

(e) of Part 1 of the rule, which currently authorizes the imposition of the maximum fine for third and subsequent offenses in the case of a first or second offense if warranted under the circumstances. To give the Exchange greater flexibility in the administration of the rule, the rule is being amended to also authorize the imposition of the fine for a second offense in the case of a first offense, again if warranted under the circumstances. Finally, Paragraph (g) is being amended to cite to Exchange policy rather than a rule with regard to Violation 7 relating to member firm submission of audit trail data.

## 2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act in general and furthers the objectives of Section 6(b)(6) in particular in that is intended to assure that Exchange members and member firms are appropriately disciplined for rule violations.

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The proposed rule change will impose no burden on competition.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others*

No written comments were solicited or received with respect to the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

### **Self-Regulatory Organizations; Order Approving Proposed Rule Change by the Chicago Board Options Exchange, Inc. Relating to Parents of Member Organizations.**

June 28, 1995.

On April 18, 1995, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") submitted to the Securities and Exchange Commission ("SEC" or "Commission"), pursuant to Section 19(b) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to rescind Rule 3.7 ("Parents of Member Organizations"), which requires the Exchange's Board to approve each country under whose laws non-U.S. parents of member organizations are organized. The Exchange also proposed to move from Rule 3.7 to Rule 3.5 ("Persons Associated with Member Organizations"), subsection (a), the

requirement that parents of member organizations must furnish certain information to the Exchange upon request. Notice of the proposed rule change was published for comment and appeared in the **Federal Register** on May 10, 1995.<sup>3</sup> No comment letters were received on the proposal. This order approves the CBOE proposal.

## I. Description of the Proposal

The Exchange is proposing to rescind Rule 3.7. The first paragraph of Rule 3.7 provides that "[a] member organization shall not be an affiliate of a parent organization unless the parent organization is organized under the laws of the United States or such other country as the Board may approve." ("the prohibition"). Additionally, the CBOE has proposed to move to Rule 3.5 the requirement currently contained in Rule 3.7 obligating persons who control member organizations to furnish to the Exchange, upon request, any information reasonably related to their securities business.

## II. Discussion

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange, and, in particular, the requirements of Section 6(b)(2)<sup>4</sup> in that it eliminates restrictions on who may be associated with a member of the Exchange without diminishing the protection of investors and the public interest. Specifically, the Commission believes that the elimination of the prohibition will facilitate the Exchange's review of membership applications submitted by member organizations that have non-U.S. parents, as well as its review of transactions that would result in the transfer of control of an existing member organization to a foreign parent.

The CBOE represents that it has never adopted standards to govern the Board's approval of individual countries for purposes of Rule 3.7. Indeed, the Commission understands the difficulties which may have been encountered by the Exchange in attempting to distinguish one country from another for purposes of Board approval pursuant to Rule 3.7. Eliminating the prohibition is consistent with Section 6(b)(5) of the Act in that it removes an impediment to a free and open market and is practically significant in an era of
