

make a decision, receive from the executive director a letter stating whether a "request for determination" should be filed. The executive director may also direct a project sponsor to submit a "request for determination."

(c) Within thirty days of the receipt of such "request for determination," the executive director shall determine whether the said project must be reviewed and approved by the commission. In making such determination, the executive director shall be guided primarily by his/her findings as to the following factors:

(1) Whether the proposed project will have a significant interstate effect on water supply, stream flows, aquifers, water quality, flooding, sensitive land areas, aquatic or terrestrial forms of plant or animal life, historical or cultural resources, or any other water-related resource.

(2) Whether the proposed project will have a significant impact upon the goals, objectives, guidelines, plans, or projects included in the comprehensive plan.

(3) Whether the proposed project may have an adverse or adverse cumulative effect on the water resources of the basin.

(d) The executive director shall notify the sponsor of the project, the agency of the signatory party, if any, reviewing the project, the governing body of each municipality and the planning agency of each county in which the project is located of his/her initial determination under this section. Notice to the sponsor shall be by certified mail, and to all other interested parties by regular, first class mail. At a cost to be assessed to the project sponsor, the executive director shall also publish in a newspaper of general circulation in that municipality, at least once, a notice of such determination. If no objection is made to the executive director's initial determination, it shall become final ten days after publication as set forth in this paragraph.

(e) Any interested party objecting to the determination may, within ten days of the newspaper publication, object to such determination and appeal to the executive director by letter for reconsideration. Following such reconsideration, if requested, the executive director shall serve notice upon the agency of the signatory party, the applicant and each such objector of his/her determination. Any such party may appeal such final determination to the commission by notice in writing served upon the executive director within 14 days after the service of the executive director's decision upon reconsideration. The commission will

determine such appeal at a regular meeting thereafter.

#### **§ 803.23 Submission of application.**

(a) Sponsors of projects requiring the review and approval of the commission under § 803.4, or determined to require the approval of the commission under § 803.22, shall, prior to the time the project is undertaken, submit an application to the commission. The application shall be submitted to the commission at its headquarters, 1721 N. Front Street, Harrisburg, Pennsylvania 17102-2391, and shall contain the information prescribed in § 803.24.

(b) An application shall not be deemed to be pending before the commission until such time as the information required under § 803.24 has been provided and any applicable fee has been paid.

(c) As determined from applications or otherwise, the commission shall review and either approve, approve with conditions or modifications, or disapprove such projects.

#### **§ 803.24 Contents of application.**

(a) Applications shall be submitted on forms prescribed by the commission.

(b) If no forms are prescribed by the commission for a particular type of project, the sponsor shall submit an application addressing the following items applicable to the project:

(1) Identification of sponsor and name of person authorized to speak for the sponsor.

(2) Description of project and site in terms of:

(i) Water use and availability.

(ii) Engineering feasibility.

(iii) Ability of sponsor to fund the project or action.

(iv) Project location.

(v) Project purpose.

(vi) Identification and description of reasonable alternatives, the extent of their economic and technical investigation, and an assessment of their potential environmental impact. In the case of a proposed diversion, the sponsor should include information:

(A) Detailing the efforts that have been made to develop its own in-basin sources of water; and

(B) Demonstrating that the proposed diversion will not have substantial adverse effects on the ability of the Susquehanna River basin to meet its own water needs.

(vii) Supporting studies, reports and other information upon which assumptions and assertions have been based.

(viii) Compatibility of proposed project with existing and anticipated uses.

(ix) Plans for avoiding or compensating for consumptive use during low flow periods.

(x) Anticipated impact of the proposed project on:

(A) Flood damage potential considering the location of the project with respect to the flood plain and flood hazard zones;

(B) Surface water characteristics (quality, quantity, flow regimen, other hydrologic characteristics);

(C) Recreation potential;

(D) Fish and wildlife (habitat quality, kind and number of species);

(E) Natural environment uses (scenic vistas, natural and manmade travel corridors, wild and wilderness areas, wild, scenic and recreation rivers);

(F) Site development considerations (geology, topography, soil characteristics, adjoining and nearby land uses, adequacy of site facilities); and

(G) Historical, cultural and archaeological impacts.

(3) Governmental considerations:

(i) Need for governmental services or finances.

(ii) Commitment of government to provide services or finances.

(iii) Status of application with other governmental regulatory bodies.

(4) Project estimated completion date and estimated construction schedule.

(c) A report about the project prepared for any other purpose, or an application for approval prepared for submission to a signatory party, may be accepted by the commission *provided* the said report or application addresses the applicable items listed in paragraph (b) of this section.

#### **§ 803.25 Notice of application.**

(a) The project sponsor shall, within ten days of the submission of an application to the commission, notify area and regional news media, the municipality(ies) in which the project is situated, the county planning agency of the county(ies) in which the project is situated, and contiguous property owners that an application has been submitted to the commission. The commission shall compile a list of additional interested parties who comment on the application, request a hearing or make inquiries concerning the application. The project sponsor shall also publish at least once in a newspaper of general circulation in that municipality a notice of the submission of the application which contains a sufficient description of the project, its purpose and its location. Both the notification and the notice shall contain the address and phone number of the commission.
