Availability of Funds for Grants to Provide Health Care for the Homeless and Health Care Services for Homeless Children

AGENCY: Health Resources and Services Administration.

ACTION: Notice of available funds.

SUMMARY: The Health Resources and Services Administration (HRSA) is announcing the availability of approximately \$65.3 million for fiscal year (FY) 1996 for competing applications for the Health Care for the Homeless program. Although the President's FY 1996 budget includes this program as part of the health services cluster, it is anticipated that funding for FY 1996 for each of the programs in the cluster will be proportionate to its FY 1995 funding level. Grants will be awarded under Section 340 of the Public Health Service (PHS) Act, 42 U.S.C. 256. This announcement is made prior to an appropriation of funds to allow applicants sufficient time to prepare applications and to enable timely award of the grants in consideration of the special needs of homeless individuals.

The PHS is committed to achieving the health promotion and disease prevention objectives of Healthy People 2000, a PHS-led national activity for setting health priorities. This grant program is related to the objectives cited for special populations, particularly people with low income, minorities, and the disabled, which constitute a significant portion of the homeless population. Potential applicants may obtain a copy of *Healthy People 2000* (Full Report; Stock No. 017-001-00474-0) or *Healthy People 2000* (Summary

Report; Stock No. 017-001-00473-1) through the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402-9325 (telephone 202-783-3238).

The Public Health Service strongly encourages all grant recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

DUE DATES: Applications are due 120 days prior to project end date, with the first date being August 1, 1995 and the last date being December 1, 1995. Applications will be considered to have met the deadline if they are: (1) received on or before the deadline date; or (2) postmarked on or before the established deadline date and received in time for orderly processing. Applicants should request a legibly dated U.S. Postal Service postmark or obtain a legibly dated receipt from a commercial carrier or U.S. Postal Service. Private metered postmarks are not acceptable as proof of timely mailing. Applications received after the announced closing date will not be considered for funding.

ADDRESSES: Application kits (Form PHS 5161-1) with revised face sheet DHHS Form 424, as approved by the Office of Management and Budget under control number 0937-0189 may be obtained from, and completed applications should be mailed to the appropriate PHS Regional Grants Management Officer (RGMO) (see Appendix A). The RGMO can also provide assistance on business management issues.
