International Buyer Program (Formerly Known as the Foreign Buyer Program); Support for Domestic Trade Shows

AGENCY: International Trade Administration, Commerce.

ACTION: Notice and Call for Applications for the FY'97 International Buyer Program (October 1, 1996, through September 30, 1997).

SUMMARY: This notice sets forth objectives, procedures and application review criteria associated with the U.S. Department of Commerce's International Buyer Program (IBP), formerly known as the Foreign Buyer Program, to support domestic trade shows: Selection in the International Buyer Program for Fiscal Year 1997.

The International Buyer Program was established to bring international buyers together with U.S. firms by promoting leading U.S. trade shows in industries with high export potential. The International Buyer Program emphasizes cooperation between the U.S. Department of Commerce (DOC) and trade show organizers to benefit U.S. firms exhibiting at selected events and provides practical, hands-on assistance to U.S. companies interested in exporting such as export counseling and market analysis. The assistance provided to show organizers includes worldwide overseas promotion of selected shows to potential international

buyers, end-users, representatives and distributors. The worldwide promotion is executed through the offices of the Commerce Department's Commercial Service of the United States of America (Commercial Service), formerly referred to as United States and Foreign Commercial Service, in 69 countries representing America's major trading partners, and also through U.S. Embassies in countries where the Commercial Service does not maintain offices. The Department expects to select approximately 22 shows for FY97 from among applicants to the program. Shows selected for the International Buyer Program will provide a venue for U.S. companies interested in expanding their sales into international markets. Successful applicants will be required to enter into a Memorandum of Understanding (MOU) that sets forth the specific actions to be performed by the show organizer and the DOC. The MOU constitutes a participation agreement between the DOC and the show organizer specifying which services are to be rendered by DOC as part of the IBP and, in turn, what responsibilities must be assumed by the show organizer. Anyone wishing to apply will be sent a copy of the MOU along with the application package. The services to be rendered by DOC will be carried out by the Commercial Service of the United States of America unless otherwise indicated.

DATES: Applications must be received within July 24, 1995. A contribution of \$5,000 is required for each show selected by the IBP for inclusion in the FY97 program.

International Trade Administration (ITA) of the U.S. Department of Commerce is accepting applications for the International Buyer Program (IBP)

for events taking place between October 1, 1996, and September 30, 1997.

Under the IBP, the Department seeks to bring international buyers together with U.S. firms by selecting and promoting in international markets domestic trade shows in industries with high export potential. Selection of a trade show is one-time, i.e., a trade show organizer seeking selection for a recurring event must submit a new application for selection for each occurrence of the event. If the event occurs more than once in the 12-month period covering this announcement, the trade show organizer must submit a separate application for each event.

The Department will select approximately 22 events to support during this 12-month period. The Department will select those events that, in its judgment, most clearly meet the Department's objectives and selection criteria mentioned below.

Selection indicates that the Department has found the event to be a leading international trade show appropriate for participation by U.S. exporting firms and promotion in overseas markets by U.S. Embassies and Consulates. Selection does not constitute a guarantee by the U.S. Government of the show's success. Selection is not an endorsement of the show organizer except as to its International Buyer Program activities. Non-Selection should not be viewed as a finding that the event will not be successful in the promotion of U.S. exports.

Exclusions

Trade shows that are either first-time or horizontal (non-industry specific) events will not be considered. Annual trade shows will not be selected for this program more than twice in any three-year period (e.g., shows selected for fiscal years 1995 and 1996 are not eligible for inclusion in this program in fiscal year 1997, but can be considered in subsequent years).

The Office of Management and Budget has approved the information collection requirements of the application to this program under the provisions of the Paperwork Reduction Act of 1980 (44 U.S.C. 3501 et. seq.) (OMB control no. 0625–0151 approved for use through 10/31/97).

General Selection Criteria

Subject to Departmental budget and resource constraints, those events will be selected that, in the judgment of the Department, most clearly meet the following criteria:
