

regulations. The Commission had earlier issued Order No. 577 on March 29, 1995. In Order 577 the Commission extended the exception from advance posting and bidding to one full calendar month. In Order No. 557-A the Commission, responding to a request for rehearing or clarification, revised the language of the regulation to substitute "31 days" for "calendar month."

Transwestern states that the purpose of this filing is to amend Transwestern's FERC Gas Tariff to conform to the provisions of this Order.

Transwestern states that copies of the filing were served on its gas utility customers, interested state commissions, and all parties to this proceeding.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C., 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. All such motions or protests should be filed on or before July 6, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. RP94-285-001]

Williston Basin Interstate Pipeline Company; Notice of Compliance Filing

June 28, 1995.

Take notice that on June 22, 1995, Williston Basin Interstate Pipeline Company (Williston Basin), tendered for filing revised tariff sheets to Second Revised Volume No. 1 of its FERC Gas Tariff.

Williston Basin states that, in accordance with the Commission's June 7, 1995 Order, the revised tariff sheets modify its nomination variance charge provisions to assess, on a pro rata basis, receipt/delivery point total charges only on those individual shippers at such receipt/delivery point which exceed the threshold tolerance for volumes under their aggregate service agreements at the affected receipt/delivery point.

Williston Basin has requested that the Commission accept this filing to become effective July 1, 1995.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests should be filed on or before July 6, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-5253-9]

Agency Information Collection Activities Under OMB Review

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), this notice announces that the Information Collection Request (ICR) abstracted below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICR describes the nature of the information collection and its expected cost and burden; where appropriate, it includes the actual data collection instrument.

DATES: Comments must be submitted on or before August 4, 1995.

FOR FURTHER INFORMATION CONTACT:

For further information, or for a copy of this ICR, contact Sandy Farmer at (202) 260-2740, please refer to EPA ICR #1758.01.

SUPPLEMENTARY INFORMATION:

Office of Enforcement and Compliance Assurance

Title: Compliance Assistance Measures of Success Reporting Form. (EPA ICR #1758.01 and OMB #2060-xxxx.)

Abstract: This ICR is for a new information collection in support of the Office of Enforcement and Compliance Assurance's (OECA) efforts to evaluate

their compliance program through use of performance measures. This information will be collected on the performance of compliance assistance programs, other than those operating under section 507 of the Clean Air Act for which there is a separate ICR in use. The information will be collected so that EPA can better understand the effectiveness of compliance assistance programs vis a vis enforcement programs and so that success stories can be shared between programs. Under this Information Collection Request (ICR), State compliance assistance programs other than those operated under Section 507 of the CAA, will be responsible for reporting to EPA and associated recordkeeping.

State compliance assistance programs will be responsible for reporting: (1) Name of State or Regional program; (2) program utilization; (3) program effectiveness-improved understanding or environmental requirements, behavioral changes, changes in compliance rates and environmental improvements; and (4) data based on industry or population type.

State compliance assistance programs will be responsible for recording all applicable information pertaining to the reporting requirements.

Burden Statement: The total annual public reporting and recordkeeping burden for this collection of information is estimated to be 2650 hours, for an average of 25 hours per respondent. This includes time for reviewing instructions, searching existing data sources, gathering the data needed, completing the collection information and maintaining records.

Respondents: State Compliance Assistance Programs.

Estimated Number of Respondents: 106.

Estimated Total Annual Burden on Respondents: 2650 hours.

Frequency of Collection: Annually.

Send comments regarding the burden estimate, or any other aspect of this information collection, including suggestions for reducing the burden, (please refer to EPA ICR 1758.01 and #2060-xxxx) to:

Sandy Farmer, EPA ICR #1758.01, U.S. Environmental Protection Agency, Information Policy Branch (2136), 401 M Street, SW., Washington, DC 20460. and
