Par. 3. Section 1.108-3 is added to read as follows:

§ 1.108-3 Intercompany losses and deductions.

(a) *General rule.* This section applies to certain losses and deductions from the sale, exchange, or other transfer of property between corporations that are members of a consolidated group or a controlled group (an intercompany transaction). See section 267(f) (controlled groups) and § 1.1502-13 (consolidated groups) for applicable definitions. For purposes of determining the attributes to which section 108(b) applies, a loss or deduction not yet taken into account under section 267(f) or § 1.1502-13 (an intercompany loss or deduction) is treated as basis described in section 108(b) that the transferor retains in property. To the extent a loss not yet taken into account is reduced under this section, it cannot subsequently be taken into account under section 267(f) or § 1.1502-13. For example, if S and B are corporations filing a consolidated return, and S sells land with a \$100 basis to B for \$90 and the \$10 loss is deferred under section 267(f) and § 1.1502-13, the deferred loss is treated for purposes of section 108(b) as \$10 of basis that S has in land (even though S has no remaining interest in the land sold to B) and is subject to reduction under section 108(b)(2)(E). Similar principles apply, with appropriate adjustments, if S and B are members of a controlled group and S's loss is deferred only under section 267(f).

(b) *Effective date.* This section applies with respect to discharges of indebtedness occurring on or after September 11, 1995.

§ 1.167(a)-11 [Amended]

Par. 4. Section 1.167(a)-11(d)(3)(v)(e) is amended by removing the second sentence of *Example (3)*.

Par. 5. In § 1.263A-1, paragraph (j)(1)(ii)(B), the last sentence is revised to read as follows:

§ 1.263A-1 Uniform capitalization of costs.

(B) * * * See § 1.1502-13.

Par. 6. Section 1.267(f)-1 is revised to read as follows: *§ 1.267(f)-1 Controlled groups.*

(a) *In general—(1) Purpose.* This section provides rules under section 267(f) to defer losses and deductions from certain transactions between members of a controlled group (intercompany sales). The purpose of this section is to prevent members of a controlled group from taking into account a loss or deduction solely as the result of a transfer of property between a selling member (S) and a buying member (B).

(2) *Application of consolidated return principles.* Under this section, S's loss or deduction from an intercompany sale is taken into account under the *timing* principles of § 1.1502-13 (intercompany transactions between members of a consolidated group), treating the intercompany sale as an intercompany transaction. For this purpose:

(i) The matching and acceleration rules of § 1.1502-13 (c) and (d), the definitions and operating rules of § 1.1502-13 (b) and (j), and the simplifying rules of § 1.1502-13(e)(1) apply with the adjustments in paragraphs (b) and (c) of this section to reflect that this section—

(A) Applies on a controlled group basis rather than consolidated group basis; and

(B) Generally affects only the *timing* of a loss or deduction, and not *its attributes* (e.g., *its source and character*) or the holding period of property.

(ii) The special rules under § 1.1502-13(f) (stock of members) and (g) (obligations of members) apply under this section only to the extent the transaction is also an intercompany transaction to which § 1.1502-13 applies.

(iii) Any election under § 1.1502-13 to take items into account on a separate entity basis does not apply under this section. See § 1.1502-13(e)(3).

(3) *Other law.* The rules of this section apply in addition to other applicable law (including nonstatutory authorities). For example, to the extent a loss or deduction deferred under this section is from a transaction that is also an intercompany transaction under

§ 1.1502-13(b)(1), attributes of the loss or deduction are also subject to recharacterization under § 1.1502-13. See also, sections 269 (acquisitions to evade or avoid income tax) and 482 (allocations among commonly controlled taxpayers). Any loss or deduction taken into account under this section can be deferred, disallowed, or eliminated under other applicable law. See, for example, section 1091 (loss eliminated on wash sale).

(b) *Definitions and operating rules.* The definitions in § 1.1502-13(b) and the operating rules of § 1.1502-13(j) apply under this section with appropriate adjustments, including the following:

(1) *Intercompany sale.* An intercompany sale is a sale, exchange, or other transfer of property between members of a controlled group, if it would be an intercompany transaction under the principles of § 1.1502-13, determined by treating the references to a consolidated group as references to a controlled group and by disregarding whether any of the members join in filing consolidated returns.

(2) *S's losses or deductions.* Except to the extent the intercompany sale is also an intercompany transaction to which § 1.1502-13 applies, S's losses or deductions subject to this section are determined on a separate entity basis. For example, the principles of § 1.1502-13(b)(2)(iii) (treating certain amounts not yet recognized as items to be taken into account) do not apply. A loss or deduction is from an intercompany sale whether it is directly or indirectly from the intercompany sale.

(3) *Controlled group; member.* For purposes of this section, a controlled group is defined in section 267(f). Thus, a controlled group includes a FSC (as defined in section 922) and excluded members under section 1563(b)(2), but does not include a DISC (as defined in section 992). Corporations remain members of a controlled group as long as they remain in a controlled group relationship with each other. For example, corporations become nonmembers with respect to each other when they cease to be in a controlled group relationship with each other, rather than by having a separate return year (described in § 1.1502-13(j)(7)).
