

**Nothing man-made lasts forever...  
...and this civilization will also fall.**

**We will germinate in the dusty debris  
of lifetimes of horror.**

**We will express our retort  
on the crumbling walls of their cities.**

**We will play in the wreckage  
of a loathsome logic.**

**We will make love on the ruins  
of a repulsive landscape.**

**We will frolic in the remains  
of a forgotten time.**

**We will live a life worth living...  
...in the ruins of civilization!**
