

Investment shall be the lesser of (a) the fair value of the securities on the date acquired by the Partnership as determined by the General Partner or (b) the cost to ML of purchasing the Warehoused Investment ("Cost"). Carrying costs may be paid by the Partnership to ML to the extent such fair value exceeds Cost. To the extent the value of the securities is determined to be less than Cost, ML may determine not to sell the Warehoused Investment to the Partnership. The General Partner will maintain at the Partnerships' office written records of the factors considered in any determination regarding the value of a Warehoused Investment.

4. Carrying costs shall be calculated from the date ML acquired the proposed investment on behalf of the Partnership to the date of the acquisition of the proposed investment by the Partnership from ML, and shall consist of interest charges computed at the lower of (a) the prime commercial lending rate charged by Citibank, N.A., during the period for which carrying costs are permitted to be paid until the Partnership acquires the securities or (b) the effective cost of borrowings by ML & Co. during such period. The effective cost of borrowings by ML & Co. is its actual "Average Cost of Funds," which it calculates on a monthly basis by dividing its consolidated financing expenses by the total amount of borrowings during this period.

5. The Partnership may only acquire a Warehoused Investment from ML during the lesser of (a) one year from the time ML purchases the Warehoused Investment or (b) 30 days from the date of closing of the Partnership's initial offering.

6. The General Partner will maintain the records required by section 57(f)(3) of the Act and will comply with the provisions of section 57(h) of the Act as if each Partnership were a business development company. All records referred to or required under these conditions will be available for inspection by the limited partners of each Partnership and the Commission.

For the Commission, by the Division of Investment Management, under delegated authority.

Deputy Secretary.

Applicant's Representations

1. Applicant is an open-end management investment company that was organized as a corporation under the laws of Maryland. On March 14, 1988, applicant filed a notice of registration on Form N-8A pursuant to section 8(a) of the Act. Also on March 14, 1988, applicant filed a registration statement under section 8(b) of the Act and under the Securities Act of 1933 on Form N-1A to issue an indefinite number of shares. Applicant's

2. Applicant was created as a separate investment vehicle for fiduciary accounts of the Bank. The Bank later determined that, under certain circumstances, banking law permitted the joint investment of the Bank's fiduciary accounts with its non-fiduciary accounts in a portfolio of Vision Group of Funds, Inc., that was created for the general public rather than in a separate investment company portfolio.

3. On November 8, 1994, applicant's board of directors authorized the dissolution of applicant, conditioned on the redemption of all applicant's shares.

4. As of December 27, 1994, applicant had 88,342,953.98 shares outstanding at a net asset value of \$1.00 per share. Applicant's portfolio securities were sold to the Vision Group Money Market Fund pursuant to rule 17a-7 on or before December 28, 1994, and no brokerage commissions were paid. On December 28, 1994, all shares were voluntarily redeemed by applicant's shareholders. Each shareholder received his or her proportionate share of applicant's net assets.

5. On December 30, 1994, Federated Services Company, as applicant's sole shareholder, authorized applicant's dissolution by unanimous written consent.

6. Applicant's distributor paid all liquidation expenses incurred. Applicant believes that these costs, which included legal fees, record keeping expenses, and custodian fees, were immaterial.

7. Applicant has no security holders, assets, debts, or other liabilities. Applicant is not a party to any litigation or administrative proceeding. Applicant is not engaged and does not propose to engage in any business activity other than those necessary for the winding up of its affairs.

8. On March 21, 1995, the Maryland Department of Assessments and Taxation received and accepted applicant's Articles of Dissolution.
