ND Inq.

I discussed this inquiry with DGADO,
who called EA/CDS. It seems
that EA/CDS did not intend that
a reply be prepared.

Returned for your action

I realize the weight that my questions have, and just what could happen if information of this kind was to be released ,without , the proper safeguards being used. Please understand that my reasons for asking are as a result of a disire to understand , the truth, of this matter, and to make whatever preparations would be necessary. In any event,I wish you to know , that none of this information will be released without proper permission, and that,this commuication has been kept absolutely confidential,as to content,or for that matter,that,I have written you at all.

Respectfully yours

②
