previously, a reference to the order or tariff provision approving the allocation methodology must be included.

(6) A letter of transmittal containing:

(i) A list of the material enclosed;

(ii) The name and telephone number of a company official who can answer questions regarding the filing;

(iii) A statement of the date the refund was disbursed;

(iv) A reference to the authority by which the refund is made, including the specific subpart of these regulations, an order of the Commission, a provision of the company's tariff, or any other appropriate authority. If a Commission order is referenced, include the citation to the FERC Reports, the date of issuance, and the docket number;

(v) Any requests for waiver. Requests must include a reference to the specific section of the statute, regulations, or the company's tariff from which waiver is sought, and a justification for the waiver.

(7) A certification of service to all affected customers and interested state commissions.

(f) Each report filed under paragraph (e) of this section must be posted no later than the date of filing.

§154.502 Reports.

(a) When the natural gas company is required to make a report on a periodic basis, either by Commission order or as a part of a settlement, details about the nature and contents of the report must be provided in an appropriate section of the general terms and conditions of its tariff.

(b) The details in the general terms and conditions of the tariff must include the frequency and timing of the report. Explain whether the report is filed annually, semi-annually, monthly, or is triggered by an event. If triggered by an event, explain how soon after the event the report must be filed. If the report is periodic, state the dates on which the report must be filed.

(c) Each report must include:

(1) A letter of transmittal containing:

(i) A list of the material enclosed;

(ii) The name and telephone number of a company official who can answer questions regarding the filing;

(iii) A reference to the authority by which the report is made, including the specific subpart of these regulations, an order of the Commission, a provision of the company's tariff, or any other appropriate authority. If a Commission order is referenced, include the citation to the FERC Reports, the date of issuance, and the docket number;

(iv) Any requests for waiver. Requests must include a reference to the specific section of the statute, regulations, or the company's tariff from which waiver is sought, and a justification for the waiver.

(2) A certification of service to all affected customers and interested state commissions.

(d) Each report filed under paragraph (b) of this section must be posted no later than the date of filing.

Subpart G—Other Tariff Changes

§154.600 Compliance with other subparts.

Any proposal to implement a tariff change other than in rate level must comply with subparts A, B, and C of this part.

§154.601 Change in executed service agreement.

Agreements intended to effect a change or revision of an executed service agreement on file with the Commission must be in the form of a superseding executed service agreement only. Service agreements may not contain any supplements, but may contain exhibits which may be separately superseded. The exhibits may show, among other things, contract demand delivery points, delivery pressures, names of industrial customers of the distributor-customer, or names of distributors (with one distributor named as agent where delivery to several distributors is effected at the same delivery points).

§ 154.602 Cancellation or termination of a tariff, executed service agreement or part thereof.

When an effective tariff, contract, or part thereof on file with the Commission, is proposed to be canceled or is to terminate by its own terms and no new tariff, executed service agreement, or part thereof, is to be filed in its place, the natural gas company must notify the Commission of the proposed cancellation or termination on the form indicated in §250.2 or §250.3 of this chapter, whichever is applicable, at least 30 days prior to the proposed effective date of such cancellation or termination. With such notice, the company must submit a statement showing the reasons for the cancellation or termination, a list of the affected customers and the contract demand provided to the customers under the service to be canceled. A copy of the notice must be duly posted.

§154.603 Adoption of the tariff by a successor.

Whenever the tariff or contracts of a natural gas company on file with the Commission are to be adopted by another company or person as a result of an acquisition, or merger, authorized by a certificate of public convenience and necessity, or for any other reason, the succeeding company must file with the Commission, and post within 30 days after such succession, a certificate of adoption on the form prescribed in § 250.4 of this chapter. Within 90 days after such notice is filed, the succeeding company must file a revised tariff with the sheets bearing the name of the successor company.

Revised

Docket No. RM95-3-000

This document replaces the Tariff Filing Record Formats issued August 31, 1989.

General Information

I. Purpose

All companies which maintain a gas tariff with the Federal Energy Regulatory Commission (FERC) are required to submit, along with the paper copies, an electronic version of all tariff filings pursuant to section 385.2011 of the Commission's regulations. Companies are required to have an electronic version of their entire gas tariff (excluding Volume No. 2 contractual rate schedules) on file with FERC on or before June 1, 1995. This form does not modify the existing tariff sheet format required in section 154.102 or section 385.2003 for tariff sheets filed on paper. Nor does it modify the requirement in section 154.201(a) to file a marked paper version of the pages to be changed by showing additions and deletions using highlighting, background shading, bold text, or underlined text.

II. Who Must File

All companies who are required to maintain a FERC Gas Tariff on file with the Commission.

III. What To Submit

All proposed revisions to the FERC Gas Tariff will be submitted in conformance with this form. Such proposed revisions include, but are not limited to, rate changes pursuant to a section 4 filing or changes in service pursuant to a certificate issued as a result of a section 7 proceeding. Upon request of the Secretary of the Commission, companies must submit such additional supporting and clarifying data and information as may be specified.

All data will be submitted on diskette(s), preferably 3.5" High Density diskettes, and must conform to the specific instructions provided in Exhibit A. The diskette(s) must be accompanied by paper copies of the information submitted on the diskette. The paper copies must conform in all respects to the requirements of parts 154 and 157 and will consist of the required number of copies of the transmittal letter, the tariff sheets, the certification of service, and a form of notice suitable for publication in the **Federal Register**.
