Certification Regarding Maintenance of Effort

The undersigned certifies that:

(1) Activities funded under this program announcement are in addition to, and not in substitution for, activities previously carried on without Federal assistance.

(2) Funds or other resources currently devoted to activities designed to meeting the needs of the poor within a community, area, or State have not been reduced in order to provide the required matching contributions.

When legislation for a particular block grant permits the use of its funds as match, the applicant must show that it has received a real increase in its block grant allotment and must certify that other anti-poverty programs will not be scaled back to provide the match required for this project.
