

military end-users or for non-military end-users in Syria will be considered on a case-by-case basis.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of mobile communications equipment that were subject to national security controls on August 28, 1991: see paragraph (a)(1)(i)(B) of this Supplement.

(2) Contract sanctity date for exports and reexports to military end-users or end-uses of all other mobile communications equipment: August 28, 1991.

(xiv) *Acoustic underwater detection equipment.*

(A) *Iran.* Applications for export and reexport to Iran of such equipment will generally be denied to all end-users.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of acoustic underwater detection equipment that was subject to national security controls on October 22, 1987: see paragraphs (a)(1)(i)(A)(1) and (a)(1)(i)(A)(2) of this Supplement.

(2) Contract sanctity date for all other acoustic underwater detection equipment for all end-users: October 22, 1987.

(B) *Syria.* A license is required for national security-controlled acoustic underwater detection equipment. Applications for export and reexport to Syria will generally be denied if the export or reexport is destined to a military end-user or for military end-use. Applications for non-military end-users or for non-military end-uses in Syria will be considered on a case-by-case basis.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of acoustic underwater detection equipment that was subject to national security controls on August 28, 1991: see paragraph (a)(1)(i)(B) of this Supplement.

(2) Contract sanctity date for exports and reexports to military end-users or end-uses for all other acoustic underwater detection equipment: August 28, 1991.

(xv) *Portable electric power generators.* (A) *Iran.* Applications for export (and reexport, if applicable) to Iran of such equipment will generally be denied to all end-users. Contract sanctity date: October 22, 1987.

(B) Reserved.

(xvi) *Vessels and boats, including inflatable boats.* (A) *Iran.* Applications for export (and reexport, if applicable) to Iran of these items will generally be denied to all end-users.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of vessels and boats that were subject to national security controls on October 22, 1987: see paragraphs (a)(1)(i)(A)(1) and (a)(1)(i)(A)(2) of this Supplement.

(2) Contract sanctity date for all other vessels and boats for all end-users: October 22, 1987.

(B) *Syria.* A license is required for only national security-controlled vessels and boats. Applications for export and reexport to Syria of these items will generally be denied if the export or reexport is destined to a military end-user or for military end-use. Applications for non-military end-users or for non-military end-uses in Syria will be considered on a case-by-case basis.

(1) Contract sanctity date for exports and reexport to military end-users or end-uses of vessels and boats that were subject to national security controls on August 28, 1991: see paragraph (a)(1)(i)(B) of this Supplement.

(2) Contract sanctity date for all other vessels and boats: August 28, 1991.

(xvii) *Marine and submarine engines (outboard/inboard, regardless of horsepower).* (A) *Iran.* Applications for export and reexport to Iran of these items will generally be denied to all end-users.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of marine and submarine engines that were subject to national security controls on October 22, 1987: see paragraphs (a)(1)(i)(A)(1) and (a)(1)(i)(A)(2) of this Supplement.

(2) Contract sanctity date for outboard engines of 45 HP or more for all end-users: September 28, 1984.

(3) Contract sanctity date for all other marine and submarine engines for all end-users: October 22, 1987.

(B) *Syria.* A license is required for all national security controlled marine and submarine engines. Applications for export and reexport to Syria of these items will generally be denied if the export or reexport is destined to a military end-user or for military end-use. Applications for non-military end-users or for non-military end-uses in Syria will be considered on a case-by-case basis.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of marine and submarine engines that were subject to national security controls on August 28, 1991: see paragraph (a)(1)(i)(B) of this Supplement.

(2) Contract sanctity date for all other marine and submarine engines: August 28, 1991.

(xviii) *Underwater photographic equipment.* (A) *Iran.* Applications for export (and reexport, if applicable) to Iran of such equipment will generally be denied to all end-users.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of underwater photographic equipment that was subject to national security controls on October 22, 1987: see paragraphs (a)(1)(i)(A)(1) and (a)(1)(i)(A)(2) of this Supplement.

(2) Contract sanctity date for all other underwater photographic equipment for all end-users: October 22, 1987.

(B) *Syria.* Applications for export and reexport to Syria of such equipment will generally be denied if the export or reexport is destined to a military end-user or for military end-use. Applications for non-military end-users or for non-military end-uses in Syria will be considered on a case-by-case basis.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of underwater photographic equipment that was subject to national security controls on August 28, 1991: see paragraph (a)(1)(i)(B) of this Supplement.

(2) Contract sanctity date for exports and reexports to military end-users or end-uses of

all other underwater photographic equipment: August 28, 1991.

(xix) *Submersible systems.* (A) *Iran.*

Applications for export and reexport to Iran of such systems will generally be denied to all end-users.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of submersible systems that were subject to national security controls on October 22, 1987: see paragraphs (a)(1)(i)(A)(1) and (a)(1)(i)(A)(2) of this Supplement.

(2) Contract sanctity date for all other submersible systems for all end-users: October 22, 1987.

(B) *Syria.* Applications for export and reexport to Syria of such systems will generally be denied if the export or reexport is destined to a military end-user or for military end-use. Applications for non-military end-users or for non-military end-uses in Syria will be considered on a case-by-case basis.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of submersible systems that were subject to national security controls on August 28, 1991: see paragraph (a)(1)(i)(B) of this Supplement.

(2) Contract sanctity date for exports and reexports to military end-users or end-uses of all other submersible systems: August 28, 1991.

(xx) *Scuba gear and related equipment.* Applications for export and reexport to Iran of such equipment will generally be denied to all end-users. No contract sanctity for Iran.

(xxi) *Pressurized aircraft breathing equipment.* (A) *Iran.* Applications for export and reexport to Iran of such equipment will generally be denied to all end-users. Contract sanctity date: October 22, 1987.

(B) Reserved.

(xxii) *Computer numerically controlled machine tools.* (A) *Iran.* Applications for export and reexport to Iran of these items will generally be denied to all end-users.

(1) Contract sanctity date for exports and reexports of computer numerically controlled machine tools that were subject to national security controls on August 28, 1991 for all end-users: see paragraph (a)(1)(i)(A) of this Supplement.

(2) Contract sanctity dates for all other computer numerically controlled machine tools: August 28, 1991, for military end-users or end-uses; October 23, 1992, for non-military end-users or end-uses.

(B) *Syria.* Applications for export and reexport to Syria of these items will generally be denied if the export or reexport is destined to a military end-user or for military end-use. Applications to Syria for non-military end-users or for non-military end-uses will be considered on a case-by-case basis.

(1) Contract sanctity date for exports and reexports to military end-users or end-uses of computer numerically controlled machine tools that were subject to national security controls on August 28, 1991: see paragraph (a)(1)(i)(B) of this Supplement.

(2) Contract sanctity date for exports and reexports to military end-users or end-uses of all other computer numerically controlled machine tools: August 28, 1991.

(xxiii) *Vibration test equipment.* (A) *Iran.* Applications for export and reexport to Iran
