RE: V. LEWIS BASSIE

~~SECRET~~

~~CONFIDENTIAL~~

The following investigation was conducted by Special Agent
GEORGE A. VAN NOY.

Review of the information furnished by Confidential Informant
[REDACTED] revealed the following information regarding V. LEWIS BASSIE. (S) u
b2
b7D

On October 31, 1946, one ZEMDA ARKIN contacted BEADIE LAGDOFF
and informed her that the panel (apparently a discussion panel for some
meeting) had been arranged and that BASSIE had agreed to speak. She
added that BASSIE had inquired as to who had suggested his name and ARKIN
had informed him that it had been suggested by HARRY LAGDOFF. BEADIE
LAGDOFF said that she would not have done this because she would not have
wanted BASSIE to have accepted the invitation on a personal basis. (S) u

On November 4, 1946, BASSIE was in contact with HARRY LAGDOFF
at which time he told LAGDOFF that he was under the impression that there
was to be a meeting on that evening but was told by LAGDOFF that the latter
thought the arrangement had been that there wouldn't be another meeting
until he received further indication from "these guys" as to whether they
wanted to go along. BASSIE indicated to LAGDOFF that he was checking
because he wouldn't want to miss anything. (S) u

On November 7, 1946, BASSIE was again in contact with LAGDOFF
at which time he talked about a "class" which BASSIE had discussed with
ARNOLD TOLES (PH). LAGDOFF said that TOLES had asked him for his opinion
as to what kind of man should teach the course and LAGDOFF had told TOLES
that BASSIE would be ideal. (S) u

According to the informant, on November 9, 1946, EDWARD FITZ-
GERALD, who stated that he had been in New York on the previous day,
talked to HARRY LAGDOFF and told the latter that while in New York, he
had arranged with the "fellows" in New York to bring two men from
Washington, D. C., to New York on the following Saturday at their expense.
He said that one of these men should be BASSIE, adding that they were
going up to see one NORSE. LAGDOFF told FITZGERALD that he wanted to have
KAPLAN but that GEORGE SILVERMAN was anxious about this. He added that he
must have KAPLAN. The two then discussed FITZGERALD's obtaining a job with
the "New Republic" in terms of an opening wedge. (S) u

~~SECRET~~

~~CONFIDENTIAL~~

In subsequent conversation on November 11, 1946, EDWARD FITZGERALD and HARRY LAGDOFF mentioned that BASSIE had gone to Chicago. FITZGERALD and LAGDOFF again referred to BASSIE on November 21, 1946, at which time LAGDOFF said he had talked to BASSIE and that the latter had raised the question of writing. FITZGERALD expressed the opinion that this would not be good and LAGDOFF agreed with him. (X)u

On November 24, 1946, CHARLES KRALER contacted BASSIE and asked him if he would be able to attend a meeting at PEPPER's (Senator PEPPER) office, on Monday at 8:00 P. M. He explained that they would work on the program for liberal Senators and Congressmen and that HARRY WHITE and others would be present. (X)u

Also on November 24, BASSIE contacted LAGDOFF's wife BEADIE and left a message for HARRY LAGDOFF to the effect that the Secretary (Secretary of Commerce) had called a meeting of the Bureau and Office heads on the coal situation. He said that the Secretary was supposed to testify on the following Wednesday and that BASSIE and LAGDOFF would probably have to work on the testimony. (X)u

On the following day, November 25, 1946, during a contact with LAGDOFF, BASSIE referred to the meeting at Senator PEPPER's office and asked LAGDOFF if he intended to be there. LAGDOFF was undecided and BASSIE said that he was going and inquired as to where it would be held to which LAGDOFF replied that it would be in the Senator's office or perhaps in the Patent Commission Room. It was agreed between them that BASSIE would drive LAGDOFF to the meeting and would pick him up at 7:15 P. M. Physical surveillance confirmation of this meeting revealed that LAGDOFF and BASSIE actually did attend the meeting in Senator's PEPPER's office on this date. (X)u

On December 1, 1946, EDWARD FITZGERALD was again in contact with LAGDOFF at which time they talked about BASSIE's having seen HENRY WALLACE but both expressed reluctance to discuss what BASSIE had to say. (X)u

Mr. JOHN O. HENDERSON, Manager of the Arlington, Virginia, Branch of the Chesapeake and Potomac Telephone Company, 1025 North Irving Street, advised that a check of his records for the current fiscal year beginning July 1, 1946, revealed that during that time, V. LEWIS BASSIE, whose telephone is Chestnut 1859, made only one toll call, this being a person to person call to HENRY STANLEY, Telephone No. 3635, Elmhurst, Illinois, at 7:12 P. M., November 9, 1946. Mr. HENDERSON explained that this call was handled through the Welton Toll Center, Chicago, Illinois. (X)u

~~CONFIDENTIAL~~

~~SECRET~~

Mr. HENDERSON also furnished the following information from his records regarding the identity of persons residing in the immediate vicinity of BASSIE's residence:

~~SECRET~~

~~CONFIDENTIAL~~

On interview, Mr. JOHN S. HUGHES furnished the following information regarding the activities of BASSIE.

The BASSIES are not well-known in their neighborhood, having a very limited social contact with their neighbors. Mrs. BASSIE, according to Mr. HUGHES, is employed in the Women's Division of the Department of Labor; therefore, both Mr. and Mrs. BASSIE are away from home during the day, five days a week. They have one daughter, age three years, who is cared for during the day by a colored maid who comes at about 8:00 A. M., before the BASSIES leave and remains until they return in the evening. She also works one-half day on Saturday. The maid has been employed by them for about two and one-half years and her name and address are not known to Mr. HUGHES. No other persons reside at the BASSIE residence and Mr. HUGHES stated that he has observed very few visitors and that to his knowledge, the BASSIES never entertain, the one exception to this being what appeared to be an open house held by them on Sunday afternoon, December 22, 1946. He recalled, however, that quite frequently on Sundays a man and woman accompanied by a small son call at the BASSIE residence. These people drive a Willis car. The man is described as being of slight build, about one-hundred and sixty pounds, dark hair and dark complexion. Mr. HUGHES also recalled that last summer, probably July, the BASSIES were visited for about two days by a man who was driving a 1946 green four-passenger Oldsmobile Coupe. This man was described as being medium build, Jewish in appearance, dark thick hair with exceptionally dark heavy eyebrows. Mr. HUGHES stated that he had no information whatever as to the activities of BASSIE and expressed the opinion that no one in the neighborhood would have more information than he.

Spot surveillances of BASSIE were conducted by Special Agent GEORGE A. VAN NOY and indicated that he and his wife regularly leave their home at about 8:00 A. M., and drive to the Department of Commerce Building where they park their car (1938 gray Desoto Sedan, Virginia plates - 476-749) in parking space No. 22 in the north court yard of the Department of Commerce Building. They leave for home in the evening between 5:00 and 5:20; Mrs. BASSIE meeting her husband at the Department of Commerce Building. It is noted that Mr. HUGHES stated that Mrs. BASSIE is employed by the Department of Labor but through a pretext telephone call to the Information Desk of the Department, it was revealed that she is not listed in the Department's Directory. In view of previous information that Mrs. BASSIE was at one time employed by the Department of Agriculture, a similar call to that Department was made with negative results.

Front and side-view photographs of BASSIE which were taken at the time of his contact with GEORGE SILVERMAN and HARRY LAGDOFF at the Mayflower Hotel in Washington, D. C., on December 19, 1946, are retained in the files of the Washington Field Office.

The mail cover placed on subject's residence was not productive during the above period. (X) u

Confidential informant [redacted] furnished the following information concerning FITZGERALD'S activities from December 1 through December 31, 1946. (X) u

b2
b7D

On December 2, 1946, REBEKAH FITZGERALD, wife of subject, conversed with their maid and advised her that DOROTHY FITZGERALD, sister of EDWARD FITZGERALD, was in Washington performing in a show at the Bethesda Naval Hospital and that she and EDWARD would be home by 9:30. (X) u

On December 8, 1946, EDWARD FITZGERALD conversed with his mother in New York City and indicated that he was going to New York on the following Tuesday to visit his family. (X) u

On December 9, 1946, SARAH, FITZGERALD'S maid, indicated to a woman whose identity is unknown to the informant, that EDWARD FITZGERALD was leaving for New York the next day on the train about 3 P.M. and that REBEKAH was leaving on Friday afternoon to join him. (X) u

On December 10, 1946, an individual known only to the informant as MAIME (ph) conversed with REBEKAH FITZGERALD and indicated that she had come down from New York to visit FRANK (possibly FRANK CAMERON) who was in the hospital in Washington. She told REBEKAH that after visiting FRANK the next afternoon she would try to spend the night with REBEKAH. MAIME also mentioned that she had been talking to REBEKAH'S mother. (X) u

On December 17, 1946, an individual known to the informant as LESLIE (possibly LESLIE KISH) contacted REBEKAH FITZGERALD and REBEKAH told him that they had returned from New York the previous day. LESLIE said that he was going Saturday (place not given) instead of Friday, as REBEKAH had asked. He then asked her if next Sunday's Star (ph) or rather the Tribune (ph) was carrying her story and she told him that it was. (X) u

On the same date HARRY MAGDOFF conversed with EDWARD FITZGERALD and told him that he had received a telegram to come to a meeting on Wednesday at which time he would be offered the job as program director. He indicated that the wire was from JAY (Ph) (possibly JAY DIESS). FITZGERALD then asked HARRY and his wife to visit them Friday night since EDWARD and LESLIE were leaving Saturday. HARRY said if he was back in Washington on (X) u

~~SECRET~~

~~SECRET~~~~CONFIDENTIAL~~

Friday night he would. They then discussed a New Year's Eve Party to be held at the FITZGERALDS. They then discussed HARRY'S new job and HARRY said he did not know whether to approach them at first about the institute or not but that he would want to approach them with the idea that in order to exist they must have a service for the community and HARRY wants to give him a list of research projections that should be done and then work out the best means for getting it accepted. HARRY also mentioned that he spoke to CAPPIE (IRVING KAPLAN) and that EDWARD is to talk it over with VEET (VEET BASSIE) and CAPPIE. (S) u

On the same date FERROL CORNELISON conversed with EDWARD FITZGERALD and advised him that she had a new job (possibly with the Federal Reserve). She said she was leaving Thursday morning for a train trip to Morgantown, West Virginia and would return to Washington a day or so before Christmas. She agreed to have Christmas dinner with the FITZGERALDS. She said her present assignment is a Federal Reserve Board survey which is to be completed on March 1, 1947, and that possibly on the day after Christmas she would leave Washington on an extended field trip. (S) u

On December 20, 1942, EDWARD FITZGERALD conversed with his wife and told her he had talked to HARRY (probably HARRY MAGDOFF) and that HARRY did not think they would come over that night unless the weather changed. REBEKAH said that LESLIE KISH would be there at 6:30 P.M. She also said she would not be surprised to see DOROTHY KEENER and her mother drop in as well as VIRGINIA (possibly VIRGINIA RUSSELL). EDWARD then read her a list of names for whom he had to buy gifts. The list included MICHAEL MAGDOFF, FREDDY MAGDOFF, CARMEN TASSELL, URBIN (ph) TASSELL, the STONES (ED and JANE STONE) FERROL (CORNELISON) FRANK (CAMERON), Mrs. IRWIN, MR. PATTERSON, and MABEL and RALPH WHEATON. (S) u

On December 21, 1946, EDWARD FITZGERALD was in contact with BEADDIE MAGDOFF. BEADDIE told him that HARRY had been ill all day and still is not feeling well. (Apparently the MAGDOFFS did not visit the FITZGERALDS the previous evening). EDWARD then invited them over on Tuesday night after dinner and BEADDIE indicated that they would come if they could get a sitter. It was also indicated that LESLIE KISH had visited the FITZGERALDS the previous night and said that they, the FITZGERALDS, were not going to visit the STONES on the next night and BEADDIE indicated that they were not going either. EDWARD said, however, that the FITZGERALDS were going to the STONES on Monday night. (S) u

~~SECRET~~~~CONFIDENTIAL~~

~~SECRET~~

On December 29, 1946, EDWARD FITZGERALD conversed with his mother and told her that LIZ FRAZIER was visiting them but was going back to Philadelphia the next day. EDWARD mentioned that they were having a party Tuesday night at which the MAGDOFFS, DOROTHY and JIMMIE (FITZGERALD'S sister and brother-in-law) and possibly LESLIE KISCH and his girlfriend would attend. (X) u

On December 30, 1946, EDWARD FITZGERALD conversed with BEADDIE MAGDOFF and discussed their coming to the FITZGERALDS the next night. EDWARD said that he would contact SILVERMAN (GEORGE SILVERMAN) and ask the SILVERMANS to come also. EDWARD mentioned that his sister DOROTHY and her husband JIMMY from New York would also be there as well as LESLIE KISCH and the IRVING KAPLANS. On the same date EDWARD FITZGERALD conversed with SARAH SILVERMAN, the wife of GEORGE SILVERMAN, another subject in this case, and invited them to the party on the next night. SARAH said they would be glad to come over. (X) u

On December 31, 1946, EDWARD FITZGERALD contacted DOROTHY KAPLAN and invited the KAPLANS to the party that night. However, DOROTHY KAPLAN indicated that they were staying at home. EDWARD inquired if the MAGDOFFS were there and DOROTHY said they had just left for the STONES. (X) u

On the same date EDWARD FITZGERALD conversed with HARRY MAGDOFF to ask him to be sure to come to the party. HARRY asked if DOROTHY and JIMMIE (EDWARD'S sister and brother-in-law) came and EDWARD said they had come all the way from New York and were waiting to see the MAGDOFFS. HARRY said that with the WINDSORS (ph) coming they might come over. (WINDSORS might possibly be JOAN DeWIND and her husband). On the same date GEORGE SILVERMAN conversed with EDWARD FITZGERALD at which time GEORGE said he was coming over and asked the directions on how to get there. (X) u

PHYSICAL SURVEILLANCE

No physical surveillance was conducted on the above-named subject during this period.

Reference is made to the report of Special Agent LAMBERT G. ZANDER in the above-entitled case dated December 6, 1946, wherein it was set forth that FITZGERALD had advised FERROL CORNELISON that IRVING KAPLAN had told him to inform FERROL to get in touch with JACK GRAUMAN (erroneously set forth as JACK GRAUMIN in reference report) about a job. It was indicated that GRAUMAN was with the Office of War Mobilization and Reconversion, Republic 7500, extension 2335. The phone directory for National War Agencies lists one JACK GRAUMAN, Office of War Mobilization and Reconversion, Room 805, 734 15th St., N. W., Republic 7500, extension 2335. The phone directory for the Washington area lists one JACOB GRAUMAN residing at 15 Riggs Road, N.E., telephone Georgia 8589.

The files of the Washington Field Division reflect that one JACOB GRAUMAN, a representative from Local #9, United Federal Workers of America, an employee of the WPA at Philadelphia, Pa., was a delegate to the first United Federal Workers of America convention held in Washington, D. C. on September 17, 1940. There was no record of a JACOB or JACK GRAUMAN at Stone's Mercantile Agency. However, the Credit Bureau contained information concerning one JACOB GRAUMAN who was born October 20, 1910, and who resides at 15 Riggs Road, N. E. The credit report reflected that he was married, his wife's name being BEATRICE, and that he resided at 15 Riggs Road, N. E. since April 1943. He formerly lived at 1123 Chicago Street, S. E., from August 1942 to April 1943, and came to Washington, D. C. from Philadelphia, Pa. where he resided at 819 40th Street. He was said to be an employee of the War Production Board, holding the position of Senior Economist, having been appointed August 13, 1942, at a salary of \$5600 per annum.

~~COLONEL THOMAS~~

By letter, dated December 20, 1946, the Bureau furnished information relative to "TAMAS" who was engaged in Soviet espionage work in Budapest, Hungary, and also known as the "COLONEL."

The Bureau believed it highly doubtful that the COLONEL THOMAS mentioned in the correspondence and diaries of MARY JANE KEENEY as being identical with the "TAMAS" described above.

According to information available at the Bureau, "TAMAS" was captured by Soviet forces during the last war and was apparently taken to the Soviet union as a prisoner. He joined the Communist Party and was then given a six months' training period as an agitator and thereafter returned to Hungary as a Soviet agent under complete Soviet control. It was considered highly illogical that within a comparative short time after he was converted to Communism that the Soviet government would order him to the United States where control over him would be relatively uncertain.

GEORGE R. FAXON

The Boston Field Division was requested to furnish the Washington Field Division with a summary of information available in its files relative to GEORGE R. and JANET FAXON. It is to be noted that the first mention in the diary of MARY JANE KEENEY relative to "COLONEL THOMAS" appears on July 17, 1944, at which time the FAXONS and COLONEL THOMAS visited MARY JANE KEENEY.

By letter dated January 2, 1947, the Boston Field Division furnished the following information concerning GEORGE R. and JEANETTE (not JANET as previously referred to) FAXON.

A review of the file entitled "JEANETTE DUNLOP FAXON ak Mrs. GEORGE R. FAXON and GEORGE RYDER FAXON, Security Matter - C," New Haven file No. 100-15876, reflects

RE: MURRAY WEBB LATIMER

The following investigation was conducted by Special Agent
GEORGE A. VAN NOY.

A review of the information furnished by Confidential Informant
[REDACTED] revealed the following information regarding LATIMER's contact with
the SILVERMASTERS. (S) u

On December 15, 1946, HELEN SILVERMASTER contacted LATIMER's
wife, EDITH, and invited the LATIMERS to the SILVERMASTER's home for a
New Year's Eve party. The invitation was accepted by Mrs. LATIMER. (S) u b2 b7D

On December 21, 1946, one WILLIE MCAVOY invited the SILVERMASTERS
to his home for Christmas and was in turn invited to the SILVERMASTER's
home on New Year's Day. At this time HELEN SILVERMASTER informed MCAVOY
that MURRAY LATIMER, whom she referred to as a "very good pianist" would
be there. It is noted the invitation made directly to EDITH LATIMER was
for a New Year's Eve party. However, it appears that the LATIMERS
did not attend the SILVERMASTER's party since on December 31, 1946, Mrs.
LATIMER informed HELEN SILVERMASTER that they would not be able to come
because "all of us" are sick. She stated that her daughter, PEGGY, had
been exposed to the measles. (S) u

The informant revealed that on December 4, 1946, LATIMER was
in contact with LEE PRESSMAN at which time they discussed the guaranteed
wage program. LATIMER mentioned to PRESSMAN that he would be able to
do something if he would be able to keep his people and added that he
had no right to hire anybody. (S) u

According to informant, LATIMER was referred to in the conversa-
tion between SILVIA SKOLOFF and OLIVIA ABELSON on December 17, 1946, at
which time ABELSON, who said that she was then employed for a few days by
the United Public Workers, said that she had the possibility of a one-month
job on the American Wage Study headed by LATIMER. (S) u

ALICE DELERJIAN:

~~SECRET~~

~~CONFIDENTIAL~~

Through a pretext telephone call to the State Department, it was learned that ALICE DELERJIAN is presently employed in the Management Planning Section of the State Department located in the Walker-Johnson Building, Eighteenth and New York Avenue, N. W. She is assigned to Room 406, State Department Telephone, Extension No. 3021. In this section she is under the supervision of JUST LUNING.

Mr. GRAHAM L. HILL, Manager of the Silver Spring, Maryland, Office of the Chesapeake and Potomac Telephone Company, 8700 Georgia Avenue, advised that the records of his office covering the fiscal year beginning July 1, 1946, revealed that ALICE DELERJIAN made only one toll call from her residence during that period; this being to the number, Dongan Hills 6-2875J, New York City at 9:00 P. M., September 18, 1946. Mr. HILL stated that this call would be handled through Gibraltar No. 7 Station at 25 Hyatt Street, Staten Island.

Mr. HILL furnished from his records the following information regarding persons residing in the immediate vicinity of DELERJIAN's residence at No. 3 Normandy Drive, Silver Spring, Maryland:

JAMES B. WESCOTT
No. 5 Normandy Drive
Formerly with W.P.A.

H. R. BECKLEY
No. 7 Normandy Drive
Superintendent of Senate Press Gallery, as of
December 20, 1940, date of record.

BERNARD COHEN
No. 9 Normandy Drive
Manager of French Shop, 736 Seventh Street, N. W.,
Washington, D. C.

Through Mr. CHARLES COLEMAN CRAMPTON, a telephone company official and member of the Citizens Committee in Silver Spring, who was recommended by Mr. HILL as a highly reliable citizen, it was learned that SAUL J. MINDEL, a Post Office Department employee and B. A. P. DOEHRER of 9621 and 9619, respectively, Flower Avenue, Silver Spring, were highly reliable and might have information regarding DELERJIAN since they are immediate neighbors of hers. These two men upon contact could furnish no information regarding DELERJIAN except that she apparently is very little known in the neighborhood and that she entertains an exceptionally few number of visits.

~~SECRET~~

~~CONFIDENTIAL~~

~~SECRET~~ ~~CONFIDENTIAL~~

Mr. EDWIN R. DONALDSON resides at 6524 Flower Avenue and is a Special Agent with the Federal Bureau of Investigation, informed that he had little information regarding DELERJIAN since she and her mother apparently preferred to remain aloof from other persons in the neighborhood and refrain from any social contact. Mr. DONALDSON could give no information regarding contacts of DELERJIAN and stated that to his knowledge, very few people contact her at her residence. He has observed no unusual activity of any type with her. Mr. DONALDSON further stated that he is certain that no one else resides in the house at No. 3 Normandy Drive except the subject and her mother; the mother being there during most of the day. They employ no maid or servants of any kind.

A physical surveillance of PHILIP OLIN KEENEY and MARY JAINE KEENEY conducted on December 6, 1946, by Special Agents LORENZO H. D. WILDIAN and LUDWIG W. R. OBERNDORF revealed the following probable connection between DELERJIAN and the KEENEYS.

On that evening the KEENEYS went to the Cathay Restaurant located at 624 H Street, N. W., Washington, D. C., where they joined a party of six people in the dining room on the second floor. This party was subsequently joined by a man and woman identified by the Agents as Mr. and Mrs. BOWEN SMITH. Later the entire group proceeded to the KEENEY's residence at 215 B Street, N. E., in two automobiles, one of which was an old model Ford Sedan bearing Maryland License Plate 372-872, which is listed in the name of ALICE M. DELERJIAN, No. 3 Normandy Drive, Silver Spring, Maryland. It was not possible to definitely identify the driver of this automobile but the physical description of one of the unknown women in the party as given by the surveilling Agents fits generally the description of DELERJIAN.

A full-length photograph of DELERJIAN is retained in the files of the Washington Field Office. This picture was obtained on August 2, 1946, through a highly confidential source known to Special Agents JEROME M. GARLAND, JOHN T. FLYNN, CHARLES ZINK, COURTLAND J. JONES, EARL L. FUOSS and GEORGE G. MCKENNA. This source revealed that this photograph of DELERJIAN was included in a group of photographs in the possession of ALLEN ROSENBERG.

HARRY SAMUEL MAGDOFF~~SECRET~~~~CONFIDENTIAL~~

The following information was furnished by Confidential Informant [redacted] (X) u

[12-16-46] (X) u

b2

On this date, HARRY MAGDOFF conversed with subject ED FITZGERALD, who had just returned from New York with his family. ED advised HARRY that he had been unable to see anybody in New York and that JIM felt it would be kind of awkward. The informant advised that apparently ED and HARRY were referring to ED's efforts to obtain a position with the New Republic Magazine. In this regard, ED advised HARRY that JIM had planned a direct meeting with MIKE STRAIGHT. JIM is going to have T. LEEHAN (phonetic) invite MIKE STRAIGHT over for dinner sometime next week or something like that and talk about it on a social fashion without ED. ED advised HARRY that it was the only way at this point, having had that letter from PATTERSON (X) u

The informant learned that MIKE STRAIGHT is publisher and PATTERSON is associate publisher of the New Republic Magazine. JIM and ED are not impressed with MIKE STRAIGHT. On this occasion, HARRY advised ED that he may go to New York Wednesday. However, this trip was not definite. (X) u

Subsequently on this date, BEADIE MAGDOFF advised MARY RILEY that HARRY was leaving the government but will probably remain in Washington, D. C. HARRY will know for sure the day after tomorrow and he will probably go with New Council. On this date, BEADIE MAGDOFF advised BETH that HARRY was going to New York on Wednesday and she would go on Friday, December 27, 1946. BETH informed BEADIE that her husband, JOE, may have to go to Kansas City with TRUMAN at Christmas but this isn't sure. BETH invited the MAGDOFFS to her home if JOE remains at home. BEADIE then informed BETH that HARRY was leaving the government. (X) u

[12-17-46] (X) u

The informant ascertained that BEADIE MAGDOFF was in contact with PEGGY NIERNBERG on this date, advising PEGGY that HARRY was leaving the government very soon to go with the New Council of American Business. They discussed the possibility of HARRY obtaining a job for PEGGY's husband, NIERY, in the field. However, BEADIE (X) u

~~SECRET~~~~CONFIDENTIAL~~

informed PEGGY that HARRY had stated it was pretty hard to get a P-5 in the field. PEGGY stated that NIERY would take less and BEADIE suggested that NIERY get in touch with HARRY right away. ~~SECRET~~ ~~CONFIDENTIAL~~ (X) u

On the same date, BEADIE MAGDOFF informed PEARL AXELROD of HARRY's change in jobs. At this time, BEADIE related that HARRY desired to go into business and make some money and that later on, he intends to go into his own business. She informed further that HARRY had desired to leave the government, ever since ROOSEVELT's death. PEARL stated that her husband, CY, feels the same way but BEADIE remarked that CY should not feel that way because he can do something in his job. During this contact, BEADIE inquired for TRUDY's telephone number in New York. TRUDY is believed to be TRUDY SOLBY. (X) u

Later on this date, SAM (believed to be SAMUEL MAGDOFF, HARRY's brother) contacted HARRY from New York City. SAM told HARRY that the importing business died a quick death because he spoke to a big importer who said no-one was importing from Czechoslovakia now. SAM said the nationalization of factories probably has something to do with it. At this time, HARRY advised SAM that he may not come to New York tomorrow but would be there Thursday. (X) u

HARRY informed SAM that he has a lot of things up his sleeve and is thinking of a business proposition. He mentioned that BOB (HELLER) has been thinking for a long time of "canning" a show with big talent and selling it to all these small radio stations which are mushrooming up all over the country and haven't enough money to buy the big programs and compete with the larger stations. SAM desired to discuss this with HARRY, who advised that he would be tied up tomorrow night with a dinner and a meeting afterwards. HARRY asked SAM to come down for New Years because the FITZGERALDS are giving a party. SAM would like to and will talk to his wife, BEA, about it tomorrow. (X) u

The informant advised that later, HARRY MAGDOFF attempted to contact JAY DEISS, at Walker 5-0552, but Mr. JAY DEISS was unavailable. At this time, HARRY left the message that he called and said the reason he called was because he has a reservation on the plane for tomorrow morning to come to New York and he hasn't received word whether the meeting was cancelled or not. (X) u

The informant ascertained that later on this date, HARRY MAGDOFF received a telegram sent to him by JAY DEISS, at 10:25 P. M. (X) u

from New York City. The telegram read as follows: (X) u

(X) u | "Wednesday meeting all as scheduled. Expect you Essex House; 6:00 P. M. This is official confirmation of Program Director offer. When are you available?"

~~CONFIDENTIAL~~

HARRY MAGDOFF then contacted IRVING KAPLAN, advising that the job came through and that he was going to New York tomorrow when they are holding a meeting to raise money. KAPLAN inquired about VICTOR PERLO. HARRY did not know about VICTOR, saying that all he knew was that he (HARRY) was appointed. HARRY remarked that he was going to use that time to build up a business - Consulting and Analyzing, like GEORGE SILVERMAN. HARRY then informed KAPLAN about BOB HELLER's radio program idea aforementioned. He advised KAPLAN that he would return from New York on either Friday or Saturday, and asked if KAPLAN would be home over the weekend. KAPLAN stated that he would but he is going to New York for Christmas. (X) u

Later, HARRY MAGDOFF contacted ED FITZGERALD and told him he received the appointment. ED congratulated him. At this time, ED informed HARRY that LESLIE KISH would be leaving Saturday for the Christmas holidays and that they were having LESLIE come over on Friday night and ED inquired if the MAGDOFFS could come. HARRY advised he may not be here on Friday. (X) u

They then discussed the New Years Eve party to be given by the FITZGERALDS. HARRY remarked that his first job in the new business was to get a stipend for KAPLAN's book. HARRY doesn't know whether to bring up the "institute" or not. He wants to gather a list of research projects that should get results in six months or a year. HARRY asked ED to speak with KAPLAN and VEET BASSIE about it. (X) u

[12-18-46] (X) u

The informant ascertained that JAY DEISS in New York City attempted to reach HARRY MAGDOFF, who had gone to work. (X) u

On this date, BEADIE MAGDOFF and ED FITZGERALD discussed HARRY's new position, at which time, BEADIE related that after living with HARRY for the last few weeks she is glad he obtained the job and is settling down. They discussed HARRY's apparent urgency and how down he was. They also discussed the business of the man who had (X) u

~~SECRET~~~~CONFIDENTIAL~~

~~SECRET~~~~CONFIDENTIAL~~

called HARRY about the alleged State Department flimsy about HARRY. FITZGERALD remarked that HARRY must have been greatly perturbed about it. BEADIE believed that HARRY should have looked around and not been in such a hurry to take a job. ED remarked that JAY DEISS had called the office this morning and wanted to know if HARRY were coming and ED advised DEISS that HARRY was apparently on his way. BEADIE and ED discussed the New Years Eve party at the FITZGERALDS and the informant learned that probably DOROTHY and JIMMY and WENDY (phonetic) were coming down from New York and would be at the party. Also LESLIE KISH and the MAGDOFFS would be there. (X) u

[12-19-46] (X) u

On this date, BEADIE MAGDOFF was in contact with BEADIE VAN TASSEL. At this time, they conversed regarding a money raising party for the Southern Conference of Human Welfare to be held at JANE STONE's home on New Years Eve. (X) u

Later, HARRY MAGDOFF advised BEADIE that he had returned from New York and would be home in a little while. He informed her that everything went as could be expected. He stated he talked with BOB HELLER who said that he was interested and knew where to get the money. (X) u

[12-20-46] (X) u

On this date, HARRY MAGDOFF advised Miss PERRY in his office that he was having sinus trouble and would probably come in later if there was nothing important going on. She informed him that HERB SCHIMMEL had called and that BERTRAND CROSS called to suggest a luncheon engagement next week. Further, she informed HARRY that he is to call Mr. ISELY (phonetic), Agriculture Department, extension 6337. (X) u

HARRY then conversed with ED FITZGERALD, advising that they had a big meeting, got 20 new members, and made \$10,500. HARRY pinch-hitted for Senator MURRAY and people said they liked it better than the Senator. ED advised HARRY that he had a box of pears from the Santa Clara Pear Association, signed by CYRUS KAUFMAN, ED advised HARRY that HERB SCHIMMEL had asked ED to tell HARRY that PALMER WEBER (phonetic) was in town and was going to be in HERB's office in the Commerce Department between 11:00 A. M. and luncheon (X) u

~~CONFIDENTIAL~~

~~SECRET~~

HARRY advised that he would like to see WEBER and HERB too, inasmuch as he has a lot of things to talk over with them. ED advised that WEBER will be here the rest of the day and HARRY remarked that he will try to come down. (S) u

Later, the informant ascertained that the MAGDOFFS would not go to the FITZGERALDS tonight but that the DeWINDS were coming to the MAGDOFFS Saturday night, and the KAPLANS were coming over Sunday. (S) u

Later, ED FITZGERALD contacted BEADIE MAGDOFF, who invited ED and his wife, REBECCA, to her house tomorrow night. On this occasion, LESLIE KISH conversed with BEADIE and endeavored to convince her that the weather was not freezing and that she and HARRY should come to ED's house tonight. LESLIE advised her that he would be back in town for New Years. BEADIE informed LESLIE that she and HARRY were going to the STONES New Years Eve to another Southern Conference for Human Welfare party. She advised that she and HARRY would try to get to EDS tonight. (S) u

[12-21-46] (S) u

On this date, MELVA LISCHINSKY informed BEADIE MAGDOFF that SOL, her husband, was ill and they would not be able to come to the MAGDOFFS tomorrow. BEADIE then told MELVA about the party on New Years Eve at JANE STONE's home for the Southern Conference and asked if MELVA, SOL, and their gang would like to come. MELVA agreed, saying it sounded good. She commented that it seems only once a year that they "get to see some of you people". (S) u

Later, on this date, the informant learned that BEADIE MAGDOFF was in contact with AMELIA PERAZICH, who was sick in bed. Subsequently, BEADIE was in contact with DOROTHY KAPLAN, and among other things, advised DOROTHY that HARRY was resigning from the government next week and would be working out of Washington for the time being. They will all have a drink to celebrate. (S) u

Later, DOROTHY KAPLAN advised BEADIE that they would come over to the MAGDOFFS tomorrow night instead of tonight. (S) u

(S) u

HARRY stated that a national convention is planned for late spring or early summer, at which time they will decide on the location of the national headquarters. HARRY is glad to be leaving Commerce as "things have been pretty messy the last couple of months". They then discuss ED's effort in attempting to obtain a job in a regional office of the Commerce Department covering the Pacific Northwest. They discussed who ED had seen and could see and what ways he should try to press for the job with the possibility of getting pressure from Washington State College. JOE advised that he was in New York and received an offer outside the government. He doesn't think he will take it. BEADIE remarked that the FCC was a pretty good agency. JOE agreed but said they are going to investigate FCC appropriations too and that the pressure is on more and more to get out. (X) u

BEADIE informed AMELIA of the party JANE STONE is giving New Years Eve for the benefit of the Southern Conference and asked if AMELIA wanted to come and bring some of her friends. AMELIA declined, saying that she is planning a party. They then discussed the egg nog party JANE had Sunday. JANE started giving these parties in Philadelphia about 10 years ago and both BEADIE and AMELIA recalled this. AMELIA and GEORGE did not know HARRY was leaving the government (X)u

BEADIE then said that since HARRY has a new job and understood GEORGE was looking for an "interim job", he had recommended GEORGE for a job with which he had been approached. This is a nine months job with the University of Chicago carrying a rating of Assistant Professor and is to make a study on "something like the social aspects of the atomic bomb". It is to be noted that December 30, 1946 is the 14th Wedding Anniversary of the MAGDOFFS. On this date, ED FITZGERALD informed BEADIE that he would invite the DeWINDS to his New Years Eve party. (S) u

12-31-46 7 u

The informant ascertained that AMELIA PERAZICH contacted BEADIE MAGDOFF and they discussed one VASO (phonetic) (believed to be VASO SRZENTIC), who is apparently a Yugoslav who wants to remain in this country. VASO is looking for a boarding school for his 12 year old son. AMELIA advised that after BEADIE and HARRY left the other night, VASO came in and later, NORMAN GOLD and some other people from UNRRA whom the MAGDOFFS don't know, dropped in. (S) u

It is to be noted that GEORGE and AMELIA PERAZICH are close friends of VASO SRZENTIC, who has a 12 year old son and information has been obtained through Confidential Informant [REDACTED] that VASO SRZENTIC has been a subject of conversation on past occasions between the MAGDOFFS and the PERAZICHS. (S) u b2 b7D

Later, on this date, BEADIE MAGDOFF advised JOAN DeWIND that they would be at her home tonight but would have to leave about 9:30 P. M. The DeWINDS are unable to attend ED FITZGERALD's party because they are having people in their home. (S) u

GEORGE PERAZICH contacted HARRY MAGDOFF and advised that he had talked to VASO, who desired to see HARRIMAN (Secretary of Commerce) before he goes back. VASO is leaving on the 10th for Belgrade. HARRY suggested that GEORGE contact ARTHUR PAUL, or arrange an appointment through the Embassy. VASO is believed to be identical with VASO SRZENTIC, above mentioned, who is Financial Counsellor at the Yugoslav Embassy. (S) u

Later, LESLIE KISH received instructions from BEADIE MAGDOFF to the STONES' residence and the Southern Conference party tonight. The MAGDOFFS will be at this party. (S) u

They both hoped to be at the FITZGERALDS tonight and they both planned to go to New York on Thursday so they may go up together if they can get reservations. GEORGE SILVERMAN is going to take his son, DICK, to ARTHUR STEINS earlier this evening and hope they will see HERB FUCHS there. (S) u

Later, LEO, whose wife is BETTY, contacted HARRY and invited the MAGDOFFS to visit them this coming Saturday night. HARRY will advise him later. Subsequently, BEADIE MAGDOFF informed DOROTHY KAPLAN that she and HARRY would drop in on them for a drink and maybe the KAPLANS will decide to go to the STONES with them for a while. After they leave STONES, the MAGDOFFS are going to the FITZGERALDS. The KAPLANS are also invited to the FITZGERALDS, as are HERB FUCHS, the SILVERMANS, LESLIE, and maybe one or two others. BEADIE advised that it would be a very small but "select" gathering. (S) u

Later, BEADIE MAGDOFF contacted ANNIE (STEIN?) and wished her a happy new year. ANNIE asked the MAGDOFFS to drop over this evening but they are unable to do it due to a full schedule. ANNIE advised that her baby is sick and they can't go out. (S) u

It is to be noted that the New Council of American Business was originally organized as the Business Men of America, Inc., at New York City. It is a new organization of business men, which is being backed and organized by SAMUEL NOVICK, president of the Electricians (S) u

~~SECRET~~~~CONFIDENTIAL~~

Corporation of America, with the aid of his attorney, LEO LINDER.

The organization is being backed by known members of the Communist Party and it is believed that it is being set up as a front organization to combat the policies of the National Association of Manufacturers. As of January 9, 1946, the organization had not been very active as it has been in the process of being organized and several of the former officers resigned upon learning that there was some Communist infiltration in the organization. (S) u

It is interesting to note that it was reported on February 9, 1945, that a meeting of the Provisional Board of Directors of the Business Men of America, Inc. was held at the Waldorf-Astoria Hotel in New York City on January 9, 1945, under the sponsorship of Electronics Corporation of America, and that SAMUEL J. NOVICK at that time was reported as a prominent Communist, president of Electronics Corporation of America, and active in Communist front organizations, such as the "The Protestant". LEO LINDER was reported to be the attorney for the Electronics Corporation of America, and was also active in Communist front organizations. (S) u

It was also reported on February 9, 1945, that the only permanent member of this organization was CHARLES KRAMER, a member of Senator KILBOURNE's (KILCORE's) Committee on War Mobilization. CHARLES KRAMER is apparently identical with the CHARLES KRAMER, who is a subject in the GREGORY case and with whom HARRY MAGDOFF conversed before he made the contact with LEO LINDER on December 9, 1946. (S) u

On November 16, 1946, Informant [redacted] advised that ROBERT HELLER, employed by the Columbia Broadcasting System in New York City, and his wife, JEAN HELLER, visited CLIFFORD J. DURR, a next door neighbor of EDWARD BRECHER, who is General Manager of the new Washington Radio Station WQQW. (S) u b2 b7D

Inquiry of The Credit Bureau records by Special Agent AUBREY S. BRENT on December 20, 1946, revealed that CLIFFORD J. DURR, wife, VIRGINIA EOSTER, reside in Seminary Hill, Braddock Road, Alexandria, Virginia. The Credit Bureau report dated September 29, 1939, in regard to Mrs. DURR, reflects that she is married and is dependent upon her husband and that they have resided at the above address (RFD #2) since June, 1933, and that they are buying the property from the Washington & Kane Real Estate Company, 1615 King Street, Alexandria, Virginia. (S) u

~~CONFIDENTIAL~~

~~SECRET~~~~CONFIDENTIAL~~

Mrs. DURR formerly lived in Birmingham, Alabama. At this time, CLIFFORD DURR was an attorney at Reconstruction Finance Corporation, where he was appointed May 4, 1933, and received a salary estimated as over \$9000 per year. The Credit Bureau records further contained a clipping from the issue of the Washington Times Herald newspaper in Washington, D. C. of October 30, 1941, stating as follows:

"The Senate late yesterday confirmed the nomination of CLIFFORD J. DURR, of Alabama, a brother-in-law of Justice HUGO BLACK, as a member of the Federal Communications Commission. He will serve for a term of four years."

PHYSICAL SURVEILLANCE

The following investigation was conducted by Special Agent

MANNALL:

During the period December 15 through December 31, 1946, no mail was reported as having been received at 3317 R Street, N. W., addressed to MARSALKA or his wife.

Informant reported that under date of November 18, 1946, a letter was addressed to MARSALKA by RALPH E. HINSTEAD, General Secretary of the American Association of University Professors, 1155 - 16th Street, N. W., concerning MARSALKA's membership status in the association. It pointed out that MARSALKA had not paid dues for the years 1945 and 1946 and under the provisions of the constitution his membership would be terminated unless such dues were paid. It has not yet been determined whether MARSALKA has continued his membership in the association. b2
b7D

A check of the indices of the Washington Field Office concerning the American Association of University Professors reflects that this association is one of several organizations which cooperated in June, 1946, with the program carried out by the Women's Auxiliary of the United Professional Workers of America, CIO, in an effort to bring about the continuance of the Office of Price Administration. Most of the cooperating organizations have been identified by the Washington Field Office as known Communist front organizations. Further information in the field office files reflects

Investigation by this field office reflects that many individuals backing this committee have Communist tendencies or acquaintances. (u)

Informant advised that under date of October 14, 1946, a letter was received at the MARSALKA residence addressed to Mrs. MILADA MARSALKA, and bearing the return address of "Veverova, Praha XIX, Praskova 26." This was a personal letter signed ANNA, in which the writer commented on how happy she had been over MILADA's visit with them in Czechoslovakia and how sad she was now that MILADA had left. ANNA mentioned that there was enclosed a letter from Stockholm for MILADA. However, no such letter was enclosed. There was an enclosure which was a typewritten letter signed by KAREL, which was postmarked at Prague October 9, 1946. KAREL expressed the hope that this letter would arrive at the time MILADA expressed a desire for it. KAREL said he had called "Mr. PRZECUREK," who stated that he would go to Pilsen right away. KAREL then wrote "at your request I am listing for you additional theater programs and I am enclosing newspaper clippings of last week's programs. I am listing the names of the plays and the authors. (There are then listed the names of 22 plays and authors). These are

the most important programs. The smaller theaters I did not bother with that this list will do, but if you need more programs so you would have more to choose from, write and I will send you a new list. Also, let me know if you need anything else."

With this letter were two newspaper clippings of theater programs. In view of the fact that

It will be recalled that under date of October 9, 1946, Mrs. Marsalka received a communication bearing the return address of 192 Sheridan Avenue, Bellevue, Pittsburgh, Pa. The Pittsburgh Field Division has advised that JOSEPH J. MARSALKA, brother of subject JACK MARSALKA, resides at this address. Background information ofn JOSEPH has been reported previously.

On December 22, 1946, it was learned that JACK MARSALKA was in Washington, D. C. and staying at his house at 3317 R Street, N. W. Between 5:35 and 6:35 p.m. that day Special Agents COURTLAND J. JONES and MAURICE A. TAYLOR observed the following individuals enter Marsalka's house: MARY JANE KELNEY, PHILIP O. KENNEY, NATHAN GREGORY SILVERMASTER, HELEN MITT SILVERMASTER, WILLIAM LUDWIG ULLMANN, ANATOLE VOLKOV, and an unknown man and woman who arrived in a Nash car bearing 1946 Pennsylvania tags #3A029. It is to be noted that all the above individuals who have been identified are known subjects of the GREGORY case.

[REDACTED] was surveilled by the agents to the Champlain Building, 1424 K Street, N. W., where he spent about 25 minutes. It could not be determined which office he visited there. It may be noted, however, that the Accounting and Payroll Sections of the Federal Communications Commission, for which agency MILADA MARSALKA formerly worked, are located in this building. (X) u b1

On December 26, 1946, Special Agents COURTLAND J. JONES and AUBREY S. BRENT observed Mr. and Mrs. ROBERT T. MILLER, subjects in the GREGORY case, enter MARSALKA's residence at 4:45 p.m. It had been learned through Confidential Informant [REDACTED] that the MILLERS were invited to have supper with the MARSALKAS that evening. RE: ROBERT TALBOTT MILLER III

The following information was obtained from confidential informant [redacted] from the period December 16 to December 31, 1946, inclusive: (X) u

On December 17, 1946, ROSE RAFFLES contacted JENNIE MILLER and invited the MILLERS to her home on the following Sunday. The RAFFLES live in Sparks, Maryland. (X) u b7D

On the same date ED MEYER (ph) contacted ROBERT MILLER and advised the subject he had checked into the facts on the file business and that all the material "they get" comes from the newspapers or magazines. MILLER inquired whether or not the magazines were publications in the United States and MEYER advised him that they were. However, he said they did have some foreign stuff. MEYER also added that they do not have a wire service and do not have any field men. MEYER stated he was working through a group of editors and a group of advisers composed of all top commentators and newsmen in the business. MILLER asked MEYER if he knew how much of a staff that "he" had and was advised that there are about ten people. MILLER asked ED when he was going to be in town again and was advised that it would be about the 7th of January. MILLER advised ED he would probably be in New York then but is going to stay for a week or two and would be sure to see ED. MEYER advised MILLER that if he would drop him a note as to when he is coming he will make arrangements to get together and discuss some things. MILLER said that he would probably be in the office to leave some things before noon and asked ED if he is going to be at a meeting then and ED advised him that he had a luncheon date with the public printer then but they could probably see BOB when he, MILLER, comes down. (X) u

On the same date BARNEY LEROY contacted MILLER and stated that he finally saw that ROBERT came through inasmuch as he had resigned from his position with the State Department. BARNEY wanted to have lunch with MILLER but BOB advised him he was going to eat with another person but would probably come in to see BARNEY after lunch. (X) u

On December 18, 1946, JENNIE MILLER contacted BARNEY LEROY and extended an invitation to BARNEY and ELEANOR for Christmas dinner. (X) u

On December 19, 1946, BOB MILLER contacted JOHN McCLINTOCK and made arrangements to meet for lunch either on the following Thursday or Friday. However, this luncheon engagement did not materialize. On the same (X) u

date FLO LEVY, JENNIE MILLER'S sister, contacted JENNIE and during the conversation JENNIE asked FLO for several addresses. MILLY McCANN of 378 State Street, Brooklyn, New York; RUTH DAUSKY, 250 Fellows Avenue, MURIEL'S at 340 West 86th Street, and SYLVIA _____, 1611 Park Road. (X) u

On December 21, 1946, CARL SPATH contacted ROBERT MILLER and advised MILLER that he was sorry to learn of his resignation from the State Department and that anything that he could possibly do to help MILLER he would be glad to do it. They made arrangements to meet the following day. (CARL B. SPATH is listed in the 1946 Congressional directory as a Special Assistant to the Assistant Secretary of State) (X) u

On December 22, 1946, MILLER contacted SPATH at the Hotel Statler and agreed to meet immediately at the Statler at 10:30. (X) u

On December 22, 1946, HEDY PARKER contacted JENNIE MILLER and advised JENNIE that she, HEDY, had lost her job at the OPA, and invited the MILLERS to a party at her house on Friday. HEDY told JENNIE that the MARSALKAS would be there. JENNIE accepted the invitation. HEDY PARKER is the wife of REGINALD PARKER who is not new to the Washington Field Division. (X) u

On the same date JENNIE MILLER contacted OLYA MARGOLIN and OLYA advised JENNIE that she is leaving for New York on Tuesday and will not be back until the following Sunday. She told JENNIE that when she returned she would come to see her and would tell her all about the National Committee on Atomic Information and JENNIE questioned her as to whether she was having trouble with her and OLYA said "no, we just had a national election, and I am back on the board." JENNIE told OLYA that she had seen RACHEL BELL at a party given at the Georgetown School for the parents and that she could not understand how RACHEL got there but supposed someone invited her. OLYA remarked that RACHEL is a "queer bird" and asked JENNIE if she, RACHEL, had told her anything. She said RACHEL is very difficult to make out. (X) u

RUTH inquired as to how things were "up there," probably meaning Ontario, Canada, where the GREGGS now live, and ROSE replied that "we are getting along O.K. and JOE is starting this new thing, but I will tell you confidentially something has turned up and we are all in a muddle again." RUTH asked ROSE if it was her and ROSE said no, not her "and I am not going to tell JENNIE or other people about it unless JOE does." She added that JOE has gotten a swell offer for Puerto Rico which is in his field but it means transplanting the family again and at the present time "we are doing beautifully." ROSE stated that "we have established ourselves to some extent; however, not at all socially or culturally, but we do have a place to live and JOE has started on the paper checking stuff which, you know is not very thrilling, but it offers a living." She added that "we will have to decide in the next couple of weeks as to whether or not we are to go to Puerto Rico." RUTH added that she had not seen GLENORE HORNE for a couple of years but she did come over the other night and they discussed the Library of Congress records. (X) u

PHYSICAL SURVEILLANCES

On December 17, 1946, surveillance was conducted by Special Agents WILLIAM R. CORNELLISON and JEROME M. GARLAND on subject MILLER. MILLER was observed leaving his office building at 810 18th Street, N. W., and was subsequently observed meeting a man in the Cafe Caprice in the Roger Smith Hotel who was later identified as JAMES ANSARA of the State Department. MILLER and ANSARA departed from the Roger Smith Hotel at 2:20 P.M. The following is a description of ANSARA obtained from personal observation:

Age	35 - 40
Complexion	olive
Build	stocky ape-like, heavy bow legs
Weight	185 to 195
Height	5' 7"
Hair	black, short, receding hairline bald spot in rear
Face	round, big lips, black Hitler mustache, heavy beard, black, thick eyelashes
Peculiarities	Appears to be chain smoker, wears light color horn rimmed glasses

The following surveillance was conducted by Special Agents COURTLAND J. JONES, W. R. WANNAL, KENNERLY R. CORBETT, and AUBREY G. BRENT on December 26, 1946:

At 11:55 A.M. JOSEPH GREGG and his wife were observed leaving the MILLER residence and drove away in a Nash automobile. At 12:58 P.M. MILLER left his residence and drove to the parking lot at 18th and Eye Streets, N. W., where he proceeded on foot to the office of HAMILTON ROBINSON, Room 178 of the main State Department Building. At 1:45 P.M. MILLER and ROBINSON observed leaving the State Department and proceeding to the Hay-Adams Hotel dining room. The following is a portion of a conversation which was overheard by Agent CORBETT between ROBINSON and MILLER: ROBINSON mentioned JUDY and said that she was an Atheist. He asked MILLER if he had salvaged anything from that wreck back in the 30's and MILLER said "yes." He said he salvaged something. ROBINSON then asked about some clipping service, asking if it was completely up to date. MILLER replied that it had been kept up to date until a month ago but now "everybody" had left and he did not know. ROBINSON appeared to be critical of his supervisors and expressed his (ROBINSON'S) lack of confidence and self-conscienceness. He (ROBINSON) referred to his previous service in the U. S. Army, apparently meaning that the State Department set up was not similar. The remainder of their conversation appeared to be related to minor personal matters; however, toward the end of the conversation the word "Russia" was mentioned several times but the tone of conversation lowered and Agent CORBETT was unable to overhear this portion. At 2:55 P.M. ROBINSON and MILLER left the Hay-Adams Hotel and proceeded by foot to the State Department building on Pennsylvania Avenue and 17th Street. At 3 P.M. ROBINSON entered the State Department Building. MILLER was continued to be surveilled and at 4:20 P.M. The following is background information on HAMILTON ROBINSON:

The records of the Registrar's office of the Law School at Yale University revealed that HAMILTON ROBINSON was born July 18, 1908, in New Haven, Connecticut, and attended Yale from October 1, 1931, until he graduated with the degree of LL.B. on June 20, 1934. His scholastic rating during these years was good. He was a member of the Yale Law Journal, which means he was an honor student. There was nothing derogatory in his record while at Yale. It was also noted that his schooling prior to entrance to Yale was at Taft Preparatory School from 1922 to 1926, and at Princeton University from 1926 to 1930. The degree of B.A. was conferred at Princeton University.

ROBINSON was employed by the Law Firm of Sullivan and Cromwell, 48 Wall Street, New York City, as an associate attorney from approximately October 1934 to September 1940, at a starting salary of \$2400 per annum and a final salary of over \$6000. He was detailed to corporation matters and worked in both the New York City and Paris offices of the firm. He resigned voluntarily when it appeared that this country might become involved in the war and he wanted to offer his services where they could be better utilized. Mr. JOHN FOSTER DULLES, a member of the American Delegation to the United Nations, and who was ROBINSON'S immediate supervisor, states that ROBINSON entered the firm of Sullivan and Cromwell from Yale Law School and in his sixth year with the firm he proved to be a very valuable and capable employee. Mr. DULLES states that ROBINSON is intelligent, alert, trustworthy, and a gentleman at all times. He states ROBINSON comes from a well-to-do family; that he is married and his family life is perfect; that he is sober in his habits and a man of high moral character. Mr. DULLES states that there is no question as to his loyalty, and that he is ideally qualified for a position with the Department of State.

The files of the Police Department of New Haven, Connecticut, as well as the files of the Bureau of Criminal Identification of the New York City Police Department reveal no record in the name of HAMILTON ROBINSON.

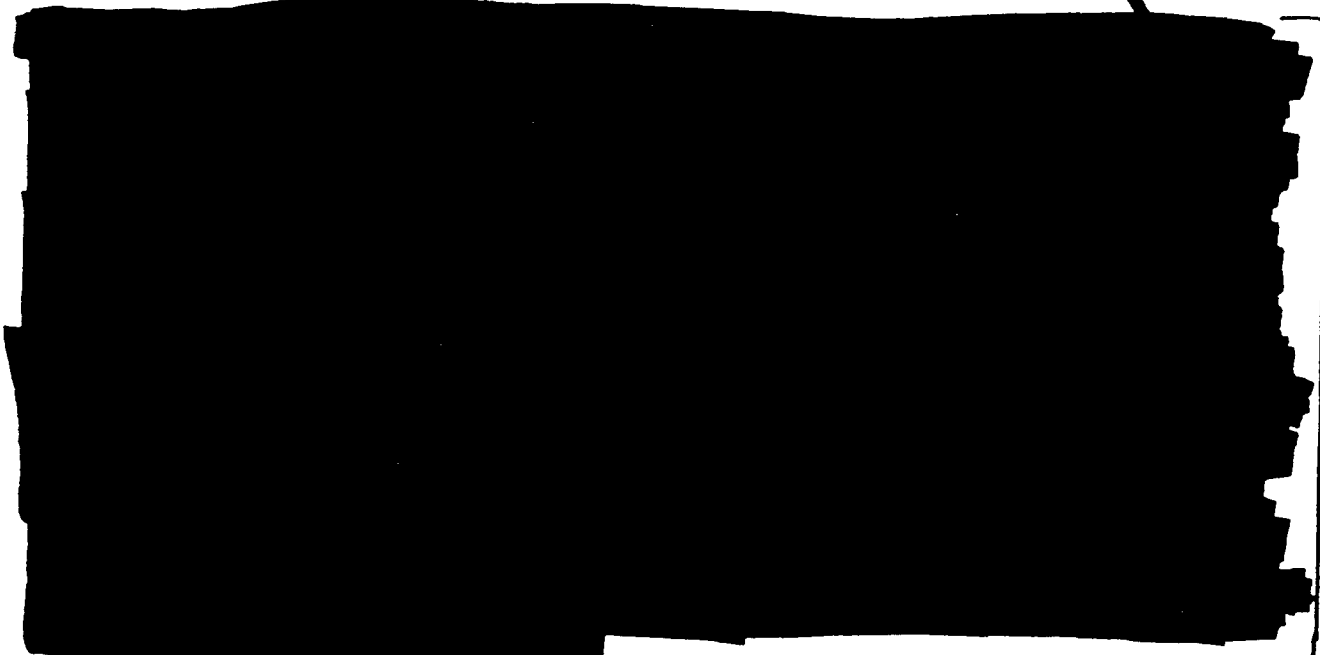

His residence was given as 2112 Leroy Place, N. W., Washington, D. C., phone Columbia 4332. He was described as 6' 1 1/2", weight 175 pounds. His employment was listed as follows: 1934-1940 Law firm of Sullivan and Cromwell; September 1940 to October 1940, British Purchasing Commission. His duties here were described as Legal representative and policy determination of purchasing program, including M-3 tanks, shell loading, cerlikon guns, liberty ships, and other developments of Lend Lease relationships. He also worked on the negotiations of an RFC loan to the British government and represented the British admiralty mission in Washington, D. C. From October, 1941, to April 1942, he was with the Lend Lease Administration. His duties were described as advising British policy matters and liaison with British purchasing commission, handled requisition programs of various types, including stall and merchant shipping and cargoes. He also represented Lend Lease on WPB Raw Materials Requirements Board.

ROBINSON was called to duty in April 1942 as a Reserve First Lieutenant and assigned to Control Division in the office of the Commander General, Army Service Forces, and remained in this division until he was relieved from active duty in January 1946, except as indicated below. At the end of duty he had attained the rank of Colonel and for three years previous had been Assistant Chief of Administrative Management Branch and Special Assistant to the Director. In this capacity he made and supervised organizational and personnel studies throughout the Army Service Forces for the Commanding General; handled special and confidential matters for the Division Director and the Commanding General and supervised various legislative and other relationships between the Army Service Forces and other Government agencies. From June 1944 to March 1945 he was assigned to the Joint Chief of Staff as representative of the Army Service Forces on the Special Committee for Reorganization of National Defense. In the Control Division his immediate supervisor was the Director, Major General C. F. ROBINSON, and on the Joint Chiefs of Staff his immediate supervisor was chairman of the committee Admiral J. O. RICHARDSON, U. S. Navy, retired.

He is responsible for export sales, field liaison, central office coordination, sales procedure for commodity classification and special assignments. He listed as references when applying for his job at WAA, the following persons:

JAMES L. McCAMY, Temporary Building T, Washington, D. C.;
 Maj. General P. B. FLEMING, Administrator, Federal Works;
 HAROLD GLASSER, Treasury Department;
 H. D. WHITE, Treasury Department;
 G. E. SUBAR, 26 Broadway, Executive, Standard Oil Company.

MILLER listed as a former address, 59 Emeline Street, Providence, Rhode Island, and stated that his brother ALEX lives there at the present time.

MILLER listed his legal residence as Cooke County, Illinois.

It was also learned that MILLER has no middle initial, but for the purpose of distinguishing himself from other people with identical names, he has used the name of SAMUEL RICHARD MILLER, SAMUEL R. MILLER and SAMUEL A. MILLER.

From information previously reported by the Newark Field Division, it appeared that one ABRAHAM WOLFSON is the former brother-in-law of the wife of subject HARRY DEXTER WHITE.

Investigation by the Newark Field Division revealed that WOLFSON

 WOLFSON is about 50 years old, a dentist, and subscribes to the Daily Worker. Information was received that WOLFSON  and there is much other evidence which has been supplied concerning the background of WOLFSON as a Communist and his Communist activities. b7D

WOLFSON, after being divorced by his first wife, married the sister of SAM MILLER's wife and in fact, upon returning from his honeymoon in Georgia, he advised friends he could be reached c/o SAM MILLER, 3700 Massachusetts Ave., N. W., Washington, D. C.

SAM MILLER's wife's sister's maiden name was SALLY PAYNOR. *Sally Paynor*

Special Agent J. BERNARD COOK ascertained that the checking account at the Riggs National Bank which is held jointly by SAMUEL and EVELYN MILLER, receives regular deposits of \$263.06 at two week intervals. As of December 17, 1946, the account had a balance of \$668.67. No unusual activity was noted for this account.

The Philadelphia Field Office advised by letter dated December 16, 1946, that a check of the indices of the central office of the Immigration & Naturalization Service failed to reveal any record of naturalization of MILLER's father, BARNETT MILLER. However, it has been subsequently ascertained that BARNETT MILLER was naturalized in Boston, Massachusetts and this lead is presently being covered by the Boston Office.

Re: WILLARD Z. PARK

The following information is being reported by Special Agent EDWARD L. GRAMPP.

An anonymous call to the Ethiopian Mission, UNNRA, where PARK is employed, on January 8, 1946, revealed that subject PARK is yet assigned by UNNRA to Addis Ababa, Ethiopia.

The personnel records in the custody of THOMAS KLECHAK, Director of Personnel, Institute of Inter-American Affairs, 499 Pennsylvania Avenue, N. W., Washington, D. C., contained a file on WILLARD Z. PARK indicating that he received an appointment effective February 9, 1942, as senior information analyst CAF-12, \$4,600, Reports Division, Coordinator of Inter-American Affairs, Washington, D. C. (From all indications this is the first Government employment for PARK.)

On November 14, 1944, he was separated from the above agency by transfer to the Foreign Economic Administration, Washington, D. C., without reemployment rights.

RE: GEORGE PERAZICH

The following investigation was conducted by Special Agent JAMES J. CANAVAN from the period December 1 through December 31, 1946:

The mail cover placed on the home of subject met with negative results during the above period. From the period December 1 through December 31, 1946, confidential informant [redacted] furnished the following information concerning subject's activities: (A) u b2 b7D

On December 6, 1946, AMELIA PERAZICH, wife of subject, conversed with DOROTHY KAPLAN at which time they agreed to go shopping that afternoon and to stop off at the "Bookshop" at 17th and K Streets, N. W. (A) u

On December 18, 1946, AMELIA PERAZICH, wife of subject, was in contact with DOROTHY KAPLAN, at which time DOROTHY stated that they were visiting the FUCHS (HERB and FRANCES) the next night and suggested that GEORGE and AMELIA join them. AMELIA agreed and mentioned that her husband was at a dinner that evening at the Shoreham Hotel to which the Yugoslavs had invited him. (A) u

During the same period confidential informant [redacted] furnished the following information concerning subject's activities: (A) u b2 b7D

On December 15, 1946, GEORGE PERAZICH conversed with GEORGE SILVERMAN, another subject in this case. SILVERMAN inquired as to how things were going with PERAZICH who said that he did not know since he had not heard from XROSSER (ph), who has gone to Canada. SILVERMAN said he had some spare time and thought if it was possible he would do some work on "it." (The nature of their discussion was not identified). PERAZICH said that he has been terribly busy on his program over at UNRRA trying to spend the money he has since they may stop shipments to Yugoslavia after the first of the year. SILVERMAN mentioned that he is living with DAVE WEINTREUB in New York City and can be reached at Butterfield 8-1833. They agreed to meet the next time SILVERMAN is in Washington. (A) u

During the same period confidential informant [redacted] furnished the following information concerning subject's activities: (A) u b2 b7D

On December 3, 1946, an individual known to the informant as GEORGE and who was believed to be GEORGE PERAZICH, conversed with HARRY MAGDOFF at which time he asked HARRY about DAVE NEUSSBAUM, who he explained is going to Yugoslavia to write. GEORGE wanted to recommend him to the Embassy and inasmuch as HARRY apparently introduced GEORGE to NEUSSBAUM, GEORGE wanted to know how far he should go in recommending him. HARRY said that a friend of (A) u

his considers NEUSSBAUM to be O.K. but that he, HARRY, did not know anything beyond that, but that he found him to be a "right thinking guy." GEORGE said he would like to get into the United Nations and HARRY said the trouble with U.N. is that "they are loaded with Americans." They then discussed their mutual friend, a Russian named ~~RUZENTICH~~ (ph) (this individual referred to is probably VASSO SRZENTICH) and another Russian whose name is not mentioned but who was alleged to have been sent by Molotov in New York as Chief Russian Representative on some committee. (X) u

On December 22, 1946, AMELIA PERAZICH, wife of subject, conversed with BEADDIE MAGDOFF, at which time she told her that she was having some Yugoslavs in on Christmas Day and asked whether BEADDIE and HARRY could come. BEADDIE said she would let AMELIA know. AMELIA then asked her to recommend a good obstetrician for one of the Yugoslav women and BEADDIE suggested Dr. ~~LODEK~~ on Eye Street between 17th and 18th Streets and also Dr. ~~NOTES~~ (ph). She also suggested that AMELIA call PEGGY NIERNBERG or AINIE STEIN who go to Dr. NOTES and also to contact Dr. ISIDOR ~~KALPHER~~ who recommended these two doctors to her. (X) u

On December 23, 1946, AMELPHIA PERAZICH, wife of subject, conversed with BEADDIE MAGDOFF at which time BEADDIE told her that she and HARRY would be delighted to visit them on Christmas. BEADDIE told her of the party JANE STONE was having on New Year's Eve for the benefit of the Southern Conference and wanted AMELIA to come and bring some of her friends. AMELIA said she was planning a party herself and she joked about JANE giving a party to which some of the people AMELIA might want to invite to her party would be going, but said she forgave JANE because it was for the Southern Conference. BEADDIE said that HARRY, her husband, had a new job and understood that GEORGE was looking for an "interim" job, and that he had recommended GEORGE for a position that he had been considered for. It is a nine month job with the University of Chicago carrying a rating of Assistant Professor, the purpose of which is to make a study on "something like the social aspects of the atomic bomb." AMELIA said that some man had called GEORGE on the matter that day and GEORGE had been wondering who had given his name. (X) u

PHYSICAL SURVEILLANCE

No physical surveillance was conducted during the above period on this subject.

RE: VICTOR PERLO

The only mail received at the PERLO residence during the period of December 16 through 31, 1946, inclusive, was a letter postmarked December 25, 1946, from New York, New York to VICTOR PERLO from ~~TEFFERTELLER~~, 265 Henry Street, New York, New York. (X) u

The following information was furnished by Confidential Informant [redacted] (X) u b2 b7D

On December 16, 1946, the informant ascertained that VICTOR PERLO would leave work at 5:30 P.M. and come home after he took JEL ~~WOODS~~ (phonetic) home. (X) u

On December 18, 1946, the informant ascertained that VICTOR PERLO contacted ~~NAT WITT~~ advising him "the deal with those guys fell through. I don't know what happened. I just got a wire telling me nix on it. So if you hear of anything else that might interest me mention it to ~~JOHN~~." NAT replied "o.k." PERLO then told WITT that he was sending him a letter to tell him a few things and thanking him for what he has done. NAT replied "Well, such things happen. O.K. So long." (X) u

On December 21, 1946, the informant ascertained that ~~MORRIS FIRD~~ (phonetic), Hobart 4000 endeavored to contact VICTOR PERLO, who was unavailable. (X) u

On December 28, 1946, ~~VINCENT HEATH~~ (phonetic), contacted VICTOR PERLO to say "when would you like to play off our (?)" They agreed on next Friday morning at 7:30 and to stop the clock at 7:45. (X) u

Reference is made to the last Washington Field Office report in the GREGORY CASE which reflects that VICTOR PERLO and HARRY ~~MAGDOFF~~ were endeavoring to obtain the position of Program Director with the New Council of American Business. Informant [redacted] who reports the activities of HARRY ~~MAGDOFF~~, advised that on the night of December 17, 1946, HARRY ~~MAGDOFF~~ received a telegram from ~~JAY DEISS~~ in New York City offering him the position of Program Director with the ~~NCAB~~, and requesting information as to when ~~MAGDOFF~~ would be available. In view of the fact that informant [redacted] advised that VICTOR PERLO contacted ~~NAT WITT~~ in the early morning of December 18, 1946 and referred to a wire he had received telling him that the deal had fallen through, it appears that PERLO was referring to the position of Program Director with the ~~NCAB~~. (X) u b2 b7D

Confidential Informant [redacted] furnished a copy of a telegram to VICTOR PERLO signed by HERBERT HERRITT, and sent on December 17, 1946, from New York City. This wire read as follows: "Reluctantly inform you of unfavorable decision by Executive Committee re your assuming Program Directorship. Shall phone you shortly." *Pr* *b2 b7D*

It is believed that NAT WITT is in fact NATHAN WITT, who is a practicing attorney being affiliated with the law firm of LIEDER, WITT AND CAMER, 9 East 40th Street, New York City. He resides at 160 West 77th Street, New York City. Investigation has revealed that NATHAN WITT is a well known individual and has numerous Communist connections, among them being ROY HUDSON, JOHN WILLIAMS, ALEXANDER TRACHTENBERG and LEE PRESSMAN, General Counsel for the CIO. It is also to be noted that he is a friend of CHARLES KRAMER, ALGER HISS, HENRY HILL COLLINS, JR., ELIZABETH SASULY, ALLEN and IRMA ROSENBERG, MRS. RAY ELSON and JOSEPH ABT, all of whom are prominent figures in the GREGORY CASE.

It has been reported that WHITAKER CHAMBERS, book review editor of "Time" Magazine, New York City, has advised that NATHAN WITT was a member of the Communist Party underground apparatus in Washington, D. C. a few years ago, at which time he was also associated with the National Labor Relations Board, and that he attended group meetings in Washington with NATHAN WITT and other Communist Party figures.

It is interesting to note that one NATHAN PERLO, who is believed to be identical with VICTOR PERLO, was also a member of this particular underground group to which CHAMBERS refers. NATHAN WITT is considered a key figure by the New York Field Division.

REF ABEEL ROLF PLENN

~~SECRET~~

The following information is reported by Special Agent WILLIAM H. MARR for the period December 15th to December 31, 1946 inclusive. *JQU*

Mail Cover *(X)u*

The mail cover which is in effect on PLENN's residence 1511 Park Road, NW, Washington, D.C. and on his office at the Library of Congress produced no new correspondents for the subject during the pertinent period. *(X)u*

Information Furnished by Confidential Informant *b2 b7D*

Confidential Informant *(X)u* furnished the following information concerning PLENN's activities. *b2 b7D*

On December 18, 1946 Devitt Eldridge talked to Doris PLENN, subject's wife. Eldridge asked Doris PLENN to attend the Southern Conference for Human Welfare Luncheon on the following Friday at 12:30 PM at the WTC, 1111 E Street, NW. During this conversation Doris told Devitt that she was having a little party on the 28th and asked that Devitt and his wife Hope attend. She mentioned that ALEX WEL of "PM" and HELEN COLLIER of the "New Republic" would be present. *(X)u*

Later on this same date the informant advised that PLENN in conversation with his wife, Doris, mentioned that they should invite ANGUS McDONALD of the New Republic to dinner in the near future. Doris mentioned that they had received a Christmas card from ALIK REUTHER and also that Devitt Eldridge had invited her to attend the Southern Conference for Human Welfare Luncheon on the following Friday. ABEEL told Doris that he thought she should become interested in this organization and felt that it was important that she have relations with them. *(X)u*

On December 20, 1946 Devitt Eldridge and Doris PLENN had another conversation in which Doris mentioned that ABEEL had recently talked to MERCER COOK of Howard University and MERCER mentioned that he had received a letter from a friend in France who had met ROBERT and PRESTON WELLES. MERCER COOK did not identify his friend but Devitt Eldridge seemed to have heard about this meeting and mentioned that the man was a negro poet and literary man and had a French wife. *(X)u*

~~SECRET~~

~~SECRET~~

Later on this same date the informant overheard a conversation between ABEL PLENN and his wife DORIS at which time DORIS commented that the Southern Conference for Human Welfare luncheon which she attended with DEWITT ELDRIDGE was extremely depressing. She mentioned that CLARK FOREMAN was present and that MYRTLE BOWEN and VIRGINIA LEWIS attended. DORIS indicated the chief speech was by Mrs. BOESEN (probably ANNE BOESEN, local Communist). DORIS pointed out that she feels that the Southern Conference's approach is 18th Century style and that they are snobbish in their attitude and have the wrong approach. She also mentioned that CLARK FOREMAN told her that the Columbians, Radical Southern organization are getting numerous members. FOREMAN told DORIS that he took this organization seriously.

On December 21, 1946 MILTON PLUMB, as yet unidentified, attempted to contact PLENN, failing to do so he left word with DORIS PLENN to have ABEL telephone him at Hillside 16950. The Washington telephone directory lists MILTON K. PLUMB, 203 Avenue I, District Heights as a subscriber for this number.

On December 23, 1946 in a conversation between ABEL and DORIS PLENN, DORIS mentioned that he had received a number of Xmas cards. Among these was one from BEN BOTKIN who said on his card "Wish you would let me know when you come to New York. I see the Gaers (Mr. and Mrs. Charles Gaer) occasionally. Hear you are doing a new book for them. Congratulations on "End in the Olive Tress." DORIS also mentioned that a letter had come from MAX STEFFER in New York which indicated that returns from foreign sources on PLENN's book "End in the Olive Trees" appeared promising.

During this same conversation ABEL mentioned that he wanted to see KELLEY to get a loan (possibly OGDEN KELLEY in the Library of Congress). ABEL also asked DORIS for the address of a Mrs. LET or LETT. According to the informant (this is probably Mrs. FRANK A. BRENT). DORIS told ABEL that the address is 624 Border Drive, Crestwood, Madison 5 Wisconsin. DORIS mentioned to ABEL that he had just received a letter from this woman which concerned JOSE ANTONIO. (Note: JOSE ANTONIO is the Cuban boy who was arrested sometime ago by Franco policemen in Spain supposedly for anti-Franco activities. PLENN has been endeavoring to have influential individuals intervene on the boy's behalf and has also secured the support of PLENN in the young man's behalf.)

On the evening of December 23rd OGDEN KELLEY talked to ABEL PLENN and said that he had intended to see him previously but had been unable to do so. PLENN replied that he would see OGDEN at the Library of Congress in the next few days.

~~SECRET~~

~~SECRET~~

On December 26, 1946 ABEL talked with ~~MARIAN~~ PARK, 1228 F Street, N.W. The informant advised that the conversation was extremely lengthy. Miss PARK mentioned that she is working on a manuscript and wants PLENN to examine it. They discussed it quite some length and the case of ~~JOSE ANTONIO LLERAS~~ ~~DI SEGOURA~~, the Cuban boy who was arrested by the Franco police sometime ago and has been held in Spain pending the disposition of charges against him. PLENN pointed out that the Milwaukee Journal had run an article on this case similar to the story which the New York Times published. PLENN mentioned that according to the Times story the trial was held on the 21st but did not mention the result. He indicated that evidently all the criminal charges were dropped and that the Spanish Government only brought up the matter of the defendant's belonging to an organization that is supposed to be against the government, etc. but that they would ask the death penalty. PLENN felt it was encouraging that the criminal charges were dropped pointing out this would seem to indicate there is some chance that the boy's life may be saved. PLENN mentioned there was one thing he was very anxious to ask Miss PARK about; namely if she could furnish the name of an individual who could act as a "go-between" and possibly could be used to get mail or money through.

X U

PARK mentioned ~~EDWARD~~ ~~WALSH~~ who is apparently in the American Embassy in Spain. She pointed out that actually the only way to get cash to Spain would be to give it to someone going there and let them exchange it upon arrival. It was her opinion that it would be best to send any funds by check to the Bank of Spain and have it picked up there by some trustworthy person. It was also mentioned that the American Relief Organization apparently plans to discontinue operations in Spain.

X U

At this point Miss PARK mentioned that perhaps ~~DAVID~~ ~~WALSH~~ ~~INSTANT~~ could be of assistance in this connection. The name ~~JOHN~~ ~~POPE~~ was also mentioned in the conversation. PLENN identified him as a correspondent in Spain and said that he was apparently sending information to the New York Times. The informant advised that the case of JOSE ANTONIO was discussed at great length by the subject and Miss PARK.

X U

On December 28, 1946 ~~HELEN~~ ~~WELLY~~ had a long conversation with DORIS and ABEL PLENN. HELEN told ABEL that ~~DAVID~~ ~~WALSH~~ had asked her whether or not ABEL read his sheet. ABEL replied that he did not, whereupon HELEN said that she would send him a sample and if he wished to subscribe to it the cost would be only one dollar. During this conversation the Christian Science Monitor was discussed and particularly ~~MARK~~ ~~WALSH~~ who apparently does some of the writing for this paper. PLENN commented that ~~MARK~~ ~~WALSH~~ is no good, that he is one of the most vicious anti-Russian people in this country. PLENN further commented that ~~MARK~~ ~~WALSH~~ was one of their worst reactionaries. Another individual discussed was ~~ELIZABETH~~ ~~WELLY~~ who has

X U

~~SECRET~~

been a speaker on a radio program "Invitation to Learning."

~~SECRET~~

PLENN was most vehement in expressing his dislike for LERNER. In addition to using profanity in expressing his dislike PLENN described LERNER as one of the "shadiest raggist timers in this country." He added that he used the term thinkers continually. HELEN mentioned that LERNER is going to be on the air on December 29th with Bishop O'CONNOR and that they would discuss MARTIN LUTHER. When this point was mentioned PLENN became quite agitated and spoke as follows: "LUTHER! What the — do they want to discuss LUTHER, why don't they discuss LENIN, — much more timely and more important for our time. After all, he wrote a few things too."

du

PLENN referred further to LERNER by pointing out that anything he did was wrong. He commented that LERNER recently had an article on Communism in PM which was "The dogonist craziest, most muddle - edited think you ever saw." Still another individual mentioned during the conversation was CATHERINE HAYODE WALTER. PLENN did not know this individual and HELEN pointed out that she had written some very interesting materia. HELEN mentioned that she had worked with SALTSOP at one time when she, HELEN, was doing some work on an article for the "Churchmen".

du

On December 29, 1946 DEWITT EDRIDGE and DORIS PLENN during a conversation discussed the play "Henry the Fifth" which is appearing at the Misner Auditorium that evening. DORIS mentioned that ABEL was attending the play and that MERCER COOK of Howard University had also gone. DORIS expressed the opinion that MERCER might be unable to enter the auditorium because of the policy of not permitting Negroes to attend plays at this auditorium and DEWITT pointed out that he would have no difficulty as the Folger Library was presenting the play and the George Washington University had merely lent the auditorium. DORIS commented that the Southern Conference for Human Welfare would be missing a big bet if they didn't get photographers down to the auditorium to photograph Negroes coming out of the auditorium. DEWITT commented he would contact LITTLE POTTELL to see if something could be done about a story on this angle. DEWITT also mentioned that the New York Times had an article on the National Theater refusing to sell tickets to Negroes.

du

On December 30, 1946 KATHERINE MURLEY and GRANVILLE MURLEY invited DORIS and ABEL PLENN to their home for the evening. The invitation was refused by DORIS on the ground's that she to get her daughter's clothes ready for her return to school.

du

~~SECRET~~

On the evening of December 30, 1946 HELENE ~~S. BENEY~~ attempted to contact ABEL PLENN but was unsuccessful. She left word she would like him to get in touch with her and said that she was in Room 7-747 at the Statler Hotel. *du*

On December 31, 1946 one MILTON ~~WIFE~~, phonetic, talked to ABEL PLENN and mentioned that RAINE ~~SMITH~~, radio announcer was going to bring MIREN PARK with him tonight. MILTON said that he hoped this would induce ABEL and DORIS to attend. ABEL mentioned that he and DORIS knew MIREN PARK but indicated he doubted very much if they would be able to come. *du*

Physical Surveillance

No physical surveillances were conducted of the subject during this period other than spot checks at the Library of Congress. These spot surveillances indicate that PLENN is working very hard on his book in an effort to complete it as soon as possible. He spends approximately eight hours per day at the Library of Congress and during this time concentrates on research work and preparation of his manuscript.

Miscellaneous Information

By letter dated December 15, 1946 the Milwaukee Field Division advised that the Milwaukee Journal for October 7, 1946 carried an article pointing out that PLENN spoke before the Wisconsin Peace Committee at a dinner at the Ambassador Hotel in Milwaukee on Monday October 7, 1946. In his speech PLENN pointed out that the Nazis are still in Spain and are going to stay there until someone does something about them. He charged that the present Spanish Government is being run by Spanish Fascists Militarists, Aristocrats, and the Roman Catholic Church Hierarchy. He said the church is being "bought" with extra rations which its representatives can sell on the black market to the starving people of Spain at huge profits. He stressed the fact that he is not trying to judge the Catholics in this country with part in this conspiracy and added that most Catholics in the United States deplore the excesses of the Church in Spain.

In previous inserts dealing with ABEL PLENN it has been pointed out that he has interested himself to a great degree in the case of a young Cuban boy who is on trial for his life in Spain and whom PLENN insists is falsely accused and is being victimized by the Franco police. The identity of this boy has been ascertained to be JOSE ANTONIO LERANDI SECRET as a result of PLENN's efforts there appeared an article on page 5

~~SECRET~~

SECRET

in the Sunday December 15, 1946 issue of "PM". The article is headlined "Franco Snubs Pleas for Foe," datelined Washington December 11th and reads as follows: "Caught in a network of Franco's police, JOSE ANTONIO LLERANDI SEGOURA, Cuban citizen and relative of the wife of Cuba's President CRAU SAN MARTIN, has been held incommunicado at the Carabanchel prison in Spain for the past five months. Despite efforts by Cuban Ambassador Dr. GUILLERMO BELT in Washington and other Latin American envoys, no progress has been made to get the Spanish police to substantiate charges of robbery or to give the twenty-five year old resistance fighter a public chance to prove his innocence. There is grave fear in the USA that he may face death.

"LLERANDI belongs to a distinguished Cuban family and although long anti-Fascist has never been an extremist. He was in France during the war years and fought in the French resistance. Later he returned to Spain where he has been accused by the Government of working against Franco. These charges came to a head last August when LLERANDI was arrested with 84 others and charged with participation in a holdup of a pay truck at the football field of the lower Madrid Club. The Franco government declared he was arrested only after a fight with the Spanish police in which one anti-Fascist was killed. The police charged the holdup was staged in order to obtain funds for organizing the fight against the Franco Government.

"American members of the LLERANDI family headed by an uncle who lives in Wisconsin asked the State Department to determine the fate of JOSE ANTONIO. After a lengthy delay the only information furnished them was a copy of the Spanish charges."

The mail cover maintained on the subject's residence 6955 Brooks Lane, Brookmont, Maryland, was nonproductive during this period. *(S) u*

Information Furnished by Confidential Informant [REDACTED] *be b7D*

On December 22, 1946, the Informant overheard a conversation between BEATRICE KOPLOVITZ and ERNA ROSENBERG. ERNA mentioned that ALLAN was to be home the following Wednesday morning but would have to return to the West Coast in February. (It will be noted that ALLAN ROSENBERG was in Hollywood, California, at this time in connection with his legal business concerning the Hollywood Broadcasting Company). BEATRICE mentioned that her husband BILL was also going out to the West Coast the latter part of January. The remainder of the conversation between the two women was of a social nature according to the Informant.

On December 23 ERNA ROSENBERG had a conversation with CARL GREEN at which time she told CARL that ALLAN would be home at 8:30 a.m. Wednesday morning. She also told CARL that the case on which ALLAN was working was not completed, that it had been postponed until February 5 at which time ALLAN would have to go to the West Coast once again. During this conversation the Informant pointed out that CARL discussed his neurotic condition and dealt at length on his mental difficulties. He mentioned that JIMMY PATTERSON had invited him to the PATTERSON home for Christmas Eve but that because of his state of mind he did not expect to attend.

On December 24, 1946, CARL GREEN again talked to ERNA ROSENBERG and on this occasion told ERNA that the radio station is "being blasted." (CARL was obviously referring to the Metropolitan Broadcasting Company - WJQV). ERNA inquired of CARL on what issue the station was receiving criticism and CARL replied "what do you think?"

Note: The Informant was unable to ascertain the nature of the criticism to which CARL GREEN referred but it is believed possible that he had reference to the Adamson report which devotes a rather lengthy discussion to the Metropolitan Broadcasting Company pointing out that a number of its stockholders are Communists and that it is believed that the company will devote considerable time to the release of Communist propaganda. Recent

newspaper and magazine comments concerning the Metropolitan Broadcasting Company (WQQF) have not been critical.

On December 26, 1946, subject ALLAN ROSENBERG and CARL GREEN had a lengthy conversation. After speaking briefly about ALLAN's recent trip to California ROSENBERG mentioned to CARL GREEN that "it is a political problem of the first magnitude for that part of the world." CARL inquired when "it was going to be fought out," and ALLAN replied that "it would be fought out in so far as possible." Neither ROSENBERG nor GREEN stated the nature of the problem which they were discussing but it is quite possible that they may have had in mind the issue which would be raised in the event the Adamson report was released. During the same conversation CARL GREEN spoke rather bitterly about an interview which he had with an officer at the Federal Works Agency concerning his possible reinstatement with the bureau. CARL GREEN was of the opinion that his chances for reinstatement are not too bright. After discussing this matter the two men talked about the Metropolitan Broadcasting Company and CARL pointed out that they had a lot of problems and are very concerned with the "new situation because it can be quite difficult." (Possibly referring to the ADAMSON report). ALLAN asked if ED BRECHER was worried and CARL replied that he was but planned to battle it out.

As the conversation continued the Informant noted it was quite obvious that ALLAN ROSENBERG was irritated and appeared to be aroused although he did not specifically indicate his reason for being upset. He told CARL GREEN that he was going to turn up some trouble around here (Washington) if he could. GREEN told ROSENBERG while he was about it he had better stir up some business to which Rosenberg replied to h--- with business and commented further that "there are too d--- many timid people around here, people running away." He also added another statement saying "he did not see why one should be afraid of one's convictions on a thing like this." After a bit more conversation ALLAN stated to GREEN "G--- d--- I'm not in the Government any more and I do not approve of what the Government is doing. There are a lot of good people - got a lot of good ideas and there isn't any loud enough voice on it, and I want to be allowed voice." At this point in the conversation CARL GREEN asked ALLAN if he wanted to quit his law practice and go back into a job. ALLAN ROSENBERG replied with quite some feeling that this depended on what the job is - "I don't give a G--- d--- about the law practice particularly. I want to make a lot of noise and see the right thing done." CARL GREEN then mentioned a figure of approximately \$10,000 a year for a position and ROSENBERG replied that he was not interested particularly in the money; that after having seen what goes on in Hollywood, the various activities, etc., and then coming back to this "musty mausoleum." You do not see anybody who has a gleam in his eye and who is ready to bang out for what he believes in around here. ALLAN ROSENBERG said that this is what he wanted to see

~~SECRET~~

done. He frequently pointed out to CARL GREEN that he was very dissatisfied. CARL asked him if he had seen DAVID WAHL and when ALLAN replied in the negative CARL pointed out that it would be a good idea for ALLAN to talk to him.

On December 26, 1946, an unidentified woman in the Southern Conference for Human Welfare spoke to ROSENBERG and pointed out that they were making an attempt to collect outstanding pledges. She pointed out that ALLAN had pledged \$25 last spring and asked if he were in a position to pay this money at the present time. ROSENBERG told her that he would send in part of it before the first of the year and intended to do more about it after the first of the year.

On the evening of December 26, 1946, CARL GREEN talked to ALLAN ROSENBERG and read to him some portions of the Adamson report on Un-American activities. ALLAN commented that the report was very interesting and CARL pointed out that some of the persons mentioned were such well known figures as MARY JANE KEENEY, CLARK FOREMAN, OWEN LATTIMORE and ANNE GERTLER, BARNY LEROY and DAVID WAHL. ROSENBERG's comment after hearing the people mentioned by CARL GREEN was "all the nice people."

Still later on in the evening of December 26, 1946, ED BRECHER of the Metropolitan Broadcasting Company talked to ALLAN ROSENBERG. ED commented that he was the subject of discussion of 22 pages (in the Adamson report). ROSENBERG said that he desired to talk with ED about the hearings in California pointing out there are "a lot of important people involved whose reputations are at stake." ROSENBERG pointed out that JACK TENNEY, Chairman of the un-American Activities in California, had been on the stand. According to ROSENBERG, TENNEY named various people but it was shown that his statements were based on hearsay and newspaper clippings.

On December 27, 1946, ROSENBERG talked to MILTON TYRE in Los Angeles and among other things stated that he felt they should file a motion to strike TENNEY's testimony.

On the evening of December 27, 1946, ROSENBERG talked to ED BRECHER of the Metropolitan Broadcasting Company. ROSENBERG pointed out that he had been bothered since his return from California and particularly since this other report (Adamson report) had come out. ROSENBERG indicated he was concerned as to what they should do in Washington, D.C. as a local community to prepare for the attacks which have been made and will be made on Washington organizations. ROSENBERG indicated that he thought it would be a good idea to arrange a meeting in the near future to formulate a plan of action. During the discussion between the two men they mentioned the following individuals as persons they felt qualified to attend the meeting:

PHIL DUNAWAY, DAVID WAHL, CLARK FOREMAN, LOU ~~BLANK~~, BOWEN ~~SMITH~~ LUTTEN
 (HILLNER), BARNEY (LEROY)

SECRET

After talking to ED FRECHER, ALLAN ROSENBERG talked to an unidentified individual named "SHY." ROSENBERG told SHY that he had been trying to contact people and a good many of them were out of town. Among those whom he had in mind who were out of town ROSENBERG mentioned CARLINER (ph) of the NACB, DAVID WAHL, MARTIN POPPER of the National Lawyers Guild, PHIL DUNAWAY, BARNEY LEROY, FELTSCHE (HENRY), JIMMIE BERENSON, JOHNSON of the Southern Conference for Human Welfare and CLARK FOREMAN. It was decided that the meeting would be held Monday evening in ROSENBERG's office at 1822 Jefferson Place, N.W. The meeting will be discussed later on in the insert.

On December 30, 1946, ERMA ROSENBERG talked to one JACOSKI (ph) at the Department of Agriculture, extension 6429. They spoke about a party to be held at the home of BERT GROSS, 613 South Quincy Street, South Arlington, Virginia, telephone number Chestnut 7202. ERMA told JACOSKI that she and ALLAN would be unable to attend.

Physical Surveillance

The meeting at ALLAN ROSENBERG's office, 1822 Jefferson Place, N.W., previously mentioned was covered on the evening of December 30, 1946, by Special Agents WILLIAM H. LEE, HAROLD F. TRAPP and COURTLAND J. JONES. ALLAN ROSENBERG arrived at his office at 7:58 p.m. and at 8:02 p.m. a second individual, as yet unidentified, arrived at the office. It was later determined that this man drove a 1946 Packard Clipper bearing 1946 D.C. license number 129-708. At 8:10 p.m. the second individual, as yet unidentified, arrived in a brown Packard automobile bearing 1946 Virginia license plates number 483-292. At 8:20 p.m. a third individual, as yet unidentified, arrived driving a black Pontiac automobile bearing 1946 Virginia license number 103-294. The meeting was concluded at 10:20 p.m. at which time the four men left ROSENBERG's office. The operator of the Packard, Virginia license number 483-292, drove away. ROSENBERG entered his car and drove to the 1700 block of G Street, N.W. The operator of the Pontiac, bearing Virginia license number 163-294, accompanied by the man who arrived in the 1946 Packard Clipper, D.C. license number 129-708, drove to the 1700 block of G Street, N.W. and entered 17 G Street, an office building. The two men emerged from the building in a few minutes and walked over to ALLAN ROSENBERG, who was seated in his car at the curb. One of the men was observed by Agent COURTLAND JONES to hand ROSENBERG some folded papers or an envelope. ROSENBERG drove away and the other two men walked to the Reynolds Pharmacy at 18th and G Streets, N.W. arriving at 10:50 p.m. They ate a sandwich and at 11:05 left. They got into the

BERNARD GEKOSKI is undoubtedly identical with the BERNARD GEKOSKI residing at 402 Four Mile Road, Arlington, Virginia, whose name was listed in ALLAN ROSENBERG's personal address book. Information in the Credit Bureau file reflects that GEKOSKI was born August 8, 1912, is white and has a wife and one child. At one time he lived at 7325 Balsom Avenue, St. Louis, Missouri, where he was employed for eight years by the Department of Agriculture (REA). His salary in St. Louis was \$6200 per annum and the report comments he was considered a man of good character and habits and was well regarded. Another residence in St. Louis is given as 5019 Shrewsbury Avenue, St. Louis, Missouri. A Washington address is listed as 1416 Varnum Street. He and his wife EDITH rented a room at this residence from a Mrs. L.J. SMITH. At this time his employment was given as attorney, Department of Agriculture, salary \$6400 per annum (8-12-40).

HERBERT BERGSON, 7811 13th Street, N.W. The name HERBERT BERGSON, 7811 13th Street, N.W. was listed in the personal book of ALLAN ROSENBERG and the records of the Credit Bureau, 1221 G Street, reflect the record of HERBERT A. BERGSON and his wife BERNICE. HERBERT A. BERGSON is unquestionably identical with the HERBERT BERGSON listed in ROSENBERG's address book. In the Credit Bureau file there is a report dated May 21, 1934, which emanated from the Boston, Massachusetts, Credit Bureau. At this time BERGSON was described as age 25 and his wife BERNICE as age 23. On September 23, 1933, he married BERNICE A. WEBER, daughter of Mr. and Mrs. J. PAUL WEBER, 405 Washington Street, Dorchester, Massachusetts. Prior to his marriage he lived at 33 Bradlee Road, Dorchester, Massachusetts. It is reported that both BERGSON and his wife had an excellent reputation in Dorchester and no derogatory information concerning them was known and their families were well spoken of and considered responsible. His father was reported to be a well known lawyer, while Mrs. BERGSON's father was a photographer.

HERBERT BERGSON is an attorney and was admitted to the Massachusetts Bar in March 1933. previously mentioned address for approximately one year as a renter, formerly living at 1435 Pleasant Street, New Orleans, Louisiana. Further information reflects that he lived at 7811 13th Street, N.W. for three and one-half years and left in December 1943 selling his home at this time. He is also reported to have lived at 5412 30th Place, N.W. for approximately a year about 1935. Another address is given as 1650 Harvard Street, N.W. approximately one year where he rented an apartment. His employment was given as that of attorney, Department of Justice. It is indicated that he was appointed March 26, 1934 and reappointed September 5, 1942. His salary is given as \$8700 per year. It was noted that comment was made that he served in the U.S. Coast Guard (no date given), and that his record in this service was clear.

FANNIE and VIRGINIA JACKSON, 1255 Wylie Street, N.E. The names FANNIE and VIRGINIA JACKSON were listed in ALLAN ROSENBERG's address book at the address 1255 Wylie Street, N.E., Washington, D.C. A check of the Field Office indices and also of the Credit Bureau files were negative. Pretext investigation at 1255 Wylie Street, N.E. and vicinity reflects that this is a very poor negro neighborhood. It has been ascertained that FANNIE and VIRGINIA JACKSON are the negro daughters of Mrs. FANNIE MAE JACKSON who now resides at 1222 C Street, S.E. Both daughters are reported to have left Washington, D.C. and are believed to be currently residing in Chicago, Illinois. While in Washington, it is said that they did housework at various times.

ELIZABETH MAYS, 513 Columbia Road, N.W. This individual was also listed in ALLAN ROSENBERG's personal address book. Field Office indices and the records of the Credit Bureau are negative. Pretext investigation reveals that 513 Columbia Road, N.W. is now chiefly negro neighborhood. The house located at 513 Columbia Road is occupied by the LOT family, negroes. By conversation with Mrs. LOT it was ascertained that this family has occupied the premise approximately four years and have never heard of a negress or a white person named ELIZABETH MAYS. Other negroes in the neighborhood have likewise not heard of ELIZABETH MAYS and are positive she has not resided in this area for the past three years at least.

JOSEPHINE RICKS, 1115 P Street, N.W. JOSEPHINE RICKS' name also appears in ALLAN ROSENBERG's personal address book at this address. After establishing that the records of the Credit Bureau and the Washington Field Office indices are negative, pretext investigation at 1115 P Street established the fact that this is a negro neighborhood and that JOSEPHINE RICKS is a negress whose family reside at 1115 P Street. She reportedly left Washington and went to some location in Florida approximately two years ago. While in Washington, it is said that she performed housework and domestic duties and was believed to have at one time worked for a family in Arlington, Virginia, in addition to other locations.

RE: A. GEORGE SILVERMAN~~SECRET~~

The following investigation was conducted by Special Agent JAMES J. CAVANAH during the period from December 1 through December 31, 1946:

The mail cover placed on the residence of this individual during the above period met with negative results. *(K)u*

Confidential informant [REDACTED] furnished the following information concerning SILVERMAN'S activities during the period December 1 through December 31, 1946: *(K)u* b2
b7D

On December 2, 1946, SILVERMAN was in contact with his wife SARAH at which time he told her that when he arrived in New York he had been given a check for \$1250.00 by ORNBACH for November and December. He indicated that JERRY ORNBACH had given it to him for a Christmas gift. GEORGE said that on the previous day he had dinner with the ORNBACHS and that he had lunch with CHARLIE HEISS (ph) on the same day. He said that he would probably be home on Saturday or Monday. *(K)u*

On December 4, 1946, an individual known to the informant as PHIL, contacted SARAH SILVERMAN from Boston, Mass., and told her that DORA had not heard from BOB in three weeks and that NAT was also worried about him. PHIL asked SARAH to call BOB at Cumberland, Maryland, where he resides at 15 Prospect Square. SARAH said she thought his phone number was Cumberland 1105-W, and she promised to contact him and then call DORA at Highland 3172. *(K)u*

On the same date SARAH SILVERMAN contacted DORA at Highland 3172 and told her she had tried to reach BOB in Cumberland but that the telephone had been disconnected. Reference is made to the report of Special Agent ALBERT G. ZANDER in the above entitled case dated December 6, 1945, in which information was contacted concerning one MURRELL KEISS NOWER of 15 Prospect Square, South Cumberland, Maryland, telephone, Cumberland 1105-W. *(K)u*

On December 7, 1946, SILVERMAN conversed with FRANK COE at which time he told COE that LOCK (LAUGHLIN CURRIE) was in town and that he would get in touch with him. GEORGE also mentioned that he might come over to COE'S that evening. *(K)u*

On December 8, 1946, SILVERMAN conversed with an individual known to the informant as CLEM (CLEMENT WINSTON). GEORGE indicated he would be home all day and CLEM said he would be over that afternoon. *(K)u*

On December 9, 1946, SILVERMAN conversed with FRANK COE at which time SILVERMAN indicated that he had seen BERNIE (ph) about a job and that the salary was to be about \$9000, and that he was going to talk to COE and *(K)u*

~~SECRET~~

HARRY (possibly HARRY LAGDOFF) about it. SILVERMAN wanted COE to tell HARRY about it but COE thought that SILVERMAN should tell him himself. SILVERMAN said he was leaving right away and that BENNIE was going to tell HARRY anyway and that COE should tell HARRY that GEORGE was in a hurry. GEORGE said he would probably call BOB and see him this week and would contact COE when he got back to Washington. (S) u

On December 11, 1946, SILVERMAN conversed with his wife from New York City and told her that he was at JACK'S apartment and that they just had dinner together. GEORGE said he would probably return Saturday but would spend the next weekend in New York and return for Christmas. SARAH said that MURRAY (possibly MURRAY LATIMER) called and said he was taking the midnight train to New York and would call GEORGE for breakfast. (S) u

On December 11, 1946, GEORGE conversed with HARRY LAGDOFF at which time he told HARRY that he had lunch with JAY DIES and that JAY was going to call him Monday. He also said that he spoke as if everything was all set as far as HARRY was concerned. HARRY said he had talked to him but that JAY did not make the decisions and that the New York people were going to have a meeting on Monday or Tuesday. LAGDOFF said he might go to New York on Wednesday to talk before a group of seventy-five people. It was agreed that LAGDOFF would drop around to see SILVERMAN the next morning. They then discussed DAVE WEINTRAB'S getting a raise and GEORGE said that WEINTRAB keeps on saying "there are too many Americans, but there are not any Americans." He also said that the thing that irritates him (GEORGE) is that obviously WEINTRAB'S statement about Americans is a phony since he (GEORGE) does not know "who the Americans are in the whole thing." HARRY said he knew who the Americans were and names CORVICH (Ph) and SILVERMAN added VILEE. GEORGE said that when DAVE talks about Americans he is talking about an addition of divisions. (S) u

On December 15, 1946, SILVERMAN conversed with an individual known to the informant as OSCAR (possibly OSCAR ALPHEAN). GEORGE wanted to know what OSCAR was doing and he replied that he was setting up the administrative angles in his job. OSCAR said that he was interested in his present job as a short term proposition and was still interested in "the other thing." GEORGE told him to keep pushing it. They discussed the fact that BOB NATHAN had been given "the rest of the work with the French" and both agreed that NATHAN did not want it and was only interested in it as a source of income. OSCAR told GEORGE he had recommended him to a friend of the Counsels for A. B. Dick Company, defendant in an Anti-trust case, who wanted someone to do a job for the law firm showing the company's position in the mimeographing field. OSCAR said he would let GEORGE know more details later since GEORGE was interested in it. On the same date SILVERMAN conversed with FRANK COE at which time GEORGE told him "I have been doing some heavy thinking on the subject I talked to you about and my plans involve you." To this FRANK replied "good." (S) u

On December 21, 1946, an individual known to the informant as DOROTHY inquired of SARAH SILVERMAN the whereabouts of her husband GEORGE since she, DOROTHY, would like to get in touch with him when she gets to New York. SARAH said that GEORGE wrote that he was coming to Washington Tuesday and SARAH further advised her that GEORGE might be reached at WEINTRAB'S, 955 Park Avenue, Butterfield 8-1833. (X) u

On December 22, 1946, GEORGE SILVERMAN contacted his wife SARAH and told her he was planning to return to Washington Tuesday afternoon. SARAH said that DICK (SILVERMAN'S son) had been admitted to Columbia University. SARAH mentioned that DOROTHY KAPLAN and her husband IRVING would be in New York Monday and would probably contact GEORGE. (X) u

On the same date HARRY WHITE attempted to contact GEORGE SILVERMAN; however, SILVERMAN was out of town. (X) u

On December 25, 1946, SILVERMAN conversed with an individual known to the informant as OSCAR (possibly OSCAR ALTMAN) at which time SILVERMAN told him that he was looking forward to seeing him on New Year's Eve when OSCAR is having open house. OSCAR told GEORGE to come down New Year's Eve and to bring SARAH and DICK with him. GEORGE said he had a lot of things to talk to him about and wanted to know if OSCAR would be up in New York. OSCAR said he probably would be right after New Year's. (X) u

On December 30, 1946, SILVERMAN conversed with his wife SARAH and told her he would be back the next day about six o'clock. He said that he had people working on a New York apartment for them. He also told her he was working closely with JERRY (OHRBACH) and is trying to work out a deal which will make him \$15,000 per year. He said he was at the MARCUS' yesterday and saw NORMAN BURSNER (this individual is possibly identical with NORMAN CHANDLER BURSNER, a present or former employee of the Department of Justice) and WINSTON and also ROSE and BOB. GEORGE also said he had a long talk with HERMAN SAFFRO (ph). (X) u

On December 31, 1946, SILVERMAN contacted his wife (and told her that he had just arrived in Washington and would be right home. (X) u

On the same date SILVERMAN conversed with HARRY MAGDOFF and advised him that he just arrived from New York and would have to go back on Thursday. HARRY said that he was going to New York on Thursday and they agreed to go together. SILVERMAN indicated that he might go to ARTHUR STEIN'S party that night and also to the FITZGERALDS. (X) u

On the same day SILVERMAN conversed with an individual known to the informant as VAN TASSEL. VAN TASSEL invited GEORGE to go to the party at ED and JANE STONE'S but GEORGE said that he was going to the FITZGERALDS with the MAGDOFFS and the KAPLANS. GEORGE and VAN TASSEL then discussed a new (X) u

business venture in which VAN TASSEL is apparently engaged and GEORGE promised to get him financial aid if it was needed. GEORGE also indicated an interest in doing business with VAN TASSEL if there would be money in it for him.

W. His wife ALBERTA was reported to be the divorced wife of THOMAS NEBLETT and that she formerly resided in Philadelphia, Pa., and at 4001 Davis Place, S. E., Washington, D. C. ALTMAN was said to have been called to active duty with the U. S. Army from the Reserves in July 1942 and stationed at the War Department. Before his active service he was employed by the National Resources Planning Board as Principal Economist, having been appointed to that position on June 22, 1940. The files of the Washington Field Division reflect that in 1942 an investigation of Mrs. ALTMAN was conducted by this Bureau under the title "ALBERTA HAYCRAFT NEBLETT, with alias, Departmental Applicant," Bureau file 77-18103. The investigation failed to develop information reflecting that Mrs. ALTMAN was engaged in Communist activities at that time; however, several individuals contacted believed that she had an unquestionable Government attitude and was probably inclined toward Communism.

With reference to Mrs. EDITH LATIMER, who on July 27, 1946, conversed with SARAH and GEORGE SILVERMAN, at which time it was agreed that the SILVERMANS would visit Mrs. LATIMER to celebrate the passage of the Railroad Retirement legislation, it has been ascertained that this individual is the wife of MURRAY LATIMER, 2911 Albemarle Street, N. W., Washington, D. C., telephone EMerson 0031.

The files of the Washington Field Division reflect that the name of Mrs. EDITH LATIMER appeared on a list of active members of the Washington League of Women Shoppers and also on the active indices of the Washington Committee for Democratic Action. An investigation of Mrs. LATIMER was conducted by this office in 1941 and it reflected that her husband MURRAY W. LATIMER, was at that time chairman of the U. S. Railroad Retirement Board, having been appointed by the President in 1935. Mr. LATIMER was also alleged to have been a member of various Presidential committees since 1933, as well as chairman of the Social Security Board in 1936. Mrs. LATIMER at that time was believed to be about 36 years of age and her maiden name was EDITH SONN. It was said that prior to her marriage on May 18, 1928, she resided in New York City. It was further developed in the course of investigation that the name of her husband was contained in the address book of an individual who was said to be an alleged Communist and active in radical organizations in the District of Columbia. Mrs. LATIMER was also said to be one of a jury of prominent Washington women to whom delegates to the National Womens' Conference on Unemployment told of families living on relief money and the struggles they had.

WFO 100-17493

This office file further reflects that on December 18, 1938 Mrs. LATIMER was reported to be one of twenty-one hostesses who entertained the Friends of Spanish Democracy. Her name was said to be contained on the active indices or mailing list of the United Spanish Aid Committee.

~~SECRET~~NATHAN GREGORY SILVERMASTER

A mail cover placed on the subject during the period of this report produced only the following pertinent information. N. GREGORY SILVERMASTER was in receipt of a communication from the University of Nebraska College of Law, Lincoln, Nebraska. In connection with this communication, it is to be noted [redacted] advised HELEN SILVERMASTER allegedly indicated that her husband GREGORY SILVERMASTER had an opportunity to accept a position to teach at the University of Nebraska but was not accepting it. b2 b7D

A review of the personnel file of NATHAN GREGORY SILVERMASTER at the War Assets Administration by Special Agent WILLIAM CORNELISON produced the following information with reference to SILVERMASTER's employment there which has not heretofore been reported.

On March 25, 1946, SILVERMASTER was transferred to the Market Research Division, War Assets Administration, as director from the Reconstruction Finance Corporation, Office of Surplus Property. On June 2, 1946, SILVERMASTER was reassigned to the Plans and Policies Division of the War Assets Administration as director of that division with an increase of salary in grade P-8 to \$10,000 a year. The files further indicated SILVERMASTER was unwilling to accept a demotion in grade and November 30, 1946, was his last day of active duty with the War Assets Administration.

Confidential informant [redacted] advised Mr. and Mrs. N. GREGORY SILVERMASTER received an invitation to attend the Washington Conference to Win the Peace assembly which was held at the Building Laborers Union Hall, 523 New Jersey Avenue, N. W., on Saturday, November 16, 1946. This assembly was sponsored by the National Committee to Win the Peace. b2 b7D

The following information was obtained from [redacted] regarding the activities of subject from December 16 to 31, 1946. b2 b7D

On December 16, 1946, informant advised GREGORY SILVERMASTER lunched with JOSEPH GILLMAN at 12:30 p.m. on that date. It is to be noted JOSEPH GILLMAN is a former associate of GREGORY SILVERMASTER at the War Assets Administration.

On the same date GREGORY SILVERMASTER was in contact with an individual subsequently identified as JACK KAUFMANN, 4319 North Pershing Drive, Arlington, Virginia, at which time they discussed matters dealing with the administration policies of the WAA. GREGORY advised he had had breakfast with the Yugoslav Ambassador SAVA ROSANOVIC in New York. KAUFMANN advised he had been in contact with the Czech man who was very enthusiastic having sent their report to Prague for approval.

~~SECRET~~

Informant believes these negotiations with the Polish and Czech groups were in reference to disposal of surplus property.

On the same date HELEN SILVERMASTER extended an invitation to both LEE and SONIA PRESSMAN and EDITH and MURRAY LATIMER to attend a New Year's Eve party at the SILVERMASTER residence.

On the same date informant advised Western Union delivered a telegram to GREGORY SILVERMASTER which indicated LANGE (believed to be the Polish Ambassador OSCAR LANGE) could see SILVERMASTER on the following date, but the time was still indefinite. The telegram was sent by an individual identified as RANDY, believed to be RANDOLPH FELTUS.

Informant further advised on the evening of December 17, 1946, WILLIAM GREEN and JOSEPH CLEMENTS were guests of LUDWIG ULLMANN at SILVERMASTER's residence. It was apparent to the informant that these individuals were mutually interested in photography and in the performance of various photographic experiments evidently being conducted at the SILVERMASTER-ULLMANN residence.

On December 17, 1946, HELEN SILVERMASTER was in contact with MORTON KENT at which time she advised him they are still definitely interested in the project at the ocean which apparently involves the erection of several homes upon which they intend to do most of the work themselves.

On the same date GREGORY SILVERMASTER contacted HELEN SILVERMASTER and indicated he would spend the following day in New York. He requested HELEN to remind JOSEPH GILLMAN to send the information he had obtained to Mr. MORCEN THAU at 285 Madison Avenue, New York City. Informant believes the MORCEN THAU referred to is HENRY MORCEN THAU who had previously requested GREGORY SILVERMASTER to obtain certain information for him.

On December 19, 1946, GREGORY SILVERMASTER contacted HILARY JUNG who is the minister of industry of the Polish cabinet of the Provisional Government at the Wardman Park Hotel. He advised Dr. KATZBUCH of the Polish Delegation to the UNO in New York had made arrangements for SILVERMASTER to see the minister. Arrangements were made for SILVERMASTER to see the minister on the following morning at 11:30 a.m. at the Wardman Park Hotel.

The visit of GREGORY SILVERMASTER to the Wardman Park Hotel on December 20, 1946, was confirmed by Special Agents KENNERLY R. CORBETT and WILLIAM R. CORNELISON who observed SILVERMASTER enter Room 500B at the Wardman Park Hotel which room was registered to the Minister of Industry of the Polish Cabinet.

On December 19, 1946, informant advised the SILVERMASTERS and LUDWIG ULLMANN had been invited to the home of WILLIAM TAYLOR on Sunday, and they had also accepted an invitation to the home of MELADA WARSALKA on the same date.

SECRET

On the same date an individual identified by informant as ARTHUR STEWART contacted HELEN and GREGORY SILVERMASTER and advised he is going to the Philippines about the 8th of January, and he will be gone for two or three months.

On the same date an individual identified as TOM McNAMARA was in contact with GREGORY SILVERMASTER and discussed at length individuals apparently employed at the WAA and disposition of consumer products and their method of handling. He also made arrangements to contact SILVERMASTER at a later date to go into the matter in greater detail.

On the same date LEO FISHMAN was in contact with GREGORY SILVERMASTER at which time they also discussed personalities and operations at the WAA.

On the same date HELEN SILVERMASTER was in contact with MILADA MARSALKA at her residence with reference to MILADA MARSALKA's invitation for the following Sunday. HELEN indicated she, her husband GREG, LUDWIG ULLMANN, and ANATOLE would be over later in the evening inasmuch as they had a prior commitment which would prevent their coming before 8 p.m.

On December 20, 1946, an individual believed by informant to be JEAN HINTON GREEN was in contact with HELEN SILVERMASTER advising she had just received a telegram from her sister JOAN indicating JOAN would be in Washington the following Saturday or Sunday, and JEAN was anxious to bring her to the SILVERMASTER residence in order that she might meet ANATOLE. *Wolke*

On December 20, 1946, informant advised SILVERMASTER was in contact with JOSEPH GILLMAN, LEO FISHMAN, and BILL LEHMAN, all former associates in the WAA.

On December 20, 1946, PAIMER WEBER was in contact with SILVERMASTER and indicated he was leaving for New York shortly and would be unable to see SILVERMASTER at that time but he would be down again shortly. He is contemplating moving to Washington about the first of March. SILVERMASTER informed WEBER he had completed his discussion with the minister here and OSCAR LANGE, apparently referring to his contact with the Polish Ambassador and the Polish Minister hereinbefore set out.

Informant also advised MARY JANE and PHILIP OLIN KEENEY were guests of the SILVERMASTERS on the evening of December 21, 1946,

On December 22, 1946, an individual identified by informant as NORMAN, believed NORMAN CHANDLER BURLER, contacted HELEN SILVERMASTER advising he was in town briefly and anticipated going "north" tomorrow. He indicated he would visit the SILVERMASTERS on the following morning.

WFO 100-17493

On December 22, 1946, ISADORE ~~SALKIND~~ contacted HELEN and GREGORY SILVERMASTER and advised he had arrived in town on Tuesday night, that he intended to call upon the SILVERMASTERS, but he had become involved with ELEANOR's (DREISEN) family. There has been previous information that ISADORE SALKIND and ELEANOR ~~DREISEN~~ had recently been married.

On December 24, 1946, DICK SILVERMAN, son of ABRAHAM GEORGE SILVERMAN, a subject in this case, was in contact with HELEN SILVERMASTER and ANATOLE VOLKOV. They exchanged greetings and ANATOLE and DICK made arrangements to get together on the following Saturday.

On the same date HELEN SILVERMASTER extended an invitation to Mr. and Mrs. CLIFFORD ~~MacAVOY~~ to spend New Year's Eve at the SILVERMASTER residence.

On December 30, 1946, HELEN SILVERMASTER extended an invitation to MARY JANE KEENEY to spend New Year's Eve at the SILVERMASTER residence.

On the same date MORTON KENT was in contact with HELEN and GREGORY SILVERMASTER, and he wished to obtain GREG's advice on some matters involving export of surplus property.

On December 31, 1946, informant advised in addition to the individuals heretofore invited to the SILVERMASTERS for New Year's Eve ROBERT and JENNY ~~WILIEP~~, ROGER and REBA LEWIS, and POLY ~~HABICHT~~ would be included.

DOROTHY and WILL TAYLOR who had been invited advised the SILVERMASTERS they would be unable to come because of the weather.

Re: WILLIAM HENRY TAYLOR

The following information is being reported by Special Agent EDWARD L. GRAMPP.

Confidential Informant [redacted] whose identity is known to the Bureau, related on November 12, 1946, that MARY HERRING told HELEN SILVERMASTER that she had met a Mrs. ROBERT R. CARR whose husband is in the State Department at the Russian ballet. HELEN indicated that she knew BETTY CARR very well in California. Mrs. HERRING remarked to Mrs. CARR at that time that she had met Mrs. TAYLOR and Mrs. CARR asked "Oh, they're in the Treasury, aren't they?" Mrs. HERRING answered "Yes". Helen told MARY that Mrs. TAYLOR's name was DOROTHY TAYLOR. *b2 b7D*

Confidential Informant [redacted] whose identity is known to the Bureau, related on November 30 that ALLEN ROSENBERG told MIP (SCHARRMAN ?) among other things that he went over to HAROLD's last night and BILL TAYLOR was there. *b2 b7D*

On December 5, 1946, Confidential Informant [redacted] informed that LEO FISHERMAN asked IUD ULLMANN if he should see TAYLOR tomorrow. IUD instructed LEO to call TAYLOR tomorrow on Extension 792 or 688. IUD said that TAYLOR knows who LEO is through IUD and also in connection with GREG's name and that IUD had looked over LEO's "stuff". *b2 b7D*

The same informant on December 22, 1946, stated that HELEN SILVERMASTER indicated she would be over at the TAYLOR's at 10 P.M.

Confidential Informant [redacted] on December 30, 1946, stated that HELEN told DOROTHY that she was having a party of 22 or 24 people and that the guests were going to be a strange assortment. She would not say directly who was coming. (The dinner is probably for New Year's Eve). On this same day IUD ULLMANN told HELEN SILVERMASTER that BILL (WILLIAM TAYLOR?) asked him to drop in at his place before coming home. IUD said that DOROTHY wanted to know who was going to be at the party, especially who from the Fund, the bank and the Treasury. HELEN answered that "we" sent invitations to all these places and the United Nations in addition. *b2 b7D*

Confidential Informant [redacted] on December 31, 1946, stated that DOROTHY TAYLOR broke an engagement to call at the SILVERMASTER's residence because of the weather. *b2 b7D*

Reference is made to the report dated August 29, 1946, from the Washington Field Division in this case wherein it was stated that TAYLOR while staying at the Washington Hotel made several long distance calls to 3-3608, Sacramento, California. The San Francisco Field Division by letter advised that the above telephone number is listed to ALICE W. PLUMMER, 1431 P Street, Sacramento, California. There was no further prior record of Mrs. PLUMMER in the files of that office.

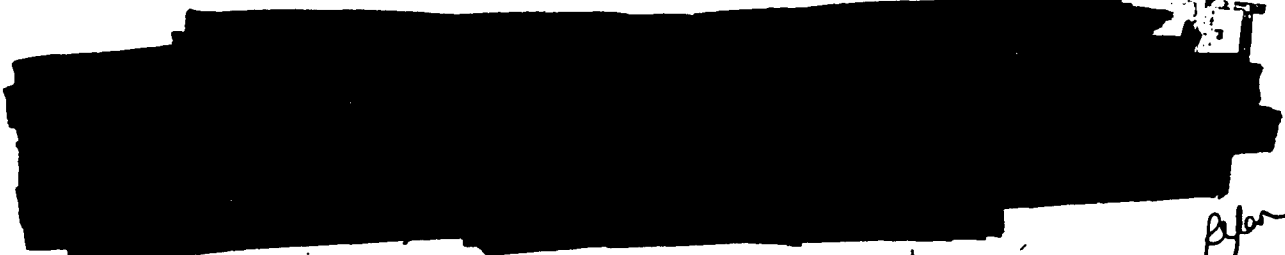

The Retail Credit Association, Sacramento, furnished information that Mrs. PLUMMER is the widow of Judge JOHN A. PLUMMER, a former Associate Justice of the California Court of Appeals. She was the former ALICE W. COYLE, widow of THOMAS EDWARD COYLE and married PLUMMER in 1938. At his death PLUMMER left his wife an estate valued at between \$75,000 and \$100,000. Assistant United States Attorney HARLAN THOMPSON, Sacramento, advised that he and his father knew PLUMMER rather well but that he knew very little about ALICE W. PLUMMER. He recalled, however, that she is about 55 years of age and that she was PLUMMER's housekeeper for a short time before their marriage. Mrs. PLUMMER as well as her husband were Christian Scientists and THOMPSON recalled that she was a "Reader" in that faith. PLUMMER died in 1938 shortly after their marriage.

Mrs. PLUMMER apparently is the owner of the property at the above address.

Reference is made to the report dated November 19, 1946, in this case from the Washington Field Division wherein it was indicated that Confidential Informant [redacted] advised that DOROTHY (TAYLOR) at Woodley 6522 contacted HELEN SILVERMASTER stating that they have a home now on the edge of Spring Valley on 55th Place off Klinge Road. It has been ascertained that telephone number Woodley 6522 is listed to WILLIAM TAYLOR, 3120 51st Place, N. W. b2 b7D

By physical surveillance in the vicinity of this address on November 22, 1946, WILLIAM TAYLOR was observed to enter the home at this address after being greeted by his young son.

It also appears that WINSTON worked at one time under the supervision of Dr. HARRY WEISS with the NRA in 1935. WFO file 101-1301 lists WEISS as a subscriber to the "Socialist" and that his name also appears in the active indices of the Capital City Forum, the District of Columbia Cooperative, and the American Peace Mobilization.

Mr. J. J. SENTURIA, 5410 Macomb Street, Washington, D. C., was listed as a reference by WINSTON on one occasion. The files of the Washington Field Office reflect that JOSEPH SENTURIA is on the mailing list of the "Socialist" and from a confidential source of information, it appears that ANNIE STEIN spoke to HELEN SILVERMASTER on one occasion and suggested to her that FRIEDA SENTURIA, wife of JOE SENTURIA, would help her in the Buyers' Strike.

While WINSTON was an employee at the War Production Board, he worked under the supervision of JAMES S. FITZGERALD in WFO file 100-11328, and [REDACTED]

[REDACTED] in WFO file 100-17493-3386, page 161, it appears that ELLEN PERLO, wife of VICTOR PERLO, had ANN FITZGERALD, the daughter of JAMES FITZGERALD, stay at her home one evening as baby sitter. From the text of the conversation, it appears that the PERLO and the FITZGERALD families are well acquainted.

While employed at the National Resources Commission, WINSTON worked under the supervision of GARDNER MEANS. From the files of the Washington Field Office, it appears that MEANS' name appears on the indices of the Capital City Forum, the Keep Out of War Congress, and that he is a subscriber to the "Socialist."

While employed with NRA from 1933 to 1934, WINSTON worked under the supervision of Dr. CHARLES ROOS. From the files of the Washington Field Office, it appears that VICTOR PERLO, a subject in the Silvermaster case, used Dr. ROOS as a reference for a Government job.

LEONARD NIERENBERG, who, from a confidential source, has learned to be friendly with the MAGDOFFS, DAVID MAHL, HERB SCHIMMEL, CARL GREEN, ED STONE, DAVID WEINTRAUB, and MILF OBLESON, used WINSTON as a reference in applying for a Federal position on one occasion. NIERENBERG was a member of the Credentials Committee of Local 23, Department of Commerce, UFWA, Washington, D. C. He attended the Second Constitutional Convention of the UFWA in Philadelphia in October, 1942 as a delegate. In 1943, he was known to be a member of the Washington Book Shop. He, at one time, gave HARRY MAGDOFF and EDWARD J. FITZGERALD as references on his application for Federal employment. His wife, MARGARET, is also a member of the Washington Book Shop, and is presently employed by the CIO Maritime Commission. The NIERENBERGS are also friends of IRVING KAPLAN.

On September 27, 1946, GEORGE and DICK SILVERMAN spoke to CLEMENT WINSTON in the Commerce Department, and GEORGE said that SARAH is going to call up "PU" (phonetic) and that maybe they, the SILVERMANS, can make arrangements to go out to WINSTONS' the following night. DICK later spoke to WINSTON and they made arrangements to do a little studying and reading together.

On November 24, 1946, CLEMENT WINSTON spoke to SARAH and GEORGE SILVERMAN in a lengthy personal conversation. CLEMENT asked if WILLIE is in New York and SARAH said that GEORGE had been in New York all week.

On November 27th, Informant [redacted] advised that GEORGE SILVERMAN called SARAH from New York, and that during the course of their conversation, SARAH said that the CLEMENT WINSTONS were having dinner with her the following day.

On December 1, 1946, WINSTON spoke to SARAH SILVERMAN and asked if GEORGE were going to the "field" today. She said yes that he had already gone, and CLEM said that he would join him there.

Information concerning the personal history background of CLEMENT WINSTON, as secured from the files of the Civil Service Commission, was previously reported in the report of Special Agent LAMBERT G. ZANDER, dated October 17, 1946 in the above-entitled case. A review of this personal history background reflects that WINSTON, in applying for jobs in various places, has listed the following persons of interest as references: GEORGE SILVERMAN, V. LEWIS BASSIE, MURRAY LATIMER, IRVING KAPLAN, and HARRY DEXTER WHITE, all of whom are prominent in the GREGORY case.

In addition to the above-mentioned individuals, he is believed to be friendly with HILDEGARDE KNEELAND, who was his supervisor with the OPA in 1942. KNEELAND has been the subject of WFO file 77-13224. In the course of the investigation of KNEELAND, the Committee on Un-American Activities, House of Representatives, was contacted, and according to the information in its files, KNEELAND's name appeared on the active indices of the Washington Committee for Democratic Action and the American Peace Mobilization. Miss KNEELAND also attended the ALICE BARROWS dinner September 1, 1933, which was subsequently investigated by the 73d Congress. In her testimony before the Committee, Miss KNEELAND denied the allegations of Dr. WILLIAM A. WIRT that she advocated the overthrow of the United States' Government. In addition, from the Sunday Daily Worker, dated May 12, 1940, there is a notation to the effect that HILDEGARDE KNEELAND was a speaker at the Third National Convention of the League of Women Shoppers. She is also listed as a member of the Washington Book Shop.
