The grant funds are to be used in the development and implementation of technical assistance (TA) for the prevention of youth violence in public housing. SUPPLEMENTARY INFORMATION: On June 2, 1995 (60 FR 28456), as part of a collaborative effort between HUD and the Centers for Disease Control and Prevention (CDC), HUD published a Notice of Funding Availability (NOFA) soliciting applications for a single two-year grant of up to \$550,000. The purpose of the grant is to assist public housing staff and residents in applying the results of current scientific research to the prevention of youth violence in public housing communities. This notice amends the grant award period and corrects a typographical error contained in the June 2, 1995 NOFA.

The June 2, 1995 NOFA establishes selection criteria by which HUD and the CDC will evaluate applicants for the grant award. Through this competitive process, the grant will be awarded to the applicant best able to develop and implement a system to provide scientifically based technical assistance to public housing developments. However, regardless of how successful the selected applicant is in developing and administering the technical assistance, the June 2, 1995 NOFA establishes a two-year limit on funding. HUD and the CDC have determined that the best way to assure the achievement of the goals set forth in the June 2, 1995

NOFA is to provide a mechanism by which funding can possibly be continued past the two-year grant award period. Accordingly, this notice amends the June 2, 1995 NOFA by granting HUD and the CDC the option to extend grant funding for additional years, subject to the grantee's performance and the availability of funding.

In addition to amending the grant award period, this document corrects a typographical error contained in the June 2, 1995 NOFA. The first sentence of the **SUMMARY** paragraph of the June 2, 1995 NOFA reads: "This NOFA solicits applications for a single two-year grant of up to \$500,000." The correct grant amount, which is set forth in the body of the NOFA, is \$550,000.

Accordingly, FR Doc. 95-3906, Notice of Funding Availability (NOFA) for Training and Technical Assistance for the Prevention of Youth Violence in Public Housing, published in the **Federal Register** on June 2, 1995 (60 FR 29456) is corrected and amended as follows:

1. On page 29456, in column 1, the first paragraph, **SUMMARY**, is corrected and amended as follows:

SUMMARY: This NOFA solicits applications for a single two-year grant of up to \$550,000. The grant is being awarded for the purposes of developing and implementing training and technical assistance for the prevention of youth violence in public housing. The TA and training are intended to assist public housing communities in conducting youth violence prevention activities and in using the most relevant scientific information when doing so. HUD is joining the Centers for Disease Control and Prevention in this effort. At the option of HUD and the CDC, the grant award period may be extended, subject to the grantee's performance and the availability of funding.

2. Under the heading "I. Purpose and Substantive Description" beginning on page 29456, the following amendments are made:

a. On page 29456, in column 2, the third and final sentence of paragraph I.(b) is amended;

b. On page 29456, in column 3, the third paragraph of paragraph I.(d) is amended;

c. On page 29459, in column 2, paragraph I.(h)(1), is amended, as follows:

I. Purpose and Substantive Description

(b) * * * This NOFA makes up to \$550,000 of the \$10 million available for a cost reimbursable grant of two years in duration. HUD and the CDC may extend the funding for an additional year(s),
