[Docket No. RP95-355-000]

South Georgia Natural Gas Company; Notice of Petition for Limited Waiver of Transportation Tariff Provision and Extension of Time to Make Tariff Filing

June 28, 1995.

Take notice that on June 23, 1995, South Georgia Natural Gas Company (South Georgia) filed a petition for a limited waiver of Section 19.2 of the General Terms and Conditions (GT&C) of its FERC Gas Tariff, Second Revised Volume No. 1.

Section 19.2 of the GT&C provides for an annual redetermination of South Georgia's fuel retention percentage (FRP) based on the gas required for operations during the previous 12-month period ending April 30 plus any amount of fuel that was undercollected or overcollected during that 12-month period. South Georgia is to file revised tariff sheets reflecting the adjusted FRP

within 60 days after April 30 to be effective within 30 days thereafter on a prospective basis only.

South Georgia is requesting that the Commission grant it an extension of time until September 1, 1995, to tender its revised tariff sheets reflecting the new FRP to be effective October 1, 1995, pursuant to Section 19.2 of the GT&C. Since the data for the 12 months ending April 30, 1995, show that the FRP should be significantly higher, South Georgia submits that it is in the interests of its shippers for it to be granted additional time to ensure that the data contains no anomalies or errors which should be disregarded in the prospective adjustment to the FRP. Since the change to the FRP will be prospective only, South Georgia submits that no harm to its shippers will be caused by the proposed extension of time.

Southern states that a copy of the filing is being served on all of the South Georgia shippers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before July 6, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.
