control outcomes including legislation/ regulation, treatment, or behavior modification interventions.

B. Review by CDC Advisory Committee for Injury Prevention and Control (ACIPC)

Factors to be considered by ACIPC include:

1. The results of the peer review.

2. The significance of the proposed activities as they relate to national program priorities and the achievement of national objectives.

3. National and programmatic needs

and geographic balance.

4. Overall distribution of the thematic focus of competing applications; the nationally comprehensive balance of the program in addressing: the three phases of injury control (prevention, acute care, and rehabilitation); the control of injury among populations who are at increased risk, including minority groups, the elderly and children; the major causes of intentional and unintentional injury; and the major disciplines of injury control (e.g., biomechanics and epidemiology).

5. Within budgetary considerations the ACIPC will establish annual funding levels as detailed under the heading,

Availability of Funds.

C. Applications for Supplemental Funding

Supplemental grant awards may be made when funds are available, to support research work or activities. Applications should be clearly labeled to denote their status as requesting supplemental funding support. These applications will be reviewed by the IRGRC and the ACIPC.

D. Continued Funding

Continuation awards within the project period will be made on the basis of the availability of funds and the following criteria:

1. The accomplishments of the current budget period show that the applicant's objectives as prescribed in the yearly workplans are being met;

2. The objectives for the new budget period are realistic, specific, and

measurable:

3. The methods described will clearly lead to achievement of these objectives;

- 4. The evaluation plan allows management to monitor whether the methods are effective by having clearly defined process, impact, and outcome objectives, and the applicant demonstrates progress in implementing the evaluation plan; and
- 5. The budget request is clearly explained, adequately justified, reasonable, and consistent with the intended use of grant funds.

Award Priorities

Special consideration will be given to recompeting Injury Control Research Program Projects Grants.

E.O. 12372 Review

Applications are not subject to the review requirements of Executive Order 12372, entitled Intergovernmental Review of Federal Programs.

Public Health System Reporting Requirement

This program is not subject to the Public Health System Reporting Requirement.

Catalog of Federal Domestic Assistance Number

The Catalog of Federal Domestic Assistance Number is 93.136.

Other Requirements

A. Human Subjects

If the proposed project involves research on human subjects, the applicant must comply with the Department of Health and Human Services Regulations, 45 CFR part 46, regarding the protection of human subjects. Assurance must be provided to demonstrate that the project will be subject to initial and continuing review by an appropriate institutional review committee. The applicant will be responsible for providing assurance in accordance with the appropriate guidelines and form provided in the application kit.

B. Animal Subjects

If the proposed project involves research on animal subjects, the applicant must comply with the "PHS Policy on Humane Care and Use of Laboratory Animals by Awardee Institutions." An applicant organization proposing to use vertebrate animals in PHS-supported activities must file an Animal Welfare Assurance with the Office for Protection from Research Risks at the National Institutes of Health.

Application Submission and Deadlines

A. Preapplication Letter of Intent

In order to schedule and conduct site visits as part of the formal review process, potential applicants are encouraged to submit a nonbinding letter of intent to apply to the Grants Management Officer (whose address is given in this section Item B). It should be postmarked no later than one month prior to the submission deadline (April 1, 1995, for May 1, 1995, submission deadline). The letter should identify the relevant announcement number for the

response, indicate the submission deadline which will be met, name the principal investigator, and specify the injury control theme or emphasis of the proposed RPPG (e.g., acute care, biomechanics, epidemiology, prevention, or rehabilitation). The letter of intent does not influence review or funding decisions, but it will enable CDC to plan the review more efficiently.

B. Applications

Applicants should use Form PHS-398 (Rev. 9/91, OMB Number 0925-0001) and adhere to the ERRATA Instruction Sheet for PHS-398 contained in the Grant Application Kit. The narrative section for each project within an RPPG should not exceed 25 typewritten pages. Refer to section 4, page 10, of PHS-98 instructions for font type and size. Applications not adhering to these specifications may be returned to applicant. Applicants should submit an original and five copies to Henry S. Cassell, III, Grants Management Officer, Grants Management Branch, Procurement and Grants Office, Centers for Disease Control and Prevention (CDC), 255 East Paces Ferry Road, NE., Room 300, Mailstop E-13, Atlanta, GA 30305, in accordance with the submission date shown in the "Receipt and Review Schedule" listed below.

C. Deadlines

Applications shall be considered as meeting the deadline above if they are either:

- 1. Received on or before the deadline date; or
- 2. Sent on or before the deadline date and received in time for submission to the peer review committee. Applicants should request a legibly dated U.S. Postal Service postmark or obtain a legibly dated receipt from a commercial carrier or the U.S. Postal Service. Private metered postmarks shall not be acceptable as proof of timely mailing.

Applications which do not meet the criteria in C.1. or C.2. above are considered late applications and will be returned to the applicant. Supplemental materials received later than thirty days after the application receipt date are considered late and will be returned to the applicant.

D. Receipt and Review Schedule

This is a continuous announcement. Consequently, these receipt dates will be ongoing until further notice. The proposed timetables for receiving applications and awarding grants are as follows:
