Selkirk Cogen Partners, L.P. v. Tennessee Gas Pipeline Company; Notice of Complaint

June 7, 1995.

Take notice that on May 31, 1995, Selkirk Cogen Partners, L.P. (Selkirk) filed with the Commission a complaint against Tennessee Gas Pipeline Company (Tennessee).

Selkirk argues that Tennessee implemented a new "capacity path" tariff restriction, which it proposed as part of its December 30, 1994 general section 4 rate filing, during the Commission-imposed suspension period and before the Commission approved the change. Selkirk states that Tennessee has characterized this action as a clarification of its tariff, but Selkirk asserts Tennessee has illegally changed the priority provided in its currently effective tariff without Commission authority.

Selkirk also argues that it has attempted over the last four months to resolve the subject of this complaint on an informal basis with Tennessee officials. Tennessee refuses to acknowledge that it has changed the priorities established in its currently-effective tariff.

Selkirk requests that the Commission order Tennessee to apply the provisions of its currently effective tariff until such time as the Commission rules on Tennessee's capacity path proposal in its general rate case.

Any person desiring to be heard or to protest said complaint should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 214 and 211 of the Commission's Rules of Practice and Procedure 18 CFR 385.214, 385.211. All such motions or protests should be filed on or before July 7, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies

of this filing are on file with the Commission and are available for public inspection. Answers to this complaint shall be due on or before July 7, 1995.

Secretary.
