## PART 802—OFFICIAL PERFORMANCE AND PROCEDURAL REQUIREMENTS FOR GRAIN WEIGHING EQUIPMENT AND RELATED GRAIN HANDLING SYSTEMS

1. The authority citation for Part 802 continues to read as follows:

**Authority:** Pub. L. 94–582, 90 Stat. 2867, as amended (7 U.S.C. 71 *et seq.*).

2. Section 802.0 is revised to read as follows:

### §802.0 Applicability.

(a) The requirements set forth in this Part 802 describe certain specifications, tolerances, and other technical requirements for grain weighing equipment and related grain handling systems used in performing Class X and Class Y weighing services, official inspection services, and commercial services under the Act. All scales used for official grain weight and inspection certification services provided by FGIS shall meet applicable requirements contained in the FGIS Weighing Handbook, the General Code, the Scales Code, the Automatic Bulk Weighing Systems Code, and the Weights Code of the 1994 edition of National Institute of Standards and Technology (NIST) Handbook 44, "Specifications, Tolerances, and Other Technical Requirements for Weighing and Measuring Devices'' (Handbook 44); and NIST HANDBOOK 105-1 (1990 Edition), "Specifications and Tolerances for Reference Standards and Field Standard Weights and Measures" (Handbook 105–1). These requirements are confirmed to be met by having National Type Evaluation Program or Federal Grain Inspection Service type approval. Scales used for commercial purposes will be required to meet only the applicable requirements of the 1994 edition of the NIST Handbook-44. Pursuant to the provisions of 5 U.S.C. 552(a), with the exception of the Handbook 44 requirements listed in paragraph (b) of this section, the materials in Handbooks 44 and 105-1 are incorporated by reference as they exist on the date of approval and a notice of any change in these materials will be published in the Federal Register. The NIST Handbooks are for sale by the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20403. They are also available for inspect at the Office of the Federal Register, 800 North Capitol Street, NW., suite 700, Washington, DC.

(b) The following Handbook 44 requirements are not incorporated by reference:

# NATIONAL CREDIT UNION ADMINISTRATION

## 12 CFR Parts 701, 747, 790 and 792

# **Changes in Citations, Office Descriptions and Information Centers**

**AGENCY:** National Credit Union Administration (NCUA).

**ACTION:** Final rule.

SUMMARY: This final rule makes housekeeping changes to NCUA's regulations. Corrections are made to certain citations to the United States Code found in the regulations and descriptions of two NCUA offices are updated to reflect current agency structure.

EFFECTIVE DATE: June 19, 1995.

FOR FURTHER INFORMATION CONTACT: Hattie M. Ulan, Special Counsel to the General Counsel, at 703–544–6540.

SUPPLEMENTARY INFORMATION: Section 701.14 and part 747, subpart J contain incorrect citations to the United States Code. These citations were correct when the regulations were originally drafted, but have changed due to a recodification

of the U.S. Code. The corrections are made in this document. Part 790 sets forth descriptions of the various NCUA offices. Two updates need to be made to these descriptions. First, the Office of Chief Economist and Policy Development, described in Section 790.2(b)(14) has been redesignated as the Office of Investment Services. The duties and responsibilities of the Office of Investment Services are somewhat different from the former office. Modifications to both the office name and description are made. Second, the structure of regional office management has recently been modified. Senior regional management formerly consisted of a Regional Director, an Associate Regional Director and a Deputy Regional Director. The titles and duties of these officials are found in Section 790.2(c)(2). Regional management now consists of a Regional Director, an Associate Regional Director for Programs and an Associate Regional Director for Operations. Modifications to Section 790.2(c)(2) are made to reflect the current structure and duties.

Part 792 contains, among other things, a description of the NCUA's information centers for purposes of the Freedom of Information Act. The Asset Liquidation Management Center is added to Section 792.2(f) as an agency information center.

Since these changes are housekeeping and do not have any substantive effect on credit unions, the Board finds it unnecessary to either issue a proposed rule or to have a delayed effective date. Therefore these changes are issued in final form and are effective upon publication.

## **Regulatory Procedures**

Regulatory Flexibility Act

The Regulatory Flexibility Act requires the NCUA to prepare an analysis to describe any significant economic impact any regulation may have on a substantial number of small credit unions (primarily those under \$1 million in assets). The types of changes made by this rule have no economic impact on credit unions. These are merely housekeeping changes. Therefore, the NCUA Board has determined and certifies that, under the authority granted in 5 U.S.C. 605(b), this final rule will not have a significant economic impact on a substantial number of small credit unions. Accordingly, the Board has determined that a Regulatory Flexibility Analysis is not required.

### Paperwork Reduction Act

This final rule does not change any paperwork requirements.
