Notice Concerning the Idaho Training Range

The Air Force has determined that it will no longer pursue the Idaho Training Range as proposed by the State of Idaho. Accordingly, the Air Force has terminated work on its environmental impact statement (EIS) for the Idaho Training Range. The EIS was being prepared to consider the State of Idaho's proposal for a state-owned tactical training range to be used by the Air Force and the Air National Guard.

The Air Force has committed to working with the State, the Department of Interior, the Shoshone-Paiute Tribes and others to try to identify other tactical training opportunities in Idaho. There are no proposals at this time. Should a new, mutually agreeable proposal be developed, it would be announced and the Air Force would begin a comprehensive environmental analysis of it in accordance with the National Environmental Policy Act.
