

individuals with HIV disease. The State must establish a program that assures that (1) funds will be targeted to individuals who would not otherwise be able to afford health insurance coverage, and (2) income, asset, and medical expense criteria will be established and applied by the State to identify those individuals who qualify for assistance, and information concerning such criteria shall be made available to the public.

- Provide treatments that have been determined to prolong life or prevent serious deterioration of health for low-income individuals with HIV disease.

A State must use at least 15 percent of its grant funds to provide health and support services to infants, children, women and families with HIV disease.

At least 75 percent of the fiscal year 1995 Title II grant awarded to a State must be obligated to specific programs and projects and made available for expenditure within 120 days of the receipt of the grant by the State.

Federal Smoke-Free Compliance

The Public Health Service strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care or early childhood development services are provided to children.

Executive Order 12372

It has been determined that the Title II HIV Care Grant Program is not subject to the provisions of Executive Order 12372 concerning inter-governmental review of Federal programs.

The Catalog of Federal Domestic Assistance Number is 93.917.

Dated: June 23, 1995.
