SUPPLEMENTARY INFORMATION:

Background

The subject antidumping investigations are being instituted as a result of affirmative preliminary determinations by the Department of Commerce (60 FR 5348, January 27, 1995) that imports of small diameter seamless carbon and alloy standard, line, and pressure steel pipe from Argentina, Brazil, and Germany are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). Commerce has also extended the date for its final determinations in the investigations from April 12, 1995 to June 12, 1995 (60 FR 9012, February 16, 1995). Therefore, the Commission's

schedule in these investigations conforms with Commerce's extended schedule.

The Commission instituted the countervailing duty investigation concerning Italy on November 28, 1994 (60 FR 2984, January 12, 1995). The investigations were requested in a petition filed on June 23, 1994, on behalf of the Gulf States Tube Division of Quanex Corp., Rosenberg, TX.

Participation in the Investigations and Public Service List

Any person having already filed an entry of appearance in the countervailing duty investigation is considered a party in the antidumping investigations. Any other persons wishing to participate in the investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, not later than twenty-one (21) days after publication of this notice in the **Federal Register**. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations upon the expiration of the period for filing entries of appearance.

Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and BPI Service List

Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these final investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made not later than twenty-one (21) days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on June 13, 1995, at the U.S. International Trade Commission Building. Parties are strongly encouraged to submit as early in the investigation as possible any requests to present a portion of their hearing testimony in camera.

Written Submissions

Each party is encouraged to submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.22 of the Commission's rules; the deadline for filing is June 14, 1995. The deadline for filing posthearing briefs is June 28, 1995; witness testimony must be filed no later than three (3) days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations on or before June 28, 1995. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed.
