Notice of Issuance of Decisions and Orders During the Week of April 24 Through April 28, 1995

During the week of April 24 through April 28, 1995, the decisions and orders summarized below were issued with respect to applications for exception or other relief filed with the Office of Hearings and Appeals of the Department of Energy. The following summary also contains a list of submissions that were dismissed by the Office of Hearings and Appeals.

Request for Exception

Lane's Service, Inc., 4/27/95, LEE-0158

Lane's Service, Inc. (Lane), filed an Application for Exception from the provisions of the Energy Information Administration (EIA) reporting requirements in which the firm sought relief from filing Form EIA-782B,

entitled "Resellers'/Retailers' Monthly Petroleum Product Sales Report." The DOE determined that Lane did not meet the standards for exception relief because it was not experiencing a serious hardship or gross inequity as a result of the reporting requirements. Accordingly, exception relief was denied.

Refund Applications

Gulf Oil Corporation/Marine Fueling, Inc., 4/27/95, RF300-17154

Marine Fueling, Inc. (Marine) filed an Application for Refund in the Gulf Oil Corporation (Gulf) special refund proceeding. In considering the application, the DOE noted that it had already held, in connection with another refund application filed by Marine, that the sales agreement pursuant to which Marine sold its business in 1975 transferred to the buyer the right to any future refunds. See *Murphy Oil Corp./Marine Fueling Division*, 21 DOE ¶ 85,329 (1991). Based

on that holding, the Application was denied.

Texaco Inc./27 W. Landis Texaco, Langhorne Texaco Service Station, 4/27/95, RR321-177, RR321-178

The DOE issued a Decision and Order concerning two Motions for Reconsideration submitted by indirect purchasers of Texaco products. The DOE determined that the movants were eligible to receive refunds as determined in a prior Decision and Order of the DOE, *Texaco Inc./27 W. Landis Texaco*, 24 DOE ¶ 85,137 (1995). The total of the refunds disbursed to the movants was \$15,066 (\$10,302 principal and \$4,764 interest).
