Other Award Information

The Health Care for the Homeless program has been determined to be a program which is subject to the provisions of Executive Order 12372 concerning intergovernmental review of Federal programs by appropriate health planning agencies, as implemented by 45 CFR part 100. Executive Order 12372 allows States the option of setting up a system for reviewing applications from within their States for assistance under certain Federal programs. The application packages to be made available under this notice will contain a listing of States which have chosen to set up a review system and will provide a State point of contact (SPOC) in the State for the review. Applicants (other than federally-recognized Indian tribal governments) should contact their SPOC as early as possible to alert them to the prospective applications and receive any necessary instructions on the State process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State. The due date for State process recommendations is 60 days after the appropriate deadline dates. The BPHC does not guarantee that it will accommodate or explain its responses to State process recommendations received after the date. (See "Intergovernmental Review of Federal Programs", Executive Order 12372, and 45 CFR part 100 for a description of the review process and requirements.)

The OMB *Catalog of Federal Domestic Assistance* number for this program is (93.151).

Dated: July 13, 1995.
