

Regulation Y as closely related to banking and permissible for bank holding companies. Unless otherwise noted, such activities will be conducted throughout the United States.

Each application is available for immediate inspection at the Federal Reserve Bank indicated. Once the application has been accepted for processing, it will also be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the question whether consummation of the proposal can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices." Any request for a hearing on this question must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

Unless otherwise noted, comments regarding the applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than July 10, 1995.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

Findings of Scientific Misconduct

AGENCY: Office of the Secretary, HHS.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Office of Research Integrity (ORI) has made final findings of scientific misconduct in the following case:

Farooq A. Siddiqui, Ph.D., Roswell Park Cancer Institute: The Division of Research Investigations (DRI) of the Office of Research Integrity (ORI) completed an investigation into possible scientific misconduct on the part of Dr. Siddiqui while he was an employee of Roswell Park Memorial Institute. ORI finds that Dr. Siddiqui committed scientific misconduct by misrepresenting data in a published article. The research was supported by a grant award from the National Cancer Institute, National Institutes of Health, Public Health Service (PHS).

Dr. Siddiqui agreed not to appeal the misconduct finding as part of a Voluntary Settlement Agreement under which, for a period of two years, he will not apply as a principal or coprincipal investigator in any nonprocurement transactions (grants and cooperative agreements) or as a principal or coprincipal in any contract or subcontract with the United States Government. Dr. Siddiqui also is prohibited from serving on any Public Health Service advisory committee, board, and/or peer review committee for a period of two years. Also, for a two-year period the institution where he is employed will supervise his performance of work on any covered transaction including a periodic review of primary data, and certify the accuracy of any such data used in any United States Government Public Health Service grant application, contract proposal, or which is otherwise publicly reported. He has agreed to submit a letter to the journal *Biochemica et Biophysica Acta* (BBA) to retract the article entitled "Purification and

Immunological Characterization of DNA Polymerase-alpha from Human Acute Lymphoblastic Leukemia Cells" (BBA, 745:154-161, 1983).
