Ceiling fans incorporate a self-contained electric motor of an output not exceeding 125 watts. Ceiling fans are designed for permanent or semi-permanent installation. Industrial ceiling fans are defined as ceiling fans that meet six or more of the following criteria in any combination: A maximum speed of greater than 280 revolutions per minute (RPMs); a minimum air delivery capacity of 8000 cubic feet per minute (CFM); no reversible motor switch; controlled by wall-mounted electronic switch; no built-in motor controls; no decorative features; not light adaptable; fan blades greater than 52 inches in diameter; metal fan blades; downrod mounting only—no hugger mounting capability; three fan blades; fan blades mounted on top of motor housing; single-speed motor.

The Harmonized Tariff Schedule (HTS) subheading under which ceiling fans are classifiable is 8414.51.0030. Although the HTS subheading is provided for convenience and Customs purposes, our written description of the scope of this proceeding is dispositive.

This changed circumstances administrative review covers all manufacturers/exporters of ceiling fans from the PRC.

#### Final Results of Review; Revocation of Antidumping Duty Order

The affirmative statement of no interest by Lasko, the petitioner, constitutes changed circumstances sufficient to warrant revocation of the order. Therefore, the Department is revoking the order on ceiling fans from the PRC in accordance with sections 751 (b) and (c) of the Tariff Act of 1930 (the Act) and 19 CFR 353.25(d)(1). This revocation applies to all entries of subject merchandise entered, or withdrawn from warehouse, for consumption on or after June 5, 1991.

The Department will instruct the Customs Service to proceed with liquidation, without regard to antidumping duties, of all unliquidated entries of subject merchandise entered, or withdrawn from warehouse, for consumption on or after June 5, 1991. The Department will further instruct the Customs Service to refund with interest any estimated duties collected with respect to unliquidated entries of

subject merchandise entered, or withdrawn from warehouse, for consumption on or after December 9, 1991, in accordance with section 778 of the Act.

This changed circumstances review, revocation of the antidumping duty order, and notice are in accordance with sections 751 (b) and (c) of the Act (19 U.S.C. 1675 (b) and (c)) and sections 353.22(f) and 353.25(d) of the Department's regulations.
