[TA-W-31,085]

Blind Design, Inc., San Diego, CA; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on May 30, 1995 in response to a worker petition which was filed on May 30, 1995 on behalf of workers at Blind Design, Incorporated, San Diego, California.

The petitioning group of workers had filed a petition for a company facility in Tempe, AZ (TA-W-31,084). After a conversation with one of the petitioners it was discovered that this is the only location that they intended to cover with the petition, not the company headquarters or plant in San Diego. Under the law, workers can only file for the location in which they worked. Further discussion with the company's Chief Financial Officer, revealed that the locations in San Diego did not produce the same product as the Tempe, AZ location. Furthermore, there have been no layoffs at either of the San Diego facilities to date. Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed in Washington, D.C. this 6th day of June, 1995.

Victor J. Trunzo,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
