SUPPLEMENTARY INFORMATION:

I. Background on Title IV of SMCRA

Title IV of SMCRA established an AMLR program for the purposes of reclaiming and restoring lands and waters adversely affected by past mining. The program is funded by a reclamation fee levied on the production of coal. Lands and waters eligible for reclamation under title IV are those that were mined or affected by mining and abandoned or inadequately reclaimed prior to August 3, 1977, and for which there is no continuing reclamation responsibility under State, Federal, Tribal, or other laws.

Title IV provides for State or Tribal submittal to OSM of an AMLR plan. The Secretary of the Interior adopted regulations at 30 CFR 870 through 888 that implement Title IV of SMCRA. Under these regulations, the Secretary reviewed the plans submitted by States and Tribes and solicited and considered comments of State and Federal agencies and the public. Based upon the comments received, the Secretary determined whether a State or Tribe had the ability and necessary legislation to implement the provisions of Title IV. After making such a determination, the Secretary decided whether to approve the State or Tribe program. Approval granted the State or Tribe exclusive authority to administer its plan.

Ordinarily, under section 405 of SMCRA, a State or Tribe must have an approved surface mining regulatory program prior to submittal of an AMLR plan to OSM. However, on July 11, 1987, the President signed a supplemental appropriations bill (Pub. L. 100–71) that authorized the Crow and Hopi Tribes and Navajo Nation to adopt AMLR programs without approval of Tribal surface mining regulatory programs.

Upon approval of a State's or Tribe's plan by the Secretary, the State or Tribe may submit to OSM, on an annual basis, an application for funds to be expended by that State or Tribe on specific projects that are necessary to implement the approved plan. Such annual requests are reviewed and approved by OSM in accordance with the requirements of 30 CFR Part 886.

II. Background on the Navajo Plan

On May 16, 1988, the Secretary of the Interior approved the Navajo plan. General background information on the Navajo plan, including the Secretary's findings, the disposition of comments, and the approval of the Navajo plan can be found in the May 16, 1988, **Federal Register** (53 FR 17186). Approval of the Navajo plan is codified at 30 CFR 756.13. Subsequent actions concerning the Navajo plan and plan amendments can be found at 30 CFR 756.14.
