SUPPLEMENTARY INFORMATION:

A. Background

Section 804 of the Fiscal Year 1995 Defense Authorization Act (Pub. L. 103– 337) extends the authority through September 30, 1997, for contractors to claim credit towards their small business subcontracting goals for subcontracts with qualified nonprofit agencies for the blind and severely disabled. DFARS Subpart 219.7 is amended to permit contractors to receive credit when awarding subcontracts to such entities.

B. Regulatory Flexibility Act

The interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because the rule only applies to large business concerns. An initial regulatory flexibility analysis has therefore not been performed. Comments are invited from small businesses and other interested parties. Comments from small entities concerning the affected subpart will be considered in accordance with Section 610 of the Act. Such comments must be submitted separately and cite DFARS Case 94-D312 in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act applies. Information collection requirements imposed by this rule were cleared under OMB control number 9000–0007 for Standard Form 295, Summary Subcontract Report.

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense to issue this rule as an interim rule. Compelling reasons exist to promulgate this rule as an interim rule as it is necessary to authorize prime contractors to receive credit toward their subcontracting goals as permitted by Section 804 of Pub. L. 103–337. However, comments received in response to this interim rule will be considered in formulating the final rule.

SUPPLEMENTARY INFORMATION:

A. Background

Section 325 of the Fiscal Year 1995 Defense Authorization Act (Pub. L. 103– 337) amends 10 U.S.C. 2692 to add an exception to the prohibition on storage and disposal of non-DoD-owned toxic and hazardous materials at military installations. DFARS Subpart 223.71 and the clause at 252.223–7006 are amended to add the exception in all solicitations and contracts which require, may require, or permit contractor performance on a DoD installation.

B. Regulatory Flexibility Act

The interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because of the limited applicability of the rule to industrial-type facilities located on military installations. An initial regulatory flexibility analysis has therefore not been performed. Comments from small entities concerning the affected subpart and clause will be considered in accordance with Section 610 of the Act. Such comments must be submitted separately and cite DFARS Case 94-D309 in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense to issue this rule as an interim rule. Compelling reasons exist to promulgate this rule as an interim rule without prior opportunity for public comments because it is necessary to add the exception authorized by Section 325 of Pub. L. 103–337. However, comments received in response to this interim rule will be considered in formulating the final rule.
