

Appendix I -- Example inflatable PFD pamphlet

Note -- The following appendix will not appear in the Code of Federal Regulations.

The following is an example of the front cover:

Summary: The information contained in this appendix is for informational purposes only. The PFD pamphlet page layouts that follow are examples of the type of information that would be acceptable for meeting the requirements of § 160.076-35 for an inflatable, yoke style, manually activated Type III PFD. Section § 160.076-35 requires that the information be provided in a format and colors consistent with the requirements of UL 1123.

Think Safe

Is this the right PFD for:

- ◆ The type of boating you do?
- ◆ Your swimming ability?
- ◆ Your body type? *(look Inside)*

This is a USCG approved INFLATABLE Type III PFD (FLOTATION AID).

 It's the most comfortable to wear when it's hot.

 It requires maintenance and is not recommended for individuals who can't swim.
