

(14) Exercise responsibility for coordinating and overseeing the implementation of the Government Performance and Results Act of 1993, Pub. L. No. 103-62, at the Department.

(15) Exercise responsibility for design, implementation, and oversight of the Department's project known as Financial Information Systems Vision, and approval of the design and implementation of an integrated financial information and management system for the Department and all component agencies.

§ 2.29 Chief Economist.

(a) The following delegations of authority are made by the Secretary of Agriculture to the Chief Economist:

(1) *Related to economic analysis.*

(i) Coordinate economic analyses of, and review Department decisions involving, policies and programs that have substantial economic implications.

(ii) Review and assess the economic impact of all significant regulations proposed by any agency of the Department.

(iii) Review economic data and analyses used in speeches and Congressional testimony by Department personnel and in materials prepared for release through the press, radio, and television.

(2) *Related to risk assessment.*

(i) Responsible for assessing the risks to human health, human safety, or the environment, and for preparing cost-benefit analyses, with respect to proposed major regulations, and for publishing such assessments and analyses in the Federal Register as required by section 304 of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 2204e).

(ii) Provide direction to Department agencies in the appropriate methods of risk assessment and cost-benefit analyses and coordinate and review all risk assessments and cost-benefit analyses prepared by any agency of the Department.

(3) *Related to food and agriculture outlook and situation.*

(i) Coordinate and review all crop and commodity data used to develop outlook and situation material within the Department.

(ii) Oversee and clear for consistency analytical assumptions and results of all estimates and analyses which significantly relate to international and domestic commodity supply and demand, including such estimates and analyses prepared for public distribution by the Foreign Agricultural Service, the Economic Research Service,

or by any other agency or office of the Department.

(4) *Related to weather and climate.*

(i) Advise the Secretary on climate and weather activities, and coordinate the development of policy options on weather and climate.

(ii) Coordinate all weather and climate information and monitoring activities within the Department and provide a focal point in the Department for weather and climate information and impact assessment.

(iii) Arrange for appropriate representation to attend all meetings, hearings, and task forces held outside the Department which require such representation.

(iv) Designate the Executive Secretary of the USDA Weather and Climate Program Coordinating Committee.

(5) *Related to interagency commodity estimates committees.*

(i) Establish Interagency Commodity Estimates Committees for Commodity Credit Corporation price-supported commodities, for major products thereof, and for commodities where a need for such a committee has been identified, in order to bring together estimates and supporting analyses from participating agencies, and to develop official estimates of supply, utilization, and prices for commodities, including the effects of new program proposals on acreage, yield, production, imports, domestic utilization, price, income, support programs, carryover, exports, and availabilities for export.

(ii) Designate the Chairman, who shall also act as Secretary, for all Interagency Commodity Estimates Committees.

(iii) Assure that all committee members have the basic assumptions, background data and other relevant data regarding the overall economy and market prospects for specific commodities.

(iv) Review for consistency of analytical assumptions and results all proposed decisions made by Commodity Estimates Committees prior to any release outside the Department.

(6) *Related to remote sensing.*

(i) Provide technical assistance, coordination, and guidance to Department agencies in planning, developing, and carrying out satellite remote sensing activities to assure full consideration and evaluation of advanced technology.

(ii) Coordinate administrative, management, and budget information relating to the Department's remote sensing activities including:

(A) Inter- and intra-agency meetings, correspondence, and records;

(B) Budget and management tracking systems; and

(C) Inter-agency contacts and technology transfer.

(iii) Designate the Executive Secretary for the Remote Sensing Coordination Committee.

(7) *Related to long-range commodity and agricultural-sector projections.*

Establish committees of the agencies of the Department to coordinate the development of a set of analytical assumptions and long-range agricultural-sector projections (2 years and beyond) based on commodity projections consistent with these assumptions and coordinated through the Interagency Commodity Estimates Committees.

(8) *Related to agricultural labor affairs.* Exercise the following functions of the Secretary under the Immigration and Nationality Act (INA), as amended (8 U.S.C. 1101, *et seq.*):

(i) Pursuant to section 214(c) of INA (8 U.S.C. 1184(c)), provide consultation to the Attorney General and the Secretary of Labor concerning the question of the importation of aliens as nonimmigrant temporary agricultural workers, known as "H-2A" workers, under 8 U.S.C. 1101(a)(15)(H)(ii)(a);

(ii) Pursuant to section 218(e) of the INA (8 U.S.C. 1188 note), provide consultation to the Attorney General and the Secretary of Labor concerning all regulations to implement 8 U.S.C. 101(a)(15)(H)(ii)(a) and 1188 providing for the importation of H-2A workers;

(iii) Pursuant to section 210(h) of the INA (8 U.S.C. 1160(h)), promulgate regulations to define "seasonal agricultural services" for purposes of the Special Agricultural Worker (SAW) Program;

(iv) Pursuant to section 210A(a) of the INA (8 U.S.C. 1161(a)), determine jointly with the Secretary of Labor the number (if any) of additional special agricultural workers, known as "replenishment agricultural workers" (RAWs), who should be admitted to the United States or otherwise acquire the status of aliens lawfully admitted for temporary residence during fiscal years 1990 through 1993 to meet a shortage of workers to perform seasonal agricultural services in the United States during each such fiscal year;

(v) Pursuant to section 210A(a)(7) of the INA (8 U.S.C. 1161(a)(7)), determine jointly with the Secretary of Labor emergency requests to increase the shortage number;

(vi) Pursuant to section 210A(a)(8) of the INA (8 U.S.C. 1161(a)(8)), determine jointly with the Secretary of Labor requests to decrease the number of man-days of seasonal agricultural services required of RAWs to avoid deportation and for naturalization under section
