

A certification was issued covering all workers separated on or after March 23, 1994.

Also, pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance hereinafter called (NAFTA-TAA) and in accordance with Section 250(a) Subchapter D, Chapter 2, Title II, of the Trade Act as amended, the Department of Labor presents summaries of determinations regarding eligibility to apply for NAFTA-TAA issued during the month of June 1995.

In order for an affirmative determination to be made and a certification of eligibility to apply for NAFTA-TAA the following group eligibility requirements of Section 250 of the Trade Act must be met:

(1) that a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, (including workers in any agricultural firm or appropriate subdivision thereof) have become totally or partially separated from employment and either—

(A) that sales or production, or both, of such firm or subdivision have decreased absolutely

(B) that imports from Mexico or Canada of articles like or directly competitive with articles produced by such firm or subdivision have increased.

(C) that the increase in imports contributed importantly to such workers' separations or threat of separation and to the decline in sales or production of such firm or subdivision; or

(2) that there has been a shift in production by such workers' firm or subdivision to Mexico or Canada of articles like or directly competitive with articles which are produced by the firm or subdivision.

Negative Determinations NAFTA-TAA

NAFTA-TAA-00458; The Travelers, Voorhees, NJ

The investigation revealed that criteria (3) and (4) were not met. There was no shift in the processing of medical claims from The Travelers, Voorhees, NJ to Mexico or Canada during the period under investigation. A portion of this work is being transferred to other domestic locations.

NAFTA-TAA-00474; Scout Trucking, Inc., Spring City, PA

The investigation revealed that the workers of the subject firm did not produce an article within the meaning of Section 250(a) of the Trade Act, as amended.

NAFTA-TAA-00456; Noll Printing, Inc., Huntington, IN

The investigation revealed that criteria (3) and (4) were not met. Major customers of the subject firm were surveyed regarding their purchases of printed material. All respondents reported that they did not import the product in question from Mexico or Canada.

NAFTA-TAA-00464; Penn Ventilator Co., Inc., Keyser, WV

The investigation revealed that criteria (2), (3) and (4) were not met. Management decisions have been made to outsource dampers from two domestic companies. A departmental survey conducted with the tow companies revealed that they produce 100% of all dampers domestically.

NAFTA-TAA-00452; Rogerson Aircraft Corp., Rogerson Hiller/Aerocomposites, Port Angeles, WA

The investigation revealed that criteria (3) and (4) were not met. There was no shift in production of aircraft parts from the Port Angeles, WA plant to Canada or Mexico during the period under investigation. U.S. imports of aircraft parts from Canada and Mexico declined in December through November, 1993-1994, compared with the same period one year earlier.

NAFTA-TAA-00454; Riley Stoker Corp., Div. of DB Riley Consolidated, Inc., Erie Plant, Erie, PA

The investigation revealed that criteria (3) and (4) were not met. There was no shift in production from the subject plant to Mexico or Canada during the period under investigation, nor were boilers and related equipment imported to Mexico or Canada by the subject firm.
