RE: ALGER HISS

SECRET

The following information is reported for the period from August 1 through September 30, 1947, by Special Agent WILLIAM H. MARR.

Information Furnished By
Confidential Informant [REDACTED]

8-7-47

On this date HISS, while in conversation with Miss ROGERS of his office at the Carnegie Endowment, [REDACTED] by her that ANATOLE VISSON, of Time Magazine, wished to see him at 3 PM that afternoon. She further mentioned that BEVERLY SMITH of the Saturday Evening Post also wanted to see HISS during the day. HISS indicated that it would be satisfactory to accept these appointments and he would see both men during the day.

He inquired whether or not he had a luncheon appointment for the day and ROGERS replied that he had promised to keep a luncheon engagement at one o'clock, to which HISS observed he thought this must be a luncheon appointment which he had promised Mr. COLLINS, whom he saw in New York. The informant was unable to furnish the identity of Mr. COLLINS.

9-6-47

On this date PRISCILLA HISS talked to Mr. LAING concerning the transportation of her furniture to New York. Tentative arrangements were made for packing on September 13th and transportation to New York on the 15th or 16th. PRISCILLA commented that September 18th is the deadline for her to move to New York.

Later on the same day PRISCILLA talked to DOROTHY WOODS, who is apparently a real estate agent, telephone number Rockville 3270. PRISCILLA commented that they have obtained an apartment in New York two blocks north of Washington Square, just off Fifth Avenue. The two women then discussed selling the HISS home in Georgetown.

Still later in the day, JEANELLA MORSE was asked by PRISCILLA to assist in the coming moving operations. JEANELLA mentioned that her sister, LENA NIXON, 833 Jefferson Avenue, Brooklyn, New York, will look out for friends who may want to work for HISS in New York City. It was commented that HISS' address (business?) in New York is 22 East 8th Street.

It is also noted that JEANELLA's current address is 4691-B Benning Road, S. E.

SECRET

SECRET

On this date PRISCILLA received a telegram from New York City, signed C. A. KEY (ph). The wire read as follows: "Miss WALKER delighted to work with you according to our plan. Happy to welcome you to Dalton as assistant in English."

9-12-47

ISHBEL LEE, wife of DUNCAN LEE, and PRISCILLA HISS engaged in a conversation, during which ISHBEL related that she will be doing some of the work at the Potomac School which PRISCILLA did last year. PRISCILLA was most enthusiastic concerning this matter.

9-13-47

On this date the informant advised that HISS and his wife left Washington for New York City by automobile. So far as informant was able to ascertain, ALGER and PRISCILLA HISS do not expect to return to Washington to live, and will only return for an occasional visit.

Miscellaneous

By letter dated October 9, 1947, the New York Office was advised that HISS and his wife had left for New York on September 13, 1947. It was also pointed out that HISS' business address in New York would be apparently 22 East 8th Street.

It should be noted that apparently ALGER and PRISCILLA HISS have located an apartment in the vicinity of Washington Square, just off Fifth Avenue. Attention is directed to the above entry of September 6th, in which Confidential Informant [redacted] reported that the HISSSES "have an apartment in New York two blocks north of Washington Square, just off Fifth Avenue".

Identifying information concerning SAMMY NARENS, 5914 Saturn St., Los Angeles, California, appears in the report of Special Agent M. DONALD ELDRICH in instant case, dated September 30, 1946, at Los Angeles, California.

On March 21, 1947, according to [redacted] SOL LISCHINSKY was contacted by BEADIE MAGDOFF, wife of HARRY MAGDOFF, a subject in this case. LISCHINSKY told BEADIE that he could not come over because his wife, MELVA, and his mother were at some Hot Springs resort and he had to stay with the children. BEADIE asked LISCHINSKY to try to come over the following night if possible, since her husband's cousins were coming down for the weekend and, in addition, the AXELRODS would be at the MAGDOFFS' home the following night. LISCHINSKY stated he would see what he could do about coming. (X) u b2 b7D

Confidential Informant [redacted] advised that on April 28, 1947, CARL GREEN contacted ERNA ROSENBERG to advise her he was continuing his radio program at Station WQQW until such time as the station was sold or he could find a position at another station. GREEN stated in part that MELVALISCHINSKY had contacted him on Sunday to discuss bringing her nursery school group over to the station. b2 b7D

BEADIE MAGDOFF contacted MELVA LISCHINSKY on April 29, 1947, according to [redacted] and MELVA told BEADIE that PEARL (MANDELL) had arrived safely and was going to leave by boat on May 5 (1947). MELVA stated PEARL was then in England and was going to France where her husband is buried. Further, she stated that SOL LISCHINSKY was then on the West Coast and was going to Seattle and she expected him home in about a week. Mrs. LISCHINSKY stated she had no plans for the summer and expected to stay around Washington. (X) u b2 b7D

On May 5, 1947, according to the same informant, MELVALISCHINSKY told BEADIE MAGDOFF that her husband, SOL LISCHINSKY, might arrive home by May 9, 1947. (X) u

SOL LISCHINSKY contacted BEADIE MAGDOFF on May 30, 1947, according to [REDACTED] and stated he had just returned from his trip to the West Coast and that EDYSTONE was then at Seattle. Further, that PEARL (MANDELL, his sister) had returned about a week ago from England. (c) u b2 b7D

HARRY MAGDOFF then told LISCHINSKY that the WINSTONS (ph) are now visiting them. LISCHINSKY declared that he had to return to work on the following Monday but did not know whether his job still existed. Moreover, he stated that PEARL (MANDELL) had received her dismissal notice (from UNRRA). LISCHINSKY stated he had visited the MANDELLS at Laguna Beach while on his trip to the West Coast. (c) u

The same informant advised that on June 3, 1947, LISCHINSKY again contacted BEADIE MAGDOFF, at which time the informant ascertained the MAGDOFFS were to visit the LISCHINSKYS that evening. (c) u

IRVING KAPLAN advised [REDACTED] on June 11, 1947, that he had contacted SOL LISCHINSKY, who told them he had spent three weeks in Seattle, a few days in San Francisco, and the balance of his time at Los Angeles, San Pedro, and Laguna Beach. Further, he advised that LISCHINSKY told him it was cool there and "if you are born up in Saskatchewan, you like warm weather." (c) u b2 b7D

KAPLAN also advised the informant that he and LISCHINSKY agreed to lunch together at Fan & Bill's so that LISCHINSKY could give him the details concerning his trip to the West Coast. (c) u

[REDACTED] advised that on June 13, 1947, HARRY MAGDOFF advised LISCHINSKY that they had just finished packing and he wanted to say goodbye since they were leaving in the morning. LISCHINSKY remarked that he was then listening to FRANK [REDACTED] who was giving a dissertation on the Taft-Hartley Bill, and that FRANK thinks he (President TRUMAN) will veto it but will not exert any pressure to sustain the veto. (c) u b2 b7D

HARRY MAGDOFF said there was a terrific amount of sentiment building up and this Catholic statement might do the trick. LISCHINSKY responded that the opposition was very widespread. In reply to LISCHINSKY's inquiry, MAGDOFF stated he did not know when he would return, since this depended upon how things turned

turned out at the office. When LISCHINSKY declared that he might have to go to New York in connection with his work, MAGDOFF told him that he would contact him at Murray Hill 5-1743. MAGDOFF assured LISCHINSKY that he felt certain they would see each other during the summer in any event. MAGDOFF inquired concerning MEL (MELVA LISCHINSKY) and PEARL (MANDELL) and asked LISCHINSKY to convey his regards to them. According to informant, MAGDOFF promised to contact LISCHINSKY whenever he should come to Washington, D. C. (e)u

The same informant advised that on September 3, 1947, SOL LISCHINSKY advised BEADIE MAGDOFF that he was still employed at UNRRA and that PEARL was still employed there, but that he expected to finish up in October (1947), and had \$6,000 to \$7,000 coming to him which consisted of annual leave, terminal leave, and the provident fund. LISCHINSKY stated that PEARL (MANDELL) would finish up at UNRRA about the end of the year (1947) and had about \$3,000 coming to her. LISCHINSKY then discussed in general his plans to buy a farm in nearby Virginia. MAGDOFF stated that she wanted to confer with LISCHINSKY later in the day. He instructed her to contact him at his office at DE 7300, extension 194 and not leave town without first seeing him. (e)u

Later that same day, according to the same informant, LISCHINSKY arranged to transport BEADIE MAGDOFF to the railroad station in his car so she could make the 4 PM (New York) train. LISCHINSKY advised the informant that he expected to put down a deposit on a farm that afternoon. (e)u

Spot surveillances conducted by the writer during this period have verified that LISCHINSKY is still employed at UNRRA. On a spot surveillance conducted by the writer September 10, 1947, LISCHINSKY was observed to leave his home at 2002 B Fort Davis Street, S. E., at 8:58 AM. He was carrying a black leather brief case. LISCHINSKY was accompanied by an older man, slightly shorter than LISCHINSKY, and a young woman with brown hair. They drove off in LISCHINSKY's car which bears 1947 D. C. license plate #215-350, and proceeded to the vicinity of 29th and Erie Streets, S. E. He and the woman left the car and entered the apartment building at 2716 29th Street, S. E. at 9:04 AM. He returned alone to the car at 9:11 AM.

Reference is made to the report of Special Agent LAMBERT G. ZANDER in instant case dated September 17, 1946, at Washington, D. C., which contains information concerning the identity of the woman residing at this address whom LISCHINSKY drives to work each morning, probably being PEARL MANDELL, his sister. It should be noted that the above address is an apartment building in Naylor Gardens.

LISCHINSKY then drove his car to the Union Railway Station where the writer observed his unknown male passenger leave the car and enter the railroad station where he purchased a ticket on the 9 AM (EST) train to New York City.

~~SECRET~~

~~SECRET~~

He is described as follows: 41 - 44 years of age, 5'7", 140 pounds, Jewish nationality, wore rimless glasses, black hair which is noticeably graying and is bald in front and half-way back, has a brisk walk and is of slender build. He smoked cigarettes and was wearing a blue summer suit, a light blue shirt, brown shoes, no hat, and he had on a colorful tie. The writer discontinued the surveillance of this man following his departure on the 10 AM train to New York City. A spot check surveillance near the UNRRA building at DuPont Circle later in the day failed to reveal the presence of his car.

Again on September 18, 1947, LISCHINSKY was observed driving his car down Pennsylvania Avenue, S. E., at 8:59 AM. He proceeded to the intersection of Connecticut Avenue and L Streets, N. W., where a male passenger alighted from the car and stood on the street car platform facing west. This individual is described as 38 - 40 years old, 5'9", dark wavy hair, dark moustache, slender build, dressed in blue suit, no hat, no glasses, and was carrying a small manila envelope. LISCHINSKY was observed to continue on to the intersection at 20th and DuPont Circle and N Street, N. W., where he parked his car near the southwest corner at 9:18 AM. Due to traffic conditions it was not possible for the writer to actually observe that LISCHINSKY and a woman companion entered the UNRRA building at DuPont Circle.

WILLIAM H. DOWNING, Security Officer at UNRRA, advised that LISCHINSKY is buying a farm near Chain Bridge on the Virginia side of the river and contemplates resigning from UNRRA effective October 31, 1947. It is DOWNING's understanding that LISCHINSKY intends to run a dairy farm.

The following investigative information is being reported by Special Agent EARL L. FUOSS for the period September 1 to 30, 1947. This information was obtained from Confidential Informant [REDACTED] whose identity is known to the Bureau. (S) u

September 1, 1947: } b2 b7D

ROBERT MILLER sent the following telegram via Western Union to JOSEPH SLOAN, c/o ALBERT WOLFE, 128 Brattle Street, Cambridge, Massachusetts: "Could you wire me collect 126 East 56th Street, New York, address of NORRIS HAUGHTON. Regards to you and WOLFES." Signed BOB MILLER,

September 7, 1947:

BLAIR BOLLES contacted ROBERT MILLER and stated that he had been having some conversations with the International Bank. They have an intelligence unit and it has just been started. The man who runs it, named WOOLEY (phonetic) is an Englishman who has become a naturalized American citizen and he told BOLLES a few days ago that he has been looking for an assistant. It would be mainly an editorial preparation of information coming in from all kinds of sources, an intelligence to digest and to be read by officials of the bank, and preparation of special reports to assist the officials in determining policy and action. BOLLES said he took the liberty of calling WOOLEY and telling him he thought MILLER was the natural person for the job. BOLLES said the only hitch is that WOOLEY does not know how soon the bank will want him to fill the position because he is proceeding slowly as he develops this intelligence business. BOLLES said the job would probably pay about \$8000 or \$8200 tax free. BOLLES asks if BOB speaks French and BOB stated he could speak it fairly well. BOB said that WOOLEY thinks he has a job in Paris also. He needs an assistant here and a deputy in Europe. BOB said as far as anything goes, his situation is complicated at the moment and he has some things cooking in New York "but the more pots you have on the fire the better off you are." BOLLES said WOOLEY is a former Naval officer. BOB said the situation sounds interesting and worth looking into.

September 9, 1947:

BOB MILLER contacted DUNCAN AIKMAN. DUNCAN has evidently been to a Dutch meeting of some sort and he gives BOB some of the highlights of it. DUNCAN stated MOORE was there and JULIE LYNCH could not make the meeting. DUNCAN said it was a good thing she did not as it gave him (DUNCAN) more of a chance to do his stuff. DUNCAN said he dragged RANDY FELTUS into the conversation and told MOORE about RANDY's work in the government and for Bretton-Woods, etc. DUNCAN stated he went into length on this old Philippine situation back

in 1900 as to whether we should fortify the Philippine Islands to keep the Japs out and our ideas go back to Revolutionary days when America broke from England. DUNCAN said during the Boer war most American people were anti-British. DUNCAN remarked that MOORE then brought up the question of RANDY's Polish actions. DUNCAN stated: "RANDY had done some work with the Poles and I laid out a bunch of manure for them." DUNCAN remarked that MOORE has troubles like ELLIOTT ROOSEVELT and he has to get himself out of a lot of trouble. MOORE asked how the American people felt about taking on an American agent for this thing and if they would think that was too wicked or subversive. DUNCAN told MOORE that RANDY would not be put out in front of it as he would have to register as a foreign agent. DUNCAN stated he ran into an old friend, VINCE MAHONERY. (e) u

JENNY commented that it was a lovely party the unidentified woman gave and it was mentioned that the HARRISES had been at the party and that ED HARRIS had been there. JENNY and the woman discussed a girl that attended the party and the woman stated the girl had made her first speech on Saturday. She had made the speech at Mrs. SHINKMAN's (phonetic) library in Bethesda and she spoke about "the book." JENNY said that Mrs. SHINKMAN is very nice as she had had a conversation with her. JENNY MILLER contacted GEORGE HABICHT and told him of her conversation with Dr. HELFGOTT. GEORGE remarked that the present doctor wants some blood donors and said that Miss KELLY has some doubts about Dr. ~~HEIGES~~. JENNY asked who KELLY was and GEORGE said she has some connection with FM and it was her house from where POLIA was returning when the accident happened. PAULINE YATES contacted JENNY MILLER and identified herself to ROBERT MILLER as PAULINE YATES from England. JENNY asked if PAULINE was going to see "this WELTFISH woman, whom ANNE perhaps gave you the name of." PAULINE said ANNE had given her several names and WELTFISH is one of them. JENNY said WELTFISH is fascinating and it would be nice for PAULINE to meet her. PAULINE said ANNE only gave her one name in Washington. PAULINE said they had been staying with ED DEMLING (phonetic) who is on the same committee with her husband. JENNY asked if it is the statistical committee of the United Nations PAULINE's husband is on. PAULINE stated yes. ABE said he was leaving for New York in about three minutes and would be back about six o'clock that afternoon. BOB said that he (BOB) had to be at certain place in New York at 10:30 a.m. the next day and it was before that he wanted to talk to ABE.

BOB said in his own mind it is terribly important to see about it before going up. ABE said the only other thing he could suggest was for BOB to go to New York and see ABE's partner, PAUL PORTER. They have something to say and we let them say it and then they give the platters away and in that way for a couple thousand dollars we get two shows, press releases before and after each, and distribution of the platters and the mailing. ED said that they get different questions, that "we" shall get the announcement before the broadcast that Ambassador so and so is going to speak, then "we" get a story afterwards in the paper about what he said. ED said "We have got to be very careful about how we work." BOB asked if these are "ED HART" shows. ED stated that they were. That he interviews them, but they aren't his regular shows, they are his specialities. An unidentified man attempted to contact ABEL PLENN and in his absence spoke to EDITH ALDERMAN. She told the man ABEL would not return until the first of October. (X) u

It is to be noted that subsequent information has confirmed the above report. PLENN and his wife returned to Washington on October 1st, and from information which will be reported in detail in the next insert, are currently planning to move to New York City. (X) u

Physical Surveillance

Inasmuch as ABEL PLENN spent a major portion of his time away from Washington during this period, no surveillances were conducted. It is known, however, that during the periods he was in Washington, he spent a good portion of practically every day at the Library of Congress completing his book.

Identity of Contacts

LALLA ROGERS, 305 W. 8th Street, Los Angeles, California.

By letter dated August 15, 1947, the Los Angeles office furnished information on this individual, who is a known correspondent and acquaintance of ABEL PLENN. It was ascertained that ROGERS has a residence address of 4509 Cato Way, Los Angeles, which is also the address of GERTRUDE STOUGHTON, who is the subject of a security investigation in the Los Angeles Office, has been carried as a key figure, and is chairman of the 54th Assembly District Club of the Los Angeles County Communist Party. Her specialty involves racial discrimination—negro, Jewish and Mexican. She is a former feature writer for Peoples Daily World. (X) u

Inquiry of the Postmaster, Los Angeles, indicated that LALLA ROGERS was receiving mail at the Merritt Safe Deposit Company until a change of address February 3, 1947, at which time she moved to 142 North Parkview, Los Angeles. A further change of address was dated June 22, 1947, changing ROGERS' address to Cuernavaca, Morelas, Mexico, D. F., 5 Avenida Morelas.

The files of the Los Angeles Office reflect a subscription to The Worker in 1943 in the name of LALLA ROGERS, 1519 1/2 Sargent Place.

In a report of Special Agent ROBERT H. EGAN, dated February 1, 1943 at Los Angeles, in the case entitled "PEOPLES WORLD; INTERNAL SECURITY - R", it is

reflected that in the December 20, 1938 issue of the Peoples World, LALLA ROGERS wrote a letter as follows:

"I am sending you my last dollar, for which please extend my subscription. I may be able to do without other things, but not the 'Peoples World'".

This letter was written in connection with the 1938-39 Peoples World Sustaining Fund Drive.

Utility service at 1519 Sargent Place was ascertained from JOHN BAMBER, Investigation Department, Southern California Gas Company, to be in the name of MATILDA ROBBINS, owner since April, 1943. The records of the Registrar of Voters at Los Angeles contain a registration for this individual in which Mrs. ROBBINS gives her Party affiliation as Socialist, stating she was born in Russia and naturalized through her father, whose name was JACOB ROBINOWITZ.

A further change of address was subsequently found by Mr. MOOBERRY at the Los Angeles Post Office for LALLA ROGERS from 1519 $\frac{1}{2}$ Sargent Place to 416 South Grand Avenue, dated September, 1943.

Confidential Informant has advised that on various occasions in the last two months, he has had occasion to see various correspondence which PLENN (u) and his wife have had over a period of several months. Informant reports the following information in connection with this correspondence. *Handwritten:* b7D

By letter dated May 1, 1947, one DOROTHY LEE, 129 Jackson Avenue, Schenectady, New York, wrote ABEL PLENN, c/o Boni & Gaer, New York City, indicating she was writing him on behalf of a small liberal group which had been formed in Schenectady. She indicated this group had been very much disturbed by the Knights of Columbus broadcast and their propandizing for the Catholic Church by their anti-communist, anti-atheist, anti-liberal programs. LEE indicated that her group was anxious to reply to the Knights of Columbus and had succeeded in obtaining free time on the radio. She further indicated the New York City PCA Radio Division was going to supply transcripts or transcriptions for the reply. LEE then went on to comment that they had found PLENN's book "Wind in the Olive Trees" very impressive and full of material, which would be effective for preparing devastating replies to the Knights of Columbus. She also added that there seemed to be some good material in the book to use along with the discrimination against the negroes in this country, the anti-semitism which is rapidly becoming more prevalent, and the anti-liberal anti-labor bills being pushed through by Congress.

By letter dated May 2, 1947, MORLEY YEAST of New York University wrote to DORIS PLENN concerning her daughter EMILY. It was pointed out that although EMILY gave every indication of being a girl of superior intelligence, her behavior in college reflected that she is apparently suffering from social frustrations and inner conflicts which materially affect her work. It was further pointed out that she lacks the balance and maturity needed to organize her own time and social activities.

By letter postmarked June 5, 1947, JOSEPH CARMASSI, 9 Minetta Street, New York City, communicated with ABEL PLENN. The letter was of a social nature and indicated that apparently the two men had known each other for some time. This individual is a heretofore unknown social acquaintance of PLENN.

By letter dated July 7, 1947, DORIS PLENN wrote to ABEL from a summer resort, Woodside Cottage, Newcomb, Maryland. DORIS proposed a plan for ABEL's consideration, whereby they would establish contacts on Capitol Hill and prepare

a weekly feature for small newspapers all over the country, giving it a title such as ~~"This Week in Congress"~~. DORIS felt that this plan had good financial possibilities, particularly if it is kept "clean" politically, in which case it could be sold to both Democratic and Republican newspapers.

Spot check surveillances have been made on RIFKIN by the writer during this period verifying her continued employment with the National Lawyers' Guild, 902 20th Street N.W. During a spot check on September 8, 1947, the writer observed RIFKIN report for work at 10:04 A.M. and depart at 1:30 P.M. when she proceeded to the branch of the Hamilton National Bank located at 20th and Pennsylvania Avenue, N.W., where she contracted business at the teller's cage.

At 1:40 P.M. she left this bank and proceeded to 19th and Eye Streets, N.W., where she waited for two women who were proceeding south across the intersection towards her. Woman #1 introduced RUTH RIFKIN to her companion whom she identified as EVELYN JARGO (PH). The three women engaged in friendly conversation for approximately five minutes and then separated. EVELYN JARGO boarded a street car at 20th and Pennsylvania Avenue, N.W., proceeded to 14th and New York Avenue, and then walked to the Colorado

Building near 14th and G Streets, N.W. Just prior to this she spoke to the street car conductor who advised her she should get off the street car at 14th and New York Avenue and take a #40 (Lincoln Park) or #42 (13th and S Streets, N.E.) street car in order to get to her destination.

At 1:57 P.M. EVELYN JARGO proceeded to the sixth floor of the Colorado Building and is believed to have entered room 611 with a man whom she met and recognized on the elevator on her way up.

JARGO told this man that she was on her way up to his office to get certain papers for her father and that she was going to Baltimore (Maryland). He responded that he did not know any more about it than she did but he would look into the matter for her. This man is described as being from 38 to 40 years of age, about 5' 9", stocky build, 180 pounds, full and round face, and black wavy hair.

EVELYN JARGO left the Colorado Building at 2:10 P.M. and had considerable difficulty in locating the street car platform at 14th and G Streets, N.W., where she finally boarded a #42 street car. The surveillance was discontinued at this point. EVELYN JARGO is described as being 5' 4", 135 pounds, brown curly hair, about 32 years of age, large hips, speaks with accent, possibly of Jewish descent, and has a small mole about two inches away from the left corner of her mouth. She wore an open-crown white hat with long white veil in the back and a vari-colored pastel dress. She wore white shoes with brown flat heels and carried a white pocketbook. She also wore a double strand of pearls. It will be noted that JARGO walks with a determined and rather quick pace.

The indices of this office were searched with negative results concerning EVELYN JARGO.

The unknown woman who introduced EVELYN JARGO to RUTH RIFKIN is described as being 5' 3 $\frac{1}{2}$ ", stout build, black hair turning gray at the temples, approximately 44 years of age, and about 145 pounds. This woman is apparently well acquainted with RIFKIN.

It will be noted that room #611 in the Colorado Building bears no name on the door and is not listed in the building directory on the ground floor.

[HARRY DEXTER WHITE] (et u)

SECRET

The following covers the period from April 1 to May 16, 1947, on which date WHITE departed from Washington, D. C. (et u)

Confidential informant furnished the following concerning correspondence to WHITE. b2 b7D

Letter postmarked New York March 6, 1947, from apartment 54, 465 Central Park West, signed VERNON, to ANNE WHITE containing personal data. VERNON mentioned he has not seen PHILLIP (CONASKI ?) adding PHILLIP lives on the other side of town.

Letter postmarked Miami, Florida, dated April 4, 1947, from SAID WEISSBUCH, president, Alhambra Hotel, to WHITE offering congratulations following WHITE's resignation from the International Monetary Fund. WEISSBUCH indicated he knew WHITE would not have taken such drastic step without having better position. He suggested WHITE visit him in Miami and offered his apartment and automobile at WHITE's disposal.

Letter postmarked London, England, April 10, 1947, from JOEL A. FISCHER, assistant director, Inter-Governmental Committee on Refugees, to WHITE concerning resignation which FISCHER had learned about through London Times. FISCHER expressed hope this did not mean WHITE would withdraw from championing causes which he always so ably championed.

Letter postmarked New York April 8, 1947, from EDWARD K. BARSKY, national chairman, Spanish Refugee Appeal, to Miss ANNE WHITE. This letter advised of indictment against HELEN R. BRYAN, executive secretary, and others of executive board and requested largest contribution ever made. The letter referred to ANNE WHITE as one of their most loyal contributors and recited the past efforts on behalf of the heroic Spanish people.

Letter postmarked Boston, Massachusetts, April 9, 1947, from Mrs. H. H. BLOOM to WHITE signed BESSIE. This letter indicated BESSIE had learned of WHITE's resignation from BOB who got it from ABE (WHITE ?). BESSIE indicated WHITE had done fine work and it was too bad he could not continue under favorable circumstances. However, the ideals and principles would not be lost even though there may be temporary obscurity.

Letter postmarked Taunton, Massachusetts, dated April 15, 1947, from Mrs. ALLAN R. FETLOW, 409 Somerset Avenue, signed BEA to Mrs. HARRY D. WHITE. This letter is social in character, and the writer indicates her parents had often spoken of the WHITES. She also spoke with regret of WHITE's resignation.

SECRET

~~SECRET~~

Letter postmarked New York April 18, 1947, from HENRY MORGENTHAU, Jr., to WHITE expressing regret over WHITE's resignation adding "Certainly when you and I and others worked to create the World Bank and Fund, little did we dream that it would become such an ineffectual instrument toward world reconstruction."

Letter postmarked Washington April 25, 1947, containing an invitation from Hungarian Minister SZECEDY KASZAK to reception in honor of Mrs. ZOLTAN TILDY, wife of president of Hungarian Republic.

Letter postmarked New York April 26, 1947, from RANDY FELTUS to WHITE advising that ED FALCH, who is apparently a good guy, will call WHITE regarding a little work in which WHITE may pick up some quick money. FALCH was in charge of power allocation for AFB and is now a consulting engineer overlapping into public relations at times. A big power company has requested him to take on job getting government loan to set up power projects in foreign countries and FELTUS told FALCH that WHITE was man to handle this. FELTUS advised FALCH has good industry connections which may come in handy for WHITE. FELTUS stated he had long favorable talk with ORTONA and thought a push from WHITE or OSCAR COX would help in closing deal with the Italians, as ORTONA spoke highly of WHITE and COX.

Letter postmarked New York April 29, 1947, from JOAN WHITE to HARRY WHITE containing query concerning international fund and bank. JOAN asked her father why Russia did not join and mentioned Professor SAULNIER said sneeringly Russia just doesn't join any organization and it seems JOAN should be able to say something crushing or at least intelligent on the subject. JOAN further inquired concerning the idea behind the key countries' proposal in establishing a few stable par values and then bringing other countries into the system and asked why WHITE opposed it and who was behind it. She also asked why voting is apportioned according to contribution rather than the "democratic" way of one vote for everybody without control by a few wealthy powers. She also asked unrelated to the bank why Russia wants a strong central government in Germany and why we do not.

Letter postmarked New York, date illegible, from JOAN to ANNE WHITE containing query concerning Mexican President ALEMAN. JOAN asked what he is like politically and what does TONY CANTEROS (Mexican Ambassador) think of him. Also what does ANNE WHITE think of him. She also asked what he is doing in Washington and what does he stand for. JOAN also asked whether ANNE is really fond of the (ZACH) SAADS adding "My God, you weren't serious about having to invite them up to B. H."

Letter postmarked Washington May 5, 1947, from United Jewish Appeal signed LOUIS SPIEGLER, director, to WHITE and wife acknowledging receipt of check representing contribution in sum of \$200.

Letter postmarked June 19, 1947, American Embassy, Nanking, China, from SOL ADLER to WHITE expressing thanks for WHITE's note with enclosure which were most interesting and well merited. ADLER added the governor of the central bank told him he had also received them. The letter mentioned several Chinese figures including K. P. ~~CHEN~~, now member of the state council; Y. C. ~~KOO~~ and ~~HSI/PI~~ (?), T. V. ~~SOONG~~. ADLER indicated he planned to take a vacation in Peiping and come home in the late summer or early fall although their plans are necessarily vague.

Letter postmarked Princeton June 13, 1947, from ALBERT ~~WINSTEIN~~ to WHITE soliciting funds at suggestion of friend and indicating that the scientists needed one million dollars for great educational task in helping fellow citizens understand the simple facts of atomic energy and their implications for society.

Letter postmarked May 13, 1947, from Ambassador of Honduras to WHITE and wife containing invitation to reception May 23, 1947, in honor of American Ambassador to Honduras PAUL C. DANIELS.

Informant ~~██████████~~ furnished the following information. (s) u

April 1, 1947] (s) u

WHITE advised wife everything was o.k. and he is satisfied. In respect to her question, he stated he had gone to see ~~CLAYTON~~ and would tell her the story tonight. (s) u

April 3, 1947] (s) u

DOROTHY ~~KADES~~ advised ANNE WHITE she was leaving for Japan Saturday and wanted to say good-bye. She said CHUCK ~~(KADES)~~ had been in Japan about a year and a half and was home about a month ago but WHITE was out of town and ~~KADES~~ did not see him. ~~KADES~~ wants to stay in Japan at least another year. ANNE suggested DOROTHY contact WHITE's secretary to see if he could be reached today. DOROTHY used to live in the Westchester Apartments for about five years. She stated she went to the Treasury yesterday and said good-bye to JOE and ED. It is believed DOROTHY ~~KADES~~ is the wife of subject CHARLES ~~KADES~~ mentioned earlier in this case as having furnished information to A. GEORGE SILVERMAN. (s) u

~~SECRET~~

~~SECRET~~April 5, 1947] (e)u

WHITE contacted DAVE ~~KARR~~ (KARR) advising nothing had come out, meaning he had not received any letter. WHITE inquired if DAVE was going to announce it as having happened or going to happen and DAVE stated he would break it as about to happen. WHITE mentioned he had not stated anything about when it was effective and he would stay until the end of the month. It is apparent this conversation concerned WHITE's resignation. DAVE KARR is reporter for columnist DREW PEARSON. (e)u

REBA LEWIS contacted WHITE inquiring if they could not drop in to visit the WHITES about 3 p.m. (e)u

ROBERT ~~NATHAN~~ (NATHAN) contacted WHITE advising there would be a small meeting of about ten men, Thursday, with (MOISCHE) ~~SHERTOCK~~ (SHERTOCK) and ~~GOLDMAN~~ (GOLDMAN) to discuss the strategy with UN on the Palestine issue. NATHAN suggested they have dinner and then drop over to his place to chat and indicated he would contact WHITE giving him the time and place for the meeting. (e)u

April 6, 1947] (e)u

WHITE contacted LUIS ~~MACHADO~~ (MACHADO), Shoreham Hotel, stating he was having some of their mutual friends for lunch tomorrow and wanted MACHADO to attend. (e)u

GEORGE SILVERMAN contacted WHITE who indicated he had seen MURRAY (LATIMER ?) but they just chatted vaguely as WHITE was not sure himself that he wanted to get anywhere and did not push it very far, just skirting the subject. WHITE indicated he had probably changed his mind about joining anything. He also told SILVERMAN he had handed in his resignation but had not received an answer from the president. SILVERMAN stated he hoped to take several days off soon and would like to spend quite a bit of time with HARRY. as he had a bunch of ideas and a burning desire to write. (e)u

April 7, 1947] (e)u

WHITE and OSCAR (COX) discussed problems of the bank and fund indicating the Australians were being difficult and using all sorts of pressure to make the Italians agree, stating the Australians were trying to get the fund and the Italians, the Bank. Presumably this refers to appointments. WHITE commented "Don't monkey around with the Empire. They have all sorts of tricks. They use them. For every card they have, we have fifty but we don't use them, not for such things anyhow." (e)u

April 9, 1947] (e)u

PHIL ~~BONASKI~~ (BONASKI ?) advised ANNE WHITE he had a couple days off from work and came to Washington just to get away from New York and is leaving (e)u

now for the WHITES' to have lunch with ANNE and go for a walk. ANNE inquired about JEAN BOMASKI. (e) u

April 10, 1947] (e) u

RANDY FELTUS sent WHITE a telegram inquiring about DREW PEARSON's story referring to WHITE and OSCAR COX being associated in business. FELTUS stated he had several inquiries and was embarrassed. (e) u

On the same date WHITE advised ANNE he was bringing BERNIE BERNSTEIN home as BERNSTEIN could not obtain hotel room. (e) u

April 11, 1947] (e) u

ANNE WHITE asked WHITE whom he was having lunch with, and he stated he had gotten that lunch--minister (possibly IGNACE ZLOTOWSKI). (e) u

On the same date WHITE answered FELTUS' telegram advising the story was a figment of their friend's imagination, probably based on the invitation by COX, similar to that of FELTUS, that WHITE use his office until some permanent arrangement is feasible. (e) u

April 14, 1947] (e) u

FELTUS wired WHITE that BERNSTEIN had indicated WHITE might be in New York this week-end and if so invited WHITES to join BERNSTEIN and FELTUS for Saturday dinner which was accepted following day by WHITE. (e) u

April 15, 1947] (e) u

ANTONIO ESPINOSA DE LOS RIOS, Mexican ambassador, contacted WHITE complaining their friend (HERBERT) GASTON at the Bank had given them a very bad deal and requested WHITE to speak with him and ascertain what the matter is. WHITE inquired if BILLY MARTIN was in town and ANTONIO stated he did not think so. He suggested WHITE not close any deals but merely mention that while conversing with TONY the latter was very discouraged. (B) u

April 16, 1947] (e) u

On this date IRVING FRIEDMAN contacted WHITE stating he would like to drop over and discuss a matter with WHITE. FRIEDMAN indicated he would be over after dinner. (e) u

April 17, 1947] (e) u

WHITE indicated to the Mexican ambassador he had to make a speech and then was going to New York. (e) u

SECRET

SECRET

He wired Benjamin Franklin Hotel, Philadelphia, requesting they keep his room reserved as WHITE would arrive that evening. (e) u

Informant indicated WHITE was out of the city from April 17 to April 22, 1947, returning shortly before 10 p.m., April 22, 1947. (e) u

April 23, 1947] (e) u

ANNE WHITE chatted with FRANCES ~~X~~EDELSTEIN about her trip indicating they had been out to Great Neck as well as ANNE FELTUS' place. She stated she saw HENRIETTA ~~X~~(KLOTZ?) and BERNICE ~~X~~(BERNSTEIN?). ANNE WHITE spoke very kindly about ANNE FELTUS, but indicated she could not relate these terms to her husband (RANDY FELTUS). She stated they all speak very highly of him but she simply could not relate to him, and she does not feel her instincts are wrong. (e) u

April 27, 1947] (e) u

On this evening SARAH ~~X~~SILVERMAN contacted WHITE in an effort to locate subject A. GEORGE SILVERMAN. WHITE advised SILVERMAN he would not be at WHITE's very long and had left about half hour earlier, and WHITE believed he was bound for the airport. (e) u

May 1, 1947] (e) u

ANNE WHITE contacted DOROTHY ~~X~~KLAS (Phonetic) giving instructions how to reach the WHITE apartment, Westchester Apartments. DOROTHY indicated she would tell HELEN, apparently her sister. (e) u

May 2, 1947] (e) u

ANNE WHITE contacted MADELINE ~~X~~KARR saying they looked for the KARRS at the party the other night but did not see them. ANNE invited KARRS for breakfast Sunday morning which MADELINE could not accept as DAVE is going to New York. (e) u

ANNE WHITE advised HARRY she had some nice news from HAY ~~X~~LIEBER (phonetic) that the U. S. Army is interested in translation and publication rights into German of "Three Children" and "Shakespeare." She presumes for use in re-education program in German and Austrian schools. Apparently these are books written by ANNE WHITE. WHITE advised her to tell LIEBER not to suggest that the five books are ANNE'S. (e) u

May 5, 1947] (e) u

SOPHIE ~~X~~WINSTON invited ANNE WHITE to lunch Wednesday to autograph copies of her book "The Lost World." (e) u

SECRET

SECRET

May 8, 1947](e)u

WHITE advised ANNE that FRED ECKER, Metropolitan Life Insurance Company, had apartment for them at 334 West 86th Street, on 5th floor, at \$150 per month which would cost \$350 if it were decontrolled. WHITE told ANNE to have ANNE WANGH contact Mr. NORTON, vice president, Metropolitan Life Insurance Company, subordinate of Mr. ECKER, and examine the place. (e)u

Subsequently ANNE WANGH advised ANNE WHITE she recommended the apartment and would make deposit thereon. (e)u

On the same date MEL LOCKER contacted WHITE addressing him as Dr. WHITE and stated he had been cautioned that the party concerned in their discussion today wants it kept in absolute secrecy for reasons beyond him (LOCKER). WHITE was agreeable to this commenting, "It's his business, not mine." The nature of this conversation is unknown. LOCKER is of interest in that he was contacted by the SILVERMASTERS for advice on the evening in which LUD ULLMANN was questioned in the Washington Field Office coincidental with interview of SILVERMASTERS. (e)u

May 9, 1947](e)u

WHITE conversed with Mr. NORTON indicating necessary deposit would be made on apartment at 334 West 86th Street, New York. Thereafter he contacted several moving and storage companies and advised he planned to move May 20. (e)u

May 11, 1947](e)u

WHITE contacted his daughter JOAN WHITE, New York City, indicating he thought they could solve that problem and suggested she still give her Washington address and not say anything to anyone in the meantime. From correspondence it is believed JOAN WHITE proposed to continue having it appear in the Barnard School records that she was a resident of Washington, D. C., in order to secure dormitory space which would not be granted to person residing in New York. (e)u

May 12, 1947](e)u

WHITE contacted Dr. FRANK A. SOUTHARD, Cornell University, Ithaca, 31653. He informed SOUTHARD there is probability he may be asked to head a mission to one of the South American countries for the purpose of assisting that country stop inflation. WHITE stated it would be this summer and would last a couple months, that he is picking a few men and wanted FRANK to be one of them. He indicated a fee of several thousand dollars would be involved. SOUTHARD indicated he was committed and would be unable to accept. WHITE stated when he leaves the Fund, he planned to rest a few months and then go to South America in the middle of July. (e)u

Subsequent inquiry reflected a special passport was issued WHITE February 7, 1947, authorizing travel on behalf of International Monetary Fund into various Latin American countries which trip has been previously reported, and on June 30, 1947, WHITE requested validation of his passport for a business trip to Mexico which was granted. It therefore appears Mexico may have been the country WHITE had in mind in the above conversation. (e) u

ANNE WHITE informed WHITE BERNICE BERNSTEIN would not see her until 9 that evening. It was indicated BERNICE BERNSTEIN was going to the party with HARRY. (e) u

May 13, 1947] (e) u

On this morning BERNSTEIN indicated he was too late to attend the party, and WHITE invited the BERNSTEINS to his apartment for breakfast. (e) u

DOROTHY TAYLOR contacted ANNE WHITE stating she had just learned the WHITES were moving and wished she could have them to dinner before they left. DOROTHY is the wife of subject WILLIAM TAYLOR. (e) u

May 16, 1947] (e) u

ANNE WHITE informed FRANCES EDELSTEIN of her new address, 334 West 86th Street, New York City, and further advised after about May 25, 1947, they would visit 41 Tennyson Road, Wellesly Hills, Massachusetts, care of ABE WHITE and then on the first of June ANNE would be at Blueberry Hill, New Hampshire. (e) u

On the same morning HARRY WHITE advised Dr. ABE WOLFSON, Newark, New Jersey, that the WHITES were leaving at 1 o'clock and would see ABE that night and would stay with the WOLFSONS over the week-end. (e) u
