June 2, 1995.

Take notice that on May 26, 1995, ANR Storage Company (ANR) 500 Renaissance Center, Detroit, Michigan 48243, filed in Docket No. CP95-528-000, a request pursuant to Sections 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.212) for authorization to add and operate a delivery point (the Rapid River Delivery Point) in Rapid River Township, Kalkaska County, Michigan under the blanket certificate issued in Docket No. CP82-523-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

ANR proposes to add the Rapid River Delivery Point where ANR is currently physically interconnected with ANR Pipeline Company in the Township of Rapid River. ANR relates that the interconnect was authorized by a May 1, 1992, Commission order in Docket No. CP91-2705-000. ANR states that it does not propose to increase its maximum authorized storage deliveries, abandon any service, nor construct any new facilities. ANR states that the gas delivered or redelivered at the proposed new delivery point will be measured by measuring equipment owned by ANR Pipeline Company. ANR asserts that the new delivery point will not impact the storage services ANR currently provides to its existing customers other than to offer ANR's current and future customers the additional flexibility of another delivery point to deliver gas for storage or withdraw gas from storage.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a

protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
