### **DEPARTMENT OF THE INTERIOR**

## 41 CFR Parts 114-51 and 114-52

## **Provision and Assignment of Quarters** and Furnishings; Establishment of **Quarters Rental Rates**

**AGENCY:** Office of the Secretary, Interior. **ACTION:** Final rule.

**SUMMARY:** The Department of the Interior has amended the internal regulations and procedures governing the provision, assignment and administration of quarters, and the establishment of rental charges for Government furnished quarters. These changes reflect the requirements of the most recent Office of Management and **Budget Circular on Government** furnished quarters. The Department of the Interior is hereby deleting the current text from the Code of Federal Regulations. This text, which does not affect the public, is being deleted because it duplicates the text in other internal regulations. The intended effect is to eliminate duplicate regulations and thereby simplify the overall regulatory structure.

**EFFECTIVE DATE:** This rule is effective February 17, 1995.

FOR FURTHER INFORMATION CONTACT: Gregory G. Haller, Administrative Service Center, Code 2910, 7301 West Mansfield Avenue, Denver, CO 80235-2230. Phone: (303) 969-7240.

**SUPPLEMENTARY INFORMATION: These** quarters management regulations govern the internal actions of the Department and other Federal agencies which have agreed voluntarily to incorporate quarters rental charges determined by the Department into their respective quarters management programs. Inasmuch as the content of these regulations is set forth in greater detail in the Departmental Quarters Handbook (400 DM), the Department has determined that it is no longer necessary to maintain these generalized regulations in 41 CFR parts 114-51 and 114-52.

This rule was not subject to Office of Management and Budget review under Executive Order 128866. Because these procedures govern only internal management actions of the DOI and agencies who voluntarily participate in the DOI quarters rental program, the DOI certifies that this document will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 et seq.).

The DOI has further determined that these regulations will not significantly

affect the environment. An
