approving the proposal. Specifically, the Commission believes the proposal is consistent with Section 17A(b)(3)(F)¹¹ of the Act in that it promotes the prompt and accurate clearance and settlement of securities transactions.

In the initial order granting ISCC temporary registration as a clearing agency, the Commission stated that the development of efficient and comparable automated national and international clearance, settlement, and payment systems is one of the more important international goals. ¹² The Commission noted that without established international systems, broker-dealers and their institutional customers often are forced to devote substantial resources to each task related to trade settlement and must deliver securities by physical means.

The GCN service offers participating ISCC members advantages in securities processing including central access for processing trades, standardized operating procedures, receipt of uniform reports on their trades, and reduced prices due to economies of scale. The addition of Westpac and Standard as GCN providers gives ISCC participants access to settlement services in areas not currently covered by the GCN service and thus increases the utility of the GCN service. The Commission also believes that revising the GCN procedures to permit the use of the ISO format is beneficial as another step in the standardization of the international clearance of trades. By accepting trade data through S.W.I.F.T., ISCC may provide enhanced access to the system.

III. Conclusion

For the reasons stated above, the Commission finds that the proposed rule change is consistent with Section 17A of the Act.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR–ISCC–94–06) be, and hereby is, approved.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.

Self-Regulatory Organizations; MBS Clearing Corporation; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Establishing Fees for the Electronic Pool Notification Service

February 16, 1995.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on February 8, 1995, the MBS Clearing Corporation ("MBS") filed with the Securities and Exchange Commission ("Commission") the proposed rule change (File No. SR–MBS–95–02) as described in Items I, II, and III below, which Items have been prepared primarily by MBS. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change establishes fees for the Electronic Pool Notification ("EPN") service (attached as *Exhibit A*) and makes certain technical changes to the EPN procedures to accommodate the establishment of EPN fees.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, MBS included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. MBS has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to establish fees for the EPN service and make certain technical changes to the EPN procedures to accommodate the establishment of EPN fees. Specifically, MBS is establishing three separate types of fees for EPN users: message processing fees, access fees, and telecommunication circuit charges. EPN users will be charged for EPN services in accordance with the EPN Schedule of Charges effective

February 9, 1995, which is the Public Securities Association Class A pool notification day. The fees are payable monthly on the appropriate PSA Class Settlement Date as determined by MBS from time to time.

MBS believes that the proposed rule change is consistent with Section 17A(b)(3)(D) of the Act ² and the rules and regulations thereunder in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its participants.

(B) Self-Regulatory Organization's Statements on Burden on Competition

MBS does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

MBS advised EPN users of the proposed rule change at a meeting held on January 25, 1995. No written comments have been received. MBS will notify the Commission of any written comments received by MBS.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act ³ and pursuant to Rule 19b–4(e)(2) promulgated thereunder ⁴ because the proposed rule change establishes a due, fee, or other charge imposed by MBS. At any time within sixty days of the filing of such rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purpose of the Act.
