North Pacific Fishery Management Council; Statement of Organization, Practices and Procedures

Pursuant to section 302(f)(6) of the Magnuson Fishery Conservation and Management Act (Magnuson Act), 16 U.S.C. 1801 *et seq.*, each Regional Fishery Management Council (Council) is responsible for carrying out its functions under the Magnuson Act, in accordance with such uniform standards as are prescribed by the Secretary of Commerce (Secretary). Further, each Council must make available to the public a statement of its organization, practices and procedures (SOPP).

Secretarial guidelines for the organization, practices, procedures, and operations of the Councils established by the Magnuson Act are set forth in 50 CFR part 601 and 605. Section 605(g)(2)(i) allows Councils to establish in their SOPPs the maximum number of days and contribution per day of unused sick leave a Council will pay to an employee's retirement fund upon their retirement or death.

The North Pacific Fishery Management Council (NPFMC) approved a revision to the NPFMC's SOPP, which was originally published on March 1, 1977 (42 FR 11858). The revision specifies that a maximum of 100 days of unused sick leave may be converted into retirement benefits upon an employee's retirement or death. Interested parties may obtain a copy of the NPFMC's revised SOPP by contacting Clarence G. Pautzke, Executive Director, North Pacific Fishery Management Council, P.O. Box 102136, Anchorage, AK 99501; telephone (907) 271-2809.

Dated: May 24, 1995.
