BILLING CODE 3410-34-P

Forest Service

Western Washington Cascades Provincial Interagency Executive Committee (PIEC) Advisory Committee; Meeting

AGENCY: Forest Service, USDA.

ACTION: Notice of meeting.

SUMMARY: The Western Washington Cascades PIEC Advisory Committee will meet on July 18, 1995 at the Mount Baker-Snoqualmie National Forest Headquarters, 21905 64th Avenue West, in Mountlake Terrace, Washington. The meeting will begin at 9:00 a.m. and continue until 4:30 p.m. Agenda items to be covered include: (1) Discussion of projects subject to watershed analysis and opportunities for exemption of some projects from analysis; (2) discussion of criteria to be used to identify and select watersheds for analysis by the Mt. Baker-Snoqualmie National Forest in fiscal year 1996; (3) additional discussion of the recommendation that the Forest Service pursue the opportunity for watershed analysis in the Cascade watershed in fiscal year 1995; (4) other topics as appropriate; and (5) open public forum. All Western Washington Cascades Province Advisory Committee meetings are open to the public. Interested citizens are encouraged to attend.

FOR FURTHER INFORMATION CONTACT:

Direct questions regarding this meeting to Bob Dunblazier, Province Liaison, USDA, Mt. Baker-Snoqualmie National Forest, 21905 64th Avenue West, Mountlake Terrace, Washington 98043, 206-744-3270.

Dated: June 20, 1995.

Dennis E. Bschor,

Forest Supervisor.

BILLING CODE 3410-11-M

COMMISSION ON CIVIL RIGHTS

Agenda and Notice of Public Meeting of the Louisiana Advisory Committee

Notice is hereby given, pursuant to the provisions of the rules and regulations of the U.S. Commission on Civil Rights, that a meeting of the Louisiana Advisory Committee will be

held on July 20, 1995, from 6 to 8 p.m., at the Holiday Inn Crowne Plaza, 333 Poydras Street, New Orleans, LA 70130. The purpose of the meeting is to provide orientation for new members and to plan future activities.

Persons desiring additional information, or planning a presentation to the Committee, should contact Melvin L. Jenkins, Director of the Central Regional Office, 913-551-1400 (TTD 913-551-1414). Hearing-impaired persons who will attend the meeting and require the services of a sign language interpreter should contact the Regional Office at least five (5) working days before the scheduled date of the meeting.

The meeting will be conducted pursuant to the provisions of the rules and regulations of the Commission.

Dated at Washington, DC, June 21, 1995.

Carol-Lee Hurley,

Chief, Regional Programs Coordination Unit.

BILLING CODE 6335-01-M

DEPARTMENT OF DEFENSE

Department of the Navy

Intent To Prepare an Environmental Impact Statement/Environmental Impact Report for the Disposal and Reuse of the Former Naval Shipyard Hunters Point, San Francisco, CA

Pursuant to Section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969 as implemented by the Council on Environmental Quality regulations (40 CFR Parts 1500-1508) and the California Environmental Quality Act (CEQA), the Department of the Navy in coordination with the City and County of San Francisco is preparing a joint Environmental Impact Statement (EIS)/Environmental Impact Report (EIR) for the disposal and potential reuse of the former Naval Shipyard, Hunters Point property and structures located in San Francisco, California. The Navy shall be the EIS lead agency and the City of San Francisco shall be the EIR lead agency. The Defense Base Closure and Realignment Act (Pub. L. 101-510) of 1990, as implemented by the 1993 base closure process, directed the U.S. Navy to close Naval Station Treasure Island and its off-station property, Hunters Point Annex (the former Naval Shipyard, Hunters Point). This EIS/EIR shall be prepared for the disposal and reuse of former Naval Shipyard Hunters Point. A separate EIS/EIR shall be prepared for the disposal and reuse of Naval Station, Treasure Island.

The former Naval Shipyard is within the jurisdiction of the City of San Francisco. It covers approximately 500 acres of the southeast San Francisco waterfront. The property is developed with industrial ship repair facilities and associated buildings, including limited support facilities (residential, recreational). The EIS/EIR will address disposal of the property and the potential impacts associated with potential reuses of the property.

The EIS/EIR will address the potential significant impacts to the environment that may result from the implementation of two reuse alternatives and a "no action" alternative. The Hunters Point Shipyard Reuse Plan (based on a Hunters Point Land Use Draft Plan dated March 1995 developed by the City and County of San Francisco Planning Department with the San Francisco Redevelopment Agency in conjunction with the Mayor's Citizens Advisory Committee) will constitute the preferred alternative. The preferred alternative has been endorsed by the San Francisco Planning & Redevelopment Commissions and the Citizens Advisory Committee. The preferred reuse alternative would provide approximately 6,500 jobs, 1,300 residential units, 1.1 million square feet of industrial use (such as ship repair, ship maintenance, trucking and courier services, equipment leasing, printing and publishing, motion picture production, etc.), 300,000 square feet of research & development use (such as data processing, telecommunication, etc.) 555,000 square feet of cultural/institutional use (such as large education and training facilities, museums, theaters, galleries, restaurants, etc.), 1.1 million square feet of mixed use (such as artist studios, live/work space, recording studios, research and development, hotel/conference facilities, retail, etc.), and 6.1 million square feet of open space. The second alternative would be a reduced development of approximately 5,000 jobs, 600 residential units, 900,000 square feet of industrial use, 250,000 square feet of research & development use, 425,000 square feet of cultural/institutional use, 850,000 square feet of mixed use, and 6.1 million square feet of open space. The "no action" alternative would have the former Naval Shipyard remain federal government property, in a continuing caretaker status.

Federal, state, and local agencies, and interested individuals are encouraged to participate in the scoping process for the EIS/EIR to determine the range of issues and alternatives to be addressed. A public scoping meeting to receive oral
