אִינוּן לְתָא, כְּגוּוּנָא דְלַעִילָא, וְכִלְהוּ סְתִימִין, בְּתִלְתָּא אֲלִין דְאִמְרִין. וְתִלְתָּ קְשָׁרִין קְשִׁירוּ בְּהוּ, עַל ג' דְרָגִין אֲלִין דְבְּהוּ עֲבָדוּ, דִּישְׂרָאֵל לֹא יִפְקוּן מִשְׁעַבְדֵּיהוֹן לְעַלְמִין.

127. He said to them: Even now, I have still not finished ANSWERING your questions. For we learned, "And Hashem smote all the firstborn." "all the firstborn" is general; IT DOES NOT SAY 'THE FIRSTBORN OF EGYPT', BECAUSE IT REFERS ALSO TO THE LEVELS THE EGYPTIANS WERE ATTACHED TO, WHICH ARE THE FOUR LEVELS OF THE KLIPOT, of which we spoke before. For everyone it was the same as for those that died, MEANING THAT WHATEVER WAS DONE TO THE FIRSTBORN OF EGYPT WHO DIED WAS LIKEWISE DONE TO THE LEVELS OF KLIPOT. Of those who tied the ties and used these crowns in their witchcraft, some employed the upper, and some the lower, and even though they were all lower, THEY ALSO EMPLOYED THE UPPER. And the whole land of Egypt was full of sorcery, as is written: "For there was not a house where there was not one dead" (Shemot 12:30).

128. And Judgment was executed against them all. When they were all gathered in their homes, and were not scattered in the wilderness or in the field, the night, WHICH IS MALCHUT, executed its Judgments. And we learned that the night shone just like the day is the solstice of Tamuz, and the whole people saw the Judgments of the Holy One, blessed be He. This is the meaning of: "But the night shines like the day: the darkness and the light are both alike" (Tehilim 139:12).

129. When YISRAEL left, they were all found dead in the marketplace before everyone's sight. They wanted to bury them but could not find them, BECAUSE THE DOGS HAD EATEN THEM. HOWEVER, NOT ALL OF THEM WERE EATEN UP. SOME OF THEM DID REMAIN, OF WHOM IT IS SAID, "AND EGYPT WAS BURYING" (BEMIDBAR 33:4). This was the most difficult thing for them, as from one side they saw Yisrael leaving and from the other side they saw their dead. It was all in order to publicize the miracle, for there was nothing like it since the day the world was created.

130. Come and behold: it is written, "It is a night of (Heb. leil) watchfulness to Hashem for bringing them out...this is Hashem's watch night (Heb. lailah) for all the children of Yisrael" (Shemot 12:42). This passage is difficult. Since it says "leil," why does it say "watchfulness" using the plural suffix instead of the singular? MOREOVER, it is also written "lailah." Why does it first say "leil" and afterwards "lailah"?

131. HE ANSWERS: But this is what we learned. It is written: "If there is a virgin maiden (Heb. na'ara)" (Devarim 22:23). It is spelled "na'ara" without Hei. What is the reason thereof? Because as long as she does not accept a male, she is called "na'ara." After she receives a male, she is considered "na'arah." Also, MALCHUT IS CALLED "leil" before she receives a male, WHICH IS ZEIR ANPIN. Even though it is written: "night of watchfulness" IN THE PLURAL, WHICH SUGGESTS THAT IT ALSO INCLUDES ZEIR ANPIN, IT IS because the male - WHICH IS ZEIR ANPIN - was going to unite with her, BUT DID NOT YET. When the male united with her, it is written: "This is Hashem's watch night (plural)," WHICH INDICATE male and female, NAMELY ZEIR ANPIN AND MALCHUT. Therefore, it is spelled "lailah" with Hei.

132. And wherever male and female are together, the praise is directed only to the male. The children of Yisrael also directed their praises to the male and not the female. This is the meaning of: "This (zeh masc.) is my El and I shall glorify Him" (Shemot 15:2). When both male and female are present, then the praise is directed only to the male. And this is what the children of Yisrael await, as written: "This (zeh) is Hashem; we have waited for Him, we will be glad and rejoice in His salvation" (Yeshayah 25:9). For He will do so for them, as is written: "As in the days of your coming out of the land of Egypt, I will show him marvelous things" (Michah 7:15).

133. Such is this secret, as is written here: "leil" and "lailah." So will the Holy One, blessed be He, do for them in the future, as is written: "Watchman what is of the night (Heb. lailah), Watchman what is of the night (Heb. leil)" (Yeshayah 21:11). As there was watching and "leil" there, so here is also watching and "leil." As there was watching and "lailah" there, so here also is watching and "lailah."

134. It is called "lailah" because of the male THAT IS INCLUDED IN HER AS MENTIONED. This is as written: "The morning comes, and also the night" (Ibid. 12), WHICH ARE ZEIR ANPIN AND MALCHUT, because morning MEANS as written: "And Abraham rose up early in the morning" (Bereshheet 22:3). This is his own attribute, NAMELY CHESED OF ZEIR ANPIN, WHICH IS CALLED 'MORNING'. It is written: "My voice shall you hear in the morning, O Hashem" (Tehilim 5:4), NAMELY ALSO the morning itself, WHICH IS ZEIR ANPIN IN THE ASPECT OF CHESED.

135. Rabbi Chiya and Rabbi Yosi were sitting. RABBI SHIMON was teaching them the secret of the Laws of Priests. They came back every day and sat before him. One day, Rabbi Shimon went out. They went with him until they reached a field and sat down.

6. "All things have I seen in the days of my vanity"

Rabbi Shimon says that the verse, "I have seen everything in the days of my vanity. There is a righteous man who perishes in his righteousness and there is a wicked man who prolongs his life in his evil doing," contains two themes: Solomon was alluding to wisdom, but God is patient with the wicked until they repent. A person should live among the righteous because he will receive good due to their merit, while if he lives among the wicked he will be caught in their sins. Rabbi Shimon offers another explanation of the title verse, that is that Solomon was called by seven names, the seventh of which was Kohelet, that is equivalent to them all. His names were called after Wisdom, and therefore he composed three books, Shir Hashirim, Kohelet and Mishlei, corresponding to Chesed, Judgment and Mercy. Thus he perfected wisdom. Rabbi Shimon moves to the question of breath and voice, saying that breath is made of air and water, and everything in the world is made of breath. Breath has the power to produce voice, but actual voice has the enduring power to produce speech. He says that sometimes vanity nurtures from judgment, sometimes from mercy. Then while the rabbis are sitting in the field, they see a column of smoke from incense rising and falling. Meanwhile a scent arose from the field that was more fragrant, for it was the fragrance of the Shechinah.

136. Rabbi Shimon opened the discussion, saying: Come and behold. It is written: "All things have I seen in the days of my vanity. There is a just man who perishes in his righteousness and there is a wicked man who prolongs his life in his wickedness" (Kohelet 7:15). What did Solomon, who possessed more wisdom than any other person, speak of in this verse? HE RESPONDS: Solomon alluded to wisdom. We see that the ways of the Holy One, blessed be He, are not so, for it is written: "To give every man according to his ways, and according to the fruit of his doings" (Yirmeyah 17:10). But he is alluding to two themes here.

137. We have learned that the eyes of the Holy One, blessed be He, wish to watch over the world and observe it, as is written: "For the eyes of Hashem run to and fro throughout the whole earth" (II Divrei Hayamim 16:9). If there are wicked people in the world, the righteous man in that generation is snared in their sins. The Holy One, blessed be He, is longsuffering with the wicked until they repent. If they do not REPENT, then there will be no one to plead mercy for them BECAUSE THE RIGHTEOUS HAS ALREADY DIED. This is the meaning of: "There is a just man who perishes in his righteousness." It is because he is righteous that he has departed from the world, SO HE WOULD NOT PLEAD MERCY FOR THE GENERATION.

138. Therefore we learned that a person should only live in a place where men of action live. For what reason? Woe unto the person who dwells among the wicked, for he is caught in their sins. And if he dwells among the righteous, he is dealt well with due to their merit.

139. Rabbi Chasda lived at first among the people of Cappadocia, and it was difficult for him and he was plagued with sickness. He then moved his dwelling among the protectors of Tzipori, MEANING AMONG TORAH SCHOLARS WHO ARE CALLED 'PROTECTORS'. He became great and merited much good, many riches and much Torah, and he said: I merited all this because I came among these people, whom the Holy One, blessed be He, takes care of, to do good for them.

140. Another explanation of the verse: "All things have I seen in the days of my vanity." Solomon had all the highest levels of wisdom, more than all the people of the generation, as it is written: "For he was wiser than all men" (I Melachim 5:11), and, "Then Solomon sat on the throne of the Hashem as king" (I Divrei Hayamim 29:23). Could he say about his life, "In the days of my vanity"? And, "'Vanity of vanities,' said Kohelet" (Kohelet 1:2)?

141. We learned that Solomon was called by seven names: Solomon, Yedidyah, Agur, Bin Yake, Itiel, Lemuel, Kohelet - AND THE NAME Kohelet is equal to them all. Each of them is named in the likeness of above. Kohelet IS ALSO CALLED 'a sacred congregation of ten men'. Therefore, it is said 'Less than ten people is not considered a congregation (Heb. kahal).' A congregation could even be a hundred or more, BUT NOT LESS THAN TEN. Kohelet includes everyone, ALL OF YISRAEL, as is written: "The congregation (Heb. kehilat) of Jacob" (Devarim 33:4).

142. We learned that his names were called after Wisdom, and therefore he composed three books: Shir Hashirim, Kohelet and Mishlei. The purpose of them all is to perfect wisdom. Shir Hashirim corresponds to Chesed, Kohelet corresponds to Judgment, and Mishlei corresponds to Mercy - NAMELY, THEY CORRESPOND TO THE THREE COLUMNS, CHESED, JUDGMENT, MERCY. This is in order to perfect Wisdom. Everything that he did was for the purpose of displaying wisdom and in correspondence to the highest level. He said ABOUT HIMSELF: "In the days of my vanity," and, "Vanity of vanities" (Kohelet 1:2).

143. HE ANSWERS: But vanity (Heb. hevel) is a precious secret. It is the breath (Heb. hevel) that comes out of the mouth, and by means of the breath that comes out from the mouth a sound is formed. We learned that the world exists only through the breath of the mouths of the schoolchildren who have not sinned, THAT IS, who have not actually sin. IT IS NOT THAT THEY DID NOT SIN BUT IT IS NOT CONSIDERED A SIN BECAUSE OF THEIR MINOR AGE. Breath is made of air and water, and everything in the world is made of breath. The inner meaning of the breath of these children becomes a sound and spreads throughout the world. They are the guards of the world and the guards of the city. This is the meaning of: "Unless Hashem keeps the city..." (Tehilim 127:2).

144. Come and behold: it is both breath and a sound. What is the difference between them? Breath has the power to produce a sound BUT actual sound has the power to produce words. Abel, who inherited from his father, is called Abel, and whatever SOLOMON saw came through him, and even though he had much support from above, from other LEVELS, he said, "In the days of my vanity," to make known that this word comes from there.

145. And the secret meaning of the words: "All is vanity....," "...in the days of my vanity, I saw everything..." and, "there is a just person who perishes in his righteousness," is the secret of that which he revealed and made known, that everything depends on "the days of my vanity." This means that when Hevel nurtures from Judgment, in order to execute Judgment - BEFORE THE RECONCILIATION OF THE CENTRAL COLUMN - "There is a just man who perishes in his righteousness" BECAUSE OF THAT JUDGMENT. When Hevel nurtures from Mercy, MEANING AFTER THE RECONCILIATION OF THE CENTRAL COLUMN, then "there is a wicked man who prolongs his life in his wickedness," AS BECAUSE OF MERCY HE IS LONGSUFFERING and both THE WICKED AND THE RIGHTEOUS are dependent upon this Hevel. Therefore, it is written, "In the days," and not, 'in the day', for they all depend on this Hevel. Whoever HAPPENS TO BE at the time of Judgment is treated with Judgment, and whoever HAPPENS TO BE at the time of Mercy is treated with Mercy.

146. It is written: "There is a just man who perishes" IN THE PRESENT CONTINUOUS TENSE. HE ASKS: Why does not it say 'perished? FOR IF IT IS DEPENDENT UPON TIME, IT SHOULD HAVE BEEN SAID IN THE PAST RATHER THAN IN THE PRESENT TENSE. HE ANSWERS: EVERY TIME IT IS AROUSED, Judgment removes the righteous man from the world and from the generation. IT IS ALWAYS THIS WAY. "There is a wicked man who prolongs his life in his wickedness, who actually prolongs his life IN HIS SIN, for when that Judgment nurtures from Mercy, it bestows mercy on that wicked man and forebears with him.

147. While they were still sitting, they saw a column of incense smoke rising up and going down. He said: this crowning, THE SMOKE is surrounded with mud of the earth from above. IT THEREFORE GOES UP AND DOWN, WHICH ALLUDES TO THE HEVEL MENTIONED BEFORE. In the meantime, there arose a scent from the field, WHICH WAS MORE FRAGRANT THAN ALL THE SPICES. He said: Let us sit here for the Shechinah is by us, as is written: "Like the smell of a field which Hashem has blessed" (Beresheet 27:27).

7. "And he smelled the smell of his garments"

Rabbi Shimon says that when Jacob entered before his father, the scent of the Garden of Eden went in with him, and that the clothes he wore belonged to Adam. He asks what happened to the clothes of Eve, and in what clothing were Adam and Eve buried? He answers himself by saying that when they left they threw off the supernal splendor with which God had clothed them. We learn that as soon as God was clothed, as in "Who covers Himself with light as with a garment," He created the world. The question arises of how Isaac knew about "the smell of a field that Hashem has blessed." Rabbi Shimon explains that the field in "And Isaac went out to meditate in the field at the evening time," was the field near the cave of the Machpelah, and that Jacob saw the Shechinah on it, and it raised supernal holy scents. The conclusion Rabbi Shimon draws is that Isaac blessed Jacob because Isaac did not attribute the scent to the clothes at all; he attributed it to Jacob himself because he saw that he was worthy and deserving of his blessing. The rabbis then talk about the tenth day of the seventh month, Yom Kippur, and the sacrifice of the lamb. We are reminded that Yisrael does an action below, and God does the action above.

148. He opened the discussion, saying: "And he smelled the smell of his garments, and blessed him, and said, 'See, the smell of my son is like the smell of a field which Hashem has blessed'" (Beresheet 27:27). "And he smelled the smell of his garments" means that the garments emitted a pleasant scent that had never left them. Now we should examine this closely; it is written: "The smell of his garments," and, "The smell of my son." It does not say, 'The smell of the garments, but rather "the smell of my son." HE ANSWERS: But we learned that when Jacob entered the Garden of Eden entered with him, and we learned that those garments belonged to Adam, as written: "For the man also and for his wife did Hashem Elohim make coats of skins, and clothed them" (Beresheet 3:21), and He took them out from the Garden of Eden.

149. You may argue that it is written: "And they sewed fig leaves together" (Ibid. 7), and from them were THE SKIN GARMENTS THAT HASHEM MADE FOR THEM. If so, then why is it written, "did Hashem Elohim make?", IF THEY SEWN THEM THEMSELVES, and: "Coats of skins," when they were but a fig leaf. But as the Aramaic translation OF "COATS OF SKINS," it is 'precious garments'. And they emitted a scent from the spices of Eden.

150. And we learned that they were made with the full Name, as is written: "did Hashem Elohim make..." WHICH IS THE FULL NAME that even the heavens and earth were not made with. FOR ONLY ELOHIM IS MENTIONED IN RELATION TO THEM. HE ASKS: Is it not written: "In the day that Hashem Elohim made the earth and the heavens" (Bereshheet 2:4)? HE ANSWERS: There is no difficulty here, for when they were first made they were not made with the full Name, but when they became permanent, they were maintained by the full Name. THE VERSE, "IN THE DAY THAT HASHEM ELOHIM MADE," WAS SAID FOR THE PURPOSE OF MAINTENANCE.

151. And concerning what was said, that these garments came to the wicked Esau, who took them from Nimrod, we explained this matter and it is difficult to understand. If so, why it is written: "For the man also and for his wife"? He made clothing for Adam and He made clothing for Eve, but what happened to the clothes of Eve? And if so, in what were they buried? Could you possibly conceive that they left and threw from themselves the supernal splendor that the Holy One, blessed be He, gave them.

152. No one else wore the garments with which Adam and Eve clothed themselves, because they were in likeness of above in these garments. If you think that they wore them by themselves, come and behold, it is written: "And clothed them," in that the Holy One, blessed be He, clothed them. Blessed is their portion.

153. It is written: "O Hashem my Elohim You are very great, You are clothed with glory and majesty" (Tehilim 104:1), "Glory and majesty are before Him" (Tehilim 96:6), and: "Who covers Himself with light as with a garment..." (Tehilim 104:2). As soon as He was clothed, He accomplished His deed, THAT IS, HE CREATED THE WORLD. It teaches that the Holy One, blessed be He, clothed Himself in Light and created the heaven. THE GARMENTS OF ADAM WERE SIMILAR TO THIS CLOTHING. But how do we explain the verse: "The best clothes...which were with her in the house" (Bereshheet 27:15)? HERE, the "best clothes" MEANS kingly garments of silk and gold, and it is the custom of the world to store them in spices and scents, because of the preciousness of the garments.

154. Come and behold: first, "he smelled the smell of his garments" (Ibid. 27), BECAUSE HE THOUGHT THE SCENT CAME FROM THEM. But when he felt it, he said, "See, the smell of my son," because he knew that the scent came from him and for his sake, AND NOT FROM THE GARMENTS. "Like the smell of a field which Hashem has blessed." HE ASKS: How did Isaac know about "the smell of a field which Hashem has blessed"?

155. HE ANSWERS: Rather, there are two things, which amount to the same. For it is written: "And Isaac went out to meditate in the field at the evening time" (Beresheet 24:63), AND THAT IS THE SAME ONE AS "A FIELD THAT HASHEM HAS BLESSED." Did not he have a house or another place to pray? But that field was the one that Abraham purchased near the cave OF MACHPELAH, as is written: "The field which Abraham purchased of the sons of Chet" (Beresheet 25:10). When Isaac came to the field, he saw the Shechinah over it, and it raised supernal holy scents. Therefore he prayed there, and set it AS A PLACE for prayer.

156. HE ASKS: Why did Abraham not pray there, IN THE FIELD OF THE CAVE OF MACHPELAH LIKE ISAAC? HE ANSWERS: Because he had a set prayer place before. Another reason was the scent that he saw at Mount Moriyah. Why was it called Mount Moriyah? Due to the good myrrh (Heb. mor) that was there.

157. And all was present BY JACOB SINCE IN ADDITION TO HIS OWN SCENT, the Garden of Eden also entered with him. Therefore, he blessed him. He did not attribute it to the garments, but rather to Jacob himself, for he saw that the scent originated in him, that he was worthy, and that he merited to be blessed and that the Garden of Eden entered with him. For this reason, when Esau stormed and protested, he said, "moreover, he shall be blessed" (Beresheet 27:33).

158. Rabbi Yitzchak said: The Torah should have started with, "This month shall be to you the beginning of months" (Shemot 12:2). What is the reason? Because it is the beginning OF THE RULE of the moon. Therefore, the Torah should have STARTED with these words, for the subject is connected with the Holy One, blessed be He. THE MOON IS THE SECRET OF MALCHUT, WHICH, WHEN FULL, UNITES WITH THE HOLY ONE, BLESSED BE HE. THEREFORE, THE TORAH SHOULD HAVE STARTED AT THE BEGINNING OF THE FULLNESS OF THE MOON, WHICH IS: "THIS MONTH SHALL BE TO YOU THE BEGINNING OF MONTHS."

159. It does not pose a difficulty, for it is not written: 'This (zot fem.)', NAMELY 'this month' BECAUSE THE NAME OF THE MOON IS 'ZOT', and this is because zeh ('this' masc.) and zot are connected together. Wherever male and female are together, the praise is directed only to the male. THEREFORE, IT SAYS "THIS (ZEH) MONTH," INSTEAD OF 'ZOT', and therefore it says, "It shall be the first month of the year to you" (Ibid.). Assuredly, it is "of the year," TO INDICATE THAT IT REFERS TO MALCHUT THAT IS CALLED 'A YEAR', ONLY IT PLACES THE PRAISE ON THE MALE. Rabbi Yehuda said: Why is "to you" said twice, AS WRITTEN, "THIS MONTH SHALL BE TO YOU...IT SHALL BE THE FIRST...TO YOU." Rabbi Yitzchak said: FROM THE DOUBLING OF "TO YOU," we understand even more THAT IT IS ONLY FOR YISRAEL AND NOT FOR THE OTHER NATIONS, as is written: "For Hashem's portion is His people" (Devarim 32:9). This connection WITH THE MONTH is to you and not to the other nations.

160. "Speak to all the Congregation of Yisrael, saying, On the tenth day of this month they shall take to them every man a lamb..." (Shemot 12:3). HE ASKS: Why on the tenth of the month? Rabbi Aba said: It is the time that the Jubilee, WHICH IS BINAH, shines on the moon, WHICH IS MALCHUT. As is written in regard to the Jubilee, "On the tenth day of this seventh month shall be Yom Kippur" (Vayikra 23:27). AND YOM KIPPUR IS THE ILLUMINATION OF BINAH, FOR WE SEE THE ILLUMINATION OF BINAH IN MALCHUT IS ON THE TENTH DAY OF THE MONTH.

161. "They shall take to them every man a lamb, according to the house of their fathers." Why? Because they had to draw it at that time, for we learned that the lower crown, to which all the other lower crowns OF THE KLIPAH are attached, is broken by this TAKING OF THE LAMB. Therefore, Moses was specific in his words, "Draw out and take you lambs" (Shemot 12:21), WHICH IS according to the verse: "Flocks, and menservants and womenservants" (Beresheet 32:6), WHICH ARE LOWER CROWNS OF THE KLIPOT, AND THE TERM FLOCK INCLUDES THEM ALL. AND THE EGYPTIANS MADE THEM INTO DEITIES.

162. The Holy One, blessed be He, said: 'Perform an action below BY DRAWING AND TAKEING SHEEP, and I will break their power above. As you prepare them by burning them by fire, as it is written, "but roast with fire" (Shemot 12:9) I, also, ABOVE, will pass him through fire, through Nahar Dinur (the River of Fire)."

163. HE ASKS: Why was it drawn on the tenth day OF THE MONTH and slaughtered on the fourteenth? Rabbi Aba said: through THE LAMB, WHICH IS THE ELOHIM OF EGYPT, AS MENTIONED BEFORE, Yisrael were bound by slavery 400 years. Even though they were not enslaved 400 years, they were designated to be bound to them for 400 years. HAD NOT THE HOLY ONE, BLESSED BE HE, HASTENED THE END, it would have been as if they were enslaved all 400 years. Therefore, they detained the lamb four days, tied in the property of Yisrael, and afterwards: "and the whole assembly of the Congregation of Yisrael shall kill it towards evening" (Shemot 12:6).

164. HE ASKS: Why WAS IT SLAUGHTERED at twilight? HE ANSWERS: That is when Judgment is impending, and the time when this decree OF THE EXILE IN EGYPT was given through Abraham, as is written: "And when the sun was going down, a sleep fell upon Abram; and, lo, a horror of great darkness fell upon him" (Beresheet 15:12). "Horror" is one crown OF THE KLIPAH, "darkness" is another crown and "great" is greater than all THE CROWNS. Even though we explained this passage as referring to other kinds of bondage of Yisrael - THAT HORROR REFERS TO BABYLON, DARKNESS IS MEDIA, GREAT IS GREECE, it refers to everything. THEY ALLUDE TO THE THREE CROWNS OF THE KLIPAH AND ALSO THE EXILES. In the same way WE SPOKE OF THE LAMB, OF WHICH THE HOLY ONE, BLESSED BE HE, SAID: 'YOU PERFORM AN ACTION BELOW AND I WILL BREAK THEIR POWER ABOVE,' SO, "I will utterly blot out" (Shemot 17:14). You ACT below and I WILL ACT above.

165. We learned that Yisrael did not leave Egypt until the dominion of all their ministers above was broken. They left their domain, came under the authority of the Holiness above of the Holy One, blessed be He, and were bound to Him. This is the meaning of: "For to Me the children of Yisrael are servants; they are My servants" (Vayikra 25:55). What is the reason "they are My servants"? For "whom I brought forth out of the land of Egypt" (Ibid.). I took them out of another domain and brought them unto My authority.

165. תָּנָא, לֹא נִמְקוּ יִשְׂרָאֵל מִמִּצְרַיִם, עַד דְּאִתְבְּרוּ בְּלֵהוּ שְׁלִטוֹנֵי דְלַעִילָא מִשׁוּלְטַנְיָהוּן, וְנִמְקוּ יִשְׂרָאֵל מִרְשׁוּתָהוּן, וְאִעְלוּ לְרְשׁוּתָא קְדִישָׁא עֲלֵאָה בְּקוּדְשָׁא בְרִיךְ הוּא, וְאִתְקִטְרוּ בֵיהּ, הֲדָא הוּא דְכִתְיִב, בִּי לִי בְנֵי יִשְׂרָאֵל עֲבָדִים עֲבָדֵי הֵם. מֵאֵי טַעְמָא עֲבָדֵי הֵם. אֲשֶׁר הוֹצֵאתִי אוֹתָם מֵאֶרֶץ מִצְרַיִם, דְּאִפְקִית לָהּ מִרְשׁוּתָא אַחְרָא, וְעֲלִית לֹן בְּרְשׁוּתִי.

9. Leaven and leavened dough

In this discussion we read that leaven, leavened fermentation and leavened bread are all the same thing. In response to Rabbi Yehuda's query about why, if it is so important, Yisrael is only restricted from eating leaven seven days a year, Rabbi Shimon replies that this is an annual celebration of the days that they went out of bondage.

166. This is what Rabbi Shimon said: It is written, "But on the first day you shall remove leaven out of your houses; for whoever eats leavened bread" (Shemot 12:15). I have explained it thus: leaven and leavened dough are one level, and are all the same. The other dominion is the ministers appointed over the other nations, whom we call Evil Inclination, another dominion, strange El, Other Elohim. Here also, leaven, leavened dough and leavened bread are all the same. The Holy One, blessed be He, said: "All these years, you were under the authority of others and served another nation. From now on, you are free men. "But on the first day you shall remove leaven out of your houses...you shall eat nothing leavened" (Ibid. 20) and "there shall no leavened bread be seen with you" (Shemot 13:7).

166. וְהֵינּוּ דְאָמַר רַבִּי שִׁמְעוֹן, מֵאֵי דְכִתְיִב, אֲךָ בְיוֹם הָרֵאשׁוֹן תִּשְׁבִּיתוּ שָׂאֹר מִבֵּיתְכֶם בִּי כֹל אוֹכֵל מִחֻמֶּצֶת. אֲנָא הִכִּי אוֹקִימְנָא, הָאֵי שָׂאֹר, וְהָאֵי מִחֻמֶּצֶת, דְּרָגָא חַד אֵינּוֹן, וְכִלְהוּ חַד. רִשׁוּ אוֹחְרֵי, אֵינּוֹן שְׁלִטְנִין, דְּמִמְנָן עַל שָׂאֵר עַמִּין, וְקִרְיָנָן לָהּ וְיַצֵּר הָרַע, רְשׁוּתָא אַחְרָא, אֵל נֹכַר, אֱלֹהִים אַחְרִים. אוֹף הִכִּי, שָׂאֹר, וּמִחֻמֶּצֶת, וְחֻמֶּץ, וְכֹלֵא חַד. אָמַר קוּדְשָׁא בְרִיךְ הוּא, כֹּל הַנִּי שְׁנֵי, קִיּוּמְתוּ בְרְשׁוּתָא אַחְרָא, עֲבָדִין לַעֲם אַחְרָא, מִכָּאֵן וְלַהֲלָאָה דְאִתּוֹן בְּנֵי חוּרִין, אֲךָ בְיוֹם הָרֵאשׁוֹן תִּשְׁבִּיתוּ שָׂאֹר מִבֵּיתְכֶם. כֹּל מִחֻמֶּצֶת לֹא תֹאכְלוּ. וְלֹא יֵרָאֶה לְךָ חֻמֶּץ.

167. Rabbi Yehuda said: If so, WE SHOULD NOT EAT LEAVEN all the days of the year. Why only seven days, as is written, "Seven days shall there be no leaven found in your houses," and not more? He said to him: At all times that a person is obliged to show himself free, it is required NOT TO EAT LEAVENED BREAD, but whenever he is not obligated then he does not need TO OBSERVE THE PROHIBITION OF LEAVENED BREAD.

167. אָמַר רַבִּי יְהוּדָה, אִי הִכִּי כֹל יְמֵי שְׁתָּא נְמִי, אֲמַאי שְׁבַעַת יוֹמִין, דְּכִתְיִב שְׁבַעַת יְמִים שָׂאֹר לֹא יִמְצָא בְּבֵיתְכֶם, שְׁבַעַת יְמִים, וְלֹא יִתִּיר. א"ל, כֹּל זְמַנָּא דְאִתְחַיִּיב בֵּר נֶשׁ לְאִתְחַזְּאָה גְרַמְיָה בֶן חוּרִין, הִכִּי אֲצִטְרִיךְ, כֹּל זְמַנָּא דְלֹא אִתְחַיִּיב לֹא אֲצִטְרִיךְ.

168. This is comparable to a king who appointed a person to be a minister. He rejoiced and wore clothes of glory all those days that he was being elevated to this level, but afterwards he did not need it. The following year, he observed those days that he rose to this honor and wore those clothes, and he did so each and every year. Similarly with Yisrael, it is written: "Seven days shall there be no leaven found," for they are days of rejoicing, the days that they arose to this honor, and went out of another bondage. Every year, they observe those days when they rose to this honor and went out of another authority and came under holy authority. Therefore, it is written: "Seven days shall you eat unleavened bread."

168. לְמַלְכָּא דְעֵבֵד לְחַד בֵּר נֶשׁ רוֹפְיָנוּס, כֹּל אֵינּוֹן יוֹמִין דְּסִלִּיק לָהּאֵי דְרָגָא, חַדִּי, וְלִבִּישׁ לְבוּשֵׁי יָקָר, לְבַתֵּר לֹא אֲצִטְרִיךְ. לְשְׁתָּא אַחְרָא נְטִיר אֵינּוֹן יוֹמִין דְּסִלִּיק לְיָקִירוּ דָּא, וְלִבִּישׁ אֵינּוֹן לְבוּשִׁין, וְכֵן כֹּל שְׁתָּא וְשְׁתָּא כְּהָאֵי גּוֹנָא יִשְׂרָאֵל, כְּתִיב, שְׁבַעַת יְמִים שָׂאֹר לֹא יִמְצָא, דְּאֵינּוֹן יוֹמֵי חֲרוּתָא, יוֹמִין דְּסִלִּיקוּ לְיָקָרָא דָּא, וְנִמְקוּ מִשְׁעַבְדָּא אַחְרָא. וּבְגִין כֵּךְ, נְטִרִין בְּכֹל שְׁתָּא וְשְׁתָּא, יוֹמִין דְּסִלִּיקוּ לָהּאֵי יָקָר, וְנִמְקוּ מִרְשׁוּתָא אַחְרָא, וְעֲלוּ בְרְשׁוּתָא קְדִישָׁא, וְעַל דָּא כְּתִיב, שְׁבַעַת יְמִים מִצּוֹת תֹּאכְלוּ.

10. Matzah of Judgment

Rabbi Shimon talks about the time that the moon was in a decreased state, when Yisrael had not yet completed the Covenant by the uncovering of the corona. After they were uncovered, God gave them bread from a higher place, from the heavens. Then Yisrael observe those days when they entered under the wings of the Shechinah and guarded the bread, the matzot, that came from its side. The bonds which Rabbi Shimon refers to next are those that join the upper to the lower levels, and in the observance of the sacrifice those bonds are strengthened, as when the lamb is sacrificed.

169. Rabbi Shimon said: Matzat (unleavened bread) is spelled WITHOUT VAV, as, "visions (Heb. mar'ot) of Elohim" (Yechezkel 1:1) IS WITHOUT VAV; THEREFORE, IT ALLUDES TO JUDGMENT. Why were they called Matzat-for their being of Judgment, Holy Judgment, Judgment that is attached to the Holy Name, Judgment that was not strong throughout that time among Yisrael, because the moon was flawed. And since the moon was flawed, it is written: "The bread of affliction" (Devarim 16:3).

170. HE ASKS: What is the reason THAT THE MOON, WHICH IS MALCHUT, was in a waning state? HE ANSWERS: Because they were not uncovered and the holy sign was not revealed. Yisrael were circumcised, but did not uncover the corona. When they did, it is written: "There He made for them a statute and an ordinance, and there He tested him" (Shemot 15:25). And even though we have explained this passage as referring to something else, it was all in context, and it is well.

171. If you wonder that it seems they had to be uncovered in the days of Yehoshua, this was not so. Only those about whom it is written: "But all the people that were born in the wilderness by the way as they came out of Egypt, them they had not circumcised" (Yehoshua 5:5). After they were uncovered, the Holy One, blessed be He, said to them: 'Before, you ate unleavened bread because the moon remained waned, and it was called "the bread of affliction." But from now on, bread will be from a different place', as written: "Behold, I will rain bread from heaven for you" (Shemot 16:4). Not from the moon, WHICH IS MALCHUT, as at that time BEFORE THEY WERE UNCOVERED, but actually from the heavens, WHICH IS ZEIR ANPIN, as is written: "Therefore Elohim give you of the dew of heaven" (Bereshet 27:28).

172. And holy Yisrael observe the days when they came under the wings of the Shechinah and kept the bread that came from its side, NAMELY THE MATZOT, as is written: "And you shall observe the commandment of unleavened bread" (Shemot 12:17). What is the meaning of: "And you shall observe...the unleavened bread?" It is similar to: "And keep My covenant" (Shemot 19:5), WHICH IS THE COVENANT OF CIRCUMCISION. And it all rises and is attached to the same level, AS MENTIONED BEFORE.

173. One may wonder how it could be that Moses did not uncover them BUT LET THEM REMAIN CIRCUMCISED WITHOUT BEING UNCOVERED. HE ANSWERS: In order that Yisrael would not be delayed there until they became healed, HE THEREFORE DID NOT UNCOVER THEM. Pertaining to this, it is written: "Seven days shall you eat unleavened bread with it, the bread of affliction" (Devarim 16:3). Why WAS IT "the bread of affliction"? Because, "for you came forth...in haste" (Ibid.) and SIMILARLY, it is written: "and could not delay" (Shemot 12:39). THEREFORE, THEY WERE NOT UNCOVERED, AND CIRCUMCISION WITHOUT UNCOVERING BRINGS ABOUT THE BREAD OF AFFLICTION.

169. אָמַר רַבִּי שִׁמְעוֹן, מִצַּת כְּתִיב, כַּמַּד"א, מֵרֵאשִׁית אֱלֹהִים. וְלָמָּה אֶתְקָרִי מִצַּת. דִּינָא. דִּינָא קַדִּישָׁא. דִּינָא דְאֵתְאַחֲרָא בְּשֵׁמָא קַדִּישָׁא. דִּינָא דְלֵא הוּא תְּקִיפָא כֹּל הָהוּא זְמַנָּא בְּגוּוּיָהּ דְיִשְׂרָאֵל, דְּהָא קֵימָא סִיְהָרָא בְּפִגְיָמוּתָא. וְעַל דְּקֵימָא סִיְהָרָא בְּפִגְיָמוּתָא, לֶחֶם עָנִי כְּתִיב.

174. Come and behold: when Yisrael came to the Holy Land, they came circumcised and uncovered, and it is written: "A land in which you shall eat bread without scarceness" (Devarim 8:9). And what is "scarceness"? It is "the bread of affliction." And why is it called "the bread of affliction"? This is because the moon, WHICH IS MALCHUT, is waning and is not blessed from the sun, WHICH IS ZEIR ANPIN, and does not shine from the sun, as is written: "For all (Heb. kol) that is in heaven and on earth" (I Divrei Hayamim 29:11), - MEANING THAT KOL ('ALL'), WHICH IS YESOD OF ZEIR ANPIN, IS ATTACHED TO HEAVEN, WHICH IS ZEIR ANPIN, AND TO THE EARTH, WHICH IS MALCHUT, AND RECEIVES FROM THE HEAVENS AND GIVES TO THE EARTH. What is the reason that it did not shine from the Jubilee, WHICH IS BINAH? This is because they did not uncover themselves, AS MENTIONED BEFORE, but now that Yisrael were circumcised and uncovered UPON ARRIVING INTO THE HOLY LAND, it is written: "You shall not lack anything (Heb. kol) in it" (Devarim 8:9), NAMELY, YESOD OF ZEIR ANPIN THAT ILLUMINATES ON MALCHUT AND IS CALLED 'KOL'. What is the reason for: "In which you will not eat bread without scarceness"? It is because "You shall not lack kol in it," the way they did in Egypt.

175. And every year, the children of Yisrael make a memorial to Egypt and eat UNLEAVENED BREAD and have not interrupted this for generations and generations. Because they did not uncover themselves in Egypt, they lacked this "kol," and the moon was waning and is called "the bread of affliction." Affliction MEANS 'poverty', as in the Aramaic translation. The reason they ate the bread of affliction in the Holy Land, EVEN THOUGH THEY HAD ALREADY UNCOVERED THEMSELVES, serves as a remembrance to Egypt. This is a custom for generations and generations. And for the future to come, it is written: "Your sun shall no more set; nor shall your moon withdraw itself" (Yeshayah 60:20), MEANING THAT THE WANING OF THE MOON, WHICH IS MALCHUT, WILL BE NO MORE.

176. We learned that Rabbi Shimon said: It is written, "On the tenth day of this month they shall take..." (Shemot 12:3), and, "Also on the tenth day of this seventh month there shall be Yom Kippur" (Vayikra 23:27). It is derived from what we learned, as written, "on the tenth day of this month." THE ZOHAR WONDERS AND ASKS: What does it mean by this? HE ANSWERS THAT IT ALLUDES TO THE WORDS, "on the tenth." The business OF TAKING THE LAMB comes from the tenth, WHICH IS BINAH THAT SHINES ON MALCHUT, AS MENTIONED. AND THIS IS WHY HE FIRST MENTIONS THE ANALOGY BETWEEN THE TENTH IN THIS CONTEXT AND THE TENTH OF YOM KIPPUR, WHICH IS BINAH. AND HE ASKS: It is written, "of this month," but it should say, 'In this month'. HE ANSWERS: IT IS BECAUSE when the illumination came to this level, WHICH IS MALCHUT, the phrase "of this month"; "OF THE MONTH" is exact, WHICH IS MALCHUT THAT IS CALLED 'MONTH'.

177. "They shall take to them every man a lamb, according to the houses of their fathers, a lamb for a house." We learned that there are three bonds: the firstborn of cattle, the firstborn of the captive, and the firstborn of the maidservant. All the other levels OF THE KLIPAH are connected to these three aspects above. They are all bound to the one called flock, and everything is included in it. IT IS THE HIGHEST LEVEL AMONG THEM. The flock BELOW is connected to the flock ABOVE, and is unable to separate from its bond. SO WE SEE that they are all connected to this, TO THE FLOCK. This is why it is written BY IT: "and you shall keep it" (Shemot 12:6) MEANING bind it with a knot, and it would be given into your hands under your control until you slaughter it and execute Judgment upon it. In the time to come, it is written: "Who is this that comes from Edom?" (Yeshayah 63:1) and: "For Hashem has a sacrifice in Botzrah" (Yeshayah 34:6), MEANING THAT HE WILL DESTROY ALL THE OTHER SIDE FROM THE EARTH. And THEN it is written: "And Hashem shall be king over all the earth. On that day Hashem shall be one and His Name One" (Zecharyah 14:9).

11. Relating the praise of the exodus from Egypt

We hear again about the commandment to remove the leaven from the bread. Then we are told that Yisrael must say the praises of the exodus from Egypt, and when relating that account they will rejoice with the Shechinah in the World to Come. When God hears that praise, His retinue gathers round and rejoices and praises Him, and then His strength and power are increased above. Just as it is important for a person to relate the miracles of God, it is important for him to relate his own sins; this is because when a person enumerates every one of his sins beforehand, he leaves no open issue for the Accuser to exploit when standing before God to seek retribution. If the person repents, all will be well, but if he does not, the Accuser will return and demand judgment. Lastly, we hear again of the commandment to eat matzah on Passover because it is a remembrance for generations and generations of the secret of the Faith.

Ra'aya Meheimna (The Faithful Shepherd)

178. "And the people took their dough before it was leavened" (Shemot 12:34). This (25th) commandment is to remove the leaven. For this commandment was given over to Yisrael: "And the people took up and carried their dough before it was leavened," and: "shall there be no leaven found in your houses" (Ibid. 19). The friends have already explained it, and we have explained the secret meaning of the difference between leavened and unleavened bread OF THE EXODUS FROM EGYPT in many places - that one is the Evil Inclination and the other is the Good Inclination.

179. The following (26th) commandment is to relate the praise of the exodus from Egypt, which is incumbent upon every person always to relate these praises. We have explained that every person who relates the exodus from Egypt and rejoices when relating that account is destined to rejoice with the Shechinah in the World to Come, which is joy from all sides. For such is a person who rejoices in his Master, and the Holy One, blessed be He, rejoices in his story.

רעיא מהימנא

178. וישא העם את בצקו טרם יחמץ וגו'. כ"ה פקודא דא, לבער חמץ. דהא פקודא דא, אתמסר להו לישראל וישא העם את בצקו טרם יחמץ. וכתיב שאור לא ימצא בבתיכם, והא אוקמוה חבריא, ורזא אוקימנא, בין חמץ ומצה דכמה דוכתי, דא יצר רע, ודא יצר טוב.

179. כ"ו פקודא בתר דא, לספר בשבחה דיציאת מצרים, דאיהו חיובא על בר נש, לאשתעי בהאי שבחה לעלמין. הכי אוקימנא, כל בר נש דאשתעי ביציאת מצרים, ובההוא ספור חדי בחודה, זמין איהו למחדי בשכינתא לעלמא דאתי דהוא חדו מפלא, דהאי איהו בר נש דחדי במריה, וקודשא בריך הוא חדי בההוא ספור.

180. At that time, the Holy One, blessed be He, gathers His whole retinue, and says to them: 'Go and listen to the account of My excellency that My children are relating, rejoice in My redemption.' At that time, they all gather and come and join with Yisrael to hear the story of the praise. They rejoice with the joy of the deliverance by their Master, and come to thank and praise the Holy One, blessed be He, for all these miracles and mighty deeds, and thank Him for the Holy Nation that He has on earth that rejoices in the joy of the deliverance of their Master.

181. Then His strength and power are increased above. By their recounting, the children of Yisrael give power to their Master, like a king whose strength and power are increased when his strength is praised and he is acknowledged. All fear him and his glory rises above all of them. Therefore, it is incumbent to praise and relate this story, as we learned. Similarly, it is the duty of every person to relate before the Holy One, blessed be He, and publicize the miracle among all these miracles that He did.

182. One may ask why it is obligatory TO RELATE THE MIRACLES; does not the Holy One, blessed be He, know everything, everything that was and will be in the future? And wherefore this publicity before Him of what He did, if He knows? HE REPLIES: BUT surely one has to make the miracle known and relate before Him all that He did, because these words ascend and all the company above gather and see them, and give thanks before the Holy One, blessed be He, and His glory rises over them above and below.

183. It is the same with he who relates and enumerates his sins, of everything that he did. If you ask why this is necessary, it is because the Accuser is constantly before the Holy One, blessed be He, in order to recount and seek retribution for the sins of people, and to demand Judgment against them. However, when the person enumerates each and every one of his sins beforehand, he does not leave any pretext to the Accuser to exploit. And the Accuser can not demand any Judgment against him, for he always demands Judgment first, and afterwards enumerates and accuses. Therefore, the person should take his own initiative before the Accuser and enumerate his own sins.

184. As soon as the Accuser sees this, he has no pretext to complain against him, and then takes leave from him entirely. If he repents, well, but if not, the Accuser rests on him and says: 'So and so who came before you AND CONFESSED unashamedly, he kicked his Master, his sins are such and such.' Therefore, it is advisable that a person be careful in all this, so that he should be considered a faithful servant before the Holy One, blessed be He.

185. The following (27th) commandment is to eat Matzah on Pesach (Passover), because it is a remembrance for generations and generations of the secret of the Faith. It has been explained that Yisrael went out at that time from the secret of other Elohim and came into the secret of Faith. This secret has been explained in many places.

185. כ"ז פְּקוּדָא בְּתַר דָּא, לְאִכּוֹל מַצָּה בְּפֶסַח, בְּגִין דְּאִיהוּ דּוּכְרָנָא לְדַרְי דְרִין, עַל רְזָא דְמְהֵימְנוּתָא. וְהָא אוֹקְמוּהָ, דִּישְׂרָאֵל נִפְקוּ בְּהָהוּא זְמַנָּא מֵרְזָא דְטַעוּן אַחֲרָן, וְעָלּוּ בְּרְזָא דְמְהֵימְנוּתָא. וְהָא אוֹקְמוּהָ רְזָא דְנָא בְּכַמְהָ דּוּכְתֵי.

12. The Pascal sacrifice

The ordinance of the Passover is to slaughter the sacrifice at twilight of the fourteenth day of Nissan as a remembrance of the Passover in Egypt. The moon becomes complete on the fifteenth day, and the sacrifice should be slaughtered at twilight of the fourteenth day because that is the time that Judgment hangs over the world. The main part of the commandment is to gain pleasure from the scent that spreads from the roasting over the fire. Only one who is circumcised can eat of it. At the time when God came to Egypt and saw the blood marked on the entrances of the houses of Yisrael, the people used hyssop to spread the blood, since hyssop removes evil spirits and any aspect of a bad odor because it arouses the supernal Redemption of Yisrael. In the time to come, God will slaughter the Evil Inclination. Because God slew all the firstborn of the Egyptians, He obligated all the firstborn of Yisrael to redeem themselves, and He guarded them against everything. Scripture says, about the sacrifice, "Neither shall you break a bone of it", because the bones were the deities of the Other Side, and the children of Yisrael threw them out in contempt to express their contempt for the Egyptian deities.

186. "And Hashem said to Moses and Aaron, "This is the ordinance of the Passover" (Shemot 12:43). This (28th) commandment is to slaughter the Passover at twilight of the fourteenth day of Nissan, a remembrance to the Passover in Egypt. And this is incumbent upon everyone, as it is written: "And the whole assembly of the Congregation of Yisrael shall kill it towards evening" (Ibid. 6).

186. וַיֹּאמֶר יי' אֶל מֹשֶׁה וְאַהֲרֹן זֹאת חֻקַּת הַפֶּסַח וְגו'. כ"ח פְּקוּדָא דָא, לְמַשְׁחַט פֶּסַח בֵּין הָעֶרְבִים, בִּי"ד בְּנִיסָן, דּוּכְרָנָא דְהָהוּא פֶּסַח דְּמִצְרַיִם. וְדָא אִיהוּ חוּבְתָא עַל כֻּלָּא, בְּמָה דְאֲתָא אָמַר, וְשַׁחֲטוּ אוֹתוֹ כֹּל קְהַל עַדְת יִשְׂרָאֵל בֵּין הָעֶרְבִים.

187. This Pascal sacrifice has to be kept since the tenth day of the month, as is written: "On the tenth day of this month, and they shall take..." (Shemot 12:3). What is the reason? It is because that is when the moon starts to shine, from the tenth day and further until it becomes full on the fifteenth day. It should be slaughtered on the fourteenth day at the time that Judgment is impending over the world, NAMELY AT TWILIGHT.

187. פֶּסַח דָּא, אֲצַטְרִיךְ לְמַהוּי נְטִיר, מַעֲשֵׂרָה יוֹמִין וּלְהֵלָאָה, דְּכְתִיב בְּעֶשׂוֹר לַחֲדָשׁ הַזֶּה וַיִּקְחוּ לָהֶם וְגו'. מֵאִי טַעְמָא. בְּגִין דְּהָא כְּדִין שְׂרִיאת סִינְהָרָא לְאַנְהָרָא, מַעֲשֵׂרָה יוֹמִין וּלְהֵלָאָה, עַד דְּאֲשַׁתְּלִים בְּחַמִּיסָר. וְאַרְבִּיסָר דְּלִיהוּי נְכִיס, בְּשַׁעֲתָא דְרִינָא תְלִיא עַל עֲלָמָא.

188. The meaning behind this is to remove the foreskin from before the Holy Covenant and to gain pleasure from the scent that spreads from the meat roasted on fire, MEANING THE MAIN PART OF THE COMMANDMENT IS TO ENJOY ITS SCENT. Its purpose is only satiation, THEN ONE DOES NOT NEED TO EAT ANYMORE.

Therefore, "no uncircumcised person shall eat of it" (Ibid. 48) but one who has the holy covenant may eat of it. This is because he of the members of the covenant breaks the power of the Other Side, and removes the foreskin from the covenant. Therefore, it must be done by members of the covenant and not by uncircumcised ones.

189. When the Holy One, blessed be He, came to Egypt, He saw how the blood of the Passover that was marked on the entrance and the blood of the circumcision were on the door, as is written: "And take a bunch of hyssop, and dip it in the blood that is in the basin, and touch with it..." (Shemot 12:22). We have explained that hyssop removes evil spirits and any aspect of a bad odor when it is operative for the supernal redemption of Yisrael.

190. In the future to come, the Holy One, blessed be He, will come upon the Evil Inclination and slaughter it. By this redemption FROM EGYPT, it is written: "and the whole assembly of the Congregation of Yisrael shall kill it," for it is a token of remembrance for the time to come of the supernal redemption THAT IS HIGHER THAN THE ONE FROM EGYPT.

191. "The lintel and the two side posts..." They marked the letter Yud ON THE DOOR POSTS. They marked the letter Yud ON THE LINTEL to show THROUGH THEM the mark of the holy covenant, WHICH IS THE YUD, and the foreskin was broken before the blood of the covenant that was marked on all. And blood came upon blood, NAMELY THE BLOOD OF THE PASCAL SACRIFICE ON THE BLOOD OF THE CIRCUMCISION. When the Destroyer passed, he would see blood and distance himself from the house, as is written: "And will not allow the Destroyer..." (Shemot 12:23)

192. HE ASKS: If the Holy One, blessed be He, Himself was killing, why is it written: "And will not allow the Destroyer," which implies that the Destroyer was doing it and not the Holy One, blessed be He. HE ANSWERS: Assuredly the Holy One, blessed be He, alone was carrying out the killing and the Destroyer was seeking to find a pretext against Yisrael TO ACCUSE THEM. As soon as he saw the breakage of the foreskin in two aspects, BY THE BLOOD OF THE PASSOVER AND THE BLOOD OF CIRCUMCISION, he would flee and leave them.

193. Because the Holy One, blessed be He, slew all the firstborns of that side, He obligated the firstborn of Yisrael to redeem THEMSELVES so that the Other Side will find no pretext against them. The Holy One, blessed be He, guarded them against everything, like a father over children.

188. רָזָא דָא, לְאַעְבְּרָא זוּהֵמָא, מְקַמֵי בְרִית קְדִישָא, וְלֹאֲתַהֲנָא בְּהוּא רִיחָא דְנִדְיָה טוּי נֹור. וְעַל דָא לֹא אֲתִיָא אֲלֵא עַל שְׁבַעָא. וְעַל דָא, וְכַל עַרְל לֹא יֵאכַל בּוּ. מֵאֵן דְאִית בֵּיה בְרִית קְדִישָא, יִיכּוּל בֵּיה. מֵאֵן דְלֹא אִית בֵּיה בְרִית קְדִישָא, לֹא יִיכּוּל בֵּיה. דְהֵאֵי מְבַנֵי בְרִית אִיהוּ לְתַבְרָא תּוּקְפֵא דְחִילָא אַחְרָא, לְאַעְבְּרָא עַרְלָה מְקַמֵי בְרִית. בְּגִין כֵּן, הֵאֵי בְבַנֵי בְרִית אִיהוּ לְמַעַבְד, וְלֹא בְבַנֵי עַרְלָה.

194. "In one house shall it be eaten, you shall not take any of the meat outside, out of the house" (Shemot 12:46). This (29th) commandment is to eat the Passover with Matzot and bitter herbs. Matzot is spelled without a Vav. HE ASKS: What is MATZOT with regard to BITTER HERBS, THAT THE VERSE OBLIGATED TO EAT THEM TOGETHER? HE ANSWERS: It is only to show the exile of the Shechinah with Yisrael in their bitterness, as written: "And they made their lives bitter with hard bondage..." (Shemot 1:14). When the Pascal sacrifice is eaten, it shows everything that was done to them in Egypt in that exile and that bondage. THEREFORE, IT IS EATEN WITH MATZOT AND BITTER HERBS.

195. What is the meaning of: "Neither shall you break a bone of it" (Shemot 12:46)? To show contempt to it, and all the deities of Egypt because the unbroken bones were thrown out to the marketplace and dogs would come and drag them from place to place. This was the most difficult thing for them, because the bones put the body in order and resemble another side, NAMELY THEIR OTHER DEITIES. The children of Yisrael cast them out into the marketplace in contempt. Therefore, it is written: "Neither shall you break a bone of it." You must not break them, but dogs came and broke them.

196. IT CAN also BE EXPLAINED: the Egyptians came afterwards and saw the dogs dragging these bones from place to place and breaking them. The Egyptians would bury them in the ground so that the dogs could not find them, which was the greatest obliteration of their idols on their side. The Holy One, blessed be He, was elevated in His glory by this. And all the other powers OF THE IDOLS were subdued. When the subjugation of the idols is from their own side, it is even more profound, NAMELY WHEN THEY BURIED BONES OF THEIR IDOLS IN THE EARTH. Therefore, it is not Yisrael that voided them, as written: "Neither shall you break a bone of it."

13. "Sanctify to Me all the firstborn"

We are told that most people are under the domination of both the Evil Inclination and the Good Inclination. The average person should wish for two things: to be redeemed from the domination of the Evil Inclination, and to ascend to the level of Adam. Rabbi Shimon tells us how Gavriel, the Good Inclination, wrestles with man before he is born and teaches him seventy languages, and how the Evil Inclination causes him to forget the seventy languages. A man's merits and sins are always wrestling to wage war within him. Four angels descend with a man: if he has ancestral merit then they are Michael, Gavriel, Nuriel and Refael, and the Good Inclination stands above him; if he has no merit then they are the four angels of destruction - Sin, Destroyer, Anger and Fury - and the Evil Inclination stands above him to judge him in the World to Come. This is why both Gavriel and Samael judge the average person. Every person has the four elements Fire, Air, Water and Earth, but according to which of these elements is first, a different angel comes first. Next we learn of the four aspects Lion, Ox, Eagle and Adam of the right and left sides, and we are told about the characteristics of those men who are under each aspect and how they differ depending on whether they do or do not study Torah. We read that the Master Scholars of the Mishnah declared: A person should always view himself as if the whole world depends on him, because he can tip the balance. Rabbi Shimon closes by saying that every living creature is marked with the letters of the Holy Name, in order to recognize who created it.

197. "Sanctify to Me all the firstborn, whatever opens the womb..." (Shemot 13:2). This commandment is to sanctify the firstborn of the animals. A common person needs two things. He should be redeemed from under the power of the Evil Inclination, which is his master. As Jacob said to Esau, "Let my master, I pray you, pass over before his servant" (Beresheet 33:14), MEANING in this world HE IS the master because of the many sins upon the body. As we explained, the Evil Inclination judges the wicked, and the Good Inclination judges the righteous. The average man is judged by both; an average man is a brother of the Evil Inclination and a brother of the Good Inclination, AS IS WRITTEN: "My brother; keep what you have to yourself" (Ibid. 9).

198. And when the merits are numerous, the wind breaks two of the watches OF THE NIGHT, WHICH ARE a braying donkey and barking dogs, and rises to the THIRD watch of the dawn wherein there is man, THAT IS, A WIFE CONVERSING WITH HER HUSBAND. Man again becomes master OVER ALL THE CREATURES. This is the meaning of: "And I have oxen, and asses, flocks, and menservants, and womenservants" (Beresheet 32:6). He ascends to the level of man, of which it says: "And have dominion over the fish in the sea, and over the birds of air..." (Beresheet 1:28) as well as: "And the fear of you and the dread of you..." (Beresheet 9:2). THIS IS THE SECOND THING THAT A COMMON PERSON SHOULD STRIVE FOR.

199. When there is an average amount of merits: "And there wrestled a man with him" (Beresheet 32:25), MEANING that the merits and sins wrestle in war. From the side of the merits, IT IS WRITTEN: "And when he saw that he did not prevail against him" (Ibid. 26). From the side of the sins, IT IS WRITTEN: "he touched the hollow of his thigh," in the sinew of the thigh (Heb. nashe)." "Nashe" is derived from: "For Elohim has made me forget (Heb. nashani) all my toil" (Beresheet 41:51). It is a term of forgetfulness, which is one compartment of the seven lands. Whoever descends there forgets his knowledge.

200. Before a person comes to this world and emerges from his mother's womb; "And there wrestled a man with him," that is Gavriel. "AND THERE WRESTLED (HEB. VAYE'AVEK)" MEANS in the dust (Heb. avak) of earth, as is written: "And Hashem Elohim formed (Heb. vayyitzer) man of the dust of the ground" (Beresheet 2:7). SO WE FIND THAT MAN IS EARTH AND THE DUST OF THAT EARTH IS THE EVIL INCLINATION, AND GAVRIEL IS THE GOOD INCLINATION WHO BATTLES WITH THE EVIL INCLINATION CALLED 'DUST'. He teaches him seventy languages. Therefore, "vayyitzer" IS SPELLED WITH TWO YUDS, one YUD corresponds to the Good Inclination, WHICH IS GAVRIEL, who taught him seventy languages, and one YUD corresponds to the Evil Inclination who wrestled with him, as written: "Because he touched the hollow of Jacob's thigh in the sinew of the vein" (Beresheet 32:33). And he caused him to forget the seventy languages which the Good Inclination taught him.

201. Before all this, four angels descended with him, as is written: "For He shall give His angels charge over you" (Tehilim 91:11). If he has ancestral merit, THEN one is Michael by the merit of Abraham, the second is Gavriel by the merit of Isaac, the third who descends with him is Nuriel by the merit of Jacob and the fourth is Refael by the merit of Adam. And the Good Inclination is above him.

197. קִדַּשׁ לִי כָל בְּכוֹר פֶּטֶר רַחֵם וּגּוֹ'. פְּקוּדָא דְא לְקַדְּשׁ בְּכוֹר בְּהֵמָה, וְעַם הָאָרֶץ צְרִיךְ תְּרִין מִילִין, חֵד דִּיהָא פְּדוּי מִתַּחַת שְׁלִטְנוּתָא דִּינִצְר הָרַע, דְּאִיהִי אֲדוֹן הִילִיָּהּ, בְּגוּוּנָא דְאִמֵּר יַעֲקֹב לְעֶשָׂו, יַעֲבֹר נָא אֲדָנִי לִפְנֵי עַבְדִּי. בְּהָאֵי עֲלָמָא. אֲדוֹן מִצַּד חוּבִין דְּנַפְשִׁין עַל גּוּפָא, כְּמָה דְאִוְקְמוּהָ, חַיִּיבָא, יַצַּר הָרַע שׁוֹפְטוּ. זְכָאָה, יַצַּר הַטּוֹב שׁוֹפְטוּ. בִּינוּנֵי זֶה וְזֶה שׁוֹפְטוּ. בִּינוּנֵי, הֵינּוּ אַח דִּינִצְר הָרַע, וְאַח דִּינִצְר הַטּוֹב, אַחֵי יְהִי לָךְ אֲשֶׁר לָךְ.

200. וְקִדְּם דִּינִתִּי בֵּר נֶשׁ בְּהָאֵי עֲלָמָא וַיְפּוֹק מִרְחֵם אֲמִיָּה, וַיֵּאבֶּק אִישׁ עִמּוֹ, דָּא גְבַרְיָאֵל, בְּהֵוָא אָבֶק דְּעַפְרָא, דְּאִתְמַר וַיִּצְר יְיָ אֱלֹהִים אֶת הָאָדָם עַפְרָא מִן הָאֲדָמָה, וְאוֹלִיף לִיה שְׁבַעִים לְשׁוֹן. וּבג"ד, וַיִּצְר: חֵד יַצַּר הַטּוֹב, דְּאוֹלִיף לִיה שְׁבַעִים לְשׁוֹן. וְחֵד, יַצַּר הָרַע דְּאָבִיק עִמִּיה. דְּאִתְמַר, כִּי נִגַע בְּכַף יָרֵךְ יַעֲקֹב בְּגִיד הַנֶּשֶׂה, וְאִשְׁכַּח מִנִּיה שְׁבַעִין לְשׁוֹן, דְּאוֹלִיף לִיה יַצַּר הַטּוֹב.

201. וְקִדְּם כָּל דָּא, נַחְתִּין עִמִּיה אַרְבַּעָה מְלָאכִין, דְּאִתְמַר בְּהוֹן כִּי מְלָאכִין יַצְוָה לָךְ. אִי אֵיַת לִיה זְכוּת אָבוֹת, חֵד מִיכָאֵל, בְּזְכוּת אַבְרָהָם. וְתַנְיִנָא גְבַרְיָאֵל, בְּזְכוּת יַצְחָק. וְתַלִּיתָא דְנַחֲיַת עִמִּיה נוּרִיָאֵל, בְּזְכוּתָא דִיעֲקֹב. וְרַבִּיעָא רְפָאֵל, בְּזְכוּתָא דְאָדָם קְדָמָא. וַיִּצְר הַטּוֹב לְעִילָא מִנִּיה.

202. If he has no merit, then four ANGELS OF DESTRUCTION accompany him: Sin, Destroyer, Anger and Fury. And the Evil Inclination is over them to judge him in the World to Come. Therefore, they explained that a wicked person is judged by the Evil Inclination, a righteous person is judged by the Good Inclination and an average man is judged by both. Therefore, if he is an average person, both Gavriel, who is the Good Inclination, and Samael, the Evil Inclination, judge him.

203. For every person who has in him the four elements - FIRE, AIR, WATER, EARTH - four angels descend with him to his right and four to his left. The four on the right ARE Michael, Gavriel, Refael and Nuriel, while the four on the left are Sin, Destroyer, Anger and Fury. And on the side of the body, Metatron descends upon him on the right and Samael on the left.

204. There is no person that does not have the four elements - FIRE, AIR, WATER, EARTH - but the four elements line after the preceding element. If his sign is Lion, WHICH IS CHESED, Michael comes first, followed by Gavriel, Nuriel and Refael. If his sign is Ox, WHICH IS GVURAH, Gavriel precedes followed by Michael, Nuriel and Refael. If his sign is Eagle, WHICH IS TIFERET, Nuriel precedes, then Michael, Gavriel and finally Rafael. If his sign is man, WHICH IS MALCHUT, Rafael precedes, followed by Michael, Gavriel and Nuriel.

205. All FOUR aspects - LION, OX, EAGLE, MAN - of those on the right side, which is the aspect of Michael, are of Mercy. Such men perform charitable deeds and have a pale face. Such a man is charitable, pious and wise if he is occupied with Torah. If he does not OCCUPY HIMSELF WITH TORAH, he is the opposite, coming from the side of the Evil Inclination. He is a thief, a fool and has no kindness because 'an unlearned person cannot be pious'.

206. From the side of Gavriel, WHICH IS LEFT, his four faces - OX, LION, EAGLE, MAN - are Judgment, namely the quality of Judgment against the wicked, and he provokes them as we have explained that it is permitted to provoke the wicked in this world. He prevails against his inclination, and fears sins. He will be a magistrate if he is occupied in Torah, and excels in his study. Conversely, if he is from the side of the Evil Inclination, he provokes the righteous to punish them heavily, and he will exceed in committing transgressions. He does not fear sin, his face is reddish and he spills blood LIKE Esau.

202. ואי לית ליה זכות, אזלי עמיה ד', עון, משחית, אף, וחומה, ויצר הרע לעולא מנייהו, למידן ליה לעלמא דאתי. ובגין דא אוקמוה, רשע, יצר הרע שופטו. צדיק, יצר הטוב שופטו. בינוני, זה וזה שופטו. ובגין דא, אי איהו בינוני, גבריאל דאיהו יצר הטוב, וסמאל דאיהו יצר הרע, זה וזה שופטו.

203. דלכל בר נש דאית ביה ארבע יסודין, ארבע מלאכים נחתין עמיה מימינא, וארבע משמאלא. ארבע מימינא: מיכאל, גבריאל, רפאל, נוריא. וארבע משמאלא: עזרא, משחית, אף, וחמה. מסטרא דגופא, מטטרוין נחית עליה מימינא, וסמאל משמאלא.

204. ולית בר נש דלית ביה ארבע יסודין, אבל כפום יסודא דאקדים ביה, הכי מתחילין אלין ארבע. אי מזל דיליה אריה, אקדים מיכאל, ואבתריה גבריאל ואבתריה נוריא, ואבתריה רפאל. ואי מזליה שור, אקדים גבריאל, ואבתריה מיכאל, ואבתריה נוריא, ואבתריה רפאל. ואי מזליה נשר, אקדים נוריא, ואבתריה מיכאל, ואבתריה גבריאל, ואבתריה רפאל. ואי מזליה אדם, אקדים רפאל, ואבתריה מיכאל, ואבתריה גבריאל, ואבתריה נוריא.

205. ואינון מסטרא דימינא, מסטרא דמיכאל, כלהו אנפין דיליה, אינון רחמי, בעל גמילות חסדים, אנפוי חוורין, והאי בר נש גמיל חסד. חסיד, וחכם, אי אשתדל באורייתא. ואי לאו, בהפך, מסטרא דיצר הרע, גולן, טפש, לית ביה חסד. דלא עם הארץ חסיד.

206. מסטרא דגבריאל, ארבע אנפין דיליה דינא, מדת הדין על רשיעיא, ומתגרה בהו, כמה דאוקמוה, מותר להתגרות ברשעים בעולם הזה. גבור ביצריה, ירא חטא, דיין יהא, אי יתעסק באורייתא, וגבור בתלמודיה. בהפוכא מסטרא דיצר הרע, מתגרה בצדיקא, דינא קשה לון, גבור בעבירה, למעפד ליה, לאו דחיל חטאה הוא, וגוונין דאנפוי סומקין, עשו שופך דמים.

207. One whose sign is Eagle, WHICH IS OF THE CENTRAL COLUMN, is neither excessively compassionate nor has an excess of the quality of Judgment, but is rather intermediate in his Good Inclination and in his good traits, and intermediate in his Evil Inclination and in bad traits. His face is both pale and reddish.

208. One whose sign is man, WHICH IS MALCHUT, incorporates from the good side every good trait; he is pious, wise, mighty in the Torah, fears sin, full with many good qualities and his face will be blackish. If he is of the side of the Evil Inclination, he will be full of all kinds of bad traits.

209. If the sins of a person are in the majority, then all the legions of the Evil Inclination have power over him until all the legions of the Good Inclination leave him. He causes Samael and all his legions to reign over his limbs.

210. If his merits are in the majority, then the legions of the Good Inclination dominate him until all the legions of the Evil Inclination leave him. He causes the legions of the Good Inclination to reign over his limbs. At that time, the name of Yud-Hei-Vav-Hei rules over him.

211. If he is average, then the hosts of heaven stand by him on his right and on his left, some urge him toward the right to merit and others urge towards the left towards sin, and whichever is stronger prevails. Therefore the sages of the Mishnah declared: A person should always view himself as if the whole world depends on him, MEANING THAT HE SHOULD CONSIDER HIMSELF AS AVERAGE PERSON AND THAT THE WHOLE WORLD IS AVERAGE. IF HE PERFORMS ONE GOOD DEED, HE TIPS THE SCALE FOR HIMSELF AND THE WHOLE WORLD TOWARDS MERIT. IF HE COMMITS ONE SIN, HE TIPS FOR THE SCALE FOR HIMSELF AND FOR THE WHOLE WORLD TOWARDS GUILT.

212. From the side of Michael, man is called 'firstborn' whose level is white silver, WHICH ALLUDES TO CHESED. Therefore, the redemption of the firstborn son is by silver, five Selas, like the numerical value of Hei (=five) of Abraham. For if he grows wise with Torah, Yud will be added to him, which is holy, NAMELY CHOCHMAH, with which one should make holy the firstborn of cattle; namely, "Yisrael is holy to Hashem" (Yirmeyah 2:3). He needs this to tithe newborns, for each baby is from the side of the son of Yud-Hei, who is Vav, NAMELY TIFERET.

213. All animals, which are the holy living creatures, are named after the letters of the Holy Name. This is the meaning of: "Every one that is called by My Name: for I have created him for My glory" (Yeshayah 43:7). Even all the creatures were created with THE LETTERS OF THE HOLY NAME, and there is no creature that is not marked with this name, in order to recognize who created it. This Yud OF THE NAME YUD-HEI-VAV-HEI is the shape of the head of every creature. Hei-Hei OF THE NAME are the shapes of the five fingers of the right HAND and five of the left HAND. Vav is the shape of the body.

207. מאן דמזליה נש"ר, לאו רחמן סגי, ולא מדה הדין סגי, אלא בינוני, ביצר טוב במדת טבין דיליה, ובינוני ביצר רע במדות בישין, וליה אנפין חורין וסומקין.

208. מאן דמזליה אדם, מסטרא דטוב, כליל מכל מדות טובות, חסיד, וחכם, וגבור בתורה, ירא חטא, ממולא בכל מדות טבין, וגון אנפוי אוקמין. ומסטרא דיצר הרע, ממולא מכל מדות בישין.

209. ואי חובוי דבר נש, נפישין שלטין עליה כל משריין דיצר הרע, עד היסתלקו מניה בלהו משריין דיצר טוב, ואמליך על אברין דיליה, סמא"ל וכל משרייתיה.

210. ואי נפישין זכווי, שלטין משריין דיצר הטוב, עד היסתלקו מניה כל משריין דיצר הרע. ואמליך על כל אברין דיליה, משריין דיצר הטוב, בההוא זמנא, שליט עליה שם ידו"ד.

211. ואם הוא בינוני, צבא השמים עומדים עליו מימינו ומשמאלו, אלין מיימינים לזכות, ואלין משמאילים לחובה, ומאן האלים גבר. ובגין הא אוקמוה מארי מתניתין, לעולם יראה אדם עצמו כאילו כל העולם כולו תלוי בו.

212. ומסטרא דמיכאל, אתקרי בכור, דדרגיה כסף חורג, ובגין הא, פדיון הבכור כסף, ה' סלעים, כחושפן ה' דאברהם, דאי יחכים בתורה יתוסף עליה י', דאיהו קדש, דביה צריך לקדש בכור בהמה, דהיינו קדש ישראל לוי'. וביה צריך לעשר ולדות, דכל ולד איהו מסטרא דבן י"ה, ואיהו ו'.

213. דכל חיון דאינון חיות הקודש, באתון השמא קדישא אתקריא, הדא הוא דכתוב, כל הנקרא בשמי ולכבודי בראתיו. אמילו כל ברין דאתבריאו בהון, ולית בריאה דלא אתרשים בהאי שמא, בגין לאשתמודעא למאן דברא ליה, והאי יו"ד, איהו דיוקנא דרישא דכל ברין. ה' ה': דיוקנא דה' אצבעאן דימינא, וה' השמאלא. ו' דיוקנא דגופא.

14. "For you saw no manner of form"

The discussion here turns around the verse, "'To whom then will you compare Me, that I should be equal,' says the Holy One." We learn that when the illumination of Malchut descends and spreads to people, then God appears to every individual according to their vision and imagination. It is prohibited to make Him out as a form or image at all. After He created the Chariot of supernal Adam, He is called by the ten Sfirot, so that men could grasp His essence by way of His attributes. However, one must not compare Him even to one of His own aspects. When His domination rises above those aspects, there is no way of comprehending His image. This is like the sea, where the waters have no shape or form, but only gain their form by way of the vessel, which is the earth. Rabbi Shimon tells us about the vessel Binah that is divided into seven streams; there is a source, a spring, a sea and seven streams which equal ten. If the vessels were broken, however, the water would return to its source and the broken vessels would remain dry. God called Himself "endless" because there is no end to the welling forth of the light from Keter, the source of His ten Sfirot - and there is no vessel by which one can give Him any form, so He cannot be known. We also learn of the vessels He made called Wisdom and Understanding. Rabbi Shimon explains that Wisdom only exists when a Wise Man fills it with his own welling forth, and the same is true for Understanding. He describes how God called Himself by the qualities of His Sfirot. While He can increase or decrease all the vessels, there is no one over Him who can increase or decrease Him. We read of the servants, the throne, and the angels that He created, and are told that the faith of the Egyptians in their god was broken when they saw that he was merely a horse under the Chariot of God. Again the importance of repentance is emphasized by Rabbi Shimon.

214. This is the reason it says, "'To whom then will you liken Me, that I should be his equal,' says the Holy One" (Yeshayah 40:25). There is no creature that is equal to Me, and even though I created it in the form of My letters, I can erase this form and form it AGAIN many times. There is no other deity that can erase My form.' Therefore it says, "For their rocks is not as our Rock, even our enemies being judges" (Devarim 32:31).

215. One may ask, is it not written: "For you saw no manner of form" (Devarim 4:15)? HOW CAN WE ATTRIBUTE TO HIM LETTERS AND NAMES? He will answer that this image that I saw is analogous to the meaning of: "And the similitude of Hashem does he behold" (Bemidbar 12:8), WHICH REFERS TO THE SFIRAH OF MALCHUT, and to no other image that He created and formed with letters. Therefore He said, "'To whom then will you like Me, that I should be his equal,' says the Holy One," and "To whom then will you liken El, or what likeness will you compare to Him" (Yeshayah 40:18).

216. Even this image, WHICH IS IN MALCHUT, does not belong in the place OF MALCHUT, but rather only when THE LIGHT OF MALCHUT descends and spreads to the creatures, TO RULE OVER THEM. Then it appears to them, to every individual, according to their vision and imagination, MEANING ONLY IN THE RECEIPIENTS THEMSELVES, BUT NOT THE ESSENCE OF MALCHUT. And this is: "and used similes by the means of the prophets" (Hoshea 12:11).

217. Therefore THE HOLY ONE, BLESSED BE HE, says to them: 'Even though I am like you in your forms,' MEANING IN VISION AND LIKENESS, 'still in all: "To whom then will you liken Me, that I should be his equal." Before the Holy One, blessed be He, created an image in the world and BEFORE He formed a form, the Holy One, blessed be He, was alone in the world, without a form or likeness. For one who conceives Him before the grade of Briyah, WHICH IS BINAH when He is without any form, must not make any form or image in the world - neither with the letter Hei nor with the letter Yud, or even to call Him by the Holy Name or any letter of dot. This is why the Torah says: "For you saw no manner of form," MEANING you did not see anything with a form or likeness.

218. After He made that image of the Chariot of supernal man, He descended AND WAS ATTIRED there. In him, He is named by the form of THE FOUR LETTERS Yud-Hei-Vav-Hei, NAMELY THE TEN SFIROT - KETER, CHOCHMAH, BINAH, TIFERET AND MALCHUT-so people could grasp Him by way of His attributes, WHICH ARE THE SFIROT in each and every attribute. He was called El, Elohim, Shadai, Tzva'ot, Ehe'yeh, in order that they could recognize Him in each and every attribute, and how He rules the world with Chesed and Judgment according to the actions of the people. If His Light had not spread over all the creatures, how would they recognize Him and how would this be fulfilled: "The whole earth is full of His glory" (Yeshayah 6:3)?

219. Woe to anyone who compares Him to any attribute, even to one of His own attributes, and certainly not to humans "whose foundation is in the dust" (Iyov 4:19), who are perishable and worthless. But the likening THAT WE EMPLOY is only according to His power over that aspect, or even ACCORDING TO HIS DOMINATION over all the creatures. There is no LIKENING above that attribute, and when HIS POWER goes up from THAT ATTRIBUTE, there is no attribute, likeness or form to Him.

220. This is like the sea. For the water of the sea that flow from it has no conceivable shape or form. But by the expansion of the sea water over the vessel, which is the earth, it gains a form, and we can then calculate - NAMELY the source of the sea is one. A spring emerges from it, according to its expansion in a round vessel, which is a Yud. SO WE HAVE TWO FORMS, the source is one, and the spring that emerges from it is second. THE SOURCE IS THE SECRET OF KETER, AND THE SPRING IS THE SECRET OF CHOCHMAH.

221. Afterwards He made a large vessel, similar to a large excavation, which was filled with the water that flowed from the spring. This vessel is called 'sea'. It is the third vessel, NAMELY BINAH, and that large vessel divides into seven streams. The water spread from the sea to the seven streams as into long receptacles. And so there is a source, a spring, a sea and seven streams, which amount to ten. If the Craftsman will break these vessels that He has fashioned, the water will return to the source and the broken vessels will remain dry without water.

222. So the Cause of Causes made ten Sfirot and called Keter the source, and there is no end to the welling of its light. Therefore, He called Himself "endlessness," and He has no likeness or image. There is no vessel there able to conceive Him or have any knowledge of Him at all. Therefore, it has been said of Him, 'Do not seek that which is inconceivable to you nor search that which is hidden from you'.

223. Afterwards He made a small vessel that is the Yud. It was filled from THE SOURCE, and He called it 'a spring welling wisdom. He called himself in it Wise, and the vessel He called Chochmah ('Wisdom'). Then, He made a large vessel and called it 'sea'. He called it Binah ('Understanding') and He called Himself an Understanding One.

224. He is wise of Himself and understands of Himself, because Chochmah is not called Chochmah of its own accord, but rather because of the Wise One who filled it with His own welling. Binah is not called so of its own accord, but rather because of the Understanding One who filled it from His own, and if He had removed Himself and risen from it, it would have remained dry. This is the meaning of: "The waters fail from the sea, and the river is parched, and dries up" (Iyov 14:11).

225. Afterwards, "and He shall smite it in seven streams" (Yeshayah 11:15), He made seven precious vessels and called them 'Greatness', NAMELY CHESED, Gvurah, Tiferet, Netzach, Hod, Yesod, and Malchut. He called Himself Great in Greatness and also Pious (Heb. chasid), mighty in Gvurah ('Might'), glorious in Tiferet ('Glory') and victorious in battles in Netzach Netzachim ('Victory'). In Hod ('Majesty'), He called Himself 'The Majesty of our Creator' and in Yesod, He called himself 'Righteous'. Foundation (Yesod) supports everything, all the vessels and all the worlds. And in Malchut ('Kingdom'), He called Himself 'King'. To Him is "the greatness, and the power, and the glory, and the victory, and the majesty; for all that is in heaven," NAMELY YESOD, and to Him is "the kingdom" (I Divrei Hayamim 29:11), THAT IS MALCHUT.

226. Everything is in His authority, whether to lessen the vessels or to increase or decrease their gushing, as is His desire with them. He does not have over Him a deity to increase or decrease in Him. THEREFORE, THIS REFERS TO THE VESSELS OF THE WORLD OF ATZILUT.

227. Then He created servants to these vessels OF ATZILUT, a throne with four pillars and six steps for the throne. Altogether, they are ten. All TOGETHER IS CALLED "throne," WHICH IS THE WORLD OF BRIYAH, like the Cup of Blessing to which they ascribed ten things because of the Torah that was given in Ten Commandments and because of the world, which was the work of Creation that was created with Ten Sayings.

228. He then arranged groups to serve the throne, who are angels - Serafim, living creatures, Ofanim, Chashmalim, Elim, Elohim, sons of Elohim, Ishim. He made servants for these, Samael and all his groups, that are like clouds to ride on in order to descend to the earth. And they are like horses FOR THE ANGELS.

229. How do we know that clouds are called 'chariots'? From the verse: "Behold Hashem rides on a swift cloud and shall come into Egypt" (Yeshayah 19:1)? This is the appointed minister of Egypt WHO IS CALLED "A SWIFT CLOUD." As soon as they saw their deity, who is their minister, and saw him as a horse under the chariot of the Holy One, blessed be He, immediately "the idols of Egypt shall be moved at his presence, and the heart of Egypt shall melt" (Ibid.). They moved away from their Faith and their heart melted like wax from their Faith, THEY HAD IN THEIR APPOINTED MINISTER. They said: 'And now our Faith, NAMELY OUR DEITY appointed over us, has become like a horse'. Their heart was removed from their Faith and melted like wax, and we know that melting means melting like wax from the verse: "My heart is become like wax, it is melted in the midst of my bowels" (Tehilim 22:15).

230. "And every firstling of an ass you shall redeem with a lamb..." (Shemot 13:13). This commandment is to redeem the firstling of an ass or to break the neck of the firstling of an ass, if it is not redeemed. This is the meaning of: "And if you will not redeem it, then you shall break its neck" (Ibid.). The secret behind this is that the Evil Inclination can repent and afterwards become the Good Inclination, as was established IN THE VERSE: "I WILL MAKE HIM A HELP TO MATCH HIM" (BERESHEET 2:18). If one merits, it is a help. If one does not merit, then it is a match against him. These images of a lamb and of an ass - AS IS SAID ABOUT THEM, "AND EVERY FIRSTLING OF AN ASS YOU SHALL REDEEM WITH A LAMB" - MEAN even though he is an ass, MEANING an ignoramus, if he has merit to repent, he will be redeemed from exile by a lamb, because he is: "Yisrael is a scattered sheep" (Yirmeyah 50:17). If he does not repent, then "break its neck," for he has made himself like a stiff-necked people who will be blotted out from the book of Life. About them, it is said, "Whoever has sinned against Me, him will I blot out of My book" (Shemot 32:33).

15. The Tefilin

Rabbi Shimon expounds upon the importance and the secret of the hand Tefilin and the head Tefilin. The Tfilah, or prayer, draws holiness from above, as "All the rivers run into the sea." We are told that the four portions of the head Tefilin are Chochmah and Binah, Tiferet and Malchut, in the secret of the supernal Light that emerges from nothingness, Keter. Then Rabbi Shimon describes in detail the first portion, "sanctify," the second portion, Binah, the third portion, Sh'ma, and the fourth portion, the secret of Severe Justice. The hand Tefilin are similar, but are all in one compartment. Rabbi Shimon reminds us that a person must put on the Tefilin every day in order to be in the high image of the Above. Then Bo closes with the assertion that one day all people will know and fear God.

231. "And it shall be for a token upon your hand, and for frontlets between your eyes" (Shemot 13:16). This commandment is considered in a different category, since it is not considered a commandment but rather a matter of holiness. And these are the Tefilin, the hand Tefilin and the head Tefilin, for they are a manifestation of glorification and beauty of supernal visions. Therefore they are called "frontlets," as is written: "Yisrael, in whom I will be glorified" (Yeshayah 49:3).

229. וּמְנַלְן דְּעֵנָנִים אֶקְרוּן מֵרֶכֶב. הֲהִיא הִנֵּה יוֹי רֹכֵב עַל עֵב קַל וּבֹא מִצְרַיִם. וְדָא מְמַנָּא דְּמִצְרַיִם, וּמִיָּד דְּחִזּוּ דְּאֵלֵהָא דִּי הוּא מְמַנָּא דְּלֵהוֹן, חִזּוּ לֵיה בְּסוּסִיא, תַּחֲת מֵרֶכֶבְתִּיהָ דְּקוּדְשָׁא בְּרִיךְ הוּא, מִיָּד וְנָעוּ אֱלִילֵי מִצְרַיִם מִפְּנֵיו, וּלְבָב מִצְרַיִם יִמַּס, נָעוּ מֵאֲמוּנָה דְּלֵהוֹן, וּלְב דְּלֵהוֹן נִמַּס כְּדוֹנֵג, מֵהֵיא אֲמוּנָה, וְאִמְרִי, וְכִי עַד כְּעַן אֲמוּנָה מְמַנָּא דִּילָן בְּסוּסִיא, הָוֵה נֵע לְבֵהוֹן מֵאֲמוּנָה דְּלֵהוֹן, וְנִמַּס כְּדוֹנֵג. וּמְנַלְן דִּימַס לְשׁוֹן נִמַּס כְּדוֹנֵג אִיהוּ כְּדָא, הִיא לְבִי כְּדוֹנֵג נִמַּס בְּתוֹךְ יַמְעִי.

232. It is written: "When Yisrael was a child, then I loved him" (Hoshea 11:1). It refers to young Yisrael, MEANING ZEIR ANPIN WITH MOCHIN OF SMALLNESS, and "Hear, O Yisrael (Heb. Sh'ma Yisrael)" refers to Yisrael Saba (old), WHICH IS BINAH WITH MOCHIN OF GREATNESS, which is beautiful in appearance above IN BINAH and below IN MALCHUT. HE EXPLAINS HOW ALL THE MOCHIN OF YISRAEL-SABA AND T'VUNAH COME DOWN, SAYING Joseph, WHO IS YESOD OF ZEIR ANPIN, rises up TO BINAH and is adorned there WITH TWO COLORS, WHITE AND RED, WHICH ARE IN THE TWO COLUMNS OF BINAH, BY HIS RECONCILING THE TWO COLUMNS OF BINAH, IN ACCORDANCE WITH THE MEANING OF 'THREE EMERGE FROM ONE; ONE EXISTS IN THREE'. Before HE ASCENDED TO BINAH, he is CALLED a 'lad', and in the end, AFTER HE WAS CROWNED WITH THE MOCHIN OF BINAH, he is CALLED 'righteous'. How beautiful are the sights seen in him. This is the secret of: "And Joseph was good looking and well favored" (Beresheet 39:6). HE was fair on both sides, WHICH ARE RIGHT AND LEFT; on two levels, WHICH ARE CHOCHMAH AND CHASSADIM; in two appearances, WHICH ARE WHITE AND RED; above IN BINAH and below IN MALE AND FEMALE. FOR AFTER HE MEDIATES IN BINAH, HE DESCENDS AND MEDIATES BETWEEN MALE AND FEMALE.

233. It is written: "And you shall do that which is right and good" (Devarim 6:18). The "right" refers to the hand Tefilin, WHICH IS MALCHUT, TO IMPROVE HER, MEANING to bestow on her by the head Tefilin, WHICH IS ZEIR ANPIN, so that they shall become one. The hand Tefilin is DONNED before the head Tefilin, and there must be no separation at all between them.

234. One who is crowned with Tefilin is in the same category as the above, and apprehends the two meanings we mentioned in relation to Joseph, who is called a 'lad' and also called 'Righteous', MEANING in the secret of faithful servant and the secret of only son. These are the hand Tefilin, WHICH IS THE SECRET OF THE LAD AND FAITHFUL SERVANT, and the head Tefilin, WHICH IS THE SECRET OF THE RIGHTEOUS AND ONLY SON. They are both actually one principle, AS MENTIONED.

235. The four passages that are in the Tefilin are in four compartments in the head Tefilin. As there are four compartments in the head Tefilin, so are they all in one compartment in the hand Tefilin. This is because the hand Tefilin, WHICH IS MALCHUT, has nothing of its own, but what it receives from above, FROM ZEIR ANPIN. SINCE IT RECEIVES THEM AT ONCE, IT HAS ONLY ONE COMPARTMENT. BUT ZEIR ANPIN RECEIVES THEM ONE AFTER THE OTHER; THEREFORE, THEY ARE IN FOUR COMPARTMENTS. This is the secret meaning of: "All the rivers run into the sea" (Kohelet 1:7), FOR "THE RIVERS" WHICH ARE FLOWING FROM ZEIR ANPIN FLOW TO MALCHUT, WHICH IS CALLED 'SEA'. Because it receives them from above, FROM BINAH, it is called Tefilin, and is sanctified with their holiness. It is called 'Holiness' BECAUSE THE MOCHIN OF BINAH ARE CALLED 'HOLINESS', and it is called 'Tefilin', and then Malchut is called 'the Complete Kingdom of Heaven'.

236. We have already explained the meaning of the four passages in many places. But the first passage: "Sanctify to Me all the firstborn" (Heb. kadosh) (Shemot 13:2), WHICH IS CHOCHMAH, is a supernal secret that incorporates all four compartments, WHICH ARE CHOCHMAH AND BINAH, TIFERET AND MALCHUT in the secret of the supernal Light, WHICH IS CHOCHMAH that emerges from nothingness, WHICH IS KETER CALLED 'NOTHINGNESS'. EACH OF THE FOUR PASSAGES - CHOCHMAH, BINAH, TIFERET AND MALCHUT - INCLUDES THEM ALL AND EACH HAS CHOCHMAH AND BINAH, TIFERET AND MALCHUT.

232. וכתוב כי נער ישראל ואהבהו, ישראל זוטא. שמע ישראל, ישראל סבא, שמירו דגוונין, עולא ותתא. יוסף סליק ואתער בתרין גוונין בקרמיתא נער, ובסופא צדיק. כמה יאן ביה גוונין למחזי, ורזא דא ויהי יוסף יפה תאר ויפה מראה. שפירא בתרין סטרין, בתרין דרגין, בתרין גוונין, עולא ותתא.

233. בתיב ועשית הישר והטוב. הישר: דא תפלה של יד, לאמשכא ליה בתפילין של ראש, לאתיחדא בחדא. ותפלה של יד, אקדים לשל ראש. ואצטריך דלא הוי פורדא בנייהו כלל.

234. מאן דמתעטרא בתפילין, קאים ברזא דגוונא עלאה וקאים באינן תרין רזין דקאמרן ביוסף, דאקרי נער, ואקרי צדיק, ברזא דעבד נאמן, ברזא דבן יחידאי. ואלין אינן תפלה של יד, ותפלה של ראש, ואינן כללא חדא בלא פורדא.

235. ארבע פרשין דתפילין בר' בתים, באינן תפילין של ראש. וכמה דאינן ד' פרשין באינן תפילין של ראש, אוף הכי בלהו בתפילין של יד בבית א'. דהא בתפלה של יד, לית לה מגרמה כלום, אלא מה דנקטא מלעילא. ורזא דא, כל הנחלים הולכים אל הים. ומגו דנקטא לון מלעילא, אקרי תפלה, ואתקדשת בקדושתהון אקרי קדושה. ואקרי תפלה וכדין אקרי מלכות, מלכות שמים שלימה.

236. ד' פרשין, הא אוקימנא רזא דלהון, בכמה דוכתי. אבל פרשה קדמאה, קדש לי כל בכור, דא איהו רזא עלאה, דכליל כל ד' בתים, ברזא דנהירו עלאה, דנפקא מאין.

237. All these four, CHOCHMAH AND BINAH, TIFERET AND MALCHUT, are alluded to in here, IN THE FIRST PASSAGE, "SANCTIFY" BECAUSE "sanctify" is the supernal Holiness, which is the secret of supernal Chochmah THAT IS CALLED 'HOLINESS'. From there, everything was sanctified by means of the supernal concealment that is called "sanctify." "To me" is Binah, which is the secret of the upper world, the internal chamber. "All" is uniformly the secret of Chesed, either above or below, NAMELY TIFERET OF THE ASPECT OF CHESD. "Firstborn" is the firstborn son, as is written: "Yisrael is my son, my firstborn" (Shemot 4:22), NAMELY TIFERET, and this firstborn son includes all aspects and all colors, THAT IS, IT INCLUDES MALCHUT IN IT AS WELL. Because of this, the verse includes all four - CHOCHMAH AND BINAH, TIFERET AND MALCHUT - within the secret of supernal Chochmah, WHICH IS THE FIRST PASSAGE. This is a general description to know that everything is included in it, but in details, each one in itself CORRESPONDS TO AN INDIVIDUAL SFIRAH. And the first passage includes the other passages.

238. The second passage, "And it shall be when Hashem shall bring you..." (Heb. vehayah ki yevia'cha) (Shemot 13:11) is Binah. The exodus from Egypt is contained in this passage, which came about from the side of Jubilee WHICH IS BINAH. Therefore it begins with: "And it shall be," because this term pertains to Jubilee. Therefore its name is "And it shall be," because THE FORM OF "And it shall be (Heb. vehayah)," IN THE FUTURE TENSE, pertains only here IN BINAH, and WHOSE MEANING IS that it will flow down to shine on the luminaries, WHICH ARE MALE AND FEMALE, and exist in the lower level, WHICH IS MALCHUT, all pertaining to the same secret. Since it illuminates in a secret way, it is not called openly by this name, VEHAHAYAH, but is rather given over to wise to know. Therefore, BINAH is marked with the holy name in the word, VEHAHAYAH (VAV-HEI-YUD-HEI).

239. The third passage WHICH IS hear (Heb. sh'ma) (Devarim 6:4) is the secret of the right that is called supernal Chesed, MEANING DA'AT. For DA'AT unites all the four sides, THE SECRET OF THREE COLUMNS AND MALCHUT THAT RECEIVES THEM. The Holy One, blessed be He, arranges the order of the whole world through it, FOR THE WHOLE WORLD EXISTS THROUGH IT. This is what spreads in every direction and even into the lower depths, NAMELY BY MEANS OF DA'AT THAT SPREADS TO THE LOWER BEINGS. The Holy One, blessed be He, created the world with it when He wrapped Himself in a cloak of Light, and this is what affects the unison. SINCE IT IS THE CENTRAL COLUMN THAT UNITES THE TWO COLUMNS, RIGHT AND LEFT, WHICH ARE CHOCHMAH AND BINAH, therefore, "Shma" is adjacent to "vehayah" BECAUSE "VEHAHAYAH" IS BINAH, AND "SHMA" IS DA'AT THAT MEDIATES BETWEEN CHOCHMAH AND BINAH.

240. The daily profession of unity is a meditation for the sake of knowledge and for paying attention. We have explained this meditation in many places. The daily meditation is the profession of unity in the verse, "Hear, O Yisrael (Sh'ma Yisrael), Hashem our Elohim; Hashem is One." And they are all one. Therefore He is called One. HE ASKS: There are three names here, so how are they one? We proclaim One, NAMELY "HEAR O YISRAEL, HASHEM OUR ELOHIM; HASHEM IS ONE," yet how can they be one?

237. וְכָל אֵינוֹן ד' אֶתְרֵמִיוֹ הֵבָא, קִדְשׁ: דָּא קְרוּשָׁה עֲלָאָה. רְזָא דְחֻכְמַתָּא עֲלָאָה, דְּמִתְמַן כֹּלָא אֶתְקַדְשׁ, בְּרְזָא דְגִנְיוֹ עֲלָאָה, דְּאֶתְקַרֵי קִדְשׁ. לִי: דָּא בִינָה, רְזָא דְעֲלָמָא עֲלָאָה, הֵיכְלָא פְּנִימָאָה. כָּ"ל: רְזָא דְחֻסְדָּא, בְּכָל דּוּכְתָא, בִּין לְעֵילָא בִּין לְתַתָּא. בְּכוֹרֵי: דָּא בֶן בְּכוֹר, דְּכַתִּיב, בְּנֵי בְּכוֹרֵי יִשְׂרָאֵל, וְהָאֵי בֶן בְּכוֹר, כְּלִיל כָּל סְטְרִין, וְכָל גּוּוֹנִין. וּבְגִין כֵּן, קִרָּא כְּלִיל כְּלָהוּ אַרְבַּע, בְּרְזָא דְחֻכְמַתָּא עֲלָאָה. אֲבָל דָּא בְּאוּרְחָא כְּלָל, לְמַנְדַּע דְּכֹלָא כְּלִיל בְּהָאֵי, אֲבָל בְּאוּרְחָא פְּרֻט, כָּל חַד בְּלַחֲדוּי, דָּא אִיהוּ פְּרֻשְׁתָּא קְדָמָאָה, דְּכִלְיָל כָּל שְׂאָר פְּרֻשְׁיִין.

241. This is made known through the vision of the Holy Spirit. They become part of the mystery of the mirror of the closed eye, to make known that the three COLUMNS ALLUDED TO IN "HASHEM OUR ELOHIM, HASHEM" are one, and this is the secret of the audible sound. Sound is one, and has three aspects - fire, air and water - which are all one in the secret of the sound. Also here, "Hashem, our Elohim; Hashem" are one. They are three aspects but are one.

242. And this is a sound that a person emits AS MEANS OF of professing the unity, tending to uniting all THE LEVELS - from the Endless World to the end of everything-by means of the unification affected by this sound he produces through these three COLUMNS which are one. This is the daily profession of unity that has been revealed by means of the Holy Spirit.

243. Many manners of unification were spoken of, and they are all correct. Whoever creates this UNIFICATION does WELL and one who does another UNIFICATION does WELL. But this unification that we awaken from below, by means of sound which is one, clarifies the matter. It is in general, MEANING THAT THE PASSAGE "HEAR" (HEB. SHMA) INCLUDES WITHIN IT ALL THE THREE COLUMNS IN THE SECRET: "HASHEM OUR ELOHIM; HASHEM." Besides that, it is a detail, AS THE PASSAGE SHMA IS ONLY ONE DETAIL, NAMELY ZEIR ANPIN, as has already been stated.

244. The fourth passage is the secret of Severe Judgment, NAMELY MALCHUT, OF WHICH IT IS WRITTEN: "Take heed to yourselves" (Devarim 11:16), WHICH IS AN EXPRESSION OF JUDGMENT. These are THE FOUR PASSAGES of the head Tefilin, WHICH ARE IN FOUR COMPARTMENTS. The hand Tefilin ARE ALSO similar to these FOUR PASSAGES, BUT they are in one compartment. We have already commented that they all pertain to the same secret.

245. The knot of the head Tefilin is in the shape of a letter Dalet, and of this it is written: "And you shall see my back" (Shemot 33:23). Therefore, the knot is in the back where everything is tied into one knot.

246. When MALCHUT dons the hand Tefilin to connect WITH ZEIR ANPIN, there is another knot, NAMELY THE KNOT OF THE HAND TEFILIN, WHICH IS IN THE SHAPE OF A LETTER YUD. This is the secret of the Holy Covenant, MEANING YESOD, WITH WHICH MALCHUT CONNECTS. This secret is explained in many places, and it is all the same secret. Happy are Yisrael who know this secret. A person must don them every day to be in the celestial image. Of this it is written: "And all people of the earth shall see that you are called by the name of Hashem; and they shall be afraid of You" (Devarim 28:10).

1. "And Elisha passed to Shunem"

Rabbi Shimon opens by talking about Habakkuk, but then discusses the entire story recounted in Il Melachim about Elisha and the Shunamite woman who had fed him bread when he passed by, and prepared for him a "small upper chamber...with walls...a bed and table and chair and a lamp." We are told that on the day Elisha came to the Shunamite and promised her that she would bear a son it was Rosh Hashanah, when the barren women of the world were remembered. We are told that one must not be alone on the Day of Judgment because one might be noticed on his own and more subject to judgment, and the Mercies of God are always present over the whole people together. Rabbi Shimon says that when Elisha asked the woman if she would be spoken for to the king, he was offering to beseech the Supernal King on her behalf, but she did not want to separate from her people. We hear that the reason the child born to her later died was because he was from the Female side, since he was given to her and not her husband. Elisha was not told by the Holy One, blessed be He, that the boy would die, so that he would not try to save him through prayer. His servant Gehazi was not worthy of the miracle being performed through him, so the Shunamite woman insisted that Elisha come with her. When Elisha lay upon the boy to bring him back to life he reconnected him to a different high place, the place where life is found. Rabbi Shimon returns now to Habakkuk, with whom this passage began, and says that Chavakuk means 'two embraces': one from his mother and one from Elisha, one from the Female area and one from the Male. He tells us that there were various types of praises available to the prophets to cause the Spirit of Prophecy to dwell upon them, and that all prophets need pleasantness in order to draw that Spirit upon themselves. Only for Moses was this unnecessary. Rabbi Shimon ends by saying that the children of Yisrael only tasted death when they departed from Egypt, but that God healed them.

1. "And it came to pass, when Pharaoh had let the people go, that Elohim led them not through the way of the land of the Philistines..." (Shemot 13:17). Rabbi Shimon opened the discussion, saying: "A prayer of the prophet Habakkuk upon errors" (Chavakuk 3:1). This passage is difficult, and should be investigated. What is the reason FOR WRITING, "A prayer of the prophet Habakkuk," rather than any other prophet of the world, for by them, it is not written, 'A prayer of Yeshayah the Prophet', or of Yirmeyah, or Ezekiel or Hosea, or the other prophets of the world?

2. HE RESPONDS: We have learned that Elisha merited in the world what no other prophet did, except for Moses. Come and behold: it is written, "And it fell on a day and Elisha passed to Shunem, where there was a great woman" (Il Melachim 4:8). What is meant by "a great woman"? It is that she was great in her actions and the entire household was proud of her. She was the mistress of the house and, since her husband was not present in the house to be the master, she was mentioned instead of him.

3. "Where there was a great woman." Another EXPLANATION IS that she was greater than all the other women in the world because the other women were vexed and distressed when they saw a guest in the house, and they would not spend money on him. But she rejoiced with a guest, and spent money on him. When she saw Elisha she was moreover very happy with him. All the praise goes to the woman, because the guest of the house is the woman's. Therefore, it is written: "Where there was a great woman," for she was greater than all other women.

4. "And she said to her husband, 'Behold now, I know that this is a holy man of Elohim'" (Ibid. 9). HE ASKS: How did she know THAT HE WAS A HOLY MAN? HE RESPONDS: THE friends explained that she would spread a white sheet on his bed and never saw an emission of semen on it. Also, a fly never passed on his table.

1. וַיְהִי בְשִׁלַּח פְּרַעֲהָ אֶת הָעָם וְלֹא נָחַם אֱלֹהִים דֶּרֶךְ אֶרֶץ פְּלִשְׁתִּים וְגו'. רַבִּי שִׁמְעוֹן פָּתַח, תַּמְלָה לַחֲבִקוּק הַנְּבִיא עַל שְׂגִינוֹת. הָאִי קָרָא קְשִׂיא, וְאִית לְאַסְתַּבְּלָא בֵּיה, מ"ש תַּמְלָה לַחֲבִקוּק הַנְּבִיא, יִתִּיר מִכָּל שָׂאר נְבִיאֵי עֲלֵמָא, דְּלֹא כְּתִיב בְּהוּ תַּמְלָה לִישְׁעֵיהָ הַנְּבִיא, אוֹ לִירְמִיָּה, אוֹ לִיחֻזְקָאֵל, אוֹ לְהוֹשַׁע, אוֹ לְשָׂאר נְבִיאֵי עֲלֵמָא.

5. HE ASKS: These words are difficult. You say that she never saw an accidental emission from him, but there are many people in the world who are so AND HAVE NO ACCIDENTAL EMISSIONS. What is the difference here? If you say that a fly never passed over his table, why is it written: "Behold now, I know"? Did only she and no one else know? Yet all those who saw him eat at his table knew, JUST LIKE HER.

6. HE RESPONDS: But rather she spoke well, "Behold now, I know." Only she knew because she arranged his bed when he lay down in it at night and when he arose in the morning. It was so that she spread a white sheet in his bed, and by this did she know, for the way of the world is that when a person arises from his bed, the sheet on which he slept exudes a foul odor. But when she removed the sheet from his bed, it exuded scents like those in the Garden of Eden. She said: 'If it were not for the fact that he is holy and the Holiness of his Master is upon him, a holy scent would not arise FROM THE SHEET.'

7. As a result, he had to separate from the house, because a person can not be so careful inside the house. But she said, "Let us make a small upper chamber, I pray you, with walls; and let us set for him there a bed and table, and a chair, and a lamp" (Ibid. 10). HE INQUIRES: Why these four? HE RESPONDS: Because they restore the Congregation of Yisrael, WHICH IS MALCHUT, that is called an 'upper chamber with walls'. And so is it called, for it is written: "Then Chizkiyahu turned his face towards the wall" (Yeshayah 38:2).

8. "A bed, and a table, and a chair, and a lamp." HE ASKS: the order of the passage is not the order of the usage, because first a chair is needed, and afterwards a table, and afterwards a lamp, and then a bed. So why did she start with the bed? HE RESPONDS: Because she liked the bed better than everything, and a person places that which he likes first - FOR SHE NOTICED IN THE BED A HIGHER DEGREE OF HOLINESS ABOVE EVERYTHING.

9. "And it happened one day, that he came there" (II Melachim 4:11). HE ASKS: "And it happened one day." What day was it? HE RESPONDS: It is as we explained. Come and behold: that day was the holy day of Rosh Hashanah (the Jewish New Year), when the barren women of the world and the inhabitants of the world were remembered. He called the Shunamite and said, "Behold, you have been careful to take all this trouble for us" (Ibid. 13). Therefore, I must study the Judgments of the world today, because today the Holy One, blessed be He, Judges the world, and because I separated myself to be alone in this place, IN THE UPPER CHAMBER WITH WALLS WHICH WAS PREPARED FOR ME. I must search the sentences of the world, MEANING THAT WHOEVER SEPARATES TO BE ALONE ON THE DAY OF JUDGMENT IS SNARED FIRST, THOUGH HE MAY BE GUILTLSS.

5. הַנִּי מִיְלֵי קִשְׁיוֹן, אִי תִימָא דְלֹא חִמַּת בֵּיה קְרִי, הָא סְגִיאיִן אֵינוֹן בְּנֵי נֶשָׂא הִכִּי בְעֵלְמָא, מַה שְׁנוּיָא הִכָּא. וְאִי תִימָא דְלֹא עֵבֶר זֹבֹבָא בְּפִתּוּרִיהָ. אֲמַאי כְּתִיב, הִנֵּה נָא יִדְעָתִי, וְכִי הִיא יִדְעָתִי, וְלֹא אַחֲרָא, וְהָא כָּל אֵינוֹן דְּחִמוּ לֵיה אֲכִיל בְּפִתּוּרִיהָ הוּוּ יִדְעִי.

10. HE ASKS: "What is to be done for you? Would you be spoken for to the king, or to the captain of the host?" (Ibid.) Is this important to a woman who never goes out or goes to the king's palace? But this day caused all the inhabitants of the world to await Judgment and on that day, the Holy One, blessed be He, shall be proclaimed as King, the King of Judgment. He said to her, 'If you need the Supernal King TO FORGIVE YOU for your actions, I WILL SPEAK AND BESEECH ON YOUR BEHALF.'

11. "And she answered, 'I dwell among my people'." HE ASKS: What does she mean? AND HE RESPONDS: At the time when Judgment prevails over the world, a person should not separate himself from the general community and be apart. Then he will not be singled out above, and will not be noticed on his own. For at the time when Judgment prevails over the world, those who were distinctly known and recorded apart are caught first, even though they may be righteous. Therefore, a person should never separate to be apart from the people, for the Mercies of the Holy One, blessed be He, are always present over the whole people together. Therefore, she said, "I dwell among my people" and I do not want to be separate from them, as I have done until this day.

12. "And Gechazi answered, 'Verily she has no child'" (II Melachim 4:14). Elisha said to her: 'Certainly, the time is favorable for you TO REDEEM YOURSELF WITH A SON, because the day induces it', FOR ON ROSH HASHANAH, BARREN WOMEN ARE REMEMBERED. "And he said, 'About this time, in the coming year, you shall embrace a son'...And the woman conceived and bore a son in the season of which Elisha had spoken to her" (Ibid. 16-17). Assuredly, at that time and afterwards he died. HE INQUIRES: What is the reason that he died? HE RESPONDS: Because the child was given to her and not to her husband, and he was bound to the Female place. Death awaits one who is bound to the Female. Whence do we know that he was given to her? Because it is written: "And you shall embrace a son."

13. Come and behold: by Abraham, it is written, "I will certainly return to you at this season" (Beresheet 18:10), and not to her. He will be bound to you indeed, and not with a female, for death is premature for one who comes from the Female side. "And she went up, and laid him on the bed of the man of Elohim," because she saw there a Holiness that was higher than that of everyone.

14. "And say to her, 'Is it well with you, is it well with your husband, is it well with the child?'" (II Melachim 4:26). From here, we know that she is the mainstay of the house, FOR HE INQUIRED FIRST ABOUT HER WELL-BEING, AND THEN HER HUSBAND'S WELL-BEING. She went behind THE PROPHET, but before her husband. "And Gechazi came near to thrust her away." This has already been explained.

10. ומה לעשות לך ה'ש לדבר לך אל המלך או אל שר הצבא. וכי מלה דא למה אצטריכא לגבוי אתתא, דלא נפקת ולא אזלת ולא עאלת בהיכלא דמלכא. אלא, יומא דא הוה גרים, דכל בני עלמא יתבין בדינא, ובההוא יומא אקרי קדשא בריך הוא מלך. המלך המשפט. אמר לה, אי את אצטריך לך לגבוי מלכא עלאה, על עוברין די בידך.

11. ותאמר בתוך עמי אנכי ישבת. מאי קאמרת. אלא בשעתא דינא תליא בעלמא, לא יתפרש בר נש בלחודוי, ולא יתרשים לעילא, ולא ישתמודעון ביה בלחודוי, דהא בזמנא דינא תליא בעלמא, אינון דאשתמודעון ורשימין בלחודייהו, אע"ג דזכאין אינון, אינון אתפסן בקדמיתא. ועל דא, לא לבעי ליה לאיניש, לאתפרשא מבין עמא לעלם, דבכל זמנא רחמי דקדשא בריך הוא על עמא בלהו כחד. ובגיני כך אמרה, בתוך עמי אנכי ישבת, ולא בעינא לאתפרשא מנייהו, כמה דעברנא עד יומא דין.

13. תא חזי, באברהם כתיב שוב אשוב אליך, ולא אליה, אליך ודאי, כך אתקשר, ולא בנוקבא. מאן דאתי מסטרא דנוקבא, מותא אקדים לרגלוי. ותעל ותשכיבהו על מטת איש האלהים, בגין דתמן חמת קדושה עלאה מפלא.

14. ויאמר לה השלום לך השלום לאישך השלום לילד. מכאן, דהיא עקרא דביתא, ולא עוד אלא דאיהי אזלת אבתריה, ולא בעלה. ויגש גחזי להדמה הא אוקמוה.

15. "But the man of Elohim said, 'Let her alone'." HE INQUIRES: Why is it that here the verse calls him "the man of Elohim," yet he was referred to as "Elisha" when he was in the city? HE RESPONDS: Here he was assuredly "the man of Elohim," because here is his place, and not in the city, not at the time when the sons of the prophets were before him. **THUS, THERE HE WAS NOT CALLED 'THE MAN OF ELOHIM', BUT RATHER "ELISHA."**

16. "And Hashem has hid it from me..." IS as written: "And Hashem rained upon S'dom and Amorah" (Beresheet 19:24), **WHEREBY "AND HASHEM" MEANS HE AND HIS COURT OF JUSTICE, AND this is the court of law of below, MEANING MALCHUT.** "And has not told me" (II Melachim 4:27). HE ASKS: Why did Elisha not know? HE RESPONDS: the Holy One, blessed be He, said, 'How can I kill this one? If I tell him, he will not let him die because it is his present. HE WILL PRAY FOR HIM, AND NOT PERMIT HIM TO DIE.' But he must die; as we learned, it is written: "You will embrace a son." HE WAS BOUND TO THE PLACE OF THE FEMALE, and death was caused from the Female place. Therefore, He did not tell him.

17. "And he said to Gehazi, 'Gird your loins, and take my staff in your hand and go you away'." It was explained that the ability to perform the miracle had departed from him, **FOR HE WAS NOT WORTHY OF IT.** "As Hashem lives, and as your soul lives, I will not leave you." HE INQUIRES: Why DID SHE CONTINUE TO INSIST THAT HE SHOULD GO HIMSELF, although Gehazi was already going. HE ANSWERS: She recognized the manners of that wicked Gehazi that he is not worthy for a miracle to be performed through him.

18. "And he put his mouth upon his mouth and his eyes upon his eyes..." HE ASKS: Why DID HE DO IT THAT WAY. HE ANSWERS: Elisha observed and knew that this place **OF THE FEMALE**, to which he is bound now, caused him **TO DIE.** **CONSEQUENTLY,** "he put his mouth upon his mouth and his eyes upon his eyes," in order to bind him in a different, high place - **MEANING IN THE PLACE OF THE MALE**, the place where there is life.

19. But he was not able to uproot him from the **FEMALE** place, to which he was connected before until he aroused a spirit from above. He connected to the **SUPERNAL** place and returned to him his soul. If he had not **DONE** so, he would never have returned **TO LIFE.** "And the child sneezed seven times," and not more **THAN SEVEN, WHICH CORRESPONDS TO THE SEVENTY YEARS OF HIS LIFE,** as is written: "The days of our years are seventy" (Tehilim 90:10).

20. This is Habakkuk the prophet, as it says, "You shall embrace (Heb. choveket) a son." **HABAKKUK IS DERIVED FROM 'EMBRACE'.** HE ASKS: If so, he should have been called Chavuk ('embraced'). Why **WAS HE CALLED 'Habakkuk',** which means two **EMBRACES?** HE RESPONDS: One **EMBRACE IS** of his mother and one **EMBRACE IS** of Elisha, who embraced him **WHEN HE REVIVED HIM.** Another explanation: He received two embraces, one from **HIS MOTHER'S** side and one from the **PROPHET'S** side. One embrace from the place from which he came originally - **MEANING FROM THE FEMALE PLACE, AS MENTIONED** - and another embrace that raised him to the higher levels, **MEANING TO THE PLACE OF THE MALE, AS MENTIONED.** **BOTH THESE EMBRACES ARE INCLUDED IN HIS MOTHER'S EMBRACE, AND ALSO IN THE PROPHET'S EMBRACE.** He was therefore called 'Habakkuk', which means two **EMBRACES.**

21. "A prayer (Heb. tfilah) of the prophet Habakkuk" (Chavakuk 3:1). HE ASKS: What is the prayer THAT IS MENTIONED HERE? HE RESPONDS: This is the place to which he was originally connected FROM HIS MOTHER'S ASPECT, and this is the hand Tfilah ('phylactery'), MEANING THE NUKVA OF ZEIR ANPIN that is called 'Tfilah. "Upon errors" (Ibid.) MEANS that on the day he became bound to it, the errors of the world were suspended before the Holy One, blessed be He, WHICH WAS ROSH HASHANAH, AS MENTIONED. And Gvurah, WHICH IS NUKVA, dominated. This Tfilah, WHICH IS THE NUKVA, was therefore bound to him.

22. Another explanation for "A prayer of the prophet Habakkuk" is that a prayer of Habakkuk MEANS for Habakkuk, FOR THE TWO EMBRACES, which THE PROPHET gave him. "Hashem, I heard the report of You, and I was afraid" (Ibid. 2). Come and behold: when the spirit of the prophet was awakened over him - THAT IS, THE MALE WHEN HE EMBRACES, over this place, OVER THE SPIRIT OF THE FEMALE, which is Tfilah (lit. 'prayer'), WHICH HE HAD FROM THE EMBRACE OF HIS MOTHER - he approached with fear and trembling, LEST THE JUDGMENTS OF THE NUKVA SHOULD NOT REVISIT HIM. THEREFORE, HE SAID, "HASHEM, I HEARD THE REPORT OF YOU, AND I WAS AFRAID." This, they said, is like the proverb: 'One who is bitten by a dog trembles from his bark.'

23. "Hashem, revive Your work in the midst of the years" (Ibid.). HE ASKS: What is "Your work"? AND HE REPLIES: He said it ABOUT HIMSELF, that He is His work. "Revive Your work in the midst of the years" MEANS give him life to serve You among the supernal years, WHICH ARE THE SFIROT. Another explanation: Revive him so that he shall not die again.

24. "On errors (Heb. shigyonot)": HE INQUIRES: What is "shigyonot"? It should have said 'shgiot', as is written: "Who can discern errors (Heb. shgiot)?" (Tehilim 19:13). But "shigyonot" is defined as is written: "shigayon ('musical instrument') to David" (Tehilim 7:1). THAT IS A LYRIC USED FOR PRAISE, for there were various types of praises available to the prophets to cause the Spirit of Prophecy to dwell upon them, as it is written: "That you shall meet a band of prophets coming down from the high place with a lute, and a timbrel" (I Shmuel 10:5), and: "But now bring me a minstrel" (II Melachim 3:15). Habakkuk needed pleasantness more than all of them, to sweeten that place, WHICH IS THE NUKVA, TO WHICH HE WAS PREVIOUSLY BOUND. THIS WAS IN ORDER to draw the Spirit of Prophecy upon himself. It is the same for all the other prophets except for Moses, who rose above all the prophets of the world. Happy is his portion.

25. Come and behold: when the Yisrael left Egypt, their spirits were broken and they heard the praises OF THE ANGELS, but they could not celebrate. When all the legions OF THE ANGELS and Chariots left with the Shechinah, they all raised THEIR VOICES in praise and song before the Holy One, blessed be He, and the Holy One, blessed be He, aroused the spirits of Yisrael. Then they heard the praises OF THE ANGELS, as their spirits remained within them and did not fly from them.

21. תַּפִּלָּה לְחַבְקוֹק הַנְּבִיא, מֵאֵי תַּפִּלָּה. אֵלָּא דָּא הוּא אַתְּרָ, דְּהוּה קָשִׁיר בֵּיהּ בְּקַדְמִיתָא, וְדָא הוּא תַּפִּלָּה שֶׁל יָד. עַל שְׁגִיּוֹנוֹת. דְּהוּא יוֹמָא דְּאַתְקָשֶׁר בֵּיהּ, שְׁגִיּוֹנוֹת דְּעֵלְמָא הוּוּ תַלְיִין קַמִּי קוּדְשָׁא בְּרִיךְ הוּא, וְגַבּוּרָה הוּוּה שְׁלִיט, וְעַד אַתְקָשֶׁר בֵּיהּ הָאֵי תַּפִּלָּה.

26. One knows AND FEELS his broken bones and broken spirit only after he leaves his work. Yisrael only tasted death when they departed from Egypt, but the Holy One, blessed be He, healed them, as is written: "And Hashem went before them by day..." (Shemot 13:21). All the roads exuded scents of healing which entered their bodies, and they were healed. From the sound of the praises that they heard, they rejoiced and reposed and purified their spirit.

27. Pharaoh and all his people went after Yisrael to accompany them until they left Egypt. Likewise, all the supreme princes, who were appointed over them and the other nations, accompanied the Shechinah and all of Yisrael until they camped at Eitam, on the edge of the wilderness. This is what is written: "And it came to pass when Pharaoh had let the people go...although that was near" (Ibid. 17). "...that was near..." MEANS because that oath is near, the oath which Avimelech swore to the Patriarchs because of the good that the Philistines did for the Patriarchs, as is written: "But according to the kindness that I have done to you, you shall do to me, and to the land in which you have sojourned" (Beresheet 21:23).

2. Three deaths

We hear that at the time of the first Passover, there were three revengeful deaths performed against Egypt: the one that related to the deaths of the firstborn, the one that God killed at midnight, and the one when Pharaoh saw the death in his own house. Rabbi Shimon says that Pharaoh himself killed all the ministers and advisers who counseled him to refuse to send out the children of Yisrael. Then he called Moses and Aaron and told them to leave, "and bless me also." Then he accompanied them out of the country.

28. "And it came to pass when Pharaoh had let the people go." It is written before: "And Pharaoh arose in the night, he and all his servants" (Shemot 12:30). Come and behold: recognize the supernal revenge that the Holy One, blessed be He, performed against Egypt. There were three deaths: one that related to the first born in Egypt, as they killed whoever was in their way; one that the Holy One, blessed be He, killed at midnight; and one when Pharaoh saw the death in his house, among his children and servants. He arose and emboldened himself and killed the ministers, the rulers, and all those who advised him to refuse TO SEND OUT the people, until the Torah bore witness against him. He arose actually at night, MEANING WITH THE JUDGMENTS OF THE NUKVA, THAT IS CALLED 'NIGHT'. As the night, WHICH IS THE NUKVA, slew the first born and took revenge, so did Pharaoh arise in the land of Egypt, slay and take revenge against his rulers, ministers, his appointees and all types of officers. This is the meaning of: "And Pharaoh arose in the night." He arose to kill and destroy.

29. The nature of a dog is that when you hit him with a stone, he goes and bites its neighbor. Pharaoh did likewise. Afterwards, he went out in the marketplaces and announced, "Rise up, and get you out from among my people" (Shemot 12:31) - you killed all the inhabitants of the city, you killed the rulers and ministers and all the members of my household. Hence, it is written: "And he called Moses and Aaron by night" (Ibid.). Since everything was caused by you, "And bless me also" (Ibid. 32), by not killing me. Afterwards, he himself accompanied them and took them out of the country. This is what is written: "And it came to pass, when Pharaoh had let the people go..."

29. אֹרְחוֹי דְכַלְבָּא, כַּד מַחֲיִין לֵיה בְּאַבְנָא, אִיהוּ אֲתִי וְנָשִׁיךְ לְחֻבְרִיה, כִּן פְּרַעָה, לְבַתֵּר אִיהוּ הוּה אֲזִיל בְּשׂוֹקִי, וְהוּה מַכְרִיז וְאָמַר, קוּמוּ צְאוּ מִתּוֹךְ עַמִּי, אֲתוּן קְטִלְתוּן לְכָל בְּנֵי מִתָּא, אֲתוּן קְטִלְתוּן סַרְכֵי וְאִפְרָכֵי וְכָל בְּנֵי בֵיתִי, הֵה"ד וַיִּקְרָא לְמֹשֶׁה וּלְאַהֲרֹן לַיְלָה. כִּיּוֹן דְּבִידְכּוֹן הוּה כְּלָא, וּבִרְכַתְּם גַּם אוֹתִי, דְּלֹא תִקְטְלוּן לִי. לְבַתֵּר אִיהוּ בְּגִרְמִיה אוּזִיף לּוֹן, וְאַפִּיק לּוֹן מֵאַרְעָא, הֵה"ד וַיְהִי בְשַׁלַּח פְּרַעָה אֶת הָעָם וְגו'.

3. "And Elohim led the people about"

Rabbi Yehuda wonders why after the children of Yisrael were circumcised, had offered the Passover sacrifice and were bound to God, He still calls them "the people" and not "My people." Rabbi Shimon explains that it was because they were still attached to the mixed multitude. There follows a short story about Rabbi Yitzchak and Rabbi Yehuda turning themselves away from an evil man, wishing not to associate with him. Rabbi Yitzchak then speaks about "Fret not yourself because of evil doers." We learn that if it were not for the mixed multitudes the people of Yisrael would not have died, because the molten calf would never have been made. The Holy One, blessed be He, had wanted at that time to liberate them from death and the yoke of other nations, but that deed caused ruin to everything. The rabbis, saying that Moses instructed the people to accept the mixed multitudes, then dispute gently about how many of the multitudes were from the nation of Yisrael. Rabbi Shimon talks about the Jubilee, the fifty gates of Binah, and the fifty days that Yisrael lingered to receive the Torah. He explains why Moses took the bones of Joseph with him when they left Egypt. Serah the daughter of Asher showed Moses where the bones were hidden.

30. "And Elohim led the people about, through the way of the wilderness of the sea of Suf," NAMELY, to make way to His place IN ORDER TO EVENTUALLY SPLIT THE SEA OF SUF. IF NOT FOR THIS, IT WOULD HAVE BEEN ENOUGH TO SIMPLY LEAD THEM THROUGH THE WILDERNESS, AND NOT BY WAY OF THE SEA OF SUF. Rabbi Yehuda said: Why the difference? When Yisrael were in Egypt, it is written: "Let My people go" (Shemot 5:1); "if you refuse to let My people go" (Shemot 10:4); and, "Yisrael is My son, my first born" (Shemot 4:22). They were not circumcised at that time and were not bound TO THE HOLY ONE, BLESSED BE HE, properly. But once they were circumcised, had offered the Passover sacrifice, and were bound to Him, He calls them "the people" and not "My people."

30. וַיִּסַּב אֱלֹהִים אֶת הָעָם דְּרַךְ הַמַּדְבָּר יַם סוּף לְתַקְנָא אֲרַחָא לְאַתְרֵיה. ר' יְהוּדָה אָמַר, מֵאִי שְׁנָא כַּד הוּוּ יִשְׂרָאֵל בְּמִצְרַיִם, דְּכַתִּיב, שַׁלַּח אֶת עַמִּי, כִּי אִם מֵאֵן אֲתָה לְשַׁלַּח אֶת עַמִּי, בְּנֵי בְכוּרֵי יִשְׂרָאֵל, וּבַהוּוּא זְמַנָּא לֹא הוּוּ גְזִירִין, וְלֹא אֲתַקְשְׁרוּ בֵיה כְּדָקָא יְאוּת. וְהָכָא דְהוּוּ גְזִירִין, וְעַבְדוּ פְסַחָא, וְאַתְקְשְׁרוּ בֵיה, קְרִי לּוֹן אֶת הָעָם.

31. HE ANSWERS: It was due to the mixed multitude that attached themselves to them and were mixed with them that He calls them "the people" AND NOT "MY PEOPLE." It is written: "And Hashem plagued the people for the calf they made" (Shemot 32:35); "the people gathered themselves together to Aaron"; and, "the people saw that Moses delayed" (Ibid. 1). DURING A PERIOD WHEN THE CHILDREN OF YISRAEL WERE IN A DECADENT STATE, HE CALLS THEM SIMPLY, "THE PEOPLE" AND NOT "MY PEOPLE."

31. אֵלָא בְּגִין הוּוּ עַרְב רַב, דְּאַתְדַּבְּקוּ בְהוּ, וְאַתְעַרְבוּ בְּהַדְרֵיהוּ, קְרִי לּוֹן אֶת הָעָם סְתָם. כַּד"א, וַיִּגּוֹף יי' אֶת הָעָם עַל אֲשֶׁר עָשׂוּ אֶת הָעֵגֶל. וַיִּקְהַל הָעָם עַל אֲהֲרֹן. וַיֵּרָא הָעָם כִּי בִשֵׁשׁ מִשֶּׁה. וְכֵן כְּלָהוּ.

32. Rabbi Yitzchak and Rabbi Yehuda were traveling from Usha to Lod with camels tied TO ONE ANOTHER IN SINGLE FILE, and with loads on their shoulders. They were accompanied by Yosi the Merchant. While they were traveling, Yosi the Merchant found a woman of the other nations who was gathering among the grasses in the field. He turned away from them, and then raped her, coming in to her. Rabbi Yitzchak and Rabbi Yehuda wondered and said: Let us return from this road, for the Holy One, blessed be He, wishes to show us that we should not associate with him. They returned from that way. They investigated him and learned that he was the son of a gentile woman while his father was of unfit ancestry. They said: Blessed is the Merciful One who has saved us.

32. ר' יִצְחָק וּר' יְהוּדָה הוּוּ אֲזִילֵי מְאוּשָׁא לְלוּד, וְהוּה עַמְהוֹן יוֹסִי טַיּוּעָא, בְּקַטִּירָא דְגַמְלֵי עֲטוּפִירָא בְּכַתְפֵיהוּ. עַד דְּהוּוּ אֲזִילֵי, אֲשַׁבַּח הוּוּ יוֹסִי טַיּוּעָא אֲנַתוּ חַדָּא דְשָׂאֵר עַמִּין, דְּקַטִּיר בִּירוּקֵי חַקְלָא, אֲשַׁתְּמִיט מְנִיְהוּ וְאַתְקִיף בְּה, וְאַתָּא עָלָה. תּוּוּהוּ ר' יִצְחָק וּר' יְהוּדָה, אָמְרוּ נִיתוּב מֵאַרְחָא דָּא, דְּהָא קוּדְשָׁא בְרִיךְ הוּוּ בְעָא לְאַחְזָאָה לָן, דְּלֹא נִתְחַבֵּר בְּהַדְרֵיה. תְּבוּ מֵאַרְחָא, בְּדָקוּ בְּתַרְיָה, וְאַשְׁכְּחוּ דְּבַרְיָה דְּבַת אֵל נִכְרָ הוּוּ, וְאַבּוּהָ פְסִיל זִרְעָא הוּוּ. אָמְרוּ, בְּרִיךְ רַחֲמֵנָא דְשׂוֹיב לָן.

33. Rabbi Yitzchak opened the discussion, saying: "Fret not yourself because of evil doers" (Tehilim 37:1). HE ASKS: Who are these evil doers, for it is not written 'sinners' or 'wicked'? HE RESPONDS: Rather "evil doers" are those that bring evil to themselves and to those who join up with them. Rabbi Yehuda said, "FRET NOT YOURSELF BECAUSE OF evil doers," IS DEFINED as staying away from evil doers so that you do not become friends and associate with them. Also, this is so that their actions do not hurt you and you are not caught for their sins.

34. Come and behold: if it were not for the mixed multitudes that joined with Yisrael, the deed OF THE MOLTEN CALF would not have occurred, and all those people of Yisrael would not have died. They would not have brought all that they did upon Yisrael. Come and behold: this deed and iniquity was the cause of Yisrael's exile.

35. For we studied that the Holy One, blessed be He, desired that Yisrael be at that time, DURING THE RECEPTION OF THE TORAH, as the supernal angels. And He desired to liberate them from everything: freedom (Heb. cherut) from death, and liberation from the yoke of other nations, as is said: "engraved (Heb. chaurut) on the tablets" (Shemot 32:16). Do not pronounce it "chaurut" WITH THE VOWEL A, but RATHER ONLY WITH THE E: 'cherut'.

36. As soon as that deed was done, they instigated everything. They caused the deaths of thousands among Yisrael, they caused submission to other kingdoms, and they caused the breaking of the original tablets. All this was due to the connection of the mixed multitudes who joined with them.

37. Here too, due to THE MOTLEY CROWD, they were not called 'children of Yisrael', nor 'Yisrael', nor 'My people', but merely, "the people." You may reason THAT IT IS INDEED WRITTEN: "And the children of Yisrael went up armed" (Shemot 13:18). This is because the motley crowd had not yet joined up with them when they first rose out of Egypt. Thus, He still calls them "the children of Yisrael." They are referred to as "the people" as soon as they were joined with them, as mentioned in the scripture: "And a mixed multitude went up also with them" (Shemot 12:38).

38. Rabbi Yosi insisted and said: It is written, "For as you have seen Egypt today you will never see them again" (Shemot 14:13). Yet every day they saw the mixed multitude, WHO WERE EGYPTIANS. Rabbi Yehuda said: It is written, "a mixed multitude" and not 'Egypt', for there were many other nations in Egypt AND FROM THEM CAME THE MOTLEY CROWD. Moreover all of them were circumcised and, since they were circumcised, they were not considered Egyptians.

33. פתח ר' יצחק ואמר אל תתחר במרעים. מאן אינון מרעים, דלא כתיב חטאים, או רשעים. אלא מרעים, דאבאישין לגרמייהו, ולהני דמתחברין בהדייהו. ר' יהודה אמר, מרעים: ארחיק גרמך ממרעים דלא תהוון רעים וחברים כחדא, דלא יבאישו לך עובדוי, ותתפס בחטאוי.

34. ת"ח, אי לא הוּו אינון ערב רב דאתחברו בהון ישראל, לא אתעביד ההוא עובדא, ולא מיתו מישראל, כל אינון דמיתו, ולא גרים לון לישראל כל מה דגרים. ות"ח, ההוא עובדא, וההוא חובה ממש, גרים גלותהון דישראל.

35. דתנינן, בעא קודשא בריך הוא, דישתכחון ישראל בההוא שעתא כמלאכי עלאי, ולמעבד לון חירין מכלא, חירין ממותא, ולמהוי חירין מן שעבודא דשאר עמין, כמד"א, חרות על הלוחות, אל תקרי חרות, אלא חירות.

36. כיון דאתעביד ההוא עובדא, גרימו כלא. גרימו מותא, גרימו שעבוד מלכוון, גרימו דאתחברו אינון לוחי קדמאי, גרימו דמיתו מישראל, כמה אלמין מנייהו. וכל דא, בגין אתחברותא דאינון ערב רב, דאתחברו בהו.

37. אוף הכא, בגיניהון, לא אתקרון בני ישראל, ולא ישראל, ולא עמי, אלא העם סתם. ואי תימא וחמושים עלו בני ישראל. כד הוּו סלקין ממצרים, ולא אתחברו בהדייהו אינון ערב רב, קרי לון בני ישראל, כיון דאתחברו בהדייהו, דכתיב וגם ערב רב עלה אהם, קרי לון העם.

38. רבי יוסי אקשי ואמר, כתיב כי אשר ראיתם את מצרים היום לא תוסיפו לראותם עוד עד עולם. אי הכי, כל יומא הוּו חמאן לההוא ערב רב. אמר רבי יהודה, ערב רב כתיב, ולא מצרים, דהא כמה שאר עמין הוּו דיירי במצרים. ולא עוד אלא דכלהו אתגורו, וכיון דאתגורו, לא אקרון מצראי.

39. According to the instructions of Moses, they accepted them. This is what the verse said: "Go, get you down; for your people...have become corrupt: they have turned aside quickly out of the way which I commanded them" (Shemot 32:7-8). "I commanded them," is written, WHICH MEANS THAT MOSES HAD INSTRUCTED THEM TO ACCEPT THE MIXED MULTITUDES. "And the children of Yisrael went up armed (Heb. chamushim) out of the land of Egypt," MEANING one out of five (Heb. chamisha) were YISRAEL. Rabbi Yosi said: Five were of Yisrael and one FROM THE MIXED MULTITUDES. Rabbi Yehuda said: "chamushim," one out of fifty (Heb. chamishim) WERE OF THE MIXED MULTITUDES.

40. Rabbi Shimon said: the Jubilee, WHICH IS BINAH, did take them up from the land of Egypt. Therefore, it is written: "And the children of Yisrael went up armed (Heb. chamushim) out of the land of Egypt," WHICH REFERS TO BINAH, CALLED 'JUBELEE (HEB. YOVEL), THAT CONTAINS FIFTY (HEB. CHAMISHIM) GATES. If not FOR YOVEL, they would not have left. Therefore, they tarried fifty days to receive the Torah. The Torah did emerge and was given from that place OF YOVEL. Therefore, "chamushim" is without a Vav, MEANING THAT IF IT HAD MEANT "ARMED," IT WOULD HAVE BEEN SPELLED WITH A VAV. BUT IT ONLY INDICATES THE NUMBER FIFTY (HEB. CHAMISHIM), WHICH IS THE SECRET OF JUBILEE. Due to it the children of Yisrael went up from Egypt.

41. "And Moses took the bones of Joseph..." (Shemot 13:19) HE ASKS: Why did MOSES bring up his bones? HE ANSWERS: It is because he was the first to descend into exile. And in addition, only he possessed the sign for the redemption, NAMELY, "WILL SURELY VISIT YOU" (IBID.). He bound Yisrael by oath in this. This is what is written: "He had laid an oath on the children of Yisrael" (Ibid.). And this was explained.

42. Fortunate is the part of Moses, for Yisrael were occupied with borrowing silver from Egypt and Moses was occupied with the oath of Joseph. Some said that his casket was in the Nile River, and he raised it by the Holy Name. Moses also said: 'Joseph, the time for the redemption of Yisrael has arrived.' And he said: 'Rise ox', and he rose - SINCE JOSEPH IS CALLED 'OX', AS IS WRITTEN: "HIS FIRSTLING OF HIS HERD, GRANDEUR IS HIS" (DEVARIM 33:17). Some said he was among the kings of Egypt and he ascended from there. And some said that they put him into the Nile in order that they would not make him into an idol. Serach, the daughter of Asher, WHO WAS ALIVE DURING THE HAPPENING, showed Moses HIS PLACE.

4. "And Hashem went before them by day"

Rabbi Yosi says that it is necessary to be occupied with the Torah day and night, and that one must rise after midnight to study Torah because it is then that the Holy One, blessed be He, enters into the Garden of Eden to delight Himself with the righteous there. He draws a thread of kindness during the day for those who occupy themselves with Torah in the night. Rabbi Yitzchak talks about "And Hashem went before them by day," saying that the Shechinah traveled with the Patriarchs - Abraham, Isaac, Jacob and King David. They are all the Holy Chariot of above. The people traveled day and night when they left Egypt, so that they would be complete with everything, night and day together - the aspect of Zeir Anpin and the aspect of Nukva. The "pillar of cloud" was Chesed, Abraham, and the "pillar of fire" was Gvurah, Isaac, so that Yisrael was illuminated by day and by night. Again we are told of the fifty days' delay after their redemption from Egypt before they received the Torah at Mount Sinai. Then the fifty days of Jubilee, the fifty gates of Binah, dwelled upon them. Rabbi Yitzchak says that the Pharaoh's wise men and sorcerers, who saw that Yisrael were traveling by day and by night, told him that the people had fled.

39. ועל פומא דמשה קבילו לון. והיינו מה דאמר הכתוב, לך רד כי שחת עמך סרו מהר מן הדרך אשר צויתם. צויתם כתיב. וחמשים עלו בני ישראל מארץ מצרים, חד מחמשה הו. ור' יוסי אומר, חמשה מישראל, וחד מנייהו. רבי יהודה אומר, וחמשים: אחר מחמשים.

43. "And Hashem went before them by day" (Shemot 13:21). Rabbi Yosi opened the discussion, saying: "To the Chief Musician upon the hind of dawn. A psalm of David" (Tehilim 22:1). How beloved is the Torah before the Holy One, blessed be He, for anyone who is occupied with Torah is beloved above and below. The Holy One, blessed be He, hearkens to his words, He does not forsake him in this world and He does not forsake him in the World to Come.

44. It is necessary to be occupied with the Torah by day and night, as is written: "But you shall meditate therein day and night" (Yehoshua 1:8), and, "If my Covenant be not day and night..." (Yirmeyah 33:25). HE ASKS: It is justified by day, WHICH IS A TIME FOR WORK FOR EVERYBODY, but during the night, WHICH IS A TIME FOR REST, why IS IT NECESSARY TO BE OCCUPIED WITH TORAH? HE ANSWERS: So that a complete Holy Name will be present by him. For as there is no day without night, and it is only complete when one is with the other, so is it necessary for the Torah to be present with the person day and night. The completeness should be with the person day and night.

45. We have learned that the main part of the night is from midnight and further. Even though the first half of the night is part of the night, the Holy One, blessed be He, enters the Garden of Eden at midnight to delight Himself with the Righteous WHO ARE THERE. Then a person should wake up and become occupied with Torah.

46. We have learned that the Holy One, blessed be He, hearkens to the voices of all the Righteous in the Garden of Eden, as is written: "You who dwell in the gardens, the companions hearken to your voice; cause me to hear it" (Shir Hashirim 8:13). They have already explained it. "You who dwell in the gardens" is the Congregation of Yisrael, NAMELY MALCHUT, that praises the Holy One, blessed be He, with the praise of the Torah during the night. Blessed is the portion of he who joins with Her to praise the Holy One, blessed be He, with the praise of Torah.

47. When the morning arrives, the Congregation of Yisrael comes, WHICH IS MALCHUT, and delights with the Holy One, blessed be He. And He extends the scepter of kindness not only to Her, but to all those who join her. We have learned it is written: "Yet Hashem will command His steadfast love in the daytime, and in the night His song shall be with me" (Tehilim 42:9). THIS MEANS THAT THE HOLY ONE, BLESSED BE HE, DRAWS A THREAD OF KINDNESS DURING THE DAY FOR HE WHO OCCUPIES HIMSELF WITH TORAH DURING THE NIGHT. THEREFORE, MALCHUT is called 'the hind of dawn', SINCE SHE PRAISES THE HOLY ONE, BLESSED BE HE, DURING THE NIGHT WITH THE PRAISE OF TORAH.

48. Rabbi Shimon said: At the time when morning is to light up, the light becomes darkened and blackened and the blackness is prevalent. Then a wife unites with her husband, for we have learned that at THE THIRD WATCH, a wife converses with her husband, NAMELY, MALE AND FEMALE, to mate with him and she enters his sanctuary.

49. When the sun must set, the night lights up and comes and takes him. Then all the gates are closed, the donkeys bray, and the dogs bark. At midnight, the King starts to arise and the Queen, WHICH IS MALCHUT STARTS, to sing. The King, WHO IS ZEIR ANPIN, comes and knocks on the gate of the sanctuary and says, "Open for Me, My Sister, My love..." (Shir Hashirim 5:2). Then He delights with the souls of the righteous.

50. Blessed is the portion of he who arose at that time with words of Torah. Therefore, all the inhabitants of the sanctuary of the Queen must arise at that time to praise the King, and they all praise before Him. The praise that rises from this world, which is far FROM HIM, is more acceptable to the Holy One, blessed be He, than all the rest.

51. When the night is gone, the morning comes and it becomes dark. The King and the Queen are in the secret of gladness, MEANING COUPLING. And He gives presents to Her and to all those in the sanctuary. Fortunate is he who is counted among THE MEMBERS OF THE SANCTUARY.

52. "And Hashem went before them by day." "AND HASHEM" MEANS the Holy One, blessed be He, and His court of law, WHICH IS MALCHUT, BECAUSE THE VAV (= 'AND') OF VAV YUD HEI VAV HEI ('AND HASHEM') INCLUDES MALCHUT. Rabbi Yitzchak said: We learned that the Shechinah travels with the Patriarchs, BECAUSE "went before them by day," is Abraham, "in a pillar of a cloud," is Isaac, and "to lead them the way," is Jacob, of whom it is written: "And Jacob went on his way" (Beresheet 32:2). "By night in a pillar of fire, to give them light" is King David.

53. They are all the holy Chariot of above. ABRAHAM, ISAAC AND JACOB ARE CHESED, GVURAH AND TIFERET, THE THREE LEGS OF THE THRONE, AND KING OF DAVID IS THE FOURTH LEG. In order that Yisrael should be perfect in everything and that the Patriarchs should see their redemption, as it is written: "And I will also surely bring you up" (Beresheet 46:4) with the Chariot, and: "And Hashem went...that they might go by day and by night." HE ASKS: Why did they travel day and night? Let them walk by day, and not by night like people who are fleeing. If the Holy One, blessed be He, guarded them, AND THEY DID NOT FEAR, why did they march day and night. HE ANSWERS: So they should be complete with everything, because there is no completeness unless day is with night, AS DAY IS THE ASPECT OF ZEIR ANPIN AND NIGHT IS THE ASPECT OF THE NUKVA. AND ALL PERFECTION PREVAILS WHEN THEY ARE JOINED TOGETHER IN THE SECRET OF: "AND THERE WAS EVENING AND THERE WAS MORNING, ONE DAY" (BERESHEET 1:5).

54. Rabbi Aba said: We have determined, "And Hashem went before them by day in a pillar of a cloud," refers to Abraham, WHO IS CHESED, and "by night in a pillar of fire," refers to Isaac, WHO IS GVURAH. If so, we can ask: where is Jacob, WHO IS TIFERET? HE ANSWERS: In the first word he is mentioned, and there he dwells, as is written: "And Hashem," WHICH IS TIFERET AND MALCHUT, AND JACOB IS TIFERET.

55. "And by night in a pillar of fire," in order to illuminate on this side BY DAY, WITH CHESED, and on that side BY NIGHT, WITH GVURAH. This was in order that when the Egyptians chased after them with their chariots and horsemen, THEY WOULD DROWN AND NOT EVEN ONE OF THEM WOULD SURVIVE, in order to glorify the Name of the Holy One, blessed be He. FOR THIS, HE NEEDED THE ASPECT OF GVURAH. In order to go day and night MEANS the illuminating mirror, WHICH IS ZEIR ANPIN THAT IS CALLED 'DAY', and the mirror that does not illuminate, WHICH IS MALCHUT THAT IS CALLED 'NIGHT'. It was also done in order to fool the Egyptians so they would say that it was a coincidence, AND IT WAS NOT HASHEM WHO DELIVERED THEM. THEREFORE, THEY WERE TRAVELING DAY AND NIGHT AS IF THEY WERE FLEEING, as written: "The Princes of Tzoan are become fools" (Yeshayah 19:13). "He turns wise men backwards" (Yeshayah 44:25). Therefore, they traveled day and night.

56. Rabbi Aba said: Happy is the portion of Yisrael, for the Holy One, blessed be He, delivered them from Egypt in order that they should be His portion and inheritance. Come and behold: from the side of Jubilee, WHICH IS BINAH, there is freedom for Yisrael. And so in the future to come, it is written: "And it shall come to pass on that day, that a great horn shall be blown" (Yeshayah 27:13).

57. Because of that Jubilee, they were delayed for fifty days AFTER THEIR REDEMPTION FROM EGYPT to receive the Torah and to approach Mount Sinai. THIS WAS BECAUSE THERE ARE FIFTY GATES IN JUBILEE, AND IN ORDER TO BETTER THEMSELVES BY THEM THEY NEEDED FIFTY DAYS. Since they traveled during the day, they ALSO traveled during the night so that it would all be one day, and there would be no separation between day and night, WHICH ARE MALE AND FEMALE.

58. And even more, they all went at their leisure, according to their own desire, IN ORDER TO COMBINE DAY AND NIGHT, WHICH ARE MALE AND FEMALE. On the day that they received the Torah, there were 50 complete days and nights, as it should be. There is no day without night, and there is no night without day, FOR THERE IS NO COMPLETENESS TO ZEIR ANPIN WITHOUT MALCHUT, AND THERE IS NO COMPLETENESS TO MALCHUT WITHOUT ZEIR ANPIN. Night and day are called 'one day', AS IS WRITTEN: "AND THERE WAS EVENING AND THERE WAS MORNING, ONE DAY" (BERESHEET 1:5). When they traveled fifty whole days, these fifty days of Jubilee dwelt upon them, WHICH ARE THE FIFTY GATES OF BINAH, and then the Torah was given to them through the side of Jubilee. Therefore, they traveled day and night.

59. Rabbi Aba said: It is written: "And it came to pass, that when Isaac was old, and his eyes were dim" (Beresheet 27:1). Why? We have explained that one who loves the wicked, HIS EYES BECOME DIM. Come and behold: in Isaac, WHO IS GVURAH, night is included, WHICH IS MALCHUT, and the night is not bright. Therefore, "his eyes were dim." It is all one, BECAUSE THE INCLUSION OF NIGHT IN ISAAC IS IN THE SAME CONTEXT AS THE LOVE OF ISAAC FOR ESAU.

60. Rabbi Yitzchak opened the discussion, saying: "And it was told the king of Egypt that the people had fled" (Shemot 14:5). HE ASKS: "And it was told." Who told him? HE ANSWERS: We have explained that his wise men and sorcerers gathered about him and informed him that the people had fled. Why did they say this? Because they saw, in their wisdom, that YISRAEL were traveling day and night. They said they were fleeing and they saw that they were not traveling on the straight road, as is written: "And they turn and encamp before Pi Hachiroth" (Ibid. 2). AND THEY INFORMED HIM OF THIS ALSO. THEREFORE, HE CHASED AFTER THEM.

60. ר' יצחק פתח ואמר, ויגד למלך מצרים כי ברח העם, ויגד, מאן קאמר ליה. אלא, הא אוקמוהו. אבל חכמוי וחרשו אתכנשו לגביה, ואודעוהו כי ברח העם. ואמאי קאמרו דא. אלא חמו בחכמתא דלהון, דהו אזלי יממא וליליא, אמרו ודאי ערקין אינון. ולא עוד אלא דחמו דלא הו אזלי באורח מישר, כמה דכתיב וישבו ויחנו לפני פי החירות.

5. "And he took six hundred chosen chariots"

Rabbi Yosi says that the 600 chosen chariots corresponds to the number of the children of Yisrael, "about 600,000 men on foot." Rabbi Chiya tells us that when the Holy One, blessed be He, gives dominion to the ministers of the nations above, He gives it to their nations below, and when He brings them down from their grade above, He brings down their nations below. The minister of Egypt led the chariots of the other peoples, all of whom fell in the sea. Rabbi Chiya explains how Pharaoh harnessed the mares before the stallions, then the stallions before the mares, depending on whether he wanted them to run, or to fight. He compares this to the verse, "And Hashem went before them by day," saying that afterwards the Shechinah went behind the children of Yisrael.

61. "And he took six hundred chosen chariots" (Ibid. 7). HE ASKS: Why 600 chariots? Rabbi Yosi said: This corresponds to the number of the children of Yisrael, as is written: "About six hundred thousand men on foot" (Shemot 12:37). The word "chosen" corresponds to the men THAT WERE IN YISRAEL, who were the principal part of all the nation of Yisrael. "And all the chariots of Egypt," were all the other chariots that were secondary and behind THE SIX HUNDRED THAT WERE MENTIONED EARLIER. They correspond to the children IN YISRAEL WHO WERE NOT INCLUDED IN THE SIX HUNDRED THOUSAND MEN ON FOOT, BUT WERE SECONDARY TO THEM, as is said: "Besides children." He did everything according to the advice of his sorcerers and wise men. "And captains over every one of them." He did everything with wisdom, for they corresponded to the celestial levels - WHICH ARE PLACED two and one OVER THEM. Rabbi Yitzchak said: This accords with the Aramaic translation: 'stimulating officers', for they were swift in everything.

61. ויקח שש מאות וגו'. שש מאות אמאי. א"ר יוסי, לקבל מניינא דישראל, דכתיב כשש מאות אלף רגלי. בחור: לקבל הגברים דאינון עקרא דכל ישראל. וכל רכב מצרים: שאר רתיבין, דאינון טפלין לאחורי, לקבל הטף דכתיב לבר מטף. וכלא עביד בעיטא דחרשו וחכמוי. ושלישים על כלו, כלא בחכמתא, לקבל דרגין עלאין, תרין וחד. ר' יצחק אמר, כתרגומו, ומרזין. זריזין הו בכלא.

62. "And he took six hundred chosen chariots." Rabbi Chiya said: It is written, "That Hashem shall punish the host of the high ones on high, and the kings of the earth upon the earth" (Yeshayah 24:21). At the time that the Holy One, blessed be He, gives dominion to the ministers of the nations above, He gives it to their nations below; and when He brings them down from their grade above, He brings down their nations below. "And he took six hundred chosen chariots." It was their minister WHO TOOK THEM. We have established that he led the chariots of the other peoples, FOR THESE SIX HUNDRED CHARIOTS WERE NOT FROM EGYPT, BUT WERE ONLY FROM THE OTHER NATIONS. They all fell in the army camp of Sisra. And this is the meaning of "SIX HUNDRED CHARIOTS chosen." Afterwards, "all the chariots of Egypt," FOR ONCE IT IS WRITTEN: "AND ALL THE CHARIOTS OF EGYPT," THEN "SIX HUNDRED CHOSEN CHARIOTS" IS SUPERFLUOUS. CERTAINLY, "SIX HUNDRED CHOSEN CHARIOTS" IS ONLY FROM THE OTHER NATIONS, AND THEREFORE IT SAYS AFTERWARDS, "AND ALL THE CHARIOTS OF EGYPT."

62. ויקח שש מאות רכב בחור. ר' חייא אמר, כתיב ופקוד יי' על צבא המרום במרום ועל מלכי האדמה על האדמה. בזמנא דקודשא בריך הוא יהיב שלטנותא לרבבוי עמין לעילא, יהיב להו לעמא דלהון לתתא. ובשעתא דנחית לון מדרגיהון דלעילא, נחית לון לעמא לתתא, ויקח שש מאות רכב בחור, הא ממנא דלהון, ואוקמוהו, דרבר רתיבין דשאר עמין, וכלהו נמלו במשריתא דסיסרא לבתר והיינו בחור וכל רכב מצרים.

63. It is written: "I compare you, O my love, to a mare of the chariots of Pharaoh" (Shir Hashirim 1:9). Come and behold: he appeared in the image of a mare to Pharaoh's horses, AND THEREFORE THEY CHASED AFTER HER, INTO THE SEA. And they explained this. But, "to a mare of the chariots of Pharaoh." Come and behold: when Pharaoh was chasing after the children of Yisrael, what did he do? He took female horses and harnessed them to the chariot up front first, and harnessed male horses behind them. The males warmed to the females, but the females were reluctant and hastened to run. When they approached Yisrael, he took the females and placed them behind and the male horses in front in order to do harm to Yisrael and to war against them, BECAUSE THE MALE HORSES WERE STRONGER THAN THE FEMALES FOR WAR.

64. Similar to this: "And Hashem went before them by day" (Shemot 13:21). Afterwards, the Shechinah returned to the rear of Yisrael, as it is written: "And the angel of Hashem...moved and went behind them" (Shemot 14:19). Therefore, "I compare you, O my love..."

6. "And when Pharaoh drew near"

Rabbi Yosi tells us that Pharaoh actually caused the children of Yisrael to come closer to the Holy One, blessed be He, because it is in times of tribulation that they remember and pray to Him. Then He becomes full of compassion for them. Speaking of Moses, Rabbi Shimon said that the shepherd of the people is really the whole people, for if he is deserving then all the people are righteous, and if he is not, the people are punished because of him. Rabbi Yehuda concludes that the merit of Jacob protected the Congregation of Yisrael.

65. "And when Pharaoh drew near" (Shemot 14:10). This passage has already established that he brought close his whole army and chariot riders to do battle. Rabbi Yosi said: We have learned here that he drew them closer to repentance; THEREFORE IT IS WRITTEN: "And when Pharaoh drew near," OTHERS AND NOT 'AND PHARAOH DREW NEAR' HIMSELF.

66. It is written: "Hashem, in trouble have they sought You, they poured out a silent prayer" (Yeshayah 26:16). "In trouble have they sought You," MEANS Yisrael did not seek the Holy One, blessed be He, at times of comfort. Only when they have trouble do they all remember and seek Him. "They poured out a silent prayer." they all pray with prayers and beseeching, and pour out prayers before Him. When? "When Your chastening was upon them" (Ibid.), at the time that the Holy One, blessed be He, chastened them with His whip. The Holy One, blessed be He, stands over them with Mercy. Their voice is favorable to Him in order to take revenge from their enemies, and He becomes full of compassion for them.

67. As we have explained the parable of the dove with the hawk, so it is with Yisrael. They were approaching the sea and saw the sea before them, raging and storming. Its waves were towering above, and they feared. They raised their eyes and saw Pharaoh and his army and flying stones and arrows, and they feared greatly. What did they do? "And the children of Yisrael cried out." Who caused the children of Yisrael to come closer to their Father in heaven? Pharaoh. This is what is written: "And when Pharaoh drew near." It has already been explained.

68. "And Moses said to the people, 'Fear not, stand still and see the salvation of Hashem'" (Shemot 14:13). Rabbi Shimon said: Fortunate is the portion of Yisrael that a shepherd like Moses goes among them. It is written: "Then He remembered the days of old, Moses, and his people" (Yeshayah 63:11). "Then He remembered the days of old" refers to the Holy One, blessed be He; "Moses, and his people," because Moses was equal to all of Yisrael. We learned from this that the shepherd of the people is really the whole people. If he merits, then all the people are righteous. If he does not merit, then all of the people have no merit and are punished because of him. This has already been explained.

69. "Stand still and see." You do not have to do battle because the Holy One, blessed be He, will do battle for you, as written: "Hashem shall fight for you, and you shall hold your peace" (Ibid. 14). Come and behold: that night, the Holy One, blessed be He, gathered His retinue and Judged the Judgment of Yisrael. If the Patriarchs had not hastened TO PRAY for Yisrael, they would not have been saved from the Judgment. Rabbi Yehuda said: the merit of Jacob protected the Congregation of Yisrael. This is what is written: "If not for Hashem, Who was with us, let Yisrael now say" (Tehilim 124:1), who IS Yisrael Saba, NAMELY JACOB.

7. "Hashem shall fight for you, and you shall hold your peace"

Rabbi Aba says that one who observes the Sabbath is as though he observed the whole Torah, as the Sabbath is the delight of everything. One should invite the Sabbath in, like a guest. On the Sabbath secular speech is forbidden because it stimulates secular things above, and the Sabbath becomes blemished. When Pharaoh was coming to do battle with Yisrael, "Hashem shall fight for you, and you shall hold your peace"; this meant that the arousal took place from above - the children of Yisrael did not need to arouse anything from below. Rabbi Yosi wonders why if Hashem is always a connotation of Mercy, there seemed to be no mercy in the act of drowning the Egyptians. Rabbi Yehuda quotes Rabbi Shimon as saying that the Judgment had been tempered with Mercy since God had desired their honor that they be buried in the ground, and He had stretched out his hand so the earth would accept them. If Yisrael had aroused from below, Judgment would not have been executed with Mercy. Even though Hashem does Judgment, He is still compassionate for His creations.

70. "Hashem shall fight for you, and you shall hold your peace" (Shemot 14:14). Rabbi Aba opened the discussion, saying: "If you restrain your foot because of the Shabbat, from pursuing your business on My Holy Day" (Yeshayah 58:13). Fortunate are Yisrael that the Holy One, blessed be He, desires them and wishes to join with them more than all the nations of the world. Because of His love for them, He brought them close to Him and gave them the Torah and the Shabbat, which is holier than all the other days. And IN IT is rest from everything, and the joy of everyone. Shabbat is equal to the entire Torah, and one who observes the Shabbat is as though he observed the whole Torah.

71. "And call the Shabbat a delight" (Ibid.). NAMELY, delight of all, delight of the soul and the body, delight of those above and those below. "And call the Shabbat." HE ASKS: What does "call" mean? HE ANSWERS: ITS MEANING IS that he should invite it, as is written: "holy gatherings (lit. 'callings of holiness')" (Vayikra 23:4), which means invited FROM THE HOLINESS, as when inviting a guest to his home. And, "And call the Shabbat a delight," is that you should call and invite it as you invite a guest with a set table, with a house which is in order as it should be, with proper food and drink, more than on the other days. "And call the Shabbat," meaning beforehand, THAT YOU SHOULD ADD FROM THE WEEKDAY TO THE HOLY. "The holy day of Hashem, Honorable" (Ibid.) is Yom Kippur (Day of Atonement), and they are two that are one, BECAUSE YOM KIPPUR AND SHABBAT ARE ONE. THEREFORE, IT SAYS IMMEDIATELY FOLLOWING THEM, "And you shall honor it, not doing your own ways" in the singular, as we explained.

72. "Nor pursuing your own business, nor speaking of vain matters" (Yeshayah 58:13). And it is explained THAT YOUR SPEECH OF SHABBAT SHOULD NOT BE LIKE YOUR SPEECH OF WEEKDAY. Because that talk, SECULAR SPEECH THAT IS SPOKEN ON SHABBAT, rises and stimulates secular things above. AND THE SHABBAT BECOMES BLEMISHED. One who invites a guest should strive to please him, and not someone else.

73. Come and behold: that word that comes from the mouth of a person rises and stimulates an awakening above, either for good or for evil. And whoever dwells in the delight of Shabbat is forbidden to stir to secular subjects, because he causes a blemish on the Holy Day. One who participates in the celebration of a king is not permitted to forsake the king and deal with someone else.

74. Every day, it is necessary to perform an action to awaken FROM BELOW of what must be awakened. BUT on Shabbat, it is necessary to awaken ONLY in the words of the Name and the Holiness of the day, and not in any other thing. FOR AN AWAKENING FROM BELOW IS NOT NECESSARY ON SHABBAT.

75. Come and behold: when Pharaoh approached to do battle with Yisrael, the Holy One, blessed be He, did not want Yisrael to awaken from below at all, because the Patriarchs preceded and caused this awakening from above. And their merit stood before Him. The Holy One, blessed be He, did not want Yisrael to arouse from below at all. This is the meaning of, "Hashem shall fight for you, and you shall hold your peace." Assuredly, you shall hold your peace, and do not arouse what is not needed by you. THE REASON IS MENTIONED LATER, and here the Holy Name is included in imprinted letters, YUD HEI VAV HEI, WHICH INDICATE MERCY, FOR IT SAYS, "HASHEM SHALL FIGHT FOR YOU," EVEN THOUGH YUD HEI VAV HEI IS MERCY AND WAR IS JUDGMENT. The friends have already commented on this, AS IS DISCUSSED AHEAD OF US.

76. Rabbi Yosi and Rabbi Yehuda were traveling on the road. Rabbi Yosi said to Rabbi Yehuda: Most certainly, we have learned that Hashem is always a connotation of Mercy, and even though He carries out wars and executes Judgment, that Judgment is with Mercy. Yet here we saw that it is written: "Hashem shall fight for you," but no Mercy was visible at all in that Judgment, for it is written: "There remained not so much as one of them" (Shemot 14:28).

77. He said to him: This subject I heard from Rabbi Shimon, for he said that there was Judgment with Mercy even here, because the sea covered them over, they perished, and afterwards the sea ejected them. But the Holy One, blessed be He, desired their honor, that they should be buried in the ground. The earth did not want to accept them until the Holy One, blessed be He, stretched out His right hand to her, and she accepted them. This is the meaning of: "You stretched out Your right hand, the earth swallowed them" (Shemot 15:12). And because of this, this Judgment was tempered with Mercy.

78. For that reason, the Holy One, blessed be He, did not want the children of Yisrael to arouse anything in the world FROM BELOW. For if the children of Yisrael had aroused something FROM BELOW, the name of Mercy would not have been aroused, and Judgment would not have been executed with Mercy. This is what is written: "Hashem shall fight for you, and you shall hold your peace." You should not arouse anything, because the name of Mercy must be aroused upon them in order to do the Judgment with Mercy. Therefore, it is necessary not to make a blemish and arouse something else; NAMELY, JUDGMENT WITHOUT MERCY. AN AWAKENING FROM BELOW WOULD CAUSE THE ACTIVATION OF ONLY JUDGMENT.

79. He said to him: But it is written, "Then shall Hashem go out, and fight against those nations" (Zecharyah 14:3). Was this Judgment with Mercy?! He said to him: Certainly, the Judgment was with Mercy because their death was not like the death of the other people of the world. Rather, the Holy One, blessed be He, had Mercy on them, so that their deaths should not be like those of the other people of the world. For they were slain gently, without pain, NAMELY, "HIS FLESH WAS CONSUMED AWAY WHILE HE STANDS UPON HIS FEET" (IBID. 12). Hence, the Judgment contained Mercy.

80. This Name always refers to Judgment with Mercy, except for one place, as written: "Hashem shall go forth like a mighty man..." (Yeshayah 42:13). HE ASKS: IS HASHEM ONLY like a mighty one, but not ACTUALLY mighty? HE SAYS: rather, He will change His garments and don other garments; THAT IS, HE WILL CHANGE HIS TRAIT OF MERCY AND DON THE GARMENT OF JUDGMENT. "Like a man of war" (Ibid.), shall He change his weapons FROM MERCY TO JUDGMENT. SO WE SEE THAT IN THIS PLACE, THE MERCY WAS CHANGED TO BECOME JUDGMENT.

81. And with all this, ONLY the Judgment is HERE more THAN MERCY, yet there is some Mercy here, as it is written, "like a mighty man," and not AN ACTUAL mighty man, WHO IS COMPLETELY JUDGMENT. "Like a man of war" (Ibid.), and not literally a man of war, WHO IS COMPLETELY JUDGMENT. Even though He does Judgment, He is still compassionate for His creations. And therefore, "Hashem shall fight for you," most certainly, "and you shall hold your peace," IN ORDER THAT YOU SHALL NOT AROUSE JUDGMENT ALONE, AS MENTIONED EARLIER. Blessed is the portion of Yisrael that the Holy One, blessed be He, has selected them for His portion and His legacy, as is written: "For the portion of Hashem is His people, Jacob is the lot of His inheritance" (Devarim 32:9).

8. "Why do you cry out to me"

Rabbi Yehuda speaks about Jonah crying out to Hashem out of the belly of the fish. Rabbi Elazar confirms his statement that the fish died while Jonah was still in its belly, and says that when Jonah prayed his prayer, God revived the fish and brought it out to the dry land where it vomited out Jonah. He returns to the subject of the splitting of the sea, telling us that God told the children of Yisrael to go forward and refrain from speaking, because this was not a time for prayer.

82. "And Hashem said to Moses, 'Why do you cry out to Me?'" (Shemot 14:15). This is explained in Sifra Detzni'uta ('the Hidden Book), and there is its secret. "And Hashem said to Moses..." Rabbi Yehuda opened the discussion, saying: "Then Jonah prayed to Hashem his Elohim out of the fish's belly" (Yonah 2:2). In, "Now Hashem had appointed a great fish" (Ibid. 1), "appointed" MEANS as you say, "And the king appointed them a daily provision" (Daniel 1:5), as well as, "Who has appointed your food" (Ibid. 10), WHICH IS A TERM OF GIVING A PORTION.

83. But this passage should have said, 'And Hashem appointed Jonah for the fish', for he was the portion that HASHEM sent to THE FISH. AND HE ANSWERS: Assuredly, this fish was a portion for Jonah, to guard him from all the other fish of the sea, and that he would be concealed in it. As soon as HASHEM brought him into the fish, Jonah saw in its belly the breadth of his entrails, WHICH WAS like a large chamber, and the two eyes of the fish were brightly illuminating, like the sun. There was a precious stone in its entrails that shown on for him, and he saw everything existing in the sea and in its depths.

84. And you may question the meaning of: "I cried to Hashem out of my distress (also: 'narrow')" (Yonah 2:3)? It does not seem FROM THIS that he had very much space. HE ANSWERS: Rather, after this fish showed him all that there is in the sea and in the depths, it died. For it could not tolerate him for three days. Then it became 'narrow' for Jonah.

80. ובכל אתר, שמא דא, דינא ברחמי איהו, בר אתר חד, דכתיב יי בגבור יצא וגו'. וכי בגבור ולא גבור. אלא ישני לבושוי, וילבש לבושין אחרנין. כאיש מלחמות, ישני זיניה.

81. ועם כל דא, דינא הוא יתיר, אבל רחמי ביה, כמה דכתיב, בגבור, ולא גבור. כאיש מלחמות, ולא איש מלחמות. ודאי אף על גב דעביד דינא, חס על עוברוי, ועל דא, יי ילחם לכם ודאי ואתם תחרישון. זבאה חולקהון דישראל, דקודשא בריך הוא בריר לון לחולקיה ואחסנתיה, דכתיב בי חלק יי עמו ועקב חבל נחלתו.

85. Rabbi Elazar said: When Jonah saw all that spaciousness, he rejoiced. The Holy One, blessed be He, said: And what do you need more, is it for this that I brought you here? What did THE HOLY ONE, BLESSED BE HE, do? He slew that fish and it died. All the other fish circled around the fish; one bit it from one side and another bit from another side. Then Jonah saw himself in distress. Immediately, "Jonah prayed to Hashem."

86. HE ASKS: First the verse refers to it as "dag" ('fish': masc.) and then it refers to it "dagah" ('fish': fem.). HE ANSWERS: IT IS BECAUSE IT HAD ALREADY DIED, AS IS WRITTEN: "And the fish (Heb. dagah) in the river died" (Shemot 7:21). Then it is written: "I cried to Hashem out of my distress," and it is not written 'I was in distress' or 'I dwelt in distress', but rather, "I cried" out of distress, as the fish of the sea distressed me. "Out of the belly of Sheol I cried" (Yonah 2:3), for it had died. It is not written: 'out of the belly of a living thing,' or 'out the belly of a fish,' but rather it was definitely dead, AND THEREFORE IT WAS CALLED 'SHEOL'.

87. As soon as he prayed his prayer, the Holy One, blessed be He, accepted it. He revived that fish and brought it out to the dry land before the eyes of everyone, as is written: "And Hashem spoke to the fish and it vomited out Jonah" (Yonah 2:11). They all saw the work of the Holy One, blessed be He.

88. It is written, "Then Jonah prayed to Hashem his Elohim from the fish's belly," MEANING THAT HE PRAYED to the place to which he was bound, THE ASPECT OF MALCHUT. This is understood from the words: "Hashem his Elohim." It is not written: 'Then he prayed to Hashem' and nothing more, but "Hashem his Elohim," WHICH ALLUDES TO THE ASPECT TO WHICH HE WAS BOUND. Here also, "And Hashem said to Moses, 'Why do you cry to Me?'" "...to Me," NAMELY, TO MY ASPECT, WHICH IS TIFERET, TO WHICH MOSES WAS CONNECTED. BUT RATHER IT WAS DEPENDENT UPON MAZAL AS IT IS WRITTEN THAT THE SPLITTING OF THE RED SEA IS DERIVED FROM MAZAL, THE SECRET OF THE HOLY DIKNA ('BEARD').

89. "Speak to the children of Yisrael, that they go forward" (Shemot 14:15), MEANING that they should go forward and refrain from speaking excessively, because now is not a time for prayer. HE ASKS: "That they go forward." To which place did He command them to go, seeing that they were camping by the sea? HE ANSWERS: It refers to the above, as it is written, "Why do you cry to Me?" WHICH MEANS TIFERET, AS MENTIONED EARLIER. They all stood in this place, IN TIFERET, FOR ALL THE CHILDREN OF YISRAEL WERE CONNECTED TO TIFERET. Therefore, he said, "that they go forward," that the children of Yisrael should go forth FROM TIFERET, AND COME AND CONNECT WITH MAZAL. WHICH IS DIKNA ('BEARD'), AS MENTIONED. For now is not the time FOR TIFERET, BUT RATHER THE MATTER DEPENDS UPON MAZAL, AS MENTIONED BEFORE.

9. "But lift up your rod"

Rabbi Elazar says that the rod, whether it is called 'the rod of Moses' or 'the rod of Elohim', is for the purpose of rekindling the aspect of Gvurah. Rabbi Shimon clarifies that since water emerges from the side of Gvurah, "lift up your rod" is to dry up the water, and "stretch out your hand" is to return the water and spill it over the Egyptians.

85. דָּאָמַר רַבִּי אֶלְעָזָר, בֵּינוֹן דְּחַמָּא יוֹנָה כֹּל הָהוּא רוּחָא, הוּהוּ חֲדִי. אָמַר קוּדְשָׁא בְּרִיךְ הוּא, וּמָה תְּבִיעֵי יַתִּיר, לְהָא אֶעֱיֹלְנָא לָךְ הַכָּא. מָה עֵבֶד, קִטְל לְהָהוּא נוּנָא וּמִית, וְכֹל שָׂאֵר נוּנֵי יַמָּא, הוּוּ סַחְרֵי סַחְרֵינָה דְּהָהוּא נוּנָא, דָּא נְשִׁיךְ לִיה מֵהַאי גִיסָא, וְדָא נְשִׁיךְ לִיה מֵהַאי גִיסָא. בְּדִין חָמָא יוֹנָה גְרַמוּי בְּעֵקוּ, מִיַּד וַיִּתְפַּלֵּל יוֹנָה אֶל יְיָ.

88. מָה בְּתִיב, וַיִּתְפַּלֵּל יוֹנָה אֶל יְיָ אֱלֹהֵי מִמְעֵי הַדָּגָה, לְאַתֵּר דְּהוּהוּ קִשְׁיֹר בֵּיה, מִשְׁמַע דְּכַתִּיב יְיָ אֱלֹהֵי, וְלֹא בְּתִיב וַיִּתְפַּלֵּל אֶל יְיָ וְלֹא יַתִּיר, אֲלֵא יְיָ אֱלֹהֵי. אוּף הַכָּא, וַיֹּאמֶר יְיָ אֶל מֹשֶׁה מָה תִּצְעַק אֵלַי. אֵלַי דִּיּוּקָא.

90. "But lift up your rod" (Shemot 14:16). Lift up your rod, upon which is etched the Holy Name, and stretch your hand to the side of the Holy Name. As soon as the waters see the Holy Name, they will flee from it. Therefore, stretch your hand to one side OF THE ROD, because the other sides of the rod will be necessary for other matters, NAMELY, TO HIT THE ROCK.

91. Rabbi Elazar said: I see that sometimes this rod is called 'the rod of Elohim' and sometimes it is called 'the rod of Moses'. Rabbi Shimon said: In the book of Rabbi Hamnuna Saba (the elder), he says that it is all one, whether it says 'THE ROD of the Holy One, blessed be He', or 'THE ROD of Moses'. The purpose of this rod is to rekindle the aspect of Gvurah. Therefore, THE VERSE SAYS, "Stretch out your hand," WHICH MEANS the left hand, which is at the side of Gvurah.

92. Rabbi Shimon said: Woe to those who do not see and do not look at the Torah. The Torah calls before them daily but they do not pay attention. Come and behold: water rises in the world and water emerges from the side of Gvurah. But now the Holy One, blessed be He, wanted to dry up the water. Thus, why DOES THE VERSE SAY, "And stretch out your hand," which is the left hand, NAMELY GVURAH?

93. HE ANSWERS: Rather, "lift up your rod," is to dry up the water, and "stretch out your hand," is to return the water, to activate the side of Gvurah and to turn the water on Egypt. Therefore, there are two things here, for it is written: "Lift up your rod, and stretch out your hand over the sea, and divide it." ONE ELEMENT IS TO DRY OUT THE WATER, AND THE OTHER IS TO TURN THE WATER OVER EGYPT.

94. HE ASKS: HOW WAS IT POSSIBLE TO DRY THE LAND IN THE MIDST OF THE SEA, for there were pits IN IT? HE ANSWERS: THE Holy One, blessed be He, performed a miracle within a miracle, as is written: "And the depths were congealed in the heart of the sea" (Shemot 15:8). They were walking on the dry ground within the sea. This is what is written: "And the children of Yisrael went into the midst of the sea on the dry ground" (Shemot 14:22).

10. "And He took off their chariot wheels"

Rabbi Shimon opens with "And He took off their chariot wheels," and, "Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures." He tells us that The Holy One, blessed be He establishes His dominion through the Patriarchs. Jacob is attached to the Tree of Life, which never has any death in it, so God made him the chosen among the Patriarchs. The thrust of this whole section is that when the Holy One, blessed be He wants to remove someone from power on this earth, He first removes their dominion above. We read about the legions of above with all the Chariots entwined together and under the command of the highest holy beast. They all go and swim in the great sea, where the waves are judgments. Rabbi Yitzchak tells us that when the children of Yisrael approached the Red Sea, the Holy One, blessed be He called the minister who was appointed over the sea and told him that it was time to fulfill the condition that had been made when the sea was first created, that it should split before His children when the time came. And the reason that the Egyptians were killed by the sea was that the upper sea aroused against them. The minister over Egypt had oppressed the Congregation of Yisrael with enslavement, so he was broken first, and then all the kingdoms below were broken.

90. וְאַתָּה הָרַם אֶת מִטְּךָ וּגּו'. הָרַם אֶת מִטְּךָ, דִּי בֵּיה רְשִׁים שְׁמַא קְדִישָׁא, אֲרַבִּין יֶדְךָ בְּסִטְרָא דְשְׁמַא קְדִישָׁא, וְכִיוֹן דִּיחֻמוֹן מִיָּא שְׁמַא קְדִישָׁא, יַעֲרְקוֹן מִנֶּיהָ. וְעַל דָּא, וְנִטָּה אֶת יֶדְךָ, לְסִטְרָא חֲדָא, דְּסִטְרִין אַחֲרָנִין דִּיהוּא מְטָה, אֲצִטְרִיךְ לִיה לְמַלִּין אַחֲרָנִין.

95. "And He took off their chariot wheels" (Shemot 14:25). Rabbi Shimon opened the discussion with the verse: "Now as I beheld the living creatures, behold one wheel upon the earth by the living creatures" (Yechezkel 1:15). This passage has been explained, and we studied it. Yet come and behold: the Holy One, blessed be He, shows His dominion in every way, and His dominion will not depart forever and ever.

96. And He establishes His dominion through the Patriarchs. He took Abraham and maintained the world through him, as written: "These are the generations of the heavens and earth when they were created (Heb. behibar'am)" (Bereshheet 2:4). And they explained it. DO NOT READ IT AS "BEHIBAR'AM" BUT RATHER "BEABRAHAM" ('IN ABRAHAM') FOR HEAVEN AND EARTH HAD BEEN MAINTAINED THROUGH HIM. He took Isaac and planted the world through him so it should exist always. This is what is written: "And My Covenant will I establish with Isaac" (Bereshheet 17:21). He took Jacob and placed him before Him, and was delighted with him and glorified Himself with him. This is what is written, "Yisrael, in whom I will be glorified" (Yeshayah 49:3).

97. Come and behold: Jacob is attached to the Tree of Life, which never has any death in it, for all the living are established and perfected in this tree that gives life to all that grasp on to it. Therefore, Jacob did not die. And when did he die? It occurred when it was written: "He gathered up his feet into the bed" (Bereshheet 49:33). "The bed" is as you say, "Behold it is his litter, that of Solomon" (Shir Hashirim 2:7), WHICH IS MALCHUT. About this bed, it is written: "Her feet go down to death" (Mishlei 5:5). Therefore, it is written: "He gathered up his feet into the bed," and then, "and he expired and was gathered unto his people." BUT AS LONG AS HE HELD ON TO THE TREE OF LIFE, WHICH IS ZEIR ANPIN, HE DID NOT DIE BECAUSE DEATH IS ONLY FROM THE ASPECT OF MALCHUT, AS EXPLAINED. Then the Holy One, blessed be He, made Jacob the chosen among the Patriarchs. This is what is written: "Jacob whom I have chosen" (Yeshayah 41:8).

98. Come and behold: see all the legions of above THAT ARE DRAWN FROM THE FOUR COMPANIES OF THE SHECHINAH, WHICH ARE THE WHEELS. All the Chariots are entwined with each other, levels with levels. The upper and the lower EVOLVE, THE ONE FROM THE OTHER, AND COMBINE, THE ONE WITH THE OTHER. And there is a holy living creature over them, WHICH IS THE NUKVA. FOR THERE ARE FOUR LIVING CREATURES, AS MENTIONED, AND THE NUKVA IS THE FOURTH. All the multitude hosts and the legions travel under her command. They travel and camp according to her instructions, FOR ALL THE CHARIOTS AND THE LIVING CREATURES AND THE WHEELS POSSESS ONLY WHAT THEY RECEIVE FROM THIS HIGHEST HOLY LIVING CREATURE.

99. This is the living creature that all the other living creatures hold on to. And from her evolved many other living creatures upon living creatures, MEANING THAT MANY LIVING CREATURES EVOLVED ONE FROM ANOTHER, and levels combined with levels. All those of above and of below go and swim in the sea, WHICH IS THE NUKVA, FOR THOSE OF ABOVE ARE INCLUDED IN HER, THEY GIVE FORTH INFLUENCE TO HER. AND THE LOWER ARE INCLUDED IN HER AND RECEIVE FROM HER. This is what is written: "So is this great and wide sea, wherein are creeping things innumerable" (Tehilim 104:25).

100. When the sea raises its waves, WHICH ARE JUDGMENTS, all the ships go up and down, MEANING THEY GO UP UNTO THE HEAVENS AND DOWN TO THE DEPTHS. It is stormy and a strong wind blows over it powerfully. And the fish of the sea are scattered to every side, these to east and these to west, these to north and these to south. THESE FISH OF THE SEA see a sign on all the people of the world BECAUSE OF THEIR SIN, and they take them and swallow them in caves in the ground.

101. None of the ships move from their places, or go up or down, except when the one leader of the sea arrives and knows how to settle and appease the stormy wind of the sea. As soon as he rises over the sea, it rests from its rage and becomes placid. Then all the ships continue on their straight course and do not turn right or left. This is what is written: "There go the ships: this is the Livyatan, whom you have made to play therein" (Ibid. 26). "This" is exact, WHICH IS THE SECRET OF YESOD OF ZEIR ANPIN THAT IS CALLED 'THIS' (MASC.), WHICH IS THE SECRET OF THE CENTRAL COLUMN. All the fish of the sea gather to their place and all the animals rejoice with them, and the animals of the supernal field rejoice. This is what is written: "Where all the wild beasts play" (Iyov 40:20).

102. Come and behold: as it is above, IN CHESED, GVURAH, AND TIFERET OF ZEIR ANPIN, so is it below, IN NETZACH, HOD, AND YESOD OF ZEIR ANPIN. And what is below is also in the Lower Sea, WHICH IS MALCHUT. ANOTHER VERSION: as it is above, IN CHESED, GVURAH, AND TIFERET OF ZEIR ANPIN, so it is in the supernal sea, WHICH IS BINAH, and as it is in the higher above, so it is down below, IN NETZACH, HOD, AND YESOD OF ZEIR ANPIN. Whatever is down below is in the Lower Sea, WHICH IS MALCHUT.

103. I have already commented to the friends about the body of that SUPERNAL sea, WHICH IS BINAH. The length and breadth OF IT, the head and arms and the body are all as they should, and each is called by its name. Similarly, below in the Lower Sea, WHICH IS MALCHUT, there is also the head of the sea, the arms of the sea, and the body of the sea.

104. It is written: "Zvulun shall dwell at the shore of the seas" (Beresheet 49:13). HE ASKS: But there was only one sea in his Heritage, WHY DOES IT SAY "AT THE SHORE OF THE SEAS"? HE ANSWERS: But what does "the shore of the seas" mean, for the comrades certainly explained it in accordance with the supernal secret. "And his border shall be at Tzidon" (Ibid.), is as it is written: "That came out of the loins (also thigh) of Jacob" (Shemot 1:5), for Zvulun was the right thigh of the body, WHICH IS NETZACH. AND THEREFORE THE TORAH VERSE SAYS, "AND HIS BORDER (ALSO: 'THIGH')." The Sea of Galilee was in his inheritance, and from here the purple fish is available for the purple dye.

105. Come and behold: how many chariots upon chariots there are, and the wheels of the chariot race speedily, and the supports of the chariot do not refrain from traveling on them. And it is so for all of them. Come and behold: examine the Chariot of the minister over Egypt. As was explained, there was no complete chariot to be found, as it is written: "And He took off their chariot wheels" (Shemot 14:25). There were many chariots that traveled upon the support of one wheel that was appointed over them. As soon as it was removed from its dominion, then all the Chariots were removed from their control and could not travel. Then all of those below, IN THIS WORLD, were removed from their dominion, as is written: "And Egypt even Pharaoh, and all those who trust in him" (Yirmeyah 46:25).

106. At that time, the government of Egypt ruled over all the other nations. As soon as the power of Egypt was crushed, the power of the other nations was broken. How do we know? For it is written: "Then the chiefs of Edom shall be amazed" (Shemot 15:15). And, "The people shall hear, and be afraid" (Ibid. 14), because at that time they were all attached to the service of Egypt, they depended upon Egypt to help them, and they all requested assistance from Egypt to strengthen themselves. Therefore, when they heard of the mighty acts that the Holy One, blessed be He, performed in Egypt, they were discouraged and were unable to stand firm. And they all quaked and trembled and lost their power.

107. Certainly, when their strength was broken above, the strength of all those attached to him was broken, for once the strength of all of them was broken above, all those below were broken because of that strength which was broken first. Therefore, "He took off his chariot wheels (lit. 'wheel')," NAMELY, THE STRENGTH FROM ABOVE, AS MENTIONED EARLIER. "That they drove heavily" (Shemot 14:25). Once it was broken, they could not move.

108. Come and behold: it is so, for it is not written: 'And He took off his chariots' wheels' or 'chariot wheel', MEANING EITHER BOTH IN PLURAL, OR BOTH IN SINGULAR. But rather it is written: "And He took off his chariots' wheel." "WHEEL" IS SINGULAR, AND "HIS CHARIOTS" IS PLURAL, AND THAT IS because 'WHEEL' (HEB. OFAN) is the power to which all of them were attached, AS IS WRITTEN ABOVE. IT IS THEREFORE WRITTEN IN THE SINGULAR FORM.

105. ת"ח, במה רתיכין על רתיכין אשתכחו, וגלגלוי דרתיכא רהטין בבהילו, ולא מתעבבי אינון סמכי רתיכא, לנטלא עליהון. וכן בלהו. ת"ח, רתיכא די ממנא על מצראי, אוקמוה, רתיכא שלימתא לא אשתכח, דהא כתיב ויסר את אופן מרכבותיו, במה רתיכין הו, דהו נטלין על חד סמיך גלגלא, דאתפקדו עליהו, בין דאתעבר האי משולטנותא דיליה, בלהו רתיכין אתעברו משולטניהון, ולא נטלו. כדן בלהו לתתא אתעברו משולטנותא, דכתיב על מצרים ועל פרעה ועל הבוטחים בו.

108. תא חזי דהכי הוא, דלא כתיב ויסר את אופני מרכבותיו, או אופן מרכבתו, אלא ויסר את אופן מרכבותיו. בגין האי חילא, דכלהו הו מתדבקן ביה.

109. WE CAN also EXPLAIN: "And he took off his chariots' wheel." Come and behold: happy is the portion of Yisrael that the Holy One, blessed be He, wanted to join with them and to be their portion, and that they should be His portion. This is what is written: "And hold fast to Him" (Devarim 13:5), and, "But you that did cleave to Hashem your Elohim" (Devarim 4:4), to Hashem indeed. It is also written, "For Yah, has chosen Jacob for Himself" (Tehilim 135:4), and, "For Hashem's portion is His people, Jacob is the lot of His inheritance" (Devarim 32:9), for He brought them forth from the holy seed to be His portion. THIS IS NOT SO FOR THE OTHER SIDE AND THE NATIONS OF THE WORLD, WHICH HAVE NO CONNECTION TO ZEIR ANPIN. Therefore, He gave them the Holy Torah that was concealed two hundred years before the world was created, and this has already been explained. Because of His love, He gave it to the children of Yisrael to follow and to cleave unto it.

110. Come and behold: All the camps of above and all the Chariots are all joined one to the other, levels by levels; those of above and those of below ARE BOUND TOGETHER. And it was explained that it is written: "So is this great and wide sea" (Tehilim 104:25). And the living creature is over them, WHICH IS THE NUKVA THAT IS FROM THE CHEST AND HIGHER OF ZEIR ANPIN THAT RECEIVES FROM THE THREE LIVING CREATURES OF ZEIR ANPIN. AND SHE IS THE FOURTH LIVING CREATURE THAT ALL RECEIVE FROM, EVEN THE CHARIOTS OF THE OTHER SIDE, AND THE NATIONS OF THE WORLD. All the multitudes and the camps travel under her command. According to her instructions they travel, and by her word they rest. When she travels they all travel, because they are all joined to her.

111. Come and behold: when the Holy One, blessed be He, wanted to remove the multitudes of Pharaoh below, He first removed their power, as we explained. What did He do? He removed and detached that upper holy place that led all those Chariots OF THE MINISTER OF EGYPT ABOVE, AS EVERY CHARIOT WAS UNDER ITS COMMAND, EVEN THOSE OF THE OTHER SIDE. As soon as it left, then all the camps AND THE CHARIOTS could not travel. Since they could not, the Minister of Egypt was removed from his dominion with a flaming fire, and then the dominion of Egypt was removed. Therefore, THEY SAID, "Let us flee from the face of Yisrael." What is the reason? Because they saw the Minister of Egypt burned in fire.

112. Rabbi Yitzchak said: When Yisrael approached the sea, the Holy One, blessed be He, called the minister who was appointed over the sea. He said to him: 'At the time that I made the world, I appointed you over the sea, and conditioned the sea so that its water should split before My children. Now the time has arrived for My children to pass in the midst of the sea.' And afterwards, it is written: "And the sea returned to its strength (Heb. eitano) when the morning appeared" (Shemot 14:27). What is Eitano? The condition (Heb. tenao) that it had with the Holy One, blessed be He, when He created the world, BECAUSE EITANO ('ITS STRENGTH') IS SPELLED WITH THE SAME LETTERS AS TENAO ('HIS CONDITION').

109. ותו, ויסר את אופן מרכבותיו, תא חזי, זכאה חולקהון הישראל, דקודשא בריך הוא אתרעי בהו, לאתדבקא בהו, ולמהויו להו חולק, ולמהויו אינון חולקיה. הדא הוא דכתיב, ובו תדבקון. וכתיב ואתם הדבקים ביני אלהיכם, ביני ממש. וכתיב כי יעקב בחר לו יזה. וכתיב כי חלק יני עמו יעקב חבל נחלתו. דאפיק לון מזרעא קדישא, למהויו חולקיה, ועל דא יזהב לון אורייתא קדישא עלאה, גניזא תרי אלפין שנין, עד לא יתברי עלמא, והא אתמר. ובגין רחומותא דיליה יזהב לישראל, למהר אבתרה, ולא תדבקא בה.

112. ר' יצחק אמר, בשעתא דקריבו ישראל לימא, קרא קב"ה לממנא רברבא דעל ימא, אמר ליה, בשעתא דעבדיית אנא עלמא, מניתי לך על ימא, ותנאי אית לי על ימא, די יבזע מימיו מקמי בני. השתא מטא עדנא, דיעברון בני בגו ימא. לבתר מה כתיב, וישב הים לפנות בקר לאיתנו. מאי לאיתנו, לתנאו דהוה ליה בקודשא בריך הוא כד ברא עלמא.

113. Yisrael were dwelling by the sea and saw the waves rising and falling. They raised their eyes and saw Pharaoh and his multitudes. They feared and cried out, as has already been explained: "The sea saw" (Tehilim 114:3). HE ASKS: What did the sea see? AND HE ANSWERS: It saw the coffin of Joseph and fled from before it. For what reason? Because it is written OF JOSEPH, "And fled, and went outside" (Beresheet 39:12). DUE TO THIS, "The sea saw it, and fled." It is written: "And He took off their chariot wheels...Let us flee from the face of Yisrael." What is the reason? It is because they saw the land of Egypt and it looked as though it was burning with fire. Then they said, "Let us flee from the face of Yisrael."

114. Rabbi Chiya and Rabbi Yosi were traveling in the wilderness. Rabbi Chiya said to Rabbi Yosi: Come and I will tell you. When the Holy One, blessed be He, wishes to remove a government on the earth, He does not do it until he removes its dominion in heaven. And He does not remove the dominion in the heaven until He appoints another in its place, so that their service in heaven shall not be lacking, in order to fulfill what is written: "And gives it to whomever He will" (Daniel 4:14). Rabbi Yosi said: Certainly, it is so.

115. Rabbi Yosi opened the discussion, saying: "Hashem our Master, how majestic is Your Name on all the earth" (Tehilim 8:2). "Hashem our Master," MEANS that when the Holy One, blessed be He, wishes to break the power of the heathen nations, He strengthens His Judgment over them, breaks them, and removes their dominion from before Himself.

116. "Who (Heb. asher) have set Your glory above the heavens" (Ibid.). HE ASKS: It should have been written 'who have set' 'or set Your glory'. Why, "Who have set Your glory"? HE ANSWERS: This is the secret of the river that is the deepest of all, WHICH IS BINAH. And David prayed his prayer to draw from it unto the heaven, WHICH IS ZEIR ANPIN. And this "asher," WHICH IS THE NAME OF BINAH, is as is written: "I will ever be what (Heb. asher) I am" (Shemot 3:14).

117. At the time that this deepest river, WHICH IS BINAH, is drawn and goes out over the heaven, WHICH IS ZEIR ANPIN, then everything is joyous. And the Queen, WHO IS MALCHUT, crowns Herself with the King, WHO IS ZEIR ANPIN, and all the worlds are joyful. The domination of the heathen nations is removed before the Queen, and then all who cling to Her raise their heads.

118. In the meantime, they saw a man coming with a load in front of him. Rabbi Chiya said: Let us go. Perhaps this man is a heathen or an ignoramus, and it is forbidden to join him on the road. Rabbi Yosi said: Let us sit here and watch. Perhaps he is a great man.

119. In the meantime, he passed before them and said to them: At this crossing place, which is dangerous, I need company, FOR I AM AFRAID TO TRAVEL ALONE. I know a different way, let us turn off from this way. And I wish to say to you, I will not sin against you and I will not transgress what is written: "Nor put a stumbling block before the blind" (Vayikra 19:14), because you are like blind people on this way and you must not endanger yourselves. Rabbi Yosi said: Blessed is the Merciful One that we waited here. They joined him. He said to them: Do not speak anything here until we pass from here. They turned to a different way.

120. After they left that place, he said to them: On that other path, THE DANGEROUS ONE, a scholarly priest and a layman priest were once traveling. The ignoramus priest arose against him at that place and killed him. From that day AND FURTHER, anybody who passes that place endangers himself, and robbers of the hills gather there to kill and rob people. Those who are aware of this do not pass there. And the Holy One, blessed be He, demands the blood of that priest every day.

121. He opened the discussion with the verse: "This very day He will halt in Nov" (Yeshayah 10:32). The students of the Yeshivah have already explained this. But I do not say it this way to you, because I have learned the secret of the matter. What is "This very day"? It is written, "And Aaron took him Elisheva the daughter of Aminadav...to wife" (Shemot 6:23), and this is the secret regarding the Congregation of Yisrael, WHICH IS MALCHUT CALLED 'ELISHEVA', BECAUSE OF THE SEVEN (SHEVA) SFIROT SHE POSSESSES. Aaron is Her attendant who manages her house and serves Her, and brings Her to the King, WHICH IS ZEIR ANPIN, to join them together. From now onwards, every priest who serves in the Temple is MALCHUT'S ATTENDANT, like Aaron.

122. Achimelech was the supernal High Priest, and all priests that were with him were all best men of the Queen, WHICH IS MALCHUT. After they were killed, the Queen remained alone, WITHOUT UNION WITH ZEIR ANPIN. Her attendant was lost, and there was no one to serve Her and manage Her house and make Her happy in order to be united with the King. So from that day, She went over to the left side, and stood lurking over the world. That sin killed Saul and his sons, and many thousands and ten thousands of Yisrael died. It was suspended, until Sancheriv came and terrified everyone.

123. Thus, the meaning of, "This very day he will halt in Nov," is the supernal day. What is it? This is the Congregation of Yisrael, WHICH IS MALCHUT, who lost her attendant, so that She remained without the right to join with the left, because the priest is the right. And therefore, "this very day He will halt in Nov," TO DEMAND JUDGMENT FOR THE SLAYING OF NOV, THE CITY OF THE PRIESTS, UNTIL, THROUGH THAT SIN, THE VERSE CONCLUDES: "AND LEBANON SHALL FALL BY A MIGHTY ONE" (YESHAYAH 10:34).

124. Come and behold: it is written: "Giv'at Shaul is fled" (Ibid. 29). HE ASKS: Why is Saul mentioned here? AND HE ANSWERS: It is because he killed the priests IN NOV and caused that the right arm should be uprooted from the world, AS MENTIONED. BECAUSE OF HIS SIN, THE INHABITANTS OF HIS DWELLING, GIV'AT SHAUL, FLED FROM THE KING OF ASHUR (ASSYRIA). From that day onward, no person passed that place, in order not to endanger himself. Rabbi Yosi said to Rabbi Chiya: Did I not say to you that he might be a great man?!

125. He opened the discussion, saying: "Happy is the man who finds wisdom" (Mishlei 3:13). "Happy is the man," means like us, who found you and learned from you a word of wisdom. "And the man who brings forth understanding" (Ibid.), like us who waited for you, to join with you. Such is a man for whom the Holy One, blessed be He, prepared a treasure on the road, the face of Shechinah. Referring to this, it is written: "But the path of just men is like the gleam of sunlight" (Mishlei 4:18). They walked on.

126. That man opened the discussion, saying: "To David a Psalm. The earth is Hashem's and the fullness thereof" (Tehilim 24:1). HE ASKS: "To David a Psalm," IS WRITTEN in one place, and in another place, IT IS WRITTEN, "A Psalm to David." What is the difference between these? HE ANSWERS: "To David a Psalm," denotes a psalm that David said about the Congregation of Yisrael, WHICH IS MALCHUT. "A psalm to David," denotes a psalm that David said about himself.

127. "The earth is Hashem's." This is the Holy One, blessed be He, MEANING ZEIR ANPIN. "The earth...and the fullness thereof" is the Congregation of Yisrael, WHICH IS MALCHUT, and all the multitudes that join with Her. They are called "the fullness thereof," for assuredly it is so, as is written: "The whole world is full of His glory" (Yeshayah 6:3). "The world and they that dwell in it," is the earth below that is called Tevel ('world'), and is held by the Judgment of above, MEANING MALCHUT. This is what is written: "And He will Judge the world in righteousness" (Tehilim 9:9). Whether an individual, a nation, or the whole world, they will be Judged according to this Judgment, MEANING FROM THE JUDGMENT OF MALCHUT THAT IS CALLED 'RIGHTEOUSNESS'.

123. וְדָא הוּא עוֹד הַיּוֹם בְּנוֹב, דָּא הוּא יוֹמָא עֲלָאָה, וּמֵאן אִיהוּ. דָּא כ"י, דְּאֲבֵרַת שׁוֹשְׁבֵינִין דִּילָהּ, הֵהִיא דְּאֲשַׁתְּאֲרַת בְּלֵא יְמִינָא, לְאֲתֵרְבֵּקָא בְּשִׁמְאֵלָא. דִּכְהֵנָא יְמִינָא הוּא. וּבְגִין כֵּן, עוֹד הַיּוֹם בְּנוֹב לְעִמּוּד.

127. לִינִי הָאָרֶץ וּמְלוֹאָהּ. לִינִי: דָּא קוּדְשָׁא בְּרִיךְ הוּא. הָאָרֶץ וּמְלוֹאָהּ: דָּא כְּנִסְתַּת יִשְׂרָאֵל, וְכֹל אוּכְלוּסִין דִּילָהּ, דְּמִתְחַבְּרָן בְּהֵדָה, וְאֲקֵרוּן מְלוֹאָהּ וְדָאֵי הוּא. כְּמַה דְּאֵתְ אֲמַר, מְלֵא כֹל הָאָרֶץ כְּבוֹדוֹ תֵּבֵל וַיּוֹשְׁבֵי בָהּ: דָּא הוּא אֲרַעָא דְּלִתְתָּא, דְּאֲקֵרֵי תֵּבֵל, וְאַחֲרֵית בְּדִינָא דְּלַעִילָא, הֵדָּא הוּא דְּכְתִיב וְהוּא יִשְׁפּוֹט תֵּבֵל בְּצַדִּיק, בֵּין לְחַד, בֵּין לְעַמָּא חַד, בֵּין לְכָל עַלְמָא, מַהֲאֵי דִּינָא הוּא אֲתֵדְרָן.

128. Come and behold: Pharaoh was nurtured by this Judgment, and so he and all his people perished. After this Judgment OF MALCHUT was aroused against them, the minister that was appointed to rule over them was removed. Then all those below perished, as it is written: "And He took off their chariots' wheels." What is "their chariots' wheels"? MEANING the chariots of Pharaoh. And who is their wheel? THE MEANING is that minister who rules over them. Therefore, they all died in the sea. And why in the sea? Rather the upper sea, WHICH IS MALCHUT, aroused against them, and they were exterminated by it. Therefore, it is written that they "drowned in the Red Sea (Heb. suf)." Rabbi Yosi said: Assuredly it is so. And therefore, it is written: "drowned in the Red Sea (Heb. suf)," WHICH MEANS the end (Heb. sof) of the levels, NAMELY MALCHUT - THAT THEY WERE OBLITERATED BY HER.

129. Rabbi Chiya said: "that they drove heavily." What is the meaning of "heavily"? From here, we learn that a person is subsequently led on the path that he chooses to go. By Pharaoh, it is written: "And the heart of Pharaoh was hard (lit. 'heavy')." (Shemot 9:7). In this same manner, the Holy One, blessed be He, led him with actual heaviness. The Holy One, blessed be He, said to him: 'Evil one, you made your heart heavy. I will lead you in a similar way.' Therefore, "they drove heavily."

130. "So that Egypt said, 'Let us flee from the face of Yisrael...'" "Egypt said," is the minister who was appointed over Egypt, NAMELY THEIR MINISTER IN THE LOFTY HEAVENS. Rabbi Yosi said: This is difficult. Since he was already removed from his dominion, how was he able to chase after Yisrael?

131. HE ANSWERS: But certainly it is Thus. the passage, "So that Egypt said," IS NOT THEIR MINISTER BUT RATHER Egypt of below, "for Hashem fights for them against Egypt," namely Egypt of above, THEIR MINISTER. Since their power was broken above, their power and might was broken below. Hence, it is written: "For Hashem fights for them against Egypt," against Egypt specifically, which is their power above, NAMELY THEIR APPOINTED MINISTER. And as we established above, IN THE PLACE WHERE IT SAYS merely "king of Egypt," MEANING THAT PHARAOH IS NOT MENTIONED, THE REFERENCE IS TO THE MINISTER WHO IS APPOINTED OVER EGYPT. HERE ALSO, "AGAINST EGYPT," REFERS TO THE MINISTER APPOINTED OVER EGYPT. And, "So that Egypt said, 'Let us flee from the face of Yisrael,'" REFERS TO EGYPT OF BELOW, for they saw that their power and might of above were broken, NAMELY THEIR MINISTER.

132. Come and behold: When this Congregation of Yisrael becomes aroused, WHICH IS MALCHUT, all those who are affiliated with Her and all the others of below, NAMELY ALL THE NATIONS, are aroused. Yisrael are higher above all because they grasp Her by the trunk of the tree, MEANING WHEN SHE IS CONNECTED TO ZEIR ANPIN THAT IS CALLED THE 'TREE OF LIFE'. Therefore, Yisrael are more attached to it than all the nations of the world. And when they become aroused TO HARM THE CHILDREN OF YISRAEL, the power of those who dominate over them is broken, MEANING THEIR MINISTERS ABOVE.

133. Come and behold: that minister, the governor of Egypt, oppressed Yisrael with many types of enslavements, as we have established. He was broken first, and then all the kingdoms below were broken. It is written: "For Hashem fights for them against Egypt." Indeed, He fights for them.

133. תָּא חֲזוּ, הָאִי מִמְנָא שְׁלַטְנָא דְּמִצְרַאִי, דְּחִיק לִוְן לְיִשְׂרָאֵל, בְּכַמָּה שְׁעֵבוּדִין, כְּמָה דְּאוּקְמוּהּ. לְבִתְרָא דְּאִתְּבַר הוּא בְּקַדְמִיתָא, אִתְּבַרוּ אִינוּן מְלַכּוּתָא מְלִתְתָא, הַה"ד בִּי יִי' נִלְחָם לְהֵם בְּמִצְרַיִם. נִלְחָם לְהֵם וְדַאי.

11. "And the Angel of Elohim...moved"

This passage contains an obscure but beautiful description of the energy flow on the supernal levels, the sea with its waves of judgments rising and falling, the angels which are the fish of that sea, and the four directions of the world. It ends by saying: Let those who have wings stand firm. Let those who have faces cover their faces until He departs on His journeys. Then, "And the Angel of Elohim...moved." Tosefta (addendum)

134. "And the Angel of Elohim...moved..." (Shemot 14:19). Mishnah: Before there was pure air and before it shone, the punctured stones were clogged. Three winds that are included in three were submerged, and water was concealed under the holes. By the 72 letters, these stones returned to their place.

תּוֹסֶפֶתָא
134. וַיִּסַּע מִלְּאֲךְ הָאֱלֹהִים וּגּו'. (מִתְנִיתִין) עַד לָא אֲשַׁתְּכַח אֲוִירָא דְּכִיָּא, וְלֹא נְהִירִין, אַבְנִין נְקִיבִין הוּוּ סְתִימָאן. תְּלַת רוּחִין דְּכִלְיִן בְּתִלְתָּ, הוּוּ שְׁקִיעֵן. וּמִיִּין סְתִימָן תְּחוּת נּוֹקְבִי. בְּשַׁבְעִין וְתֵרִין אִתְּוּן אִתְּהִירוּ לְאִתְּרִיְהוּ אִינוּן אַבְנִין.

135. After the 72 levels, which are three times 72 LETTERS, the stones were split and punctured under an engraved bundle. And the levels gathered together and became one group.

135. בְּתֵר שַׁבְעִין וְתֵרִין דְּרִגִּין, וְכֵן תְּלַת זְמַנִּין, אִתְּבַקְעוּ וְאִתְּנְקִיבוּ אַבְנֵי, תְּחוּת צְרוּרָא דְּהוּוּ חֲקִיק, וְאִתְּכַנְפוּ דְּרִגִּין, וְאִתְּעִבְדוּ כְּנוּפִיא חֲדָא.

136. Afterwards, they divided and became two levels OF WATER. Half of the water congealed and half of it sank. Part went up and part went down. From here, the world started to divide.

136. לְבִתְרָא אִתְּפְלִגּוּ, וְאִתְּעִבְדוּ תֵרִין דְּרִגִּין, פְּלִגּוּתָא מִיָּא אַגְלִידוּ, וּפְלִגּוּתָא אֲשַׁתְּקַעוּ. אֵלִין סְלִיקוּ, וְאֵלִין נְחִתוּ, מְהֵכָא שְׂרָא עֲלֵמָא לְאִתְּפְלִגָּא.

137. There is another bundle above that is engraved with 72 seals of the strong seal ring, and in these the waves of the sea are submerged. When they travel, they divide to four corners. One part rises, FOR IT ILLUMINATES FROM BELOW UPWARDS, THAT IS, THE NUKVA, WHICH IS THE SECRET OF WEST. One part descends, FOR IT ILLUMINATES FROM ABOVE DOWNWARDS WITH THE LIGHT OF CHASSADIM, NAMELY ZEIR ANPIN, WHICH IS THE SECRET OF EAST. One part towards the north, WHICH IS THE LEFT COLUMN, GVURAH, and one part towards the south, WHICH IS THE RIGHT COLUMN, CHESED. When they unite together, there are flaming coals in the blade of the Revolving Sword.

137. צְרוּרָא אַחֲרָא אֵית לְעֵילָא, וְהוּא גְלִיפָא בַע"ב חֲתִימָן דְּגוּשְׁפִנְקָא תְּקִיפָא, וּבְהוּ שְׁקִיעֵן גְּלִגְלוּי דִּימָא. כַּד נְטִלִין, אִתְּפְלִגּוּ לְאַרְבַּע זְוִיִּין. פְּלִגּוּ חֲדָא סְלִיק, וּפְלִגּוּ חֲדָא נְחִית, פְּלִגּוּ חֲדָא לְסִטְר צְפוּן, וּפְלִגּוּ חֲדָא לְסִטְר דְּרוּם. כַּד מִתְּחַבְּרִין בְּחֲדָא, גּוּמְרִין דְּלִהֲטִין קִימִין, בְּלֵהֲט שְׁנָא דְּחֲרַבָּא דְּמִתְּהַפְּכָא.

138. One pillar is thrust into the sea. The level, which is a messenger of the supernal state - WHICH IS MALCHUT THAT IS FROM THE CHEST AND HIGHER - rises in this pillar higher and higher, and looks at a distance TO SEE a band of ships floating in the sea. Who observes the waves rising and falling, BECAUSE OF THE JUDGMENTS THAT THEY CONTAIN, and the wind, WHICH IS THE CENTRAL COLUMN, blows on them AND QUIETS THEM, and the fish of the sea, WHICH ARE THE ANGELS, pull all these ships in all directions of the world. IN THIS MANNER IS CHOCHMAH REVEALED.

138. חַד קִימָא נְעִיץ בְּגוּ יָמָא, דְּרִגָּא שְׁלִיחָא דְּאִפְרַכָּא עֲלָאָה, סְלִיק בְּהוּוּ קִימָא לְעֵילָא לְעֵילָא, אִסְתַּכַּל לְמִרְחִיק, קְטוּרָא דְּאַרְבִּין דְּשִׂאטִּין בִּימָא. מֵאן חֲמִי גְלִגְלִין דְּסִלְקִין וְנְחִתִּין וְרוּחָא דְּנְשִׁיב בְּהוּ, וְנוּנִי יָמָא נְגִדִין כָּל אִינוּן אַרְבִּין לְכָל סְטְרֵי עֲלֵמָא.

139. When that level, NAMELY METATRON descended FROM ABOVE THE CHEST, a thousand stand at his right and a thousand stand at his left, MEANING THAT HE DRAWS CHOCHMAH - THAT IS ALLUDED TO IN THE NUMBER 1,000 - BOTH ON HIS RIGHT AND ON HIS LEFT. And he returns FROM THE CHEST AND LOWER, and sits in his place like a king on his throne. When the sea, WHICH IS MALCHUT, swims to the four directions of the world, that level goes out with it and returns with it, and it returns with the establishing of the king.

140. Then announcements are made. Let him, WHO IS OF THOSE who have eyes, raise them higher and higher. Let those who have wings stand firm. Let those who have faces cover their faces until He departs on His journeys. Then, "And the Angel of Elohim...moved" (End of Tosefta)

12. "She is like the merchant ships"

Rabbi Chiya opens with the verse, "She is like the merchant ships; she brings her food from afar," and "from afar she brings her food." He says that the merchant ships is the Congregation of Yisrael, and that "brings her food" means by a level that dwells on her, that is the central column. He speaks about "all the rivers flow into the sea," telling of the movement and flow through that level, Yesod, down to the sea, Malchut, and from Binah to Yesod, back and forth. Rabbi Yitzchak says that those who merit the World to Come will merit the pairing of supernal Aba and Ima, which never separate.

141. Rabbi Chiya opened the discussion with the verse: "She is like the merchant ships; she brings her food from afar" (Mishlei 31:14). "She is like the merchant ships," refers to the Congregation of Yisrael, NAMELY MALCHUT. "She brings her food from afar," as is written: "Behold the Name of Hashem comes from afar" (Yeshayah 30:27). "She brings her food," meaning by one level that dwells upon her, WHICH IS THE CENTRAL COLUMN, WHICH IS THE SECRET OF YESOD OF ZEIR ANPIN. All the rivers and springs that run into the sea flow through it, as is written: "All the rivers run into the sea" (Kohelet 1:7).

142. "To the place that the rivers flow" (Ibid.). Although all the rivers flow through that level, WHICH IS YESOD, and that level lowers them down to the sea, WHICH IS MALCHUT, do not think that it poured those rivers INTO THE SEA, so that others do not dwell in it and do not flow through it as before. THEREFORE, it says again, "To the place that the rivers flow, thither they return" (Kohelet 1:7). THEY RETURN to the place of that level that the rivers went out from once - "Thither they return to go." There, they return from that high supernal place, NAMELY, FROM BINAH THEY RETURN AGAIN TO YESOD, FOR THE FLOW never halts from there and they all gather in that place IN YESOD. And why, "to go"? To go to that place of the sea, WHICH IS MALCHUT, as we have learned. And what is the name of that level? It is called 'Righteous', NAMELY YESOD OF ZEIR ANPIN.

143. Rabbi Yehuda said: It is written: "There go the ships: there is the Livyatan, whom You have made to play therein" (Tehilim 104:26). "There go the ships" MEANS THAT in this sea traverse and go THE SHIPS until they approach to join at that level, WHICH IS YESOD. Then it is written: "There is the Livyatan, whom You have made to play therein," BECAUSE LIVYATAN IS YESOD IN ZEIR ANPIN.

139. הָהוּא דְרָגָא, כִּד נְחִית מֵהָהוּא, קִיּוּמֵי אֵלֶף מִיּוּמֵינָהּ, וְאֵלֶף מִשְׁמַאֲלֵיהּ, הוּהּ תָב וְיָתִיב בְּאַתְרֵיהּ, כְּמַלְכָא בְכוּרְסֵיהּ, הָהוּא דְרָגָא דְכַד שְׂאֵטֵי יָמָא לְאַרְבַּע סְטְרֵי עֲלֵמָא, עֲמִיּה נִמְקַת, בֵּיה תָבַת, הוּא תָב בְּקִיּוּמָא דְמַלְכָא.

140. כְּדִין כְּרוּזִין נִמְקִין, מֵאן מֵאֲרֵי דְעֵינִין, יִזְדַּקְפָּאן לֹון לְעֵילָא לְעֵילָא. מֵאֲרֵיהוּן דְגִדְפִין יְקוּמוּן בְּקִיּוּמֵיהוּ. מֵאֲרֵי דְאַנְפִין, חִמִּין לֹון, עַד דְנִטִּיל בְּמִטְלָנוּי. כְּדִין וִיסַע מֵלֶאךְ הָאֱלֹהִים. (עד כאן)

144. Rabbi Yitzchak said: there is one union that is kept in friendship very high, and they never separate - WHICH IS THE SECRET OF THE UNION OF SUPERNAL ABA AND IMA, WHICH ARE THE FIRST THREE SFIROT OF BINAH. Rabbi Yehuda said: Who merits that union? He said to him: One who has a share in the World to Come, WHICH IS BINAH. And it is specifically "the World to Come," FOR ONE WHO DID NOT MERIT THE WORLD TO COME, WHICH IS BINAH, WILL NOT MERIT THAT UNION.

145. RABBI YEHUDA said to him: Behold, from here we learned what is written: "There is the Livyatan, whom (Heb. zeh) You have made to play therein." So it seems, "zeh," is mentioned WHICH IS YESOD, and Zeh ('this', masc.) and Zot ('this', fem.) are known TO BE YESOD AND MALCHUT. SO WE SEE THAT EVEN IF HE DOES NOT MERIT BINAH, HE MERITS TO RECEIVE FROM THE SUPERNAL UNION. Rabbi Aba said: You both speak well and these words of Rabbi Yehuda are beautifully exact. And the Holy One, blessed be He, has prepared everything to delight the Righteous with them. This is what is written: "Then shall you delight yourself in Hashem" (Yeshayah 58:14).

13. "And the Angel of Elohim...moved"

In this section we read of the Great Queen, Malchut, into whose hands the Holy One, blessed be He gave His authority. She is called "the way to the Tree of Life," and when she travels, her camps travel with her. We are told that she is "the Angel of Elohim" in the title verse, and she is the messenger of all, both from below to above and from above to below. Anyone who desires to speak to the Holy One, blessed be He must first notify the Queen, Malchut. The Congregation of Yisrael is also called Malchut, who are placed under her jurisdiction. Rabbi Yosi speaks about the pillar of cloud that always appears with the Shechinah. Rabbi Shimon adds that the pillar of cloud and the pillar of fire, which are Abraham and Isaac, are both present in the Shechinah. To conclude, he says that the passage, "And the Angel of Elohim, who went before the camp of the children of Yisrael, moved and went behind them," means that he moved from the side of Chesed and joined the side of Gvurah, because the time had come to become attired with Judgment.

146. Rabbi Aba said: How many thousands and how many ten thousands of holy camps does the Holy One, blessed be He, have. NAMELY, those with supernal faces, those with eyes, those with weapons, those who lament, those who sob, those who are merciful and those who judge. Above them, He appointed the Queen, WHO IS MALCHUT, to serve before Him in His sanctuary.

147. Corresponding to them, the Queen, WHO IS MALCHUT, has armed camps OF ANGELS. These armed camps have sixty faces. They are all girded with swords encircling MALCHUT. Many are leaving and many are coming. With six wings, they fly over the whole world. Fiery coals are lit before each one so that its garments are a flaming fire, and at his back is the blade of the sword that flames in the whole world to guard before Her. This is what is written: "And the bright blade of a revolving sword to guard the way to the Tree of Life" (Beresheet 3:24).

148. HE ASKS: Who is it that is called "the way to the Tree of Life"? HE ANSWERS: This is the Great Queen, WHO IS MALCHUT, which is the path to the great strong tree, WHICH IS ZEIR ANPIN called 'the Tree of Life'. It is written: "Behold it is his litter, that of Solomon; sixty valiant men are round about it, of the mighty men of Yisrael" (Shir Hashirim 3:7), that is Yisrael of above, THAT IS ZEIR ANPIN, "all girt with swords" (Ibid.).

144. רבי יצחק אמר, לעולא לעולא יתיר, אית זוגא אחרא, דשארין בחביבותא, ולא מתפרש לעלמין. אמר רבי יהודה, מאן זכי להווא זוגא. אמר ליה, מאן דאית ליה חולקא בעלמא דאתי. בעלמא דאתי דיקא.

145. אמר ליה, והא מהכא אוליפנא, דכתיב לוינתן זה יצרת לשחק בו, משמע דקאמר זה, וזה וזאת ידיען אינון. אמר רבי אבא, תרווייכו שפיר קאמריתו, והא דרבי יהודה שפיר דיקא, וכלא זמין קודשא בריך הוא לאתענגא בהו לצדיקניא, הה"ד אז תתענג על יי'.

146. אמר רבי אבא, כמה אלפין, כמה רבבן דמשיריין קדישין, אית ליה לקודשא בריך הוא, מארי דאנפין עלאין, מארי דעיינין, מארי דזיינין, מארי דיללה, מארי דיבבא, מארי דרחמי, מארי דדינא, ועולא מנייהו אמקד למטרוניתא לשמשא בהיכלא קמיה.

147. לקביל אלין, אית לה למטרוניתא, משיריין מזיינין. בשתיין אנפין משתכחו משיריין מזוינין. וכלהו חגירן חרבא, קיימאן בסחרנהא, כמה נפקין, כמה עיילין. בשית גרפין טאסין כל עלמא. קמי כל חד וחד גומרין דגור דליק. לבושוי, מתלהטא אשא. בגבוי, שננא דחרבא מתלהטא בכל עלמא, לנטרא קמה. הה"ד ואת להט החרב המתהפכת לשמור את דרך עץ החיים.

148. מאן דרך עץ החיים. דא היא מטרוניתא רבתא, דהיא ארחא, להווא אילנא רברבא תקיף, אילנא דחיי. דכתיב הנה מטתו שלשלמה ששים גבורים סביב לה מגבורי ישראל. ישראל דלעולא, כלם אחווי חרב.

149. When the Queen travels, they all travel with Her. This is what is written: "And the Angel of Elohim...moved" (Shemot 14:19). HE ASKS: Is then MALCHUT called "the Angel of Elohim"? Rabbi Aba said: Yes. Come and behold. Rabbi Shimon said: the Holy One, blessed be He, prepared before Him the Holy Sanctuary, the Supernal Sanctuary, the Holy City, the Supernal City. Jerusalem is called 'the Holy City'. ALL THESE ARE THE NAMES OF MALCHUT. Whoever comes to the King enters only from that Holy City, WHICH IS MALCHUT. FROM THERE begins the path to the King, because the path has been constructed from here.

150. Hence, it is written: "This is the gate to Hashem, into which the Righteous shall enter" (Tehilim 118:20). Every mission that the King, WHO IS ZEIR ANPIN desires, goes forth from the house of the Queen, WHO IS MALCHUT. Every mission THAT COMES from below the King, WHO IS ZEIR ANPIN, first enters before the Queen, and from there to the King. So in actuality, the Queen is the messenger of all, BOTH from below up and from above down. Therefore, she is the messenger of all. This is what is written: "And the Angel of Elohim, who went before the camp of Yisrael," meaning Yisrael of above, WHICH IS ZEIR ANPIN, and the Angel of Elohim, WHO IS MALCHUT. This is what is written about Him: "And Hashem went before them...by day and by night," and, "that they might go by day and night," as we established earlier, TO MEAN ZEIR ANPIN AND MALCHUT. SO WE SEE THAT MALCHUT WENT IN FRONT OF THE CHILDREN OF YISRAEL. THIS IS WHAT IS WRITTEN: "AND THE ANGEL OF ELOHIM, WHO WENT BEFORE THE CAMP OF THE CHILDREN OF YISRAEL, MOVED..."

151. HE ASKS: Is it an honor for the King, WHO IS ZEIR ANPIN, that the Queen, WHO IS MALCHUT, should go and do battle and go on a mission? HE ANSWERS: THIS IS SIMILAR to a king who married a lofty queen. The king saw her preciousness and that she exceeded all the other queens in the world. He said: 'All the others are considered concubines compared this queen of mine. She is above them all. What shall I do for her? All my house shall be in Her hands.' The king made an announcement: 'From now on, all the matters of the king will be given over to the hand of the queen.' What did He do? The king placed in Her hands all his weapons, all the men-of-war and the precious stones of the king - all the treasures of the king. He said: 'From now on, anyone who desires to speak with Me will not be able to speak to me, until he notifies the queen.'

152. So the Holy One, blessed be He, in His great affection and love for the Congregation of Yisrael, WHO IS MALCHUT, placed everything in Her jurisdiction. He said: All the rest are considered as nothing compared to Her. He said: "There are sixty queens...My dove, my undefiled, is but one" (Shir Hashirim 6:8-9). What shall I do for Her? Thus, all My house will be in Her hands. The King made an announcement. From now on all the matters of the King would be given over into the hands of the Queen. He placed in her hands all his weapons, spears, swords, bows, arrows, knives, catapult STONES, fortifications, wood, rocks and all soldiers. This is what is written, "Behold it is his litter, that of Solomon, sixty valiant men...all girt with swords, and expert in war..." (Shir Hashirim 3:8)

153. The King said: From now on, My wars are given over into your hand. My weapons and my soldiers shall be in your hand, and from now on you will guard me. It is written, "He who keeps Yisrael" (Tehilim 121:3), WHICH IS ZEIR ANPIN CALLED 'YISRAEL'. From now on, whoever needs me will not be able to talk to me until he notifies the queen. This is what is written: "Thus (lit. 'with Zot') shall Aaron come into the holy place" (Vayikra 16:3). AND ZOT ('THIS', FEM.) IS MALCHUT, the representative of the King in everything as we have established, so we find that everything is in Her hands. This is the honor of the Queen. This is what is written: "And the Angel Elohim...moved" (Shemot 14:19), as we have learned.

154. "And went behind them" (Ibid.). HE ASKS: What is the reason he went behind them? HE ANSWERS: It was in order that warriors, catapultors, spearmen and swordsmen should be positioned in front of them, so that they should be visible in front of them, because other camps were coming from above to do battle against Yisrael. Therefore, he "went behind them," IN ORDER TO GIVE ROOM FOR THE MEN OF WAR OF YISRAEL'S SIDE TO FIGHT WITH THEM.

155. We learned at that time the reigning minister who was appointed over Egypt came and gathered six hundred chariots of persecutors, with six hundred appointed ruling prosecuting officers on every single chariot. This is what is written: "And he took six hundred chosen chariots..." (Shemot 14:7). HE ASKS: Were not the six hundred chosen chariots the chariots of Egypt? For what reason DOES IT SAY AFTERWARDS: "And all the chariots of Egypt"? HE ANSWERS: We learned that Samael loaned six hundred prosecuting chariots to help THE PATRON ANGEL OF EGYPT. This is what is written: "And he took six hundred chosen chariots," THAT WERE NOT OF EGYPT.

156. When did the Holy One, blessed be He, repay Samael? It was during the wars of Sisra that the Holy One, blessed be He, uprooted all these chariots and they were given over to the hands of the Queen. This is what is written: "The waters of Kishon swept them away, that ancient brook..." (Shoftim 5:21). In the days to come, they will all be handed over, as is written: "Who is this that comes from Edom, with crimsoned garments from Batzrah..." (Yeshayah 63:1). Therefore, he "went behind them," MEANING THAT the Shechinah shall uproot them from the world in the end of the days.

157. "And the pillar of cloud went from before their face" (Shemot 14:19). HE ASKS: What is this pillar of cloud? Rabbi Yosi said: This is the cloud that always appears with the Shechinah, WHO IS THE ANGEL MICHAEL, and this is the cloud into which Moses entered. Rabbi Aba said: It is written: "And Hashem went before them by day in a pillar of cloud," SO WE SEE THAT IT IS NOT MICHAEL WHICH IS THE ASPECT OF SHECHINAH, but rather it is the support of the righteous, THAT IS, YESOD IN ZEIR ANPIN. He spreads CHASSADIM of his imprint, FOR YESOD SPREADS OUT CHASSADIM OVER THE CHOCHMAH IN MALCHUT AND THEN SHE IS ABLE TO ILLUMINATE. Therefore, this cloud goes by day, WHICH IS THE TIME WHEN CHASSADIM SHINE, as is written: "Yet Hashem commands his steadfast love (lit. 'Chesed') in the daytime" (Tehilim 42:9), because this cloud comes from the side of Chesed and is called 'Chesed'. A different cloud goes by night, and is called 'a pillar of fire', WHICH IS FROM THE SIDE OF MALCHUT.

158. Rabbi Shimon said: "By day in a pillar of a cloud," refers to Abraham, who is Chesed. "By night the pillar of fire," refers to Isaac, WHO IS GVURAH, and both of them are present in the Shechinah. Rabbi Aba said THAT IT IS THE SUPPORT OF THE RIGHTEOUS, for THEY are present IN THE SHECHINAH through that level.

159. The passage: "And the Angel of Elohim, who went before the camp of Yisrael, moved and went behind them," MEANS that he moved from the side of Chesed and joined the side of Gvurah - BECAUSE CHESED IS FRONT AND GVURAH IS BACK - because the time had come to become attired with Judgment.

14. "And...moved...and it came...and...stretched out"

Rabbi Aba tells us that at that moment the moon, Malchut, became attired on one side with the crowns of supernal Chesed, on the left side by the spears of Gvurah and on the third side by a purple garment called Tiferet. The number 72 is used repeatedly for emphasis and to draw together the various concepts. The 72 crowns in each of the three columns are combined in Malchut, and the Holy Name ascends from them, which is the secret of the Chariot. Rabbi Aba explains how the 72 letters are written and arranged. We learn that the Holy One, blessed be He is perfect because He encompasses the left side and the right side and we must never forget that Judgment is part of His concealed nature, so we must be careful not to incur it.

Rabbi Yitzchak returns to the time when Yisrael were trapped on the seashore with the enemy behind and the sea in front, and says that their prayers and cries to God awakened the collective light of above, and the sea executed the supernal laws. Rabbi Shimon adds that when the world needs Mercy the Holy One, blessed be He, takes pity and listens.

160. Come and behold: at that moment, the moon became full, WHICH IS MALCHUT of all THE ASPECTS, and she inherited 72 Holy Names on three sides, NAMELY THREE COLUMNS. On one side, MALCHUT was attired with the crowns of the supernal Chesed, with seventy engravings of the light of supernal Aba illuminating Her, WHICH IS THE SECRET OF "MOVED."

156. אִימְתִי אֲשֵׁלִים קֹדֶשׁא בְּרִיךְ הוּא לְסַמְא"ל. בְּקֶרְבָּא דְּסִיסְרָא, דְּעַקְר קֹדֶשׁא בְּרִיךְ הוּא לְכָל אִינוּן רְתִיכִין, וְאֲתַמְסְרוּ בִידָא דְּמִטְרוּנִיתָא. הַה"ד, נַחַל קִישׁוֹן גָּרַפְם נַחַל קְדוּמִים וְגו'. וְלִזְמַנָּא דְּאֲתִי, יִתְמַסְרוּ כְּלָהוּ, הַה"ד, מִי זֶה בָּא מֵאֲדוּם חֲמוּץ בְּגָדִים מִבְּצָרָה וְגו'. וְע"ד וַיִּלְךְ מֵאַחֲרֵיהֶם, דְּזַמִּינָא שְׂכִינְתָא בְּסוּף יוֹמִיא לְאַעְקְרָא לֹון מִן עֲלְמָא.

161. On the second side, MALCHUT was attired with the spears of Gvurah, MEANING THE JUDGMENTS IN HER, by 60 lashes of fire and ten lashes of Her own that descended from the side of supernal Ima in set Judgments. AND THIS IS THE SECRET OF THE LEFT COLUMN AND THE PASSAGE: "AND IT CAME..."

162. On the third side, MALCHUT was attired in a purple garment that the supernal King, called 'Tiferet', wore and which the Holy Son, WHO IS TIFERET, inherited with the seventy supernal crowns from the side of Aba and Ima. He includes both sides, NAMELY THE RIGHT, WHICH IS CHESED, AND THE LEFT, WHICH IS GVURAH, WHICH IS THE SECRET OF "STRETCHED OUT."

163. There are two crowns from the side of Aba and Ima, which are Ayin-Bet (72) names. We learned that there are seventy from the side of Chesed plus two witnesses. From the side of Gvurah, there are seventy plus two scribes. From the side of Tiferet, there are seventy plus two colors for glorification.

164. In this place, NAMELY MALCHUT, they are engraved one in the other, SO THAT THE 72 CROWNS IN EVERY COLUMN ARE COMBINED WITH EACH OTHER. And the Holy Name emerges from them, which is the secret of the Chariot, FOR THEY BECOME AYIN-BET (72) NAMES, EACH ONE CONSISTING OF THREE LETTERS. Here the Patriarchs are engraved, WHICH ARE CHESED, GVURAH, AND TIFERET, THE THREE COLUMNS to be joined together. Thus is the Holy Name, AYIN-BET, engraved with its letters.

165. The combination of these letters are as follows. the first set of letters, NAMELY THE 72 LETTERS IN THE PASSAGE, "AND THE ANGEL... MOVED," are written in their order in a straightforward manner - BECAUSE STRAIGHT IS AN INDICATION OF CHESED - and all the original letters are in Chesed, NAMELY, IN THE RIGHT COLUMN, to follow a straightforward manner, in a proper order.

166. The second set of letters, NAMELY THE 72 LETTERS IN THE PASSAGE, "AND IT CAME," are written backwards, MEANING THEY ARE WRITTEN FROM BELOW UPWARDS, AS WRITTEN FURTHER IN THE SECOND DIAGRAM. All the second 72 letters pertain to Gvurah so as to reveal Judgments and weapons that come from the left side. AND WHEN THEY ARE IN REVERSE ORDER, THEY ALLUDE TO JUDGMENTS.

167. The third set of letters, NAMELY THE 72 LETTERS IN THE PASSAGE, "AND MOSES STRETCHED OUT," are letters that are written so as to expose the colors, WHICH ARE THE JUDGMENTS, with which to adorn the Holy King, WHICH IS THE SECRET OF THE 72 COLORS OF GLORIFICATION. They all join and are bound to Him BECAUSE HE IS THE CENTRAL COLUMN. And He glorifies in His crowns in a straight forward manner and makes an imprint on this side and the other side - NAMELY, TO THE RIGHT COLUMN AND TO THE LEFT COLUMN - AS HE ESTABLISHES THE ILLUMINATION OF BOTH OF THEM as a King who is adorned with everything.

161. סְטְרָא תְנִינָא, אֲתִלְבַּשְׁת בְּרוּמְחֵי דְגְבוּרָה, בְּשֵׁתִין פּוּלְסֵי דְנִוְרָא, וְעֶשְׂרֵה דִילָה דְנַחְתּוּ מִסְטְרָא דְאִמָּא עֲלָאָה בְּנִימוּסֵי גְלִיפִין.

162. סְטְרָא תִלְתָּאֵי, אֲתִלְבַּשְׁת בְּלוּשֵׁי אֲרִגּוֹנָא, דְלְבִיש מְלָכָא עֲלָאָה קְדִישָׁא, דְאֶקְרוּן תַּפְאָרִית, דְיִרִית בְּרָא קְדִישָׁא, בְּשִׁבְעִין עֶטְרִין עֲלָאִין, מִסְטְרָא דְאָבָא וְאִמָּא, וְהוּא כְּלִיל לְהָאֵי סְטְרָא וְלְהָאֵי סְטְרָא.

165. צְרוּפָא דְאֲתוּוֹן אֲלִין, אֲתוּוֹן קְדָמָא, רְשִׁימִין כְּסֻדְרִין בְּאַרְח מִיִּשְׂר, בְּגִין דְכֻלְהוּ אֲתוּוֹן קְדָמָאֵי אֶשְׁתַּכְּחוּ בְּחֶסֶד, לְמַהֲךְ בְּאַרְח מִיִּשְׂר, בְּסֻדְרָא מִתְתַּקֵּן.

166. אֲתוּוֹן תְּנִינֵי, רְשִׁימִין בְּגִלְגוּלָא לְמַפְרַע, בְּגִין דְכֻלְהוּ אֲתוּוֹן תְּנִינֵי, מִשְׁתַּכְּחוּ בְּגְבוּרָה, לְגִלְאָה דִינִין וְזִינִין דְאֲתִינִין מִסְטְרָא דְשְׁמָאֲלָא.

167. אֲתוּוֹן תְּלִיתָאֵי, אִינּוּן אֲתוּוֹן רְשִׁימִין, לְאֲחֻזָּאָה גּוּוּנִין, לְאֲתַעְטְרָא בְּמִלְכָּא קְדִישָׁא. וְכֹלָא בֵּיה מִתְחַבְּרִין וּמִתְקַשְׂרִין, וְהוּא אֲתַעְטְר בְּעֶטְרוֹי בְּאַרְח מִיִּשְׂר, וְרְשִׁים לְהָאֵי סְטְרָא וְלְהָאֵי סְטְרָא, כְּמִלְכָּא דְאֲתַעְטְר בְּכֹלָא.

168. Here is marked the Holy Name, engraved with 72 letters. THAT IS, THREE TIMES 72 LETTERS IN EACH OF THE THREE COLUMNS COMBINE AND JOIN TOGETHER, AND THEY FORM 72 WORDS. EACH WORD CONTAINS THREE LETTERS FROM THE THREE COLUMNS that are adorned with the Patriarchs, NAMELY CHESED, GVURAH, AND TIFERET, which are the supernal Holy Chariot. HE ASKS: Why is the third group of letters not written IN 2 WAYS, part of them straightforward and part of them in reverse, in order to be equal to both sides - MEANING TO THE RIGHT COLUMN AND TO THE LEFT COLUMN, SINCE IT SUSTAINS THE ILLUMINATION OF BOTH. Because we learned that, "You have established equity" (Tehilim 99:4), means that the Holy One, blessed be He, establishes equity AND SUSTAINS on both sides. It is written: "And the middle bar in the midst of the boards" (Shemot 26:28), which is the Holy One, blessed be He, NAMELY THE CENTRAL COLUMN THAT SUSTAINS THE TWO SIDES. IF SO, IT SHOULD HAVE BEEN WRITTEN 'HALF STRAIGHT', LIKE THE RIGHT COLUMN, AND 'HALF IN REVERSE ORDER', LIKE THE LEFT COLUMN. Rabbi Yitzchak said: This is Jacob, and it is all one, BECAUSE JACOB ALSO INDICATES THE CENTRAL COLUMN.

169. HE ANSWERS: This is similar to a king who is perfect in everything and his mind is wholesome. What is the custom of that king? His face always shines like the sun, because he is perfect. And when he judges, he judges for good and for bad. Therefore, it is necessary to be guarded from him. He who is stupid sees the shining, laughing face of the king and does not guard himself from him. But even though he sees the face of the king shining, the wise man says: the king is surely perfect and complete in everything, his mind is whole. Yet I see that in that shine there sits judgment, but it is concealed, even though it is not visible, because otherwise the king would not be perfect, it is necessary to be cautious.

170. So it is with the Holy One, blessed be He. He is always perfect in this manner and that manner, MEANING IN THE RIGHT SIDE AND IN THE LEFT SIDE, but He only appears with a shining face. Therefore, these wicked fools are not cautious with Him. But the righteous wise men say: the King is perfect, and even though His face appears shining, Judgment is concealed in it. Therefore, it is necessary to be cautious with Him.

171. Rabbi Yehuda said: From here, WE CAN ANSWER THE QUESTION OF WHY THE 72 LETTERS OF THE CENTRAL COLUMN WERE NOT WRITTEN HALF FORWARD AND HALF IN REVERSE, FOR IT IS WRITTEN: "For I am the Hashem, I do not change" (Malachi 3:6), WHICH MEANS, 'I did not move to a different place. EVEN THOUGH THE TWO COLUMNS ARE INCLUDED IN ME, STILL IN ALL I DID NOT CHANGE MYSELF BECAUSE OF THIS TO JUMP TO THE LEFT ASPECT. RATHER, I REMAINED IN THE RIGHT ASPECT, because everything is included in Me and these two colors, WHITE AND RED, are included in Me, NAMELY IN MY CHASSADIM. THE ILLUMINATION OF THE LEFT IS NOT VISIBLE IN ME BUT IN MALCHUT.' THEREFORE, all THE LETTERS THAT ARE IN THE CENTRAL COLUMN appear in a straight way, even though the letters are attached to both sides, NAMELY, TO THE RIGHT AND LEFT. STILL IN ALL, they are written in their order in a straightforward way.

172. "And the Angel of Elohim, who went before the camp of Yisrael, moved and went behind them; and the pillar of the cloud went from before their faces, and stood behind them" (Shemot 14:19-20). Until this point is one side, Chesed to Abraham, THE RIGHT COLUMN. Rabbi Shimon said: Elazar, my son, come and behold, this secret. When Atika Kadisha shone upon the King, WHO IS ZEIR ANPIN, he illuminated on Him and crowned Him with the supernal holy crowns, WHICH ARE THE LIGHT OF CHASSADIM OF SUPERNAL ABA AND IMA, THE FIRST THREE SFIROT. When CHASSADIM reached Him, the Patriarchs, WHO WERE THE THREE COLUMNS, CHESED, GVURAH, AND TIFERET, were adorned. Then there was complete perfection. Then the Queen went on Her journeys with that perfection of the Patriarchs. And when She becomes adorned with them all, THE THREE PATRIARCHS THAT ARE THREE COLUMNS, then She is joined and has authority over everything.

173. Similarly, the Holy Name is engraved with the letters that are imprinted on the supernal Chariot, for they are the adornment of the Patriarchs.

174. Rabbi Yisa said: We found this secret in the blowing OF THE SHOFAR of Rabbi Hamnuna Saba (the elder) three times: "thus"; "thus"; "thus." THAT IS, IN: "THUS INSTILL THE OF YOU"; "THUS SPREAD THE OF YOU"; AND "THUS GIVE GLORY." BUT IT DOES NOT ACCEPT, "THUS SHALL THE RIGHTEOUS." They correspond to these three PASSAGES: "AND THE ANGEL...MOVED"; "AND IT CAME"; "AND MOSES STRETCHED OUT." This is the order, THREE AND NO MORE. Rabbi Yosi said: Everything is included and concealed in the Holy Name, MEANING THAT ALL THREE COLUMNS OF THE NAME OF AYIN-BET (72) ARE INCLUDED IN MALCHUT, so we find that the perfection of the holy Chariot is IN MALCHUT. THEREFORE, THERE ARE FOUR TIMES 72: THE THREE COLUMNS, CHESED, GVURAH, AND TIFERET AND MALCHUT. THEREFORE, "THUS" IS ALSO FOUR TIMES - MEANING, THAT HE MENTIONS ALSO, "THUS SHALL THE RIGHTEOUS."

175. Rabbi Shimon said: This is the Holy Name, the adornment of the Patriarchs, WHO ARE CHESED, GVURAH, AND TIFERET. For they become adorned in their engraving when they join together. They are the perfection of the holy Chariot, which is included in 48 words and is the perfection of everything and the mainstay of the roots.

176. Come and behold: the trunk of the tree is the name Aleph-Nun-Yud, THAT IS FOUND IN THE MIDDLE OF THE 72 NAMES, NAMELY, THE 37TH NAME. The top of all the branches of the tree IS THE NAME Vav-Hei-Vav, WHICH IS THE FIRST NAME OF THE SEVENTY TWO NAMES. The friends have already observed that the whole of the branches and the trunk and the root are found in 48 words, MEANING IN THE FIRST TWO-THIRDS OF THE SEVENTY WORDS. So it is etched in the three upper worlds - WHICH ARE CHOCHMAH, BINAH, AND DA'AT, THAT ARE INCLUDED IN THE FIRST 24 WORDS, WHICH ARE CHESED AND THE RIGHT COLUMN - and in the three lower worlds - WHICH ARE CHESED, GVURAH, AND TIFERET, THAT ARE INCLUDED IN THE SECOND 24 WORDS, WHICH ARE GVURAH AND THE LEFT COLUMN.

172. וַיֵּסַע מֵלֶאךָ הָאֱלֹהִים הַהוֹלֵךְ לִפְנֵי מַחֲנֶה יִשְׂרָאֵל וַיֵּלֶךְ מֵאַחֲרֵיהֶם וַיֵּסַע עִמּוֹד הָעֵנָן מִפְּנֵיהֶם וַיַּעֲמֹד מֵאַחֲרֵיהֶם. עַד כַּאֲן סָטְרָא חַד, חֶסֶד לְאַבְרָהָם. אָמַר רַבִּי שְׁמַעוֹן, אֲלַעֲזֹר בְּרִי, הָא חֲזִי רְזָא דָא. בְּד עֲתִיקָא קְדִישָׁא אֲנַהִיר לְמַלְכָּא, אֲנַהִיר לִיָּה, וְעֲטָרִין לִיָּה, בְּכַתְרִין קְדִישִׁין עֲלָאִין, בְּד מְטָאן לְגַבִּיָּה מִתְעַטְרִי אֲבַהֲתָא, בְּשַׁעֲתָה דְּמִתְעַטְרִי אֲבַהֲתָא, בְּדִין הוּא שְׁלִימוּ דְכֻלָּא. בְּדִין מְטְרוֹנִיתָא, נִטְלָא בְּמִטְלָמָהָא, בְּהוּא שְׁלִימוּ דְאֲבַהֲתָא. וְכַד מִתְעַטְרָא מִכְּלֵהוֹן, בְּדִין אֲתַבְּרָכָא, וְרִשׁוּתָא דְכֻלָּא בִּידְהָא.

175. אָמַר רַבִּי שְׁמַעוֹן, הַאי הוּא שְׁמָא קְדִישָׁא, עֲטוּרָא דְאֲבָהוֹן, דְּמִתְעַטְרָא בְּגִלּוּפֵיהוּ, בְּחַבּוּרָא בְּחָדָא. שְׁלִימוּ דְרִתִּיכָא קְדִישָׁא. וְאֲתַבְּלִיל בְּאַרְבַּעִין וְתַמְנֵיָא תִּיבּוֹתָא, דְּאִיהוּ שְׁלִימוּ דְכֻלָּא, וְעַקְרָא דְשְׁרָשִׁין.

176. תָּא חֲזִי, גּוּפָא דְאֵילָנָא, אָנִי אֶל"ף נו"ן יו"ד. רִישָׁא דְכָל עֲנַמֵּי אֵילָנָא, וְהִי. וְהִיא אֲתַעְרוּ חֲבַרְיָא, כֻּלָּלָא דְעֲנַמִּין וְנוּפָא וְשְׁרָשָׁא, בְּאַרְבַּעִין וְתַמְנֵיָא תִּיבּוֹן. וְהִיא אֲתַרְשִׁים בְּתַלְתָּ עֲלָמִין עֲלָאִין, וּבְג' עֲלָמִין תְּתַאִין.

177. Corresponding TO THESE - CHESED, GVURAH, AND TIFERET IN THE THREE COLUMNS OF THE NAME AYIN-BET (72) - is: "Holy, holy, is Hashem Tzva'ot" (Yeshayah 6:3). "Holy," above IN CHOCHMAH, BINAH, AND DA'AT; holy in the center, IN CHESED, GVURAH, AND TIFERET; and holy below, IN NETZACH, HOD, AND YESOD. AND SO THE FIRST "Holy" is Chesed, THE SECOND "Holy" is Gvurah, and THE THIRD "Holy" is Tiferet - THAT IS, AS WAS WRITTEN BEFORE, THAT CHESED, GVURAH, AND TIFERET ARE THE SECRET OF CHOCHMAH, BINAH, DA'AT, CHESED, GVURAH, AND TIFERET, AND NETZACH, HOD AND YESOD. They are all engraved in, as explained. Blessed is He, blessed is His Name forever and ever. Amen.

178. Rabbi Yitzchak said: At the time that Yisrael camped by the sea, they saw many multitudes, many soldiers, and many camps above and below. They all came and gathered against Yisrael, who started to pray from their anguish.

179. At that moment, Yisrael saw trouble on all sides. The sea with its towering waves was in front of them, all these multitudes and all the camps of Egypt were behind them, and above there were many Prosecutors against them. They started to cry to the Holy One, blessed be He.

180. Then it is written: "And Hashem said to Moses, 'Why do you cry to Me?'" (Shemot 14:15). We learned in the Hidden Book that "to Me" is exact, FOR IT IS THE ATTRIBUTE OF ZEIR ,ANPIN, BECAUSE it all depends upon Atika. At that moment, Atika Kadisha was revealed, goodwill was present in all the worlds above, and then the collective light shone.

181. Rabbi Yitzchak said: Then, when everything shone together, the sea executed the supernal laws-NAMELY, THE COMMANDMENT TO DROWN THE EGYPTIANS AND SAVE YISRAEL - because those above and those below were given over to it. Therefore, we say THAT ADMINISTERING CHILDREN, LONGEVITY AND SUSTENANCE are as difficult before the Holy One, blessed be He, as the splitting of the Red Sea. And everybody says this. What is the reason? Because splitting the sea depends on Atika, AS WRITTEN IN THE FORMER PARAGRAPH.

182. Rabbi Shimon said: there is one deer on earth and the Holy One, blessed be He, does much for her. When she cries, the Holy One, blessed be He, hearkens to her distress and listens to her voice. And when the world needs Mercy in relation to water, she utters voice and the Holy One, blessed be He, hearkens to her voice. Then THE HOLY ONE, BLESSED BE HE, has pity on the world, as is written: "As the heart pants after the water brooks" (Tehilim 42:2).

177. לְקַבְּלֶיהָ, קְדוֹשׁ קְדוֹשׁ קְדוֹשׁ ה' צְבָאוֹת. קְדוֹשׁ לְעִילָא. קְדוֹשׁ בְּאִמְצָעֵיתָא. קְדוֹשׁ לְתַתָּא. קְדוֹשׁ חֶסֶד. קְדוֹשׁ גְּבוּרָה. קְדוֹשׁ תְּמָרְתָּא. וְכִלְהוּ בְּשִׁבְעֵין וְתַרְיַן אֲתַגְּלִימוּ, כַּמָּה דְּאֲתַמַּר. בְּרִיךְ הוּא, בְּרִיךְ שְׁמִיהּ לְעַלְמֵי עַלְמֵין אָמֵן.

183. When she needs to give birth, she is stopped from all sides. She places her head between her knees, cries and screams, and the Holy One, blessed be He, has pity on her. He sends a snake that bites her genitals and opens her and tears that place for her, and she gives birth immediately. Rabbi Shimon said: In this matter do not question and do not test Hashem. For this exactly so.

183. וְכִד בְּעֵינָא לְאוֹלָדָא, הִיא סְתִימָא מִכָּל סְטְרִין, בְּדִין אֲתִינָא וְשׁוּיָאֵת רִישָׁא בֵּין בְּרַכָּהָא, וְצוּחָת וְרַמַּת קִלִּין, וְקוֹדֶשָׁא בְּרִיךְ הוּא חַיִּיס עָלֶהָ, וְזַמִּין לְקַבְּלָהּ חֵד נַחֵשׁ, וְנָשִׁיךְ בְּעַרְיִיתָא דִּילָהּ, וּפְתַח לָהּ, וְקָרַע לָהּ הֵהוּא אֲתֵר, וְאוֹלִידַת מִיַּד. אַר"שׁ בְּהֵאִי מְלָה, לֹא תִשְׁאַל וְלֹא תִנְסֶה אֶת יְיָ, וְהֵכִי דְוֹקָא.

184. "Thus Hashem saved Yisrael that day...and Yisrael saw Egypt dead" (Shemot 14:30). The Holy One, blessed be He, showed them the minister appointed over Egypt who He had passed through the River of fire, that was on the shore of the Upper Sea, WHICH IS MALCHUT. "Dead." What is the reason that he died, AS THERE IS NO DEATH AMONG THE ANGELS? It is, as we have established, that he was removed from his dominion, AND IT WAS CONSIDERED FOR HIM AS DEATH.

184. וַיֹּשַׁע יְיָ בַּיּוֹם הַהוּא אֶת יִשְׂרָאֵל וְגו', וַיִּרְא יִשְׂרָאֵל אֶת מִצְרַיִם מֵת, הֵהוּא שְׁלֹטְנָא מִמְנָא דְמִצְרַיִם, אַחְמִי לֹון קוֹדֶשָׁא בְּרִיךְ הוּא, דְּאֵעְבֵּר לִיהּ, בְּנֵהַר דִּינּוּר, דִּהוּה בְּשַׁפְתָּא דִּימָא רַבָּא. מֵת, מֵאִי טַעְמָא מֵת. כְּמָה דְּאוֹקְמוּהּ, דְּאֵעְבְּרוּ לִיהּ, מֵהֵהוּא שְׁלֹטְנוּתָא דִּילִיהּ.

15. "And Yisrael saw that great work"

Rabbi Chiya opens with "And the children of Yisrael saw that great work (lit. 'hand')." We read of the meaning of the five fingers of each hand, and the miracles that the Holy One, blessed be He does with them; it was the miracles at the Red Sea that led Yisrael and the Pharaoh to full belief in Hashem. Until then the Pharaoh had hardened his heart against Hashem. We read that the righteous are often snared in the sins of the wicked, as were the Egyptians who had not oppressed the children of Yisrael but were nonetheless slain. When Yisrael was sent into exile in Egypt, the Holy One, blessed be He gave them constant reassurance to counter their fear. At the time they were delivered from Egypt all the patriarchs gathered to see the promises that He had made to them fulfilled, for the sake of the covenants that He had made with them. Rabbi Aba says that there is a world above and a world below; from the lower world the judgments upon the lower beings are aroused. The Holy One, blessed be He performs miracles for His people in this lower world, and it was thus that the Egyptians sank into the sea.

185. "And Yisrael saw that great work (lit. 'hand')..." (Shemot 14:31). Rabbi Chiya said: Here, WITH THE GREAT HAND was the LEFT hand completed, WHICH IS GVURAH, and all the fingers-CHESED, GVURAH, TIFERET, NETZACH, AND HOD - THAT ARE IN IT. And the LEFT hand is completed BY REASON OF it being included in the right. For we have learned that everything is included in the right and depends on the right. This is what is meant by: "Your right hand, Hashem, is glorious in power; Your right hand, Hashem, has dashed the enemy in pieces" (Shemot 15:6). EVEN THOUGH THIS PERTAINS TO GVURAH, SINCE IT DEPENDS ON THE RIGHT HAND, IT IS THEREFORE CALLED AFTER IT.

185. וַיִּרְא יִשְׂרָאֵל אֶת הַיָּד הַגְּדוֹלָהּ וְגו'. רַבִּי חֵיָא אָמַר, הֵכָא אֲשַׁתְּלִים יָדָא, וְכִלְהוּ אֶצְבָּעֵן, וְאֲשַׁתְּלִים יָדָא, דְּאֲתַבְּלִיל בֵּיהּ בְּיַמִּינָא, דִּהֵכִי תַנִּינָן, כִּלְא בְּיַמִּינָא אֲתַבְּלִיל, וּבְיַמִּינָא תְּלִיא, הֵדָא הוּא דְכִתְיִב, יַמִּינָךְ יְיָ נֹאדְרֵי כִפְחֵי יַמִּינָךְ יְיָ תִרְעֵץ אוֹיִב.

186. And Rabbi Yitzchak said: We did not find one who hardened his heart towards the Holy One, blessed be He, like Pharaoh. Rabbi Yosi said: But Sichon and Og also HARDENED THEIR HEARTS. He said to him: It is not so. They hardened their hearts against Yisrael, but they did not harden their hearts against the Holy One, blessed be He, as Pharaoh hardened his spirit against Him, for he saw His mighty acts, yet did not repent.

186. וְאָמַר רַבִּי יִצְחָק, לֹא אֲשַׁכְחָנָא, מֵאֵן דְּאֲתַקִּיף לְבַיָּהּ, לְגַבְיָהּ קוֹדֶשָׁא בְּרִיךְ הוּא, כְּפִרְעָה. אָמַר רַבִּי יוֹסִי, סִיחוֹן וְעוֹג הֵכִי נִמְי. אָמַר לִיהּ, לֹאוּ הֵכִי. אִינּוֹן לְגַבְיָהּ דִּישְׂרָאֵל אֲתַתְּקִמוּ, אֲבָל לְגַבְיָהּ דְּקוֹדֶשָׁא בְּרִיךְ הוּא, לֹא, כְּמָה דְּאֲתַתְּקִי פִרְעָה רוּחִיהָ לְקַבְּלִיהּ, וְהוּהּ חַמִּי כֹל יוֹמָא גְבוּרָאֵן דִּילִיהּ, וְלֹא הוּהּ תָּב.

187. Rabbi Yehuda said in the name of Rabbi Yitzchak: Pharaoh was wiser than all his sorcerers, and he gazed into all these crowns and all the knowledge OF THE OTHER SIDE. He did not see redemption for Yisrael in their entire side, and it was not dependent on any of their crowns. For in all THE SUPERNAL POWERS OF THE OTHER SIDE they found a bond against Yisrael, THAT THEY WOULD NOT BE ABLE TO EMERGE FROM UNDER THIS CONTROL. Pharaoh did not think that there was another bond of Faith that dominated all THE POWERS OF THE OTHER SIDE. Therefore, he hardened his heart.

188. Rabbi Aba said: It was not Pharaoh who strengthened his heart, but this Name, YUD HEI VAV HEI. Because when Moses said, "Thus says Hashem," the very word, NAMELY YUD HEI VAV HEI, hardened his heart, as is written: "And Hashem hardened the heart of Pharaoh" (Shemot 9:12). In all his wisdom, he did not find that this Name should dominate in the world, and therefore he said, "Who is Hashem?" (Shemot 5:2). WHEN HE THOUGHT OF REPENTING afterwards, he said, "Hashem is Righteous" (Shemot 9:27). Rabbi Yosi said: Afterwards, he said, "I have sinned against Hashem" (Shemot 10:16) with the same mouth that said, "WHO IS HASHEM?"

189. Rabbi Chizkiyah opened the discussion, saying: "Therefore I said, 'It is all one; He destroys the innocent and the wicked'" (Iyov 9:22). This passage was interpreted in the secret of wisdom. What is, "It is all one"? HE ANSWERS: It is written, "My dove, My undefiled is but one, she is the only one of her mother" (Shir Hashirim 6:9), SHE BEING MALCHUT. And with this does the Holy One, blessed be He, execute His Judgments below and execute His Judgments above, in everything.

190. When the Holy One, blessed be He, arouses His judgments, He executes His Judgments with this crown, WHICH IS MALCHUT. Then it is written: "He destroys the innocent and the wicked," because the Righteous are snared in the sins of the wicked, as is written: "And said to the angel that destroyed the people, 'It is enough (Heb. rav)..." (II Shmuel 24:16) WHICH MEANS take the greatest (Heb. rav) among them. Therefore Job said, "HE DESTROYS THE INNOCENT AND THE WICKED," but he did not explain THAT IT MEANT THE RIGHTEOUS WHO WERE SNARED IN THE SINS OF THE WICKED. Rabbi Yisa said: "It is all one," refers to the Congregation of Yisrael in exile in Egypt and; for Her, the Holy One, blessed be He, slew the Egyptians and took vengeance among them. This is what is meant by the verse, "He destroys the innocent and the wicked," FOR THERE WERE ALSO INNOCENTS PRESENT THERE WHO DID NOT ENSLAVE YISRAEL AND WERE SLAIN TOGETHER WITH THE WICKED AMONG THEM.

191. Rabbi Chiya said: Job was not stricken until the time that Yisrael went out of Egypt. Job said: "If so, then all people are equal: "He destroys the innocent and the wicked." Pharaoh oppressed Yisrael and said, "Who is Hashem, that I should obey His voice" - I did not oppress them and I did nothing, but "He destroys the innocent and the wicked." "He who feared the word of Hashem among the servants of Pharaoh" (Shemot 9:20), refers to Job, BECAUSE HE WAS PRESENT AT THE TIME OF THE EXODUS FROM EGYPT.

187. א"ר יהודה א"ר יצחק, פרעה חכים מכל חרשוי הוה, ובכל אינון בתרין, ובכל אינון ידיען, אסתבל. ובכל סטרא דלהון, לא חמא פורקנא דלהון ישראל, ולא הוה תלי בחד מנייהו. ועוד, דהא בכלהו קשירו קשרא עלייהו דישראל, ופרעה לא סבר דאית קשרא אחרא דמהימנותא, דאיהו שליט על כללא. ועל דא הוה אתקוף לביה.

188. רבי אבא אמר, לא אתקוף לבא דפרעה, אלא שמא דא. דכד הוה אמר משה, כה אמר יי, דא מלה ממש, אתקוף לביה, הדא הוא דכתיב, ויחזק יי את לב פרעה. דהא בכל חכמתא דיליה, לא אשתכח, דשמא דא שליט בארעא. ועל דא אמר, מי יי, ולבתר אמר, יי הצדיק. אמר רבי יוסי, לבתר אמר, חטאתי ליי ההוא פומא דאמר דא, אמר דא.

189. רבי חזקיה פתח ואמר, אחת היא על כן אמרתי תם ורשע הוא מכלה. האי קרא, אוקמוה ברזא דחכמתא. אחת היא, מאי אחת היא. הדא הוא דכתיב, אחת היא יונתי תמתי אחת היא לאמה. ובהאי, קודשא בריך הוא דאין דינוי לתתא, ודאין דינוי לעילא בכללא.

190. וכד קודשא בריך הוא אתער דינוי, דאין דינוי בהאי בתרא, כדון כתיב, תם ורשע הוא מכלה. בגין דאינון צדיקניא, מתפסאן בחוביהון דרשיעניא, דכתיב ויאמר יי למלאך המשחית בעם רב וגו', ועל דא אמר איוב מלה דא, ולא אגמר מלה, ואוקמוה טול הרב, רבי יוסא אמר, אחת היא: דא כנסת ישראל בגלותא דמצרים, דבגינה קטל קודשא בריך הוא במצראי, ועבר בהו נוקמין, הה"ד תם ורשע הוא מכלה.

191. ר' חייא אמר, איוב לא אלקי, אלא בזמנא דנקפו ישראל ממצרים. אמר איוב, אי הכי, כל אפיא שוין, תם ורשע הוא מכלה, פרעה אתקוף בהו בישראל, ואמר מי יי אשר אשמע בקולו. ואנא לא אתקיפנא בהו, ולא עבידנא מידי, תם ורשע הוא מכלה. הה"ד הירא את דבר יי מעבדי פרעה, זה איוב.

192. Rabbi Yehuda said: the hailstones that were falling ON THE EGYPTIANS and were stopped by Moses wreaked vengeance later on, in the days of Joshua. And in the time to come, the rest will drop on Edom and its descendants. Rabbi Yosi said: This is what is written: "As in the days of your coming out of the land of Egypt, I will show him marvelous things" (Michah 7:15).

193. Another explanation of: "And Yisrael saw the great hand." the beginning of the verse is not RELATED to the ending, nor is the ending RELATED to its beginning. First, "And Yisrael saw," and afterwards, "and the people feared Hashem." IS, "AND YISRAEL SAW" THE CAUSE THAT "THE PEOPLE FEARED HASHEM"? AND BEFOREHAND, DID THEY NOT FEAR HASHEM? But Rabbi Yehuda said: That old man who went down with his children into exile and suffered the exile himself, actually saw all the vengeance and all the mighty deeds that the Holy One, blessed be He, did against Egypt. Hence, it is written: "And Yisrael saw." It was actually Yisrael, NAMELY JACOB.

194. Rabbi Yehuda also said: the Holy One, blessed be He, raised that old man and said to him, 'Arise, see your children who are going out from a strong nation; arise, see the mighty deeds that I did for your children in Egypt.'

195. Rabbi Yisa said: When Yisrael traveled to descend into the exile in Egypt, a strong fear and terror fell upon him. The Holy One, blessed be He, said to Jacob: 'Why do you fear?' "Fear not to go down to Egypt" (Bereshheet 46:3). From the words: "fear not," we understand that he did fear.

196. He said to him: "For I will there make of you a great nation" (Ibid.). He said to Him: 'I fear that they will destroy my children.' "He said to him, 'I will go down with you Egypt.'" Again, he said to Him: 'I also fear that I will not merit to be buried among my fathers and I will not see the deliverance of my children, and the mighty deeds that You will do for them.' He said to him, "And I will surely bring you up again (lit. 'bringing you up')." "I will bring you up" to be buried in the tomb of your fathers, "bringing you up" to see the deliverance of your children, and the mighty deeds that I will do for them.

197. On the day that Yisrael went out from Egypt, the Holy One, blessed be He, raised Jacob and said to him: 'Arise and see the redemption of your children, for so many years and mighty deeds did I for them.' Jacob was there and saw everything, as it is written: "And Yisrael saw the great hand."

192. ר' יהודה אמר, אינון אבני ברדא, דהוו נחתין, אתעבבו על ידוי דמשה, לבתר עבדו נוקמין, ביומי דיהושע. ולזמנא דאתי, זמינן לאחתא אינון דאשתארו, על ארום ובנותיה. א"ר יוסי, הה"ד, כימי צאתך מארץ מצרים אראנו נפלאות.

193. דבר אחר וירא ישראל את היד הגדולה וגו', האי קרא לאו רישיה סיפיה, ולא סיפיה רישיה. בקדמיתא וירא ישראל, ובתר ויראו העם את יי'. אלא אמר רבי יהודה, ההוא סבא דנחת עם בנוי בגלותא, וסביל עליה גלותא, ואעיל לבנוי בגלותא, הוא ממש חמא, כל אינון נוקמין, וכל גבוראן, דעבד קודשא בריך הוא במצרים, הה"ד וירא ישראל, ישראל ממש.

194. ואמר רבי יהודה, סליק קודשא בריך הוא להאי סבא, ואמר ליה, קום חמי בנוי דנפקין מגו עמא תקיפא. קום חמי גבורן דעבדית, בגין בנוי במצרים.

195. והינו דאמר רבי ייסא, בשעתא דנטלו ישראל לנחתא בגלותא דמצרים, דחילו ואימתא תקיפא נפל עלוי. אמר ליה קודשא בריך הוא ליעקב, אמאי את דחיל, אל תירא מרדה מצרימה. ממה דכתיב אל תירא, משמע דחילו הוה דחיל.

196. אמר ליה כי לגוי גדול אשימך שם. אמר ליה, דחילנא די ושיצון בני. אמר ליה, אנכי ארד עמך מצרימה. אמר ליה תו דחילנא, דלא אזכי לאתקברא ביני אבהתי, ולא אחמי פורקנא דבני, וגבוראן דתעביד להו. אמר ליה, ואנכי אעלך גם עלה, אעלך לאתקברא בקברי אבהתך. גם עלה, למחמי פורקנא דברך, וגבוראן דאעביד להו.

197. והוא יומא דנפקו ישראל ממצרים, סליק ליה קודשא בריך הוא ליעקב, ואמר ליה, קום חמי בפורקנא דברך, דכמה חילין וגבוראן עבדית להו, ויעקב הוה תמן, וחמא כלא, הה"ד וירא ישראל את היד הגדולה.

198. Rabbi Yitzchak said: From here it IS UNDERSTOOD THAT JACOB WAS PRESENT AT THE TIME OF THE REDEMPTION, FOR IT IS WRITTEN, "And brought you out, He Himself being present, with His mighty power, out of Egypt" (Devarim 4:37). What is the meaning of "being present"? It refers to Jacob, because He brought all PATRIARCHS there. Rabbi Chizkiyah said: "being present (lit. 'in his face')," refers to Abraham, as it is written, "And Abraham fell on his face" (Beresheet 17:3).

199. Come and behold: Abraham said, "Shall a child be born to him that is a hundred years old?" (Ibid. 17). The Holy One, blessed be He, said to him: 'I swear, you will see many multitudes and many camps that have emerged from you.' By the time that Yisrael left Egypt, all the tribes and all those myriads did the Holy One, blessed be He, bring up to Abraham, who saw them. This is what is written: "And brought you out, He Himself being present." Rabbi Aba said: All the Patriarchs gathered there throughout that redemption. This is what is written: "And brought you out, He Himself being present." What is the meaning of "in his face"? these are the Patriarchs.

200. Rabbi Elazar said: "And brought you out, He Himself being present." This refers to Jacob; "with His power," refers to Isaac; "mighty," refers to Abraham. Rabbi Shimon said: For the sake of the patriarchs there always occurs a redemption for Yisrael, as is written: "Then I will remember My Covenant with Jacob, and also my Covenant with Isaac, and also my Covenant with Abraham will I remember: and I will remember the land" (Vayikra 26:42). HE ASKS: THE Patriarchs are worthy of being remembered, but what is the meaning of, "And I will remember the land"? HE ANSWERS: In order to include David among them, NAMELY MALCHUT, THAT IS CALLED 'THE LAND', who is a Chariot together with the Patriarchs, WHO ARE CHESED GVURAH, AND TIFERET. And they always arouse redemption for the children of Yisrael.

201. "And Yisrael saw that great hand which Hashem did upon Egypt." HE ASKS: Did He do it now? It was done earlier. What is "the great hand which Hashem did"? HE ANSWERS: A hand is not so considered if there are less than five fingers. "That great," MEANS that it includes five other fingers OF THE LEFT HAND, AND THEN it is called 'great', BECAUSE THE ASPECT OF THE FIRST THREE SFIROT IS ACQUIRED BY THE RIGHT HAND BY BEING INCLUDED IN THE LEFT, and every individual finger is of great value. The Holy One, blessed be He, performs miracles and mighty deeds with them, and this way all the levels are uprooted from having continuity.

202. From here we learn that with the five first fingers, NAMELY, THE FIRST FIVE PLAGUES, it is written: "And the heart of Pharaoh was hardened." As soon as these five fingers OF THE LEFT HAND were completed, there was nothing left under Pharaoh's jurisdiction TO HARDEN HIS HEART, and it is written: "And Hashem hardened the heart of Pharaoh."

198. ר' יצחק אמר, מהכא, ויוציאך בפניו בכחו הגדול ממצרים. מאי בפניו. בפניו דא יעקב, דאעיל לבלהו תמן. רבי חזקיה אמר, ויוציאך בפניו, בפניו: דא אברהם. דכתיב, ויפל אברהם על פניו.

199. תא חזי, אברהם אמר, הלבן מאה שנה יולד וגו', אמר ליה קודשא בריך הוא, חייך, את תחמי במה אכלוסין, וכמה חילין דיפקון ממך. בשעתא דנפקו ישראל ממצרים, כל אינון שבטין, כל אינון רבוון, סליק קודשא בריך הוא לאברהם, וחמא לון, הה"ד ויוציאך בפניו. רבי אבא אמר בלהו אבהתא אזדמנו תמן בכל ההוא פורקנא. הדא הוא דכתיב ויוציאך בפניו. מאי בפניו אלין אבהתא.

200. רבי אלעזר אמר, ויוציאך בפניו: דא יעקב. בכחו: דא יצחק. הגדול: דא אברהם. א"ר שמעון, וכן בגיניהון דאבהתא, אזדמן פורקנא תדיר לישראל, דכתיב וזכרתי את בריתי יעקוב ואף את בריתי יצחק ואף את בריתי אברהם אזכור והארץ אזכור. אבהתא תינח, מהו והארץ אזכור. אלא, לאכללא עמהון הוד מלכא, דאיהו רתיבא באבהתא ואינון מתערין פורקנא תדיר לישראל.

201. וירא ישראל את היד הגדולה אשר עשה יי' במצרים. וכי השתא עשה, והא מקדמת דנא אתעביד, מאי את היד הגדולה אשר עשה יי'. אלא, יד לא אקרי פחות מחמש אצבעאן. הגדולה: דכלילין בה חמש אצבעאן אחרנין, ואתקרון כדין גדולה. וכל אצבעא ואצבעא, סליק לחושבנא רבא, וקב"ה עביד בהו ניסין וגבורין, ובהאי אתעקרו בלהו דרגין משלשוליהון.

202. מכאן אוליפנא דא, דבחמש אצבעאן קמאי, כתיב, ויחזק לב פרעה, כיון דאשתלמו אינון חמש, תו לא הוה מלה ברשותיה דפרעה, כדין כתיב ויחזק יי' את לב פרעה.

203. Therefore, "And Yisrael saw that great hand... and believed in Hashem." HE ASKS: Until now did they not believe in Hashem? Yet it is written: "And the people believed, and...they heard" (Shemot 4:31). And they did see all the mighty deeds that the Holy One, blessed be He, performed for them in Egypt. HE ANSWERS: But what is the meaning of: "and believed"? THEY BELIEVED what he said, "And Moses said to the people, 'Fear not, stand still, and see...'"

203. וע"ד וירא ישראל את היד הגדולה וגו', ויאמינו ביו'. וכי עד השתא לא האמינו ביו', והא כתיב ויאמן העם וישמעו וגו'. והא חמו כל אינון גבוראן דעבד להו קודשא בריך הוא במצרים. אלא מאי ויאמינו, ההוא מלה דאמר ויאמר משה אל העם אל תיראו התיצבו וראו וגו'.

204. Rabbi Yisa said: It is written, "And Yisrael saw Egypt dead," and it is written, "You will not see them again any more for ever" (Shemot 14:13). Rabbi Yosi said: they saw them dead. He said to him: If it had been written: 'You will not see them again alive,' I would say so. Rabbi Aba said to him: You asked well.

204. ר' יוסא שאיל ואמר, כתיב וירא ישראל את מצרים מת, וכתיב לא תוסיפו לראותם עוד עד עולם. א"ר יוסי, מתין חמו להו. אמר ליה, אי כתיב לא תוסיפו לראותם חיים, הוה אמינא הכי. אמר ליה ר' אבא יאות שאילתא.

205. But, come and behold: it is written, "For ever and ever (lit. 'from the world and until the world')" (I Divrei Hayamim 16:36). We learned that there is a world above and there is a world below. From the world of above is the beginning of kindling the candles, WHICH IS BINAH, THE SOURCE OF ALL MOCHIN THAT ARE CALLED 'CANDLES'. The lower world is the culmination, NAMELY, MALCHUT THAT CULMINATES ALL THE SFIROT, and it is composed of them all. And from this lower world are aroused the Judgments upon the lower beings.

205. אלא תא חזי, כתיב מן העולם ועד העולם, ותנינן, עולם לעילא, ועולם לתתא. עולם דלעילא, מתמן הוא שירותא לאדלקא בוצינין. עולם דלתתא, תמן הוא סיומא, ואתכליל מכלא, ומהאי עולם דלתתא, מתערן גבורן לתתאי.

206. The Holy One, blessed be He, performs miracles for Yisrael in this LOWER world, and marvels occur for them. When this world aroused to do miracles, all the Egyptians sank in the sea through the actions of this world, and a miracle occurred to Yisrael in this world. Therefore, it is written: "You shall not see them again any more for ever (lit. 'until the world')," MEANING until that world is aroused and they are given over to its Judgments. As soon as they were given over to it to be judged, it is written: "And Yisrael saw Egypt dead upon the sea shore." This is the meaning of the verse: "from the world and until the world" - until the world precisely, MEANING UNTIL THE WORLD OF BELOW IS AROUSED. Then it is written, "And believed in Hashem and in Moses his servant."

206. ובהאי עולם, עבד קודשא בריך הוא אתין לישראל, ורחיש לון ניסא. וכד אתער האי עולם למעבד נסין, בלהו מצראי אשתקעו בימא, על ידא דהאי עולם, ואתרחיש לון לישראל ניסא בהאי עולם. וע"ד כתיב, לא תוסיפו לראותם עוד עד עולם, עד דיתער ההוא עולם, ויתמסרון בדינוי, וכיון דאתמסרו ביה למתדן, כדן כתיב וירא ישראל את מצרים מת על שפת הים, הה"ד מן העולם ועד העולם, עד העולם דיקא. כדן כתיב, ויאמינו ביו' ובמשה עבדו.

16. "Then sang Moses"

Rabbi Yehuda opens with "Before I found you in the belly I knew you." He says that the Holy One, blessed be He sent down for the children of Yisrael a true prophet and a faithful shepherd, who was Moses. He put a great and holy spirit into him, and appointed him over all that was His. When Moses emerged into the world the Shechinah illuminated him, and the Holy One, blessed be He read over him, "Before I found you in the belly I knew you; and before you did come out of the womb I sanctified you, and I ordained you a prophet to the nations." We read various interpretations of "Then sang Moses, and the children of Yisrael." Rabbi Shimon says that it is the song of the Queen to the Holy One, blessed be He; it contains the world that has passed, and the World to Come, and the bonds of faith, and the days of King Messiah - and all the other praises of those above and below are dependent on it. Rabbi Yosi submits that "This song to Hashem" is the river that is Binah that emerges from Eden. And lastly, Rabbi Yehuda speaks about the time that "Hashem caused the sea to go back by a strong east wind all the night," saying that all the Egyptians below and the Princes above were given over into the hands of the Queen, for her to do vengeance on them.

207. "Then sang Moses" (Shemot 15:1): Rabbi Yehuda opened the discussion, saying: "Before I formed you in the belly I knew you" (Yirmeyah 1:5). Blessed is the portion Yisrael that the Holy One, blessed be He, desired them more than all the other nations. And for the great love that He had for them, He set up for them a true prophet and a faithful shepherd, and aroused over him a Holy Spirit, more than the other faithful prophets. He took him out of His own portion, MEANING from what Jacob had separated as a tithe of his sons to the Holy One, blessed be He, namely, the tribe Levi. Since Levi was His, the Holy One, blessed be He, received him and adorned him with many crowns, and anointed him with the holy anointing oil of above. And then he produced from his children a Holy Spirit into the world and girded him with his holy girdles of the great Faith, WHICH IS BINAH.

208. We learned that at that moment, the time had come for Moses, the faithful prophet, to descend to the world. The Holy One, blessed be He, withdrew a Holy Spirit from a hewn block of the precious stone, sapphire, WHICH IS MALCHUT, that was concealed within 248 lights, and shone on him. And He crowned him with 365 crowns and they stood before Him, and He appointed him over all that was His. He gave him 173 keys, and crowned him with five crowns. Every single crown ascended and illuminated in a thousand worlds that illuminate and in the candles that were concealed in the treasures of the Supernal Holy King.

209. Then He passed him through all the lights in the Garden of Eden and brought him into His Palace, and passed him by His hosts and camps. Then they all trembled, opened and said: Remove yourselves from his vicinity, for the Holy One, blessed be He, has aroused a spirit to dominate and provoke the worlds. A voice emitted and said: Who is this with all these keys in his hands? Another voice said: Accept him among you, he is the one who will descend among the people. And the Torah, which is the most concealed of everything that is concealed, is going to be given into his hands, to shake the worlds that are above and below through him. At that moment, they all became excited and traveled after him. They opened the discussion, saying: "You have caused a man to ride over our heads; we went through fire and through water" (Tehilim 66:12).

207. אִזּוּ יִשִׁיר מֹשֶׁה. ר' יְהוּדָה פָּתַח, בְּטָרִם אֶצְרֶךְ בְּבֶטֶן יִדְעֶתִיךָ וְגו'. זָכָאָה חוּלְקֵהוֹן דִּישְׂרָאֵל, דְּקוּדְשָׁא בְּרִיךְ הוּא אֲתַרְעֵי בְּהוּ יִתִּיר מִכָּל שְׂאֵר עַמִּין. וּמִסְגִּיאֹת רַחֲמֵינָא דִּרְחִים לֵהוּ, אֹקִים עֲלֵיהּ נְבִיאָה דְקִשׁוּט, וְרַעֲיָא מְהֵימְנָא. וְאֲתַעַר עֲלֵיהּ רוּחָא קְדִישָׁא, יִתִּיר מִכָּל שְׂאֵר נְבִיאֵי מְהֵימְנֵי, וְאִפִּיק לֵיהּ מִחוּלְקֵיהּ מִמֶּשׁ, מִמָּה דְאִפְרִישׁ יַעֲקֹב מִבְּנוֹי לְקוּדְשָׁא בְּרִיךְ הוּא, שְׁבֻטָא דְלוֹי, וְכִיּוֹן דִּהוּה לְלוֹי הִילִיָּהּ, נָטַל לֵיהּ קוּדְשָׁא בְּרִיךְ הוּא, וְאֶעְטַר לֵיהּ בְּכֶמֶה עֶטְרִין, וּמִשַּׁח לֵיהּ בְּמִשַּׁח רַבּוּת קְדִישָׁא דְלַעֲיֹלָא, וּבְרִין אִפִּיק מִבְּנוֹי, רוּחָא קְדִישָׁא לְעֵלְמָא, וְזָרִיז לֵיהּ בְּהֵימְנוּי קְדִישֵׁי, מְהֵימְנוּתָא רַבָּא.

210. Then that spirit OF MOSES rose and stood before the King. The open Mem rose and put on its crowns, while He crowned THE SPIRIT with 325 crowns and deposited His keys into his hands. The Shin ALLUDES to the three Patriarchs, who crowned him with these holy crowns, deposited all the keys of the King in his hands, and appointed him faithfully TO BE the trustee of the house. The Hei rose and crowned itself with its crowns, and received him from the King.

211. Then that spirit OF MOSES alighted on the ships that sail in that great Sea, WHICH IS MALCHUT, AND MALCHUT accepted him in order to raise him to the King. She gave him weapons from there with which to smite Pharaoh and his whole land. And on Shabbat and the first day of the month, She elevates him to the King, WHO IS ZEIR ANPIN. Then his name is expressed in these letters that we etched, WHICH ARE MEM, SHIN, AND, HEI AS WRITTEN ABOVE.

212. At the moment that he emerged to descend to the earth to become clothed in a body in the seed of Levi, 425 candles were prepared for the King, WHO IS ZEIR ANPIN, and 425 appointed engravings escorted the spirit OF MOSES to his place. When he emerged in the world, the Hei, WHICH IS THE SHECHINAH, illuminated on him and the House became full with its shine. At that moment, the Holy One, blessed be He, read over him, "Before I formed you in the belly I knew you; and before you did come out of the womb I sanctified you, and I ordained you a prophet to the nations" (Yirmeyah 1:5).

213. Rabbi Yitzchak said: At that time, the Holy One, blessed be He, slew the minister appointed over Egypt. Moses and Yisrael saw him, then recited the song. This is what is written: "And Yisrael saw Egypt dead...Then sang Moses and the children of the children of Yisrael."

214. "Then sang Moses and the children of Yisrael..." Rabbi Aba opened the discussion, saying: I examined all the praises with which they praised the Holy One, blessed be He, and they all started with: "Then (Heb. az)": "Then spoke Solomon" (I Melachim 8:12); "Then spoke Joshua" (Yehoshua 10:12); "Then sang Moses and Yisrael." What is the reason for this?

215. HE ANSWERS: This is what we learned. All the miracles and all the mighty deeds that were performed for Yisrael HAPPENED when the light of Atika Kadisha shone, WHICH IS ARICH ANPIN, with its crowns. They are engraved and imprinted by Aleph, SO THAT THE TOP YUD OF THE ALEPH IS THE RIGHT COLUMN AND THE LOWER LINE IS THE LEFT COLUMN, AND THE LINE BETWEEN THEM IS THE CENTRAL COLUMN THAT MEDIATES. The Aleph penetrates the darkness, ALLUDING TO THE CENTRAL LINE COLUMN OF THE ALEPH THAT PENETRATES AND DIMINISHES THE LEFT COLUMN, WHICH IS DARKNESS, INTO THE ASPECT OF SIX ENDS OF THE FIRST THREE SFIROT. THEN IT shines to every side, MEANING BOTH WITH CHOCHMAH AND IN CHASSADIM. And when the light of the Aleph joins and reaches the Zayin, that Zayin (lit. 'weapon') is: "The sword of Hashem is filled with blood" (Yeshayah 34:6), NAMELY, MALCHUT WHEN IT IS STRETCHED TOWARDS THE LEFT. Then it performs miracles and mighty deeds, because the Aleph and Zayin have joined. And this is a song, a song that illuminates to all sides, BOTH CHOCHMAH AND CHASSADIM. And hence "Then (Heb. az, Aleph-Zayin) sang."

216. HE ASKS: "Then sang (lit. 'will sing') MOSES." Should it have been written: "sang MOSES"? HE ANSWERS: This matter is suspended UNTIL THE TIME TO COME, for he perfected it for that time and perfected it for the future to come. For Yisrael will praise this song IN THE TIME TO COME. "Moses and the children of the children of Yisrael." From here we learned that even though the early righteous men ascended to the highest levels that are above and have been bound in the bond of life, they will all stand up to be resurrected in a body and recite this song. This is what is written: "Then will sing Moses and the children of Yisrael."

217. Rabbi Shimon said: Hence, "Hashem shall again, a second time stretch forth His hand to recover the remnant of His people" (Yeshayah 11:11). "To recover" (Heb. liknot) has the meaning as in: "Hashem created me (Heb. kanani) as the beginning of His way" (Mishlei 8:22). "The remnant of His people" refers to the Righteous among them, who are called 'remnants (Heb. she'ar)' as is written: "And there remained two men in the camp" (Bemidbar 11:26). We learned why they are called remnants: it is because the world exists only for the sake of those who make themselves into songs (Heb. shirim). THEREFORE, THE RIGHTEOUS ARE CALLED 'REMNANTS', DERIVED FROM 'SONGS'.

218. You may ask, since they are bundle in the bond of Life and delight in the supernal delight, why does the Holy One, blessed be He, lower them to the earth? Go and learn, even from the first time, THE TIME THEY WERE BORN AND EMERGED INTO THE WORLD, when all the spirits and souls were in the highest level above, the Holy One, blessed be He, lowered them to the earth below. All the more so now, since the Holy One, blessed be He, wants to straighten out that which is crooked BY SHOWING THEM THE MIRACLES AND MARVELS THAT HE WILL PERFORM FOR THE CHILDREN OF YISRAEL. EVEN THOUGH THEY ARE RIGHTEOUS, NEVERTHELESS, it is written: "For there is no righteous man upon the earth who does good and does not sin" (Kohelet 7:20). And you may ask: what of those who died because of the advice of the serpent, WHO DID NO SIN, WHY SHOULD THEY ARISE? HE ANSWERS: Even they will arise and will be advisers to the Messiah.

215. אֵלֶּא הִכִּי תֵאנָא, כֹּל נִסִּין וְכֹל גְּבוּרָן דְּאַתְעִבִידוּ לְהוּ לְיִשְׂרָאֵל, כִּד אֲתַנְהִיר נְהִירוּ דְּעֵתִיקָא קְדִישָׁא בְּעֵטְרוּי, גְּלִימִין רְשִׁימִין בֵּא, בֵּא אֲנָקִיב בְּחֻשְׁבִּי, וְנְהִיר לְכֹל עֵיבֵר. וְכִד אֲתַחְבֵּר נְהִירוּ דְּאֵלֶּף וּמֵטִי לְזַיִן, מֵאֵן זַיִן, דָּא חֲרֵב לִינִי מְלֵאָה דֵּם. כְּדִין עֵבִיד נִסִּין וּגְבוּרָאן, בְּגִין דְּאַתְחַבֵּר א' עִם ז'. וְדָא הוּא שִׁירְתָּא. שִׁירְתָּא הִיא דְּכֹל סְטְרִין, וְדָא הוּא אֲזוּ יְשִׁיר.

219. Therefore, we learned Moses will sing the song in the future to come. What is the reason? Because it is written: "As in the days of your coming out the land of Egypt, I will show him marvelous things" (Michah 7:15). HE ASKS: Should "I will show him" have been said 'I will show you'? HE ANSWERS: Rather, I will show the very one who saw originally, NAMELY MOSES, for he will see a second time, and this is the meaning of "I will show him." It is written: "I will show him the salvation of Elohim" (Tehilim 50:23), and, "show him My salvation" (Tehilim 91:16). And "Then shall sing Moses and the children of Yisrael to Hashem."

220. It is the song of the Queen, WHICH IS MALCHUT, to the Holy One, blessed be He. We learned that every person who says this song daily and has the proper intention merits to say it in the time to come. It contains the world that has passed, and it contains the World to Come, and it contains the bonds of Faith, and it contains the days of King Messiah. And all the other praises of those above and those below stir from it.

221. HE ASKS: IT IS WRITTEN, "Hashirah" ('this song') which IS FEMININE, but should it not have said 'shir zeh' ('this song') IN THE MASCULINE FORM? HE ANSWERS: But this is the song with which the Queen praises the King, ZEIR ANPIN, and that Moses said from below to above, FROM MALCHUT TO ZEIR ANPIN. THEREFORE IT IS SAID SHIRAH (FEMININE), and it has already been explained. "To Hashem." SHE SINGS TO HASHEM because the King has welcomed Her. Rabbi Yosi said: All these ointments, MEANING THE LIGHTS that flowed, the Holy King poured to Her. Therefore, the Queen praised Him.

222. Rabbi Yehuda said: If so, THAT IT IS THE SONG OF THE QUEEN TO THE KING, why is it written: "Moses and the children of Yisrael," seeing that it is for the Queen to praise? HE ANSWERS: Blessed is the portion of Moses and Yisrael that they knew how to praise the King for the Queen's sake in the proper manner, because She inherited all Her strength and might from the King.

223. Rabbi Chiya opened the discussion, saying: "Arise, cry out in the night: in the beginning of the watches" (Eichah 2:19). "Arise, cry out," refers to the Congregation of Yisrael, WHICH IS MALCHUT; "in the night," means the Exile. Rabbi Yosi says: "In the night," refers to the time when She dominates and awakens, BECAUSE MALCHUT DOMINATES AT NIGHT. "In the beginning of the watches," should have been written, 'At the beginning'. HE ANSWERS: "In the beginning (lit. 'head')," is as it is written: "Upon the bed's head" (Bereshheet 47.31). We have established that the head of the bed is Yesod. Also, here the head with which the Queen is blessed is Yesod. "Head ('beginning') of the watches" is the head of Netzach and Hod, WHICH IS YESOD.

219. ועל דא תנינן, משה זמין למימר שירתא לזמנא דאתי. מ"ט. בגין דכתיב, כימי צאתך מארץ מצרים אראנו נפלאות. אראנו, אראך מבעי ליה. אלא אראנו ממש, למאן דחמא בקדמיתא, יחמי ליה תניינות, ודא הוא אראנו, וכתיב אראנו בישע אלהים, ואראהו בישועתי. וכדין אז ישיר משה ובני ישראל את השירה הזאת ליני.

220. שירתא דמטרוניתא לקודשא בריך הוא. תנינן, כל בר נש דאמר שירתא דא בכל יומא, ומכוון בה, זכי למימרא לזמנא דאתי. דהא אית בה עלמא דעבר, ואית בה עלמא דאתי, ואית בה קשרי מהימנותא, ואית בה יומי דמלכא משיחא. ותלי עליה, כל אינון תושבחאן אחרנין, דקאמרי עלאי ותתאי.

222. אמר רבי יהודה, אי הכי, אמאי כתיב משה ובני ישראל, והא מטרוניתא בעיא לשבחה. אלא, זכאה חולקהון דמשה וישראל, דאינון הוו ידעין לשבחה למלכא, בגין מטרוניתא בדקא יאות, בגין דכל ההוא חילא וגבורה דילה, ירתא מן מלכא.

223. ר' חייא פתח ואמר, קומי רוני בלילה לראש אשמורות. קומי רוני: דא כנסת ישראל. בלילה: בגלותא. ר' יוסי אמר, בלילה: בזמנא דהיא שלטא ומתערא, לראש אשמורות, בראש מבעי ליה. אלא לראש, כמה דכתיב, על ראש המטה. ואוקימנא, ראש המטה, דא יסוד. אוף הכא לראש, דא יסוד, דמטרוניתא מתברכא ביה. ראש אשמורות: דא הוא רישא, דנצח והוד.

224. Rabbi Yosi said: This is the beginning of all the crowns of the King and the end. FOR FROM THE ASPECT OF THE NINE SFIROT OF DIRECT LIGHT OF ZEIR ANPIN, IT IS THE BOTTOM ONE THAT ENDS. FROM THE ASPECT OF THE NINE SFIROT OF RETURNING LIGHT OF ZEIR ANPIN THAT ILLUMINATE FROM BELOW UPWARD, YESOD IS CONSIDERED THE KETER OF RETURNING LIGHT. SINCE IT IS THE BEGINNING OF THE SFIROT OF RETURNING LIGHT, THE TORAH THEREFORE CALLS IT "THE BEGINNING OF THE WATCHES." Rabbi Aba said: "watches" is spelled without A VAV, WHICH ALLUDES TO MALCHUT, and this is YESOD, WHICH IS HER head, AND IS THUS CALLED "the bed's head." It is all said in reference to the Supernal Holy King, THAT IS ZEIR ANPIN, MEANING YESOD OF ZEIR ANPIN, and this is THE MEANING OF, "THIS SONG TO Hashem," MEANING TO YESOD OF ZEIR ANPIN.

225. Rabbi Yisa said: "This song to Hashem" is the river, WHICH IS BINAH, that emerges from Eden, WHICH IS CHOCHMAH, MEANING BINAH THAT EMERGED FROM THE HEAD OF ARICH ANPIN. For all the oil and greatness, MEANING ALL THE MOCHIN OF MALE AND FEMALE, AND BRIYAH, YETZIRAH, AND ASYAH, emerge from it. This is understood from the following PASSAGE, which says: "I will sing to Hashem," which refers to the Supernal Holy King, ZEIR ANPIN. Therefore it is not written, 'I will sing to Him', BECAUSE THE PREVIOUS "TO HASHEM," IN, "THIS SONG TO HASHEM," IS BINAH AND NOT ZEIR ANPIN.

226. "And spoke, saying," MEANING the following generations so that this will not ever be forgotten from them. Anyone who is worthy of this song in this world merits it in the World to Come, and will be worthy of praising with it in the days of King Messiah in the rejoining of the Congregation of Yisrael with the Holy One, blessed be He. It is written, "saying," meaning "saying" it at that time, "saying" it in the Holy Land in the time when Yisrael will be settled in the land, "saying" it during exile, "saying" it at the redemption of Yisrael, "saying" it in the World to Come.

227. "I will sing to Hashem." HE ASKS: It should have said, 'We will sing'. Why DOES IT SAY, "I will sing"? HE ANSWERS: It is because they were reciting the praises of the Queen, AS MENTIONED EARLIER, AND IT IS THEREFORE WRITTEN: "I WILL SING" IN THE SINGULAR. "To Hashem," refers to the Holy King, WHO IS ZEIR ANPIN "for He has triumphed gloriously," meaning that He ascended and was crowned with His crowns to bring forth blessings and strength and mighty deeds, with all of which to be elevated. "For He has triumphed" in this world, "gloriously" in the World to Come. He triumphed gloriously at that time in order to be crowned AFTERWARDS, with His crowns in complete joy.

228. "The horse and his rider He cast into the sea" (Shemot 15:1), NAMELY, the dominion of below, WHICH IS THE HORSE, and the dominion of above they grasp onto, WHICH IS "HIS RIDER." Both of them were given over to that Great Sea and the great dominion, to take revenge on them. And we learned, the Holy One, blessed be He, does not execute Judgment below until He does so with their government above. This is the meaning: "Hashem will punish the host of the high ones on high, and the kings of the earth upon the earth" (Yeshayah 24:21).

224. ר' יוסי אָמַר, דָּא הוּא רִישָׁא דְכִתְרֵי מַלְכָּא וְסִיּוּמָא. רַבִּי אַבָּא אָמַר, לְרִישָׁא אֲשֶׁמְרוּת כְּתִיב חֶסֶד, וְדָא הוּא רִישָׁא, רִישׁ הַמְּטָה. וְכֹלָא בְּמַלְכָּא קְדִישָׁא עֲלָאָה אֲתַמַּר, וְדָא הוּא לִינִי.

229. "He cast into the sea." Rabbi Yehuda said: That night, a mighty power was awakened, as is written: "And Hashem caused the sea to go back by a strong east wind all that night" (Shemot 14:21). At that time, the Queen requested of the King that all the multitudes OF THE EGYPTIANS below and all the Princes above be given over into Her hands. They were all given over into Her power to do vengeance with them. As it is written: "The horse and its rider He cast into the sea." Here, "Into the sea" IS WRITTEN without adjectives, ALLUDING BOTH TO THE SEA above and THE SEA below.

229. רָמָה בַּיָּם, אָמַר ר' יְהוּדָה, בַּיָּה בְּלִילֵיָא, אֲתַעֲרָ גְבוּרָא תְּקִיפָא, דְּכַתִּיב בֵּיה וַיּוֹלֶךְ יי' אֶת הַיָּם בְּרוּחַ קָדִים עֲזָה כָּל הַלַּיְלָה. בַּהוּא זְמַנָּא, בַּעֲתַת מְטְרוֹנֵיתָא מִן מַלְכָּא, כָּל אֵינוֹן אֲכַלוּסִין דְּלִתְתָּא, וְכָל אֵינוֹן שׁוֹלְטָנִין דְּלַעִילָא, דִּיתְמַסְרוֹן בִּידְהָא. וְכִלְהוּ אֲתַמְסְרוּ בִּידְהָא, לְמַעַבְדּ בְּהוּ נֹקְמִין, הַה"ד סוּט וְרוֹכְבוּ רָמָה בַּיָּם. בַּיָּם סַתָּם, לַעִילָא וְתַתָּא.

17. "Yah is my strength and song"

Rabbi Chiya reminds us that the Holy One, blessed be He created the world and created man to dominate everything in the world; He brought him into the Garden so that he should have joy. He commanded him not to eat of one tree, but man did not obey. If Adam had observed the commandment, he could have lived forever and stayed there in the Garden forever. He knew the supernal Wisdom more than the supernal angels did, yet after he sinned the wellsprings of Wisdom became stopped for him. Adam emerged from Male and Female, says Rabbi Aba, as the Nukva was the partner of Zeir Anpin. Rabbi Yosi holds that "Yah is my strength and song" refers to those that are included one with the other and do not separate one from the other. From them the rivers flow to bless everything. Rabbi Chizkiyah then analyzes the verse, "A friend loves at all times, and a brother is born for adversity," telling us that the children of Yisrael are called brothers of the Holy One, blessed be He. From Rabbi Yisa we learn that the Holy One, blessed be He calls 'beloved' everyone who loves Him and serves Him with love. Rabbi Shimon tells Rabbi Yehuda that every person who weeps and sings to God will merit joy when Hashem returns Zion.

230. "Yah is my strength and song" (Shemot 15:2). Rabbi Chiya opened the discussion, saying: "You have beset me behind and before, and You placed Your hand on me" (Tehilim 139:5). How much must a person honor the Holy One, blessed be He, because when He created the world, He saw that man would dominate everything, and he was similar to those above and those below. He lowered him to the world in a glorious form and the creatures saw him, gathered, and bowed before him. And a fear and terror fell upon them because of the fear of him. This is the meaning of: "And the fear of you and the dread of you shall be upon every beast of the earth, and upon every bird of the air" (Beresheet 9:2).

230. עֲזִי וְזִמְרַת יְהוָה. רַבִּי חֵיָּיא פִּתַּח וְאָמַר, אַחֲוֹר וְקָדָם צִרְתָּנִי וְתִשֵּׁת עָלַי בַּפֶּכֶה. כַּמָּה אֲצַטְרִיכוּ בְּנֵי נִשְׂאָ לִיקְרָא לְקוֹדֶשׁא בְּרִיךְ הוּא, בְּגִין דְּקוֹדֶשׁא בְּרִיךְ הוּא כַּד בְּרָא עֲלֵמָא, אֲסַתְּפַל בֵּיה בְּאֲדָם לְמַהוּי שְׁלִיט עַל כָּלָא. וְהוּהוּ דְאִמֵּי לַעֲלָאִין וְתַתָּאִין. נַחַת לִיָּה בְּדַמּוּת וְקִירָא, וְחַמוּ לִיָּה בְּרִיין, בְּרִיין אֲתַבְּנָשׁוּ לְגַבִּיָּה, וְסִגִּידוּ לְקַבְּלִיָּה, וְאִימְתָּא וְדַחֲלָא נַפְלַת עֲלֵיהוּ מְדַחֲלַתִּיָּה, הַה"ד וּמוֹרָאֲכֶם וְחַתְּכֶם יְהִיָּה עַל כָּל חַיַּת הָאָרֶץ וְעַל כָּל עוֹף הַשָּׁמַיִם.

231. He brought him into the garden that He planted to guard it, and so that he should have joy upon joy, and delight in it. He made for him a canopy covered with precious stones, and the supernal angels used to rejoice before him. Afterwards, He commanded him not to eat of one tree, but he did not heed the commandment of his Master.

231. עֵינִילִיָּה לְגַנְתִּיָּה דְּנִטְעָ, לְנִטְרִיָּה לְמַהוּי לִיָּה חֲדוּ עַל חֲדוּ, וְלֹאֲשַׁתְּעֲשֵׂעַ בֵּיה. עֲבַד לִיָּה טְרוּצְטַבּוּלִין מְחַפְּיִין בְּאֲבָנֵי יָקָר, וּמְלֹאכִין עֲלָאִין חֲדָאִין קַמִּיָּה. לְבַתַּר פְּקִיד לִיָּה עַל אֵילָנָא חֲדוּ וְלֹא קֵאִים בְּפַקּוּדָא דְּמֵאֲרִיָּה.

232. I found in the Book of Enoch that, after the Holy One, blessed be He, elevated ENOCH and showed him all the treasures of the King, those above and those below, He showed him the Tree of Life and the tree that Adam was cautioned against. And He showed him the place of Adam in the Garden of Eden. And he saw that if Adam had observed this commandment, OF THE TREE OF KNOWLEDGE, he could have lived forever and always been there. He did not observe the commandment of his Master, so he was judged and punished.

232. אֲשַׁבְּחָנָא בְּסַפְרָא דְּחֲנוּךְ, דְּלְבַתַּר דְּסִלִּיק לִיָּה קוֹדֶשׁא בְּרִיךְ הוּא, וְאֲחֵמֵי לִיָּה כָּל גְּזוּזֵיָא דְּמַלְכָּא, עֲלָאִין וְתַתָּאִין, אֲחֵמֵי לִיָּה אֵילָנָא דְּחַיִּי, וְאֵילָנָא דְּאֲתַפְּקַד עֲלֵיהּ אָדָם, וְאֲחֵמֵי לִיָּה דּוּכְתִיָּה דְּאָדָם בְּגַנְתָּא דְּעֵדֶן. וְחַמָּא, דְּאֲלַמְלֵי נְטוּר אָדָם פְּקוּדָא דָּא, וְכִיל לְקַיִמָּא תְּדִירָא, וְלְמַהוּי תְּדִירָא תַּמָּן. הוּא לֹא נְטוּר פְּקוּדָא דְּמֵאֲרִיָּה, נַפְק בְּדִימוּס וְאֲתַעֲנָשׁ.

233. Rabbi Yitzchak said: Adam was created with two faces, and this was the way they explained it: "And He took one of his sides" (Beresheet 2:21). The Holy One, blessed be He, has sown it and it became two, from the east and from the west, ADAM FROM THE EAST AND EVE FROM THE WEST. This is what is written: "You have beset me behind and before." "Behind" is west and "before" is east.

234. Rabbi Chiya said: What did the Holy One, blessed be He, do? He prepared that female, perfected her beauty, and brought her to Adam. This is what is written: "And of the side, which Hashem Elohim has taken from the man, He made a woman" (Ibid. 22). Come and behold: it is written above: "And He took one of his sides." What is "one"? It is as in: "My dove, My undefiled is but one; she is the only one of her mother" (Shir Hashirim 6:9), WHICH IS MALCHUT. "Of his sides," MEANING from his sides, as is written: "And for the second side of the tabernacle" (Shemot 26:20), BECAUSE SHE WAS TAKEN FROM THE LEFT SIDE.

235. Rabbi Yehuda said: The Holy One, blessed be He, placed a supernal soul in Adam and included in it wisdom and understanding to know everything. HE ASKS: From which place did He give him a soul? Rabbi Yitzchak said: From the place the other souls come from, NAMELY BINAH, FOR THE LIGHT OF BINAH IS CALLED 'NESHAMAH'.

236. Rabbi Yehuda said: We understand it from here, as it is written: "Let the earth bring forth living creatures (lit. 'Nefesh')" (Beresheet 1:24). HE ASKS: From which place in the earth? HE ANSWERS: From the place where the Temple is located, BECAUSE EARTH IS MALCHUT, AND THE PLACE OF THE TEMPLE IS BINAH, THAT IS IN IT. "Living soul" (Heb. Nefesh) is simply written, "living soul," WITHOUT EXPLAINING WHOSE SOUL. AND HE SAYS: This is the Nefesh of Adam who was first of all.

237. Rabbi Chiya said: Adam knew supernal Wisdom more than the supernal angels, and he gazed into everything and knew and recognized his Master more than all the inhabitants of the world. After he sinned, the wellsprings of Wisdom became stopped for him. It is written: "And Hashem Elohim sent him out of the Garden of Eden to till the ground" (Beresheet 3:23).

238. Rabbi Aba said: Adam emerged from Male and Female, NAMELY ZEIR ANPIN AND NUKVA. This is what is written: "And Elohim said, 'Let us make man in our image, after our likeness'" (Beresheet 1:26). Therefore, EVEN BY MAN male and female were made united, and were separated FROM EACH OTHER afterwards. You may question why it says, "The earth from where he was taken," AND NOT FROM THE SUPERNAL MALE AND FEMALE. HE ANSWERS: It is certainly so, THAT HE WAS TAKEN FROM THE EARTH, but this refers to the Nukva OF ZEIR ANPIN. And the Holy One, blessed be He, MEANING ZEIR ANPIN, was Her partner. These are the Male and Female THAT WE MENTIONED. And it is all one thing.

233. רבי יצחק אמר, אדם דו פרצופין אתברי, והא אוקימנא, ויקח אחת מצלעותיו, נסרו הקודשא בריך הוא ואתעבידו תרין, ממזרח וממערב, הדא הוא דכתיב, אחור וקדם צרתני. אחור דא מערב, וקדם דא מזרח.

234. ר' חייא אמר, מה עביד קודשא בריך הוא, תקין להווא נוקבא ושכליל שמירותה על כלא, ועיילה לאדם, הה"ד ויבן יי' אלהים את הצלע אשר לקח מן האדם לאשה. תא חזי, מה כתיב לעילא, ויקח אחת מצלעותיו. מאי אחת. כד"א אחת היא יונתי תמתי אחת היא לאמה. מצלעותיו: מסטרוי. כד"א, ולצלע המשכון.

235. ר' יהודה אמר, קודשא בריך הוא נשמתא עלאה יתב ביה באדם, וכליל ביה חכמתא וסכלתנו, למנדע כלא. מאן אתר יתב ביה נשמתא. ר' יצחק אמר, מאתר דשאר נשמתין קדישין קא אתיין.

236. ר' יהודה אמר, מהכא. דכתיב תוצא הארץ נפש חיה, מאן הארץ. מהווא אתר דמקדשא אשתכח ביה. נפש חיה, נפש חיה סתם, דא נפשא דאדם קדמאה דכלא.

237. ר' חייא אמר, אדם הוה ידע חכמתא עלאה, יתיר ממלאכי עלאי, והוה מסתכל בכלא, וידע ואשתמודע למאריה, יתיר מכל שאר בני עלמא. בתר דחב, אסתמו מניה מבועי דחכמתא, מה כתיב וישלחו יי' אלהים מגן ערן לעבוד את האדמה.

238. ר' אבא אמר, אדם הראשון מדבר ונוקבא אשתכח, הה"ד ויאמר אלהים נעשה אדם בצלמנו כדמותנו, ועל דא, דבר ונוקבא אתעבידו כחדא, ואתפרשו לבתר. ואי תימא, הא דאמר האדמה אשר לקח משם. הכי הוא ודאי, ודא היא נוקבא, וקודשא בריך הוא אשתתף עמה, ודא הוא דבר ונוקבא, וכלא הוא מלה חדא.

239. Rabbi Yosi said: "Yah is my strength and song," REFERS TO those that are included one with the other and do not separate one from the other. They are always in love with one desire, FOR THEY ARE ABA AND IMA THAT ARE CALLED YUD-HEI. From them spring the currents of the rivers and springs to supply everyone and to bless everything, and the waters of these springs do not fail. This is the meaning of: "And like a spring of water, whose waters fail not" (Yeshayah 58:11). Therefore, "He is become my salvation" (Shemot 15:2). For this reason does the Holy King draw and cause to inherit below, and the right becomes aroused to perform miracles.

240. "He is my El, and I will glorify Him." This is the righteous, NAMELY YESOD, from whom emerge blessings in unity. "And I will glorify Him," in that place where there is love, which is the Temple. "Elohim of my father and I will exalt Him" (Ibid.). Moses said this to the place, from which the Levites come, NAMELY THE LEFT SIDE. Therefore, ONCE MOSES SAID ABOUT THAT SIDE, "AND I WILL EXALT HIM" there is complete perfection in it, BECAUSE, "AND I WILL EXALT HIM," MEANS THAT HE CAUSES IT TO BE COMPRISED IN THE RIGHT SIDE, THIS BEING THE ENTIRE PERFECTION.

241. Rabbi Yitzchak said: "And He is become my salvation." This is the Holy King, WHO IS ZEIR ANPIN, and so He is. How do we know this? I have found this in another passage, in which it is written: "Yah is my strength and song, and He is become my salvation." It is understood from, "Hashem...is become my salvation," that it refers to the Holy King WHO IS CALLED 'YUD HEI VAV HEI', NAMELY ZEIR ANPIN.

242. "Yah is my strength and my song." Rabbi Chizkiyah opened the discussion with the verse: "A friend loves at all times, and a brother is born for adversity" (Mishlei 17:17). "A friend loves at all times," refers to the Holy One, blessed be He, of whom it is written: "Do not forsake your own friend, and your father's friend" (Mishlei 27:10).

243. "And a brother is born for adversity." At the time that your enemy oppresses you, what does the Holy One, blessed be He, say? "For the sake of my brethren and my comrades, I will now say, "Peace be within you"" (Tehilim 122:8). Yisrael are called 'brothers' and 'comrades' of the Holy One, blessed be He. What is the meaning of "is born" - is he born now, in time of trouble? HE ANSWERS: During the trouble shall be born in the world one who will be a brother to you, to save you from all those who oppress you.

244. Rabbi Yehuda said: "is born" means that the Holy King will be aroused with this strength to take revenge on the nations because of you, and to nurture you from Ima, WHICH IS BINAH, on this LEFT side, as is written: "Yah is my strength and song, and He is become my salvation." He will awaken powers against the idolatrous nations.

239. ר' יוסי אמר, עזי וזמרת יה, אינון הכלילין דא בדא ולא אתפרשין דא מן דא ולעלמין אינון בחביבותא, ברעותא חדא, דמתמן אשתכחו משיכון דנחלין ומבוועין לאסתפקא כללא, ולברכא כללא, לא כדיבו מימי מבוועין, כד"א וכמוצא מים אשר לא יכזבו מימיו וע"ד ויהי לי לישועה, דבגיני כך, מלכא קדישא משיך ואחסין לתתא, ואתער ימינא למעבר נסין.

240. זה אלי ואנוהו. דא צדיק, דמניה נמקין ברבאן בזווג. ואנוהו: ביהוה אתר דחביבותא אשתכח ביה, ודא הוא מקדשא. אלהי אבי וארוממנהו, משה קאמר דא, לגבי אתר דלואי אתיין מההוא סטרא וע"ד שלימותא דכללא הוא ביהוה אתר.

241. ר' יצחק אמר, ויהי לי לישועה, דא מלכא קדישא, והכי הוא. ומנלן. מקרא אחרינא אשכחנא ליה, דכתיב כי עזי וזמרת יה יי' ויהי לי לישועה, ממשמע דקאמר יי' ויהי לי לישועה, דא מלכא קדישא.

242. עזי וזמרת יה וגו', ר' חזקיה פתח ואמר, ביהוה קרא דכתיב, בכל עת אוהב הרע ואח לצרה יולד. בכל עת אוהב הרע, דא קודשא בריך הוא, דכתיב ביה רעך ורע אביך אל תעזוב.

243. ואח לצרה יולד, בשעתא דיעיקון לך שנאך, קב"ה מה אמר, למען אחי ורעי אדברה נא שלום בך, הישראל, אקרון אחים ורעים לקודשא בריך הוא. יולד מהו, וכי השתא יולד. אלא בשעתא דעקתא יולד בעלמא, אח יהא לקבלך, לשזבא לך מכל אינון דעקין לך.

244. רבי יהודה אמר, יולד: דמלכא קדישא יתער בהאי עו, לנקמא לך מאומיו, לינקא לך מאימא, ביהוה סטרא, כד"א, עזי וזמרת יה ויהי לי לישועה. לאתערא גבוראן לקבל אומין עכו"ם.

245. Rabbi Yisa opened the discussion, saying: How much must a person love the Holy One, blessed be He, for there is no service before the Holy One, blessed be He, except love. The Holy One, blessed be he, calls 'beloved' everyone who loves Him and serves Him with love. HE ASKS: If so, how is it possible to reconcile these two passages: "Do not forsake your own friend, and your father's friend" (Mishlei 27:10), and, "Let your foot be seldom in your neighbor's (also: 'friend's') house" (Mishlei 25:17).

246. HE ANSWERS: But the scholars have already explained that this passage, "DO NOT FORSAKE YOUR OWN FRIEND, AND YOUR FATHER'S FRIEND," is written in reference to burnt offerings, BUT IN REFERENCE TO SIN OFFERINGS AND GUILT OFFERINGS, IT IS SAID, "LET YOUR FOOT BE SELDOM IN YOUR NEIGHBOR'S HOUSE." Now WE WILL EXPLAIN: "Do not forsake your own friend, and your father's friend." DO NOT FORSAKE serving Him and cleaving unto Him and doing His commandments. "Do not forsake," indeed. And, "Let your foot be seldom in your neighbor's house" means: let your inclination be seldom there, so that it would not provoke you or dominate you, and so that no strange thought will rise "from your neighbor's house." What is "your neighbor's house"? It is the holy soul that your friend placed in you and put inside you.

247. Therefore, the service of the Holy One, blessed be He, is to love Him in everything HE MAY DO TO YOU, as is written: "And you shall love Hashem your Elohim" (Devarim 6:5). "This is my El and I will glorify Him," for all of Yisrael saw at the sea what Ezekiel the prophet did not see. Even embryos in their mothers' womb saw and praised the Holy One, blessed be He, and they all said: "This is my El and I will glorify Him, Elohim of my father and I will exalt Him." "Elohim of my father," is as is written: "Elohim of Abraham."

248. Rabbi Yosi said: If so, why does it say, "And I will exalt Him," seeing that Elohim of Abraham is above, AND THERE IS NO NEED TO EXALT HIM. IT MEANS THAT ELOHIM OF ISAAC, WHO IS THE LEFT COLUMN, NEEDS TO BE EXALTED, NOT THE RIGHT COLUMN. He said to him: Even so, it is needed TO EXALT HIM. And it all pertains to the same issue. "And I will exalt Him," on all SIDES. Also, one who knows how to proclaim the oneness of the Holy and Great Name, MUST EXALT HIM, for this is the loftiest service of the Holy One, blessed be He.

249. Rabbi Yehuda was sitting before Rabbi Shimon and reading, it is written: "The voice of your watchmen is heard, they lift up the voice, together shall they sing" (Yeshayah 52:8). "The voice of your watchmen." Who are the watchmen? HE ANSWERS: Those who are waiting for the time when the Holy One, blessed be He, will have Mercy to build His house. "They lift up the voice." HE ASKS: It should have said, 'They will lift up the voice'; what is the meaning of, "They lift up the voice"? HE ANSWERS: Every person who weeps and raises his voice for the destruction of the House of the Holy One, blessed be He, will merit what is written afterwards, "Together shall they sing," and merit to see it restored in joy.

245. ר' ייסא פתח ואמר, כמה אית ליה לבר נש לרחמא, ליה לקודשא בריך הוא, דהא לית ליה פולחנא לקודשא בריך הוא, אלא רחימותא. וכל מאן דרחים ליה, ועביד פולחנא ברחימותא, קארי ליה לקודשא בריך הוא רחימא. אי הכי, במאי אוקימנא הני קראי, רעך ורע אביך אל תעזוב. וכתוב הוקר רגלך מגלך מפיית רעך.

246. אלא הא אוקמוה חבוינא, האי קרא בעולות כתיב. השתא, רעך ורע אביך אל תעזוב, למפלח ליה, ולא תדבקא ביה, ולמעבד פקודוי. אל תעזוב ודאי. והא דאתמר הוקר רגלך מפיית רעך. כלומר הוקר יצרך, דלא ירתח לקבלך, ולא ישלוט בך, ולא תעביד הרהורא אחרא. מפיית רעך, מאן בית רעך. דא נשמתא קדישא, דאעיל בה רעך ויהבה בגנך.

247. ועל דא פולחנא דקודשא בריך הוא, לרחמא ליה בכלא, כמה דכתיב ואהבת את יי' אלהיך. זה אלי ואנוהו, דכל ישראל חמו על ימא, מה דלא חמא יחזקאל נביאה, ואמילו אינון עופרי דבמעו אמרו, הוּ חמאן ומשבחן לקודשא בריך הוא, וכלהו הוּ אמרין זה אלי ואנוהו אלהי אבי וארוממנהו, כד"א אלהי אברהם.

250. "When Hashem returns Zion" (Ibid.). HE ASKS: Should it not have said, 'When Hashem returns to Zion'? What is the meaning of, "When Hashem returns Zion"? HE ANSWERS: "When Hashem returns Zion" is exact. Come and behold: at the time that the earthly Jerusalem was destroyed and the Congregation of Yisrael, WHICH IS MALCHUT, were exiled, the Holy King, WHO IS ZEIR ANPIN, ascended to Zion, THAT IS YESOD OF MALCHUT, and sighed before her because of the Congregation of Yisrael was exiled. When the Congregation of Yisrael return to her place, then the Holy King will return to His place, Zion, so one would unite with the other. And at is the meaning of: "When Hashem returns Zion," AND NOT 'TO ZION' BECAUSE "HASHEM ZION" INDICATES THE UNION OF HASHEM WITH ZION. Then Yisrael will say: "This is my El and I will glorify Him," and: "This is Hashem; we have waited for Him, we will be glad and rejoice in His salvation" (Yeshayah 25:9), in His salvation, assumedly NAMELY, IN THE REDEMPTION OF HASHEM WHEN HE RETURNS TO ZION.

18. "Hashem is a man of war"

Rabbi Shimon says that the "Book of the Wars of Hashem" means the wars of Torah, which are peace and love rather than quarrels and destruction. Then he turns to "Seek out the Book of Hashem, and read," saying that all the powers and strengths that the Holy One, blessed be He has are dependent on that Book, that is Malchut, and emerge from there. When His powers and wars are provoked, the Judgments of the right side and the Judgments of the left side arouse mighty deeds; then "Hashem is a Man of war."

251. "Hashem is a man of war: Hashem is His name." Rabbi Aba opened the discussion, saying: "Wherefore is said in the book of the wars of Hashem, Vahev in Sufah and the wadis of Arnon" (Bemidbar 21:14). How much must we observe on the words of Torah, how much must we concentrate on every word, for you have not one word in the Torah that does not allude to the Holy Supernal Name. And there is no word in the Torah that does not have many secrets, many senses, many sources, and many branches.

251. יי' אִישׁ מִלְחָמָה יי' שְׁמוֹ. רַבִּי אַבָּא פָּתַח עַל כֵּן יֹאמֵר בְּסֵפֶר מִלְחָמוֹת יי' אֵת וְהֵב בְּסוּפָה וְאֵת הַנְּחָלִים אֲרָנוֹן. כַּמָּה אֵיִת לָן לְאַסְתַּכְלָא בְּפִתְגָמֵי אֹרִייתָא, כַּמָּה אֵיִת לָן לְעֵינָא בְּכָל מַלְהָא, דְלִית לָךְ מַלְהָ בְּאֹרִייתָא, דְלֵא אֲתַרְמִיזָא בְּשֵׁמָא קְדִישָׁא עֲלָאָה, וְלִית לָךְ מַלְהָ בְּאֹרִייתָא, דְלִית בָּהּ כַּמָּה רִזִּין, כַּמָּה טַעֲמִין, כַּמָּה שְׂרָשִׁין, כַּמָּה עֲנַפִּין.

252. Here we should observe what is written: "Wherefore is said in the book of the wars of Hashem." HE ASKS: Where is "the book of the wars of Hashem?" HE ANSWERS: This is what the friends explained. Every person who wages war in Torah merits an increase in peace at the end of his words. All the wars of the world are quarrels and destruction, and all the wars of Torah are peace and love. This is what is meant by: "Wherefore is said in the book of the wars of Hashem," NAMELY THE WARS OF TORAH. "Vahev in Sufah," meaning love (Heb. ahavah) at its end (Heb. sufah). For you have no other love and peace except this.

252. הֵבָא אֵיִת לְאַסְתַּכְלָא, ע"כ יֹאמֵר בְּסֵפֶר מִלְחָמוֹת יי', וְכִי סֵפֶר מִלְחָמוֹת יי', אֵן הוּא. אֶלֵּא הֵכִי אֲתַעְרוּ חֲבֵרֵיִיא, כֹּל מֵאֵן דְּאִגַּח קִרְבָּא בְּאֹרִייתָא, זְכִי לְאַסְגָּאָה שְׁלָמָא בְּסוּף מַלּוּי. כֹּל קִרְבִּין דְּעֲלָמָא, קִטְטָה וְחֲרַבְנָא. וְכֹל קִרְבִּין דְּאֹרִייתָא, שְׁלָמָא וְרַחֲמִימוֹתָא, הֵה"ד עַל כֵּן יֹאמֵר בְּסֵפֶר מִלְחָמוֹת יי' אֵת וְהֵב בְּסוּפָה, כְּלוּמַר, אֶהְבָּה בְּסוּפָה. דְלִית לָךְ אֶהְבָּה וְשְׁלָמָא בְּרַ מֵהָאִי.

253. But the question remains standing, for it is written: "Wherefore is said in the book of the wars of Hashem," AND IF IT REFERS TO THE WARS IN TORAH, it should have said 'in the Torah of the wars of Hashem' What is the meaning of "in the book"? HE ANSWERS: It is a supernal secret. The Holy One, blessed be He, has a place which is called 'book', WHICH IS MALCHUT, as is written: "Seek out of the book of Hashem, and read" (Yeshayah 34:16). All the powers and strengths that the Holy One, blessed be He, has originate from that book, and from there they emerge.

253. תּוֹ קִשְׂיָא בְּאַתְרֵיהּ. ע"כ יֹאמֵר בְּסֵפֶר מִלְחָמוֹת יי', בְּתוֹרַת מִלְחָמוֹת יי' מִבְּעֵי לִיָּהּ, מֵאִי בְּסֵפֶר. אֶלֵּא רְזָא עֲלָאָה הוּא, אֲתֵר אֵיִת לִיָּהּ לְקוּדְשָׁא בְּרִיךְ הוּא, דְּאִקְרִי סֵפֶר כַּד"א, דְּרָשׁוּ מֵעַל סֵפֶר יי' וְקִרְאוּ. דְכֹל חִילּוּן וְגַבּוּרָן דְּעֵבִיד קוּדְשָׁא בְּרִיךְ הוּא, בְּהָהוּא סֵפֶר תְּלִיּוֹן, וּמִתְמָן נִמְקִין.

254. "Vahev in Sufah." HE ASKS: What is Vahev? HE ANSWERS: All the strengths and all these mighty deeds that the Holy One, blessed be He, has come from that book, WHICH IS MALCHUT. When the Holy One, blessed be He, wages His wars, it is in one place which is the end of the levels, called 'Vahev', as is written: "The leech has two daughters, crying, 'Give, give (Heb. hav-hav)" (Mishlei 30:15). THEY ARE THE PLACE OF PUNISHMENTS UNDERNEATH MALCHUT. "In Sufah" means that it is at the end (Heb. sof) of the levels. Sufah is called the 'Red (Heb. suf) Sea', MALCHUT, MEANING the sea that is the end of all the levels.

255. "And the wadis of Arnon" MEANS with the rivers that come and are drawn TO MALCHUT, WHICH IS THE SECRET OF "VAHEV IN SUFAH," from that highest place which is called "Arnon." What is Arnon? It is the supernal union of love that never separates, WHICH IS THE UNION OF THE SUPERNAL ABA AND IMA. As you say: "And a river went out of Eden" (Bereshheet 2:10). A RIVER, WHICH IS BINAH, AND EDEN, WHICH IS CHOCHMAH, ARE COLLECTIVELY CALLED 'ABA AND IMA', BECAUSE ARNON IS COMPOSED OF THE LETTERS OF OR-NUN ('THE LIGHT OF FIFTY'), NAMELY THE LIGHT OF THE FIFTY GATES OF BINAH. This way its roots are rooted, and its branches OF MALCHUT grow so as to do battles in every place, perform deeds of strength and might, and show the greatest dominion and majesty.

256. Come and behold: when the powers and wars of the Holy One, blessed be He, are provoked, many Prosecutors of Judgments are stirred on every side. Then spears, WHICH ARE THE SECRET OF JUDGMENTS OF THE RIGHT SIDE, and sharp swords, WHICH ARE THE JUDGMENTS OF THE LEFT SIDE, arouse mighty deeds. The sea becomes agitated and its waves rise and fall, and the ships that tread and sail on the sea scatter to all sides. The war escalates with catapult stones, spears-men, and swordsmen. Then it is written: "Your arrows are sharp" (Tehilim 45:6). And the Holy One, blessed be He, strengthens Himself with His powers to wage war. Woe to those against whom the Holy King provokes war. It is then written: "Hashem is a man of war" (Shemot 15:3).

257. From this PASSAGE: "HASHEM IS A MAN OF WAR," from these letters and from this passage emerge lines of warriors against these wicked people and these enemies who sinned against the Holy One, blessed be He. The secret of the letters is revealed to these men of Truth. These things are explained and elucidated, and we have already learned this.

258. "Hashem is a Man of War, Hashem is His Name." HE ASKS: Since it is written, "Hashem is a man of war," do I not know that "Hashem is His Name"? HE ANSWERS: But it is written, "And Hashem rained upon Sdom and upon Amarah brimstone and fire from Hashem out of heaven" (Bereshheet 11:24), IN WHICH "AND HASHEM" MEANS YUD HEI VAV HEI AND HIS COURT OF JUSTICE, WHICH IS MALCHUT. THEREFORE, IT SAYS AFTERWARDS, "FROM HASHEM." HERE TOO, "HASHEM IS A MAN OF WAR" MEANS YUD HEI VAV HEI AND, "HASHEM IS HIS NAME," MEANS MALCHUT. For all comes from that book, WHICH IS MALCHUT, as is written: "The heaven will reveal his iniquity" (Iyov 20:27), MEANING ZEIR ANPIN, CALLED 'HEAVEN'. "And the earth shall rise up against him," MEANS MALCHUT THAT IS CALLED 'EARTH'.

Rabbi Yehuda narrates a dialogue between God and the angel who was appointed over the sea, wherein we learn that when He created the sea it was on condition that it would split for the children of Yisrael. Rabbi Elazar says that all the Chariots and hosts above were given into the hands of Judgment of Malchut, called the 'Great Sea' to break them in their level; when they were broken, then those below were broken and lost in the sea. He returns to the subject of the ten fingers of the hands, corresponding to the ten saying with which the Holy One, blessed be He was afterwards named. Rabbi Elazar says that all the ten plagues that He caused in Egypt were all by one hand, because the left hand was included in the right. Now Rabbi Yitzchak begins to describe the seven firmaments created by God, in each of which stars are stationed and fly; above them all is Aravot, the seventh heaven. Above Aravot is the firmament of the four holy beasts, that are comparable to all those that are below them. He talks of the seven depths and the seven sanctuaries, then of the sea that is Malchut where all the fish swim and gather and descend, illuminating downward; all the Chariots are called by their name. The dominion of the Other Side is broken by the strong power of Hashem, at the splitting of the sea.

259. Come and behold: all the time that the Holy One, blessed be He, arouses war in the world, those above and those below, NAMELY, THE NATION BELOW AND THEIR PATRONS ABOVE, are dislodged from their places, as we have established. This is the meaning of the verse: "The chariots of Pharaoh and his host has He thrown into the sea" (Shemot 15:4). And in the time to come, the Holy One, blessed be He, shall wage a great and powerful war against the nations in order to glorify His Name, as is written: "Then Hashem shall go forth and fight against those nations, as when He fights in the day of battle" (Zechariah 14:3), and: "Thus will I magnify Myself and sanctify Myself; and I will make Myself known..." (Yechezkel 38:23).

259. תָּא חֲזִי, בְּשַׁעֲתָא דְּקוּדְשָׁא בְּרִיךְ הוּא אֲתֵּער קַרְבָּא בְּעֵלְמָא, עֲלָאי וְתַתְּאי אֲתַעְקְרוּ מֵאֲתְרֵיהוּ, כְּמָה דְּאֻקְיָמְנָא הֵה"ד מְרַכְבּוֹת פְּרַעָה וְחִילוּ יָרְה בֵּינֵם. וְלִזְמַנָּא דְּתָתִי, זְמִין קוּדְשָׁא בְּרִיךְ הוּא לְאַגְחָא קַרְבָּא עֲלָאָה וְתַקִּיפָא בְּעַמְמֵינָא, בְּגִין לְאוּקְרָא שְׁמִיָּה, הֵה"ד וַיֵּצֵא יְיָ וַנִּלְחַם בְּגוֹיִם הָהֵם כִּיּוֹם הַלְחָמוֹ בְּיוֹם קָרַב וְכָתִיב וְהִתְגַּדְלֹתִי וְהִתְקַדְּשֹׁתִי וְנִדְרַעְתִּי וְגו'.

260. Rabbi Yehuda opened the discussion, saying: "The waters saw You, Elohim, the waters saw You; they were afraid..." (Tehilim 77:17). At the time that Yisrael crossed the sea, the Holy One, blessed be He, said to the angel, who was appointed over the sea: 'Divide your waters.' He asked Him: 'Why?' He said to him: 'In order that My children may cross through you.' He said to Him: 'breaking the yoke of the reckoning is true', MEANING FORGIVENESS OF SINS IS TRUE, BECAUSE THE HOLY ONE, BLESSED BE HE, INDEED FORGIVES AND PARDONS SINS-'but what is the difference between the two? IF YOU FORGIVE THE CHILDREN OF YISRAEL, THEN ALSO FORGIVE THE EGYPTIANS.'

260. ר' יְהוּדָה פִּתַּח וְאָמַר, רְאוּךְ מִיָּם אֱלֹהִים רְאוּךְ מִיָּם יַחִילוּ וְגו', בְּשַׁעֲתָא דְּעִבְרוּ יִשְׂרָאֵל יַת יַמָּא, אָמַר קוּדְשָׁא בְּרִיךְ הוּא לְמַלְאָכָא דִּי מְמַנָּא עַל יַמָּא, פְּלִיג מִימְךָ. א"ל לְמָה. א"ל בְּגִין דְּבִנֵּי יַעֲבְרוּן בְּגוּרָךְ. אָמַר לִיה, פּוּרְקָנָא דְּקִיטְנָא קְשׁוּטָא. מ"ש אֵלִין מֵאֵלִין.

261. THE HOLY ONE, BLESSED BE HE, said to him: It was on this condition that I made the sea when I created the world, MEANING THE CONDITION THAT IT WOULD BE SPLIT FOR THE CHILDREN OF YISRAEL. What did the Holy One, blessed be He, do? He roused His might and the waters folded. This is what is meant by: "The waters saw You, Elohim, the waters saw You: they were afraid." The Holy One, blessed be He, said TO THE PATRON ANGEL OF THE SEA: Slay all these multitudes and afterwards cast them out. Afterwards the sea covered them, as is written: "The chariots of Pharaoh and his host has He thrown into the sea."

261. א"ל עַל, תְּנָאי דָּא, עֲבָדִית לִימָא כַּד בְּרָאתִי עֲלְמָא. מָה עָבִיד קוּדְשָׁא בְּרִיךְ הוּא, אֲתֵּער גְּבוּרָתָא דִּילִיָּה, וְאֲתַקְמְטוּ מִיָּא. הֵה"ד רְאוּךְ מִיָּם אֱלֹהִים רְאוּךְ מִיָּם יַחִילוּ. א"ל קוּדְשָׁא בְּרִיךְ הוּא, קְטוּל כָּל אִינוּן אַכְלוּסִין, לְבַתַּר אַרְמֵי לוּן לְבַר. לְבַתַּר חָפִי וַיֵּמָא עֲלֵיהוּ, הֵה"ד מְרַכְבּוֹת פְּרַעָה וְחִילוּ יָרְה בֵּינֵם.

262. Rabbi Elazar said: Come and behold. The Holy One, blessed be He, made above many Chariots, many multitudes, and many hosts which are all tied to each other. They are all Chariots to each other, FOR EVERY LOWER IS A CHARIOT TO THAT WHICH IS ABOVE IT; there are levels upon levels. And from the left side, dominating Chariots are come that are not Holy. And they are all specific levels above.

262. אָמַר רַבִּי אֶלְעָזָר, פּוּק חָפִי כְּמָה רְתִיכִין עֲבִיד קוּדְשָׁא בְּרִיךְ הוּא לְעֵילָא, כְּמָה אַכְלוּסִין, כְּמָה חֲיִילִין, וְכִלְהוּ קְשִׁירִין אֵלִין בְּאֵלִין. כִּלְהוּ רְתִיכִין אֵלִין לְאֵלִין, דְּרִגִין עַל דְּרִגִין, וּמַסְטְרָא דְּשַׁמְאֵלָא מִתְעַרִין רְתִיכִין דְּלָא קְדִישִׁין שְׁלִיטִין. וְכִלְהוּ דְּרִגִין יְדִיעֵן לְעֵילָא.

263. We have already noted by the first born of Pharaoh, that is one level, that the Holy One, blessed be He, slew and broke loose from its strong chain. Under its domination were many Chariots and many hosts of mighty men of the left side. Some of them were attached to the highest place of their dominion, and some of them were attached to Malchut above, and some of them were attached under the four living creatures, as we already learned.

264. And they were all given over into the hands of the Judgment of Malchut, that is called the 'Great Sea', to break them from their level. When these were broken above, then all these below were broken, and lost in the sea below. Hence, it is written: "The chariots of Pharaoh and his host has He thrown into the sea." "The sea," without attributes SHOWS BOTH THE SEA ABOVE FOR THEIR MINISTERS, AND ALSO THE LOWER SEA OF THE EGYPTIANS BELOW.

265. "His chosen captains also are drowned in the sea of Suf." "His chosen captains" has already been explained. "And captains over every one of them" (Shemot 14:7). All the levels were as two and one FROM ABOVE, ones upon the others; they were made in the likeness of above. And all of them were given over to the hands OF MALCHUT, to break them from their domination, the ones as well as the others, THOSE ABOVE AND THOSE BELOW.

266. Come and behold: we have learned that the ten plagues that the Holy One, blessed be He, caused in Egypt were all by one hand, because the left hand was included in the right. And ten fingers were included in each other, corresponding to the ten sayings with which the Holy One, blessed be He, was afterwards named. Corresponding to them all, the one of the sea was strong and great and dominating, as is said: "And afterward (lit. 'the last one') He afflicted her more" (Yeshayah 8:23). This is what is meant by: "The chariots of Pharaoh and his host has he thrown into the sea." In the time to come, the Holy One, blessed be He, shall slay multitudes, and different officers, and leaders of Edom. This is what is said: "Who is this, who comes from Edom, with crimsoned garments from Batzrah?" (Yeshayah 63:1).

267. "The chariots of Pharaoh and his host has He thrown into the sea." Rabbi Yitzchak opened the discussion, saying: "When His voice resounds with the great mass of water in the heavens, and He raises vapors from the ends of the earth; when He makes lightning flashes among the rain, and brings forth the wind out of His storehouses" (Yirmeyah 10:13). We have learned that the Holy One, blessed be He, made seven firmaments CORRESPONDING TO CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT, and stars are stationed in every firmament, MEANING FROM THE ASPECT OF "AND RETURNED" (YECHAZKEL 1:14). Stars fly in every single firmament, MEANING LEVELS FROM THE ASPECT OF "RAN" (IBID.). And above all of them is Aravot, WHICH IS THE FIRST THREE SFIROT OF THE FIRMAMENTS.

263. וְהָא אֲתַעֲרָנָא בְּבִכּוּר פְּרַעָה, דְּהוּא דְּרָגָא חַד, דְּקַטְל קוּדְשָׁא בְּרִיךְ הוּא וְתַבְר לִיה מְשׁוּלְשְׁלִיה תְּקִיפָא, תַּחַת שׁוּלְטָנִיָּה, כְּמָה רְתִיכִין וְכְמָה חֲוִילִין דְּקוּזְמִיטִין מְסָטֵר שְׁמַאֲלָא, מְנַהוּן אַחֲרֵן בְּאֲתֵר עֲלָאָה דְּשׁוּלְטָנוּתָא דְּלֵהוּן, וּמְנַהוּן אַחֲרֵן בְּמַלְכוּתָא דְּלַעִילָא. מְנַהוּן אַחֲרֵן בְּתֵר אַרְבַּע חִיּוֹן, כְּמָה דְּאֲתַמֵּר.

268. And every firmament is two hundred years' walk in length and five hundred years high. Between each firmament is a distance of 500 years. And Aravot is 1,500 years' walk in length and 1,500 years wide, and all these firmaments are illuminated from its radiance.

269. We have learned that above Aravot is the firmament of the living creatures, WHERE THERE ARE FOUR LIVING CREATURES: LION, OX, EAGLE AND MAN. The hoofs of the living creatures and their height resemble all of those THAT ARE UNDER THEM, BECAUSE THE UPPER ONE CONTAINS WITHIN IT ALL THAT IS BELOW IT. Above them are the ankles of living creatures, and they resemble all of those THAT ARE BELOW THEM. The shanks of the living creatures resemble all of those THAT ARE BELOW. The thighs of the living creatures resemble all of those THAT ARE BELOW. The buttocks of the living creatures resemble all of those THAT ARE BELOW, and the torsos of the living creatures resemble all of those THAT ARE BELOW. The wings resemble all of those THAT ARE BELOW. Their necks resemble all of those THAT ARE BELOW. The heads of the living creatures resemble all of those THAT ARE BELOW. HE ENUMERATES HERE TEN ASPECTS CORRESPONDING TO TEN SFIROT. HE ASKS: What is the meaning of 'resemble all of those'? AND HE ANSWERS: THEY ARE CONSIDERED comparable to all those THAT ARE BELOW THEM.

270. Every single limb in the living creatures corresponds to the seven depths. It corresponds to seven sanctuaries, WHICH ARE THE SECRET OF THE SEVEN MALCHUYOT, and corresponds to from the earth to the firmament, WHICH IS YESOD. It corresponds to from the firmament to the firmament, WHICH ARE CHESED, GVURAH, NETZACH, AND HOD, AS MENTIONED. Their measure and height is 25,000 parts of the measure of the Holy One, blessed be He, as we have established.

271. There is one more firmament above the horns of the living creatures, as is written: "And over the heads of beasts there was the likeness of a firmament" (Yechezkel 1:22). Below THAT FIRMAMENT are many Chariots on the right and left.

272. Below the sea, WHICH IS MALCHUT, dwell all the fish of the sea. They swim and gather in their four corners - WHICH ARE CHESED, GVURAH, TIFERET AND MALCHUT - and descend in their level, MEANING THEY ILLUMINATE FROM ABOVE DOWNWARDS, and all the Chariots are called by their name. Below these go the small ones, levels upon levels, as is written: "So is this great and wide sea, wherein are creeping things innumerable, both small and great beasts" (Tehilim 104:25). We have already established these things.

273. In the lower left side there is the dominion of the Other Side. FOR, "ELOHIM HAS MADE THE ONE AS WELL AS THE OTHER" (KOHELET 7:14). AND TO EVERYTHING THAT IS IN BRIYAH, YETZIRAH, ASIYAH OF HOLINESS, THERE IS A CORRESPONDING ONE IN THE OTHER SIDE. And they grasp onto those above, FOR THEY NURTURE FROM HOLINESS. AND NOW, AT THE SPLITTING OF THE SEA OF SUF, they descend, broken by the strong power of Holiness, as we have established: "The chariots of Pharaoh and his host..."

20. "Your right hand, Hashem, is glorious in power"

Rabbi Shimon, speaking of the doe that is Malchut, says that a person who studies Torah at midnight comes with the doe to stand before the King, and when morning comes a thread of grace is drawn over him. As he gazes at the firmament the light of understanding of the Holy Knowledge dwells upon him, and he is crowned with it. He says, "Hashem is near to all those who call upon Him, to all those who call upon Him in Truth," which means that he knows how to proclaim the unity of the Holy Name in his prayers, properly, and thus establishes a single nation in the world. Everyone who comes to pray without concentrating with his heart, desire and fear, is cast away. Rabbi Shimon talks about "The Righteous perishes," or "The righteous lost," telling us that the Righteous lost since blessings no longer dwell on him as they once did, and since the children of Yisrael, Malchut, has become distanced from him. In the time to come, his spouse will be returned to him. Man is really divided in order that he should later accept his spouse and the two should truly become one body. Rabbi Shimon compares this to "your right hand," which is divided in order to accept the left. In the time to come, in the time of Messiah, he says, "Your right hand, Hashem, has dashed (lit. 'will dash') the enemy in pieces." Then will be Armageddon and also the resurrection of the dead. Rabbi Shimon says that at that time those who will remain in the world, those who are circumcised and received the Holy Covenant, shall be blessed. Rabbi Chiya concludes that the pleasantness that sent forth light when God gave the Torah to Yisrael has been covered and concealed since the Holy Temple was destroyed.

274. "Your right hand, Hashem, is glorious in power" (Shemot 15:6). Rabbi Shimon said: At the time when the morning shines, WHICH IS THE SECRET OF THE LIGHT OF CHASSADIM OF ZEIR ANPIN, the doe, WHICH IS MALCHUT, stands firm. She is filled from her aspect, BECAUSE THE LEFT, WHICH IS HER SIDE, IS THEN ATTIRED IN CHASSADIM AND HER LIGHT BECOMES FULL. She enters into two hundred sanctuaries of the King, WHICH IS THE SECRET OF THE RIGHT COLUMN, WHICH CONTAINS ONLY KETER AND CHOCHMAH. EACH ONE NUMBERS ONE HUNDRED; THUS, THEY ARE TWO HUNDRED. AFTER MALCHUT HAS BEEN COMPLETED AND FILLED FROM THE LEFT COLUMN, SHE IS ENTIRELY INCLUDED IN THE RIGHT, WHICH IS THE SECRET OF THE TWO HUNDRED SANCTUARIES. A person who has studied Torah at midnight - at the time that the North Wind stirs, NAMELY THE LEFT, and it is the desire of this doe to be aroused in the world TO BESTOW PLENTY - he comes with her to stand before the King. And during the time of morning light, a thread of grace is drawn over him.

275. As he gazes at the firmament, MEANING THAT HE RECEIVES FROM THE FIRMAMENT, WHICH IS YESOD OF ZEIR ANPIN, the light of understanding of the Holy Knowledge dwells upon him, and the man is crowned with it, BY ATTAINING THE FIRST THREE SFIROT. And all fear him. Then this person is called 'a son of the Holy One, blessed be He', 'a resident of the King's sanctuary', WHICH IS MALCHUT, MEANING A SON TO ZEIR ANPIN AND NUKVA. And he enters all the gates of the King and nobody can hinder him.

276. At the time that he is summoned to the King's sanctuary, it is written about him: "Hashem is near to all those who call upon Him, to all those who call upon Him in Truth" (Tehilim 145:18). What is "in Truth"? It is as we established in the passage: "Show Truth to Jacob" (Michah 7:20), WHICH MEANS that he knows how to proclaim the unity of the Holy Name in his prayers properly. And this is the service of the Holy King.

277. Anyone who knows how to proclaim the unity of the Holy Name properly establishes a single nation in the world, as written: "And what one nation in the earth is like Your people, like Yisrael" (II Shmuel 7:23). Therefore, we have established that the service of any priest who does not know how to proclaim the unity of the Holy Name properly is not a proper service. This is because everything depends UPON THE PRIEST, both the service above, WHICH IS THE ESTABLISHING OF UNITY OF THE NAME, and the service below, OF SACRIFICES. And he must concentrate his heart and desire so that those above and those below are blessed.

274. יְמִינְךָ יי' נֹאדְרֵי בְכֹחַ. אָמַר ר"ש, בְּשַׁעֲתָא דְצַפְרָא נְהִיר, וְאִילְתָּא קַיִימָא בְקִיּוּמָה, אֲתַעֲבַרְתָּ בְּסִטְרָהּ, וְעָאלַת בְּמֵאתָן הַיְכָלִין דְּמַלְכָּא. בְּרֵשׁ נֶשׁ דְּאֲשַׁתְּדַל בְּפִלְגוּת לִילִיא בְּאוּרִיּוּתָא, בְּשַׁעֲתָא דְאֲתַעַר רוּחָא דְצַפּוֹן, וְתִיאוּבְתָא דְאִילְתָּא דָּא לְאֲתַעֲרָא בְּעֵלְמָא, אֲתִי עֵמָה לְקַיִימָא קֳדָם מַלְכָּא, בְּשַׁעֲתָא דְנְהִיר צַפְרָא מְשַׁכִּין עָלֶיהָ חַד חוּטָא דְחֹסֵד.

277. וּמֵאֵן דִּידַע לִיחְדָּא שְׂמָא קְדִישָׁא כְּדָקָא יְאוּת, אוּקִימֵן אוּמָא יַחֲדָא בְּעֵלְמָא, דְּכְתִיב וּמִי כַעֲמֵךְ יִשְׂרָאֵל גּוֹי אֶחָד בְּאַרְץ. וְעַל דָּא אוּקִימָנָא, כָּל כְּהֵן דְּלֹא יָדַע לִיחְדָּא שְׂמָא קְדִישָׁא כְּדָקָא יְאוּת, לְאוּ פּוֹלְחָנִיהּ פּוֹלְחָנָא. דְּהָא כְּלָא בֵּיהּ תְּלִיא, פּוֹלְחָנָא עֲלָא, וּפּוֹלְחָנָא תַתָּא. וּבְעֵי לְכוּנָא לְבָא וְרַעוּתָא, בְּגִין דִּיתְבַּרְכוּן עֲלָי וְתַתָּאי.

278. It is written: "When you come to appear before Me (lit. 'see My face')" (Yeshayah 1:12), for the prayer of every person who comes to proclaim the unity of the Holy Name but does not concentrate with his heart, desire and fear in order that by it those above and those below shall be blessed, is cast away. All announce against him. And the Holy One, blessed be He, declares of him: "When you come to see My face."

279. It should have been simply, "When you come to see." Why the additional "to see My face"? HE ANSWERS: For all these faces of King, NAMELY THE ILLUMINATION OF CHOCHMAH IN THE SECRET OF THE PASSAGE: "A MAN'S WISDOM MAKES HIS FACE TO SHINE" (KOHLEET 8:1), are concealed in the depth of the darkness, WHICH IS THE SECRET OF THE JUDGMENTS IN THE LEFT COLUMN. For by all those who know how to proclaim the unity of the Holy Name properly, the walls of darkness split, and the face of the King appears and shines to everyone. When they are visible and shine, then blessed are all those above and below. Then blessings are prevalent in all the world, and it is written: "to see My face."

280. "Who has required this (Heb. zot) from your hand" (Yeshayah 1:12). HE ASKS: What does the passage mean? HE ANSWERS: Everyone who comes to establish the unity of the Holy Supernal Name must do so from this aspect of zot, THAT IS MALCHUT, as is written: "Thus (Heb. zot) shall Aaron come into the holy place" (Vayikra 16:3). This is in order that the Righteous, WHICH IS YESOD, and righteousness, WHICH IS MALCHUT, shall unite together as one pair, so that everything shall be blessed from them. And these two are called "Your courts," as is written: "Happy is the man whom You choose, and cause to approach to You, that he may dwell in Your courts" (Tehilim 65:5).

281. And to he who is about to unite the Holy name, but does not concentrate with the heartfelt desire, with fear and love, the Holy One, blessed be He, says: "who has required this (Heb. zot) at your hand, to trample My courts?" (Yeshayah 1:12) Zot is precise, because there are no blessings IN THE RIGHTEOUS AND RIGHTEOUSNESS WHICH ARE CALLED 'MY COURTS'. And not only are there no blessings, but rather Judgment dwells in them, and we find that everything is under Judgment.

282. Come and behold: from the right side of the Holy One, blessed be He, WHICH IS CHESED, every light is aroused, all blessings, all joy. Within it is included the left. This is just as a person has right and left sides, and the left is included in the right, and the right includes everything. And when the right stirs, the left stirs with it, for it is linked to it and is included.

283. Come and behold: when a person raises his hands in prayer, he points his fingers upwards, as is written: "And it came pass, when Moses held up his hand, that Yisrael prevailed" (Shemot 17:11). Everything depends on the right. It is written: "And Aaron lifted up his hands (Heb. yadav)" (Vayikra 9:22). YADAV is spelled without YUD, WHICH MEANS ONE HAND, THE RIGHT, and then he concentrates on blessing above.

284. It is not so with the Holy One, blessed be He. When THE HOLY ONE, BLESSED BE HE, raises His hand above, woe to those below, because all assistance and blessing has departed from them. How do we know this? For it is written: "You did stretch out Your right hand, the earth swallowed them" (Shemot 15:12). What is "You did stretch out Your right hand"? It is like its Aramaic translation: 'You raised Your right hand' and immediately, 'the earth swallowed them'. And when the right is present, the left is also with it. And if the right departs, then the left comes, Judgments stir in the world, and Judgments prevail overall.

285. When Rabbi Shimon reached this verse he wept, for it is written: "He has drawn back his right hand" (Eichah 2:3). Is it possible that He would draw back His right hand? AND HE ANSWERS: But because the left hastened to descent into the world first, the right remained in another place, NAMELY BEHIND.

286. Rabbi Shimon said: It is written, "The righteous perishes" (Yeshayah 57:1), and we explained the words. It does not say that 'the Righteous is lost', but rather, "The righteous lost." AND HE ANSWERS: From all the aspects of the King the only one who lost was the Righteous one, WHICH IS YESOD. He lost in two ways: one, since blessings no longer dwell on him as originally, and the second is that his spouse has become distanced from him, that is, the Congregation of Yisrael, NAMELY MALCHUT. Thus the Righteous one loses more than any of them, and pertaining to the time to come, it is written: "Rejoice greatly, O daughter of Zion; shout, O daughter of Jerusalem: Behold, your King comes to you, He is just, and a deliverer (lit. 'delivered')" (Zecharyah 9:9). It is not written, 'Just, and a deliverer' but rather "just, and delivered." He is most certainly delivered, BECAUSE HIS SPOUSE HAS RETURNED TO HIM. And we have already learned this.

287. "Your right hand, Hashem, is glorious (Heb. ne'edari) in power" (Shemot 15:6). "Why does it say "Ne'edari"? It should say the more common 'ne'edar'. AND HE ANSWERS: When the left comes to unite with the right, then is written: "Ne'edari...has dashed the enemy in pieces." It is always thus when it unites with the right, because the left is present in the right and is included in it.

288. Rabbi Shimon said: It is as we established, because man is really divided, MEANING THAT HE IS ONLY HALF A BODY AND HIS SECOND HALF IS A WOMAN. What is the reason? In order that afterwards he should receive his spouse and the two should truly become one body. So is "Your right hand" really divided, IT IS ONLY HALF A BODY. What is the reason? In order to receive the left. And it is all so, one with one. With one hand, He smites and cures. Therefore, it is written: "Your right hand, Hashem, has dashed the enemy in pieces."

289. Come and behold: this song was sung about that time and about the time to come, when King Messiah will be aroused, as written: "Your right hand, Hashem, has dashed (lit. 'will dash') the enemy in pieces." It is not written: 'has dashed', THAT IS IN THE PAST TENSE, but "will dash," IN THE FUTURE TENSE. THUS, THIS IS ALSO FOR THE FUTURE TO COME. It is written before, REGARDING THE EXILE: "He has drawn back His right hand from before the enemy." At that time, in the time to come, it "will dash the enemy in pieces"

290. And it is all in this manner: "You have (lit. 'will') overthrown them that rose up against You" (Shemot 15:7). It is not written, "You have overthrown," but literally, 'You will overthrow,' and similarly, "You did (lit. 'will') send forth Your anger, which consumed them as stubble" (Ibid.). It is all in the time to come. "Your right hand, Hashem, is glorious in power" is in this time, in this world. "Your right hand, Hashem, will dash the enemy in pieces," refers to the time of King Messiah. "And in the greatness of Your excellency You have overthrown them that rose up against You," refers to the coming of Gog and Magog (Armageddon). "You will send forth Your anger, which will consume them as stubble," refers to the resurrection of the dead, as written: "And many of those who sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt" (Daniel 12:2).

291. Rabbi Shimon said: During that time, blessed are those who will remain in the world. And who are they? Come and behold: there will not remain any in the world except those who are circumcised, who accepted the Holy Covenant, and entered into the two parts of the Holy Covenant, NAMED CIRCUMCISION AND MEMBRANE UNCOVERING, as we have established. And one who guards the member the Covenant, not to insert it where he should not, these are those who will remain and be inscribed for eternal life.

292. How do we know this? From the words: "And it shall come to pass, that he that is left in Zion, and he that remains in Jerusalem, shall be called Holy, every one in Jerusalem that is written to Life" (Yeshayah 4:3). It is understood from, "He that is left in Zion, and he that remains in Jerusalem," that everyone who is circumcised attains these two levels, ZION AND JERUSALEM. If he observes that Covenant properly and is careful and particular about it, it is written: "He that is left in Zion, and he that remains in Jerusalem." These will remain in that time. And the Holy One, blessed be He, will renew the world and rejoice with them. In reference to that time, it is written: "May the glory of Hashem endure forever, let Hashem rejoice in His works" (Tehilim 104:31).

293. Rabbi Chiya was traveling to Rabbi Elazar. He found him sitting near Rabbi Yosi, the son of Rabbi Shimon, son of Lakunya, his father-in-law. He raised his head and saw Rabbi Chiya. He said: "In that day shall Yisrael be the third with Egypt and with Ashur (Assyria), a blessing in the midst of the land whom Hashem Tzeva'ot shall bless, saying, 'Blessed be Egypt, My people, and Ashur the work of My hands, and the children of Yisrael My inheritance'" (Yeshayah 19:24-25). HE ASKS: Are then Ashur and Egypt close to the Holy One, blessed be He?

289. תָּא חֲזִי, שִׁירְתָּא דָּא אֲתָמַר, עַל הָהוּא זְמַנָּא, וְעַל זְמַנָּא דְאַתִּי, בְּיוֹמֵי דִיתְעַר מְלַכָּא מְשִׁיחָא, דְכְתִיב, יִמְיִנְךָ יְיָ תִרְעֵץ אוֹיֵב, רַעְצָתָ לֹא כְתִיב, אֲלֵא תִרְעֵץ. מַה כְּתִיב בְּקִדְמִיתָא, הָשִׁיב אַחֲרֵי יָמֵינוּ, מִפְּנֵי אוֹיֵב, בְּהָהוּא זְמַנָּא הִיא, תִרְעֵץ אוֹיֵב לְזְמַנָּא דְאַתִּי.

294. HE ANSWERS: This refers to all those members of the exiles who will go up from Egypt and Ashur. And if we say that it refers to Egypt and Ashur THEMSELVES, it refers to the pious among them who repented, and remained to serve Yisrael and King Messiah, as it is written: "And may all kings fall down before Him" (Tehilim 72:11), and, "And kings shall be your foster fathers..." (Yeshayah 49:23).

295. He said to him: What is the meaning of, "Her ways are ways of pleasantness, and all her paths are peace" (Mishlei 3:17)? He said to him: How foolish are the people of the world, who do not know or pay attention to the words of Torah. The words of Torah are the way to merit that pleasantness of Hashem, as it is written: "Her ways are ways of pleasantness, and all her paths are peace" They are "ways of pleasantness," indeed. HE ASKS: What is "pleasantness"? AND HE ANSWERS: It is as written, "To behold the pleasantness of Hashem" (Tehilim 27:4), WHICH IS BINAH. We established that this is because the Torah and her ways are derived from that pleasantness, and these ways are explained in it. And hence, "Her ways are ways of pleasantness, and all her paths are peace."

296. Rabbi Chiya said: We have learned at the time that the Holy One, blessed be He, gave the Torah to Yisrael, a light emitted from that pleasantness, WHICH IS BINAH. And the Holy One, blessed be He, WHO IS ZEIR ANPIN, crowned Himself with it, MEANING THAT HE RECEIVED THE FIRST THREE SFIROT FROM HER, CALLED 'A CROWN'. And from that pleasantness, the luster of all the worlds, of all the firmaments, and of all the crowns sparkled. About that moment, it is written: "Go forth, O daughters of Zion, and behold King Solomon..." (Shir Hashirim 3:11). KING SOLOMON IS ZEIR ANPIN, HIS MOTHER IS BINAH, AND THE CROWN IS THE FIRST THREE SFIROT.

297. At the time that the Temple was built, the Holy One, blessed be He, was crowned with that crown and sat on His throne, WHICH IS MALCHUT. From the time that the Temple was destroyed, the Holy One, blessed be He, was not crowned with His crowns, and that pleasantness, WHICH IS THE LIGHT OF BINAH, was covered and concealed.

21. When Moses entered into the cloud

Rabbi Elazar tells of Moses' journey into the cloud where he was met by the Angels Kemuel, and then Hadarniel and then Sandalfon, who receives prayers. Moses trembled in fright until the Holy One, blessed be He strengthened him, and Moses found his power in those realms through saying the 72 letters of the Supernal Holy Name. God taught him the Torah, but when the children of Yisrael sinned below, the Angels wished to harm Moses. God gave him His protection and His radiant light, and Moses went down with the tablets, his face shining with illumination. Rabbi Chiya says that as long as the children of Yisrael are occupied with Torah, the strength of all the heathen nations is broken.

294. אֵלָא, עַל גְּלוּתָא דִּי־סִקּוֹן מִמְצָרִים וּמֵאֲשׁוּר אֲתָמֵר, וְאִי אֲתָמֵר עַל מְצָרִים וְעַל אֲשׁוּר, עַל אֵינּוֹן חֲסִידֵי דְלֵהוֹן, דְּאֵהֲדֵרוּ בְּתִיבְתָא, וְאֲשַׁתְּאֲרוּן לְמַמְלַח לְיִשְׂרָאֵל וְלְמַלְכָא מְשִׁיחָא, דְּכִתְיִב וַיִּשְׁתַּחֲוּ לֹו כָּל מְלָכִים. וְכִתְיִב, וְהָיוּ מְלָכִים אוֹמְנִיךְ וְגו'.

298. Rabbi Elazar said: When Moses entered into the cloud, it is written: "And Moses went into the midst of the cloud" (Shemot 24:18). As one who goes in the place of the spirit, a great angel met him. We learned that his name is Kemuel, and he is assigned over 12,000 appointed messengers. He wanted to join with Moses. Moses opened his mouth with the twelve engraved letters of the Holy Name that the Holy One, blessed be He, taught him at the bush, and he distanced himself twelve parasangs from Moses, who was standing in the cloud, with his eyes glowing like coals of fire.

299. Then a certain angel who was greater and more honored than the first met him. We learned that Hadarniel is his name and he is six hundred and one thousand parasangs above the other angels, and his voice carries through two hundred thousand firmaments that revolve in a white fire. As soon as Moses saw him, he was unable to speak. He wanted to drop himself down from the midst of the cloud.

300. The Holy One, blessed be He, said to him: 'Moses, are you really the one who spoke so much with Me at the bush, who wanted to know the secret of the Holy Name, and had no fear. Yet now you are afraid of one of my attendants!' As soon as Moses heard the voice of the Holy One, blessed be He, he was strengthened and opened his mouth with the 72 letters of the Supernal Holy Name. As soon as Hadarniel heard the letters of the Holy Name from the mouth of Moses, he shuddered. He approached him and said to him: Blessed is your portion Moses, for it has been revealed to you that which has not been revealed to the highest angels.

301. And he went with him until he reached the strong fire of an angel whose name is Sandalfon. We have learned that Sandalfon is 500 years higher than his other associates. He stands behind the curtain of his Master and he braids Him crowns from the requests of the prayers of Yisrael. And when this crown reaches the head of the Holy King, He receives all Yisrael's prayers. All the hosts and multitudes shudder and groan, and say: Blessed is the glory of Hashem from the dwelling place of His Shechinah.

298. א"ר אֶלְעָזָר, בְּשַׁעֲתָא דְעָאֵל מֹשֶׁה בְּגוֹ עֲנָנָא, כְּמַה דְכָתִיב, וַיָּבֵא מֹשֶׁה בְּתוֹךְ הָעָנָן, כְּבָר נֵשׁ דְהוּה אֲזִיל בְּאַתְרֵי דְרוּחָא. אִיעֲרַע בֵּיהּ חַד מִלְּאָכָא רְבֻרְבָּא, וְתַאנָּא, קְמוּא"ל שְׁמִיָּה. וְהוּא מְמַנָּא עַל תְּרִיסַר אֲלָפִין מְמַנָּן שְׁלִיחִין. בְּעָא לְאַזְהוּגָא בֵּיהּ בְּמֹשֶׁה, פִּתַּח מֹשֶׁה פּוּמִיָּה, בְּתִרְסַר אַתּוּן גְּלִיפִין דְשָׁמָא קְדִישָׁא דְאֻלִּיף לִיהּ קוּדְשָׁא בְּרִיךְ הוּא בְּסָנְה, וְאַתְרַחַק מִנִּיהּ תְּרִיסַר אֲלָפִין פְּרָסִין, וְהוּה אֲזִיל מֹשֶׁה בְּעֲנָנָא, וְעֵינָיו מְלַהֲטִין כְּגוּמְרִין דְאֶשָׁא.

302. Hadarniel said to him: Moses, I can not go with you. I fear that the strong fire of Sandalfon will burn me. At that moment, Moses shuddered until the Holy One, blessed be He, grasped Moses, sat him before Him and taught him Torah. And He covered Moses with that Light and the radiant shine of that pleasantness, and the face of Moses illuminated throughout the firmaments. All the hosts of heaven were trembling before him at that moment that he descended with the Torah.

303. As soon as Yisrael sinned below, the Holy One, blessed be He, took a thousand parts of that radiant shine from Moses. At that moment, the angels of above and all the multitudes wanted to burn Moses; NAMELY, when the Holy One, blessed be He, said to him, "Go, get you down; for your people...have become corrupt" (Shemot 32:7). Moses shuddered and could not speak until he increased and intensified supplications and prayers before the Holy One, blessed be He.

304. The Holy One, blessed be He, said to him: 'Moses, grasp My throne.' Until the Holy One, blessed be He, castigated all the multitudes, all these hosts AND THEN Moses held the two stone tablets and brought them down. That is the meaning of what is written: "A wise man scales the city of the mighty, and casts down the stronghold in which it trusts" (Mishlei 21:22). From that radiant shine that remained in him, the face of Moses sparkled. And if in this remnant that remained with him they could not gaze into his face, then into what had left and gone from him most surely WOULD THEY NOT BE ABLE TO GAZE.

305. Rabbi Chiya said: "Your right hand, Hashem, is glorious in power" (Shemot 15:6), refers to the Torah, THAT GLORIFIES THE RIGHT, and therefore, "Your right hand, Hashem, has dashed the enemy in pieces." For there is nothing in the world that can break the power of the heathen peoples like Yisrael when they are occupied with Torah. As long as they are occupied with Torah, the right is strengthened, and the power and strength of the heathen are broken. Therefore, the Torah is called 'strength', as is written: "Hashem gives strength to His people" (Tehilim 29:11).

306. When Yisrael are not occupied with Torah, the left is strengthened and the power of the heathen nations, WHO NURTURE FROM THE LEFT, is strengthened. They rule over Yisrael and pass decrees which Yisrael can not tolerate. The children of Yisrael were exiled and dispersed among the nations for this reason.

307. This is the meaning of the verse, "Why does the land perish... And Hashem says, 'Because they have forsaken My Torah'" (Yirmeyah 9:11-12). As long as Yisrael are occupied with Torah, the strength of might of all the heathens is broken. This is what is meant by: "Your right hand, Hashem, has dashed the enemy in pieces." Rabbi Elazar said: It is certainly so, AS WE LEARNED that as long as the voice of Yisrael is heard in the synagogues and study halls, "The voice is the voice of Jacob" (Bereshheet 27:22). But if not, then "the hands are the hands of Esau," as we have already explained.

22. "And in the greatness of Your excellency You have overthrown them that rose up against You" Rabbi Chizkiyah opens with, "Why stand You afar off, Hashem? Why hide You Yourself in times of trouble?" He says that when the world sins the Holy One, blessed be He ascends farther away and people cry with no one to hear them; repentance is withheld from them. Rabbi Yitzchak says that the title verse of this section refers to the time that God will attire Himself with majesty over the nations that will come against Him, and destroy them. We hear that God shall resurrect the kings who were the enemies of Yisrael and provide them with a governing dominion above, and they will make war against Jerusalem; then God will take revenge on them. This will happen at the time of Messiah and Armageddon.

308. "And in the greatness of Your excellency You have overthrown them that rose up against You" (Shemot 15:7). Rabbi Chizkiyah opened the discussion, saying: "Why stand You afar off, Hashem? Why hide You Yourself in times of trouble?" (Tehilim 10:1). At the time that the inequities of the world cause it, the Holy One, blessed be He, ascends higher and higher and people shed tears and cry, yet there is no one to pay attention to them. What is the reason? Because the Holy One, blessed be He, ascends higher and higher and repentance is withheld from them. Then it is written: "And in the greatness of Your excellency You have overthrown them that rose up against You."

308. וּבְרַב גְּאוּנָךְ תִּהְרוֹס קְמִיךְ. ר' חִזְקִיָּה פָתַח וַאֲמַר, לָמָּה יי' תַעֲמוֹד בְּרַחוֹק תַעֲלִים לַעֲתוֹת בְּצָרָה, בְּשַׁעֲתָא דְחוּבֵי עַלְמָא גְּרַמוּ, קוּדְשָׁא בְּרִיךְ הוּא סְלִיק לְעֵילָא לְעֵילָא, וּבְנֵי נִשְׂא צְוֹחִין וְנַחֲתִין דְמַעִין, וְלִית מֵאן דִּישְׁגַח עֲלֵיהוּ מ"ט. בְּגִין דְאִיהוּ סְלִיק לְעֵילָא לְעֵילָא, וְתִשׁוּבָה אֲתַמְנַע מִנִּיְהוּ, כְּדִין כְּתִיב, וּבְרַב גְּאוּנָךְ תִּהְרוֹס קְמִיךְ.

309. Rabbi Yitzchak said: This verse refers to the time when The Holy One, blessed be He, will attire Himself with majesty over the nations that shall gather against Him, as it is written: "And the princes take counsel together, against Hashem, and against His anointed" (Tehilim 2:2). As we have learned, seventy generals of armies shall gather from every side at that time with the hosts of the entire world to wage war against Jerusalem, the Holy City, and to plan against the Holy One, blessed be He. What do they say? 'Let us rise against the protector first, and then against His people and His sanctuary'.

309. ר' יִצְחָק אָמַר, הָאִי קְרָא, בְּשַׁעֲתָא דְאֲתַלְבֵּשׁ קוּדְשָׁא בְּרִיךְ הוּא גְּאוּתָא, עַל עַמְמֵי דִיתְכַנְשׁוּן עֲלֵיהּ, כַּמָּה דְכְתִיב, וְרוֹזְנִים נֹסְדוּ יַחַד עַל יי' וְעַל מְשִׁיחוֹ. וְתַנָּא זְמִינִין אֵינּוּן שְׁבַעִין קְסִטּוֹרִין מְכַל עֵיבָר, לְאֲתַכְנֵשׂא בְּהוּא זְמַנָּא בְּאוֹכְלוֹסִין דְכָל עַלְמָא, וְלַמְעַבַּד קְרָבָא עַל יְרוּשָׁלַם קְרִתָא קְדִישָׁא, וְלֹאֲחַדָּא עֵיטִין עֲלֵיהּ דְקוּדְשָׁא בְּרִיךְ הוּא. וּמֵאִי אֲמַרִי, נֹזְקִים עַל פְּטְרוֹנָא בְּקַדְמִיתָא, וְלִבְתַר עַל עַמִּיהּ, וְעַל הַיְכָלֵיהּ.

310. Then the Holy One, blessed be He, will laugh at them, as is written: "He who sits in the heavens laughs: Hashem has them in derision" (Ibid. 4). At that time, the Holy One, blessed be He, will don majesty against them and will destroy them from the world, as is written: "And this shall be the plague with which Hashem will smite all the peoples that have fought against Jerusalem; their flesh shall be consumed while they stand upon their feet" (Zechariah 14:12).

310. כְּדִין זְמִין קוּדְשָׁא בְּרִיךְ הוּא לְחַיִּיכָא עֲלֵיהוּ. דְכְתִיב יוֹשֵׁב בְּשָׁמַיִם יִשְׁחַק יי' וְלַעֲג לְמוֹ. בְּהוּא זְמַנָּא יִלְבֵּשׁ קוּדְשָׁא בְּרִיךְ הוּא גְּאוּתָא עֲלֵיהוּ, וְיִשְׁצִיגוּן מִן עַלְמָא, כַּמָּה דְכְתִיב וְזֹאת תִּהְיֶה הַמַּגֵּפָה אֲשֶׁר יִגַּף יי' אֶת כָּל הָעַמִּים אֲשֶׁר צָבְאוּ עַל יְרוּשָׁלַם הֵמָּךְ בְּשָׂרוֹ וְהוּא עוֹמֵד עַל רַגְלָיו.

311. Rabbi Aba said, quoting Rabbi Yesa Saba (the elder), and also Rabbi Shimon said: The Holy One, blessed be He, shall resurrect those kings that distressed Yisrael and Jerusalem, NAMELY Adrianus and Lupinus, Nebuchadnezzar and Sancheriv, and all the other kings of the world that took part in the destruction of His House. Then He will provide them with a governing dominion as before, and the rest of the nations will gather with them, AND THEY WILL WAR AGAINST JERUSALEM. The Holy One, blessed be He, will take revenge on them openly around Jerusalem. This is the meaning of: "And this shall be the plague with which Hashem will smite all the peoples that have fought against Jerusalem." It is not written, 'that will fight' but rather, "that have fought" IN THE PAST TENSE, BECAUSE IT REFERS TO NEBUCHADNEZZAR, WHO HAD ALREADY FOUGHT. Then it is written: "And in the greatness of Your excellency You have overthrown them that rose up against You." This is written about the time when Messiah will come, and this song is a never-ending song.

312. "And with the blast of Your nostrils the waters piled up" (Shemot 15:8), namely, at that time. Therefore, THIS shall happen at that time, in the time of King Messiah, and in the time of Gog and Magog (Armageddon). "The flood stood upright like a heap," refers to the World to Come, which is the joy of all the worlds.

23. "The enemy said, 'I will pursue, I will overtake'"

We are told that the enemy spoken of here is the great minister appointed over Egypt. Along with all the ministers appointed over all the heathen nations he wanted to destroy the children of Yisrael, but the Holy One, blessed be He protected them when he remembered the mountains of the world, the patriarchs.

313. "The enemy said, 'I will pursue, I will overtake, I will divide the spoil'" (Shemot 15:9). The enemy is the great minister appointed over Egypt. When he was given dominion over Yisrael, he intended to destroy them under his domination, but the Holy One, blessed be He, remembered the mountains of the world, THE PATRIARCHS, who protected them. Do not think that he alone WANTED TO DESTROY THEM, because all the ministers who were appointed over all the heathen nations desired to destroy Yisrael under them when they were granted authority and dominion over Yisrael.

314. Therefore, these nations that are under the domination of these appointees all declare decrees to destroy Yisrael. But the Holy One, blessed be He, remembers the mountains of the world, WHICH ARE THE PATRIARCHS, and He protects them. When Moses saw this, he started to praise the Holy One, blessed be He, and said, "Who is like You among the mighty, Hashem."

24. "Who is like You among the mighty, Hashem"

Rabbi Shimon speaks of a great strong supernal tree that sustains those above and those below. The seventy branches are the seventy princes that are appointed over the seventy nations of the world; when their time of dominion arrives they want to destroy the trunk of the tree, that rules over the children of Yisrael. On the other hand, when the domination of the trunk reaches them it wants to guard them and to arrange peace among them all. It is said that this is like the Holy One, blessed be He, who guards everything and does not want to destroy the nations completely as they had wanted to do when they dominated. Rabbi Yosi turns to the verse, "I have seen all the works that are done under the sun; and behold, all is vanity and a striving after wind." In a dialogue with Rabbi Shimon we are told that a man's good deed turns into a breath that becomes an advocate before

311. רבי אבא אמר משמיה דרב ייסא סבא, והכי אר"ש, זמין קודשא בריך הוא לאחייא לכל אינון מלכין, דעקו לישראל ולירושלם, לאנדריאנוס, ללופינוס, ונבוכדנצר, ולסנחריב, ולכל שאר מלכי עמין, דחריבו ביתיה, ולשלטאה לון בקדמיתא, ויתכנשון עמהון שאר עמין, וזמין קודשא בריך הוא לאתפרעא מנייהו באתגלויה, סחרני ירושלם. הה"ד, וזאת תהיה המגפה אשר יגף יי את כל העמים אשר צבאו על ירושלם. אשר יצבאו לא כתיב, אלא אשר צבאו. כדן כתיב, וברב גאונך תהרוס קמין, ודא לזמנא דאתא משיחא, כתיב, ושירתא דא שירתא דעלמין היא.

312. וברוח אפיך נערמו מים, בההוא זמנא. ובגין כך אית בההוא זמנא, ולזמנא דמלכא משיחא, ולזמנא דגוג ומגוג. נצבו כמו נד, לזמנא דעלמא דאתי, דאיהו חדותא דכל עלמין.

313. אמר אויב ארדוף אשיג אחלק שלל. אמר אויב, דא ההוא ממנא רברבא על מצראי, בשעתא דאתיהיב ליה שלטנותא על ישראל, חשיב דישיציון תחות שלטניה. אלא דדבר קודשא בריך הוא טורי עלמא, דהו מגינין עליהו. ולא תימא דא בלחודוי, אלא כל אינון רברבין דממנן על כל עעכו"ם, וכד אתיהיב להו רשותא ושלטנותא על ישראל, בלהו בעאן דישיציון ישראל תחותיהו.

314. ועל דא, אינון עמין דתחות שולטניהון דאינון ממנן, בלהו גזירין גזירין לשיצאה לון, אלא דקודשא בריך הוא דבר טורי עלמא, ואגין עליהו. וכד חמא משה דא, שרא לשבחא לקודשא בריך הוא, ואמר מי כמוכה באלים יי.

God, but that his bad deed turns into a breath that breaks his spirit. The holy breath from the good deed leads the person when his soul leaves him, and raises him to the place of glory above, and is present to bind him in the bond of life. Rabbi Shimon says that when the Holy Temple was first built below it was based on Judgment and Anger, but in the time to come God shall perfect it in a different, higher level called 'righteousness'.

315. Rabbi Shimon said: There is a great and strong, tall supernal tree, WHICH IS ZEIR ANPIN. Those above and those below are sustained through it. And it is bordered by twelve DIAGONAL border-lines, WHICH ARE THE FOUR SFIROT - CHESED, GVURAH, TIFERET, AND MALCHUT - EACH ONE CONTAINING THREE COLUMNS. It is strengthened by the four directions of the world - WHICH ARE CHESED, GVURAH, TIFERET AND MALCHUT - that are attached to their place. And seventy branches, WHICH ARE THE SEVENTY PRINCES THAT ARE APPOINTED OVER THE SEVENTY NATIONS OF THE WORLD, rise in it and are nurtured by it. From the center of its roots they nurture from around. And they are the branches that are found in the tree.

316. When the time of dominion arrives for each branch, they all want to completely destroy the trunk of the tree, which is the mainstay of the branches, that rules over Yisrael who are joined with it. And when the domination of the trunk of the tree reaches them, which is the portion of Yisrael, it wants to guard them, and to arrange peace among them all. For this purpose, seventy oxen ARE OFFERED during Sukkot (the holiday of booths) to bring peace among the seventy branches in the tree, WHICH ARE THE SEVENTY PATRON ANGELS OF THE NATIONS OF THE WORLD.

317. Pertaining to this, IT IS SAID: "Who is like You among the mighty (Heb. Elim), Hashem." What is the meaning of "Elim"? 'Tree', as is written: "For you shall be ashamed of the sacred oaks (Heb. eilim) on which you set your desires" (Yeshayah 1:29). For they worshipped an image that was engraved on this tree. "Who is like You," to do as You do and have Mercy upon all. "Who is like You," throughout the surrounding of the tree; even though He dominates, He guards everything, He guards all the rest and does not desire to destroy them completely, AS THEY WANTED TO DO WHEN THEY DOMINATED. "Who is like You, glorious in Holiness," MEANS THAT IT IS GLORIOUS with the supernal power, which is called 'Holiness'. Verily, it is glorious in Holiness, WHICH IS THE MOCHIN OF BINAH and is called "the strength of Hashem," and, "the pleasantness of Hashem." And we have hereby expounded on the words.

318. "Who is like You among the mighty, Hashem." Rabbi Yosi opened the discussion with the verse: "I have seen all the works that are done under the sun; and, behold, all is vanity and a striving after wind" (Kohelet 1:14). HE ASKS: How could King Solomon, who was greater in his wisdom than all other people of the world, say that all the works are vanity and a striving after wind? Is it possible that the deed of righteousness IS ALSO VANITY AND A STRIVING AFTER WIND? Is it not written: "And the work of righteousness shall be peace" (Yeshayah 32:17)? HE ANSWERS: We have already established that it is written: "All the works that are done under the sun," but the work of righteousness is different, for it is above the sun.

315. אָמַר ר"ש, אֵילָנָא חַד רַבְרַבָּא עֲלָא, תְּקִיפָא, בֵּיה אֲתִזְנוּ עֲלָאִין וְתַתָּאִין. וְהוּא אֲתַחַם בְּתַרְיִסָּר תְּחוּמִין, אֲתַתְּקַף בְּאַרְבַּע סְטְרֵי עֲלָמָא, דְּאֲתַחְבְּרִן בְּדוּכְתֵייהוּ. שְׁבַעִין עֲנַפִּין סֻלְקִין בְּגוּיָה, וְאֲתִזְנוּ מִנְיָה, בְּעַקֵּר שְׂרָשׁוּי יְנִיקִין אִינוּן סַחְרֵינְיָה, וְאִינוּן עֲנַפִּין דְּמִשְׁתַּכְּחִין בְּאֵילָנָא.

319. "And, behold, all is vanity and a striving after wind." HE ASKS: What is its meaning? If, "all is vanity (Heb. hevel)," MEANS, as we established, being in the secret of Wisdom - as is said, "'Vanity of vanities', says Kohelet" (Kohelet 1:2), and these vanities are the sustenance of the upper and lower world - then what can be said of this verse here: "And, behold, all is vanity and a striving after wind?"

320. This is the way we explained it, and this is how it is. Come and behold: when deeds in the world are good, and one strives to be occupied with the service of the Holy King, the good deed that he does turns into a breath (Heb. hevel) above. And each and every breath from which a voice ascends above, becomes a defense counselor before the Holy One, blessed be He.

321. All these works that a person is occupied with which are not in the service of the Holy One, blessed be He, become a breath, which goes and flies about the world. And when his soul departs, that breath rolls him through the world, like a stone in a sling, as is written: "And the souls of your enemies, them shall He sling out, as out of the hollow of a sling" (I Shmuel 25:29).

322. HE ASKS: What is the meaning of "shall He sling out?" AND HE ANSWERS: That breath rolls it around in the world. Then all the things that are done and are not in the service of the Holy One, blessed be He, turn into a breath, which is the breaking of spirit, for this breaks the spirit that goes up and down and rolls throughout the world. This is what is meant by: "vanity and a striving after wind (also: 'spirit')."

323. But that thing that is in the service of his Master ascends to a level above the sun and becomes a holy breath. This is the seed that the person sows in that world. And what is it called? righteousness, as is written: "Sow for you by righteousness" (Hoshea 10:12).

324. This leads the person when his soul leaves him, raises him to the place of glory above, and is present to bind him in the bundle of life. This is what is meant by: "And your righteousness shall go before you" (Yeshayah 58:8), in order to lead you and to raise you to the place that is called 'the glory of Hashem', WHICH IS MALCHUT, as it is written: "the glory of Hashem shall be your rearguard" (Ibid.).

319. וְהִנֵּה הַכֹּל הֶבֶל וְרֵעוּת רוּחַ, מֵאֵי קֵא מִיּוֹרֵי. אִי תִימָא הַכֹּל הֶבֶל כְּמָה דְאֻקִּימָנָא, דְאִיהוּ בְרִזָּא דְחֻכְמָתָא, כְּד"א הֶבֶל הַבְּלִים אִמְר קְהֵלֶת, וְאִינוּן הַבְּלִים קִיּוּמָא דְעֵלְמָא דְלְעִילָא וְתָתָא. מֵאֵי תִימָא בְּהָא, דְכְתִיב הֵכָא, הַכֹּל הֶבֶל וְרֵעוּת רוּחַ.

325. All these souls that the holy breath leads, which is called "the glory of Hashem," it gather into itself, and they are bound in it. Then there is peace of spirit. But the other BREATH THAT IS NOT THE SERVICE OF HASHEM is called "striving after wind." Blessed are the righteous, for all their actions are above the sun, NAMELY, THE SERVICE OF THE HOLY ONE, BLESSED BE HE, and they sow the seed of righteousness, so they merit in the World to Come. And about this, it is written: "But to you who fear my Name the sun of righteousness shall arise" (Malachi 3:20).

326. Rabbi Shimon said: Come and behold. Originally, when the Holy Temple was built below, it was only based upon Judgment and Anger, as "a provocation of My anger and of My fury..." (Yirmeyah 32:31). This is because it is in the place where Judgment dwells. In the time to come, the Holy One, blessed be He, shall build and perfect it in a different, higher level called 'righteousness', WHICH IS THE PERFECTED MALCHUT, as written: "In righteousness (Heb. tzedakah) shall you be established" (Yeshayah 54:14). Therefore, it will endure AND WILL NOT BE DESTROYED AGAIN. And its actual name will be called 'righteousness (Heb. tzedek)'. How do we know? It is written, "And this is His Name whereby He shall be called, Hashem is our righteousness (Heb. tzedek)" (Yirmeyah 23:6).

25. "You did stretch out Your right hand, the earth swallowed them"

The rabbis have some difficulty with the fact that God stretched out His right hand seemingly to perform judgment, yet the right hand is of Chesed. The explanation is that He separated the right hand so that the left hand performed the acts of judgment. We are told that He has guided the righteous with His strength and His arm to His holy habitation. Rabbi Shimon speaks about the latter generation that Joshua circumcised, and in whom He revealed the holy imprint of the Name of God; everyone who is circumcised and in whom the holy marking has been revealed is called 'righteous'. Rabbi Shimon reminds us that there is no word or letter in the Torah that does not contain supernal secrets.

327. "You did stretch out Your right hand, the earth swallowed them" (Shemot 15:12): YET, HE WAS ASKED AGAIN, THE RIGHT ACTS WITH CHESED. AND HE ANSWERS: But we have learned THAT IT MEANS You have raised Your right hand, AND THE LEFT REMAINED ALONE AND PERFORMED ACTS OF JUDGMENT. Rabbi Yitzchak said: The friends observed that when the Holy One, blessed be He, extracted the dead Egyptians from under the water, He said to the earth: 'Gather them unto you.' It did not want to, until the Holy One, blessed be He, lifted the right hand against it and placed it under oath. Then it is written: "The earth swallowed them." Rabbi Elazar said: "You did stretch out your right hand," MEANING to separate it from the left, and Judgment was performed THROUGH THE LEFT.

328. "You in Your mercy led forth the people whom You have redeemed" (Shemot 15:13). This is as is written: "But Your right hand, and Your arm, and the light of Your countenance, because You did favorably accept them" (Tehilim 44:4). "But Your right hand," refers to greatness, NAMELY CHESED. "You have guided them in Your strength"; what is meant by, "and your arm," which is Gvurah. "To Your holy habitation," is what is written: "and the light of Your countenance, for You did favorably accept them." It is the Righteous, WHICH IS YESOD. And they are all present in the passage, ALL THE SIX SFIROT, BECAUSE CHESED AND GVURAH INCLUDE TIFERET, AND YESOD INCLUDES NETZACH AND HOD.

329. "Fear (Heb. eimatah) and dread shall fall upon them." HE ASKS: it is written "eimatah," but the more common form, 'eimah' should have been used. Why "eimatah"? There is not one word or letter in the Torah that does not contain high secrets. AND IF SO, what is the meaning of "eamtah (also: 'the fear of her')?" Rabbi Shimon said: It means the terror of the Shechinah. AND IT IS LIKE THE DREAD OF HEI (EIMAT-HEI), WHICH IS THE SHECHINAH.

330. Similarly, "You shall bring them (Heb. tevi'emo) in, and plant them (Heb. tita'emo) in the mountain of Your inheritance..." It should have said 'tevi'em' and 'tita'em'. Why tevi'emo (with Vav)? HE ANSWERS: The Holy Spirit is speaking about the latter generation that Joshua circumcised, and in whom He revealed the holy imprint of the Name of the Holy One, blessed be He. They were linked with the Vav, WHICH IS ZEIR ANPIN, and they were worthy to inherit the land, as is written: "Your people also shall be all Righteous: they shall inherit the land forever" (Yeshayah 60:21). Because everyone who is circumcised and in whom the holy marking has been revealed, and who observes it, is called 'righteous'. Therefore, "they shall inherit the land forever."

331. Therefore "tevi'emo" is spelled with an extra Vav, WHICH MEANS that You will bring those attached to the Vav. "And plant them," as is said, "the branch of My planting, the work of My hands, that I may be glorified" (Ibid.), those that are connected to the Vav, THAT IS ZEIR ANPIN. And is the allusion to those latter ones, IN THE TIMES OF JOSHUA. There is no word or small letter in the Torah that does not contain supernal secrets and holy reasons. Blessed is the portion of those who are familiar with them.

26. Building the lower Temple

We hear that it is a commandment to build the lower Temple similar to the Temple of above, and that the Temple must have windows in it. One must not pray in the field because an edifice is required to bring down the Shechinah to the human beings. Isaac prayed in the field, but he was one of the Patriarchs, so he was different.

Ra'aya Meheimna (the Faithful Shepherd).

332. It is a commandment to build the lower Temple similar to the Temple of above, as is written: "In the place, Hashem, which You have made for You to dwell in" (Shemot 15:17), because it is necessary to build a Temple below, to say a prayer in it every day, and to serve the Holy One, blessed be He, because prayer is called 'service'.

333. It is necessary to build that particular synagogue with great beauty and to outfit it with all its necessities and improvements, because the synagogue below corresponds to the synagogue above.

329. תפול עליהם אימתה ופחד. אימתה, אימה מבעי ליה, מאי אימתה. דהא לית לך את או מלה חדא באורייתא, דלא אית בה רזין עלאין. מאי אימתה. אמר רבי שמעון, כלומר דחילו דשכינתא.

332. פקודא למבני מקדשא לתתא, בגוונא דבי מקדשא דלעילא, כד"א, מכון לשבתך פעלת יי. דאצטריך למבני בי מקדשא לתתא, ולצלאה בגויה צלותא בכל יומא, למפלח ליה לקודשא בריך הוא, דהא צלותא אקרי עבודה.

333. והוא בי כנשתא, אצטריך למבני ליה בשמירו סגיא, ולא תקנא ליה בכל תקונין, דהא בי כנשתא דלתתא, קיימא לקבל בי כנשתא דלעילא.

334. The Temple below stands similar to the Temple above, for the one corresponds to the other. All the improvements and all the services and all the vessels and the accessory instruments of that Temple are all similar to above. The Tabernacle that Moses erected in the wilderness was a similar reflection of the one above.

335. The Temple that King Solomon built is a house of rest, similar to the one above in all ITS particulars, with all its supernal perfection, completed to become the house of rest and inheritance. Similarly, a synagogue must have all the accretions of beauty like the supernal one above to be a house of prayer, in which corrections are made through prayer, as has been explained.

336. And that Temple MUST have windows in it, as is written, "and open windows" (Daniel 6:11), similar to above. Of this it is written: "He looks in at the windows; He peers through the lattice" (Shir Hashirim 2:9). If you ask whether IT IS PERMITTED TO PRAY in the field, because a spirit can ascend there, it is not so, because we need an edifice, and there is not any. It is necessary to establish an edifice below, similar to the edifice above, WHICH IS MALCHUT, to bring down the supernal dweller, WHICH IS THE SHECHINAH, to the inhabitants of below, HUMAN BEINGS.

337. Also, that prayer and that spirit should ascend and exit from the narrow strait in a straight path towards Jerusalem. About this is written: "Out of my distress (lit. 'from the narrow strait') I called upon Yah" (Tehilim 118:5). For it is necessary to have a place that is narrow and tight to cast into it that spirit, so that it should not turn to the right or to left. But in a field the voice can not be projected to Him in this way. Similar to this is the sound of the Shofar that is projected outward in a smooth, straight way from a narrow place, and it goes and splits firmaments, and ascends upwards to stimulate the spirit of above.

338. And you may ask: is it not written, "And Isaac went out to meditate in the field?" (Bereshheet 24:63). SO WE SEE THAT PRAYING TAKES PLACE EVEN IN THE FIELD. AND HE ANSWERS: Isaac was different, for he had something else that the rest of the world did not have. HE WAS ONE OF THE PATRIARCHS. And also this verse did not come for this purpose, TO PERMIT PRAYING IN THE FIELD. For certainly, in a different field he would not have been praying, as we have already explained THAT THIS FIELD WAS THE FIELD THAT ABRAHAM HAD PURCHASED.

(End of Ra'aya Meheimna)

Rabbi Aba speaks of a song that is composed of 22 holy engraved letters and ten sayings, and which is imprinted on the Holy name. Rabbi Shimon says that while the children of Yisrael were standing by the sea and singing, God appeared to them with all his Chariots and hosts; every one of them saw what the other prophets of the world did not. All of them sang the same song simultaneously and in rhythm, and the Holy Spirit was in their mouths. It is obvious that they all perceived the supernal Wisdom at that time. When the song was over the children of Yisrael did not want to leave because of their great longing to perceive God, until Moses showed them the radiant shine of the glory of the Holy One, blessed be He in the

wilderness. Thus it is called "the wilderness of Shur (lit 'observe')."

339. We have learned that Rabbi Aba said: Blessed is the portion of those who merit to sing this song in this world and merit to say it in the World to Come. This song is composed of 22 holy engraved letters and with ten sayings, and it is all imprinted on the Holy Name, and it is all the perfection of the Holy Name. And we have made observations about these things.

340. Rabbi Shimon said: At the moment that Yisrael were standing by the sea and singing songs, the Holy One, blessed be He, appeared to them with all His Chariots and hosts, in order that they should know their King who had done for them all these miracles and mighty acts. Each and every one knew and noticed what the other prophets of the world did not know or notice.

341. For if you say that they had no knowledge and did not attain supernal Wisdom, then from this song you can see that they all beheld Wisdom, and knew those things they recited. For if not, how could they all say the same words without varying one from another? Whatever this one said, the other one said, and one word was not said before the other, but rather they all said them in the same rhythm. And the Holy Spirit was in the mouth of each and every one, and the words were all enunciated as though they were emitted from one mouth. Most certainly, they all noticed and perceived the supernal Wisdom, and were familiarized with these lofty particulars, and the Holy Spirit was in the mouth of each and every one.

342. Even those in their mothers' wombs were saying the song all as one. They all saw that which even the prophet Ezekiel did not see, and they therefore watched, as though they saw eye to eye. When they concluded the words, they all bore fragrance on their own, and yearned to conceive and perceive, and did not want to travel from there, so great was their desire.

343. At that moment, Moses said to the Holy One, blessed be He: 'Your children, because of their great longing to perceive You, do not want to travel from the sea.' What did the Holy One, blessed be He, do? He concealed His glory out of the wilderness, and there He appeared yet did not appear. Moses said to Yisrael: 'Many times have I said that you should travel from there, but you did not want to until I showed you the splendor of the glory of the Holy One, blessed be He, in the wilderness.' They were immediately desirous.

344. But they did not travel until Moses grasped them and showed them the radiant shine of the glory of the Holy One, blessed be He, in the wilderness. Then, because of great longing and desire to perceive, Moses caused them to travel. This is what is meant by: "So Moses brought Yisrael from the Sea of Suf, and they went out into the wilderness of Shur" (Shemot 15:22). What is the meaning of "the wilderness of Shur"? This was the desert where they wanted to perceive and gaze upon the precious splendor of the Holy King. Therefore, it is called "the wilderness of Shur (lit. 'observe')," WHICH MEANS there is gazing there.

344. וְלֹא נָטְלוּ, עַד דִּאֲחִיד בְּהוּ מֹשֶׁה וְאַחֲמֵי לֹון זִיוָא יִקְרָא דְקב"ה בְּמִדְבָּרָא, כְּדִין מְסֻגִּיאוֹת תִּיאוּבְתָא וְרַעוּתָא לְאַסְתַּבְּלָא, אֲנֻטִּיל לֹון מֹשֶׁה, הַה"ד וַיִּסַּע מֹשֶׁה אֶת יִשְׂרָאֵל מִיַּם סוּף וַיֵּצְאוּ אֶל מִדְבַר שׁוּר. מֵאֵי מִדְבַר שׁוּר. מִדְבָּרָא, דִּהוּ בְעָאן לְאַסְתַּבְּלָא בֵּיהּ, זִיוָא יִקְרָא דְמַלְכָא קְדִישָׁא, וְעַל דָּא אֶקְרִי מִדְבַר שׁוּר: אֶסְתַּבְּלוּתָא שָׁם.

27. "And found no water"

And they marched three days in the wilderness, and found no water; water means the Torah, which had not yet been given to them. Rabbi Elazar says that is true, and that Torah is the Holy One, blessed be He. When they came to the bitter water of Marah, Hashem showed him a tree; the tree means Torah, and it means the Holy One, blessed be He. It was when they arrived at Marah that they entered fully into the Covenant with God, where He made for them a statute and an ordinance.

345. "And they marched three days in the wilderness, and found no water" (Shemot 15:22). Water means nothing if not the Torah, as is written, "Ho, everyone that thirsts, come to the water" (Yeshayah 55:1). Rabbi Yisa said: And who gave them Torah here? For until now the Torah was not yet given to them.

345. וַיֵּלְכוּ שְׁלֹשֶׁת יָמִים בְּמִדְבַר וְלֹא מָצְאוּ מַיִם. וְאִין מַיִם אֶלָּא תוֹרָה, שְׁנֵאמַר הוּי כָּל צָמָא לְכוּ לְמַיִם. אָמַר רַבִּי יִיסָא, וְכִי מֵאֵן יֵהֵב לְהוּ אוֹרֵייתָא הָכָא, וְהָא עַד כְּעַן לֹא אֶתִּיהֵיבַת לֹון אוֹרֵייתָא.

346. Rabbi Elazar said: They went out into the wilderness to gaze and perceive, but the Holy One, blessed be He, removed His precious splendor from there. They went in order to conceive Him, but did not find Him. We have learned that the Holy One, blessed be He, is called 'Torah'. Therefore, water is Torah, and Torah is the Holy One, blessed be He.

346. אָמַר רַבִּי אֶלְעָזָר, אֵינּוֹן נִסְקוּ לְמִדְבָּרָא לְאַסְתַּבְּלָא, קוּדְשָׁא בְרִיךְ הוּא נָטַל זִיוָא יִקְרָא דִּילִיָּה מִתַּמָּן, וְאֵינּוֹן אֶזְלוּ לְאַסְתַּבְּלָא בֵּיהּ, וְלֹא אֶשְׁכַּחוּהוּ. וְאוֹלִיפְנָא דְקוּדְשָׁא בְרִיךְ הוּא תוֹרָה אֶקְרִי, וְאִין מַיִם אֶלָּא תוֹרָה, וְאִין תוֹרָה אֶלָּא קוּדְשָׁא בְרִיךְ הוּא.

347. Rabbi Shimon said: While they were still traveling in the wilderness, a different government of the other nations, appeared to them, namely, that one which dominates the wilderness, and it met them there. Then Yisrael saw that it was not the precious splendor of their King. This is what is meant by, "And when they came to Marah, they could not drink the waters of Marah" (Shemot 15:28). Why? "For they were bitter." Their souls were not gratified, as before. And even more, he had come to accuse them.

347. אָמַר רַבִּי שִׁמְעוֹן, עַד דִּהוּוּ אֶזְלוּ בְּמִדְבָּרָא, אֶתְגַּלִּי עֲלֵיהוּ רְשׁוּתָא אַחֲרָא, דְשָׂאֵר עַמִּין, הַהוּא דְשְׁלִיט בְּמִדְבָּרָא, וְאֶעֱרַעוּ בְּהוּ תַמָּן. חֲמוּ יִשְׂרָאֵל, דְלֹא הוּוּ הַהוּא זִיוָא יִקְרָא דְמַלְכֵיהוֹן, הַדָּא הוּא דְכִתִּיב, וַיָּבֹאוּ מִרְתָּהּ וְלֹא יָכְלוּ לְשָׁתוֹת מַיִם מִמֶּרְה. מ"ט. כִּי מָרִים הֵם, לֹא אֶתְבַּסְּם נִפְשֵׁיהוּ בְּקִדְמֵיתָא. וְלֹא עוֹד אֶלָּא דָּאֲתִי לְקַטְרָגָא עֲלֵיהוּ.

348. It is written: "And he cried to Hashem, and Hashem showed him a tree" (Ibid. 25). A "tree" means only Torah, as is written: "She is a Tree of Life to those who lay hold on her" (Mishlei 3:18). And Torah means the Holy One, blessed be He. Rabbi Aba said: "Tree" means the Holy One, blessed be He, as is written: "For a man is the tree of the field" (Devarim 20:19). The "tree of the field," assuredly is the Tree of the Field of the Holy Apples, MEANING THIS FIELD IS MALCHUT. "THE TREE OF THE FIELD" REFERS TO ZEIR ANPIN, HER HUSBAND. And when the splendor of the glory of the King appeared over them, then, "when he had cast into the waters, the waters were made sweet" (Shemot 15:25). What is the meaning of, "and the waters were made sweet"? It means that the Accuser has become an advocate.

348. מַה כְּתִיב, וַיִּצַּעַק אֶל יי' וַיּוֹרֶהוּ יי' עֵץ, וְאִין עֵץ אֶלָּא תוֹרָה, דְכִתִּיב עֵץ חַיִּים הוּא לְמוֹחֲזִיקִים בְּה. וְאִין תוֹרָה, אֶלָּא קוּדְשָׁא בְרִיךְ הוּא. רַבִּי אַבָּא אָמַר, אִין עֵץ אֶלָּא קוּדְשָׁא בְרִיךְ הוּא, דְכִתִּיב כִּי הָאֲדָם עֵץ הַשָּׂדֶה, עֵץ הַשָּׂדֶה וְדָאֵי, דָּא עֵץ שָׂדֶה דְתַפּוּחִין קְדִישִׁין. וְכַד אֶתְגַּלִּי זִיוָא יִקְרָא דְמַלְכֵהוֹן עֲלֵיהוּ, כְּדִין וַיִּשְׁלַךְ אֶל הַמַּיִם וַיִּמְתְּקוּ הַמַּיִם. מֵאֵי וַיִּמְתְּקוּ הַמַּיִם. דְקַטְיִגוֹרָא אֶתְעִיבִיד סְנִיגוֹרָא.

349. Rabbi Aba said: Come and behold. When Yisrael first entered into the Covenant of the Holy One, blessed be He, they did not enter properly. Why? Because they circumcised but did not uncover, thus the holy sign was not revealed. But when they arrived here, TO MARAH, it is written: "There He made for them a statue and an ordinance" (Shemot 15:25), WHICH MEANS that Yisrael entered into the two holy parts, MALCHUT AND YESOD, WHICH THEY MERITED BY THE CIRCUMCISION AND MEMBRANE UNCOVERING. In that revealing, in which their sign was uncovered and revealed, they were called 'a statute and an ordinance'. Statute (Heb. chok) IS MALCHUT, as is written: "And gives food to her household, and a portion (Heb. chok) to her maidens" (Mishlei 31:15). IT ENCOMPASSES MALCHUT AND ALLUDES TO CIRCUMCISION. "Ordinance" as is written: "An ordinance of Elohim of Jacob" (Tehilim 81:5). THIS IS YESOD, ALLUDING TO MOCHIN THAT ARE REVEALED THROUGH THE MEMBRANE UNCOVERING THAT IS CALLED 'ORDINANCE'. "And there He tested them," namely with His holy sign. SINCE IT IS A STATUTE, IT CAN BE TESTED, as is written: "For this is a statute for Yisrael." Rabbi Yiba Saba (the elder) said in his book: It refers to that holy staff, REGARDING WHICH IS SAID, "AND HASHEM SHOWED HIM A TREE."

28. "And He said, 'If you will diligently hearken to voice of Hashem'"

When they attained the Covenant, the children of Yisrael attained Malchut, Yesod, Netzach and Hod, and therefore reached the Holy King, Tiferet. We learn of the proper circumcision and uncovering and the holy anointing oil that allow the circumcised to bond with the Holy King. The text speaks of the protection for the holy mark for four things. The children of Yisrael merit welcoming the Shechinah through guarding against the impurity of menstruation. We hear of the protection of the Righteous, protection from the maidservant, protection from a heathen woman and protection from a harlot. We read that God did not want to give the children of Yisrael the Torah until they were close to Him, and He achieved this closeness by the Covenant of circumcision.

350. "And he said, 'If you will diligently hearken to voice of Hashem your Elohim'" (Shemot 15:26) What is the meaning of, "And He said"? It does not say who said this. Rather the Holy One, blessed be He, said this. Rabbi Chizkiyah said: We derive meaning from one vague saying to another. For it is written, "And He said to Moses, 'Come up to Hashem'" (Shemot 24:1). AND THERE IT REFERS TO MALCHUT, FOR IF IT WAS THE HOLY ONE, BLESSED BE HE, IT SHOULD HAVE SAID, "COME UP TO ME." HERE ALSO, IT MEANS MALCHUT.

351. Rabbi Yosi said: It is understood from the PREVIOUS verse, "And he cried to Hashem, and Hashem showed him a tree." From this we derive THE MEANING OF, "And He said," for it is understood who said this, NAMELY, THE HOLY ONE, BLESSED BE HE. 'To the voice of Hashem your Elohim,' or 'to my voice' should have been said. HE ANSWERS: THE meaning is this voice into which they had entered THROUGH CIRCUMCISION, WHICH IS THE VOICE OF MALCHUT. THEREFORE, IT DOES NOT SAY 'TO MY VOICE'.

352. Rabbi Aba said: After the holy sign was revealed in them, they attained two holy parts, as we learned, WHICH ARE YESOD AND MALCHUT. THROUGH CIRCUMCISION THEY MERITED MALCHUT, AND THROUGH THE MEMBRANE UNCOVERING, YESOD. As soon as they attained these two, they also attained these other two parts, WHICH ARE NETZACH AND HOD, because when they are elevated by NETZACH AND HOD, they will join with YESOD AND MALCHUT, and the blessings THAT YESOD WILL CAUSE TO FLOW TO MALCHUT will not be withheld. Therefore, they will reach through these up to the Holy King, WHICH IS ZEIR ANPIN.

349. אָמַר רַבִּי אַבָּא, תָּא חֲזִי בְּקַדְמֵיתָא כִּד עָאלוּ יִשְׂרָאֵל בְּקִיּוּמָא דְקוּדְשָׁא בְּרִיךְ הוּא, לָא עָאלוּ בְּדָקָא יְאוּת. מֵאֵי טַעְמָא. בְּגִין דְּאִתְגַּזְרוּ וְלֹא אִתְפְּרַעוּ, וְלֹא אִתְגַּלְיָא רְשִׁימָא קְדִישָׁא. בֵּינן דְּמִטּוּ הֵבֵא, מַה בְּתִיב, שָׁם שָׁם לֹא חֵק וּמִשְׁפֵּט. תַּמְן עָאלוּ יִשְׂרָאֵל בְּתֵרִין חוּלְקִין קְדִישִׁין, בַּהּ הוּא גְלוּיָא דְּאִתְגַּלְיָא רְשִׁימָא דְּלֵהוּן, וְאִקְרוּן חֵק וּמִשְׁפֵּט. חֵק: כְּמַה דְּאִתְּ אִמְר וְהַתֵּן טַרְף לְבֵיתָהּ וְחֵק לְנַעֲרוֹתֶיהָ. וּמִשְׁפֵּט: כְּמַה דְּאִתְּמַר מִשְׁפֵּט לְאֵלֵהִי יַעֲקֹב. וְשָׁם נִסְהוּ, בַּהּ הוּא אֵת קְדִישָׁא. כִּד"א, כִּי חֵק לְיִשְׂרָאֵל הוּא. בְּסַפְרָא דְּרַב יִיבָא סָבָא, אִמְר מְלָה עַל הַהוּא חוּטְרָא קְדִישָׁא.

350. וַיֹּאמֶר אִם שְׁמוֹעַ תִּשְׁמַע לְקוֹל יְיָ אֱלֹהֶיךָ. וַיֹּאמֶר, מֵאֵי וַיֹּאמֶר. לָא בְּתִיב מֵאֵן קֹאמֶר דָּא. אֶלָּא קוּדְשָׁא בְּרִיךְ הוּא אִמְר. רַבִּי חִזְקִיָּה אִמְר, שְׁמַעִינָן אֲמִירָה סִתָּם, מֵאֲמִירָה סִתָּם. דְּכִתִּיב וְאֵל מֹשֶׁה אִמְר עֲלֵה אֵל יְיָ. אִמְר, לָא בְּתִיב מֵאֵן קֹאמֶר. אוּף הֵבֵא וַיֹּאמֶר סִתָּם, וְלֹא בְּתִיב מֵאֵן קֹאמֶר.

351. אָמַר רַבִּי יוֹסִי, מִשְׁמַע דְּכִתִּיב, וַיִּצַּעַק אֵל יְיָ וַיּוֹרְהוּ יְיָ עֵץ, מֵהֵכָא מִשְׁמַע וַיֹּאמֶר, וּמִשְׁמַע מֵאֵן אִמְר מְלָה. לְקוֹל יְיָ אֱלֹהֶיךָ, לְקוֹלִי מִבְּעֵי לִי. אֶלָּא לְהוּא קוֹל דְּעָאלוּ בֵּיהּ.

352. אָמַר רַבִּי אַבָּא, בְּתַר דְּאִתְגַּלְיָא בְּהוּ רְשִׁימָא קְדִישָׁא, עָאלוּ בְּתֵרִין חוּלְקִין קְדִישִׁין, כְּמַה דְּאִתְּמַר, וְכִיּוֹן דְּעָאלוּ בְּאֵלִין תְּרִין, עָאלוּ בְּאֵלִין תְּרִין חוּלְקִין אַחֲרָנִין, דְּכִד יִסְתַּלְקוּן בְּאֵלִין תְּרִין אַחֲרָנִין, יִתְחַבְּרוּן בְּאֵלִין, וְלֹא מִמְנַעִי בְּרַכָּאן, וּבְג"כ, בְּאֵלִין מִטּוּ בְּרַכָּאן, עַד מְלַבָּא קְדִישָׁא.

353. And from the placement of the verse is the subject understood. For it is written: "And He said, 'If you will diligently hearken'." "And He said" refers to the Holy King. And what did He say? "If you hearken diligently to the voice of Hashem your Elohim"; it is as written: "For Hashem your Elohim is a consuming fire" (Devarim 4:24), which is the Congregation of Yisrael, NAMELY MALCHUT. "And will do that which is right in His sight" refers to the righteous, WHO IS CALLED 'RIGHT'; "and give ear to His commandments," refers to Netzach; and "keep all His statutes," refers to Hod. Since they have attained these - MALCHUT, YESOD, NETZACH AND HOD - they have reached the Holy King, WHO IS TIFERET, WHOSE PLACE IS AFTER NETZACH. THEREFORE, what is written afterwards? "I will put none of these diseases upon you, which I have brought upon Egypt; for I am Hashem that heals you." "For I am Hashem," refers to the Holy One, blessed be He, WHO IS TIFERET.

354. It is understood that whoever guards this holy sign, WHICH IS CIRCUMCISION, ascends from it unto the Supernal Holy King. HE ASKS: What is understood from these words? AND HE ANSWERS: It is understood that these two, NETZACH AND HOD, in which the seed accumulates FOR BLESSING, and the holy anointing oil that is poured over the head of the male organ, WHICH IS YESOD, combine together. And the Supernal King, TIFERET, is over them and they connect with Him. Therefore, whoever enters these two, YESOD AND MALCHUT, BY MEANS OF CIRCUMCISION AND UNCOVERING, and guards them, is connected to two others, NETZACH AND HOD, and enters them, and then reaches the Holy King, WHICH IS TIFERET.

355. Rabbi Yitzchak said: Most certainly, one who merits the Righteous, WHICH IS YESOD, merits Netzach and Hod, BECAUSE YESOD INCLUDES NETZACH AND HOD. And they are three with which the Congregation of Yisrael, WHICH IS MALCHUT, is blessed. And he who merits them merits also the Holy King, THAT IS TIFERET, and attains all four SFIROT, TIFERET, NETZACH, HOD, YESOD AND MALCHUT.

356. And corresponding to these four, there is protection for the holy sign from four things: the protection of the Congregation of Yisrael, WHICH IS MALCHUT, which is protection from the impurity of menstruation; protection of the righteous, WHICH IS YESOD, that is protection from the maid servant; protection of Netzach, which is protection from a heathen woman; and protection of Hod, which is protection from a harlot. This is why "the voice of Hashem your Elohim," is the Congregation of Yisrael, WHICH IS MALCHUT, WHICH THEY ENTERED THROUGH CIRCUMCISION.

357. How did Yisrael merit to welcome the Shechinah? It is through guarding against the impurity of menstruation. And about this is written: "Also you shall not approach a woman in the impurity of her menstrual flow, to uncover her nakedness" (Vayikra 18:19). HE ASKS: "To uncover her nakedness" - of whom? HE ANSWERS: Of the Congregation of Yisrael, MEANING NOT TO BLEMISH HER. And in this way, other things that the Congregation of Yisrael is bound to joined and connect to. And we have already explained this matter.

353. ומאתריה דקרא אשתמע מלה, דכתיב, ויאמר אם שמוע תשמע. ויאמר: דא מלכא קדישא. ומאי קאמר, אם שמוע תשמע לקול יי' אלהיך, כד"א בי יי' אלהיך אש אוכלה הוא, דא בנסת ישראל. והישר בעיניו תעשה: דא צדיק. והאזנת למצותיו: דא נצח. ושמרת כל חקיו: דא הוד. ביון דעאלו באלין, הא מטו למלכא קדישא. לבתר מה כתיב, כל המחלה אשר שמתי במצרים לא אשים עליך בי אני יי' רופאך. בי אני יי': דא מלכא קדישא.

354. אשתמע, דכל מאן דנטיר להאי רשימא קדישא, מניה סליק עד מלכא קדישא עלאה. מאי משמע. משמע אינון תרין, דאתכנש בהו זרעא, ומשח רבות קודשא, דשריין ליה בסום אמה, אתקשרו בחדא, ומלכא עלאה עלייהו, ואתקשרו ביה. ועל כך, מאן דעאל באלין תרין, ונטיר לון, אתקשר בתרין אחרנין, ועאל בהו, וכדין מטי למלכא קדישא.

355. אמר רבי יצחק, ודאי מאן דזכי בצדיק, זכי בנצח והוד, ואלין אינון תלתא, דאתברכא בהו בנסת ישראל. ומאן דזכו בהו, זכי במלכא קדישא, ועאל בכלהו ארבעה.

356. ולקבלי ארבעה אלין, נטירו להאי רשימא קדישא, מארבע מלין: נטירו דכנסת ישראל, אסתמרותא דנדה. נטירו דצדיק, אסתמרותא דשפחה. נטירו דנצח, אסתמרותא דבת עכו"ם. נטירו דהוד, אסתמרותא דזונה. ועל דא לקול יי' אלהיך, דא בנסת ישראל.

357. במה זכאן ישראל לקבלא אפי שכינתא, באסתמרותא מן נדה. ועל דא כתיב, ואל אשה בנות טמאתה לא תקרב לגלות ערותה. מאי לגלות ערותה דא בנסת ישראל. ובהאי אחידן ומתקשרן מלין אחרנין, דכנסת ישראל אתקשרת בהו. והא אוקמוה מלי.

358. "And will do that which is right in His sight." This refers to the righteous, WHO IS YESOD, as is written: "The eyes of Hashem are toward the righteous" (Tehilim 34:16). We have discussed being wary of a maid servant in accordance with the verse: "And a handmaid that is heir to her mistress" (Mishlei 30:23), WHICH MEANS that it causes the righteous to cleave unto a handmaid. "And give ear to His commandments," refers to Netzach, for one should not insert this sign into a heathen woman, nor be false with it to Netzach. For it is written: "And also the Eternal One (lit. 'Netzach') of Yisrael will not lie" (I Shmuel 15:29). And he who observes this, THE HOLY COVENANT, fulfills His commandments, as is written: "For you shall worship no other El" (Shemot 34:14). "And keep all His statutes." This is Hod, to beware of a harlot.

359. This agrees with what we have learned. Rabbi Yehuda said: It is written: "Gird your sword upon your thigh, O mighty warrior: your glory and your majesty" (Tehilim 45:4). This refers to he who makes haste to place the fear of the strong sharpened sword, WHICH IS MALCHUT, before him, upon the thigh. What is "upon your thigh"? It means upon this holy sign, to guard it, as is written: "Put, I pray you, your hand under my thigh" (Bereshheet 24:2).

360. Another explanation for "Gird your sword." It means expedite and strengthen yourself, overpower your Evil Inclination, which is your sword "upon your thigh," upon that Holy Covenant, to guard it. If he guards it, then he is called 'mighty'. And the Holy One, blessed be He, dresses him in His garments. What are the garments of the Holy One, blessed be He? They are Hod and Netzach, as is written: "You are clothed with glory and majesty" (Tehilim 104:1). Here also, "Your glory and your majesty." Then the person cleaves unto the Holy King properly.

361. From here and further: "I will put none of these diseases upon you, which I have brought upon Egypt; for I am Hashem that heals you." This is the Holy King. Therefore, He admonished them about that very thing that He gave and marked in them, WHICH IS THE COVENANT OF THE CIRCUMCISION, and no more. AND IT IS TRUE that although until now the Torah was not yet given to them, yet it is written, "there He made for them a stature and an ordinance," WHICH ARE CIRCUMCISION AND THE UNCOVERING OF THE MEMBRANE. Forthwith, "And He said, 'If you will diligently hearken...'" WHICH REFERS TO THE FOUR WAYS TO OBSERVE THE MEMBER OF THE HOLY COVENANT, AS EXPLAINED.

362. Come and behold: when the Holy One, blessed be He, wanted to admonish Yisrael about the Torah, with how many words and with how many persuasions of love did He draw them, like a father who draws his son to school. Come and behold: the Holy One, blessed be He, did not want to give them the Torah until they were close to Him. How did they become attracted to Him? By uncovering this sign, WHICH IS THE CIRCUMCISION, as we have learned.

358. וְהִישָׁר בְּעֵינָיו תַּעֲשֶׂה: דָּא צְדִיק. כְּמָה דְכֵתִיב, עֵינָיו יְיָ אֵל צְדִיקִים, לְאַסְתָּמְרָא מִשְׁפָּחָה. וְהָא אֹקִימָנָא מְלִי. דְכֵתִיב וְשִׁפְחָה כִּי תִירַשׁ גְּבוּרְתָּהּ, דְגָרִים לְצְדִיק דְאַתְדַּבֵּק בְּשִׁפְחָה. וְהָאֲזַנָּת לְמִצְוֹתָיו: דָּא נֶצַח, לְאַסְתָּמְרָא דְלֹא יַעוּל רְשִׁימָא דָּא בְּבַת אֵל נִכְר, וְלֹא יִשְׁקֵר בֵּיהּ בְּנֶצַח. דְכֵתִיב, וְגַם נֶצַח יִשְׂרָאֵל לֹא יִשְׁקֵר. וּמֵאֵן דְנִטְוֵר הָאֵי, קֵיִים מִצְוֹתָיו, דְכֵתִיב כִּי לֹא תִשְׁתַּחֲוֶה לְאֵל אַחֵר. וְשִׁמְרַת כָּל חֻקָּיו: דָּא הוּד, לְאַסְתָּמְרָא מִן זֹנָה.

363. Rabbi Yehuda said: Yisrael did not come close to Mount Sinai until they entered the portion of the Righteous, NAMELY, CIRCUMCISION, and attained it. How do we know this? Because it is written: "The same (Heb. zeh) day they came to the wilderness of Sinai" (Shemot 19:1). The very day exactly, WHICH IS YESOD THAT IS CALLED 'ZEH'. And it is written: "And it shall be said on that day, 'Lo, this is our Elohim; we have waited for Him..." (Yeshayah 25:9).

363. אָמַר ר' יְהוּדָה, לֹא קָרְבוּ יִשְׂרָאֵל לְטוֹרָא דְסִינַי, עַד דְּעָאֵלוּ בְּחוּלְקָא דְצַדִּיק, וְזָכוּ בֵּיהּ. מְנַלְן, דְּכַתְיִב בַּיּוֹם הַזֶּה בָּאוּ מִדְּבַר סִינַי, בַּיּוֹם הַזֶּה מִמַּשׁ דְּיִיקָא. וְכַתְיִב בַּיּוֹם הַהוּא הִנֵּה אֱלֹהֵינוּ זֶה קוֹיְנוּ לוֹ וְגו'.

29. the story of the manna

Rabbi Yehuda discusses the verse, "Blessed is he who considers the poor: Hashem will deliver him in the day of evil." Rabbi Chiya wonders about "For Hashem hears the poor," asking if He listens only to the poor and no others. Rabbi Shimon says merely that it is that they are closer to the King, as there is no one in the world who has a broken heart like a needy person. We are told a story of Rabbi Yisa who brought back a poor man from the dead. The poor man's soul went to the King's throne and learned that three chairs were prepared ready for Rabbi Yosi, the son of Rabbi Ya'akov, and Rabbi Chizkiyah. We read of another incident with a poor person and Rabbi Yitzchak, and a dream about Rabbi Shimon and a poor person. Every day the dew of Atika Kadisha drips down to Zeir Anpin and is drawn to those below, and it nourishes the holy angels. The children of Yisrael ate that food in the wilderness, because it was the manna. Rabbi Shimon says that those who are occupied with the Torah day and night are still nourished from it today. When the children of Yisrael left Egypt they had unleavened bread, but now they merited a different higher bread from a high place. Scholars who are occupied with Torah are nourished from a high place. Rabbi Elazar wonders why those scholars seem weaker than other people, and Rabbi Shimon explains that the Torah scholars eat the food of the spirit and soul, and do not eat the food of the body at all; therefore their bodies are weaker. This higher food is equated to Chochmah, or Wisdom. Returning to the question of the poor, we learn that one who helps fulfill the poor person has a letter added to Tzedek, righteousness, so that it becomes Tzedekah, Charity. More precious than these is the food of the sick, and more supreme than that is the food of spirits and souls that comes from Binah that has returned to become Chochmah, and more precious than all of them is the food that comes from the Supernal Chochmah, which is what the Torah scholars eat. This is because Torah emanates from the Supernal Chochmah. Rabbi Yosi says that all believers must request their food from God on a daily basis, and pray for it, because that causes that tree that contains everyone's food to be blessed from them. Therefore one need not cook food on one day for another day; one must "hope in His steadfast love." We are reminded that "The Righteous eats to satisfy his soul." Those who do not have faith burden themselves every day over food, out of fear that perhaps they will not acquire a loaf of bread. Rabbi Elazar taught that the Righteous shall eat of that manna in the World to Come. Rabbi Shimon says that every person who puts a desire before the Holy King must concentrate his whole will and heart on it in order to draw the blessing from the wellspring of all. A person must prepare his table on Sabbath night so that blessings from above will dwell on him; blessing is not present on an empty table. The Sabbath is the inclusion of all the other days, and from it they are blessed.

364. "And Hashem said to Moses, 'Behold, I will rain bread from heaven for you'" (Shemot 26:4). Rabbi Yehuda opened the discussion, saying: "Blessed is he who considers the poor: Hashem will deliver him in the day of evil" (Tehilim 41:2). We have explained this passage. It refers to when a person is lying ill, captured by the officers of the King. His head is chained, his feet in manacles, many soldiers guard him from all sides so that he shall not escape, his limbs are in straits and fighting among themselves, and food is taken from him.

364. וַיֹּאמֶר יי' אֶל מֹשֶׁה הֲנִי מִמַּטִּיר לָכֶם לֶחֶם מִן הַשָּׁמַיִם. רַבִּי יְהוּדָה פָּתַח וְאָמַר, אֲשֶׁרִי מִשְׁכִּיל אֶל דֵּל בַּיּוֹם רָעָה יִמְלֹטְהוּ יי'. הָאִי קָרָא אוֹקִימָנָא לֵיהּ, בְּשַׁעֲתָא דְבַר נֶשׁ שְׁכִיב בְּבֵי מַרְעִיָה, הָא אֲתַפֵּס בְּאֶטְרוּנֵיָא דְמַלְכָא, רִישִׁיָה בְּקוּלְרָא, רַגְלוּי בְּכוּפְסִירִין, כְּמָה חִילִין נְטָרִין לֵיהּ, מַהֲאִי גִיסָא, וּמַהֲאִי גִיסָא. שְׂוִיפוּי כְּלָהוּ בְּרוּחְקָא, מְגִיחִין אֵלִין בְּאֵלִין. מִיכְלָא אֲתַעְדִי מְנִיָה.

365. At that time, they appoint for him an Interlocutor and a Defender in order to speak favorably about him to the King, as is written: "If there be an angel over him, an interpreter, one among a thousand" (Iyov 33:23). At that moment, blessed is the portion of a man who comes to him and teaches him a way to save him from Judgment. This is what is written, "Blessed is he who considers the poor."

365. בְּהָהוּא זְמַנָּא, פְּקָדִין עֲלֵיהּ אֶפּוֹטְרוֹפָא, לְמִילָף עֲלֵיהּ זְכוֹת קָמֵי מַלְכָא, דְּכַתְיִב אִם יֵשׁ עֲלֵינוּ מַלְאָךְ מְלִיץ אֶחָד מִנֵּי אֱלֹף. בְּהֵיָא שַׁעֲתָא, זְכָאָה חוּלְקֵיהּ דְּב"נ דְּעָאֵל עֲלֵיהּ, וְאוֹלִיף לֵיהּ אֲרַחָא, לְשִׁזְבוּתֵיהּ מִן דִּינָא. הַה"ד אֲשֶׁרִי מִשְׁכִּיל אֶל דֵּל.

366. HE ASKS: And how can he save the sick person? HE ANSWERS: He should teach him the way of returning and repenting before his Master. Then an Intercessor is formed for him above, AND HE IS SAVED. What is his reward? It is that "Hashem will deliver him in the day of evil." Another explanation for: "Blessed is he who considers the poor." How strong is the reward of THE ONE WHO ASSISTS the needy before the Holy One, blessed be He.

366. וְהִיךְ יָכִיל לְשַׁזְבָּא לֵיהּ, לְמִילָף לֵיהּ אֲרַחוּי דְחֵי, לְאַתְבָּא לְקָמֵי מַאֲרִיָה, כְּדִין אֲתַעְבִּיד אֶפּוֹטְרוֹפּוֹסָא עֲלֵיהּ לְעִילָא. מַאי אֲגַרְיָה. בַּיּוֹם רָעָה יִמְלֹטְהוּ יי'. ד"א, אֲשֶׁרִי מִשְׁכִּיל אֶל דֵּל, כְּמָה תְּקִיפָא אֲגָרָא דְמַסְכְּנָא, קָמֵי קוּדְשָׁא בְּרִיךְ הוּא.

367. Rabbi Chiya said: I wondered about this passage, "For Hashem hears the poor" (Tehilim 69:34). Does He hear only unto the poor and no others? Rabbi Shimon said: It is because they are closer to the King, as is written: "A broken and a contrite heart, O Elohim, You will not despise" (Tehilim 51:19). And there is no one in the world one who has a broken heart like a needy person. Rabbi Shimon also said: Come and behold. All the people of the world appear before the Holy One, blessed be He, in body and soul. But the poor appear before the Holy One, blessed be He, only in soul, BECAUSE HIS BODY IS BROKEN, and the Holy One, blessed be He, is closer to the soul than to the body.

368. There was a poor man who lived in the neighborhood of Rabbi Yisa. No one paid any attention to him. He himself was bashful and did not press upon other people. One day he became ill. Rabbi Yisa came in to visit him and heard a voice saying: Justice, justice - MEANING THAT HE GAVE A STATEMENT OF JUSTICE TO HEAVEN. The soul is departing from me but my time has not yet arrived. Woe to the inhabitants of the city, for there is no one among them to return his soul to him. Rabbi Yisa arose and put some fig juice and a measure of spicy wine into his mouth. A sweat broke out in his face and his spirit returned to him.

369. Afterwards, he came to visit and he inquired about him. He said: I swear, Rabbi, the soul left me and reached the King's throne, and wanted to remain there. But the Holy One, blessed be He, wanted to award you, and they announced of you: Rabbi Yisa spirit will depart and he shall be bound in a particularly holy assembly, NAMELY IN THE GREAT ASSEMBLY (IDRA RABA), AND NOT IN THE SMALLER ASSEMBLY that the friends shall raise in the land. And they have prepared three chairs that are standing ready for you and your friends, RABBI YOSI, THE SON OF RABBI YA'AKOV, AND RABBI CHIZKIYAH, WHOSE SOULS DEPARTED DURING THIS ASSEMBLY. From that day onward, the inhabitants of the city watched and paid attention to him.

370. Another incident occurred when a poor person passed before Rabbi Yitzchak with half a coin of silver in his hand. He said to Rabbi Yitzchak: Save my and my daughters' souls. He said: How can I make whole your souls, when I have only a half coin. He said: I will complete it hereby with the half coin I have in my possession. He took it out and gave it to him.

371. They showed him in his dream how he was traveling along the edge of the Great Sea and they wanted to throw in him into it. He described how Rabbi Shimon stretched out his hand towards him. And that poor person came, took him out and gave him into the hands of Rabbi Shimon, and he was saved. When he awoke, his mouth uttered this passage: "Blessed is he who considers the poor: Hashem will deliver him in the day of evil."

367. א"ר חייא, תוהנא על האי קרא דכתוב, כי שומע אל אביונים יי, וכי אל אביונים שומע ולא לאחרא. א"ר שמעון, בגין דאינון קריבין יתיר למלכא, דכתוב, לב נשבר ונדכה אלהים לא תבזה. ולית לך בעלמא, דאיהו תביר לבא במסכנא. תו אמר רבי שמעון, תא חזי, כל אינון בני עלמא, אתחזיין קמי קודשא בריך הוא, בגופא ונפשא, ומסכנא לא אתחזי אלא בנפשא בלחודוי, וקודשא בריך הוא קריב לנפשא יתיר מגופא.

368. מסכנא חד הוה בשבבותיה דר' ייסא, ולא הוה מאן דאשגח ביה, והוא הוה אכסיף, ולא תקיף בבני נשא, יומא חד חלש, עאל עליה רבי ייסא, שמע חד קלא דאמר, טילקא טילקא, הא נפשא פרחא גבאי, ולא מטו יומוי. ווי לבני מתיה דלא אשתכח בהו דיתוב נפשיה לגביה. קם רבי ייסא, שדי בפומיה, מיא דגרגרין, אפותא דקונטא אתבזע זיעא באנפוי, ותב רוחיה לגביה.

369. לבתר אתא ושאל ליה, אמר חייך רבי, נפשא נפקת מנאי, ומטו לה קמי כורסייא דמלכא, ובעת לאשתארא תמן, אלא דבעא קודשא בריך הוא לזכאה לך, ואכריזו עלך, זמין הוא רבי ייסא, לסלקא רוחיה, ולא תקשרא בחד אדרא קדישא דזמינין חבריאי לאתערא בארעא, והא אתקיננו תלת כורסיאן, דקיימן לך ולחברך. מההוא יומא הוו משגיחין ביה בני מתיה.

370. תו, מסכנא אחרא אעבר קמיה דר' יצחק, והוה בידיה פלג מעה דכסף. אמר ליה לרבי יצחק, אשלים לי ולבני ולבנותי נפשאן. אמר ליה והיך אשלים נפשויכו, דהא לא אשתכח גבאי בר פלג מעה. אמר ליה, בדא אשלימנא, בפלג אחרא דאית גבאי, אפקיה ויהביה ליה.

371. אחזיאו ליה בחלמיה, דהוה אעבר בשפתא דימא רבא, ובעאן למשדייה בגויה, חמא לרבי שמעון, דהוה אושיט ידוי לקבליה, ואתי ההוא מסכנא ואפקיה, ויהביה בידוי דרבי שמעון, ואשתויב. כד אתער, נפל בפומיה, האי קרא, אשרי משכיל אל דל ביום רעה ימלטהו יי.

372. Come and behold: every day the dew of Atika Kadisha drips to Zeir Anpin, and the whole Field of Holy Apples is blessed, WHICH IS MALCHUT, and from that, dew is drawn to these below. The holy angels are nourished from it, each one according to his ability to eat. This is what is written: "Man ate the bread of angels" (Tehillim 78:25); NAMELY, THAT DEW MENTIONED EARLIER, WHICH IS THE BREAD OF ANGELS. Yisrael ate of that food in the wilderness, THE MANNA.

373. Rabbi Shimon said: Many people are nourished from it today. And who are they? They are the friends, who are occupied with Torah days and nights. And if it you think that it was actually the same food THAT THE CHILDREN OF YISRAEL ATE IN THE WILDERNESS, it is not, but it is very similar to that food, for it is worth double THE MANNA THAT THE CHILDREN OF YISRAEL ATE IN THE WILDERNESS.

374. Come and behold: when Yisrael came and cleaved unto the Holy King, they merited then to eat a much higher bread because of the uncovering of the holy sign OF THE CIRCUMCISED ORGAN. Before, when they left Egypt, they came with bread called unleavened bread (Heb. Matzah), WHICH IS MALCHUT. Now they merited to eat a different, much higher bread, from a high place, as is written: "Behold I will rain bread from the heavens for you," actually from the heavens, WHICH IS ZEIR ANPIN, and it became available to Yisrael from this place at that time. The friends who are occupied with Torah are nourished from a higher place. What is it? It is as written: "Wisdom gives life to those who have it" (Kohelet 7:12), which is a place far higher THAN ZEIR ANPIN.

375. Rabbi Elazar said to him: If so, why are those occupied with Torah weaker than other people, for the other people appear to be stronger than those who are occupied with Torah? He said to him: You ask well.

376. Come and behold: all the food of the inhabitants of the world comes from above. That food that comes from the heaven and the earth is the food of the whole world. It is the food of all, and it is coarse and thick nourishment. The food that comes from a higher source and is a finer food comes from the place where Judgment is prevalent, NAMELY MALCHUT, and this is the food that Yisrael ate when they left Egypt, NAMELY, UNLEAVENED BREAD. The food that was provided Yisrael at that time in the wilderness was from a higher place, called 'heavens', WHICH IS ZEIR ANPIN. It is a finer food that enters into the soul more THAN ANY OTHER FOOD. It is more separate from the body and is called 'the food of the angels', NAMELY MANNA.

372. ותא חזי, כל יומא ויומא, נטוף טלא מעתיקא קדישא לזעיר אפין, ומתברכאן כל חקל תפוחין קדישין. ומהווא טלא אנגיד לאינון דלתתא, ומלאכין קדישין אתזנו מניה, כל חד וחד במום מיכליה, הה"ד לחם אבירים אכל איש, ומהווא מזונא אכלו ישראל במדברא.

373. א"ר שמעון, כמה בני נשא מתזנין בהאי זמנא מניה, ומאן אינון. אליון חבריאי דמשתדלי באורייתא, יומי ולילי. וכי סלקא דעתך מהווא מזונא ממש. לא. אלא כעין ההוא מזונא ממש, דשקיל על חד תרין.

374. תא חזי, ישראל כד עלו ואתדבקו במלכא קדישא, בגין גלויא דרשימא קדישא, כדן זכו למיכל נהמא אחרא עלאה, יתיר ממה דהוה בקדמיתא. בקדמיתא כד נפקו ישראל ממצרים, עלו בנהמא, דאקרי מצה, והשתא זכו, ועאלו למיכל נהמא אחרא עלאה יתיר, מאתר עלאה, דכתיב הנני ממטיר לכם לחם מן השמים. מן השמים ממש. ובהווא זמנא אשתכח להו לישראל. מאתר דא. חבריאי דמשתדלי באורייתא, מאתר אחרא עלאה יתיר אתזנו. מאי הוא. כמה דכתיב החכמה תחיה בעליה. אתר עלאה יתיר.

375. א"ל ר' אלעזר, אי הכי, אמאי חלשא נפשיהו יתיר משאר בני עלמא, דהא שאר בני נשא, בחילא ותוקפא יתיר אתחזון לאשתכחא. אמר ליה יאות שאילתא.

376. תא חזי, כל מזוני הבני עלמא מלעילא קא אתיין. ההוא מזונא דאתי מן שמיא וארעא, דא מזונא דכל עלמא, והוא מזונא דכולא, והוא מזונא גס ועב. וההוא מזונא דאתי יתיר מעילא, הוא מזונא יתיר דקיק, קאתיא מאתר דדינא אשתכח, ודא הוא מזונא דאכלו ישראל כד נפקו ממצרים. מזונא דאשתכח להו לישראל, בהווא זמנא במדברא, מאתר עלאה דאקרי שמים, הוא מזונא יתיר דקיקא, דעיל יתיר לנפשא מכלא, ומתפרש יתיר מגופא, ואקרי לחם אבירים.

377. The food that is the highest of all is the food of the friends, those who are occupied with Torah, who eat the food of the spirit and the soul and do not eat physical food at all. It is from the place that is more precious than anything, called Chochmah (Wisdom). Therefore, the bodies of the friends are weaker than the people of the world because they do not eat the food of the body at all. They eat only the food of the spirit and soul from the distant place, higher and more precious than all - WHICH IS CHOCHMAH, WHICH IS FAR AWAY, AS IS WRITTEN: "I SAID, 'I WILL BE WISE; BUT IT WAS FAR FROM ME'" (KOHELET 7:23). Therefore, that food is far more refined than all. Blessed is their portion. This is what is written: "Wisdom gives life to those who have it." Blessed is the portion of a body that can be nourished with the food of the soul.

378. Rabbi Elazar said to him: Certainly, it is so, but in the present time how is such food to be found? He said to him: You ask well. Come and behold: this is the clarification of the matter. The first food is the food of the whole world, that which comes from the heavens and earth. And it is the food of the body.

379. The food that is higher than it, which is finer, comes from the place where Judgment is prevalent, called righteousness (Heb. tzedek), WHICH IS MALCHUT. This is the food of the poor; NAMELY MATZAH, THAT IS CALLED 'THE BREAD OF AFFLICTION'. And the secret of the matter is that one who helps fulfill the poor person has a letter added to Tzedek, and it becomes "tzedakah ('charity')." This is the secret of, "The merciful man does good to his own soul" (Mishlei 11:17). Acts of kindness show that one is under Judgment but has perfected it with Chesed. Then it turns into Mercy.

380. A food even higher than these is a supreme nourishment, more glorious and precious, from the place called 'heaven', WHICH IS ZEIR ANPIN - NAMELY MANNA, WHICH THE CHILDREN OF YISRAEL ATE IN THE WILDERNESS. It is finer than all of them. And this is the food of the sick. This is what is meant by: "Hashem strengthens him upon the bed of sickness: whenever he is prostrate You recover him in his illness" (Tehilim 41:4). Hashem is precise, WHICH IS ZEIR ANPIN. What is the reason? Because these ill people are fed only with the actual food of the Holy One, blessed be He, WHO IS ZEIR ANPIN.

381. A supreme food, holy and precious is the food of spirits and souls, and it is the food from a high and far away place - WHICH IS BINAH THAT HAS AGAIN BECOME CHOCHMAH - ABOUT WHICH IS SAID: "I SAID, 'I WILL BE WISE; BUT IT WAS FAR FROM ME'." It is the place that is called "the pleasantness of Hashem," MEANING BINAH THAT HAS RETURNED TO CHOCHMAH.

377. מְזוֹנָא עֲלָאָה יְתִיר מִכָּלָא, הוּא מְזוֹנָא דְחֻבְרֵינָא, אִינוּן דְּמִשְׁתַּדְּלִי בְּאוּרֵינָא, דְּאֶכְלִי מְזוֹנָא דְרוּחָא וְנִשְׁמַתָּא, וְלֹא אֶכְלִי מְזוֹנָא דְגוּפָא כָּלָל, וְהֵינּוּ מֵאַתֵּר עֲלָאָה יְקִירָא עַל כָּלָא, וְאֶקְרִי חֻכְמָה. בְּגִינֵי כֵךְ חֲלִישׁ גּוּפָא דְחֻבְרֵינָא, יְתִיר מִבְּנֵי עֲלָמָא, דְּהָא לֹא אֶכְלִי מְזוֹנָא דְגוּפָא כָּלָל. וְאֶכְלִי מְזוֹנָא דְרוּחָא וְנִשְׁמַתָּא, מֵאַתֵּר רְחִיקָא עֲלָאָה, יְקִירָא מִכָּלָא. וּבְגִינֵי כֵךְ הֵוּא מְזוֹנָא דְקִיק מִן דְקִיקָא, יְתִיר מִכָּלָא. זְכָאָה חוּלְקָהוֹן, הַה"ד הַחֻכְמָה תַּחֲיָה בְעֵלְיָה. זְכָאָה חוּלְקָא דְגוּפָא, דִּיכִיל לְאַתְזָנָא בְּמְזוֹנָא דְנִפְשָׁא.

382. And more precious than all of them is the food that the friends who are occupied with Torah EAT. It is the food that comes from the Supernal Chochmah, WHICH IS ACTUAL CHOCHMAH. What is the reason THAT IT COMES from this place? It is because Torah emanates from the supernal Chochmah, and those who are occupied with Torah enter into the main source of the roots. Therefore, their food comes from that high, holy place.

383. Rabbi Elazar approached and kissed the hands OF RABBI SHIMON, HIS FATHER. He said: Blessed is my portion that I understood these words. Blessed is the portion of the righteous who are occupied with Torah days and nights, for it merits them in this world and in the World to Come, as is written: "For He is your life, and the length of your days" (Devarim 30:20).

384. "Behold I will rain down bread from the heavens for you." Rabbi Yosi opened the discussion with the verse: "You open your hand, and satisfy the desire of every living thing" (Tehilim 145:16). What is written above? "The eyes of all wait upon You" (Ibid. 15). All the people of the world hope and raise their eyes to the Holy One, blessed be He. Therefore, all believers must request their food from the Holy One, blessed be He, on a daily basis, and pray their prayers for it.

385. HE ASKS: What is the reason? AND HE SAYS: Because everyone who says his prayer to the Holy One, blessed be He, for his food, causes that tree that contains everyone's food to be blessed through him. Although he has food, he still must ask for it before the Holy One, blessed be He, and pray his prayer for nourishment every day, in order that through him, blessings shall be prevalent above every single day. This is the meaning of: "Blessed be Adonai day by day" (Tehilim 68:20).

386. Therefore, a person should not cook food on one day for another day, in order not to leave over from one day to another. This is what is meant by: "And the people shall go out and gather a certain portion every day" (Shemot 16:4). "Every day," is exact, except on Shabbat eve for Shabbat, as we have established. Then the Holy One, blessed be He, is full of blessings every day. Then it is written: "You open Your hand, and satisfy the desire of every living thing." What is the "desire"? That is that particular desire that comes from Atika Kadisha, WHICH IS KETER, and a desire emanates from Him that there shall be food available to all. And he who requests food every single day is called 'a faithful son', a son due to of whom blessings are prevalent above.

382. וְיִקְרָא מְכֻלָּא הוּא, מְזוּנָא דְחֻבְרֵינָא דְמִשְׁתַּדְּלֵי בְּאוּרֵייתָא, וְהוּא מְזוּנָא דְאֵתִי מְחֻכְמָה עֲלָאָה. מ"ט מְאֵתָר דָּא. בְּגִין דְּאוּרֵייתָא נִפְקָא מְחֻכְמָה עֲלָאָה, וְאִינוּן דְּמִשְׁתַּדְּלֵי בְּאוּרֵייתָא, עֵיילֵי בְּעֻקְרָא דְּשִׁרְשָׁהָ, וְעַל דָּא, מְזוּנָא דְּלְהוּן, מִהֵהוּא אֵתָר עֲלָאָה קְדִישָׁא קָא אֵתֵינָא.

387. Rabbi Aba opened the discussion, saying: "Hashem takes pleasure in those who fear Him, in those who hope in His steadfast love" (Tehilim 147:11). How important it is for people to go in the ways of the Holy King, and to go in the paths of the Torah, so that blessings will be prevalent for everyone, those above and those below.

388. For we have learned, it is written: "Yisrael, in whom I will be glorified" (Yeshayah 49:3). Indeed, "I will be glorified." What is its meaning? It is because of Yisrael below, WHO ELEVATE MAYIN NUKVIN ("FEMALE WATERS"), that the Holy One, blessed be He, is glorified above. What is His glory-He dons Tefilin, in which colors are mixed, with which to be glorified. FOR THE FOUR PORTIONS ARE THE SECRETS OF THREE COLORS, WHITE, RED, AND GREEN, AND THEY COMBINE IN THE SECRET OF THREE COLUMNS TO ILLUMINATE IN ALL PERFECTION.

389. We learned, "Hashem takes pleasure in (or desires) those who fear Him." HE ASKS: It should have said 'Hashem takes pleasure in those who fear Him'. What is the meaning of, "Hashem takes pleasure those who fear Him"? AND HE ANSWERS: "Hashem desires those who fear Him," means that He produced this desire and with it fulfilled the desires of those who feared Him. And who are the fearful for whom He produced this desire? He repeats and says, "Those who hope in His steadfast love," MEANING those who hope and wait every single day to request their food from the Holy One, blessed be He. This we learn from the verse, "those who hope in His steadfast love."

390. Rabbi Yisa Saba (the elder) did not prepare his meal every day until he prayed his prayer before the Holy One, blessed be He, for food. He said: We will not prepare the meal until it is given from the King's house. He then prayed his prayer before the Holy One, blessed be He, waited one hour, and then would say: By now it was already given from the King's house. From now on, prepare the meal. This is the way of those who fear the Holy One, blessed be He, those who fear sin.

391. Of the wicked people who go crookedly in the ways of the Torah, it is written, "Woe to them that rise up early in the morning, that they may follow strong drink" (Yeshayah 5:11). And therefore, "Hashem takes pleasure in those who fear Him, in those who hope in His steadfast love." "His steadfast love," indeed. And by this those people of Faith are recognizable every single day, as is written: "And the people shall go out and gather a certain portion every day." "A certain portion every day," is said, and not a certain portion for the next day.

392. HE ASKS: Why to such a degree? HE SAID: IT IS, "that I may test them, whether they will follow My Torah, or no" (Shemot 16:4). By this, MEANING IN THE EATING, these people of Faith are recognizable, for every day they walk in the straight path in the Torah. Rabbi Yitzchak said: From this we understand, "the righteous eats to satisfy his soul" (Mishlei 13:25), WHICH MEANS THAT not until he has satisfied his soul with prayer and the study of Torah DOES HE EAT.

387. ר' אבא פתח ואמר, רוצה יי' את יראיו את המיחלים לחסדו, כמה אית להו לבני נשא למהך בארחוי המלכא קדישא, ולמהך בארחוי האורייתא, בגין דישתכחון ברכאן לבלהו, לעלאי ולתתאי.

390. רבי ייסא סבא, לא אתקין סעודתא בכל יומא, עד דבעא בעותיה קמי קודשא בריך הוא, על מזוני. אמר, לא נתקין סעודתא, עד דתתייהב מבי מלכא. לבתר דבעי בעותיה קמי קודשא בריך הוא, הוה מחכה שעתא חדא, אמר הא עידן דתתייהב מבי מלכא, מכאן ולהלאה אתקינו סעודתא. ודא הוא ארחא, דאינון דחלי קודשא בריך הוא, דחלי חטאה.

391. אינון חייביא דאזלין עקימין בארחי אורייתא, מה כתיב בהו. הוי משכימי בבקר שכר ירדפו. וע"ד רוצה יי' את יראיו את המיחלים לחסדו. לחסדו דייקא. ובהא אשתמודען אינון בני מהימנותא בכל יומא ויומא, הדא הוא דכתיב, ויצא העם ולקטו דבר יום ביומו. יום ביומו קאמר, ולא דבר יום ליום אחר.

392. וכל כך למה. למען אנסנו הילך בתורתו אם לא בכאן אשתמודען אינון בני מהימנותא, דכל יומא ויומא אינון אזלי בארח מישר באורייתא. רבי יצחק אמר מהכא, צדיק אוכל לשובע נפשו, בתר דשבע נפשיה מלצלי ולמקרי באורייתא.

393. Rabbi Shimon said: Come and behold. Before the Holy One, blessed be He, gave the Torah to Yisrael, He differentiated between these people of Faith and the wicked who were not faithful and did not want the Torah. How did He tell the difference between them? By the manna, as is written: "That I may test them." The Holy One, blessed be He, marked all those who were found to be faithful with the imprint of the Sfirah of Chesed. As is written: "Those who hope in his steadfast love (lit. 'Chesed')." And all those who are not found to be faithful, He removed from this supernal Sfirah. And the Manna announced and said: "but the belly of the wicked shall feel want" (Ibid.). And with all this, "he that gathered much had nothing over, and he that gathered little had no lack" (Shemot 16:18).

394. We learned that at that time Yisrael became perfected below, similar to above, as we have established by the verse: "And they came to Elim, where were twelve springs of water, and seventy palm trees..." (Shemot 15:27). THIS MEANS THAT the holy tree, WHICH IS ZEIR ANPIN, was strengthened by twelve boundaries in the four sides of the world, CHESED AND GVURAH, TIFERET AND MALCHUT, AND THERE ARE TWELVE BOUNDARIES, WHICH ARE THE SECRET OF THE TWELVE SPRINGS OF WATER. And it was strengthened with seventy branches, WHICH ARE THE SEVENTY MINISTERS, THE SECRET OF THE SEVENTY PALM TREES. And it all resembles that which is above.

395. At that time, the holy dew, MEANING THE ABUNDANT FLOW THAT IS CALLED 'DEW', drips from the concealed Atika, WHICH IS KETER, and fills the head of Zeir Anpin, the place that is called 'heaven'. From that dew of the supernal holy Light was the manna drawn and descended below. And when it descended, it spread like flakes of layered ice and congealed below. This is what is written: "As fine as the hoar frost on the ground" (Shemot 16:14).

396. All these people of Faith would go out and gather and bless the Holy Name over it. And the manna emitted fragrances of all the spices of the Garden of Eden, because they were drawn into it and descended below. And when one placed it before him, he tasted in it any taste he desired, and blessed the Supernal Holy King.

397. Then THE MANNA was blessed in his intestines, and he would observe closely and have knowledge of the above, to observe the supernal Chochmah. Therefore, they were called 'the Generation of Knowledge'. And these were people of Faith, and the Torah was given to them to gaze into it and to know her ways.

393. רבי שמעון אמר, תא חזי, עד לא יֵהב קודשא בריך הוא אורייתא לישראל, אבחינ בין אינון בני מהימנותא, ובין אינון חייביא דלאו אינון בני מהימנותא, ולא קיימין באורייתא. ובמה אבחינ לון. במן. כמה דאתמר אנסנו. וכל אינון דאשתכחו דאינון בני מהימנותא, רשים ליה קודשא בריך הוא, ברשימו דכתרא דחס"ד, כד"א המיחלים לחסדו, וע"ד למען אנסנו. וכל אינון דלא משתכחי בני מהימנותא, אעדי מנייהו כתרא עלאה דא. ומנא אכריז ואמר, ובטן רשעים תחסר. ועם כל דא לא העדיף המרבה והממעט לא החסיר.

394. תאנא, בהוא שעתא אשתלימו ישראל לתתא, כגוונא דלעילא, כמה דאוקימנא, דכתיב, ויבואו אלימה ושם שתים עשרה עינות מים ושבעים תמרים וגו'. ואתתקף אילנא קדישא, בתריסר תחומין, בארבע סטרי עלמא. ואתתקף בשבעין ענמין, וכלא כגוונא דלעילא.

395. בהויא שעתא, נטיף טלא קדישא, מעתיקא סתימאה, ומליא לרישיה דזעיר אנפין, אתר דאקרי שמים. ומהוא טלא דנהורא עלאה קדישא, הוה נגיד ונחית מנא לתתא. וכד הוה נחית, הוה מתפרש גלידין גלידין, ואקריש לתתא. הדא הוא דכתיב דק בכפור על הארץ.

396. כל אינון בני מהימנותא, נפקי ולקטי, ומברכאן שמא קדישא עליה. והוא מנא, הוה סליק ריחין דכל בוסמין דגנתא דעדן, דהא ביה אתמשך ונחית לתתא. שויה לקמיה, בכל טעמא דאיהו בעי, הכי טעים ליה, ומברך למלכא קדישא עלאה.

397. וכדין מתברך במעוי, והוה מסתבל וידע לעילא, ואסתבי בחכמה עלאה, ועל דא אקרון דור דעה. ואלין הוו בני מהימנותא, ולהון אתיהיבת אורייתא לאסתכלא בה, ולמנדע ארחה.

398. Of those who were not faithful, it is written: "And the people went about (Heb. shatu), and gathered it" (Bemidbar 11:8). What is "shatu"? They selected foolishness (Heb. shtut) for themselves because they were not people of Faith. It is written about them: "And ground it in mills, or beat it in mortar..." (Ibid.). Who made them toil so much? This is because they were not people of Faith.

399. Similar to this are those who do not have Faith in the Holy One, blessed be He. They do not want to pay attention to His way, and they burden themselves every day after food, days and nights, out of fear that perhaps they will not acquire a loaf of bread. What caused them to do this? It is because they are not people of Faith.

400. Here also, the people "went about, and gathered" in their own foolishness. And they wanted to toil over it. This is what is written: "And ground it in mills." And after all this work, they were not successful, as is written: "And the taste of it was like the taste of oil cake" (Ibid.), and no more. What caused this for them? It is because they were not people of Faith.

401. Rabbi Yosi asked: What is "an oil (Heb. leshad) cake?" Some say that it was kneaded in oil, according to its Aramaic translation. And some say that as a demon (Heb. shed) changes to many modes, so does the manna change to many tastes, MEANING THAT THEY TASTED EVERY TASTE THEY WANTED IN IT. Rabbi Yehuda said: "An oil cake" MEANS nourishment from oil.

402. Rabbi Yitzchak said: "They gathered every man according to his eating" (Shemot 16:21). HE ASKS: Does that mean that one who ate a little gathered a little, and one who ate more gathered more? Yet is it not written: "He that gathered much had nothing over, and he that gathered little had no lack"? HE ANSWERS: Rather, they gathered according to the eaters. This is understood FROM THE WORDS "his eating," MEANING, according to the number of eaters, and therefore it is not written, 'EACH MAN ACCORDING TO what he can eat'.

403. HE ASKS: What does this, THAT EACH ONE GATHERED ACCORDING TO THE AMOUNT OF EATERS, teach us? HE ANSWERS: If someone held a servant or maid servant, and said: He is mine, and his neighbor came and said: He is mine, they would approach Moses for judgments. He would say to them: How many people are there in your house and how many people are in the other's house. They would say the number. Then Moses would say to them: Gather tomorrow, and afterwards both of you come before me. The next day they would go out and gather and then go before Moses. They would place before him a vessel, which he would measure. If that servant was the owner's, then the portion of the servant would be in that vessel, because there was one Omer measured for each person of his household. He would measure for the other and would find that the food portion of the servant was lacking in his vessel, and there was one Omer for each person in his household. THEN he would say: The servant belongs to this one. This is what is meant by: "They gathered every man according to his eating," and it: "An Omer for every man, according to the number of your persons."

404. Rabbi Yisa said: It is written, "At evening you shall know that Hashem has brought you out from the land of Egypt. And in the morning, you shall see the glory of Hashem" (Shemot 16:6-7). HE ASKS: "At evening you shall know." How will they know? HE ANSWERS: We have learned that every single day the laws of the Holy One, blessed be He, abide. In the morning, Chesed is roused in the world. And at the time that is called evening, Judgment is suspended over the world. As we have established, Isaac instituted the Minchah (Afternoon Prayer,) AND ISAAC IS GVURAH. Therefore, "At evening you shall know," when Judgment is aroused over the world, you will know that with this Judgment Hashem has brought you out of Egypt. "And in the morning, you shall see the glory of Hashem," because at that time Chesed is aroused over the world, and He will give you nourishment.

405. Rabbi Chiya said: It is the opposite of what is written before, "When we sat by the flesh pots..." (Ibid. 3). At that moment, evening was awakened, NAMELY JUDGMENT. And at the time that Judgment was provoked, Chesed was also aroused in the world. This is what is written: "You shall know that Hashem has brought you out from the land of Egypt." You will know the Chesed that He performed by you during the time of Judgment, and that He brought you out of the land of Egypt, "and in the morning, you shall see the glory of Hashem." The glory of Hashem is already known TO BE MALCHUT. And why all this? Because "when Hashem hears your murmuring..." (Ibid. 8).

406. Rabbi Yesa said: The Holy One, blessed be He, did not change His laws SO THAT CHESED WOULD ILLUMINATE IN THE EVENING, AS RABBI CHIYA SAID. Only those wicked people of the world changed and turned Mercy into Judgment, as we learned.

403. מאי קא מיירי. אחיד בר נש בעבדא, או באמתא, ואמר דהוא דיליה. אתא חבריה, ואמר, האי עבדא דילי הוא. קריבו לקמיה דמשה לדינא, אמר לון כמה נפשאן בביתך, וכמה נפשאן בביתיה דדין, אמר כך וכך. והוא שעתא אמר לון משה, לקטו מחר, וכל חד מנייכו ייתי לגבאי. למחר, נפקו ולקטו, ואתיין קמי משה, שוויין קמיה מנא, הוה מדיד ליה. אי ההוא עבדא דדין, אשבח ההוא עומרא דעבדא, בהאי מנא. דהא חד עומרא לכל נפש ונפש מביתיה. מדיד לדין, ואשתבח חסרא, ההוא מיכלא דעבדא, בההוא מנא דיליה, וחד עומרא לכל נפש ונפש מביתיה. אמר עבדא דדין הוא, הה"ד איש לפי אכלו לקטו וכתוב עמר לגלגלת מספר נפשתיכם.

406. אמר ר' ייסא, לא שני קודשא בריך הוא נימוסוי, בר דאינון חייבי עלמא שניין לון, ומדהפכי רחמי לדינא, כמה דאתמר.

407. Rabbi Elazar taught that the Righteous shall eat of that manna in the World to Come. And if you think that it is in that same manner THAT THE CHILDREN OF YISRAEL ATE IN THE WILDERNESS, it is not so, but rather more THAN THEY, in SUCH PERFECTION that never existed. What is it? It is as we have established, "to behold the pleasantness of Hashem, and to inquire in His temple" (Tehilim 27:4), and: "Neither has the eye seen, that an Elohim, beside You" (Yeshayah 64:3).

408. "See, that Hashem has given you the Shabbat" (Shemot 16:29). Rabbi Chizkiyah opened the discussion, saying: "A song of ascents, out of the depths I have cried to You, Hashem" (Tehilim 130:1). HE ASKS: "A song of ascents," is unspecified, it does not explicitly reveal who says it. HE ANSWERS: But, "A song of ascents," MEANS that all the inhabitants of the world will eventually say this, because this song will be said for eternal generations.

409. HE ASKS: What is THE MEANING OF, "Out of the depths I have cried to you"? HE ANSWERS: So have we learned. Everyone who prays his prayer before the Holy King must ask for his requests and pray from the depth of his heart, in order that his heart is completely with the Holy One, blessed be He. Thus, he should concentrate his heart and desire. THIS IS THE MEANING OF, "OUT OF THE DEPTHS I HAVE CRIED TO YOU." HE ASKS: Did David say it this way? Is it not written, "With my whole heart I have sought You" (Tehilim 119:10)? And this passage is sufficient, THAT IS, TO PRAY WITH THE WHOLE HEART. Why is, "out of the depths," necessary?

410. HE ANSWERS: We learned, every person who makes his request before the King must concentrate his mind and desire on the source of all sources, to draw blessings from the depth of the pit, in order that blessings shall flow from the wellspring of all. And what is it? It is at that place from where that river, WHICH IS CONCEALED CHOCHMAH, emerges and comes forth, as is written: "And a river went out of Eden" (Bereshheet 2:10). FOR EDEN IS CHOCHMAH, AND RIVER IS BINAH, NAMELY BINAH THAT CAME OUT OF THE TOP OF ARICH ANPIN, WHICH IS CONCEALED CHOCHMAH. And it is written: "There is a river, whose streams make glad the city of Elohim" (Tehilim 46:5), and this is called "out of the depths." The depth of all, the depth of the pit from which springs emerge and are drawn to bless all. This is the beginning of drawing blessings downward from above.

411. Rabbi Chizkiyah explains HIS WORDS: When the most concealed Atik desires to bring blessings for the world, He places and includes everything in that supreme depth, WHICH IS CONCEALED CHOCHMAH OF ARICH ANPIN, OF THE ASPECT OF BINAH EMERGING OUT OF IT. And from here a river, WHICH IS BINAH, is drawn and flows, and rivers and wellsprings emerge from it, WHICH ARE THE MOCHIN. And everything is watered from it. FOR ALL THE MOCHIN OF THE MALE AND THE FEMALE AND BRIYAH, YETZIRAH, AND ASIYAH ARE DRAWN FROM THERE. And whoever says his prayer must concentrate his heart and desire to draw blessings from this depth of all, in order that his prayer is accepted and his desire is carried out.

412. "And Moses said to them, 'Let no man leave of it till morning'" (Shemot 16:19). Rabbi Yehuda said: Every single day, the world is blessed from that supernal day, for all the six days are blessed from the seventh day. And every day gives from that blessing that it receives on its own day.

413. Therefore Moses said: "Let no man leave of it till morning." What is the reason? Because one day does not borrow or give to another. Rather, each one reigns exclusively, alone in its day, because one day can not reign in the day of its neighbor.

414. Therefore, all these five days reign on their respective days, and that which they received is available in them. The sixth day contains more, and this is according to what Rabbi Elazar said: It is written, "the sixth day," WITH THE DEFINITE ARTICLE (=HEI), which is not written of the other days. But this is the way they established it. "The sixth day," WITH A HEI, shows that the Queen is joined with it, WHO IS CALLED HEI, WHICH IS MALCHUT, to prepare the table for the King. Therefore, it has two parts, one from the day itself and one from establishing the joy of the King with the Queen.

415. That night is the joy of the Queen with the King and their uniting, and all the six days are blessed, each one on its own. Therefore, a person must prepare his table on Shabbat night so that blessings from above will dwell upon him, and a blessing is not present on an empty table. Therefore, scholars who know this secret mate only on Shabbat nights.

416. "See, that Hashem has given you the Shabbat." HE ASKS: What is Shabbat? HE ANSWERS: That is the day in which the other days rest. And it is the inclusion of all the other six days, and from it are they blessed. Rabbi Yisa said: The Congregation of Yisrael is also called 'Shabbat', for she is the spouse OF SHABBAT, and a bride, as is written: "You shall keep the Shabbat therefore, for it is holy to you" (Shemot 31:14). To you and not to the other nations. This is what is meant by: "Between Me and the children of Yisrael" (Ibid. 17). This portion is an eternal heritage of Yisrael; thus it is written: "If you restrain your foot because of Shabbat..." (Yeshayah 58:13). And we explained the matter where we discussed it.

417. It is written: "Let no man go out of his place on the seventh day..." We learned that ITS MEANING IS from the place that is proper to go, MEANING OUT OF THE CITY. And the secret of the matter is, "Blessed be the glory of Hashem from his place" (Yechezkel 3:12), WHICH IS MALCHUT, and this is the place. This is the secret of what is written: "For the place on which you stand is holy ground" (Shemot 3:5). It is the known area that is called "place," which is known by the supernal glory, NAMELY MALCHUT.

418. Therefore, it is an admonition to the person who adorns himself with the holy crown of above ON THE SHABBAT DAY. From his mouth secular talk should not emerge, because if SECULAR TALK does emerge, he desecrates the Shabbat day. DESECRATING THE SHABBAT WITH THE HANDS is done by doing work; with his feet is by going out of the specified 2,000 cubits. All these are a desecration of the Shabbat.

419. "Let no man go out of his place." This is the precious place of Holiness, because outside of it, there are other Elohim. "Blessed be the glory of Hashem." is the glory of above, NAMELY MALCHUT FROM THE CHEST AND ABOVE. "From his place," is the glory of below, NAMELY MALCHUT FROM THE CHEST AND BELOW. This is the secret of the crown of the Shabbat, WHICH IS CALLED 'PLACE'. Therefore, a person should not go out from his place, BECAUSE OUTSIDE OF IT ARE OTHER ELOHIM. Blessed is the portion of one who has merited the splendors of the Shabbat.

30. the Holy One, blessed be He, avenges the honor of the righteous
This section tells of cases where the Holy One, blessed be He did not punish someone who blasphemed against Him, but punished them when they oppressed the children of Yisrael, because the Holy One, blessed be He cares more for the honor of the Righteous than for His own honor. Rabbi Chiya says that when Moses said "They are almost ready to stone me," God told him to go before the people; he asked Moses if it was with their permission that Moses stood, or with the permission of Himself.

420. "And Hashem said to Moses, 'Pass before the people...'" (Shemot 17:5). Rabbi Chiya opened the discussion, saying: "The angel of Hashem encamps round about those who fear Him, and He delivers them" (Tehilim 34:8). Blessed are the Righteous, for the Holy One, blessed be He, cares about their honor more than His own. Come and behold: how many people in the world revile and blaspheme towards above, like Sanheriv who reviled and blasphemed, saying, "Which of all Elohim of the countries..." (II Melachim, 18:35). And the Holy One, blessed be He, forgave and did not order to punish him. As soon as he stretched out his hand against Chizkiyah, it is written "that the angel of Hashem went out and smote in the camp of Ashur (Assyria)..." (II Melachim 19:35).

421. Jerobaam, the son of Nevat, worshipped idols, sacrificed to them, and offered to them, yet the Holy One, blessed be He, did not order to punish him. But when Ido the prophet came and prophesied against Him, and Jerobaam stretched out his hand against him, it is written: "And his hand...dried up, so that he could not draw it back to him" (I Melachim 13:4).

417. כְּתִיב אֶל יֵצֵא אִישׁ מִמְּקוֹמוֹ בַּיּוֹם הַשְּׁבִיעִי. מִמְּקוֹמוֹ. תְּנִינָן, מֵהוּא מְקוֹם דְּאִתְחַזֵּי לְמַהֲרָ. וְרָזָא דְּמַלְא דְּכְתִיב, בְּרוּךְ כְּבוֹד יְיָ מִמְּקוֹמוֹ, וְדָא אִיהוּ מְקוֹם. וְדָא אִיהוּ רָזָא דְּכְתִיב, כִּי הַמְּקוֹם אֲשֶׁר אַתָּה עוֹמֵד עָלָיו אֲדַמַּת קִדְשׁ הוּא. אַתְר יִדְעָא קְרִינָן לֵיהּ מְקוֹם דְּאִשְׁתַּמּוּדְעָא יִקְרָא עֲלָאָה.

420. וַיֹּאמֶר יְיָ אֶל מֹשֶׁה עֲבוֹר עֲבוֹר לִפְנֵי הָעָם וְגו'. רַבִּי חִיָּיא פְּתַח, חוֹנָה מְלֶאךְ יְיָ סְבִיב לִירְאִיו וַיִּחְלַצֵם. זְכָאִין אִינוּן צְדִיקָאֵי, דְּקוּדְשָׁא בְּרִיךְ הוּא אֲתֵרְעֵי בִּיקְרִיהוֹן, וְתִיר עַל דִּילִיהּ. תָּא חֲזִי, כַּמָּה אִינוּן בְּנֵי עֲלָמָא, דְּמַחְרְפֵי וּמְגַדְפֵי לַעִילָא, כְּגוֹן סַנְחַרִיב חֲרַף וְגַדְף, וְאָמַר מִי בְּכָל אֱלֹהֵי הָאָרְצוֹת וְגו'. וְקוּדְשָׁא בְּרִיךְ הוּא מַחִיל, וְלֹא תִבַע מִנִּיהּ. כִּיּוֹן דְּאֹשִׁיט יְרִיהּ עַל חֲזִיקָה, מַה כְּתִיב וַיֵּצֵא מְלֶאךְ יְיָ וַיַּךְ בַּמַּחֲנֶה אֲשׁוּר וְגו'.

421. יִרְבַּעַם בֶּן נֶבַט הוּא פֶּלַח לַעֲזִי, וּמְקַטֵּר לָהּ, וּמַזְבֵּחַ לָהּ, וְקוּדְשָׁא בְּרִיךְ הוּא לֹא תִבַע מִנִּיהּ. וְכֹד אֲתָא עֲדוֹ נְבִיאָה, וְאִתְנַבֵּי עֲלֵיהּ, וְאֹשִׁיט יִרְבַּעַם יָדָא לְקַבְּלִיהּ, מַה כְּתִיב וְתִיבֵשׁ יָדוֹ וְגו', וְלֹא יָכַל לְהַשִּׁיבָה אֵלָיו.

422. Pharaoh reviled and blasphemed and said: "Who is Hashem" (Shemot 5:2). Yet the Holy One, blessed be He, did not punish him until he refused to send out Yisrael, as is written: "If as yet you do exalt yourself against My people" (Shemot 9:17). "FOR IF YOU REFUSE TO LET THEM GO, behold, the hand of Hashem is upon the cattle" (Ibid. 2-3). So the Holy One, blessed be He, always avenges the honor of the righteous more than His own.

423. Here Moses said: "They are almost ready to stone me" (Shemot 17:4). The Holy One, blessed be He, said to him: Now is not the time to avenge your honor, Moses. Rather, "pass before the people," and we shall see who will stretch out his hand against you. Is it with their permission that you stand or with my permission?!

31. The rock and the boulder

Rabbi Chiya talks about Moses' rod that was turned into a snake, and the verse, "The way of a snake upon a rock." He says that the rock is Malchut, and the rod is God. Rock always refers to Gvurah, so that when God wants to punish, Gvurah is aroused and punishes. The flow of water in "And you shall smite the rock, and there shall come water out of it" is the flow of Gvurah from the higher to the lower levels, drawn by the Holy Name of God engraved on the rod. Rabbi Aba says there is a supernal Rock and a lower rock that emerges from it. He tells us that wherever 'water' is written it refers to the light of Chesed; it is the sign and miracle of the Holy One, blessed be He that the rock, which is judgment, should inspire the flowing forth of Chassadim. Rabbi Shimon turns to the scripture, "He is the rock, His work is perfect," saying that the rock here is Abraham, who is Chesed. The sins of Yisrael weakened the rock from what it had been originally.

424. "And your rod, with which you smote the river, take in your hand, and go" (Ibid. 5). What is the reason? Because it was engraved with miracles? and the Supernal Holy Name was imprinted on it. At first, THE ROD WAS TURNED INTO a snake, WHICH IS THE SECRET OF YESOD OF ZEIR ANPIN OF SMALLNESS. As we have learned: "The way of a snake upon a rock" (Mishlei 30:19). The snake, it is known, arouses the rock, WHICH IS MALCHUT. In which area was THE HOLY ONE, BLESSED BE HE, revealed? Here He became revealed, as is written: "Behold, I will stand before you there upon the rock" (Shemot 17:6). And who is the rock? It is as written, "He is the rock, His work is perfect" (Devarim 32:4), WHICH IS MALCHUT. Moses realized there how the snake stood by the stone. And we have already explained these matters.

425. Rabbi Yehuda said: If the Torah had remained silent and had not said more, it would be good. But rather, it is written, "And you shall smite the rock, and there shall come water out of it" (Shemot 17:6). IS THIS THE CUSTOM OF THE HOLY NAME? He said to him: Certainly, it is so. For there is no single Name of all the Holy Names of the Holy One, blessed be He, that does not perform miracles and mighty acts, and does not bring forth whatever is necessary for the world, especially to bring forth water here.

422. פְּרַעַה חָרַף וְגִדַּף, וְאָמַר מִי יי' וְגו'. וְקוֹדֶשׁא בְּרִיךְ הוּא לֹא תָבַע מִנִּיה, עַד דְּסָרִיב בְּהוּ בְּיִשְׂרָאֵל, דְּכַתִּיב עוֹדֵךְ מִסְתּוֹלֵל בְּעַמִּי. הִנֵּה יַד יי' הוֹזִה בְּמִקְנֵךְ וְגו', וְכֵן בְּכָל אֶתְר, קוֹדֶשׁא בְּרִיךְ הוּא תָבַע עַלְבוֹנָא דְצַדִּיקָיָא וְתִיר עַל דִּילֵיה.

426. He said to him: If so, it is written, "He smote the rock, that the waters gushed out" (Tehilim 78:20). Who strikes in His name? He said: It is recognizable from the blows that the hammer is sharp, MEANING A SHARP PERSON KNOWS HOW TO ASK, and you ask this. But come and behold: "rock" always refers to Gvurah, MEANING MALCHUT WHEN SHE IS IN THE ASPECT OF GVURAH. And when the Holy One, blessed be He, WHICH IS ZEIR ANPIN, wants to strike or punish, this Gvurah is aroused and that Gvurah smites and punishes. And this is what is written: "Behold, (he) smote the rock, that the waters gushed out," WHICH MEANS THAT THE ROCK DID SMITE. And if the rock had not been aroused to smite in the necessary place, the water would not have flowed.

427. He said to him: If so, is it not written: "Of the Rock that begot you you are unmindful" (Devarim 32:18)? What is the meaning of "unmindful?" You weakened it, WHICH CAN NOT HAPPEN BY A NAME. He said to him: It is certainly so. For if the wicked had known that the rock was going to become aroused against them to punish them, they would have refrained from sinning against it. But it was weak in their sight, because they did not look at it, and it did not observe their ways TO PUNISH THEM IMMEDIATELY. And pertaining to this IT IS SAID: "Of the Rock that begot you you are unmindful."

428. Rabbi Aba said: There is a rock and there is a rock. From the side of the supernal rock emerges a different rock. And what is the supernal Rock? He is the Rock of every rock. And who is it? It is She who bore the children of Yisrael, ZEIR ANPIN. It is written: "Of the Rock that begot you you are unmindful," MEANING BINAH THAT GAVE BIRTH TO YISRAEL. Because from the side of the supernal Rock of above emerges another rock; from the side of Ima, WHICH IS BINAH, emerges Gvurah, WHICH IS MALCHUT.

429. And this proceeds as Rabbi Elazar said: It is written, "Who can utter the mighty acts of Hashem?" (Tehilim 106:2). What are the mighty acts of Hashem? It is to include the supreme Ima of all, WHICH IS BINAH, that even though she HERSELF is not of Judgment, yet from her side is Judgment prevalent, because from her side there is Gvurah, WHICH IS MALCHUT THAT IS SWEETENED IN BINAH. And therefore it is called 'the supernal Rock'. "And have forgotten El that formed you" (Devarim 32:18), is the light of Aba. What is it? It is supernal Chesed, which is the light of Aba.

430. Rabbi Aba also said: Wherever water IS WRITTEN, it is known TO ALLUDE TO THE LIGHT OF CHESED. And the Holy One, blessed be He, becomes aroused by this rock, WHICH IS JUDGMENT, to cause water to flow, WHICH IS CHESED, because it is not proper FOR IT EMERGE UNLESS IT IS FROM CHESED. And this is the sign and miracle of the Holy One, blessed be He, THAT THE ROCK, WHICH IS JUDGMENT, SHOULD INSPIRE THE FLOWING FORTH OF CHASSADIM. David praised this and said: "Who turned the rock into a pond of water..." (Tehilim 114:8). And the meaning of "turned" IS THAT HE TURNED IT FROM JUDGMENT TO CHESED, because it is not the customary way of rock TO POUR FORTH CHESED.

426. א"ל, אי הכי, הא כתיב, הן הכה צור ויזובו מים. מאן מחי לשמיה. א"ל, פטישא חריפא, בקטרוי ידיע, ואת שאיל דא. אלא תא חזוי, בכל אתר צור גבורה, וכד בעי קודשא בריך הוא למחאה, או לאלקאה, אתער גבורה דא וההוא גבורה מחי ולקי, ודא הוא דכתיב, הן הכה צור ויזובו מים. ואי לאו דאתער צור, ולקי באתר דאצטריך, לא נביעין מיא.

427. א"ל, אי הכי, הא כתיב, צור ילדך תשי. ותנינן מאי תשי, כלומר חלשת ליה. א"ל ודאי הכי הוא, דאלמלי ינדעון חויביא, דהאי צור זמינא לאתערא לקבליהו, ולא לקאה לון, ימנעון מלמיחב קמיה, אלא חלשא איהו בעינייהו, הואיל ולא מסתכלי בה, ולא מסתכלי בארחייהו, ועל דא צור ילדך תשי.

428. ר' אבא אמר, אית צור, ואית צור, מסטרא דצור עלאה, נפק צור אחרא. ומאי צור עלאה. צור דכל צורים. ומאי איהו, ההוא דאולידת לישראל, דכתיב צור ילדך תשי. דהא מסטרא דצור עלאה דלעילא, נפקא צור אחרא. מסטרא דאימא, נפקא גבורה.

429. ואזלא הא כהא דא"ר אלעזר, כתיב מי ימלא גבורות יי. מאי גבורות יי. לאכללא אימא עלאה דכלא, דאע"ג דלאו איהו דינא, מסטרהא אשתכח, דהא מסטרהא גבורה אשתכח, ובגיני כך צור עלאה אקרי. ותשכח אל מחוללך, דא נהירו דאבא. מאי ניהו. חסד עלאה, דאיהו נהירו דאבא.

430. תו אמר רבי אבא, מים בכל מקום, הא ידיעא, וקודשא בריך הוא בהאי צור אתער לארקא מיא, דהא לא אתחזי, ודא הוא את וניסא דקודשא בריך הוא. ועל דא שבח דוד ואמר, ההפכי הצור אגם מים וגו'. ומשמע ההפכי, דהא לאו ארחוי דצור בכך.

431. And regarding this, through the supernal Rock, WHICH IS BINAH, He brought forth water from a lower place, FROM MALCHUT. And what is the name of that lower place? Boulder, as is written: "And you shall bring forth to them water out of the rock (boulder)" (Bemidbar 20:8). And this boulder brought forth water as with the power of the supernal Rock, WHICH IS BINAH.

432. Rabbi Shimon said, "He is the Rock, His work is perfect." What is the meaning of, "He is the Rock, His work is perfect"? IT IS that the Rock was turned and changed to do the work of the perfect one. And who is he? Abraham, WHO IS CHESED, of whom it is written: "Walk before Me, and be perfect" (Bereshheet 17:1). This is the meaning of "who turned the rock into a pond of water..." - THAT IT CHANGED FROM EXECUTING JUDGMENT TO THE MINISTERING OF CHESED. This means that "His work is perfect," NAMELY CHESED. And this is Abraham, WHO IS CHESED.

433. At this time, the rock reverted to being perfect. At another time, when Moses wanted to draw water from this rock, due to the sins of Yisrael, it did not return to perfection, as before. At that moment Moses raged and said: "Of the Rock that begot you you are unmindful" (Devarim 32:18). Namely, you weakened it from what it was before. For because of you it is not perfect now, and Judgment was executed; what was not so when it begot you, meaning in the days of your youth.

32. "Is Hashem among us"

Rabbi Shimon explains that in the verse, "Is Hashem among us or not (Heb. ayin)?" the word 'not' refers to the most concealed Atik of all, which is called Ayin (naught). Yisrael were trying to discern between Ayin and Zeir Anpin. Because Yisrael tested God, making a separation between Atik and Zeir Anpin, they were punished. "Then came Amalek."

434. Rabbi Aba said: It is written, "Is Hashem among us, or not?" (Shemot 17:7). Was Yisrael fools, who did not know this? Did they not see the Shechinah before them, and the clouds of Glory that surrounded them, that they said, "Is Hashem among us, or not?" These are people who saw the shine of the majesty of their King by the sea. And we have learned that a maidservant saw at the sea what the prophet Ezekiel never saw. It seems that they turned to be fools to say, "Is Hashem among us or not (Heb. ayin)?"

435. HE ANSWERS: But this is what Rabbi Shimon said. They wanted to discern between the most concealed Atik of all, WHICH IS KETER, which is called 'Ayin ('naught')' and Zeir Anpin, which is called 'Yud Hei Vav Hei'. Therefore, it is not written, 'If Hashem is among us or no' as is written: "Whether they will follow My Torah, or no" (Shemot 16:4), but rather, "Is Hashem among us or not (Heb. ayin)?"

431. ועל דא, בצור עלאה, אפיק מיא מאתר דלתתא. ומה שמה דהוא דלתתא. סלע. דכתוב יהוצאת להם מים מן הסלע. ובמה אפיק האי סלע מיא. בחילא דצור דלעילא.

432. ר"ש אמר, הצור תמים פעלו מאי משמע הצור תמים פעלו. דאתהפך צור, למעבד פעלו דתמים. ומאי איהו. אברהם. דכתוב ביה התהלך לפני והיה תמים. ודא הוא ההפכי הצור אגם מים, ומשמע תמים פעלו, ודא אברהם.

433. בשעתא דא, אתהדר הצור, תמים. בשעתא אחרא תניינא, כד בעא משה לאפקא מיא בהאי צור, בחוביהו דישראל, לא אתהדר תמים, בקדמיתא. ביה זמנא, אתרעם משה ואמר, צור ילךך תשי. כלומר, חלשת ליה ממה דהוה בקדמיתא, דבגינך לא אשתבח תמים השתא, ואתעביד דינא, מה דלא הוה ביומי ילךך, כלומר עולימך.

434. א"ר אבא, מאי דכתוב היש יי בקרבנו אם אין. וכי טפשין הוו ישראל דלא ידעי מלה דא, והא חמו שכניתא קמיהו, וענני כבוד עליהו דסחרון לון, ואינון אמרו היש יי בקרבנו אם אין, גוברין דחמו זיו יקרא דמלכיהון על ימא, ותנינן, ראתה שפחה על הים מה שלא ראה יחזקאל, אינון אשתכחו טפשין, ואמרו היש יי בקרבנו אם אין.

435. אלא הכי קאמר ר"ש, בעו למנדע, בין עתיקא סתימאה דכל סתימין, דאקרי אין. ובין זעיר אפין דאקרי יי. ועל דא, לא כתיב היש יי בקרבנו אם לא, כמה דכתוב הילך בתורתך אם לא. אלא היש יי בקרבנו אם אין.

436. HE ASKS: If so, why were they punished? HE ANSWERS: Because they caused a separation BETWEEN ATIK AND ZEIR ANPIN, and they did it by testing, as is written: "Because they tempted (also: 'tested') Hashem." Said Yisrael: 'If the one is AMONG US we will ask in one form, and if that one, then we will ask in another form.' Therefore, immediately, "Then came Amalek" (Shemot 17:8).

436. אִי הָכִי אֲמַאי אֲתַעֲנֶשׁוּ. אֲלָא עַל דְּעִבִּירוּ פְּרוּדָא, וְעִבִּירוּ בְּנִסְיוֹנָא, דְּכִתִּיב וְעַל נְסוּתָם אֶת יי'. אֲמַרו יִשְׂרָאֵל, אִי הָאִי נִשְׁאֵל בְּגוּוֹנָא חַד. וְאִי הָאִי נִשְׁאֵל בְּגוּוֹנָא אַחְרָא. וְעַד מִיָּד וַיָּבֹא עַמְלֵק.

33. "Then came Amalek"

Rabbi Yosi opens with "Blessed are you that sow beside all waters, that let the feet of the ox and the ass range freely." He says that the Holy One, blessed be He has a tree, Zeir Anpin, that contains food for all. We are reminded that Yisrael is the trunk, and that the seventy branches are the ministers of the heathen nations. When Yisrael encamped beside the water, they dominated the waters that were under the branches of that tree. The ox and ass in the opening verse are from the left, and are brought into the discussion to emphasize that people must not give place to evil species, must remain separated from them. Rabbi Yehuda says that "Amalek was the first of the nations" because he did not fear Elohim. He is sentenced to everlasting perdition, and his name shall be utterly blotted out from the remembrance of man. Rabbi Aba now talks about "There is a sore evil which I have seen under the sun." Rabbi Shimon explains that "sore evil" is a lack of charity, wherein people cling to their money and even bear false witness in order to gain money. The Holy One, blessed be He had given Yisrael everything, yet they dealt with Him with false charges, and "Then came Amalek." The war of Amalek was a war above and a war below, ultimately a war against God. Amalek came to provoke Judgment over Mercy. During the war, when Moses held up his hands, he was fighting the battle above, while Joshua was fighting the battle below. From that time until the Redemption there will never be a greater battle. Joshua was worthy of fighting against Amalek because Moses saw that he came from the level of Metatron. Moses' hands were held up in faith, and it was this that gained them assistance from above. At the end, Moses built an altar called "Hashem is my banner"; Jacob built an altar and called it "El, the Elohim of the children of Yisrael."

437. "Then came Amalek, and fought with Yisrael in Refidim" (Shemot 17:8). Rabbi Yosi opened the discussion, saying: "Blessed are you that sow beside all waters, that let the feet of the ox and the ass range freely" (Yeshayah 32:20). "Blessed are you that sow beside all waters." There we learned that there are various types of waters, THAT THERE ARE MANY KINDS OF LIGHTS, MEANING SWEET WATERS OF HOLINESS, BITTER WATERS, AND PROUD WATERS. Happy is Yisrael who sow their seeds only beside the water, IN ORDER TO SUBDUE ALL KINDS OF WATER OF THE OTHER SIDE. As is written: "And they camped there by the water" (Shemot 15:27), MEANING over those waters that were under the branches of the tree of the Holy One, blessed be He, WHICH ARE THE TREACHEROUS WATERS, AS IS WRITTEN BEFORE US.

437. וַיָּבֹא עַמְלֵק וַיִּלָּחֶם עִם יִשְׂרָאֵל בְּרִמְדִּים. רַבִּי יוֹסִי פָתַח, אֲשֶׁרִיכֶם זֹרְעֵי עַל כָּל מַיִם מִשְׁלַחֵי רַגְלֵי הַשּׁוֹר וְהַחֲמוֹר. אֲשֶׁרִיכֶם זֹרְעֵי עַל כָּל מַיִם, תַּמָּן תִּגְיִנָּן, כַּמָּה מַיִם וְכַמָּה מַיִם מִשְׁתַּבְּחִין. זָכַאִין אֵינוֹן יִשְׂרָאֵל, דְּלִית זֹרְעָא לְהוּ, אֲלָא עַל הַמַּיִם, דְּכִתִּיב וַיַּחֲנוּ שָׁם עַל הַמַּיִם, אֵינוֹן דְּהוּוּ תַּחוּת עַנְפֵי אֵילָנָא דְּקוּדְשָׁא בְּרִיךְ הוּא.

438. For we have learned that the Holy One, blessed be He, WHO IS BINAH, has a tree. And this tree is big and strong, WHICH IS ZEIR ANPIN, and it contains food for all. And it is bordered with twelve borders, MEANING THREE COLUMNS TO EACH OF CHESED, GVURAH, TIFERET AND MALCHUT, WHICH ARE IN TOTAL TWELVE. And it is strengthened by the four corners of the world, THAT ARE CHESED, GVURAH, TIFERET AND MALCHUT. And seventy branches are attached to it, WHO ARE THE SEVENTY MINISTERS OF THE SEVENTY NATIONS. And Yisrael are located in the trunk of this tree, and the seventy branches are around them - AROUND YISRAEL, WHO ARE ATTACHED TO THE TRUNK OF THE TREE.

438. דְּתַנּוּא, אֵילָנָא אֵית לְקוּדְשָׁא בְּרִיךְ הוּא, וְהוּא אֵילָנָא רַבְרָבָא וְתַקִּיפָא, וּבִיה אֲשַׁתְּבַּח מְזוּנָא לְכֻלָּא. וְהוּא אֲתַחַם בְּתַרִּיסַר תַּחוּמִין, בְּמַתְקָלָא, וְאֲתַתְּקַף בְּאַרְבַּע רַחֲוֵי עֲלְמָא. וְעַ' עַנְפִּין אַחִידָן בֵּיה וַיִּשְׂרָאֵל מִשְׁתַּבְּחֵי בְּגוּפָא דְּהוּא אֵילָנָא. וְאֵינוֹן שְׁבַעִין עַנְפִּין סַחְרָנָא דְּלְהוּן.

439. This is what is meant by: "And they came to Elim, where were twelve springs of water, and seventy palm trees" (Shemot 15:27), and we have already explained and learned the meaning of this in many places. What is the meaning of, "and they encamped there by the water?" At that time, Yisrael dominated those waters that were under the branches of the tree that are called "the proud water" (Tehilim 124:5). And referring to this IS WRITTEN: "Blessed are you that sow beside all waters," NAMELY, IN ORDER TO SUBDUE ALL KINDS OF WATERS OF THE OTHER SIDE.

439. וְהֵינּוּ דְּכִתִּיב, וַיָּבֹאוּ אֵלֵימָה וְשֵׁם שְׁתֵּימַם עֶשְׂרֵה עֵינּוֹת מַיִם וְשִׁבְעִים תַּמְרִים, וְהָא אֹוקְמוּהָ, וְאֲתַמַּר בְּכַמָּה אַתְר. מַאי וַיַּחֲנוּ שָׁם עַל הַמַּיִם. אֲלָא בְּהוּא זְמַנָּא, שְׁלִיטוּ עַל אֵינוֹן מַיָּא, דְּאֵינוֹן תַּחוּת עַנְפִּין דְּאֵילָנָא, דְּאֶקְרוּן הַמַּיִם הַזֵּירוּנִים. וְעַד אֲשֶׁרִיכֶם זֹרְעֵי עַל כָּל מַיִם.

440. "That let the feet of the ox and the ass range freely." These are two crowns of the left that the heathen peoples joined to, which are called 'ox' and an 'ass'. This is as is written: "And I have oxen, and asses (lit. 'an ox and an ass')" (Bereshheet 32:6). Laban was an expert with sorcery and these lower crowns, and he wanted to destroy Jacob with THE OX AND THE ASS, as is written: "An Arammian wished to destroy my father" (Devarim 26:5). We have already learned that. When Yisrael is meritorious, they send them away so they can not dominate them. This is the meaning of: "That let (lit. 'send away') the feet of the ox and the ass range freely," so that they can not dominate them.

441. Rabbi Aba said: When this pair is coupled together, the world is not able to tolerate it. And referring to this is written: "You shall not plough with an ox and an ass together" (Devarim 22:10). The word "together" IS precise. And we learned that a person should not give place to evil species. Because by the actions of a person, things are aroused that should not be. And when they paired together it was not possible to withstand them. From their side emerges a certain Klipah, called 'dog'. It is more disrespectful than all of them. This is what is meant by: "But against any of the children of Yisrael not a dog shall move its tongue" (Shemot 11:7). The Holy One, blessed be He, said: 'You said, "Is Hashem among us, or not?" Behold, I am giving you over to the dog.' Immediately, "Then came Amalek."

442. Rabbi Yehuda said: "Amalek was the first of the nations, but his latter end shall be everlasting perdition" (Bemidbar 24:20). HE ASKS: Is Amalek really the first of the nations? Were there not many tongues, nations and peoples in the world before Amalek came?

443. HE ANSWERS: When Yisrael left Egypt, the fear and terror of Yisrael fell upon all the nations of the world. This is what is meant by: "The people shall hear, and be afraid: trembling shall take hold of the inhabitants of Pleshet" (Shemot 15:14). There was no nation that did not fear the superior might of the Holy One, blessed be He. But Amalek was not afraid, as is written: "And he feared not Elohim" (Devarim 25:18). He did not fear to approach You. Therefore, he is the first among the nations.

444. The first who came to wage war against Yisrael was Amalek. Therefore, "his latter end shall be everlasting perdition," for it is written: "I will utterly blot out the remembrance of Amalek" (Shemot 17:14), and: "You shall blot out the remembrance of Amalek" (Devarim 25:19). It is written: "His latter end shall be everlasting perdition" (Bemidbar 24:20). HE ASKS: Should it not have been written, 'His everlasting perdition'? AND HE ANSWERS: It means until the Holy One, blessed be He, comes and destroys him, as is written: "I will utterly blot out..." Rabbi Elazar said: Come and behold. Even though "He is the Rock, His work is perfect," and He did kindness with them to bring forth water for them, He did not forsake His own, for it is written: "Then came Amalek"

445. Rabbi Aba opened the discussion, saying, "There is a sore evil which I have seen under the sun" (Kohelet 5:12). There are many people who have clogged hearts, because they are not occupied with Torah. "There is a sore evil." HE ASKS: Is there then an evil which is sore and an evil that is not sore? AND HE ANSWERS: Certainly, there is a sore evil, for we learned that from the left side there emerge Accusers who split the air.

446. And when they want to go out, they go and are swallowed in the hole of the great depth. And afterwards they emerge, join together, split airs and traverse through the world. And they approach people, and each one is called 'evil' as is written: "No evil will befall you" (Tehilim 91:10), which means they came with false charges against people.

447. HE ASKS: "a sore EVIL" - why is it sore (lit. 'ill')? HE ANSWERS: When it dwells on people, it makes them misers with their money. When the collector of charity comes to him, it tries to prevent him from giving, and says to him: Do not take out ANYTHING of yours. When poor people come, it tries to prevent him. When he wants to eat of his money, it tries to prevent him in order to guard the money for another. And from the day that it dwells on the person, he is ill like one who is bedridden because of his illness and does not eat or drink. Therefore, it is an ill evil.

448. And king Solomon cried out in his wisdom and said: "A man to whom Elohim has given riches, wealth and honor..." (Kohelet 6:2). The beginning and end of this passage are seemingly incoherent, for it is written: "A man to whom Elohim has given riches..." IF SO, what is the meaning of, "Yet Elohim does not give him power to eat of it"? If so, then it is not in the possession of the person, AND SO ELOHIM HAS NOT GIVEN HIM ANYTHING.

449. HE ANSWERS: If it had been written, 'Yet Elohim does not permit him to eat of it', then I would say THAT HE GAVE HIM NOTHING. But it is written: "does not give him power," because he believed in that evil and joined with it. IF SO, HE HIMSELF CAUSED THIS. The Holy One, blessed be He, did not give it dominion, THAT THE PERSON should be born under ITS DOMINATION, but rather he HIMSELF wanted it and held on to it.

450. All his ways are like one who is bedridden because of his illness. He does not eat or drink, he does not go near his money or spend any of it. And he guards it until he passes from the world and someone else comes and takes it, for he is its true owner.

445. ר' אבא פתח ואמר, יש רעה חולה ראיתי תחת השמש. כמה בני נשא אטימין לפא, בגין דלא משתדלי באורייתא. יש רעה חולה, וכי יש רעה דהיא חולה, ויש רעה דלאו היא חולה. אלא ודאי יש רעה חולה, דתנינן, מסטרא דשמאלא, נפקי כמה גרדיני נימוסין, דבקען באורא.

447. חולה אמאי היא חולה. כד שריא האי על בני נשא, עביד לון קמצנין מממוניהון, אתיין גבאי צדקה גביה, היא מחאת בידיה. א"ל לא תיפוק מדירך. אתיין מסכני, היא מחאת בידיה. אתי הוא למיכל מממוניה, מחאת בידיה, בגין לנטרא ליה לאחרא. ומן יומא דשריא עליה דבר נש, היא חולה, כהאי שכיב מרע דלא אכיל ולא שתי. ועל דא היא רעה חולה.

448. ושלמה מלכא צוח בחכמתא ואמר, איש אשר יתן לו האלהים עשר ונכסים וכבוד וגו'. האי קרא, לאו רישיה סיפיה, ולאו סיפיה רישיה, כתיב איש אשר יתן לו האלהים עשר ונכסים וכבוד וגו', מאי ולא ושלטנו האלהים לאכול ממנו. אי הכי, לאו ברשותיה הוא דב"נ.

449. אלא, אי כתיב ולא יעזבנו האלהים לאכול ממנו, הוינא אמר הכי. אלא ולא ושלטנו, דבגין דהוא הימניה להיא רעה, ואחיד בה. קודשא בריך הוא לא שלטניה עליה, לאתבראה תחותיה, על דהוא אתרעי בה, ואחיד בה.

450. וכל ארחוי כשכיב מרע, דלא אכיל ולא שתי, ולא קריב לממוניה, ולא אפיק מיניה, ונטיר ליה עד דהוא יפוק מעלמא, וייתי אחרא, ויטול ליה, דהוא בעליו.

451. And King Solomon cried and said: "Riches kept for their owner to his hurt (lit. 'evil')" (Kohelet 5:12). Who is its owner? He is another one who inherited him. And why did the other merit to become the owner of those riches? It is because the first believed in this evil and desired it, and joined it. Therefore, the other who did not join this evil merited to become the owner of those riches. This is what is meant by, "to his evil," meaning because of his evil, which he joined, the other person profited.

452. Another explanation for, "There is an ill evil..." It is he who dwells in a good part of his father's house, but accuses his father with false charges. He cleaves unto this ill evil like a person who is bedridden because of his illness, and all of his ways are false, saying: This I want and this I do not want. And because of these riches, this person has cleaved unto ill evil and is punished in this world and in the World to Come. This is "riches kept for their owner to his evil."

453. It is the same with Yismael. The Holy One, blessed be He, took them upon the wings of eagles and surrounded them with clouds of glory. The Shechinah went before them, brought down for them the manna to eat, brought forth for them sweet water, yet they dealt with Him with false charges. Immediately, "Then came Amalek."

454. "Then came Amalek..." Rabbi Shimon said: There is a secret of wisdom here. Because of the decree of Severe Judgment, this war came. And it took place both above and below. And there is no word in the Torah that does not contain superior secrets of Wisdom that are connected with the Holy Name. His as if the Holy One, blessed be He, said: 'When Yisrael are righteous below, My power becomes strengthened over all. But when they are not righteous, the superior power of above is weakened and the power of Severe Judgment gains strength.

455. Come and behold: When Yisrael sinned below, it is written: "Then came Amalek, and fought with Yisrael" (Shemot 17:8). He came to provoke Judgment over Mercy, WHICH IS HIS WAY OF WAR ABOVE, because everything exists above and below. "...in refidim," MEANS with weakened hands (Heb. rifyon yadaim), as they weakened their hands from the Torah of the Holy One, blessed be He, as we established. Rabbi Yehuda said: Amalek waged war twice against Yisrael, one here, and one as is written: "Then the Amaleki came down, and the Canaanite..." (Bemidbar 14:45).

456. Rabbi Shimon said: Was THE WAR WITH AMALEK both above and below. Above was the provocation against the Holy One, blessed be He, as we learned. Below ALSO, it was all against the Holy One, blessed be He, for they took men and cut their foreskins of the holy sign, then took them and threw them upwards, and said: Take that which You desire. In any case, the entire WAR was against the Holy One, blessed be He.

457. "And Moses said to Joshua, 'Choose us out men, and go out, fight with Amalek'" (Shemot 17:9). HE ASKS: What did Moses foresee that he removed himself from this very first battle of the Holy One, blessed be He? HE ANSWERS: Blessed is Moses's portion, for he noticed and saw and realized the root of the matter. Moses said: 'I will prepare myself for this battle which is above and you, Joshua, prepare yourself for the war below.'

458. This is what is written: "And it came to pass, when Moses held up his hand, that Yisrael prevailed" (Shemot 17:11), MEANING Yisrael of above, ZEIR ANPIN. Therefore, Moses removed himself from the battle below, in order to expedite the battle above to be won through him.

459. Rabbi Shimon said: Is this war of Amalek insignificant in your eyes?! Come and behold: from the day the world was created until that time, and from that time until King Messiah will come, and even in the days of Gog and Magog (Armageddon), there will not be anything comparable. And not because they were so mighty and numerous, but rather because it was in all the aspects of the Holy One, blessed be He.

460. "And Moses said to Joshua..." HE ASKS: Why to Joshua and no one else? At that time he was only a youth, as is written: "Joshua, the son of Nun, a young man" (Shemot 33:11), and there were many among Yisrael who were stronger than he. AND HE ANSWERS: But Moses gazed with wisdom and knew. What did he see? He saw Samael descending on the side above to assist Amalek below. Moses said: 'There seems to be a difficult war here.'

461. Joshua at that time was situated in a very high level. If you think he was situated in the Shechinah at that particular time, it is not so, because She was taken and joined to Moses. So Joshua was joined below THE SHECHINAH. And where? Rabbi Shimon said: In that place that is called 'youth', WHICH IS METATRON.

462. This is what Rabbi Yehuda said of the verse: "Your eyes shall see Jerusalem a quiet habitation, a tent that shall not be taken down; its pegs shall never be removed for ever" (Yeshayah 33:20).

"Jerusalem" refers to the upper Jerusalem that is called "a tent that shall not be taken down," MEANING that IT will no longer have to go into exile. And this is the secret of "Joshua, the son of Nun, a young man." "A young man" indeed, BECAUSE HE CLEAVED UNTO THE SUPERNAL LAD, METATRON. "Did not depart out of the tent" (Shemot 33:11), MEANING from the one which is called "a tent that shall not be taken down," WHICH IS THE SHECHINAH. This teaches us that each and every day, he was nurtured by the Shechinah. Just as the supernal Youth "did not depart out of the tent," and nurtured from Her constantly, so did that youth below, WHO WAS JOSHUA, who "did not depart out of the tent," and nurtured from it constantly.

463. Therefore, when Moses saw Samael descending to assist Amalek, he said: Certainly, this youth will stand up against him and will dominate over him to overcome him. Immediately, "And Moses said to Joshua, 'Choose us out men, and go out, fight with Amalek'" This battle below is yours, and I will hasten for the battle above. "Choose us out men," NAMELY righteous men, the sons of righteous men, that are worthy to go with you.

464. Rabbi Shimon said: At the moment that Joshua, the youth, went out, the youth of above, METATRON, stirred and made many preparations with many weapons that his Mother, WHO IS THE SHECHINAH, prepared for him, for this war to avenge the vengeance of the Covenant. This is what is meant by: "A sword...that shall avenge the Covenant" (Vayikra 26:25). And this is the secret of what is meant by: "And Joshua harried Amalek and his people with the edge of the sword" (Shemot 17:13). Assuredly, "with the edge of the sword," and not with spears and weapons, but by the sword specifically, the one called "a sword...that shall avenge the Covenant."

465. Moses prepared himself for the war above. "But the hands of Moses were heavy" (Shemot 17:12), actually heavy, holy and glorified, never impure. Glorified, as they were worthy to do through them a battle that is above. "And they took a stone, and put it under him, and he sat on it" (Ibid.), THAT IS because Yisrael was in sorrow and he wanted to be together with them in their pain.

462. וְהֵינּוּ דַא"ר יְהוּדָה, מֵאֵי דְכִתְיִב עֵינֶיךָ תִּרְאִינָה יְרוּשָׁלַם נוֹה שְׂאֲנָן אֵהֶל בַּל יִצְעָן בַּל יִסַּע יִתְדוֹתָיו לְנִצָּח. יְרוּשָׁלַם: יְרוּשָׁלַם דְּלַעֲיִלָא, דְּאֶקְרִי אֵהֶל בַּל יִצְעָן, דְּלֹא יִשְׁתַּבַּח יִתִּיר לְמַהֲךְ בְּגִלּוֹתָא, וְדַא הוּא רְזָא דְכִתְיִב, וְיְהוֹשֻׁעַ בֶּן נוּן נַעַר. נַעַר וְדַאי. לֹא יִמִּישׁ מִתּוֹךְ הָאֵהֶל, הֵהוּא דְאֶקְרִי אֵהֶל בַּל יִצְעָן. מְלַמֵּד דְּבִכָּל יוֹמָא וְיוֹמָא, הוּוּהּ יְנִיק מִשְׁכִּינְתָא, כַּמָּה דְּהֵהוּא נַעַר דְּלַעֲיִלָא, לֹא יִמִּישׁ מִתּוֹךְ הָאֵהֶל, וְיְנִיק מִנֵּיהּ תְּדִירָא. כִּךְ הָאֵי נַעַר דְּלִתְתָא לֹא יִמִּישׁ מִתּוֹךְ הָאֵהֶל, וְיְנִיק מִנֵּיהּ תְּדִירָא.

466. "And Aaron and Chur supported his hands, the one on the one side, and the other on the other side; and his hands were heavy (lit. 'faith')" (Ibid.). HE ASKS: What is the meaning of "supported his hands" ('faith')? Is it that because Aaron and Chur supported his hands, his hands were 'faith'? HE ANSWERS: Whatever Moses did, he did with wisdom. Aaron and Chur, the one was from his own side, WHICH IS THE RIGHT, and the other from his side, WHICH IS THE LEFT. And the hands of Moses were in the center, IN THE CENTRAL COLUMN. Therefore, "And his hands were Faith"; faithful were Aaron, in order to arouse from his side, WHICH IS THE RIGHT, and Chur, in order to arouse from his side, WHICH IS THE LEFT. And they held his hands from here and here, in order that assistance would be available from above.

467. "And it came to pass, when Moses held up his hand, Yisrael prevailed." "When Moses held up," MEANS that he raised the right over the left. And he was intent UPON THIS when he raised his hands. Then "Yisrael prevailed," Yisrael of above, WHICH IS ZEIR ANPIN. "And when he let down his hand, Amalek prevailed," MEANING when Yisrael below ceased to pray, the hands of Moses could not stand up and remain straight, and Amalek prevailed. From here we learn that even though the priest spreads his hands during the offering in order to perfect himself in everything, Yisrael must be present with him during his prayers.

468. We have learned that in this war of Amalek were present both those of above, and those of below. Therefore, "And his hands were (lit. 'was') Faith," meaning proper Faith. HE ASKS: "And his hands was Faith." It should have said 'were'. HE ANSWERS: This is because everything depends upon the right hand. Therefore "was" is written, and "his hands," is written TO TEACH that the right is the most important of all. It is written: "Your right hand, Hashem, is glorious in power: Your right hand, Hashem, has dashed the enemy in pieces" (Shemot 15:6).

469. "And Hashem said to Moses, 'Write this for a memorial in a book...'" (Shemot 17:14). Come and behold: It is written above, "And Joshua harried Amalek and his people with the edge of the sword" HE ASKS: "harried (Heb. yachalosh)" should have been written, 'slew'. HE ANSWERS: But "yachalosh" is as we learned, "that did rule (Heb. cholesh) over the nations" (Yeshayah 14:12). Joshua ruled over them and, "a sword...that shall avenge the Covenant" slew them, as written, "by the edge of the sword," as we learned.

470. "Write this (Heb. zot) for a memorial." Zot is precise, WHICH IS A NAME OF MALCHUT; "and rehearse it in the ears of Joshua," because he is destined to slay other kings, NAMELY 31 KINGS. "That I will utterly blot out (lit. 'I will blot a blotting')." "Blotting" refers to above; "I will blot" refers to below. "The memory," means the memory above and the memory below.

471. Rabbi Yitzchak said: It is written, "I will utterly blot out" WHICH INDICATES THAT THE HOLY ONE, BLESSED BE HE, WILL BLOT OUT, and: "You shall blot out the remembrance of Amalek" (Devarim 25:19), WHICH INDICATES THAT WE ARE OBLIGATED TO ERASE REMEMBRANCE OF HIM. HE ANSWERS: But the Holy One, blessed be He, said: You will blot out the memory OF AMALEK of below, and I shall blot out the memory OF AMALEK of above.

472. Rabbi Yosi said: Other allied nations accompanied Amalek. They were all afraid to approach Yisrael, except it (Amalek). Therefore, Joshua ruled over them. Rabbi Yisa said: "And Joshua harried," for he broke their power from above.

473. "And Moses built an altar, and called the name of it, Hashem is my Banner" (Shemot 17:15). "And Moses built an altar," corresponding to the supernal altar. "And called the name of it," OF THAT PARTICULAR ALTAR OF ABOVE; "Hashem is my banner," because it avenged the holy sign of Yisrael. And since that time, it was commonly called "a sword...that shall avenge the Covenant." AND MOSES CALLED IT: "HASHEM IS MY BANNER."

474. Rabbi Yosi said: "And Moses built an altar," NAMELY an altar to atone for YISRAEL. "And called the name of it." The name of what? Rabbi Chiya said: The name of that altar. "Hashem is my banner (Heb. nisi)," as is written: "And there he tested them (Heb. nisahu)," WHICH REFERS TO ELEVATION. It all pertains to the same issue, for Yisrael was elevated because he was uncovered, and the sign of that Covenant was revealed by them the holy sign. FROM HERE WE LEARNED that once a person's son is circumcised and the sign of the Holy Covenant is revealed by him, then that son is called 'an altar to atone upon it'. And what is its name? "Hashem is my banner."

475. Similar to this, Jacob built an altar, as is written: "And he erected there an altar, and called it El, Elohim of Yisrael" (Beresheet 33:20). Whom did he call? That place which is called 'altar', NAMELY MALCHUT. And what is its name? "El Elohim of Yisrael."

34. "And they saw the Elohim of Yisrael"

This section proscribes looking at the rainbow above, the Shechinah, and the rainbow below, the sign of the Covenant that is imprinted on a person. Rabbi Chiya talks about the sapphire stone in "And there was under his feet a kind of paved work of sapphire stone," saying that it means the transparent light of the sapphire, the engravings of above that flash and illuminate. The borders in the great tree illuminate the Shechinah when she joins with Zeir Anpin; all these lights and paths illuminate upon the light of the Shechinah.

476. Rabbi Yosi said: What is the meaning of the verse, "And they saw the Elohim of Yisrael..." (Shemot 24:10). HE ASKS: Who can possibly see the Holy One, blessed be He? Is it not written: "For no man shall see me, and live" (Shemot 33:20), yet here it says "and they saw" HE ANSWERS: Rather, the rainbow was revealed to them in illuminating colors, WHICH IS THE SHECHINAH THAT RECEIVES FROM THE THREE COLORS - WHITE, RED AND YELLOW. And so have we learned that whoever gazes upon the rainbow is as though he gazes upon the Shechinah. And it is prohibited to gaze upon the Shechinah.

477. Therefore, it is prohibited for a person to gaze upon the fingers of the priests when they stretch out their hands. It is prohibited to gaze upon the rainbow. HE ASKS: What rainbow? Rabbi Aba said: Any rainbow. He said to him: What is any rainbow? He said to him: BOTH the rainbow above AND ALSO the rainbow below.

478. HE EXPLAINS HIS WORDS: Upon the rainbow above, THAT IT IS PROHIBITED TO GAZE UPON, MEANS upon its colors, WHITE, RED AND GREEN, WHICH ARE THE SECRET OF THE THREE COLUMNS THAT ILLUMINATE IN THE SHECHINAH. For anyone who gazes UPON ITS COLORS is as though he gazes upon a high, supernal place. It is prohibited to gaze at it since this is a disgraceful manner towards the Shechinah. What is the rainbow of below? It is that sign of that Covenant that is imprinted in the person, for anyone who gazes upon it conducts himself disgracefully against the above.

479. Rabbi Yitzchak said: Yet, does it not say, "Put, I pray you, your hand under my thigh" (Bereshheet 24:2), that he made him swear by this sign? He said to him: Leave alone the fathers of the world, for they are not like the other people of the world. Moreover it is written, "Put, I pray you, your hand under my thigh," but not, 'Look under my thigh.' Therefore, it is prohibited to gaze upon the rainbow in general, as we learned.

480. We learned, "And they saw the Elohim of Yisrael" (Shemot 24:10), as the rainbow was revealed to them in beautiful colors, illuminating, flashing on all sides, WHICH IS THE SHECHINAH. This is understood from the words, "the Elohim of Yisrael," instead of, 'And they saw Elohim of Yisrael,' AS THE SHECHINAH IS CALLED "ET ('THE')." Rabbi Yosi said: THIS IS the light of the luminary of the Shechinah. Who is it? It is the one called 'youth', MEANING METATRON, who serves the Shechinah in the Temple. Therefore, "Et ('the')" is precise BECAUSE IT IS THE NAME OF THE SHECHINAH THAT INCLUDES METATRON, HER SERVANT.

481. "And there was under his feet a kind of paved work of sapphire stone" (Ibid.). A stone was marked there under His place, one of the stones that were used to build in Egypt. For we have learned that there was one woman who gave birth in Egypt. And the officers of Pharaoh came TO CAST HIM INTO THE RIVER, and she put him into THE PLACE OF a stone OF THE BUILDING. And the palm of a hand came and grasped it, and it was marked under the feet of the Shechinah. And it remained in his presence until the terrestrial Temple was burned down, as it is written, "And remembered not his footstool" (Eichah 2:1), THAT WAS THAT SAPPHIRE STONE.

482. Rabbi Chiya said: The sapphire stone MEANS the transparent light of the sapphire, the keys of the spiced wine, the superb engravings of above that flash to 72 directions. This is what is meant by: "And lay your foundations with sapphires" (Yeshayah 54:11). "The very heaven" (Shemot 24:10). What is "the very heaven"? Rabbi Aba said: "the very heaven," WHICH IS ZEIR ANPIN, is engraved with 72 branches blossoming to every direction, MEANING THE NAME OF AYIN-BET (72), THAT ILLUMINATES BOTH IN CHOCHMAH AND CHASSADIM. Here also, the appearance of that very heaven was exactly like the appearance of heaven itself, WHICH IS ZEIR ANPIN. Rabbi Yehuda said: It is all imprinted with that light of the vision that is engraved from the aspect of the Shechinah.

483. Rabbi Chizkiyah said: Behold, there are sixty that surround the Shechinah, as is written: "sixty valiant men are round about it" (Shir Hashirim 3:7). He said to him: It is certainly so. But these sixty illuminate from the twelve boundaries THAT ARE IN ZEIR ANPIN, and were never removed from around THE SHECHINAH. For we have learned the twelve superbly engraved borders ascended balanced equally, in the great and strong tree. THEY ARE THE SECRET OF THE THREE COLUMNS THAT ILLUMINATE IN THE FOUR DIRECTIONS CHESED, GVURAH, TIFERET AND MALCHUT, WHICH ADD UP TO TWELVE. And they illuminate the Queen, WHO IS THE SHECHINAH, when She joins with the King, WHO IS ZEIR ANPIN. "The very heaven" indeed, FOR SHE RECEIVES ALL THAT IS IN HEAVEN, WHICH IS ZEIR ANPIN. And all these lights and paths illuminate with the light of the Shechinah.

484. We have learned, the light of these sixty VALIANT MEN that surround THE SHECHINAH are imprinted in that particular youth, METATRON. We called them 'sixty lashes of fire' with which he was clothed from the aspect of the Shechinah, and they were blazing with Judgment. This is the meaning of: "sixty valiant men are round about it."

35. "And Moses erected an altar"

Rabbi Yehuda concludes Beshalach by saying that there is no generation that does not contain the evil seed of Amalek. The Holy One, blessed be He wages war against them, and "The sinners (sins) will be consumed out of the earth," meaning in this world and in the World to Come. About that same time it is written: "Bless you Hashem, O my soul. Haleluyah."

485. We have learned: "And Moses erected an altar" (Shemot 17:15), as we have explained. "And he called the name of it, Hashem is my banner" (Or: miracle) AS THE MIRACLE IS ASCRIBED TO HASHEM, "Hashem is my banner" indeed, Why? Because Amalek took all those who were circumcised but not uncovered and cut them and threw them up, and said: 'Take what You wanted.' At that moment, it is written: "For he said, 'Because Yah has sworn by His throne that Hashem will have war with Amalek from generation (Heb. midor) to generation (Heb. dor)'" (Ibid. 16). The words 'midor' and 'dor' are spelt without THE VAV TO TEACH US THAT THOSE GENERATIONS IN WHICH THERE WERE BATTLES AGAINST AMALEK lacked inhabitants above, FOR THE NAME WAS NOT COMPLETE, NOR WAS THE THRONE COMPLETE, and THEY WERE LACKING inhabitants below, FOR THERE IS NO COMPLETENESS FOR THE LOWER BEINGS.

486. Rabbi Yehuda said: In every single generation and in all the subsequent generations to come into the world, there is no generation that does not contain that evil seed OF AMALEK. The Holy One, blessed be He, wages war against them. About them, it is written: "The sinners (sins) will be consumed out of the earth..." (Tehilim 104:35). "Out of the earth," MEANING in this world and in the World to Come. About that same time is written: "Bless you Hashem, O my soul. Haleluyah" (Ibid.).

1. "When Jethro...heard"

Rabbi Chizkiyah begins a discussion to do with raising up the hands. It is important to raise them only in prayer and blessing, as the ten fingers correspond to the ten potentates who receive blessings, and to the ten sayings. The lesson turns to the King and priest above, and the King and priest below, and we learn that there is a King and a priest of the Other Side as well. The number ten is additionally significant, as God struck the Pharaoh with ten plagues. About Jethro, we now learn that he gave advice to Moses on the administration of justice following the laws of God, and Moses listened to him. Though the people had seen the miracles done by Moses, they gave up their idol worship and believed in Moses' God only after Jethro, who was a powerful priest of Midian, acknowledged the greatness of Hashem. We read of the three advisors to the Pharaoh: Jethro, Job and Bilaam. Bilaam was a sorcerer, but Job had fear, and we are told of the great power of fear to draw down the spirit from above, whether it be Holy or from the Other side. While Job converted to worship of the Holy One due to the fear generated by his witnessing of the miracles, Jethro did not convert until after the drowning in the Red Sea. However, Bilaam neither repented nor converted; we are told that even in the Other Side there is a small streak of light that comes from the Holy side, and Bilaam knew how to use this. In the same way, Moses saw a fine streak of darkness from the Other Side. So we learn that all things connect to one another, the pure and the impure.

1. "When Jethro, the priest of Midian, Moses's father-in-law, heard of all that Hashem had done for Moses..." (Shemot 18:1). Rabbi Chizkiyah opened the discussion, saying: "And Aaron lifted up his hands" (Vayikra 9:22). "His hands" is spelled without Yud, thus meaning one hand only. And this is the reason: one should lift up his right hand above his left hand. And we have already explained this secret.

2. I found this in the book of King Solomon: anyone who desires to raise his hands upwards, without any prayer or request in them, will be cursed by ten potentates. These are "ten rulers who are in a city" (Kohelet 7:19). These ten potentates are designated for those who spread their hands upwards, to receive this prayer or that blessing and to bestow upon them powers through which the Holy Name is exalted and blessed from below. When the Name is blessed from below, through the spreading of the hands upwards, it then receives blessings from above. Thus, it is exalted from all sides.

3. These ten appointed potentates are there to receive the blessings from above and propel them below, to bless those who are deserving of these blessings. As it is written: "And I will bless them" (Bemidbar 6:27).

4. Consequently, man must be careful that, at the time when he raises his hands upwards, they are raised in prayer, in blessing, or in entreaty. And he must not raise his hands idly, since those ten potentates are ready and are roused towards the spreading of the hands, and if it is in vain, these ten will curse it with two hundred and forty-eight curses. This is what is written: "For he loved cursing, and it came to him" (Tehilim 109:17).

5. And thus, an impure spirit rests on these hands for its way is to rest in empty places. But blessings do not rest in empty places. Therefore, it is written: "I have raised my hand to Hashem, the most high El" (Beresheet 14:22), which is translated into Aramaic as 'with prayer'.

1. וַיִּשְׁמַע יִתְרוֹ כֹּהֵן מִדְיָן חֵתָן מֹשֶׁה אֶת כָּל אֲשֶׁר עָשָׂה וְגו'. רַבִּי חִזְקִיָּה פָתַח וְאָמַר, וַיִּשָּׂא אֶהָרָן אֶת יָדָיו. כְּתִיב יָדוֹ חָד, בְּגִין דְּבַעֵי לְאַרְמָא יְמִינָא עַל שְׂמָאלָא, וְהָא אֻקְיָמָנָא רְזָא.

6. This lifting of the hands has supreme secrets. At the time that one spreads out his hands and lifts them upwards, man glorifies the Holy One, blessed be He, with many supernal secrets, and is worthy of uniting the ten sayings in order to unify the whole and bless the Holy Name properly. He also unites the inner Chariots OF ATZILUT and the outer Chariots OUTSIDE ATZILUT so that the Holy Name may be blessed from all sides, and all becomes one above and below.

7. He opened the discussion, saying: "and none shall appear before Me empty" (Shemot 23:15). This is the secret of the raising of the fingers. For when man spreads his fingers upwards, he should not do so in vain, but only with prayer, supplications and blessings. This is the secret of: "and none shall appear before Me (lit. 'My face') empty." It does not say, 'and none shall appear before Me', but rather (lit.) "My face," which refers to the secret of the raising of the fingers - that it should not be done without an intention, as we said.

8. The ten rulers of which we spoke are the lower ten sayings, according to the secret of the inscribed letters correlating to those above; and at first, they have control of the raising of the fingers. And through this, the whole side of Holiness is united above; thus, the Other Side yields all and acknowledges the Holy King.

9. Come and behold: in the secret doctrine of Holiness, there is a king and a priest who serves under him, both above and below. The King above is the secret of Holy of Holies, NAMELY BINAH. He is the King above; and under him there is a priest, the secret of primeval light who ministers before him, WHICH IS THE SFIRAH OF CHESED. He is the priest who is called 'great', at the right side.

10. There is a king below, NAMELY MALCHUT, in the likeness of the King above, and he is the king over all that is below, NAMELY THE WORLDS OF BRIYAH, YETZIRAH AND ASIYAH. And under him there is a priest who ministers to him, whom we signify as Michael, the High Priest at his right hand, NAMELY CHESED. This is the true secret of Faith, the side of Holiness.

11. On the Other Side, meaning the side which is not Holy, there is a secret, which is a king, and we have established that he is called "an old and foolish king" (Kohelet 4:13). THIS IS THE EVIL INCLINATION. And under him there is the priest of On, as it is written in the verse: "And Efraim said: 'Yet I am become rich, I have found wealth (Heb. ON) for myself'" (Hoshea 12:9). THIS IS THE PRIEST OF THE OTHER SIDE, because this power, On, ruled over an act of idolatry committed by Jerobaam. And if there had not been such power, he would not have been able to succeed in his act.

12. The essence of this matter is as follows. When this king and this priest OF THE OTHER SIDE yield, and their power is broken, then all the other sides yield and acknowledge the sovereignty of the Holy One, blessed be He. Then the Holy One, blessed be He, alone rules both above and below, as it is written: "And Hashem alone shall be exalted on that day" (Yeshayah 2:11).

13. The Holy One, blessed be He, acted in a similar manner and with this exact secret here on earth in breaking the old and foolish king, namely Pharaoh. In the hour that Moses came to Pharaoh and said to him: "the Elohim of the Hebrews had met with us" (Shemot 5:3), he replied: "I know not Hashem" (Ibid. 2). The Holy One, blessed be He, desired that His name be glorified on earth as it is glorified above AND HE STRUCK HIM WITH TEN PLAGUES. After He struck him and his nation, Pharaoh came and acknowledged the Holy One, blessed be He.

14. Afterwards, He broke and humbled the priest of On, Jethro, that served under him, until he came and acknowledged the Holy One, blessed be He, saying "Blessed be Hashem, who has delivered you... Now I know that Hashem is great" (Shemot 18:10-11). And this is the priest of On, from the Other Side, which is the left side. And this is the secret Rachel communicated when she saw death. She said: "Ben-Oni (lit. 'son of my sorrow')" (Bereshheet 35:18), and because of this Jacob hastened to say, "Benjamin (lit. 'son of the right')" the right side and not the left side.

15. When the king and that priest acknowledged the Holy One, blessed be He, and were humbled before Him, the Holy One, blessed be He, was then above everyone in glory, above and below. And before the Holy One, blessed be He, rose in glory before these acknowledged, the Torah was not yet given. It was only after Jethro came and acknowledged Him by saying, "I now know that Hashem is supreme over all other Elohim." "Blessed be Hashem, who has delivered you." Then the Holy One, blessed be He, rose in glory above and below. And only afterwards was the Torah given in full, expressing His sovereignty over all.

16. Rabbi Elazar opened the discussion with the following verse: "Let the peoples praise You, Elohim, let all the peoples give thanks to You" (Tehilim 67:3). Come and behold: King David rose and praised and thanked the Holy King. He was studying the Torah at that moment when the north wind rose and struck the strings of his harp, and the harp made music. HE ASKS: Now what was the song of the harp?

12. רָזָא דְמַלְכָּה, בְּשַׁעֲתָא דְהָאִי מַלְךְ וְהָאִי כְהֵן אֲתַכְמִיין, וְאֲתַבְרוּ, כְּדִין כָּל סְטְרִין אַחֲרָנִין אֲתַכְמִיין, וְאוּדִין לִיה לְקוּדְשָׁא בְרִיךְ הוּא, כְּדִין קוּדְשָׁא בְרִיךְ הוּא שְׁלִיט בְּלַחֲדוּי עֵילָא וְתַתָּא, כְּד"א, וְנִשְׁגַּב יְיָ לְבֵרוּ בַיּוֹם הַהוּא.

17. AND HE RESPONDS: Come and behold. In the hour that the Holy One, blessed be He, is roused towards the Chariots to give them nourishment, as it is written: "She rises while it is night and gives food to her household and a portion to her maidens" (Mishlei 31:15), then everyone opens joyfully: "Elohim be gracious to us and bless us; and cause His face to shine upon us Selah" (Tehilim 67:2). And when the north wind is awakened and descends upon the world, it blows, saying: "that Your way may be known upon earth, Your salvation among all nations" (Ibid. 3). And the harp, at the hour that it is played by that wind, opens and says, "let all the peoples give thanks to you." When he was awakened and roused by the Holy Spirit, David said: "The earth has yielded her increase; and Elohim, even our Elohim shall bless us. Elohim shall bless us; and let all the ends of the earth fear Him" (Ibid. 8), so as to draw down the goodness of the Holy One, blessed be He, from above downwards. Later, David, roused by the Holy Spirit, arranged all the songs into one, AS IT IS WRITTEN, "ELOHIM WILL BLESS US..." He observed this scriptural verse of the harp, "LET ALL THE PEOPLES GIVE THANKS TO YOU" (IBID. 5), for the glorification of the Holy One, blessed be He, is above and below, NAMELY "AND LET ALL THE ENDS OF THE EARTH FEAR HIM."

18. The hour when the other nations yielded came, and they acknowledged the Holy One, blessed be He. Once they yielded and acknowledged Him, the glory of the Holy One, blessed be He, became complete above and below. In the hour that Moses came to Pharaoh and said to him, "the Elohim of the Hebrews had met with us," Pharaoh replied, "I know not Hashem..."

19. When the Holy One, blessed be He, desired that His name be glorified on earth as it is above, after He struck him and his nation, he came and acknowledged the Holy One, blessed be He, as it is written: "Hashem is righteous" (Shemot 9:27). The instant he, who was the most important king in the world, acknowledged Him, all the other kings acknowledged, as it is written: "then the chiefs of Edom shall be amazed" (Shemot 15:15).

20. Jethro came, the great and supreme priest, appointed ruler over the whole pagan world, and acknowledged the Holy One, blessed be He, saying: "I now know that Hashem is supreme over all Elohim." Then the Holy One, blessed be He, was exalted in His glory from above and below, and afterwards He gave the Torah in the completeness of His dominion.

21. Rabbi Shimon said to his son, Rabbi Elazar: Regarding this it is written, "Let all peoples praise You, O Elohim; let all the peoples give thanks to You." Then Rabbi Elazar came and kissed the hand of his father. Rabbi Aba wept and said: "As a father pities his children" (Tehilim 103:13). Who will have pity on Rabbi Elazar and bring his words to completion, except by the love of my master? How happy can we consider ourselves that we were privileged to hear these words so that we shall not be ashamed through them in the World to Come!

22. Rabbi Aba said: It was not written that Jethro was a priest of On, but rather of Midian. He said to him: It is all one. At first the father-in-law of Joseph was called a priest of On; afterwards, the father-in-law of Moses was called a priest of Midian. For all are of the same secret. THE PRIEST OF MIDIAN IS SIMILAR TO THE PRIEST OF ON. For these two, Moses and Joseph, are at the same grade of secret, the secret of the letter Vav THAT IS FULLY SPELLED WITH two Vavs together; THE FIRST VAV REFERS TO MOSES, TIFERET; THE SECOND VAV IS JOSEPH, YESOD. And what is said of the priest of Midian is the secret of a contentious (Heb. Midianim) woman.

23. Rabbi Aba raised his hands to his head and cried, saying: The light of the Torah now reaches the highest throne in heaven. When the master passes away from earth, who will light the lamp of the Torah? Woe to the world which will be orphaned from you. However, the words of the master will shine in the world until there comes the King Messiah, and then it is written: "the earth shall be full of the knowledge of Hashem" (Yeshayah 11:9).

24. "When Jethro..." Rabbi Chiya said: We should look further into this verse. In the first instance it is written: "Everything that Elohim did for Moses" (Shemot 18:1). Later it is written: "and that Hashem has brought Yisrael out" (Ibid.). HE ANSWERS: This is the secret. "Everything that Elohim did," WHICH IS MALCHUT, is the Name that protected Moses and Yisrael, and did not move from them in exile. Later it was the Supreme Name which brought them out of Egypt, for the Name that brought them forth FROM EGYPT is the principle of Jubilee, WHICH IS BINAH.

25. Another interpretation. "Everything that Elohim did for Moses," refers to when he was thrown into the river and was saved from the sword of Pharaoh. And "for Yisrael, His people," is as it is written: "And Elohim heard their groaning" (Shemot 2:24), and: "But the more they afflicted them, the more they multiplied and grew" (Shemot 1:12).

21. אר"ש לר' אלעזר בריה, ע"ד כתיב, יודוך עמים אלהים יודוך עמים כולם. אתא ר' אלעזר ונשיק ידיו. בכה ר' אבא ואמר, ברחם אב על בנים. מאן ירחם על ר' אלעזר, ולא שלמא מלוי, בר רחמו דמר, זכאה חולקנא, דזכינא למשמע מלין אלין קמיה, דלא נכסוף בהו לעלמא דאתי.

22. אמר רבי אבא, הא בהן און לא כתיב ביתרו, בהן מדין כתיב. א"ל, כלל איהו חד. בקדמיתא חמוי דיוסף, בהן און אקרי. ולבתר חמוי דמשה, בהן מדין. וכלל רזא חדא, דהא אלין תרין משה ויוסף. בדרגא דרזא חדא קיימין, ברזא דאת ו'ו, תרין ווין פחדא. ומה דאתמר בהן מדין, רזא דא אשת מדינים.

23. ארים ידיו על רישיה ר' אבא ובכה, אמר, נהירו דאורייתא סלקא השתא עד רום רקיעא דכרסויא עלאה, לבתר דיסתלק מר מעלמא, מאן ינהיר נהירו דאורייתא. ווי לעלמא דישתאר יתום מינך. אבל מלין דמר יתנהירו בעלמא עד דייתי מלכא משיחא וכדין כתיב, ומלאה הארץ דעה את יי' וגו'.

24. וישמע יתרו בהן וגו, רבי חייא אמר, האי קרא אית לאסתבלא ביה, בקדמיתא כתיב, את כל אשר עשה אלהים למשה, ולבתר כתיב כי הוציא יי'. אלא רזא דא את כל אשר עשה אלהים, דא שמא דאגין על משה ועל ישראל, ולא אתעדי מנייהו בגלותא. ולבתר, שמא עלאה אפיק לון ממצרים. דהא שמא קדישא דאפיק לון, ברזא דיובלא הוה.

25. ד"א את כל אשר עשה אלהים למשה, בד אתרמי לנהרא, וכד שזיב ליה מחרבא דפרעה, ולישראל עמו, דכתיב, וישמע אלהים את נאקתם. וכתיב וכאשר יענו אותו בן ירבה וכן ופרוץ.

26. "When Jethro, the priest of Midian..." Rabbi Yosi began the discussion, saying: "He sent redemption to His people. He has commanded His covenant forever. Holy and revered is His Name" (Tehilim 111:9). HE ASKS: Why is there a difference? In all other verses, each verse has two letters in alphabetical order, SUCH AS THE VERSE BEFORE, WHICH IS SPELLED WITH TWO LETTERS, SAMECH AND AYIN. HOWEVER, in this verse, and the verse following it, there are three each. IN THIS VERSE, THERE ARE THREE LETTERS AND THE VERSE FOLLOWING HAS THREE LETTERS. THE REPLY: This is in order to complete six aspects by the alphabet, WHICH ARE THE THREE REDEMPTIONS OF YISRAEL AND THE THREE DIVISIONS OF THE SCRIPTURES - THE TORAH, THE PROPHETS AND THE WRITINGS. THIS VERSE corresponds to the three redemptions of Yisrael, BABYLON, GREECE AND EDOM, apart from the first redemption FROM EGYPT, WHICH HAD ALREADY TAKEN PLACE. The last verse corresponds to the Torah, the Prophets and the Writings. And everything is dependent upon this wisdom. SINCE THE TORAH, THE PROPHETS AND THE WRITINGS DEPEND AND COME FROM WISDOM, THE FOLLOWING VERSE THEREFORE BEGINS WITH: "THE BEGINNING OF CHOCHMAH."

27. Another interpretation of: "He sent redemption to His people," is when the Holy One, blessed be He, brought forth Yisrael from the land of Egypt and caused mighty deeds and miracles. "He had commanded His covenant forever." This is when Jethro came and was received by the Holy One, blessed be He, who brought him closer to His worship, and so all proselytes were brought near under the wings of the Shechinah. From then onward, "holy and revered is His name." For then the Holy Name of the Holy One, blessed be He, became hallowed. The Holy Name becomes further hallowed when the Other Side becomes broken and yielding, as it was with Jethro.

28. "When Jethro..." HE ASKS: Only Jethro heard, while the rest of the world did not hear? Is it not written: "The people shall hear, and be afraid" (Shemot 15:14)? HE ANSWERS: Indeed, the whole world did hear, but they were not broken. THEREFORE, IT WAS AS IF THEY DID NOT HEAR. But he heard, and was broken and yielded before the Holy One, blessed be He, and was brought near to fearing Him. THEREFORE HIS IS INDEED A HEARING.

29. Rabbi Aba said: In many places we have learned that whatever the Holy One, blessed be He, does above or below, is all true and His works are true. And there is nothing in the world that man needs to reject or find despicable, for all are works of truth, and are all needed in the world.

30. It once happened that Rabbi Elazar was walking along the road, accompanied by Rabbi Chizkiyah. They saw a snake and Rabbi Chizkiyah rose to kill it. Rabbi Elazar said to him: Leave it alone, do not kill it. He replied to him: But this is an evil thing that kills human beings. He said to Rabbi Chizkiyah: But it is written, "If the serpent bites and can not be charmed (lit. 'without a charm')" (Kohelet 10:11). The snake does not bite a person unless it is whispered to from above and ordered, 'Go and kill that person'!

31. At times, just as it does this, so does it save man from other things. And thus, by its hand does the Holy One perform a miracle for men. Everything is in the hands of the Holy One, blessed be He, for it is all His creation. The world needs them. For if the world did not need them, the Holy One, blessed be He, would not have created them. Therefore man must not conduct himself in a despicable manner with things of the world; how much more so with the words or the acts of the Holy One, blessed be He.

32. He opened the discussion with the verse: "And Elohim saw everything that He had made and, behold, it was very good" (Bereshheet 1:31). "And Elohim saw," refers to living Elohim, WHICH IS BINAH; "And Elohim saw," MEANS He was intent upon giving them Light, and guarding them; "everything that He had made," is everything united, above and below; "very," is the left side; "good," is the right side. As it was already established, "very," is the Angel of Death; "good," is the Angel of Life. It is all one secret, a secret to those who observe the mystery of Wisdom.

33. "And Elohim saw everything that He had made." HE ASKS: Throughout the works of Creation, it is written: "And Elohim saw that it was good." But here, it is written: "And Elohim saw everything He had made." HE ANSWERS: The lower Elohim, MALCHUT, rules those below. The Elohim above, BINAH, rules those above. ELOHIM ABOVE, THAT RULES THOSE ABOVE, is an aspect of the Living Elohim, WHICH IS BINAH. HENCE, "AND ELOHIM SAW EVERYTHING HE HAD MADE," as He illuminated and lit all candles above and below, and from there all lights emerge to illuminate. Tosefta (addendum)

34. Upon the most hidden of all that is hidden, one imprint was impressed that is neither seen, nor revealed. This impression is an impression yet not an impression. Those of understanding and open eyes, GIFTED IN WISDOM, can not understand its nature. It maintains everything. This impression is so small as to be unseen and not revealed, existing there by the will to sustain all. It receives whatever it receives from that which has no impression or will, and is not visible.

35. This impression desired to veil itself, and created for itself a chamber with which to be covered. It drew it from itself, and extended it with great expansion from all sides and adorned it with valuable attire, thereby opening up in it fifty gates.

36. In the innermost part IN THAT CHAMBER, that impression was treasured and concealed. After being concealed, it was penetrated by light. From this light there issued forth lights and sparks, and it emerged through the gates of the chamber and shone upon everything.

37. This chamber is cloaked, THAT IS TO SAY, CLOTHED with six screens. Yet these six screens are but five. In the innermost part of these screens, there prevails one embroidered screen. It is with this screen that the chamber is covered AND CLOTHED. From within, it monitors and sees everything.

38. This chamber is the opening of eyes - so that it does not sleep. It is forever attentive to shed light below, out of the light of the impression. This understanding, this concealed wisdom and the will of wills, is concealed and cloaked, and not revealed; it exists yet does not exist. Blessed be it from the concealed of all the concealed. Blessed be it forever and eternally, Amen.

39. Come and behold: it was Jethro who gave advice to Moses on the administration of justice. And this is how it should be. And this is the secret of acknowledging the Holy One, blessed be He, and arranging openly the administration of justice: to teach what is written, "for the Judgment is Elohim's" (Devarim 1:17), and not of the Other Side. And these laws were given to Yisrael and to none other, as it is written: "His statutes and His judgments to Yisrael" (Tehilim 147:19). Come and behold: man must not despise another, and the words from a layman are still words, as it is written of Moses, "And Moses hearkened to the voice of his father-in-law."

40. "When Jethro...heard" He opened the discussion, saying: "Therefore I will give thanks to You, Hashem, among the nations, and sing praises to Your Name" (Tehilim 18:50). King David said this, in the spirit of Holiness, when he saw that only the other nations exalted and glorified the Holy One, blessed be He, in the world. But if you say that the Holy One, blessed be He, exalts Himself in the world only for Yisrael, this is certainly so. For Yisrael is the base of the shine of the candle. Yet when the other nations come forth to acknowledge Him through worship of the glory of the Holy One, blessed be He, then the base of the candle increases and is strengthened. And then the Holy One, blessed be He, rules alone, above and below.

41. It happened that great fear and terror of the Holy One, blessed be He, fell upon the entire world WHEN THEY HEARD OF THE MIRACLES OCCURRING DURING THE EXODUS FROM EGYPT. And when Jethro came, the High Priest of the heathen deities, then the glory of the Holy One, blessed be He, was strengthened and He ruled over all.

42. For when the people of the entire world heard of the wonders of the Holy One, blessed be He, they trembled. Then they looked up to Jethro, who was the wisest and was appointed over all of the heathen deities. When they saw that he came to worship the Holy One, blessed be He, saying: "Now I know that Hashem is greater than all the Elohim," they gave up their idol worship, realizing their idols were worthless. At that time, the glory of the Holy Name of the Holy One, blessed be He, was exalted on all sides. Therefore this scriptural chapter has been recorded in the Torah, with Jethro's name at its beginning.

43. Jethro was one of the advisors to Pharaoh. Pharaoh had three advisors: Jethro, Job and Bilaam. One was Jethro, and there was no worship, appointed minister, sun or star that ruled over his empire that he did not know its appropriate service. Bilaam was a sorcerer in all manner of enchantments, whether by act or by word.

44. Job had fear. This reverence was his mainstay, IT WAS THE ESSENCE OF HIS STRENGTH. For a word above, whether it be Holy or of the Other Side, man can draw down the spirit from above and unite with it below, only with fear, by concentrating his heart and mind with fear, broken-heartedly. And only then can he draw down the spirit of above, and the needed wish.

40. וישמע יתרו וגו'. פתח ואמר על כן אורך בגוים יי' ולשמך אומרה. דוד מלכא אמר דא ברוח קדשא, בשעתא דחמא, דהא יקרא דקודשא בריך הוא, לא אסתליק בסליקו ולא אתייקרא בעלמא, אלא מסטרא דשאר עמין. ואי תימא, הא קודשא בריך הוא לא אתייקר בעלמא, אלא בגיניהון דישראל. הכי הוא ודאי, דהא ישראל אינון הוי יסודא דשרגא לאנהרא, אבל כד שאר עמין אתאן ואודן ליה, בשעבודא דיקרא דקודשא בריך הוא, כדין אתוסף יסודא דשרגא, ואתתקף על כל עובדוי. בחבורא חדא, ושליט קודשא בריך הוא בלחודוי עילא ותתא.

41. בגוונא דא, כל עלמא, דחילו ואימתא נפל עלייהו מקמי קודשא בריך הוא. וכיון דאתא יתרו, דאיהו כומר אלאה, דכל טעוון אחרנין, כדין אתתקף ושליט יקרא דקודשא בריך הוא על כלא.

42. בגין, דכל עלמא, כד שמעו שמע גבורתיה דקודשא בריך הוא, זעו. וכלהו הוו מסתכלן ביתרו, דאיהו חכים ורב ממנא דכל טעוון דעלמא, בין דחמו, דאיהו אתא ופלח ליה לקודשא בריך הוא, ואמר עתה ידעתני כי גדול יי' מכל האלהים, כדין כלהו אתרחקו מפולחניהון, וידעו דלית בהו ממשו. כדין אתייקר יקרא דשמא קדישא דקודשא בריך הוא, בכל סטרין. ועל דא אתרשים פרשתא דא באורייתא, ושירותא דפרשתא הוה ביה ביתרו.

43. יתרו חר מחכימין דפרעה הוה. תלת חכימין הוו ליה לפרעה, חר יתרו, וחד איוב, וחד בלעם. חר יתרו: דלא הוה פולחנא וממנא ושמשא וככבא דשליט על שולטניה, דלא הוה ידע פולחנא דאתחזי ליה, וההוא שמושא דיליה. בלעם, הוה חרשא בכל מיני חרשין בין בעובדא בין במלה.

44. איוב הוה דחיל בדחילו, ובההוא דחילו הוה עקרא דיליה, בגין דמלה דלעילא, בין דקדושה, בין דסטרא אחרא, לא יכיל בר נש לאמשכא רוחא דלעילא לתתא ולמקרב גביה, אלא בדחילו. ויכוין לביה ורעותיה בדחילו ותבירו דלפא, וכדין ימשיך לתתא רוחא דלעילא ורעותא דאצטריך.

45. And if he does not direct his heart and mind in fear to that side, then his mind cannot cling to it, only with diminutive images, and not even with all of them, since they are ruled by those who require meditation of the heart and fear, and even more so in the case of those supernal objects who require much more fear, terror, and intention.

46. Jethro had to worship that side continuously, whether his worshippers needed him or not, so that that side would cleave to him when he needed it. Bilaam was connected with that sorcery, as was stated before.

47. Due to an overpowering sense of fear within him, when Job witnessed the miracles and mighty works the Holy One, blessed be He, had performed in Egypt, he returned to Egypt to worship the Holy One, blessed be He, in fear. Jethro did not convert to the worship of the Holy One, blessed be He, until the exodus from Egypt. All of the bonds and images that the Egyptians made were to no avail, for still they departed. And only when they drowned in the sea did Jethro convert to worship the Holy One, blessed be He.

48. Bilaam did not repent or convert, since the impurities of the Other Side still clung to him. And yet, he observed from a distance, and prophesied through the impurities and the clinging to the Other Side. For in the Other Side there is one small thread of light that surrounds it, as it is written: "And a brightness was about it" (Yechezkel 1:27). And he saw through this small brightness from afar, though not in all matters.

49. And when he perceived this small streak of light, it was as if from behind a wall, and he spoke, yet did not know what he said. He perceived this light as if with the white part of the eye - as when the eye rolls and one sees covered light, yet does see. And this is the secret of: "whose eyes are opened" (Bemidbar 24:15). And we learned that "opened (Heb. satum, spelled with the Hebrew letter sin)" MEANS closed (Heb. satum, with the Hebrew letter Samech). And all pertains to the same thing.

50. There can always be found a small streak of light that comes from the side of Holiness, as in most dreams, where in a pile of straw there is one grain of wheat. Except for those minor images that are most unclean. And it was in these, that Bilaam knew.

51. Happy is the lot of Moses, who is high above all other supernal sanctities. For he perceived that which no other man on earth was ever given permission to observe. And just as Bilaam saw a small light, fine and thin, as if behind a wall, from within the Other Side, so through the great supernal light of Holiness did Moses see below, as if from behind a wall, a fine streak of darkness. And he did not see it always, just as Bilaam did not always see that light.

52. Happy is the lot of Moses, the faithful prophet. For it is written about him: "And an Angel of Hashem appeared to him in a flame of fire out of the midst of a bush" (Shemot 3:2). "...a bush..." REFERS TO A KLIPAH, which was in Holiness and was connected to it. For all things connect one to another, the pure and the impure. There is no purity except from within impurity.

53. And this is the principle of: "Who can bring a clean thing out of an unclean?" (Iyov 14:4). The shell (Heb. Klipah) and the fruit are correlated, one with the other. And this Klipah will never be broken or be gone until the dead rise from the dust. Then the Klipah will be broken and the light will shine into the world, without any covering, from the inner part. Happy are the righteous in this world and in the World to Come.

2. "and her two sons"

Three of the rabbis are wondering why the title verse says "her sons" instead of 'the sons of Moses'. Their comprehension is corrected by Rabbi Shimon, who tells them that the sons referred to belong to Jethro, not Moses, and that Jethro brought his whole family that they might enter under the wings of the Shechinah, who was joined celestially with Moses.

54. "...and her two sons..." (Shemot 18:3). Rabbi Chiya said: Why are they called "her sons" and not 'the sons of Moses'? HE ANSWERS: Because she raised them without her husband, the Torah calls them "her sons," and not 'his sons'. Rabbi Yosi said: Even though they were the sons of Moses, THEY WERE, BY A SECRET PRINCIPLE, most certainly her sons. BECAUSE, Rabbi Elazar said: Moses united himself in another holy, celestial place, and it would not have been respectful to call them his sons. Now, even though they were his sons, because of the dignity of the place in which he united, WHICH WAS THE SHECHINAH, they were here called "her sons." Afterwards, they were called "his sons." What is the reason? Because when they reached MOSES, Moses was talking to the Shechinah. Later, when he separated FROM THE SHECHINAH and went out to meet his father-in-law, then it is written: "And Jethro, Moses's father-in-law, came, with his sons" (Ibid. 5).

55. Rabbi Shimon said: Elazar, Elazar. I see in this portion that the beginning of your interpretation is quite proper, but the ending is not the way you interpret it. Certainly, because of the respect of the Shechinah, who was joined celestially with Moses, it is written "her sons." And though it is written, "And Jethro, Moses's father-in-law, came, with his sons and his wife to Moses," IT STATES "HIS SONS," which is inclusive, and the words "his sons," refer to the sons of Jethro. For after Moses came to him, he had sons.

56. And so it was with Jacob. When he came to Laban and dwelt in his house, Laban had sons. Also here, when Moses dwelt with Jethro, he too had sons. And Jethro brought his whole family, so they might all enter together under the wings of the Shechinah. And Jethro said to Moses: "I, your father-in-law Jethro, am come to you, and your wife, and her two sons with her." And it is not written 'your two sons'. WHAT DO WE LEARN FROM THIS? That Jethro had children, as it is written: "And the children of the Kenite, Moses's father-in-law went up out of the city of palm trees" (Shoftim 1:16). And he left his sons with Moses.

3. "and Jethro, Moses's father-in-law, came"

The discussion turns around the verse, "And many nations shall go and say, 'Come and let us go up to the mountain of Hashem'," and we learn that the mountain is symbolic of conversion, to proselytize the soul.

57. "And Jethro, Moses' father-in-law came" (Shemot 18:5). He opened the discussion with the verse: "And many nations shall go and say, 'Come and let us go up to the mountain of Hashem'" (Yeshayah 2:3). This verse is explained in many places. Yet, the time will come when the other nations will strive to come under the wings of the Shechinah. "...let us go up..." All idol worshippers of the world pertain to descent, but those who cleave to the Holy One, blessed be He, will achieve an ascent. THEREFORE, IT IS WRITTEN: "LET US GO UP."

58. "...the mountain of Hashem..." refers to Abraham, as written: "as it is said to this day: In the mount Hashem will appear" (Beresheet 22:14). For Abraham called it 'a mountain'. Just as the mountain is abandoned property, free to all who care for it, so is this holy place, THE TEMPLE, open to all those who desire it on earth. "...to the house..." (Yeshayah 2:3) is Jacob, who called this place a "house," as it is written: "this is no other than the house of Elohim" (Beresheet 28:17).

59. Another interpretation. Though "mountain" and "house" pertain to the same grade, one is higher than the other. A "mountain" is for the rest of the nations who come to enter under its wings. A "house" is to the nation of Yisrael like a wife to her husband in one household - united in happiness, it adheres to them like a mother over her children.

60. Come and behold: what is written here regarding Jethro? "...and Jethro, Moses's father-in-law, came, with his sons and his wife to Moses into the wilderness." HE ASKS: Since it is written, "to Moses," why does the verse add, "into the wilderness"? HE ANSWERS: What is important is what Jethro came to the desert for. And what is it? It is a mountain of Elohim, and it is a place for a stranger to convert. Therefore, it is written "...to Moses into the wilderness." "To Moses," to proselytize them and bring them under the wings of the Shechinah. "Into the wilderness," they would come. For the mountain of Elohim is to proselytize the soul, THAT IS, TO RECEIVE FROM THENCE THE NEFESH OF THE CONVERT.

61. On account of this, the location stands as a mystery called "mountain," and everyone who comes there is credited with the title: "a convert of righteousness." We have explained that he is called a convert. Even though he united on high, with the celestial and holy, because he left his own country and kin, HE IS CALLED "A CONVERT." He is called "a convert of righteousness" since he set up his dwelling in a place he did not know before, WHICH IS IN THE SHECHINAH, CALLED 'RIGHTEOUSNESS'.

4. "This is the book"

We learn that the book in "This is the book of the generations of Adam" is actually two books, an upper and a lower, and comprises Male and Female together. They also incorporate the secret of 'keep' and 'remember'. Lastly we are also told that the book refers to the secret of the features of human beings by which the descendants of man can be recognized.

62. Rabbi Yitzchak and Rabbi Yosi were sitting and studying the Torah in Tiberias. Rabbi Shimon passed before them. He asked them: With what are you occupied? They answered him: The verse which we have learned from our master. He said to them: Which is that? They responded: That which is written, "This is the book of the generations of Adam. In the day that Elohim created man, in the likeness of Elohim He made him" (Bereshheet 5:1). And after all, we have learned that the Holy One, blessed be He, showed to Adam all those generations that in the future will be born onto earth, and all the leaders and all the sages that in the future will be present in each and every generation.

63. And this is a secret we have learned. "This is the Book," NAMELY there are two books. There is an upper book and there is a lower book. The lower book is called 'the Book of the Remembrance', WHICH MEANS the Book of that Remembrance, which is a certain Righteous one, NAMELY YESOD, called "this (Heb. zeh)." AND MALCHUT IS HIS BOOK. In order not to separate them, since they are always together and form one, it is therefore written: "This (Heb. zeh) is the book" - two levels which are one, the principle of Male and Female. FOR "THIS" IS MASCULINE, YESOD, AND THE "BOOK" IS FEMININE, MALCHUT.

60. תָּא חֲזִי, מֵה כְּתִיב הֵכָא בִּיתְרוֹ, וַיָּבֵא יִתְרוֹ חֲתָן מֹשֶׁה וּבָנָיו וְאִשְׁתּוֹ אֶל מֹשֶׁה וְגו', בֵּינון דְּכְתִיב אֶל מֹשֶׁה, אֲמַאי כְּתִיב אֶל הַמִּדְבָּר. אֲלֵא עֲקָרָא דְכֻלָּא לְמַה דְּהוּה אֲתִי, אֶל הַמִּדְבָּר. וּמֵאַן אִיהוּ, הַר אֱלֹהִים, דְּדָא אִיהוּ אֲתֵר לְגִיּוּרֵי לְאַתְגִּיירָא. וְעַל דָּא כְּתִיב, אֶל מֹשֶׁה, אֶל הַמִּדְבָּר, לְמֹשֶׁה, לְגִיּוּרָא לֹון, וְלֵאעֲלָא לֹון תַּחֲתֵי גְדַפֵּי שְׂכִינְתָא. אֶל הַמִּדְבָּר הוּוּ אֲתִינָן, דְּאִיהוּ הַר הָאֱלֹהִים, לְמַעַבְדַּ נְפֻשֵׁיהוּ.

63. וְרִזָּא אוֹלִיפְנָא, זֶה סֵפֶר. אֵית סֵפֶר וְאֵית סֵפֶר. סֵפֶר לְעֵילָא, סֵפֶר לְתַתָּא. סֵפֶר לְתַתָּא אֲקִרִי סֵפֶר הַזְכָּרוֹן, סֵפֶר דְּהַהוּא זְכָרוֹן, וְדָא חַד צְדִיק, וְאַקְרִי זֶה. וּבְגִין דְּלֵא לְאַפְרָשָׁא לֹון, דְּאִינּוֹן תְּדִיר בְּחַדָּא בִּיחַדָּא חַדָּא, כְּתִיב, זֶה סֵפֶר תְּרִין דְּרִגִין דְּאִינּוֹן חַד, כֹּלְלָא דְכֵר וְנוֹקְבָא.

64. And this is one principle: all those souls and spirits that fly into human beings, which consist of all the descendants, are assuredly in the secret of the generations of Adam, NAMELY THE DESCENDANTS OF THE UPPER MAN, REFERRING TO ZEIR ANPIN. This is because from this said Righteous all the souls fly forth with one desire. And this is the watering of the Garden that this river, which went forth from Eden, gives, as it is written: "And a river went out of Eden to water the Garden" (Beresheet 2:10). THE EXPLANATION: FROM YESOD FLOWED THE SOULS AND SPIRITS OF THE GARDEN, WHICH IS MALCHUT, and this is the secret of Adam, as it is written: "the generations of Adam."

65. Afterwards, THE WORDS, "In the day that Elohim created man," refer to the lower man, because there are two men mentioned in this verse. One refers to the secret OF ADAM from above, and one refers to the secret OF ADAM from below. Adam, in the secret of above, WHICH IMPLIES ZEIR ANPIN, is within the mystery of that verse concealed in Male and Female, in one secret. As it is stated, "This is the book," which comprises Male and Female together, AS STATED BEFORE. When they together produced offspring, they were openly called 'man' (Adam), as is written "the generations of Adam."

66. After it was revealed from the first supernal mystery of the verse, NAMELY, IT WAS REVEALED THAT "THIS IS THE BOOK" ALLUDES TO THE SUPERNAL MAN, WHOSE GENERATIONS ARE THE SOULS AND SPIRITS OF HUMAN BEINGS AS WAS MENTIONED BEFORE, He created the lower man as it is written: "In the day that Elohim created man, in the likeness of Elohim He made him." "In the likeness," MEANS Adam was like a mirror with figures that appear in it; the figures do not stay fixed in the mirror for very long, but fade away from it. It is also HERE, "in the likeness of Elohim."

67. Another interpretation: "In the likeness of Elohim," MEANS the shape of the limbs of male and female, in the secret of back and front. The back is of the secret of "keep," FOR THAT IS A FEMININE ASPECT. The front is the male, in the secret of "remember," WHICH IS ZEIR ANPIN. And on these all the commandments of the Torah depend, 613 commandments of the Torah, that are all inclusive. We have learned THAT MAN WAS CREATED after the Creation and before the act of the divine Chariot. And one is dependent upon the other. "In the likeness of Elohim," is in the exact shape OF MALCHUT. So it was explained to me by my master.

68. More about, "This is the book of the generations of Adam." This refers to the secret of the features of human beings, the features with which to recognize the descendants of man, and the hidden meanings of these human features: the hair, the forehead, the eyes, the face, the lips, the lines on the hand, and the ears. With these seven human beings can be recognized.

5. And you shall behold the secret of the hair

This section describes the traits and motivations of persons with different types of hair. We are told that the mysteries of the varied types of hair are for those who are wise in Torah, who recognize what is hidden in human beings, and are in the image of Elohim. It is they who sit in judgment.

69. One is recognized by the hair. All who have creased hair, MEANING CURLY HAIR, that is swept upwards, AND DOES NOT HANG DOWN FROM THE HEAD, IS OF an angry disposition. His heart is wrinkled like a rag, SIGNIFYING HIS HEART IS FULL OF FEAR. His actions are not good. In partnership, one must stay away from him.

70. If his hair is unusually smooth, and hangs low, then it is good to associate with him, for gain is found within him. IN OTHER WORDS, ONE BENEFITS FROM AN ASSOCIATION WITH HIM. However, when he is alone (THAT IS, WITHOUT A COMPANION) it is not so. THERE IS NO SUCCESS WITH HIM. He can keep secrets of great importance, yet, in secrets of minor importance, he is not reliable. His actions are SOMETIMES good, AND SOMETIMES not good.

71. If his hair hangs low and is not smooth, he has no fear in his heart. He is a malicious person. He desires good deeds, and thinks well of them, but he does not accomplish THEM. When he reaches old age, he returns to fear HASHEM, and his actions are proper. And these things pertain to the secular world, FOR THEN HE IS A MALICIOUS PERSON AND DOES NOT ACCOMPLISH GOOD DEEDS. But in esoteric matters, everyone benefits who associates with him. Do not reveal important secrets to him, but he will safeguard minor secrets. He can make big things from little things, and his words will be heard with respect. He is under the letter of Zayin, according to the letters taught by our master.

72. If the hair is black and extremely shiny, he will succeed in all his actions, specifically in worldly matters - THIS IS MALCHUT, CALLED 'WORLD' - and in commerce, WHICH IS THE ABUNDANCE OF MALCHUT, ACCORDING TO THE SECRET OF THE VERSE: "SHE IS LIKE THE MERCHANT SHIPS" (MISHLEI 31:5). He is benevolent, but he succeeds only when alone, WITHOUT AN ASSOCIATE. And whosoever joins him as an associate will not succeed for long, but will have only immediate success, and that success shall fly from him. This secret is included in the letter Zayin.

73. If his hair is black and not shiny, at times he will be successful and at times he will not succeed. It is good to associate and work with him for a short time, but not for a lengthy time, for during lengthy times he tends to think. So in order not to be parted from him, he is good for a short time. Such a one succeeds in Torah studies if he perseveres after it. And others will likewise succeed by him. He can not keep secrets for a long time. He is mean-hearted. He shall see his enemies, and they shall not prevail against him. He is mean (Heb. tzar)-hearted, as in the esoteric principle of the letter Yud, WHICH IS SMALL AND NARROW (HEB. TZAR) - and he is not included in the letter Zayin, AS STATED PREVIOUSLY, but the in letter Yud, in the secret of small letters.

74. If his hair is balding, he will succeed in business, but he is a swindler. There is a scarcity of food in his house. On the surface, it seems he fears sin, but it is not so within. And all this is so before he comes to old age. But if he becomes bald in his old age, he becomes the opposite of what he was before, for good or for bad.

69. בְּשַׁעֲרָא. הָאֵי מֵאֵן דְּשַׁעְרִיהָ קָמִיט, וְסָלִיק לְעֵילָא עַל רִישֵׁיהָ, מְאָרִיָּה דְרָגִיזוּ. לְבִיָּה קָמִיט בְּטוּמְסָא, לֹא בְּשָׂרָאן עוֹבְדוּי. בְּשׁוּתְמוּ אֲתִרְחַק מִנִּיהָ.

74. שַׁעֲרָא דְמָרִיט, יִצְלַח בְּעוֹבְדוּי, וְרִמְאָה אִיְהוּ כְּפִין בְּבִיתִיָּה. אֲתַחְזִי דְחִיל חֲטָאָה לְבָר, לֹא הָכִי לְגוּ. דָּא עַד לֹא סִיב. אִי שַׁעְרִיהָ מָרִיט, לְבַתֵּר דְּסִיב, אֲתַהֲפֵךְ מִכְמָה דְּהוּהָ בְּקַדְמִיתָא, הֵן לְטָב הֵן לְבִישׁ.

75. The stated words refer to hair balding on the forehead, between the eyes, at the place where the Tefilin are placed. However, at another spot on the head, it is not so. He is not a swindler, but an evil gossiper, one who gossips quietly without raising his voice. At times he is fears sin, and at times he does not. Thus, he is under the secret of the letter Zayin, when it includes the letter Yud.

75. והני מילי שער א דמריט בין עינוי, ע"ג מוחא, באתר דאנח תמלין. ואי באתר אחרא דרישא, לאו הכי. ולא איהו רמאה, אלא מאריה דלישנא בישא. בלחישו, בלא ארמות קלא. לזמנין דחיל חטאה איהו, לזמנין לא. ודא איהו ברזא דאת ד', בד כליל את י'.

76. Until this point, the mysteries of the varied types of hair are for those who sit in judgment, know the ways and mysteries of the Torah, recognize what is hidden in human beings, and are in the image of Elohim, in whom this nomenclature, ELOHIM, is concealed - which is explained in many ways.

76. עד הכא, רזין דשער א למרי מדין, דינעי ארחי ורזי דאורייתא, לאשתמודעא טמירו דבני נשא, דאינון בצלם אלהים סתום שמא, דאתפרש לכמה ארחין.

6. And you shall behold the secret of the forehead

This part examines the shape, size and slope of the forehead, together with the minute details of the furrows in the forehead; it uses these facts to explain the persons who have these sets of characteristics. The secret of the forehead is under the letter Nun, that is Gvurah.

77. The secret of the forehead. This is under the letter Nun, WHICH IS GVURAH, which is the perfection of the letter Zayin - WHICH IS MALCHUT, SINCE MALCHUT WAS BUILT FROM THE LEFT COLUMN, WHICH IS GVURAH. Sometimes THE NUN is included in the letter Zayin, and at times it stands by itself. A forehead which is small, rises sharply, and is not round, signifies a man who is not settled in his mind. He thinks he is wise, but knows little. He is frightened in spirit, and has a serpent's tongue.

77. ברזא דמצחא, באת נ', דאיהו שלימו דאת זי"ן, לזמנין אתכלילת ברזא דאת ד', ולזמנין איהו בלחודרהא. מצחא דאיהו דקיק וחד, בלא עגולא דא הוא בר נש דלא מתיישבא בדעתיה, חשיב דאיהו חכים, ולא ידע. אתבהיל ברוחיה. נשיך בלישניה בחווא.

78. IF the furrows in his forehead are large and are not joined ONE WITH THE OTHER, and if when he speaks these same furrows are formed, but not joined, while the other lines in his forehead are all joined, ONE WITH THE OTHER, then one is not to associate with him for more than a brief period, and not for a lengthy time. Whatever he does and thinks is only for his own advantage, and he has no concern for the benefit of others. He can not keep a secret at all. Of him it is said: "A talebearer reveals secrets" (Mishlei 11:13). His words are not meaningful. This is the mystery of the letter Nun, which is included in the letter Zayin. He does not have a reliable disposition.

78. קמיטין דמצחיה רברבן, ולא אינון בזוגא. בשעתא דמליל אתעבירו אינון קמיטין במצחיה, ולא בזוגא. רשימין אחרנין די במצחיה בלהו בזוגא. דא, בעי דלא לאזדוגא ליה, אלא זמנא זעירא, ולא זמנא סגני. כל מה דעבד וחשב, איהו לתועלתיה, ולא חויש לתועלתא דאחרנין. לאו איהו מארי דרזין כלל. דא איהו, הולך רכיל מגלה סוד, ולא חשיב מלוי כלל. דא איהו ברזא דאת נ' דכלילא באת ז', ולא אקרי נאמן רוח בקיומא.

79. IF his forehead is small and rounded, he makes intelligent observations, yet, he is fearful in spirit. His love is joyous. He is kindhearted to everyone. He has interests in many things. If he studies the Torah, he will become quite wise.

79. מצחא דקיק בעגולא, דא איהו בר נש חכימא, במה דאסתכל. לזמנין אתבהיל ברוחיה. רחימו דיליה בחודה. רחמן איהו על כלא, אסתכל במלין סגיאות. אי ישתדל באורייתא להוי חכים יתיר.

80. IF three large wrinkles are in his forehead at the time when he speaks, and three wrinkles are near one eye, and three wrinkles are near the other eye, and he cries at the time he is angry, then he is better than he appears to be. Whether it be in deeds or in words, he throws over his shoulders all secular matters, and cares not for them. He will have success in the study of the Torah. In fact, anyone who engages with him will profit even in secular matters, FOR WHICH HE ATTACHES NO IMPORTANCE. At times he clings to the will of the Holy One, blessed be He, and at times he does not. In legal matters, he has no success; he stays far away from legal judgments. And this is the secret of the letter Nun by itself, not included in the Zayin. Since it is not included in the letter Zayin, he keeps his distance from the law and does not stay there. Rather, love is his side.

81. IF his forehead is not rounded but is large, this is a man who, whether he stands or walks, always bends his head. This type can be divided into two aspects of madness. One aspect is a noticeable madness, evident to all who observe and recognize it. He is the fool.

82. IF he has four large wrinkles on his forehead - and sometimes when he speaks they appear on his forehead, while at other times the skin on his forehead is stretched so the wrinkles are not seen; there are wrinkles that are seen, and THEN other large wrinkles close to his eyes; he laughs freely WITHOUT REASON; and his mouth is large, this man has no worth, and is of the Other Side. Madness is concealed in him and people do not notice it. And he gets wiser in everything he does, even in the study of Torah - but not for its own sake but only to boast before people. And his custom is to be clandestine and conceited. He appears to be pious, but is not so. Everything he says is not for the sake of the Holy One, blessed be He, but for man. His thoughts and his behavior are for external appearance, to draw attention to himself. This is the mystery of the letter Nun, which is included in the letter Zayin.

83. IF the forehead is rounded and large, he is clever. He remembers everything. He acquires wisdom from whatever he works hard at, and even without a trainer to teach him. He succeeds at whatever he endeavors. However, in money matters, sometimes he succeeds, and sometimes he does not. From little things, he can infer great things. He is called 'wise'. He does not concern himself with mundane matters, even when he knows that he may be embarrassed by not concerning himself with these matters. He pays no attention to them. He is soft-hearted.

80. תלת קמיטין עלאין רברבין במצחיה בשעתא דאיהו מליל. תלת קמיטין קריב לעינא חד. ותלת קמיטין על עינא אחרא. בכי בשעתא דארגיזו. דא איהו טב יתיר מכמה דאתחזי. ארמי בתר בתפוי כל מלין דעלמא, בין בעובדוי, בין במלין אחרנין, ולא חייש. אצלח באורייתא. כל בר נש דישתדל בהדיה יתיר ממלין אחרנין דעלמא, לזמנין אתדבק רעותיה בקדשא בריך הוא, ולזמנין לא. דינא לא אצלח. אתרחק איהו מן דינא. ורזא דא את נ' בלחודוי, דלא אתבלילת באת ז'. ובגין דלא אתבלילת באת ז', אתרחק מן דינא, ולא קאים ביה, ורחימותא איהו סטרא דיליה.

81. מצחא דאיהו בלא עגולא, ואיהו רברבא. האי איהו בר נש דכל זמנין כד קאים, וכד אזיל, כפיף רישיה. האי אתפליג לתרין לסטרין, ואינון סטרי שגעונא. סטרא חדא איהו שגעונא דאתחזי, ובני נשא אחרנין ידעין שגעונא, דאשתמודעא קמי בלא. ואיהו טפשא.

82. במצחיה אית ד' קמיטין רברבין, לזמנין בשעתא דמליל קמיט לון במצחיה, ולזמנין דאתפשט מצחיה במשכיה, ולא אתחזון. אינון קמיטין אתחזון, קמיטין אחרנין רברבין בסטרא דעינוי, חייך למגנא. פומיה רברבא. לאו איהו בר נש לתועלתא. סטרא אחרא איהו. שגעונא דאתפסי ביה, ובני נשא לא מסתכלן ביה. ואיהו אתחכם במה דאשתדל, ואפילו באורייתא, אבל לא לשמה, אלא בגין לאתגאה בפני עמא. וכלא בלחישו ובנאות לבא, לאחזאה דאיהו זכאה ולא הכי. כל מלוי לאו אינון לשמא דקודשא בריך הוא, אלא בגין בני נשא. וחשיב מחשבין, ואנהיג גרמיה. כמנהגא דלבר, דיסתכלון ביה. האי איהו ברזא דאת נ', די בכללא דאת ז'.

83. מצחא דאיהו בעגולא רברבא, פקיחא איהו, דכרנו דכלא ביה. ידע בכל מה דאשתדל, אפילו בלא אומנא דיוליף ליה. אצלח בכל מה דאשתדל. ובממונא, לזמנין אצלח, לזמנין לא. ממלה זעירא אסתכל במלין סגיאין. נבון אקרי. לא חייש למלין דעלמא, ואפילו דינדע דיתבסיף בהו לא חייש לון, ולא שוי על לביה. רכיך לבא איהו.

84. IF there are two large wrinkles set high upon his forehead, one wrinkle over one eye, and one wrinkle over another eye, and there are also three large wrinkles in his forehead, those above his eyes, and apart FROM THEM a lower furrow split above the eyes, this signifies deep inner thought, not revealed on the outside because people do not pay attention to his actions. He is in fear for a short time only, but never more than that. As for pleasing, he is only concerned with his outward actions before people, and these, HIS ACTIONS, are nothing more than childish at times, and at times they are wise. This stands in the mystery of the letter Nun when it is alone and is not included in the letter Zayin. But it is weak because it has not been included in the original letters, but is supported by the letter Samech to be included with it, but not with the original letters. Until this point are the secrets of wisdom of the forehead.

84. תְּרִין קְמִיטִין עֲלָאִין רַבְרְבִין בְּמִצְחִיהָ. חֵד קְמִיטָא עַל עֵינָא חֵד, וְחֵד קְמִיטָא עַל עֵינָא אַחֲרָא. וְאַשְׁתַּכְּחוּ תֵּלֶת קְמִיטִין רַבְרְבִין בְּמִצְחִיהָ, בְּאַלִּין דְּעֵינִין, בַּר קְמִיטָא תַתָּא, דְּאִיהוּ אַתְּפֻלְגַּ עַל עֵינִין. דָּא חֲשִׁיב מַחְשְׁבִין לְגוּ וְלֹא לְבַר. בְּגִין דְּלֹא חֲשִׁיב לְבָנֵי נֶשָׂא בְּעוֹבְדוּי, וְדָחִיל אִיהוּ לְמוֹם שְׁעָתָא, וְלֹא יִתִּיר. לְפִיּוּסָא, אַתְּפִיּוּסָא בְּעוֹבְדוּי דְּלְבַר מְקָמֵי ב"ג, לְאוּ אִינוּן, אֲלֵא לְזַמְנִין כְּרַבִּינָא, וְלְזַמְנִין בְּחֻכְמָה. דָּא אִיהוּ בְּרָזָא דְּאֵת נ', דְּאִיהוּ בְּלַחְדוּי, דְּלֹא אַתְּכֻלִּיל בְּאֵת ז'. וְחֻלְשָׁא אִיהוּ, דְּלֹא אַתְּכֻלִּיל בְּאַלִּין אַתּוּן קְדָמָי, אֲלֵא אַסְתַּמִּיךְ לְאֵת ס' לְאַתְּכֻלֵּל בֵּיהּ. וְלֹא בְּאַתּוּן קְדָמָי. עַד הֵכָא רִזִּין דְּחֻכְמָתָא דְּמִצְחָא.

7. And you shall behold the secret of the eyes

The secret of the eyes is found in the secret of the letter Samech. Here one must discern the color of the eyes, and the way the eye rests in the socket. The eyebrows are also examined.

85. As for the secret of the eyes, they may be found in the secret of the letter Samech. ONE MUST DISCERN the color that encircles the eyes from the outside, and the way the eye rests in its fullness, and that it is not immersed deeply in its socket. Such a one is not deceptive, and has not a trace of fraudulence.

85. בְּרָזָא דְּעֵינִין, בְּרָזָא דְּאֵת ס', בְּהֵוֹא גּוּוּנָא דְּסַחְרָא לְבַר, וְכַמָּה דִּיתְבָּא עֵינָא, דִּיתְבָּא עַל שְׁלִימוֹ, דְּלֹא שְׁקִיעַ, הָאִי לְאוּ רַמָּאָה הִיא, וְרַחִיק מְרַמָּאוּתָא, דְּלֹא אִית בֵּיהּ כֻּלָּל.

86. There are four colors to be found in the eyes: A) There is the white outside, that circles the eye, common to every person. THAT IS, THERE IS NO DIFFERENCE IN THIS ASPECT FROM PERSON TO PERSON. B) Enclosed within it is a black color that encircles, and the black and white merge together, WHICH ALLUDES TO CHESED AND GVURAH, WHICH INCLUDE ONE WITH THE OTHER. C) Within this is a greenish color, ALLUDING TO TIFERET, included in the black. D) The innermost is the pupil of the eye, which is a black dot. THIS ALLUDES TO MALCHUT. This is a person who is always laughing and full of cheer. He has good intentions, but his intentions are never accomplished, since they slip from his mind. He is occupied with worldly matters, but when occupied with spiritual matters, he will succeed. Therefore, he should be encouraged to occupy himself with the Torah, for he will succeed in it.

86. גּוּוּנֵי דְּעֵינִין אִינוּן ד'. חוּרֵי לְבַר, דְּסַחְרָא עֵינָא, כְּגוּוּנָא דְּכָל בַּר נֶשׁ. לְגוּ מְנִיָּה אוֹכְמָא דְּסַחְרָא, וְאַתְּכֻלִּיל חוּרֵי וְאוֹכְמוֹ כַּחְדָּא. לְגוּ מְנִיָּה יְרוּקָא. וְאַתְּכֻלִּיל בְּאוֹכְמָה. לְגוּ מְנִיָּה הֵוֹא בַת עֵינָא, נְקוּדָא אוֹכְמָא. דָּא אִיהוּ בַר נֶשׁ דְּחִינֵךְ תְּדִיר, וְחֵדֵי בְּחֵדֵי וְחֲשִׁיב מַחְשְׁבִין לְטַב, וְלֹא אַשְׁתַּלִּימוּ אִינוּן מַחְשְׁבִין, בְּגִין דְּסֻלִּיק לֹון מִיד מְרַעוּתִיהָ. אַשְׁתַּדֵּל בְּמִילֵי דְּעֻלְמָא. וְכַד אַשְׁתַּדֵּל בְּמִילֵי דְּשָׁמַיָא, אַעֲלַח. הָאִי אַצְטְרִיךְ לְאַתְּתַקַּפָּא בֵּיהּ לְאַשְׁתַּדֵּל בְּאוּרִיתָא, דְּהָא יַעֲלַח בַּהּ.

87. IF his eyebrows are thick, inclining downwards, AND IF in the color of his eyes there are red lined impressions, these impressions are called "small letters of the eyes" because when these colors of the eye shine in the light, the light causes the letters to be revealed to those who judge, together with the other, small impressions. This is in the shape of the letter Samech, and is included in the letter Hei.

87. גְּבִינֵי עֵינֵי רַבְרְבִין, וְכַסִּיִּין לְתַתָּא. בְּאִינוּן גּוּוּנֵי דְּעֵינָא אִית רְשִׁימוֹן סוּמְקִין דְּקִיקִין בְּאַרְבָּא. אִינוּן רְשִׁימוֹן אַקְרוּן אַתּוּן זְעִירִין דְּעֵינָא. בְּגִין דְּאִינוּן גּוּוּנֵי דְּעֵינָא. אִי נְהָרִין בְּנְהִירוֹ, הֵוֹא נְהִירוֹ סֻלִּיק אַתּוּן לְאַתְּחוּזָא, לְאִינוּן מְאַרֵי דְּמֵדִין. בְּאִינוּן רְשִׁימוֹן אַחֲרָנִין דְּקִיקִין, וְהָאִי אִיהוּ בְּאֵת ס', וְכֻלִּיל בְּאֵת ה'.

88. Green eyes that are surrounded in white, with the green blended in the white, implies that he is a merciful man, yet he thinks always for his own benefit. The harm of others does not concern him at all.

89. IF the black color is not noticeable in his eyes, he is greedy, but not in an evil way. But if an opportunity should arise for him to accomplish evil, he will not turn from it. He can be trustworthy when speaking of things he knows, yet not trustworthy in things he does not know. He can keep a secret as long as it is a secret, until he hears the secret at another place. Once he hears about it, he reveals everything and it is no longer a secret with him at all, because nothing he does is perfect. The eye color encircled with white and green is the secret of the letter Hei when included with the letters Zayin and Samech.

90. IF his eyes are yellowish-green, he has madness about him, and because of this madness his mouth speaks in a bombastic manner, and he carries a self-importance about himself, and whoever attacks him, conquers him. He is not worthy of the Torah secrets, since in his heart he can not keep silent about such secrets, AND HE REVEALS THEM TO OTHERS so that through them he can make himself seem a bigger MAN. This is the mystery of the letter Hei, which is only included in the letter Zayin, and is removed from the letter Samech. It is because he conducts himself with pride that he is far removed from the letter Samech and can not approach it. When he speaks, he produces many wrinkles on his forehead.

91. One with white eyes, encircled lightly with green, has an angry disposition, but for the most part, he is kind-hearted. However, when he is full of anger he has no love in him whatsoever, and becomes cruel. He can not be trusted with a secret. This belongs to the mystery of the letter Hei, which is included in the letter Samech.

92. He with eyes that are green and white together with a little black color in them, can be trusted with secrets and is successful in utilizing them. If he begins with success, then he will continue to succeed further. His enemies can not prevail against him and he rules over them entirely, and they are submissive to him. This is under the sign of the letter Caf, which is included in the letter Samech. Thus, he rules once he starts TO RULE. Thus far are the mysteries of the eyes, which are revealed to the wise.

8. And you shall behold the secret of the face

The secret of the face is for those who master inner wisdom. We learn that the features of the face are recognized not by outward impressions, but rather from the spirit and the impressions of inner secrets. The impressions of all 22 letters are engraved into the spirit, and these impressions enter into the face, to be seen only by those with wisdom. Also, the spirit projects the image of the face of a man, a lion, an ox and an eagle, all for a time.

93. The secret of the face is for those who master inner wisdom. The features of the face are not RECOGNIZED by the outward impressions ON THE SKIN OF THE FACE, AS WAS SAID OF THE FOREHEAD, but by the impressions of inner secrets. For the features of the face are inverted AND APPEAR by force of impressions of the face, which are concealed in the spirit that dwells within. And from this spirit, the features of the face appear outside, which are recognizable only to the wise OF INTERNAL WISDOM, AS MENTIONED ABOVE.

94. The features of the face are recognized from the spirit. There is in man a spirit on which the secret of the letters are engraved, and all 22 letters are enclosed in that spirit. According to the seasons OF MAN, the impressions of these very same letters enter into the face. And as these letters come up, so does the face appear with these engraved impressions according to the time OF MAN. But this appearance does not last long, FOR THESE FEATURES SOON PASS. Only men of Wisdom see them, and they exist never to be forgotten by them.

95. There is a place which is called the 'World to Come', WHICH IS BINAH. From there issues forth the secret of the Torah, WHICH IS ZEIR ANPIN THAT EMANATES FROM BINAH, with all its letters, consisting of 22 letters that comprise everything. And the river that goes forth from Eden, WHICH IS ZEIR ANPIN, receives everything. When the spirits and the souls soar from it, all are stamped with the imprint of these same letters. And everything emerges in this manner. Therefore, the spirit of man is stamped with the imprint of these letters, and the imprint forms a shape on the face OF MAN.

96. Rabbi Shimon said to him: If so, the image of the mother OF THE SPIRIT, NAMELY MALCHUT, is not shaped from within that spirit, AS THE LETTERS COME FROM THE FATHER OF THE SPIRIT - NAMELY ZEIR ANPIN, AS MENTIONED. They replied to him: So we heard from our master, that the form of letters comes from above, FROM ZEIR ANPIN and the form of the mother - NAMELY MALCHUT CONTAINING FOUR FACES, LION, OX, AND SO ON - is formed in that spirit below. And the form of the letters, THAT COME FROM ZEIR ANPIN, are concealed within, and the form of Ima projects outwardly.

97. The form of Ima, WHICH IS MALCHUT, is the face of a man, the face of a lion, the face of an ox and the face of an eagle. And the spirit projects the image of all of them for a time, for everything belonging on the side of the spirit projects itself to the outside, and when it becomes visible, is IMMEDIATELY concealed. All these forms which become visible and are designed in the shape of letters, COME FROM ZEIR ANPIN, even though they are concealed FROM WITHIN, AS PREVIOUSLY MENTIONED. These four forms are visible for a time to those who have eyes to see, AND THESE ARE MEN OF WISDOM who comprehend, by the mystery of wisdom, how to contemplate them.

98. The first form is as follows. When a man walks in the way of Truth, those who know the secret of their Master discern him, because the spirit within is established in him and projects the design to the outside, WHICH INCLUDES the full design; that form becomes the form of man. This form is the most perfect of all other designs, and this is the design that passes for a time before the eyes of the wise-hearted. When they look at his appearance from the outside, at that face that is before them, the eyes of the heart are moved to love him.

99. Four letter signs are impressed on it. One vein is conspicuous on his face in a depression, THAT IS TO SAY, IT IS NOT PROJECTED ON THE OUTSIDE, LIKE A CONSPICUOUS GROOVE, from the right side. There is another vein that includes and seizes two others that are attached to it from the left side OF THE FACE. These four signs are the four letters Ayin, Vav, Dalet, and Tav (Heb. edut, lit. 'testimony'). The sign Ayin is the vein on the right side and is conspicuous in its sunken position. The Dalet and the two letters attached to it, Vav and Tav, form a vein which includes two other veins ON THE LEFT SIDE OF THE FACE. This is the secret of the phrase: "This He ordained in Joseph for testimony" (Tehilim 81:6), for everyone who saw him loved him in their heart, and in this love he was perfected.

100. In the seed of David, the colors are reversed. This is why Samuel erred, as it is written: "look not on his countenance" (I Shmuel 16:7), since the Other Side was in Eliav, which was not so in David. For the features of David were covered, for the forms of the Other Side were included in his own features. And it is the form of the Other Side that is seen first, passing over the eyes temporarily and frightening the heart, yet afterwards: "a comely person, and Hashem is with him" (Ibid. 19). This gives testimony about him.

101. The image of man includes all forms, and all forms include his. Such a man is not frightened in spirit, in times of anger he is calm, his words are calming and he is quickly appeased.

102. In the seed of David - where the image OF THE OTHER SIDE is seen at first and passes briefly before the eyes, AS PREVIOUSLY DISCUSSED - he is self-controlled in anger, and quickly appeased. Yet, he must guard a serpentine hatred in the end. For it is that side that brought THIS about, surrounding itself on all sides UNTIL IT TAKES ITS REVENGE, but the fruit that is enclosed in its shell and the heart become righteous. This is true for righteous people, but in evil people, the original evil form is not turned aside from them, being fully attached to them.

98. ציור"א קדמא"ה, כד אָזיל בר נש בארְח קְשׁוּט, אִינוּן דִּידְעִין בְּרִזִּין דְּמַרְיָהוֹן מְסַתְּבְּלָן בֵּיה, בְּגִין דִּהְוֵא רֹחָא דְלָגוּ, מִתְתַּקְנָא בֵּיה, וּבְלִיט לְבַר, צִיּוּרָא דְכָלָא. וְהֵוֹא צִיּוּרָא אִיהוּ צִיּוּרָא דְאָדָם, וְדָא אִיהוּ צִיּוּרָא שְׁלִים וְתִיר מְכַל צִיּוּרִין. וְדָא אִיהוּ צִיּוּרָא, דְאֵעֵבַר לְפֻם שַׁעְתָּא, קָמִי עֵינֵיהוּ דְחֻכְמִי לְבָא. הָאִי כִד מְסַתְּבְּלָן בְּאַנְפּוּי לְבַר, אִינוּן אַנְפִּין דְקִיּוּמָן קָמִיה, עֵינֵין דְלְבָא רְחִים לֹון.

103. This is the second form. If a man does not walk much in the ways of wickedness, turning aside from this path and returning to His Master, this means that a good spirit is beginning to rest upon him, overpowering the first impurities that were upon him. It is projected outside, observed by the eyes temporarily, in the form of a powerful lion. At the time when THIS IMAGE is seen, this appearance causes the spirit of a powerful lion to prevail in his heart - THAT IS TO SAY, HIS HEART PREVAILS OVER THE EVIL SIDE.

104. With reference to him, WHO HAS THE IMAGE OF A POWERFUL LION, when they discern his face afterwards, it is a face that the heart does not love immediately, but an instant later, the heart returns to love it. When people look at him, he becomes embarrassed and thinks everyone knows his ways; THAT IS TO SAY, IT SEEMS TO HIM THAT EVERYONE KNOWS WHAT HE THINKS AND DOES IN SECRET. AND IN HIS SHAME, blood rushes to his face for a short time, AND AFTERWARDS it reverses its colors to white or green.

105. Three fine veins are on his face. There is one on the right. This is traced on the face, which grips it. Another proceeds upward to the bridge of the nose. There are two on the left, and one that branches downward from these two attaches itself to this one and that one. These letters which are carved upon his face protrude and are not sunken. But when he becomes settled, and gradually becomes accustomed to walking in the way of Truth, they sink.

106. The secret of these letters. He is near (Heb. karov, Kuf Resh Vav Bet). He was far, and when HE CAME NEAR, the letters protruded in his face to give hasty testimony. And this is the mark of Kuf, which is on the right side OF THE FACE. The other letters, WHICH ARE RESH VAV BET, are on the left side OF THE FACE. And even though other veins are seen in his face, they do not protrude on the outside as these do, except when he walks on the path of evil - THEN THESE ALSO PROTRUDE.

107. This appearance is different in one who is from the seed of David. First he appears in the form of man, then that of a lion. He then separates from the Other Side. And in all things, he is the reverse of other men.

103. ציור"א תניינ"א, אי ההוא בר נש לא אזיל כל כך בארְחא בישא, ואסטי מההוא ארְחא, ותב למאריה, לא דהוא רגילא בארְחוי דמתקנן, אלא איהו דהוה באינן אורחי מתעדי, וסטי מנייהו ותב למאריה. האי איהו רוחא טבא שארי למשרי עלוי, ולאִתְתַקפא על זוהמא קדמא דהוה ביה, ובליט לבר, באסתכלותא, דעינין לפום שעתא, כחד דיוקנא דאריה דאתגבר האי בשעתא דחמי ליה, ההוא חיזו גרים ליה לאעבר בלביה אריה דמתגברא לפום שעתא.

104. האי מסתכלן באנפוי לבתר, אינן אנפין דלפא לא רחים לון לפום שעתא, ומיד תב לביה ורחים ליה. כד מסתכלן ביה אכסיף, וחשיב דכלא ידעין ביה. אנפוי חמיין דמא לפום שעתא, מתהפכן לחורא או לירוקא.

105. תלת שוריין אית באנפוי. חד לימינא, דדא אתפשט באנפוי ואתאחיד ביה. חד דסלקא לחוטמיה לעילא, ותרין לשמאלא. וחד דאתפשט לתתא מאינן תרין, ואחיד בהאי ובהאי. ואלין אינן אתון דמתחקקן באנפוי, ואינן בלטין דלא שכיבין. וכד מתנישבא וארגיל בארְח קשוט, שכיבין.

106. ורזא דאינן אתון איהו קריב. דא הוה רחיק, והשתא אינן אתון בלטין באנפוי, וסהדין ביה בבְהילו. וסימנא דא ק' מסטר ימינא אתון אחרנין מסטר שמאלא, ואע"ג דשוריין אחרנין אתחזון באנפוי, לא בלטין לבר כהני. בר בזמנא דהוה אזיל בעקימו.

107. האי איהו זרעא דדוד, אתהפך מחיזו דא. בקדמיתא אתחזי בדיוקנא דאדם, ולבַתר קיימא בדיוקנא דאריה, ואתפרש בדיוקנא דסטרא אחרא, ובכלא, מתהפכא משאר בני נשא.

108. This is the third form. If a man walks in a path that is not correct and his ways lead him away from the path of the Torah, that Holy Spirit is removed from him and another spirit is seen in him; another image which is protruding, observable to the eyes of the wise-hearted as the form of an ox. At the moment that he is observed BY THE WISE OF HEART, they pass the image OF AN OX across their hearts, and contemplate it.

109. On the right side of his face there are three red kernels OF WILD CROCUS, and these red veins are small. And there are three on the left side OF HIS FACE. These are the letters, which are prominent in him. One vein FROM THE THREE ON THE RIGHT AND THE LEFT SIDE is small and spherical. And two other thin veins above are also circular. The eyes of this person are sunken INTO HIS FOREHEAD.

110. This is the secret of these letters. One OF THE THREE is the letter Caf, the other two veins form the letters Resh and Tav. So it is WITH THE THREE VEINS on the left side: ONE OF THEM IS THE LETTER CAF AND THE OTHERS RESH AND TAV. And these letters form that which is written: "The sight of their countenance (Heb. hakarat, Hei-Caf-Resh-Tav) witnesses against them" (Yeshayah 3:9). And these are the letters that protrude in the face more than all other sinews. But if he returns REPENTING, turning away from the left AND COMING to THE SIDE OF the right, then that spirit yields and the spirit of Holiness prevails. Then these veins sink and others protrude on the outside, as we have studied.

111. It is the opposite with the seed of David. The image of the lion is seen first, and afterwards it turns to the image of an ox. Two dark veins are visible in his face, one from the right and one from the left, and these are the letters: one was called 'Dalet' and the other called 'Ayin'. And in everything it is the opposite from other men.

112. The fourth image is the form of a man, always standing ready to amend a secret past, AND DOING NO MORE DAMAGE. This is seen by the wise of heart in the form of an eagle. His spirit is a spirit of weakness. He does not exhibit on his face letters that protrude outwardly, since these were lost and sunk in his early days. Since they left him, they are no longer protruding.

113. This is the secret of him. His eyes do not sparkle with brightness, even when he is joyful, nor at those times when he trims the hair on his head and his beard. This is because his spirit does not shine in those letters, and the sparks of light which he had at the beginning have now declined. It can not be observed when one looks at his face **BECAUSE THERE ARE NO PROTRUDING LETTERS, AS WAS MENTIONED BEFORE**. And this is the secret as it is written: "So I praised the dead that are already dead more than the living that are yet alive" (Kohelet 4:2). However, pertaining to the seed of David, "the counsel (also: 'secret') of Hashem is with them that fear Him: and He will reveal to them His covenant" (Tehilim 25:14).

114. In the spirit of man, letters are impressed, as we have learned, which protrude through to the outside **ON THE FACE**. And this wisdom has been given to the wise to comprehend and to recognize. The spirit can be approached through the concealed significance of the phrase, "This is the book" (Bereshheet 5:11). Everything is approached through this mystery except for facial features, which we judge by another method, according to the rule of the spirit or man of spirit. Happy are those wise ones who are privileged to be entrusted with this knowledge. Until this point is the secret of faces.

9. And you shall behold the secret of the lips

The secret of the lips is in the letter Pe, and we read of the qualities of men with different types of lips.

115. From here forward is the secret of the lips, of the letter Pe, which is included in the secret of the letter Samech. Big lips denote a man who spreads malicious gossip without shame or fear. He is a person who causes dissension and slander between one another, **THAT IS TO SAY, BETWEEN MAN AND HIS NEIGHBOR**. He is "one that sows discord among brethren" (Mishlei 6:19), and he can not keep a secret. When he endeavors in the Torah, he can keep hidden secrets. Yet he still is a malicious gossiper without any fear in his heart.

116. This sign, the letter Pe, is included in the letter Resh but not in the letter Samech. Such a one seems to be righteous but he has no fear of transgressing. One should have no dealings with him, because whatever he does proceeds out of his mouth alone and not from his body.

117. Lips that are dry and shriveled and not thin signify a man with a quick temper. He is malicious. He is intolerant with everything. Openly, he spreads malicious gossip without shame. At times he is frivolous, and scoffs at others. This is a man from whom you must remain at a distance.

118. If his beard becomes full, according to evil speech, such a one speaks openly to everyone. He has no shame and he concerns himself with causing strife. Yet, he is successful in worldly matters. He gazes upon his enemies, and he "winks with his eyes" (Ibid. 13). Concerning him, it is said: "A wicked man hardens his face" (Mishlei 21:29). He stands under the mystery of the letter Pe alone, when it is not included in the Samech at all. Yet at times it is joined to the letter Resh. It is included in this letter Resh.

118. אֲתַמְלִי דִיקְנִיה בְּשַׁעֲרָא, הֵהוּא, לִישָׁנָא בִישָׁא, אֹרִי עֲלֵיה בְּפִרְהֶסְיָא, לִית לִיה כְּסוּפָא. אֲשַׁתְּדֵל בְּמַחְלֻקָתָא. אֲצִלַח בְּמַלְי דְּעֵלְמָא. חָמִי בְּשִׁנְאוֹ. דָּא אִיהוּ קוֹרְץ בְּעֵינָיו, עַל דָּא אֲתַמֵּר הֵעִז אִישׁ רִשָׁע בְּפָנָיו. דָּא אִיהוּ בְּרָזָא דְּאֵת ס' בְּלַחְדוּדֵי. דְּלָא אֲתַכְּלִיל בְּאֵת ס' כָּלֵל. וְלִזְמַנִּין אֲתַחְבֵּר בְּאֵת ר' בְּהַאי אֵת ר' אֲתַכְּלִיל.

10. And you shall behold the secret of the ears

The size and shape of ears is correlated to certain human characteristics, the ears being of the letter Yud. From here, we are told that the Zohar will speak about the mysteries of the verse, "This is the book," in its supreme spiritual level in the context of times and seasons of this world.

119. The mystery of the ears. One whose ears are large has foolishness in his heart and madness in his spirit. One whose ears are small and preserve a proper shape, when awakened, is wise-hearted. He will concern himself with everything. This type is under the letter Yud, which is included in all other letters.

119. בְּרָזָא דְּאוּדְנִין, מֵאן דְּאוּדְנִין רַבְרַבִּין, טַפְשָׁא בְּלִיבִיה וְשִׁגְעוּנָא בְּרוּחִיה. מֵאן דְּאוּדְנִין זְעִירִין, וְקִיּוּמִין עַל קִיּוּמָא. פְּקִיחָא דְּלִבָּא בְּאֲתַעְרוּתָא אִיהוּ. צְבִי לְאֲשַׁתְּדֵלָא בְּכָלֵא. וְרָזָא דָּא אֵת י' דְּאֲתַכְּלִיל בְּכָל שָׂאֵר אֲתוּן.

120. Until this point is the secret of the shapes of man. From here forward we will concern ourselves with other mysteries of our master RABBI SHIMON which have no standing with regard to the countenance. Rather, we will endeavor to learn the mysteries of the verse, "THIS IS THE BOOK," in its supreme spiritual level in the context of times and seasons of this world, of WHICH UNTIL NOW we were not worthy of knowing.

120. עַד הֵכָא, רִזִּין דְּדִיוּקְנִין דְּבַר נֶשׁ. מִכָּאן וְלְהֵלָאָה, רִזִּין אַחֲרֵינִין בְּאֲתוּן דְּמַר, דְּלָא קִיּוּמִין גּוּ פְּרִצוּפָא, אֶלָּא לְמַנְדַּע רִזִּין דְּהַאי פְּסוּקָא, גּוּ דְּרִגִּין עֲלָאִין, בְּזַמְנִין וְתַקִּיפִין דְּהַאי עֲלְמָא, וְלָא זְכִינָן בְּהוּ.

121. Rabbi Shimon said: My children, you are worthy in this world and you are worthy in the World to Come. Blessed are my eyes that will be worthy to see this when I enter the World to Come. For the sake of my soul, I call to Atik Yomin ('Ancient of Days') this verse: "You prepare a table before me in the presence of my enemies: You anoint my head with oil; my cup runs over" (Tehilim 23:5). And the Holy One, blessed be He, calls to us: "Open the Gates, that the righteous nation that keeps faithfulness may enter in" (Yeshayah 26:2).

121. אָמַר ר' שְׁמַעוֹן, בְּנֵי, זְכָאִין אֲתוּן בְּעֵלְמָא, דִּין, וּבְעֵלְמָא דְּאֲתִי, וּזְכָאִין עֵינֵי, דִּיזְכוּן לְמִיחְמֵי דָּא, כִּד אִיעוּל לְהֵהוּא עֲלְמָא דְּאֲתִי. בְּגִין נְשַׁמְתִּי קְרִי לְעֵתִיק יוּמִין, הַאי קְרָא, תַּעְרוּךְ לְפָנֵי שְׁלַחַן נִגְדַּ צוּרְרֵי דְּשִׁנְתָּ בְּשִׁמְן רֵאשֵׁי כּוּסֵי רוּיָה. וְקוּדְשָׁא בְּרִיךְ הוּא קְרִי עֲלֵךְ, פִּתְחוּ שַׁעֲרִים וְיָבֵא גּוֹי צְדִיק שׁוֹמֵר אַמּוּנִים.

11. And you shall behold the secret of the lines of the hands

We are told that God impressed spiritual mysteries upon the palm and fingers of a person. The mystery of the palm is of the letter Caf. The skin, bones and sinews are compared to things in the supernal realms. Returning to a discussion of the face, we read that it is only possible to discern a person fully when the face is without anger, but is shining and serene. Much reference is made in this whole section to the firmament, the heavens and the stars. At the end we learn that Moses had no need of these signs by which the wise recognize the wise, for he was informed by the Holy Spirit; King Solomon knew these things and was able to judge because of his throne, but King Messiah will judge by the fragrance. And these three were able to judge the world without witnesses. All others who are wise in these signs must warn people, and try to heal them.

122. They opened the discussion with a discourse on the verse: "and they had the hands of a man under their wings" (Yechezkel 1:8). This verse, the friends explained, are the hands to receive penitents who return to the Holy One, blessed be He. "...the hands of a man..." are the forms and spiritual mysteries which the Holy One, Blessed be He, impressed upon man and arranged in his fingers, outwardly and inwardly, and in his palm. THAT IS, THE PALM OF HIS HAND.

123. When the Holy One, blessed be He, created man, He arranged in him all the forms of the supernal mysteries of the world above, WHICH IS BINAH, and all the images of the lower mysteries of the world below, WHICH IS MALCHUT. And all is carved in man and found in the image of Elohim, because he is called "the creation of the palm," WHICH IS THE PALM OF THE HOLY ONE, BLESSED BE HE.

124. And the mystery of the palm (Heb. caf) is of the letter which is called 'Caf', as it is written: "And Elohim created Man in His own image" (Bereshheet 1:27). This is the secret of the letter Caf. This letter has supernal secrets and spiritual forms. This Caf, WHICH IS THE PALM OF THE HAND, contains ten sayings from right and left - five in the right PALM and five in the left PALM. And all are one, in one secret - THE RIGHT AND THE LEFT ARE UNITED INTO ONE.

125. It is written: "I will also smite My one palm upon the other" (Yechezkel 21:22). ITS EXPLANATION is that this one and that one shall be in conflict so that blessings will be removed from this world, and the pride of Yisrael will be given over to the other nations. THIS IS BECAUSE FROM THE UNIFICATION OF RIGHT AND LEFT THERE CONTINUE FROM THE LEFT THE THREE FIRST SFIROT TO YISRAEL, WHICH IS THEIR PRIDE. WHEN THEY ARE DIVIDED, THE OTHER NATIONS SUCKLE FROM THE LEFT COLUMN, AND THE PRIDE OF YISRAEL IS GIVEN OVER TO THE HEATHEN NATIONS. And when they are joined together, it is written: "One spoon (Heb. caf) of ten shekels of gold, full of incense" (Bemidbar 7:14). This is an indication of one connection, WHICH MEANS THE TEN FROM THE RIGHT AND THE LEFT ARE UNITED IN ONE PALM (HEB. CAF). And when they are united in one connection, it is written: "And Elohim created man in His own image..." "And Elohim created," implies the departure of thought through the inner mystery; "man," is the secret of Male and Female together, SINCE ET (ENG. 'THE'), WHICH COMES BEFORE THE WORD "MAN," IS FEMALE, AND "MAN" (HEB. ADAM) IS MALE. "In the image of Elohim," is the mystery of Caf, THAT IS, WHEN TWO RIGHT AND LEFT PALMS WERE UNIFIED INTO ONE CAF, WHEN ALL SUPERNAL MOCHIN EMANATE FROM THEM.

126. When man was created, what is written concerning him: "You have clothed me with skin and flesh..." (Iyov 10:11). HE ASKS: If so, what is man IN HIS ESSENCE? AND HE ANSWERS: If you think THAT MAN is nothing more than skin, flesh, bones and sinews, this is not so. For certainly man is but his soul. And skin, flesh, bones, and sinews, are all only the clothing. These are the implements of man, and not man HIMSELF. And when man passes away, he divests himself of all these implements that he wore.

122. אוף אינון פתחו ואמרו, כתיב וירי אדם מתחת בנפיהם, האי קרא אוקמהו חבריאי, דאינון ידין לקבלא מאריהון דתיובתא דתבאן לגבי קודשא בריך הוא. אבל ירי אדם, אלון אינון דיוקנין ורזין עלאין, דשוי קודשא בריך הוא בבר נש, וסדר לון באצבען לבר ולגו. ובהוא כ"ף.

123. וקודשא בריך הוא כד ברא ליה לבר נש, סדר ביה, כל דיוקנין דרזין עלאין, דעלמא דלעילא, וכל דיוקנין דרזין תתאין, דעלמא דלתתא, וכלא מתחקא בב"נ, דאיהו קאים בצלם אלהים, בגין דאקרי יציר כ"ף.

124. ורזא דכ"ף, דאת דא דאקרי כ"ף, דכתיב, ויברא אלהים את האדם בצלמו, דא איהו רזא דאת כ"ף. את דא, אית ביה רזין עלאין, ודיוקנין עלאין. בהאי כ"ף תליין עשר אמירן מוימינא ומשמאלא, חמש מימינא, וחמש משמאלא, ואינון חד ברזא חדא.

125. תנינן כתיב וגם אני אכה כפי אל כפי, דלהו דא עם דא בפלוגתא ויסתלקו ברבאן מעלמא, הואיל וגאותא דישראל אתיהיבת לעמין. כד מתחברן כחדא, כתיב, כף אחת עשרה זהב מלאה קטרת רמז לחבורא חדא. וכד הוו בחבורא חדא, כתיב, ויברא אלהים את האדם בצלמו וגו'. ויברא אלהים דא סליקו דמחשבה ברזא פנימאה. את האדם: רזא דכ"ף ונוקבא כחדא, בצלם אלהים רזא דכ"ף.

126. כד אתברי אדם, מה כתיב, ביה, עור ובשר תלבישני וגו'. אי הכי האדם מהו. אי תימא, דאינון אלא עור ובשר עצמות וגידים, לאו הכי, דהא ודאי האדם לאו איהו אלא נשמתא. ואלין דקאמר עור ובשר עצמות וגידים, כלהו לא הוו אלא מלבושא בלחודוי, מאנין אינון דבר נש, ולא אינון אדם. וכד האי אדם אסתלק, אתפשט מאנון מאנין דקא לביש.

127. The skin with which man has been clothed and all these bones and sinews, are all in the mystery of the supernal wisdom corresponding to that which is above. AND HE EXPLAINS THAT the skin, corresponding to that which is above, is, as we have learned, in connection with the curtains, as it is written: "who stretches out the heavens like a curtain" (Tehilim 104:1), "rams' skins dyed red, and badgers' skins" (Shemot 25:5). These are the garments up above that cover the garments which are like the extensions of the heavens, which is the outer garment. The curtains are the inner garments, corresponding to the skin that protects the flesh. AND THUS IT IS SAID, "WHO STRETCHES OUT THE HEAVENS LIKE A CURTAIN," AS THE CURTAINS ARE THE INNER GARMENTS, AND ON THESE ARE THE HEAVENLY GARMENTS FROM THE OUTSIDE.

128. The bones and the sinews are the Chariots and all the hosts, which are appointed inward. THAT IS, THEY ARE ALL AN INNER ASPECT AND THE FIRST THREE SFIROT OF THE OUTER PART OF THE GRADE, FOR THE SINEWS ARE THE NESHAMAH OF THE GARMENT, AND THE BONES ARE AN ASPECT OF CHAYAH OF THE GARMENT. And all of these are garments to that which is inward, which is also the mystery of the supernal man who is the innermost TO THEM.

129. The same secret is found here below. Man is the inner of the innermost and his garments correspond to that which is above. The bones and the sinews are similar to what we have said regarding the Chariots and hosts, THAT ARE CALLED 'BONES' AND 'SINEWS'. The flesh is a covering to those hosts and Chariots THAT ARE CALLED 'BONES' AND 'SINEWS', and appears itself outwardly TO THEM. And this is the secret THAT THE FLESH is being drawn FROM HIM to the Other Side. The skin, which covers all, corresponds to the firmaments which cover everything. And all of these are garments to be worn by him, the innermost being the mystery of man. And all is a secret. For what is below corresponds to the above. And thus it is written: "And Elohim created man in His own image, in the image of Elohim" (Beresheet 1:97). For the mystery of man below corresponds entirely to the secret above.

130. In this firmament up above, which covers everything, impressions were set in it to show and know, through these impressions, things and concealed secrets. These are the shapes of the stars and constellations recorded and fixed in this firmament, which covers externally. Similarly, the skin which covers man FROM THE OUTSIDE is like the firmament that covers all, having lines and impressions - which is CONSIDERED TO BE AN ASPECT OF THE stars and constellations of this skin. One may perceive in them hidden things and deep mysteries of the stars and constellations, THAT ARE THE IMPRESSIONS AND LINES IN THE SKIN, through which the wise of heart may study them, and discern the secrets hidden within, as we have stated. And this is the secret of: "the astrologers, the stargazers" (Yeshayah 47:13).

131. And this can be discerned only when the face shines and remains without anger, FOR ONLY THEN CAN WE OBSERVE AND DISCERN, AS MENTIONED PREVIOUSLY. At the time when anger rules over man, another Judgment is applied. And why was this principle not given to us for our use? IT IS POSSIBLE to know at the time when Judgment rules the firmament.

132. But the face is observed in its truthful way, when the face shines and man is secure. THEN these impressions are seen in a truthful way, and with this discernment one is able to judge better, with clarification - although there are many STYLES the wise can utilize to discern.

133. The lines of the hands and the lines of the fingers from the inside are all set under other secrets with which to discern concealed matters. And these are the stars that shine so as to reveal the interiors of the constellations in high ministers.

134. There are supernal secrets in the fingers. The nails of the fingers cover them from the outside. They are explained through these inner secrets that are manifested on the outside. These contain secrets to those wizards who contemplate the fingernails, in the light of other principles that govern them, and these magicians defile that place.

135. In the nails, there are times when little white stars shine from them - THAT IS, LITTLE WHITE SPOTS ARE SEEN IN THE NAILS, which are similar to birthmarks, the shape of lentils - and they are sunk IN THE NAILS as if nailed to a board. And they are different to those other white SPOTS that are not sunken, but are fixed above ON THE NAILS; those that are not sunken have no meaning. But those that are white and immersed like birthmarks the shape of lentils, have meaning, and they are a good omen for man, and he will succeed during this time. Or if a judgment was imposed upon him he will be rescued from it.

136. The lines of the hands are among the supernal mysteries, along with the fingers from the inside, THAT IS, NOT ON THE SIDE OF THE NAILS, BUT THE SIDE OF THE FLESH. In the hands, there are large lines and small, thin upper lines in the right. In the little finger on the right, there are thin impressions. This finger is fixed permanently on acts by the Other Side.

137. In this finger, we find lines that are formed when the finger is folded, DURING THE CLOSING OF THE HAND. We do not observe these, except if added to BY OTHER LINES. If two other lines are added to the line THAT THE FINGER formed when doubled over, a way of opportunity will not be opened to him. And if he does initiate an opportunity, he will not succeed.

138. In the case where the lines are fixed lengthwise between impressions, BETWEEN THE IMPRESSIONS FORMED WHEN THE FINGER IS FOLDED OVER, at the time when the skin of the finger is pulled backwards - AND WITH ALL THIS, these recognizable impressions remain AND ARE NOT ERASED DUE TO THE PULLING OF THE SKIN, such a person will succeed in his ways. The sign for this is three lines in width, and four in length. This is the secret of Zayin from the small letters. FOR IN THE HEBREW ALPHABET THERE ARE THREE STYLES OF LETTERS: LARGE, MEDIUM, AND SMALL. AND THE ZAYIN HERETOFORE MENTIONED REFERS TO THE SMALLEST STYLE OF LETTERS.

139. IF there is one impression that is a lengthwise line, and there are two widthwise lines, then along his travels he will hear of things in the near future, but they will not benefit him. If there are impressions that are four lengthwise lines and four widthwise lines, an opportunity will come his way, and through hard effort the results will be to his benefit. And this is the mystery of Zayin from the medium size letters of the Hebrew alphabet, those between the large LETTERS and the smaller LETTERS.

140. If there are five small impressions in width at the bottom, and four in width at the top, and four lengthwise, he has peace in the house, and he is lazy. An opportunity may present itself for him, but he does not wish to take advantage of it. Had he taken advantage, he would have succeeded along this path. But he takes no advantage of it because he is lazy. And this is the mystery of the small Zayin.

141. The middle finger is the finger that stands TO SHOW IF he should manifest the action of which he thought. If one line is fixed lengthwise between lines at width, he thinks thoughts, but they are gone from him; he fears and he does not CARRY THEM OUT, and these thoughts amount to nothing.

142. If two lines are fixed lengthwise EVEN when the skin of the finger is pulled backwards, AND THEY ARE NOT CANCELED DUE TO THE PULL OF THE SKIN, he has no real thoughts, but only thinks superficial thoughts of the moment and accomplishes them. But he does not have contemplative thoughts, rather impulsive and petty thoughts, but no contemplative thoughts.

143. If there are three impressions in length and two or three impressions in width, after he stretches the skin OF THE FINGER backwards, he is a man who is wise and contemplative. And all those thoughts that are on the side of the Holy One, Blessed be He, will be fulfilled by his hands, but not so with other thoughts.

144. If there are four or five IMPRESSIONS in length after the skin OF THE FINGER is stretched, as previously stated, and they rest on three or four, or even two or more IMPRESSIONS OF THE lines in width, such a person has thoughts which tend to be evil and he glories in such thoughts. And when the beard and eyebrows are red, he thinks evil and glories in it for a brief time. He is cunning, and he always yields to these evil characteristics. Thus, he succeeds. After a brief period, he dies.

145. The remedy for this is repentance. And then we find three or four impressions resting on two, THAT IS, three or four impressions in length resting on two impressions in width, since, according to the habit of man, lines are changed from time to time. This secret is derived from the verse: "that brings out their host by number; He calls them all by names; because of the greatness of His might, and because He is strong in power" (Yeshayah 40:26).

146. As the Holy One, blessed be He, changes hosts and seasons in the stars in the heavens - this day, so, and another day, thus, all according to the SUPERNAL man who is the inner aspect of his actions as they appear in these heavens, the same is seen on the skin of man below, since his skin, which covers everything, is a firmament.

147. And all is according to the kind of inner man who is at times under Judgment and at times under Mercy. This is exactly the same sight outside, OVER THE FIRMAMENT, that at times appears in this mode, and at other times in that mode. This is also similar to that man, as we have stated previously, that is at times SEEN ON HIS SKIN in this way and at other times in that way. This is the secret sign of the letter Zayin when it is included in the letter Yud.

148. And these secrets are in the fingers of the right hand - the little FINGER and the large one, THAT IS, THE MIDDLE FINGER. The indication is: "but hear the small as well as the great" (Devarim 1:17). These two fingers are connected to these secrets. These are the mysteries which we have learned from our master, from the secrets of Rav Yesa Saba (the elder). From now and onward, other lines, are all called 'descendants', which refers to the descendants of Adam, as it has been written: "the generations of the heavens" (Beresheet 2:4). As we have learned, all is this secret. Similar to this are the descendants of man in all the shapes of the face, and in all that we discussed before, and in those descendants of the lines of the hands that are seen through inner secrets, as is fit.

149. "This is the book of the generations of Adam" (Bereshheet 5:1). This refers to the lines. To the signs Zayin-Resh-Hei-Pe-Samech-Tzadik, WHICH ARE THE LETTERS OF "THIS IS THE BOOK (HEB. ZEH-SEFER, ZAYIN-HEI, SAMECH-PE-RESH)," TZADIK HAS BEEN ADDED. The secrets to the wise in heart are Resh-Zayin-Hei-Samech-final Pe; Five letters in five gates for the gain of Wisdom by understanding.

150. The First Gate is Resh. In the hand, there are thin lines and great lines. And all these lines mingle with one another. The great lines that are in the hand, when they are two in length, and two in width, and merge with each other are the secret of the letter Hei, and the letter Resh. It rejects the letter Zayin, and seizes these two letters. At its width, it takes the letter Hei; at its length, it takes the letter Resh. Its sign is Hei-Resh.

151. There are those who have similar lines TO THOSE ON THE RIGHT HAND ALSO in the left hand, particularly with the great lines. But it is with small lines that the right hand receives, while the left hand does not receive. For the right hand receives one thin line in length above, and one thin line below, which is seized between two great lines THAT ARE FOUND THERE. In the width there is one thin line that touches below two lines resting upon it. But in the left hand, this is not so. Thus, the secret is in the right hand and not the left.

152. This is a man who adores BEING at home at times, and on the road at times. His heart is not at ease with either. When he is at home, he yearns for the road; and when he is on the road, he yearns for home. He is always successful on the road, and at times at home. This person is successful in the Torah and in the mysteries of the Torah if he puts effort into them. He gazes on his enemies. Many will benefit from him. He is lazy in worldly matters. Yet, if he is stimulated FROM BELOW, then they will stimulate to improve him from above. He gains merit through his words. He is precious and spends his money. He has a good eye. His prayers are heard. In regards to money, he has ups and downs THAT IS, IN HIS POSSESSIONS.

153. There are times when his heart is broken before his Master. And then we find three small lines crossing the thin line that was added to the two lines in width. And this is the secret. The Hei is joined with the Resh. HE GIVES A BRIEF REVIEW OF THE WORDS, WHICH IS GOOD FOR THE MEMORY. It is the road. It is home. It is delight. It is sadness. It is beneficial. He is lazy. He is good-eyed. He is precious and scatters his money. It implies a broken heart, and the return to his Master.

154. The second gate is Zayin. In the right HAND, in the part that accepts AND RECEIVES, NAMELY IN THE PALM OF THE HAND, there are impressions. When three great lines in width and two great lines are found, and one of those in length touches two in width, while the other one does not touch them, this implies a defect in the seed, either from the side of the father or the side of the mother.

155. And then we find below the three lines in width, two thin lines that touch them from below. This signifies a man who amends his actions in front of other people, yet his heart is not true. And at the time of his old age he repents to correct his actions. Then we find the two lines in length touch those in width, this one with that one, and two others, thin lines, with them in the middle - lengthwise - and also three thin lines in width. And this is the mystery of the Zayin that is linked to the letter Resh.

156. When he reaches old age and repents, as we have said, he is corrected under the secret of the letter Resh, and is joined with the letter Zayin. Afterwards, when matters have been corrected, he is always in silence and all his actions are secretive. But he is not established fully in this, because this defect, WHICH IS STILL IN HIS SEED, has not given him up AND STIMULATES HIM TO EVIL.

157. But after this defective seed gives up, then we find four and five lines in his right hand, four lines in length and five in width. And this secret is Zayin that is linked to the letter sign Hei. This implies that at times he succeeds in matters, and at times he does not succeed. He will succeed in Torah learning. And toward the end of his life, he will even succeed even in financial matters.

158. The third gate is Hei. In the right hand, when there are five lines in width, and three in length, and there is a middle line RECOGNIZED ESPECIALLY among the three lines IN LENGTH, this is the secret of the letter Hei, which is supported by the letter Samech.

154. תרעא תנוינא, ז'. בימינא, בקסטירו דקולטא, רשימין שכיחי, כד אשתכחו תלת שרטוטין רברבין בפותיא, ותריין רברבין בארכא, וחד מאינון דארכא, אחיד באינון תריין דפותיא, וחד אחרא לא אחיד בהו. האי אית פסלו בזרעיה, מסטרא דאבוי, או מסטרא דאמיה.

155. וכדין משתכחי לתתא מאינון תלת שרטוטין דפותיא, תריין שרטוטין דיקיין, דאחידן בהו לתתא. האי איהו בר נש, מתקן עובדוי, קמי בני נשא, ולביה לא קשוט. ולזמנא דסיב, אהדר לאתתקנא. כדין אשתכחו אינון תריין שרטוטין בארכא, אחידן באינון דפותיא, דא עם דא. ותריין אחרנין עמהון באמצעיתא, דיקיין, ודא בארכא. ותלת דיקיין בפותיא, ורזא דא ז' דמתחברא באת ר'.

156. וכד איהו סיב ותב כדקאמרן, אתתקן איהו ברזא דאת ר', ואתחבר באת ז'. לבתר כד האי אתתקן, איהו תדיר בלחישו, וכל עובדוי בלחישו. אבל לאו איהו בקיומא כדקא חזי בגין דההוא פסלו, עד לא אתיאיאשא ביה.

157. ולבתר דאתיאיאשא. ההוא פסילו, כדין אשתכחו שרטוטין בינא ימינא, ארבע וחמש. ארבע בארכא, חמש בפותיא. ורזא דא ז', ואתחבר באת ה'. האי לזמנין אצלח, לזמנין לא אצלח. אצלח באורייתא, ולסוף יומוי, אצלח אפילו בממונא.

158. תרעא תליתאה, ה'. בימינא, כד אשתכחו חמש שרטוטין בפותיא, ותלת בארכא, ואשתכח ההוא שרטוטא דאמצעיתא מאינון תלת, דא איהו ברזא דאת ה', ואסתמיך באות ס'.

159. If this middle line FROM THE THREE LINES IN LENGTH is found to enter and to touch those five lines in width, it signifies a man who is sad and angry in his house. But this is not so with other men. He is a miser in his house, he is angry and hungry, yet at other times he is not. Outside of his house, he is not this way. He succeeds in worldly matters. When he is occupied with Torah, he observes a little, and then goes back to it. He is truthful, but not always. And at those times that he is not truthful, he appears to be truthful. He is successful in judgments. He is faithful to the secrets of the Torah. And this is the sign of the letter Hei and is linked to the letter Samech.

160. If there are four lines in width, and five lines in length, and two of those in length enter in the midst of those four IN WIDTH, it signifies a man who is happy in his house, but appears to be of sad heart on the outside. Yet, this is not true for as soon as he speaks with people, he shows happiness and speaks with intent.

161. Three small lines enter in the midst of those lines in length. And this person has a black spot on his body, and three hairs hang from this spot. The spot is round, and a break is in the top OF THE SPOT. This impression is called by the wise in heart, who know these mysteries, the name of 'Eagle Head'. This impression is sometimes seen between his shoulders, and at times on his right arm, and at times on his right hand on his fingers.

162. If this impression, which we call Eagle Head, is in a manner that is well set, then he will be raised to wealth and honor. But if this Eagle Head is turned backwards, he will at times be worthy of children. As he grows older, he will be worthy of great wealth and great honor, more than when he was a youth. He will also succeed in the Torah if he occupies himself with it.

163. This Eagle Head looks black at times, and at times it is a color that is only slightly red, for it was not dyed much. And WE LOOK AT THE HAIR HANGING FROM IT, for at times they are straight. And everything is under one sign, and judged according to the same law.

159. בזמנא דאשתכח ההוא שרטוטא דאמצעיתא, דעאל ואחיד גו אינון חמש שרטוטין דפותיא, דא איהו בר נש עציב ורגיז גו ביתיה, ובגו בני נשא לאו הכי. קמצן איהו בביתיה, ורגיז וכפין, ולזמנין לא. לבר מביתיה לאו הכי. אצלח בעוברי עלמא. כד אשתדל באורייתא אסתכל זעיר ואתהדר בה. מהימנא איהו, אבל לאו כל זמנא. וההוא זמנא דלאו מהימנא, אחזי גוון קשוט, ולא קשוט בשלימו. בדינא יצלח. מהימנא איהו ברזין דאורייתא, דא איהו ברזא דאת ה', ואתחבר באת ס'.

160. ואי ארבע שרטוטין בפותיא, וחמש בארפא, תרין מאינון דארפא, עאלין גו אינון ארבע, דא איהו בר נש חדי בביתיה, ואתחזי עציב לבא לבר, ולא הכי דכיון דמליל עם בני נשא, אחזי חרו ואתכוון במלוי.

161. תלת שרטוטין זעירין עאלין גו אינון דארפא, דא אית ליה חד רשימו אוכם בגופיה, ותלת שערין תליין בההוא רשימו, וההוא רשימו איהו בעגולא, וחד תבירא ברישיה. ולהאי רשימא, קראן ליה חכימי לבא, דידיעין רזין אלין, ריש נשרא. רשימו דא, אתחזי לזמנין, בין כתמוי. ולזמנין, בדרועא ימינא. ולזמנין, על ידא ומינא באצבעוי.

162. אי רשימא דא ריש נשרא, איהו בארח מיושר בתיקונוי, וסתלק לעותרא וליקרא. ואי ההוא ריש נשרא אתהפך לאחורא, יזכה לבנין לזמנין. אבל כד איהו סיב, יזכה לעותרא ותיר, וליקר סגינא, ותיר מעולמוי, ויצלח באורייתא, אי אשתדל בה.

163. ריש נשרא דא, אתחזי לזמנין אוכמא, ולזמנין גוון דלא סומק זעיר, דלא אצטבע כל כך. לזמנין בשערין לזמנין שעיע, וכלא חד סימנא איהו, ובחד דינא אתדן.

164. If this red color is significantly red and maintains its color; and if it is only a brief time since it became colored; and - since these colors are found shining at times, and at other times are dim - if this red color becomes bright and shining; and he has in his left hand three lines in length, and three lines in width; and there is one thin line on those width lines and one thin line on those length lines; and in the right hand, one thin line alone is added to the width, then he is a man who slept with a menstruant woman and did not repent to his Master.

165. And when he repents, the lines in the left hand remain. And the line that was added in the right hand is gone. And the red color is also gone, for the brightness does not shine as much. And at times, even though he repents, the redness is not removed for a time. This is in the mystery of the letter Hei. And the letter Samech is removed, and instead the letter final Tzadik has been substituted, and the letter Hei is linked to final Tzadik. This person quickly needs a correction of the spirit. It is incumbent upon the wise of heart, who observe him, to say to him: "Go and heal yourself."

166. Three lines in length and one in width is the secret of the letter Hei by itself. And at times it is linked to the mystery of the letter Zayin. This signifies a man who lusts and is greedy for profit in the world. And if not, then he chases women with the lust for committing adultery. And even though he lusts and is greedy for gain in the world, this is not removed from him, and he is not ashamed. His eyes are sunken, and he speaks with them. THAT IS, AT THE TIME OF SPEAKING HE WINKS WITH HIS EYES.

167. If he returns to his Master, the lines are changed - three in width, and one in length. The two thin lines remain. This implies that he desires his wife more, and attaches himself to her. One especially thin line enters between two thin lines. Then the letter Hei joins itself to the letter Zayin.

168. If: one line is in length and four lines are in width; and three thin lines remain on the same one THAT IS IN LENGTH; and one line on the four THAT ARE IN WIDTH; on the left arm are three thin lines that just appeared a few days previously; and a single hair hangs on that one THAT IS at their top, then he is one eager to commit adultery with his neighbor's wife. He is malicious. He frightens with his left eye, without uttering a word, and completes - THAT IS, HE COMPLETES HIS WORK AND DOES NOT HAVE TO SPEAK. Because he is malicious, returning to his Master does not concern him. Afterwards a serpent or a red man, will kill him.

164. ואי ההוא גוון סומק אצטבע יתיר, וקאים בגוניה, זמן זעיר הוא דאצטבע, בגין דאלין גוונין, לזמנין קיימין נהירין, ולזמנין חשוכין. ואי אצטבע ההוא סומק ונהיר, כדן אית בידא שמאלא, תלת שרטוטין בארפא, ותלת בפותיא, וחד דקיק על אינון דפותיא, וחד דקיק על אינון דארפא. ובידא ימינא אתוסף חד בפותיא בלחודוי. האי בר נש שכיב בנדה, ולא תב מינה למאריה.

165. וכד תב בתיובתא, אשתארו אינון שרטוטין בידא שמאלא, וההוא דאתוסף בימינא, אתעדי מניה, ואתעדי ההוא סומקא, דלא אתחזי נהיר כל כך מניה. ולזמנין דאף על גב דתב, לא אעדיו מניה ההוא סומקא, עד זמן. האי איהו ברזא דאת ה', ואתעדי את ס', ועאל תחותוי את י', ואתחבר את ה' באת י'. האי בעי תקווא לנמשיה בבהילו. חבימא דלבא דחמי ליה, חובתא אית עליה, לומר ליה זיל אסי לנמשך.

166. ואי תלת שרטוטין בארפא, וחד בפותיא, דא איהו ברזא דאת ה' בלחודיה. ולזמנין אתחבר ברזא דאת ז'. האי איהו בר נש תאיב בתר בצעין דעלמא. ואי לאו, רדיף בתר נשין, ותיאובתיה נאופים. ואע"ג דתאיב לבצעין דעלמא, האי לא אעדיו מניה, ולא אכסיף. עינוי שקיעין ומליל בהו.

167. אי תב למאריה מתחלפי שרטוטין. תלת בפותיא וחד לארפא, ואינון תרין דקיקין קיימין בקיומא, כדן רעו דיליה יתיר באתתיה, ואתדבק בה. חד דקיק יתיר, עאל בין אינון תרין דקיקין. כדן אתחבר את ה' באת ז'.

168. ואי שרטוטא חד בארפא וארבע בפותיא, ותלת דקיקין קיימין על ההוא חד, וחד על אינון ארבע. על דרועא שמאלא, אית ליה תלת קסטרין דקיקין, דאתילידו ביה מיומין זעירין, וחד שערא תליא, בההוא חד דרישא. האי איהו רדיף בתר נאופא דאשת חבריה. מאריה דזונא איהו. אגזים בעינא שמאלא, בלא מלולא כלל, ואשלים. ובגין דאיהו מאריה זונא, לא חייש ליקרא דמאריה, לאתבא קמיה. לבתר קטיל חווא ליה, או בר נש סומקא.

169. If there are four in length, and three in width, and those lines that go up are removed from him, this implies he breaks his heart before his Master and repents. This is under the principle of the letter Pe, and is joined with the letter Hei. Of these it is written:

"Peace, peace both for far and near." (Yeshayah 57:19).

170. Until this point are all the secrets of the generations of Adam, which is the history of those born to him from time to time, according to the nature of man. Happy is the lot of those who sit before my master, RABBI SHIMON, who are worthy to hear from his lips the secrets of the Torah. Happy are those in this world, and happy are those in the World to Come. Rabbi Shimon said: Happy are you, friends that no secret has disappeared from you. How many supernal places await you in the World to Come!

171. He opened with the quote, "Moreover (lit. 'and') you shall provide (lit. 'behold') out of all the people able men, such as fear Elohim, men of truth, hating unjust gain" (Shemot 18:21). HE ASKS: But it is written: "you shall behold" instead of, 'you shall choose'. AND HE ANSWERS: "you shall behold" according to sight. In what? In the image of man, in those six characteristics that we previously discussed, and everything is in that verse. "...you shall behold..." is the first, of the hair; "out of all the people" is the second, of the brow; "able men" is third, of the face; "such as fear Elohim" is the fourth, of the eyes; "men of truth" is the fifth, of the lips; "hating unjust gain" is sixth, of the hands and their lines.

172. For all these are the signs by which we recognize men on whom the spirit of Wisdom rests. Yet Moses had no need of them, for as it is written: "And Moses chose able men out of all Yisrael" (Ibid. 25). For the Holy Spirit came to him and informed him. And through this he could see it all.

173. From where do we learn this? From the verse: "When they have a matter, they come (lit. 'he comes') to me" (Ibid. 16). It is not written 'they come', but "he comes." This is the Holy Spirit that came to him, and that is how he knew. Therefore, Moses had no need to observe and ponder all this, since he knew instantly.

169. ואי ארבע בארפא, ותלת בפותיא, ואינון דסלקין לעילא אעדיו מניה. האי, תבר לפיה לגבי מאריה, ותב בתיובתא. כדן איהו ברזא דאת פ', ואתחבר באת ה'. על אלין, ועל אינון דכוותיה, כתיב, שלום שלום לרחוק ולקרוב.

170. עד הכא, כל אינון רזין דתולדות אדם, דאינון תולדות, דאתילידו ביה מזמן לזמן, כפום ארחוי דבר נש. זכא חולקיהון דאינון דיתבין קמיה דמר, וזכו למשמע מפומיה רזין דאורייתא. זכא אינון בהאי עלמא, וזכאין אינון לעלמא דאתי. אמר ר' שמעון, זכאין אתון חבריא, דכל רזין לא אגיס לכו, כמה דוכתיב עלאין אזהמנן לכו לעלמא דאתי.

171. פתח ואמר ואתה תחזה מכל העם אנשי חיל יראי אלהים אנשי אמת שונאי בצע, האי קרא אוקמוה. אבל ואתה תחזה, תבחר לא כתיב. אלא תחזה: לפום חיזו דעיינין. במאי. בדיוקנא דבר נש באלין שית סטרין דקאמרתון וכלא בהאי קרא. ואתה תחזה, חד, בשערא. מכל העם, תרין, במצחא. אנשי חיל, תלת, באנפין. יראי אלהים, ארבע, בעיינין. אנשי אמת, חמש, בשפון. שונאי בצע, שית, בדין. בשרטוטיהון.

172. דאלין אינון סימנין, לאשתמודעא בהו בני נשא, לאינון דרוח חכמתא שריא עליהו. ועב"ד, משה לא אצטריך דא, אלא מה כתיב, ויבחר משה אנשי חיל מכל ישראל. בגין דרוחא קודשא הוה אתי לגביה, ואודע ליה, וביה הוה חמי כלא.

173. מנא לן, דכתיב כי יהיה להם דבר בא אלי. באים אלי לא כתיב, אלא בא אלי, דא רוח קודשא, דהוה אתי לגביה, וביה הוה ידע, ולא אצטריך לכל דא לאסתכלא ולעיינא, אלא לפום שעתא הוה ידע משה.

174. Similarly, King Solomon also knew. He knew through his throne, for the Holy Spirit rested upon it. Trembling and fear overcame everyone who came near his throne. And he could judge them without witnesses. Since there were images in his throne, the image would knock if anyone approached with a falsehood, and King Solomon would know that he came with a lie. Because of this the fear of the throne fell upon all, and all were found righteous before him.

174. כה"ג, ידע שלמה מלכא, ידע בכורסייה, הרוח קודשא שריא עליה, דכל מאן דקריב לכורסייה, דחילו ואימתא נפיל עליה, וביה הוה דאין דינא בלא סהדין. בגין דדיוקנן הוה בכורסייה, וכל מאן דמקרב בשקרא, מכשבשא הוא דיוקנא, והוה ידע שלמה מלכא, דבשקרא קאתי. בגין כך, אימתא דכורסייה הוה נפיל על כלא, וכלהו אשתכחו זכאין קמיה.

175. King Messiah will judge by the fragrance, as it is written: "and his delight (lit. 'smell') shall be in the fear of Hashem; and he shall not judge after the sight of his eyes..." (Yeshayah 11:3). And these three, NAMELY MOSES, KING SOLOMON, AND KING MESSIAH judged the world without witnesses and without warning. The rest of the world must judge by word of witnesses and by word of the Torah. It is incumbent upon those who are wise in these images to warn people and give them succor, and to heal them. Happy are they in this world, and happy are they in the World to Come.

175. מלכא משיחא בריחא, כד"א והריחו ביראת יי' ולא למראה עיניו ישפוט וגו'. ותלת אלין, דנו עלמא, בלא סהדין והתראה. שאר בני עלמא על פום סהדין, על מימר אורייתא. חכימין דאשתמודען באינון דיוקנן, עליהו לאזהרא לבני עלמא, ולמיהב אסוותא לבני נשא, ולאסי נפשיהו. זכאין אינון בהאי עלמא, וזכאין אינון בעלמא דאתי.

12. And you shall behold the secret of secrets

Rabbi Shimon tells us of the secrets of the book of Adam and the secret book of King Solomon. He reveals that the Tree of Life is the book, so that the concealed wisdom was transmitted to Adam in the shapes and visages of people; Solomon inherited this wisdom and wrote it in his book, while Moses learned the wisdom from the Shechinah. Rabbi Shimon reiterates that the six aspects of man to be observed are the hair, the eyes, the nose, the lips, the face and the hands, especially the lines in the hands. He compares the skin that covers everything to the skin of the firmament, with which God created the stars and constellations, and says that the appearance of the stars and planets are everchanging, as is the appearance of the skin of man. This is followed by another long description of the six aspects and how they manifest in people of different character. In the Mishnah we learn that when the time came to create man, the light was bestowed from Keter to Binah to Zeir Anpin, and thus brought forth the souls of man. The Ruach is the result of the mating of Zeir Anpin and Malchut, and it takes on hues from the sun and moon, from water and fire, wind and earth. Rabbi Shimon explains further about the creation of the body of man, and the Nefesh and the Ruach, and says that the actions of the Nefesh inside the body appear on the skin outside.

Raza deRazin - secret of secrets

176. "Moreover (lit. 'and') you shall provide (lit. 'behold') out of all the people" (Shemot 18:21). "This is the book of the generations of Adam" (Bereshheet 5:1), which is to say this book is from those books that are sealed and are profoundly deep. Rabbi Shimon said: I have raised my hand in prayer to the One who created the world. Even though in this scriptural verse the ancient ones revealed higher hidden things, yet we must further study and ponder the secrets of the book of Adam, as from that point continues the secret book of King Solomon.

רזא דרזין
176. ואתה תחזה מכל העם. זה ספר תולדות אדם. דא ספר מאינון ספרין, סתימין ועמיקין, אמר ר' שמעון, ארימית ידי בצלו למאן דברא עלמא, דאף על גב דבהאי קרא גלו קדמאי סתימין עלאין, אית לאסתכלא ולעינא ברזין דספרא דאדם קדמאה, דמתמן אתמשכא ספרא גניזא דשלמה מלכא.

177. HE EXPOUNDS UPON THE VERSE: "THIS IS THE BOOK." "This" indicates that everything is dependent on it. "This" is the Tree of Life, THAT IS, TIFERET. "This" REVEALS, and there is none other to reveal. "This," is as it is written: "This month shall be to you the beginning of months," (Shemot 12:2) WHICH MEANS THAT "This" refers to Nisan and no other month. AND ALSO, "THIS" REVEALS AND NONE OTHER.

177. זה: דתליא ביה כלא. זה: אילנא דחיי. זה: ולא אחרא דגלי. זה: כמה דאת אמר, החדש הזה לכם ראש חדשים, זה ניסן ולא אחרא.

178. It is this book that we contemplate to reveal the generations of man. IT IS a tree that reveals the generations of Adam that will bear fruit, THAT IS, THAT WILL GIVE BIRTH TO SOULS, to bring them out into the world. "This is the book" from which may be known the concealed and profound wisdom that was transmitted to the First Man in the shapes of people. This wisdom was transmitted to King Solomon, who inherited it and wrote it in his book.

179. We have been taught that Moses found this difficult until the Shechinah came and taught it to him. She perceived and sorted out all those people who could be seen AND RECOGNIZED by their countenances, and Moses thereby learned this wisdom, and was brought into it. Therefore it is written: "And You shall behold," that of which it is written "and You are the same, and Your years shall never end." (Tehilim 102: 27) "...and You do preserve them all..." (Nechemyah 9:6) "and You, Hashem, are a shield for me" (Tehilim 3:4). JUST AS IN ALL THESE WORDS "AND YOU" IS TO BE EXPLAINED AS THE SHECHINAH, SO HERE, "AND YOU SHALL BEHOLD," REFERS TO THE SHECHINAH.

180. "And You," NAMELY THE SHECHINAH, "shall behold" and observe it. You and none other, to know and to contemplate six hundred thousand. In six aspects you are to contemplate the images of man and to clearly know this wisdom. These are: the hair, the eyes, the nose, the lips, the face, and the hands, especially the lines in the hands. Of the six aspects, it is written: "And you shall behold."

181. "And you shall behold," THAT IS, in the hair, the creases on the brow, and the eyebrows. "...out of all the people..." IS TO BE INTERPRETED AS with eyes, in the membranes in the eyes, and in the folds under the eyes. "...able men..." REFERS TO those who have the strength to stand in the palace of the King. They are recognized by the brightness on their faces, by their face, by the wrinkles on their faces, and by the marks in their beards. "...hating unjust gain..." REFERS TO the hands, and the lines in the hands, and the marks in them. All these six aspects implied here, IN THE SCRIPTURAL VERSE, were transmitted to Moses to contemplate and from which to learn concealed wisdom. This wisdom is inherited by those who are properly righteous and truthful. Happy is their lot.

182. It is written: "You have clothed me with skin and flesh..." (Iyov 10:11). In a similar fashion, the Holy One, blessed be He, made levels upon levels above, these upon those, concealed ones within others concealed, hosts and Chariots, the one over the other. Similarly, He made in all these arteries and tendons THAT HE MADE IN THEM LEVEL UPON LEVEL...and these are the bones that exist on higher levels. And those OF THE LEVELS are called 'flesh', being the levels of the domain of the end of all flesh. And all these benefit from the smoke of the flesh, from the scent of the sacrificial offerings, and from others things associated with flesh. And above all these is the skin. This is the hide that covers everything.

183. The Holy One, blessed be He, created the stars and the constellations with the skin of the firmament, as they are the signs of the heavens so that we may observe them to know the wisdom from them. Similarly, the Holy One, blessed be He, created man with marks and wrinkles in THE SKIN OF the face of man, which are similar to the stars and constellations IN THE FIRMAMENT, through which to know and to perceive great wisdom, applying it to the body.

184. Just as the appearance of the stars and constellations change in the firmament according to worldly events, so does the appearance of the marks and wrinkles on the skin of man change according to the actions of man from time to time. This wisdom was given only for the true righteous to learn and to know this great knowledge.

185. "This is the book of the generations of Adam." From time to time, according to the actions of man, marks are born, changed and etched upon the skin of man. For when the Holy Spirit rests within him, it produces offspring, and shows these marks of the Outside Spirit.

186. And when the Holy Spirit removes itself from him and the Spirit of Defilement comes, this Spirit of Defilement pulsates within him and appears on his exterior with familiar marks. It is recognizable in the wrinkles of his exterior skin, even if the hair, the brow, and the nose remain unchanged.

187. Zayin-Resh-Hei-Pe-Samech-final Tzadik. This letter, REFERRING TO THE FINAL TZADIK, is always exchangeable in this wisdom. TO CLARIFY, THE MAIN ONES ARE THE FIVE LETTERS: ZAYIN, RESH, HEI, PE, SAMECH. THESE LETTERS FORM THE WORDS "ZEH SEFER ('THIS BOOK')." THE FINAL TZADIK JOINS WITH THEM, ALWAYS TO BE EXCHANGED WITH THESE LETTERS. The letter Zayin is that letter that is found in the hair of man; this is derived from Zayin, NAMELY WEAPONS (Heb. ZAYIN). And the weapons of Shimshon were in his hair, FOR IN HIS HAIR WAS ALL HIS BRAVERY. This was the crown of Elohim that was upon him.

188. Hair that stands in a familiar way and hangs FROM THE TOP DOWN stands in the letter sign of Zayin and is joined by the letter Tzadik, which enters and takes out the letter Samech.

183. כְּגִוּוֹנָא דְעֵבֶד קוֹדֶשָׁא בְרִיךְ הוּא כְּכַבִּים וּמְזֻלוֹת בְּמִשְׁכָּא דְרִקִיעָא, לְאַסְתַּבְּלָא בְהוּ, וְאִינוּן אוֹתוֹת הַשָּׁמַיִם, וְלִמְנַדַּע בְּהוּ חֲכָמְתָא. הֵכִי עֵבֶד קוֹדֶשָׁא בְרִיךְ הוּא בְּבִנְי נָשָׂא, רְשִׁימִין וּקְמִיטִין בְּהוּוּא פְרָצוּפָא דְאָדָם, כְּאִינוּן כְּכַבִּים וּמְזֻלוֹת, לְמַנְדַּע וְלְאַסְתַּבְּלָא בְהוּ חֲכָמְתָא סְגִיָא, וְלְאַתְנַהֲגָא בְהוּ גּוּפָא.

187. זר"ה פס"ץ, אֶת דָּא דְמִתְחַלְפָּא תְדִיר בְּהָא חֲכָמְתָא. בְּאֵת זי"ן, מְלָה דְקִיּוּמָא בְּשַׁעְרָא הוּוּה וְסִימְנִין זי"ן, וּמֵאִנִּי קְרָבָא דְשִׁמְשׁוֹן, בְּשַׁעְרָא. וְדָא הוּא נִזְרָא דְאֱלֹהִים עָלֵיהּ.

188. שַׁעְרָא דְקִיּוּמָא לְאַשְׁתְּמוּדְעָא, וְתִלְיָא. דָּא קִיּוּמָא בְּאֵת ז', וְאַתְחַבֵּר בֵּיהּ אֶת צ'. דָּא עָאֵל וְאַפִּיק ס'.

189. There is hair that hangs and is black, and in the forehead there are three lines on the right side, and two on the left side, and these ones are not joined together with the others. On the right side there are three thin marks that pass over them. These are paths to cross over other lines. On the left side, there are five lines. One of them is small in length. This is included in the letter Zayin and the letter final Tzadik. Then there are the strong eyebrows above the eye sockets that are joined together.

190. Such a man is angry. Though not quick to become angry, he impedes his peace of mind. He holds himself to be wise, but he is not. He constantly holds his head up high to watch. He is quarrelsome in public, but not at home. He is not interested in Torah learning. He considers people's words as a burden, and answers them with emphatic words.

191. If the eyebrows are separated one from the other, touching yet not touching ONE ANOTHER, then you will find on the right side of the forehead two large lines and one small one, and two small marks that have entered between them in width. And on the left side are two lines, one large, one small, and one small mark that has entered on one line but not the other.

192. This is a man of anger. He is angry one moment, and the next moment he forgets his anger. He is quarrelsome in his house, and he is not at peace in spirit. There was a time in his life when he was quite emphatic with people. He looks down. His forehead is creased at the time of his anger, similar to a dog, and when immediately it is forgotten, his response is soft. This is a man whose spirit and will is occupied with business. He vows to pay taxes, THAT IS TO PAY ALL KINDS OF TAXES TO THE KING, and in his endeavors TO DO BUSINESS he becomes wealthy, for the letter final Tzadik is replaced by a Samech.

193. If the eyebrows are separated one from the other, and other small hairs intercross them, this is a person who has always a great, vindictive hatred. He is well behaved in his house. He is both happy and grievous with people. This lies between the final Tzadik and Samech. He conceals his money. He does not wish to reveal his doings, nor does he wish that anyone should reveal his doings. He is a miser, and his hairs hang in equal length, one to the other. He does not give any thought to the wearing of proper clothes. What he does wear does not fit him properly. His forehead is large, with three lines on the right side, four on the left side, and with two marks entering between them.

194. When he speaks, he stretches the skin of his forehead, and these lines can not be seen clearly. He bends his head down and walks. His right is like his left, and his left like his right. He is always depressed. He mourns. He has an evil tongue. He regards himself as one who is wise in all his deeds. He has a hatred for all who occupy themselves with Torah learning.

195. Another type is signified by a black mark on his left arm with four small hairs in it. Two large ones that are hanging on it are red. The hairs are smooth and hanging, neither red nor black, and his forehead is neither large nor small. This stands between the letter Samech and the letter final Tzadik. It is included in the letter Zayin.

196. There is one large line in his forehead that spans in width from this side to that side. There are two other lines not marked so emphatically, since they are not continuous from one side to the other side, AS IN THE CASE OF THE FIRST LINE. There are four small creases that stand between the two eyebrows at the top of the nose.

197. This is a happy man. He is wise, intelligent, and lenient with his money. He becomes wise in whatever he endeavors to know. He can become angry in one moment, and the next moment his anger is calmed. He does not hold a vindictive hatred forever. At times he is well behaved, and at other times he is not as well behaved, but he is found in balance - THAT IS, NEITHER PARTICULARLY GOOD, NOR PARTICULARLY BAD. When he repents to his Master, his Master holds his hands and he is raised to great honor. Everyone needs him. The letter Samech goes with him always, more than the letter final Tzadik. All who counsel him with bad advice will not succeed, for the bad advice will not be fulfilled. And they can not injure him. He seems to be a charlatan, but it is not so. The letter Samech and the letter final Tzadik wrestle over him. Therefore, AT TIMES he is up AND AT TIMES he is down. When he repents before his Master, the letter Samech is victorious and fulfills his wish in everything. He is compassionate, and he cries when he is full of compassion.

198. One mark is in the right arm, and his face is without any hair at all. But if there is hair which is curled, not dangling below the ears, but raised and curled above the ears, then he keeps his word.

194. דָּא כַּד מְלִיל פְּשִׁיט מְשַׁכָּא דְּמִצְחָא, וְאִינוּן שְׂרֻטֻטִין לָא אֶתְחַזֵּן כָּל בְּרַךְ. כְּפִיף רִישִׁיה אָזִיל. יְמִינָא מְנִיה שְׂמָאלָא. שְׂמָאלָא מְנִיה יְמִינָא. עֲצִיב תְּדִיר אָנִינָא אִיהוּ, מְאָרִיָּה דְּלִישְׁנָא בִּישָׂא. חָשִׁיב גְּרַמִּיה חֲכִים בְּכָל עוֹבְדוּי. מְאָרִי דְּבָבוּ בְּכָל אִינוּן דְּמִשְׁתַּדְּלֵן בְּאוֹרֵייתָא.

198. חָד רְשׁוּמָא אִית לִיה בְּדְרוּעָא יְמִינָא, וְקְיִימָא פְּרִצוּפָא, וְלִית עָלִיה שְׂעָרִין כָּלֵל. וְאִי שְׂעָרָא קְמִיטָא, וְלָא תָלִי תַחוֹת אוֹדְנִין, וְאִיהוּ קְמִיט לְעִילָא מְאוֹדְנִין דָּא קְיִימָא בְּמַלּוּלִיָּה.

199. His forehead is large, but not huge. There are five lines on it. Three pass from this side to that side OF THE FOREHEAD, and two lines do not traverse. This man is a quarrelsome person, at home for the most part. All his actions are hurried, and though they seem beneficial, they are not. He lauds himself for what he does not have. This pertains to the letter Zayin itself, remotely aspiring to the letter Tzadik by itself, reaching yet not reaching. The letter Samech is not included in him at all. He is lenient in his speech, but no more than that. He brings more than he deserves to himself. One who partakes with him must be wary of his greed but will succeed with him.

200. Another type is signified by hair that is dangling and is not flat. He has a profusion of hair and five lines in it; some are touching yet are not touching each other. His eyes are shining and alert. His head is bent low. He seems to be pleasant and honest, but is not so. He praises himself. If he occupies himself with Torah learning, he acts like a great man. He has strong desires. When he speaks, he wrinkles his nose, and stretches the skin of his forehead. All of his actions are for the sake of appearances in public. He succeeds in wealth. He is deceitful in all that he does. He is a slanderer. He knows how to defend himself from people in everything. He has madness in him, and conceals what he does SO THAT IT SHALL NOT BE RECOGNIZED. He secretly brings strife BETWEEN FRIENDS.

201. He has big ears which are placed underneath his hair. He is established by the letter final Tzadik and the letter Zayin. Therefore, his actions are for the public. If three hairs hang between his shoulders, without any marks at all, one who partakes with him will not succeed. But he will succeed with his own deceit. He appears to be righteous with respect to another and thinks that his are truthful actions in dealing with him.

202. If his hair is crimped and hangs beneath his ears; if he is unmarried; and if there is one line in his brow, and three creases at the top of his nose, between his eyebrows, then, he is a happy man, intelligent in all matters. He is deceitful. He concedes and gives in to those closest to him. This stands under the letter Samech and the letter Zayin. As he grows older, the letters are exchanged - the letter Zayin is at the beginning, followed by the letter Samech. He then no longer concedes, except in his home. He succeeds in wealth. He is no longer deceitful, having removed himself from that path.

203. On his left eyebrow, there is a small mark where a man had hit him in his youth. His right eye is closed. There are five furrows on top of his nose, spanning the width between his eyebrows. His hair is curled slightly on his head. He creases his eyes. This person stands in the letter Zayin alone. He has no understanding. He has madness in his heart. He is hasty in his actions.

204. He who has one line on his brow and four other small ones, has no faith. One should not associate with him, since he will not be successful. He sins against his Master in all his actions. He has one small birthmark on his left thigh. At times, it disappears, at other times, it reappears. If he has four lines on his brow, he has all these MENTIONED ABOVE, except for the birthmark ON HIS LEFT THIGH. If he has three large lines and three small ones ON HIS FOREHEAD, and they are in the center of the forehead, he has beautiful hair. Until this point is the secret of the hair.

205. The forehead is to be made understandable through the hair and is to be defined through the eyes. The eyes are to be explained through the hair from four perspectives: in the pupil of the eye; in the colors of the eye; in the white of the eye; in the black pupil of the eye. All perceptions should be performed with the stated six signs, THE HAIR ON THE FOREHEAD, AND SO ON, AS MENTIONED PREVIOUSLY. These are to be applied to persons of at least thirteen years in age, when IN A MAN, the Holy Spirit has already separated itself from the Spirit of Uncleanliness. The exception is the lines, since these lines, whether small or large, are constantly changing. IT IS POSSIBLE TO DISTINGUISH IF THEY ARE FROM THE UNCLEANLINESS, OR FROM THE HOLINESS. And so it is with all of them, AS WILL BE DISCUSSED FURTHER.

206. It is written: "And Moses chose able men out of all Yisrael" (Shemot 18:25). For he was seeking other signs APART FROM "ABLE MEN," but did not find any. Also, "Take wise men, who are understanding and known among your tribes" (Devarim 1:13). What is the meaning of "known"? For they are known by those signs MENTIONED PREVIOUSLY. And he found them, but they were not men of understanding. THIS INDICATES THAT "ABLE MEN" AND "WISE MEN" ARE NEAR EACH OTHER IN QUALITY, SINCE HERE THE SCRIPTURES STATE, "AND MOSES CHOSE ABLE MEN," AND IN DEVARIM THE SCRIPTURES STATE, "SO I TOOK THE CHIEFS OF YOUR TRIBES, WISE MEN, AND KNOWN" (IBID. 15).

203. על קריצא שמאלא, אית חד רישומא זעיר, דמחה ליה בר נש ביומי עולימוי, אטים עינא ימינא. חמש קמיטין על רישא דחוטמיה, בפותייה בין קריצי עינוי. שער א קמיטא זעיר על רישיה. קמיט דעיינין. דא איהו באת ז' בלחודוי. בלא סכלתנו. שגעונא בלביה. בהיל בעובדוי.

204. חד שרטוטא על מצחיה. וארבע אחרנין זעירין. לית ביה מהימנותא, לא ישתתף בר נש בהדיה, דלא יצלח. חייבא איהו למאריה בכל עובדוי. חד תולדותא זעירא אית ליה על ירכא שמאלא. לזמנין אתמחי, ולזמנין אתייליד. ואי ארבע שרטוטין על מצחיה, כל הני אית ביה, אבא לית בה תולדתא. ואי תלת רברבין ותלת זעירין, שפירו דשער איהו, ואיהו באמצעיתא. ע"כ רזא דשער.

206. בתיב ויבחר משה אנשי חיל מכל ישראל וגו', דאילו על אינון סימנין אחרנין בעא ולא אשכח. וכן הבו לכם אנשים חכמים וידועים לשבטיכם. מאי ידועים. דאשתמודעאן באינון סימנין, ואשכח, בר נבונים דלא אשכח.

207. The eye is under the secret of the letter Resh and the letter Pe. The eyebrows are white, and the hair is red. If the eyebrows are white, this is a man of whom people must be wary. Everything he does is deceitful. He is shrewd. He harbors hatred. And all this is under the letter Resh alone, when it is not joined with the letter Pe. This letter, REFERRING TO PE, walks and rambles over him, and does not settle in him. His eyes are sunken. He is rushed in his actions. And so it is with all those whose eyes are recessed. We must be wary of all their actions. They are deceitful. And with their deceit, they give logic to their words.

208. If his forehead is large, and not round shaped; and two broad marks sweep across the brow from side to side, and also four small marks; and his hair hangs, then he is cool-headed. Therefore, he is intelligent. His ears are small. He has hairy arms. He is covered with black spots. If he has red marks, he returns occasionally to do good. And so he remains for a brief time, and sometimes he returns to his evil ways. He is lustful.

209. It is the reverse with the seed of David. King David inherited this fine red to do judgment and to perform suitable deeds. His eyes were filled with compassion and were settled in fullness, projecting grace and kindness. And a green line ran through them. At the time he waged war, that line changed and became red as a rose. When his anger was calmed from the war, the line returned to its original. Great miracles were in his eyes. People were happy, and they longed to see them. THERE WERE IN THEM specks in three colors. Joy filled his whole heart. The evil-doers who observed them were greatly agitated, and great fright and terror arose in their hearts.

210. Another type is he whose forehead is large and nicely rounded, and all the letters are visible and rising in it. Some rise and some descend; those that descend rise, and each one gives space to the other. Because of this, his impressions go upward in length ON HIS FOREHEAD. His eyebrows are filled with compassion. They are not black, nor are they red, but in fact they are between THESE two colors. The pupil of the eye, from within, projects all the worldly images. A red line surrounds it, and joy surrounds everything.

211. At first, when the evil doers approach to look at THE EYES, these same evil-doers laugh, for there is compassion, beauty and kindness IN THEM. Afterwards, THEY SEE IN THEM power and fear, terror and anger. And his eyes are like doves when turned towards them. What are dove's eyes? They are eyes that deceive the wicked, as it is written in scriptures: "you shall not defraud (Heb. tonu) one another" (Vayikra 25:14). And it is written: "you have dove's (Heb. yonim) eyes" (Shir Hashirim 4:1) that attract WHOEVER OBSERVES THEM, and repel THEM. All the images of the world are included in his face. The hairs on his head are blazed with the colors of seven kinds of gold.

212. I saw the following written in the book of Adam: the appearance of the first Messiah is as the moon - WHICH IS MALCHUT, MEANING OF THE SEED OF DAVID, SINCE THE SECOND MESSIAH IS MESSIAH, SON OF JOSEPH. His face will be greenish gold in appearance. The color of his beard will appear to be as the gold of Ofir. The appearance of his eyebrows is of Sheva gold. The appearance of the eyebrows, NAMELY IN THE EYELASHES, is of the gold of Parvayim. Pure gold is the appearance of his hair. The finest gold is the color on his chest, on the tablet of his heart. On both his arms is the color and appearance of Tarshish gold. All these seven colors are recorded in all the places of the hair.

213. On his right arm, one impression was carved and marked, concealed from people. And this is a tower on which a lion was engraved. A small Aleph is marked within. And this is the sign "on which there hand a thousand (Heb. elef) bucklers" (Shir Hashirim 4:4). When he wages war, that mark always becomes erect and protrudes. And in the tower that Aleph pulsates, and he becomes powerful to wage a war. When he enters into war, the lion pulsates; he becomes as strong as a lion and wins the wars. In pulsating, that tower accelerates, and its sign is: "...the righteous runs into it and is safe..." (Mishlei 18:10). David is safe from his enemies; they can not overcome him. And some of these signs and impressions were registered on his left arm. No other individual ever had these marks AS THE SEED OF DAVID.

214. If the eyes are bright and protruding, he has madness in his heart. His forehead is large. Many hairs are hanging DOWNWARD, remote from the skin of the skull. He is wise. He boasts. His lips are wilted. He has the evil tongue.

215. Three lines are in his forehead. If there are two red veins in his eyes, then it is under the letter Resh only. An illuminating vein is present in them. An opportunity arose for him to commit a transgression and he was saved from it.

216. If there is one red vein in his eye within, standing lengthwise, and two small veins beneath it, and one vein traverses the eye, he gives bad counsel pertaining to a woman prohibited to him. And if the counsel still exists, you will find one line lengthwise on his forehead. From his right eyebrow PROTRUDES one hair, and four small hairs underneath. And there is one hair that passes between them, widthwise.

217. If he withdrew from that transgression, then you will find in his eyes two thin veins passing along the width of the eye, but no other vein passes between them. It is the same with the forehead. The time of consideration for his withdrawal from this iniquity is nine days. From then on, these impressions are erased, and other impressions appear.

218. Narrow eyes that become slightly red signify an understanding man. All his words are in argument. On his forehead you will find three impressions. A large one passes from one side to the other side. Two others do not pass this length. His eyebrows are large. He is stubborn. When he speaks or when his heart is hard, he wrinkles his nose in anger. He has a bad reputation. He is bad in the eyes of everyone, and all hate him. Sometimes he succeeds and sometimes he does not.

219. Three large hairs are on his breast, over his heart. His lips are parched. He is arrogant to the point of lunacy. He has an evil tongue.

220. His hair is flat, long, and profuse. He has a slightly long and slightly rounded face; At times he regrets all he did but returns to his bad deeds. In his eyes, you will find two veins in his right eye, and one in his left eye. His ears are small and straight.

221. The seed of David is the reverse. In the offspring of David all these signs are good signs and bring benefit, except for big lips. For all those who have big lips are slanderers, whether righteous or evil, unless he is a thoroughly righteous man that succeeds by his merits and guards himself FROM THE EVIL TONGUE.

This person's forehead is large and circular. He is good to all. He gives all of what he has to everybody. He is yielding. His hair is flat and hangs. On the right side, he has white hairs from the day he was born.

223. Mishnah. Men of the world, of understanding, of open eyes, REFERRING TO PEOPLE OF CHOCHMAH, people of Faith, THE SHECHINAH, which is treasured in you: of whoever among you ascended and descended - THAT IS, THE RECIPIENTS OF THE LIGHTS THAT ILLUMINATE FROM BELOW UPWARD, CALLED 'ASCENT' AND LIGHTS THAT ILLUMINATE FROM ABOVE DOWNWARD CALLED 'DESCENT' - he who has the Spirit of Holy Elohim in him shall rise and know that at the instant that the white head, WHICH IS KETER, so desired to create man, it bestowed light into one luminary, WHICH IS BINAH. And this luminary bestowed light through the extension of the luminary, WHICH IS ZEIR ANPIN, WHO BALANCES AND ILLUMINATES THE TWO COLUMNS, RIGHT AND LEFT, OF BINAH. And this extension of the luminary brought forth the souls OF MAN.

224. Even so, the extension of the luminary, WHICH IS ZEIR ANPIN, united with and poured into one solid rock, WHICH IS MALCHUT. And that rock brought forth a scorching flame textured with a variety of hues. And that flame ascends and descends, until the extension OF THAT LUMINARY, WHICH IS ZEIR ANPIN, influences it - NAMELY, IT Poured INTO IT THE ASPECT OF THE CENTRAL COLUMN AND CHASSADIM, and THEN it returns and settles in its place and becomes the Ruach life, OF ADAM.

225. This Ruach acquired boundaries OF TWELVE DIAGONAL LIMITS THAT IT RECEIVED FROM ZEIR ANPIN. It takes on one hue from the sun, FROM ZEIR ANPIN, WHICH IS GREEN IN COLOR. Then it descends to a lower level and takes on one color from the moon, MALCHUT, WHICH IS A HUE THAT RECEIVES FROM ALL THE HUES AND RECEIVES FROM FOUR LIVING CREATURES: THE LION, THE OX, THE EAGLE, AND MAN, IN THE LOWER CHARIOT. It moves to the right and takes on the hue of water, WHICH IS WHITE, that is included in the mouth of a lion, WHICH IS CHESED. It moves to the left and takes on the hue of fire, WHICH IS RED and is included in the mouth of an ox that is red like a rose, WHICH IS GVURAH. Moving to the front, it takes on the hue of the wind, GREEN, THAT IS included in the mouth of a large eagle with great wings and feathers in which all hues are seen - WHICH IS THE HUE OF PURPLE INCLUDED IN ALL THE HUES. THIS IS TIFERET. Moving to the rear, it takes on the hue of earth THAT RECEIVES FROM ALL THE HUES - that is included in all four corners of the earth, CHESED AND GVURAH, TIFERET AND MALCHUT - RECEIVING from the mouth of man's face, toward whom all images look. THIS IS MALCHUT.

226. This Ruach settled in this earth and was clothed in it. FOR THE SOIL IS MALCHUT, WHICH IS THE NEFESH OF ADAM. AND THE RUACH WAS CLOTHED IN THE NEFESH. Then that soil, WHICH IS THE NEFESH, swirled, descended and gathered soil from the four directions. And it was made into a form and a countenance, WHICH IS THE BODY OF THE FIRST MAN. The Ruach was concealed in the innermost. And the Nefesh poured bounty into that soil that assembled from the four winds, WHICH IS THE BODY, when it was included in the Ruach.

227. This Nefesh is the origin of the actions of the body. According to the actions of that Nefesh inside the body, so shall it appear on the skin outside. The Ruach is concealed on the inside, and that, REFERRING TO THE NEFESH, is visible from the outside. It ascends and descends and strikes in his face, showing shapes and impressions. It strikes in his forehead, showing shapes and marks, it strikes in the eyes, showing shapes and marks, as it is written: "the sight of their face does witness against them" (Yeshayah 3:9).

228. The luminary from which measurement is drawn, IS of one green thread, WHICH IS THE CENTRAL COLUMN THAT HAS A GREEN COLOR. IT RECEIVED the flame of formlessness, NAMELY, THE FIRE OF MALCHUT OF THE ATTRIBUTE OF JUDGMENT. It strikes on the hands of man when he is asleep and records impressions and lines in his hands. According to the actions of man, so is his hand etched. These letters turn over in him from the bottom to top. This wisdom is known by those friends, who are RIGHTEOUS MEN OF Truth, through the imprint of the letters of the luminary - WHICH IS MALCHUT, AS PREVIOUSLY MENTIONED. All the inner resources of man manifest impressions, lines and letters that interchange. He who inscribes these also inscribes in the end of the tabernacle, WHICH IS MALCHUT CALLED 'TABERNACLE', as it is written: "and curiously wrought in the lowest parts of the earth" (Tehilim 139:15). THIS REFERS TO THE LOWEST PART OF MALCHUT, WHICH IS CALLED 'EARTH'. SHE IS ALSO FASHIONED FROM THE POWER OF THE FLAME OF THE ATTRIBUTE OF JUDGMENT, LIKE THE HANDS OF MAN. Blessed be He, and blessed be His Name forever and ever.

229. White eyes and slivers of red flesh where THE EYES protrude - NAMELY IN THE EYE SOCKETS, SO THAT WHEN HE ROTATES HIS EYES, THEY ARE VISIBLE - are from the letter Pe and the letter Resh when they are included together.

230. Another type of person has a large forehead, and three lines that come up in his forehead, and six smaller ones, red yet not very red, and they stay between these two colors. The same is true for his hair. He has a large face. His hair is wrinkled, THAT IS, CURLY, but not too much. It hangs slightly below his ears. That PERSON is good. He has faith. The moment he becomes angry, it is an extremely intense anger.

231. If that red below his eyes, IN THE EYE SOCKETS, AS MENTIONED BEFORE, spreads in his eyes, he has a bad temper. When he talks in anger, he closes his mouth, and his nostrils fume. After a short time, his anger subsides, but not completely until after a day or two. He is sometimes successful and sometimes not. But he usually succeeds, whether a little or much.

227. וְהוּא נֶפֶשׁ אִיהוּ יְסוּדָא לְעוֹבְדֵי גּוֹפָא. כְּמוֹם עוֹבְדֵי דְהוּא נֶפֶשׁ בְּגוֹפָא, הֵכִי אֲתַחְזִי בְּמִשְׁכַּא לְבַר. רוּחָא דָא אֲתַטְמַר לְגוּ. וְהוּא אַחְזִי לְבַר, סְלִיק וְנַחֲתִי, וּבִטְשׁ בְּאַנְפוּי, וְאַחְזִי דְיוֹקְנִין וְרִשְׁיִמִין. בְּטִשׁ בְּמִצְחִיהָ, אַחְזִי דְיוֹקְנִין וְרִשְׁיִמִין בְּטִשׁ בְּעֵינָיו, וְאַחְזִי דְיוֹקְנִין וְרִשְׁיִמִין. הַה"ד הִכְרַת פְּנֵיהֶם עֲנָתָה בָּם.

232. If the red inside his eye is fine as a thread, and does not spread in the time of his anger, if he has those signs he has a weak heart and is fearful of everything. His sleep is unsettled, He always has thoughts and is afraid of everything. He causes everybody WHO JOINS HIM to succeed. He is corrupt and does not refrain from adultery.

233. Sometimes he repents and is afraid, and in his fright, you will find redness inside his right eye, at the rim of the eye, and one fine red vein on his left eye. And if they change - that which was in the right is in the left, and that which was in the left is in the right - then he is sinful, NOT HAVING REPENTED. He returned and broke a piece of ice, WHICH INTERRUPTED HIM FROM THE TRANSGRESSION in order to commit transgression.

234. Two furows on top of his eye, and three underneath. On his left foot, on the middle toe, there are six hairs and sometimes five. Presently he has six hairs, since one of them is short. He has black eyes, and his eyebrows have many hairs resting over each other. These eyes are black eyes interlaced with green, but the green is more recessed. That person has five lines on his forehead: two which traverse from side to side, and three which do not. (THE END IS MISSING)

13. "In the third month"

This section tells us of the two lights of the right and the left called Gemini, that is the constellation that rules over the third month, Sivan. Uriel rules over this month, and we are told of his camps, each of which has keys of light issuing from the inner supernal Chasmal. Rabbi Shimon explains the significance of twins in terms of the birth of Jacob and Esau, and then says that the Torah itself is twins - the Written Torah and the Oral Torah - given in the third month to the triple nation of the Three Fathers. And finally he tells us that the Torah was given in three parts - the Torah, the Prophets and the Writings. But the important conclusion is that all is one.

235. "In the third month, after the children of Yisrael went out of the land of Egypt" (Shemot 19:1). The Great Minister, Uriel, rules over THE THIRD MONTH, FOR NISAN, IYAR AND SIVAN ARE COMPARED WITH CHESED, GVURAH AND TIFERET, AS MICHAEL RULES IN CHESED, GAVRIEL IN GVURAH, AND URIEL RULES IN TIFERET. He is accompanied by 365 ten thousands of camps, corresponding to the number of days of the year, WHICH ARE 365 DAYS OF THE SOLAR YEAR. And all of them have 365 keys of light issuing from the inner supernal Chashmal (Eng. 'electrum'), which is treasured and concealed, and in which the mysteries of the holy supernal letters of the Holy Name are suspended.

235. בחדש השלישי לצאת בני ישראל וגו', השליט ביה אוריא"ל, רב ממנא, ותלת מאה ושתין וחמש רבוא משריין עמיה, בחושבן יומי שתא. וכלהו אית לון תלת מאה ושתין וחמש מפתחן נהורין, מהוא נהורא דנמקא מגו חשמל עלאה פנימאה גניז וסתים, די רזין דאתון קדישין עלאין דשמא קדישא, תליין ביה.

236. This is the secret of "a plain man" (Beresheet 25:27), WHO IS JACOB, THE SECRET OF TIFERET - MEANING THAT he is the master of the house, a man of Elohim. "PLAIN" IS DERIVED FROM WHOLENESS, for there is the ending of the knot of the Tefilin, WHICH IS THE SECRET OF MALCHUT IS CALLED 'LEAH'. "...and Jacob was a plain man..." MEANING HER MAN. And the secret of the inner supreme Chashmal, which is concealed and treasured, has his shape. And he holds all the hidden supreme lights, and they issue forth from him. And all the camps OF THE ABOVE MENTIONED ANGEL URIEL hold the keys of that light that issues from the Chashmal.

237. And that light includes the two lights OF THE RIGHT AND THE LEFT and yet they are in it one LIGHT. The first light is a white one too bright for an eye to behold and this is the treasured light for the righteous as it is written: "Light is sown for the righteous" (Tehilim 97:11) and the second light is one which gleams and sparkles red, FOR IT IS THE SECRET OF THE LEFT LIGHT. And both of them are included as one in it, and they became one.

238. Uriel the Arch Minister and all those camps WITH HIM take that light which is called 'Gemini' for it includes two lights. Therefore, that constellation rules over THIS MONTH, which is called 'Gemini', after its secret, in which the Torah was given and from which all the grades are drawn below until they rise through the Name to illuminate the world.

239. None of the other signs WHICH RULE IN OTHER MONTHS have a mouth or tongue but this one, GEMINI, has a mouth and tongue included as one. Therefore, it is written in regards to the Torah: "And you shall meditate therein day and night" (Yehoshua 1:8). "Day" corresponds to the tongue, WHICH IS ZEIR ANPIN, and "night" corresponds to the mouth, WHICH IS MALCHUT, and all is included in THE SECRET OF the Gemini (Heb. teomim).

240. It is written: "Tomim," WITHOUT THE LETTER ALEPH, and in relation to this secret it is written "Tomim," in: "behold, there were twins (Heb. tomim) in her womb" (Beresheet 25:24). And "TOMIM" is not said OF JACOB AND ESAU, for Esau is not connected to this secret. It indicates that it is said "TOMIM" of Jacob ALONE, FOR JACOB IS THE SECRET OF THE CENTRAL COLUMN WHICH INCLUDES TWO LIGHTS, THE RIGHT AND THE LEFT, AND AFTER THOSE TWO LIGHTS HE IS CALLED "TOMIM". WHEN THE SCRIPTURE SAYS "BEHOLD TOMIM," IT INDICATES THAT HE, JACOB, WAS IN HER WOMB. And the scripture praises Jacob for being in the womb of that righteous woman, but because the wicked ESAU was there too, the letter Aleph departed, AND IT IS WRITTEN "TOMIM" WITHOUT ALEPH.

236. וְאִיהוּ רִזָּא דְאִישׁ תָּם, מְאָרִיָּה דְבֵיתָא, אִישׁ הָאֱלֹהִים. תָּם: דְתַמְן סִיּוּמָא וְקִשְׂרָא דְתַפְּלִין, וְיַעֲקֹב אִישׁ תָּם הוּא. וּבְדִיוּקָנִיָּה, קִיּוּמָא רִזָּא דְחֻשְׁמַל פְּנִימָאָה עֲלָאָה טְמִיר וְגִנְיָו. וְכָל נְהוּרִין סְתִימִין עֲלָאִין נְקִיט אִיהוּ, וְנִפְקִי מִנִּיהּ, וְכִלְהוּ מִשְׁרִינִין נְקִיטִי אִינוּן מִפְתָּחִין דְהֵהוּא נְהוּרָא דְנִפְקִי מִגּוֹ חֻשְׁמַל.

241. All is one secret, for Jacob receives through his secret, TIFERET, THE CENTRAL COLUMN, the two months Nisan and Iyar, and he is included in the secret of THE MONTH Sivan, which is THE SIGN OF Gemini. THIS MEANS THAT BY BEING INCLUDED IN THE MONTH SIVAN - WHICH INCLUDES TWO MONTHS, NISAN AND IYAR, WHICH ARE RIGHT AND LEFT - IT IS THEREFORE CALLED "TWINS," AND SINCE JACOB IS ALSO INCLUDED IN IT HE RECEIVES THOSE TWO MONTHS. Esau receives through his own inner meaning the two months, Tammuz and Av, but since he does not abide in THE CENTRAL COLUMN, WHICH IS ELUL, he therefore loses Elul, for Elul is not his. And he does not even have the whole MONTH of Av, but only nine days and no more, so it can be seen that he is not included in the secret of the twins - WHICH IS THE CENTRAL COLUMN. He separated himself and turned towards the Other Side in naught and desolation, as it is written: "The enemies are come to an end in perpetual ruins" (Tehilim 9:7).

242. Because Jacob is in the sign of the twins, the Torah was given to his children in the months of the twins, being itself "twins" - WHICH IS the Written Torah and the Oral Torah. IT WAS GIVEN in the third month to the triple nation, WHICH INCLUDES three grades, NAMELY, THE 'THREE FATHERS'. THE TORAH WAS GIVEN in three parts: the Torah, the Prophets and the Writings, and all is one.

243. "In the third month..." We have already explained that chapter in the scripture above. Rabbi Chiya said that at the time that Yisrael approached Mount Sinai, the Holy One, blessed be He, gathered the seeds of the nation of Yisrael and examined them all. And He found no blemish in all the seeds of Yisrael but saw they were all of a holy seed and of Truth.

244. At that time, the Holy One, blessed be He, said to Moses: 'Now do I wish to give Yisrael the Torah. Draw them to Me by My love for the patriarchs and by the signs that I have made manifest to them. And you shall be My messenger. Therefore, go and tell them those words.' Rabbi Yosi said that Rabbi Yehuda said that those were the words that the Holy One, blessed be He, said to Moses, and continued: 'Thus, you shall be My faithful messenger by drawing Yisrael to go after Me.'

14. "And Moses went up to Elohim"

This section offers several interpretations of "And Moses went up to Elohim and Hashem called to him out of the mountain, saying." One explanation is that Moses went up to the place where the Shechinah's wings are outspread. The discussion turns to the issue of perfection, and we hear that there is always awe or dread when in the presence of the perfection of all. The title verse is then applied first to Moses, then to God, and finally to the four bonds of earth, air, fire and water. Rabbi Shimon hears Rabbi Yehuda tell of a dream where from Rabbi Yehuda finally remembered and understood that Chochmah was above, Tiferet below, and Malchut the Sanctuary of God that lay between them. The last interpretation reminds us that whoever comes to be purified is always assisted.

245. "And Moses went up to Elohim and Hashem called to him out of the mountain, saying" (Shemot 19:3). "And Moses went up to Elohim," MEANS THAT Moses went up to the place where the wings of the Shechinah are outspread, as it is written: "He bowed the heavens also and came down" (Tehilim 18:9).

246. We have learned that Rabbi Yehuda said that as long as the legislations of the Supernal King adhere to their proper places, MEANING THAT THEY BALANCE BETWEEN RIGHT AND LEFT, all the worlds are with joy and all the works are maintained properly, as it is written: "the work of Hashem...that it is tremendous" (Shemot 34:10). What does "tremendous" mean? Rabbi Elazar said that it is the perfection of all, as it is written: "A great El, a mighty and a terrible" (Devarim 10:17). What does "terrible" mean? This is Jacob, THE CENTRAL COLUMN, for it is written: "And Jacob was a plain man" (Beresheet 25:27). "...plain..." means, according to the Aramaic translation, 'a complete man', perfect in all. Thus, all the deeds of the Holy One, blessed be He, are perfect in wholeness, and are perfectly maintained.

247. As we learned, Rabbi Yosi explained that one day, while he was standing before Rabbi Yehuda Saba (the elder), he asked him about the meaning of the verse: "And he was afraid and said: 'How dreadful is this place'" (Beresheet 28:17). What did Jacob see that frightened him and made him call it "dreadful"? Rabbi Yehuda explained that he saw there the perfection of the holy Faith, WHICH IS MALCHUT, that was frequent in that place as it is above, and any place wherein His perfection is found is called "dreadful."

248. I asked him: If that is so, why then is the word "dreadful" translated into Aramaic as 'fear' and not as 'perfection'? FOR IF "DREADFUL" MEANS 'PERFECTION', HE SHOULD HAVE TRANSLATED IT AS "PERFECTION." He answered that there is no awe but in a place where perfection is found, and any place in which there is completeness is called "dreadful", as it is written: "O fear Hashem you saints of His, for those who fear Him there is no lack" (Tehilim 34:10). We can learn from this verse, "there is no lack," THAT AWE IS COMPLETENESS, for wherever there is no deficiency there is completeness.

249. We studied: "Who has ascended up into heaven and come down" (Mishlei 30:4). Rabbi Yosi said that it is Moses, for it is written: "And Moses went up to Elohim" (Shemot 19:3). "Who has gathered the wind in His fists" (Mishlei 30:4)? It is Aaron, as it is written: "And his hands full of sweet incense beaten small" (Vayikra 16:12). "Who has bound the waters in a garment"? It is Eliyahu, as it is written: "There shall not be dew or rain these years but according to my word" (I Melachim 17:1). "Who has established all the ends of the earth"? It is Abraham, of whom it is written: "These are the generations of the heaven and of the earth when they were created (behibar'am)" (Beresheet 2:4). Do not pronounce it 'behibar'am', but "beAbraham (lit. 'by Abraham')," (spelled with the same letters).

250. He taught this, and said: "Who has ascended up into heaven?" The Holy One, blessed be He, of whom it is written: "Elohim is gone up with a shout" (Tehilim 47:6). "Who gathered the wind in His fists"? The Holy One, blessed be He, of whom it is written: "In whose hands is the soul of every living thing" (Iyov 12:9). "Who has bound the waters in a garment"? The Holy One, blessed be He, of whom it is written: "He binds up the waters in His thick clouds" (Iyov 26:8). "Who has established all the ends of the earth"? The Holy One, blessed be He, of whom it is written: "In the day that Hashem Elohim made the earth and the heavens" (Beresheet 2:4). RABBI YOSI continued further and said: "Who went up into heaven and came down"? Those are the four bonds of the world: fire, air, water and earth.

251. Rabbi Yesa said: It is evident that Rabbi Yosi's interpretations of this verse have no hold, FOR THEY ARE INCOMPATIBLE WITH EACH OTHER. But when Rabbi Shimon heard them he put his hand on the head of Rabbi Yosi and blessed him, saying: Your interpretations are quite right and well said, and it is indeed so. Where have you learned THIS? And he answered: I have learned them from my father who heard it from Rav Hamnuna Saba (the elder).

252. One day, Rabbi Shimon was sitting at the gate of Tzipori when Rabbi Yesa said to him: That which Rabbi Yosi said, "Who ascended up into the heavens and came down," he applied once to Moses then to the Holy One, blessed be He, and finally he said that these are the four bonds, fire, air, water and earth - and I saw that my master blessed him!

253. Rabbi Shimon replied: Assuredly, what he said is well spoken, and so it is. All are the same, and all things apply to the Holy One, blessed be He, and all of them amount to the same thing. Rabbi Yesa became excited by the words of Rabbi Shimon and he said: This is indeed so, and on another occasion I learned from my master the explanation of the verse: "These are the generations of the heavens and of the earth when they were created" (Heb. behibar'am). Do not read it as 'behibar'am', but rather "beabra'ham ('in Abraham')" (with the same letters) - NAMELY, WITH CHESED OF ZEIR ANPIN, as it is written: "For I have said, the world is built by Chesed (Eng. 'kindness')" (Tehilim 89:3), - AND ALL THE OTHER NAMES: MOSES, AARON, ELIYAHU AND THE FOUR ELEMENTS, FIRE, AIR, WATER AND EARTH, AS ALL ARE THE NAMES OF THE HOLY ONE, BLESSED BE HE.

254. This is well said, but what is the meaning of the last part of the verse saying: "What is his name and what is His son's name that you should know" (Mishlei 30:4)? I can understand "What is His name," but what about "His son's name"? Rabbi Shimon replied: I have already taught the secret of this verse to my son Rabbi Elazar. He said to him: Please, tell me master, for I have asked you in a dream concerning it and I have forgotten the answer. He replied: Now if I tell you will you remember it? Rabbi Yesa answered: Assuredly, for what my master teaches me by daytime I remember.

255. He said: The secret of it is connected with the verse, "Yisrael is My son, my firstborn" (Shemot 4:22), and, "Yisrael, in whom I will be glorified" (Yeshayah 49:3). And it is in the supernal secret of this verse THAT YISRAEL SIGNIFIES TIFERET and is called "His son." Rabbi Yesa replied: Be assured, my master, that I know this secret. Yet Rabbi Yesa could not remember WHAT HE WAS TOLD IN HIS DREAM, and distressed, he went home and slept. Then he had a dream in which he was shown a book of Agadah wherein it was written: "Chochmah and Tiferet are in His sanctuary."

256. When he awoke he went to Rabbi Shimon and kissed his hands saying: Thus I was shown in my dream, and some other time I saw in my dream a book of Agadah wherein it was written: "Chochmah and Tiferet in His sanctuary." "Chochmah" above, "Tiferet" below, and His sanctuary, WHICH IS MALCHUT, by them. This is what I saw once in my dream, and these words were on my lips. Then Rabbi Shimon said to him: Until now you were too young to be enumerated among the reapers of the field, MEANING THOSE KNOWLEDGEABLE IN SECRETS, but now everything has been shown to you. And this is the meaning of the verse: "What is His name and what is his son's name that you should know." Chochmah is "His name" and Tiferet is "His son's name," FOR CHOCHMAH AND BINAH ARE ABA AND IMA OF TIFERET, AS IT IS KNOWN.

257. "And Moses went up to Elohim." Happy is the portion of Moses for being worthy of this honor to which the Torah itself testifies. Come and behold the difference between Moses and all other men of the world. When other men rise, they rise in richness or they rise to greatness or kingship, but of Moses it is written: "And Moses went up to Elohim." Blessed is his share.

258. Rabbi Yosi said: From this verse the friends deduced that "he who comes to be purified is assisted," for it is written, "And Moses went up to Elohim," and afterwards it is written, "and Hashem called to him." Thus, he who desires to come nearer is brought nearer.

15. "Thus shall you say to the house of Jacob"

Here we read of the happiness of those who are chosen by God to come near to Him. Those who reside in the Holy Land have the presence of God because the Shechinah always dwells there. In, "And Hashem called to him from the mountain, saying, 'Thus shall you say to the house of Jacob'," Hashem means to reveal wisdom to the children of Yisrael, and to tell them the truth about what He has done for them. We read how Rabbi Yosi and Rabbi Chiya fall in with a man who has the wisdom of herbs, and who cures them with one of his herbs of an ailment that they did not even know they had. He shows them the danger and the power of his herb, and they watch while it kills the serpent. In this way we learn the tremendous power inherent in everything that God created to grow on earth.

259. "And Hashem called to him from the mountain, saying, 'Thus shall you say to the house of Jacob'" (Shemot 19:3). Rabbi Yitzchak opened the discussion with the verse: "Happy is he whom You choose, and cause to approach to You, that he may dwell in Your court" (Tehilim 65:5). Happy is the portion of the man whom the Holy One, blessed be He, desires to bring near to Him to dwell in the Holy Palace, for he whom He desires to receive to worship Him is inscribed above, to make it known that he has been chosen by the Holy King to dwell in His apartment. And everyone who has upon him such a sign can pass through all the supernal gates without any hindrance.

260. Rabbi Yehuda said: Happy is the share of Moses, of whom it is written, "Happy is he whom You choose, and cause to approach to You," and of whom it is also written, "And Moses drew near to the mist" (Shemot 20:18), and, "And Moses alone shall come near Hashem: but they shall not come near" (Shemot 24:2). "Thus shall you say to the House of Jacob," are the wp,em, and "the children of Yisrael" are the men.

261. Rabbi Shimon said: "Thus (Heb. koh) shall you say" has the same meaning as in the verse, "In this way (Heb. koh) shall you bless" (Bemidbar 6:22), and as in another verse, "And Your pious ones shall bless You (Heb. yevarchuchah)" (Tehilim 145:10), namely, bless (Heb. yevarchu) koh - KOH BEING MALCHUT WHICH IS CALLED 'KOH'. "Thus shall you say to the house of Jacob," meaning by "saying," from the side of Judgment. "...and tell the children of Yisrael..." is the same as in the verse, "And He declared (told) to you His Covenant" (Devarim 4:13), and as in the verse, "I profess (tell) this day to Hashem your Elohim" (Devarim 26:3), FOR "TELLING" PERTAINS TO MERCY. "...the children of Yisrael..." are the men who come from the side of Mercy, THEREFORE IT IS ADDRESSED TO THEM BY "TELLING."

262. Rabbi Yitzchak said: Since we have come upon this verse, why is it written: "I told this day to Hashem your Elohim," instead of 'Hashem our Elohim'? Rabbi Shimon replied: Not only this. For it is also written: "For Hashem your Elohim brings you into a good land" (Devarim 8:7), "that Hashem your Elohim gives you" (Devarim 7:16), and it is written, "For Hashem your Elohim is a consuming fire" (Devarim 4:24). And all of them are written the same way.

263. We have learned that he who resides in the land of Yisrael has Elohim, and he who resides outside of it is as he who is without Elohim. The reason for this is that the holy seed comes to the Holy Land and the Shechinah dwells in Her place, and they depend on each other. Therefore, Moses did not say "your Elohim" except to those who were going to settle in the Holy Land and to receive the Shechinah. And Moses did not say 'our Elohim' since he did not merit to enter into the Holy Land. Therefore, it is written "your Elohim" in all these verses, for they were to enter there.

264. He said to him: Assuredly it is so, but why is it written, "And you shall come to the priest that shall be in those days, and say to him, 'I profess this day to Hashem your Elohim'" (Devarim 26:3)? If they were already in the Holy Land, why did he say "your Elohim" and not 'our Elohim'? AND HE ANSWERS that they show and praise the supernal Chesed, for it granted them all that merit to enter and dwell in that Holy Land, and performed by them all that goodness. Therefore, they said those words to the priest, as it is written: "I profess this day to the Hashem your Elohim," for he comes from the side of the Chesed.

260. ר' יהודה אמר, זכאה חולקיה דמשה, דעליה כתיב אשרי תבחר ותקרב, וכתיב ביה ומשה נגש אל הערמל ונגש משה לבדו אל יי' והם לא יגשו. כה תאמר לבית יעקב: אלין נוקבי, ותגיד לבני ישראל: אלין דוכרין.

261. ר' שמעון אמר, כה תאמר, כד"א כה תברכו. וכתיב, וחסידיך יברוכה, כלומר יברכו כה. כה תאמר לבית יעקב, באמירה. והיינו מסטרא דדינא. ותגיד לבני ישראל, כד"א, ויגד לכם את בריתו. וכתיב הגדתי היום ליי' אלהיך. לבני ישראל, דוכרין, דאתו מסטרא דרחמי.

262. א"ר יצחק, הואיל ואתינא להאי, מה הוא הגדתי היום ליי' אלהיך. ליי' אלהינו, מבעי ליה. אמר ליה ר' שמעון, וכי האי בלחודוי הוא. והא כתיב כי יי' אלהיך מביאך אל ארץ טובה וגו'. אשר יי' אלהיך נותן לך. כי יי' אלהיך אש אוכלה הוא, וכלהו הכי.

263. אלא הכי תנינן, כל הדר בארץ ישראל הומה כמי שיש לו אלוה. וכל הדר בחוצה לארץ הומה כמי שאין לו אלוה. מאי טעמא. משום דזרעא קדישא, לארעא קדישא סלקא. ושכינתא באתרה יתבא. והאי בהאי תליא. ומשה לא קאמר אלהיך, אלא לאינן דהוו זמינן למיעל לארעא קדישא, ולקבלא אפי שכינתא. ומה דלא אמר אלהינו, משום דהא משה לא זכה למיעל לארעא, ובגיני כן, אלהיך ודאי בכל אתר, משום דאינן הוו זמינן למיעל תמן.

264. א"ל ודאי הכי הוא. אבל הכא כתיב, ובאת אל הכהן אשר יהיה בימים ההם ואמרת אליו הגדתי היום ליי' אלהיך, והא אינן בארעא שריין, מאי טעמא אלהיך, ולא אלהינו. אלא אינן בעיין לאחזאה ולאודאה, דבגיני דחסד עלאה, זכאן לכל האי, ושריין בארעא, ועאלן להיא ארעא, ועבד עמדהון כל אינן טבאן, ובגיני כן, הוו אמרי מלין אלין לכהן, דכתיב הגדתי היום ליי' אלהיך, משום דאתי מסטרא דחסד.

265. "Thus shall you say to the house of Jacob," namely to that place which is appropriate TO THEIR GRADE; "And tell the children of Yisrael," namely to that place which is appropriate TO THEIR GRADE, for Jacob and Yisrael are two grades. JACOB IS THE LEVEL OF THE SIX ENDS AND YISRAEL IS THE GRADE OF THE FIRST THREE SFIROT, and both of them amount to one grade, WHICH IS ZEIR ANPIN, but Yisrael is called "the completeness of all". Therefore, it is written: "And tell the children of Yisrael," MEANING to reveal Wisdom to them and to tell them in the spirit of Wisdom the grace and the Truth of what the Holy One, blessed be He, has done for them, FOR "TELLING" ALLUDES TO CHOCHMAH, as it is written: "And He declared (told) to you His Covenant."

266. We learned that Rabbi Yosi said: Once I was on my way accompanied by Rabbi Chiya, my son. While walking we came upon a man who was collecting medicinal herbs in the field. We drew near him and I asked him: Tell us, what are these bundles of herbs for? He gave no reply and did not even raise his head. I asked him again but he gave no answer. Then I said to Rabbi Chiya, my son: This man is either deaf or mad or wise. So we sat down near him. Afterwards he collected all the herbs and made them into bundles and covered each bundle with fig leaves.

267. He turned to us and said: I see that you are Jews and Jews are said to be clever people. If I did not have pity for you now, you would be expelled from people as lepers are, for I perceive the odor of a certain herb which has entered your body. You would be outcasts FROM MEN for three days. But now eat this wild garlic and you will be healed.

268. So we ate from these that were before us and fell into a sleep, and we were bathed in perspiration for a long time. When we awakened that man said: Now your Elohim is with you, for you have found me and the cure of your bodies is accomplished through me.

269. As we went along he said to us: Every person must converse with his fellow according to their way. That is, to a woman according to her way, and to a man according to his way, and to a man among men according to his way. Then I was struck by this remark and said to Rabbi Chiya, my son: This accords with the verse, "Thus shall you say to the house of Jacob and tell the children of Yisrael."

270. The man said to us: You probably noticed that I did not raise my head, nor did I speak to you. This is because my father was a greater expert in herbs than any one else at his time, and I have learned from him the powers and the uses of all the herbs that are true, and I spend the whole year among them.

271. Now I will tell you of this herb you saw me cover with fig leaves. In a northern corner in my house there is a place in which there is a millstone from the hole of which a man with two heads emerges. He carries a sharp sword in his hands, and every day he distresses us. I gathered this herb on account of him. Now follow me and you shall see the power of this herb, and what the supreme Elohim has revealed in the world, and that there is no one that knows His ways.

272. So we followed him. On the way to his house we saw him bending to a hole in the ground in which he deposited some of that herb, and a serpent with an enormous head issued. The man took a rope and bound the serpent as though it was a lamb. We were afraid, but the man told us to follow him.

273. When we reached his house, we saw that place in the dark behind a wall. He took a candle and kindled a fire around that place of the millstone. Then he said to us: Do not be frightened at what you see and keep silent.

274. While at that, he loosened the serpent's bonds and ground some of the herbs and sprinkled this upon the serpent's head. Then the serpent descended into the opening of that millstone and we heard a voice which caused the whole place to shake. We wanted to leave, but the man took hold of our hands saying: Fear not. Come close to me.

275. Meanwhile the serpent reappeared, and it was dripping blood. Again the man took some of that herb and sprinkled it upon the serpent's head. THE SERPENT entered the opening of that millstone. After a short time we saw a man with two heads came out from the millstone with a serpent wound about his neck. He come in and out of that millstone three times, saying: Chameleon, chameleon, woe to his mother who brought him to that place!

270. אָמַר לָן, חֲמִיתוֹן דִּלָּא זְקִיפְנָא רִישָׁאֵי, וְלֹא אֶשְׁתַּעֲינָא בְּהַדְרִיכּוּ, מִשּׁוּם דְּאָבָא חֲמִימָא בְּעֶשְׂבִין מְכַל בְּנֵי דְרָא הוּהּ. וְאוֹלִיפְנָא מֵאבָא אֲרַחוּי דְכָל עֶשְׂבִין, דְּבַהוֹן קְשׁוּט, וְאָנָּא בְּכָל שְׁתָּא מְדוֹרָאֵי בִינְיָהוּ.

276. Then the millstone was torn from its place and both the man and the serpent came out, fell down, and died. We were terrified. Then that man said: Thus is the power of the herb which I collected in your presence. This was the reason why I did not speak to you or raise my head when you approached me.

277. He said to us: If men only knew the wisdom of all that the Holy One, blessed be He, has planted in the earth, and all the power of all that which is to be found in the world, they would acknowledge the power of their Master in His great wisdom. But the Holy One, blessed be He, has purposely hidden this wisdom from men in order that they do not turn from His ways by trusting in that wisdom alone, thus forgetting Him.

278. When I came and recounted those things to Rabbi Shimon, he said: Surely that was a wise man, for observe that there is no grass or herb that grows on the earth in which much wisdom and great power in heaven is not manifested. Come and observe this from the hyssop, for whenever the Holy One, blessed be He, desires that men purify themselves, they have to do it by the hyssop. What is the reason? To arouse that power above that is appointed over, for when it is aroused, it exterminates the Spirit of Impurity and the defiled person is cleansed. And to you I say: Blessed be the Merciful One who delivered you.

16. "on eagles' wings"

You have seen what I did to Egypt and how I bore you on eagles' wings. This section tells us by way of analogy with the eagle that God is merciful to His own children, but uses severe judgment with the heathen nations. In the vision of Ezekiel the face of man includes the face of a lion and the face of an ox, with the face of the eagle - mercy - between them and combining them.

279. "You have seen what I did to Egypt and how I bore you on eagles' wings" (Shemot 19:4). What does "eagles' wings" mean? Rabbi Yehuda said that "eagles' wings" means Mercy, as it is written in the verse: "As an eagle stirs up her nest" (Devarim 32:11), MEANING THAT "AN EAGLE" SIGNIFIES MERCY. And this is the secret in Rabbi Shimon's words: "The way of the vultures in the air" (Mishlei 30:19). "...in the air..." means with Mercy, FOR ZEIR ANPIN IS CALLED 'HEAVEN' AND HAS MERCY, FOR CHESED, GVURAH AND TIFERET ARE JUDGMENT AND MERCY. As the eagle watches mercifully over its own young but is cruel toward others, so is the Holy One, blessed be He, merciful towards Yisrael but judges the heathen nations severely.

280. Rabbi Elazar was once going from Cappadocia to Lod accompanied by Rabbi Yosi and Rabbi Chiya. They had risen at sunrise and as the light appeared they started to walk. Rabbi Chiya said: I see the vision which is described in the verse, "And they four had the face of a lion, on the right side and they four had the face of an ox, on the left side, they four also had the face of an eagle" (Yechezkel 1:10), AND I WONDER, if the lion is on the right side and the ox is on the left one, where is the place of the eagle?

276. אֲדַהְכִי, אֲתַעְקֵר רִיחָיָא מֵאַתְרֵיהּ, וְנִפְקוּ, גְּבֵרָא וְחֻיָּא, וְנָפְלוּ וּמִיתוּ תְרוּוּיָהּ. וְאֲנִן הִחִילָנָא סְגִי. אָמַר לוֹן הֵהוּא גְּבֵרָא, דָּא הוּא חִילָא דְעִשְׂבָא דְאָנָא לְקִיטְנָא קְמִיכּוּ, וּבְגִינִי כִּךְ לֹא אֲשַׁתְּעִינָא בְּהַדְרִיכּוּ, וְלֹא זְקִיפְנָא רִישָׁאִי, בְּשַׁעְתָּא דְקְרִיבְתוֹן גְּבֵאִי.

280. ר' אֶלְעָזָר, הוּהּ אֲזִיל מְקַפּוּטְקִיָּא לְלוּד, וְהוּהּ אֲזִיל ר' יוֹסִי וְר' חִיָּיא עֲמִיָּה, קְמוּ בְּנְהוּרָא, כִּד נְהִיר יִמְמָא, וְהוּוּ אֲזִילִי. אָמַר ר' חִיָּיא, חֲמִינָא הָאִי קְרָא דְּכַתִּיב, וּפְנֵי אַרְיָה אֶל הַיְמִינִין לְאַרְבַּעַתָּן וּפְנֵי שׁוּר מֵהַשְּׂמַאל לְאַרְבַּעַתָּן וּפְנֵי נֶשֶׁר לְאַרְבַּעַתָּן הָא אַרְיָה בִּימִינָא, שׁוּר מֵשְׂמַאלָא, נֶשֶׁר בְּאֵן אֲתֵר דּוּכְתִיָּה.

281. Rabbi Elazar replied: Its place is where Jacob is, MEANING THE CENTRAL COLUMN. The reason for this is that the eagle combines everything, BOTH MERCY AND JUDGMENT - Mercy to its own young and Judgment to the others. So the Holy One, blessed be He, THE SECRET OF THE CENTRAL COLUMN, led Yisrael with love and dealt sternly with others, as it is written: "And bore you on eagles' wings," and, "As an eagle stirs up her nest."

281. אָמַר לִיהוָה ר' אֶלְעָזָר, בְּאֶתְרָא דִּיעֶקֶב שְׂרָיָא. מ"ט. מְשׁוּם דְּנִשְׁר בְּכֻלָּא אֲשֵׁתִיכָח, רַחֲמֵי לְבָנוּי, דִּינָא לְגַבֵּי אַחֲרָנִין. כִּךְ קוּדְשָׁא בְּרִיךְ הוּא, אוֹבִיל לֹון לְיִשְׂרָאֵל בְּרַחֲמֵי. וּבְדִינָא לְגַבֵּי אַחֲרָנִין, דְּכִתְיִב וְאִשָּׁא אֶתְכֶם עַל כְּנָפֵי נְשָׁרִים. וְכִתְיִב כְּנִשְׁר יַעִיר קָנוּ.

282. We can learn that an eagle signifies Mercy, for it is written: "The way of the vultures (lit. 'eagle') in the air (lit. 'heaven')," actually 'in heaven', WHICH IS ZEIR ANPIN, THE PROPRIETOR OF MERCY. Therefore, the lion is on the right and the ox on the left, and the eagle is between them and combines both of them. "THE FACE OF a man" includes all of them and in it they are all comprised, FOR HE IS THE ASPECT OF MALCHUT WHICH RECEIVES FROM ALL OF THEM, as it is written: "Upon the likeness of the throne was the likeness as the appearance of a man above upon it" (Ibid. 26).

282. מְנַלְן דְּנִשְׁר רַחֲמֵי אַקְרִי. דְּכִתְיִב דֶּרֶךְ הַנְּשָׁר בְּשָׁמַיִם. בְּשָׁמַיִם מְמַשׁ. וּבְגִינֵי כִךְ אַרְיָה לִימִינָא. שׁוֹר לְשִׁמְאֵלָא. נִשְׁר בִּינֵיהוּ וְאַחִיד לֹון. אֲדָם כְּלִיל כְּלָהוּ, וְכֻלָּא אֶתְכְּלִילֵן בֵּיהּ, דְּכִתְיִב וְעַל דְּמוֹת הַכְּסָא דְּמוֹת כְּמִרְאָה אֲדָם עָלֵיו מְלַמְעָלָה.

17. "And it came to pass, on the third day"

The theme of mercy and judgment is continued in this section. Good deeds are necessary to deserve mercy, and this idea is explored through looking at the verse, "We have a little sister and she has no breasts, what shall we do for our sister in the day when she shall be spoken for." The "third day" of the title verse refers to Tiferet, that is Mercy.

283. "And it came to pass, on the third day" (Shemot 19:16). Rabbi Aba opened the discussion with the verse: "We have a little sister and she has no breasts, what shall we do for our sister in the day when she shall be spoken for" (Shir Hashirim 8:8). "A little sister" is the Congregation of Yisrael, which is called 'the sister of the Holy One, blessed be He'. "She has no breasts" is as we have learned, that when Yisrael approached Mount Sinai, they had in them no merits or good deeds to protect them, as it is written: "she has no breasts" - for they are the beauty of a woman, and a woman's beauty comes from them alone. "What shall we do for our sister," that is, what will be done with them when the Holy One, blessed be He, reveals Himself on Mount Sinai to proclaim the words of the Torah, for their souls will fly away from them.

283. וַיְהִי בַיּוֹם הַשְּׁלִישִׁי וְגו'. ר' אַבְא פָתַח, אַחוֹת לָנוּ קְטָנָה וְשָׂדִים אִין לָהּ מַה נַּעֲשֶׂה לְאַחוֹתָנוּ בַיּוֹם שְׂדִיבֵר בֵּה. אַחוֹת לָנוּ קְטָנָה, דָּא כְּנִסְתַּת יִשְׂרָאֵל, דְּאַקְרִי אַחוֹת לְקוּדְשָׁא בְּרִיךְ הוּא. וְשָׂדִים אִין לָהּ, הֵינָנוּ דְתַנִּינָן, בְּשַׁעֲתָא דְקָרִיבוּ יִשְׂרָאֵל לְטוּרָא דְסִינַי, לֹא הוּהּ בַּהוֹן זְכוּוֹן, וְעוֹבְדִין טְבִין, לְאַגְנָא עֲלִייהוּ, דְּכִתְיִב וְשָׂדִים אִין לָהּ. דְּהָא אִינּוֹן תְּקוּנָא וְשְׁפִירוּ דְאַתְתָּא, וְלִית שְׁפִירוּ דְאַתְתָּא אֶלָּא אִינּוֹן. מַה נַּעֲשֶׂה לְאַחוֹתָנוּ. מַה יִתְעַבִּיד מִינָהּ, בְּשַׁעֲתָא דְקוּדְשָׁא בְּרִיךְ הוּא, יִתְגַּלִּי בְּטוּרָא דְסִינַי, לְמַלְלָא בְּפִתְגָמֵי אוּרִייתָא, וַיִּפְרַח נִשְׁמַתְהוֹן מִנִּייהוּ.

284. Rabbi Yosi said: At the time Yisrael approached Mount Sinai, together with that night and the following morning, it was three days altogether during which the people abstained from conjugal intercourse with their wives. The holy angels came and received them with fraternity, for they are angels above and Yisrael are angels below; they sanctify the Supreme Name above, while Yisrael sanctify the Supreme Name below.

284. אָמַר ר' יוֹסִי. בַּהּ הוּא שַׁעֲתָא דְקָרִיבוּ יִשְׂרָאֵל לְטוּרָא דְסִינַי, בַּהּ הוּא לִילָא וְנִגְהִי, תְּלַתָּא יוֹמִין דְּלֹא אֲזִדּוּגוּ לְאַנְתְּתִייהוּ, אֲתוּ מְלֹאכִין עֲלֵאִין, וְקִבְלוּ לְיִשְׂרָאֵל בְּאַחוּוּתָא. אִינּוֹן מְלֹאכִין לְעִילָא, וַיִּשְׂרָאֵל מְלֹאכִין לְתַתָּא. אִינּוֹן מְקַדְשִׁין שְׁמָא עֲלָהּ לְעִילָא, וַיִּשְׂרָאֵל מְקַדְשִׁין שְׁמָא עֲלָהּ לְתַתָּא.

285. And Yisrael were crowned with seventy crowns on that night. Then the supernal angels said: "We have a little sister and she has no breasts," for they have no merits and good deeds, so "what shall we do for our sister?" That is, how shall we honor her on the day when the Holy One, blessed be He, reveals Himself on Mount Sinai to give them the Torah?

286. It is written: "Be ready by the third day, come not near a woman," (Shemot 19:15) and, "And it came to pass, on the third day." Rabbi Shimon said that at the time that the Holy One, blessed be He, desired to be revealed on Mount Sinai, He gathered all His retinue and told them: 'Now Yisrael are like children who do not know My commandments, and I desire to be revealed before them with Mercy, and they will accept My Law.' Therefore it is written: "And it came to pass on the third day." Indeed, the manifestation took place on the third day, FOR IT IS THE DAY OF TIFERET, which is Mercy. And how do we know all that? It is written: "He bowed the heavens also, and came down" (II Shmuel 22:10), AND "HEAVENS" ARE TIFERET, WHICH IS MERCY, AS IS EXPLAINED ABOVE.

287. When the Holy One, blessed be He, revealed Himself before Yisrael, He extended Mercy at first and afterwards He gave them the Torah, from the side of Gvurah, on the third day. **THUS, THEY INCLUDED BOTH MERCY AND JUDGMENT**, as is appropriate for them. Hence, they are called 'Yisrael', **FOR THE NAME 'YISAREL' CONSTITUTES MERCY AND JUDGMENT**.

288. "When morning came." It is written: "In a morning without clouds" (II Shmuel 23:4), for if it was a cloudy morning, there would have been darkness in it and Chesed would not have been revealed. And when does Chesed reveal itself? In the morning, as it is written: "the morning was light" (Bereshheet 44:3). Thus, as soon as the day breaks, Chesed is present in the world and Judgments are removed, but when the light of the morning does not enter, Judgments are not removed, as it is written: "When the morning stars sang together and all the sons of Elohim shouted for joy" (Iyov 37:7), as soon as the stars fade away and the sun shines at that time, as it is written: "A morning without clouds." And Chesed is awakened in the lower world at that time, it is written: "When morning came," since the stars disappeared and morning appeared.

289. Rabbi Yosi said that "When morning came," the Holy One, blessed be He, started to reveal Himself on Mount Sinai. We learned that, "When morning came," means when the merit of Abraham is awakened, of whom it is written: "And Abraham went early in the morning" (Bereshheet 19:26).

18. "There were thunders and lightnings"

The rabbis offer various ideas about "voices." One of them says that it means two voices - water and wind - which became one; one of them says that it is one voice that never ceases; one of them says that it comes from three - wind, water and fire. The discussion moves to lightning and then to the "fiery law" that is the Torah. And we learn that the sound of the Shofar came forth to break the heavy dark cloud.

290. "There were thunders (Heb. kolot) and lightnings" (Shemot 19:16). Rabbi Aba said that "kolot" is spelled without VAV, THE INDICATION OF THE PLURAL FORM, signifying that there were two thunders (lit. 'voices') that became one again, one emanating from the other - wind from water and water from wind, two that are one, and one that is two. THEREFORE THE WORD "KOLOT" IS WRITTEN WITHOUT VAV.

291. Rabbi Yosi said: "kolot," MEANS one; this voice is a great and strong one which never ceases, as it is written: "A great voice which was not heard again" (Devarim 5:19). This is because all the other voices do cease. As we learned, four times a year the voice ceases, and then Judgments are awakened in the world. But this voice, which includes the other voices, never ceases and never abates of its full existence and force. We have learned that this voice is the voice of voices, the voice which contains all other voices.

292. Rabbi Yehuda said: There is no voice but the one which comes from wind, water and fire, THAT ARE THE THREE COLUMNS. And all this the voice performs, WHICH IS THE CENTRAL COLUMN. AND BY IT, THE COLUMNS are included in each other AND BECOME ONE. Therefore, the word "kolot" is spelled WITHOUT VAV, THE INDICATION OF THE PLURAL FORM. "...and lightning...": Rabbi Yosi cited that verse and explained: "He makes lightning for the rain" (Tehilim 135:7), MEANING THAT "LIGHTNING" IS THE COMBINATION OF FIRE AND WATER, AS LIGHTNING IN THE RAIN - for the flame OF THE LIGHTNING in the rain INDICATES THAT IT IS a union of Mercy with infrequent love.

293. Rabbi Yehuda said: We have learned that the Torah was given from the side of Gvurah. Rabbi Yosi said: In that case THE TORAH must be of the left side. He said: It returned to the right, as it is written: "From His right hand went a fiery law for them" (Devarim 33:2), and: "Your right hand, Hashem, is glorious in power" (Shemot 15:6). So we see that the left is included within the right, FOR IT IS WRITTEN: "FROM HIS RIGHT HAND A FIERY LAW FOR THEM"; and the right is included within the left FOR IT IS WRITTEN: "YOUR RIGHT HAND, HASHEM, IS GLORIOUS IN POWER." Thus, Gvurah, WHICH IS THE LEFT, is included within the right.

294. "And a heavy cloud upon the mountain" (Shemot 19:16) meaning, a very mighty cloud stuck in one place BECAUSE OF ITS HEAVINESS that does not move FROM PLACE TO PLACE AS DO OTHER CLOUDS. "And the sound of a shofar exceedingly loud" (Ibid.); that sound was very strong, for it issued from the midst of the heavy cloud IN ORDER TO BREAK IT, as it is written: "When you heard the voice out of the midst of the darkness" (Devarim 5:20).

295. Rabbi Yehuda said: There were three kinds of darkness, for it is written, "darkness, clouds and thick darkness" (Devarim 4:11). And that voice, NAMELY, THE VOICE OF THE SHOFAR, came forth as the innermost depths. Rabbi Yosi said that the innermost of all of them was THE VOICE of which it is written: "A great voice which was not heard again."

19. "and all the people saw the voices"

Here the experience where Moses talked face to face with God on Mount Sinai is compared to Ezekiel's visions. It is pointed out that Ezekiel saw the Shechinah and the hand of God, but Moses was greater because he saw the head and body of Zeir Anpin. All the people who were on the mountain

literally "saw the voice" as it was carved out of darkness, cloud and fog - and figuratively they saw what no one in succeeding generations would ever again see until the time of Messiah, and that was the supernal illumination that showed them all hidden and veiled knowledge.

296. Rabbi Aba said: It is written, "And all the people perceived the thunderings (lit. 'saw the voices')" (Shemot 20:15). HE ASKS: WHY IS IT WRITTEN "see," rather than 'hear'? AND HE ANSWERS that we have already learned that those voices were carved out upon the darkness, cloud and the fog, visible as a body is. And they saw whatever it was they saw, and heard what they heard from within the darkness, cloud and fog. And because they saw that sight they were illuminated with a supernal illumination and knew things beyond the understanding of all other generations to come.

297. All of them saw face to face, as it is written: "Hashem talked with you face to face" (Devarim 5:4). And what did they see? Rabbi Yosi explains: From the illumination of those voices, as there was not a voice that did not shine, they could see all things hidden and veiled which will never be revealed to succeeding generations until the days of King Messiah. Therefore it is written: "And all the people see the voices," for they actually saw.

298. Rabbi Elazar said: "And all the people see" means, as we have said, that they saw all those wonderful things that no generation after will ever see, by means of the illumination of those voices. "... the voices..." has the same meaning as in the verse: "I saw Hashem" (Yeshayah 6:1). It is written: "Hashem" preceded by the particle Et, WHICH MEANS THAT HE SAW THE SHECHINAH WHICH IS CALLED 'ET'. In this verse too it is written: "And all the people see the voices," with the particle Et (lit. 'the'), TO INDICATE THAT THEY SAW THE SHECHINAH.

299. In the same manner we can explain the verse: "the heaven and the earth" (Bereshheet 1:1), for all the "Et (lit. 'the')" particles mentioned in the Torah enable us to have the perception of wisdom - as in the verse: "Honor (et) your father and (et) your mother" (Shemot 20:12) and the verse, "Honor (et) Hashem with your substance" (Mishlei 3:8). These verses ARE EXPLAINED as including something in addition. Here too, "the voices" include that other voice below, WHICH IS MALCHUT, which gathers into itself the other voices and that which emerges from them. In it, IN MALCHUT, the people saw and beheld, through sublime Wisdom, all the celestial treasures and all the hidden mysteries which were never revealed to succeeding generations or to any far away generations, and will not be revealed until the days of King Messiah. As it is written: "For they shall see eye to eye Hashem returning to Zion" (Yeshayah 52:8). HE ASKS: Why is "the lightning" called first "lightning (Heb. berakim)," (Shemot 19:16) and afterwards "lightning (Heb. lapidim)"? AND HE ANSWERS that both of them have one meaning, for when THE BERAKIM are quite formed and ready to appear, they are called LAPIDIM.

300. "...the sound in the Shofar..." (Shemot 20:15). Rabbi Yitzchak says: It is written, "Elohim has spoken once: twice have I heard this" (Tehilim 62:12). This is similar to: "I am Hashem your Elohim," and, "You shall not make for yourself" (Shemot 20:2). "I AM" SIGNIFIES THE SECRET OF BINAH, AND "YOU SHALL NOT MAKE FOR YOURSELF" SIGNIFIES THE SECRET OF ZEIR ANPIN, AND BOTH OF THEM WERE UTTERED AT ONCE. IN THIS VERSE, TOO, THE SOUND IS ZEIR ANPIN AND THE SHOFAR IS BINAH, AND BOTH WERE UTTERED AT THE SAME TIME.

301. Rabbi Yehuda said: It should have said 'the sound in the Shofar'; why DOES IT SAY "of the Shofar"? AND HE ANSWERS: That voice was called 'Shofar', as in the verse: "Then shall you cause the Shofar to sound on the tenth day of the seventh month, on the Day of Atonement" (Vayikra 25:9). On that YOM KIPPUR (DAY OF ATONEMENT) it is called 'Shofar', MEANING THAT WHEN THE SOUND ISSUES FROM BINAH, THE SOUND IS CALLED 'SHOFAR'.

302. Rabbi Yosi said: As the PHYSICAL Shofar makes a sound WHICH INCLUDES fire, air and water, here too everything is included in it, FOR HERE IN THE SOUND THAT COMES OUT FROM THE SHOFAR, FIRE, WIND AND WATER ARE INCLUDED - WHICH ARE CHESED, GVURAH AND TIFERET, THE SECRET OF THE THREE COLUMNS. And from this sound other sounds emerge.

303. Rabbi Elazar said that "THE SOUND OF THE SHOFAR" MEANS the sound which comes out from a Shofar, which means that there is one Shofar and a solitary sound comes out from it, FOR THE SOUND IS THE SECRET OF ZEIR ANPIN AND THE SHOFAR IS THE SECRET OF BINAH. The Shofar stands by itself SEPARATE FROM THE SOUND WHICH COMES OUT OF IT, therefore it is written: "the sound of the Shofar," AND NOT, 'THE SOUND IN THE SHOFAR'.

304. Rabbi Yehuda said: In "the sound of the Shofar," the word "Shofar" is spelled without THE LETTER VAV, FOR IT HAS THE SAME MEANING AS IN THE VERSE, "It pleased (Heb. shafar) Daryavesh" (Daniel 6:1) and in the verse, "O king, let my counsel be acceptable (Heb. yishpar) to you" (Daniel 4:24) and the verse, "I thought it good (Heb. shefar) to report the signs and wonders" (Daniel 3:32) - MEANING THAT THESE ARE EXPRESSIONS WHICH SPEAK OF GLORY AND BEAUTY, WHICH ALLUDES TO ZEIR ANPIN, THE SECRET OF TIFERET.

305. Rabbi Shimon said that "the sound of the Shofar" MEANS THAT the place from which the sound comes out is called 'Shofar', FOR THE SOUND IS ZEIR ANPIN AND THE SHOFAR IS BINAH, AND ZEIR ANPIN ISSUES FROM BINAH, AS IS KNOWN. Rabbi Shimon continued and said: Come and behold: "the sound of the Shofar" refers to where the voice is, for it is written: "By every word that proceeds out of the mouth of Hashem does man live" (Devarim 7:3). What comes "out of the mouth of Hashem"? "...the sound of the Shofar..." which is greater than any other lower voices, and stronger than them all, as it is written: "the sound of a Shofar exceedingly loud" (Shemot 19:16). Of other voices it is not said "exceedingly loud" (lit. 'very strong')." Everything depends on this sound of the Shofar, and it is called 'a great voice', as written: "a great voice which was not heard again" (Devarim 5:19), and it called "a still small voice" (I Melachim 19:12), which is the light of the luminaries, which is pure and subtle, and purifies and illuminates all things.

306. IT IS WRITTEN: "still." What does "still" mean? Rabbi Shimon said that one must be silent WITH AWE and shut his mouth, as it is written: "I said, 'I will take heed of my ways that I sin not with my tongue: I will keep a curb on my mouth' (Tehilim 39:2). The word "still" means silence in which no voice is heard outside. "When the people saw it, they were shaken and stood afar off," for what they saw FRIGHTENED THEM. The word "shaken (also: 'moved')" (Shemot 20:15), has the same meaning as in: "And the posts of the door moved at the voice of him" (Yeshayah 6:4).

307. We have learned that Ezekiel saw the might of the ways of the Holy One, blessed be He, as it is written: "And I looked and behold, a storm wind came out..." (Yechezkel 1:4) What is the storm wind for? Rabbi Yosi explained: To break the four kingdoms. Rabbi Yehuda said: We have learned that it is a great wind that was aroused through the mighty deeds above. And it "came out from the north." It is not written 'from north' but "the north," WITH THE DEFINITE ARTICLE, which indicates that specific wind which is hidden and kept above.

308. "...a great cloud and a fire flaring up..." (Ibid.) "...FLARING UP..." MEANS THAT it held yet held not to it, gripping its sides to arouse Judgment. We learned that three times a day Severe Judgment sucks from the supernal inscriptions that come from the side of Gvurah. Therefore it says, "and a fire flaring up," so that it would be roused in the world.

309. What mitigates this "FLARING UP FIRE" OF BINAH? "A brightness was about it" (Ibid.), for that splendor, WHICH IS CHOCHMAH, surrounds it and encircles it and mitigates it, so that the Judgment is not too hard for men to bear.

310. "...and out of the midst of it, as it were the color of electrum" MEANS FROM ITS INTERIOR PART. What is "electrum (Heb. chashmal)"? RABBI YEHUDA SAID: It is the speaking of fiery animals (Heb. CHAYOT ESH - memalelot), WHICH ARE FROM THE ASPECT OF THE MALE AND FEMALE, WHEN FACE TO FACE, WHICH ARE THEN CALLED 'VOICE' AND 'SPEECH'." HENCE, THEY TALK.

311. Rabbi Yosi said: We have learned that chashmal MEANS THE HEART (Heb. lev, Lamed-Bet) of the fire, MEANING THE SECRET OF THE LAMED-BET (=32) PATHS OF CHOCHMAH - WHICH ARE THE LIVING CREATURES OF BINAH, WHICH IS THE SECRET OF THE "FIRE FLARING UP," as it is written: "out of the midst of it, as it were the color of electrum." It is written this way instead of JUST "the electrum," FOR "AS IT WERE (LIT. 'LIKE THE EYE') ALLUDES TO THE LIGHT OF THE CHOCHMAH WHICH IS CALLED 'AN EYE'." "...out of the midst of the fire..." means from the inner part of the fire. "As it were the color of electrum" means that ELECTRUM is behind the four grades, for it is written: "a storm wind," "a great cloud," "a fire flaring up," and "a brightness was about it." "...out of the midst of the fire..." refers to that "fire flaring up," WHICH IS BINAH, AND IT DOES NOT MEAN OUT OF THE MIDST OF THE BRIGHTNESS.

312. Rabbi Yosi, the son of Rabbi Yehuda, said that Yisrael at Mount Sinai saw what the prophet Ezekiel never saw, and they were all united with the divine, precious Wisdom. Yisrael saw five grades of voices on Mount Sinai, by which the Torah was given. The fifth grade was "the sound of the Shofar." Ezekiel saw but five lower grades outside THOSE FIVE VOICES, which were: "a storm wind," "a great cloud," "a fire flaring up," "a brightness was about it," and "as it were the color of electrum."

313. Rabbi Elazar said: Of Yisrael, it is written, "Hashem talked with you face to face" (Devarim 5:4), and of Ezekiel it is written, "as it were," and "likeness," - like one who looks from behind many walls, like a man looking from behind a wall. Rabbi Yehuda said that what Yisrael saw on Mount Sinai no prophet ever saw, and much more so, what Moses saw no other prophet saw. Happy is his share, of whom it is written: "And he was there with Hashem" (Shemot 34:28), FOR THIS IS THE SECRET OF THE SHINING MIRROR, instead of a different mirror WHICH DOES NOT SHINE, as it is written: "manifestly and not in dark speeches" (Bemidbar 12:8) - NOT LIKE THE OTHER MIRRORS WHICH DO NOT ILLUMINATE AND SPEAK IN RIDDLES.

314. Rabbi Yosi said: Come and behold. When the scripture said, "The word of Hashem came (Heb. hayoh-hayah)" (Yechezkel 1:3) it indicated that the prophecy was for that time alone. THEREFORE, IT IS WRITTEN THERE, "HAYOH-HAYAH." Rabbi Yehuda said that this was for support, for Yisrael to know that the Holy One, blessed be He, had not forsaken them and to prove to them that wherever they are spread in exile, He is with them.

315. Rabbi Elazar remarked that the expression "hayoh-haya (lit. 'was being') MEANS that he both saw and did not see, understood and did not understand, as it is written: "I saw something like the color of electrum" (Yechezkel 1:27). IT IS not WRITTEN, 'I SAW electrum', but of Yisrael, it is written: "And all the people see the voices," MEANING that each one of them saw according to what he was worthy of seeing.

316. We have learned that they stood in rows and in groups and divisions, and each one saw as befitted him. Rabbi Shimon said that the chiefs of the tribes STOOD by themselves and all the women by themselves. And five grades STOOD at the right and five grades at the left, as it is written: "You stand this day all of you before Hashem your Elohim, your captains of your tribes, your elders, and your officers, with all the men of Yisrael" (Devarim 29:9). These are the five grades to the right. And what are the five grades to the left? It is written: "your little ones, your wives, and your stranger that is in your camp, from the hewer of your wood to the drawer of your water" (Ibid. 10). These are the five grades to the left.

317. All these grades were established in the likeness of above. Against them, Yisrael inherited an eternal possession, the Ten Commandments, from which are suspended all the precepts and merits, and all the inheritance of their portion, being the good portion of Yisrael.

318. We have learned that at the time that the Holy One, blessed be He, revealed Himself on Mount Sinai, all of Yisrael looked as one who sees a light streaming through the glass of an oil-lamp. By means of that light each one of them saw more than the prophet Ezekiel.

319. How is this so? Because all the supernal voices were revealed at once, as it is written: "And all the people see the voices." But to Ezekiel the Shechinah alone was revealed through Her Chariots, and he caught but glimpses of it as though through many walls.

320. Rabbi Yehuda said: Happy is the portion of Moses. Of him, it is written: "And Hashem came down upon Mount Sinai...and Hashem called Moses" (Shemot 19:20). And happy are the generation of whom it is written: "Hashem will come down in the sight of all the people upon Mount Sinai."

321. Come and behold: whatever was revealed came from the right side, as it is written: "From His right hand went a fiery law for them" (Devarim 33:2). AND HE ASKS: What is the difference between this and the one WHICH EZEKIEL SAW? Rabbi Yosi answered that here, on Mount Sinai, the head and the body of the King were revealed, as it is written: "He bowed the heavens also and came down" (II Shmuel 22:10), FOR BEFORE THIS IT IS WRITTEN, "THERE WENT UP A SMOKE OUT OF HIS NOSTRILS AND FIRE OUT OF HIS MOUTH" (IBID. 9), MEANING THAT THERE WAS ONLY A HEAD OF WHICH NOSTRILS AND MOUTH ARE MENTIONED, and wherever there is a head, there is also a body. But of Ezekiel it is written: "And the hand of Hashem was there upon him" (Yechezkel 1:3). Only the hand was revealed, not the body, and we have learned that even the hand has two aspects: the supernal hand, WHICH IS THE HAND OF ZEIR ANPIN, and the lower hand, WHICH IS MALCHUT AND IS CALLED 'A HAND'. AND TO EZEKIEL THE LOWER HAND WAS REVEALED.

322. Come and behold: in the verse, "The heavens were opened and I saw visions of Elohim" (Yechezkel 1:1), the word "visions" (Heb. MAR'OT) is written without THE LETTER VAV, AN INDICATION OF one mirror, which is the Shechinah. Rabbi Yesa asked: Is not the Shechinah all inclusive? Rabbi Yosi answered: The head of the King is not to be likened with His feet, WHICH IS THE SHECHINAH THAT CLOTHES HIM FROM THE CHEST DOWNWARDS, CALLED HIS 'FEET' - although everything is part of the body of the King.

323. Come and behold: It is said of Isaiah, "and I saw Hashem" (Yeshayah 6:1), WHICH IS THE SHECHINAH, CALLED "ET (LIT. 'THE')." And of Ezekiel it is written: "And I saw visions of Elohim." Here "Et" IS THE SHECHINAH, and there "visions" IS THE SHECHINAH, for what one saw, so did the other, NAMELY ONLY THE SHECHINAH. Happy is the portion of Moses. There was no prophet as perfect as he, FOR HE SAW THE ILLUMINATING MIRROR, WHICH IS ZEIR ANPIN.

324. "...and I saw (et) Hashem." Et precisely REFERS TO THE SHECHINAH. "And I saw visions of Elohim," "vision" being precisely THE SHECHINAH. ISAIAH AND EZEKIEL were BOTH in the same grade. AND HE ASKS: Why then did Isaiah not give a detailed description AS EZEKIEL DID? Rabbi Yosi answers: The one spoke in general, NAMELY ISAIAH, and the other in details, NAMELY EZEKIEL. Why did Ezekiel give such a detailed description? HE ANSWERS: EZEKIEL SPOKE IN A DETAILED MANNER in consideration of Yisrael, so that they would know that the Holy One, blessed be He, loved them and that the Shechinah with Her Chariots had gone down into exile to dwell with them.

325. Rabbi Chiya asked: Why did the Shechinah reveal Herself in "the land of Casdim," FOR IT IS WRITTEN: "Behold the land of Casdim, this people was not" (Yeshayah 23:13). If it was for Yisrael's sake, surely She could have been present among them without being revealed? AND HE ANSWERS: We have learned that if She had not revealed Herself, they would not have known THAT SHE WAS WITH THEM.

326. She revealed Herself, as written, "by the river K'var" (Yechezkel 1:1), meaning by the water, in a place where impurity can not dwell. That river was one of the four rivers which issued from the Garden of Eden, as written: "by the river K'var." What does "K'var" (lit. 'already') mean? That it already existed from a place upon which the Shechinah dwelt, as it is written: "And the hand of Hashem was there" (Ibid.), that is, there and not elsewhere.

327. Rabbi Chiya said: It is written, "Also out of the midst of it came the likeness of four living creatures. And this was their appearance; they had the likeness of a man" (Yechezkel 1:5). And we have learned, according to the esoteric teaching, that there are four living creatures in the holy chamber, WHICH IS BINAH. They are the most ancient celestial beings WHICH ARE DERIVED from Atika Kadisha (the Holy Ancient One), and which include the Supernal Name, YUD HEI VAV HEI, FOR YUD IS A LION, HEI IS AN OX, VAV IS AN EAGLE, AND THE LAST HEI IS A MAN. AND THEY ARE THE SECRET OF THE THREE COLUMNS AND MALCHUT WHICH RECEIVES THEM. Ezekiel saw only the likeness of the supernal Chariots, because he saw them from a region which was not very bright, MEANING FROM THE WORLD OF YETZIRAH. As we have already learned, as there is above IN BINAH so it is below IN MALE AND FEMALE, and so in all the worlds, BRIYAH, YETZIRAH AND ASIYAH. And all of them are linked one with another, AND WHATEVER THERE IS IN THE UPPER WORLD, THERE IS ALSO IN THE LOWER ONE, AND HE SAW THEM IN THE WORLD OF YETZIRAH.

328. And you may think that he beheld them further above THE WORLD OF YETZIRAH. Yet we learned that Moses saw the vision from a bright mirror, WHICH IS ZEIR ANPIN, while other prophets derived their visions from a dull mirror, as written: "And I saw visions (Heb. mar'ot) of Elohim." The word "MAR'OT" is written WITHOUT THE LETTER VAV, WHICH INDICATES MALCHUT, and: "If there be a prophet among you, I, Hashem make Myself known to him in a vision...My servant Moses is not so...With him I speak mouth to mouth" (Bemidbar 12:6-7).

329. Rabbi Yosi said: Come and behold. All the prophets are IN COMPARISON WITH MOSES, like a female to a male, as written: "With him I speak mouth to mouth, manifestly (Heb. u'mar'eh, lit: 'and a mirror')," WHICH IS MOST CERTAINLY THE BRIGHT MIRROR (HEB. MAR'AH), AS IT IS WRITTEN: WITH HIM I SPEAK "MOUTH TO MOUTH." Of all other prophets it is said: "If there be a prophet among you, I, Hashem make Myself known to him in a vision (Heb. bemar'ah)," MEANING THAT THEY DERIVED THEIR VISION FROM A DULL MIRROR. AND IT IS WRITTEN, "bemar'ah," (lit. 'a vision') and not 'mar'ot', WITHOUT THE LETTER VAV. All the more so of Ezekiel, as it is not written in relation to him 'mar'eh' but rather "mar'ot," without THE LETTER VAV, FOR HE SAW THE VISION FROM THE WORLD OF YETZIRAH. This is all the more so for Moses, of whom it is written: "and not in dark speeches," but showed him everything clearly. Blessed, indeed, was the generation among whom this prophet lived.

330. Rabbi Yosi said, in the name of Rabbi Yehuda, that Yisrael saw the precious glory of their King face to face, and there were neither blind nor lame, nor deaf, nor any without hands among them. No blind, as it is written, "And all the people perceived"; no lame, as it is written, "And they stood at the foot of the mountain" (Shemot 19:17). There were no lame and none without hands, as written, "And they said, 'All that Hashem has said will we do and obey'" (Shemot 24:7); and of the days to come it says, "Then shall the lame man leap as a hart and the tongue of the dumb sing" (Yeshayah 35:6).

20. "And Elohim spoke"

We are told here of God's admonitions to his chosen people so that they will merit the World to Come and be worthy of the heaven above, Zeir Anpin, and the earth above, Malchut. Rabbi Shimon explains that the heritage of Jacob bestowed through Isaac's blessing means that Jacob and all his descendants will be revived by the dew of heaven, that is, raised from the dead in the time to come. When Elohim spoke, each word rose and descended, was watered with the heavenly dew, encircled Yisrael and brought back their souls. Then it was engraved upon the tablets of stone, and each word was like a treasure house full of precious secrets and laws. He who occupies himself with the study of the Torah, of its secrets and laws, is saved from the fire of Gehenom, and this is due to the merit of Abraham, who pled for the children of Yisrael. Lastly we are told that the smoke that came out of Sinai was the Shechinah who manifested Herself there to the people.

331. "And Elohim spoke all these words, saying" (Shemot 20:1). Rabbi Yehuda opened the discussion with that verse and said: "Who can utter the mighty acts of Hashem? Who can declare all His praise?" (Tehilim 106:2). In how many ways does the Torah admonish man not to sin before his Master. In how many ways does it counsel him not to turn from the way, either to the right or to the left, and in how many forms it shows him how to return to his Master so that He may forgive him.

332. We have learned that the Torah has given a man 613 counsels in order that he may be perfect with his Master, for his Master desires only his good, both in this world and in the World to Come, but especially in the World to Come, since whatever good the Holy One, blessed be He, bestows upon man in this world is taken from the sum of good which he is entitled to receive in the World to Come. Why is that? Because the World to Come is the possession of the Holy One, blessed be He.

333. We have learned that the comparison between this world and the World to Come is as an antechamber compared with the hall itself. The reward of the righteous is His very own, as it is written of the tribe of Levi: "Therefore shall they have no inheritance among their brethren." Why? Because "Hashem is their inheritance" (Devarim 18:2). Happy is the man who is entitled to receive such a supernal heritage, for he merits it in this world and in the house of this world, as well as in the World to Come and the heavenly, holy House, as it is written: "And to them will I give in My house and within My walls a memorial" (Yeshayah 56:5). Happy is the portion of the righteous for being worthy to dwell with the King in His own House.

334. Rabbi Shimon said: Happy is the portion of the righteous who is worthy of this, as it is written: "Then shall you delight yourself in (lit. 'above') Hashem" (Yeshayah 58:14). It is not written 'in Hashem', but "above Hashem," namely in the place from which the upper and the lower worlds are derived and for which they yearn, of which it is written: "From where (Heb. ayin) comes my help?" (Tehilim 121:1) REFERRING TO THE SFIRAH OF KETER, WHICH IS CALLED NOTHINGNESS (Heb. AYIN). And it is also written: "And came to the Ancient of Days and they brought him near before him" (Daniel 7:13) NAMELY KETER WHICH IS CALLED 'THE ANCIENT OF DAYS'. The desire and the delight of the righteous is to look at that splendor whence all lights issue and all celestial crowns, WHICH ARE THE SFIROT, are drawn.

335. Rabbi Shimon continued: We learned of the verse, "Then shall you delight yourself in Hashem," that it ends with, "and I will cause you to ride upon the high places of the earth" (Yeshayah 58:14). This refers to the place called 'the high places of the earth', which is above "the earth," WHICH IS MALCHUT AND IS CALLED 'EARTH', and "heaven," NAMELY ZEIR ANPIN, as is written: "the high places of the earth," FOR HEAVEN IS ABOVE THE EARTH.

336. Rabbi Aba continued with more explanations: It is not written, 'shall you sit' but rather, "shall you delight yourself in (lit. 'above') Hashem," namely "heaven," WHICH IS ZEIR ANPIN, for it is written: "Be You exalted, O Elohim, above the heavens" (Tehilim 57:12) THAT IS, ZEIR ANPIN. "And I will cause you to ride upon the high places of the earth," refers to the Land of the Living, WHICH IS MALCHUT CALLED 'EARTH'. The meaning of "upon the high places" is that it includes Zion and Jerusalem, FOR THEY ARE THE INSIDE AND THE OUTSIDE OF YESOD OF MALCHUT - meaning THAT THE VERSE SPEAKS OF the heaven above, WHICH IS ZEIR ANPIN, and the earth above, WHICH IS MALCHUT. And that which Rabbi Shimon spoke is thus, AS I SAID, and it is all one, as written: "And came to the Ancient of Days," and all amounts to the same.

337. Rabbi Aba asked Rabbi Shimon: May my master explain the verse: "And I will cause you to ride upon the high places of the earth, and feed you with the heritage of Jacob your father." RABBI SHIMON answered him: It was already explained that the delight and pleasure are, as written, "above Hashem," which is above, NAMELY KETER. And it is written: "And came to the Ancient of Days and they brought him near before him." "Upon the high places of the earth" is as we said, THE LAND OF THE LIVING, NAMELY MALCHUT.

338. "And feed you with the heritage of Jacob your father," has the same meaning as the verse: "Therefore the Elohim give you of the dew of heaven" (Bereshheet 27:28). "THE DEW OF HEAVEN" means the heritage of Jacob, and when Isaac blessed Jacob he alluded to heaven, WHICH IS ZEIR ANPIN, and he gave him the blessing that all the descendants of Jacob in the future will be revived by that dew, as it is written: "Therefore the Elohim give you." Only "you," and not to someone else. "The dew of heaven" is that by which the dead will be revived in the days to come, FOR THAT DEW ISSUES from Atika Kadisha (the Holy Ancient One) to Zeir Anpin, WHICH IS CALLED 'HEAVEN' and resides in heaven. Rabbi Aba thought OF THE VERSE and said: Now everything is clear, and I see that there is even more significance in Isaac's blessing than I had thought.

339. "Who can utter (Heb. yemalel) the mighty acts of Hashem?" (Tehilim 106:2). HE ASKS: Why does it say "utter" instead of 'tell'. Rabbi Chiya explained the answer by citing the verse: "then you may pluck the ears (Heb. melilot) with your hand" (Devarim 23:26). THEY ARE SO CALLED, FOR ONE HAS TO SEPARATE THE GRAINS FROM THE EAR BY PLUCKING (HEB. MELILAH) WITH THE HANDS, AND WHEN IT SAYS "UTTER" IT MEANS THAT ONE SHOULD SEPARATE AND CANCEL THE JUDGMENTS OF HASHEM. The word "Gvurot (lit. 'mighty acts')" of Hashem IS SPELLED WITHOUT THE LETTER VAV, THE INDICATION OF THE PLURAL FORM, AND implies that there are many Gvurot but all of them are coming from one Gvurah. We have learned that there is one supernal Gvurah, the crown of the crowns, WHICH IS BINAH FROM WHICH JUDGMENTS ARE AROUSED and from which come fifty gates, some to the right and some to the left. And each one of them is called 'Gvurah', and each one of them is crowned with the lights of the supernal carvings, and all of them are called "the mighty acts of Hashem."

340. Rabbi Chiya said: THEREFORE, the word Gvurot is written without THE LETTER VAV, for all THE GVUROT are included within THE SUPERNAL GVURAH, WHICH IS BINAH. The closing part of the verse is: "Who can declare all His praise?" This indicates the Shechinah, which is the most precious glory of the Holy One, blessed be He, as it is expressed in the verse: "His glory covered the heavens and the earth was full of His praise" (Chavakuk 3:3).

337. אָמַר ר' אַבָּא לר"ש, לִימָא לִי מַר, הָאִי קָרָא כּוּלִּיהּ, בְּמַאי אוּקִימָנָא לִיהּ, דְּכִתְיִב אֶז תִּתְעַנְג עַל יִי' וְהִרְבַּבְתִּיךָ עַל בְּמַתִּי אֶרֶץ וְהִאֲכַלְתִּיךָ נַחֲלַת יַעֲקֹב אֲבִיךָ. אָמַר לִיהּ, הָא כְּלָא אֲתָמַר, דְּתַפְנוּקָא וְעִדּוּנָא עַל יִי' כְּתִיב, אֲתָר דְּאִיהוּ לְעִילָא. וְכִתְיִב וְעַד עֲתִיק יִזְמִינָא מָטָה וְגו'. עַל בְּמַתִּי אֶרֶץ כְּמָה דְּאֲתָמַר.

341. Rabbi Shimon cited a verse: "And a river went out of Eden to water the Garden and from thence it was parted and branched into four streams, the name of the first is Pishon..." (Beresheet 2:10). Those RIVERS which came from that river which comes forth from Eden have names; but what is the name of the one which comes out OF EDEN? Rabbi Shimon says that its name is Yuval, for it is written: "And that spreads out its roots by the river (Heb. yuval)" (Yirmeyah 17:8), and, "Nor shall it cease from yielding fruit" (Ibid.). The reason that it shall not "cease from yielding fruit" is that it spreads "its roots by the river," WHICH IS BINAH. Therefore it is written: "Like a spring of water whose waters fail not" (Yeshayah 58:11), FOR THE PLENTY WHICH COMES FORTH FROM THE BINAH NEVER CEASES. Therefore, it is written: "A river went OUT OF EDEN"; it comes out of it and never ceases.

342. Rabbi Shimon cited the verse: "And Elohim spoke all these words" (Shemot 20:1). IT SAYS "SPOKE" AND NOT 'SAID', BECAUSE "spoke" denotes announcing IN A LOUD VOICE, for we have learned that at the time that the Holy One, blessed be He, revealed Himself and began to speak, the celestial and the terrestrial beings began to tremble, and the souls of Yisrael left them.

343. We have learned that that word soared from above downwards, being engraved upon the four winds of the universe on its way, and then rose once more and again descended. When it rose up it was filled from the mountains of pure balsam and was watered with the heavenly dew. Then it encircled Yisrael and brought back their souls. Then it turned back and was engraved upon the tablets of stone. And so it was with each and every word.

344. Rabbi Shimon said that every word contained all manner of legal implications and derivations, all the laws concerning reward and punishment, as well as all mysteries and hidden aspects, for each word was like a treasure house full of precious things.

345. When one word was uttered it seemed as one, but when it was engraved in its place UPON THE TABLETS OF STONES, seventy branches were revealed in it, fifty crowns less one on one side, and fifty less one upon the other, like the hammer which breaks the rocks in a mountain, as it is written: "Like a hammer that breaks the rock in pieces" (Yirmeyah 23:29). And all of Yisrael saw eye to eye and rejoiced.

346. The souls of all the generations to come were present there and all of them received the Torah on Mount Sinai, as it is written: "but with those that stands here with us this day...and also with those that are not here with us this day" (Devarim 29:14). They were all there, each according to his merit, and saw and received the words.

341. אָמַר ר"ש, כְּתִיב וְנָהַר יוֹצֵא מֵעַדְן לְהַשְׁקוֹת אֶת הַגֵּן וְגו', שֵׁם הָאֶחָד פִּישׁוֹן וְגו'. הָא אֵלֶיךָ בְּשִׁמְהֵן אֶקְרוּן. וְהֵי אַרְבַּע מֵהוּא נָהַר דְּנַפְיָא אֲתַמְשְׁכֵן. מַה שְׁמִיָּה דְהוּא נָהַר דְּנַפְיָא. אָמַר ר' שְׁמַעוֹן, יוֹבֵל שְׁמִיָּה. דְּכְתִיב, וְעַל יוֹבֵל יִשְׁלַח שְׂרָשׁוֹי, וְכְתִיב וְלֹא יִמִּישׁ מַעֲשׂוֹת פְּרִי. מֵאֵי טַעְמָא לֹא יִמִּישׁ, מִשּׁוּם דְּעַל יוֹבֵל יִשְׁלַח שְׂרָשׁוֹי. וְעַל דָּא כְּתִיב וְכַמוֹצֵא מִיָּם אֲשֶׁר לֹא יִכְזָבוּ מִיָּמֵי. וּבְגִין כֵּךְ כְּתִיב יוֹצֵא, יוֹצֵא וְאִינוּ פּוֹסְק.

347. "AND ELOHIM SPOKE ALL THESE (HEB. 'ET') WORDS, SAYING" (SHEMOT 20:1). THE NAME Elohim indicates Gvurah; 'Et' INDICATES that it was joined to the right. As we have learned, "the (Et) heaven" is the right and "and the earth" is the left, as written: "My hand also has laid the foundation of the earth and My right hand has spanned the heavens" (Yeshayah 48:13). The right side IS CHESED AND is called "Et (the)." The word "all" is IN ORDER to include all the other Sfirot. "These words" INDICATE that everything is included, one within the other. "These" INDICATES all the meanings, the secrets, the mysteries, decrees and penalties.

348. The word "saying" INDICATES THAT all that was said was an inheritance for everyone, as it is written: "Moses commanded us a Torah, the inheritance of the congregation of Jacob" (Devarim 33:4). You may say that IT SHOULD BE UNDERSTOOD LITERALLY, TO REVEAL TO EVERYONE AND to reveal what must not be revealed to anyone. However, it says: "I am Hashem your Elohim" (Shemot 20:1) WHICH INDICATES THAT as I am hidden and concealed, so should these words be covered and concealed in your heart.

349. There is another interpretation of this verse. "And Elohim spoke" is one GRADE. "All (et) these words saying," are five more grades, FOR EACH WORD IS A GRADE. Rabbi Yehuda said that "And Elohim spoke" is Gvurah, "Et" is the right side, WHICH IS CHESED, and "all" INCLUDES both GVURAH AND CHESED. Rabbi Yitzchak said that "ALL" includes Abraham, for it is written: "And Hashem had blessed Abraham in all things" (Beresheet 24:1).

350. The function of "words" is to include all the covered crowns. The word "these" includes all those which were revealed, as it is written: "And all the people see the voices," NAMELY THE REVEALED VISIONS INCLUDED IN "THESE." "Saying," REFERS TO THE SHECHINAH, as it is written: "A virtuous woman is a crown to her husband" (Mishlei 12:4), and: "It was said: 'If a man put away his wife'" (Yirmeyah 3:1). THE WORD "SAYING" IS CLOSE TO HER MAN, WHICH INDICATES THAT IT REFERS TO THE NUKVA OF ZEIR ANPIN, WHICH IS THE SHECHINAH.

351. Rabbi Yitzchak asked: Why was the Torah given in fire and darkness, as it is written, "And the mountain burned with fire to the heart of heaven, with darkness clouds and thick darkness" (Devarim 4:11). AND HE ANSWERED THAT THE REASON IS that he who is occupied with the study of the Torah will be saved from the other fire of Gehenom, and from the darkness that the other nations bring upon Yisrael. It was the merit of Abraham which saved Yisrael from the fire of Gehenom.

347. אֱלֹהִים: דָּא גְבוּרָא. אֵת: דְּאֵתְכֵלִיל בְּיַמִּינָא, כְּמָה דְּתַנִּינָן אֵת הַשָּׁמַיִם, דְּאִיהוּ יַמִּינָא. וְאֵת הָאָרֶץ, דְּאִיהוּ שְׂמָאלָא. דְּכֵתִיב, אֶף יְדֵי יְסֻדָּה אָרֶץ וַיַּמִּינֵי טַפְחָה שָׁמַיִם. וַיַּמִּינָא דָּא הוּא אֵת. כָּל: לְאַכְלֵלָא כָּל שְׂאָר כְּתָרִין. הַדְּבָרִים: מִתְקַשְׁרֵן דָּא בְּדָא הָאֱלֹהִים: כָּל אֵינוֹן טַעֲמִין, כָּל אֵינוֹן רְזִין, כָּל אֵינוֹן סְתָרִין, גְּזָרִין וְעוֹנְשִׁין.

352. As we have learned, the Holy One, blessed be He, said to Abraham: 'As long as your children shall study the Torah they will be saved FROM FIRE AND DARKNESS, but if they should turn from her and forget her paths, the fire of Gehenom will have dominion over them and they will be subjected to the nations'. Then ABRAHAM said to Him: 'May things not come to pass, THE FIRE OF GEHENOM AND EXILE, with these two knots. If it pleases You, let them escape from the fire of Gehenom and go into exile and become enslaved to other nations until they return to You'. THE HOLY ONE, BLESSED BE HE, answered him: 'So be it then', and so it was as it is written: "unless their Rock had sold them" (Devarim 32:30). Who is "their Rock"? Abraham, as it is written: "Look to the rock whence you are hewn" (Yeshayah 51:1). "And Hashem had shut them up" (Ibid.), refers to the Holy One, blessed be He, who agreed with him.

353. Rabbi Yehuda said: Fifty days elapsed between the day Yisrael were led out from Egypt and the day the Torah was given to them. What was the reason? Rabbi Yehuda said: In order that the number of days should correspond to the number of years of Jubilee, WHICH IS BINAH, as it is written: "And you shall hallow the fiftieth year" (Vayikra 25:10), NAMELY, THE FIFTIETH GATE IN BINAH.

354. Rabbi Shimon said: We have learned that it was the Jubilee which led Yisrael out from Egypt. If you believe that it is Jubilee itself, NAMELY BINAH ITSELF, IT IS NOT SO. THE EXODUS occurred through the aspect of Jubilee and from the aspect of the same Judgment was stirred up against the Egyptians. Therefore, those fifty years are THE FIFTY GATES OF Jubilee, WHICH IS BINAH.

355. We have learned that the deeds in Egypt are mentioned fifty times in the Torah, and in all of those times words of praise are said. For example: "who have brought you out of the land of Egypt" (Shemot 20:2), and, "And brought you out" (Devarim 4:37), and, "For by strength of hand Hashem brought you out from this place..." (Shemot 13:3): fifty times exactly and no more, since all is adorned with Jubilee, WHICH IS BINAH, and from the side of Jubilee everything comes. AND THERE ARE FIFTY GATES TO BINAH. Therefore, the Torah, which comes from Gvurah, is crowned in the right, as it is written: "From His right hand went a fiery law for them" (Devarim 33:2). We have also learned that WHEN THE TORAH WAS GIVEN, there were five voices: CHESED, GVURAH, TIFERET, NETZACH AND HOD IN BINAH, and all of these were seen in them, included in them, and crowned IN BINAH.

356. Rabbi Shimon said: At the time that Yisrael received the Torah, that Jubilee, WHICH IS BINAH, crowned the Holy One, blessed be He, WHO IS ZEIR ANPIN, as a king is crowned in the midst of his hosts, as it is written: "Go forth, O daughters of Zion, and behold King Solomon with the crown with which his mother crowned him" (Shir Hashirim 3:11). Who is "his mother"? It is Yovel, FOR BINAH IS CALLED 'JUBILEE' (HEB. YOVEL) AND SHE IS THE MOTHER OF ZEIR ANPIN, CALLED 'SOLOMON'. The Jubilee was crowned with joy, love and perfection, as it is written: "be a joyful mother of children" (Tehilim 113:9). Who is the "mother of children"? Rabbi Shimon said: This is Jubilee.

357. Rabbi Yehuda said: Concerning this it is written, "Let your father and your mother be glad and let her who bore you rejoice" (Mishlei 23:24). Who are "your father and your mother"? They are as explained in Safra deTz'niuta (lit. 'the Concealed Book'), relating to the verse: "The nakedness of your father, or the nakedness of your mother, shall you not uncover" (Vayikra 17:7). Woe to one who uncovers their nakedness, FOR THE SECRET OF CHOCHMAH AND BINAH ARE CALLED 'FATHER' AND 'MOTHER'.

358. Rabbi Yitzchak said: We have learned that at the time that the Holy One, blessed be He, revealed Himself on Mount Sinai, the mountain began to shake and all the mountains on earth trembled and quaked, and they rose and fell until the Holy One, blessed be He, stretched out His hand and calmed them. And a voice was heard proclaiming: "What ails you, O you sea, that you flee? O Jordan, that you are driven back? You mountains, that you skip like rams..." (Tehilim 114:4-5).

359. And they answered Him: "Tremble, you earth, at the presence of the Master." Rabbi Yitzchak said: "At the presence of the Master," refers to Ima, WHO IS BINAH, as it is written: "a joyful mother of children." "Tremble, you earth," refers to the lower Ima, WHO IS MALCHUT. "At the presence of the Eloha of Jacob," is Aba, WHO IS ZEIR ANPIN, LOWER ABA, as it is written: "Yisrael is My son, My firstborn" (Shemot 4:22), MEANING ZEIR ANPIN WHICH IS CALLED 'YISRAEL'. And of that it is written: "the crown with which his mother crowned him," "HIS MOTHER" BEING BINAH.

360. HE ASKS: What is "the crown WITH WHICH HIS MOTHER CROWNED HIM"? and Rabbi Yitzchak replies: This resembles the verse, "For Shaul and his men compassed David and his men round about" (I Shmuel 23:26), WHICH IS LIKE ENCIRCLING, for ZEIR ANPIN is crowned AND SURROUNDED BY IMA with white, red and green, all colors - THE SECRET OF THE THREE COLUMNS - all of which are included and encircled in it. Rabbi Yehuda asked: In the verse, "the crown with which his mother crowned him," what is the crown? It has the same meaning as in "Yisrael, in whom I will be glorified" (Yeshayah 49:3), and, "And I will glorify the house of My glory" (Yeshayah 60:7), NAMELY, THE FIRST THREE SFIROT WHICH ARE THE GLORY OF ZEIR ANPIN, WHICH IS CALLED 'YISRAEL' AND ALSO 'TIFERET'.

361. Rabbi Yitzchak said that the Torah was given in a black fire engraved upon a white fire, in order to include the right in the left. And the left was returned to the right, as it is written: "From His right hand went a fiery law for them."

362. Rabbi Aba said: When the smoke came out of Mount Sinai, a fire ascended and was crowned with it openly, AND LOOKED like cluster. And it flared high and dwindled again, and all the aromas of the Garden of Eden were blended in that smoke, having the colors white, red and black, as it is written: "Perfumed with myrrh and frankincense, with all powders of the merchant" (Shir Hashirim 3:6).

363. Rabbi Yitzchak said that the smoke was the Shechinah who manifested Herself there, as it is written in the verse: "Who is this coming out of the wilderness like columns of smoke" (Ibid.), WHICH ALLUDES TO THE SHECHINAH. Rabbi Yehuda said: Surely you do not have to go to great lengths to learn of it, for there is a whole description: "And Mount Sinai smoked in every part, because Hashem descended upon it in fire, and the smoke of it ascended like the smoke of a furnace" (Shemot 19:18). Blessed are the people who saw it and knew it.

21. "the tablets were the work of Elohim"

We hear how the tablets of the Ten Commandments were of sapphire, and the letters were visible on both sides and composed of both black fire and white fire, from the left and the right. The rabbis are in some confusion about whether Elohim made the tablets specially or whether they were really 'just' sapphire as any other sapphire. Rabbi Shimon says the tablets were formed of the supernal dew which flows from Atika Kadisha, and that they pre-existed the creation of the world but were perfected on the sixth day of creation especially for this purpose. The miracle was that one could read one side from the other. We are told that the Torah actually literally restored the souls of Yisrael after they had flown away at the time that the people heard the words of God. The text now turns to the rule of Solomon, during which time the moon was full. When Zedekiah came, the moon waned and remained thus, so Malchut was removed far from Zeir Anpin, and became dark. The moon shone when Yisrael stood by Mount Sinai, and it shone when Judah was found worthy to receive the kingdom.

364. Rabbi Chiya said: When the letters were engraved upon the two tablets of stone, they were visible on both sides. The tablets were of sapphire, engraved and covered with white fire and the letters were of black fire, covered again, and engraved with white fire upon both sides.

364. א"ר חִיָּיא, כַּד אֲתַגְלִיפוּ אֶתְוּן בְּלוּחֵי אֲבָנָא, הוּוּ מִתְחַזְיִין בְּתֵרִין סְטֵרִין, מְסֻטְרָא דָּא, וּמְסֻטְרָא דָּא, וְלוּחִין מֵאֲבָן סְנַפִּירִינוּן הוּוּ, וְאֲתַגְלִיפוּ וְאֲתַחְפִּיין בְּאֵשׁ חוּרָא, וְאֲתוּן הוּוּ מֵאֵשׁ אוֹכְמָא, וּמִתְגַּלְפִּין בְּתֵרִין סְטֵרִין, מְסֻטְרָא דָּא וּמְסֻטְרָא דָּא.

365. Rabbi Aba said that the two tablets remained as they were, THAT IS, COMPLETE, WITHOUT ANY CHANGE. And the letters soared in the air and could be seen with both black and white fire in order to demonstrate the union of the right and the left, FOR WHITE IS RIGHT AND BLACK IS LEFT, as it is written: "Length of days is in her right hand and in her left hand are riches and honor" (Mishlei 3:16). HE ASKS: Is it not written: "From His right hand went a fiery law to them" (Devarim 33:2)? AND HE ANSWERS THAT the Torah emanated from the side of Gvurah, WHICH IS THE LEFT, and was included in the right side. Therefore IT HAD IN IT black and white fire.

365. אָמַר ר' אַבָּא, לּוּחִין הוּוּ בְּעִינֵיהוּ, וְאֲתוּן הוּוּ טָאֲסִין, וּמִתְחַזְיִין בְּתֵרִין אֲשִׁין, אֵשׁ חוּרָא, וְאֵשׁ אוֹכְמָא, לְאֲתַחְזָאָה כְּחָדָא, יְמִינָא וּשְׂמָאלָא, דְּכִתִּיב אַרְךְ יָמִים בְּיְמִינָהּ בְּשְׂמָאלָהּ וְגו'. וְהָא כְּתִיב מִיְמִינוּ אֵשׁ דֵּת לְמוֹ. אֵלָא מְסֻטְרָא דְּגְבוּרָה הוּהּ, וְאֲתַבְּלִילֵת בְּיְמִינָא. וּבְגִין כֵּן אֵשׁ חוּרָא וְאֵשׁ אוֹכְמָא.

366. As we learned, it says "the tablets (Heb. luchot) were the work of Elohim" (Shemot 32:16). Rabbi Yehuda said that it is written "luchot," WITHOUT VAV, that is one (in singular), to indicate that although they were two, they appeared as one. And the Ten Commandments were engraved upon them, one section of five being included in the other section of five, so that all pertains to the right side. In this way they were indeed the very "work of Elohim."

366. תְּאֵנָא, כְּתִיב וְהִלַּחַת מַעֲשֵׂה אֱלֹהִים הֵמָּה וְגו', א"ר יְהוּדָה, וְהִלַּחַת כְּתִיב, חֵד. תְּרֵי הוּוּ וּמִתְחַזְיִין חֵד. וְעֶשֶׂר אֲמִירָן מִתְגַּלְפִּי בְּהוּ. חֵמֶשׁ כְּלִילָן בְּחֵמֶשׁ, לְמַהוּי כְּלָא יְמִינָא. מַעֲשֵׂה אֱלֹהִים הֵמָּה וְדָאֵי.

367. Rabbi Yitzchak said that the tablets were of sapphire, for there were originally two sapphire stones which were rough hewn, and the Holy One, blessed be He, caused a wind to blow upon them, and they were smoothed and transformed into two tablets. Rabbi Yehuda said that they only looked like sapphire, BUT WERE NOT OF REAL SAPPHIRE, and this is the meaning of the verse which describes them as "the work of Elohim." FOR IF THEY WERE OF SAPPHIRE, THEY WOULD HAVE BEEN LIKE OTHER PRECIOUS STONES AND NOT "THE WORK OF ELOHIM."

367. רַבִּי יִצְחָק אָמַר, שֶׁל סְנַפִּירִינוּן הוּוּ, וְתֵרִין אֲבָנִין הוּוּ. וְאֲבָנִין הוּוּ סְתִימָאן. נָשִׁיב קוּדְשָׁא בְּרִיךְ הוּא בְּרוּחָא, וְאֲתַפְּשְׁטוּ וְאֲתַגְלִיפוּ תְּרִין לּוּחִין. ר' יְהוּדָה אָמַר, כְּעִין סְנַפִּירִינוּן הוּוּ. מִשְׁמַע דְּכִתִּיב מַעֲשֵׂה אֱלֹהִים הֵמָּה.

368. He said to him: If this is so, the sapphire, which is a stone more precious than any other, is not the work of Elohim, YET THE WHOLE CREATION IS "THE WORK OF ELOHIM". So he explained to him: How then do we explain the words: "were the work of Elohim"? They were indeed so. THEY WERE A SPECIAL "WORK OF ELOHIM," NOT INCLUDED IN THE WORKS OF CREATION. Yet come and behold: it is written that "the tablets were the work of Elohim." It says "the tablets," not 'the stones were the work of Elohim', FOR HE BLEW UPON THE STONES, WHICH WERE OF REAL SAPPHIRE, AND THEY WERE TRANSFORMED INTO TWO TABLETS, AS MENTIONED ABOVE.

369. Rabbi Shimon said: Both are the same, FOR BOTH RABBI YOSI'S AND RABBI YEHUDA'S WORDS LEAD TO THE SAME PLACE. These two tablets existed from before the creation of the world, but were perfected on the sixth day of Creation especially for this purpose. Thus, they were a particular work of the Holy One, blessed be He.

370. HE ASKS: Of what were they made? AND HE ANSWERS: We have learned that they were formed of the supernal dew which issues from Atika Kadisa (the Holy Ancient One), BEING KETER. When this supernal dew was descending on the field of the holy apple trees, MALCHUT, the Holy One, blessed be He, took two drops, causing them to solidify and turn into two precious stones. He blew on them and they became flat like tablets, as it is written: "the work of Elohim, and the writing was the writing of Elohim," and "written with the finger of Elohim" (Devarim 9:10).

371. We learned that "the finger of Elohim" expanded into ten, FOR THE TEN FINGERS CORRESPOND TO THE TEN SFIROT AND EACH ONE OF THEM INCLUDES TEN SFIROT, as written: "written with the finger of Elohim." Each one of the fingers expanded into ten until a complete hand was formed, as it is written: "And Yisrael saw that great work (lit. 'hand')" (Shemot 14:31). THUS, HERE ALSO, "THE FINGER OF ELOHIM" IS EXPANDED INTO TEN.

372. Rabbi Yehuda said: "engraved upon the tablets." THE LETTERS ON the stones were pierced so that the writing could be seen FROM ONE SIDE TO THE OTHER, AND THE WRITING was seen from both sides. "...engraved..." means that THE WRITING formed an engraving within an engraving, THROUGH ONE SIDE TO THE OTHER. According to Rabbi Aba, it was possible to see one side from the other side and to read the writing thereon.

373. Rabbi Elazar said: They were written miraculously in order that every man would bear testimony that it was the writing of Elohim, for none of the people in the world could conceive them as they really were.

368. אָמַר לִיה, אִי הָכִי, סַפִּירִינוֹן דָּא דְהוּא אַבְנָא טָבָא וְקִירָא מְשָׁאֵר אַבְנִין, לָאו עוֹבְדָא דְקוּדְשָׁא בְרִיךְ הוּא אִינוּן. א"ל, בְּמֵאֵי אוֹקִימָנָא מַעֲשֵׂה אֱלֹהִים הֵמָּה. הֵמָּה דִּיּוּקָא. אֵלָא ת"ח, כְּתִיב וְהִלַּחַת מַעֲשֵׂה אֱלֹהִים. הִלַּחַת כְּתִיב, וְלֹא כְּתִיב וְהָאֲבָנִים מַעֲשֵׂה אֱלֹהִים הֵמָּה.

373. רַבִּי אֶלְעָזָר אָמַר, בְּנִס הוּו כְּתִיבִין, דְּכֹל בְּנֵי נִשָּׂא, הוּו אִמְרִין וְסִהְרִין, דְּהָא מְכַתֵּב אֱלֹהִים הוּו וְדָאִי, דְּהָא כֹל בְּנֵי עֲלֵמָא לֹא יִכְלִין לְמַנְדַּע לֹן כְּמָה דְהוּו.

374. HE ASKS: According to those who say they were pierced THROUGH, why does it not say that the writing was engraved 'in the tablets' instead of "upon the tablets"? AND HE ANSWERS: We have learned that five sounds were on the right and five on the left, and those of the left were included in the right, and from the right one could see those of the left. And here, UPON THE TABLETS, all was on the right, because THOSE FIVE COMMANDMENTS OF THE LEFT were included in those OF THE RIGHT. THEREFORE, he who stood at one side could see what was on the other side and read the letters, FOR THE MIRACLE WITH WHICH THE LETTERS WERE ENGRAVED WAS THAT ONE COULD READ ONE SIDE FROM THE OTHER. THIS DOES NOT APPLY TO THE FRONT AND BACK, BUT TO THE RIGHT AND LEFT SIDE, BECAUSE THEY WERE NOT ENGRAVED THROUGH. For we have learned that the left turned into the right, as it is written: "From His right hand went a fiery law for them." Therefore, assuredly it was "the work of Elohim."

375. HE EXPLAINS: Thus, he who stood on one would read "I am Hashem your Elohim," and out of these letters he could see and read the words, "You shall not murder," and he read, "You shall not have," and could see and read the words, "You shall not commit adultery." He read "You shall not take the name of Hashem your Elohim in vain," and at the same time he could see and read the words, "You shall not steal." And it was thus with all the words from THE RIGHT side, and in the same way all those from the other side, and they were all included one within the other this way. Of this, it is said: "the writing of Elohim," for assuredly it was "the writing of Elohim" (Shemot 32:16).

376. Rabbi Yosi said: What is the point of the remark, "And Moses went down to the people and said to them" (Shemot 19:25), if what he said to them is not written? Rabbi Yitzchak explained: Come and behold. When a person expects some good fortune or misfortune to befall him, before he knows what it is, he can not bear it, it is because his heart will fly out from him for a time. But once the best or the worst is known, he is relaxed and can endure it. It is all the more so in this case. When Moses prepared them for that which was about to take place, he strengthened their hearts with his words, for otherwise they would not be able to bear all that was about to come. Therefore, it is written: "and said to them," and right after that "And Elohim spoke" (Shemot 20:1).

377. Despite all this, they could not endure it, for as we have been taught from Rabbi Yehuda who said in the name of Rabbi Chiya, in the name of Rabbi Yosi: When they heard the words of the Holy One, blessed be He, their souls flew from them and ascended up to the Throne of Glory in order to cleave to it.

378. The Torah said to the Holy One, blessed be He: 'Was it for nothing that I was fashioned two thousand years before the creation of the world? Is it all in vain that in Me it is inscribed: "Whatever man there be of the house of Yisrael, or of the strangers who sojourn among you" (Vayikra 17:8); "And you shall speak to the children of Yisrael, saying" (Vayikra 24:15); and "For to Me the children of Yisrael are servants" (Vayikra 25:55). Where, then, are these children of Yisrael?' At that hour, the Torah returned their souls to the children of Yisrael, every one of them to its own place. The Torah strengthened and took hold of the souls and gave them back to Yisrael, as it is written: "The Torah of Hashem is perfect, restoring the soul" (Tehilim 19:8). "...restoring..." literally, AS IT RESTORED THE SOULS OF YISRAEL AFTER THEY FLEW AWAY FROM THEM.

379. We have learned that the verses: "Then Solomon sat on the throne of Hashem as king," (I Divrei Hayamim 29:23) and, "The throne had six steps" (I Melachim 10:19) CORRESPOND TO THE SIX SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD. THEREFORE, IT IS CALLED "THE THRONE OF HASHEM." Rabbi Aba said that the moon was then full; as we learned that in the days of King Solomon, the moon was in its fullness - MEANING THAT THE NUKVA OF ZEIR ANPIN, WHICH IS CALLED 'MOON', WAS IN HER FULLNESS.

380. HE ASKS: When was the moon, WHICH IS MALCHUT, in its fullness? AND HE ANSWERS: When it was established by fifteen KINGS, as we learned: Abraham, Isaac, Jacob, Judah, Peretz, Chetzron, Ram, Aminadav, Nachshon, Shalmon, Boaz, Oved, Yishai, David, and Solomon. When Solomon sat on his throne, the moon, WHICH IS MALCHUT was in its fullness. Therefore, it is written: "Then Solomon sat on the Throne of Hashem as king," WHICH IS MALCHUT. It is also written: "The throne had six steps," CORRESPONDING TO THE SIX SFIROT OF MALCHUT: CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, having the same model as above.

381. In the days of Zedekiah, the moon, WHICH IS MALCHUT, was waning and was defective, as it is written: "And the moon shall not shed her light" (Yeshayah 13:10). For as we have learned, in the days of Tidkiyahu the moon was in its wane and the face of Yisrael was darkened.

382. Come and behold: Rechavam, Aviyah, Asa, Yehoshafat, Yehoram, Achazyahu, Yoash, Amatzyah, Uziyahu, Yotam, Achaz, Yechizkiyahu, Menasheh, Amon, Yoshiyahu. When Zedekiah came, the moon waned and remained thus, for it is written: "Then he put out the eyes of Zedekiah" (Yirmeyah 52:11). Then "Hashem...cast down from heaven (to) earth" (Eichah 2:1), meaning that the earth, WHICH IS MALCHUT, was removed far from heaven, WHICH IS ZEIR ANPIN, and became dark.

378. אַמְרָה אֹרִייתָא קַמִּיה דְּקוּדְשָׁא בְּרִיךְ הוּא, וְכִי לְמַגְנָא הוּינָא מִתְרֵי אֲלֵפֵי שָׁנִין, עַד לֹא אֲתַבְרִי עֲלָמָא, לְמַגְנָא כְּתִיב בְּה, וְאִישׁ אִישׁ מִבְּנֵי יִשְׂרָאֵל וּמִן הַגֵּר הַגֵּר בְּתוֹכְכֶם וְאֵל בְּנֵי יִשְׂרָאֵל תְּדַבֵּר לֵאמֹר. כִּי לִי בְנֵי יִשְׂרָאֵל עֲבָדִים. אֵן אִינוּן בְּנֵי יִשְׂרָאֵל. בְּה שְׁעָתָא, אֶהְדְּרַת אֹרִייתָא נְשַׁמְתִּיהוּ דִּישְׂרָאֵל, כֹּל חַד וְחַד לְאַתְרֵיהּ. אֹרִייתָא אֲתַקִּיפַת, וְאַחֲרֵית בְּהוּ בְּנְשַׁמְתִּיהוּ, לְאַהֲרָא לְהוּ לְיִשְׂרָאֵל הַה"ד תּוֹרַת יְיָ תְּמִימָה מְשִׁיבַת נֶפֶשׁ. מְשִׁיבַת נֶפֶשׁ מִמֶּשׁ.

383. We have learned that when Yisrael stood by Mount Sinai the moon began to shine, as it is written: "He bowed the heavens also, and came down" (II Shmuel 22:10) meaning that the sun, WHICH IS ZEIR ANPIN AND IS CALLED 'HEAVENS', approached the moon, WHICH IS MALCHUT. And the moon began to shine, as is expressed in the verse: "And on the east side towards the rising of the sun shall they of the standard of the camp of Judah pitch by their hosts" (Bemidbar 2:3). "JUDAH" IS THE CHARIOT OF MALCHUT, AND "THE EAST SIDE" SIGNIFIES SHINING AND ILLUMINATION.

384. On Mount Sinai Judah was appointed chief in the kingdom, as it is written: "But Judah still rules with El, and is faithful with Holy Ones" (Hoshea 12:1), "...faithful with Holy Ones..." meaning that when the Holy One, blessed be He, said to Yisrael: "And you shall be to Me a kingdom of priests, and a holy nation" (Shemot 19:6), Judah was found trustworthy to receive the kingship. Then the moon, WHICH IS MALCHUT, began to shine.

22. "I am Hashem your Elohim"

We are told that the Torah includes all the Sfirot, and that we must never forsake it. The commandments of the Torah cling to the body of Zeir Anpin, so that when a person sins he transgresses against the body of the King. When the Torah was given, Binah and her children, Male and Female, were in perfect harmony, but if a person sins it removes the mother from her children. Rabbi Elazar now tells us that God created heaven and earth simultaneously, one with His right hand and the other with His left. In the grade called 'righteous', the newly created heavens longed for the earth, as a man longs to join with a woman, and a holy river of oil comes from the head of the King and pours itself out upon the earth just as the male injects seed into the female. Rabbi Yitzchak now asks where Hashem went when He came down upon Mount Sinai. Rabbi Yosi said He came lower and lower down through the grades until he reached earth, and He went toward the Shechinah who stood there. Hence Zeir Anpin descended and united with the Shechinah.

385. "I am Hashem your Elohim who have brought you out..." (Shemot 20:2). Rabbi Elazar opened the discussion with the verse: "My son, hear the instruction of your father and do not forsake the Torah of your mother" (Mishlei 1:8). "My son, hear the instruction of your father," refers to the Holy One, blessed be He, MEANING, ZEIR ANPIN; "do not forsake the Torah of your mother" refers to the Congregation of Yisrael, which is Binah, as it is written: "To perceive the words of understanding (Heb. Binah)" (Mishlei 1:1).

386. According to Rabbi Yehuda, "the instruction of your father" is Chochmah CALLED ABA (ENG. 'FATHER'), and "do not forsake the Torah of your mother," is Binah. Rabbi Yitzchak said that both of the interpretations mean the same thing, for as we have learned, the Torah emanated from the supernal Chochmah, AND CHOCHMAH (LIT. 'WISDOM') IS DIVIDED INTO THE RIGHT, CALLED 'ABA', AND THE LEFT, CALLED 'IMA'. Rabbi Yosi said that THE TORAH emanated from Binah, for it is written: "To perceive the words of understanding," and also, "Do not forsake the Torah of your mother," AND BINAH IS CALLED 'IMA' (ENG. 'MOTHER').

387. Rabbi Yehuda said: The Torah includes both Chochmah and Binah, as it is written, "My son, hear the instruction of your father and do not forsake the Torah of your mother." Rabbi Aba said that the Torah contains all THE SFIROT, since once it combines both CHOCHMAH AND BINAH, it combines all THE SFIROT, FOR CHOCHMAH AND BINAH INCLUDE ALL THE SFIROT: Chesed, Judgment and Mercy - BEING CHESED, GVURAH AND TIFERET - in all required perfection. When the King and the Queen are joined WITH IT, all the others are joined WITH IT, for wherever CHOCHMAH AND BINAH are found, all the others are found as well.

388. Rabbi Yosi said: "I" (Shemot 20:2) is the Shechinah, as it is written: "I will go down with you into Egypt" (Beresheet 46:4). Rabbi Yitzchak said that "I," which is the Shechinah, is separated by a trope; AFTER THE WORD "I" THERE IS A TONAL PAUSE BETWEEN IT AND THE NEXT WORDS, "HASHEM YOUR ELOHIM," THE SAME as in "I am Esau your firstborn" (Beresheet 27:19), WHICH MEANS, I AM WHO I AM; ESAU IS YOUR FIRSTBORN. THEREFORE, "Hashem your Elohim" is the Holy One, blessed be He, THAT IS, ZEIR ANPIN, as it is said: "Out of heaven He made you hear His voice" (Devarim 4:36), AND 'HEAVEN' IS ZEIR ANPIN. It is also written: "You have seen that I have talked with you from heaven" (Shemot 20:19): "From heaven" indeed, for this is the Holy One, blessed be He, NAMELY ZEIR ANPIN.

389. "...who (Heb. asher) have brought you out of the land of Egypt." (Shemot 20:2). Asher MEANS a place which everyone calls happy (Heb. osher), WHICH IS BINAH. "...brought you out of Egypt..." designates Jubilee WHICH IS BINAH, CALLED 'ASHER', "WHO HAVE BROUGHT YOU OUT OF THE LAND OF EGYPT," for as we have learned, the aspect of Jubilee WHICH IS BINAH, was the cause of Yisrael's exodus from Egypt. Therefore, this event is mentioned fifty times in the Torah. Fifty days passed from the exodus to the receiving of the Torah, and fifty years had to pass for the liberation of the slaves, FOR ALL THESE EVENTS CORRESPOND TO THE FIFTY GATES OF BINAH.

390. "...out of the house of bondage..." as it is written: "Hashem smote all the firstborn in the land of Egypt" (Shemot 12:29). We have learned that this signifies the lower crowns in which the Egyptians had faith. As there is a house above, there is one below, a holy House above as it is said: "through wisdom a house is built" (Mishlei 24:3) and an unholy house below, IN THE KLIPOT, as it is written, "out of the house of bondage."

391. We have learned that when the "I" was proclaimed, all those commandments of the Torah which were united with the Supernal Holy King, WHICH IS ZEIR ANPIN, were comprised in this word "I."

392. As we have already learned, all the commandments of the Torah clung to the body of the King, WHICH IS ZEIR ANPIN, some of them to His head, some to His hands and some to His feet, and none of them ever step out and become separate from the body of the King. Therefore, he who transgresses even one of the commandments of the Torah is as though he transgresses against the body of the King, as it is written: "And they shall go forth and look upon the carcasses of the men that have rebelled against Me" (Yeshayah 66:24) - "against Me," literally. Woe to the wicked who break the words of the Torah, and do not know what they do.

388. ר' יוסי אמר, אָנֹכִי: דָּא שְׂכִינְתָא. כְּמָה דְכָתִיב, אָנֹכִי אֵרֵד עִמָּךְ מִצְרַיִם. יְיָ אֱלֹהֶיךָ: ר' יִצְחָק אָמַר, אָנֹכִי: דָּא שְׂכִינְתָא. וּפְסָקָא טַעמָא. כַּד "א אָנֹכִי עָשׂוּ בְכוֹרְךָ. יְיָ אֱלֹהֶיךָ: דָּא קוֹדֶשׁא בְרִיךְ הוּא. כְּמָה דְכָתִיב, מִן הַשָּׁמַיִם הִשְׁמִיעַךְ אֶת קוֹלוֹ. וְכָתִיב אַתָּם רְאִיתֶם כִּי מִן הַשָּׁמַיִם דִּבְרַתִּי עִמָּכֶם. מִן הַשָּׁמַיִם מִן הַשָּׁמַיִם מִמֶּשׁ דָּא קוֹדֶשׁא בְרִיךְ הוּא.

393. Thus said Rabbi Shimon: The very place against which a sinner has committed a sin, reveals the sin. When a sin has been committed against the Holy One, blessed be He, AS MENTIONED ABOVE, the Holy One, blessed be He, reveals his sin, as it is written: "The heaven shall reveal his iniquity and the earth shall rise up against him" (Iyov 20:27). "The heaven shall reveal his iniquity," signifies the Holy One, blessed be He, MEANING, ZEIR ANPIN CALLED 'HEAVEN', and "the earth shall rise up against him," signifies the Congregation of Yisrael, NAMELY MALCHUT WHICH IS CALLED 'EARTH'.

394. We have learned that "the heaven," ZEIR ANPIN, reveals a man's sin and at that time "the earth," WHICH IS MALCHUT, executes Judgment on the sinner, as it is written: "And the earth shall rise up against him," to punish him. Rabbi Yosi said in the name of Rabbi Shimon that when the Torah was given, the Mother, WHICH IS BINAH, and the Children, WHICH ARE MALE AND FEMALE, were in perfect harmony, as it is written: "and be a joyful mother of children" (Tehilim 113:9).

395. "I am Hashem your Elohim." "I" is, as we have learned, that Abraham the patriarch had a daughter. It is the Shechinah who is a Daughter. "Hashem your Elohim," SIGNIFIES ZEIR ANPIN WHICH IS CALLED 'YISRAEL', as it is written: "Yisrael is My son, My firstborn" (Shemot 4:22). It is also written: "She is the Tree of Life to those who lay hold on her" (Mishlei 3:18). THIS SIGNIFIES ZEIR ANPIN, WHICH IS CALLED 'THE TREE OF LIFE'. This is the son.

396. "Who have brought you out of the land of Egypt." It is as it is written: "For it is a Jubilee; it shall be holy to you" (Vayikra 25:12), NAMELY, BINAH. IT IS ALSO WRITTEN: "And be a joyful mother of children," and, "And you shall hallow the fiftieth year and proclaim liberty" (Ibid. 10). THIS IS BINAH WHICH IS CALLED 'THE FIFTIETH YEAR', AND ALSO CALLED 'IMA'. Thus, there are mother and children. THE MOTHER HAS BEEN BROUGHT TO US FROM THE LAND OF EGYPT AND THE CHILDREN, "I" THE DAUGHTER, AND "HASHEM YOUR ELOHIM" THE SON, AS MENTIONED ABOVE. Thus, the mother and children were there, all in joy and completeness. Of this it is written: "a joyful mother of children." When the mother is gone, everybody is gone from their place, as written: "You shall not take the mother bird together with the young" (Devarim 22:6). We have learned that THE MEANING OF THIS VERSE IS THAT a man should be careful not to sin below, as THAT CAUSES the removal of the mother from the children.

397. Rabbi Yitzchak said that all THE SFIROT MENTIONED ABOVE refer to the Holy One, blessed be He, who is everything. And this thing is disclosed to the reapers of the field, MEANING TO THOSE WHO ALREADY HAVE THE MERIT TO KNOW THE SECRETS OF THE TORAH AND WHO "SHALL REAP IN JOY" (TEHILIM 126:4), MEANING THOSE WHO HAVE RECEIVED THEIR GRADES FROM MALCHUT WHICH IS CALLED 'FIELD'. Happy they are in this world and in the world to come.

397. אָמַר ר' יִצְחָק, כְּלָא קוּדְשָׁא בְּרִיךְ הוּא. כְּלָא הוּא. כְּלָא חַד. וּמְלִין אֲלִין, לְמַחְצְדֵי חֻקְלָא אֲתַגְלִיין. זְכָאִין אִינוּן בְּעֵלְמָא דִּין, וּבְעֵלְמָא דְּאִתֵּי.

398. Rabbi Elazar said: It is written, "In the beginning Elohim created the heaven and the earth" (Beresheet 1:1), THE HEAVEN PRECEDING THE EARTH, and, "in the day that Hashem Elohim made the earth and the heavens" (Beresheet 2:4), THE EARTH PRECEDING THE HEAVEN. How can we reconcile these verses WHICH CONTRADICT EACH OTHER? HE ANSWERS: We learned that both were created together. We have learned that the Holy One, blessed be He, stretched out His right hand and created the heavens, and then He stretched out His left hand and created the earth. THEREFORE, it first says, "the heaven and the earth," and later, "the earth and the heavens."

399. It is written: "'And it shall come to pass on that day, that I will respond,' says Hashem. 'I will answer the heavens and they shall answer the earth'" (Hoshea 2:23). "I will answer the heavens," NAMELY the heavens themselves, ZEIR ANPIN, as it is written: "Heaven is My throne" (Yeshayah 66:1), FOR BINAH SAYS: ZEIR ANPIN IS MY THRONE. "...and they shall answer the earth..." the earth herself, MALCHUT, as it is written: "and the earth is My footstool" (Ibid.). "The heaven," refer to the supernal heavens, ZEIR ANPIN, and "the earth" to the supernal earth, WHICH IS MALCHUT, for as we have learned, when the heavens were created, they longed for the earth. This occurs in the grade called 'Righteous', as it is written: "The righteous is an everlasting (lit. 'of the world') foundation" (Mishlei 10:25). And it cleaved to that earth.

400. A holy river of the oil of anointment COMES from the head of the King, THE THREE FIRST SFIROT OF ZEIR ANPIN, to the place wherein this Righteous dwells, WHO IS YESOD OF ZEIR ANPIN, and pours itself out in fullness of desire upon this earth, WHICH IS MALCHUT. The earth, having received it thence, nourishes all, both above and below. This happens the same way as the male, having the desire to unite with the female, brings out of the top of his head a seed of propagation into the male organ and injects it in the female, from which she conceives. Thus, all parts of the body cleave to the female, and the female receives everything. According to this model we have learned, that the one who completes the first ten people who come to pray in a synagogue receives their merits. Rabbi Yosi says that he is considered as ten, FOR THEY CORRESPOND TO THE TEN SFIROT, AND HE CORRESPONDS TO MALCHUT, NAMELY THE NUKVA WHO RECEIVES ALL, AS MENTIONED ABOVE.

401. Rabbi Yitzchak said: It is written, "He bowed the heavens also, and came down" (II Shmuel 22:10), AND IN THE TORAH it is written, "And Hashem will come down in the sight of all the people upon Mount Sinai" (Shemot 19:11). When He "came down," to where did He go down? You may think it was to Sinai, AS WRITTEN IN THE TORAH, yet it says, "upon (lit. 'above') Mount Sinai" and not 'on Mount Sinai'.

402. HE EXPLAINS: "He bowed the heavens also, and came down." To where did He descend? Rabbi Yosi said: He descended down His grades, from grade to grade, from crown to crown, until He reached this earth, WHICH IS MALCHUT. Then the moon, MALCHUT, shone and stood in its fullness. Therefore, it is written: "He bowed the heaven also, and came down" to this earth. Then it says "upon Mount Sinai." Who stood upon Mount Sinai? The Shechinah did, AND HE DESCENDED TOWARDS HER.

398. תַּאֲנִי אָמַר ר' אֶלְעָזָר, כְּתִיב, בְּרֵאשִׁית בְּרָא אֱלֹהִים אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ. וְכִתִּיב, בַּיּוֹם עָשׂוֹת יְיָ אֱלֹהִים אֶרֶץ וּשְׁמַיִם. בְּמַאי אֻקְיַמְנָא הַנִּי קְרָאִי, הָא תְּנִינָן, דְּתִרְוִייהוּ בְּחָדָא אֲתַבְּרִיאָו. מְלַמֵּד, שְׁנֵטָה הַקּוֹדֶשׁא בְּרִיךְ הוּאֵקוּ יַמִּינוּ וּבְרָא הַשְּׁמַיִם, וְנֵטָה קוֹ שְׁמַאלוֹ, וּבְרָא אֶת הָאָרֶץ. בְּקִדְמִיתָא אֶת הַשְּׁמַיִם וְאֶת הָאָרֶץ, וּלְבַתֵּר אֶרֶץ וּשְׁמַיִם.

403. Rabbi Aba said: From the following verses WE LEARN THAT HE DESCENDED TOWARDS THE SHECHINAH, for it is written, "Because Hashem descended upon it in fire" (Shemot 19:18), and, "For Hashem your Elohim is a consuming fire" (Devarim 4:24), WHICH IS THE SHECHINAH, TOWARDS WHOM HE DESCENDED. HE QUESTIONS FURTHER: Yet it says, "Then Hashem rained upon S'dom and upon Amorah brimstone and fire from Hashem out of heaven" (Beresheet 19:24). THUS, ZEIR ANPIN HIMSELF IS THE FIRE, PART OF WHICH RAINED UPON S'DOM. HE ANSWERS: "Then Hashem rained" signifies the earth, WHICH IS THE SHECHINAH, FOR "THEN (AND) HASHEM" INDICATES HE AND HIS COURT-HOUSE, WHICH IS THE SHECHINAH FROM WHICH THE FIRE WAS ISSUED UPON S'DOM. Whence did she receive it? The second part of the verse, "from Hashem out of heaven," explained that she received from heaven itself, BEING ZEIR ANPIN, AND WHATEVER THE SHECHINAH HAS, SHE RECEIVES FROM ZEIR ANPIN. "From Hashem out of heaven," the heaven themselves, WHICH IS ZEIR ANPIN, FOR WHATEVER THE SHECHINAH HAS SHE RECEIVES FROM ZEIR ANPIN. Rabbi Chiya said that this verse SIGNIFIES THAT HE DESCENDED AND BECAME UNITED WITH THE SHECHINAH. "And Elohim spoke all these words saying..." (Shemot 20:1) "ELOHIM" IS THE SHECHINAH; "all" MEANS the inclusion of everything, BEING ZEIR ANPIN upon whom everything and everyone depends. HENCE, ZEIR ANPIN DESCENDED AND UNITED WITH THE SHECHINAH.

403. ר' אבא אמר מהכא, מפני אשר ירד עליו וי' באש. וכתיב כי וי' אלהיך אש אוכלה הוא. וכתיב, וי' המטיר על סדום ועל עמורה גפרית ואש מאת ה' מן השמים. וי' המטיר דא הוא ארץ מאן אתר נטיל האי, סופיה דקרא מוכח, דכתיב מאת וי' מן השמים, מן השמים ממש. רבי חייא אמר מהכא, וידבר אלהים את כל. כל, כללל דכלל, דהא בהאי תלוי כלל.

23. "You shall not have"

We learn that when a man is circumcised he enters into the covenant established by Abraham. However this is only a beginning, for he must also obey the commandments of the Torah in order to enter the grade of Adam. Rabbi Yehuda and Rabbi Chizkiyah speak about how vital to their understanding is the wisdom of Rabbi Shimon, who is such a light to everyone. Rabbi Shimon, when encountered, teaches them that the prayer of the poor man is more effective than all others, for the poor are nearer to God than anyone else is. He says that God dwells in broken vessels, in those who are broken hearted and humble, and that if we harm the poor we wrong the Shechinah.

404. "You shall have no other Elohim beside Me" (Shemot 20:3). According to Rabbi Yitzchak, "other Elohim" excludes the Shechinah, and thus, "YOU SHALL HAVE NO OTHER ELOHIM" THAN THE SHECHINAH, CALLED "ELOHIM." "...beside Me (lit. 'My face')..." excludes the face of the King upon which the Holy King is manifested. It is His Name and His Name is it; THE VISIBLE FACE IS HIS NAME, WHICH IS MALCHUT, AND HIS NAME IS THE VISIBLE FACE. He is His Name, AND ZEIR ANPIN IS HIS NAME, WHICH MEANS THEY ARE ONE, as it is written: "I am Hashem, that is My Name" (Yeshayah 42:8). He and His Name are one. Blessed be His Name for ever and ever.

404. לא יהיה לך אלהים אחרים על פני. רבי יצחק אמר, אלהים אחרים, לאפקא שכינתא. על פני, לאפקא אפי מלכא. דבהו אתחזי מלכא קדישא, ואינון שמייה. והוא אינון. הוא שמייה, דכתיב אני וי' הוא שמי. הוא ושמייה חד הוא ברין שמייה לעלם ולעלמי עלמיא.

405. Rabbi Shimon taught: Blessed are Yisrael, for the Holy One, blessed be He, called them 'men', as it is written: "But you My flock, the flock of My pasture, are men" (Yechezkel 34:31), AND ALSO, "If a man of you bring an offering" (Vayikra 1:2). Why are they called "men"? The reason is found in the verse: "You that did cleave to Hashem your Elohim" (Devarim 4:4) - you and not the heathen nations. Therefore, you are called "men" and they are not.

405. תאני רבי שמעון, זכאין אינון ישראל, דקודשא ברין הואקרא לון אדם, דכתיב ואתן צאני צאן מרעיתי אדם אתם, אדם כי יקריב מכם. מאי טעמא קרא לון אדם. משום דכתיב ואתם הדבקים בניי אלהיכם. אתם ולא שאר עמין עכו"ם. ובג"כ אדם אתם, אתם קרויין אדם, ואין עכו"ם קרויין אדם.

406. Rabbi Shimon continued with his explanations: When a Jewish boy is circumcised he enters into the Covenant which the Holy One, blessed be He, made with Abraham, as it says: "And Hashem had blessed Abraham in all things" (Bereshheet 24:1), and, "loyal love to Abraham" (Michah 7:20). Thus, he begins to enter into that place, and when he commences to keep the precepts of the Torah he enters the grade of Adam (man), THAT OF THE SUPERNAL CHARIOT, and becomes attached to the body of the King. Then he is called 'man'.

407. The seed of Yisrael is called 'man'. Come and behold: of Ishmael it is written: "And he will be a wild man" (Bereshheet 16:12). "...a wild man..." and not 'a man'. HE WAS CALLED "a wild man" because he was circumcised, and therefore he had the beginnings of being "a man," as it is written: "And Ishmael his son was thirteen years old when he was circumcised in the flesh of his foreskin" (Bereshheet 17:25). Since his circumcision he entered to the grade which is called 'all', WHICH IS YESOD. Hence, he was not called 'a man' but "a wild man". "His hand will be against every man (lit. 'in all')" (Bereshheet 16:12). Assuredly, "in all" and no more, because he did not accept the commandments of the Torah. He had the start, being circumcised, but was not perfected through the commandments of the Torah. But the seed of Yisrael, who were perfected in all things, is called "men" in the full sense, as it is written: "For Hashem's portion is His people, Jacob is the lot of His inheritance" (Devarim 32:9).

408. Rabbi Yosi said: Therefore, the engraving and painting of all faces is permitted, except the face of a man. Rabbi Yitzchak said that when A HUMAN FORM is represented, it looks engraved with an engraving of perfection, THAT IS, A SPECIAL PERFECTION IS PERCEIVED THEREIN. Rabbi Yehuda said: This accords with the popular saying: 'the form of the spirit is in the image', MEANING THAT ACCORDING TO THE IMAGE OF THE MAN FORMED, HIS CONNECTION WITH THE SPIRIT WITHIN HIM IS RECOGNIZED.

409. Rabbi Yehuda was once going from Cappadocia to Lod to see Rabbi Shimon who was there, and Rabbi Chizkiyah accompanied him. Rabbi Yehuda said to Rabbi Chizkiyah: What Rabbi Shimon taught us concerning the meaning of the term "wild man" is perfectly true and quite clear, BUT what is the meaning of the second part of the verse which says: "And he shall dwell in the presence of all his brethren" (Bereshheet 16:12).

410. He replied: I have heard no interpretation and I shall not give any, for we learned that, "And this is the Torah which Moses set Yisrael" (Devarim 4:44). That "which Moses set" you can speak of, but what Moses did not set, MEANING WHAT WAS NOT TAUGHT BY ONE'S TEACHER, one can not tell.

406. דִּתְנִיָא, אָמַר ר' שְׁמַעוֹן, בֵּינָן דְּבַר נֶשׁ יִשְׂרָאֵל אֲתַגְזֹר, עָאֵל בְּבְרִית דְּגִזְר קוּדְשָׁא בְּרִיךְ הוּא בְּאַבְרָהָם, דְּכָתִיב וַיִּי בְרַךְ אֶת אַבְרָהָם בְּכָל. וְכָתִיב חֶסֶד לְאַבְרָהָם. וְשֵׁאֲרֵי לְמִיעָאֵל בְּהֵאֵי אֶתְר. בֵּינָן דְּזָכָה לְקִיּוּמָא פְּקוּדֵי אֲוֵרִייתָא, עָאֵל בֵּיה בְּהֵאֵי אָדָם, וְאֲתַדְבַּק בְּגוּפָא דְמַלְכָא, וְכַדִּין אֶקְרִי אָדָם.

411. Rabbi Yehuda opened the discussion with that verse: "For He is your life, and the length of your days" (Devarim 30:20). He who is worthy of the Torah and does not separate himself from her is worthy of two lives, life in this world and life in the World to Come, as it is written, "your life," LITERALLY, IN A PLURAL FORM, WHICH MEANS two. He who separates himself from her, separates himself from life, and he who separates himself from Rabbi Shimon, separates himself from all things.

412. Here is a verse to which Rabbi Shimon already opened a door, yet we can not enter it. How much more difficult will it be for us to understand these words of the Torah. Woe to the generation from which Rabbi Shimon will be removed, for as long as we are in his presence the springs of the heart are open on every direction and everything is revealed, but as soon as we separate ourselves from him we know nothing and all the springs are closed.

413. Rabbi Chizkiyah said: As it is written, "And he took the spirit that was upon him, and gave it to the seventy elders" (Bemidbar 11:25). It was like a light of a candle from which many lights are kindled; it remains whole AND ITS LIGHT STANDS IN ITS FULLNESS EVEN THOUGH MANY CANDLES WERE LIT BY IT. Rabbi Shimon bar Yochai is such a light. He illuminates everyone and yet his light is not diminished, but remains steadfast in its full splendor. They walked on until they reached his dwelling.

414. When they reached him, they found him studying the Torah. He was saying: "A prayer of the afflicted (lit. 'poor') when he faints and pours out his complaint before Hashem" (Tehilim 102:1). He said: All prayers of Yisrael are effective, but the prayer of the poor man is more effective than all others. Why? Because it reaches the Throne of Glory and becomes a garland for His head, and the Holy One, blessed be He, is praised by this prayer. THEREFORE, a prayer of a poor man is called 'a prayer'.

415. "...when he faints (Heb. ya'atof; also Eng. 'wraps')..." This wrapping is not that of garments, for he has no GARMENT, but the word "ya'atof" has the same significance here as the words in the verse: "That faint (Heb. atufim) for hunger" (Eichah 2:19). IN THIS VERSE AS WELL, HE IS CLOTHED IN HUNGER. "He pours out his complaints before Hashem." He should cry before his Master because this is pleasing to the Holy One, blessed be He, for the world is sustained him. Woe to him against whom a poor man complains to his Master, for the poor man is nearer to the King than anyone else, as it is written: "when he cries to Me, that I will hear" (Shemot 22:26).

411. פתח ר' יהודה ואמר, כי הוא חייך וארך ימייך. מאן דזכי באורייתא, ולא אתפרש מינה, זכי לתרין חייך, חד בעלמא דין, וחד בעלמא דאתי. הכתיב חייך, תרי. וכל מאן דיתפרש מינה, במאן דמתפרש מן חיי, ומאן דמתפרש מר' שמעון, כאילו מתפרש מכלא.

412. ומה בהאי קרא דאיהו פתח פתחא, לא יכילנא למיעאל בה. פתגמי אורייתא דסתימין, על אחת כמה וכמה. ווי לדרא, דר' שמעון בן יוחאי יסתליק מניה. דכד אגן קיימין קמי דר' שמעון, מבוועין דלבא פתיחין לכל עיבר, וכלא מתגליא. וכד אתפרשנא מניה. לא ידענא מידי, וכל מבוועין סתימין.

413. אמר ר' חזקיה, היינו דכתיב, ויאצל מן הרוח אשר עליו ויתן על שבעים איש הזקנים, כבוצינא דא, דנהרין מינה כמה בוצינין, והוא בקיומיה שכיח. כך ר' שמעון בן יוחאי, מארי דבוצינין, הוא נהיר לכלא, ונהורא לא אעדי מניה, ואשתבח בקיומיה. אזלו עד דמטו לגביה.

414. כד מטו גביה, אשבחוהו, דהוה יתיב ולעי באורייתא, והוה אמר, תפלה לעני כי יעטף ולפני יי' ישפוך שיחו. כל צלותא דישראל צלותא, וצלותא דעני עלאה מכלהו. מאי טעמא. משום דהאי סלקא עד כורסי יקרא דמלכא, ואתעטר ברישיה. וקודשא בריך הוא משתבח בהיא צלותא ודאי. תפלה דעני, תפלה אקרי.

415. כי יעטף. עטופא דא, לאו עטופא דכסו הוא, דהא לית ליה. אלא, כתיב הכא כי יעטף. וכתיב ה'תם, העטופים ברעב. ולפני יי' ישפך שיחו, דיקבל קמי מאריה, ודא ניחא ליה קמי קדשא בריך הוא, משום דעלמא מתקיימא ביה, כד לא אשתכחו שאר קיימי עלמא בעלמא. ווי למאן דהווא מסכנא יקבל עלוהי למאריה, משום דמסכנא קריב למלכא יתיר מכלהו, דכתיב והיה כי יצעק אלו ושמעתי כי חנון אני.

416. As for other people, sometimes He hears them, and sometimes He does not. What is the reason for this? The Holy One, blessed be He, dwells in broken vessels, as it is written: "yet with him also that is of a contrite and humble spirit" (Yeshayah 57:15), and: "Hashem is near to them who are of a broken heart" (Tehilim 34:19), and also: "A broken and a contrite heart, Elohim, You will not despise" (Tehilim 51:19).

417. Hence, we have learned that he who wrongs a poor man wrongs the Shechinah, as it is written: "yet with him also that is of a contrite and humble spirit," and also, "For Hashem will plead their cause" (Mishlei 22:23). For Hashem is their Protector and He rules everywhere and needs no witnesses, and no other judge. He does not accept pledges like other judges, except those of the souls, as it is written: "And rob of life those who rob them" (Mishlei 22:23).

418. He continued with his explanations: "A prayer (Heb. tfilah) of the afflicted." Wherever the word "Tfilah" is mentioned, it signifies something supernal, for it ascends to a supernal place. Tfilah (Eng. 'phylactery') of the head is the Tefilin which the King puts, NAMELY THE MOCHIN OF ZEIR ANPIN, WHICH ARE CALLED 'HEAD TEFILIN'.

419. Rabbi Shimon turned his head and saw Rabbi Yehuda and Rabbi Chizkiyah approaching him. When he had finished he looked at them and said: You look as if you have lost something valuable. FOR THEY HAD HEARD WORDS OF TORAH WHICH THEY FORGOT. They replied: Yes, for the master opened a precious door and yet we can not enter into it.

420. What is it? He asked. They said to him: What is the meaning of the last part of the verse, "And he will be a wild man," which is, "and he shall dwell in the presence of all his brethren"? The beginning of the verse is clear to us, but what of this? The end does not seem to suit the beginning.

421. Then Rabbi Shimon replied: Upon your life, both parts of the verse have one significance and point to the same truth. We know that the Holy One, blessed be He, has many aspects (faces) upon aspects. There is a shining aspect, a dull aspect, a low aspect, a distant aspect, an external aspect, an inner aspect, the right aspect, and the left aspect.

416. וְלִשְׂאֵר בְּנֵי עֲלָמָא, זְמַנִּין דְּשָׁמַע, זְמַנִּין דְּלֹא שָׁמַע. מ"ט. מְשׁוּם דְּדִיּוּרִיָּה דְּמַלְכָא בְּהַנִּי מְאִנִּי תְּבִירִי, דְּכַתִּיב, וְאֵת דְּכָא וְשֹׁפֵל רוּחַ. וְכַתִּיב קְרוּב יְיָ לְנִשְׁבְּרֵי לֵב. לֵב נִשְׁבֵּר וְנִדְרָה אֱלֹהִים לֹא תִבְזֶה.

420. אָמַר, מֵאִי הִיא. אָמְרוּ לִיָּה, וְהוּא יְהִיָּה פְּרָא אָדָם, וְסוּפִיָּה דְּקָרָא בְּעִינָא לְמַנְדַּע, דְּכַתִּיב וְעַל פְּנֵי כָּל אַחִיו יִשְׁכּוֹן, מַהוּ עַל פְּנֵי כָּל אַחִיו. דְּהָא בְּרִירָא דְּכוּלִּיָּה קָרָא יַדְעָנָא, וְהִיא לֹא יַדְעָנָא, דְּסִיפִיָּה דְּקָרָא, לֹא אֶתְחַזִּי כְּרִישִׁיָּה.

421. אָמַר לוֹן, חִיּוּכוֹן, כָּלָא חַד מְלָה הִיא, וּבְחַד דְּרָגָא סְלֵקָא. תְּאֵנָא, כְּמָה פְּנִים לְפְנִים, אֵית לִיָּה לְקוּדְשָׁא בְּרִיךְ הוּא. פְּנִים דְּנִהְרִין. פְּנִים דְּלֹא נִהְרִין. פְּנִים תְּתַאֲיִן. פְּנִים רְחִיקִין. פְּנִים קְרִיבִין. פְּנִים דְּלָגוּ. פְּנִים דְּלִבְר. פְּנִים דִּימִינָא. פְּנִים דְּשִׁמְאֵלָא.

422. Come and behold: happy are Yisrael before the Holy One, blessed be He, for they are united with the most supernal aspect of the King, with the aspect in which He and His Name are one, while other nations are united with the most distant aspect, the lower aspect, and therefore they are at a great distance from the body of the King. For we see that all those Egyptians who are related to Ishmael, and his many kin and relatives, were all connected with the lower and distant aspects.

423. Ishmael, however, when he was circumcised, had the privilege, for Abraham's sake, of having his dwelling place and his portion in the sphere which dominated all those distant and lower aspects, rather than in the aspects of the other nations. Therefore it says of him: "His hand will be against every man (lit. 'in all')." THE WORD "ALL" SIGNIFIES YESOD, therefore "he shall dwell in the presence (lit. 'above the face') of all his brethren," meaning that he will be in a superior dwelling to any of them, as "in all" rules over all the aspects that are below. Hence, "above the face of all his brethren," for they had no such merit.

424. Then Rabbi Yehuda and Rabbi Chizkiyah approached him and kissed his hands. Rabbi Yehuda said: This is an illustration of the proverb, 'Wine settled on its lees and a bubbling spring is a crown over earth and dross,' FOR IT COVERS IT AND WHEN THE SPRING IS ABOUT TO BREAK THROUGH THE EARTH IT BECOMES MORE POWERFUL. THUS ISHMAEL RULED POWERFULLY OVER THE DROSS OF HIS BROTHERS, WHO WERE CONNECTED WITH THE LOWER AND DISTANT ASPECTS, AS MENTIONED ABOVE. Woe to the world when the master is gone from it. Woe to the generation in which time it will happen. Happy is the generation that is privileged to know him and in which he lives.

425. Rabbi Chizkiyah said: We have learned that a proselyte, when circumcised, is merely called "a proselyte of Righteousness" and nothing more, and yet, according to your interpretation of this verse, master, "His hand will be against every man (lit. 'in all')," MEANING THAT HE HAD THE MERIT TO DWELL IN YESOD, WHICH IS CALLED "ALL." Rabbi Shimon replied: All is attached to the same place. Yet we were speaking of converts. Ishmael was not merely a proselyte for he was a son of Abraham, a son of a holy man, and of Ishmael it says "Behold, I have blessed him" (Bereshheet 17:20). It says here "I have blessed him," and elsewhere "And Hashem blessed Abraham in all" (Bereshheet 24:1). THIS BLESSING HERE, TOO, IS IN "ALL." Therefore of Ishmael it is written "his hand in all."

422. תָּא חֲזִי, זָכַיִן אֵינּוֹן יִשְׂרָאֵל קָמִיָּה דְּקוּדְשָׁא בְּרִיךְ הוּא, דְּאֲחִידֵן בְּאַנְפִּין עֲלָיִן דְּמַלְכָּא. בְּאֵינּוֹן פְּנִים דְּהוּא וְשָׁמַיָּה אֲחִידֵן בְּהוּ, וְאֵינּוֹן וְשָׁמַיָּה חַד הוּא. וְשָׂר עֲמִין אֲחִידֵן בְּאֵינּוֹן פְּנִים רְחִיקִין, בְּאֵינּוֹן פְּנִים תְּתַאֲיִן. וּבְגִינֵי כֶּךָ אֵינּוֹן רְחִיקִין מְגוּפָא דְּמַלְכָּא, דְּהָא חֲמִינָא כָּל אֵינּוֹן דְּמִצְרַיִם, קְרִיבֵי דְּיִשְׁמַעֵאל, כְּמָה אֲחִין וְקְרִיבִין הוּוּ לֵיהּ, וְכֻלְהוּ הוּוּ בְּאַנְפִּין תְּתַאֲיִן, בְּאֵינּוֹן פְּנִים רְחִיקִין.

425. אָמַר רַבֵּי חִזְקִיָּה, הָא תְּנִינָן, גִּיזְרָא כִּד אֲתַגְזֵר, אֲקָרִי גַר צְדָק, וְלֹא יִתִּיר. וְהִכָּא אָמַר מֵר יְדוּ בְּכָל. אָמַר ר"ש, כֹּלָא אֲתַקְשֵׁר בְּחַד. אֲבָל גִּיזְרָא תְּנִינָן. שְׂאֲנֵי יִשְׁמַעֵאל, דְּלֹא גִיזְרָא הוּא. בְּרִיָּה דְּאַבְרָהָם הוּא, בְּרִיָּה דְּקְדִישָׁא הוּא. וְכֻתִּיב בֵּיהּ בְּיִשְׁמַעֵאל, הִנֵּה בְּרַכְתִּי אוֹתוֹ. כְּתִיב הִכָּא, בְּרַכְתִּי אוֹתוֹ. וְכֻתִּיב הֵתֵם, וַיְיָ בְּרַךְ אֶת אַבְרָהָם בְּכָל. וְעַל כֶּךָ כְּתִיב, יְדוּ בְּכָל.

426. Therefore it is written: "And he shall dwell in the presence of all his brethren." For proselytes from among other nations, Ishmael's kin, would be called "proselytes of righteousness" and no more, but he is superior to them all. Moreover, he dwells higher than the aspects of those who were not circumcised and were connected with the distant and lower aspects, and the aspects of the heathen nations. Therefore, it is written: "And he shall dwell in the presence (lit. 'above the faces') of all his brethren." Rabbi Yehuda said: Hence the proclamation of the Holy One, blessed be He: "You shall have no other Elohim beside Me (lit. 'over My face')," FOR HIS FACE IS MALCHUT, CALLED 'FACE'.

426. וּבְגִינֵי כֶךְ כְּתִיב, עַל פְּנֵי כָל אֶחָיו יִשְׁכֹּן. דָּא יְשָׂר קְרִיבוֹי אֲתַגְיִירוּ אֶקְרוֹן גִּירֵי צְדָק, וְלֹא יִתִּיר, וְהוּא יִתִּיר וְעֵלָא מְכַלְהוּ. כ"ש אִינּוֹן דְּלֹא אֲתַגְזְרוּ, דְּקִיּוּמִין בְּאִינּוֹן אִפִּין רְחִיקִין, בְּאִינּוֹן אִפִּין תְּתַאֲוִין. וְאִיהוּ, מְדוּרִיָּה לְעֵילָא מְכַל פְּנִים דִּידְהוּ, וּמְכַל פְּנִים דְּעַמִּין עַעְכוּ"ם, הִדָּא הוּא דְכְתִיב, עַל פְּנֵי כָל אֶחָיו יִשְׁכֹּן. א"ר יְהוּדָה, קוּדְשָׁא בְרִיךְ הוּא בְּגִין כֶךְ אֲכַרְיז וְאָמַר, לֹא יִהְיֶה לָךְ אֱלֹהִים אַחֲרִים עַל פְּנֵי, דְּדָא הוּא מְהִימְנוּתָא דִּילִיהּ.

24. "You shall not make"

You shall not make for yourself any carved idol, or any likeness. In this section we are reminded not to attach interpretations to the Torah without knowing the correct meaning or without having learned them from our teacher; we are reminded not to be false to the Holy Name, and not to be false to the Covenant of Abraham by bringing it into a foreign domain.

427. "You shall not make for yourself any carved idol, or any likeness" (Shemot 20:4). This was already explained. Rabbi Yosi added any form of a face one can make, except that of a man, for a man's face rules over all things.

427. לֹא תַעֲשֶׂה לָךְ פֶּסֶל וְכָל תְּמוּנָה. הָא אֲתַמַּר. וְאָמַר רַבִּי יוֹסִי, כָּל פְּרָצוּפִין שְׂרִי, בַר מְפָרְצוּפָא דְאָדָם, דְּהָא הָאִי פְרָצוּפָא שְׁלִיט בְּכָלָא.

428. There is also another explanation of the verse: "You shall not make any carved idol or any likeness." Rabbi Yitzchak opened the discussion with the verse: "Do not let your mouth cause your flesh to sin" (Kohelet 5:5). How careful one must be not to err in regard to the meaning of the words of the Torah, and not to attach interpretations to the Torah without knowing the correct meaning or having learned them from his teacher, for of whoever speaks of scripture without knowledge or learning from his Rabbi, it says: "You shall not make any carved idol or any likeness." The Holy One, blessed be He, will punish him in the World to Come, when his soul shall desire to enter its place. It will then be repelled and it will be cut off from that region which is bound up with the bundle of life, wherein are the other souls.

428. דְּבַר אַחַר, לֹא תַעֲשֶׂה לָךְ פֶּסֶל וְכָל תְּמוּנָה. רַבִּי יִצְחָק פִּתַּח, אַל תִּתֵּן אֶת פִּיךָ לְחַטֵּא אֶת בְּשָׂרְךָ. כַּמָּה אֵית לִיהּ לְבַר נֶשׁ לְאֻזְדְּהָרָא עַל פִּתְגָמֵי אוּרִייתָא, כַּמָּה אֵית לִיהּ לְאֻזְדְּהָרָא דְלֹא יִטְעֵי בְהוּ, וְלֹא יִפִּיק מְאוּרִייתָא מֵה דְלֹא יָדַע, וְלֹא קְבִיל מְרַבִּיָּה. דְּכָל מֵאן דְּאָמַר בְּמֵלִי דְאוּרִייתָא מֵה דְלֹא יָדַע, וְלֹא קְבִיל מְרַבִּיָּה, עֲלִיָּה כְּתִיב לֹא תַעֲשֶׂה לָךְ פֶּסֶל וְכָל תְּמוּנָה. וְקוּדְשָׁא בְרִיךְ הוּא אֲתַמַּר עַל מִנְיָה, בְּעֵלְמָא דְאֲתִי, בְּזִמְנָא דְנִשְׁמַתִּיה בְּעִיָּא לְמִיעָאֵל לְדוּכְתָא, דְחִינֵן לָהּ לְבַר, וְתַשְׁתַּצִּי מֵהוּא אֲתַר דְצָרִיקָא בְּצִרּוּרָא דְחַיֵּי דְשָׂר דְנִשְׁמַתִּין.

429. Rabbi Yehuda said: From this we understand the verse: "Why should the Elohim be angry at your voice?" (Kohelet 5:5). "Your voice" signifies a soul of a man. Rabbi Chiya said: Of this it is written, "For I Hashem your Elohim am a jealous EI" (Shemot 20:5). He is zealous above all for His Name when He sees an image of a face, or one who is false to His name, or when the Torah IS MISINTERPRETED WITH AN EXPLANATION ONE HAD NOT LEARNED FROM HIS TEACHERS.

429. רַבִּי יְהוּדָה אוּמַר מֵהֲכָא כַּמָּה דְתַנִּינָן, לְמָה יִקְצֹף הָאֱלֹהִים עַל קוּלְךָ. קוּלְךָ: דָּא הִיא נִשְׁמַתִּיה דְּבַר נֶשׁ. אָמַר רַבִּי חִיָּא, ע"ד כְּתִיב, כִּי יִי אֱלֹהֶיךָ אַל קָנָא. מ"ט. מְשׁוּם דְקָנִי לְשִׁמְיָה בְּכָלָא. אִי בְּגִין פְּרָצוּפִין מְקָנִי לְשִׁמְיָה, מְשׁוּם דְמִשְׁקַר בְּשִׁמְיָה. אִי מְשׁוּם אוּרִייתָא.

430. We have learned that the whole Torah is a Holy Name, for there is not a word written which is not included in the Holy Name. Therefore, one must beware of erring in regard to His Holy Name, and one must not be false to it. He who is false to the Supernal King will not be allowed to enter the King's palace, and will be driven away from the World to Come.

431. Rabbi Aba cited the verse: "You shall not make for yourself any carved idol (Heb. pesel)," and in another place it is written: "Hew (Heb. pesol) for yourself two tablets of stone" (Shemot 34:1), MEANING you shall not hew another Torah which you neither know, nor have learned from your master. Why? Because "I Hashem your Elohim am a jealous EI" and I shall punish you in the World to Come, MEANING it is I who will punish you in the World to Come when your soul shall long to stand in My Presence. How many emissaries will then be ready to frustrate its desire and thrust it into Gehenom.

432. Rabbi Yitzchak said: "You shall not make..." means that one should not be false to the Name of the Holy One, blessed be He, for Yisrael entered into the first Covenant and union with the Holy One, blessed be He, when they circumcised, for this was the first condition to enter the Covenant of Abraham, the bond with the Shechinah. And one must not be false to that Covenant, for he that is false to that Covenant, is false to the Holy One, blessed be He. What is this falsehood? The bringing of the covenant into a foreign domain, as it is written: "And has married the daughter of a strange EI" (Malachi 2:11).

433. Rabbi Yehuda said: Hence, "They have dealt treacherously against Hashem, for they have begotten strange children" (Hoshea 5:7). Whoever is false to the Covenant is false to the Holy One, blessed be He, because the Covenant is united with Him. Therefore, it is written: "You shall not make for yourself any carved idol, or any likeness of any thing that is in heaven above..."

25. "You shall not bow down to them"

Rabbi Elazar explains why it is forbidden to marry any woman from a heathen nation, for the result is always rebellious children who inherit the taint of idolatry. We are reminded that we who keep the commandments of the Torah are the children of Hashem.

434. "You shall not bow down to them, nor serve them" (Shemot 20:5). Rabbi Elazar was once walking in company with Rabbi Chiya. Rabbi Chiya said: It is written, "And you see among the captives a beautiful woman..." (Devarim 21:11). Why DOES THE TORAH ALLOW MARRIAGE TO HER? Is it written: "you shall not make marriages with them" (Devarim 7:3). He replied to him: THIS ONLY APPLIED to women independent in their own land. HERE IT INDICATES A CAPTIVE WOMAN WHO COMES UNDER THE RULE OF YISRAEL. THEREFORE, SHE IS PERMITTED BY THE TORAH TO BE TAKEN AS A WIFE.

430. תְּנִינָן, אֹרִייתָא כְּלָא שְׁמָא קְדִישָׁא הִיא, דְּלִית לָךְ מְלָה בְּאֹרִייתָא דְּלָא כְּלִיל בְּשְׁמָא קְדִישָׁא. וּבְגִינֵי כֵךְ, בְּעֵי לְאֹדְהָרָא, בְּגִין דְּלָא יִטְעִי בְּשִׁמְיָה קְדִישָׁא, וְלָא יִשְׁקֵר בֵּיהּ. וּמֵאֵן דְּמִשְׁקֵר בְּמַלְכָּא עֲלָא, לָא עָאֲלִין לִיהּ לְפַלְטְרוֹי דְּמַלְכָּא, וְיִשְׁתַּצִּי מֵעֲלָמָא דְּאֲתִי.

435. Come and behold: there is no woman among the heathen nations who is free from taint, therefore this section concerning the captive woman is immediately followed by that of the rebellious son, to indicate that whoever marries such a woman, begets rebellious children. What is the reason for this? The impurity of idolatry inherited by the mother is difficult to remove, and this is even the more so if she has already been married to a heathen, for Judgment cleaves to Judgment, and she is tainted. Therefore, Moses commanded the extermination of the Midianite women, as it is written: "Kill every woman that has known man by lying with him" (Bemidbar 31:17).

436. Happy is the portion of the man who keeps this heritage in purity, THAT OF THE HOLY COVENANT, for in this holy possession he unites himself with the Holy One, blessed be He. This is all the more so if he keeps the commandments of the Torah. Then the King stretches out His right hand to receive him, and he cleaves to the Holy Body, NAMELY, ZEIR ANPIN. Therefore it is written of Yisrael: "But you that did cleave to Hashem your Elohim" (Devarim 4:4), and: "You are the children of Hashem your Elohim" (Devarim 14:1) - literally children, as it is written: "Yisrael is My son, My firstborn" (Shemot 4:22), and "Yisrael, in whom I will be glorified" (Yeshayah 49:3).

26. "You shall not take the Name"

Rabbi Shimon tells us that the supernal blessing requires something to bless, that it cannot dwell on an empty place. One cannot say a blessing over an empty table. The discussion turns to "A good name is better than precious ointment," which Rabbi Elazar says represents the supernal mountains of pure balsam. It is vital never to take the Name of the Holy One in vain, and that Name must be uttered only after a preceding word. Rabbi Yosi tells us that the blessing is the Holy Name itself, the source of blessing for the whole universe.

437. "You shall not take the Name..." (Shemot 20:7). Rabbi Shimon cited the verse: "And Elisha said to her, 'What shall I do for you? Tell me, what have you in the house?'" (II Melachim 4:2). He explained: What Elisha meant was: Have you aught upon which the blessing of the Holy One, blessed be He, could rest? For one should not say the blessing after the meal over an empty table. Why? Because the supernal blessing can not rest on an empty place.

438. Therefore, it is necessary to put a loaf or more on the table before one says his grace, and in case one has not MUCH TO PUT ON the table, he must put at least the remnants of his meal, IN ORDER THAT THERE WILL BE SOMETHING to bless, so that he will not say a blessing over an empty TABLE.

435. וְתָא חֲזִי, לִית לָךְ אִנְתוּ בְעַמִּין עַעְכוּ"ם כְּשֶׁרָה בְדָקָא חֲזִי. דְתַנִּינָן, אָמַאי אֲסַמִּיךְ פְּרִשְׁתָּא דָא, לְבָן סוּרָר וּמּוֹרָה. אֶלָּא בּוֹדְאִי, מֵאֵן דְנָסִיב הָאִי אֲתָתָא, בֶּן סוּרָר וּמּוֹרָה יִרִית מִינָהּ. מֵאִי טַעְמָא. מְשׁוּם דְקִשָּׁה לְמַעְבַּר זִוְהֵמָא מִינָהּ, וְכֹל שְׂכָן הָהִיא דְאֲתַנְסִיבַת בְּקַדְמִיתָא, דְדִינָא בְדִינָא אֲתַדְבֵּק, וְאֲסַתְאַבַּת בֵּהּ, וְקִשְׂיָא זִוְהֵמָא לְמַעְבַּר מִינָהּ, וְהֵינּוּ דְאָמַר מֹשֶׁה בְנָשֵׁי מִדְיָן, וְכֹל אִשָּׁה יוֹדַעַת אִישׁ לְמִשְׁכַּב זָכַר הָרוּגוּ.

437. לֹא תִשָּׂא אֶת שֵׁם וְגו'. ר' שְׁמַעוֹן פְּתַח, וַיֹּאמֶר אֵלֶיהָ אֵלִישָׁע מָה אַעֲשֶׂה לָךְ הַגִּידִי לִי מָה יֵשׁ לָךְ בְּבֵית. אָמַר לָהּ אֵלִישָׁע, כְּלוּם אֵית לָךְ עַל מַה דְתִשְׂרִי בְרַכְתָּא דְקוּדְשָׁא בְרִיךְ הוּא, דְתַנִּינָן אֲסוּר לִיָּה לְבַר נֶשׁ, לְבְרַכָּא עַל פְּתוּרָא רִיקְנָא. מ"ט. מְשׁוּם דְבְרַכְתָּא דְלַעִילָא, לֹא שְׂרִיא בְּאֲתָר רִיקְנָא.

439. When she said: "Your handmaid has nothing in the house, except a pot of oil" (Ibid.), he said, "This is fit to receive a perfect blessing," as it is written: "A good name is better than (lit. 'from') precious ointment" (Kohelet 7:1), for the Holy Name comes forth from oil, to bless and to kindle the Holy Lights. HE ASKED: What is this oil? and Rabbi Yitzchak said: It represents the same oil as described in the scripture: "It is like the precious ointment upon the head" (Tehilim 133:2), MEANING THE SUPERNAL PLENTY. Rabbi Elazar said: It represents the supernal mountains of pure balsam, MEANING THE PLENTY OF THE SUPERNAL BINAH.

440. Rabbi Shimon interpreted the verse: "A good name is better." How good is the Supernal Name of the Supernal Holy Lights, for they radiate ??? "precious ointment," and a man must not mention the Name of the Holy One, blessed be He, in vain, for he who does so would have been better not to have been born.

441. Rabbi Elazar said: One should utter the Holy Name only after a preceding word, as in the Torah it is mentioned for the first time after two words: "In the beginning Elohim created (Heb. Beresheet-bara-Elohim)."

442. Rabbi Shimon said: The Holy Name is mentioned only in connection with a completed world, NAMELY, YUD HEI VAV HEI, as it is written: "In the day that Hashem Elohim made the earth and the heavens" (Beresheet 2:4). From this it follows that one should not mention the Holy Name in vain, as it is written: "You shall not take the Name of Hashem your Elohim in vain" (Shemot 20:7).

443. Rabbi Yosi said: What is the blessing? It is the Holy Name, being the source of blessing for the whole universe. A blessing does not dwell in an empty place, nor rests upon it, and therefore it is written: "You shall not take the Name of Hashem your Elohim in vain."

439. בִּינוֹן דְאִמְרָה, אִין לְשִׁמְחָתְךָ כָּל בְּבִית כִּי אִם אֶסוּךְ שְׁמֵן. אָמַר וְדָאֵי הָא בְּרַכְתָּא שְׁלִימְתָא בְּהַאי, דְכִתְיִב טוֹב שֵׁם מִשְׁמֵן טוֹב. דְשִׁמָּא קְדִישָׁא מִשְׁמֵן נִפְקָא, לְאַתְבְּרָכָא, לְאַדְלָקָא בּוֹצִינִין קְדִישִׁין. מֵאֵי שְׁמֵן דָּא. ר' יִצְחָק אָמַר, כְּמָה דְאֵת אָמַר, כְּשִׁמֵן הַטוֹב עַל הָרֹאשׁ וְגו'. ר' אֶלְעָזָר אָמַר, אֵלִין טוֹרֵי דְאִפְרָסְמוֹנָא דְכִינָא.

27. "Remember the Shabbat day, to keep it holy"

This very long section tells of the blessings and joy that accrue from observing the three Sabbath meals properly. He who blemishes one of these meals will be made to bear three burdens: judgment in Gehenom, Armageddon, and pre-Messianic tribulations. We are told that on festivals and holidays one must share with the poor. Because all the Faith is centered in the Sabbath, a man is given an additional soul on this day, and all judgments are withheld. Rabbi Yehudah tells us that the Sabbath is of equal importance to the Torah, and that one who keeps the Sabbath is considered as having fulfilled the Torah. Rabbi Shimon tells about the verse "For thus says Hashem to the eunuchs," explaining that those who study Torah are like eunuchs for six nights but on the Sabbath they have conjugal union, this being the right time to unite the Matron with the King; then they are blessed with good and holy children.

444. "Remember the Shabbat day to keep it holy" (Shemot 20:8). Rabbi Yitzchak cited the verse: "And Elohim blessed the seventh day" (Beresheet 2:3). Of the manna, it is written: "Six days you shall gather it but on the seventh day, which is Shabbat, on it there shall be none" (Shemot 16:26). HE ASKS: If there was no food on that day, what blessing is attached to it?

445. We have learned that all blessing from above and from below depend upon the seventh day, and we have also learned that there was no manna on the seventh day because all the six supernal days - WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD - derive their blessing from it, and each of them sends forth nourishment to the world below from the blessing it received from the seventh day.

446. Therefore, he who has attained the grade of Faith must prepare a table and a meal on Shabbat eve so that his table may be blessed all through the other six days. For at that time, blessing is prevalent for all the six week days, for no blessing is found at an empty table. Therefore, one should make ready the table on Shabbat eve with bread and other foods, IN ORDER TO DERIVE BLESSINGS FOR ALL THE SIX DAYS.

447. Rabbi Yitzchak said: Also on Shabbat day ONE SHOULD PREPARE THE TABLE WITH MEALS AND DRAW BLESSING FOR THE OTHER SIX DAYS. Rabbi Yehuda added: One must enjoy himself on this day with three meals, in order that there will be satisfaction and pleasure in the world on that day.

448. Rabbi Aba explained that THE REASON FOR PREPARING THREE MEALS FOR SHABBAT IS in order that blessings may spread to the supernal days - CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD - which receive their blessing from that day, WHICH IS THE SHECHINAH, THE SEVENTH ATTRIBUTE. On this day the head of Zeir Anpin, MEANING THE THREE FIRST SFIROT, is filled with the dew, MEANING PLENTY, which descends from the most hidden Atika Kadisha (the Holy Ancient One). He causes it to descend into the field of holy apple trees, WHICH IS THE SHECHINAH, three times after the entrance of the Shabbat, in order that all may enjoy the blessing.

449. Therefore, a man should enjoy these three times, for therein depends the true Faith, in Atika Kadisha, in Zeir Anpin and the field of holy apple trees, MEANING THAT ZEIR ANPIN RECEIVES FROM ATIKA AND TRANSFERS IT TO MALCHUT, AS IS MENTIONED ABOVE. He who lessens the number of the meals exposes a blemish into the regions above, and his punishment will be great.

444. זָכוֹר אֶת יוֹם הַשַּׁבָּת לְקַדְּשׁוֹ. רַבִּי יִצְחָק אָמַר, כָּתוּב וַיְבָרַךְ אֱלֹהִים אֶת יוֹם הַשְּׁבִיעִי, וְכָתוּב בְּמִן שֵׁשֶׁת יָמִים תִּלְקְטְהוּ וּבַיּוֹם הַשְּׁבִיעִי שַׁבַּת לֹא יִהְיֶה בּוֹ. בֵּינָן דְּלֹא מִשְׁתַּכַּח בֵּיה מְזוּנֵי, מַה בְּרַכְתָּא אֲשַׁתְּכַח בֵּיה.

450. Therefore, it is necessary to prepare the table with three meals after the entrance of the Shabbat, and his table must not be empty. Thus, blessing will rest upon it during all the other week days, for therein depends the true Faith above.

451. Rabbi Shimon said: When a man has completed the three meals on Shabbat, a voice comes forth and proclaims of him: "Then shall you delight yourself in Hashem" (Yeshayah 58:14). This is in reference to one meal, which corresponds to the most Holy Ancient One among the holy. "And I will cause you to ride upon the high places of the earth" (Ibid.), is the second meal, which corresponds to the field of holy apple trees, WHICH IS MALCHUT. "And feed you with the heritage of Jacob your father" (Ibid.), is the perfection it reaches in Zeir Anpin, IN THE THIRD MEAL.

452. Corresponding to this, one should complete the meals and find joy in each and all of them because this is a manifestation of perfected Faith. Therefore, Shabbat is more precious than all other times and holidays because it contains all in itself, whereas no other times or holidays do so. Rabbi Chiya said: Because all things are in it, it is mentioned three times: "And by the seventh day Elohim ended His work which He had done... And He rested on the seventh day from all His work which He had done... And Elohim blessed the seventh day and sanctified it" (Beresheet 2:2-3).

453. When Rabbi Aba sat at his Shabbat meals, he used to rejoice in each one of them and he would say: This is the holy meal of the Holy Ancient, hidden to all. Over another he would say: This is the meal of the Holy One, blessed be He, NAMELY, ZEIR ANPIN, and so in each and every meal. And when he came to the last one, he would say: The meals of the Faith are completed.

454. When Rabbi Shimon sat at his meals, he would say: Prepare the meal of the supernal Faith! Prepare the meal of the King! And then he would sit and rejoice. When the third meal was completed, it was proclaimed of him: "Then shall you delight yourself in Hashem and I will cause you to ride upon the high places of the earth and feed you with the heritage of Jacob your father."

450. בְּגִינֵי כַךְ, בְּעֵי לְסִדְרָא פְתוּרִיה, תֵּלֶת זְמַנֵּי, מִכַּד עָוִיל שַׁבָּתָא, וְלֹא יִשְׁתַּבַּח פְּתוּרִיה רִיקוֹנָא, וְתִשְׂרֵי בְרַכְתָּא עָלֶיהָ, כָּל שְׂאֵר יוֹמֵי דְשַׁבָּתָא. וּבִהְיֵי מְלָה, אַחֲזִי, וְתִלֵּי מֵהֵימְנוּתָא לְעִילָא.

451. רַבִּי שִׁמְעוֹן אָמַר, הָאִי מֵאֵן דְּאִשְׁלִים תֵּלֶת סְעוּדָתֵי בְּשַׁבָּתָא, קָלָא נְפִיק וּמְכַרְזָא עָלֶיהָ, אֲזִי תִתְעַנְג עַל יְיָ, דָּא סְעוּדָתָא חֲדָא, לְקַבֵּל עִתִּיקָא קְדִישָׁא דְכָל קְדִישׁוֹן. וְהִרְכַּבְתִּיךָ עַל בְּמַתֵּי אֶרֶץ, דָּא סְעוּדָתָא תְּנִינָא, לְקַבֵּל חֲקֵלָא דְתַפּוּחִין קְדִישׁוֹן. וְהִאֲכַלְתִּיךָ נַחֲלַת יַעֲקֹב אַבִּיךָ, דָּא הוּא שְׁלִימוֹ דְּאִשְׁתָּלִים בְּזַעִיר אַפִּין.

452. וּלְקַבְלֵיהוּ בְּעֵי לְאִשְׁלָמָא סְעוּדָתֵיהָ, וּבְעֵי לְאַתְעַנְגָא בְּכִלְהוּ סְעוּדָתֵי, וּלְמַחְדֵי בְּכָל חַד וְחַד מִנֵּיהוּ, מִשׁוּם דְּאִיהוּ מֵהֵימְנוּתָא שְׁלִימָתָא. וּבְגִין כַּךְ, שַׁבָּתָא אֲתִיקָר, מִכָּל שְׂאֵר זְמַנִּין וְחֻגִין, מִשׁוּם דְּכִלָּא בִּיהָ אִשְׁתַּבַּח, וְלֹא אִשְׁתַּבַּח הָכִי בְּכִלְהוּ זְמַנֵּי וְחֻגֵי. אָמַר רַבִּי חִיָּא, בְּג"כ, מִשׁוּם דְּאִשְׁתַּבַּח כָּלָא בִּיהָ, אִינְדְּכֵר תֵּלֶת זְמַנִּין. דְּכַתִּיב, וַיְכַל אֱלֹהִים בַּיּוֹם הַשְּׁבִיעִי. וַיִּשְׁבּוֹת בַּיּוֹם הַשְּׁבִיעִי. וַיְבָרַךְ אֱלֹהִים אֶת יוֹם הַשְּׁבִיעִי.

453. רַבִּי אַבָּא, כַּד הָוָה יְתִיב בְּסְעוּדָתָא דְשַׁבָּתָא, הָוֵי חַדֵּי, בְּכָל חַד וְחַד, וְהָוָה אָמַר, דָּא הִיא סְעוּדָתָא קְדִישָׁא, דְּעִתִּיקָא קְדִישָׁא סְתִימָא דְכִלָּא. בְּסְעוּדָתָא אַחְרָא הָוָה אָמַר, דָּא הִיא סְעוּדָתָא דְקוּדְשָׁא בְּרִיךְ הוּא. וְכֵן בְּכִלְהוּ סְעוּדָתֵי, וְהָוָה חַדֵּי בְּכָל חַד וְחַד. כַּד הָוָה אִשְׁלִים סְעוּדָתֵי, אָמַר אִשְׁלִימוֹ סְעוּדָתֵי דְמֵהֵימְנוּתָא.

454. רַבִּי שִׁמְעוֹן, כַּד הָוָה אֲתֵי לְסְעוּדָתָא, הָוָה אָמַר הָכִי, אֲתִקְנוֹ סְעוּדָתָא דְמֵהֵימְנוּתָא עֲלָאָה, אֲתִקְנוֹ סְעוּדָתָא דְמַלְכָא, וְהָוָה יְתִיב וְחַדֵּי. כַּד אִשְׁלִים סְעוּדָתָא תְּלִיתָאָה, הָוּוּ מְכַרְזֵי עָלֶיהָ, אֲזִי תִתְעַנְג עַל יְיָ וְהִרְכַּבְתִּיךָ עַל בְּמַתֵּי אֶרֶץ וְהִאֲכַלְתִּיךָ נַחֲלַת יַעֲקֹב אַבִּיךָ.

455. Rabbi Elazar said to his father: How are those three meals prepared? Rabbi Shimon replied: At Shabbat eve, as it is written: "And I will cause you to ride upon the high places of the earth." In this night the Matron is blessed and the whole field of apples, WHICH IS MALCHUT, is also blessed, and the man's table is blessed and a soul is added TO A MAN. This night signifies the rejoicing of the Matron, and therefore a man should rejoice and partake in the meal of the Matron, WHICH IS MALCHUT.

456. Concerning the second meal of Shabbat day, it is written: "Then shall you delight yourself in (lit. 'above') Hashem." Most assuredly "above Hashem," WHICH MEANS ABOVE ZEIR ANPIN, for at that hour the Holy Ancient One reveals Himself and all the worlds are in joy. And we, in participating in this meal, contribute to that joy and completeness of Atika (the Ancient One) for, assuredly, this is His meal.

457. Concerning the third meal of Shabbat, it is written: "And feed you with the heritage of Jacob your father." This is the meal of Zeir Anpin, who is then in perfection, from which all the six days receive their blessing. Therefore, a man must rejoice in these meals and complete his meals, for they are meals of the perfect Faith of the holy seed of Yisrael, the supernal Faith, which is theirs and not that of the heathen nations. Hence, it is written: "It is a sign between Me and the children of Yisrael" (Shemot 31:17).

458. Come and behold: by these meals Yisrael are distinguished as the King's children, belonging to the palace of the King as people of Faith. And he who blemishes one of these meals shows an incompleteness above, and he testifies of himself that he is not one of the King's sons, not part of the palace of the King, and not of the holy seed of Yisrael. He will be made to bear the burden of three things: the punishment in Gehenom, THE WAR OF GOG AND MAGOG (ARMAGEDDON) AND PRE-MESSIANIC TRIBULATIONS.

459. Come and behold: on all festivals and holidays a man must both rejoice himself and give joy to the poor. If he rejoices alone and does not share with the poor his punishment will be great, for he rejoices himself and does not make others happy. Of him it is written: "And spread dung upon your faces, even the dung of your feasts" (Malachi 2:3) but he is not punished if he rejoices on Shabbat and does not give a share to another. For it is written: "the dung of your feasts" and not 'the dung of your Shabbat,' and it is also written, "Your new moons and your appointed feasts My soul hates" (Yeshayah 1:14), but Shabbat is not mentioned.

455. אָמַר רַבִּי אֶלְעָזָר לְאָבִיו, אֵלֶּיךָ סְעוּדָתִי הֵינִי מִתְקַנְיָן. אָמַר לֵיהּ, לֵילֵיא דְשַׁבְּתָא, כְּתִיב, וְהִרְכַּבְתִּיךָ עַל בְּמִתֵּי אֶרֶץ. בֵּיהּ בְּלֵילֵיא, מִתְבָּרַכָא מִטְרוּנִיתָא, וְכֻלְהוּ חֻקְל תְּפֻחִין, וּמִתְבָּרַכָא פְתוּרִיהּ דְּבַר נֶשׁ, וְנִשְׁמַתָּא אֶתּוֹסַפֶּת, וְהוּא לֵילֵיא, חֲדוּה דְּמִטְרוּנִיתָא הוּי. וּבְעֵי בַר נֶשׁ לְמַחְדֵּי בְּחֲדוּתָא, וְלִמְיַכַּל סְעוּדָתָא דְּמִטְרוּנִיתָא.

457. בְּסְעוּדָתָא תְּלִיתָא דְשַׁבְּתָא, כְּתִיב וְהִאֲכַלְתִּיךָ נַחֲלַת יַעֲקֹב אֲבִיךָ. דָּא הוּא סְעוּדָתָא דְזַעִיר אֲפִין, דְּהוּי בְּשְׁלִימוּתָא. וְכֻלְהוּ שִׁיתָא יוֹמִין, מֵהוּא שְׁלִימוּ מִתְבָּרַכֵּן. וּבְעֵי בַר נֶשׁ לְמַחְדֵּי בְּסְעוּדָתֵיהּ, וְלֵאשְׁלָמָא אֵלֶיךָ סְעוּדָתִי, דְּאִינוּן סְעוּדָתִי מֵהִימְנוּתָא שְׁלִימוּתָא, דְּזַרְעָא קְדִישָׁא דִּישְׂרָאֵל, הֵי מֵהִימְנוּתָא עֲלָאָה, דְּהָא דִּילְהוּן הוּא, וְלֵא דְעַמּוּן עַעְכוּם. וּבְגִינֵי כֶּךָ אָמַר, בִּינִי וּבֵין בְּנֵי יִשְׂרָאֵל.

458. ת"ח, בְּסְעוּדָתִי אֵלֶיךָ, אֲשֶׁתְּמוּדְעוּן יִשְׂרָאֵל, דְּאִינוּן בְּנֵי מַלְכָּא. דְּאִינוּן מֵהִיכְלָא דְּמַלְכָּא, דְּאִינוּן בְּנֵי מֵהִימְנוּתָא, וּמֵאֵן דְּפָגִים חֲד סְעוּדָתָא מְנִייהוּ, אַחְזִי פְּגִימוּתָא לְעֵילָא, וְאַחְזִי גְרָמִיָּה דְּלָאוּ מִבְּנֵי מַלְכָּא עֲלָאָה הוּא, דְּלָאוּ מִבְּנֵי הִיכְלָא דְּמַלְכָּא הוּא דְּלָאוּ מִזְרַעָא קְדִישָׁא דִּישְׂרָאֵל הוּא. וְיִהְיִין עֲלֵיהּ חוֹמְרָא דְּתֵלַת מְלִין, דִּינָא דְּגִיְהֵנָם וּגו'.

459. וְתָא חֲזִי, בְּכֻלְהוּ שָׂאָר זְמַנִּין וְחֻגִין, בְּעֵי בַר נֶשׁ לְחַדִּי, וְלְמַחְדֵּי לְמַסְכְּנֵי. וְאִי הוּא חֲדֵי בְּלַחְדוּי, וְלֵא יְהִיב לְמַסְכְּנֵי, עוֹנְשִׁיָּה סְגִי, דְּהָא בְּלַחְדוּי חֲדֵי, וְלֵא יְהִיב חֲדוּ לְאַחְרָא. עֲלֵיהּ כְּתִיב, וְזֵרִיתִי פְּרֶשׁ עַל פְּגִיכֶם פְּרֶשׁ חֲגִיכֶם. וְאִי אִיהוּ בְּשַׁבְּתָא חֲדֵי, אַע"ג דְּלֵא יְהִיב לְאַחְרָא, לֵא יְהִיבֵן עֲלֵיהּ עוֹנְשָׁא, בְּשָׂאָר זְמַנִּין וְחֻגִין, דְּכְתִיב פְּרֶשׁ חֲגִיכֶם. פְּרֶשׁ חֲגִיכֶם קָאָמַר, וְלֵא פְּרֶשׁ שַׁבְּתְכֶם. וְכְתִיב חֲדָשִׁיכֶם וּמוֹעֲדֵיכֶם שְׁנָאָה נְפִשִׁי. וְאֵלוּ שַׁבַּת לֵא קָאָמַר.

460. Therefore it is written: "Between Me and the children of Yisrael," and because all the Faith is centered in Shabbat, man is given an additional soul on this day, a supernal soul, a soul in which all perfection exists, resembling that of the World to Come. Therefore, this day is called Shabbat. What does the word Shabbat mean? This is the Name of the Holy One, blessed be He, WHICH IS MALCHUT, the Name which is perfect on all sides ON SHABBAT DAY.

461. Rabbi Yosi said: It is indeed so. Woe to a man who does not complete the joy of the Holy King. And what is His joy? Those three meals of the Faith, the meals wherein Abraham, Isaac and Jacob participate and express joy upon joy, and the Faith, MALCHUT, is perfect on all sides.

462. We have learned that on this day the Fathers, WHO ARE CHESED, GVURAH AND TIFERET, are crowned, FOR THEY BECOME THE FIRST THREE SFIROT, and all the children, NETZACH, HOD AND YESOD, suckle from them differently than on other festive and holy days. On this day all Judgments are held back and are not aroused, BUT THEY BECOME THE FIRST THREE SFIROT. On this day, the sinners rest in Gehenom. On this day the Torah, WHICH IS ZEIR ANPIN, is crowned with perfect crowns, MEANING THE SUPERNAL ABA AND IMA. On this day joy and gladness resound throughout two hundred and fifty worlds.

463. Come and behold: on all six days of the week, when the hour of Minchah (the Afternoon Prayer) arrives, Stern Judgment rules and all the chastisements are aroused. But on Shabbat, at the time of Minchah, the will of all wills is present, and Atika Kadisha (the Holy Ancient One) shows goodwill, and all the Judgments rest, and gladness and joy are everywhere.

464. In this time of goodwill, Moses, the holy faithful prophet, passed away from this world, in order that it should be known that he was not taken away in time of Judgment. At that hour his soul departed by the will of the Holy Ancient One, and was treasured in Him. Therefore, it is written: "No man knows his grave" (Devarim 34:6). As the Holy Ancient One is the most hidden of all, whom neither those above nor those below can comprehend, so this soul was hidden by the will OF THE HOLY ANCIENT ONE at the hour of Shabbat Afternoon Prayer. This soul of which it is written: "No man knows his grave," is the most hidden of all hidden things in the world, and Judgment does not rule over it. Happy is the portion of Moses.

460. וּבְגִינֵי כֶךְ כְּתִיב, בִּינֵי וּבֵין בְּנֵי יִשְׂרָאֵל. וּמְשׁוּם דְּכָל מְהִימְנוּתָא אֲשֶׁתִּכַּח בְּשַׁבְּתָא, יְהִיבִין לִיה לְבַר נֶשׁ נֶשׁ נֶשְׁמַתָּא אַחְרָא, נֶשְׁמַתָּא עֲלָאָה, נֶשְׁמַתָּא דְכָל שְׁלִימוֹ בְּהָ, כְּדוּגְמָא דְעֲלָמָא דְאַתִּי. וּבְגִינֵי כֶךְ אֶקְרִי שַׁבְּתָא. מְהוּ שַׁבְּתָא. שְׁמָא דְקוּדְשָׁא בְּרִיךְ הוּא. שְׁמָא דְאִיהוּ שְׁלִים מְכַל סְטְרוּי.

464. וּבְהַאי רַצוֹן, אֲסַתְּלַק מֹשֶׁה, נְבִיָּאָה מְהִימְנָא קְדִישָׁא מְעֲלָמָא. בְּגִין לְמַנְדַּע, דְּלֹא בְּדִינָא אֲסַתְּלַק, וְהָיָא שְׁעָתָא בְּרַצוֹן דְעִתִּיקָא קְדִישָׁא נֶמֶק נֶשְׁמַתִּיהָ, וְאַתְטַמַּר בֵּיה. בְּגִין כֶךְ, וְלֹא יָדַע אִישׁ אֶת קְבֻרְתוֹ כְּתִיב. מַה עִתִּיקָא קְדִישָׁא, טְמִירָא מְכַל טְמִירִין, וְלֹא יָדַעִין עֲלָאִין וְתַתָּאִין. אוּף הָכָא, הָאִי נֶשְׁמַתָּא דְאַתְטַמַּר בְּהַאי רַצוֹן, דְאַתְגְּלִיָּא בְּשְׁעָתָא דְצִלוּתָא דְמִנְחָה דְשַׁבְּתָא, כְּתִיב וְלֹא יָדַע אִישׁ אֶת קְבֻרְתוֹ וְהוּא טְמִיר מְכַל טְמִירִין דְעֲלָמָא, וְדִינָא לֹא שְׁלֵטָא בֵּיה. זַכָּאָה חוּלְקִיהָ דְמֹשֶׁה.

465. We have learned that on this SHABBAT day with which the Torah crowned itself, it crowns itself with everything: with all those commandments, with all those decrees and punishments, and with seventy branches of light which illuminate all sides - FOR THE SEVEN SFIROT ARE CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT, AND EACH ONE OF THEM INCLUDES TEN SFIROT, AND ALL OF THEM TOGETHER ARE SEVENTY. Who saw the twigs which emanate from each branch OF THE SEVENTY BRANCHES, five of which are within the tree itself - MEANING THE FIVE SFIROT: CHESED, GVURAH, TIFERET, NETZACH AND HOD OF ZEIR ANPIN, CALLED A 'TREE', WHICH RECEIVES THEM FROM BINAH. All the aspects are attached to them. Who saw all those gates which open to each and every side OF THEM, AS EACH ONE INCLUDES TEN, SO THAT TOGETHER THEY ARE FIFTY GATES. They all shine and glow by that never-ending stream of light.

466. A voice proclaims: Awake supernal saints! Awake holy people chosen from above and from below! Raise joy before your Master! Awake in perfect joy! Prepare yourselves in the threefold joy of the three Fathers, MEANING THE THREE MEALS OF SHABBAT! Prepare yourselves for the Faith, the joy of all joys. Happy is your portion, holy Yisrael, in this world and in the World to Come. This is your heritage OVER AND ABOVE that of all heathen nations. Hence, it is written: "between Me and the children of Yisrael."

467. Rabbi Yehuda said: It is indeed so, and therefore it is written, "Remember the Shabbat day to keep it holy" (Shemot 20:8), and: "You shall be holy, for I Hashem your Elohim am holy" (Vayikra 19:2), and, "And call the Shabbat a delight, the holy day of Hashem."

468. We have learned that on this SHABBAT day all the souls of the righteous feast on the delights of Atika Kadisha (the Holy Ancient One), the most hidden of all, KETER. One spirit of this delight of Atika Kadisha, is extended through all the worlds. It ascends and descends and spreads abroad to all the holy children, to all the guardians of the Torah, so that they enjoy perfect rest, forgetting all cares, all penalties and all hard work, as it is written: "And it shall come to pass on the day that Hashem shall give you rest from your sorrow and from your fear, and from the hard bondage in which you were made to serve" (Yeshayah 14:3).

469. Therefore the Shabbat is equal in importance to the Torah, and he who keeps the Shabbat is regarded as one who fulfills the whole Torah. It is written: "Happy is the man that does this, and the son of man that lays hold on it, that keeps the Shabbat and does not profane it, and keeps his hand from doing any evil" (Yeshayah 56:2). From this we understand that he who keeps the Shabbat is as if he kept the whole Torah.

470. One day Rabbi Yudai met Rabbi Shimon on the road and asked him to explain a verse concerning the weekly portion, wherein Isaiah says: "For thus says Hashem: 'To the eunuchs that keep My Shabbatot and choose the things that please Me, and take hold of My Covenant. To them will I give, in My house and within My walls..." (Ibid. 4-5). What does this mean?

471. Rabbi Shimon said: Cappadocian! - NAMING HIM AFTER THE NAME OF THE CITY HE LIVED IN - Fasten your donkey to a fence and alight, for words of Torah require attentiveness. Turn around and follow me, and pay attention. He replied: It is for the master's sake that I have come all this long way, and in following him I shall behold the Shechinah.

472. He said to him: Come and behold. This verse has already been considered by the friends but they have not explained it sufficiently. "For thus says Hashem: To the eunuchs." Who are these "eunuchs"? These are students of the Torah who study Torah and make themselves "eunuchs" during the six days of the week. And on Shabbat night they hasten to have their conjugal union, for they know the supernal secret of the right time when the Matron is united with the King.

473. Those students who know this secret concentrate their hearts on the Faith of their Master and are blessed with offspring on that night. Therefore, it is written: "That keep My Shabbatot," as it is said in the verse: "But his father kept the matter in mind" (Bereshheet 37:11).

474. They are called "eunuchs" because they wait for the Shabbat in order to please their Master, as it is written: "and choose the things that please Me," meaning His union with the Matron; "and take hold of My Covenant" amounts to the same, AS IT ALSO MEANS A UNION. "My Covenant" without attribute IS THE SUPERNAL YESOD WHO IS UNITED WITH THE MATRON. Happy is the man who is sanctified in this Holiness and knows this secret.

475. Come and behold: in the verse, "Six days shall you labour, and do all your work, but the seventh day is a Shabbat to Hashem your Elohim" (Shemot 20:9), the words "all your work" indicate that in those six days man must work, and therefore those who study the Torah have their conjugal union only at a time when they do not work, but when the Holy One, blessed be He, works - MEANING, IN SHABBAT, WHEN MAN'S WORK IS FORBIDDEN. Then His work is the union with the Matron, MALCHUT, in order to bring forth holy souls into the world.

470. ר' יודאי שָׁאִיל לִיָּה לְר' שְׁמַעוֹן, יוֹמָא חַד דְּאֶעְרַע עִמִּיהּ בְּאַרְחָא, אָמַר לִיָּה, ר', הָא כְּתִיב בְּפִרְשָׁתָא דְּאֵ שַׁבָּת, דְּאָמַר יִשְׁעִיָּה, דְּכְתִיב כְּה אָמַר יְי' לְסָרִיסִים אֲשֶׁר יִשְׁמְרוּ אֶת שַׁבְּתוֹתַי וְגו', וְנָתַתִּי לָהֶם בְּבֵיתִי וּבְחֻמוֹתַי וְגו'. מַה קָא מַיִירִי.

476. Therefore, the companions sanctify themselves on this night in the Holiness of their Master and concentrate their hearts, and begot good and holy children who turn neither to the right nor to the left, children of the King and the Matron. Of them it is written: "You are the children of Hashem your Elohim" (Devarim 14:1). Assuredly, of "Hashem your Elohim," for they are called "His children," the children of the King and the Matron.

477. Those who study the Torah know this secret and cling to it, therefore they are called 'the children of the Holy One, blessed be He', and the world is sustained by their merit. And when the world is placed on trial, the Holy One, blessed be He, looks on His children and has mercy on the world. Therefore, it is written: "an entirely right seed" (Yirmeyah 2:21). It is a "right (lit. 'true') seed," indeed. And what does "true" mean? This is the perfect and holy circle. This is expressed in the verse: "You will show truth to Jacob" (Michah 7:20); JACOB IS THE SECRET OF THE CENTRAL COLUMN, and all these verses refer to the same thing. Hence, it is assuredly a true seed.

478. Rabbi Yudai said to him: Blessed be the Merciful One who sent me here! Blessed be the Merciful One for allowing me to come and hear your words! Rabbi Yudai wept. Rabbi Shimon asked: Why do you weep? He answered: I weep because of those people whose ways are the ways of beasts, without knowledge and observation. It would have been better for them not to have been created. Woe to the world when you, master, will depart from it, for who will then reveal the secrets and who will then comprehend the ways of the Torah?

479. He said to him: Upon your life, the world is created only for those who are occupied in Torah and know its secrets. Assuredly, the sages have decreed that the ignorant corrupt their ways, not knowing their right hand from their left, and are like cattle. And so it is fitting to punish them even on Yom Kippur (the Day of Atonement). Of their children, it is written: "For they are the children of harlotry" (Hoshea 2:6), actual children of harlotry.

480. He said to him: Rabbi, this verse should have been explained further by more explanation, for it is written: "And to them will I give in My house and within My walls, a memorial better than sons and daughters. I will give him an everlasting name". HE ASKS: Why is it written, "I will give him an everlasting name" (Yeshayah 56:5)? It should have been written: 'I will give them', NAMELY, TO THE EUNUCHS.

480. אָמַר לִיה, ר', הָאִי קָרָא בְּעֵי לְאַתְיִישְׁבָּא בְּאַרְחֻי. כְּתִיב וְנָתַתִּי לָהֶם בְּבֵיתִי וּבְחֻמוֹתַי יָד וְשֵׁם טוֹב מִבְּנִים וּמִבְּנוֹת שֵׁם עוֹלָם אֲתֵן לוֹ. אֲתֵן לָהֶם מִבְּעֵי לִיה, מְהוּ אֲתֵן לוֹ.

481. He said to him: Come and behold. It is written: "And to them will I give in My house." What does "my house" signify? It signifies the same meaning as in the verse: "For he is trusted one in all My house" (Bemidbar 12:7), MEANING THE SHECHINAH, WHICH IS CALLED 'A HOUSE'. "...and within My walls..." is as it is written: "I have set watchmen upon your walls, O Jerusalem" (Yeshayah 62:6), MEANING THE EXTERNAL ASPECT OF THE SHECHINAH. "A memorial" (lit. 'a hand and a name') means that they would draw holy souls from this place, THE SHECHINAH, and that 'hand' MEANS a portion of perfection. The word "better" MEANS abundant with sons and daughters. "I will give him an everlasting name," meaning to this part of perfection WHICH IS CALLED 'A HAND'. "That shall not be cut off" (Ibid. 5) for all generations. Another explanation is that "I will give him," MEANS to him who knows this secret "OF THE EUNUCHS WHO KEEP MY SHABBATOT," with appropriate intention.

482. Rabbi Shimon continued by citing the verse: "You shall kindle no fire throughout your habitations on the Shabbat day" (Shemot 35:3), and he explained that the reason for it is that there is no Judgment on that day, AND HE WHO KINDLES A FIRE AROUSES JUDGMENT. You may protest that it rises high, REFERRING TO THE FIRE ON THE ALTAR WHICH BURNS ON SHABBAT AS WELL. HE ANSWERS: It is written "throughout your habitations," and not, 'high above', for that FIRE which ascends high, rises to subdue another Judgment. For as we have learned, there is a fire which consumes a fire, and the fire of the altar consumes the other fire, NAMELY, IT SUBDUES THE OTHER JUDGMENT SO IT WILL NOT RULE ON THE DAYS OF THE WEEK.

483. Therefore, Atika Kadisha reveals Himself on that day MORE than on any other day. And when He reveals Himself, Judgment is not in evidence at all, and all the upper and lower beings are in perfect joy, and Judgment has no dominion.

484. We have learned from the verse: "For (in) six days Hashem made heavens and earth" (Shemot 31:17), that it was assuredly "six days," WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, FROM WHICH THE HEAVENS AND EARTH, BEING MALE AND FEMALE, WERE CREATED. Therefore, it is not written, 'within six days'. Those supernal holy days are called days in which the Holy Name, MALCHUT, WHICH IS CALLED 'EARTH', is included. And they are contained in it. Happy is the portion of Yisrael above all the heathen nations; of them it is written: "But you that did cleave to Hashem your Elohim are alive every one of you this day" (Devarim 4:4).

28. "Honor your father and your mother"

Rabbi Chiya and Rabbi Aba explain that "father" is the spring of the holy fountain which feeds the river from Eden, and that Eden itself is called "father." Rabbi Shimon adds that the words "Honor your father" refer to the Holy One, Zeir Anpin, and "your mother" refers to the Congregation of Yisrael, Malchut. From here the discussion turns to the first five of the Ten Commandments, showing us that they include the second five within them; then they are paired and analyzed at some length. Rabbi Elazar explains that all the laws of the Torah are engraved in the Ten Commandments, for the Torah is the Name of the Holy One, blessed be He.

481. אָמַר לִיָּהּ, תָּא חֲזִי, וְנִתְתִּי לָהֶם בְּבֵיתִי, מֵהוּ בֵּיתִי. כִּמָּה דָּאֵת אָמַר בְּכָל בֵּיתִי נְאֻמָּן הוּא. וּבְחֻמּוֹתַי, כְּדָא עַל חֻמּוֹתֵיךְ יְרוּשָׁלַם הַמְּקַדְתִּי שׁוֹמְרִים יָד וְשֵׁם, בְּלוֹמַר דִּישְׁלֻפוֹן נִשְׁמַתִּין קְדִישִׁין מְדוּכְתָא דָא. וְהוּא יָד, חוֹלֵק בְּאַשְׁלֻמוֹתָא. טַב, מְלִיא מְבַנִּין וּמְבַנְתָּן. שֵׁם עוֹלָם אֶתְּן לוֹ, לְהֵוּא חוֹלֵק שְׁלִים. אֲשֶׁר לֹא יִכְרַת לְדְרֵי דְרִין. דְּבַר אַחַר אֶתְּן לוֹ לְהֵוּא דִּידַע רְזָא דְמַלְהָ, וַיִּתְּבוּן בְּמָה דְבַעֵי לְכוּנָא.

482. תּוֹ אָמַר ר' שְׁמַעוֹן, כְּתִיב, לֹא תִבְעֲרוּ אֵשׁ בְּכָל מוֹשְׁבוֹתֵיכֶם בַּיּוֹם הַשַּׁבָּת. מֵאֵי טַעְמָא. בְּגִין דְּלֹא אֶתְחַזִּי דִּינָא בְּהַאי יוֹמָא. וְאֵי תִימָא הָא לְגַבוּהַ סְלֵקָא. בְּכָל מוֹשְׁבוֹתֵיכֶם קְאָמַר, וְלֹא לְגַבוּהַ. וְהוּא דְּסְלֵקָא לְגַבוּהַ, לְאַכְמִיא לְדִינָא אַחְרָא סְלֵקָא. דְּתַנִּין, אֵית אֲשָׁא אַכְלָא אֲשָׁא. וְאֲשָׁא דְּמַדְבַּחָא, אַכְלָא אֲשָׁא אַחְרָא.

483. וּבְגִינֵי כֵן, אֶתְגְּלִיא עֲתִיקָא קְדִישָׁא בְּהַאי יוֹמָא, מְכַל שְׁאֵר יוֹמִין. וּבְזַמְנָא דְּאֶתְגְּלִיא עֲתִיקָא, לֹא אֶתְחַזִּי דִּינָא כְּלָל. וְכַל עֲלֵאִין וְתַתְּאִין מִשְׁתַּכְּחִין בְּחֻדְוֹתָא שְׁלִימְתָא, וְדִינָא לֹא שְׁלֵטָא.

484. תָּאנָא, כְּתִיב כִּי שֵׁשֶׁת יָמִים עָשָׂה יי' אֵת הַשָּׁמַיִם וְאֵת הָאָרֶץ. שֵׁשֶׁת יָמִים וּדְאֵי, וְלֹא בְּשֵׁשֶׁת. וְהֵנִי יוֹמִין קְדִישִׁין עֲלֵאִין, אֶקְרוּן יוֹמֵי דְּשְׁמָא קְדִישָׁא אֶתְבְּלִיל בְּהוּ, וְאִינוּן אֶתְבְּלִיל בִּיהַ. זְכָאֵה חוֹלְקֵהוּן דִּישְׂרָאֵל מְכַל עַמִּין עַעְכוּ"ם, עֲלִיְהוּ כְּתִיב, וְאַתֶּם הַדְּבָקִים בַּיּוֹם אֱלֹהֵיכֶם חַיִּים כּוֹלְכֶם הַיּוֹם.

485. "Honor your father and your mother" (Shemot 20:12). Rabbi Chiya opened the discussion with the verse: "And a river went out of Eden..." (Beresheet 2:10). "And a river," is the spring of the fountain which flows constantly and never stops, and whence the whole Garden of Eden is watered. And this spring of the holy fountain is called 'father' because it maintains the Garden.

486. Rabbi Aba said that Eden itself is called 'father', because it issues from a place called "Ayin" (lit. 'naught'), THE KETER OF ARICH ANPIN, OF WHICH NO ONE CAN CONCEIVE. It is therefore called 'father'. We have already explained that the place whence everything issues is called 'Atah' (lit. 'you'), and is called 'Av' (lit. 'Father'), as it is written: "You are our father" (Yeshayah 63:16).

487. Rabbi Shimon said: The words "Honor your father" allude to the Holy One, blessed be He, NAMELY ZEIR ANPIN; "your mother" alludes to the Congregation of Yisrael, NAMELY, MALCHUT; the particle "Et" before "your" alludes to the Supernal Shechinah, WHICH IS THE NUKVA, IS FROM THE CHEST ABOVE OF ZEIR ANPIN. Rabbi Yehuda said that "Honor your Father" is unspecified, and "your mother" is unspecified, because they account for everything, THEY SIGNIFY CHOCHMAH AND BINAH, AND ALSO ZEIR ANPIN AND THE NUKVA, SINCE THE WORDS ARE NOT SPECIFIC, and the article "Et" adds all that is above and all that is below, BOTH ABA AND IMA, AND MALE AND FEMALE.

488. Rabbi Yosi referred to Rabbi Aba's remark that the place whence everything begins is called 'you', for we have learned that what is hidden and has no beginning, OF BESTOWING MOCHIN, is called 'he', NAMELY, THE THIRD PERSON. The place whence there is a beginning, OF BESTOWING MOCHIN, is called 'you', and is also called 'father', and it is all one. Blessed Be His Name for ever and ever. Amen.

489. Rabbi Chizkiyah said: Assuredly, they are all one. "Honor your father," indicates the Holy One, blessed be He, NAMELY, ZEIR ANPIN; "your mother," indicates the Congregation of Yisrael, NAMELY, MALCHUT, for we have learned from Rabbi Shimon that the verse "You are the children of Hashem your Elohim" (Devarim 14:1) alludes to the place called 'children', WHICH ARE MALE AND FEMALE. Therefore, the verse: "Honor your father and your mother," includes all, MEANING ABA AND IMA, above and below. Rabbi Yitzchak said that it includes one's teacher of the Torah, who ushers one to the World to Come. Rabbi Yehuda said that THE TEACHER is included in the Holy One, blessed be He.

485. כְּבֹד אֶת אָבִיךָ וְאֶת אִמְךָ. רַבִּי חִיָּיא פָּתַח, וְנִהְרַ יוֹצֵא מֵעֵדֶן וְגו'. וְנִהְרַ, דָּא נְבִיעוּ דְּמַבּוּעָא, דְּנִמְכִּיק תְּדִיר וְלֹא פִּסֵּק. וּמְנַהֵרָא דְּמַבּוּעָא דָּא, אֶתְשַׁקֵּיא כּל גְּנֻתָא דְּעֵדֶן. וְהִהוּא נִהְרָא דְּמַבּוּעָא קְדִישָׁא, אֶקְרִי א"ב. מֵאֵי טַעְמָא. מְשׁוּם דְּאִיהוּ נְבִיעָא לְאַתְוָנָא לְגֻנְתָּא.

490. We have learned that the first five commandments IN THE RIGHT SIDE are all inclusive. In these five commandments the second five OF THE LEFT are engraved, five within five. How? The first commandment, "I am Hashem your Elohim" (Shemot 20:2) corresponds to, "You shall not murder," for as we learned, these two are under one principle. For one who murders diminishes the image and likeness of his Master, because according to the scripture, "in the image of Elohim made He man" (Beresheet 9:6), and: "And upon the likeness of the throne was the likeness as the appearance of a man" (Yechezkel 1:26).

491. Rabbi Chiya said: It is written, "Whoever sheds man's blood by man, his blood shall be shed" (Beresheet 9:6). He who sheds blood is considered as if he diminishes the supernal image and likeness above, meaning that he does not diminish the image of the man BELOW, but another image, and this is the interpretation of the verse: "Whoever sheds man's blood by man, his blood shall be shed". The damage he does by shedding blood reaches the supernal man. Why? "...for in the image of Elohim made He man." Therefore, they are interdependent, THE FIRST COMMANDMENT DEPENDS ON "YOU SHALL NOT MURDER."

492. "You shall have no other Elohim beside Me," corresponds to, "You shall not commit adultery." THE ADULTERER is false to the Name of the Holy One, blessed be He, which is impressed upon man, a sin including many other sins and entailing corresponding punishments. He who is unfaithful in this, is unfaithful towards the King, as it is written: "They have dealt treacherously against Hashem, for they have begotten strange children" (Hoshea 5:7), and, "You shall not bow down to them, nor serve them." One is the result of the other. THUS, "YOU SHALL HAVE NO OTHER ELOHIM" IS CONNECTED WITH, "YOU SHALL NOT COMMIT ADULTERY."

493. "You shall not take the name of Hashem your Elohim in vain," corresponds to "You shall not steal." For a thief is inclined to swear falsely because he who steals also lies, as it is written: "Whoever is partner with a thief is his own enemy, he hears the adjuration of witnesses, but discloses nothing" (Mishlei 29:24).

494. "Remember the Shabbat day to keep it holy," corresponds to, "You shall not bear false witness against your neighbor," for as Rabbi Yosi said, the Shabbat day is called 'a witness', and man should bear testimony to the verse: "in six days Hashem made heaven and earth." And Shabbat comprises everything. Rabbi Yosi said that he who bears false witness against his neighbor lies against the Shabbat, which is the true witness, and the verse, "You will show truth to Jacob" (Michah 7:20), refers to the same motive which is expressed in the verse: "Wherefore the children of Yisrael shall keep the Shabbat" (Shemot 31:16). Therefore, he who lies against the Shabbat lies against the whole Torah. Hence, they are interdependent. THUS, "REMEMBER" IS CONNECTED TO "YOU SHALL NOT BEAR FALSE..."

490. תָּאנָא, בְּהַנִּי חֲמֵשׁ אֲמִירָן, כְּלִיל כְּלָא. בְּהַנִּי חֲמֵשׁ אֲמִירָן, אֲתַגְּלִיפוּ חֲמֵשׁ אַחֲרֵינוּן, וְדַאי חֲמֵשׁ גּוֹ חֲמֵשׁ. הָא פִּיּוּצָא. אֲנָכִי יְיָ אֱלֹהֶיךָ, לְקַבֵּל לֹא תִרְצַח. דִּתְנִינוּן, תְּרִין אֲלִין, בְּכֻלָּא חֲדָא אֲתַבְּלִילן, דִּמְאֵן דְּקָטִיל, אֲזַעִיר דְּמוּתָא וְצִלְמָא דְּמֵאֲרִיָּה. דְּכֵתִיב, כִּי בְּצִלְם אֱלֹהִים עָשָׂה אֶת הָאָדָם. וְכֵתִיב וְעַל דְּמוּת הַכִּסֵּא דְּמוּת כְּמֵרָאָה אָדָם.

495. "Honor your father and your mother," corresponds to, "You shall not covet your neighbor's wife." According to the explanation of Rabbi Yitzchak, "Honor your father," refers to one's own father; for when he who covets a woman begets a child, the child will honor another who is not his own father. It is written: "Honor your father and your mother," and, "You shall not covet your neighbor's wife." The second part OF THE FORMER is, "that your days may be long in the land which Hashem your Elohim gives you," MEANING that whatever is given to you shall be yours, and you shall not covet another. Assuredly, they are interdependent. THUS, "HONOR..." IS CONNECTED WITH "YOU SHALL NOT COVET."

496. These first five COMMANDMENTS ON THE RIGHT SIDE include the second five. Therefore: "From His right hand went a fiery law for them," (Devarim 33:2) for all was included in the right, and the Torah was proclaimed in five voices. Rabbi Yehuda said that the whole TEN COMMANDMENTS were folded in such a way that five were within five, corresponding to the five Books of the Torah.

497. Rabbi Elazar explained that in the ten commandments were engraved all the laws of the Torah, all the decrees and punishments, all the laws concerning purity and impurity, all the branches and the roots, trees and plants, heavens and earth, seas and depths, for the Torah is the Name of the Holy One, blessed be He. As the Name of the Holy One, blessed be He, is engraved in the ten commandments, the ten commandments are the Name of the Holy One, blessed be He. So is the whole Torah engraved in them, and the whole Torah is thus one Name, the Holy Name of the Holy One, blessed be He, indeed.

498. Blessed is the one who is worthy of the Torah, for he will be worthy of the Holy Name. Rabbi Yosi said that he will be worthy of the Holy One, blessed be He, Himself, as He and His Name are one. Blessed be His Name, for ever and ever. Amen.

29. "You shall not make with Me"

Rabbi Yitzchak says that the two colors gold and silver are engraved in Yisrael, which is the central column that includes and balances them. Mercy and judgment are imprinted upon God, whose garments are the colors of Chesed and Gvurah. Righteousness, Malchut, has those two colors engraved in her as well. Rabbi Yosi closes by telling of the four kinds of joy that correspond to the four exiles of the children of Yisrael.

499. "You shall not make with Me Elohim of silver, neither shall you make for yourselves Elohim of gold" (Shemot 20:20). Rabbi Yosi gave his interpretation of this verse by saying that although, "The silver is Mine and the gold is Mine" (Chagai 2:8), "you shall not make with Me," that is, 'make Me.'

495. כְּבֹד אֶת אָבִיךָ, לְקַבֵּל לֹא תַחְמַד אִשְׁתּוֹ רֵעֲךָ. וְאָמַר ר' יִצְחָק, כְּבֹד אֶת אָבִיךָ, אָבִיךָ מִמֶּשֶׁ. דִּהְיָ מֵאֵן דְּחָמִיד אֲתָתָא, וְאוֹלִיד בְּרַ, הֵהוּא אוֹקִיר לְאַחְרָא, דְּלֹא אָבוּי. וּכְתִיב כְּבֹד אֶת אָבִיךָ וְגו', לֹא תַחְמַד בֵּית רֵעֲךָ שְׂדֵהוּ. וּכְתִיב הִכָּא, עַל הָאֲדָמָה אֲשֶׁר יְיָ אֱלֹהֶיךָ נוֹתֵן לָךְ. הֵהוּא דִּיְהִיב לָךְ, יְהִי דִילְךָ, וְלֹא תַחְמַד אַחְרָא. וְדַאי הָא בְּהָא תְלִינָא.

498. זְכָאָה חוּלְקִיָּה, דִּמְאֵן דְּזָכִי בְּהָ. מֵאֵן דְּזָכִי בְּאוֹרִייתָא, זָכִי בְּשְׁמָא קְדִישָׁא. ר' יוֹסִי אָמַר, בְּקוּדְשָׁא בְּרִיךְ הוּא מְמַשׁ זָכִי, דִּהְיָ הוּא וְשְׁמִיָּה חַד הוּא, בְּרִיךְ שְׁמִיָּה לְעֵלְמָא וְלְעֵלְמֵי עֲלָמִין אָמֵן.

499. לֹא תַעֲשׂוֹן אֲתֵי אֱלֹהֵי כֶסֶף וְאֱלֹהֵי זָהָב. אָמַר ר' יוֹסִי, מ"ט. מִשּׁוּם דְּכְתִיב, לִי הַכֶּסֶף וְלִי הַזָּהָב, אַע"ג דְּלִי הַכֶּסֶף וְלִי הַזָּהָב, לֹא תַעֲשׂוֹן אֲתֵי, אֲתֵי: כְּלוּמַר אוֹתִי.

500. Rabbi Yitzchak cited the verse: "For as much as there is none like You, Hashem, You are great, and Your Name is great in might" (Yirmeyah 10:6). The verse, "You are great," corresponds to, "The silver is Mine," BEING CHESED, THE RIGHT COLUMN, while, "Your name is great in might," corresponds to "The gold is Mine," WHICH IS GVURAH, THE LEFT COLUMN. These two colors are only visible in their full beauty when they are engraved in one place, namely Yisrael, BEING THE CENTRAL COLUMN, TIFERET, WHICH INCLUDES AND BALANCES BOTH OF THEM. Here the colors are seen in their beauty, as it is written: "You are My servant, Yisrael, in whom I will be glorified" (Yeshayah 49:3).

501. Rabbi Yehuda opened his discourse with the verse: "I will greatly rejoice in Hashem, my soul shall be joyful in my Elohim, for He has clothed me with the garments of salvation" (Yeshayah 61:10). Blessed is the portion of Yisrael above all heathen nations, for they have their joy in the Holy One, blessed be He, as it is written: "I will greatly rejoice in Hashem". As it says, "Hashem," why add, "my Elohim"? Yisrael said that when He comes with Mercy, "I will greatly rejoice in Hashem," WHICH IS MERCY, and when He comes in Judgment, then "My soul shall be joyful in my Elohim," WHICH IS JUDGMENT.

502. Why DO YISRAEL REJOICE IN TIMES OF MERCY AS WELL AS IN THOSE OF JUDGMENT? For these two are imprinted upon Him, THE HOLY ONE, BLESSED BE HE, as indicated by the words: "for He has clothed me with the garments of salvation," meaning that these "garments of salvation" are the colors OF CHESED AND GVURAH, so imprinted that one can gain a perception of Him, NAMELY, DERIVE CHOCHMAH. It is written: "They looked, but there was none to save, to Hashem..." (II Shmuel 22:42). Hence, salvation means looking. 'Whoever wishes to behold Me, let him behold My colors OF CHESED AND GVURAH'. What is the reason? It is found in the verse: "He has covered me with the robe of righteousness" (Ibid.), exactly righteousness, NAMELY MALCHUT, CALLED "RIGHTEOUSNESS," has those two colors engraved in her, FOR CHOCHMAH IS DRAWN ONLY BY MALCHUT. "As a bridegroom decks himself with a garland" (Yeshayah 61:10), is one color, CHESED, "and as a bride adorns herself with her jewels" (Ibid.), is the other color, GVURAH. And when both colors are united IN THE CENTRAL COLUMN, they are visible and all are aflame to behold Him.

503. Rabbi Yosi said that the words, "I will greatly rejoice in Hashem," refer to two kinds of joy. One joy is in "Hashem," meaning in Mercy, and, "my soul shall be joyful IN MY ELOHIM," is in Judgment. Rabbi Yehuda said: THEY REJOICE BOTH IN MERCY AND IN JUDGMENT, and in each joy there is joy upon joy. However, the joy which the Holy One, blessed be He, will bring upon Yisrael in the future, the joy in Zion, will excel them all, as it is written: "And the ransomed of Hashem shall return and come to Zion with songs..." (Yeshayah 35:10). "And the ransomed of Hashem shall return," signifies one joy; "and come to Zion with songs," signifies the second; "and everlasting joy upon their heads," the third; and "they shall obtain joy and gladness" is the fourth joy. THESE ARE four kind of joy which correspond to the four exiles of Yisrael among the nations. Then, "in that day shall you say, 'Praise Hashem, call upon His name...'" (Yeshayah 12:4).

30. "I am Hashem your Elohim," part two

We learn that Malchut, the moon, was in perfect unity with Zeir Anpin, equal with Him and under the same crown. After the moon was diminished she received light only from the sun, and her own aspect is hidden. This section then tells of the meaning of "I," Anochi, the secret that contains everything. It closes by saying that souls are punished for sins they committed in earlier incarnations.

504. "And Elohim spoke all these words, saying..." (Shemot 20:1); "... all these words..." means that THE TEN COMMANDMENTS contain everything that there is, above and below.

505. "I," signifies the mystery of the supernal world, NAMELY, THE NUKVA WHICH IS PLACED FROM THE CHEST ABOVE OF ZEIR ANPIN. This is the secret of the Holy Name, Yud-Hei-Vav, BEING THE THREE COLUMNS CHESD, GVURAH AND TIFERET, WHICH THE NUKVA RECEIVES FROM ZEIR ANPIN. "I," MALCHUT, was first revealed and LATER concealed. She was revealed in the Holy Secret of the Throne, BINAH, FOR MALCHUT WAS THE FOURTH LEG OF THE THRONE, and the moon, MALCHUT, was then in perfect unity WITH ZEIR ANPIN - WHICH MEANS THAT BOTH MALCHUT AND ZEIR ANPIN WERE EQUAL AND WERE UNDER THE SAME CROWN. AND SHE IS HIDDEN when the sun, ZEIR ANPIN, rules. And the moon receives its light from it, not having THEN any praise OF ITS OWN, except the praise of light which ZEIR ANPIN radiates upon it, THUS ITS OWN ASPECT IS HIDDEN. THIS HAPPENED AFTER THE MOON WAS DIMINISHED.

506. "I," SIGNIFIES MALCHUT WHEN SHE IS completing part of the perfection of the Lower Throne - MEANING THAT AFTER SHE WAS DIMINISHED AND DESCENDED FROM ABOVE THE CHEST TO BELOW THE CHEST, AND WAS ESTABLISHED THERE AS THE PRINCIPLE OF THE LOWER THRONE, all the holy living creatures departed from her. Then, being in perfection and beauty, when her Husband, ZEIR ANPIN, comes to her, she is called "I."

507. "I" is the secret WHICH CONTAINS everything together, BY INCLUDING ALL THE 22 LETTERS, AND THE 32 PATHS OF CHOCHMAH, WHICH MEANS all THE 22 letters in the 32 paths of the Torah that permeate from the supernal secret, NAMELY FROM CHOCHMAH. From this "I" all the upper and lower secrets are suspended. "I" contains the secret of the reward kept for the righteous who are the Torah keepers and await Him. Through this "I," they have faith in the world to come. This is derived from, "I am Pharaoh" (Bereshheet 41:44), THESE WORDS SAID IN ORDER TO ASSURE JOSEPH THAT HIS PROMISE WILL BE KEPT.

508. The two commandments "I" (Heb. Anochi), and, "You shall have no" (Shemot 20:3), contain the secret of the Torah which is "Remember the Shabbat" (Shemot 20:8), and "Keep the Shabbat" (Devarim 5:12). "I" SIGNIFIES THE SECRET OF "REMEMBER," AND "YOU SHALL HAVE NO," SIGNIFIES THE SECRET OF "KEEP." "I" contains the concealed and kept secret of all the grades of the supernal world, BEING THE YUD, HEI AND VAV united together, AS MENTIONED ABOVE. And when the word "I" had been uttered, all were united within one secret, FOR "I" SIGNIFIES THE UNITY OF ALL THE GRADES.

509. The word "I (Heb. Anochi)" contains the secret of the two thrones WHICH ARE THE SUPERNAL THRONE, BINAH HAVING MALCHUT AS A FOURTH LEG, AND THE LOWER THRONE, BEING MALCHUT HERSELF AFTER BECOMING DIMINISHED, AS MENTIONED ABOVE. Ani, Aleph Nun-Yud (Ani=I) OF "ANOCHI," ALLUDES to the Lower Throne, and the letter Caf of the word "Anochi," ALLUDES to the Supernal Throne.

510. The word "Anochi" INDICATES that the Temple is purified, WHICH IS MALCHUT, and that no stranger has approached it. The Temple alone radiated its light, for then the Evil Inclination was removed from the world and the Holy One, blessed be He, alone was exalted in glory. Then the words, "I am Hashem your Elohim," were uttered, having the complete secret folded in His Holy Name. The letter Aleph OF "ANOCHI" INDICATES the unification of the secret of the Holy Name together with its grades into one, as its secret is the letter Vav OF YUD HEI VAV HEI. The letter Nun IN THE WORD "ANOCHI" INDICATES the secret of standing in awe of the Holy One, blessed be He, knowing that there is a judge and Judgment, the righteous will be rewarded, and the wicked will be punished, for its secret is the lower Hei IN THE NAME YUD HEI VAV HEI.

511. The letter Caf IN THE WORD "ANOCHI" signifies that one should sanctify the Holy Name daily, sanctify oneself through holy grades, and say the everyday prayers to Him to raise the supreme crown, the secret of the Upper Throne, NAMELY BINAH, in a proper manner above the supernal living creatures - WHICH ARE CHESED AND GVURAH, TIFERET AND MALCHUT, FROM THE CHEST ABOVE OF ZEIR ANPIN, AND THE FOUR LEGS OF THE THRONE, WHOSE FOURTH LIVING CREATURE AND FOURTH LEG IS MALCHUT. Its secret is the supernal Hei OF THE NAME YUD HEI VAV HEI, WHICH IS BINAH. SINCE MALCHUT IS THE FOURTH LEG OF THE SUPERNAL THRONE, WHICH IS BINAH, SHE IS CONSIDERED AS PERTAINING TO BINAH AND TO THE UPPER HEI OF YUD HEI VAV HEI.

512. The letter Yud IN THE WORD "ANOCHI" INDICATES that one should study the Torah day and night, and circumcise his son on the eighth day, and sanctify the firstborn, and put on Tefilin, and wear the fringes (Heb. tzitzit), and affix a Mezuzah, and surrender his life to cleave to the Holy One, blessed be He, with his whole heart. These are the twelve supernal commandments - WHICH ARE ALLUDED TO BY THE WORD "ANOCHI," which include 236 other commandments, BRINGING IT TO 248 POSITIVE COMMANDMENTS - which are included in the words "Remember the Shabbat." FOR "REMEMBER" INCLUDES 248 POSITIVE COMMANDMENTS, AND "KEEP" INCLUDES THE 365 NEGATIVE COMMANDMENTS. This letter is not interchangeable with another place, AS THE ALEPH, NUN AND CAF OF ANOCHI, WHICH ARE INTERCHANGEABLE WITH HEI, VAV AND HEI OF YUD HEI VAV HEI. For the letter Yud signifies the supernal secret of the whole Torah, MEANING THAT IT IS THE SECRET OF THE LOWER CHOCHMAH WHICH UNITES WITH THE LETTER YUD OF YUD HEI VAV HEI, THE SECRET OF THE UPPER CHOCHMAH. THEREFORE, THIS IS NOT A CHANGE OF PLACE. Those twelve COMMANDMENTS include the twelve attributes of Mercy which are derived from them. And one rules THEM ALL, WHICH IS THE ESSENCE OF MALCHUT WHICH IS CALLED "ANOCHI," bringing it to thirteen, CORRESPONDING TO THE THIRTEEN ATTRIBUTES OF MERCY.

513. The commandment "You shall have no other Elohim" (Shemot 20:3), signifies the secret of "keep," which includes the 365 NEGATIVE PRECEPTS in the Torah. The letter Lamed IN "YOU SHALL HAVE NO (HEB. LO, LAMED-ALEPH)" contains the secret of not worshipping or paying respect to other Elohim. The letter Lamed has the form of a tower rising up in the air. One should not be tempted to build A CASTLE to other Elohim, in the secret of building a tower, AS IN THE TIME OF THE GENERATION OF THE TOWER OF BABYLON. Lamed shows that one should not look at the images of idol worshipping, nor think about it, neither bowing, nor subduing oneself to other Elohim.

510. אָנֹכִי, דָּקָא אֲתִדְבִי מִקְדָּשָׁא, וְנוֹכְרָא לָא אֲתִקְרַב בְּהִרְיָה, וּמִקְדָּשָׁא נְהִיר בְּלַחֲדוּי, דָּקָא אֲתַבְטֵל בְּהֵיִא שְׁעָתָא יִצְרַר הָרַע מֵעֲלָמָא, וְקוּדְשָׁא בְרִיךְ הוּא אֲסַתְלַק בִּיקְרִיָּה בְּלַחֲדוּי, וְכַדִּין אֲתַמַּר אָנֹכִי יי' אֱלֹהֶיךָ. רְזָא שְׁלִים, בְּשִׁמָּא קְדִישָׁא. א': לִיחְדָּא רְזָא דְשִׁמָּא קְדִישָׁא בְּדַרְגוּי, לְמַהוּי חַד. בְּגִין דְרְזָא דִילִיָּה אִיהוּ ו'. נ': רְזָא לְמַדְחַל מִקְדָּשָׁא בְרִיךְ הוּא, וְלְמַנְדַּע דְאִית דִּין וְאִית דִּינָן, וְאִית אַגְר טַב לְצִדִיקוּיָא וּפְוִרְעוּתָא לְרְשִׁיעוּיָא, בְּגִין דְרְזָא דִילִיָּה ה' תַּתָּא.

514. The letter Aleph IN THE COMMANDMENT, "YOU SHALL HAVE NO OTHER ELOHIM," indicates that one should not replace his Master with other Elohim; he should not even meditate on the existence of another deity besides Him; he should not take counsel from a necromancer or a soothsayer through the medium of the image of man or any other form; he is not to ask of the dead; he is not to practice magic; and he should not swear in another deity's name. Up to this point are the other twelve COMMANDMENTS, the precepts INCLUDED in "keep." From them come the other 353 precepts of "keep," included in these twelve, BRINGING IT TO 365. This is the secret of the word "Anochi," AND, "YOU SHALL HAVE NO."

515. Rabbi Shimon said: We have learned that the word "Anochi" (lit. 'I') includes the above and the below, the upper and lower beings. It includes the holy living creatures. All is included in the secret of "Anochi." "You shall have no," refers to the secret below, of the twelve lower living creatures IN MALCHUT.

516. "You shall not make for yourself any carved idol (Heb. pesel)," alludes to the dross (Heb. pesolet) of that lofty place, NAMELY, THE LEFT SIDE OF HOLINESS, pesel being the refuse of Holiness, the secret of other Elohim, as it is written: "And I looked and behold, a storm wind came out of the north" (Yechezkel 1:4). THE NORTH IS THE SECRET OF THE LEFT SIDE OF HOLINESS. "...any likeness of any thing..." (Shemot 20:4) as it is written, "a fire flaring up" (Yechezkel 1:4). "For I Hashem your Elohim," so that your heart should be directed upwards, and it should not descend below and approach the portal OF THE OTHER SIDE. He is "a jealous El," for in that place lies jealousy.

517. This is the secret of, "For three things the earth is disquieted" (Mishlei 30:21), which are: "You shall not make for yourself," "A carved idol," and, "any likeness of any thing." For these "the earth is disquieted."

518. It is written: "Punishing the iniquity of the fathers upon the children to the third and fourth generation" (Shemot 20:5). HE WAS PRESENTED WITH THE DIFFICULTY OF THE WORDS: "NOR THE CHILDREN BE PUT TO DEATH FOR THE FATHERS" (II MELACHIM 14:6). AND HE ANSWERS THAT this is the same tree, THE SAME SOUL coming once, twice, thrice, four times, WHICH MEANS IT HAD BEEN INCARNATED AND COME IN FOUR BODIES, being punished for the first sins IN THE FOURTH REINCARNATION. For the father, the son, the third and fourth generations, NAMELY THESE FOUR INCARNATIONS, are one, BEING ONE SOUL that has not done its correction or cared to attend to it. IT IS THEREFORE PUNISHED FOR THE SINS IN THE FIRST INCARNATIONS. The reverse is also true. A tree well established THROUGH INCARNATIONS stands firm, AND OF IT, IT IS WRITTEN: "But showing mercy..." (Shemot 20:5).

31. "You shall not take the name of Hashem your Elohim in vain"

We learn that at the time that God created the world He placed a stone with His name engraved upon it into the deep waters. This stone flows up to receive the oath of those who swear on the Truth; then it returns to the deep waters. If the oath is false, the waters flow up but the stone retreats without receiving the oath, and the letters on the stone disperse in the deep, until God invites Azriel to engrave the Holy Letters as they were before, and the world is settled by them.

514. א': דלא לחלפא יחודא דמריה, בגין טעוון אחרנין. א': דלא להרהרא דאית אלהא אחרא בר מניה. א': דלא למסטי בתר בירין ודכורו, ברזא דדיוקנא דאדם, ולא בדיוקנא אחרא. א': דלא למשאל מן מתניא, ולא למעבד חרשין. א': דלא יומי בפומי, בשמא דאלהא אחרא. עד הכא, תריסר אחרנין, דאינון פקודי שמור. ובאלין תריסר, תליין תלת מאה וחמשין ותלת פקודי דשמור אחרנין, דכלילין באלין תריסר, ורזא דא אנכי.

515. אר"ש, תו תנין, אנכי כללא דעילא ותתא, כללא דעלאין ותתאין, כללא דחיון קדישין, דכלילין ביה, כללא הוא ברזא דאנכי. לא יהיה לך לתתא, רזא דתריסר חיון תתאין.

516. לא תעשה לך פסל. פסלו מהווא אתר עלאה, מהווא אתר קדישא. פסל. פסולת דקדושא דאיהו רזא דטעוא אחרא. ורזא דא, כד"א וארא והנה רוח סערה באה מן הצפון וגו'. וכל תמונה הה"ד ואש מתלקחת. כי אנכי יי' אלהיך, בגין לאתערא לבא לגבי עילא, ולא לנחתא לתתא ולא למקרב לתרע ביתא. אל קנא, דקנאה איהו בהווא אתר.

517. ורזא דא, תחת שלש רגזה ארץ. ואיהו לא תעשה לך, חר. פסל, תרין. וכל תמונה, תלת. וארץ דא, על דא אתרגיזת.

518. פקד עון אבות על בנים על שלשים ועל רבעים. אלנא חדא, דאינציב חדא, ותרין זמנין, ותלת זמנין, וארבע זמנין, ואתפקד על חובי קדמאי, אב ובן. שלישי ורביעי חד הוא כד לא אתתקן, ולא חייש לאתתקנא, וכן בהפוכא דדא, לאילנא דאיהו אתתקן בדקא חזי, וקאים על קיומיה ועושה חסד וגו'.

519. "You shall not take the name of Hashem your Elohim in vain" (Shemot 20:7). This secret has already been interpreted by the friends. When the Holy One, blessed be He, planted the world, He planted into the deep waters His Name engraved UPON A STONE. Since then, when the water desires to rise, INTENDING TO DROWN THE WORLD, it sees the Holy Name engraved on that stone and retreats and returns to its place, and the Holy Name remains in the deep waters to this day.

520. At the time when men take a true oath, firmly attached to the Truth, that rock flows up and receives that oath, and then it returns to its place in the deep waters. And the world is maintained by that true oath.

521. When men take a false oath, that rock flows up, intending to receive that oath, but when it sees that this oath was taken in vain, it retreats and all the waters flow up. And the letters of that stone soar inside the deep and disperse. And the waters wish to cover the world and return it to its former state OF WATER.

522. Then the Holy One, blessed be He, invites Ye'azriel the Minister, who is in charge of seventy keys of the secret of the Holy Name. He then engraves the Holy Letters as they were before, and the world is settled by them, and the deep waters return to their place. Of that it is written: "You shall not take the Name of Hashem your Elohim in vain" (Shemot 20:7).

We learn that the twelfth commandment is to swear by God's name truthfully, for he who takes a true oath combines himself with the supernal seven grades. He who takes a false oath causes Malchut to be disturbed. Taking a vow is a stricter act than taking an oath, for it is connected higher.

Ra'aya Meheimna (the Faithful Shepherd)

523. The twelfth commandment is to swear in His name in a truthful way. And he who takes an oath combines himself with the supernal seven grades in which the Name of the Holy One, blessed be He, WHICH IS MALCHUT, is included. Thus, there are six grades: CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, and when man take a true oath, he then includes himself with them by becoming a seventh, CORRESPONDING TO MALCHUT, so as to maintain the Holy Name, WHICH IS MALCHUT, in its place. Therefore, it is written: "And shall swear by His Name" (Devarim 6:13). And he who takes a false oath causes that place, MALCHUT, to be disturbed in its abode.

519. לֹא תִשָּׂא, רְזָא דָא הָא אוֹקְמוּהָ חֲבֵרִיָא. בְּגִין דְּקוּדְשָׁא בְּרִיךְ הוּא כְּדִלְעָלְמָא, אֶטְבַּע גּוּ תְּהוּמִי, צְרוּרָא חֲדָא, חֲקִיקָא בְּשֵׁמָא קְדִישָׁא, וְאֶטְבַּע לָהּ לְגוּ תְּהוּמָא. וְכֵד מֵיָא בְּעָאן לְסַלְקָא, חֲמָאן רְזָא דְשֵׁמָא קְדִישָׁא, חֲקִיקָא עַל הָהוּא צְרוּרָא, וְתִיבּוּן וּמִשְׁתַּקְעִין, וְהִדְרִין לְאַחֻרָא, וּשְׁמָא דָא קִימָא עַד יוּמָא דָא, גּוּ תְּהוּמָא.

רעיא מהימנא

523. מְקוּדָא י"ב, לְאוּמָא בְּשֵׁמִיהּ בְּאַרְחָ קְשׁוּט. וּמָאן דְאוּמִי שְׁבוּעָה, הוּא כְּלִיל גְרַמְיָה, בְּאִינוּן ד' דְרַגְיָן עֲלָאִין, דְשֵׁמָא דְקוּדְשָׁא בְּרִיךְ הוּא אֶתְבַּלְלִיל בְּהוּ. וְהָא שִׁיתָא אִינוּן. הָהוּא ב"ג דְאוּמִי אוּמָא דְקְשׁוּט ע"פ ב"ד, כְּלִיל גְרַמְיָה בְּהוּ, וְהוּא שְׁבִיעָא, לְקִיּוּמָא שְׁמָא קְדִישָׁא בְּדוּכְתֵיהּ. וְע"ד כְּתוּב, וּבְשֵׁמוֹ תִשָּׁבַע. וּמָאן דְאוּמִי אוּמָא לְמַגְנָא וּלְשַׁקְרָא, גְרִים לְהָהוּא אֶתְרֵ דְלֹא יִתְקַיִים בְּדוּכְתֵיהּ.

524. The oath to keep one's Master's commandment is a true oath, and the Evil Inclination denounces him and tempts this man to transgress his Master's commandment. Such is an oath with which his Master praises himself, and it is proper for man to take a true oath in the Name of his Master, for then the Holy One, blessed be He, is praised by this oath, as Boaz did, as written: "As Hashem lives, lie down until the morning" (Rut 3:13). He took an oath, for the Evil Inclination was, then, denouncing him. He therefore swore to it.

525. A vow (Heb. neder) is connected higher and is the King's life, MEANING THE MOCHIN OF MALCHUT IN BINAH, the secret of 248 limbs and twelve ties, WHICH ARE THE FOUR SFIROT: CHESED AND GVURAH, TIFERET AND MALCHUT. EACH ONE OF THESE SFIROT INCLUDES THE THREE COLUMNS. Thus, they amount to the numerical value of "neder" (=254) AS 248 PLUS TWELVE AMOUNTS TO 254. Therefore, taking a vow is a stricter act than taking an oath. This King's Life maintains all the 248 limbs and it is called 'THE KING'S LIFE' for indeed it gives life, and this life descends from above, FROM THE ENDLESS LIGHT downwards, to the source of life, WHICH IS BINAH from which it descends TO MALCHUT, to all the 248 limbs.

526. An oath maintains the lower grade, the secret of the Holy Name, WHICH IS MALCHUT, called the King Himself, whose supernal spirit within His body COMES to dwell in it and stay in it as a spirit dwelling in a body - WHICH MEANS THAT THE MOCHIN ARE ALREADY PLACED IN THE VESSEL OF MALCHUT, WHICH IS CALLED 'BODY'. FOR IT IS HIDDEN ABOVE IN BINAH, AND IS REVEALED ONLY IN MALCHUT. Therefore, he who takes a true oath maintains that place and by doing so, the whole world is maintained. A vow applies to both that which is obligatory and optional. But an oath is not so, AS IT DOES NOT APPLY TO PRECEPTS. This has been explained by the friends.
End of Ra'aya Meheimna

32. "Remember the Shabbat day to keep it holy," part two

We are reminded that the Sabbath includes the whole Torah, and he who keeps the Sabbath is considered to have kept the entire Torah.

527. "Remember the Shabbat day, to keep it holy" (Shemot 20:8). This is the secret of the Holy Covenant, WHICH IS YESOD, for in this Covenant lie all the sources of the limbs of the body, and it comprises everything. In the same manner, the Shabbat day includes all the Torah, all of its secrets originate in it. And he who keeps the Shabbat is considered as one who keeps the whole Torah. This section talks about 'remember' and 'keep', and the three grades - the supernal Sabbath, the Sabbath day, and Sabbath night - that include all the secrets of the whole Torah: The Law, the Prophets and the Writings.

528. The twenty-fourth commandment is to remember the Shabbat day, as written: "Remember the Shabbat day, to keep it holy." We have explained the secret of Shabbat in many places. It is to be remembered as the day of the world's rest, and it includes the whole Torah, and he who keeps the Shabbat is considered as one who keeps the whole Torah. We have already learned that a man who remembers the Shabbat has to sanctify it in all manners of sanctifications. He who remembers the King has to praise Him, and he who remembers the Shabbat day, has to sanctify it, as we have already learned.

529. "Remember" applies to the Male, WHICH IS ZEIR ANPIN, and "keep" applies to the Female, WHICH IS MALCHUT. The Shabbat day is the secret of the whole Faith which is suspended from the supernal head, WHICH IS KETER, to the bottom of all the grades. Shabbat is everything.

530. There are three grades and all of them are called Shabbat. These are the supernal Shabbat, WHICH IS BINAH, Shabbat day, WHICH IS ZEIR ANPIN, and Shabbat night, WHICH IS MALCHUT. All of them are called Shabbat, and when the time comes for one of them to rule, all the others are invited to rule with it. And when it is manifested in the world, all come to be with it.

531. When the time of SHABBAT night comes, it invites the Shabbat day to its palace, and they are both hidden. Once it comes, the supernal Shabbat is drawn over it, and all of them are concealed in the palace of the SHABBAT night. Therefore, the meal on SHABBAT night is as significant as the one during the Shabbat day.

532. When the time of SHABBAT day comes, WHICH IS ZEIR ANPIN, it invites the other two, the supernal and the lower grades - the one which illuminates, NAMELY BINAH, and the one which is illuminated from it, NAMELY MALCHUT. All these three grades together are called 'Shabbat' and rule on the day of Shabbat, and they include and are the secrets of the whole Torah: The Law, the Prophets and The Writings. And he who keeps the Shabbat keeps the whole Torah.

33. Two pearls

We read of two pearls, a supernal pearl - Binah - and a lower pearl - Malchut - which are separated by a curtain that is made of the 22 letters that comprise the whole Torah. There is a long description of the engravings and movement and meaning of all the letters in the Names of God, and of the twelve tribes, the seventy branches and the ten sayings. The lower pearl is illuminated by and joins to the supernal pearl, and both of them become one.

533. There are two pearls and there is a curtain between them. The supernal pearl is hidden and has no visible color.

533. תִּרְיָן מְרַגְלָן אֵינּוֹן, וְחַד סִיכְתָא בְּהַדְיָהוּ, בְּגוֹוִיָהּ, דְקָאִים בֵּין הָאִי וּבֵין הָאִי. מְרַגְלָא עֲלָאָה לִית בֵּיהּ גּוֹוֹן, לִית בֵּיהּ חִיזוּ בְּאֲתַגְלִיָא.

534. When the supernal pearl is about to be revealed, seven shining engraved letters come out, piercing through palaces, and illuminate each one of them. These seven letters are the two names which are engraved upon the pearl. On the Shabbat day they sparkle and shine, and they come out through doorways and rule. These are Aleph-Hei-Yud-Hei and Yud-Hei-Vav. The letters glitter, and by their glitter they intermingle and shine, the one within the other.

535. When these letters are combined, they illuminate from within each other by two colors: white, WHICH IS RIGHT, and red, WHICH IS LEFT - MEANING THAT THEY DO NOT REALLY BECOME ONE GRADE, BUT THE ALEPH-HEI-YUD-HEI TURNS TO BE THE RIGHT SIDE, AND YUD-HEI-VAV TURNS TO BE THE LEFT ONE, AND THEY ARE BOTH UNITED. Of these two colors, two other names are formed, until the letters produce seven names, FOR EACH ONE OF THE LETTERS OF ALEPH-HEI-YUD-HEI AND YUD-HEI-VAV BECOMES ONE NAME.

536. HE EXPLAINS HOW THE SEVEN LETTERS BECOME SEVEN NAMES. HE SAYS THAT the letter Aleph OF THE NAME ALEPH-HEI-YUD-HEI comes out shining and enters into the letter Vav OF THE NAME YUD-HEI-VAV. And they illuminate in two colors, WHITE AND RED, AS MENTIONED ABOVE, and become two Names: one Name is called Yud Hei Vav Hei and the other one is called 'Aleph-Lamed' (meaning: El), and both of them shine together. The letter Hei OF THE NAME ALEPH-HEI-YUD-HEI comes out shining and enters and combines with the letter Hei OF THE NAME YUD-HEI-VAV. And they illuminate in two colors, WHITE AND RED, and become two Names. One is called 'Yud Hei Vav Hei', in the secret of THE VOWELING OF Elohim, IN WHICH THE LETTER YUD IS VOWELED WITH A SEMIVOWEL (CHATAF-SEGOL), AND THE HEI WITH THE VOWEL CHOLAM, AND THE VAV WITH CHIRIK. And one is called 'Elohim', and the letters shine together. Yud OF ALEPH-HEI-YUD-HEI enters into the Yud OF YUD-HEI-VAV and they both shine, penetrating each other, imprinted upon and engraved together. And they lift their head, MEANING THAT THEY ATTAIN THE THREE FIRST SFIROT, shining and glittering. And eleven branches shoot forth from each side, THE RIGHT AND THE LEFT, AND TOGETHER THEY ARE TWENTY-TWO BRANCHES, THE SECRET OF THE TWENTY-TWO LETTERS.

537. Those two shining letters - THE YUD OF ALEPH-HEI-YUD-HEI AND THE YUD OF YUD-HEI-VAV - embracing each other are Yud Hei Vav Hei, Yud Hei Vav Hei, Mem-Tzadik-Pe-Tzadik, Mem-Tzadik-Pe-Tzadik, in the secret of the thirteen attributes of Mercy. When these two letters interpenetrate, and embrace each other, and lift their heads, ATTAINING THE FIRST THREE SFIROT, they shine and glitter upon all, with eleven branches shooting forth from each side, ELEVEN FROM THE LEFT AND ELEVEN FROM THE RIGHT. AND TOGETHER THEY ARE THE 22 LETTERS OF THE TORAH, AS MENTIONED ABOVE, FOR THE WHOLE TORAH AND WISDOM ARE REVEALED BY THE 22 LETTERS.

538. The remaining Hei OF ALEPH-HEI-YUD-HEI is raised by one Name, Aleph-Dalet-Nun-Yud, to join with them. FROM THEN ON HE EXPLAINS THAT THIS LETTER DESCENDED FROM THERE TO THE LOWER PEARL. And all those raised, shining Names issue and rule on that SHABBAT day. Since they rule, the supernal pearl, THE FIRST THREE SFIROT OF BINA, comes out, protruding and shining without any color.

534. האי מרגלא, בד שארי לאתגלויא, נהרין, ז' אתון גליפין, בלטין ונצצין ובקעין בקיעין וקסטירין, ונהרין כל חד וחד. ואינן ז' אתון, אינן תרין שמהן מחקקין בהוא מרגלא. וביומא דשבת, נצצין ונהרין, ופתחין פתחין, ונפקי ושלטי. ואינן אדי"ד יד"ו, מתנצצי אתון, ובנציצו דלהון, עאלין דא בדא, ונהרין דא בדא.

539. When THE PEARL comes out, it unites with AND GIVES PLENTY TO those Names, ALEPH-HEI-YUD-HEI, AND YUD-HEI-VAV, WHICH ARE ITS SEVEN LOWER SFIROT. Then, one of the Names, Aleph-Dalet-Nun-Yud, WHICH IS MALCHUT FROM THE CHEST AND BELOW, which is the seventh, is crowned and enters the lower pearl, WHICH IS MALCHUT. Then another Name replaces ALEPH-DALET-NUN-YUD. This is Yud-Hei, NAMELY CHOCHMAH AND BINAH. Then the supernal pearl is settled by the name OF YUD-HEI, and it is adorned by the radiation of the light of this Name.

540. After THE SUPERNAL PEARL unites with AND IS BESTOWED WITH PLENTY BY those Names, ALEPH-HEI-YUD-HEI AND YUD-HEI-VAV, AS MENTIONED ABOVE, seventy branches shoot forth from all the sides, WHICH ARE ZEIR ANPIN. And all of them join together and become a Chariot and a Throne to the supernal pearl. And the King, WHICH IS CHOCHMAH, is crowned on that day and rules, and all rejoice. Since all rejoice, the King sits on His Throne, which is raised by seventy branches as we have mentioned - FOR THE SEVENTY BRANCHES ARE ZEIR ANPIN, WHOSE CHESD, GVURAH, TIFERET AND MALCHUT BECOME ITS FOUR LEGS.

541. Those two letters, NAMELY, THE TWO YUD'S OF THE NAMES ALEPH-HEI-YUD-HEI AND YUD-HEI-VAV, ascend and descend, and illuminate, and adorn the 22 letters, being the whole Torah. They unite with the two first letters OF THE 22 LETTERS, NAMELY THE TAV AND THE SHIN, IN REVERSE ALPHABETICAL ORDER. And they ascend THROUGH THEIR LIGHT, the one to the six tribes, and the other to the other six tribes. These are the twelve tribes of supernal Yisrael, NAMELY, YISRAEL-SABA, THE SECRET OF THE FOUR GRADES - CHESD AND GVURAH, TIFERET AND MALCHUT, EVERY ONE OF WHICH INCLUDES THE THREE COLUMNS, BRINGING TOGETHER THE TWELVE.

542. Those two letters, THE TWO YUD'S IN THE NAMES ALEPH-HEI-YUD HEI AND YUD-HEI-VAV, ascend and descend and unite with the two last letters of the 22 letters WHEN ARRANGED IN REVERSE ORDER OF TAV-SHIN-RESH-KOF, NAMELY, BET AND ALEPH. They ascend AND ILLUMINATE five grades each, CORRESPONDING TOGETHER TO TEN SAYINGS. These ten sayings include the 22 letters. The twelve tribes EMERGED BY the two letters TAV AND SHIN, TOGETHER WITH the ten sayings of the last two letters, BET AND ALEPH, which are the whole Torah, NAMELY, ZEIR ANPIN WHICH IS CALLED 'TORAH' AND WHICH IS CREATED FROM THOSE 22 LETTERS. The supernal pearl inherits this secret upon a throne of 72, and the 22 letters shine.

543. When the supernal pearl sits upon the throne of the 72 and the 22 letters illuminate, then the lower pearl, which is in the darkness, observes the illumination OF THE 22 LETTERS through the letters imprinted upon it - which are called Aleph-Dalet-Nun-Yud. Then that light ascends and shines and receives all those 22 supernal letters, and the lower pearl draws them. And then it shines in 72 directions.

544. Since that LOWER pearl shines and derives all those letters from it, the supernal pearl is then attracted to them, and pearl cleaves to pearl. THE LOWER PEARL, WHICH IS MALCHUT, CLINGS TO THE SUPERNAL PEARL, WHICH IS BINAH. AND BOTH OF THEM become one. This is the secret of a certain praise which we already expounded upon, THE SONG OF PRAISE 'EL ADON', WHICH IS SAID ON SHABBAT DAY.

545. The 22 letters which shine on both sides, TO THE RIGHT SIDE AND TO THE LEFT, are the curtain between THE SUPERNAL pearl and THE LOWER pearl. And they become the secret of the Holy Name of Mem-Bet (42) letters, and this is the secret of the Holy Name of Ayin-Bet (72) letters of the supernal Chariot. And both THE NAME OF MEM-BET AND THE NAME OF AYIN-BET are called 'Shabbat', and this is the secret of Shabbat.

End of Ra'aya Meheimna

We read of the meaning of "remember," that is Zeir Anpin, above which there is no forgetfulness. We are reminded to remember the Sabbath day.

546. "Remember" is the secret of the Male, WHICH IS ZEIR ANPIN, which receives all the limbs, NAMELY, THE WHOLE MOCHIN of the supernal world, NAMELY BINAH. "The (Heb. 'et') Shabbat day" includes Shabbat eve, which is night, NAMELY, MALCHUT WHICH IS CALLED 'NIGHT'. The word "Et" expresses it, FOR MALCHUT IS CALLED "ET." It is necessary "to keep it holy," for it must receive Holiness from the Holy Nation and be crowned by them, as is proper.

547. "Remember" comes from a place wherein there is no forgetfulness, for there is no forgetfulness in the place of the supernal Covenant, WHICH IS YESOD, and all the more so above IN ZEIR ANPIN. Below, IN MALCHUT, there is forgetfulness, for this is the place wherein men should be reminded, as it is written: "May the iniquity of his fathers be remembered" (Tehilim 109:14).

548. There is no forgetfulness before the Holy Throne, that is, she who stands in front of the Holy Throne, NAMELY, BINAH. And who stands before the Throne? "Remember," NAMELY, ZEIR ANPIN, FOR ZEIR ANPIN STANDS BEFORE BINAH AND RECEIVES FROM HER. OF ZEIR ANPIN IT IS SAID: "THERE IS NO FORGETFULNESS BEFORE THE THRONE OF YOUR HONOR." Above ZEIR ANPIN THERE IS NO FORGETFULNESS, for there lies the whole secret of the Male, wherein the secret of the Holy Name, Yud-Hei-Vav, is engraved. Below, NAMELY, IN MALCHUT, men should be sanctified by fulfilling the commandment "remember" (the Shabbat day), WHICH IS ZEIR ANPIN from which MALCHUT derives all her blessings and Holiness. Then Shabbat eve, NAMELY, MALCHUT, is crowned, as it should be, by the prayers of the Holy Nation and by joyful preparations.

549. You might say that "remember," NAMELY ZEIR ANPIN, does not need to be sanctified BY YISRAEL, for all THE BLESSINGS AND Holiness in the world come from it. This is not so, for ZEIR ANPIN should be sanctified on the SHABBAT day AND MALCHUT on the SHABBAT night, and only then Yisrael are sanctified by the Holiness of the Holy One, blessed be He.

We are told to honor the Holy One, blessed be He, who is our father, and Malchut, who is our mother, by studying the Torah and observing the commandments. A man is created from two drops of seed - one from his father and one from his mother, and the parents have an obligation to teach their children to learn Torah and good deeds. There are three partners in creating a man: the father and mother, who gave him his body, and God, who gave him his soul. A man must honor all three of them. He must also perform correct actions with all of his heart and desire, with the correct intentions.

550. "Honor your father and your mother" (Shemot 20:12). HONOR THEM with respect, and gladden them with good deeds, as it is written: "The father of the righteous shall greatly rejoice" (Mishlei 23:24), for this is the way one should honor his father and mother. Ra'aya Meheimna (the Faithful Shepherd)

551. "Honor your father and your mother." Honor THE HOLY ONE, BLESSED BE HE, WHICH IS CALLED "YOUR FATHER," AND MALCHUT WHICH IS CALLED "YOUR MOTHER," by a clean fringed garment, MEANING, A NICE PRAYING SHAWL (HEB. TALIT) WHICH IS CALLED 'AN ARTICLE FOR FULFILLING A COMMANDMENT'. "Honor Hashem with your substance" (Mishlei 2:8), meaning, by studying the Torah and fulfilling the commandments, as it is written: "Length of days is in her right hand, and in her left hand are riches and honor" (Mishlei 3:15). A man is considered poor when he does not study the Torah or fulfill the commandments. It is known, since it has been explained by the sages of the Mishnah, that poverty is the lack of the Torah and the precepts, which are a man's wealth.

552. Therefore, "Honor Hashem with your substance," and do not study the Torah in order to magnify yourself. As the students of the Torah said: Do not make them into a wreath, wherewith to magnify yourself. And do not say: I will study the Torah so I will be called "Rabbi," but rather, "O magnify Hashem with me" (Tehilim 34:4). "Honor Hashem with your substance," as a child must honor his father and mother.

553. A man is created from two drops of seed. From his father's sperm the bones of the body and the whiteness of the eyes ARE CREATED, and from his mother's the blackness of the eyes, the skin and the flesh ARE CREATED. And both of them raise the child to learn the Torah and good deeds.

554. A man should teach his son Torah, as it is written: "And you shall teach them diligently to your children" (Devarim 6:7), otherwise he is as if he makes him idols. Therefore, it is written: "You shall not make for yourself any carved idol" (Shemot 20:4). The ignorant son is destined to be an unruly child who treats his father and mother with contempt and robs them of many blessings. For since he is ignorant, he is suspected to transgress in everything, even idolatry, incest and bloodshed. For when the ignorant goes where he is not known and does not know how to say a benediction, he is believed to be an idol worshipper.

ע"כ רעיא מהימנא

555. "Honor your father" MEANS the same as "Honor Hashem with your substance." "...your substance..." means your money. And "your substance" means your grace, MEANING, with a joyful tune, for then the heart is gladdened as when any melody is sounded. The son's good deeds gladden the hearts of his father and mother. Thus, "with your substance," means with your money, for anything necessary.

556. As a man honors the Holy One, blessed be He, so should he HONOR his father and mother, for they are in partnership over him with the Holy One, blessed be He. FOR THERE ARE THREE PARTNERS IN CREATING MAN: THE HOLY ONE, BLESSED BE HE, THE FATHER, AND MOTHER. HIS FATHER AND MOTHER GIVE HIM THE BODY, AND THE HOLY ONE, BLESSED BE HE, GIVES HIM THE SOUL. As a man should have great fear of the Holy One, blessed be He, so should he respect his father and mother, and honor them by all the means he has.

557. "...that your days may be long..." (Shemot 20:12); For there are days above - NAMELY, THE SEVEN SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT - on which a man's life in this world depends. We have explained that these are man's days in that world above, THE SEVEN SFIROT, which are placed before the Holy One, blessed be He. And by them man's life is known.

558. "...in the land which Hashem your Elohim gives you..." (Ibid.); this is a promise given to enjoy the shining mirror. "...in the land..." is the mirror which shines upon the supernal days - CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT OF ZEIR ANPIN - and which shines from the fount of everything, WHICH IS BINAH.

559. HE ASKS: What is the difference between the two commandments of the Torah, of which it is written: "that your days may be long," this one and the other which refers to driving away the mother-bird from the nest? HE ANSWERS: Both of the commandments refer to the world above. Aba and Ima are the secret of "remember" and "keep" in one, BEING ZEIR ANPIN AND MALCHUT. Therefore, it is written: "that your days may be long." In regards to letting the mother-bird go from the nest, it is written: "but you shall surely let the mother go, and take the young to you; that it may be well with you, and that you may prolong your days" (Devarim 22:7). This is the secret of the supernal world, WHICH IS BINAH BEING CALLED 'MOTHER', MEANING that no permission is given to look at her, and one should steer away from asking any questions or looking at her.

560. "...and take the young to you..." HERE, "THE YOUNG" ARE ZEIR ANPIN AND MALCHUT, as it is written: "For ask now of the days that are past, which were before you since the day that Elohim created man upon the earth and from the one side of heaven to the other" (Devarim 4:32) - MEANING THAT ONE CAN ASK A QUESTION OF AND LOOK AT HEAVEN, WHICH IS ZEIR ANPIN CALLED 'HEAVEN', WHICH CAN BE INVESTIGATED AND OBSERVED. But above the heaven, ZEIR ANPIN, you not should let your thoughts investigate.

555. כְּבֹד אֶת אָבִיךָ כִּדְ"א כְּבֹד אֶת יי' מֵהוֹנֵךְ. מֵהוֹנֵךְ: מִמְמוֹנֵךְ. מֵהוֹנֵךְ: מִחֻנֵךְ. בְּחֶדְוֵה דִּנְגוּנָא, לְמַחְדֵי לְבָא, דְּהָא דָּא חֶדְוֵה דְּלִבָּא, כְּגוּוּנָא דָּא נְגוּנָא דְּכָל עֲלָמָא. עוֹבְדִין דְּכִשְׂרָאן דְּהָוָא בְּרָא, חֲדֵי לְבָא דְּאָבוּה וּדְאִמִּיה. מֵהוֹנֵךְ, מִמְמוֹנֵךְ לְכָל מַה דְּאֶצְטְרִיכוּ.

559. מַאי שְׁנָא, בְּאֵלִין תְּרִין פְּקוּדִין דְּאוּרִייתָא, דְּכִתִּיב בְּהוּ לְמַעַן יֵאָרִיכוּן יְמֵיךְ, בְּדָא, וּבְשִׁלּוּחַ הַקֶּן. אֶלָּא תְּרִין פְּקוּדִין אֵלִין, כִּלְהוּ תַלְיִין לְעִילָא. אָבָא וְאִמָּא, רָזָא דְּזִכּוֹר וְשִׁמּוֹר בְּחֲדָא. וּבְגִינֵי כֶךְ כְּתִיב לְמַעַן יֵאָרִיכוּן יְמֵיךְ. וּבְשִׁלּוּחַ הַקֶּן, דְּכִתִּיב שִׁלַּח תְּשַׁלַּח אֶת הָאֵם וְאֶת הַבָּנִים תִּקַּח לְךָ לְמַעַן יִיטֵב לְךָ וְגו', רָזָא דְּעֲלָמָא עֲלָאָה, דְּלֹא אֶתִּיּוּהִיב בֵּיה רֶשׁוּ לְאֶסְתַּבְּלָא, וְאֶצְטְרִיךְ לְשַׁלַּח מְגוּ שְׁאֵלְתָא וְאֶסְתַּבְּלוּתָא בֵּיה.

560. וְאֶת הַבָּנִים תִּקַּח לְךָ, דְּכִתִּיב, כִּי שְׁאֵל נָא לְיָמִים רִאשׁוֹנִים וְגו' מִקְצֵה הַשָּׁמַיִם וְעַד קְצֵה הַשָּׁמַיִם. אָבָל לְעִילָא מִקְצֵה הַשָּׁמַיִם, שִׁלַּח תְּשַׁלַּח מֵרְעִיוֹנֶיךָ לְמִשְׁאֵל.

561. Therefore, it is written: "that it may be well with you and that you may prolong your days." It says, "that it may be well with you," in the third person. It is not written: 'that your days may be long', but rather, "that you may prolong your days." "...it may be well with you..." refers to the place from which goodness issues for everyone, and this is the hidden and unrevealed world, BINAH. "...that you may prolong your days..." meaning, BY YOUR OWN STRENGTH, as it is written: "and take the young to you," for one is capable OF CLINGING TO THE CHILDREN, WHICH ARE ZEIR ANPIN AND MALCHUT. FOR THROUGH THEM ONE HAS A LENGTH OF DAYS.

562. If one has the opportunity to perform A PRECEPT and he does so attentively, then he is considered as a righteous man. And even if this is not his intention, he is still considered righteous because he fulfills the commandment of his Master - FOR PERFORMING A PRECEPT DOES NOT REQUIRE AN INTENTION. Yet he who does not understand the reason is not considered as he who directs his will for the sake of doing it and meditates upon it, with the wish to behold the glory of his Master. This is because an intentional deed depends upon the wish. Such a deed below arouses a corresponding act above, WHICH IS MALCHUT, CALLED 'AN ACT', and is properly rectified.

563. As in a physical action, an act of the soul is also manifested through that intention, for the Holy One, blessed be He, desires the heart and intention of man. If a person does not fulfill the commandment with his heart, which is the most essential quality, of this prayed David: "and establish the work of our hands upon us; O prosper it, the work of our hands" (Tehilim 90:17), for not everyone has the capability to be mindful and to direct his heart, to correct everything, and perform a precept. He therefore said this prayer, "and establish the work of our hands upon us."

564. HE ASKS FOR THE MEANING OF: "and establish the work of our hands upon us," AND HE ANSWERS THAT "establish" MEANS accomplish your establishment properly above. "...upon us..." although we know only how to act, but not how to direct the right intentions of the heart. "O prosper it, the work of our hands". HE ASKS: Prosper whom? AND ANSWERS: The grade that needs establishing, NAMELY MALCHUT. It must prosper so that it can be united with the fathers - WHICH ARE CHESED, GVURAH AND TIFERET OF ZEIR ANPIN - and in whom it will be properly established, through this deed.

561. וּבְדָא כְּתִיב, לְמַעַן יִיטֵב לָךְ וְהֶאֱרַכְתָּ יָמִים, לְמַעַן אֵיטֵב לָךְ לֹא כְּתִיב, אֶלֶּא לְמַעַן יִיטֵב לָךְ. וַיֵּאֲרִיכוּן יָמֶיךָ לֹא כְּתִיב, אֶלֶּא וְהֶאֱרַכְתָּ יָמִים. לְמַעַן יִיטֵב לָךְ, הֵהוּא אַתְּ דְּאוֹטִיב לְכֻלָּא, וְאִיהוּ עֲלֵמָא דְּסִתִּים וּגְנִיז. וְהֶאֱרַכְתָּ יָמִים, כְּמָה דְּכְתִיב, תִּקַּח לָךְ, בְּרִשׁוּתָא דְּבַר נֶשׂ אִיהוּ.

35. "You shall not murder. You shall not commit adultery"

This section tells us that in specific instances killing may be prohibited or permitted, in order to kill those who transgress the law. Intercourse may be prohibited or allowed for correct reasons like procreation. The text goes on to tell how the tonal pause in each commandment allows for the possibility of prohibition or permission under certain circumstances. However, "You shall not bear false witness against your neighbor" is always forbidden. "You shall not covet" is always forbidden except for the desire of the Torah. In truth, the Ten Commandments contain the essence of all celestial and terrestrial commandments, and through their engraving on the tablets of stone they were revealed to all the children of Yisrael. At that time the bodies of the children of Yisrael became lucent, with no impurity, and their souls were bright as they beheld the glory of their Master. The Holy One, blessed be He, was made known both above and below, and He was exalted over all.

565. "You shall not murder. You shall not commit adultery. You shall not steal" (Shemot 20:13-15). UNDER the word "shall not (Heb. lo)" in all three commandments, there is a tonal pause, for in the absence of this interruptive mark, harmony would be unattainable in the world. It would be forbidden to kill even one who transgresses the law. However, the presence of the pause TEACHES that in specific instances, killing may be prohibited or permitted.

566. "You shall not commit adultery": in the absence of this tonal pause, it would be prohibited to engage in the commandments of procreation or to enjoy marital intercourse. The inclusion of the trope INDICATES the possibility of prohibition or permission. "You shall not steal": in the absence of the interruptive mark, it would be forbidden to deceive one's Torah teacher or a Torah scholar in order to gaze upon him. Furthermore, it would be prohibited for a judge to trick a swindling claimant or two disputants in order to clarify the truth. However, once again the punctuation INDICATES that it is permitted or prohibited.

567. "You shall not bear false witness against your neighbor" (Shemot 20:13). Here there is no tonal pause, indicating that this is always forbidden. The Holy One, blessed be He, has placed supernal mysteries in all the words of Torah and instructed mankind how to strive towards perfection through it, as it is written: "I am Hashem your Elohim who teaches you for your profit, who leads you by the way that you should go" (Yeshayah 48:17).

568. Also in the commandment: "You shall not covet" (Ibid. 17), the tonal pause is absent. If you say that even desiring Torah is forbidden, due to the absence of the punctuation, come and behold: the previous prohibitions were stated in a general manner. However, specific details were stated in regards to this prohibition, as it is written: "Your neighbor's house, his field, or his manservant..." (Devarim 5:18). The prohibition extends ONLY towards material possessions, thus excluding the Torah, which is forever desirable. It is delight and eternal life in this world and the World to Come.

569. The Ten Commandments of the Torah contain the essence of all celestial and terrestrial commandments, the essence of the ten sayings of Creation. They were engraved on tablets of stone and all the hidden things in them were seen by everybody's eyes, so as to conceive and behold the secret of the 613 commandments of the Torah. Everything was revealed to their eyes, through understanding, to the attentive hearts of all of Yisrael. Everything shone before their eyes.

565. לא תרצח. לא תנאף. לא תגנב. לא. פסקא טעמא בכל הני תלת. ואי לא דפסקא טעמא, לא הוי תקונא לעלמין, ויהא אסיר לן לקטלא נפשא בעלמא, אע"ג דיעבור על אורייתא. אבל במה דפסקא טעמא, אסיר, ושרי.

570. At that hour, all the mysteries of the Torah were revealed. No mystery of heaven and earth was held back from them, for they saw the splendor of the glory of their Master; that which has never occurred since the creation of the world: the revelation of the glory of the Holy One, blessed be He, upon Mount Sinai.

571. You might say that we learned that upon the crossing of the Red Sea, even a maid-servant saw more than the prophet Ezekiel - THAT IT RESEMBLED the day when Yisrael stood upon Mount Sinai. This is not so. For on this day all the dross was removed from them, and their bodies became as lucent as the angels above when they are clothed in radiant garments for the accomplishments of their Master's mission.

572. They penetrated fire without fear wearing those radiant garments, as we have read concerning the angel who appeared to Manoach, who entered a flame and ascended to heaven, as it is written: "The angel of Hashem ascended in the flame of the altar" (Shoftim 13:20). When all the impurity was removed from Yisrael, their bodies became lucent, without any impurity whatsoever, and the souls within the bodies were as bright as the splendor of the sky, ready to receive light.

573. Such was the state of Yisrael when they beheld the glory of their Master. It was not thus at the Red Sea, when the filth had not yet been removed from them. There, at Mount Sinai, when impurity was removed from their bodies, even the embryos in their mother's wombs could observe their Master's glory, and everyone received according to his worth.

574. On that day the Holy One, blessed be He, rejoiced more than on any previous day since He had created the world, for the world had no proper existence before Yisrael received the Torah, as it is written: "If my Covenant be not day and night, it is as if I had not made the ordinances of heaven and earth" (Yirmeyah 33:25).

575. Once Yisrael received the Torah on Mount Sinai, the world was completely sweetened and heaven and earth received a proper foundation. And the Holy One, blessed be He, was made known both above and below, and He was exalted in His glory over all. Concerning that day it is written: "Hashem reigns, He is clothed with majesty, Hashem is robed, he has girded Himself with strength" (Tehilim 92:1), and "strength" is the Torah, as it is written: "Hashem gives strength to His people, Hashem blesses His people with peace" (Tehilim 29:11).

1. "And these are the judgments which you shall set before them"

Rabbi Shimon says that the title verse refers to the rules concerning reincarnation - the judgments of souls that are to be sentenced according to their punishable acts.

1. Rabbi Shimon opened with the words, "And these are the judgments which you shall set before them" (Shemot 21:1). ALSO IN THE ARAMAIC TRANSLATION, IT SPEAKS OF JUDGMENTS. These are the rules concerning reincarnation, NAMELY, the judgments of souls that INCARNATE AGAIN IN THIS WORLD to be sentenced each according to its punishable acts.

1. פֶּתַח ר' שִׁמְעוֹן וְאָמַר, וְאֵלֶּה הַמִּשְׁפָּטִים אֲשֶׁר תִּשֶׂים לִפְנֵיהֶם, תַּרְגּוּם, וְאֵלֶּיךָ הַיְנִיא דְתַסְדֵּר קְדָמֵיהוֹן. אֵלֶּיךָ אֵינּוֹן סְדוּרִין דְגִלְגּוּלָא, הַיְנִין דְנִשְׁמָתִין, דְאֵתְדִנּוּ כָּל חַד וְחַד לְקַבֵּל עוֹנְשֵׁיהּ.

2. "If you buy a Hebrew servant..."

Rabbi Shimon continues by saying that unperfected souls are forced to be born again until they have finished correcting the six levels of Chesed, Gvurah, Tiferet, Netzach, Hod and Yesod. Only when they are from the aspect of the seventh, the Shechinah, are they allowed to go free. We learn of the three souls: the one called a maidservant, the one called a handmaid, and the one called the King's daughter. Rabbi Shimon also speaks of the maidservant, that is the Neshamah of Briyah, the manservant, that is the Ruach of Yetzirah, and the handmaid of the King's daughter, that is the Nefesh of Asiyah. A righteous man can also be given a Nefesh of Atzilut and a Ruach of Atzilut and even a Neshamah from the aspect of Aba and Ima. If he has more merit he is given Yud Hei Vav Hei which is the secret of man in the upper way of Atzilut. Then he is named after the image of his Master, and will "have dominion over the fish of the sea." He will have power throughout the firmaments.

2. "If you buy a Hebrew servant, six years he shall serve, and in the seventh he shall go out free" (Shemot 21:2). RABBI SHIMON SAID TO THEM, friends, the time has come to reveal some hidden mysteries concerning incarnation. "If you buy a Hebrew servant, six years he shall serve," NAMELY, the soul is required to incarnate, EITHER BECAUSE OF SINS, OR BECAUSE IT HAD NOT COMPLETELY FULFILLED DURING ITS LIFETIME THE TORAH AND THE PRECEPTS. IT IS FORCED TO COME BACK TO THIS WORLD AND DON A BODY, THAT IS, TO BE BORN AGAIN AND FINISH WHAT WAS IMPOSED ON IT FOR THE SEVENTY YEARS OF LIFE IN THIS WORLD. If it is of the aspect of THE ANGEL Metatron IN THE WORLD OF BRIYAH, which comprises six levels OF CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD, it is written of it, "six years he shall serve." It is required to incarnate only until IT FINISHES correcting the six levels, CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD, of the same place whence it was taken, NAMELY METATRON.

2. כִּי תִקְנֶה עֶבֶד עִבְרִי שֵׁשׁ שָׁנִים יַעֲבֹד וּבִשְׁבִיעֵית יֵצֵא לְחַפְשֵׁי חָנָם. חֲבְרִיא, עֵידֵן הָכָא, לְגַלְאָה כַּמָּה רִזִּין טְמִירִין דְגִלְגּוּלָא. כִּי תִקְנֶה עֶבֶד עִבְרִי שֵׁשׁ שָׁנִים יַעֲבֹד. כִּד נִשְׁמָתָא אֶתְחַיֵּיבַת בְּגִלְגּוּלָא, אִם הִיא מְסֻטְרָא דְהִוּוּא עֶבֶד מְטֻטְרוֹן, דְאִיהוּ כְּלִיל שֵׁית סְטְרִין, כְּתִיב בֵּיה שֵׁשׁ שָׁנִים יַעֲבֹד, גִּלְגּוּלִין דִּילָהּ לֹא מִתְחַיֵּיבָא אֲלֵא שֵׁית שָׁנִין, עַד דְאֲשְׁלִימַת שֵׁשׁ דְרָגִין, מִדְּהוּא אֶתְר דְאֶתְנַטְיֵלַת.

3. But if the soul is from the aspect of the Shechinah, which is seventh, NAMELY MALCHUT OF ATZILUT THAT IS SEVENTH TO CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD, surely it is written OF IT, "and in the seventh he shall go out free." For no work pertains to a righteous man, WHO MERITS A SOUL FROM MALCHUT OF ATZILUT, AS HE IS OF THE ASPECT OF SHABBAT, TO WHICH NO WORK, NAMELY EXTRACTING MOCHIN, APPLIES. Since no work or enslavement are affixed to him, it says of the soul that originates there, "and in the seventh he shall go out free;" no enslavement binds it.

3. אֲבָל אִם נִשְׁמָתָא הִיא מְסֻטְרָא דְשְׁכִינְתָא, דְאִיהוּ שְׁבִיעֵית וְדֵאִי מָה כְּתִיב, וּבִשְׁבִיעֵית יֵצֵא לְחַפְשֵׁי חָנָם, דְצִדִּיק, וְדֵאִי לִית בֵּיה מְלָאכָה, כִּיּוֹן דְלִית בֵּיה מְלָאכָה, לִית בֵּיה שְׁעֵבוּד. וְנִשְׁמָתָא דְאִיהוּ מִתְמָן, אֶתְמַר בֵּיה וּבִשְׁבִיעֵית יֵצֵא לְחַפְשֵׁי חָנָם, לִית בֵּיה שְׁעֵבוּדָא.

4. In the meanwhile, behold an old sage coming down to him. He said to him, Rabbi, if this is so, what about the addition of the soul that is derived from it, of which it says, "in it you shall not do any work, you, nor your son, nor your daughter, your manservant, nor your maidservant..." (Shemot 20:10)?

4. אֲדַהְכִּי, הָא סְבָא נָחַת לְגַבִּיָּה, א"ל, אִי הָכִי, רַבִּי, מָה תּוֹסַפַּת לְנִשְׁמָתָא דְאִיהוּ מִנָּה, דְאֶתְמַר בֵּיה, לֹא תַעֲשֶׂה כָּל מְלָאכָה אֶתְהּ וּבִנְךָ וּבִתְךָ וְעַבְדְּךָ וְגו'.

5. RABBI SHIMON said to him, old man, do you ask this?! Assuredly it was said of the soul of a righteous man, WHICH IS FROM ATZILUT, that though it had to come down to incarnate in all these, NAMELY, even in a manservant or a maidservant, or cattle, which are Wheels, NAMELY IN THE WORLD OF ASIYAH, or in any other living creatures whence human souls originate, it is written of it, "you shall not do any work." This is the meaning of, "you shall not compel him to work as a bondservant" (Vayikra 25:39), NAMELY you shall not compel a righteous man, who is Shabbat, to work as a bondservant, METATRON, who is a weekday.

6. Yet old man, Shabbat is an only daughter, NAMELY MALCHUT, and the soulmate of the righteous, who is ALSO Shabbat, NAMELY, ACCORDING TO THE VERSE, "AND IN THE SEVENTH HE SHALL GO OUT FREE." If this is so, what is the meaning of, "If he take another wife" (Shemot 21:10)? He said to him, a distinction should be made there. She is the secular part of Shabbat, AND THE VERSE, "IF HE TAKE ANOTHER WIFE," REFERS TO IT. For there is another KIND OF NON-HOLINESS that is not the secular part of Shabbat but of the impure handmaid. He said to him, so what is the secular part of Shabbat? He said to him, it is the maidservant IN BRIYAH, who is the body of the only daughter, as the only daughter, WHO IS MALCHUT OF ATZILUT, IS CLOTHED IN IT AS A SOUL IN A BODY. It is of it that it says, "If he take another wife."

7. Come and see, there is a soul called a maidservant, a soul that is called a handmaid and a soul that is called the King's daughter. EACH IS NAMED AFTER THE PLACE WHENCE IT ORIGINATES, OR WHERE IT INCARNATES. There is a man here, NAMELY, A MAN THAT SELLS HIS DAUGHTER FOR A MAIDSERVANT, of whom it says, "Hashem is a man of war" (Shemot 15:3), NAMELY ZEIR ANPIN OF ATZILUT, and a man, of whom it says, "and the man Gabriel" (Daniel 9:21) IN THE WORLD OF BRIYAH. THIS IS THE MEANING OF, "AND IF A MAN," THAT IS THE HOLY ONE, BLESSED BE HE, "SELL HIS DAUGHTER TO BE A MAIDSERVANT" (SHEMOT 21:7), NAMELY, THE SOUL OF ATZILUT CALLED "THE ONLY ONE OF HER MOTHER" (SHIR HASHIRIM 6:9), TO INCARNATE IN THE WORLD OF BRIYAH, TO WHICH BELONGS THE ASPECT OF THE BODY OF THE SHECHINAH THAT IS CALLED A MAIDSERVANT.

8. For this reason, if the soul that requires incarnation is the daughter of the Holy One, blessed be He, NAMELY, DRAWN FROM MALCHUT OF ATZILUT, it must not be thought of that it would be sold to a foreign body OF THE KLIPAH, where the Evil Inclination of the aspect of Samael rules. Heaven forbid ONE WOULD SAY SO, for it is written, "I am Hashem, that is My name; and My glory will I not give to another" (Yeshayah 42:8), which is the Evil Inclination. FOR IF THE SOUL IS FROM ATZILUT, EVEN THOUGH IT INCARNATES INTO THE WORLD OF BRIYAH, NO WORK OR ENSLAVEMENT TO THE KLIPOT APPLIES TO IT, AS MENTIONED.

9. And if you ask whether the body where the King's daughter abides, WHICH IS CALLED A MAIDSERVANT, is sold to the lower crowns of impurity, heaven forbid! It says of it, "the land shall not be sold for ever; for the land is Mine" (Vayikra 25:23). The body of the King's daughter is Metatron, and the body is the Shechinah's maidservant, WHICH THE SHECHINAH DONS. And though the King's daughter's soul is trapped there, incarnating there, it is written of it, "And if a man sell his daughter to be a maidservant, she shall not go out as the menservants do."

5. א"ל, סבא סבא, ואת שאיל דא, דודאי האי על נשמתא דצדיק אתמר, דאע"ג דאתחייב לאחתא בגלגולא בכל אלון, אפילו בעבד ואמה, ובעירן דאינון אופנים, או בכל חיון, דמנהון נשמתין דבני נשא, כתיב בה לא תעשה כל מלאכה. והאי איהו, לא תעבד בו עבודת עבד, בצדיק דאיהו יום השבת, לא תעבד בו עבודת עבד, דאיהו יום החול.

6. אבל סבא סבא, שבת דאיהו בת יחידה, ואיהו בת זוגיה דצדיק, דאיהו שבת. מאי אם אחרת יקח לו. א"ל הא ודאי הבדלה, חולו של שבת, דאית אחרא דלא אתקריאת חולו של שבת, אלא חולו של טמאה שפחה. א"ל. והא חולו של שבת מאי היא. א"ל, דא אמתא, דאיהו גופא דבת יחידה דעלה אתמר, אם אחרת יקח לו.

7. תא חזי, נשמתא אית דאתקריאת אמה, ואית נשמתא דאתקריאת שפחה, ונשמתא אית דאתקריאת ברתא דמלכא. הכא אית איש, דאתמר ביה יי' איש מלחמה. ואית איש, דאתמר ביה והאיש גבריאל.

8. ובגין דא, נשמתא דאיהו מחייבא בגלגול, אם היא ברתא דקודשא בריך הוא, אי תימא דאזרבן בגופא נוכראה, דתמן שלטנותא דיצר הרע דאיהו מסטרא דסמא"ל. ח"ו. דהא כתיב, אני יי' הוא שמי וכבודי לא אחר לא אתן דאיהו יצר הרע.

9. והוא גופא, דשריא ברתא דמלכא, אי תימא דאזרבן בכתרין תתאין דמסאבו, חלילה וחס. עלה אתמר והארץ לא תמכר לצמיתות כי לי הארץ. מאן גופא דברתא דמלכא. דא מטטרון. והאי גופא איהו אמה דשכינתא, אע"ג דאיהו נשמתא דאיהו ברתא דמלכא שבויה תמן, בגלגולא אתיא מה כתיב בה וכי ימכור איש את בתו לאמה לא תצא כצאת העבדים.

10. Also, "And if a man sell" refers to the Holy One, blessed be He, and "his daughter" is Yisrael, who are from the aspect of the only daughter. THAT IS, SINCE THEY ARE DRAWN FROM MALCHUT, they are called His daughter. And if you argue that they will go out IN THE FUTURE like those WHO LEFT EGYPT, WHO WERE from the aspect of the servant Metatron, who were fleeing Egypt, IT SAYS OF IT, "she shall not go out as the menservants do." This is the meaning of, "For you shall not go out with haste, nor go by flight" (Yeshayah 52:12).

11. Come and see, when a man is born, he is given a Nefesh of the animal element from the side of purity, from those that are called the holy Wheels, NAMELY FROM THE WORLD OF ASYAH. If he gains further merit, he is given a Ruach from the aspect of the holy living creatures, NAMELY FROM THE WORLD OF YETZIRAH. If he merits further, he is given a Neshamah from the part of the throne, NAMELY FROM THE WORLD OF BRIYAH. These three are the maidservant, the manservant and the handmaid of the King's daughter. THEY ARE NESHAMAH, RUACH AND NEFESH FROM THE EXPANDING OF MALCHUT THROUGH BRIYAH, YETZIRAH AND ASYAH. THE MAIDSERVANT IS THE NESHAMAH OF BRIYAH, THE MANSERVANT THE RUACH OF YETZIRAH AND THE HANDMAID IS THE NEFESH OF ASYAH.

12. If he gains further merit, he is given a Nefesh of the path of Atzilut, from the part of the only daughter called the King's daughter, NAMELY MALCHUT OF ATZILUT. If he is more meritorious, he is given Ruach of Atzilut from the side of the Central Pillar THAT IS ZEIR ANPIN and he is called a child of the Holy One, blessed be He. That is the meaning of, "You are the children of Hashem your Elohim" (Devarim 14:1). If he has more merit he is given a Neshamah from the aspect of ABA and IMA, WHICH ARE BINAH, as written, "and breathed into his nostrils the breath (lit. 'NESHAMAH') of life" (Bereshheet 2:7). What is life? It is Yah, WHICH ARE ABA AND IMA, of whom it says, "Let everything that has breath (lit. 'NESHAMAH') praise Yah (Yud Hei)" (Tehilim 150:6). With them, the name of Yud Hei Vav Hei is completed. FOR RUACH AND NEFESH OF ATZILUT ARE VAV HEI AND NESHAMAH OF ATZILUT IS YUD HEI, THUS FORMING TOGETHER YUD HEI VAV HEI.

13. If he has more merit, he is given Yud Hei Vav Hei fully spelled THUS: Yud Vav Dalet, Hei ALEPH, Vav ALEPH Vav, Hei ALEPH, which is the secret of man, WHICH NUMERICAL VALUE IS 45, in the upper way of Atzilut. THAT IS ZEIR ANPIN WHEN HE IS A GARMENT TO SUPERNAL ABA AND IMA, WHICH ARE THE SECRET OF CHOCHMAH, WHICH IS SPELLED WITH THE SAME LETTERS AS THOSE OF 'THE POWER OF (HEB. KO'ACH) MEM HEI'. And he is named after the image of his Master, and it says of him, "and have dominion over the fish of the sea..." (Bereshheet 1:28). He has power throughout the firmaments, over all the Wheels, Serafim and living creatures, and over all the hosts and legions above and below. Hence, when one merits the Nefesh of the aspect of the only daughter, it says of him, "she shall not go out as the menservants do."

10. ועוד וכי ומכור איש, דא קודשא בריך הוא. את בתו: אלו ישראל, דאינון מסטרא דבת יחידה, אתקריאו בתו. ואי תימא דיפקון, כגוונא דאלין מסטרא דעבר, דאיהו מטטרו"ן, דנפקו במנוסה ממצרים, לא תצא כצאת העבדים, הה"ד, כי לא בחפזון תצאו ובמנוסה לא תלכו.

13. זכה יתיר, יתבין ליה ידו"ד בשלימו דאתוון, יו"ד ה"א וא"ו ה"א, דאיהו אדם, בארץ אצילות דעילא, ואתקרי בדיוקנא דמאריה. ועליה אתמר, ורדו בדגת הים וגו'. והאי איהו שולטנותיה בכל רקיעין, ובכל אופנים ושרפים וחיוון, ובכל חוילין ותוקפין דלעילא ותתא. ובג"ד, כד ב"נ זכי בנפש מסטרא דבת יחידה, אתמר ביה, לא תצא כצאת העבדים.

3. The old sage (Saba)

Rabbi Yosi recounts to Rabbi Chiya a number of annoying riddles that had been posed to him by an old merchant with whom he had traveled on a voyage. The two rabbis call for the merchant to speak to them. The merchant says that there are matters of wisdom hidden in every subject of the Torah, all of which require interpretation. He goes on to speak about the verse "And if a priest's daughter be married to a stranger", telling how the soul is drawn from Binah and clothed with Chesed that puts them into the Tree of Life; then the souls soar from there and enter the treasury, Malchut. He says that it is important to know how to be careful when attracting a soul into a body during intercourse. During our lives we must conduct ourselves to the good side so that the great scales are balanced and tipped to the good side.

14. Rabbi Chiya and Rabbi Yosi met one night in a tower in Tyre and lodged there. They rejoiced in each other. Rabbi Yosi said, how glad I am to have seen the face of the Shechinah, for the whole way I was annoyed by a certain old merchant, who questioned me throughout the voyage.

15. HE ASKED ME who is the serpent that soared in the air and goes on in separation so that in the meantime there is rest to a certain ant that lies in its jaws. It starts connected and ends up divided. And what is an eagle that nests in a tree that does not exist; its stolen young are not creatures, because there were created where they were not created. When they go up they go down and when they go down they go up; two that are one and one that is three. What is a beautiful eyeless maiden, whose body is hidden yet revealed, who goes out during the morning and covers herself during the day, and adorns herself with nonexistent adornment.

16. He asks me all that along the way and I was annoyed. Now I have rest. Had we been together, we would have delved into the words of the Torah, instead of my dealing with other vain things. Rabbi Chiya said, do you know that old merchant? He said to him, I know that his words are senseless, for had he known he would have expounded with the Torah and the way would not have been spent aimlessly. Rabbi Chiya said, the merchant is here. Sometimes one may find golden bells, THAT IS, GOLDEN TONGUES in vain people. He said to him, he is here and gives his ass fodder.

17. They called for him and he came before them. He said to them, now two are three, BECAUSE AFTER JOINING THEM THERE ARE THREE; and three are as one, AS THEY JOINED TOGETHER. Rabbi Yosi said, did I not tell you that his words are senseless and empty? He sat before them.

18. He said to them, gentlemen, I have become a merchant but a while ago. At first I was not a merchant but I had a young child, whom I placed in school and wanted him to study Torah. THEREFORE I BECAME A MERCHANT SO I COULD SUPPORT HIM. When I find one of the sages travelling, I lead my donkeys after him. Today I have thought I would hear new expositions of the Torah, but have heard nothing.

19. Rabbi Yosi said, in all your words, I wondered about one only. Either you spoke in jest or these words are worthless. The old man asked, what is that? RABBI YOSI SAID, a beautiful eyeless maiden, etc.

20. The old man opened with, "Hashem is on my side: I will not fear: what can a man do to me? Hashem takes my part with those who help me...It is better to take refuge in Hashem..." (Tehilim 118:6-8). How goodly, pleasant, precious and lofty are the words of Torah. And I, how could I say before these sages that I have heard from them not even one word until now? Yet I should speak up, because I am not ashamed to speak words of Torah in public.

21. That old man wrapped himself, and spoke, "And if a priest's daughter be married to a stranger, she may not eat of an offering of the holy things" (Vayikra 22:12). This verse is followed by another, "But if a priest's daughter be a widow, or divorced, and have no child, and has returned to her father's house, as in her youth, she shall eat of her father's bread: but no stranger shall eat of it" (Ibid. 13). These verses may be understood literally, yet the words of the Torah are undisclosed, AS THERE ARE SECRETS IN EACH AND EVERY MATTER.

22. And many are the matters of wisdom hidden in each and every subject in the Torah, which are known to the wise who know the ways of the Torah. For the Torah is not the context of dreams handed to those who interpret them, or follow the mouth of the interpreter, yet they have to be interpreted according to their ways. And if dream matters need interpreting according to their ways, how much more so the words of the Torah, the delights of the Holy King, needs to be followed in the true path, as written, "for the ways of Hashem are right..." (Hoshea 14:10).

23. Now we should say, "a priest's daughter" is the supernal Neshamah, the daughter of the patriarch Abraham, the first of converts, WHO IS CHESED. He attracts this Neshamah from a supernal place, THAT IS BINAH. HE ASKS, what is the difference between the verses, "And the daughter of any priest" (Vayikra 21:9), and "And if a priest's daughter"? HE ANSWERS, some priests are called 'any priest' but not a real priest. In the same way, there is a priest, an aid and a high priest, and a priest that is not high. A mere priest is higher than any priest. THEREFORE THERE ARE GRADES TO THE SOUL, there are Neshamah, Ruach and Nefesh. THE HIGH PRIEST IS THE NESHAMAH, A PRIEST IS RUACH AND ANY PRIEST IS NEFESH.

24. "And if a priest's daughter be married to a stranger": this is the holy Neshamah that is drawn from a lofty place, WHICH IS BINAH, and enters into the closure of the Tree of Life, WHICH IS ZEIR ANPIN. And when the Ruach (or 'wind') of the high priest, WHICH IS CHESED OF ZEIR ANPIN, blows and bestows souls, THAT IS, CLOTHES THE SOULS WITH CHESED AND PUTS THEM in that tree, WHICH IS ZEIR ANPIN, the souls soar from them and enter a treasury, WHICH IS MALCHUT.

25. Woe to the world, for people do not know how to be careful when attracting A SOUL INTO A BODY DURING INTERCOURSE by means of the Evil Inclination, which is a stranger. And that priest's daughter, WHICH IS THE SOUL, flies down and finds an edifice, NAMELY A BODY, in a strange man. Since this is the will of its Master, it goes in there to be subdued and has no power, and is not perfected in this world upon its leaving it. It "may not eat of an offering of the holy things," like the other souls that reached perfection in this world.

26. There is something else to this verse, "And if a priest's daughter be married to a stranger." The holy soul is ashamed to be married to a stranger, that is, it is drawn upon a converted proselyte and flies to it from the Garden of Eden in a hidden way, to the edifice, NAMELY THE BODY, that is built of the impure foreskin, SINCE ITS FATHERS WERE NOT CIRCUMCISED. This is the meaning of "a stranger."

27. This is the loftiest secret. On a pillar set for weighing, in the midst of the blowing air, there are scales on the one side, THE RIGHT, and other scales on the other, THE LEFT; true scales on this RIGHT side, and false scales on that LEFT side. These scales are never quiet. The souls go up and down, come and return BY MEANS OF THESE SCALES. Some souls are wronged, when the man OF THE OTHER SIDE has power over the man OF HOLINESS, as written, "a time when one man rules over another to his own hurt" (Kohelet 8:9), assuredly to his own hurt.

28. But the soul that was married to the Other Side CALLED a stranger and was wronged by it, it is "to his own hurt," that of the stranger. And it, "may not eat of an offering of the holy things," AS THE OTHER SOULS, until the Holy One, blessed be He, does with it that which is to be done, THAT IS, HE CORRECTS IT, AS SHALL BE EXPLAINED. CONCERNING THIS the verse says, "And if a priest's daughter be married to a stranger," it shall be so, THAT IT "MAY NOT EAT OF AN OFFERING OF THE HOLY THINGS."

29. There is a secret here about the way souls are wronged. For everything in this world is guided by the Tree of Knowledge of Good and Evil, WHICH IS MALCHUT. When people in the world conduct themselves according to the good side, RECONCILED BY THE CENTRAL COLUMN, the scales are balanced and are tipped to the good side. When they conduct themselves according to the Evil Side, the scales tip to that side, THE OTHER SIDE, which takes all the souls that were on the scales at that time and wrongs them.

30. But it is "to his own hurt," THE OTHER SIDE'S, because those souls subdue all they find of the Evil Side and consume it. And indicative for that is the holy Ark, which was violated by the Philistines who had power over it to their own hurt, SINCE THEY AND THEIR DEITIES WERE PLAGUED BY IT. Here too, the souls wronged by the Other Side, it is to its own hurt.

31. We have seen in ancient books what had come of these wronged souls. Some of them were righteous of the nations. These are bastard scholars, and bastard scholars are better than ignorant high priests, and are more valuable in the world, even though THE HIGH PRIEST enters the innermost HOLY OF HOLIES. The old man wept for a moment. The friends were amazed and said nothing.

32. The old man opened with, "If she please not her master, who has designated her for himself, then shall he let her be redeemed, to sell her to a strange nation..." (Shemot 21:8). This passage was said in relation to this hidden matter OF WRONGED SOULS, "And if a man sell his daughter to be a maidservant, she shall not go out as the menservants do. If she pleases not..." (Ibid. 7). Master of the Universe, who will not fear You, who governs all the kings in the world, as written, "Who would not fear You, O King of the nations? For to You it is fitting..." (Yirmeyah 10:7).

33. How many people in the world read wrong and err in this verse. They all recite it, yet they do not rightly explain the verse. Is the Holy One, blessed be He, called the King of the nations? Yet He is the King of Yisrael. And He is also named in the verse, "When the most High divided to the nations their inheritance" (Devarim 32:8), and, "For Hashem's portion is His people" (Ibid. 9). So He is called the King of Yisrael. If you argue that He is called the King of the nations, it is to their advantage that the Holy One, blessed be He, reigns over them instead, as it is said, that they were given to His ministers and appointed officers.

34. Moreover, the end of the passage states, "for among all the wise men of the nations, and in all their kingdoms, there is none like You..." (Yirmeyah 10:7). All this praise is directed to the other nations. It is wonder that they are not raised in this verse to the highest heaven. AS THE VERSE GIVES THEIR SAGES AND KINGDOMS SOME RELATION TO THE HOLY ONE, BLESSED BE HE, THAT IT IS NECESSARY TO SAY THAT HE IS GREATER THAN THEY. But the Holy One, blessed be He, blinds their eyes so they do not know Him at all, which is what we say that they are all nothing, less than nothing and vanity, as written, "All nations before Him are as nothing; and they are counted to Him less than nothing, and vanity" (Yeshayah 40:7). Yet the verse gives them great and precious importance IN SAYING THAT AMONG ALL THE SAGES OF THE NATIONS AND THROUGHOUT THEIR KINGDOM THERE IS NONE LIKE YOU.

The merchant talks about the greatness of God, and how he is falsely compared to the sages of the various nations. We hear of the names Elohim, Yud Hei Vav Hei fully spelled out, King of the Nations, and Hashem. "For among all the wise men of the nations, and in all their kingdoms, there is none like You."

35. Rabbi Chiya said to him, yet it is written, "Elohim reigns over the nations..." (Tehilim 47:9). He told him, I see that you were behind their wall, and came out with this verse to support them. I should have answered first to all that I said, but since I have found you on the way, I will remove you from there and thence I will move everything.

36. Come and see, all these names and appellations to the names of the Holy One, blessed be He, expand to their paths, and are clothed in each other, and separate into specific ways and paths except for one name, that is more refined than any other name, which He bequeathed to the unique people, the most purified of the other nations. It is Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph, as written, "For Hashem's portion is His people," and "But you that did cleave of Hashem" (Devarim 4:4), CLEAVING to this very name more than to any other name.

37. There is one name, of all His names, that extends into several ways and paths, called Elohim. He bequeathed this name, and it was divided among the lower beings in this world. This name was divided among the ministers and the appointed officers that lead the other nations, as written, "And Elohim came to Bilaam at night" (Bemidbar 22:20), and "But Elohim came to Abimelech in a dream by night" (Beresheet 20:3). Also every minister that the Holy One, blessed be He, had designated to the other nations, are part of this name. Even idolatry is called by this name. And this name reigned over the nations, and not the name that reigned over Yisrael, WHICH IS THE NAME YUD HEI VAV HEI, which is unique to the unique nations, the people of Yisrael, the holy nation.

38. But if you argue that we can explain the verse, "Who would not fear You, O King of the nations?" that the name that is king of the nations is Elohim, as fear pertains to it, and Judgment abides in it, this is not so. It was not said in this context, for otherwise even idolatry would be included in that, IN "WHO WOULD NOT FEAR YOU," AS EVEN IDOLATRY IS CALLED ELOHIM.

35. אָמַר לִיה ר' חִיָּיא וְהָא כְּתִיב מֶלֶךְ אֱלֹהִים עַל גּוֹיִם וְגו'. אָמַר לִיה, אֲנִי חֲמִינָא דְבִתְרָא בְּתַלְיֵיהּ הוּיָת, וְנִפְקַת בְּהַאי קְרָא לְסִייעָא לֹון, הוּה לִי לְאַתְבָּא בְּקִדְמִיתָא, עַל מַה דְאֲמִינָא. אֲבַל כִּיּוֹן דְאֲשַׁכְחָנָא לְךָ בְּאַרְחָא, אֲעֵבֵר לְךָ מִתְמָן, וּמִתְמָן אֵיהֲךָ לְאֲעֵבֵרָא כְּלָא.

38. וְאִי תִימָא, עַל אַרְחָא דְא נֹוקִים קְרָא דְכְּתִיב מִי לֹא יִרְאֵךְ מֶלֶךְ הַגּוֹיִם, דְדָא אִיהוּ שְׁמָא דְקָא מֶלֶךְ עַל גּוֹיִם, אֱלֹהִים דְהָא דְחִילוּ בֵיה שְׂרִיא וְדִינָא בֵיה שְׂרִיא. לֹא הֲכִי, וְלֹא עַל דְא אֲתַמְר, דְאִי הֲכִי אֲפִילוּ ע"ז בְּכִלְלָא דְא אִיהוּ.

39. But once the wall behind which you were leaning is torn down, the verse prevails after some observation. "Who would not fear You, O King of the nations?" If you would say it refers to the Holy One, blessed be He, as the King of the nations, it is not so. But THE EXPLANATION IS, What king of the nations would not fear You, nor be in awe of You or tremble before You? IT IS AS IF IT WERE WRITTEN, 'What king of the nations would not fear You?' Similarly, "Haleluyah! Give praise, O servants of Hashem, praise the name of Hashem" (Tehilim 113:1). Whoever hears it does not know what it means. After saying Haleluyah, IT SAYS also, "Give praise, O (or: 'to') servants of Hashem." It should have been written, 'Servants of Hashem, praise the name of Hashem'. BUT YET IT IS NECESSARY, FOR THOUGH IT FIRST SAYS HALELUYAH, THE SUBJECT IS THE SERVANTS OF HASHEM. Here too, THOUGH IT SAYS FIRST "WHO WOULD NOT FEAR YOU," THE SUBJECT IS 'THE KING OF THE NATIONS'. IT IS AS IF it were written, 'Who among the kings of the nations would not fear You'. It was all said properly.

40. "For among all the wise men of the nations, and in all their kingdoms, there is none like You..." means, what is the phrase spread among them in their wisdom - it is "there is none like You," and they all acknowledge that. When they see in their wisdom Your deeds and mighty actions, this phrase spreads among them and they say, "there is none like You." THE LESSON OF THE VERSE IS THAT among all the sages of the nations and throughout their kingdoms, they say "there is none like You," and it is known among them. The friends rejoiced and wept, but said nothing. He too wept again.

We learn about idolatry and about the soul that incarnates for evil deeds in the world, as alluded to in "And if a man sell his daughter to be a maidservant". When God sees that a child will turn bad later in life he gathers it in to Himself while it is still young and fragrant. The merchant says that when God created the world he also created all the souls that would later be incarnated into bodies, and that even when souls do not wish to come to the world he makes them do so, since that is why they were created. When the time comes to depart from the world the soul must be free, refined and cleansed so that God can be pleased with it and reward it in the Garden of Eden. The souls are entered into the King's book, where they are recorded with their names. If the soul was soiled, and not worthy, it is met by strange camps of demons who bring it to Gehenom. Pure souls are protected by the garment that is spread on them, which is the name Eloha. We hear that the souls of the beloved enter into the chamber of love, which is situated underneath the Holy of Holies of Briyah, in the hidden firmament. The Holy One, blessed be He, finds that holy soul there, and raises it with up with Him in delight.

41. He opened with, "So she said to Abraham, Cast out this bondwoman and her son..." (Bereshheet 21:10). The friends have remarked that Sarah wanted to remove idolatry from the house. Therefore it is written, "all that Sarah has said to you, hearken to her voice" (Ibid. 12), AS THE BONDWOMAN IS CONSIDERED IDOLATRY. Here it is written, "And if a man sell his daughter to be a maidservant" (Shemot 21:7), namely, the soul that incarnates for evil deeds in the world. "To be a maidservant" refers to that other side of the evil incarnation of the scales that reverted INTO FALSE SCALES AS MENTIONED, and it is wronged BY THE OTHER SIDE. In taking it out of there, it "shall not go out as the menservants do" (Ibid. 8), which are the wronged souls, BUT IT RECEIVES A CROWN ON ITS HEAD, AS WILL BE SAID.

39. אָבֵל בַּיּוֹן דְּכִתְלָא דְהוּיָת סָמִיךְ אֲבִתְרִיהּ, אֲתַנְסַח, קְרָא קָאִים עַל קִיּוּמָא, בְּאַסְתְּבִלּוּתָא זְעִיר. מִי לֹא יִרְאֵךְ מֶלֶךְ הַגּוֹיִם, וְאִי תִיּוּמָא דְמֶלֶךְ הַגּוֹיִם עַל קוּדְשָׁא ב"ה אֲתַמַּר, לֹא הָכִי. אֱלֹא, מֵאַן הוּא מֶלֶךְ הַגּוֹיִם דְלֹא יִרְאֵךְ, דְלֹא דְחִיל מִינְךָ, וְלֹא יִזְדַּעַזַע מִינְךָ. מִי מֶלֶךְ הַגּוֹיִם דְלֹא יִרְאֵךְ. כְּגוּוּנָא דֵא הַלְלוּיָהּ הִלְלוּ עֲבָדֵי יְיָ הִלְלוּ אֶת שֵׁם יְיָ. מֵאַן דְשָׁמַע לִיהּ, לֹא יָדַע מֵאִי קָאֵמַר, בַּיּוֹן דְאֵמַר הַלְלוּיָהּ, אוֹף הָכִי הִלְלוּ עֲבָדֵי יְיָ, דְהוּא לִיהּ לְמַכְתָּב, עֲבָדֵי יְיָ הִלְלוּ אֶת שֵׁם יְיָ. אוֹף הָכִא. הוּא לִיהּ לְמַכְתָּב, מִי מִמְלַךְ הַגּוֹיִם דְלֹא יִרְאֵךְ. אֱלֹא כֻלָּא עַל תְּקוּנָיהּ אֲתַמַּר.

42. HE ASKS, who are THE SOULS mentioned here, AND ANSWERS, this is a secret. These are the souls of young children, who suckle on their mothers' strength. The Holy One, blessed be He, sees that if they will live in the world they will be bad smelling and turn sour like vinegar. THEREFORE He gathers them when they are still young and emit good fragrance.

43. What does THE HOLY ONE, BLESSED BE HE, do He allows them to be wronged by the hands of the bondwoman, who is Lilit. Once they are placed under her power, she rejoices in that child and oppresses him. She takes him away from the world while he is still suckling on his mother's strength.

44. If you argue that these souls will do good in the world, it is not so, as written, "If she please not her master" (Shemot 21:8), as that man will turn sour by it after some time, if he will go on living. This soul is oppressed, while another is not. Of these it is written, "and considered all the oppressions" (Kohélet 4:1). That is the meaning of, "If she please not her master."

45. "Who has designated her for himself (Heb. lo)" (Shemot 21:8). The word 'lo' is spelled with Aleph to mean not. If you say the Holy One, blessed be He, gave it to the Other Side from the first day of its existence, it is not so. For now with the turnings of the scales, He "has designated her for himself," 'lo' being pronounced as with Vav to mean for himself, which it was not before.

46. "Then shall he let her be redeemed" (Ibid.). What is the meaning of that? HE ANSWERS, the Holy One, blessed be He, redeems it now, WHILE it still emits GOOD fragrance, before it turns sour. He raises it to the highest skies to His Yeshivah. If you say that since it was wronged by the Other Side, He hands it, as was said, to scholarly bastards and to the righteous of the nations, the verse proves that, "to sell her to a strange nation he shall have no power, seeing he has dealt deceitfully with her" (Ibid.), as He oppressed it with the turning of the scales. But assuredly He will give it to Yisrael and to no other. When it emerges from the scales, it "shall not go out as the menservants do," but is given a crown high on its head.

47. If you say that that side comes in the child, WHICH MEANS IT HAS POWER OVER HIS SOUL, it is not so. But it takes the soul and rejoices in it. He flies out of its hands and enters that place OF THE OTHER SIDE, where it visits that child. It is delighted with it and mocks it, lusting after that flesh, so that the Holy One, blessed be He, takes its soul while it TAKES its body. After that everything is under the control of the Holy One, blessed be He.

42. מאן אינון הכא. איהו רזא, אלין אינון נשמתין דינוקין זעירין, כד אינון ינקי מגו תוקפא דאמהון. וקודשא בריך הוא חמי, דאי יתקיימון בעלמא, יבאשון ריחיהון, ויחמצון כחומץ דא. לקיט לון זעירין, בעור דיהבי ריחא.

44. ואי תימא, אינון נשמתין דיעבדון טב לעלמא. לאו הכי. דכתיב אם רעה בעיני אדניה, דיחמיץ ההוא גברא בה לבתר יומין, אי אתקיים בה. דא אתעשקת, ואחרא לא אתעשקת. ועל אלין כתיב, ואראה את כל העשוקים וגו' והיינו אם רעה בעיני אדניה.

45. אשר לא יעדה, לא באלף כתיב. אי תימא, דהא בההוא סטרא אחרא, אזמין לה קודשא בריך הוא מיזמא דהות. לא. והשתא בגלגולי טיקלא, לז יעדה בוא'ו. מה דלא הות מקדמת דנא.

46. והפדה, מאי והפדה. פריק לה קודשא בריך הוא השתא, דסלקא ריחא, עד לא תחמיץ, וסליק לה לרומי מרומים, במתיבתא דיליה, ואי תימא כיון דאתעשקת מההוא סטרא אחרא, זיהיב לה, כמה דאמרו לחסידי שאר עמין, ולאינון ממזרי ת"ח. אתא קרא ואוכח, לעם נכרי לא ימשול למכרה ודאי, בבגדו בה, דעשיק לה בעשיקו דגלגולא דטיקלא, אלא לישראל ודאי, ולא לאחרא. וכד נפקת מן טיקלא, לא תצא בצאת העבדים, אלא מתעטרא בעטרהא בארמא על רישיה.

47. ואי תימא, דהאי סטרא עאלת לה בההוא ינוקא. לאו הכי. אלא נטלת לה, וחדאת בהדה, ופרחת מן ידהא, ועאלת בההוא אתר, ואיהי פקידת לההוא ינוקא, וחדאת ביה, וחייכת ביה, ותאיבת לההוא בשר עד דלבתר נטיל קודשא בריך הוא נשמתיה, והיא לגופא. ולבתר כלא איהו ברשותא דקודשא בריך הוא.

48. Come and see, "she shall not go out as the menservants do." HE ASKS, what is the meaning of, "GO OUT AS THE MENSERVANTS," AND ANSWERS, when it leaves the scales and that side with joy, the Holy One, blessed be He marks it and seals it with a certain ring, spreads on it His precious garment, which is the Holy Name Eloha. That is the meaning of, "he has dealt deceitfully with her (also: 'his garment is with her')," that is, while the precious garment of the King is on it. Since His garment is upon it, it is written, "to sell her to a strange nation he shall have no power."

49. This is the meaning of, "as in the days when Eloha preserved me" (Iyov 29:2), WHICH REFERS TO THE PRECIOUS GARMENT CALLED ELOHA, AS MENTIONED. It is in reference to this secret that it is written here, "to sell her to a strange nation he shall have no power, seeing that his garment is with her." It is because the precious garment of the King is upon it, since "His garment is with her" then "to sell her to a strange nation he shall have no power."

50. HE ASKS, what of the dominion that side has over that soul. FOR HE SAID THAT THE HOLY ONE, BLESSED BE HE, GIVES PERMISSION TO THE OTHER SIDE TO WRONG THAT SOUL. HE ANSWERS, come and see, the people in the world are all under the dominion of the holy King; they all have time TO LIVE in this world until He wishes to raise them from the world. THE OTHER SIDE IS NOT ALLOWED TO HARM THEM BEFORE THAT TIME. Yet as for it, it has not SET time TO LIVE. THEREFORE it mocks and delights in that soul AND TAKES IT AWAY FROM THIS WORLD. THUS, SINCE IT WAS NOT ALLOTTED TIME, THE OTHER SIDE IS GIVEN PERMISSION TO OPPRESS IT.

51. Moreover, these verses contain admonitions to people, and much good lofty advice is present in all the words of the Torah, which are all true and of a true way. They are known to the wise, who know and walk the path of truth. When the Holy One, blessed be He, wished to create the world, He so desired it and fashioned all the souls that will be placed in people afterwards. And they were all fashioned before Him in the very shape they will have later in people, and He saw each and every one.

52. Some of them will befoul their ways in the world. When their time comes TO DESCEND INTO THE WORLD, the Holy One, blessed be He, summons that soul and says to it, go, enter a certain place, a certain body. It replies to Him, Master of the Universe, I am satisfied with the world I dwell in and shall not go into another world, where I shall be enslaved and soiled in their midst. The Holy One, blessed be He, said to it, ever since you were created, this is the reason why you were created, to be in that world IN A BODY. When the soul sees that, it descends despite itself and there enters A BODY.

48. ת"ח, לא תצא כצאת העבדים, מאי הוא. אלא, בשעתא דנפקת מן טיקלא ויהוא סטרא בחדו, רשים לה לקודשא בריך הוא, וחתים לה בחד גושפנקא, ופריש עלה לבוש יקר דיליה, ומאן איהו. שמה קדישא דאקרי אלוה. ודא הוא בבגדו בה, לבושא יקירא דמלכא פריש עלה וכדין איהו נטירא, דלא אתמסרת לעם נכרי, אלא לישראל לחוד.

49. ודא איהו דכתיב, בימי אלוה ישמרני, ועל רזא דא כתיב הכא, לעם נכרי לא ימשל למכרה בבגדו בה, בעוד דלבוש יקר דמלכא בה. כיון דבגדו בה, כתיב לעם נכרי לא ימשל למכרה.

50. מה רשו אית ליהוא סטרא בה. ת"ח, כל בני עלמא בלהו, ברשותיה דמלכא קדישא, וכלהו אית לון זמנא בהאי עלמא, עד דאיהו בעי לסלקא לון מן עלמא, ודא לית ליה זמנא, וע"ד איהו חיוכת בהו, וחדאת בהו.

52. ואית מנהון דזמינין לאבאשא ארחייהו בעלמא, ובשעתא דמטא זמנייהו, קרי קודשא בריך הוא ליהוא נשמתא, אמר לה, זילי עולי בדוך פלן. בגוף פלן. אתיבת קמיה, מאריה דעלמא, די לו בעלמא דא דאנא יתבא ביה, ולא איהך לעלמא אחרא, דישתעבדון בי, ואהא מלוכלכא בינייהו. אמר לה קודשא בריך הוא, מן יומא דאתבריאת, ע"ד אתבריאת למהוי בהוא עלמא. כיון דחמאת נשמתא כן, בעל כרחה נחתת ועאלת תמן.

53. The Torah that gives advice to all who realize that, admonishes the people in the world, saying, See how much the Holy One, blessed be He, has compassion for you. He sold for free the good gem He had, NAMELY THE SOUL, so that you will cultivate it in this world.

54. "And if a man sell," the Holy One, blessed be He, "his daughter," the holy soul; "to be a maidservant," to be an enslaved maidservant among you in this world. I pray you, when its time comes to depart from this world, that "she shall not go out as the menservants do," not soiled with iniquities, but free, refined and cleansed, so that its Master will be happy with it, praise Himself with it and give it good reward in the brightness of the Garden of Eden. This is the meaning of, "and satisfy your soul in drought (also: 'brightness')" (Yeshayah 58:11). THIS IS surely when the soul emerges properly clear and clean.

55. But "If she please not her master," emerging soiled with the filth of transgressions, and it not presentable before Him as it should, woe to that body that was lost to the soul forever. For when the souls ascend clear and come out cleansed from this world, each soul enters the book in the King's bag. They are all RECORDED with names, which says that the soul of so and so is designated to the body it left. Then it is written, "who has designated her for himself."

56. But when it comes out not pleasing its Master, soiled in the iniquities and filth of sins, then, "who has designated her for himself (Heb. lo, Lamed Vav)" is pronounced as "not (Heb. lo, Lamed Aleph) designated her," and the body is lost to it and it is not designated for it. The exception is the soul, which Master desires, as the body repented. Then it is written, "redeemed," as in, "Thus he will redeem his soul from going into the pit" (Iyov 33:28). "Redeemed" refers to man, whose advice is to redeem it and repent. And to both sides THE VERSE SAYS, "THEN SHALL HE LET HER BE REDEEMED." THE FIRST IS the Holy One, blessed be He, "THEN SHALL HE LET HER BE REDEEMED" FROM GEHENOM. THE SECOND CONCERNS MAN, who shall "let her be redeemed" by repentance, for after he repents, the Holy One, blessed be He, redeems them from the way to Gehenom.

57. "To sell her to a strange nation he shall have no power." HE ASKS, what is the strange nation, AND ANSWERS, the soul is ashamed when it departs from the world, if the man deviated from the way together with it. It seeks to rise up to the holy camps, for holy camps are situated on the way to the Garden of Eden and strange camps, THAT IS, DEMONS, stand on the way to Gehenom.

53. אוריינתא דיהבת עיטא לכל עלמא חמאת הכי, אזהירת לבני עלמא, ואמרת, חמו במה חס קודשא בריך הוא עלייכו, מרגליתא טבא דהות ליה, זבין לכו למגנא, דתשתעבדון בה בהאי עלמא.

54. וכי ימכר איש: דא קודשא בריך הוא. את בתו: דא נשמתא קדישא. לאמה: למדיו אמה משתעבדא בינייכו בהאי עלמא. במטו מנייכו, בשעתא דמטי זמנא לנפקא מהאי עלמא, לא תצא כצאת העבדים, לא תפוק מתטנפא בחובין, תפוק בת חורין, בריקה נקיה, בגין דיחדי בה מארה וישתבח בה ויהיב לה אגר טב, בצחצוחי דגנתא דערן. כד"א והשביע בצחצחות נפשך, ודאי כד תפוק ברירה נקיה כדקא יאות.

55. אבל אם רעה בעיני אדניה, כד נפקת מלובכלא בטנופי חובין, ולא אתחזיאת קמיה כדקא יאות, ווי להווא גופא, דאתאביד מההיא נשמתא לעלמין. בגין, דכד נשמתין סלקין ברירן, ונפקין נקין מהאי עלמא, כל נשמתא ונשמתא, עאלת בספרא דאחמתא דמלכא, וכלהו בשמהן, ואמר דא היא נשמתא דפלניא, זמינת תהא להווא גופא דשבת, וכדין כתיב, לו יעדה, בו.

56. וכד נפקת רעה בעיני אדניה, דקא אסתאבא בחובין, ובטנופא דחטאין, כדין לא יעדה בא. ואתאביד ההוא גופא מינה ואיהי לא אזדמנת לגביה בר ההיא דמארה אתרעי, ותב בתיובתא דגופא בה, כדין כתיב, והפדה. כד"א פדה נפשו מעבור בשחת. והפדה, האי איהו בכר נש, דעיטא דיליה, דיפרוק לה, ויתוב בתיובתא, ולתרין סטרין קאמר קודשא בריך הוא, והפדה בתיובתא. לבתר דתב בתיובתא, פרא לה מאורחא דגיהנם.

57. לעם נכרי לא ימשל למכרה. מאן עם נכרי. עלובתא איהי נשמתא, דכד נפקת מעלמא, וכר נש אסטי ארחיה בהרה, היא בעאת לסלקא לעילא, גו משריין קדישין, בגין דמשריין קדישין קיימין בהווא ארחא דג"ע, ומשריין נוכראין קיימין בהווא ארחא דגיהנם.

58. If that soul is worthy and the precious garment is spread on it, NAMELY THE NAME ELOHA, many holy camps meet it to join it and bring it to the Garden of Eden. If it is not worthy, many strange camps meet it to bring it to Gehenom. The camps of demons will wreak vengeance on it. For that the verse instructs, "To sell her to a strange nation he shall have no power," to the demons, "seeing that his garment is on her," which is the protective GARMENT, as the Holy One, blessed be He, protects it so that a strange nation will not rule over it through that protection spread over it, WHICH IS THE NAME ELOHA.

59. "And if he designated her for his son" (Shemot 21:9): come and see how much a man should beware of not turning aside from his ways in this world. For if a man gains merit in this world and properly guards his soul, such is a man whom the Holy One, blessed be He, desires and is praised with every day before His retinue, saying, see the holy child I have in that world. He did such and such, these deeds of his are well done.

60. When this soul emerges from this world pure, clean and refined, the Holy One, blessed be He, shines upon it many lights and announces daily of it, 'this it the soul of so and so my child, a keeping shall be provided for the body it left.'

61. This is the meaning of, "And if he designated her for his son, he shall deal with her after the manner of daughters." What is "the manner of daughters"? Here is a secret to the wise. Within the strong rock, WHICH IS THE WORLD OF BRIYAH, in the hidden firmament, ABOVE EVERY OTHER FIRMAMENT THERE, there is a certain chamber called the chamber of love, WHICH IS SITUATED UNDERNEATH THE HOLY OF HOLIES OF BRIYAH. There are hidden treasures there, and all the kisses of the King's love are there. All the souls beloved of the King enter there.

62. When the King enters that King's chamber, it is written of that, "And Jacob kissed Rachel" (Bereshheet 29:11), AS THE UNION OF KISSES LIES THERE. The Holy One, blessed be He, finds that holy soul there, and immediately hastens to kiss and embrace it, and raises it with Him to be delighted with it.

63. This is the meaning of, "he shall deal with her after the manner of daughters," like a father would do to his favorite daughter, kissing her, embracing her and giving her gifts. Thus the Holy One, blessed be He, does to the worthy soul every day, as written, "he shall deal with her after the manner of daughters."

58. זְכַתָּה נִשְׁמָתָא, וְהוּא נְטִירו, וּפְרִישׁו דְּלְבוּשָׁא יִקְרָא עָלָה. כַּמָּה מְשָׁרְיִין קְדִישִׁין, קָא מִתְעַתְּדִין לָהּ, לְאַתְחַבְרָא בְּהֵדָה, וְלִמְיַעַל לָהּ לִג"ע. לֹא זְכַתָּה, כַּמָּה מְשָׁיִירִין נּוֹכְרִיִין מִתְעַתְּדִין לְמִיַּעַל לָהּ בְּאַרְחָא דְּגִיּהָנָם. וְאִינוּן מְשָׁרְיִין דְּמִלְאֲכֵי חַבְלָה זְמִינִין לְמַעַבְדַּ בְּהָ נּוֹקְמִין, אֲתָא קְרָא וְאוֹכַח, לְעַם נְכָרֵי לֹא יִמְשַׁל לְמַכְרָה, אֲלִין מִלְאֲכֵי חַבְלָה. בְּבַגְדוֹ בְּהָ, אִיהוּ נְטִירָא, דְּקוּדְשָׁא בְּרִיךְ הוּא עֲבִיד לָהּ נְטִירָא, דְּלֹא יִשְׁלוּט בְּהָ עִם נְכָרֵי, בְּהוּא פְרִיסוּ דְּנְטִירו עָלָה.

61. וְדָא הוּא דְּכַתִּיב, וְאִם לְבָנוּ יִיעֲרְנָה כַּמְשַׁפֵּט הַבְּנוֹת יַעֲשֶׂה לָהּ, מֵאִי כַּמְשַׁפֵּט הַבְּנוֹת. הֵכָא אִית רְזָא לְחַבִּימִין, בְּגוֹ טַנְרָא תְּקִיפָא, רְקִיעָא טְמִירָא, אִית הֵיכְלָא חֲדָא, דְּאִקְרִי הֵיכַל אַהֲבָה. וְתַמְן אִינוּן גְּנֻזִין טְמִירִין, וְכָל נְשִׁיקִין דְּרַחֲמוּ דְּמִלְכָא אִינוּן תַּמְן, וְאִינוּן נִשְׁמָתִין רַחֲמָאן דְּמִלְכָא עֲאֲלִין תַּמְן.

62. בֵּינִין דְּמִלְכָא עֲאֵל בְּהוּא הֵיכְלָא דְּמִלְכָא, תַּמְן כְּתִיב, וַיִּשָּׁק וַיַּעֲקֹב לְרַחֵל, וְקוּדְשָׁא בְּרִיךְ הוּא אֲשַׁבַּח תַּמְן לְהֵיאֵא נִשְׁמָתָא קְדִישָׁא, קְדִים מִיַּד וְנִשִּׁיק לָהּ, וְגַפִּיף לָהּ, וְסָלִיק לָהּ בְּהֵדִיָּה, וְאַשְׁתַּעֲשַׂע בָּהּ.

63. וְדָא הוּא כַּמְשַׁפֵּט הַבְּנוֹת יַעֲשֶׂה לָהּ, כְּדִינָא דְּאַבָּא עֲבִיד לְבִרְתִּיָּהּ, דְּאִיהוּ חַבִּיבָא לְגַבִּיָּהּ, דְּנִשִּׁיק לָהּ, וְגַפִּיף לָהּ, וְהֵיב לָהּ מִתַּנְן. כֵּךְ קוּדְשָׁא בְּרִיךְ הוּא עֲבִיד, לְנִשְׁמָתָא זְכָאָה בְּכָל יוֹמָא, כַּמָּה דְּכַתִּיב כַּמְשַׁפֵּט הַבְּנוֹת יַעֲשֶׂה לָהּ.

64. Hence it is written, "should do such a thing for him that waits for Him" (Yeshayah 64:3). Just as the daughter, NAMELY THE SOUL, finishes its doing in this world, so the Holy One, blessed be He, finishes a different kind of action in the World to Come, as written, "neither has the eye seen, that an Elohim, beside You should do such a thing for him that waits for Him," while here it is written, "he shall deal (do) with her." THERE IS AN ANALOGY BETWEEN THE WORDS 'DO' IN THE VERSES. THE EYE CANNOT SEE THE DOING IN THE SECOND VERSE AS WELL. So far. The old man prostrated himself ON THE GROUND and prayed. He wept again.

65. He said, "If he take another" (Shemot 21:10). HE ASKS, what does that mean, did the Holy One, blessed be He, prepare another soul to return to the righteous in this world? Is it not the same soul who filled to completion in this world the wishes of its Master? In that case there is no surety to the righteous at all. What is the meaning of, "If he take another"?

66. The old man opened with, "and the dust returns to the earth as it was; and the spirit returns to Elohim who gave it" (Kohelet 12:7). The friends ascribed this verse to the destruction of the Temple. "And the dust returns to the earth as it was" here accords with the verse, "And the Canaani was then in the land" (Bereshheet 12:6). FOR AFTER THE DESTRUCTION THE LAND RETURNED TO BE UNDER THE RULE OF THE KLIPAH OF CANAAN AS BEFORE. "and the spirit returns to Elohim who gave it." What does it mean, "the spirit returns"? This is the Shechinah, which is the Holy Spirit. When the Shechinah saw in the ten journeys She took that Yisrael do not want to repent before the Holy One, blessed be He, and that the Other Side rules over the Holy Land, THE SHECHINAH DEPARTED AND RETURNED TO ELOHIM. The friends have explained it.

67. Come and see, the spirit of a righteous man is crowned with an image in the lower Garden of Eden. On every Shabbat, holiday and first day of the month, the spirits are crowned and take off THEIR IMAGE OF THE LOWER GARDEN OF EDEN, and rise up TO THE UPPER GARDEN OF EDEN. Just as the Holy One, blessed be He, does to the holy soul above, so He does with this spirit below in the lower Garden of Eden that rose before Him. He says, this is the spirit of the body of so and so. Immediately the Holy One, blessed be He crowns that spirit with many crowns and delights in it.

68. If you wonder if the Holy One, blessed be He, leaves His dealings with the soul for that spirit it is not so, but, "her food, her clothing, and her duty of marriage, shall he not diminish" (Shemot 21:10). These are the three lofty names, as "neither has the eye seen, that an Elohim, beside You," WHICH IS THE SECRET OF BINAH.

64. הַיְיּוּנוּ דְכִתְיִיב יַעֲשֶׂה לְמַחְכָּה לוֹ, כְּמָה דְהָאִי בְרַתָּא, אֲשֵׁלִימַת עֲשִׂייה בְּהָאִי עֲלֵמָא. אוּף הַכִּי קוּדְשָׁא בְרִיךְ הוּא אֲשֵׁלִים לֵה עֲשִׂייה אַחְרָא בְּעֵלְמָא דְאַתִּי, דְכִתְיִיב, עֵינן לֹא רֵאתָה אֱלֹהִים זּוּלְתָךְ יַעֲשֶׂה לְמַחְכָּה לוֹ. וְהִכָּא בְּתִיב יַעֲשֶׂה לֵה. ע"כ. הֵהוּא סְבָא אֲשֵׁתַטַּח, וְצִלֵי צִלוּתָא. בְּכָה כְּמִלְקַדְמִין.

68. וְאִי תִימָא, דְהָא בְּגִין רוּחָא דָּא, שְׂבִיק קוּדְשָׁא בְרִיךְ הוּא מַה דְעֵבִיד לְנִשְׁמַתָּא. לֹא הַכִּי. אֲלֵא שְׂאָרָה כְּסוּתָהּ וְעִנְתָּהּ לֹא יִגְרַע, אֲלִין אִינוּן תַּלְתָּ שְׁמַהֲן עֲלֵאִין, דְעֵינן לֹא רֵאתָה אֱלֹהִים זּוּלְתָךְ.

69. They all abide in the World to Come, WHICH IS BINAH, and flow from there. One of them is "her food," which is a flowing of radiance and light, WHICH ARE RETURNING LIGHT AND STRAIGHT LIGHT that shines in an obscure way. It is sustenance that nourishes everything and is called Yud Hei Vav Hei with the vowels of Elohim, WHICH IS THE NAME OF BINAH. She'erah (Eng. 'her food'), with the letters in a different order, becomes 'Asher Hei'. ASHER IS BINAH, WHICH IS THE FIRST HEI OF YUD HEI VAV HEI. This is the meaning of, "Out of Asher his bread shall be fat" (Beresheet 49:20), FOR FOOD FLOWS FROM IT. This is the meaning of, "her food."

70. "Her clothing" is the covering the King SPREADS OVER IT, NAMELY THE PRECIOUS GARMENT OF THE NAME ELOHA. This is another shining flow, which always protects THE SOUL. It is the covering of the garment of the King that Eloha spreads over it. This is the meaning of, "he has dealt deceitfully with her (also: 'his garment is with her')" (Shemot 21:8) always, never absent from it. This is the meaning of, "her clothing."

71. What is "her duty of marriage"? It is a flow from the World to Come, WHICH IS BINAH that contains everything. It is Yud Hei Vav Hei Tzva'ot THAT IS THE NAME IN NETZACH AND HOD IN BINAH. It shines with all the high hidden lights of the Tree of Life, where the duty of marriage is hidden and whence it comes out with the pleasure and yearning of the World to Come, WHICH IS BINAH.

72. These three must He not diminish, when it is properly worthy. If it is not as it should be, these three are taken from it, as not even one becomes a crown for it. Come and see, it is written, "And if he do not these three to her" (Ibid. 11), that is, it is not worthy of them, "then shall she go out free without money" (Ibid.), go out from Him. It is pushed out. It is "without money," without yearning, OR LONGING, and derives no pleasure at all.

73. Up to here the Torah admonishes, from which come every kind of advice, and gives good advice to people. From now on, let us return to the first subject of the lofty protection the Holy One, blessed be He, spreads over it, THE SOUL, so it shall not be to a strange nation, because "his garment is with her," and always protects it.

74. "And if he designated her for his son, he shall deal with her after the manner of daughters." The old man said, friends, when you go to that rock that supports the world, THAT IS, RABBI SHIMON, tell him to remember the snowy day when beans were sown in 52 ways. Then shall you recite this verse and he will tell you ITS MEANING. The merchant turns to the question of who is the son of the Holy One, blessed be He, explaining that at the age of thirteen a boy is considered a son to the Congregation of Yisrael, and at the age of twenty a man is considered to be a son of the Holy One, blessed be He. The merchant tells of the additional soul that is attained by the righteous on the Sabbath.

69. וְכֻלָּהוּ בְעֵלְמָא דְאִתִּי וְאִתְּמַשְׁכוּ מִתְּמָן. חַד מְנִייהוּ שְׂאֵרָה, מְשִׁיכוּ דְנִצְיָצוּ וְנִהִירוּ, דְנִהִיר בְּאַרְחָ, סְתִימִים, מְזוּנָא דִין כְּלָא, וְאִקְרִי יְדוּד בְּנִקְדוּת אֱלֹהִים. שְׂאֵרָה בְהַפּוּךְ אֲתוּוּן, אֲשֶׁר ה', וְדָא מְאֲשֶׁר שְׂמֵנָה לְחֵמוּ, וְדָא הוּא שְׂאֵרָה.

72. תִּלְתָּא הֵנִי לֹא יִגְרַע לָהּ, כִּד אִיהִי זִכְאֵת כְּדָקָא יֵאוּת. וְאִי לֹא אִיהִי כְּדָקָא יֵאוּת, הֵנִי תִלְתָּא גְרַעָן מְנָה, דְלָא יִתְעַבִּיד לָהּ עֲטָרָה אֲמִילוּ מִחַד מְנִייהוּ, תָּא חֲזִי, מַה כְּתִיב, וְאִם שְׁלֵשׁ אֱלֹהִים לֹא יַעֲשֶׂה לָהּ, דְלֹא זִכְאֵת בַּהּ, וְיִצְאָה חֲנָם אִין כְּסָף תְּפּוּק מְקַמִּיָּה, וְדַחֲוִין לָהּ לְבַר. אִין כְּסָף, לִית לָהּ כְּסוּפָא, וְלִית לָהּ עֵדוּנָא כְּלָל.

73. עַד כַּאן אוֹכִיחַת אוֹרִינְתָא, דְכָל עֵיטוּן בַּהּ תְּלִינ, וְיִהִיבַת עֵיטָא טְבָא לְבָנִי נְשָׂא. מְכָאן וְלִהְלָאָה נְהִיר לְמִלִּין קְדָמָאִין, בַּהּוּא נְטִירוּ עֲלָאָה, דְקָא פְרִישׁ עָלֶיהָ קוּדְשָׁא בְרִיךְ הוּא, בְּגִין דְלָא תֵּהֵא לְעַם נְכָרִי, דְהָא בְּגָדוּ בַּהּ, וְנִטִּירוּ אִיהוּ לָהּ תְדִיר.

74. וְאִם לְבָנוּ יִיעֲדָנָה כְּמִשְׁמַט הַבְּנוֹת יַעֲשֶׂה לָהּ. אָמַר הוּא סְבָא, חֲבֵרִיָּא, כִּד תִּהְכּוֹן לְגַבִּי הוּא טִינְרָא דְעֵלְמָא סְמִיךְ עֲלֵיהּ, אָמְרוּ לִיהּ, דִּידְכֵר יוּמָא דְתִלְגָּא דְאִזְדָּרְעוּ פּוֹלִין לְחַמְשִׁין וְתִרִין גּוּוּנִין, וְהִיר אִקְרִינָן הִיא קְרָא, וְהוּא יִימָא לְכוּן.

75. The said to him, if you please, whoever opened the discussion, let him tell it. He said to them, assuredly I knew that you were righteous, and that you are to be intimidated to as the sages are. As for my words TO YOU, when you mention this sign TO RABBI SHIMON, he will finish it, THAT IS, FINISH MY WORDS. Now let us say who he is that is called the son of the Holy One, blessed be He.

76. Come and see, whoever reached thirteen years and on is considered a son to the Congregation of Yisrael, WHICH IS MALCHUT. Whoever is twenty years old or older and gains merit in them, is considered a son of the Holy One, blessed be He, NAMELY ZEIR ANPIN, as written, "You are the children of Hashem your Elohim" (Devarim 14:1).

77. When David was thirteen years old and gained merit on the day he entered his fourteenth year, he wrote, "Hashem has said to me, You are my son; this day have I begotten you" (Tehilim 2:7). What is the reason for it? Before that, he was not His son, as the supernal soul did not dwell on him, since he lived during the Orlah years. Therefore it is written, "this day have I begotten you." Assuredly I have begotten you, I and not the Other Side, as it was until now. BUT NOW it is I alone. Upon his reaching his twentieth year, it is written of Solomon, "For I was my father's son" (Mishlei 4:3), my own father's NAMELY THE SON OF THE HOLY ONE, BLESSED BE HE. FOR AT THE AGE OF TWENTY HE MERITED THE MOCHIN OF CHAYAH, WHICH MADE HIM A SON OF THE HOLY ONE, BLESSED BE HE, NAMELY TO ZEIR ANPIN.

78. "And if he designated her for his son," that is, since he is thirteen years old or more, when he is no longer under the dominion of the Other Side that comes his way. Then it is written, "he shall deal with her after the manner of daughters." What is the manner of daughters? HE ANSWERS, we learned that the Holy One, blessed be He, sees daily that child under the rule of the Orlah. When he comes out of it and goes to school to break it, goes to the synagogue to break it, the Holy One, blessed be He, takes that soul into His room where He gives it many gifts and offerings and adorns it with supernal adornments until the time comes when He brings it under the canopy into that son, NAMELY HE CLOTHES IT WITH HIM, after his thirteenth year.

79. "If he take another": WHAT IS ANOTHER? Here there are secret mysteries given to the sages. First I have to inform you of something. Come and see, on Shabbat, when the day is sanctified, souls emerge from the Tree of Life, NAMELY ZEIR ANPIN. These souls blow on the lower beings, who rest for it throughout the Shabbat day. THEY ARE THE SECRET OF THE ADDITIONAL SOUL THAT THE RIGHTEOUS ATTAIN ON SHABBAT DAY. At the end of Shabbat, all the souls go up AGAIN to be crowned with holy crowns above. HERE too the Holy One, blessed be He, summons for that man ON THE DAY OF SHABBAT AN ADDITIONAL SOUL. This is the other soul, OF WHICH THE VERSE SAYS, "IF HE TAKE ANOTHER." And though this soul came to him, as for the soul he had before, the food of the first one, "her clothing, and her duty of marriage, shall he not diminish," THE MEANING OF WHICH IS according to the explanation given.

75. אָמְרוּ בְּמִטּוֹ מִיִּנְךָ מֵאֵן דְּשָׂאֲרֵי מַלְךָ הוּא וְיִמָּא. אָמַר לוֹן, וְדָאֵי דִּיִּדְעָנָא דְּזִכְאִין אַתּוֹן, וְאִית לְרַמְזָא לְכוּן רַמְזָא דְּחַבְיִמִּין, וְעַל מַזָּה דְּאָנָא אִימָא, כְּד תְּדַבְּרוּן לִיָּה סִימְנָא דָּא, הוּא יִשְׁלִים עַל דָּא. הַשְׁתָּא אִית לֹזְמֵר, מֵאֵן הוּא דְּאִקְרִי בֶן לְקוּדְשָׁא בְּרִיךְ הוּא.

80. The old man wept again and said to himself, old, old man, how much have you toiled to attain these holy matters, and now you say them in an instance. If you contemplate sparing these matters and not disclosing them, yet it says, "Withhold not good from those to whom it is due, when it is in the power of your hand to do it" (Mishlei 3:27).

80. בכה ההוא סבא במלקדמין, ואמר איהו לנפשיה, סבא סבא, כמה יגעת לאדבקא מלין קדישין אלין, והשתא תימא לון ברגעא חדא. אי תימא דתיחס עלייהו על אינון מלין ולא תימא לון, הא כתיב אל תמנע טוב מבעליו בהיות לאל ידך לעשות.

81. What is THE MEANING OF, "Withhold not good from those to whom it is due"? HE SAYS, the Holy One, blessed be He, and the Congregation of Yisrael, WHICH IS MALCHUT, are here. For wherever words of the Torah are spoken, the Holy One, blessed be He, and the Congregation of Yisrael are present, and hearken to them. Then, when THE HOLY ONE, BLESSED BE HE, AND THE CONGREGATION OF YISRAEL go away from the Tree of Knowledge of Good and Evil, WHICH IS MALCHUT, to listen to words of Torah, its good side is elevated and rises high, and the Holy One, blessed be He, and the Congregation of Yisrael are crowned with that goodness. They are those to whom it is due. THEREFORE "WITHHOLD NOT GOOD FROM THOSE TO WHOM IT IS DUE" REFERS TO THE HOLY ONE, BLESSED BE HE, AND THE CONGREGATION OF YISRAEL.

81. מאי אל תמנע טוב מבעליו. אלא, קודשא בריך הוא וכ"י אינון הכא. דהא בכל אתר דמלין דאורייתא אמרין, קודשא בריך הוא וכ"י אינון תמן, וצייתי לון. וכדין, ההוא אילנא דטוב ורע, בשעתא דאזלין מתמן, וצייתו אינון מלין, ההוא סטרא דטוב אתגבר, ואסתלק לעילא, וקודשא בריך הוא וכ"י מתעטרן בההוא טוב, ואלין אינון בעליו דההוא טוב.

82. AGAIN HE SAID TO HIMSELF, old, old man, you have spoken these words, yet you did not know whether the Holy One, blessed be He, is here, and whether those present here are worthy of these words. Do not fear, old man, for you have participated in several wars with mighty men yet you had no fear, yet now you fear. Speak up, for assuredly the Holy One, blessed be He, and the Congregation of Yisrael are here, and those present are righteous. Otherwise, I would not have met them, or began with these words. Speak up, old man, speak without fear.

We hear an explanation of "Hashem my Elohim, You are very great, You are clothed with glory and majesty," "who covers Himself with light as with a garment," "who stretches out the heavens," "who lays the beams of His chambers in the waters," "who makes the clouds His chariots," "who walks upon the wings of the wind," who "makes the winds His messengers." Next we learn about the souls of converts that soar from the Garden of Eden.

82. סבא סבא, את אמרת מלין אלין, ולא ידעת אי קודשא בריך הוא הכא, ואי אלין דקיימי הכא זכאין למלין אלין. לא תרחל סבא, דהא הוית בכמה קרבין דגברין תקיפין, ולא דחילת, והשתא אנת דחיל, אימא מילך, דהא ודאי הכא איהו קודשא בריך הוא וכ"י, וזכאין אינון אלין דהכא. ואי לאו הכי, לא אערענא בהו, ולא שרינא באלין מלין. אימא מלולך סבא, אימא בלא דחילו.

83. He opened up with the words, "Hashem my Elohim You are very great, You are clothed with glory and majesty" (Tehilim 104:1). "Hashem my Elohim" is the beginning of Faith: the rising of thought, WHICH IS CHOCHMAH, and the World to Come, WHICH IS BINAH, ARE PART OF the same secret, without separation. FOR ABA AND IMA, WHICH ARE CHOCHMAH AND BINAH, ARE TWO FRIENDS THAT NEVER SEPARATE. "You are very great" is the beginning OF THE SEVEN LOWER SFIROT, the first day, WHICH IS THE FIRST SFIRAH, CHESED. They are ancient days, NAMELY, IT RECEIVES FROM THE SFIROT OF ATIK, and is the right side. "Very" is the left side, NAMELY GVURAH.

84. "You are clothed with glory and majesty": these are the two branches of willow, WHICH ARE NETZACH AND HOD. IT SPOKE until here; once it reached the Tree of Life, WHICH IS TIFERET, it hid and could not be counted, because of "very." What is "very?" It is the left, as all the lower branches, among which is one bitter branch, WHICH IS SAMAEL, ARE INCLUDED IN THE LEFT. Therefore the Tree of Life hid, and did not wish to be part of the count, until it again praised in a different manner.

85. It says, "Who covers Himself with light as with a garment" (Ibid. 2): this is the beginning of the first day, NAMELY THE FIRST SFIRAH, CHESED. "Who stretches out the heavens" (Ibid.) IS TIFERET THAT IS CALLED HEAVENS. Here the left side, WHICH IS GVURAH, is included, yet it does not say 'very', for the left is included in the right so it illumines throughout the heaven, THAT IS TIFERET. "Who lays the beams of His chambers in the waters" (Ibid. 3). Here the Tree of Life gladly emerged, which is the tree that went out of Eden, NAMELY TIFERET. The two branches of willow, WHICH ARE NETZACH AND HOD, were rooted in its waters, where they grow. This is the meaning of, "Who lays the beams of His chambers in the waters." What are His chambers? They are the two branches of willow, NETZACH AND HOD.

86. This is the meaning of, "and that spreads out its roots by the river" (Yirmeyah 17:8). This is a secret mentioned in, "There is a river, whose streams make glad the city of Elohim" (Tehilim 46:5). Who are the streams? They are His roots, NAMELY NETZACH AND HOD. They are so called, His beams, roots and streams. They all grew roots in the water of the river, WHICH IS TIFERET.

87. "Who makes the clouds His chariots" (Tehilim 104:3): these are Michael and Gabriel, who are clouds. "Who walks upon the wings of the wind" (Ibid.) to give healing to the world. This is Refael. From now on, He "makes the winds His messengers..." (Ibid. 4). Old, old man, since you know these matters, speak and do not be afraid, speak up and let the words of your mouth shine forth. The friends rejoiced and were listening with joy to his holy words. THE OLD MAN SAID TO HIMSELF, Oh old man, what have you got yourself into? You have come into the great sea, and now you should swim to get out of there.

83. פֶּתַח וְאָמַר, יי' אֱלֹהֵי גְדֻלַּת מְאֹד הוֹד וְהִדְרָה לְבִשְׁתָּ. יי' אֱלֹהֵי: דָּא שִׁירוֹתָא דְמַהִימְנוּתָא, סְלוּקוּ דְמַחְשְׁבָהּ, וְעֵלְמָא דְאִתִּי, רְזָא חֲדָא בְּלֹא פְרוּדָא. גְדֻלַּת: דָּא שִׁירוֹתָא, יוֹמָא קְדָמָא, וְאִינוּן יוֹמִין עֵתִיקִין, סְטְרָא דִימִינָא. מְאֹד: דָּא הוּא סְטְרָא דְשְׂמַאלָא.

87. הַשָּׁם עֲבִים רְכוּבוֹ. דָּא מִיכָאֵל וְגַבְרִיאֵל, אֵלִין הֵם עֲבִים. הַמְהַלֵּךְ עַל בְּנֵי רוּחַ, לְמִיּהָב אֲסוּתָא לְעֵלְמָא, וְדָא אִיהוּ רְפָאֵל. מְכָאן וְלַהֲלָאָה עוֹשָׂה מְלָאכְיוֹ רוּחוֹת וְגו'. סְבָא סְבָא, אִי כָּל הַנִּי יִדְעַת, אִימָא וְלֹא תְדַחַל, אִימָא מִיִּלְךָ וִינְהֲרוּן מְלִין דְפּוּמָךְ. חֲדוּ חֲבַרְיָא, וְהוּוּ צִיִּיתִין בְּחֻדָּה לְמַלּוּי קְדִישִׁין. אָמַר אִי סְבָא אִי סְבָא, בְּמָה עֵיִלַת גְּרַמְךָ, עָאֵלַת בְּיָמָא רְבָא, אִית לְךָ לְשִׁטְטָא וְלִנְפָקָא מִתְּמָן.

88. "If he take another" (Shemot 21:10). How many ancient incarnations are here that were not yet revealed, which are all properly true, for one should not turn from the true path even a hairbreadth. First it should be commented that all the souls of the converts soar from the Garden of Eden by a hidden path TO BE CLOTHED IN CONVERTS. HE ASKS, once they depart from this world, to where do the souls the converts merited return? THAT IS, WHO RAISES THEM BACK TO THE PLACE FROM WHENCE THEY CAME, NAMELY THE GARDEN OF EDEN?

89. But we learned that whoever seizes and takes first the possessions of a convert WHO HAS NO HEIRS gets them. Here too, all these holy supernal souls that the Holy One, blessed be He, summons to come down as we said, emerge in specific times, NAMELY ON SHABBAT, HOLIDAYS AND THE FIRST DAY OF THE MONTH, to enjoy in the Garden of Eden where they meet the souls of the converts. Whichever of the souls they take, they merit and clothe themselves with it and rise. They all remain in that garment and descend into the Garden of Eden in that garment, since all those who stay there do so only in a garment. THUS, THOSE SOULS RAISE THE SOULS OF THE CONVERTS BACK TO THE GARDEN OF EDEN.

90. If you say that for that garment OF THE CONVERTS' SOULS, their former delight is diminished, it is written of it, "If he take another wife, her food, her clothing, and her duty of marriage, shall he not diminish." They remain in the Garden of Eden in that garment that they were the first to take and get, NAMELY THE GARMENT MADE OF CONVERTS' SOULS. When they rise, they strip themselves from it, because there, ABOVE, they are not clothed.

91. The old man cried as before, and said to himself: Old, old man, most certainly, you have reason to cry! Surely you have justification to shed tears for each and every word. Yet it is revealed to the Holy One, blessed be He, and His sacred Shechinah, that it is willingly and for their worship that I speak, since they are the owners of every word, and are adorned with them.

92. All those sacred souls, when they have descended to this world, come with a view to finding their proper resting place within the human being. They all come clothed with these souls OF CONVERTS, as we have stated, and in this manner pass into the holy seed. And with this raiment they are ready to be provided for in this world, WITH THE PRECEPTS AND GOOD DEEDS; and when these vestments have been satiated with the things of this world, NAMELY, THE PRECEPTS, then these sacred souls take pleasure in the fragrances that exude from their attire.

88. אם אחרת יקח לו, כמה גלגולין עתיקין הכא, דלא אתגלון עד האידינא, וכלהו קשוט בדקא יאות, דלית לאסטאה מארח קשוט, אמילו במלא נימא. בקדמיתא אית לאתערא, נשמתינ דגירין בלהו, פרחן מגו גנתא דערן בארח סתים, כד מסתלקן מהאי עלמא, נשמתינ דקא רווחא מגו גנתא דערן, לאן אתר תייבין.

93. All the esoteric functions that the Holy One, Blessed be He, performs are committed to the sacred Torah, and all are found therein. All concealed matters are revealed by the Torah, and immediately thereafter are clothed with another vestment, to be secreted therein and never to be revealed. Yet the sagacious scholars, whose eyes are filled, even though a matter is concealed in its vestment, can see it inside its garment. And when the matter is revealed, before it again is concealed in its vestment, they behold it fully; and even though it immediately passes from sight, it is never lost to their eyes.

94. In many places, the Holy One, blessed be He, cautioned the holy seed, NAMELY YISRAEL, to beware of the convert, since afterwards the hidden thing came out of its case, NAMELY ITS COVERING. Immediately after being revealed, it returned to its sheath to be covered there.

95. Since He cautioned in relation to the convert so many times, the matter came out of its sheath, was revealed and said, "for you know the heart of the stranger (also: 'convert')" (Shemot 23:9), THAT IS, BY MEANS OF THE SOULS CLOTHED IN HIM AS MENTIONED. Immediately it is inserted in its sheath, dons its garment and hides, as written, "seeing you were strangers in the land of Egypt" (Ibid.), WHICH IS A SECONDARY EXPLANATION. The verse reckons that since it is immediately clothed, none would notice it. Through the Nefesh of the convert, the Neshamah is made aware of worldly matters and enjoys them, BEING AN INTERMEDIARY BETWEEN THE SOUL AND THE BODY. HENCE IT SAYS, "FOR YOU KNOW..." The merchant says that "And Moses went into the midst of the cloud, and went up into the mountain" means that the rainbow, that is the secret of Malchut, stripped off her three colors and gave them to Moses, in which garment he ascended the mountain. The old man reminds us that the Torah reveals its secrets subtly and fleetingly to those who love it and who pursue it with heart and soul.

96. The old man opened with the verse, "And Moses went into the midst of the cloud, and went up into the mountain..." (Shemot 24:18). HE ASKS, what is this cloud, AND ANSWERS, it accords with the verse, "I have set my bow in the cloud" (Beresheet 9:13). We have learned that this rainbow, WHICH IS THE SECRET OF MALCHUT WHEN RECEIVING THE THREE COLORS, WHITE, RED AND GREEN, FROM THE THREE COLUMNS OF ZEIR ANPIN, stripped of her clothes, THE THREE COLORS, WHITE, RED AND GREEN, and gave them to Moses. In that garment Moses ascended to the mountain, and from within it he saw all that he saw and took delight in all. WHEN THE OLD MAN reached this place, the friends came to him, NAMELY RABBI CHIYA AND RABBI YOSI, and prostrated before him. They said, had we come into the world only to listen to these words out of your mouth, it would have sufficed us.

97. The old man said, friends, I have not started speaking for that alone, for an old man like me does not make ado for one thing and does not cry out TO MAKE HIMSELF KNOWN. THAT IS, UNLIKE THE NATURE OF AN IGNORANT PERSON, WHO, WHEN HE KNOWS SOMETHING, CREATES A COMMOTION AND MAKES A NAME FOR HIMSELF, ACCORDING TO THE PROVERB, 'AN EMPTY VESSEL RATTLES THE MOST'. How confused are the people in the world, and do not regard the Torah in the true way. The Torah calls to them daily with love, but they do not care to turn their heads TO LISTEN TO IT.

93. קודשא בריך הוא כל מלין סתימין דאיהו עביר, עאל לון באורייתא קדישא, וכלא אשתבח באורייתא, וההיא מלה סתימא גלי לה אורייתא, ומיד אתלבשא בלבושא אחרא, ואתטמר תמן, ולא אתגלי. וחבימין דאינון מליין עיינין, אע"ג דההיא מלה אסתים בלבושה, חמאן לה מגו לבושה, ובשעתא דאתגלי ההיא מלה עד לא תיעול בלבושא, רמאן בה פקחו דעינא, ואע"ג דמיד אסתים, לא אתאביר מעינייהו.

94. בכמה דוכתין אזהר קודשא בריך הוא על גיורא, דזרעא קדישא, יזדהרון ביה, ולבתר נפיק מלה סתימא מנרתקה. וכיון דאתגלי אהדר לנרתקה מיד, ואתלבש תמן.

95. כיון דאזהר על גיורא בכל אינון דוכתין, נפק מלה מנרתקה ואתגלי, ואמר ואתם ידעתם את נפש הגר. מיד עאלת לנרתקה, ואהדרת בלבושה ואתטמרת, דכתיב כי גרים הייתם בארץ מצרים, דחשיב קרא, דבגין דאתלבש מיד, לא הוה מאן דאשגח בה. בהאי נפש הגר, ידעת נשמתא קדישא במלין דהאי עלמא, ואתהניאת מנייהו.

96. פתח ההוא סבא ואמר, ויבא משה בתוך הענן ויעל אל ההר וגו', ענן דא מאי היא. אלא דא הוא דכתיב, את קשתי נתתי בענן. תנינן, דההוא קשת אשלחת לבושוי, ויהיב לון למשה, ובההוא לבושא סליק משה לטורא ומניה חמא מה דחמא, ואתהני מבלא. עד ההוא אתר, אתו אינון חברינא, ואשתטחו קמיה דההוא סבא, ובכו ואמרו, אלמלא לא אתינא לעלמא, אלא למשמע מלין אלין מפומך די לן.

97. אמר ההוא סבא, חברינא, לאו בגין דא בלחודוי שרינא מלה, דהא סבא כגיני, לאו במלה חדא עביר קיש קיש, ולא קרי, כמה בני עלמא בערבוביא בסכלתנו דלהון, ולא חמאן בארץ קשוט באורייתא, ואורייתא קרי בכל יומא ברחימו לגבייהו, ולא בעאן לאתבא רישא.

98. And though I said that in the Torah the matter comes out of its sheath to be seen little by little, and immediately hides, it is certainly so that when it does come out of its sheath to hide forthwith, THE TORAH does it but to those who have knowledge of it and become knowledgeable in it.

99. This is likened to a beautiful and good-looking beloved, who hides in the secret of her chamber. She has a lover unknown to men, who is in hiding. That lover, for the love he bears her, passes always around the gate to her house and looks everywhere. She knows that her lover always goes around her house's gate so she opens a small aperture in that hidden chamber when she stays, and reveals her face to her lover. Then immediately she is concealed again. None of those who were with the lover looked or observed, save the lover alone, whose entrails, heart and soul go out to her. And he knows that for the love she has for him, she is revealed to him for a moment to arouse the love of him. It is so with the Torah that is revealed only to its lover. The Torah knows that the wise-hearted paces around its gate every day, so it reveals its face to him from within the chamber and immediately return to its place to be hidden again. None of those with him knew or beheld it but he himself, and his entrails, heart and soul go after it. Hence the Torah is revealed and concealed and lovingly goes to its lover to arouse love with him.

100. Come and see: such is the way of the Torah. At first, when it begins to be revealed to man, it gives him a slight hint. If he recognizes it, well, but if he does not, it sends for him and calls him a fool. The Torah says to whoever it sends for, 'Tell that fool to come here so I can talk to him'. This is the meaning of, "Whoever is simple, let him turn in here: and as for him that lacks understanding..." (Mishlei 9:16). THAT MAN approaches, and it begins by speaking to him from behind the veil that it spreads before him, of matters according to his understanding, until little by little he will pay attention. This is homiletic interpretation.

98. ואע"ג דאמינא, דהא אורייתא מלה נפקא מנרתקה, ואתחזיאת זעיר, ומינר אתטמרת. הכי הוא ודאי. ובזמנא דאתגליאת מגו נרתקה ואתטמרת מינר, לא עברת דא, אלא לאינון דידיעין בה, ואשתמודעאן בה.

101. Afterwards it speaks with him in riddles from behind a thin sheet. This is Hagadah. When he frequents it, it is revealed to him face to face, and tells him all the obscure secrets and obscure ways that were hidden in its heart since primordial days. Then that man is a ruler, man of the Torah, the master of the house, since it revealed to him all its secrets and has not kept or concealed from him anything.

102. THE TORAH said to him, have you seen the allusion I gave you in the beginning? It contained such and such secrets, this is the way it is. He then sees that one must not add or diminish from the words in the Torah. Then the literal meaning is as it is, so that not even one letter must be added or taken away. Therefore the people in the world must take heed to chase after the Torah and love it, as we learned.

103. Come and see: "If he take another" (Shemot 21:10). The incarnations in this verse are great and lofty, as all souls incarnate. Yet people do not know the ways of the Holy One, blessed be He, and how the scales are placed and men judged every day at every season, and how souls are sentenced before they come into this world and sentenced after leaving this world.

104. How many incarnations and obscure deeds does the Holy One, blessed be He, bestow upon naked Neshamot WITHOUT A GARMENT OF THE TORAH AND THE PRECEPTS. And how many naked Ruchot walk about that world, not entering the presence of the King, and how many worlds are turned for their sakes, THAT IS, THE ARRANGEMENT OF THE GRADES, CALLED WORLDS, IS CHANGED FOR THEM. AND THE WORLD is turned around in many obscure wondrous ways. Yet people do not know nor observe. And how do souls roll (incarnate) as a stone in a sling, as written, "and the souls of your enemies, them shall he sling out, as out of the hollow of a sling" (I Shmuel 25:29)! He now reveals that all the Neshamot emerge from the great strong tree that is the river that comes out of Eden, that is Zeir Anpin, and all the Ruchot emerge from another smaller tree that is Malchut. They join together as male and female, and when they unite they are called a candle as they shine forth a great light. The Neshamah is enveloped in the Ruach so as to be there above in the Supernal Garden of Eden in the hidden chamber; the Nefesh does not come there, but when the Neshamah and Ruach descend to the lower Garden of Eden they are clothed in another spirit, the soul of a convert. The explanation turns to the concept of Levirate marriage following the death of a man who left no children. The merchant tells of the seven lands: Eretz (Land), Adamah (Ground), Gai (Valley), Nishyah (Forgetfulness), Tziyah (Wilderness), Tevel (World) and Arka.

105. Now is the time to reveal that all the Neshamot emerge from the great strong tree, which is the river that comes out of Eden, NAMELY ZEIR ANPIN, and all the Ruchot emerge from another, small tree, WHICH IS MALCHUT. A Neshamah emerges from above and a Ruach from below, and they join together as male and female. When they unite they shine forth a lofty light. The joining of the two is called a candle (Heb. ner), WHICH IS MADE OF THE INITIALS OF NESHAMAH RUACH, AS WRITTEN, "The soul of man is the candle of Hashem" (Mishlei 20:27). What is the candle? Neshamah Ruach. The joining of the two together is called a candle, as written OF THEM, "The soul of man is the candle of Hashem."

106. The Neshamah and Ruach are male and female that shine together. They do not shine without each other, and when they join, the whole is called a candle. Then the Neshamah is enveloped in a Ruach in order to be there above IN THE SUPERNAL GARDEN OF EDEN in the hidden chamber, as written, "but the spirit...should faint (or: 'envelop') before Me" (Yeshayah 57:16). It is not written, 'be enveloped' but "envelop," WHICH MEANS IT ENVELOPS OTHERS. The reason is that the Neshamah that I have made there, in the UPPER Garden OF EDEN, in the hidden chamber, is enveloped and clothed in the Ruach, as it should be.

107. Since this chamber has, and employs, only the Neshamah and Ruach, the Nefesh does not come there. Only THE NESHAMAH is clothed in the Ruach there. When it descends to the lower Garden of Eden, it is clothed in another spirit that emerges from there that dwelt there, THAT IS, THE SOULS OF THE CONVERTS. THE NESHAMAH dwells in this world in them all and is clothed in them, THAT IS, BOTH IN ITS OWN RUACH AND THE SOULS OF THE COVERTS.

108. That Ruach that comes out of this world, having neither grown nor expanded in this world, THAT IS, HAD NO CHILDREN, incarnates and finds no rest. It incarnates in this world as a stone in a sling, until he finds a redeemer to redeem him, THAT IS A KINSMAN TO MARRY HIS WIFE, and places him in the very vessel he employed and cleft to in Ruach and Nefesh, and which used to be his spouse, spirit to spirit, NAMELY HIS WIFE. That redeemer establishes him as before, THAT IS, BRINGS HIM INTO THE SON BORN FROM HIS WIDOW, SO HE COMES BACK TO LIFE IN THIS WORLD AS BEFORE.

105. השתא אית לגלאה, דהא כל נשמתין, מאילנא רברבא ותקיפא דהוא נהר דנפיק מעדן נפקי. וכל רוחין, מאילנא אחרא זעירא נפקין. נשמה מלעילא רוח מלתתא, ומתחברן כחדא, כגוונא דדכר ונוקבא. וכד מתחברן כחדא, כדין נהרין נהירו עלאה. ובחבורא דתרווייהו אקרי נר. נר יי' נשמת אדם. מהו נר. נשמה רוח. ועל חבורא דתרווייהו כחדא אקרי נר, דכתיב נר יי' נשמת אדם.

106. נשמה ורוח: דכר ונוקבא לאנהרא כחדא, ודא בלא דא, לא נהירין, ולא אקרי נר, וכד מתחברן כחדא, אקרי בלא נר. וכדין אתעטף נשמה ברוח, לקיימא תמן לעילא, בהיכלא טמירא, דכתיב כי רוח מלפני יעטוף. יתעטף לא כתיב, אלא יעטוף. מ"ט. בגין דנשמות אני עשיתי, תמן לעילא בגנתא, בהיכלא טמירא, אתעטף ואתלבש נשמה ברוח כמה דאתחזי.

107. וכיון דבההוא היכלא, לא הוי, ולא אשתמש אלא ברוח ונשמה, נפש לא אתי לתמן, אלא מתלבש בההוא רוח תמן, וכד נחתא לגו ג"ע דלתתא, אתלבש בההוא רוחא אחרא דאמינא, ההוא דנפיק מתמן, והוה מתמן ובכלהו שריא בהאי עלמא, ואתלבש בהו.

108. ההוא רוח דנפיק מהאי עלמא, דלא אתרבי ולא אתפשט בהאי עלמא. אזלא בגלגולא, ולא אשכח ניוחא, אתי בגלגולא בעלמא, כאבנא בקוסמיתא, עד דישבח ההוא פרוקא דיפרוק ליה, ואייתי ליה בההוא מאנא ממש, דהוה איהו אשתמש ביה, ודביק ביה תדיר רחיה ונפשיה, והות בת זוגיה, רוחא ברוחא, וההוא פרוקא בני ליה במלקדמין.

109. The spirit he left WITH HER IN HIS PRIOR LIFE, AS SHALL BE SAID THAT THE HUSBAND LEAVES IN HIS WIFE A SPIRIT IN HIS PRIOR LIFE, that cleaves to that vessel, NAMELY HIS WIFE, AS IT IS NEVER ABSENT FROM HER EVEN AFTER HIS DEMISE, is not lost. For there is nothing in the world, be it ever so small, that has no place or stand to hide in and go there, and it is never lost. The spirit he left in that vessel is therefore there, and it surely follows its root and foundation whence it came, NAMELY, THE HUSBAND WHO DIED CHILDLESS. It brings him and establishes him in his place, that is, the place of the spirit, which is his spouse that went out with him, THAT IS, HIS WIFE. There he is newly built, and is now a new creature in the world, a new spirit and a new body.

110. You may argue that the spirit IN THE BORN BABY is what it used to be, NAMELY, THE MAN HIMSELF AND NOT THE SPIRIT HE LEFT WITH HER WHEN HE INCARNATED BEFORE, WHICH IS BUT A PART OF HIM. HE ANSWERS, it is so, but he is established IN THE BORN SON only by means of the other spirit he left in that vessel, HIS WIFE. Here is the most secret of mysteries, in the book of Enoch. The edifice BUILT IN THE SON BORN TO THE LEVIRATE MARRIAGE is built only by means of the other spirit he left in that vessel, NAMELY HIS WIFE IN THE PRIOR LIFE. When it begins to be built, THE SPIRIT attracts the naked CHILDLESS spirit and draws it to itself. So two spirits are made there into one. Afterwards the one becomes a Ruach and the other Neshamah, both being one.

111. If he merits to be properly purified, the two become one, so that another, supernal Neshamah will be clothed in them. Just as other people in the world have a spirit that the Neshamot that come first hold on to, THAT IS, TO THE SOULS OF THE CONVERTS, and another spirit above, and the holy Neshamah above is clothed in both, so he too has two spirits, HIS OWN AND THE SPIRIT HE LEFT IN HIS WIFE IN A FORMER LIFETIME, so that the supernal Neshamah will be clothed in them.

112. HE ASKS, NOW THAT he has a body newly built BY LEVIRATE MARRIAGE, what is made of the first body he left? Either the one or the other is in vain. According to human understanding it seems that the earlier body that was not completed first is lost, because it did not acquire merit. If so, in vain was it occupied in the precepts of the Torah, even if it dealt with but one of them. Yet we know that even the most ignorant people of Yisrael are full to the brim with precepts. So this one, though it was not made whole in procreating and meriting and growing in the world, yet kept other precepts of the Torah, and did not lose them, was it for nothing?

113. Friends, friends, open up your eyes, for I know that you think and know that all those bodies are noted FOR DISTINCTION in vain, that they have no everlasting existence. This is not so, we must not look into these matters.

114. The old man opened with, "Who can utter the mighty acts of Hashem? Who can declare all His praise" (Tehilim 106:2). Who in the world can speak of the mighty acts the Holy One, blessed be He, constantly performs in the world? The first body he left is not lost. It will exist in the future to come, for it already received punishment in several manners. And the Holy One, blessed be He, does not withhold the reward of any creature He created, except those who came away from the faith in Him, and never had anything good in them, and those who did not bow at 'Modim' IN THE AMIDAH PRAYER. From these, the Holy One, blessed be He, makes other creatures, as that body will not be built in a human form and will never resurrect. But it is not so for those WHO DIED CHILDLESS.

115. If the spirit attained improvement in this world in that other body, what did the Holy One, blessed be He, do? The spirit of the redeemer who redeemed him, NAMELY, HIS BROTHER, that he put in there and mixed with the spirit that was in that vessel, WHICH HIS BROTHER LEFT IN HIS FORMER LIFE, is surely not lost. What is to become of it, seeing there are three spirits there - the first is THE SPIRIT that was in the vessel and remained there, THAT IS, THAT HIS DEAD BROTHER LEFT BEHIND IN HIS LAST LIFE. Another IS THE SPIRIT OF THE DEAD BROTHER ITSELF that is drawn there, which was naked, CHILDLESS. Yet another is the spirit that the redeemer put in, NAMELY THE KINSMAN, and mixed with them. For three spirits to be there is impossible, what is to be done?

116. These are the lofty mighty acts the Holy One, blessed be He, performs. The Soul is clothed with the spirit the redeemer put in there, instead of the garment of converts' souls. The DEAD MAN'S spirit, naked AND CHILDLESS, that returned there to be built ANEW, will serve as a garment to the supernal Soul. The spirit that was there before, which remained in that vessel, NAMELY THE SPIRIT HER DEAD HUSBAND LEFT IN HER FROM HIS PRIOR LIFE, flies away from there, and the Holy One, blessed be He, arranges a place within the secret of the window in the rock behind the back of the Garden of Eden where it hides. It rises to the former body that HE WHO DIED CHILDLESS had before. With that spirit, that body will rise AT THE RESURRECTION OF THE DEAD. This is the one that is two, which I mentioned.

113. חֲבֵרִיּוֹת חֲבֵרִיּוֹת, פְּקִיחוּ עֵינֵיכֶם, דָּהָא אֲנָא יַדְעָנָא, דְּהִכִּי אֲתוּן סְבִרִין וַיִּדְעִין, דְּכָל אִינוּן גּוּפִין, צִינוּן אִינוּן בְּרִיקְנִיּוּתָא, דְּלֹא אִית לֹון קִינוּמָא לְעֵלְמִין. לָאוּ הִכִּי, וְחָס לָן לְאַסְתַּבְּלָא בְּאַלִּין מְלִין.

116. אֲלָא, כִּן אִינוּן גְּבוּרִין עֵלְאִין, דְּעֵבִיד קוּדְשָׁא בְּרִין הוּא. הוּא רּוּחָא דְאַעִיל תְּמִן הוּא פְּרוּקָא, בִּיה אֲתַלְבֵּשׁ הוּא נִשְׁמַתָּא, בְּאַתֵּר דְּלְבוּשָׁא דְגִיּוּרִי, וְהוּא רּוּחָא עֲרִטְלָאָה, דְּתַב תְּמִן לְאַתְבְּנָאָה, לְהוּי לְבוּשָׁא לְנִשְׁמַתָּא עֵלְאָה. וְהוּא רּוּחַ דְּהוּוּ בְּקְדָמִיתָא, דְּאַשְׁתַּאֲר בְּהוּא מְנָא, פֶּרַח מִתְמִן. וְקוּדְשָׁא בְּרִין הוּא אֲזִמִּין לִיה אֲתֵר, בְּגוּ רִזִּין בּוּין דְּטְנָרָא, דְּבִתֵּר כְּתִמוּי דְּג"ע, וְאַתְטַמֵּר תְּמִן. וְאַסְתַּלֵּק לְהוּא גּוּפָא קְדָמָאָה, דְּהוּא בְּקְדָמִיתָא. וְבְּהוּא רּוּחַ יְקוּם הוּא גּוּפָא, וְדַאי אִיהוּ חֵד דְּאִינוּן תְּרִין, דְּקָא אֲמִינוּא.

117. But the punishment of that body, until it rises AND RESURRECTS, is great, since it did not merit growth BY CHILDREN, so it is brought down into Adamah, close to Arka. FOR THERE ARE SEVEN LANDS, ERETZ (LAND), ADAMAH (GROUND), GAI (VALLEY), NISHYAH (FORGETFULNESS), TZIYAH (WILDERNESS), TEVEL (WORLD). There he is punished. Then it is brought up to Tevel, WHERE WE ARE, and it descends BACK TO ADAMAH. Now it rises and now it descends. It has no rest, save on Shabbatot, holidays, and the first days of months.

118. These are those that sleep in the dust of the ground. Ground IS SO CALLED since it is from Adamah, dust IS SO CALLED since it is from Tevel. Of those it is written, "And many of those who sleep in the dust of the earth (Heb. adamah) shall awake, some to everlasting life, and some to shame and everlasting contempt" (Daniel 12:2). If the naked spirit, NAMELY THE SPIRIT OF HE WHO DIED CHILDLESS, was worthy of coming back into the world as before IN THE CHILD BORN TO THE LEVIRATE MARRIAGE to perfect itself, it is meritorious. For the spirit HE LEFT IN HIS WIFE IN THE FORMER LIFE, of which we said it was hid in the rock, will be corrected in the former body THAT THE CHILDLESS DECEASED LEFT BEHIND. Of these it is written, "some to everlasting life, and some to shame...", NAMELY, all those who did not attain perfection.

119. These are the lofty mighty acts of the holy supernal King, that nothing is lost. Even a breath has a place and rank, and the Holy One, blessed be He, does something from it. Even a man's word, even a voice are not in vain. Everything has place and station.

120. He who was just built, NAMELY THE CHILDLESS DEAD MAN, WHO INCARNATED IN THE CHILD BORN TO THE LEVIRATE MARRIAGE, and came into the world a new creature, has no soulmate. This is why HIS SOULMATE is not announced BEFORE HE IS BORN, because he lost his soulmate, who became his mother, while his brother became his father. The merchant, during these expositions, constantly berates and questions himself about the propriety of revealing these secrets, but then regains strength and sureness of purpose, and continues. Now he speaks of "Go forth, O daughters of Zion, and behold King Solomon", saying that Zeir Anpin calls Malchut daughter, sister and mother - everything is in her. The merchant explains at length the complicated arrangement of souls in the dead husband, the widow and the children of a Levirate marriage. The question of the role of soulmates in this instance is also addressed.

121. He said to himself, old, old man, what have you done? Silence would have been good for you. Old, old man, I have told you that you entered the great sea without ropes or a flag. What shall you do? If you mean to rise up, you cannot. If you intend to descend, behold the depth of the great abyss. What shall you do? Woe, old man, woe, it is not for you to turn back. In such times you were not wont to weaken in strength, for you knew that no other man in the generation would enter in a ship to the depth where you are.

122. The son of Yochai, NAMELY RABBI SHIMON, knows how to guard his paths. Had he entered the deep sea, he would pay attention, before entering, how he is to pass in a certain time and then roam in the sea. Yet you, old man, have not looked first. Now, old man, since you are there, do not weaken in strength, nor leave your path to roam right or left, to the length of width, to the depth or height. Do not fear, old man, strengthen yourself in your power. How many mighty men of strength have you broken, in how many wars have you conquered.

123. He wept, then and opened with the verse, "Go forth, O daughters of Zion, and behold King Solomon with the crown with which his mother crowned him on the day of his wedding, and on the day of the gladness of his heart" (Shir Hashirim 3:11). This verse has been expounded and it is so, yet go forth and behold - who could behold King Solomon (Heb. Shlomo), that is, the King that peace (Heb. shalom) is His, NAMELY ZEIR ANPIN. For He is concealed from all the celestial high armies that are in that place that, "neither has the eye see, (that) an Elohim, beside you" (Yeshayah 64: 3), WHICH IS BINAH. Yet you say, "Go forth, O daughters of Zion, and behold King Solomon." Moreover, as His glory, all the celestial angels ask, saying, 'where is the place of His glory', WHICH IS THE CONCEALMENT, SO WHAT IS THE GOOD OF "GO FORTH..."?

124. HE ANSWERS, yet in the words, "Go forth, O daughters of Zion, and behold King Solomon," it is written, "with the crown," instead of 'and the crown'. For whoever sees that crown, WHICH IS MALCHUT, sees the pleasantness of the King that the peace is His. "with which his mother crowned him," REFERS TO MALCHUT THAT SURROUNDS ZEIR ANPIN, for we have learned that he calls her daughter, sister and mother. She is all that and everything is in her. Whoever looks to know it, MALCHUT, will have knowledge of precious wisdom.

125. THE OLD MAN SAID TO HIMSELF, what shall I do now, if I say, yet this obscure secret must not be revealed. If I do not speak, these righteous men will remain bereaved of this secret. The old man fell on his face and said, "Into Your hand I commit my spirit: You have redeemed me, Hashem El of truth" (Tehilim 31:6). The vessel below, NAMELY THE WIDOW WHO USED TO BE THE DEAD CHILDLESS MAN'S WIFE, AND WAS UNDER HIM, how could it be above, AND BECOME HIS MOTHER? Her husband, NAMELY HE WHO DIED CHILDLESS, who was above her, how could he turn to be under, BECOMING HER SON? His spouse turns into his mother. Wonder upon wonder, his brother is his father. If the father of the former, HIS WIFE, would have redeemed him, AND MARRY HIS WIFE, it would have been well. But that his brother would be his father, is not it a wonder? Assuredly it is a world turned upside down, the upper below and the lower above.

126. But, "Blessed be the name of Elohim for ever and ever: for wisdom and might are His: and He changes the times and the seasons... He knows what is in the darkness, and the light dwells with Him" (Daniel 2:20-22). Come and see, whoever is in a lighted place, cannot look to see what is in the darkness. But it is not so with the Holy One, blessed be He. He knows what is in the darkness, even though light dwells with Him, and from within the light regards the darkness and knows all that exists there.

127. Here we should first introduce something the ancient people said in regard to visions at night. We learned that whoever comes into his mother (Heb. em) in a dream should expect Binah, as written, "if (Heb. im) you cry after wisdom (Binah)" (Mishlei 2:3). We should check this. If the reason for this is that it is a mother THAT HE SHOULD EXPECT BINAH, it is well. BUT it should have said that he who sees his mother in a dream should attain Binah, but not he who comes into his mother. Wherefore IS THAT?

128. HE ANSWERS, this is a high mystery. For he turned and rose from below upwards. At first he was a son, NAMELY BELOW HER; once he rose up AND CAME IN TO HER, the tree turned over so he became part of the supernal world and ruler over her, and attained Binah.

129. HE EXPLAINS HIS WORDS: at first, when a man reaches his thirteenth year, it is written, "Hashem has said to me, You are my son; this day have I begotten you" (Tehilim 2:7), FOR HE BECAME A SON OF MALCHUT, AND MALCHUT HIS MOTHER. Then he is under her. Once he came over her AND BECAME HER HUSBAND, he is of the supernal world, ZEIR ANPIN, because he rose to the grade of Joseph, WHO IS YESOD OF ZEIR ANPIN. Assuredly he merits Binah, LIKE ZEIR ANPIN THAT HAS MOCHIN OF BINAH.

130. It the same with the vessel, THE WIDOW. At first he, HER DEAD HUSBAND, was of the grade of Joseph, YESOD OF ZEIR ANPIN, THAT IS, the husband of the lower tree, MALCHUT. She obeys his wishes and he rules over her, because every woman is fashioned in the shape of the Nukva, WHICH IS the lower tree, MALCHUT. Since he did not wish to abide in the grade of Joseph, and did not live to use it and multiply in the world and beget offspring, BUT DIED CHILDLESS, he went down, AND INCARNATED IN THE CHILD BORN TO THE LEVIRATE MARRIAGE, while she, HIS WIFE, becomes his mother. The redeemer, HIS BROTHER, received the inheritance of Joseph that he, HIS BROTHER, had before, while he descended AND INCARNATED IN THE BORN CHILD.

126. אֵלֹהִים, לְהוֹדוֹת שְׁמִיּוֹתָיִךְ אֱלֹהִים מְבָרַךְ מִן עַלְמָא וְעַד עַלְמָא דִּי חֲכֵמְתָא וְגִבּוֹרְתָא דִּילִיָּהּ הִיא. וְהוּא מְהַשְׁנֵא עֲדֵנִיא וְזִמְנִיא וְגו' יִרְעֵה מַה בְּחֹשֶׁכָא וְנִהוּרָא עֵמִיָּה שְׂרָא. תָּא חֲזִי, מֵאֵן דְּשָׂרִי בְּנִהוּרָא, לֹא יָכִיל לְאַסְתַּבְּלָא וּלְמַחְמֵי בְּחֹשֶׁכָא. אֲבָל קוּדְשָׁא בְּרִיךְ הוּא לֹא חֲזִי, יִרְעֵה מַה בְּחֹשֶׁכָא, אַע"ג דְּנִהוּרָא עֵמִיָּה שְׂרָא. מְגוּ נִהוּרָא, אֲסַתְּבַל בְּחֹשֶׁכָא, וְיִרְעֵה כָּל מַה דְּתַמְנָן.

131. Since he descended, it was fulfilled in him, "Hashem has said to me, You are my son; this day have I begotten you," FOR HE BECAME HER SON. The tree turned over, whatever was below that he had power over AS A HUSBAND OVER HIS WIFE, now that he descended TO INCARNATE IN THE CHILD BORN TO THE LEVIRATE MARRIAGE, he, who inherited the place of Joseph, NAMELY HIS BROTHER THE REDEEMER, is called is father, and is his father. Everything is now in place, as it should be.

132. Before he was of the world of the male, THE ASPECT OF JOSEPH. But he was uprooted there and is now of the world of the female, WHICH IS MALCHUT. He used to rule her but now she rules him and he is back in the world of the female. Therefore he has no spouse at all, and no proclamation regarding spouse is made on his behalf, AS IS DONE FOR ANY MAN BEFORE HE IS BORN, 'THE DAUGHTER OF SO AND SO TO SO AND SO'. For he was returned to the world of the female.

133. If people would know the grief of the first body, which he WHO DIED CHILDLESS left, when it is uprooted from the world of the male and returned to the world of the female, they would know that no grief equals that grief. He has no spouse since he is not in the place of the male. No wife is proclaimed for him, because he is of the world of the female. If he does have a wife, it is with mercy THROUGH PRAYER that he meets a woman, who until now had no husband. In relation to that we learned that 'maybe another will precede him through mercy', the meaning of another IS THAT HE WHO DIED CHILDLESS IS CALLED OTHER. And everything is in order.

134. Regarding this it is written, "But if a priest's daughter be a widow, or divorced, and have no child, and has returned to her father's house, as in her youth" (Vayikra 22:13). We have explained the phrase 'a priest's daughter' AS THE SOUL. It is a widow from the former body OF THE CHILDLESS DEAD MAN, 'divorced' because it does not enter the King's curtain, because all those not of the world of the male have no share in it. He has gone and uprooted himself from the world of the male, so he has no share IN THE KING, ZEIR ANPIN. Hence it is divorced; "and have no child," for had it had a child, it would not be uprooted FROM THE WORLD OF THE MALE, nor had it descended to the world of the female.

135. "And has returned to her father's house": what is her father's house? HE ANSWERS, it is the world of the female, as that world is called her father's house. The vessel, HIS WIFE that was prepared for his use, turned; he came down while the vessel rose up, AS MENTIONED. "as in her youth," as in the time of which it is written, "this day have I begotten you" (Tehilim 2:7), AS HE BECAME THE SON OF THE FEMALE, WHICH IS MALCHUT. Assuredly "have I begotten you" and "he shall return to the days of his youth" (Iyov 33:25), as he used to be from his thirteenth year on.

136. If it merited perfecting itself, once it "has returned to her father's house...she shall eat of her father's bread," and partake of the delight of the world of the female where one eats of the bread of the noble that descends from above, FROM ZEIR ANPIN. But it cannot behold and enjoy what the rest of the righteous enjoy, because it is a stranger there, AS WRITTEN OF IT, "NO STRANGER SHALL EAT OF THE HOLY THING" (VAYIKRA 22:10), SINCE THE HOLY THINGS ARE IN THE WORLD OF THE MALE. But it does eat of the heave-offering, because it dwells in the world of the female.

137. Since it is of the world of the female, it eats it only at night, WHEN THE NUKVA, MALCHUT, REIGNS, as written, "And when the sun is down, he shall be clean, and shall afterwards eat of the holy things; because it is his food" (Ibid. 7). For the holy things that are from the world of the male are eaten only by day, THE TIME OF THE REIGN OF THE MALE, ZEIR ANPIN. Hence IT IS WRITTEN, "Yisrael is holy to Hashem, the first fruits of His increase" (Yirmeyah 2:3). IT IS CALLED FIRST, because the highest beginning of the whole world of the male is holy, NAMELY SUPERNAL ABA AND IMA THAT ARE THE MOCHIN OF ZEIR ANPIN. Whatever came out of holiness is Yisrael, NAMELY ZEIR ANPIN, and hence, "Yisrael is holy to Hashem, the first fruits of His increase."

138. When spirits visit the cemetery at appointed times, NAMELY FROM NIGHTFALL UNTIL MIDNIGHT, they do not visit those WHO DIED WITHOUT CHILDREN, since they do not attain the world of holiness, as written, "No stranger shall eat of the holy thing," AND THEIR SPIRITS HAVE NO ABUNDANCE TO BESTOW UPON THE BODY IN THE CEMETERY. And if the spirit did not attain proper correction, once it reincarnates, even in that place OF THE WORLD OF THE FEMALE, it does not eat of the heave-offering and is considered a stranger even to the lower world, THE FEMALE WORLD, and does not eat in it. Up to here concerning the secret OF LEVIRATE MARRIAGE.

139. HE SAID TO HIMSELF, old, old man, once you started to sail in the wide sea, go as you wish in every direction in the sea. It is now the time to reveal, for I have said that the redeemer, NAMELY THE KINSMAN, when he comes and enters the vessel I mentioned, NAMELY THE WIDOW, brings his spirit there and causes it to cleave to that vessel. Thus nothing is lost, not even a breath. It is well and it is so. Old man, if you talk and reveal, speak without fear.

140. As for other people who depart from the world, we know that the spirit one left in the wife he had, the spirit he placed there IN FORMER LIFE, what has become of that spirit? And if the wife remarries, what becomes of the spirit her first husband left in her, seeing that another man came in to her?

141. For a spirit to coexist with a spirit is impossible. For the one who just came in to her inserted a spirit in her, and also the first one who is gone placed a spirit in her. The first who is gone had children, so the current man is not a redeemer. Hence, the spirit the first husband left in the vessel and the spirit the other who came and brought in to her ALSO, surely cannot coexist in the body of that woman. If you say it is lost, this is impossible, AS NOTHING IS LOST. SO what has become of it?

142. Also, if she does not remarry, what becomes of the spirit her husband left in her? If you argue it is lost, it is not so. All this has to be revealed now. HE SAID TO HIMSELF, old, old man, see what you have done, what you have got yourself into. Arise, old man, raise your banner. Rise, old man and humble yourself before your Master. The talk turns to "Hashem, my heart is not haughty", and we are reminded how important it is to be humble of heart before the Holy King, however powerful we are in the world. The merchant then begins a section about divorce and the rules about remarriage. We hear of persons mentioned in scripture who were reincarnations of other named persons; for example, the merchant says that Boaz was a reincarnation, and that good often emerges from what had been evil.

143. The old man began with the verse, "Hashem, my heart is not haughty, nor my eyes lofty..." (Tehilim 131:1). King David said that, because he was a high king, ruler over all high kings and rulers from east to west, THAT IS, THEY WERE AFRAID OF HIS POWER. Yet it did not enter his mind to deviate from the way, and he always humbled his heart before his Master. When he was occupied with the Torah, he became strong as a lion, and his eyes were always cast to the ground for fear of his Master. When he walked among the people, he had no arrogance at all.

140. שָׂאֵר בְּנֵי נֶשְׁאָה דְעֵלְמָא, דְקָא מְסַתְלָקִי מִנְיָה, וְהָא יִדְעָנָא, דְרוּחַ דִּילֵיהּ שְׂבִיבָה בְּהֵיא אֶתְתָּא דְהוּת לֵיהּ, וְרוּחָא אֶעִיל תַּמָּן, מָה אֶתְעֵבִיד מֵהוּא רוּחַ. וְאִי נִסְבָּא הָאִי אֶתְתָּא, אוּף הָכִי, מָה אֶתְעֵבִיד מֵהוּא רוּחַ דְשְׂבִיבָה בְּהַ עֵלְהָ קְדַמָּא, דְהָא גְבַר אַחְרָא אֶתִּי עֵלְהָ.

141. לְאֶתְקֵימָא רוּחַ בְּרוּחַ לֹא אֲמָשֵׁר, דְהָא הָאִי דְאֶתִּי עֵלְהָ הַשְׁתָּא, רוּחַ אֶעִיל בְּהַ. וְכֵן הוּא קְדַמָּא דְאֶתְלָק בְּנִין הוּוּ לֵיהּ, וְדָא דְהַשְׁתָּא לֹא פְרוּקָא אִיהוּ, רוּחַ דְשְׂבִיבָה הוּא קְדַמָּא בְּהוּא מְאָנָא, וְאֶתָּא הָאִי אַחְרָא וְאֶעִיל בְּהַ רוּחַ, וְדָאִי לֹא יִכְלִי תְרוּוִיהוּ לְאֶתְקֵימָא בְּהוּא גּוּפָא דְאֶתְתָּא פְחָדָא, אִי נִימָא דְאֶתְאֲבִיד, אִי אֲמָשֵׁר, מָה אֶתְעֵבִיד מִנְיָה.

142. אוּף הָכִי אִי אִיהוּ לֹא אֶתְנַסִּיבַת, הוּא רוּחָא דְשְׂבִיבָה בְּהַ עֵלְהָ, מְאִי אֶתְעֵבִיד מִנְיָה. אִי נִימָא דְאֶתְאֲבִיד לֹא הָכִי. כָּל דָּא צְרִיךְ לְגַלְתָּא הַשְׁתָּא. סְבָא סְבָא, חָמִי מָה עֲבַדַת, וּבְמָה אֶעִילַת גְרַמְךָ. קוּם סְבָא, אָרִים דְגַלְךָ. קוּם סְבָא, וְאֲשְׁפִיל גְרַמְךָ קְמִי מְאָרְךָ.

143. פְּתַח הוּא סְבָא וְאָמַר, יְיָ לֹא גְבַה לְבִי וְלֹא רָמּוּ עֵינָי וְגו'. דְוֹד מְלָכָא אָמַר דָּא, בְּגִין דְהוּא מְלָכָא עֵלְתָּא, וְשְׁלִיטָא עַל כָּל מְלָכִין עֵלְאִין, וְשְׁלִיטִין דְאִית מִמְזֻרְחָ וְעַד מְעַרְבָ, וְלֹא סְלִיק עַל לְבִיהָ לְאֶסְטָא מְאָרְחָא, וְתַדִּיר שְׁפִיל לְבִיהָ קְמִי מְאָרְיָה, וְכַד הוּא לְעֵי בְּאוּרִייתָא, הוּא מְתַגְבֵּר בְּאֶרְיָא, וְעֵינוּי תַדִּיר מְאִיכִין בְּאֶרְעָא, מְדַחִילוּ דְמְאָרְיָה. וְכַד הוּא אֲזִיל בֵּין עַמָּא, לֹא הוּא בִּיהָ גְסוּת רוּחָא כָּלְלָ.

144. Therefore it is written, "Hashem, my heart is not haughty..." My heart is not haughty though I am a king and ruler over all the other kings in the world. "Nor my eyes lofty" when I am before You, delving in the Torah. "Nor do I exercise myself in great matters, or in things too high for me" (Ibid.), when I walk among the people. If King David said so, how much more so the rest of the people in the world! And I, how humble of heart I am and lowering my eyes before the holy King. Far be it for me to be proud in the holy matters of the Torah! He wept and his tears fell on his beard.

145. He said TO HIMSELF, old man, weary and powerless, how becoming are the tears on your beard, the good old man as becoming as the precious ointment running down on the beard of Aaron. Speak up, old man, for the holy King is here. Other people, when they depart from the world, leaving a spirit in the vessel they used, NAMELY THEIR WIVES, what happens to the first spirit, if she remarries and another comes and puts another spirit in that vessel, as I mentioned?

146. Come and see how lofty the mighty acts the holy King performs are. Who could tell them? When the second husband comes and inserts a spirit in that vessel, IN THE WIFE, the first spirit OF THE FIRST HUSBAND denounces the coming spirit, and they do not get along together.

147. For that reason the woman does not get along well with the second husband, since the spirit of the first is tapping inside her. She then remembers him always, weeps for him or sighs for him, since his spirit taps in her innards like a snake, and speaks ill of the other spirit that came from the second husband. They assail each other a long time.

148. If the one coming FROM THE SECOND HUSBAND removes the former spirit OF THE FIRST HUSBAND, it leaves and goes away. At times the first pushes away the second and attacks it, until it takes it out of the world. In relation to this we learned that from two or more, THAT IS, AFTER HER TWO HUSBANDS DIED, a man should not marry this woman, because the Angel of Death is strong in her. But people do not know that once the spirit OF THE FIRST HUSBAND prevailed and overcame the other, second spirit, AND PUSHED IT OUT OF THE WORLD, from now on no one should mix with her.

144. ועל דא פתיב, יי' לא גבה לבי וגו', לא גבה לבי, אע"ג דאנא מלכא שליטא על כל שאר מלכין דעלמא. ולארמו עיני, בזמנא דאנא קיימא קמך, לעי באורייתא. ולא הלכתי בגדולות ובנפלאות ממני, בשעתא דאנא אזיל בין עמא. ואי דוד מלכא אמר הכי, שאר בני עלמא על אחת כמה וכמה. ואנא כמה אנא שפיל לבא, ומאיך עינא קמי מלכא קדישא. וחס לי, דבמלין קדישין דאורייתא, ירום לבאי. בכה ודמעוי נמלין על דיקניה.

145. אמר, סבא לאי בחילא, כמה שפיראן דמעין על דיקנך, כמה דהוה שפיר משחא טבא, כד הוה נחית על דיקנא דסבא טבא דאהרן. אימא מילך סבא דהא מלכא קדישא הכא. שאר בני נשא דעלמא, דקא אסתלקו מניה, ושבקו רוחא בהווא מאנא, דהוו משתמשי ביה, ואתנסיבת, ואתא אחרא ואעיל בהווא מאנא רוחא אחרא, מה אתעביד מהווא קדמאה, כמה דאתמר.

146. תא חזי, כמה עלאין גבוראן דמלכא קדישא, דקא עביד, ומאן יכול למלא לון. כד האי בעלה תנינא, אתי ואעיל רוחא בהווא מאנא, רוחא קדמאה, מקטרגא בהאי רוח דעאל, ולא אתישבן כחדא.

147. ובגיני כך, אתתא לא אתיישבת כדקא יאות, בהדי בעלה תנינא, בגין דרוחא קדמאה מכשכשא בה, וכדין איהי דכירת ליה תדיר, ובכאת עליה, או אתאנחת עליה, דהא רוחא דיליה, מכשכשא במעאה כחויא, ומקטרגא בהדי רוח אחרא, דעאל בה מבעלה תנינא. עד זמן סגי מקטרגין דא בדא.

148. ואי אעבר דא דעאל, להווא דהוה קדמאה, דא קדמאה נפיק ואזיל ליה. ולזמנין, דדחי דא קדמאה להווא תנינא, ואתעביד ליה מקטרגא, עד דאפיק ליה מעלמא. ועל דא תנינן, דמתרין ולהלאה, לא יסב בר נש להאי אתתא, דהא מלאך המות אתתקף בה, ובני עלמא לא ידעין, דהא רוחא פיון דאתתקף וקא נצח להווא רוחא אחרא תנינא, מפאן ולהלאה לא יתערב בר נש אחרא בהדה.

149. Friends, I do know that now you should raise a question and say that in this case, the second husband died unlawfully and was not judged from above, BUT WAS REJECTED BY THE SPIRIT OF THE FIRST HUSBAND. Come and see, everything is according to law, BECAUSE IT HAS BEEN DECREED ABOVE that either one would overcome one, or that one would not attack one. He who marries a widow is like he who enters the sea with strong winds BLOWING, without ropes, and does not know whether he will pass in peace or drown in the deep.

150. If the second spirit that JUST entered prevails and overcomes the first SPIRIT, the first goes away from there and goes its way. HE ASKS, whither does it go, and what becomes OF IT? HE SAID TO HIMSELF, old, old man, what have you done? You thought you would speak a little and come away, but you have entered a place where no one else has entered since the day Do'eg and Achitofel formed these questions of the four hundred questions they were asking about the tower soaring in the air. None had answered them until King Solomon came, who properly clarified each one. Old, old man, you have come to reveal a concealed lofty secret, what have you done?

151. Old, old man, you should have guarded your path in the beginning and observed when you started, but now is not the time to hide. Old man, answer with your might. Whither does the spirit go, which left? He wept and said, friends, all these tears I wept were not for your sakes, but I feared the Master of the universe, for revealing hidden ways without permission. But it is known before the Holy One, blessed be He, that is not for my own glory or the glory of my father, but my wish is to serve Him. And I have seen the preciousness of one of you in that world, and I know it is the same with the other, though it has not been disclosed to me. But now I see.

152. We have learned that a man is pushed aside for another, and they are rejected in many hidden ways. The first spirit that was pushed aside before the second, where does it go? HE ANSWERS, the spirit leaves and goes to roam the world unbeknownst, and goes to the grave of that man, from whence it goes about the world, to be seen to people in dreams. They see in a dream the image of that man, who informs them of things according to the way of the first spirit that came out of him. As things are in that world, it goes about and informs so in this world.

153. In this manner it goes about the world, always visiting that grave, when spirits visit the graves of the bodies. THEN THE SPIRIT ITSELF OF THE FIRST HUSBAND GOES TO THE GRAVE TO VISIT ITS BODY. Then this spirit, WHICH IS JUST A PART OF THE MAIN SPIRIT, joins its MAIN spirit, which is clothed in it and goes its way. And when THE SPIRIT enters its place, it is divested of it. And it has place in the chambers in the Garden of Eden, or outside, according to the way of each individual. There it hides.

154. And when the spirits visit this world, the dead are engaged with the living only by means of the attraction of that spirit, NAMELY, THE SPIRIT THE HUSBAND LEAVES IN HIS WIFE IN THE PREVIOUS LIFE, in which the other, MAIN spirit is clothed. If it is said that it is for the good of the spirit, and the woman does good in every way, BECAUSE BY MEANS OF THE SPIRIT HER HUSBAND LEFT IN HER, THE SPIRIT IS ATTACHED TO THE LIVING, it is not so. For had she not married another, and had the first spirit not been rejected before the other man, THE SECOND HUSBAND, he would have derived benefit in another way, and not TOIL in that world as he does, nor be attached to the living in this world, roaming to and fro.

155. HE ASKS, if so, the second marriage of the woman is not decreed from above, because you said one man is rejected before another. HE ANSWERS, yet I say that the second husband who married this woman, she is his very soulmate, while the first is not her real soulmate. Therefore she is of the second, and when his time comes AND HE MARRIES HER, the first is pushed aside from before him. Assuredly it is so, because the spirit of the first that was in that woman is rejected only because the second is her soulmate. THUS THE SECOND MARRIAGE IS FROM HEAVEN.

156. All those second HUSBANDS rejected before the first HUSBANDS, the first ones were their soulmates while the latter were not. This is why they do not live with them, and the second spirit is pushed from before the first spirit. Hence one says of he who marries a widow, "and knows not that it is for his life" (Mishlei 7:23), "For no heed is taken of the net" (Mishlei 1:17), since it is not known if she is his real soulmate or not.

157. An unmarried widow, who does not wish to marry even if her soulmate comes, the Holy One, blessed be He, does not force her to by law. And the Holy One, blessed be He, arranges that man another wife, and THE WIDOW is not judged for this in that world, even if she does not have a child, since a woman is not commanded to be fruitful and multiply, as we explained.

158. What becomes of the spirit in this woman, who does not remarry, whose husband left in her IN HIS LAST LIFE? HE ANSWERS, it remains there, IN THE WIFE, twelve months, and every night it comes out, visits the Nefesh and returns to its place. After twelve months, the sentence is alleviated from that man, NAMELY HER HUSBAND, for during the twelve months the spirit is downcast with sadness the whole day. After twelve months it goes away from there, FROM THE WIFE, and goes to stand at the gate of the Garden of Eden, and visits in this world that vessel, THE WOMAN, which it left. When the woman leaves the world, that spirit comes out and is clothed in her spirit, OF THE WIFE, and she gains it by her husband, and they both illuminate worthily, united into one.

159. Having come to this place, it is now proper to reveal the hidden ways of the Master of the universe, which people do not know of. They all follow the true path, as written, "for the ways of Hashem are right, and the just do walk in them: but the transgressors shall stumble in them" (Hoshea 14:10). But people do not know nor care how lofty the deeds of the Holy One, blessed be He, are and how diverse, yet the people in the world do not know it. They are all in the path of truth, not turning right or left.

160. As for those incarnated, who were driven out (divorced) of that world and have no spouse, HE ASKS, the spouses they marry in this world, who are the women whom they marry in this world? For any man has a spouse except him WHO INCARNATES.

161. See now how great and lofty His mighty acts are. We learned that whoever divorces his first wife, the altar sheds tears for him. HE ASKS, why the altar, AND ANSWERS, I say that all the women in the world are fashioned in the shape of the altar, WHICH IS MALCHUT, AS EVERY WOMAN'S ROOT IS IN MALCHUT. They therefore inherit seven blessings, all from the Congregation of Yisrael, WHICH IS MALCHUT. And if he divorces her, HIS FIRST WIFE, the stone OF THE SUPERNAL ALTAR, NAMELY, THE ROOT OF THAT WOMAN, WHICH IS IN MALCHUT, reverts to a state of deficiency and lack. What is the reason for this? IT IS because the two divorcees are united. JUST AS SHE WAS DIVORCED FROM HER HUSBAND, IT IS DIVORCED FROM ITS ROOT IN MALCHUT.

158. אֶתְתָּא דָּא דְּלֹא אֲתַנְסִיבַת זְמַנָּא תְּנִינָא, הֵוּא רוּחַ דְּשִׁבְק בְּהָ בְּעֵלְהָ מַה אֲתַעְבִּיד מְנִיָּה. יְתִיב תַּמָּן תְּרִיסַר יַרְחֵי, וּבְכָל לַיְלִיא וְלַיְלִיא, נְפִיק וּמְקַדָּא לְנַפְשָׁא, וְאֲתַהֲדַר לְאַתְרֵיהָ. לְבַתַּר תְּרִיסַר יַרְחֵי, דְּקָא אֶסְתַּלַּק דִּינָא דֵּהוּא גְבַרָא, דֵּהָא כָּל אֵינּוֹן תְּרִיסַר יַרְחֵי, הָא רוּחָא אֲתַכְפִּינָא בְּעַצִּיבוּ כָּל יוֹמָא. לְבַתַּר תְּרִיסַר יַרְחֵי, נְפִיק מִתַּמָּן, וְאִזִּיל וְקִיּוּמָא לְתַרְעָן עָדָן, וּמְקַדָּא לְהַאי עֲלָמָא, לְגַבֵּי הֵוּא מְאָנָא, דְּנְפִיק מְנִיָּה. וְכֹד הָאֵי אֶתְתָּא אֶסְתַּלַּקַת מֵעֲלָמָא, הֵוּא רוּחַ נְפִיק וְאֲתַלְבֵּשׁ בְּהֵוּא רוּחַ דִּילְהָ, וְזָכַתַת בֵּיהּ לְגַבֵּי בְּעֵלְהָ, וְנִהְרִין תְּרוּוּיְהוּ, כְּדָקָא יְאוּת, בְּחַבּוּרָא חֲדָא.

162. This is the secret of the words, "then let him write her a bill of divorce, and give it in her hand...And when she is departed out of his house, she may go and be another man's wife" (Devarim 24:1). HE ASKS, seeing that "she may go and be another man's wife," do I not know he is not the one who divorced her? Why DOES IT SAY "another"? HE ANSWERS, it is as we learned it, we learned of the other, and it is written of "another," and he is called another, as written, "and out of the earth shall others spring" (Iyov 8:19). HENCE THE INCARNATED IS CALLED 'ANOTHER'. And the divorcees are joined together, he who is divorced from that world, NAMELY THE INCARNATED MAN WHO HAS NO SPOUSE, WHO IS DRIVEN AWAY FROM THAT WORLD INTO THIS WORLD, WHO MARRIED THE DIVORCED WOMAN, and the divorced WOMAN in this world FROM HER HUSBAND, as this woman who had the supernal shape OF MALCHUT, is now enslaved to the lower shape, NAMELY TO THE INCARNATED MAN WITHOUT A SPOUSE, WHO MARRIED HER, who is called another, AS MENTIONED BEFORE. FOR HE CLEAVED TO ANOTHER EL, FOR WHICH REASON HE AGAIN INCARNATED IN THIS WORLD.

163. And he is called 'last'. Whence do we know he is called latter? From the words, "and that he who outlives all things (lit. 'latter'), will rise" (Iyov 19:25). SO THE INCARNATED MAN IS CALLED LATTER. And here it is written, "And if the latter husband hate her" (Devarim 24:3), or, "or if the latter...should die" (Ibid.). HE ASKS, it says latter, while it should have said 'second'. If you say THE PURPOSE OF THE VERSE IS TO FORBID that she would marry ten one after the other, it is not so. For she would marry this husband and no other, WHEREFORE SHOULD SHE BE FORBIDDEN TO ANOTHER? Why is he then called 'last'?

164. HE ANSWERS, this is the last we mentioned. He is another and is last. For now the stone turns in the sling, WHICH MEANS THAT IN RELATION TO THE FIRST BODY THAT DIED, THE INCARNATED IN THE SLING, WHO CAME AGAIN INTO THE WORLD IS CALLED BY THE NAME 'ANOTHER' AND 'LATTER (LAST)'. SINCE HE HAS NO SPOUSE HE MARRIES THE DIVORCEE AND HENCE THE VERSE CALLS HIM 'ANOTHER' AND 'LAST'. HE ASKS, why is he called another IN RELATION TO THE FIRST BODY THAT DIED, seeing that the whole edifice, NAMELY THE FIRST BODY, collapsed and returned to the dust AND IS AS IF IT NEVER EXISTED, and that THE INCARNATED is what THE FIRST BODY was and not another. Why then is he called another, and also why latter? If he is the latter because he straightens his ways AND IMPROVES, it is well, BECAUSE HE IS LAST AND INCARNATES NO LONGER. But if not, he incarnates again to be planted as before. Why then is he called last?

165. Yet come and see, it is written, "And Elohim saw everything that He had made, and, behold, it was very good" (Beresheet 1:31). What is 'good'? It is the Angel of Good; 'very' is the Angel of Death. The Holy One, blessed be He, summons ways of correcting for everyone, SO THAT EVEN THE ANGEL OF DEATH REVERTS TO BEING VERY GOOD.

166. Come and see, "And a river went out of Eden to water the garden" (Beresheet 2:10), WHICH IS ZEIR ANPIN THAT WATERS MALCHUT THAT IS CALLED GARDEN. This river never ceases from multiplying, increasing and producing fruit, while another El is sterile and never has any desire, does not fertilize or produce fruit. For had it produced fruit, it would have troubled the world.

162. וְרָזָא דָא דְכָתִיב, וְכָתַב לָהּ סֵפֶר בְּרִיתוֹת וְנָתַן בְּיָדָהּ וְגו', וַיֵּצֵאָה מִבֵּיתוֹ וְהִלְכָה וְהִיְתָה לְאִישׁ אֲחֵר. מִמְשַׁמֵּעַ דְּאָמַר, וְהִלְכָה וְהִיְתָה לְאִישׁ, לֹא יִדְעֵנָא דְלִיתִיהּ הֵהוּא דְתֵרִיךְ לָהּ, מֵאִי אֲחֵר. אֲלֵא כַּמָּה דְאִתְמַר, אֲחֵר תֵּנֵן, וְאֲחֵר כְּתִיב, וְאֲחֵר קְרִינֵן לִיְהוָה, דְכָתִיב וּמַעֲפָר אֲחֵר יִצְמָחוּ. וְתִרוּכִין מִתְחַבְּרִין כְּחֵדָא, תִּרוּכִין דִּהְהוּא עֲלָמָא, וְתִרוּכִין דִּהְיָי עֲלָמָא. וְמָה דִּהְוֹת הָיִי אִתְתָּא, בְּדִיוּקְנָא עֲלָאָה, הָא אִשְׁתַּעֲבָדָא לְדִיוּקְנָא תַתָּאָה, קְרִינָא לִיְהוָה אֲחֵר.

165. אֲבָל תָּא חֲזִי, כְּתִיב וַיִּרְא אֱלֹהִים אֶת כָּל אֲשֶׁר עָשָׂה וְהִנֵּה טוֹב מְאֹד, מֵאִי טוֹב. תִּנְיִנֵן, דָּא מְלֶאכְךָ דְטוֹב. מְאֹד, דָּא מְלֶאכְךָ הַמּוֹת. וְלִכְלָא קוּדְשָׁא בְּרִיךְ הוּא אֲזִמִּין תְּקוּנוֹי.

166. ת"ח, כְּתִיב וְנָהַר יוֹצֵא מֵעַרְן לְהַשְׁקוֹת אֶת הַגֶּן, נָהַר דָּא, לֹא שְׂכִיךְ לְעֲלָמִין, מְלֶאכְשָׁא וְלְמַסְגִּי וְלְמַעֲבַד פִּירִין. וְאֵל אֲחֵר אֲסַתְרֵס, וְלִית לִיְהוָה תִּיאוּבַתָּא לְעֲלָמִין, וְלֹא אֶפִּישׁ, וְלֹא עֵבִיד פִּירִין, דְאֲלָמְלִי עֵבִיד פִּירִין, יִטְשֵׁשׁ לְכָל עֲלָמָא.

167. This is why the man who caused that side to increase in the world is called evil and never beholds the face of the Shechinah, as written, "nor shall evil dwell with You" (Tehilim 5:5). An incarnated man, who transgresses and cleaves to another El, which does not produce fruit nor multiplies in the world, is therefore called another. The name OF THE OTHER SIDE brought it upon him that even if he, THE DEAD MAN, is THE INCARNATED ONE, he is called another LIKE THE OTHER SIDE, another surely.

168. "Latter": he is called latter since from the first time onward one is always called latter, and named latter IN THE TORAH. Be he second, he is called latter forthwith, and the Holy One, blessed be He, calls him thus, latter, so that he will be perfected IN THIS INCARNATION and be last and come back no longer TO INCARNATE AGAIN. The third too IS CALLED LATTER, and so each time HE INCARNATES after the first time, he is called latter. And he should be called latter, for were he called second, an excuse WOULD BE GIVEN for him TO INCARNATE again, and for the current edifice to collapse.

169. Whence do we know that? From the second Temple that is called latter, as written, "The glory of this latter house shall be greater than that of the former (first)" (Chagai 2:9). For from the first onward it is called latter, so there will be no excuse that the edifice will collapse and will BE BUILT again as before.

170. In this case too, the incarnated man also is called last, LIKE THE SECOND TEMPLE. Hence it is written, "her former husband, who sent her away, may not take her again to be his wife" (Devarim 24:4). HE ASKS, why "may not"? It should have been 'will not take her.' HE ANSWERS, once the woman cleaved to another and went down to be enslaved to the lower grade OF THE OTHER SIDE, the Holy One, blessed be He, does not wish the former to descend from his grade and produce fruit and cleave to a grade that is not his.

171. And come and see, if that woman does not marry, even if she whores with all the men in the world, if her husband wishes to, he may return to her. But if she cleaved in marriage to another, she cannot return to the former grade she had. HENCE IT IS WRITTEN, "MAY NOT"; assuredly he may never return to that grade.

167. ובג"כ, בר נש דגרים להווא סטר דיפוש בעלמא, אקרי רע, ולא חמי אפי שכינתא לעלמין, דכתיב לא יגורך רע. האי בר נש, דמתגלגלא בגלגולא, אי איהו עבר ואתדבק בהווא אל אחר, דלא עביד פירין, ולא אפיש בעלמא, בגין כך אקרי אחר, ושמא גרים ליה, איהו הוא, ואחר אקרי, אחר ודאי.

168. אחרון: מקדמא ואילך, אחרון קרינן ליה, ואחרון אקרי. תניינא איהו, ומיד אקרי אחרון, והכי קרי ליה קודשא בריך הוא אחרון, בגין דיתתקן למיהוי אחרון, ולא יתוב במלקדמין. תליתאה אוף הכי. וכן בכל זמנין, מקדמא ואילך. הכי אקרי אחרון, והכי אצטריך למקרי אחרון, דאלמלא אתקרי מיד תניינא, הא פתיחו דפומא לאהדרא במלקדמין, והווא בניינא אסתת.

169. מנלן. מבית שני דאקרי אחרון, דכתיב גדול יהיה כבוד הבית הזה האחרון מן הראשון. דהא מקדמא ואילך, אחרון אקרי, דהא לא יהא פתיחו דפומא, דהווא בניינא ינפול, ויתהדר במלקדמין.

170. אוף הכי דא, אחרון קרינן ליה. ובגין כך כתיב, לא יוכל בעלה הראשון אשר שלחה לשוב לקחתה. לא יוכל, לא יקחנה מבעי ליה, מאי לא יוכל. אלא ביון דהאי אתתא אתדבקת באחר, ונחתת לאשתעבדא בדרגא תתאה, לא בעי קודשא בריך הוא, דאיהו יתוב מדרגא דיליה, למיהב איבא, ולא תדבקא בהווא דרגא דלאו דיליה.

171. ות"ח, אי האי אתתא לא אתנסבת, אפילו תזנה בכל גוברין דעלמא, אי בעי בעלה יתוב לגבה, אבל אי אתדבקא בנשואין לאחר, דא לא יוכל לשוב לדרגא קדמאה, דהוה בקדמיתא לגבה. לא יוכל ודאי לאתבא להווא דרגא לעלמין.

172. "After she is defiled" (Ibid.). We learned that she is defiled in his heart. HE ASKS, if this is so, even if she goes out to whore without marriage SHE SHOULD BE FORBIDDEN. HE ANSWERS, once she cleaves to the other, she accepts upon her the portion of that EVIL side. Her first husband is of the other, good side, BUT she shall never have a portion of that good, and he must not increase that place at all. Hence, if the latter man sends her out or "if the latter husband...should die" (Ibid. 3), she is forbidden to the first one. But she is permitted to other men; perhaps she will find a place again and a latter one to come and marry her.

173. Whoever has children from the first wife, yet brings this WOMAN into his house, cleaves that day to the relentless revolving sword for two reasons. The first is that she has already rejected two men, and he is the third. Another is that how could he put his spirit in a vessel that another had joined, to join her and cleave to her, not because she is forbidden but it is a bad alliance for himself.

174. Rabbi Levitas, the leader of Kfar Ono, used to laugh and joke about such a woman, when he saw someone marrying her. He would say, it is written, "and she laughs at the time to come" (Mishlei 31:25); if she marries a latter man, he later becomes a laughing stock.

175. Let us come back and contemplate a certain great and lofty place that was in the world, a true stock and root. It is Oved, the father of Yishai, father of David. We learned that THE INCARNATED is the latter, AND OVED WAS AN INCARNATION OF MACHLON, WHO DIED CHILDLESS. How could a true root come from such a place?

176. HE ANSWERS, but Oved was improved by lofty correction, and the root of the inverted tree, WHERE THE WIFE BECOMES THE MOTHER, was set aright again. And he rose in it and was duly perfected. Hence he is called Oved, DERIVED FROM WORK, something that none of the people in the world merited.

177. OVED came, cultivated (Heb. avad) and hoed the trunk and root of the tree, came out of the bitter face and again improved the branches of the tree, MALCHUT. Yishai his son came, strengthened and fixed it, and held to the boughs of another, higher tree, ZEIR ANPIN. He joined one tree to another and they intertwined. When David came, he found the trees, ZEIR ANPIN AND MALCHUT, intertwined and bound to each other. He then inherited dominion in the land. All this Oved brought about.

178. The old man wept and said TO HIMSELF, Woe old man, have not I told you that you entered the great sea. Now you are in the great deeps. Prepare to rise. Old, old man, you have brought all this about. Had you been quiet before, it would have become you, but now you cannot, and there is none to hold your hand save you alone. Arise old man, and rise up.

179. Oved was corrected and came out of the evil field of evil cisterns. His son Yishai came and fixed and hoed the tree. Nevertheless, this is the most secret of mysteries, and I do not know whether I should tell it or not. Speak up, old man, assuredly I say that in this way are recognized all the incarnated. Though Oved fixed the tree, when King David came, he remained in the lower tree of the female, WHICH IS MALCHUT, and had to receive life from another, for of himself he had no life. And if this is so for he, who was perfected and perfected everything, this is much more so for other people, who cannot be thus perfected. The merchant tells the rabbis about the levels Chesed, Gvurah, Tiferet and Malchut attaching to the grades Reuben, Shimon, Levi and Judah, and how this relates to barrenness. He speaks a great deal about Judah, and about the twelve tribes of Judah, saying that they are celestial shapes after the supernal shape; since they were real people in this world, the Shechinah was perfected by them.

180. In every respect this turns to incarnation. Peretz was so, AN INCARNATION OF ER; Boaz was so, AN INCARNATION OF JUDAH; Oved was so, AN INCARNATION OF MACHLON. In them all, the tree came out of the evil side and then cleaved to the good. At first, "And Er, Judah's firstborn, was wicked in the sight of Hashem" (Beresheet 38:7). Machlon was also evil, though not as much. But in these, evil was consumed, and good then emerged, THAT IS, him of whom it is written, "good looking" (I Shmuel 16:12), AND "Hashem was with him" (Ibid. 18). Here the lower tree, MALCHUT, reached completion, and "Elohim reigns over the nations" (Tehilim 47:9).

181. In the very beginning, the grades, Reuben, Shimon, Levi and Judah struck root in the supernal essence and foundation. THEY ARE CHESED, GVURAH, TIFERET AND MALCHUT. It is written of him, "Now I will praise Hashem...and she left off bearing" (Beresheet 29:35). This is the meaning of, "Sing, O barren one, you that did not bear" (Yeshayah 54:1), since when Judah was born, the Nukva, MALCHUT, came out attached to the Male, ZEIR ANPIN, but there were not well set face to face, and MALCHUT was not capable of bearing. When the Holy One, blessed be He, sawed her, THAT IS, DETACHED HER FROM THE BACK OF THE MALE, and fixed her, she became capable of conceiving and bearing, AS WILL BE EXPLAINED.

182. In the book of Enoch it is written that, "she left off bearing" does not refer to Leah, WHO IS THE NUKVA OF ZEIR ANPIN ABOVE THE CHEST, but to Rachel, who is "weeping for her children" (Yirmeyah 31:14). It is she, THE NUKVA OF ZEIR ANPIN BELOW THE CHEST, who struck root in Judah, who is composed of the letters Yud Hei Vav and Dalet Hei. "And she left off bearing," because she is not yet corrected.

183. At first, everything had the upper form, AND EVEN RACHEL ASCENDED ABOVE THE CHEST. Reuben is composed of the segments Or (Eng. 'light') Ben (Eng. 'son'), which is the secret of, "And Elohim said, Let there be light" (Beresheet 1:3), which is right, NAMELY CHESED OF ZEIR ANPIN. Shimon is the left, and is light together with the oars of gold, because Shimon is composed of the segments Shem Avon (Eng. 'name of iniquity'), WHICH IS THE LEFT, GVURAH OF ZEIR ANPIN. Levi is overall unity, the joining of the two aspects, BEING THE CENTRAL COLUMN THAT UNITES THE RIGHT WITH THE LEFT. HE IS TIFERET OF ZEIR ANPIN. AFTER THE EMERGENCE OF CHESED, GVURAH AND TIFERET ABOVE THE CHEST, THE NUKVA CALLED RACHEL CAME OUT. That is Judah, WHO IS THE NUKVA. The Female cleaves to the Male, WHO IS CHESED, GVURAH AND TIFERET OF ZEIR ANPIN; Yud Hei Vav is the Male, NAMELY CHESED, GVURAH AND TIFERET; Dalet and Hei are the Nukva, RACHEL who was with him, WITH THE MALE.

184. HE ASKS, THE NUKVA IS ALLUDED TO IN THE LETTERS Dalet Hei. Why Dalet Hei? HE ANSWERS, THE NUKVA IS CALLED Dalet while evil cleaves to her, NAMELY WHEN SHE IS OF THE QUALITY OF THE LEFT ONLY, AND IS ATTACHED TO THE BACK OF THE MALE. She is Dalet, which means she is poor (Heb. dalah), and needs to reincarnate, REFERRING TO THE INCARNATIONS FROM JUDAH TO KING DAVID, to destroy that evil, wither in the dust and grow again on the good side, NAMELY BY BUILDING ABA AND IMA ANEW, ACCORDING TO THE SECRET OF THE VERSE, "AND OF THE SIDE, WHICH HASHEM ELOHIM HAD TAKEN FROM THE MAN, HE MADE A WOMAN" (BERESHEET 2:22), to emerge from poverty to wealth. She is then called Hei, and hence JUDAH IS COMPOSED OF THE LETTERS Yud Hei Vav and Dalet Hei, YUD HEI VAV BEING CHESED, GVURAH, AND TIFERET OF THE MALE, AND DALET AND HEI ARE THE NUKVA IN HER TWO STATES MENTIONED BEFORE THAT UNITES WITH THE MALE.

185. HE SAID TO HIMSELF, come, old man, out of the depth, have no fear. How many ships are waiting for you when you sail in the sea, to rest in. He wept again and said, Master of the universe, lest the celestial camps shall say that I am old and cry like a child, it is known before You that for Your glory I do that, and not for my own glory. For at first I should have kept from entering the great sea, yet now that I am in it, it behooves me to sail in every direction and come out.

186. "Judah you are he whom your brethren shall praise" (Beresheet 49:8), that is, when we say, 'blessed are you', he is blessed, WHEN YESOD OF ZEIR ANPIN POURS CHASSADIM UPON MALCHUT, IT IS CALLED 'BLESSED' and she 'you'. MALCHUT IS CALLED 'YOU', SINCE THE NAME 'YOU' ALLUDES TO CHASSADIM, AS IN, "YOU SHALL BE A PRIEST" (TEHILIM 110:4), AS SHALL BE SAID. Jacob mentioned 'you' in relation to none of his sons, except the needed place. FOR MALCHUT IS DRAWN FROM THE LEFT SIDE, WHERE CHOCHMAH ILLUMINES WITHOUT CHASSADIM. SHE NEEDS THE NAME 'YOU', WHICH IS CHASSADIM, WITH WHICH TO CLOTHE CHOCHMAH. FOR WITHOUT CHASSADIM, CHOCHMAH DOES NOT SHINE, AND IS IN THE SECRET OF DARKNESS. This is WHY HE SAID TO JUDAH 'you'.

183. בקדמיתא, דיוקנא דלעילא הוה כלל ראובן: או"ר ב"ן. ויאמר אלהים יהי אור, וימינא אור. שמעון שמאלא אור בהוא סיגא דרהבא בהדיה שם עון. לו"י: חבורא הכלל, לאתחברא מתרין סטרין. יהודה: נוקבא בהדי דכורא מתדבקת, יה"ו, דא דכורא. ד"ה, דא נוקבא דהות בהדיה.

184. ד"ה, אמאי ד"ה. אלא ד', באתדבקותא דרע בהדה, איהי דל"ת, מסכנא איהי, ואצטריך לאתבא בגלגולא, לאתעכלא ההוא רע, ולמתבלי בעפרא. ולבתר לצמחא בסטרא דטוב, ולנפקא ממסכנו לעתירו, וכדין ה'. ועל דא, יה"ו ד"ה.

185. פוק סבא, מגו תהומי, לא תרחל, כמה ארבין זמינין לך, בשעתא דתשוטט ימא, בגין לניחא בהו. בכה כמלקדמין ואמר, מארי דעלמא, דילמא וימרון משריין עלאין, דאנא סבא, ובכי פינוקא. גלי קמך, דעל יקרך אנא עביד, ולא עבידנא על יקרא דילי, דהא בקדמיתא הוה לי לאסתמרא, דלא איעול בימא רבא, והשתא פיון דאנא ביה, אית לי לשטטא בכל סטרין, ולנפקא מניה.

186. יהודה אתה יודוך אחיך, היינו דאנן אמרין ברוך אתה. איהו ברוך ואיהי אתה, לכלהו בנוי לא אמר יעקב אתה, אלא לאתך דאצטריך. דא איהו אתה.

187. "He whom your brethren shall praise," they shall all praise you for that name; assuredly, "you are he whom your brethren shall praise," for it is due to that name that the other side was gone and subdued. This is because when THE NAME JUDAH is called and mentioned, the Other Side comes out with it, NAMELY, IN THE DALET OF JUDAH, THAT ALLUDES TO ITS FIRST STATE, WHEN SHE IS DRAWN FROM THE LEFT ALONE, WHERE THE OTHER SIDE FEEDS, DUE TO THE LACK OF CHASSADIM IN THE RIGHT. Once 'you' is uttered, WHICH IS THE DRAWING CHASSADIM FROM THE RIGHT, she has power and greatness and the Other Side is subdued and not seen there. Assuredly it is by means of this name that she is marked and extracted from the Other Side, BECAUSE WHEN SHE IS CLOTHED WITH CHASSADIM, THE OTHER SIDE IS DISTANCED FROM HER. This is the elevation and power OF MALCHUT and breaking and evil to the Other Side. Once "your brethren shall praise" you for the name 'you', then "your hand shall be on the neck of your enemies" (Ibid.); immediately THE OTHER SIDE is subdued before you, which is brought about by that name.

188. I know, friends, I do know that you ascribe the name 'you' to another, higher place, as written, "you shall be a priest forever" (Tehilim 110:4), which is at the supernal right, NAMELY CHOCHMAH. It is well because since the high and low praise Rabbi Shimon, and he attained everything, everything he said is so, and is well.

189. But when you arrive at his place, tell and remind him of the snowy day, when we planted fifty-two kinds of beans. For "you shall be a priest" MEANS THAT here the cup of blessing, WHICH IS MALCHUT CALLED YOU, is attached to the right, WHICH IS CHESED CALLED PRIEST, without any separation. Hence, "you shall be a priest forever," for here the cup, WHICH IS MALCHUT, is properly attached, AND SO ENDURES FOREVER.

190. In regard to this, the verse says, "Judah you," and to 'you' "your brethren shall praise." For it is not written just, 'Judah is he whom your brethren shall praise,' but the name 'you' HIS BRETHREN WILL PRAISE. This place, MALCHUT, needs the name 'you' and none other.

191. Judah is the father first OF ER AND ONAN, and father a second time TO PERETZ AND ZERACH, WHO ARE THE INCARNATIONS OF ER AND ONAN. He was never exchanged, AS THE GRADE NEVER CHANGED BY THE BROTHER BECOMING THE FATHER. FOR THE CHILDLESS DEAD INCARNATES IN THE SON BORN TO HIS BROTHER, WHO BECOMES HIS FATHER, WHICH IS CONSIDERED A DESCENT IN GRADES AND A BLEMISH. BUT THERE WAS NO CHANGE AND DESCENT OF GRADE IN JUDAH, BECAUSE HE WAS ALSO THE FIRST FATHER OF ER AND ONAN, WHO INCARNATED IN PERETZ AND ZERACH. This is why Peretz was very forceful, AS WRITTEN OF HIM, "WHY HAVE YOU MADE SUCH A BREACH FOR YOURSELF" (BERESHEET 38:29). THIS IS BECAUSE HIS GRADE DID NOT DESCEND, which is not the case for any other man in the world WHO INCARNATES, WHO DESCENDS, AS THE BROTHER BECOMES HIS FATHER. Therefore the establishment of David begins to be counted with Peretz and not with Boaz, who suffered a change, NOT BEING THE FIRST FATHER OF THE INCARNATED MAN, WHO IS MACHLON. Friends, if you observe my words, such words are not spoken vaguely WITHOUT POSSIBILITY OF UNDERSTANDING THEM, though they are vague.

192. Hence Judah achieved the name called 'you'. He was properly established the first time WITH ER AND ONAN and the second time WITH PERETZ AND ZERACH and never changed. His children and descendants praise and say, "You are our father" (Yeshayah 63:16), SINCE THEY DID NOT SUFFER A DESCENT, WHEN THE BROTHER BECOMES THE FATHER. This is not so with other incarnated in the world. Other people who incarnate, two fathers and two mothers have a party in their edifice. FOR IN ADDITION TO HIS FIRST FATHER, HIS BROTHER BECOMES HIS FATHER, SO HE HAS TWO FATHERS, AND ALSO TWO MOTHERS, AS IN ADDITION TO HIS FIRST MOTHER, HIS WIFE BECOMES HIS MOTHER. These mysteries are in the depths of the sea, in the middle of the abyss. Who could take them out of there? Arise, old man, grow strong with your might, and draw pearls out of the depths.

193. Boaz seems to have changed when he begot Oved, since Oved is changed, FOR HE IS HIS SECOND FATHER. HE SAYS, it is not so, lvtzan is Boaz. WHY IS HE CALLED BOAZ? BECAUSE he is the first father to bring no change, NAMELY, JUDAH, WHO IS THE FIRST FATHER, INCARNATED IN HIM. You may argue that it was he himself, AND NO INCARNATION OF JUDAH, YET surely when he was roused to perform the act OF LEVIRATE MARRIAGE, he who was fierce as a lion and a lion's whelp, THAT IS, JUDAH was present in him. HENCE HE WAS CALLED BOAZ, DERIVED FROM BO AZ (ENG. 'FIERCENESS IS IN HIM'), WHO REFERS TO JUDAH. THIS WAS so that there will be no change in David. AND SINCE JUDAH INCARNATED IN HIM, the matter reverted to the former root, so that all will originate in one father and lineage. It is all the same, and there was no change in the incarnation of David's seed. Thus you, from beginning to end, are entirely without change.

194. Now, old man, you have come out of the depths of the sea. Judah is 'you' surely, from beginning to end. It is not worthy to name none of the sons 'you' except him alone. Happy is the portion of David, who was so extracted and rose above other roots of people in the land.

195. "Your brethren shall praise." HE ASKS, it should have said, 'all the people in the world should praise'. Why DOES IT SAY, "your brethren"? HE ANSWERS, it is not the custom in the world to perform levirate marriage for the sake of incarnation OF THE CHILDLESS DEAD, except for kinsmen. The brother would perform levirate marriage, and you yourself performed levirate marriage. Here all your brethren praise you, that the lineage of kingship did not come from them, from none of them, but from you alone. It is you, who performed it from beginning to end, and from you the whole lineage and race of the lion emerged.

192. וע"ד, יהודה רוח שמא דא, דאקרי אתה. קם על בוריה זמנא קדמאה, זמנא תניינא, ולא אשתני לעלם. ובנוי היהודה חרעא דיליה, אודן ואמרין כי אתה אבינו. מה דלית הכי לשאר בני גלגולא לעלמין. שאר בני גלגולא, תרין אבהן, תרין אמהן, אית לון גוון לבניינא. ורזין אלין, בעמקי ימא, בלבא דתהומי אינון, מאן יכיל לאפקא לון. קום סבא, אתגבר ואתקף בתוקפך, אפיק מרגלן מגו תהומי.

193. בעז, אתחזי דהוה ביה שנויא, כד אוליד לעובר, דהא עובר בשנויא הוא. לאו הכי. אבצן הוא בעז, הוא אבא קדמאה, דלא עבר שנויא. ואי תימא, איהו הוה, ודאי כד אתער לעובדא דא, ביה הוה, מאן דהוא תקיף כאריא וכליתא ביה הוה. בגין דלא להוי שנויא ביה בדוד, ואתהדר מלה לעקרא קדמאה, בגין דיהא בלא מאבא חדא, ושלשלא חדא. וכלא חד, ולא הוה שנויא בגלגולא דזרעא דדוד. ועל דא, אתה מרישא ועד סופא, בלא שנויא כלל.

194. השתא, נפקת סבא, מעמקי לבא דימא. יהודה אתה, ודאי מרישא ועד סופא ולא אתחזי לכל שאר בגין, לאתקרי אתה, אלא ליה בלחודו. זכאה חולקיה דדוד, דהכי אתבריר, ואסתלק משאר עקרא דבני נשא בארעא.

195. יודוך אחיך, יודוך כל בני עלמא מבעי ליה, מ"ט אחיך. אלא ארח כל בני עלמא, לא מתיבמין לגלגולא, אלא מסטרא דאחיך, ואחא אזדמן ליבומא, ואתה בגרמך, אזדמנת ליבומא. והכא בלהו אחיך יודוך, דלא ושתלשל מנייהו, ולא מחד מנייהו, שלשולא דמלכו, אלא אתה בלחודך. אתה, מרישא ועד סופא אתה עבדת, ומינך נפק, כל שלשולא וגזעא דאריה.

196. Your descendants are lion cubs, who have not turned into your brothers, nor changed into a lamb, an ox, or a kid. FOR THERE ARE TWELVE SHAPES IN THE TWELVE CONSTELLATIONS, WHICH CORRESPOND TO THE TWELVE TRIBES. THE CHILDREN OF JUDAH HAD ALL THE IMAGE OF A LION, NOT THE IMAGE OF OTHER TRIBES. A lion began to establish and a lion concluded the edifice. Your whole lineage is of lion cubs, for had anyone on the side of your brothers incarnated INTO YOUR CHILDREN, the images would have changed and mixed with each other. For that "your brethren shall praise," that none of them incarnated into your descendants' ancestry. Raise your hand for none of them was mingled.

197. This is the meaning of, "from the prey, my son, you are gone up" (Bereshheet 49:9), for there is no prey OR FOOD for another on your table. "He stooped down" when Er died, "he couched" when Onan died. He then got stronger "as a lion" to sire Peretz, "and as a lioness" to raise up Zerach. "Who shall rouse him up?" (Ibid.), as written, "And he knew her again no more" (Bereshheet 38:26), which is translated into Aramaic as, "and he stopped not." This is the meaning of, "Who shall rouse him up?" Who can say this woman is forbidden, who can say that once she completed her practices, you need her no longer, that once the widow has finished her practices, she is of no more use to you, and you are beholden to withdraw from her. But, "Who shall rouse him up?" From now on she is his, because she bore him, who was moving about in her belly, NAMELY THE SPIRIT OF HER FIRST HUSBAND, WHICH HE LEFT IN HER IN HIS FORMER LIFE. IT WAS MOVING IN HER BELLY, AND NOW SHE BORE IT.

198. There is a hidden mystery here. Why SHOULD a man's brother MARRY HIS WIDOW, and moreover, why SHOULD Judah his father MARRY HIS WIDOW, INSTEAD OF A STRANGER WHO IS NOT A KINSMAN? HE ANSWERS, because he who moves about in the belly OF THE WIDOW, NAMELY, THE SPIRIT HER DEAD HUSBAND LEFT IN HER, sees him who keeps him, THAT IS, HIS KINSMAN, and charges against him in every manner. HAD HE BEEN A STRANGE MAN, HE WOULD HAVE REJECTED HIM, BUT HE DOES NOT WISH TO PUSH AWAY HIS KINSMAN. Hence he wishes to go away FROM THERE. Once he leaves, he summons the other, NAMELY the other, MAIN spirit OF THE DEAD, and the TWO enter THE WOMAN'S BELLY again, until he is newly established, NAMELY, INCARNATES IN THE SEMEN OF THE KINSMAN. THIS CAME ABOUT by means of the fierce denouncement against his brother, FOR WHICH REASON HE DECIDED TO GO AWAY FROM HER. From now on the woman is permitted to him, SINCE THE DENOUNCING SPIRIT HAS ALREADY LEFT HER. THIS IS WHY THE KINSMAN SHOULD MARRY HER, BECAUSE A STRANGE MAN, WHO IS NOT A RELATIVE, WOULD HAVE BEEN REJECTED BY THE SPIRIT.

199. Happy is the portion of Judah. At first he was a whelp, then a lion, as he grew greater and stronger as a lion. He finished as a lioness. It is not so with other people in the world. Hence 'Judah YOU', like we said.

196. בְּנֵיךָ, בְּנֵי אַרְיָה, דָּלָא אֲתַעְבְּרוּ לְשֹׁנוּיָא דְאַחִיךָ, לֹא אֲתַחְלַפוּ לְטֵלָה, וְלֹא לְשׁוֹר, וְלֹא לְגָדִי, וְלֹא לְשׁוּם דְיוֹקְנָא אַחְרָא, אֲלֵא אַרְיָה שְׁאֵרֵי לְמִבְנֵי, וְאַרְיָה סִיִּים בְּנֵינָא. כָּל שְׁלֹשׁוֹךְ, בְּנֵי אַרְיָה נִינְהוּ. דְאַלְמֵלָא אֲתָא גְלֹגֻלָא מְסֵטְרָא דְאַחִיךָ, יִתְחַלְפוּן כָּל דְיוֹקְנֵי, וְיִתְעַרְבוּן אֵלִין בְּאֵלִין. וְעַל דָּא יוֹדוּךְ אַחִיךָ, דְלֹא הוּא חַד מִנְהוֹן, בְּגִלְגֹּלָא דְשְׁלֵשְׁלָאָה דְבְנֵיךָ. יִדְךָ זְקִיף, דְלֹא הוּא בְּךָ עֲרֹבֻבֵיָא אַחְרָא מְנִינְהוּ.

200. Reuben, Shimon and Levi are a threesome, as we said THAT THEY ARE CHESED, GVURAH AND TIFERET. Judah, WHO IS MALCHUT, joined them, SO EVERYTHING IS AS IT SHOULD BE. Issachar and Zebulun are the two thighs, NETZACH AND HOD, whence the true prophets are sustained. Issachar is the right thigh, WHICH IS NETZACH. It is written, "And of the children of Issachar, men who had understanding of the times" (I Divrei Hayamim 12:33), WHICH MEANS THAT NETZACH DRAWS THE LIGHT OF BINAH TO MALCHUT CALLED 'TIMES'. And it is written, "Rejoice, Zebulun, in your going out" (Devarim 33:18), WHICH MEANS THAT HOD IS THE LAST OF THE FIVE SFIROT, CHESED, GVURAH, TIFERET, NETZACH AND HOD, WHICH IS THE MEASURE OF THE EXPANDING OF THE LIGHT OF BINAH. FROM IT DOWN IT IS CONSIDERED GOING OUT OF THE GRADES. In the greater reckoning, THERE ARE SEVEN SFIROT, CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD AND MALCHUT. THEN it is written, "Zebulun shall dwell at the shore of the sea; and he shall be a haven for ships" (Beresheet 49:13), NAMELY, DOWN TO MALCHUT THAT IS CALLED BOTH A SEA AND A SHIP. What is the reason HE DWELLS ALL THE WAY TO MALCHUT - IT IS because "his border (or thigh) shall be at Tzidon" (Ibid.), as the measure of his thigh, HOD, EXPANDS to MALCHUT THAT IS CALLED Tzidon.

201. Benjamin remained above, between the thighs, BEING YESOD. AND THOUGH JOSEPH IS YESOD, Joseph was its image on earth, WHICH IS MALCHUT, for use in this world, WHICH IS MALCHUT. Moses used him, as written, "And Moses took the bones of Joseph with him" (Shemot 13:19). Benjamin rose up TO YESOD OF ZEIR ANPIN, and Benjamin is the righteous one of the world, BEING YESOD.

202. Below the knees THERE ARE TWO MORE PARTS. They are Dan and Naftali, Gad and Asher. In the left leg, Dan reaches the joint of the foot, NAMELY THE MIDDLE PART, Naftali is the foot segment, NAMELY, THE LOWER SECTION. Hence, "Naftali is a hind let loose" (Beresheet 49:21), being light footed. In the right leg is Gad, who "shall overcome at last" (Ibid. 19), that is, down to the heel joint, WHICH IS THE MIDDLE PART; Asher is in the section of the right heel, NAMELY THE LOWER PART. Hence, "let him dip his foot in oil. Your shoes shall be iron and brass" (Devarim 33:24). THUS, IN THE THREE SEGMENTS OF THE RIGHT LEG ARE ISSACHAR IN THE UPPER, GAD IN THE MIDDLE AND ASHER IN THE LOWER PART. IN THE THREE PARTS OF THE LEFT LEG ARE ZEBULUN IN THE UPPER, DAN IN THE MIDDLE AND NAFTALI IN THE LOWER PART. All these TWELVE TRIBES are celestial shapes after the supernal shape. Since they were real people in this world, the Shechinah was perfected by them, through the twelve parts, which are the twelve flows that were drawn from Yisrael himself, WHO IS ZEIR ANPIN, as written, "All these (Heb. eleh) are the twelve tribes of Yisrael" (Beresheet 49:28). The flows from Yisrael are called 'Eleh' FROM WHICH the name 'mi' spreads out, to make the building fit, so that Yisrael will be included in the name Elohim (ALEPH LAMED HEI YUD MEM). Eleh (ALEPH LAMED HEI) is Yisrael in general and Mi (MEM YUD) unites Eleh with it, to make the building duly whole, into one real name.

203. This is what the minister of Esau said to Jacob, as written, "for you have contended with Elohim" (Beresheet 32:29), THAT IS, above, SINCE HE ROSE WITH THE LETTERS OF ELEH OF MALE AND FEMALE TO BE INCLUDED IN THE NAME ELOHIM, WHICH WAS THERE JOINED AND MADE WHOLE through the first correction in the first establishment. "All these (Heb. eleh) ARE THE TWELVE TRIBES OF YISRAEL." Surely this is the first edifice, WHERE THE JOINING OF MI WITH ELEH IS EFFECTED.

200. ראובן שמעון לוי, הא תלתא, בדקאמרן. יהודה אתחבר בהדייהו, וכלא בדקא יאות. יששכר זבולון, תרין ירכין. אתר דינקי נביאי קשוט. יששכר ירכא ימינא, כתיב ומבני יששכר יודעי בינה לעתים וכתיב, שמח זבולון בצאתך, ובשעורא רברבא, כתיב, זבולון לחוף ימים ישכן והוא לחוף אגיות. מ"ט. בגין דוירכתו על צידון. שיעורא דירך דיריה עד צידון.

201. בנימין, אשתאר לעילא בין ירכין, דהא יוסף הוה דיוקניה בארעא, ולאשתמשא בעלמא דא, ועמיה אשתמש משה, דכתיב ויקח משה את עצמות יוסף עמו. בנימין אסתלק לעילא, בנימין צדיקו דעלמא.

202. מברכין לתתא, דן ונפתלי גר ואשר. בירכא שמאלא, דן עד פרקא דרגלא. פרקא דרגלא נפתלי. ובג"כ, נפתלי אילה שלוחה, קל ברגלוי. בירכא ימינא. גר, והוא יגוד עקב, עד פרקא דעקב. אשר פרקא דעקב ימינא. וטובל בשמן רגלו. וכתיב ברזל ונחשת מנעליך. כל אלין, אינון דיוקנין עלאין, דיוקנא דלעילא. ובגין דהוה ברין ממש בהאי עלמא, אתתקנת בהו שכינתא, באלין תריסר פרקין, תריסר מתיחין, דאתמתחו מישראל ממש. דכתיב כל אלה שבטי ישראל שנים עשר. מתיחין דישראל, אלה אקרון. לאתמתחא שמא דמ"י, למהוי בניינא בדקא יאות, למהוי ישראל בכללא דשמא דאלהים. אל"ה איהו ישראל בכלל. מ"י חבר אלה בהדיה, והוה בניינא שלים על תקוניה שמא חרא ממש.

203. הדא הוא דאמר ליה ליעקב, ההוא ממנא דעשו, דכתיב כי שרית עם אלהים, לעילא, בתקונא קדמאה, בבניינא קדמאה. כל אלה, ודאי בניינא קדמאה איהו.

204. Therefore Yisrael will never ever perish. Had they perished, heaven forbid, the name Elohim would not have existed. This is the meaning of, "and cut off our name from the earth: and what will You do for Your great name?" (Yehoshua 7:9), NAMELY this great name, the first establishment, the first name Elohim. Now that Yisrael are in exile it is as if the whole establishment collapsed. In the future to come, when the Holy One, blessed be He, will redeem His children from exile, Mi and Eleh that were apart in exile will join and the name Elohim will be duly whole and the world would be scented. This is the meaning of, "Who (Heb. mi) are these (Heb. eleh) that fly as a cloud, and as the doves to their windows?" (Yeshayah 60:8).

205. Since the name is one whole, it is not written, 'Mi and Eleh THAT FLY AS A CLOUD', but 'Mi eleh' as an indivisible name. This is the name Elohim. For now in exile Mi has gone up so to speak INTO MALCHUT, and the mother, NAMELY MALCHUT, is gone from the children, YISRAEL. The children fell and the name ELOHIM, which used to be whole, being the first great name, collapsed.

206. For this we pray and sanctify in synagogues the name ELOHIM, so it would be established like it used to, and we recited the KADDISH - 'May His great name grow exalted and sanctified...Amen. May His great name be blessed forever and ever'. What is His great name - it is the first one, NAMELY THE NAME ELOHIM THAT WAS COMPLETED IN THE FIRST ESTABLISHMENT. For it is established only in us, as Mi will be only built with the letters of Eleh. Therefore at that time, "Mi Eleh that fly as a cloud," and the whole world will see that the celestial name is well composed.

207. And if His great name Elohim is corrected and well built, Yisrael rule over everything, and all the other names reach perfection. And Yisrael have power over everything, since they all depend on His great name, the first of all establishments.

208. The secret behind it is that when the Holy One, blessed be He, WHO IS BINAH, created the worlds, MALE AND FEMALE, this name was built as the first establishment, as written, "Lift up your eyes on high, and behold who (Heb. mi) has created these (Heb. eleh)" (Yeshayah 40:26), has created His name ELOHIM well formed. When He created Eleh, He created it with all the powers proper to it, to be His name suitably formed, as written, "that brings out their host by number" (Ibid.).

209. HE ASKS, what is "by number," IN "THAT BRINGS OUT THEIR HOST BY NUMBER," AND ANSWERS, the Holy, One, blessed be He, has a son that shines from one end of the world to the other. He is a great and strong tree, YESOD OF ZEIR ANPIN. His top reaches the height of heaven, WHICH IS ZEIR ANPIN THAT IS CALLED HEAVEN, and at his ending his roots spread and strike root in the holy earth, WHICH IS MALCHUT, ACCORDING TO THE VERSE, "FOR ALL THAT IS IN HEAVEN AND ON EARTH" (I DIVREI HAYAMIM 29:11). His name is number. He originates in the upper heaven, THAT IS ZEIR ANPIN, and five firmaments hang IN HEAVEN, WHICH ARE CHESED, GVURAH, TIFERET, NETZACH AND HOD down to this number, WHICH IS THE SIXTH FIRMAMENT, NAMELY YESOD. All the FIRMAMENTS receive the name 'NUMBER (HEB. MISPAR)' for YESOD, as written, "The heavens declare (Heb. MESAPRIM)" (Tehilim 19:2). Due to that number, the whole heaven, THE FIVE FIRMAMENTS, attain this name for its sake. Hence, "that brings out their host by number," for were it not for that number, there would never be hosts and generations, SINCE YESOD PRODUCES OFFSPRING.

We hear an explanation of "Who can count the dust of Jacob, and the number of the fourth part of Israel," and "and many of those who sleep in the dust of the earth shall awake". The merchant says that the "dust of the earth" was seen in the Book of Enoch as the letters floating in the air. "The dust" is the first dust, that is the body of the childless dead man, and "the earth" is the second, corrected one, the body of the incarnated man which corrects the first. In the time to come those who are corrected are destined to live forever, and the other side will be removed from the world. Repentance breaks many sentences and verdicts, and nothing withstands repentance; God accepts everyone who repents, as He is full of compassion and mercy. The Holy One, blessed be He, sees the ways of one who walks in evil, and He holds his hand, and gives him healing, and leads him in the true path.

210. In relation to this it is written, "Who can count the dust of Jacob, and the number of the fourth part of Yisrael" (Bemidbar 23:10). There were two who counted the flock that was numbered by them, because the evil eye had no power over them. "Who can count the dust of Jacob" refers to one who counts. "The number of the fourth part of Yisrael" is the second enumerator.

211. Over these two the evil eye has no power, for "Who can count the dust of Jacob" refers to the holy stones, strong stones, from which water sprouts into the world. Of this it is written, "and your seed shall be as the dust of the earth" (Beresheet 28:14). As the dust of the world is blessed for his sake, so, "and in your seed shall all the nations of the earth be blessed" (Beresheet 22:18), like the very dust of the earth. 'Number' is the second enumerator, who counted so as to cause all those females, the celestial pearls, to rest on the bed on which Jacob was lying, WHICH IS MALCHUT.

209. מאי במספר. אלא ברא חד דנהיר מסינאי עלמא עד סיימי עלמא, אית ליה לקודשא ברין הוא, והוא אילנא רבא ותקיף. רישיה מטי לצית שמיא, וסופיה מתחן שרשוי, ואשתרשן בעפר קדישא, ומספר שמייה. ותליא בשמים עלאין, וחמש רקיעין תליין מניה, עד האי מספר, וכלהו נטליין שמא דא בגיניה דכתיב השמים מספרים, בגין האי מספר, בלהו שמים רווחין שמא דא בגיניה, ועל דא המוציא במספר צבאם, דאלמלא מספר דא, לא ישתבחון חיילין ותולדין לעלמין.

210. ועל דא כתיב, מי מנה עפר ועקב ומספר את רבע ישראל, תרין אינון, דמנו עאנא, ועאלו בחושבנא על ידיהו, בגין דלא שלטא בהו עינא בישא. מי מנה עפר ועקב, הא חד, דעביד חושבנא. ומספר את רבע ישראל, הא מונה אחרא.

211. ועל תרין אליון לא שלטא בהו עינא בישא, דהא מי מנה לעפר ועקב, אליון אינון אבנין קדישין, אבנין מכולמין, דמנהון נפקי מין לעלמא. ועל דא כתיב והיה זרעך בעפר הארץ מה ההוא עפר, עלמא. מתברך בגיניה. אוף הכי והתברכו בזרעך כל גווי הארץ. בעפר הארץ ממש. ומספר דאיהו מונה הננינא, מנה לרבע כל אינון נוקבין, מרגלן עלאין, דמטה דשכיב עליה ישראל.

212. From then onward, it counts everything, because it, YESOD, has a good eye. Hence it is written, "He counts the number of the stars" (Tehilim 147:4), WHICH MEANS that they are all reckoned by it. In the future to come it is written, "shall the flocks pass again under the hands of him that counts them" (Yirmeyah 33:13), yet we do not know who that is, WHETHER THE FIRST OR SECOND ONE. But since at that time everything will be together indivisible, all will be conducted by one enumerator.

213. HE SAID TO HIMSELF, rise, old man, wake up and grow strong to sail in the sea. He opened with the verse, "Who can count the dust of Jacob, and the number of the fourth part of Yisrael." When the Holy One, blessed be He, will awaken to raise the dead, those who were incarnated, who are two bodies with one spirit, NAMELY THE BODY OF THE DEAD MAN AND THE BODY OF THE INCARNATED, WHO BOTH HAVE BUT ONE SPIRIT. They have two fathers, THE FATHER OF THE DEAD AND THAT OF THE INCARNATED BODY, and also two mothers. How many incarnations do they undergo for that UNTIL ONE IS CORRECTED. For though we learned THIS and it is so, yet "Who can count the dust of Jacob," WHICH IS THE FIRST ONE TO COUNT that will amend everything, ALL THE INCARNATED BODIES, and nothing will be lost, so everything will rise TO RESURRECT.

214. We have studied, "And many of those who sleep in the dust of the earth shall awake" (Daniel 12:2). The dust of the earth IS as was said in the book of Enoch that the friends looked at the letters floating in the air, which are Aleph Ayin Dalet Pei Mem Tav Resh, WHICH FORM 'dust of the earth'.

215. Hence, "So I praised the dead that are already dead" (Kohelet 4:2), which are the letters of 'dust of the earth', THAT IS, BOTH THE DEAD OF THE ASPECT OF DUST AND THE DEAD OF THE ASPECT OF EARTH. A voice is roused to inform, saying so during the second edifice, WHICH IS THE BODY OF THE INCARNATED, WHICH CORRECTS BOTH THE BODY OF THE DEAD OF THE ASPECT OF DUST, AND THE BODY ITSELF, WHICH IS THE ASPECT OF EARTH. IT IS IT THAT SAYS, "SO I PRAISED THE DEAD," THAT IS, FIXES THEM. The dust is the first dust, WHICH IS THE BODY OF THE DEAD MAN, the earth is the second, corrected one, THE BODY OF THE INCARNATED MAN, TO WHICH the sterile, first one is refuse. FOR THE BODY OF THE CHILDLESS DEAD MAN, WHICH IS STERILE, IS AS REFUSE IN RELATION TO THE INCARNATED BODY, WHICH CORRECTS IT. HENCE IT SAYS, "SO I PRAISED THE DEAD," THAT IS, FIXES THEM.

216. Those sleeping in the dust of the earth shall all wake up. Those that were corrected are destined to live forever (lit. "for the world"). Which world is that? It is the lower world, NAMELY MALCHUT, for they did not merit being in the upper world BUT DESCENDED TO THE FEMALE WORLD. Those who did not merit CORRECTING will be "to shame and everlasting contempt" (Daniel 12:2). HE ASKS, what is contempt, AND SAYS that the other side will be removed from the world, and the Holy One, blessed be He, will leave those who flowed from that side for people to wonder about. THIS IS THE MEANING OF, "TO SHAME AND EVERLASTING CONTEMPT."

212. ומתמן ולהלאה, איהו מונה לכלא, בגין דאיהו טוב עין. הדא הוא דכתיב, מונה מספר לככבים. מאן הוא מונה לככבים. מספר. מונה מספר לככבים, על ידו עברין בלהו בחשבנא, ולזמנא דאתי, עוד תעבורנה הצאן על ידי מונה, ולא ידעין מאן הוא. אלא בגין דבההוא זמנא, יהא בלא ביחודא בלא פרודא, בלא ליהוי מונה חר.

213. קום סבא, אתער ואתגבר בחילך, ושוט ימא. פתח ואמר, מי מנה עפר יעקב ומספר את רבע ישראל. בשעתא דיתער קודשא ברין הוא לאחויא מתיא, הני דאתהדרו בגלגולא, תרין גופין ברוחא חדא, תרין אבהן, תרין אמהן, במה גלגולין מתגלגלן על דא, אע"ג דאתמר, והכי הוא, אבל מי מנה עפר יעקב, ואיהו יתקין בלא, ולא יתאביד בלום, וכלא יקום.

214. והא אתמר, ורבים מישני ארמת עפר וקיצו. ארמת עפר הני, במה דאתמר בספרא דחנוך, בד חבריאי אסתבלו באינון אתוון דטסין באוירא ביה, ואינון אע"ד פמת"ר, היינו, ארמ"ת עפ"ר.

215. היינו ושבח אני את המתים שכבר מתו, ארמת עפר אינון אתוון וקלא אתער ואודע והכי אמר בבניינא הננינא. עפר, עפר קדמאה. ארמת הננינא, דאתתקן עקר קדמאה פסולת לגביה.

216. ארמת עפר בלהו, וקיצו. אלה דאתקנו, לחיי עולם. מאן עולם. דא עולם דלתתא דהא לא זכו למהוי בעולם דלעילא. ואלה דלא זכו, לחרפות ולדראון עולם. מאי לחרפות, אלא בגין דסטרא אחרא יתעבר מעלמא, וקודשא ברין הוא אלין דהוו מנביעו דההוא סטרא, ישאר לון, לתוהא בהון כל בני עלמא.

217. Who brought all this about? THE MAN who did not want to be fruitful and to procreate in the world or to uphold the holy covenant. He thus brought about all that, and all the incarnations I mentioned until now. HE SAID TO HIMSELF, up to here, old man. He was silent for a moment. The friends were stupefied and did not know whether it was day or night, or whether they were THERE or not.

218. The old man started with, "If you buy a Hebrew servant, six years he shall serve: and in the seventh..." (Shemot 21:2). This verse proves all that we have said. Come and see, every male is in the image of the male world, WHICH IS ZEIR ANPIN, and every female is in the image of the female world, WHICH IS MALCHUT. When one is the servant of the Holy One, blessed be He, he cleaves to the six primordial years, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN. But if he tears himself away from WORSHIPPING Him, the Holy One, blessed be He, tears him from the six years of the male world, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD OF ZEIR ANPIN, and he is given to the man of six extremities, CHESED, GVURAH, TIFERET, NETZACH, HOD AND YESOD, whom he serves for six years, torn away from the supernal six years OF ZEIR ANPIN.

219. After that, he descends from there and is given to the female world. He who did not want to dwell in the male, goes down to dwell in the female, WHICH IS MALCHUT. The Nukva comes, which is the seventh SFIRAH, and takes him. OF HER IT IS SAID, "AND IN THE SEVENTH HE SHALL GO OUT FREE" (IBID.). From now on he is of the female world.

220. If he did not want to be maintained by her or her redemption, SAYING, "I LOVE MY MASTER...I WILL NOT GO OUT FREE" (IBID. 5), he goes down to cleave below, attaching himself to the Other Side. From now on he is torn from the world of the male and the world of the female, because he has joined the servants of the Other Side.

221. Now that it is so, AND HE IS ATTACHED TO THE OTHER SIDE, he needs a blemish, to be branded with a mark of blemish, NAMELY, "AND HIS MASTER SHALL BORE HIS EAR THROUGH WITH AN AWL" (IBID. 6), since every blemish pertains to the Other Side. THEN, "HE SHALL SERVE HIM FOREVER (LIT. 'TO THE WORLD')" (IBID.), THAT IS, UNTIL JUBILEE CALLED WORLD. From the Jubilee on, he incarnates again and goes back into the world as before, cleaving no further than the female world. If he attains merit, he begets offspring in the world of the female, WHICH IS MALCHUT, which are all described in the verse, "the virgins, her companions that follow her, shall be brought to you" (Tehilim 45:15). He is worthy, when he perfects himself to attain that.

222. If he has no merit, even when he incarnates at the Jubilee he is as if he never was, for HE INCARNATED again, yet did not perfect his life by marrying in the world and siring offspring. It is then written, "If he came in by himself, he shall go out by himself" (Shemot 21:3). If he entered the world alone, without children, and did not care to strive after that but left the world alone without children, he moves like a stone in a sling up to that place in the strong rock BEHIND THE GARDEN OF EDEN. There he enters, but the lone spirit blows at once that left his wife AND CAME THERE. THIS IS THE SPIRIT THAT REMAINED IN THE WIFE BY HER FIRST HUSBAND, which goes solitary like a snake that does not keep company on the road. FOR IT IS SEPARATED FROM THE TWO SPIRITS IN THE WOMAN AND GOES ALONE. It blows on him, ON THE SPIRIT OF THE CHILDLESS DEAD MAN THAT JUST CAME THERE, THAT IS, PUSHES IT AWAY FROM THERE, SO IT WILL INCARNATE AND PERFECT ITSELF.

223. Whereupon he leaves that place of the strong rock, alone WITHOUT A WIFE, and roams in the world until he finds a redeemer TO BRING HIM BACK TO THIS WORLD for his improvement. That is, "If he came in by himself, he shall go out by himself" WITHOUT A WIFE, he who did not wish to marry and have children. SINCE HE HAS NO SPOUSE HE HAS TO MARRY A DIVORCED WOMAN.

224. But, "if he is married" (Ibid.); he who did marry and tried with her but could not BEGET CHILDREN, such a man is not driven away like the other, nor comes out alone. But, "if he is married," the Holy One, blessed be He, does not withhold reward from anyone. Even though he did not have children, it is written, "then his wife shall go out with him" (Ibid.). The two incarnate, and are able to unite again. He does not marry a divorced woman, LIKE THE OTHER WHO HAS NO SPOUSE, but marries the same woman with whom he tried before yet they had no children. Now they shall attain it together, if they act well. Hence it is written, "then his wife shall go out with him."

225. "If his master has given him a wife" (Ibid. 4): the verse returns to another subject, to him who went out alone, without any wife. The place called seventh, NAMELY MALCHUT, shall redeem him, and that seventh is considered his master; it is the master of the whole earth. If his master has compassion for him and brings him back to the world solitary as he was and gives him a woman, for whom the altar sheds tears, NAMELY A DIVORCED WOMAN, they marry and she bears him boys or girls, "the wife and her children shall be her master's" (Ibid.), OF HOLY MALCHUT, as we learned.

222. ואי לא זכה אפילו בגלגולא דיובלא, הא איהו בלא הוה אתהדר, ולא אשלימו יומיו, לאתנסבא בעלמא, ולמעבד תולדין. מה כתיב, אם בגפו יבא בגפו יצא. אי יחידאי יעול בהווא עלמא בלא תולדין, ולא בעא לאשתדלא בהאי, ונפק מהאי עלמא יחידאי, בלא זרעא, אזיל כאבנא בקוספיתא, עד ההוא אתר דטנרא תקיפא, ועאל תמן ומיד נשב רוחא דההוא יחידאי, דקא אשתביק מנוקביה, ואזיל יחידאי, בחווא דלא אתחבר באחרא באורחא, ונשיב ביה.

223. ומיד נפק מגו ההוא אתר דטנרא תקיפא, הוא בלחודו, ואזיל ומשטטא בעלמא, עד דקא אשבח פרוקא לאתבא. והיינו אם בגפו יבא בגפו יצא, האי דלא בעא לאתנסבא, למהוי ליה תולדין.

224. אבל אם בעל אשה הוא, דקא אתנסב, ואשתדל באתתיה, ולא יכול, ההוא לא אתתרך בהווא אחרא, לא ייעול יחידאי, ולא נפיק יחידאי, אלא אם בעל אשה הוא, קודשא ברין הוא לא מקפח אגר כל ברין, אע"ג דלא זכו בבני, מה כתיב ויצאה אשתו עמו. ותרווייהו אתיין בגלגולא, וזכיין לאתחברא בחדא במלקדמין. והאי לא נסיב אתתא דתרוכין, אלא ההיא דאשתדל בה בקדמיתא, ולא זכו, השתא זכו בחדא, אי יתקנון עובדין, וע"ד ויצאה אשתו עמו.

225. אם אדוניו יתן לו אשה וגו'. אהדר קרא למלין אחרנין, להווא דנפיק יחידאי בלא נוקבא כלל, ויפרוק ליה ההוא דוכתא דאקרי שביעית. וההוא שביעית אקרי אדוניו, אדון כל הארץ איהו. אם דא אדוניו חס עליה, ואתיב ליה להאי עלמא יחידאי כמה דהוה, ויהיב ליה אתתא ההיא דמזבח אחיתת עלוי דמעין, ואתחברא בחדא. וילדה לו בנים או בנות האשה וילדיה תהיה לאדניה כמה דאתמר.

226. For if he repented and corrected the place he blemished during his life, he is accepted before the holy King, who receives him and then sets him aright. He is considered a penitent, since he inherited a dwelling in that place of the flowing river, NAMELY MALCHUT. FOR THE RIVER THAT COMES OUT AND FLOWS IS YESOD, ITS BED IS MALCHUT. He improves his former state. Once he is corrected and has repented, he achieves perfection, for there is nothing in the world, no key in the world that the penitent cannot break.

227. HE ASKS, what is the meaning of, "he shall go out by himself (Heb. gapo)"? HE ANSWERS, we have already studied it, yet it contains another hidden meaning. "He shall go out by himself (Heb. gapo)" is the same as in, "the highest (Heb. gapei) places of the city" (Mishlei 9:3). As in the latter, GAPEI IS AN EXPRESSION OF exaltation and praise, here too GAPO HAS THE MEANING OF exaltation and praise. In the place to which the penitent rise, even the most accomplished righteous cannot dwell. Therefore, once he repented, the Holy One, blessed be He, accepts him.

228. We have learned that nothing in the world withstands repentance, and the Holy One, blessed be He, surely accepts everyone. If one repents, the way of life is prepared for him. Even though he made any blemish, everything is mended and becomes corrected. For even having uttered an oath, the Holy One, blessed be He, accepts him, as written, "As I live, says Hashem, though Konyahu..." (Yirmeyah 22:24), and "Write this man childless" (Ibid. 30). But after he repented, it is written, "And the sons of Yechonyah: Assir..." (I Divrei Hayamim 3:17). From here we conclude that repentance breaks many sentences and verdicts and many iron chains, and that nothing withstands repentance.

229. In relation to that it is written, "And they shall go forth, and look upon the carcasses of the men that rebel against Me" (Yeshayah 66:24). It does not say, 'that rebelled against Me', but "rebel against Me," NAMELY THOSE who did not want to repent and regret what they have done. But if they regretted AND REPENTED, the Holy One, blessed be He, accepts them.

226. דְּהָא אִי תָב, וְאַתְקִין הוּא אֶתְר דְּפָגִים בְּחַיָּוִי, אֶתְקַבַּל קָמִי מַלְכָא קַדִּישָׁא, נְטִיל לִיָּה, וְאַתְקִין לִיָּה עַל תְּקוּנָוִי לְבַתְר. וְדָא אֶקְרִי בְּעַל תְּשׁוּבָה, דְּהָא יָרִית מוֹתְבִיָּה, דְּהָהוּא אֶתְר, דְּהָהוּא נְהַר דְּנִגְיָד וְנִפְיָק, וְאַתְקִין גְּרַמִּיָּה מִמָּה דְּהוּה בְּקַדְמִיתָא. בִּיּוֹן דְּאַתְתְּקִין וְתָב בְּתִיּוּבְתָא, הָא סְלִיק עַל תְּקוּנָיָה. דְּלִית מְלָה בְּעַלְמָא, וְלִית מִפְתָּחָא בְּעַלְמָא, דְּלָא תְּבַר הוּא דְּתָב בְּתִיּוּבְתָא.

228. תְּנִינָן, לִית מְלָה בְּעַלְמָא דְּקִיּוּמָא קָמִי תְּשׁוּבָה, וְלְכֻלָּא קוּדְשָׁא בְּרִיךְ הוּא מְקַבַּל וְדָאִי. וְאִי תָב בְּתִיּוּבְתָא הָא אֶזְדְּמֵן לְקַבְּלִיָּה אֶרְח חַיִּים, וְאֶף ע"ג דְּפָגִים מָה דְּפָגִים, כְּלָא אֶתְתְּקִין, וְכֻלָּא אֶתְהַדַּר עַל תְּקוּנָיָה, דְּהָא אֲפִילוּ כְּמָה דְּאִית בִּיָּה אוּמָאָה, קוּדְשָׁא בְּרִיךְ הוּא מְקַבַּל, דְּכֶתִיב חִי אֲנִי נָאִם יְי' כִּי אִם יִהְיֶה כְּנִיָּהוּ וְגו', וְכֶתִיב כְּתַבּוּ אֶתְ הָאִישׁ הַזֶּה עֲרִירִי וְגו'. וּבַתְר דְּתָב בְּתִיּוּבְתָא כְּתִיב, וּבְנֵי יִכְנִיָּה אֲסִיר בְּנֵו וְגו', מְכָאן דְּתְשׁוּבָה מְתְבַר כְּמָה גְּזֵרִין וְדִינִין, וְכְמָה שְׁלֹשְׁלָאִין דְּפְרִזְלָא, וְלִית מָאן דְּקִיּוּמָא קָמִי דְּתִיּוּבְתָא.

229. וְעַל דָּא כְּתִיב, וַיֵּצְאוּ וַרְאוּ בְּפַגְרֵי הָאֲנָשִׁים הַפּוֹשְׁעִים בִּי. אֲשֶׁר פָּשְׁעוּ בִּי, לֹא כְּתִיב, אֶלָּא הַפּוֹשְׁעִים בִּי, דְּלָא בְּעָאן לְאַתְבָּא, וְלְאַתְנַחְמָא עַל מָה דְּעִבְדוּ. אֲבָל בִּיּוֹן דְּאַתְנַחְמוּ, הָא מְקַבַּל לוֹן קוּדְשָׁא בְּרִיךְ הוּא.

230. Therefore such a man, even though he rebelled against Him, and blemished where he must not have blemished, but repented before Him, He accepts him and has pity on him. For the Holy One, blessed be He, is full of compassion, and is filled with compassion for all His works, as written, "and His tender mercies are over all His works" (Tehilim 145:9). His mercy reaches even beasts and fowls. So if His mercy reaches them, all the more so people who recognize and know how to praise their Master, when His mercy reaches them and dwells on them. Regarding this David said, "Great are Your compassions, Hashem: give me life as is Your wont" (Tehilim 119:156).

231. And if His mercy reaches the wicked, the righteous all the more. But who needs healing? Those who suffer pains. Who suffer pain? The wicked, who need healing and mercy, for the Holy One, blessed be He, takes pity on them so they will not be forsaken by Him, and He does not go away from them so they will return IN REPENTANCE before Him. When the Holy One, blessed be He, beckons, He does so with the right, and when He repels, He does so with the left. When He repels, the right beckons; He repels with one side and beckons with the other. The Holy One, blessed be He does not withdraw His mercy from them.

232. Come and see, "but he went perversely in the way of his heart," followed by, "I have seen his ways, and will heal him: I will lead him also, and bestow comforts on him and on his mourners" (Yeshayah 457:17-18). HE EXPLAINS, "but he went perversely" MEANS though the wicked do what they do willfully and follow the way of their heart, and others admonish them but they care not to listen to them, NEVERTHELESS, when they repent and take the good path of repentance, remedy awaits them.

233. We should observe now whether the verse refers to the living or the dead, for the beginning of the verse is not as its ending, nor the ending the beginning. The first part of the verse points at the living, SAYING, "BUT HE WENT PERVERSELY...", yet the latter part points to the dead, SAYING, "AND BESTOW COMFORTS ON HIM AND ON HIS MOURNERS." HE ANSWERS, the verse speaks of living man, and it is thus: "he went perversely in the way of his heart," because the Evil Inclination within him is strong and gains power. Hence "he went perversely," and does not care to repent.

230. בגין כך, בר נש דא, אף על גב דמשע ביה, ופגים באתרא דלא אצטריך, ותב לקמיה, מקבל ליה, וחס עליה, דהא קודשא בריך הוא מלא רחמין איהו, ואתמלי רחמים על כל עובדיו, כד"א ורחמיו על כל מעשיו. אמילו על בעירי ועופוי מאטון רחמיו. אי עלייהו מאטון רחמיו, כל שכן על בני נשא, הידעין ואשתמודעין לשבחא למאריהון, דרחמיו מאטון עלייהו, ושראן עלייהו. וע"ד אמר דוד, רחמיך רבים יי' במשפטיך חייני.

234. The Holy One, blessed be He, sees his ways, that he walks in evil to no use. He says, I need to hold his hand, as written, "I have seen his ways" walking in the darkness; I wish to give him healing, as written, "and will heal him." The Holy One, blessed be He, brings into his heart the path of repentance and healing for his soul. "I will lead him also" - what does this mean? It resembles the words, "go, lead the people" (Shemot 32:34), and the Holy One, blessed be He, leads him in the true path as one holding someone's hand, leading him out of darkness.

235. "And bestow comforts on him and on his mourners": HE ASKS, it seems as if he is dead, NOT AS IN THE FIRST PART OF THE VERSE. HE ANSWERS, assuredly he is dead; even though he is alive, since he is wicked, he is considered dead. What is the meaning of, "and bestow comforts on him and on his mourners"? HE SAYS, the Holy One, blessed be He, acts kindly with people. Ever since one's thirteenth birthday, He gives two guardian angels to be with him, and they guard him, one to his right and one to his left.

236. When man walks the right path they rejoice in him and uphold him with joy, announcing before him saying, Give honor to the image of the King. But when he treads the crooked path, they mourn for him and leave him. When the Holy One, blessed be He, holds him and leads him in the right way, it is written, "and bestow comforts on him and on his mourners." First I will "bestow comforts on him," for he regrets all that he did formerly and what he has done now and repents. Then, "on his mourners," who are the angels that mourned him when they departed from him. Now that they have returned there are consolations (Heb. nichumim) in every aspect, HE BOTH REGRETS (HEB. MITNACHEM) HIS DEEDS AND TAKES COMFORT (HEB. MITNACHEM) FOR HIS TROUBLES AND MOURNING.

237. Now he is surely alive, he is living in every respect, holding to the Tree of Life. Since he is attached to the Tree of Life, he is called a penitent, for the Congregation of Yisrael, WHICH IS MALCHUT, is also called penitence. FOR REPENTANCE (HEB. TESHUVAH) IS COMPOSED OF THE SEGMENTS, LET VAV RETURN (HEB. TASHUV) TO HEI. THE VAV IS THE TREE OF LIFE, ZEIR ANPIN, AND HEI IS MALCHUT. HENCE MALCHUT IS CALLED REPENTANCE. And he is called a repentant, and the ancient sages called him man of repentance literally, NAMELY, THE HUSBAND OF MALCHUT CALLED REPENTANCE, WHICH MEANS HE BESTOWS PLENTY ON HER. Therefore, even the wholly righteous cannot dwell where the penitents do.

The old merchant talks about David's situation when he took Bath-Sheva to wife and when he slew her husband, Uriah, with the sword of the children of Amon. He says that David did no sin when he took Bath-Sheva, but that he should have killed Uriah when he rebelled against the kingdom rather than using the Amonites to kill him. Some sins are against other men, and some are just against God.

238. King David said, "Against You, You alone, have I sinned and done that which is evil in Your sight" (Tehilim 51:6). What is the meaning of, "You alone"? HE ANSWERS, there are sins man commits against the Holy One, blessed be He, and against people, sins against people but not the Holy One, blessed be He, and sins against the Holy One, blessed be He, but not against people. King David sinned against the Holy One, blessed be He, alone, but not against people. HENCE HE SAID, "AGAINST YOU, YOU ALONE, HAVE I SINNED."

239. HE ASKS, yet if you argue that he did commit that sin by Bathsheba, we learned that whoever commits a sexual transgression with a man's wife, renders her forbidden to her husband, and THUS sins against his neighbor and against the Holy One, blessed be He. HE ANSWERS, this is not so. The sin you mentioned was permitted and David took that which was his, for she had a letter of divorce from her husband before he went to war. It was then the custom that men in Yisrael, who went to war, gave their wives a letter of divorce applicable after a certain time. Uriah did the same with Bathsheba. After the time had elapsed she was permitted to any man, and David married her. Whatever he did was permitted.

240. For had not it been so, but prohibited, the Holy One, blessed be He, would not have let her stay with him. Thus it is written as testimony, "And David comforted Bathsheba his wife" (II Shmuel 12:24). This is the testimony that she was his wife. Assuredly she was his wife and soulmate, ready for him from the day the world was created. This testifies that David did not commit sin by Bathsheba, as we said.

241. What was the sin he committed against the Holy One, blessed be He, and not against another? It is that he slew Uriah with the sword of the children of Amon, instead of killing him when he said to him, "and my lord Joab" (II Shmuel 11:11), seeing that he himself was his master. This the verse proves in the words, "These are the names of David's warriors" (II Shmuel 23:8), and not 'Joab's warriors'. THUS HE IS A REBEL AGAINST THE KINGDOM, WHICH IS PUNISHABLE BY DEATH. Yet he did not slay him at that time, but rather by the sword of Amon.

242. The text says that there was no fault found in him, "save only in the matter of Uriah the Hittite" (I Melachim 15:5). "Save only" indicates exclusion, that HE SINNED in the matter of Uriah, and not SINNED by Uriah HIMSELF. The Holy One, blessed be He, said, "and have slain him with the sword of the children of Amon" (I Shmuel 12:9). On each of the swords of the children of Amon, a crooked serpent was engraved, an image of a dragon, which is their idol. The Holy One, blessed be He, said, you have empowered that abomination. For when the children of Amon killed Uriah together with many of the children of Yisrael, the sword of the children of Amon grew strong at that time, and much strength was added to that idol and abomination.

238. דוד מלכא אמר, לך לבדך חטאתי והרע בעיניך עשיתי וגו', לך לבדך, מאי לך לבדך. אלא, בגין דאית חובין, דחטי ב"נ לקודשא בריך הוא ולבני נשא. ואית חובין דחטא לבני נשא, ולא לקודשא בריך הוא. ואית חובין דחטי לקודשא בריך הוא בלחודוי ולא לבני נשא. דוד מלכא, חב לקודשא בריך הוא בלחודוי, ולא לבני נשא.

239. ואי תימא הא חב ההוא חובה דבת שבע, ותנינן, מאן דאתי על ערוה אסרה על בעלה, וחב לחבריה, וחב לקודשא בריך הוא. לאו הכי הוא דההוא דאת אמר. בהיתרא הוה, ודוד דיליה נקט, וגט הוה לה מפעלה, עד לא יהך לקרבא, דהכי הוה מנהגא דכל ישראל, דיהבין גט זמן לאתתיה, כל דנפיק חילא. וכן עבד אוריה לבת שבע. ולבתר דעבר זמן והות פטורא לכלא, נטל לה הוד. ובהיתרא עבד כל מה דעבד.

240. דאלמלא לאו הכי, ובאסורא הוה, לא שבקה קודשא בריך הוא לגביה. והיינו דכתיב לסהדותא, וינחם דוד את בת שבע אשתו. סהדותא דאשתו היא, ודאי אשתו, ובת זוגו הות, דאודמנת לגביה, מיומא דאתברי עלמא. הא סהדותא דלא חב הוד חובה דבת שבע בדקאמרן.

241. ומה היא חובה דחב, לקודשא בריך הוא בלחודוי, ולא לאחרא. דקטל לאוריה בחרב בני עמון, ולא קטליה איהו בשעתא דאמר ליה ואדני יואב, דהא דוד הוה רבון עליה, וקרא אוכח, דכתיב ואלה שמות הגבורים אשר לדוד, ולא אשר ליואב, ולא קטליה ההיא שעתא, וקטליה בחרב בני עמון.

242. וקרא אמר, ולא נמצא אתו דבר, רק בדבר אוריה החתי. רק למעוטי קא אתי, בדבר אוריה, ולא באוריה. וקודשא בריך הוא אמר, ואותו הרגת בחרב בני עמון, וכל חרב בני עמון, הוה חקיק ביה חויא עקים, דיוקנא דדרקון, ואיהו ע"ז דלהון. אמר קודשא בריך הוא, יחבת חילא לההוא. שקוץ. בגין דבשעתא דקטלו בני עמון לאוריה, וסגי אין מבני ישראל עמיה, ואתגבר בהיא שעתא חרב בני עמון, כמה תקפא אתתקף ההיא ע"ז שקוץ.

243. You may say that Uriah was no righteous man, since it is written of him that he is Uriah the Hittite. But it is not so, he was righteous, only he was Hittite after his place, just like, "Yiftach the Gil'adite" (Shoftim 11:1), was so named after his place. THE SAME APPLIES TO URIAH THE HITTITE.

244. Hence it is written, "in the matter of Uriah the Hittite," AND NOT AGAINST URIAH HIMSELF, FOR HE WAS ALREADY LIABLE TO DEATH PENALTY FOR REBELLING AGAINST THE KINGDOM, AS MENTIONED. THIS IS BECAUSE HE CAUSED the abomination of the children of Amon to prevail against the camp of Elohim of David's army, who had the very shape of above, OF THE HOSTS OF SUPERNAL MALCHUT. When David caused a defect in his camp, he caused a defect above in another camp. David therefore said, "Against You, You alone, have I sinned"; against "You alone" and none other was the sin he committed. Hence THE VERSE SAYS, "in the matter of Uriah the Hittite," and hence, "with the sword of the children of Amon," WHICH MEANS THAT THE SIN WAS NOT AGAINST URIAH HIMSELF BUT IN THE MATTER OF URIAH, BY GIVING POWER TO THE SWORD OF THE CHILDREN OF AMON.

245. It is written, "For the eyes of Hashem run to and fro throughout the whole earth" (II Divrei Hayamim 16:9), which are female, AS 'RUN' HAS A FEMININE SUFFIX. And it is written, "the eyes of Hashem, they rove to and fro through the whole earth" (Zecharyah 4:10), which are male, AS 'ROVE' IS MASCULINE. So they are distinct, SOME OF THEM ARE CONSIDERED MALE AND SOME FEMALE. David said, "and done that which is evil in Your sight (eyes)" (Tehilim 51:6). HE ASKS, it says, "in Your eyes," while it should have been 'before Your eyes'. HE ANSWERS, yet THE REASON FOR SAYING "in Your eyes" IS THAT David said, the place against which I have sinned was in Your eyes, because I knew your eyes were ready and set before me, yet I was not mindful of them. Thus the sin I committed was against Your eyes.

246. "So that You are justified in Your sentence, and clear in Your judgment" (Ibid.), and he will have no excuse to say before You, "EXAMINE ME, HASHEM, AND PROVE ME" (TEHILIM 26:2). Come and see, every artist speaks of his craft. David was the King's jester, and even though he was grieved, when he was before the King, he employed his jests as before, to amuse the King.

247. He said, Master of the universe, I said, "Examine me, Hashem, and prove me," and you said I cannot withstand the test. Here I have sinned "so that You are justified in Your sentence," and your words prove right. For had I not sinned, my word would be true and Yours vain. Now that I have sinned, I did it so that Your sentence will be true. I have allowed place to justify Your sentence, which I did, "so that You are justified in Your sentence, and clear in Your judgment." For David reverted to his craft, and said in his grief words of jest to the King.

248. We learned that the deed was not becoming of David, as he said, "and my heart is wounded (or: 'empty') within me" (Tehilim 109:22). It is so, as David said, there are two chambers in the heart, one with blood and the other with air. The one filled with blood is an abode for the Evil Inclination, yet my heart is not so, because it is empty, and I have not given place for the evil blood to allow the Evil Inclination to dwell in it. My heart is surely clear, without an evil dweller. Since it is so, it was not befitting David to commit that sin, only to give a pretext for the wicked to say that if King David sinned and the Holy One, blessed be He, forgave him, how much more so the rest of the people in the world. Hence David said, "Then I will teach transgressors Your ways; and sinners shall return to You" (Tehilim 51:15).

249. And it is written, "And David went up by the ascent of the Mount of Olives, and wept as he went up, and had his head covered, and he went barefoot" (II Shmuel 15:30). HE ASKS, wherefore was "his head covered, and he went barefoot"? AND HE ANSWERS, he was reprimanded; he made himself reprimanded in order to receive punishment, and the people were four cubits apart from him. Happy is the servant who serves his Master this way, and makes known his sin, in order to wholly repent it.

250. Come and see, what Shim'i the son of Gera did to him was greater than all the troubles he had until that day, yet David did not answer back anything, for so it became him and thus his iniquities were atoned for.

251. We should now observe this. Shim'i was a sage and had great wisdom. Why did he come to David and do what he did to him? HE ANSWERS, this came from a different place that put it into him. Whatever he did was for David's benefit. For what Shim'i did to him caused him to wholly repent, and broke his heart greatly, so he shed many tears from his heart before the Holy One, blessed be He. Hence it says, "because Hashem had said to him, curse" (II Shmuel 16:10). He knew that this has come down from another, high place.

252. David bade his son Solomon do two things, one concerning Joab, the other Shim'i, among the other commands he bade him. One concerned Joab, as written, "Moreover you know also what Joab the son of Tzruyah did to me" (I Melachim 2:5). It was something unknown that even Solomon could not have known. But since others knew, Solomon found out. Hence he said, "Moreover you know," what he was not supposed to have known.

253. One concerned Shim'i, as written, "And, behold, you have with you Shim'i the son of Gera" (Ibid. 8). What is the meaning of, "with you"? HE ANSWERS, he is always at your disposal, since he was his teacher. This is why he did not say of Joab, 'And, behold, you have Joab with you'. But of Shim'i, who was constantly by him, he said, "And, behold, you have with you."

254. "And the king sent and called for Shim'i, and said to him, Build you a house in Jerusalem" (Ibid. 36). HE ASKS, where was King Solomon's wisdom in doing this? AND HE ANSWERS, he did everything wisely and noticed every aspect, that Shim'i was a sage. Solomon said, I want Torah to increase in this land by Shim'i, and that he shall not leave it.

255. Another thing is that Solomon observed wisely the words, "he came out, cursing as he came" (II Shmuel 16:5). Why does it say 'came' twice, 'he came out cursing' should have sufficed. AND HE ANSWERS, once he came out of the study hall TO CURSE David, and once he came out of Jerusalem for his servants, for which he died. He came out once for the king and once for his servants. Solomon saw all this and looked through the Holy Spirit at the second coming out. Hence he said, "For it shall be, that on the day you go out" (I Melachim 2:37), he knew that he will die going out.

256. "And cast dust" (II Shmuel 16:5). HE ASKS, What does it mean, "and cast dust"? AND HE ANSWERS, it was dust by my father, and water by Shim'i, as written, "For it shall be, that on the day you go out, and pass over the wadi of Kidron." It was dust there and water here. Solomon took account of them both so that he will be PUNISHED by dust and water like a Sota (a wife suspected of adultery), he who accused his father by the way.

257. It is written, "who cursed me with a grievous curse...and I swore to him by Hashem, saying, I will not put you to death with the sword" (I Melachim 2:8). HE ASKS, what is "with the sword"? Was Shim'i a fool THAT HE DID NOT UNDERSTAND that had he sworn this way, he may not say later, not with the sword, but with a spear or an arrow.

258. HE ANSWERS, there are two matters here. The child, the son of the great fish whose scales rise to the height of the clouds, spoke of the first. When David wanted to swear an oath, he would draw his sword, on which the engraved name was imprinted, and thus swore it. So he did with Shim'i, as written, "and I swore to him by Hashem, saying, I will not put you to death with the sword." How did he swear - with the sword. The other MATTER IS THAT Solomon considered, and said, he came cursing to my father, THAT IS, words, so I TOO HAVE words for him. So he slew him with the Tetragrammaton, and not with the sword. This is why Solomon acted this way.

253. דְּשָׁמְעִי: כְּתִיב, וְהִנֵּה עִמָּךְ שְׁמַעִי בֶן גֵּרָא. מֵאִי וְהִנֵּה עִמָּךְ, זְמִין הוּא עִמָּךְ תְּדִיר, רַבּוּ הוּהוּ. וּבְגִין כֵּךְ לֹא אָמַר עַל יוֹאָב וְהִנֵּה עִמָּךְ יוֹאָב. אֲבָל שְׁמַעִי דָא, דְּאִשְׁתַּכַּח עִמֵּיהּ תְּדִיר, אָמַר וְהִנֵּה עִמָּךְ.

259. We should now observe. If David swore to him, why did he kill him, for it seems as if this oath was false, since he did not speak his mind. HE ANSWERS, surely David did not kill him. It is known that every body part receives, but the heart does not receive even a hairsbreadth. King David was the heart OF YISRAEL, but received what was not befitting for him to receive, NAMELY, SHIM'I THROWING STONES AND CASTING DUST AT HIM. Therefore, "know what you ought to do to him" (Ibid. 9). Moreover, THE TREE, NAMELY HIS BEING OF THE ASPECT OF MALCHUT, THE SMALL TREE, caused him to be vindictive and grudging as a snake.

260. It is written, "For You desire not sacrifice; or else I would give it: You delight not in burnt offering. The sacrifices of Elohim are a broken spirit: a broken and a contrite heart, Elohim, You will not despise" (Tehilim 51:18-19). HE ASKS, "For You desire not sacrifice": does not the Holy One, blessed be He, desire a sacrifice to be offered Him? He did decree that the wicked would sacrifice an offering so their iniquities would be atoned for. AND HE ANSWERS, But David addressed that to the name Elohim, WHICH IS THE ATTRIBUTE OF JUDGMENT. A sacrifice is not brought to the name Elohim, but to the name Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei ALEPH. For a sacrifice is not brought to severe Judgment, the attribute of Judgment, as written, "If any man of you bring your offering to Hashem" (Vayikra 1:2), to Yud Hei Vav Hei, and not to the name Elohim. IT IS ALSO WRITTEN, "And when any will offer a meal offering to Hashem" (Vayikra 2:1), "a sacrifice of peace offerings to Hashem" (Vayikra 22:21), and "a sacrifice of thanks-giving to Hashem" (Ibid. 29), YET THE NAME ELOHIM IS NOT MENTIONED.

261. Therefore, since King David addressed the name Elohim, it had to be written, "For You desire not sacrifice; or else I would give it: You delight not in burnt offering," for to that name only a broken spirit is offered, as written, "The sacrifices of Elohim are a broken spirit." A sacrifice to Elohim is sadness and a broken heart. Hence whoever had a bad dream needs to look sad, because he is under the attribute of Elohim and the sacrifice to the attribute of Judgment needs TO BE sadness and a broken spirit. Sadness is useful for bad dreams, so judgment has no power over him, for he offered the proper sacrifice to the attribute of Judgment.

262. "A broken and a contrite heart, Elohim, You will not despise" (Tehilim 51:19). HE ASKS, Is, "you will not despise," indicative that there exists a heart to be despised? HE ANSWERS, Yes, namely a heart that is haughty, a heart that is presumptuous. Such is a heart He despises, but a broken and contrite heart, Elohim will not despise.

263. "Do good in your favor to Zion: build you the walls of Jerusalem" (Ibid. 20). HE ASKS: What is meant by "Do good"? Is it not apparent that there already exists something good in it? Thus, WHY DO WE NEED TO PRAY to do good to that which is good? ANSWER: It is certain THAT PRAYER IS NEEDED FOR THE PURPOSE OF DOING BETTER, as from the day that the Holy One, blessed be He, was involved with the construction of the supernal Temple until this day, no good will dwell in that edifice, and so it was never completed. But when the moment arrives when His favor on high is aroused, He will do good and kindle the lights of that edifice which shall project to such an extent that even the angels on High will not be able to gaze at that edifice, that Temple. Then the Temple with its auxiliary tasks will be completed. CONCERNING THIS, HE PRAYED, "DO GOOD IN YOUR FAVOR TO ZION."

264. "build You the walls of Jerusalem." HE ASKS: Is it possible that, from the day that He endeavored to build the Temple to the present, He did not construct them? If the walls of the Temple were not built, then surely the Temple WAS NOT BUILT, AND SO WHY DOES HE SAY TO "DO GOOD IN YOUR FAVOR TO ZION," MEANING, THE TEMPLE? NORMALLY WALLS ARE BUILT FIRST THEN THE TEMPLE ITSELF. ANSWER: The works of the Holy One, blessed be He, are not similar to those of man. When building the Temple below, man first constructs the walls of the city, then the Temple. The walls of the city must first protect them, then work can be done with the Temple. This is not so with the Holy One, blessed be He. First He constructs the Temple and later, after lowering it from Heaven and placing it upon its site, He builds the walls of Jerusalem which are actually the walls of the city. Therefore, David, may he rest in peace, said, "Do good in your favor to Zion," first, and then, "build You the walls of Jerusalem."

265. Here there is a secret. Generally, in all doings of the Holy One, blessed be He, at the outset He proceeds to work upon what is on the outside, and then He proceeds to the inner part within. Yet here it is not so, SINCE HE PROCEEDED WITH THE CONSTRUCTION OF THE TEMPLE PRIOR TO CONSTRUCTING THE WALLS, WHICH ARE IN THE EXTERIOR. WHY? HE ANSWERS Come and behold: In all doings where the Holy One, blessed be He, proceeds with the outer work, in the planning stage He begins with the inner, MEANING THE INNERMOST. However, in actual doing, He proceeds with that which is found in the outside - just as the Klipah, MEANING THE SHELL OUTSIDE, stems from the Other Side, yet the inner part is drawn from the inner part, MEANING THE SIDE OF HOLINESS. The Other Side proceeds consistently, and it grows and protects the fruit. Once the fruit ripens, THE SHELL is cast aside, "the evil may prepare it, but the just shall put it on" (Iyov 27:17). The shell is thrown away and the righteous of the world are blessed.

263. הַיְטִיבָה בְּרִצּוֹנְךָ אֶת צִיּוֹן תִּבְנֶה חוֹמוֹת יְרוּשָׁלַיִם. מֵאֵי הַיְטִיבָה, אֶתְחַזֵּי דֵּהָא טִיבוּ אֵית בְּהַ, וְהִשְׁתָּא הַיְטִיבָה עַל הַהוּא טִיבוּ. וְדַאי הָכִי הוּא, דֵּהָא מִן יוֹמָא דְקוּדְשָׁא בְּרִיךְ הוּא אֲשֶׁתְּדַל בְּבִנּוּן בֵּי מִקְדָּשָׁא לְעֵילָא, עַד כְּעַן, הַהוּא הִטְבָּה דְרִצּוֹן, לֹא שְׂרִינָא עַל הַהוּא בְּנִין, וְעַל דָּא לֹא אֲשֶׁתְּכַלֵּל. דֵּהָא בְּשַׁעְתָּא דְרִצּוֹן דְלְעֵילָא יִתְעַר, וַיְטִיב וַיְדַלִּיק נְהוּרִין דֵּהָהוּא בְּנִין, וְהַהוּא עֲבִידְתָּא, דְאִפִּילוּ מְלֹאכֵין דְלְעֵילָא, לֹא יִכְלֹן לְאִסְתַּכְּלָא בְּהַהוּא בֵּי מִקְדָּשָׁא, וְלֹא בְּהַהוּא בְּנִין. וְכִדִּין בֵּי מִקְדָּשָׁא, וְכֹל עוֹבְדָא אֲשֶׁתְּכַלֵּל.

266. But here, concerning the construction of the Temple OF THE FUTURE when the Evil Side will be removed from the world, there will not be a need TO BEGIN WITH THE OUTSIDE because the inner part and the shell will both be His, so that He will commence with the inner part, as it is written, "Do good in Your favor to Zion," first, and then, "build You the walls of Jerusalem." For the outside wall, the shell, will be His own, as written: "'for I', says Hashem, 'will be to her a wall of fire round about,'" (Zecharyah 2:9) "I" and not the side of evil.

267. Yisrael is the supernal core of the world, as the thought of Yisrael came first - AS IN THOUGHT, THE INNERMOST PRECEDED THE SHELL, AS MENTIONED BEFORE. The heathen nations are like the shell TO YISRAEL. They came first IN DEED, BECAUSE IN ACTION THE SHELL COMES BEFORE THE INNER PART OF THE FRUIT AS LISTED EARLIER, as written: "And these are the kings that reigned in the land of Edom, before there reigned any king over the children of Yisrael" (Bereshheet 36:31). In the future, the Holy One, blessed be He, will bring forth the fruit without the shell, as written: "Yisrael is holy to Hashem, the first fruits of His increase" (Yirmeyah 2:3), MEANING that the fruit comes before the shell. Even though the fruit will stay without a shell, who would dare extend his hand to eat of it, because of the verse "all that devour him shall be held guilty; evil shall come upon them, says Hashem" (Ibid.).

268. Of that time, IT IS WRITTEN: "Then shall You be pleased with the sacrifices of righteousness" (Tehilim 51:21), because then all will be enjoined into one and the Name will be whole in all its aspects, and there will be a whole sacrifice to Hashem Elohim. Presently, Elohim is not enjoined with the sacrifice, for if He was enjoined with it, numerous other Elohim would raise their ears in an attempt to join AND NURTURE FROM HOLINESS, HEAVEN FORBID. However, in the future time, IT IS WRITTEN, "For You are great, and do wondrous things, You are Elohim alone" (Tehilim 86:10), without any other deities.

At the time of resurrection, we are told, all those who have not died will experience death from the Holy One, blessed be He, and will then immediately rise back to life; this is in order that none of the impurity in the world will remain, and that the new world will be brought about from the workings of God.

269. At that time, it is written: "See now that I, even I, am He, and there is no Elohim with Me" (Devarim 32:39). HE ASKS: "See now that I, even I, am He"; THIS WOULD BE sufficient, so why MENTION THE WORD "now"? ANSWER: This situation never existed before, but from this time on, it will exist. The Holy One, blessed be He, said: 'See now what you were unable to see before.'

270. "That I, even I, am He..." HE ASKS: Why is "I" written twice? ANSWER: It is to stress that there is no other Elohim but Him THERE. Sometimes where it writes "I" once and not more, there may be the Other Side, but now, "I, even I, am He, and there is no Elohim with Me," for the Other Side has vanished, stressing exclusively that 'I alone am HE'.

271. "I cause death and bring life..." (Ibid.). Until this moment, death was brought about via the Other Side; from this time on, "I will cause death and give life," MEANING from that time on - MEANING AT TIME OF RESURRECTION - all those who did not experience the taste of death from Him, FROM THE HOLY ONE, BLESSED BE HE, will then experience death and rise immediately back TO LIFE. DEATH WILL BE BROUGHT ABOUT BY THE HOLY ONE, BLESSED BE HE, in order that none of that impurity in the world will remain. There shall be a new world brought about from the workings of the Holy One, blessed be He.

272. "And if the servant plainly said... I will not go out free" (Shemot 21:5). As we explained, then he is impaired with a blemish, MEANING, "HIS MASTER SHALL BORE HIS EAR WITH AN AWL." "If he came in by himself" (Ibid. 3). What is meant by "by himself"? We learned with the Aramaic translation that this "alone" is a fine translation. However, we did learn that the world maintains itself with only one fin of the Leviathan.

273. This is its secret: where there was both male and female LEVIATHAN, as the Holy One, blessed be He, created them as male and female, wherever they went they caused the earth to tremble. Had not the Holy One, blessed be He, sterilized the male and cooled down the female, they would have disturbed the earth. As a result, they do not produce offspring. THIS IS THE ESSENCE OF: "If he came in by himself (Heb. gapo)" MEANING IF HE COMES under the wing (Heb. gaf) OF THE LEVIATHAN, that is, if he produces no offspring, "he shall go out by himself." He is thrust away there, and can not enter in the vicinity OF THE KING at all. He is thrust away and caused to be lost from that world. Thus, "he shall go out by himself," truly alone.

274. Come and behold: it is written, "They will die childless" (Vayikra 20:20). The word "childless" comprises male and female. He arrives through the secret of the male, and departs by the secret of the female. He arrives with one and departs with the other. This is that place that he clings to in that world, MEANING IN MALCHUT. The Holy One, blessed be He, does not want anyone to come before Him who sterilized himself in this world.

275. Come and behold: this is the example of the sacrifice. They did not offer before Him that which has been castrated. They would remove it so as not to offer it before Him. He commanded: "neither shall you do thus in your land" (Vayikra 22:24). And so unto all generations it is prohibited to emasculate any creature created by Hashem, as emasculation stems from the Other Side.

271. אָנִי אֲמִית וְאֶחֱיָהּ, עַד הַשְּׁתָּא מוֹתָא הוּת מְסֻטְרָא אַחְרָא, מִכָּאן וְלַהֲלָאָה, אָנִי אֲמִית וְאֶחֱיָהּ, מִכָּאן דְּבַהֲהוּא זְמַנָּא, כֹּל אִינוּן דְּלֹא טַעְמֵי טַעְמָא דְּמוֹתָא. מְנִיָּה תְּהָא לֹון מוֹתָא, וְיָקִים לֹון מִיָּד. אֲמַאי. בְּגִין דְּלֹא יִשְׁתַּאֲר מֵהוּא זוּהֵמָא בְּעֵלְמָא כְּלָל, וְיִהְיָ עֵלְמָא חֲדָתָא, בְּעוֹבְדֵי יְדוּי דְּקוּדְשָׁא בְּרִיךְ הוּא.

276. If he endeavored and married and did not produce offspring, or he did not want to although married, or she did not want to produce offspring and later came to that world childless, we find the verse says: "if he is married," and he did not give proper attention to the work of the Holy One, blessed be He, TO HAVE CHILDREN, "then his wife shall go out with him." He enters under the wing of the male and she under the wing of the female, DENOTING MALCHUT, AND EACH ONE OF THEM who "came in by himself... shall go out by himself (also: 'his wing')" as we explained. Everything fits in well.

277. "If his master has given him a wife..." As we learned, "if his master," refers to the Master of the universe, NOTABLY MALCHUT, who "has given him a wife." We see here that man does not have the complete authority to marry a woman. All depends on the scale, MEANING ACCORDING TO THE MEASURE OF HIS MERITS, and so, He "has given him a wife," as this is not under his authority. Who is she? She is not his, NOT HIS MATE, and not set for him. Who is she? She is a WOMAN designated for someone else, but through mercy, he won her first and married her. This woman was given to him though she was not the proper one for him.

278. The Holy One, blessed be He, sees this from afar, that this woman is poised to bring offspring into the world. AND AFTER this man initiated with pleas of mercy she was given to him; he thus had offspring and planted a seed with the woman that was not his. Therefore, "the wife and her children shall remain her master's and he shall go out by himself." See how a wretched poor man toiled for naught to bring forth fruit in a garden that was not his, and departed empty-handed.

279. HE SAYS TO HIMSELF: Old man, in a time such as this, you were not as one who pushes the gate open with his feet, as one who lies on the ground without strength, and as a result of his weakness, he is unable to OPEN THE GATE so he pushes on it with his feet. Have courage, old man, do not fear. This poor unfortunate toiled for naught - why? Is it because he did not plant in a garden of his own? Then we could understand. But here, the Holy One, blessed be He, gave him this garden to plant; he did not take it ON HIS OWN INITIATIVE.

280. But, come and behold: all the things the Holy One, blessed be He, has done are according to the Law; there is nothing found wanting. If the Holy One, blessed be He, gave him a wife, and he produced fruits and plants, he is not like other incarnated ones. One who endeavors in this world to enlarge the tree but is unable is not the same as one who makes no effort to enlarge, but instead uproots, causes leaves to fall from the tree and diminishes its fruits.

276. ואי איהו אשתדל, ונסיב איתתא, ולא עביר תולדין, ולא בעא, ואע"ג דאית ליה איתתא, או אי היא לא בעאת, ועאל להווא עלמא, בלא תולדין, מה כתיב. אם בעל אשה הוא, ולא אשגחו לפעל ידוי דמאריהון, ויצאה אשתו עמו, איהו יעול בגפו דדכורא, ואיהי בנוקבא. בגפו יבא בגפו יצא כמה דאתמר, כלא על תקוניה.

277. אם אדניו יתן לו אשה, כמה דאתמר, אם אדניו, דא איהו אדון כל הארץ. יתן לו אשה, מהכא, דלאו ברשותא דבר נש קיימא למיסב אתתא. אלא כלא במאזנים לעלות. יתן לו אשה, דהא לאו ברשותיה איהו. ומאן איהי. ההיא דלאו דיליה, ולא אודמנת לגביה, ומאן איהי. ההיא דהות זמינא לאחרא, ואקדים האי ברחמי, ונטיל לה, דא אתייהיבת ליה, דלא אתחזיאת ליה.

278. וקודשא בריך הוא חמי מרחיק, וחמי לההיא אתתא, דזמינת לאפקא תולדין בעלמא. אקדים האי ברחמי, ואתייהיבת ליה, ועביר איבין, וזרע זרעא, באתתא דלאו דיליה, בג"כ, האשה וילדיה תהיה לאדניה, והוא יצא בגפו. אי ענייא מסכנא, כמה אשתדל בריקניא, לאה ואשתדל למעבד פירין, בגנתא דלאו איהי דיליה, ונפק בריקניא.

279. סבא סבא, בעדנין אליו, לא הוית ברגליך דחי לתרעא, כמאן דשכיב בארעא בלא תוקפא, דהא אתחלש ומחלשא סגי, דלא יכול, דחי ברגליו. אתתקף סבא, ולא תרחל. הא ענייא מסכנא, דאשתדל בריקניא, אימא אמאי. אי בגין דזרע בגנתא אחרא דלאו דיליה, יאות. אבל הכא קודשא בריך הוא יהיב ליה ההוא גנתא למזרע בה, דהא איהו לא נטיל לה.

280. אלא ת"ח, כל מלין דקודשא בריך הוא עביר, כלהו בדינא אינון, ולא הוה מלה בריקניא. האי דקודשא בריך הוא יהיב ליה אתתא, ועביר בה פירין ואיבין, לאו האי כשאר בני גלגולא, ולא דמי מאן דאשתדל בהאי עלמא לאסגאה אילנא, ולא יכול למאן דלא בעא לאסגאה לאשתדלא, ואעקר ואפיל טרפין דאילנא, ואזער איבא דיליה.

281. He whose Master gave him a wife to produce offspring, who strove before to enlarge the tree, but was unable, does not possess many merits. Had he possessed the proper merits, he would not need to reincarnate, as it is written: "And to them will I give in my house and within My walls a memorial better than sons and daughters" (Yeshayah 56:5). But now that he does not merit, the Holy One, blessed be He, sees that he tried to have children and was unable. Then "his Master has given him a wife," as we learned, and as a result of the Holy One, blessed be He, showing mercy, that He gives him A WIFE out of mercy, He takes His own back, He takes what caused that well to diminish FROM BEFORE THIS. For this reason, "the wife and her children shall be her master's." Later, he must return and work on himself to compensate for his loss. Here ends the secret of the verse.

282. HE SAID TO HIMSELF: Old man, you are saying that he toiled in vain TO BEGET CHILDREN. But you really did not pay attention to yourself that you walk in vain, for in regard to what you said, there is a verse that contradicts your entire construction, and you thought that you were swimming in the sea to your heart's content. What is this VERSE? It is written, "If the servant plainly says, 'I love my master, my wife and children...'" (Shemot 21:5), WE SEE THAT HE AGAIN MERITS THEM, AND SO HE DID NOT TOIL IN VAIN.

283. Woe, old man, weary without strength, what shall you do? You thought that there was no one pursuing you, but there is a verse pursuing you, coming out from behind the wall like a doe in the field. THAT IS, THAT HE DID NOT REMEMBER BEFORE, BUT SUDDENLY REMEMBERED, as if His hopping after you with thirteen hops behind you, DENOTING THE THIRTEEN WORDS IN THE VERSE FROM, "IF THE SERVANT PLAINLY SAYS" UNTIL THE WORD "FREE" (WITH THE LAST WORD NOT INCLUDED). It did reach you. What should you do, old man? Now, strengthen yourself because you were a mighty person until now. Old man! Remember the snowy day we planted beans and there were mighty warriors against you, and you alone defeated thirteen warriors who had each slain a hungry lion.

284. If these thirteen mighty ones have you defeated, then how much more so these thirteen WORDS IN THE VERSE, "IF THE SERVANT PLAINLY SAYS..." which have no more power than words. It is written, "He will surely say." The way of the Holy One, blessed be He, is to execute His Judgment with all. When the time arrives for that woman THAT THE SERVANT TOOK to find her real mate, what does THE HOLY ONE, BLESSED BE HE, do? He slays THE SERVANT THAT MARRIED HER, NOT BEING HER REAL MATE, and her real mate takes her, and THE SERVANT departs this world alone.

285. "And if the servant shall plainly say (lit. 'speaks, saying')" The friends have maintained according to the literal meaning of the verse: and if he speaks at the beginning of the sixth year, he will be saying at the end of the sixth year just before the entry of the seventh year. If he made this declaration even one day into the seventh year, his words would be void. What is the proof? It states "the servant," as long as he is a servant, meaning in the sixth year. If he spoke in the beginning of the sixth year and did not repeat at the end of the sixth year, it would be meaningless. For this reason, it writes twice, "speaks, saying."

286. Here, CONTINUING WITH OUR SUBJECT, while the servant is still with his wife, he intensifies his prayer and requests daily before the Holy King. Just as he acquired her through mercy, so too the ending is with pleas for mercy. This is the essence of "speaks, saying." He speaks at the beginning to hasten the taking of her through mercy and later PLEADS THAT HE SHOULD NOT BE SHUNTED ASIDE BEFORE HER REAL MATE, AND THAT HIS PETITION be received with mercy. He says: "I love my master." Because of his numerous prayers, he is beloved by the Holy One, blessed be He. He amends his actions, saying, "I love my master, my wife and my children: I will not go out free." The Holy One, blessed be He, receives his penance and manifold prayers.

287. What does the Holy One, blessed be He, do? Though he was prepared to reincarnate him and cause him to endure punishment in this world for his actions, He does not return him to this world. What does He do? He brings him near to the Heavenly Council, they judge him, submit him to the house of punishment, and the Holy One, blessed be He, brands him WITH THE AWL. He is handed over to punishment house to remain under the dominion of the uncircumcised until a specific time, and then He redeems him.

288. If at that time when he is being marked WITH THE AWL the Jubilee has arrived, and even if it is one day until Jubilee it is thus considered as if he spent the full time until Jubilee. This is the penalty and no more. With the arrival of Jubilee he is redeemed and brought into the presence OF THE HOLY ONE, BLESSED BE HE. The old man closed his eye for one moment. The merchant now begins a long section to do with strength, speaking about strong mountains, about the strong foundations of the earth, about King Solomon and about the mighty patriarchs. This leads to the issue of the birthright that Jacob took from Esau, and Jacob's strength over his brother. The serpent was able to seduce Adam because Adam lacked strength and might; that quality first appeared in Seth. Jacob's strength already existed in the form of Joseph.

285. וְאִם אָמַר יֹאמֵר, הֲאֵא וּקְמוּהָ חֲבֵרִיָּא כַּמְשֻׁטִיה לְדָקְרָא. וְאִם אָמַר, בְּשִׁירוּתָא דְשִׁית שְׁנִין, יֹאמֵר, בְּסוּפָא דְשִׁית שְׁנִין, עַד לֹא יַעוּל שְׁבִיעָאָה, דְּהָא אִי אָמַר, כִּד אִיהוּ אִפִּילוּ בְיוּמָא חַד מְשִׁבְעָאָה, מְלוּי בְטִלִין. מ"ט. הָעֶבֶד כְּתִיב, בְּעוֹד דְּאִיהוּ עֶבֶד, בְּשִׁתָּא שְׁתִּיתָּאָה. אָמַר בְּשִׁירוּתָא דְשִׁית שְׁנִין, וְלֹא אָמַר בְּסוּפָא דְשִׁית שְׁנִין, לֹא כְּלוּם הוּא, וּבְגִין כֵּךְ, תְּרִי זְמַנֵּי אָמַר יֹאמֵר.

289. He began and said, "Hear, O mountains, Hashem's controversy, and you, strong foundations of the earth: for Hashem has controversy with His people" (Michah 6:2). HE THEN SAID TO HIMSELF: Old man, until now you were in the depths of the sea, and now you have skipped over the powerful mountains to wage war with them. Until now, surely, you were in the strong sea, but prior to coming into the deep sea, you met these powerful mountains that are located in the midst of the sea. Now you need to wage war against the depths of the sea and these mountains.

290. Weary old man without strength, who put you into this. You were in a state of peace, but you wanted this; you caused this, you are going to suffer. Now there is no other way for you but to wage war and conquer everything, and not turn back. Be strong, gird your loins, and do not fear to smash these mountains so they do not overpower you. Say to them: high mountains, mighty peaks, how strong you became.

291. Two verses are written. One writes, "Arise, contend before the mountains, and let the hills hear your voice" (Ibid. 1). Another writes, "Hear, O mountains, Hashem's controversy." There are mountains, and there are other mountains. There are mountains, very lofty, DENOTING CHESED, GVURAH, and TIFERET. About these, it is written, "Hear O mountains, Hashem's controversy." There are other mountains whose heights are somewhat lower, DENOTING NETZACH, HOD, AND YESOD. Regarding these, it is written, "Arise, contend before the mountains," because the pursuer of quarrels is upon them, MEANING, THERE ARE JUDGMENTS IN THEM. Hence, there are different mountains.

292. You may say that yet it writes, "let the hills hear your voice." These hills are below and you make mountains of them. HE ANSWERS: It is so. When compared to the lofty mountains, these are called hills, but by themselves, they are called mountains.

293. Come and behold: it is written, "and you strong foundations of the earth." HE ASKS: If it wrote, "Hear, O mountains," who then are these strong ones? HE ANSWERS: Mountains and strong ones are really the same. However, mountains are the three upper ones overtop OF THE STRONG ONES, DENOTING CHESED, GVURAH, AND TIFERET. The STRONG ONES are three lower ones, NAMELY NETZACH, HOD, AND YESOD. It is all one. Concerning the upper mountains, David said: "I lift my eyes to the mountains" (Tehilim 121:1). These refer to the three primary ones, NAMELY CHESED, GVURAH, AND TIFERET; "strong foundations of the earth," refer to the three secondary ones below the primary, WHICH ARE the supports of the Temple, NAMELY NETZACH AND HOD, and one is the joy of the Temple, NAMELY YESOD. These are called 'the foundations of the land'; they are strong and are called 'strong'.

294. HE SAID TO HIMSELF: Old man, you are aware that he who wages war, if he is not on guard, can not win wars. He needs to strike with his hand, and be on guard in his thoughts. Whatever the other plans, he must anticipate AND BE ON GUARD. The right hand is designated at all times to strike, and his left hand and his thoughts to receive and be on guard - THE THOUGHTS TO BE ON GUARD, THE LEFT HAND TO RECEIVE BLOWS FROM THE ADVERSARY. The right serves in any THING.

295. Now you speak of the strong ones. The strong ones (Heb. eitanim) are below, DENOTING NETZACH, HOD, AND YESOD, and mountains above DENOTE CHESED, GVURAH, AND TIFERET. Be on guard, old man, as there is another thought that conflicts with yours, as written, "A maskil of Eitan the Ezrachite" (Tehilim 89:1), referring to old Abraham, called Eitan. So if Abraham is known as 'Eitan' then Isaac and Jacob must be referred to as eitanim (lit. 'strong ones') AND WE KNOW THAT THE FATHERS DENOTE CHESED, GVURAH, AND TIFERET, FOR CHESED, GVURAH, AND TIFERET ARE REFERRED TO AS 'STRONG'. Rise, old man, as you see that this thought conflicts with your thought.

296. "...and took up his discourse, and said, 'Strong is your dwelling place...'" (Bemidbar 24:21) 'Eitan' refers to the morning of Abraham, as written "As soon as the morning was light" (Bereshheet 44:3). This refers to the pillar, DENOTING YESOD, that the entire earth, DENOTING MALCHUT, leans upon. Its light is received from Abraham, DENOTING CHESED. The river exiting Eden is so called, DENOTING YESOD, AND SO YESOD IS REFERRED TO AS 'EITAN'. HE SAID TO HIMSELF: Old man, one thought is in opposition to you, and you are unable to be on your guard. How can one wage war, old man, where is your strength? Surely "nor the battle to the strong" (Kohelet 9:11).

297. It is written "A maskil of Eitan the Ezrachite," and there is a verse, "A maskil of David," denoting the river that flows from Eden, ALLUDING TO YESOD, that clarifies David, REPRESENTING MALCHUT, to inform him of these concealed heavenly matters, AND SO YESOD BECOMES REFERRED TO AS 'MASKIL' (ENG. 'ERUDITE'). Now if maskil alludes to the river flowing from Eden, MEANING YESOD THAT IS BELOW, IN NETZACH, HOD, AND YESOD, then Eitan the Ezrachite ALLUDES TO ABRAHAM, WHOM I KNOW TO BE ABOVE, WITH CHESED, GVURAH, TIFERET. And though I am an old man, I overcome this thought. BUT Eitan the Ezrachite points to two grades, as the verse says: "As soon as the morning was light." "Light" denotes Abraham, WHO IS CHESED; "morning" is the river, WHICH IS YESOD. So in relation to Eitan the Ezrachite, 'Ezrachite' alludes to Abraham and 'Eitan' is, as we said, that river flowing from Eden, NAMELY YESOD.

298. Now, old man, stand upon your chariot, as you will now fall and will not be able to rise. Behold King Solomon. He came with his hosts, chariots, warriors, and cavaliers and they come towards you. Rise, and leave the field so they will not find you there. It is written, "And all the men of Yisrael assembled themselves to king Solomon at the feast in the month of etanim" (I Melachim 8:2). THIS MEANS the month that the eitanim (lit. 'strong ones') were born. Who are these? They are the Fathers, who are the mighty ones of the earth. This month is Tishrei, in which the alphabet is in reverse order, from below upwards, MEANING PROCEEDING FROM TAV TO SHIN-RESH-KUF. SO ALSO THE LETTERS OF TISHREI REPRESENT THE LETTERS GOING BACKWARD, FOR THE EITANIM ARE THE FATHERS, WHO ARE CHESED, GVURAH, AND TIFERET.

294. סָבָא סָבָא, הָא יָדַעְתָּ, מֵאֵן דְּאִגַּח קְרָבָא, אִי לֹא יָדַע לְאַסְתַּמְרָא, לֹא יִנְצַח קְרָבִין, אֲצַטְרִיךְ לְמַחָא בִּידֵיהּ, וְלֹאסְתַּמְרָא בְּרַעֲיוֹנֵיהּ, מַה דִּיהָא חָשִׁיב אַחְרָא, דִּיהָא חָשִׁיב אִיהוּ, וְיָד יְמִינָא זְמִינָא תְדִיר לְמַחָא. וּמַחְשְׁבוֹ וִידָא שְׁמַאלִית, זְמִינָא תְדִיר לְקַבְלָא וְלֹאסְתַּמְרָא, וְיְמִינָא כְּלָא.

298. הַשְּׁתָּא סָבָא, קוּם קָאִים עַל רְתִיכְךָ, דְּהַשְּׁתָּא תְנַפּוּל וְלֹא תִיכּוּל לְמִיקָם. הָא שְׁלֵמָה מְלָכָא, אַתִּי בְּחִילוֹי וְרְתִיכוֹי וּגְבּוּרֵי וּפְרָשׁוֹי, וְאַתִּי לְקַבְלָךְ, קוּם פּוֹק מִן חַקְלָא, דְּלֹא יִשְׁכַּח לְךָ תַּמָּן. כְּתִיב וַיִּקְהָלוּ אֶל הַמֶּלֶךְ שְׁלֵמָה כָּל אִישׁ יִשְׂרָאֵל בִּירַח הָאִיתְנִים בְּחַג וְגו'. יִרַח דְּאַתִּילִירוֹ בֵּיהּ הָאִיתְנִים, וּמֵאֵן אֵינּוֹן. אַבְהָן, וְאֵינּוֹן אִיתְנֵי עוֹלָם. וְיִרַח דָּא, אִיהוּ תְשָׁרִי. דְּאַלְפָא בֵּיתָא אַהֲדֵר לְמַפְרַע מִתַּתָּא לְעֵילָא.

299. Furthermore, from your OWN words, SAYING THAT EITAN THE EZRACHITE REPRESENTS TWO LEVELS, you had better leave the field and not be found, for had the verse said, "A maskil Eitan the Ezrachite," then things would be FINE, since as you maintained, IT REPRESENTS TWO LEVELS. But now that it writes, 'A maskil of Eitan the Ezrachite,' your fight is meaningless, BECAUSE NOW IT APPEARS THAT IT IS ONE LEVEL, NOT TWO. Depart the field unwillingly, and do not be seen.

300. O poor unfortunate old man, how are you going to leave THE FIELD? If you do, they will be victorious over you and you will have fled the field. Everybody will chase you and you will never have courage to see anyone. No, now I swear that I will not leave the field, I will see King Solomon face to face, and any man of Yisrael with the warriors, cavaliers, and chariots. The Holy One, blessed be He, will help you, old man, as you are weary and without strength. Arise, old man, have courage, for until now you were a mighty force.

301. He commenced: it is written, "A maskil of Eitan the Ezrachite." Had it been written 'A maskil of David', the explanation would have been as you said, REFLECTING YESOD THAT OFFERS BOUNTY TO MALCHUT, CALLED 'DAVID'. But IT IS WRITTEN "A maskil of Eitan." HE ANSWERS: There is maskil and there is maskil, a maskil on high and one below. Maskil of Eitan is to tell us when that river, YESOD, rises with yearning, all limbs rejoice and join with him. If it rises to the point that that supernal mind, CHESED BECOMING CHOCHMAH, is favored to him and rejoices in him, then you have a maskil of Eitan the Ezrachite. For it instructs (Heb. maskil) Eitan the Ezrachite, instructing YESOD, and informs him through Abraham his beloved, REPRESENTING CHESED THAT ROSE TO BECOME CHOCHMAH, with all that is necessary. That supernal mind, BEING CHOCHMAH, is maskil of Eitan, DENOTING YESOD. When king David, DENOTING MALCHUT, is established with yearning TO YESOD, YESOD informs (maskil) David, just as the supernal mind maskil TO YESOD. So there is maskil and maskil.

302. "...the month of etanim..." For in this month were born the eitanim (lit. 'strong ones'). The edifice below, NETZACH, HOD, AND YESOD, is similar to that above, CHESED, GVURAH, AND TIFERET, and so were four mountains and strong ones born in it. The mountains, BEING CHESED, GVURAH, AND TIFERET, are concealed, AS CHOCHMAH IS CONCEALED AND DOES NOT ILLUMINATE. The strong ones, the thighs, NETZACH AND HOD, are strong as copper; eitan (lit. 'strong', sing) is between them, DENOTING YESOD THAT AFFECTS THE ILLUMINATION OF CHOCHMAH.

299. ותו ממילך, יאות התפוק מן חקלא, ולא תשתבח תמן. אילו בתיב משביל איתן האזרחי בדקאמרת. השתא דכתיב משביל לאיתן האזרחי. לית קרבך כלום, ותפוק מן חקלא, בעל כרחך ולא תתחזי תמן.

300. אי סבא עניא מסכנא, היכי תפוק. אי הכי, ינצחון לך ותערוק מן חקלא, כל בני עלמא ירדפון אבתרך, ולית לך אנפין לאתחזאה קמי בר נש לעלמין. הכא אומינא, דלא אפוק מן חקלא, והכא אתחזי אנפין באנפין בשלמה מלכא, וכל איש ישראל, וגוברין ופרשין ורתיבין דיליה. קודשא בריך הוא יסייע לך סבא, דהא לאי חילא אנת. קום סבא אתגבר בחילך ואתתקף, דער יומא דא הוית גיבר תקיף בגוברין.

301. פתח ואמר, משביל לאיתן האזרחי. אלו בתיב משביל לדוד, בדקאמרת, אבל משביל לאיתן, אית משביל ואית משביל. אית משביל לעילא, ואית משביל לתתא. משביל לאיתן בזמנא דההוא נהר, קם בתאובתא כל שיימן חדאן ומתחברן לגביה, ואי הוא סליק, עד דמוחא עלאה אתפייס לגביה, וחדוי לקבליה. וכדין משביל לאיתן האזרחי, משביל ליה, ואודע ליה על ידא דאברהם רחימוי, כל מה דאצטריך, וההוא מוחא עלאה משביל לאיתן. וכד דוד מלכא, אתתקן בתיאובתא לגביה, איהו משביל לדוד. כמה דהוה מוחא עלאה, משביל ליה. ועל דא, אית משביל, ואית משביל.

302. בירח האיתנים, דאתילידו בהא ירח איתנים, בנינא לתתא איהו בגוונא דלעילא, ואתילידו ביה הרים ואיתנים. הרים סתימין. איתנים: ירכין תקיפין כנחשא, וההוא איתן בינייהו.

303. Rise, old man, strike out on all sides. At the time Moses ascended to receive Torah, the Holy One, blessed be He, handed him seventy keys of the Torah, NAMELY SEVEN SFIROT: CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT, EACH POSSESSED ITS OWN TEN SFIROT, TOTALING SEVENTY. When he reached 59, MEANING YESOD WITHIN THE TEN SFIROT OF THE OVERALL YESOD, there was one hidden, concealed key, NAMELY MALCHUT WITHIN THE TEN SFIROT OF THE OVERALL YESOD, KNOWN AS THE DIADEM OF YESOD, that was not handed to him. It pleaded before him, saying, 'Moses, all the upper and lower keys are dependent upon this key'. Moses said, 'Master of the World, what is its name?' He replied, 'Eitan and all other Eitanim are dependent upon it.' Within it are maintained NETZACH, HOD, AND YESOD, which are outside of the body of the written Torah, WHICH IS ZEIR ANPIN, It, ZEIR ANPIN, informs it, MEANING, FLOWING WITH KNOWLEDGE, and instructs it. And it, THE DIADEM OF YESOD, is the principal and the key of the written Torah, ZEIR ANPIN.

304. And when Oral Torah, WHICH IS MALCHUT, affixes itself to it, then, it, THE DIADEM OF YESOD, becomes its key, MEANING OF YESOD OF MALCHUT, then surely YESOD is referred to as 'A maskil of David', WHO IS MALCHUT. And due to the fact that the Oral Torah inherits it, AND IT BECOMES ITS YESOD, CALLED 'RESH-SHIN-TAV', THAT ILLUMINATES FROM DOWN UPWARDS. SO IN IT, the letters are in reverse order, and as a result, ITS YESOD IS CALLED 'Tishrei', IN WHICH THE LETTERS ARE IN REVERSE ORDER, THAT IS, TAV-SHIN-RESH-KUF. The letters are Tav-Shin-Resh, but being the secret of the Holy Name, NAMELY MALCHUT, the Holy One, blessed be He, imprinted a letter of His name, Yud, THUS CALLED 'TISHREI' (TAV-SHIN-RESH-YUD). Upon the altar, ALSO A NAME OF MALCHUT, He added IN ITS YESOD the letter Hei OF YUD HEI VAV HEI, such as the Hei of: "that the net (Heb. hareshet - Hei-Resh-Shin-Tav) may reach the midst of the altar" (Shemot 27:5). Dvorah came, ALSO BEING A NAME OF MALCHUT, AND He placed in her Vav, as it is written, "Then sang (Heb. vatashar - Vav-Tav-Shin-Resh) Dvorah." And in this place, YESOD OF MALCHUT, the seal of the Holy Name is imprinted upon it.

305. When that key, THE DIADEM OF YESOD, opens the Oral Torah, MEANING WHEN IT IS AFFIXED TO ITS YESOD, it is necessary to understand it. This is the meaning of Tanya (lit. 'it has been taught in the Baraita') CONSISTING OF THE LETTERS IN EITAN, AND THEN APPLIES, "Strong (Heb. eitan) is your dwelling place" (Bemidbar 24:21), AS MALCHUT IS CALLED 'DWELLING PLACE'. WHEN IT RECEIVES FROM THE DIADEM OF YESOD, IT IS MENTIONED REGARDING IT, "STRONG IS YOUR DWELLING PLACE," CALLED 'BARAITA' MEANING SOMETHING outside of the body OF ZEIR ANPIN. BARAITA STEMS FROM THE WORD 'OUTSIDE', WHICH IS EXTERNAL. Eitanim IN THE WRITTEN TORAH, ZEIR ANPIN, becomes the Tanaim OF THE ORAL TORAH, MALCHUT. These are supporting pillars outside of the body, MEANING NETZACH, HOD AND YESOD. Now it needs to be known that when these, NETZACH, HOD AND YESOD, are called with regard to the written Torah, ZEIR ANPIN, Eitanim, then with regard to the Oral Torah they are called Tanaim, which is spelled with the same letters. Eitan is used with regard to the written Torah, Tanya with the Oral Torah, and everything is as it should be.

306. Friends, behold, I am in the field. King Solomon the king and his mighty warriors will come and find an old weary man who is strong, a warrior, victor of wars. I know that he will come, standing behind the rock in the field. He watches me, how my strength abides in the field. He alone watches me, he is a man of peace, who has peace. Go now old man, with your strength, you are alone in the field. Return to your place. Remove your weapons from yourself.

307. "Hear, O mountains, Hashem's controversy, and you, strong foundations of the earth." "Hear, O mountains," is TO BE EXPLAINED as we have said. "...and you, strong foundations of the earth..." is the foundations of the earth indeed, WHICH IS MALCHUT, REFERRED TO AS 'EARTH'. For from them, THE STRONG ONES - NETZACH, HOD, AND YESOD - MALCHUT is nurtured and receives bounty daily. THEREFORE they are the foundations of the earth.

308. "...for Hashem has controversy with His people..." Who can stand his ground when the Holy One, blessed be He, quarrels with Yisrael, regarding which He says to them, "Hear, O mountains, Hashem's controversy." This is one dispute. "Arise, contend before the mountains," is the second dispute. The Holy One, blessed be He, won in all disputes with Yisrael; and all the admonitions are as a father admonishes his son. So we have explained it.

309. About Jacob, it is written concerning the time he came to be victorious over him: "Hashem has also a controversy with Judah, and will punish Jacob" (Hoshea 12:3). What is the controversy? It is as it is written: "He took his brother by the heel in the womb" (Ibid. 4). And this resulted in the admonition and all these controversies. This is an important matter that "He took his brother by the heel in the womb." What he did in the belly is not a simple matter. HE ASKS: Was he deceitful in the belly? HE ANSWERS: Assuredly so.

310. So we learned that in every way, Jacob rejected Esau so that he would not have any share IN HOLINESS. Esau complained only about one which equaled two, as it is written, "for he has supplanted me these two times" (Bereshheet 27:36). It should have been written, 'he has supplanted me two times'. What is the meaning of the word "these (Heb. zeh, lit. 'this')"? HE ANSWERS: HE WAS INSINUATING about one thing which has the value of two, one that turned into two. What is it? When rearranging the letters of "my birthright (Heb. bechorati)" it becomes "my blessing (Heb. birchati)." "...this two times..." MEANS one item equaling two.

311. Esau did not know what Jacob did to him in the belly, but his Appointed Minister knew. The Holy One, blessed be He, caused the heavens and the hosts to tremble from the sound of the voice OF THE ACCUSATION OF THE MINISTER OF ESAU. He could have claimed blessing and birthright, but said nothing. He should have put in a claim for the blessing, but did not; he claimed brotherhood, as it is written, "and that you hide not yourself from your own flesh" (Yeshayah 58:7). Jacob did not want to give him any food before he took the birthright from him.

312. What birthright did he take? He took from him the birthright of above and below, MEANING THE HOLY BIRTHRIGHT ON HIGH, TO OFFER SACRIFICE, AND THE BIRTHRIGHT BELOW TO RECEIVE TWO SHARES. The word 'bechorah ('birthright') IS WRITTEN minus a Vav. He then supplanted (Heb. ikev) his brother and made a heel (Heb. akev) of him and threw him backwards. What is backwards? He caused Esau to precede him into this world. Said Jacob to Esau: 'You take this world first, and I will follow.'

313. Come and behold: It is written, "And after that came out his brother, and his hand took hold of Esau's heel" (Beresheet 25:26). What is meant by Esau's heel? Do you really believe that his hand was grasping the other's leg? Not so. His hand was grasping someone who is a heel. And who may that be? It is Esau. Esau is known as the heel. From the time that Jacob followed him and from the day of Creation, the Holy One, blessed be He, called him 'heel', AS ESAU IS OF THE ASPECT OF THE SERPENT, as it is written concerning him, "it shall bruise your head, and you shall bruise his heel" (Beresheet 3:15), MEANING you who are called 'heel' will bite first and in the end he will bruise your head. Who is HIS HEAD? IT IS Samael, the head of the serpent that strikes in this world.

314. And so in the womb he was insidious, and deceitful to his brother, and so Esau took first this world as the verse writes, "And these are the kings that reigned in the land of Edom, before there reigned any king over the children of Yisrael" (Beresheet 36:31). This secret is alluded to by King Solomon who says, "An estate may be gotten hastily at the beginning; but its end shall not be blessed" (Mishlei 20:21), by the end of the world.

315. And so, "He took his brother by the heel in the womb, and by his strength he strove with Elohim." HE ASKS: what is meant by "his strength"? HE ANSWERS: They explained it as his might, and this is well; but actually it is not so. The true clarification of the matter is that Jacob was a supernal image and holy body to the extent that since Adam, there was no body AND BEAUTY as that of Jacob. The beauty of Adam was literally the beauty of Jacob, and the image of Jacob was actually the image of Adam.

316. When the Serpent came and seduced Adam, the serpent was able to overcome him as Adam lacked strength or might, as up until that day, he who was comprised of his strength and might was not born. And who is Adam's strength and might? This was Seth, who possessed the identical image of Adam, as it is written, "and begot a son in his own likeness, after his image; and called his name Seth" (Beresheet 5:3). What is the meaning of, "in his own likeness, after his image"? It means born circumcised. So when the Minister of Esau came to Jacob, Jacob's strength and substance already existed in the form of Joseph. This is the meaning of, "and by his strength he strove with Elohim," AS JOSEPH WAS HIS STRENGTH.

317. What is the sound of the woman, which the sound of the snake can join with, as do a male a female dog? HE ANSWERS: The serpent's voice can not cling to any voice of a woman, but there are two kinds of women with whom he can unite. One is a woman who does not observe the days of her menstrual impurity and the day of cleansing, and purifies by immersion a day too early, or a woman who delays the marital visits to spite her husband, unless her husband does not mind or does not care about it.

318. With these two women, as one hastens TO IMMERSE BEFORE THE PROPER TIME, one also carries with the voice of the serpent, until the voices merge. Just as she delays her marital visit to distress her husband, in postponing the performance of a precept, so the voice of the serpent advances to merge with the voice of the woman. These two women with whom the sound of the serpent is caught up are comparable to the union of the male and female dog. Uncleanliness follows uncleanliness, a species seeks out its own.

319. One may ask why it should bother us if one voice is caught up with another, or not? HE ANSWERS: Woe that the people in the world perish unknowingly. If the woman's voice mingles and joins with the voice of the serpent, when sinful evil LILIT comes out of her lair, when she meets these two voices, the voice of the serpent and the voice of the woman, the woman LILIT is heated by them, and they by her. Thus she conceives and a spirit is formed, and they follow it until THE SPIRIT invades the intestines of that woman.

320. The sinful LILIT comes and visits the spirit, of this child that is born, which came about from this awful merger with the sound of the serpent that rattles inside her. This SPIRIT plays with the child until the evil LILIT arrives, just as a woman might visit another woman's child and prattle with it until its mother arrives. Many times, this SPIRIT, a messenger of the evil LILIT, may kill it. The verse writes, "and on the side of their oppressors there was power" (Kohelet 4:1). The explanation OF THE VERSE is not as you suggest, but ITS EXPLANATION IS AS FOLLOWS. The strength of that spirit OPRESSES HIM. And so twice is written in the verse, "but they had no comforter" (Ibid.), from the wicked Lilit and from that spirit.

321. HE SAID TO HIMSELF: Old man, now you have friends, you speak like one who never saw war wagers. They are at peace with you. From now on I will not remove from me weapons of war in order to make my name remembered.

322. That sin that lies in wait, MEANING THE SERPENT ABOUT WHOM IT IS WRITTEN, "SIN CROUCHES AT THE DOOR" (BERESHEET 4:7), BEING THE DOOR OF MALCHUT, stands by the door like a dog. When the last sound is emitted, when the woman about to give birth cries, JUST BEFORE BIRTH, he skips from the door and goes after the woman. Why? Because the Holy One, blessed be He, sends a key TO OPEN THE WOMB and when the voice flies forth, the key comes. The serpent follows the voice that is emitted and goes to the hill of the stomach - DENOTING YESOD, AS NETZACH, HOD AND YESOD ARE CALLED 'THE LOWER MOUNTAINS' - IT BITES THAT PLACE, OPENS THE WOMB, and knocks there until such time that she is cleansed from the filth of the bite of that evil serpent. The Holy One, blessed be He, brings about situations and performs fitting actions.

323. All this NURTURING OF THE SERPENT comes because that belly was rejected. It is sure THAT THE SERPENT was shunted from that belly and has no part IN IT. ALSO, he is shunted from the belly below of other women in the world, AS WOMEN BELOW ARE BRANCHES OF THE SUPERNAL NUKVA. So even though he can distress them, he has no right to dominate them. Which belly does he have authority to dominate? It is the belly of the sotah (lit. 'a married woman suspected of adultery') about whom it is written: "and her belly will swell" (Bemidbar 5:27). With this belly, he acts with vengeance as this belly is his to do with what he wishes, and the Holy One, blessed be He, allowed him this in order that he not be totally shunted. My friends, listen! I have not seen you or spoken to you, "All things are full of weariness" (Kohelet 1:8); no one can speak, even Torah words are wearisome.

324. It is written: "And Jacob was left alone, and there wrestled a man with him" (Beresheet 32:25), and, "And when he saw that he did not prevail against him, he touched the hollow of the thigh." From that hollow did THE OTHER SIDE profit FROM JACOB. That thigh was in a state of weakness until Samuel came. What is its weakness? It did not draw THE LIGHT OF prophecy. When Samuel arrived, he took that thigh and removed it from the place OF THE OTHER SIDE and snatched it away from it. From that time that it was removed from it, it had no part of Holiness at all.

325. The Holy One, blessed be He, did not withhold or reject it totally when Samuel took the thigh, but gave it one portion. He gave it the thigh and belly of the Sotah, in exchange for the thigh and belly taken from him. Both things, the Holy One, blessed be He, gave to the Other Side so that the place of Holiness would be free of it altogether.

326. It is written, "and your thigh to fall away" (Bemidbar 5:22). HE ASKS: IT SHOULD READ, 'and her thigh shall fall away'. It is written, "to make the belly to swell" (Ibid.), yet it should be written, 'and her belly shall swell'. HE ANSWERS: This is similar to one who throws a bone to a dog and tells him: This is your share. HENCE, THE VERSE SAYS, "TO SWELL...TO FALL AWAY." Nothing hurt it so much as when it was deprived of the thigh for which it struggled, AS INDICATED FROM THE VERSE: "AND THERE WRESTLED A MAN WITH HIM..." It earned it, yet it was taken from it, so the Holy One, blessed be He, threw it the bone of the Sotah, as we said, and with that it was happy and satisfied.

327. All these Chariots and its companions always desire the thigh and yearn for it. As a result the knees of the sages are weary from THE OTHER SIDE, as all its yearning is for the thigh, and particularly for the sage's thigh. Everything is returned to its place and the Holy One, blessed be He, lacks nothing, and He wishes that only His people, His lot, His portion, shall approach Holiness. As the Holy One, blessed be He, does above, so the children of Yisrael do below, and so it should be. As we learned, the children of Yisrael are prohibited from teaching Torah to the heathen, as it is written, "He declares his word to Jacob... He has not dealt so with any other nation" (Tehilim 147:19-20), FOR IT IS NECESSARY TO DISTANCE THEM FROM SANCTITY.

328. And so Jacob and Samuel shunted it aside so that it would have no part of Holiness. For this reason, all the preservation of hatred towards the children of Yisrael is about this. It is SIMILAR to a dog that seized a clean bird from the market, and before HE HAD A CHANCE to shatter it, a man came, snatched it from him, and later gave him a useless bone to carry about.

324. כתיב, ויותר יעקב לבדו ויאבק איש עמו, וכתיב וירא כי לא יכול לו ויגע בכף ירכו. והוא ירך הרווח מיעקב. והוא ירך בחלישו דיליה עד דאתא שמואל. מאי בחלישו דלא משיך נבואה. בד אתא שמואל, נטל ההוא ירך, וסלקיה מההוא אתר, וחסף ליה מניה, ומההוא זמנא אתעדי מניה, ולא הוה ליה חולקא בקדושה כלל.

329. So it is with the Minister of Esau. He was removed from the womb, the thigh taken from him and later given a bone, namely, the stomach and thigh of the Sotah, and of none other. This is the bone given to him as his share and lot, and this was delightful to him. All Judgments of the Holy One, blessed be He, are truthful, yet people do not realize or pay attention to the Holy One, blessed be He. However, all is with Truth. She, THE OTHER SIDE, deviated from her husband, as the verse says, "who forsakes the friend of her youth" (Mishlei 2:17), and so too the corresponding wife on earth, MEANING THE SOTAH, IS HANDED OVER TO HER.

330. Come and behold: one who finds a friend like himself, who acts like him, will love him, cling to him and favor him with kindness. However, the Other Side is not so. When it finds someone who has left the holy side of the Holy One, blessed be He, and behaves like it, and clings to it, then it attempts to destroy him. This woman imitated its way and clung to it. Look what it did to her. "...and her belly shall swell, and her thigh shall fall away." The Holy One, blessed be He, is not so. He will love that person who leaves the Other Side and clings to the Holy One, blessed be He, and He will dispense every kindness in the world to him. HE SAID TO HIMSELF: Now, old man, prepare yourself as the serpent tries to entice you but is unable. The old man's talk returns repeatedly to the issue of one who has no offspring. He says that God does not want anyone who practices evil to produce future generations that might devastate the world. The merchant tells the story of King Solomon riding on the eagle four hundred parasangs until arriving at the mountains of darkness. There, in the area of the olive tree, King Solomon learned the foreign wisdom that he was interested in, and then went aboard the eagle again and returned home. Then he contemplated that wisdom that he had learned. He knew of the many oppressions of the world.

331. He began to say, "What profit has a man of all his labor wherein he labors under the sun" (Kohelet 1:3). HE ASKS: Is Solomon trying to teach us only this? Had he said "in his labor that he does," I would understand that there is work that brings profit. However, when he writes, "of all his labor," that includes everything, that nothing has profit.

332. HE ANSWERS: Solomon did not make his statement regarding all people. There are people that are constantly busy doing evil and harming others, and do nothing positive at all. Therefore, the verse uses the expression, "his labor," instead of 'his toil'. "...his labor (Heb. amalo)..." MEANS IN EVIL DEEDS, as a verse writes, "His mischief (Heb. amalo) shall return upon his own head" (Tehilim 7:17), or, "nor has he seen perverseness (Heb. amal) in Yisrael" (Bemidbar 23:21). The word 'toil' IS USED TO IMPLY POSITIVE ACTS, as the verse says, "For you shall eat the toil (Heb. yegia) of your hands" (Tehilim 128:2), and, "Elohim has seen my affliction and the labor (Heb. yegia) of my hands" (Bereshheet 31:42). But of 'amal' it says, "mischief and spite" (Tehilim 10:14). Hence, HE SAID, "WHAT PROFIT HAS A MAN OF ALL HIS LABOR WHEREIN HE LABORS UNDER THE SUN," for it is under the sun, ALLUDING TO THE OTHER SIDE, WHICH IS BELOW THE SUN.

333. When man practices evil, the verse writes, "He will have no child nor offspring among his people" (Iyov 18:19). The Holy One, blessed be He, does not want him to produce future generations, for if he produced offspring, he would devastate the world. And so it says, "What profit has a man of all his labor"; one who does not try to have offspring becomes part of this evil man and finds himself under his wing.

334. Ruth said "spread therefore your skirt (also: 'wing') over your handmaid" (Rut 3:9) so that she would mate with the righteous man to produce offspring. And the Holy One, blessed be He, spread His wings over people in order that they should be fruitful. BUT the one who refuses to produce offspring, "he came in by himself (also: 'in his wing')" the wing of the evil man who remains childless, as the serpent who operates alone. "...he shall go out by himself..." refers to one who did not try to have offspring. We have already discussed THIS sufficiently.

335. The dispute that the Holy One, blessed be He, engaged with, we have learned, is as the verse says, "Arise, contend before the mountains." Who are they? They are the mountains below, NAMELY NETZACH, HOD, AND YESOD. What is the essence of this contention? With them are intertwined all sins that Yisrael commit before their Heavenly Father. How is that? Yisrael knew of the worship, THE CONJURING of the heavenly angels. Not even one name of theirs was unknown to them, nor their worshipping.

336. In two ways, they used to whore after them. 1) They knew how to draw the powers of the stars and constellations on earth, and 2) they knew how to cause them to call upon them in all that is needed. For this, the Holy One, blessed be He, was to engage in contention and Judgment against them, THE MOUNTAINS, AS ALL ANGELS AND HEAVENLY MINISTERS RECEIVE THEIR POWER FROM NETZACH, HOD AND YESOD, REFERRED TO AS 'MOUNTAINS'. Inasmuch as they are subject to contention and Judgment, THEIR LIGHTS WILL BE BLURRED; the entire chain, MEANING THE ANGELS OF BRIYAH, YETZIRAH AND ASIYAH, shall fall as they will be of no use, SINCE THEIR POWERS HAVE BEEN MADE VOID. And therefore, it says, "Arise, and contend..." "and let the hills hear your voice." HE ASKS: Who are the hills? HE ANSWERS: These are the mothers, NAMELY THE SEVEN CHAMBERS IN BRIYAH, who are levels called "the virgins... that follow her" (Tehilim 45:15), MEANING SEVEN MAIDENS THAT SERVICE MALCHUT. So did Yisrael do until they took part with the lower levels. He said to himself: Old man, return to the earlier words.

333. בְּשַׁעֲתָא דְהָאֵי אָדָם אֲשַׁתְּדֵל בְּבִישׁ, עַל הָאֵי כְּתִיב, לֹא נִין לוֹ וְלֹא נֶכֶד בְּעַמּוֹ וְגו', דְּהָא קוּדְשָׁא בְּרִיךְ הוּא בְּעֵי, דְּלֹא יַעֲבִיד תּוֹלְדִין, דְּאֵלְמָלֵא יַעֲבִיד תּוֹלְדִין, הוּהּ מִטְּשֻׁשָׁא עֲלֵמָא. וְע"ד כְּתִיב, מִה יִתְרוֹן לְאָדָם בְּכָל עַמְלוֹ. וּמֵאֵן דְּלֹא יִשְׁתְּדֵל לְמַעֲבַד תּוֹלְדִין, אֲתִדְבֵק בְּהָאֵי סְטְרָא דְאָדָם בִּישָׁא וְעָל תַּחוֹת גְּדַפּוּי.

337. Yisrael sharply struck THE OTHER SIDE with this thigh that we spoke of. Mordechai showed the evil Haman his thigh, for which reason he became furious, claiming it was his, THAT HE EARNED IT FROM JACOB. Mordechai incensed him, SHOWING HIM THAT IT WAS ALREADY SNATCHED FROM HIM. Behold friends, it is written, "And Rivkah took the best clothes of her elder son Esau" (Bereshheet 27:15). With these garments, Jacob was able to snatch all his blessings and birthright.

338. For this reason, chariots OF THE OTHER SIDE found a reason to be hostile to the sages. They robbed the garments of the sages at every chance - MEANING, their thighs and garments, as these two items belonged to the Other Side. Their anger was primarily due to the theft of these items. AND SO, they can complain only to the sages. For this reason, the sages' garments wither from rubbing against them. The weakening in the knees is due to them, and in this way they show their grievance against THE SAGES and demand what is theirs. They are seeking from the sages that which is theirs. Why the sages? They represent he who is sitting in the tent, JACOB; there is no accusation without a cause, nothing happens without justice and judgment, and so everything returns to its place.

339. Solomon said, "So I returned, and considered all the oppressions that are done under the sun: and behold the tears of such as were oppressed, and they had no comforter; and on the side of their oppressors there was power: but they had no comforter" (Kohelet 4:1). We have spoken of what he is hinting at. The verse says, "I returned." From where did Solomon return? One may conclude THAT it MEANS, after this matter, he repeated something else, AND SO HE MEANS 'I HAVE GONE BACK'. This is fine, but if so HE SHOULD HAVE SAID, 'returned, and considered'; WHY DOES HE SAY, "I RETURNED"?

340. There we learned that daily Solomon would rise early, turn his face eastward, NAMELY TO TIFERET AND THE CENTRAL COLUMN, and see what he saw. Later he would turn to the south, NAMELY CHESED AND THE RIGHT COLUMN, and see what he saw. Later he would turn northward, BEING GVURAH AND THE LEFT COLUMN, stand there, lower his eyes, and raise his head.

341. At that moment, a pillar of fire and pillar of cloud would come. On the cloud pillar was an eagle, large and powerful. In this manner DID THE EAGLE APPROACH; the right wing was over the pillar of fire, its body and left wing on the cloud pillar. That eagle brought two leaves in its mouth. All three, the pillar of cloud, pillar of fire, and the eagle bowed before King Solomon.

342. The eagle came, bent before him, and presented him with the leaves. King Solomon took them, smelled them, and recognized the sign. He said that one is from "falling down," and the other is of "having his eyes open" (Bemidbar 24:16). When the two leaves were before him, he realized that both "falling down" and "having his eyes open" wished to reveal something to him.

343. What did he do? He stamped his throne with the same seal in which the Holy Name was engraved. He took the ring that was engraved with the Holy Name and went up to the attic. He rode on top of the eagle and took off. The eagle climbed to the highest clouds and wherever he passed, the light dimmed. The wise men where the light dimmed understood and said that King Solomon was passing by, but they did not know where he was going. The fools said the clouds are causing the darkness.

344. The eagle lifted a bird with him and flew four hundred parasangs until arriving at the mountains of darkness. There Tarmod lies amidst the wilderness in the mountains. He descended there, raised his head, saw the mountains of darkness and knew all that was needed. He realized that he MUST enter there. He rode the eagle again and flew into the mountains to that place where the olive tree is located. He cried loudly, "Hashem, when Your hand is lifted up, they will not see" (Yeshayah 26:11).

345. He entered and approached the area OF THE OLIVE TREE, placed the ring before them, and approached. There he learned whatever he wished of the foreign wisdom that interested him. Once told what he needed, he again boarded the eagle and returned to his place. Once again sitting on his throne, he thought of and discussed this precious wisdom with himself. He then said, "So I returned, and considered," MEANING, I have returned from that trip, I have brought back this wisdom and I have assembled it in my mind, and considered then "all the oppressions that are done."

346. Do you really believe that all the oppressed in the world were seen by King Solomon, THAT THE VERSE SAYS THAT I "CONSIDERED ALL THE OPPRESSIONS"? HE ANSWERS: But the oppressed mentioned are the children dying while on the knees of their mother, deprived in several ways: oppressed in the supernal area above, FROM THE STANDPOINT OF THEIR SPIRIT, and oppressed below, FROM THE PHYSICAL STANDPOINT. The friends have commented about this. Yet there are many OPRESSED BESIDES THESE. HE SAID TO HIMSELF: Old man, rise, be alert, speak your words, for surely you will speak without fear.

347. There is no one so oppressed as those whom one oppressed previously BY SINNING, or IF DUE TO HIS SIN, the third generation TO THE FOURTH after him ARE PUNISHED; THE CHILDREN DIE WITHOUT SIN AND SO THEIR OPPRESSION IS NOT THAT HARSH. THIS IS NOT SO IF THEY THEMSELVES, THEIR FATHERS, OR THEIR GRANDFATHERS SIN. As it is written: "punishing the iniquity of the fathers upon the children unto the third and fourth generation" (Shemot 20:5).

348. HE ASKS: How would he oppress? WHAT WAS HIS SIN? HE ANSWERS: King Solomon cried out, "A man that is burdened with the blood of any person shall flee to the pit; let none support him" (Mishlei 28:17). Now that he is oppressed WITH THE SIN OF SHEDDING the blood of the soul, he, his son or grandson will be held hostage upon the scale BY THE OTHER SIDE, as it is written, "shall flee to the pit; let none support him." So to the pit OF THE OTHER SIDE let him flee from Holiness without support in this world. Once guilty of THE SIN OF blood of any person, he or his seed will be oppressed by the Other Side.

349. There are those oppressed more than others. They are OPPRESSED BECAUSE OF THE SIN OF: "YOU SHALL NOT DEFRAUD," WHICH HIS FATHER, OR GRANDFATHER, HAS TRANSGRESSED, as written "You shall not defraud your neighbor" (Vayikra 19:13). He transgressed and oppressed, SO HE IS REPAID MEASURE FOR MEASURE. Thus, he becomes oppressed via his sons through the hands of the Other Side. Therefore Solomon says, 'of "all the oppressions (also: 'oppressed')" I am aware, AND KNOW of every oppression, from whatever side it comes'. IT WAS NOT NECESSARY THAT HE SAW EVERY OPPRESSION IN THE WORLD.

345. עַל תַּמֵּן, עַד דְּקָרִיב לְהוֹא אֶתְר, שׁוֹי עֲזָקָא קְמִיָּהוּ, וְקָרִיב, וְתַמֵּן הוּא יָדַע כֹּל מַה דְּבַעֵי מְאִינוּן חֲכָמְתָן נּוֹכְרָאִין, דְּבַעֵי לְמַנְדַּע. בִּיּוֹן דְּהוּוּ אֲמַרִין לִיה כֹּל מַה דְּבַעֵי, כְּדִין הוּא רְכִיב עַל הוּא נִשְׂרָא, וְתַב לְאַתְרֵיהּ. בִּיּוֹן דְּהוּוּ יְתִיב עַל כּוּרְסֵייהּ, אֲתִישֵׁב בְּדַעְתִּיהּ וְהוּוּ מְמַלֵּל בְּדַעְתִּיהּ מְלִין דְּחֲכָמְתָא יְקִירָא. בְּהֵיא שְׁעָתָא הוּוּ אָמַר, וְשַׁבְתִּי אֲנִי וְאַרְאֶה, שַׁבְתִּי וְדָאֵי מֵהוּוּ אֲרַחָא, שַׁבְתִּי מֵהֵיא חֲכָמְתָא, וְאַתִּישֵׁב בְּלִבָּאֵי וּבְדַעְתָּאֵי. וְכְדִין וְאַרְאֶה אֶת כֹּל הָעֲשׂוּקִים.

350. HE ASKS: Why in the verse, "the oppressions (also: 'oppressed') that are done under the sun" does it say "that are done," when it should have been 'that dwelt'? Also, if the doing is praiseworthy, then their doing is above the sun, WHERE BENEFIT AND CORRECTION TAKE PLACE, BUT HERE THE VERSE MENTIONS "BENEATH THE SUN."

351. HE ANSWERS: Assuredly they "are done," but howso? If they are deprived of their spirit, why come to this world THROUGH REINCARNATION? THE EXPRESSION 'DOING (HEB. ASYAH)' APPLIES TO THE BODY, WHICH IS IN THE WORLD OF ASYAH. Spirits are surely completed, fashioned with spirit and body in this world. When the body is perfected, and that spirit is fashioned AND CLOTHED in a pure, clean body without the soil of sin in this world, then the body becomes as deprived as the spirit. This is the body that THE OTHER SIDE enjoys above all others. There are other oppressed SPIRITS of various types not fashioned into bodies, NEVER INCARNATED IN THIS WORLD. But these are "the oppressed that are done" WITH BODIES, AND SO THE VERSE IS WRITTEN, "THAT ARE DONE."

352. There are others that were made where people implored their Master. Who are they? The child born from one who oppressed his neighbor's wife secretly or openly is oppressed, as the consent of their Master was not obtained and it was without knowledge of the husband of the woman. These creations are oppressions, and they make it imperative that the Holy One, blessed be He, provide them with a body, and design an image. There are "the oppressions that are made," since their bodies are made by compulsion. For this reason, King Solomon said: 'I considered all the oppressions,' I am aware and know of many kinds of oppression made in Asiyah.'

353. Like these, there are oppressions that were done by the foreskin, that took, caused the body to grow, made it, and later, UPON BECOMING BAR-MITZVAH, they snatch it from it. This is another example of "oppressions that are done." About all these, King Solomon said: 'I am aware AND KNOW of all "the oppressions that are done."

354. "and behold the tears of such as were oppressed." Everybody shed tears with complaints before the Holy One, blessed be He, because the foreskin, THE OTHER SIDE, caused them to reach thirteen years and then later they were taken from the foreskin, and the Holy One, blessed be He, takes them. These are oppressions that were already done.

354. וְהֵנָּה דְּמַעַת הָעֲשִׂיקִים, כְּלָא אוּשְׁדִין דְּמַעִין, עִם טַעֲנָה קְמֵי קוּדְשָׁא בְּרִיךְ הוּא. הֵנִי אוּשְׁדִין דְּמַעִין, דְּהָא עַרְלָה רַבִּי לֹון, וְגָדִיל לֹון, עַד י"ג שָׁנִין, וְלִבְתֵּר עֲשִׂיקִין לֹון מְעַרְלָה, וְנָטִיל לֹון קוּדְשָׁא בְּרִיךְ הוּא, הָא לָךְ עֲשׂוּקִין אֲשֶׁר נַעֲשׂוּ כְּבָר.

355. A THIRTEEN YEAR AND A DAY OLD that committed a sin FOR WHICH THE PENALTY IS DEATH, is put to death. These people have reason to complain and may in the future say: Master of the Universe, a child one day old who has sinned is SO judged?! I am like a child one day old, AS RIGHT AFTER BAR-MITZVAH, the Holy One, blessed be He, called me son, as it is written, "Hashem said to me, 'you are My son, this day I have begotten you'" (Tehilim 2:7). Master of the universe, is a child who is one day old to be so judged? These are "the tears of such as were oppressed, and they had no comforter."

356. There is another example of oppressed. This oppressed one is called a bastard. When he is deceased, he is set apart from the holy congregation. This poor, unfortunate bastard [this refers to a real bastard, born to illicit relationship] pours out tears before the Holy One, blessed be He, with the following complaint: Master of the Universe, if my forebearers sinned, what wrong have I done, my actions are proper before you! Here are "the tears of such as were oppressed, and they had no comforter." It is the same with all these oppressed who have reason to complain to the Holy One, blessed be He; with this complaint there is no comforter and no one to soothe their hearts.

357. This that says, "behold the tears of the oppressed," refers to those who die in the bosom of their mother. These are bound to shed tears for mankind, for there are no other tears from the heart like these tears. For all the people in the world stand in wonder and say: But the Judgments of the Holy One, blessed be He, are True and follow a truthful course; why do these innocent children die? Where is the Judgment of Truth, that the Holy One, blessed be He, practices? If it is due to the sins of the parents, why is this so? Assuredly, "they had no comforter."

358. Moreover, "behold the tears of such as were oppressed" refers to their tears in that world that protects the living. We learned there is a designated place in that world, where even the completely pious have no standing. And the Holy One, blessed be He, loves them, clings to them and places them in His supernal Yeshiva. About them it is written: "Out the mouths of babes and sucklings have you founded strength" (Tehilim 8:3). What is the gain from their being there, and why do they ascend there? AS THE VERSE CONTINUES, "because of your enemies, that you may silence the enemy and the avenger." There is also another place for those who repent. The merchant says that prior to the Sabbath, the letters, the written alphabet and the tablets had already been created. These were the work of Elohim, and it is only after the completion of Creation that we find the full name "Hashem Elohim". "engraved upon the tablets" means freedom from everything - from the Angel of Death, from the subjection of nations. It is the seal of the World to Come.

359. We learned of ten things which were created just prior to the Shabbat: the letters, the written alphabet, and the tablets, as it is written, "And the tablets were the work of Elohim, and the writing was the writing of Elohim" (Shemot 32:16). HE ASKS: wherein do we see that they were created just before Shabbat? Perhaps they were created a thousand years later or at the time Yisrael stood at Mount Sinai? HE ANSWERS: It surely was just before Shabbat. Come and behold: throughout Creation we do not find the full Name, but only Elohim. That Name is found throughout until Creation is completed at Shabbat eve. Only after the completion of Creation, do we find the full Name: "Hashem Elohim."

360. Even though with the name Elohim He created all, it did not go into effect until just prior to Shabbat. Only then was the work completely done, as it is written, "His work which He had done" (Bereshheet 2:2), and, "from all His work, which Elohim had created" (Ibid. 3) MEANING, only then did it go into effect. And so the verse, "And the tablets were the work of Elohim," MEANS when the world was completed and done with the Name of Elohim, WHICH WAS AT SHABBAT EVE and not later, as when the verse refers to Hashem Elohim, then completion came to the world and it was set.

361. Come and behold: at the time Moses smashed the tablets, as it is written, "and broke them at the foot of the mountain" (Shemot 32:19), the ocean rose from its position to flood the universe, and at once, "he took the calf which they had made, and burnt it in the fire... and scattered it upon the water" (Ibid. 20). Moses rose against the ocean and said: 'Waters, waters, what do you want?' They replied: 'The universe can only survive through the Torah upon the tablets, but the children of Yisrael have rejected the Torah and made a golden calf instead. We wish to inundate the world.'

362. Immediately, he said to them: 'All that transpired with the sin of the golden calf is known to you. Is it not enough the thousands that perished because of it?' Immediately, he "scattered it upon the water," but the waters were not pacified until he took water from them, FROM THE OCEAN, and caused the children of Yisrael to drink of it. Then the ocean sank to its position.

363. For in the wilderness, there was no water, as it is written, "it is no place of seed... nor is there any water to drink" (Bemidbar 20:5), SO HE MUST HAVE USED THE WATERS OF THE OCEAN. One may think that he threw THE ASHES into the well of Miriam, but heaven forbid that Moses would throw a memorial of this terrible act there, and drink of it afterwards. Furthermore, at that point they did not have that well, it was only when arriving at the wilderness of Matana, as it is written, "the well dug by the prince... and from the wilderness they went to Matana" (Bemidbar 21:18); at that point they acquired the well. It is written here, "upon the water" (Shemot 32:20), and it is written elsewhere, "upon the face of the deep" (Beresheet 1:2); JUST AS THERE THE REFERENCE IS TO THE OCEAN, SO IT IS HERE TOO.

364. "engraved upon the tablets." What is meant by, "engraved (Heb. charut) upon the tablets"? HE ANSWERS: We have that it means freedom (Heb. cherut) from the Angel of Death, freedom from subjection of nations, freedom from everything. What is freedom? It is the seal of the World to Come, wherein there is freedom expressed in all kinds of freedoms. Had Moses not broken THE TABLETS, what followed in the world would not have happened; Yisrael would have retained an angelic image above and below. This is what the verse proclaimed, "And the tablets were the work of Elohim." Do not say that once the world was completed, and the complete name OF YUD HEI VAV HEI ELOHIM was mentioned, then THE TABLETS came about. It is not so, but rather when the world was completed with the name of Elohim prior to the Shabbat.

365. HE ASKS: IT IS WRITTEN, "WERE (HEB. HEMAH) THE WORK OF ELOHIM." What is meant by hemah, WHICH IS SUPERFLUOUS? HE ANSWERS: Switch its letters into mehah (lit. 'from Hei-Hei') MEANING from two sides, THE TWO HEI'S OF THE NAME YUD HEI VAV HEI, BINAH AND MALCHUT. One, in deed - NAMELY THE LAST HEI, MALCHUT - one of the freedom above, WHICH IS THE FIRST HEI, BINAH, registered above IN BINAH to watch over everything. Hence it is written, "hemah." "...the writing is the writing of Elohim..." MEANING black fire on white fire. "...is (Heb. hu) the writing of Elohim..." resembles the verse, "the Levites shall do the service of the Tent (lit. 'of him', hu)" (Bemidbar 18:23) REFERRING TO BINAH CALLED 'HU', DENOTING freedom, as we said, for Jubilee DENOTING BINAH, is also called 'freedom' as it proclaims freedom to all.

The old merchant now reveals himself to be Yeva Saba (the elder), and Rabbi Chiya and Rabbi Yosi prostrate themselves before him and weep. They said to him: "May we be favored that our image be engraved in your heart as your seal is engraved in our heart."

366. Until this point ARE MY WORDS. From here on, be advised that the evil side will not have any hold on you. I, Yeva Saba (the elder) stand before you to make you aware of these things. RABBI CHIYA AND RABBI YOSI arose as one who had awakened from sleep, prostrated before him, unable to speak. After some time they wept.

367. Rabbi Chiya commenced the discussion: "Set me as a seal upon your heart, as a seal upon your arm..." (Shir Hashirim 8:6). "Set me as a seal"; when the Congregation of Yisrael, MALCHUT, clung to her husband, ZEIR ANPIN, she said, "Set me as a seal." The way of a seal is as follows: Once it comes in contact with something, it leaves its mark even though the seal itself moves about and does not remain there. It left its shape there, and there remains ITS SHAPE. The Congregation of Yisrael says the same: once I have clung to You, my mark will be engraved with You even though I move from place to place, my mark will remain with You and you will thus remember me.

368. "...as a seal upon your arm..." like the verse, "His left hand is under my head, and his right hand embraces me" (Shir Hashirim 2:6). So here, my mark will be engraved, and so I will always adhere to You and not be forgotten by You. "...for love is as strong as death..." mighty as that place where death dwells. Love is the place known as eternal love.

369. "...jealousy is cruel as Sheol..." The same is here, AS MENTIONED EARLIER WITH LOVE. These names, SUCH AS LOVE, JEALOUSY, stem from that side, MEANING THE LEFT SIDE. "...the coals thereof are coals of fire." HE ASKS: What are these coals? HE ANSWERS: These refer to precious stones and pearls formed from this fire, REPRESENTING SUPERNAL LEVELS - MEANING from these flames emanating from the supernal world, FROM THE LEFT SIDE, BINAH takes hold of the Congregation of Yisrael to become one unity. AND HE SAID TO THE OLD MAN: As for us, our love and flaming heart is with you. May we be favored that our image be engraved in your heart as your seal is engraved in our heart. THE OLD MAN kissed them, blessed them and they left.

370. When they reached Rabbi Shimon, they told him what transpired. He stood in awe and said: How fortunate are you to have merited this, you were with this supernal lion, this mighty hero compared to whom all mighty people are nothing, and you did not recognize him at first. I wonder how you were saved from his penalty - but the Holy One, blessed be He, wished to protect you. He said about them: "But the path of just men is like the gleam of sunlight, that shines ever more brightly until the height of noonday" (Mishlei 4:18). "When you go, your steps shall not be confined: and when you run, you shall not stumble" (Ibid. 12) "Your people also shall be all Righteous: they shall inherit the land for ever; they shall be the branch of My planting, the work of My hands, that I may be glorified" (Yeshayah 60:21). UNTIL THIS POINT ALL COMES FROM RAV YEVA SABA (THE ELDER).

4. "If men strive"

The title verse is explained as saying that if Michael, representing holiness, and Samael, representing defilement, strive and hurt the congregation of Yisrael, Samael will be punished by the Holy One, blessed be He.

Ra'aya Meheimna (the Faithful Shepherd)

371. "If men strive..." (Shemot 21:22) These are Michael and Samael- MICHAEL REPRESENTS HOLINESS, SAMAEL, DEFILEMENT. "...and hurt a woman with child..." (Ibid.) This is the Congregation of Yisrael, DENOTING MALCHUT; "so that her children depart from her," refers to the exile; "he shall be surely punished," refers to Samael; "according as the woman's husband will lay upon him" refers to the Holy One, blessed be He.

6. Setting aside cities of refuge

Rabbi Shimon continues to speak to Moses, telling him that he has merited the last Hei, Malchut, due to his seeking it with repentance, returning it to his Master, leading it out of exile and not seeking any reward. God put His name in Moses and he put His thoughts with Moses. Moses endeavored his whole life with Truth, so God allowed him to be raised with the Torah of Truth and to be incorporated with all its qualities and letters - with the Holy Name, Yud Hei Vav Hei.

377. Now we have the commandment of setting aside cities of refuge for one who killed, due to the Egyptian man you slew in Egypt who contained within him the primordial serpent and his encampment that surrounded him. You killed him prematurely and you did not fear his followers. Numerous women pursued you in your youth - THE KLIPOT, Na'amah, Agrat - black Lilith. And the Holy One, blessed be He, gave cities of refuge to save you from them. These are the gates of repentance.

378. This is because you are a son of Yud-Hei, AS MOSES WAS AT THE LEVEL OF VAV, DENOTING ZEIR ANPIN, being the son of Aba and Ima, WHO ARE CHOCHMAH AND BINAH, YUD-HEI. And after you returned with repentance with the LAST Hei OF THE NAME YUD HEI VAV HEI, you ascended to Binah AND MERITED NOW THE NAME Yud-Hei-Vav, which is the Tree of Life - FOR BINAH IS CALLED 'LIVING ELOHIM', AND ZEIR ANPIN THAT ASCENDS TO BINAH IS CALLED THE 'TREE OF LIFE', and therefore you have merited the LAST Hei, WHICH IS MALCHUT. All this is due to your bringing yourself after it with repentance, returning it to your Master, leading it out of exile, and not seeking reward.

379. And the Holy One, blessed be He, put His name in you, and since your thoughts were with the cause of causes, NOTABLY KETER, He put His thoughts with you - DENOTING THE SECRET OF CHOCHMAH, which is YUD HEI VAV HEI, FULLY SPELLED WITH ALEPH'S, WITH THE NUMERICAL VALUE OF MEM-HEI (=45) AS CHOCHMAH (CHET-CAF-MEM-HEI) CONSISTS OF THE FORCE (CAF-CHET) OF 45 (MEM-HEI). FOR THROUGH THE NAME OF MEM-HEI WHICH IS THE CENTRAL COLUMN OF THE MOCHIN, WHICH IS CHOCHMAH REVEALED, the Cause of all causes unifies all these letters within you in order to reorganize and know Him through these letters.

380. AFTER BEING INCLUDED IN THOUGHT, WHICH IS THE SECRET OF THE FIRST THREE SFIROT, HE GOES ON TO EXPLAIN HOW HE RECEIVED THE OTHER SIX SFIROT, AND SAYS: Since you dispensed kindness with the Shechinah, as all the precepts are yours with which to provide for the pious (Heb. chasid) man, who is pious to his Possessor, so He gave you the quality of Chesed. You observed the negative commandments and had to overcome your inclinations to tie it under you, and you strove with this precept only to tie up Samael under the Holy One, blessed be He, and to have the mate OF SAMAEL, who is an evil maidservant, bound under her mistress, NAMELY MALCHUT, and THEN all their appointees and their hosts. Therefore, the Holy One, blessed be He, has given you the quality of Gvurah, that will be at your assistance to cause Samael, his mate and all their hosts to fear and be tied in a chain under you.

381. And since you repented with the sign of the Covenant, NAMELY YESOD, Binah descended, BEING THE LETTERS Yud-Hei-Vav, to join with the Righteous, NAMELY YESOD, for your sake. And so the Holy One, blessed be He, gave you the sign of the Covenant of the righteous, NAMELY, YESOD. As you did everything with a pure thought, so descended the explicit name upon you, and from there, FROM THE THOUGHT, WHICH IS THREE FIRST SFIROT, did it descend on you.

382. And because you strive daily, with both of your lips in prayer to extol your Master with, "Adonai, open my lips," utilizing both lips with words of the prophets and the writings and all types of song and tune in prayer, the Holy One, blessed be He, lowers them through your two lips, NETZACH AND HOD. Even more so in your level, being the middle pillar, NAMELY TIFERET, with which you endeavored all your life with Truth; the Holy One, blessed be He, allowed you to be raised with the Torah of Truth, incorporated with all qualities and letters - SUCH AS CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD - with the explicit Name consisting of four letters, YUD HEI VAV HEI, WHICH IS THE FIRST THREE SFIROT.

383. Before you repented, you were associated with the Tree of Knowledge of Good and Evil. Servant and child were your original names, as it is written: "and, behold, a weeping boy" (Shemot 2:6), or a devoted servant, as written, "My servant Moses is not so, for he is the trusted one in all My house" (Bemidbar 12:7). The evil, that is the partner of a servant, caused you to sin by the rock, as the staff handed you came from the Tree of Knowledge of Good and Evil, MEANING METATRON AND SAMAEL. Metatron is good, and Samael is evil.

380. ובגין דאָת הוּיָת גּוּמַל חָסֵד עִם שְׂכִינְתָּא, דְּכָל פְּקוּדֵינ דִּילָךְ לְקַיִּימָא, אִיזְהוּ חֲסִיד הַמִּתְחַסֵּד עִם קוּנּוּ. יֵהֵב לָךְ מֵדַת חָסֵד. וּבְגִין דְּנִטְרַת פְּקוּדֵינ דְּלֹא תַעֲשֶׂה, וְהוּהוּ לָךְ לְאַתְגַּבְרָא עַל יַצְרָךְ, לְמַקְשֵׁר לִיהַ תַּחֲוֹת יָדְךָ, וְלֹא אֲשַׁתְּדֵלַת בְּהַאי פְּקוּדָא, אֲלֵא לְקַשְׂרָא סְמָא"ל תַּחֲוֹת יָדָא דְּקוּדְשָׁא בְּרִיךְ הוּא. וּבֵת זּוּגְיָה דְּאִיְהִי שְׂפַחְתָּא בִּישָׁא, תַּחֲוֹת יָד גְּבִירְתָּא. לּוֹן וְלָכֵל מִמֶּנּוּ וְלָכֵל מִשְׁרֵינ דְּלֵהוֹן. קוּדְשָׁא בְּרִיךְ הוּא יֵהֵב לָךְ, מֵדַת גְּבוּרָה דִּילִיָּה, לְמַהוּי בְּסִיעֵתְךָ דִּיתַחְלַחְלוֹן וּידְחַלוֹן מִינְךָ, סְמָא"ל וּבֵת זּוּגְיָה, וְכָל מִמֶּנּוּ וּמִשְׁרֵינ דְּלֵהוֹן, וְיֵהוֹן קְשׁוּרִים בְּשִׁלְשָׁלָאֵי תַּחֲוֹת יָדְךָ.

7. Mem-Tet and Mot ('the rod')

Rabbi Shimon tells Moses that the staff given to him will be a Tree of Life, denoting Vav, which will become a rod. He explains that two precepts were validated: "you shall surely help him to lift them up again" and "You shall surely unload it with him." These allude to Messiah the son of David and Messiah the son of Joseph. The third precept is that of the gleaning, the forgotten sheaf and the poor man's tithe. The rising, meaning redemption, is in Moses' level.

384. And now that you have repented and enjoined yourself with the Tree of Life, and you have relinquished the role of servant and returned to be a son to the Holy One, blessed be He, the staff (Heb. mateh) given to you will be a Tree of Life - denoting Vav, which is the son of Yud Hei. THE VAV will penetrate the Mem-Tet (=49) aspects you have in Torah, and will become a rod (Heb. mot: Mem-Vav-Tet) and as such can be fulfilled with the verse: "He shall never suffer the righteous to be moved (Heb. mot)" (Tehilim 55:23). The 49 aspects ARE THE SECRET OF THE 49 letters in 'Sh'ma Yisrael' and 'Blessed is the Name OF YOUR GLORIOUS KINGDOM FOREVER', REPRESENTING the six words of supernal unity, pointing to the supernal Vav (=six) denoting Tiferet. And then the six words of "Blessed is the Name" is a second group OF LOWER UNITY, meaning to point to the second Vav IN THE LETTER VAV FULLY SPELLED (VAV-ALEPH-VAV) denoting the Righteous, REFLECTING YESOD. AND THEY ARE a rod (Heb. mot). We find in the middle OF TWO VAV'S there is an Aleph, the secret of the verse, "and they carried it between two on a pole" (Bemidbar 13:24), MEANING TWO VAVS.

385. If it lacks a Vav in the middle, the word becomes Mem-Tet, MEANING the righteous bends (Heb. mat) before the villain. What caused this? Aleph (=one) one of fifty, as fifty gates minus one were given to you; as the masters of the Mishnah explain, fifty gates minus one of Binah were given to Moses. This is the missing Aleph from the fifty, so only Mem-Tet (=49) remained. This is why the righteous bends before the villain. Who is the villain? It is Samael.

386. This Mem-Tet stems from your staff (Heb. mateh: Mem-Tet-Hei) as it is written: "with the rod (Heb. mateh) of the Elohim in my hand" (Shemot 17:9). Your staff is that of Moses, and therefore the letter Aleph, which is Binah, comes back to you, as recorded in the Mishnah; Aleph is Binah. It returns to you as a result of repentance, and enters between the two Vav's to become Vav-Aleph-Vav. Thus is fulfilled in you the verse: "but with great mercies will I gather you" (Yeshayah 54:7) for the sake of Yisrael. From this point will be fulfilled: "He shall never suffer the righteous to be moved (Heb. mot)."

387. At that time two precepts were validated. 1) "you shall surely help him to lift (lit. 'lifting will you lift') them up again" (Devarim 22:4), and 2) "You shall surely unload it with him" (Shemot 23:5). "Surely help" lift together with the supernal Vav, alludes to the first Messiah NAMELY MESSIAH, THE SON OF DAVID; and in helping with the second Vav, NAMELY THE SECOND MESSIAH, BEING MESSIAH THE SON OF JOSEPH. "Him" refers to the son of Amram, that ascended to Binah - which is equal to Aleph, SITUATED BETWEEN THE TWO VAVS, AS MENTIONED. THEY REFER TO THE VAV, WRITTEN OUT FULLY AS VAV (VAV-ALEPH-VAV).

384. וכען, דחזרת בתשובתא, ואתדבקת באילנא דחיי, הא נפקת מעבד, ואתהדרת בן לקודשא בריך הוא. ומטה דאתמסר בידך, יהא עץ חיים, ו' דאיהו בן י"ה, ותיעול במ"ט אנפין דילך באורייתא, ויתעבד מוט. ויתקיים בך, לא יתן לעולם מוט לצדיק. מ"ט אנפין, מ"ט אתון דשמע ישראל, וברוך שם, שית תיבין דיחודא עלאה, ו' עלאה תפארת. שית תיבין תנוינין, דברוך שם, ו' תנוינא צדיק. מ"ט. באמצעיתא א. וישאודו במוט בשנים.

385. בלא וא"ו באמצעיתא, איהו מ"ט. וצדיק מ"ט לפני רשע. ומאן גרע דא. א'. אחד מחמשים. דחמשין תרעין אתהיבו לך, חסר חד, כמה דאוקמוה מארי מתניתין, חמשים שערי בינה נמסרו למשה, חוץ מאחד. והאי איהו א', דחסר מחמשין, ואשתאר מ"ט, ודא גרים לך צדיק מ"ט לפני רשע. מאי רשע. דא סמא"ל.

386. והאי איהו מ"ט, מן מטה דילך, דאתמר ביה ומטה האלהים בידו. מטה דילך הוא מטה דמשה, ובגין דא א, דאיהו בינה, חזרת לך, כמה דאוקמוה במתניתין, אלף בינה. דחזרת לך בתשובתא, ותיעול בין ו"ו, ואתעביד וא"ו, לקיים בך לישראל, וברחמים גדולים אקבצך. מתמן ואילך יתקיים בך, לא יתן לעולם מוט לצדיק.

387. בההוא זמנא, יתקיימו בך תרין פקודין. חד, הקם תקים עמו. תנוינא, עזוב תעזוב עמו. הקם עם ו' עלאה, משיח ראשון. תקים עם ו' תנוינא. עמו, דא בן עמרם, דסליקת לבינה דאיהו א'.

388. Whom shall you help to rise? It refers to the letter Hei, NAMELY MALCHUT, that fell in the fifth millennium after seventy-two YEARS, according to the count in "You shall surely unload (Heb. azov) it with him." "Azov" (Ayin-Zayin-Vav-Bet) EQUALS THE LETTERS Ayin-Bet, Zayin-Vav; Ayin-Bet (=72) refers to the 72 names derived from: "And removed...and it came... And...stretched" (Shemot 14:19-21). ZAYIN-VAV MEANS THE INITIALS OF 'THIS IS (HEB. ZEH) VAV', the Vav from Yud-Hei-Vav EQUALING ZEIR ANPIN. There, IN THE YEAR FIVE THOUSAND AND SEVENTY-TWO, he helped, HELPING THE FALLEN HEI, but did not lift, FOR THE TIME OF RISING AND REDEMPTION HAS NOT ARRIVED. Hence, it says, "You shall surely unload it with him" - JUST HELPING. There IS PRACTICED "in its due season, the early rain and the late rain, that you may gather in your corn, and your wine, and your oil" (Devarim 11:14). This alludes to Yisrael. "CORN" REFERS TO YISRAEL, "WINE" REFERS TO THE LEVITES, AND "OIL" TO THE PRIESTS. AND SO APPLY THE CUSTOM OF the gleanings, the forgotten sheaf, and the poor man's tithe - "you shall leave them for the poor and strange" (Vayikra 19:10). So here we learn about the third precept OF THE GLEANING, THE FORGOTTEN SHEAF AND THE POOR MAN'S TITHE.

389. You must seek them TO SUPPORT THEM, as the poor are from the aspect of the Righteous, MEANING YESOD. "You shall surely unload it," YESOD, the Righteous; "with him," refers to the son of Amram. This is the meaning of, "you shall leave them for the poor and strange." You are a stranger, a poor nation, as it is written about you at the start, "I have been an alien in a strange land" (Shemot 18:3).

390. But the rising, MEANING REDEMPTION, is in your level - lifting points to the lower Vav, the FULFILLMENT OF VAV, DENOTING YESOD. "...lift with him..." with the son of Amram, with your level, being Tiferet, USING THE NAME Mem-Hei of yours, BEING YUD-HEI-VAV-HEI FULLY SPELLED WITH ALEPH'S THAT NUMERICALLY REACH MEM-HEI, which is the explicit Name in its completeness. Following the two Kuf's of "lifting... lift (Heb. hakem-takim: Tav-Kuf-Yud-Mem)" remain Tav-Yud-Mem. HE ASKS: What does this teach? HE REPLIES: It points to, "Jacob was a plain (Heb. tam: Tav-Mem) man" (Bereshheet 25:27), DENOTING TIFERET, SO THE EXPLANATION OF THE VERSE IS, "with him," MEANING with the son of Amram he will rise. "...lifting..." refers to the Righteous, MEANING YESOD. "...lift..." refers to the plain one, MEANING TIFERET.

8. Redeeming a Hebrew servant

This section tells us that we must strive to serve our Master to become His servant. A person who toils in Torah in order to merit the World to Come is called 'an acquisition', as in "when you acquire a Hebrew servant, six years he shall serve." After the acquisition, he will achieve redemption. Rabbi Shimon speaks of the Kriat Sh'ma, and says that the cantor can fulfill a man's obligation for one who is incapable of praying. The six years correspond to the three initial and the three concluding blessings of the Amidah prayer. Rabbi Shimon closes by saying that in the World to Come one will not be able to find redemption through another: "If I am not for myself, who is for me?"

391. The precept that follows is to redeem the Hebrew servant and the Hebrew maidservant, to marry off the Hebrew maidservant, and to contemplate the method of acquisition of the Hebrew slave: "you shall furnish him liberally" (Devarim 15:14). As the verse reads, "when you acquire a Hebrew servant, six years he shall serve" (Shemot 21:2). HE ASKS: What is meant by, "six years he shall serve," and how is he to be purchased? HE ANSWERS: With the secrets of Torah. The ANGEL Metatron IS the servant of Hashem, incorporating the six ends, NAMELY CHESED, GVURAH, TIFERET, NETZACH, HOD, AND YESOD, with the same number of the six letters, BEING THE SECRET OF the six orders of the Mishnah. With them one should strive to serve his Master to become His servant. Money represents the right and Abraham, whose level is Chesed, and Torah was given from them.

392. One who toils IN TORAH in order to merit the world to come is called 'an acquisition'; his money refers to the world of pleasure, the buying is derived from to "the most high El, the possessor of heaven and earth" (Bereshheet 14:22); "Get wisdom, get understanding" (Mishlei 4:5).

393. After he acquires him, redemption will come to him. There are those bought forever, and others bought for six years. Of those bought forever, the verse writes, "His master will bore his ear with an awl and work for him forever" - forever, meaning Jubilee DENOTING BINAH REFERRED TO AS JUBILEE which amounts to fifty. This alludes to the reading of Sh'ma, which contains 25 and 25 letters, of the morning and evening services, which are the fifty gates of Binah.

394. After man joins the Holy One, blessed be He, through their means, becoming His servant through the yoke of Tefilin on his head, and his ear pierced, MEANING open to hear Kriat Sh'ma - as the word Sh'ma means in any language that you hear - HEAR means 'meaning' (Heb. mashmout) AS ONE MUST UNDERSTAND THE READING OF SH'MA SINCE IT IS THE SECRET OF THE UNITY.

395. For that person whose redemption is dependent on the reading of Sh'ma, which is the secret of fifty, ALLUDING TO BINAH, there can be no redemption through the intervention of someone else, as he is pierced only for his Master. In this verse, we do not find mentioned "one of his brethren may redeem him" (Vayikra 25:49). In regard to man's prayer, he can be like a slave, as it is written, "six years shall he toil." Here, toil means prayer. "Six years shall he toil" POINTS TO the first three and last three blessings OF THE AMIDAH, with which the cantor can fulfill man's obligation for one who is not capable of praying. IN THIS CASE, THERE IS REDEMPTION THROUGH SOMEONE ELSE INASMUCH AS THE CANTOR REDEEMS HIM, as the Righteous who lives forever - DENOTING YESOD, REFERRING TO THE CANTOR - is then called by the names of Boaz: Righteous, Kinsman, Near Kinsman, Faithful. THE MESSAGE FROM THOSE NAMES ILLUSTRATES THAT THEY REDEEM ONE WHO CAN NOT HELP HIMSELF, WHICH IS THE SECRET OF THE LAW OF THE LEVIRATE MARRIAGE AND INCARNATION.

391. פְּקוּדָא בְּתַר דָּא לְפָדוּת עֶבֶד עֲבָרִי וְאִמָּה הֶעֱבְרִיָּה, לְיַעַר אִמָּה הֶעֱבְרִיָּה, לְדוֹן בְּקִנְיָן עֶבֶד עֲבָרִי, הֶעֱנַק תַּעֲנִיק לוֹ. הַה"ד, כִּי תִקְנֶה עֶבֶד עֲבָרִי שֵׁשׁ שָׁנִים יַעֲבֹד. מֵאִי שֵׁשׁ שָׁנִים יַעֲבֹד. וּמֵאִי קִנְיָן דִּילִיָּה. אֲלֵא בְּסִתְרֵי תוֹרָה, מְטַטְרוּן עֶבֶד יוֹי, כְּלִיל שִׁית סְטְרִין, כְּחוּשְׁבָן שִׁית אֲתוּן דִּילִיָּה, שִׁית סְדְרֵי מְשֻׁנָּה. וּבְהוֹן אֵית לִיה לְבַר נֶשׁ לְמַמְלַח לְמֵאֲרִיָּה, לְמַהוּי לִיָּה עֶבֶד, לְמַעַבְד קִנְיָן כְּסָפוֹ, דְּכֶסֶף יְמִינָא, דְּאֲבָרְהָם חֶסֶד דְּרָגָא דִּילִיָּה, אֲוֵרִיָּתָא מִתְּמָן אֲתִיָּהִבַת.

396. "Hashem is near to all those who call upon Him" (Tehilim 145:18). It is better for man to be "a neighbor that is near than a brother far off" (Mishlei 27:10), meaning the middle pillar, DENOTING TIFERET - AS YESOD IS CALLED 'A CLOSE NEIGHBOR' AND TIFERET IS CALLED 'A DISTANT BROTHER' that is considered as the son of Yud-Hei that ascended above to Binah. This world is the world of Jubilee consisting of the fifty letters of the unity OF KRIAT SH'MA, BEING THE FIFTY GATES OF BINAH, AS EXPLAINED ABOVE. In this world, NAMELY MALCHUT, man can redeem himself through the righteous, DENOTING YESOD, BEING six years that incorporates the three initial and three concluding blessings OF THE AMIDAH PRAYER; THIS IS THE SECRET OF the small Vav, DENOTING YESOD. This is the meaning of, "six years he shall toil."

397. However, in the world to come, the world of Jubilee DENOTING BINAH, where there is present the fifty letters of Kriat Sh'ma, the cantor can not exempt another from his duty, as there is no redemption through others, so hear (Heb. sh'ma) in whatever language you understand, BUT IT IS CRITICAL THAT YOU READ IT YOURSELF. Present here is the hint, "If I am not for myself, who is for me". "I" DENOTES MALCHUT; "who" (Heb. mi) refers to the world of Jubilee DENOTING BINAH. THIS INSINUATES ABOUT SH'MA WHERE "I" DOES NOT APPLY, BUT "MI" DOES.

9. A two edged sword

The head Rabbis of the Yeshiva have descended with Rabbi Shimon and are addressing Moses. They speak about the verse, "The high praises of El are in their throats, and a two edged sword in their hand." They tell Moses that he is the mouthpiece of the higher and lower Shechinah, with which God spoke to him mouth to mouth. For this reason, they tell him, Elijah has been delayed above and cannot come down because, while he would bring wealth, the poverty of Moses is a redemption for Yisrael. Moses replies that he releases him from his oath, and that they should all work to release Elijah so that he may descend to them.

398. As soon as THESE head Rabbis of the Yeshivas, who descended with the Holy Luminary, RABBI SHIMON, heard these things, they commenced to say TO MOSES: 'Faithful Shepherd, YOU ARE the mouthpiece of the higher and lower Shechinah, BEING BINAH AND MALCHUT, with which the Holy One, blessed be He, spoke to you, mouth to mouth, through Kriat Sh'ma - as it is written: "The high praises of El are in their throats, and a two edged sword in their hand" (Tehilim 149:6) - as the Yud OF YUD-HEI-VAV-HEI is the top of the sword surrounding your lip. The Vav OF YUD-HEI-VAV-HEI is like the tongue of your sword. The two Hei's OF YUD-HEI-VAV-HEI are two edges in your two lips. And surely the Name of your Master, BEING THE SHECHINAH, speaks through your mouth. Yud Vav Dalet, Hei Aleph, Vav Aleph Vav, Hei Aleph is in your thought, that produced these fifty GATES of BINAH from your mouth.

399. Surely for these reasons CITED ABOVE, THEIR ROOT IS TO PERFECT MALCHUT IN BINAH AND PLACE THEM SIDE BY SIDE, AND BECAUSE OF THIS Elijah has been delayed above, where he is confined, AS IN PRISON. And he does not descend to you because he would have come down with wealth for you, but he is confined above and descends not, as your poverty is in reality a redemption for Yisrael. Hence the Messiah says: 'Until a poor man comes', as the verse says, "and by his injury we are healed" (Yeshayah 53:5).

396. קרוב יי' לכל קוראיו. וטב ליה לבר נש, שכן קרוב מאח רחוק, דהיינו עמודא דאמצעייתא, דאיהו בן יה, דאסתלק לעילא דאיהו בינה, דעולם דא, עולמו של יובל, דאיהו חמשין אתון דיחודא. דבעלמא, דין, יכיל בר נש, למהוי ליה פדיון בצדיק, ו' שנין דכליל תלת קדמאין, ותלת בתראין דצלותא. ו' זעירא, איהו שית שנין יעבוד.

400. He said to them: 'If so, let us give him a release so that he can descend, as he is more precious to me than all silver in the world. Behold, I pardon him, free him and release him of the oath. You, too, release him; if he needs pardon, pardon him. Let us work to release him so he may descend to us.

400. אָמַר לוֹן, אִי הָכִי, נַעֲבֹד לִיהַ הַתְּרָה, וְיִהְיֶה נְחִית לְגַבְאִי, דְּחָשִׁיב הוּא גַבְאִי, מְכַל מְמוֹנָא דְעֵלְמָא. וְהָא אָנָּא מַחִיל וְשָׂרִי לִיהַ, וּמַתִּיר לִיהַ אוּמָאָה. וְאַתּוֹן אוּף הָכִי שָׂרוּ לִיהַ וְאִי צְרִיךְ הַתְּרָה יַתִּיר, נְשַׁתְּדַל בְּהַתְּרָתִיהַ, דִּיהָא נְחִית גַבְאִי.

10. A vow and an oath

Rabbi Shimon says that Hashem's oath is the Shechinah, the only daughter, and that three people are required to release one from an oath. A vow is superior to an oath because, while an oath can take effect only on something of substance, a vow can take effect even on something insignificant; a vow is considered as being made on the Life of the King. Moses reminds the Head Rabbis that from darkness emanates light, and that "Elohim has made the one as well as the other." He says that vows stemming from the World to Come, being Binah, surpass the oaths, which are considered only of this world. Anyone who swears by the Name of Hashem falsely is considered as though he is demolishing the construction of heaven and earth and restoring the world to void and formlessness. Moses says that falsehood abides in Samael's place, and that the false oath can be compared to building heaven and earth on a base of falsehood; falsehood can not prevail, as it must become void, and therefore he has demolished the structure and caused the fall of heaven and earth. At the end the Yeshiva heads say that they will ask God to lower Elijah to Moses, laden with riches for him.

401. The holy Luminary said to him: Hashem's oath is the Shechinah, the only daughter, CALLED 'HASHEM'S OATH'. It is not for naught that it was decided that three people are needed to release one FROM THE OATH; IT IS THE SECRET OF the letter Shin of Shabbat that three branches of THE LETTER SHIN IMPLY the THREE fathers, NAMELY CHESED, GVURAH, AND TIFERET, AND THE THICK LINE UNITES THE THREE BRANCHES OF THE BOTTOM. Thus, IT IS an only daughter CALLED shevuah (lit. 'oath') as it joins THE THREE BRANCHES OF THE SHIN.

401. אָמַר לִיהַ בּוֹצִינָא קְדִישָׁא, שְׁבוּעַת יוֹי, אִיהַ שְׂכִינְתָּא, בַּת יַחֲדָה. וְלֹא לְמַגְנָא תְקִינוּ תְלַת בְּנֵי נְשָׂא, לְמַפְטָר לִיהַ. אֵלָא, ש' דְּשַׁבַּת, תְּלַת עַנְפֵי אַבְהֵן, בַּת יַחֲדָה. שְׁבוּעָה. דְּאִשְׁתַּתְּמַת בְּהוּ.

402. It is sure that an oath can only take effect on something of substance, but a vow can take effect even on an insignificant thing, and so it is established in the Mishnah. Furthermore, they said that a vow is superior to an oath in that the one uttering the oath swears by the King himself, DENOTING MALCHUT, whereas a vow is considered making the vow by the Life of the King, DENOTING BINAH FROM WHENCE LIFE IS DRAWN, NAMELY MOCHIN, TO MALCHUT.

402. בּוֹדְאִי, שְׁבוּעָה לֹא חָלָה אֵלָא עַל דְּבַר שֵׁישׁ בּוֹ מַמַּשׁ. נִדְרַ חַל, אִפִּילוּ עַל דְּבַר שְׂאִין בּוֹ מַמַּשׁ. וְהָא אוּקְמוּהַ בְּמַתְנִיתִין. וְלֹא עוֹד, אֵלָא יַתִּיר אָמְרוּ, נִדְרִים ע"ג שְׁבוּעוֹת עוֹלִין, וְכַל הַנְּשַׁבַּע בְּאֵלוּ נְשַׁבַּע בְּמַלְךְ עֲצֻמוֹ. וְכַל הַנּוֹדֵר, בְּאֵילוּ נוֹדֵר בְּחַיֵּי הַמֶּלֶךְ.

403. The Faithful Shepherd replied: Head Rabbis of the Yeshivas. I am certain that you are well aware of THE TOPIC OF OATHS AND VOWS. However, He who renews daily the act of creation will make us aware of new insights, for though Kohelet said, "and there is nothing new under the sun" (Kohelet 1:9) DENOTING ZEIR ANPIN, above the sun there is. Regarding the secrets of Torah, I wish to say that from "For Hashem Elohim is a sun and shield" (Tehilim 84:12), it IS TO BE INFERRED THAT HE ILLUMINATES AND SHIELDS EVEN BELOW THE SUN. THIS IS TRUE in His world, MEANING THE WORLD OF ATZILUT, but not in the Common world, MEANING THE THREE WORLDS OF BRIYAH, YETZIRAH, AND ASIYAH, WHICH CONTAIN KLIPOT, THAT DENY HIS UNITY. This is so even though "Elohim has made the one as well as the other" (Kohelet 7:14), MEANING THAT THE KLIPOT ARE ALSO THE WORK OF ELOHIM. For from darkness, WHICH IS THE KLIPOT, emanates light, WHEN PEOPLE OVERCOME THEM. THIS IS UNTIL THEY ARE CONSIDERED AS COMMON WORLD, AND THE LIGHT OF THE SUN, THAT IS ZEIR ANPIN OF ATZILUT, DOES NOT EXTEND TO SHIELD THEM.

403. אָמַר לוֹן ר"מ, מְאִרֵי דְמַתְיבְתָּאן, יַדְעֵנָא בְכוּ, דְאַתּוֹן יַדְעִין, אַבְל הוּא דְמַחְדַּשׁ בְּכַל יוֹם תְּמִיד מַעֲשֵׂה בְּרֵאשִׁית, יַחְדַּשׁ לוֹן חֲדוּשִׁין, דְּהָא וְדָאִי אָמַר קְהַלַּת, אִין כַּל חֲדַשׁ תַּחַת הַשֶּׁמֶשׁ, אַבְל לְמַעַלָּה מִן הַשֶּׁמֶשׁ, יֵשׁ לוֹ. וּבְסַתְרֵי תוֹרָה אָנָּא בְּעִינָא לְמִימַר, שְׁמַשׁ וּמַגֵּן יוֹי אֱלֹהִים צְבָאוֹת, בְּעֵלְמָא דִּילִיהַ, וְלֹא בְּעֵלְמָא דְהַדְיוּט, אִף עַל גַב דְּזֵה לְעוֹמַת זֵה עֲשֵׂה הָאֱלֹהִים, מַגּו חֲשׂוּכָא, נְמִיק נְהוּרָא.

404. Most certainly, the world to come, being Binah, is above the sun, being the middle pillar, DENOTING ZEIR ANPIN. Thus, vows stemming from there surpass the oaths and take effect even in insignificant matters. An oath is considered of this world, DENOTING MALCHUT, which survives only through Yesod, as the verse writes, "but the righteous is an everlasting foundation" (Mishlei 10:25), SO IT CAN ONLY TAKE EFFECT ON A MATTER OF SUBSTANCE.

405. WITHIN YESOD are oaths made, as it is written, "as Hashem lives: lie down until the morning" (Rut 3:13). "LIVES" IS CALLED 'YESOD', as the lower Shechinah is called the 'western wall', BEING MALCHUT, His dwelling, being the mound (Heb. tel-Tav Lamed) which all turn to. The WALL (HEB. KOTEL) IS SPELLED Caf-Vav Tav-Lamed - Yud Hei Vav Hei, DENOTING ZEIR ANPIN, NUMERICALLY equals Caf-Vav. And surely the Shechinah is the mound (Heb. tel) OF ZEIR ANPIN based on the verse: "his locks (Heb. kevutzotav) are wavy (Heb. taltalim) and black as the raven" (Shir Hashirim 5:11). It was established that every tip (Heb. kotz) of any letter contains heaps (Heb. tel) of rules. The Dalet of 'one' (Heb. echad - Aleph-Chet-Dalet) is a hill that all turn to, DENOTING MALCHUT. This tip OF THE DALET THAT DIFFERENTIATES IT FROM THE RESH FORM, WHICH DENOTES YESOD, is caught between the Aleph and Chet of the word echad, DENOTING ZEIR ANPIN, and the Dalet of echad, DENOTING MALCHUT. THUS THE VERSE, "for all that is in heaven and on earth" (I Divrei Hayamim 29:11); as Targum Yonatan reads, 'it is caught between heaven and earth', MEANING THAT "ALL" IS ANOTHER NAME FOR YESOD, AND IT IS HELD BETWEEN ZEIR ANPIN, REFERRED TO AS 'HEAVEN', AND MALCHUT, REFERRED TO AS 'EARTH'.

406. Upon it, YESOD, have the masters of the Mishnah stated in Tractate Chagigah: "...on what does the world stand?" On one pillar whose name is Righteous, MEANING YESOD, or as it is written, "but the Righteous is an everlasting foundation," surely it is the covenant in the oath, DENOTING MALCHUT. Upon this pillar stands Aleph-Chet and Dalet, which are heaven and earth, as it is written: "If My covenant be not day and night, it would be as if I have not established the ordinances of heaven and earth" (Yirmeyah 33:25). Aleph-Chet point to heaven, as written, "then hear you IN heaven" (I Melachim 8:32), WHICH REFERS TO ZEIR ANPIN, and Dalet points to earth as the verse reads, "and the earth is my footstool" (Yeshayah 66:1), DENOTING MALCHUT.

407. And since the covenant, DENOTING YESOD, is held between heaven and earth, DENOTING MALE AND FEMALE, and contains an oath, BEING MALCHUT, where the verse reads: "as Hashem lives: lie down until the morning," SO AN OATH IS DEPENDENT UPON YESOD, REFERRED TO AS 'LIVING'. One who swears by His Name falsely is considered like one who demolishes the construction of heaven and earth, and restores the world to void and formlessness. When man removes the tip, BEING YESOD, from the Dalet of echad, BEING MALCHUT, what remains is an other (Heb. acher: Aleph Chet Resh) namely Samael - REFERRED TO AS 'THE OTHER', in whose place abides falsehood. This can be compared to building heaven and earth on a base of falsehood. Truth prevails; falsehood can not, as it must become void. As such he has demolished the structure and caused the fall of heaven and earth.

404. וְבוֹדְאֵי עֲלְמָא דְאֵתִי, בִּינָה, אִיהִי לְמַעְלָה מִהַשְּׁמֶשׁ, דְּאִיהוּ עֲמוּדָא דְאֲמַצְעִיתָא. נְדָרִים מִתַּמָּן, עַל גְּבִי שְׂבוּעָה עוֹלָם, וְחֲלִין עַל דְּבַר שְׂאִין בּוּ מִמֶּשׁ, בְּגִין דְּשְׂבוּעָה אִיהוּ עֲלְמָא דִּין, דְּלִית לִיהּ קִיּוּמָא, אֲלָא עַל יְסוּד, הַה"ד וְצָדִיק יוֹסֵד עוֹלָם.

407. וּבְגִין דְּבְרִית אַחִיד בֵּין שְׁמַיָא וְאָרֶעָא, וְבִיהּ שְׂבוּעָה, הַה"ד, חֵי יִי' שְׂכַבִּי עַד הַבֶּקֶר. מֵאֵן דְּאוּמִי בְּשָׁמַיָה לְשַׁקְרָא, כְּאִילוּ הָרֵס בְּנוּיָא דְּשְׁמַיָא וְאָרֶעָא, וְאֵהֲדַר עֲלְמָא לְתַהוּ וְבַהוּ. דְּאִי בַר נֶשׁ יַעֲדֵי קוּצָא דְד' מִן אַחַד יִשְׁתַּאֲר אַחַר, סְמָאֵל בְּאַתְרֵיהּ שְׁקֵר. וּכְאִילוּ הָהוּא בַר נֶשׁ בְּנֵי שְׁמַיָא וְאָרֶעָא שֶׁל שְׁקֵר. וְקוּשְׁטָא קְאִי, שְׁקֵרָא לֹא קְאִי. הָרֵס בְּנוּיָא, וְנִמְלֹו שְׁמַיָא וְאָרֶעָא.

408. This one, WHO SWEARS FALSELY, is like the verse "He threw earth from the heavens, the glory (Heb. tiferet) of Yisrael" (Eichah 2:1). HE ASKS: Who placed earth in heaven so that it could be cast out from there? HE ANSWERS: It points to the Shechinah, CALLED 'EARTH', and Tiferet, CALLED 'HEAVEN' (HEB. SHAMAYIM) is with her, as it did not part from her EVEN at her downfall. This concept is found in the verse "Hashem is My Name and My glory, I shall give to another" (Yeshayah 42:8). How do we know that truth, DENOTING ZEIR ANPIN, fell with her - as it is written, "and it cast down the truth to the ground" (Daniel 8:12). SO WE SEE THAT WHICH CAUSES THE FALL OF MALCHUT LIKEWISE CAUSES THE FALL OF ZEIR ANPIN, AND SO HE WHO SWEARS FALSELY CAUSES THE DOWNFALL OF HEAVEN AND EARTH. One who swears truthfully fulfills the verse: "Truth will spring out of the earth" (Tehilim 85:12), THE INITIALS OF WHICH SPELL OUT EMET ('TRUTH'), which is the middle pillar - MEANING ZEIR ANPIN THAT IS CALLED 'TRUTH' upon which stands the structure, as written, "Elohim created the" (Beresheet 1:1), THE LAST LETTERS OF WHICH SPELL OUT EMET. Then the verse continues, "the heaven and the earth," SO WE SEE THAT THE STRUCTURE OF HEAVEN AND EARTH IS BASED ON TRUTH.

409. As the oath is the edifice of this world, MALCHUT, it having no continuity without Yesod, which is a matter of substance, a vow, alluding to the world to come, BINAH, supersedes the oath and can take effect even on matters lacking substance, AS in order to prevail, BINAH does not require Yesod, the male organ which pertains to marital relations. For IN THE FIRST THREE SFIROT, CHOCHMAH DOES NOT NEED CHASSADIM WITH WHICH TO BE CLOTHED, AS ALSO MENTIONED EARLIER. Hence, on Yom Kippur (Day of Atonement), signifying the World to Come, BINAH, FOR which the prayer Kol Nidre (lit. 'all the vows') was composed - AS THE VOW STEMS FROM BINAH - prohibits marital relations, AS THE MATING OF YESODOT IS NOT PRACTICED IN BINAH, AS INDICATED.

410. There, IN BINAH, the letter of the Covenant, Yud - MEANING YESOD OF BINAH is the crown of the Torah scroll, namely the righteous, DENOTING YESOD OF ZEIR ANPIN, as explained. In the World to Come there is no eating, drinking, and no marital intercourse, but only righteous people sitting, with their crowns on their heads.

411. And since there can be no use made in this world, NAMELY MALCHUT, with the crown - BEING THE CROWN ON THE HEAD OF THE RIGHTEOUS, PRACTICED ONLY WITH BINAH - so the masters of the Mishnah have announced that all who make use of the crown shall depart FROM THIS WORLD. The crown in this world is below YESOD AND NOT AT THE HEAD OF THE RIGHTEOUS. The vowels are to be used by the letters. However, in the world to come, BEING BINAH, there will be no use of the letters, WHICH INSINUATE MALE AND FEMALE. Hence, in the Torah scroll, there are no vowels but crowns, DRAWN FROM BINAH, AND THEY ARE THE CROWN ON TOP OF THE LETTERS, BEING MALE AND FEMALE. So, he who makes use of a Torah scroll will depart THIS WORLD, and also one who makes use of one who studies Halachah, the Rabbis predicted, will die.

412. All the Yeshiva heads prostrated before him and said: Surely the Holy One, blessed be He, speaks through your mouth, and to Him do we bend. We realize from these words that no human being beside yourself could utter them. These prove the verse which testifies about you: "With him I speak mouth to mouth" (Bemidbar 12:8). Elijah must not be withheld from you, we must ask of the Holy One, blessed be He, to lower him to you, laden with riches and treasures for you.

11. The threshing flour and the winepress

We are told that the Hebrew letters of 'winepress' are the initials of unison, holiness and blessing - this is the Shechinah, the blessing of God. God is always with one who is well versed in the Torah and the Halachah. Moses speaks of the two worlds, and says that for those who are clothed with the lowly body the spirit can not see what is above it, but that one should 'Know what is above you - a watchful eye, an attentive ear, and all your deeds are recorded in a book.' He who is in the body has no permission to look at the angels or the Shechinah or the Holy One, blessed be He. Due to their sins, men are separated from God, who covers Himself with His wings. Yet in the time to come "yet your teacher shall not withdraw himself any more, your eyes shall see your teacher."

413. A Faithful Shepherd, loyal servant, in relation to you IT WAS SAID OF the Hebrew slave "You shall furnish him liberally" (Devarim 15:14). You shall furnish him, and be liberal to his sons with these concealed things: "out of your threshing flour" (Ibid.), the threshing flour of your Torah, "and out of your winepress." The verse refers to the threshing flour and to the winepress, the same way as the scholars of the Mishnah established, namely, to the residue of the threshing flour and the winepress.

413. רְעִיא מְהִימָנָא, עֶבֶד נְאֻמָּן, לְגַבְךָ עֶבֶד עֲבָרֵי, הֶעֱנַק תְּעֻנִיק לּוּ. הֶעֱנַק לִיָּה, תְּעֻנִיק לְבָנוֹי, בְּמִלִּין גְּנִיזִין אֲלֵיךָ. וּמְגֻרְנָךְ: גְּרָנָהּ שֶׁל תּוֹרַת דִּילְךָ. וּמִיְקַבְךָ, בְּגֵרָן וְיֻקָּב קָרָא מְמַלְל, בְּמָה דְּאֻקְמוּהָ מֵאֲרֵי מְתַנִּיתִין, בְּפִסּוּלַת גְּרָן וְיֻקָּב הַכְּתוּב מִדְּבָר.

414. The winepress (Heb. yekev; Yud-Kuf-Bet) ARE THE INITIALS OF yichud (lit. 'unison') kedushah ('holiness') and berachah ('blessing') of the Holy One, blessed be He. This is the Shechinah, DENOTING MALCHUT, being the blessing of the Holy One, blessed be He, WHEN SHE IS THE SECRET OF the right, NAMELY CHASSADIM. It is the Holiness OF THE HOLY ONE, BLESSED BE HE, WHEN SHE FINDS HERSELF in His left, MEANING IN CHOCHMAH. She is the unison OF THE HOLY ONE, BLESSED BE HE, WHEN IT IS FOUND IN THE Central COLUMN. The letters of the Holy One, blessed be He, equal 112 (Yud-Bet-Kuf) BEING also the letters Yud-Kuf-Bet. FOR THE HOLY ONE, BLESSED BE HE, IS ZEIR ANPIN, AND THE NUKVA IS THE SECRET OF THE NUMEROLOGY OF ZEIR ANPIN.

414. יְק"ב: י"חוד. ק"דושה. ב"רכה דקודשא בריך הוא. וְדָא שְׁכִינְתָּא, דְּאִיָּהּ בְּרַכָּה, דְּקוּדְשָׁא בְרִיךְ הוּא, מִיְמִינָא. וְאִיָּהּ קְדוּשָׁה מְשֻׁמְאֵלִיָּה. וְאִיָּהּ יְחוּדִיָּה, בְּאַמְצְעֵיתָא. וְקוּדְשָׁא בְרִיךְ הוּא, הֵכִי סְלֻקִין אֲתוּוֹי דִּילִיָּה, יב"ק. כְּגוּוֹנָא דָא, הֶקְדֵּשׁ אֲבָרִיךָ הוּא: בְּחֻשְׁפִּין יב"ק.

415. The Holy One, blessed be He, is with one who is well versed (Heb. baki, Bet-Kuf-Yud), WHICH IS SPELLED WITH YUD-KUF-BET, in the Halachah, denoting the Shechinah. For her sake, He will never forsake him. There is Halachah, which is a SERVING maiden of the Halachah from the standpoint of the lad - MEANING METATRON OF BRIYAH - and there we say that the Halachah is according to so and so, AS IT ALLUDES TO ITS MAIDEN. But of your Halachah, Faithful Shepherd, it is written: "The tradition attributed to Moses hails from Sinai"; by divine command did the Holy One, blessed be He, give you His daughter, NAMELY THE SHECHINAH.

415. וּמֵאֵן דְּאִיָּהּ בְּק"י בְּהִלְכָה דִּילִיָּה, דְּאִיָּהּ שְׁכִינְתָּא, קוּדְשָׁא בְרִיךְ הוּא עִמֵּיהּ. דְּבִגִּינָהּ לָא יִזּוּז מְנִיָּה לְעֵלָם. דְּאִית הִלְכָה דְּאִיָּהּ נְעֻרָה דִּילִיָּה, מְסֻטְרָא דְנֵעַר, וּבִגִּינָהּ אִתְמַר הִלְכָה כְּמַלּוּנֵי. אֶבְל הִלְכָה דִּילְךָ, רְעִיא מְהִימָנָא, אִיָּהּ דְּאִתְמַר בֵּיהּ, הִלְכָה לְמֹשֶׁה מְסִינֵי, מִפִּי הַגְּבוּרָה, יְהִיב לְךָ קוּדְשָׁא בְרִיךְ הוּא, בְּרַתָּא דִּילִיָּה.

416. For this reason, concerning other Halachot, we read, "Many daughters have done virtuously" (Mishlei 31:29), but with your Halachah, it reads "but you excel them all" (Ibid.), as yours overpowers them all, with might. "Hashem is with you, you mighty man of valor" (Shoftim 6:12). The edifice of the King, DENOTING SHECHINAH, is fixed and completed as He builds His edifice through your mouth and hands. How fortunate is your lot.

417. The Faithful Shepherd commenced to say: "the angel who redeemed me from all evil" (Beresheet 48:16), refers to the Shechinah, of whom it is written, "the angel of the Elohim... removed" (Shemot 14:19). He will bless you in the world to come, WHICH IS BINAH. "...and let them grow into a multitude in the midst of the earth..." referring to this world, NAMELY MALCHUT, so your governance shall be in two worlds where you live. One who is from this world, MALCHUT is called 'living', as it is written, "She is a Tree of Life to those who lay hold on her" (Mishlei 3:8) - life there, IN BINAH, and life here, IN MALCHUT.

418. This is not so with whoever is clothed with the Klipot of the skin, flesh, bone and sinews of the lowly body. His spirit dies there. Just as a corpse sees not, hears not, speaks not, and has no limb movements, so the spirit sees not what is above it, as it is written of them in the Torah: 'Know what is above you - a watchful eye, an attentive ear and all your deeds are recorded in a book'.

419. Numerous angels accompany him, as it is written: "For He shall give His angels charge over you" (Tehilim 91:11), but he who is in the body has no permission to look at them or hear their voices, as they are fiery creatures that speak, sanctify and bless both the Holy One, blessed be He, together with Yisrael. This is all the more so with regards to the Shechinah that is above them, and even more so with the Holy One, blessed be He, who is above the Shechinah, that receives the supplications of Yisrael.

420. Due to sins, they were clothed with these Klipot like people who possess the sins of their fathers, or as the sages of the Mishnah expressed, 'when they maintain the sins of their fathers.' Due to these Klipot, STEMMING FROM THE SINS, the verse says: "but your iniquities have made a separation between you and your Elohim" (Yeshayah 59:2). And as a result of these Klipot, the Holy One, blessed be He, covers Himself with numerous wings, as it is written: "with two He covers his face, and with two He covers his feet..." (Yeshayah 6:2).

416. וּבְגִין דָּא, עַל הַלְכוֹת אַחֲרֵינוּן אֲתָמֵר, רַבּוֹת בְּנוֹת עָשׂוּ חֵיל. עַל הַלְכָה דִּילְךָ אֲתָמֵר, וְאֵת עֲלִית עַל בְּלָנָה. דְּאֲתַגְבֵּרַת עַל כְּלָהּוּ, בְּגִבּוּרָה. יוֹי עִמָּךְ גְּבוּר הַחֵיל. אֲתַקִּין בְּךָ, וְאֲשֵׁלִים בְּנוּיָנָא דְמַלְכָּא, וְאִיהוּ בְּנוּיָנִיָּה עַל פּוּמָךְ, וְעַל יַדְךָ, זְכָאָה חוּלְקָךְ.

421. In the time to come, THE VERSE SAYS: "yet your teacher shall not withdraw himself (lit. 'be winged') any more, your eyes shall see your teacher" (Yeshayah 30:20). When you are in this world, MALCHUT, where you have no Klipot, skins, then you may look at other humans, and they at you. Thus, you are called 'living' and your world is the world of living. But this lowly world is the world of the dead, as all the deities of the nations are dead except Hashem.

421. לַעֲתִיד לָבָא, וְלֹא יִכְנֹף עוֹד מוֹרִיךְ וְהָיוּ עֵינַיִךְ רוֹאוֹת אֶת מוֹרִיךְ. דְּאֵתוֹן בְּהָאֵי עֲלָמָא, דְּלִית לְכוּן קְלִיפִין וְעוֹרִין, אִית לְכוּן רְשׁוֹ לְאַסְתַּבְּלָא בְּבִנֵי עֲלָמָא, וּבְנֵי עֲלָמָא אִית לֹון רְשׁוֹ לְאַסְתַּבְּלָא בְּכוּ. וּבְגִין דָּא, עֲלֵיכוּ אֶתְמַר דְּאֵתוֹן חַיִּין, וְעֲלָמָא דְּלְכוּן, עוֹלָם חַיִּים. אֲבָל עֲלָמָא שְׁמַלְא, דָּא עוֹלָם הַמֵּתִים, דְּכָל אֱלֹהוֹת דְּאוּמִין דְּעֲלָמָא, מִבְּלַעֲדֵי יוֹ, כְּלַהוּן מֵתִים.

12. "He looks in at the windows"

Rabbi Shimon tells Moses that Moses can see everything with the wisdom of his heart - the inhabitants of the World to Come, angels, the Holy One, blessed be He, and the Shechinah. A prophet can see only with his eyes, but the wise man who perceives with his heart is better. "And in the hearts of all that are wise hearted I have put wisdom": such is not so with eyes. He says that for one who possesses a heart that sees more than a prophet, surely his thoughts which are endless can see Him who is endless - that which could not be perceived with eyes. "He looks in at the windows" means the windows of the eyes, ears, nostrils and mouth; with prayer, the soul ascends through these seven openings.

422. Rabbi Shimon said to him: Faithful servant, with your eyes you are not able to see the inhabitants of the world to come, nor angels, certainly not the Holy One, blessed be He, nor His Shechinah, but with the wisdom of your heart you can see everything: the inhabitants of the world to come, angels, the Holy One, blessed be He, and the Shechinah. Therefore, Solomon, about whom it is written, "For he was wiser than all men" (I Melachim 5:11), said, "for my heart has seen much wisdom and knowledge" (Kohelet 1:16), NAMELY, THROUGH HIS MIND'S EYES.

422. אִמְ"ל רַבִּי שְׁמַעוֹן, רַעִיָא מְהִימְנָא, עִם כָּל דָּא, דְּאֵנַת לָא יָכִיל לְאַסְתַּבְּלָא בְּבִנֵי עֲלָמָא דְּאֵתֵי, בְּעֵינַיִן, וְלֹא בְּמַלְאכֵיָא, כָּל שְׁכָן בְּקוּדְשָׁא בְּרִיךְ הוּא וּבְשִׁכְיִנְתֵּיהּ, אֲבָל בְּעֵין הַשְּׁכָל דְּלִבְךָ, אֵת חֲזֵי בְּכֹלָא בְּבִנֵי עֲלָמָא דְּאֵתֵי, וּבְמַלְאכֵיָן וּבְקוּדְשָׁא בְּרִיךְ הוּא וּשְׁכִינְתֵּיהּ. דְּסַחֲרִין לָךְ. וּבְגִין דָּא אֶמַר שְׁלֵמָה, דְּכָתִיב בֵּיהּ וַיַּחֲכֶם מִכָּל הָאָדָם, וְלִבִּי רָאָה הַרְבֵּה חֲכָמָה וְרַעַת.

423. But when it comes to prophecy, a prophet can not see through his mind's eyes but with his eyes alone, as it is written, "I, Hashem, make Myself known to him in a vision" (Bemidbar 12:6) - that is, a sight by night or a vision by day, both by eye. The TWO eyes serve as two agents of the heart that mediate BETWEEN THE EVIL INCLINATION OF THE HEART AND MAN and serve it, and it is their king. For this reason, the wise man WHO PERCEIVES WITH HIS HEART'S EYES is better than the prophet WHO SEES WITH HIS EYES. And similarly, the two ears are two agents of the heart.

423. אֲבָל בְּנְבוּאָה, לִית רְשׁוֹ לְאַסְתַּבְּלָא בֵּיהּ נְבוִיאַ בְּעֵין הַשְּׁכָל, אֲלֵא בְּעֵינַיִן, דְּאֵיהִי מְרָאָה וְחֲזִיוֹן דְּעֵינַיִן, הַה"ד, בְּמְרָאָה אֵלֵיו אֲתוּדַע. וְעוֹד בְּחֲזִיוֹן לִילָה, מְרָאָה בִּימְמָא, חֲזִיוֹן בְּלִילֵיָא, וְכֹלָא בְּעֵינַיִן, וְלֹא בְּעֵין הַשְּׁכָל דְּלִבָּא. וְעֵינַיִן אֵינּוֹן תְּרֵי סְרִסוּרֵי דְּלִבָּא, וּמִשְׁמָשִׁין דִּילֵיהּ. וְאֵיהּ מְלָכָא בִּינֵיהּ וּבְגִין דָּא, חֲכָם עֲדִיף מְנַבִּיא. וְהִכִּי הוּא תְּרִין אוּדְגִין, תְּרִין שְׁמַשֵּׁי דְּלִבָּא.

424. For this reason, the sages have declared that a heart sees, hears, understands, knows, "and in the hearts of all that are wise hearted I have put wisdom" (Shemot 31:6). So we see that wisdom, understanding, and knowledge are in the heart, with which heaven, earth, and the deeps were made. Also it says, "and I have filled him with the spirit of Elohim, in wisdom, and in understanding and in knowledge" (Ibid. 3). Such is not so with eyes.

424. וּבְג"ד אוּקְמוּהָ רַבָּנָן, הֵלֵב רוּאָה, וְהֵלֵב שׁוֹמַע. וְלֹא עוֹד, אֲלֵא דְּאֶתְמַר בְּלֵב, הֵלֵב מְבִין, הֵלֵב יוֹדַע. וּבְלֵב כָּל חֲכָם לֵב נִתְּמֵי חֲכָמָה. הֲרֵי חֲכָמָה וְתַבּוּנָה וְרַעַת בְּלִבָּא. דְּבַהוּן אֲתַעְבִּידוּ שְׁמִיא וְאַרְעָא, וְתַהוּמִין. וּבַהוּן אֲתַעְבִּיד מִשְׁכְּנָא, הַה"ד, וְאַמְלָא אוֹתוֹ רוּחַ אֱלֹהִים בְּחֲכָמָה בְּתַבּוּנָה וּבְרַעַת. מַה דְּלִית כּוֹלֵי הָאֵי בְּעֵינַיִן.

425. Faithful servant, one who possesses such a heart that sees more than a prophet, surely your thoughts which are endless can see Him who is endless - that which you could not perceive with eyes. As it is written: "and you shall see My back, but My face shall not be seen" (Shemot 33:23).

426. The foolish-hearted people are dead, blind with the Klipot OF THE BODY. With you these do not matter and do not act as an obstruction between you and the Holy One, blessed be He, and His Shechinah, members of the world to come, and angels. He will come to you through the windows of the eyes, ears, nostrils and mouth, as a king who enters a secret compartment to speak with his son. Such is the prayer of Yisrael - 'you may search all the inward parts of the belly, examine the kidneys and heart, and nothing is hidden from you'.

427. Thus spoke Solomon: "he looks in at the windows" (Shir Hashirim 2:9). These are the windows of the eyes, ears, nostrils and mouth. Through these seven openings does the soul ascend with seven types of spice. And so does prayer rise with these seven types of spice, which are: "Nard and saffron; calamus and cinnamon, with all trees of frankincense; myrrh and aloes, with all the chief spices" (Shir Hashirim 4:14). At the time the prayer so rises, "perfumed with myrrh..." (Shir Hashirim 3:6), the Holy One, blessed be He, asks about it: "Who is this coming out of the wilderness like columns of smoke, perfumed with myrrh...?" Assuredly, "Who (Heb. mi) is this," indeed, from the side of mi that represents Binah which incorporates the seven types of spice - WHICH ARE CHESED, GVURAH, TIFERET, NETZACH, HOD, YESOD, AND MALCHUT THAT ILLUMINATE IN THE SECRET OF FRAGRANCE OF THE ILLUMINATION OF CHOCHMAH.

428. Kriat Sh'ma is composed of the fifty gates OF BINAH, consisting of 25 plus 25 letters, 25 FROM THE MORNING SH'MA AND 25 FROM THE EVENING SH'MA. It is composed of the seven blessings: in the morning, two before and one following; in the evening, two before and two following. They are THE SEVEN SFIROT, "the greatness, and the power (Gvurah) and the glory (Tiferet) and the victory (Netzach) and the majesty (Hod): FOR ALL THAT IS IN HEAVEN AND ON EARTH, (DENOTES YESOD)...Yours is the kingdom" (I Divrei Hayamim 29:11), denoting Malchut; she consists of three spices; "perfumed with myrrh," denotes Keter, "frankincense" denotes Chochmah, and the "powders of the merchant" denotes Binah. Come and complete the precepts of your Master.

425. וְרַעֲיָא מְהֵימְנָא, מֵאֵן דְּכוּלֵי הָאֵי בְּלִבְיָהּ, יְתִיר חֲזִי מִן נְבִיא, כֹּל שְׁפָן מַחְשְׁבָתָא דִּילָךְ. דְּלִית לָהּ סוּף, וּבַהּ תִּסְתַּכַּל, בַּהֲוָא, דְּלִית בֵּיהּ סוּף, מַה דְּלֵא הוּהּ לָךְ רִשׁוּ בְּקַדְמִיתָא לְאַסְתַּבְּלָא בְּעֵינֵינוּ. הַה"ד, וְרַאֲיָתָ אֶת אַחֲרֵי וּפְנֵי לֹא יֵרְאוּ.

13. "You shall not follow a multitude to do evil"

We are told that a judge who does not render a truthful verdict is equivalent to having given dominion of the world to Samael. When a judge is about to render judgment, Gehenom is open before him on the left, a sword (the Angel of Death) is at his neck, Samael stands behind him, the Garden of Eden is open to the right, and the Tree of Life is open above his head. Depending on his judgment he is killed and punished, or rewarded, as appropriate. We learn that the judgment of the kingdom is the law, the law that is in the heart, and as we have already been told, 'the heart sees'. The eyes of God, the Judge, are open upon man, and "he looks in at the windows."

429. "You shall not follow a multitude to do evil...to incline after a multitude to pervert justice" (Shemot 23:2). HE EXPLAINS: A multitude is no less than three. If the judicial court lacks three members, you are not bound by its judicial decisions. The court represents the Shechinah; with three are the living creatures of the Chariot, NAMELY CHESED, GVURAH, AND TIFERET. THE SHECHINAH IS CALLED THE 'Law of Torah', Truthful law, the middle pillar, NAMELY ZEIR ANPIN REFERRED TO AS 'TRUTH'; SHECHINAH IS HIS PROMULGATED LAW. A judge that does not render a truthful verdict is equivalent to having given dominion of the world to Samael. "...and it cast down the truth to the ground..." (Daniel 8:12) REFERRING TO ZEIR ANPIN who cast the Shechinah with him, causing Gehenom (which is the mate of Samael) to rise with Samael. Instead of rendering true justice, he encourages falsehood. The truthful Justice is considered the middle pillar, while falsehood is Gehenom and Samael.

430. As a result, when a judge is about to render judgment, the Gehenom lies open before him on the left, being the mate of Samael. A sword is by his neck, which is the Angel of Death. Samael stands behind his neck; the Garden of Eden is open to the right, and the Tree of Life is open above his head.

431. If he delivers a false judgment, the Angel of Death seizes him and slays him and later burns him in Gehenom. If he judges truthfully, the Holy One, blessed be He, brings him into the Garden of Eden and gives him a taste of the Tree of Life, as it is written about him: "and take also of the Tree of Life, and eating, live for ever" (Bereshheet 3:22). "For ever," as it is created by the Torah, of which it is written: "She is a Tree of Life to those who lay hold on Her" (Mishlei 3:18); a Tree of Life, Tiferet - its life is Chochmah and Binah, the life of the king indeed.

432. Forever the Judgment of the kingdom is the law, the law that is in the heart, and it is said regarding it, 'the heart sees'. Therefore, the Judge has only what his eyes observe. The Judge is none other than the Holy One, blessed be He, and his eyes observe, "For the eyes of Hashem run to and fro throughout the whole earth" (II Divrei Hayamim 16:9). "For His eyes are upon the ways of man" (Iyov 34:21).

433. Through them "...He looks in at the windows..." (Shir Hashirim 2:9) MEANING through the seven openings of man, two eyes, two ears, two nostrils and mouth. Behold the seven SFIROT of supernal Ima. So He examines deeds with seven from the standpoint of the lower Shechinah: the two hands and neck, WHICH ARE three, with body and the sex organ, NAMELY TIFERET AND YESOD, are five, and WITH two legs, seven - BEING THE SEVEN SFIROT OF THE LOWER SHECHINAH. TWO LETTERS OF THE NAME Yud-Hei THAT ARE IN THE FIRST THREE, FULLY SPELLED AS Yud-Vav-Dalet, Hei-Aleph, EQUAL SEVEN LETTERS. With these seven letters He examines the seven openings of the head. They are called openings after the female (derived from aperture), DENOTING THE SUPERNAL IMA whose openings are open to receive. The two letters Vav-Hei IN THE BODY, MEANING LOWER SHECHINAH, FULLY SPELLED AS VAV-ALEPH-VAV, HEI-ALEPH, EQUAL SEVEN LETTERS. With these seven letters, He examines the seven lower limbs; HANDS, NECK, AND SO ON. They compliment the body with which to perform the precepts.
