

that the BTA authorization(s) is ready to be issued. A winning bidder who submitted a long-form application for an MDS station license within its BTA service area pursuant to § 21.956(a) will receive its BTA authorization concurrent with the grant of its MDS conditional station license within its BTA service area. A winning bidder who submitted a statement of intention with regard to its BTA service area pursuant to § 21.956(a) will receive its BTA authorization following the Commission's review of its statement of intention. The Commission will issue a BTA authorization to a winning bidder within ten (10) business days following notification of receipt of full payment of the amount of the winning bid.

§ 21.959 Withdrawal, default and disqualification.

(a) When the Commission conducts an MDS simultaneous multiple round auction, the Commission will impose additional payment requirements on bidders who withdraw high bids during the course of an auction, who default on down or full payments due after an auction closes, or who are disqualified. The withdrawal and default payments set forth below will be deducted from any upfront payments or down payments that the withdrawing, defaulting or disqualified bidder has deposited with the Commission.

(1) Bid withdrawal prior to close of auction. A bidder who withdraws a high bid during the course of an auction will be subject to a payment equal to the difference between the amount bid and the amount of the winning bid the next time the license is offered by the Commission. No withdrawal payment will be assessed if the subsequent winning bid exceeds the withdrawn bid.

(2) Default or disqualification after close of auction. If a winning bidder defaults or is disqualified after the close of such an auction, the defaulting bidder will be subject to the payment in paragraph (1) above, plus an additional payment equal to three (3) percent of the subsequent winning bid. If the subsequent winning bid exceeds the defaulting bidder's bid amount, the three percent payment will be calculated based on the defaulting bidder's bid amount.

(b) If the Commission were to conduct a sequential oral (open outcry) auction or sealed bid auction for MDS, the Commission may modify the payments set forth in paragraph (a) of this section to be paid in the event of bid withdrawal, default or disqualification; provided, however, that such payments shall not exceed the payments specified in paragraph (a) of this section.

(1) In the case of sealed bidding:

(i) If a bid is withdrawn before the Commission releases the initial public notice announcing the winning bidder(s), no bid withdrawal payment will be assessed.

(ii) If a bid is withdrawn after the Commission release the initial public notice announcing the winning bidder(s), the bid withdrawal payment will be equal to the difference between the high bid amount and the amount of the next highest bid. Losing bidders will only be subject to this bid withdrawal payment for a period of thirty (30) days after the Commission release the initial public notice announcing the winning bidders.

(2) In the case of oral sequential (open outcry) bidding:

(i) If a bid is withdrawn before the bidder has declared the bidding to be closed for the BTA service area bid on, no bid withdrawal payment will be assessed.

(ii) If a bid is withdrawn after the Commission has declared the bidding to be closed for the BTA service area bid on, the bid withdrawal payment of paragraphs (a)(1) and (2) of this section will apply.

(c) If a winning bidder withdraws its bid after the Commission has declared competitive bidding closed or fails to remit the required down payment within five (5) business days after the Commission has declared competitive bidding closed, the bidder will be deemed to have defaulted, its application will be dismissed, and it will be liable for the default payment specified in paragraph (a)(2) of this section. In such event, the Commission may either re-auction the BTA service area to existing or new applicants or offer it to the other highest bidders (in descending order) at their final bids.

(d) A winning bidder who is found unqualified to be an MDS station licensee, fails to remit the balance of its winning bid in a timely manner, or defaults or is disqualified for any reason after having made the required down payment, will be deemed to have defaulted and will be liable for the payment set forth in paragraph (a)(2) of this section. In such event, the Commission will generally conduct another auction for the BTA service area, affording new parties an opportunity to file applications for such service area.

(e) Bidders who are found to have violated the antitrust laws or the Commission's rules in connection with their participation in the MDS competitive bidding process may be subject, in addition to any other applicable sanctions, to loss of their

upfront payment, down payment or full bid amount, and may be prohibited from participating in future auctions.

§ 21.960 Designated entity provisions for MDS.

(a) Designated entities. As specified in this section, designated entities that are winning bidders for BTA service areas are eligible for special incentives in the auction process. See 47 CFR 1.2110.

(b) Installment payments. Small businesses and small business consortia may elect to pay the full amount of their winning bids for BTA service areas in installments over a ten (10) year period running from the date that their BTA authorizations are issued.

(1) Each eligible winning bidder paying for its BTA authorization(s) on an installment basis must deposit by wire transfer or cashier's check in the manner specified in § 21.955 sufficient additional funds as are necessary to bring its total deposits to ten (10) percent of its winning bid(s) within five (5) business days after the Commission has declared it the winning bidder and closed the bidding. Failure to remit the required payment will make the bidder liable for the payments set forth in § 21.959(a)(2).

(2) Within five (5) business days following release of the public notice stating that the BTA authorization of a winning bidder eligible for installment payments is ready to be issued, the winning bidder shall pay another ten (10) percent of its winning bid, thereby commencing the eligible bidder's installment payment plan. The Commission will issue the BTA authorization to the eligible winning bidder within ten (10) business days following notification of receipt of this additional ten (10) percent payment. Failure to remit the required payment will make the bidder liable for the payments set forth in § 21.959(a)(2).

(3) Upon issuance of a BTA authorization to a winning bidder eligible for installment payments, the Commission will notify such eligible BTA authorization holder of the terms of its installment payment plan. For MDS, such installment payment plans will:

(i) impose interest based on the rate of ten (10) year U.S. Treasury obligations at the time of issuance of the BTA authorization, plus two and one half (2.5) percent;

(ii) allow installment payments for a ten (10) year period running from the date that the BTA authorization is issued;

(iii) begin with interest-only payments for the first two (2) years; and
