AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT:

Irene Darzenta or Fabian Rivelis, Office of Antidumping Investigations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-6320 or (202) 482-3853.

Final Determination

The Department of Commerce (the Department) determines that small diameter circular seamless carbon and alloy steel standard, line, and pressure pipe (seamless pipe) from Argentina is being, or is likely to be, sold in the United States at less than fair value, as provided in section 735 of the Tariff Act of 1930, as amended (the Act) (1994). The estimated margins are shown in the "Suspension of Liquidation" section of this notice.

Case History

Since our preliminary determination on January 19, 1995 (60 FR 5348, January 27, 1994), the following events have occurred.

In response to a request from respondent Siderca S.A.I.C. (Siderca), we postponed the final determination until June 12, 1995, pursuant to section 735(a)(2)(A) of the Act (60 FR 9012, February 16, 1995).

In our notice of preliminary determination we stated that we would solicit further information on various scope-related issues, including class or kind of merchandise. On February 10, 1995, we issued a questionnaire to interested parties to request further information on whether the scope of the investigation constitutes more than one class or kind of merchandise. Responses to this questionnaire were submitted on March 27, 1995.

On April, 27, 1995, Koppel Steel Corporation, a U.S. producer of subject merchandise which appeared as an interested party from the outset of this investigation, requested co-petitioner status.

On May 5, 1995, respondent submitted its case brief. Petitioner¹ submitted its rebuttal brief on May 15, 1995. In its rebuttal brief, petitioner requested that the Department reject "substantial portions" of Siderca's case brief because it allegedly constituted a "new submission of factual information." Siderca objected to this request on May 19, 1995. Petitioner responded to this letter on May 26, 1995. However, we determined that Siderca's case brief did not contain new factual information. (See Comment 1 in the "Interested Party Comment" section
