Justification: Identify the principal investigator or project director, if known. Specify by title or name the percentage of time allocated the project, the individual annual salaries, and the cost to the project of the organization's staff who will be working on the project. Do not include costs of consultants or personnel costs of delegate agencies or of specific project(s) or businesses to be financed by the applicant.

Fringe Benefits—Line 6b. Enter the total costs of fringe benefits unless treated as part of an approved indirect cost rate which is entered on line 6i.

Justification: Provide a breakdown of amounts and percentages that comprise fringe benefit costs, such as health insurance, FICA, retirement insurance, taxes, etc.

Travel—Line 6c. Enter total costs of all travel by employees of the project. Do not enter costs for consultant's travel.

Justification: Include the total number of traveler(s), total number of trips, destinations, number of days, transportation costs and subsistence allowances. Travel costs to attend two national workshops in Washington, D.C. by the project director and the third-party evaluator should be included.

Equipment—Line 6d. Enter the total costs of all non-expendable personal property to be acquired by the project. Non-expendable personal property means tangible personal property having a unit cost of \$5000 or more and having a useful life of one year.

Justification: Only equipment required to conduct the project may be purchased with Federal funds. The applicant organization or its subgrantees must not have such equipment, or a reasonable facsimile, available for use in the project. The justification also must contain plans for future use or disposal of the equipment after the project ends. An applicant may use its own definition of non-expendable personal property, provided that such a definition would at least include all tangible personal property as defined above. (See Line 21 for additional requirements).

Supplies—Line 6e. Enter the total costs of all tangible personal property (supplies) other than that included on line 6d.

Justification: Specify general categories of supplies and their costs.

Justification: Attach a list of contractors, indicating the names of the organizations, the purposes of the contracts, the estimated dollar amounts, and selection process of the awards as part of the budget justification. Also provide back-up documentation identifying the name of contractor, purpose of contract, and major cost elements.

Note: Whenever the applicant/grantee intends to delegate part of the program to another agency, the applicant/grantee must submit Sections A and B of this Form SF–424A, completed for each delegate agency by agency title, along with the required supporting information referenced in the applicable instructions.

The total costs of all such agencies will be part of the amount shown on Line 6f. Provide draft Request for Proposal in accordance with 45 CFR Part 74, Appendix H. Free and open competition is encouraged for any procurement activities planned using ACF grant funds. Prior approval is required when applicants anticipate evaluation procurements that will exceed \$25,000 and are requesting an award without competition.

The applicant's procurement procedures should outline the type of advertisement appropriate to the nature and anticipated value of the contract to be awarded. Advertisements are typically made in city, regional, and local newspapers; trade journals; and/or through announcements by professional associations.

Such costs, where applicable, may include but are not limited to insurance, food, medical and dental costs (noncontractual), fees and travel paid directly to individual consultants, space and equipment rentals, printing and publication, computer use, training costs, including tuition and stipends, training service costs including wage payments to individuals and supportive service payments, and staff development costs.

Total Direct Charges—Line 6i. Show the total of Lines 6a through 6h.

Indirect Charges—Line 6j. Enter the total amount of indirect costs. This line should be used only when the applicant currently has an indirect cost rate approved by the Department of Health and Human Services or another

cognizant Federal agency. With the exception of local governments, applicants should enclose a copy of the current rate agreement if it was negotiated with a cognizant Federal agency other than the Department of Health and Human Services. If the applicant organization is in the process of initially developing or renegotiating a rate, it should immediately upon notification that an award will be made, develop a tentative indirect cost rate proposal based on its most recently completed fiscal year in accordance with the principles set forth in the pertinent DHHS Guide for Establishing Indirect Cost Rates, and submit it to the appropriate DHHS Regional Office. Applicants awaiting approval of their indirect cost proposals may also request indirect costs.

It should be noted that when an indirect cost rate is requested, those costs included in the indirect cost pool should not be also charged as direct costs to the grant.

Totals—Line 6k. Enter the total amounts of Lines 6i and 6j.

Program Income—Line 7. Enter the estimated amount of income, if any, expected to be generated from this project. Separately show expected program income generated from OCS support and income generated from other mobilized funds. Do not add or subtract this amount from the budget total. Show the nature and source of income in the program narrative statement.

Justification: Describe the nature, source and anticipated use of program income in the Program Narrative Statement.

Column 5: Carry totals from Column 1 to Column 5 for all line items.

Section C—Non-Federal Resources

This section is to record the amounts of *non-Federal* resources that will be used to support the project. Non-Federal resources mean those other than OCS funds. Therefore, mobilized funds from other Federal programs should be entered on these lines. Provide a brief listing of the non-Federal resources on a separate sheet and describe whether it is a grantee-incurred cost or a thirdparty in-kind contribution. The firm commitment of these resources must be documented and submitted with the application in order to be given credit in the Public-Private Partnerships criterion.

Except in unusual situations, this documentation must be in the form of letters of commitment from the organization(s)/individuals from which funds will be received.
