I certify that the following action will  
not have a significant impact on a

The major factors considered for this

additional reporting, recordkeeping or  
other compliance requirements for small  
entities other than the small

2. The action will result in

connection with the commodity and

### SUPPLEMENTARY INFORMATION:

#### Background

The Corporation is a federal  
government corporation that engages  
Americans of all ages and backgrounds  
in community-based service. This  
service addresses the nation's  
educational, public safety, human, and  
environmental needs to achieve direct  
and demonstrable results. In doing so,  
the Corporation fosters civic  
responsibility, strengthens the ties that  
bind us together as a people, and  
provides educational opportunity for  
those who make a substantial  
commitment to service.

Pursuant to the National and  
Community Service Act of 1990, as  
amended, 42 U.S.C. 12501, et seq. (the  
Act), the Corporation may "support  
innovative and model programs,  
including \* \* \* programs sponsored by  
governors." 42 U.S.C. 12653(b)(5). In  
addition, an individual can receive an  
educational award from the National  
Service Trust if, among other things, the  
individual "successfully completes the  
required term of service \* \* \* in an  
approved national service position." 42  
U.S.C. 12602. The Act defines an  
approved national service position to  
include six specific service positions  
and "such other national service  
positions as the Corporation considers  
to be appropriate." 42 U.S.C. 12573.

Because the Corporation's statutory  
authority for sponsoring these  
"innovative and model" programs is  
found in Subtitle H of the Act, rather  
than Subtitle C, some of the AmeriCorps  
program requirements found in Subtitle  
C may not necessarily apply to these  
programs. However, the Corporation has  
determined that to maintain the
