The following information concerning the subject's activities was obtained from [REDACTED] (u) b2 b7D
~~CONF. INFT.~~

On May 16, 1946, REBEKAH FITZGERALD contacted ED and JANE STONE at which time she advised ED FITZGERALD was going to New York on the following day and consequently they would be unable to visit the STONES. ED FITZGERALD's father has been very ill and for this reason he has been making numerous trips to New York within the past month. His parents live at 1205 East 35th Street, Brooklyn, New York, phone Cloverdale 82350. (u)

On May 19, 1946, LABEL WHEATON told REBEKAH FITZGERALD she and RALPH had just returned from a meeting and brought back with them a package of little things, also some newspaper stuff. She mentioned Mr. WISDOM, (phonetic) the art collector; Mr. GARFMAN, the artist; and several Associated Press men were there. She said Mr. PERKINS is now at Asheville, North Carolina. LABEL and RALPH had visited the University of Virginia where they met Mr. MALLY, the curator of rare books. He is an alumnus of Princeton and Oxford Universities and has spent some time in the interior of China. LABEL WHEATON is a sister of THOMAS WOLFE, the author. (u)

On May 20, 1946, ELIZABETH FRAZER of Philadelphia advised REBEKAH FITZGERALD that ISABELLA and POLLY have made her a very attractive offer to go into the bookshop with them, but she would not make up her mind until she could discuss the matter fully with REBEKAH. ELIZABETH mentioned she had recently returned from the "settlement" meeting at Niagara Falls where a speaker in describing the atomic bomb situation stated we had been caught with our pants down. (u)

On May 20, 1946, EDWARD FITZGERALD advised his wife his father's condition was still very serious, and that he was going to stay over in New York for another night and requested that she contact HASKELL and tell him ED would be in on Wednesday or Thursday. FITZGERALD also told his wife JENNY MILLER had contacted him the previous night and wanted to know if there was anything she could do. (u)

On May 22, 1946, JANE STONE invited the FITZGERALDS to her home on the following evening. REBEKAH was unable to accept the invitation until she ascertained whether ED would be home by that time. They then made a tentative date for the following week-end. JANE advised REBEKAH she was going out west sometime this summer and invited REBEKAH to go along with her at least part way and return by train. (u)

The records of the Credit Bureau, 1221 G Street, N.W., Washington, D.C. indicate that prior to March 20, 1943, RIPS was employed as an economic analyst, Board of Economic Warfare, Office of War Information, 224 West 57th Street, New York City, as an associate script editor, (French). RIPS is married to TINA LOE RIPS, who formerly resided in Washington, D.C. at 2800 Connecticut Avenue, N.W. and who until 1942, was employed by Selective Service. In New York the RIPS resided at 9850 67th Avenue and at 103-10 Queens Boulevard, Forest Hills, Long Island, New York. These records also indicated that RIPS' wife TINA LOE RIPS is the daughter of an attorney in the U. S. Department of Agriculture.

At Stones Mercantile Agency, 1419 H Street, N.W. the records indicated in addition to the above that RIPS is approximately 38 years of age and has been employed since April, 1946 as economic adviser to the Greek Supply Mission, 2362 Massachusetts Avenue, N.W.

Regarding the Intercontinental Corporation, the following information was obtained from Stones Mercantile Agency:

There is being set out below a summarization of the information supplied by Confidential Informant [REDACTED] during the period of May 16 to May 31 inclusive. *(u)* *b1c* *b2 b7D*

On May 17, 1946 JOSEPH GREGG conferred with BRUCE WAYBUR of the United Electrical Workers. These individuals agreed to get together the early part of the coming week at which time it was mentioned that WAYBUR resides at 803 N. Wayne Street, Arlington, Virginia, telephone number Glebe 4880. During the course of the conference GREGG inquired as to whether WAYBUR has been doing any lobbying. WAYBUR replied he had not done much lobbying as yet but some of the U.E. people spent all their time on this type of work. WAYBUR mentioned that he talked to one of the United Automobile Workers men and ascertained they have prospects for several jobs. He stated that in the event GREGG is interested in going to Detroit, Michigan on one of these jobs he, WAYBUR, will put him in touch with IRVING RICHTER. *(u)*

On May 11, 1946 JOSEPH GREGG informed MERTER WOOD of the State Department that he would see him around 12:00 noon. *(u)*

Shortly subsequent to the above, GREGG again conferred with WOOD and inquired whether WOOD would object to his using his telephone number in connection with an advertisement GREGG intends to put in the paper in order to obtain an automobile. He advised WOOD that he did not want anybody to know the phone he was using in connection with this ad. GREGG and WOOD discussed an offer received by GREGG from FRANK JELLINECK to use the mailing list and the prestige of the old Hemisphere Corporation. GREGG apparently is not in favor of becoming a Washington representative for the company which JELLINECK will operate from Mexico City, Mexico inasmuch as sufficient remuneration was not involved. GREGG inquired as to the welfare of WOOD's friend, namely FRANK FORALL of "World Report" whereupon WOOD asked whether GREGG had been in touch with NELSON ROCKEFELLER of Mexico City. GREGG advised he is waiting for an appointment with ROCKEFELLER and expects to go to New York City in the latter part of the week as he had a number of things to look into. GREGG mentioned he expects to get his money due him from the State Department in the near future at which time he will take care of WOOD. (Apparently WOOD is loaning money to GREGG). *(u)*

On the same day an unidentified maid attempted to reach JOSEPH GREGG. He conversed with the maid at the GREGG home, whereupon she inquired "aren't you the man who was supposed to call?" The man answered in the affirmative and the maid said that Mr. GREGG had told her that he would be unable to meet the man. *(u)*

On May 19, 1946, ROSE GREGG engaged in a social conversation with her mother at Fairmont 2346, London, Ontario, Canada. She also talked to her sister, Mrs. RUTH APPEL, and stated that she would come to Canada around the 15th of June. C
X

Additional data supplied by the informant on May 19 reveals that VIOLA SHAW (ROSE GREGG's sister) conversed with JOSEPH and ROSE GREGG to advise that ROSE's mother believes it would be better if the GREGGS found a summer place in the states rather than coming to Canada. In this connection, ROSE's mother feels that she can manage RUTH APPEL [REDACTED] better if ROSE GREGG is not around. b7c

ROSE GREGG conferred with her sister, LARY, at Canisteo 92, New York, on May 20, 1946. X (u)

Later in the day EVELYN EIN informed JOSEPH GREGG that she is inviting several people to her home on Saturday night. She invited Mr. and Mrs. GREGG. GREGG mentioned he has been shopping around for a job hereupon EVELYN stated "That's what EARL BROWDER is doing, isn't it — he's on a shopping trip". GREGG replied he did not know what BROWDER was doing. X (u)

Also, on May 20 CARL MARZANI conferred with JOSEPH GREGG. GREGG regretted that he was unable to locate MARZANI on the previous Friday and stated that he went to Bellevue Park and then to the park but could not find the group. MARZANI replied they had a good time. He stated that GUY YOUNG, NEWBY and DAVID DAVIDOFF were there. MARZANI also advised ALEXANDER RICHTER, GREGG, and he should get together for lunch at 12:00 noon on Wednesday. He said he would meet RICHTER at his home at 1507 K Street, N.W. MARZANI also advised that he would give GREGG a letter of introduction to LEON KAHN who runs a big plumbing business in New York City. He described this individual as being a nice guy, progressive, etc. MARZANI further referred to KAHN as being "very left", rich, and an individual who would give "a couple of bucks to a good cause". MARZANI and GREGG then discussed the property they are purchasing in Virginia in co-ownership with ALEXANDER RICHTER. MARZANI stated RICHTER wants his brother IRVING RICHTER in on the deal also. X (u)

The informant further advised that on May 20, JOSEPH GREGG contacted ROBERT T. MILLER. MILLER advised that he received a letter from FRANK JELLIHECK stating that his principals have authorized him to make proposals to GREGG and MILLER. MILLER also advised JELLIHECK was coming to Washington, D. C. to see them in connection with this on the 21st of May. CARL MARZANI attempted to reach JOSEPH GREGG for the purpose of advising him that the luncheon appointment with ALEXANDER RICHTER had been moved ahead a day. X (u)

SECRET

Also, on May 21, JOSEPH GREGG conferred with his wife relative to his appointments with BRUCE WAYBUR and CARL MARZANI, as well as his trip to New York City in the early afternoon. *(u)*

CARL MARZANI recontacted JOSEPH GREGG on May 21 and inquired as to GREGG's full name. GREGG replied his full name is JOSEPH GREGG and the middle initial (B) he uses sometimes when he feels like being fancy. GREGG also advised that he was going to New York City on the following day to see a few people in addition to the LEON KAHN suggested by MARZANI. GREGG was to pick up the letter of introduction to KAHN at MARZANI's office in the Washington Auditorium at 19th and E Streets, N.W. It was also determined that the land GREGG, MARZANI, and RICHTER were purchasing in Virginia is being handled through the firm of Simonds and Culler, Court House Square, Arlington, Virginia. *(u)*

Additional data supplied by the informant on May 21 indicates that JOSEPH GREGG ascertained INEZ MUÑOZ's telephone number to be DEcatur 6674. MUÑOZ resides on Longfellow Street, N.W. *(u)*

JOSEPH GREGG informed his wife on May 22, 1946 that he would be seeing CARL MARZANI at the latter's office around noon. Mrs. GREGG agreed to pick him up at the Washington Auditorium, 19th and E Streets, N.W. *(u)*

ROSE GREGG conferred with her husband JOSEPH GREGG on May 22 at which time he stated that he would have to see CARL MARZANI before leaving for New York City. *(u)*

Later in the day, FRANK JELLINECK of New York City attempted to reach JOSEPH GREGG. Mrs. GREGG stated that her husband had left for New York City and could be contacted at the home of her uncle, NATHAN WEISBERMAN, 21 Montgomery Place, Brooklyn, New York, telephone Main 2-2118. *(u)*

On the 23rd of May, EVELYN WEIN inquired of ROSE GREGG as to whether the GREGGS intended to come to her house on Saturday night. *(u)*

Subsequent to the above, CARL MARZANI informed Mrs. GREGG that the appointment for 12:00 noon at the Court House in Arlington on Monday was postponed until Wednesday inasmuch the judge who was selling the property insisted on selling it to one person rather than four individuals. With this in view MARZANI will take title to the property on Monday and then on Wednesday a new deed can be executed which will reflect mutual ownership of MARZANI, GREGG, ALEXANDER RICHTER and IRVING RICHTER. MARZANI further advised that he would have to have \$1000 by Monday so that he could add it to the initial \$4000 deposit. *(u)*

SECRET

~~SECRET~~

He added that the total price of the land is \$16,000 and some agreement will have to be drawn up whereby the burden of the additional \$12,000 would be borne by all individuals involved. Mrs. GREGG was to see that the \$1000 was to be made available to MARZANI by Monday. (u)

BRUCE WAYBUR attempted to reach JOSEPH GREGG on May 24 only to learn that he was in New York City. (u)

Subsequent to the above, JOSEPH GREGG conferred with his wife from New York City and advised that he would try to return to Washington, D. C. on instant date. (u)

ROSE GREGG inquired of ROBERT MILLER as to whether he had heard from the bank in New York. MILLER replied in the affirmative and stated everything looked all right. MILLER also advised he would give ROSE a check on Sunday or Monday (probably a \$1000 check as herinbefore indicated by the examination of GREGG's bank account at the Hamilton National Bank). Mrs. GREGG and MILLER discussed FRANK JELLINECK's desire to purchase the mailing list of the Hemisphere Corporation and MILLER believes \$500 would be a reasonable figure to set. (u)

Subsequent to the above, JOSEPH GREGG again conferred with his wife who advised him concerning the new plans in connection with the real estate deal in Virginia. She also stated that MILLER is giving her a check which she will give to CARL MARZANI on Monday, providing GREGG is not back in the city by that time. GREGG advised that FRANK JELLINECK contacted him and asked him to be a representative for his new news service in the United States. GREGG turned the offer down inasmuch as it did not pay enough. GREGG concluded by advising that he will spend the night with DAVE and EDNA (unidentified) in New York City. (u)

On the 25th of May, Mrs. GREGG advised that she desired to sell her piano inasmuch as they were moving out of town. (u)

The informant also advised that on the 25th of May, ROBERT MILLER contacted ROSE GREGG. These individuals engaged in a discussion of the offer made to JOSEPH GREGG by FRANK JELLINECK. MILLER agreed to meet JOSEPH GREGG or Mrs. GREGG at the Hamilton National Bank early Monday morning for the purpose of turning the check over to the bank. (u)

Later in the day, May 25th, an individual named MARSHALL OLFE got in touch with JOSEPH GREGG. GREGG mentioned he had been looking for OLFE for weeks and weeks. OLFE is presently in the office of BRUCE WAYBUR of the United Electrical Workers and it was agreed three of them would get together on the following Tuesday. It was stated that MARSHALL OLFE would be in Washington for approximately three weeks and could be reached at Dupont 5548. (u)

ROBERT MILLER made arrangements on May 20, 1946 to meet JOSEPH GREGG around 10:00 a.m. the coming Monday morning in front of the Hamilton National Bank so that GREGG could pick up a check MILLER had for him. *ALY*

On May 31, JOSEPH GREGG contacted HINTER WOOD, who advised that his girlfriend had left town. GREGG stated that while he was in New York he got in touch with SHIRLEY GOODMAN who sounded sad and ill. WOOD said there was nothing wrong with SHIRLEY but nervous prostration. GREGG informed that while he was in New York he saw NELSON ROCKEFELLER and he has two or three things cooking "but nothing hot". WOOD stated that he is going to stick around this summer as he is afraid of losing his job if he takes a vacation. GREGG advised that the only thing that is delaying his departure from Washington, D. C. is that he does not know where he is going. *ALY*

PHYSICAL SURVEILLANCE

On May 22, 1946 Special Agents EDWARD F. HULLER, EARL L. FUOSS, H. D. PAMEL, W. R. CORNELISON and J. L. On May 16, 1946, MAURICE HALPERIN conferred with GEORGE T. These individuals discussed articles which HALPERIN has prepared for publication, namely "Behind the Blue Book Failure" and "The Bankruptcy of the Good Neighbor Policy". BYE has been unable to sell these articles to any magazines as yet. BYE stated, however, that Whittlesey House wants a book written on "Secretaries of State". Consequently, BYE suggested HALPERIN as the possible author. BYE added that the publisher is considering JOHN FRANKLIN CARTER as the author of this book, but HALPERIN might have a chance in the event CARTER has previous commitments. *XXXX (S) u*

Later in the day, May 16th, MAURICE HALPERIN attempted to reach LOUIS REAM of the American Red Cross. *XXXX (S) u*

Additional data developed by Informant on May 16, 1946 indicates that BOB ROGERS conferred with MAURICE HALPERIN, at which time they discussed efforts on the part of WILLMOORE KENDALL to get rid of ROGERS. In this connection, ROGERS advised he obtained information from ROBERT RICHARDSON which indicates that the story is not "as pat" as it was previously reported to him. With this in view, ROGERS will be unable to bring "per se" charges against KENDALL. ROGERS continued by advising that RHEINER (phonetic), is dodging him and JUST (phonetic) has been on a tour of inspection. ROGERS further related that JUST and his boss are handling re-organization matters as WILLIAM LANGER will have nothing to do with the "inheritance decisions". ROGERS commented that he is presently at the offices of P. R. Associates, Inc., "otherwise I wouldn't be talking like this".

Also on May 16th LOUIS REAM conferred with MAURICE HALPERIN, at which time HALPERIN invited REAM to lunch at the Cosmos Club on May 22nd.

BOB ROGERS re-conferred with MAURICE HALPERIN on May 16th to advise that he spent half an hour with WILLMOORE KENDALL, SHERMAN KENT and ALLAN EVANS. He related that WOODROW BORAH was also called before the tribunal at which time both he and BORAH were requested to resign for the good of the service. HALPERIN inquired "for the usual reasons?" and ROGERS replied in the affirmative. ROGERS then stated KENDALL made his usual attack on HALPERIN. HALPERIN asked if the attack on BORAH and ROGERS had the full concurrence of KENT. ROGERS replied that it did. In this connection, KENT faced ROGERS with the possibility of down-grading which would be necessary, inasmuch as ROLAND HUSSEY, who is taking over, is only a P-7. HALPERIN was surprised that KENT actually led the attack, to which ROGERS replied, "Yeah, your friend, your buddy from the brush factory."

ROGERS stated he told them that he had nothing to fear as he had been an honest man all his life and has never been a member of anything except two unions. ROGERS further advised that BORAH would give the same answers but apparently acquitted himself very well. ROGERS stated that in his opinion, KENDALL, EVANS and KENT are "playing security" council and he doesn't believe they have the authority. ROGERS thinks that they were instructed to proceed against BORAH and himself. He stated that there are two lies on his record which have never been expunged. ROGERS further believes that KENDALL will be able to hold on and become part of WILLIAM LANGER's staff.

According to ROGERS, SHERMAN KENT will head the staff under LANGER in spite of the fact that he has always been of the opinion that LANGER does not think much of KENT. ROGERS is concerned, as he believes LANGER is obviously dodging him and involved in the conspiracy to prevent his, ROGERS, airing the whole matter. ROGERS inquired as to whether he should try to see LANGER at his home in an effort to point out to him that "his people there stink and that they do not handle these things right". With reference to this, ROGERS believes he has two grounds of approach, one "is the big issue of human and civil rights which I should champion but I don't think it's worthwhile

~~SECRET~~

because I don't think the organization is going to survive. The other issue is one of being decent gentlemen and following out orders that come from above and I take great and lengthy objections to that." HALPERIN advised ROGERS to give LANGER a ring and not to bother negotiating with the others inasmuch as they will be out of the picture anyway when ROLAND BUSSEY takes over. ROGERS wonders whether he shouldn't go right to SPRUILLE BRADEN but HALPERIN believes this might be questionable inasmuch as BRADEN may not stay with the State Department. ROGERS advises there is a hot rumor going around to the effect that BYRNES will leave the State Department and FRED VINSON will take over. ROGERS, in further discussing this problem, agreed he should try and get to LANGER. He related that at the conclusion of his interview EVANS spoke for the first time by advising that there were only two conclusions to be reached, one that ROGERS won't cooperate (by resigning) and two, that ROGERS is willing to face any charges which are brought against him. According to Informant, LESSER desires to return to academic work for a year to study anthropology and modern cultures. He explained to HALPERIN that he proposes to make a critical study of recent science and research on modern communities and cultures. He further proposes to prepare a report on these matters and to develop a research program. Due to this, LESSER intends to spend time in a University similar to Chicago University. He advised that he has been in touch with RUTH BENEDICT in this connection. (A) X X

On May 23, 1946, MAURICE HALPERIN made a luncheon appointment with ELDRIDGE SIBLEY for 11:15 AM. *(u/c)*

According to Informant, LESSER is also interested in obtaining employment in connection with United Nations. LESSER told HALPERIN that WILLMOORE KENDALL confronted ROBERT RICHARDSON with expense vouchers drawn by HALPERIN during the time OSS was footing the bills. KENDALL wanted to know about the trip HALPERIN took to Boston when he had an interview for position with the United Fruit Company. HALPERIN is not worried about KENDALL's checks. HALPERIN and LESSER agreed that ROLAND HUSSEY will take over the division in the near future. In this connection, LESSER advised that KENDALL is leaving on a vacation the first of June and there is some indication that HUSSEY's outfit will absorb A. R. I. around June 17th. *(u/c)*

DUNAWAY advised that a friend of his by the name of BRUCE WAYBUR is working for RUSS NIXON and that this individual previously worked in the Government under him, DUNAWAY, and under BERNIE BERNSTEIN in Europe. WAYBUR is now with the Washington office of the United Electrical Workers and, according to DUNAWAY, is "a very nice fellow". HALPERIN informed that he still has his finger in on a possible job with the Food and Tobacco Workers (CIO). In this connection HALPERIN advised he could see his literary agent, GEORGE BYE, and also cover the other deal. u x

Additional information developed by Informant on May 27th indicates that BOB ROGERS informed MAURICE HALPERIN that he has been assigned a special job by WILLIAM LANGER. He said this job will entail a complete report of the Bureau Americanus Institute. In this connection, ROGERS will be under the supervision of Colonel GEORGE FEARING of O. C. D. ROGERS described FEARING as being an old friend of his, who was in the Air Corps Intelligence in Europe during the war. KEENEY stated she could be reached at Franklin 0592 until 9:30 PM on instant night. This phone is listed to I. H. BLEIBERG, 567 Lebaum Street, S. E. *u (X) u*

In addition to the above, Informant states EDITH HALPERIN contacted JENNIE MILLER on the same day, at which time she advised that THEODORE HALPERIN may go to work for the CIO. She also stated that the HALPERIN family will go to Boston on June 20th for the purpose of attending her brother MILTON's wedding. Mrs. MILLER informed that WOODROW BORAH told her husband, ROBERT T. MILLER, that Boston University is not accepting Jewish students. Mrs. HALPERIN does not believe this is true inasmuch as her 18 year old brother is attending Medical School there. Mrs. HALPERIN also advised that ROSE GREGG may not go to Canada after all. She mentioned the possibility of MAURICE HALPERIN obtaining a job with a Jewish organization in New York City. Mrs. MILLER stated she met Mr. and Mrs. DAVID WAHL at the Southern Conference of Human Welfare dinner about a week ago. EDITH HALPERIN saw FLO LEVY at a Shakespearian play and Mrs. MILLER mentioned that FLO LEVY is going to spend two weeks at Capon Springs. *u (X) u*

pay for the transportation. She stated she told MARY JANE about the COURTS and MRS. KEENEY is now anxious to have the COURTS get in touch with her. *u (X) X*

EDITH HALPERIN and DENZIL THORNTON engaged in a conversation on May 28th relative to HALPERIN's prospective job with a Jewish organization in New York City. In this connection, Mrs. HALPERIN advised that the organization wants a sphere of friendliness with the United Nations people, inasmuch as there has been an incline of anti-Semitism in South America. She explained that a friend of theirs, namely DAVID WAHL, is in charge of the Washington office and formerly suggested to the organization that they obtain the services of a Latin-American man. The organization is very pleased with HALPERIN's qualifications. *u (X) X*

Later in the day, TERRY SORACCO and EDITH HALPERIN discussed various matters, and in particular the fact that MAURICE HALPERIN and BOB ROGERS are sharing a room at the Lexington Hotel in New York City. SORACCO advised that she is presently entertaining EVELYN GROSS and then related that WILMOORE KENDALL is leaving the office on the following day and possibly will not return. Mrs. HALPERIN said she met MAYNARD GERTLER and his wife on the previous evening and was very favorably impressed by them. *u (X) X*

According to Informant, EDITH HALPERIN contacted WOODROW BORAH on May 28, at which time they discussed the fact that WILMOORE KENDALL will no longer be in BORAH's division at the State Department. BORAH explained that he has been to see SHERMAN KENT whom he informed he will not reduce any of the efficiency ratings. BORAH went on to explain that ROLAND HUSSEY is setting up an entirely new organization and DONALD M. DOZER will be his deputy. BORAH does not know whether or not his services will be retained, stating that while he is on good terms with HUSSEY, he believes HUSSEY will not incur anyone's displeasure by keeping BORAH around. BORAH described HUSSEY as being completely identified with the dominant groups. *u (X) X*

THEODORE HALPERIN contacted ELIZABETH SASULY on May 29th to inquire as to whether the job he had talked to her about has developed. SASULY advised that the people have not come into town, but when they did arrive she would take the matter up with them. She described the position as being one which entailed supervision by several unions. HALPERIN feels a little frustrated on not being able to pitch in and do something about "things". HALPERIN remarked that the papers seem to indicate the opposition is gaining strength. He added that it is much better than last week so it is just the question of putting the pressure on. *u (X) X*

Shortly subsequent to the above, THEODORE HALPERIN attempted to reach DON POND (phonetic) at Woodley 2485. *u (X) X*

will meet in front of the Little Theater. AVERY then mentioned that "the House has passed the Senate version of the Case Bill". HALPERIN replied, "Why the dirty b—s".

SARAH DAVOLA (phonetic) of the Anti-Poll Tax Committee, conferred with THEODORE HALPERIN. She informed him that she heard of a job today which is temporary but might evolve into a permanent position. She suggested that HALPERIN go down to the offices of the "Win the Peace Conference". In this connection she advised that the national organization is having a big affair and needs someone to help on publicity. HALPERIN was referred to ABBOTT SIMON, 1309 14th St., N. W., telephone Michigan 8839.

THEODORE HALPERIN conferred with PHILIP DUNAWAY on May 29th for the purpose of advising him that BRUCE WAYBUR was unable to assist him in obtaining a position with the United Electrical Workers. HALPERIN inquired as to whether DUNAWAY knows anything about the "Win the Peace Conference". DUNAWAY not being able to supply much information, suggested HALPERIN call DAVID WAHL.

Subsequent to the above, MAURICE HALPERIN advised his wife, EDITH, that he can have the job with the Jewish organization in New York City if he wants it.

On May 30, 1946, MAURICE HALPERIN attempted to contact HENRIETTA KLOTZ of Murray Hill 5-5362 in New York City. As Mrs. KLOTZ was not around, HALPERIN conferred with HENRY MORGENTHAU. HALPERIN inquired whether GEORGE BYE had mentioned him to MORGENTHAU. MORGENTHAU stated that he had, and it was agreed that HALPERIN would visit him at 3 PM the following Wednesday at 285 Madison Avenue, the 22nd floor. HALPERIN mentioned he was impressed by MORGENTHAU's talk on Uruguay, whereupon MORGENTHAU made the statement that HALPERIN sounded like a "new dealer".

On May 30th, MAURICE HALPERIN advised BOB ROGERS that he has to go to New York City again for two reasons. He stated he has an appointment with HENRY MORGENTHAU and on the following day he again will meet with the Jewish organization. HALPERIN also advised, "So, I think we're in business with MORGENTHAU". ROGERS replied, "So, you have to get his (MORGENTHAU) assent and make a very short description . . . BYE (GEORGE BYE) peddles it . . . My God!" HALPERIN related that it is such a cinch it will necessitate the setting up of a partnership to get the work done. HALPERIN thinks WOODROW BORAH will do the work, whereupon ROGERS stated, "He stays right where he is to do it (State Department)". ROGERS maintained that the MORGENTHAU deal is a very valuable contact in all directions. If HALPERIN obtains the Jewish position he will probably move to New York City.

Also on May 30th, WOODROW BORAH conferred with MAURICE HALPERIN. At this time MAURICE HALPERIN advised he talked to the Executive Committee of the Jewish organization and they are all for hiring him. He explained that his duties

~~SECRET~~

will entail liaison work with the United Nations and further stated the organization represents a number of Jewish groups. Insofar as HALPERIN is concerned it will be like working in OSS all over again. He added that they gave him a very interesting security check in which all the weaknesses of other security checks became points in his favor. It really amounted to nothing more than a question as to where his, HALPERIN's, people were born. HALPERIN stated he enjoyed this check immensely and he might say it is the first time a security check was actually enjoyable. HALPERIN also related that this organization talks in terms of raising a million dollars for an honest-to-goodness research staff. BORAH believes HALPERIN will be crossing swords with people who are as smart as he is, for the first time. HALPERIN condescendingly admits some may be smarter than he is and states that a good many of them have been in the business since 1900. He also maintains these individuals can illustrate everything by citing incidents which occurred in their conference in Copenhagen in 1915. He also mentioned that all of the member organizations will offer jurisdictional difficulties. HALPERIN is going back up to New York next week and talk to "one of Mr. ROOSEVELT's right hand men" (~~HENRY MORGENTHAU, JR.~~). HALPERIN suggested that BORAH might be interested in some of the jobs that have been offered so far. BORAH replied, "Well I have a little fight to settle before I go anywhere". (refers to State Department) BORAH then asked if HALPERIN is going to see "our new Chief" to which HALPERIN replied in the affirmative. BORAH stated "he" (ROLAND HUSSEY) has been unfolding his plans to ISABEL RENNIE (RENNIE apparently passes the information on to BORAH). According to RENNIE the new deputy chief under HUSSEY will be DONALD M. DOZER. This choice is considered very satisfactory by both BORAH and HALPERIN. The organization will be divided into four sections, three geographic and one functional section. It is indicated that HUSSEY will use his present staff and fill in with personnel from A. R. I.

BORAH says HUSSEY is very cordial towards him but he believes pressure has been exerted to squeeze him, BORAH, out. BORAH also advised that he can present SHERMAN KENT with "a carbon copy and ask him to comment on it". HALPERIN advised BORAH to sit tight and see what develops. BORAH maintains he would like to be relieved of all administrative duties and move over into the new division with a reduction in status and rank. HALPERIN believes this would be o.k. as BORAH would go over in the top of the grade. BORAH, however, wants a formal assurance that SHERMAN KENT was mistaken (about BORAH resigning for the good of the service). He wants a hearing in which a formal opinion will be rendered. He advises that in this connection he consulted a lawyer and learned that private opinions would not be worth a thing insofar as protection is concerned. HALPERIN will work with BORAH on this but believes any action should be carefully considered on a basis of relationship of all factors possibly involved.

On May 30th, WILLIAM APPLEBAUM advised MAURICE HALPERIN that he and his wife would visit the HALPERINS at 8:30 PM the following day.

HALPERIN then indicated that his job in New York City is practically "in the bag" and they are quite willing to meet his present salary. HALPERIN mentioned the possibilities of switching places with DAVID WAHL so that WAHL would take over the job in New York City and HALPERIN would step into WAHL's office here in Washington. *uaxk*

The following information was obtained by confidential informant during the period indicated. b2b-D

On May 21, 1946, it was ascertained HELEN NICHOL, an employee of the State Department in Dr. BRUNNAUER's office, contacted Mrs. ALGER HISS to advise that several women in the State Department were giving a luncheon for a Mrs. HIXLEY who is arriving in Washington with her husband. The luncheon was to be held at the Parrot Tearoom at 1 p.m., on the following Monday.

On May 22, 1946, an individual known to the informant as BARBARA RADIUS contacted PRISCILLA HISS to advise she was postponing the party that was scheduled for Saturday, and that it would be held a week subsequent to that time, May 31, 1946. BARBARA advised her husband WALTER had not yet returned from Paris but was leaving soon by Air Transport. (The Congressional directory lists a WALTER A. RADIUS as adviser, Office of Transportation and Communications Policy, State Department, 3330 Newark Street. A check of the city directory indicates BARBARA E. RADIUS is the wife of WALTER A. RADIUS.)

On May 23, 1946, PRISCILLA HISS was contacted by an unidentified woman at which time the two discussed family matters, the woman's recent trip, and a person by the name of ALLEN STEYNE. Apparently some sort of scandal was involved in their discussion although the parties involved in it were not made clear to the informant.

On the same date it was ascertained ALGER HISS was remaining at his home and he was planning to go to the funeral for the mother-in-law of STANLEY HANBECK (phonetic).

On this date HISS was in contact with JAC. ROSS of the State Department at which time they discussed State Department affairs. ROSS indi-

cated he had a long talk with DON and JACK THOMPSON "about getting this atomic energy man." The conversation was largely concerned with plans for a coordinating center as relates to atomic energy. HISS at this time indicated there were some papers on his desk relating to the atomic energy matter as well as a draft of a speech for BARUCH.

On the same date HISS was contacted by JOHN LELAND (phonetic) at which time LELAND indicated he had lunched with HARDING BANCROFT and had discussed some of the proceedings with BANCROFT. LELAND also indicated he had been at the Iranian Embassy. HISS stated he had been sick with the flu and could not join LELAND that evening to discuss matters. LELAND indicated he planned to see BEN COHEN the following day to discuss matters further. HISS indicated he thought it would be a good thing for LOY HENDERSON to be in on the conference with COHEN the next day. The discussion further centered about the Iranian situation and the possibility that AIA might be recalled. Both agreed the situation was getting progressively worse and progressively deteriorating.

On the same date a person known to informant as JACK SUTHERLAND (phonetic) contacted ALGER HISS stating he had been referred to HISS by BASIL ~~LOVE~~ (phonetic) about a year ago. SUTHERLAND indicated he is trying to get a young lady out of France and wonders if HISS could exert some influence to assist him in the matter of a visa.

On May 24, 1946, it was ascertained HISS was ill and still planning not to come into his office. He contacted his office to suggest that JACK ROSS attend the 4 o'clock staff meeting in his place, and that certain matters be taken up with the Protocol Division of the State Department.

On the same date a person known to informant as CLESE MORSE (phonetic) contacted ALGER HISS, and it was indicated the parties had not seen each other in a long time. MORSE advised he was in the office of S. W. MARSHALL in the Shoreham Building, and this was a consulting engineers office, main headquarters in Dallas, Texas. Discussion also brought up the question of attendance at the Baltimore City College alumni gettogether on June 3, 1946. Both of them referred to the college as "that hell hole." MORSE indicated he commutes from Baltimore every day but hoped to be able to meet with HISS for lunch some day soon.

On the same date HISS contacted his office and discussed various matters concerning State Department affairs. He indicated his illness was continuing, and he expected to be in on Monday, May 27, 1946. In conversation with JACK ROSS, it was ascertained ROSS had made certain arrangements to get STEIN and his assistant to New York and was planning tentatively on going there sometime Monday himself with IKE (last name not given). They further discussed personnel and matters which appeared to relate primarily

to State Department concerns. In the course of the discussion they referred to ~~SOKOLOFF~~ and his reaction to the atomic energy business. It was indicated from the history of treatment by the military staff committee they were uncertain as to just how much the atomic energy commission would want the secretariat to do. ROSS indicated he could see no reason for getting worried over the supply and demand problem although they should keep it on their calendar for consideration. HISS indicated he had discussed the matter with EASTON, and his idea of getting "an atomic energy man." They indicated a person by the name of ~~HOWARD JOHNSTON~~ might serve as an assistant in Washington but that might raise some difficulty on the personnel level.

HISS stated he felt they were well organized to take care of the BARUCH "procedural needs," but that he felt this still did not give them "any break into the substance; it doesn't use the procedure as a means of breaking into substance." HISS stated he felt it was necessary to get somebody who knows something about atomic energy subsidy question as a part of the general disarmament picture.

In the course of the discussion, HISS indicated ~~HORNING BACKBROKE~~ (phonetic) had mentioned to him over the telephone a chap by the name of ~~BYRON MILLER~~ who might fit in now. ROSS agreed that he might be worth considering because he has had a good bit of contact with the atomic energy work already.

On May 25, 1946, a person known to informant as ~~MUNROE SMITH~~ of Northfield, Massachusetts, contacted ALGER HISS advising he is from American Youth Hospital. SMITH advised he had talked with Mr. ~~BRICKEL~~ (phonetic) after his discussion with HISS a few months ago and "BRICKEL had asked SMITH to send him a copy of the photostat letter from the office in Holland and Frieburg." HISS indicated he was not sure he was aware of what SMITH was speaking. SMITH indicated he believed he had spoken with HISS at the Hague. HISS then indicated he believed SMITH wanted to contact his cousin PHILIP HISS who was stationed at the Hague as the OWI representative, and he now lives at New Canaan, Connecticut.

On May 26, 1946, a person known to informant as ~~PORTER~~ contacted ALGER HISS advising he thought HISS should check up on the story by ~~SCOTTY RASMUSSEN~~ in the New York Times for May 26, 1946. PORTER advised the AP, UP, and all the other news boys had been chasing him about the story. HISS advised "he couldn't have been righter had he been inside the department, but I don't see that that means we can say anything to the other people and I don't know where he got it." HISS stated there had been a telegram prepared to send out to Teheran. He further stated, "This is the issue as it has been posed now--well, ever since we thought about the investigating possibility. Up until then there seemed only one alternative, to drop it." He advised a telegram had been sent to ~~GEORGE ALLEN~~ but he does not know whether there has been any reply yet.

Conversation dealt at length with matters of a State Department nature and fragmentary information obtained by informant did not permit identification of all matters discussed. In the course of the discussion they referred to a Moscow radio statement as it affects instructions that were probably given to ALA and its bearing upon the inquiry into certain matters. Conversation appeared to refer to the Russian occupation of Iran and investigation into the reported withdrawal of Russian troops.

On the same date, a person known to informant as ~~LOY HENDERSON~~ contacted HISS advising he was at his office. The two men discussed matters which appeared to relate to the security council and State Department policy matters. They referred to action being taken by the British, as well as unidentified resolutions which had been sent to various governments. The discussion appeared to revolve about the Iranian dispute in which the Russian troops' withdrawal is a matter of issue.

On May 27, 1946, ~~CATHERINE HISS~~ contacted ~~PRISCILLA HISS~~ and discussed family matters at which time ~~PRISCILLA~~ indicated ~~ALGER HISS~~ is not certain about his vacation but wants to go to LIB's wedding on June 30, 1946, and after that go up to Vermont.

On the same date ~~HELEN NICHOL~~ of the State Department contacted ~~PRISCILLA HISS~~ to advise Mrs. ~~BRUNAUER~~ had scheduled the dinner for May 28, 1946, at 7:30 p.m. in the Parrot Restaurant.

On May 28, 1946, an unidentified person known to informant as BEN (possibly ~~BEN STRAUSS~~) contacted ~~PRISCILLA HISS~~ advising he arrived in the city on May 27, 1946, about 4 p.m., and that MARGO was on a train coming from Chicago. He was invited to dinner at the HISS home that evening and accepted.

On the same date an unidentified person known to informant as HENRY contacted ~~PRISCILLA HISS~~ and advised he was "going back this afternoon." Subsequently this individual was referred to in conversation as BEN. Informant was unable to ascertain the identity of this person from the personal conversation between the parties.

On the same date a woman by the name of ~~HENRIETTA MOORE~~ (wife of a Captain MOORE of the U. S. Navy) contacted ~~PRISCILLA HISS~~ and discussed renting summer places. She indicated she spends her summers at ROBERT LEISHMAN's place near Chain Bridge. Mrs. HISS advised ~~DOROTHY WOOD~~ is a close friend of hers and might be of some assistance in solving the rent problem. Mrs. HISS further indicated she wants ~~HENRIETTA~~ and ~~LAMONT~~ to come to her house for supper sometime soon.

On May 29, 1946, Mrs. HISS contacted the State Department to advise ~~ALGER HISS~~ was still quite ill and would not be at the office on this date. Subsequently, Mrs. HISS made arrangements for ~~ALGER HISS~~ to go to the office of Dr. ~~TRIBBLE~~ (phonetic) apparently in some relation to ~~ALGER HISS~~'s illness.

In addition Confidential Informant [redacted] advised on May 23, 1946, that S. G. BLOOMFIELD, 2131 Valejo Street, San Francisco, California, corresponded with MARY JANE KEENEY and among other things advised the following pertinent information:

HARRIET EDDY's Telephone Number is Palo Alto 2-5386; PELEBET's Telephone is Underhill 5-456; BERT's Office Telephone is Glencourt 7512, Oakland, California. BLOOMFIELD also said that the SERBERS did not have a listed telephone. It was also indicated in this correspondence that MARY JANE KEENEY may soon visit in San Francisco, California, as it was noted by Informant [redacted] that BLOOMFIELD stated he was awaiting her arrival in San Francisco.

SAMUEL GEORGE BLOOMFIELD

A review of the indices of the Washington Field Division reflected an Internal Security - R file entitled, "SAMUEL GEORGE BLOOMFIELD, was.," San Francisco, origin. This individual was also investigated by the Bureau in 1942 as an applicant for a position with the Office of the Coordinator of Information and it is believed he is identical with S. G. BLOOMFIELD, correspondent of MARY JANE KEENEY.

BLOOMFIELD was born September 8, 1892 in Russia and received his American citizenship through the naturalization of his father on September 20, 1910, at Dover, New Hampshire. He entered the U. S. Government Service, November 7, 1935, as an Area Supervisor for the U. S. Public Health Service and was employed by the W. P. A. from 1938 to 1938 and the Library of Congress, Washington, D. C., from 1939 to 1941. He is known to have had Communistic tendencies since 1935 and the Dies Committee indices reflect that BLOOMFIELD was a member of the MARIAN ANDERSON Citizens' Committee, the American League for Peace and

Democracy and the Washington Book Shop, all in Washington, D. C. His name appeared in the Daily Worker newspaper as the translator for the publication in England of a Russian brochure entitled, "BALZAC, A Marxist Analyst". BLOOMFIELD was also reported by informants of the Washington Field Division as being a contact of MARTIN CHAUCEY, City Secretary of the Communist Party of the District of Columbia in 1942.

SECRET

While BLOOMFIELD was employed at the Library of Congress, Washington, D. C., [by the Division of Special Information (Office of Strategic Services) as a Research Assistant,] he was interviewed under the provisions of the Hatch Act. At this time he admitted membership in the Washington Book Shop and also membership on the Board of Trustees of the Washington Book Shop, Washington, D. C. He also admitted having attended a meeting of the American League for Peace and Democracy but denied membership.

On October 30, 1942, BLOOMFIELD terminated his employment with the federal government by resignation and moved to San Francisco, California. Investigation there reflected that he was in contact with the TOM MOONEY Labor School, allegedly controlled by the Communist Party. He also was believed to be active in the American-Russian Institute in collaboration with LOUISE BRANSTEN, a prominent communist in San Francisco. BLOOMFIELD is known to have visited at the home of LOUISE BRANSTEN on February 6, 1945, and to have given a check on his personal bank account to American-Russian Relief for \$30.00 on January 30, 1945. As of April 23, 1945, BLOOMFIELD was employed as an Information Officer for the British Information Services, San Francisco, California.

DR. MILTON LEOF

Concerning Dr. MILTON LEOF, 322 South 16th Street, Philadelphia, Pennsylvania, who corresponded with MARY JANE KEENEY on May 18, 1946, a review of the indices of the Washington Field Division reflected that DR. MILTON LEOF was the subject of an Internal Security - C investigation in Philadelphia during 1943. At that time he was reliably reported by informants of the Philadelphia Field Division to be a communist and to be a member of the Communist Party Unit of Doctors and Dentists in Philadelphia. His father, MORRIS V. LEOF, M.D., has headed many communist front organizations and his sister, MADELIN BLITZSTEIN, nee, LEOF, was in 1943, Secretary of the Russian War Relief and a suspected communist. DR. MILTON LEOF was last reported to be a practicing dentist in Philadelphia and was reported to have been a member of the Medical Unit of the Spanish Brigade during the Spanish Civil War.

CAPTAIN HERMAN ZAP

Reference is made to Captain HERMAN ZAP, O-579750, care of American Embassy, Paris, AFO 889, who corresponded with MARY JANE KEENEY on May 7, 1946.

The report of Special Agent LAIBERT G. ZANDER dated March 28, 1946, of instant case, reflects that Informant [redacted] advised that WILLIAM L. ULLMAN, subject of instant case, while a member of the U. S. Army Air Corps contacted Captain ZAP overseas and stated that ZAP had been most helpful to him (ULLMAN). *W*

A review of the indices of the Washington Field Division reflected that a Hatch act investigation was conducted in 1942 concerning EDITH SCHREIBER ZAP, wife of Captain HERMAN ZAP, ASN O-579750. The investigation was instituted upon the allegation that EDITH ZAP had strong communistic sympathies but the investigation of her in Washington, D. C., failed to reflect any association with any un-American organizations. It was noted that EDITH ZAP was born at Rymnow, Poland, April 5, 1919, and she was naturalized through her father in 1927. *b2 b7D*

Captain HERMAN ZAP was born May 2, 1911, in New York City, of Russian-born parents. He received a B. S. degree in Mechanical Engineering in 1934 and a M. A. degree from Columbia University in 1937. He was appointed a Second Lieutenant in the U. S. Army on April 16, 1943, and received his Captaincy April 26, 1945. In connection with CHARLES KRAMER's activities in Los Angeles, it is interesting to note that an item appeared in the issue of Time for May 27, 1946 wherein the PATTERSON campaign is discussed. The Time article states that California Democrats had been called by Attorney General BOB KENNEY to treat each other with mutual respect in the June 4 primaries and to save their spleen for Republicans in the fall, but last week both disrespect and discord cropped up. Most of the Democratic regulars were backing ex-Congressman WILL ROGERS, JR. for Senator. The Hollywood Independence Committee for the Arts, Sciences and Professions, the Political Action Committee and left of center A. F. of L. Unions were electioneering hard for Congressman ELLIS PATTERSON "who has often shown an agile adherence to the Communist line". The Time article further stated that a "ROGER" campaigner went on the air to rattle a few skeletons in the PATTERSON closet: 1) a left wing supported candidate was a turncoat Republican. 2) He had been a vociferous isolationist. 3) In 1940 he had called F.D.R. a "warmonger". CIO P.A.C. campaigner SLIM CONNELLY was quoted in the item as saying "When we get through there won't be any Democratic Party.....It will be an entirely new party.....after the primary the guys who now call themselves Democratic leaders.....will be so isolated you won't be able to find them. The new party is going to be the party of the people—the worker." ~~(u)~~

According to the report of Special Agent THOMAS F. FERGUSON, dated January 20, 1943, at San Francisco, in the case entitled "ELLIS ELMWOOD PATTERSON, Departmental Applicant, United States Marshal, Southern District of California", ELLIS ELMWOOD PATTERSON was born in Yuba City, California on November 28, 1898, attended the University of California from 1917 to 1921, receiving an A.B. degree. After several years activity in the teaching profession, PATTERSON entered politics as assemblyman from Monterey County, California in 1932. He was admitted to the California State Bar November 1939 after attending Stanford School of Law and the University of California Law School. He was elected to the office of Lt. Governor in the state of California in 1938, serving in the administration of Governor CULBERT OLSON. He was defeated for reelection in 1942. While his ability is recognized by all political groups his name has appeared on letterheads

and literature showing his association either as speaker, sponsor, or officer with such Communist party front organizations as the California Committee of 100 for Political Unity, Western Consumers Union, Friends of the Abraham Lincoln Brigade, Veterans of the Abraham Lincoln Brigade, San Francisco Coordinating Council for Peace, The Yanks Are Not Coming Committee, California Youth Model Legislature, Medical Bureau to Aid Spanish Democracy, American League for Peace and Democracy.

Circulars identified PATTERSON as speaker at the mass meeting held at San Francisco on October 27, 1935 celebrating release of eight persons including such known Communists as ~~MORRIS~~ ~~OKLIN~~, ~~ALBERT~~ ~~BOUARDE~~, ~~CAROLINE~~ ~~BUCKER~~ and ~~JACK~~ ~~SMITH~~, all previously convicted under the California State Criminal Syndicalism Act. The December 9, 1937 issue of the Communist paper "Western Worker" published a letter from PATTERSON, which letter was one of greeting and welcome to the "People's World", West Coast Communist news organ. The name of Mrs. E. ~~PATTERSON~~, wife of Representative PATTERSON was found to be recorded on a receipt book of the Communist Party in Sacramento, California as having contributed to a subscription found in 1938 to take care of the financial end of the "People's World".

On January 1, 1938 PATTERSON's name was listed in the "Daily People's World" as having sent greetings to that publication.

SECRET

During the period May 15 through 31st inclusive no information of value to this investigation has been received from the mail cover maintained on LEE's residence at 1522 31st Street, N.W., Washington, D.C.

It was confidentially ascertained on May 17, 1946 that EDNA GISS contacted MARY WHEELER and stated that DICK WHITE was working for the Chicago Housing Authority. It was ascertained on May 23, 1946 MILLER contacted FRANK JELLINECK concerning a journalistic venture in Mexico City. MILLER appeared favorable however they indicated that GREGG was somewhat unfavorably disposed. JELLINECK commented "We'll go ahead with DUNCAN LEE" indicating that LEE would take it if GREGG and MILLER did not. It was confidentially ascertained on May 25, 1946 that Mrs. GIBBS at the LEE residence told MARLYN COLEMAN that ISHBEL LEE still hoped to make the trip to England as soon as possible. May 16, 1946 Informant advised that BEATTIE MAGDOFF contacted HARRY at work to ascertain if he had enough money in their bank account to pay their rent and also the rent of PEARL AXELROD. *ku*

On this date Mrs. PHIL GATES contacted BEATTIE asking the telephone number of the woman handling the reservations for the lunch the League of Women Voters was giving at the George Mason Hotel in Alexandria. BEATTIE advised Mrs. GATES that MARGARET JONES was handling reservations. She asked Mrs. GATES to contact Mrs. TOM JONES to find out whether people could come in after the luncheon when they have the radio program. Mrs. GATES told BEATTIE that they have appointed Mrs. BROWN and her niece to go to Richmond to look up all the Jim Crow laws on the books. Mrs. GATES said that Mrs. TOM JONES was President of the American Women's Party but had told Mrs. GATES to keep this a secret. BEATTIE said that they need women in the League who are well known and looked up to even though they won't be too faithful as workers. *ku*

On this date the informant advised BEATTIE contacted a Mrs. KURTZ (ph) to ascertain if she would take over the Hospitality Committee of the P.T.A. next year. Mrs. KURTZ declined. *ku*

The informant advised that BEATTIE contacted Mrs. ENDICOTT (ph) who agreed to take over the lunch committee of the P.T.A. until her husband received an over-seas assignment. On this date Mrs. SANDS (ph) accepted the duties of chairman of the Hospitality Committee for the P.T.A. during the next year. *ku*

HARRY MAGDOFF attempted to contact HERB but EDITH advised that HERB would call him later. *ku*

DOROTHY PHILLIPS (ph) advised HARRY MAGDOFF that she would visit them this evening. *ku*

On this date an unidentified man informed HARRY MAGDOFF that they desired to come over and congratulate BEATTIE on her election as President of the P.T.A. However HARRY advised him that they would not be able to come in view of a P.T.A. meeting. HARRY informed the unidentified man that BEATTIE was also in Kansas City for the League of Women Voters and the man said that the next thing BEATTIE must do is to defeat SMITH and BYRD. HARRY agreed but said that SMITH wants to run in GLASSER's place. The man told HARRY to take a look at LOWELL MILLER in the STAR tonight. His column is on the miners. HARRY told him that he had to write a memo on it for the Cabinet meeting tomorrow. *ku*

SECRET

~~SECRET~~

Informant advised that HERB called HARRY MAGDOFF on this date and HARRY asked him if he had been thinking about the coal strike. HERB advised HARRY that he had been monkeying around with it but not very effectively. He told HARRY that KILGORE was putting in an investigation which was approved by the Education Labor Committee but it was going to be rough going. HERB said he hoped they would fight it out to make that a substitute for the whole business, but the guys who are handling the thing are not tough floor operators. He advised HARRY that KILGORE is putting an amendment to the CASE Bill tomorrow in the way of a substitute to have federal enforcement of the safety precautions. He said that the Health bill is being considered and will also be taken up. He told HARRY that KILGORE thought it was the right thing to do although he might "catch it" from three ways, namely, from the miner, operators and state machine. HERB said that the individuals were for it but the union guys may figure it's messing up negotiations. HARRY said the Cabinet meeting has it on the agenda tomorrow and HENRY WALLACE was wondering what his position should be with regard to the situation. HARRY said he gave WALLACE a memo last week pointing out that the Government is overlooking the basic issues, that there is something of real concern there that the Government is responsible for and should participate in. HERB said he was thinking what would be a Government proposal, to support JOHN L. outright or what. And it seemed to him there were two things that could be done, one is that the Government could support the proposition KILGORE is putting in tomorrow, namely federal inspection of the mines plus enforcement of the inspection. *HW*

HARRY said that JOHN L. said the inspections were lousy but HERB replied that they were very good, in fact too good. HERB stated that the state inspections were lousy and the enforcement was worse. He pointed out that the federal government has no authority for enforcement. HARRY asked how the federal government could enforce them legally and HERB advised by law. HERB asked if the WAGNER-MURRAY-DINGLE Act was a 50/50 proposition but HARRY did not know. HERB did not think that more than three or four per cent of the payroll was needed for medical care. He thought a five per cent tax would not be out of line with the workers supplying one and a half per cent for the three per cent devoted to medical care and the two per cent from the welfare being made up entirely from the employers as an extension from the workmen's compensation. They agreed that this would be administered by the Government and HERB advised that there would be an Advisory Committee from the miners and the workers. HERB stated he thought that this was what WALLACE should come out for and HARRY replied that that is what he gave HENRY in the last memo. HERB told MAGDOFF that he would even let the proposal of WALLACE sneak out because he said to him that this would be a good thing and he would also get the mine inspection in. HERB said the miners were harder. *AC*

hit by cut backs than any of the other groups; that the miners make good money primarily because of working overtime. He said that the usual 18% formula could be modified here. HERB thought it would be good for WALLACE to champion the miners directly in an intelligent and straight forward manner, including the whole question of wages. As HERB saw it there were only three points:-

1. Health and Welfare.
2. Mine Safety.
3. Wage Rates.

HERB said that WALLACE should have a good sound position, a liberal but sound position on all of these three. He said that one should be very careful of the mine safety thing; that it should also be in the contract so the workers do not have to work in any mine that is not safe. HERB felt that this would be a good idea for WALLACE to follow. He wished that KILGORE was not so near election for it would be a good idea for KILGORE to do this. In HERB's opinion the Government should be in the position of a mediator on this. He said that if "these guys" were smart they would undercut LEWIS this way because the workers would not object to a one and a half per cent tax if they can get a supervised health and welfare fund. That is, supervised by the Public Health Service with an advisory committee from the union on the question of health and from the union and employers on the question of welfare. HERB said he would support the condition of only the union for health and both of them for the welfare.

HARRY said that it was good for the government to come in and take both sides and that he was thinking of including in his memo a statement that the Government should not consider taking over the mines unless they were ready to do two things,

1. Actually make some guarantees and to start it in the period of operations that any wage negotiations should be retroactive.

HARRY said that this sounded wonderful and that he would do something on it. He said the thing to do was to get this memo out through DREW (PEARSON?) or somebody like that. HERB told HARRY that the UAW is looking for a research man as Assistant Research Director to WICKERT. HARRY suggested MARCEL KISTIN (ph) who is trying to get the job. HERB asked what HARRY thought about HAROLD WEIN. HARRY thought WEIN a good man and stated that MONTGOMERY and REUTHER owed WEIN a debt but he didn't think WEIN would be good for the "other guys". HERB said he knew WICKERT pretty well, having met him a lot on committee work and WEIN stopped in his office and told him

about the job. HERB advised that KILGORE was going to see SNYDER tomorrow and if he could make some suggestions to SNYDER on this whole thing it might do some good. HARRY will contact HERB before 4:00 PM when KILGORE has his appointment and let him know what has transpired at the meeting. *qu*

On this same date the informant advised that HARRY contacted ED FITZGERALD and advised ED that he was going to the 1:30 meeting tomorrow and HARRY said that he wanted his advice on a memo he is writing which is as follows:-

1. The Government should come out strongly for a federally enforced mine safety regulation. *qu*

2. That there be a compromise on the welfare business; that they divide the thing into health and welfare; that on the health they follow the WAGNER-MURRAY-DINGLE bill when operators and miners contribute one and a half per cent each and that the miners contribute two per cent for welfare which would be five per cent instead of the seven per cent LEWIS is demanding; that the health be administered by the U. S. Health Service with a miner's Advisory Committee and a joint union operator committee on the welfare. *qu*

3. Is on wages. They may need more than 18%. *qu*

4. That the Government should seize the mines before truce is over and operate them according to the principles of this program and will work out within six months a compromise on wages, etc. *qu*

ED said that it all sounded good with the exception of the last one. ED thinks that they should seize the mines and announce that any compromise will be made retroactive and accompany this with saying that there is governmental policy. ED suggests that he talk to HERB (FUCHS) on this. *qu*

HARRY told ED that MARCEL KISTIN called him concerning a job with WICKERT and HARRY is going to talk to ARTY (may be ARTHUR STEIN) about him. *qu*

May 17, 1946. CATHERINE STONE in Lisbon (ph) Pennsylvania, sent the following Estern Union wire to BEATTIE, "My special love and congratulations for a splendid year's work. I am brokenhearted not to be there. I know you will do a super job today. I shall be thinking of you." CATHERINE STONE was probably referring to the luncheon of the League of Women Voters to be held on *qu*

On this date PEGGY NIERENBERG contacted BEATTIE who advised PEGGY that they would come out Sunday.

AMELIA PERAZICH contacted BEATTIE and told her that they could come for dinner any night because GEORGE, her husband, told her that this other man is on his first trip to the United States and consequently has no friends here. Therefore any night would be agreeable with him.

On this date HARRY MAGDOFF's father informed HARRY that SAMUEL MAGDOFF, a Captain in the U. S. Army, is already back and coming home next month.

The informant advised that BEATTIE MAGDOFF and Mrs. CAROLINE PLANCK discussed the Alexandria League on this date, at which time BEATTIE had two suggestions:-

1. That contacts be made with high school teachers and that League material be furnished the teachers.

2. BEATTIE felt the Alexandria League could be built up through labor groups; that they could get labor contacts from Mr. and Mrs. HARDMAN, active laborites and try to form groups among them. BEATTIE stated that a membership chairman should be lined up and they should prepare this summer for a membership drive in the fall. CAROLINE talked on suggested radio programs and BEATTIE suggested a program on Russia based on popular belief of Russia trying to plunge the world into another war. CAROLINE was cautious of it. However BEATTIE suggested that they point out how many people the Russians lost and the fact that they don't want and can't afford another war, thereby steering away from controversial matters.

CAROLINE told BEATTIE that she can get a private unlimited business phone instal led in her home on the Oxford exchange for League business and it will give the League a listing.

On this date HERB SCHMIDEL was advised he could reach HARRY MAGDOFF at Temple 6394 where HARRY was sitting for some friends, Lt. J. H. HEXTER, 3214 Valley Drive, Alexandria, Virginia.

LONG explained that all the CAF-15's were taken but there probably would be something available in a lower grade. LONG agreed to see the two "guys" any time. On this date BEATTIE advised PEGGY NIERENBERG that they should arrive at her house around 3:00 PM in view of the fact that they were going to drop by and see an old friend of HARRY's who went to school with HARRY when "he was three years old". *ku*

HARRY said, "That's right and is he going to insert something?" HARRY asked JOE if he knew what he was going to insert and JOE replied that it was going to be the same thing he told PHIL HAUSER. The Secretary told JOE that he was going to say nothing about outlawing strikes. HARRY asked what the Secretary was going to say and JOE replied that the Secretary would say that Congress had better be careful and not do anything rash, and that you have to work out some kind of mechanism for these sort of strikes. HARRY asked "And is he also going to say you got to take time to develop the mechanism and it's better to do it after the hear." JOE replied, that he made that point to the Secretary and he is going to make it. JOE wanted to know what happened and HARRY said it was very serious and he can't tell about it over the phone. JOE said "Oh, damn it, I told GALE SULLIVAN not to push that point". HARRY said he doesn't know if that's what they are going to do. What has been decided at the White House nothing can be done about. The Secretary couldn't do anything about it. HARRY said it is not going to be troops. It will be some other procedure which HARRY cannot tell over the phone. PHIL HAUSER has talked to WALLACE and he was going to call him again before the broadcast. HARRY said PHIL has all the dope on the thing and JOE said he would see HARRY Monday morning.

BEATTIE advised MELBA, upon her inquiry, that CY is a doctor at the Department of Interior and handles the medical program for transient farm labor. BEATTIE told AMELIA that she was supposed to be at a meeting at this time and AMELIA asked her "which group do you work with?" BEATTIE said, "The League of Women Voters". "I wish they were at the bottom of the ocean. It is a group of detestable people and they are doing nothing at all. I am tired of them." AMELIA said that one of these days BEATTIE would realize her hard work has been rewarded. She asked BEATTIE if "JANE STONE" also works with them over there, and BEATTIE replied that JANE worked hard but she never talked like this.

He described the man who sat in the back seat with the two ladies as 35 to 38 years old, spoke with a foreign accent. He was unable to furnish any description of the lady passengers. He said that the men talked about some friends of theirs going back to Prague about the first of the month. They also conversed concerning construction work. SYMONDS was under the impression that some of these passengers may live at Kaywood Gardens, located at Eastern Avenue and Upshure Streets, in Washington, D. MARKS is a widower with two sons, both of whom reside in Danville and assist him in his business. These sons are ROYAL L. MARKS and VICTOR J. MARKS. Both have excellent personal reputations. It was also reported that the third son, HERBERT S. MARKS, is supposed to be an attorney for the Government and has been characterized as the "smart aleck" type. This family is of Jewish extraction. With reference to ROBERT L. MARKS, as has been previously stated, no derogatory information was developed. He never travels and lives a very quiet life.

~~(S)~~ (C) As the result of a mail cover placed on the subject's residence, 1518 26th Street, N. W., Washington, D. C., it was ascertained that MARKS received a letter postmarked May 6, 1946, from 4615 Penn Street, Philadelphia, Pennsylvania. It was requested of the Philadelphia Field Division that they ascertain the identity of the sender and in a letter dated May 27, 1946, they advised that the sender of the letter was BERNICE MARKS ADELMAN, a stenographer, born April 29, 1918, at Catawissa, Pennsylvania. Further information about her in the Registration Commission shows that she is a life-long resident of Pennsylvania and has lived two and one-half years in the present election district. On April 26, 1945, the date she registered, she was described as follows:

On May 17, 1946, a confidential source at the Statler Hotel, 16th and K Streets, N. W., Washington, D. It is to be noted that a physical surveillance maintained at the State Department on that date failed to confirm any meeting of OPPENHEIMER and MARKS.

~~SECRET~~Physical Surveillances

As the result of a physical surveillance maintained at the home of the subject, 1518 26th Street, N. W., it was determined that on this date at 9:23 AM the subject left his residence and walked to Q Street, N. W., and hailed a taxicab, license number 20934, and proceeded down Connecticut Avenue to the corner of 17th and G Streets, N. W. MARKS paid the cab driver, crossed the street and entered the northwest 17th Street entrance of the State Department building at 9:37 AM. Continued surveillance that day failed to reflect any further activity on the part of the subject.

As the result of a physical surveillance maintained on May 16, 1946, at the southwest entrance of the State Department building, it was noted that at 2:00 PM the subject walked down the street with an unidentified white man and engaged the unidentified man in conversation for several minutes at the foot of the steps by the southwest entrance of the State Department building. When they parted, MARKS entered the building and the unidentified man proceeded down 17th Street to Constitution Avenue, going to Constitution Avenue and 18th Street, N. W., where he entered the Navy Department building. It was observed that this man occupies a glass partitioned office to the left of the entrance of Room 1026 of this building. It was also noted that these offices are occupied by the Fiscal Director. The observed description of the unidentified man is as follows:

| | |
|--------|--|
| Height | 5 feet 10½ inches |
| Weight | 175 pounds |
| Hair | Dark brown with a bald spot at the rear |
| Nose | Medium size, slightly hooked |
| Dress | Brown suit, white shirt, maroon tie, black shoes, and no hat |

Further efforts will be made to ascertain the identity of the unidentified man and will be reported in the next report.

On May 17, 1946, the subject was observed to leave the southwest entrance of the State Department building and to proceed up 17th Street to Casey's restaurant located on 17th Street between F and G Streets, N. W. MARKS entered the restaurant and had luncheon. It is to be noted that MARKS dined alone and at 2:00 PM left the restaurant and retraced his steps to the State Department building, entering the building at approximately 2:06 PM. No further activity was noted on the part of MARKS on this day.

A physical surveillance maintained at the residence of MARKS, 1518 26th Street, N. W., Washington, D. C., revealed that at 9:20 AM MARKS appeared and walked up 26th Street to East Street and hailed a taxicab

operated by W. H. PETTY, license number 18518. As the taxicab proceeded down Connecticut Avenue, it was hailed by a middle-aged woman who accompanied the subject for the rest of the trip to the State Department Building. MARKS disembarked at the State Department building and entered the northwest 17th Street entrance. The woman passenger proceeded to the Federal Reserve Building, 20th and Constitution Avenue, N. W., entering the building at approximately 9:35 AM.

On May 21, 1946, a physical surveillance maintained at the residence of MARKS at 1518 26th Street, N. W., from 3:15 PM to 8:45 PM revealed no activity on the part of the subject on this day.

On May 22, 1946, a physical surveillance conducted from 3:30 PM to 9:00 PM reflected no activity on the part of the subject other than at 5:05 PM the subject's wife, driving their car, arrived at home and at 5:08 PM the subject's wife and child walked up and down in front of the house, going into the house soon after. There was no other activity on this day.

The physical surveillance maintained at the subject's residence, 1518 26th Street, N. W., on May 24, 1946, at 5:50 PM revealed that an elderly, gray-haired woman walked up the street to the subject's home and rang the front door bell. Since there was no apparent answer to the summons, she left the subject's residence and walked back down the street, proceeding along P Street, 27th Street, down 27th Street to Dumbarton Street, and entering a house on Dumbarton Street between 27th and 28th Streets. She was observed to be wearing a gray dress with yellow figures and a small, white, frilly hat and black shoes and she was ascertained to be from fifty to fifty-five years of age.

At 6:05 PM the subject's wife and an unidentified woman wearing a gray suit, red blouse, a Leghorn hat, and accompanied by the subject's child walked up 26th Street from P Street and entered the subject's residence.

At 6:10 PM the subject's child came out and played in front of the house, being supervised in his play at 6:25 by the unidentified woman. The unidentified woman and the child reentered the house at 6:40 PM.

At 7:10 PM MARKS walked from P Street up 26th Street to his residence and entered it. It is to be noted the subject evidently came from the bus stop on P Street.

At 7:15 PM the subject, wearing a blue suit, and his wife, wearing a red dress with large white polka dots and a fur neckpiece, got into their car and proceeded through downtown Washington to the Dodge Hotel, Union Circle Plaza. The subject parked his car in a parking lot across from the Dodge Hotel while his wife waited on the sidewalk. In a few minutes the

subject joined his wife and together they proceeded into the Dodge Hotel, stopping first in the lobby and then getting into the elevator. Because of the physical setup of the lobby, it was impossible, without being observed, to ascertain the immediate destination of the couple. Subsequent efforts failed to reflect their immediate destination. At 9:10 PM the subject and his wife reappeared, walked down the street to the parking lot, and proceeded back through downtown Washington to their home. Subsequent efforts to ascertain the room which the subject and his wife visited have resulted negatively.

Later on the same day MILLER contacted the Parkside Hotel in New York City and asked to speak to Mrs. CARROLL JANEWAY. During the conversation between MILLER and Mrs. JANEWAY, she stated she was about to finish her new book, and it would be published in the fall. BOB advised he had been looking around for stores but he had not been able to find any. Mrs. JANEWAY, who was addressed as CARRIE by MILLER advised she was opening a factory in Buenos Aires soon, and it was going to be financed by her South American friend, and it was to be operated by his daughter. She added she would have to make a trip to Buenos Aires to instruct the people there in her methods, and she stated she has patented her work in South America but hasn't done so in the United States.

Later CARRIE spoke to JENNY MILLER and advised she saw DAVID SMITH and his wife at MILLIE CONSTANTINE's. She told JENNY MILLIE's husband is an Austrian.

On May 20, 1946, JENNY MILLER contacted HERMAN FISHER at Camp Schley Inn at Frederick, Maryland, and made reservations for Decoration Day. However, these reservations were subsequently cancelled inasmuch as the MILLERS' car was undergoing repairs and they could not make the trip to Frederick. (The indices of the Washington Field Office were checked for information on HERMAN FISHER and CATHERINE FISHER as were the indices of the credit bureaus and the Metropolitan Police Department, with negative results. The credit and criminal records in Baltimore were also checked with negative results concerning the FISHERS.)

On the same date JOE GREGG, who is a subject in the SILVERMASTER case, contacted MILLER and they discussed FRANK JELLINECK who had previously contacted both MILLER and GREGG concerning the purchase of the mailing list of "The Hemisphere."

On May 24, 1946, ROSE GREGG, wife of subject JOSEPH GREGG in the SILVERMASTER case, contacted ROBERT MILLER and they engaged in a lengthy conversation regarding the business proposition offered to MILLER and GREGG by FRANK JELLINECK. ROSE advised MILLER JOSEPH GREGG is out of town, and that he can be reached in New York at telephone Main 2-2118 which is the residence of Mr. NATHAN LIEBERMAN, and that if GREGG is not there he may be at KATTS', telephone number Algonquin 4-8684. She gave MILLER another number which was New Rochelle 2619 and added this is the number of BOB DUNOF. Subsequently, MILLER tried to contact JOSEPH GREGG in New York, but was advised GREGG had left New York for Washington, D. C.

On May 25, 1946, JENNY MILLER received an invitation to a cocktail party from SUE HASSETT (phonetic).

On May 26, 1946, Dr. MORSE (who has been previously reported) contacted ROBERT MILLER and made a date for an appointment on Monday.

The following information concerning the subject's activities from May 16 to 31, 1946, was reported by [REDACTED] x u b2 b7D

On May 17, 1946, BEADIE MAGDOFF contacted Mrs. PERAZICH to ascertain what night the PERAZICHES would be able to visit them, and AMELIA advised they could make it most any night as it was the first trip to this country for her Russian friend from Yugoslavia, and consequently, he did not know anyone here. x u

On May 18, 1946, BEADIE and AMELIA made arrangements for the PERAZICHES to visit the MAGDOFFS on May 22, 1946, and bring their Russian friend with them. x u

On May 22, 1946, BEADIE MAGDOFF contacted Mrs. PERAZICH and requested that they come to her house for dinner on May 31, 1946. At this time she also invited Mr. TOMASAVICH and Mr. KRASIUKA. AMELIA told BEADIE they could not come on the 31st as GEORGE and KRASIUKA had reservations on the Queen Mary which was sailing from New York on June 1, 1946. In view of this, they agreed to make the dinner engagement for May 29, 1946. x u

On May 24, 1946, BEADIE contacted AMELIA to say she was expecting them on the 29th. AMELIA told BEADIE they had been to a wedding at the Embassy the previous night and had a wonderful time. She also mentioned YORSEL was there and asked about BEADIE. x u

On May 26, 1946, AMELIA contacted BEADIE and advised her that TOMASAVICH would not be with them on the 29th as he had gone to New York. x u

On May 28, 1946, BEADIE advised AMELIA they should be at the MAGDOFFS' home at 7 p.m. on the following day. She again mentioned at this time that TOMASAVICH had gone to New York and she guessed they would have to "do without the Russian influence." x u

The following information was furnished by [redacted] concerning the activities of subject REMINGTON from May 16 to 31, 1946. u

On May 18, 1946, REMINGTON tried to contact ~~JOE LOFTUS~~ of OES but was unable to do so. On a later date, ~~TAYLOR OWENS~~ contacted BILL REMINGTON and advised him she had gotten in touch with BOB WILLIAMS but could not reach JOE LOFTUS, and she gave REMINGTON ~~LOFTUS'~~ telephone number as Emerson 2089. (The indices of the Washington Field Office fail to reflect a record of JOE LOFTUS. The telephone directory lists JOHN A. LOFTUS at 5205 Sherrier Place, N. W.) u by b1D

On May 20, 1946, ~~BOB DAVENPORT~~ contacted REMINGTON and advised him he had sent a manifesto to Mr. SELLS in the economic section and stated SELLS' reaction was immediate and strong and very unfavorable. BOB stated Mr. SELLS is on his way out, and the new assistant director is to be GARDINER ACKLEY (phonetic) who was formerly connected with OPA in the chemical section. u

On May 25, 1946, ~~LUCY CONKLIN~~ advised BILL REMINGTON she knew a person who would like to take over the REMINGTONS' house while they were gone and gave his name as ~~BEN LOPEL~~ (phonetic) who, she stated, was a well known novelist. u

Later ~~VIRGINIA NEAL~~ talked to BILL REMINGTON and during the conversation it was understood that BILL would leave Washington sometime in September. u

On May 26, 1946, ~~JOAN REDMONT~~, who is the wife of a subject in the SILVERMASTER case, contacted BILL REMINGTON and advised him her husband BERNIE was still in Buenos Aires but he expected to go to Uruguay soon. She invited REMINGTON and his wife to a party which was to be held at 2138 F Street, N. W., in the apartment of DON ROTHENBERG who is JOAN's brother-in-law. u

On May 27, 1946, ~~VIRGINIA NEAL~~ again contacted ~~ANN~~ REMINGTON and during the conversation ANN told VIRGINIA that BILL had received an offer to teach from the University of Colorado, and he may accept the offer after he finishes his two-year job up north. (His two-year job up north probably refers to his position with Williams College.) u

On May 29, 1946, REMINGTON contacted his wife ANN and during the conversation ANN advised him she had received a letter from ROLAND ----- who would like to visit the REMINGTONS when he comes to town on Tuesday evening. The records of Stone's Mercantile Agency reflected a clipping dated October 14, 1943, taken from the Evening Star which stated as follows: "Called to active duty a few days ago was Captain HENRY HOLDSHIP WARE of 1731 New Hampshire Avenue, N. He instructed at Allegheny College in Pennsylvania before coming to Washington. He is a native of Montclair, New Jersey."

The records of the Credit Bureau reflected the following additional information. Mrs. ALICE WARE, mother of WARE, resides at 310 Riverside Drive, New York. WARE was discharged from the Army and will return to the Commerce Department. He recently purchased a home in Westover, Virginia.

SECRETRe: ALLEN R. ROSENBERG

The following information was received through the courtesy of [REDACTED] on May 17, 1946, BETTY STEIN told ALLEN ROSENBERG that she could not attend the party which was to be given that evening at the ROSENBERG home. *u* *by btd*

Shortly thereafter, Mrs. VAN DELAEN, occupying room 274 at the Wardman Park Hotel, spoke with ALLEN ROSENBERG saying she was a friend of ELEANOR LOWENTHAL (ph). ALLEN said that ELEANOR had written him about her. Mrs. VAN DELAEN said she had arrived in Washington that evening and would leave late on the following afternoon. Before leaving she desired to have a chat with him. He suggested that she come down to his office at 1822 Jefferson Place, N. W. on the following morning at 9:30. *u*

(Special Agent O. J. TORNBOM was advised by the assistant manager, R. KENN TREMAY of the Wardman Park Hotel, that the hotel register reflected the names of Dr. and Mrs. VAN DELAEN and Dr. and Mrs. AYER for the night of May 17, 1946. The home address listed was 1155 Park Avenue, New York City. A check of the Washington Field Office indices failed to reflect any record of Mrs. VAN DELAEN.)

On May 18, ERNA _____ chatted with the subject's wife, ERNA, about the party that had been given the preceding night at the ROSENBERGS. Among the guests were mentioned LESTER COHEN, LILLIE POSNER, WARREN and EMILY SCHARFMAN, WILLIAM and BEATRICE KOPOVITZ, HANK and CHARLOTTE FOX, EARL JONES and NATHAN HALPERIN. *u*

On May 20, ERNA was in conversation with EMILY SCHARFMAN and ERNA told her that ALLEN had not yet reached LEO _____. She said they would probably invite ARTIE TACHRACH who should fit in well. (Reference is probably to a party). *u*

On this same day, FAY GLASSER also talked to ERNA ROSENBERG. FAY, who is the wife of HAROLD GLASSER, subject in instant case, said that on the preceding Thursday she had attended the Mayflower party given in honor of President ROXAS, new president of the Philippines. Among the guests was TOM CLARK, the Attorney General. FAY said that on Saturday night there was a big party at the BERNSTEINS for the TAYLORS who had just returned from London. (Reference is to WILLIAM H. TAYLOR, subject in this case, who had been a representative of the Treasury Department in England, and who upon his recent return to the United States entrained with his wife and two children for the West Coast.) *u*

SECRET

SECRET

FAY stated that on Sunday night, IOLA GUENTHER (ph) and two girls were at her home for supper. These girls are going to occupy the TAYLOR home in London. FAY mentioned that on the following Saturday night she and her husband were invited to a cocktail party at PETE CURYAN'S (ph) and then to a party at the BERENSONS (ph). ERNA ROSENBERG at this point made the observation that the only parties attended by her and her husband in years have been those given by themselves. FAY said that on Friday she gave a farewell lunch for GIL MEYERS who was joining her husband in Germany. She said that besides her mother and father, nieces and nephews, CHARLIE and MARGO had been guests of hers. FAY and ERNA at this time discussed a play entitled "On Whitman Avenue". The author of this play, MAXINE WOOD, is their common friend. They mentioned that some of the New York papers said the play was propaganda. They expressed great eagerness to see it for they believed it was "terrific". (According to a review appearing in Time magazine on May 20, 1946 the play "On Whitman Avenue", produced by C.M.D. LEE and MARK MARVIN in association with GEORGE McLEIN, deals with a negro family which moves into a gentile white neighborhood and are eventually forced out as a result of racial friction. The Time reviewer described the play as flattish propaganda and flatter theatre).

At the conclusion of her conversation with FAY GLASSER, ERNA mentioned ALLEN would be going to Boston, Massachusetts for the week in June. ERNA said she did not think she would accompany him.

On May 26, CLAYTON SMITH asked ERNA and ALLEN ROSENBERG to have cocktails and Chinese dinner with her on June 5 or 6. ERNA begged off on the grounds that her husband would be going to Boston on Saturday night and would be gone until the following Sunday, and besides ERNA'S mother was coming to visit. CLAYTON and ERNA decided they would have a dinner party at 7:00 p.m. on June 12.

On this same day, May 28, ALLEN ROSENBERG told ERNA that BILL KOPLOVITZ had referred a case to him involving a cooperative that was supposed to have come to ROSENBERG in the first place but went to BILL instead. ALLEN said it had been decided to start this cooperative in New York— an F.I. station, hearings on which would begin in July. It would be a "sweat" to get started but it would be worth \$2000.00.

During the period of this report, May 16 to May 31 inclusive, no physical surveillances were conducted.

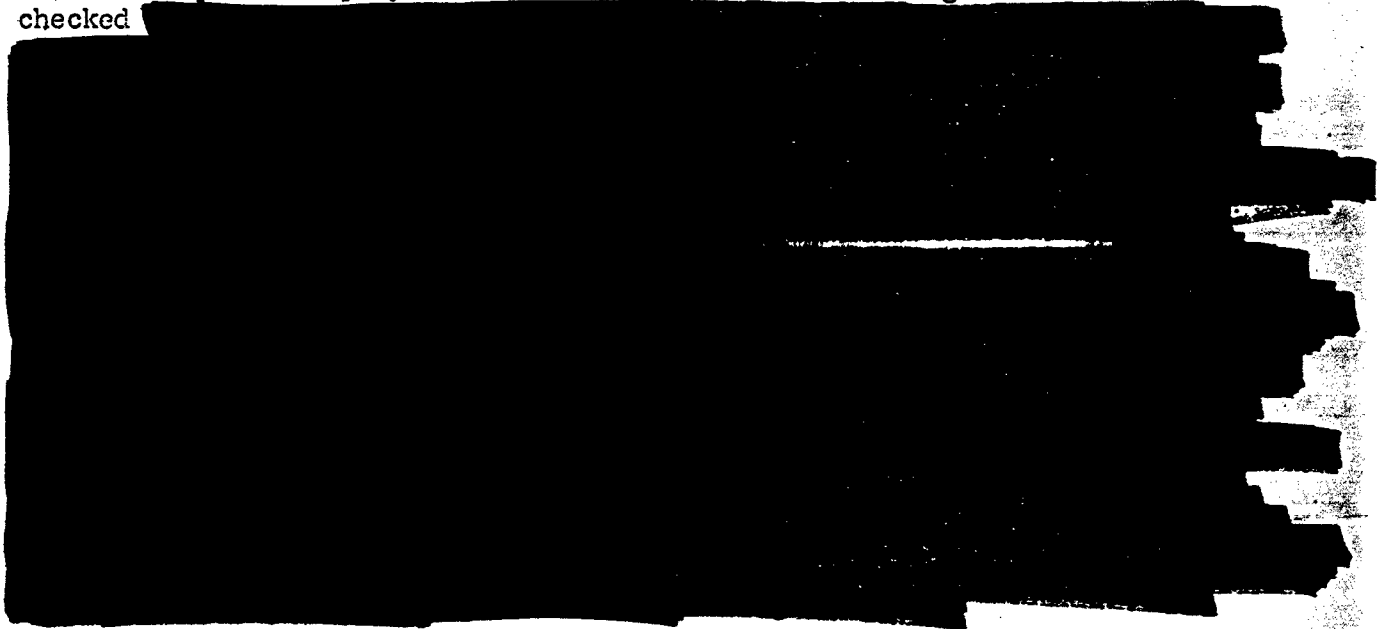

The mail cover maintained on ALLEN R. ROSENBERG'S residence at 6955 Brooks Lane, Brookmont, Maryland, had no productive results.

SALKIND, while an employee of the Department of Agriculture, was employed as Associate Social Science Analyst and was reported to be a member of the Washington Book Shop, the American League for Peace and Democracy, and the Washington Committee to aid China. It has been indicated that his name appeared on the active indices of the Washington Committee for Democratic Action, and it was stated that SALKIND was opposed to America's interference in European affairs and the Selective Service Act until Russia's entrance into the War and later favored all aid to Russia and Britain.

It has been determined that while an employee for the Farm Security Administration, SALKIND was a close friend of MARCEL KISTIN, a fellow employee. It will be noted that during the period that person previously identified as CAULKINS was visiting the SASULY's, he endeavored to contact MARCEL KISTIN, and it will be noted that KISTIN was among those invited to the party given by the SILVERMASTER's.

It will be noted that during the surveillance conducted at the home of DAVIS SNOW, 3230 N Street, Northwest, Washington, D. C., on April 17, 1946, which was attended by ELIZABETH SASULY and many others, an automobile was observed departing from SNOW's residence and proceeding to 3121 Quebec Place, Northwest, Washington, D. A review of the files of the Washington Field Office indicates that DAVID L. KROOTH in March, 1942, was employed as an Associate General Counsel, United States Housing Authority, Federal Works Agency, and that he was included in the House Un-American Activities Committee's list of

RE: HELEN SCOTT~~SECRET~~

From a confidential source known to Special Agent KENNERLY R. CORBETT the following information furnished by references of HELEN SCOTT and regarding HELEN SCOTT'S background was obtained.

SCOTT'S full name is HELEN GRAE RESWICK SCOTT KEENAN and her address formerly was 1331 30th Street, N. W., Washington, D. C. One of her references given on an application was S. P. KRIDANOVSKY, Chief, Research and Technical Service Division, Procurement Division, Treasury Department, Room 6046, 7th and D Streets, S. W., Washington, D. C., who was referred to as having been one of SCOTT'S supervisors in the Department of Agriculture from 1938 to 1939.

ALICE JAYSON, Contributing Editor, Time Magazine, Number 14 West 49th Street, New York City, on January 4, 1946, reported that she had known HELEN SCOTT four or five years and recommended her very highly, according to this confidential source.

JOAN RODKER, Copy Reader, Time Magazine, also recommended SCOTT very highly, stating that SCOTT was a loyal American citizen.

Mrs. I. JOHANNET, Chief, Advertising Department Pour La Victoire, newspaper, 535 5th Avenue, New York City, also listed as a reference of SCOTT, was unable to furnish any derogatory information regarding SCOTT.

LOUIS J. DAUNAU, Advertising Manager, Pour La Victoire, 535 5th Avenue, New York City, stated that he first knew SCOTT in 1940 and stated, "Miss Scott was quite touchy as far as her American patriotism was concerned. We found that she often came to the defense of American principles far faster than one would normally expect of her. She would stand for no criticism in regard to American Democratic theories and practices and principles."

Mme. DENNERY, Chief, General Secretarial, French Mission des Colonies, 111 Broadway, New York City, stated that she had known HELEN SCOTT for a period of four or five years but that she did not like SCOTT inasmuch as SCOTT is an introvert, and "She tells me that she is clever and marvelous and so I agree with her, but I still keep an open mind and discount half what she says." Mme DENNERY suggested that Mr. S. KAGAN in Washington, D. C. would be in a better position to furnish information regarding SCOTT and stated that KAGAN once had charge of the Brazzaville Radio in North Africa and he could be contacted through Mr. BARREL, Services Administratifs, 1704 18th Street, N. W., Washington, D. C.

~~SECRET~~

~~SECRET~~

BERNARD G. SHERAU, Assistant Director, French Press and Information Service, 501 Madison Avenue, New York City, stated that he knew very little about HELEN SCOTT either derogatory or otherwise.

It has been determined that HELEN G. SCOTT of 1815 17th Street, N.W., Washington, D. C., registered at the Meridian Hill Hotel, Washington, D. C. for the period from May 7, 1946 to May 12, 1946, and upon her departure did not leave a forwarding address. It was reported that SCOTT did not make a reservation at this hotel in advance. It has also been determined that at SCOTT'S former address, 1815 17th Street, N. W., Washington, D. C., she has left no forwarding address; that she has received no mail at that address.

Confidential Informant [redacted] advised on May 23, 1946, that HELEN SCOTT told JOAN REDMONT that she was planning to leave for New York City the following day. Inasmuch as sources of information available to this office have been unable to furnish any information regarding SCOTT'S present whereabouts, it is probable that SCOTT is now residing in New York City. *W*

Confidential Informant [redacted] advised on May 22, 1946, that JOAN REDMONT contacted the RAILWAY EXPRESS AGENCY discussing some of her baggage which was to be picked up by the RAILWAY EXPRESS AGENCY. It was subsequently determined that this baggage consisted of three pieces, addressed as follows: *b2 b7D*

"From REDMONT,
3418 10th Place, S. E.,
Washington, D. C.

To HELEN SCOTT,
Will Call,
New York City, New York." *W*

These pieces of baggage were shipped by way of RAILWAY EXPRESS Receipt Number 76-05-07. The contents of this baggage were made available to Special Agents KENNERLY R. JORBETT and GEORGE E. DAVIS by a most highly confidential source known to those Agents. *b2 b7D*

The following articles of possible significance were noted in addition to information which had previously been provided by most highly confidential sources to Agents of this office:

(1) Letter dated Wednesday, April 12, 1944, in French, bearing the typed letterhead "Heliopolis House Hotel, Heliopolis, Cairo," addressed "My dear Helen" and signed "Pierre". A translation of this letter is quoted as follows:

~~SECRET~~

~~SECRET~~

"I am still at Cairo awaiting probable post in Algiers. Meanwhile, I hope to leave, if not next Friday, at least the following Friday, that is to say on April 21st. This stay is far from being unpleasant. I have met many friends here, seen beautiful things, have learned some interesting news; and above all, I have rested well. First of all, I have been staying with Raoul's brother, then I returned to the Heliopolis Hotel where I enjoy more comfort and independence. The weather is perfect and the sun invigorating. Cairo is a cosmopolitan city, inhabited by all types of people and talking all languages. The city's panorama, seen from the citadel or from the fourteenth floor is magnificent with color; terraces, minarets and cupolas with the nobly austere pyramids in the background or cliffs which dominate the city. The Nile, green or orange, varying with the seasons, palm trees, a caravan of camels complete the traditional oriental setting. My visit to the Pyramids with Costa one Sunday afternoon impressed me most as it was a wonderfully clear day. But I did not come here as a tourist.

"Since the war Cairo is also general allied headquarters of the Middle East and Balkan capital. One meets military people, men and women, of all the allied armies. The worldly center is the hall at Shepheard's Hotel where one meets British officers escorting such women as one might see in the American espionage films and men of state whose life appears to be a series of ministerial crisis. For the last ten days or so, one may meet the Governor General and his family. The atmosphere is rather unreal and fanciful, but the results of the passing event appear to be strongly jolted from time to time.

"Here is the schedule of my rencounters: Raoul, always in contact with ~~Schumberger~~ (presently in Syria), leads a very worldly and active life while awaiting the formalities for his departure to Afghanistan to be regulated. I met his parents who are very hospitable I had the great pleasure to meet Costa again, presently Lt. in the Greek army and working in the Greek Intelligence Department. Some time ago he was very ill with jaundice, but he is very well at the present time. He told me about all his experiences during the campaigns at Libya, Tunisia, Sicily and Italy as War Correspondent with the Greek troops and the Greek Navy. He still views life with the same interest, the same humor but also with a more profound understanding than formerly. I am very much interested in his friendship.

"The danger - (is it truly he?) who assists me a great deal, as you know, arranged to have me meet Jenkins here, the best comrade whom I had in the R. A. F. unit to which I was attached in France. I met him again with as much pleasure as I did Costa. He is much more serious, more mature, more interesting than he was four years ago without having lost any of his vitality. Again luck (actually pursues me) brought me face to face with a comrade from the Lycee Louis-le-Grand, who was passing through Cairo. I had not seen him for 14 years, but immediately found ourselves in harmony. He

has now left for Jerusalem and Istanbul where he is a delegate of the C. F. L. M. His name is Manac'h (?) and worked for a long time in Turkey with Jouve whom he likes very much, in spite of numerous quarrels with Boji. He had arrived from Algiers where Jouve informed him of the situation and asked him to see me when passing through Cairo. According to what he told me, Jouve dissolute at first now demonstrates a great activity. He is short of help like all other services in Algiers. The most informed place for me appears to be in London where there is a great deal of work to be done. In this light, I have written to Jouve and Manac'h (?) is to wire him from Jerusalem. As you may guess, I am anxious to be in Algiers and urge the delegation for my departure. I see them almost daily for that reason and also to meet the various ones. There, I see Le Guevel, particularly, who manages The Marseillaise at Cairo, a Breton who is very congenial, (Freeman, a Britisher of the F. F. L. who promised to find me an English writer (or might also be editor) for Brazzaville, Dement, chief of intelligence who is looking for an Arabian writer for us. I have seen the Eboue's rather often. I was particularly busy with Raoul, as we worked together on the conference (lecture) given by the Governor at the French Lycee and which was very well received. For two days Eboue has been at the hospital with an attack of paludism (malarial disease). Following his recovery, they will go to Alexandria for a visit, and then go to Jerusalem and then Beyrout. I met Mme. Melle (?) again, ex-Mme. Sol, who works at the branch establishment of the British Ministry of War Information. She seems very happy and sends her very best regards to all those whom she knew at Brazzaville. She informed me that Quigley, Lt. in the American army, is presently in Cairo, but I have not seen him.

"As you see, my days are quite busy. I spend some very happy moments with Costa, Jenks, Raoul and Le Guevel, but I am very anxious to be settled and to see Algiers. The change in climate has helped me a great deal and I am beginning to get a bit of energy and hope to get some color back and also a bit of weight.

"The date of my departure being uncertain, I sent the courier (?) which had been entrusted to me at Brazzaville for Jouve and Bonnet. It has left in the diplomatic pouch, by plane, Friday last. I shall busy myself for you, from the moment of my arrival in Algiers and you may all depend upon me to do the best possible with the errands and measures with which I have been charged.

"As for you, I hope you succeeded in sending me cash, my bottle-case and my other matters with Le Boulanger. If my departure is not soon, it will reach Algiers before I do. Also, I hope that Bernard considered my message of the 24th very carefully. If it is sent to me by courier, it is best to send it to me: "in care of Mr. Jouve, Agency France Afrique Algiers."

"How goes Radio-Brazzaville since my departure? I have not had the occasion to listen to it as yet. Have new ones arrived yet? Without doubt, Lespinasse who was expected at the time of my departure. Has the appointment of a new director been announced? I learned nothing in regard to that matter here. Nothing decided as yet, Manac'h (?) informed me upon his arrival here from Algiers. He also had heard the name of Gaulanier mentioned.

"Helen dearest, be assured that I do not forget you and that I think of you many times with affection and gratitude. You are one of the kindest persons I have ever met. Send my regards to everyone.

Love,

Signed: ~~X~~ PIERRE

This letter appeared to be personal in nature and dealt particularly with SCOTT'S former employment at Radio-Brazzaville in North Africa. The writer mentioned having dined with a person named JOJO, at which time they discussed "The Economy of Governments." He also mentioned "Desjardin" and added that "your faithful MAURICE is still at his post." The writer mentioned that politically "everything goes very badly," and mentioned that the return of Le Bret (? illegible) is acknowledged in Paris

This letter referred to the writer's transferring duty from Brazzaville to the Liaison Office, Dakar, French, West Africa, stating that he was taking over the new post for a Colonel DANIELSON "who is returning to Washington." The writer also mentioned that a Major RUSSELL B. TRIPP was replacing him at Brazzaville.

(6) A letter addressed to HELEN SCOTT in care of ALEX REUTHER, 2013 New Hampshire Avenue, NW, Washington, D. C from Buckmaster, 65 W. 11th St, NY, 11, NY, postmarked April 10, 1946. This letter apparently refers to some translation being performed by HELEN SCOTT in cooperation with HENRIETTA BUCKMASTER and MURIEL DRAPER for the WOMEN'S INTERNATIONAL DEMOCRATIC FEDERATION and relating to the Conference held by that organization in Paris, France, in 1945. This letter is being quoteu as follows:

"Dear Helen:

"I talked to Muriel Draper yesterday (who was incidently terribly sorry that she missed you at the Conference) and mentioned our conversation about the translation. She feels rather differently. She feels that as nearly as possible, a complete translation should be done, taking as much of the burauen of editing off you as possible and transferring it to me. This does not mean a word by word translation when there are repetitions, but a retaining as nearly as possible of the flavor and impact of the reports, for our great problem is to try to get across to our critics - and they are legion - the feeling and quality of the Paris conference.

"She also feels that a translation should be made of the reports and resolutions, so that the structure itself appears in the large pamphlet we are planning. However this would be the last part of your job, and she would check meanwhile, because I insisted that those translations had already been made. Summing it up, her feeling seems to be that we need as complete an account as possible. I don't know how you work; whether you naturally edit as you go along, or whether it would be easier simply to do rough translating. Whatever is easier is the answer. But more material than we discussed.

"Muriel was very anxious to hear from you the gist of your conversations with women or women's groups in Washington (what you mentioned to me over the telephone.) We need all the constructive advice we can get, and she asked if you would write as soon as possible and to her home, 322 East 58th St., NY, 22.

"I'd love to see you again, soon. I'm going to the country next week in order to get back to the book, but if you come up to New York for a few days, perhaps you could come up.

"Do let me hear from you when you have time.

"Affectionately,

s/ HENRIETTA

"My address after April 17 is simply Sharon, Conn."

ANDREW H. OLDER and his wife, ISABEL OLDER, are both registered Communists in the District of Columbia in 1946. JULIA OLDER, also known as JUDY is a sister of ANDREW E. OLDER.

The newspaper column "These Charming People" in the Washington Times Herald, May 9, 1946, contains the following article regarding the OLDERS:

"BE GOOD, SWEET MAID

"Not many hostesses invite their maids to cocktails when they're entertaining, though the enticements to which housewives will go in the privacy of their homes to keep a good maid are unlimited . . .

"At a recent party given by Andy Olaer, Washington newspaperman and his wife, their maid and her husband were among the pre-dinner cocktail guests.

"The Olaers had invited Representative Adam Clayton Powell and his dusky night club artist wife, Hazel Scott (who will become a mother at any moment), to dinner at their home. The Olaer "jewel" idolizes Hazel Scott and wanted to meet her, but not from behind a pantry door.

"So Mrs. Olaer invited her for cocktails . . . The maid dressed to the teeth, arrived with her husband, enjoyed herself thoroughly, and, at an appropriate moment later on, slipped into the kitchen and into her maid's uniform to serve dinner.

"The moral of the story is: The maid gave notice shortly thereafter, so that formula doesn't work either!"

The indices of the Washington Field Division indicate that ANDREW HERBERT OLDER was born March 7, 1917, at Hartford, Connecticut, and graduated with a B. S. Degree from Trinity College in Hartford in 1937. Since that time he has been employed in New York City and Washington as a newspaperman and writer. The Selective Service File of OLDER at Local Board 14, Washington, D. C. indicated in January, 1945, that he was employed as Washington editor of the following magazines:

Radio Daily, 1501 Broadway, New York City

From May 16 to 31, 1946, [REDACTED] furnished the following information concerning SILVERMAN. (S) u b2 b7D

On May 18, 1946, GEORGE SILVERMAN contacted an unidentified woman and told her about getting drunk at OSCAR ALTMAN's cocktail party the preceding evening. They left about 11:30 and OSCAR had to take them home. He made arrangements with this woman to meet her at a restaurant in Georgetown and they would then go for a walk out to 4400 Reservoir Road and then have dinner. (S) u

At 5:50 p.m., surveilling Agents EDWARD HUMMER and GEORGE McKENNA observed the automobile in which these individuals were driving stop at Tilden Hall Apartments, 3945 Connecticut Avenue, N. On the same date an individual identified by informant as LARRY HETES contacted GREGORY and HELEN SILVERMASTER and advised he had been in New

York but had recently arrived from Seattle. He requested an appointment with GREGORY SILVERMASTER and advised he was staying in room 643 at the Burlington Hotel but was somewhat incapacitated at this time and didn't want to go out. GREGORY SILVERMASTER mentioned he would attempt to contact him on the following day.

Investigation subsequently disclosed that LAURENCE I. HEWES, Jr., registered at the Burlington Hotel on May 20, 1946, and furnished as his permanent address 576 Tennyson Avenue, Palo Alto, California, and he checked out of the hotel at 4 p.m., on May 22, 1946. It was subsequently determined he had a railroad reservation to Chicago on that day and a reservation from Chicago to the west coast. While in Washington he contacted Congresswoman HELEN GAHAGAN DOUGLAS in a manner indicating he was well acquainted with her. There was some indication he is involved in Russian relief project and the burden is becoming too much for him. While in Washington, confidential informants advised he contacted individuals at the following telephone numbers:

MI 2496
 EM 6720 (which is the telephone listed to SILVERMASTER home)
 AD 6030
 SL 4984
 ME 0302 (Dr. ALEXANDER)

He also attempted to complete a long distance call to New York City, AIA 4-3550. He contacted Mr. TURNER SMITH of the Department of Justice, and there was some indication HEWES was affiliated with the American Council of Race Relations. He also contacted an individual identified only as Mr. NILES of the White House who later visited him at his room. He contacted an individual only identified as Dr. ARTHUR BURNS at which time he discussed the Mexican labor situation and indicated he was in Washington with reference to some labor bill regretting that the man who was working with him just obtained six months' leave in order to go to Russia.

A check of the indices of the Washington Field Office indicated LAURENCE I. HEWES, Jr., is a member of the Cosmos Club, Washington, D. C., as of January 1, 1945. He is listed as a government administrator and his home address is 576 Tennyson Avenue, Palo Alto, California.

On May 21, 1946, confidential informant advised GREGORY SILVERMASTER contacted his secretary and indicated he would not be at his office on that day on account of illness. He requested her to call LARRY HENES at the Burlington Hotel and advise him he would be unable to see him.

On the same date confidential informant advised ELIZABETH SASULY contacted HELEN SILVERMASTER and discussed various social activities of theirs. HELEN indicated at this time the SILVERMASTERS were going away for the week-end and if possible they would be out of Washington every week-end this summer.

On the same date, an individual believed to be DOROTHY TAYLOR, wife of subject WILLIAM TAYLOR, contacted HELEN SILVERMASTER and advised they were leaving Washington on Thursday night and regretted they have not been able to see each other again. They are going to Vancouver through St. Paul and Chicago and expect to be back in Washington later on in the summer.

On May 22, 1946, Dr. GILMAN contacted GREGORY SILVERMASTER with reference to matters at SILVERMASTER's office. Dr. GILMAN is apparently a co-employee of SILVERMASTER.

On May 23, 1946, MARY JANE KEENEY contacted HELEN SILVERMASTER and advised she hears regularly from "ANGUS," and he is much less lonely now than he was. MARY JANE KEENEY's application to join her husband has apparently not as yet been approved. She advised she is still at her old job, and she contemplates taking a couple of weeks' vacation inasmuch as she imagines she will not be employed there much longer and furthermore she needs the rest.

On May 24, 1946, HELEN SILVERMASTER contacted Mr. KORN (ALEXANDER KORN) at GREGORY SILVERMASTER's office and advised SILVERMASTER left town about 9:30 a.m. but SILVERMASTER would contact her on the following day.

On May 25, 1946, in a discussion with MARY JANE KEENEY, HELEN SILVERMASTER stated SILVERMASTER will not return to Washington until the following Sunday, that she contemplates meeting him next Wednesday inasmuch as he is going to New York on Tuesday.

On the same evening GREGORY SILVERMASTER contacted HELEN and they discussed the purchase of the property at Harvey Cedars, particularly the home owned by one KRAUS. It was subsequently determined to be the home of GILBERT KRAUS who is vice president of the Philadelphia Record, a newspaper in Philadelphia. He indicated he was feeling better and he was arranging to go to New York on Monday afternoon, that he would contact Mrs. SILVERMASTER from New York in order that he could complete arrangements to meet her on Wednesday in Philadelphia after which they will go to the beach.

On May 26, 1946, confidential informant advised both ROBERT MILLER and his wife JENNY contacted HELEN SILVERMASTER; and it is indicated *Jenny* MILLER was at the SILVERMASTER house assisting him in painting SILVERMASTER's room. There was some discussion between MILLER and his wife about arranging a lease for a summer house for POLYA HABICHT.

On May 27, 1946, GREGORY SILVERMASTER advised HELEN he was staying at the Hotel New Yorker in room 1056.

On May 28, 1946, GREGORY SILVERMASTER contacted his wife and it was indicated HELEN SILVERMASTER and LUDWIG ULLMANN are leaving on the following day for Philadelphia on the 5 o'clock train. They will arrive in Philadelphia at 7:18 p.m., at the 30th Street Station and arrange to meet him at the information desk. GREGORY said he has not been feeling well and in the event he is not at the station to meet them they should come on out to ALEXANDER PORTNOFF's home and he will pick them up there.

On May 29, 1946, an individual identified by informant as ANNA BERENSON contacted HELEN SILVERMASTER, indicating she would like to reach GREGORY SILVERMASTER as soon as possible but was advised he would not be back in Washington until Sunday night. ANNA BERENSON stated she wished to discuss the housing situation with SILVERMASTER as she had occasion to talk to WYATT today and was very anxious to discuss the matter with SILVERMASTER. ANNA BERENSON was going away for a few days and was afraid WYATT might do some checking around the talk to some people. She so wished to advise SILVERMASTER and also ask his advice on other matters. She was proceeding on the premises she did not know SILVERMASTER very well because she didn't want him to be identified with the CIO because in that group one has to work with the AFL so much. She indicated she had told WYATT she had just met SILVERMASTER a couple of times but she knew several people who worked with him and the type of work he did and what a wonderful department he ran. She mentioned HARRY WHITE's name to WYATT as well as an individual identified by the informant only as BEANY BALDWIN and JACK BRYAN. HELEN at this time indicated it was perfectly all right for her to have suggested WHITE's name to WYATT, but also advised she had also better mention PETER HUDGINS who is an assistant administrator of FSA, a southern banker who was very friendly with GREGORY SILVERMASTER. HELEN advised ANNA that GREGORY had very good contacts in the AFL and his relations there were very friendly, particularly with the building trades.

ANNA BERENSON insisted that the job is now open and somebody, possibly PAT JACKSON, has already recommended an individual named SISTIN (phonetic), but ANNA BERENSON further indicated she was under the impression she stopped that, and that she only mentioned that to show that WYATT is very susceptible.

On May 29, 1946, informant advised LUDWIG ULLMANN contacted HELEN SILVERMASTER and indicated he saw PETE HUDGINS and fixed up the matter with him, that he was very nice about it.

SECRETPhysical Surveillance

Special Agents CARL VOELKER and JOHN BARRON conducted a physical surveillance on subject at his home on May 24, 1946, commencing at 9:20 a.m. At 9:45 a.m., the subject in his automobile, a 1941 Chrysler, license 105-064, proceeded north on Connecticut Avenue to Baltimore, Maryland, via route 193, 97, 182, and 29. At approximately 11:20 a.m., he proceeded on route 40 toward New Castle, Delaware. He proceeded to Pennsville, New Jersey, via Philadelphia and then southeast on New Jersey route 48 towards Atlantic City. He arrived at Manahawkin, New Jersey, at 4 p.m. He proceeded out Bay Avenue to an island known as Long Beach Island.

On arriving at the island, subject turned north still on Bay Avenue and proceeded through a settlement known as Surf City to Harvey Cedars. He proceeded north on Bay Avenue to 84th Street and turned right one block and stopped in front of the last house on the right side (south side of 84th Street at the Ocean). An elderly gray-haired man, subsequently identified as ALEXANDER PORTNOFF, emerged from the house and greeted subject very cordially. The physical surveillance was relinquished to special agents of the Newark Field Office.

By letter dated June 10, 1946, the Newark Field Office advised that they commenced the surveillance of subject at 8 a.m., May 25, 1946, that very little activity on the part of subject was noted on that day. He was observed to drive to the KRAUS house and look over his property. No particular activity was noted until May 27, 1946, at 12:50 p.m., when subject, accompanied by two other individuals, left Long Beach Island in subject's automobile. One of these individuals was identified as ALEXANDER PORTNOFF, and they drove to the residence at 948 Clinton Street, Philadelphia, at which time the surveillance was relinquished to agents of the Philadelphia Field Office.

On May 27, 1946, at 4:05 p.m., SILVERMASTER and PORTNOFF left the PORTNOFF house and after dining at Horn and Hardart's Restaurant on 11th and Chestnut Streets went to Broad Street Station of the Pennsylvania Railroad where SILVERMASTER purchased a ticket for New York and boarded a train at 5 p.m. The train arrived at New York at 6:50 p.m., where the surveillance was surrendered to agents of the New York Office.

SILVERMASTER returned to Philadelphia on May 29, 1946, at 4:45 p.m., and went immediately by taxi to PORTNOFF's home and visited in rapid succession two nearby restaurants and a hotel returning to the house at 5:45 p.m. It was not possible to determine whether he contacted anyone at these places.

At 8:13 p.m., HELEN SILVERMASTER and LUDWIG ULLMANN arrived at the 30th Street Pennsylvania Railroad Station from Washington, D. C. They took a taxi to PORTNOFF's home arriving there about 8:35 p.m. At 9 p.m., GREGORY and

HELEN SILVERMASTER and LUDWIG ULLMANN left the PORTNOFF home, entered SILVERMASTER's car which had been parked in front of the residence since he had driven in from Harvey Cedars two days previously, and drove to Harvey Cedars, New Jersey, arriving at 11:25 p.m. Surveillance was surrendered to agents of the Newark Field Office on May 30, 1946, at 9 a.m.

No activity was observed on the part of subject on May 30, 1946.

At 6:30 p.m., June 2, 1946, a spot check surveillance for subject SILVERMASTER was resumed by Special Agents MAURITZ E. GAHLON and CHARLES L. SMITH. At that time subject's car was not observed at the summer home of the PORTNOFFS. Frequent checks were made until midnight and at no time was subject's automobile observed in the vicinity of this address.

At 11:45 p.m., June 2, 1946, Special Agent S. H. MENDELSON of the Newark Office telephonically advised Special Agent O. G. MEDLER of the Washington Field Office that, according to all indications, subject SILVERMASTER had returned to Washington, D. C.

The following information was developed during the course of this surveillance.

Special Agent MICHAEL J. CONNOLLY interviewed SAM LEARS, postmaster at Harvey Cedars, New Jersey, who stated that ALEXANDER PORTNOFF is a sculptor and his wife is a registered pharmacist. They both are permanent residents in Philadelphia, Pennsylvania, and have received very little mail at their summer home in Harvey Cedars. Mr. LEARS advised the KRAUS house mentioned is the summer home of GILBERT KRAUS who is vice president of the Philadelphia Record. LEARS also mentioned the real estate dealer by the name of CANETTI is M. A. ~~CANETTI~~ whom LEARS described as being unreliable to contact.

During the course of the surveillance maintained by Agents GAHLON and SMITH, it was observed there were two Pennsylvania cars parked in front of the PORTNOFF home in Harvey Cedars, New Jersey. The first of these was a gray Chevrolet having 1946 Pennsylvania license K 6159. The second was a black Ford coupe having 1946 Pennsylvania license R 9485. Due to the nature of the surveillance and the surrounding area, it was impossible to obtain any descriptive data concerning the occupants of either of these cars.

PHYSICAL SURVEILLANCE

A physical surveillance maintained on TAYLOR while he was staying at the Washington Hotel, May 22 through May 26 revealed no pertinent contacts or activities.

On May 27 at 4:15 P.M., TAYLOR and his family checked out of the Washington Hotel leaving no forwarding address. The family took a cab to Union Station where they checked a metal suitcase addressed to Vancouver, B. C. It was learned through a confidential informant that the contents of this suitcase were found to be clothing and toys.

At 5:05 P.M. TAYLOR and the family boarded the Pennsylvania Liberty Limited, Car 594, Bedroom 8. This train departed from Union Station at 5:20 P.M.

The Baggage Clerk at the Union Station advised that TAYLOR'S ticket indicated the following itinerary:

Chicago, Illinois
St. Paul, Minnesota

Re: HELEN TENNEY

The following information was obtained from [redacted] concerning the activities of HELEN TENNEY during the period of this report, May 16 to May 31 inclusive. (C) u b2 b7D

On May 16 HELEN TENNEY got in touch with the woman believed to be Mrs. LUCILLE RICHEY of 1678 Kalarama Road, N. W., and told her that her sister, EDITH, was expected with her family from New York on Monday. HELEN asked Mrs. RICHEY if she could provide an extra bed for her and Mrs. RICHEY answered affirmatively. (C) u

On this same day HELEN TENNEY told BEATRICE HOWELL that she would go down to Williamsburg, Virginia for the weekend and would stay at the Williamsburg Lodge. She asked BEATRICE to get a room at the Benedick Hotel for that "boy who is coming in from Rome", the following Monday night. (C) u

HELEN TENNEY attempted to get in touch with JEAN FLEENER, wife of PAUL LEINSON, 1716 Army-Navy Drive, Arlington. She was unsuccessful. PAUL suggested that HELEN reach her through the Department of Labor. (C) u

Special Agent GEORGE G. McKENNA ascertained at the Hotel Benedick that GRAHAM ERDURM reserved a room May 20 and left the following day. His reservation was made by means of a call from the American Red Cross. This call doubtless was made by BEATRICE HOWELL. As has been indicated in previous reports, Colonel ERDURM is the provost marshal at Rome, Italy and returned to the United States recently owing to the death of his father who has been living in New York City with HELEN TENNEY's mother for a number of years. (C) u

On May 25, according to [redacted], HELEN TENNEY again reserved a room for the following night for Colonel ERDURM who she said was returning to Washington May 26 (from New York). (C) u b2 b7D

On May 26, Colonel ERDURM arrived in Washington. He got in touch with a woman named MARY [redacted] and told her he expected to drive back to New York City the following day. He asked MARY to get in touch with a Mr. GLICK (ph) in New York and tell him that he, Colonel ERDURM, intended to see him about 4:00 p.m. on the following day or early on Tuesday. HELEN TENNEY also spoke with MARY [redacted] and asked her to make an appointment for her for Saturday, the 15th. MARY said she would make an appointment for both Colonel ERDURM and HELEN TENNEY. The mail cover maintained on subject HELEN TENNEY's address at 2038 I Street, N.W., produced nothing of significance during the period of this report. (C) u

"Dear Larry:

"I got your letter and was sorry to learn I had embarrassed you by mishandling your car. You can write it off that any kind of driving goes in Paris.

"Glad to learn you got your camera. It is a good one. A local store got a second-hand Ikoflex III. A friend of mine offered \$350 cash for it and was turned down. So you, with your sharp business acumen, did not fare badly.

"I bought you a Weston Exposure Meter which is the best, and it is being sent via pouch. I enclose a paid bill. The meter comes with a set of directions which is the best simple treatise I have seen on exposure. Incidentally, the directions mention filter factors (for increasing exposure with filters). The yellow filter I saw on the camera in Bern looked like it had a factor of about 2x. Anyway, you'll have fun with all France to take pictures of. This week's Life magazine has some nice pictures of Paris. I'm trying to get one (so far unsuccessfully) to send you.

"I spoke to GEHR (of Boni & Gehr, publishers) about your book. He's interested, especially if it is written in such a way as to have popular appeal, not too technical.

SECRET

"I have also sent you, via pouch, five silver cart-wheel dollars. Incidentally, HAGER takes the onus of wrapping and sending these things. I'm sure that, if you have the time and you could drop him a note or a postcard, he would be highly pleased. He was tickled at the watch OSTROW got for him.

"The convedos make a big hit here. If you ever drop around to Molinand, I wish you would pick me up 10 or 12 with individual packages including some rose, lilac, mimosa. If you could send them with pouch or some accomodating voyageur, it would be swell. But there is no hurry, no deadline, or birthday to meet. I am sincere in wishing you to go to no trouble. In fact, don't do it at all if it involves any trouble-- and I mean that!

"Give my regards to Ruth, Dorothy, George, M. ~~Carson~~ Grillon. C'est bon & happy days, you all.

As ever,

On May 16, 1946 a physical surveillance was conducted by Special Agent E. L. FUOSS on DAVID R. FAHL and it was observed that at 11.30 AM FAHL and an unidentified man proceeded to the Department of Interior and their exact destination was undetermined. At 2.10 PM FAHL left the Interior Building and proceeded to his office. No other activity was observed that day.

~~SECRET~~

On May 17, 1946 as a result of a physical surveillance conducted by the same Agent it was observed at 4 PM that an unidentified man departed from WHL's office at 1706 G Street, NW, Headquarters of the American Jewish Conference and proceeded to the car stop at 17th and Pennsylvania Avenue, NW. The unidentified man who is described as follows:

Height - 5' 11"
 Weight - approximately 225 lbs.
 Age - 35 years
 Complexion - dark
 Hair - black
 Eyes - dark
 Small round bald spot back of head
 Large bushy black mustache
 Nationality - Jewish

boarded a streetcar and rode one block to Jackson Place, NW where he departed and boarded an E2 Bux and rode to 4th and Bryant Avenue, NE. This individual then boarded the Riverdale Streetcar at Rhode Island Avenue and 4th Street, NE and rode to Hills Avenue and Rhode Island Avenue, departed from the streetcar and entered a bakery shop. Several minutes later this individual was observed to again board a Riverdale Streetcar and rode to Branchville, Maryland where he departed and proceeded to thumb a ride in a passing automobile which eventually brought him to Greenbelt, Maryland. This individual then walked from the car and entered his house at 19 North Ridge Road Avenue, Greenbelt, Maryland. The identity of the occupant of the above address was obtained from the Greenbelt Police Department which listed the occupant as SAMUEL WEISBROTH.

On May 28, 1946 the same agent observed WHL depart from his office at 12.10 PM and proceed to room 112 of the State Department, the office of W. W. CHEPMAN, Jr. It was ascertained that WHL desired to see Mr. WILLIAM LANGER who was not in at that time. WHL proceeded to leave the State Department and went directly to his office at 1706 G Street. At 12.40 PM WHL departed from his office, entered his car which was parked nearby and drove to Ontario and Columbia Roads where he parked and walked in the direction of Columbia Road. His destination was not determined. At 2.15 PM WHL was observed to return to his car and proceed to drive to E Street between 17th and 18th NW where he parked the car and then proceeded to his office.

A check of the indices of the Washington Field Division regarding SAMUEL WEISBROTH revealed that on June 25, 1941 WEISBROTH was the subject of an Internal Security-C Case and that at that time he was employed by the Congressional Library, Washington, D.C. and was considered to be very revolutionary in his views and an ardent admirer of the Russian form of Government. violently opposed to the constitutional form of government presently in existence in this country and was a very close associate of FREDERICK A. SLOSSON, also with the Library of Congress and allegedly a Communist.

The files also reflected under the case entitled: "Internal Security, Hatch Act" report dated October 2, 1941 that SAM WEISBROTH was born December 6, 1911 in New York City, that he was an American citizen married, attended Columbia University School of Engineering for two years, that he was employed in the Survey of Federal Archives, Old Post Office, New York City, 1936 to September, 1937 and was employed by the Library of Congress, Washington, D.C. September, 1937. The file reflected that a confidential source listed WEISBROTH on the indices of the American Peace Mobilization.

Investigation at this time failed to disclose membership in the above mentioned organization or any other subversive activity.

According to the records of the rental office at Greenbelt, Maryland which were checked by Special Agent FOUSS May 31, 1946 WEISBROTH was listed as of May, 1943 employed by the War Production Board as Industrial Specialist, Radio and Retail Section. As of April 3, 1944 he was listed as Communication Analyst at the approximately salary of \$3800 to \$4400. The records further reflected WEISBROTH as being unemployed since approximately November, 1945. He continues to pay his rent but his source of income is not known to the Manager of the Greenbelt Rental Office. The records reflected that in 1938 while employed with the Library of Congress he moved from 221 Ingraham Street, NW, Washington, D.C. to his present address in Greenbelt, Maryland.

RE: DONALD NIVEN WHEELER

SECRET

During the period from May 15 to June 1, 1946, Informant [redacted] advised as follows: b2
b7D

On May 17th, EDNA GASS contacted MARY WHEELER and stated that she had learned from MARY JANE WHITE that DON WHEELER is going to Chicago and "that DON would stay at the WHITES while he is in Chicago; that they have a house there into which they will move May 20th. EDNA advised MARY WHEELER that DICK WHITE worked for the Chicago Housing Authority, telephone Harrison 9660, and that MARY JEAN WHITE is working for the National Housing Authority, with telephone Randolph 8911. Apparently the WHITES are not sure that they will remain in Chicago, for EDNA has advised if plans for the WHITES don't go according to their satisfaction, that the WHITES will return to Washington in the fall of 1946. EDNA GASS also stated that OSCAR GASS, her husband, wants MARY to know that DON WHEELER should tell DICK WHITE in Chicago that DICK can come back and work for TOMMY CORCORAN, Washington Attorney, as DUNCAN LEE is doing now.

The same source advised that MARY WHEELER sent a telegram on May 18 to Mr. and Mrs. RICHARD WATT at 138 Woodland, Winnetka, Illinois, and that in this wire she advised the WATTS that she and DON would be very happy to stay with the WATT family and requested that the Shoreland Reservation for the WHEELER family be cancelled.

On May 20th, Mrs. GREENFIELD, of the Independent Voters League organization, contacted MARY WHEELER and tried to interest MARY in their forthcoming program, but MARY said that she and DON WHEELER are leaving for a vacation on the West Coast in three weeks and cannot take a lead in this type of work until fall of 1946.

On May 22, MARY WHEELER contacted MARION COLEMAN and made reference to getting cigarettes for Col. GEORGE WHEELER, MARY's brother-in-law, who is in Berlin, in order that GEORGE WHEELER can trade the cigarettes for oriental rugs which he will ship to the United States. MARY made reference to the fact that it is illegal to traffic in post exchange goods, but that HUNTER MORRISON advised her that it is legal to use the cigarettes with the Federal stamp on them. MARY said that the University in Chicago has not yet offered DON WHEELER a job, and he is not sure he will take it even if it is offered to him.

On May 23, MARY WHEELER contacted WANDA GRAVES at the Army Map Service Purchasing Department, to see if WANDA cared to rent the WHEELERS' house this summer while the WHEELERS were away. WANDA declined the offer. MARY advised

they will leave on June 8th, and that DON's sister, MARGARET JEAN DANIELSON, and her daughter, NANCY, are going with them. MARY advised WANDA GRAVES that DON WHEELER's job here in the Government is at an end (OSS). Apparently MARY WHEELER met WANDA GRAVES while MARY was an employee at the Army Map Service.

On May 23d, GERTRUDE HURNEY contacted MARY WHEELER regarding the renting of the MARY WHEELER home for this summer. GERTRUDE and her husband, TOM, will be out to see the WHEELERS on May 24th to discuss the renting of the house.

On May 25, MARIAN COLEMAN contacted MARY WHEELER and asked if MARY had heard from ISHBELL LEE. MARY said that ISHBELL had gotten in touch with her and will call for MARY and DON and bring them over to the COLEMANS' residence that evening. MARY advised that ISHBELL's mother, Mrs. GIBB, is not coming and feels conscious about going out with people "like us." MARION remarked to MARY to be sure to bring the letter.

On May 28th, MARY WHEELER advised MARIAN COLEMAN that she would rent her house to a Navy doctor who would just stay there for the summer. MARY also advised that she received a letter from MARGARET JEAN DANIELSON, DON's sister, who is going to drive out to visit the WHEELERS, and who will arrive with her daughter, NANCY, in Washington on June 7th. MARY said that it was good to see DUNCAN and ISHBELL LEE again for they would not be able to see them otherwise before they left. MARY also advised at this time that SAM and PAULA ARSENIOSBERG would have dinner with them on May 29th at the WHEELER's residence.

On the same date, DOROTHY TUCK attempted to reach MARY WHEELER. DOROTHY left a message for MARY to contact her at EMerson 3053 that evening.

On May 31st, Operator No. 25 at REpublic 4355 left a message for DON WHEELER to contact that operator, and, on the same date at 3:00 p. m., the same operator attempted to reach DON WHEELER, advising that they have two telegrams for him, one at 2:10 and the other at 3:00 o'clock.

The following mail was received by DONALD N. WHEELER during the period May 15 to June 1st:

W [Inquiry to determine the identity of HUNTER MORRISON, who has been a frequent contact in the last thirty days of DONALD and MARY WHEELER,] has revealed that HUNTER MORRISON was discharged from the Army at Ft. Meade, Maryland on or about March 30, 1946; that for a time immediately thereafter he was residing with one PHIL MAYER in Colonial Village, Arlington, Virginia, and that sometime later, he resided with one MIKE HOKE, telephone number ADams 3154. It is believed that he is still residing with MIKE HOKE at the above telephone number.

HELEN TENNEY, when contacting a woman known only as DUTCH, on March 25, 1946, advised DUTCH that HUNTER's address was 662 Milledge Circle, Athens, Georgia.

u Inquiry regarding the identity and activities of CHARLES and MATILDA MCKINLEY, who first came to the attention of this office when they attended a dinner party at the WHEELER residence on May 10, 1946, revealed that they have resided at the Carolyn Apartments, 2500 Q Street, Washington, D. C.; that they are from 6230 Southeast 36th Street, Portland, Oregon.

Mrs. MARTHA McCOMANGHEY, clerk at the Carolyn Apartments, advised that they, the MCKINLEYS, occupied hotel apartment No. 538 on those premises from May 3, 1946 until May 26th, when they suddenly vacated, advising they were returning to Portland, Oregon. While occupying Apartment 538, CHARLES MCKINLEY received a large amount of correspondence believed to be of a business nature. According to this source, the MCKINLEYS did not associate with any of the other tenants in this building, and only on their day of departure were they seen in the company of any other persons. Adequate descriptions could not be obtained. Mrs. McCOMANGHEY advised that she would be willing to contact the resident manager, whom she suggested not be contacted by an agent due to her personality, whereby she would be able to determine in what manner the MCKINLEYS were able to obtain so readily apartment space in this exclusive apartment building. It is noted that HELEN TENNEY also resides at the Carolyn Apartments.

Inquiry was made to determine the identity of one J. G. STONE, of 1924 Park Road, N. W., who corresponded with DONALD WHEELER on December 8, 1945. Inquiry at the Credit Bureau revealed that JAMES G. STONE and wife, VERA, or ANNIE, resided at 1924 Park Road, N. W., Washington, D. C. He is age fifty-five, white, and has two children, and has been a resident of Washington, D. C. for many years and moved to his present address in November, 1930, which premises he owns. Previously, he resided at 1748 Kenyon Street, N. W., 1520 Rhode Island, N. W., and 1916 17th Street, N. W. He is employed as a Real Estate broker, is licensed in the District of Columbia, and shares office space in the Southern Building with LEVINE P. HANDY and WILLIAM P. H. KIELER, who are in the same business. He was formerly manager of the local

agency for the Atlantic Insurance Company in the same building, which job netted him a salary of \$15,000 a year from 1927 to 1941. He was at one time employed in the Treasury Department and his highly regarded in Real Estate Circles. He has a checking account at the Liberty National Bank. No further investigation is being afforded JAMES G. STONE, inasmuch as his contact with WHEELER probably was legitimate.

Regarding GERTRUDE HURNEY, who is referred to by Informant [redacted] on May 23 as having contacted MARY WHEELER, the Washington Field Office indices revealed that GERTRUDE HURNEY is a member of the Washington Book Shop, is a contact of ESTAR PASKOFF, CHA LOTTE GOLD, and others active with the Washington Book Shop. She is not a member of the Communist Party, but affiliated and associated with Party members. She had a meeting at her house on February 21, 1944 of Communist Party members, and on May 15, 1944 contacted CARY TORGOFF and advised that she would contact BELLA RODMAN at the Russian War Relief regarding their bookkeeping system. She resides at 6202 12th Street, N. W., Washington. At the Washington Book Shop, she was in contact with SAM HAROWAT and invited him to attend a Board meeting on May 2, 1944. She has had contact with ELIZABETH SEARLE at Communist Party headquarters on January 31, 1944. (X) u

With reference to the address 1018 Girard Street, Apartment 22, Washington, D. C., which is referred to by Informant [redacted] on March 18, 1946, it is believed that this reference contact is not associated with the DON WHEELER family. (X) u

There is no Washington Field Office reference to JOHN F. PRICE, of the above address; however, inquiry at the Credit Bureau revealed that PRICE is thirty-three years of age, a negro, and his wife's name is EDITH. EDITH is from Culpeper, Virginia, and PRICE is from West Point, Mississippi. He has been employed by the Commercial Luncheon Room, 724 18th Street, N. W., and, according to the janitor at 1018 Gerard Street, PRICE is presently employed at the Telephone Company since about May 28, 1946.

Inasmuch as it is believed that PRICE is not identical with any WHEELER contacts, no further inquiries are being made regarding this person.

Dr. HARRY D. WHITE

New York City

There is set forth hereafter information obtained from [redacted].

May 16, 1946

On the morning of this date ANNE WHITE indicated WHITE was on his way to his office and Mr. BERNSTEIN was bringing him down.

Subsequently on this date WHITE advised ANNE he would go to the Wardman Park Hotel about 6 o'clock and be there for an hour or so.

May 17, 1946

On the morning of this date BERNICE advised WHITE she would pick him up about 8:40. This woman is believed to be BERNICE BERNSTEIN, wife of Colonel BERNIE BERNSTEIN.

May 18, 1946

One REBA LEWIS contacted ANNE WHITE mentioning she and ROGER may visit ANNE that afternoon if he returns from Baltimore. Apparently he is to take a position on the staff at Johns Hopkins in Baltimore.

Subsequently, REBA indicated ROGER had returned but it was too late to visit. He told her he had wonderful time at the place of ANNE's brother-in-law in Boston.

On this date BERNIE BERNSTEIN invited WHITE to ride downtown which offer WHITE declined. BERNIE inquired if WHITE had anything on his mind the previous evening when he called. WHITE stated no, they would have visited the BERNSTEINS had they been home. BERNIE inquired as to the length of some meeting, and WHITE said it lasted until 5:30 or 5:45 p.m. BERNIE asked if WHITE made any progress in developing his liaison with UN as it is a good thing to have and furnishes WHITE an excuse to visit New York. BERNIE mentioned having lunch the previous day with one CRAVELLY or BRADLEY SMITH (phonetic) who told him WHITE was handling the situation well.

WHITE suggested SMITH had been apple-polishing, and BERNSTEIN said he did not know whether it was that or whether he was looking for some friend on the Russian issue. BERNSTEIN stated he had lunch with two of them and they stated it was a kind of good thing negotiations had broken down in Paris, and he thought this is the way they feel, that they are "practically patting their bellies that the Americans are following such a close policy with the

British." WHITE commented, "They are very consistent, yeah, they are being very consistent," and mentioned the matter has never come up for discussion along those lines. (S)(u)

May 19, 1946 (S)(u)

On the morning of this date, ANNE WHITE contacted DOROTHY TAYLOR, wife of subject TAYLOR, Washington Hotel, room 430, and arranged for the WHITES to pick them up for a trip to the park. (This was a Sunday morning.) (S)(u)

SAM MILLER contacted WHITE who stated he had wanted to get in touch with MILLER and get his advice as he was confronted with making a decision. WHITE stated the head of the fund asked him to be his deputy which had certain advantages but would compel relinquishing the position of executive director. He indicated it was too late as he had made the decision deciding against it because he has a lot of power and authority where he is, but as an employee would not have the same opportunity to shape policy. (S)(u)

WHITE continued that he would have had more authority over the organization, the hiring of people, and the details in creating a good organization; in fact, would probably have been running it but he would not have been on the board of directors and would not be a U. S. representative. WHITE mentioned he would not have had any vote except under certain situations and a new director would have been appointed, and WHITE would not know what his attitude would be. MILLER inquired whether VINSON would have liked for WHITE to have accepted the post, and WHITE stated he was not sure, that he did not know. They agreed to have a little talk and WHITE indicated he would pick MILLER and EVELYN up after getting BILL TAYLOR and his kid. (S)(u)

On the afternoon of this date, ANNE WHITE was contacted by Mrs. MONTEROS (phonetic) in connection with dinner invitation extended the WHITES for that night. (It is believed Mrs. MONTEROS may be the wife of Mexican Ambassador ANTONIO ESPINOSA DE LOS MONTEROS.) (S)(u)

May 20, 1946 (S)(u)

ANNE WHITE told FRANCES EDELSTEIN they had dinner at the Mexican Embassy and had a nice time except someone was there whom ANNE does not like. ANNE inquired if TERRY OPER would know any cooks ANNE could get for a short time. FRANCES mentioned RUTH GRUBER had visited her the previous day having come down to Washington for two or three days to see what she could do toward furthering that Palestine program. (S)(u)

On the evening of this date, RUTH GRUBER contacted ANNE WHITE advising she would be in town until Friday morning when she would return to New York. She said the New York Post had requested her to stay on as world-wide roving (S)(u)

correspondent, and she wanted to consider the assignment. ^{Gruber} RUTH stated for the next six weeks she wanted to assist in implementing the report and would be commuting between New York and Washington until they got the thing pushed through. She said she felt if they didn't get it through within six weeks it would be a dead duck because by then the British would have made up their minds not to be in it and the United States would follow. RUTH understood the President was 100 per cent behind it and had not changed his mind. She feels the 100,000 Jews would have to go in which is very encouraging. She stated they would spearhead the drive to implement the report and this was the most important thing she could do now. ANNE made arrangements for lunch with GRUBER on May 22, 1946. (X) (u)

May 21, 1946 (X) (u)

Nothing of value was furnished by informant. ANNE engaged in a conversation with one LOTTIE GASKINS, 1733 20th Street, phone North 9611, concerning employing LOTTIE as a part-time cook. (X) (u)

May 22, 1946 (X) (u)

On the night of this date EVELYN MILLER advised ANNE WHITE her brother had seen ABE WOLFSON and the WOLFSONS sent their regards. She indicated her husband SAM had gone. (X) (u)

May 23, 1946 (X) (u)

Nothing of interest was furnished by informant. (X) (u)

May 24, 1946 (X) (u)

On May 24, 1946, WHITE and ANNE discussed contacting FELTUS and offering an apology. WHITE stated never mind he would be in town on many other occasions, and they could have him out to dinner. This conversation apparently concerned RANDOLPH FELTUS. WHITE stated he was awaiting a call from GEORGE concerning luncheon. The identity of GEORGE is not known. (X) (u)

May 25, 26, 1946 (X) (u)

Nothing of importance was learned from informant except WHITE has authorized one Mr. BREWER, Allied Realty Company, to advertise WHITE's house for sale. (X) (u)

May 27, 1946 (X) (u)

ANNE WHITE advised FRANCES EDELSTEIN her daughter JOAN had been admitted to Barnard College. She stated HENRIETTA KLOTZ's maid (HELEN ?) (X) (u)

is coming to help her do some entertaining.

On the same date one IRVING contacted ANNE indicating he was on his way from Annapolis and would have dinner with the WHITES. It is believed this is IRVING FURST of Richmond, Virginia, mentioned previously in these reports.

May 28, 1946

Informant furnished no information of value.

May 29, 1946

Informant advised IRVING FURST again visited the WHITE residence for dinner and subsequently communicated with his wife in Richmond, Virginia.

May 30, 1946

No information of value was obtained from informant.

May 31, 1946

WHITE and his wife discussed entertaining some officials mentioning BRUNS, French Financial Mission, and LA GENTIL, possibly EUGENE LA GENTIL, one of the founders of France Forever. ANNE stated she did not wish to invite the Mexicans, Chileans or Argentineans along with Chinese and French. She said the French and Chinese get along well. ANNE indicated later they could have KOO and CHEN, possibly CHEN CHIH MAI, counselor, Broadmoor Hotel, and SANTOS FILIAS (phonetic).

Reference is made to conversation on May 11, 1946, between ANNE WHITE and one MARIE KELLER who indicated she was in Washington for a conference and would return on Monday.

The indices of the Washington Field Office were searched without positively identifying this individual. The files reflect on February 18, 1944, informant indicated one MARIE KELLER, 1711 I Street, N. W., phone District 7894.

This person may possibly be identical with the person who contacted Mrs. WHITE.

Reference is made to the conversation on April 25, 1946, between HARRY WHITE and one DAVE DELMAN who stated he was talking with LUXFORD (ANSEL F. LUXFORD, Office of the Secretary of Treasury). DAVE indicated he

was looking around for a new position. (X) 24

The files of the Washington Field Office contain files on one ~~DAVID DELMAN~~ who is the subject of a hatch act investigation in 1942, as well as an employee investigation for a position in the Office of Emergency Management. This individual was reported by the Special House Committee to Investigate un-American Activities as being a member of the Washington Committee for Democratic Action and the National Lawyers Guild. At that time a confidential informant reported ~~DELMAN's~~ name did appear on the active indices of the ~~Washington~~ Committee for Democratic Action.

At the time ~~DELMAN~~ was employed as senior attorney, Food Products Section, Legal Division, Office of Price Administration. Previously he had been employed by the Securities Exchange Commission from June 18, 1941, to January 26, 1942. He is described as having been born January 15, 1909, in New York City where he attended Boys High School, Brooklyn; City College (B. A. 1929); Columbia Law School (LL. B. in 1936); and Graduate School of Economics, Columbia University, from 1938 to 1940. He was married and at the time of investigation resided at 3011 Ontario Road, N. W. His legal address was 1419 Foster Avenue, Brooklyn, New York.

The current issue of the Congressional Directory includes one ~~DAVID DELMAN~~, described as clerk of the Senate Banking and Currency Committee, 3604 David Street, N. W. The 1943 city directory reflected ~~DAVID DELMAN~~, residence 3011 Ontario Road. The same directory listed Mrs. ~~ELIZABETH DELMAN~~ as secretary, ~~Washington~~ League of Women Shoppers, 3011 Ontario Road, N. W.

The records of the Special Committee on un-American Activities, ~~MARTIN DIES~~, Chairman, reflected one ~~DAVID DELMAN~~, 2309 65th Street, Brooklyn, New York, signed the 1939-1940 Communist Party petition for the New York state and city elections. However, there is no indication this individual is identical with the above named.
