III. Effective Date and Waiver of Proposed Rulemaking

On December 20, 1994, all but one of the Federal agencies participating in the development of the Common Rule published a notice of proposed rulemaking (59 FR 65607) that proposed changes to the nonprocurement debarment and suspension Common Rule to provide for reciprocal effect between the procurement and nonprocurement debarments, suspensions and other exclusionary actions. Since this rulemaking is designed to clarify departmental procedures consistent with the final Common Rule being set forth in 45 CFR part 76, we are waiving the proposed notice and comment period and issuing this technical regulation as a final rule that will apply to all pending and future cases under this authority.
