

§ 9004.5 Investment of public funds; other uses resulting in income.

Investment of public funds or any other use of public funds that results in income is permissible, provided that an amount equal to all net income derived from such a use, less Federal, State and local taxes paid on such income, shall be paid to the Secretary. Any net loss from an investment or other use of public funds will be considered a non-qualified campaign expense and an amount equal to the amount of such loss shall be repaid to the United States Treasury as provided under 11 CFR 9007.2(b)(2)(i).

13. Section 9004.6 is revised to read as follows:

§ 9004.6 Expenditures for transportation and services made available to media personnel; reimbursements.

(a) *General.* (1) Expenditures by an authorized committee for transportation, ground services or facilities (including air travel, ground transportation, housing, meals, telephone service, and typewriters) made available to media personnel, Secret Service personnel or national security staff will be considered qualified campaign expenses, and, except for costs relating to Secret Service personnel or national security staff, will be subject to the overall expenditure limitations of 11 CFR 9003.2 (a)(1) and (b)(1).

(2) Subject to the limitation in paragraphs (b) and (c) of this section, committees may seek reimbursement for these expenses, and may deduct reimbursements received from media representatives from the amount of expenditures subject to the overall expenditure limitations of 11 CFR 9003.2 (a)(1) and (b)(1). Expenses for which the committee receives no reimbursement will be considered qualified campaign expenses, and, with the exception of those expenses relating to Secret Service personnel and national security staff, will be subject to the overall expenditure limitation.

(b) *Reimbursement limits.* (1) The amount of reimbursement sought from a media representative under paragraph (a)(2) of this section shall not exceed 110% of the media representative's pro rata share (or a reasonable estimate of the media representative's pro rata share) of the actual cost of the transportation and services made available. Any reimbursement received in excess of this amount shall be disposed of in accordance with paragraph (d)(1) of this section.

(2) For the purpose of this section, a media representative's pro rata share shall be calculated by dividing the total actual cost of the transportation and

services provided by the total number of individuals to whom such transportation and services are made available. For purposes of this calculation, the total number of individuals shall include committee staff, media personnel, Secret Service personnel, national security staff and any other individuals to whom such transportation and services are made available, except that, when seeking reimbursement for transportation costs paid by the committee under 11 CFR 9004.7(b)(5)(i)(C), the total number of individuals shall not include national security staff.

(c) *Deduction of reimbursements from expenditures subject to the overall expenditure limitation.* (1) The committee may deduct from the amount of expenditures subject to the overall expenditure limitation:

(i) The amount of reimbursements received from media representatives in payment for the transportation and services described in paragraph (a) of this section, up to the actual cost of the transportation and services provided to media representatives; and

(ii) An additional amount of the reimbursements received from media representatives, representing the administrative costs incurred by the committee in providing these services to the media representative and seeking reimbursement for them, equal to:

(A) Three percent of the actual cost of transportation and services provided to the media representatives under this section; or

(B) An amount in excess of 3% representing the administrative costs actually incurred by the committee in providing services to the media representatives, provided that the committee is able to document the total amount of administrative costs actually incurred.

(2) For the purpose of this paragraph, "administrative costs" includes all costs incurred by the committee in making travel arrangements and seeking reimbursement, whether these services are performed by committee staff or by independent contractors.

(d) *Disposal of excess reimbursements.* If the committee receives reimbursements in excess of the amount deductible under paragraph (c) of this section, it shall dispose of the excess amount in the following manner:

(1) Any reimbursement received in excess of 110% of the actual pro rata cost of the transportation and services made available to a media representative shall be returned to the media representative.

(2) Any amount in excess of the amount deductible under paragraph (c)

of this section that is not required to be returned to the media representative under paragraph (d)(1) of this section shall be paid to the Treasury.

(e) *Reporting.* The total amount paid by an authorized committee for the services and facilities described in paragraph (a)(1) of this section, plus the administrative costs incurred by the committee in providing these services and facilities and seeking reimbursement for them, shall be reported as an expenditure in accordance with 11 CFR 104.3(b)(2)(i). Any reimbursement received by such committee under paragraph (b)(1) of this section shall be reported in accordance with 11 CFR 104.3(a)(3)(ix).

14. Section 9004.7 is revised to read as follows:

§ 9004.7 Allocation of travel expenditures.

(a) Notwithstanding the provisions of 11 CFR 106.3, expenditures for travel relating to a Presidential or Vice Presidential candidate's campaign by any individual, including a candidate, shall, pursuant to the provisions of paragraph (b) of this section, be qualified campaign expenses and be reported by the candidate's authorized committee(s) as expenditures.

(b)(1) For a trip which is entirely campaign-related, the total cost of the trip shall be a qualified campaign expense and a reportable expenditure.

(2) For a trip which includes campaign-related and non-campaign related stops, that portion of the cost of the trip allocable to campaign activity shall be a qualified campaign expense and a reportable expenditure. Such portion shall be determined by calculating what the trip would have cost from the point of origin of the trip to the first campaign-related stop and from the stop through each subsequent campaign-related stop to the point of origin. If any campaign activity, other than incidental contacts, is conducted at a stop, that stop shall be considered campaign-related. Campaign activity includes soliciting, making, or accepting contributions, and expressly advocating the election or defeat of the candidate. Other factors, including the setting, timing and statements or expressions of the purpose of an event, and the substance of the remarks or speech made, will also be considered in determining whether a stop is campaign-related.

(3) For each trip, an itinerary shall be prepared and such itinerary shall be made available by the committee for Commission inspection. The itinerary shall show the time of arrival and departure and the type of events held.
