Stetson Cedar Products Forks, Washington; Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

Pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance, hereinafter called NAFTA-TAA and in accordance with Section 250(a), Subchapter D, Chapter 2 Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2331), the Department of Labor herein presents the results of an investigation regarding certification of eligibility to apply for NAFTA-TAA.

In order to make an affirmative determination and issue a certification of eligibility to apply for NAFTA-TAA, the group eligibility requirements in either paragraph (a)(1)(A) or (a)(1)(B) of Section 250 of the Trade Act must be met. It is determined in this case that

the requirements of (a)(1)(A) of Section 250 have been met.

The investigation was initiated on April 10, 1995 in response to a petition filed on behalf of workers at Stetson Cedar Products located in Forks, Washington. Workers produced red cedar shingles.

Investigation findings revealed that sales and production declined at Stetson Cedar Products and that significant worker separations have occurred. A survey conducted with Stetson's major customers revealed that the major customers decreased purchases from the subject firm and increased their imports of red cedar shingles from Canada.

Conclusion

After careful review of the facts obtained in the investigation, I conclude that increases of imports of articles like or directly competitive with red cedar shingles contributed importantly to the declines in sales or production and to the total or partial separation of workers at Stetson Cedar Products located in Forks, Washington. In accordance with the provisions of the Act, I make the following certification:

All workers of Stetson Cedar Products located in Forks, Washington who became totally or partially separated from employment on or after April 10, 1994 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, DC, this 9th day of May 1995.

Victor J. Trunzo,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
