#### Consolidation of U.S. Coast Guard Training Centers; Environmental Assessment and Proposed Finding of No Significant Impact

AGENCY: Coast Guard, DOT.

ACTION: Notice of availability.

**SUMMARY:** The Coast Guard has prepared a Programmatic Environmental Assessment (PEA) for the proposed consolidation of U.S. Coast Guard training centers. This may result in transfer of training activities from one training center to other centers. One or more of the five training centers may be closed or partially closed. Based on the information presented in the PEA, the Coast Guard finds that no significant impacts to the environment will result from the proposed implementation of several alternatives consolidating the training functions at the five facilities,

and a proposed Finding of No Significant Impact (FONSI) has been prepared. The Coast Guard seeks comments from the public on the PEA and proposed FONSI. It will also hold a number of public meetings.

**DATES:** Written comments on the PEA and proposed FONSI should be received not later than July 17, 1995. Public meetings will be held as indicated below under **SUPPLEMENTARY INFORMATION.**

#### SUPPLEMENTARY INFORMATION:

##### Background

The Coast Guard is proposing to consolidate training activities throughout the United States to reduce operational expenditures and achieve long-term savings. A PEA has been prepared which evaluates the potential environmental and socioeconomic impacts from consolidation alternatives.

Five Coast Guard training centers may be directly affected by the proposed action: Training Center (TRACEN) Petaluma, California; TRACEN Cape May, New Jersey; Aviation Technical Training Center (ATTC) Elizabeth City, North Carolina; Reserve Training Center (RTC) Yorktown, Virginia; and the Coast Guard Academy in New London, Connecticut. Under the consolidation proposals, some installations may be expanded, some may be downsized, and some may be closed.
